PREFACE

This Code constitutes a complete recodification of the ordinances of the City of Houston, Texas of a general and permanent nature.

Source materials used in the preparation of the Code were the City's 1968 Code and ordinances adopted after October 4, 1967 adopted by the city. The source of each section is included in the history note appearing in parentheses at the end thereof. The absence of such a note indicates that the section is new and was adopted for the first time with the adoption of the Code. By use of the Comparative Tables appearing in the back of this volume, the reader can locate any section of the 1968 Code and any subsequent ordinance included herein. A table listing the state law citations and setting forth their location within the Code is included at the back of this volume.

Numbering System

The numbering system used in this Code is the same system used in many state and municipal codes. Each section number consists of two component parts separated by a dash, the figure before the dash representing the chapter number and the figure after the dash indicating the position of the section within the chapter. Thus, the first section of Chapter 1 is numbered 1-1 and the twenty-first section of Chapter 44 is 44-21. Under this system, each section is identified with its chapter and at the same time new sections or even whole chapters can be inserted in their proper place, simply by using the decimal system for amendments. By way of illustration: If new material consisting of three sections that would logically come between Sections 2-1 and 2-2 is desired to be added, such new sections would be numbered 2-1.1, 2-1.2 and 2-1.3 respectively. New chapters may be included in the same manner. If the new material is to be included between Chapters 5 and 6, it will be designated as Chapter 5.5. Care should be taken that the alphabetical arrangement of chapters is maintained when including new chapters. New articles and new divisions may be included in the same way or, in the case of articles, may be placed at the end of the chapter embracing the subject, and, in the case of divisions, may be placed at the end of the article embracing the subject, the next successive number being assigned to the article or division.

Indices

The indices of the Code have been prepared with the greatest of care. Each particular item has been placed under several headings, some of the headings being couched in lay phraseology, others in legal terminology, and still others in language generally used by municipal officials and employees. There are numerous cross references within the indices which stand as guideposts to direct the user to the particular item in which he is interested.

Looseleaf Supplements

A special feature of this Code is the looseleaf system of binding and supplemental service, by which the Code will be kept up-to-date periodically. Upon the final passage of amendatory ordinances, they will be properly edited and the page or pages affected will be reprinted. These new pages will be distri-

buted to holders of copies of the Code, with instructions for the manner of inserting the new pages and deleting the obsolete pages.

The successful maintenance of this Code up-to-date at all times will depend largely upon the holder of the volume. As revised sheets are received, it will then become the responsibility of the holder to have the amendments inserted according to the attached instructions. It is strongly recommended by the publishers that all such amendments be inserted immediately upon receipt to avoid misplacing them and, in addition, that all deleted pages be saved and filed for historical reference purposes.

Acknowledgments

The publication of this Code was under direct supervision of George R. Langford, President, and Roger D. Merriam, Supervising Editor, of the Municipal Code Corporation, Tallahassee, Florida. Credit is gratefully given to the other members of the publisher's staff for their sincere interest and able assistance throughout the project.

The publishers are most grateful to Mr. Paul Bibler, assistant city attorney and all other city officers and employees for their cooperation and assistance during the progress of the work on this Code.

MUNICIPAL CODE CORPORATION

Tallahassee, Florida

ADOPTING ORDINANCE

ORDINANCE NO. 85-1380

AN ORDINANCE ADOPTING A CODIFICATION OF THE GENERAL CIVIL AND CRIMINAL ORDINANCES OF THE CITY OF HOUSTON, TEXAS; REPEALING THE PRIOR CODIFICATION THEREOF AS ADOPTED PURSUANT TO ORDINANCE NO. 68-1900, AS AMENDED, SUBJECT TO CERTAIN SAVINGS PROVISIONS; PROVIDING FOR PENALTIES BY FINES NOT EXCEEDING TWO HUNDRED DOLLARS FOR VIOLATIONS; PROVIDING FOR THE AUTHENTICATION OF COPIES OF THE CODIFICATION AND FOR THE ADMISSIBILITY THEREOF IN THE COURTS; PROVIDING FOR SEVERABILITY; AND CONTAINING FINDINGS AND OTHER PROVISIONS RELATING TO THE FOREGOING SUBJECT.

* * *

WHEREAS, the City of Houston is authorized under its charter and pursuant to Art. 1176a Tex. Rev. Civ. Stats. to codify its civil and criminal ordinances and to adopt a code of ordinances together with appropriate penalties therefor, which code, when adopted, shall have the force and effect of an ordinance regularly enacted with the usual prerequisites of law; NOW, *THEREFOR,*

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HOUSTON:

Section 1. That the two loose-leaf volumes labeled "Code of Ordinances/City of Houston Texas" and designated as Volume 1 and Volume 2 that are attached to and made a part of this ordinance as Exhibits "A" and "B", respectively, containing Chapters 1 through 47, inclusive (except that Chapter 25 is reserved), are hereby adopted and enacted as the "Code of Ordinances, City of Houston, Texas" (hereinafter referred to as the "1985 Code of Ordinances"). The 1985 Code of Ordinances shall be a new and comprehensive ordinance that codifies the general civil and criminal ordinances of the City of Houston, and repeals the "Code of Ordinances, City of Houston, Texas" as adopted by Ordinance No. 68-1900, as amended (hereinafter referred to as the "1968 Code of Ordinances"), except as otherwise provided in Section 2 of this ordinance, below.

Section 2.

(a) The repeal provided for in Section 1 of this ordinance shall not be construed to repeal any of the following:

1. Any ordinance adopted after May 1, 1985.
2. Any ordinance adopted on or prior to May 1, 1985, that has not been incorporated into the 1985 Code of Ordinances, except and only to the extent that it expressly amended or repealed the 1968 Code of Ordinances or any provision(s) thereof.
3. Any Motion or Resolution adopted by the City Council.

4. Ordinance No. 84-1962, adopted on December 19, 1984, as amended.

5. The Fire Code of the City of Houston (Ordinance No. 73-2078, adopted November 21, 1973, as amended, which is Chapter 17 of the 1968 Code of Ordinances).

6. The Building Code of the City of Houston (Ordinance No. 71-2351, adopted December 15, 1971, as amended).

7. The ordinances that appeared as Appendices "A" through "E", inclusive to the 1968 Code of Ordinances, to-wit: A—Ordinance No. 61-589, adopted July 12, 1961, as amended; B—Ordinance No. 61-1830, adopted October 18, 1961, as amended; C—Ordinance No. 74-307, adopted February 13, 1974, as amended; D—Ordinance No. 61-849, adopted May 16, 1961, as amended; and E—Ordinance No. 74-419, adopted February 27, 1974, as amended.

8. Any ordinance that is expressly saved from repeal by the provisions of the 1985 Code of Ordinances.

9. Subsection (a) of Section 34-11 of the 1968 Code of Ordinances.

(b) The provisions of the 1968 Code of Ordinances shall remain in full force and effect for the trial and punishment of all criminal violations thereof occurring through the time of its repeal and for the recovery of penalties and forfeitures incurred thereunder and for the preservation of rights, privileges, obligations, liabilities and remedies established, accrued, accorded or incurred thereunder before the time of its repeal. The repeal of the 1968 Code of Ordinances does not affect its prior operation or any prior action taken under it.

(c) The repeal provided for in Section 1, hereof, shall not be construed to revive any ordinance or part thereof that has been repealed by a subsequent ordinance that was repealed by this ordinance.

Section 3. Violations of the 1985 Code of Ordinances shall be punishable as provided therein; if no specific penalty is otherwise provided for an offense, then it shall be punishable by a general penalty fine not exceeding two hundred dollars as more particularly provided in Section 1-6 thereof.

Section 4. The 1985 Code of Ordinances may be amended as provided in Section 1-4 thereof. In case of an amendment for which no specific penalty is provided, then the general penalty established in Section 1-6 thereof shall apply as provided in Section 3 of this ordinance.

Section 5. The City Council hereby notes for reference that the two volume edition of the 1985 Code of Ordinances to which is appended to this Ordinance as Exhibits "A" and "B" contains Supplement No. 1, which has been installed in accordance with the instructions furnished by Municipal Code Corporation as the editor of the 1985 Code of Ordinances, and that Volumes 1 and 2 (Exhibits "A" and "B") also have been corrected to cure the errata that are listed on the "Errata list" that is attached to and made a part of this ordinance as Exhibit "C". The City Secretary is hereby directed to record this ordinance and the 1985 Code of Ordinances in the ordinance records of the City of Houston.

Section 6. The Mayor is authorized to approve and authenticate, and the City Secretary is authorized to attest, any printed copy of the 1985 Code of Ordinances that conforms to the Volumes 1 and 2 (Exhibits "A" and "B") attached hereto as a true copy. Copies, so authenticated by the Mayor and City Secretary, shall have the same force and effect for all purposes as the originals thereof that are appended to this Ordinance and shall be admissible in evidence in all courts pursuant to Section 5 of Art. 1176a, Tex. Rev. Civ. Stats. and Article IX, Section 13 of the City Charter. The provisions of this section shall not be construed to prevent the certification or admission into evidence of the 1985 Code of Ordinances, or any excerpts or copies thereof, in any other manner authorized by law or judicial rules.

Section 7. An authenticated copy of the 1985 Code of Ordinances shall be kept on file in the office of the City Secretary preserved in loose-leaf form, or in such other form as the City Secretary may consider most expedient. It shall be the express duty of the City Secretary or someone authorized by him or her, to insert in such copy and in the designated places all amendments or ordinances which indicate the intention of the Council to make the same a part of such Code when the same have been printed or reprinted in page form, and to extract from such copies all provisions that may be from time to time repealed by the Council. Such copy shall be available for all persons desiring to examine the same.

Section 8. Any ordinance or document that amended or referred to any provision of the 1968 Code of Ordinances shall be construed as if it referred to the like provision of the 1985 Code of Ordinances. The City Attorney is hereby authorized and directed to make any nonsubstantive revisions of ordinances adopted after May 1, 1985, amending the 1968 Code of Ordinances as may be required for their proper incorporation by supplement into the 1985 Code of Ordinances, including, but not limited to, the correction of section, division, article and chapter numbers and the conforming of definitional words and phrases to those used in the 1985 Code of Ordinances.

Section 9. If any provision, section, subsection, sentence, clause, or phrase of this ordinance, or the application of same to any person or set of circumstances, is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this ordinance or their application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this ordinance that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other portion hereof, and all provisions of this ordinance are declared to be severable for that purpose.

Section 10. This Ordinance and the 1985 Code of Ordinances that is incorporated herein and adopted hereby shall take effect immediately upon the passage of this ordinance on third and final reading and its approval by the Mayor.

PASSED on first reading August 7, 1985.

PASSED on second reading August 14, 1985.

PASSED on third reading August 21, 1985.

APPROVED August 21 at 3:35 o'clock p.m. on August 21, 1985.

Checklist of Up-to-Date Pages

(This checklist will be updated with the printing of each Supplement)

From our experience in publishing Looseleaf Supplements on a page-for-page substitution basis, it has become evident that through usage and supplementation many pages can be inserted and removed in error.

The following listing is included in this Code as a ready guide for the user to determine whether the Code volume properly reflects the latest printing of each page.

In the first column all page numbers are listed in sequence. The second column reflects the latest printing of the pages as they should appear in an up-to-date volume. The letters "OC" indicate the pages have not been reprinted in the Supplement Service and appear as published for the original Code. When a page has been reprinted or printed in the Supplement Service, this column reflects the identification number or Supplement Number printed on the bottom of the page.

In addition to assisting existing holders of the Code, this list may be used in compiling an up-to-date copy from the original Code and subsequent Supplements.

CHARTER*

Art. I.	**Corporate Name and Boundaries and Platting of Property**
Art. II.	**Corporate and General Powers**
Art. III.	**Taxes and Taxation**
Art. IV.	**Power as To Bonds, Buffalo Bayou, Sidewalks, State Agency, Streetcar Equipment**
Art. IVa.	**Street Improvements**
Art. IVb.	**Street Improvements—Incorporation of State Law**
Art. V.	**Officers and Elections**
Art. V-a.	**Civil Service**

*__Editor's note—__The City of Houston received its first Charter from the Congress of the Republic of Texas in 1837 as an apparent amendment to a bill that was originally intended to incorporate the City of Nacogdoches. In 1839, the Congress of Texas granted the City its own unique Charter, which was amended or replaced at various times through 1905 by the Congress of the Republic of Texas and later by the Texas Legislature. The current Charter, which is codified herein, has its origins in the Charter granted by the Texas Legislature in March 1905, which was amended by the Legislature in April 1905 and again in 1911. The adoption of the "home rule" provisions of Article XI, § 5 of the Texas Constitution in 1912 repealed the authority of the Legislature to grant charters and gave that authority to the inhabitants of larger cities. The City of Houston's voters have used the home rule amendment to revise the Charter at many elections, the first of which was held in 1913.

The Charter codification that appears herein was compiled by Alice S. Wilson, Senior Legal Assistant, under the supervision of Paul Bibler, Senior Counsel, of the City of Houston Legal Department from the original source documents, including copies of the acts of the Legislature in 1905 and 1911 and the ordinances calling and canvassing the various home rule Charter amendment elections. Numerous grammar and spelling errors, inconsistencies in capitalization and numbering, and other anomalies that appear in the source documents have been faithfully reproduced in this codification. Reference has been made to sections where the catch lines were added because many sections did not have catch lines in the source documents.

A source list for the Charter appears in the Charter Appendix, which follows the Charter.

ARTICLE I. CORPORATE NAME AND BOUNDARIES AND PLATTING OF PROPERTY*

Section 1. Corporate Name.

That all the inhabitants of the City of Houston, Harris County, Texas, as the boundaries and limits of said City are herein established, or may be hereafter established, shall be a body politic, incorporated under, and to be known by the name and style of the City of Houston, with such powers, rights, and duties as are herein provided. (Act of 1905)

SECTION 2. BOUNDARIES ESTABLISHING CITY LIMITS. [Text omitted].

Section 2-a. Repealed.

Editor's note—Canvas Ord. No. 2012-1003, §§ 7—9, adopted November 19, 2012, adopted at an election of November 6, 2012, repealed § 2-a in its entirety. Formerly, said section pertained to "Extending City Limits upon Petition" and derived from an amendment of October 15, 1913. Said section is now superseded by state law.

Section 2-b. Repealed.

Editor's note—Canvas Ord. No. 2012-1003, §§ 7—9, adopted November 19, 2012, adopted at an election of November 6, 2012, repealed § 2-b in its entirety. Formerly, said section pertained to "Extending Limits by Action of City Council" and derived from an amendment of October 15, 1913. Said section is now superseded by state law.

SECTION 3. Platting of property.

That should any property lying within the city limits as established by this act be hereafter platted into blocks and lots, then and in that event the owners of said property shall plat and lay the same off to conform to the streets and lots abutting on same, and shall file with the City Engineer a correct map of same; provided, that in no case shall the City of Houston be required to pay for any of said streets at whatever date opened, but when opened by reason of the platting of said property, at whatever date platted, they shall become by such act the property of the City of Houston for use as public highways, and shall be cared for as such; provided, however, that the platting of any property laid off into blocks and lots as herein provided shall be platted in accordance with the regulations prescribed by the City Council. Said plat shall be approved by the City Council before said plat is placed of record, and before any lot or lots are sold with reference to said plat, and the City Council shall be authorized to pass all necessary ordinances, penal or otherwise, with reference to the platting of property so as to carry into effect the purposes of this provision and the City Council is further authorized to pass all necessary ordinances prescribing reasonable rules and regulations for the laying of water mains or pipes, sewers and the regulation of the kind and character of street paving which may be placed in any such addition. (Act of 1905; amended December 30, 1922)

*__Note—__The title of this article was added by the editor; it was not titled in the 1905 Special Act or any of the subsequent amendments.

ARTICLE II. CORPORATE AND GENERAL POWERS†

Section 1. Corporate Powers.

The City of Houston, made a body politic and corporate by this Act, shall have perpetual succession, may use a common seal, may sue and be sued, may contract and be contracted with, implead and be impleaded in all courts and

†__Note—__The title of this article was added by the editor; it was not titled in the 1905 Special Act or any of the subsequent amendments.

places and in all matters whatever, may take, hold and purchase lands as may be needed for the corporate

[The next page is 3]

purposes of said City, and may sell any real estate, or personal property owned by it, perform and render all public services, and when deemed expedient, may condemn property for public use, and may hold, manage, and control the same, such condemnation proceedings to be governed and controlled by the law now in force in reference to the condemnation of the right of way of railroad companies and the assessment of damages therefor, and shall be subject to all the duties and obligations now pertaining to or incumbent upon said City as a corporation not in conflict with the provisions of this Act, and shall enjoy all the rights, immunities, powers, privileges, and franchises now possessed and enjoyed by said City and herein granted and conferred. (Act of 1905)

Section 2. General powers.

(a) The City Council shall have power to enact and to enforce all ordinances necessary to protect life, health and property; to prevent and summarily abate and remove nuisances; to preserve and promote good government, order, security, amusement, peace, quiet, education, prosperity and the general welfare of said City and its inhabitants; to exercise all the municipal powers necessary to the complete and efficient management and control of the municipal property and affairs of said city to effect the efficient administration of the municipal government of said city; to exercise such powers as conduce to the public welfare, happiness and prosperity of said city and its inhabitants; and to enact and enforce any and all ordinances upon any subject; provided, that no ordinance shall be enacted inconsistent with the provisions of this charter; and, provided further, that the specification of particular powers shall never be construed as a limitation upon the general powers herein granted; it being intended by this charter to grant to and bestow upon the inhabitants of the City of Houston and the City of Houston full power of local self government, and it shall have and exercise all powers of municipal government not prohibited to it by its charter, or by the provisions of the Constitution of the State of Texas.

(b) The City shall have all powers that are or hereafter may be granted to municipalities by the Constitution or laws of Texas; and all such powers, whether expressed or implied, shall be exercised and enforced in the manner prescribed by this charter, or when not prescribed herein, in such manner as shall be provided by ordinance or resolution of the Council.

In addition to all the powers enumerated in this charter, implied thereby or appropriate to the exercise thereof, the City shall have and may exercise in the manner hereinbefore provided, all other powers which, under the Constitution and laws of this State, it would have been competent for this charter specifically to enumerate. (Act of 1905; amended October 15, 1913)

Sec. 3. Real Estate, etc., Owned by City.

All real estate owned in fee simple title, or held by lease, sufferance, easement or otherwise; all public buildings, market houses, school houses, fire engine stations, public squares, parks, streets, alleys and all property of whatever kind, character and description which has been granted, donated, purchased or otherwise acquired by the City of Houston through any means or agency, and all causes of action, choses in action, rights or privileges of every kind and character, and all property of whatsoever character or description which may have been held and is now held, controlled or used by said City of Houston for public uses or in trust for the public, shall vest in and remain in, and inure to, the said corporation, the City of Houston, under this Act; and all suits and pending actions to which the City of Houston heretofore was or now is a party, plaintiff or defendant, shall in no wise be affected or terminated by the provisions of this Act, but shall continue unabated. (Act of 1905)

Sec. 4. Street Powers.

The City of Houston shall have power to lay out, establish, open, alter, widen, lower, extend, grade, narrow, cure for, sell, pave, supervise, maintain, and improve streets alleys, sidewalks, squares, parks, public places and bridges; and to vacate and close the same and to regulate the use thereof, and to require the removal from the streets and sidewalks of all obstructions, telegraph, telephone, street railway or other poles carrying electric wires, signs, fruit stands, show

cases and encroachments of every character upon said streets or sidewalks; to vacate and close private ways. (Act of 1905)

Sections 4-a and 4b. Repealed.

Note—These sections, which related to street opening and condemnation, were repealed by the voters at the November 2, 1999, Charter Election. The repealer included the following savings clause:

This repealer shall not be construed to affect the validity of any action taken or right or obligation created or assumed under the said provisions prior to their repeal, and the said provisions are saved from repeal for the limited purpose of the continued enforcement of rights and obligations that arose thereunder prior to their repeal.

Section 5. To Regulate Street and Electric Railway Companies.

The City of Houston shall have the power by ordinance or otherwise to regulate the speed of engines, locomotives and street cars within the limits of said City, and to require steam railway companies to keep the streets over which they run properly drained, and to light the same wherever deemed necessary; and to require steam and electric railway companies to construct and keep in repair from curb to curb bridges and crossings over all the ditches, and to construct and maintain drains and culverts where crossed by any line of said railways on all streets over which they run.

To direct and control the laying and construction of railroad tracks, turnouts and switches, and to regulate the grade of same, and to require them to conform to the grade of the streets of said City as they may be or are now established, and that said tracks, turnouts and switches be so constructed and laid out as to interfere as little as possible with the ordinary travel in the use of the streets.

The City of Houston shall have power by ordinance or otherwise to require steam railways using any portion of the streets of the City to pay all or any part of the paving, grading, draining and repair thereof along the street so used by such railway, and to light the same whenever and wherever deemed necessary or advisable.

Said City shall have power by ordinance or otherwise to require any street or electric railway company to pay the cost of the grading, paving repairing or repaving or otherwise improving the street or streets or intersections thereof used or occupied by such railway company, and such cost shall be a lien upon the property and franchises of the company. The portion of the street occupied by an electric or street railway company shall be deemed to be the space between its tracks and twelve inches on the outside of each of its rails, and all the space between double tracks, turnouts and switches.

Any railroad company or street railway company proposing, with the permission of the Council, to occupy any street or streets already occupied by any other such company, shall, besides paying for paving as may be required by the City Council or by the provisions of this Act, be required also to pay for paving between the tracks of said two roads to within twelve inches of the track of such other road, and such cost shall be a lien upon the property and franchises of the company.

Should any railroad or street railway company propose to lay a track on any street or portion of a street which shall have been improved under the provisions of this Act, it shall become liable for the portion of the cost of such improvement as the City Council may direct or as is fixed by this Act.

No railroad or street railway company shall be permitted to occupy any street or portion of a street, improved or otherwise, not previously occupied by it, except with the permission of the City Council.

The City Council shall have power by ordinance to require any street car or electric railway company, or other person or corporation operating street cars in, into or through the City of Houston, to issue to its passengers transfers from any of its lines to any other lines within the City, upon the payment by said passenger of the fare or rate prescribed for one continuous passage. (Act of 1905)

Section 5-A. Interchange of Service or Common use of Tracks, poles, etc.

The City of Houston shall have the power by ordinance, to provide for the interchange of ser-

vice or common use, by and between every person, firm, corporation, assignee, trustee or receiver, including the City of Houston, owning, using, operating or controlling any franchise or public utility in the City of Houston, over and of the lines, tracks or properties owned, held, maintained or operated by such person, firm, corporation, assignee, trustee or receiver under such franchise, and to have the power to enforce all ordinances passed hereunder by appropriate provisions, penal or otherwise, including the repeal and forfeiture of any of said franchises for noncompliance with the provisions of any ordinance or requirement passed under authority hereof.

By the term "interchange of service or common use" as herein used is meant, that any person, firm, corporation, assignee, trustee or receiver holding a franchise from the City for any public utility shall allow the use by the City of Houston, or any other person, firm, corporation, etc. owning, using, operating or controlling any franchise or public utility in the City of Houston upon the payment of a reasonable rental for such use of any of its poles, tracks, wires, conduits, electric current, right of way or other properties or equipment.

The City of Houston shall also provide such reasonable rates of charge and conditions of use as in its judgment may be meet and proper, and the City Council shall especially have the power to compel any railroad or terminal company, whether operated by steam, electricity or other power to allow any other terminal or railroad company or the City of Houston to use its tracks or physical property under such reasonable regulations as to time and manner of use and compensation therefor as the city council may fix. (Added by amendment October 15, 1913)

Sec. 6. To Regulate Rates of Public Utilities.

The City Council shall have the power by ordinance to fix and regulate the price of water, gas and electric lights, and to regulate and fix the fares, tolls and charges of local telephones and exchanges; of public carriers and hacks, whether transporting passengers, freight or baggage, and generally to fix and regulate the rates tolls or charges of all public utilities of every kind.

To fix and regulate the fares and charges of electric or street railway companies, and shall require by ordinance, under proper penalties, that any street railroad using any of the streets of the City shall for one fare give a transfer from any of its lines to any other line in the City, whether such other line be owned by it or any other company, and in addition to the penalties to be prescribed by ordinance for the failure to give transfers, shall have the right by mandamus or other proper remedy in any court of competent jurisdiction to enforce any ordinance requiring the giving of transfers by any street railroad company; and in addition thereto, the City of Houston may recover of the street railway company the sum of twenty five dollars as penalty and liquidated damages for each and every failure to give a transfer.

It shall be unlawful to continue, amend or extend any street railroad franchise, without binding any such railroad to give universal transfers, under provisions to be fixed by general ordinance. (Act of 1905)

Section 6-A. Service and Extensions by Public Utility Concerns.

The City of Houston shall also have power by ordinance to prescribe the character, quality and efficiency of service to be rendered, given, performed and furnished, and the kind and design of material to be used in all their improvements by persons, firms, corporations, assignees, trustees or receivers engaged in the business of furnishing water, gas, electric lights, telephone service or in the transportation of passengers, or freight and baggage, or in the operation of any public utility of any kind operated under franchise from the City of Houston, and the improvement of their service in a manner necessary or required for the public comfort and convenience, and to make improvements and betterments of their property. The City of Houston shall also have the power to regulate the extensions of the lines or service of any public utility operated under franchise from the City of Houston, and shall have the authority by ordinance to require, prohibit or otherwise regulate such extensions of lines or service, and the City Council may of its own motion, and shall at the request of any person, firm, or corporation

affected by any such proposed extension make provision for a hearing for the purpose of determining the reasonableness thereof and public necessity therefor.

All such hearings shall be conducted under such provisions as the City Council may prescribe. Nothing herein shall prevent the City Council from making general rules and regulations for the extension of lines or service.

The City Council shall have power to enforce all ordinances passed under the authority hereof by appropriate provisions, penal or otherwise, including the repeal or forfeiture of any of said franchises for noncompliance with the provisions of any ordinance passed by authority hereof. (Added by amendment October 15, 1913)

Sec. 7. May Own Waterworks.

The City of Houston may buy or construct, own, maintain and operate a system of waterworks, gas or electric lighting plants, street cars and sewers, and it shall be its duty to regulate, care for and dispose of sewage, wastewater, surface water, offal, garbage and other refuse matter, and to make rules and regulations governing the same, and prescribe penalties for violations of said rules and regulations. (Act of 1905)

Sec. 7a. Ownership, etc. of public utilities.

The City of Houston may by purchase, lease, condemnation, construction or otherwise, establish, own, equip, maintain, conduct and operate, in whole or in part, libraries, reading rooms, art galleries, museums, assembly or convention halls, parks, playgrounds, gymnasiums, baths, public toilets and comfort stations, abattoirs, municipal lodging houses, and tenement houses, dispensaries, infirmaries, free employment bureaus, almshouses, work farms, detention homes, cemeteries, crematories, morgues, works or plants for the preparation, manufacture, handling or transportation of materials required in the construction, completion, maintenance or repair of streets, bridges, sidewalks, sewers and any public work, improvement, building or utility, whether specifically mentioned herein or not, and shall have power to purchase and contract for any and all materials used in connection with the operation of said works or plants, or the maintenance or repair of streets, bridges, etc., hereinabove mentioned, and shall further have power to bid on any public work or improvement proposed or instituted by or in the City of Houston and to contract for the same in like manner and upon the same terms and conditions as other contractors, with the power to purchase any and all materials which may be necessary to carry out and perform such contract whether same are of the kind repaired, manufactured or handled in the plants or works owned by the City of Houston or not. The City of Houston may also, by purchase, condemnation, construction or otherwise establish, own, equip, maintain, conduct and operate in whole or in part steam laundries, ice factories, bakeries, belt and terminal railways and union depots within or without the City of Houston; also, any and all buildings, establishments, institutions and places, whether situated inside or outside the city limits which are necessary or convenient for the transaction of public business or for promoting the health, morals, education or welfare of the inhabitants of the city, or for their amusement, recreation, entertainment or benefit. (Added by amendment October 15, 1913; amended August 14, 1982)

Sec. 7b. Power of the city to buy and sell electricity, etc.

The City of Houston shall have the power to buy gas, electricity, steam, water or any other kind of power, service or commodity needed for public use, and shall have the right to resell by wholesale or retail all such gas, electricity, steam or water, power, service or commodity which it may not need for its own use; provided, that the city shall not be bound by any contract for the purchase or sale of any gas, electricity, steam or other power, commodity or service for a longer period of time than five years, unless one of the following special requirements is fulfilled, either: (i) the council has approved such contract by motion, resolution or ordinance adopted by a vote of at least two-thirds of the council, or (ii) a proposition for the making of such contract is submitted to a vote of the qualified electors of the City at an election, which proposition must include a summary of the material terms of the contract, and a majority of the votes cast on such

proposition is in favor of the making of such contract. Said election shall be held in the manner provided in the applicable state laws, this Charter and the ordinance ordering the same. (Added by amendment October 15, 1913; amended August 14, 1982)

Sec. 8. Fires.

The City of Houston shall have power to provide means for the protection against and the extinguishment of conflagrations, and for the regulation, maintenance and support of the fire department, and for the purpose of guarding against the calamity of fire, may prescribe fire limits, and may regulate or prohibit the erection, building, placing or repairing of wooden buildings within such limits in said City as may by ordinance be designated and prescribed as fire limits, and may also within said limits prohibit the moving or putting up of any wooden buildings from without said limits, and may also prohibit the removal of any wooden buildings from one place to another within said limits, and may direct and prescribe that all buildings within the limits so designated in the ordinance as fire limits shall be made or constructed of fireproof material, the kind, character, extent and quality of which buildings and material may by ordinance be prescribed and fixed, and may prohibit the repairing of wooden buildings in fire limits when the same shall have been damaged to within fifty percent of the value thereof, and may prescribe the manner of finding such damages, and may declare all dilapidated buildings to be nuisances, and direct the same to be repaired, removed or abated in such a manner as the Council may prescribe, and may declare all wooden buildings in the fire limits which they deem dangerous to contiguous buildings, or which may cause or promote fires, to be nuisances, and may require and cause the same to be removed in such manner as may be prescribed, at the expense of the owner and may further prescribe limits within which only a fire-proof roofing may be used, and may impose a penalty for violations of such rules and regulations.

The City shall have the right by ordinance to regulate, prescribe and govern the storage of lumber, sash, doors, blinds, and any and all kinds of goods, wares and merchandise of every kind, and prescribe limits within which such materials may be carried, and fix penalties for violation of the rules and ordinances governing the same. (Act of 1905)

Sec. 9. Harbor and water front.

Said city shall have power by itself, or in connection with the Harris County Navigation District and the Government of the United States to acquire by purchase, lease, condemnation or otherwise, or to construct, keep, maintain, deepen, widen, cover, wall or alter waterways, channels, slips and canals; and to improve, maintain and control the waterfront and harbors of the city on Buffalo Bayou and its tributaries, whether within or without the city limits, and shall also have power to provide by purchase, lease, condemnation or otherwise and to establish, construct, buy, own, maintain, equip, regulate and operate and to lease or sell the same when constructed elevators, warehouses, bunkers, wharves, docks, dry docks, piers, marine ways, levees, seawalls, moles, drawbridges, and other structures and appliances for facilitating or accommodating commerce or navigation on Buffalo Bayou and its tributaries, whether within or without the city limits. And it shall also have power to license, regulate and control the use of said streams, or restrain the landing, anchorage, moorage, loading and unloading of steamships and steamboats, sailing vessels, tug boats, rafts and all other watercraft, on said Buffalo Bayou and its tributaries, whether within or without the city limits; to fix the rates of wharfage, dockage, towage, pilotage and tolls, and to provide for the collection thereof, and to make and enforce regulations governing the use of harbors, docks, wharves and waterfront and other navigable waters and the opening and passing of bridges in the said limits on said Buffalo Bayou and its tributaries, whether within or without the limits of said city. (Act of 1905; amended October 15, 1913, August 14, 1982)

Sec. 10. Markets.

Said City shall have power to establish, lease, maintain, regulate and operate markets and market places and abbatoirs [sic], and to build, own, and maintain buildings therefor, and to rent and lease the same. (Act of 1905)

Sec. 11. Charities and Corrections.

The City shall have power to establish, maintain and regulate the city prison, or city prisons, work houses, rock piles and other means of punishment for vagrants, city convicts and disorderly persons, houses of correction and reformatories for youthful criminals, compulsory schools for children without parents, or vicious parents or parents who willfully and grossly neglect them, and such other places of incarceration and reformatory institutions, and such hospitals, orphanages and charitable institutions as it may deem expedient; provided, however, that no gratuity that is purely personal, and no pension, shall ever be granted to any individual, and no money of the City shall be paid out except for personal services rendered, and for the other purposes specified or authorized by this Act. (Act of 1905)

Sec. 12. Fines for Violation of Ordinances.

That the bylaws and ordinances of the City shall be enforced by a fine not to exceed two hundred dollars ($200); provided, that no ordinance or by-law shall provide a lesser penalty than is prescribed for a like offense by the laws of the State.

The City Council may provide by ordinance for the commutation of fines imposed, by labor in a work house or on a rock pile, or upon the public streets and public ways of the City of Houston, and for the collection of any fine imposed execution may be enforced as other execution issued in civil causes. (Act of 1905)

Sec. 13. Corporation Court.

There shall be a court for the trial of misdemeanor offenses, known as the "Corporation Court," with such powers and duties as are defined and prescribed in an act of the Legislature of the State of Texas, and any acts amendatory thereof, entitled, "An Act to establish and create in each of the cities, towns and villages of this State a State Court, to be known as the 'Corporation Court' in each city, town or village, and to prescribe the jurisdiction and organization thereof, and to abolish municipal courts," said Act having been prescribed to the Governor of Texas March 15th, 1899, and not having been by him disapproved.

The Magistrate of said court shall be known as the "Judge of the Corporation Court," who shall be a qualified voter and shall be appointed by the Mayor and confirmed by the City Council, and shall hold his office for two years, unless sooner removed by the Mayor and City Council and shall receive such salary as may be fixed by ordinance.

It shall be the duty of the Mayor, as soon as practicable after the passage of this Act, to nominate some suitable person to the City Council, to be by it confirmed, for the position of Judge of the Corporation Court, who shall discharge the duties of said office under the terms and provisions of the State law creating said court, and also subject to the provisions of this Act.

There shall be a Clerk or Clerks of said court, with such deputies as may be created or provided by ordinance by the City Council, who shall be appointed by the Mayor, and shall be subject to removal at any time by the Mayor or City Council, and shall receive such salary as may be fixed by the City Council.

The Clerk or Clerks of said court, and the deputies thereof, shall have the power to administer oaths and affidavits, make certificates, affix the seal of said court thereto, and generally to do and perform all things and acts usually or necessary to be performed by Clerks of courts in issuing process of said courts and conducting the business thereof.

The City Council may require such Clerk, Clerks or deputies created by it to perform such other duties, in addition to the duties of the Clerk or Deputy Clerk, as may be prescribed, or may provide that some other persons, in addition to other duties, may perform the duties of a Clerk or Deputy Clerk, without extra compensation. (Act of 1905)

SECTION 13-a. Substitute judge; acting judge.

In the event of the absence, illness or inability from any cause whatsoever of the Judge of the Corporation Court to act in such capacity the Mayor shall be authorized to nominate some suitable person to the City Council to be by it confirmed to fill such position of Judge of the

Corporation Court during the absence, illness or continued inability to serve as the Judge of said Court and such temporary Judge shall discharge all of the duties and have all of the rights, power and authority that the regularly appointed Judge of said Corporation Court has during the tenure of his appointment. (Added by amendment October 16, 1926)

Note—The title of this section was added by the editor; it was not titled in the Ordinance calling the 1926 Charter Election.

Sec. 14. Repealed.

Editor's note—Canvas Ord. No. 2012-1003, §§ 7—9, adopted November 19, 2012, adopted at an election of November 6, 2012, repealed § 14 in its entirety. Formerly, said section pertained to "Schools—City of Houston an Independent School District" and derived from an Act of 1905. Said section is now superseded by state law.

Section 14a. Repealed.

Editor's note—Canvas Ord. No. 2012-1003, §§ 7—9, adopted November 19, 2012, adopted at an election of November 6, 2012, repealed § 14a in its entirety. Formerly, said section pertained to "School board to furnish free school books" and derived from an amendment of October 15, 1913. Said section is now superseded by state law.

Section 15. Burial Grounds, Crematories and Cemeteries.

The City Council shall have power to regulate burial grounds, crematories and cemeteries, and to prohibit burial within the city limits if deemed advisable, or if necessary to protect the public health, and to condemn and close burial grounds and cemeteries in the thickly settled portions of the City, and when demanded by the public interest or public health to remove or cause to be removed bodies interred in such condemned and closed cemeteries and burial grounds, and shall cause them to be re-interred in a suitable place to be provided by the City, at its expense, and whenever advisable the City may condemn the land proposed to be used for the re-interring of bodies, in the same manner as in condemnation suits of railway companies, and use such condemned ground formerly used for cemeteries for such purposes as may best subserve the interests of the City.

The City Council shall have power and authority to make all needful and necessary regulations in regard to butchers and persons selling meats, farm products, fish, vegetables and fruit, and all foodstuffs, and to require the same to be inspected and condemned if not found wholesome, and to provide penalties for violation thereof.

The City Council shall have the right and power by ordinance to provide that the tenant or owner of any property shall pay to the City such reasonable charges for the removal of night soil or other refuse matter from the closets of the premises thereof, and to prohibit anyone except some one in the employ of the City, or by the City authorized to do so, from removing or carrying away the contents of any privy, vault or water-closet, or any receptacle of human excrement, and the City shall have the right to have inspected the premises of all persons at any time in the interest of the public health, and for the purpose of making said inspection the officers or agents of the City duly authorized to do so, shall have a right to enter upon the premises of any person at any hour during the day time to make said inspection. Whenever notice is given by any officer or employe of the City inspecting any premises that said premises need cleaning, the said night soil or other refuse matter shall be removed and the owner or tenant of said premises shall pay the City the price prescribed therefor, and failure to do so shall subject said persons to the penalties to be prescribed by ordinance, and said persons shall be fined upon conviction in the Corporation Court, in any sum not less than one dollar, nor more than two hundred dollars.

To prevent any person from bringing, depositing or having within the limits of said City any dead carcasses or any offensive or unwholesome substances or matters, and to require the removal or destruction by any person who shall have placed upon or near his premises or elsewhere any substance or matter, filth, or unsound beef, pork or fish, or hides, and skins of any kind, and on his default, to authorize the removal or destruction thereof by some officer or employe of the City, and to require the owner of any dead animal to remove the same to such place as may be designated.

The City Council shall also have the power to pass ordinances authorizing the destroying of clothing, bedding, furniture, and buildings infected with the germs of any infectious or dangerous disease, when in the discretion of the City Council the public health requires the destruction of the same, and may also in the same manner authorize the destruction or removal of buildings or other objects, after the same shall have been declared a nuisance and to be dangerous to the health or lives of the citizens of said City.

That said corporation of the City of Houston is hereby given full power and authority to take such steps to improve and preserve the purity of the water in Buffalo Bayou above the City of Houston as it may think necessary, provided that the power in this Section shall not be construed to give said corporation any jurisdiction or control over said Bayou beyond the corporate limits of said City, except for the purpose of protecting or improving the water shed, i.e., the water supply of both Buffalo Bayou and the smaller streams or tributaries; provided, further, that the said corporation shall have the right to condemn land, buildings and out-houses or closets when they may deem necessary for the protection and preservation of the purity of the water in said Bayou, and shall have such police powers as to control the same.

The City Council shall also have power to require any persons or corporations owning or operating manufacturing enterprises within or without the City, which discharge refuse matter into Buffalo or White Oak Bayous, or the tributaries of either, to make other provision for such refuse matter, or so purify the same as that the public health will be fully protected. (Act of 1905)

Section 15-a. Legal Day's Work.

(a) Eight hours shall constitute a day's work of all laborers, workmen or mechanics now employed or who may hereafter be employed by or on behalf of the City of Houston in any one calendar day where such employment, contract or work is for the purpose of constructing, repairing or improving buildings, bridges, roads, highways, streams, levies, sewer building, pipe laying, water construction or other work of a similar character requiring the services of laborers, workmen or mechanics, except in cases of emergency, in which event the emergency provisions of section (b) hereof shall apply.

(b) All contracts hereafter made by or on behalf of the City of Houston with any corporation, person or association of persons for the performance of any work shall be deemed and considered as made upon the basis of eight hours constituting a day's work, and it shall be unlawful for any corporation, person or association of persons having a contract with the City of Houston to require or permit any such laborers, workmen or mechanics to work more than eight hours per calendar day in doing such work, except in case of emergency or in cases where it may become necessary to work more than eight hours per calendar day for the protection of property, human life or other grave necessity. In such emergencies the laborers, workmen or mechanics so employed and working to exceed eight hours per calendar day shall be paid on the basis of eight hours constituting a day's work; provided, that nothing in this amendment shall affect contracts in existence at the time of the taking effect of this amendment.

(c) The City Council shall enact all such ordinances as may be necessary to carry out and make effective the provisions of this amendment. (Added by amendment October 15, 1913)

Section 16. Peace and Good Order.

The City of Houston shall have power by ordinance duly passed to establish and maintain the City Police Department, prescribe the duties of policemen and regulate their conduct.

To permit, forbid or regulate theaters, balls, dance houses and other public amusements, and to suppress the same whenever the preservation of order, tranquility, public safety or good morals may demand.

To regulate dram shops, drinking saloons and other places where intoxicating liquors are sold, and to close variety theaters when necessary, expedient or advisable.

To prohibit and punish keepers and inmates of bawdy houses and variety shows, to prevent and

suppress assignation houses and houses of ill fame, and to regulate, colonize and segregate the same, and to determine such inmates and keepers to be vagrants, and provide for the punishment of such persons.

To inspect weights and measures, fix standards of weights and measures, and to fix penalties for not using or conforming to the same, and to provide that inspection fees may be fixed by ordinance.

To make all needful and proper regulations concerning keepers of taverns and grog shops and other public houses, draymen, horse drivers, water carriers, omnibus drivers, hack drivers and drivers of baggage wagons and other vehicles, and especially to preserve order and prevent noise and confusion in and about the several depots on the arrival and departure of railway trains, and to provide how and where hacks or other carriers shall stand or take their position upon the streets adjacent or near to said depots.

To prevent extortion by carriers of passengers or baggage, hacks, drays and public conveyances, by establishing maximum rates of charges and providing penalties for violation thereof.

To provide and fix by ordinance public stands where hacks and drays, baggage wagons or other public carriers shall stand on the streets of said City for the purpose of soliciting business, and to prescribe that they shall not stand, except when receiving or discharging passengers or freight, at any points, other than those designated in the ordinance as public stands.

To suppress gambling houses, and to punish keepers of gambling houses and pool sellers, and all persons who play cards or games of chance of any kind, and to punish persons who sell lottery tickets or who advertise lottery drawings or schemes and results of drawings or lotteries.

To establish and regulate public pounds and to regulate and restrain and prohibit the running at large of horses, mules, cattle, sheep, swine, goats, geese and pigeons, and to authorize the distraining, impounding and sale of the same for the cost of the proceedings and the penalty incurred, and to order their destruction when they cannot be sold, and to impose penalties upon the owners thereof for the violation of any ordinance regulating or prohibiting the same.

To tax, regulate, restrain and prohibit the running at large of dogs, and authorize their destruction when at large contrary to ordinance, and to impose penalties on the owners or keepers thereof.

To prohibit and restrain or regulate the rolling of hoops, the flying of kites and firing of fire crackers, the use of velocipedes and bicycles, and the use of any pyrotechnic or any other amusement or practice tending to annoy persons passing in the streets or sidewalks or to frighten horses and teams.

To restrain and prohibit the ringing of bells or blowing of horns, bugles and whistles, crying of goods, and all other noises, practices and performances, tending to the collection of persons in the streets or sidewalks by auctioneers and others for the purpose of business, amusement or otherwise.

To prohibit and regulate the ringing of bells and blowing of whistles of railroad engines or locomotives within the City limits and to regulate the speed thereof.

To regulate and control the driving of cattle, horses and all other animals into or through the City.

To prevent all trespasses and breaches of the peace and good order, assault and batteries, fighting, quarreling, using abusive, profane and insulting language, misdemeanors and all disorderly conduct, and punish all persons thus offending.

To prevent and punish the keepers of houses in which loud or immoral theatrical representations are given, and to adopt summary measures for the removal or suppression of all such establishments.

The City Council shall have power to require, on due notice, all steam or street railway companies owning tracks within the City limits upon the public streets or highways of said City, which may have been or may hereafter be abandoned by said companies by non-use, to remove such hacks

and to restore at their own expense the street or way upon which such abandoned track is located to the proper grade.

To prohibit, prevent and suppress horse racing, immoderate riding and driving in the streets of said City.

To regulate the use of automobiles and the speed thereof.

To prohibit and punish the abusers of animals.

To compel persons to fasten their horses or other animals attached to vehicles or otherwise hitched or standing in the streets.

To restrain and punish vagrants, mendicants, beggars and prostitutes.

To regulate and control the sale, gift, barter or exchange of cocaine, opium, morphine, and the salts thereof. (Act of 1905; amended November 6, 2012)

Sec. 17. Franchises.

The right of control, easement, user and the ownership of and title to the streets, highways, public thoroughfares and property of the City of Houston, its avenues, parks, bridges and all other public places and property are hereby declared to be inalienable, except by ordinance duly passed by a majority of all the members of the City Council and approved by the Mayor; and no grant of any franchise or lease, or right to use the same, either on, along, through, across, under or over the same by any private corporation, association or individual, shall be granted by the City Council unless submitted to the vote of the legally qualified voters of said City, for a longer period than thirty years; provided, however, that whenever application is made for any grant of franchise, lease right or privilege in or to the streets and public thoroughfares of the City of Houston by any person or corporation, if they so request, the Council shall submit the same at an election called for said purpose, the expense of which shall be borne by the applicant for said franchise, and at said election, if the majority of the votes cast by the legally qualified voters shall be in favor of making said grant as applied for, said grant may be made for such a term of years as is specified in the ordinance submitting the same at said election; provided, however, that no grant shall be made or authorized for a longer period than fifty years.

The City Council may also, upon its own motion, submit all applications or ordinances requesting the granting of franchises or special privileges in or to the streets, public thoroughfares and highways of the City of Houston to an election, at which the people shall vote upon the propositions therein submitted, the expense of which election shall be paid by the applicant or applicants therefor. No such franchise shall ever be granted until it has been read in full at three regular meetings of the Council, nor shall any such franchise, grant, right or easement ever be made to any private individual, corporation or association, unless it provides for adequate compensation or consideration therefor, to be paid to the City of Houston, and in addition to any other form of compensation, grantee shall pay annually such a fixed charge as may be prescribed in the franchise. Such grant under and any contract in pursuance thereof shall provide that upon the termination of the grant, the grant, as well as the property, if any, of the grantee, in the streets, avenues and other public places, shall thereupon, without other or further compensation to the grantee, or upon the payment of a fair valuation therefor (the mode of ascertaining which shall be determined in the grant), be and become the property of the City of Houston, and the grantee shall never be entitled to any payment or valuation because of any value derived from the franchise or the fact that it is or may be a going concern, duly installed and operated.

Every such grant shall make adequate provision by way of forfeiture of the grant, or other-

wise, to secure efficiency of public service at reasonable rates, and to maintain the property in good order throughout the life of the grant.

The City Council may also inspect and examine or cause to be inspected and examined at all reasonable hours any books of account of such grantee, which books of account shall be kept and such reports made in accordance with the forms and methods prescribed by the City Council, which, as far as practicable, shall be uniform for all such grantees. (Act of 1905)

Section 18. Referendum.

Whenever application is made to the city council of the City of Houston for any such grant or franchise, lease or right to use the streets, public highways, thoroughfares or public property of the City of Houston as is provided for in the preceding section of this act, or whenever an ordinance is introduced in the city council proposing to make the grant of any franchise, lease or right to use the public highways, streets, thoroughfares and public property of the City of Houston, such ordinance shall set forth in detail all the rights, powers and privileges granted or proposed to be granted, and notice as to the contents of said ordinance shall be given by publishing in some daily newspaper published in the City of Houston, once a week for three consecutive weeks, a notice which includes the name of each grantee, a description of the nature of the proposed grant, and the location where the entire ordinance may be found, which ordinance may not be changed after the notice is published unless another notice is published in the same manner after such change, which publication or publications shall be made at the expense of the applicant or the person or persons desiring said grant, and no such grant shall be made or ordinance passed until after publication of a notice in the manner aforesaid, nor shall any such ordinance confirming or making any such grant, lease or right to use the streets, public highways and thoroughfares of the City of Houston take effect or become a law or contract, or vest any right in the applicants therefor, until after the expiration of thirty days after said ordinance has been duly passed by the city council and been approved by the mayor.

Pending the passage of any such ordinance or during the time intervening between its final passage and approval by the mayor, and the expiration of the thirty days before which time it shall not take effect, it is hereby made the duty of the city council to order an election if requested so to do by written petition signed by at least five hundred legally qualified voters of said city, at which election the legally qualified voters of said city shall vote for or against the proposed grant as set forth in detail by the ordinance conferring the rights and privileges upon the applicants therefor, which said ordinance shall be published at length and in full in the call for said election made by the mayor, and if at said election the majority of the votes cast shall be for said ordinance and the making of said proposed grant, the same shall thereupon become effective; but if a majority of the votes cast at said election so held shall be against the passage of said ordinance and the making of said grant, said ordinance shall not pass, nor shall it confer any rights, powers or privileges of any kind whatever upon the applicants therefor, and it shall be the duty of the city council, after canvassing the vote of said election, to pass an ordinance repealing the ordinance which has been by it passed, if the same has been passed.

No grant of franchise, or lease or right of user, in, upon, along, through, under or over the public streets, highways or public thoroughfares of the City of Houston shall be made or given nor shall any rights of any kind whatever be conferred upon any person, private corporation, individual or association of any kind whatever, except the same be made by ordinance duly passed by the city council, nor shall any extension or enlargement of any rights or powers previously granted to any corporation, person or association of persons, in, upon, along, through, under or over the streets of the City of Houston be made, except in the manner and subject to all of the conditions herein provided for in this act for the making of original grants and franchises; provided, however, that the provisions of this section shall not apply to the granting of sidetrack or switch privileges to railway companies for the purpose of reaching, and affording railway connection and switch privileges to the owners or users of any

industrial plants; it being the intention to permit the city council to grant such rights of privileges to railway companies whenever in their judgment the same is expedient, necessary or advisable. (Act of 1905; amended August 14, 1982)

Sec. 19. Contracts.

No contract shall ever be made which binds the City to pay for personal services to be rendered for any stated period of time; but all contracts involving a personal service shall be restricted to the doing of some particular act or thing, and upon its completion no further liability shall exist on the part of the city.

Nor shall the City of Houston or any one acting for it make any contract for supplies for the current use of any department of the municipality for a longer period than twelve months, unless the council approves a longer period of time not exceeding five years for a specific contract by motion, resolution or ordinance adopted by a vote of at least two-thirds of the Council Members present and voting.

No contract shall be entered into until after an appropriation has been made therefor, nor in excess of the amount appropriated, and no contract shall be binding upon the city unless it has been signed by the mayor and countersigned by the controller, and the expense thereof charged to the proper appropriation, and whenever the contract charged to any appropriation equals the amount of said appropriation, no further contracts shall be countersigned by the controller.

In every instance required by state law, contracts shall be submitted for competitive bidding prior to being entered into by the City. Procedures for such competitive bidding shall be prescribed by the council, but the procedures must be in accordance with state law. (Act of 1905; amended January 27, 1968, August 14, 1982)

Sec. 19a. Certificate of controller prerequisite to ordinance, etc., appropriating money.

No contract, agreement or other obligation involving the expenditure of money in excess of the limitation amount determined as provided in this paragraph, below, shall be ordered, authorized, entered into, or executed by any officer of the city unless same be, by authority of ordinance, resolution or motion, nor shall any ordinance, for the appropriation of money, or any ordinance, resolution or motion for the making of any contract, agreement or other obligation requiring the expenditure of money, be passed by the council unless the controller first certify to the council, that the money required for such contract, agreement, obligation or expenditure is in the treasury, and not appropriated for any other purpose, or that the funds will be received into the treasury and be available before the maturity of said obligation, and that the said funds anticipated have not been already appropriated for any other purpose, which certificate shall be filed and immediately recorded. The limitation amount referred to above shall be equal to the maximum dollar amount of an expenditure that the City is generally allowed to make without taking competitive bids for contracts under state law, as amended from time to time.

If moneys be not actually in the treasury to the credit of the fund from which it is to be drawn, but will be received into the treasury before the maturity of the obligation, the controller shall not certify that the funds will be available unless the moneys are to be derived from lawfully authorized bonds sold and in process of delivery or that the funds are anticipated to be derived from current or general revenues such as from taxes or assessments, or from sales of services, products or by-products, or from any undertakings, fee charges, accounts and bills receivable, or for other items in process of collection, and will be available before maturity of the obligation; and he shall show from what source the funds will be derived, and if the amount anticipated is to come from the general revenues of the city, he shall certify further that the amount including the aggregate of amounts previously certified or anticipated either by budget or appropriation, will not exceed the revenues levied or assessed for the fiscal year.

Any sum certified by the controller shall not thereafter be considered as unappropriated or subject to reappropriation until the city is dis-

charged from the contract, agreement or obligation. (Added by amendment October 15, 1913; amended August 14, 1982, November 2, 1999)

Sec. 20. Pension plans.

The City Council shall provide a plan for the payment of pensions to City Policemen, Police Alarm Operators, City Firemen and Fire Alarm Operators, and such other groups of City employees as the City Council and/or the legislature, from time to time, may authorize; and, beginning with the fiscal year 1934, appropriate funds in aid thereof. (Added by amendment January 28, 1933)

Note—The title of this section was added by the editor; it was not titled in the Ordinance calling the 1933 Charter Election.

Section 21. METRO rail system projects.

City Council shall not hereafter grant any permission, consent, or authorization required by the Metropolitan Transit Authority of Harris County (METRO) in connection with the construction, maintenance, or operation of all or part of a rail system unless METRO previously has conducted an election at which a majority of the METRO voters who participated in the election approved construction of the rail system. Such City permission, consent, or authorization shall not be subject to any election under this Charter. The construction, maintenance, or operation of the rail system project described in Ordinance 2000-1028 shall not be subject to any election by the City or METRO under this section or any other section of this Charter.
(Added by amendment November 6, 2001)

Section 22. Denial of benefits to same sex partners and related matters.

Except as required by State or Federal law, the City of Houston shall not provide employment benefits, including health care, to persons other than employees, their legal spouses and dependent children; nor shall the City provide any privilege in promotion, hiring, or contracting to a person or group on the basis of sexual preference, either by a vote of the city council or an executive order by the Mayor. Further, the City of Houston shall not require entities doing business with the City to have any of the above benefits or policies.

If any portion of this proposed Charter amendment is declared unlawful, then such portion shall be removed and the remainder of the Charter amendment will remain in effect. Any ordinance in conflict with this section of the Charter is hereby repealed and declared invalid. (Added by amendment November 6, 2001)

Note—This section was submitted by a voter petition that did not specify a title, article or section number. The title was added by the editor, and the section was designated as Section 22 by the editor.

ARTICLE III. TAXES AND TAXATION

Section 1. Taxation.

In each tax year beginning in tax year 2005:

(a) The City Council shall not, without voter approval, levy ad valorem taxes at combined rates expected to result in total ad valorem tax revenues for the then current fiscal year that exceed the lower of (i) the allowable ad valorem tax revenues increased by the rate of inflation (based on the change in the Designated Index for the preceding calendar year) plus the rate of growth in the City's population (based on the published estimates of the U. S. Census Bureau for the most recently available twelve month period), but not less than zero (the "indexed ad valorem tax revenues"), or (ii) the amount of total ad valorem taxes, both current and delinquent, actually collected during the prior fiscal year, increased by 4.5% of that amount and, as to the calculations in (a)(i) and (a)(ii) hereinabove, excluding ad valorem tax revenues required by state law to be deposited in a tax increment fund and adding those attributable to each annexation occurring after July 1, 2005, for the first year after such annexation. The allowable ad valorem tax revenues for fiscal year 2006 shall be the actual total ad valorem tax revenues,

both current and delinquent, collected during the fiscal year ending June 30, 2005. In each subsequent fiscal year, the allowable ad valorem tax revenues shall be the prior fiscal year's indexed ad valorem tax revenues. In any fiscal year for which the voters have approved an increase in total ad valorem tax revenues above the limit set forth in this subsection, the total ad valorem tax revenues authorized by the voters for such fiscal year or a future fiscal year shall become the amount to be adjusted in (a)(i) and (a)(ii) hereinabove for the fiscal year succeeding the authorized increase; and

(b) The City Council shall provide for a minimum annual increase through the 2008 tax year of 10% in the amount of the exemption from all ad valorem taxes levied by the city on the appraised value of residence homesteads of persons, married or unmarried, including those living alone, who are under a disability for purposes of payment of disability insurance benefits under Federal Old-Age, Survivors and Disability Insurance, or its successor, or of married or unmarried persons 65 years of age or older, including those living alone. The amount of such exemption in the 2008 tax year shall be maintained thereafter unless increased by the City Council.

The inflation rate calculation in subsection (a) of this section shall be based on the change in the Designated Index for the preceding calendar year which shall mean the United States Consumer Price Index for All Urban Consumers (also known as the CPI-U) for the Houston-Galveston-Brazoria, Texas Metropolitan Area (1982-1984=100), as published by the Bureau of Labor Statistics, U.S. Department of Labor. If such index is subject to adjustment later, then the later adjusted index, together with any correlation factor necessary to relate the later adjusted index to the earlier index, as published by the entity publishing the index, shall be used, or if such publication is discontinued, the Designated Index shall then refer to comparable statistics on changes in the cost of living for urban consumers as the same may be computed and published, on the most frequent basis available, by an agency of the United States or by a responsible financial periodical of recognized authority, which agency or periodical shall be selected by the City.

The limitation on annual increases in ad valorem tax revenues provided in subsection (a) of this section shall not apply to additional revenues necessitated by city expenditures related to the inclusion of the city in any declaration of an emergency or disaster by federal or state authorities, provided that such additional revenues shall not be included in computing the allowable ad valorem tax revenues in any succeeding fiscal year.

City Council may adopt procedures as necessary to implement this section.

The City Council shall have full authority to assess and collect any and all revenues of the city without limitation, except as to ad valorem taxes and water and sewer rates.

If for any cause the City Council shall fail or neglect to pass a tax ordinance for any one year, levying taxes for that year, then, in that event, the tax levying ordinance last passed shall and will be considered in force and effect as the tax levying ordinance for the year for which the City Council failed to pass a tax levying ordinance, and the failure so to pass such ordinance for any one year shall in no wise invalidate the collection of the tax for that year. (Act of 1905; amended October 15, 1913, August 14, 1982, November 2, 1999; November 2, 2004)

Section 2. Compromise of Taxes; Payment of Obligations by City Officers and Employees.

In no case shall the City Council or any member of the City Council, or any other officer of the City of Houston extend the time for the payment of the taxes, nor shall any officer of the City remit, discount, or compromise any tax legally due the City, nor shall any person hold any position, office or employment who is in

arrears, or due and owing to the City any sum of money for taxes or otherwise. (Act of 1905; amended November 2, 1999)

ARTICLE IV. POWER AS TO BONDS, BUFFALO BAYOU, SIDEWALKS, STATE AGENCY, STREETCAR EQUIPMENT*

Section 1. Authority To Issue Bonds.

The City Council shall have the power and authority by ordinance duly passed, if it so elects, to borrow money on the credit of the City for permanent improvements, to an amount not to exceed one hundred thousand dollars ($100,000) in any one year, and may issue bonds of the City therefor. It may also have the power, and is hereby expressly authorized, to issue bonds for the purpose of refunding bonds of the City of previous issues; provided, the bonds may be refunded at a lower rate of interest than the bonds proposed to be retired draw.

No bonds shall be issued for any purpose, except for the purpose of making permanent improvements, which shall not exceed one hundred thousand dollars ($100,000) in any one year, and for the purpose of re-funding bonds of the City of previous issues, unless an election be duly ordered by the Mayor and City Council, and if at said election a majority of the vote polled shall be in favor of creating such debt, it shall be lawful for the City Council to make the issuance of bonds as proposed in the ordinance submitting the same at the election so held, but if a majority of the vote polled shall be against the creating of such debt, it shall be unlawful for the City Council to issue the bonds.

In all elections to determine the expenditure of money for the assumption of debt, only those shall be qualified to vote who pay taxes on property in said City, and are legally qualified voters in said City of Houston; provided, that no poll tax for the payment of debts thus incurred shall be levied upon the persons debarred from voting in relation thereto.

No bonds shall be issued drawing more than five percent. interest per annum, and they shall be invalid if sold for less than par and accrued interest, and all bonds shall express upon their face the purpose for which they are issued.

The ordinance authorizing any bonds to be issued shall provide for the creation of a sinking fund sufficient to pay the bonds at maturity, and make provisions for the payment of the interest thereon as it matures, and said sinking fund shall be invested in bonds of the State of Texas, or in the bonds issued by Counties in the State of Texas, or in bonds of the United States, or such funds may be used for the purchase of the bonds of the City of Houston which are not yet due, and neither interest nor sinking fund shall be devoted to any other purpose whatsoever.

Any officer of the City who shall willfully or knowingly direct or use said fund for any other purpose except that for which the fund is created, or herein expressly authorized to be invested, shall be deemed guilty of a felony, and subject to prosecution as provided under the general laws of the State for the diversion and conversion of funds belonging to any of the municipalities of said State. (Act of 1905)

Section. 1-a. Investment of Sinking Funds.

In addition to the bonds in which by Section 1 of Article IV the City of Houston is authorized to invest its sinking fund the City of Houston is authorized and it shall have the power to invest its sinking funds in bonds of any school, navigation, road, drainage or other improvement district in any counties of the State of Texas or subdivision thereof, or in the bonds of any city in the State of Texas, provided said bonds shall have been duly approved by the Attorney General of the State of Texas and registered by the comptroller as valid and enforcible [sic] obligations. (Added by amendment December 28, 1915)

Sec. 2. Bayou.

Power is hereby given to the City Council of the City of Houston to secure land between Houston and Harrisburg, along the banks of Buffalo Bayou, by purchase, condemnation or by gift, for the improvement of Buffalo Bayou by the United States, or by the City of Houston, and for this purpose it may by ordinance extend the corporate limits of said City from its present eastern limits eastwardly in a general direction with Buffalo Bayou from bank to bank as same is now con-

*__Note—__The title of this article was added by the editor; it was not titled in the 1905 Special Act or any of the subsequent amendments.

structed, or exists, or as same may be ordered constructed by the Government engineers in charge of said work; provided, that the City shall have no right to tax the property over which such boundaries are so extended, unless such property be within the line and within the limits of the general City boundaries or limits.

To effect a condemnation, the same proceedings shall be taken and the same statutes shall govern so far as applicable, or obtain and apply to the condemnation of lands by railway companies under the general statutes of the State of Texas. (Act of 1905)

Sec. 3. Fees.

Within its corporate limits the City of Houston shall be the local agent of the State Government for the enforcement of the State laws, in all cases wherein the corporation court of the City of Houston has jurisdiction, and all fines or penalties imposed by said court, including all costs incident thereto and assessed against the parties so fined, are by this Act declared to be due and owing to, and shall be payable to the City of Houston, and in all cases where fees are allowed the officers making the arrest, or the attorneys prosecuting said causes in said corporation court, said fees shall be payable to, and shall hereby become due and owing to the City of Houston.

And the City of Houston shall by ordinance prescribe that no officer or employe in the service of the City of Houston shall recover any fees, rewards or perquisites accruing from any service performed in any manner whatsoever, whether authorized by the general laws of the State or otherwise, but in addition may prescribe by ordinance that said fees, which may be collectible by said officers under the State law, shall become the property of, and shall be payable to the City of Houston, and a failure on the part of any officer or employe to collect said fees when collectible, and to pay the same over to the City of Houston, shall be deemed a malfeasance in office, and said officer shall be removed. (Act of 1905)

Sections 4 and 4-a. Repealed.

Note—These sections, which related to construction and laying of sidewalks and special assessments, certificates, errors, and limitations relating to street improvements, were repealed by the voters at the November 2, 1999, Charter Election. The repealer included the following savings clause:

This repealer shall not be construed to affect the validity of any action taken or right or obligation created or assumed under the said provisions prior to their repeal, and the said provisions are saved from repeal for the limited purpose of the continued enforcement of rights and obligations that arose thereunder prior to their repeal.

Sec. 5. Vestibule Cars.

The City Council may by ordinance duly passed require any street car company operating its lines or cars within or into the City of Houston, to equip its cars with vestibules of such pattern and style, and during such period of the year, as may be prescribed by ordinance.

The City shall also have the right and power by ordinance duly passed, to require any street railway company operating its cars or lines within the limits of the City of Houston to equip its cars with fenders of such style, design or pattern as may be prescribed by the City Council, and to run closed cars in the months of December, January and February of each year. (Act of 1905)

ARTICLE IVa. STREET IMPROVEMENTS Repealed.*

ARTICLE IVb. STREET IMPROVEMENTS—INCORPORATION OF STATE LAW†

Section 1. Adoption of certain state law.

The terms, powers and provisions of the Act passed at the First Called Session of the Fortieth Legislature of the State of Texas, relating to

*__Note—__This article, which related to the assessment of abutting property owners for street improvements, was repealed by the voters at the November 2, 1999, Charter Election. The repealer included the following savings clause:

This repealer shall not be construed to affect the validity of any action taken or right or obligation created or assumed under the said provisions prior to their repeal, and the said provisions are saved from repeal for the limited purpose of the continued enforcement of rights and obligations that arose thereunder prior to their repeal.

†__Note—__The title of this article was added by the editor; it was not titled in the Ordinance calling the 1933 Charter Election.

street improvements and assessments therefor, and being Chapter 106 of the General and Special Laws of said Session, are hereby adopted, embraced in and made a part of the Charter of the City of Houston, and such powers, terms and provisions shall exist, be in force, and may be exercised by the governing body of the City of Houston as alternative to and independent of other powers, terms and provisions of the charter of the City of Houston, with amendments thereto, and which in anywise relate to the same subject matter. (Added by amendment January 28, 1933)

Note—The title of this section was added by the editor; it was not titled in the Ordinance calling the 1933 Charter Election.

Section 2. Intention of Article.

It is the intention hereof to write into and make a part of the charter of the City of Houston the terms, powers and provisions of said Act, as fully as if same were set forth herein in full, and the governing body of the City of Houston may proceed either under the terms, powers and provisions of the heretofore existing charter, with amendments, of the City, or under the terms, powers and provisions of said Act. (Added by amendment January 28, 1933)

Note—The title of this section was added by the editor; it was not titled in the Ordinance calling the 1933 Charter Election.

ARTICLE V. OFFICERS AND ELECTIONS*

Sec. 1. Governing Body.

The governing body of the City of Houston, Texas, shall be the City Council. The City Council shall be composed of the Mayor and the number of Council Members hereinafter prescribed. (Added by amendment August 15, 1942; amended May 29, 1951, August 11, 1979)

Sec. 2. Council Members.

For terms of office for Council Members commencing in 1980, and continuing until such time as the number of Council Members is increased as provided below, there shall be fourteen Council Members designated as follows:

District Council Members

Council Member, District A

Council Member, District B

Council Member, District C

Council Member, District D

Council Member, District E

Council Member, District F

Council Member, District G

Council Member, District H

Council Member, District I

At-Large Council Members

Council Member, At-Large Position 1

Council Member, At-Large Position 2

Council Member, At-Large Position 3

Council Member, At-Large Position 4

Council Member, At-Large Position 5

If, upon any determination of the population of the City pursuant to this Charter, such population is determined to be 2,100,000 persons or more, then the number of Council Members for the regular terms next commencing and continuing thereafter shall increase from fourteen to sixteen. The two additional members shall be District Council Members designated as follows:

Council Member, District J

Council Member, District K

The number of Council Members shall not be decreased, notwithstanding any decrease in population.

All references in this Charter to "Councilmen," "Commissioners" or "Aldermen" shall be construed to be references to "Council Members," and all references in this Charter to a "Councilman" shall be construed to be references to a "Council Member." The "members" of the City Council shall include the Mayor and all Council Members, each of whom shall be a "member" thereof. (Added by amendment August 11, 1979)

*__Note—__The history of individual sections of this article is difficult to accurately state by section number because it has been substantially rewritten on several occasions. Many of these revisions retained language from prior iterations, but transferred the language from one section to another.

Sec. 3. Establishment of District Boundaries; Determinations of Population.

It shall be the duty of the City Council to establish the boundaries of districts covering the entire City for the purpose of electing District Council Members. Such boundaries shall be established by ordinance, which shall be final for purposes of this Charter. The first such establishment shall be made as soon as practicable prior to the first City General Election following adoption of this section. Any subsequent establishment shall be made when required by this Charter.

Promptly following the addition of territory to the City by a boundary change, the City Council shall, by ordinance, add such territory to an adjacent district or districts.

In each year during which a City General Election is to be held, the City Council shall conduct an investigation and determine the population of the City and the population of each of the districts from which District Council Members are to be elected. Each such determination shall be based upon the best available data, including, but not limited to, the most recent federal census. Each such determination shall be expressed in a ordinance, which shall be a final determination for purposes of this Charter.

After any such determination, if the distribution of population among the various districts is determined by the City Council to be materially unbalanced, or if the number of Council Members increases from fourteen to sixteen, then the City Council shall establish new boundaries for the election of District Council Members. (Added by amendment August 11, 1979)

Section 4. Qualifications for Elected Officers.

To serve as Mayor, City Controller or Council Member, a person must be a qualified voter and resident of the City; additionally, a District Council Member must reside in the City Council District from which the member was elected at all times during the member's term of office. To file for office as Mayor, City Controller or At-Large Council Member, a person must be a qualified voter of the City who has resided in the City for 12 months immediately preceding the election day. To file for office as a District Council Member, a person must be a qualified voter of the City who has resided in the territory encompassed by the City Council District to be served for 12 months immediately preceding the election day. As provided by applicable state law, residence in areas annexed into the City shall be considered as residence in the City for purposes of this section. The City Council shall be the judge of the election and qualifications of Council Members, subject to review by the courts in case of contest. (Added by amendment August 11, 1979, November 2, 1999)

Sec. 5. Elections.

A City General Election shall be held on the first Tuesday after the first Monday in November of every other odd-numbered year or such other day as may be prescribed by the general laws of the State of Texas. At each City General Election, the Mayor, the Council Members and the City Controller shall be elected for the terms of office next commencing. Such officers shall assume their offices on the second day of January next thereafter, shall perform the duties and discharge the obligations conferred and imposed by the provisions of this Charter, and shall hold their offices until their successors are elected and qualified, unless removed therefrom by impeachment or recall or otherwise as prescribed in this Charter.

The Mayor, the City Controller and the At-Large Council Members shall be elected by the qualified voters of the entire City. Each District Council Member shall be elected by the qualified voters of each respective district. The Mayor, the City Controller and the Council Members shall constitute all of the elected officers of the City, and all other officers shall be appointed in the manner prescribed by this Charter. (Added by amendment August 11, 1979; amended 11-3-2015)

Section 6. Candidates and Filing for Office.

All candidates shall file for office as herein after provided.

Any person duly qualified therefor may file as a candidate for any office herein referred to without other formality than filing his sworn application with the Mayor at least thirty (30) days prior to the election day and by paying the filing fee hereinafter provided. His application shall designate the office for which he desires to be a candidate, shall state the place of his residence in the City of Houston, and shall state the number of consecutive years next immediately before the date of his filing that he has resided in the City of Houston, and in those instances in which the ownership of real estate in the City of Houston for a certain period of years is a qualification to the office which he seeks, he shall state the fact that he has been a bona fide owner of real estate in the City for the required period of time. Such application shall be signed and sworn to by the person desiring to become a candidate. Such application shall not be considered filed unless it is physically filed in the Mayor's office before midnight of the last day for filing; and his office shall remain open until midnight that day to permit the same.

Such application shall be accompanied by a filing fee which is hereby fixed and established in the following amounts, to-wit: Each candidate for Mayor shall pay a filing fee of $1,250.00. Each candidate for City Controller shall pay a filing fee of $750.00, and each candidate for Councilman shall pay a filing fee of $500.00. Such payment shall be in cash or by cashier's or certified check to the order of the City of Houston; and the Mayor will not accept the application of any candidate which is not accompanied by the required filing fee. Such filing fees shall be for the use and benefit of the City of Houston and no part thereof shall ever be returned to any candidate.

As soon as practicable after the time for filing has elapsed, the order in which the names of the various candidates shall be printed and appear on the official ballot shall be determined by a drawing for positions at which all candidates or persons representing them may be present and which shall be conducted by or under the direction of the City Secretary in such manner as is designed to assure that nothing except chance shall determine the order in which the candidates' names for each position appear on the official ballot. (Added by amendment May 29, 1951)

Section 6a. Term of office; limitation of terms.

(a) For the purposes of term limits, City elective offices are Mayor, City Controller, and City Council Member (either At-Large or District). The term of office for a City elective office shall be four years. Except as otherwise provided herein, no person shall be eligible to be elected to more than two four-year terms in the same City elective office.

(b) For positions to be elected at the City General Election to be held in November 2015, the eligibility of persons then holding City elective office to seek re-election to a City elective office shall be as follows:

1. A person serving his or her first two-year term shall be eligible to seek two additional terms of four years duration in that same office. A person having then served two additional terms of four years duration shall not be eligible to seek re-election to the same office.
2. A person serving his or her second two-year term shall be eligible to seek one additional term of four years duration in that same office. A person having then served one additional term of four years duration shall not be eligible to seek re-election to the same office.
3. A person serving his or her third two-year term shall not be eligible to seek election to that same office.

(c) In all City General Elections after the City General Election to be held in November 2015, a term to which a City elective officer was elected or appointed shall be counted only if the City elective officer served one-half or more of the term.

(d) Persons term limited under prior law shall continue to be term limited. Persons who served a single term prior to 2016 who are not serving in City elective office in 2015 and thus not

subject to subsection (b), shall be eligible to serve one additional four-year term in the same City elective office.

(e) A prohibition against eligibility to seek election to a certain City elective office shall not bar a person from seeking election to another City elective office that such person has not previously held. (Added by amendment November 5, 1991; amended 11-3-2015)

Section 7. Provisions for City General Election.

In all matters not covered by this Charter or by the general law of the State of Texas, the City Council shall by ordinance make provisions relating to the holding of the City General Election and all matters relating thereto. (Added by amendment May 29, 1951)

Section 8. Run-off election, ticket declaration.

(a) The successful candidate for any office must receive a majority of the votes cast in the election for his office and if no candidate for a particular office receives a majority, a run-off election must be held as provided by the Texas Election Code, Acts 1951, 52nd Legislature, page 1097, Chapter 492, Article 81.

(b) Any group of candidates for Mayor and Council Members who have duly filed for office as provided in Section 6 hereof, comprising not more than one candidate for each of the offices, may file a declaration in writing with the City Secretary stating that they have associated themselves as a ticket for the purpose of presenting to the electors their qualifications for office and their political aims, which declaration may be filed at any time after all have filed for office but not later than five o'clock P.M. (local time) of the second day next following the last day for filing for office. They shall state in the said declaration the name of their ticket which shall not exceed four words in length and which ticket name shall not use all or any part of the name of any political party which nominated candidates for State office in the State General Election last preceding, or any part of the name of any ticket previously declared by another group of candidates. No candidate shall join in the ticket declaration of more than one ticket, and after a ticket declaration is filed, no candidate's name may be withdrawn from the ticket unless the candidate withdraws his application to be candidate at the election. The City Secretary shall cause the official ballot to be printed with the names of all candidates associated in a ticket declaration shown under a column headed by the ticket name.

If a ticket declaration is attempted to be filed which uses all or any part of the name of any political party which nominated candidates for State office in the State General Election next preceding, or which uses all or any part of the ticket name of any ticket which has a declaration previously filed, the City Secretary shall reject the defective declaration as void.

The applicable provisions of the general laws of the state shall govern and control any nomination of candidates by any political party or parties. The provisions of this section are provisions for the voluntary association of candidates upon tickets to present to the electors their qualifications for office and their political aims, and these provisions are not intended to and do not affect the nomination of candidates for office by political parties as prescribed and regulated by the state general law. (Added by amendment August 16, 1955; amended August 11, 1979)

Note—The title of this section was added by the editor; it was not titled in the Ordinances calling the 1955 Charter Election or the 1979 Charter Election.

Section 9. Appointive Officers.

Compensation of all officers, except where provided in the Charter, shall be fixed by the City Council which may increase or diminish the same at will, or abolish entirely at any time any office established by the Council and not created expressly by the Charter. No officer whose office is created by ordinance shall hold the same for any fixed term, but shall always be subject to removal by the proper authority of the City as provided in the Charter. (Added by amendment May 29, 1951)

Section 10. Number of Signatures on Recall, Initiative and Referendum Petitions.

The number of signatures required for the petitions provided for in Articles VII-a and VII-b of this Charter shall be calculated upon the greatest total vote cast for Mayor at any city general election held within the three years next preceding the date of the filing of such petition-.(Added by amendment May 29, 1951; amended November 6, 2012)

Section. 11. Action of Council Creating Liability after City General Elections Prohibitied [sic].

(a) From and after any City General Election for the election of Mayor and Councilmen and until those elected at such election shall have qualified, if a majority of the City Council be not re-elected, it shall be unlawful for the then existing City Council to pass any ordinance, resolution or motion whereby any appropriation of money is made, or any obligation or contract on the part of the City is sought to be created; or any franchise or privilege is granted, or attempted to be conferred; and any such ordinance, resolution or motion, or any action of the City Council in the creation of any obligation, or the grant, or attempted grant, of any franchise by such Council shall be illegal, unauthorized and void, and of no effect; provided, nothing herein shall prevent the City Council from making any such appropriation and obligation on the part of the City, or granting any such franchise, if a majority of said Council is reelected; and, provided further, that nothing herein shall prevent the City Council of the City of Houston from making the necessary financial arrangements for paying the current salaries of the City officials and current expenses of the City Government; provided, that the prohibitions hereof shall be suspended in case of a public calamity.

(b) Section 9a of Article VII of the existing Charter of the City of Houston is hereby repealed. (Added by amendment May 29, 1951)

Section 12. Saving Clause.

If any section, sub-section, clause, sentence or phrase of this article is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remainder of this article.

This amendment shall become effective upon the entry upon the records of the City of an official order by the City Council declaring the same adopted. (Added by amendment May 29, 1951)

Sec. 13. Continuation in effect of provisions of Charter.

The duties and powers of the Mayor as presently prescribed, set out and defined in existing Article VI of the Charter and in other provisions of the existing

[The next page is 23]

Article VI of the Charter and in other provisions of the existing Charter shall be and remain in full force and effect, unaltered and unchanged.

The duties, power and compensation of the Councilmen as presently prescribed, set out and defined in existing Article VI and in existing Article VII and in other provisions of the Charter shall be and remain in full force and effect, unaltered and unchanged; and the said Councilmen shall continue to exercise legislative authority only as now prescribed, and the Mayor shall continue as a member and presiding officer of the Council as now prescribed.

The present provisions of the Charter relating to any City department, office, commission or board; the present provisions for elections; the present provisions for Council procedures and rules; the present provisions for initiative, referendum and recall; and any and all present provisions relating to elective officers and appointive officers, their powers and duties, and restrictions on their powers and duties shall all remain as they presently read without any amendment or addition of any sort, unless amended or repealed by this very amendment. (Added by amendment August 16, 1955)

Note—The title of this section was added by the editor; it was not titled in the Ordinance calling the 1955 Charter Election.

Sec. 14. Purpose and effect of Article.

This Article V, as presently amended, is proposed and designed to accomplish an overall plan for the improvement of the government of the City of Houston. To this end, this amendment changes methods of election of members of the Council; permits groups of candidates to associate themselves under ticket designations; confirms the respective present powers and duties of the Mayor and City Councilmen as presently prescribed; and provides that all present provisions of the Charter, relating to elective officers and appointive officers, their powers and duties, the method of their election or appointment, the Council procedure and rules, and the provisions for initiative, referendum and recall shall remain as they presently read without any amendment or addition of any sort unless amended or repealed by this very amendment.

Any provision of any amendment submitted to election at the same election at which this amendment is adopted, in conflict with the terms of this amendment, shall be subject to the terms of Section 19, Article IX of the existing Charter; and this provision shall be liberally construed to the end that no changes in the Charter shall be adopted not encompassed within the plan of this amendment. (Added by amendment August 16, 1955)

Note—The title of this section was added by the editor; it was not titled in the Ordinance calling the 1955 Charter Election.

ARTICLE V-a. CIVIL SERVICE.

Sec. 1. Creation of Commission.

There is hereby established a Civil Service Commission, which shall consist of three persons of good moral character, resident citizens of the city who shall have resided therein for a period of more than three years, shall each be over the age of twenty-five years, and shall not have held any public office within the three years preceding his appointment. The term of office of each member of such commission shall be for three years, or until a successor is appointed, confirmed and qualified. The terms of office shall be so staggered that one of the terms expires on the same date in each year. Members of such commission shall be appointed by the Mayor and confirmed by the City Council, and they shall serve without compensation. Any vacancies in such commission caused by death, resignation or otherwise, or by failure of any appointee to qualify within ten days after appointment, shall be filled in the manner above specified for the unexpired term of the retiring member or of the appointee failing to qualify. (Added by amendment October 15, 1913; amended January 27, 1968)

Sec. 2. Rules and powers of commission.

The civil service commission, with the approval of the city council, shall make such rules and regulations for the proper conduct of its business as it shall find necessary and expedient; but all rules made by the commission may be changed or amended by the city council; provided, that no rules or regulations shall ever be adopted which

will permit the appointment or employment of persons without good character or unfit and incompetent to discharge the duties thereof or prevent the removal or discharge of any appointee or employee for want of fitness, moral character, or competency, or the failure or refusal to properly discharge the duties of his appointment or employment.

The civil service commission among other things, shall provide for the classification of all employees eligible to civil service hereunder upon the successful completion of their probationary period as applicable. All employees are eligible to classification under the civil service system created by this article unless an employee is placed by operation of the general laws of the state in a different civil service system or unless an employee is excepted from eligibility to the civil service system by or pursuant to the provisions of this section.

The following described categories of employees are excepted from eligibility to civil service classification:

(a) Appointive officials, that is, those employees and officials who are required or authorized to be appointed by the mayor and whose appointment is subject to the confirmation of city council including, but not limited to, all of the department heads of the various city departments;

(b) Assistant city attorneys and all professional non-clerical staff of the legal department;

(c) Part-time employees, that is, those employees who work less than the regular work week prescribed for city employees;

(d) Temporary employees, that is, those employees who are retained for seasonal work, work of fixed duration or other work which does not have a reasonable expectancy to continue indefinitely;

(e) Emergency employees, that is, those employees who are hired on an extraordinary basis for the duration of and as a result of an emergency situation which may result in loss of public property or serious inconvenience to the public; and

(f) Executive level employees, that is, those employees whose duties require them to determine and publicly advocate substantive program policy, to provide legal counsel, or to maintain a direct, confidential relationship with an appointive official of the City, as that term is used in this section or with an elected officer of the City. No position may be designated as an executive level employee position for purposes of this section except by ordinance adopted by city council. The total number of positions of employment designated as executive level employee positions for purposes of this section may not at any time exceed a number equal to two percent of the total number of all the employees of the City, whether eligible to civil service classification under this article or not.

The civil service commission shall also make provision for open, competitive and free examination as to the fitness in regard to classified services, for an eligibility list from which vacancies shall be filled, for a probationary period of not less than 12 months which appointees shall serve before they receive classified status and for promotion on the basis of merit, experience and record with probationary service of promoted employees prior to permanent classification in their new positions.

The city council may by ordinance confer upon the commission such further and additional rights and duties as may be deemed necessary to enforce and carry out the principles of this article.

Neither the adoption of this section as amended, nor any ordinance adopted by city council from time to time hereunder, which may designate any position formerly subject to civil service classification as not thereafter being eligible thereto shall be construed to divest any incumbent thereof of any vested right.

Laborers who may on the effective date of this amendment be employed by the City shall be eligible to receive classified status upon service of the probationary period for appointees; such probationary period for laborers shall commence on

the effective date of this amendment. (Added by amendment October 15, 1913; amended August 14, 1982)

Sec. 3. Removal of employees.

Any employee may be suspended by the head of the department under which he is employed, and thereupon his salary shall cease. The officer making the order of suspension shall forthwith file with the civil service commission a statement of the suspension and his reasons therefor. Within ten days after such suspension the employee so suspended may, if he desires, file an appeal with the civil service commission which shall hold a hearing and render a decision in writing within thirty days after it receives the appeal as to whether the employee shall be permanently dismissed from the service of the city, or reinstated in his employment. All such hearings shall be public; the decision of the commission shall be final. In order for an employee to file an appeal as hereinbefore provided it shall only be necessary for him to file a written statement showing in what department he was employed, when and for what he was suspended and a statement by him denying the truth of the matters charged in the statement of the officer so suspending him, and that he desires an appeal from the decision of said officer suspending him, which statement of appeal shall be signed and sworn to by the employee so suspended. In all hearings on appeal from the order of suspension to the civil service commission, the judgment of the officer suspending the employee shall be presumed to be correct; the burden of disproving the charges made against the employee that resulted in his removal shall be upon the employee. (Added by amendment October 15, 1913; amended August 14, 1982)

Sec. 4. Commission rules and regulations.

The civil service commission, with the approval of the city council, shall have power at all times to make proper rules and regulations for the government of the employees under civil service, and when any such rules and regulations have been made it shall cause such rules to be published in such manner as the city council may, from time to time, direct; provided, that no rules and regulations shall ever be adopted which will permit the appointment or employment of any person without good character, or unfit and incompetent, or to prevent the removal or discharge of any appointee or employee for want of fitness, moral character or the failure or refusal to properly discharge the duties of his appointment or employment. Without limitation, the rules and regulations of the civil service commission shall include such provisions as may be necessary to prohibit discrimination in employment, appointment or promotion because of sex, race, color, creed or national origin. (Added by amendment October 15, 1913; amended December 28, 1915, August 14, 1982)

Section 5. Continuation in effect of other rules and regulations.

That as to all employes, officers and appointees not under civil service the provisions of the present Charter shall remain in full force as to such appointment, removal salary, services and duties, unless amended at this or some other subsequent election. (Added by amendment October 15, 1913)

Note—The title of this section was added by the editor; it was not titled in the Ordinance calling the 1913 Charter Election.

ARTICLE VI. THE MAYOR

Section 1. Office Created.

There is hereby established the office of Mayor of the City of Houston. (Added by amendment August 15, 1942, November 2, 1999)

Section 2. Mayor Pro Tem.

At the first regular meeting of the City Council after the induction of the newly elected Mayor and Councilmen in office, the Mayor shall nominate, subject to confirmation by the City Council, one of the Councilmen who shall be known and designated as "Mayor Pro Tem," and shall continue to hold the title and the office until the expiration of the term of office for which he was elected as councilman, but shall receive no extra pay by reason of being or acting Mayor Pro Tem. (Added by amendment August 15, 1942)

Section 3. Disability of the Mayor.

If for any reason the Mayor is absent from the City, sick or unable to perform the duties of his office, the Mayor Pro Tem shall act as Mayor, and during such absence or disability shall possess all of the powers and perform all of the duties of the Mayor. (Added by amendment August 15, 1942)

Section 4. Vacancy.

In case of the death, resignation or permanent disability of the Mayor, or whenever a vacancy in the office of Mayor shall occur for any reason, the Mayor Pro Tem shall act as Mayor, and shall possess all of the rights and powers of the Mayor and perform all of his duties, under the official title, however, of "Mayor Pro Tem" until an election is ordered by the City Council to fill the vacancy in the office of Mayor, shall be called by the City Council and held within thirty days after the vacancy occurred and notice by publication given for at least twenty days, as may be required by law. (Added by amendment August 15, 1942)

Section 5. Removal of the Mayor.

In case of misconduct, inability or wilful neglect in the performance of the duties of his office, the Mayor may be removed from office by the City Council by vote of two-thirds of all the Councilmen elected, but shall be given an opportunity to be heard in his defense, and shall have the right to have process issued to compel the attendance of witnesses, who shall be required to give testimony, if he so elects. The hearing, in case of impeachment of the Mayor, shall be public and a full and complete statement of the reasons for such removal, if he be removed, together with the findings of facts as made by the Council, shall be filed by the City Council in the public archives of the city, and shall become and be a matter of public record.

Pending the charge of impeachment against the Mayor, the City Council may suspend him from office for a period of not exceeding thirty days by a vote of two-thirds of the Councilmen elected, and if upon final hearing the conclusions and findings of the City Council are that the Mayor be impeached and removed from office, such findings shall be final. (Added by amendment August 15, 1942)

Section 6. Signature of Ordinances.

Every ordinance, resolution or motion of the City Council shall, before it takes effect, be presented to the Mayor for his approval and signature. If the Mayor shall fail to sign any ordinance, resolution or motion within five days after adoption, it shall nevertheless be in full force and effect as if he had signed the same. The Mayor shall at all times preside over all meetings of the City Council and shall on all occasions be privileged to vote. He shall not have the right and privilege of veto. (Added by amendment August 15, 1942)

Section 7. General Powers of the Mayor.

The Mayor shall have and exercise such powers, prerogatives and authority, acting independently of or in concert with the City Council, as are conferred by the provisions of this Article or as may be conferred upon him by the City Council, not inconsistent with the general purposes and provisions of this charter, and shall have the power to administer oaths. Subject to the confirmation of the Council, he shall have the power to appoint all advisory boards created by the Charter or ordinance. The Mayor shall appoint, subject to confirmation of the City Council, the Civil Service Commissioners as is provided in Article Va of the existing Charter. (Added by amendment August 15, 1942)

Section 7a. ADDITIONAL POWERS AND DUTIES OF THE MAYOR.

All the administrative work of the city government shall be under the control of the Mayor, and he shall devote his full time to the duties of his office. Any and all administrative duties conferred or imposed upon the City Manager by any article or articles, or section or sections of such article or articles of the Charter which was not amended or repealed at the Charter Amendment Election of

1947 shall hereafter be exercised and performed by the Mayor. Among others, the powers and duties of the Mayor shall be as follows:

1. To see that all laws and ordinances are enforced.

2. The Mayor shall have power to appoint, subject to confirmation by the City Council, such heads of departments in the administrative service of the City as may be created by ordinance, and the Mayor shall have the power to remove such heads of departments at any time he shall see fit without confirmation by the City Council. The Mayor shall also have the power to appoint and remove all other employees of the City, such appointments and removals to be subject, however, to the civil service provisions of the Charter.

3. To exercise administrative control over all departments of the City.

4. It shall be the duty of the Mayor from time to time to make such recommendations to the Council as he may deem to be for the welfare of the City, and each year to submit to the Council the annual budget of the current expenses of the City in accordance with the requirements of the State Budget Law applicable to cities and towns.

5. To keep the Council at all times fully advised as to the financial condition and needs of the City.

The Council shall have authority to prescribe, by ordinance, rules and regulations governing the operation of each department, but the Mayor may prescribe such general rules and regulations as he may deem necessary or expedient for the general conduct of the administrative department, the heads of which are responsible to him. In order to expedite the work of any department, or to adequately administer an increase in the duties which may devolve on any department, or to cope with periodic or seasonal changes, the Mayor, subject to civil service regulations, is empowered to transfer employees temporarily from one department to perform similar duties in another such department. Likewise, each department head shall have power to transfer employees from one bureau or division to another within his department, subject to the rules and regulations of civil service. The Mayor may direct any such department or bureau to perform work for any other department or bureau.

In case of general conflagration, rioting, earthquakes, or other emergency menacing life and property, the Mayor shall be authorized to marshal all the forces of the different departments of the City for the maintenance of the general security, and shall have the power to deputize, or otherwise employ, such other persons as he may consider necessary for the purpose of protecting the City and its residents.

Neither the Council nor any of its committees or members shall in any manner interfere in the appointment of officers and employees in the departments of administrative service vested in the Mayor by this Charter, except that all department heads appointed by the Mayor shall be subject to confirmation by the City Council as herein provided. Except for the purpose of inquiry, the Council and its members shall deal with that part of the administrative service for which the Mayor is responsible solely through the Mayor, and neither the Council nor any member thereof shall give orders to any of the subordinates of the Mayor in said departments, either publicly or privately.

The Council, the Mayor or any person or committee authorized by either or both of them shall have power to inquire into the conduct of any department or office of the City and to make investigations as to City affairs. For that purpose the Council may subpoena witnesses, administer oaths and compel the production of books, papers and other evidence material to said inquiry. The Council shall provide by ordinance penalties for contempt in refusing to obey any such subpoenas or failure to produce books, papers and other evidence, and shall have the power to punish any such contempt in the manner provided by ordinance.

The City Council shall require the Mayor, before entering upon the duties of his office, to execute a good and sufficient bond, with a surety company doing business in the State of Texas, and

approved by the City Council, as surety thereon, said bond to be in such amount as the Council may demand payable to the City of Houston and conditioned for the faithful performance of the duties of his office, the premium for such bond to be paid by the City.

Article VIb, as heretofore existing, is hereby repealed.

If any paragraph, clause, sentence or phrase of this section is for any reason held to be unconstitutional or invalid, the validity of the remaining portions of this article shall not be affected.

This amendment shall become effective on the 1st day of August, A. D. 1947. (Added by amendment July 26, 1947; amended January 27, 1968)

Section 8. SALARY OF THE MAYOR.

The salary of the Mayor shall be $20,000.00 per annum, payable in equal semi-monthly installments.

This amendment shall become effective on the 1st day of August, 1947. (Added by amendment August 15, 1942; amended July 26, 1947)

Section 9. Saving Clause.

If any section, sub-section, clause, sentence or phrase of this Article is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of this Article. (Added by amendment August 15, 1942)

Section 10. Repeal.

Article VI, as heretofore existing, is repealed. (Added by amendment August 15, 1942)

Sec. 11. Vice Mayor Pro Tem.

At the first regular meeting of the City Council after the induction of the newly elected Mayor and members of Council in office, Council shall appoint, by majority vote, one of its members who shall be known and designated as 'Vice Mayor Pro Tem', who shall continue to hold the title and the office until such member resigns or is replaced by a majority vote of City Council, and who shall receive no extra pay by reason of being or acting as Vice Mayor Pro Tem. (Added by amendment August 14, 1982)

Sec. 12. Disability of the Mayor and Mayor Pro Tem.

If for any reason the Mayor is absent from the City, sick, or unable to perform the duties of that office, and the Mayor Pro Tem is absent from the City, sick or unable to perform the duties of the office of Mayor Pro Tem, the Vice Mayor Pro Tem shall act as Mayor, and during such absences or disabilities shall possess all of the powers and perform all of the duties of the Mayor. (Added by amendment August 14, 1982)

Sec. 13. Vacancy.

In case of the death, resignation or permanent disability of the Mayor, or whenever a vacancy in the office of Mayor shall occur for any reason, and in case of the death, resignation or permanent disability of the Mayor and Mayor Pro Tem, the Vice Mayor Pro Tem shall act as Mayor and shall possess all of the rights and powers of the Mayor and perform all of his duties, under the official title, however, of Vice Mayor Pro Tem until an election is ordered by the City Council to fill the vacancy in the office of Mayor and a successor has been elected and shall have qualified. Said election, should a vacancy occur in the Office of Mayor, shall be called by the City Council and held within thirty days after the vacancy occurred and notice by publication given for at least twenty days, as may be required by law. (Added by amendment August 14, 1982)

ARTICLE VI-a. FISCAL YEAR, BUDGET ALLOWANCE, REPORTS APPROPRIATIONS, ETC.

Section 1. Fiscal year, Appropriations.

The current fiscal year of the City of Houston shall, beginning January 1, 1916, commence on the first day of January of each year and end on the 31st day of December next thereafter.

It shall be the duty of the City Council at the first meeting in January of any year to make

appropriations for the support of the city government until the general appropriation ordinance passed on the second meeting in February shall have been passed, and at the second meeting in February of each year, or at any time thereafter in any year, the City Council shall appropriate such sums of money, respectively, for the various departments of the City Government as they may deem necessary for their maintenance for the current fiscal year. (Added by amendment December 28, 1915)

Editor's note—The fiscal year dates specified in this section are no longer applicable. Based upon Texas Tax Code § 1.05, city council adopted Ord. No. 82-269, by which the city adopted the July 1—June 30 fiscal year. The provisions regarding appropriations are honored but on the basis of the current fiscal year calendar, rather than at the times stated in this section.

SEC. 2. ANNUAL BUDGET.

It shall be the duty of the Mayor from time to time to make such recommendations to the Council as he may deem to be for the welfare of the City, and each year to submit to the Council the annual budget of the current expenses of the City in accordance with the requirements of the State Budget Law applicable to cities and towns. (Added by amendment December 28, 1915; amended January 27, 1968)

Section 3. Reports of Heads of Departments.

The head of each department created by the City Council shall make a written report to the Mayor on or before the 15th day of January of each and every year, showing the operations of the department for the preceding year. These reports to be transmitted to the Mayor and shall accompany and be a part of the Mayor's report to the City Council, which report shall be made on or before the 15th day of February of each year. (Added by amendment December 28, 1915)

Section 4. REPORT OF THE CITY CONTROLLER.

The City Controller shall, on or before the first day of April of each year, prepare and transmit to the City Council a report of the financial transactions of the City during the fiscal year ending the last day of December, next preceding, and of its financial condition on said last named day of December. The report shall show an accurate statement in summarized form and also in detail of the financial receipts of the City from all sources and of the expenses of the City for all purposes, together with a detailed statement of the debt of said City and of the purposes for which said debt was incurred, and of the property of said City, and of the accounts of the City with the grantees of franchises. (Added by amendment December 28, 1915; amended July 26, 1947)

Section 5. Council to effect change.

The City Council shall, and it is hereby authorized to pass all such ordinances not inconsistent herewith, as may be necessary to fully effect the change from the present fiscal year to the fiscal year fixed by this article. (Added by amendment December 28, 1915)

Note—The title of this section was added by the editor; it is not titled in the certification of the 1915 Charter Election.

Section 6. Repeal of Laws in Conflict with this Article.

Section 8 of Article VI, the first and fourth paragraphs of Section 10 of Article VII, the first paragraph of Section 4 of Article VIII, and all other sections or parts of sections of the existing charter of the City of Houston in conflict with this article shall be and are hereby repealed. (Added by amendment December 28, 1915)

Section 7. Limits on All City Revenues.

SUBSECTION ONE—LIMITATION ON GROWTH IN REVENUES. City Council shall not, without the prior approval of 60% of those voting at a regular election, increase the City's "Combined Revenues" (see SUBSECTION SIX for definition) for any fiscal year in an amount greater than the City's Combined Revenues for the immediately preceding fiscal year, increased/decreased for: (a) the rate of change in the federal Consumer Price Index ("CPI") in the immediately preceding full calendar year for the Houston Primary Metropolitan Statistical Area ("PMSA"); and (b) the rate of change in the City's "Population" (see SUBSECTION SIX for the source of population data) in the last twelve

months for which such data is available from the specified source. If the actual Combined Revenues in any one year result in an amount less than the amount allowed under this SUBSECTION ONE, then such reduced amount shall become that year's Combined Revenues base amount for the following year's computation.

If the City is included in any National Disaster Area by federal declaration, the City may immediately increase its Combined Revenues. Such emergency revenue increases must be limited to the amount of emergency expenditures specifically identified and justified in the City's accounting records. Such emergency revenues will not be included in computing the following year allowable Combined Revenues.

SUBSECTION TWO—CERTIFICATION OF CITY COMPLIANCE. Before each year's City budget can be officially authorized by City Council, the City Controller must furnish written verification that the budget complies with the requirements of SUBSECTION ONE of this Charter amendment. Further, within four months after the end of each fiscal year, the City's independent accountants (firm that performs the City's regular financial audit) shall furnish a written verification that the City complied during such complete fiscal year with SUBSECTION ONE of this Charter amendment, or specify the amount of noncompliance. If the City exceeds the Combined Revenues allowable under SUBSECTION ONE, then, within 30 days after receiving notification from the City's independent accountants, the City shall transfer such excess amount to an interest-bearing Taxpayers Relief Fund. Monies in the Taxpayers Relief Fund cannot be used for City expenditures. Any time the Taxpayers Relief Fund balance reaches ten million dollars ($10,000,000) the entire balance shall be refunded to Houston citizens and business owners within 90 days in the manner deemed by City Council to be the most equitable and practicable. Within 30 days after the last refund check has been mailed, the City Controller shall furnish written assurance to City Council that all refunds have been mailed, in what total amount, in what manner the refunds were calculated and the total costs of calculating, preparing and mailing the refund checks. The total costs of calculating, preparing, and mailing such refund checks must be paid for out of the City's Combined Revenues for the year in which the checks are mailed, not out of the Taxpayers Relief Fund.

SUBSECTION THREE—VOTER COVENANTS WITH BONDHOLDERS. The City shall always honor its covenants with bondholders on long-term debt. However, SUBSECTION ONE of this Charter Amendment is inviolate. Therefore, shortfalls in debt coverage on Iong-term debt shall be made up from reductions in other expenditures.

SUBSECTION FOUR—REQUIRED ELECTION NOTICES. Before any election required for voter approval under SUBSECTION ONE or for voter approval required for issuance of long-term debt, City Council shall: (a) have published in the major Houston newspaper, at least six weeks prior to the election date, analyses of related anticipated debt service, revenues, expenditures, cash flows, and debt service coverage for each year until final maturity; and (b) hold at least three public hearings thereon at least ten days before the election, each at least a week apart from the other hearing. Two of such required public hearings will be held in the evening and one during the day.

SUBSECTION FIVE-EFFECTIVE DATE OF THIS AMENDMENT. This Charter Amendment shall become effective with the City of Houston's first fiscal year beginning after the date this Amendment is approved by the voters. The allowable Combined Revenues for the City for this initially effective fiscal year will be determined by using the actual Combined Revenues derived from the City's audited Comprehensive Annual Financial Report for the fiscal year ended June 30, 2001, increased by: (a) the percentage by which the estimated population (see SUBSECTION SIX for source) of the City at the last available reportable date prior to the beginning of this first effective fiscal year exceeds or drops below the City's population per the official 2000 Census by the United States Department of Commerce-Bureau of the Census; plus (b) the percentage by which the CPI for the City's PMSA at the end of the calendar year immediately preceding the beginning of this initially effective

fiscal year exceeds or drops below the CPI for the City's PMSA at the end of calendar year 1999. For fiscal years ending after this initially effective fiscal year the allowable Combined Revenues shall be computed as described in SUBSECTION ONE.

SUBSECTION SIX—DEFINITIONS. Within this Charter Amendment:

a. *"REVENUES"* means that term as used for cities by the Governmental Accounting Standards Board and the Government Finance Officers Association, and is to include both operating and non-operating revenues.

b. *"COMBINED REVENUES"* means the combined revenues of the City's General Fund, Enterprise Funds and Special Revenue Funds. However, "COMBINED REVENUES" shall exclude: (1) grant monies and other revenues received from other governmental entities; and (2) IntraCity (in other words, InterFund) revenues.

c. The annual "POPULATION" data shall be obtained from the State of Texas' State Data Center, and will be adjusted every ten years to the City's official census per the United States Department of Commerce-Bureau of the Census.

SUBSECTION SEVEN—SEVERABILITY. If any provision or paragraph of this Charter Amendment is declared unlawful by a court of proper jurisdiction, then such portion shall be deleted from the Charter and the remainder of this Amendment will remain in effect.

SUBSECTION EIGHT—ENFORCEMENT AND SANCTIONS FOR VIOLATION. Any person who voted in a City of Houston election held on this Amendment shall have the right and standing to enforce the provisions of any Charter Amendment approved by the voters at this election by injunction, declaratory judgment, contempt and/or any other remedy provided by law, notwithstanding any other valid law of equal or lesser authority in conflict, including all of the above paragraphs of this Amendment. (Added by amendment November 2, 2004)

ARTICLE VII. CITY COUNCIL

Section 1. COMPENSATION OF COUNCILMEN.

Each Councilman shall receive as compensation for his services the sum of $3,600.00 per annum, payable in equal semi-monthly installments, and in addition, all necessary expenses incurred by members of the City Council in the performance of their official duties shall be paid by the City.

The Councilmen shall not be required to devote their full time to the duties of their offices.

This amendment shall become effective on the 1st day of August, A. D. 1947. (Added by amendment August 15, 1942; amended July 26, 1947)

Sec. 2. Vacancies.

If the positions of six or fewer Council Members are vacant at any one time, the remainder of the City Council shall, by a majority vote, fill each such position. If the positions of seven or more Council Members are vacant at any one time, the remainder of the City Council shall call a special election to fill such positions, unless such vacancies occur within sixty days of a City General Election, in which event the remainder of the City Council shall, by a majority vote, fill each such position. A person selected to fill any such vacant position must meet all qualifications for such position and shall serve during the unexpired term of such position. (Added by amendment August 15, 1942; amended August 11, 1979)

Sec. 3. Meetings.

At eleven o'clock A.M. on the day the members of the City Council take office, they shall meet at the City Hall and thereafter all meetings of the Council shall be held in the City Hall at such times as may be prescribed by ordinance or resolution; but not less than one regular meeting shall be held each week unless postponed for valid reasons, to be spread on the minutes. Special meetings shall be called by the City Secretary upon the written request of the Mayor or three Council Members. Three or more City Council Members may also request, in writing,

that any lawful item(s), as specified in such request, be placed on the agenda of any designated, regular meeting of City Council, consistent with the notice requirements of the Texas Open Meetings Act. The Mayor shall ensure that such item(s) be placed on the agenda of the designated meeting, and shall continue to place the item(s) on the agenda of each subsequent regular meeting until the same shall be considered by City Council. Unless a request for an item(s) to be placed on the agenda of a City Council meeting specifies otherwise, it shall be treated as a request for the item(s) to be considered at a regular, as opposed to special meeting.

All meetings of the Council and of all committees thereof shall be open to the public and the rules of the Council shall provide that citizens of the city shall have a reasonable opportunity to be heard at any such meetings in regard to any matter to be considered, provided that the Council may enact ordinances requiring applications for hearings to be in writing and shall have power to prescribe rules and regulations for such hearings.

A quorum shall consist of a majority of the members elected, except where the number of members, due to vacancies, is reduced to less than two-thirds of the total number of members elected, in which event a quorum shall consist of all the remaining members; but a less number than a quorum may adjourn from time to time and compel the attendance of absent members in such manner and under such penalties as may be prescribed by ordinance.

The council shall act only by ordinance, resolution or motion, and all ordinances, resolutions or motions, except ordinances making appropriations, shall be confined to one subject, which shall be clearly expressed in the title, and ordinances making appropriations shall be confined to the subject of appropriation, except that a single ordinance authorizing one or more contracts, agreements or obligations may also make an appropriation of money for the same.

The ayes and nays shall be taken upon the passage of all ordinances, resolutions and motions and entered upon the minutes of the proceedings of the Council, and every ordinance, resolution, or motion shall require on final passage the affirmative vote of at least a majority of the members present. No member shall be excused from voting except on matters involving the consideration of his own official conduct, or where his financial interests are involved. (Added by amendment August 15, 1942; amended August 11, 1979, August 14, 1982; Amended by Ord. No. 2023-1012, §§ 7, 8, 11-20-2023, election of 11-20-2023, Prop. A; Amended by Ord. No. 2023-1013, §§ 2, 3, 11-20-2023, election of 11-7-2023, Prop. A)

Section 4. Restrictions upon Members of the Council.

No member of the City Council shall hold any other public office, or hold any office or employment, compensation for which is paid out of public moneys, except membership on the Board of Appraisement; nor be elected or appointed to any office created by, or the compensation of which was increased or fixed by the City Council while he was a member thereof, until after the expiration of at least one year after he has ceased to be a member of the City Council. Nor shall any member of the City Council, or any officer of the City of Houston, be pecuniarily interested, directly or indirectly, in any contract let by the city, or in any work done by the city, or in any matter wherein the rights or liabilities of the City of Houston are or may be involved.

In the event such officer of the City of Houston shall become interested, directly or indirectly, in any contract or work, purchase or sale made by the City of Houston, then the said contract or work, purchase or sale, shall be null and void and shall be discontinued, and new arrangements shall be entered into as in case of the incipiency of the contract of work, purchase or sale. (Added by amendment August 15, 1942)

Section 5. City Council May Summon Witnesses.

The City Council shall have power to summon and compel the attendance of witnesses and the production of books and papers before it whenever it may be necessary for the more effective discharge of its duties, and shall have the power

to punish for contempt with the same fines and penalties as the County Judge may impose in punishing for contempt before the County Court. All processes shall be signed by the Mayor and attested by the City Secretary and shall be served by the Chief of Police or any police officer of the said city.

The Mayor, City Secretary or any member of the City Council shall have the authority to administer oaths in any matter pertaining to municipal affairs. (Added by amendment August 15, 1942)

Section 6. Rules of the Council.

The City Council shall determine its own rules of procedure, may punish its members for misconduct, shall compel the attendance of members, and, by a vote of a two-thirds majority of the members elected, may impeach and remove a member.

Any member of the City Council who shall have been convicted of bribery or who shall violate any

of the provisions of this Article shall forfeit his office and the emoluments attached thereto. (Added by amendment August 15, 1942)

Section 7. Passage of ordinances after introduction.

No ordinance shall be passed finally on the date it is introduced, except in the case of public emergencies, and then only when requested by the Mayor in writing; provided that no ordinance or resolution making a grant of any franchise or special privilege shall ever be passed as an emergency measure. (Added by amendment August 15, 1942)

Note—The title of this section was added by the editor; it was not titled in the ordinance calling the 1942 Charter Election.

Section 8. May Establish Office, Fix Salary and Define Duties.

The City Council shall, consistent with the provisions of this Charter, have power to establish any office that may in its opinion be necessary or expedient for the conduct of the city's business or government, and may fix its salary and define its duties; provided, however, that all offices established by the Council shall be subject to discontinuance or abolishment by the Council at any time, and in no case shall any officer or employee of the city be entitled to receive any compensation or emolument of any office which may be abolished, or from which he may be removed, except for services rendered to the date when the office was abolished or the incumbent removed.

The Council shall require all officers of the city to give bond in such sum as may be prescribed by ordinance, which sum shall always be of sufficient amount amply to protect the city. (Added by amendment August 15, 1942)

Sec. 9. Limitations on the power to sell or lease real estate.

In addition to the power already possessed by it, the City of Houston shall have the power to lease any real estate or interest therein, mineral or otherwise, owned by it. The city council shall not have the power to sell or dispose of any real estate or interest therein, or make any mineral lease of land belonging to the city, except by ordinance adopted by a vote of two-thirds of the council. The City Council shall enact by a vote of two-thirds of the Council, such ordinances governing the sale, lease or disposal of said real estate or interest therein as it deems to be in the best interest of the City; which shall establish the minimum monetary value of the real estate or interest therein at which the Council must appoint two qualified appraisers for the purpose of determining fair market value prior to completion of the transaction; which may define and identify authorized transactions involving the sale, lease or disposal of said real estate or interests therein; and which may outline the procedures for and the manner in which such transactions shall be administered.

It shall be the duty of the Tax Assessor and Collector of the City of Houston, prior to June 1st of each year, to prepare and present to the City Council an inventory of all of the real estate or interest in real estate owned by the City of Houston, together with an inventory of all of the improvements situated thereon.

The provisions of this section shall not apply to the sale or conveyance of property by the City acquired by it at the foreclosure of a tax lien. (Added by amendment August 15, 1942; amended November 5, 1991)

Section 10. Councilmen have Legislative Power Only.

All legislative powers of the City shall be vested, subject to the terms of this Charter and the Constitution of the State of Texas, in the City Council; and no Councilman shall exercise any administrative powers or be the head of any department. (Added by amendment of August 15, 1942)

Section 11. Provision for Interest and Sinking Fund on Bonded Indebtedness in Budget.

In making up the budget allowance for any current year, the City Council shall first make provision for the payment of the interest and the creation, setting aside and preservation of a legal sinking fund upon all of the outstanding bonded

indebtedness of the city, and shall then make such appropriations as the remaining revenues of the city justify, to be apportioned among the respective departments, or otherwise appropriated for public uses, as to the Council may seem best; provided, however, that in no case shall the entire appropriation as made, which comprehends interest and sinking fund on the bonded debt, together with other public uses and purposes, ever exceed the estimated available resources, which shall be based upon the probable revenues of the city derived from ad valorem taxes upon the basis of the total valuation of the property for taxation for the preceding year, and of such other contingent revenues of the city as may probably accrue.

It shall be deemed a malfeasance for the City Council to make an appropriation in the budget the sum total of which shall exceed the estimated available or probable revenues for any current fiscal year. (Added by amendment of August 15, 1942)

Section 11a. Appropriation for emergency fund.

The City Council at the time it makes the budget allowance for any current year, or at any subsequent time, may also appropriate a sum not to exceed Five Thousand Dollars ($5,000.00) to be used by the Mayor as an emergency fund for any current year, and for which he shall not be required to account. (Added by amendment July 26, 1947)

Note—The title of this section was added by the editor; it is not titled in the ordinance calling the 1947 Charter Election.

Section 12. Savings Clause.

If any section, sub-section, clause, sentence or phrase of this article is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of this article. (Added by amendment August 15, 1942)

ARTICLE VII-a. RECALL OF OFFICERS.

Section 1. Scope of Recall.

The holder of any public office in the City of Houston, whether elected thereto by the people or appointed by the City Council, may be removed from office by recall. (Added by amendment October 15, 1913; amended November 6, 2012)

Section 2. Petition—Generally.

All petitions for recall of any officer of the City of Houston, shall be instituted by filing with the City Secretary a verified written petition requesting the removal of such officer, which said petition shall be signed by qualified voters of the City of Houston, in number not less than twenty-five per cent of the total votes cast calculated in accordance with Article V, Section 10 of this Charter, based on the votes cast city-wide if the officer sought to be recalled was elected city-wide, or if the officer sought to be recalled was elected by district, based on the votes cast in the district which the officer sought to be recalled currently serves. The signers of said petition shall also set opposite their respective names, the number of his residence, naming the street, and shall also state the day of the month and the year when such signature was affixed. (Added by amendment October 15, 1913; amended November 6, 2012)

Section 3. Form of Petition.

The form of petition above provided for shall be as follows:

TO THE MAYOR AND CITY COUNCIL
OF THE CITY OF HOUSTON:

We, the undersigned hereto, who are qualified voters of the City of Houston, request the removal of _____ from the office of _____ (petition shall set forth distinctly and specifically grounds showing or tending to show some ground of incompetency or unfitness for or misconduct or malfeasance in the office, upon which the petition for removal is predicated, and if there be more than one ground, shall specifically state each ground with such certainty as to give the officer sought to be removed, notice of the matters and things which he will be called to answer). Said petition shall be signed by the requisite number of voters as provided by Section 2 of this Article. Each signature to said

said petition shall be proved or acknowledged as required of petitioners by Article IX, Section 3 of this Charter, or shall be verified as follows.

STATE OF TEXAS §

COUNTY OF HARRIS §

I, _____, being first duly sworn on oath depose and say: that I am one of the signers of the above petition, that the statements made therein are true, and that each signature appearing thereto was made in my presence on the day and date it purports to have been made, and I solemnly swear that the same is a genuine signature of the person whose name it purports to be.

_____

Sworn to and subscribed before me this ____ day of _____, 2____.

/s/ _____
Notary Public, State of Texas

(Added by amendment October 15, 1913; amended November 6, 2012)

Editor's note—In light of court decisions addressing the constitutionality and enforceability of circulator requirements, the City will accept petitions circulated by individuals that are not registered to vote in the City or are not residents of the City, provided the circulators complete the City's alternate affidavit form set forth in section 2-3.1 of the City Code of Ordinances. In lieu of the affidavit provided in Article VII-a, section 3 of the City Charter, circulators who are not registered to vote in the City or are not residents of the City must use the "Affidavit for Circulators Who Are Not Registered Voters in the City of Houston or Are Not Residents of the City of Houston," available in the City Secretary's Office and at the City Secretary's Office Homepage here: http://www.houstontx.gov/citysec/.

Section 3a. Various Papers, Certifications, Filing.

The petition may consist of one or more papers circulated separately, and the signatures thereto may be upon the paper or papers containing the formal petition, or upon other papers attached thereto; each signer of a petition shall sign his name in ink or indelible pencil. The verification may be made by one or more petitioners, and the several parts of the petition may be verified separately and by different persons, but no signature to such petition shall remain effective or be counted which was placed thereon more than thirty days prior to the filing of such petition or petitions with the City Secretary. All papers and documents comprising a single petition shall be filed with the Secretary on the same day, and the Secretary shall immediately notify in writing the officers sought to be removed. (Added by amendment October 15, 1913)

Section 4. Objection to Petition.

Within ten days after the filing of petition, the incumbent whose removal is requested shall file with the City Secretary his objection in writing to the sufficiency of such petition, and he cannot thereafter contest its sufficiency upon any objection not so filed. Within ten days after exceptions have been filed, if the petition is filed to remove an appointee of the Council, then the City Council shall sit as a body to hear and determine the sufficiency of the objections, and the exceptions shall be sustained in the particulars in which the same are held to be sufficient, and the signers of said petition may amend said petition to meet the requirements of the ruling of the Council, and if the said objections go to the form and manner of the charge preferred it shall be necessary for said petition to be recirculated and signed anew, but if the objections go to the number of the signers, or the genuineness of the signatures, or the fact of the party signing being a qualified voter, and are sustained, then said petition shall be dismissed and the parties may immediately reinstitute a petition to remove said party.

Any member or members of the City Council against whom a petition is directed shall not be eligible to act in the matter of the determination of the sufficiency of said objections, but the remainder of said Council, if constituting a majority shall serve and act therein, and a majority of the votes of those members of the Council acting on the sufficiency of the petition shall control; provided, that should the petition be directed against a majority of the members of the City Council then same shall be presented to and acted upon by one of the District Judges of Harris County, Texas, whose decision on the sufficiency of said petition shall be final, and who, if he shall sustain said petition shall order

the Council to call a recall election to be held as provided in Section 7 hereof. Any exceptions or objections to the sufficiency of the petition must be specific and definite and no general objections will be entertained. (Added by amendment October 15, 1913)

Section 5. The Certificate of the Secretary.

On or before the thirtieth day after the date of filing of the petition the City Secretary shall certify to the City Council (a) the minimum number of signatures necessary to qualify the petition as calculated in accordance with Section 2 of this Article VII-a, and (b) the number of valid signatures on said petition, and shall present such petition and certificate to the Council. (Added by amendment October 15, 1913; amended November 5, 1991; amended November 6, 2012)

Section 6. Amendment of Petition.

If the petition is insufficient in respect to the matters charged against the officer sought to be removed, it may be withdrawn by the person filing it, and amended as many times as desired within twenty days of the time when objections are sustained thereto. The duty of the Secretary shall be the same with respect to any amended petition as with the original petition. (Added by amendment October 15, 1913)

Section 7. Calling of Election.

If the petition be signed as herein provided, and if it set forth the grounds of objection as provided in Section 3 hereof and same is not declared insufficient upon objection thereto as provided in Section 4 hereof, the Council shall within ten days after the final certification of the Secretary, unless the incumbent sought to be removed resigns within five days after such final certification, order a special election to be held on the next uniform date prescribed by the Texas Election Code to determine whether the incumbent sought to be removed should be recalled, provided that sufficient time remains to properly order and conduct such election, and if time is not sufficient for such election, the election shall be held on the next available uniform date prescribed by state law. (Added by amendment October 15, 1913; amended November 6, 2012)

Section 8. Result of Election: Petition to Recall.

If the person sought to be removed shall at said election be recalled, his tenure of office shall terminate upon the determination of the result of the election by the City Council, who shall examine, count and canvass the returns and declare the result as elsewhere provided in this Charter for other elections; and, if an appointed officer, his successor shall at once be appointed by the Mayor and City Council, as provided in this Charter, and if an elective officer, provision shall at once be made for the election of a successor to fill the vacancy, as elsewhere provided for in this Charter and State law. (Added by amendment October 15, 1913; amended November 6, 2012)

Section 9. Qualification of Recalled Officers.

Any officer removed from office by recall election, or who shall resign from said office pending recall proceedings against him, shall not be appointed or elected to any city office or appointment within two years after his removal or resignation. (Added by amendment October 15, 1913)

Section 10. Joinder of Several Officers in One Petition.

Two or more officers subject to recall, as provided for in this amendment may be joined in one petition for removal, and one election may be held therefor. (Added by amendment October 15, 1913)

Section 11. Limitation on Filing Petition.

No petition for the recall of any officer shall be filed until eight months after the election or appointment and the qualification of such officer, nor shall there be more than one recall election in any one calendar year. (Added by amendment October 15, 1913; amended November 6, 2012)

ARTICLE VII-b. LEGISLATION BY THE PEOPLE. INITIATIVE AND REFERENDUM.

Section 1. General Power.

The people of Houston, in addition to the method of legislation hereinbefore provided, shall have the power of direct legislation by the initiative and referendum. (Added by amendment October 15, 1913; amended November 5, 1991)

Section 2. The Initiative.

The initiative shall be exercised in the following manner:

(a) *Petition.* A petition signed and verified in the manner and form required for recall petition in Article VII-a by qualified voters equal to fifteen per cent of the total vote cast as calculated in accordance with Article V, Section 10 of this Charter, next preceding the filing of said petition, accompanied by the proposed legislation or measure in the form of a proposed ordinance or resolution, and requesting that such ordinance or resolution be submitted to a vote of the people, if not passed by the Council, shall be filed with the City Secretary.

(b) On or before the thirtieth day after the date of filing of the petition the City Secretary shall certify to the City Council (a) the greatest total vote cast for Mayor at any city general election held within three years next preceding the date of the filing of such petition, and (b) the number of valid signatures on said petition, and shall present such petition and certificate to the Council.

(c) *Action by the Council upon Petition.* If such petition be signed, as in the Charter provided, by qualified voters equal to fifteen per cent of the total vote cast as calculated in accordance with Article V, Section 10 of this Charter, next preceding the filing of such petition, the Council, within ten days after the receipt thereof, except as otherwise provided in this Charter, shall either pass such ordinance or resolution without alteration, or submit it to the popular vote at a special election, which must be held on the next uniform date prescribed by the Texas Election Code, provided that sufficient time remains to properly order and conduct such election, and if time is not sufficient for such election, the election shall be held on the next available uniform date prescribed by state law. (Added by amendment October 15, 1913; amended November 5, 1991; amended November 6, 2012)

Editor's note—In light of court decisions addressing the constitutionality and enforceability of circulator requirements, the City will accept petitions circulated by individuals that are not registered to vote in the City or are not residents of the City, provided the circulators complete the City's alternate affidavit form set forth in section 2-3.1 of the City Code of Ordinances. In lieu of the affidavit provided in Article VII-a, section 3 of the City Charter, circulators who are not registered to vote in the City or are not residents of the City must use the "Affidavit for Circulators Who Are Not Registered Voters in the City of Houston or Are Not Residents of the City of Houston," available in the City Secretary's Office and at the City Secretary's Office Homepage here: http://www.houstontx.gov/citysec/.

Section 3. Referendum.

If prior to the date when an ordinance or resolution shall take effect, or within thirty days after the publication of same, whichever is later, a petition signed and verified, as required in section 2(a) hereof, by the qualified voters equal in number to ten percent of the total vote cast as calculated in accordance with Article V, Section 10 of this Charter, shall be filed with the City Secretary, protesting against the enactment or enforcement of such ordinance or resolution, it shall be suspended from taking effect and no action theretofore taken under such ordinance or resolution shall be legal and valid. Immediately upon the filing of such petition the City Secretary shall do all things required by section 2(b) of this Article. Thereupon the Council shall immediately reconsider such ordinance or resolution and, if it does not entirely repeal the same, shall submit it to popular vote at the next city general election, or the Council may, in its discretion, call a special election for that purpose; and such ordinance or resolution shall not take effect unless a majority of the qualified voters voting

thereon at such election shall vote in favor thereof. (Added by amendment October 15, 1913; amended November 6, 2012)

Section 4. Submission by the Council.

The Council, on its own motion, may submit to popular vote for adoption or rejection or repeal at any election any proposed ordinance or resolution or measure, in the same manner and with the same force and effect as provided in this Article for submission on petition. (Added by amendment October 15, 1913; amended November 6, 2012)

Section 5. Form of Ballots.

The ballots used when voting upon such proposed and referred ordinances, resolutions or measures shall set forth their nature sufficiently to identify them, and shall also set forth upon separate lines the words "For the Ordinance" and "Against the Ordinance", or "For the Resolution" or "Against the Resolution." (Added by amendment October 15, 1913; amended November 6, 2012)

Section 6. Publication of Ordinance, etc. Notice of Election.

The Secretary shall publish at least once, every proposed or referred ordinance or resolution in some daily newspaper in the City of Houston within fifteen days before the date of the election; and shall have such other notices, and do such other things relative to such election as are required in general municipal elections, or by the ordinance calling said election. (Added by amendment October 15, 1913)

Section 7. Adoption of Ordinance.

If a majority of the qualified voters voting on any proposed ordinance or resolution or measure shall vote in favor thereof the same shall thereupon or at any time fixed therein become effective as a law or as a mandatory order to the Council. (Added by amendment October 15, 1913; amended November 6, 2012)

Section 8. Inconsistent Ordinances.

If the provisions of two or more proposed ordinances or resolutions approved at the same election are inconsistent, the ordinance or resolution receiving the highest number of votes shall prevail. (Added by amendment October 15, 1913)

Section 9. Repeal or Amendment of Ordinances Passed by the People.

No ordinance or resolution, which has been passed by the Council upon a petition, or adopted by popular vote, under the provisions of this Article, shall be repealed or amended, except by the Council in response to a referendum petition or by popular vote thereon. (Added by amendment October 15, 1913)

Section 10. Number of Elections.

There shall not be held under this Article more than one special election in any period of six months. (Added by amendment October 15, 1913)

Section 11. Regulations by Council.

The Council, by ordinance may make other and further regulations for carrying out the provisions of this Article not inconsistent herewith. (Added by amendment October 15, 1913)

Section 12. Certain sections not construed to be repealed.

Nothing herein shall be construed to in any wise affect, impair or repeal Sections 17 and 18 of Article II or any other provision of the Charter affecting the granting of franchises or privileges or the referendum thereon, but the same shall continue to remain in full force and effect as though this Article had not been adopted. (Added by amendment October 15, 1913; amended November 6, 2012)

Section 13. Referendum on Zoning.

The City of Houston shall have the power to adopt a zoning ordinance only by: (a) allowing a six month waiting period after publication of any proposed ordinance for public hearings and debate

and (b) holding a binding referendum at a regularly scheduled election. Any existing zoning ordinance is hereby repealed. (Added by amendment January 15, 1994; amended November 6, 2012)

ARTICLE VIII. CITY CONTROLLER.

Section 1. ELECTION, SALARY, BOND, ETC.

The City Controller shall receive a salary of $14,800.00 per annum, payable in equal semi-monthly installments, and shall make a bond in the sum of $50,000.00 conditioned as the Council may require. He shall not be removed from office except by impeachment proceedings, as provided for in the case of the Mayor and Councilmen, or by recall as provided in this Charter.

This section shall be effective on the 1st day of August, A. D. 1947. (Act of 1905; amended October 15, 1913; December 30, 1922, January 28, 1933, July 26, 1947, November 18, 1961)

Sec. 2. Duties of the controller.

It shall be the duty of the controller to superintend and supervise the fiscal affairs of the City of Houston, and to manage and conduct the same as prescribed by this Charter and the ordinances of the City of Houston that are now or may be hereafter enacted; and said controller shall prepare and publish in some newspaper in the City of

Houston, not later than the 5th day of each month, a notice declaring that a statement of the preceding month's expenses is available for examination and inspection in the office of the controller. Such statement shall show the total amount paid in monthly salaries to all the employees in each department of the city and shall also show the amount paid on the weekly pay roll to all persons working for the city by the week or day, and shall also show the cost of maintaining each department of the city government, and the total amount of each month's expenses so incurred; said statement shall also show the cost of improvement and extension work not properly classed as current expenses and not done under contract with outside parties, and shall show all other extraordinary expenditures, for interest on bonds, payments on bonds, etc., which statement shall be signed and sworn to by said controller, and he shall permit any qualified elector at all reasonable hours to examine or inspect the books of the city, furnishing such party all reasonable assistance therein, and the council shall pass suitable ordinances to enforce this section and provide suitable penalties. (Act of 1905; amended October 15, 1913, August 14, 1982)

Section 2a. Vacancy.

In the case of the death, resignation or permanent disability of the City Controller or whenever a vacancy in the office of the City Controller shall occur for any reason, the City Council shall appoint a successor to fill the unexpired term of such office, provided that City Council may appoint someone temporarily for not more than sixty (60) days to hold such office, which person or persons shall be qualified in like manner as is required of persons elected to the office of City Controller. (Added by amendment August 14, 1982)

Section 3. Books of Account.

It shall be the duty of the Controller to keep books of account of the City of Houston, and to make such financial reports and statements as are provided by the terms of this Act. His books of account shall exhibit accurate and detailed statements of all moneys received and expended for account of the City by all City officials and other persons, and shall show in detail the property owned by the City and the income derived therefrom.

He shall also keep separate accounts of each and every appropriation made by the City Council, showing the date thereof and the purpose for which the same is made, and shall show for what each payment of any public money is made and the manner of making the same, and to whom same is made.

He shall keep a separate account with each department of the City government, and also such other accounts as may be necessary to show a complete financial statement of the City, and he shall be prepared at every regular meeting of the City Council to give such information concerning the finances of the City as the Council may require.

All warrants or orders for payment of any public fund or moneys for any purpose shall be signed by the Controller and the Mayor. No warrant not signed by the Controller shall be authority for the payment of any public funds whatever, but the Controller shall in no instance, unless the money is in the treasury and in the fund against which it is drawn, sign any warrant or order for the payment of any sum or amount for any purpose; provided, however, that nothing herein contained shall prevent the issue and sale of warrants to anticipate the current revenue for any one year, which said warrants shall bear such rate of interest, not exceeding five per cent., as the City Council by ordinance may prescribe.

He shall not sign any contract nor make or execute any warrant or order for the payment of any sum of money, unless the same be legal, and all prerequisites and requirements shall have been complied with, nor until after an appropriation has been duly and legally made therefor.

He shall, whenever deemed necessary, require all accounts presented to him for settlement or payment to be certified to by affidavit, and he is hereby authorized to administer oaths, with authority to compel and require persons to answer such questions as may be propounded to them touching the correctness of any account or claim against the City. He shall require all persons who

shall have received any moneys belonging to the City and not having accounted therefor, to settle their accounts, and it is hereby made his duty from time to time to require all persons receiving moneys, or having the disposition or management of any property of the City of which an account is kept in his office, to render statements thereof to him; provided, that no warrant or order shall ever be issued in favor of any person or corporation, or to the assignee or agent of any person indebted in any manner for taxes or otherwise to the City, unless such debt so due and owing to the City be paid.

No disbursing officer of the City, nor any one having money in his possession for the account of the City, shall pay the same to any person or persons for the account of the City, except to the regularly designated officer or custodian of the public funds for the City, except upon draft or warrant countersigned by the Controller of the City of Houston, and signed by the Mayor; and the Controller shall not countersign any such draft or warrant until he has audited and examined the claim and found the same justly and legally due and payable, and that the payment has been legally authorized, and appropriation therefor duly made, and that the appropriation has not been exhausted. (Act of 1905)

Section 4. Annual Report.

In addition to the annual statement herein required, and of the reports which may be demanded by the Council at any time, it is especially made the duty of the Controller to be able to show at any time, and certainly upon or immediately after the first of each month, a comprehensive and accurate statement of the financial affairs of the City of Houston, and if any officer of any department, or any employe of the City, shall fail to make such stated or stipulated reports as, and at the times, required either by the Mayor or the City Council, it shall be the duty of the Controller to report such delinquency or failure to the Mayor, and further to state at any time any carelessness or negligence of any officer or employe in the making or stating of reports covering any matter within the range of the duty of said officer or employe. (Act of 1905; amended December 28, 1915)

Section 5. Right to Examine the Books of the Grantees of Public Franchises.

The City of Houston shall have the right to regulate the rates, fares, tolls and charges to be collected from the public by any holders, owners, operators, persons or incorporations enjoying any grants or franchises from the City of Houston pertaining to public utilities, including furnishing of lights, water, telephones, and street car service, etc., pertaining to a public or quasi public duty, and the right and authority is hereby given to the Mayor or to the City Council to require the City Controller or such other officer or employe as may be designated, to examine, carefully inspect all of the books, accounts, papers and documents, as well as the property of such persons or corporations using and enjoying any of said grants or franchises from the City of Houston as above stated, and to make such reports of said examination as required by the Mayor or City Council, when deemed necessary, for the following purposes:

1. When such franchise or grant was made upon the consideration and agreement that the City of Houston should receive a per cent. or portion of the revenue derived from the use of said grant or franchise.
2. When the persons or corporations above referred to have listed their property for taxation at a valuation deemed by the City Council or the Mayor to be below its actual value, or fails to list the same for taxation.
3. When the City Council desires to fix the rates, fares, tolls and charges which said persons or corporations above described shall charge the public for water, lights, transportation, or other services rendered or furnished under the franchises granted to it or them by the said City of Houston, and the information is desired or deemed necessary by the Mayor or City Council as a basis upon which to fix a proper rate.
4. When the Mayor or City Council have directed the individuals or corporations above specified to extend their lines and service or to improve their service in any manner necessary for the public comfort

and convenience, or to make improvements and betterments of their property, and such persons or corporations demur thereto, on the ground that the income from their property used under said franchise is not sufficient to justify the same.

Such examinations and reports provided for in this Section are for the purpose of ascertaining the value of the property and the income derived from it, and the reasonable expense for its operation. (Act of 1905)

Section 6. Reports of Owners of Franchises.

It is hereby made the duty of every person, firm or corporation, assignee, trustee or receiver owning, operating or controlling any property under a franchise or grant from the City of Houston to make and submit to the City Council of the City of Houston, within sixty days after the first day of January of each and every year, an annual report in writing, verified under oath by such person, firm, or the president, treasurer, general manager, trustee, assignee or receiver of such corporations, which said report shall contain a complete statement of the financial condition of said person, firm or corporation, or assignee, trustee or receiver, including the authorized capital stock, the amount of stock issued and outstanding, the bonded indebtedness, if any, the indebtedness of any and all kinds, the assets of any and all kinds including personal property and real estate, the earnings, gross and net, the operating and other expenses, and all such other detailed information as may be prescribed from time to time by the City Council by ordinance; and every such person, firm or corporation, assignee, trustee or receiver shall also be required, whenever requested by the City Council, within 30 days thereafter, to make such other and further reports and to give such other and further information as may be required by said City Council from time to time in regard to their said business.

Any such person, firm or corporation, assignee, trustee or receiver who shall fail or refuse to make the annual report herein provided for, or fail or refuse to furnish any such information as may be requested by the City Council as herein provided for, or make a report false in any material particular, or fail or refuse to permit the examination provided for in section 5 of this Article shall forfeit and pay to the City of Houston the sum of Fifty Dollars per day for each and every day during which he or it shall so fail or refuse to make and submit such annual report, or give such information as may be requested or permit a report false in any material particular to remain on file uncorrected, or refuse to permit the examination provided for in Section 5 of this Article, which said sum may be recovered by the City of Houston in any court of competent jurisdiction. That in addition to such penalty or penalties the City Council shall, in the event of a failure or refusal to make such annual report, or to give additional information, or to permit such examination, or to allow to remain on file a report false in any material particular, pass appropriate ordinances forfeiting the franchise of such person, firm, corporation, assignee, trustee or receiver.

That the City Council, in addition to the foregoing penalties provided for, may pass such ordinances as it may deem necessary to enforce the provisions of this section and fix a penalty for the violation hereof in any sum not exceeding One Hundred Dollars and provide that each and every day that such failure or refusal continues, or such false report is allowed to remain upon file shall constitute a separate and distinct offense, and provide in such ordinances that the officers, servants and agents of any such person, firm or corporation, or assignee, trustee or receiver having the custody, management and control of said franchise and its books and property shall also be deemed the owners and operators and controllers of such franchise, and they, as well as such persons, firms, or corporations, trustees, assignees or receivers, shall be guilty of violation of such penal ordinances as may be passed hereunder. (Added by amendment October 15, 1913)

Section 7. Audits.

The City Controller shall be responsible for conducting internal audits, in accordance with professionally recognized auditing standards, of the operations of all City departments, offices, agencies and programs. The scope of internal auditing shall encompass an objective and systematic examination of evidence to provide an

independent assessment of the efficiency and effectiveness of the city's system of internal controls and the quality of performance based on quantifiable criteria in meeting objectives. Nothing in this section shall extend the authority of the City Controller to initiate or implement policy beyond the financial oversight already granted by the Charter. (Added by amendment November 2, 2004)

ARTICLE IX. GENERAL PROVISIONS

Section 1. Actions by Citizens.

Any citizen who is a property tax-payer of the City of Houston may maintain an action in the proper court to restrain the execution of any illegal, unauthorized or fraudulent contract or agreement on behalf of said City, and to restrain any disbursing officer of said City from paying any illegal, unauthorized or fraudulent bills, claims or demand against said City, or any salaries or compensation to any person in its administrative service whose appointment has not been made in pursuance of the provisions of law and the regulations in force thereunder. And in case any such illegal, unauthorized or fraudulent bills, claims or demands or any such salary or compensation shall have been paid, such citizen may maintain an action in the name of said City against the officer making such payment, and the party receiving the same, or either, or both, to recover the amount so paid, and such amount, after deducting all expenses of the action, shall be paid into the City treasury; provided, however, that the court may require such citizen to give security to indemnify the City against costs of court, unless the court shall decide that there was reasonable cause for bringing the action. The right of any property tax-payer of the City to bring an action to restrain the payment of compensation to any person appointed to or holding any office, place or employment in violation of any of the provisions of this Act, shall not be limited or denied by reason of the fact that said office, place or employment shall have been classified as, or determined to be, not subject to competitive examination; provided, however, that any judgment or injunction granted or made in any such action shall be prospective only, and shall not affect payments already made or due to such persons by the proper disbursing officers.

In case of any unsatisfied judgment, or any suit or process of law against said City, any five or more citizens who are freeholders of said City, shall, upon petition, accompanied by affidavit that they believe that injustice will be done to said City in said suit or judgments, be permitted to intervene and inquire into the validity of said judgment, or defend said suit or action as fully and completely as the officers of said City would by law have the right to do. (Act of 1905)

Sec. 2. Elections.

That in each voting precinct of the City as the same may be legally defined, shall be established and arranged at least one voting place, and where two or more voting places are established, they shall be so located as to be most convenient to the greatest number of voters, with a distinct set of election officers, ballot boxes and registration books for each voting place; provided, the voter shall vote in the district or precinct of his residence. The city council shall make all necessary regulations concerning elections; the manner and method of holding the same. Such regulation, however, shall be in keeping with the provisions of this Act, and shall be in keeping with and consistent with the provisions of the State law applicable to elections and municipalities, in so far as the same may be practicable, and the city council shall provide for the examination and counting of the returns of elections, declarations of the result thereof, and the issuance of proper certificates to the successful candidates; and it is hereby made the duty of the council to examine and count the returns at its first regular meeting after the election shall be held, or if no regular meeting shall be held within one week after an election is held it is hereby made the duty of the mayor to call a special meeting of the council for the purpose of counting the vote and determining the result of the election within one week after the election is held, and the officers declared to be elected at such election shall be entitled to qualify immediately after the declaration of the result of the election, upon taking the oath of office prescribed by law.

The city council may, consistent with the other provisions of this Act, and conforming to all the provisions of the State law regulating primary elections in cities and towns in so far as the same may be applicable, prescribe the manner and method of holding primary elections by all political parties or political organizations of any kind whatsoever, and to determine the rules that shall obtain with respect to the representation the respective parties or candidates may be entitled to at the polls; may prescribe an official ballot, official returns, etc., and the expense of all primary elections held for the purpose of nominating candidates of any political party or organization for city offices shall be borne and paid for by the city of Houston. (Act of 1905; amended by Act of April 13, 1905)

Section 3. Petitions.

The petitions provided for in this Act need not be on paper, and may be printed or written, but the signatures thereto must be the autograph signatures of the persons whose names purport to be signed. To each signature the house address of the signer must be added, and the signature must be made acknowledged or proved before an officer authorized by law to take acknowledgments and proof of deeds. The certificate of such officer, under his official seal, that a signature was so made and acknowledged or proved shall be sufficient proof of the genuineness of the signature for the purposes of this Act. The signing of another's name, or of a false or fictitious name, to a petition, or the signing of a certificate falsely stating either that a signature was made in presence of the officer or acknowledged or proved before him, shall be punishable as a forgery. (Act of 1905)

Section 4. Public Act.

That this act shall be deemed a public Act, and judicial notice shall be taken thereof in all courts. (Act of 1905)

Section 5. Existing Ordinances.

All ordinances of the City of Houston, not inconsistent with the provisions of this Charter, shall remain in full force and effect, until altered, amended or repealed by the City Council. Provided, that the power to pass such ordinances under former charters has not been repealed expressly or impliedly by the terms of this Act. (Act of 1905)

Section 6. Repealed.

Section 7. Printed Ordinances as Evidence.

All ordinances of the City of Houston published in book or pamphlet form, and purporting to be published "by authority of the City Council of the City of Houston," shall be received by all the courts of the State of Texas as prima facie evidence of the due passage and publication of such ordinances as appear therein; provided, that no person shall be precluded from showing by competent evidence that any ordinance published "by authority of the City Council of the City of Houston," as aforesaid, is not a true copy of the original ordinance. (Act of 1905)

Section 8. City not Required to Give Bond.

It shall not be necessary in any action, suit or proceeding in which the City of Houston is a party for any bond, undertaking or security to be demanded or executed by or on behalf of said City in any of the State courts, but all such actions, suits, appeals or proceedings shall be conducted in the same manner as if such bond, undertaking or security had been given as required by law, and said City shall be just as liable as if security or bond had been duly executed. (Act of 1905)

Sec. 9. Public Property Exempt from Execution Sale.

The property, real and personal, belonging to the City of Houston, shall not be liable to be sold or appropriated under any writ of execution, nor shall the funds belonging to the City in the hands of any person be liable to garnishment, nor shall the City or any of its officers or agents be required to answer any writ of garnishment, served upon or issued against it, and a failure to do so shall not entail any liability upon the City, but if the Mayor of the City elects so to do, he may answer in a writ of garnishment for the City, in his discretion. (Act of 1905)

Sec. 10. Repealed.

Editor's note—Canvas Ord. No. 2012-1003, §§ 7—9, adopted November 19, 2012, adopted at an election of November 6, 2012, repealed § 10 in its entirety. Originally adopted in 1905, said section pertained to exempting City officers and employees from jury duty. State law requires that all citizens of this state—Including employees of the City—Are required to serve on jury duty.

Section 11. Notice of Claim for Damages.

Before the City of Houston shall be liable for damages for personal injuries of any kind, or for injuries to or destruction of property of any kind, the person injured, or the owner of the property injured or destroyed, or some one in his behalf, shall give the Mayor and City Council notice in writing of such injury or destruction, duly verified, within ninety days after the same has been sustained, stating in such written notice when, where and how the injury or destruction occurred, and the apparent extent thereof, the amount of damage sustained, the amount for which claimant will settle, the actual residence of the claimant by street and number at the date the claim is presented, and the actual residence of such claimant for six months immediately preceding the occurrence of such injuries or destruction, and the names and addresses of the witnesses upon whom he relies to establish his claim, and a failure to so notify the Mayor and City Council within the time and manner specified herein shall exonerate, excuse and exempt the City from any liability whatsoever, provided that nothing herein shall be construed to effect or repeal Section 12 of Article IX of this Charter. (Act of 1905; amended October 15, 1913)

Section 12. Liability and Negligence.

The City of Houston shall not be liable to any person for damages caused from streets, ways, crossings, bridges, culverts, sewers or sidewalks being out of repair from negligence of said corporation, unless the same shall have remained so for ten days after special notice in writing given to the Mayor or city council. (Act of 1905)

Section 13. Pleading Ordinances.

It shall be sufficient in all judicial proceedings to plead any ordinance of the city by caption, without embodying the entire ordinance in the pleading, and all printed ordinances or codes of ordinances shall be admitted in evidence in any suit, and shall have the same force and effect as the original ordinance. Certified copies of ordinances may also be used in evidence. (Act of 1905)

Section 14. Judicial notice of Charter.

This Act shall be deemed a public Act, and judicial notice shall be taken thereof in all courts. (Act of 1905)

Note—The title of this section was added by the editor; it was not titled in the 1905 Special Act.

Section 15. Ownership and Regulation of Public Utilities.

The right is hereby granted to the City of Houston to acquire its public utilities, such as gas, water and electric light works, and underground, surface and elevated street railways, subways or underground conduit systems for electric light, power, telephone, telegraph and other wires used for the purpose of transmitting any electric service. That such utilities may be purchased by a payment in cash of twenty-five per cent. of such price, the balance in annual installments, including interest, to be paid out of the revenues of such utility, and that such works so purchased shall stand pledged as security for the payment of the amount due thereon, but that no judgment shall be rendered against the city upon any deferred note, requiring the city to pay any specified sum of money, but said judgment shall be merely one of foreclosure, divesting and depriving the City of the possession of the property so purchased but not paid for, in which event the City shall forfeit and lose only the cash payment of twenty-five per cent. of the agreed price, without liability or judgment in any sum for the unpaid purchase price; provided, that no purchase or expenditure shall be made under this Section, unless the same shall first have been submitted to the vote of the qualified tax-paying voters at an election to be held exclusively for that purpose.

And the right is hereby expressly granted to the City of Houston to regulate all public utilities in said City, and to require efficiency of public service, and to require all persons or corporations

to discharge the duties and undertakings for the performance of which the respective franchises were made. (Act of 1905)

Section 16. Improvement Districts.

The city council may, and upon petition shall, divide the city or any portion of the corporate territory thereof, into "Improvement Districts", clearly defining the limits and boundaries of each district; and shall have the right, and is hereby authorized to borrow money on the credit of any improvement district so created in the city, and issue bonds therefor for the purpose of constructing and laying permanent sidewalks improvements, or permanent street paving improvements, or both, in such district, but every proposition to borrow money on the credit of any improvement district for permanent sidewalk improvements or street improvements, or both, therein shall be submitted to the qualified taxpaying voters living within and owning property in such district, and shall distinctly specify the purpose for which the loan is desired, and the permanent sidewalk or street improvements, one or both, proposed to be constructed. If said proposition be sustained by a majority of the votes cast in such election in such district, such loan shall be lawful. All bonds shall specify for what purpose they are issued, shall bear interest at a rate not greater than six per cent per annum, and, when sold, shall net not less than par value, with accrued interest to date of payment of the proceeds into the city treasury, and such bonds may be negotiated in lots, as the City Council may direct. No debts shall be contracted for the payment whereof such bonds are issued until such bonds shall have been disposed of, and no debts shall ever be created against any such improvement district, unless at the same time provision be made to assess and collect annually upon the property in such improvement district a sum sufficient to pay the interest on such bonds and create a sinking fund of at least two per cent, thereon; or if a certain portion of said bonds are payable each year, then a sufficient amount shall be assessed and collected to pay each of said bonds as they mature and pay the interest on all unpaid bonds. The interest and sinking fund shall be kept separate by the city from other funds, and shall not be diverted or used for any other purpose than to pay interest and principal on such bonds, and the city comptroller shall sing [sic] no draft or warrant on said fund, except to pay the interest and redeem the bonds for which it was provided. The sinking fund for such bonds shall be invested as provided in section 1, Article IV of this Charter, or in bonds of such improvement district; provided, however, that all property situated within any improvement district which may be created under the authority of this section shall participate to its full extent in, and be equally improved in its just proportion by said sidewalk or street improvements. (Act of 1905; amended October 15, 1913)

Section 17. Repealed.

Section 17-a. Repealed.

Section 17-b. Publication of ordinances and resolutions.

The City Secretary shall give notice of the passage of all ordinances and resolutions, except those granting franchises (which shall be published as now provided by the charter), by causing to be published in some daily newspaper in the City of Houston at least once within ten days after their passage and approval, the caption or title of such ordinances and resolutions, and such ordi nance or resolution shall take effect and be in full force and effect from and after its passage and approval, unless otherwise provided therein; provided, that all such resolutions and ordinances shall be subject to the provisions of this charter for a referendum, and any action taken by authority of same shall be and become null and void should a referendum petition be filed on such ordinance or resolution as provided in Article VII-b of this charter. (Added by amendment October 15, 1913)

Section 18. Repeal of conflicting laws.

Be it further enacted, that all laws and parts of laws in conflict herewith be and the same are

hereby repealed; and that all previous special Acts granting or amending Charters of the city of Houston be especially repealed. (Act of 1905)

Note—The title of this section was added by the editor; it was not titled in the 1905 Special Act.

Section 19. Effect of Adopting Inconsistent Amendments.

Any amendment to the Charter of the City of Houston which may be adopted which is inconsistent with any existing provision of the City Charter shall by such adoption repeal such inconsistent provision, and at any election for the adoption of amendments if the provisions of two or more proposed amendments approved at said election are inconsistent the amendment receiving the highest number of votes shall prevail. (Added by amendment October 15, 1913)

Section 20. Limits on Water and Sewer Rates.

Beginning July 1, 2005, the average annual rates for water and sewer services over the period beginning January 1, 2005, shall not be increased, without voter approval, in any fiscal year by an amount greater than the combined rates of inflation and population growth in the city, identified as provided in Article III, Section 1(a)(i) of this Charter, excluding rate increases required by bond covenants and rates established by contract. Notwithstanding the above, each year the city council may review and adjust the rate design for the combined utility system such that the overall average of all rates does not exceed the limit set out above. (Added by amendment November 2, 2004)

Section 21. Exclusions from limits on City revenues.

(a) Revenues of enterprise funds are not included in revenues limited by this Charter. The preceding provisions do not affect Charter limitations on the growth of property taxes or water and sewer rates contained in Article III, Section 1, and Article IX, Section 20, of this Charter.

Enterprise funds (e.g., the Airport System) are all those largely self-sufficient activities not funded with property tax revenues. To maintain the self-sufficiency of the Water and Sewer System, the revenues of that System can only be used for the purposes of that System, and limited drainage purposes, as set forth in the existing debt covenants of that System. Those revenues cannot be used for any other purpose.

(b) For the purposes of calculating any revenue limitation in this Charter, amounts resulting from termination of or reduced participation in a tax increment reinvestment zone shall be treated in the same manner as revenues from annexed areas in Article III, Section 1.

(c) City Council may prescribe methods for complying with limits on revenues in this Charter to account for changes in accounting standards or practices. (Added by amendment November 7, 2006)

Section 22. Dedicated Pay-As-You-Go Fund for Drainage and Streets.

To provide for the enhancement, improvement and ongoing renewal of Houston's drainage and streets, a dedicated, pay-as-you-go fund entitled the 'Dedicated Drainage and Street Renewal Fund' shall be established, applied and funded as follows:

(a) The Dedicated Drainage and Street Renewal Fund shall be established as a dedicated, pay-as-you-go source of funding for the City's drainage and streets.

(b) To ensure the continued availability of the Dedicated Drainage and Street Renewal Fund as a pay-as-you-go source for the capital cost of future drainage and street needs, no more than 25% of each annual appropriation to the Fund may be used for maintenance and operation expenses, except where third party contracts, grants or payments may provide otherwise. The balance shall be used exclusively on a pay-as-you-go basis for capital costs of drainage and streets, including planning, engineering and right-of-way acquisition. The Fund may not be used to pay debt service. Beginning in the budget for fiscal year 2012, the

Dedicated Drainage and Street Renewal Fund shall be funded annually in each budget adopted by the city council from the following sources, the first two of which are intended to supplement and not replace historic funding sources and the third and fourth of which are intended to confirm the City's commitment to continue historic funding:

(i) All proceeds of developer impact fees, which beginning in fiscal year 2012, shall be assessed in an equitable manner as provided by law to recover allocable costs of providing drainage and streets for properties under development.

(ii) All proceeds of drainage charges, beginning in fiscal year 2012, and continuing thereafter shall be imposed in an equitable manner as provided by law to recover allocable costs of providing drainage to benefitting properties, with drainage charges initially set at levels designed to generate at least $125 million for fiscal year 2012.

(iii) An amount equivalent to proceeds from $0.118 of the City's ad valorem tax levy minus an amount equivalent to debt service for drainage and streets for any outstanding bonds or notes:

(A) Issued prior to December 31, 2011, and

(B) Bonds or notes issued to refund them.

(iv) All proceeds from third party contracts, grants or payments of any kind earmarked or dedicated to drainage or streets.

(c) This Section is subject to modification as permitted by law or termination at the end of fiscal year 2031 (i.e., after 20 years of operation) if during fiscal year 2030 (i.e. 19th year of operation) such modification or termination is authorized by an affirmative vote of two-thirds of the City Council following a public hearing on the matter. If not so terminated, this Section shall continue in full force and effect for successive 20 year periods, subject in each case to modification or termination in the same manner.

(d) Funding for the Dedicated Drainage and Street Renewal Fund that is not derived from ad valorem taxes levied by the City (i.e., that portion derived from fees, charges and third party payments) shall not be included in those revenues limited by this Charter.

(Added by amendment November 2, 2010; amended by Ord. No. 2018-931, §§ 2, 3, 11-28-2018, election of 11-6-2018, Prop. A)

Section 23[1]. Photographic Traffic Signal Enforcement Systems.

The City of Houston shall not use photographic traffic signal enforcement systems to civilly, criminally, or administratively enforce any state law or City ordinance against the owner or operator of a vehicle operated in violation of a traffic control signal, specified by Section 544.007(d) of the Texas Transportation Code, nor shall it collect any money from any recipient of a notice of violation issued, in whole or in part, in connection with the use of a photographic traffic signal enforcement system.

(Added by amendment November 2, 2010)

[1] Section 22 was added to the Charter at the same election, so the next available Section number is 23.

Section 24. Compensation Provided to Firefighters Compared to the Compensation Provided to Police Officers.

The City of Houston shall compensate City firefighters in a manner and amount that is at least equal and comparable by rank and seniority with the compensation provided City police officers including:

a. Persons employed in the following firefighter classifications shall receive the same base pay as persons of like seniority employed in the following, similarly numbered police officer classifications:

Firefighters	*Police Officers*
1. Probationary Firefighter	1. Probationary Police Officer
2. Firefighter	2. Police Officer
3. Engineer/ Operator	3. Senior Police Officer
4. Captain, Inspector, Investigator, Communications Captain, Mechanic	4. Sergeant
5. Senior Captain, Senior Inspector, Senior Investigator, Communications Senior Captain, Shop Supervisor	5. Lieutenant
6. District Chief, Assistant Arson Investigator, Chief Inspector, Chief Communications Officer, Master Mechanic	6. Captain
7. Deputy Chief, Arson Investigator, Assistant Fire Marshal, Deputy Chief Communications Officer	7. Captain (with an additional 15% for parity)
8. Assistant Fire Chief, Fire Marshal	8. Assistant Police Chief
9. Executive Assistant Fire Chief	9. Executive Assistant Police Chief

In the event the title of any of the above classifications shall be changed, the new classification most similar in terms of qualifications and duties to the old shall be substituted therefore, to achieve pay parity.

b. Firefighters employed in fire suppression shall receive the same incentive pay as police officers, of like seniority, employed as patrol officers.

c. Firefighters shall receive the same training pay as police officers of like seniority.

d. Firefighters employed as arson investigators shall receive the same investigative incentive pay as police officer investigative personnel of like seniority and investigative experience.

e. Firefighters who serve as Field Training Officers shall receive the same Field Training Officer training pay as police officers who serve as Field Training Officers.

f. Firefighters shall receive mentoring pay in the same amount and on the same basis as police officers.

g. Firefighters classified as arson investigators, inspectors, communications captain, senior inspectors, senior investigators, communications senior captain, assistant arson investigator, chief inspector or chief communications officer shall receive the same weekend premium and shift differential pay in the same amount and on the same basis as police officers qualified to receive such pay.

h. Firefighters shall receive educational incentive pay in the same amount and on the same basis as police officers entitled to receive such pay.

i. Firefighters shall receive college tuition reimbursement in the same amount and on the same basis as police officers entitled to receive such reimbursement

j. Firefighters shall receive the same clothing allowance (or similar benefit)paid to police officers, in addition to any protective clothing and equipment provided by the City.

k. Firefighters shall receive the same equipment allowance (or similar benefit) paid to police officers.

l. The City shall make the same contribution to the Houston Professional Firefighters Association Medical Trust that it does to the Texas Police Trust.

m. To the extent that the names of any of the forms of pay or benefits identified above are changed, the requirement of

the parity for firefighters to police officers shall continue to apply. In addition, if any new form of pay or benefit is provided to police officers, the same shall also be provided to firefighters.

(Added by Ord. No. 2018-931, §§ 4, 5, 11-28-2018, election of 11-6-2018, Prop. B)

Section 25. Membership in a council of government or metropolitan planning organization.

The City may accept or maintain membership in a Council of Government or Metropolitan Planning Organization only if votes on the governing board are apportioned proportionally on the basis of population notwithstanding statutory voting members. However, members representing local governments shall have at least 90% of total votes.

In the event that a Council of Government or Metropolitan Planning Organization does not comply with section (a) the City shall withdraw its membership from the body if the voting system is not corrected within 60 days of the effective date of adoption of this section.

(Added by Ord. No. 2023-1012, §§ 9, 10, 11-20-2023, election of 11-7-2023, Prop. B; Ord. No. 2023-1013, § 4, 5, 11-20-2023, election of 11-7-2023, Prop. B)

App. B. **Referendum Ordinances Adopted at Elections**

APPENDIX A

SOURCES OF HOUSTON CITY CHARTER—ORIGINAL ACT OF 1905 AND SUBSEQUENT AMENDMENTS

The original Act of 1905, 29th Legislature, Regular Session, Special Laws, Chapter 17, House Bill 503, Page 131 (12 Gammel), still constitutes a large part of the present charter of the city. The charter so granted has since been successively amended, as follows:

1. Amendment by Act effective April 13, 1905, H.B. 634, § 1, 29th Leg., R.S., by which § 2 of Art. IX was amended to read as now carried and § 17 of Art. IX was amended to read as it continued to read until amended in 1913 and 1933, and finally repealed in 1942.

2. Amendment by Act effective August 31, 1911, S.B. 50, 32nd Leg., 1st C.S., by which there was added Art. IVa, as carried except for subsequent amendment in 1913 and 1933, and finally repealed in 1999.

3. After the adoption of 1912 of the Home Rule Amendment to the State Constitution and the passage in 1913 of the Home Rule Enabling Act now appearing as recodified as Tex. Loc. Gov't Code Ann. ch. 9 (Vernon 1988 and Supp. 1993), the voters of the city successively amended their charter at elections at which the following amendments were approved:

   (a) At election (Ord. Book 3, Page 426) October 15, 1913, amendments were adopted which were recorded in Vol. 1, Page 105, of the Secretary of State's Record of Charter Amendments, as follows:

   (1) Amended § 2 of Art. I (Setting boundaries); many times since re-amended and modified by ordinances. This section is omitted from the current codification; the City Secretary's office can provide annexation ordinances.

   (2) Added § 2a to Art. I, as carried until repealed in 2012.

   (3) Added § 2b to Art. I, as carried until repealed in 2012.

   (4) Amended § 2 of Art. II, to read as now carried.

   (5) Added § 4a to Art. II, as carried until repealed in 1999.

   (6) Added § 5a to Art. II, as now carried.

   (7) Added § 6a to Art. II, as now carried.

   (8) Added § 7a to Art. II, as now carried except for subsequent amendment in 1982.

   (9) Added § 7b to Art. II, as now carried except for subsequent amendment in 1982.

   (10) Amended § 9 of Art. II, to read as now carried except for subsequent amendment in 1982.

   (11) Added § 14a to Art. II, as carried until repealed in 2012. (This section and accompany-

*These appendices to the Charter are taken from appendices that first appeared in the 1947 and 1958 compilations of the Charter and were prepared by Mr. F. F. Beadle, Senior Assistant City Attorney. They have been updated by Alice S. Wilson and Paul Bibler, Jr., to include Charter amendments subsequent to 1955.

ing § 14 were impliedly repealed by Act creating H.I.S.D. See Act effective March 20, 1923, S.B. 402, 39th Leg., R.S.)

(12) Added § 15a to Art. II, as now carried.

(13) Added § 19a to Art. II, as now carried except for subsequent amendment in 1982 and 1999.

(14) Amended last paragraph of § 1 of Art. III, to read as carried until entire article superseded by new Art. III in 1999.

(15) Amended § 3 of Art. IVa, to read as carried until repealed in 1999.

(16) Added § 4a to Art. IVa, as carried until repealed in 1999.

(17) Amended § 5 of Art. IVa, to read as now carried until repealed in 1999.

(18) Added § 5a to Art. IVa, as carried until repealed in 1999.

(19) Amended § 6 of Art. IVa, to read as carried until repealed in 1999.

(20) Added § 3 to Art. V, as carried until amended in 1933; superseded by new Art. V in 1942.

(21) Added § 4 to Art. V, as carried until entire article superseded by new Art. V in 1942.

(22) Added § 4a to Art. V, as carried until amended in 1933; superseded by new Art. V in 1942.

(23) Added Art. Va (Civil Service), as now carried except for subsequent amendment in 1915, 1968 and 1982. (This Article has been superseded by State Civil Service Laws for firefighters and police officers. See Tex. Loc. Gov't Code Ann. ch. 143.)

(24) Amended § 9 of Art. VI (Mayor's Salary), to read as it continued to read until entire article superseded by new Art. VI in 1942.

(25) Added § 6a to Art. VII, as carried until entire article superseded by new Art. VII in 1942. (This is the "Lame Duck" provision which passed out of the charter with the 1942 amendments, but was placed back in the charter as one of the 1947 amendments.)

(26) Added Art. VIIa (Recall of Officials), as now carried except for subsequent amendment in 1991 and 2010.

(27) Added Art. VIIb (Initiative and Referendum), as now carried except for subsequent amendment in 1991, 1994, and 2010.

(28) Amended § 1 of Art. VIII (Controller and His Salary), to read as now carried except for subsequent amendment in 1922, 1933, 1947, and 1961.

(29) Amended § 2 of Art. VIII, to read as now carried except for subsequent amendment in 1982.

(30) Added § 6 to Art. VIII, as now carried.

(31) Amended § 11 of Art. IX, to read as now carried.

(32) Amended § 16 of Art. IX, to read as now carried.

(33) Amended § 17 of Art. IX (provision for carrying over terms of existing officers), to read as carried until amended in 1933 to like purpose; finally repealed entirely in 1942.

(34) Added § 17a to Art. IX (provision for filling vacancies in certain offices), as carried until repealed in 1942.

(35) Added § 17b to Art. IX, as now carried.

(36) Added § 19 to Art. IX, as now carried.

(b) At election (Ord. Book 6, page 30) December 28, 1915, amendments were adopted which were recorded in Vol. 3, Page 129, of the Secretary of State's Record, as follows:

(1) Added Art. VIa, as now carried except for subsequent amendment in 1947, 1968, and 2004.

(2) Added § 1a to Art. IV, as now carried.

(3) Amended § 4 of Art. Va, to read as now carried except for subsequent amendment in 1982. (Note that the certificate filed with the Secretary of State is rather obscure in connection with this amendment as it merely states that the amendment was of "Sec. 4— Commissioners, Rules and Regulations" and does not directly indicate what article was referred to and does not clearly show whether it is an amendment or the addition of something entirely new. This obscurity has been cleared up by checking against the original article, the election proposition, etc.)

(c) At election (Ord. Book 7, page 247) February 20, 1918, only one amendment was adopted, recorded in Vol. 3, page 521, of the Secretary of State's Record, being amendment of § 2 of Art. I, providing for the consolidation of Houston with Houston Heights and amending the City's boundaries to include the additional area involved. This section is omitted from the current codification; the City Secretary's office can provide annexation ordinances.

(d) At election (Ord. Book 10, page 371) December 30, 1922, amendments were adopted which are recorded in Vol. 5, page 459, of the Secretary of State's Records, as follows:

(1) Amended § 12 of Art. VII, to read as it continued to read until entire article superseded by new Art. VII in 1942.

(2) Added § 13 to Art. VII, as carried until entire article superseded by new Art. VII in 1942.

(3) Amended § 1 of Art. VIII (City Controller's Salary), to read as now carried except for subsequent amendment in 1933, 1947 and 1961.

(4) Amended § 2 of Art. I (Boundaries). This section is omitted from the current codification; the City Secretary's office can provide annexation ordinances.

(5) Amended § 3 of Art. I, to read as now carried.

(e) At election (Ord. Book 15, page 259) October 16, 1926, amendments were adopted which are recorded in Vol. 6, page 439, of the Secretary of State's Records, as follows:

(1) Added § 4a to Art. IV, as carried until repealed in 1999.

(2) Added § 13a to Art. II, as now carried.

(3) Amended § 2 of Art. I (Boundaries) to consolidate City of Houston with City of Magnolia Park. This section is omitted from the current codification; the City Secretary's office can provide annexation ordinances.

(f) At election (Ord. Book 24, page 389), January 28, 1933, amendments were adopted which are

recorded in Vol. 8, page 259, of the Secretary of State's Records, as follows:

(1) Amended § 10 of Art. III, to read as carried until entire article superseded by new Art. III in 1999.

(2) Amended § 3 of Art. V, to read as carried until entire article superseded by new Art. V in 1942.

(3) Amended Subdivisions a and b of § 4a of Art. V to read as carried until entire article superseded by new Art. V in 1942.

(4) Added § 4b to Art. II, as carried until repealed in 1999.

(5) Added Art. IVb, as now carried.

(6) Amended § 17 of Art. IX, as carried until repealed in 1942.

(7) Added § 14a to Art. IVa, as carried until repealed in 1999.

(8) Amended third paragraph of Sec. 9 of Art. IVa, to read as carried until repealed in 1999.

(9) Added Subdivision (s) to § 4a of Art. V (Provision fixing date of City Democratic Primary), as carried until entire article superseded by new Art. V in 1942.

(10) Amended § 1 of Art. VIII (City Controller's Salary), to read as now carried except for subsequent amendment in 1947 and 1961.

(11) Amended first paragraph of § 15 of Art. III (Composition of Board of Appraisement), to read as carried until entire article superseded by new Art. III in 1999.

(12) Added § 16 to Art. III, as carried until entire article superseded by new Art. III in 1999.

(13) Added § 20 to Art. II, as now carried.

(g) At election (Ord. Book 35, page 331) August 15, 1942, amendments were adopted which are recorded in Vol. 10, page 42, of the Secretary of State's Records, as follows:

(1) Adopted new Art. V superseding former article, as carried until superseded by new Art. V in 1951.

(2) Repealed §§ 6, 17, and 17a of Art. IX.

(3) Adopted new Art. VI superseding former article, as now carried except for subsequent amendment in 1947, 1968, 1982, and 1999.

(4) Added Art. VIb, as carried until repealed in 1947.

(5) Adopted new Art. VII superseding former article, as now carried except for subsequent amendment in 1947, 1951, 1979, 1982 and 1991.

(h) At election (Ord. Book 43, page 117) July 26, 1947, amendments were adopted which are recorded in Vol. 10, page 315, of the Secretary of State's Records, as follows:

(1) Added § 4a to Art. V, as carried until entire article superseded by new Art. V in 1951.

(2) Added § 7a to Art. VI, as now carried except for subsequent amendment in 1968.

(3) Repealed Art. VIb.

(4) Amended § 8 of Art. VI, to read as now carried.

(5) Amended § 4 of Art. VIa, to read as now carried.

(6) Added § 9a to Art. VII, as carried until repealed in 1951.

(7) Amended § 1 of Art. VII, to read as now carried.

(8) Added § 11a to Art. VII, as now carried.

(9) Amended § 1 of Art. VIII (City Controller's Salary), to read as now carried except for subsequent amendment in 1961.

(i) At election May 29, 1951, amendments were adopted as follows:

(1) Adopted new Art. V superseding former article, as carried until superseded by new Art. V in 1955.

(2) Repealed § 9a of Art. VII.

(j) At election August 16, 1955, amendments were adopted as follows:

Adopted new Art. V superseding former article, as now carried except for subsequent amendment in 1979, 1991, 1999, and 2015.

(k) At election November 18, 1961, an amendment was adopted as follows:

Amended § 1 of Art. VIII, to read as now carried.

(l) At election January 27, 1968, amendments were adopted as follows:

(1) Amended § 19 of Art. II, to read as now carried except for subsequent amendment in 1982.

(2) Amended § 1 of Art. Va, to read as now carried.

(3) Amended § 2 of Art. VIa, to read as now carried.

(4) Amended paragraph (4) of § 7a of Art. VI, to read as now carried.

(m) At election August 11, 1979, amendments were adopted as follows:

(1) Amended §§ 1, 2, 3, 4, 5, and 8 of Art. V, to read as now carried except for subsequent amendment in 1999 and 2015.

(2) Amended § 2 of Art. VII, to read as now carried.

(3) Amended § 3 of Art. VII, to read as now carried except for subsequent amendment in 1982.

(n) At election August 14, 1982, amendments were adopted as follows:

(1) Amended §§ 2, 3 and 4 of Art. Va, to read as now carried.

(2) Amended §§ 7a, 7b, 9, 19 and 19a of Art. II, to read as now carried except for subsequent amendment of § 19a in 1999.

(3) Amended § 3 of Art. VII, to read as now carried.

(4) Added § 2a to Art. VIII, as now carried.

(5) Added §§ 11, 12 and 13 to Art. VI, as now carried.

(6) Amended § 18 of Art. II, to read as now carried.

(7) Amended § 2 of Art. VIII, to read as now carried.

(8) Amended the first paragraph of § 1 of Art. III, to read as carried as two paragraphs until entire article superseded by new Art. III in 1999.

(o) At election November 5, 1991, amendments were adopted as follows:

(1) Added § 6a to Art. V, as now carried except for subsequent amendment in 2015.

(2) Amended § 5 of Art. VIIa, to read as now carried.

(3) Amended subsection (b) of § 2 of Art. VIIb, to read as now carried.

(4) Amended § 9 of Art. VII, to read as now carried.

(5) Added § 4a. to Art. V, as carried until repealed in 1994.

(p) At election January 15, 1994, amendments were adopted as follows:

(1) Repealed § 4a of Art. V.

(2) Added § 13 to Art. VIIb, as now carried.

(q) At election November 2, 1999, amendments were adopted as follows:

(1) Repealed §§ 4-a and 4b of Art. II, §§ 4 and 4-a of Art. IV, and all of Art. IVa.

(2) Amended Art. III, to read as now carried.

(3) Amended § 4 of Art. V and § 1 of Art. VI, to read as now carried.

(4) Amended the first paragraph of § 19a of Art. II, to read as now carried.

(r) At election November 6, 2001, amendments were adopted as follows:

(1) Added § 21 to Art. II, as now carried.

(2) Added a section, which the editors placed in Art. II as § 22, as now carried.

(s) At election November 2, 2004, amendments were adopted as follows:

(1) Amended the first paragraph of § 1 of Art. III, to read as now carried as five paragraphs.

(2) Added § 20 to Art. IX, as now carried.

(3) Added a section, which the editors placed in Art. VI-a as § 7, as now carried.

(4) Added § 7 to Art. VIII, as now carried.

(t) At election November 7, 2006, an amendment was adopted as follows:

Added § 21 to Art. IX, as now carried.

(u) At election November 2, 2010, amendments were adopted as follows:

(1) Added § 22 to Art. IX, as carried until the election for the proposition by which this section was added to the Charter was ordered, adjudged and decreed void on October 29, 2015, in accordance with the decision in Dacus v. Parker, 466 S.W.3d 820, 822 (Tex. 2015).

(2) Added § 23 to Art. IX, as now carried.

(v) At election November 6, 2012, amendments were adopted as follows:

(1) Repealed:

§ 2-a of Art. I.

§ 2-b of Art. I.

§§ 14 and 14a of Art. II.

¶ 10 of § 16 of Art. II.

¶ 15 of § 16 of Art. II.

§ 10 of Art. IX.

(2) Amended:

§ 10 of Art. V, to read as now carried.

Art. VII-a, to read as now carried.

Art. VII-b, to read as now carried.

(w) At election November 3, 2015, amendments were adopted as follows:

(1) Amended the first paragraph of § 5 of Art. V, to read as now carried.

(2) Amended § 6a of Art. V, to read as now carried.

(x) At election November 6, 2018, amendments were adopted as follows:

(1) Added a section, which City Council placed in Art. IX as § 24, to read as now carried.

(2) Added a new § 22 to Art. IX, to read as now carried.

APPENDIX B

REFERENDUM ORDINANCES ADOPTED AT ELECTIONS

Because Art. VIIb, the referendum and initiative article in the city charter, provides that ordinances adopted under its provisions may not be thereafter amended or repealed except as therein provided, such ordinances have until so repealed practically the same effect as charter provisions. The following brief statement is made of the subject matter of the ordinances below referred to, adopted at elections indicated and apparently never repealed or amended pursuant to the provisions of Art. VIIb (except as noted below), but without expression of opinion either as to their initial or present validity, effectiveness, or binding force, except to the limited extent below indicated:

2½% ANNUAL LIBRARY TAX

At the election held February 9, 1921, the ordinance calling which is in Vol. 9, page 9, of the city secretary's books, the taxpaying voters of the city approved a proposition stated on the ballots as follows:

> "For the levy and collection by the City Council of the City of Houston of a direct ad valorem tax of not less than two and one-half (2½) cents, as may be determined by the city Council, on every One Hundred ($100.00) Dollars of value thereof, on all property real, personal and mixed within the City of Houston upon which a tax is authorized by law to be levied in the City of Houston, and upon all franchises of all individuals and corporations holding a franchise from the City of Houston, said tax to be appropriated for maintaining the Public Library System in the City of Houston."

Upon question of binding effect of this ordinance on future city councils, *see Denman v. Quinn*, 116 S.W.2d 783 (Tex. Civ. App.—San Antonio 1938, writ ref'd), holding that a city's annual tax levying ordinance passed by the city council was not subject to referendum under board referendum provision containing in San Antonio charter. *See*, however, contrary view as to a different type of ordinance as stated in *Taxpayers Association v. City of Houston*, 129 Tex. 629, 106 S.W.2d 655 (1937). Note also that the foregoing ordinance was not submitted to the general electorate of the city as contemplated by Art. VIIb of the charter for referendum or initiative submission of ordinance, but was submitted only to the tax-paying voters.

ORDINANCE ABOLISHING JITNEYS

An election hold January 19, 1924, the ordinance calling which is in Vol. 11, page 435, of the city secretary's ordinance books, there was approved a very lengthy and detailed ordinance abolishing jitney busses and jitney routes and virtually prohibiting operation along fixed routes of any passenger vehicle with a seating capacity of less than fifteen persons and prohibiting the operation of motor vehicles carrying passengers along fixed routes upon streets on which street cars were operated.

By order of the United States District Court for the Southern District of Texas dated March 31, 1994, in Cause No. H-89-1245, the foregoing jitney ordinance was declared unconstitutional.

1936 GENERAL EMPLOYEES' MINIMUM SALARY ORDINANCE

At election held on August 22, 1936, the ordinance calling which appears in Vol. 26, page 441, of the city secretary's ordinance books, there was approved an ordinance fixing minimum monthly salaries of various and sundry appointive officers and employees of the city, the employees being classified by departments in extreme detail and including apparently all employees from the department head on down. The fire department was not included in this ordinance, but apparently all other departments were included, including police department.

Note the 1946 ordinance referred to below granting blanket salary increases to city employees except police and fire department personnel, and note that the 1946 police department minimum salary ordinance referred to below in all certainty repealed so much of the foregoing 1936 ordinance as referred to the police department. For validity and effect of this type of ordinance adopted by referendum, *see Taxpayers Association*

v. City of Houston, 129 Tex. 629, 105 S.W.2d 655 (1937), and *Dry v. Davidson*, 115 S.W.2d 689 (Tex. Civ. App.—Galveston 1938, writ ref'd).

1936 FIRE DEPARTMENT MINIMUM SALARY ORDINANCE

At election held August 22, 1936, the ordinance calling which appears in Vol. 26, page 436, of the city secretary's ordinance books, there was approved an ordinance fixing minimum salaries within detailed classifications of fire department personnel.

Note the 1946 fire department minimum salary ordinance referred to below, the provisions of which in all certainty superseded the foregoing 1936 ordinance. For validity and effect see cases referred to under the 1936 general employees minimum salary ordinance.

1946 FIRE DEPARTMENT MINIMUM SALARY ORDINANCE

At election held on June 22, 1946, the ordinance calling which is in Vol. 40, page 322, of the city secretary's ordinance books, there was approved an ordinance prescribing in detail positions and classifications of employees in the fire department and fixing in detail salaries in such department.

Note that the foregoing 1946 ordinance in all certainty superseded the similar 1936 ordinance. For validity and effect, see cases referred to above under the 1936 general employees' salary ordinance. Note also general legislation from time to time passed by the State Legislature in the matter of minimum salaries of firemen.

1946 POLICE DEPARTMENT MINIMUM SALARY ORDINANCE

At election held June 22, 1946, the ordinance calling which is in Vol. 40, page 327, of the city secretary's ordinance books, there was approved an ordinance prescribing in extreme detail positions and classifications of employees in the police department and fixing minimum salaries of police department personnel.

Note that the foregoing ordinance in all certainty repealed so much of the 1936 general city employees' minimum salary ordinance as dealt with the police department. For validity and effect, see cases cited above under 1936 general employees' minimum salary ordinance. Note also general state laws covering minimum hours and minimum salaries of police officers.

GENERAL CITY EMPLOYEES' SALARY ORDINANCE OF 1946

At an election held on June 22, 1946, the ordinance calling which is in Vol. 40, page 332, of the city secretary's ordinance books, there was approved an ordinance which very briefly provided blanket percentage salary increases for certain city employees and for a flat $30.00 per month increase for all or at any rate nearly all other employees (except fire and police department personnel covered by the two ordinances adopted the same day hereinabove referred to).

For validity and effect, see cases cited above under 1936 general city employees' salary ordinance, noting that the 1946 ordinance did not designate or establish positions and did not prescribe minimum salaries for any positions, it not being within the scope of this work to attempt a determination of the effect of this 1946 ordinance on salary schedules in general.

POLICEMEN'S AND FIREMEN'S CIVIL SERVICE, STATE LAW, 1947

Article 1269m, Vernon's Texas Civil Statutes, enacted by the 1947 Legislature now codified as Tex. Loc. Gov't Code Ann. ch. 143, provides for civil service system for policemen and firemen under a uniform plan provided by the Legislature. Pursuant to a command contained in the Act, cities were required to submit to popular vote the question of adoption or rejection of the Act, with provision that upon its adoption it would supersede charter provisions or ordinances covering its subject matter.

At an election held in the city January 31, 1948, this Act was adopted by a majority vote of the votes cast at the election. It differs in many important respects from the city's civil service charter provisions (Art. Va of the foregoing charter) and no action should be taken in the matter of civil service, whether pertaining to policemen and

firemen or to other employees without first consulting ch. 143, Tex. Loc. Gov't Code Ann., since some of its provisions touch upon the entire subject of composition of the city's civil service commission and of the executive administration of the civil service functions.

1950 FIRE DEPARTMENT MINIMUM SALARY ORDINANCE

At an election held on July 22, 1950, an ordinance was adopted that established various positions and salaries for those positions in the classified service of the Fire Department. The ordinance contains a repealer clause, and it presumably repealed the 1946 ordinance, which is discussed above.

1954 POLICE AND FIRE DEPARTMENT SALARY ORDINANCE

At an election held on August 28, 1954, an ordinance was adopted that increased the salaries of firefighters and police officers by forty-five dollars per month. This ordinance contained a repealer clause, and it repealed the salaries contained in the other police and fire salary ordinances, which are described above.

CONCLUSION

In the foregoing brief reference to ordinances adopted at elections no effort has been made to include those ordinances so adopted which merely authorized the doing once of some one particular thing, which, when done, thereby accomplished the entire purpose of the ordinance, as for example ordinances authorizing purchase of a certain parcel of land or sale of a certain parcel of land.

[The next page is 109]

CODE OF ORDINANCES

Chapter 1

GENERAL PROVISIONS

Sec. 1-1. How Code designated and cited.

The ordinances embraced in the following chapters and sections shall constitute and be designated the "Code of Ordinances, City of Houston, Texas," and may be so cited.

The *Construction Code,* including the *Fire Code,* constitutes a part of this Code and is adopted herein by reference. The *Construction Code* is published by separate promulgation and is not set forth in this two-volume edition of the Code. Interested persons may contact the city secretary for purchase information.
(Code 1968, § 1-1; Ord. No. 2011-1168, § 3, 12-14-2011; Ord. No. 2021-1037, § 20(Exh. I.1, 12-1-2021, eff. 4-1-2022)

Charter references—Printed ordinances as evidence, Art. IX, § 7; force and effect of Codes of Ordinances and admission thereof into evidence, Art. IX, § 13.

Sec. 1-2. Rules of construction and definitions.

(a) In the construction of this Code, and of all ordinances, the following rules shall be observed and the following definitions shall apply, unless the context clearly indicates otherwise:

Generally. In the interpretation and application of any provision of this Code, it shall be held to be the minimum requirements adopted for the promotion of the public health, safety, comfort, convenience and general welfare. Where any provision of the Code imposes greater restrictions upon the subject matter than the general provisions imposed by the Code, the provision imposing the greater restriction or regulation shall be deemed to be controlling.

Abatement warrant is a warrant authorized by Section 30.00005(d)(3)(B), Texas Government Code, and issued only upon application to a magistrate, which application shall include either (a) a verified copy of a judicial or administrative order authorizing the city to secure, remove, or demolish property for a violation of this Code related to public health or safety or to nuisance abatement, or (b) an affidavit, which may be based on information supplied by others, stating facts establishing probable cause to abate (i) a nuisance pursuant to Article XI of Chapter 10 of this Code; (ii) a junked vehicle pursuant to Article XIII of Chapter 10 of this Code; or (iii) an off-premise sign pursuant to Article XVII of Chapter 10 of this Code. An abatement warrant shall be served by a peace officer.

Building Code means the *City of Houston Building Code,* as adopted and amended by the city council.

Building official means the Director of Houston Public Works or such other person as the said director may designate to act as the chief *Construction Code* enforcement official of the city and the said official's designee.

City. The words "city" "the city" or "this city" shall mean the City of Houston, in the State of Texas.

City council. Whenever the words "city council" or "council" are used, they shall be construed to mean the City Council of the City of Houston, as the governing body of the city.

City engineer shall mean:

(1) The Director of Houston Public Works and the director's designee; or

(2) The director of the general services department or the engineer

designated by the director and that director's or engineer's designee, as applicable.

The term primarily relates to employees of Houston Public Works and the general services department who are engaged in acquisition, design and construction of public works and related projects.

City fee schedule means the schedule of fees charged by the city for various permits, licenses, authorizations and services, which schedule is maintained on the city's website.

City officers or *departments.* Whenever reference is made to an officer or department, the same shall be construed as if followed by the words "of the City of Houston, Texas."

Computation of time. Except as otherwise provided in this Code, or in applicable statutes of the state, whenever a notice is required to be given or an act to be done a certain length of time before any proceedings shall be had, the day on which such notice is given or such act is done shall not be counted in computing the time, but the day on which such proceedings are to be had shall be counted, unless it is a Sunday or a legal holiday on which city offices are closed, in which event the period runs until the end of the next day which is neither a Sunday nor a legal holiday.

Construction Code means the *City of Houston Construction Code,* as amended from time to time by the city council, which code consists of various texts setting forth requirements relating to building construction and safety, namely:

City of Houston Building Code, also known as the *Building Code*

City of Houston Electrical Code, also known as the *Electrical Code*

City of Houston Energy Conservation Code, also known as the *Energy Conservation Code*

City of Houston Existing Building Code, also known as the *Existing Building Code*

City of Houston Fire Code, also known as the *Fire Code*

City of Houston Mechanical Code, also known as the *Mechanical Code*

City of Houston Plumbing Code, also known as the *Plumbing Code*

City of Houston Residential Code, also known as the *Residential Code*

City of Houston Swimming Pool and Spa Code, also known as the *Swimming Pool and Spa Code*

Chapter 10, Article IX, also known as the *Houston Building Standards Code*

and

Houston Public Works Infrastructure Design Manual, also known as the *Infrastructure Design Manual* or *IDM.*

In particular instances this Code may refer to individual volumes of the *Construction Code,* and any such specific reference shall be construed to mean the identified portion of the *Construction Code.*

County. The words "the county" or "this county" shall mean and refer to Harris, Fort Bend, and Montgomery Counties, either singularly or collectively, whichever is applicable when taken in context.

Director of public health means only such officer; the term shall not be deemed to include that officer's designees, or to authorize that officer to delegate any authority or duty vested in him as director of the Houston Health Department, unless the intention to include designees, or to authorize delegation, is clearly expressed.

Electrical Code means the *City of Houston Electrical Code* as adopted and amended by the city council.

Electronic means relating to technology having electrical, digital, magnetic, wireless, optical, electromagnetic, or similar capabilities.

Electronic signature means an electronic sound, symbol, or process attached to or logically associated with a record or document, which can include an electronic record or

document, and executed or adopted by a person with the intent to sign the record or document.

Energy Conservation Code means the *City of Houston Residential Energy Conservation Code* or the *City of Houston Commercial Energy Conservation Code,* both as adopted and amended by the city council.

Existing Building Code means the *City of Houston Existing Building Code,* as adopted and amended by the city council.

Fire Code means the *City of Houston Fire Code,* as adopted and amended by the city council.

Gender. Words imparting masculine gender, whenever used herein, shall be deemed to include the feminine and shall also extend and apply to persons as the term "person" is herein defined. The use of words imparting masculine gender shall not be deemed to imply any preference for them or any subordination, disqualification or exclusion of the feminine.

Health officer means the director of public health or the director's duly authorized designees.

Housing officer. The term "housing officer" shall mean the director of the housing and community development department or the director's duly authorized designees.

Inspection warrant is an administrative warrant authorized by Article 18.05, Texas Code of Criminal Procedure, for the inspection of property to determine the presence of a fire or health hazard, an unsafe building condition, or a violation of any fire, health, or building regulation, statute, or ordinance. An inspection warrant may be issued only upon application to a magistrate, which magistrate may be a municipal judge authorized by Section 30.00006(e), Texas Government Code. The application shall include an affidavit, which may be based on information supplied by others, stating facts establishing probable cause that a fire or health hazard or an unsafe building condition is present in or on the property to be inspected. An inspection warrant may not authorize the arrest of a person or the seizure of property. An inspection warrant may be issued to and served by either a peace officer or a city official designated pursuant to Article 18.05(d), Texas Code of Criminal Procedure.

Judge or *municipal judge.* The words "judge" or "municipal judge" or any like term shall be construed to mean a judge (or an acting judge) of a municipal court of the City of Houston.

Major collector street shall mean a public street that is not a thoroughfare, but that provides access and circulation between thoroughfares and other streets and is so designated on the major thoroughfare and freeway plan.

Major thoroughfare shall mean a public street designated as a principal thoroughfare or thoroughfare on the major thoroughfare and freeway plan.

Major thoroughfare and freeway plan or *MTFP* means the latest edition of the major thoroughfare and freeway plan adopted by the planning commission and approved by the city council.

May. The word "may" is permissive.

Mechanical Code means the *City of Houston Mechanical Code,* as adopted and amended by the city council.

Must. The word "must" is mandatory.

Neighborhood protection official means the director of neighborhoods and such other natural persons as the director may designate in writing to act on his behalf.

Nontechnical and technical words. Words and phrases shall be construed according to the common and approved usage of the language; provided, however, that technical words and phrases and such others as may have acquired a peculiar and appropriate meaning in law shall be construed and understood according to such meaning.

Notarization. Where notarization is required, an online notarization, as defined in Texas Government Code section 406.101, or electronic

notarization in compliance with Texas Government Code section 406.026 or other applicable law satisfies notarization requirements.

Number. A word imparting the singular number only may extend and be applied to several persons and things as well as to one person and thing.

Oath. The word "oath" shall be construed to include an affirmation in all cases in which, by law, an affirmation may be substituted for an oath, and in such cases the words "swear" and "sworn" shall be equivalent to the words "affirm" and "affirmed."

Official time standard. Whenever certain hours are named herein they shall mean standard time or daylight-saving time as may be in current use in this city.

Or, and. "Or" may be read "and" and "and" may be read "or" if the sense requires it.

Owner. The word "owner" applied to a building or land, shall include any part owner, joint owner, tenant in common, tenant in partnership, joint tenant, or tenant by the entirety, of the whole or of a part of such building or land.

Parking official means the director of the department of administration and regulatory affairs or such other person as the said director may designate to act as the parking management official of the city and the said official's designee.

Person. The word "person" shall extend and be applied to associations, clubs, societies, firms, partnerships, and bodies politic and corporate as well as to individuals or groups of individuals.

Personal property includes every species of property except real property.

Planning official shall mean the director of planning and development and the director's designees.

Plumbing Code means the *City of Houston Plumbing Code,* as adopted and amended by the city council.

Residential Code means the *City of Houston Residential Code,* as adopted and amended by the city council.

Shall. The word "shall" is mandatory.

Signature means (a) any mark or sign that is written, printed, electronically inserted, stamped, engraved, or otherwise placed upon any instrument or document by the signatory with the intent to execute, acknowledge, attest, endorse, or authenticate the instrument or document; (b) an electronic signature as defined in this section; or (c) a 'digital signature' as defined by Section 2054.060 of the Texas Government Code, as may be amended from time to time.

State. The words "the state" or "this state" or "state" shall refer to the State of Texas.

Street. The word "street" shall be construed to embrace streets, avenues, boulevards, drives, roads, alleys, lanes, viaducts and all other public highways in the city.

Swimming Pool and Spa Code means the *City of Houston Swimming Pool and Spa Code,* as adopted and amended by the city council.

Tense. Words used in the present or past tense include the future as well as the present or past.

Traffic engineer shall mean the person designated under subsection (a) of section 45-5 of this Code.

Transit-oriented development plan or *TODP* means the latest edition of the transit-oriented development plan adopted by the planning commission.

Transit-oriented development street or *TOD street* means a public street designated as a primary TOD street or secondary TOD street on the transit-oriented development plan.

Utility official shall mean the Director of Houston Public Works and the director's designee. The term primarily relates to those Houston Public Works employees who are engaged in activities relating to the delivery of water and wastewater services.

Walkable places plan or *WPP* means the latest edition of the walkable places plan adopted by the planning commission and approved by the city council.

Walkable places street or *WP* street means a public street designated as a primary WP street or secondary WP street on the walkable places plan.

Writing. The words 'write,' 'writing,' and 'written' shall include printing, whether physically on paper or in electronic form.

Year, month. The word "year" shall be construed to mean a calendar year, and the word "month" shall be construed to mean a calendar month.

(b) The provisions of Titles 1, 2 and 3 of the Penal Code shall apply in the interpretation of all penal provisions of this Code to the extent that the Penal Code mandates that they shall apply.

(Code 1968, § 1-2; Ord. No. 72-201, § 1, 2-2-72; Ord. No. 89-1079, § 2, 7-12-89; Ord. No. 90-635, §§ 1—3, 5-23-90; Ord. No. 93-514, §§ 1, 2, 5-5-93; Ord. No. 94-674, § 2, 7-6-94; Ord. No. 98-334, § 1, 4-29-98; Ord. No. 98-613, § 9, 8-5-98; Ord. No. 99-378, § 1, 4-21-99; Ord. No. 02-399, § 11, 5-15-02; Ord. No. 02-528, § 14a., 6-19-02; Ord. No. 03-925, § 2, 10-8-03; Ord. No. 03-1196, § 2, 12-23-03; Ord. No. 04-1015, § 5, 9-27-04; Ord. No. 04-1075, § 1, 10-20-04; Ord. No. 05-995, § 1, 8-24-05; Ord. No. 07-464, § 2, 4-11-07; Ord. No. 07-840, § 1, 7-18-07; Ord. No. 08-417, § 2, 5-14-08; Ord. No. 08-568, § 18, 6-18-08; Ord. No. 2010-304, § 2, 4-21-2010, eff. 4-1-2010; Ord. No. 2011-108, § 2, 2-9-2011; Ord. No. 2011-108, § 2, 2-9-2011; Ord. No. 2011-378, § 2, 5-18-2011; Ord. No. 2011-697, § 1, 8-10-2011; Ord. No. 2011-1168, § 4, 12-14-2011; Ord. No. 2015-820, § 2, 8-26-2015; Ord. No. 2018-11, §§ 2, 49, 50, 51, 1-10-2018; Ord. No. 2020-320, §§ 2, 3, 4-15-2020; Ord. No. 2020-684, § 2(Exh. A), 8-5-2020; Ord. No. 2021-1037, § 20(Exh. I.2, 3, 12-1-2021, eff. 4-1-2022)

Sec. 1-3. Catchlines.

(a) The catchlines of the several sections or subsections of this Code printed in boldface type are intended as mere catchwords to indicate the contents of the section and shall not be deemed or taken to be the titles of such sections or subsections, nor as any part thereof, nor shall they be so deemed when any of such sections or subsections, including the catchlines, are amended or reenacted, unless expressly so provided.

(b) The city has granted general discretion to Municipal Code Corporation as editor of this Code to include source references, editor's notes, charter references, internal cross references and similar notations throughout this Code. Such notations are intended for the convenience of the public in the use of this Code. The city has not reviewed the same and makes no representation as to their accuracy. Such notations do not constitute a part of this Code and shall have no legal effect upon its interpretation or enforcement.

(Code 1968, § 1-3)

Sec. 1-4. Amendments to Code.

All ordinances passed subsequent to this Code, which amend, repeal or in any way affect this Code, may be numbered in accordance with the numbering system of this Code and printed for inclusion herein. In the case of the repeal of any chapter, section and subsection or any part thereof by subsequent ordinance, such repealed portions may be excluded from the Code by omission from reprinted pages affected thereby.

Amendments to any of the provisions of this Code may be made by amending such provisions by specific reference to the section number of this Code in the following language: "That section _____ of the Code of Ordinances, Houston, Texas, is hereby amended to read as follows: . . . ." The amended provisions shall then be set out in full as desired.

In the event a new section not heretofore existing in the Code is to be added, the following language may be used: "That the Code of Ordinances, Houston, Texas, is hereby amended by adding a section, to be numbered _____, which said section reads as follows: . . . ." The new section shall then be set out in full as desired.

(Code 1968, § 1-4)

[The next page is 113]

Sec. 1-5. Effect of repeal of ordinances.

The repeal of any prior ordinance of the city by any subsequent ordinance shall not operate to revive the provisions of any ordinance which may have been repealed by such prior ordinance, unless such revival shall be expressly provided for. Ordinances repealed remain in force for the trial and punishment of all past violations of them, and for the recovery of penalties and forfeitures already incurred, and for the preservation of all rights and remedies existing by them and so far as they apply, to any office, trust, proceeding, right, contract or event, already affected by them.
(Code 1968, § 1-5)

Sec. 1-6. General penalty; continuing violations; license revocation, etc.

(a) When in this Code or in any ordinance of the city an act is prohibited or is made or declared to be unlawful or an offense or a misdemeanor, or wherever in such Code or ordinance the doing of any act is required or the failure to do any act is declared to be unlawful, and no specific penalty is provided therefor, the violation of any such provision of this Code or any such ordinance shall be punished by a fine of not exceeding $500.00; provided, however, that no penalty shall be greater or less than the penalty provided for the same or a similar offense under the laws of the state. Each day any violation of this Code or of any ordinance shall continue shall constitute a separate offense.

(b) When in this Code or in any ordinance of the city an act is prohibited or is made or declared to be unlawful or an offense or a misdemeanor, or wherever in such Code or ordinance the doing of any act is required or the failure to do any act is declared to be unlawful and the offense is punishable by a fine exceeding $500.00, yet no culpable mental state is prescribed as an element necessary for conviction of that unlawful act, then a person shall be considered to have committed an unlawful act if it can be shown that he acted with knowledge with respect to the nature of his conduct or to circumstances surrounding his conduct.

(c) The suspension, revocation, cancellation or denial of any license, permit or certificate by the city shall not prohibit the imposition of any civil or criminal penalty. The imposition of a civil or criminal penalty by the city shall not prohibit the suspension, revocation, cancellation or denial of any license, permit or certificate.
(Code 1968, § 1-7; Ord. No. 92-1449, § 2, 11-4-92; Ord. No. 06-263, § 2, 3-22-06)

Charter reference—Penalties for ordinance violations, Art. II, § 12.

Cross references—Application of state law to judgments, executions and fine collections, § 16-75; assessment of fines against corporations, 16-76; payment of fines, § 16-78; credit against fines for incarceration, § 35-6 et seq.

Sec. 1-7. Aiding or abetting violations.

The prohibition of any act in this Code, and in any rule or regulation adopted hereunder, shall include the causing, securing, aiding, or abetting of another person to do such act.
(Code 1968, § 1-8)

Sec. 1-8. Severability of parts of Code.

The sections, paragraphs, sentences, clauses and phrases of this Code are severable, and if any phrase, clause, sentence, paragraph or section of this Code shall be declared unconstitutional by the valid judgment or decree of any court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Code.
(Code 1968, § 1-10)

Sec. 1-9. Procedures for denial, suspension or revocation of licenses and permits—Generally.

No permit or license authorizing a person to engage in a trade, occupation, vocation, profession or business, shall be denied, suspended, or revoked on the grounds that the applicant, permittee, or licensee has been convicted of, or has received adjudication for, a criminal offense except

under the following procedures and in accordance with Chapter 53 of the Texas Occupations Code:

(a) An applicant for a license or permit or for the renewal of a license or permit shall be given written notice informing him of the following matters:

(1) That the city has information that the applicant has been convicted of, or has received deferred adjudication for, certain offenses, and a list of the specific offenses for which the city has such information.

(2) That the application cannot be considered unless the applicant provides the city with evidence concerning each of the matters set out in Chapter 53 of the Texas Occupations Code within 30 days of the date of the notice. The applicant shall be informed that such evidence shall be in the form of sworn affidavits or declarations under penalty of perjury which must state that the affiant or declarant has personal knowledge of the facts set forth in the affidavit or declaration and state the basis of that personal knowledge, except where Chapter 53 of the Texas Occupations Code specifies that certain letters of recommendation shall be considered. If the applicant does not provide the city with the information required in the notice within 30 days of the date of the notice, the application shall be rejected for failure to complete the application process; provided, however, applicants for taxicab permits shall provide the director of the department of administration and regulatory affairs with the information required in the notice at least ten days prior to the date on which the hearing is to be held on the request for the permit.

If the applicant provides the city with evidence as specified above, the applicant shall be given notice that a hearing will be held on his application. Such notice shall specify the date, time and place that the hearing will be held.

(b) If the city desires to revoke or suspend a permit or license on the grounds that the permittee or licensee has been convicted of, or has received deferred adjudication for, a criminal offense, the city shall give the applicant written notice informing him of the following matters:

(1) That the city is seeking to revoke or suspend his license or permit on the grounds of a criminal conviction or convictions or deferred adjudication.

(2) The specific conviction or convictions or deferred adjudication upon which the city intends to rely in seeking revocation or suspension of the permit or license.

(3) That a hearing will be held on the city's request for revocation or suspension of the permit or license and the date, time and place of the hearing.

(4) That he may appear at the hearing, give testimony and examine witnesses.

(5) That the licensee or permittee shall have the burden to present evidence concerning each of the matters set out in Chapter 53 of the Texas Occupations Code.

(c) All hearings held in connection with the denial of an application or revocation or suspension of a permit or license to engage in a trade, occupation, profession, vocation or business, shall be conducted by the director of the department which issues such permits or licenses, or a person designated by the director to conduct such hearings; provided, however, all hearings on licenses or permits issued by any board whose members are

appointed by the mayor shall be conducted by the board which issues the license or permit.

All such hearings shall be conducted under rules consistent with the nature of the proceedings.

If the hearing is on an application for an initial license or permit or an application to renew a license or permit, and the applicant fails to appear at the hearing, the application shall be rejected and the permit or license denied on the basis of the applicant's failure to appear.

If the hearing is on a request by the city to revoke or suspend a permit or license on the grounds that the licensee or permittee has been convicted of a criminal offense or has received deferred adjudication and the applicant does not appear, the city shall introduce sufficient evidence to establish a prima facie case showing grounds for revocation.

If the hearing official finds that the applicant, permittee or licensee was convicted of, or has received deferred adjudication for, an offense that is grounds for denial, revocation or suspension of the license or permit under the ordinances of the city, the hearing official shall deny, revoke or suspend the license or permit unless he finds that the license or permit should be granted pursuant to Chapter 53 of the Texas Occupations Code.

The hearing official shall give written notice to the applicant, licensee or permittee of his findings as to whether the license or permit should or should not be denied, revoked or suspended, and the reasons therefor.

If the hearing official finds that the permit or license should be denied, revoked, or suspended on the basis of one or more criminal convictions or deferred adjudication, he shall also inform the applicant, permittee or licensee of his right to file an action in the district court in Harris County for review of the evidence presented to the licensing authority and its decision within 30 days after the date the decision was rendered by the hearing official. The manner of review for such decision shall be under the substantial evidence rule.

(d) There shall be no appeal to city council from the decision of a hearing official on the denial, revocation or suspension of a permit or license on the grounds of a criminal conviction.

(e) All notices required under this section shall be given by hand delivery or sent by certified mail, return receipt requested, to the applicant, licensee or permittee at the address set out in his application; provided, however, that the notice required in subsection 1-9(a) may be served by regular first class mail.

(f) Proceedings relating to licenses and permits issued under article III of chapter 8 of this Code shall additionally be governed by the procedures established therein. To the extent of any conflict, the provisions of chapter 8 shall control over this section.

(g) Proceedings relating to permits issued under article XIV of chapter 28 of this Code shall additionally be governed by the procedures established in this section. Applicants for permits under article XIV of chapter 28 of this Code who are denied such permit on the basis of one or more criminal convictions shall be considered applicants for purpose of this section, and those receiving registration under article XIV of chapter 28 of this Code later found subject to revocation of that permit on the basis of one or more criminal convictions for themselves or their employee(s) shall be considered licensees/permittees for purposes of this section.

(Code 1968, § 1-11; Ord. No. 82-303, § 1, 2-23-82; Ord. No. 97-129, § 2, 1-29-97; Ord. No. 2011-1012, § 2, 11-30-2011, eff. 1-1-2012; Ord. No. 2013-674, §§ 2, 3, 7-24-2013; Ord. No. 2013-

1159, §§ 12—15, 12-11-2013; Ord. No. 2014-482, § 21, 5-28-2014; Memorandum of 11-30-2015; Ord. No. 2018-225, § 3, 3-22-2018)

Sec. 1-10. Same—Specific permits, licenses, and registrations.

(a) Except as provided in item (2) of this subsection pertaining to wrecker driver licenses, the licenses and permits enumerated in this subsection shall be denied if the applicant:

(i) has been convicted of any of the enumerated offenses within the seven-year period immediately preceding the date of the filing of the application or has spent time in jail or prison during the seven-year period immediately preceding the date of filing of the application for such a conviction, or

(ii) is subject to deferred adjudication in connection with any of the enumerated offenses and has not completed the period of supervision, or completed the period of supervision less than five years before the date of the application, pursuant to § 53.021 of the Texas Occupations Code.

As to the wrecker driver license listed in item (2) of this subsection, the seven-year limitation shall not apply to any felony conviction for any sexual offense or offense involving violence, including, but not limited to, murder.

Additionally, the following licenses and permits shall be subject to denial, revocation, or refusal for renewal, as applicable, if the licensee or permittee has been convicted of any of the designated offenses since the application was filed. Provided, however, no such license or permit shall be denied, revoked, or refused for renewal if the conviction was set aside as invalid or if it is found that the license or permit should not be denied, revoked, or refused for renewal under Chapter 53 of the Texas Occupations Code:

(1) All licenses issued pursuant to article II of chapter 8 of this Code:

a. Any violation of the ordinances or statutes regulating the sale, trade, servicing, storage, handling, dismantling, or destruction of any motor vehicle or motor vehicle parts, accessories, or supplies.

b. Any violation of the ordinances or statutes regulating the business of selling, trading, storing, dismantling or destruction of motor vehicles or motor vehicle parts, accessories, or supplies.

c. Any offense involving forgery, fraud, misrepresentation, bribery, or perjury.

d. Any offense involving theft, criminal mischief, robbery, or burglary.

e. Any offense involving violence to any person except for conduct that is classified as no greater than a Class C misdemeanor under the laws of Texas.

f. Any felony conviction for any violation of any state or federal laws regulating firearms.

g. For salesman licenses, in addition to the offenses listed in this subparagraph, any offense involving rape, sexual abuse, sexual assault, enticing of a child, rape of a child, sexual abuse of a child, indecency with a child, solicitation of a minor, public lewdness, or indecent exposure.

The above listed offenses shall be grounds for denial, revocation, or refusal for renewal of the licenses issued pursuant to article II of chapter 8 as all licenses issued under that article allow persons to engage in businesses connected with the sale, trade, servicing, storage, handling, dismantling, or destruction of motor vehicles or motor vehicle parts, accessories or supplies and city council finds that persons engaged in such businesses have contact with the public or have special opportunities to engage in the offenses listed above due to the nature of the businesses and the lack of relevant technical knowledge on the part of many of those persons who deal with such businesses.

(2) Wrecker driver licenses issued pursuant to subdivision B of division 2 of article III of chapter 8 of this Code:

a. Any violation of the ordinances or statutes regulating the sale, trade, servicing, storage, towing, handling, dismantling, or destruction of any motor vehicle or motor vehicle parts, accessories, or supplies.

b. Any offense involving forgery, fraud, misrepresentation, bribery, or perjury.

c. Any offense involving theft, criminal mischief, robbery, or burglary.

d. Any offense involving violence to any person except for conduct that is classified as no greater than a Class C misdemeanor under the laws of Texas.

e. Any felony conviction for any violation of any state or federal laws regulating firearms.

f. Any offense involving the theft or unauthorized use of a motor vehicle or burglary of a motor vehicle.

g. Any offense involving prostitution or the promotion of prostitution.

h. Any offense involving rape, sexual abuse, sexual assault, enticing of a child, rape of a child, sexual abuse of a child, indecency with a child, solicitation of a minor, public lewdness, or indecent exposure.

i. Any offense involving misdemeanor or felony possession or delivery of drugs.

j. Four or more moving violations of the traffic laws of this state or any other state, each of which arises from a separate incident, occurring within any 12-month period during the three years immediately preceding the application for a license or of the notice of a hearing for revocation of a license.

k. Any offense involving driving a motor vehicle while intoxicated, whether under the influence of alcohol or drugs, or both.

The above listed offenses shall be grounds for denial, revocation, or refusal for renewal of a wrecker driver license issued pursuant to subdivision B of division 2 of article III of chapter 8 as that license allows persons to engage in an occupation in which there is a high degree of danger to the public through the involuntary towing and storage of automobiles, and city council finds that such activities involve substantial contact with the public including contact with persons whose vehicles may have become disabled at all hours of day and night and in remote locations. This occupation also affords special opportunities for theft and fraud. Therefore, there is a serious need to protect the public from the types of criminal conduct represented by such offenses.

Provided, however, no such license or permit shall be denied, revoked or refused for renewal if any conviction was set aside as invalid or if it is found that the license should not be revoked, denied or refused for renewal under chapter 53 of the Texas Occupations Code.

Additional provisions relating to the revocation, suspension, and refusal to renew wrecker driver licenses are established in article III of chapter 8 of this Code. The applicable provisions of chapter 8 are cumulative of the provisions of this section and shall also constitute grounds for the revocation, suspension or refusal to renew a wrecker driver license.

(3) Licenses issued pursuant to 5-163 of this Code authorizing a person to operate, use or maintain a game room or any room or place where persons are permitted to play at any game of dominoes, cards or other games, as described in section 5-162(b) of this Code:

a. Gambling, gambling promotion, keeping a gambling place, communicating gambling information, possession of gambling devices or equipment, or possession of gambling

paraphernalia as described in Chapter 47 of the Texas Penal Code;

b. Forgery, credit card abuse or commercial bribery as described in Chapter 32 of the Texas Penal Code;

c. A criminal offense as described in Chapter 34 of the Texas Penal Code;

d. Criminal attempt, conspiracy or solicitation to commit any of the foregoing offenses; or any other offense to the laws of another state or of the United States that, if committed in this state, would have been punishable as one or more of the aforementioned offenses; or

e. A criminal offense as described in Chapter 352, Subchapter B of the Texas Local Government Code; and

[1] Less than two years have elapsed since the date of conviction or the date of release from confinement imposed for the conviction, whichever is the later date if the conviction is of a misdemeanor offense; or

[2] Less than five years have elapsed since the date of conviction or the date of release from confinement for the conviction, whichever is the later date, if the conviction is of a felony offense.

Offenses involving gambling and the possession of gambling paraphernalia shall be grounds for denial, revocation or refusal for renewal of such licenses because these businesses offer special opportunities for gambling activities.

(4) Licenses issued pursuant to the Fire Code of the city:

a. All permits relating to explosives as required under the Fire Code: any offense involving arson or intoxication.

b. All permits relating to flammable liquids as required the Fire Code: any offense involving arson or intoxication.

c. All permits for a public fireworks display as required under the Fire Code: any offense involving arson or intoxication.

d. All permits for open burning as required under the Fire Code: all offenses involving arson. The above listed offenses shall be grounds for denial, revocation, or refusal for renewal of the above listed Fire Code permits as city council finds that these permits authorize persons to handle substances that can cause substantial injury to persons or destruction of property through the willful or careless action of the permittee.

(5) Licenses issued to crafted precious metals dealers pursuant to Chapter 7 of this Code:

a. Any violation of the ordinances or statutes regulating the purchase or sale of crafted precious metals.

b. Any offense involving fraud or misrepresentation.

c. Any offense involving theft, robbery, or burglary.

d. Any offense involving forgery.

e. Any offense involving a false report to a peace officer, federal special investigator or law enforcement employee as described in Chapter 37 of the Texas Penal Code.

f. Any offense involving tampering with or fabricating physical evidence as described in Chapter 37 of the Texas Penal Code.

g. Any offense involving tampering with a governmental record as described in Chapter 37 of the Texas Penal Code.

The above listed offenses shall be grounds for denial or revocation of, or refusal to renew a precious metals dealer's license issued pursuant to Chapter 7, Article IV, because the license allows persons to engage in a business in which there is a high degree of opportunity for unlawful practices relating to the crafted precious metals trade. The precious metals business also affords special opportunities for theft, fraud, and false reporting. Therefore, there is a serious need to protect the public from the types of criminal conduct represented by these offenses.

(6) Reserved.

(b) The authorizations enumerated in this subsection shall be denied if the applicant has been convicted of any of the designated offenses within the five-year period immediately preceding the date of the filing of the application or has spent time in jail or prison during the five-year period immediately preceding the date of the filing of the application for such a conviction. Additionally the following authorizations shall be subject to denial, revocation, or refusal for renewal, as applicable, if the holder has been convicted of any of the designated offenses since the application was filed. Provided however, no such authorization shall be denied, revoked or refused for renewal if the conviction was set aside as invalid or if it is found that the authorization should not be denied, revoked or refused for renewal under chapter 53 of the Texas Occupations Code:

(1) Authorizations for private storage lots issued pursuant to chapter 8, article III, division 3 of this Code:

a. Any offense involving fraud or theft;

b. Any offense involving the unauthorized use of a motor vehicle;

c. Any offense involving forgery;

d. Any violation of state or federal laws regulating firearms;

e. Any offense involving violence to any person except for conduct that is classified as no greater than a Class C misdemeanor under the laws of the state;

f. Any offense involving the possession, use of or sale of drugs except for conduct that is classified as no greater than a Class C misdemeanor under the laws of this state;

g. Any offense involving prostitution or the promotion of prostitution;

h. Any offense involving rape, sexual abuse, sexual assault, rape of a child, sexual abuse of a child or indecency with a child; or

i. Any violation of state laws relating to the operation of motor vehicle storage lots.

The above listed offenses shall be grounds for the denial, revocation or nonrenewal of authorizations issued under division 3, article III of chapter 8, as enumerated, because the authorizations thereunder allow persons to engage in businesses and occupations in which there is a high degree of danger to the public through the voluntary or involuntary storage of automobiles. Such activities involve substantial contact with the public including contact with persons whose vehicles have become disabled at all hours of day and night. These businesses also afford special opportunities for theft and fraud. Therefore, there is a serious need to protect the public from the types of criminal conduct represented by such offenses.

(2) Permits for sexually oriented business enterprise entertainers and managers issued pursuant to article VIII of chapter 28 of this Code:

a. Any of the following offenses as described in chapter 43 of the Texas Penal Code:

(i) Prostitution;

(ii) Promotion of prostitution;

(iii) Aggravated promotion of prostitution;

(iv) Compelling prostitution;

(v) Obscenity;

(vi) Sale, distribution or display of harmful material to a minor;

(vii) Sexual performance by a child;

(viii) Employment harmful to children; or

(ix) Possession or promotion of child pornography;

b. Any of the following offenses as described in chapter 21 of the Texas Penal Code:

(i) Public lewdness;

(ii) Indecent exposure; or

(iii) Indecency with a child;

c. Sexual assault or aggravated sexual assault as described in chapter 22 of the Texas Penal Code;

d. Harboring a runaway child as described in chapter 25 of the Texas Penal Code;

e. Criminal attempt, conspiracy or solicitation to commit any of the above offenses; or

f. Any violation of article VIII of chapter 28 of this Code.

The above-listed offenses shall be grounds for the denial, revocation or refusal for renewal of a permit under article VIII of chapter 28 of this Code because persons who hold that permit are employed by sexually oriented businesses where there is a high degree of opportunity for unlawful sexual conduct or the solicitation thereof, lewd conduct, obscenity offenses, and conduct harmful to minors. Therefore, the enumerated offenses are directly related to the duties and responsibilities authorized by the subject permit. There is a serious need to protect members of the public and fellow employees of sexually oriented business enterprises from persons who have the foregoing criminal histories.

(3) All certificates, licenses, permits, registrations, and other authorizations issued pursuant to chapter 47, article XI of this Code:

a. Any offense involving violation of federal, state and local litter, special waste and hazardous waste laws including, without limitation, those relating to permitting of transporters and biological pretreatment.

b. Any offense involving fraud or misrepresentation.

c. Any offense involving forgery.

The above listed offenses shall be grounds for the denial, revocation or refusal to renew certificates, licenses, permits, registrations and other authorizations pursuant to chapter 47, article XI of this Code because the holders thereof engage in activities where there is a high degree of opportunity for the unlawful handling or disposition of waste materials or the alteration or fabrication of records relating thereto.

(4) Permits for valet parking services issued pursuant to chapter 26, article VII, division 2 of this Code:

a. Any offense involving burglary, fraud or theft;

b. Any offense involving the unauthorized use of a motor vehicle;

c. Any offense involving forgery;

d. Any violation of state or federal laws regulating firearms;

e. Any offense involving violence to any person except for conduct that is classified as no greater than a Class C misdemeanor under the laws of the state;

f. Any offense involving the possession, use of or sale of drugs except for conduct that is classified as no greater than a Class C misdemeanor under the laws of this state;

g. Any violation of state laws relating to the operation of motor vehicle storage lots.

h. Any offense involving driving a motor vehicle while intoxicated, whether under the influence of alcohol or drugs, or both.

The above listed offenses shall be grounds for the denial, revocation or nonrenewal of permits issued under division 2 of article VII of chapter 26, as enumerated, because the authorizations thereunder allow persons to engage in businesses and occupations in which there is a high degree of danger to the public through the operation of automobiles. Such activities involve substantial contact with the public, including assuming possession of automobiles owned by members of the public. These businesses also afford special opportunities for theft and fraud. Therefore, there is a serious need to protect the public from the types of criminal conduct represented by such offenses.

(5) Permits for vehicle immobilization services issued pursuant to chapter 26, article X, division 2 of this Code:

a. Any offense involving burglary, fraud or theft;

b. Any offense involving the unauthorized use of a motor vehicle;

c. Any offense involving forgery;

d. Any violation of state or federal laws regulating firearms;

e. Any offense involving violence to any person except for conduct that is classified as no greater than a Class C misdemeanor under the laws of the state;

f. Any offense involving the possession, use of or sale of drugs except for conduct that is classified as no greater than a Class C misdemeanor under the laws of this state;

g. Any violation of state laws relating to the operation of motor vehicle storage lots; and

h. Any offense involving driving a motor vehicle while intoxicated, whether under the influence of alcohol or drugs, or both.

The above listed offenses shall be grounds for the denial, revocation or nonrenewal of permits issued under division 2, article X of chapter 26 of this Code, as enumerated, because the authorizations thereunder allow persons to engage in businesses and occupations in which there is a high degree of danger to the public through the immobilization of automobiles. Such activities involve substantial contact with the public, including contact with persons whose vehicles may be rendered inoperable by an immobilization device at all hours of the day and night. These businesses also afford special opportunities for theft and fraud. Therefore, there is a serious need to protect the public from the types of criminal conduct represented by such offenses.

(6) Permits for boarding homes and boarding home operators issued pursuant to chapter 28, article XIV of this Code:

a. Any offense involving fraud or theft;

b. Any offense involving forgery;

c. Any violation of state or federal laws regulating firearms;

d. Any offense involving the possession, use of or sale of drugs except for conduct that is classified as no greater than a Class C misdemeanor under the laws of this state;

e. Any offense involving prostitution or the promotion of prostitution;

f. Any offense involving rape, sexual abuse, sexual assault, rape of a child, sexual abuse of a child or indecency with a child;

g. Any other felony offense listed under Title 5 to the Texas Penal Code.

The above listed offenses shall be grounds for the denial, revocation or nonrenewal of authorizations issued under article XIV of chapter 28, as enumerated, because the authorizations thereunder allow persons to engage in businesses and occupations in which there is a high degree of danger to the elderly, the disabled, and members of the general public through the operation of boarding homes. Such activities involve the operation of boarding homes and providing direct personal assistance and services in a closed facility to disabled and elderly individuals who cannot fend for themselves; such assistance and services include lodging, meal preparation, light housework, transportation, grocery shopping, money management, and assistance with self-administration of medication. Providing these services affords special opportunities for theft, fraud, personal and sexual abuse, assault, transportation related offenses and injuries, misuse and theft of drugs, assault with a deadly weapon, and other crimes traditionally committed against the infirm and the defenseless. Therefore, there is a serious need to protect the individuals housed in these facilities and members of the general public from the types of criminal conduct represented by such offenses.

(7) Licenses issued for dance halls pursuant to chapter 5, article III, of this Code:

a. Any offense involving fraud or misrepresentation;

b. Any offense involving bribery or perjury;

c. Any offense involving violence to any person except for conduct that is classified as no greater than a class C misdemeanor under the laws of Texas;

d. Any felony conviction for any violation of any state or federal laws regulating firearms;

e. Any violation of the Texas liquor laws;

f. Any offense involving prostitution or aiding, abetting, or promotion of prostitution; or

g. Any violation of the Texas Controlled Substances Act or other state or federal law regulating drugs that permits punishment of confinement for one year or more upon conviction for such violation.

The above listed offenses shall be grounds for denial, revocation or refusal for renewal of dance hall licenses issued pursuant to article III, chapter 5 of this Code, as licenses authorized thereunder allow persons to engage in businesses and occupations in which there is a high degree of personal contact with and danger to the public and a serious need to protect the members of the public patronizing dance halls from the type of criminal conduct represented by such offenses.

(8) Occupational licenses or permits issued to, or in connection with, the following businesses or occupations:

TYPE OF PERMIT	*CODE REFERENCE**
Ambulance Permits	4-1 thru 4-19
Antique Dealers, Precious Metals Dealers, Resale Media & Clothing Dealers	7-16 thru 7-50

Wholesale Auto Jobber & Supply Dealer	8-16, 8-51, et seq.
*** All references are to the numbered sections of the City's Code of Ordinances unless otherwise specified.**	

a. A conviction of either criminal offense defined in the Texas Pay Day Act, Texas Labor Code, Section 61.019; or

b. A conviction of the criminal offense of theft of service defined in Texas Penal Code, Section 31.04(a)(4).

For purposes of this item, conviction means that a final adjudication of guilt relating to a criminal offense described in this item has been entered that has not been satisfied and for which no further appeal is available; the conviction shall be grounds for the denial, revocation or nonrenewal of any occupational license or permit issued to any business or occupation described in this item for a period of five years following the date of such conviction.

(9) Licenses issued to metal recyclers pursuant to article III of chapter 7 of this Code: Any misdemeanor offense greater than a Class C misdemeanor offense under the laws of this state involving:

a. Arson, criminal mischief, or other property damage or destruction;

b. Burglary or criminal trespass;

c. Theft;

d. Fraud;

e. Bribery or corrupt influence;

f. Perjury or other falsification;

g. Any violation of section 1956.038 or 1956.040 of the Texas Occupations Code, as may be amended from time to time; and

h. A prohibited weapon or explosive weapon; and

i. A component of explosives.

(10) Permits issued for BYOB establishments pursuant to chapter 28, article XXII, of this Code:

a. Any offense involving fraud or misrepresentation;

b. Any offense involving bribery or perjury;

c. Any offense involving violence to any person except for conduct that is classified as no greater than a class C misdemeanor under the laws of Texas;

d. Any felony conviction for any violation of any state or federal laws regulating firearms;

e. Any violation of the Texas liquor laws;

f. Any offense involving prostitution or aiding, abetting, or promotion of prostitution; or

g. Any violation of the Texas Controlled Substances Act or other state or federal law regulating drugs that permits punishment of confinement for one year or more upon conviction for such violation.

The above listed offenses shall be grounds for denial, revocation, or refusal for renewal of BYOB establishment permits issued pursuant to article XXII, chapter 28 of this Code, as permits authorized thereunder allow persons to engage in businesses and occupations in which there is a high degree of personal contact with and danger to the public and a serious need to protect the members of the public patronizing BYOB establishments from the type of criminal conduct represented by such offenses.

(c) The permits, certificates of registration, and licenses enumerated in this subsection shall be denied if the applicant (i) has been convicted of any of the designated offenses within the ten-year period immediately preceding the date of the filing of the application or has spent time in jail or prison during the ten-year period immediately preceding the date of filing of the application for such a conviction, or (ii) is subject to deferred adjudication in connection with any of the above offenses. Additionally, the following permits, certificates of registration, and licenses shall be subject to denial, revocation, or refusal for renewal, as applicable, if the permittee, registrant, or licensee has been convicted of any of the designated offenses since the application was filed. Provided, however, no such permit, certificate of registration, or license shall be denied, revoked, or refused for renewal if the conviction was set aside as invalid or if it is found that the license or permit should not be denied, revoked or refused for renewal under chapter 53 of the Texas Occupations Code:

(1) SGT licenses issued pursuant to section 9-58 of this Code and permits, certificates of registration, and licenses issued pursuant to chapter 46 of this Code:

a. Any offense involving fraud or theft;

b. Any offense involving forgery;

c. Any offense involving the unauthorized use of a motor vehicle;

d. Any violation of state or federal laws regulating firearms;

e. Any offense involving violence to any person except for conduct that is classified as no greater than a Class C misdemeanor under the laws of Texas;

f. Any offense involving prostitution or the promotion of prostitution;

g. Any offense involving rape, sexual abuse, sexual assault, rape of a child, sexual abuse of a child, indecency with a child, or resulting in designation of the individual as a "registered sex offender" by any state or by the federal government;

h. Any offense involving the use of or sale of drugs;

In addition to the offenses listed above, the following shall apply to SGT licenses issued pursuant to section 9-58 of this Code and licenses issued pursuant to Chapter 46 of this Code:

i. Three or more moving violations of the traffic laws of this state or any other state if such violations occurred within the two years immediately preceding the application for or renewal of a license or of the notice of a hearing for revocation of a license;

j. Any offense involving driving a motor vehicle while intoxicated, whether under the influence of alcohol or drugs, or both.

The above listed offenses shall be grounds for denial, revocation or refusal for renewal of the above referenced permits, certificates of registration, and licenses as they allow persons to engage in businesses and occupations in which there is a high degree of personal contact with and danger to the public and a serious need to protect the members of the public utilizing public transportation services from the type of criminal conduct represented by such offenses.

(2) Licenses issued for metal recyclers pursuant to Chapter 7, Article III of this Code:

a. Any felony offense involving arson, criminal mischief, or other property damage or destruction;

b. Any felony offense involving burglary or criminal trespass;

c. Any felony offense involving theft;

d. Any felony offense involving;

e. Any felony offense involving bribery or corrupt influence;

f. Any felony offense involving perjury or other falsification;

g. Any felony offense involving any violation of section 1956.038 or 1956.040 of the Texas Occupations Code, as may be amended from time to time;

h. Any felony offense involving a prohibited weapon or explosive weapon;

i. Any felony offense involving any component of explosives;

j. Any sexually violent offense as defined by the Texas Code of Criminal Procedure, Article 62.001; and

k. Any offense listed in the Texas Code of Criminal Procedure, Article 42.12, section 3(g).

The above listed offenses shall be grounds for the denial or revocation of a license issued under article III of chapter 7 of this Code because persons who hold such a license are allowed to engage in a business in which there is a high degree of opportunity for the unlawful sale or purchase of metal items or the alteration or fabrication of records relating to the sale or purchase of metal items. Therefore, there is a serious need to protect the public from the types of criminal conduct represented by these offenses.

(d) This section shall not limit the right of the city to deny, revoke or refuse to renew any license or permit on any grounds set out in the ordinance relating to such license or permit except insofar as such license or permit is denied or revoked on the basis of a criminal conviction. (Ord. No. 85-2121, §§ 2, 3, 12-10-85; Ord. No. 90-14, § 6, 1-10-90; Ord. No. 90-253, § 1, 2-28-90; Ord. No. 92-1093, § 26, 8-12-92; Ord. No. 95-613, § 2, 6-14-95; Ord. No. 97-75, § 5, 1-15-97; Ord. No. 97-196, § 2, 2-19-97; Ord. No. 99-1331, § 2, 12-15-99; Ord. No. 00-960, § 1, 11-1-00; Ord. No. 01-1079, § 2, 12-5-01; Ord. No. 03-703, § 4, 7-30-03; Ord. No. 03-1046, § 1, 11-12-03; Ord. No. 03-1319, § 2, 12-23-03; Ord. No. 03-1324, § 1, 12-23-03; Ord. No. 05-116, §§ 2, 3, 2-9-05; Ord. No. 07-227, §§ 12, 13, 14, 2-14-07; Ord. No. 07-1111, § 3, 10-3-07; Ord. No. 08-847, § 4, 9-24-08; Ord. No. 2010-834, §§ 2—4, 10-27-2010; Ord. No. 2011-489, § 2, 6-22-2011; Ord. No. 2013-111, § 19, 2-6-2013; Ord. No. 2013-157, §§ 2, 3, 2-20-2012; Ord. No. 2013-613, § 3, 6-19-2013; Ord. No. 2013-674, §§ 4, 5, 7-24-2013; Ord. No. 2013-1081, § 2, 11-20-2013; Ord. No. 2013-1159, §§ 16, 17, 12-11-2013; Ord. No. 2014-482, § 22, 5-28-2014; Ord. No. 2014-674, § 2, 6-25-2014; Ord. No. 2014-754, §§ 3, 4, 8-6-2014; Ord. No. 2016-964, §§ 7—9, 12-7-2016; Ord. No. 2018-225, § 4, 3-22-2018; Ord. No. 2018-645, § 2, 8-15-2018; Ord. No. 2019-669, § 52, 9-4-2019; Ord. No. 2021-1037, § 20(Exh. I.4, 12-1-2021, eff. 4-1-2022; Ord. No. 2023-376, § 2, 5-24-2023)

Sec. 1-11. Declaration for permits, licenses, etc.

(a) A license, permit or certificate issued pursuant to any code or ordinance of the city shall not be issued unless the applicant submits with the application the following declaration, pursuant to Texas Civil Practice and Remedies Code section 132.001:

My name is _____ (first, middle, and last name), my date of birth is

_____, and my address is _____ (street, city, state, zip code) and _____ (country).

I have personal knowledge of the statements made in the application. None of the statements are misleading or false. I acknowledge that issuance of the license, permit or certificate does not excuse or approve any violation of deed restrictions or city, state, or federal laws or regulations. To the extent that this declaration is made on behalf of a corporation or any other legal entity or persons, I certify that I have fully advised them of the contents of the application and this declaration and that I am authorized to execute this declaration.

I declare under penalty of perjury that the foregoing is true and correct.

Executed in _____ County, State of _____, on the ____ day of _____, (month), _____, (year).

/s/ _____
Declarant

(b) Each city permit, license or certificate shall include the following statement in a conspicuous place:

> The issuance of this permit, license or certificate does not constitute approval by the City of Houston for the violation of any deed restriction, or any city, state and federal laws, regulations, or ordinances. Each holder and other person acting under the authority of this permit, license or certificate is personally responsible for complying with deed restrictions and city, state and federal laws relating to the activity contemplated by this permit, license or certificate.

(c) The provisions of this section are applicable to original applications and renewal applications for permits, licenses and certificates.

(Ord. No. 89-714, § 1, 5-17-89; Ord. No. 94-1268, § 4, 11-22-94; Ord. No. 05-91, § 1, 1-25-05; Ord. No. 2013-794, § 2, 9-11-2013; Ord. No. 2015-160, §§ 2, 3, 2-18-2015)

Editor's note—Ord. No. 2015-160, adopted February 18, 2015, amended the title of § 1-11 to read as herein set out. Formerly said section was entitled "Affidavit for permits, licenses, etc."

Sec. 1-12. Late renewals of permits.

(a) In this section the following words shall have the meanings ascribed to them in this subsection unless the context of their usage clearly indicates another meaning:

Director means the department director of the city department that is responsible for the processing of the renewal of a permit.

Permit means a license, certificate, approval, registration, consent, permit or any other form of authorization required by law, regulation or ordinance for the operation of any business activity that is issued by any department of the city.

(b) Notwithstanding any other provision of law, a director shall accept and process a late filed application for the renewal of a permit if the application is filed or tendered for filing within the 30 day period following the last day otherwise authorized by law for filing of the renewal application and if the applicant demonstrates that the failure to timely file was based upon an error or misunderstanding and was not the result of a conscious indifference to the requirements for renewal.

(c) The provisions of this section shall not be construed to excuse compliance with any applicable requirement other than the filing date for a permit renewal, and the applicant shall be required to demonstrate compliance with all other requirements for renewal of the permit. A permit renewal issued under this section shall not be retroactive for the conduct of any business activity during the period of any lapse prior to the issuance of the renewal, and

this section shall not be construed to excuse the conduct of any business activity without a current and valid permit.

(d) The refusal of a director to accept or process the filing of a late filed permit renewal application under this section shall be subject to appeal in the same manner provided by the law governing issuance of the permit.

(e) The provisions of this section shall not apply in any instance where the late filing or processing of the permit is prohibited by a state or federal law or regulation that supersedes the operation of this section.

(f) To the extent that any law regarding the issuance of a permit conditions the issuance of the permit upon the existence or nonexistence of another permit for a premises conducting the same or another activity within a specified proximity, a lapsed permit shall be considered to still exist during the grace period authorized under this section and until the resolution of any late renewal application that is filed under this section for the limited purpose of determining the existence of other permit holders in the processing of any application for an original permit.
(Ord. No. 95-868, § 1, 8-9-95)

Sec. 1-13. Annual fee increase.

(a) The fees to which this section applies shall be adjusted according to this provision and automatically increased on the first day of January 2012, and on January 1 of each subsequent calendar year, by a percentage equal to the percentage increase shown in the most recent available 12 month Consumers Price Index, if any, over the previous one year period ("the CPI Adjustment"). If there is a decrease in the CPI Adjustment, or if there is no increase in any period measured by the CPI Adjustment, the fees then existing shall remain unchanged.

(b) For purposes of this section only, the following terms shall have the meanings set forth in this subsection unless the context or other language clearly provides to the contrary:

Contract fee means a fee set forth in and agreed upon by the city in a written contract to which the city is a party and which makes no reference to any provision of the Code.

Franchise fee means a fee charged to be paid to the city by a utility, telecommunications, gas or other public or private utility provider for the privilege of using, occupying or maintaining facilities or infrastructure within a public street or right-of-way or other city property, whether such obligation to pay arises from a contract or state or other law.

License fee means a fee paid to the city for the issuance of a written record authorizing the holder thereof to engage in an occupation, trade, business or other activity or in an activity otherwise unlawful.

Parking fee means a fee paid to the city to park a vehicle in a city-owned parking lot, garage or other structure devoted to such use.

Parking meter fee means a fee paid to the city to park in any portion of a public street in the city designated and marked for the on-street parking of vehicles.

Permit fee means a fee paid to the city to obtain a written record authorizing the holder thereof to engage in an activity, action, event, or other conduct, whether commercial or otherwise, regulated by the city and otherwise unlawful.

Service fee means a fee paid to the city for the provision of a service provided to a person by the city.

User fee means a fee paid to the city for the use of a city-owned or controlled facility, structure, recreational or other area or for the use of a transportation or other facility or service provided by the city.

(c) Except for the fees excluded by the following subsection, all fees set forth in this Code, and whether made by motion of the city council or by a director acting pursuant to authorization granted by the city council, shall be adjusted according to the procedures set forth in this section. Where a fee subject to this section is established within a range, each end of the range of such fee shall be subject to this provision. Where a maximum fee is established in this Code, the maximum shall also be subject to adjustment under this section.

(d) This section shall not apply to the following fees:

(1) Any fee subject to other automatic increase provisions or to other limitations or provisions in this Code or other applicable law, including but not limited to water, sewer, drainage, or similar fees.

(2) Contract fees;

(3) Franchise fees; and

(4) User fees.

(e) For new fees or fee adjustments that become effective on a date other than January 1, the next following January 1 increase will be prorated so that the increase will be for the amount of increase in the CPI that has occurred between the fee effective date and that January 1.

(f) Proposal for new fees will be prepared by the department director and forwarded to the director of finance for review prior to being presented to city council for approval.

(g) The director of finance is authorized to promulgate rules regarding rounding of fee amounts, the treatment of applicable sales taxes and other similar issues.
(Ord. No. 2010-1016, § 3, 12-15-2010; Ord. No. 2011-1168, § 9, 12-14-2011)

Sec. 1-14. Administrative fee.

An administrative fee shall be collected from the applicant at the time of application for any license, permit or service for which the fee is greater than $50.00, in addition to the fee set out in this Code. The current fee is set forth by reference to this provision in the city fee schedule. In the case of a renewal for which no application is filed, the administrative fee shall nevertheless be collected prior to the granting of the renewal. The administrative fee shall be in addition to the fee for the permit, license or other service. The administrative fee shall be subject to the CPI Adjustment set out in section 1-13 of this Code. This section shall not apply to fees that are subject to other administrative fee provisions or to other limitations or provisions in this Code or other applicable law.
(Ord. No. 2010-1016, § 14, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 1-15. Conducting national criminal background checks.

(a) This section applies to the following licenses, permits or authorizations or renewals thereof:

(1) All licenses issued pursuant to article II of Chapter 8 of this Code except retail supply dealer licenses;

(2) Wrecker licenses issued pursuant to subdivision B of division 2 of article III of Chapter 8 of this Code;

(3) Licenses issued pursuant to 5-163 of this Code authorizing a person to operate, use or maintain a game room or any room or place where persons are permitted to play at any game of dominoes, cards, or other games as described in section 5-162(b) of this Code;

(4) Authorizations for private storage lots issued pursuant to Chapter 8, article III, division 3 of this Code;

(5) Permits for sexually oriented business enterprise entertainers and managers issued pursuant to article VIII of Chapter 28;

(6) Permits for valet parking services, issued pursuant to Chapter 26, article VII, division 2;

(7) Permits for vehicle immobilization services issued pursuant to Chapter 26, article X, division 2 of this Code;

(8) SGT licenses issued pursuant to section 9-58 of this Code and permits, certificates of registration, and licenses issued pursuant to Chapter 46 of this Code;

(9) Licenses for crafted precious metals dealers issued pursuant to article IV of Chapter 7 of this Code;

(10) Permits for boarding homes issued pursuant to article XIV of chapter 28 of this Code;

(11) Licenses issued for dance halls pursuant to chapter 5, article III, of this Code; or

(12) Licenses issued to metal recyclers pursuant to article III of Chapter 7 of this Code.

(13) Permits for BYOB establishments issued pursuant to chapter 28, article XXII of this Code.

(b) This section is enacted pursuant to §§ 411.122 and 411.087 of the Texas Government Code, which authorizes the city to obtain criminal history record information maintained or indexed by the Federal Bureau of Investigation ("FBI") through the Texas Department of Public Safety ("DPS").

(c) Each individual whose application for a license, permit or authorization or any renewal thereof is subject to subsection (a) shall be required to provide a complete set of fingerprints and other identifying information to the official designated by the permitting, licensing or authorizing department, along with any applicable fee and any release or waiver forms required in order for the official to conduct a national background check through the FBI.

(d) Upon receipt of the fingerprints and any applicable fee, the city is authorized to submit the fingerprints to the DPS for a search of the State's criminal history record, and the DPS is authorized to forward a set of the fingerprints to the FBI for a national criminal history check. The results of the FBI check will be returned to the DPS, which will disseminate the results of state and national criminal history checks to the city.

(e) The criminal history record information obtained through the FBI by the city will be used to determine compliance with section 1-10 of this Code.

(Ord. No. 2011-395, § 2, 6-1-2011; Ord. No. 2011-489, § 3, 6-22-2011; Ord. No. 2013-111, § 20, 2-6-2013; Ord. No. 2013-157, § 4, 2-20-2013; Ord. No. 2013-613, § 4, 6-19-2013; Ord. No. 2013-674, § 6, 7-24-2013; Ord. No. 2014-674, § 3, 6-25-2014; Ord. No. 2014-754, § 5, 8-6-2014; Ord. No. 2016-964, § 10, 12-7-2016; Ord. No. 2018-225, § 5, 3-22-2018; Ord. No. 2023-376, § 3, 5-24-2023)

Sec. 1-16. Non-substantive corrections to Code provisions or non-codified ordinances, resolutions or other records.

The city attorney is directed and authorized to direct the publisher to make necessary minor, non-substantive corrections to the provisions of this Code, including but not limited to, the misspelling of words, typographical errors, duplicate pages, incorrect references to state or federal laws, statutes, this Code, or other codes or similar legal or technical sources, and other similar amendments, without necessity of passage of a correction ordinance or other action of the city council. The city secretary shall, upon the written advice or recommendation of the city attorney and without the necessity of further council action, alter, amend or supplement any non-codified ordinance, resolution or other record filed in her office as necessary to effect similar non-substantive changes or revisions and ensure that such public records are correct, complete and accurate.

(Ord. No. 2011-797, § 2, 9-14-2011; Ord. No. 2013-112, § 2, 2-6-2013)

ARTICLE I. IN GENERAL

Sec. 2-1. Establishment and function of mayor and councilmember's office.

There is hereby created a department of the municipal government of the city to be known as "the mayor and councilmember's office." The function of such office is to provide executive, administrative and clerical assistants to the mayor and city council.
(Code 1968, § 2-1)

Sec. 2-2. Council rules of procedure.

The following rules of procedure shall govern all meetings and proceedings of the city council:

Rule 1. Meetings Generally.

a. The city council shall conduct its regular weekly meeting in two daily sessions commencing at 1:30 p.m. on Tuesday and at 9:00 a.m. on Wednesday, respectively, of each calendar week. Each session shall be conducted in the city council chamber unless another place in the City Hall is designated by the city council. The final non-consolidated Tuesday session of each month shall take place at 5:00 p.m. Meetings shall recess at the times provided in Rule 7 and shall be subject to recess at other times as provided in subsection c, below. No notice shall be required to be given to any member of any recessed meeting. In the event that Tuesday or Wednesday, or both, of any calendar week falls on a holiday observed by the closure of city offices, then the regular weekly meeting sessions shall be rescheduled or consolidated as determined by the city council. The city council may consolidate daily sessions or reschedule any weekly meeting or daily session thereof to other days and times in the same calendar week and may for valid reasons postpone any regular weekly meeting or daily session to another week.

b. All council members shall be notified of all special meetings of the council, which notice shall be given by the city secretary or some other duly authorized representative of the city. Such notice may be either written or verbal and may be served upon each party in person or through a representative at either a residence or place of business.

c. Any meetings may be recessed for short periods of time upon majority vote of the members present.

d. The description, caption or title of each item on the agenda shall be read by the city secretary (or designee) in the city council chamber beginning not earlier than 60 minutes before the scheduled commencement time of the city council meeting session at which the agenda will be considered. The council chamber shall be open to the public at all times during the reading of the agenda.

e. At the third city council meeting following the 15th day of each month, a report by the city administration and the city controller regarding the current financial status of the city including, but not limited to, a revenue, expenditure and encumbrance report for the general fund, all special revenue funds and all enterprise funds and a report on the status of bond funds is presented. The director of finance and the city controller shall be present to answer questions about their reports at the council meeting and shall be limited to a combined time of 30 minutes. The director of finance and the city controller shall endeavor to furnish their respective reports in written form to the city secretary in sufficient time preceding the council meeting session at which the reports will be formally presented in order that copies of the reports may be distributed to the city council members among the various city council meeting preparation materials with the agenda. When the scheduled presentation of the report would occur at a time that would make it difficult to provide the written report to city council prior to presentation, such as over holiday periods, the administration may postpone the presentation of the report to the following week, provided the director of finance and the city controller mutually agree to do so. Notwithstanding such changes to the schedule, the financial report shall be presented to city council 12 times each year.

Rule 2. Order of Business.

a. The order of business for the Tuesday session of the regular weekly meeting of the city council shall be:

1. Calling the roll and marking absences.
2. Adopting and, if necessary, correcting the minutes.
3. Presentations to the city council by persons, groups or organizations regarding matters of public interest. Presentations shall be scheduled by councilmembers through the office of the mayor pro tem. The mayor pro tem shall promulgate rules regarding scheduling. No more than three presentations, each not to exceed ten minutes, shall be scheduled for any council meeting. In the event that a quorum is not present at the scheduled time of commencement of the session, the presentations shall nevertheless proceed as scheduled by the mayor pro tem, provided that no business requiring official action of the city council shall commence until a quorum is present and the roll has been called.
4. Appearances by members of the public, which out of respect to the public, shall commence promptly at 2:00 p.m. as provided in Rule 8.
5. Reserved.

b. The order of business for the Wednesday session of the regular weekly meeting of the city council shall be:

1. Reading of the descriptions, captions or titles of the agenda items by the city secretary (to begin not earlier than 60 minutes before the scheduled commencement time of the session).
2. Hearings.
3. Monthly financial and operations report (when scheduled).
4. Mayor's report
5. Consent agenda.

6. Matters removed from consent agenda.
7. Matters held.
8. Matters presented by council members.

c. The agendas posted for each regular weekly meeting of the city council shall separately specify which items will be considered at each session (the Tuesday session and Wednesday session except where the meeting is rescheduled). Unfinished business from the first daily session in any calendar week's meeting shall not be carried over to the second daily session conducted that week.

Rule 3. Consent Agenda.

The mayor may submit all new items of business as a "consent agenda," which may contain one or more ordinances, resolutions or matters incorporated in a written motion as part of the regular agenda of matters to be considered by city council. The items on the consent agenda shall be grouped by category (e.g., miscellaneous; damages; accept work; property; purchasing and tabulation of bids; resolutions and ordinances; etc.). Each item on the consent agenda shall be separately identified and designated. No item may be considered as part of the consent agenda unless it has been publicly posted and submitted to council members at least 72 hours in advance of the scheduled time for the council meeting.

In the due order of business, the mayor shall announce that the consent agenda is to be considered and voted upon by the city council. Each category, or group, of items on the consent agenda will then be considered and voted upon by a separate motion made for each group. At any time during the council meeting, prior to the announcement of the vote on a group of items within the consent agenda, any council member may request the deletion of one or more items from consideration as part of that group of items. The making of such a request shall have the effect of removing the matter from the consent agenda without any further council action, and any matter so deleted may not thereafter be considered as an item on the consent agenda. In the event that any agenda item, whether or not on the consent agenda, is not ready for council action at the time it is reached on the agenda, that item shall be placed at the end of the agenda for action by council when all other agenda items have been considered; all publicly posted agendas shall so state.

Where the accomplishment of any specific matter on the city council agenda will require the adoption of more than one ordinance, resolution or motion, all relating to the accomplishment of that same specific matter, the city secretary shall endeavor to place the related items on the agenda in consecutive order. In such cases the first of the related items will be indicated by a number, and the subsequent related items will be indicated by the letter(s) a, b, c, etc. A request by any council member to remove any one of the items so grouped on the agenda shall be deemed to constitute a request to remove all of the items that are related to the accomplishment of the same specific matter. Where the city secretary has grouped similar but unrelated items for consideration on the agenda a request to remove one item shall not be deemed to extend to the other unrelated items.

Each item so deleted from the consent agenda shall be considered immediately after the council action on the entire consent agenda. In the event that more than one item is deleted from the consent agenda, each item shall be considered individually in the order in which it originally appeared on the agenda, unless a majority of members present vote to consider one or more items out of order.

All items so deleted by the request of a council member shall be subject to any other motion or action of council, including a "tag." Prior to the consideration of any group of items within the consent agenda, the city secretary shall announce, by item number, those items that have been eliminated from the consent agenda.

Only one vote shall be taken on all items within any category, or group, remaining on the consent agenda. However, the city secretary shall record such vote as the vote on each separate item within such category or group.

Rule 4. Tag Rule.

Whenever any motion other than a procedural motion, resolution or ordinance (including a motion to amend a proposed motion, resolution, or ordinance) is presented for the first time to the city council, a council member may 'tag' such matter for a period of one week when such action will not render the subject matter moot. If a council member is marked absent for an entire council session when a matter is considered for the first time, then that council member shall have the privilege of "tagging" the new matter for a period of one week at a subsequent council meeting, provided such new matter has not previously been finally approved by the city council. A matter that is postponed to a later time on the same calendar day is still subject to tag. Debate of an item or consideration or adoption of motions relating to an item shall not preclude its being subject to a tag at the meeting when it is first presented, or by an absent member at a subsequent meeting, as provided above.

A council member may exercise a "tag" at any time before voting on the matter has been completed. However, if a roll call vote has been requested, then the "tag" must be exercised before the first member polled has cast a vote. Whenever an item is tagged, all council members desiring such tag shall be listed by the city secretary, and no tag shall be released prior to the expiration of the one-week period unless all the members so listed have given their release; an item on which all tag(s) have been released shall be reconsidered following consideration of other agenda legislation items.

A motion to approve or disapprove an appointment by the mayor is not subject to a "tag" if written notice of such appointment, including a resume of the proposed appointee, has been delivered to the offices of all council members at least 14 calendar days prior to the meeting at which an appointment is submitted to council for approval. No resume shall be required in the event of a reappointment.

In this rule, references to a "one week period" or a "period of one week" shall be construed to mean the duration of time between one regular weekly meeting of city council and the next, regardless of whether that period may be more or less than seven days.

Rule 5. Attendance at Meetings.

The council members shall attend the regular and special meetings. If any member shall be absent without just cause, the presiding officer may issue a warrant of attachment for such member to compel attendance, which warrant may be executed by any person to whom the presiding officer shall direct the warrant. The council may impose a fine of not more than $10.00 upon any member failing to attend a meeting without just cause.

Charter reference—Power of council to compel attendance of members, Art. VII, § 6.

Rule 6. Council Member Code of Conduct.

City council finds and determines that establishing rules of conduct for members of city council is conducive to the conduct of the affairs of the council as a governing body and to good governance. Furthermore, the city council alone is empowered by Article VII, Section 6 of the City Charter to establish standards of conduct for the members of city council and to assess appropriate discipline for failure to comply with those standards. Consistent with that authority, the city council hereby establishes the following standards of conduct and accompanying disciplinary procedures.

I. **Standards of Conduct.** Council members shall at all times conduct themselves in a manner consistent with the importance and dignity of their office. To that end, council members shall observe:

(1) All ethical standards of conduct stated in Chapter 18 of this Code;

(2) All requirements of the City Charter regarding conduct by members of city council, including specifically but not limited to Article VII, Section 4; and

(3) All requirements of federal law, state law, and this Code regarding the duties, responsibilities, and obligations of elected officials.

II. **Disciplinary Procedure.**

A. *Complaints.* A complaint by any council member alleging non-compliance with one or more standards of conduct by another council member shall be submitted to the city attorney or his designee and shall be in writing, dated, and either properly verified (a document will be considered properly verified when a notary executes it with the language "Signed and sworn to (or affirmed) before me on (date) by (the name of the person))" or conform to minimum state law requirements for unsworn declarations, and shall include:

(1) The name and position or title of the party or parties filing the complaint (hereinafter referred to as the complainant(s));

(2) The name and position or title of the individual(s) alleged to have violated one or more standards of conduct (hereinafter referred to as the respondent(s));

(3) The nature of the alleged violation of the standards of conduct or of other law, rule, or regulation;

(4) The specific facts or circumstances that constitute a violation of one or more of the standards of conduct, including the submission of any documentation that relates to the alleged violation (the complaint shall not contain innuendo, speculative assertions, or conclusory statements); and

(5) A statement by the complainant acknowledging that the complaint and all associated materials shall, to the extent permitted by law, be deemed confidential throughout the review process, and shall not be released to any third party by the complainant until such time the matter is brought before city council.

B. *Review Panel.* Notwithstanding the disciplinary procedure provided herein, the review panel shall stay its review of any complaint containing allegations that are the subject of a pending investigation or prosecution by a law enforcement agency until such time as the investigation and any prosecution thereof is completed; provided however, the review panel may proceed with its review of the complaint following its receipt of a written request from the respondent requesting that the review panel move forward with its review of the complaint.

(1) Not later than five business days after receiving the complaint, the city attorney or his designee shall forward a true and complete copy of the complaint to the respondent, the mayor pro tem, and the vice mayor pro tem.

(2) The complaint shall be reviewed by the mayor pro tem, the vice mayor pro tem, and a member of city council mutually agreed upon by the complainant and respondent (collectively referred to as the review panel); provided however, the mayor pro tem, vice mayor pro tem, or any other members of council selected or designated to serve on the review panel shall not participate in the

review of a complaint which alleges he/she has violated one or more standards of conduct.

(3) If the complainant and respondent are unable to agree upon a member of city council to serve on the review panel within five business days of the receipt of the complaint, the mayor pro tem shall submit to the complainant and respondent an identical list of council members not a party to the complaint. The complainant and respondent shall each have five business days from the date of the receipt of the list to:

a. Strike not more than three names;

b. Number the remaining names in order of preference; and

c. Return the list to the mayor pro tem.

If the complainant or respondent does not return the list within the time specified, all council members named therein shall be deemed acceptable. From the names that have been approved on both lists, the mayor pro tem shall invite the acceptance of the identified council member to serve on the review panel in accordance with the designated order of mutual preference.

(4) If the complainant and respondent fail to identify a mutually agreed upon council member from the names submitted in order of preference, or if any mutually agreed upon council members identified on their respective lists is unable or unwilling to serve on the review panel, the mayor pro tem shall select a council member to serve on the review panel by an impartial means of chance.

C. *Review.*

(1) The review panel shall meet and conduct an initial review of the complaint and any documentation submitted therewith within five business days of its formation. The review panel shall then meet as often as necessary to review the complaint in conjunction with its receipt of any additional documentation it deems necessary and relevant in making a determination whether the complaint alleges a violation of the standards of conduct and the evidence, when viewed as a whole, establishes reasonable cause to believe there has been a violation of one or more of the standards of conduct.

(2) The mayor pro tem shall immediately forward a copy of the complaint to the Houston Ethics Commission ("ethics commission") who shall endeavor to make a determination in accordance with sub items (a) and (b) below and furnish a written report to the review panel within 30 days of its receipt of the complaint. A member of the ethics commission shall recuse oneself and abstain from participating in the review of the complaint and making a determination in accordance with sub items (a) and (b) below if the member has any conflict of interest that would preclude the member from being impartial in participating in the review of the complaint.

a. *No violation.* Upon the review panel's receipt of a written report from the ethics commission stating the complaint does not allege a violation of one or more of the ethical standards contained in the Chapter 18 of this Code, the review panel shall forward a copy of the written report to the complainant and respondent and cease any further inquiry and investigation of the matter as it pertains to an alleged violation of one or more of the ethics standards contained in Chapter

18 of the Code; provided however, the Review Panel shall immediately proceed with its review of the complaint to determine whether it contains any other alleged violations of the standards of conduct.

b. *Possible violation*. Upon the review panel's receipt of a written report from the ethics commission stating that the complaint alleges a violation of one or more of the ethical standards of conduct contained in Chapter 18 of this Code, the review panel shall forward a copy of the written report to the complainant and respondent and cease any further inquiry into the matter and take no further action pending receipt of a written report by the ethics commission whether there is reasonable cause to believe the respondent has violated one or more of the ethical standards of conduct contained in Chapter 18 of this Code.

(3) The review panel shall determine by majority vote whether the evidence, when viewed as a whole, establishes reasonable cause to believe that a violation of one or more standards of conduct has occurred. In making said determination the review panel may undertake any such inquiry as the review panel deems appropriate and necessary. Additionally, the review panel shall accept and take into consideration the receipt of a written report by the ethics commission stating whether there is reasonable cause to believe the respondent has violated one or more of the ethics standards of conduct contained in Chapter 18 of this Code. The review panel shall furnish a copy of the written report to the complainant and the respondent.

(4) The review panel shall advise the complainant and the respondent of its findings.

(5) Upon the review panel's determination that the complaint does not contain an alleged violation of the standards of conduct and the evidence, when viewed as a whole, does not establish reasonable cause to believe there has been a violation of one or more of the standards of conduct and therefore should not be considered by city council, the matter is concluded.

(6) Upon the review panel's determination that the complaint does contain an alleged violation of the standards of conduct and the evidence, when viewed as a whole, does establish reasonable cause to believe there has been a violation of one or more of the standards of conduct, the matter shall be considered by city council and the mayor pro tem shall request that the mayor present the complaint to city council by posting the same on an agenda of a meeting of the city council to be held not earlier than 20 business days following the date of the action of the review panel. If the respondent so desires, he or she may file a written response with the mayor not later than seven business days prior to the date of the council meeting. In lieu of filing a response, the respondent may within the same time frame file a written request with the mayor for and shall receive a one-time extension of two weeks (or until the next available council meeting thereafter) for initial consideration of the complaint; if such an extension is requested, the period for filing a response is likewise extended.

D. **City Council Consideration.** For purposes of this rule of procedure, the term city council or council members shall exclude the mayor and shall mean only those individuals who have been elected to and are currently serving on the governing body of the City of Houston, Texas as a district council member or an at-large council member pursuant to Section 2, Article V of the City Charter.

(1) The posted item for the agenda of the city council meeting to consider the complaint shall be to "Discuss, Consider, and Possibly Take Action" regarding the complaint. At the initial city council meeting, city council shall consider the complaint on its face, shall consider any response thereto, and shall hear comment or where deemed appropriate sworn testimony from the complainant(s) and from the respondent(s).

(2) If city council determines the complaint may have merit, but additional information is required to make a final decision, city council may forward the matter to a future council meeting to take additional evidence and consider further action.

(3) If city council defers action at the initial meeting at which the complaint is considered, city council shall establish a future council meeting date to resume deliberations. Pursuant to Article VII, Section 5 of the City Charter, city council may summon and compel the attendance of witnesses and the production of documents necessary to the consideration of the complaint. Following the discussion and consideration of additional evidence as city council deems appropriate, city council shall determine if the complaint is sufficient or insufficient to establish a violation of the standards of conduct. A vote of not less than two-thirds majority of council members shall be required to determine a violation of the standards of conduct has occurred.

(4) If city council determines the complaint does not establish a violation of the standards of conduct, the matter is concluded. If city council determines a violation of the standards of conduct has occurred, city council shall then determine the appropriate discipline.

E. **Discipline.**

(1) Upon a finding by the city council that a respondent has violated one or more of the standards of conduct, the council may, in addition to any other action taken by any agency or tribunal, assess the discipline it deems appropriate. A vote of not less than two-thirds majority of council members shall be required in determining the assessment of the appropriate discipline listed in the following progressive order of seriousness:

a. *Verbal reprimand*—A statement of disapproval made publicly during a meeting of city council admonishing the respondent.

b. *Written letter of reprimand*—A formal, written statement of disapproval memorializing the contents of a verbal reprimand which shall be read aloud at a meeting of city council and become part of city council's record of the meeting at which the written statement is read.

c. *Official censure*—A written letter of reprimand and other sanction(s) including:

i. Removal of council committee chairmanship(s), if applicable, and other special appointments;

ii. Removal of membership from council committee(s); and/or

iii. Suspension of participation in a designated number of city council meetings.

d. *Impeachment and removal from office*—The removal of a council member from office creates a vacancy which shall be filled in a manner consistent with Section 2, Article VII of the Charter and applicable state law.

(2) All discipline imposed as a result of a finding that one or more of the standards of conduct have been violated shall be in addition to any other penalty or punishment that may be imposed pursuant to federal and state law or any other applicable provision of the City Charter or this Code.

III. **Implementation.** Following adoption by ordinance of these standards of conduct, each current member of city council shall, within ten business days of adoption, execute an acknowledgment in a form acceptable to the city attorney stating that he/she has received and read this Code of Conduct. All newly elected members of city council shall execute a similar acknowledgment at the time of their receipt of the oath of office. All acknowledgments shall thereafter be placed in the official records of the City of Houston.

Charter reference—Authority to punish members of council for misconduct, Art. VII, § 6.

Rule 7. Recesses.

a. Regular meetings of the city council shall be in recess between the hours of 5:00 p.m. on Tuesdays and 9:00 a.m. on Wednesdays.

b. In any instance in which the city council is unable to complete the appearances by members of the public prior to the regularly scheduled 5:00 p.m. recess of the Tuesday session and there remain speakers to be heard who have timely requested to speak on identifiable items of business to be considered on the agenda for the Wednesday session, then any member of the city council may bring the matter to the attention of the mayor. In such instance, the city council may, at the discretion of a majority of the members present, either continue in session or reconvene after a dinner recess on Tuesday for such length of time as may be required to complete the public appearances of those speakers who have requested to speak on identifiable agenda items.

c. The provisions of subsection b shall not be construed to require the reconvening or continuation of the city council session to hear any speaker whose name was called in due course and who was not present in the city council chambers.

Rule 8. Appearances by Members of the Public.

a. Any citizen of the city shall have a reasonable opportunity to be heard at all regular and special meetings of the city council in regard to any and all matters to be considered at such meetings that are germane and relevant to any subject matter of city affairs or business that is within the scope of the authority and legislative functions of the city council. Such appearances by members of the public shall be scheduled to begin at 2:00 p.m. at the Tuesday session of the regular meetings of city council. The last non-consolidated Tuesday session of each month shall be scheduled for 5:00 p.m. Evening public session meetings shall not have proclamations presented. The mayor, mayor pro tem, or other presiding officer shall at all times be responsible for

conducting the meeting and maintaining proper order and decorum. Any council member shall have the privilege of raising a point of order as to whether the subject matter to be heard and considered as presented by a citizen is germane and relevant to any subject matter of city affairs or business that is to be considered by city council.

Requests to appear shall be made to the office of the city secretary, and may be made in person or by mail, email, fax, telephone, or online form, provided that the request is received before the scheduled time of commencement of the city council meeting session at which public appearances will be heard. Each speaker shall provide his or her name, street address, mailing address (if different), telephone number, and a brief description (not to exceed ten words) of the intended subject matter of the citizen's remarks. The speaker's street address, mailing address (if different), and telephone number is for internal, administrative use only by city council, the city secretary's office, and city departments, and shall not be disclosed publicly, except as required by law. Speakers who have not appeared at any of the four preceding regular city council meetings shall also state whether they wish to limit their remarks to one, two or three minutes.

Speakers will be heard in accordance with the following priority:

1. Speakers who have not appeared at any of the four previous weekly city council meetings and whose intended comments as stated in their request relate to an identifiable item of business that will be considered on that week's city council agenda will be heard in the order in which their requests were received with those requesting one minute being first, those requesting two minutes being second, and those requesting three minutes being third. Each speaker shall be limited to one, two or three minutes as specified in the request to appear. The city secretary shall where possible list together and call as a group, in the order of each individual request to appear, those speakers who indicate they are speaking on the same subject and for the same length of time.
2. Thence, speakers who have not appeared at any of the four previous weekly city council meetings and whose intended comments as stated in their request do not relate to an identifiable item of business that will be considered on that week's city council agenda will be heard in the same manner as provided in item 1, above.
3. Thence, speakers who have appeared at any of the four previous weekly city council meetings will then be heard in the order in which their requests were received for no more than one minute.

Council members shall not ask speakers questions during their allotted presentation time, nor shall the council members respond to speakers during their presentations. The city council members may pose questions to any speaker about his or her presentation, either following that speaker's presentation or after all speakers have been heard. City council members having questions for a speaker shall request that the speaker remain and return for ques-

tions following presentations by all other speakers unless they believe that the questions of the speaker by all council members can be concluded in five minutes or less. In any instance in which the questioning of a speaker is commenced following the speaker's presentation and is not completed within five minutes, then the questioning shall be suspended and the speaker may be asked to return for the completion of the questioning following the presentations of the other speakers. If any speaker desires to present public charges of misconduct against a named police officer or other city employee, then the speaker shall be placed under oath. Following the presentations by all speakers the city council shall refer, where appropriate, the matters that have been raised.

b. Notwithstanding the provisions of subsection a, if the total of the times requested by speakers at any council meeting is greater than 150 minutes, the mayor shall so announce and each speaker's time shall be one minute. Furthermore, when the provisions of this subsection are invoked, the question time for city council members shall be limited to a cumulative total of one minute for each speaker, notwithstanding the provisions of this rule and rule 10 to the contrary.

c. The provisions of this subsection c shall only be applicable in an instance in which the city council has rescheduled the order of business to be conducted at any weekly meeting in such a manner that the agenda of city business that is usually conducted at the Wednesday session, or a portion thereof, will be taken up prior to the appearances by the public. In any such instance, if there is scheduled any agenda item on which one or more citizens are scheduled to be heard at that meeting, then the consideration of that agenda item will be postponed by the mayor upon the request of any council member until after the conclusion of the public speaker session at which such persons are scheduled to be heard. This rule shall not apply unless the speaker(s) on the agenda item to be postponed are scheduled to appear as of the time that the session is scheduled to commence. A speaker will be considered to be scheduled when that speaker's name has been placed on the speaker list maintained by the city secretary. Furthermore, this provision shall not apply if the postponement would render the agenda item moot.

This postponement provision shall not affect the use of, but shall be supplemental to, the tag rule; provided, however, that any tag must still be exercised on the first day on which a matter is presented to the city council, subject to the exceptions set forth in the tag rule, and the request by any council member that an item be postponed shall not prevent another council member from tagging it in lieu of its postponement hereunder. An item which has been previously tagged may nevertheless be further postponed hereunder, subject to the rule that it not thereby be rendered moot.

Rule 9. Appearances by Persons Regarding Agenda Items.

During consideration of an agenda item, the city council may, by suspension of the rules, elect to hear from or question an individual who is not seated at the council table. Suspension of the rules shall not be necessary for inquiries from city council to city officials who are present at the council table, and such persons may be questioned at the time the agenda item is being considered.

For purposes of this rule "agenda item" includes any item on the published agenda or any other matter properly before city council.

*Rule 10. Time Limit on Debate.**

Whenever individual citizens or city employees appear before the city council to speak or to present testimony relative to any item on the agenda, each council member shall limit the questions or remarks for each speaker to an initial maximum period of five minutes, including time used by the speaker to answer the council member's questions. A person answering a question shall be permitted to complete the answer, despite the expiration of the five-minute limit.

In all other deliberations by the city council, the same initial maximum period of five minutes per council member shall apply during the debate of any item on the agenda. A council member may question or remark as to each speaker, or debate any agenda item, for a second maximum period of five minutes, but only after all other council members desiring to be heard on the matter have exercised their initial opportunity for questioning, remarks or debate. Subsequent rounds may ensue in the same manner, each limited to five minutes per council member, until all questioning, remarks or debate has been completed.

During hearing of the agenda item entitled matters presented by council members' each council member shall be limited to an initial period of up to five minutes. After all council members wishing to speak have made remarks in the first round, each member who desires additional time may speak for a second period of up to five minutes. Unused time from the first round shall not carryover to the second round.

Rule 11. Readings Required of Ordinances and Resolutions.

The passage of ordinances, other than on the consent agenda, shall be by reading the same at two regular meetings by caption or title, unless a reading in full is requested by a council member; provided, however, that all ordinances that are public emergencies may be passed finally on the date of their introduction when so requested by the mayor in writing, by one reading of the caption or title thereof. This rule shall not be applicable to ordinances that are required, by virtue of their subject matter or otherwise, to be read or adopted in a different manner pursuant to applicable provisions of the Charter or state law.

Rule 12. Appeals to City Council.

Every appeal that is authorized by federal law, state law, the City Charter, or city ordinance to be made to the city council from a decision by an officer, agency, board or commission shall be reviewed by the city council, without the taking of further evidence by city council, on the basis of the record of the decision from which the appeal is taken. Consideration of appeals may be scheduled at any specific time on the agenda, irrespective of the order of business established by these rules.

The director of each department (or a designee), or the presiding officer of a board, commission or agency, or a hearing examiner (the "hearing officer"), as appropriate, shall conduct an evidentiary hearing, the record of which shall be made by a certified court reporter of any matter that may be appealed to the city council. The term "record" shall include, but is not limited to, a transcript of oral testimony, exhibits offered and considered, written or oral responses, answers or questions, and all documents reviewed or considered by a hearing examiner or officer, commission or agency, board, or department director or his designee at an evidentiary hearing.

*__Editor's note—__Rules 8 and 10 both provide five minute limitations, but the two limitations operate independently. Rule 8 provides for city council to suspend questioning of a public session speaker after five cumulative minutes of questioning by council members and for the suspended speaker to be asked to wait and return following the other speakers' appearances, if council members desire. Rule 10 limits each council member to five minutes of questioning at a time, per speaker, on a rotating basis. Rule 8 applies during the appearances by members of the public, which are usually presented during the Tuesday afternoon session. Rule 10 applies to all city council debate.

Each presiding officer or hearing officer shall give written notice to any party appearing in an evidentiary hearing that:

(1) A court reporter is required to prepare a record in order for there to be an appeal to the city council;

(2) The party must request, in writing, the presence of a court reporter at the hearing before the hearing officer not less than 24 hours prior to such evidentiary hearing; and

(3) The party requesting the court reporter agrees to pay all costs of the court reporter, including preparation of transcript(s) for appeal to city council.

(4) Except as otherwise provided by the City Code, the party appealing to city council shall submit the complete court reporter-certified record to the city secretary as required by this Code within 60 days of the decision of the officer, agency, board, or commission whose decision or action is the basis of the appeal. Failure to submit the requested or required records within the required time period shall constitute an untimely appeal to city council and a waiver by the appealing party to an appeal before city council.

In the event that an appeal to the city council is filed by a party to a decision, the city council shall consider the appeal solely on the basis of:

(1) The written record of the hearing conducted below; and

(2) The written exceptions, if any, of each party to the proceeding to the facts and administrative rulings and decisions made by the officer, agency, board or commission.

In the event the city council finds that the record is incomplete or inadequate, the city council may refer the matter to the officer, agency, board or commission for further proceedings to complete the record. All decisions of the council on the record, other than a referral for further proceedings, as described above, shall be final and not subject to further appeal or rehearing.

Rule 13. Roll Call Vote.

A vote shall be taken by roll call at the request of any council member. A council member may not abstain or pass on any vote.

Rule 14. Questions of Order.

All questions of order shall be decided by the presiding officer, with the right of appeal to the city council, the majority of whom may override the ruling.

Rule 15. City Secretary as Clerk.

The city secretary shall be the clerk or secretary of the council, whose duty it shall be to act as reading and recording clerk to the council and to certify the correctness of the minutes and the journals and to perform such other duties as may be required by the city council and the mayor.

Rule 16. Confirmations and Approvals.

All confirmations or approvals required by the city council shall be made by a majority vote of the members present at such council meeting at the time of such confirmation or approval. It shall be assumed the council member is voting "aye" or "yes" unless he audibly votes "nay" or "no"; i.e., silence during a voice vote shall be recorded as an "aye" or "yes" vote."

Rule 17. Motions.

All oral motions must be seconded before being put by the chair and upon the request of any council member shall be reduced to writing by the party making the same. Written motions shall require no second.

Rule 18. Motion to Reconsider.

When a question has once been determined by the city council, the same question shall not again be considered until 90 days thereafter, and then only by motion to reconsider made by a member who voted with the prevailing side of such question.

Rule 19. City Council Appointments.

a. *Notice to nominate.* Where an appointment to a board, commission, or similar entity is decided through nomination and confirmation by the city council ("council appointment"), any member of council shall have the right to make a motion in open session of council that an item appear on the printed agenda (the "agenda") not less than seven days thereafter to consider nominations for such council appointment. At the time the motion is made, the member making the motion shall provide to those members of council present the name of the board, commission, or similar entity for which the nomination is being made, the length of the term for that position, the incumbent for that position, and the expiration date for that incumbent's term.

b. *Making nominations.* When the item to consider nominations for such council appointment is reached on the agenda, each council member, including the mayor, shall have the right to make one or more nominations. Where more than one council appointment to the same board, commission, or similar entity is to be voted upon, then each nomination shall be to a specified position. Each council member who makes a nomination shall, at the time of such nomination, submit to the city secretary, the mayor, and to each other council member, a resume for the nominee. If a council member fails to provide such a resume, the nomination shall be void. The resume shall include at least the nominee's full name, current residence address, current business address, residence and business telephone numbers, employment history for the preceding six years, and a record of all other public positions currently or previously held, whether elected or appointed. Neither the item to consider nominations to such council appointment or the nomination or nominations by a council member shall be subject to tag.

c. *Vote on nomination.* The vote on a council appointment shall be taken seven days after nominations to the council appointment are presented in open council meeting. This provision can be suspended, and the vote taken in less than seven days, if the matter is properly posted under state law. If more than one council appointment to a particular board, commission, or similar entity is being voted upon, the candidates for each position shall be voted upon separately. If no nominee for a particular council appointment receives a majority of the votes cast for that position, then council shall, by majority vote, choose between those two candidates having the greatest number of votes. In the event of a tie, the council shall vote again. If the result is again a tie, then the election shall be decided by the drawing of lots.

Rule 20. Suspension of Rules.

Any one or all of these rules may be suspended by a vote of at least ⅔ of the members of council, except such rules that embody provisions of the Charter, identically or substantially. The rules may be suspended only for a specific purpose, and immediately following the achievement of that purpose, the rules shall again be in full force and effect, subject to further suspension by motion.

Rule 21. Robert's Rules of Order Newly Revised.

The rules of procedure as stated in the current edition of "Robert's Rules of Order Newly Revised" shall govern the proceedings of the city council except when in conflict with the provisions of state law, the Charter or city ordinances or the rules of procedure adopted hereby.

Rule 22. Posters in Council Chambers, Applause, Booing; Containers at Speakers' Podium; Decorum.

a. No person shall brandish, wave or display or cause to be brandished, waved or displayed any sign, placard, poster or banner within the city council chambers in such a manner as to impede the use of the aisles, interfere with the use of the seating area, obstruct the view of another or in any other manner disturb or interfere with the orderly conduct of the meeting at any time during which the city council is conducting a meeting in the city council chambers.

b. Only one person at a time shall be permitted to stand at the speaker's podium, unless the speaker requires an interpreter or other special assistance or during a presentation by a council member.

c. No person making an appearance before the city council pursuant to Rule 8 of these rules shall have in his or her possession while at the public speakers' podium any paper bag, plastic bag, handbag, briefcase, purse, satchel, box, envelope, tape recorder or other container of any sort. A drawer shall be provided near the speakers' podium in which handbags, briefcases and other small items may be placed during an appearance.

d. No person within public aisles or seating area of the city council chambers shall applaud, boo, clap, or otherwise audibly express approval or disapproval of the actions being taken at the city council table or the public speakers' podium in a loud and raucous manner calculated to disturb the meeting, except for public recognition initiated by city council.

e. Citizens appearing before city council are expected to do so without engaging in disorderly conduct or without disrupting the meeting as those actions are defined in sections 42.01 and 42.05 of the Texas Penal Code, but without requiring the standard of proof or mental state for criminal convictions.

f. Violation of this rule shall not be a municipal offense; however, any police officer or other person assigned to provide security for the council meeting shall advise any person who fails to comply with this rule of his or her noncompliance. Any person who, after having been advised of his or her noncompliance, continues to violate this rule shall be ejected by the security personnel from the council chambers for noncompliance with this rule. The operation of this rule shall not be construed to preclude any person from prosecution for violation of any applicable penal law.

Rule 23. Agenda Items Submitted by Council Members Pursuant to Article VII, Section 3 of the City Charter.

a. Pursuant to article VII, section 3 of the City Charter, three or more council members may request any lawful item be placed on the agenda of any designated regular meeting of city council. Requests shall be submitted to the agenda office, and the agenda director is authorized to promulgate processes to facilitate the agenda process.

b. The request must:
   (1) Be in writing;
   (2) Include signatures of three or more council members (but no more than eight);
   (3) Be lawful; and
   (4) Include a copy of the draft resolution, motion, or ordinance that would be considered by city council.

c. The legal department shall review all items submitted for form and lawfulness. The legal department shall complete its lawfulness review and provide the agenda director, copying the sponsoring council members and any relevant department directors, with a memo explaining its determination within seven days of receipt of the proposed item, unless the proposed agenda item is lengthy, presents a complex issue, or otherwise requires additional time.

d. If the legal department determines that the proposed agenda item is lawful, the agenda director shall place a caption for the proposed item on the regular city council agenda within the next two regular council meetings after the agenda director's receipt of the legal department's determination. The legal department shall format the proposed agenda item to the city's conventions for motions, resolutions, and ordinances.

e. The proposed item shall satisfy all other legal requirements, including any deadlines, for placement and consideration of an item on the city council agenda.

f. Relevant department representatives or city subject matter experts shall attend the council meeting and be available to provide support, as needed, and answer relevant technical, financial, operational, and administrative questions pertaining to a council member sponsored agenda item.

g. Department representatives shall also provide the requested information or answer questions asked in advance by council members or their staff at least 48 hours prior to council consideration and action.

Rule 24. Procedures for Agenda Items Submitted by Council Members Routed Through Committee.

a. *Submission of Proposed Item to Committee.* In lieu of or prior to submission of a proposed agenda item under Rule 23, a council member may submit a proposed agenda item to the city council committee designated by the mayor to receive such proposals ("the committee"). A proposed agenda item must be submitted at least 14 days before the next scheduled meeting of the committee for inclusion on the committee agenda.

(1) Prior to submission of the proposed agenda item to the committee, the author or sponsor of the proposed item shall request the legal department review the proposal, to the extent possible with the information provided, for any lawfulness concerns. The legal department shall review the item for any initial legal concerns within seven days of receipt of the proposed item unless the proposed agenda item is lengthy, presents a complex issue, or otherwise requires additional time. In such instances requiring additional time for legal review, the legal department shall provide an initial update to the committee chair and the sponsor within 14 days.

(2) The proposed item must be submitted in writing to the committee and accompanied by the following:

i. One hard copy and one electronic copy (in PDF format) of the introduced item as reviewed by the legal department;

ii. One hard copy and one electronic copy of the background and a brief purpose statement (in Microsoft Word format) for the proposed item; and

iii. Name of the point of contact for the proposed item.

b. *Committee Meeting Procedure.*

(1) *Roll Calls.* A roll call must be taken at the beginning of every meeting of the committee and following any recess.

(2) *Scheduling of Business.* The chair of the committee schedules items, determines the order of consideration of items, and creates the agenda.

(3) *Robert's Rules of Order.* The meeting will be governed by Robert's Rules of Order and the rules of the committee.

c. *Committee Meetings.*

(1) The committee shall meet at the time and place designated on the schedule prepared by the chair.

(2) If no meeting is scheduled, the chair shall call a special meeting for the purpose of discussing a council-sponsored item no later than 14 days after the legal department completes its review.

(3) Relevant department representatives or city subject matter experts shall attend the committee meeting and be available to provide support, as needed, and answer relevant technical, financial, operational, and administrative questions pertaining to a council member-sponsored item.

(4) Department representatives shall also provide requested information or answer questions asked in advance by council members or their staff during the committee meeting at least 48 hours prior to council consideration and action.

(5) Additional meetings for purposes provided by the chair can be called at any time by the chair, so long as the meeting is called and conducted in compliance with the Texas Open Meetings Act.

(6) The committee chair shall designate the vice chair to preside over any committee meeting during the temporary absence of the chair.

d. *Public Testimony.* The public has the right to come and speak to the committee in accordance with Rule 8.

e. *Committee Report.*

(1) No action taken by a committee shall infringe upon a sponsoring council member's right to have the proposed item submitted to the full council for consideration and a vote under article VII, section 3 of the City Charter.

(2) *Vote Requirements for Taking Action on an Item.* An action on a proposed item from the committee requires an affirmative record vote of the majority of the members present of the committee. If a quorum is not established at the beginning of the committee meeting for which a proposed item is on the agenda such that no vote on the proposed item can be taken at that meeting, in lieu of appearing on the agenda of a subsequent committee meeting, the proposed item may be submitted in writing by three

or more council members pursuant to Rule 23 and article VII, section 3 of the City Charter.

(3) After consideration of an item on the committee's agenda, the committee may do the following:

i. Agree with placement on the city council agenda within the next two regular council meetings.

ii. Disagree with placement on the city council agenda.

iii. If the proposed item requires further evaluation and drafting assistance, refer the item to the administration.

1. The administration shall:

a. Direct the relevant department(s) and the legal department to assist the sponsoring council member(s) with development of the proposed item, including drafting assistance, evaluation of legal, administrative, and policy issues, and fiscal analysis, as necessary; and

b. Submit the item to the city council committee that is most relevant to the subject matter of the proposed item.

2. The assigned departments will provide updates to the committee chair of the designated subject-matter committee on the status of the proposed item, which shall be included in the chair's report.

3. Once the sponsoring council member(s), the relevant department(s) and the legal department have jointly reviewed and determined the proposed item has been completed, it shall be presented to the designated subject-matter committee, and then at least three but no more than eight council members may submit the proposed item in compliance with subsection b of Rule 23 to the agenda director for placement on the regular city council agenda within the next two regular council meetings after the agenda director's receipt of the item.

iv. Amend the item and agree with placement on the city council agenda within the next two regular council meetings.

v. Postpone consideration of the item.

(4) If a motion to place an item on the city council agenda fails, the committee will no longer consider the item.

(Code 1968, § 2-2; Ord. No. 70-1753, § 1, 10-7-70; Ord. No. 72-2170, § 1, 11-21-72; Ord. No. 72-2186, § 1, 11-27-72; Ord. No. 75-1774, § 1, 10-1-75; Ord. No. 76-491, § 1, 3-23-76; Ord. No. 2026-0437, § 2, 5-20-2026)

Charter references—Authority of council to prescribe its rules, Art. VII, § 6; presiding officer, Art. VII, §§ 3, 6.

Sec. 2-3. Filing for elective city offices.

Candidates for full time elective terms of office at city general elections may have their names printed upon the official ballot, if such candidates meet all legally applicable qualifications for such office, by filing their sworn applications, in such form as may be required by law, with the mayor at least 45 days prior to the election day and by paying filing fees for the respective offices in the amounts specified in article V, section 6, of the Charter, or submitting in lieu of a filing fee a nomination petition signed by qualified voters pursuant to the applicable provisions of the Texas Election Code.

(Code 1968, § 16-4; Ord. No. 73-1487, § 1, 8-1-73; Ord. No. 73-1534, § 1, 8-8-73; Ord. No. 87-1519, § 1, 9-2-87)

Charter reference—Filing for office, Art. V, § 6.

Sec. 2-3.1. Petition circulator affidavits.

(a) It is the policy of the city to enforce the United States Constitutional requirements relating to petition circulator qualifications.

(b) The city shall accept the 'Affidavit for Circulators Who Are Not Registered Voters in the City of Houston or Are Not Residents of the City of Houston,' in the form set forth below.

STATE OF TEXAS §

COUNTY OF HARRIS §

I, _____, being first duly sworn on oath depose and say:

I am 18 years of age or older, of sound mind, and capable of making this affidavit. The facts stated in this affidavit are within my personal knowledge and are true and correct. I am a circulator who: (a) is not registered to vote in the City of Houston or (b) is not a resident of the City of Houston. I agree to submit myself to the jurisdiction of the courts in Harris County, Texas and waive any challenge to venue and personal jurisdiction in connection with the matters encompassed by this affidavit. I further depose and say that each signature appearing on this petition was made in my presence on the day and date it purports to have been made, and I solemnly swear that the same is a genuine signature of the person whose name it purports to be.

Signature: _____

Printed Name: _____

Address: _____

_____

Contact Number: _____

Email Address: _____

Sworn to and subscribed before me this ____ day of _____ (Month), _____ (Year).

/s/ _____

Notary Public, State of Texas

(c) The city secretary shall post a link to the 'Affidavit for Circulators Who Are Not Registered Voters in the City of Houston or Are Not Residents of the City of Houston' on the city secretary's website."

(Ord. No. 2020-1033, § 2, 12-2-2020; Ord. No. 2022-455, § 2, 6-8-2022)

Sec. 2-4. Waiver of notice of claims against city.

Neither the mayor nor any other officer or employee of the city shall have authority to waive any of the provisions of section 11, article IX, of the Charter of the city.

(Code 1968, § 2-15)

Sec. 2-5. Hiring of appraisers and experts in connection with lawsuits and hearings.

In connection with lawsuits pending or threatened and in connection with hearings before the city council or before other bodies by which hearings are, from time to time, had, the mayor is hereby authorized, if the necessity or propriety thereof becomes evident, to procure or cause to be procured, the services of such appraisers and such experts in the matter of values and damages as he may deem proper; the city council hereby authorizes the making with such appraisers and such experts of such agreements for the payment to them for their services as may be deemed proper by the mayor, and payment therefor out of funds appropriated, or hereafter appropriated, from which such payments may lawfully be made.

(Code 1968, § 2-16)

Sec. 2-6. Emergency medical services system director.

Within the office of the mayor in the city department known as the mayor and council members' office, there is hereby created the executive level position of emergency medical services ("EMS") system director ("the director"). Funding for the position shall be derived from the fire department's budget. The director shall be a physician licensed as such in the State of Texas who has training and expertise in the out-of-hospital care of critically ill and injured patients. The director is responsible for medical oversight of the city's delivery of emergency medical services, including all medical aspects of the coordination, monitoring and implementation of emergency medical services system policies, procedures, research and educational activities. The director shall also hold simultaneous outside employment with a local medical school that has the responsibility for emergency medical research activities and on-line medical direction activities for the city and shall report to the president or dean of the medical school for purposes of the outside employment.

(Ord. No. 96-57, § 6, 1-17-96)

Sec. 2-7. Reserved.

Editor's note—Ord. No. 09-2, § 2, adopted January 7, 2009, repealed § 2-7 in its entirety. Formerly, said section pertained to veterans' parking privileges and derived from Ord. No. 00-520, § 2, 6-12-00.

Secs. 2-8—2-20. Reserved.

ARTICLE II. OFFICERS AND EMPLOYEES IN GENERAL*

DIVISION 1. GENERALLY

Sec. 2-21. Positions, classifications, salaries and salary ranges.

The positions, classifications, salaries, and salary ranges of the officers and employees of the city, other than as prescribed in this Code, are contained in separate ordinances not included in this Code, and nothing in this Code or the ordinance adopting this Code shall be deemed to repeal such ordinances.
(Code 1968, § 2-32)

Sec. 2-22. Payment of moving expenses.

In the event it becomes necessary to employ a person possessing special professional skills and experience, whose residence at the time of employment is located more than 100 miles from the city, upon the employment of any such person, his moving expenses may be paid by the city as a part of his contract of employment.
(Code 1968, § 2-33)

Sec. 2-23. Solicitation of funds by employees.

(a) It shall be unlawful for any person employed and carried on the payroll of the city to solicit funds of any character for any purpose or to sell tickets for any function not approved and permitted by law or ordinance or approved by the city council; provided, the following functions shall be exempt from the provisions of this section:

(1) Police department ball.

(2) Firemen's band annual dance.

(3) City employees' union dance.

(4) Firemen's annual ball.

(5) City-county employees' union dance.

(6) Fire department Christmas tree shoe fund.

(7) Solicitation of funds which are actually used to purchase floral offerings for the funeral of any city employee or official.

(b) Any employee desiring to take part in the solicitation of funds for any purpose, other than the causes declared exempt by this section, must first obtain the approval and permission of the city council so to do.

(c) Violation of this section shall be grounds for termination or other appropriate disciplinary action.
(Code 1968, § 2-34)

Sec. 2-24. On the job injuries sustained prior to July 1, 1974.

The provisions of Ordinance No. 71-2404 are hereby incorporated by reference and shall remain applicable to the continuing and necessary medical and hospital services costs relating to on the job injuries sustained by city employees prior to the July 1, 1974 effective date of workers compensation insurance benefits for city employees.

Editor's note—Ordinance No. 71-2404 was codified as sections 2-53 through 2-57 of the 1968 edition of the Code of Ordinances, City of Houston.

Sec. 2-25. Limitation for compensation payments for on the job injuries where payments are derived from general funds or sources receiving general funds.

A city employee who is injured on the job and is entitled to receive compensation payments for such injury shall not receive more than his base salary, plus longevity, during the period that he is entitled to receive such compensation payments where the payments are made from general funds of the city or from any source whatsoever which receives general funds of the city.
(Code 1968, § 2-58; Ord. No. 74-1126, § 1, 6-26-74)

Sec. 2-26. Assignment of employee's wages.

No assignment of wages, whether earned or unearned, made and executed by any city

*__Cross references—__Representation of defendants in criminal cases by city employees, § 16-65; civil service, Ch. 14; ethics and financial disclosure, Ch. 18; assaulting, interfering, etc., with city officers, § 28-6.

employee for wages due and owing to said employee by reason of employment with the city, or for wages that may become due and owing to said employee by reason of employment with the city, nor any power of attorney executed by any employee of the city authorizing any person to collect wages due and owing to such employee, or which may become due and owing to such employee by reason of employment with the city, shall ever be recognized by the city, and the city controller is hereby directed to refuse to recognize or honor any such assignment of wages or powers of attorney, and he is hereby further directed to pay any wages due and owing to any employees of the city to the employee who actually earned said wages.
(Code 1968, § 2-37; Ord. No. 69-534, § 1, 4-1-69)

Sec. 2-27. Facsimile signatures; facsimile seal.

(a) *In general.* Subject to the provisions of this section, certain city officers are hereby authorized to cause certain documents to be executed, certified or endorsed by a facsimile signature. Such authorization is permissive; this section does not prohibit any such officer from using his or her signature. The process of affixing a facsimile signature of any given officer shall at all times remain under the direction and control of such officer.

(b) "*Facsimile signature" defined.* As used in this section, "facsimile signature" shall have the same meaning as in Chapter 618 of the Texas Government Code, the "Act". A "facsimile signature" authorized by this section shall have the effect prescribed by the Act.

(c) *Extent of authorization.* The authorization by this section to cause documents to be executed, certified or endorsed with a facsimile signature shall extend to the officers shown on the table in section 2-1001.

(d) *Facsimile signature certificates; revocation.* A facsimile signature certificate, when specially required by this section for the validity of a facsimile signature, shall only be effective if it contains the required elements and is filed with the city secretary. Each such certificate shall automatically lose its effectiveness when the person making the certificate ceases to hold office. An officer making such a certificate may revoke it at any time by signing an appropriate revocation notice and causing it to be filed with the city secretary. A certificate so revoked shall lose its effectiveness when the revocation notice is filed. The city secretary is hereby authorized to provide a certified copy of any such certificate or notice to any person who requests the same and pays the standard fee for such copy. The city secretary is also authorized to endorse any such copy with a notation as to when it was filed and whether or not a revocation notice has been filed with respect thereto as of any given day, according to the records of the city secretary.

(e) *Facsimile seal.* With respect to any documents for which a facsimile signature of the city secretary is authorized, a facsimile seal of the city is also authorized to be affixed, or caused to be affixed, by the city secretary.

(f) *Section not exclusive.* This section shall not preclude the use of facsimile signatures in other instances or under different conditions authorized by the city council or by the act, or by both.
(Code 1968, § 2-17; Ord. No. 82-266, § 1, 2-10-82; Ord. No. 82-1318, § 1, 8-24-82; Ord. No. 82-1829, § 1, 11-19-82; Ord. No. 08-210, § 2, 3-12-08; Ord. No. 2020-320, § 4, 4-15-2020)

Sec. 2-28. Emergency action.

(a) In the event of an extraordinary or catastrophic circumstance, the mayor may order the temporary reassignment of city resources, personnel, or functions of departments for the purposes of performing or facilitating city services. Upon the order of the mayor, the human resources director, in consultation with the appropriate department directors, will issue event-specific procedures, as deemed necessary, to temporarily reassign city personnel to perform other duties as required to facilitate or perform city services. Reassignment may include, but is not limited to: changed work schedules or shifts, and performance of other duties as needed. In the event of an extraordinary or catastrophic circumstance, temporary reassignment of city employees shall not be subject to review by the civil service commission.

(b) Every officer, agent or employee of the city, when acting within the course and scope of his employment and while responding to emergency calls or reacting to emergency situations, is hereby

[The next page is 169]

authorized to act in such a manner as to deal reasonably and effectively with the emergency. Neither the city nor its officers, agents or employees shall be liable for any failure to use ordinary care in such emergency.

(c) This section shall prevail, to the extent allowed by law, over any other law establishing a standard of care in conflict with this section.
(Ord. No. 86-838, § 1, 6-3-86; Ord. No. 05-1076, § 1, 9-14-05)

Secs. 2-29, 2-30. Reserved.

DIVISION 2. TRAVEL

Sec. 2-31. Supplemental travel funding.

If any or all of the costs of city business travel or travel-related expenses of salaried and non-salaried employees or elected officials of the city are paid from non-city sources (other than by the employee or elected official or by a person related to the employee or elected official within the second degree of affinity or consanguinity), then the person(s) traveling shall supplement the information required by the administrative procedure applicable to the travel by disclosing the source and amount of the funding and the amount of the expenses on a travel expense report and travel-related log filed in accordance with administrative procedure requirements for filing expense reports and travel-related logs. If the expenses are not completely known as of the date of the report, then the expenses shall be estimated and later updated by memorandum whenever the expenses and source(s) of funding are completely known. The funding sources and expense amounts disclosed pursuant to this section shall include those of any person accompanying the salaried or non-salaried city employee or elected official who is related to the employee or elected official within the first degree of affinity or consanguinity, except when the relative pays for his own travel or it is paid by another person related to the employee or elected official within the second degree of affinity or consanguinity.
(Ord. No. 01-698, § 2, 7-25-01)

Sec. 2-32. Accompanying travelers.

If other travelers accompany a salaried or non-salaried employee or elected official of the city as part of a trade or economic mission and the co-travelers are part of the city coterie, then the names of such co-travelers shall be disclosed in the travel expenses report and travel-related log in a separate exhibit entitled, "Accompanying Travelers," which shall be filed in accordance with the applicable administrative procedure requirements for filing expense reports and travel-related logs.
(Ord. No. 01-698, § 2, 7-25-01)

Sec. 2-33. Filing of travel expenses report and travel-related log.

A duplicate copy of travel expenses reports and travel-related logs containing information required to be reported under this division, together with any updating memoranda, shall be filed with the city secretary at the same time they are filed in accordance with administrative procedure requirements for filing expense reports and travel-related logs. The city secretary shall maintain such reports in a manner that is accessible to the public during regular business hours.
(Ord. No. 01-698, § 2, 7-25-01)

Secs. 2-34, 2-35. Reserved.

DIVISION 3. FIDELITY COVERAGE*

Sec. 2-36. Generally.

All officers and employees of the city shall be covered either by individual public official bonds or by the blanket crime policy for public employees in accordance with the conditions and requirements set forth in this division.
(Ord. No. 04-1244, § 2, 12-1-04)

Sec. 2-37. Individual public official bonds for specific officers—Required; amount.

(a) Throughout the incumbency of each, the holders of the following offices and positions shall be covered by individual public official bonds in the amounts set forth below opposite the titles of such respective offices and positions:

*__Editor's note—__Ord. No. 04-1244, § 1, adopted December 1, 2004, amended the title of Division 3 to read as herein set out. Formerly, said title pertained to bonds.

Title	*Amount*
Mayor	$50,000.00
City controller	50,000.00
City treasurer	25,000.00
Tax assessor and collector	25,000.00
Assistant city treasurer	25,000.00
Assistant director of treasury	25,000.00
Assistant tax assessor and collector	25,000.00
Deputy city controller (designated)	25,000.00
Deputy assessor of taxes	25,000.00
Clerk of the municipal courts	25,000.00

(b) In the event two or more of the titles above listed should become applicable to the same person, only one public official bond need be provided for such person, and it shall cover him in all capacities.
(Ord. No. 04-1244, § 2, 12-1-04; Ord. No. 2010-846, § 2, 11-3-2010)

Sec. 2-38. Same—conditions.

The individual public official bonds mentioned in section 2-37 shall each be conditioned that the surety executing such bond agrees to indemnify the city against any direct loss of money or other personal property belonging to the city or for which the city is legally responsible, caused by larceny, theft, embezzlement, forgery, misappropriation, willful misapplication, wrongful abstraction or by any other dishonest or fraudulent act or acts committed by the officer or employee covered by such bond. In addition, the bonds covering the offices of mayor and city controller shall be conditioned for the faithful performance of the duties of those respective offices.
(Ord. No. 04-1244, § 2, 12-1-04)

Sec. 2-39. Blanket crime policy for public employees.

A blanket crime policy for public employees shall be maintained and shall cover all employees other than those officers and employees required by section 2-37 of this Code to be covered by individual public official bonds. The policy required under this section shall be conditioned such that the issuer of the policy shall indemnify the city against loss sustained through any fraudulent or dishonest act or acts committed by any of the covered employees, acting alone or in collusion with others, during the term of the policy. The policy shall be in an amount that the city council determines from time to time provides the most favorable premium and limit of coverage available to the city.
(Ord. No. 04-1244, § 2, 12-1-04)

Sec. 2-40. Approval of form.

(a) The form of the public official bond, whether new or a change to an existing bond, required to cover the mayor or the city controller pursuant to this division shall be subject to final approval by the city council. Whenever a new public official bond to cover the mayor or the city controller is to be filed, or a change to the existing public official bond form for the mayor or the city controller is proposed, the same shall be presented to the city council together with the recommendation of the director of administration and regulatory affairs and the city attorney. The city council will then, by motion, indicate its approval or disapproval of the form of the public official bond. Failure of the city council to act will in no way diminish any liability the surety would otherwise have with respect to any public official bond that the surety has delivered for the purpose of putting it in force.

(b) The director of administration and regulatory affairs is authorized to approve the form of public official bonds for all officers except the mayor and the city controller and the blanket crime policy for public employees.
(Ord. No. 04-1244, § 2, 12-1-04; Ord. No. 05-346, § 1, 4-6-05; Ord. No. 08-110, § 2(1a), 2-13-08)

Sec. 2-41. Payment of premiums.

Payment of the premiums on the public official bonds and blanket crime policy provided for in this division will be out of the budget appropriations for which the city council will make provision annually.
(Ord. No. 04-1244, § 2, 12-1-04)

Sec. 2-42. Duties of director of administration and regulatory affairs under division.

It shall be the duty of the director of administration and regulatory affairs to ensure compliance with the provisions of this division and to ensure that the public official bonds and blanket crime policy provided for in this division are obtained in accordance with the city's procurement procedures set forth in chapter 15 of this Code.
(Ord. No. 04-1244, § 2, 12-1-04; Ord. No. 08-110, § 2(1b), 2-13-08; Ord. No. 2015-668, § 7, 7-8-2015)

Editor's note—Ord. No. 08-110, § 2(1b) amended the title of § 2-42 to read as herein set out. Formerly said section was entitled Duties of director of treasury under division.

Secs. 2-43—2-50. Reserved.

ARTICLE III. DEPARTMENT OF FINANCE*

DIVISION 1. IN GENERAL

Sec. 2-51. Created.

There is hereby created a department to be designated the department of finance.
(Ord. No. 08-52, § 1, 1-16-08, eff. 1-26-08)

Sec. 2-52. Director—Position created; appointment.

There is hereby created the position of director of the department of finance, who shall be appointed by the mayor and confirmed by the city council. Except as provided or limited by the City Charter, the director of the department of finance shall mean the director or his designee.
(Ord. No. 08-52, § 1, 1-16-08, eff. 1-26-08)

Sec. 2-53. Same—Powers and duties.

The director of the department of finance shall perform all duties and have all the responsibilities required and imposed by the laws of the United States and the state, the City Charter and ordinances of the city, and such other functions, duties and powers as may be assigned by the mayor. In addition to the foregoing duties, functions, powers and responsibilities, the director of the department of finance, subject to the direction and supervision of the mayor, shall:

(1) Be executive head of the department of finance, and as such, shall have control, supervision and authority over all officers and employees therein.
(2) Be designated as the tax assessor and collector of the city and have all of the powers and duties provided by law for such office or designate in writing a qualified individual who will perform the duties of tax assessor and collector of the city with the same legal authority as the director of finance as provided in section 2-57 of this Code.
(3) Exercise and perform or cause to be exercised or performed all duties and functions assigned to the department of finance.
(4) Be designated as and perform the duties of the city treasurer and all functions usually and customarily appertaining to such office, including all statutory duties and functions, or designate in writing an individual who will perform the duties of city treasurer with the same legal authority as the director of finance as provided in section 2-57 of this Code.
(5) Prescribe a system of controls and recordkeeping for all real and personal property owned or held by the city.
(6) Recommend such legislation as may be necessary to more efficiently operate and maintain the department of finance.

(Ord. No. 08-52, § 1, 1-16-08, eff. 1-26-08; Ord. No. 603, § 3, 6-19-2013)

Sec. 2-54. Duties of department.

The department of finance and such employees of the department as are assigned to it shall be charged with the following duties:

(1) Prepare the mayor's annual operating and capital budgets as prescribed by the City Charter, city ordinances and all related operational plans.

*__Editor's note—__Ord. No. 08-52, § 1, adopted January 16, 2008, effective January 26, 2008, amended Article III in its entirety to read as herein set out. Former said article pertained to the Department of Finance and Administration and derived from Code 1968, §§ 2-236—2-241 and subsequent amendatory ordinances. See the Code Comparative Table.

(2) Supervise and administer the duties imposed by this Code, other ordinances, the City Charter and state law relating to all city-funded pension programs.

(3) Recommend new sources of revenue designed to pay the cost of providing city services.

(4) Periodically review the cost of services associated with existing fees.

(5) Review costs and charges associated with any proposed fees.

(6) Monitor all actions necessary to enforce ordinances pertaining to the collection of revenue due and owing to the city.

(7) Monitor all duties prescribed and specified by law pertaining to the rendition, assessment and collection of ad valorem taxes by the city.

(8) Review the city's operating and support procedures, recommend and implement methods of improving the efficiency of such procedures and assist with developing methods designed to increase the revenue and efficiency of the city.

(9) Establish a system of management reporting, control and improvement to ensure effective use of budgeted funds, personnel and facilities.

(10) Establish a system of internal financial controls.

(11) Develop, implement and manage policies and procedures under the direction of the mayor.

(12) Manage the financial accounting of all revenues, expenditures, assets and liabilities for the city.

(13) Monitor and manage all debt for the city.

(14) Develop, implement and manage citywide policies and procedures for the procurement and strategic purchasing of goods and services.

(15) Develop and implement citywide policies, procedures and standards for materials requirement planning and warehousing and distribution.

(16) Supervise all accounts payable activities for the city.

(17) Manage all energy purchases including, but not limited to electricity, natural gas, and fuel from all sources.

(18) Monitor citywide costs, including but not limited to, property and casualty insurance, information technology and services, fleet, insurance, health benefits, and facilities maintenance. Recommend to Mayor and responsible Directors means for controlling costs in all areas.

(19) Perform the central administrative, budgeting and personnel duties of the office of city council.

The city controller has parallel processes for the activities listed in items (12), (13) and (16) above.
(Ord. No. 08-52, § 1, 1-16-08, eff. 1-26-08; Ord. No. 08-568, § 19, 6-18-08; Ord. No. 2010-803, § 3, 10-13-2010; Ord. No. 603, § 4, 6-19-2013)

Sec. 2-55. Designation of temporary director.

The director of finance shall designate, with the approval of the mayor, an employee who, during the temporary absence or incapacity of the director, shall have and perform all of the powers and duties of the director of finance. Such appointee will serve in such capacity at the pleasure of the mayor and shall receive no additional compensation by reason of such appointment.
(Ord. No. 08-52, § 1, 1-16-08, eff. 1-26-08)

Sec. 2-56. Authority of director to function in other capacities.

(a) Whenever any provision of this Code or any other city ordinance provides for the taking of any action or the performance of any function by any of the city treasurer, the director of the treasury, the department of treasury, the tax assessor and collector, the director of the tax department, the director of the purchasing department, or the purchasing agent, then the director of the department of finance shall be authorized to take such action or perform such function, or to cause the same to be taken or performed. Provided, how-

ever, if the director of the department of finance has elected to designate another person as the city treasurer or tax assessor and collector of the city as authorized in section 2-57 of this Code, then the person so designated shall perform any duty devolving upon that office.

(b) To the extent that any other reference in this Code or in any other ordinance of the city or any reference in any city contract or other document devolves duties relating to capital improvement planning upon the general services department or the director or employees of that department, then the reference shall be construed to mean the department of finance or the director and employees thereof, as applicable.
(Ord. No. 08-52, § 1, 1-16-08, eff. 1-26-08; Ord. No. 08-568, § 20, 6-18-08; Ord. No. 2010-803, § 4, 10-13-2010; Ord. No. 603, § 5, 6-19-2013)

Sec. 2-57. Designation of city treasurer or tax assessor and collector of the city.

The director of finance is hereby authorized to delegate the performance of the duties of city treasurer or tax assessor and collector of the city to a qualified individual by filing in the office of the city secretary a memorandum designating the person who shall perform each of such functions. In the event that such a delegation is made the person so delegated shall perform all duties devolving by law upon said office. Any designation shall remain in force and effect until a document shall be filed in the office of the city secretary revoking such designation or appointing another person to perform such function.
(Ord. No. 08-52, § 1, 1-16-08, eff. 1-26-08)

DIVISION 2. PURCHASING FUNCTIONS

Sec. 2-58. Reserved.

Editor's note—Ord. No. 2015-668, § 8, adopted July 8, 2015, repealed § 2-58 in its entirety. Formerly said section pertained to method of making purchase and derived from Ord. No. 2013-603, § 6, 6-19-2013.

Sec. 2-59. Necessity for appropriation before purchase.

Before granting any requisition for or contracting for or accepting any bid or purchasing any supplies, merchandise, or articles, the director of the department of finance shall cause an inquiry to be made as to whether or not there is an appropriation therefor out of which payment for same can be made, and if there is not, then the director shall refuse to grant such requisition or to contract for or accept such bids or purchase such supplies, merchandise, or articles.
(Ord. No. 2013-603, § 6, 6-19-2013)

Sec. 2-60. Rental of office equipment on a month-to-month basis.

(a) The department of finance may rent office equipment on a month-to-month basis without taking formal bids when the monthly rental does not exceed the city council approval requirement limitation amount established pursuant to article II, section 19a of the City Charter pursuant to the following policy and standards:

(1) Office equipment shall be deemed to include, without limitation, the following:

a. Copy machines.

b. Typewriters.

c. Furniture.

d. Personal computers.

e. Miscellaneous office equipment.

(2) Each department shall establish its requirements for items of office equipment which it desires to rent on a month-to-month basis. Such requirements shall be furnished in writing to the department of finance. Several machines shall be examined or inspected to determine which one best suits the specific requirements of a department. In addition to a machine's functional features, operational costs shall be taken into consideration.

(b) The director of finance or his designee shall make the selection of a particular type of office equipment based on the following criteria:

(1) The item of equipment that best serves the requirements for which it is to be used, with costs given a weighted value;

(2) The capability of the lessor to provide maintenance to the item of office equipment on short notice; and

(3) The availability of trained technicians who are fully familiar with the item of equipment so that servicing and repairs will be made in a good and workmanlike manner.

(c) Contract charges shall be paid monthly by the city upon receipt of an invoice therefor from the contractor.

(d) Rental and maintenance agreements for items of office equipment are hereby authorized when the obligations therefor are governed by the laws of the state and the obligations of the city do not exceed that of a bailee for hire, and all such lease agreements shall provide that the city shall have the option to terminate such lease agreement upon 30 days' written notice.

(e) If any price increase raises the monthly rental to more than the city council approval requirement limitation amount established pursuant to article II, section 19a of the City Charter, the department of finance shall immediately submit the rental to competitive bids or proposals as required by state law."
(Ord. No. 2013-603, § 6, 6-19-2013)

ARTICLE IV. CITY RECORDS

DIVISION 1. GENERALLY

Sec. 2-61. Fees for subpoenaed information related to fire department services.

(a) The fire chief may impose fees for certain services related to providing information and copies of records in response to a subpoena properly served upon the City of Houston, care of the custodian of records for the Houston Fire Department, for records relating to fire response and emergency medical services when the city is not a party to the underlying litigation. Fee amounts shall be based upon the cost of providing the services as determined by the fire chief and are stated in the city fee schedule for the following services:

(1) Production of copies of patient medical records.

(2) Production of copies of fire records, which include incident reports and additional documents related to specific fire event responses.

(3) Preparation of affidavits.

(4) Production of responses to depositions on written questions.

(b) The director of finance may impose fees for providing information and copies of records in response to a subpoena properly served upon the City of Houston, care of the custodian of records for the department of finance for fire department services billing information, when the city is not a party to the litigation. Fee amounts shall be based upon the cost of providing the services as determined by the director of finance and are stated in the city fee schedule for the production of responses to depositions on written questions.

(c) No fee shall be imposed under this section if its imposition is prohibited by a valid and applicable state or federal law, and no fee shall be imposed in excess of any fee limitation established by a valid and applicable state or federal law.
(Ord. No. 2017-51, § 2, 1-25-2017, eff. 3-1-2017)

Secs. 2-62—2-65. Reserved.

DIVISION 2. CITY SECRETARY

Sec. 2-66. Office created; appointment and removal.

The department and office of city secretary is hereby created. The city secretary shall be appointed by the mayor and confirmed by the city council, and shall hold office subject to removal at any time by the mayor or city council. The city secretary shall be the director of the department of the city secretary.
(Code 1968, § 2-124; Ord. No. 05-91, § 2, 1-25-05)

Charter reference—Appointment of heads of administrative departments, Art. VI, § 7a.

Sec. 2-67. General duties.

The duties of the city secretary shall be to keep, record and preserve the minutes and proceedings of the city council, and to be custodian of all the papers and records of the council proceedings of the city, with power to make certificates of any proceedings of the city council, to affix the city seal thereto, and to do and perform all things and acts usually done or necessary to be performed by secretaries or clerks of cities in connection with the business thereof. In addition to the duties herein mentioned, the city secretary shall do and perform such other duties, acts and things as may be required of him by the mayor or city council.
(Code 1968, § 2-125)

Sec. 2-68. Authority of assistants.

During the absence or inability of the city secretary to act, any assistant city secretary shall discharge the functions and duties of the city secretary and shall act in the city secretary's place and stead.
(Code 1968, § 2-126)

Sec. 2-69. Endorsement on official communications.

It shall be the duty of the city secretary to endorse on all official communications and documents received by him the date and hour of the receipt of the same.
(Code 1968, § 2-127)

Sec. 2-70. Recording ordinances—Generally.

The city secretary shall record all ordinances and keep a record book for that purpose. The transcriptions of such ordinances shall be in typewriting on loose leaves, numbered consecutively and shall be kept in a safe place until not less than 250 leaves or 500 pages of typewriting have accumulated when such leaves shall be bound securely in permanent book form. In lieu of such books, the city secretary may make and preserve permanent microfilm copies of said ordinances, which shall be appropriately indexed by number and subject matter or make and preserve copies of said ordinances in an electronic format stored or maintained in an electronic storage system or in a manner that enables searching or locating of said ordinances. The city secretary may also keep copies of said ordinances in such other form as the city secretary may consider most expedient. Such copies shall constitute official public records of the city.
(Code 1968, § 2-128; Ord. No. 72-1871, § 1, 10-17-72; Ord. No. 2020-320, § 5, 4-15-2020)

Sec. 2-71. Same—Annexation ordinances.

Whenever any ordinance annexing any territory to the city is passed upon its first reading or upon any subsequent or further reading, it shall, as soon thereafter as may be reasonably possible, be recorded at length in a separate record book kept by the city secretary for that purpose, together with an appropriate record of the date of its passage and whether the same is a passage upon its first or subsequent (including final) reading; provided, when any such annexation ordinance is passed on its final reading and approved by the mayor it shall not only be so recorded at length in such separate annexation ordinance book, but shall also then be recorded at length in the book in which ordinances generally are then being recorded, and in the form in which it was passed upon its final reading. In lieu of such books, the city secretary may make and preserve permanent microfilm copies of said ordinances in an electronic format or in an electronic storage system, which shall be appropriately indexed by number and subject matter or make and preserve copies of said ordinances in an electronic format stored or maintained in an electronic storage system or in a manner that enables searching or locating of said ordinances. The city secretary may also keep copies of said ordinances in such other form as the city secretary may consider most expedient. Such copies shall constitute official public records of the city.
(Code 1968, § 2-129; Ord. No. 72-1871, § 2, 10-17-72; Ord. No. 2020-320, § 5, 4-15-2020)

Sec. 2-72. Fee for certificates issued under Alcoholic Beverage Code.

There is hereby established and the city secretary shall charge and collect the fee stated for this provision in the city fee schedule for the preparation, issuance or signing of each certificate issued by the city secretary pursuant to the Texas Alcoholic Beverage Code, including, but not limited to, certificates issued pursuant to sections 11.37 and 61.37 of such code. The fees so charged and collected shall be periodically remitted to the city controller.
(Code 1968, § 2-22; Ord. No. 69-1609, §§ 1, 2, 8-27-69; Ord. No. 2011-1168, § 13, 12-14-2011)
Cross reference—Alcoholic beverages, Ch. 3.

Sec. 2-73. Fee for district petitions.

The city secretary's office is hereby designated as the filing place for all petitions and requests for consent that are required by state law to be filed with the city for the inclusion of any land within the city or its area of extraterritorial jurisdiction in any district created under the authority of article III, section 52 or article XVI, section 59 of the Texas Constitution, whether by virtue of the creation of the district or the change of boundaries of a district in existence. There is hereby imposed a fee in the amount stated for this provision in the city fee schedule, which shall be payable upon the filing of each petition or request for consent in order to defray the city's costs in reviewing the same.
(Ord. No. 91-1171, § 1, 8-14-91; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 2-74. Notices of claims.

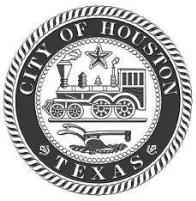
The city secretary's office is hereby designated as the place of official filing of any notice that is required or permitted to be given to the city under section 101.101 of the Texas Civil Practice and Remedies Code or section 11 of article IX of the city Charter, or both. The city secretary shall maintain a record of the date and time that each notice is filed and shall forward each notice or a copy thereof to the city attorney or his designee for disposition. Any notice that is not filed with the city secretary's office in accordance with this section shall be presumed not to have been received by the city.
(Ord. No. 94-957, § 1, 9-14-94)

Secs. 2-75—2-80. Reserved.

DIVISION 3. CITY SEAL

Sec. 2-81. Definitions

City seal, when used in this Code, means the official seal of the City of Houston, including any physical or electronic cut, facsimile or reproduction thereof (including an electronic reproduction, electronic form or electronic image), which consists of a circular seal having a rope pattern contour with a design of a plow, a locomotive and a five-pointed Texas star, and the wording 'CITY OF HOUSTON TEXAS' within the seal and a fleur de lis on each side of the term 'TEXAS' and the face of which is substantially as set forth below:



Department logo means any city department or office logo, shield, mark, patch, emblem, or similar insignia, including any cut, facsimile or reproduction thereof, that is created and used by the city to represent a specific city department or office.
(Ord. No. 2012-13, § 2, 1-4-2012; Ord. No. 2020-320, § 6, 4-15-2020)

Sec. 2-82. Custodian.

(a) The mayor or her designee is the custodian of the city seal.

(b) The director of a department or office is the custodian of the department logo for that department or office.
(Ord. No. 2012-13, § 2, 1-4-2012)

Sec. 2-83. Use of city seal and department seal for official use.

(a) The city seal and any department logo are the property of the City of Houston.

(b) The city seal and a department logo may be used by city employees and elected or appointed city officials in connection with the performance of official city business or city sanctioned events, including but not limited to placement of the city seal or department logo on city vehicles, equipment, stationery, the city flag, department websites, handouts for city training sessions, city brochures, city presentations, city uniforms and city issued articles of clothing, department news releases, HTV programs and bulletins, city-sponsored events, and city memorabilia used to promote the city.

(c) The city secretary or her designee is authorized to use the city seal on any ordinance, resolution, proclamation, commendation, certificate or other instrument approved by the city council or executed by the mayor or other city officials and to use the city seal to authenticate official documents in the conduct of official city business.
(Ord. No. 2012-13, § 2, 1-4-2012)

Sec. 2-84. Other approved uses.

(a) The mayor may approve other uses of the city seal or a department logo by any person for the following purposes provided that such use promotes the interests of the city and is not detrimental to the image of the city:

(1) In an encyclopedia, dictionary, book, journal, pamphlet, periodical, magazine or newspaper incident to a description or history of the city seal or department logos;

(2) In a library, museum or educational facility incident to descriptions or exhibits relating to the city seal, a department logo, or the city;

(3) In a theatrical, motion-picture, television, or similar production exhibited for a historical, educational or other non-commercial purpose.

(b) Before any person is allowed to use the city seal or any department logo pursuant to this section, the person must:

(1) Agree that the proposed use of the city seal or any department logo shall conform to the permitted uses set forth in the preceding subsection.

(2) Submit samples of all documents, goods, and other materials upon which the city seal or a department logo is to be used sufficient to demonstrate that the proposed use of the city seal or department logo is a faithful reproduction and has not been altered in any manner.

(3) Acknowledge the right of the city, at all reasonable times, to inspect any item upon which the city seal is used to ensure that the city seal is being used appropriately in an unadulterated form.

(4) Execute an agreement approved by the city attorney containing such terms as he may require.

(c) Approval to use the city seal or any department logo shall not be assignable or transferable.

(d) The approval to use the city seal or any department logo under this section shall be limited to only the event or item for which the approval is granted for.

(e) If a person who is authorized to use the city seal or a department logo pursuant to this section breaches any provisions of the agreement for its use, the city attorney shall serve written notice of such breach upon the person with a demand to take appropriate and immediate affirmative action to cure such breach. Any failure to cure the breach to the city's satisfaction shall be grounds for the city's termination of permission to use the seal or department logo and the city attorney shall pursue all steps reasonably necessary to restrain the improper use of the city seal or department logo.

(f) The city may revoke a person's previously authorized use of the city seal or department logo upon finding false or inaccurate information was submitted by the person to the city or that he violated any provision of this division.
(Ord. No. 2012-13, § 2, 1-4-2012)

Sec. 2-85. Prohibited uses.

The use of the city seal or any department logo by any person for the following uses is specifically prohibited:

(1) In support or opposition of any candidate for elective office, referendum, initiative, or ballot measure or in any candidate or committee campaign literature.

(2) Except as provided in section 2-83, in connection with any advertisement or promotion for any product, business, organization or service whether offered for sale, profit, or without charge.

(3) On any written or printed material designed, calculated, intended or likely to confuse, deceive or mislead the public or cause the reader of such written or printed material to believe it to be an official city publication, including circulating or distributing any such written or printed material or to suggest or assert any city support or endorsement of any product, goods or services.

(Ord. No. 2012-13, § 2, 1-4-2012)

Sec. 2-86. Offense.

It shall be unlawful for any person to use the city seal or any department seal in violation of this division.
(Ord. No. 2012-13, § 2, 1-4-2012)

Secs. 2-87—2-94. Reserved.

DIVISION 4. COPIES GENERALLY

Sec. 2-95. Requests for accident reports.

Any person requesting copies of accident reports from the police department must furnish a request for such report signed by the person involved authorizing the delivery of such copy to the applicant therefor and releasing such department from all claims arising by reason of having furnished such report.
(Code 1968, § 2-19; Ord. No. 87-1321, § 1, 8-5-87)

Cross reference—Accident reports generally, § 45-286 et seq.

Sec. 2-96. Charge for records furnished by police department or municipal court.

There is hereby authorized a charge for certified copies of reports, records and other documents by the police department and clerks of the municipal courts. The fee for such services is stated for this provision in the city fee schedule.
(Code 1968, § 2-18; Ord. No. 87-1321, § 2, 8-5-87; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 2-97. Charge for criminal history record information reports (clearance letters).

There is hereby authorized a charge for the issuance of criminal history record information reports, known as clearance letters, in the amount stated for this provision in the city fee schedule for each letter issued. Such letters may be issued

[The next page is 177]

for purposes of international travel and other lawful purposes in accordance with applicable federal and Texas laws and regulations.
(Ord. No. 87-1321, § 3, 8-5-87; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 2-98. Copies of council proceedings and similar public records.

(a) Upon application therefor, the city secretary shall furnish a true and correct copy of the record of any proceeding of the city council on file in his office and attach his certificate of true copy with the seal of the city thereon to same. For such service, the fees stated for this provision in the city fee schedule shall be charged and collected by the city secretary.

(b) The city secretary, upon the applicant preparing and furnishing him a true copy of the record of any proceeding of the city council on file in his office, shall compare the same and, if found correct, he shall attach his certificate of true copy with the seal of the city affixed thereon and for such service, he shall receive fees stated for this provision in the city fee schedule.

(c) Either the city council or the mayor may, whenever the city council or the mayor shall deem it of public interest, waive the charge for any mimeographed copies of any ordinance, motion, resolution, or other record of any proceeding of the city council. The city secretary may waive the charge for any such copies requested by a governing body, official, or employee of any city.

(d) Upon application therefor, the city secretary shall furnish noncertified photographic reproductions of public records. For such service, the city secretary shall charge and collect a fee based upon the rules promulgated by the Texas Building and Procurement Commission in the Texas Administrative Code Title 1, Chapter 70, from time to time. Such fees shall be collected and accounted for as provided for in section 2-100 of this Code.

(e) Upon request therefor the city secretary shall provide copies of documents larger than 8½ inches by 14 inches in size including maps, charts, and other large documents. The fee shall be based upon the actual cost of reproducing the document requested including labor, equipment, materials, and related expenses.
(Code 1968, § 2-20; Ord. No. 74-1137, § 1, 7-2-74; Ord. No. 80-45, §§ 1, 2, 1-15-80; Ord. No. 91-1172, § 1, 2, 8-14-91; Ord. No. 94-862, § 2, 8-24-94; Ord. No. 02-528, § 11a., 6-19-02; Ord. No. 2011-1168, § 13, 12-14-2011)

State law reference—See T.A.C. Title 1, Ch. 70

Sec. 2-99. Charges for copies by other departments.

All other city departments furnishing copies of reports, records and documents of such departments shall charge and collect a fee based upon the rules adopted in section 2-98 of this Code. Such fees shall be collected and accounted for as provided for in section 2-100 of this Code.
(Code 1968, § 2-20.1; Ord. No. 76-1258, § 1, 7-27-76; Ord. No. 94-862, § 3, 8-24-94; Ord. No. 02-528, § 11b., 6-19-02)

Sec. 2-100. Accounting for fees; failure to collect fees.

Such fees as are collected under this division shall be the property of the city, and shall be accounted for by the officer receiving same, and paid over to the assessor and collector of taxes of the city semi-monthly, on the fifteenth and thirtieth of each month, following the collection thereof, and a failure of any officer or employee to collect such fee when collectible, or to account for same and pay the same over to the assessor and collector of taxes for the city after the collection of same, shall be deemed a malfeasance in office and such officer or employee failing to collect same or to account and pay over same to the assessor and collector of taxes shall be removed.
(Code 1968, § 2-21)

Sec. 2-101. Copies of records to laid-off employees.

Notwithstanding the provisions of section 2-98 of this Code, any person laid off from city employment will be entitled to one copy of the civil service rule provisions applicable to his or her

layoff and one copy of his or her personnel file without charge upon request to the human resources director.
(Ord. No. 88-1284, § 1, 7-27-88; Ord. No. 96-1290, § 1, 12-4-96)

Cross reference—Layoffs (Civil Service Rule 11), § 14-140 et seq.

Secs. 2-102—2-110. Reserved.

DIVISION 5. MUNICIPAL RECORDS MANAGEMENT*

Sec. 2-111. Definitions.

For the purpose of this division, the following words and terms shall have the meanings respectively ascribed:

City record means any document, paper, letter, book, map, photograph, sound or video recording, microfilm, magnetic tape, electronic medium, or other information recording medium, regardless of physical form or characteristic and regardless of whether public access to it is open or restricted under the laws of the state, created or received by the city government or any of its officers or employees pursuant to law, including an ordinance, or in the transaction of public business. The term does not include:

(1) Extra identical copies of documents created only for convenience of reference or research by officers or employees of the city government;

(2) Notes, journals, diaries, and similar documents created by an officer or employee of the city government for the officer's or employee's personal convenience;

(3) Blank forms;

(4) Stocks of publications;

(5) Library and museum materials acquired solely for the purposes of reference or display; or

(6) Copies of documents in any media furnished to members of the public to which they are entitled under Chapter 424, Acts of the 63rd Legislature, Regular Session, 1973 (Article 6252-17a, Vernon's Texas Civil Statutes), or other state law.

Custodian means the appointed or elected public officer who by the city Charter, state law, ordinance or administrative policy is in charge of an office that creates or receives city records.

Director and librarian means the executive and administrative officer of the Texas State Library and Archives Commission.

Office means any office, department, division, program, commission, bureau, board, committee, or similar entity of the city government.

Records control schedule means a document prepared by or under the authority of the records management officer listing the records maintained by the city, their retention periods, and other records disposition information that the records management program may require.

Records management means the application of management techniques to the creation, use, maintenance, retention, preservation, and disposal of records for the purposes of reducing the costs and improving the efficiency of recordkeeping. The term includes the development of records control schedules, the management of filing and information retrieval systems, the protection of essential and permanent records, the economical and space-effective storage of inactive records, control over the creation and distribution of forms, reports, and correspondence, and the management of micrographics and electronic and other records storage systems.

Records management officer means the person designated in section 2-114 pursuant to section 203.025 of the Texas Local Government Code as the records management officer for the City of Houston.

Records retention schedule means a document issued by the Texas State Library and Archives

*__Editor's note—__**Editor's note—**Section 1 of Ord. No. 91-88, adopted Jan. 16, 1991, amended Div. 5 to read as herein set forth. Prior to such amendment, Div. 5 consisted of §§ 2-111—2-118 which pertained to similar subject matter and derived from § 2-73 of the 1968 Code and Ord. No. 85-1380 which adopted this Code.

Commission under authority of Subchapter J, Chapter 441, Government Code, establishing mandatory retention periods for city records.
(Ord. No. 91-88, § 1, 1-16-91)

Sec. 2-112. City records declared public property.

All city records as defined in section 2-111 of this Code are hereby declared to be the property of the City of Houston. No city official or employee has, by virtue of his or her position, any personal or property right to such records even though he or she may have developed or compiled with them. The unauthorized destruction, removal from files, or use of such records is prohibited.
(Ord. No. 91-88, § 1, 1-16-91)

Sec. 2-113. Policy.

It is hereby declared to be the policy of the City of Houston to provide for efficient, economical, and effective controls over the creation, distribution, organization, maintenance, use, and disposition of all city records through a comprehensive system of integrated procedures for the management of records from their creation to their ultimate disposition.
(Ord. No. 91-88, § 1, 1-16-91)

Sec. 2-114. Designation of records management officer.

The director of the department of administration and regulatory affairs shall be the city's records management officer and shall be responsible for city-wide files management and the direction and control of the city's records disposition program.
(Ord. No. 91-88, § 1, 1-16-91; Ord. No. 91-1076, § 9, 7-17-91; Ord. No. 08-52, § 2, 1-16-08, eff. 1-26-08)

Sec. 2-115. Duties of the records management office.

The specific duties of the records management office and its employees shall include, but not be limited to, the following:

(1) Plan, formulate, and prescribe basic files management and records disposition policies, systems, standards, and procedures.

(2) Prepare records control schedules in cooperation with the heads [directors] of all city offices and departments, define and identify vital and permanent records, and establish retention periods for all records which shall be at least as long as any mandatory retention periods established by the librarian and director.

(3) Review schedules annually and update or amend as needed.

(4) Coordinate the city-wide files management and records disposition programs and report annually to the mayor on program effectiveness.

(5) Provide records management advice and assistance to all city offices and departments by preparation of manuals of procedure and policy and by on-site consultation.

(6) Develop, disseminate, and coordinate files maintenance and records disposition procedures, including, but not limited to, those prescribed by this division 5, to meet the current and long-term information needs of the city.

(7) Train departmental records officers and other personnel in the fundamentals of records management and their duties in the records management program.

(8) Carry out at the proper time actions such as microphotography, destruction, and transfers that are required by records control schedules.

(9) Establish and monitor compliance with standards for filing and storage equipment and supplies in all city offices and departments.

(10) Develop a city-wide forms design and control system.

(11) Establish in cooperation with other responsible city officials a disaster plan for each city office and department to ensure maximum availability of records for reestablishing operations quickly and with minimum disruption and expense.

(12) Develop procedures to ensure the permanent preservation of the historically valuable records of the city.

(Ord. No. 91-88, § 1, 1-16-91; Ord. No. 05-91, § 1, 1-25-05)

Sec. 2-116. Responsibilities of city office and department directors.

Unless otherwise provided by law, all city office and department directors shall serve as custodians of the city records created or received by their offices or departments. They shall be responsible for the implementation and operation of the effective files procedures, records transfers and dispositions, and other activities within their areas of responsibility in accordance with the provisions of this division. They shall designate records officers within their offices and provide the records management officer the names of such designees and of all file stations and file personnel under their supervision. Persons designated as records officers shall report directly to the directors of their departments on matters relating to the records management program and should have full access to all files in their department.

(Ord. No. 91-88, § 1, 1-16-91; Ord. No. 05-91, § 1, 1-25-05)

Sec. 2-117. Responsibilities of records officers.

The records officer in each office and department is responsible for providing coordination between the records management officer and personnel in his or her office to ensure that provisions of this division are complied with. This responsibility shall include overseeing the application of records control schedules within the office or department.

(Ord. No. 91-88, § 1, 1-16-91)

Sec. 2-118. City offices to use records control schedule.

In accordance with the Local Government Records Act, Tex. Local Government Code, section 201.001, et seq., all city offices and departments shall adopt records control schedules and destroy, transfer, or otherwise dispose of records only according to such schedules.

(Ord. No. 91-88, § 1, 1-16-91)

Sec. 2-119. Development of records control schedules.

(a) Retention periods to be included in records control schedules shall be submitted by the records management officer to the city attorney, who shall notify the records management officer within 20 working days of his approval or of any objection to a retention period or request additional time not to exceed 20 additional working days in which to respond. At the expiration of the period (which shall not exceed 40 working days), if no objection has been submitted, the records control schedule shall be adopted by the city. If objection is made, the records management officer shall determine a retention period satisfactory to the office or department concerned and to the city attorney. Retention periods shall be at least as long as any mandatory period established by the librarian and director. If approved by the director and librarian of the Texas State Library and Archives Commission in accordance with section 202.001 of the Texas Local Government Code, the records control schedule shall have full force as sufficient authorization for records destruction or other action.

(b) When a records control schedule is adopted by the city and approved by the director and librarian, it shall thenceforth constitute full authority to destroy, transfer, microphotograph, or take other actions, and the city council hereby directs that such action be taken by the records management officer. No further notice to the city council or other city office shall be required.

(c) Revision of retention periods shall be submitted for review to the city attorney in the same manner as the original retention periods.

(Ord. No. 91-88, § 1, 1-16-91; Ord. No. 91-1076, § 10, 7-17-91)

Sec. 2-120. One-time destruction of records.

Prior to the adoption of records control schedules for an office, a one-time destruction of accumulated obsolete records of that office may be made by or under the supervision of the records management officer if approved by the director and librarian pursuant to sections 203.044 through 203.045 of the Texas Local Government Code. Prior to such destruction the records manage-

ment officer shall submit lists of records to be destroyed to the city attorney, who shall give notice within 30 working days of any records he believes should not be destroyed, and such records shall be retained for a period suggested by him. The records management officer shall also submit notice as required by law to the director and librarian. Obsolete records shall include those no longer created by the office or department and no longer needed for administrative, legal, fiscal, or other research purposes.
(Ord. No. 91-88, § 1, 1-16-91; Ord. No. 91-1076, § 10, 7-17-91)

Sec. 2-121. Preservation of permanent records.

The records management officer shall develop procedures to ensure the permanent preservation of the historically valuable records of the city. In no circumstances shall the permanent records of the city be transferred to private individuals, to private historical societies or museums, or to private colleges or universities.
(Ord. No. 91-88, § 1, 1-16-91)

Sec. 2-122. Noncurrent records not to be maintained in office files.

Records no longer required in the conduct of current business by any office or department of the city shall be promptly transferred to archives or be destroyed, at the time such action is designated on an approved records control schedule. Such records shall not be maintained in current office files or equipment.
(Ord. No. 91-88, § 1, 1-16-91)

Sec. 2-123. Confidentiality.

Nothing in this division 5 shall be deemed to authorize the records management officer to inspect the contents of any record which is confidential or to which access is otherwise restricted by law. The confidentiality of such information shall be maintained in accordance with section 203.023(8) of the Texas Local Government Code.
(Ord. No. 91-88, § 1, 1-16-91)

Sec. 2-124. Reserved.

DIVISION 6. RELEASES

Sec. 2-125. Fees for releases of liens.

The fees stated for this provision in the city fee schedule shall be charged for the initial recordable release furnished by the city upon payment of any obligation secured by a lien and for each additional subsequent release of the same obligation and lien.
(Code 1968, § 2-23; Ord. No. 74-831, § 1, 5-21-74; Ord. No. 84-898, § 1, 6-12-84; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Secs. 2-126—2-135. Reserved.

ARTICLE V. FINANCIAL AFFAIRS*

DIVISION 1. GENERALLY

Sec. 2-136. City depositories—Generally.

(a) The depositories of the funds of the city shall be such banks as are designated and enumerated from time to time by ordinance of the council and nothing in this Code or the ordinance adopting the same shall be deemed to affect the validity of any ordinance making such designations.

(b) The officers of the city entrusted with the depositing of funds of the city shall deposit such funds to the credit of the city in the banks designated and enumerated by ordinance pursuant to this section.
(Code 1968, § 2-13)

Sec. 2-137. Same—Deposit of sinking fund securities and unsold bonds.

All securities owned by the city sinking fund, and all unsold bonds of the city, shall be kept in any of the depositories designated pursuant to section 2-136, and shall be under the joint control of the director of treasury and the city controller.
(Code 1968, § 2-14)

***Charter reference—**Financial affairs generally, Art. VIa.

Cross references—Acceptance of statutory appearance bond, § 16-101 et seq.; use of revenue derived from the operation of parks, § 32-7; taxation, Ch. 44.

Sec. 2-138. Setting off taxes and other debts against city creditors.

(a) Any person who sells goods, wares or merchandise of any name, nature or description to the city, and who is indebted to the city for taxes of any kind, or who owes the city any other debt, shall either pay his taxes or other debt due to the city or else the city shall have the right to setoff such taxes or other debts out of such amount owed by the city.

(b) It shall be the duty of the city controller to ascertain from the tax assessor-collector whether or not any person collecting money from the city is indebted to the city for taxes or in any other way and if it is ascertained that such person is indebted to the city for taxes or in any other way, it shall be the duty of the city controller to report same to the mayor and he shall withhold the payment of the claim until the person legally entitled to collect the same has paid the taxes or any other debt due to the city.
(Code 1968, § 2-111)

Sec. 2-139. Dishonored checks, money orders, etc.

(a) If any party attempts to pay any bill, charge, fee, tax, fine or other indebtedness or obligation to the city by check, money order or similar instrument, and if the instrument is dishonored, then:

(1) The bill, charge, fee, tax, fine or other indebtedness or obligation shall be deemed to remain unpaid; and

(2) An additional dishonored instrument fee equal to 80 percent of the maximum processing fee permitted by § 3.506 of the Texas Business and Commerce Code, or any successor statute, shall be payable to the city by the maker of such instrument in addition to the total amount of such bill, charges, fees, taxes, fines, or other indebtedness if the instrument is not referred to a collection agency under contract with the city. The current fee amount shall be stated for this provision in the city fee schedule. If the dishonored instrument is referred by the city to a collection agency under contract with the city, then the dishonored instrument fee shall be the collection fee specified in the contract or the maximum fee permitted by state law, whichever is less. The dishonored instrument fee shall be in addition to any other applicable charges including charges for late payment.

(b) This section does not apply in the case of checks, money orders or similar instruments dishonored in the course of any attempt to pay any bill, charge, fee, tax, fine or other indebtedness or obligation by a check, money order or similar instrument drawn on or issued by a financial institution which has had its funds frozen by involuntary or voluntary action, if such freezing occurs after the attempt to pay the bill, charge, fee, tax, fine or other indebtedness or obligation in such manner. In such event the party attempting such payment shall not be charged the dishonored instrument fee if the bill, charge, fee, tax, fine or other indebtedness or obligation is paid within ten days from the date such party has been mailed a written notice that payment on the check, money order or similar instrument has not been honored.
(Ord. No. 87-1318, § 2, 7-29-87; Ord. No. 92-179, § 2, 2-19-92; Ord. No. 05-99, § 2, 2-2-05; Ord. No. 2011-1168, § 13, 12-14-2011)

Secs. 2-140—2-150. Reserved.

DIVISION 2. CITY CONTROLLER*

Sec. 2-151. Office created.

There is hereby created a department of the municipal government of the city to be known as the controller's office, the director of which shall be the city controller.
(Code 1968, § 2-108; Ord. No. 05-91, § 3, 1-25-05)

Sec. 2-152. Approval or disapproval of forms and blanks pertaining to accounting system.

(a) Forms for books or blanks pertaining to the accounting system of the city must be submitted in duplicate to the city controller before being adopted, printed or used by any departmental

*__Charter reference—__City controller, Art. VIII.

officer or person required to render periodical accounts to the city controller. If the city controller approves the form submitted, he shall file one copy in this office and return the other to the proper official, with his approval endorsed thereon.

(b) Should the city controller disapprove the form of any blank or book submitted to him, he shall thereupon prepare in his office a form to take the place of the form submitted and forward the same to the proper officer duly approved; provided, however, should the city controller determine that the blank form submitted will be unnecessary to the accounting system of the city, the proper officer shall be duly notified of such decision and such form shall not be adopted, printed or used by the department, officer or person submitting the same.
(Code 1968, § 2-110)

Sec. 2-153. Account with chief of police as to fines, etc.

(a) The city controller shall open an account with the chief of police of the city in which he shall charge the chief of police with all fines assessed in the municipal courts and credit him with all amounts paid on fines and deposited with the tax assessor and collector, together with such allowance on fines as provided for and referred to in chapter 35 of this Code.

(b) The city controller shall use, as his authority for the entries in this account, the daily reports furnished him by the clerk of the municipal court and the chief of police. He shall charge the chief of police with the total amount of fines assessed as shown on the report of commitments issued, and shall credit the chief of police with the total amount of fines discharged either by payment of cash or otherwise as shown in the reports of commitments returned.

(c) It shall be the duty of the city controller to file with the city council, as early as practicable after the close of each month, a statement which shall show the balance, if any, brought forward at the beginning of the month, the total amount debited to this account and the total amount credited to this account during the month, together with an analysis of any balance shown to be due the city, which shall give the case number, the date of commitment, the name of the defendant and the amount of fines and costs due the city in each of the cases remaining unpaid and represented in the balance due the city as reflected by this account.
(Code 1968, § 2-112)

Sec. 2-154. Destruction of documents.

The city controller, subject to the approval of the legal department, is hereby authorized to destroy or cause to be destroyed old vouchers, warrants and checks, representing completed transactions, and still in his possession, after the lapse of 15 years from the date of issuance of such documents. He is also authorized, subject to such approval, to destroy or cause to be destroyed cancelled bonds and interest coupons after the lapse of 15 years from the date of cancellation.
(Code 1968, § 2-113)

Sec. 2-155. Authority of designated deputy city controller.

The city controller shall designate a deputy city controller who, during any temporary absence or incapacity of the city controller, shall act for and on behalf of the city controller and shall possess all of the powers and perform all of the duties of the city controller; provided however, that any such designee shall be bonded as provided in section 2-37 of this Code.
(Code 1968, § 2-114; Ord. No. 68-1624, § 1, 10-2-68; Ord. No. 04-1243, § 1, 12-1-04)

Secs. 2-156—2-180. Reserved.

DIVISION 3. RESERVED*

Secs. 2-181—2-200. Reserved.

*__Editor's note—__Former §§ 2-181—2-186, which comprised Div. 3 and pertained to the purchasing department, were repealed by § 3 of Ord. No. 86-528, enacted April 22, 1986. The repealed provisions derived from §§ 2-156—2-160, 2-162 of the 1968 Code and Ord. No. 77-651, § 1, enacted March 29, 1977; Ord. No. 78-658, § 1, enacted April 4, 1978; Ord. No. 82-1317, §§ 1, 2, enacted Aug. 28, 1982; and Ord. No. 85-2120, §§ 1, 2, enacted Dec. 10, 1985.

ARTICLE VI. CITY PROPERTY*

DIVISION 1. GENERALLY

Sec. 2-201. Acceptance of deeds, dedications, easements, etc., by mayor.

The mayor is hereby authorized to accept, on behalf of the city, without action or further action by the city council, any and all deeds, dedications, easements and other instruments granting to the city any right, title, interest or use in or to any lands, or other property, both real and personal, and which are delivered to the city as a gift or for a consideration not to exceed $25.00, or for a recited consideration that has been previously approved by the city council. All such instruments so accepted shall be recorded by the Director of Houston Public Works in the official public records of real property of the county within which the land described therein is located, and the Director of Houston Public Works shall additionally notify the city secretary of the acceptance of each such instrument. Thereafter the original recorded deeds or other instruments shall be filed in the inventory records of the appropriate offices Houston Public Works.
(Code 1968, § 2-5; Ord. No. 86-1979, § 1, 11-10-86; Ord. No. 90-635, § 4, 5-23-90; Ord. No. 93-514, § 3, 5-5-93; Ord. No. 2018-11, §§ 49, 50, 1-10-2018)

Sec. 2-202. Execution of bills of sale for city property.

In any case where the city council has authorized the sale of improvements, chattels or fixtures appertaining to land owned by the city or has authorized the sale of any personal property owned by the city, the Director of Houston Public Works, or the director of administration and regulatory affairs, is hereby authorized to execute for and on behalf of the city a bill of sale embodying the terms and provisions of the sale as authorized by the city council, and the city secretary is hereby authorized to attest such bills of sale and affix the corporate seal of the city thereto.
(Code 1968, § 2-12; Ord. No. 90-635, § 4, 5-23-90; Ord. No. 93-514, § 3, 5-5-93; Ord. No. 08-52, § 3, 1-16-08, eff. 1-26-08; Ord. No. 2018-11, § 49, 1-10-2018)

Secs. 2-203—2-235. Reserved.

DIVISION 2. ABANDONMENT, SALE, ETC., OF CITY LAND, STREETS, ETC.†

Sec. 2-236. Sale of city land generally.

(a) Any land owned by the city, other than land provided for in sections 2-237, 2-238 and 2-239, determined not to be needed for city purposes, shall be advertised and may be sold to the highest bidder upon authorization of the city council, based upon the appraised fair market value of such land. The selling price for such land shall never be for less than the market value fixed by city council, which determination as to such market value will be final.

(b) When such land is advertised for sale upon authorization of the city council, any bidder may bid on the basis of all or part of the consideration for such land being the conveyance to the city of good, clear and merchantable title to land which the city council, prior to the advertisement for bids, has determined is needed by the city for public purposes.
(Code 1968, § 2-6; Ord. No. 74-803, § 1, 5-15-74)

***Charter references—**Sale or lease of city property, Art. VII, § 9; public property exempt from execution sale, Art. XI, § 9.

Cross references—Purchase of city property by antique dealers, § 7-20; purchase of city property by junk dealers, scrap metal processors, etc., § 7-61; purchase of city property by pawnbrokers, § 7-86; use of candles on certain city properties, § 28-32; painting or posting advertising matter on streets, sidewalks, bridges, etc., § 28-38; posting advertising matter on traffic signs, utility poles, etc., § 28-39; abandonment of city-owned utility facilities, § 47-266 et seq.

†**Editor's note—**Section 5 of Ord. No. 90-635, adopted May 23, 1990, repealed former Div. 2 of Ch. 2, Art. VI, and redesignated former Div. 3 as Div. 2. (The sections within new Div. 2 have not been renumbered.) Former Div. 2, §§ 2-216—2-220, pertained to the real estate department and derived from § 4 of Ord. No. 86-528, adopted April 22, 1986.

Charter reference—Limitations on sale or lease of real estate, Art. VII, § 9.

Cross reference—Abandonment of city-owned utility facilities, § 47-266 et seq.

Sec. 2-237. Abandonment of streets and alleys.

Streets or alleys, whether owned in fee or used by easement, may be sold to the abutting owner or owners, in proportion to the underlying fee ownership as exists, or would exist if by easement. When ownership is of the underlying fee, the apportionment shall be determined by city council, which determination will be final. Upon the payment of:

(1) The fee stated for this provision in the city fee schedule; or

(2) The appraised market value of the street or alley, based on not less than one appraisal; or

(3) The actual costs to the city based upon a "per square foot" proration of the city's cost plus the cost of any city improvements subsequently made that pertain to the property covered by the street or alley;

whichever is greatest, and after abandonment of the street or alley, the city will deliver a certified copy of the ordinance effecting abandonment to the owners of the fee simple title thereto, or to the abutting owners. The market value of any street or alley shall be fixed by city council, which determination as to such market value will be final.

(Code 1968, § 2-7; Ord. No. 74-803, § 1, 5-15-74; Ord. No. 88-171, § 1, 2-10-88; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 2-238. Abandonment of easements.

Easements, other than streets or alleys, may be sold to the abutting owner or owners, in proportion to the underlying fee ownership as exists, upon the payment of:

(1) The fee stated for this provision in the city fee schedule; or

(2) The appraised market value of the easement, based on not less than one appraisal; or

(3) The actual costs to the city based upon a "per square foot" proration of the city's costs plus the cost of any city improvements made that pertain to the property covered by the easement;

whichever is greatest, and after abandonment of the easement, the city will deliver a certified copy of the ordinance effecting abandonment to the owners of the fee simple title thereto. The market value of any easement shall be fixed by city council, which determination as to such market value will be final.

(Code 1968, § 2-8; Ord. No. 74-803, § 1, 5-15-74; Ord. No. 88-171, § 2, 2-10-88; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 2-239. Narrow strips of land.

Fee-owned narrow strips of land, or land so shaped as to be incapable of being used independently, may be sold to the abutting owner or owners, in proportion to the abutting ownership.

(1) Apportionment will generally be based on:

a. The projection of existing abutting property lines over such narrow strip; or

b. Street frontage, if any; or

c. Access to the property;

said apportionment to be determined by city council, which determination will be final.

(2) Payment for such tract of land shall be made in the amount of:

a. The fee stated for this provision in the city fee schedule; or

b. The appraised market value of the tract of land, based on not less than one appraisal; or

c. The actual costs to the city based upon a "per square foot" proration of the city's cost plus the cost of any city improvements subsequently made that pertain to the tract of land;

whichever is greatest. The market value of such tract of land shall be fixed by city council, which determination as to such market value will be final.

(Code 1968, § 2-9; Ord. No. 74-803, § 1, 5-15-74; Ord. No. 88-171, § 3, 2-10-88; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 2-240. Conditions to all sales.

(a) Nothing in this division shall be construed to require the city council to accept any bid or offer, or be required to consummate any sale of any land or property interest or to give any person a vested right to compel the city either to abandon, vacate or dispose of any land or any easement or right therein, or to compel or require that the same be upon any particular or exact terms or consideration.

(b) Any applicant under sections 2-237, 2-238 or 2-239 shall be required to make a cash deposit with the city equal to $300.00 plus the city's estimate of its cost to obtain appraisals of the land or property interest in question, or any re-appraisal thereof requested by or on behalf of the applicant, as reflected by the estimates of the cost to perform such work submitted by the appraisers selected by the city. All such appraisals or re-appraisals shall be obtained in the name of, and solely for the use and benefit of, the city. The $300.00 deposit, and the amount deposited for the first appraisal(s) only, shall be applied to the purchase price of the land or property interest under sections 2-237, 2-238 or 2-239 if the abandonment and sale is completed. The entire amount so deposited shall be forfeited by the applicant to the city the event the abandonment and sale is not completed.

(c) Reserved.

(d) Reserved.

(Code 1968, §§ 2-10, 2-11; Ord. No. 74-803, § 1, 5-15-74; Ord. No. 86-1582, § 1, 9-9-86; Ord. No. 88-171, § 4, 2-10-88; Ord. No. 92-984, § 1, 7-15-92; Ord. No. 08-664, § 2, 7-23-08)

Sec. 2-241. Appointment of appraisers.

(a) The Director of Houston Public Works and the director of general services ('the directors') shall allow council members to submit the names of appraisers to be evaluated for inclusion in a list of qualified appraisers. The directors shall jointly develop and maintain policies and procedures (i) for obtaining and maintaining a list of qualified appraisers who have applied to receive appraisal engagements from the city, and (ii) for appraisals of city owned real estate. The directors may remove appraisers with repeated performance violations including refusal of engagements, untimely delivery of appraisals, inadequate documentation, inadequately supported market values, and similar performance issues from the list of qualified appraisers for not less than one year nor more than three years.

(b) The directors shall recommend qualified appraisers to the city council, and the council shall designate by ordinance a list of the city's appointed appraisers for a period of not less than one year nor more than three years. The directors shall engage appraisers as needed from the list of appointed appraisers pursuant to subsection (c) or subsection (d) on a rotating basis, engaging the next appraiser(s) on the list who has appropriate (i) appraisal qualifications for the type of real estate or interest therein being sold or leased (such as residential, commercial, or industrial) and of the size and complexity of the appraisal, and/or (ii) appraisal experience in the locality of the subject real estate.

(c) In any sale of real estate or interest therein for which the value is estimated to exceed $1,000,000.00 or in any lease in which the value of the fee estate is estimated to exceed $1,000,000.00, the Director of Houston Public Works or director of general services, as applicable, shall engage two qualified appraisers on the list of appointed appraisers for the purpose of determining fair market value.

(d) In any sale of real estate or interest therein for which the value is estimated to not exceed $1,000,000.00, the Director of Houston Public Works or director of general services, as applicable, shall receive a minimum of one appraisal report from a qualified appraiser on the list of appointed appraisers for the purpose of determining fair market value. In any sale of real estate or interest therein for which the value is estimated to not exceed $50,000.00, an

appraisal report may be provided by a city employee with professional appraisal qualifications.

(e) In any transactions involving the Houston Airport System, the Director of the Houston Airport System shall have the responsibilities of and be substituted for either or both of the directors in subsections (b), (c), and (d) of this section.
(Ord. No. 04-338, § 2, 4-21-04; Ord. No. 08-664, § 3, 7-23-08; Ord. No. 2015-350, § 2, 4-15-2015; Ord. No. 2018-11, § 49, 1-10-2018)

Secs. 2-242—2-255. Reserved.

ARTICLE VII. LEGAL DEPARTMENT*

DIVISION 1. GENERALLY

Sec. 2-256. Created; department director.

There is hereby created a legal department of the city, and the city attorney shall be the director of such department.
(Code 1968, § 2-140; Ord. No. 05-91, §§ 1, 4, 1-25-05)

Sec. 2-257. City attorney's office created; appointment and removal of city attorney.

There is hereby created the office of city attorney of the city. The holder of such office shall be appointed by the mayor and confirmed by the city council and may be removed from office by the mayor at any time.
(Code 1968, § 2-141)

Charter reference—Appointment of heads of administrative departments, Art. VI, § 7a.

Sec. 2-258. General duties of city attorney.

The city attorney shall represent the city in all actions and proceedings before any court, commission, board or other judicial or administrative authority. He shall represent the city in all other legal matters. Upon request, he shall render opinions and advice to the mayor or city council upon any legal matter affecting municipal affairs. He shall render opinions and advice to city boards, commissions or directors of city departments, when requested in writing, upon any legal matter affecting the affairs of such board, commission or department. He shall maintain complete records in his department and perform such other duties as may be assigned from time to time by the mayor and city council.
(Code 1968, § 2-142; Ord. No. 05-91, § 1, 1-25-05)

Sec. 2-259. Assistant city attorneys.

The first assistant city attorneys and all assistant city attorneys shall be appointed and removed by the mayor at will. They shall aid and assist the city attorney in the exercise of his powers and duties, acting in his place when directed by him, and shall perform such duties as shall be assigned to them by the mayor, the city council, and the city attorney. For the purpose of discharging any power vested in the city attorney by Chapter 45 of the Code of Criminal Procedure of the State of Texas, the first assistant city attorneys and all assistant city attorneys shall each be considered a deputy of the city attorney.
(Code 1968, § 2-143; Ord. No. 93-1096, § 1, 9-8-93)

Charter reference—Appointment of employees, Art. VI, § 7a.

Sec. 2-260. Authority of city attorney relative to agreements for installment payment for damages to city property resulting from collisions.

In instances where any property, including, but not limited to, motor vehicles, owned by the city has been damaged in a collision involving a person operating a motor vehicle who has not complied with the requirements as to proof of financial responsibility, as provided by Article 6701h, Revised Civil Statutes, the city attorney, or his designated assistant, is hereby authorized to accept, execute and acknowledge on behalf of the city written agreements providing for the payment to the city of an agreed amount of

*__Cross references—__Representation of criminal defendants by city employees, § 16-65; city as party to suit to enjoin or abate recorded restrictions affecting subdivision, § 41-8 et seq.

money in installments to be paid by persons operating motor vehicles which have been in collision with and have caused damage to such city-owned property, such agreement being in compliance with Section 5 of said Article 6701h. The city attorney, or his designated assistant, is also authorized to execute and acknowledge on behalf of the city all releases of indebtedness and liability after full payment of all agreed installments have been made to the city.
(Code 1968, § 2-145)

Sec. 2-261. Authority of city attorney to accept immediate right of entry agreements under certain conditions.

Whenever an emergency exists requiring that the city obtain immediately the legal right to possession of all lands required for a certain public improvement or project and the Director of Houston Public Works shall certify that such an emergency exists, the city attorney is authorized to accept from any property owner whose land is required for such project an instrument granting the right of entry to the city and its contractors to take possession of the land and proceed with the construction of the improvement, which instrument may provide for the payment to the owner of interest at the legal rate from the date of the right of entry upon whatever compensation shall be paid him, either by purchase or condemnation award.
(Code 1968, § 2-146; Ord. No. 70-1754, § 1, 10-7-70; Ord. No. 90-635, § 6, 5-23-90; Ord. No. 93-514, § 4, 5-5-93; Ord. No. 2018-11, § 49, 1-10-2018)

Sec. 2-262. Authority of city attorney to institute and settle suits for debts and damages owed to the city.

(a) The city attorney or any of his assistants are hereby authorized to institute lawsuits on behalf of the city in any court of competent jurisdiction to recover any debt or damages owed to the city when in the exercise of their judgment such action is necessary. For the purposes of this subsection, any debt or damages owed to the city shall mean any monies deemed by a department to be payable to the city, or any money owed to the city under a previously executed installment contract.

(b) In a suit instituted under the authority of this section, the city attorney or his assistants are hereby authorized to make any settlement or compromise which in their judgment is in the best interest of the city.
(Code 1968, § 2-147; Ord. No. 73-730, § 1, 4-18-73)

Sec. 2-263. Authority of city attorney to settle contract disputes.

(a) The city attorney or any of his or her assistants are hereby authorized to settle disputes involving city contracts without approval by city council where such disputes involve a settlement amount to be paid by the city that is less than or equal to the maximum dollar amount of an expenditure that the city is generally allowed to make without taking competitive bids for contracts under state law, as amended from time to time.

(b) In exercising the authority pursuant to this section, the city attorney or any of his or her assistants are hereby authorized on behalf of the city to execute settlement agreements, releases, covenants not to sue, and similar documents which in their judgment are in the best interest of the city.
(Ord. No. 2016-909, § 1, 11-30-2016)

Sec. 2-264. Replacement of bonds and bond coupons—authorized; costs; collection of fees.

(a) The city is authorized by Chapter 1206 of the Texas Government Code and Section 8.405, Texas Business and Commerce Code, as amended, to issue a replacement bond for any bond theretofore lawfully issued and which is outstanding to replace, without an election, any such bond which has been destroyed, lost or stolen, upon receipt by the city of an indemnity satisfactory to the city together with an affidavit satisfactory to the city to establish proof of ownership and the circumstances of the loss, theft, destruction, mutilation or damage of such bond.

(b) The costs incurred by the city in issuing a replacement bond or bond coupon include personnel costs of the city secretary's, city controller's and city attorney's offices for time consumed in processing requests for replacements, research costs, managerial costs for review and signing all required documents, and legal fees.

(c) The city attorney shall levy and collect a fee, as set out in the fee schedule below, for the replacement of bonds and bond coupons. The fees shall be collected by the city attorney and transferred to the city controller for deposit in the city's general fund. All relevant records and the original transcript pertaining to the replacement bond or coupon shall be delivered to the city controller.

(Ord. No. 88-30, § 1, 1-6-88; Memorandum of 9-12-2012; Ord. No. 2016-909, § 1, 11-30-2016)

Note—Formerly § 2-263.

Sec. 2-265. Same—Fees.

(a) The following fees shall be charged for the issuance of a replacement for a bond(s) or coupon(s) which has been lost, stolen, destroyed or mutilated.

(1) Registered bonds fee, payable by the owner requesting the replacement bond(s) or coupon(s). This fee shall cover all costs, except printing costs, associated with replacing the bond(s) or coupon(s).

(2) Bearer bonds fee, payable by the owner requesting the replacement bond(s) or coupon(s). This fee shall cover all costs, except printing costs, associated with replacing the bond(s) or coupon(s).

(3) Printing costs. The actual invoice cost for printing of the replacement bond(s) or coupon(s), payable by the owner requesting the replacement bond(s) or coupon(s).

(4) Use of personal counsel. In the event that the owner requesting the replacement of bond(s) and/or coupons uses his or her personal counsel rather than the city attorney to prepare and have printed the required documents and certificates, the city shall assess a fee for review and processing of registered bond(s) and/or coupon(s) and a fee for review and processing of for bearer bond(s) and/or coupon(s).

(b) The fees shall be the same for replacing matured and unmatured bond(s) or coupon(s). The owner requesting the replacement will be assessed the applicable fees only once for replacement of single or multiple bond(s) or coupon(s), in the event that the bond(s) or coupon(s) are from the same bond series or issuance and the request for replacement of all the bond(s) or coupon(s) are made simultaneously. A fee will be assessed for each separate request for replacement of bond(s) and coupon(s) from different bond series or issuances.

(c) The fees are stated for this section in the city fee schedule.

(Ord. No. 88-30, § 2, 1-6-88; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2016-909, § 1, 11-30-2016)

Note—Formerly § 2-264.

Secs. 2-266, 2-267. Reserved.

DIVISION 2. NUISANCE ABATEMENT

Sec. 2-268. Policy.

Consistent with the remedies available under chapter 125 of the Texas Civil Practices & Remedies Code ("chapter 125"), it is the policy, but not the duty, of the city to aggressively pursue remediation of nuisance properties, including properties used for gambling, prostitution, obscenity offenses, controlled substance violations and other offenses that are enumerated in chapter 125. In cooperation with the police department and county law enforcement and prosecution officials, the legal department shall pursue suits whenever appropriate under chapter 125.

(Ord. No. 94-923, § 3, 9-7-94)

Sec. 2-269. Alternative remedies.

Whenever practicable, the city attorney shall notify the owners, tenants or persons in possession of a property prior to initiating a suit under chapter 125. However, prior notice shall not be required if in the judgment of the city attorney the giving of notice would not be in the best

interest of the public, including, but not limited to, instances where the severity of the situation justifies immediate legal action or situations where there is reason to believe that the owners, tenants or persons in possession might attempt to avoid service if they were aware of the filing of a suit.
(Ord. No. 94-923, § 3, 9-7-94)

Sec. 2-270. Alternative resolutions.

(a) In those instances in which the owners, tenants or persons in possession of property that is subject to a suit under this division indicate a willingness to attempt to rectify their nuisance conditions without a suit or in settlement of a suit, the city attorney may agree to forebear or abate the suit under chapter 125 upon a written undertaking by the owners, tenants or persons in possession of the property to take one or more of the following actions, as appropriate:

(1) The installation and use of lighting on the property to avoid dark passageways and exterior areas;

(2) The initiation or enhancement of privately funded security patrol services on the property;

(3) The inspection of vacant commercial or residential units or spaces to ensure that they remain secure and do not become a harborage for criminal activities;

(4) The removal or eviction of persons who have been associated with the causation of criminal activities on the property;

(5) The installation or enhancement of fencing and/or other crime deterrent devices on the property; and/or

(6) The installation or enhancement of other appropriate security or crime deterrent devices and/or procedures, as determined by the city attorney or other city officials or designees.

(b) Without limiting the prerogatives of the city attorney to develop appropriate agreement forms for the written undertakings of owners, tenants or persons in possession of property to abate nuisance conditions, the following requirements are specifically authorized to be included, as appropriate:

(1) That the undertaking be for a specific period of time, be binding upon any subsequent owner, tenant or person in possession of the property, and be duly recorded in the county real property records;

(2) That the owners, tenants or persons in possession be required to give immediate notice to appropriate city officials upon any transfer of the property title, leasehold or other interest involved;

(3) That the understanding be specific as to the exact nature of the actions that will be taken by the owners, tenants or persons in possession of the property and include a time schedule for the completion or implementation of the various items;

(4) That the owners, tenants or persons in possession of the property reimburse the city for inspection expenses, public safety expenses, legal expenses and costs of any other nature that have been incurred by the city in its actions to abate the nuisance or settle any matter relating to any nuisance condition that is associated with the property;

(5) That the owners, tenants or persons in possession be required to post a good and sufficient bond, assign a financial account or provide other security to cover the city's legal expenses and related enforcement costs for the prosecution of a suit under chapter 125 in case the undertaking is not timely and fully complied with; and/or

(6) That the owners, tenants or persons in possession be required to reimburse the city for public safety costs that are in excess of a level that is deemed to be reasonable in relation to the circumstances surrounding the use of the property.

(c) The undertaking of the owners, tenants or persons in possession of a property to take actions as provided in subsections (a) and (b),

above, may be monitored by the city attorney and the police department to ensure that the measures are implemented as agreed. In the event that the measures are not timely implemented or are not effective in abating the nuisance conditions, then the city attorney shall not in any manner be precluded from initiating or further prosecuting a matter under chapter 125.
(Ord. No. 94-923, § 3, 9-7-94)

Secs. 2-271—2-275. Reserved.

ARTICLE VIII. HOUSTON PUBLIC WORKS*

Sec. 2-276. Department created.

There is hereby created a department of the city to be known as Houston Public Works.
(Ord. No. 90-635, § 7, 5-23-90; Ord. No. 93-514, § 5, 5-5-93; Ord. No. 2018-11, § 4, 1-10-2018)

Sec. 2-277. Office of director.

(a) There is hereby created the office of Director of Houston Public Works. The director shall be the executive officer of the department and shall be appointed by the mayor and confirmed by city council. The director shall either:

(1) Be a professional engineer, registered as such in Texas;

(2) Have at least five years of full-time experience in an executive position in public service administration or business administration with accountability for management of complex business or service line performance and growth; or

(3) Have an equivalent combination of training, education, and experience sufficient to provide leadership and perform the duties of the office.

(b) The director shall have all the powers and shall exercise all the duties conferred upon the department stated in section 2-278 of this Code, except that if the director is not a professional engineer registered as such in Texas, any duties that devolve upon the director that are required to be performed by a professional engineer shall be performed by the city engineer.
(Ord. No. 90-635, § 7, 5-23-90; Ord. No. 93-514, § 5, 5-5-93; Ord. No. 05-91, §§ 1, 5, 1-25-05; Ord. No. 2018-11, § 49, 1-10-2018; Ord. No. 2024-880, § 2, 11-20-2024)

Charter reference—Appointment of heads of administrative departments, Art. VI, § 7a.

Sec. 2-278. Duties.

(a) The duties of the department shall include the following:

(1) Construction, maintenance and operation of the city's water system, sewer system, drainage utility system, and any combination of those systems.

(2) Design, construction, repair and maintenance of streets, bridges, structures and capital projects of all natures as required for the infrastructure of the city.

(3) Acquisition of real property for capital projects and maintenance of real property records; disposal of surplus real property.

(4) Operation and maintenance of city buildings and structures that are assignedto the department.

(5) Design, installation and maintenance of traffic control signals and devices and related duties.

(6) Administration and enforcement of the Construction Code and related duties.

(7) Administration of the building official's functions assigned to the department in Chapter 10 of this Code.

(8) Administration of the solid waste management division's duties and functions, including maintenance and operation of the city's solid waste management system, assigned to the department in Chapter 39 of this Code.

*__Editor's note—__Ord. No. 2018-11, § 3, adopted January 10, 2018, amended the title of Ch. 2, Article VIII to read as herein set out. Former Article VIII was entitled "Public Works and Engineering Department."

(9) Any other duties as assigned by the mayor or city council pursuant to law.

(b) To the extent that this Code or any other ordinance or any motion, resolution, or other document devolves duties relating to the enforcement of the Construction Code upon the department of planning and development or the director thereof, then such references shall be construed to mean Houston Public Works and the director thereof.

(c) To the extent that this Code or any other ordinance or any motion, resolution, or other document devolves duties upon the department of public works and engineering or the director thereof, then such references shall be construed to mean Houston Public Works and the director thereof.
(Ord. No. 90-635, § 7, 5-23-90; Ord. No. 93-514, § 5, 5-5-93; Ord. No. 94-674, § 3, 7-6-94; Ord. No. 98-613, § 10, 8-5-98; Ord. No. 02-528, § 14d., 6-19-02; Ord. No. 03-794, § 5, 9-3-03; Ord. No. 04-1015, § 6, 9-27-04; Ord. No. 08-417, § 3, 5-14-08; Ord. No. 08-568, § 21, 6-18-08; Ord. No. 2018-11, §§ 5, 50, 1-10-2018; Ord. No. 2021-1037, § 20(Exh. I.5, 12-1-2021, eff. 4-1-2022; Ord. No. 2026-0516, § 21, 6-10-2026)

Sec. 2-279. Certain functions to be performed by the general services and aviation departments.

With the exception of real property acquisition and the disposition of surplus real property, which shall be handled concurrently by the department and the general services department, the planning, design, construction and management of city buildings shall be the responsibility of the general services and aviation departments, as provided in this Code.
(Ord. No. 99-378, § 3, 4-21-99; Ord. No. 05-946, § 2, 8-10-05; Ord. No. 06-804, § 2, 8-2-06; Ord. No. 07-840, § 3, 7-18-07)

Sec. 2-280. Use of training services by outside agencies.

Houston Public Works shall maintain one or more training facilities at which job related training shall be provided to personnel of the department and of other city departments. Priority shall be given in all training courses conducted by Houston Public Works to city employees. To the extent that any excess capacity may exist in any class or training course after city needs have been accommodated, Houston Public Works may allow persons who are employed by other political subdivisions, persons who are employed by construction contractors and other persons to attend the class or training course. The Director of Houston Public Works may adopt procedures regarding the offering of training to persons who are not city employees. The Director of Houston Public Works or the director's designee shall establish training fees, registration fees, lab fees, printing fees, and other related fees for any training furnished to persons who are not city employees. The fees shall be payable for each person other than a city employee attending each class. The fees shall be based upon the city's cost of providing the services and shall be remitted to the city treasury. In addition to the imposition of the fees authorized above for training provided to persons who are not city employees, the Director of Houston Public Works may impose interdepartmental fees to recover the Houston Public Works costs when training is provided to city personnel who are assigned to other departments.

The fee amounts are stated for this provision in the city fee schedule.
(Ord. No. 00-14, § 1, 1-5-00; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2018-11, §§ 49, 50, 1-10-2018)

Sec. 2-281. Leasing of parking lots.

(a) The department* shall have and exercise management of the leasing, subject to city council approval, of all city-owned parking lots, and garages that are situated on property within its director's custody and of any that are situated on other city property that is assigned to the department for such purpose. The department shall collect and account for the revenues therefrom.

(b) Users of the post office lot, being that parking lot beneath Interstate 45 between Franklin and the Southern Pacific Railroad tracks,

shall be liable for payment of the fees stated for this provision in the city fee schedule, plus sales tax.
(Ord. No. 91-1076, § 7, 7-17-91; Ord. No. 96-50, § 6, 1-17-96; Ord. No. 96-1379, § 1, 12-18-96; Ord. No. 08-417, § 4, 5-14-08; Ord. No. 08-568, § 22, 6-18-08; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2018-11, § 50, 1-10-2018)

Note—(*Houston Public Works)

Sec. 2-282. Freeway ramp closing agreements.

The Director of Houston Public Works is authorized to negotiate agreements with the Texas Department of Transportation for the temporary closure of ingress and egress ramps of state maintained controlled access highways as may be necessary or desirable for public safety during temporary use of adjacent city streets for events such as the Houston International Festival, street functions conducted under section 40-27 of this Code, parades conducted under chapter 45 of this Code, city sanctioned motor vehicle races, and similar activities.
(Ord. No. 00-184, § 1, 3-22-00; Ord. No. 2018-11, § 49, 1-10-2018)

Sec. 2-283. Fees for review of plans or specifications.

Plan review fees shall be charged in any instance in which city engineer is requested to review plans or specifications to ensure compliance with the city's water, wastewater, drainage, street paving, and traffic infrastructure standards. An administrative fee shall also be payable in full upon submission of plans or specifications to the city engineer. Plan review fees for the initial submittal shall be payable as follows: (1) 25 percent of the total plan review fee (nonrefundable) shall be paid upon submission of plans or specifications for review, and (2) the remainder of the total plan review fee shall be paid upon completion of the review. Plan review fees for additional pages for a resubmittal shall be paid in full upon resubmission of plans or specifications for review. The fee amounts are stated for this provision in the city fee schedule. Payment of the fees is a condition of the processing of any request for review of plans or specifications.
(Ord. No. 05-820, § 11a, 6-22-05; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 2-284. Notice to building owners or building managers that an individual has requested their building plans.

(a) The director shall promulgate procedures to notify building owners or building managers when a request is made to inspect or to obtain copies of their building's construction plans and floor plans that are maintained by the city. This service shall be available to all building owners who register and pay the required registration fee.

(b) The director is authorized to charge each building owner who registers for the service a registration fee for each two-year registration period. The fee are stated for this provision in the city fee schedule.

(c) The service must be renewed upon the expiration of the registration period with the fee payable upon renewal.

(d) Failure to renew the service upon the expiration of the registration period shall result in the discontinuation of the service for the building owner or building manager. The service shall resume upon renewal.

(e) Participation in this program is not intended to, nor shall it create a contract, either express or implied, creating a guarantee of performance by the city. Any and all liability and consequential damages resulting from the city's failure to comply with this program are hereby disclaimed and governmental immunity as provided by law is retained.

(f) The building owner, building manager or any other persons registered for this program must covenant and agree that they will, jointly and severally, indemnify and hold the city harmless against liability for any and all claims, judgments and associated legal expenses and costs and for claims and litigation arising out of the city's failure to comply with this program.

(g) The provisions of subsection (a) of this section shall not apply to a request made by a governmental entity or a law enforcement agency to inspect or obtain copies of building plans.
(Ord. No. 05-1401, § 1, 12-20-05; Ord. No. 2011-1168, § 13, 12-14-2011)

Secs. 2-285—2-290. Reserved.

ARTICLE IX. HOUSING AND COMMUNITY DEVELOPMENT DEPARTMENT

Sec. 2-291. Department created.

There is hereby created the housing and community development department.

Sec. 2-292. Director.

(a) There is hereby created the office of director of the housing and community development department.

(b) The director shall be the executive officer of the department and shall perform or cause to be performed the duties that are assigned by law or by the mayor.
(Ord. No. 89-1079, § 1, 7-12-89)

Sec. 2-293. Duties.

In addition to any other duties that may from time to time be assigned, the director and the department shall be charged with:

(1) Administration of the community development block grant program;

(2) Administration of all city housing programs (except those administered by the housing authority of the City of Houston) including the rental, rehabilitation, emergency repair, urban homesteading, replacement housing, lead-based paint removal program and housing improvement programs and the contracts for professional services and other support required for the administration thereof;

(3) Coordination with the housing authority of the City of Houston to assure the effective development of public housing;

(4) Development of neighborhood plans and coordination of neighborhood development with other city departments;

(5) Administration of the city's economic development programs, including but not limited to, the small business development corporation, target of opportunity loan program and enterprise zone development program;

(6) Monitoring the city's participation in the federal job training partnership act program;

(7) Rendering support services to the human resources department and director regarding compliance with affirmative action requirements, and rendering support services regarding Davis-Bacon Act compliance and other requirements that are administered by the office of business opportunity for contracts, programs and projects administered by the department under this article;

(8) Monitoring the disbursement of funds and program operations of those city service programs for the elderly including, but not limited to, meals programs and transportation programs that are funded in whole or in part with federal community development block grant funds, which programs shall be administered through the Houston Health Department;

(9) Monitoring the disbursement of funds and program operations of those city service programs for the provision of child care services and/or the reduction of juvenile delinquency that are funded in whole or in part with federal community development block grant funds, which programs shall be administered through the Houston Health Department;

(10) Administering the city's program for the rendition of relocation payments and assistance to persons who have been displaced by federal community development block grant funded activities;

(11) Monitoring the expenditure of federal community development block grant funds by the parks and recreation department for leisure enrichment activities in the city's parks, including the development of interdepartmental agreements for the services to be rendered with those funds;

(12) Acting as the city's liaison with the Houston Residents Citizen Participation Commission; and

(13) Rendering support services for the well being of the citizens of the city in the areas of independent living, aesthetic environment, employment opportunities, natural resources utilization and other matters affecting the quality of life.

(Ord. No. 89-1079, § 1, 7-12-89; Ord. No. 90-2, § 1, 1-3-90; Ord. No. 91-1102, § 1, 7-31-91; Ord. No. 02-528, § 14e., 6-19-02; Ord. No. 2011-320, § 1, 5-4-2011; Ord. No. 2012-850, § 4, 9-26-2012; Ord. No. 2015-820, § 34, 8-26-2015)

Sec. 2-294. Transfer of duties.

To the extent that any of the duties to be performed by the director or the department are assigned elsewhere in this Code or in any other ordinances, resolutions, motions or regulations of the city to the Director of Houston Public Works or Houston Public Works, or to the director of planning and development or the department of planning and development, or to the mayor or the office of the mayor or any division thereof, or to the director of the real estate department or to the real estate department, or to the director of public health or to the Houston Health Department, then such references shall be construed, as applicable, to mean the department and director created in this article.

(Ord. No. 89-1079, § 1, 7-12-89; Ord. No. 2015-820, §§ 33, 34, 8-26-2015; Ord. No. 2018-11, §§ 49, 50, 1-10-2018)

Sec. 2-295. Use of community development block grant funds for personnel.

Except within the housing and community development department, no position of employment within city government shall be directly funded in whole or in part through the expenditure of federal community development block grant funds unless the funding of the position with those funds is authorized by the city council in the personnel ordinance creating the Position. The provisions of this section shall not be construed to prohibit reimbursements paid through federal community development block grant funds to other city departments for personnel services rendered in support of community development block grant projects and activities under interdepartmental service agreements approved by the director of the housing and community development department.

(Ord. No. 89-1079, § 1, 7-12-89)

Secs. 2-296—2-300. Reserved.

ARTICLE X. LEGAL REPRESENTATION AND INDEMNIFICATION OF CITY OFFICERS AND EMPLOYEES

Sec. 2-301. Generally.

The purpose of this article is to establish the city's policy of providing legal representation to and indemnification of current and former city officers and employees against whom civil lawsuits are brought alleging acts or omissions by such officers and employees during the course and scope of their assigned duties with the city.

(Ord. No. 91-1611, § 1, 11-13-91; Ord. No. 2018-286, § 2, 4-4-2018)

Sec. 2-302. Definitions.

As used in this article, the following terms and phrases shall have the following meanings:

City attorney means the city attorney or his designee.

Covered person means a person who is or was:

(1) The mayor, the city controller, or a member of city council;

(2) A member of a city board, commission, or committee created by Charter, ordinance, or resolution of the city;

(3) An employee of the city;

(4) A volunteer who has been approved in writing by and works under the direction of the mayor, the city controller, a member of city council, or a city employee and who has been issued a city identification badge by the security official for use while acting as such a volunteer; or

(5) A member of a super neighborhood council formally recognized by the mayor, and a member of the super neighborhood alliance, while acting in their capacity as a member of a super neighborhood council or the super neighborhood alliance at a meeting of the super neighborhood council or super neighborhood alliance to which they are a member.

Security official shall have the meaning ascribed in section 2-411 of this Code.

(Ord. No. 91-1611, § 1, 11-13-91; Ord. No. 2018-286, § 3, 4-4-2018; Ord. No. 2025-845, § 2, 10-8-2025)

Sec. 2-303. Legal representation.

(a) The city shall, subject to the exclusions described below, provide legal representation to a covered person for any claim or lawsuit brought against the covered person alleging acts or omissions by the covered person during the course and scope of his assigned duties with the city.

(b) The city may provide legal representation to a covered person by assigning an assistant city attorney to undertake such representation or by employing a private lawyer or law firm.

(c) The city shall pay all costs associated with legal representation, including any fees of the attorney selected by the city attorney to represent the employee, court fees, deposition and expert witness fees and other costs associated with the preparation for or presentation of the covered person's defense.

(d) Covered persons who wish to select and employ their own attorney may do so at their own cost.

(e) Notwithstanding the above, the city shall not be obligated to provide legal representation to a covered person if:

(1) The acts or omissions alleged in the claim or lawsuit are intentional or willful, and the city attorney has determined, based on a departmental investigation or such other information as is available to the city attorney, that the covered person intentionally or willfully violated a city ordinance, rule or policy or a clearly established constitutional or statutory right or was otherwise acting in bad faith; or

(2) The claim or lawsuit against the covered person has been brought by or on behalf of the city.

(Ord. No. 91-1611, § 1, 11-13-91; Ord. No. 2018-286, §§ 4, 5, 4-4-2018)

Sec. 2-304. Indemnification.

(a) The city shall, subject to the exclusions and other provisions of this section, pay judgments, attorney's fees and costs assessed against a covered person in a lawsuit for which the city has an obligation to provide legal representation under section 2-303, above.

(b) The city shall not pay that portion of any judgment against a covered person that awards:

(1) Exemplary or punitive damages; or

(2) Actual or compensatory damages arising out of a cause of action for official misconduct.

(c) Total payments made under this section on behalf of a covered person shall not exceed $100,000.00 to any one person or $300,000.00 for any single occurrence of personal injury or death or $10,000.00 for a single occurrence of property damage.

(d) Where multiple claims are made against two or more covered persons or against the city and one or more covered persons for injuries and/or damages from a single occurrence, and where the city's liability is limited by the Texas Tort Claims Act, the total of all payments arising out of the bodily injury or death of any one

person shall not exceed $250,000.00 and the total of all payments arising out of a single occurrence shall not exceed $500,000.00.

(e) The city shall have the right to investigate, negotiate, and settle any claim or suit as it determines desirable.

(Ord. No. 91-1611, § 1, 11-13-91; Ord. No. 2018-286, § 6, 4-4-2018)

Sec. 2-305. Duties and responsibilities of covered persons.

In order to receive the benefits of the legal representation and indemnification provisions of this article a covered person must:

(1) Notify the city attorney, in writing, as soon as practicable upon receipt of written notice of a claim or lawsuit, but no later than five working days after receipt;

(2) Cooperate with the city attorney and, upon the city attorney's request, assist in making settlements, in the conduct of suits, and in enforcing any right of contribution or indemnity against a person or organization who may be liable to the city because of injury or damage covered under this article;

(3) Attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses; and

(4) Not, except at the covered person's own cost, voluntarily make any payment, assume any obligation, or incur any expense with respect to a claim or lawsuit without the consent of the city.

(Ord. No. 91-1611, § 1, 11-13-91)

Sec. 2-306. Subrogation.

If payment or legal representation is provided under this article, the city is subrogated to the covered person's rights of recovery against any person or organization to the extent of the city's liability and payments, and the covered person must execute and deliver to the city attorney whatever documents are necessary to secure those rights. The covered person shall not do anything after a loss to prejudice those rights.
(Ord. No. 91-1611, § 1, 11-13-91)

Sec. 2-307. No creation of cause of action.

Nothing contained in this article shall be construed as creating a right or cause of action against a covered person nor as giving a right to a third party to institute or maintain a suit which would not otherwise exist under law as a legal claim against a covered person.
(Ord. No. 91-1611, § 1, 11-13-91)

Secs. 2-308—2-315. Reserved.

ARTICLE XI. BOARDS, COMMISSIONS, AUTHORITIES, ETC.*

DIVISION 1. GENERALLY

Sec. 2-316. Residency requirements.

(a) No person shall be appointed to any board or commission of this city unless at the time of such appointment, and throughout the duration of such appointment, such person maintains his or her actual residence and domicile within the corporate limits of the city, except as follows:

(1) When otherwise specifically provided in any ordinance which designates the composition of a city board or commission.

(2) Full-time salaried employees of the city.

(3) Any person presently serving as a member of any board or commission of this city including the right of any such current board or commission member to be reappointed to such position without regard to the foregoing residency requirement.

(b) Any person who removes his actual residence or domicile from within the corporate limits of the city during the term of an appointment to any city board or commission shall automatically be disqualified from such appointment thereby making the appointment null and void so as to make the position theretofore held by any such person vacant effective simultaneously with such change in residency or domiciliary.
(Code 1968, § 2-38; Ord. No. 76-1402, § 1, 8-18-76)

Secs. 2-317—2-325. Reserved.

DIVISION 2. HOUSTON WOMEN'S COMMISSION

Sec. 2-326. Creation; purposes.

There is hereby created the Houston Women's Commission ("commission"). The commission shall be responsible for advising and making recommendations to the mayor, city council, and department directors on issues pertaining to the well-being and advancement of women and families. The mayor shall annually assign to the commission a topic of study and discussion, on which the commission shall report at least annually to the mayor and city council, and to council committees as requested. The subjects to be addressed by the commission shall include, but not be limited to:

(1) Developing programs to identify and address disparities in healthcare;

(2) Developing programs to address wage inequity and employment issues;

(3) Developing programs to identify and address safety and security issues across communities and industries;

*__Cross references—__Ambulance advisory committee, § 4-2; automotive board, § 8-17 et seq.; airport board of adjustments, ch. 9, art.VII et seq.; civil service commission, § 14-1; contracts compliance commission, § 15-19; ehtics commission, ch. 18, art. II et seq.; board of health, § 21-41 et seq.; Southwest Texas Hospital Financing Agency, § 21-61 et seq.; library board, § 24-25 et seq.; Houston Parks Board, § 32-201 et seq.; planning commission, § 33-14 et seq.; appeals board for news media identification, § 34-135; board of public trusts, § 36-20 et seq.; Houston Foundation, § 36-46 et seq.; Houston Clean City Commission, § 39-30 et seq.

(4) Developing community-based programs to enhance the quality of life for women in Houston;

(5) Developing programs to assist women and women's organizations in taking full advantage of federal, state and local funding opportunities; and

(6) Identifying areas in which gathering information through further study would benefit women in Houston.

(Ord. No. 2021-701, § 2, 8-25-2021)

Sec. 2-327. Appointment of members.

The commission shall consist of no less than 15 and no more than 25 regular members, to be appointed by the mayor and subject to confirmation by the city council, as specified in this section. These positions shall be numbered 1 through 25, though up to ten positions may be left vacant. The mayor shall designate the commission's chairperson from among the membership of the commission. The city attorney shall designate a representative from the legal department to render legal advice and attend commission meetings as requested by the commission's chairperson, but such person shall not be a member of the commission and shall not have a vote.

(Ord. No. 2021-701, § 2, 8-25-2021)

Sec. 2-328. Composition of commission; positions; terms of members.

(a) Twelve of the regular members of the commission shall be residents of the city or work within the city. The remaining membership positions need not be occupied by residents of the city, provided they reside in the Houston-Sugar Land-Baytown metropolitan statistical area, as defined by the Office of Management and Budget within the Executive Office of the President of the United States. The membership shall have an interest in issues affecting women and families and shall share a commitment to the goals of the commission.

(b) Members shall be broadly representative of the community at large with regard to race, ethnicity, age, socioeconomic status, LGBT+ status, religious affiliation, and economic sector.

(c) Members shall serve a four-year term of office and the terms of office for positions on the commission shall be as follows:

(1) The terms of members serving in odd-numbered positions shall expire on January 2, 2023 and every four years thereafter.

(2) The terms of members serving in even-numbered positions shall expire on January 2, 2025 and every four years thereafter.

(d) Any member serving in a position for which the term has expired shall continue to serve until the member's successor in that position is appointed, confirmed and qualified.

(e) The commission shall have four alternate member positions numbered 1 through 4. The persons appointed to three of the alternate positions shall be residents of the city; the remaining alternate position need not be occupied by a resident of the city, provided the appointee resides in the Houston-Sugar Land-Baytown metropolitan statistical area, as defined by the Office of Management and Budget within the Executive Office of the President of the United States. The persons appointed to the alternate positions shall serve for four-year terms. In the absence of a regular member from a commission meeting, a staff member of the Mayor's Office of Boards and Commissions may call an alternate member to attend a commission meeting. The alternate members shall be called for service on a rotating basis. When so called and serving, an alternate member shall have the same rights and responsibilities as a regular member.

(Ord. No. 2021-701, § 2, 8-25-2021)

Sec. 2-329. Meetings.

Regular commission meetings shall be held at least four times per year. The commission may establish for itself rules of order that are consistent with the City of Houston Code of Ordinances and not in conflict with state law. Special meetings may be held in accordance with commission rules. The commission shall elect a vice-chair at the first commission meeting and thereafter at the first meeting of each calendar year. A quorum of the members of the commission shall consist of not less than a majority of the members.

Neither the commission nor any member shall have power to take action except by authority of majority vote.
(Ord. No. 2021-701, § 2, 8-25-2021)

Sec. 2-330. Assistance by certain city departments.

The directors of the Mayor's Office on Human Trafficking and Domestic Violence, the Office of Business Opportunity, the police department, and the Houston Health Department and their staffs shall provide requested assistance to the commission. The director of the Mayor's Office of Boards and Commissions shall designate a city employee to maintain the records of the commission and serve as secretary to the committee.
(Ord. No. 2021-701, § 2, 8-25-2021)

Sec. 2-331. Compensation.

The members of the committee, in the performance of their duties as such, shall serve without compensation, provided that any member who is a city employee shall continue to receive regular compensation while serving on the committee.
(Ord. No. 2021-701, § 2, 8-25-2021)

Secs. 2-332—2-345. Reserved.

DIVISION 3. HOUSTON FOOD INSECURITY BOARD

Sec. 2-346. Creation; purposes.

There is hereby created the Houston Food Insecurity Board ("board"). The board shall be responsible for advising and making recommendations to the mayor, city council, and department directors to address issues pertaining to food insecurity that exist in the City of Houston. Annually, the mayor shall assign to the board a topic of study and discussion on which the board shall report at least annually to the mayor and city council, and to council committees as requested. The subjects to be addressed by the board shall include, but not be limited to:

(1) Reviewing and making recommendations regarding ways in which the resources and efforts currently devoted to address food insecurity can be best coordinated and implemented, and how those resources and efforts can be most effectively supplemented;

(2) Identifying and developing policy suggestions, modeled after other municipalities, that have shown to decrease food insecurity;

(3) Developing public and private partnerships to tackle aspects of food insecurity such as food deserts and food waste;

(4) Identifying and developing policy suggestions to help tackle the social determinants of food insecurity, such as programs that help ensure affordable housing or transportation for people facing food insecurity;

(5) Identifying federal, state, and local funding opportunities; and

(6) Identifying areas in which gathering information through further study would decrease food insecurity in Houston.

(Ord. No. 2021-995, § 2, 12-1-2021)

Sec. 2-347. Appointment of members.

The board shall consist of 19 regular members, to be appointed by the mayor and subject to confirmation by the city council, as specified in this section. These positions shall be numbered 1 through 19. The mayor shall designate the board's chairperson from among the membership of the board. The city attorney shall designate a representative from the legal department to render legal advice and attend board meetings as requested by the board's chairperson, but such person shall not be a member of the board and shall not have a vote.
(Ord. No. 2021-995, § 2, 12-1-2021)

Sec. 2-348. Composition of board; positions; terms of members.

(a) Ten of the regular members of the board shall be residents of the city. The remaining membership positions need not be occupied by the residents of the city, provided they reside in the greater Houston metropolitan area. The

membership shall have an interest in issues affecting food insecurity and shall share a commitment to the goals of the board.

(b) Members shall be broadly representative of the various sectors affected by, and/or working towards, a solution for food insecurity in Houston, such as the healthcare, agriculture, education, business, and nonprofit sectors.

(c) Members shall serve a two-year term of office. The terms of members shall expire on January 2, 2023, and every two years thereafter.

(d) Any member serving in a position for which the term has expired shall continue to serve until the member's successor in that position is appointed, confirmed, and qualified.
(Ord. No. 2021-995, § 2, 12-1-2021)

Sec. 2-349. Meetings.

Regular board meetings shall be held at least four times per year. The board may establish for itself rules of order that are consistent with the City of Houston Code of Ordinances and are not in conflict with state law. Special meetings may be held in accordance with board rules. The board shall elect a vice-chair at the first board meeting and thereafter at the first meeting of each calendar year. A quorum of the members of the board shall consist of not less than a majority of the members. Neither the board nor any member shall have power to take action except by authority of majority vote.
(Ord. No. 2021-995, § 2, 12-1-2021)

Sec. 2-350. Assistance by certain city departments.

The directors of the Mayor's Office of Boards and Commissions and the Houston Health Department and their staffs shall provide requested assistance to the board.
(Ord. No. 2021-995, § 2, 12-1-2021)

Sec. 2-351. Compensation.

The members of the committee, in the performance of their duties as such, shall serve without compensation, provided that any member who is a city employee shall continue to receive regular compensation while serving on the committee.
(Ord. No. 2021-995, § 2, 12-1-2021)

Secs. 2-352—2-359. Reserved.

DIVISION 4. HOUSTON CENTER FOR LITERACY*

Sec. 2-360. Definitions.

The following words, terms and phrases, when used in this division, shall have the meanings ascribed to them in this section, except when the context clearly indicates a different meaning.

Literacy shall mean the ability to read, write, analyze, reason, and to use mathematics well enough to perform tasks basic to everyday life in an increasingly complex technological society.

Literacy service provider shall mean a nonprofit, tax-exempt organization providing low-cost or free literacy tutoring services for adults who are illiterate or marginally literate in the English language.
(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-361. Name; members.

The name of this organization shall be the Houston Center for Literacy hereinafter called the "center," which shall consist of 24 members.
(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 92-423, § 1, 4-15-92; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-362. Composition; members.

(a) The members of the center shall be appointed to specific positions. Positions 1 through 17 shall be appointed by the mayor and confirmed by the city council. Positions 18 through 22 shall be appointed by the city council. Positions 23 and 24 shall be the directors of the libraries of the City of Houston and of Harris County and

*__Editor's note—__Ord. No. 2012-71, § 2, adopted January 25, 2012, amended the title of Division 4 to read as herein set out. Formerly, Division 4 was entitled Houston READ Commission.

shall be ex officio with full voting privileges. Additionally, the mayor shall serve as a non-voting ex officio member of the center. The composition is as follows:

(1) Positions 1 and 2 shall be held respectively by the Superintendent of the Houston Independent School District, or the superintendent's high-ranking designated representative and by the President of the Houston Community College System, or the president's high-ranking designated representative.

(2) Positions 3, 4, 5, 6, 7, 8, 9, 10, 11, and 12 shall be held by members of the business sector in the city.

(3) Position 13 shall be held by a representative of higher education in the city.

(4) Positions 14 and 15 shall be held by representatives of the media or the communications industry in the city.

(5) Positions 16 and 17 shall be held by representatives of literacy service providers in the city nominated by the mayor's coalition for literacy.

(6) Positions 18, 19, 20, 21, and 22 shall be held by interested residents of the city.

(7) Positions 23 and 24 shall be held by library directors as provided in section 2-362(a).

(b) One organization shall not be represented on the center more than once at any one time; however, employment by or membership in an organization by a person shall not of itself be a deciding factor regarding the prohibition. The decision of the city council in this matter shall be final.

(c) No person shall serve more than two consecutive terms on the center.

(d) The terms of office for positions on the center shall be as follows:

(1) Positions 1 and 2 shall have no set term unless filled by a designated representative, in which case the terms shall expire on January 1, 2014, and on the same date on each third successive year thereafter.

(2) The terms of office for Positions 3, 6, 9, 12, 15, 18, and 21 shall expire on January 1, 2014, and on the same date in each third successive year thereafter.

(3) The terms of office for Positions 4, 7, 10, 13, 16, 19, and 22 shall expire on January 1, 2015, and on the same date in each third successive year thereafter.

(4) The terms of office for Positions 5, 8, 11, 14, and 17, and 20 shall expire on January 1, 2013, and on the same date in each third successive year thereafter.

(e) Any member serving in a position for which the term has expired shall continue to serve until the member's successor in that position is appointed and confirmed.

(f) By majority vote of a quorum of its members, the center may designate persons to serve one-year terms as honorary or ex-officio members of the center. Persons so designated shall not be members of the center, and they shall not have a vote.

(g) Positions 1, 2, 4, 5, 7, 12, 15, 23 and 24 shall be exempt from the residency requirements of section 2-316(a) of this Code, provided those positions are occupied by persons working or having a business within the corporate limits.
(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 89-395, § 1, 3-22-89; Ord. No. 92-423, § 2, 4-15-92; Ord. No. 93-58, § 1, 1-20-93; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-363. Mayor's coalition for literacy.

There is hereby established the mayor's coalition for literacy. The sole purposes of this coalition are to provide a forum where literacy service providers in the city can meet to discuss needs of the members and the literacy needs of the city, to make recommendations to the mayor and the

[The next page is 199]

center on such matters, and to nominate and submit to the mayor at least three months before each term expires a list of at least five candidates from which the mayor will appoint persons to fill Positions 16 and 17 on the center. Membership on the coalition is open to all literary service providers in the city. If the coalition fails to nominate and submit a list of candidates in a timely fashion, the mayor shall select the persons to be appointed, section 2-362(a)(5) of this Code notwithstanding.
(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-364. Assistance by certain city departments.

The Directors of the Houston Public Library System, the Houston Health Department, and the departments of planning and development finance, and administration and regulatory affairs and their staffs shall provide requested assistance to the center. The city attorney and his staff shall provide legal services and representation to the center.
(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 08-52, § 4, 1-16-08, eff. 1-26-08; Ord. No. 2012-71, § 2, 1-25-2012; Ord. No. 2015-820, § 3, 8-26-2015)

Sec. 2-365. Compensation of members; conflicts of interest.

Members of the center shall serve without compensation from the city or any firm, trust, donation or legacy to or on behalf of the city; provided, however, that the center may appropriate and disburse sufficient funds in its control to pay the expenses of administering its duties, and provided further that a member of the center or the firm, company or corporation with whom the member is associated shall not be precluded from receiving compensation from the city under any contract for services rendered which has no relation to the member's duties as a member of the center. Members of the center shall abstain from voting upon matters in which they have or may have a conflict of interest, and officers and members of the center shall not participate in any activity of the corporation in which they have or may have a conflict of interest.
(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-366. Organization.

The center shall organize by electing from their membership a chairperson, a vice chairperson, and a secretary, each of whom shall hold office for one year or until their successors shall have been elected and qualified. No officer shall serve more than two consecutive terms in the same office, and no person shall serve more than four consecutive years as an officer. The center may adopt such administrative procedures as are necessary or convenient to accomplish the purposes set out in this division. The center may employ an executive director and necessary staff, at salaries set by the center. The executive director and the staff of the center shall not be considered employees of the city for any purposes and shall not be entitled to any of the privileges or benefits of the city's employees.
(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 89-395, § 2, 3-22-89; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-367. Purposes.

The purposes of the center shall be to:

(1) Receive and maintain real or personal property, or both, and to use and apply the income therefrom and the principal thereof exclusively for charitable, scientific, literary and educational purposes;

(2) Solicit funds, gifts, and bequests for literacy providers and literacy activities in the city and manage and invest such funds, gifts, and bequests donated to the center, including but not limited to, the purchase or sale of real or personal property and investments in bonds, notes, common stocks, and securities of any kind;

(3) Review and make advisory recommendations to the mayor and city council on proposed literacy projects to be paid for by city funds;

(4) Bring to the attention of Houston residents the extent and ramifications of functional illiteracy in the city;

(5) Recruit and screen volunteers and students, direct them to organizations that offer literacy services, and monitor their progress;

(6) Find organizations, facilities and resources to help promote literacy;

(7) Encourage and expand new approaches and programs to promote literacy;

(8) Prevent the perpetuation of functional illiteracy, particularly through family or intergenerational literacy programs;

(9) Work toward creation of a literate work force in Houston as the foundation of a strong economy;

(10) Assist in enriching the lives of Houstonians and enable them to reach their full potential by helping them become literate;

(11) Formulate and submit to the mayor and city council in December of each year a report on literacy projects using funds and assets held by the center or for its benefit in trust accounts, or invested by the center. A one-month extension of time for submission of the report may be given by the mayor;

(12) Offer technical assistance and training to individuals and organizations to increase and improve literacy services;

(13) Establish pilot or demonstration programs needed to fill gaps in the literacy service delivery system, particularly for underserved and at-risk groups; and

(14) Collect learner data from literacy service providers throughout Houston to show the need for, and current use of, such agencies in Houston.

(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 89-395, § 3-6, 3-22-89; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-368. Additional powers.

(a) The center may cooperate with any trust created for a purpose similar to that of the center as set out in section 2-367 of this Code. In addition, the center may contract for financial management and investment services and may pay the reasonable fees therefor from solicited funds, gifts, bequests, and income therefrom; provided, the center shall exclude therefrom any solicited funds, gifts, or bequests when payment of a financial management and investment service fee would be contrary to the provisions of the grant.

(b) The center may exercise its sole discretion in the application for literacy purposes of funds received from any trust created specifically for the benefit of the center when such trust specifically grants such sole authority to the center and from funds donated directly to the center; provided, expenditure of funds shall be in compliance with the applicable competitive bid laws of the state and the Charter of the city.

(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-369. Financial records.

The financial books and records of the center shall be open to inspection and audit during regular business hours by any authorized representative of the city, by independent certified public accountants employed by the city, or by members of the public in accordance with the Texas Public Information Act. Similarly, the financial books and records of any trust created for the benefit of or to cooperate with the center shall be open to such inspection and audit.

(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-370. Annual financial report.

The center shall file an annual audited financial statement meeting the requirements set forth by the director of finance.

(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-371. Fidelity bond.

The city shall maintain a blanket fidelity bond for the center members.

(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-372. Meetings.

Regular center meetings shall be held at least four times a year. In addition, special meetings may be held in accordance with such rules as the center may provide. All meetings of the center

shall be held in accordance with the Texas Open Meetings Act. A quorum of the members of the center shall consist of a majority of the center's members.
(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 94-1370, § 2, 12-21-94; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-373. Removal of members.

Center members may be removed by the city council for the followings causes:

(1) Four consecutive absences from regular meetings of the center;

(2) Failure to abstain in votes or activities of the center, where direct or indirect conflicts of interest are or may be involved; or

(3) Conduct, whether or not resulting in a conviction, which impairs the ability of the member to carry out his or her center duties.

(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 2012-71, § 2, 1-25-2012)

Sec. 2-374. Articles of incorporation.

The city council hereby approves the form and substance of the restated articles of incorporation of the Houston Center for Literacy, under the Texas Business Organizations Code. A copy of said articles of incorporation and any amendments thereto, and the center's bylaws and any amendments thereto, shall be maintained in the office of the city secretary. In the event of the dissolution of this corporation, the city shall succeed to the funds and assets of the corporation except to the extent that this may conflict with the conditions of a particular donation to the corporation.
(Ord. No. 88-93, § 1, 1-20-88; Ord. No. 2012-71, § 2, 1-25-2012)

Secs. 2-375—2-379. Reserved.

DIVISION 5. HOUSTON COMMISSION ON DISABILITIES

Sec. 2-380. Definitions.

The following words, terms, and phrases, when used in this division, shall have the meanings ascribed to them in this section, except when the context clearly indicates a different meaning:

Commission shall mean the Houston Commission on Disabilities.

Disability shall mean, with respect to an individual, a physical or mental impairment that substantially limits one or more of the life activities of such individual; a record (or past history) of such an impairment; or being regarded as having such an impairment. For purposes of this division, the term disability shall not include an individual who is currently engaging in the illegal use of drugs. The definition of disability in this ordinance shall be construed in favor of broad representation of individuals by this commission, to the maximum extent permitted by the terms of this division.

Major life activities shall mean, but are not limited to functions such as caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, interacting with others, and working. Major life activities can also include the operation of a major bodily function, including functions of the immune system, special sense organs and skin; normal cell growth; and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, hemic, lymphatic, musculoskeletal, and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

Has a record of such an impairment shall mean has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

Is regarded as having an impairment shall mean:

(1) Has a physical or mental impairment that does not substantially limit major life activities but that is treated by a public entity as constituting such a limitation;

(2) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

(3) Has none of the impairments defined in paragraph (1) of this definition but is treated by a public entity as having such an impairment.

(Ord. No. 93-956, § 1, 8-18-93; Ord. No. 2022-386, § 2, 5-18-2022)

Sec. 2-381. Creation; appointment of members.

There is hereby created the Houston Commission on Disabilities that shall consist of 14 regular members, to be appointed by the mayor and subject to confirmation by the city council, as specified in this section. The mayor shall designate the commission's chairperson from among the membership of the commission. The individual designated by the mayor to head the mayor's office on disabilities shall be a non-voting ex-officio member. The person who is designated as the Americans with Disabilities coordinator, human resources department, shall also be a non-voting ex-officio member. The city attorney shall designate a representative from the legal department to render legal advice, but such person shall not be a member of the commission and shall not have a vote.

(Ord. No. 93-956, § 1, 8-18-93; Ord. No. 2011-320, § 2, 5-4-2011; Ord. No. 2022-386, § 2, 5-18-2022)

Sec. 2-382. Composition of commission; positions; terms of members.

(a) The membership shall have an interest in the community of disabled persons and shall share a commitment to the goals of the commission.

Members shall be broadly representative of the disabled community at large as the term "disability" is defined herein, without dominance by any single disability group.

(b) The members of the commission shall be appointed to specific positions. The composition is as follows:

(1) Positions 1 through 9 shall be held by persons with disabilities who are residents of the city.

(2) Positions 10 through 14 shall be held by persons who represent persons with disabilities or have an interest in the rights of persons with disabilities and who are known in the community as advocates for persons with disabilities. The members in these positions may be, but need not be, disabled. Positions 10 through 14 need not be occupied by residents of the city, provided they reside in the greater Houston-The Woodlands-Sugar Land census statistical area.

(c) Except as provided in subsection (e) below, no regular member shall serve more than two consecutive full terms on the commission.

(d) Members shall serve a four-year term of office and the terms of office for positions on the commission shall be as follows:

(1) The terms of members serving in odd-numbered positions shall expire on July 26, 2024 and every four years thereafter.

(2) The terms of members serving in even-numbered positions shall expire on July 26, 2022 and every four years thereafter.

(e) Any member serving in a position for which the term has expired shall continue to serve until the member's successor in that position is appointed, confirmed and qualified.

(Ord. No. 93-956, § 1, 8-18-93; Ord. No. 98-504, § 1, 6-24-98; Ord. No. 2022-386, § 2, 5-18-2022)

Sec. 2-383. Meetings.

Regular commission meetings shall be held at least six times a year. In addition, special meetings may be held in accordance with such rules

as the commission may provide. A quorum of the members of the commission shall consist of not less than a majority of the members.
(Ord. No. 93-956, § 1, 8-18-93; Ord. No. 2022-386, § 2, 5-18-2022)

Sec. 2-384. Removal of members.

Commissioners may be removed by the mayor for any of the following causes:

(1) Three absences from regular meetings of the commission during any 12-month period;

(2) Failure to abstain in votes or activities of the commission where direct or indirect pecuniary conflicts of interest are or may be involved; or

(3) Conduct, whether or not resulting in a conviction, that impairs or interferes with the ability of the member to carry out his or her commission duties.

(4) Failure of a member to comply with city ordinances and commission rules.

(Ord. No. 93-956, § 1, 8-18-93; Ord. No. 2022-386, § 2, 5-18-2022)

Sec. 2-385. Assistance by certain city departments.

The directors of the departments of public works, planning and development, general services, parks and recreation, housing and community development, information technology, human resources, and the Houston Health Department and their staffs shall provide requested assistance to the commission. The city attorney and staff shall provide legal services and representation to the commission.
(Ord. No. 93-956, § 1, 8-18-93; Ord. No. 98-613, § 12, 8-5-98; Ord. No. 99-378, § 4, 4-21-99; Ord. No. 07-840, § 4, 7-18-07; Ord. No. 2011-320, § 3, 5-4-2011; Ord. No. 2015-820, § 4, 8-26-2015; Ord. No. 2018-11, § 6, 1-10-2018; Ord. No. 2022-386, § 2, 5-18-2022)

Sec. 2-386. Compensation of members; conflicts of interest.

Members of the commission shall serve without compensation from the city or any firm, trust, donation or legacy to or on behalf of the city. A member of the commission is a "city official" as that term is defined in chapter 18 of this Code. The member shall abstain from voting upon matters in which there is or may be a conflict of interest, shall not participate in any activity of the commission in which there is or may be a conflict of interest, and shall not participate in any city contract that relates to the duties of the commission.
(Ord. No. 93-956, § 1, 8-18-93; Ord. No. 2022-386, § 2, 5-18-2022)

Sec. 2-387. Purposes.

The commission shall be responsible for advising and making recommendations to the mayor, city council, department directors and the individual designated by the mayor to head the mayor's office on disabilities on issues pertaining to the full spectrum of needs, rights, and privileges of people with disabilities. The subjects to be addressed by the commission shall include, but not be limited to:

(1) Developing programs to provide employment opportunities for people with disabilities;

(2) Developing programs and policy recommendations to address physical and digital accessibility barriers in the city;

(3) Developing community-based programs to enhance the quality of life for Houstonians with disabilities;

(4) Developing programs to address the issues pertaining to alcoholism and drug abuse;

(5) Developing programs to take full advantage of all federal, state and local funding opportunities to improve access for and promote awareness of people with disabilities;

(6) Developing programs and policy recommendations to insure accessible housing, infrastructure, educational, cultural, and transportation opportunities for people with disabilities; and

(7) Developing programs and policy recommendations to insure effective communication for people with disabilities.

(Ord. No. 93-956, § 1, 8-18-93; Ord. No. 2022-386, § 2, 5-18-2022)

Sec. 2-388. Mayor's Office on Disabilities.

There is hereby established a Mayor's Office on Disabilities, a division of the department of public works.

(Ord. No. 93-956, § 1, 8-18-93; Ord. No. 2011-697, § 3, 8-10-2011; Ord. No. 2022-386, § 2, 5-18-2022)

Sec. 2-389. Purpose.

The mayor's office on disabilities shall provide support for initiatives of the commission and shall serve as liaison between the mayor, city council, city departments, and other public and private entities on matters pertaining to people with disabilities in the greater Houston-The Woodlands-Sugar Land census statistical area.

(Ord. No. 93-956, § 1, 8-18-93; Ord. No. 2022-386, § 2, 5-18-2022)

Sec. 2-390. Duties of Mayor's Office on Disabilities.

The Mayor's Office on Disabilities shall perform various duties, including, but not limited to, the following:

(1) Assist in developing, coordinating and formulating policies and legislation relating to all people with disabilities, and assist in overseeing the implementation of programs consistent with such policies and legislation;

(2) Act as a public advocate for the rights and needs of all people with disabilities;

(3) Assist in coordination of compliance with all federal, state and city laws impacting people with disabilities;

(4) Oversee the implementation of the Americans with Disabilities Act Transition Plan and make any necessary updates at least every three years;

(5) Assist in analyzing existing programs for people with disabilities, and in developing and promoting additional programs for people with disabilities;

(6) Develop and implement programs to take full advantage of all federal, state and local funding opportunities to improve access for and promote awareness of people with disabilities;

(7) Assist in maintaining demographic and statistical data regarding people with disabilities;

(8) Assist and educate individuals and entities in the public and private sectors regarding the implementation of the Americans With Disabilities Act; and

(9) Provide information to assist in planning and prioritizing allocations for enhancing city programs, services, activities, and city-owned or leased facilities for people with disabilities.

(Ord. No. 93-956, § 1, 8-18-93; Ord. No. 2011-697, § 4, 8-10-2011; Ord. No. 2022-386, § 2, 5-18-2022)

Sec. 2-390. Reserved.

DIVISION 6. HOUSTON MUSIC ADVISORY BOARD

Sec. 2-391. Creation; purposes.

There is hereby created the Houston Music Advisory Board ("board"). The board shall be responsible for advising and making recommendations to the mayor, city council, and department directors on issues pertaining to economic development of the local music industry. The subjects to be addressed by the board shall include, but not be limited to:

(1) Determining the top challenges and opportunities facing the music industry in the city;

(2) Developing policy recommendations for support of the music industry and musicians;

(3) Developing recurring annual event programs and workshops on a volunteer basis and in coordination with the Mayor's Office of Cultural Affairs;

(4) Publicizing the opportunity to register in the Houston Music Directory;

(5) Assisting the Mayor's Office of Cultural Affairs in planning, implementing, and participating in activities concerning the music industry in the city; and

(6) Making recommendations to the Mayor's Office of Cultural Affairs concerning areas of opportunity in the local music industry and strategies for developing the local music industry.

(Ord. No. 2022-694, § 2, 9-14-2022)

Sec. 2-392. Appointment of members.

The board shall consist of nine regular members, to be appointed by the mayor, and subject to confirmation by the city council. These positions shall be numbered 1 through 9.
(Ord. No. 2022-694, § 2, 9-14-2022)

Sec. 2-393. Composition of board; positions; terms of members.

(a) The membership shall represent the diversity, interests, and expertise of the local community and music industry. Members shall be broadly representative of the local music industry with regard to race, ethnicity, age, socioeconomic status, LGBT status, religious affiliation, music genre or practice, and economic sector. Members shall possess knowledge and understanding of the city's diverse music community. Members shall be active stakeholders in the local music industry.

(b) Members shall serve a two-year term of office and the terms of office for positions on the board shall be as follows:

(1) The terms of office for the initial members serving in odd-numbered positions shall expire on January 2, 2025; subsequently, terms shall expire every two years thereafter.

(2) The terms of office for initial members serving in even-numbered positions shall expire on January 2, 2024; subsequently, terms shall expire every two years thereafter,

(c) Any member serving in a position for which the term has expired shall continue to serve until the members successor in that position is appointed, confirmed and qualified.

(d) The board shall have three alternate member positions numbered 1 through 3 that shall serve terms of the same duration and expiration dates as regular members. In the absence of a regular member from a board meeting, a staff member of the Mayor's Office of Boards and Commissions may call an alternate member to attend a board meeting. The alternate members shall be called for service on a rotating basis. When so called and serving, an alternate member shall have the same rights and / as a regular member.
(Ord. No. 2022-694, § 2, 9-14-2022)

Sec. 2-394. Meetings.

Regular board meetings shall, be held at least three times per year. The board may establish for itself rules of order that are consistent with this Code and not in conflict with state Special meetings may be held in accordance with board rules. The board shall elect a chair and vice-chair at the first board meeting and thereafter at the first meeting of each calendar year. The board shall elect a secretary, who may or may not be a member of the board, at the first meeting of each calendar year. Such secretary shall keep the minutes of the board and perform other such services as may be required by the board. Five members of the board present at any meeting shall constitute a quorum for the transaction of all business of the board, and a majority vote of those members of the board present at any meeting shall prevail. Neither the board nor any member shall have power to take action except by authority of majority vote.
(Ord. No. 2022-694, § 2, 9-14-2022)

Sec. 2-395. Removal of members.

Members may be removed by the mayor for any of the following causes:

(1) Three absences from regular meetings of the board during any 12-month period;

(2) Failure to abstain in votes or activities of the board where direct or indirect pecuniary conflicts of interest are or may be involved;

(3) Conduct, whether or not resulting in a conviction, that impairs or interferes with the ability of the member to carry out his or her board duties; or

(4) Failure of a member to comply with city ordinances and board

(Ord. No. 2022-694, § 2, 9-14-2022)

Sec. 2-396. Assistance by certain city departments.

The director of the mayor's office of cultural affairs and the director's staff shall provide requested assistance to the board.
(Ord. No. 2022-694, § 2, 9-14-2022)

Sec. 2-397. Compensation.

Members of the board shall serve without compensation from the city or any firm, trust, donation or legacy to or on behalf of the city. A member of the board is a 'city official' as that term is defined in chapter 18 of this Code. The member shall abstain from voting upon matters in which there is or may be a conflict of interest, shall not participate in any activity of the board in which there is or may be a conflict of interest, and shall not participate in any city contract that relates to the duties of the board.
(Ord. No. 2022-694, § 2, 9-14-2022)

Secs. 2-398—2-402. Reserved.

DIVISION 7. RACING EVENTS COMMISSION

Sec. 2-403. Commission created; makeup.

(a) There is hereby created the racing events commission, which shall have eleven regular members who shall be appointed by the mayor and confirmed by the city council.

(b) The regular membership positions shall be numbered one through eleven. Members shall serve a two-year term of office and shall continue in office until their successors are appointed and qualified. The terms for members in even-numbered positions shall commence on January 1 of each even-numbered year and end on December 31 of the following odd-numbered year. The terms for members in odd-numbered positions shall commence on January 1 of each odd-numbered year and end on December 31 of the following even-numbered year.

(c) In addition to the eleven regular members, the director of the convention and entertainment facilities department shall serve as an ex officio, non-voting member and shall act as the secretary for the commission.

(d) The mayor may remove members of the commission for any cause. Any vacancy shall be filed in the manner provided above, but for the unexpired portion of the term of the vacant position.

(e) The mayor shall designate one of the commission members to act as the chair. At their first meeting of each year, the commission members shall elect a vice chair, who may perform the duties of the chair in case of the chair's absence or inability to function.

(f) Five regular members of the commission shall constitute a quorum for the purpose of transacting business.

(g) The commission shall meet from time to time at the call of the chair.

(h) The provisions of section 2-316 of this Code shall not be applicable to the commission.
(Ord. No. 97-1055, § 3, 9-3-97; Ord. No. 97-1626, § 1, 12-23-97)

Sec. 2-404. Mission.

The commission shall serve in an advisory-only capacity to the city and to event promoters with respect to the conduct of "special racing

events" as that term is defined in section 40-312 of this Code. Responsibilities of the commission shall include:

(1) Recommendations to the city and to event promoters with respect to the marketing of special racing events that are scheduled to be conducted within the city.

(2) Recommendations to city officials with respect to the promotion of the city as a venue for special racing events.

(3) Other assistance as may be requested by the director of the convention and entertainment facilities department.

(Ord. No. 97-1055, § 3, 9-3-97)

Sec. 2-405. Reserved.

DIVISION 8. HOUSTON COMPLETE COMMUNITIES ADVISORY BOARD*

Sec. 2-406. Creation; purposes.

There is hereby created the Houston Complete Communities Advisory Board ('board'). The board shall serve as a communication conduit between the residents and community stakeholders in Houston's most under-resourced and under-served neighborhoods included in the City of Houston Complete Communities Program and shall assist the Mayor's Office of Complete Communities, Department of Neighborhoods, and the Planning & Development Department to create and maintain effective and transparent dialog concerning projects, programs, and access to services for residents and businesses in neighborhoods in the city's Complete Communities Initiative. The subjects to be addressed by the board shall include, but not be limited to:

(1) Assisting the Mayor's Office of Complete Communities, Department of Neighborhoods, and the Planning & Development Department in developing and implementing Complete Communities Action Plans;

(2) Identifying and recommending projects, programs, and services that address the needs of residents and businesses in neighborhoods included in the city's Complete Communities Initiative; and

(3) Applying resident-representatives' lived experiences to the development of recommendations and suggestions that address historic inequities in Houston that contribute to present-day disparities.

(Ord. No. 2023-1130, § 2, 12-13-2023)

Sec. 2-407. Appointment of members.

(a) The board shall consist of one resident-representative from each of Houston's most under-resourced and under-served neighborhoods included in the city's complete communities program. Each district council member whose district includes any part of a neighborhood included in the city's complete communities program shall nominate a person to serve on the board. All board member nominations shall be subject to confirmation by the city council.

(b) The mayor shall designate the board's chairperson from among the membership of the board.

(Ord. No. 2023-1130, § 2, 12-13-2023)

Sec. 2-408. Composition of board; positions; terms of members.

(a) The board's membership shall represent the diversity and interests of Houston's most under-resourced and under-served neighborhoods in the Complete Communities Program. Members shall be broadly representative of the community at large with regard to race, ethnicity, age, educational attainment, socioeconomic status, LGBTQ+ status, religious affiliation, and economic sector.

(b) Members shall serve a two-year term of office and the terms of office for positions on the board shall be as follows:

(1) The terms of office for the initial members serving in odd-numbered positions shall expire on December 31, 2025; subsequently, terms shall expire every two years thereafter.

(2) The terms of office for initial members serving in even-numbered positions shall

*__Cross reference—__City council appointments, § 2-2, Rule 19.

expire on December 31, 2024; subsequently, terms shall expire every two years thereafter.

(c) Any member serving in a position for which the term has expired shall continue to serve until the member's successor in that position is appointed, confirmed and qualified.

(Ord. No. 2023-1130, § 2, 12-13-2023)

Sec. 2-409. Meetings.

Regular board meetings shall be held at least three times per year. The board may establish for itself rules of order that are consistent with this Code and not in conflict with state law. Special meetings may be held in accordance with board rules. The board shall elect a vice-chair and secretary at the first board meeting and thereafter at the first meeting of each calendar year. The board secretary, who may or may not be a member of the board, shall keep the minutes of the board and perform other such services as may be required by the board. A majority of the board members present at any meeting shall constitute a quorum for the transaction of all business of the board, and a majority vote of those members of the board present at any meeting shall prevail. Neither the board nor any member shall have power to take action except by authority of majority vote.

(Ord. No. 2023-1130, § 2, 12-13-2023)

Sec. 2-410. Removal of members.

Members may be removed by the mayor for any of the following causes:

(1) Three absences from regular meetings of the board during any 12-month period;

(2) Failure to abstain from votes or activities of the board where direct or indirect pecuniary conflicts of interest are or may be involved;

(3) Conduct, whether or not resulting in a conviction, that impairs or interferes with the ability of the member to carry out his or her board duties; or

(4) Failure of a member to comply with city ordinances and board rules.

(Ord. No. 2023-1130, § 2, 12-13-2023)

Sec. 2-410.1. Assistance by certain city departments.

The director of the Mayor's Office of Complete Communities and the director's staff shall provide requested assistance to the board.

(Ord. No. 2023-1130, § 2, 12-13-2023)

Sec. 2-410.2. Compensation.

Members of the board shall serve without compensation from the city or any firm, trust, donation or legacy to or on behalf of the city. A member of the board is a 'city official' as that term is defined in chapter 18 of this Code. The member shall abstain from voting upon matters in which there is or may be a conflict of interest, shall not participate in any activity of the board in which there is or may be a conflict of interest, and shall not participate in any city contract that relates to the duties of the board.

(Ord. No. 2023-1130, § 2, 12-13-2023)

ARTICLE XII. SECURITY

Sec. 2-411. Definitions.

As used in this article, the following terms shall have the meanings ascribed to them in this section, unless the context of their usage clearly indicates another meaning:

City premises means a property or portion of a property that is owned by the city or is in the possession of the city by a lease or other right and is regularly maintained or occupied by employees of the city and utilized for the conducting of business of the city.

Secure area means any area upon any city premises to which access is controlled by a security system or security post.

Security post means any location on city premises that is manned by any contract security officer, certified peace officer or city security personnel.

Security system means magnetometers, X-ray devices, card-operated entry systems, camera surveillance systems, operating regulations and related measures, or any combination thereof, that may be installed, promulgated and operated upon any city premises to ensure that persons entering a secure area do not have weapons in their possession.

Security official means the director of the general services department or such individual as the said director may designate as the official primarily responsible for the administration and enforcement of this article.

Weapon means a firearm, explosive device, club, knife or other offensive or defensive instrument as more particularly defined by regulation of the mayor under this article.
(Ord. No. 95-1200, § 3, 11-15-95; Ord. No. 09-15, § 2, 1-14-09)

Sec. 2-412. Article cumulative.

The provisions of this article are cumulative of all state and federal laws and other ordinances, civil service rules and regulations of the city. Without limitation of the foregoing, the provisions of this article shall not be applicable to the airport security systems established under applicable federal laws and regulations or to the municipal courts security systems established under chapter 16 of this Code, nor shall the provisions of this article be construed to limit more restrictive provisions with respect to the possession of weapons by city employees.
(Ord. No. 95-1200, § 3, 11-15-95; Ord. No. 09-15, § 2, 1-14-09)

Sec. 2-413. Regulations for security system.

Consistent with applicable state and federal laws, the mayor may promulgate regulations relating to establishment of secure areas and the installation and operation of security systems.
(Ord. No. 95-1200, § 3, 11-15-95; Ord. No. 09-15, § 2, 1-14-09)

Sec. 2-414. Entry into secure areas.

It shall be unlawful for any person to enter or attempt to enter a secure area without fully complying with the applicable provisions of the security system or security post.
(Ord. No. 95-1200, § 3, 11-15-95; Ord. No. 09-15, § 2, 1-14-09)

Sec. 2-415. Weapons on city premises.

(a) The mayor is authorized to establish regulations consistent with applicable state and federal laws relating to the possession of certain weapons upon city premises.

(b) Signage consistent with applicable state and federal laws to advise persons of Texas Penal Code provisions relating to the possession of certain weapons on specified city premises may be posted upon those city premises, and copies of such provisions made available for inspection upon each premises to which they pertain and in the office of the city secretary.

(c) Compliance with regulations promulgated under this section is a condition of the entry upon and use of each premises to which they are applicable.

(d) All employees and contract security personnel of the city are authorized for and on behalf of the city to notify any person who fails to comply with any regulation promulgated under this section to depart from the applicable city premises.

(e) Any person who enters or remains on city premises after written notice not to enter or verbal notice to depart as required by section 30.05 of the Texas Penal Code shall be subject to prosecution under section 30.05 of the Texas Penal Code for criminal trespass in addition to prosecution for any other crime that he may have committed.

(f) Any person who carries a prohibited weapon, including a handgun licensed under subchapter H, chapter 411 of the Texas Government Code, on city premises prohibited by sections 46.03 and 46.035 of the Texas Penal Code shall be subject to prosecution under sections and 46.03 and 46.035(c) of the Texas Penal Code.
(Ord. No. 95-1200, § 3, 11-15-95; Ord. No. 09-15, § 2, 1-14-09)

[The next page is 207]

Sec. 2-416. Counterfeiting, imitating, or altering city identification badges

It is unlawful for any person to counterfeit, imitate, alter or attempt to counterfeit, imitate, or alter a city identification badge issued or approved by the security official.
(Ord. No. 09-15, § 2, 1-14-09)

Sec. 2-417. Unlawful use of expired or deactivated city identification badges.

It is unlawful for any person to use or attempt to use an expired or deactivated city identification badge for the purpose of entering city premises.
(Ord. No. 09-15, § 2, 1-14-09)

Sec. 2-418. Unlawful use of city identification badge by others.

(a) It is unlawful for an authorized holder of a city identification badge to permit anyone else to use the authorized holder's badge for any purpose, including entry onto city premises and into secured areas.

(b) It is unlawful for any person other than the authorized holder to use a city identification badge issued to an authorized holder for any purpose including entry onto city premises and into secured areas.
(Ord. No. 09-15, § 2, 1-14-09)

Sec. 2-419. Penalty.

Any person who violates any provision of this article shall, upon conviction, be fined an amount not less than $100.00, nor more than $500.00. Each day that any such violation continues shall constitute and be punishable as a separate offense.
(Ord. No. 09-15, § 2, 1-14-09)

Secs. 2-420—2-430. Reserved.

ARTICLE XIII. GENERAL SERVICES DEPARTMENT*

Sec. 2-431. Department created.

There is hereby created the general services department of the city.
(Ord. No. 99-378, § 5, 4-21-99; Ord. No. 07-840, § 6, 7-18-07)

Sec. 2-432. Office of the director.

There is hereby created the office of director of the general services department.
(Ord. No. 99-378, § 5, 4-21-99; Ord. No. 07-840, § 6, 7-18-07)

Sec. 2-433. Professional services.

(a) To the extent that any of the duties and responsibilities assigned to the department are of a nature requiring that they be performed by or under the oversight of a person who holds a registration or license as an engineer, architect, electrician, plumber, stationary engineer or other profession or trade, the director shall ensure that the services are performed in compliance with applicable registration and licensing laws and by or under the supervision of a person who holds the required registration or license.

(b) Nothing in this section shall be construed to require that the director hold any particular registration or license, and the director may employ persons who hold the required registration or license to perform and oversee the functions for which a registration or license is required.
(Ord. No. 99-378, § 5, 4-21-99)

Sec. 2-434. Functions.

The department shall:

(1) Be responsible for construction and remodeling of city buildings, including management and provision of in-house and contract services for design of projects, construction bidding, construction contract

*__Editor's note—__Ord. No. 07-840, § 5, adopted July 18, 2007, amended the title of Ch. 2, Art. XIII, to read as herein set out. Formerly said article was entitled building services department.

management, construction-related testing services and construction-related environmental services;

(2) Perform facilities management services including review of requirements for space in city buildings, negotiations of city building space leases, whether the city is the lessor or the lessee, assignment of space in city buildings, development of office size and furnishing standards, management of furnishings installations and office moves and related services whether performed directly by the department or by contractors;

(3) Acquire real property and dispose of surplus real property in coordination with Houston Public Works;

(4) Manage and oversee energy programs for city buildings;

(5) Provide on-site building maintenance and operations services for buildings assigned to the department for that purpose, including janitorial, cleaning, building systems maintenance, minor repairs, carpentry and construction work and security operation and maintenance;

(6) Render assistance to other city departments upon request for buildings that may not be under the direct management of the department on issues relating to building management; and

(7) For any matters involving procurement, as defined in section 15-42 of this Code, defer to the chief procurement officer as required in section 15-43 of this Code.

The foregoing duties and functions shall not extend to aviation department properties, unless so requested by the aviation department.
(Ord. No. 99-378, § 5, 4-21-99; Ord. No. 05-946, § 1, 8-10-05; Ord. No. 06-804, § 1, 8-2-06; Ord. No. 07-840, § 7, 7-18-07; Ord. No. 08-568, §§ 23, 24, 6-18-08; Ord. No. 2010-304, § 3, 4-21-2010, eff. 4-1-2010; Ord. No. 2010-803, § 5, 10-13-2010; Ord. No. 2013-603, § 7, 6-19-2013; Ord. No. 2015-668, § 9, 7-8-2015; Ord. No. 2018-11, § 50, 1-10-2018)

Sec. 2-435. Coordination.

The director shall coordinate the work of the department with the director of the finance department, Houston Public Works and other departments that have concurrent functions, and the various directors shall develop operating guidelines as necessary to ensure coordination of work and delivery of services.
(Ord. No. 99-378, § 5, 4-21-99; Ord. No. 08-52, § 5, 1-16-08, eff. 1-26-08; Ord. No. 2018-11, § 7, 1-10-2018)

Sec. 2-436. Advisory committee.

The director and the mayor may establish an advisory committee of not less than five persons who perform building management services or have related responsibilities in the private sector. The committee shall advise the director on issues within the responsibility of the department for the purpose of ensuring that the department has the guidance necessary to provide services of the highest quality and ensuring that the director and the mayor remain aware of evolving issues with respect to building management.
(Ord. No. 99-378, § 5, 4-21-99)

Sec. 2-437. Transfer of duties.

To the extent that any other reference in this Code or in any other ordinance of the city or any reference in any city contract or other document devolves duties upon the finance and administration department or Houston Public Works or the directors or employees of those departments that have been reassigned to the general services department or director thereof, then the reference shall be construed to mean the general services department or the director and employees thereof, as applicable.
(Ord. No. 99-378, § 5, 4-21-99; Ord. No. 07-840, § 8, 7-18-07; Ord. No. 08-568, § 25, 6-18-08; Ord. No. 2010-304, § 4, 4-21-2010, eff. 4-1-2010; Ord. No. 2018-11, § 50, 1-10-2018)

Sec. 2-438. Reserved.

Editor's note—Ord. No. 2010-304, § 5, adopted April 21, 2010, effective April 1, 2010, renumbered § 2-438 as § 2-508.

Secs. 2-439—2-450. Reserved.

ARTICLE XIV. NON-DISCRIMINATION IN CITY EMPLOYMENT, CITY SERVICES AND CONTRACTING PRACTICES

Sec. 2-451. Definitions.

As used in this article, the following words and terms shall have the meanings ascribed to them in this section, unless the context of their usage clearly indicates another meaning:

City employment and *employment opportunities* shall include city job application procedures, recruitment, referrals for employment, selection and hiring, placements, compensation, promotions, demotions, transfers, layoffs, recalls, training, educational opportunities, and all forms of discipline, including indefinite suspensions/terminations.

Discriminate, discriminates, discrimination shall mean to distinguish, differentiate, separate, or segregate, to either the advantage or disadvantage of any person, on the basis of race, color, national origin, marital status, religion, age, gender, sexual orientation and gender identity, disability, military service, except as required by federal or state law or court order.

Sexual orientation and *gender identity* shall mean having or being perceived as having an emotional, physical, or sexual attachment to another person without regard to the sex of tha person or having or being perceived as having an orientation for such attachment, or having or being perceived as having a self-image or identity not traditionally associated with one's biological maleness or femaleness. Sexual orientation and gender identity does not include pedophilia, exhibitionism, voyeurism, or any unlawful conduct.

(Ord. No. 01-699, § 2, 7-25-01; Ord. No. 2015-1129, §§ 7, 8(Exh. A), 11-13-2015, election of 11-3-2015)

Sec. 2-452. Prohibition against discrimination in employment.

It is the policy of the city that the city will not discriminate in city employment and employment opportunities.

(Ord. No. 01-699, § 2, 7-25-01; Ord. No. 2015-1129, §§ 7, 8(Exh. A), 11-13-2015, election of 11-3-2015)

Sec. 2-453. Prohibition against discrimination in awarding contracts.

It is the policy of the city that the city will not discriminate in the consideration, award, or administration of any contract entered into between the city and any person (including, but not limited to, any contractor, vendor, supplier, lessee, or lessor) for the provision of any works, goods, or services of any type to the city.

(Ord. No. 01-699, § 2, 7-25-01; Ord. No. 2015-1129, §§ 7, 8(Exh. A), 11-13-2015, election of 11-3-2015)

Sec. 2-454. Prohibition against discrimination in city services.

It is the policy of the city that the city will not discriminate in authorizing or making available the use of city facilities or in the delivery of city services.

(Ord. No. 01-699, § 2, 7-25-01; Ord. No. 2015-1129, §§ 7, 8(Exh. A), 11-13-2015, election of 11-3-2015)

Sec. 2-455. Enforcement.

(a) It is the policy of the city that no employee or officer of the city shall engage in any act or practice prohibited by this article.

(b) An employee or officer found in violation of this article shall be subject to disciplinary action up to and including indefinite suspension/termination or removal from office pursuant to applicable city ordinances, city Charter provisions, executive orders, administrative procedures, laws, and policies.

(c) The provisions of this article shall be enforced pursuant to applicable city ordinances, city Charter provisions, executive orders, administrative procedures, laws, and policies.

(Ord. No. 01-699, § 2, 7-25-01; Ord. No. 2015-1129, §§ 7, 8(Exh. A), 11-13-2015, election of 11-3-2015)

Sec. 2-456. This article inapplicable to certain fringe benefits.

The provisions of this article are not in any manner applicable to those city provided fringe benefits (including, but not limited to, plans or

programs of life, health, dental, disability coverage, or pension benefits) that are furnished by or through contracts between the city and third party vendors or administrators or are furnished under the terms of state laws governing pensions and benefits. Those fringe benefits shall instead be governed under the terms of the programs, plans, contracts, and laws under which they are furnished.
(Ord. No. 01-699, § 2, 7-25-01; Ord. No. 2015-1129, §§ 7, 8(Exh. A), 11-13-2015, election of 11-3-2015)

Secs. 2-457—2-470. Reserved.

ARTICLE XV. HOUSTON INFORMATION TECHNOLOGY SERVICES*

Sec. 2-471. Department created.

Houston Information Technology Services, originally established as and formerly known as the information technology department, is hereby continued. To the extent that this Code or any other ordinance or any motion, resolution, contract or other document devolves duties upon the former information technology department or upon the employees or director thereof, then such references shall be construed to mean the Houston Information Technology Services.
(Ord. No. 02-528, 14f., 6-19-02; Ord. No. 2012-908, §§ 2, 5, 10-17-2012)

Sec. 2-472. Chief information officer.

The office of the director of the Houston Information Technology Services (HITS), formerly known as the director of the information technology department, is hereby continued. The director shall be appointed by the mayor and approved by the city council. The director shall act as the city's chief information officer. The title chief information officer or CIO shall be utilized only by the director. The director shall also be the executive officer of HITS and shall perform or cause to be performed the duties that are assigned by law or by the mayor.
(Ord. No. 02-528, § 14f., 6-19-02; Ord. No. 2012-908, §§ 2, 5, 10-17-2012)

Sec. 2-473. Functions.

The department shall be responsible for information resource management as follows:

(1) Define, plan, and implement strategic, operational, and tactical information systems, information technology assets, needs and directions, including project priorities and schedules, resource allocation, and project budgeting, citywide.

(2) Coordinate selection, procurement, implementation and installation of information technology systems, solutions, and services, following citywide procurement policy, in concert with city departments, other than 911 emergency systems.

(3) Implement and maintain an information technology service model as required for effective operation of citywide information technology assets.

(4) Procure and maintain the city's radio network, including ongoing support of software, hardware and third party agreements that are in the best interest of the city as a whole.

(5) Maintain and protect the confidentiality, integrity, and availability of computer-generated records as requested by city departments using industry standard practices.

(6) Define, develop, and maintain information technology risk management, security and operational compliance programs via related policies, standards, and technologies, which will identify, analyze and respond to risks that could potentially impact the city's business objectives.

(Ord. No. 02-528, § 14f., 6-19-02; Ord. No. 2012-908, § 2, 10-17-2012)

*__Editor's note—__Ord. No. 2012-908, § 5, adopted October 17, 2012, amended the title of Ch. 2, Article XV to read as herein set out. Formerly said article was entitled Information Technology Department.

__Editor's note—__Ord. No. 2004-672, § 2, adopted June 23, 2004, renumbered this former Ch. 2, Art. XVI, as Ch. 2, Art. XV. See the Code Comparative Table.

Sec. 2-474. Transfer of duties.

To the extent that any other reference in this Code or in any other ordinance of the city or any reference in any city contract or other document devolves duties upon all departments or the directors or employees of those departments that have been reassigned to Houston Information Technology Services or the director thereof under this article, then the reference shall be construed to mean Houston Information Technology Services or the director and employees thereof, as applicable.
(Ord. No. 02-528, § 14f., 6-19-02; Ord. No. 2012-908, §§ 2, 5, 10-17-2012)

Secs. 2-475—2-500. Reserved.

ARTICLE XVI. DEPARTMENT OF ADMINISTRATION AND REGULATORY AFFAIRS

DIVISION 1. GENERALLY

Sec. 2-501. Created.

There is hereby created a department to be designated the department of administration and regulatory affairs.
(Ord. No. 08-52, § 6, 1-16-08, eff. 1-26-08)

Sec. 2-502. Director—Position created; appointment.

There is hereby created the position of director of the department of administration and regulatory affairs, who shall be appointed by the mayor and confirmed by the city council. Except as provided or limited by the City Charter, the director of the department of administration and regulatory affairs shall mean the director or his designee.
(Ord. No. 08-52, § 6, 1-16-08, eff. 1-26-08)

Sec. 2-503. Same—Powers and duties.

The director of the department of administration and regulatory affairs shall perform all duties and have all the responsibilities required and imposed by the laws of the United States and the state, the City Charter and ordinances of the city, and such other functions, duties and powers as may be assigned by the mayor. In addition to the foregoing duties, functions, powers and responsibilities, the director of the department of administration and regulatory affairs, subject to the direction and supervision of the mayor, shall:

(1) Be executive head of the department of administration and regulatory affairs, and as such, shall have control, supervision and authority over all officers and employees therein.

(2) Exercise and perform or cause to be exercised or performed all duties and functions assigned to the department of administration and regulatory affairs.

(3) Recommend such legislation as may be necessary to more efficiently operate and maintain the department of finance and administration.

(Ord. No. 08-52, § 6, 1-16-08, eff. 1-26-08)

Secs. 2-504. Duties.

The department of administration and regulatory affairs and such employees of the department section as are assigned to it shall be charged with the following duties:

(1) Oversight and administration of the city's central payroll function.

(2) Oversight and administration of the city's records management.

(3) Administration of ordinances related to regulatory services, including utilities, vehicles for hire, certain permits for alcohol-related businesses, franchise fees, and other licenses and permits.

(4) Oversight and administration of the city's strategic alliance management functions.

(5) Supervision and administration of the city's requirements for insurance by establishing a risk management program, and supervision and administration of fidelity bonds and notary public commissions.

(6) Supervision of the establishment and implementation of a system of administrative procedures to improve city operations.

(7) Supervision and administration of the duties and responsibilities of the city as provided by this Code or other ordinance, the City Charter and state law in relation to its regulation of public utilities.

(8) In the event of an application by a utility for a change in rates, development of a recommendation and sponsorship of the city's case in the ensuing hearing.

(9) Responsibility for all actions necessary to ensure the delivery of services required of public utilities and charging of fair and reasonable rates for such services.

(10) Responsibility for provision of office services and reproduction management, including, but not limited to:

a. Pick-up and delivery of mail for all city departments.

b. Provision of printing and graphics services to city departments.

c. Coordination of acquisition and leasing of all types of reproduction equipment.

(11) Management of surplus city personal property and maintenance of a perpetual inventory thereof.

(12) Supervision, administration, and enforcement of the franchises granted by the city.

(13) Direct, control, and manage all on-street parking in residential and commercial areas, as more particularly described in chapter 26 of this Code.

(14) Responsibility for supervision, administration, and management of BARC animal services, including the development, recommendation, and implementation of the necessary policies and procedures to ensure the efficient operation of all city services regarding animal regulation and care.

(Ord. No. 08-52, § 6, 1-16-08, eff. 1-26-08; Ord. No. 2010-304, § 6, 4-21-2010, eff. 4-1-2010; Ord. No. 2010-398, § 2, 6-2-2010; Ord. No. 2013-603, § 8, 6-19-2013; Ord. No. 2022-44, § 3, 1-19-2022)

Sec. 2-505. Designation of temporary director.

The director of administration and regulatory affairs shall designate, with the approval of the mayor, an employee who, during the temporary absence or incapacity of the director, shall have and perform all of the powers and duties of the director of administration and regulatory affairs. Such appointee will serve in such capacity at the pleasure of the mayor and shall receive no additional compensation by reason of such appointment.

(Ord. No. 08-52, § 6, 1-16-08, eff. 1-26-08)

Sec. 2-506. Authority of director to function in other capacities.

(a) Whenever any provision of this Code or any other city ordinance provides for the taking of any action or the performance of any function by the director of the public service department or the public service director, then the director of the department of administration and regulatory affairs shall be authorized to take such action or perform such function, or to cause the same to be taken or performed.

(b) To the extent that this Code or any other ordinance or any motion, resolution, or other document devolves duties relating to the enforcement of parking regulations in the city upon the municipal courts department, the convention and entertainment facilities department, Houston Public Works, the general services department, or the directors or employees of those departments, then such references shall be construed to mean the department of administration and regulatory affairs or the director or employees thereof.

(c) To the extent that this Code or any other ordinance or any motion, resolution, or other document devolves duties relating to the regula-

tion and care of animals upon the Houston Health Department or the director or employees of that department, then such references shall be construed to mean the department of administration and regulatory affairs or the director or employees thereof.
(Ord. No. 08-52, § 6, 1-16-08, eff. 1-26-08; Ord. No. 2010-304, § 7, 4-21-2010, eff. 4-1-2010; Ord. No. 2010-398, § 3, 6-2-2010; Ord. No. 2010-846, § 3, 11-3-2010; Ord. No. 2013-603, § 9, 6-19-2013; Ord. No. 2015-820, § 34, 8-26-2015; Ord. No. 2018-11, § 50, 1-10-2018)

Sec. 2-507. Management of surplus city personal property.

(a) The following words, terms, and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except when the context clearly indicates a different meaning:

Director means the director of administration and regulatory affairs.

Surplus city personal property, means supplies, materials and equipment, excluding vehicles, that are obsolete or in excess of the city's requirements.

(b) Surplus city personal property may be sold, disposed of or destroyed in accordance with the following procedures:

(1) Items that have an estimated market value of $25.00, or less, as determined by the director, may be donated to a nonprofit corporation or governmental entity in accordance with a policy developed by the director and approved by the mayor for use in providing services benefitting the residents of the city, or may be destroyed. Such items may be donated or destroyed only if, in the reasonable opinion of the director the cost of maintaining the item in inventory and the probable cost of attempting to sell the item exceed the market value of the item.

(2) Items that are not disposed of or donated in accordance with item (1) of this subsection that have an estimated market value of $5,000.00 or less, each as determined by the director, may be sold by informal bid, auction, negotiated sale or any other lawful method that in the opinion of the director will result in the best return to the city, taking into consideration storage and sale costs. The director shall provide at least one week's notice prior to such disposition. The notice may include any of the following: Internet; public posting; municipal channel advertisement; or any other reasonable public notice as determined by the director.

(3) Items that have an estimated market value of more than $5,000.00, as determined by the director, may be sold only at a publicly advertised auction, provided that if any such item does not sell at auction, then it may be disposed of as provided in item (2) of this subsection.

(Ord. No. 08-52, § 6, 1-16-08, eff. 1-26-08)

Sec. 2-508. Management of municipal courts parking lot.

The department shall have and exercise management of the municipal courts parking lot, being that parking lot bounded by Lubbock, Reisner, West Capitol, and Houston Avenue. The department shall collect and account for the revenues therefrom.

Users of the municipal courts parking lot shall be liable for payment of thefees stated for this provision in the city fee schedule, including sales tax, per vehicle.
(Ord. No. 08-568, § 26, 6-18-08; Ord. No. 2010-304, § 5, 4-21-2010, eff. 4-1-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Note—Formerly § 2-438.

Secs. 2-509—2-520. Reserved.

DIVISION 2. OFFICE OF SUSTAINABILITY

Sec. 2-521. Office of sustainability; created.

There is hereby established an office of sustainability, a division of the administration and regulatory affairs department.
(Ord. No. 2020-911, § 2, 10-21-2020)

Sec. 2-522 Definitions

As used in this article, the following words, terms and phrases shall have the meanings assigned to them in this section, unless the context of their usage clearly indicates a different meaning:

Climate action plan means and refers to the city's strategic plan to reduce greenhouse gas emissions within the city boundary.

Director means the director of administration and regulatory affairs or the director's designee.

Greenhouse gas means any gas that causes the atmosphere to retain heat and includes gases such as carbon dioxide, methane, nitrous oxide, and fluorinated gases.

Greenhouse gas mitigation means any action that results in a net reduction in greenhouse gases from an activity in relation to the emissions from that activity before the mitigation occurs.

(Ord. No. 2020-911, § 2, 10-21-2020)

Sec. 2-523. Purpose; climate action plan.

(a) The office of sustainability shall provide support for greenhouse gas mitigation initiatives and shall serve as liaison among the mayor, city council, city departments, and other public and private entities on matters pertaining to greenhouse gas mitigation. To this end, the city shall establish, adopt, implement, and maintain a climate action plan describing and incorporating the city's goals, strategies, action plans, and policies for the reduction of greenhouse gas.

(b) The climate action plan shall include, but not be limited to:

(1) A greenhouse gas emission inventory compliant with the latest national and international standards and completed using the latest available data;

(2) Reasonable, practical, and cost-effective measures to reduce or offset community-wide greenhouse gas emissions to zero percent of the 2014 baseline by the year 2050;

(3) Updates to the plan which shall take place not later than five years after the adoption of the most recent climate action plan and include quantitative and qualitative analysis of progress toward the goals specified therein; and

(4) Implementation and coordination strategies to achieve the objectives of the climate action plan.

(Ord. No. 2020-911, § 2, 10-21-2020)

Sec. 2-524. Duties of office of sustainability.

The office of sustainability shall perform various duties, including, but not limited to, the following:

(1) Assist in developing, coordinating and formulating policies and legislation relating to greenhouse gas mitigation, and assist in overseeing the implementation of programs consistent with such policies and legislation;

(2) Act as a public advocate for community-led greenhouse gas mitigation initiatives;

(3) Assist in coordination of compliance with all federal, state and city laws concerning greenhouse gas reporting, energy consumption reporting, and climate action plan implementation;

(4) Assist in analyzing existing city programs for global warming potential, and in developing and promoting additional programs relating to the implementation of the climate action plan;

(5) Assist in maintaining statistical data regarding the city's municipal and community greenhouse gas emissions;

(6) Assist and educate individuals and entities in the public and private sectors regarding best practices to reduce greenhouse gas emissions;

(7) Provide information to assist in planning and prioritizing resources to reduce greenhouse gas emissions resulting from city operations.

(Ord. No. 2020-911, § 2, 10-21-2020)

Sec. 2-525. Director's authority; duties.

The director shall:

(1) Oversee the maintenance of the climate action plan;

(2) Establish an open, inclusive, public process for engaging the diverse ethnic, cultural, and economic communities in the development of the climate action plan, any proposed amendments, and any implementation actions;

(3) Develop policies and procedures to guide city departments in implementing the climate action plan and other greenhouse gas mitigation activities as needed;

(4) Lead day-to-day climate action plan implementation across all city departments;

(5) Implement greenhouse gas mitigation into a strategic function that optimizes the city's strategic and operational climate action plan objectives;

(6) Make recommendations to the mayor and city council regarding greenhouse gas mitigation and promulgate climate action plan policies in conjunction with department directors; and

(7) When appropriate, consult with legal counsel when making decisions regarding climate action plan implementation; and

(8) Report annually to the mayor and city council on progress toward the goals of the climate action plan.

(Ord. No. 2020-911, § 2, 10-21-2020)

Sec. 2-526. Responsibilities of city departments.

Each department director shall:

(1) Designate a liaison to periodically report to the department new or updated policies, regulations, and planning activities related to the scope of the climate action plan; and

(2) Direct the liaison to periodically report to the office of sustainability progress toward the goals of the climate action plan and statistical data regarding the department's greenhouse gas emissions; and

(3) Consult and coordinate with the office of sustainability when formulating plans, policies, regulations and public-private partnerships related to greenhouse gas mitigation and climate action plan implementation.

(Ord. No. 2020-911, § 2, 10-21-2020)

Sec. 2-527. Transfer of duties.

To the extent that a provision of this Code or of any ordinance, executive order, administrative procedure, administrative order, or contract of the city devolves a duty to, or imposes a duty on, a department or division other than the office of sustainability, which duty this division assigns to the office of sustainability, the provision shall be construed to refer to the office of sustainability.

(Ord. No. 2020-911, § 2, 10-21-2020)

Secs. 2-528—2-599. Reserved.

ARTICLE XVII. FLEET MANAGEMENT DEPARTMENT

Sec. 2-600. Department created.

There is hereby created the fleet management department of the city.

(Ord. No. 2010-803, § 2, 10-13-2010)

Sec. 2-601. Director—Position created; appointment.

There is hereby created the position of director of the fleet management department, who shall be appointed by the mayor and confirmed by the city council. Except as provided or limited by the City Charter, the director of the fleet management department shall mean the director or the director's designee.

(Ord. No. 2010-803, § 2, 10-13-2010)

Sec. 2-602. Same—Powers and duties.

The director of the fleet management department shall perform all duties and have all the responsibilities required by this Code and such other functions, duties and powers as may be assigned by the mayor.
(Ord. No. 2010-803, § 2, 10-13-2010)

Sec. 2-603. Duties of department.

The fleet management department and such employees of the department as are assigned to it shall be charged with the following duties:

(1) Specification and acquisition of new vehicles and other related equipment and preparation of any required capital planning to budget for such acquisitions;

(2) Permanent assignment of vehicles and other related equipment to city departments;

(3) Creation and management of the city's motor pool;

(4) Management of maintenance and repair for all vehicles and other related equipment;

(5) Management, control, supervision and authority over all department employees in the performance of duties assigned to the department;

(6) Procurement, in accordance with the city's procurement procedures set forth in chapter 15 of this Code, storage and dispensing of all fuel and supplies necessary to operate the city fleet of vehicles and other related equipment; and

(7) Disposal of vehicles and other related equipment.

(Ord. No. 2010-803, § 2, 10-13-2010; Ord. No. 2015-668, § 10, 7-8-2015)

Sec. 2-604. Transfer of duties.

To the extent that any other reference in this Code or in any other ordinance of the city or any reference in any city contract or other document devolves duties upon any department or the director or employees of that department whose functions have been reassigned to the fleet management department or the director or employees thereof, then the reference shall be construed to mean the fleet management department or the director or employees thereof, as applicable.
(Ord. No. 2010-803, § 2, 10-13-2010)

Secs. 2-605—2-620. Reserved.

ARTICLE XVIII. DEPARTMENT OF NEIGHBORHOODS

Sec. 2-621. Created.

There is hereby created the department of neighborhoods.
(Ord. No. 2011-697, § 2, 8-10-2011)

Sec. 2-622. Director—Position created; appointment.

There is hereby created the position of director of neighborhoods, who shall be appointed by the mayor and confirmed by the city council.
(Ord. No. 2011-697, § 2, 8-10-2011)

Sec. 2-623. Same—Powers and duties.

The director of neighborhoods shall perform all duties and have all the responsibilities required by the laws of the United States and the State of Texas, the City Charter and ordinances of the city, and such other functions, duties, and powers as may be assigned by the mayor. In addition to the foregoing, subject to the direction and supervision of the mayor, the director of neighborhoods shall be the chief executive officer of the department of neighborhoods and the supervisor of all employees therein.
(Ord. No. 2011-697, § 2, 8-10-2011)

Sec. 2-624. Duties.

The department of neighborhoods is charged with the following duties:

(1) Through the Mayor's Citizens' Assistance Office, a division of the department, to help citizens access city services and to serve as a liaison between citizens of the city and city departments;

(2) Through the Mayor's Office On Disabilities, a division of the department, to fulfill the purposes and the duties prescribed by sections 2-389 and 2-390 of this Code;

(3) Through the Mayor's Office of Education Initiatives, a division of the department, to enhance education opportunities for students of all ages, both inside and beyond traditional classrooms;

(4) Through the Mayor's Office of Gang Prevention, a division of the department, to assist families, young adults, and communities in reducing the frequency and the effects of juvenile delinquency in general and gang participation in particular;

(5) Through the Mayor's Office of Immigrant and Refugee Affairs, a division of the department, to connect immigrants and refugees with government, private enterprise, and not-for-profit resources intended to stabilize lives, preserve families, promote personal responsibility, and provide a path to citizenship or other legal residency, all as permitted by law;

(6) Through the Inspections and Public Service division of the department, to reduce substandard living conditions in the city through the enforcement of articles V and IX through XIV of chapter 10 of this Code, to the extent and in the manner prescribed by the said articles;

(7) Through the Mayor's Volunteer Initiatives Program, a division of the department, to promote and to facilitate volunteer public service; and

(8) To perform such other duties as may be prescribed by the mayor to enhance the quality of residential life in the city.

(Ord. No. 2011-697, § 2, 8-10-2011)

Sec. 2-625. Transfer of duties.

To the extent that a provision of this Code or of any ordinance, executive order, administrative procedure, administrative order, or contract of the city devolves a duty to, or imposes a duty on, a department other than the department of neighborhoods and which duty this article assigns to the department of neighborhoods, the provision shall be construed to refer to the department of neighborhoods.

(Ord. No. 2011-697, § 2, 8-10-2011)

Secs. 2-626—2-660. Reserved.

ARTICLE XIX. OFFICE OF BUSINESS OPPORTUNITY

Sec. 2-661. Department created.

There is hereby created a new department to be known as the office of business opportunity.

(Ord. No. 2012-850, § 2, 9-26-2012)

Sec. 2-662. Director—Position created; appointment.

There is hereby created the position of director of the office of business opportunity, who shall be appointed by the mayor and confirmed by the city council. Except as provided or limited by the City Charter, the director of the office of business opportunity shall mean the director or the director's designee.

(Ord. No. 2012-850, § 2, 9-26-2012)

Sec. 2-663. Same—Powers and duties.

The director of the office of business opportunity shall be the executive head of the department and shall perform, or cause to be performed, all duties assigned by law or by the mayor.

(Ord. No. 2012-850, § 2, 9-26-2012)

Sec. 2-664. Duties of department.

The office of business opportunity and such employees of the department as are assigned to it shall be charged with the following duties:

(1) Management of the city's minority, women and small business enterprise programs provided for in this Code, specifically including but not limited to the programs described in article V of chapter 15 of this Code;

(2) Management of the city's program for business enterprises owned and operated by persons with disabilities provided for or described in article VI of chapter 15 of this Code;

(3) Oversight, operation and management of all other duties, functions, programs, initiatives and undertakings currently assigned to or performed by the mayor's office of business opportunity; and

(4) Management of other programs or functions assigned to the department by the mayor or city council.

(Ord. No. 2012-850, § 2, 9-26-2012)

Sec. 2-665. Transfer of duties.

To the extent that any other reference in this Code or in any other ordinance of the city or any reference in any city contract or other document devolves duties upon the mayor's office of business opportunity, or the director or personnel of that office, then the reference shall be construed to mean the office of business opportunity or the director or employees thereof, as applicable."

(Ord. No. 2012-850, § 2, 9-26-2012)

Secs. 2-667—2-1000. Reserved.

ARTICLES XX—XXIX. RESERVED

ARTICLE XXX. TABLES AND CHARTS*

Sec. 2-1001. Facsimile signatures.

The authorization by section 2-27 to cause documents to be executed, certified or endorsed with a facsimile signature shall extend to the officers shown below with respect to each corresponding category of documents (as shown in the same numbered provision as the title of the officer), but no such facsimile signature shall be valid unless all of the corresponding special requirements for validity of the facsimile signature (as indicated in the same numbered provision) are present.

Table 2-1001
Facsimile Signatures

Description of Documents		*Officers*	*Special Requirements For Validity of Facsimile Signatures*
(1)	Contracts and other written agreements, including but not limited to, compromise and settlement agreements, whether approved by city council or not, subject to the requirements of Article II, Section 19a of the Houston City Charter	Mayor, City Controller, Mayor Pro Tem, Vice Mayor Pro Tem	A, B, C
(2)	Purchase orders, service release orders, project release orders and month-to-month office equipment agreements, whether approved by city council or not, subject to the requirements of Article II, Section 19a of the Houston City Charter	Mayor, City Controller	A and D
(3)	Written acceptances on behalf of the city of certain deeds, dedications, easements or other instruments relating to real or personal property, as designated in section 2-201 of this Code	Mayor, Mayor Pro Tem, Vice Mayor Pro Tem	A
(4)	Letters of indefinite suspension	Mayor	A and B

*__Editor's note—__Ord. No. 2004-672, § 2, adopted June 23, 2004, renumbered this former Ch. 2, Art. XV as Ch. 2, Art. XXX. See the Code Comparative Table.

Description of Documents		*Officers*	*Special Requirements For Validity of Facsimile Signatures*
(5)	Notices to contractors, including change orders approved by city council, contemplated by any contract document to be signed by the Mayor and the City Controller, Mayor, City Controller, Mayor Pro Tem, Vice Mayor Pro Tem	A and B	

As used in Table 2-1001, the following symbols shall have the meanings set out below:

'A' Means that the facsimile signature is invalid unless, at the time it is affixed, there is on file an effective facsimile signature certificate that contains a likeness of the facsimile signature, the signature of the officer who has adopted it and a description of the documents to which the facsimile signature may be affixed.

'B' Means that the facsimile signature is invalid unless the facsimile signature is accompanied by the signature, which can include initials, of another person, as specified on the facsimile signature certificate, whose name and signature, in addition to the elements listed under 'A' above, are contained in an effective facsimile signature certificate on file at the time the facsimile signature is affixed.

'C' Means the facsimile signature is invalid unless the document to which it is affixed bears the embossed or electronic impression of the official seal of the city and an attesting signature of the city secretary or an assistant city secretary.

'D' Means that any imprinted facsimile signature of the Mayor or City Controller is invalid unless, in addition to the elements listed under 'A' above, the facsimile signature is accompanied by the signature of the purchasing agent.

Chapter 3

ALCOHOLIC BEVERAGES*

Art. I. In General, §§ 3-1—3-15
Art. II. Applications and Fees, §§ 3-16—3-22

ARTICLE I. IN GENERAL

Sec. 3-1. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Alcoholic beverage means alcohol, or any beverage containing more than one-half of one percent of alcohol by volume, which is capable of use for beverage purposes, either alone or when diluted.

Director means the Director of the Department of Administration and Regulatory Affairs or the director's designee.

Grocery store means an establishment which has at least 10,000 square feet of interior floor space, selling at retail a general line of food, such as canned and frozen foods; fresh fruits and vegetables; and fresh and prepared meats, fish and poultry. Included in this industry are establishments, such as supermarkets that hold a valid wine and beer retailer's off-premise permit authorizing the establishment to sell wine, beer and malt liquors for off-premise consumption only. Excluded from this industry are establishments that derive more than 25 percent of gross receipts for the premises, excluding the sale of items subject to the motor fuels tax, from the sale of wine, beer and malt liquors; also excluded are establishments that allow on-premises consumption or that sell distilled spirits.

License means any license issued pursuant to the T.A.B.C., except a temporary or agent's beer license.

Licensee means a person who is the holder of a license, as herein defined, or any agent, servant, or employee of that person.

Permit means any permit issued pursuant to the T.A.B.C., except any of the following:

a. Agent's, airline beverage, industrial, carrier's, private carriers, private club registration, local cartage, storage, and temporary wine and beer retailer's permits.

b. A wine and beer retailer's permit issued for a dining, buffet, or club car.

c. A mixed beverage permit during the three-year period following the issuance of the permit.

Permittee means a person who is the holder of a permit, as herein defined, or an agent, servant, or employee of that person.

Premises means the grounds and all buildings, vehicles, and appurtenances pertaining to the grounds, including any adjacent premises if they are directly or indirectly under the control of the same person.

T.A.B.C. means the Texas Alcoholic Beverage Code, as amended.

(Code 1968, § 4-1; Ord. No. 81-1237, § 1, 6-30-81; Ord. No. 2014-9, § 2, 1-8-2014; Ord. No. 2025-742, § 3, 8-27-2025)

Sec. 3-2. Location of dealer's premises near church, school or hospital.

(a) It shall be unlawful for any dealer to sell alcoholic beverages within the corporate limits of the city where the place of business of such dealer is within 300 feet of any church, public

*__Charter reference__—Authority to regulate dram shops, drinking saloons, etc., Art. II, § 16j(c).

__Cross references__—Food and drug, Ch. 20; health, Ch. 21; fee for certificates issued pursuant to Alcoholic Beverage Code, § 2-72; closing hours for dance halls licensed to serve alcoholic beverages, § 5-50; sale, possession, etc., of alcoholic beverages in teenage dance halls, § 5-56.

elementary, junior high or high school, or public hospital or within 300 feet of a "private school" as that term is defined in Section 109.33 of the Texas Alcoholic Beverage Code. It shall be unlawful for any dealer to sell alcoholic beverages in any area designated by the city council, as provided in subsection (e) below, as an "alcohol-free school zone." The measurement of the distance between the place of business where alcoholic beverages are sold and the church, public hospital, public school, or private school shall be made as provided in Section 109.33 of the Texas Alcoholic Beverage Code. This section shall be administered in a manner that is consistent with Section 109.33 of the Texas Alcoholic Beverage Code and shall not apply to any alcoholic beverage license or permit to which that section is inapplicable. The provisions of this subsection shall not apply to the operation of a grocery store.

(b) The provisions of subsection (a) of this section shall not apply to any place of business actually operated by a dealer on April 24, 1940, and continuously thereafter under a license or permit provided for in the Texas Alcoholic Beverage Code so long as such license or permit remains in full force and effect in the name of such dealer for the particular place of business so operated and is promptly renewed from year to year or is transferred strictly as authorized in subsection (c) of this section. Except for transfers made strictly as authorized in subsection (c) of this section, in the event such license or permit is permitted to lapse, or is transferred to a different person or is suspended or cancelled for any cause, or in the event such dealer ceases to operate such place of business, either temporarily or permanently, then such place of business shall cease to be excepted from the provisions of this section. The provisions of this subsection shall apply only to the extent that the premises remains at the same address at which it was situated on April 24, 1940.

(c) The application of the distance requirements of subsection (a) of this section to subsequent renewals of a license or permit or to the sale or transfer of premises or the business on the premises for which a new original license or permit is required shall be as provided in Section 109.59 of the Texas Alcoholic Beverage Code.

(d) In any prosecution under this section, the provisions of subsections (b), (c), (f), (g), and (h) of this section shall be regarded as defenses.

(e) Following receipt of a written request from the board of trustees of a school district for the designation of an alcohol-free school zone, the city council may designate areas within 1,000 feet of public schools as "alcohol-free school zones," as provided in Section 109.33 of the Texas Alcoholic Beverage Code and Section 38.007 of the Texas Education Code. Following receipt of a written request from the governing body of a private school for the designation of an alcohol-free school zone, the city council may designate areas within 1,000 feet of the private school as an alcohol-free school zone. Requests for designation shall be filed with the city secretary and shall be presented to city council as soon as practicable following their filing. Designations under this subsection may be made by city council motion.

(f) The provisions of subsection (a) shall not apply to the operation of a restaurant and/or bar that is associated with a hotel, subject to each of the following criteria:

(1) The hotel must be situated within the "central business district," as defined in section 3-3 of this Code;

(2) The hotel must have a total project cost per room of $100,000.00, or more, and must continuously meet each of the following criteria:

a. Have 80 or more separately rentable guest sleeping accommodations;

b. Have breakfast, lunch, and dinner meal service available to the public on the premises during normal meal periods;

c. Have an average daily room rental rate of $100.00 or more; and

d. Have 15 hours or more of on premises room service on a daily basis.

(3) The restaurant and/or bar must be operated within the same structure that principally houses the guest sleeping accommodations of the hotel and must be an integral part of the hotel's operations; this requirement shall not be construed to preclude the operation of a restaurant by another person acting under a license or business agreement with the hotel's owner or operator, but a bar must be operated by the hotel's owner or, if the hotel is not operated by the owner, then by the person primarily responsible for the overall operation and management of the hotel; and

(4) The restaurant or bar shall:

a. Take access from the lobby or interior corridors of the hotel; a restaurant may in addition to the lobby or interior access have direct public access to the exterior of the hotel structure but a bar may have no direct exterior access, except for "exit only" emergency egress doors if required for compliance with building and fire codes;

b. Have no signage that is placed upon or visible from the exterior of the hotel that references or suggests the existence of a bar or advertises or suggests the availability of alcoholic beverages within a bar or restaurant;

c. Not have any alcohol bottles, beer taps, alcohol service equipment, bars of the type typically associated with the service of alcohol by a bartender, alcohol related signage, or any other indicia of the sale or service of alcohol that may be viewed from the exterior of the hotel through windows, doorways, or other openings; however, this provision shall not preclude the service of alcohol in unmarked or covered containers or barware at patrons' tables in response to customer service orders; and

d. Not have any outside seating or service areas; this requirement shall not be construed to preclude an interior courtyard restaurant or bar that is completely surrounded by the hotel and is not visible in any manner from the exterior of the hotel.

(g) The provisions of subsection (a) shall not apply to the operation of a restaurant as related to its proximity to a public school, subject to the following criteria:

(1) The restaurant may have no signage that is placed upon or visible from the exterior that references or suggests the existence of or availability of alcohol on the premises; and

(2) The restaurant may have no outside seating or service area in which alcohol is served; this requirement shall neither preclude an interior courtyard that is surrounded by walls and is not visible in any manner from the exterior nor preclude a sidewalk cafe under section 40-10.1 of this Code, provided that the sidewalk cafe area is not a part of the alcohol premises for purposes of the State alcohol license or permit and that no alcohol is served or consumed in the sidewalk cafe area.

For purposes of the application of this subsection, the term "restaurant" shall be limited to a premises operating under a food and beverage certificate issued by the Texas Alcoholic Beverage Commission. Operation of a restaurant under the provisions of this subsection shall require written approval of the director of planning and development, which shall be granted upon demonstration of compliance with the foregoing requirements. Application for an approval shall be made by the applicant for the alcohol license or permit for the premises, who shall additionally be joined by the owner of the land upon which the restaurant will be situated if he is not the same person who will hold the alcohol licenses or permits. The approval shall be in the form of a covenant enforceable by the city that shall

run with the land upon which the restaurant will be situated and shall be conditioned upon full and continuing compliance with all requirements of this subsection for the duration of the alcohol license or permit. The covenant shall be executed by the applicants and duly recorded in the real property records of the county at the expense of the applicants. The director of planning and development may issue rules that are consistent with the requirements of this subsection for the administration of its provisions. No certification that may be required from the city by the Texas Alcoholic Beverage Commission or any other authority for the issuance of any alcohol permit or license shall be provided until all requirements of this subsection have been completed.

The provisions of this subsection shall not affect any alcohol premises that otherwise qualifies for an alcohol license or permit under the other provisions of this section.

(h) The provisions of this subsection (h) shall only be applicable within mixed land use/entertainment zones established by city council.

(1) Any such zone shall be at least ten acres or ten city blocks in size and shall be characterized by the following:

a. High density mixed land use development, including uses such as residential, commercial, retail, institutional, and entertainment with a predominance of multi-story and multi-tenant buildings.

b. Special public development interests, such as may be characterized by or associated with a tax increment reinvestment zone, improvement district, enterprise zone, historic district, transit corridor, or contractual street amenities development program.

(2) The mixed land use/entertainment zones established by city council pursuant to this subsection (h) that are currently in effect are:

a. **MIXED LAND USE/ENTERTAINMENT ZONE 1,** as described in Ordinance No. 2023-1001, adopted on November 15, 2023; and

b. **MIXED LAND USE/ENTERTAINMENT ZONE 2,** as described in Ordinance No. 2021-1113, adopted on December 15, 2021.

(3) Where an ordinance designating a mixed land use/entertainment zone attaches specific limitations and/or conditions on eligibility of an alcohol premises within that zone to be excepted from the distance requirements of subsection (a), an alcohol premises that qualifies for an alcohol license or permit under the terms of such ordinance shall not be affected by the other provisions of this section to the extent there is any conflict between the provisions of this section and the terms of the designating ordinance.

(4) Within a zone established under this subsection, a street level alcohol premises may be situated without regard to the other requirements and provisions of subsection (a), provided that not more than two other alcohol premises exists at street level in the same block face. In this subsection, a "block face" is the area on both sides of a city street block between two intersections. Alternatively, if three premises already exist at street level in the same block face, then additional premises may exist, but only if they are concealed; for this purpose and consistent with any applicable rules promulgated as provided below, concealment shall require that the additional premises be situated in the basement or on the second or a higher story of a building and have no signage or other indicia of the availability of alcohol that is visible from the street level.

The provisions of this subsection shall not affect any alcohol premises that otherwise qualifies for an alcohol license or permit under the other provisions of this section. The director of planning and development may issue rules that are consistent with the requirements of this subsection for the administration of this subsection. Without limitation, the rules shall address requirements for compliance with this subsection and the priority between alcohol license and

permit applications in case two or more applications are received for street level locations in the same block face. The rules may require the applicant for the alcohol license or permit, joined by the owner of the land upon which it is situated, to execute and record in the real property records of the county a covenant that is enforceable by the city to ensure compliance with this section and the director's rules.
(Code 1968, § 4-2; Ord. No. 81-1237, § 1, 6-30-81; Ord. No. 83-1249, § 1, 8-16-83; Ord. No. 93-1326, § 1, 10-20-93; Ord. No. 96-368, §§ 1—3, 4-17-96; Ord. No. 01-832, § 1, 9-12-01; Ord. No. 03-1319, § 3, 12-23-03; Ord. No. 07-227, § 14, 2-14-07; Ord. No. 2014-9, § 3, 1-8-2014; Ord. No. 2023-1001, § 2, 11-15-2023)

Sec. 3-3. Alcohol in central business district.

(a) In this section, the following words and terms shall have the meanings ascribed in this subsection:

Central business district means the area designated in Ordinance No. 2023-1001, adopted on November 15, 2023 by city council as *"MIXED LAND USE/ENTERTAINMENT ZONE 1."*

Licensed premises means the premises of any place for which a Texas Alcoholic Beverage Commission permit or license has been issued that allows on-premises consumption of alcoholic beverages.

Open container means an alcoholic beverage container that is no longer sealed.

Special event lot means a lot leased or licensed by the owner, operator, manager or management team of a sports venue through an agreement with the lot owner and where the lot is under the control of the owner, operator, manager or management team of the sports venue during an event authorized by them.

Sports venue means a stadium, arena, ballpark, parking lot, or other related property in the central business district that is owned, operated, or project managed by the Harris County-Houston Sports Authority.

(b) It shall be unlawful for any person to be in possession of an open container in the central business district.

(c) It shall be unlawful for any person to engage in the public consumption of any alcoholic beverage in the central business district.

(d) It is a defense to prosecution under this section that the alleged offense took place in a motor vehicle; in a building not owned or controlled by the city; in a residential structure; on the premises of a sports venue or special event lot during the hours authorized by the owner, operator, manager or management team of the sports venue; or on licensed premises that are situated in the central business district.
(Ord. No. 94-597, § 2, 6-15-94; Ord. No. 2012-236, §§ 2, 3, 3-21-2012; Ord. No. 2023-1001, § 3, 11-15-2023)

Sec. 3-4. Location of dealer's premises near day-care center or child-care facility.

(a) In accordance with section 109.331 of the T.A.B.C., the city, through approval by city council following a recommendation from the director of administration and regulatory affairs or on its own motion, may create 300-foot alcohol-free zones surrounding day-care centers or child-care facilities. As used in this section, *applicant* means the owner of a day-care center or child-care facility.

An application for the creation of an alcohol-free zone within 300 feet of a day-care center or child-care facility may be submitted to the director of administration and regulatory affairs by the owner of such day-care center or child-care facility. As soon as practicable following receipt of such an application, the director of administration and regulatory affairs shall submit his recommendation for approval of the application for an alcohol-free zone to the city council. An application for the creation of an alcohol-free zone shall be recommended for approval by the director of administration and regulatory affairs only if the day-care center or child-care facility is located in a residential area as defined in this subsection. Designations of alcohol-free zones pursuant to this

section may be made by city council motion. An alcohol-free zone designation shall continue for as long as the child-care center or day-care facility remains under the same ownership and retains its license, certification or registration from the state.

As used in this section, *alcohol-free zone* means the area within 300 feet of a day-care center or child-care facility.

As used in this section, *residential area* means an area in which 75 percent or more of the tracts within a circular area, as described herein, are residential in character; the radius of such circular area shall be 1,500 feet, and the center of such circular area shall correspond to the midpoint of a line joining the two most distant points on the boundary of the tract on which the dealer's premises are located; multifamily tracts shall be counted as multiple residential tracts based upon the tax records acreage of the multifamily tract according to the following formula: each one-eighth acre of land or fraction thereof shall be equivalent to one residential tract; for purposes of this calculation a residential tract or multifamily tract shall be considered to be in the circular area in its entirety if any portion of it lies within the circular area.

(b) If an alcohol-free zone designation has been approved by city council, it shall be unlawful for any dealer in a residential area holding a permit or license under the following chapters of the T.A.B.C. to sell alcohol within 300 feet of a day-care center or child-care facility, as those terms are defined in section 42.002 of the Human Resources Code: Chapter 25 (Wine and Beer Retailer's Permit), Chapter 28 (Mixed Beverage Permit), Chapter 32 (Private Club Registration Permit), Chapter 69 (Retail Dealer's On-Premise License) or Chapter 74 (Brewpub License). The measurement to a dealer's premises shall be in a direct line from the property line of the day-care center or child-care facility to the property line of the place of business where alcoholic beverages are sold and in a direct line across intersections, in accordance with sections 109.33 and 109.331 of the T.A.B.C.

(c) This section does not apply to a permit or license holder who sells alcoholic beverages if:

(1) The holder of a permit or license issued under the chapters of the T.A.B.C. listed in subsection (b) holds a food and beverage certificate issued by the Texas Alcoholic Beverage Commission;

(2) The permit or license holder and the day-care center or child-care facility are located on different stories of a multistory building;

(3) The permit or license holder and the day-care center or child-care facility are located in separate buildings and either the permit or license holder or the day-care center or child-care facility is located on the second story or higher of a multistory building;

(4) The place of business where alcoholic beverages are sold and the day-care center or child-care facility are located on the same tract or contiguous tracts of land which are under the direct ownership of the same person or entity; or

(5) The sale of alcoholic beverages at a location was authorized by the Texas Alcoholic Beverage Commission before the day-care center or child-care facility use was established within 300 feet from the place of business, and a new application for the same location is filed with the Texas Alcoholic Beverage Commission not later than one year after the date the previous permit or license authorizing the sale of alcoholic beverages at the location either expired or was terminated.

(d) The application shall contain a statement under oath that:

(1) The applicant has personal knowledge of the information contained in the application and that the information contained therein and furnished therewith is true and correct;

(2) The applicant has, for a minimum of 30 days, placed signs (at least 24 inches by 36 inches in size) that provide notification and information specifically stating

"300-FOOT ALCOHOL-FREE ZONE PENDING," identifying the address of the day-care center or child-care facility, and containing the notation: "For further information, contact the Director of the Department of Administration and Regulatory Affairs of the City of Houston." All lettering on the signs must be at least one and one-half inches by two inches in size for each letter on the sign. It shall be the duty of each applicant as to each particular application to erect at least one such sign along each of the property's public road or highway frontages so as to be clearly visible from the public road or highway. If a property does not have a public road or highway frontage, then signs shall be placed upon the property at a point visible from the nearest public right-of-way. Said signs shall be checked daily by the applicant and reposted as required to ensure that they remain posted until the application has been approved or denied; and

(3) The applicant has mailed the same information appearing on the sign to each property owner, as shown on the most recently approved tax rolls of the City of Houston, within 300 feet of the day-care center or child-care facility.

(e) The director of administration and regulatory affairs may require the sign to be both in English and in a language other than English if it is likely that a substantial number of the residents and property owners in the vicinity of the day-care center or child-care center speak a language other than English as their familiar language.

(f) In the event that the creation of an alcohol-free zone is initiated by action of city council, the director of administration and regulatory affairs shall cause notice of such action to be mailed to each owner, as shown on the most recently approved tax rolls of the city, of property within 300 feet of the day-care center or child-care facility.

(g) Notwithstanding anything to the contrary in this section, an alcohol-free zone shall not be created if the day-care center or child-care facility is located within a high density mixed land use development, including uses such as residential, commercial, retail, institutional, and entertainment with a predominance of multi-story and multi-tenant buildings.
(Ord. No. 05-63, § 1, 1-19-05; Ord. No. 08-52, §§ 7, 8, 1-16-08, eff. 1-26-08)

Sec. 3-15. Administrative rules.

The director is hereby authorized to promulgate rules regarding the application requirements for permits and licenses issued under this chapter. A copy of the rules shall be maintained by the department, published on the department's website, and made available in the office of the city secretary for inspection by the public, and copies shall be made available for purchase consistent with the fees prescribed by law.
(Ord. No. 2025-742, § 4, 8-27-2025)

Secs. 3-5—3-16. Reserved.

ARTICLE II. APPLICATIONS AND FEES*

Sec. 3-16. City license fee.

There is hereby levied a city fee in an amount equal to one-half the corresponding state license fee for each license issued for premises located within the city. The current fee amount is stated for this provision in the city fee schedule.
(Code 1968, § 4-10; Ord. No. 81-1237, § 1, 6-30-81; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 3-17. City permit fee.

There is hereby levied a city fee in an amount equal to one-half of the corresponding state permit fee for each permit issued for premises located within the city. The current fee amount is stated for this provision in the city fee schedule.
(Code 1968, § 4-11; Ord. No. 81-1237, § 1, 6-30-81; Ord. No. 2011-1168, § 13, 12-14-2011)

*__Editor's note—__Ord. No. 2025-742, § 2, adopted August 27, 2025, amended the title of Article II to read as herein set out. Formerly Article II was titled City Fees.

Sec. 3-18. Fees payable to tax assessor and collector.

The fees levied pursuant to this article shall be payable to the tax assessor and collector of the city. Each license and permit shall be presented to the tax assessor and collector by the permittee or licensee thereof for examination. The tax assessor and collector shall examine the same, determine the amount of the applicable city fee, and return the permit or license.
(Code 1968, § 4-12; Ord. No. 81-1237, § 1, 6-30-81)

Sec. 3-19. Issuance of receipt.

Upon payment of the applicable city fee, the tax assessor and collector shall issue a city fee receipt to the licensee or permittee setting forth, without limitation, the name of the licensee or permittee, the address of the premises, a description of the permit or license, the permit or license number, the date issued, and the amount paid.
(Code 1968, § 4-13; Ord. No. 81-1237, § 1, 6-30-81)

Sec. 3-20. Fee receipt to be posted.

All city fee receipts issued under this article shall be displayed adjacent to the permit or license to which they appertain. Failure of any permittee or licensee to display his city fee receipt in accordance with the provisions of this section shall be unlawful.
(Code 1968, § 4-14; Ord. No. 81-1237, § 1, 6-30-81)

Sec. 3-21. Fee payable prior to sale.

Any permittee or licensee who sells an alcoholic beverage without first having paid any applicable city fees or without having submitted an administratively complete application pursuant to this article and any rules promulgated thereunder commits a misdemeanor punishable by a fine of not less than $10.00 nor more than $200.00.
(Code 1968, § 4-15; Ord. No. 81-1237, § 1, 6-30-81; Ord. No. 2025-742, § 5, 8-27-2025)

Charter reference—Penalty for ordinance violation, Art. II, § 12.

Cross references—Assessment of fines against corporations, § 16-76; payment of fines, § 16-78; credit against fines for incarceration, § 35-6 et seq.

Sec. 3-22. Refunds.

(a) No permittee or licensee may obtain a refund of any city fee paid pursuant to this article, except as follows:

(1) The permittee or licensee is prohibited from continuing in business at the premises to which the fee appertains because of a local option election, provided that in such event the refund shall be limited to the proportionate amount of the city fee covering the unexpired term of the permit or license; or

(2) The Texas Alcoholic Beverage Commission decides to allow the permittee or licensee to withdraw its application and refunds the Texas Alcoholic Beverage Commission permit or license payment; or

(3) The permit or license was issued through error on the part of city personnel. For purposes of this item, an error on the part of both city personnel and the permittee or licensee, such as the request for and issuance of a duplicate permit or license is excluded. Only errors that are exclusive to city personnel are included.

Except as provided in item (1) above, no refund shall ever be allowable where a Texas Alcohol Beverage Commission licensed or permitted premises has been operated for any length of time under authority of the fee receipt.

(b) In order to receive a refund, the fee receipt must be surrendered to the tax assessor and collector. If any business was conducted under the permit or license, the refund shall be prorated on the basis of the date of surrender of the fee receipt.

(c) Except in the circumstance described in item (3) of subsection (a), there shall be imposed the refund processing fee stated for this provision in the city fee schedule. If the amount of the refund to be given is less than the amount of the refund processing fee, then no refund shall be made.

(d) In the circumstance described in item (3) of subsection (a), the fee shall be refunded in full. (Code 1968, § 4-16; Ord. No. 81-1237, § 1, 6-30-81; Ord. No. 94-61, § 1, 1-19-94; Ord. No. 2011-1168, § 13, 12-14-2011)

Chapter 4

AMBULANCES*

Sec. 4-1. Definitions.

The following words, terms, and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Ambulance means a motor vehicle used, designed or redesigned, and equipped for the primary purpose of the transportation of sick or injured persons.

Ambulance service means a trip made by an ambulance to transport a sick or injured person from place to place under other than emergency circumstances.

Ambulance operator means the person holding a city ambulance permit.

Department means the Houston Health Department.

Direct call means a request for ambulance service made by telephone or other means directly to an ambulance operator, his agents or employees.

Driver's permit means a city emergency ambulance driver's permit.

Emergency ambulance means any motor vehicle used, designed or redesigned, and equipped for the primary purpose of transporting sick or injured persons under emergency circumstances, and the rendering of first aid or the performance of rescue work, or both, under such circumstances.

Emergency circumstances means the existence of circumstances in which the element of time in expeditiously transporting a sick or injured person for medical or surgical treatment is essential to the health or life of such person, and in which rescue operations or competent first aid or both at the place of emergency may be essential to the health or life of such person.

Emergency ambulance service means a trip made by an emergency ambulance under emergency circumstances to the place of emergency, performance of any necessary rescue operations, rendering of any necessary first aid assistance, and the trip to the hospital or other place for medical attention. An ambulance is being operated in emergency ambulance service if all or any part of the above-described trip to the place of emergency and any subsequent trip to the hospital is made on the streets within the corporate limits of the city. An emergency ambulance shall be considered to be rendering emergency ambulance service when it is responding to a call for emergency assistance even though, upon arrival at the place of emergency, it is found that the call was falsely made or that no further emergency ambulance assistance is required or when it is responding to a call for routine ambulance service and during such trip emergency circumstances develop.

Emergency medical services means services used to respond to an individual's perceived need for immediate medical care and to prevent death or aggravation of physiological or psychological illness or injury.

Mobile Stroke Unit ("MSU") means an ambulance equipped with specialized stroke treatment equipment including laboratory and telemedicine capabilities in order to administer neurological emergency treatment before arrival at the hospital.

(Code 1968, § 5-1; Ord. No. 70-1518, § 1, 9-16-70; Ord. No. 2015-820, § 5, 8-26-2015; Ord. No. 2019-142, § 2, 3-20-2019; Ord. No. 2025-722, § 2, 8-27-2025)

Sec. 4-2. Ambulance advisory committee.

An ambulance advisory committee is hereby created, to consist of the director of public health or in his absence a representative appointed by the director; the chief of the fire department, or

*__Cross references—__Health generally, Ch. 21; traffic, Ch. 45.

in his absence a representative appointed by him; and a third member to be selected by the Harris County Medical Society, or in his absence, an alternate member selected by such society. It shall be the duty of such committee to recommend to the city council, specifications for construction, equipment and numbers of emergency ambulances to be purchased by the city (which specifications shall include the essential equipment referred to in section 4-6 below). The committee shall meet at least two times per year. The committee shall submit to the city council from time to time, its recommendations as to new specifications for emergency ambulances and its recommendations as to revisions of this chapter.
(Code 1968, § 5-2; Ord. No. 70-1518, § 19, 9-16-70; Ord. No. 2015-820, § 33, 8-26-2015)

Sec. 4-3. City emergency ambulance driver's permit.

(a) It shall be unlawful for any person other than a member of the fire department assigned to drive a fire department ambulance to operate or drive an emergency ambulance upon the public streets of the city unless the driver thereof shall first have obtained a city emergency ambulance driver's permit.

(b) An application for such permit shall be submitted to the health officer upon a form or forms to be provided by the health officer, which outline the current requirements. Such application must be signed and sworn to before a notary public. The applicant shall have the following qualifications:

(1) The applicant must be 18 years of age or older; and

(2) The applicant must be the holder of a Class C Texas driver's license or an equivalent driver's license issued by another state.

(c) The health officer shall investigate the application and determine whether the applicant meets the qualifications required for the issuance of an emergency ambulance driver's permit. If the applicant is so qualified, the health officer shall issue such a permit, and if the applicant is not qualified, the health officer shall notify the applicant in writing to the applicant's address as given in the application.

(d) A permit issued under this section shall be valid for two years from the date of issuance.

(e) The fee for a permit required by this section is stated for this provision in the city fee schedule, payable at the time the application for said permit is submitted to the health officer.
(Code 1968, § 5-3; Ord. No. 70-1518, § 2, 9-16-70; Ord. No. 71-698, § 1, 4-7-71; Ord. No. 71-736, § 1, 4-14-71; Ord. No. 78-2404, § 1, 12-5-78; Ord. No. 82-1109, § 1, 7-13-82; Ord. No. 05-939, §§ 1, 2, 8-3-05; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2025-722, § 3, 8-27-2025)

Sec. 4-4. Personnel required during operation of emergency ambulances.

It shall be unlawful to operate or drive or cause to be operated or driven an emergency ambulance on a public street of the city when furnishing emergency ambulance service, including emergency ambulances operated by the fire department, unless there is aboard such emergency ambulance on each trip at least two persons, one of whom is currently a state-certified Emergency Medical Technician (EMT). The holder of such a certificate must be the person attending the patient while such patient is being transported.
(Code 1968, § 5-4; Ord. No. 70-1518, § 3, 9-16-70; Ord. No. 78-2404, § 2, 12-5-78; Ord. No. 2025-722, § 4, 8-27-2025)

Sec. 4-5. Structural and licensing requirements.

No emergency ambulance shall be operated on the public streets of the city unless it is free of structural defects and unless it has no serious impairment of any safety feature resulting from an accident or otherwise. No emergency ambulance shall be operated upon the streets of the city for the purpose of furnishing emergency ambulance service unless it complies with all applicable provisions of chapter 773 of the Texas Health and Safety Code and is operated pursu-

ant to an emergency medical services provider license issued by the Texas Department of State Health Services.
(Code 1968, § 5-5; Ord. No. 70-1518, § 4, 9-16-70; Ord. No. 2025-722, § 5, 8-27-2025)

Sec. 4-6. Required equipment.

(a) No emergency ambulance or transfer ambulance shall be operated upon the streets of the city for the purpose of furnishing ambulance service unless such ambulance is equipped as required by section 157.11 of Title 25 of the Texas Administrative Code, a copy of which shall be filed in the office of the city secretary by the health officer.

(b) In addition to the equipment requirements referenced in subsection (a) of this section, each emergency ambulance or transfer ambulance operated upon the streets of the city for the purpose of furnishing ambulance service shall be equipped in compliance with the department's approved medical equipment list, specifying the necessary equipment, medications, and quantities of each required aboard each emergency ambulance or transfer ambulance offering service within the city. To the extent of any inconsistency between the minimum equipment requirements stated in Title 25 of the Texas Administrative Code and the department's medical equipment list, the more restrictive requirement shall govern. Modifications to the standards for specialized units are allowed, as long as these units are not used for routine operations. The equipment list shall be reviewed and approved annually by the emergency medical services system physician medical director, the fire department, and the department's emergency medical services (EMS) program.
(Code 1968, § 5-6; Ord. No. 70-1518, § 5, 9-16-70; Ord. No. 2025-722, § 6, 8-27-2025)

Sec. 4-7. Vehicle inspections.

The health officer shall cause all emergency ambulances, including those operated by the fire department, to be inspected before being placed in service and thereafter annually, as well as on a spot inspection basis. In the event an emergency ambulance fails to pass inspection, the health officer shall notify the emergency ambulance operator or the chief of the fire department to correct the defects noted in the inspection and, after such notification, the health officer shall cause such ambulance to be reinspected for compliance. If, upon such reinspection, the defects noted in the original inspection have not been corrected, the vehicle decals shall be removed from the ambulance by the health officer and shall only be replaced upon such ambulance after the defects have been corrected. Inspections provided for herein may also be made by any police officer of the city or any authorized employee of the department of administration and regulatory affairs of the city.
(Code 1968, § 5-7; Ord. No. 70-1518, § 6, 9-16-70; Ord. No. 79-1817, § 1, 10-23-79; Ord. No. 05-939, § 3, 8-3-05; Ord. No. 08-52, § 9, 1-16-08, eff. 1-26-08)

Sec. 4-8. Decals and display of name.

(a) When an ambulance operator's permit is issued or renewed under this article, the holder of the operator's permit shall present each ambulance that he proposes to operate thereunder to the health officer for inspection pursuant to the standards adopted in section 4-5, and if the operator proposes to use the ambulance in either or both of the instances described in section 4-9(b)(3) or (4), then for additional inspection for compliance with section 4-6. Upon the successful completion of such inspection, the health officer will furnish the permittee two decals for each ambulance which has been inspected and is authorized to be used in service. One such decal shall be affixed to the front windshield at the lower right (passenger side) corner; the other such decal shall be affixed to the rear bumper or to a similar location in a manner as to be readily visible from a following vehicle. The color of such decals shall be changed annually. Additionally, all emergency ambulances shall have the name of the ambulance service prominently displayed on both exterior sides.

(b) It shall be unlawful to operate an ambulance on the streets of the city without having such decals affixed and, in the case of an

emergency ambulance, without having the name of the ambulance service displayed as required by this section.
(Code 1968, § 5-8; Ord. No. 70-1518, § 7, 9-16-70; Ord. No. 71-698, § 2, 4-7-71; Ord. No. 71-736, § 2, 4-14-71; Ord. No. 79-1817, § 2, 10-23-79)

Sec. 4-9. Persons authorized to engage in emergency ambulance service.

(a) The operation of emergency ambulances on the streets of the city for the furnishing of emergency ambulance service is hereby declared to be a governmental function of the city to be performed by the fire department in accordance with the terms of this chapter. It shall be unlawful for any person or persons, other than members of such fire department, or emergency ambulance service provided by a mobile stroke unit or other emergency ambulance operated by an ambulance operator pursuant to an agreement with the city, while driving emergency ambulances operated by the fire department, to furnish or to attempt to furnish emergency ambulance service or to operate or drive or cause to be operated or driven any ambulance on the streets of the city for the purpose of furnishing emergency ambulance service.

(b) It is an affirmative defense to prosecution under subsection (a) that:

(1) The person operating an ambulance upon responding to a direct call for ambulance service determined that an emergency existed requiring the sick or injured person to be transported with all practical speed for medical treatment and attention and obtained permission to operate such ambulance in emergency ambulance service; from the fire department dispatcher;

(2) That the emergency ambulance service was provided by an ambulance based outside the city when not in use and operated by an ambulance company having an established place of business and permanent address outside the city, provided;

a. The sick or injured person was picked up outside the corporate limits of the city and transported to a hospital within the city; and

b. The ambulance performing such emergency ambulance service was, at the time, duly licensed and operated in compliance with all applicable city and state regulations; and

c. The driver of such ambulance complied with all speed and other traffic regulations of the city and the state.

(3) That the person operating an ambulance within the city was performing a service under contract of maintaining an ambulance at a particular location, or event, for the purpose of transporting sick or injured persons for medical or hospital treatment, and determined that a sick or injured person at such location or event required immediate hospital or medical attention and obtained permission to operate such ambulance in emergency service from the fire department dispatcher.

(4) That the emergency ambulance service was provided at the request of the fire department dispatcher due to unavailability of a city ambulance.

In each instance set out in (1) through (4) above, the driver or operator of such ambulance shall prior to commencement of each emergency ambulance run, notify the fire department dispatcher of the conditions requiring the operation of his vehicle in emergency ambulance service, the location from which he is proceeding, and the location to which he is proceeding under emergency ambulance service and obtain permission for such trip from the dispatcher. Each ambulance being operated under paragraphs (1) and (2) above shall comply with the requirements of this chapter regarding emergency ambulances insofar as traffic safety is concerned. Each ambulance being operated under the provisions of paragraphs (3) and (4) above shall comply with all requirements of this chapter regarding emergency ambulances of every nature. Upon arriving at his destination, the ambulance driver or ambulance operator will again notify the fire department dispatcher that he has arrived and is no longer in emergency ambulance service.

When the driver or operator of an ambulance is responding to a direct call for ambulance service, either under emergency conditions or otherwise, he shall inform the fire department ambulance dispatcher of the location of such call and such information as he may have concerning the circumstances surrounding the request for service, and if the fire department ambulance dispatcher reports that a fire department ambulance is either on route to the same location or has arrived there and instructs such ambulance driver or operator not to respond to such call, it shall be unlawful for such driver or operator to so respond when instructed not to do so by the fire department ambulance dispatcher.
(Code 1968, § 5-9; Ord. No. 70-1518, § 8, 9-16-70; Ord. No. 71-698, § 3, 4-7-71; Ord. No. 71-736, § 3, 4-14-71; Ord. No. 2025-722, §§ 7, 8, 8-27-2025)

Sec. 4-10. General authorization.

Nothing herein shall prohibit any person owning an ambulance duly licensed and operated in accordance with section 157.11 of Title 25 of the Texas Administrative Code from operating such ambulance on the public streets for the purpose of furnishing ambulance service only; provided, however, such person shall secure an operator's permit in compliance with the provisions of sections 4-15 and 4-16 hereof and shall cause his ambulance to have been inspected and be in display of a medallion issued in compliance with section 4-8 hereof. The driver of any such ambulance shall comply with all of the traffic laws of the state and ordinances of the city, including this chapter, in furnishing such ambulance service. The operator thereof shall not permit such ambulance to be used for emergency ambulance service unless all requirements of this chapter regarding emergency ambulance service have been complied with.
(Code 1968, § 5-10; Ord. No. 70-1518, § 9, 9-16-70; Ord. No. 71-736, § 4, 4-14-71; Ord. No. 2025-722, § 9, 8-27-2025)

Cross reference—Traffic, Ch. 45.

Sec. 4-11. Use of signs or flashing emergency lights.

The use of signs or flashing emergency lights on an ambulance upon the public streets of the city shall be unlawful except when furnishing emergency ambulance service in accordance with the terms of this chapter.
(Code 1968, § 5-11; Ord. No. 70-1518, § 10, 9-16-70)

Sec. 4-12. Patient transport status; solicitation of business prohibited.

(a) A patient's transport status shall be determined solely on the basis of the medical needs of the patient in accordance with the most current fire department guidelines as approved by the physician medical director. Under no circumstances shall the fact that a person is or appears to be indigent and unable to pay the cost of such service be considered in such determination.

(b) It shall be unlawful for any person, while operating or accompanying an emergency ambulance on the public streets or easements of the city, to solicit the business of transporting the sick or injured.
(Code 1968, § 5-13; Ord. No. 70-1518, § 12, 9-16-70; Ord. No. 2010-525, § 2, 6-30-2010)

Sec. 4-13. Charges.

(a) *Fees.* to partially defray the costs incurred by the city when the fire department provides emergency medical services, the following fees are hereby established:

(1) **Treatment-and-transport fee,** in the amount stated in the city fee schedule, shall be charged for the transportation of a patient by fire department ambulance from the scene of patient encounter to a hospital or other place approved by the EMS system director appointed pursuant to section 2-6 of this Code for medical attention.

(2) **Mileage fee,** at the rate stated in the city fee schedule, shall be charged for each mile or any part of a mile a patient is transported. Mileage fees are charged in addition to the treatment-and-transport fee.

(3) **Field termination response fee,** in the amount stated in the city fee schedule, shall be charged for activities associated with a patient not transported because of death following an unsuccessful resuscitation attempt.

(4) **Treatment-without-transport fee,** in the amount stated in the city fee schedule, shall be charged for a patient who receives care requiring assessment and therapeutic intervention but is not transported.

(5) **Lift response fee,** in the amount stated in the city fee schedule, shall be charged for the fourth and each successive response for the same patient in any period of twelve months that includes only activities associated with a patient not transported or treated other than returning a patient to an upright or comfortable position and the absence of any emergency circumstances.

All fees shall be payable by or on behalf of the patient served except as provided in this section.

(b) *Billing.* The city tax assessor-collector shall be responsible for the billing and collection of the applicable fees. The fire department shall submit to the tax assessor-collector a record of each instance in which emergency medical service or ambulance transportation service is provided.

(c) *Charity care.* The director of the department of finance or her designee shall promulgate all forms, policies and guidelines and establish procedures necessary to establish eligibility of uninsured patients for charity care and/or financial assistance and to implement and enforce the provisions of this section. The policy for charity care and/or financial assistance must:

(1) Adhere to the charity-care principles of the Healthcare Financial Management Association Principles and Practices Board Statement 15 (December 2012);

(2) Be in compliance with any standards or limitations required by Rule § 355.8210(b)(3), Texas Administrative Code, Title 1, as amended from time to time, and any standards or limitations required by the federal or state agencies providing reimbursement to the city for the costs of uncompensated charity care for the fire department's provision of emergency medical services and ambulance services; and

(3) Exclude bad debt, courtesy allowances and discounts, if any, given to patients who are not eligible for charity care or financial assistance from the city.

The director of the department of finance or her designee shall apply a credit to the account of a patient that the director determines finally eligible for charity care and/or financial assistance. The credit amount shall be in accordance with the policies and guidelines promulgated under this subsection.

(d) No provision in this section shall be construed to authorize the fire department, under any circumstances, to refuse emergency assistance to any person upon the grounds that the person is indigent or unable to pay for the service.
(Code 1968, § 5-15; Ord. No. 70-1518, § 14, 9-16-70; Ord. No. 76-2031, § 1, 11-23-76; Ord. No. 83-1318, § 1, 8-23-83; Ord. No. 86-1616, § 1, 9-10-86; Ord. No. 91-1178, § 1, 8-14-91; Ord. No. 93-918, § 1, 7-28-93; Ord. No. 96-665, § 7, 6-26-96; Ord. No. 97-1003, § 1, 8-20-97; Ord. No. 01-564, § 11, 6-20-01; Ord. No. 02-528, § 14a., 6-19-02; Ord. No. 2010-892, §§ 2—4, 11-17-2010; Ord. No. 2012-396, § 5-2-2012; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2019-142, § 3, 3-20-2019; Ord. No. 2019-1014, §§ 2, 3, 12-11-2019)

Sec. 4-14. Uncollectible transport account.

There is hereby created a list of ambulance accounts to be entitled "uncollectible transports." The tax assessor-collector of the city shall have the power to place ambulance bills on the uncollectible transports list if he determines such ambulance bills to be uncollectible.

An "uncollectible transport" shall be defined as any of the following:

(1) Emergency ambulance service provided a patient whose name and/or address is unknown, or upon whom there is

otherwise insufficient information to locate the patient, or a patient using a false name and/or, address, or a patient who is a minor and whose parents or next of kin are unknown, or there is otherwise insufficient information to locate the parents or next of kin.

(2) Emergency ambulance service provided a patient who is in the custody of, or placed under arrest by, a police officer of the city.

(3) Emergency ambulance service provided at least six months previously and upon which a diligent collection effort has been made.

(Code 1968, § 5-15.1; Ord. No. 74-1778, § 1, 10-8-74)

Sec. 4-15. Ambulance service operator's permit, insurance required.

Any person operating an ambulance service upon the streets of the city must secure a permit therefor from the health officer. Such applicant shall provide evidence to the health officer that he has in full force for such calendar year a public liability insurance policy on each ambulance, such insurance policy to be issued by an insurance company which is authorized by law to do business in the state. Such policy shall provide liability insurance in the amount required by section 157.11 of Title 25 of the Texas Administrative Code. Such insurance policy shall not contain a passenger liability exclusion. Each policy shall contain a provision obligating the insurer to give to the health officer written notice of cancellation not less than ten days prior to the date of any cancellation.

(Code 1968, § 5-16; Ord. No. 70-1518, § 15, 9-16-70; Ord. No. 76-235, § 1, 2-11-76; Ord. No. 2025-722, § 10, 8-27-2025)

Sec. 4-16. Fees for operator's permit, decals; term of decals.

There shall be a fee for the ambulance operator's permit required pursuant to section 4-15 of this Code, and all permits issued under this chapter shall be valid for one year from the date of issuance. Such permits may be renewed after the termination date of the initial permit and during that same year by paying a prorated permit fee. There shall also be a charge for decals required pursuant to section 4-8 of this Code for each pair of decals issued, renewed or replaced. Decals expire concurrently with the ambulance operator's permit under which they are issued. Such fees and charges shall be collected by the department and transferred to the department of administration and regulatory affairs, together with an accounting of the permits and pairs of decals for which same were collected. The fees and charges are stated for this provision in the city fee schedule.

(Code 1968, § 5-17; Ord. No. 70-1518, § 16, 9-16-70; Ord. No. 71-698, § 4, 4-7-71; Ord. No. 71-736, § 5, 4-14-71; Ord. No. 76-235, § 2, 2-11-76; Ord. No. 79-1817, § 3, 10-23-79; Ord. No. 82-1107, § 2, 7-13-82; Ord. No. 05-939, § 4, 8-3-05; Ord. No. 08-52, § 10, 1-16-08, eff. 1-26-08; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2015-820, § 6, 8-26-2015)

Sec. 4-17. Penalty for violations.

Whenever in this chapter an act is prohibited or is made or declared to be unlawful or an offense or misdemeanor, or whenever in this chapter the doing of any thing or act is required or the failure to do any thing or act is prohibited, the violation of the provision shall be and constitute a misdemeanor punishable, upon conviction, by a fine of not more than $2,000.00. Each violation shall constitute and be punishable as a separate offense. Prosecution or conviction under this provision is cumulative of and shall never be a bar to any other civil or administrative remedy provided or allowed in this chapter or by law. In addition, the city attorney is hereby authorized to file suit in any court of competent jurisdiction to enjoin any person from violating or causing to be violated any of the provisions of this chapter.

(Code 1968, § 5-18; Ord. No. 70-1518, § 18, 9-16-70; Ord. No. 92-1449, § 3, 11-4-92; Ord. No. 05-939, § 5, 8-3-05)

Charter reference—Penalty for ordinance violation, Art. II, § 12.

Cross references—Assessment of fines against corporations, § 16-76; payment of fines, § 16-78; credit against fines for incarceration, § 35-6 et seq.

Sec. 4-18. Revocation or suspension of permits, licenses and certificates.

Any permit, license or certificate issued pursuant to this chapter shall be subject to suspension or revocation upon the finding pursuant to a public hearing conducted by the health officer that the holder of such permit, license or certificate has failed to comply with the applicable provisions of this chapter or that the holder no longer meets the requirements which pertain to the issuance thereof, provided that the holder of such permit, license or certificate shall be given prior notice of the date, time and place of the hearing setting forth the grounds upon which the suspension or revocation is based and shall be afforded an opportunity to appear in person or through counsel to present evidence and to cross examine all witnesses appearing at such hearing.

Sec. 4-19. Disposition of certain fees.

All fees collected under sections 4-3 and 4-16 of this Code shall be allocated to the department to fund the inspection of ambulances and the permitting of ambulance operators as required by this chapter and other permitting, inspection, monitoring, controlling, education and enforcement activities pertaining to environmental health services of the department.
(Ord. No. 05-939, § 6, 8-3-05; Ord. No. 2013-617, § 14, 6-19-2013; Ord. No. 2015-820, § 7, 8-26-2015)

Sec. 4-20. Rules and regulations.

Consistent with the other provisions of this article, the director may promulgate rules and regulations to administer provisions of this ordinance. The rules and regulations shall not conflict with any applicable provisions of this Code. A copy of the rules and regulations shall be maintained for public inspection in the offices of the said director and city secretary, and copies may be purchased at the fees prescribed by law.
(Ord. No. 2025-722, § 11, 8-27-2025)

	Div. 3. Penalties and Other Provisions, §§ 5-186—5-190

ARTICLE I. BUNGEE CORD JUMPING

Sec. 5-1. Definitions.

As used in this article the following terms, phrases and words shall have the meanings ascribed to them in this section, unless the context of their usage clearly indicates another meaning:

Bungee cord jumping means the sport, activity, or practice of jumping, falling, stepping out of, dropping, or otherwise being released into the air while attached or fastened to any type of cord or rope or other device, including cords made of rubber, latex, or other elastic-type material, whether natural or synthetic, whereby the cord stops, lengthens or shortens the fall of any person, allowing the person to bounce up and down, ultimately intending to bring the person to a stop at a point above the ground surface.

Enterprise means any establishment that provides the services or facilities required for engaging in bungee cord jumping or reverse bungee cord jumping or the demonstration or exhibition thereof.

Reverse bungee cord jumping means the sport, activity, or practice of attaching or fastening one's self to any type of cord or rope or other device, including cords specified in the definition of bungee cord jumping above, whereby a person is located below a device or structure or machine from which a cord or rope is suspended or attached and is released to cause the person to be propelled, catapulted, or otherwise launched out of a fixed position into the air, allowing the person to bounce up and down, ultimately intending to bring the person to a stop at a point above the ground surface.
(Ord. No. 92-1480, § 2, 11-10-92)

Sec. 5-2. Bungee cord jumping and reverse bungee cord jumping prohibited.

It shall be unlawful for any person to engage in bungee cord jumping or reverse bungee cord jumping in any form whatsoever, or for any person to own, operate or conduct any enterprise.
(Ord. No. 92-1480, § 2, 11-10-92)

Sec. 5-3. Penalty.

Any person who violates any provision of this article shall, upon conviction, be fined an amount not less than $200.00, nor more than $500.00.

Each day that any such violation continues shall constitute and be punishable as a separate offense.
(Ord. No. 92-1480, § 2, 11-10-92)

Secs. 5-4—5-15. Reserved.

ARTICLE II. CARNIVALS*

DIVISION 1. GENERALLY

Sec. 5-16. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(1) *Amusement ride* shall mean any device that carries or conveys passengers upon, along, around, or over a fixed or restrictive route or course or within a defined area, for the purpose of giving its passengers amusement, pleasure, thrills, or excitement.

(2) *Carnival* shall mean any traveling enterprise which offers the use of one or more amusement rides.

(Code 1968, § 36-1; Ord. No. 81-1590, § 1, 8-18-81)

Secs. 5-17—5-25. Reserved.

DIVISION 2. PERMIT

Sec. 5-26. Required.

No person shall permit a carnival to be placed on property under his control or place or operate any carnival on any property within the city unless a permit has been issued by the city for the operation of the carnival.
(Code 1968, § 36-2; Ord. No. 81-1590, § 1, 8-18-81)

Sec. 5-27. Application.

To obtain a permit for the operation of a carnival, the applicant shall file an application therefor with the department of administration and regulatory affairs on a form furnished by the department for that purpose. The application information shall include:

(1) The name and address of the person or persons under whose control the carnival will be operated.

(2) The street address of the site on which the carnival is to be operated.

(3) The number and types of amusement rides which will be operated at that location.

(4) Whether there will be any temporary electrical, gas, water or sewer connections to any equipment or fixtures associated with the carnival and a description of the connections that will be made.

(5) Whether there will be any food offered for sale as part of or in association with the carnival.

(6) Whether there will be any tents and the dimensions thereof.

(7) The date on which the carnival will be placed on the property and the date it will be removed therefrom.

(8) The date on which the carnival will be first operated on the property and the last date the carnival will be operated at that location.

(9) The name of the owner of the real property upon which the carnival will be operated; if the applicant is not the owner thereof he shall attach a lease or other written evidence of his authority to use the property to the application.

(Code 1968, § 36-3; Ord. No. 81-1590, § 1, 8-18-81; Ord. No. 08-52, § 11, 1-16-08, eff. 1-26-08)

Sec. 5-28. Issuance.

Upon the filing of an application pursuant to this division and the payment of the permit fee, the director of administration and regulatory affairs or his designee shall issue a permit for the operation of the carnival at the location and for the dates specified in the application. Upon issuance of a permit for a carnival, the director of administration and regulatory affairs or his des-

*__Cross reference—__Noise generally, Ch. 30.

ignee shall notify the fire marshal, the building official, the planning official, and the health officer thereof.
(Code 1968, § 36-5; Ord. No. 81-1590, § 1, 8-18-81; Ord. No. 90-635, § 13, 5-23-90; Ord. No. 93-514, § 10, 5-5-93; Ord. No. 98-613, § 13, 8-5-98; Ord. No. 04-1075, § 2, 10-20-04; Ord. No. 08-52, § 12, 1-16-08, eff. 1-26-08)

Sec. 5-29. Fee and term.

The fee for a permit for the operation of a carnival is stated for this provision in the city fee schedule. The permit shall be valid only for the location and dates specified on the permit.
(Code 1968, § 36-4; Ord. No. 81-1590, § 1, 8-18-81; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 5-30. Effect.

Any carnival and any operator thereof must meet and comply with all applicable requirements of law, and the issuance of a permit under this division shall not excuse any person from obtaining any other permit or license or inspection required under this Code, the Construction Code or the Fire Code.
(Code 1968, § 36-6; Ord. No. 81-1590, § 1, 8-18-81; Ord. No. 02-399, § 12, 5-15-02)

Secs. 5-31—5-45. Reserved.

ARTICLE III. DANCE HALLS*

DIVISION 1. GENERALLY

Sec. 5-46. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings provided below:

Alcoholic beverage means any beverage containing more than one-half of one percent of alcohol by volume that is capable of use for beverage purposes, either alone or when diluted.

Dance hall means any room, place, space or building where a public dance is authorized to be conducted, including but not limited to a nightclub.

Dance school means any room, place, space, building or academy in which dance instruction is provided for hire and used by an individual, group, or association for the purpose of educating and instructing its patrons in dance. The term does not include any room, place, space, building, or academy which functions, in whole or in part, as a nightclub.

Director means the director of the department of administration and regulatory affairs or the director's designee.

Dress code means a set standard of rules specifying the required manner of dress an attendee must comply with for entry.

Licensee means any person who holds a license issued pursuant to this article.

Minor means a person under 18 years of age whose disabilities as a minor have not been removed by a court of competent jurisdiction.

Nightclub means any room, space, structure, or building open to the public where:

(1) Food or any alcoholic beverage is served or consumed on the premises, including restaurants and cafes; and

(2) Patrons are provided with a designated area for dancing or are permitted to dance.

Operator or *dance hall operator* means the on-site representative(s) who conducts, manages, maintains or controls, either directly or indirectly, any dance hall as defined and designated in this article.

Police chief means the chief of police or the police chief's designee.

Private dance means any dance to which admission is granted to members of a club,

*__Editor's note—__Ord. No. 2013-613, § 2(Exh. A), adopted June 19, 2013, amended Ch. 5, Art. III, in its entirety to read as herein set out. Formerly said article pertained to similar subject matter.

Cross references—Noise generally, Ch. 30; playing of radios, phonographs, etc., § 30-3.

group, or similar organization, and their invited guests and from which the general public is excluded, including any dance held:

(1) At any private residence;

(2) At a members-only private club (i.e. country club, yacht club, etc.); or

(3) At a facility that conducts private, invitation-only events where dancing may occur (i.e. wedding reception halls).

Public dance means any dance conducted in a dance hall to which the general public may gain admission by payment of a fee, purchase, possession or presentation of a ticket or token, or without payment of a fee, where dancing by the general public is conducted.

Security officer shall have the meaning ascribed in section 1702.002 of the Texas Occupations Code.

Teenage dance hall means any room, place, space or building where a public dance is conducted exclusively for persons under the legal age established by state law for purchase and consumption of alcoholic beverages and where the sale, consumption or possession of alcoholic beverages is prohibited.

(Code 1968, § 36-33; Ord. No. 98-986, § 2, 11-4-98; Ord. No. 09-398, § 2, 5-13-09; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013; Ord. No. 2025-619, § 2, 7-16-2025)

Sec. 5-47. Classification.

Dance halls are hereby designated and rated by the following classes:

(1) *Class A.* Nightclubs and all dance halls under the terms of this article not otherwise specifically classified are designated as Class A dance halls.

(2) *Class B.* Teenage dance halls are designated as Class B dance halls.

(Code 1968, § 36-34; Ord. No. 09-398, § 3, 5-13-09; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-48. Compliance with construction code and fire code.

(a) All dance halls shall be constructed and maintained in conformity with the Construction Code and the Fire Code, except as otherwise provided in subsection (b) of this section.

(b) Any building located in an area annexed to the city that was originally constructed in compliance with the laws applicable in the area prior to its annexation may be operated as a dance hall even though the floor space therein exceeds the maximum area specified in the Building Code if the dance hall meets all other applicable standards and requirements specified in the Construction Code relating to stairs, exits, and occupant loads and all applicable provisions of the Fire Code.

(c) For the purpose of the enforcement of this section, police department peace officers and any inspector designated by the director shall be deemed deputies of the fire marshal and any of the powers and duties herein given to the fire marshal may be exercised by any such officers and inspectors on behalf of the fire marshal.

(Code 1968, § 36-35; Ord. No. 02-399, § 13, 5-15-02; Ord. No. 09-398, § 4, 5-13-09; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-49. Marking requirement for dance floor.

Any elevated dance floor area shall be designated by a two-inch band of highly visible paint or tape or other marking defining the outermost boundaries of the dance floor.

(Code 1968, § 36-36; Ord. No. 71-2365, § 1, 12-21-71; Ord. No. 09-398, § 5, 5-13-09; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-50. Reserved.

Sec. 5-51. Minors in Class A halls.

(a) It is unlawful for any minor to enter or be in attendance in a Class A dance hall between the hours of 8:00 p.m. and 8:00 a.m., unless the minor is accompanied by the minor's parent, spouse or legally appointed guardian.

(b) It is unlawful for the licensee or operator of a dance hall to suffer, allow or permit a minor to enter or be in attendance in the dance hall between the hours of 8:00 p.m. and 8:00 a.m., unless the minor is accompanied by the minor's parent, spouse or legally appointed guardian.

(c) It is unlawful for any person who is not the parent, spouse or legally appointed guardian of a minor to represent himself as the parent, spouse or legally appointed guardian of the minor for the purpose of enabling the minor to enter or remain in a dance hall.
(Code 1968, § 36-39; Ord. No. 98-986, § 3, 11-4-98; Ord. No. 09-398, § 6, 5-13-09; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-52. Suffering or permitting illegal conduct.

It is unlawful for the licensee or operator of a dance hall to permit or suffer any activity or conduct therein that is illegal, including without limitation, public intoxication, prostitution, promotion of prostitution, gambling, obscenity, disorderly conduct, or the consumption of alcohol in violation of state law.
(Code 1968, § 36-40; Ord. No. 99-1085, § 3, 10-6-99; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-53. Sleeping rooms prohibited.

No dance hall shall be connected to any room or rooms equipped or fitted as sleeping rooms that are open to or let to the patrons of such dance hall, or to the public, with or without a charge being made therefor, except rooms used as living quarters for dance hall employees only.
(Code 1968, § 36-41; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-54. Toilet facilities.

Each dance hall shall be equipped with separate and convenient toilet facilities for each sex.
(Code 1968, § 36-42; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-55. Employees not to mingle with patrons.

Waiters, waitresses or entertainers are not permitted to eat, drink, dance or fraternize with patrons in any dance hall.
(Code 1968, § 36-44; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-56. Special regulations for teenage dance halls.

(a) In addition to the other provisions of this article, a teenage dance hall is governed by the provisions of this section.

(b) Teenage dance halls shall not operate between the hours of 12:00 midnight and 12:00 noon; provided, however, on the thirty-first day of December of each year, such dance halls may operate until 1:00 a.m. on the first day of January of the succeeding year.

(c) On nights preceding a regular school day, no person under 17 years of age shall be permitted to remain in a teenage dance hall after 8:00 p.m. unless accompanied by a parent or legal guardian. On nights preceding a school holiday or during school vacation periods, no person under 15 years of age shall be permitted to remain in a teenage dance hall after 8:00 p.m. unless accompanied by a parent or legal guardian. For purposes of this subsection, school days, school holidays, and school vacation periods shall be determined on the basis of the regular classroom attendance schedule for the public school district in which the dance hall is located.

(d) It is the duty of the operator or licensee of a teenage dance hall to ascertain the correct legal age of all persons seeking admission to such facility, and such persons who do not meet the age requirements of this article shall be excluded from admission. All persons over 20 years of age shall be refused admission to a teenage dance hall unless they are a parent or legal guardian accompanying a minor to a teenage dance hall.

(e) The sale, consumption, or possession of any alcoholic beverages on the premises of a teenage dance hall is prohibited, and no one

under the influence of any alcoholic beverage or showing any evidence thereof shall be admitted to such premises.

(f) Patrons shall be admitted to a teenage dance hall only once in a 12-hour period and shall not be granted readmission privileges under any circumstances .

(g) The operator or licensee shall employ not less than two security officers for each 100 persons in attendance to patrol the premises of a teenage dance hall and adjoining areas and to prevent disorder.
(Code 1968, § 36-45; Ord. No. 09-398, § 7, 5-13-09; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-57. Right of entry.

Free access and entrance into all dance halls shall at all times be granted to all law enforcement officers and deputies of the fire marshal in pursuit of their official duties.
(Code 1968, § 36-46; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-58. Compliance with article.

The licensee and operator of any dance hall shall not permit the violation of any of the terms of this article, and it is the duty of the licensee and operator to ensure compliance with the terms of this article.
(Code 1968, § 36-47; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-59. Exemptions.

The provisions of this article do not apply to:

(1) Private dances;

(2) Dances conducted on property owned by a governmental entity;

(3) Dances conducted under the supervision of school authorities for school children at public or private schools;

(4) Public dances conducted by entities recognized as a non-profit organizations;

(5) Public dances conducted by organizations that are exempt from taxation under section 501(c)(3) of the Internal Revenue Code;

(6) Dance schools; or

(7) Hotels or motels that contain a dance hall the use of which is restricted to registered guests of such establishments and their invitees.

(Code 1968, § 36-48; Ord. No. 09-398, § 8, 5-13-09; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Secs. 5-60—5-70. Reserved.

DIVISION 2. LICENSE

Sec. 5-71. Required.

(a) It is unlawful to conduct any public dance or teenage dance within the limits of the city, unless and until the dance hall has been issued a license pursuant to this division; provided, however, this section shall not apply to a facility or dance prescribed in section 5-59 of this Code.

(b) It is unlawful for any person to dance at any unlicensed dance hall. The owner, proprietor or operator of an unlicensed dance hall who suffers or permits any person to dance therein shall be deemed to have violated this article.
(Code 1968, § 36-54; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-72. Application.

Any person desiring a license to operate a dance hall shall file with the director a sworn application for such license on a form approved by the director containing the following information, if applicable:

(1) The full name and residential address of the applicant and any operator(s). The applicant shall indicate whether it is an individual, partnership, corporation, or other legal entity. The type of business organization shall include only those organizations recognized by the Texas Business Organizations Code ("BOC"); provided however, if the organization is a

foreign entity required to register under Chapter 9 of the BOC, it shall submit full and complete copies of the organization's current registration at the time of application. If the applicant is a partnership, the name and address of each general partner shall be provided. If the applicant is a corporation, the name and address of the corporation, all officers and directors, and each person who owns 20 percent or more interest in the corporation shall be provided. If the applicant is a limited liability entity, the names and, business addresses of the members, managers or governing persons responsible for the daily operations of the applicant, as applicable and reflected in the applicant's organizational documents.

(2) The location, by street and number, of the place, space, or building and room or floor, and the size of such room, space, or floor proposed to be used as a public dance hall or teenage dance hall.

(3) A statement whether the applicant has any criminal history that is disallowed under section 1-10 of this Code. Upon initial application for a dance hall license and before each renewal thereof, the director shall cause each applicant's criminal history to be researched. The applicant shall complete any forms required for the director to obtain the report and provide funding to the director in a manner specified to cover any fees imposed by state or federal agencies for the report. The provision of this requirement shall not be construed to preclude the director from obtaining interim reports at the city's expense.

(4) Whether the business of a hotel, rooming house or lodging house is conducted in any part of the premises for which a license is sought.

(5) Such other and additional information as may be reasonably requested by the director.

(Code 1968, § 36-56; Ord. No. 08-52, § 13, 1-16-08, eff. 1-26-08; Ord. No. 09-398, §§ 9, 10, 5-13-09; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-73. Inspection of premises and issuance of license by director.

Notwithstanding the satisfaction of all the requirements provided in this division, the director shall not grant a license under this division unless the premises to be used as a dance hall complies with the laws of this state and the ordinances of the city regulating health and sanitation, fire safety regulations and the Construction Code.

(Code 1968, § 36-57; Ord. No. 90-635, § 14, 5-23-90; Ord. No. 02-399, § 14, 5-15-02; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Secs. 5-74, 5-75. Reserved.

Sec. 5-76. Taxi dancing with minors prohibited.

(a) It is unlawful for any licensee or operator of a dance hall to suffer or permit a minor to engage in the activities commonly known as "taxi dancing," "dollar dancing" or "pony dancing," or any activity wherein any person accepts, agrees to accept or solicits any cash, benefit or other thing of monetary value for the privilege of dancing with a minor.

(b) It is unlawful for any person to offer, confer or agree to confer any cash, benefit or other thing of monetary value to any person for the privilege of dancing with a minor.

(c) It is unlawful for the minor or any other person to solicit, accept or agree to accept any cash, benefit or other thing of monetary value from any person for the privilege of dancing with a minor.

(d) The provisions of this section apply without regard to whether:

(1) The minor is an employee, agent or contractor of the dance hall or is merely present in the dance hall;

(2) The cash, benefit or other thing of monetary value is solicited or accepted by the licensee or operator, the minor or any other person; and

(3) The cash, benefit or other thing of monetary value is solicited or accepted

exclusively for the dancing privilege or for food, beverage or other services or merchandise with which the dancing privilege is also provided.

(e) The licensee's and operator's agreement to comply with this section shall constitute a condition of the issuance or renewal of a license under this article, and a statement reflecting this requirement shall be included on the application form. Any violation of this section constitutes grounds for the revocation of or refusal of renewal of a license issued under this article.
(Code 1968, § 36-60; Ord. No. 98-986, § 4, 11-4-98; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-77. Fees.

(a) The annual fees stated for this provision in the city fee schedule shall be charged for each of the following licenses issued under the terms of this division:

(1) Class A.

(2) Class A, one night per week.

(3) Class B.

(4) Class B, not more than three nights per week.

(b) License fees provided for in subsection (a) above shall be paid in advance on an annual basis. A license shall be cancelled automatically upon the licensee's failure to make timely payment of the required license fee.

(c) No refund of any license fee paid hereunder shall be made by the city for any cause whatsoever.
(Code 1968, § 36-61; Ord. No. 84-897, § 1, 6-12-84; Ord. No. 09-398, § 13, 5-13-09; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-78. Issuance.

A license applied for under this division shall be issued by the director when all conditions of this article have been satisfied and the application has been approved in accord with this division.
(Code 1968, § 36-62; Ord. No. 08-52, § 14, 1-16-08, eff. 1-26-08; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-79. Contents.

Any license issued pursuant to this division shall be signed by the director and shall state:

(1) To whom the license is issued;

(2) The date the license will expire;

(3) The address and location of the dance hall; and

(4) Whether the licensee is authorized to operate and conduct a Class A or B dance hall.

(Code 1968, § 36-63; Ord. No. 08-52, § 15, 1-16-08, eff. 1-26-08; Ord. No. 09-398, § 14, 5-13-09; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-80. Posting.

A license issued under this division shall be posted by the licensee in a conspicuous place at or near the entrance to the dance hall so that it may be easily viewed by the public during the dance hall's hours of operation. Additionally, if the owner, operator, or licensee requires a dress code for entry to a night club or dance hall, the complete dress code must be posted in a conspicuous place at or near the entrance to the dance hall so that it may be easily viewed by the public during the dance hall's hours of operation. If a dance hall or establishment does not have a dress code policy displayed near the entrance, it will be interpreted that there is no dress code, and no dress code policy shall be enforced.
(Code 1968, § 36-64; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013; Ord. No. 2025-619, § 3, 7-16-2025)

Sec. 5-81. Assignment or transfer from one location to another.

Licenses issued under this division shall be deemed personal to the licensee and shall not be assignable to any other person or transferable to any other location.
(Code 1968, § 36-65; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-82. Effect.

The granting of any license under the terms of this division shall in no event be construed as the granting or conferring of any vested right to the licensee or operator. Licenses are subject to revocation and cancellation as provided for in this division.
(Code 1968, § 36-66; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-83. License term; expiration and renewal.

A license issued pursuant to this article shall be valid for a one-year term from the date of issuance. Any licensee desiring to renew a license shall make application for renewal in the manner provided in section 5-72 of this Code not more than 30 days and not less than 10 days prior to the expiration of such license.
(Code 1968, § 36-67; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-84. License denial, suspension, revocation, refusal of renewal.

(a) Licenses issued pursuant to this chapter may be denied, revoked, suspended, or refused for renewal based upon the applicable grounds specified in section 1-10 of this Code by following procedures specified in section 1-9 of this Code.

(b) Additionally, licenses may be denied, revoked, suspended, or refused for renewal following notice and a hearing conducted by a hearing officer appointed by the director if:

(1) The license was issued through error;

(2) The applicant or licensee provided materially false or incomplete information on the license application; or

(3) The licensee is convicted of violating any of the provisions of this article on two or more occasions within the term of the license or has been convicted of violating any provisions of this article within the 24 month period immediately preceding the date of application for a dance hall license.

(c) Consistent with sections 1-9 and 1-10 of this Code and applicable state laws, the director shall promulgate regulations for any required hearings and procedures. The director shall not designate a person to act as hearing officer who participated in the review of the application. Hearings shall be conducted in a manner that is consistent with principles of due process. The applicant may be represented by legal counsel, may present evidence and cross examine witnesses presented by the city. The hearing officer shall have the discretion to exclude from hearings any person who is not the applicant, the director, their legal representatives, and such other persons not entitled to attend and participate as a matter of law and any persons whose presence the hearing officer deems not necessary or expedient to the complete resolution of the matter. The decision of the hearing officer shall be based upon the preponderance of credible evidence presented and shall be final and exhaust the applicant's administrative remedies regarding the denial, revocation, or refusal of renewal of the license to operate a dance hall, subject to the applicant's right to appeal pursuant to state law if the denial is based upon section 1-10 of this Code.

(d) Any person whose application for a dance hall license has been denied, revoked, or refused for renewal and such action has become final shall be required to wait a period of one year from the date the denial, revocation, or refusal of renewal becomes final before becoming eligible to reapply for a dance hall license.

(e) In the event a license is revoked or suspended, the city shall not be liable to the licensee for any refund of any part of the license fee.

(Code 1968, § 36-68; Ord. No. 08-52, § 16, 1-16-08, eff. 1-26-08; Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Sec. 5-85. Penalty.

Any person who fails or refuses to comply with the terms and provisions of this article shall be deemed guilty of an offense and, upon conviction thereof, shall be punished as provided in section 1-6 of this Code. Each violation shall constitute and be punishable as a separate offense.

(Code 1968, § 36-69; Ord. No. 78-509, § 2, 3-21-78; Ord. No. 79-1762, § 2, 10-16-79; Ord. No. 98-986, § 5, 11-4-98; Ord. No. 08-52, § 17, 1-16-08, eff. 1-26-08; Ord. No. 09-398, §§ 15, 16, 5-13-09 Ord. No. 2013-613, § 2(Exh. A), 6-19-2013)

Secs. 5-86—5-100. Reserved.

ARTICLE IV. GOLF COURSES, DRIVING RANGES AND ARCHERY RANGES

Sec. 5-101. Hours of operation.

The operation of miniature golf courses, golf driving ranges, golf courses and outdoor archery ranges between the hours of 12:30 a.m. and daylight is hereby prohibited and declared to be unlawful.

(Code 1968, § 36-10; Ord. No. 81-1590, § 1, 8-18-81)

Sec. 5-102. Shading of lights.

Lights on miniature golf courses, golf driving ranges, golf courses and outdoor archery ranges shall be equipped with shades or hoods to prevent the same from shining directly into any residence, apartment house, boarding house or rooming house.
(Code 1968, § 36-11; Ord. No. 18-1590, § 1, 8-18-81)

Secs. 5-103—5-115. Reserved.

ARTICLE V. SKEET CLUBS AND SHOOTING GALLERIES

DIVISION 1. GENERALLY

Sec. 5-116. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Building Code Enforcement means that division within the Houston Public Works that is assigned the responsibility of enforcement of the *Construction Code.*

Shooting gallery means a room, place or enclosure wherein the firing of firearms is permitted to practice marksmanship.

Skeet club means an open premises where shotguns are used in target practice by shooting clay pigeons ejected by machines or thrown by hand to simulate flight. Trap shooting clubs are considered herein as "skeet clubs" and shall be subject to the same regulations.
(Code 1968, § 36-80; Ord. No. 90-635, § 15, 5-23-90; Ord. No. 93-514, § 11, 5-5-93; Ord. No. 98-613, § 14, 8-5-98; Ord. No. 02-399, § 15, 5-15-02; Ord. No. 04-1015, § 7, 9-27-04; Ord. No. 2018-11, § 50, 1-10-2018; Ord. No. 2021-1037, § 20(Exh. I.6), 12-1-2021, eff. 4-1-2022)

Sec. 5-117. Exemption from article provisions.

The provisions of this article shall not apply to any firearms practice range or facility of any sort which:

(1) Is owned and operated by the United States, the State of Texas or any department or political subdivision thereof; and

(2) Is utilized exclusively for the purpose of training and qualifying peace officers and persons in training to become peace officers.

(Code 1968, § 36-80.1; Ord. No. 83-1406, § 3, 9-6-83)

Sec. 5-118. General regulations.

(a) No skeet or shooting gallery shall be constructed or operated within the city unless the plans for such are submitted to Building Code Enforcement. The skeet club or shooting gallery shall comply with all provisions of the *Construction Code.* The approval of the chief of police shall be required as to the location of any skeet club or shooting gallery.

(b) The room, place or enclosure wherein the firing of firearms is to take place at a shooting gallery shall comply with all provisions of this section and shall not be used for any other purpose whatsoever during the progress of firing.

(c) The rear wall and side walls to a point on a line with the firing position shall be of bullet proof construction in accordance with the following specifications:

(1) Not less than six-inch masonry or solid concrete.

(2) Wood stud and plaster walls or equivalent construction, faced with one inch boards, backed with one-quarter-inch steel plate. Floors and ceilings of joist construction shall be considered bullet proof.

(d) All openings of any nature in the rear and side walls shall be protected with one inch board backed by a one-quarter inch steel plate.

(e) Open steel truss ceilings shall be protected by a one-quarter inch steel baffle plate inclined toward the firing position. The plate shall be as wide as the total width of the target and not less than five feet in depth, and shall be suspended from the bottom cord of the trusses to the intersection of two sight lines drawn from the elevation of the firearm at the prone firing position to the bottom of the furthest truss, and from the elevation of the firearm at the off-hand firing position to a point five feet above the floor at the target. Baffle plates less than 15 feet from the firing position shall be protected with one inch boards.

(f) Exposed steel girders less than 15 feet (horizontal or vertical) from the firing position shall be protected with one inch boards.

(g) In addition to the above protection, there shall be provided a one-quarter inch steel stop plate, directly in the rear of targets, extending not less than eight inches beyond the outer ring of the bull's-eye, and inclined towards the firing position at an angle of 45 degrees. The stop plate shall be housed, on sides and top, with corrugated sheet metal extending not less than one foot beyond the top edge of the plate. At the base of the inclined stop plate there shall be provided a sand box with not less than six inches of sand and of sufficient width so as to absorb all of the bullets ricocheted by the stop plate as fired from the firing position.

(h) Vertical stop plates existing on October 23, 1957, will be accepted with the same regulations as is provided for inclined stop plates, except that the thickness of the stop plate shall be not less than five-sixteenths of an inch and that the corrugated sheet metal housing shall extend not less than three feet beyond the face of the stop plate.

(i) Entrance to that part of the licensed area situated between the firing position and targets shall be protected with 36-inch guard rails or equivalent protection. No person except the person in charge shall be permitted within the above described area during the progress of firing.
(Code 1968, § 36-81; Ord. No. 72-2007, § 1, 11-1-72; Ord. No. 02-399, § 16, 5-15-02; Ord. No. 2021-1037, § 20(Exh. I.7), 12-1-2021, eff. 4-1-2022)

Sec. 5-119. Stationary bull's-eye targets.

Targets used at shooting galleries shall be of the stationary bull's-eye type. All moving targets are prohibited.
(Code 1968, § 36-82)

Sec. 5-120. Certain weapons and ammunition prohibited at shooting galleries.

(a) It shall be unlawful for any person to possess or discharge within or upon any shooting gallery permitted under this article, any rifle which is of other than 22 calibre or which is chambered to accept a cartridge larger than 22 calibre rim fire long rifle.

(b) It shall be unlawful for any person to possess or discharge within or upon any shooting gallery permitted under this article any pistol:

(1) Which is of other than 22 calibre or which is chambered to accept a cartridge larger than 22 calibre long rifle, if the shooting gallery does not have a special permit issued under the provisions of section 5-121 of this Code; or

(2) Which is of a calibre larger or is chambered to accept a cartridge more powerful than is authorized to be discharged by authority of the special permit, if the shooting gallery has a special permit issued under the provisions of section 5-121.

(c) It shall be unlawful for any person to possess or cause to be discharged within or upon any shooting gallery permitted under this article any rifle or pistol ammunition which is not authorized to be discharged at such shooting gallery by authority of this article and the permit issued to such shooting gallery.
(Code 1968, § 36-83; Ord. No. 83-1406, § 1, 9-6-83)

Sec. 5-121. Special shooting gallery permit.

(a) A pistol of a calibre and chamber larger than 22 calibre rim fire long rifle, whether rim fire or center fire, may be discharged upon a shooting gallery permitted under this article,

provided that the shooting gallery holds a valid special permit issued under this section which authorizes the discharge thereof.

The special permit shall be issued in the same manner in all respects as a regular shooting gallery permit under this article, except as provided in this section.

(b) The applicant shall advise Building Code Enforcement and the chief of police that he desires a special permit and shall designate the maximum caliber and the most powerful standard pistol cartridge proposed to be fired at the shooting gallery.

(c) The construction standards specified in section 5-118 of this Code shall not apply except as minimum design criteria where reinforcement thereof is not necessary for the safe firing of the maximum calibre and cartridge proposed. The applicant shall cause the facility to be designed for the safe firing of the maximum calibre and cartridge proposed, and shall submit a certificate of a full-time practicing professional engineer registered by the state that the facility will, if constructed in accordance with the applicant's plans and specifications, permit the safe firing thereof.

(d) The applicant shall cause the facility to be designed so that with all firing positions in use for the rapid fire discharge of the maximum proposed calibre and cartridge specified, the facility will not cause a noise disturbance across any real property boundary of the proposed site or within any public space or right-of-way. The applicant shall submit a certificate by a full-time practicing professional engineer registered by the State of Texas who devotes at least 50 percent of his practice time to acoustical design certifying that the facility will, if constructed in accordance with the applicant's plans and specifications, meet the noise standard specified in this subsection.

(e) Prior to the issuance of a special permit, the shooting gallery shall be inspected in test operation by an engineer designated by the Director of Houston Public Works to determine that the facility has been constructed in accordance with the plans and specifications proposed, and that safety and noise standards specified in subsections (c) and (d) of this section have in fact been met in the actual operation of the facility.

(f) Upon such determination and compliance with all other provisions of this article, the chief of police shall issue a special permit designating the maximum calibre and cartridge authorized to be fired upon the shooting gallery.

(g) All design criteria, certificates and tests under this section shall be based upon the most powerful commercially manufactured cartridge loads for the pistol calibre and cartridge specified as produced by any manufacturer of handgun ammunition whose products are regularly sold in the city. Remanufactured or handloaded ammunition shall be permitted to be fired, provided that it is not loaded in such a manner as to be more powerful than the maximum load allowed by the permit.
(Code 1968, § 36-83.1; Ord. No. 83-1406, § 2, 9-6-83; Ord. No. 90-635, §§ 16, 17, 5-23-90; Ord. No. 93-514, § 12, 5-5-93; Ord. No. 98-613, § 15, 8-5-98; Ord. No. 04-1015, § 8, 9-27-04; Ord. No. 2018-11, § 49, 1-10-2018; Ord. No. 2021-1037, § 20(Exh. I.7), 12-1-2021, eff. 4-1-2022)

Sec. 5-122. Indoor trap ranges excepted from sections 5-118, 5-119 and 5-120.

The provisions of sections 5-118, 5-119 and 5-120 shall not be applicable to mechanically operated or coin-operated indoor trap ranges as provided in section 5-141.
(Code 1968, § 36-84)

Sec. 5-123. Hours of operation for shooting galleries.

The operation of any shooting gallery between the hours of 12:30 a.m. and daylight is hereby prohibited and declared unlawful.
(Code 1968, § 36-85)

Sec. 5-124. Permitted firearms and ammunition at skeet clubs; firing near streets, houses, etc., prohibited.

No firearm other than shotguns shall be discharged at a skeet club and no shot larger

than No. 7½ shall be used. No gun shall be fired within 300 yards of any street, alley, public grounds, business district or house, provided, however, skeet clubs in operation prior to annexation into the city and which comply with the other provisions hereof and which have a distance of not less than 150 feet back of any gun position measured to the nearest street, alley, public grounds, business district or house, shall satisfy the distance provision, if, after inspection, it is determined that adequate safety is assured, and provided, further, any skeet club using only shotguns of .310 caliber or smaller which utilize No. 11 shot or smaller and the barrel of which is tethered so as to restrict the muzzle to a downrange position shall require a minimum of 125 yards downrange and there shall be no additional distance requirements with reference to streets, alleys, public grounds or business district.
(Code 1968, § 36-87; Ord. No. 70-829, § 1, 5-26-70)

Sec. 5-125. Periodic inspections.

(a) Every skeet club or shooting gallery for which a license has been issued under this article shall be periodically inspected by the chief of police or his duly appointed representative, and such inspections shall be made and conducted at any time the same shall be deemed advisable in the opinion of the chief of police and every skeet club and shooting gallery shall be at all times open for inspection.

(b) All such inspections shall be subject to applicable constitutional limitations.
(Code 1968, § 36-88)

Secs. 5-126—5-135. Reserved.

DIVISION 2. LICENSE

Sec. 5-136. Required.

It shall be unlawful for a person to establish, maintain or operate, within the corporate limits of the city, a skeet club or shooting gallery without having first secured a license to do so from the chief of police. Such license shall not be issued by the chief of police unless the person applying therefor has secured a certificate of occupancy from Building Code Enforcement authorizing the occupancy of the premises for purposes of operating a skeet club or shooting gallery. Provided, however, this article governing the construction, licensing, use and occupancy of skeet clubs and shooting galleries shall not be applicable to any such installations which are constructed, operated and supervised in accordance with U.S. Army or Reserve Officers Training Corps regulations by school districts, colleges or universities.
(Code 1968, § 36-94; Ord. No. 72-2007, § 2, 11-1-72; Ord. No. 90-635, § 18, 5-23-90; Ord. No. 2021-1037, § 20(Exh. I.7), 12-1-2021, eff. 4-1-2022)

Sec. 5-137. Application.

Any person desiring a license required by this division shall make written application therefor to the chief of police on forms to be provided by the chief of police.
(Code 1968, § 36-95)

Sec. 5-138. Inspection of applicant's premises.

The chief of police shall cause an investigation and inspection to be made of any skeet club or shooting gallery for which a license is desired, to determine if it is in compliance with the terms of this article.
(Code 1968, § 36-96)

Sec. 5-139. Fee.

The annual fee for a license under this division is stated for this provision in the city fee schedule. Such fee shall be collected by the chief of police before the issuance of such license or a renewal thereof. When the license is issued during any current calendar year, the fee therefor shall be prorated and, for the purpose of determining the amount due, the month during which the license is issued shall be counted as one full month. No refund of any license fee paid hereunder shall be made by the city for any cause whatsoever.
(Code 1968, § 36-97; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 5-140. Issuance.

If the chief of police determines that a skeet club or shooting gallery for which a license is applied for is in compliance with this article, he shall issue the license, upon payment of the required fee.
(Code 1968, § 36-98)

Sec. 5-141. Special provisions for indoor trap ranges.

(a) An applicant for a license to operate an indoor trap range shall submit, together with his application therefor, a copy of the proposed plans and specifications of such range and a description of the premises on which such range shall be operated. Such application shall also describe the nature, size and muzzle velocity of the firearms to be used in such indoor trap range, and the license, if issued, shall limit and restrict the operation of such range to the described firearms, and no other. Such application, or the plans and specifications submitted therewith, shall affirmatively disclose that the walls, floor and ceiling of the proposed range shall be of sufficient thickness to prevent penetration by the pellets, shot or ammunition fired from the described firearms.

(b) Upon compliance with the foregoing provisions, an applicant may be issued a license by the chief of police under the terms and provisions of this division.
(Code 1968, § 36-99)

Sec. 5-142. Contents.

A license issued under this division shall set forth the name and location of the skeet club or shooting gallery covered by such license, the name or names of those persons to whom such license is issued and any other information that the chief of police may deem necessary.
(Code 1968, § 36-100)

Sec. 5-143. Display.

A license issued under this division shall be placed and kept at all times in some open and prominent place within the skeet club or shooting gallery.
(Code 1968, § 36-101)

Sec. 5-144. Expiration.

All licenses issued under this division shall expire on the thirty-first day of December of the year for which issued.
(Code 1968, § 36-102)

Sec. 5-145. Not transferable.

Licenses issued under this division shall be deemed personal to the licensee and shall not be assigned or transferred to any other person.
(Code 1968, § 36-103)

Sec. 5-146. Does not bar prosecutions under or enforcement of other ordinances.

No license granted under this division shall ever be held to bar a prosecution for violation of any other ordinance of this city, or to prevent the enforcement of any ordinance, or inhibit the exercise of powers and duties of any officer under the terms of any such ordinance.
(Code 1968, § 36-104)

Sec. 5-147. Appeal from grant or refusal; notice of refusal.

Any person dissatisfied with the decision of the chief of police in either granting or refusing a license to operate a skeet club or shooting gallery shall have the right of an appeal to the city council by notifying the city council in writing within ten days after the decision of the chief of police of his appeal therefrom. Every person who is refused a license to operate a skeet club or shooting gallery by the chief of police shall be notified in writing of the reasons for such refusal.
(Code 1968, § 36-105)

Sec. 5-148. Suspension or revocation.

(a) Any license issued under this division may be revoked on any of the following grounds:

(1) Violation of any of the provisions of this article or any rules and regulations either now or hereafter adopted pursuant hereto, or of any laws of the state.

(2) Permitting, aiding or abetting the commission of any illegal act in or on the licensed premises.

(3) Selling or permitting the consumption of alcoholic beverages on the licensed premises.

(4) Permitting any person under the influence of alcoholic beverages to use the facilities of the club or gallery.

(5) Acts, conduct or practices detrimental to the health, safety or welfare of any person in the city.

(b) Such revocation shall be subject to the same procedures specified in subsections (b) through (h) of section 5-85, as applicable to revocation of dance hall permits.
(Code 1968, § 36-106)

Secs. 5-149—5-160. Reserved.

ARTICLE VI. GAME ROOMS*

DIVISION 1. IN GENERAL

Sec. 5-161. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Amusement redemption machine means any electronic, electromechanical, or mechanical contrivance designed, made, and adopted for bona fide amusement purposes that rewards the player exclusively with noncash merchandise, prizes, toys, or novelties, or a representation of value redeemable for those items, that have a wholesale value available from a single play of the game or device of not more than ten times the amount charged to play the game or device once, or $5.00, whichever amount is less.

Director means the director of administration and regulatory affairs department or his designee.

Random generator machine means a type of amusement redemption machine that is recreational and provides the user with an opportunity to receive something of value other than a right to replay and in which credits, or the equivalent thereof, are accumulated when: a particular configuration of like symbols is displayed in a random fashion by the machine; symbols or numbers are matched to a randomly selected symbol or number determined by the machine; a combination of cards is arrived at and valued in a traditional hierarchy for purposes of poker; or a combination of cards is arrived at and points assigned for purposes of blackjack.

Game room means a building, facility, or other place that contains six or more amusement redemption machines.

Game room owner means an individual who:

(1) Has an ownership interest in or receives income from a game room or an amusement redemption machine located in a game room;

(2) Is a partner, director, or officer of a business, company, or corporation that has an ownership interest in a game room or in an amusement redemption machine located in a game room;

(3) Is a shareholder that holds more than ten percent of the outstanding shares of a business, company, or corporation that has an ownership interest in a game room or in an amusement redemption machine located in a game room;

(4) Has been issued by the county clerk an assumed name certificate for a business that owns a game room or an amusement redemption machine located in a game room;

(5) Signs a lease for a game room;

*__Editor's note—__Ord. No. 2014-674, § 4, adopted June 25, 2014, deleted and added a new Ch. 5, Art. 6 to read as herein set out. Formerly said article pertained to simlar subject matter and derived from Code 1968, §§ 36-127—36-133 and subsequent amendatory ordinances. See the Code Comparative Table for a complete derivation.

(6) Opens an account for utilities for a game room;

(7) Receives a certificate of occupancy for a game room;

(8) Pays for advertising for a game room; or

(9) Signs an alarm permit for a game room.

Operator means an individual who supervises, manages, or participates in the performance of activities that contribute to the functioning of a game room, including the following activities:

(1) Operates a cash register, cash drawer, or other depository on the premises of a game room or of a business where the money earned or the records of credit card transactions or other credit transactions generated in any manner by the operation of a game room or activities conducted in a game room are kept:

(2) Displays, delivers, or provides to a customer of a game room; merchandise, goods, entertainment, or other services offered on the premises of a game room;

(3) Take orders from a customer of a game room for merchandise, goods, entertainment, or other services offered on the premises of a game room; or

(4) Acts as a door attendant to regulate entry of customers or other persons into a game room.

(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-162. License required.

(a) It shall be unlawful for an owner or operator of a game room to operate, use, or maintain a game room without first obtaining city game room license and if required under this article, a county game room permit.

(b) It shall be unlawful to operate, use or maintain any room or place in the city where persons are permitted to play at any game of dominoes, cards or other games, and for the use of which, or privilege of playing therein or thereat, any money or its equivalent, or any check or counter in lieu of money shall be paid or received, or where memberships are sold for anything of value for the privilege of playing therein or thereat, without first securing a license therefor.

(c) An application for an existing game room location that is submitted by an individual who is different from the individual named as the owner or operator on the current application or a re-application for an existing game room location after denial or revocation shall be considered a new application and not a renewal.

(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-163. Game room license for game rooms and similar establishments.

(a) A game room owner shall obtain a license from the city for each game room located in the city.

(b) The owners or operator of a place where dominoes, cards, or other games are permitted, as described in section 5-162(b) of this Code, shall obtain a license from the city for each place.

(c) The application for a city license required by this section shall be in the form prescribed by the director or his designee and shall contain such information as he shall require. Any failure to provide the information required by this section or a determination by the director that inaccurate, erroneous or incomplete information has been submitted shall be grounds for denial of the application by director.

(1) The proposed game room must comply with this chapter 5 and with chapter 44 of this Code, if applicable, at the time of the submission of the application for a license.

(2) Each application shall also be accompanied by (i) a copy of a certificate of occupancy issued by the building official

as appropriate for the proposed game room; (ii) in the case of a game room to be operated under an assumed name, a true and correct copy of the registration of the assumed name filed in the office of the Harris, Fort Bend, or Montgomery County Clerk, bearing the file mark or stamp that evidences its filing in that office; and (iii) non-refundable fee(s) for the license as stated in the city fee schedule. Any failure to provide the documents required by this item shall be grounds for denial by the director.

(c-1) The director shall investigate each application received under this section to determine whether the applicant has been convicted of an applicable offense as specified in section 1-10 of this Code. If it appears that the applicant has been convicted of such an offense, the director of administration and regulatory affairs shall follow the procedures set forth in section 1-9 of this Code.

(d) A license issued under this section shall be subject to revocation by the director of administration and regulatory affairs pursuant to the applicable provisions of sections 1-9 and 1-10 of this Code.

(e) Any failure of a proposed game room to meet all requirements of this article or chapter 44 of this Code or to obtain a county permit if required, shall be grounds for denial, revocation, or suspension of a game room license.

(f) Each city game room license is valid for one year and shall expire on the anniversary date of the issuance of the license. A license may be renewed for the following calendar year beginning 60 days before the expiration of the current license by filing a completed application for each license and paying the applicable fee set forth in the city fee schedule. A renewal application shall be subject to the same requirements in this section as for an initial city game room license application.
(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-164. Hearings.

Any applicant desiring to contest the denial, revocation, or suspension of a game room license under section 5-163(e) of this Code may request a hearing before a hearing officer designated by the director in accordance with the following procedures:

(1) A request for hearing must be in writing and delivered to the director within ten days of the denial. The applicant waives the right to hearing if the request is not timely received by the director.

(2) The only issue before the hearing officer shall be whether or not the proposed game room complies with the requirements of this Article and Chapter 44 of this Code, including obtaining a county permit if required.

(3) If the hearing officer determines that a proposed game room does not comply with the requirements of this Article or Chapter 44 of this Code, then application for a game room license shall be denied. The applicant may re-apply for a game room license if changes are made to bring the proposed game room into compliance with this Article and Chapter 44 of this Code.

(4) The decision of the hearing officer shall be final.
(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-165. County game room permit.

(a) Game room owners shall obtain a Harris County permit or renewal thereof in addition to a city game room license issued pursuant to section 5-163 of this Code for each game room in the city that is located in Harris County by submitting to the director an application and the application fee for a Harris County Game Room Permit and City License stated in the city fee schedule. The application fee covers both the county permit and the city license. The license or permit shall be issued by the county or its designated agent in accordance with Harris County regulations and shall be subject to Harris County regulations. Applicants shall refer to Harris County's regulations for permitting requirements. County permit application forms may be obtained from the city.

(b) Applications for Harris County game room permits shall follow county regulations regarding, denial, revocation or suspension of a permit and the appeal thereof.
(Ord. No. 2014-674, § 4, 6-25-2014)

Secs. 5-166—5-170. Reserved.

DIVISION 2. REQUIREMENTS

Sec. 5-171. Applicability.

This division shall apply to game rooms with only a city license.
(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-172. License displayed.

The game room owner or the owner and operator of a place where dominoes, cards, or other games are permitted, as described in section 5-162(b) of this Code, shall display within plain sight of an accessible public area of each game room a current permit or license for that game room.
(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-173. Game room sign required.

(a) A game room owner or the owners and operators of a place where dominoes, cards, or other games are permitted, as described in section 5-162(b) of this Code, shall mark each entrance to a game room with a sign that:

(1) States "GAME ROOM" in four inch or larger block letters; and

(2) Is legible and visible at all times from a distance of 25 feet.

(b) Any signage required by this section shall be in conformance with the *Sign Code*.
(Ord. No. 2014-674, § 4, 6-25-2014; Ord. No. 2021-1037, § 20(Exh. I.8), 12-1-2021, eff. 4-1-2022)

Sec. 5-174. Egress doors.

It shall be the duty of all of the owners and operators of a place where dominoes, cards, or other games are permitted, as described in section 5-162(b) of this Code, or the owner, manager, or employee of a game room, or other person exercising control over a game room or a portion of a game room, or over a building, facility, or other place that contains amusement redemption machines, to provide egress doors during business hours that are readily opened from the egress side without the use of a key or special knowledge or effort, in conformance with the Construction Code and Fire Code. No electronic locks shall be used to prevent entry during business hours at the places described in this section.
(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-175. Transparent, uncovered windows required.

(a) The owner, manager or other person exercising control over any building, facility, or other place that contains five or fewer random generator machines shall have in the front of the building at least one window that meets the criteria set forth in items (2), (3), and (4) of subsections 5-175(e) of this Code and allows a clear and unobstructed view of all random generator machines.

(b) It shall be the duty of all owner, manager, or employee of a game room, or other person exercising control over a game room or a portion of a game room, to provide transparent glass in each game room window. This subsection shall not apply to game rooms without any random generator machines.

(c) Unless otherwise excepted, it shall be unlawful for any person to cover the windows of a game room or other location with a random generator machine or otherwise block or obscure the full view through such window of that part of the random generator machine that contains the screen and controls or where the screen and controls would be if a user is in front of the random generator machine.

(d) It shall be unlawful for any person to exhibit or display, or to permit to be exhibited or displayed, for commercial use six or more random generator machines unless such machines are located in a game room building or structure with not fewer than two windows or transparent walls or panels of glass or other material that

permit a clear, unobstructed view of both the interior of the game room and each random generator machine located therein, by a person outside the building or structure standing in an area open to and accessible by a member of the public at all times the game room is in operation.

*(e) It shall be unlawful for any person to exhibit or display, or to permit to be exhibited or displayed, for commercial use any random generator machine in a game room unless the required transparent walls or windows of the game room:

(1) Are located on at least two sides of the game room, and each random generator machine located therein is visible through such walls or windows; and

(2) At the lowest point are not more than four feet above the adjacent sidewalk or ground level; and

(3) At the highest point are at least eight feet higher than the adjacent sidewalk or ground level; and

(4) Are at least four feet wide.

(Ord. No. 2014-674, § 4, 6-25-2014)

***Editors' note—**Ord. No. 2014-674, § 4, adopted June 25, 2014, inadvertently misnumbered subsection (e) as subsection (f). At the direction of the city, said subsection was renumbered as subsection (e).

Sec. 5-176. Unrestricted access by law enforcement officer.

It shall be the duty of all owner, manager, or employee of a game room, or other person exercising control over a game room, a portion of a game room, an amusement redemption machine or a place where dominoes, cards, or other games are permitted, as described in section 5-162(b) of this Code, to provide any law enforcement officer with immediate unrestricted access during business hours to all areas of a game room and to all amusement redemption machines.

(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-177. Inspection by law enforcement officer.

(a) Any law enforcement officer may inspect a game room or an amusement redemption machine located in the city to determine whether the game room or amusement redemption machine complies with this article, county regulations, and state law.

(b) An owner, manager, or employee of a game room or other person who does not allow a law enforcement officer to inspect a game room or amusement redemption machine commits an offense.

(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-178. Owner presence required.

The owner of a game room shall be present during inspections related to obtaining permits or licenses required under this article.

(Ord. No. 2014-674, § 4, 6-25-2014)

Secs. 5-179—5-185. Reserved.

DIVISION 3. PENALTIES AND OTHER PROVISIONS

Sec. 5-186. Illegal machines.

This article shall not be construed to authorize or permit the keeping, exhibition, operation, display, or maintenance of any machine that is prohibited by the constitution of this state or Chapter 47 of the Texas Penal Code.

(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-187. Same—payment; receipt constitutes license.

The license fees provided for in the city fee schedule shall be paid to the director, who, upon receipt of such fees and subject to the following terms hereof, shall give a receipt to the taxpayer therefor in the name of the city, signed by the director. The receipt shall be a license for the operation of the game rooms for one year, which shall expire on the one-year anniversary of the date it was issued.

(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-188. Violations.

Any person operating, using or maintaining any room or place for which a license is required by this division without first paying the fee and securing a license therefor, or who operates, uses

or maintains such place after the license therefor has been revoked, shall, upon conviction, be fined as provided in section 1-6 of this Code for each day that such room or place is so operated.
(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-189. Exemptions.

This division shall not be construed to embrace bona fide fraternal organizations and lodges, social clubs or social gatherings in private residences for the sole purpose of sociability and amusement.
(Ord. No. 2014-674, § 4, 6-25-2014)

Sec. 5-190. Effect.

Each licensee under this article must meet and comply with all requirements of law applicable to the premises or any activity conducted thereon and the issuance of a license under this article shall not excuse the licensee, his agents or employees or any patrons of such premises therefrom.
(Ord. No. 2014-674, § 4, 6-25-2014)

Chapter 6

ANIMALS AND FOWL*

Art. I.	**In General, §§ 6-1—6-30.1**
	Div. 1. Matters of General Applicability, §§ 6-1—6-2.1
	Div. 2. Animals at Large and Impoundment, §§ 6-3—6-6
	Div. 3. Care, Keep, and Use of Animals, §§ 6-7—6-9
	Div. 4. Livestock, §§ 6-10—6-16
	Div. 5. Disease Control, §§ 6-17—6-19
	Div. 6. Enforcement, §§ 6-20—6-22
	Div. 7. Domestic Animals Generally, §§ 6-23—6-25
	Div. 8. BARC Foundation, §§ 6-26—6-30.1
Art. II.	**Keeping of Fowl, Rabbits and Guinea Pigs, §§ 6-31—6-50**
Art. III.	**Keeping of Wild Animals, §§ 6-51—6-75**
Art. IV.	**Dogs and Cats, §§ 6-76—6-135**
	Div. 1. Generally, §§ 6-76—6-84
	Div. 2. Microchipping and Vaccination, §§ 6-85—6-100
	Div. 3. Impoundment of Dogs Running at Large, §§ 6-101—6-110
	Div. 4. Breeding and Selling, §§ 6-111—6-120
	Div. 5. Commercial Pet Service Facilities, §§ 6-121—6-130
	Div. 6. Animal Shelter Advisory Committee, §§ 6-131—6-135
Art. V.	**Disposition of Impounded Animals, §§ 6-136—6-150**
Art. VI.	**Dangerous, Aggressive, and Public Nuisance Dogs, §§ 6-151—6-170**

ARTICLE I. IN GENERAL

DIVISION 1. MATTERS OF GENERAL APPLICABILITY

Sec. 6-1. Scope; definitions; penalty.

(a) This chapter shall apply to animals or property found or located within the corporate limits of the city.

(b) The following words, terms and phrases, when used in this chapter, shall have the same meanings as provided in this section, except where the context clearly indicates a different meaning:

Adoption means the sale of an animal that is owned by and in the custody of BARC animal services to a member of the general public in exchange for cash or other financial consideration.

Animal enforcement officer means an individual employed by the city who meets the definition and training requirements of Chapter 829 of the Texas Health and Safety Code.

BARC adoptions, education and outreach means the section of BARC animal services responsible for the processing of animal adoptions and education and outreach related to animal health, safety, and care.

BARC animal enforcement means the section of BARC animal services responsible for the enforcement of animal regulations.

BARC animal services means the division of the department of administration and regula-

*__Editor's note—__Ord. No. 2022-44, § 2(Exh. A). adopted January 9, 2022, amended Ch. 6 in its entirety to read as herein set out. Former Ch. 6 pertained to similar subject matter and derived from Ord. No. 2014-244, § 2(Exh. A), adopted March 26, 2014 and subsequent amendatory ordinances. See the Code Comparative Table for a complete derivation.

Charter reference—General authority to regulate animals, Art. II, § 16(k), (l), (q), (u), (w), (x).

Cross references—Restriction on location of abattoirs or rendering plants, § 10-271 et seq.; hunting at Lake Houston Reservoir, § 23-9; notice to be given of use of guard dogs, § 28-5; noisy animals and birds, § 30-15; riding or driving animals in parks, § 32-30; molesting animals in parks, § 32-31; hunting in parks, § 32-34; fishing in parks, § 32-35; the Houston Zoo, § 32-146 et seq.; bringing animals onto zoo grounds, § 32-152; application of traffic ordinances to persons riding animals, § 45-20.

tory affairs responsible for the city's animal shelter, animal adoptions, enforcement of animal regulations, and education and outreach related to animal health, safety, and care.

BARC animal shelter means the section of BARC animal services responsible for the operation of the city's animal shelter.

Commercial breeder means any person who:

(1) Breeds dogs or cats for the purpose of selling; or

(2) Sells or offers for sale unneutered or unspayed offspring of dogs or cats to another person.

Commercial pet service facility means any lot, enclosure, premises, residence, structure, or building where dogs or cats over the age of four months are kept or maintained for any commercial purpose. This term includes a mobile commercial pet service business. Provided, however, for purposes of article IV of this chapter only, commercial pet service facility shall not include commercial breeders, hobby/conformation breeders, non-commercial breeders, veterinarians, or veterinary hospitals.

Community cat means any unowned, socialized, or feral free-roaming domestic cat that may be cared for by one or more residents. Community cats that are ear-tipped have been sterilized and have received at least one vaccination against rabies. Community cats shall not be subject to provisions of this chapter that are directed at owned animals.

Community cat caretaker means a person, group, or humane organization approved by the director that provides services to community cats. Services may include, but are not limited to: food, shelter, and medical care. Community cat caretakers shall follow guidelines approved by the director.

Community cat program (CCP) means a program that allows community cat caretakers to manage free roaming community cats with the goal of improving the lives of and reducing the overall number of community cats. The program shall include the trap, neuter, and return program or any substantially similar type of program.

Current rabies vaccination means a rabies vaccination that was administered in compliance with the requirements of Chapter 826 of the Texas Health and Safety Code and Title 25 of Chapter 169 of the Texas Administrative Code and that has not expired under the terms thereof.

Department means the department of administration and regulatory affairs.

Direct physical control means the use of a tether or other bodily restraint by a person capable of controlling the animal to restrict the movements of an animal.

Director means the director of the department of administration and regulatory affairs or his designee.

Disposition means the relocation of an animal or termination of ownership of an animal by BARC animal shelter through adoption, transfer to a humane organization, or humane euthanasia.

Domestic animal means any beast or bird in common use that has been bred or trained to need and accept the care of humans and to live in a tame condition, including, but not limited to, livestock, goat, swine, dog, cat, fowl, or other beast or bird.

Domestic cat means Felis catus, Felis domesticus, or any domesticated member of the genus Felis.

Domestic fowl means birds of a breed developed or kept for the purpose of meat production, egg laying or purely for ornament or show, including, but not limited to, chickens, turkeys, geese, ducks, pea-fowl, and parakeets, canaries, parrots, cockatoos, macaws or similar birds.

Ear-tipping means a surgical procedure performed under anesthesia by a veterinarian that removes approximately 20 percent of a cat's left ear at the apex, and is a universally recognized method of identifying sterilized and vaccinated community cats in the field.

Extreme weather conditions means conditions in which the actual or effective outdoor temperature is below 32 degrees Fahrenheit

or above 90 degrees Fahrenheit, or a hurricane, tropical storm, flood, flash flood, severe thunderstorm or tornado warning has been issued for the jurisdiction by the National Weather Service.

Feral animal means any untamed or free-roaming animal other than a domestic cat.

Hobby/conformation breeder means a person who:

(1) Breeds personally-owned dogs or cats for the purpose of improving a breed, showing in a competitive venue, use in a sporting activity or working purposes, or other personal reasons;

(2) Is a member in good standing with an organized national, regional, or local club established for the purposes listed above in item (1), as evidenced by a membership card or other proof of membership; and

(3) Sells, trades, barters, distributes, or otherwise exchanges consideration for dogs or cats to other hobby/conformation breeders or conducts private sales to individuals. For purposes of this chapter, this term shall not include sales, trades, barter, distribution or the exchange of consideration to wholesalers or brokers.

Hearing officer means an individual employed by the municipal courts department of the city designated to conduct administrative hearings and enter orders in the manner provided by this chapter, and who shall have no prior knowledge of the facts or circumstances regarding the matter at issue, except that he may receive a copy of the notice of the hearing prior to the hearing and may have conducted a prior hearing regarding a lesser penalty involving the same party.

Humane organization means any not-for-profit organization that rescues and places animals into permanent homes. Humane organization does not include an entity that breeds animals; or in exchange for payment or compensation, obtains any dog or cat from a person who either breeds dogs or cats or facilitates the sale of dogs or cats that were obtained from a person who breeds dogs or cats.Livestock shall mean any sheep, llama, or any equine or bovine species.

Microchip means a chip encoded with a unique identification number that can be implanted in an animal for identification purposes, and is obtained from a manufacturer, a veterinary clinic, a pet services facility or BARC animal services.

Neuter refers to permanent sterilization to render male animals incapable of impregnating female animals by means of:

(1) Surgery performed to remove the testicles; or

(2) Chemical sterilization utilizing a drug approved by the United States Food and Drug Administration.

Non-commercial breeder means any person who allows a dog or cat in his possession to produce offspring.

Owner means any person who owns, harbors, or has custody or control of an animal but shall not include a person providing commercial or veterinarian services to an animal.

Police officer means any peace officer employed by the city's police department.

Rabies quarantine facility means a veterinary hospital or clinic that is able to properly confine and observe animals that have or may have been exposed to rabies.

Registration means the record in the BARC animal services office of the identification number of a microchip and the associated documentation of its implantation in an animal.

Running at large or *to run at large* means an animal that is allowed to go on public or private property without its owner or a person having direct physical control over the animal; the terms include any animal that is staked, tied or hobbled in any manner as to allow the animal to access public streets or sidewalks.

Spay refers to permanent sterilization to prevent female animals from having estrus (heat) cycles and eliminating the ability to become pregnant by means of:

(1) Surgery performed on an animal to remove the ovaries and uterus; or

(2) Chemical sterilization utilizing a drug approved by the United States Food and Drug Administration.

Sterilized refers to a spayed or neutered dog or cat.

Sterilized pet registration means a current and valid registration for a microchip issued under this chapter for a dog or cat that has been spayed or neutered.

Trap, neuter, and return program means a program approved by the director in which community cats are humanely trapped, evaluated, vaccinated, sterilized, and marked by tipping of the left ear by a veterinarian and returned to the trap location.

Unsterilized refers to a dog or cat that has not been spayed or neutered.

Unsterilized pet registration means a current and valid registration for a microchip issued under this chapter for a dog or cat that has not been spayed or neutered.

Veterinarian means any person licensed to practice as a doctor of veterinary medicine by the State of Texas.

Veterinary hospital means any place where medical and surgical treatment is administered to animals by or under the supervision of a veterinarian.

(c) The violation of any provision of this chapter is hereby declared to be unlawful. Provided, however, any violation of this chapter that constitutes an offense under Chapter 826 of the Texas Health and Safety Code or other applicable state laws shall be punishable as provided thereunder.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-2. Acceptance of donations, gifts or bequests.

The director is authorized to accept, on behalf of the city, donations, gifts and bequests, which shall be used solely for the care of the animals in the care and control of the city. Funds shall be used exclusively for the purpose for which they are donated.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-2.1. Administrative rules.

The director shall promulgate rules and regulations to administer the provisions of this chapter. The rules and regulations shall not conflict with any applicable provisions of this Code. The director shall post a copy of the rules and regulations on the BARC animal services website and maintain a copy of the rules and regulations for inspection in the office of the director and at the BARC animal shelter. The director shall provide copies for purchase to any person upon payment of the fees prescribed by law.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

DIVISION 2. ANIMALS AT LARGE AND IMPOUNDMENT

Sec. 6-3. Owner's responsibility for animals at large.

An owner or any other person having the right of possession of an animal shall ensure that the animal does not run at large in violation of this chapter and shall be subject to punishment under this chapter without regard to whether the person was acting with a culpable mental state.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-4. Running at large of domestic animals or fowl prohibited.

(a) The running at large of domestic animals or domestic fowl is hereby declared to be a nuisance. It is unlawful for an owner to permit any animal or fowl to run at large.

(b) It shall be a defense to prosecution under subsection (a) above that the animal was:

(1) A dog in an off-leash site established under section 32-11 of this Code; or

(2) A feral cat that is a part of a trap, neuter, and return program.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-5. Impoundment of animal running at large; surrender of animals

(a) It shall be the duty of the department to establish an animal shelter in the city, at such place as may be designated by the city council, where all animals found running at large in violation of this chapter shall be received and taken care of in accordance with any applicable rules and regulations promulgated by the director.

(b) The city, through the director, is the designated caretaker of every impounded animal on the date of impoundment, intake or surrender.

(c) Immediately upon intake, the designated caretaker is authorized to provide each healthy, appropriate-aged, impounded animal with core immunizations as defined by the Association of Shelter Veterinarian guidelines, administered by a licensed veterinarian or by a person under the veterinarian's supervision who is familiar with the common infectious diseases affecting dogs and cats, along with any other necessary treatment the veterinarian determines to be appropriate for the animal.

(d) The provisions of this section shall not apply to 'estrays' as defined in § 142.001 of the Texas Agriculture Code.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-5.1. Surrendering of animals upon owner's or citizen's request.

(a) The director may accept a domestic non-livestock animal from its owner residing within the city limits of Houston for disposition by the BARC animal shelter. Ownership of all animals surrendered by the owner shall immediately transfer to BARC animal services. Disposition of such an animal shall be accomplished in the same manner as though the animal had been impounded and not redeemed as provided in section 6-138 of this Code. Proof of residence may be required.

(b) The director may accept a stray injured or ill domestic non-livestock animal found in the city limits from an individual residing within the city limits of Houston who is not the owner or custodian of the animal and who surrenders it to the BARC animal shelter for disposition. The disposition of such an animal shall be accomplished in the same manner as though the animal had been impounded and not redeemed as provided in section 6-138 of this Code. Proof of residence may be required.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-6. Unauthorized impoundment of animals.

(a) It is unlawful for any person, other than a police officer, an animal enforcement officer, a member or employee of a humane organization approved by the director, or a licensed employee of a licensed pest control service to engage in the catching or impounding of animals.

(b) It is a defense to prosecution under this section that:

(1) The animal was unlawfully running at large upon property under the possession or control of the person catching it;

(2) The animal was caught and held in a humane manner; and

(3) The capture of the animal was promptly reported to BARC animal services for the pick-up and disposition of the animal as BARC animal services deems appropriate; provided, however, if the captured animal is a domestic animal, the animal was brought to BARC animal services for disposition as BARC animal services deems appropriate.

(c) The provisions of this section shall not apply to "estrays" as defined in § 142.001 of the Texas Agriculture Code.

(d) Notwithstanding anything to the contrary in this section, it is unlawful for anyone other than a police officer, an animal enforcement officer, a member or employee of a humane organization approved by the director, or a licensed employee of a licensed pest control service to engage in the use of a trap to capture animals under extreme weather conditions.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

DIVISION 3. CARE, KEEP, AND USE OF ANIMALS

Sec. 6-7. General regulations as to care, keeping and using of animals.

Every owner, caretaker or user of any animal shall observe the following rules in connection with the care, keeping and using of the animal, and any person violating any provisions of this section shall be deemed guilty of an offense:

(1) All stables or other enclosures in which the animal is kept and the ground upon which the stable or enclosure is situated shall be maintained in a clean and sanitary condition, and all stables and fences surrounding each lot where the animal is kept and the feed troughs and water troughs, with which such animals are fed and watered, shall be free from any conditions that may injure the animal. All stables and enclosures shall contain adequate space for an animal relative to the animal's species, size, weight, and age and must allow the animal to stand upright without touching any part of the structure and to move around unencumbered.

(2) All stables containing horses shall meet the following minimum standards:

a. The size of the stable must be at least 100 square feet for horses weighing up to 1,000 pounds; stables for horses weighing over 1,000 pounds shall have a wall length of at least one and a half times the horse's length;

b. A ceiling height of at least ten feet, with a minimum clearance of three feet and six inches above the horse's head. The ceiling height is measured from the floor to the lowest point of the ceiling of the stable, including any fixtures and beams;

c. The roof of the stable must be weatherproof and the structure must provide for adequate ventilation;

d. The walls or partitions of the stable must be flush to the floor and at least eight feet tall and made of solid plywood with metal horizontal edges or boards spaced no more than 1½ inches apart with center bracing. For stables containing multiple horses, the walls or partitions must have metal bars or heavy-gauge wire mesh extending to the ceiling to allow the horses to see each other. The bars must be at least ¾ of an inch to one inch in diameter and spaced no more than three inches apart. The heavy-gauge wire mesh must have openings of no more than two inches;

e. Door openings must be at least seven feet in height and 45 inches wide; and

f. The flooring must be nonslip. Any concrete or pavers must have sufficient rubber mats or deep bedding to protect the legs and feet of the horse and must be sloped for drainage. All dirt flooring must be dug out and replaced once it is ammonia saturated.

(3) The owner, caretaker or user shall feed all animals in his care with a quantity of good, wholesome food sufficient to keep the animals in a good, well-nourished condition, and shall serve the food in a clean, sanitary manner.

(4) The owner, caretaker or user shall feed all work and milk animals with salt at proper and regular intervals.

(5) The owner, caretaker or user shall ensure that all horses or mules worked or used have good substantial shoes upon each hoof.

(6) No person shall work or use an animal where there are any sores upon the animal's body, legs, head or shoulders.

(7) The owner, caretaker or user shall ensure that all harness used on any work animal is properly fitted to the animal and is free from any wire, rivets, break, tear or anything else that will irritate or make sores on the animal.

(8) No person shall hitch an animal to any wagon that is not well-greased or where the pole or the singletree is in such condition as may cause injury to the animal.

(9) No person shall drive an animal drawing a wagon or other loaded vehicle faster than at a walk.

(10) The owner, caretaker or user shall provide each animal with pure, clean water in sufficient quantities at all times.

(11) No person shall work or use a sick or crippled animal or lead or drive it on any street of the city.

(12) No person shall run, or participate in the running, of any horse race in, along or across any public road, public square or public street in the city.

(13) No person shall leave a dog outside and unattended by use of a tether unless the person provides the dog access to:

a. Adequate shelter that is:

[1] Clean;

[2] Of sturdy construction;

[3] Able to protect the dog from direct sunlight, rain, snow, hail and subfreezing temperature; and

[4] Large enough for the dog to be able to sit, stand, lie down and turn around normally;

b. An area that allows the dog to avoid standing water; and

c. Pure, clean water.

(14) No person may restrain a dog by a tether that:

a. Is less than ten feet in length or five times the length of the dog measured from nose to the base of the tail, whichever is longer;

b. Due to the weight or construction of the tether itself, causes injury or visible discomfort to the dog;

c. Is not attached to a properly fitted collar or harness; or

d. Is a chain.

(15) The caretaker, owner, or user shall provide each animal sufficient and appropriate exercise for the requirements of the species.

(16) The caretaker, owner or user shall ensure that each animal receives adequate grooming, treatment, transportation, and veterinary care when needed to prevent suffering or disease transmission.

(17) The caretaker, owner, or user shall provide each animal sufficient and appropriate shelter for the requirements of the species.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-8. Destruction of wounded or feral animals.

(a) When any animal shall be so wounded, maimed or injured as to render its recovery hopeless, or the animal is a feral animal and poses a threat to humans, domestic animals or property, it shall be the duty of the director to cause it to be humanely destroyed. The director shall humanely destroy the animal as soon as practicable after he discovers the injury or the feral animal's threat. Upon destruction, the director shall direct or cause the carcass to be lawfully removed and disposed of. When the director causes any animal to be destroyed under this section, he shall prepare a report in writing

of the destruction to be maintained in BARC animal services' electronic records. The report shall show:

(1) A description of the animal destroyed, and the name of the animal's owner, if known; and

(2) The injury or situation that made destruction necessary, and in the case of injured animals, how the injury was inflicted, and by whom, if known.

(b) The provision of subsection (a) of this section shall not apply to veterinarians or veterinary hospitals.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-9. Shooting or catching wild birds.

(a) It is unlawful for any person to shoot or attempt to shoot or kill with any air rifle, bow and arrow, slingshot, firearm or other means, or to ensnare or catch by any means whatsoever any wild bird.

(b) It is an affirmative defense to prosecution under subsection (a) of this section that the person ensnaring or catching a wild bird is:

(1) A federal- or state-permitted bird rehabilitator authorized to take, transport and temporarily possess sick, injured or orphaned birds for rehabilitation purposes; or

(2) A federal, state, county or municipal employee capturing birds for testing purposes related to zoonotic diseases.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

DIVISION 4. LIVESTOCK

Sec. 6-10. Breeding of livestock.

It is unlawful for any person to breed, or permit or cause to be bred, any livestock unless it is done within the confines of an enclosure. For the purposes of this section, an 'enclosure' shall be construed to mean a barn or other building conforming to any applicable requirements set forth in the Building Code.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-11. Driving livestock, hogs and goats through streets.

It is unlawful for any person to drive cattle, horses, mules, hogs, sheep or goats over the public streets and ways of the city unless the person has obtained prior written permission from the chief of police. Any person desiring permission shall make a written request to the chief of police designating the type and number of animals to be driven, the route upon which they will be driven, the means of control that will be employed and the time or times at which they will be driven. The chief of police shall grant permission unless he affirmatively determines upon investigation of the request that it would pose a burden upon pedestrian or vehicular traffic or otherwise pose a danger to the safety or welfare of the public.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-12. Staking, hitching or hobbling animals.

(a) It is unlawful for any person to stake, tie or hobble any animal on any property that is owned by another without the other person's written consent by way of a sworn or unsworn declaration.

(b) It is unlawful for any person to obstruct any street or sidewalk by hitching or staking out any animal or to permit any animal to be so hitched or staked out that it can go upon or across any street or sidewalk.

(c) It is unlawful for any person to tie or fasten any animal to any tree, or to the box around any tree, planted or growing in any street or public place, or to a fence or lamppost which is the property of another without such other person's written consent by way of a sworn or unsworn declaration.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-13. Keeping of swine and goats prohibited.

It is unlawful for any person to keep or maintain one or more hogs, swine, pigs, pot-bellied pigs, or goats.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-14. Restrictions on keeping livestock.

(a) It is unlawful for any person to keep, possess, or maintain any livestock on any uncovered parcel of land unless the parcel has a minimum area of 5,000 square feet for the first animal and 2,500 additional square feet for each additional animal.

(b) It is unlawful for any person to keep, possess or maintain any livestock within 100 feet of any actual residence or building used for human habitation (other than that of the owner of such animal), or any restaurant, cafe, or other public eating place, or any church, school or hospital. The distance shall be measured in a straight line from the nearest point of the shed, stable, barn, pen or fenced enclosure or area in which the animal is contained to the nearest point of the actual residence or building used for human habitation, restaurant, cafe or other public eating place, or church, school or hospital.

(c) Any enclosure or structure used to contain livestock pursuant to this section shall be constructed in accordance with any applicable standards and requirements provided in section 6-7 of this Code and the Building Code. However, the requirements provided in item (2) of section 6-7 of this Code shall not be applicable to enclosures or structures with a valid building permit in existence on or before March 26, 2014; provided, however, that any alteration, remodeling, or reconstruction of the enclosure or structure must meet the requirements provided in item (2) of section 6-7 of this Code. Additionally, the suspension or revocation of a valid building permit for any enclosure or structure subject to this special exemption shall result in the forfeiture of the privilege of use of the enclosure or structure and shall require compliance with the requirements provided in item (2) of section 6-7 of this Code.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-15. Exemption from sections 6-13 and 6-14.

The provisions of sections 6-13 and 6-14 of this Code shall not prohibit:

(1) The temporary keeping of the animals for slaughter by slaughterhouses, for treatment by veterinary hospitals or for exhibition at fairs, shows, and circuses; or

(2) The temporary or permanent keeping of the animals mentioned in sections 6-13 and 6-14 of this Code for teaching or research purposes at a medical school, a veterinary school, a high school agricultural facility, a licensed hospital, or a nonprofit university or college providing a degree program; provided that the person in charge of the animals shall not be relieved of the operation of any of the other applicable provisions of this Code, including, without limitation, those governing sanitary conditions, nuisances, and noises. The exemption extended above to high school agricultural facilities shall apply only to facilities situated upon property that is owned and maintained by a public school district or a private school.

(3) The city keeping or maintaining goats for the purpose of managing vegetation on city property.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-16. Storage, disposal, etc., of manure.

(a) Any person owning or leasing any stable or other building or enclosure where any livestock is kept shall maintain a substantial and sufficient receptacle for manure, which must be so constructed and kept as to protect the contents from rain and so screened as to prevent access to flies, and the person must place all manure from the livestock in the receptacle.

(b) Any person owning or leasing any stable, other building or enclosure where livestock is kept shall have all manure from the animals removed from their premises at least twice in each week, and at no time shall the person allow the manure to accumulate in such a manner as to be a nuisance.

(c) It is unlawful for any person to throw or deposit any manure in any street or public place, or to allow manure from any animal under the person's care, control, or custody to remain in any street or public place. No person hauling manure through the streets shall permit the manure to litter the streets.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

DIVISION 5. DISEASE CONTROL

Sec. 6-17. Rabies control, generally; quarantine; penalty.

(a) The responsibility for the control of rabies within the city shall rest with the department, and the director of the department is duly designated as the local health authority for the purpose of the Rabies Control Act of 1981 (Chapter 826 of the Texas Health and Safety Code).

(b) The following provisions apply to an incident in which an animal bites, scratches, or otherwise attacks a person in a manner in which rabies may be transmitted:

(1) The owner of any such animal shall, on demand of the director or any animal enforcement officer, immediately surrender the animal to BARC animal services or any other rabies quarantine facility approved by the director for observation for a period lasting not more than 10 days after the date of the incident.

(2) Except as provided in items (1) and (4) of this subsection, every such animal shall be seized at once and:

a. Humanely destroyed and sent to a laboratory for testing;

b. Held under observation by the director at the BARC animal shelter in quarantine for 240 hours from the date and time of the incident at the expense of the owner of the animal; or

c. Upon request by the owner of the animal, the animal may be confined for observation in a rabies quarantine facility approved by the director at the owner's expense for the same period of time as the animal would be confined for observation at the BARC animal shelter. The director shall approve a request upon the owner's showing that the rabies quarantine facility is willing and available to confine the owner's animal.

(3) If the animal is held in quarantine at the BARC animal shelter, the owner shall be responsible for payment of fees for impoundment and veterinarian services. Additionally, the owner shall be responsible for payment of fees for the following, as applicable: microchip implantation, registration, and sterilization. Upon release of the animal, payment of fees for the boarding of the animal is due. The fees described in this subsection are stated in the city fee schedule. If, by the date the animal is to be released from the BARC animal shelter, the owner does not pay all amounts due and owed, the owner shall relinquish ownership of the animal, and the animal shall become the property of BARC animal services for disposition as BARC animal services deems appropriate.

(4) The following dogs and cats may be quarantined upon the approval of the director on the owner's premises for a period of 240 hours immediately following the date and time the animal has attacked a person if the animal had a current rabies vaccination at the time of the incident:

a. Dogs or cats confined in a building or secure enclosure;

b. Dogs or cats restrained on property that does not allow access to public sidewalks, streets and common areas; and

c. Dogs or cats under the direct physical control of the owner.

(5) All animals quarantined on the owner's premises must be examined by a veterinarian at a private veterinary clinic or a certified animal enforcement officer at the beginning of the quarantine period and examined a second time by a veterinarian or a certified animal enforcement officer at the end of the quarantine period. If the animal is examined by a veterinarian at any place other than the BARC animal shelter, the owner shall provide BARC animal enforcement with

a written report from the veterinarian setting out the results of each examination within 24 hours after the examination has been made.

(6) Any owner of an animal subject to quarantine under this subsection who fails to keep the animal confined, fails to have the animal examined by a veterinarian or an animal enforcement officer, as applicable, or fails to provide BARC animal enforcement a veterinarian's report of the results of an examination when required to do so under the provisions of this subsection shall be guilty of a misdemeanor, and upon conviction thereof, shall be fined not less than $100.00 nor more than $2,000.00.

(7) None of the provisions of this subsection apply to any dangerous dog surrendered to the director pursuant to article VI of this chapter.

(c) No animal that has rabies shall be allowed at any time on the streets or public ways of the city. No animal that has been suspected of having rabies shall be allowed at any time on the streets or public ways of the city until the animal has been released from quarantine by the director or under his direction.

(d) The owner or person in charge of any animal that has rabies or symptoms thereof, or that has been exposed to rabies, or that has bitten, scratched or otherwise attacked any person in a manner in which rabies may be transmitted shall, on demand, turn over the animal to the director.

(e) Any person having knowledge of an animal considered to be a high risk for the rabies virus, which animal has bitten, scratched or otherwise attacked, contacted, or exposed any animal in a manner in which rabies may be transmitted, is required to report it immediately to the department. The owner or person in charge of the animal shall, on demand, turn over the animal to the director for testing. For purposes of this subsection, animals considered to be a high risk for the rabies virus are animals that have a high probability of transmitting rabies, including skunks, bats, foxes, coyotes, and raccoons.

(f) No person shall dispose of the body of any animal that has died of rabies except as directed by the director.

(g) The director shall check and record all cases of rabies and of suspected rabies.

(h) Any person having knowledge of an animal bite is required to report it immediately to the department.

(i) The police and fire departments shall electronically transmit to BARC animal enforcement reports made to their respective departments of any animal that has:

(1) Rabies or symptoms thereof;

(2) Been exposed to rabies; or

(3) Bitten, scratched or otherwise attacked any person in a manner in which rabies may be transmitted.

The police and fire departments shall transmit the reports daily and shall include all relevant information gathered as a result of the response to the incident by the respective department.

(j) It shall be unlawful for any person to fail or refuse to quarantine or present for quarantine or testing an animal that is required to be placed in quarantine or required to be presented for testing under this section.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-18. Microchip implantation.

No dog that is impounded, quarantined or examined as required pursuant to section 6-17 of this Code shall be released to its owner by the private veterinary hospital or by BARC animal shelter unless and until a microchip has been implanted in the animal and the identification number has been registered with BARC animal services. If performed by the city, the city's fee for microchip implantation is stated in the city fee schedule. Upon request, the director may deputize a private veterinarian to perform any microchip implantation required under this section for a dog under the veterinarian's care; no fee shall be collected by the city for any microchip implantation that is performed by a private

veterinarian, and the veterinarian may impose any fee for his or her services as agreed between the veterinarian and his client.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-18.1. Mandatory sterilization.

(a) Except as provided in subsection (b) of this section, any dog or cat that is quarantined at the BARC animal shelter pursuant to section 6-17 of this Code shall be sterilized at the BARC animal shelter, and the owner of the animal shall be responsible for payment of the sterilization fee specified in the city fee schedule.

(b) Any dog or cat that has been approved by the director for quarantine on the owner's premises or that was quarantined at a private quarantine facility approved by the director pursuant to section 6-17 of this Code shall be exempt from the mandatory sterilization requirement set forth in subsection (a) of this section.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-19. Veterinarians to report communicable diseases.

Every veterinarian or other person who is called to examine or professionally attend any animal having glanders or farcy, rabies, tuberculosis, or any other communicable disease shall, within 24 hours, report in writing to the department the following facts:

(1) The location of the diseased animal;

(2) The name and address of the owner of the animal; and

(3) The type and character of the disease.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

DIVISION 6. ENFORCEMENT

Sec. 6-20. Powers of enforcement officers.

The director, the animal enforcement officers and other authorized employees of BARC animal services, along with any police officer, shall have full authority to enforce this chapter and other ordinances of the city relating to animals and fowl.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-21. Notice of violations.

All police officers, animal enforcement officers, and urban park rangers of the parks and recreation department are authorized to issue written citations to persons violating this chapter or any other ordinance governing the regulation of animals.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-22. Enforcement by neighborhood protection official.

The neighborhood protection official shall have concurrent authority with the director to enforce the provisions of articles I and II of this chapter. However, the neighborhood protection official shall not impound any animal or issue any permit under this chapter.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

DIVISION 7. DOMESTIC ANIMALS GENERALLY

Sec. 6-23. Congregations of unconfined and stray cats and dogs.

(a) It is unlawful for any person to intentionally cause, suffer or permit the maintenance of an attractive environment for the assembly of a congregation of unconfined and stray cats or dogs by the placement of dog food or cat food. For purposes of this section a "congregation of unconfined stray cats or dogs" means any three or more dogs or cats that:

(1) May, of their own volition, enter or leave the property on which the food is placed; and

(2) Are not part of a community cat or trap, neuter, and return program.

(b) For purposes of this section, "cat food" or "dog food" means any commercially prepared cat or dog food or any other food item or product that is subject to consumption by dogs or cats.

(c) It is an affirmative defense that the dogs or cats were free-roaming and that the person placed the food solely for the purpose of apprehending the dogs and cats and:

(1) Delivering them to the BARC animal shelter;

(2) Delivering them to a humane organization;

(3) Delivering them to a licensed veterinarian for sterilization as part of a community cat or trap, neuter and return program; or

(4) Assuming ownership and obtaining a rabies vaccination and a current registration issued by the city for such animals.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-24. Defecation by dogs or cats.

(a) Any person in control of a dog or cat is required to promptly remove and dispose of, in a sanitary manner, feces left by the dog or cat.

(b) Any person in control of a dog or cat is required to be in possession of materials to remove feces left by the dog or cat.

(c) It is an affirmative defense to prosecution under this section that the person in control of the dog or cat is the owner of the premises, or the owner's agent of the premises, where the dog or cat deposits feces.

(d) Violation of this section is unlawful and any violation shall be punishable upon conviction by a fine of not less than $75.00 or more than $500.00. Each act in contravention of this section is a separate offense.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-25. Assuming responsibility for domestic animals.

Except as provided in the affirmative defenses as set forth in section 6-23 of this Code, any person who has encouraged the presence of any domestic animal on his property, residence, or premises by providing food and water or other care, or has otherwise accepted caretaker responsibility for the animal for longer than three consecutive days, and who is not part of a community cat program approved by the director, shall be considered to be the owner of the animal.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

DIVISION 8. BARC FOUNDATION

Sec. 6-26. Name and purpose.

(a) The name of this organization shall be the BARC Foundation, herein after called the "foundation."

(b) The foundation shall, among other things:

(1) Receive and maintain real or personal property, or both, and use and apply the income therefrom and the principal thereof exclusively for charitable, scientific and educational purposes related to the care and humane treatment of animals;

(2) Solicit funds, gifts, and bequests for medical and kennel supplies and equipment for use at BARC animal shelters;

(3) Promote awareness to Houston area residents on responsible pet ownership, spay/ neuter practices, pet adoption and the humane treatment of all animals; and

(4) Review and make advisory recommendations to the mayor and city council on responsible pet ownership, spay/neuter practices, pet adoption and the humane treatment of all animals.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-27. Composition; appointment and terms of members; filling of vacancies; fidelity bond.

(a) The board of directors of the foundation shall, in addition to the ex officio members hereinafter provided for, consist of not more than 15 members to be nominated by the mayor and confirmed by the city council. Each member shall be appointed to a specific position, Position 1 through 15. All members shall reside in one of the counties that make up the Houston-The Woodlands-Sugar Land, TX Metropolitan Statistical Area as defined by the Office of Management and Budget in the Executive Office of the President of the United States.

(b) The term for members of the board shall be two years. Odd-numbered positions shall have terms that expire June 30 of odd-numbered years. Even-numbered positions shall have terms that expire June 30 of even-numbered years.

(c) The BARC Animal Services director, or his designee, and the executive director shall be at all times an ex officio nonvoting member of the board.

(d) The board, by adoption of a resolution, may designate persons to serve as additional ex officio nonvoting members of the board or as nonvoting advisory directors of the board.

(e) In the event of the death or resignation of any member of the board prior to the expiration of such member's term of service, the mayor shall nominate and the city council shall confirm a successor who shall serve out the remaining unexpired term and enter upon the duties of a member at the next regular meeting of the foundation.

(f) Any member of the board serving in a position for which the term has expired shall continue to serve until the member's successor in that position is appointed and confirmed.

(g) Any director may be removed by the mayor for the following reasons:

(1) With or without cause, by the affirmative vote of a majority of the board of directors (other than such director being removed) present at a duly held meeting of the Corporation;

(2) Failure to abstain in votes or activities of the foundation where direct or indirect conflicts-of-interest are, or may be involved; or

(3) Failure to meet any minimum requirements established by the board and imposed upon all directors.

(h) The city shall maintain a blanket fidelity bond in the amount of $10,000.00 for each member of the board. This requirement may be satisfied by amendment to the city's blanket fidelity bond for city employees so as to authorize inclusion of the board members.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022; Ord. No. 2026-0389, 2, 5-6-2026)

Sec. 6-28. Compensation of members; conflicts of interest.

(a) Members of the board shall serve without compensation from the city or any firm, trust, donation or legacy to or on behalf of the city; provided, however, that a member of the foundation, or the firm, company or corporation with whom the member is associated, shall not be precluded from receiving compensation from the city under any contract for services rendered which have no relation to the member's duties as a member of the board.

(b) Each member of the board is a covered person for the purpose of article X of chapter 2 of this Code.

(c) Members of the board shall abstain from voting upon matters in which they have a conflict of interest, and members of the board shall not participate in any activity of the foundation in which they have a conflict of interest. The provisions of this subsection shall be cumulative of any applicable foundation bylaws, resolutions adopted by the board or other documentation ratified by the board pertaining to compensation, conflicts of interest or any other documentation addressing the conduct of members of the board.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-29. Organization and meetings.

(a) The foundation shall organize by electing from their membership a board chair, a chair-elect, a secretary and a treasurer, each of which officers shall hold office for two years, or until their successor shall have been elected and qualified. The foundation may adopt such administrative procedures as are necessary or convenient to accomplish the purposes set out in this article.

(b) The foundation may employ any necessary staff, including an executive director, at salaries set by the foundation. Any staff of the foundation shall not be considered employees of the city for any purposes and shall not be entitled to any of the privileges or benefits of the city's employees.

(c) Regular foundation meetings shall be held at least four times a year. In addition, annual and special meetings may be held in accordance with such rules as the foundation may provide.

(d) A majority of the members of the board shall constitute a quorum for the transaction of business; however, in the event of a vacancy on the board, a majority of the remaining members of the board shall constitute a quorum for the transaction of business.

(e) All meetings of the foundation shall be held in accordance with the Texas Open Meetings Act.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022; Ord. No. 2026-0389, §§ 3, 4, 5-6-2026)

Sec. 6-30. Additional powers.

(a) The foundation may cooperate with any trust created for a purpose similar to that of the foundation as set out in section 6-26 of this Code. In addition, the foundation may contract for financial management and investment services and may pay the reasonable fees therefor from solicited funds, gifts, bequests, and income therefrom; provided, the foundation shall exclude therefrom any solicited funds, gifts, or bequests when payment of a financial management and investment service fee would be contrary to the provisions of the grant.

(b) Whenever funds are given to the foundation for a specific purpose, the board may exercise its sole discretion on how that purpose is accomplished; provided, however, if the purchase of any services is involved, such purchases shall be executed in accordance with any applicable local or state laws, rules or regulations, including but not limited to, the City of Houston Procurement Code.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-30.1. Financial records and annual financial report.

(a) The financial books and records of the board shall be open to inspection and audit during regular business hours by authorized representatives of the city, or by independent certified public accountants employed by the city, or by board members themselves. Similarly, the financial books and records of any trust created for the benefit of or to cooperate with the foundation shall be open to inspection and audit.

(b) The foundation shall file, at least annually, audited financial statements with the mayor, city council, the city controller, and the director of the department of finance.

(c) All foundation financial and accounting procedures shall be approved by the director of the department of finance and comply with the city's policies, processes, and procedures for city nonprofit and local government corporations.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

ARTICLE II. KEEPING OF FOWL, RABBITS AND GUINEA PIGS

Sec. 6-31. Location restrictions for fowl.

(a) It is unlawful, except as provided in sections 6-33 and 6-34 of this Code, for any person to keep, possess or maintain in the city any chickens, turkeys, geese, ducks, pea-fowls, or any other bird or fowl, except parakeets, canaries, parrots, cockatoos, macaws or similar birds, or any pens, enclosures, or other structures in which any such fowl are kept or possessed within 100 feet of any actual residence or habitation of human beings, or within 100 feet of any church, school or hospital, other than the residence of the possessor or owner of the fowl, the distance to be measured in a straight line from the nearest point of any pen, enclosure, or other such structure in which the fowl are kept to the nearest point of the actual residence or place of human habitation, or church, school or hospital.

(b) Any enclosure or structure located outside of a residence that is used to contain fowl and satisfies the distance requirement set forth in

subsection (a) of this section shall be constructed in accordance with any applicable standards and requirements set forth in the Building Code.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-32. Location restrictions for rabbits and guinea pigs.

(a) It is unlawful, except as provided in section 6-33 of this Code, for any person to keep, possess or maintain in the city any rabbits or guinea pigs, or any pens, enclosures, hutches, cages or other structures in which any rabbits or guinea pigs are kept, possessed or maintained, within 100 feet of any actual residence or habitation of human beings, or within 100 feet of any church, school or hospital, other than the residence of the possessor or owner of the rabbits or guinea pigs, the distance to be measured in a straight line from the nearest point of any pen, enclosure, hutch, cage or other such structure in which such rabbits or guinea pigs are kept to the nearest point of the actual residence or place of human habitation, or church, school or hospital.

(b) It is an affirmative defense to prosecution under subsection (a) of this section that rabbits or guinea pigs are kept inside the residence of the owner at all times and that the conditions within the residence are not unsanitary to the extent that the conditions create a possible medium for the transmission of disease to the animals kept there or to human beings.

(c) Any enclosure or structure located outside of a residence that is used to contain rabbits or guinea pigs and satisfies the distance requirement set forth in subsection (a) of this section shall be constructed in accordance with any applicable standards and requirements set forth in the Building Code.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-33. Keeping for commercial purposes.

It is unlawful for the owner of any geese, ducks, turkeys, chickens or other domestic fowl or rabbits or guinea pigs, where the fowl or animals are kept for sale or commercial purposes, to allow the fowl or animals to roam in open pens on the ground; but the owner may keep the fowl or animals for sale or commercial purposes, provided he keeps the fowl or animals in batteries or coops arranged inside of buildings in a sanitary condition, and he shall remove all droppings from the buildings, batteries or coops at least once each day, and disinfect and deodorize the buildings, batteries or coops at least once each day.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-34. Keeping for public showing.

Notwithstanding anything in this article, it shall be lawful for any person to keep, possess and maintain chickens, turkeys, geese, ducks, pea-fowls, guineas, rabbits and guinea pigs for the purpose of a legitimate showing of the fowl and animals for purely public exhibition, provided the conditions set forth in this article are observed.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-35. Limitation on number to be kept.

Any person keeping, possessing, or maintaining chickens, turkeys, geese, ducks, pea-fowls, rabbits, or guinea pigs in the city at least 100 feet from any actual residence or habitation of human beings, church, school or hospital, other than the residence of the possessor or owner of such animals, shall keep no more than 30 chickens, turkeys, geese, ducks, pea-fowls, rabbits, or guinea pigs. Additionally, no more than 40 of any combination of chickens, turkeys, geese, ducks, pea-fowls, rabbits and guinea pigs shall be kept upon any lot or enclosure of the size of 65 by 125 feet or less. In the event that the fowl or animals are kept in a larger enclosure, the number so kept and maintained may be increased only in the ratio that the above figures of 30 and 40 bear to the increase in the square footage of the larger enclosure.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-36. Maintenance of premises where kept.

(a) Any person keeping pens, hutches, or houses or any enclosure in which fowl, rabbits or guinea pigs are kept must clean and disinfect the

premises daily, lime the premises every two days and must keep the premises in a clean and sanitary condition at all times.

(b) Litter and droppings from such fowl, rabbits and guinea pigs must be collected daily and stored in a flytight container and hauled away at intervals not to exceed seven calendar days. Rabbit and guinea pig hutches must have traps or floors to keep droppings or urine from such animals off the ground.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-37. Keeping guineas prohibited.

It is unlawful to keep or maintain any guinea fowl or guinea hens.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-38. Possession or sale of rooster prohibited.

(a) It is unlawful for any person to be in possession or engaged in the sale of roosters or male chickens.

(b) The director may seize any rooster possessed in violation of this section and impound the animal at the BARC animal shelter. The director, any animal enforcement officer or any police officer may enter any building or property to seize a rooster that is possessed in violation of this section upon consent of an adult occupant of the building or property or one having the right of possession thereof, or under a warrant issued by a municipal judge.

(c) The director shall impose a fee for the impoundment and daily boarding of a rooster and the amount of such fees shall be stated in the city fee schedule. All fees are payable by the owner of the rooster upon either redemption of the rooster from the BARC animal shelter or disposition of the rooster by BARC animal services.

(d) The owner of an impounded rooster may redeem the rooster within 24 hours upon payment of all impoundment and daily boarding fees and the provision of a sworn statement stating that the owner will immediately remove the rooster from the city and will keep the rooster at an identified place where its possession is not unlawful.

(e) An impounded rooster that is not claimed within 24 hours by its owner shall become the property of BARC animal services for disposition as BARC animal services deems appropriate.

(f) It shall be a defense to prosecution under subsection (a) of this section that the rooster is:

(1) Owned by a governmental entity or participating in a health, research, educational or similar program conducted by a governmental entity; or

(2) Owned by a medical, educational, or research institution operating in compliance with all applicable federal, state, and local laws.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-39. Coloring of baby fowl and rabbits.

(a) It is unlawful for any person to dye, stain or otherwise alter the natural color of any chicken, duckling, gosling or rabbit.

(b) It shall be a defense to prosecution under subsection (a) of this section that the animal was dyed or stained for commercial use or breeding purposes, for scientific, educational or governmental purposes or any other purpose not related to its being furnished or kept as a pet.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Secs. 6-40—6-50. Reserved.

ARTICLE III. KEEPING OF WILD ANIMALS

Sec. 6-51. Wild animal defined.

As used in this article, the term wild animal shall mean any mammal, amphibian, reptile or fowl of a species that is wild by nature and that, because of its size, vicious nature or other characteristics, is dangerous to human beings. Wild animals shall include, but not be limited to, lions, tigers, leopards, panthers, wild cat-domestic cat hybrids up to the third generation, bears, wolves, wolf-dog hybrids, cougars, coyotes, coyote-dog hybrids, raccoons, skunks (whether deodorized or not), apes, gorillas, monkeys of a species whose average adult weight is 20 pounds or more, foxes, elephants, rhinoceroses, alligators, crocodiles, caymans, fowl larger than a macaw, all forms of venomous reptiles and any snake that will grow to a length greater than eight feet. The term shall also include any animal listed as an 'endangered species' under the Federal Endangered Species Act of 1973, as amended, or any fowl protected by the Federal

Migratory Bird Treaty Act. The term wild animal shall not include gerbils, hamsters, guinea pigs, mice and domesticated rabbits.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-52. Possession prohibited.

(a) It is unlawful for any person to be in possession of a wild animal.

(b) It is unlawful for the owner or other person in possession or control of any property, residence or business premises to knowingly permit any other person to be in possession of a wild animal upon the property, residence or business premises.

(c) As used in this section, the term 'to be in possession' includes the harboring or keeping of any wild animal, whether on a temporary or permanent basis and includes, without limitation, holding or keeping the wild animal for the temporary and/or limited purpose of sale or transfer or offering of sale or transfer to another person.

(d) It is an affirmative defense to prosecution under this section that the wild animal is in possession in accordance with all applicable state and federal laws and that:

(1) The wild animal is being kept for treatment in an animal hospital operated by a veterinarian;

(2) The wild animal is being kept at an institution that is accredited by a nationally recognized zoological association;

(3) The wild animal is being kept at a shelter operated by a state or federally recognized humane agency for the purpose of its transfer to a refuge or sanctuary;

(4) The wild animal is being kept for medical research or teaching purposes at a medical school or licensed hospital or by a university or college offering an accredited degree program;

(5) The wild animal is in the possession of an airline, motor freight agency, rail freight agency or other carrier, and its possession in the city is incidental to transportation, provided that the wild animal is secured within a cage or other enclosure that is adequate to prevent its escape;

(6) The wild animal is being kept or transported temporarily for a production in accordance with a permit or registration under section 6-54 of this Code; or

(7) The wild animal is being transported for use in film making and other productions under section 6-58 of this Code.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-53. Penalty.

Violation of any provision of this article is a misdemeanor punishable by a fine of not less than $500.00, nor more than $2,000.00. Each wild animal possessed in violation of this article and each day on which it is possessed shall constitute and be punishable as a separate offense.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-54. Temporary permit; registration for productions.

(a) In this section, the term 'production' means any temporary exhibition or use of a wild animal for purposes of a television, movie or stage production, circus or carnival performance, traveling zoo or animal exposition or other similar use.

(b) A temporary and nonrenewable permit to possess a wild animal in the city for a period of not more than 30 calendar days may be obtained from the director for the purpose of a production. The applicant for a production permit shall demonstrate to the director that:

(1) The wild animal is required for the production;

(2) The wild animal will be in the direct charge of its trainer or another person who is familiar with the wild animal and has been trained in its handling and care;

(3) The applicant will, consistent with the size and characteristics of the wild animal, have additional handlers available as required to control the wild animal at any time that it is not confined;

(4) The owner of each place where the production will take place and the owner of each place where the wild animal will be kept, if different, has consented in writing to its presence;

(5) The applicant holds a policy of public liability insurance issued by a carrier authorized to write the policy under Texas law in an amount of not less than $100,000.00, per occurrence, providing coverage in case of injury or death of any person or damage to any property that results from negligence in the control or handling of the wild animal; and

(6) The wild animal will be kept in such manner as to prevent its escape and to prevent injury to persons not associated with the production.

(c) Applications for permits shall be made in writing to the director upon forms promulgated for that purpose and shall be submitted to the director at least 20 calendar days before the commencement of the production. Each application shall be accompanied by the nonrefundable fee in the amounts stated in the city fee schedule for five or fewer wild animals, for six to ten wild animals or for 11 or more wild animals.

(d) A permit issued under this section is valid only for the designated production and the keeping of a wild animal in the city for that limited purpose and shall only extend for the duration of the production.

(e) The director shall have the right to inspect a wild animal at any time while it is being kept under a permit issued under this section.

(f) If the director denies a permit application, he shall give the applicant notice of the reasons for denial and an opportunity for a hearing.

Following notice, the director may revoke a permit for any violation of this article or applicable state or federal laws. The permit holder shall be afforded an opportunity for a hearing before a permit is revoked. Pending the hearing, the director may suspend the permit if the actions of the permit holder appear to constitute a substantial hazard to public health or safety. Hearings and proceedings referenced in this subsection shall be conducted in the same manner as provided in division 4 of article IV of this chapter for denials, suspensions and revocations of breeder's permits.

(g) The provisions of this section shall not be construed to require a person to obtain a city permit if the person holds a current and valid exhibitors license under the Federal Animal Welfare Act (7 U.S.C. § 2131 et seq.) or a current and valid circus, carnival or zoo operators license issued under chapter 2152 of the Texas Occupations Code and is conducting the production under authority of the state or federal license, provided that the person registers his production with the director at least 20 calendar days prior to the commencement of the production and provides the following information:

(1) A description of each wild animal to be kept;

(2) A copy of the state or federal license or other evidence that the person holds a current and valid state or federal license to keep and use the wild animals for the production;

(3) Evidence that each person on whose property the production will be presented or the wild animals will be kept has consented to the presence of the wild animals on the person's property; and

(4) The name, local address and local telephone number of a person or persons who may be contacted for inspections conducted or notices given by the director or in case of any escape, attack or other incident involving the wild animal.

The director may conduct inspections of wild animals kept pursuant to registrations filed under this section and, in cooperation with responsible state and federal regulatory authorities, may take action as appropriate to ensure that wild animals are kept and exhibited in accordance with applicable state and federal requirements. Failure to complete the registration with the director prior to 20 calendar

days before the commencement of the exhibition will result in a late fee in the amount stated in the city fee schedule.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-55. Impoundment.

(a) The director shall seize any wild animal possessed in violation of this article and impound the animal at the BARC animal shelter or other suitable place. The director, any animal enforcement officer or any police officer may enter any building or property to seize a wild animal that is possessed in violation of this article upon consent of an adult occupant of the building or property or one having the right of possession of the building or property, or under a warrant issued by a municipal judge.

(b) The director shall impose a per animal fee for the impoundment of a wild animal, and a daily boarding fee, per animal. The amounts of the fees shall be predicated upon the cost of impoundment, care and feeding of the type of wild animal impounded and are stated in the city fee schedule.

(c) A wild animal that has been impounded for the first time may be redeemed within seven calendar days by its owner if:

(1) The owner demonstrates that he holds any state or federal license or permit required to keep the animal;

(2) The animal is not believed to be infected with rabies or any other infectious disease; and

(3) The owner provides a sworn affidavit setting forth that the wild animal will immediately be removed from the city and will be kept at an identified place where its possession is not unlawful.

The director may require that a wild animal that is released under this subsection be tattooed or otherwise made identifiable in the event that it is again impounded.

(d) Consistent with applicable state and federal laws and regulations, the director shall dispose of any wild animal that:

(1) Is not timely redeemed following its first impoundment; or

(2) Is impounded for a second time.

Disposal of a wild animal pursuant to this subsection shall occur by placing the wild animal in a public zoo or at a reserve, sanctuary or shelter operated by or under the auspices of a recognized humane organization. If a placement is not practicable and cannot be made within 30 calendar days following the date of impoundment, the wild animal may be humanely destroyed if destruction is not prohibited by state or federal law.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-56. Regulations promulgated by the director.

Consistent with the provisions of this Code and applicable state and federal laws, the director may adopt and implement regulations for the administration of this article and the keeping of wild animals. The director shall post a copy of the regulations on BARC animal services' website and maintain a copy of the regulations for inspection in the offices of the city secretary and the director. The director shall provide copies for purchase for fees provided by law.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-57. Vaccine; use of live vaccine prohibited; keeping of animals vaccinated by same prohibited; exception.

(a) No person shall vaccinate, or attempt to vaccinate, any wild animal against rabies except in strict compliance with any regulations promulgated and published by the Texas Department of State Health Services and in accordance with the current protocol published by the American Veterinary Medicine Association for the vaccination of wild animals.

(b) Notwithstanding subsection (a) of this section, no person shall vaccinate, or attempt to vaccinate, any wild animal against rabies by the use of live vaccine.

(c) Except as provided in subsection (d) of this section, no person shall possess, keep, permit, or allow any wild animal if such animal has been vaccinated against rabies with the use of live vaccine.

(d) This section shall not apply to the use of live rabies vaccine for research purposes when the research is conducted by a medical school, licensed hospital or nonprofit university providing a degree program.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-58. Transport of wild animals used for film making, productions, etc.

(a) It is an affirmative defense to prosecution under section 6-52 of this Code that the person cited was transporting the wild animal by vehicle upon the public streets and that the wild animal was secured within the vehicle being utilized for its transport in such a manner that it could not escape from the vehicle, it could not come into contact with any person who was not also within or upon the vehicle, and it could not come into contact with the driver of the vehicle while the vehicle was in motion.

(b) It is also an affirmative defense to prosecution under section 6-52 of this Code that, at the time of the alleged offense:

(1) The person cited was actually utilizing the wild animal at a production site for the purposes of the production of a motion picture being made for viewing by the general public, or a film or tape designed for use in a television show or television advertisement and in which the use of the wild animal was specified by the script; and

(2) The person cited had the written permission of the person having the right of possession and control of the production site to use the wild animal on the site in the production; and

(3) The wild animal was in the immediate and direct charge of a person who had been trained in its care and handling and who was responsible to ensure that the animal could not come in contact with persons who had not affirmatively consented to be involved in the production, and who was responsible for the prevention of its escape or any injuries or damage that the animal might cause to persons or property at all times during its utilization at the production site, and who had under his control and supervision at all times the wild animal was present no fewer than four additional persons over 18 years of age who could assist if needed in controlling the animal; and

(4) The person cited had given the director five calendar days' prior written notice of his intent to utilize the wild animal, specifying the type of wild animal and production activity, the location of the production site, the address of the place where the wild animal would be kept when not in use at the production site, dates and times that the wild animal would be present at the site, and the name and a local address and telephone number at which the handler of the wild animal could be contacted during the production activity. The notice shall be either mailed, certified mail, return receipt requested, or hand-delivered to the Director, c/o AnimalEnforcement Manager, BARC Animal Services, 2700 Evella, Houston, Texas 77026.

(c) The provisions of section 6-52 of this Code shall be applicable to the wild animal when it is kept within the city while not being used in the production.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Secs. 6-59—6-75. Reserved.

ARTICLE IV. DOGS AND CATS

DIVISION 1. GENERALLY

Sec. 6-76. Number to be kept.

It is unlawful for any person to own, keep, possess or have control over four or more adult dogs, four or more adult cats, or any combination thereof exceeding three adult dogs and three adult cats on residential property within 100 feet of any other building used for human habitation. The distance shall be measured in a straight line from the nearest point of the structure or fenced enclosure where the animal is contained to the nearest point of the other building used for human habitation.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Secs. 6-77—6-84. Reserved.

DIVISION 2. MICROCHIPPING AND VACCINATION

Sec. 6-85. Microchip required.

No person shall own, possess or have control over any dog or cat that is four months of age or older unless the dog or cat has been implanted with a microchip.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-86. Registration required.

(a) The owner or custodian of any dog or cat must register the animal by providing to BARC animal services the identification number of the implanted chip and a physical description of the animal before the animal attains four months of age, for an amount set in the city fee schedule. It is the duty of the owner or custodian of the animal to ensure that the animal's implanted microchip identification number is registered with the manufacturer of the microchip in addition to being registered with BARC animal services. If there is a change in contact information for the owner or custodian of the microchipped animal, the owner or custodian shall update the contact information with BARC animal services and the microchip manufacturer within 30 days after the date of the change in contact information. If there is a change in ownership of a microchipped animal, the initial owner or custodian shall be responsible for notifying BARC animal services and the microchip manufacturer of the change within 30 days after the date of change in ownership. The new owner or custodian shall be responsible for providing BARC animal services with the new owner's or custodian's name, address and telephone number within 30 days after the change in ownership.

(b) It is a defense to prosecution under this section that:

(1) The animal owner is a nonresident of this city and is keeping the subject animal in the city for fewer than 30 days;

(2) The animal owner has been a resident of this city for fewer than 30 days; or

(3) The animal had been abandoned or lost and the temporary owner has had the dog or cat for fewer than 30 days.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-87. Fees.

(a) The following terms shall be applicable for microchip registrations for dogs and cats:

(1) If the cat or dog has been sterilized, the owner shall obtain a sterilized pet registration for each animal for an initial registration fee and the regular payment of a renewal fee.

(2) If a dog or cat has not been sterilized, the owner shall obtain an unsterilized pet registration for the animal for an initial registration fee and the regular payment of a renewal fee.

(3) Senior citizens 60 years of age or older shall obtain a sterilized pet registration for each sterilized dog or cat for an initial registration fee and the regular payment of a renewal fee.

(4) A person who uses a service animal, as defined by federal or state law, that has been sterilized may, upon application,

obtain a sterilized pet registration without paying any fee therefor except a registration renewal fee.

(b) The amounts of the fees described in this section are stated in the city fee schedule.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-88. Special clinics; fees.

(a) From time to time, the department may conduct special clinics for the vaccination, microchip implantation and registration of dogs and cats in cooperation with any group or association of veterinarians at the times and places designated by the director. Prior to each special clinic, the director shall provide a notice to the city secretary to be posted in a conspicuous place in City Hall.

(b) The following provisions shall be applicable to any special clinic held pursuant to this section:

(1) The veterinarians shall agree to reduce their charges below the usual and customary fees for vaccinating a dog or cat at the clinic; and

(2) The city's registration fee for each dog or cat vaccinated and registered at the clinic shall be the applicable fee set out in the city fee schedule, provided, however, that the director may establish a lesser fee amount in connection with periodic special programs designed to promote the adoption of dogs or cats.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-89. Duration; transfer.

(a) Each sterilized pet registration and unsterilized pet registration shall expire upon the first occurrence of any of the following events:

(1) The expiration of the current rabies vaccination that was evidenced in the documentation furnished to obtain the registration;

(2) The death of the animal;

(3) The 30th calendar day following any change of ownership of the animal, unless the registration has been amended by that date;

(4) The 30th calendar day following any change of the address of the animal's owner unless the registration has been amended by that date;

(5) The anniversary of the issuance of the dog or cat's registration if the rabies vaccination is documented by a licensed veterinarian to be medically inadvisable for the dog or cat; or

(6) In order to partially defray the city's additional costs associated with late issuance and renewal of licenses, a late processing fee shall be added to the cost of the dog or cat license fees if the applicant fails to obtain both a current rabies vaccination and a renewed registration upon the expiration of the current vaccination and registration.

(b) In the event of a change of ownership of the registered animal or in the event of a change of address of the registered animal's owner, the owner must submit an application for amendment to reflect the change of owner or address within 30 calendar days following the date of the change. The director may promulgate forms and administrative rules as required for the orderly administration of registration amendments and applications. The director shall post a copy of the administrative rules on BARC animal services' website and maintain a copy for public inspection in the offices of the director and the city secretary. No fee shall be imposed for an amendment.

(c) An expired registration is of no force and effect. A new registration must be obtained on or before expiration if the animal remains subject to registration by the city hereunder.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-90. Rabies vaccination required prior to issuance; certification of sterilization.

(a) Subject to the affirmative defenses provided in section 6-94 of this Code, the director shall not issue any animal registration unless there is

exhibited to him a certificate by a veterinarian showing that the animal to be registered has been inoculated with a rabies vaccine approved by the U.S. Department of Agriculture's Veterinary Biologics Division in accordance with the recommendations of the manufacturer, and that the vaccination will not expire prior to the issuance of the registration.

(b) The director shall not issue any animal registration for an animal as being a spayed or neutered animal unless there is also exhibited to him:

(1) A certificate by a veterinarian indicating that the animal has been spayed or neutered; or

(2) Other clear and convincing evidence that the animal has, in fact, been spayed or neutered.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-91. Records.

The department shall maintain a record of all registrations issued under this article, which shall show the name and address of each person issued a registration, a description of the dog or cat for which the registration is issued, the date of issuance, the fee paid, the place of issuance, the type of rabies vaccine administered and the date of inoculation, if applicable.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Secs. 6-92, 6-93. Reserved.

Sec. 6-94. When rabies vaccination required; evidence.

(a) No person shall own, possess or have control over any dog or cat that is four months of age or older unless the dog or cat has a current rabies vaccination.

(b) In any prosecution under this section, the burden shall be upon the defendant to prove that the animal is not required to be vaccinated because:

(1) The animal is less than four months of age;

(2) The animal was in fact vaccinated and such vaccination is not expired; or

(3) The vaccination against rabies is medically inadvisable for the animal.

A certificate duly signed by a veterinarian attesting either that he administered the vaccination required by this section, bearing the date and type of vaccine or that the vaccination against rabies is medically inadvisable shall be accepted as valid proof, provided that the certificate contains the identification of the dog or cat by breed, color, and sex, the vaccination tag number, if applicable, and the name and address of the owner.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-95. Duty of veterinarian.

(a) For purposes of this section, the following terms shall have the following meanings:

Information bulletin shall mean the informational bulletin that is described in subsection (b) of this section.

Registration application form shall mean the form prescribed by the city for a dog or cat registration application.

Vaccination tag shall mean any tag, disk or other item designed or intended to be attached to a dog or cat as evidence that the animal has received a vaccination for rabies. For purposes of this section, a veterinarian shall be deemed to vaccinate an animal whether he personally administers vaccine to the animal or causes or allows the vaccine to be administered under his supervision or his control.

(b) The director shall print information bulletins and microchip registration application forms. The information bulletins shall contain any information concerning the ordinances regulating dogs and cats that the director finds will aid in enforcement of the city's requirements for registering animals. The director shall make copies, without charge, of the information bulletin and the registration application form available for distribution to veterinarians and their employees in quantities sufficient to meet their needs. Copies of the information bulletin and

registration application form shall also be available at the BARC animal shelter during regular business hours.

(c) Each time a veterinarian vaccinates a dog or cat for rabies, the veterinarian is encouraged to furnish a copy of the information bulletin to the person presenting the animal for vaccination.

(d) It shall be the duty of each veterinarian who vaccinates any dog or cat for rabies to furnish to the director, on or before the 30th calendar day following the administration of the vaccination, a copy of the veterinarian's rabies vaccination information for the animal, setting forth:

(1) A description of the dog or cat, including its breed, age, color and sex;

(2) Whether the animal has been neutered (if known or determinable by the veterinarian);

(3) The rabies vaccine manufacturer name and serial number;

(4) The vaccination date and expiration (one or three years);

(5) The serial number of the vaccination tag furnished; and

(6) The name and the current address of the person owning or keeping the animal. Any information required to be provided above may be furnished to the office of the director by personal delivery, electronic transmission or by United States Mail properly addressed to the director. Mailed notices shall be deemed received upon their deposit with the United States Postal Service as evidenced by the postmark date, if legible, provided that they are in fact received by BARC animal services.

(e) Each veterinarian, or his agent or employee, shall inform each person to whom he furnishes a vaccination tag that the vaccination tag does not constitute a city registration. The veterinarian shall provide this information in writing and in a manner that the information is clearly conspicuous to the reader of the writing.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-96. Unsterilized pet registration revocation; mandatory sterilization.

Any owner of an animal with an unsterilized pet registration whose animal is impounded for running at large in violation of this chapter two or more times shall have the unsterilized pet registration immediately revoked and shall be required to have the animal sterilized prior to redemption of the animal from the BARC animal shelter. Upon redemption of the animal from the BARC animal shelter:

(1) The owner shall purchase a sterilized pet registration for the animal;

(2) The owner shall pay the fee for the performance of sterilization at the BARC animal shelter; and

(3) The owner shall pay any other applicable fees as set forth in section 6-137 of this Code.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Secs. 6-97—6-100. Reserved.

DIVISION 3. IMPOUNDMENT OF DOGS RUNNING AT LARGE

Sec. 6-101. Running at large prohibited.

(a) It is unlawful for any person owning or having in his possession any dog to allow the dog to be at large without the owner or person in charge having direct physical control over the dog. An owner or person having in his possession a dog may allow the dog to be at large on property that does not provide the animal with access to a sidewalk, street, or common areas of apartment buildings, condominiums, retirement facilities, nursing homes, and other multiple-unit residential facilities.

(b) It is a defense to prosecution under subsection (a) of this section that the dog was in an off-leash site established under section 32-11 of this Code.

(c) It is unlawful for any person owning or having in his possession a dangerous dog, as defined in section 6-151 of this Code, to allow

that dog to be at large. A person who violates this subsection shall, upon conviction, be assessed a fine of not less than $500.00 nor more than $2,000.00. Each day that any violation of this subsection continues shall constitute and be punishable as a separate offense.

(d) It is unlawful for any person owning or having in his possession an aggressive dog, as defined in section 6-151 of this Code, to allow that dog to be at large. A person who violates this subsection shall, upon conviction, be assessed a fine of not less than $250.00 nor more than $1,000.00. Each day that any violation of this subsection continues shall constitute and be punishable as a separate offense.

(e) It is unlawful for any person owning or having in his possession a public nuisance dog, as defined in section 6-151 of this Code, to allow that dog to be at large. A person who violates this subsection shall, upon conviction, be assessed a fine of not less than $200.00 nor more than $1,000.00. Each day that any violation of this subsection continues shall constitute and be punishable as a separate offense.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-102. Impoundment generally.

(a) It shall be the duty of the animal enforcement officers to take up and take charge of all dogs found to be running at large in contravention of section 6-101 of this Code, and to take the dogs to the BARC animal shelter or any other suitable place to be impounded and detained for a period as provided in subsection (b) or (c) of this section.

(b) If a dog that has been delivered to the BARC animal shelter has a microchip or is wearing a city license tag not more than one year past the expiration date, a current local veterinarian's vaccination tag, or an identification tag, the director shall notify the owner of the dog by telephone, mail, email, or hand delivery that the dog has been received at the BARC animal shelter. The mailing or hand delivery of notice shall be deemed sufficient notice under this section if it is mailed or hand delivered to the owner at the address shown in the city's records for the license if the dog is wearing a city license tag, to the address shown in the local veterinarian's records if the animal is wearing a local veterinarian's tag, or to the address provided on the identification tag or obtained from the microchip.

Dogs wearing a current local veterinarian's tag or an identification tag, or implanted with a microchip, shall be held in designated pens for the owner for six calendar days from the date the owner was notified by telephone, mail, email, or hand delivery. If the notice is delivered by mail, the six calendar days will begin on the date that the notice is delivered to the owner. A notice delivered by mail shall be deemed to be received on the earlier of the date it is actually received, or the third day following the date upon which the notice was deposited, properly addressed and with proper postage attached, in custody of the U.S. Postal Service. On the seventh calendar day following notice, title and sole ownership of the dog transfers to BARC animal services, the dog becomes the sole property of BARC animal services, and becomes subject to disposition as BARC animal services deems appropriate.

(c) Except as provided in section 6-138(6) of this Code, any dog without an identification tag, a microchip, or a current local veterinarian's vaccination tag, or any dog with a city license tag more than one year past the expiration date shall be held at a BARC animal shelter facility for a period of 48 hours, after which title and sole ownership of the dog transfers to BARC animal services, the dog becomes the sole property of BARC animal services, and becomes subject to disposition as the director deems appropriate.

(d) The director is authorized to negotiate with other local government agencies for the handling of animals under the provisions of this Code. Any contract that is the subject of negotiations must be approved and its execution authorized by city council as in other contracts entered into by the city.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Secs. 6-103—6-110. Reserved.

DIVISION 4. BREEDING AND SELLING

Sec. 6-111. Permit required.

It is unlawful for any person to operate as any of the following types of breeders without a valid breeder's permit:

(1) Commercial breeder;

(2) Hobby/conformation breeder; or

(3) Non-commercial breeder.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-112. Application for breeder's permit.

(a) A person who wishes to operate as a commercial breeder shall apply to the director for a commercial breeder's permit. An application for a commercial breeder's permit shall include:

(1) The name, address, and telephone number of the applicant;

(2) The name, address, and telephone number of the location where the breeding will be conducted;

(3) A description of the types of animals to be bred; and

(4) Any other information deemed necessary by the director.

(b) A person who wishes to operate as a hobby/conformation breeder shall apply to the director for a hobby/conformation breeder's permit. An application for a hobby/conformation breeder's permit shall include the information contained in subsection (a) of this section. Additionally, the applicant shall submit the following documentation must be submitted with the permit application:

(1) Ownership papers or a current pet registration issued pursuant to this chapter;

(2) Membership card or receipt for current dues being paid to an organized national, regional, or local club established for the purpose of improving a breed, showing in a competitive venue, use in a sporting activity or work purposes, or other personal reasons; and

(3) One of the following items:

a. Breed standard, if breeding is for the purposes of conforming or strengthening the lineage of a particular breed; or

b. A completed entry form for a competitive, sporting, or working event.

(c) A person who wishes to operate as a non-commercial breeder shall apply to the director for a non-commercial breeder's permit. An application for a non-commercial breeder's permit shall include the information contained in subsection (a) of this section.

(d) The director shall issue the commercial, hobby/conformation or non-commercial breeder's permit if the applicant meets the qualifications to obtain the permit. The director shall deny a commercial, hobby/conformation, or non-commercial breeder's permit if the applicant fails to:

(1) Complete the application for a commercial, hobby/conformation or non-commercial breeders permit;

(2) Properly restrain the dogs and cats in his care and custody;

(3) Adequately care for and protect the dogs and cats in his care and custody;

(4) Meet all requirements specified on the commercial, hobby/conformation or non-commercial breeder's permit; or

(5) Pay all required fees pertaining to the commercial, hobby/conformation or non-commercial breeder's permit.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-113. Grounds for revocation.

The director shall revoke a commercial, hobby/conformation, or non-commercial breeder's permit if the permit holder fails to comply with the provisions set forth in subsection (d) of section 6-112 of this Code.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-114. Fees.

The annual fee for a commercial, hobby/conformation and non-commercial breeder's permit is stated in the city fee schedule. A permit shall expire one year from the date of issuance and must be renewed prior to its expiration. Failure to timely renew a permit will result in the assessment of the late fee stated in the city fee schedule against the permit holder.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-115. Notice of denial or revocation.

If the director denies an application or a request for renewal, or revokes an existing permit, he shall provide notice of the denial or revocation to the applicant or permit holder in writing not later than the tenth business day after his determination to deny an application or renewal or to revoke a permit. The notice of denial or revocation shall be sent to the permit holder or applicant by certified mail, return receipt requested, addressed to the permit holder or applicant.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-116. Appeal.

A person may appeal the denial or revocation of a permit by delivering a written request for an appeal to the director not more than ten calendar days after the first date of mailing written notice of denial or revocation.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-117. Hearing.

(a) The director shall cause written notice to be given to the applicant or permit holder that a hearing on his appeal will be conducted. The notice shall include the following:

(1) The place where the hearing will be conducted; and

(2) The date and time of the hearing, which shall be not later than the tenth business day after the date the notice was sent to the applicant or permit holder; provided that the hearing officer may continue the hearing upon the written request of the applicant or permit holder.

(b) All hearings shall be held by a hearing officer, who may, prior to the hearing, receive a copy of the notice given to the applicant or permit holder.

(c) An assistant city attorney may be present at the hearing to advise the hearing officer as to procedural matters; however, the attorney shall not participate in any determination of the facts.

(d) All hearings shall be conducted under rules consistent with the informal nature of the proceedings; provided, however, the following rules shall apply to all hearings:

(1) All parties shall have the right to representation by a licensed attorney, though an attorney is not required;

(2) Each party may present witnesses in his own behalf;

(3) Each party has the right to cross examine all witnesses; and

(4) Only evidence presented before the hearing officer at the hearing shall be considered in rendering the decision.

(e) The hearing officer may affirm or reverse a permit denial or a permit revocation. The decision of the hearing officer shall be final and shall be delivered in writing to the applicant or permit holder in the same manner as a notice under section 6-115 of this Code.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-118. Pet and live animal sales

(a) It is unlawful for any person to sell, trade, barter, lease, rent, give away, or display for a commercial purpose a live animal on a roadside, public right-of-way, commercial parking lot, or at an outdoor special sale, swap meet, indoor or outdoor flea market, parking lot sale, or similar event.

(b) This section does not apply to:

(1) An agent of a business that has a valid permit for a commercial pet service facility under section 6-121 of this Code;

(2) An event primarily for the sale of agricultural livestock such as hoofed

animals or animals or fowl commonly raised for food, dairy, or fiber products; or

(3) A tax-exempt non-profit organization founded for the purpose of providing humane sanctuary or shelter for abandoned or unwanted animals.

(c) Notwithstanding anything to the contrary in this section, it is unlawful for anyone to sell or offer for sale in commercial or retail pet store, feed store, or other related retail establishment, any canine or feline of any age that is not sourced from a municipal or county animal shelter, or a humane organization as defined in section 6-1 of this Code.

(1) Commercial or retail establishments selling canines or felines shall keep a record of the animal shelter or humane organization that any canine or feline sold was sourced from. Such records must be kept for a minimum of one year from the date of the sale, and be available for inspection by BARC animal enforcement upon request.

(2) It shall be an affirmative defense to this section, during the period from January 19, 2022 until January 19, 2023, that such an establishment was fully permitted under this division and in operation prior to January 19, 2022. Thereafter, commencing on January 20, 2023, this affirmative defense shall no longer apply. Anytime such an establishment allows for its permit to lapse or it is no longer compliant with section 6-111 of this Code, it must then comply with section 6-118(c) of this Code.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-119. Penalty.

A violation of this division shall constitute a Class C misdemeanor.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-120. Reserved.

DIVISION 5. COMMERCIAL PET SERVICE FACILITIES

Sec. 6-121. Commercial pet service facility license—Required; fee; exceptions.

(a) Any person in the city conducting, managing or maintaining a commercial pet service facility shall obtain a license to do so from the department and pay an annual license fee, regardless of the number of animals kept. The annual license fee is stated in the city fee schedule.

(b) The license fee shall be for the calendar year or any part thereof during which the commercial pet service facility is maintained, and shall be due and payable in advance on or before January first of each year.

(c) The fee imposed under subsection (a) of this section shall not be applicable to a commercial pet service facility that is operated by a humane organization as a shelter facility. The foregoing fee exemption shall not be construed to exempt the humane organization from maintaining a valid license for any commercial pet service facility which it may operate or from compliance with any applicable ordinance governing the operation or location of a commercial pet service facility.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-122. Application.

(a) Any person desiring to obtain a license shall make application on forms provided by the director and shall include information requested by the director for implementation of this division, including the following information:

(1) The full name of the applicant, the street address where the business is to be located, and the residence address of each owner, manager and operator of the business;

(2) Whether any owner or operator is an individual, partnership, corporation, or other legal entity; provided, however, that the type of business organization shall include only those organizations recognized by the Texas Business

Organizations Code ("BOC") and authorized to engage in the type of business covered by this article, and if the organization is a foreign entity required to register under Chapter 9 of the BOC, full and complete copies of the organization's current registration;

(3) If any owner or operator is a corporation, the names and addresses of all officers of the corporation; and if there are fewer than five shareholders, the names of all shareholders;

(4) If any owner or operator is a partnership, the type of partnership and names and addresses of all general partners, and for limited partnerships, the names and addresses of all members;

(5) If any owner or operator is an unincorporated association, the names and addresses of all officers of the association;

(6) If any applicant does business under an assumed name as that term is defined in Texas Business and Commerce Code § 71.002, all assumed names used;

(7) A declaration that the operation of a commercial pet service facility at the street address where the business is to be located will not violate any applicable deed restrictions enforceable by the city pursuant to article XV of chapter 10 of this Code;

(8) A description of the types of services to be provided at the facility;

(9) A declaration that the minimum standards regarding maintenance, sanitation and prevention of nuisances as set forth in the rules and regulations established by the director pursuant to section 6-123 of this Code have been met;

(10) A declaration that the director may enter and inspect the facility at any reasonable time to ensure compliance with this division; and

(11) Any other information reasonably required by the director to ensure compliance with the requirements of this division.

(b) Upon submission of a complete application and payment of the license fee, an applicant shall be entitled to receive a license. All licenses issued pursuant to this division are made expressly subject to applicable deed restrictions enforceable by the city pursuant to article XV of chapter 10 of this Code and no license shall be construed as authorizing any violation thereof.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-123. Minimum standards for operations.

The director shall establish rules and regulations for the minimum standards regarding maintenance, sanitation, and prevention of nuisances for the various types of commercial pet service facilities to be issued a license under this division. He shall base the rules and regulations on the standards set forth in 9 C.F.R. part 3, subpart A (Specification for the Humane Handling, Care, Treatment, and Transportation of Dogs and Cats), and any amendment or successor thereto. The director shall maintain a copy of the rules and regulations for public inspection in his offices and on the BARC animal services website. Each licensee shall maintain a commercial pet service facility in accordance with the applicable minimum standards set forth in such rules and regulations.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-124. Issuance and display of certificate; notification of changes.

(a) The director shall issue a certificate to the person paying for a commercial pet service facility license, which certificate shall contain the information specified in section 6-125 of this Code. The licensees shall display the certificate at all times in a prominent place in the commercial pet service facility.

(b) A licensee shall notify the director by personal delivery or certified mail of any change in the name, address, management, or substantial control or ownership of ten percent or more of

[The next page is 449]

the outstanding shares of stock as shown on the license application of his business or operation within ten calendar days of any such change.

(c) A license issued under this division shall be personal to the applicant and shall not be transferrable or otherwise assigned.

(d) A license issued under this division shall only be valid for the address of the facility provided in the application.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-125. Records to be kept.

The director shall keep a permanent record of all commercial pet service facility licenses issued under the terms of this chapter, which record shall show the following information:

(1) The name and address of all persons being issued a commercial pet service facility license;

(2) The name and address of the commercial pet service facility;

(3) The number of the commercial pet service facility license,

(4) The date the license was issued; and

(5) The amount paid for the license.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-126. Suspension, revocation.

(a) *Grounds for suspension.* The director may suspend any commercial pet service facility license if any of the following conditions occur:

(1) Animals at the commercial pet service facility are being deprived of necessary food, water, care or shelter;

(2) Animals at the commercial pet service facility are being cruelly confined or are otherwise being cruelly treated;

(3) Unsanitary conditions exist at the commercial pet service facility to such an extent that those conditions create a possible medium for the transmission of disease to the animals kept there or to human beings; or

(4) The licensee or any agent or employee of the licensee responsible for the oversight or operation of the commercial pet service facility receives three or more convictions for violations of section 30-3 of this Code in relation to the operation of the commercial pet service facility in a 12-month period.

(b) *Written notice of suspension.* Prior to suspension, written notice shall be given to the licensee, the person in charge of the commercial pet service facility, or any employee or agent of the licensee. The notice shall set forth:

(1) The specific conditions existing at the commercial pet service facility that are grounds for suspension of the license pursuant to subsection (a) of this section;

(2) That a hearing will be held by a hearing officer;

(3) The date, time and place of the hearing; and

(4) That the licensee may appear in person and/or be represented by counsel and may present testimony and cross-examine all witnesses.

The hearing shall be held not later than seven business days after the date the licensee received notice of the suspension.

(c) *Conduct of hearing.* All hearings shall be held by a hearing officer and shall be conducted under rules consistent with the nature of the proceedings; provided, however, the following rules shall apply to each hearing:

(1) All parties shall have the right to representation by a licensed attorney though an attorney is not required;

(2) Each party may present witnesses in his own behalf;

(3) Each party has the right to cross-examine all witnesses; and

(4) Only evidence presented before the hearing officer at the hearing may be considered in rendering the order.

If the licensee fails to appear at the hearing at the time, place and date specified, the city shall

present sufficient evidence to establish a prima facie case showing that conditions exist at the commercial pet service facility that are grounds for suspension of the license pursuant to subsection (a) of this section.

(d) *Findings of hearing officer.* After completion of the hearing, the hearing officer shall make written findings as to whether grounds exist for suspension of the license. If the hearing officer finds that no grounds exist for suspension of the license, the hearing officer shall deny the request for suspension. If the hearing officer finds that grounds do exist for suspension of the license, he shall order the suspension of the license; provided, however, if the hearing officer finds that the needs of the animals and the public interest will be adequately protected by a warning, he may issue a warning and deny the request for suspension. A denial of a request for suspension of a license shall not preclude the director from seeking a revocation of the license as set forth below.

A copy of the written findings and order of the hearing officer shall be served on the licensee. If the address of the licensee is unknown or the notice has been sent certified mail, return receipt requested and has been returned undelivered, such notice shall be served on the person in charge of the commercial pet service facility or on any employee or agent of the licensee.

(e) *Removal of animals upon suspension of license.* If the license is suspended, no one shall accept or place any animal in the commercial pet service facility and all animals at the commercial pet service facility on the date the license is suspended shall be removed by the licensee as soon as possible, but in no case no later than ten calendar days after receipt by the licensee, his agent or his employee of the order of suspension from the hearing officer unless the license has been reinstated prior to that time.

(f) *Correction of conditions; inspection; reinstatement of license.* Whenever the reason for a suspension no longer exists, the licensee or person in charge of the commercial pet service facility shall notify BARC animal enforcement that the conditions under which the license was suspended have been corrected and that an inspection is requested; provided, however, if the license was suspended under subsection (a)(4) of this section, the licensee or person in charge of the commercial pet service facility shall notify BARC animal enforcement that the conditions under which the convictions were received have been corrected and an inspection is requested. The director shall conduct the inspection as soon as possible after receiving the request and in no event later than three business days after the receipt of the request for an inspection. If the inspection shows that the conditions have been corrected, the director shall reinstate the license unless the director has given notice that he is seeking revocation of the license.

(g) *Conditions for revocation.* The director may revoke a license to operate a commercial pet service facility if any of the following conditions occur:

(1) Animals at the commercial pet service facility are being deprived of necessary food, water, care or shelter;

(2) Animals at the commercial pet service facility are being cruelly treated;

(3) Unsanitary conditions exist at the commercial pet service facility to such an extent that those conditions create a possible medium for the transmission of the disease to the animals kept at the commercial pet service facility or to human beings;

(4) Conditions stated in subsection (g)(2) and/or (g)(3) of this section have existed on two or more occasions at the commercial pet service facility after the officials of BARC animal enforcement have warned the commercial pet service facility of the conditions;

(5) The commercial pet service facility license has been suspended two or more times;

(6) The licensee is shown to have committed any offense involving cruelty to animals; or

(7) The licensee has knowingly employed any person at the commercial pet service facility or allowed any person to work at

the commercial pet service facility who has been convicted of any offense involving cruelty to animals.

(h) *Written notice of grounds for revocation.* Prior to revocation, the director shall give written notice to the licensee or person in charge. The notice shall set forth:

(1) The specific conditions existing at the commercial pet service facility which are grounds for revocation of the license pursuant to subsection (g) of this section;

(2) That a hearing will be held by a hearing officer;

(3) The date, time and place of the hearing; and

(4) That the licensee may appear in person and/or be represented by counsel, may present testimony and may cross-examine all witnesses.

Each hearing shall be held in accordance with subsection (c) of this section not later than seven business days after the date the notice of revocation is received by the licensee. If the licensee fails to appear at the hearing at the time, place and date specified, the city shall present sufficient evidence to establish a prima facie case showing that grounds in fact do exist for the revocation of the license.

(i) *Findings of hearing officer.* After completion of the hearing, the hearing officer shall make written findings as to whether grounds exist for revocation of the license. If the hearing officer finds that no grounds exist for revocation of the license, the hearing officer shall deny the request for revocation. If the hearing officer finds that grounds do exist for revocation of the license, he shall order the revocation of the license; provided, however, if the city sought revocation for reasons under subsection (g)(1), (2) or (3) of this section and no grounds exist for revocation under (g)(4), (5), (6) or (7) of this section, the hearing officer may deny the request for revocation and either order the suspension of the license or issue a warning if he finds that the needs of the animals and the public interest will be adequately protected by a warning. The licensee of any license that is suspended under this subsection must comply with subsection (e) of this section regarding the removal of animals from the property. The license may be reinstated in accordance with subsection (f) of this section.

A copy of the written findings and order of the hearing officer shall be served on the licensee. If the address of the licensee is unknown or if the findings and order have been sent certified mail, returned receipt requested, and returned undelivered, the findings and order shall be served on the person in charge of the commercial pet service facility or on an agent or employee of the licensee.

(j) *Removal of animals upon revocation of license.* If the license is revoked, no one shall accept or place any animal in the commercial pet service facility and all animals at the commercial pet service facility on the date the license is revoked shall be removed by the licensee as soon as possible, but in no case no later than ten calendar days after receipt by the licensee, his agent or his employee of the order of revocation from the hearing officer.

(k) *Service of notices.* Any notice provided for in this section may be served by personal delivery or by certified mail, return receipt requested.

(l) *Nonrefundability of license fee; reinstatement of license.* In the event a license is revoked, the city shall not be liable to the licensee for any refund of any part of the license fee. Reinstatement of a license that has been revoked shall require application and payment of a license fee as if it were an initial application; provided, however, no license shall be issued to the same licensee if the licensee has been convicted of any offense involving cruelty to animals; no license shall be issued to the same licensee within one year of the date a license has been revoked; and no license shall be issued for the same location unless it is shown that adequate precautions have been taken so that the conditions under which the license was revoked shall not reoccur. If there is a dispute between the inspector and a person applying for a license for a place for which a license was revoked as to whether adequate precautions have been taken so that the conditions under which the license was revoked will not reoccur, the applicant may

request a hearing before a hearing officer. The hearing shall be conducted under the same procedures as a hearing for a revocation of a license; however, the burden shall be on the applicant to show that adequate precautions have been taken so that the conditions under which the license was revoked will not reoccur.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Secs. 6-127—6-130. Reserved.

DIVISION 6. ANIMAL SHELTER ADVISORY COMMITTEE

Sec. 6-131. Committee created.

(a) There is hereby created the animal shelter advisory committee ("the committee").

(b) The committee shall perform the state law advisory committee functions contemplated in § 823.005 of the Health and Safety Code by rendering advice and assistance to the director regarding the city's compliance with the requirements of chapter 823 of the Health and Safety Code.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-132. Members; terms; offices.

(a) The committee shall consist of six members, which membership positions shall be designated as positions one through six. The members in positions one through four shall be appointed by the city council in accordance with rule 19 of the city council's rules of procedure as codified in section 2-2 of this Code. The members in positions five and six shall be appointed by the mayor and confirmed by the city council. The following membership criteria shall apply:

(1) Position one shall be filled by a veterinarian.

(2) Position two shall be filled by a municipal or county official.

(3) Position three shall be filled by a person whose duties include the daily operation of an "animal shelter" as that term is defined in § 823.001 of the Health and Safety Code.

(4) Position four shall be filled by a person who is an officer or employee of an animal welfare organization.

(5) Positions five and six shall be filled by residents of the city.

(b) The members of the committee shall serve for two-year terms commencing on the first day of each even-numbered calendar year and ending on the last day of each odd-numbered calendar year, or until such time as their successors are appointed and qualified, whichever event shall occur later.

(c) At the first meeting of each calendar year, the members of the committee shall select a chairperson. The member serving in position two of the committee shall be the ex officio, non-voting secretary of the committee.

(d) Positions 1 through 4 need not be occupied by residents of the city, provided they reside in the Houston-Sugar Land-Baytown metropolitan statistical area, as defined by the Office of Management and Budget within the Executive Office of the President of the United States.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-133. Meetings; corporation; quorum.

The committee shall meet from time to time at the call of the chairperson, provided that the committee shall meet not less than three times per calendar year. A majority of the members of the committee shall constitute a quorum for the conduct of business. The director shall arrange for a city conference room to be provided for the conduct of meetings. Members shall not be compensated for service, provided that any member who is a city employee shall continue to receive his regular compensation while serving on the committee. All meetings of the committee shall be conducted in accordance with the Texas Open Meetings Act.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Secs. 6-134, 6-135. Reserved.

ARTICLE V. DISPOSITION OF IMPOUNDED ANIMALS

Sec. 6-136. Scope.

This article shall apply to the disposition of impounded animals, and the word 'animals' as used in this article shall mean all animals other than those subject to the provisions of chapter 142 of the Texas Agriculture Code (estrays) and those subject to the provisions of article III of this chapter.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-137. After impoundment.

(a) *Redemption.* The person entitled to the possession of any animal delivered (the "claimant") to the BARC animal shelter shall be entitled to have the animal delivered to him at the BARC animal shelter and shall meet the following conditions:

(1) *Evidence of ownership.* The claimant must present satisfactory evidence of ownership, as evidenced by the following:

a. A registration issued pursuant to this chapter;

b. A microchip indicating ownership of the animal;

c. Receipt for purchase or adoption of the animal;

d. Records from a veterinarian showing vaccinations administered within the previous 12 months;

e. Receipts for payment to a veterinarian or commercial pet service facility for services rendered to the animal; or

f. Photographic or videographic records showing the animal and individual asserting ownership at home or in other environments.

(2) *Compliance with law.* The claimant must also demonstrate proof of compliance with the following:

a. Sections 6-18 and 6-85 of this Code requiring microchip implantation. If the animal does not have a microchip implanted and the claimant cannot show proof of otherwise complying with sections 6-18 or 6-85, BARC animal services shall perform the service, for which the claimant shall pay the fee stated in the city fee schedule.

b. Section 6-86 of this Code requiring registration of microchip identification number. If the claimant has not registered the animal's microchip identification number with BARC animal services or the microchip manufacturer, the claimant shall register the animal's microchip identification number and pay the fee as provided in section 6-87 of this Code.

c. Section 6-90 of this Code requiring a certification of rabies vaccination. If the claimant has not provided a certification of vaccination and cannot show proof of otherwise complying with section 6-90, BARC animal service shall vaccinate the animal and the claimant shall pay the fee stated in the city fee schedule.

d. Any other applicable ordinance or statute governing the release of an animal to the owner.

(3) *Impoundment fee.* Except as otherwise provided in this chapter, the following fees in the amounts stated in the city fee schedule shall be charged for each category of animal listed below for the first, second, and third and each subsequent impoundment of the same animal in the BARC animal shelter:

a. For sterilized dogs and cats;

b. For unsterilized dogs and cats;

c. For fowl; and

d. For other animals.

(4) *Waiver of impoundment fee.* An animal implanted with a registered microchip under section 6-86 of this Code shall not be subject to the impoundment fee for the first six days of impoundment.

(5) *Sterilization.* Unsterilized dogs or cats shall be sterilized at the BARC animal shelter, for which the claimant shall pay the amount stated in the city fee schedule, plus any additional fees that may be applicable in cases of surgical complications, unless:

a. The animal has a valid unsterilized pet registration as of the time of the impoundment of the animal;

b. The officer in charge of the BARC animal shelter is able to determine by external examination that the animal has been sterilized;

c. The dog or cat is not yet of age to be sterilized; or

d. The owner presents a certificate from a veterinarian establishing either that the animal has been sterilized or that it has a serious medical condition that would make it medically inadvisable to sterilize the animal.

(6) *Boarding fee.* Except as otherwise specifically provided in this chapter, the director shall impose and the claimant shall pay the per animal daily boarding fee stated in the city fee schedule. The director may promulgate a schedule of boarding fees for various types of animals, including but not limited to dogs and cats, fowl, and other animals. The fees for boarding shall be based on the costs for care and feeding of the type of animal impoundedWhen a claimant seeks delivery of an animal on the first business day after a holiday observed by closure of city offices, no boarding fee shall be charged for the immediately preceding holiday unless the holiday was within the period of quarantine of the animal for rabies observation. No boarding fee shall be charged for the first six days for animals implanted with a registered microchip under section 6-86 of this Code.

(7) *Veterinarian care fee.* The claimant shall pay reasonable expenses for the treatment of the animal for injury or illness. Any veterinarian of the BARC animal shelter is hereby specifically authorized to treat an animal for injury or illness when the treatment is found to be reasonably necessary in his judgment. The veterinarian in charge of the BARC animal shelter shall, from time to time, establish a uniform schedule of fees for treatment on the basis of the city's actual costs incurred in providing treatment. The director shall post a copy of the schedule on BARC animal service's website and maintain a copy for public inspection in the offices of the director and the city secretary. The minimum fee for veterinary services to any animal shall be not less than the minimum fee stated in the city fee schedule.

(b) It shall be the duty of the officer in charge of the BARC animal shelter to offer for adoption any and all animals deemed medically and behaviorally appropriate by the BARC animal shelter staff that have become the property of BARC animal services pursuant to section 6-102 of this Code and to offer the animals for adoption for cash or other financial consideration for the amount of the accrued fees against the animal. Upon the adoption of the animal by any individual, title and sole ownership of the animal by BARC animal services ceases and transfers to the adopting individual.

(c) No animals that have been taken to the BARC animal shelter shall be redeemed or adopted unless they are vaccinated for rabies, except in the following instances:

(1) The appropriate official has been furnished with satisfactory proof and evidence that the animal has been inoculated with a rabies vaccine approved by the U.S. Department of Agriculture's Veterinary Biologics Division, and that the immunization will not expire prior to the expiration of a registration issued for the animal upon release of the animal;

(2) The animal is less than four months of age;

(3) The vaccination against rabies is medically inadvisable for the animal as

evidenced by a certificate duly signed by a veterinarian attesting such and containing the identification of the dog or cat by breed, color, sex, and the name and address of the owner; or

(4) The animal cannot be inoculated for rabies due to illness, in which case, the owner must comply with subsection (g) of this section.

(d) The owner of any animal impounded in the BARC animal shelter shall be required to redeem the animal as provided for in subsection (a) of this section and shall not be permitted to adopt the animal in lieu of paying the redemption fee.

(e) It is unlawful to remove animals from the BARC animal shelter except in accordance with the procedures established in this section and the regulations established by the director.

(f) Any dog or cat impounded in the BARC animal shelter that is claimed by the owner that has not been inoculated for rabies in accordance with article IV (dogs and cats) of this chapter and cannot be inoculated due to illness will be delivered to any veterinary hospital within the city, as designated by the animal's owner, for further treatment for the fee stated in the city fee schedule. In these instances, the veterinarian operating the veterinary hospital must agree to:

(1) Vaccinate the animal for rabies in accordance with article IV of this chapter prior to releasing the animal from the veterinary hospital; and

(2) Furnish a certificate evidencing the vaccination to BARC animal services.

(g) Under no circumstances may an animal that has been impounded be transferred or sold to a dealer as that term is defined in 7. U.S.C. § 2132.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-138. Disposal of impounded dogs, cats, other animals not redeemed or adopted.

Animals taken up and impounded under the terms of this chapter that are not redeemed as provided in this article shall be disposed of by the city as follows:

(1) Any animal that is vaccinated and sterilized and is otherwise deemed suitable for adoption may be offered for adoption through a city facility. The director shall impose a per animal adoption fee in accordance with the city fee schedule. The director is authorized to offer an incentive program to promote the adoption of dogs, cats or other animals for one or more periods during which the director may reduce the adoption fee. Upon the adoption of the animal by any individual, title and sole ownership of the animal by BARC animal services ceases and transfers to the individual.

(2) Any animal that is suitable for adoption as a pet and is not placed for adoption through city facilities may be placed for adoption through a humane organization. The director shall establish uniform criteria for the placement of adoptable animals through a humane organization and shall make surplus adoptable animals available to those organizations that meet the criteria. The criteria shall include requirements that animals be vaccinated and sterilized in accordance with law and that the animals be registered in the jurisdiction where they will be kept. Upon the transfer of the animal to the humane organization, title and sole ownership of the animal by BARC animal services ceases and transfers to the humane organization.

(3) The director may authorize a third party not regularly employed by the city to offer animals for adoption and collect the adoption fees on behalf of the city if the third party demonstrates proof of financial responsibility for the fees to be collected and remitted in a form satisfactory to the

director. A third party may not impose any fee in addition to that specified by this section. Upon the adoption of the animal by any individual, title and sole ownership of the animal by BARC animal services ceases and transfers to the individual.

(4) All animals that are not placed for adoption shall be destroyed by use of humane euthanasia procedures as recommended by the American Veterinary Medical Association.

(5) Under no circumstances may an animal be sold or donated for research or teaching purposes to a medical school, licensed hospital, or nonprofit university or college.

(6) Notwithstanding any other provisions of this chapter, any animal under four months of age that is surrendered to BARC animal services at a BARC animal shelter facility or picked up by an animal enforcement officer shall become the sole property of BARC animal services upon delivery of the animal to a BARC animal shelter facility and shall be subject to disposition as BARC animal services deems appropriate.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-139. Reserved.

Sec. 6-140. Sterilization of dogs and cats offered for adoption or fostering.

(a) In accordance with applicable state law, the director shall establish procedures to ensure that no unsterilized dog or cat is released from the city's animal enforcement facilities for adoption or fostering except under the terms of a sterilization agreement as required by chapter 828 of the Texas Health and Safety Code.

(b) It shall be unlawful for an individual that signs a sterilization agreement in subsection (a) of this section to fail to comply with the terms of the sterilization agreement, including the presentation of proof of sterilization to BARC animal services within the timeframe specified in the sterilization agreement.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-141. Adoption or fostering of animals from barc animal services; denial; appeal.

(a) Except as provided in subsection (b) of this section, any person of at least 18 years of age may submit an application to the director to adopt or foster an animal.

(b) No person who has been convicted of animal cruelty shall be permitted to adopt or foster animals from BARC animal services. If the director denies an application to adopt or foster an animal from BARC animal services due to the applicant's prior conviction of animal cruelty, the director shall give written notice by personal delivery or certified mail, return receipt requested, to the applicant at the address stated in the application. The decision of the director is final unless the applicant files a written appeal with the director not later than the fifth business day after the date the applicant received notice that the application was denied. If the applicant timely files a written appeal, the applicant shall be given notice of the date, time and place of the hearing for his appeal. A hearing officer shall conduct the hearing within ten business days of the director's receipt of the notice of appeal. The hearing shall be conducted informally and the hearing officer shall determine by a preponderance of the evidence whether grounds exist for the denial of the application. The hearing officer may consider city records used in the consideration of the application and affidavits, as well as any testimony or documentary evidence offered by the applicant. At the conclusion of the hearing, the hearing officer shall enter a written order with his findings as to whether or not the application should be denied. The written order shall be sent by personal delivery or certified mail, return receipt requested, to the applicant at the address stated in the application and shall be sent as soon after the conclusion of the hearing as practicable, but in no event more than 30 calendar days thereafter. The decision of the hearing officer shall be final.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Secs. 6-142—6-150. Reserved.

ARTICLE VI. DANGEROUS, AGGRESSIVE, AND PUBLIC NUISANCE DOGS

Sec. 6-151. Definitions.

As used in this article, the following words and phrases shall have the meanings provided below, unless the content of their usage clearly indicates another meaning:

Aggressive dog means a dog that meets one of the following conditions:

(1) Bites, assaults, or otherwise attacks a person without provocation on the property of the owner and causes serious bodily injury to the person, provided that the person is on the property of the owner with the owner's consent or invitation;

(2) Attacks and does bodily injury to domestic animals;

(3) Has committed acts that cause a person of normal sensibilities to fear the dog will attack that person or a domesticated animal without provocation while inside an enclosure, and such enclosure is not sufficient to ensure the safety of persons or domesticated animals on adjoining property or the public at large; or

(4) Has otherwise interfered with the freedom of movement of persons in a public right-of-way, regardless of whether the dog was on the property of its owner.

Bodily injury means physical pain, illness, or any impairment of physical condition that results from a bite or attack by a dog.

Dangerous dog has the same meaning as provided in § 822.041 of the Texas Health and Safety Code, as amended from time to time.

Owner has the same meaning as provided in § 822.041 of the Texas Health and Safety Code, as amended from time to time.

Public nuisance dog shall mean any dog that meets one of the following conditions:

(1) Substantially interferes with the right to enjoyment of life or property by persons other than the owner by acts including, but not limited to, frequent, long, or continued barking or howling, repeated defecation on property other than that of the owner, or damaging property other than that of the owner;

(2) Is documented by BARC animal enforcement, a police officer, a neighborhood protection official or a member of the public to be running at large three or more times in a 12-month period; or

(3) Is one of a number of dogs or other animals maintained on the property owned or controlled by its owner so as to be dangerous to the public health, safety or welfare.

Secure enclosure means a fenced area or structure that is:

(1) At least six feet in height with secure sides and a secure top; if the enclosure does not have a floor that is secured to its sides, the sides shall be embedded at least two feet into the ground;

(2) Of sufficient size to allow the dog to move freely;

(3) Locked;

(4) Capable of preventing the entry of the general public, including children;

(5) Capable of preventing the escape or release of a dangerous dog by any means, including digging, climbing, jumping, or chewing out of the enclosure;

(6) Clearly marked as containing a dangerous dog; and

(7) Located no less than five feet from another property line or fence adjoining the premises on which the enclosure is located.

Serious bodily injury has the same meaning as provided in § 822.001 of the Texas Health and Safety Code, as amended from time to time.

Unprovoked means action by a dog that is not:

(1) In response to being tormented, abused, or assaulted by any person;

(2) In response to pain or injury;

(3) In protection of itself; or

(4) In response to a person trespassing or committing a crime on the owner's property.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-152. Determination that dog is dangerous.

(a) Upon receipt of a sworn, written complaint by any person, in a form approved by the director, that a dog may constitute a dangerous dog, the director may conduct an investigation. At the conclusion of the investigation, the director may:

(1) Determine that a dog is not dangerous; or

(2) Determine that a dog is dangerous and order the registrant or owner to comply with the requirements for ownership of a dangerous dog set forth in this article and Subchapter D, Chapter 822 of the Texas Health and Safety Code.

(b) The director shall notify the registrant or owner, either in person, by posting a determination notice on the last known residence of the owner or by certified mail, return receipt requested, of his determination. If a dog is determined to be dangerous, the notice of determination shall inform the registrant or owner of the following:

(1) That the dog is dangerous;

(2) That the registrant or owner must comply with requirements for ownership of a dangerous dog as set forth in this article and Subchapter D, Chapter 822 of the Texas Health and Safety Code; and

(3) That the registrant or owner has a right to appeal a determination of dangerousness in accordance with section 6-158 of this Code.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-153. Dog causing death or serious bodily injury to a person.

(a) The provisions of this section for the seizure of a dog and subsequent hearing shall comply with Subchapter A, Chapter 822 of the Texas Health and Safety Code.

(b) Any person may make a sworn complaint to a municipal court that a dog has caused the death of or serious bodily injury to a person by attacking, biting, or mauling the person.

(c) Upon receipt of the complaint in subsection (b) of this Code and a showing of probable cause to believe that the dog caused the death of or serious bodily injury to the person as stated in the complaint, a municipal court shall order BARC animal enforcement to seize the dog and shall issue a warrant authorizing the seizure.

(d) BARC animal enforcement shall seize the dog or order its seizure and shall provide for the impoundment of the dog in secure and humane conditions until the court orders the disposition of the dog.

(e) The court shall set a time for a hearing to determine whether the dog caused the death of or serious bodily injury to a person by attacking, biting, or mauling the person. The hearing must be held not later than the 10^{th} day after the date on which the warrant is issued. The court shall give written notice of the time and place of the hearing to:

(1) The owner of the dog or the person from whom the dog was seized; and

(2) The person who made the complaint.

(f) Any interested party, including the city attorney, is entitled to present evidence at the hearing.

(g) The court shall order the dog to be humanely destroyed if the court finds that the dog caused the death of or serious bodily injury to a person by attacking, biting, or mauling the person. The court shall also order that the owner or registrant pay all fees incurred for the impoundment of the dog.

(h) If the court does not find that the dog caused the death of or serious bodily injury to a person by attacking, biting, or mauling the person, the court shall waive any impoundment fees incurred and shall order the dog released to:

(1) Its owner;

(2) The person from whom the dog was seized; or

(3) Any other person authorized to take possession of the dog.

(i) The court may not order the dog destroyed if the court finds that the dog caused serious bodily injury to a person by attacking, biting, or mauling the person and:

(1) The dog was being used for the protection of a person or person's property and the attack, bite, or mauling occurred in an enclosure in which the dog was being kept, and:

a. The enclosure was constructed in such a manner and of such materials as to be reasonably certain to prevent the dog from leaving the enclosure on its own and notice of the presence of a dog was posted upon the enclosure; and

b. The injured person was at least eight years of age and was trespassing in the enclosure when the attack, bite, or mauling occurred;

(2) The dog was not being used for the protection of a person or person's property, the attack, bite, or mauling occurred in an enclosure in which the dog was being kept, and the injured person was at least eight years of age and was trespassing in the enclosure when the attack, bite, or mauling occurred;

(3) The attack, bite, or mauling occurred during an arrest or other action of a peace officer while the peace officer was using the dog for law enforcement purposes;

(4) The dog was defending a person from assault or a person's property from damage or theft by the injured person; or

(5) The injured person was younger than eight years of age, the attack, bite, or mauling occurred in an enclosure in which the dog was being kept, and the enclosure was constructed in such a manner and of such materials as to be reasonably certain to keep a person younger than eight years of age from entering.

(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-154. Requirements for owner of a dangerous dog.

(a) Not later than the 30th calendar day after the date a registrant or owner learns that he is the owner of a dangerous dog that is not to be humanely euthanized, the registrant or owner shall:

(1) Comply at all times with the requirements set forth in Subchapter D, Chapter 822 of the Texas Health and Safety Code;

(2) Permit the department to implant a microchip in the dog, at the registrant's or owner's expense, which will identify it as a dangerous dog;

(3) Obtain a dangerous dog license from the director for the fee stated in the city fee schedule and affix a city-issued "dangerous dog" tag to the dog's collar that must be worn by the dog at all times. The license and the accompanying tag must be renewed annually;

(4) Muzzle and restrain the dangerous dog at all times on a leash that is no longer than six feet in length, is of sufficient strength to control the dog, and is in the

direct physical control of a person capable of controlling the dog at any time the dog is not in a secure enclosure;

(5) Confine the dog in a secure enclosure except as provided in item (4) of this subsection;

(6) Sterilize the dog; and

(7) Obtain liability insurance coverage in an amount of at least $100,000.00 to cover damages resulting from an attack by the dangerous dog causing bodily injury to a person and provide proof of the required liability insurance coverage to the department. The proof of insurance must clearly indicate that the insurer is aware that the insured dog has been declared dangerous either by the inclusion of a statement on the coverage policy itself or in an original letter on the insurer's letterhead signed by the insurance agent issuing the policy.

(b) The owner of a dangerous dog who does not comply with any part of subsection (a) of this section shall deliver the dog to BARC animal enforcement not later than the 30th calendar day after the owner learns that the dog is a dangerous dog.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-155. Failure to comply with requirements for ownership of a dangerous dog.

(a) Any person may make application to a municipal court that the owner of a dangerous dog has failed to comply with the requirements for ownership of a dangerous dog as set forth in section 6-154 of this Code.

(b) The court shall set a time for a hearing to determine whether the owner of the dog has complied with the requirements for ownership as set forth in section 6-154 of this Code. The hearing must be held within 10 calendar days after the date on which the dog was to be delivered to BARC animal enforcement or within ten calendar days after the date of the application, whichever is later. The court shall give written notice of the time and place of the hearing to:

(1) The owner of the dog or the person from whom the dog was seized; and

(2) The person who made the complaint.

(c) Any interested party, including the city attorney, is entitled to present evidence at the hearing.

(d) The court shall determine whether the owner of a dangerous dog has complied with the requirements for ownership of a dangerous dog as set forth in section 6-154 of this Code.

(1) If the court determines that the owner has met all ownership requirements, the court shall waive any impoundment fees incurred and order the dog released to the owner.

(2) If the court determines that the owner has not met all ownership requirements, the court shall order the owner to come into compliance with all ownership requirements within 11 calendar days after the date the court issues the order and shall order the owner to pay all fees incurred for the impoundment of the dog. If all ownership requirements are met within 11 calendar days after the date the court issues the order, BARC animal services shall release the dog to the owner upon payment of all fees incurred for the impoundment of the dog. Except as provided in item (4) of this subsection, if the owner has not met all ownership requirements within 11 calendar days after the date the court issues the order, the court may order BARC animal enforcement to humanely destroy the dog and the owner to pay all impoundment fees incurred and any fees for the destruction of the dog.

(3) The court may order the humane destruction of a dog if the owner of the dog has not been located after the 15th calendar day after the date on which the dog was to be delivered to BARC animal enforcement.

(4) The court may not order the destruction of a dog during the pendency of an appeal under subsection (h) of this section.

(e) The court shall determine the estimated costs to house and care for the impounded dog during the appeal process set forth in subsection (h) of this section and shall set the bond for an appeal in an amount adequate to cover those estimated costs.

(f) The order of the municipal court issued under subsection (f) of this section may be appealed in accordance with section 822.0424 of the Texas Health and Safety Code to a county court or county court at law in the county in which the municipal court is located. The appellant is entitled to a jury trial on request. Not later than the 10th calendar day after the date the municipal court order is issued, the appellant must file a notice of appeal, and if applicable, an appeal bond in the amount determined by the court from which the appeal is taken.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Secs. 6-156, 6-157. Reserved.

Sec. 6-158. Appeal from a determination as a dangerous dog.

If the director determines a dog is a dangerous dog under section 6-152 of this Code, that decision is final unless the licensee or owner files a written appeal in accordance with section 822.0421 of the Texas Health and Safety Code with a justice, county, or municipal court of competent jurisdiction not later than the 15th calendar day after the date the licensee or owner received notice that the dog is dangerous.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-159. Reserved.

Sec. 6-160. Dangerous dog owned or harbored by minor.

If the licensee or owner of a dangerous dog is a minor, the parent or guardian of the minor shall be liable for all injuries and property damage sustained by any person or domestic animal in an unprovoked attack by the dog.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-161. Violations; defenses.

(a) A person commits an offense if he violates, or fails to perform an act required by, a provision of this article or Subchapter D, Chapter 822 of the Texas Health and Safety Code, as amended. A person commits a separate offense each day or part of a day during which a violation is committed, permitted, or continued.

(b) An offense under this article is a Class C misdemeanor.

(c) Any defense to prosecution under Subchapter D, Chapter 822 of the Texas Health and Safety Code, as amended, is a defense to prosecution under this article.

(d) Any defense to an order to euthanize under § 822.003(f) of the Texas Health and Safety Code, as amended, is a defense under this article.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-162. Dangerous, aggressive, and public nuisance dog database; animal complaints investigated by the police department.

(a) The department shall maintain a detailed database of all dogs deemed to be dangerous, aggressive, and public nuisances and shall make this information available to the police department. The database shall include, but not be limited to, information such as the registrant's, licensee's or owner's name, address, phone number, the dangerous dog case number, the assigned microchip identification number, and all identifying information regarding the dog.

(b) Any reports involving complaints of animals investigated by the police department shall be electronically transmitted to BARC animal enforcement and shall include all relevant information gathered as a result of the response to the incident.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-163. Reserved.

Sec. 6-164. Aggressive dog.

Upon receipt of a sworn, written complaint by any person, in a form approved by the director, that any dog may be an aggressive dog, the director shall conduct an investigation. If upon investigation, the director reasonably believes that grounds exist to declare the dog an aggressive dog, he shall issue a written order containing the grounds for his determination to the registrant or owner of the dog by personal delivery, or by certified mail, return receipt requested. The order shall include all requirements for a registrant or owner of a dog determined to be aggressive as set forth in section 6-165 of this Code and the process for appeal of the determination.

Sec. 6-165. Requirements for an aggressive dog; violation.

(a) Not later than the 30th calendar day after the date a registrant or owner learns that he is the owner of an aggressive dog, theregistrant or owner shall:

(1) Permit the department, at the registrant's or owner's expense, to implant in the dog a microchip that will identify it as an aggressive dog;

(2) Obtain an aggressive dog license from the director for the fee stated in the city fee schedule and affix a city-issued "aggressive dog" tag to the dog's collar that must be worn by the dog at all times. The license and the accompanying tag must be renewed annually;

(3) Restrain the aggressive dog at all times on a leash of sufficient strength to control the dog, no longer than six feet in length and in the immediate control of a person capable of controlling the dog at any time the dog is not in a fenced area or structure that meets the requirements set forth in the following item;

(4) Except as provided in the preceding item, confine the dog in a fenced area or a structure that is:

a. At least six feet in height;

b. Of sufficient size to allow the dog to move freely;

c. Locked;

d. Capable of preventing the entry of the general public, including children;

e. Capable of preventing the escape or release of the dog; and

f. Clearly marked as containing an aggressive dog; and

(5) Sterilize the dog.

(b) A person commits an offense if he violates or fails to perform an act required by this section. A person commits a separate offense each day or part of a day during which a violation is committed, permitted, or continued. (Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-166. Appeal from a determination as an aggressive dog.

If the director determines a dog is an aggressive dog under section 6-164 of this Code, that decision is final unless the registrant or owner files a written appeal with the office of the director not later than five calendar days after the date the registrant or owner receives an order from the director stating that the dog is an aggressive dog. A hearing officer shall conduct the hearing within ten calendar days of the director's receipt of the notice of appeal. The hearing shall be conducted informally, and the hearing officer may consider city investigative reports, medical records, and affidavits, as well as any testimony or documentary evidence offered by the registrant or owner. At the conclusion of the hearing, the hearing officer shall enter a written order with factual findings as to whether the dog is an aggressive dog. The written order of the hearing officer shall be sent by personal delivery or certified mail, return receipt requested, to the registrant or owner as soon after the conclusion of the hearing as practicable, but in no event more than five business days thereafter. The decision of the hearing officer shall be final. (Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-167. Public nuisance dog.

(a) Upon receipt of a sworn, written complaint by any person, in a form approved by the director, that any dog may constitute a public nuisance, the director shall conduct an investigation. If upon investigation, the director reasonably believes that grounds exist to declare the dog a public nuisance dog, he shall issue a written order containing the grounds for his determination to the registrant or owner of the dog by personal delivery, or by certified mail, return receipt requested. The order shall include all requirements for a registrant or owner of a dog determined to be a public nuisance as set forth in section 6-168 of this Code and the process for the appeal of the determination.

(b) For purposes of this section, if a dog is documented to be at large three or more times in a 12-month period by a member of the public, such documentation must consist of photographic evidence with a date and time stamp and in which the dog can be clearly identified.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-168. Requirements for a public nuisance dog; violation.

(a) Not later than the 30th calendar day after the date a registrant or owner learns that he is the owner of a public nuisance dog, the registrant or owner shall take all measures necessary to abate the nuisance that served as the basis for the determination of the dog as a public nuisance dog.

(b) A person commits an offense if he violates or fails to perform an act required by this section. A person commits a separate offense each day or part of a day during which a violation is committed, permitted, or continued.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-169. Appeal from a determination as a public nuisance dog.

If the director determines a dog is a public nuisance dog under section 6-167 of this Code, that decision is final unless the registrant or owner files a written appeal with the office of the director not later than five calendar days after the date the registrant or owner receives an order from the director stating that the dog is a public nuisance dog. The hearing shall be conducted and the written order from the hearing officer shall be issued in the same manner as set forth in section 6-166 of this Code. The decision of the hearing officer shall be final.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Sec. 6-170. Penalties; appeal.

(a) If a licensee, registrant or owner of a dog receives the specified number of convictions for the following offenses within a 12-month period, the director may order the dog at issue removed from the city:

(1) One or more convictions for allowing an aggressive dog to be at large in violation of subsection 6-101(d) of this Code;

(2) One or more convictions for allowing a public nuisance dog to be at large in violation of subsection 6-101(e) of this Code; or

(3) Two or more convictions for violations of section 6-165 or section 6-168 of this Code.

The removal order shall be issued in writing to the licensee, registrant or owner of the dog at issue by personal delivery or by certified mail, return receipt requested. The notice shall include the reason for the order and shall inform the licensee, registrant or owner of his right to appeal the order.

(b) If the director orders a dog removed from the city, that decision is final unless the licensee, registrant or owner files a written appeal with municipal court not later than five calendar days after the date the licensee, registrant or owner received notice that the dog has been ordered removed from the city. A municipal court judge shall hold the hearing within ten calendar days of the director's receipt of the notice of appeal. The judge may consider city investigative reports, medical records, and affidavits, as well as any testimony or documentary evidence offered by the licensee, registrant or owner. At the conclusion of the hearing, the municipal court judge shall enter a written order upholding or overrul-

ing the director's order to remove the dog at issue from the city. The written order shall be sent by personal delivery or certified mail, return receipt requested, to the licensee or owner as soon after the conclusion of the hearing as practicable, but in no event more than five business days thereafter. The decision of the municipal court judge shall be final.
(Ord. No. 2022-44, § 2(Exh. A), 1-19-2022)

Chapter 7

ANTIQUE DEALERS, COMMON MARKETS, SCRAP METAL PROCESSORS, SECONDHAND RESELLERS AND RELATED BUSINESSES*

Art. I.	**In General, §§ 7-1—7-15**
Art. II.	**Antique, Precious Metals, and Resale Media and Clothing Dealers, §§ 7-16—7-50**
Art. III.	**Metal Recyclers, §§ 7-51—7-80**
	Div. 1. General, §§ 7-51—7-53
	Div. 2. Licenses, §§ 7-54, 7-55
	Div. 3. Operational Rules and Regulations, §§ 7-56—7-70
	Div. 4. Revocation, § 7-71
	Div. 5. Variances, §§ 7-72—7-80
Art. IV.	**Crafted Precious Metals, §§ 7-81—7-100**
Art. V.	**Common Markets, §§ 7-101—7-120**
Art. VI.	**Secondhand Resellers, §§ 7-121—7-131**

ARTICLE I. IN GENERAL†

Sec. 7-1. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Antique dealer means any person who engages in the business of buying, selling, trading, or otherwise dealing in used items which, because of age or design or quality or intrinsic beauty, or rarity or demand or otherwise have a value enhanced over the original value of the goods.

Business means an activity carried on for profit, but shall not include occasional purchases or trades by a hobbyist.

Chief of police means the Chief of Police for the City of Houston and persons he may designate to perform his duties under this article.

Clear thumb print impression means an intentional digital recording of the friction ridge detail on the volar pads of the thumb.

Director means the director of the department of administration and regulatory affairs or his designee.

Minor means any person under 18 years of age.

Real-time electronic web-based database means an electronic filing system in which data is organized by fields and records and that is capable of transmitting a file or responding to input immediately via the internet.

Show means any display and offering of used items for sale or trade by more than one dealer at a single location.

Used means any items, goods, products, wares, chattels, or articles of any sort, which have previously been owned by someone other than the manufacturer, or by a dealer whose business it is to sell such items, goods, products, wares, chattels, or articles when new to the customer.

__Cross references—__Automotive dealers and auto wreckers, Ch. 8; tire storage and tire carriers, § 21-181 et seq.; itinerant vendors, Ch. 22.

†__Editor's note—__Ord. No. 09-410, § 3, adopted May 13, 2009, amended Ch. 7, Article I in its entirety to read as herein set out. Formerly said article pertained to similar subject matter and derived from Code 1968, §§ 28-63, 28-64; Ord. No. 75-1947, § 1, 10-29-75; Ord. No. 76-1017, §§ 1—9, 6-22-76; Ord. No. 77-1013, § 5, 5-24-77; Ord. No. 81-315, § 1, 2-24-81; Ord. No. 82-133, §§ 1—4, 1-20-82; Ord. No. 91-1102, § 3, 7-31-91; Ord. No. 92-1449, § 7, 11-4-92; Ord. No. 93-514, § 14, 5-5-93; Ord. No. 94-674, § 5, 7-6-94; Ord. No. 98-613, § 17, 8-5-98; Ord. No. 02-399, § 17, 5-15-02; Ord. No. 08-52, § 20, 1-16-08, eff. 1-26-08.

Web-based database means an electronic reporting system approved by the chief of police that is capable of transmitting information and responding to input on the internet.
(Ord. No. 09-410, § 3, 5-13-09; Ord. No. 09-931, § 4, 10-7-09; Ord. No. 09-931, § 3, 10-7-09; Ord. No. 2013-111, §§ 2—4, 2-6-2013; Ord. No. 2016-964, § 2, 12-7-2016)

Sec. 7-2. Licensed pawnbrokers excluded.

This chapter shall not apply to pawnbrokers licensed by the State of Texas.
(Ord. No. 09-410, § 3, 5-13-09)

Sec. 7-3. Penalty for violation of any portion of this chapter.

Any person who owns or operates any business governed by this chapter but does not have a valid license therefor or any person who shall violate any portion of this chapter shall be guilty of a misdemeanor and, upon conviction thereof shall be punished by a fine of not less than $100.00 nor more than $500.00. Each day the owner/operator/person permits the sale or purchase of any goods from the unlicensed business or violates any provision of this chapter shall constitute a separate offense.
(Ord. No. 09-410, § 3, 5-13-09; Ord. No. 2013-111, § 5, 2-6-2013)

Sec. 7-4. State law/city retention periods.

Any retention periods required by this chapter are not meant to replace any required retention periods provided by state law; in the event there is a conflict between retention periods provided for in this chapter and retention periods required by state law, the longer retention requirements shall apply.
(Ord. No. 09-410, § 3, 5-13-09; Ord. No. 2013-111, § 5, 2-6-2013)

Sec. 7-5. Requirement for certificate of occupancy.

Any business covered by this chapter that operates out of facilities required by city ordinance to have a certificate of occupancy must obtain said certificate of occupancy prior to a license being issued under this chapter.
(Ord. No. 09-931, § 5, 10-7-09)

Sec. 7-6. Reports of property suspected stolen; purchase of city property.

(a) It shall be the duty of the licensee, his agents, or employees to immediately report to the police department any offer to sell to the licensee, his agents, or employees property which the licensee, his agents, or employees have actual knowledge is stolen or by reasonable diligence should know is stolen, together with the identity, when known, and description of the person or persons making such offer. The licensee, his agents, or employees shall also report any property acquired by the licensee which the licensee, his agents, or employees subsequently determine or reasonably suspect to be stolen property and shall furnish such other information as might be helpful to the police in investigating the matter.

(b) It shall be unlawful for any licensee, his agents or employees to purchase an item of property on which are written or affixed the words "Property of the City of Houston" or other words demonstrating ownership by the city except in the following circumstances:

(1) When the person offering the property for sale is an employee of the city who is authorized to make the sale by the director of the department of administration and regulatory affairs or the Director of Houston Public Works pursuant to chapter 2, article IV of this Code, and provides the licensee, his agents or employees with a written authorization for the sale of the property from his department's director or the director's designee; or

(2) When the person offering the property for sale presents at the time of the offer a valid receipt from the department of administration and regulatory affairs or Houston Public Works, pursuant to chapter 2, Article IV of this Code, evidencing the purchase of the property.

(Ord. No. 2013-111, § 6, 2-6-2013; Ord. No. 2018-11, §§ 49, 50, 1-10-2018)

Sec 7-7. Process for revocation of license; appeal.

(a) A license issued pursuant to this chapter may be revoked without refund of any portion of the license application or renewal fee.

(b) The director shall give written notice of revocation to the licensee by certified mail, return receipt requested, and by regular mail, setting forth the grounds for revocation and the opportunity to request a hearing regarding the revocation. A revocation hearing based upon the licensee's conviction of a criminal offense shall be conducted in accordance with section 1-9 of this Code and applicable state laws.

(c) If the licensee wishes to request a hearing, the request must be made in writing and provided to the director within ten business days of the date of the director's notice of revocation. The hearing shall be conducted within 20 business days of the director's receipt of the request. If the licensee does not request a hearing within ten business days, the revocation is effective on the 11th business day after the date of the director's revocation notice."

(d) The hearing shall be conducted by a hearing officer appointed by the director, who shall revoke the license if he determines by a preponderance of the evidence that grounds exist for revocation. At the hearing, the licensee may be represented by an attorney, present evidence, and cross-examine witnesses.

(e) The hearing officer shall give written notice to the licensee of his findings as to whether or not the license should be revoked and the reasons therefor. The notice shall be by certified mail, return receipt requested, as soon after the conclusion of the hearing as practicable but in no event more than 30 days thereafter. The decision of the hearing officer shall be final.
(Ord. No. 2013-111, § 6, 2-6-2013; Ord. No. 2016-964, § 3, 12-7-2016)

Secs. 7-8—7-15. Reserved.

ARTICLE II. ANTIQUE, RESALE MEDIA AND CLOTHING DEALERS*

Sec. 7-16. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Licensee means any person licensed as a secondhand reseller pursuant to article III of this chapter, or as an antique dealer or resale media and clothing dealer pursuant to this article.

Resale media and clothing dealer means any dealer who deals exclusively in:

(1) Used books, magazines and other printed documents;

(2) Used phonographic records, magnetic audio tapes, audio discs or other recordings of sound which do not include recordings of visual images; and/or

(3) Used items of clothing, except those made in whole or in part from fur, but not in any other items, goods, products, wares, clothes or articles which are subject to regulation under this article.

(Code 1968, § 6½-1; Ord. No. 76-146, § 1(1), 2-3-76; Ord. No. 09-410, § 4, 5-13-09; Ord. No. 09-931, § 4, 10-7-09; Ord. No. 2013-111, § 8, 2-6-2013)

Sec. 7-17. License required; display.

No person shall operate as an antique dealer or resale media and clothing dealer, own any such business, or engage in the business of buying, trading, or otherwise receiving used books, magazines and other printed documents, or used items of clothing (except those made from fur), unless he is licensed pursuant to this article, is licensed as a secondhand reseller pursuant to article III of this chapter, is licensed

*__Editor's note—__Ord. No. 2013-111, § 7, adopted February 6, 2013, amended the title of Ch. 7, Art. II to read as herein set out. Formerly, said article was entitled "Antique, Precious Metals, and Resale Media and Clothing Dealers.

as a pawnbroker pursuant to state law or is acting in the employment of one licensed under one of the above-listed laws. A separate license shall be required for each permanent location of any such business. A license issued under this subsection shall be marked to indicate that the business is authorized to deal only in the items listed in this subsection (or as a secondhand reseller pursuant to article III of this chapter) and shall be posted in a conspicuous place upon the licensed premises.
(Code 1968, § 6½-2; Ord. No. 76-146, § 1(2), 2-3-76; Ord. No. 09-410, § 4, 5-13-09; Ord. No. 09-931, § 4, 10-7-09; Ord. No. 2013-111, § 8, 2-6-2013)

Sec. 7-18. Application for and issuance or refusal of license.

(a) Any person desiring a license required by this article shall make application therefore in writing to the director on an application form provided for that purpose. On the application, the applicant shall provide the following information:

(1) The full name of the applicant, the street address where the business is to be located, and the residence address of each owner, manager and operator of the business;

(2) The application form shall be accompanied by an affidavit, sworn to by the applicant, that neither he nor any business partner, nor, in the case of a corporation, any corporate officer, has had a license revoked under this chapter or any preceding city ordinance governing the business described herein;

(3) Whether any owner or operator is an individual, partnership, corporation, or other legal entity; provided, however, that the type of business organization shall include only those organizations recognized by the Texas Business Organizations Code ("BOC"), and if the organization is a foreign entity required to register under Chapter 9 of the BOC, full and complete copies of such organization's current registration;

(4) If any owner or operator is a corporation, all officers of the corporation; and if there are fewer than five shareholders, the names of all shareholders;

(5) If any owner or operator is a partnership, the type of partnership and names and addresses of all general partners;

(6) If any owner or operator is an unincorporated association, the names and addresses of all officers of such association;

(7) The location where the business will be conducted, along with a copy of the certificate of occupancy for the location; and

(8) The time period or periods during which the business will be conducted.

(b) Upon receipt of the application, the director shall investigate the items sworn to by the affidavit. If neither the applicant, his business partners, nor any corporate officers have had a license revoked as described above, the director shall issue a license to the applicant upon payment of the license fee.

(c) If the director rejects the application, he shall give written notice by personal delivery or certified mail, return receipt requested to the applicant at the address stated in the application. The written notice shall specifically set forth the reasons for the rejection.
(Code 1968, § 6½-3; Ord. No. 76-146, § 1(3), 2-3-76; Ord. No. 08-52, § 21, 1-16-08, eff. 1-26-08; Ord. No. 09-410, § 4, 5-13-09; Ord. No. 09-931, § 6, 10-7-09; Ord. No. 2013-111, §§ 10—12, 2-6-2013)

Sec. 7-19. License fees.

(a) The annual fee for a license issued pursuant to this article for a dealer with a permanent place of business within the city is stated for this provision in the city fee schedule. The license shall be valid for one year from the date of issuance.

Each licensee with a permanent business location in the city may use the license for that business when attending shows at other locations in the city.

(b) Any dealer described herein who desires to sell or purchase items at shows in the city, but who does not maintain a permanent place of business in the city, must apply for and secure a license for each location. The daily license fee for each show is stated for this provision in the city fee schedule.

(Code 1968, § 6½-4; Ord. No. 76-146, § 1(4), 2-3-76; Ord. No. 09-410, § 4, 5-13-09; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2013-111, § 13, 2-6-2013)

Sec. 7-20. Records required to be kept.

(a) Every person engaged in the business of buying, trading or otherwise receiving antique items shall keep at his place of business a record book, in a form approved by the chief of police, in which he shall enter daily a full description of all personal property purchased or otherwise received at his licensed place of business. The description shall include the date and hour of receipt, the name and address of the person or place of business from which the item was received, and the driver's license or Texas personal identification certificate number of the person selling or otherwise giving the items. All entries in the record book shall be made legibly.

(b) In addition to the requirements set out in subsection (a) hereof, the property shall be fully described including, where customary in the business, the size, weight, material, length, number of items, capacity, and any other designations or descriptions customarily employed in the sale and purchase of the items.

(c) The licensee, his agents or employees shall provide a receipt to the seller or transferor of the property. Each receipt shall be consecutively numbered and shall be dated on the actual date of the transaction and shall list the items sold or otherwise transferred. An accurate copy or record of receipts obtained shall be retained for a period of not less than two years, and shall be available for inspection upon request during business hours by any peace officer or authorized inspector of the department of administration and regulatory affairs.

(d) Every person engaged in the business of buying, trading or otherwise receiving antique items shall, upon request, submit and exhibit the various business records which are required to be maintained for inspection or copying to any peace officer or authorized inspector of the authorized inspector of the department of administration and regulatory affairs. Failure to maintain or to so permit the examination or copying of the records when required shall be a misdemeanor.

(Code 1968, § 6½-5; Ord. No. 76-146, § 1(5), 2-3-76; Ord. No. 08-52, § 22, 1-16-08, eff. 1-26-08; Ord. No. 09-410, § 4, 5-13-09; Ord. No. 2013-111, § 14, 2-6-2013)

Sec. 7-21. Stock to be open for examination.

The stock or inventory of any dealer that is openly displayed and available to the public shall at any time during ordinary business hours be accessible for examination by any peace officer or authorized inspector of the department of administration and regulatory affairs. Failure to permit an examination when requested shall be a misdemeanor.

(Code 1968, § 6½-6; Ord. No. 76-146, § 1(6), 2-3-76; Ord. No. 08-52, § 23, 1-16-08, eff. 1-26-08; Ord. No. 09-410, § 4, 5-13-09)

Sec. 7-22. Articles to be retained.

No antique dealer or resale media and clothing dealer shall sell, dismantle, deface or in any manner alter or dispose of any item purchased or otherwise received by him at his licensed place of business for 72 hours after receipt. During the 72-hour period, all items of property shall be stored or displayed at the dealer's business location, in the exact form received, and in a manner so as to be identifiable from the description entered in the record book. The property shall not be kept so as to prevent or impede its examination hereunder.

(Code 1968, § 6½-7; Ord. No. 76-146, § 1(7), 2-3-76; Ord. No. 09-410, § 4, 5-13-09; Ord. No. 2013-111, § 15, 2-6-2013)

Sec. 7-23. Purchasing or receiving goods of minors.

No antique dealer shall purchase or otherwise receive in the course of his business, any item, ownership of which is claimed by any minor, or which may be in the possession of or under control of a minor, unless the minor's parent or guardian shall state in writing that the transaction is taking place with the parent's or guardian's full knowledge and consent. It shall be the duty of the antique dealer to preserve and keep on file, and available for inspection, the written statements of consent.
(Code 1968, § 6½-8; Ord. No. 76-146, § 1(8), 2-3-76; Ord. No. 09-410, § 4, 5-13-09; Ord. No. 2013-111, § 15, 2-6-2013)

Sec. 7-24. Change in business address.

Should any person licensed under this article move his permanent place of business from the place designated in the license to a new address, he shall immediately give written notice to the director and have the change noted on his license. The fee stated for this provision in the city fee schedule, payable to the director, is hereby levied for the change.
(Code 1968, § 6½-10; Ord. No. 76-146, § 1(10), 2-3-76; Ord. No. 08-52, § 24, 1-16-08, eff. 1-26-08; Ord. No. 09-410, § 4, 5-13-09; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2013-111, § 15, 2-6-2013)

Sec. 7-25. Revocation of license.

A license may be revoked in the manner provided in section 7-7 of this Code if:

(1) Any information supplied in the permit application was materially false or incorrect;

(2) The license was issued as a result of error; or

(3) The licensee has violated the provisions of this chapter or any state or federal statute involving the criminal offense of theft, or Texas Penal Code section 37.09 or 37.10.

(Code 1968, § 6½-11; Ord. No. 76-146, § 1(11), 2-3-76; Ord. No. 08-52, § 25, 1-16-08, eff. 1-26-08; Ord. No. 09-410, § 4, 5-13-09; Ord. No. 09-425, § 3, 5-13-09; Ord. No. 2013-111, § 15, 2-6-2013)

Sec. 7-26. Reserved.

Editor's note—Ord. No. 2013-111, § 16, adopted February 6, 2013, repealed § 7-26 in its entirety. Formerly said section pertained to reports of property suspected stolen and derived from Code 1968, § 6½-12; Ord. No. 76-146, § 1(12), 2-3-76; Ord. No. 09-410, § 4, 5-13-09.

Sec. 7-27. Reserved.

Editor's note—Ord. No. 2013-111, § 16, adopted February 6, 2013, repealed § 7-27 in its entirety. Formerly said section pertained to exemptions from licese fee and derived from Code 1968, § 6½-13; Ord. No. 76-146, § 1(13), 2-3-76; Ord. No. 09-410, § 4, 5-13-09.

Sec. 7-26. Inapplicability of certain chapter provisions.

Notwithstanding any other provision of this article that might be construed to the contrary, the provisions of section 7-23 of this Code shall not be applicable to the sale, receipt, transfer or holding of (1) Used books, magazines and other printed documents; (2) Used phonographic records, magnetic audio tapes, audio discs or other recordings of sound which do not include recordings of visual images; and/or (3) Used items of clothing, except those made in whole or in part from fur.
(Ord. No. 09-410, § 4, 5-13-09; Ord. No. 2013-111, § 17, 2-6-2013)

Note—Formerly § 7-28.

Secs. 7-27—7-50. Reserved.

ARTICLE III. METAL RECYCLERS*

DIVISION 1. GENERAL

Sec. 7-51. Definitions.

The following words, terms and phrases, when used in this article, shall have the same meanings as provided in this section, except where the context clearly indicates a different meaning:

Applicant means a person who applies for a license required by this article.

Authorized personnel means an individual who has been granted permission to sell material or accept payment in connection with a business to business transaction on behalf of a metal recycler, public utility, manufacturing, industrial, retail or other commercial vendor that generates or sells regulated material in the ordinary course of its business and whose name has been provided in writing from the company and maintained on file with the metal recycler conducting the business to business transaction.

Business to business transaction means a sale or transfer of material between a metal recycler and a company represented by authorized personnel.

Catalytic converter means an exhaust emission control device that reduces toxic gases and pollutants from internal combustion; this includes any material removed from a catalytic converter.

Electronic database means an electronic filing system in which data is organized by fields and records.

Enclosed structure means a building that consists of a roof and solid walls on all sides, with or without windows or doors, that extend from the roof to the floor. The term includes detached trailers or semi-trailers with fully-enclosed cargo space and containers as defined by rule or regulation promulgated pursuant to section 7-53 of this Code.

Fixed location means any building or structure for which a certificate of occupancy has been issued.

Licensee means a person who holds a license to conduct business as a metal recycler and includes the person's agents and employees.

Metal recycler means any person who:

(1) Engages in the business of purchasing aluminum cans or ferrous or nonferrous metals, such as stainless steel alloys, copper cables or steel plates;

(2) Engages in the business of utilizing machinery or equipment for the processing or manufacturing of iron, steel or nonferrous metallic scrap and whose principal product is scrap metal for reuse; or

(3) Operates or maintains a place in which used metal items or scrap metal is purchased, collected or kept for shipment, sale, or transfer to other facilities.

The term does not include secondhand reseller as defined in chapter 7, article VI of this Code.

On-site representative means an individual responsible for the day-to-day operation of the place of business of a metal recycler.

Open storage means keeping, maintaining, or placing processed metal items or scrap metal outside of an enclosed structure for shipment, sale, or transfer to other facilities.

Public transaction means a sale or transfer of material between a metal recycler and an individual selling material on his own behalf. The term does not include any business to business transactions or any transaction involving an individual selling material on behalf of a company.

*__Editor's note—__Ord. No. 2016-964, § 4(Exh. A), adopted December 7, 2016, amended Ch. 7, Art. III, §§ 7-51—7-76 to read as herein set out. Formerly said article was entitled Metal Recyclers/Secondhand Metal Dealers and Secondhand Resellers and derived from Code 1968, § 23-1; Ord. No. 76-271, § 1, 2-17-76; Ord. No. 83-996, § 1, 6-29-83; Ord. No. 07-295, § 2, 3-21-07; Ord. No. 08-52, § 26, 1-16-08, eff. 1-26-08; Ord. No. 09-410, §§ 6, 7, 23, 5-13-09; Ord. No. 09-931, § 7, 10-7-09; Ord. No. 09-1346, §§ 2, 3, 12-16-09, eff. 1-1-2010; 2013-157, §§ 6, 7, 2-20-2013.

Regulated material shall have the same meaning as in Chapter 1956 of the Texas Occupations Code.

Scrap metal means a direct product or byproduct of any form of a manufactured, shaped, or processed iron, steel, aluminum, brass, copper, lead, tin, zinc, or other nonferrous material or alloy of materials.

(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016; Ord. No. 2022-341, § 2, 5-4-2022)

Sec. 7-52. Article inapplicable to automotive dealers, pawnshops or secondhand resellers.

This article shall not apply to businesses licensed as automotive dealers under chapter 8, article II of this Code, pawnshops as defined by state law, or secondhand resellers as defined in chapter 7, article VI of this Code.

(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-53. Administrative rules.

(a) The director and the chief of police, acting in concert and in conjunction with individuals designated by the Recycling Council of Texas, shall promulgate rules and regulations to administer the provisions of this article. The rules and regulations shall not conflict with any applicable provisions of this Code. The director shall post a copy of the rules and regulations on the department of administration and regulatory affairs' website and maintain a copy of the rules and regulations for inspection in the offices of the city secretary, the chief of police and the director. The director shall provide copies for purchase to any person upon payment of the fees prescribed by law.

(b) The revocation of any license shall not prohibit the imposition of a criminal penalty, and the imposition of a criminal penalty shall not prevent the revocation of a license under this article.

(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

DIVISION 2. LICENSES

Sec. 7-54. License required; penalty; posting of license.

(a) No person shall operate as a metal recycler or own any such business unless the operation or business is conducted from a fixed location.

(b) No person shall operate as a metal recycler or own any such business without a valid metal recycler's license.

(c) Any person who engages in more than one type of business described under this Code at the same location must obtain a separate license for each business conducted at that location. Except as provided in subsection (d) below, a person conducting a metal recycler business as described in this article at more than one fixed location shall obtain a separate license for each location.

(d) A person who holds a license required by this article and who maintains a lot or tract of a land separate from the person's licensed place of business for the exclusive purpose of storing processed metal items and scrap metal for shipment, sale, or transfer to other facilities is not required to obtain a metal recycler's license for the separate lot or tract of land. All operations conducted from such lot or tract of land shall be subject to the record keeping requirements of section 7-58 of this Code. Additionally, such lot or tract of land must:

(1) Comply with the provisions of section 7-70 of this Code; and

(2) Comply with the provisions of section 28-34 of this Code, unless a variance is granted pursuant to division 5 of this chapter.

(e) The licensee shall display the license required under this article at all times in a conspicuous place that is accessible to the public on the licensed premises.

(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-55. Application for and issuance of license; denial; expiration.

(a) Any person desiring a license required by this article shall submit an application along with the license fee required for this provision in the city fee schedule to the director on a form promulgated by the director. No portion of the license fee shall be refundable. The applicant shall provide the following information:

(1) The full name and residential address of the applicant and each on-site representative(s). The applicant shall indicate

whether the applicant is an individual, partnership, corporation, or other legal entity; provided however, that the type of business organization shall include only those organizations recognized by the Texas Business Organizations Code ("BOC"), and if the organization is a foreign entity required to register under Chapter 9 of the BOC, full and complete copies of the organization's current registration. If the applicant is a partnership, the name and address of each general partner shall be provided. If the applicant is a privately-held corporation, the name and address of the corporation, all officers and directors, and each person who owns 50 percent or more interest in the corporation shall be provided. If the applicant is a publicly-held corporation, the name and address of the corporation and the on-site representative(s) shall be provided;

(2) If the applicant is an individual, proof satisfactory to the director that the applicant and each on-site representative(s) is either a citizen of the United States or an individual legally permitted to work in the United States;

(3) The social security number of the applicant if the applicant is an individual or the federal tax identification number of the applicant if the applicant is a business;

(4) The address of the fixed location where the applicant's business is to be conducted and proof of the applicant's ownership of the property or if the applicant is not the owner, a lease or other documentation satisfactory to the director granting permission to the applicant to operate the business at the proposed location;

(5) A copy of the certificate of occupancy for the applicant's proposed business location, if applicable;

(6) The days and hours that the business will operate, including a description of the types of processes used for handling materials at the applicant's place of business, such as, but not limited to, crushing, grinding, shredding, or using handheld torches;

(7) For each person listed under subsection (a)(1) of this section, the following information:

a. The date of birth, place of birth, and each address where the person has resided in the five years immediately preceding the filing of the application;

b. If convicted of any criminal offense in this state or any other state or country or incarcerated in any jail or prison due to a conviction within ten years immediately preceding the filing of the application, the applicant shall provide the specific offense committed, date of conviction, term of sentence, case number and court number relating to each offense; provided, however, that no conviction of a traffic offense punishable by fine only shall be listed;

c. If any conviction relates to organized criminal activity, the applicant shall provide the underlying offense that was the basis of the organized criminal activity (i.e., robbery, burglary, theft, etc.); and

d. Whether any person has been denied a license required under this article or any preceding city ordinance governing the businesses described in this article or has had such license revoked;

(8) Evidence that the applicant and each on-site representative is at least 18 years of age by presentation of a valid government-issued identification document that contains the individual's photograph. For publicly-held corporations, such information shall only be required of each on-site representative, manager and operator;

(9) For each on-site representative, fingerprints and a signed authorization for the city to gather criminal history

information in accordance with section 1-15 of this Code and to determine the existence of any applicable offenses set forth in subsections (b) and (c) of section 1-10 of this Code;

(10) Documentation satisfactory to the director showing the applicant's form of entity and current status. Such documentation includes, but is not limited to, a current certificate of assumed name or a current certificate of status issued by the Texas Office of the Secretary of State and a certificate of account status from the Texas Comptroller of Public Accounts;

(11) A declaration of whether the entirety of the business operations will be conducted within an enclosed structure;

(12) A declaration of whether the applicant will engage in open storage. If open storage will be used, applicant must:

a. Identify whether the location of the lot or tract of land intended for open storage is a part of or separate from the applicant's place of business;

b. Provide the address for the lot or tract of land if the location of the lot or tract of land intended for open storage is separate from the applicant's place of business; and

c. Acknowledge that, regardless of location, such lot or tract of land must be maintained in accordance with the provisions set forth in sections 7-70 and 28-34 of this Code;

(13) Except for applicants intending to engage solely in business to business transactions, a valid state-issued certificate of registration number for operating as a metal recycling entity pursuant to Chapter 1956, Subchapter A-2 of the Texas Occupations Code;

(14) The signature of the owner, if an individual; otherwise the application shall be signed by a person duly authorized to bind the applicant; and

(15) Any other information that the director may reasonably require.

(b) The application form shall be accompanied by an unsworn declaration pursuant to section 132.001 of the Texas Civil Practice and Remedies Code acknowledging that the applicant:

(1) Including his business partners, and, in the case of a corporation, all corporate officers, has not had a license revoked under this chapter or any preceding city ordinance governing the business described herein;

(2) Has read the application and agrees to all of its terms and provisions;

(3) Affirms the correctness and accuracy of the information given on the application; and

(4) Affirms that he has the authority to bind the applicant to all of the terms, provisions and requirements of the application.

(c) The director shall review and approve the application and issue a license if he determines that all the requirements of this article and any applicable rules and regulations have been met.

(d) The director shall deny an applicant a license if he determines that:

(1) The information provided in the application is incomplete, false or incorrect;

(2) The requirements of this article and any applicable rules and regulations have not been met;

(3) Any person listed in subsection (a)(1) of this section:

a. Has been denied a license required by this article or has had such license revoked within the preceding 24 months from the filing of the application; or

b. Is not in compliance with the applicable criminal history provisions of subsections (b) and (c) of section 1-10 of this Code; or

(4) With the exception of applicants intending to engage solely in business to business transactions, the applicant has not provided the director with a valid state-issued certificate of registration number for operating as a metal recycling entity within three business days of completing the remaining information in the application required by this section.

(e) In the event that the director denies an application, he shall give written notice by personal delivery or certified mail, return receipt requested, to the applicant at the address stated in the application. The written notice shall set forth the specific reasons for the denial and shall notify the applicant of the opportunity to request a hearing regarding the denial. A denial hearing based upon the applicant's conviction of a criminal offense shall be conducted in accordance with section 1-9 of this Code and applicable state laws. A denial hearing based upon reasons other than the applicant's conviction of a criminal offense shall follow the procedures set forth below:

(1) If the applicant wishes to request a hearing, the request must be made in writing and provided to the director within ten business days of the date of the director's denial of the license. If the applicant does not request a hearing within ten business days, the denial of the license is effective on the 11th business day after the date of the director's denial of the license.

(2) The hearing shall be conducted within 20 business days of the director's receipt of the request. The hearing shall be conducted by a hearing officer employed by the municipal courts department of the city designated to conduct administrative hearings and enter orders in the manner provided in this section. The hearing officer shall deny the license if he determines by a preponderance of the evidence that grounds exist to deny the license. At the hearing, the applicant may be represented by an attorney, present evidence and cross-examine witnesses.

(3) The hearing officer shall give written notice to the applicant of his findings as to whether or not the license should be denied and the reasons therefor. The notice shall be by certified mail, return receipt requested, as soon after the conclusion of the hearing as practicable, but in no event more than 30 calendar days thereafter. The decision of the hearing officer shall be final.

(f) Each license, unless revoked as provided in this article, shall expire two years from the date of issuance. Any licensee whose license is expiring and who desires a new license shall make application for a new license in the manner provided in this section at least 30 calendar days, but not more than 60 calendar days, prior to the expiration of the license. All the requirements of this section must be met, including the submission of fingerprints and a signed authorization for the city to gather criminal history information as provided in item 9 above, before a new license may be issued.

(g) A license issued pursuant to this article is personal to the licensee and is valid only for the location stated in the application.

(h) A license is void if the applicant obtains the license by knowingly providing false information on the application.

(i) A license issued under this article is a grant of privilege and is not a property right.

(j) While an application for a license is pending, or a license is in effect, an applicant or licensee shall immediately supplement the information provided to the director in the license application if such information is or becomes inaccurate, incomplete or misleading.

(k) A license issued under this article may be transferred only as provided in section 7-62 of this Code.

(l) No application for a new license shall be considered by the director while a hearing to revoke or deny a license relating to the same applicant or licensee is pending or in progress.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

DIVISION 3. OPERATIONAL RULES AND REGULATIONS

Sec. 7-56. Payment by metal recyclers.

(a) A metal recycler may pay for a purchase of regulated material only by:

(1) Cash if:

a. The seller has been issued a cash transaction card under section 7-57 of this Code, unless the metal recycler is prohibited from paying cash under section 1956.038(b) of the Texas Occupations Code; or

b. The transaction is a business to business transaction;

(2) Debit card if:

a. The seller has been issued a cash transaction card under section 7-57 of this Code; or

b. The transaction is a business to business transaction;

(3) Check;

(4) Money order; or

(5) Direct deposit by electronic funds transfer.

(b) A metal recycler may pay for a purchase of non-regulated material by cash, check, money order or direct deposit by electronic funds transfer.

(c) It shall be unlawful for a metal recycler to:

(1) Cash a check or money order issued to a seller by a metal recycler; or

(2) Allow any person or entity on the property of the metal recycler to cash a check or money order issued to a seller by a metal recycler.

(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-57. Cash transaction card; application; issuance and use.

(a) With the exception of business to business transactions, a metal recycler may pay a seller for a purchase of regulated material by cash or debit card only if, before the metal recycler issues payment:

(1) The seller presents to the metal recycler a valid cash transaction card issued by the metal recycler or by another metal recycler located in this state; or

(2) The metal recycler obtains a copy of the seller's cash transaction card from the records of the metal recycler.

(b) An application for the issuance or renewal of a cash transaction card must include:

(1) The name, address, sex, and birth date of the applicant;

(2) The identification number from the applicant's personal identification document;

(3) A color digital photograph that accurately depicts the applicant's entire face taken at the time the applicant completes the application;

(4) A clear and legible thumbprint of the applicant; and

(5) The signature of the applicant.

(c) On receipt of an application that contains the information required by subsection (b) above, a metal recycler may approve the application and issue a cash transaction card to the applicant in accordance with subsection (e) of this section. The individual approving the application on behalf of the metal recycler must sign the application.

(d) A cash transaction card must be laminated or made of a rigid plastic or other durable material that will preserve the legibility of the information on the card, completed in legible print in English, and include the following information:

(1) The name and address of the seller;

(2) The name, address, and state registration number of the metal recycler that issued the cash transaction card;

(3) A color digital photograph of the seller that accurately depicts the seller's entire face;

(4) An identifying number that is unique to the individual card; and

(5) The expiration date of the card, which may not be later than two years from the date the card was issued or renewed.

(e) A metal recycler must mail the issued cash transaction card to the address provided on the application for the card.

(f) A cash transaction card issued under this section is not transferable.

(g) Subsequent to issuing the cash transaction card as provided in subsection (e) above, a metal recycler may maintain or obtain possession of the cash transaction card. However, it is unlawful for a metal recycler to maintain or obtain possession of a cash transaction card issued by another metal recycler under this section.

(h) A metal recycler shall preserve each application for a cash transaction card the metal recycler receives until the second anniversary of the date the application was received and a copy of each cash transaction card the metal recycler issues or renews until the second anniversary of the date the card was issued or renewed.

(i) A cash transaction card issued under Chapter 1956 of the Texas Occupations Code, as may be amended from time to time, shall be deemed equivalent to the cash transaction card required under this article of the Code.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-58. Records required to be kept by metal recyclers.

(a) *Records of public transactions.* With the exception of the sale or transfer of aluminum cans, a metal recycler shall keep at his place of business a record in an electronic database or a real-time electronic web-based database, in a form and method approved by the chief of police, in which he shall enter daily, in English, a full description of all public transactions in which materials are purchased or otherwise received at his place of business. Such description shall include:

(1) The date and time of receipt of any item and the amount paid for the item;

(2) The full name and current address of the person or place of business from whom each item was purchased or received;

(3) A clear thumbprint impression of the person from whom each item is received. The thumbprint impression shall be excluded from the requirement for electronic transmission set forth in subsection (b) of this section but shall be maintained by the metal recycler for not less than two years from the date of receipt and made available to the director and any peace officer upon request;

(4) Evidence that the person transferring, selling or otherwise giving the items is at least 18 years of age by presentation of valid identification that includes a photograph of the person's face, in the form of either:

a. A current driver's license or identification card issued by the Texas Department of Public Safety or another state within the United States; or

b. A United States military identification card;

(5) A description of the motor vehicle and/or trailer or other mode of transportation in or on which each item purchased or received was carried to, delivered or transported to the metal recycler's place of business, including the license plate number, the name of the state issuing the license plate, and the make, model and color of the vehicle, if applicable;

(6) The individual transaction number assigned by the metal recycler to each transaction;

(7) A description of each of the items received as part of the transaction including, where customary in the business, the size, weight, material, length, capacity, and any other designations or descriptions customarily employed in the sale and purchase of such items;

(8) A digital photograph of sufficient quality to enable the identification of each item received;

(9) If the item received is a junked, abandoned or wrecked automotive vehicle,

documentation of ownership and any other information required for receipt of such vehicles as provided in state or federal laws or regulations and any provision of this Code;

(10) The name or employee number of the metal recycler's employee who facilitates or conducts the transaction;

(11) Whether the person from whom each item was purchased or received either:

a. Presented a written document evidencing that the person is the legal owner or is lawfully entitled to sell or otherwise transfer the item; or

b. Signed a written statement that the person is the legal owner of or is lawfully entitled to sell or otherwise transfer the item;

(12) A digital photograph of sufficient quality taken at the time of the transaction that accurately depicts the entire face of the person transferring, selling or otherwise giving the item;

(13) A copy of the seller's cash transaction card or approved application for a cash transaction card if the metal recycler paid for items purchased by cash;

(14) A copy of the debit card receipt and the seller's cash transaction card or approved application for a cash transaction card if the entity paid for items purchased by debit card;

(15) A copy of the check if the metal recycler paid for items purchased by check;

(16) The serial or heat number of any item purchased or received as required by rule or regulation promulgated pursuant to section 7-53 of this Code;

(17) A copy of a valid city-issued or state-issued construction, demolition, electrical, plumbing or heating, ventilation, or air conditioning (HVAC) permit or license for transactions in which the person seeking to sell or otherwise transfer items does so in the ordinary course of the person's business; and

(18) Any other information that the chief of police may reasonably require as set forth in the administrative rules and regulations pursuant to section 7-53 of this Code.

(b) *Reporting of public transactions.* The real-time electronic web-based database described in subsection (a) of this section shall be created and maintained by the police department. The metal recycler shall forward the required record and descriptions set forth in subsection (a) of this section for all public transactions in an electronic format to the designated police department web site before the close of business on each day on which the metal recycler is open for business.

(c) *Records of business to business transactions.* A metal recycler shall keep at his place of business a record in an electronic database or the real-time electronic web-based database as described in subsection (a) of this section a full description of all business to business transactions in which materials are purchased or otherwise received at his place of business. Such description shall include:

(1) The date and time of receipt of any item;

(2) The full name of the authorized personnel and the address of the place of business from whom each item was purchased or received;

(3) The individual transaction number assigned by the metal recycler to each transaction;

(4) A description of each of the items received as part of the transaction including, where customary in the business, the size, weight, material, length, capacity and any other designations or descriptions customarily employed in the sale and purchase of such items;

(5) A digital photograph of sufficient quality to enable the identification of each item received with the exception of material transported by commercial vehicle, of

which the entire load inside the trailer or the loaded trailer on the scale shall be photographed;

(6) The name or employee number of the metal recycler's employee who facilitates or conducts the transaction;

(7) A copy of a valid city-issued or state-issued construction, demolition, electrical, plumbing or heating, ventilation, or air conditioning (HVAC) permit or license for transactions in which the person seeking to sell or otherwise transfer items does so in the ordinary course of the person's business; and

(8) Any other information that the chief of police may reasonably require as set forth in the administrative rules and regulations pursuant to section 7-53 of this Code.

(d) *Business to business transactions not required to be reported.* A metal recycler shall not be required to forward to the real-time electronic web-based database as described in subsection (a) of this section the following information:

(1) The record and description of business to business transactions as described in subsection (c) of this section; and

(2) Material a metal recycler receives from a company at a location other than the metal recycler's place of business.

(e) *Receipts.* A metal recycler shall provide a consecutively numbered receipt to each seller or transferor of items, including the authorized personnel for a business to business transaction. Such receipt shall be dated on the actual date of the transaction and shall list the items sold or otherwise transferred. A printed version of the record input to an electronic database or input and transmitted to the real-time electronic web-based database as described in this section shall satisfy this requirement. An accurate copy or record of receipts provided shall be retained for a period of not less than three years from the date of the transaction.

(f) *Authorized personnel records.* A metal recycler shall maintain a written designation from a company with which the metal recycler engages in business to business transactions that occur at the metal recycler's place of business. The written designation must contain the name of the individual(s) serving as the company's authorized personnel and is valid for a 12-month period after the date provided on the designation unless, prior to the expiration of the 12-month period, the company designates new authorized personnel and submits that change in writing to the metal recycler. The written designation must:

(1) Be dated;

(2) Contain the first and last name of the individual(s) designated as the authorized personnel;

(3) Be updated by the company annually; and

(4) Be maintained by the metal recycler for a period of not less than three years from the date that appears on the designation.

(g) *Requirements for a business to business transaction.* To be deemed a business to business transaction, the name of the person from whom the item(s) is received at the metal recycler's place of business must be listed as authorized personnel on a written designation and that designation must be valid as of the date of the business to business transaction. The following transactions will not be considered business to business transactions and must be recorded as public transactions as required in subsection (a) of this section and forwarded to the real-time electronic web-based database as required by subsection (b) of this section:

(1) Transactions involving an individual whose name is not listed as authorized personnel on a written designation from the company of which the individual claims to be acting on its behalf; and

(2) Transactions involving an individual whose name does appear as authorized personnel on a written designation from the company of which the individual

claims to be acting on its behalf, but for which the written designation has expired.

(h) *Inspection.* A metal recycler shall, upon request, submit and exhibit for inspection or copying by any peace officer or inspector authorized by the director all business records that are required to be maintained under this section.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-59. Stock to be open for examination.

The stock or inventory of any metal recycler shall be accessible for examination by any peace officer or inspector authorized by the director at any time during ordinary business hours.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-60. Hold period; exceptions.

(a) Except as provided in subsection (b) of this section and the administrative rules and regulations promulgated pursuant to section 7-53 of this Code, it is unlawful for a metal recycler to sell, dismantle, deface or in any manner alter or dispose of any material purchased or otherwise received at the metal recycler's licensed place of business for 72 hours after receipt, excluding weekends and holidays, provided that the metal recycler shall not be required to keep aluminum cans for more than 24 hours. During the 72-hour period, all items shall be stored or displayed at the metal recycler's business location, in the exact form received, and in a manner so as to be identifiable from the description entered in the real-time electronic web-based database described in section 7-58 of this Code. Such property shall not be kept in such a manner so as to prevent or impede its examination.

(b) A metal recycler is not required to comply with subsection (a) of this section if:

(1) The transaction by which the material was acquired is a business to business transaction properly recorded as required by section 7-58 of this Code;

(2) The metal recycler verifies that the person seeking to sell or otherwise transfer the items has one of the following licenses or permits to establish that he is a manufacturing, industrial, commercial, retail, or other seller that sells the items in the ordinary course of its business:

a. A valid city-issued or state-issued metal recycler license, which the metal recycler shall record by photocopying the license or recording the license number in connection with the sale and maintain for a period of not less than two years from the date of the transaction; or

b. A valid city-issued or state-issued construction, demolition, electrical, plumbing or heating, ventilation, or air conditioning (HVAC) permit or license, which the metal recycler shall record by photocopying the permit or license or recording the project number located on the permit or license in connection with the sale and maintain for a period of not less than two years from the date of the transaction; or

(3) The material received by the metal recycler is tin or household appliances.

(c) Notwithstanding any provisions of this section, a peace officer who has reasonable suspicion to believe that an item or material in the possession of a metal recycler is stolen may place the item on hold in the manner provided by section 7-63 of this Code or Section 1956.037 of the Texas Occupations Code or any amendment thereof.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-61. Purchasing or receiving goods from minors.

(a) No metal recycler shall purchase or otherwise receive in the course of his business, any item, ownership of which is claimed by any minor, or which is in the possession of or under the control of a minor, unless:

(1) The minor is accompanied by his parent or guardian, who shall state in writing,

that such transaction is taking place with the parent's or guardian's full knowledge and consent; or

(2) The only items offered for sale by the minor are aluminum cans.

(b) It shall be the duty of a metal recycler to preserve and keep on file and available for inspection such written statements of consent for a period of not less than two years from the date of the transaction.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-62. Change in business name, address or operations.

(a) Should any metal recycler change the name of his business, the metal recycler shall notify the director within ten calendar days following the effective date of the change and shall provide documentation satisfactory to the director reflecting the new business name, including but not limited to, a certificate of assumed name or a certificate of status issued by the Texas Office of the Secretary of State and a certificate of account status from the Texas Comptroller of Public Accounts. The director shall issue a new license reflecting the new business name and the metal recycler must surrender the original license to the director at the time the new license is issued to the metal recycler.

(b) Should any metal recycler change the structure of its business organization, including, but not limited to, any change to the type of business organization under which the metal recycler is organized, the on-site representative, a proprietor, or in the case of a privately-held legal entity, a change of the holders of 50 percent or more of the ownership interest as shown on the license application, then the license shall be null and void unless a new application is made to the director for a new license and the full license fee is paid within ten calendar days following the effective date of the change. The metal recycler must surrender the original license to the director at the time a new license is issued to the metal recycler.

(c) Should any metal recycler move his place of business from the place designated in such license to a new address, he shall not operate as a metal recycler at the new address until:

(1) The metal recycler makes application to the director for a new license and pays the full license fee;

(2) The director determines that the requirements for the issuance of a license as set forth in section 7-55 of this Code are met;

(3) The director issues a new license reflecting the new business address; and

(4) The metal recycler surrenders the original license to the director at the time a new license is issued to the metal recycler.

(d) Should any metal recycler make the following changes in its operations, the metal recycler shall notify the director within ten calendar days following the effective date of the change:

(1) Exclude purchases from individuals, allowing only business to business transactions; or

(2) Expand purchases from solely business to business transactions to include purchases from individuals.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-63. Acceptance of property suspected stolen; peace officer requested holds.

(a) It shall be the duty of every metal recycler to report immediately to the police department, by filing a formal complaint, any offer to sell to the metal recycler property that the metal recycler has actual knowledge or a reasonable belief is stolen, together with the identity, when known, and description of the person or persons making such offer. A metal recycler shall also report to the police department, by filing a formal complaint, any property acquired by the metal recycler that the metal recycler subsequently determines or reasonably suspects to be stolen property and shall furnish such other information as might be helpful to the police department in investigating the matter.

(b) Notwithstanding the provisions of section 7-60 of this Code, it shall be the duty of every metal recycler to hold all suspected stolen property in a secure place on its business premise for 60 days upon request by a peace officer. The metal recycler may not process or remove the property from the secure place on its business premise before the 60th day after receipt of the request from a peace officer to hold the property unless:

(1) The item is released into a peace officer's care, custody and control at an earlier time;

(2) A peace officer releases the hold on the property upon an earlier date; or

(3) A court orders release of the property.

(c) Upon receipt of a written request from a peace officer, a metal recycler may be requested to hold all suspected stolen property in a secure place on its business premise for more than 60 days. A peace officer may request to extend the holding period for up to 24 months from the date the request is received. During this extended holding period, the metal recycler may not process or remove the property from the secure place on its business premise.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-63.1 Purchase of catalytic converters.

(a) It shall be unlawful for any individual or entity other than a metal recycler or other person described by section 1956.123 of the Texas Occupations Code to possess a used catalytic converter that was cut from its original vehicle, rather than unbolted, unless the individual or entity provides the applicable information under subsection (b) of this section. Each catalytic converter in an individual or entity's possession shall constitute a separate offense.

(b) Individuals, except those described in section 1956.123 of the Texas Occupations Code, must provide:

(1) The year, make, model and vehicle identification number for the vehicle from which the catalytic converter was removed;

(2) A copy of the certificate of title or other documentation indicating that the person has an ownership interest in the vehicle from which the catalytic converter was removed; and

(3) Any other information required by chapter 1956 of the Texas Occupations Code.

(Ord. No. 2022-341, § 3, 5-4-2022; Ord. No. 2024-218, § 2, 4-10-2024)

Sec. 7-64. Government or utility property.

(a) It shall be unlawful for any metal recycler or his agents or employees acting on his behalf to purchase or receive property, including but not limited to, street signs, traffic signals, manhole covers, road and bridge guard rails, street light poles and fixtures on which are written or affixed the words "City of Houston" or other words or markings demonstrating ownership by the city except in the following circumstances:

(1) Where the person offering such property for sale is an employee of the city authorized in writing by his department director to make such a sale and provides the metal recycler with written authorization from the director to sell such property; or

(2) Where the person offering such property for sale presents at the time of the offer appropriate documentation from the city evidencing the purchase of the property by the person offering to sell the property.

(b) It shall be unlawful for any metal recycler or his agents or employees acting on his behalf to purchase or receive property that is marked with any form of the name or initials of a governmental agency, including but not limited to, the State of Texas, the United States and any agencies and political subdivisions thereof, or that the metal recycler knows or should reasonably know belongs to a governmental agency, including but not limited to, street signs, traffic signals, manhole covers, road and bridge guard rails, street light poles and fixtures, except:

(1) Where the person offering such property for sale is an employee of the governmental agency authorized by that

agency to make such a sale and provides the metal recycler with a written authorization from the agency for the sale of such property; or

(2) Where the person offering such property for sale presents at the time of the offer appropriate documentation from the governmental agency evidencing the purchase of the property by the person offering to sell the property.

(c) It shall be unlawful for any metal recycler or his agents or employees acting on his behalf to purchase or receive property that is marked with any form of the name or initials of an electrical, telephone, cable, or other public utility company or that the metal recycler knows or should reasonably know belongs to a public utility company unless the person offering such property for sale presents at the time of the offer to sell the property appropriate documentation from the public utility company evidencing the person's authorization to sell the property.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-65. Acceptance of property in original packaging.

It shall be unlawful for any metal recycler or his agents or employees acting on his behalf to

purchase or receive property in its original packaging unless the person offering such item presents a receipt or proof of purchase for that property.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-66. Acceptance of property inscribed with company name.

It shall be unlawful for any metal recycler or his agents or employees acting on his behalf to purchase or receive property that is marked with any form of the name or initials of a private company or that the metal recycler knows or should reasonably know belongs to a private company unless the person offering such property for sale presents at the time of the offer to sell the property a written and signed statement from the seller attesting to lawful ownership of the property, a receipt from the lawful owner, or a written, signed statement from the lawful owner of the property providing that the seller has authorization to sell or otherwise transfer that property.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-67. Acceptance of property delivered by shopping cart.

It shall be unlawful for any metal recycler or his agents or employees acting on his behalf to purchase or receive property that is transported to the metal recycler's place of business by a shopping cart that is marked with any form of the name or initials of a private company or that the metal recycler knows or should reasonably know belongs to a private company unless the person operating the shopping cart presents at the time of transportation of the property to the metal recycler appropriate documentation evidencing the purchase or other lawful transfer of the shopping cart by or to the person operating the shopping cart.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-68. Acceptance of air conditioning unit parts and burned insulated wire.

(a) It shall be unlawful for any metal recycler or his agents or employees acting on his behalf to purchase or receive any central air conditioning unit parts from any person offering such property for sale unless the person presents:

(1) A valid city-issued or state-issued HVAC permit or a permit issued by the city to a homeowner for the installation, alteration, or repair of an air-conditioning system at a particular address. This provision shall not apply to window air conditioning units;

(2) A receipt, bill of sale, or other documentation showing that the seller purchased the central air conditioning unit parts the seller is attempting to sell; or

(3) A receipt, bill of sale, or other documentation showing that the seller has purchased a replacement central heating or air conditioning unit.

(b) It shall be unlawful for any metal recycler or his agents or employees acting on his behalf to purchase or receive from any person any insulated wire that has been burned wholly or partly to remove the insulation unless the person offering the insulated wire presents appropriate documentation that shows that the insulated wire was salvaged from a fire.

(c) The provisions of this section shall not apply to a metal recycler's purchase or receipt of window air conditioning units.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-69. Inspections.

(a) The chief of police or his designee is hereby authorized and directed to conduct inspections on an applicant or metal recycler's place of business as necessary or desirable to determine satisfactory compliance with this article and all other applicable ordinances and laws.

(b) Each metal recycler's place of business shall be subject to periodic inspections to determine compliance with the requirements of this article or applicable rules and regulations.

(c) In consideration for the payment of the license fee required for this provision in the city fee schedule, an applicant shall be entitled to an initial inspection of the applicant's proposed place of business and, if necessary, one reinspection to verify corrections of any deficiencies noted in the initial inspection. An additional fee, as stated for this provision in the city fee schedule, is hereby imposed and shall be collected from each applicant who requests in writing a second reinspection to verify corrections of deficiencies noted in the first reinspection. Failure to pass the second reinspection is grounds for the denial of a license required under this article.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-70. Operation of yards used by a metal recycler; hours for purchasing materials.

(a) *Compliance.* All lots or tracts of land owned, used or operated within the city by a metal recycler for the following purposes shall comply with all city ordinances including this Code, and specifically section 28-34 of this Code:

(1) To store loose or bailed inventory outside of an enclosed structure;

(2) To store equipment outside of an enclosed structure; or

(3) To process scrap metal outside of an enclosed structure.

(b) *Removal of flammable liquids from vehicles.* All gasoline, gasohol, diesel fuel or other flammable liquids shall be completely drained and removed from any junked, wrecked or abandoned automotive vehicle before the vehicle is placed in any lot or tract of land described in subsection (a) of this section. All flammable liquids drained from any vehicle shall be stored in a safe manner and in strict accordance with the Fire Code.

(c) *Fencing, wall requirements.* Every lot or tract of land described in subsection (a) of this section shall be completely surrounded and enclosed by a solid fence or wall as follows:

(1) All fences or walls must be at least six feet in height.

(2) The term "solid" as used in this section shall mean constructed and maintained so that the outer surface is continuous and without interstices, gaps, spaces or holes. This shall not be construed to prohibit any spaces or gaps left by a properly constructed and maintained chain link fence with strips or slats as provided in this section.

(d) *Construction, maintenance of fence or wall.* Every fence or wall required in this section shall be constructed and maintained in good repair as follows:

(1) All fences shall be constructed of wood, masonry, corrugated sheet metal, chain link, or any combination thereof; provided, however, that any one side shall be bounded by a fence or wall constructed of only one of the above materials.

(2) Chain link fences shall be constructed of galvanized chain link fencing with wood or metal slats or strips run through all links of the chain link fence.

(3) All fences or walls shall extend downward to within three inches of the ground and shall test plumb and square at all times.

(4) All fences or walls shall be constructed in compliance with all applicable provisions of the Construction Code.

(e) *Use of wall, door of structure as part of fence or wall.* Any part of a fence or wall required by subsection (c) of this section may consist, in whole or in part, of a solid wall and door, or walls and doors of any completely enclosed structure on said premises, if such wall or door meets all construction requirements set forth in subsection (d) of this section.

(f) *Gates at openings in enclosure.* Openings in the enclosed fence or wall which are necessary to permit reasonable access to a lot or tract of

land shall be equipped with a gate or gates, constructed and maintained in accordance with the requirements for a fence or wall described in subsection (d) of this section. Such gates shall be closed and securely locked at all times except during normal business hours.

(g) *Use of premises outside enclosed fence or wall.* It shall be unlawful for a metal recycler to display, store or work on any junked or wrecked automotive vehicle, home appliances, or any parts, accessories or junk thereof or any other new or used metal materials outside of the fence or wall required in this section.

(h) *Arrangement of materials.* All automotive vehicles, parts and other materials located in or on any lot or tract of land described in subsection (a) of this section shall be so arranged to allow reasonable access to, and inspection of, the premises at any time during ordinary business hours by authorized representatives of the city's fire, health and police departments and the department of neighborhoods. No materials shall be stored at a height greater than six feet within ten feet of the fence required in this section.

(i) *Control of vegetation.* It shall be unlawful to allow grass or other vegetation to grow to a height of more than nine inches above the ground in any lot or tract of land described in subsection (a) of this section.

(j) *Improved surface.* All lots or tracts of land described in subsection (a) of this section shall have an all-weather surface of concrete, asphalt, black-top, stone, macadam, limestone, iron ore, gravel, shell, slag or other hard fill surface and appropriate drainage. This subsection shall not include those areas of a yard which are utilized for purposes of inventory storage and processing.

(k) *Vector and rodent control.* Any materials stored on a lot or tract of land described in subsection (a) of this section must be stored in a manner that will allow adequate vector and rodent control measures. A metal recycler shall provide for vector and rodent control at least once within a 90-day period or more frequently as needed.

(l) *Hours of operation.* A metal recycler may only purchase scrap metal from the general public on Monday through Saturday between the hours of 6:00 a.m. and 7:00 p.m.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

DIVISION 4. REVOCATION

Sec. 7-71. Revocation of a license.

(a) *Grounds for revocation.* A license issued under this article may be revoked pursuant to the procedures set forth in section 7-7 of this Code if the director determines that:

(1) The licensee or the licensee's place of business has not been in compliance with the requirements of any provision of Chapter 1956 of the Texas Occupations Code, this article or any applicable rules or regulations since the license was issued;

(2) The licensee obtained a license by means of fraud, misrepresentation, or concealment of a fact or that the licensee falsified his original application for a license;

(3) Any fact or circumstance exists that would be a basis for denial of an application for issuance or renewal of a license, or the license was otherwise obtained or issued in error; or

(4) Any person listed on the licensee's original application has since the license was issued been convicted of any applicable offenses specified in section 1-10 of this Code.

(b) *Suspension or revocation of state-issued certificate of registration.* When a metal recycler's state-issued certificate of registration is suspended or revoked, the metal recycler shall immediately limit its operations by excluding all public transactions involving the purchase of regulated material for the duration of the suspension or revocation. Notwithstanding the provisions of section 7-62 of this article, a metal recycler shall notify the director within three days of a suspension or revocation of his state-issued certificate of registration. A metal recycler may resume engaging in public transactions involving the

purchase of regulated material once its state-issued certificate of registration has been reinstated.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

DIVISION 5. VARIANCES

Sec. 7-72. Variance procedure.

(a) A licensee or an applicant for a metal recycler license may make written application to the director on a form promulgated by the director for a variance from the requirements regarding open storage contained in section 28-34 of this Code. The applicant shall provide the following:

(1) The name and address of the fixed location of the business;

(2) A statement of the extent of the variance sought and the specific facts and reasons that the applicant believes warrant the granting of the variance;

(3) The nonrefundable fee stated for this provision in the city fee schedule; and

(4) Any other information that the director may reasonably require.

(b) A staff report regarding the variance request shall be provided to the director prior to his consideration of the variance request.

(c) The director shall consider the variance application and make a determination to grant or deny the variance within ten business days of receipt of the variance application. All determinations shall be issued in writing, contain the reasons the variance was granted or denied, signed by the director, and issued to the applicant at the address provided in the application.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-73. Standards for variances.

The director is authorized to consider and grant variances from the provisions of section 28-34 of this Code if the director determines that:

(1) That the circumstances supporting the granting of the variance are not the result of a hardship imposed or created by the applicant;

(2) That, in the sole discretion of the director, the intent and general purposes of this article will be preserved and maintained and that the granting of the variance will not be injurious to the public health, safety or welfare.

(3) At least 75% of the surrounding properties in a 1500 foot radius, as measured from the property line of the applicant's place of business, are used for commercial or industrial purposes; and

(4) No more than 25% of the surrounding properties in a 1500 foot radius, as measured from the property line of the applicant's place of business, are designated for tax appraisal purposes as residential by the Harris County Appraisal District if situated in the city or by the appraisal district of the county in which the applicant's place of business is situated if not situated in the city.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-74. Applicability of variance.

Any variance granted under the provisions of this division will apply only to the specific property and use upon which the director was requested to grant a variance by the applicant. All variances as granted shall be in writing, signed by the director and maintained by the director in accordance with the appropriate record retention schedule.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-75. Renewal of variance.

A variance granted under this division shall be valid for 20 years from the date of issuance. Any applicant whose variance is expiring and who desires to renew the variance shall make written application for a renewal of the variance in the manner provided in this division not more than 30 days prior to the expiration of the variance. All the requirements of this division must be met before a new variance may be issued.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Sec. 7-76. Appeal.

(a) Any applicant for a variance whose application has been denied may request a hearing regarding the denial of the variance. The request must be made in writing and provided to the director within ten business days of the date of the director's denial of the variance. If the applicant does not request a hearing within ten business days, the denial of the variance is effective on the 11th business day after the date of the director's denial of the variance.

(b) The hearing shall be conducted within 20 business days of the director's receipt of the request and shall be conducted by a hearing officer employed by the municipal courts department of the city designated to conduct administrative hearings and enter orders in the manner provided in this section. The hearing officer shall deny the variance if he determines by a preponderance of the evidence that grounds exist to deny the variance. At the hearing, the applicant may be represented by an attorney, present evidence and cross-examine witnesses.

(c) The hearing officer shall give written notice to the applicant of his findings as to whether or not the variance should be granted and the reasons therefor. The notice shall be by certified mail, return receipt requested, as soon after the conclusion of the hearing as practicable, but in no event more than 30 days thereafter. The decision of the hearing officer shall be final.
(Ord. No. 2016-964, § 4(Exh. A), 12-7-2016)

Secs. 7-77—7-80. Reserved.

ARTICLE IV. CRAFTED PRECIOUS METALS DEALERS

Sec. 7-81. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings assigned to them in this section, except where the context clearly indicates a different meaning:

Crafted precious metal means jewelry, silverware, an art object, or another object made wholly or partly from precious metal, other than a coin, a bar, a commemorative medallion, or scrap or a broken item selling at five percent or more than the scrap value of the item.

Dealer means a person licensed to engage in the business of purchasing and selling crafted precious metal (including purchases or sales made through the mail), except for coins, bars, commemorative medallions, or items that the dealer purchases for five percent or more than the scrap value.

Licensee means any person licensed as a dealer pursuant to this article.

Permanent registered location means a location where a crafted precious metals dealer engages in the business of buying crafted precious metal for one year or longer.

Precious metal means gold, silver, platinum, palladium, iridium, rhodium, osmium, ruthenium, or an alloy of those metals.

Scrap value means the value at which an item would be purchased by a person who will melt the item or otherwise transform it so that it will not be used for its original purpose.

Tableware means any flatware, dishes, serving pieces or other items designed or intended to be used in connection with the serving or eating of food when the items are made of any precious metal or wholly or partially plated with a precious metal.

Temporary dealer means any person who conducts business as a dealer in the city for a period of time not to exceed one year but does not have a permanent place of business in the city.
(Ord. No. 2013-111, § 18, 2-6-2013)

Sec. 7-82. License required; display, exceptions.

(a) No person shall operate as a dealer or own any such business or engage in the business of buying, trading, or otherwise receiving jewelry, used tableware, or other used items containing precious stones or made of or plated with precious metals unless he is licensed pursuant to this article, is licensed as a pawnbroker pursuant to the statutes of the state or is acting in the employment of one licensed under one of the

above-listed laws. A separate license shall be required for each permanent location of any such business. A license issued under this subsection shall be marked to indicate that the business is authorized to deal only in the items listed in this article and shall be posted in a conspicuous place upon the licensed premises.

(b) A dealer must provide and display valid city and state license numbers on all forms of advertisement (i.e., print, video, internet, and radio) for business conducted within the city limits.

(c) Exceptions to the applicability of this article are as provided in the Texas Occupations Code, Chapter 1956, Subchapter B.
(Ord. No. 2013-111, § 18, 2-6-2013)

Sec. 7-83. Application for license.

(a) Any person desiring a license required by this article shall make application therefor in writing to the director on an application form provided for that purpose. On the application, the applicant shall provide the following information:

(1) The full name of the applicant, the street address where the business is to be located, and the residence address of each owner, manager and operator of the business;

(2) Whether any owner or operator is an individual, partnership, corporation, or other legal entity; provided, however, that the type of business organization shall include only those organizations recognized by the Texas Business Organizations Code ("BOC") and authorized to engage in the type of business covered by this article, and if the organization is a foreign entity required to register under Chapter 9 of the BOC, full and complete copies of the organization's current registration;

(3) If any owner or operator is a corporation, all officers of the corporation; and if there are fewer than five shareholders, the names of all shareholders;

(4) If any owner or operator is a partnership, the type of partnership and names and addresses of all general partners, and for limited partnerships, the names and addresses of all members;

(5) If any owner or operator is an unincorporated association, the names and addresses of all officers of the association;

(6) If any applicant does business under an assumed name as that term is defined in Texas Business and Commerce Code section 71.002, all assumed names used;

(7) The person responsible for the on-site day-to-day operation of the applicant's permanent registered location and a person responsible for each temporary location;

(8) The location where the business will be conducted, along with a copy of the certificate of occupancy for the location;

(9) The time period or periods during which the business will be conducted, including hours of operation;

(10) A copy of the certification of registration issued by the Office of Consumer Credit Commissioner (OCCC) of the State of Texas; and

(11) Any other information reasonably required by the director for the purpose of processing the application under the requirements of this article.

(b) The application form shall be accompanied by an affidavit, sworn to by the applicant, (or declaration pursuant to Texas Civil Practice and Remedies Code § 132.001) acknowledging that the applicant:

(1) Including his business partners, and, in the case of a corporation, all corporate officers, have not had a license revoked under this chapter or any preceding city ordinance governing the business described herein;

(2) Has read the application and agrees to all of its terms and provisions;

(3) Affirms the correctness and accuracy of the information given on the application; and

(4) Affirms that he has the authority to bind the applicant to all of the terms, provisions and requirements of the application.

(Ord. No. 2013-111, § 18, 2-6-2013)

Sec. 7-84. Temporary license.

A temporary dealer who wishes to purchase crafted precious metals in the city must apply for and secure a license for each location. An application for a temporary dealer's license shall be submitted as required in section 7-83, not later than 30 business days prior to the desired effective date of the license, and shall contain, for each location:

(1) The approximate dates and hours of operation for each temporary location; and

(2) The name of the person responsible for on-site operations and compliance with applicable laws at each temporary location.

(Ord. No. 2013-111, § 18, 2-6-2013)

Sec. 7-85. Issuance, denial, fees.

(a) Upon receipt of an application, the director shall investigate the items sworn to by affidavit or declaration. An application is complete when the application contains the information required by this article and is accompanied by the payment of the license fee.

(b) Within 30 days of receiving an incomplete application, the director will provide written notice to the applicant stating that the application is incomplete and specifying the additional information required for completion. If the director requests additional information and the applicant does not respond within 30 days, the application will be considered withdrawn, and the applicant must reapply to obtain a license.

(c) For temporary licenses, within ten business days of receiving an incomplete application, the director will provide written notice to the applicant stating that the application is incomplete and specifying the additional information. If the applicant does not respond within ten business days, the application will be considered withdrawn, and the applicant must reapply to obtain a temporary license.

(d) Upon receipt of a complete application for a temporary or permanent license, the director shall issue a license to the applicant unless:

(1) The information provided in the application is materially false or incorrect;

(2) The applicant has violated the provisions of this chapter;

(3) The applicant or any of the applicant's principals are not in compliance with the criminal history provisions of section 1-10 of this Code; or

(4) The applicant, his business partners or corporate officers have had a license revoked under this article or a preceding city ordinance governing the business described herein within the last five years.

(e) If the director denies the application, he shall give written notice by personal delivery or certified mail, return receipt requested, to the applicant at the address stated in the application. The written notice shall specifically set forth the reasons for the denial and shall be subject to an appeal pursuant to the procedures in section 7-7 of this Code.

(f) The annual fee for a license issued pursuant to this article for a dealer with a permanent place of business within the city is stated for this provision in the city fee schedule. The license, unless revoked, shall be valid for one year from the date of issuance.

(g) A temporary dealer shall pay the daily license fee for each show. The daily license fee is stated for this provision in the city fee schedule.

(Ord. No. 2013-111, § 18, 2-6-2013)

Sec. 7-86. Change in business name or address; notice.

(a) Should any person licensed under this article move his permanent place of business from the place designated in the license to a new address, he shall immediately give written notice to the director and have the change noted on his

license. The fee stated for this provision in the city fee schedule, payable to the director, is hereby levied for such a change.

(b) The director will rely on the mailing and e-mail addresses currently on file to contact dealers. The failure to maintain a current mailing or e-mail address with the director is not a defense to any action based on a dealer's failure to respond to notifications from the director.
(Ord. No. 2013-111, § 18, 2-6-2013)

Sec. 7-87. Use of license at shows, other locations.

Each licensee with a permanent business location in the city may use the license for that business when attending shows or conducting business at other locations in the city.
(Ord. No. 2013-111, § 18, 2-6-2013)

Sec. 7-88. Required recordkeeping; transaction report form, scrap value estimation, receipt.

(a) A dealer shall keep at his place of business a record of all purchases of crafted precious metals in a real-time electronic web-based database, in a form and method approved by the chief of police. The record shall be updated daily, with a full description in English of each transaction in which personal property is purchased or otherwise received at the dealer's licensed place of business.

(b) The dealer must prepare a transaction report form for each transaction. The report form shall be preprinted and pre-numbered, and shall contain all the following information:

(1) The date of purchase.

(2) The name and address of the dealer's permanent business location.

(3) The name and address where the dealer purchased the crafted precious metal, if the location is different than the dealer's permanent business location and the transaction takes place in person.

(4) The dealer's registration number.

(5) The full name of the seller, as listed on the seller's driver's license or personal identification certificate as defined by Texas Occupations Code § 1956.001(8).

(6) A physical description of the seller to include date of birth, height, eye color, and gender.

(7) The physical address where the seller is residing at the time of the transaction.

(8) The seller's driver's license number or personal identification number from the following unexpired forms of identification:

a. A driver's license number from Texas or another state within the United States;

b. An identification card issued by the Texas Department of Public Safety;

c. A United States military identification card; or

d. A United States passport or visa, or other identification issued by the United States government as described in the administrative rules promulgated pursuant to section 7-93 of this Code.

(9) A clear digital photograph of the seller, in accordance with the administrative rules issued by the director and the chief of police.

(10) A clear thumbprint from the seller.

(11) The seller's certification that the seller's name and address, as well as the description of the crafted precious metal, are true and complete.

(12) The seller's representation that the seller has the right to possess and sell the property.

(13) A description of the crafted precious metal purchased by the dealer, accompanied by a clear digital image of each item purchased, including the:

a. Total number of items purchased by the dealer;

b. Type of each item (e.g., fork, tray, chain, ring);

c. Type, color and purity of each kind of metal purchased (e.g., 10 karat white gold, 0.925 sterling silver);

d. Weight in troy ounces, grams, or pennyweights for each kind of metal;

e. Amount paid by the dealer for each kind of metal;

f. Color (e.g., clear, blue, green), number, and approximate size (e.g. small, medium, large) of any stones and which item(s) included those stones;

g. Size or length of each item (e.g., size 7, 18 inches);

h. Any discernible serial numbers;

i. Any engravings, inscriptions, distinctive markings, or designs;

j. Gender for which any jewelry item was manufactured, if identifiable; and

k. Any unique markings that are not visible and identifiable from the photographic images.

(14) The total amount paid to the seller by the dealer.

(15) The notice regarding oversight of precious metals dealers by the state's Office of Consumer Credit Commissioner and the office's contact information for consumer complaints as required by Title 7 of the Texas Administrative Code, Part 5, Ch. 85, Subch. B, Div. 2, Rule 85.2001(a).

Additional information is permissible on the transaction report form as long as it is not misleading with respect to rights arising under the law.

(c) The dealer shall maintain a scrap value estimation record for each purchase of crafted precious metal, including a reasonable good faith estimate of the each item's scrap value or the percentage of scrap value that the dealer will pay the seller. The scrap value estimation is not required on the seller's receipt copy of the transaction report form, but must be included on the dealer's copy, which must be maintained for a period of not less than three years, pursuant to Texas Occupations Code § 1956.063.

(d) The dealer shall submit the required records to the real-time electronic web-based database by the close of business on each day on which the dealer is open for business. Failure to comply with any provision of this section shall be grounds for the revocation of or the refusal to issue or renew a dealer's license. Any person violating any provision of this section shall be punished as provided by section 1-6 of this code.

(e) The dealer, his agents, or employees shall supply a consecutively-numbered receipt to the seller or transferor of the property. The receipt shall be dated on the actual date of the transaction and shall list the items sold or otherwise transferred. A printed version of the record input to the real-time electronic web-based database shall satisfy this requirement. An accurate copy or record of receipts shall be retained for a period of not less than three years.

(f) A dealer and every person engaged in the business of buying, trading or otherwise receiving crafted precious metals in any form shall, upon request, submit and exhibit the various business records required to be maintained under this section for inspection and copying to any peace officer or authorized inspector of the director. Failure to maintain or to so permit the examination or copying of the records when requested shall be a misdemeanor.
(Ord. No. 2013-111, § 18, 2-6-2013; Ord. No. 2016-964, § 5, 12-7-2016)

Sec. 7-89. Stock to be open for examination.

The stock or inventory of any dealer that is openly displayed and available to the public shall at any time during ordinary business hours be accessible for examination by any peace officer or authorized inspector of the department of administration and regulatory affairs. Failure to permit an examination when requested shall be a misdemeanor.
(Ord. No. 2013-111, § 18, 2-6-2013)

Sec. 7-90. Articles to be retained, placed on hold, exceptions.

(a) No dealer shall sell, dismantle, deface, melt, or in any manner alter or dispose of any item purchased or otherwise received at the dealer's licensed place of business for 11 days after receipt. During the 11-day period, all items of property shall be stored or displayed at the dealer's permanent business location or in a secure location readily accessible to the dealer, in the exact form received, and in a manner so as to be identifiable from the description entered in the record book. The property shall not be kept so as to prevent or impede its examination hereunder and shall be available for inspection by a peace officer within 24 hours of a peace officer's request to inspect the property.

(b) A dealer may not melt, deface, alter, or dispose of crafted precious metal received by the dealer before the 11th day after the required report is filed unless:

(1) The peace officer to whom the report is submitted, for good cause, authorizes the disposition of the metal;

(2) The dealer obtains the name, address, and description and other information pertaining to the buyer as required in section 7-88(b) of this article and retains a record of that information; or

(3) The dealer is a pawnbroker and the disposition is the redemption of pledged property by the pledger.

(c) A peace officer who has a reasonable suspicion that an item of crafted precious metal in a dealer's possession is stolen may place the item on hold for a period not to exceed 60 days by issuing to the dealer a written notice that specifically identifies the item alleged to be stolen and subject to the hold, and informs the dealer of the requirements of this section.

(d) On receiving notice from a peace officer that an item is placed on hold, the dealer may not melt, deface, alter, or dispose of the identified crafted precious metal until the hold is released in writing by a peace officer of this state or by court order.

(e) Failure to comply with any provision of this section shall be grounds for the revocation of or the refusal to issue or renew any license required of a dealer under this Code. Any person violating any provision of this section shall be punished as provided by section 1-6 of this Code.
(Ord. No. 2013-111, § 18, 2-6-2013)

Sec. 7-91. Purchasing or receiving goods from minors.

No dealer shall purchase or otherwise receive in the course of his business any item, ownership of which is claimed by any minor, or which may be in the possession of or under control of a minor, unless the minor's parent or guardian shall state in writing, that the transaction is taking place with the parent's or guardian's full knowledge and consent. It shall be the duty of the dealer to preserve and keep on file, and available for inspection, the written statements of consent, for a period of three years.
(Ord. No. 2013-111, § 18, 2-6-2013)

Sec. 7-92. Revocation of license.

(a) A license may be revoked pursuant to the procedures in section 7-7 of this Code if:

(1) Any information supplied in the permit application was materially false or incorrect;

(2) The license was issued as a result of error;

(3) The licensee has failed to operate in compliance with any applicable provision of the license or this chapter; or

(4) The licensee has violated the provisions of this chapter, or is not in compliance with the criminal history provisions of section 1-10 of this Code.

(b) A dealer whose registration has been revoked may not reapply for five years from the date of revocation.
(Ord. No. 2013-111, § 18, 2-6-2013)

Sec. 7-93. Administrative rules.

The director and the chief of police shall promulgate rules and regulations to administer

the provisions of this ordinance. The rules and regulations shall not conflict with any applicable provisions of this Code. All rules and regulations so promulgated shall be kept on file for public inspection at the office of the director and the office of the chief of police.
(Ord. No. 2013-111, § 18, 2-6-2013)

Secs. 7-94—7-100. Reserved.

ARTICLE V. COMMON MARKETS*

Sec. 7-101. Definitions.

The following words and phrases shall have the following meanings in this article unless otherwise clearly indicated in the text. Words not defined shall be interpreted in their usual sense.

Common market shall mean any tract of land, including all improvements thereon, on which three or more spaces, booths and/or rooms are rented or let for a period not to exceed eight consecutive days, for the purpose of selling used goods or handicrafts, artisan products and original works of art, including the activities conducted at 'certified farmer's markets,' as defined in this Code. However, if the lessor rents or lets three or more spaces, booths, and/or rooms, for a period not to exceed eight consecutive days, for purposes other than the sale of used goods, and subsequently permits the sale of used goods from three or more spaces, booths and/or rooms, that tract shall be deemed a common market.

Used goods shall mean any items, goods, products, wares, chattels, or articles of any kind or character which have previously been owned by someone other than the manufacturer or a dealer whose business it is to sell such when new to the consumer.
(Code 1968, § 12½-1; Ord. No. 78-1884, § 1, 9-26-78; Ord. No. 09-931, § 13, 10-7-09)

*__Cross references—__The Houston Festival, § 12-81 et seq.; rat-proofing for curb and farmer's markets, § 21-128 et seq.; itinerant vendors, Ch. 22.

Sec. 7-102. License required; display of licenses.

No person shall own or operate a common market unless he has a valid license issued by the director of administration and regulatory affairs. Any person who owns or operates a common market at more than one location must obtain a license for each separate location. In the event the person who operates a common market is not the owner thereof, both the owner and the operator shall be co-licensees. Each license required under this article shall be conspicuously posted upon the licensed premises.
(Code 1968, § 12½-2; Ord. No. 78-1884, § 1, 9-26-78; Ord. No. 08-52, § 29, 1-16-08, eff. 1-26-08)

Sec. 7-103. Application for license.

(a) To obtain a license to own or operate a common market, the applicant shall submit an application therefor in writing to the director of administration and regulatory affairs on a form furnished by the department for that purpose. The applicant shall set forth:

(1) The name and address of the common market.

(2) The name and address of the persons who will operate the common market.

(3) If the owner or operator is a corporation, all officers of the corporation; and if there are fewer than five shareholders, the names of all shareholders.

(4) If the owner or operator is a partnership, the names and addresses of all partners.

(5) If the owner or operator is an association, the names and addresses of all officers of such association.

(6) The street address where the common market is located.

(7) The legal description of the property on which the common market is located.

(8) Whether or not any person required to be listed on the application has had a license revoked under this article at any time.

(9) A notarized written affidavit of consent from the property owner of the real property on which the common market will be operated that the operator has permission to be on the property and that the operator has permission to operate a common market; the affidavit must contain the contact number at which the owner may be reached at all times.

(b) Such application shall be subscribed and sworn to by all owners and operators of the specified market before an officer authorized to administer oaths.
(Code 1968, § 12½-3; Ord. No. 78-1884, § 1, 9-26-78; Ord. No. 08-52, § 30, 1-16-08, eff. 1-26-08; Ord. No. 09-931, § 14, 10-7-09)

Sec. 7-104. License issuance; notification upon rejection.

The director of administration and regulatory affairs shall issue a license upon submission of an application in accordance with this article and payment of the license fee, unless he finds the applicant cannot be granted a license under section 7-105 of this Code.

If the director of administration and regulatory affairs rejects the application, he shall give written notice by certified mail, return receipt requested, to the applicant stating the reasons for such rejection. If an application is rejected on a finding that the applicant cannot be granted a license under section 7-105 of this Code, no portion of the license fee shall be refunded.
(Code 1968, § 12½-4; Ord. No. 78-1884, § 1, 9-26-78; Ord. No. 08-52, § 31, 1-16-08, eff. 1-26-08)

Sec. 7-105. Grounds for not issuing license.

No person may be granted a license to own or operate a common market at a particular location if:

(1) Any statement made in the application was incomplete or false.

(2) Any person required to be listed on the application has had a license revoked under this article.

(Code 1968, § 12½-5; Ord. No. 78-1884, § 1, 9-26-78)

Sec. 7-106. Transfer of license.

Any license issued in accordance with this article is personal to the applicant and is neither transferable, nor alienable.
(Code 1968, § 12½-6; Ord. No. 78-1884, § 1, 9-26-78)

Sec. 7-107. License expiration and renewal.

Each license issued in accordance with this article shall expire one year from the date of issuance. The license may be renewed by submitting an application in accordance with section 7-103 of this Code and payment of the license fee.
(Code 1968, § 12½-7; Ord. No. 78-1884, § 1, 9-26-78)

Sec. 7-108. License fee.

(a) The annual fee for each license to own and operate a common market, broken down by number of vendors or booths; there shall be one fee for markets with 0 to ten vendors or booths; a different fee for markets with 11 to 20 vendors or booths; and yet a different fee for markets with more than 20 vendors or booths. The fees are stated for this provision in the city fee schedule.

(b) The operator of the common market must obtain the common market license; said license will cover all vendors within that market and said vendors are exempt from obtaining separate permits for that common market.
(Code 1968, § 12½-8; Ord. No. 78-1884, § 1, 9-26-78; Ord. No. 09-931, § 15, 10-7-09; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 7-109. Licensee to keep records.

(a) Each person who is licensed pursuant to the provisions of this article shall cause to be kept a record of each transaction in which a space, booth and/or room in a common market is rented or let, unless such space, booth, and/or room is rented or let for 30 consecutive days or more and such space, booth and/or room will be open for business not less than five days per week. Such record shall include:

(1) The name of each person renting or leasing the space, booth and/or room.

(2) The dates of such space, booth and/or room may be used by the person renting or leasing the same.

(3) The name of all persons who will be selling or assisting the lessee in selling goods in that space, booth and/or room.

(4) The mailing address of each person renting or leasing a space, booth and/or room and of each person selling and/or assisting in the selling of goods in that space, booth and/or room.

(5) The driver's license number of each person renting or leasing a space, booth and/or room, and of each person selling and/or assisting in the selling of goods from that space, booth and/or room; or if any such person does not have a valid driver's license and is 16 years of age or older, such person shall be required to present a personal identification certificate issued by the Texas Department of Public Safety and the number of such personal identification certificate shall be listed in the record required under this section.

(6) The license plate number, make, model, and color of the vehicle used by each person selling or assisting in the selling of goods from a space, booth or room.

(b) The licensee shall maintain the records so described in a record book which has a carbon copy, the original being the city police department's copy and the carbon being for the licensee's records. The licensee's copies shall be available for inspection by any peace officer or authorized inspector of the department of administration and regulatory affairs during regular business hours. The licensee shall maintain his copies of such records for six months after the dates the persons listed were permitted to use such space, booth or room and shall maintain the originals for the same period unless the police department has taken custody of the originals prior to the expiration of that time. It will be the responsibility of the police department to pick up the original copies of the records.

(c) The licensee shall not permit any person to sell or assist in the selling of any goods from any space, booth or room for which a record is required to be kept by this section unless such person is listed in the licensee's records.
(Code 1968, § 12½-9; Ord. No. 78-1884, § 1, 9-26-78; Ord. No. 08-52, § 32, 1-16-08, eff. 1-26-08)

Sec. 7-110. Examination of goods.

(a) All goods located on the property of the common market which are openly displayed or available for purchase in a space, booth or room for which a record must be kept under section 7-109 of this Code shall be accessible for examination by any police officer of the city at any time the common market is open to the public.

(b) Prior to renting or letting any space, booth and/or room for which a record must be kept under section 7-109 of this Code, the licensee shall give written notice to the person renting or letting such space of the provisions of subsection (a) above.
(Code 1968, § 12½-10; Ord. No. 78-1884, § 1, 9-26-78)

Sec. 7-111. Grounds for revocation of license.

A license issued under this article may be revoked in accordance with the following procedures if it is found that:

(a) The licensee has violated any provisions of this article.

(b) Any person required to be listed on the application for the license has, since the license was granted, violated any federal or state criminal statutes involving theft or fraud after such license was granted.

(c) Any statements made in the application for the license were known to be false or should have been known to be false by any person required to sign the application.
(Code 1968, § 12½-11; Ord. No. 78-1884, § 1, 9-26-78)

Sec. 7-112. Investigation of facts prior to revocation of license; notice to licensee of possible revocation.

Whenever the director of administration and regulatory affairs receives reliable information that grounds for revocation of a license exists, he shall investigate the facts. If he finds that there are probable grounds for revocation of a license, he shall give written notice to the licensee by personal service or by certified mail, return receipt requested. Such notice shall set forth:

(1) The specific grounds upon which the license in question may be revoked.

(2) That there will be a hearing before the director of administration and regulatory affairs or his designee in which the city will seek the revocation of the license.

(3) The date, time and place of such hearing.

(4) That the licensee may appear in person and/or be represented by an attorney and may present testimony and may examine all witnesses.

In the event the address of the licensee is unknown or notice which has been mailed is returned undelivered, service upon any agent of the licensee at the common market shall be deemed service upon the licensee.
(Code 1968, § 12½-12; Ord. No. 78-1884, § 1, 9-26-78; Ord. No. 08-52, § 33, 1-16-08, eff. 1-26-08)

Sec. 7-113. Hearing on license revocation.

(a) All hearings shall be held by the director of administration and regulatory affairs or his designee. Such officer shall be referred to as the hearing officer. However, the director of administration and regulatory affairs shall not designate any person to perform the duties of hearing officer under this section who has participated in the investigation or has prior knowledge of the allegations or circumstances discovered in the course of said investigation except those set forth in the notice given pursuant to section 7-112 of this Code.

(b) All hearings shall be conducted under rules consistent with the nature of the proceedings, and only evidence presented at such hearing may be considered in rendering the final order.
(Code 1968, § 12½-13; Ord. No. 78-1884, § 1, 9-26-78; Ord. No. 08-52, § 33, 1-16-08, eff. 1-26-08)

Sec. 7-114. Failure of licensee to appear at hearing.

If the licensee fails to appear at the hearing at the date and time specified, the city shall introduce evidence to establish a prima facie case showing that grounds exist for revocation of the license.
(Code 1968, § 12½-14; Ord. No. 78-1884, § 1, 9-26-78)

Sec. 7-115. Findings of hearing officer.

After completion of the presentation of evidence by all parties appearing, the hearing officer shall make written findings in an order as to whether or not there are grounds for revocation of the license, and if there are such grounds setting forth in such written findings the specific facts supporting such grounds. If the hearing officer finds that grounds do exist for revocation of the license, he shall revoke the license for such common market. A true and accurate copy of the hearing officer's order shall be personally delivered or sent by certified mail, return receipt requested, to the licensee.
(Code 1968, § 12½-15; Ord. No. 78-1884, § 1, 9-26-78)

Sec. 7-116. License fee not to be refunded upon revocation of license.

In the event any such license is revoked by the hearing officer, the city shall not be liable to any person for any refund of any part of the license fee.
(Code 1968, § 12½-16; Ord. No. 78-1884, § 1, 9-26-78)

Sec. 7-117. Applicability of other ordinances.

Persons who sell used goods from a space, booth or room in a common market shall not be

required to comply with the requirements of articles II or III of this chapter, except that any person who engages in the business of selling used goods in one or more common markets on five or more days, whether such days are consecutive or not, in any two consecutive month period must comply with all applicable requirements of such articles.
(Code 1968, § 12½-17; Ord. No. 78-1884, § 1, 9-26-78)

Sec. 7-118. Reserved.

Editor's note—Ord. No. 09-410, § 22, adopted May 13, 2009, repealed § 7-118 in its entirety. Formerly said section pertained to Penalty for failure to obtain license or violation of article and derived from Code 1968, § 12½-18; Ord. No. 78-1884, § 1, 9-26-78; Ord. No. 92-1449, § 10, 11-4-92.

Secs. 7-119, 7-120. Reserved.

ARTICLE VI. SECONDHAND RESELLERS

Sec. 7-121. Definitions.

The following words, terms and phrases, when used in this article, shall have the same meanings as provided in this section, except where the context clearly indicates a different meaning:

Secondhand reseller means any person who offers or exposes for sale, barters, trades, delivers, consigns, leases, possesses with intent to sell, or disposes of in a commercial manner any item that was previously used in any manner other than use as a manufacturer or vendor sample or floor model. The term does not include metal recycler as defined in chapter 7, article III of this Code.

Used has the same meaning as provided in section 7-1 of this Code.
(Ord. No. 2016-964, § 6(Exh. B), 12-7-2016)

Sec. 7-122. License required; penalty; posting of license.

(a) No person shall operate as a secondhand reseller or own any such business unless the operation or business is conducted from a fixed location.

(b) No person shall operate as a secondhand reseller or own any such business without a valid secondhand reseller's license.

(c) The licensee shall display the license required under this article at all times in a conspicuous place that is accessible to the public on the licensed premise.
(Ord. No. 2016-964, § 6(Exh. B), 12-7-2016)

Sec. 7-123. Application for license; denial; expiration

(a) Any person desiring a license required by this article shall submit an application along with the license fee required pursuant to section 7-124 of this Code to the director on a form promulgated by the director. No portion of the license fee shall be refundable. The applicant shall provide the following information:

(1) The full name of the applicant, the street address where the business is to be located, and the residence address of each owner, manager and operator of the business;

(2) Whether any owner or operator is an individual, partnership, corporation, or other legal entity; provided, however, that the type of business organization shall include only those organizations recognized by the Texas Business Organizations Code ("BOC"), and if the organization is a foreign entity required to register under Chapter 9 of the BOC, full and complete copies of such organization's current registration;

(3) If any owner or operator is a corporation, all officers of the corporation; and if there are fewer than five shareholders, the names of all shareholders;

(4) If any owner or operator is a partnership, the type of partnership and names and addresses of all general partners;

(5) If any owner or operator is an unincorporated association, the names and addresses of all officers of such association;

(6) Documentation satisfactory to the director showing the applicant's form of entity and current status. Such documentation includes, but is not limited to, a current certificate of assumed name or a current certificate of status issued by the Texas Office of the Secretary of State and a certificate of account status from the Texas Comptroller of Public Accounts;

(7) The location where the business will be conducted, along with a copy of the certificate of occupancy for the location;

(8) The days and hours that the business will operate;

(9) Whether any person listed in subsection (a)(1) of this section has been denied a license required under this article or any preceding city ordinance governing the businesses described in this article or has had such license revoked;

(10) Evidence that the applicant and each owner, manager, or operator is at least 18 years of age by presentation of a valid government-issued identification document that contains the individual's photograph;

(11) The signature of the applicant. If the applicant is a partnership, the application shall be signed by each general partner. If the applicant is a corporation, the application shall be signed by the president and attested by the secretary; and

(12) Any other information that the director may reasonably require.

(b) The director shall review and approve the application and issue a license if he determines that all the requirements of this article and any applicable rules and regulations have been met.

(c) The director shall deny an applicant a license if he determines that:

(1) The information provided in the application is incomplete, false or incorrect;

(2) The requirements of this article and any applicable rules and regulations have not been met; or

(3) Any person listed in subsection (a)(1) of this section has been denied a license required by this article or has had such license revoked within the preceding 12 months from the filing of the application.

(d) In the event that the director denies an applicant a license, he shall give written notice by personal delivery or certified mail, return receipt requested, to the applicant at the address stated in the application. The written notice shall specifically set forth the reasons for the denial and shall notify the applicant of the opportunity to request a hearing regarding the denial. A denial hearing shall follow the procedures set forth in subsection 7-55(e) of this Code.

(e) Each license, unless revoked as provided in this article, shall expire one year from the date of issuance. Any licensee whose license is expiring and who desires a new license shall make application for a new license in the manner provided in this section not more than 30 days prior to the expiration of the license. All the requirements of this section must be met before a new license may be issued.

(f) A license issued pursuant to this article is personal to the licensee and is valid only for the location stated in the application.

(g) A license issued under this article is a grant of privilege and is not a property right.

(h) While an application for a license is pending, or a license is in effect, an applicant or licensee shall immediately supplement the information provided to the director in the license application if such information is or becomes inaccurate, incomplete or misleading.

(i) A license issued under this article is not transferable or assignable to another person.

(j) No application for a new license shall be considered by the director while a hearing to revoke or deny a license relating to the same applicant or licensee is pending or in progress.
(Ord. No. 2016-964, § 6(Exh. B), 12-7-2016)

Sec. 7-124. License fees; use of license at shows.

(a) The annual license fee for a secondhand reseller with any permanent place of business within the city is stated for this provision in the city fee schedule.

(b) Each secondhand reseller with a permanent place of business in the city may use the license for that business when attending shows at other locations in the city.

(c) Any secondhand reseller who desires to sell items at shows in the city, but who does not maintain a permanent place of business in the city, must apply for and secure a license for each location at a show. The daily fee for such licenses is stated for this provision in the city fee schedule and shall be paid at the time the applicant submits an application for such license

(d) No portion of any fee identified in this section shall be refundable.
(Ord. No. 2016-964, § 6(Exh. B), 12-7-2016)

Sec. 7-125. Records required to be kept by secondhand resellers.

(a) A secondhand reseller shall be required to keep records of any used property purchased or otherwise received as follows:

(1) The date of receipt of any item; and

(2) The individual transaction number assigned by the secondhand reseller.

(b) A secondhand reseller, his agents or employees shall provide a consecutively numbered receipt to the seller or transferor of the item. Such receipt shall be dated on the actual date of the transaction.

(c) A secondhand reseller shall only purchase, acquire or sell catalytic converters if allowed under section 1956.123 of the Texas Occupations Code. A secondhand reseller shall be required to keep records of any catalytic converter purchased or otherwise received as detailed in section 1956.124 of the Texas Occupations Code.
(Ord. No. 2016-964, § 6(Exh. B), 12-7-2016; Ord. No. 2022-341, § 4, 5-4-2022; Ord. No. 2024-218, § 3, 4-10-2024)

Sec. 7-126. Stock and records to be open for examination.

The stock or inventory and all records of any secondhand reseller shall be accessible for examination by any peace officer or inspector authorized by the director at any time during ordinary business hours.
(Ord. No. 2016-964, § 6(Exh. B), 12-7-2016)

Sec. 7-127. Purchasing or receiving goods from minors.

No secondhand reseller shall purchase or otherwise receive in the course of business, any item, ownership of which is claimed by any minor, or which is in the possession of or under the control of a minor, unless the minor is accompanied by his parent or guardian and the transaction is taking place with such parent's or guardian's full knowledge and consent.
(Ord. No. 2016-964, § 6(Exh. B), 12-7-2016)

Sec. 7-128. Change in business name or address.

Should any secondhand reseller change the name of his business from the name designated on the license or move his place of business from the place designated on the license to a new location, the license shall be null and void and the secondhand reseller shall immediately make application to the director for a new license and pay the full license fee. If the requirements for issuance of a license are met, the director shall issue a new license reflecting the new business name or location. The licensee must surrender the original license to the director at the time the new license is issued to the licensee.
(Ord. No. 2016-964, § 6(Exh. B), 12-7-2016)

Sec. 7-129. Acceptance of property suspected stolen; peace officer requested holds; violation.

(a) It shall be the duty of every secondhand reseller, his agents or employees to report immediately to the police department, by filing a formal complaint, any offer to sell to the secondhand reseller, his agents or employees any property that the secondhand reseller, his agents or employees have actual knowledge is stolen or

by reasonable belief should know is stolen, together with the identity, when known, and description of the person or persons making such offer.

(b) A secondhand reseller, his agents, or employees, shall also report to the police department, by filing a formal complaint, any property acquired by the secondhand reseller that the secondhand reseller, his agents or employees, subsequently determine or reasonably suspect to be stolen property, and secondhand reseller, his agents or employees, shall furnish such other information as might be helpful to the police department in investigating the matter.

(c) It shall be the duty of every secondhand reseller, his agents or employees to hold all suspected stolen property in a secure place on its business premise for 60 days upon request by a peace officer. The secondhand reseller, his agents or employees, may not process or remove the property from the secure place on its business premise before the 60th day after receipt of the request from a peace officer to hold the property unless:

(1) The item is released into a peace officer's care, custody and control at an earlier time;

(2) A peace officer releases the hold on the property upon an earlier date; or

(3) A court orders release of the property.

(d) Upon receipt of a written request from a peace officer, a secondhand reseller may be requested to hold all suspected stolen property in a secure place on its business premise for more than 60 days. A peace officer may request to extend the holding period for up to 24 months from the date the request is received. During this extended holding period, the secondhand reseller may not process or remove the property from the secure place on its business premise.
(Ord. No. 2016-964, § 6(Exh. B), 12-7-2016)

Sec. 7-130. Acceptance of property in original packaging.

With the exception of manufacturer or vendor samples and floor models, it shall be unlawful for any secondhand reseller, his agents or employees to purchase or receive any property in its original packaging or with the original retail tag still attached to the property unless the person offering such item presents a receipt or proof of purchase for the property.
(Ord. No. 2016-964, § 6(Exh. B), 12-7-2016)

Sec. 7-131. Revocation; hearing.

(a) *Grounds for revocation.* The director may revoke a license issued under this article if the director determines that:

(1) The licensee or the licensee's place of business has not been in compliance with the requirements of any provision of this article or any applicable rules or regulations since the license was issued; or

(2) The licensee obtained a license by means of fraud, misrepresentation, or concealment of a fact or that the licensee falsified his original application for a license.

(b) *Hearing.* A license may be revoked in the manner provided in section 7-7 of this Code.
(Ord. No. 2016-964, § 6(Exh. B), 12-7-2016)

Chapter 8

AUTOMOTIVE DEALERS AND AUTO WRECKERS*

Art. I. **In General, §§ 8-1—8-15**
Art. II. **Automotive Dealers, §§ 8-16—8-100**
Div. 1. Generally, §§ 8-16—8-50
Div. 2. Dealer's License, §§ 8-51—8-80
Div. 3. Salesman's License, §§ 8-81—8-90
Div. 4. Body Shop Facility With Storage Privileges, §§ 8-91—8-100
Art. III. **Auto Wreckers and Storage Yards, §§ 8-101—8-188**
Div. 1. Generally, §§ 8-101—8-110
Div. 2. Auto Wreckers, §§ 8-111—8-140
Subdiv. A. Operational Rules and Regulations and Tow Agreements, §§ 8-111—8-130
Subdiv. B. Wrecker Driver Licenses, §§ 8-131—8-140
Div. 3. Private Storage Yards, §§ 8-141—8-188

ARTICLE I. IN GENERAL

Sec. 8-1. Reserved.

Editor's note—Former § 8-1, which declared that state law concerning licensing and regulation of motor vehicle storage facilities was inapplicable within the city limits, was repealed by § 1 of Ord. No. 86-1252, enacted July 16, 1986. The repealed provisions derived from Ord. No. 85-2098, § 1, enacted Dec. 3, 1985.

Secs. 8-2—8-15. Reserved.

ARTICLE II. AUTOMOTIVE DEALERS

DIVISION 1. GENERALLY

Sec. 8-16. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Automotive jobber and supply firm. Any person who buys in the open market or who holds a contract with a manufacturer of motor parts, motor vehicle units, accessories or supplies, for the purpose of engaging in, conducting or carrying on, primarily or incidentally, wholly or part time, the public business of buying, selling, offering for sale, consigning to be sold, servicing, trading or otherwise publicly dealing in new parts, units or supplies for motor vehicle maintenance or accessories for motor vehicles and who engages in, conducts or carries on such public business. Such term shall not apply to the exchange of automotive parts where no factory consecutive serial number is used and the part is shown as an exchange item in a standard parts catalogue.

Automotive parts rebuilder. Any person who engages in, conducts, or carries on the public business of buying, selling, offering for sale, consigning to be sold, trading or otherwise dealing with the public or operating as a public dealer in rebuilt parts and accessories, to include the following: Motors for motor vehicles, transmissions, differentials, generators, starters, carburetors, fuel pumps, shock absorbers, voltage regulators and distributors.

Automotive rebuilder. Any person who, primarily or incidentally, wholly or part time, engages in, conducts, or carries on the public business of buying, selling, offering for sale, consigning to be sold, trading or otherwise dealing with the public in or operating as a public dealer in used, secondhand or salvage titled motor vehicles or trailers for the purpose of rebuilding or dismantling wrecked or salvage titled motor vehicles or trailers.

*__Cross references—__Antique dealers, common markets, junk dealers, scrap metal processors, pawnbrokers and related businesses, Ch. 7; tire storage and tire carriers, § 21-181 et seq.

Automotive repair facility. Any person who engages in, conducts or carries on the public business of repairing motor vehicles or motor vehicle trailers, or both. This term includes a mobile automotive repair business.

Body shop facility with storage privileges. Any person who operates an automotive repair facility that is primarily a body shop and has qualified under division 4 of this article to provide storage of customer vehicles for not more than 30 days in exchange for a fee pending the repair or other disposition of the vehicles.

Consent storage lot operator. Any person who engages in, conducts or carries on the public business of storing motor vehicles, including wrecked, damaged, or repossessed motor vehicles; provided however that this term shall not include those who store new or used motor vehicles pending the retail sales thereof nor those who own or operate lots or garages for the hourly or daily parking of motor vehicles. The term also shall not include any facility that is required to be licensed pursuant to the Vehicle Storage Facility Act (Chapter 2303 of the Texas Occupations Code) unless the facility, in addition to keeping vehicles parked or stored without the owners' consent as authorized by a license granted thereunder, keeps vehicles parked or stored with the owners' consent.

Dealer in motor vehicles. Any person who publicly engages in, conducts, or carries on the business of buying, selling, offering for sale to the public, consigning to be sold to the public, trading or otherwise dealing in motor vehicles or motor vehicle trailers, or both; provided, however, that this term does not include a person who repairs or stores disabled, wrecked, or salvage titled motor vehicles.

Demonstrator. Any motor vehicle which has been used by any new motor vehicle dealer in effectuating the sales and which has been driven more than 150 miles.

Itinerant dealer. Any person who engages in the temporary or transient public business in the city of selling or offering for sale new or used motor vehicles, trailers, motor vehicle parts, supplies for motor vehicle maintenance, accessories for motor vehicles, or any or all of the same, or publicly exhibiting any or all of the same for public sale, and who, for the purpose of carrying on such public business or conducting such public exhibits, either hires, rents, leases, or occupies any room or space in any building, structure or enclosure in the city, in, through or from which such articles are or may be sold, offered for sale, or exhibited for sale. The word "temporary" used above means any such business transacted or conducted in the city for which definite arrangements have not been made for the hire, rental or lease of premises for at least three months, or upon which such public business is to be operated or conducted. The word "established" as used herein means and shall be construed to mean any such business transacted or conducted in the city for which definite arrangements have been made for the hire, rental or lease of premises for at least three months. The word "transient" as used above means and shall be construed to mean such business as may be operated or conducted by a person who does not have a fixed place of business (other than a temporary place as herein defined) in the city or who has his principal place of business in a place other than the city, and moves stocks of goods or articles into the city for public sale with the purpose or intention of removing the unsold portion thereof away from the city and ceasing to engage in business in the city before the expiration of three months from the commencement of such business. It is specifically provided that the term "itinerant dealer" shall also include any person engaged in the businesses hereinabove mentioned, who associates himself temporarily with any local licensee hereunder, by conducting such temporary or transient business in connection with or as a part of the business of any local licensee. No person will be granted a license as an itinerant dealer unless he sets up and maintains a regular place of business at a fixed address in the city open to the inspection of the police and the public.

Mobile automotive repair business. Any person who provides the services of an automo-

tive repair facility, a retail supply dealer, or a used parts and used accessories dealer at a location determined by a vehicle owner solely from one or more mobile repair units and does not have a facility or regularly established location or place of business that is or may be used for the provision of such repair services.

Mobile repair unit. A motor vehicle used by a mobile automotive repair business to conduct repair services.

Police chief means the chief of police of the city or his designee.

Retail supply dealer. Any person who publicly engages in, conducts or carries on the public business of buying, selling, offering for sale, trading or otherwise dealing in new parts, motor vehicle units, supplies for motor vehicle maintenance or new accessories for motor vehicles to consumers; but does not rebuild, dismantle, wreck or disassemble motor vehicles or trailers as part of such business. The term does not include convenience stores as defined in section 28-401 of this Code.

Salesman. Any person who sells, offers for sale, leases or offers for lease any new or used motor vehicle, new or used motor vehicle trailer, used motor vehicle parts or used accessories for motor vehicles.

Salvage titled motor vehicle means a motor vehicle that has been issued a salvage vehicle title by the Texas Department of Motor Vehicles pursuant to Texas Transportation Code, Chapter 501.

Used automotive parts recycler means any person who engages in the public business of keeping or storing discarded, abandoned, junked, wrecked, worn out, salvage titled or otherwise disabled or nonrepairable motor vehicles, including but not limited to cars, trucks, tractor trailers and buses, for the purpose of disassembling, dismantling, cutting up, stripping or otherwise wrecking those motor vehicles to extract therefrom parts, components, or accessories for sale, export or use in an automotive repair or rebuilding business.

Used parts and used accessories dealer. Any person who, primarily or incidentally, wholly or part time, engages in, conducts, or carries on the public business of buying, selling, offering for sale, consigning to be sold, trading or otherwise dealing with the public in or operating as a public dealer in used or secondhand motor vehicle parts or accessories for motor vehicles, either or both; but does not rebuild, dismantle, wreck or disassemble motor vehicles or trailers as part of such business. This term shall not include a business that is licensed as a pawnshop pursuant to Chapter 371 of the Texas Finance Code.

Used parts and used accessories seller. Any person whose name is reported to the police department on more than three occasions as required by section 8-25(b) of this Code over a 12-month period.

Wholesale automotive jobber and supply firm. Any person who holds a contract with a manufacturer of motor parts, motor vehicle units, accessories or supplies for the purpose of and is primarily or incidentally, wholly or part time, engaged in, conducting or carrying on the public business of buying, selling or offering for sale or otherwise publicly dealing in new or used parts, motor vehicle units, supplies for motor vehicle maintenance or accessories for motor vehicles at wholesale or quantity prices or at a price or prices lower than the established published retail price or prices, and makes sales to garage service stations or dealers for expected resale to the consumer. The term shall not apply to the exchange of automotive parts where no factory consecutive serial number is used and the part is shown as an exchange item in a standard parts catalogue.

(Code 1968, § 8-11; Ord. No. 67-2161, § 1, 11-8-67; Ord. No. 71-1242, § 1, 7-13-71; Ord. No. 86-1252, § 2, 7-16-86; Ord. No. 87-1195, §§ 1, 2, 7-8-87; Ord. No. 93-1574, §§ 1—3, 12-8-93; Ord. No. 99-1354, § 1, 12-21-99; Ord. No. 08-249, § 1, 3-26-08; Ord. No. 08-1054, § 3, 12-3-08; Ord. No. 2013-1159, § 2, 12-11-2013; Ord. No. 2013-1209, §§ 2, 3, 12-18-2013; Ord. No. 2014-482, § 2, 5-28-2014; Ord. No. 2022-151, § 2, 2-23-2022)

Sec. 8-17. Automotive board.

(a) There is hereby created an automotive board consisting of 11 members appointed by the mayor and confirmed by the city council. The mayor shall designate the member to be chairman. Each of the eleven positions shall be numbered and filled as follows:

(1) Position number one shall be filled by a new car dealer.

(2) Position number two shall be filled by a used car dealer.

(3) Position number three shall be filled by a wholesale parts and accessories dealer.

(4) Position number four shall be filled by a new and used automobile retail parts dealer.

(5) Position number five shall be filled by a person who owns and operates a towing company.

(6) Position number six shall be filled by a person who owns and operates a vehicle storage lot.

(7) Position number seven shall be filled by a person who is not related within the first or second degree by consanguinity or affinity to any person who holds any interest in or is employed by any automotive business of a type that is subject to regulation under this chapter and is situated in the county.

(8) Position number eight shall be filled by a person who owns and operates an automotive repair facility.

(9) Position number nine shall be filled by a person who owns and operates an automobile wrecking and salvage yard.

(10) Position number ten shall be filled by a member of the legal department of the city designated by the city attorney, who shall be an ex officio, non-voting member only.

(11) Position number 11 shall be the chief of police or his duly authorized representative assigned to the automobile dealers detail, who shall serve as secretary of the automotive board and shall be an ex officio, non-voting member only.

(b) Appointments to positions created hereunder shall be made on or before January 2nd of each year and shall take effect on that date. Each member of the board shall serve for a term of four years and until his successor has been appointed and qualified. Any appointed member of the board shall be subject to discharge and removal from his position on the board at any time by the mayor.

(c) Each member of the automotive board shall receive $25.00 per diem for his services while attending meetings of the automotive board, and each member of the board who is employed by the city shall receive the same compensation as other members of the board for attending those meetings not held during, or which continue beyond, his regular working hours. To the extent permitted by law, per diem payments to the board members shall be made out of the auto dealers' fund.

(d) Five members of the automotive board (excluding ex officio members) present at any meeting shall constitute a quorum for the transaction of all business of the board, and a majority

vote of those members of the board present at any meeting shall prevail. The board shall hold not less than one nor more than three regular meetings each calendar month, provided that additional meetings may be conducted if required in order to meet deadlines imposed by law or by any contract to which the city is a party.
(Code 1968, § 8-12; Ord. No. 67-2161, § 3, 11-8-67; Ord. No. 94-922, §§ 1, 2, 9-7-94; Ord. No. 99-1379, § 1, 12-21-99; Ord. No. 2013-1209, § 4, 12-18-2013; Ord. No. 2017-500, § 2, 7-5-2017)

Cross reference—Boards, commissions, authorities, etc., generally, § 2-316 et seq.

Sec. 8-18. Posting of list of salesmen.

Each dealer or other person licensed under division 2 of this article who employs salesmen to assist him in the sale of motor vehicles or motor vehicle trailers or motor vehicle parts or accessories shall keep posted in the showroom of his business or in some other conspicuous place upon the business premises a list of the names of salesmen and the numbers of their licenses issued under this article, which list shall be open to the inspection of the chief of police or his duly authorized representative.
(Code 1968, § 8-13)

Sec. 8-19. Reports of salesmen's names and license numbers to police chief.

Each dealer or other person licensed under division 2 of this article shall report the names of all salesmen employed by him and their license numbers to the chief of police by the tenth day of each month.
(Code 1968, § 8-14)

Sec. 8-20. Information stickers on vehicles.

New or used motor vehicles which are or have been driven or towed from a point outside of the city shall be marked by affixing to the windshield thereof, in plain view, a sticker, of not less than three inches in diameter, showing the point outside of the city from which the motor vehicle was driven or towed, together with the approximate distance which such motor vehicle has been driven or towed, and the point at which purchased. The word "demonstrator" shall appear on such sticker as to all of such motor vehicles which have been used as demonstrators.
(Code 1968, § 8-15)

Sec. 8-21. Sale of unregistered vehicles.

(a) It shall be unlawful for any new or used motor vehicle which has not been registered by obtaining a motor vehicle license in the state, for use upon the highways of this state for the last registration date prior to sale or offer for sale, to be sold or offered for sale in the city unless the person so selling or offering the same for sale shall, prior thereto, file with the chief of police or his authorized representative, the following instruments:

(1) A true copy of the certificate of title to the person who last operated the new or used motor vehicle.

(2) A true copy of the license papers last issued on or for operation of such vehicle.

(b) The chief of police or his authorized representative shall inspect such instruments so filed with him and shall inspect such new or used motor vehicle. If satisfied that the instruments are regular and in order and that such new or used motor vehicle has not been stolen or fraudulently obtained from any prior owner, the chief of police or his authorized representative shall issue a permit granting the right of sale hereunder to the person filing such instruments. Upon refusal to so grant the permit, the applicant shall have the right to perfect an appeal to city council within five days from the denial or refusal by the chief of police.
(Code 1968, § 8-16)

Sec. 8-22. Purchase or sale of vehicles, parts, etc., when identification marks are removed, changed, etc.

It shall be unlawful for any person to purchase, sell or exchange in the city any motor vehicle, motor vehicle trailer, motor vehicle accessories and tires or motor vehicle parts from or on which any of the original manufacturer's identification numbers, or other original marks of identification, shall have been removed, obliterated, defaced, or changed, unless there shall be filed with the

chief of police or his duly authorized representative, prior to and within five days of the date of such sale, purchase or exchange, a full description of the property involved and the reason for or explanation of the removal, obliteration, defacement or changing of identification numbers or marks, such description to be in writing and duly sworn to before a notary public.
(Code 1968, § 8-18)

Sec. 8-23. Secondhand parts, accessories, etc., to be retained forty-eight hours.

It shall be unlawful for any dealer or other person licensed under this article to offer for sale, trade, transfer or exchange or to sell, trade, transfer or exchange any used or secondhand motor vehicle part, parts, accessories, supplies, attachment, tires or equipment acquired by him until 48 hours after the time and date he in fact acquired the secondhand or used motor vehicle part, parts, accessories, attachments, equipment or supplies.
(Code 1968, § 8-19)

Sec. 8-24. Statement to be furnished purchaser of vehicle or trailer.

Prior to or at the time of the delivery of a motor vehicle or motor vehicle trailer, the dealer shall deliver to the purchaser a written statement describing clearly the motor vehicle or motor vehicle trailer sold to the purchaser, the cash sale price thereof, the cash paid down by the purchaser, the amount credited the purchaser for any trade-in, and a description of the motor vehicle or motor vehicle trailer traded, the net balance due from the purchaser, the terms of the payment of such net balance and a summary of any insurance protection to be effected.
(Code 1968, § 8-21)

Sec. 8-25. Reports to police chief.

(a) Every licensee under this article who shall transport or otherwise bring into the city any out-of-state motor vehicle, new or used, or motor vehicle trailer, new or used, shall file with the chief of police a report in writing in the form prescribed by the chief of police, and an instrument in writing in the form provided for by the state highway department, and a copy of the bill of sale or certificate of title on all such vehicles or trailers within 48 hours after any such motor vehicle or motor vehicle trailer has been brought into the city.

(b) Every dealer or other person licensed under this article and his servants, agents and employees, shall execute and deliver, or cause to be executed and delivered, a report in writing to the chief of police or his duly authorized representative of every transaction in which the dealer or licensee shall have acquired possession of any secondhand or used automobile part, accessory, article, supplies, equipment or attachment, except tires, and deliver or cause to be delivered the report to the chief of police or his authorized representative at the headquarters of the police department not later than 11:00 a.m. on the day following the date upon which the dealer or licensee acquired possession of the thing or article, except that in the event the dealer or licensee shall so acquire possession of the thing or article on a Friday or Saturday, the dealer or licensee shall then deliver or cause the report to be delivered as aforesaid not later than 11:00 a.m. on the following Monday. Such written report shall include the following:

(1) Name under which the dealer's or licensee's business is operated.

(2) Name of the owner and operator of the business.

(3) Location of the business.

(4) Description of the article acquired by the dealer or licensee.

(5) How acquired, whether by purchase, exchange, trade or loan, or in some other stated manner.

(6) Name of the seller, depositor or person delivering the article to the dealer or licensee.

(7) Whether delivery was made to the licensee, dealer or to his servant, agent or employee.

(8) In the event delivery was made to a servant, agent or employee, the name and address of such servant, employee or agent.

[The next page is 559]

(9) The address, nationality, sex, color and approximate height, age and weight of the person from whom the article was acquired.

(10) How delivery was made to the dealer or licensee, and in cases where a motor vehicle was used in the delivery, then the make, the license number exhibited on the vehicle, and the name of the state issuing the license number plate must be given.

(11) The date and time of day the licensee or dealer acquired the article.

(12) Signature of the licensee or dealer and the signature of his agent, servant or employee in cases wherein the article was acquired by such agent, servant or employee.

(13) Signature of the person delivering possession of such article to the licensee or dealer.

The chief of police or his duly authorized representative shall prescribe the form of the aforesaid written report, and, in the event he should fail so to do, then a written report complying with the above requirements shall be sufficient.
(Code 1968, § 8-22)

Sec. 8-26. Other required records.

(a) Every person who, as dealer, makes any sale, purchase, transfer or exchange of a new or used motor vehicle, or a new or used motor vehicle trailer in the city shall keep a permanent record of any and all transfers and assignments made by such person, or chattel mortgages, liens or notes covered or secured by a lien upon such motor vehicles or motor vehicle trailers. The record shall include the following information:

(1) The name and address of each transferee; and

(2) A description of the mortgage, lien or note transferred and of the property affected thereby, including the motor number, model and license number of the motor vehicle or trailer therein involved.

(b) Every licensee under this article who repossesses any motor vehicle or trailer or forecloses any lien or mortgage upon any motor vehicle shall keep a record of each repossession or foreclosure. The record shall include the following information:

(1) The name of the mortgagor or lienholder;

(2) The total amount of indebtedness, including principal, interest and other items, if any, stated separately;

(3) The date and manner of foreclosure, whether by suit or private sale; and

(4) The description of the property repossessed or foreclosed upon, including the motor number, model and license number of the motor vehicle or trailer involved, and the name and address of the purchaser.

(c) Each person to whom a license is issued under this article to deal in secondhand or used motor vehicle parts or accessories shall keep at all times in the licensee's place of business a record of secondhand and used motor vehicle accessories and parts except tires, purchased by the licensee or deposited for any purpose with such licensee, and of each motor vehicle or motor vehicle trailer purchased or received by such person for the purpose of rebuilding or dismantling the same.

With respect to accessories and parts, the record shall include any item that constitutes a "major component part" as defined in section 501.091 of the Texas Transportation Code, or a "component part," "interior component part," "minor component part," and "special accessory part" as those terms are defined in section 2302.251 of the Texas Occupations Code. Additionally, the record shall include any other part or parts that are regularly the subject of trade by automotive parts thieves as determined by regulation promulgated by the automotive board and supported by clear and convincing evidence that there is recurring theft of the same type of part, provided that any such automotive board regulation that adds additional parts shall expire on the second anniversary of its adoption unless extended by the automotive board, and is again supported by clear

and convincing evidence that there is reoccurring theft of the same type of part. Such record shall include the following information:

(1) The vehicle identification number and license number of all motor vehicles or trailers transferred to the licensee;

(2) An accurate description in the English language of the secondhand or used motor vehicle parts or accessories purchased or deposited, the vehicle identification number of the motor vehicle from which the parts or accessories were removed, the amount of money paid for same or loaned thereon, and the time of purchase, transfer, or deposit thereof;

(3) The name, age, sex, signature, residence, race, and approximate height and weight of the person (transferor or seller) from whom the licensee acquired the property;

(4) A thumbprint and photograph of the face of the transferor or seller together with the secondhand or used motor vehicle parts or accessories purchased, provided that if a licensee acquires an entire motor vehicle or trailer from the owner of the vehicle or trailer, then in lieu of the photograph and thumbprint, the buyer may obtain and maintain a copy of the seller's vehicle title and the vehicle identification number of the motor vehicle or trailer; and

(5) A unique identification number which corresponds to a transaction and has been attached to the motor vehicle or trailer and to the secondhand or used motor vehicle parts or accessories purchased by the licensee.

(d) It is an affirmative defense to prosecution under this section that both the transferor and the transferee are city and state licensed dealers in used parts and used accessories and that the transfer was documented in full compliance with Chapter 2302 of the Texas Occupations Code with the name of the business from which the motor vehicle or motor vehicle part was purchased and the Texas Certificate of Inventory number or federal taxpayer identification number. The record must include the part description and a unique inventory number or motor vehicle identification number from which the part came. It is also an affirmative defense to prosecution under this section that the transferee is a city licensed dealer in used parts and used accessories and that the transferor is a person who conducts a similar business in another jurisdiction who caused the parts or accessories to be delivered to the transferee by commercial freight line or common carrier and the transferee documented the inventory number kept by the transferor for the part under Texas State Law, if the transferor resides in Texas, or obtained the transferor's federal taxpayer identification number if the transferor resides outside the State of Texas. The provisions of this section are in addition to any applicable state law, including but not limited to Chapter 2302 of the Texas Occupations Code. Records forms promulgated hereunder shall be designed to include applicable state requirements to avoid duplication of records. Any violation of this section that also constitutes a violation of state law shall be punishable as provided by the applicable state law.

(e) A person who sells a motor vehicle, a motor vehicle trailer, or a secondhand or used motor vehicle accessory or part to a licensee under this section must have a valid government-issued identification from which the licensee shall record the required information.

(f) All records required to be maintained under this section shall be kept at the licensee's place of business in written form or in an electronic recordkeeping system.
(Code 1968, § 8-23; Ord. No. 82-2038, § 1, 12-22-82; Ord. No. 93-1574, § 4, 12-8-93; Ord. No. 00-947, § 1, 11-1-00; Ord. No. 2013-1209, § 5, 12-18-2013)

Sec. 8-27. Retention and inspection of records.

All records provided for in this division shall be retained permanently and shall at all times be available and open for inspection by the chief of police or his authorized agent or representative or by any sheriff, constable or federal officer, or their duly authorized agents.
(Code 1968, § 8-24)

Sec. 8-28. Police records under article confidential.

All records filed with or kept by the police department under and by virtue of this article shall be kept confidential by the department and shall not be made available to the public.
(Code 1968, § 8-25)

Sec. 8-29. Enforcement of article and related laws.

The provisions of this article, as well as all other ordinances, procedural rules and regulations established by the automotive board, and statutes regulating the sale, barter, or exchange of new or used motor vehicles or motor vehicle trailers, or both, or of motor vehicle parts or accessories, shall be enforced by the police department and the automotive board.
(Code 1968, § 8-26)

Sec. 8-30. Used automotive parts recyclers, automotive rebuilders and automotive repair facilities.

(a) *Definitions:*

Automotive business dealing in used parts and used accessories as used herein shall mean any lot or tract of land used for the purpose of carrying on the trade of a 'used parts and used accessories dealer,' as defined in this chapter.

Automotive rebuilder lot means any lot or tract of land used for the purpose of carrying on the trade of an 'automobile rebuilder,' as defined in this chapter.

Automotive repair facility as used herein shall mean any lot or tract of land used for the purpose of carrying on the trade of an 'automotive repair facility,' as defined in this chapter.

Solid as used herein in reference to a fence shall mean a fence constructed and maintained so that the outer surface thereof is continuous and without interstices, gaps, spaces or holes. This shall not be construed to prohibit any spaces or gaps left by a properly constructed and maintained chain link fence with strips or slats as hereinafter provided.

Stored as used herein shall mean placed on or left on property.

Used automotive parts recycler lot means any lot or tract of land used for the purpose of carrying on the business or trade of a 'used automotive parts recycler,' as defined in this chapter.

(b) *Compliance.* All lots and tracts of land used to carry on the business or trade of a used automotive parts recycler, an automotive rebuilder, an automotive repair facility, or an automotive business dealing in used parts and used accessories shall comply with the requirements of this section.

(c) *Removal of flammable liquids from vehicles.* All gasoline, gasohol, and diesel fuel shall be completely drained and removed from any junked, wrecked or abandoned automotive vehicle before the vehicle is placed in any used automotive parts recycler lot or lot operated by an automotive rebuilder or automotive repair facility in the city. All flammable liquids drained from any vehicle in the lot shall be stored in a safe manner and in strict accordance with the Fire Code of the city.

(d) *Fencing wall requirements.* Each area utilized to keep or store used automotive parts or used accessories by an automotive business dealing in used parts and used accessories or each area that is utilized for the keeping, storing, dismantling, cutting up, stripping or otherwise wrecking of any discarded, abandoned, junked, wrecked or otherwise disabled automotive vehicles upon any used automotive parts recycler lot, automotive rebuilder lot or any automotive repair facility within the city shall be completely surrounded and enclosed by a solid fence or wall as follows:

(1) Any side of the lot which extends generally parallel to, and within 100 feet of any public street right-of-way shall be bounded by a solid fence or wall at least eight feet in height.

(2) All sides of the lot not included in (d)(1) above shall be bounded by a solid fence or wall at least six feet in height.

(e) *Construction, maintenance of fence or wall.* Every fence or wall herein required shall be constructed and maintained as follows:

(1) All fences shall be constructed of wood, masonry, corrugated sheet metal, chain link, or any combination thereof; provided, however, that any one side of a used automotive parts recycler's lot, automotive rebuilder's lot or automotive repair facility shall be bounded by a fence or wall constructed of only one of the above materials.

(2) Chain link fences shall be constructed of galvanized chain link fencing with wood or metal slats or strips run through all links of the chain link fence.

(3) All fences or walls shall extend downward to within three inches of the ground and shall test plumb and square at all times.

(4) All fences or walls shall be constructed in compliance with all applicable provisions of the Construction Code.

(f) *Use of wall, door or building as part of fence or wall.* Any part of a fence or wall required by subsection (d) of this section may consist in whole or in part of a solid wall and door, or walls and doors of any completely enclosed building on the premises, if the wall or door meets all construction requirements set forth herein.

(g) *Gates at openings in enclosure.* Openings in the prescribed enclosure that are necessary to permit reasonable access to used automotive parts recyclers, automotive rebuilders, automotive repair facilities or automotive businesses dealing in used parts and used accessories shall be equipped with a solid gate or gates, constructed and maintained in accordance with the requirements of this section for a fence or wall. Gates shall be closed and securely locked at all times, except during normal business hours.

(h) *Use of premises outside enclosure.* It shall be unlawful for any owner, operator, his agents or employees, to display, store or work on any junked or wrecked automotive vehicle, or the parts, accessories or junk therefrom outside of or above the herein required fence or wall. It is a defense to prosecution under this subsection that the actor has established and is using one unfenced rectangular area not exceeding ten feet by 100 feet in maximum dimensions upon the premises to display dismantled component parts or accessories for sale, which parts and accessories are stored and arranged in compliance with all other applicable provisions of this section. The display area authorized in the foregoing affirmative defense may also be utilized for the display for sale of whole motor vehicles, whether wrecked or damaged or not, provided that the operator of the premises also holds an automotive dealer's license for vehicle sales at the premises. Nothing in this subsection shall be construed to authorize the use of any public street or other public property for the sale or display of any merchandise in contravention of section 40-8 of this Code.

(i) *Arrangements of vehicles, parts and materials.*

(1) All automotive vehicles, parts and other materials located in or on the premises of any used automotive parts recycler, automotive rebuilder, automotive repair facility or automotive business dealing in used parts and used accessories in the city shall be arranged so as to allow reasonable access to, and inspection of, the premises by authorized fire, and police officials, the health officer, and the neighborhood protection official.

(2) All automotive vehicles, parts and materials stored in any used automotive parts recycler's lot, automotive rebuilder's lot, automotive repair facility, or automotive business dealing in used parts and used accessories must be stored at least six inches above the surface of the lot. A motor vehicle stored in its normal upright position shall be deemed to be stored in compliance with the foregoing requirement if all portions of the body floor plan of the vehicle are situated at least six inches above the lot surface, regardless of the height of wheels, tires, brake components, axles and suspension components that are attached in their normal manner to the vehicle and regardless of the height of wheels, tires or other devices used to elevate the vehicle.

It is an affirmative defense to prosecution under this item (2) that the vehicle's parts and materials were in process of disassembly and were situated within a 'disassembly area' designated on a used automotive parts recycler lot or automotive rebuilder lot pursuant to item (3), below, at the time of the alleged offense.

(3) Each duly licensed used automotive parts recycler or automotive rebuilder may file with the automotive board a plat or legal survey of its lot accurately setting forth under oath the dimensions and size of the lot exclusive of all covered improvements and out buildings utilized as part thereof and in connection therewith. The plat or legal survey shall also accurately depict all adjoining public thoroughfares. Each business filing a plat or legal survey may designate upon the plat or legal survey an accurately delineated open area not to exceed 20 percent of the unimproved area within the lot, or 21,780 square feet within the lot, whichever designation is smaller, as a "disassembly area." Upon approval of the plat or legal survey and designated 'disassembly area' by the automotive board, the duly licensed lot operator may use the area for the active disassembly of wrecked vehicles in the usual course of lot business. A true copy of the approved plat or legal survey and designated 'disassembly area' shall be displayed at all times upon the premises of business for review by any peace officer of the State of Texas or the neighborhood protection official of the city.

(j) *Control of vegetation.* It shall be unlawful for the owner or operator of a used automotive parts recycler lot, automotive rebuilder lot, automotive repair facility or automotive business dealing in used parts and used accessories to allow grass or other vegetation to grow to a height of more than nine inches above the ground.

(k) *Watershed.* No used automotive parts recycler lot, automotive rebuilder lot, automotive repair facility or automotive business dealing in used parts and used accessories shall be located on top of a watershed.

(l) *Compliance with regulations and ordinances.* All used automotive parts recycler lots, automotive rebuilder lots, automotive repair facilities and automotive businesses dealing in used parts and used accessories must at all times be in full compliance with all city ordinances regarding health and safety, including specifically without limitation, all requirements of the Fire Code, and with state regulations regarding hazardous waste disposal including requirements promulgated by the Texas Commission on Environmental Quality.

(m) *Improved surface.* All portions of lots or tracts of land used in the operation of a used automotive parts recycler lot, automotive rebuilder lot, an automotive repair facility or an automotive business dealing in used parts and used accessories must have an all-weather surface of concrete, asphalt, blacktop, stone, macadam, limestone, iron ore, brick pavers, gravel or shale of such composition and drainage as to enable the safe and effective movement of motor vehicles upon all portions of the lot, both under their own power and under tow, at all times regardless of prevailing weather conditions.

(n) *Violations and penalties.* Failure by any person to comply with any provision of this section shall be grounds for the revocation of, or the refusal to issue or renew, any license required of the owner or operator of a used automotive parts recycler lot, an automotive rebuilder, automotive repair facility or an automotive business dealing in used parts and used accessories under this Code. It shall be unlawful for any person to fail to comply with any applicable provision of this section.

(o) *Vehicles stored less than 30 days for repairs.* For automotive repair facilities it is an affirmative defense to prosecution under subsections (c) and (d), above, that a wrecked or disabled vehicle stored thereupon is owned by a person other than the owner of the automotive repair facility, is being stored at the automotive repair facility for the purpose of its repair there and that the vehicle has been stored there for 30 days or less at the time of the alleged offense.

(Code 1968, § 8-27; Ord. No. 82-2038, § 2, 12-22-82; Ord. No. 85-2216, §§ 4, 5, 12-26-85; Ord. No. 87-1195, § 4, 7-8-87; Ord. No. 88-1370, §§ 1, 2,

8-10-88; Ord. No. 90-635, §§ 18-C, 18-D, 5-23-90; Ord. No. 93-514, §§ 17, 18, 5-5-93; Ord. No. 93-1574, § 5, 12-8-93; Ord. No. 94-674, §§ 7, 8, 7-6-94; Ord. No. 98-613, § 20, 8-5-98; Ord. No. 02-399, § 20, 5-15-02; Ord. No. 02-676, § 3, 7-17-02; Ord. No. 2013-1209, § 6, 12-18-2013; Ord. No. 2015-820, § 9, 8-26-2015)

Charter reference—Penalties for ordinance violations, Art. II, § 12.

Sec. 8-31. Penalty.

Unless otherwise provided, and regardless of whether the person holds a valid license issued pursuant to this chapter, any person who violates any provision of this article shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than $200.00 nor more than $500.00; provided, however, if the person is convicted of an offense under this article that is also a violation of the penal laws of the state, the person shall be subject to the penalties set out in the penal laws for the offense.

A used parts and accessories seller commits a separate offense for each sale of used parts and/or used accessories made without a valid salesman's license. The offense shall be punishable by a fine of not less than $200.00 nor more than $500.00 than for each transaction.
(Ord. No. 93-1574, § 6, 12-8-93; Ord. No. 2013-1209, § 6, 12-18-2013)

Secs. 8-32—8-50. Reserved.

DIVISION 2. DEALER'S LICENSE

Sec. 8-51. Required.

It shall be unlawful for any person, either for himself or as agent or representative of another, to engage primarily or incidentally, wholly or part time, in any business defined in section 8-16 of this Code within the city without first obtaining a license so to do in accordance with this division.
(Code 1968, § 8-32)

Sec. 8-52. Application generally.

(a) Every applicant for a license to engage in, conduct or carry on within the city limits any of the businesses described in section 8-16 of this Code shall make application therefor on an application form furnished by the chief of police and prescribed by the automotive board, which application shall be signed and sworn to as herein provided and shall include, among other things, the following information respecting the applicant:

(1) Trade name of each business that the applicant has engaged in during the five-year period next preceding the filing of such application.

(2) Address of the applicant's principal office or establishment in the city. If the applicant is a mobile automotive repair business it must provide a mailing address, a physical address if different from the mailing address, and the VIN and license plate number of each mobile repair unit used for the business.

(3) Number and location of branch establishments, if any, maintained and operated in the city.

(4) Whether the applicant is the owner or lessee of the real property occupied and, if the lessee, the name of the landlord.

(5) Type of service to be provided by the business.

(6) If application is for a dealer(s license, applicant must provide a state issued general distinguishing number, if required to have one.

(7) Whether the applicant has ever been convicted of a felony or of a crime involving moral turpitude, and if a partnership, the answer shall be as to all members of the partnership, and if a corporation, shall be as to all officers of the corporation.

(8) The name and mailing address of each owner or principal of the applicant and copies of the assumed-name registration if the business will be operated under an assumed name.

(9) If the applicant is a corporation, a certificate of good standing from the Texas Secretary of State for a Texas domestic corporation or a certificate of authority to do business in Texas if a foreign corporation, along with the names and addresses of all officers and the corporation(s registered agent in Texas.

(10) If the applicant is a partnership, the partnership registration, if any, and the names and addresses of all the general partners.

(11) Except for applicants for retail supply dealer licenses, each applicant shall submit himself to be fingerprinted at the police department or at the police department of any other city or town if such department will forward the fingerprints to the police department. The application shall be signed by and have fingerprints of: a) the owner if the applicant is a sole proprietorship or b) an authorized person if the applicant is a corporation or a general partnership.

(b) If the application is by a corporation, the same shall be signed and sworn to by a duly authorized officer thereof, if by a partnership, then by one of the general partners therein, and if by an individual, then by such individual personally.

(c) Such application, properly filled out and executed, shall be delivered by the applicant to the chief of police or his duly authorized representative.

(d) Any person submitting an initial application pursuant to this section or an application for an amended license for a different premises as provided for in this division shall also submit a copy of either a certificate of occupancy issued by the building official or a receipt demonstrating that the applicant has applied for a certificate of occupancy for the occupancy of each structure which is to be used for the applicant's business. No such initial license shall be issued unless the applicant has submitted a copy of such a certificate of occupancy or receipt for each structure, and each certificate or receipt shows that the structure to which it appertains may be occupied for the type of business for which the application is being made.

(e) Any licensee submitting an application for the renewal of a license shall submit a copy of a certificate of occupancy issued by the building official for the occupancy of each structure which is used for the licensee(s business. No such renewal license shall be issued unless the licensee has submitted a copy of such a certificate of occupancy for each structure, and each certificate shows that the structure to which it appertains may be occupied for the type of business for which the application is being made.

A copy of each certificate of occupancy or receipt submitted by an applicant or licensee pursuant to this subsection shall be deemed to be a part of the application for the license. Its submission shall also be deemed to be a representation of the applicant that the certificate is a true and correct copy of the instrument that was issued by the building official, and that is valid.

(f) The requirements of item (6) of subsection (a) and subsections (d) and (e) of this section shall not apply to an applicant or licensee that is a mobile automotive repair business.

(g) Any fraudulent information provided on the license application, including the omission of any criminal background data, shall be cause for denial of the license.
(Code 1968, § 8-33; Ord. No. 89-1738, § 1, 12-6-89; Ord. No. 90-1508, § 1, 12-19-90; Ord. No. 08-249, § 2, 3-26-08; Ord. No. 08-285, § 1, 4-9-08; Ord. No. 2013-157, § 8, 2-20-2013; Ord. No. 2016-456, §§ 2, 3, 6-15-2016)

Sec. 8-53. Applicant must have established place of business.

(a) Except as provided in subsection (b) of this section, no license shall be granted under this division to a person who does not have, or prove the bona fide intention to have forthwith upon the issuance of a license, a regular established place of business, at a definite and fixed address in the city used to offer for sale vehicles, parts or

accessories by such person and which is open to reasonable inspection by the chief of police or his authorized representative.

(b) Notwithstanding the provisions of subsection (a) of this section, a mobile automotive repair business is not required to have or prove the bona fide intention to have upon the issuance of a license, a regular established place of business. However, a mobile automotive repair business must permit a reasonable inspection of each mobile repair unit and documentation by chief of police or his authorized representative upon request. If the documentation of the mobile automobile repair unit is not available at the time an inspection is requested, the licensee must deliver the documentation to the requesting officer within 48 hours of the inspection request.
(Code 1968, § 8-34; Ord. No. 67-2161, § 1, 11-8-67; Ord. No. 71-1242, § 1, 7-13-71; Ord. No. 08-249, § 2, 3-26-08; Ord. No. 08-285, § 1, 4-9-08)

Sec. 8-54. Separate license for each address.

Every person who desires to maintain and operate more than one place of business or branch office or substitute place of business must designate in his original application each such place of business, branch office or substitute place of business, giving each address and pay a separate license fee and secure a license pursuant to the provisions of this division for each address.
(Code 1968, § 8-35)

Sec. 8-55. Separate license for each person engaged in business at same place.

(a) A separate license issued hereunder shall be required for each person who may engage in the business of dealing in new motor vehicles or used motor vehicles, or both, at any fixed or established place of business.

(b) A separate license issued hereunder shall be required for each person who may engage in the business of dealing in new motor vehicle parts or accessories or used motor vehicle parts or accessories, or both, at any fixed or established place of business.
(Code 1968, § 8-36)

Sec. 8-56. Investigation.

When an application is made for a license under this division, the chief of police or his duly authorized representative shall make or cause to be made such inspections of the establishments of the applicant and such investigations as he may deem necessary and shall report the results thereof to the automotive board. The chief of police shall also advise the automotive board as to whether the applicant or any other person required to be listed on the application appears to have been convicted of or served time in jail or prison for any applicable offense specified in section 1-10 of this Code.
(Code 1968, § 8-37)

Sec. 8-57. Approval or disapproval of application.

(a) The automotive board shall consider the application for a license under this division and the report of the chief of police or his duly authorized representative concerning the same, after which time it shall stamp its approval or disapproval on such application.

(b) If the automotive board refuses to approve an application for a license or revokes or suspends a license under this division, the applicant or licensee therefor shall have the right of appeal to the city council; provided, however, if the license is denied, suspended or revoked due to a conviction pursuant to section 1-10 of this Code, then such applicant or licensee shall have no right of appeal to the city council. In all other cases, an appeal may be set pursuant to Rule 12 of section 2-2 of the Code and by filing a written request in the office of the city secretary within ten days after the action of the automotive board disapproving the application or revoking or suspending the license. The city secretary shall select a date for the hearing and written notice thereof will be given to the applicant. If such appeal is from the denial of a license and if such license is granted by the city council, the applicant therefor

shall be entitled to the issuance thereof in the same manner as other licenses are issued hereunder.
(Code 1968, § 8-38; Ord. No. 71-1456, § 1, 8-18-71; Ord. No. 09-425, § 4, 5-13-09)

Sec. 8-58. Fees.

(a) The fees for the types of licenses issued under this division are stated for each license in the city fee schedule and shall be payable to the chief of police.

(b) Fees on all licenses issued during any calendar year shall be paid in advance to the chief of police.

(c) Any combination license may be issued for any combination of the businesses governed by this article, upon payment of the appropriate fee as herein provided, after application for such license has been made and approval has been granted by the automotive board pursuant to the terms of this division. The following shall constitute the schedule of combination licenses issued under this division, for which the fees stated for this provision in the city fee schedule shall be payable to the chief of police in lieu of separate licenses for two or more classes of business conducted by the licensee.

(d) A dealer who inadvertently obtains duplicate licenses for the same address under subsections (a) and (c) shall be entitled to a refund for such duplication; provided, the city shall retain the fee stated for this provision in the city fee schedule for handling the refund.

(e) Upon disapproval by the automotive board of any license issued hereunder, the applicant (by requesting same in writing) shall be entitled to a refund of money paid the city; provided, the city shall retain the fee stated for this provision in the city fee schedule for handling the refund.

(f) No license issued pursuant to the provisions of this division may be renewed more than 30 days after the date of its expiration. If a license had expired and not been renewed within 30 days, the applicant may apply for a new license as an initial applicant. The fee for such a new license shall be the fee set out for an original license.

(g) It shall be unlawful for any person to operate a business for which a license is required under this division without first obtaining a license therefor.
(Code 1968, § 8-39; Ord. No. 69-704, § 1, 4-23-69; Ord. No. 71-1242, § 2, 7-13-71; Ord. No. 73-2513, § 1, 12-26-73; Ord. No. 74-361, § 1, 2-26-74; Ord. No. 77-446, §§ 1, 2, 3-9-77; Ord. No. 81-1804, §§ 1—3, 9-15-81; Ord. No. 87-1195, § 3, 7-8-87; Ord. No. 93-1574, § 7, 12-8-93; Ord. No. 99-1354, § 2, 12-21-99; Ord. No. 08-923, § 2, 10-15-08; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2013-1209, §§ 7, 8, 12-18-2013)

Sec. 8-59. Issuance.

When an application for a license under this division is approved by the automotive board or the city council, the chief of police shall, upon payment to him by the applicant of the proper license fee as provided for in this division for the business described in such application, and compliance with all provisions of this division by the applicant, issue the proper license on a form to be prescribed by the automotive board.
(Code 1968, § 8-40)

Sec. 8-60. Term.

All licenses issued under this division shall be valid for one year from the date of issuance and must be renewed annually.
(Code 1968, § 8-41; Ord. No. 08-923, § 3, 10-15-08)

Sec. 8-61. Display.

A license issued under this division shall be displayed in a conspicuous place in the office of each place of business maintained by the licensee.
(Code 1968, § 8-42)

Sec. 8-62. Amendment upon change of business.

Any license issued under this division shall apply to the premises described therein, but a licensee may, upon application therefor and the payment of the fee stated for this provision in the city fee schedule to the chief of police for each such application and the turning in of the old

license for cancellation, be issued an amended license showing any change in location of the place of business of such licensee. Such amended license shall expire on the date of the expiration of the license which it replaces and shall so state. Said licensee shall report to the chief of police any change in location of his place of business within 30 days from the date of any change.
(Code 1968, § 8-43; Ord. No. 81-1804, § 4, 9-15-81; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 8-63. Certified copies.

Any licensee under this division who desires a certified copy of his license or amended license, shall make a written application therefor addressed to the chief of police stating therein the number of certified copies desired by the applicant and over his signature, and upon payment made to the chief of police of the fee stated for this provision in the city fee schedule for each such certified copy applied for, the chief of police is hereby authorized and required to issue and deliver such copy or copies to the applicant and certify in his official capacity that each copy is a true and correct copy of the original or amended license issued to the applicant.
(Code 1968, § 8-44; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 8-64. Licensee restricted to business specifically licensed.

No person having a license as provided for in this division shall engage in any business regulated by this article except that for which such person has been specifically licensed.
(Code 1968, § 8-45)

Sec. 8-65. No vested rights.

No license issued under this division shall be construed as the grant of a vested right, but shall be subject to such other regulations or amendments as the city council may from time to time promulgate in the regulation of the businesses coming within the scope of this article.
(Code 1968, § 8-46)

Sec. 8-66. Revocation or suspension.

(a) The automotive board may revoke or suspend a license after it has been granted under this division for any of the following reasons:

(1) Habitual drunkenness or the use of narcotics by the licensee.

(2) Conviction of an offense pursuant to section 1-10 of this Code.

(3) Adjudication of insanity of the licensee.

(4) Fraud or misrepresentation in obtaining the license.

(5) Violation by the licensee, on more than one occasion, either willfully or maliciously or by reason of incompetence, of any of the provisions of this chapter or of any rule or regulation adopted and promulgated by the automotive board and approved by the city council, under authority vested in it by this chapter.

(6) Upon satisfactory proof that the licensee has violated any of the laws of Texas affecting either the sale of automobiles or the operation of the business or service for which the license was issued.

(7) Proof that the licensee has represented and sold as a new and unused motor vehicle any motor vehicle which has been operated for demonstration purposes or which is otherwise a used motor vehicle.

(8) Proof that the licensee has sold or offered for sale as a new and unused motor vehicle any motor vehicle for which he cannot secure for the purchaser thereof such new car warranty as may be extended by the manufacturer of the car to the purchaser of one of its new cars, unless he shall explain to the purchaser and show on the bill of sale that the car is being sold without any warranty being extended by the manufacturer.

(9) Proof that the licensee resorts to or uses any false or misleading advertising in connection with his business as such motor vehicle dealer or motor vehicle salesman.

(10) Proof that the licensee gives false or fictitious names or addresses for the purpose of registering the sale of a motor vehicle, or makes application for the registration of a motor vehicle in the name of any person other than the true owner, or any other fraudulent practices to evade the meaning of this section.

(b) The automotive board, before taking any action under this section, shall give the licensee written notice of the violation or offense complained of and shall conduct a hearing inquiring into such violation or offense, at which time the licensee shall have an opportunity to present evidence on his behalf. If the board revokes or suspends a license because the licensee has been convicted of the commission of a felony or of a misdemeanor involving moral turpitude, the revocation or suspension shall be effective immediately.

(c) A licensee whose license has been revoked or suspended by the automotive board shall have the right to appeal such revocation or suspension to the city council in the manner and under the terms and conditions provided for in section 8-57 of this Code and the council shall follow the procedure set forth in that section.

(d) A licensee whose license has been revoked or suspended pursuant to this section shall not be eligible to apply for the same type of license for a period of one year from the date of revocation.

(Code 1968, § 8-47; Ord. No. 71-1456, § 1, 8-18-71; Ord. No. 2016-456, § 4, 6-15-2016)

Secs. 8-67—8-80. Reserved.

DIVISION 3. SALESMAN'S LICENSE

Sec. 8-81. Required.

It shall be unlawful for any person to engage as a salesman, full or part time, in the business of selling new or used motor vehicles, new or used motor vehicle trailers, or used motor vehicle parts or accessories, or to engage as a storage lot operator, full or part time, in the city, unless such person shall first obtain a salesman's license. It shall be unlawful for any dealer or other person licensed under division 2 of this article to allow any person to act as a salesman for his business who has not obtained a salesman's license as herein provided.

(Code 1968, § 8-53; Ord. No. 93-1574, § 8, 12-8-93)

Sec. 8-82. Application; issuance or denial.

It shall be the duty of each salesman required to be licensed under this division to apply for such license in the same manner as prescribed in division 2 of this article. Such application shall be on an application form provided by the chief of police and prescribed by the automotive board. Such application shall state the applicant's name, age, present address, former addresses and places of employment during the preceding two years, whether the applicant has been convicted of a felony or of a crime involving moral turpitude. A bust picture of applicant, not less than 1½ inches by two inches in size, shall be attached to said application. An application for the license required by the provisions of this division shall be acted upon by the automotive board in the same manner and respect as provided for in the issuance of licenses under division 2 of this article, and the board shall either approve or deny the application. Each application shall be referred to the chief of police who shall advise the board as to whether the applicant appears to have been convicted of or served time in jail or prison for any applicable offense specified in section 1-10 of this Code. Any fraudulent information provided on the license application, including the omission of any criminal background data, shall be cause for denial of the license. If the application is approved, it shall be transmitted to the chief of police for the issuance of the license. A person aggrieved by the action of the automotive board in denying an application for the license required by the provisions of this division or revoking or suspending such a license may appeal to the city council in the manner and under the terms and conditions provided for in section 8-57 of this Code and the council shall follow the procedure set forth in such section.

(Code 1968, § 8-54; Ord. No. 75-107, § 1, 1-21-75; Ord. No. 2016-456, § 5, 6-15-2016)

Sec. 8-83. Fee.

Upon filing an application for a license under this division, the applicant shall pay to the chief of police or his representative the nonrefundable license fee stated for this provision in the city fee schedule.
(Code 1968, § 8-55; Ord. No. 74-361, § 2, 2-6-74; Ord. No. 77-446, § 3, 3-9-77; Ord. No. 81-1804, § 5, 9-15-81; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 8-84. Certain applicants to be fingerprinted.

All salespersons, used parts and used accessories sellers and storage lot operators applying for a salesman's license shall submit themselves to be fingerprinted at the police department.
(Code 1968, § 8-56; Ord. No. 86-44, § 1, 1-21-86; Ord. No. 93-1574, § 9, 12-8-93)

Sec. 8-85. Contents.

A license issued under this division shall contain a license number, the licensee's social security number, his signature, and the name of the licensee's employer.
(Code 1968, § 8-57; Ord. No. 2020-320, § 8, 4-15-2020)

Sec. 8-86. Exhibition.

A license issued under this division shall be exhibited, upon demand, to any peace officer showing proper identification.
(Code 1968, § 8-58)

Sec. 8-87. Expiration and renewal.

(a) Each salesman license shall expire each year on the last day of the month of the anniversary of the license holder's date of birth.

(b) The first license issued to an individual hereunder shall expire on the last day of the month of the salesman license holder's date of birth following the expiration of one year from issuance.

(c) The license may be renewed annually upon payment to the chief of police of the fee stated for this provision in the city fee schedule.

(d) No license that has lapsed for 90 days or more shall be renewed except upon re-examination upon the same terms and conditions as provided for herein in the case of original licenses.
(Code 1968, § 8-59; Ord. No. 70-37, § 1, 1-13-70; Ord. No. 74-361, § 3, 2-6-74; Ord. No. 77-447, § 4, 3-9-77; Ord. No. 81-1804, § 6, 9-15-81; Ord. No. 08-923, § 4, 10-15-08; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 8-88. Transfer or change of employment after issuance; fee.

A license issued under this division shall not be transferable. It shall be lawful, however, for a salesman to use the same license after changing employment from one employer to another, provided the fact of such change in employment is endorsed on the license by the chief of police and the fee stated for this provision in the city fee schedule is paid to the chief of police for making the notation of such change.
(Code 1968, § 8-60; Ord. No. 77-447, § 5, 3-9-77; Ord. No. 81-1804, § 7, 9-15-81; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 8-89. Revocation or suspension.

Any license issued under this division may be revoked or suspended by the automotive board for any of the reasons stated in section 8-66 of this Code, and such suspension or revocation shall be subject to all of the provisions and conditions of section 8-66.
(Code 1968, § 8-61)

Sec. 8-90 Reserved.

DIVISION 4. BODY SHOP FACILITY WITH STORAGE PRIVILEGES

Sec. 8-91. Purpose; relationship to other provisions.

(a) Pursuant to the provisions of this division, an automotive repair facility that primarily functions as a body shop may qualify to obtain a license as a body shop facility with storage privileges. A holder of that license shall, subject

to compliance with this division, be entitled to function as both an automotive repair facility and an automotive storage lot operator under this article so that a storage fee may be imposed for vehicles that are stored with the owner's consent pending their repair at the body shop or other disposition. The holder of a body shop facility with storage privileges license shall not be required to also hold an automotive repair facility license or automotive storage lot operator's license for operations at the covered premises in compliance with this division.

(b) A body shop facility with storage privileges that is licensed under this division is not required to comply with the land use requirements established in section 28-34 of this Code. However, it is the intent of city council in adopting this article that the article cannot be used to circumvent the 300-foot land use restrictions that apply therein to any storage lot, whether in existence at the time of adoption of this article or created thereafter.

(c) Nothing contained in this division shall be construed to preclude an automotive repair facility, whether primarily operating as a body shop or not, that is situated in a location that complies with section 28-34 of this Code from obtaining a license under the state Vehicle Storage Facility Act or a private storage lot authorization under article III of this chapter, as applicable, and conducting vehicle storage operations thereunder.

(d) Nothing contained in this division shall be construed to preclude any automotive repair facility, whether primarily operating as a body shop or not, from storing vehicles without imposing a fee for the service as authorized in section 8-30 of this Code.

(e) All provisions of this article that apply to automotive repair facilities shall also apply to a body shop facility with storage privileges license holder, except that the license holder may not store vehicles as provided in section 8-30(o) of this Code.
(Ord. No. 99-1354, § 3, 12-21-99)

Sec. 8-92. Licensing requirements.

In order to obtain a body shop facility with storage privileges license, the applicant must demonstrate:

(1) That on the premises where the licensed facility will be situated, the applicant operates a body shop that is operationally equipped with one or more frame machines, an estimating system, two or more fully equipped body repair bays and one or more city permitted vehicle paint booths, which equipment shall be situated within enclosed structures.

(2) That the licensed facility may not derive more than 25 percent of all income from fees charged specifically for storage of vehicles on the premises.

(3) That, in addition to the vehicle storage area required under item (5), below, the operator has, upon the premises, not less than five parking spaces for every 1,000 square feet of gross floor area, as required for an auto repair establishment under chapter 26 of this Code.

(4) That the premises abuts a major thoroughfare and will take access to the premises for all purposes relating to the operation of the body shop and the storage of vehicles from the major thoroughfare.

(5) That the premises has an enclosed all-weather-improved surface parking area not larger than seven and one-half marked parking spaces per 1,000 square feet of gross floor area, measured and construed in the same manner provided in chapter 26 of this Code, that will be utilized as its vehicle storage area. The area shall be enclosed in the same manner described in section 8-30(e) of this Code, provided that if the premises abuts any deed restricted property and the deed restrictions require a particular type of fence, then the fence shall also conform to the style required in the abutting property's deed restrictions. The vehicle storage area shall be located on the same tract or

parcel of land where the body shop is situated or a contiguous tract or parcel of land. For this purpose, "contiguous" shall include an abutting tract or parcel and shall also include atract or parcel that is situated directly across the major thoroughfare from which the body shop takes it access. For these purposes, the term directly across means that 50 percent or more of the tract frontages on the opposite sides of the major thoroughfare are parallel.

(6) That signs are conspicuously posted at each public entrance to the premises setting forth the hours of operation and the amount of any daily vehicle storage fee imposed.

(Ord. No. 99-1354, § 3, 12-21-99)

Sec. 8-93. Operating requirements.

Holders of body shop facility with storage privileges licenses shall be subject to the following operating rules:

(1) No vehicle may be stored without the owner's consent, which shall be evidenced either by an auto wrecker tow slip signed by the owner or operator of the vehicle designating the licensed premises as the intended tow destination or by a vehicle work order or repair contract executed by the owner of the vehicle that provides for repair of the vehicle at the premises. The tow slip or contract shall evidence the date of receipt of the vehicle at the premises.

(2) No vehicle shall be stored unless it has in display Texas registration and vehicle inspection stickers that are current or not more than two months expired, or equally current operating documentation if the vehicle is registered in another jurisdiction.

(3) No vehicle shall be stored except in the storage enclosure described in section 8-92(5) of this Code, nor shall the number of vehicles stored exceed the number of authorized storage spaces.

(4) Within 30 days from the date of its receipt, each vehicle stored shall either be removed from the premises or be brought into an enclosed body shop structure for the commencement of repairs and may not be returned to outside storage until all body work is completed. In the event that the owner does not remove the vehicle as required under this item, the body shop facility with storage privileges license holder shall cause the vehicle to be timely removed to a city-licensed private storage lot operating under article III of this chapter or a state-licensed vehicle storage facility. A daily log of vehicles received and removed shall be maintained to evidence compliance with this item.

(5) The operator of the body shop facility with storage privileges may, but shall not be obligated to, impose a fee of not more than $11.00 per calendar day, or any portion of a calendar day, for storage services. No additional fee may be imposed for preservation, notices or other services related to the storage services.

(6) The owner of each vehicle stored hereunder shall be notified of the applicable terms and conditions relating to storage periods and fees, including the amount of the storage fees that may be imposed, the requirement that the vehicle may not be stored on the premises for more than 30 days, the destination to which it will be taken if not timely removed, the amount of any additional towing fee that may be imposed for the removal and that the vehicle will be subject to additional fees and sale pursuant to state law if not timely redeemed from the place to which it will be removed. The notice shall be in a form approved by the police chief or his designee, shall set forth the above information and shall be mailed to the registered owner of record within five days from the date of the receipt of the vehicle, provided that the notice shall not be required to be mailed if the owner has, within five days follow-

ing receipt of the vehicle on the premises, executed a work order or repair contract that includes the required notice information.

(Ord. No. 99-1354, § 3, 12-21-99)

Sec. 8-94. Compliance required; inspection.

(a) Records of compliance with this article, including tow slips, work orders, repair contracts, the daily compliance log and storage receipts shall be maintained on the premises of the body shop facility with storage privileges and shall be made available for inspection and copying by any police officer immediately upon request during regular business hours. The records shall be retained on the premises for two years from the date of their creation.

(b) Compliance with all provisions of this article is a condition of imposition of a storage fee by a body shop facility with storage privileges.

(c) It shall be the duty of the owner and each agent and employee of a body shop facility with storage privileges to comply with all requirements of this article and any failure to comply shall be an offense punishable as provided in section 1-6 of this Code.

(d) The holder of a body shop facility with storage privileges license shall only have storage privileges as extended hereunder.

(Ord. No. 99-1354, § 3, 12-21-99)

Secs. 8-95—8-100. Reserved.

ARTICLE III. AUTO WRECKERS AND STORAGE YARDS

DIVISION 1. GENERALLY

Sec. 8-101. Definitions.

For the purposes of this article:

Accident means a situation where one or more motor vehicles have collided with any other motor vehicle or object.

Authorization holder means a person who is operating a private storage lot under an authorization issued under division 3 of this article, rather than under a Vehicle Storage Facility Act license.

Auto wrecker means any vehicle used for the purpose of towing, carrying, pushing or otherwise transporting any motor vehicle.

Consent tow means the tow of a motor vehicle conducted with the prior authorization of the vehicle owner.

Custodial arrest means a situation in which a law enforcement officer takes the vehicle owner into custody.

Freeway means the entire public right-of-way of a divided, controlled-access highway located within the city, including its roadway lanes, ramps, shoulders, and unimproved areas, but excluding frontage or service roads.

Heavy-duty wrecker means an auto wrecker having chassis rated at five tons or greater by the vehicle manufacturer and a winch capable of lifting a minimum of 30,000 pounds as rated by the winch manufacturer. Except where a distinction is made, the term "auto wrecker" includes a "heavy-duty wrecker."

Lawfully hooked up means and refers to a vehicle a wrecker driver has attached to an auto wrecker, is lifted in the tow position or, if required, placed on a dolly in a raised position, with tow lights and safety chains attached and is fully prepared for transport.

Nearest place of safety means, during the period each day from 10:00 p.m. to 6:00 a.m., the nearest licensed storage facility that is lighted, manned on a 24-hour basis, and provides the vehicle owner with access to a telephone and other facilities or other safe place, and at all other times, the nearest licensed storage facility or other safe place.

Nonconsent storage lot means an automobile storage facility that is either:

(1) Operating under a current and valid license granted pursuant to the

Vehicle Storage Facility Act (Chapter 2303 of the Texas Occupations Code); or

(2) Operating under a current and valid police private storage lot agreement issued under division 3 of this article.

Nonconsent tow means the tow of a motor vehicle in every instance in which the vehicle owner is unwilling or unable to designate a tow operator to remove the vehicle, including instances in which the vehicle is: (i) abandoned or stolen, or (ii) being operated by a person who is the subject of a custodial arrest or who is physically or mentally unable or unwilling to request a tow operator or destination, when a law enforcement officer determines that no other authorized person is present and able to remove the vehicle.

Parking compliance officer has the meaning ascribed in section 26-2 of this Code.

Police-authorized tow service agreement or *PATSA* means an agreement made pursuant to the provisions of section 8-126 of this Code.

Police chief means the chief of police of the city or his designee.

Police private storage lot means a private storage lot for which the operator has a current and valid agreement with the city pursuant to section 8-143 of this Code.

Police scene means a place at which (i) an accident has taken place that is subject to a field investigation conducted by a law enforcement officer, (ii) a law enforcement officer has recovered a stolen vehicle, (iii) a vehicle has been abandoned in a roadway, (iv) a custodial arrest by a law enforcement officer has taken place, or (v) a vehicle is otherwise subject to removal or impoundment pursuant to law by a law enforcement officer, parking compliance officer or personnel designated by the police chief.

Recovery services means any and all actions relating to uprighting or otherwise moving a vehicle into a position from which it can be towed, securing a shifted or lost load of cargo, and cleaning up of debris from the scene. This definition also applies to scenes to which a heavy-duty wrecker is called.

Safe place means a location chosen with regard to the following criteria: the age, physical or other condition of the vehicle owner, including whether the vehicle owner is accompanied by one or more minor children, the remoteness of the location, the proximity of authorities or persons who could render aid or assistance, the time of day, the climatic conditions, the character of the location or surrounding neighborhood and the vehicle owner's knowledge or familiarity with the location or surrounding neighborhood.

Stalled vehicle means a vehicle that has a flat tire or other mechanical problem, is out of gas or, due to other factors other than physical damage from a collision, may not be operated in a normal manner.

Tow means the removal from public or private property of a vehicle, including a trailer towed by the vehicle, by means of an auto wrecker only.

Tow operator means the owner of an auto wrecker authorized to perform tows under applicable state law and this chapter.

Vehicle owner means the actual owner of the vehicle towed or transported or any driver of the vehicle who reasonably appears to have authority to operate the vehicle.

Wrecked vehicle means a vehicle that, due to a collision, is incapable of being driven or moved.

Wrecker driver means any individual who drives an auto wrecker.

Wrecker driver trainee means an individual who, to obtain on-the-job training and experience in connection with PATSA tow operations before applying for a wrecker driver license, holds a wrecker driver trainee license from the city.

(Ord. No. 01-1079, § 5, 12-5-01; Ord. No. 05-1271, § 2, 9-22-05; Ord. No. 09-1135, §§ 2, 3, 11-18-09; Ord. No. 2014-482, § 3, 5-28-2014; Ord. No. 2019-1015, § 31, 12-11-2019; Ord. No. 2021-753, § 2, 9-1-2021; Ord. No. 2022-151, § 3, 2-23-2022)

Sec. 8-102. Penalty.

Unless otherwise provided, a person who violates any provision of this article shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than $200.00 nor more than $500.00; provided, however, if the person is convicted of an offense under this article that is also a violation of the penal laws of the state, the person shall be subject to the penalties set out in the state penal laws for the offense. Each day that any violation continues shall constitute and be punishable as a separate offense.
(Ord. No. 01-1079, § 5, 12-5-01)

Sec. 8-103. Freeway towing.

(a) *Wrecked or stalled vehicle; traffic hazard.* A wrecked or stalled vehicle on a freeway is a traffic hazard and a threat to public safety. Wrecked vehicles, regardless of location, or stalled vehicles in a moving lane shall be removed from a freeway at the earliest possible opportunity consistent with safety and proper police procedures. Stalled vehicles on a shoulder shall be removed as directed by a law enforcement officer.

(b) *Police scene; law enforcement jurisdiction.* A wrecked or stalled vehicle on a freeway shall constitute a police scene.

(c) *Persons authorized.* A wrecked or stalled vehicle may be towed from a freeway only by an auto wrecker operated by:

(1) A tow operator holding a contract to conduct Tow and Go freeway towing under section 8-127 of this Code;

(2) A PATSA tow operator called to a police scene on a freeway by a law enforcement officer; or

(3) A tow operator called by the vehicle owner of a wrecked or stalled vehicle who arrives at the location of such vehicle before the law enforcement officer in charge of the scene directs the removal of the vehicle, including but not limited to an auto wrecker operated by an automobile club, insurance company or other person having a contractual obligation to provide the vehicle owner with towing services.

(d) Except as provided in item (3) of subsection (c) of this section, it shall be unlawful for any auto wrecker not operated pursuant to items (1) or (2) of subsection (c) of this section to be present or remain at, or to tow any vehicle from, a freeway. It shall be an affirmative defense to prosecution under this subsection that (i) the wrecker driver was acting under the direction of a law enforcement officer, (ii) the auto wrecker is a heavy-duty wrecker summoned to the scene by a law enforcement officer pursuant to section 8-123 or (iii) the auto wrecker is acting to provide a warning to oncoming traffic pursuant to section 8-118 of this Code.
(Ord. No. 05-1271, § 3, 9-22-05; Ord. No. 2021-753, § 3, 9-1-2021)

Secs. 8-104—8-110. Reserved.

DIVISION 2. AUTO WRECKERS*

Subdivision A. Operational Rules and Regulations and Tow Agreements†

Sec. 8-111. Auto wrecker requirements.

(a) *State registration required.* Any auto wrecker that is used to perform any nonconsent tow shall be registered as a tow truck under applicable provisions of state law, including, without limitation, Chapter 2308 of the Texas Occupations Code.

(b) *City registration required.* Any auto wrecker that is used to perform any nonconsent tow on private property in the city must be registered with the police department, regardless of whether the owner of the auto wrecker has a place of business in the city.

---

*__Editor's note—__Ord. No. 04-497, § 3, adopted May 26, 2004, amended Ch. 8, Art. III, Div. 2 in its entirety. Formerly said division pertained to similar subject matter and derived from Ord. No. 01-1079, § 5, adopted 12-5-01.

†__Editor's note—__Ord. No. 05-116, § 4, adopted February 9, 2005, designated Subdivision A to be entitled as herein set out.

(c) *Application for city registration.* A tow operator may apply to the police department for registration of an auto wrecker by i) submitting a completed application on a form promulgated by the police chief; ii) paying the fee stated for this provision in the city fee schedule per auto wrecker to the police department; iii) providing verification that the auto wrecker is equipped to tow light-duty or heavy-duty motor vehicles according to the manufacturer's guidelines; and (iv) providing proof of insurance that meets the requirements of § 86.400 of Title 16 of the Texas Administrative Code.

(d) *Inspection; proof of registration.* Upon receipt of an application, the police department will inspect the auto wrecker to determine compliance with the requirements of subsection (d) of this section and, if the auto wrecker is found in compliance, shall issue proof of registration to the applicant. The proof of registration (a medallion) shall be attached to the auto wrecker for which it is issued, at the place on the vehicle designated by the police chief. It shall be unlawful for any person to drive or operate an auto wrecker without the proof of registration being so attached.

(e) *Requirements for city registration.*

(1) Each tow operator must meet the signage, safety equipment, safety clothing, and identification requirements of §§ 86.701, 86.1000, and 86.1001 of Title 16 of the Texas Administrative Code.

(2) Each auto wrecker shall meet the following minimum requirements:

a. Except for heavy duty wreckers, the auto wrecker's chassis cab shall be rated at no less than one ton by the manufacturer and will be equipped by the manufacturer with dual wheels and tires at each end of the rear axle;

b. The auto wrecker at all times shall carry tow lights with appropriate cable (unless wireless) and cushions to protect a vehicle's finish; and

c. The auto wrecker at all times shall be equipped with safety (mud) flaps with the bottom edge of the mud flap no more than eight inches from the surface of the road.

(f) *Renewal of registration.* The registration for each auto wrecker that is used to perform non-consent tows subject to this section shall be renewed annually by payment of the fee stated for this provision in the city fee schedule to the police department, which shall verify that the auto wrecker is still in compliance with this section.

(g) *Replacement medallion.* In the event a wrecker medallion is lost or stolen, the tow operator shall file a completed police department offense report and pay the medallion replacement fee stated in the city fee schedule to the police department for each replacement medallion.

(h) *Medallion transfer.* In the event a tow operator wishes to transfer an auto wrecker to another towing zone, the tow operator shall pay the police department the medallion transfer fee stated in the city fee schedule for each medallion transferred.
(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 2011-1012, § 3, 11-30-2011, eff. 1-1-2012; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2013-1159, §§ 3, 4, 12-11-2013; Ord. No. 2014-482, § 4, 5-28-2014; Ord. No. 2021-753, § 4, 9-1-2021)

Sec. 8-112. State licensing of wrecker drivers.

Auto wreckers shall be operated by persons who hold the type of state driver license that is required for their auto wrecker, as applicable.
(Ord. No. 04-497, § 3, 5-26-04)

Sec. 8-113. Information to be furnished owner of vehicle who requests towing at a police scene.

(a) No wrecker driver shall accept a motor vehicle to be towed with the vehicle owner's consent from a police scene unless he has informed the vehicle owner of the following:

(1) The exact fee to be charged for the towing and any terms applicable to its

payment, including the forms of payment that will be accepted and the time when payment will be due;

(2) The name, business address and phone number of the auto wrecker company that will tow the vehicle;

(3) The legibly printed name and state driver license number of the wrecker driver;

(4) The state license plate number of the auto wrecker being used for the tow;

(5) The location to which the vehicle will be towed; and

(6) A complete description of the vehicle towed, including the license plate number and vehicle identification number.

(b) The information required above shall be provided in the form of a written wrecker slip. The wrecker driver shall provide a copy of the wrecker slip to the law enforcement officer in charge of the police scene and shall also provide a copy of the wrecker slip to the vehicle owner.
(Ord. No. 04-497, § 3, 5-26-04)

Sec. 8-114. Notice to vehicle owner or police when vehicle is not towed to place designated by vehicle owner.

If a wrecker driver has accepted a motor vehicle to be towed to a place designated by the vehicle owner, but is unable to deliver the vehicle to the place so designated, he shall inform the vehicle owner immediately as to the reasons why the vehicle was not taken to the place agreed and where the vehicle was taken. If the wrecker driver is unable to so notify the vehicle owner, he shall notify the police department immediately and shall send or cause to be sent notification to the vehicle owner by certified mail, return receipt requested, within 48 hours of the time the vehicle was towed; provided, however, if it is impossible to send such certified mail within 48 hours due to a federal holiday occurring on a Monday, such notice shall be mailed within two hours of the time the post office reopens after the holidays.
(Ord. No. 04-497, § 3, 5-26-04)

Sec. 8-115. When towing from public property authorized.

No person shall tow, carry or transport any motor vehicle without the consent of the vehicle owner from any public street, alley, road, right-of-way, or park except under the direction and authority of a law enforcement officer acting in his official capacity or a parking compliance officer or personnel designated by the police chief acting pursuant to section 26-298 of this Code.
(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 09-1135, § 4, 11-18-09; Ord. No. 2019-1015, § 31, 12-11-2019)

Sec. 8-116. Wrecker slip for towing vehicle under direction of law enforcement officer.

(a) Except as otherwise provided in subsection (c) of this section, no person shall tow, carry or transport a motor vehicle under the direction or authority of a law enforcement officer, parking compliance officer or personnel designated by the police chief unless a wrecker slip has been issued to the wrecker driver by the officer. Such wrecker slip shall be filled out by the law enforcement officer, parking compliance officer or personnel designated by the police chief on a form designated by the chief of police. The wrecker slip shall contain the following information:

(1) A complete description of the vehicle to be towed, including the license plate number and the vehicle identification number;

(2) Any visible damage to the inside or outside of the vehicle;

(3) Any personal property contained within the vehicle that is visible from outside that vehicle;

(4) Any visible missing parts or paraphernalia;

(5) The location from which the vehicle is being towed;

(6) The date and time the vehicle is picked up by the auto wrecker;

(7) The reason the vehicle is being towed;

(8) The police private storage lot or other police designated location to which the vehicle is to be towed;

(9) The state license plate number of the auto wrecker being used for the tow;

(10) The signature and employee number of the law enforcement officer, parking compliance officer or personnel designated by the police chief authorizing the tow; and

(11) The signature, legibly printed name, and state driver license number of the wrecker driver.

(b) The wrecker driver signing the wrecker slip shall be responsible to account for the vehicle at all times until the vehicle has been accepted by an agent of the destination set out in the wrecker slip. No fee shall be charged for towing any vehicle under the direction and authority of a law enforcement officer, parking compliance officer or personnel designated by the police chief unless the wrecker driver has obtained a completed wrecker slip. The wrecker driver shall cause the vehicle to be delivered without delay to the location designated on the wrecker slip and may not redirect the vehicle to another destination unless:

(1) Authorization has been obtained from the operator of the police private storage lot specified on the wrecker slip on a form specified by the police department to take the vehicle to another police private storage lot and the form is delivered to the police private storage lot accepting the vehicle for storage along with the original wrecker slip; or

(2) Verbal authorization has been given by a supervisor in the auto dealers detail of the police department and noted on the wrecker slip.

(c) In accordance with orders established by the chief of police for that purpose, the signature and employee number of the authorizing officer as required in this section may be affixed to the wrecker slip by the wrecker driver by facsimile. The provisions of this authorization shall be limited to circumstances where the authorizing officer is not present at the police scene but is able to view the police scene from a remote location by televised link and/or able to communicate with the wrecker driver by telephone or radio.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 09-1135, § 5, 11-18-09; Ord. No. 2019-1015, § 31, 12-11-2019)

Sec. 8-117. Nonconsent tow regulations.

(a) A person who performs a nonconsent tow in the city may not operate or permit another person to operate an auto wrecker on a public roadway in the city unless the person has a current wrecker driver license issued by the city.

(b) A private storage lot owned or used by a towing company to store a motor vehicle subject to a nonconsent tow must be located within the city limits.

(c) A towing company that performs a nonconsent tow of a motor vehicle:

(1) Shall immediately tow the motor vehicle to a private storage lot located within the city limits; and

(2) May not unload the towed motor vehicle at a place other than the private storage lot.

(d) Notwithstanding the foregoing, a towing company that performs a nonconsent tow of a motor vehicle may unload a motor vehicle at a place other than its private storage lot only:

(1) If safety reasons or mechanical breakdown require the transfer of the motor vehicle to another tow truck;

(2) To transfer the motor vehicle to another tow truck, within 100 feet of the private property, if the original tow truck is the company's only available truck that is capable of entering the property and removing a motor vehicle, and the original truck is needed immediately for additional towing; or

(3) The towing company agrees to take the motor vehicle to a location designated by

the vehicle owner, provided that, in the event of a police-authorized tow, if the motor vehicle is unloaded at a location that is more than twenty miles from the site of the tow, the vehicle owner shall pay the towing company a mileage fee, in addition to the service charge for the tow established pursuant to section 8-123. A mileage fee assessed under this subsection shall be calculated by multiplying the number of miles in excess of twenty miles by an amount that is not greater than two percent of the applicable service charge for the tow.

(e) A towing company that transfers a motor vehicle to another tow truck pursuant to subsection (d)(1) or (d)(2) may not charge an additional fee for the transfer.

(f) Once a law enforcement officer has authorized a tow under this section, the wrecker slip has been signed and the services commenced, the services shall remain nonconsent towing services under the auspices of the authorizing agency and may not be changed to a consent tow.
(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 09-1135, § 6, 11-18-09; Ord. No. 09-1347, § 2, 12-16-09; Ord. No. 2011-1012, § 4, 11-30-2011, eff. 1-1-2012; Ord. No. 2014-482, § 5, 5-28-2014)

Sec. 8-118. Parking at police scenes.

Whenever a person operating an auto wrecker or other vehicle arrives at a police scene, the driver shall park his vehicle as close to the street curb as possible and in such a manner as not to interfere with traffic. He shall not park his vehicle within a distance of 100 feet from a wrecked or stalled vehicle. It is a defense to prosecution under this section that the vehicle is operated by a law enforcement officer or is parked as directed by a law enforcement officer at the scene. No wrecker driver shall stop or park or allow his auto wrecker to remain stopped or parked at a police scene if the number of auto wreckers already present at the scene equals the number of wrecked or stalled vehicles; provided, that no more than two additional auto wreckers may remain at a police scene when no law enforcement officer is present. It is an affirmative defense to prosecution that a law enforcement officer was present and in control of the police scene at the time that the wrecker driver arrived and had called the wrecker driver to the police scene or had asked the wrecker driver to cause his auto wrecker to remain at the scene.
(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 05-1271, § 4, 9-22-05; Ord. No. 2011-1012, § 5, 11-30-2011, eff. 1-1-2012)

Sec. 8-119. Igniting matches, etc., or smoking at scene of accident.

It shall be unlawful for any person to ignite a match, lighter or any other flammable object within a distance of 50 feet in any direction from the location of a vehicular accident. It shall further be unlawful for any person to enter into such area with a lighted cigarette, cigar, pipe or other burning material.
(Ord. No. 04-497, § 3, 5-26-04)

Sec. 8-120. V.I.N. inspection; transport authorization.

(a) It shall be unlawful for any wrecker driver to attach or cause or permit any auto wrecker to be attached to any motor vehicle without first personally inspecting the manufacturer's permanent vehicle identification number affixed to the motor vehicle to be transported.

(b) It shall be unlawful for any wrecker driver to attach or cause or permit any auto wrecker to be attached to any motor vehicle on which the manufacturer's permanent vehicle identification number has been removed or is not permanently affixed or is not clearly legible or that, upon visual examination of the manufacturer's permanent vehicle identification number, shows any evidence whatsoever of its possibly having been changed, altered or obliterated in whole or in part.

(c) It is a defense to prosecution under subsection (a) or (b) that the wrecker driver obtained, prior to attaching or causing or permitting the auto wrecker to be attached to the transporting vehicle and retained in his possession at all times while transporting the vehicle, a legible written authorization for the transport of the

vehicle issued by a law enforcement officer, parking compliance officer or personnel designated by the police chief setting forth:

(1) The printed name, signature and badge number, if applicable, of the law enforcement officer, parking compliance officer or personnel designated by the police chief;

(2) The state license plate number of the auto wrecker;

(3) The printed name and signature of the wrecker driver;

(4) A description of the transported vehicle;

(5) The place to which the transported vehicle is authorized to be towed; and

(6) The date upon which the tow is authorized to be conducted.

The aforesaid police or parking compliance transport authorization shall be required in addition to any other authorization required by law for the transportation of the vehicle, and the possession of a wrecker slip issued under section 8-116 of this Code shall not constitute a defense under this subsection. An authorization issued under this subsection shall only be a defense for the transport of the vehicle designated thereon by the wrecker driver and auto wrecker identified thereon to the place designated thereon on the date authorized thereon.
(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 09-1135, § 7, 11-18-09; Ord. No. 2019-1015, § 31, 12-11-2019)

Sec. 8-121. Removal of or tampering with vehicles at police scene without consent of vehicle driver or before police investigation completed.

(a) No wrecker driver shall remove any vehicle that is involved in a police scene and requires towing or attach his auto wrecker to such a vehicle until a law enforcement officer responsible for the police scene authorizes the moving of the vehicle.

(b) The fact that no law enforcement officer is present at a police scene when an auto wrecker arrives shall not constitute an exception to this section, and it shall be the duty of any vehicle owner desiring to tow or haul any vehicle from the police scene to cause the police department of the city to be notified and to await the arrival of a law enforcement officer and the completion of his investigation.

(c) Taking into consideration the location of the vehicle insofar as it may obstruct traffic, traffic conditions, and related factors of traffic management, law enforcement officers shall afford any vehicle owner who is present at a police scene and is able and willing to do so a reasonable time to make arrangements with a wrecker driver of his choice for a consent tow. However, in the event that the vehicle owner of a vehicle involved in a police scene is not present or is incapable of making or unwilling to make his own arrangements with a wrecker driver to remove the vehicle within a reasonable time, the investigating law enforcement officer shall give such orders as may be necessary to remove the vehicle from the street through a police-authorized tow.

(d) The provisions of this section shall not apply to vehicles detained for police investigation or other purposes as authorized by state and federal law, which may be removed by police department auto wreckers or as otherwise directed by the law enforcement officer in charge of the police scene, to vehicles towed from residential parking permit areas pursuant to section 26-298 of this Code, or to tows on freeways conducted pursuant to section 8-127 of this Code.
(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 05-1271, § 5, 9-22-05; Ord. No. 09-1135, § 8, 11-18-09)

Sec. 8-122. Debris glass, etc., at accident scenes.

Where vehicles to be towed have been involved in an accident, it is the responsibility of the vehicle owners for consent tows or the persons authorizing the tow for nonconsent tows to ensure that any glass or other debris or parts are removed from the scene of the accident. The owner or person authorizing the tow may perform

the work or cause the work to be performed by another person, including but not limited to the wrecker drivers performing the tows of the affected vehicles. The fees established in section 8-123 of this Code for the nonconsent tows are inclusive of glass, parts, and debris cleanup and removal for services other than tows requiring heavy-duty wreckers. For consent tows, any additional service fees for those services shall be disclosed on the wrecker slip provided under section 8-113 of this Code. This section shall not apply to the towing of vehicles under section 8-127 of this Code.
(Ord. No. 04-497, § 3, 5-26-04)

Sec. 8-123. Towing charges.

(a) For purposes of this section, the phrase 'without the consent of the vehicle owner' applies to all nonconsent tows.

(b) Whenever a vehicle is towed without consent of the vehicle owner, the service charge for a tow not requiring the use of a heavy-duty wrecker shall not exceed the amount established pursuant to subsection (d). This charge shall be applicable whether the vehicle is to be towed from public or private property.

(c) Whenever a vehicle is towed without consent of the vehicle owner, and the use of a heavy-duty wrecker is required due to the size or condition of the motor vehicle, the fee for the tow shall be no more than the amount per hour established pursuant to subsection (d) with a minimum charge of two hours to be assessed without regard to the actual time expended. The hourly rate shall be determined by starting the time charges when the heavy-duty wrecker leaves to report to the police scene and shall be stopped when the actual towing job is completed. The time going to the police scene may be included in the charges, but the time used to return shall not be included in the charges. The hourly rate established pursuant to subsection (d) does not apply to recovery services, a fee for which may also be reasonably imposed.

The law enforcement officer in charge of a police scene shall have authority to summon a heavy-duty wrecker when in his opinion such equipment is required. The vehicle owner of the vehicle whose car is serviced by a heavy-duty wrecker called by the investigating officer shall be responsible for any and all charges that result from such heavy-duty wrecker service.

(d) The rates referred to in subsections (b) and (c), above, shall be established in accordance with the following process:

(1) A rate review for auto wreckers, including heavy-duty wreckers, may be initiated by request of any tow operator that performs nonconsent tows in the city. Any such request must be made in writing to the director of administrative and regulatory affairs. Upon receipt of a request for a rate review, the director shall prepare an estimate of the administrative cost of the rate review, and if the tow operator determines to proceed with the rate review, the tow operator shall submit a cashier's check to the director in an amount equal to the estimated administrative cost. The rate review shall be conducted in accordance with procedures established for that purpose by the director. Without limitation, the director may select a representative group of auto wrecker owners and request that they provide verified financial data and vehicle-operating data regarding their operating costs and return on investment for use as a basis in conducting the review. Following receipt and review of the required data, the director shall make a recommendation to city council whether any rate change is justified, and, if so, the amount of the recommended increase or decrease. If a rate change is recommended to the city council, then the city council or a committee of city council shall conduct a hearing before adopting any increase or decrease. The increase or decrease may be adopted by motion and shall be effective on the first day of the next calendar year.

(2) Except for years in which a rate adjustment adopted by city council under item (1) will take effect, the director shall adjust the rates effective January 1 of each year, based upon a weighted blend

of the following indices with one-half attributed to the percentage increase or decrease in the Consumer Price Index, All Urban Consumers, All Items, United States average, and one-sixth each attributed to the percentage increase or decrease in:

a. Consumer Price Index, All Urban Customers (CPI-U), U.S. City Average, Motor Vehicle Maintenance & Repair;

b. Consumer Price Index, All Urban Customers (CPI-U), U.S. City Average, Vehicle Insurance; and

c. Consumer Price Index, All Urban Customers (CPI-U), Houston-Galveston-Brazoria Average, Gasoline;

all as published by the U. S. Department of Labor. The adjustment shall be based upon the most current data available on November 15, shall be rounded to the nearest increment of $0.50 cents and shall be effective on the following January 1. Notice of the adjusted rates shall be published one time in a daily newspaper of general circulation within the city and filed in the city secretary's office on or about December 1. The director may establish and promulgate regulations relating to the adjustment process.

(e) When a vehicle is received by a storage lot and fees are collected, an additional fee stated for this provision in the city fee schedule shall be collected and remitted to the police department regardless of the origin of the tow to defray the costs of enforcement of complaints related to the towing and storage of a vehicle without the consent of the vehicle owner. The time and method of remittance of the additional fee prescribed in this subsection shall be established by the police department so as to make the transfer of funds as close to the date and time of the release of the vehicle from the storage as is practical or possible. The time and method of remittance may include the electronic transfer of funds at the time of the release of the vehicle or at a later time as specified by the police department. This subsection does not apply to a vehicle submitted for auction.

(f) If the vehicle owner is present when an auto wrecker is attempting to tow a vehicle, and the vehicle owner does not desire the vehicle to be towed, no charge shall be made, and the vehicle owner shall be allowed to take possession of the vehicle if the vehicle has not been hooked up by the auto wrecker. If the motor vehicle has been lawfully hooked up to the auto wrecker, but not towed from the scene, the vehicle shall be released to the vehicle owner upon payment of one-half the regular auto wrecker fee. This section shall not apply where the vehicle owner is unable to remove the vehicle from the scene immediately if the vehicle were released to the vehicle owner.

(g) The towing of a vehicle and a trailer being towed by the vehicle shall constitute two separate tows and shall require the removal of both the vehicle and the trailer to the same licensed storage facility, unless otherwise authorized by a law enforcement officer.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 05-1271, § 6, 9-22-05; Ord. No. 08-52, § 34, 1-16-08, eff. 1-26-08; Ord. No. 09-631, § 2, 6-30-09; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1012, § 6, 11-30-2011, eff. 1-1-2012; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2021-753, § 5, 9-1-2021)

Sec. 8-124. Oral report to police of tows authorized by persons other than vehicle owner.

Whenever a wrecker driver is authorized to pick up and tow any vehicle when such authorization was given by someone other than the vehicle owner, the wrecker driver shall make an oral or electronic report to the police department within one hour of the time the vehicle was picked up. An electronic report shall be filed using an authorized electronic reporting system implemented by the police department. In an oral report the wrecker driver shall inform the police department of the license plate number of the vehicle towed, its vehicle identification number, the location from which the vehicle was towed, the date and time the vehicle was towed, and the location to which the vehicle was towed. This section shall not apply when the vehicle was towed pursuant to authorization by a city

police officer, a parking compliance officer or personnel designated by the police chief acting pursuant to section 26-298 of this Code and the wrecker driver has signed the copy of the wrecker slip retained by the city police department.
(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 09-631, § 3, 6-30-09; Ord. No. 09-1135, § 9, 11-18-09; Ord. No. 2019-1015, § 31, 12-11-2019)

Sec. 8-125. Reports to police of towing pursuant to lienholder's request.

(a) Whenever any person tows, carries, transports or otherwise takes a motor vehicle pursuant to a request by a lienholder incident to a lawful repossession, the person so taking the vehicle who does not file an authorized electronic report shall make a verbal report to the police department within one hour of the time of picking up the vehicle, which shall include the following information:

(1) The license plate number of the repossessed motor vehicle;

(2) The vehicle identification number of the repossessed motor vehicle;

(3) The year, make, model and color of the repossessed motor vehicle;

(4) The name, address and telephone number of the lienholder who requested the taking of the vehicle;

(5) The state license plate number of the auto wrecker used, and the name and Texas driver license number of the wrecker driver;

(6) The location from which the vehicle was towed, the date and time that the vehicle was picked up and the name, street address and telephone number of the place to which the vehicle was taken for storage.

(b) Within 72 hours of the time of picking up the vehicle the person shall also mail or deliver to the police department a written report of the repossession, including:

(1) The information specified above;

(2) The reporting number assigned by the police department by telephone at the time the oral report was made as required above; and

(3) A copy of the court order or other legal document(s) that authorized the repossession.

(c) The chief of police shall designate a telephone number for the filing of oral reports under this section and an address for the filing of written reports under this section. The chief of police may also promulgate a form to be used for the filing of the written reports.
(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 09-631, § 4, 6-30-09)

Sec. 8-126. Police-authorized tow service agreement (PATSA).

(a) The police chief may execute agreements for the mayor and on behalf of the city with persons to perform police-authorized tows. The right to enter into such agreements shall be extended on a uniform basis to all eligible persons.

(b) The police chief may refuse to enter into an agreement hereunder if the tow operator (including partners if a partnership and stockholders if a corporation) or any employee has had an agreement terminated for cause within the preceding period of five years. The police chief may require an affidavit and the furnishing of business records to demonstrate compliance with the foregoing provision. The foregoing provision shall apply to PATSAs that are not renewed or are terminated by the tow operator under threat of termination for cause in the same manner as to those that have actually been terminated for cause. In addition, the police chief may refuse to enter into a PATSA with individuals (or associated entities) who have a history of complaints with any government agency that demonstrate a pattern of negative behavior and an unwillingness to take corrective action when notified. This includes suspensions and license or contract revocations. The police chief may consider the applicant's history of complaints or infractions with any governing body concerning the towing of vehicles without the vehicle owner's consent when determining whether to execute a PATSA.

(b-1) *Auto wrecker requirements.* Each auto wrecker that will be utilized under the terms of a PATSA shall:

(1) Be registered with the city under a current PATSA. The police department shall inspect the auto wrecker and if it is found in compliance, shall issue proof of registration (a medallion) that shall be attached to the auto wrecker in the same manner as provided in section 8-111(e); registration under this section shall also serve as registration for private property tows;

(2) Have a mounted light bar that conforms to the requirements of Chapter 547 of the Texas Transportation Code;

(3) Be equipped with wheel dollies, except on heavy duty wreckers and rollback type trucks; and

(4) Carry at all times:

a. Warning devices for stopped vehicles consisting of:

[1] Three flares, each of which shall be capable of being seen at a distance of not less than 600 feet under normal conditions at nighttime, or

[2] Three emergency reflective triangles that conform to the requirements of Federal Motor Vehicle Safety Standard No. 125;

b. A push broom with a handle of not less than 36 inches and a head of not less than 18 inches;

c. No less than five gallons of dry sand or other absorbent that is at least as effective as sand in absorbing liquid;

d. A container to carry glass and debris cleaned from the roadway when picking up a wrecked vehicle;

e. A shovel with a flat edge of not less than nine inches and a handle of not less than 36 inches;

f. A wrecking bar of not less than 36 inches in length, with a wedge-shaped head; and

g. At least one ten pound fire extinguisher or two five pound multiple purpose fire extinguishers, in good working condition.

(b-2) *Wrecker driver requirements.* Tow operators shall require their wrecker drivers who will drive auto wreckers under the terms of a PATSA to wear:

(1) A Class 3, Level 2 reflective vest, shirt, or jacket meeting the ANSI/ISEA requirements for high visibility safety apparel at all times while working outside of the auto wrecker;

(2) Closed toe shoes; and

(3) A vest or shirt displaying, on the front of the shirt or vest, the name of the tow operator as it is registered with the city.

(b-3) *Wrecker driver trainees.* Tow operators operating pursuant to a current and valid PATSA may utilize wrecker driver trainees to provide recovery services and assistance to wrecker drivers. Wrecker driver trainees shall be licensed in accordance with section 8-131 of this Code.

(c) An annual agreement fee in the amount stated for this provision in the city fee schedule per covered auto wrecker shall be paid by the tow operator to the city for each agreement. A tow operator may add an additional auto wrecker to an agreement upon payment of the annual fee, which may be prorated.

(d) Agreements under this section are not exclusive. The city shall not be precluded from using city-owned auto wreckers to perform police-authorized tows, such as for certain vehicles that are detained for criminal investigation needs, or from entering into other contracts and agreements, such as for towing of vehicles involved in parking violations.

(e) The agreements shall conform to the following requirements and terms, which shall be incorporated therein by reference:

(1) Each auto wrecker shall be allowed to perform police-authorized tows in only

one 'zone,' which for purposes of the agreements shall mean one of the five service areas that are described and depicted in Exhibits A and B to Ordinance 84-560. Consistent with the foregoing requirement, the agreement shall include the following clause:

"Operator shall choose one specific zone for each auto wrecker that is to be utilized by the Operator to perform police-authorized tows. Operator shall not allow an auto wrecker to tow any vehicle outside of the approved zone, except when authorized by the police department. No tow hereunder shall exceed a maximum distance of 20 miles unless the tow destination is located within the zone. Violation of this provision is grounds for revocation of this Agreement."

(2) The PATSA shall include a clause setting forth the operator's obligation to obtain and maintain required insurance coverages and minimum insurance amounts in effect during the term of the agreement. The required insurance coverages and minimum insurance amounts shall be determined by the police chief in consultation with the director of the department of administration and regulatory affairs.

(3) The agreement shall include the following clause regarding fee requirements:

"The Operator shall charge no fees for servicing a police scene in excess of the fees authorized under city ordinance for vehicles towed without the consent of a vehicle owner. Further, the operator shall not obligate the owner of a vehicle removed from a police scene and placed in storage to pay any fees in excess of those authorized for a vehicle delivered to a state licensed vehicle storage facility without the consent of the vehicle owner. Under no circumstances will a vehicle owner be charged a fee of any type in excess of the fees applicable had the vehicle been towed without the vehicle owner's consent."

(f) It shall be unlawful for the driver of any auto wrecker that is not then being operated under a current and valid PATSA to respond to a police scene or be or remain at a police scene if the police scene is not situated in the traffic management area (zone) for which the auto wrecker has been authorized under subsection 8-126(e)(1) of this Code. It is an affirmative defense to prosecution under this section that the driver of the auto wrecker was called to the police scene by the law enforcement officer in charge of the scene, a parking compliance officer or other personnel designated by the police chief or by a vehicle owner requiring towing services from the police scene.

(g) Tow operators and auto wrecker drivers operating pursuant to a current and valid PATSA shall report the towing of vehicles via an authorized electronic reporting system implemented by the police department.

(h) Every applicant for a PATSA shall make application therefor on an application form furnished by the police chief and prescribed by the automotive board, which application shall be signed and sworn to as herein provided and shall include, among other things, the following information respecting the applicant:

(1) Trade name of each business that the applicant has engaged in during the five-year period preceding the filing of such application.

(2) Address of the applicant's principal office or establishment in the city.

(3) Whether the applicant has ever been arrested for, convicted of, or given deferred adjudication for an offense listed in section 1-10(a)(2) of this Code, and if a partnership, the answer shall be as to all members of the partnership, and if a corporation, shall be as to all officers of the corporation.

(4) The name and mailing address of each owner or principal of the applicant and copies of the assumed-name registration if the business will be operated under an assumed name.

(5) If the applicant is a corporation, a certificate of good standing from the Texas Secretary of State for a Texas domestic corporation or a certificate of authority to do business in Texas if a foreign corporation, along with the names and addresses of all officers and the corporation's registered agent in Texas.

(6) If the applicant is a partnership, the partnership registration, if any, and the names and addresses of all the general partners.

(7) Each applicant shall submit himself to be fingerprinted at a place designated by the police department. The application shall be signed by a) the owner if the applicant is a sole proprietorship or b) an authorized person if the applicant is a corporation or a general partnership.

(i) If the application is by a corporation, the same shall be signed and sworn to by a duly authorized officer thereof, if by a partnership, then by one of the general partners therein, and if by an individual, then by such individual personally.

(j) Such application, properly filled out and executed, shall be delivered by the applicant to the police chief or his duly authorized representative.

(k) If the application is denied because of a conviction or deferred adjudication for an offense listed in section 1-10(a)(2) of this Code, the applicant shall have the right to appeal such denial to the automotive board under the terms and conditions provided for in section 8-57 of this Code, and the automotive board shall follow the procedure set forth in that section.
(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 05-1271, § 7, 9-22-05; Ord. No. 07-1040, § 1, 9-12-07; Ord. No. 09-631, § 5, 6-30-09; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2014-482, §§ 6—9, 5-28-2014; Ord. No. 2021-753, §§ 6—11, 9-1-2021)

Sec. 8-127. Tow and go—Freeway tow agreement.

On recommendation of the mayor and approval by the city council, the police chief may execute non-exclusive agreements on behalf of the city with any tow operator then holding a valid PATSA under section 8-126 of this Code to provide towing or emergency road service on freeways in the manner and according to specifications required by this Code and described in such agreements.

Such agreements shall be in a form approved by the city attorney and shall provide, without limitation, the following:

(1) That the tow operator shall remove wrecked or stalled vehicles from a designated segment of a freeway on a 24-hour basis and shall respond to the scene within the time designated in the agreement;

(2) That the term of the agreement shall not exceed five years from date of execution unless terminated earlier as outlined in the agreement;

(3) That the tow operator shall perform non-consent tows from a freeway and remove all such vehicles to a licensed storage facility within the zone for the rate set forth in section 8-123 of this Code;

(4) That the tow operator shall remove to the nearest place of safety a wrecked vehicle, regardless of location, or a stalled vehicle in a moving lane for the rate established under section 8-123 of this chapter;

(5) That the tow operator shall tow a stalled vehicle located on a shoulder to a safe place off the freeway within one mile from the nearest freeway exit at the rate prescribed and subject to the conditions established in the agreement, provided, however, that if the vehicle owner is unable to pay the tow operator at the time of service, such vehicle shall be towed to the nearest licensed storage facility that is lighted and manned on a 24-hour basis, provides telephone and other access to the vehicle owner, and will not charge any storage-related fees for the first 48 hours;

(6) That during the period each day from 10:00 p.m. to 6:00 a.m., the tow operator shall tow a stalled vehicle to a safe place in accordance with this contract. If there is no safe place, the vehicle shall be towed to the nearest licensed storage facility that is lighted and manned on a 24-hour basis, provides the vehicle owner with access to a telephone and other facilities, and will not charge any storage-related fees for the first 24 hours;

(7) That the tow operator shall provide continuous coverage of its designated freeway segment, respond immediately to a call for assistance from a law enforcement officer, and patrol its segment as required by the agreement;

(8) That the tow operator shall cooperate with all law enforcement and other public service employees responding to or present at a police scene;

(9) That solicitation of business of any kind whatsoever at a police scene is prohibited;

(10) That the tow operator shall not employ any wrecker driver who does not meet the requirements of this Code relating to towing of vehicles and any current and valid PATSA;

(11) That, except as otherwise provided in this chapter, the tow operator shall respond to a police scene with no more towing capacity than necessary, based on the number of wrecked or stalled vehicles at the scene, to minimize hazards and traffic obstructions within the time designated in the agreement and will expeditiously remove from the freeway any wrecked or stalled vehicle, debris, and other traffic impediment;

(12) That any failure by the tow operator to timely respond to a call for assistance shall authorize an incident management supervisor or a law enforcement officer at a police scene who has determined that public emergency then exists to direct any PATSA auto wrecker to remove any wrecked or stalled vehicle, debris, or other traffic hazard or impediment;

(13) That emergency road service shall consist of providing towing, gasoline, tire changing, or other services as designated in the agreement;

(14) That the police chief is authorized, upon a determination of a public emergency or when required in the interest of public safety, to direct the tow operator to direct its patrol activities to specific times and/or portions of the tow operator's freeway segment;

(15) That the tow operator shall report any wrecked or stalled vehicle or other hazardous road condition to the police department and remain at the scene until a law enforcement officer arrives or he receives authorization to remove the hazardous condition;

(16) That authorization to remove a wrecked or stalled vehicle shall be provided in the manner and form specified by the agreement; and

(17) That removal of any wrecked or stalled vehicle at the direction of a law enforcement officer shall be documented on a police department vehicle disposition form.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 05-1271, § 8, 9-22-05; Ord. No. 2011-324, § 2, 5-4-2011; Ord. No. 2021-753, §§ 12, 13, 9-1-2021)

Sec. 8-128. Wreckers not to solicit business at scene of accident until police depart scene.

It shall be unlawful for any wrecker driver to solicit the business of towing, removing or repairing any abandoned or disabled vehicle at a police scene by words, cards, circulars or gestures, until such time as all law enforcement officers have departed the scene.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 09-1347, § 3, 12-16-09)

Sec. 8-129. Obedience to police at accident scene; interference with police.

All wrecker drivers at a police scene shall obey all lawful orders given them by any law enforcement officer investigating such scene and shall not in any manner knowingly or intentionally interfere with such law enforcement officer in the performance of his duty.
(Ord. No. 04-497, § 3, 5-26-04)

Sec. 8-130. Reserved.

Subdivision B. Wrecker Driver Licenses

Sec. 8-131. Wrecker driver and wrecker driver trainee—license required, qualifications.

(a) It shall be unlawful for any person to perform a nonconsent tow unless he has a current wrecker driver license issued by the city, which license shall be prominently displayed on his person during any nonconsent tow.

(b) It shall be unlawful for any person to allow, permit or cause another to drive or operate any auto wrecker for the purpose of performing a nonconsent tow unless the person has a current wrecker driver license issued by the city.

(c) It shall be unlawful for any person to allow, permit, or cause a person with a wrecker driver trainee license to drive any auto wrecker on the public roadways.

(d) To qualify for a wrecker driver's license, an applicant must:

(1) Be at least 18 years old;

(2) Hold a valid driver's license and towing operator's license issued by the state;

(3) For the initial application, present proof of successful completion of a defensive driving course approved by the Texas Education Agency within the preceding 12 months;

(4) Not have been convicted of an offense pertaining to wrecker drivers listed in section 1-10 of this Code;

(5) Not have been involved in more than two motor vehicle accidents within any 12 month period during the preceding 36 months in which the police chief could reasonably determine from a government-issued crash report that the applicant was at fault;

(6) Be subject to no outstanding warrants of arrest; and

(7) Provide evidence that he has passed the drug screening test required by section 8-132(c) of this Code.

(e) An applicant for a wrecker driver trainee license must meet the requirements of items (d)(1),(2), (4), and (6) of this section.
(Ord. No. 05-116, § 5, 2-9-05; Ord. No. 2013-1159, § 5, 12-11-2013; Ord. No. 2014-482, §§ 10—12, 5-28-2014; Ord. No. 2021-753, § 14, 9-1-2021)

Sec. 8-132. Application.

(a) Each person desiring a wrecker driver license shall submit an application to the police chief on a form furnished by the city. A wrecker driver may only operate an auto wrecker for the tow operator listed on the wrecker driver's license application. Individuals desiring to operate an auto wrecker for more than one tow operator must submit a wrecker driver license application and the accompanying license fee for each tow operator for whom the wrecker driver license-applicant seeks to operate an auto wrecker. On the application the applicant shall set forth:

(1) The applicant's full name and residence address;

(2) The applicant's date of birth, place of birth, sex, race, and each address where he has resided in the five years immediately preceding his application;

(3) Whether the applicant has been arrested or jailed for any criminal offense in this state or any other state or country, and if so, the applicant shall set out the offense for which he was arrested or jailed, the date of the arrest or confinement, and the place, court and case number of the case;

(4) The number of the applicant's current driver's license issued by the state and a list of all driver licenses the applicant has held in the three years immediately preceding submission of the application showing the state that issued each license and the type of license held. The applicant shall also provide the police chief evidence that he has a current towing operator's license (or training license for wrecker driver trainee applications) issued by the state and shall complete a form allowing the police department to obtain the applicant's driving record from the state and from any state that had issued the applicant a driver license within the three years immediately preceding submission of the application;

(5) Evidence that the applicant has passed a drug screening test administered within the 30 days preceding the date of the application under subsection (c) below; and

(6) Such other information as the police chief finds relevant.

After the application has been completed, the applicant shall sign the application and shall execute a sworn affidavit, or a declaration pursuant to Texas Civil Practice and Remedies Code § 132.001, that all matters stated in the application are true and correct.

The applicant shall also submit himself at such times and places designated by the police chief to be photographed and fingerprinted.

(b) Upon initial application for a wrecker driver license or wrecker driver trainee license and at each renewal, the police chief shall cause each applicant's criminal history to be researched by the Texas Department of Public Safety. The applicant shall complete any forms required for the police chief to obtain the report and shall provide funding to the police chief in a manner specified to cover any fees imposed by any state agency for the report. This provision shall not be construed to preclude the police chief from obtaining interim criminal history reports at the expense of the city.

(c) Each person desiring a wrecker driver trainee license shall submit an application that includes the information required in items (a)(1), (2), (3), and (4) and subsection (b) of this section. A wrecker driver trainee license issued under this section shall expire on the sixty-first day after the date of issuance and may not be renewed. A wrecker driver trainee may apply for a wrecker driver license within 90 days after the expiration of his trainee license for a reduced fee as provided in section 8-133 of this Code.

(d) Evidence that the applicant has passed the drug screen test administered within the 30 days preceding the date of the application shall be required for original applicants and all renewals; provided, however, that a PATSA wrecker driver who is subject to random drug tests is not required to submit a drug test for a license renewal. The police chief shall promulgate rules and regulations relating to the drug screening test. The test procedure shall be equivalent to that prescribed by the mayor for pre-employment drug screenings for city employees. The police chief or his designee shall authorize laboratories and facilities that meet nationally recognized standards to obtain samples and perform the tests. The responsibility for obtaining the test and all costs associated therewith shall rest with the applicant.
(Ord. No. 05-116, § 5, 2-9-05; Ord. No. 2013-1159, § 5, 12-11-2013; Ord. No. 2014-482, §§ 13, 14, 5-28-2014; Ord. No. 2021-753, § 15, 9-1-2021)

Sec. 8-133. Fees.

Any person desiring a wrecker driver license or wrecker driver trainee license shall pay the non-refundable fee stated for this provision in the city fee schedule at the time he submits his application for the license. There shall also be a fee for a wrecker driver license applicant who has, or has had within past 90 days, a valid wrecker driver trainee license. In addition, PATSA drivers shall pay the nonrefundable fee stated in the city fee schedule to the police department.
(Ord. No. 05-116, § 5, 2-9-05; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2014-482, § 15, 5-28-2014; Ord. No. 2021-753, § 16, 9-1-2021)

Sec. 8-134. Issuance; denial; hearing.

(a) Any person desiring a wrecker driver license or wrecker driver trainee license shall pay the non-refundable fee stated for this provision in the city fee schedule at the time he submits his application for the license. There shall also be a prorated fee for a wrecker driver license applicant who has, or has had within past 90 days, a valid wrecker driver trainee license. The police chief shall approve an application and issue the wrecker driver license or wrecker driver trainee license after payment of the application fee and completion of the investigation of the criminal and driving record of the applicant, unless:

(1) The police chief determines that the applicant is not qualified under section 8-131;

(2) The information provided in the application is materially false or incorrect or the applicant has failed in any material way to comply with this article;

(3) The applicant has had a wrecker driver license revoked during the preceding one year period; or

(4) The applicant is not in compliance with the criminal history provisions of section 1-10 of this Code.

(b) For purposes of this article, the police chief may consider an applicant to have been convicted of an offense when the applicant was charged with an offense listed in section 1-10 of this Code pertaining to wrecker drivers, and

(1) The applicant entered a plea of guilty or nolo contendere;

(2) The court deferred further proceedings without entering an adjudication of guilt and placed the person under the supervision of the court or a court officer; and

(3) After the period of supervision, the court dismissed the proceedings and discharged the person.

In the instances set forth in this subsection, and in accordance with Texas Occupations Code section 53.021, the police chief may propose denial of the application upon his determination that the applicant may pose a continued threat to public safety, or employment of the applicant as a wrecker driver or wrecker driver trainee, as applicable, would create a situation in which the person has an opportunity to repeat the prohibited conduct.

(c) The police chief may delay his decision on an application until final adjudication when the applicant is under indictment for or has charges pending for an offense listed in section 1-10 of this Code pertaining to wrecker drivers, and shall promptly inform the applicant of the reason for the delay. Upon receiving notice of the reason for the delay, the applicant shall be entitled to an appeal of the police chief's delay in the same manner as provided in sections 8-134 and 8-135 of this Code.

(d) In the event that an application is proposed for denial, the police chief shall promptly inform the applicant in writing of the reasons for the proposed denial and of the applicant's right to a hearing before the automotive board regarding the proposed denial. The notice shall be sent by United States certified mail, return receipt requested, to the applicant's address set out in the application.

(e) The applicant may perfect his appeal of the proposed denial by a letter addressed to the chairman of the automotive board and delivered to the chairman of the automotive board within 15 days after the date that notice of the proposed denial of the application is placed in the United States mail. The letter of appeal must state that an appeal from the decision of the police chief is desired. The appeal process shall be conducted in accordance with rules promulgated by the automotive board for that purpose. If the proposed denial is based in whole or in part upon section 1-10 of this Code, then the notice and hearing procedures shall also include any requirements to comply with section 1-9 of this Code and applicable state laws. The determination of the automotive board with respect to the application shall be final.

(Ord. No. 05-116, § 5, 2-9-05; Ord. No. 2011-1012, § 7, 11-30-2011, eff. 1-1-2012; Ord. No. 2013-1159, § 6, 12-11-2013; Ord. No. 2014-482, §§ 16, 17, 5-28-2014; Ord. No. 2016-456, § 6, 6-15-2016)

Sec. 8-135. Standards for review.

(a) An applicant whose application for a wrecker driver license or wrecker driver trainee license has been proposed for denial pursuant to item (4) of subsection (a) of section 8-134 of this Code may qualify for a license only if the automotive board determines that the applicant is presently fit to engage in the occupation of a wrecker driver. The standards for review that the automotive board shall use in determining the applicant's fitness shall be:

(1) The extent and nature of the applicant's past criminal activity;

(2) The age of the applicant at the time of the commission of the crime;

(3) The amount of time that has elapsed since the applicant's last criminal activity;

(4) The conduct and work activity of the applicant prior to and following the criminal activity;

(5) Evidence of the applicant's rehabilitation or rehabilitative effort while incarcerated or following release; and

(6) Other evidence of the applicant's fitness, including signed letters of recommendation from:

a. Prosecution, law enforcement, and correctional officers who prosecuted, arrested, or had custodial responsibility for the applicant;

b. The sheriff and police chief in the community where the applicant resides; and

c. Any other person in contact with the applicant.

(b) The applicant has the responsibility, to the extent possible, to obtain and provide to the automotive board the recommendations of the prosecution, law enforcement, and correctional authorities as required by item (6) of subsection (a) of this section.

(c) In addition to fulfilling the requirements of subsection (b) of this section, the applicant shall furnish proof in the form required by the automotive board that the applicant has:

(1) Maintained a record of steady employment;

(2) Supported the applicant's dependents;

(3) Maintained a record of good conduct; and

(4) Paid all outstanding court costs, supervision fees, fines, and restitution ordered in any criminal case in which the applicant has been convicted.

(d) Following the opportunity for the applicant to be heard, the automotive board may approve the license, deny the license, or condition the approval of the license on such terms and conditions as the automotive board deems appropriate, based on the evidence received at the hearing and consistent with the standards of review contained in this section.
(Ord. No. 05-116, § 5, 2-9-05; Ord. No. 2011-1012, § 8, 11-30-2011, eff. 1-1-2012; Ord. No. 2013-1159, §§ 7—9, 12-11-2013; Ord. No. 2014-482, §§ 18, 19, 5-28-2014)

Sec. 8-136. Term; renewal; transfer; replacement of lost or destroyed license.

(a) Each wrecker driver license shall expire each year on the last day of the wrecker driver license holder's birth month. A license may be renewed by filing an application pursuant to section 8-132 of this Code at least 30 days prior to the expiration of the license and paying the application fee pursuant to section 8-133 of this Code. A renewal license application shall be reviewed and approved pursuant to section 8-134 of this Code.

No license shall be renewed more than 30 days after the date of its expiration. If a license had expired and not been renewed within 30 days, the applicant may apply for a new license as an initial applicant. The fee for such a new license shall be the fee set out for an original license.

(b) A lost or destroyed wrecker driver license may be replaced upon the holder's compliance with the following conditions:

(1) The filing of an offense report with the police department stating that the license has been lost or stolen and setting out the details of how the license was lost or stolen, or if such facts are not known, setting out the details of where and when the license holder last saw the license and when its loss was discovered;

(2) Appearing at the police department for a replacement photograph and fingerprinting; and

(3) Paying the license replacement fee stated for this provision in the city fee schedule.

A replacement wrecker driver license shall expire on the date of expiration for the license that was lost or stolen.

(c) A wrecker driver wishing to transfer to a different tow company shall pay the license transfer fee stated in the city fee schedule.
(Ord. No. 05-116, § 5, 2-9-05; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2013-1159, § 10, 12-11-2013; Ord. No. 2021-753, § 17, 9-1-2021)

Sec. 8-137. Revocation, suspension, and refusal to renew.

(a) The police chief may suspend or revoke a wrecker driver license or wrecker driver trainee license if:

(1) Any information supplied in the license application was materially false or incorrect;

(2) The license was issued through error;

(3) The licensee has failed to comply with any applicable provision of the license or this chapter;

(4) The licensee has been convicted of violating state laws or city ordinances;

(5) The licensee is under indictment for or has a charge pending for an offense listed in section 1-10 of this Code pertaining to wrecker drivers; or

(6) The licensee has failed to comply with any applicable state law or regulation regarding nonconsent towing.

(b) A wrecker driver's or wrecker driver trainee's license is automatically revoked if his state-issued driver's license, state-issued incident management towing operator's license, or state-issued towing operator training license (state-issued license) is suspended or revoked. A wrecker driver or wrecker driver trainee shall notify the police chief's designee within three days of a suspension or revocation of any of his state-issued licenses and shall immediately surrender his city wrecker driver's license or wrecker driver trainee's license to the police chief's designee.

(c) A revoked wrecker driver license may not be renewed and shall not be subject to reissuance for a one year period as provided in section 8-134 of this Code. A suspended wrecker driver license may not be renewed until the period of suspension has expired.

(d) An individual whose wrecker driver or wrecker driver trainee license is revoked or suspended under subsection (a) of this section is entitled to an appeal in the same manner as provided in sections 8-134 and 8-135 of this Code upon receipt of written notice of the revocation or suspension of his license.
(Ord. No. 05-116, § 5, 2-9-05; Ord. No. 2013-1159, § 11, 12-11-2013; Ord. No. 2014-482, § 20, 5-28-2014; Ord. No. 2016-456, § 7, 6-15-2016; Ord. No. 2021-753, § 18, 9-1-2021)

Secs. 8-138—8-140. Reserved.

DIVISION 3. NONCONSENT STORAGE LOTS*

Subdivision A. General Provisions

Sec. 8-141. General; state license required.

(a) Any person who holds a valid license pursuant to the Vehicle Storage Facility Act (Chapter 2303, Texas Occupations Code) may store motor vehicles towed without the consent of the vehicle owner.

(b) All nonconsent storage lots in the city are subject to the provisions of this division and the applicable provisions of section 28-34 of this Code. The provisions of this division do not apply to a vehicle storage facility operated by a person licensed under the Texas Motor Vehicle Commission Code (chapter 2301, Texas Occupations Code).

(c) All nonconsent storage lots shall have not less than 1.25 acres of contiguous space dedicated for the storage of motor vehicles; provided however, nonconsent storage lots operated on or before February 23, 2022, shall be exempt from the requirements of this subsection, provided the nonconsent storage lot has been operated continuously without termination, revocation, or lapse longer than 90 days.

(d) For purposes of this division, the term vehicle owner includes the registered owner of a vehicle or other person authorized by law to retrieve a vehicle from a storage lot.

(e) The provisions of this article are cumulative of applicable state law and regulations concerning vehicle storage facilities. To the extent there exists any difference or inconsistency between the provisions of this article and applicable state law or regulations, the more restrictive shall apply.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-142. Police private storage lots.

Only nonconsent storage lots that have a current police private storage lot agreement may store vehicles towed under the authority of a city police officer.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-143. Police private storage lot agreement (PPSLA).

(a) The police chief may execute PPSLAs for the mayor on behalf of the city with persons who hold a valid license issued pursuant to the Vehicle Storage Facility Act to store motor vehicles towed under the authority of a city police officer. PPSLAs shall contain such other terms and conditions as the police chief determines to be necessary or desirable to safeguard the storage and disposal of motor vehicles towed without the vehicle owner's consent. A PPSLA shall be personal to the nonconsent storage lot and owner to whom it is issued and shall become void upon any attempted assignment, sublease, lease, sale or other transfer, unless prior written approval has been given for the same by the police chief. A PPSLA shall be for a term stated therein and shall be subject to suspension or termination pursuant to all applicable conditions and requirements stated in the PPSLA.

(b) The police chief may refuse to enter into a PPSLA hereunder if the nonconsent storage lot owner (including its partners if a partnership and stockholders if a corporation) or any storage lot operator has had either a PPSLA terminated or a license issued pursuant to the Vehicle Storage Facility Act revoked within the preceding five-year period. The police chief may require a business records affidavit to demonstrate compliance with the foregoing provision. Without limiting the foregoing, in any instance in which a PPSLA is requested for a tract or parcel of land upon which there has been a police private storage lot holding a PPSLA that was terminated during the preceding five years, the applicant shall disclose the names of the intended nonconsent storage lot owners and any storage lot operators, and the PPSLA shall not be entered into unless the intended nonconsent storage lot owner and storage lot operator demonstrate full

*__Editor's note—__Ord. No. 2022-151, § 4, adopted February 23, 2022, amended and rearranged Division 3, Subdivisions A—G as new Division 3, Subdivisions A and B, as set out in Exhibit A of said ordinance. Formerly said division was entitled private storage yards and derived from Ord. No. 01-1079, § 5, adopted December 5, 2001 and subsequent amendatory ordinances. See the Code Comparative Table for a complete derivation.

compliance with the applicable provisions of this section. The foregoing provisions shall apply to a PPSLA that is not renewed or is terminated by the nonconsent storage lot under threat of termination in the same manner as a PPSLA that has been terminated by the city. The police chief may consider the history of complaints against the applicant or the applicant's infractions with any governing body concerning the storage of vehicles towed without the vehicle owner's consent when determining whether to execute a PPSLA with the owner of a nonconsent storage lot. For purposes of this section, applicant means the owner of a nonconsent storage lot who seeks to enter into a police private storage lot agreement with the city.

(c) Application. The owner of a nonconsent storage lot seeking a PPSLA shall file an application with the police department on a form provided by the city, accompanied by the nonrefundable application fee stated for this provision in the city fee schedule. On the application, the applicant shall set forth:

(1) The name and address of the applicant and any storage lot operator. If the applicant is an individual, the application shall so state. If the applicant is a partnership, the name and address for each partner shall be set out. If the applicant is a corporation, the applicant shall set forth:

a. The name and address of the corporation;

b. The name and address of each corporate officer;

c. The name and address of each person owning a controlling interest in the corporation. If no single person owns a controlling interest in the corporation, the applicant shall list the names of each person who owns 20 percent or more of the interest in the corporation. If the controlling interest is held by an entity, and not by one or more individuals, the applicant shall list each individual who owns 20 percent or more of the interest in any such entity.

(2) The street address and the full property description of the nonconsent storage lot, the tow zone in which the storage lot is located, and the number of vehicle storage or parking spaces thereon that will be used for the storage of motor vehicles.

(3) The telephone number of the storage lot.

(4) The business name of the storage lot.

(5) The date of birth, place of birth, sex, race, and address information for the preceding five years for each person listed under item (1) of this subsection.

(6) Whether any person listed under item (1) above has been convicted of any criminal offense in this state or any other state or country within the five years immediately preceding the application date or has spent any time in jail or prison within the five years immediately preceding the application date due to a conviction; provided, however, convictions for any traffic offenses that are classified as no greater than a Class C misdemeanor under the laws of Texas are not required to be listed on the application. If any such person has been convicted of any offense required to be listed on the application or been in jail or prison due to a conviction, the applicant shall set out the offense convicted of, the date of the conviction, and the place, court and case number of the case.

(7) Each person listed in the application shall be fingerprinted at a location designated by the police chief.

(8) An application under this section shall be signed by the applicant. If a partnership, it shall be signed by each partner. If a corporation, it shall be signed by the president and attested by the corporate secretary. In all cases, the person signing shall execute an affidavit, on the application form, that the statements contained in such application are true and correct.

(9) The PPSLA shall contain a provision that the applicant agrees that the nonconsent storage lot will be operated in

compliance with all amendments or additions to the ordinances regulating storage lots as may be adopted by city council, and any requirements regarding the storage, handling or release of vehicles that have been towed without the vehicle owner's consent that may be imposed by any court of competent jurisdiction.

(d) The annual PPSLA fee per nonconsent storage lot stated for this provision in the city fee schedule shall be payable by the storage lot owner to the city on or before the date specified in the PPSLA. The PPSLA fee is nonrefundable and not subject to proration.

(e) A PPSLA is not exclusive, and the city shall not be precluded from directing that vehicles, such as those impounded for criminal investigations, be taken to other premises.

(f) Each PPSLA holder shall report the receipt and release of vehicles delivered to its storage facility without the consent of the vehicle owner via the use of an authorized electronic reporting system implemented by the police department.

(g) Each PPSLA holder shall maintain the minimum insurance amounts and surety bond set forth in the PPSLA. The minimum insurance amounts and surety bond shall be determined by the police chief after consulting with the director of the department of administration and regulatory affairs.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-144. Bond required.

(a) Each nonconsent storage lot owner who has not executed a current, valid PPSLA shall file with the city a financial guarantee bond executed by the owner as principal. The bond shall be in a form approved by the city attorney and issued by a corporate surety authorized and admitted to write surety bonds in Texas. The bond shall be filed with the auto dealers detail of the police department.

(b) The purpose of the bond is to satisfy any fees collected pursuant to section 8-123(e) of this Code but not remitted before the due date established in section 8-183(e) of this Code. The amount of the bond for existing nonconsent storage lots shall be equal to the average of the previous 12 months of release fees collected pursuant to section 8-123(e). For new nonconsent storage lots, the amount of the bond shall be $5,000 for the first year. For each subsequent year the bond amount will be equal to the average of the previous 12 months of release fees collected pursuant to section 8-123(e).

(c) The bond shall be payable to the city upon the nonconsent storage lot owner's failure to remit the fees collected pursuant to section 8-123(e) of this Code by the 15th day of the month following the month the fees were collected.

(d) The term of the bond shall be for one calendar year from the date of issuance and shall continue to renew annually without amendment unless cancelled by the surety, who shall provide the nonconsent storage lot and the auto dealers detail of the police department not less than 30 calendar days written notice of cancellation.

(e) The bond shall be kept in full force and effect for the entire duration of the nonconsent storage lot's operation in the city.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-145. Transfer of location.

A nonconsent storage lot shall only operate at the location set out in the state license issued to the vehicle storage facility.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-146. Vehicle records.

(a) Each nonconsent storage lot owner and storage lot operator shall keep written records on each vehicle that is kept or stored on the nonconsent storage lot. Such records shall contain the following information:

(1) The year, make, color, correct license plate number, state issuing the license and correct vehicle identification number of the vehicle.

(2) The date, time and location where the vehicle was towed from.

(3) The name and state driver license number of the wrecker driver and the name of the company towing the vehicle.

(4) The date the vehicle was released, the name of the individual to whom the vehicle was released, or if the vehicle was transferred to another location, the address of that location, the name of the company towing the vehicle and the wrecker driver who made that transfer.

(5) If the vehicle ownership has been transferred due to any action of the nonconsent storage lot or the vehicle has been disposed of or demolished, a copy of the certificate of title issued after the vehicle came into the possession of the nonconsent storage lot, the certificate of authority to demolish, a police auction sales receipt, or a transfer document issued by the state for the vehicle.

(6) All fees charged for the vehicle.

(b) The receipts, records and other information required to be kept by this section, or by section 8-183, shall be kept in the form of a separate file for each vehicle, that shall be maintained either:

(1) By assembling all such data relating to the vehicle under a single staple, clip, binder or other attachment device that securely holds them together;

(2) By assembling all such data relating to the vehicle in a separate envelope or file folder; or

(3) By assembling all such data related to the vehicle in a commonly accepted electronic format that must also be:

(i) Stored in a safe and secure place and in protected folders;

(ii) Protected against loss, damage or overwriting, and

(iii) Held in a format that is not readily corruptible and protected from deliberate or accidental alteration.

All amounts charged or chargeable for each vehicle shall be separately itemized in the file relating to that vehicle. It shall be the duty of each nonconsent storage lot owner and storage lot operator to ensure that the aforesaid separate files for each vehicle are kept on the storage lot premises where the vehicle was towed.

(c) The nonconsent storage lot owner and its storage lot operator shall ensure that any police officer may, without prior notice, inspect and copy all the records required to be kept pursuant to this article without delay upon appearance at the nonconsent storage lot at any time during the hours that the storage lot must ensure that vehicles can be released, provided that either the storage lot operator or someone else who is able to produce the records is present at the nonconsent storage lot. If the storage lot operator or another person who can produce the records is not present at the nonconsent storage lot, then it shall be the duty of the storage lot operator to ensure that he or some other person who is able to produce those records comes to the nonconsent storage lot within 30 minutes of a request made by a police officer during the hours the nonconsent storage lot must ensure that vehicles can be released to their owners. Upon arrival at the nonconsent storage lot, the storage lot operator or other designated person shall make the records available to the police officer without delay. All records required to be maintained for inspection shall be provided to the police officer either:

(1) In person by an employee or agent of the nonconsent storage lot; or

(2) By telephone, facsimile, email, or other method approved by the police chief.

Further, the nonconsent storage lot owner or operator shall ensure that the name of the person who is to produce such records is made known to the police officer at the time he requests to see such records pursuant to this section.

Additionally, if a police officer asks the storage lot operator or any agent or employee of the nonconsent storage lot who is able to produce the records to see the file that is required to be maintained on any specific vehicle or vehicles pursuant to subsection (b) of this section, and informs that person of the date or dates such vehicle or vehicles were towed to the nonconsent storage lot, the storage lot operator or

any employee or agent of his who is able to produce such records shall, without delay, produce the files on those vehicles.

(d) Each record required to be kept by this article shall be kept for two years from the date of the last transaction shown in the record.

(e) The storage lot operator shall utilize and maintain a computerized inventory system approved by the police chief. The storage lot operator shall utilize the Towed Vehicle Reporting Management System (TVRMS), or any other record management system mandated by the police chief, to provide information pertaining to nonconsent tows and to transmit any information required to be submitted to the auto dealers detail.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-147. Conflicts of interests by city officials.

No member of the police department shall have any ownership interest in any nonconsent storage lot required to comply with the provisions of this article or in any towing company that holds a police-authorized tow service agreement. No other appointed or elected official or employee of the city shall have any ownership interest in any nonconsent storage lot where there may be a conflict of interest due to the person's position or duties. This section shall not be applicable to members of the automotive board.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Secs. 8-148—8-170. Reserved.

Subdivision B. Operational Rules, Regulations and Requirements

Sec. 8-171. Persons authorized to operate lot.

(a) No person other than the nonconsent storage lot owner and the storage lot operator shall operate the nonconsent storage lot.

(b) Except for nonconsent storage lot owners, all individuals who release vehicles at nonconsent storage lots must have a storage lot operator's license required pursuant to section 8-81 of this Code.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-172. Business name; fences, paving, signs, etc.

(a) No name other than the name provided on the state vehicle storage facility license and police private storage lot agreement, if applicable, may be used for advertising, for telephone listing or for the conduct of the nonconsent storage lot.

If a nonconsent storage lot owner desires to change the name under which it conducts business, the nonconsent storage lot owner shall file a notice of such change with the police department on a form designated by the police chief at least ten days before the name of the storage lot is changed. Such notice shall show the current name under which business is conducted, the name that will be used, and the date on which the change of name shall be made. Only one name may be used at any one time for the conduct of business at a nonconsent storage lot.

(b) Each nonconsent storage lot being operated under this article shall:

(1) Be completely enclosed by a solid fence that complies with subsections (d), (e), (f), and (g) of section 8-30 of this Code, with a gate that is locked at all times when the storage lot operator or an agent or employee of the storage lot is not at the storage lot;

(2) Have an all-weather surface of concrete, asphalt, blacktop, stone, macadam, limestone, iron ore, gravel or shell;

(3) Have a sign clearly readable from the street setting out the name of the storage lot, the street address, the hours vehicles will be released to vehicle owners, and the city and the state-issued license numbers of the storage lot, if applicable;

(4) Have a sign setting out the charges for towing vehicles, the per diem charge for storage and all other fees that may be

charged by the storage lot. This sign shall also identify the documents required for a vehicle owner to retrieve a vehicle from the storage lot and the phone number of the auto dealers detail. This sign shall be located so that it is clearly visible to a vehicle owner prior to payment of the fees; and

(5) Have an operable telephone. In the event that a nonconsent storage lot has an employee or agent who serves as an answering service or utilizes an answering machine, the nonconsent storage lot owner and the storage lot operator shall be responsible for the information provided by the service or the content of the message relayed by the answering machine. An answering service must identify itself as such to the caller. Should the caller have a complaint regarding the storage of a vehicle, the answering service must provide the caller with the Houston Police Department storage facility complaint telephone number of (832)394-4869 or (832)394-HTOW. This same telephone number must be provided at the end on a recorded message if the storage lot operator uses an answering machine. At minimum, an answering service or recorded message must inform the caller that vehicles will be released within one hour after a request for release with proof of ownership, and may not suggest, imply, or state that release of a vehicle is limited to certain business hours or days of the week. A police officer from the auto dealers detail may pose as a citizen for the purposes of testing responses to calls for the release of a vehicle towed without the consent of the owner.

A nonconsent storage lot that was first operated under a PPSLA executed on or before December 18, 2013, shall be exempt from the requirements of item (1) of this subsection, provided that the nonconsent storage lot is operated continuously under a PPSLA or renewal thereof without termination, revocation, or lapse longer than 90 days.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-173. Inspection and report.

When a vehicle towed without the consent of the vehicle owner is delivered and accepted by a nonconsent storage lot, the nonconsent storage lot owner, the storage lot operator, or an agent or employee of a nonconsent storage lot shall inspect the vehicle and note as an addition on the wrecker slip any differences from the information previously set out thereon, but shall not write over or deface in any manner any prior writing on the wrecker slip. If the license plate number or vehicle identification number on the wrecker slip was incorrect, the storage lot shall notify the police department of the correct number within 30 minutes after the time the vehicle was delivered to the storage lot.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-174. Use of fenced area required.

All vehicles towed without the consent of the vehicle owner must be kept inside the fenced area at all times.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-175. Inspection by police.

The storage lot operator shall ensure that all automobiles and parts thereof located on a storage lot are available and accessible for inspection by any police officer during the hours the storage lot must ensure that vehicles may be released to vehicle owners.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-176. Right of owner of stored vehicle to inspect wrecker slip.

Whenever a person claims ownership or right of possession to a motor vehicle located on a nonconsent storage lot, that person shall be entitled to inspect the wrecker slip for the motor vehicle and shall not be required to pay any fees or charges prior to inspecting the wrecker slip.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-177. Release of liability, waiver of rights, etc., prohibited.

No storage lot operator, or agent or employee of the storage lot, shall ask or require any vehicle

owner to sign any statement or form containing a statement releasing a storage lot, its owner, or its agents or employees, from any liability or waiving any rights the vehicle owner may have against the storage lot, or his agents or employees, prior to the release of a motor vehicle; provided, however, the storage lot may request a vehicle owner to sign such a release or waiver if the vehicle is being released without any charges for towing, preservation or storage and there has been no hearing held in regard to the removal of the vehicle pursuant to chapter 685 of the Texas Transportation Code. A nonconsent storage lot may require a vehicle owner claiming a vehicle to sign a receipt acknowledging that the vehicle owner has in fact received the vehicle after the vehicle has been delivered to the vehicle owner.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-178. Release of vehicles.

All storage lot operators shall ensure that a motor vehicle is released to the vehicle owner in a manner consistent with section 2303.160, Texas Occupations Code, and section 85.710, Texas Administrative Code.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-179. V.I.N. inspection.

(a) Each vehicle towed without the consent of the owner shall be inspected by the storage lot operator for the manufacturer's permanent vehicle identification number affixed to the vehicle prior to its acceptance into the nonconsent storage lot.

(b) It shall be unlawful for a nonconsent storage lot operator to accept and store a vehicle whose manufacturer's permanent vehicle identification number has been removed or is not permanently affixed or is not clearly legible or that, upon visual examination of the manufacturer's permanent vehicle identification number, shows any evidence whatsoever of its possibly having been changed, altered or obliterated in whole or in part.

(c) It shall be the duty of a nonconsent storage lot operator to immediately notify the auto dealers detail of the police department if it receives a vehicle with a vehicle identification number in a condition described in subsection (b) of this section.

(d) The provisions of subsection (b) of this section shall not apply when a police department auto theft division officer or supervisor provides a nonconsent storage lot operator with written authorization to accept a nonconsent tow from a police scene.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-180. Payment window.

Any window at which a storage lot operator or an agent or employee accepts payment, processes paperwork, or otherwise deals with the public shall be:

(1) At a height that does not prevent the customer from clearly seeing the employee; and

(2) Transparent and free of tint or any obstruction that prevents the customer from clearly seeing the employee.

(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-181. Acceptance of towed vehicles from unlicensed wrecker drivers.

(a) It shall be unlawful for a storage lot operator to accept a nonconsent tow originating from any location in the city from a wrecker driver who does not have a wrecker driver license issued by the city.

(b) Notwithstanding the provisions of subsection (a) above and the provisions of section 8-117 of this Code, this section shall not apply to a nonconsent tow originating from any location in the city that is conducted pursuant to a contract with other governmental entities or at the request of a law enforcement agency other than the Houston Police Department.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-182 Notice to owner and lienholder; report to police department.

(a) All nonconsent storage lots shall comply with all state law requirements regarding giving notices to the registered owner and primary

lienholder of each vehicle that is towed or delivered to the private storage lot without the authorization of the vehicle owner. The storage lot operator shall keep a record of the date and time that each notice was provided to the registered owner and primary lienholder of each vehicle that is towed or delivered to the private storage lot without the authorization of the vehicle owner.

(b) Every Monday, each storage lot operator shall submit an electronic report to the police department in a form and method approved by the police chief, containing the following information:

(1) A list of all nonconsent tows received by the nonconsent storage lot between 8:00 a.m. on the Monday immediately preceding the date of the report and 8:00 a.m. on the Monday on which the report is made. Such list shall contain:

a. The date and the time each motor vehicle was delivered to the nonconsent storage lot;

b. The auto wrecker company, the name and state driver license number of the wrecker driver who delivered the motor vehicle to the nonconsent storage lot; and

c. The license plate number, the vehicle identification number, the year, the make, and the color of the motor vehicle.

(2) A list of all nonconsent tows received by the nonconsent storage lot that were delivered to the vehicle owner or released from the nonconsent storage lot between 8:00 a.m. on the Monday immediately preceding the date of the report and 8:00 a.m. on the Monday on which the report is made. Such list shall contain:

a. The license plate number and the vehicle identification number, the year, the make, and the color of each such motor vehicle;

b. The date and time the motor vehicle was released from the storage lot;

c. The name of the vehicle owner receiving the motor vehicle; and

d. The payment amount received by the nonconsent storage lot.

(3) Notices to the police department shall be provided on a form promulgated by the police chief and shall include the year, make, model, vehicle identification number and license plate number of the motor vehicle, the location of the nonconsent storage lot where the vehicle is being held, and all charges owed to the nonconsent storage lot for the vehicle.

(c) All reports, notifications and the payment of fees submitted by nonconsent storage lots to the police department regarding abandoned vehicles pursuant to chapter 683 of the Texas Transportation Code shall be electronically submitted to the police department by methods approved by the police chief.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-183. Fees.

(a) The provisions of this section are applicable to services regulated under this article for nonconsent tows. It shall be the duty of each storage lot operator to comply with this section and to ensure that all agents or employees of the nonconsent storage lot comply with this section.

(b) A nonconsent storage lot may charge a daily storage fee not to exceed the applicable daily storage fee established in section 2303.155(b)(3), Texas Occupations Code, for each day or portion of a day that a motor vehicle remains stored at the nonconsent storage lot. The time shall be computed as provided in section 2303.155(d), Texas Occupations Code.

(c) In addition to the daily storage fees authorized under subsection (b) of this section, a nonconsent storage lot may impose notification fees and other fees not exceeding those specified in the Vehicle Storage Facility Act.

(d) Each fee charged by a nonconsent storage lot for towing, storage, or any other service that is regulated under this article shall be separately itemized and noted on the records of the nonconsent storage lot and on a receipt given to the vehicle owner. The receipt shall also include the Texas Department of Licensing and Regulation

license number of the storage lot operator or employee who conducted the release transaction. The receipt shall also state a police department telephone number for auto wrecker/storage lot information to be provided by the police chief. No fees, except those specifically authorized by section 8-123 of this Code and by this section, may be charged for services that are regulated under this article without consent of the vehicle owner, except a nonconsent storage lot may collect any applicable sales tax that is required to be collected pursuant to law in addition to the maximum charges permitted by this chapter. It shall be unlawful for any person to impose any sales tax on any fee authorized by this chapter unless the sales tax is imposed by state law for the services subject to the fee, and further it shall be unlawful to collect any amounts as sales tax in excess of the amount imposed by law.

(e) The storage lot operator shall ensure that the fee collected pursuant to section 8-123(e) of this Code is remitted to the police department in a manner approved by the police chief not later than the 15th day of the month following the month the fees are collected.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-184. Separation of vehicles.

Each nonconsent storage lot operator shall, insofar as may be practicable, maintain all vehicles parked or stored without the consent of the vehicle owner in a separate and totally fenced and enclosed area and apart from any other vehicles that may be parked or stored upon the lot for any other reason.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-185. Sale of vehicles in nonconsent storage lots.

Each vehicle parked or stored on a nonconsent storage lot without the consent of the vehicle owner that is not reclaimed by the vehicle owner or another person having a right of possession thereof shall be disposed of by police department sale pursuant to chapter 683 of the Texas Transportation Code. Consistent with efficient utilization of police personnel resources and the objective of obtaining the highest price for each vehicle sold, the chief of police may, at his election, either cause such sales to be conducted at the various police private storage lots where the vehicles are parked or stored or may require that the vehicles be brought to another place within the city that he may designate, from time to time, for the conduct of such sales. Vehicles from various police private storage lots may be consolidated for joint sales at the direction of the chief of police.

The sale or disposition of abandoned vehicles shall be conducted pursuant to the procedures set forth by the police department.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-186. Auction procedures for abandoned vehicles.

(a) Vehicles stored or towed with the consent of the owner shall not be auctioned by the police department.

(b) Vehicles stored or towed without the consent of the vehicle owner are subject to the following minimum auction procedures:

(1) On the day of the auction, the storage lot operator shall remove all license plates from all vehicles to be auctioned. All license plates shall be given to the police officer who conducts the auction;

(2) If the storage lot operator cancels an auction for any reason, all storage charges for vehicles set for that auction will be suspended and shall not accrue; and

(3) All vehicles set for auction shall be arranged in an orderly and safe manner that allows for unhindered movement between and inspection of each vehicle.

(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-187. Cessation of operations.

In the event a nonconsent storage lot that does not hold a PPSLA ceases operations and vehicles towed without the consent of the owner remain on the storage lot, the nonconsent storage lot operator shall immediately notify the auto dealers detail of the police department. The nonconsent storage lot operator and the auto dealers detail shall make arrangements with

another nonconsent storage lot operator to transfer all remaining vehicles towed without the consent of the vehicle owner at the storage lot operator's expense. In the event the operator does not accomplish the transfer of vehicles towed without the consent of the vehicle owner to another nonconsent storage lot, the police department shall have the authority to enter the property in order to take possession of such vehicles remaining on the nonconsent storage lot.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Sec. 8-188. Penalty.

A violation of any provision of this division is an offense punishable as provided in section 1-6 of this Code. Each day that any violation continues shall constitute and be punishable as a separate offense.
(Ord. No. 2022-151, § 4(Exh. A), 2-23-2022)

Hobby Airport (HOU), § 46-27; pay toilets in public places § 28-29; rates for taxicabs to airports, § 46-31.

ARTICLE I. IN GENERAL*

Sec. 9-1. Definitions.

When used in this chapter, the following words, terms, and phrases shall have the meanings ascribed to them in this section, unless the context clearly indicates a different meaning:

Air operations area means that area of a city airport, as identified in the airport's security program, in which security measures are carried out. The area includes but is not limited to aircraft movement areas, aircraft parking areas, aircraft loading ramps, safety areas for use by aircraft regulated under 49 CFR parts 1544 or 1546, and any adjacent areas, such as general aviation areas, that are not separately secured. This area does not include the secured area.

Aircraft fuel means gasoline, kerosene, jet fuel, AvGas, or any other aircraft fuel.

Aircraft movement area means any area within the air operations area that is used or intended to be used for the taxiing, landing, and taking-off of aircraft.

Aircraft operator means a person who uses, causes to be used, or authorizes to be used an aircraft with or without the right of legal control (as owner, lessee, or otherwise) for the purpose of air navigation, including the taxiing of aircraft on any part of the surface of a city airport.

Airport security program means a security program for a city airport, as approved in writing by the director and the TSA, that provides for the safety and security of persons and property on aircraft operating in air transportation against an act of criminal violence, aircraft piracy, or the introduction of an unauthorized weapon, explosive, or incendiary onto an aircraft.

Airside area means all areas within the boundaries of a city airport that are access restricted and require persons present to be in display or possession of an identification badge under section 9-91 of this Code, including air operations areas, secured areas, and security identification areas.

Aviation official means the director or a department employee who has been designated in writing by the director to act on behalf of the director in a specified capacity.

CFR means the Code of Federal Regulations, as amended from time to time.

City airport means any airport, owned or operated by the city, including all lands, buildings and other improvements owned, controlled, leased, or operated and maintained by the city appurtenant thereto.

Commercial activity shall mean any activity undertaken for profit or direct monetary benefit, including the sale, advertisement, or display of goods or services.

Daily parking means any area on any city airport designated by the director as intended for the parking of passenger vehicles by persons who are leaving their passenger vehicles at a city airport while they travel for periods of one or more days.

Department means the Houston Airport System.

Director means the Director of HAS or his duly designated deputy director.

EFD means Ellington Airport.

Exclusive area means any portion of a secured area, air operations area, or security identification display area, including individual access points, for which an aircraft operator has assumed responsibility under 49 CFR section 1542.111.

FAA means the Federal Aviation Administration.

FIS means the facility at IAH used by various agencies of the United States for the inspection and processing of arriving international passengers, together with the baggage claim, luggage storage, baggage recheck areas, in-transit lounge, and other appurtenant areas.

Ground handling services means any of the following: on- and off-loading of aircraft passengers, baggage, mail, or cargo; into plane

*__Editor's note—__Ord. No. 02-1184, § 1(Exh. A), adopted December 18, 2002, amended Art. I, §§ 9-1—9-5 in its entirety. Formerly, said section pertained to similar subject matter and derived from Code 1968, §§ 9-1—9-6 and subsequent amendments.

fueling; servicing aircraft lavatories; providing ground power, potable water and preconditioned air to aircraft; cleaning the interior or exterior of aircraft; provision of food and beverages for in-flight service; and emergency maintenance of aircraft engines and systems; and similar ground services.

HAS means the Houston Airport System.

HOU means William P. Hobby Airport.

Hourly parking means any area on any city airport designated by the director as intended for the parking of passenger vehicles for short periods of time by persons who are dropping off or picking up travelers.

IAH means George Bush Intercontinental Airport/Houston.

Intoxicated has the meaning ascribed in Texas Penal Code § 49.01.

Landside area means all areas other than airside areas within the boundaries of a city airport, including roadways, terminals and sterile areas.

Landside vehicle means any type of vehicle that is powered by a gasoline, diesel, electric, LPG, or natural gas motor and is used or driven on the landside of a city airport.

Motorized equipment means any type of vehicle other than aircraft that is self-powered (such as by a gasoline, diesel, electric, LPG, or natural gas motor) and is used or driven by any authorized person on the airside of a city airport.

Operating instructions (OIs) shall mean the administrative rules and regulations promulgated by the director governing the use, control and operation of a city airport.

Preferred parking means any of those areas in parking garages at a city airport designated by the director for the purpose of offering customers, by card access subscription, the right to preferred, close-in garage parking.

Secured area means a portion of an airport, as identified in the airport's security program, where aircraft operators enplane and deplane passengers and sort and load baggage. The term includes any adjacent areas that are not separately secured.

Security identification display area means a portion of a city airport, as specified in the airport's security program, in which security measures set forth in 49 CFR part 1540 are carried out. The term includes, but is not limited to, the secured area.

Service animal has the meaning ascribed in 28 CFR § 36.104.

Short-term parking means the same as hourly parking.

Sterile area means a portion of a city airport, as identified in the airport's security program, in which passengers are provided access to boarding aircraft and to which access is controlled by the inspection of persons and property by the TSA or by an aircraft operator under 49 CFR, part 1544.

Tower means an airport traffic control tower and its operating personnel.

TSA means the Transportation Security Administration of the United States Department of Transportation.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 09-22, §§ 2, 3, 1-14-09; Ord. No. 2020-371, § 2, 5-6-2020)

Sec. 9-2. Establishment and general duties of the Houston Airport System.

(a) There is hereby created a department of the city to be known as the Houston Airport System.

(b) The Houston Airport System and its employees shall be charged with the following duties:

(1) To develop, redevelop, operate, supervise, manage, and maintain the city airports.

(2) To plan the further expansion of the city airports as may be necessary or desirable to properly accommodate the needs of the public.

(3) To evaluate the city airport system facilities and services and the domestic and international scheduled air services to and from the city for the purpose of ensuring adequate public air services, and to initiate, direct, or recommend, when so indicated, corrective action for deficiencies revealed.

(4) To cooperate and coordinate with and represent the city with the FAA, TSA, and all other agencies constructively concerned with air transportation for the city and its trade territory.

(5) To do all things necessary to assure the development and growth of air passenger and air cargo traffic to, from, and through the city.

(6) To design or cause to be designed improvements to aviation facilities and construct or cause to be constructed such improvements under the supervision of its own professional architectural and engineering staff.

(7) To acquire land and interests therein as may be required for the expansion of city airports and other aviation facilities, dispose of surplus land and interests therein, and lease aviation facilities to users thereof.

(8) To administer all commercial and general aviation matters in which the city is interested and perform such other duties and functions as may be assigned to or required of the department or its personnel by and under any provision of the federal or state laws or the Charter or the ordinances or other appropriate action of the city.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-3. Office of director created; appointment of director.

There is hereby created the office of director of the Houston Airport System. The director shall be appointed by the mayor and confirmed by the city council.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-4. Duties and authority of the director.

(a) The director shall perform all duties and responsibilities as are required of him by the laws of the United States and the state and the ordinances of the city and such other functions, duties, and powers as may be assigned to him by the mayor. In addition to the foregoing duties, functions, powers, and responsibilities, the director shall:

(1) Be executive head of the department and have control, supervision, and authority over all officers and employees therein in the performance of the duties set forth in this section.

(2) Promulgate and enforce or cause to be enforced reasonable and necessary administrative rules and regulations governing the use, control, and operation of the city airports and any other property placed under the jurisdiction of the department. The regulations shall not be inconsistent with applicable state, federal, or local laws, rules, and regulations. A copy of the regulations shall be maintained for public inspection in the manager's office at each city airport and in the city secretary's office.

(3) Be authorized and directed for and on behalf of the city to notify any person who fails or refuses to comply with any applicable provision of law or departmental rules and regulations to depart from any city property or building under control of the department. Any person who upon such notice fails to depart from the city property or building shall be subject to prosecution under § 30.05 of the Texas Penal Code for criminal trespass in addition to prosecution for any other crime that he may have committed thereupon.

(b) The director is hereby authorized to perform the following functions:

(1) Close or restrict the use of all or any portion of any city airport as he may deem necessary and advisable in the

interest of public safety in the event of natural disaster, airplane crash, structural failure of a runway or other facility, or other unsafe condition or during construction and maintenance work.

(2) Deny the use of IAH, HOU, and EFD to any person who fails to pay the charges or conform to any provision of this chapter.

(3) Determine for each construction project which delivery method provides the best value for the city pursuant to state and federal law.

(4) Promulgate standard terms for leases and concessions that shall be included in all such agreements.

(5) Give any and all notices that are required to be given by the city as a condition precedent to the taking of any action by the city under the provisions of any and all lease agreements for land and premises at any city airport and under the terms and provisions of all concession agreements for concessions at any city airport. The director, with the counsel of the city attorney, is further authorized to initiate or take any action under the terms of any such agreement upon the failure or refusal of the party notified to comply with such agreement.

(6) Establish reasonable aircraft parking charges within the ranges set forth in section 9-142 for the parking of commercial aircraft on unleased areas controlled by the city on the city airports.

(7) Subject to approval by the city controller:

a. Establish billing and collection procedures and forms for collecting and remitting the fees and charges provided for in this chapter.

b. Prepare forms and prescribe methods of reporting numbers of flights, all enplaning and deplaning activities, aircraft weight, and time of use of the ramp areas and other facilities and services for which fees are charged.

(8) Allow scheduled and nonscheduled airlines to use unleased gates and common use areas and other associated operating space and facilities within the terminals and concourses at IAH and HOU as described in sections 9-165 and 9-166 of this Code.

(9) Establish air cargo aircraft operations charges within the ranges set forth in section 9-167 for the use of the air cargo apron areas designated by the director at IAH.

(10) Require those persons not under written contract with the city who conduct business on the airside to maintain the insurance coverages described in section 9-95.

(11) When determined to be in the best interest of the city and HAS, execute terminable written occupancy license agreements not exceeding six months, for the mayor and on behalf of the city, upon forms approved by the city attorney.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 04-1150, § 1, 11-9-04; Ord. No. 2015-668, § 11, 7-8-2015)

Sec. 9-5. Airport zoning.

Nothing in this Code or the ordinance adopting this Code shall be deemed to affect the validity of any ordinance relating to airport zoning, establishing an airport zoning commission, or designating any airport hazard area for zoning purposes, and all such ordinances are hereby recognized as continuing in full force and effect.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-6. References to aviation department and aviation director.

The Houston Airport System was formerly known as the department of aviation or the aviation department, and the director was formerly known as the director of aviation or the aviation director. Any such reference in this Code or in any contract, agreement, purchase order, or other document shall be construed to

mean the Houston Airport System or the director of the Houston Airport System, as applicable.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-7. Animal regulations.

No person shall enter any city airport terminal building or airside area with an animal in his possession. It is a defense to prosecution under this section that:

(1) The animal is a service animal in actual service to the actor, who is a person with disabilities;

(2) The animal is securely contained within a cage or carrier that is approved for airline use; or

(3) The actor has been authorized by the director to bring the animal onto airport property.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-8. Lost articles.

Any person who finds lost articles on any city airport shall deposit them with persons authorized under regulations promulgated from time to time by the director.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-9. Deposit of garbage or waste.

No person shall deposit or leave any debris, garbage, paper or any other type of waste on any city airport, except in approved receptacles provided for that purpose. A person who commits an offense under this section shall, upon conviction, be subject to a fine of not less than $100.00 nor more than $4,000.00. To the extent that any conduct in violation of this section is also a violation of the Texas Litter Abatement Act, then the violation shall be prosecuted under and punishable as provided under the Act, rather than this section
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 2021-431, § 3, 5-26-2021)

Sec. 9-10. Environmental regulations.

Persons who violate any environmental rules or regulations promulgated by the director, the Texas Commission on Environmental Quality, or the United States Environmental Protection Agency while on airport property shall be subject to any and all applicable state and federal laws.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Secs. 9-11—9-20. Reserved.

ARTICLE II. LANDSIDE AREA REGULATIONS*

DIVISION 1. IN GENERAL

Sec. 9-21. Sterile areas.

Persons who enter or to attempt to enter any sterile area without complying with the security measures in effect thereat shall be subject to prosecution under any and all applicable state and federal laws.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-22. Commercial activities—Generally.

(a) Recognizing that FAA grant assurances require airports to be self-sustaining, no commercial activity shall take place at a city airport without the person engaging in the commercial activity possessing either a direct contract with the city, an airport use permit, or authority under this chapter.

(b) All persons engaging in commercial activity operating at IAH, HOU, or EFD must follow airport rules including airport operating instructions (OIs).
(Ord. No. 2020-371, § 3, 5-6-2020)

Secs. 9-23—9-30. Reserved.

DIVISION 2. MOTOR VEHICLES

Sec. 9-31. Designation of traffic engineer.

(a) The director shall designate an engineer who is an employee of the department to act as the traffic engineer for the department.

*__Editor's note—__Ord. No. 02-1184, § 1(Exh. A), adopted December 18, 2002, amended Art. II, §§ 9-61—9-145 in its entirety. Formerly, said sections pertained to general airport regulations and derived from Code 1968, §§ 9-24—9-113 and subsequent amendments.

(b) The department traffic engineer, rather than the city traffic engineer designated in chapter 45 of this Code, shall have jurisdiction over the erection of regulatory traffic signs and traffic control devices on the landside of any city airport, consistent with the authority granted to the city traffic engineer in chapter 45 of this Code, and applicable state laws.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-32. Designation by traffic engineer.

(a) Subject to any notice requirements of applicable laws or ordinances, the traffic engineer may designate parking areas, temporary hourly parking areas, no parking areas and free parking areas on the landside of a city airport. The Houston Police Department shall have the authority to ticket and/or cause to be towed any landside vehicle that is in violation of any regulatory traffic signs located in parking areas, temporary hourly parking areas, no parking areas, and free parking areas.

(b) The provisions of chapters 26 and 45 of this Code shall apply for purposes of enforcement as if said areas were "public streets," provided that no such drive, roadway or other area designated as a parking area, temporary hourly parking area, no parking area, or free parking area shall constitute a "public street" for any other purpose, unless expressly so dedicated as a "public street" by the city.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 07-464, § 4, 4-11-07)

Sec. 9-33. Storing, parking, or repairing landside vehicles.

(a) No person shall store, park, or repair any landside vehicle on any city airport except in areas clearly marked by signage as designated by the aviation official for such purposes.

(b) The aviation official may move or cause to be moved to some other location, at the sole risk and expense of the owner, any landside vehicle that is in violation of this section or any other city ordinance or city airport rule or regulation.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-34. Loading or unloading passengers.

It shall be unlawful for any person engaged in the operation of any landside vehicle on the landside area of any city airport to take on or discharge passengers, except at the places designated by the director for such purposes.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-35. Parking lots—Rates and time limits.

(a) *Fees.* The following fees are hereby established for public parking on the landside area at the city airports where the parking space is not designated a free parking zone:

(1) *City economy lot parking at IAH:*

a. *Uncovered parking*—Rates and times to be established by the director and shall not exceed a maximum of $9.24, for each 24-hour period, plus applicable sales tax.

b. *Covered parking*—Rates and times to be established by the director and shall not exceed a maximum of $11.09, for each 24-hour period, plus applicable sales tax.

(2) *Surface and garage parking, other than the economy at IAH:*

a. *Hourly parking*—Rates and times to be established by the director not to exceed a maximum of $27.72, for each 24-hour period, plus applicable sales tax.

b. *Daily parking*—Rates and times to be established by the director not to exceed a maximum of $23.09, for each 24-hour period, plus applicable sales tax.

(3) *Preferred parking at IAH:* In addition to the areas in the garage that are designated for hourly or daily parking by the director, the director may designate preferred parking areas. The director shall promulgate policies and procedures to implement and operate the preferred parking areas, including, without limitation,

application requirements, revocation of use, access and exiting, billing procedures and charges. The director is authorized to charge each customer who uses the preferred parking areas an annual registration or membership fee of up to $200.00 and a refundable deposit of $50.00 per access card, plus any applicable sales tax, and a parking rate to be established by the director which shall not exceed a maximum of $27.72, plus any applicable sales tax, for each 24-hour period or portion of a 24-hour period that the customer's vehicle is parked in a preferred parking area.

(4) *City economy lot parking at HOU:*

a. *Uncovered parking*—Rates and times to be established by the director and shall not exceed a maximum of $9.24, for each 24-hour period, plus applicable sales tax.

b. *Covered parking*—Rates and times to be established by the director and shall not exceed a maximum of $11.09, for each 24-hour period, plus applicable sales tax.

(5) *Surface and garage parking, other than the economy at HOU:*

a. *Hourly parking*—Rates and times to be established by the director not to exceed a maximum of $27.72, for each 24-hour period, plus applicable sales tax.

b. *Daily parking*—Rates and times to be established by the director not to exceed a maximum of $23.09, for each 24-hour period, plus applicable sales tax.

c. *Surface parking*—Rates and times to be established by the director not to exceed a maximum of $13.86, for each 24-hour period, plus applicable sales tax.

(6) *Preferred parking at HOU:* In addition to the areas in the garage that are designated for hourly or daily parking by the director, the director may designate preferred parking areas. The director shall promulgate policies and procedures to implement and operate the preferred parking areas, including, without limitation, application requirements, revocation of use, access and exiting, billing procedures and charges. The director is authorized to charge each customer who uses the preferred parking areas a registration and/or annual membership fee of up to $200.00 and a refundable deposit of $50.00 per access card, plus any applicable sales tax, and a parking rate to be established by the director which shall not exceed a maximum of $27.72, plus any applicable sales tax, for each 24-hour period or portion of a 24-hour period that the customer's vehicle is parked in a preferred parking area.

(7) *Surface parking at Ellington Airport:* Rates and times to be established by the director not to exceed a maximum of $13.86, for each 24-hour period, plus applicable sales tax.

(8) The applicable fees established by section 9-35 of this Code shall be based upon the total time of use of the facilities, and the foregoing rate cycles shall apply during each 24-hour parking period if a vehicle remains parked in the applicable parking area for more than 24 hours.

Wherever in section 9-35 of this Code rates are stated as not to exceed maximum amount or the director is authorized to set rates within a range or offer special rates, the actual rate shall be deemed by the director. The director shall determine rates in consideration of the best interests of the public balancing considerations of market conditions, maximization of the city's total recovery of revenue from the parking facilities and the provision of service to the traveling public.

(b) *Grace period.* The director is authorized to establish a grace period not to exceed 30 minutes for any parking area at each city airport. The director may, at his discretion, waive the portion of the parking fee covered under this grace period.

(c) *Valet services.* The director may establish and provide for valet parking services at IAH and HOU. The valet service shall charge a fee determined by the director, to be not less than the current hourly parking rate for garage parking at IAH and HOU.

(d) *Promotional offers.* The director may approve promotional offers by various marketing mediums including the acceptance of competitor discount offerings and offering corporate discounts. (Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 09-683, § 1, 7-22-09)

Secs. 9-36—9-50. Reserved.

DIVISION 3. GROUND TRANSPORTATION

Sec. 9-51. Definitions.

For the purpose of this division only, the following terms shall have the meanings specified below unless otherwise indicated herein:

Airport use fees includes all fees and charges required to be paid under or pursuant to this division.

Airport use permit means a valid, unexpired and unrevoked permit issued by the director pursuant to this division. An airport use permit contains terms and conditions more completely prescribed in this division. An airport use permit grants privileges (e.g., using airport property for commercial purposes, supplying services at the airports) for which fees are imposed. Both airport use permits and the more specialized contracts mentioned in this division are types of contracts, leases or other arrangements authorized by state law. An airport use permit does not grant a permittee the privilege of parking on airport property without paying a separate parking fee.

Applicable regulations means all of the provisions of this chapter, all other applicable ordinances, rules, and regulations of the city and the director, any applicable rules, regulations, statutes, and constitutional provisions of the federal and state governments, and any applicable assurances and covenants made by the city in connection with federal or state grant programs.

Automated vehicle identification system means a system consisting of vehicle transponders, radio-frequency identification, antennas, computer software and industry-specific hardware to facilitate billing, reporting, invoicing, security and access control, compliance enforcement, automatic staging and call up for buses, limousines, shuttles, and TNCs, taxi queuing and dispatching from the holding lot, and gate access control and security authorization for commercial transportation providers.

Commercial business entity means any sole proprietorship, partnership, corporation, trust or other person engaged in commercial, industrial or institutional operations in connection with which money or anything of value is paid, demanded or expected by passengers, customers or other users, but does not include the federal government of the United States, the State of Texas or any of their departments, agencies or political subdivisions (unless they provide, as their primary function, ground transportation of passengers in exchange for fares or charges).

Commercial carrier service means transportation service provided by a commercial passenger vehicle under circumstances where two or more passengers may share the same vehicle and each is charged a fare that is determined on a per-passenger, per-trip or similar basis that does not depend upon the number of passengers being carried.

Commercial passenger vehicle means a motor vehicle while it is used, or offered (orally or in a writing or sign) to be used, to transport one or more persons, on land, either:

(1) In exchange for a fare, charge, or other thing of value (paid, demanded, or expected for the transportation service, in whole or in part, directly or indirectly, by the person transported or by another person, or otherwise); or

(2) In connection with the operations of a commercial business entity, regardless of whether a fare, charge, or other thing of value is paid, demanded or expected for the transportation service.

It shall be a presumption that a motor vehicle bearing the name, trade name, common name, emblem, trademark or other identification of a commercial business entity and being used to transport a passenger is a commercial passenger vehicle.

Consolidated rental car facility means any building, parking structure, commercial passenger vehicle, maintenance and storage facility and related infrastructure for rental car users designated by the director as a consolidated rental car facility.

Courtesy vehicle means a commercial passenger vehicle that meets all of the following criteria at all times when it is operated on city airport premises:

(1) The vehicle is owned or provided by one or more commercial business entities that: (i) arrange for the vehicle to provide transportation only incidentally to the commercial business entities' primary businesses or activities, which may, for example, be car rental, parking, lodging, air transportation, special events or medical care; (ii) provide the vehicle, by purchase or lease or by contracting with another party (which party may or may not be primarily in the business of providing ground transportation); and (iii) all sign the application for the airport use permit for the vehicle, as applicants or co-applicants.

(2) The vehicle is provided for the exclusive use of officers, agents, employees, customers or invitees of any of the commercial business entities.

(3) There is no fare, charge or thing of value paid, demanded or expected from the persons transported, directly or indirectly, for transportation, and this is effectively communicated to the traveling public. (Example: An increase in the charge for lodging or for an event could be an indirect charge, if related to transportation.)

(4) If required by the director, the vehicle is prominently and permanently marked to show its status as a courtesy vehicle. Such marking could include, for example, the legend "free courtesy vehicle, not for hire," or a similar legend, together with the names and locations of the commercial business entities served.

Customer facility charge or *CFC* means a fee collected by a rental car user from a rental car customer for the purposes of funding a consolidated rental car facility and related expenses. The CFC does not constitute income, revenue, or an asset of the rental car user. The CFC and revenues derived therefrom constitute fees and charges of the kind that will generate excluded fee and charge revenues," as defined herein.

Excluded fee and charge revenues means all income and revenues derived from fees and charges imposed by any city ordinance adopted after July 1, 2007, and declared in such ordinance to constitute fees and charges of the kind that will generate excluded fee and charge revenues, as further defined in Ordinance No. 2016-846, as may be amended from time to time.

Geofence means a virtual perimeter, consisting of defined geographical boundaries, that uses global positioning system, radio frequency identification or other technology to track and report vehicle location and activity.

HOU transaction day means a 24-hour period or fraction thereof for which a rental car customer is provided the use of a rental car for compensation at HOU, regardless of the duration or length of the rental term, except that a partial day after the last 24-hour day booked shall not be considered a transaction day. If the same rental car is rented to

more than one customer within such continuous 24-hour period, then each such rental shall be calculated as a transaction day.

Hearing officer means a person appointed by the director of administration and regulatory affairs to hear appeals under this division. An appointee may be a city employee, but an appointee shall be disqualified from hearing any matter that the appointee personally investigated or for which the appointee had any substantial enforcement responsibility.

Local transit vehicle means a motor vehicle operated by a political subdivision of the State of Texas under Chapter 451 or 452, Texas Transportation Code, or other applicable laws, while it is providing local transit service characterized by frequent stops along local streets or characterized by demand-responsive stops to receive or discharge persons with physical disabilities.

Non-Houston taxi means a vehicle with a capacity of six or fewer persons while it is lawfully operated under a license, permit, or other similar permission issued by another municipality, which license, permit, or permission is substantially similar to a permit issued under article II of chapter 46 of this Code.

Off-airport parking user means a commercial business entity that provides or arranges for one or more commercial passenger vehicles, however owned or operated, to pick up or drop off passengers within a terminal complex of an airport in connection with the operations of a business of the user involving the parking of motor vehicles at a facility, including a hotel or other entity whose primary business may not be parking, located outside the airport boundary.

Off-airport rental car user means a rental car user, where the user does not have a concession, contract or lease with the city for the use of counter space or other facilities in the terminal complex.

On-airport rental car user means a rental car user, where the user has a concession, contract or lease with the city for the use of counter space or other facilities in the terminal complex.

Peer-to-peer car rental means the rental of an individual's personal vehicle to another individual, involving monetary compensation to the vehicle owner.

Permittee means a person to whom an airport use permit has been issued.

Regulatory approvals means all permits, licenses, certificates, registrations, and other approvals required by applicable regulations.

Rental car user means any business entity that directly or indirectly provides, procures or brokers rental vehicles and/or conducts, facilitates, and/or manages vehicle rental activities and either picks up or drops off passengers in the terminal complex or allows passengers to pick up or drop off their rental vehicles within the terminal complex. Rental car user includes any traditional rental car business, broker for car rental business or service, rental car delivery company, peer-to-peer car rental business or service, and car-sharing business or service (excluding any transportation network company), regardless of whether the entity has an on-airport concession or other agreement with the city.

SGT permit means a valid, unexpired, and unrevoked permit issued by the director of administration and regulatory affairs pursuant to section 9-58.

SGT vehicle means a motor vehicle, other than a taxicab or a vehicle operated by the Metropolitan Transit Authority of Harris County, Texas, with a rated passenger capacity of ten persons or more (including the driver), that is used or offered (orally or in a writing or sign) to be used, to transport one or more persons in exchange for a fare, charge, or other thing of value (paid or to be paid specifically for the transportation service), where such transportation is provided or offered (orally or in writing or sign) to be provided as part of a regularly scheduled transportation service to or from an airport. A "regularly scheduled transportation service" is a

transportation service provided or offered at fixed times or intervals or at repetitive times or intervals.

Specified service area means an area specified from time to time by the director pursuant to section 9-54.

Taxicab means a vehicle while it is lawfully operated under a taxicab permit issued under chapter 46 of this Code.

Terminal complex means each area within the boundary of HOU or IAH located within 400 feet of any part of the following: (i) a passenger terminal building, (ii) a consolidated rental car facility, or (iii) a parking facility. The interterminal train system at IAH is deemed to be a part of a passenger terminal building. The director may promulgate a map or other description of a terminal complex, and it shall be a presumption that the boundaries of the terminal complex are as so promulgated by the director.

TNC means transportation network company.

Transportation network company has the meaning provided in Chapter 2402 of the Texas Occupations Code.

Transportation network company driver means an individual affiliated with a transportation network company transporting passengers for compensation.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 08-52, § 37, 1-16-08, eff. 1-26-08; Ord. No. 2011-489, § 4, 6-22-2011; Ord. No. 2014-1013, §§ 2, 3, 11-12-2014; Ord. No. 2016-728, § 2, 9-28-2016; Ord. No. 2020-371, § 4, 5-6-2020)

Sec. 9-52. General provisions.

(a) *Use of property and funds.* This division provides rules and regulations for the use of airport property by commercial passenger vehicles, and it requires that airport use fees be paid for the use of airport property. It is city policy that funds from airport use fees shall be used for airport purposes, as more fully described in the ordinances authorizing the issuance of airport system bonds adopted from time to time. With the exception of the commercial ground transportation activities described in Table 9-1 or the city fee schedule, any other commercial ground transportation activity using airport property is prohibited without a permit or direct agreement with the city and payment of appropriate airport use fees.

(b) *Permits required, etc.* It shall be unlawful for any person owning, possessing, controlling, or operating a commercial passenger vehicle to cause or allow one or more other persons to board the vehicle, or to alight from the vehicle, in any terminal complex if there is no airport use permit for the vehicle unless such boarding and alighting is covered under a direct agreement with the city. It shall also be unlawful for any person owning, possessing, controlling, or operating a commercial passenger vehicle to cause or allow the vehicle to be operated upon airport property if:

(1) The vehicle is operated in violation of this division, any airport use permit, or any condition in an airport use permit; or

(2) Any of the airport use fees required by this division with respect to the use of the airport has not been paid when due.

(3) The vehicle or its operation does not comply with any other regulatory approval required by applicable regulations (e.g., a city, state or federal license, permit, franchise), for any part of a trip that includes airport property.

(c) *Others liable; contractors.* It shall be unlawful for any person to direct, cause, or allow another person to violate, or to aid another person in violating, subsection (b) above. A permittee may allow independent contractors to operate permittee's vehicles; however: (i) the permittee must maintain all required insurance mandated by federal and state laws, including those articulated in chapter 1954 of the Texas Insurance Code pertaining to transportation network company drivers, covering both permittee and each contractor, and (ii) in any event, both the permittee and the contractor are responsible for compliance with applicable regulations.

(d) *Control of vehicles.* For purposes of this division only, it shall be a presumption that a motor vehicle bearing the name, trade name, common name, emblem, trademark, or other identification of a commercial business entity is controlled by that business entity and by the managers of that business entity; however, this presumption does not apply in the case of a taxicab, or TNC, while it is driven by an independent contractor.

(e) *Taxicabs.* It shall be an affirmative defense in any prosecution involving lack of an airport use permit under this section (but not prosecutions involving other violations or nonpayment of fees) that the vehicle in question was:

(1) A taxicab; or

(2) A non-Houston taxi, and no passengers boarded it on airport property.

(f) *Occasional users.* It shall be an affirmative defense in any prosecution involving lack of an airport use permit under this section (but not prosecutions involving other violations or nonpayment of fees) that the vehicle in question was not used to transport passengers within a given terminal complex more than twice during the seven-day period ending on and including the day of the alleged offense.

(g) *Non-airport use.* It shall be an affirmative defense in any prosecution involving lack of an airport use permit or nonpayment of fees under this section that the vehicle in question was operated exclusively on dedicated public streets, roads and highways, without using airport property during the trip in question.

(h) *Consolidated rental car facility.*

(1) *IAH.* The director has designated 17330 Palmetto Pines at IAH as a consolidated rental car facility and part of the terminal complex. The consolidated rental car facility is designed and operated to allow a single, consolidated shuttle bus system to transport all rental car passengers to and from the passenger terminals. It shall be unlawful for any person owning, possessing, controlling, or operating a commercial passenger vehicle to cause or allow any passenger to board the vehicle, or to alight from the vehicle, anywhere within 400 feet of a passenger terminal building at IAH, if the passenger comes from, or is going to, any premises owned, possessed, controlled or operated by an off-airport rental car user. This paragraph does not apply to passengers boarding or alighting from the consolidated shuttle bus system serving the consolidated rental car facility. The director shall have the right to designate successor and substitute consolidated rental car facility which shall become part of the terminal complex for IAH.

(2) *HOU.* The director may designate a consolidated rental car facility at HOU. The consolidated rental car facility may be designed and operated to allow a single, consolidated shuttle bus system to transport all rental car passengers to and from the passenger terminals. After a designation becomes effective, the designated facility will become part of the terminal complex for HOU, and rental car users at HOU shall direct their customers to the consolidated rental car facility at HOU. It shall be unlawful for any person owning, possessing, controlling, or operating a commercial passenger vehicle to cause or allow any passenger to board the vehicle, or to alight from the vehicle, anywhere within 400 feet of a passenger terminal building at HOU, if the passenger comes from, or is going to, any premises owned, possessed, controlled or operated by an off-airport rental car user. This paragraph does not apply to passengers boarding or alighting from a consolidated shuttle bus system serving the consolidated rental car facility. The director shall have the right to designate a successor and substitute consolidated rental car facility which shall become part of the terminal complex for HOU.

(i) *Consent to use property.* For purposes of section 9-161 of this Code, persons who operate commercial passenger vehicles or local transit vehicles in compliance with this division, and in

compliance with other applicable regulations, do so with the approval of the city council, and the commercial activity of transporting passengers at the airports is authorized by the city council to the extent herein provided. The city, as the owner of the city's airports, does not consent to the use of airport property in violation of this division or other applicable regulations.

(j) *Penalties.* Violation of this section shall be punished by a fine not exceeding $500.00. Each day any violation of this section continues shall constitute a separate offense. The suspension, revocation, cancellation, or denial of any license, permit, or certificate shall not prohibit the imposition of any civil or criminal penalty. The imposition of a civil or criminal penalty shall not prohibit any other remedy and shall not prohibit the suspension, revocation, or denial of a license, permit, or certificate. The city shall have the authority to enforce this division by civil litigation to the full extent allowed by state law.

(k) *Regulations.* The director shall prescribe regulations for the use of airport premises by permittees, including, but not limited to: regulations for applications, permits and appeals, which must include the use of a hearing officer; regulations allowing temporary substitute vehicles; regulations as to locations to drop off or pick up passengers, park vehicles, stage vehicles, or hold vehicles; regulations as to routes of vehicles; regulations as to appearance of vehicles and drivers; regulations as to conduct upon airport premises; and other regulations as may be necessary for the safe and efficient operation of the airports.

(l) *Enforcement.* The director shall enforce the provisions of chapters 26, 45 and 46 of this Code on each airport's roadways and curb zones, including the designation of persons other than peace officers, to enforce the provisions of those chapters as well as state laws and regulations relating to the stopping, standing and parking of motor vehicles by issuance of citations on the official form prescribed by the director. The director shall issue appropriate identification and the necessary citation forms to the persons designated pursuant to this section.

(m) *Inspections and audits.* All commercial business entities and vehicles permitted to access any city airport, including vehicles driven by a transportation network company driver, are subject to inspection and audits to ensure compliance with the provisions of this division.

(n) *Permit and HAS access limits.* The director may at any time limit either the number of permits or the access afforded to commercial business entities due to limitations in the availability of curbside space or parking and staging in the applicable staging lots, garages and holding areas.

(o) *Badging and driver identification.* The director reserves the right to require the possession and presentation upon request, of HAS badges, identification cards, radio-frequency identifications or other forms of identification verification as the director deems necessary for the enforcement of this division.

(p) *City audit rights.* Unless otherwise provided in a contract entered into pursuant to this division, the director may, upon 14 days' written notice, without cost to a commercial business entity operating under this division, cause an inspection and audit to be made of the books and records of the commercial business entity to determine the correctness of the computation of fees paid to the city on behalf of the Houston Airport System. If, as a result of such inspection and audit, it is established that additional compensation is due the city, the commercial business entity shall pay such additional compensation to the city within 15 days of receipt of written notice from the director.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 2014-1013, § 4, 11-12-2014; Ord. No. 2020-371, §§ 5—8, 5-6-2020)

Sec. 9-53. Airport use permits generally.

(a) *Application.* A person desiring to obtain an airport use permit must apply to the director upon a form promulgated by the director. The form may require: (i) multiple signatures, in the case of transportation services provided by or for more than one entity, (ii) agreements to comply with applicable regulations, (iii) indemnities to

protect the city and its officers, agents and employees, and (iv) other provisions related to this division.

(b) *Form of permits, devices, etc.* The director shall prescribe the form of airport use permits. There may be different permit forms (with different provisions) for different categories of vehicles and services. The director shall also prescribe the form of stickers, electronic devices, or other evidence of an airport use permit and the manner in which the evidence shall be affixed and displayed.

(c) *Insurance.* Each permittee must provide and maintain insurance coverage (or self-insurance) as required by this section throughout the term of the permit.

(1) Insurance policies maintained by permittees other than transportation network company drivers must meet all of the criteria, coverage limits and all prescribed times when the requisite coverage shall be in effect as provided in chapter 46 of this Code. The director shall approve self-insurance in lieu of liability insurance policies if the applicant submits proof that the applicant has qualified as a self-insurer under state laws and regulations applicable to motor carriers (see, e.g., § 643.102, Texas Government Code and 43 TAC § 18.16) up to the limits required by this section for liability insurance policies.

(2) Except for transportation network company drivers, a permittee not covered by chapter 46 is required to have and maintain motor vehicle (or automobile) liability insurance with limits of liability not less than $100,000.00 for bodily injury to one person or death of one person and $300,000.00 for bodily injury to or death of all persons injured or killed in any one accident.

(3) Because airport use permits are not required for taxicabs or non-Houston taxis, the foregoing insurance provisions (as well as the other permit requirements) do not apply to them; however, the provisions of chapter 46, including the insurance provisions, shall remain applicable to taxicabs, and the ordinances and regulations of the municipality regulating non-Houston taxis shall remain applicable to them.

(4) Each permittee shall submit written proof of insurance (or self-insurance) to the director: (i) with each application for a permit, including transfers and other changes, (ii) at least 15 days before any existing coverage expires, and (iii) at any other time when requested by the director. Except for transportation network company drivers, each proof of insurance shall meet the criteria of chapter 46 of this Code, or such other criteria as the director may promulgate, e.g., for self-insurance. The director may waive these requirements when proof is already on file with another city department as required by chapter 46 of this Code.

(5) A permittee who is a transportation network company driver shall have and maintain primary automobile insurance as required by Chapter 1954 of the Texas Insurance Code.

(d) *Term.* Each airport use permit shall be effective for a term prescribed by the director, not to exceed 18 months. A permit may be renewed. The standards and procedures for renewals are the same as for original permits.

(e) *Issuance or denial.* After a complete and effective permit application is received, the director shall grant it unless one or more of the following circumstances is present:

(1) The application does not meet a requirement of this chapter or another applicable regulation, or information required to be provided by the applicant is missing.

(2) The application includes false or misleading information or omits information necessary to prevent the application from being misleading.

(3) It appears that the proposed activity will not comply with applicable regulations,

or the director is not able to discern from the application that the activity will so comply.

(4) An airport use permit or other regulatory approval relating to passenger transportation issued to the applicant, or to a closely-related party, was revoked within the 180 day period preceding the date the application is filed, and the revocation has become final, all because of a violation of a statute, rule, regulation or ordinance. This requirement may be waived if the applicant demonstrates clearly that the circumstances of the revocation have been changed so as to prevent another violation. If a permit is denied under this paragraph because of a previous conviction, the director shall follow the procedures of section 1-9 of this Code and applicable state law. It is found and determined that the previous conviction for a violation of a statute or ordinance that results in a revocation of an airport use permit shall be grounds for denial of a new permit because such a conviction would indicate an inability or an unwillingness of the applicant to comply with this division or the terms of the permit.

(5) The director determines that the proposed service: (i) would be inconsistent with any contracts, leases or other arrangements previously made, or in process, for service to a specified service area; (ii) would cause a reduction in the quality, reliability or traveler-orientation of the overall ground transportation system; (iii) would cause an increase in price, immediately or in the future, of scheduled or lower-priced services; (iv) would be inconsistent with efficient operation of the airport in question; or (v) would otherwise adversely affect the traveling public.

(f) *Conditions.* The director may grant a permit with conditions, to be stated in the permit, if the director determines that such conditions are: (i) required by this division; (ii) required to allow the permit to be issued under the criteria set out in this division; or (iii) reasonably necessary to achieve compliance with applicable regulations. An application for a permit shall be deemed denied if not granted on or before the thirtieth day next following the day the application is completely and effectively filed.

(g) *Non-transferable.* A permit is personal to the applicant or commercial business entity to whom it is issued and may not be sold, transferred or conveyed by operation of law or otherwise.

(h) *Revocation.* The director shall have the authority to revoke a permit for any one or more of the following reasons:

(1) The activity covered by the permit appears not to comply with any applicable regulation or with any condition imposed in connection with the permit, regardless of whether the noncompliance was shown on the application for the permit or was otherwise known to the city.

(2) The activity has been substantially abandoned or ceased for a period of 30 consecutive days or more, unless such abandonment or cessation is caused by circumstances beyond the control of the applicant, and the applicant is proceeding with due diligence, given all attendant circumstances, to resume the activity.

(3) Information provided in or as part of the permit application is materially incorrect.

(4) The permit should not have been issued pursuant to the criteria of this article or the criteria of any other ordinance applicable to the permit.

(5) Any check or instrument presented to the city in connection with the permit was returned unpaid for any reason.

(6) A change in an applicable regulation requires that the permit be revoked.

(7) The director is denied access to inspect or examine any vehicle or place where the activity occurs or any records to which the director is required to have access under this division.

(8) The permittee does not have other regulatory approval to operate the service in question (where required).

(9) In the case of permits issued pursuant to a contract for service, the contract is not in effect.

(10) Any permit, sticker, electronic device, or other required evidence of an airport use permit is counterfeited, disabled, tampered with, transferred, affixed, displayed, or removed contrary to rules issued by the director.

(11) Any fees or charges required by this division are not paid when due.

(12) Cancellation, termination or other lack of insurance or self-insurance.

(13) The permittee does not file the reports evidencing its commercial activities or revenue required under section 9-56 of this Code.

(i) *Procedures.* Before revoking or suspending a permit (and except as provided below), the director shall make a reasonable attempt to:

(1) Notify the permittee (or local management personnel of the permittee, in case the permittee is not notified) orally or in writing at an appropriate address (physical or electronic), telefax number or telephone number shown on the permittee's most recent permit application;

(2) Describe the evidence supporting the revocation or suspension; and

(3) Provide the permittee an opportunity to respond. If requested by the permittee, the director shall grant a reasonable time extension for the permittee's response, unless it is obvious that there has been a serious or repeated violation of applicable regulations. The proceedings may be handled informally. If, after making such an attempt, the director is of the opinion that the permit should be revoked or suspended, he may issue a written order so stating, which shall be effective (unless a later time is indicated in the order) when notice thereof is given to the permittee.

(j) *Suspension.* If the director so determines, based upon the nature of the violation, that the ends of justice would be served by a suspension in lieu of a revocation, the director may suspend the permit for a period of time to be stated in the order of suspension. The director may suspend a permit without prior notice if the permittee knows, or should know, that: (i) any other regulatory approval required to operate the vehicle is not in effect, (ii) required insurance or self-insurance is not in effect, or (iii) fees or charges required by this chapter are not paid when due. In case of such a suspension, the director shall provide an expedited opportunity for the permittee to respond and appeal.

(k) *Demerit system.* The director may classify violations and assign each a specified number of demerits. Accumulated demerits may be used to determine when permits are suspended or revoked.

(l) *Refund of annual permit fees.* A permit holder whose permit has been suspended or revoked for a reason other than nonpayment of fees shall be entitled to a refund of the pro rata share of the annual fee paid.

(m) *Nature of permits.* An airport use permit is only a nonexclusive, conditional permission to use airport premises. No permit confers a vested right or property right of any kind, and all permits are subject to amendment, cancellation, revocation, or suspension at any time.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 2010-354, § 2, 5-12-2010; Ord. No. 2014-1013, §§ 5, 6, 11-12-2014; Ord. No. 2020-371, §§ 9, 10, 5-6-2020)

Sec. 9-54. Contracts; specified service areas; commercial carrier service.

(a) *Contract service.* Where the director finds that reliable, modestly-priced, scheduled, on-demand or pre-arranged commercial carrier service between an airport(s) and one or more specified points or service areas would be

beneficial to the traveling public and should be assured by one or more contracts, the director may recommend that the city enter into one or more contracts for any such service. Any such contract must be approved by the city council and must contain the requirement that the operator maintain fares and other service standards.

(b) *Specified service areas, designation.* If such a contract would require a substantial financial investment by an operator, the contract may designate a specified service area that the contractor must serve, and the contract may include restrictions on granting others the right to use airport property to provide the same or similar service. However, it is the policy of the city that a contract containing such restrictions:

(1) Should be made, to the greatest extent practicable, only after seeking competitive proposals;

(2) Should be made with an operator that can provide low passenger fares consistent with good service and financial stability; and

(3) Should have a term no longer than is reasonably necessary to induce the operator to make the necessary financial investment or commitment.

(c) *Specified service areas, details.* A specified service area for a given airport shall not be substantially larger than is reasonably necessary, in the judgment of the director, to assure that the contracted-for service will be financially viable, modestly priced and reasonably frequent. The director may amend a specified service area from time to time, unless otherwise limited by contract. The director may decline to issue an airport use permit authorizing the use of airport property to provide commercial carrier service to or from points within any specified service area unless the director determines that the service in question:

(1) Would benefit the traveling public;

(2) Would be consistent with the practical and efficient operation of the airport in question; and

(3) Would not violate any contractual arrangements in process or in effect.

(d) *Commercial carrier service, generally.* The director shall insert conditions into each permit for commercial carrier service to require:

(1) Maintenance of a regular, predetermined schedule (which must be defined in terms of departure times, arrival times, pickup points, and discharge points, or in other terms such as routes or places served and minimum headways or maximum waiting times, all of which must provide enough detail to inform a traveler as to when and where the service will be provided); and

(2) Publication of the schedule and the carrier's fares in a manner acceptable to the director.

(e) *Commercial carrier service, additional conditions.* The director may also insert conditions into any permit for commercial carrier service to require one or more of the following:

(1) Termination of the permit after a temporary period shorter than the normal term of a permit.

(2) Payment of additional fees to the city upon noncompliance with the permit.

(3) Maintenance of vehicles of the capacity, quality, condition, and age required to comply with regulatory approvals and with the applicant's proposal or contract with the city.

(4) Posting of a performance bond or other performance security to assure compliance with the permit.

(5) Specification of points or areas to or from which service may not be provided, including, for example, specified service areas.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 06-947, § 1, 9-13-06)

Sec. 9-55. Application fees.

(a) For vehicle classes 2, 4, 5, and 6, as defined in Table 9-1, a non-refundable application fee must accompany each application for an airport use permit. The amount of the fee is

stated for this provision in the city fee schedule for an original permit or a renewal permit or for transfer of a permit.

(b) For vehicle classes 3, 7, 8, and 12, as defined in Table 9-1, the application fee is included in the annual use fee.

(c) Exceptions to the provisions of this section:

(1) If the applicant began operations or continued operations without a valid permit, the application fee is stated for this provision in the city fee schedule (to cover additional costs imposed upon the city);

(2) If the director prescribes a permit term shorter than one year, the full application fee must be paid, but the director shall grant the applicant a credit toward the next renewal fee, and the credit shall equal the pro rata part of the permit fee not covered by the short permit term;

(3) If the director prescribes a permit term longer than one year, the fee shall be increased pro rata; and

(4) The application fee for a temporary permit (term shorter than 30 days) is stated for this provision in the city fee schedule.

(5) See section 9-57 of this Code for additional provisions, as applicable.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 2010-354, § 3, 5-12-2010; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2014-1013, § 7, 11-12-2014; Ord. No. 2016-728, § 3, 9-28-2016)

Sec. 9-56. Annual and recurring airport use fees and reporting.

(a) The annual and recurring airport use fees for the classes of vehicles described in Table 9-1, which are in addition to any other fees provided for in this division, are stated for this provision in the city fee schedule. Annual use permit fees are due in full at the time of issuance airport use permit.

(b) Off-airport rental car users and off-airport parking users, as described in Table 9-1, shall file with the director a financial report evidencing such off-airport rental car users' and off-airport parking users' gross receipts, as defined in Table 9-1, on a monthly basis on or before the 15th day of the month following the close of each calendar month. All such off-airport rental car users and off-airport parking users shall utilize any forms promulgated by the director for the submission of the required financial reports and shall submit the financial reports in accordance with any instructions, rules, or regulations promulgated by the director.

(c) Transportation network companies not having a TNC operating agreement with the city for service at IAH or HOU, as described in Table 9-1, shall file with the director a trip report evidencing such company's total number of trips on a monthly basis on or before the 15th day of the month following the close of each calendar month. All such companies shall utilize any forms promulgated by the director for the submission of the required trip reports and shall submit the trip reports in accordance with any instructions, rules, or regulations promulgated by the director.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 2010-354, § 4, 5-12-2010; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2020-371, § 11, 5-6-2020)

Sec. 9-57. Airport use fees; additional provisions.

(a) *Billing accounts.* The director is authorized to establish monthly billing accounts for permittees who regularly use an airport.

(b) *Payment procedures.* Payment of the airport use fees required by this division shall be made in accordance with procedures promulgated by the director and at the times specified by the director. The director is authorized to employ automated vehicle identification systems and other measures deemed appropriate by the director for this purpose, parts of which systems, if used, shall be affixed to vehicles as prescribed by the director. Payment shall be made by charging the fee to an account established by the director pursuant to this section or by United States currency. With respect to taxicabs and non-

Houston taxis at city airports, the director shall also have the authority prescribed by chapter 46 of this Code.

(c) *Appeals.* The fee for an appeal to the hearing officer is stated for this provision in the city fee schedule, but the hearing officer may order the refund of part of the appeal fee, to the extent, if any, that the hearing officer determines that the cost incurred by the city is less than the fee for that appeal.

(d) *Temporary substitutes.* The fee for a temporary substitute vehicle is stated for this provision in the city fee schedule.

(e) *Replacement permits.* The fee for a replacement permit is stated for this provision in the city fee schedule.

(f) *Periodic revisions.* Periodically, the director shall calculate and submit to the city council for approval a new schedule of airport use fees that reflect changes in costs of providing, operating, and maintaining airport facilities.

(g) *Certain waivers.* For vehicles authorized to be operated under other types of agreements for use of airport property (e.g., airline agreements, hotel agreements, leases of real property) in exchange for rentals, fees or other charges paid to the city, the director may waive the fees required by this division (but not the requirement to obtain an airport use permit), if waiver is necessary to avoid a double payment to the city. The director may also waive the requirements for airport use permits and fees for local transit vehicles, if suitable vehicle identification provisions are made, and if, as a practical matter, they provide an essential public service requiring a direct tax subsidy. The director may also waive the requirements for airport use permits and fees for vehicles transporting passengers for purely charitable purposes or events if adequate evidence is provided to the director that such purpose or event is not for the commercial enrichment of an individual or entity.

(h) *Owner responsibility.* The owner of a commercial business entity providing transportation services under this division is responsible for the payment of all fees under this Code and may not delegate or assign such responsibility or otherwise avoid it by altering the name of the commercial business entity.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 07-739, § 1, 6-27-07; Ord. No. 2010-354, § 5, 5-12-2010; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2014-1013, §§ 8—10, 11-12-2014; Ord. No. 2016-728, § 4, 9-28-2016; Ord. No. 2020-371, § 12, 5-6-2020)

Sec. 9-58. Scheduled ground transportation permits issued by the department of administration and regulatory affairs.

(a) *In general.* SGT permits issued by the director of administration and regulatory affairs pursuant to this section shall be sufficient authorization for SGT vehicles to operate on the streets, roads, and highways of the city while en route to or from an airport. An SGT permit is not required for vehicles operated in compliance with another chapter of this Code, or state or federal laws, governing vehicles for hire and use of streets, roads, and highways. An SGT permit, or another regulatory approval, is required in addition to an airport use permit in the circumstances described in section 9-52 of this Code.

(b) *Term, etc.* SGT permits shall have a term of one year from the date of issuance and may be renewed for yearly terms upon reapplication therefor.

(c) *Fees.* Permit fees per year for SGT permits are stated for this provision in the city fee schedule.

(d) *Applications.* Applications for SGT permits shall be submitted on forms furnished by the director of administration and regulatory affairs and shall provide the following information:

(1) Name and form of business under which the service will be operated.

(2) The mailing address and telephone number of the applicant.

(3) A list showing the model, type, and make of each vehicle applicant desires to place into operation.

(4) A description of the service proposed to be provided. If the service is contract service authorized by section 9-54 of this Code, a copy of the contract is a sufficient description.

(5) Written proof that the applicant has an airport use permit for each vehicle in question or has applied for such a permit.

(6) Whether the applicant has ever been convicted of a felony or misdemeanor

(7) Any other information that may be reasonably requested by the director.

(e) *Criminal history.* Each person listed on the application must comply with the criminal history requirements of chapter 46 of this Code.

(f) *Issuance.* Upon verification of the material submitted by the applicant pursuant to subsection (d) of this section and payment of the required permit fee, the director of administration and regulatory affairs shall issue an SGT permit to the applicant covering each vehicle specified in the application provided that any person required to be listed in the application has not been convicted, served time in jail or prison or is not subject to deferred adjudication for any applicable offense specified in section 1-10 of this Code.

(g) *Other standards.* SGT permittees are required to observe the requirements of article VI of chapter 46 of this Code (relating to jitneys) concerning the conditions and safety of their equipment and operations. Provided, however, where the operator's contract with the city or an airport use permit provides for more stringent provisions, the more stringent provisions shall be applicable.

(h) *Substitute vehicles.* Permittees may substitute a vehicle for a vehicle covered by an SGT permit, provided the director of administration and regulatory affairs is notified in advance on forms approved by the director.

(i) *Revocation or suspension; appeals.* The director of administration and regulatory affairs may revoke or suspend any SGT permit, in whole or in part, for failure to comply with this section, provided that:

(1) The permittee is given notice and an opportunity to be heard prior to the action; and

(2) No such action is effective until the permittee is notified in writing, which notice must include a statement of the reason for the action.

Within 15 days following receipt of such a notice, and if the permittee is wholly or partially suspended for 16 days or more or revoked, the permittee may appeal the action to the city council by delivering a written notice of appeal to the city secretary. Upon timely receipt of such appeal, a date will be set by the city council for a hearing thereon, subject to the councils general rules. The city council may affirm, modify, or reverse the action of the director of administration and regulatory affairs.

(j) *Status of vehicles.* Any vehicle for which an SGT permit is in effect shall not be deemed a "taxicab" as defined in section 46-16 of this Code at any time when the vehicle is operated pursuant to this section.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 08-52, § 38, 1-16-08, eff. 1-26-08; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No 2011-489, § 5, 6-22-2011; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2016-728, § 5, 9-28-2016)

Sec. 9-59. Transportation network company airport operations.

(a) TNCs (class 11, as defined in Table 9-1) and their drivers and vehicles must be in compliance with chapter 2402 of the Texas Occupations Code, and TNCs must have a valid airport use permit to operate at a city airport.

(b) TNC drivers waiting for a fare through a TNC's mobile application technology shall wait in a designated TNC commercial vehicle waiting area on airport property or outside the geofence.

(c) TNC drivers may pick up or drop off pre-arranged passengers only at designated TNC pick-up and drop off areas at airport terminal commercial curbs or other airport areas designated by the director.

(Ord. No. 2014-1013, § 11, 11-12-2014; Ord. No. 2016-728, § 6, 9-28-2016; Ord. No. 2020-371, § 13, 5-6-2020)

Sec. 9-60. Geofence required.

TNCs shall create and maintain a geofence that complies with HAS Operating Instruction to track and report the monthly activity of TNC vehicles at any city airport. A TNC's mobile application technology must not show available vehicles within the geofence boundary surrounding an airport, except in designated TNC commercial vehicle waiting areas. A TNC's mobile application technology must capture vehicle movements into and out of the boundaries, to allow for tracking of trips from the airport. Each TNC shall (i) demonstrate to the director that the airport's designated geofenced area has been incorporated into its mobile application technology and (ii) ensure TNC drivers comply with all state and airport requirements.
(Ord. No. 2014-1013, § 11, 11-12-2014; Ord. No. 2020-371, § 14, 5-6-2020)

Sec. 9-61. Assessment and payment of TNC trip fees.

(a) Trip fees for TNCs shall be assessed when entering an airport's designated geofenced area for the purpose of picking up a passenger.

(b) Fees shall be payable to the Houston Airport System based upon monthly accumulated trip fees and are due the 15th day of every month. TNCs shall pay the Houston Airport System electronically either by wire transfer or by Automated Clearing House to the city bank account designated by the director.
(Ord. No. 2014-1013, § 11, 11-12-2014; Ord. No. 2016-728, § 7, 9-28-2016; Ord. No. 2020-371, § 15, 5-6-2020)

Table 9-1.
Annual and Recurring Airport Use Fees for Commercial Passenger Vehicles

Class		*Description / Criteria*	*Fees*
1	Taxicabs	HOU: Departures from the airline terminal building at HOU with one or more passengers.	$1.25 per departure
		IAH: Departures from anywhere at IAH with one or more passengers	$2.75 per departure
2	Commercial Carrier Service (Contract)	Vehicles providing commercial carrier service under contract with the City.	Fees are as prescribed in the contract.
3	Commercial Carrier Service (Special Permit Conditions)	Vehicles providing commercial carrier service not under contract with the City, but with special permit conditions under subsection 9-54.	The annual use fee, based on number of seats (including driver) is: 1 through 6 seats: $325.00 7 through 11 seats: $400.00 12 through 24 seats: $475.00 25 seats or more: $550.00
4	On-Airport Rental Car Users at IAH	Vehicles used in connection with the business of on-airport rental car users.	Customer facility charge is as specified in the contracts.

Class		*Description / Criteria*	*Fees*
	On-Airport Rental Car Users at HOU	Vehicles used in connection with the business of on-airport rental car users.	Customer facility charge is as established by the director and shall not exceed a maximum of $8.00 per HOU transaction day.
5	Off-Airport Rental Car Users at IAH	Vehicles used in connection with the business of off-airport rental car users.	Off-airport percentage of adjusted gross receipts. See Note 1.
	Off-Airport Rental Car Users at HOU	Vehicles used in connection with the business of off-airport rental car users.	Customer facility charge is as established by the director and shall not exceed a maximum of $8.00 per HOU transaction day.
6	Off-Airport Parking Users	Vehicles used in connection with the business of off-airport parking users.	8% of gross receipts. See Note 2.
7	Courtesy Limousines	Courtesy vehicles providing limousine service	The annual use fee, based on number of seats (including driver) is: 1 through 6 seats: $325.00 7 through 11 seats: $400.00 12 through 24 seats: $475.00 25 seats or more: $550.00 Additional fee for each hour over first for parking in Limousine Lots is $1.50 per each 15 minute increment. Waive first chargeable hour for vehicles waiting for international flights.
8	Other Courtesy Vehicles	All other courtesy vehicles not covered elsewhere in this table	The annual use fee, based on number of seats (including driver) is: 1 through 6 seats: $325.00 7 through 11 seats: $400.00 12 through 24 seats: $475.00 25 seats or more: $550.00
9	All Others	All other commercial passenger vehicles not covered elsewhere in this table	The annual use fee, based on number of seats (including driver) is: 1 through 6 seats: $325.00 7 through 11 seats: $400.00 12 through 24 seats: $475.00 25 seats or more: $550.00

Class		*Description / Criteria*	*Fees*
10	Occasional Use	All commercial vehicles using the airport occasionally (no more than twice in any week)	Fee per trip, based on number of seats (including driver) is: 1 through 6 seats: $2.00 7 through 11 seats: $3.00 12 through 24 seats: $5.00 25 seats or more: $7.50
11	Transportation Network Companies (TNCs) (without a TNC operating agreement with the city at IAH and HOU)	Vehicles used for providing transportation services pursuant to Chapter 2402 of the Texas Occupations Code and chapter 9 of this Code.	$1.25 per departure from HOU $2.75 per departure from IAH
	Transportation Network Companies (TNCs) (with a TNC operating agreement with the city at IAH and HOU)	Vehicles used for providing transportation services pursuant to Chapter 2402 of the Texas Occupations Code and chapter 9 of this Code.	Fees pursuant to TNC operating agreements
12	Wheelchair Accessible Service Providers (WAVS)	Vehicles providing transportation services pursuant to chapter 46, article X of this Code.	The annual use fee, based on number of seats (including driver) is: 1 through 6 seats: $325.00 7 through 11 seats: $400.00 12 through 24 seats: $475.00 25 seats or more: $550.00

Note 1 *Rental car users (percentage, gross receipts).* For off-airport rental car users: (i) the off-airport percentage is two percentage points lower than the prevailing percentage rate of gross receipts for on-airport rental car users at the airport in question, as determined by the director, and (ii) "adjusted gross receipts" means the sum of money, for any given time period, computed according to the following formula: (G - N) - E. In this formula:

"G" is gross receipts, which for this purpose shall mean all revenue paid or payable and all compensation received in connection with the user's business operations at the facility served by the commercial passenger vehicles in question, including without limitation, the following: all sums received as time and/or mileage charges after discount, for the rental of automobiles by the user; all sums received from the user's customers by the reason of their acceptance of personal accident insurance; all sums received for any other insurance or airport fees, including any renewal policy issued to any customer; all sums received in connection with automobile rentals for mobile phones, car seats, and other amenities; all sums received for valet services, or other services rendered in connection with user's business; the fair market value of any goods, services or other things of value received as compensation for, or in exchange for, the supply of automobiles or any of the other goods and services referred to above; but "gross receipts" shall not include the following: the amount of any federal, state, or municipal sales or other similar taxes (which do not include non-tax fees such as airport use fees), whether or not separately stated and/or collected directly from customers of the user, now or hereinafter levied or imposed; any sums received as insurance payments or otherwise for damage to automobiles or other property of the user or for loss, conversion, or abandonment of such automobiles; amounts paid by customers of the user separately billed as additional charges for waiver by the user of its right to recover from customers for damage to the vehicle rented; any charges collected from customers as reimbursement for refueling an automobile rented pursuant

to a rental agreement under which the customer is obligated to return the automobile with the same amount of gasoline furnished at rental; or any sums received by reason of the user's disposal of capital assets and/or trade fixtures.

"N" is the amount, if any, of the user's non-airport-related gross receipts (included in "G") for the time period in question, as determined by the director. The user may seek to have such an amount determined for any given time period by applying in writing to the director on or before the due date of the fee for that time period and providing clear and convincing documented proof as to the amount of the user's non-airport-related gross receipts during such time period. If such proof is made to the satisfaction of the director, the director shall issue an order determining the amount of "N" for such time period and adjusting the airport use fee accordingly. If the director does not issue such an order within 30 days following the day that the user makes an application, the user may appeal the failure to issue the order to the hearing officer in the same manner as an appeal for the denial of a permit.

"E" is $15,000.00 per month, prorated on a daily basis for time periods shorter than a month.

Note 2 *Parking users (gross receipts).* For off-airport parking users, 'gross receipts' means all revenue paid or payable and all compensation received from the user's business operations at each facility served by the commercial passenger vehicles in question, including without limitation, the following: all sums received as parking charges after discount; all sums received as airport fees; all sums received in connection with providing any amenities or services in connection with parking; all sums received for valet services or other services rendered in connection with user's business; the fair market value of any goods, services or other things of value received as compensation for, or in exchange for, motor vehicle parking or any of the other goods and services referred to above; but "gross receipts" shall not include the following: the amount of any federal, state, or municipal sales, or other similar taxes (which do not include non-tax fees such as airport use fees), whether or not separately stated and/or collected directly from customers of the user, now or hereinafter levied or imposed; any sums received as insurance payments or otherwise for damage to automobiles or other property of the user or for loss, conversion, or abandonment of such automobiles or property; or any sums received by reason of the user's disposal of capital assets and/or trade fixtures. With the approval of the director, a user that also provides parking for non-airport-related activities may deduct the resulting non-airport-related gross receipts. Any such deduction is determined and governed by the provision, above, for the non-airport-related deduction from the gross receipts of off-airport car rental users (see "N" in the formula for adjusted gross receipts of off-airport car rental users).

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 08-52, § 38, 1-16-08, eff. 1-26-08; Ord. No. 09-683, § 2, 7-22-09, eff. 1-1-2010; Ord. No. 2010-354, § 6, 5-12-2010; Ord. No. 09-683, § 2, 7-22-09, eff. 7-1-2010; Ord. No. 2014-1013, § 12, 11-12-2014; Ord. No. 2016-728, §§ 9—12, 9-28-2016; Ord. No. 2020-371, § 16, 5-6-2020)

Sec. 9-62. Wheelchair accessible service provider airport operations.

Wheelchair accessible service providers (class 12, as defined in Table 9-1) and their drivers and vehicles must comply with chapter 46 of this Code.

(Ord. No. 2016-728, § 8, 9-28-2016)

Secs. 9-63—9-70. Reserved.

DIVISION 4. SOLICITATION

Sec. 9-71. Definitions.

When used in this in this division, the following words, terms, and phrases shall have the

meanings ascribed to them in this section, unless the context clearly indicates a different meaning:

Baggage claim area means any of the spaces designated for the disposition of baggage in each terminal facility.

Commercial activity shall mean any activity undertaken for profit or direct monetary benefit, including the sale, advertisement, or display of goods or services.

Distribute literature means to distribute any printed or written matter consisting of books, pamphlets, handbills, tracts, cards, circulars, pictures, films, magazines, or any other written matter for a philanthropic, religious, charitable, benevolent, humane, public interest, political, or similar eleemosynary purpose, nonprofit activity or non-commercial activity or purpose.

Permittee means a person who engages in solicitation or distributes literature pursuant to a permit duly issued under this division.

Person means only a natural person.

Solicitation means the act of requesting or accepting money or other thing of value by a person for a philanthropic, religious, charitable, benevolent, humane, public interest, political, or similar eleemosynary purpose, nonprofit or non-commercial activity or purpose. This term shall not include activities intended to directly benefit the individual making the request, which shall be considered commercial activity as defined hereunder and regulated by section 9-161 et seq. of this Code and any other ordinances, laws, or rules regulating commercial activity at the airports.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-72. Regulated activities.

(a) Any person who desires to engage in solicitation or distribute literature at any city airport shall first file an application with the director on a form prescribed by the director during regular business hours at the office of the director or at such other place prescribed by the director.

(b) Upon receipt of an application containing the information required by the director and upon the payment of such fees as the director may uniformly prescribe to defray administrative expenses, if there is space available in the airport facility in which the applicant wishes to engage in solicitation or distribute literature, the director shall issue a permit to the applicant.

(c) Upon issuance of a permit by the director, the permittee shall be entitled to engage in solicitation or distribute literature for a period of not more than seven consecutive days. A new application must be completed and submitted to the director prior to each seven-day period or portion thereof during which a person desires to engage in the activities regulated hereunder.

(d) Upon issuance of a permit, the permittee shall be entitled to engage in solicitation or distribute literature from within, and not from without, certain solicitation booths or areas to be designated by the director

(e) It is the intent of the city council that the director exercise no judgment regarding the purpose or content of the proposed activity and exercise no discretion over the allocation of available booth space or designated areas, except as provided in this section. The allocation of available booth space or designated areas hereunder by the director shall be a routine clerical and mandatory function. The director shall utilize a first-come-first-served basis for allocating the booths or designated areas. In the event that two or more applicants seek to conduct the activities regulated herein in the same booth or designated area at the same time, the director shall apportion the available booth space or designated area between or among permittees on an as equitable basis as possible.

(f) The permittee shall conspicuously display his permit in the booths or designated areas at all times while engaging in solicitation or distributing literature.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-73. Prohibited activities.

It shall be unlawful for any person who is engaging in solicitation or distributing literature described under this division to:

(1) Intentionally or knowingly cause physical, expressive, or verbal contact with another person when permittee knows or should reasonably believe that the other person will regard the contact as offensive;

(2) In any way obstruct, delay, or interfere with the free movement of any other person or seek to annoy, coerce, or disturb any other person;

(3) Engage in solicitation or distribute literature outside a solicitation booth or designated area provided for under this division;

(4) Engage in solicitation or distribute literature without first filing an application and obtaining a permit as required under this division;

(5) Misrepresent whether any printed matter is available without cost or donation;

(6) Make any loud or raucous noise, verbalization, communication, or disturbance that interferes with: the public, the ability of others to hear public announcements, the transaction of business by any airline or other airport tenant, concessionaire, licensee, or permittee;

(7) Drape or attach any materials to any booth or in any designated area;

(8) Alter a permit issued by the director;

(9) Engage in solicitation or distribute literature while displaying a permit issued in the name of another person;

(10) Engage in solicitation or distribute literature in a booth or designated area after the expiration of any permit issued under this division;

(11) Engage in solicitation or distribute literature for a purpose other than that set out in the application upon which the permit was issued; or

(12) Misrepresent permittee's identity, purposes, or affiliations to any person at the airports; or

(13) Represent in connection with the solicitation or distribution of literature that the issuance of a permit by the director constitutes an endorsement or approval of the purposes of such activities by the city or any officer or employee thereof.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Secs. 9-74—9-90. Reserved.

ARTICLE III. AIRSIDE AREA REGULATIONS*

DIVISION 1. GENERAL

Sec. 9-91. Identification badge required.

(a) It is unlawful for any person to be in any security identification display area of any city airport unless the person properly and continuously displays, while in the area, a valid, unexpired identification badge issued or approved by the aviation official. An identification badge will be deemed properly displayed only if is worn photograph side up, on the front of the outermost garment between the waist and neck.

(b) It is unlawful for any person to enter into or upon any other airside area of any city airport unless the person continuously has a valid unexpired identification badge issued or approved by the aviation official in his possession while in the area.

(c) It is unlawful for any person to counterfeit or imitate or attempt to counterfeit or imitate an identification badge issued or approved by the aviation official; nor shall any person use or exhibit, or attempt to use or exhibit, any identification badge unless he is the actual authorized holder thereof.

*__Editor's note—__Ord. No. 02-1984, § 1(Exh. A), adopted December 18, 2002, amended Art. III in its entirety. Formerly, said article pertained to commercial use of airports and derived from Code 1968, §§ 9-119—9-151 and subsequent amendments.

(d) In addition to any administrative remedies available to the director, any person violating any of the provisions of this section shall, upon conviction, be fined not less than $50.00 nor more than $500.00. It is a defense to prosecution under this section that the actor is:

(1) An enplaning or deplaning passenger; or

(2) Escorted by a person who is duly badged according to department and TSA regulations.

(3) A uniformed member of a flight crew with a valid company identification badge who is on the ramp consistent with federal regulations.

(e) For purposes of the enforcement of this section, an identification badge is valid only when used in an area to which it is intended to give its authorized user access and shall not be valid in any other place.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-92. Bicycles, animals, etc., on air operations area.

No person shall ride a bicycle or allow any animal on any air operations area of any city airport except in compliance with rules and regulations promulgated by the director.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-93. Intoxicated on city airports.

It shall be unlawful to be intoxicated on city airport property. To the extent that the person's conduct also constitutes a violation of state penal laws including, without limitation, Chapter 49 of the Texas Penal Code, then the offense shall be punishable as provided by state law.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-94. Provision of ground handling services.

No person shall provide ground handling services on any city airport without first obtaining a ground handling permit from the city.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-95. Liability insurance required.

Those persons not under written contract with the city involving activities on or relating to a city airport shall maintain the following insurance coverages and minimum amounts in order to access the airside of a city airport. Evidence of such insurance coverages shall be provided to the aviation official to his satisfaction.

(1) Commercial General Liability, including Broad Form Property Damage, Contractual Liability, Bodily Injury, Personal Injury, and Products and Completed Operations:

$1,000,000.00 per occurrence/aggregate.

(2) Automobile liability coverage:

Combined single limit of $1,000,000.00.

(3) Workers compensation in statutory amounts.

(4) Such other insurance as the director may require.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Secs. 9-96—9-110. Reserved.

DIVISION 2. IDENTIFICATION BADGES

Sec. 9-111. Issuance of identification badge.

Consistent with procedures issued by the director, the aviation official shall issue identification badges to persons who require access to airside areas in order conduct activities on behalf of the city, department lessees, or department contractors, and to others who are determined by the director to require access. Without limitation, the procedures may, to the extent consistent with applicable laws and regulations, provide for:

(1) Review and consideration of applicant's background, including criminal history, citizenship status, driving history and related safety and security matters;

(2) Sponsorship of applicants by department contractors or lessees, who may be required to provide insurance coverage

for persons they sponsor and assume responsibility for their actions in using the identification badges;

(3) Different identification badge classes and geographic coverage areas;

(4) Requirements for applicants or their sponsors to pay fees, which shall be stated in the city fee schedule, to cover the costs of issuing and administering the identification badges;

(5) Drug screening and testing of applicants, either through the sponsor or the department;

(6) Periodic training and periodic rescreening of identification badge holders by the department or by the sponsors, or both; and

(7) Responsibility of sponsor to keep the department notified of the employment status of persons they sponsor and secure the return of identification badges to the department upon request of the department or cessation of employment.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 9-112. Department property.

Identification badges issued under this division shall be and remain the property of the department and may only be used in accordance with applicable laws and regulations. Upon lawful request, any person holding a security identification badge shall immediately surrender the badge to the aviation official.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-113. Suspension, revocation.

(a) The director shall establish procedures for the suspension and revocation of identification badges consistent with any applicable laws and regulations. Without limitation, the procedures may provide:

(1) That identification badge holders may have their badges suspended for a period of time or revoked for violation of applicable laws and regulations.

(2) That persons in possession of identification badges who are observed while violating applicable laws and regulations may be required to immediately surrender the identification badges to the aviation official, provided that before making any such demand for immediate surrender the aviation official shall obtain the concurrence of the director or a deputy or assistant director of the department.

(3) A hearing procedure, for suspensions or revocations, which shall include a provisions for a hearing to be afforded on three days' written request to any person who has been required to surrender an identification badge upon demand of an aviation official.

(b) Consistent with procedures established for that purpose, the director may suspend the sponsorship privileges of department lessees and contractors who fail to comply with applicable laws and regulations. Notice and an opportunity for a hearing shall be afforded prior to any suspension or revocation of sponsorship privileges.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Secs. 9-114—9-120. Reserved.

DIVISION 3. MOTORIZED EQUIPMENT

Sec. 9-121. Driver's license required to operate motorized equipment.

No person shall operate a motorized equipment on the airside area of any city airport unless the person has in his possession a valid driver's license. In any prosecution under this section, the exemptions set forth in Section 521.001 et. seq. of the Texas Transportation Code shall be treated as defenses to prosecution in the manner provided by Section 2.03 of the Texas Penal Code. Any conduct under this section that also constitutes an offense under state law shall be punishable as provided by the applicable state law.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-122. Operation of motorized equipment.

(a) No person shall park or operate any motorized equipment in a manner contrary to or in violation of posted traffic signs on the airside of city airports.

(b) No person shall operate any motorized equipment on the airside of any city airport unless such equipment has been properly permitted in accordance with regulations promulgated from time to time by the director, and the person operating such motorized equipment is in compliance with section 9-91 of this Code.

(c) No person shall operate any motorized equipment between a terminal building and an aircraft from which passengers are enplaning or deplaning at the hardstands on the ramp.

(d) No person shall operate any motorized equipment in the aircraft movement area of the air operations area on any city airport unless the person maintains constant two-way radio contact with the tower and operates in compliance with the radio instructions or other signals given by the tower.

(e) No person shall operate any motorized equipment in any hangar on any city airport unless the exhaust on the motorized equipment is equipped with adequate screens or baffles to prevent the escape of sparks and the propagation of flames.

(f) Any person operating motorized equipment on the airside of any city airport shall yield the right-of-way to any aircraft that is being towed or maneuvered.

(g) No person operating motorized equipment on the airside of any city airport shall pass any moving aircraft without first receiving clearance from the tower.

(h) No person shall operate motorized equipment on the airside of any city airport without operating headlights and taillights, both of which shall be of sufficient brilliance to assure safety while operating at night. Such lights shall be kept lighted between sunset and sunrise. All motorized equipment shall have not less than one reflector mounted on each corner of such equipment.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-123. Airside speed limits.

(a) It shall be unlawful for any person to operate motorized equipment on the air operations area and the secured area of any city airport in excess of 15 miles per hour.

(b) It shall be unlawful for any person to operate motorized equipment on the airside service roads of any city airport in excess of 25 miles per hour.

(c) It shall be unlawful for any person to operate motorized equipment in the tug tunnels at IAH or HOU in excess of 10 miles per hour.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-124. Storing, parking, or repairing of motorized equipment.

(a) No person shall store, park, or repair any motorized equipment of any kind on any air operations area or secured area of any city airport, except in areas that are clearly marked by signage as designated by the aviation official for such purposes.

(b) The aviation official may move or cause to be moved to some other location, at the sole expense and risk of the owner, any motorized equipment that is in violation of this section or any other city ordinance or city airport rule or regulation.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Secs. 9-125—9-140. Reserved.

DIVISION 4. AIRCRAFT OPERATIONS

Sec. 9-141. Removal of aircraft from city airports.

(a) The aviation official may move or cause to be moved any disabled aircraft or its wreckage on any city airport that creates a hazard or interferes with or jeopardizes the safe and orderly

operation of the city airport and its lawful use by others. The removal shall be at the owner's sole expense and risk.

(b) In an emergency, when it is necessary to remove immediately any crashed or disabled aircraft or its wreckage from any city airport to restore the city airport to normal operational conditions, the director shall have the authority, on an emergency basis, to expend funds for that purpose from department funds budgeted in the miscellaneous contractual services account, if said funds are available. Any such action shall be consistent with city procedures for the issuance of emergency purchase orders, shall be coordinated with city purchasing officials, and shall, where applicable based upon the cost of the work, be submitted to city council as soon as practicable following the commencement of the work.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-142. Aircraft parking charges for city airports.

(a) The range of aircraft parking charges that the director may impose on an aircraft operator for each 24-hour period, or any part thereof, that an aircraft is parked on the unleased areas on the city airports that are controlled by the city is stated below for this provision and the effective rate can be found in the city fee schedule.

(1) For aircraft with a wingspan up to but not including 79 feet, also known as Group I and Group II aircraft per the FAA, $70.00 to $175.00.

(2) For aircraft with a wingspan from 79 feet up to but not including 118 feet, also known as Group III aircraft per the FAA, from $100.00 to $200.00.

(3) For aircraft with a wingspan from 118 feet up to but not including 171 feet, also known as Group IV aircraft per the FAA, from $150.00 to $250.00.

(4) For aircraft with a wingspan from 171 feet up to but not including 214 feet, also known as Group V aircraft per the FAA, from $200.00 to $350.00.

(5) For aircraft with a wingspan of 214 feet or greater, also known as Group VI aircraft per the FAA, from $300.00 to $500.00.

(b) In the event that the FAA redefines the wingspan dimensions to something other than those shown above, the FAA Group designation and rate range shown above shall apply.

(c) Prior to parking an aircraft on any unleased area on the city airports that is controlled by the city, the operator shall first obtain the approval of the aviation official.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2020-371, § 17, 5-6-2020)

Secs. 9-143—9-160. Reserved.

DIVISION 5. COMMERCIAL USE

Sec. 9-161. Council authorization required.

No person shall use any city airport or any facility of any city airport for commercial activities without having been authorized so to do by the city council.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-162. Landing fees.

(1) The following landing fees are hereby established for those aircraft operators conducting flights into IAH, HOU and EFD who do not have a written contract with the city providing for the use of the city airport:

a. Each such aircraft operator conducting flights into IAH or HOU shall pay a landing fee for each landing of an aircraft at the airport at the same rate established from time to time for that airport in the city contracts applicable to signatory scheduled commercial airlines, plus an administrative fee not to exceed 25 percent as established by the director to recover the city's costs of billing and collection of the fees and other administrative expenses.

b. Each aircraft operator conducting flights into EFD shall pay a landing fee at a rate

to be established by the director between a minimum of $0.50 and a maximum of $1.50 per thousand pounds of FAA maximum certified gross landing weight.

c. If the FAA has not approved a maximum certified gross landing weight for a particular aircraft, the above rates shall be applied to the aircraft manufacturer s maximum gross landing weight.

d. Notwithstanding the foregoing, the minimum landing fee for any aircraft landing at any city airport shall be $25.00 per landing, regardless of weight.

e. The landing fee rate shall be subject to a year-end adjustment as such procedure is described in the written contract providing for the use of the airport between the city and the signatory scheduled commercial airlines. Aircraft operators subject to this section shall pay the difference or be credited the difference between the initial rate and the adjusted rate as applied to landing weight described in this section.

(2) The landing fee imposed under this section for each individual city airport shall not apply to the following:

a. Scheduled commercial airlines operating under a certificate issued by the department of transportation or operating under the authority of a bilateral treaty agreement with the United States of America that have executed a contract, lease or other agreement with the city and that are obligated to pay landing fees established in accordance with the provisions of that contract or lease agreement.

b. Nonscheduled aircraft operating under certificates issued by the FAA pursuant to authority other than Federal Aviation Regulation Parts 121, 125, 129 or 135.

(3) Each aircraft operator conducting flights into or out of IAH, HOU and EFD shall provide a monthly report of all enplaning and deplaning passengers or cargo loaded and off-loaded. The reports shall also include information regarding the number of flights, terminals utilized, and any other information required by the director.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-163. Collection, payment of landing fees.

Each fixed base operator on IAH, HOU or EFD whose facilities are used for the origination or termination of a commercial or revenue flight for which a landing fee is due under section 9-162 of this Code shall collect the landing fee from the aircraft operator engaged in the flight and shall provide to the aircraft operator a receipt upon a form furnished by the director to evidence payment thereof. The fixed base operator shall remit to the director the amounts received on a monthly basis together with a complete report and accounting upon the forms furnished by the director for this purpose. As compensation for this service and the cost to the fixed base operator involved, the fixed base operator may retain from each landing fee collected a sum equal to 25 percent thereof or the sum of $5.00, whichever is less.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-164. Failure to pay fees; fees supplemental.

(a) It shall be unlawful for any aircraft operator who incurs any landing fee obligations under section 9-162 to remove or attempt to remove from IAH, HOU, or EFD any aircraft for which a landing fee has been incurred without first paying the charges.

(b) The airport landing fees shall be in addition to and not in lieu of any other fees or charges established for the use of the particular city airport.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-165. Use of unleased areas at HOU and IAH.

(a) Upon the written permission of the director, the unleased terminal space (including common use areas) and associated apron space at HOU and IAH may be occupied by scheduled or nonscheduled airlines and their service provid-

ers for consideration based upon the categories, rate making methodology, periodic adjustment, and reconciliation procedure described in the use and lease agreement providing for the use of the city airport between the city and the signatory scheduled airlines.

(b) A scheduled or nonscheduled airline shall also pay an administrative fee of up to 25 percent (as established by the director to recover the city's costs of billing and collection of rental fees and other administrative expenses) of the consideration described in this section for the use of the unleased terminal space (including common use areas) and associated apron space at HOU and Terminal A at IAH.

(c) The aircraft parking charges set forth in section 9-142 may be applied to aircraft operators falling under this section as described therein. However, the aircraft parking charges shall only apply after the maximum gate occupancy time allocations have expired as described in the most recent access and assignment policy of the department.

(d) The director is hereby authorized to refund any overcharges made pursuant to this section by means of a credit against future payments made by an airline pursuant to this section.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 2020-371, § 18, 5-6-2020)

Sec. 9-166. Common use areas at Terminal D and the FIS.

(a) Non-signatory airlines who desire to use the common use areas at Terminal D and the FIS at IAH may do so after receiving the written permission of the director, which shall be granted if space is available.

(b) Consideration for the use of such common use areas at Terminal D and the FIS shall be based upon the categories, rate making methodology, periodic adjustments, and reconciliation procedures described in the international facilities agreement for the use of Terminal D and the FIS between the city and signatory airlines.

(c) Non-signatory airlines shall also pay an administrative fee of up to 25 percent (as established by the director to cover the city's costs of billing and collection of user fees and other administrative expenses) of the consideration described in this section for the use of the common use areas at Terminal D and the FIS.

(d) The aircraft parking charges set forth in section 9-142 may be applied to this section as described therein. However, the aircraft parking charges shall only apply after the maximum gate occupancy time allocations have expired as described in the most recent access and assignment policy of the department.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-167. Air cargo operations at IAH.

(a) For each three-hour cargo operation (i.e. cargo off-load and/or on-load) or any part thereof not involving livestock, or for each four-hour period or any part thereof for air cargo operations involving livestock, the permitted range of air cargo aircraft operations charges that the director may impose on an aircraft operator for the use of the cargo apron areas at IAH is stated below for this provision and the effective rate can be found in the city fee schedule.

(1) For aircraft with a wingspan up to but not including 79 feet, also known as Group I and Group II aircraft per the FAA, from $125.00 to $250.00.

(2) For aircraft with a wingspan from 79 feet up to but not including 118 feet, also known as Group III aircraft per the FAA, from $225.00 to $350.00.

(3) For aircraft with a wingspan from 118 feet up to but not including 171 feet, also known as Group IV aircraft per the FAA, from $325.00 to $450.00.

(4) For aircraft with a wingspan from 171 feet or greater, also known as Group V and Group VI aircraft per the FAA, from $450.00 to $650.00.

(b) In the event that the FAA redefines the wingspan dimensions to something other than shown above, the FAA Group designation and rate range shown above shall apply.

(c) Aircraft operators who are permitted to have their aircraft remain on the air cargo apron areas by an aviation official beyond the air cargo operation time period additionally shall be charged the aircraft parking charge set forth in section 9-142.

(d) All air cargo operations at IAH shall be conducted only on air cargo apron designated by the director except as otherwise permitted by an aviation official. In the event air cargo operations are directed by an aviation official to be conducted on other than designated air cargo apron areas on IAH, the parking charges set forth in section 9-142 shall apply in lieu of the charges set forth in this section.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2020-371, § 19, 5-6-2020)

Sec. 9-168. Loading and discharging of passengers.

No scheduled or non-scheduled airline shall load or discharge passengers at city airports except at the aircraft parking positions at the terminals, hard stand locations on the ramps as designated by the aviation official, or on fixed base operator aprons. In the case of an emergency, a scheduled or non-scheduled airline may discharge passengers elsewhere on a city airport as directed by the aviation official.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Secs. 9-169—9-180. Reserved.

DIVISION 6. DELIVERY OR RECEIPT OF AIRCRAFT FUELS

Sec. 9-181. Permission—Required.

It shall be unlawful for any person to deliver aircraft fuel to a city airport, whether by pipeline, tank car, transportation truck, or any other means, for the purpose of storage, sale, distribution, or use thereat, without written permission from the aviation official, provided that the provisions of this division shall not apply to deliveries of aircraft fuel made pursuant to a written agreement with the city.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-182. Same—How obtained.

The written permission required by section 9-181 shall be obtained by written application to the aviation official. Endorsement of approval by the aviation official on a copy of the written application that has been returned to applicant will constitute continuing permission to make aircraft fuel deliveries until canceled by either party, at which time the endorsed copy of the application shall be returned to the director. The aviation official may cancel any such permission upon failure of the permittee to pay the fees prescribed in this division or otherwise to comply with the provisions of this division. The application must contain the names and airport address of each of the supplier's customers.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-183. Charge to be paid by suppliers—Imposed; amount.

There is hereby imposed upon all persons delivering aircraft fuel to any city airport a per gallon fee stated for this provision in the city fee schedule for fuel delivered to the city airport for the purpose of storage, sale, distribution or use. This charge shall not be applicable to deliveries of aircraft fuel made to the following:

(1) Scheduled airlines operating scheduled services to the airport pursuant to state or federal authority that are obligated by contract, lease, or ordinance to pay a landing fee to the city, provided that the aircraft fuel is used in aircraft engaged in operating the scheduled airline service.

(2) Nonscheduled aircraft operating at the airport under certificates issued by the FAA pursuant to Federal Aviation Regulations Parts 121 and 129 that are obligated by contract, lease, or ordinance to pay a landing fee to the city.

(Ord. No. 02-1184, § 1(Exh. A), 12-18-02; Ord. No. 04-1198, § 1, 12-10-03; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 9-184. Same—When and where payable; statement and invoice to accompany payments.

The charge imposed by section 9-183 shall be due and payable monthly at the office of the

director on or before the tenth day of the calendar month following the month in which the deliveries are made. Payments shall be accompanied by a statement, verified as true and correct by the person making the same, that such payment is equal to the charge per gallon imposed by section 9-183 multiplied by the number of gallons of aircraft fuel delivered to the city airport during the preceding month. The statement shall contain a detailed listing of each invoice giving the type of fuel, number of gallons and delivery ticket number for each customer receiving said fuel, or in lieu thereof, a copy of each invoice included in the payment computation may be submitted with the payment. If the supplier is an individual, association of individuals, or partnership, the report and statement must be signed and verified by the individual, by a member of the association, or by one of the partners, as the case may be. If the supplier is a corporation, the report and the statement shall be signed and verified by its duly authorized officer or officers. (Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-185. Reports by receiver of fuels.

It shall be the duty of each person accepting delivery of aircraft fuel at any city airport for the purpose of storage, sale, distribution, or use thereat, to timely furnish to the director a true and correct statement showing the correct number of gallons received. The statement shall contain a detailed listing of each invoice giving the type of fuel, number of gallons and delivery ticket number by date of delivery. This statement shall be made monthly on or before the tenth day of each calendar month showing deliveries for the preceding month. The statement will be made on a form furnished by the director. If the person receiving the delivery of fuel is an individual, association of individuals, or partnership, the statement shall be signed and verified by the individual, by a member of the association, or by one of the partners, as the case may be. If the recipient of

the delivery of aircraft fuel is a corporation, the statement shall be signed and verified by its duly authorized officer or officers.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-186. Records of supplier and receiver.

Both the supplier and each person receiving deliveries of aircraft fuel shall keep accurate records that reflect the exact gallonage of aircraft fuel delivered. The records and books of the supplier and receiver of aircraft fuel shall be made available for inspection upon request by the director at all times during the normal business hours for verification of fuel deliveries reported to the director by the supplier.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-187. Fuel system at IAH.

(a) No person shall uplift fuel from the fuel system at IAH except in accordance with the most recent fuel system and appurtenances license agreement entered into between the city and the IAH fuel system licensees.

(b) Notwithstanding subsection 9-187(a), a person who is not a licensee under the most recent fuel system and appurtenances license agreement may uplift fuel as long as he meets one of the definitional requirements of a permittee set forth therein.

(c) For its use of the fuel system, a permittee shall pay to the city a fee calculated by multiplying the permittee's gallonage uplifted monthly by the highest annual depreciation and interest expense associated with the capital improvement cost to the IAH fuel system and ground rental rate per gallon paid by all licenses in accordance with the fuel license. The rate used will be the prior month's highest such rate per gallon paid by any licensee.

(d) For its use of the fuel system, a permittee shall also pay to the city a fee calculated by multiplying the permittee's gallonage uplifted monthly by the highest maintenance and operation rate per gallon paid by any licensee to the city during the prior month.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Secs. 9-188—9-200. Reserved.

ARTICLE IV. EXPLORING FOR OR PRODUCING, REFINING, ETC., PETROLEUM PRODUCTS AT HOUSTON INTERCONTINENTAL AIRPORT (IAH)*

DIVISION 1. GENERALLY

Sec. 9-201. Compliance with and application of article.

No person shall explore for, drill for, mine, produce, store, refine or process oil, gas and other petroleum products from or on the following described lands, except as provided in this article:

Being a tract of land in Harris County, Texas, and being more particularly described by metes and bounds as follows:

BEGINNING at the intersection of the easterly right-of-way line of Aldine-Westfield Road with the southerly right-of-way line of Greens Road;

THENCE easterly along the southerly right-of-way line of the said Greens Road to a point 100 feet east of the easterly line of the Malcolm McAuley Survey, A-577;

THENCE northerly along a line parallel with and 100 feet easterly from the easterly line of the Malcolm McAuley Survey, A-577, crossing Greens Road, to the northerly right-of-way line of the said Greens Road;

THENCE easterly along the northerly right-of-way line of Greens Road to the easterly line of the W.C.R.R. Survey, A-893;

THENCE N 0° 09′ E along the easterly line of the W.C.R.R. Survey, A-893 and the most easterly line of the Jas. R. Johnston Survey, A-1084, a distance of 4,237.66 feet to a point;

THENCE S 89° 54′ E a distance of 758.81 feet to a point;

***Editor's note—**Ord. No. 02-1184, § 1(Exh. A, adopted December 18, 2002, amended Art. IV in its entirety. Formerly, said article pertained to similar subject matter and derived from Code 1968, §§ 9-192—9-207.

Cross reference—Oil and gas wells generally, Ch. 31.

THENCE North, a distance of 50 feet to a point;

THENCE East, a distance of 1,337.12 feet to a point, said point being in the westerly right-of-way line of Lee Road;

THENCE northwesterly and northerly along the westerly right-of-way line of Lee Road, a distance of 2,685.2 feet to a point;

THENCE East, crossing Lee Road, along the northerly line of Still Meadows Addition, a distance of 2,500 feet to a point, said point being in the Austin R. Bodman Survey, A-140;

THENCE North, a distance of 1,200 feet to a point;

THENCE East, a distance of 2,700 feet to a point, said point being in the C. E. Barrett Subdivision located in the C. C. Shelby Survey, A-693;

THENCE North, a distance of 700 feet to a point;

THENCE East, a distance of 500 feet to a point;

THENCE North, a distance of 400 feet to a point;

THENCE West, a distance of 500 feet to a point;

THENCE North, a distance of 700 feet to a point;

THENCE West, a distance of 2,700 feet to a point, said point being in the Austin R. Bodman Survey, A-140;

THENCE North, a distance of 900 feet to a point;

THENCE West, a distance of 2,500 feet to the westerly right-of-way line of Lee Road;

THENCE northerly along the westerly right-of-way line of Lee Road a distance of 4,000 feet to a point;

THENCE East, crossing Lee Road, a distance of 600 feet to a point, said point being the A. R. Bodman Survey, A-140;

THENCE North, a distance of 400 feet to a point;

THENCE West, a distance of 600 feet to the westerly right-of-way line of Lee Road;

THENCE Northerly along the Westerly right-of-way line of Lee Road a distance of 644.44 feet to a point;

THENCE S 89° 47′ 45″ W, a distance of 1,066.42 feet to a point;

THENCE N 0° 52′ 15″ W, a distance of 111.78 feet to a point;

THENCE S 89° 12′ 40″ W, a distance of 1,496.56 feet to a point, said point being in the Chas. Huffman Survey, A-319;

THENCE N 0° 48′ 45″ W, a distance of 1,067.42 feet to a point;

THENCE West, a distance of 12,322.38 feet, to a point, said point being in the W.C.R.R. Survey, A-927;

THENCE S 0° 17′ 52″ E, a distance of 725.0 feet to a point;

THENCE S 45° 00′ W, a distance of 565.7 feet to a point;

THENCE West, a distance of 4,032.50 feet to the easterly right-of-way line of Aldine-Westfield Road;

THENCE southeasterly along the easterly right-of-way line of Aldine-Westfield Road, a distance of 155.6 feet to a point;

THENCE East, a distance of 1,200 feet to a point, said point being in the J. E. Quinn Survey, A-1423;

THENCE S 0° 11′ 35″ W, a distance of 2,275.32 feet to a point;

THENCE S 28° 00′ E, a distance of 4,221.43 feet to a point, said point also being in the westerly line of the N. W. Travis Survey, A-769;

THENCE S 1° 15′ W, along the westerly line of the N. W. Travis Survey, A-769, a distance of 4,792.53 feet to a point; the S. W. corner of said N. W. Travis Survey;

THENCE N 89° 40′ W along the northerly line of the Malcolm McAuley Survey, A-577, to the easterly right-of-way line of Aldine-Westfield Road, a distance of 1,544.80 feet;

THENCE southeasterly along a curve to the left on the easterly right-of-way of Aldine-Westfield Road, said curve having a central angle of 11° 54′ and a radius of 1,392.41′, a distance of 289.31 feet to a point;

THENCE southeasterly along the easterly right-of-way line of Aldine-Westfield Road, a distance of 206.10 feet to a point;

THENCE S 89° 46′ E, a distance of 1,333 feet to a point, said point also being the northeasterly corner of Lot 126 Waverly Farms Subdivision; THENCE S 0° 04′ 40″ E, along the easterly lines of Lots 126, 127, 128, 129 and 130 Waverly Farms Subdivision, a distance of 937.30 feet to a point;

THENCE S 89° 35′ E, a distance of 2,642.6 feet to a point, said point also being in the westerly line of the T. S. Roberts Survey, A-660;

THENCE S 0° 07′ E, along the westerly line of the T. S. Roberts Survey, A-660, a distance of 3,896.23 feet to the northerly right-of-way line of Greens Road;

THENCE westerly along the northerly right-of-way line of Greens Road to the easterly right-of-way line of Aldine-Westfield Road;

THENCE southeasterly and southerly along the easterly right-of-way of Aldine-Westfield Road to its intersection with the southerly right-of-way line of Greens Road and the place of beginning.

The lands included within the above described area have been and are being acquired by the city for the purpose of constructing and developing thereon the IAH. Each and all activities prohibited thereby are declared to be unlawful and hazardous to aviation and airport operations and activities over, on, above and across the above described area, and are dangerous to the health, safety and welfare of the public.

The provisions of this article shall not apply to constructions within such area by the city.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-202. Drilling operations, processing plants, etc., near runways or structures; plat of runways and structures.

No drilling operations, structures, refineries, processing plants, machinery or storage tanks or facilities shall be located or carried on within 2,000 feet of any runway or other structure located or placed on the property described in this article, nor within 2,000 feet of the proposed location of any such runway or other structure on such property as shown on the plat attached to the original copy of Ordinance No. 62-1371, as Exhibit "A" reference to which is here made for the purpose of showing such existing and proposed runways and structures or any authorized amendment to said plat. Such plat may be amended from time to time showing additional existing or proposed runways and structures or changes in locations thereof by authorization of the city council upon request of the director. Any amended plat as authorized by the city council shall be filed in its minutes and attached to Ordinance No. 62-1371 as amended, Exhibit A.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-203. Height limit for structures.

No structure for which a permit is issued under the provisions of this article shall be of a height above the existing ground level in excess of 30 feet.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-204. Authorization of city lessees to construct structures or store petroleum products contrary to article.

Nothing in this article shall prevent the city from authorizing lessees from the city of property included within the area governed by this article to construct structures or store petroleum products contrary to the provisions of this article, so long as any such authorized structure or storage facility does not and will not interfere with or create a hazard to the health, safety and welfare of the public or to aviation operations and activities on, over, above and across such property.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-205. Application of oil and gas ordinance.

All the provisions of chapter 31 of this Code and all amendments thereto, to the extent that such provisions are not in conflict with this arti-

cle, shall apply to and govern all operations and activities authorized by a permit issued under this article.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Secs. 9-206—9-220. Reserved.

DIVISION 2. PERMIT

Sec. 9-221. Required.

No person shall explore for, drill for, mine, produce, store, refine or process oil, gas and other petroleum products from the lands described in section 9-261 of this Code or any part thereof without obtaining a permit so to do in accord with this division.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-222. Application generally.

Any person desiring a permit required by this division shall make written application therefor to the director upon forms furnished by the director and provide all information and other matters requested therein.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-223. Applications to be approved by director and Federal Aviation Administration.

All applications for permits under this division shall be approved by the director before issuance. The director shall consult with and receive the approval of the FAA on all such applications before issuing the permit. If the FAA refuses to approve such application or requires certain conditions to be complied with before it will approve such application, such application shall be denied until such requirements and conditions have been complied with and such application has been approved by the FAA. Upon FAA approval of the application, the director shall issue the permit unless he finds that the proposed activity will not be conducted in compliance with chapter 31 of this Code, or that such activity would interfere with or pose a potential hazard to, the health, safety and welfare of the public or to aircraft activities on, over, above or across the property described in section 9-261 of this Code.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-224. Fees.

The fees for obtaining permits under the provisions of this division shall be the same as those set forth for obtaining a permit under the provisions of chapter 31 of this Code, and all amendments thereto.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Sec. 9-225. Issuance; hazard zoning.

(a) Permits required by this division shall be issued by the director upon compliance by the applicant with all provisions of this article. No permit shall be issued by the director to carry on any operations or construct or locate any structures contrary to the provisions of section 9-262 of this Code.

(b) The provisions of this article shall not be construed to modify, repeal or supersede any applicable provision of *Ordinance 63-2026 adopted December 20, 1963, as amended, relating to zoning for the airport hazard area at IAH. To the extent that any proposed kind use or improvement is governed by both this article, and such ordinance, then permits shall be required under both.
(Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

*Ord. No. 02-1184 cited Ordinance No. 63-206, wherein it should have cited as listed above.

Sec. 9-226. Appeals.

If the director refuses to approve an application for a permit under this division and refuses to issue such permit, even though the same has been approved by the FAA, the director shall submit in writing the grounds of such refusal to the applicant and a copy thereof shall be furnished to the city council. If the applicant so desires, he may, within ten days after receipt of such written refusal, and not thereafter, file in writing his appeal to the city council. Such appeal must be addressed to the mayor and city council and be received in the office of the city secretary within such ten-day period. Upon timely receipt of such

appeal, a date will be set by the city council for a hearing thereon, such date to be not later than 30 days after receipt of such appeal by the city secretary. After hearing all parties to the appeal, the city council may affirm, modify or reverse the action of the director in refusing such permit, but any action taken by city council must be in accordance with the provisions of this article. (Ord. No. 02-1184, § 1(Exh. A), 12-18-02)

Secs. 9-227—9-314. Reserved.

ARTICLE V. HELIPORTS AND HELISTOPS*

Sec. 9-315. Definitions.

When used in this article, the following words, terms, and phrases shall have the meanings ascribed to them in this section, unless the context clearly indicates a different meaning. The other definitions found in Chapter 9 of this Code shall supplement the meanings of the words in this article.

Church means a building or structure that is exempt from ad valorem taxes where a society of persons who profess a religious belief regularly assembles for religious worship or religious instruction or for propagating a particular form of religious belief.

Director means the Director of Houston Public Works or the director's designee.

Emergency operation means any operation on the roof or other portion of a building or a ground level area during emergency conditions.

Helicopter means an aircraft whose support in the air is derived chiefly from the aerodynamic forces acting on one or more rotors turning about a substantially vertical axis.

Heliport means an area of land, water, or a structural surface containing fuel facilities that is designed, used, or intended to be used for the landing and takeoff of helicopters, and any appurtenant areas including buildings or other facilities such as parking, maintenance, and repair facilities.

Helistop means a minimum facility without the logistical support provided by a heliport at which helicopters land and take off, including the touchdown area and parking and related facilities other than maintenance and repair buildings. A helistop may be at ground level or elevated on a structure.

Hospital building means a structure containing hospital patient bed rooms or bed wards, or both, with an occupancy capacity to house ten or more persons while admitted as inpatients of a general hospital or a special hospital as those terms are defined in section 241.003 of the Texas Health and Safety Code. In any instance in which two or more structures connected by shared or adjoining walls or connected by tunnels or fully enclosed walkways are jointly operated by or under the control of the same person as a hospital or medical complex, then each such building that meets the foregoing definition shall be deemed to be a hospital building; however, any other connected structure, whether utilized for parking, doctors' or administrative offices, laboratory facilities, outpatient facilities, or any other purpose, that does not contain hospital patient bed rooms or bed wards, or both, with an occupancy of ten or more admitted inpatients shall not be deemed to be a hospital building.

Interested party means any person residing or owning property within 2,400 feet of the center of the touchdown pad of a proposed or existing heliport or helistop.

Medical evacuation means any operation where a helicopter has been authorized or directed to land to administer medical aid or perform a medical evacuation.

Operation means a takeoff and landing by a helicopter. A touch and go movement is counted as one operation.

*__Editor's note__—Ord. No. 2015-1103, § 2(Exh. A), adopted November 10, 2015, amended Ch. 9, Art. V in its entirety to read as herein set out. Former Art. V pertained to similar subject matter and derived from Code 1968, §§ 9-15—9-20.7 and subsequent amendatory ordinances. See the Code Comparative Table for a complete derivation.

Owner means any person having a legal or equitable interest in property.

Plot plan means a graphic depiction or drawing of a small planned area, either on the roof of a building or on the ground, that reflects the location of the actual landing area, markings and identification of the landing area, aircraft parking area, peripheral area, other unobstructed areas, fencing, safety barriers, screening, ingress and egress path, any proposed structures or accessory equipment, fire protection equipment, communication signs, patron and employee parking areas, maintenance and fuel area, and any other details, if any, required under the Construction Code, the Fire Code or this article. The scale for the plot plan map shall be not less than one inch equals 50 feet.

Public use heliport means a heliport or helistop that has been designated by the city for use by the general public and is available for public use, whether owned or operated by the city or a private individual firm or corporation, provided that the individual firm or corporation has agreed to the public use of his property in writing.

Residence means any building or structure containing habitable rooms for nontransient occupancy, designed primarily for living, sleeping, cooking, and eating, that is being used as a dwelling place for residential purposes, whether single-family or multifamily. Hotels, motels, boarding houses, nursing homes, hospitals, nursery schools, and child care facilities shall not be considered residences. A structure located on a lot or tract of land used as a heliport or helistop shall not be considered a residence within the terms of this definition.

School means any building or structure where persons regularly assemble for the purpose of instruction or education, together with any playgrounds, dormitories, stadia, and other structures or grounds used in conjunction with the school. The definition of school shall be limited to a public or private elementary, middle, junior high, or high school.

Site plan means a graphic depiction or drawing of an area or space on the ground within a 2,400-foot radius from center of the touchdown pad indicating the approach and departure routes, obstructions along and adjacent to the approach-departure path, and the location of all residences, schools, and churches. The site plan map shall be at a scale no less than one inch equals 300 feet.

Television/radio news building means a structure that houses the central newsgathering facility of a television/radio broadcast station operating under a license granted by the Federal Communications Commission.

(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015; Ord. No. 2018-11, § 49, 1-10-2018)

Sec. 9-316. Landings and takeoffs prohibited.

(a) It shall be unlawful for any person to take off or land any helicopter or aircraft within the city at any point, except at the following locations:

(1) An airport; or

(2) A heliport or helistop that holds a valid license or special permit under this article.

(b) It shall be an affirmative defense to any prosecution under this section that the landing or takeoff prohibited by this section shall have occurred at a facility exempt under section 9-318 of this Code or as part of a medical evacuation or an emergency operation.

(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-317. License required.

It shall be unlawful for any person to construct, establish, maintain, or operate a heliport or helistop within the corporate limits of the city without first having obtained a license from the city, unless exempted by a provision of this article.

(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-318. Exemptions.

None of the provisions of this article shall be applicable to any facility owned or operated by

the state or federal government or any political subdivision, department, or agency of the state or federal government.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-319. Application for license.

(a) *Form and contents.* An application for a heliport or helistop license, other than a temporary license, shall be submitted in such form as the director may prescribe and shall be accompanied by drawings, descriptive data, and inspection reports to verify compliance with this article, the Construction Code, the Fire Code, and any other applicable city, state, or federal requirement. The director shall have the authority to establish minimum design standards for heliports and helistops, provided that the standards are not inconsistent with any applicable city, state, or federal standards. In addition, the application shall contain the following:

(1) A site plan;

(2) A plot plan;

(3) FAA letter of airspace determination;

(4) FAA statement of no objection to approach and departure routes;

(5) Types and weights of helicopters to be used;

(6) Number and estimated duration of operations daily for each type of helicopter listed;

(7) Days and hours of operation;

(8) Name of insurance carrier and proof of insurance as required by this article;

(9) A declaration that complies with 1-11(a) of this Code along with other proof that all required notices including publication have been given;

(10) A photograph of the sign posted in accordance with subsection (d)(1) of this section;

(11) A noise study as required by section 9-323 of this Code; and

(12) An approval from Houston Public Works affirming that all Construction Code and Fire Code requirements are met or will be when construction of the heliport or helistop is complete.

(b) *Oath.* Every application for license shall be accompanied by a declaration that complies with section 1-11(a) of this Code executed by the owner of the premises on which the heliport or helistop is to be constructed, or the authorized lessee of the premises, that the proposed facility is authorized to be constructed or to be maintained on the premises, and does not violate any deed restrictions or other similar restrictions applicable to the property.

(c) *Permission to inspect premises.* By applying for a license under this article, the owner or lessee specifically grants permission to the city and its duly authorized agents, officials, and employees to enter upon the premises for the purpose of making all inspections required or authorized to be made under this article. A statement to this effect shall be included in the application form.

(d) *Public notices:*

(1) The applicant must post and maintain a sign at the prospective location of the heliport or helistop for at least 20 days before an application submitted to the director may be considered. The sign shall remain posted until the license proceedings are completed. The sign shall provide adequate information as to the location of the proposed heliport or helistop. The director may provide an example of the required sign to the applicant. The sign shall be not less than 32 square feet nor more than 40 square feet and shall be placed in a conspicuous location and in a manner calculated to give adequate public notice. Declarations that comply with section 1-11(a) of this Code of sign posting and maintenance or other proof that the requirements of this subsection have been met shall be provided as part of the application. This article constitutes complete, sufficient and independent authority for such sign

to be erected and maintained and no additional sign fees or permits shall be required.

(2) The applicant must cause to be published a notice of intent to construct and operate a heliport or helistop in a daily newspaper of general circulation in the city for two separate days, exactly one week apart, before an application may be considered. The second notice of intent must be published no more than five days before the application is submitted to the director. The application shall not be considered by the director until at least five days have passed since the second notice of intent publication. The director may provide an example of the required notice of intent to the applicant.

(3) Failure to give notice or to provide adequate proof as required by this article shall constitute grounds for denial of any license.

(e) *Terms and conditions of the license.* By applying for a license under the provisions of this article, each applicant agrees that, in the event that the license is granted, the contents of the application will become part of the license and that the license is granted subject to applicant's compliance with the terms and conditions contained in the application. The applicant further agrees that failure to comply fully with the terms and conditions of the license as granted and as from time to time altered or changed in accordance with this article, including but not limited to failure to comply with the approach and departure routes, shall be grounds for the revocation of the license.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015; Ord. No. 2018-11, § 50, 1-10-2018)

Sec. 9-320. Restricted license.

(a) The director may issue a restricted license for:

(1) A helistop or heliport operated by a television or radio broadcast station and used exclusively for helicopters engaged in newsgathering functions; or

(2) A helistop or heliport operated by a hospital and used exclusively for helicopters engaged in the emergency transport of medical treatment personnel, patients, body organs or tissue, or medical supplies, equipment or personnel required on an emergency basis;

provided that the proposed helistop or heliport is situated within 500 feet of the hospital building or television/radio news building to be principally served by the helistop or heliport. Such distance shall be measured in a straight line and without regard to intervening objects from the nearest point on the hospital building or the television/radio news building to the center of the touchdown pad of the helistop or heliport.

(b) An application for a restricted license shall be completed in accordance with the provisions of section 9-319 of this Code, except that the application shall not be required to include the noise study in subsection (a)(11) of that section. The director may prescribe separate rules and procedures for the restricted license application process that are in accordance with the purpose of this article.

(c) Each restricted license application shall state whether the proposed heliport or helistop qualifies under item (1) or (2) of subsection (a) of this section. Heliports and helistops with restricted licenses shall be limited to the operation of helicopters for the restricted use applied for and maintenance, fueling, and training flights associated with the restricted use specified in the application.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-321. Temporary license.

(a) An application for a temporary license to operate a temporary ground level heliport or helistop shall be made to the director in such form and upon such terms as the director may prescribe. A temporary license shall be valid for a period not to exceed ten consecutive days, except as provided in subsection (b) of this section. An applicant shall be issued no more than two such temporary licenses a month for a particular location.

(b) A temporary license at a ground level area may be issued by the director for a construction or development project shall be valid for one 90-day-period, renewable for two additional 90-day periods. A temporary license may be extended for more than three 90-day periods, but shall only be valid until the construction or develop-

ment project is completed and shall only be extended upon a showing of good cause to the director and the approval of the director.

(c) An application for a temporary license shall include proof of liability insurance as required by section 9-334 of this Code.

(d) Before the issuance of a temporary license, the director shall make any necessary inspections.

(e) Before the issuance of a temporary license, the director shall evaluate the proposed temporary heliport or helistop site for safety hazards and community impact. The director may deny an application for a temporary license that would result in excessive safety hazards or a substantially negative community impact. Where the applicant feels that the director has misinterpreted or misconstrued the application of this article, the applicant shall have the right of appeal to the General Appeals Board.

(f) A temporary license may be suspended or revoked by the director for any violation of this article or any operation he deems hazardous or as having a substantially negative community impact. Where the temporary licensee feels that the director has misinterpreted or misconstrued the application of this article, the temporary licensee shall have the right of appeal to the General Appeals Board.

(g) The temporary license applicant or temporary licensee shall provide the director with any additional information that the director requests for use in implementing the requirements of this article regarding the application for or operation of the temporary heliport or helistop.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-322. Location of heliports and helistops.

(a) In any instance in which the director determines that a reasonable doubt exists regarding the actual distances relevant to any provision of this article, the applicant, at the applicant's expense, may be required to obtain and furnish a survey plat showing the distance and the manner of its computation prepared by and bearing the seal of a registered professional engineer or a registered public surveyor. An applicant may provide such a survey without a request by the director. If a survey is prepared and furnished in accordance with the provisions of this section and the distances shown on that survey are equal to or exceed a requirement of this article, then the survey shall constitute prima facie evidence of compliance with such distance requirement of this article.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-323. Noise standard.

(a) Prior to the granting under this article of any license, other than a temporary license or a restricted license, the director shall take, or cause to be taken, a measurement of the ambient noise level at the proposed location.

(b) For purposes of this section, the ambient noise level shall be defined as the totality of the background noise in a given place and time, composed of sounds from various sources at various distances, exclusive of the noise emitted by the operation of the helicopter in flight. The ambient noise level shall be determined by measurements, taken during the proposed hours of operation, using a conventional or integrating sound level meter, at a minimum of two locations. Such locations shall be the two nearest churches, schools or residences. Each measurement shall be taken outdoors at the location's property boundary closest to the proposed heliport or helistop.

(c) The estimated noise to be emitted by each proposed helicopter operation specified in the license application will be measured at the same locations used to measure the ambient noise level. All measurements shall be made with the helicopter operating under normal operating conditions and while the helicopter is simulating normal operating procedures, and utilizing all operating modes applicable to the site, including, but not limited to, ingress, egress, hover and fly-over.

(d) The director shall then calculate, based on the formula in subsection (e), the effect of the helicopter operations on the ambient noise level at the locations specified in subsection (b) of this

section. The estimated increase of noise level as a result of the proposed helicopter operations shall not exceed the ambient noise level by more than two dBA. If the proposed helicopter operation increases the ambient noise level by more than two dBA, then the license shall be denied.

(e) Formula:

$$L_{eq} = 10 \log \left(10^{Lamb/10} + \frac{H \times T \times 10^{L/10}}{SO}\right)$$

Where:

Lamb =	Ambient noise level in dBA over the period of operations, without helicopters.
L_{eq} =	Ambient noise level reflecting the operational helicopter noise impact.
H =	Number of daily helicopter operations where one operation consists of a landing and takeoff.
T =	Time duration of each helicopter noise operation (seconds).
L =	L_{eq} of each helicopter operation in dBA.
SO =	Number of seconds in period of operations.

(f) If the proposed facility is located within 2,400 feet of an existing facility, then in addition to the specifications set out in 9-323(b), the measurements taken to establish the baseline ambient noise level shall be taken when the pre-existing facility or facilities are not in active operations, and in addition to the specifications set out in 9-323(c) the measurements taken shall be taken during active operations at the pre-existing facility or facilities.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-324. Fee; term of license; deposit.

(a) *Heliport.* The fee for a heliport license is stated for this provision in the city fee schedule. Such license shall be valid for a period of six years from date of issuance unless sooner revoked or terminated.

(b) *Helistop.* The fee for a helistop license is stated for this provision in the city fee schedule. Such license shall be valid for a period of six years from date of issuance, unless sooner revoked or terminated.

(c) *Inspection fee.* The fee payable each year while the license is in effect for the annual inspection of a heliport or helistop is stated for this provision in the city fee schedule. Such inspection shall be for the purpose of ensuring compliance with the terms and conditions of the license.

(d) *Temporary license.* The fees for temporary heliport or helistop licenses under section 9-321 of this Code are stated for this provision in the city fee schedule.

(e) *Deposit for license.* Any application submitted for a heliport or helistop license, other than a temporary license, shall be accompanied by a deposit of $500.00. Such deposit shall be nonrefundable and shall be applied to the license fee when the application for license is approved.

(f) *No refund of fees.* The license applicant or licensee shall not be entitled to a refund of any fee paid where the license is revoked, any change of status occurs, or for any deposit.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-325. Director to issue license.

(a) Following the posting and publication of notice as required in section 9-319(d) of this Code, the following administrative steps will be followed:

(1) Where any notice of opposition to a heliport or helistop application has been received by the director, the director shall call and hold a hearing on the question of whether a license should be granted under this article.

a. Prior to the commencement of such hearing, the director shall determine the parties to the license proceeding. The director shall not confer party status on a person who is not an interested party as defined in

this article. The director shall be the sole judge of whether a person is entitled to status as a party.

b. The director shall provide a minimum of ten days' written notice of the time and place of the hearing to the applicant and all persons whom the director has designated as interested parties.

c. At such hearing, the director shall receive oral and written testimony regarding the application. After hearing from all parties, the director shall grant or deny the license in accordance with subsection (2) below.

(2) Where no notice of opposition to a heliport or helistop application is received by the director, or the director has conducted a hearing as required by subsection (a)(1) of this section, the director shall grant a license where he finds that:

a. The proposed heliport or helistop is not in violation of the distance restriction set out in section 9-322 of this Code;

b. The proposed operations of the heliport or helistop will not be in violation of the noise standard set out in section 9-323 of this Code;

c. The proposed heliport or helistop meets or exceeds the requirements of the Construction Code and the Fire Code; and

d. The proposed heliport or helistop meets all other requirements of this article.

(b) The effective date of the license shall be the date the application is approved by the director.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-326. Duties of director.

(a) The director shall have the power and the authority to administer and enforce the provisions of this article.

(b) The director shall have the powers enumerated in this article for the review of applications for licensing, including approving or denying applications for licensing and conducting hearings on applications as provided for in this article.

(c) The director shall submit an annual report to the mayor and city council containing a summary of his actions performed under this article during the preceding year, together with recommendations for amendments to this article.

(d) The director shall have the authority to receive complaints or allegations concerning the operation of any heliport or helistop and to refer such matters to the appropriate city department or governmental agency for investigation and report.

(e) The director shall adopt reasonable rules for the conduct of his duties under this article, to include procedures for hearings, appeals, and all other business conducted by the director.

(f) The director shall be responsible for and maintain the minutes of license application hearings, including correspondence received and sent by the director. All minutes shall be public records, available for inspection by the public at all reasonable times in the presence of the director.

(g) The director shall advise, consult and cooperate with the FAA regarding the location, siting, and regulation of heliports and helistops, as necessary.

(h) The director may issue rules and opinions that are consistent with the purposes and requirements of this article to aid in the performance of his duties.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-327. Inspection of premises and structures.

For the purpose of ensuring compliance with this article, the director shall inspect all licensed heliports or helistops at least once annually. The director may, at reasonable hours and after presenting proper identification to the licensee, enter upon, inspect, and examine the premises,

including the buildings, of any heliport or helistop for which a license has been issued or for which an application for license has been submitted under the provisions of this article, or that is subject to the provisions of this article. The licensee shall provide the director with any flight records or other data that the director requires for the purposes of ensuring compliance with this article.

In cases of emergency where extreme hazards are known to exist that may involve imminent injury to persons, loss of life, or severe property damage, and where the licensee is not available after the director has made a good faith effort to locate him, the director may enter the premises at any time upon presentation of proper identification to any other person on the premises.

The director, when on private property, shall observe the establishment's rules and regulations concerning safety, internal security, and fire protection. When the director is denied admission to inspect any premises, inspection shall be made only under authority of a warrant issued by a magistrate authorizing the inspection for violations of this article. It shall be unlawful to deny the director access to the premises after a warrant has been issued. Failure to admit the director shall be grounds for the suspension of the license.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-328. License renewal.

(a) A helistop or heliport license granted under this article shall be renewable for an additional six-year term on or before the expiration date of the current license.

(b) Each licensee desiring to renew his license shall make an application for renewal on forms provided by the director at least 60 days prior to the expiration date of the license. The application shall be accompanied with the following:

(1) An declaration that complies with 1-11(a) of this code by the applicant, that the heliport or helistop will continue to comply with the terms and conditions of the original application, together with any such changes that have been approved in accordance with this article.

(2) Payment of the deposit as set out in section 9-324 of this Code.

(c) The director shall order inspections of the facility for compliance with the Construction and Fire Codes. After these inspections are completed, the license shall be renewed by the director without review, provided that:

(1) All inspections are satisfactory;

(2) No request for modification of the terms of the existing license regarding time of operation, frequency of operations, types of helicopters used, or relocation of touchdown pad has been submitted with the renewal; and

(3) Director review of the renewal application is not required under subsection (d) of this section.

(d) The director shall review the application for renewal and grant or deny such application under the following circumstances:

(1) The facility failed to pass the Fire and Construction Code inspections as required by subsection (c) of this section;

(2) The licensee has requested a modification of the terms and conditions of the original application pursuant to section 9-333 of this Code; or

(3) The director has received notice of a dispute of any facts supporting the application for renewal.

(e) The director shall issue a renewal of a license where he finds that the applicant is in compliance with the requirements of this article and has paid the full amount of the required fee.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-329. Suspension or revocation of license.

(a) The director shall have authority to order the suspension or revocation of any license issued under this article for failure to comply with any provision of this article, the terms and conditions of the application and license, or for any false statements or misrepresentations made by the applicant in the application for a license.

(b) Prior to the revocation or suspension of a license, the director shall notify the licensee in writing of the reasons for the proposed order of suspension or revocation and grant the licensee the opportunity to appear before the director at a time and place specified within the notice. Such hearing shall be held not less than five days after receipt of the notice by the licensee. Under extreme conditions where the director determines that life or property are threatened by the operation of the heliport or helistop, the director may suspend the license for up to ten days prior to a hearing being held. At the hearing the licensee shall be given an opportunity to argue why his license should not be suspended or revoked. At such hearing the director shall present the evidence supporting the charges against the licensee and the licensee may introduce any relevant evidence relating to the charges. If, after the hearing, the director finds that the license should be revoked or suspended, he shall, within five days, issue an order suspending or revoking such license. If the licensee fails to appear for the hearing as provided in this subsection, the order suspending or revoking his license shall become final upon its issuance by the director.

(c) The licensee shall have the right to appeal an order of the director suspending or revoking a license to the General Appeals Board under Section 9-331.The filing of an appeal to the city council shall not have the effect of superseding or suspending the order of the director.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-330. Injunction.

The city attorney may file a civil suit in a court of competent jurisdiction to enjoin the violation of any of the provisions of this article. This remedy shall be cumulative and in addition to any other penalty provisions.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-331. Appeal.

(a) An applicant, licensee, or interested party to a decision of the director pertaining to the grant, denial, suspension, or revocation of a license may appeal the decision of the director to the general appeals board created under the Building Code by filing a written notice of appeal with the director within ten days after notice is given that a license has been denied. The general appeals board may require applicants to submit such documents as the board deems relevant to support the application and may dismiss any appeal from a decision of the director denying a permit if the applicant has not submitted the documentation required by the board.

(b) An applicant, licensee, or interested party to a decision of the general appeals board, may appeal the decision of the board to city council as provided by Rule 12 of section 2-2 of this Code. Any interested party may make a written appeal to the city council by filing such appeal in the office of the city secretary within ten days after receipt of written notice containing the findings and decision of the board. The city secretary shall present the written appeal, together with the application, findings, decision and other documents or evidence received by the board, to the city council. Upon receipt thereof, the city council shall set a time and place for the disposition of such appeal and cause the city secretary to give notice thereof to the applicant and any other interested parties.

(c) A decision of the city council shall be effective as of the date it is voted upon. Every decision of the city council shall be final.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-332. Maintenance.

All buildings, structures, or ground areas used as a heliport or helistop shall be maintained in a safe and sanitary condition. All equipment or machinery required by the Construction Code or the Fire Code for a building, structure, or ground level area when erected, altered, or repaired shall be maintained in good working order. The licensee shall be responsible for the maintenance of all buildings, structures, or ground areas used as landing areas by helicopters.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-333. Change in operation.

(a) Any change that affects or alters the terms and conditions of a heliport or helistop license pertaining to the time of operation, the

frequency of operations, the type of helicopter used in such operations, or the relocation of the touchdown pad shall be submitted to the director for approval before such changes in the license are effective.

(b) Any application to enlarge, modify, or otherwise substantially change the surface of the part of a heliport or helistop that is used or intended to be used for the landing or takeoff of a helicopter shall be submitted in writing to the director 30 days prior to the commencement of such alteration or change and shall not be commenced until written airspace determination and a letter of no objection has been obtained from the FAA and the director has been provided with a true copy of the FAA approval.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-334. Insurance.

(a) The director shall not issue a license for any helistop or heliport unless the applicant has liability insurance in effect that covers the proposed operations of the applicant at the location specified in the application. The licensee shall annually provide proof of insurance to the director once a heliport or helistop license has been granted. Insurance for a temporary license shall be in effect for the entire duration of the temporary heliport or helistop's operations.

(b) The minimum limit for public liability coverage maintained by the licensee shall be a combined single limit of liability for bodily injury and property damages of $5,000,000.00 per occurrence.

(c) The insurance policy shall indemnify the city from all claims including, but not limited to, noise, nuisance, personal injury, death, or property damage arising from the use of the helistop or heliport facility, shall meet the requirements set forth in this section, and shall not be canceled without at least 30 days' written notice to the director.

(d) Any cancellation or suspension of the applicant's insurance for a licensed heliport or helistop that results in a lapse of coverage of the heliport or helistop's operations shall constitute good cause for revocation of the license by the director. All insurance policies shall be issued by an insurance company duly authorized to do business in the state and maintaining an office or represented by an authorized agent in the state.

(e) Proof of insurance shall be met by filing with the director any one of the following:

(1) A certified original copy of the policy;

(2) A photostatic copy of the policy;

(3) An abstract of the original policy signed by the issuing company; or

(4) A certificate of insurance, including the policy limits, attested to by the insurer.

(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015; Memorandum of 1-27-2016)

Sec. 9-335. Transferability.

A license issued pursuant to the terms of this article may be sold, transferred, or assigned, provided that the licensee gives written notice to the director at least 30 days prior to any sale, transfer, or assignment, and further provided that such licensee is in compliance with the terms and conditions of the license.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-336. Existing heliports or helistops.

(a) Any owner or operator of an existing heliport or helistop, as defined in this section, shall not be required to comply with the terms and conditions of this article until November 10, 2021, in order to provide a reasonable time for amortization of the investment in the heliport or helistop. This section shall not be construed as exempting an existing heliport or helistop from complying with all Fire and Construction Code provisions.

(b) A heliport or helistop shall be considered to be existing if:

(1) The heliport or helistop had a current valid license, other than a temporary license, from the city in effect on November 10, 2015;

(2) The heliport or helistop had a properly-submitted application for renewal of a

previously valid license, other than a temporary license, pending on November 10, 2015; or

(3) The heliport or helistop was located in an area annexed to the city, the effective date of which annexation was on or after December 29, 1982, and was constructed, under construction, or in operation prior to such annexation and had a properly-submitted application for a license, other than a temporary license, pending on November 10, 2015.

(c) Any owner or operator of an existing heliport or helistop as defined in this section shall make an application to the director for a special permit. The director shall grant the special permit upon finding the facility qualifies as an existing heliport or helistop under this section. Such permit shall, unless revoked, be valid for so long as the heliport or helistop remains in operation during the amortization period set out in this section. In the event that the permittee abandons or discontinues operation of the existing heliport or helistop, the special permit shall expire.

(d) Additional investment may be made in an existing heliport or helistop during the amortization period upon notice to the director so long as the owner or operator of the existing heliport or helistop agrees that any investment shall not be subject to recoupment, be the basis for any extension of the amortization period, or enlarge or otherwise expand the number of monthly operations at the heliport or helistop.

(e) If improvements upon any lot covered by this subsection are destroyed or damaged in excess of 50 percent of the value of the then-current city tax rolls as a result of fire, explosion, weather, or other act of God, then the improvement shall not be rebuilt or otherwise reconstructed. Nothing in this subsection shall be construed to prohibit the minor repair or routine maintenance of existing improvements.

(f) By applying for a special permit under the provisions of this article, the applicant agrees that if a special permit is granted, the contents of the prior license or license application will become part of the special permit and that the special permit is granted subject to the applicant's compliance with the terms and conditions of the special permit. The applicant further agrees that failure to fully comply with the terms and conditions of the special permit as granted, and as from time to time altered or changed in accordance with this article, including but not limited to failure to comply with the approach and departure routes, shall be grounds for revocation of the special permit.

(g) Any existing heliport or helistop entitled to a special permit under this article shall be restricted under this article only to the extent that:

(1) The maximum number of monthly operations at the facility may not exceed the maximum number of monthly operations for which the facility was licensed on November 10, 2015 or, if the facility was not licensed at this time, may not exceed the maximum number of monthly operations listed in the license application for the facility; and

(2) The types of helicopters using the facility may not be noisier types of helicopters than those listed in the license application for the facility.

(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-337. Expiration of amortization period; treatment of amortized facilities.

Any provision of this article to the contrary notwithstanding, no existing heliport or helistop shall be deemed to be in violation of the requirements of this article subsequent to the expiration of the amortization period contained in section 9-336 until either the opening of a public use heliport with adequate facilities within two miles of the amortized heliport or helistop or November 10, 2025 whichever occurs first.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Sec. 9-338. Annexed areas.

An owner or operator of a heliport or helistop located within territory annexed to the city subsequent to December 9, 1983, shall, within 60 days of the effective date of annexation, submit an application to the director for a license under

the terms of this article. In the event that the applicant cannot meet the requirements of this article, then the applicant shall be required to obtain a special permit and shall have six years to comply with such requirements in order to provide a reasonable time for amortization of the investment in such heliport or helistop. Any such applicant shall be governed by the provisions of sections 9-336 and 9-337 of this Code.
(Ord. No. 2015-1103, § 2(Exh. A), 11-10-2015)

Secs. 9-339—9-350. Reserved.

ARTICLE VI. AIRPORT LAND USE REGULATIONS*

DIVISION 1. MATTERS OF GENERAL APPLICABILITY

Subdivision A. In General

Sec. 9-351. Applicability.

This article shall apply to all present or future development within an airport land use envelope, as that term is defined herein, which is either within the city limits or the city's extraterritorial jurisdiction, or is the subject of an interlocal agreement with a governmental entity whose jurisdiction extends to land within such airport land use envelope. No land, body of water, or structure shall be used or permitted to be used and no structures shall be hereafter erected, constructed, moved or reconstructed, structurally altered or maintained for any purpose in the identified airport land use envelopes except in compliance with the restrictions, limitations and prohibitions contained in this article.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-352. Definitions.

As used in this article, these words and phrases shall have the meanings ascribed to them in this section, unless the context clearly indicates a different meaning. All words and phrases not defined shall have their common meaning.

Airport means any airport owned or operated by the city, including all lands, buildings and other improvements owned, controlled, leased, or operated and maintained by the city appurtenant thereto, as described by any current or future plans of the Houston Airport System (HAS).

Airport commission means the airport zoning commission described in Chapter 241 that is charged with making recommendations to the city council on regulations and boundaries, and performing other tasks delegated to it in accordance with state law in the implementation of this article.

Airport land use envelope means the area of land subject to the terms of this article, being generally described as a box established no farther than 1.5 miles either side of a runway center line and no more than five miles from each runway end, as shown on the official airport land use map for each airport, and which is also a controlled compatible land use area as described in Chapter 241.

Airport land use tier means a division of an airport land use envelope into one of three tiers for regulatory purposes, described as tier one, tier two, or tier three, and shown on the official airport land use map for each airport.

Airport land use permit or *permit* means a permit required by this article for construction on or development of land within an airport land use tier.

Board of adjustment or *board* means the board charged with hearing requests to reverse an order, requirement, decision, or determination of the director and deciding matters that are delegated to the board pursuant to this article.

Casualty means destruction by accidental or natural causes.

Chapter 241 means Chapter 241 of the Texas Local Government Code, as it may be amended from time to time.

*__Editor's note__—It should be noted that § 10 of Ord. No. 08-1052 provides for an effective date of February 1, 2009.

Compatible land use means a use of land that does not endanger the health, safety, or welfare of the owners, occupants, or users of the land, and that is compatible with airport operations, according to the standards and criteria for the designated airport land use tier where the use or activity is, or is proposed to be, located.

Conforming use means any use of land or a structure that complies with the provisions of this article and is not a nonconforming use.

Development plat has the meaning ascribed in section 42-1 of this Code or as provided in an interlocal agreement for land located outside the city.

General plan has the meaning ascribed in section 42-1 of this Code or as provided in an interlocal agreement for land located outside the city.

Livable area means a space in a structure for living, sleeping, eating or cooking, including bathrooms, toilet rooms, closets and halls. Storage or utility areas that do not open directly into a livable area and unfinished attic space are not considered livable area.

Nonconforming use means any use of land or a structure that is inconsistent with the provisions of this article and that legally exists as of February 1, 2009.

Nonresidential or *nonresidential use(s)* means any use that is not a residential or a sensitive land use, as those terms are hereinafter defined.

Official airport land use map or *OM* means the map depicting the airport land use envelope and the airport land use tiers for each airport.

Public assembly use means an institution of higher education, religious institution, community recreational facility, public recreational facility, or other similar use where individuals assemble for a common purpose.

Residential means the use or proposed use of land for premises that contain habitable rooms for nontransient occupancy, designed primarily for living, sleeping, cooking and eating, unless it is actually occupied and used exclusively for other purposes. This definition may be modified in an interlocal agreement in the case of land located outside of the city.

School means a public or private school used for primary or secondary education, in which any regular kindergarten or grades one through 12 are taught.

Sensitive land use means a childcare facility, nursing home, assisted living center, boarding home as defined in section 28-451 of this Code, school, hospital or medical facility.

Subdivision plat has the meaning ascribed in section 42-1 of this Code or as provided in an interlocal agreement for land located outside the city.

(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 2011-221, § 2, 3-23-2011; Ord. No. 2018-225, § 6, 3-22-2018)

Sec. 9-353. Essential community purpose.

The airports are used in the interest of the public to the benefit of the city and fulfill an essential community purpose.

(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-354. Other jurisdictions' regulations; interlocal agreements.

(a) Each municipality, county, and other jurisdiction with regulatory authority within the airport land use envelopes defined in this article may coordinate with the city to adopt an ordinance, order, or appropriate regulation consistent with this article, including airport land use regulations and provisions regarding the enforcement and administration thereof, or otherwise enter into an interlocal agreement with the city pursuant to Chapter 791, Texas Government Code.

(b) If a municipality, county, or other governmental entity so provides in an interlocal agreement with the city, or in an ordinance, order, or regulation, the provisions of this article shall apply within any other governmental entity's boundaries except to the extent modified in such interlocal agreement.

(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-355. Cumulative effect.

(a) The provisions of this article are cumulative of all other requirements of this Code and other laws and regulations of the city, including, without limitation, the Construction Code, the Fire Code and the Houston Public Works Infrastructure Design Manual, as well as all applicable state and federal laws and regulations. Compliance with this article does not excuse compliance with any other law or regulation, and applicants and owners of developments that are not required to obtain a permit pursuant to this article are nevertheless required to obtain any other permits, licenses, and authorizations required by law. In the event of any conflict between any other city ordinance and this article, the provisions of this article shall control.

(b) For land located outside the city's jurisdictional boundaries, the provisions of this article are cumulative of the requirements imposed by ordinances of any other political entity pursuant to interlocal agreement and the city code or other laws and regulations of that political entity.
(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 2018-11, § 8, 1-10-2018)

Sec. 9-356. Penalty.

It shall be unlawful to violate any provision of this article. The penalty for violation shall be up to $500.00 for each day of violation.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-357. Tier boundaries.

The director shall determine the location or meaning of an airport land use tier boundary or other feature on an OM in the event of any question or dispute with respect thereto.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-358. Airport land use maps.

The city council has adopted an official airport land use map for each airport, which shall be used to implement this article. An OM may be amended in accordance with Chapter 241. The OM for each airport shall be maintained on file in the office of the city secretary, with a copy available at the department.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-359. Notice on plats; affidavit when no subdivision plat required.

(a) *Subdivisions requiring subdivision plat.* The recorded subdivision plat of any land located wholly or partially within an airport land use envelope shall include on its face the following statement:

> **NOTICE:** Individual lots or parcels within this subdivision may be located in an airport land use tier and may be subject to use restrictions or increased noise or hazard levels associated with air traffic operations.

(b) *For construction on land not requiring subdivision plat.* Prior to the issuance of a permit for construction on or development of property located within any airport land use tier one or tier two that has been platted prior to the effective date of this article, or that is not otherwise required to be platted, an affidavit in the form prescribed by the planning director shall be executed by the owners of the property setting forth, at a minimum, the notice language set forth in section (a) of this section. The department shall record the affidavit in the real property records in the county in which the property is located, at the expense of the affiant.

(c) *Prior to the use of any affidavit form,* the city attorney or his designee shall review and approve the affidavit form for legal sufficiency. The affidavit form shall be attached to the permit application as a part thereof, shall include but not be limited to a description of the type of structure or activity for which the permit application is being made and any exhibits referred to therein, and shall be properly sworn to and subscribed before a notary public.
(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 2011-221, § 5, 3-23-2011)

Sec. 9-360. Land use restrictions.

Divisions 2, 3, and 4 of this article set forth permitted residential and nonresidential uses by airport land use tiers within the airport land use

envelope at each airport. Divisions 2, 3, and 4 of this article also set forth restrictions, limitations, and prohibitions on the use of land and structures located within each airport land use tier. Notwithstanding any other provisions of this article to the contrary, the following uses shall be prohibited within any airport land use envelope where they may adversely impact airport operations or safety:

(1) Uses that produce steam, smoke, or other vision-obscuring emissions;

(2) Uses that emit glaring light or employ highly reflective surfaces;

(3) Uses that have the potential to attract birds;

(4) Uses that create electrical or electromagnetic interference; or

(5) Any other use deemed by the director to adversely impact airport operations.

(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-361. Continuation or expansion of nonconforming use.

A nonconforming use may be continued or, if it meets the requirements of this article, may be enlarged.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-362. Abandonment of nonconforming use.

A nonconforming use that ceases for a period of 12 months or more shall be presumed to be abandoned. Any future use of the property shall be a conforming use. Upon evidence of hardship, the board of adjustment shall have the power to approve a variance to the above time limit by a period not to exceed six months. The absence of electric or water and wastewater utility services shall be prima facie evidence of abandonment.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-363. Change, reversion or resumption of nonconforming use.

(a) A nonconforming use may not be changed in whole or in part to another nonconforming use.

(b) A nonconforming use that is changed to a conforming use may not thereafter revert to a nonconforming use.

(c) A nonconforming use, when discontinued for any reason, shall not be resumed.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-364. Restoration of partially destroyed structure.

Nothing in this article shall prevent the repair or restoration, and continued occupancy or use, of the livable area of any structure containing a nonconforming use destroyed to the extent of not more than 51 percent of its appraised market value by fire, explosion, casualty, or act of God or the public enemy. For purposes of this section, appraisal district records shall constitute prima facie proof of appraised market value.
(Ord. No. 08-1052, § 2, 12-3-08)

Secs. 9-365—9-370. Reserved.

Subdivision B. Administration

Sec. 9-371. Airport commission.

(a) An airport commission has been established by City of Houston Ordinance Number 2008-609. The members of the airport commission shall be the members of the city planning commission, as established pursuant to Chapter 33 of this Code, and such other members as provided by this section.

[The next page is 701]

(b) The airport commission may include a member appointed by the City of Humble and a member appointed by the City of Pasadena which members are not required to be residents of the city.

(c) A quorum of the airport commission shall be as provided in section 33-19 of this Code, regardless of whether the membership has been enlarged pursuant to this section. All meetings of the airport commission shall be held in accordance with the Texas Open Meetings Act, be recorded, and have minutes made and kept in accordance with all regulations governing the city planning commission.

(d) The airport commission may adopt such rules and regulations for the conduct of public hearings and meetings as are in compliance with federal and Texas law and city ordinances. Except as herein provided, all provisions of Chapter 33 of this Code shall apply to the airport commission.

(e) The director shall be a non-voting, ex officio member and shall serve as secretary to the commission.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-372. Department; director.

The department is hereby designated the agency responsible for administering and enforcing this article. The director or his designee is hereby designated as the administrator of this article. The duties of the director shall include:

(1) To promulgate rules and forms as necessary to administer and enforce the provisions of this article;

(2) To review and approve or disapprove applications for airport land use permits in accordance with the provisions and timelines of this article and Chapter 241; and

(3) To charge and collect applicable fees stated for this article in the city fee schedule for processing each airport land use permit.
(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 9-373. Board of adjustment.

(a) *Establishment of board of adjustment and board powers.* A board of adjustment is hereby created pursuant to Chapter 241 and shall have the following powers:

(1) To hear and decide appeals, as provided by Chapter 241 or this article, from an order, requirement, decision, or determination made by the director in the enforcement of this article;

(2) To hear and decide special exceptions to the terms of this article; and

(3) To grant variances from these regulations.

(b) *Board composition.* The board shall be composed of five members appointed by position to two year terms. Members holding positions 1 through 4 shall be appointed by the mayor and confirmed by the city council and shall be residents of the city.

(1) In all matters involving HOU, position 5 shall be appointed by the mayor and confirmed by the city council and shall be a resident of the city.

(2) In all matters involving IAH, position 5 shall be appointed by the mayor and confirmed by the city council until the City of Humble, pursuant to an interlocal agreement, appoints a member to position 5. The Humble appointee is not required to be a resident of the city.

(3) In all matters involving EFD, position 5 shall be appointed by the mayor and confirmed by the city council until the City of Pasadena, pursuant to an interlocal agreement, appoints a member to position 5. The Pasadena appointee is not required to be a resident of the city.

(4) The mayor shall appoint a chair from among the members.

(5) The director shall be a non-voting, ex officio member of the board and shall serve as secretary to the board.

(6) An alternate member may be appointed for each position by the entity entitled to

appoint the member. An alternate member may serve in the absence of the member in that position.

(c) *Board procedures.* The board shall adopt rules and procedures for its governance consistent with the provisions of this article, including how members shall rotate to allow Humble or Pasadena members to participate as required. A board member may be removed by the appointing authority for cause on a written charge after a public hearing. A vacancy in any position shall be filled for the remainder of the unexpired term, giving first consideration to any current alternate members. The board shall adopt a regular meeting schedule and shall give public notice of the meeting schedule by publication for three consecutive days in a daily newspaper of general circulation within the city, any other jurisdiction located within the airport land use envelope, and the area of extraterritorial jurisdiction. The board may change this meeting schedule by the adoption of a new schedule, the effective date of which shall not be less than ten days after publication of the new schedule for three consecutive days in a daily newspaper having general circulation within the city, the area of extraterritorial jurisdiction, and any other jurisdiction located within the airport land use envelope. The board may meet in panels to consider each airport individually. The chair, or the acting chair, may administer oaths and compel the attendance of witnesses. All hearings of the board of adjustment shall be public. The board shall keep minutes of its proceedings showing the vote of each member upon each question, and if any member is absent or fails to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall immediately be filed in the office of the board of adjustment and are public records. Four members of the board shall constitute a quorum. The concurring vote of four members of the board shall be necessary to:

(1) Reverse an order, requirement, decision, or determination of the director;

(2) Decide in favor of an applicant on a matter on which the board is required to pass under this article; or

(3) To hear and decide specific variances from this article.

(d) *Compensation.* Members of the board, in the performance of their duties as such, shall serve without compensation.
(Ord. No. 08-1052, § 2, 12-3-08)

Secs. 9-374—9-380. Reserved.

Subdivision C. Airport Land Use Permits

Sec. 9-381. Airport land use permit required.

(a) An airport land use permit is required for the following on any land within an airport land use tier one or tier two:

(1) An application for subdivision plat or development plat, including modification of a subdivision plat or general plan;

(2) New construction, replacement after demolition, or rebuilding of any structure; or

(3) The enlargement of an existing structure by an addition of livable area outside of the structure's original exterior dimensions, vertically or horizontally, the value of which is 51 percent or more of the appraised market value of the existing structure.

(b) A current valid airport land use permit as required by this section is a condition for the approval of a subdivision plat or development plat, the issuance of a building permit, and the issuance of a water or wastewater capacity reservation.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-382. Concurrent variance application.

An application for a variance may be filed before or concurrently with the application for an airport land use permit. Filing of an application or approval by the board of a variance shall not confer any authorization to begin work on the proposed project without the issuance of an airport land use permit.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-383. Airport land use permit application.

(a) Each application for a permit shall be in the form prescribed by the director and shall contain sufficient information to allow the director to determine whether the proposed use or project would conform to the regulations herein prescribed.

(b) An affidavit, if required by section 9-359 of this Code, shall accompany the permit application. Prior to the use of any affidavit form, the city attorney or his designee shall review and approve the affidavit form for legal sufficiency. The affidavit form shall be attached to the permit application as a part thereof, shall include but not be limited to a description of the type of occupancy for which the permit application is being made and any exhibits referred to therein, and shall be properly sworn to and subscribed before a notary public.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-384. Permit review, approval, denial.

(a) No permit application shall be deemed complete and accepted by the director unless it is accompanied by all required documents and information, including all applicable permit fees.

(b) The director shall make a determination of completeness in writing to the applicant no later than the tenth business day after the date that the permit application is submitted. The determination of completeness shall:

(1) Indicate that the permit application is complete; or

(2) Indicate that the permit application is not complete and specify the documents or other information necessary to complete the application and shall state the date the permit application will expire, which shall be on or after 45 days from the date of the letter.

(c) If the required additional information is not timely submitted, the permit application shall be deemed to have expired, and a new permit application shall be required.

(d) The director shall review each complete permit application, and if in compliance with this article, a permit shall be issued; if not in compliance with this article, the permit application shall be denied, with a notation of the reasons for denial.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-385. Exceptions.

No airport land use permit shall be required for any activity on property owned or leased by the city, its tenants, or the federal government.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-386. Expiration.

An airport land use permit shall expire if development has not commenced within two years of issuance or upon completion of the project for which it is granted, whichever occurs first.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-387. Revocation of permit; appeal process.

(a) In addition to any enforcement remedies allowed by law, whenever the director finds that there are grounds for revocation of a permit, he shall give written notice to the permittee by personal service or by certified mail, return receipt requested, addressed to the applicant at the address set forth in the permit application. The notice shall include:

(1) The specific grounds upon which the permit in question may be revoked;

(2) The fact that there will be a hearing in which the city will seek the revocation of the permit;

(3) The date, time and place of the hearing;

(4) The fact that the permittee may appear in person or be represented by an attorney; and

(5) Any notice required by other city ordinance.

(b) All hearings shall be held by a hearing officer appointed by the director.

(c) All hearings shall be conducted under rules consistent with the nature of the proceedings; provided however, that the following specific rules shall also apply:

(1) All parties shall have the right to representation by a licensed attorney, though an attorney is not required.

(2) Each party may present witnesses in its own behalf.

(3) Each party has the right to cross-examine all witnesses.

(4) Only evidence presented before the hearing officer at the hearing may be considered in rendering the final order.

(d) If the permittee fails to appear at the hearing on the date and time specified, the city shall introduce evidence to establish a prima facie case on behalf of the city showing that grounds exist for revocation of the permit.

(e) After completion of the presentation of evidence by all parties appearing, the hearing officer shall make written findings and render a written order as to whether or not grounds exist for the revocation of the permit. If grounds exist, the hearing officer shall revoke the permit; provided that he may, in the interest of justice, take such other lesser actions as deemed appropriate including, but not limited to, the temporary suspension of the permit, the revision of the permit, or the addition of permit conditions. A true and accurate copy of the order shall be personally delivered or mailed by certified mail, return receipt requested, to the permittee.

(f) In the event a permit is revoked, suspended, or revised, the city shall not be liable to any person for any refund of any part of any permit fees.

(g) An action under this section may be appealed to the city council pursuant to Rule 12 of the city council rules of procedure, upon the filing of a written application therefore with the city secretary within ten days from the date the written order is signed by the hearing officer. Filing of an appeal shall not operate to suspend the hearing officer's order thereon.
(Ord. No. 08-1052, § 2, 12-3-08)

Secs. 9-388—9-390. Reserved.

Subdivision D. Appeals, Variances and Special Exceptions

Sec. 9-391. Appeals.

Except for actions brought under section 9-387 of this Code, the board shall hear and decide an appeal from an order, requirement, decision, or determination made by the director in the application or enforcement of this article in accordance with such reasonable rules as the board may establish.

(1) *Who may appeal.* Any person aggrieved by an order, decision, or determination of the director, any taxpayer affected by a decision or determination of the director made in the administration of this article, or the governing body if the governing body believes the order, decision or determination is an improper application of this article may file an appeal with the board.

(2) *Commencement of appeals.* All appeals hereunder must be taken within seven business days of the director's decision or prior to commencement of construction, whichever occurs first, by filing a notice of appeal with the board and the department specifying the grounds for the appeal. The department shall transmit to the board all papers constituting the record upon which the action appealed was taken.

(3) *Stay of proceedings.* An appeal shall stay all proceedings in furtherance of the action appealed unless the director certifies in writing to the board that by reason of the facts stated in the certificate, a stay would, in the opinion of the director, cause imminent peril to life or property. In such case, proceedings shall not be stayed except by order of the board on notice to the director and on due cause shown.

(4) *Appeal procedures.* The board shall set a reasonable time for an appeal hearing, and public notice of the hearing and due notice to the parties in interest shall be

given as provided in section 9-395 of this Code. The board shall decide an appeal within a reasonable time. At the hearing, any party may appear in person, by agent, or by attorney.

(5) *Decision.* The board may reverse or affirm, in whole or in part, or modify the director's order, requirement, decision, or determination from which an appeal is taken and make the correct order, requirement, decision, or determination, and for this purpose the board of adjustment has the same authority as the department.

(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-392. Special exceptions.

The board shall be entitled to hear and grant special exceptions to the terms of this article as provided in this article.

(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-393. Variances.

The board shall hear and decide specific variances to the regulations in this article.

(1) A person who desires to use property in a manner inconsistent with this article may apply to the board of adjustment for a variance from the regulations.

(2) The board shall allow a variance from these regulations if:

a. A literal application or enforcement of the regulation would result in practical difficulty or unnecessary hardship; and

b. The granting of the relief would:

[1] Result in substantial justice being done;

[2] Not be contrary to the public interest; and

[3] Be in accordance with the spirit of these regulations and Chapter 241.

(3) The board may impose any reasonable conditions on the variance that it considers necessary to accomplish the purposes of this article and Chapter 241.

(4) A request for a variance shall be made by filing with the director a complete application in the form prescribed by the director and payment of the fee stated for this provision in the city fee schedule established by city council. The director shall set a reasonable time for a hearing date and shall give public notice of the hearing and due notice to the parties in interest as required by section 9-395 of this Code. The board shall conduct a public hearing on the application and shall make its decision within a reasonable time, not to exceed 30 days from the date of the close of the hearing. In each case, the board shall make written findings that all conditions for the particular variance sought have been met or not met, and the board may impose such additional conditions or safeguards it deems necessary to protect the public interest.

(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 9-394. Time for submittal.

Complete applications shall be reviewed and referred to the board by the director for the next meeting for which proper notice pursuant to section 9-395 of this Code can be given.

(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 2011-221, § 4, 3-23-2011)

Sec. 9-395. Notification of application before the board.

(a) The director shall give public notice of a hearing before the board on an appeal of the director's decision, a special exception, or a variance by:

(1) Either:

a. Mailing a letter, first class mail, postage paid, to the owner of the property that is the subject of the matter presented to the board, and to the owners of all lots or tracts that are within 250 feet of the boundary of the property, as shown on the most recently approved ad valorem tax rolls of the city not less than the

seventh day before the first meeting at which the board will first consider the application; or

b. By causing the information to be readily available to the public in an electronic format; and

(2) By letter mailed first class mail, postage paid, or by electronic mail message to each neighborhood association with defined boundaries registered with the department in whose area the property is located as soon as reasonably possible before the first meeting at which the board will consider the application.

(b) The applicant shall give notice of an application before the board by posting at least one sign on the property that is the subject of a proposed variance or special exception before the tenth business day before the date of the meeting at which the board will first consider the application. A sign shall face each public right-of-way bordering the site, provided, however, that if more than four signs would be required to be posted, the applicant may request the director to approve an alternative number and location of signs. The director shall approve an alternative to the number and location of signs required by this subsection in excess of four upon determining that the alternative will provide maximum visibility and obtain the objectives of this section without unduly burdening the applicant. Each sign shall be a minimum of four by eight feet in size and shall be posted no more than 15 feet from the public right-of-way. The lettering on the sign shall be legible from the public right-of-way. The applicant shall use reasonable efforts to maintain each required sign on the site until the close of the meeting at which the board acts on the application. The sign shall provide the following information:

(1) The application number of the plat and the fact that a variance or special exception is being requested;

(2) The date, time, and place of the meeting at which the board will first consider the application;

(3) A telephone number of the applicant to call for additional information; and

(4) A department telephone number to call for additional information.

Secs. 9-396—9-400. Reserved.

DIVISION 2. GEORGE H. BUSH INTERCONTINENTAL AIRPORT (IAH) COMPATIBLE LAND USE REGULATIONS

Sec. 9-401. Regulated area.

The area subject to the regulations contained within this division is shown in the IAH official airport land use map.

(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-402. General provisions.

Land uses not specifically allowed shall not be permitted.

(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-403. Land uses in IAH tier one.

(a) *Nonresidential uses.* Nonresidential uses are permitted in tier one as follows:

(1) *Public assembly uses and sensitive land uses.*

a. No permit shall be issued for the establishment of a new public assembly use or sensitive land use except as provided in paragraph d. of this item.

b. An existing public assembly use or sensitive land use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level.

c. An existing public assembly use or sensitive land use shall be permitted to construct new structures within the land area of a master plan for

the entity, provided that any new structure meets a 45 dBA interior sound level.

d. A new public assembly use or sensitive land use shall be permitted under the following conditions:

[1] The new use shall be located in a structure that meets a 45 dBA interior sound level; and

[2] The owner grants the city an avigation easement and release over the affected property.

(2) *Hotels and motel lodging uses.*

a. A new hotel or motel use shall be permitted provided that the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

b. An existing hotel or motel use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

(3) *Commercial and employment uses.* All uses shall be permitted unless otherwise proscribed above.

(b) *Residential uses.* An existing, unmodified residential use shall be allowed to continue. Enlargement, replacement, or reconstruction of an existing residential use shall not increase the density or the intensity of the use. A residential use in tier one is further allowed as follows:

(1) An existing single family use will be permitted to renovate the livable area of an existing structure in which it is located if the renovation is entirely contained within the existing livable area of the structure, provided the use will not involve the subdivision of the property on which the existing single family use is located.

(2) An existing single family use will be permitted to enlarge the livable area of an existing structure in which it is located under the following conditions:

a. The use is located on a residential lot within an existing platted subdivision, or valid deed restrictions prohibit the use of the property for other than residential use;

b. The use will not involve the subdivision of the lot on which the existing single family use is located; and

c. The newly constructed livable area shall meet a 45 dBA interior sound level.

(3) An existing single family use will be permitted to convert existing non-livable area located wholly within an existing structure provided the use will not involve the subdivision of the lot on which the existing single family use is located.

(4) An existing single family use will be permitted to be replaced after a casualty under the following conditions:

a. The livable area shall meet a 45 dBA interior sound level.

b. The use will not involve the subdivision of the property on which the existing single family use is located.

(5) A new single family residential use shall be permitted under the following conditions:

a. The use is located on a residential lot within an existing platted subdivision, or valid deed restrictions prohibit the use of the property for other than residential use;

b. The construction shall meet a 45 dBA interior sound level; and

c. The use will not involve the subdivision of the lot on which the existing single family use is located.

(6) An existing multifamily use will be permitted to renovate an existing structure provided the use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(7) An existing multifamily use will be permitted to enlarge an existing structure under the following conditions:

a. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit; and

b. The enlargement shall meet or shall be located in a structure that meets a 45 dBA interior sound level.

(8) An existing multifamily use will be permitted to be replaced after a casualty under the following conditions:

a. The livable area shall meet a 45 dBA interior sound level;

b. The use will not involve the subdivision of the lot on which the existing multifamily use is located; and

c. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(9) A new multifamily residential use shall not be permitted.

(10) No new mobile or manufactured home parks or subdivisions shall be permitted.

(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 2011-221, § 3, 3-23-2011)

Sec. 9-404. Land uses in IAH tier two.

(a) *Nonresidential uses.* Nonresidential uses are permitted in tier two as follows:

(1) *Public assembly uses or sensitive land uses.*

a. A new public assembly use or sensitive land use shall be permitted provided the new use shall be located in a structure that meets a 45 dBA interior sound level.

b. An existing public assembly use or sensitive land use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level.

(2) *Hotels and motel lodging uses.*

a. A new hotel or motel use shall be permitted provided that the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

b. An existing hotel or motel use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

(3) *Commercial and employment uses.* All uses shall be permitted unless otherwise proscribed above.

(b) *Residential uses.* An existing, unmodified residential use shall be allowed to continue. Enlargement, replacement, or reconstruction of an existing residential use shall not increase the density or the intensity of the use. Residential uses in tier two are further allowed as follows:

(1) An existing single family use will be permitted to renovate or convert non-livable area within the existing structure in which it is located, provided the use will not involve the subdivision of the property on which the existing single family use is located.

(2) An existing single family use will be permitted to enlarge the existing structure in

which it is located, provided the use will not involve the subdivision of the property on which the existing single family use is located.

(3) An existing single family use will be permitted to be replaced after a casualty under the following conditions:

a. The construction shall meet a 45 dBA interior sound level; and

b. The use will not involve the subdivision of the property on which the existing single family use is located.

(4) A new single family use shall be permitted only on the condition that the new construction shall meet or exceed a 45 dBA interior sound level.

(5) An existing multifamily use will be permitted to renovate an existing structure provided the use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(6) An existing multifamily use will be permitted to enlarge an existing structure under the following conditions:

a. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre.The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit; and

b. An enlargement shall meet or shall be located in a structure that meets a 45 dBA interior sound level.

(7) An existing multifamily use will be permitted to be replaced after a casualty under the following conditions:

a. The livable area shall meet a 45 dBA interior sound level;

b. The use will not involve the subdivision of the lot on which the existing multifamily use is located; and

c. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(8) A new multifamily residential use shall be permitted only on the condition that the construction shall meet or exceed a 45 dBA interior sound level.

(9) No new mobile or manufactured home parks or subdivisions shall be permitted.

(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 09-825, § 2, 9-16-09)

Sec. 9-405. Land uses in IAH tier three.

(a) *Nonresidential uses.* A new nonresidential use or enlargement of a nonresidential use is permitted in IAH tier three subject to a determination upon application for a building or development permit that it is proposed on property located in tier three and is therefore not subject to additional restrictions set forth in this section for tiers one and two.

(b) *Residential uses.* A new residential use or enlargement of a residential use is permitted in tier three subject to a determination at application for a building or development permit that such use/structure is proposed on property located in tier three and is therefore not subject to additional restrictions set forth in this section for tiers one and two.

(Ord. No. 08-1052, § 2, 12-3-08)

Secs. 9-406—9-500. Reserved.

DIVISION 3. HOUSTON HOBBY AIRPORT (HOU) COMPATIBLE LAND USE REGULATIONS

Sec. 9-501. Regulated area.

The area subject to the regulations contained within this division is shown in the HOU official airport land use map.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-502. General provisions.

Land uses not specifically allowed shall not be permitted. Notwithstanding any other provision of this article, no new residential use or structure shall be permitted within the present or any future 70 DNL or higher noise contour formally approved by the FAA for HOU.
(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-503. Land uses in HOU tier one.

(a) *Nonresidential uses.* Nonresidential uses are permitted in tier one as follows:

(1) *Public assembly uses and sensitive land uses.*

a. No permit shall be issued for the establishment of a new public assembly use or sensitive land use except as provided in paragraph d. of this item.

b. An existing public assembly use or sensitive land use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level.

c. An existing public assembly use or sensitive land use shall be permitted to construct new structures within the land area of a master plan for the entity, provided that any new structure meets a 45 dBA interior sound level.

d. A new public assembly use or sensitive land use shall be permitted under the following conditions:

[1] The new use shall be located in a structure that meets a 45 dBA interior sound level; and

[2] The owner grants the city an avigation easement and release over the affected property.

(2) *Hotels and motel lodging uses.*

a. A new hotel or motel use shall be permitted provided that the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

b. An existing hotel or motel use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

(3) *Commercial and employment uses.* All uses shall be permitted unless otherwise proscribed above.

(b) *Residential uses.* An existing, unmodified residential use shall be allowed to continue. Enlargement, replacement, or reconstruction of an existing residential use shall not increase the density or the intensity of the use. A residential use in tier one is further allowed as follows:

(1) An existing single family use will be permitted to renovate the livable area of an existing structure in which it is located if the renovation is entirely contained within the existing livable area of the structure, provided the use will not involve the subdivision of the property on which the existing single family use is located.

(2) An existing single family use will be permitted to enlarge the livable area of an existing structure in which it is located under the following conditions:

a. The use is located on a residential lot within an existing platted subdivision, or valid deed restrictions prohibit the use of the property for other than residential use;

b. The use will not involve the subdivision of the lot on which the existing single family use is located; and

c. The newly constructed livable area shall meet a 45 dBA interior sound level.

(3) An existing single family use will be permitted to convert existing non-livable area located wholly within an existing structure provided the use will not involve the subdivision of the lot on which the existing single family use is located.

(4) An existing single family use will be permitted to be replaced after a casualty under the following conditions:

a. The livable area shall meet a 45 dBA interior sound level.

b. The use will not involve the subdivision of the property on which the existing single family use is located.

(5) A new single family residential use shall be permitted under the following conditions:

a. The use is located on a residential lot within an existing platted subdivision, or valid deed restrictions prohibit the use of the property for other than residential use;

b. The construction shall meet a 45 dBA interior sound level; and

c. The use will not involve the subdivision of the lot on which the existing single family use is located.

(6) An existing multifamily use will be permitted to renovate an existing structure provided the use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(7) An existing multifamily use will be permitted to enlarge an existing structure under the following conditions:

a. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit; and

b. An enlargement shall meet or shall be located in a structure that meets a 45 dBA interior sound level.

(8) An existing multifamily use will be permitted to be replaced after a casualty under the following conditions:

a. The livable area shall meet a 45 dBA interior sound level;

b. The use will not involve the subdivision of the lot on which the existing multifamily use is located; and

c. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(9) A new multifamily residential use shall not be permitted.

(10) No new mobile or manufactured home parks or subdivisions shall be permitted.

(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 2011-221, § 3, 3-23-2011)

Sec. 9-504. Land uses in HOU tier two.

(a) *Nonresidential uses.* Nonresidential uses are permitted in tier two as follows:

(1) *Public assembly uses and sensitive land uses.*

a. A new public assembly use or sensitive land use shall be permitted provided the new use shall be located in a structure that meets a 45 dBA interior sound level.

b. An existing public assembly use or sensitive land use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level.

(2) *Hotels and motel lodging uses.*

a. A new hotel or motel use shall be permitted provided that the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

b. An existing hotel or motel use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

(3) *Commercial and employment uses.* All uses shall be permitted unless otherwise proscribed above.

(b) *Residential uses.* An existing, unmodified residential use shall be allowed to continue. Enlargement, replacement, or reconstruction of an existing residential use shall not increase the density or the intensity of the use. Residential uses in tier two are further allowed as follows:

(1) An existing single family use will be permitted to renovate or convert non-livable area within the existing structure in which it is located, provided the use will not involve the subdivision of the property on which the existing single family use is located.

(2) An existing single family use will be permitted to enlarge the existing structure in which it is located, provided the use will not involve the subdivision of the property on which the existing single family use is located

(3) An existing single family use will be permitted to be replaced after a casualty under the following conditions:

a. The construction shall meet a 45 dBA interior sound level; and

b. The use will not involve the subdivision of the property on which the existing single family use is located.

(4) A new single family use shall be permitted only on the condition that the new construction shall meet or exceed a 45 dBA interior sound level.

(5) An existing multifamily use will be permitted to renovate an existing structure provided the use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(6) An existing multifamily use will be permitted to enlarge an existing structure under the following conditions:

a. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit; and

b. An enlargement shall meet or shall be located in a structure that meets a 45 dBA interior sound level.

(7) An existing multifamily use will be permitted to be replaced after a casualty under the following conditions:

a. The livable area shall meet a 45 dBA interior sound level;

b. The use will not involve the subdivision of the lot on which the existing multifamily use is located; and

c. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(8) A new multifamily residential use shall be permitted only on the condition that the construction shall meet or exceed a 45 dBA interior sound level.

(9) No new mobile or manufactured home parks or subdivisions shall be permitted.

(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 09-825, § 2, 9-16-09)

Sec. 9-505. Land uses in HOU tier three.

(a) *Nonresidential uses.* A new nonresidential use or enlargement of a nonresidential use is permitted in HOU tier three subject to a determination upon application for a building or development permit that it is proposed on property located in tier three and is therefore not subject to additional restrictions set forth in this section for tiers one and two.

(b) *Residential uses.* A new residential use or enlargement of a residential use is permitted in tier three subject to a determination at application for a building or development permit that such use/structure is proposed on property located in tier three and is therefore not subject to additional restrictions set forth in this section for tiers one and two.

DIVISION 4. ELLINGTON AIRPORT (EFD) COMPATIBLE LAND USE REGULATIONS*

Sec. 9-601. Regulated area.

The area subject to the regulations contained within this division is shown in the EFD official airport land use map.

(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-602. General provisions.

Land uses not specifically allowed shall not be permitted. Notwithstanding any other provision of this article, no new residential use or structure shall be permitted within the present or any future 70 DNL or higher noise contour formally approved by the FAA for EFD.

(Ord. No. 08-1052, § 2, 12-3-08)

Sec. 9-603. Land uses in EFD tier one.

(a) *Nonresidential uses.* Nonresidential uses are permitted in tier one as follows:

(1) *Public assembly uses and sensitive land uses.*

a. No permit shall be issued for the establishment of a new public assembly use or sensitive land use except as provided in paragraph d. of this item.

b. An existing public assembly use or sensitive land use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level.

c. An existing public assembly use or sensitive land use shall be permitted to construct new structures within the land area of a master plan for

*__Editor's note—__Ord. No. 09-22, §§ 2, 3, adopted January 14, 2009, amended the title of Ch. 9, Art. VI, Div. 4 to read as herein set out. Formerly said division was entitled Ellington Field.

the entity, provided that any new structure meets a 45 dBA interior sound level.

d. A new public assembly use or sensitive land use shall be permitted under the following conditions:

[1] The new use shall be located in a structure that meets a 45 dBA interior sound level; and

[2] The owner grants the city an avigation easement and release over the affected property.

(2) *Hotels and motel lodging uses.*

a. A new hotel or motel use shall be permitted provided that the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

b. An existing hotel or motel use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

(3) *Commercial and employment uses.* All uses shall be permitted unless otherwise proscribed above.

(b) *Residential uses.* An existing, unmodified residential use shall be allowed to continue. Enlargement, replacement, or reconstruction of an existing residential use shall not increase the density or the intensity of the use. A residential use in tier one is further allowed as follows:

(1) An existing single family use will be permitted to renovate the livable area of an existing structure in which it is located if the renovation is entirely contained within the existing livable area of the structure, provided the use will not involve the subdivision of the property on which the existing single family use is located.

(2) An existing single family use will be permitted to enlarge the livable area of an existing structure in which it is located under the following conditions:

a. The use is located on a residential lot within an existing platted subdivision, or valid deed restrictions prohibit the use of the property for other than residential use;

b. The use will not involve the subdivision of the lot on which the existing single family use is located; and

c. The newly constructed livable area shall meet a 45 dBA interior sound level.

(3) An existing single family use will be permitted to convert existing non-livable area located wholly within an existing structure provided the use will not involve the subdivision of the lot on which the existing single family use is located.

(4) An existing single family use will be permitted to be replaced after a casualty under the following conditions:

a. The livable area shall meet a 45 dBA interior sound level.

b. The use will not involve the subdivision of the property on which the existing single family use is located.

(5) A new single family residential use shall be permitted under the following conditions:

a. The use is located on a residential lot within an existing platted subdivision, or valid deed restrictions prohibit the use of the property for other than residential use;

b. The construction shall meet a 45 dBA interior sound level; and

c. The use will not involve the subdivision of the lot on which the existing single family use is located.

(6) An existing multifamily use will be permitted to renovate an existing structure provided the use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(7) An existing multifamily use will be permitted to enlarge an existing structure under the following conditions:

a. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit; and

b. An enlargement shall meet or shall be located in a structure that meets a 45 dBA interior sound level.

(8) An existing multifamily use will be permitted to be replaced after a casualty under the following conditions:

a. The livable area shall meet a 45 dBA interior sound level;

b. The use will not involve the subdivision of the lot on which the existing multifamily use is located; and

c. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(9) A new multifamily residential use shall not be permitted.

(10) No new mobile or manufactured home parks or subdivisions shall be permitted.

(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 2011-221, § 3, 3-23-2011)

Sec. 9-604. Land uses in EFD tier two.

(a) *Nonresidential uses.* Nonresidential uses are allowed in tier two as follows:

(1) *Public assembly uses and sensitive land uses.*

a. A new public assembly use or sensitive land use shall be permitted provided the new use shall be located in a structure that meets a 45 dBA interior sound level.

b. An existing public assembly use or sensitive land use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level.

(2) *Hotels and motel lodging uses.*

a. A new hotel or motel use shall be permitted provided that the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

b. An existing hotel or motel use shall be permitted to enlarge within or renovate an existing structure where it is located, provided that any physical expansion of the structure meets a 45 dBA interior sound level where central HVAC is used. For hotels and motels wishing to utilize through wall systems, all other sound insulation requirements will apply.

(3) *Commercial and employment uses.* All uses shall be permitted unless otherwise proscribed above.

(b) *Residential uses.* An existing, unmodified residential use shall be allowed to continue. Enlargement, replacement, or reconstruction of an existing residential use shall not increase the density or the intensity of the use. Residential uses in tier two are further allowed as follows:

(1) An existing single family use will be permitted to renovate or convert non-livable area within the existing structure in which it is located, provided the use will not involve the subdivision of the property on which the existing single family use is located.

(2) An existing single family use will be permitted to enlarge the existing structure in which it is located, provided the use will not involve the subdivision of the property on which the existing single family use is located.

(3) An existing single family use will be permitted to be replaced after a casualty under the following conditions:

a. The construction shall meet a 45 dBA interior sound level; and

b. The use will not involve the subdivision of the property on which the existing single family use is located.

(4) A new single family use shall be permitted only on the condition that the new construction shall meet or exceed a 45 dBA interior sound level.

(5) An existing multifamily use will be permitted to renovate an existing structure provided the use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(6) An existing multifamily use will be permitted to enlarge an existing structure under the following conditions:

a. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit; and

b. An enlargement shall meet or shall be located in a structure that meets a 45 dBA interior sound level.

(7) An existing multifamily use will be permitted to be replaced after a casualty under the following conditions:

a. The livable area shall meet a 45 dBA interior sound level;

b. The use will not involve the subdivision of the lot on which the existing multifamily use is located; and

c. The use will not increase the density of development as shown by a filed subdivision plat or development plat, measured in dwelling units per acre. The applicant shall be required to demonstrate to the satisfaction of the director the density prior to the application for the residential building permit.

(8) A new multifamily residential use shall be permitted only on the condition that the construction shall meet or exceed a 45 dBA interior sound level.

(9) No new mobile or manufactured home parks or subdivisions shall be permitted.

(Ord. No. 08-1052, § 2, 12-3-08; Ord. No. 09-825, § 2, 9-16-09)

Sec. 9-605. Land uses in EFD tier three.

(a) *Nonresidential uses.* A new nonresidential use or enlargement of a nonresidential use is permitted in EFD tier three subject to a determination upon application for a building or development permit that it is proposed on property located in tier three and is therefore not subject to additional restrictions set forth in this section for tiers one and two.

(b) *Residential uses.* A new residential use or enlargement of a residential use is permitted in tier three subject to a determination at application for a building or development permit that such use/structure is proposed on property located in tier three and is therefore not subject to additional restrictions set forth in this section for tiers one and two.
(Ord. No. 08-1052, § 2, 12-3-08)

ARTICLE VII. AIRPORT HAZARD AREA REGULATIONS

DIVISION 1. IN GENERAL

Sec. 9-701. Applicability.

The provisions of this article shall apply within an airport hazard area, whether located within or outside the city. No land, body of water, structure or object of natural growth shall be used or permitted to be used, no structure or object of natural growth shall be erected, constructed, moved, reconstructed, structurally altered or maintained, nor shall any electronic emissions, visual effect, or other objects or activities which could adversely affect the operation of aircraft be permitted, for any purpose except in compliance with the terms of this article.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-702. Definitions.

As used in this article, these words and phrases shall have the meanings ascribed to them in this section, unless the context clearly indicates a different meaning. All words and phrases not defined shall have their common meaning.

Airport means George Bush Intercontinental Airport/Houston (IAH), William P. Hobby Airport (HOU) or Ellington Airport (EFD), as described by any current or future plans of HAS.

Airport commission means the airport zoning commission described in Chapter 241 that is charged with making recommendations to the city council on regulations and boundaries, and performing other tasks delegated to it in accordance with state law in the implementation of this article.

Airport hazard means any permanent or temporary structure or proposed structure; any addition to or alteration of an existing structure; any object of natural growth; or any electronic emission or visual effect, that obstructs or limits, or has the potential to obstruct or limit, the operation of aircraft to, from or in the vicinity of, any airport, including, but not limited to:

(1) Anything that obstructs the air space required for the taking off, landing or maneuvering of aircraft;

(2) Anything that interferes with visual, radar, radio or other systems for tracking, acquiring data relating to, monitoring or controlling aircraft;

(3) Anything tending to destroy or impair the utility of any airport;

(4) Anything constituting an obstruction to air navigation, as defined in section 77.21 *et seq.* of Part 77; or

(5) Anything that is found to be a hazard to air navigation or a presumed hazard to air navigation as a result of an aeronautical study conducted by the FAA pursuant to section 77.31 *et seq.* of Part 77.

Airport hazard area means the areas described in section 9-706 of this Code.

Airport hazard area permit or AHA permit means a permit issued by the department for regulated activities within an airport hazard area.

Airport hazard notification surface means any of the following surfaces:

(1) Primary notification surface, which is a slope of 100 feet horizontal to one foot vertical for a distance of 20,000 feet from the nearest point of each runway at each airport, or any TERPS surface that is lower at any point than this slope;

(2) Secondary notification surface, which is a surface that would be penetrated by a structure or an object of natural growth that is 200 feet above ground level at any given location within the city or in an air hazard area;

(3) Special one engine inoperative surface, which is a one-engine inoperative surface at any airport that is lower at any point than any other surface established by or pursuant to FAA regulation.

Board of adjustment or board means the board charged with hearing requests to reverse an order, requirement, decision, or determination of the director and deciding matters that are delegated to the board pursuant to this article.

Chapter 241 means Chapter 241 of the Texas Local Government Code, as it may be amended from time to time.

Composite perimeter means a perimeter line delineating the outer boundary of the combined TERPS surface, Part 77 surface, one engine inoperative surface and airport hazard notification surface at IAH, and at HOU/EFD combined, as those surfaces exist as of December 16, 2009 or may hereafter be established, and as shown on the official airport hazard area maps.

Development plat has the meaning ascribed in section 42-1 of this Code or as provided in an interlocal agreement for land located outside the city.

Form 7460-1 means the form identified in section 77.17 of Part 77.

Nonconformity means any airport hazard that penetrates any airport hazard notification surface and that legally exists as of March 1, 2010.

One engine inoperative surface means any surface established at each airport in accordance with FAA requirements to permit the safe operation of air carrier aircraft in the event of loss of engine power on takeoff.

Part 77 means Part 77 of the FAA regulations in Title 14, Code of Federal Regulations as it now exists or may hereafter be amended.

Part 77 surfaces means those surfaces identified in section 77.25 of Part 77.

Structure means anything that is built, constructed or erected, whether temporary or permanent, including, but not limited to, cranes and drilling rigs.

Subdivision plat has the meaning ascribed in section 42-1 of this Code, or as provided in an interlocal agreement for land located outside the city.

TERPS means one or more terminal instrument procedures surfaces established by FAA orders to protect aircraft on approach to and departure from, or operations in the vicinity of each airport.

(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-703. Essential community purpose.

The airports are used in the interest of the public to the benefit of the city and fulfill an essential community purpose.

(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-704. Other jurisdictions' regulations; interlocal agreements.

(a) Each municipality or county whose jurisdiction includes land within an airport hazard area may coordinate with the city to adopt an ordinance, order, or appropriate regulation consistent with this article, including airport hazard area regulations and maps, and provisions regarding the enforcement and administration thereof, or may enter into an interlocal agreement with the city pursuant to Chapter 791, Texas Government Code.

(b) If a municipality or county whose jurisdiction includes land within an airport hazard area does not enter into an interlocal agreement with the city, or adopt an ordinance, order or regulation consistent with this article, the city reserves its rights to enforce the terms of this article, as

well as all rights granted to the city under Chapter 241 in the airport hazard area within that jurisdiction.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-705. Cumulative effect.

(a) The provisions of this article are cumulative of all other requirements of this Code and other laws and regulations of the city, including, without limitation, the Construction Code, the Fire Code and the Houston Public Works Infrastructure Design Manual, as well as all applicable state and federal laws and regulations. Compliance with this article does not excuse compliance with any other law or regulation, and persons who are not required to obtain a permit pursuant to this article shall nevertheless obtain any other permits, licenses, and authorizations required by law.

(b) For land located outside the city, the provisions of this article are cumulative of the requirements imposed by ordinances or other laws and regulations of a municipality or county whose jurisdiction extends to land within an airport hazard area.

(c) If a conflict exists between this article and any other city ordinance or regulation, or an ordinance or regulation of another municipality or county whose jurisdiction extends to land within an airport hazard area, the provisions of this article shall control.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010; Ord. No. 2018-11, § 9, 1-10-2018)

Sec. 9-706. Airport hazard areas.

(a) The following airport hazard areas are hereby established:

(1) The land area within the IAH composite perimeter;

(2) The land area within the HOU/EFD combined composite perimeter;

(3) Airspace at or above 200 feet above ground level within the city; and

(4) Any area within the city on which an object or activity described in section 9-709 of this Code exists or is proposed.

(b) The director shall determine the location or character of an airport hazard area or other feature on an airport hazard area map in the event of any question or dispute with respect thereto.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-707. Airport hazard area maps.

The city council has adopted an official airport hazard area map for IAH and an official airport hazard area map for HOU/EFD combined, which shall be used to implement this article. The maps may be amended in accordance with Chapter 241. The official airport hazard area maps shall be maintained on file in the office of the city secretary, with a copy available at the department.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-708. Notice on plats; affidavit when no subdivision plat required.

(a) *Subdivisions requiring subdivision plat.* The recorded subdivision plat of any land located wholly or partially within an airport hazard area shall include on its face the following statement:

> **NOTICE:** Individual lots or parcels within this subdivision may be located in an airport hazard area and may be subject to height or use restrictions.

(b) *For construction on land not requiring subdivision plat.* Prior to the issuance of a permit for construction on or development of property located within any airport hazard area that has been platted prior to the effective date of this article, or that is not otherwise required to be platted, an affidavit in the form prescribed by the planning director shall be executed by the owners of the property setting forth, at a minimum, the notice language set forth in section 9-708(a) of this Code. The department shall record the affidavit in the real property records in the county in which the property is located, at the expense of the affiant.

(c) Prior to the use of any affidavit form, the city attorney or his designee shall review and approve the affidavit form for legal sufficiency. The affidavit form shall be attached to the permit application as a part thereof, shall include but not be limited to a description of the type of structure or activity for which the permit application is being made and any exhibits referred to therein, and shall be properly sworn to and subscribed before a notary public.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-709. Objects or activities that could adversely affect the operation of aircraft.

It shall be unlawful to create or maintain any electronic emission, visual effect or other object or activity in an airport hazard area that adversely affects the operation of aircraft. Upon receipt of a written notice of violation of this section from the director, the owner of the source of the electronic emission, visual effect or other object or activity shall immediately cease the emission, alter or remove the visual effect or other object or cease the activity.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-710. Objects of natural growth.

It shall be unlawful to plant or permit to grow any object of natural growth whose typical height at maturity will penetrate any airport hazard notification surface. The owner of any object of natural growth shall immediately remove the object of natural growth upon receipt of a written notice of violation of this section from the director. It shall be an affirmative defense to prosecution under this article that the object of natural growth does not penetrate an airport hazard notification surface.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-711. Continuation of nonconformity.

A nonconformity may be continued as it existed on March 1, 2010, but may not be enlarged or expanded unless in compliance with this article and other city requirements.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-712. Restoration of partially destroyed structure.

Nothing in this article shall prevent the repair or restoration, and continued occupancy or use, of any nonconforming structure destroyed to the extent of not more than 51 percent of its appraised market value, by fire, explosion or other casualty, natural disaster or other act of God or the public enemy. For purposes of this section, appraisal district records shall constitute prima facie proof of appraised market value.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-713. Mitigation of nonconformity.

(a) The owner of a nonconformity shall allow the installation, maintenance and operation of markers and lights, in accordance with FAA standards, deemed necessary by the department or the FAA to identify airport hazards.

(b) The owner of a tree or other object of natural growth that penetrates an airport hazard notification surface shall allow the department to lower or remove the tree or other object of natural growth to bring it into conformity with the requirements of this article.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Secs. 9-714—9-730. Reserved.

DIVISION 2. ADMINISTRATION

Sec. 9-731. Airport commission.

(a) An airport commission for airport hazard areas has been established by City of Houston Ordinance No. 2009-954. The members of the airport commission shall be the members of the city planning commission, as established pursuant to chapter 33 of this Code, and such other members as provided by this section.

(b) The airport commission may include a member appointed by the City of Humble and a member appointed by the City of Pasadena. The airport commission may also include members appointed by other units of local government whose jurisdiction extends to land within an airport hazard area upon entering into an interlocal agreement with the city, which members are not required to be residents of the city.

(c) A quorum of the airport commission shall be as provided in section 33-19 of this Code, regardless of whether the membership has been enlarged pursuant to this section. All meetings of the airport commission shall be held in accordance with the Texas Open Meetings Act, be recorded, and have minutes made and kept in accordance with all regulations governing the city planning commission.

(d) The airport commission may adopt such rules and regulations for the conduct of public hearings and meetings as are in compliance with federal and Texas law and city ordinances. Except as herein provided, all provisions of chapter 33 of this Code shall apply to the airport commission.

(e) The director shall be a non-voting, ex officio member and shall serve as secretary to the commission.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-732. Department; director.

The department is hereby designated the agency responsible for administering and enforcing this article. The director or his designee is hereby designated as the administrator of this article. The duties of the director shall include:

(1) To promulgate rules and forms as necessary to administer and enforce the provisions of this article;

(2) To review and approve or disapprove applications for AHA permits in accordance with the provisions and timelines of this article and Chapter 241; and

(3) To charge and collect applicable fees, as set by the city council, for processing each AHA permit.

(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-733. Board of adjustment.

(a) *Establishment of board of adjustment and board powers.* A board of adjustment is hereby created pursuant to Chapter 241 and shall have the following powers:

(1) To hear and decide appeals, as provided by Chapter 241, or pursuant to this article, from an order, requirement, decision, or determination made by the director in the enforcement of this article;

(2) To hear and decide special exceptions to the terms of this article; and

(3) To grant variances from these regulations.

(b) *Board composition.* The board shall be composed of five members appointed by position to two-year terms. The mayor may appoint an individual board member to serve in matters involving only IAH, matters involving only HOU and matters involving only EFD, which members shall serve individually in position 5(IAH), position 5(HOU), and position 5(EFD), respectively. Members, including alternate members, shall be appointed by the mayor and confirmed by the city council and shall be residents of the city, except as provided in subsection (4), below.

(1) The mayor shall appoint a chair from among the members.

(2) The director shall be a non-voting, ex officio member of the board and shall serve as secretary to the board.

(3) An alternate member may be appointed for each position. An alternate member may serve in the absence of the member in that position.

(4) In the event another governmental entity whose jurisdiction includes land within an airport hazard area enters into an interlocal agreement with the city for enforcement of the terms of this article, the agreement may contain provisions for the appointment to the board of a resident of that governmental entity for matters affecting property within that entity's jurisdiction only. Any member so appointed does not need to be a resident of the city.

(5) The board may be composed of the same members appointed to the Board of Adjustment for Airport Land Use regulations in article VI of this chapter.

(c) *Board procedures.* The board shall adopt rules and procedures for its governance consistent with the provisions of this article, including how members shall rotate to allow members appointed under section 9-733 (b)(4) of this Code to participate as required. A board member may be removed by the appointing authority for cause on a written charge after a public hearing. A vacancy in any position shall be filled for the remainder of the unexpired term, giving first consideration to any current alternate members. The board shall adopt a regular meeting schedule and shall give public notice of the meeting schedule by publication for three consecutive days in a daily newspaper of general circulation within the city and any other jurisdiction located within the airport hazard area. The board may change this meeting schedule by the adoption of a new schedule, the effective date of which shall not be less than ten days after publication of the new schedule for three consecutive days in a daily newspaper having general circulation within the city and any other jurisdiction located within the airport hazard area. The board may meet in panels to consider each airport individually. The chair, or the acting chair, may administer oaths and compel the attendance of witnesses. All hearings of the board of adjustment shall be public. The board shall keep minutes of its proceedings showing the vote of each member upon each question, and if any member is absent or fails to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall immediately be filed in the office of the board of adjustment and are public records. Four members of the board shall constitute a quorum. The concurring vote of four members of the board shall be necessary to:

(1) Reverse an order, requirement, decision, or determination of the director;

(2) Decide in favor of an applicant on a matter on which the board is required to pass under this article; or

(3) To hear and decide specific variances from this article.

(d) *Compensation.* Members of the board, in the performance of their duties as such, shall serve without compensation.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Secs. 9-734—9-750. Reserved.

DIVISION 3. AIRPORT HAZARD AREA PERMITS

Sec. 9-751. Potential airport hazard—Structures; airport hazard area permit required.

(a) Any proposed structure or any proposed permanent or temporary improvement to any existing structure that, as described by plans, specifications, application for building permit or other information, would, if constructed or erected, penetrate any airport hazard notification surface, shall constitute a potential airport hazard.

(b) It shall be unlawful to place, construct, or erect any potential airport hazard or alter an existing structure to create a potential airport hazard without an AHA permit issued pursuant to this article.

(c) A current valid AHA permit that is required by this section is a condition for the approval of a development plat or the issuance of a building permit.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-752. AHA permit procedure—Initial determination.

(a) Department staff shall review each completed application for a development plat, building permit or other plans to determine whether a proposed structure would, if built or erected, constitute a potential airport hazard.

(b) If the department determines that a proposed structure would not penetrate any airport hazard notification surface, no AHA permit shall be required.

(c) If the department determines that a proposed structure would penetrate an airport notification surface, an AHA permit shall be required.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-753. AHA permit procedures—FAA submission.

To obtain an AHA permit, the proponent of a proposed structure shall first submit a Form 7460-1 for the structure to the FAA in accordance with the requirements of section 77.17 of Part 77 and obtain a determination from the FAA as provided in section 77.35 of Part 77.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-754. AHA permit application.

(a) Upon receipt of a notice of determination by the FAA, the proponent of a proposed structure shall submit to the department an AHA permit application in the form prescribed by the director, which shall include:

(1) The name of the applicant;

(2) The address of the proposed structure;

(3) The maximum height above ground level of the proposed structure including all appurtenances that extend above roof level;

(4) A copy of the Form 7460-1 previously filed with the FAA;

(5) The FAA notice of determination for the proposed structure; and

(6) Any additional information that the director may reasonably require.

(b) No AHA permit application shall be accepted by the director unless it is complete, accompanied by all required documents and information, including all applicable permit fees, and the affidavit required by section 9-708 of this Code, if applicable.

(c) The director shall make a determination of completeness in writing to the applicant no later than the tenth business day after the date that the AHA permit application is filed. The determination of completeness shall:

(1) Indicate that the application is complete; or

(2) Indicate that the application is not complete and specify the documents or other information necessary to complete the application and shall state the date the permit application will expire, which shall be on or after 45 days from the date of the director's determination.

(d) If the required additional information is not timely submitted, the AHA permit application shall be deemed to have expired, and a new permit application shall be required.

(e) The director shall review each complete AHA permit application, and if in compliance with this article, an AHA permit shall be issued; if not in compliance with this article, the application shall be denied, with a notation of the reasons for denial.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-755. AHA permit review, approval, denial.

(a) The director shall review each complete AHA permit application to determine whether an AHA permit can be approved pursuant to this section.

(b) The director shall approve an AHA permit application for a proposed structure that penetrates a primary or secondary notification surface only if the final FAA determination for the proposed structure is a "No Hazard to Air Navigation", a "Does Not Exceed", or an "Exceeds But Okay" determination. In all other cases, the director shall deny the AHA permit application.

(c) The director shall deny an AHA permit application for a proposed structure that he confirms will penetrate a special one engine inoperative surface.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-756. Expiration.

An AHA permit shall expire if construction has not commenced within two years of the approval of an AHA permit or upon completion of the structure for which it is approved, whichever occurs first.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-757. Revocation of permit; appeal process.

(a) In addition to any enforcement remedies allowed by law, whenever the director finds that there are grounds for revocation of an AHA permit, he shall give written notice to the permittee by personal service or by certified mail, return receipt requested, addressed to the applicant at the address set forth in the AHA permit application. The notice shall include:

(1) The specific grounds upon which the permit in question may be revoked;

(2) The fact that there will be a hearing in which the city will seek the revocation of the permit;

(3) The date, time and place of the hearing;

(4) The fact that the permittee may appear in person or be represented by an attorney; and

(5) Any notice required by other city ordinance.

(b) All hearings shall be held by a hearing officer appointed by the director.

(c) All hearings shall be conducted under rules consistent with the nature of the proceedings; provided however, that the following specific rules shall also apply:

(1) All parties shall have the right to representation by a licensed attorney, though an attorney is not required.

(2) Each party may present witnesses in its own behalf.

(3) Each party shall have the right to cross-examine all witnesses.

(4) Only evidence presented before the hearing officer at the hearing may be considered in rendering the final order.

(d) If the permittee fails to appear at the hearing on the date and time specified, the city shall introduce evidence to establish a prima facie case on behalf of the city showing that grounds exist for revocation of the AHA permit.

(e) After completion of the presentation of evidence by all parties appearing, the hearing officer shall make written findings and render a written order as to whether or not grounds exist for the revocation of the AHA permit. If grounds exist, the hearing officer shall revoke the permit; provided that he may, in the interest of justice, take such other lesser actions as deemed appropriate including, but not limited to, the temporary suspension of the permit, the revision of the permit, or the addition of permit conditions. A true and accurate copy of the order shall be personally delivered or mailed by certified mail, return receipt requested, to the permittee.

(f) In the event an AHA permit is revoked, suspended, or revised, the city shall not be liable to any person for any refund of any part of any permit fees.

(g) An action under this section may be appealed to the city council pursuant to Rule 12 of the city council rules of procedure, upon the filing of a written application therefor with the city secretary within ten days from the date the written order is signed by the hearing officer. Filing of an appeal under this section shall not operate to suspend the hearing officer's order thereon.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-758. Fees.

The fees that shall be paid by an applicant for an AHA permit, appeals and variances are stated for this article in the city fee schedule. Payment of any applicable fees when due is a condition of the processing of any application under this article.
(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Secs. 9-759—9-780. Reserved.

DIVISION 4. APPEALS, VARIANCES AND SPECIAL EXCEPTIONS

Sec. 9-781. Appeals.

Except for actions brought under section 9-757 of this Code, the board shall hear and decide an appeal from an order, requirement, decision, or determination made by the director in the application or enforcement of this article in accordance with such reasonable rules as the board may establish.

(1) *Who may appeal.* Any person aggrieved by an order, decision, or determination of the director, any taxpayer affected by a decision or determination of the director made in the administration of this article, or the governing body if the governing body believes the order, decision or determination is an improper application of this article may file and appeal under this article.

(2) *Commencement of appeals.* All appeals hereunder must be taken within seven business days of the director's decision or prior to commencement of construction, whichever occurs first, by filing a notice of appeal with the board and the department specifying the grounds for the appeal. The department shall transmit to the board all papers constituting the record upon which the action appealed was taken.

(3) *Stay of proceedings.* An appeal shall stay all proceedings in furtherance of the action appealed unless the director certifies in writing to the board that by reason of the facts stated in the certificate, a stay would, in the opinion of the director, cause imminent peril to life or property. In such case, proceedings shall not be stayed except by order of the board on notice to the director and on due cause shown.

(4) *Appeal procedures.* The board shall set a reasonable time for an appeal hearing, and public notice of the hearing and due notice to the parties in interest shall be given as provided in section 9-785 of this Code. The board shall decide an appeal within a reasonable time. At the hearing, any party may appear in person, by agent, or by attorney.

(5) *Decision.* The board may reverse or affirm, in whole or in part, or modify the director's order, requirement, decision, or determination from which an appeal is taken and make the correct order, require-

ment, decision, or determination, and for this purpose the board of adjustment has the same authority as the department. The board, however, may not issue a decision that would result in the issuance of an AHA permit that would allow the creation of an airport hazard.

(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-782. Variances.

(a) The board shall hear and decide specific variances to the regulations in this article.

(1) A person who desires to place, construct, erect, or alter a structure or object of natural growth in a manner inconsistent with this article may apply to the board of adjustment for a variance from the regulations.

(2) The board shall allow a variance from these regulations if:

a. A literal application or enforcement of the regulation would result in practical difficulty or unnecessary hardship;

b. The granting of the relief would:

[1] Result in substantial justice being done;

[2] Not be contrary to the public interest; and

[3] Be in accordance with the spirit of these regulations and Chapter 241;

c. The variance is the minimum variance that will make possible the reasonable use of the land, structure, or object of natural growth; and

d. The variance would not result in the issuance of an AHA permit that would allow the creation of an airport hazard.

(3) In determining whether the standards set forth in subitems (2)c and d above have been met, the board shall consider the following factors:

a. The FAA's determination as to whether the proposed structure would constitute a hazard to air navigation;

b. The director's determination as to whether the proposed structure would penetrate a special one engine inoperative surface;

c. The nature of the terrain and height of existing structures;

d. Public and private interest and investments;

e. The character of aircraft operations and planned future development of the airport;

f. Federal airways as designated by the FAA;

g. Technological advances;

h. The safety of persons on the ground and in the air;

i. Land use density; and

j. Safe and efficient use of navigable airspace.

(4) The board may impose any reasonable conditions on a variance that it considers necessary to accomplish the purposes of this article and Chapter 241.

(5) A request for a variance shall be made by filing with the director a complete application in the form prescribed by the director, and payment of the fee stated for this provision in the city fee schedule. The director shall set a reasonable time for a hearing date and shall give public notice of the hearing and due notice to the parties in interest as required by section 9-785 of this Code. The board shall conduct a public hearing on the application and shall make its decision within a reasonable time, not to exceed 30 days from the date of the close of the hearing. In each case, the board shall make written findings that all conditions for the particular variance sought have been met or not met, and the board may impose such additional conditions or safeguards it deems necessary to protect the public interest.

(b) Exclusions from board authority.

(1) Applications for variance when the FAA has ruled that the placement, construction, or alteration of the structure or object of natural growth would constitute a hazard to air navigation.

(2) Enlargement of any nonconformity. A request for action by the board regarding a nonconforming structure or object of natural growth may be considered only to determine that a structure or object of natural growth is, or is not, in whole or in part, a legal nonconformity.

(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010; ; Ord. No. 2011-1168, § 13, 12-14-2011; Memorandum of 9-12-2012)

Sec. 9-783. Special exceptions.

The board shall be entitled to hear and grant special exceptions to the terms of this article as provided in this section.

(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-784. Time for submittal.

Complete applications shall be reviewed and referred to the board by the director for the next meeting for which proper notice pursuant to section 9-785 of this Code can be given.

(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Sec. 9-785. Notification of application before the board.

(a) The director shall give public notice of a hearing before the board on an appeal of the director's decision, a special exception, or a variance by:

(1) Either:

a. Mailing a letter, first class mail, postage paid, to the owner of the property that is the subject of the matter presented to the board, and to the owners of all lots or tracts that are within 250 feet of the boundary of the property, as shown on the most recently approved ad valorem tax rolls of the city not less than the seventh day before the first meeting at which the board will first consider the application; or

b. By causing the information to be readily available to the public in an electronic format; and

(2) By letter mailed first class mail, postage paid, or by electronic mail message to each neighborhood association with defined boundaries registered with the department in whose area the property is located as soon as reasonably possible before the first meeting at which the board will consider the application.

(b) The applicant shall give notice of an application before the board by posting at least one sign on the property that is the subject of a proposed variance or special exception before the tenth business day before the date of the meeting at which the board will first consider the application. A sign shall face each public right-of-way bordering the site, provided, however, that if more than four signs would be required to be posted, the applicant may request the director to approve an alternative number and location of signs. The director shall approve an alternative to the number and location of signs required by this subsection in excess of four upon determining that the alternative will provide maximum visibility and obtain the objectives of this section without unduly burdening the applicant. Each sign shall be a minimum of four by eight feet in size and shall be posted no more than 15 feet from the public right-of-way. The lettering on the sign shall be legible from the public right-of-way. The applicant shall use reasonable efforts to maintain each required sign on the site until the close of the meeting at which the board acts on the application. The sign shall provide the following information:

(1) The application number of the request and the fact that a variance or special exception is being requested;

(2) The date, time, and place of the meeting at which the board will first consider the application;

(3) A telephone number of the applicant to call for additional information; and

(4) A department telephone number to call for additional information.

(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Secs. 9-786—9-800. Reserved.

DIVISION 5. ENFORCEMENT; PENALTY

Sec. 9-801. Actions authorized to enforce article.

(a) The city, acting through the city attorney or any other attorney representing the city, is hereby authorized to file an action in a court of competent jurisdiction to:

(1) Enjoin any person from violating the terms, conditions and restrictions of an AHA permit issued under this article;

(2) Enjoin or abate the violation of the provisions of this article;

(3) Recover civil penalties for violation of the terms, conditions and restrictions of an AHA permit issued under this article;

(4) Recover civil penalties for violation for the provisions of this article; or

(5) Recover damages from the owner of property in an amount adequate for the city to undertake any construction or other activity necessary to bring about compliance with this article on the property.

(b) The city, acting through the city attorney or any other attorney representing the city, is hereby authorized to enter into agreements in lieu of litigation to achieve compliance with the terms, conditions and restrictions of any AHA permit issued under this article or the provisions of this article.

(c) The director is authorized to:

(1) Whenever any work authorized by an AHA permit is being performed contrary to the provisions of this article, or other pertinent laws or ordinances implemented through the enforcement of this article, order the work (other than work to cure a violation) stopped by notice in writing served on any persons performing the work or causing the work to be performed. Any such persons shall forthwith stop the work until authorized by the director to proceed with the work.

(2) At the time a stop work order is issued, the person performing the work and the permit holder shall be given notice of a right to a hearing on the matter pursuant to section 9-757 of this article. Any stop work order that has been issued shall remain in effect pending any hearing that has been requested unless the stop work order is withdrawn by the director.

(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010; Ord. No. 2021-1037, § 20(Exh. I.9), 12-1-2021, eff. 4-1-2022)

Sec. 9-802. Penalty.

It shall be unlawful to violate any provision of this article. The penalty for violation shall be up to $2,000.00 for each day of violation.

(Ord. No. 09-1301, § 2, 12-16-09, eff. 3-1-2010)

Art. XIX. Child Care Homes, §§ 10-731—10-750
Art. XX. Hoarding and Related Behaviors, §§ 10-751—10-1000

ARTICLE I. IN GENERAL

Sec. 10-1. Construction Code.

(a) Nothing in this Code or the ordinance adopting this Code shall be deemed to repeal or affect the validity of the Construction Code. The Construction Code is published as a separate code. The Construction Code, as amended, is hereby continued in full force and effect to the same extent as if set out in full herein, save and except any provisions which may be in conflict with any provision of this Code.

(b) The *Construction Code* was formerly known as the *Building Code.* Any reference in city ordinances, contracts, or other documents to the *Building Code* shall be construed to mean the document now known as the *Construction Code,* unless the reference is clearly intended by its context to mean that document called the *Building Code,* which is now one of several documents that constitute the *Construction Code.*
(Code 1968, § 10-1; Ord. No. 02-399, § 28, 5-15-02; Ord. No. 05-603, § 6, 5-11-05; Ord. No. 2021-1037, § 20(Exh. I.10), 12-1-2021, eff. 4-1-2022)

Sec. 10-2. Code compliance review.

The building official shall forward each application for the issuance or amendment of a building permit to the director of the department of planning and development or the director's designee to determine compliance with chapters 26, 33, and 42 of this Code and those provisions of the Construction Code that relate to driveways, sidewalks, parking lots, and alleys, if the scope of the work involves one or more of the following:

(1) The construction of any new structure or building;

(2) An addition to any structure or building;

(3) A change in occupancy designation of a structure or building or portion thereof;

(4) The construction of any driveway or curb cut;

(5) The construction or expansion of any parking lot;

(6) The construction of any fence over eight feet high;

(7) The construction of any retaining wall;

(8) The construction of any masonry wall;

(9) The exterior modification to the ground floor façade, as the term is defined in section 42-1 of this Code, to any structure or building located on a tract adjacent to a walkable places street or transit-oriented development street; or

(10) The construction, removal, or alteration of a sidewalk.

There is hereby imposed the fee stated for this provision in the city fee schedule for the review under this section. The building official shall collect this fee from the applicant at the time of the issuance of the building permit or amendment. The fee shall not be refundable and shall be in addition to any other fee imposed by law.
(Ord. No. 99-262, § 8, 3-24-99; Ord. No. 02-399, § 29, 5-15-02; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2020-684, § 2(Exh. A), 8-5-2020)

Sec. 10-3. Declaration concerning deed restrictions on property—Prerequisite to issuance of building permit.

(a) No building permit shall be issued until a declaration as provided in section 1-11 of this Code has been submitted to the building official stating that the construction, alteration, or repair for which the building permit is sought, and the use to which the improvement or building is to be put, will not violate deed restrictions or restrictive covenants running with the land, except that no such declaration need be submitted to obtain a permit solely for the following:

(1) The demolition of a building;

(2) The repair of a building, provided that the materials and methods to be used for

the repair are substantially the same as the materials and methods used for the construction of the building; or

(3) The interior remodeling of a building, provided that the remodeling will not

change the building's "use and occupancy classification" within the meaning of Chapter 3 of the *Building Code.*

(b) The director is authorized to promulgate declaration forms to use in the implementation of this section. Prior to the use of any declaration form, the city attorney or his designee shall review and approve the declaration form for legal sufficiency. The declaration form shall be attached to the building permit application as a part thereof, and shall include but not be limited to, a description of the type of occupancy for which the building permit application is being made, any exhibits referred to therein, and shall be properly subscribed by the person making the declaration as true under penalty of perjury.
(Code 1968, § 10-3; Ord. No. 71-2253, § 1, 12-3-71; Ord. No. 85-1180, § 1, 7-10-85; Ord. No. 88-1555, §§ 1, 2, 9-21-88; Ord. No. 90-635, § 21, 5-23-90; Ord. No. 94-1154, § 3, 10-26-94; Ord. No. 98-613, § 22, 8-5-98; Ord. No. 01-770, § 1, 8-15-01; Ord. No. 09-761, § 2, 8-19-09; Ord. No. 2015-160, § 4, 2-18-2015; Ord. No. 2021-1037, § 20(Exh. I.11), 12-1-2021, eff. 4-1-2022)

Sec. 10-3.1. Same—Prerequisite to issuance of certificate of occupancy or a life safety compliance certificate.

(a) No certificate of occupancy or life safety compliance certificate that is not required by a building permit application made in compliance with section 10-3 of this Code shall be issued by the building official except upon a written application including a declaration as provided in section 1-11 of this Code that the building or structure for which the certificate is sought, and the use to which it will be put, will not violate the deed restrictions or restrictive covenants running with the land to which the property is subject as set forth in the declaration.

(b) The director is authorized to promulgate declaration forms to use in the implementation of this section. Prior to the use of any declaration form pursuant to this section, the city attorney or his designee shall review the declaration form for legal sufficiency and approve each declaration form the city attorney or his designee, in his sole professional judgment, determines to be legally sufficient. The declaration form shall be attached to the certificate of occupancy or life safety compliance certificate as a part thereof, and shall include but not be limited to, a description of the type of occupancy for which the certificate of occupancy or life safety compliance certificate is being made, any exhibits referred to therein, and shall be properly subscribed by the person making the declaration as true under penalty of perjury.
(Ord. No. 85-1530, § 1, 9-4-85; Ord. No. 90-635, § 22, 5-23-90; Ord. No. 94-1154, § 4, 10-26-94; Ord. No. 01-770, § 2, 8-15-01; Ord. No. 2015-160, § 4, 2-18-2015)

Sec. 10-4. Stop work orders.

Where construction or other work is being done contrary to the provisions of this Code, the Construction Code or the Fire Code, or is being done in an unsafe or dangerous manner, the building official may order the work stopped by notice in writing served on the person engaged in doing or causing the work to be done, and the person shall forthwith stop the work until authorized to recommence it by the building official.
(Code 1968, § 18-60; Ord. No. 73-2079, § 1, 11-21-73; Ord. No. 90-635, § 23, 5-23-90; Ord. No. 02-399, § 30, 5-15-02)

Sec. 10-5. Reserved.

Editor's note—Section 4 of Ord. No. 92-147, adopted Feb. 12, 1992, repealed § 10-5 in its entirety. Formerly, § 10-5 pertained to the securing of unoccupied buildings and derived from § 18-73 of the 1968 Code; § 1 of Ord. No. 78-243, adopted Feb. 14, 1978; § 2 of Ord. No. 86-57, adopted Jan. 21, 1986; § 3 of Ord. No. 89-1079, adopted July 12, 1989; § 23 of Ord. No. 90-635, adopted May 23, 1990; § 1 of Ord. No. 91-360, adopted Mar. 13, 1991; and §§ 5 and 6 of Ord. No. 91-1102, adopted July 31, 1991.

Sec. 10-6. Deposits of foam or spray from air conditioning equipment.

Any person who operates or permits to be operated, on property owned, leased or in his possession, control or management, any air conditioning equipment shall cause the said equipment to be operated and maintained in such a manner that no foam or water spray from

such equipment blows onto or is otherwise deposited on any other person's property. Each day that such condition is allowed to continue after five days' notice from the neighborhood protection official to correct such condition shall constitute a separate offense.
(Code 1968, § 28-17; Ord. No. 70-1720, § 1, 10-6-70; Ord. No. 90-635, § 23, 5-23-90; Ord. No. 93-514, § 20, 5-5-93; Ord. No. 94-674, § 9, 7-6-94; Ord. No. 98-613, § 23, 8-5-98)

Sec. 10-7. Maintenance of premises liable to fire.

Any owner or occupant of any building or other structure or premises who shall keep or maintain the same when, for want of repair or by reason of age or dilapidated condition, or for any other cause, such building is especially liable to fire, and is so situated as to endanger buildings or property of others, or is especially liable to fire and is so occupied that fire would endanger other persons or other property therein, shall be guilty of a misdemeanor. Each day that such condition is allowed to continue after five days' notice by the fire marshal to correct such condition is hereby declared a separate offense.
(Code 1968, § 28-61; Ord. No. 69-756, §§ 1, 2, 4-30-69)

Sec. 10-8. Access rights to adjacent single-family residential property.

The building official shall not issue a permit for the construction of a new building or addition to an existing building within three feet of property used for or restricted to single-family residential use, as that phrase is defined in chapter 42 of this Code, unless the owner of the property for which a permit is sought has filed a separate instrument in the form provided for by the director of the department of planning and development for recordation in the real property records that provides for the owner's right to enter onto the adjacent single-family residential property for the purpose of performing construction, repairs, and maintenance to the building on the property for which a permit is sought.
(Ord. No. 2013-343, § 2, 4-24-2013)

Secs. 10-9—10-30. Reserved.

ARTICLE II. BUILDINGS ON UTILITY EASEMENTS

Sec. 10-31. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(1) *Actual notice.* Actual knowledge or such circumstances or conditions as would put a person of ordinary prudence on inquiry to determine the facts.

(2) *Constructive notice.* Such information or facts as may be determined from instruments in writing placed of record in the office of the county clerk of the county.

(Code 1968, § 10-31)

Sec. 10-32. Permit to construct—Required.

It shall be unlawful for any person to build, erect, or construct, or cause to be built, erected or constructed any building, structure or edifice for any use or occupancy whatsoever in, upon, over or across any easement, or any part thereof, granted to the city for sanitary sewer, storm water, water main, or electric line conduit purposes, or a combination of same, or upon, over, or across any privately constructed sanitary sewer, storm sewer, water main, or electric line conduit managed, supervised, or controlled by the city or connected with the sanitary sewer system, storm sewer system, water main system or electric line conduit system of the city when such person has actual or constructive notice of such privately constructed sewers, mains, or conduits, without first procuring a written permit to do so from the utility official.
(Code 1968, § 10-32; Ord. No. 90-635, § 24, 5-23-90)

Sec. 10-33. Same—Application.

Application for a permit required by section 10-32 of this Code shall be addressed in writing to the utility official. The applicant shall set forth therein:

(1) The true name and address of the person seeking the permit.

(2) The name and address of the contractor employed to do the work, if any.

(3) The nature of the building, structure or edifice proposed to be erected, including the type of construction proposed.

(4) The use or occupancy to which such proposed building, structure or edifice is to be put.

(5) The legal description and street address of the lot or tract of land upon which the building, structure or edifice is proposed to be built.

(6) Whether or not such proposed building, structure or edifice, or any part thereof, will be in, upon, over or across any easement granted to the city for the purposes enumerated in section 10-32, or upon, over, or across any privately constructed sanitary sewer, storm sewer, water main, or electric line conduit of which the applicant has actual or constructive notice.

(Code 1968, § 10-33; Ord. No. 90-635, § 24, 5-23-90)

Sec. 10-34. Issuance and appeals.

(a) Upon receipt of an application for the permit required by section 10-32 of this Code, the utility official shall consider the impact of the use proposed by the applicant upon the present and probable future uses of the easement by the city, including but not limited to the city's need for ingress and egress to maintain and construct improvements within the easement and the potential risk of damage to the city's improvements. The permit shall be granted unless the utility official determines that the proposed use will materially interfere in some manner with the city's exercise and enjoyment of its easement rights.

(b) If the utility official refuses to grant such permit, the applicant may have such action reviewed by an appeal to the city council, in writing, within ten days after the decision of the utility official is published. The decision of the council shall be final.

(Code 1968, § 10-34; Ord. No. 90-635, § 24, 5-23-90)

Sec. 10-35. Permit to maintain when construction permit not obtained.

Should it be made to appear to the utility official, upon written application by any person, that a building, structure or other edifice has been constructed upon or across any sanitary sewer, storm sewer, water main or easement granted for the purpose of constructing and maintaining such utilities, and that such construction was done without the permit required by section 10-32 of this Code through inadvertence, mistake or ignorance of the existence of the sewer, water line, or easement in question, the utility official is empowered to issue a permit to maintain such building, structure or edifice, provided that, upon investigation, the utility official is satisfied that a permit would have been granted in the initial instance prior to construction. Should the utility official refuse to issue the permit to maintain as herein provided, the applicant shall have the same right to appeal to the city council as provided in section 10-34 of this Code.

(Code 1968, § 10-35; Ord. No. 90-635, § 24, 5-23-90)

Sec. 10-36. Assumption of risks by builder.

Regardless of whether a permit has been issued therefor under this article, or not, any person who builds, erects, or constructs a building, structure, or edifice over any of the sewers, mains or lines enumerated in section 10-32 of this Code assumes all of the risks incident to such construction, and the city shall never be liable for any damage occasioned to any such building, structure, or edifice by reason of the granting of permission to build or construct the same, or because of the supervision, operation and maintenance of any sanitary sewer, storm sewer, water main, or electric line conduit, whether the same is in an easement granted to the city for that purpose or privately constructed.

(Code 1968, § 10-36; Ord. No. 90-635, § 24, 5-23-90)

Sec. 10-37. Tunneling to inspect or repair utility installations.

If, in the course of maintenance and supervision of any of the sewers, mains or conduits enumerated in section 10-32 of this Code over which a building, structure or edifice has been built or erected, it should become necessary to tunnel beneath or excavate through the floor or foundation of such building, structure or edifice for the purpose of making inspections or repairs, the person owning such building, structure or edifice, his successors or assigns, shall, regardless of whether a permit has been issued therefor under this article, or not, stand and bear all of

the expense and damage occasioned to such building, structure or edifice by reason of such tunneling or excavation. In addition thereto, such person shall likewise stand and bear the added cost incurred by the city in tunneling beneath or excavating through the floor or foundation of such building, structure or edifice for the purpose of making such inspections or repairs, the amount of which added cost is to be determined by the utility official, and such amount shall be paid promptly to the city.
(Code 1968, § 10-37; Ord. No. 90-635, § 24, 5-23-90)

Secs. 10-38—10-47. Reserved.

ARTICLE III. HOUSE MOVING

DIVISION 1. GENERALLY

Sec. 10-48. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(1) *House.* Any building, structure or edifice.

(2) *House moving.* The transportation of a house from place to place along or across any public street within the corporate limits of the city.

(3) *Licensee.* A person licensed under this article to engage in the business of house moving.

(4) *Street.* The term "street" shall mean any part of the street right-of-way, including the sidewalk area.

(Code 1968, § 10-48)

Sec. 10-49. Compliance with construction code; landowner's agreement; bond; certificate of compliance; move to house repair or resale lot.

(a) It shall be unlawful for any licensee to begin or complete the moving of any building onto any property in the city unless the permanent location and foundation of the building on the property complies in all respects with the Construction Code. No permit shall be issued to move any building, and no building shall be moved onto any property in the city, unless the owner of the land upon which the building is to be moved has completed a landowner's agreement on a form approved by the building official and has delivered a cashier's check to the city pursuant to the requirements set out below, or has posted a bond signed by the owner as principal and by a good and sufficient corporate surety company licensed to do business in the state as surety, which bond shall be in a form approved by the building official.

The bond shall be in the sum of $3,500.00 and shall provide and be conditioned that if the owner fails or refuses to timely perform any one or more of his obligations under the landowner's agreement, then the surety shall be liable for reimbursement of the costs incurred by the city for demolition of the building.

If a cashier's check is delivered to the city in lieu of the aforesaid surety bond, it shall be in the amount of $3,500.00, issued by a bank that is insured by the Federal Deposit Insurance Corporation and made payable to the city. The cashier's check shall be for reimbursement of the costs incurred by the city for demolition of the building if the owner fails or refuses to timely perform one or more of his obligations under the landowner's agreement.

In the landowner's agreement the owner shall set out his full name, mailing address, the legal description and the street address of the property upon which the building is to be moved and the purpose for which the building will be used after it has been moved and repaired, specifying the purpose in sufficient detail so that the applicable Construction Code occupancy can be determined. The owner shall certify that the occupancy will not violate any valid and applicable deed restriction or covenant running with the land. The landowner shall covenant and agree in the landowner's agreement:

(1) That application will be made for all necessary permits to bring the building

into compliance with the Construction Code within 30 calendar days after the building is moved onto the property.

(2) That the building will be brought into compliance with all applicable Construction Code requirements for the designated occupancy within 150 calendar days, and that the issuance of any permit by the city shall not be construed to extend the time to repair the building beyond 150 calendar days after the building was moved onto the property.

(3) That until such time as the building is permanently occupied the owner will ensure that the building will not be permitted to become or remain in such a condition that a person can enter into it without the use of force through unlocked doors or unsecured openings except at such times as the owner or any persons engaged in the repair of the building are in actual attendance on the property and that the owner of the property will ensure that the building does not become or remain a dangerous building as defined in section 10-361 of this Code.

(4) The owner expressly understands and agrees that if he fails or refuses to timely perform any one or more of his obligations under the landowner's agreement, the city may demolish or cause the demolition of the building at the risk, expense and liability of the owner, and the owner agrees to pay the city all costs incurred by the city therefor.

The landowner's agreement shall be signed by each owner of the property onto which the building is to be moved.

(b) When the requirements of a landowner's agreement have been fully met and the building has been brought into compliance with all Construction Code requirements for the occupancy designated in the application for the house moving permit, the building official shall issue a certificate of compliance for the building upon the request of the landowner. If a bond has been posted to secure performance of the landowner's agreement, the surety company shall be relieved of liability on the bond when a certificate of compliance is issued by the building official for the building that was the subject of the permit. If a cashier's check was delivered to the city pursuant to this section, the landowner may demand return of the cashier's check when a certificate of compliance is issued by the building official for the building that was the subject of the permit.

(c) Prior to demolition of any building pursuant to a landowner's agreement, the city shall provide the owners with notice and a hearing in the same manner as provided for in article IX of this chapter.

(d) This section shall not be applicable to the moving of a building to a "house repair or resale lot" which holds a current license issued by the city for that purpose. The term "house repair or resale lot" means a contiguous plot or tract of land which:

(1) Has 15,000 square feet or more in area;

(2) Is suitable for use for the repair and/or display of buildings which are to be subsequently moved to a permanent location after repair or resale; and

(3) Is subject to such use without violation of any valid and applicable deed restrictions or covenants running with the land.

Further, this section shall not be applicable to portable school buildings moved onto the property of an independent school district.

(e) License for house repair or resale lot:

(1) To obtain a license to operate a house repair or resale lot, an application shall be filed with the building official on a form designated by the city for that purpose. On such application, the applicant shall set forth:

a. The address of the site where the house repair or resale lot will be operated.

b. The legal description of the property on which the house repair or resale lot will be operated.

c. The names and street addresses of each owner of the property on which the house repair or resale lot will be operated.

d. The name and street address of the person who will operate the house repair or resale lot.

e. Such other information as the Director of Houston Public Works finds will aid in the enforcement of this Code in regard to the house repair or resale lot.

f. A statement that the proposed use of the property described in the application for use as a house repair or resale lot will not violate any restriction contained in or incorporated by reference in a recorded instrument affecting the land. Such an application shall be signed by each owner of the property.

(2) The building official shall issue a license to the person who will operate the house repair or resale lot upon submission of an application pursuant to this section and payment of the license fee if, upon inspection, the building official finds that the house repair or resale lot meets the requirements of this section.

(3) The fee for a license issued under this section is stated for this provision in the city fee schedule.

(4) A license issued under this section shall expire one year from the date of its issuance but may be renewed upon application therefor and payment of the annual renewal fee stated for this provision in the city fee schedule. An application for renewal shall be on a form designated by the city for that purpose and shall include such information as the Director of Houston Public Works determines is necessary to enforce this Code relating to house repair or resale lots.

(5) A license issued to operate a house repair or resale lot shall be valid only for the property described in the application for the license. Such a license shall also be personal to the licensee and shall not be transferable.

(6) Each building situated on a house repair or resale lot shall be kept in such a condition that a person cannot enter it without the use of force through unlocked doors or unsecured openings except at such times as the licensee, his agents or employees, or any person engaged in the repair of the building are in actual attendance on the property.

(7) No part of a building on a house repair or resale lot shall either be closer to any other building on such lot than six feet or be closer than three feet to any property line.

(8) House repair or resale lot licenses shall be subject to revocation and suspension by the building official as provided in section 10-92 of this Code.

(Code 1968, § 10-49; Ord. No. 81-2515, § 1, 12-22-81; Ord. No. 82-870, § 1, 5-25-82; Ord. No. 90-635, § 25, 5-23-90; Ord. No. 93-514, § 21, 5-5-93; Ord. No. 93-1570, § 3, 12-8-93; Ord. No. 98-613, § 24, 8-5-98; Ord. No. 02-399, § 31, 5-15-02; Ord. No. 04-1015, §§ 10, 11, 9-27-04; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2018-11, § 49, 1-10-2018)

Sec. 10-50. Reserved.

Editor's note—Ord. No. 00-551, § 1, adopted June 21, 2000, repealed § 10-50 in its entirety. Formerly, said section pertained to moving concrete slab foundations and derived from Code 1968, § 10-50; Ord. No. 67-2030, § 1, 10-24-67; Ord. No. 72-499, § 1, 3-15-72. See the Code Comparative Table.

Sec. 10-51. Bond.

(a) In the event a house moving license is granted under division 2 of this article, before delivery thereof, the licensee shall file with the city a bond signed by the licensee as principal and by a good and sufficient corporate surety on the current approved United States Treasury list, which bond shall be in the sum of $10,000.00, conditioned that the licensee will engage in the business of house moving within the corporate

limits of the city in strict accordance with the terms of this article, and will pay to the city any and all damages to streets, curbs, gutters, water lines, fire hydrants and other public property occasioned in any manner by the licensee's moving of houses, and further conditioned that the licensee will pay to the city, as minimum liquidated damages, the sum of $50.00 per day for each day or part thereof that any house being moved by the licensee shall remain on any street or part of street in excess of the number of days shown in the house moving permit issued to the licensee for such move. The bond shall contain a provision that the parties recognize that the damages to the city occasioned by any house remaining on any street or part of the street in excess of the number of days shown in the permit will, in all probability, be difficult to ascertain and consequently that the parties have agreed on such sum as the minimum amount of such damages. However, such bond shall contain the further provi-

[The next page is 741]

sion that the amount agreed upon is the minimum amount of damages which the city will sustain in any event, but that the city shall not be prevented from claiming and proving any additional amount in excess of such minimum sum.

(b) Bonds provided for in this section shall not be exhausted until fully paid. Each such bond shall contain a provision that it shall not be exhausted until a recovery or recoveries have been obtained totaling the full amount of the bond.
(Code 1968, § 10-51; Ord. No. 72-500, § 1, 3-15-72)

Sec. 10-52. Insurance.

In addition to the requirements for a bond the holder of any category of house moving license shall be required to carry liability insurance in the minimum sum of $50,000.00 for injury to or death of one person, and $100,000.00 for injury to or death of more than one person from any one accident, and the minimum sum of $25,000.00 for property damage for any one accident. Such policy shall contain a provision obligating the insurer to give written notice of cancellation, not less than ten days prior to the date of such cancellation, to the building official. No house moving permit will be issued to any house moving licensee unless such insurance is in full force and effect.
(Code 1968, § 10-52; Ord. No. 90-635, § 26, 5-23-90)

Sec. 10-53. Mover's equipment generally.

No house mover shall move or attempt to move any house by means of any equipment whether owned by him, or not, which has not first been registered with the city and inspected and a certificate of compliance obtained therefor pursuant to section 10-88 of this Code.
(Code 1968, § 10-53)

Sec. 10-54. Marking of mover's equipment.

All house moving equipment shall be plainly marked in letters not less than four inches in height, showing the name of the licensed house mover.
(Code 1968, § 10-54)

Sec. 10-55. Lights on load.

Amber or red lights at least four inches in diameter, with two units to each side on the back not less than three feet nor more than six feet from the ground, with one on each side in the center of the load, shall be required when a house is being moved. There shall be comparable lights of amber color across the front of the load and these lights shall be in operation at all times while the house is on the public street or right-of-way during the night or day.
(Code 1968, § 10-55)

Sec. 10-56. When barricades, warning lights, etc., required.

Barricades and warning lights or other equivalent danger warning devices shall be placed wherever any house being moved is stopped on any public street right-of-way for any period of time in excess of ten minutes.
(Code 1968, § 10-56)

Sec. 10-57. Authority to require additional safety equipment.

The building official is hereby authorized to specify required safety equipment to be employed while any house is being moved upon the public streets of the city, in addition to the equipment specified in this article.
(Code 1968, § 10-57; Ord. No. 90-635, § 27, 5-23-90)

Sec. 10-58. Establishment of time, routes, etc., for moving.

(a) The building official shall have authority to establish and direct, as a condition to the issuance of a permit under this article, the time when the house moving shall start and the time when it shall be completed, the routes over which houses of specified dimensions may be moved and such other regulations and conditions which he may deem necessary. Any deviation from such routes and hours shall constitute an offense. Decisions made by the building official pursuant to the provisions of this subsection shall be such that they result in the prevention of traffic obstruction and overloading of pavement weight capacity.

(b) When it is required by the provisions of this article that an inspector be present, the building official shall establish a time for the house to be moved upon the request of the licensee. Such request shall be made at least 24 hours prior to the moving time. The licensee may give notice of cancellation of such scheduled house moving, if such notice is given not less than 12 hours prior to the scheduled time of moving.

In the event that a scheduled house moving has not been completed within the time assigned, or if such scheduled house moving is cancelled by the licensee less than 12 hours prior to the assigned time, the licensee shall pay the additional fee stated for this provision in the city fee schedule to the city as a condition precedent to the building official assigning another time for the moving of such house; provided, however, that no additional fee shall be paid to establish a new moving time if the noncompletion or cancellation has resulted from inclement weather.

(c) Route changes may be authorized by the building official. All concerned parties shall be notified immediately and prior to any deviation from the original announced route. Changes in time shall be made in the same way as changes in route.
(Code 1968, § 10-58; Ord. No. 90-635, § 27, 5-23-90; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 10-59. Maximum time limit.

No move authorized pursuant to this article shall last for a period of time in excess of 48 hours, and the maximum time during which a house may legally remain in a street, under a permit issued pursuant to this article, shall be 48 hours.
(Code 1968, § 10-59)

Sec. 10-60. Inspection of route prior to moving.

All routes over which a house is to be moved shall be physically inspected prior to each haul by the licensee and the house moving inspector and others concerned.
(Code 1968, § 10-60)

Sec. 10-61. Escort by off-duty police required.

Every licensee shall, before moving a house, engage at his own cost, the services of an off-duty police officer of the city as an escort for such move. Such police officer shall be selected from a roster prepared under the supervision of the chief of police, and the names on such roster shall be rotated; provided, however, such off-duty police officer shall not use city-owned vehicles or equipment while engaged in the service of such house mover. When the house to be moved exceeds 22 feet in width or 40 feet in length one additional off-duty police officer escort shall be required. It shall be unlawful to move a house of any dimension, when a permit therefor is required, without the required police escort.
(Code 1968, § 10-61; Ord. No. 72-499, § 2, 3-15-72)

Sec. 10-62. Secondary escort.

In circumstances where the contour of the road requires it, in the opinion of the building official, the licensee shall provide a secondary escort in a vehicle with a reflectorized sign reading: "DANGER, SLOW, BE PREPARED TO STOP" in red letters on a white background 20 inches wide and 12 inches high attached to the rear of such escorting vehicle and placed more than six feet above the ground. Such sign shall be carried 200 feet to 500 feet behind the house, depending upon the contour of the roadway; provided, however, the building official may authorize some other procedure in lieu of a secondary escort.
(Code 1968, § 10-62; Ord. No. 90-635, § 28, 5-23-90)

Sec. 10-63. When inspector required.

No house moving inspector will be required during the moving of a house upon the public streets of the city unless the building official determines that special circumstances exist which would make the presence of such an inspector necessary.
(Code 1968, § 10-63; Ord. No. 72-499, § 3, 3-15-72; Ord. No. 90-635, § 28, 5-23-90)

Sec. 10-64. Authority to stop moving and inspect equipment.

The police escort, or the house moving inspector if present, are hereby empowered to stop a

house which is being moved at any time for the purpose of inspecting the rigging, trucks, and lighting in order to insure the safety of the move with a minimum of exposure to danger or damage to property.
(Code 1968, § 10-64; Ord. No. 72-499, § 4, 3-15-72)

Sec. 10-65. Continuous motion required in street.

During the entire time that a house being moved in occupying the street, or any portion thereof, the licensee shall make every reasonable effort to keep it continuously in motion toward its destination and, insofar as possible, he shall not allow the work of moving to stop during such time. This shall not be interpreted to encompass accidents, breakdowns for which the licensee has not been negligent, or acts of God which prevent continuous movement when the house moving is underway.
(Code 1968, § 10-66)

Sec. 10-66. Unattended houses on street.

No house being moved pursuant to this article shall be left unattended on any public street or right-of-way.
(Code 1968, § 10-67)

Sec. 10-67. Removal of house from street by city.

When a house has been left on a public street, or other public way or place, and, in the opinion of the building official, the house mover is not proceeding with all diligence, or without reasonable likelihood of success to move or cause the removal of the house from such location, the building official shall have authority to remove or cause the removal of such house, and all costs pertaining to such removal shall be paid by the licensee.
(Code 1968, § 10-68; Ord. No. 90-635, § 29, 5-23-90)

Sec. 10-68. Disconnecting utilities.

It shall be unlawful for any licensee to disconnect any electric light and power connection, gas connection, water connection, sewer connection or telephone connection from any house which he proposes to move, without the consent of the public utility owning such connection.
(Code 1968, § 10-69)

Sec. 10-69. Disconnection and plugging of sewer service line.

It shall be the duty of the licensee to cause to be disconnected outside of the property line and properly plugged by a licensed plumber, in such a manner as to prevent any surface water from entering same, the sewer service line connection of any house to be moved by such licensee prior to the issuance of a moving permit therefor and such licensee shall comply with all applicable provisions of ordinance relating to sewage, sewers and drains.
(Code 1968, § 10-70; Ord. No. 72-499, § 6, 3-15-72)

Sec. 10-70. Removing or destroying poles or wires.

It shall be unlawful for any licensee to remove, tear down or destroy any pole or wire or other property belonging to the city or to any electric light and power company, gas company or telephone or telegraph company without the consent of such utility or other person owning the same.
(Code 1968, § 10-71)

Sec. 10-71. Cutting down trees or branches.

It shall be unlawful for any licensee engaged in moving a house to cut down any tree growing within any parkway or esplanade of a public street or to cut any branches therefrom without having first obtained permission from the director of parks and recreation.
(Code 1968, § 10-72)

Sec. 10-72. Removal of equipment, cribbing and debris from vacated premises.

It shall be the duty of the licensee to remove all equipment, cribbing, and debris deposited or caused to be deposited on the land vacated by the moving of any house therefrom.
(Code 1968, § 10-73)

Sec. 10-73. Removal of trash deposited on streets or other public property.

The licensee shall be required to remove at his expense all trash and debris which he has deposited or caused to be deposited in any public street or other public place or property at the time he is moving the house.
(Code 1968, § 10-74)

Sec. 10-74. Notice of completion; repair of damage to public property.

(a) Whenever a licensee has completed the work of moving a house under a permit, and the house no longer occupies any part of the street, he shall promptly notify the building official of such fact. The building official shall cause an inspection to be made of the route of moving and the installation of the house. If he finds that the licensee has caused damage to the streets, curbs, gutters, sidewalks or other public property, he shall notify the licensee of such fact, specifying the damage, by mailing to him a written notification at either of the addresses listed in the licensee's application. The licensee shall proceed within two days from the date of such notification to begin the work of repairing the damage, which work shall be promptly done and completed under the supervision of and to the entire and complete satisfaction of the building official.

(b) In the event that the licensee fails to begin work within two days, or fails to continuously proceed therewith promptly and expeditiously, or fails to complete it to the entire and complete satisfaction of the building official, then the building official may promptly cause the damage to be repaired on behalf of the city. In such case, the building official shall make and execute a certificate, setting out the relevant facts pertaining to the transaction, and shall certify therein the amount of damage sustained by the city and shall file the certificate with the city controller. The licensee, by accepting the permit provided for in this article, does thereby constitute and appoint the building official as his agent and representative with full power and authority to bind the licensee and his surety to prepare and file such certificate. Upon the filing of the certificate, the amount stated therein shall be and become a sum, liquidated and certain, owing to the city by the licensee and the surety on his bond and, in any suit involving such sum, the facts recited in the certificate and the amount of damage certified therein shall in all things be presumed to be true and binding upon the licensee and his surety in the absence of clear, convincing and unmistakable proof that the building official has acted arbitrarily and without any evidence whatsoever of such facts.

(c) Notwithstanding the foregoing provisions, the city may, as an alternative, and at the city's option, make or cause to be made repairs to its property damaged by the licensee and the licensee shall be obligated to pay the city reasonable costs of such repairs.

(d) On the day following the moving of a house, the licensee shall furnish to the building official the names of the police officers who escorted the move. In the event the day following such move is a Saturday, Sunday or holiday, the licensee shall submit such information on the next regular business day. The licensee may satisfy this requirement by mailing such information to the building official on the day following such move.
(Code 1968, § 10-75; Ord. No. 72-499, § 7, 3-15-72; Ord. No. 90-635, § 30, 5-23-90)

Sec. 10-75. Completion certificate.

When a house is moved pursuant to the provisions of this article, a move completion certificate shall be issued after the move has been completed and all inspections have been made and approval has been given by the building official. The move completion certificate shall be issued by the building official. Such certificate shall not be issued until repairs or replacements have been made for any public property damaged in such move.
(Code 1968, § 10-76; Ord. No. 90-635, § 30, 5-23-90)

Sec. 10-76. Exemptions from article.

Portable houses without plumbing facilities not more than 12 feet in width and not exceeding 16 feet in height, when loaded for moving, shall be exempt from the provisions of this article. Such exemption does not exempt the mover from com-

pliance with chapter 45 of this Code. All houses moved into or within the city, regardless of size, shall comply fully with the Construction Code.
(Code 1968, § 10-77; Ord. No. 72-1075, § 1, 6-22-72; Ord. No. 02-399, § 32, 5-15-02)

Sec. 10-77. Penalty.

Any person who violates any of the provisions of this article shall be fined not less than $100.00 nor more than $500.00 and each day's violation shall constitute a separate offense.
(Code 1968, § 10-78; Ord. No. 92-1449, § 21, 11-4-92)

Charter reference—Penalty for ordinance violation, Art. II, § 12.

Cross references—Assessment of fines against corporations, § 16-76; payment of fines, § 16-78; credit against fines for incarceration, § 35-6 et seq.

Secs. 10-78—10-83. Reserved.

DIVISION 2. MOVER'S LICENSE

Sec. 10-84. Required.

It shall be unlawful for any person to move any house along or across any public street within the city without first having secured the required classification of house moving license to engage in the business of house moving as provided in this division.
(Code 1968, § 10-84)

Sec. 10-85. Classifications; final authority for permit issuance.

(a) *Class A.* The holder of a Class A license shall be authorized to move all houses authorized for a Class B license and shall also be authorized to move all houses in excess of the maximum size specified in this section for holders of Class B licenses where the building official approves the move. Special requirements for moves in excess of 30 feet in width, 40 feet in length and 18 feet in height shall be imposed by the building official when deemed advisable from the point of view of traffic safety and protection of the city's streets.

(b) *Class B.* The holder of a Class B license shall be authorized to move houses upon the public streets of the city when the maximum size of the house moved does not exceed 30 feet in width, 40 feet in length and 18 feet in height, and when the axle load is in compliance with the requirements of applicable provisions of the state law.

(c) *Final authority for permit issuance.* The building official shall have final authority in granting permits to movers based on the size of the house to be moved and the mover's equipment as inspected and certified under section 10-88 of this Code.
(Code 1968, § 10-85; Ord. No. 72-1075, §§ 2, 3, 6-22-72; Ord. No. 90-635, § 31, 5-23-90; Ord. No. 93-514, § 22, 5-5-93)

Sec. 10-86. Application.

Any person desiring to engage in the business of house moving shall make application for a license to the building official. Such application shall be in writing and shall contain the following:

(1) The name of the applicant and his residence and business addresses. If a partnership or association, the application shall state the names of all partners, their residence addresses and the office address of the partnership or association. If a corporation, the application shall state the names and residence addresses of all officers and directors and the principal office of the corporation.

(2) A statement that the applicant (or officers, if applicant is a corporation) has read and thoroughly understands the terms of this article and agrees to abide by its terms in the business of house moving.

(3) The classification of house moving license for which application is made.

(4) The application shall be signed by the applicant, if an individual; by a partner, if a partnership; or by the president, if an association or corporation.

(5) Such other information as may be required by the building official.

(Code 1968, § 10-86; Ord. No. 90-635, § 31, 5-23-90)

Sec. 10-87. Fee.

The annual fee for a license required by this division is stated for this provision in the city fee schedule. Such fee shall be paid at the time the application for a license is filed. No part of this fee shall be refunded whether or not a license is granted, but shall be held by the city to reimburse its expenses of investigation and inspection.
(Code 1968, § 10-87; Ord. No. 72-1075, § 4, 6-22-72; Ord. No. 90-635, § 31, 5-23-90; Ord. No. 03-645, § 2, 7-16-03; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 10-88. Inspection of applicant's equipment.

Prior to the issuance of a license under this division or a renewal thereof, the building official shall inspect the house moving equipment intended to be used by the applicant in connection with house moving, and if such equipment is safe and adequate and in compliance with the provisions of this article, a certificate shall be issued for display upon or within each approved tractor or towing unit.
(Code 1968, § 10-88; Ord. No. 90-635, § 31, 5-23-90)

Sec. 10-89. Issuance.

The building official shall examine the application for a license under this division and make such investigation as may be necessary, and if, in his opinion, based upon such application and investigation, the applicant is entitled to a license, he shall issue to the applicant a license of the classification to which he is entitled upon the execution and delivery of the required bond and the satisfaction of the liability insurance requirements specified in sections 10-51 and 10-52 of this Code.
(Code 1968, § 10-89; Ord. No. 90-635, § 31, 5-23-90)

Sec. 10-90. Transfer.

A license issued under this division shall be personal to the licensee and shall not be transferable.
(Code 1968, § 10-90)

Sec. 10-91. Expiration and renewal.

A license issued under this division shall expire at midnight the following December thirty-first and any renewal thereof shall similarly expire upon the following December thirty-first. Upon expiration, a license may be renewed, if such license has not theretofore been revoked or suspended, by payment of the required license fee and the continuation in force of the licensee's bond pending the filing of a new bond, and the continued satisfaction of the liability insurance requirements of this article. In the event such license is under suspension, the license will not be renewed until the suspension period has ended, however, there shall be no proration of the license fee.
(Code 1968, § 10-91)

Sec. 10-92. Suspension or revocation.

After a public hearing thereon, the building official may suspend or revoke a house moving or a house repair or resale lot license issued pursuant to this article upon finding that the licensee made a materially false statement in his application or a finding that the licensee has violated any provision of this article and such suspension or revocation shall not bar a prosecution for the same offense. Prior to such hearing, the building official shall give written notice to the licensee of the grounds for the hearing, the date, time and place of the hearing and that the licensee may attend, be represented by counsel, present evidence and cross examine witnesses at the hearing.
(Code 1968, § 10-92; Ord. No. 90-635, § 32, 5-23-90)

Secs. 10-93—10-97. Reserved.

DIVISION 3. MOVING PERMIT

Sec. 10-98. Required; application.

Any licensee desiring to move any house shall, at least three days prior to the date upon which it is desired to make such move, apply to the building official for, and obtain, a permit, showing the present location of the house, the proposed new location, the proposed route of moving, the size

and type of construction of the house and such other information as the building official may require.
(Code 1968, § 10-98; Ord. No. 90-635, § 33, 5-23-90)

Sec. 10-99. Fee.

(a) Each applicant for a permit under this division shall pay the applicable fees stated for this section in the city fee schedule. In each instance in which the building official determines that an inspector will be required during the move as provided in section 10-63 of this Code there shall be an additional inspection service fee. The fees provided for herein are in addition to the yearly license fee provided for in section 10-87 of this Code.

(b) Where a licensee commences to move a house without first having secured a permit therefor, the fee shall be doubled for the permit required for the house move, but the paying of such double fee shall neither relieve any person from fully complying with the requirements of this article nor from any other penalties prescribed herein.

(c) Any emergency move scheduled during holidays, weekends or other times not normally scheduled for moving a house and requiring a house moving inspector shall be subject to a special fee. This special fee shall be in addition to the normal fee and shall be charged even though the basic moving permit is issued under an exempt fee. Any such emergency move must be approved by the building official.
(Code 1968, § 10-99; Ord. No. 72-499, § 8, 3-15-72; Ord. No. 90-635, § 33, 5-23-90; Ord. No. 91-1173, § 1, 8-14-91; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 10-100. State permit prerequisite to issuance.

No permit shall be issued under this division unless any required permits from the Texas Department of Transportation shall have first been obtained.
(Code 1968, § 10-100; Ord. No. 90-635, § 33, 5-23-90; Ord. No. 93-514, § 23, 5-5-93)

Sec. 10-101. City departments to be notified prior to issuance.

The time of the house moving for which a permit is applied for under this division shall be predetermined, and before the permit shall be issued, the departments of fire, police and parks and recreation shall be notified, as required by the building official.
(Code 1968, § 10-101; Ord. No. 90-635, § 33, 5-23-90; Ord. No. 93-514, § 23, 5-5-93)

Sec. 10-102. Issuance.

The building official shall examine the application for a permit under this division and, if it is in order, he shall issue the permit, in duplicate.
(Code 1968, § 10-102; Ord. No. 90-635, § 33, 5-23-90)

Sec. 10-103. Contents.

Each permit issued under this division shall show:

(1) The name of the licensee.

(2) The present location of the house.

(3) The proposed new location.

(4) The route of moving, as approved by the building official.

(5) The date and time during which the house will occupy the streets, if no inspector is required. This may subsequently be modified with the approval of the building official.

(6) The time that the house will be permitted to remain in the streets.

(7) The size and type of construction of the house.

(8) Evidence that arrangements have been made with utility companies and/or the city electrical division for the rearrangement of any utility company's or the city's installations where required in order to prevent damage thereto.

(9) The receipt of the permit fee.

(Code 1968, § 10-103; Ord. No. 90-635, § 33, 5-23-90)

Sec. 10-104. Posting.

A copy of the permit issued under this division shall be posted on the house to be moved, and no house shall be moved unless such copy and the job card are posted thereon.
(Code 1968, § 10-104)

Sec. 10-105. Transfer.

Permits issued under this division shall be nontransferable.
(Code 1968, § 10-105)

Sec. 10-106. Acceptance constitutes obligation and contract.

The acceptance by a licensee of a permit issued under this division shall constitute a binding obligation and contract on the licensee's part to abide by and comply with the terms of the permit and of this article.
(Code 1968, § 10-106)

Secs. 10-107—10-150. Reserved.

ARTICLE IV. HOUSTON MULTI-FAMILY HABITABILITY CODE

DIVISION 1. GENERALLY

Sec. 10-151. Title; purpose; conflict with other municipal laws.

This article is, and may be cited as, the "Houston Multi-Family Habitability Code." One purpose of this Habitability Code is to comply with Section 214.219 of the Texas Local Government Code. The provisions of this Habitability Code are cumulative of all other laws and regulations of the city, as well as all applicable state and federal laws and regulations. In the event of a conflict between this Habitability Code and another law or regulation of the city, the provisions of this Habitability Code shall control.
(Ord. No. 09-1043, § 2, 11-4-09)

Sec. 10-152. Definitions.

In addition to definitions appearing elsewhere in this division, the following words and phrases, when used in this division, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Apartment Standards Enforcement Committee or *ASEC* means a committee tasked with coordinating city responses to substandard and dangerous apartment buildings as defined in this division, consisting of:

(1) Two representatives from the police department;

(2) Two representatives from Houston Public Works;

(3) One representative from the fire department;

(4) One representative from the health department;

(5) One representative from the housing community and development department;

(6) One representative from the solid waste department;

(7) One representative who is a property owner in the city;

(8) One representative who is a tenant residing in the city; and

(9) Ex-officio representative from the office of the mayor.

Building official means the building official and all persons designated in writing by the building official to act on his or her behalf to construe and to enforce this article.

Habitability refers to the character of a multi-family rental building free of any condition constituting a material risk to the physical safety or health of the building's ordinary tenants. A multi-family rental building substantially free of such conditions is habitable.

High-risk rental building or *HRRB* means any multi-family rental building that meets the criteria in section 10-171(b) of this Code. This includes all MFRBs and all accessory buildings on the same tract consistent with the definition of MFRB.

High-risk apartment inspection program ("Program") means and refers to a proactive regulatory initiative designed to identify, monitor, and address multifamily residential properties meeting the conditions in section 10-171(b) of this Code to prioritize inspection, enforcement, and compliance efforts for these properties to reduce hazards, ensure adherence to applicable codes and regulations, and promote safe and habitable living conditions, including but not limited to the timely resolution of any notices of violation under the Construction Code or citations alleging violation of the Building Code or of division 3 or division 4 of article IX, chapter 10 of this Code.

Manager shall have the same meaning as ascribed in section 10-317 of this Code.

Multi-family rental building or *MFRB* means a building that has three or more units. Only for the purposes of the Inspection Program established by this article, multi-family rental building or MFRB includes all MFRBs and all accessory buildings (such as a boiler room, laundry room, clubhouse, or garage) on the same tract.

Owner means the current owner (or, collectively, the current owners) of the real property on which a multi-family rental building is located. For the purposes of this article, records available for public view at an official website maintained by the appraisal district in which the MFRB is located are presumed to be accurate with regard to the ownership of real property, but the presumption of ownership may be rebutted by documents properly recorded in the real property records of the county in which the MFRB is located.

Tract means the parcel or parcels of real property on which a multi-family rental building is located.

Unit means one or more rooms rented for use as permanent residence under a lease to one or more tenants, except that none of the following shall constitute a unit:

(a) A room or rooms rented primarily for the purpose of receiving services regulated by a department or agency of the federal government or of the State of Texas (including, but not limited to, the Texas Department of State Health Services);

(b) A room or rooms owned or operated by a public or private college or university accredited by a recognized accrediting agency within the meaning of Section 61.003, Texas Education Code;

(c) An "apartment" in a "condominium" within the meaning of Chapter 81, Texas Property Code; or

(d) A "unit" in a "condominium" within the meaning of Chapter 82, Texas Property Code.

(Ord. No. 09-1043, § 2, 11-4-09; Ord. No. 2026-0388, § 4, 5-6-2026)

Sec. 10-153. Construction of this Habitability Code.

This article shall not be construed to alter the terms of any lease or other agreement between an owner and a tenant relating to an MFRB, except that no provision of any such lease or other agreement shall be construed to excuse compliance with this article or with any other law or regulation of the city. It is not the purpose of this article to prescribe legal rights or liabilities as between an owner and a tenant.
(Ord. No. 09-1043, § 2, 11-4-09)

Sec. 10-154. MFRB registration.

(a) The building official shall promulgate a form for the registration of MFRBs, which form shall require disclosure of:

(1) The physical address of the MFRB;

(2) The account number(s) assigned to the tract by the appraisal district in which the MFRB is located;

(3) The number of buildings on the tract;

(4) The number of units in each building on the tract;

(5) A brief description of the intended use of each building on the tract (residential building, boiler room, laundry room, club house, garage, etc.);

(6) The Project Number(s) appearing on the face of either the Certificate of Occupancy or the Life Safety Compliance Certificate issued by the city for each building on the tract; and

(7) The name, mailing address, physical address, telephone number, and e-mail address (if available) of at least one owner of the MFRB.

(b) The form promulgated by the building official shall provide a physical address and a mailing address for filing completed MFRB Registration Forms. In addition, the building official shall establish a means by which MFRB Registration Forms may be completed and filed electronically.

(c) An owner of an MFRB shall register the MFRB by completing and filing an MFRB Registration Form with the building official.

(d) An owner of an MFRB shall post a hard copy of the current, completed MFRB Registration Form in or on the MFRB.

(e) If an MFRB was not in existence on January 1, 2010, the owner of the MFRB shall register the MFRB by completing and filing the MFRB Registration Form with the building official no later than 30 days after the MFRB receives a Certificate of Occupancy.

(f) Registration of an MFRB as required by this section shall constitute:

(1) Registration of the MFRB under section 28-283 of the Code of Ordinances; and

(2) Compliance with sections 250.003 and 250.004 of the Texas Local Government Code.

(g) No later than 30 days after an owner of an MFRB knows or reasonably should know that a statement on the MFRB Registration Form was incomplete or inaccurate when filed, or has become incomplete or inaccurate since filed, the owner must complete and file an amended MFRB Registration Form.
(Ord. No. 09-1043, § 2, 11-4-09)

Sec. 10-155. Habitability standards.

In addition to the habitability standards established by Article V and by divisions 4 and 5 of Article IX of Chapter 10 of this Code:

(1) An owner of an MFRB violates this division if the MFRB does not comply with:

a. All applicable provisions of the Fire Code;

b. Sections D102 through D108 of Appendix D (Life-Safety Requirements for Existing Buildings) of the *Existing Building Code*;

c. Sections 10-211 through 10-218 of this Code (which provisions pertain to the numbering of buildings);

d. The provisions of chapter 41 of this Code (which provisions pertain to street names and site addresses);

e. The provisions of chapter 43 of this Code (which provisions pertain to swimming pools); and

f. Sections 92.153 through 92.162 of the Texas Property Code (which provisions pertain to security devices).

(2) An owner of an MFRB at all times must post in or on the MFRB:

a. A valid Certificate of Occupancy or a valid Life Safety Compliance Certificate; and

b. A "NOTICE TO ALL RESIDENTS" legibly typed or printed in a font 28 points or larger, in both English and Spanish, the substance of which Notice is as follows: "IF ANY CONDITION of this building CREATES A HAZARD to human safety or health, REPORT THE CONDITION to the building's manager or owner. You also may report the condition to the City of Houston by calling the City's Service Helpline at 311."

(3) Any document required by this division to be posted in or on an MFRB must be posted either (a) as provided by the Building Code or (b) by posting an accurate

copy of the document in a manner reasonably protected from weather and in a place conspicuous to ordinary tenants no more than five feet from each mailbox facility at which the United States Postal Service delivers mail to tenants or, if no such facility exists, in some other place equally conspicuous to ordinary tenants of the MFRB.

(Ord. No. 09-1043, § 2, 11-4-09; Ord. No. 2010-908, § 3, 11-17-2010, eff. 1-1-2011; Ord. No, 2011-436, § 2, 6-8-2011; Ord. No. 2021-1037, § 20(Exh. I.12), 12-1-2021, eff. 4-1-2022; Ord. No. 2026-0388, § 5, 5-6-2026)

Sec. 10-156. Powers and duties of building official.

(a) Except for applicable provisions of the Fire Code incorporated herein by reference, the building official has primary responsibility for the enforcement of this Habitability Code.

(b) With regard to MFRBs only, the building official has powers and duties equal to and concurrent with the health officer for the enforcement of chapter 43 of this Code (which pertains to swimming pools).

(Ord. No. 09-1043, § 2, 11-4-09; Ord. No. 2011-108, § 5, 2-9-2011)

Sec. 10-157. MFRB inspection program.

(a) The building official shall inspect MFRBs pursuant to an inspection program (the "Multi-Family Rental Building Inspection Program" or the "MFRB Inspection Program"), as provided in this section.

(b) The building official shall promulgate a checklist (the "Multi-Family Rental Building Checklist" or the "MFRB Checklist") of criteria by which the building official shall determine the habitability of MFRBs.

(1) The MFRB Checklist shall have no force or effect until 90 days after copies of City of Houston Ordinance No. 2009-1043 and the MFRB Checklist have been available for public view in the office of the city secretary and at a website maintained by the city.

(2) The building official may amend the MFRB Checklist; however, an amendment of the MFRB Checklist shall have no force or effect until 90 days after the MFRB Checklist has been available for public view in the office of the city secretary and at a website maintained by the city.

(c) No MFRB shall be inspected under the MFRB Inspection Program until at least 45 days after the building official has mailed to the owner a letter stating:

(1) The first day of 30 consecutive days during which the building may be inspected under the MFRB Inspection Program;

(2) The physical address of the office of the city secretary and the internet address of the website at which copies of the MFRB Checklist are available for public view;

(3) The amount of the fee (the "MFRB Inspection Fee") to be paid to the city prior to the first day of the said 30 consecutive days during which the building may be inspected; and

(4) The mailing and physical addresses at which the MFRB Inspection Fee may be paid.

(d) The building official shall mail by first-class mail duplicate originals of the letter required by subsection (c) of this section to the owner of the MFRB at the respective addresses:

(1) Of the owner, according to MFRB Registration Form filed with the building official, or, if the MFRB has not been registered with the building official, according to records available for public view at an official website maintained by the appraisal district in which the MFRB is located; and

(2) Of the MFRB.

(e) No inspection of an MFRB under the MFRB Inspection Program shall be delayed solely because the owner did not receive or did not understand a letter prepared and sent as required by subsections (c) and (d) of this section.

(f) Notwithstanding anything to the contrary in this division, no employee of the city inspecting an MFRB under the MFRB Inspection Program shall enter a unit without the written permission of a person who has a legal right to occupy the unit.
(Ord. No. 09-1043, § 2, 11-4-09; Ord. No. 2026-0388, § 6, 5-6-2026)

Sec. 10-158. Fees.

For the inspection of an MFRB under the MFRB Inspection Program the owner shall pay to the city the MFRB Inspection Fee, which fee is stated for this provision in the city fee schedule.
(Ord. No. 09-1043, § 2, 11-4-09; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 10-159. Remedies.

An owner who violates, or whose MFRB is in violation of, any provision of this division shall be guilty of a misdemeanor punishable upon conviction by a fine of not less than $500.00 nor more than $2,000.00. Each violation, and each day that a violation continues, shall constitute and be punishable as a separate offense.
(Ord. No. 09-1043, § 2, 11-4-09; Ord. No. 2026-0388, § 7, 5-6-2026)

Secs. 10-160—10-169. Reserved.

DIVISION 2 HIGH-RISK RENTAL BUILDINGS

Sec. 10-170. Apartment Standards Enforcement Committee (ASEC).

There is hereby established the Apartment Standards Enforcement Committee (ASEC), which shall serve as an advisory body responsible for:

(1) Monitoring compliance with minimum habitability standards for multi-family residential buildings (MFRBs) within the city.

(2) Reviewing and monitoring MFRBs designated as high-risk rental buildings (HRRBs) and their compliance with the program established under this division; and

(3) Developing and recommending to City Council any additional regulations or Code Amendments necessary to protect the health, safety, and welfare of tenants residing in MFRBs.

(Ord. No. 2026-0388, § 3(Exh. A), 5-6-2026)

Sec. 10-171. Registration required; exceptions.

(a) It shall be unlawful for an owner or manager of a MFRB designated as a HRRB to fail to register their property in the high-risk apartment inspection program.

(b) A multi-family rental building (MFRB) shall be designated a high-risk rental building (HRRB) if the MFRB receives ten or more citations in a 6-month period for one or more or any combination of the following:

(1) Failure to maintain or obtain a valid certificate of occupancy;

(2) Repeated or uncorrected violations related to structural integrity, including but not limited to foundation, framing, roofing, or load-bearing components;

(3) Violations resulting in the issuance of an order to vacate or an emergency repair order due to unsafe or hazardous conditions;

(4) Violations related to fire safety systems, including nonfunctional smoke detectors, fire alarms, or sprinkler systems;

(5) Violations involving inadequate sanitation, plumbing, or waste disposal facilities that create or contribute to unsafe or unsanitary living conditions, including, but not limited to, bulk containers;

(6) Electrical violations posing fire or shock hazards;

(7) Violations relating to the failure to maintain required means of egress, emergency lighting, or other life safety features;

(8) Failure to correct cited violations within the time prescribed by law or by the building official; or

(9) Any other condition or pattern of violations indicating neglect, inadequate maintenance, or threat to the health, safety, or welfare of occupants or the public.

(c) Multiple citations issued to an MFRB on a single calendar day shall be considered one citation for purposes of calculating and determining whether the MFRB is an HRRB.

(d) Once designated as an HRRB, the building manager shall register the property in the high-risk apartment inspection Program for six months from the date the notice of designation is issued.

(e) ***Exceptions.*** The requirements under this division shall not apply to any building with any of the following:

(1) A room or rooms rented primarily for the purpose of receiving services regulated by a department or agency of the federal government or of the State of Texas (including, but not limited to, the Texas Department of State Health Services);

(2) A room or rooms owned or operated by a public or private college or university accredited by a recognized accrediting agency within the meaning of Section 61.003, Texas Education Code;

(3) An apartment in a condominium within the meaning of Chapter 81, Texas Property Code; or

(4) A unit in a condominium within the meaning of Chapter 82, Texas Property Code.

(Ord. No. 2026-0388, § 3(Exh. A), 5-6-2026)

Sec. 10-172. Registration procedures; registration form content.

(a) The building official shall send notice to the owner of an MFRB that meets the conditions in section 10-171(b) of this Code. The notice will identify the affected property, describe the violation, and the applicable Code provisions.

(b) The owner of an MFRB in this program shall provide the official building with the name, street address, and telephone number of a manager who can be contacted twenty-four (24) hours a day, seven (7) days a week, in the event of an emergency.

(c) In addition to all requirements under section 10-154 of this Code, within 15 days after receipt of notice under subsection (a) of this section, the owner of an HRRB shall register for the program by submitting to the building official a completed MFRB registration form approved by the building official.

(d) The owner or manager of a multi-family rental building designated as an HRRB may appeal the designation by filing a written notice of appeal with the building official within 15 days of receiving the notice of designation. The appeal shall be heard by an impartial hearing officer who shall render a decision within 30 business days of the date of the filing of an appeal to render a decision to uphold or overturn a designation as an HRRB.

(Ord. No. 2026-0388, § 3(Exh. A), 5-6-2026)

Sec. 10-173. Penalty; enforcement.

(a) An owner or manager who allows, causes, or permits a HRRB to be in violation of any provision of this division, or who fails to remedy all violations within the period of correction, consistent with repair timeframes under state law where appliable, or as otherwise established by the city, shall be guilty of a misdemeanor punishable upon conviction by a fine of not less than $250.00 nor more than $2,000.00. Each violation, and each day that a violation continues, shall constitute and be punishable as a separate offense.

(b) Employees designated by the building official authorized to enforce building, housing, health, or safety codes are authorized to issue notices of violation and citations for violations of this division.

(c) For purposes of this article, a manager is considered the authorized agent of the owner for accepting service of a citation and may be issued

a citation for an alleged violation occurring on the property in accordance with section 250.004 of the Texas Local Government Code.

(d) A manager who is issued a citation under this section shall not be personally liable for a violation at the property if, in accordance with section 250.003 of the Texas Local Government Code, the manager timely provides to the enforcement official who issued the citation the property owner's name, current street address, and telephone number.

(e) Nothing in this section shall be construed to limit the City's authority to pursue enforcement against the owner or any other person responsible for the violation, as provided by law. (Ord. No. 2026-0388, § 3(Exh. A), 5-6-2026)

Sec. 10-174. High-Risk Apartment Inspection Program.

(a) ***Initial inspection.*** The building official shall perform an initial inspection of each HRRB within 30 days of the HRRB's registration in the Program. The building official shall provide the manager of the HRRB building with a written accounting of all identified Code violations no later than twenty (20) days following completion of the initial inspection. The owner or manager of the HRRB shall be physically present at the property during all scheduled inspections. The owner or manager shall have charge, care, and control of the HRRB, and shall provide access to the property or inspection upon request by the building official within a reasonable length of time, no more than fifteen (15) calendar days from receipt of said request.

(b) ***Follow-up inspections.*** Following the initial inspection of an HRRB, the building official shall conduct follow-up inspections at intervals necessary to verify correction of Code violations and continued compliance with applicable standards. At a minimum, a follow-up inspection shall be conducted within 30 days after the initial inspection pursuant to subsection (a) of this section, and additional inspections may be scheduled as deemed appropriate by the building official.

(c) ***Emergency repairs.*** Upon the building official issuing a permit to authorize emergency repairs, the manager of a High-Risk Rental Building (HRRB) shall, within the timeframe specified by the building official, submit documentation confirming completion of such repairs. Completion of emergency repairs shall be subject to field verification by one or more city departments, as appropriate.

(d) ***Registration termination.*** The building official shall terminate the registration of an HRRB in the Program upon any of the following conditions:

(1) The HRRB has resolved all pending citations and has maintained compliance with applicable Code requirements for a continuous period of six months from the date of completion of the last required corrective action, as verified by the building official; or

(2) The HRRB no longer houses residents. (Ord. No. 2026-0388, § 3(Exh. A), 5-6-2026)

Sec. 10-175. Transfer of ownership.

(a) The owner shall notify the building official of any pending or proposed sale of an HRRB at least 30 days prior to the transfer of ownership.

(b) At least 30 days prior to the closing of any sale for the transfer of ownership in any HRRB, the owner shall notify all prospective buyers of any notices of violation or citations issued to the owner of the HRRB.

(c) Within 180 days following the transfer of ownership of an HRRB, the new owner shall resolve all outstanding violations, unless the building official grants an extension of time to make all necessary repairs upon a showing of good faith by the new owner to correct the outstanding violations. For purposes of granting an extension under this subsection, good-faith efforts include, but shall not be limited to:

(1) Obtaining all necessary permits to complete all necessary repairs in a timely fashion;

(2) Commencing and pursuing the completion of all necessary repairs without unreasonable delay;

(3) Demonstrating financial or contractual commitments to complete all necessary repairs; and

(4) Providing documentation or other evidence reasonably requested by the building official, demonstrating progress towards correcting violations in furtherance of completing all necessary repairs.

(d) Failure to satisfy these criteria shall be grounds for denial of extension. No extension shall exceed 90 days from the date the building official grants the extension.
(Ord. No. 2026-0388, § 3(Exh. A), 5-6-2026)

Sec.10-176. Repeat Offender program.

(a) Upon the building official's determination that the manager of an HRRB has failed to resolve all violations at a single property within a 6-month period following the date the notice of designation is issued, the building official shall extend the time period for an HRRB to be registered in the program for 12 months.

(b) The building official shall send notice to the owner of an HRRB that meets the conditions in section 10-171(b) of this Code. The notice will identify the affected property, describe the violation and applicable Code provisions, and provide a reinspection date on which the building official shall reinspect the property and confirm whether or not the HRRB has corrected the violation or provided proof of ongoing good-faith efforts to correct.

(c) In addition to subsection (a), the building official may designate a property as a repeat offender if the property incurs five or more citations for violations for one or more of the violations stated in section 10-171 of this Code within a twelve-month period after having first been designated as an HRRB.

(d) A property designated as a repeat offender shall be subject to enhanced enforcement measures, which may include mandatory inspections at intervals determined by the building official.

(e) Upon the designation of an HRRB as a repeat offender, the building official shall ensure such designation is recorded in the real property records of the county in which the building is located. The record shall identify the MFRB by legal description and street address, reference the provisions of section 10-171 of this Code establishing the designation, and provide notice that the building is subject to the requirements of the program.

(f) When an MFRB registration in the HRRB program is terminated, the building official shall file a release of designation in the real property records of the county in which the MFRB is located. The release shall identify the building by legal description and street address, reference the prior designation, and state that the MFRB is no longer subject to the requirements of the program established pursuant to this division.

(g) The owner or manager of a multi-family rental building designated as an HRRB may appeal the designation by filing a written notice of appeal with the building official within 15 days of receiving the notice of designation. The appeal shall be heard by an impartial hearing officer who shall render a decision within 30 business days of the date of the filing of an appeal.
(Ord. No. 2026-0388, § 3(Exh. A), 5-6-2026)

Sec. 10-177. Tenant advocacy.

The building official shall, in conjunction with the police department, Houston Public Works, fire department, health department, and housing and community development department, make information available on the city's website to provide assistance or referrals to tenants of any HRRB regarding complaints, inspections, or any work to alter, repair, replace, maintain, or remove any building or structure, or any appurtenance connected or attached to such building or structure, in response to a notice of violation or citation issued to the manager of an HRRB under this division.
(Ord. No. 2026-0388, § 3(Exh. A), 5-6-2026)

Sec. 10-178. Online report.

For as long as the HRRB is in the Program, the building official shall make available for public view the business name and physical

address of the HRRB in the office of the city secretary and on a website maintained by the city.
(Ord. No. 2026-0388, § 3(Exh. A), 5-6-2026)

Sec. 10-179. Apartment Landlord Training Program.

(a) ASEC and the building official shall collaborate with the police department, fire department, health department, housing and community development, legal department, and Houston Public Works to establish an apartment landlord training program to provide training to owners and managers of HRRB's.

(b) The owner or manager of an HRRB shall complete training online in the manner prescribed by the building official. The training shall include, but not be limited to, the following:

(1) An overview of all applicable provisions of this Code, the City of Houston Construction Code, and any other relevant laws or regulations applicable to MFRBs;

(2) Guidance on how to identify and abate unsafe use and occupancy of apartment buildings; and

(3) The contact information of appropriate city departments and law enforcement for the manager to use in response to specific purposes.

(c) The manager of an HRRB shall maintain records sufficient to verify compliance with the training requirements of this section of the Code.

(d) Upon written request from the building official, the manager of an HRRB shall produce records demonstrating completion of the required training.
(Ord. No. 2026-0388, § 3(Exh. A), 5-6-2026)

Secs. 10-180—10-210. Reserved.

ARTICLE V. NUMBERING

Sec. 10-211. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Commercial building means and includes any building used in whole or in part for any trade, business, the provision of services for remuneration, or for any commercial purpose, but the term commercial building shall not include any building used for residential or lodging purposes.

Commercial unit means and includes the portion of any commercial building that is used by any corporation, partnership, association or sole proprietorship which does not occupy the entire building.

Family means and includes one or more individuals living together in a single housekeeping unit.

Identifying number means the street address number assigned by the director of planning and development, or where no such number has been assigned by the director of planning and development, any number, letter, or number and letter combination which is distinct from any other number, letter, or number and letter combination used on the same premises.

Lodging unit means and includes any room, other than one in a residential unit, which is generally used for sleeping purposes.

Premises means any tract or tracts of land under common ownership. Premises shall also include the total area of any condominium or town house development where the owners of individual units hold all or part of the land in common.

Residential unit means and includes any building or portion thereof designed as a dwelling for a family.

Residential unit number means the number on each residential unit in an apartment community or any other multiunit residential property, including but not limited to townhomes, garden homes, and condominiums.
(Ord. No. 09-1049, § 2, 11-4-09, eff. 1-1-2010)

Sec. 10-212. Directory for multiunit residential properties, etc.

Whenever there are four or more residential units on the same premises, there shall be a directory posted and maintained within eight feet or less of the front of the driveway of each vehicular entrance to the premises unless a residential unit number posted on each unit is clearly visible from the public street. Such directory shall indicate by a map or clearly worded directions the exact location of each residential unit on the premises. This section shall not apply if all units on the premises are located in one building which meets the requirements of section 10-213.1 of this Code.
(Ord. No. 09-1049, § 2, 11-4-09, eff. 1-1-2010)

Sec. 10-213. Posting of residential unit numbers.

Each residential unit and each lodging unit shall have a residential unit number posted and maintained on or within 18 inches of the principal entrance to the unit or such greater distance as the fire marshal may approve.
(Ord. No. 09-1049, § 2, 11-4-09, eff. 1-1-2010)

Sec. 10-213.1. Posting of directions for multiunit residential properties.

(a) If a building contains more than two residential or lodging units which cannot be entered directly from outside, directions shall be posted and maintained outside the principal entrance to such building or inside such building where it is clearly visible upon entering the principal entrance to the building. Such directions shall indicate one of the following:

(1) The location of all units in the building by arrows, by a map, or by clearly worded directional information.

(2) The location of all units on the same floor as the principal entrance and the floor on which each other unit is located. When the directions at the principal entrance to the building simply indicate the floor on which some units are located, directions shall be posted and maintained at the elevator entrance to each floor, or if there is no elevator, at the principal stairwell entrance. Such directions shall show the location of all units on that floor by arrows, a map, or clearly worded directional information.

If it is not obvious which entrance to a building is the principal entrance, a sign clearly indicating the location of the principal entrance shall be posted and maintained on all entrances to the building which might be confused with the principal entrance; however, two or more entrances may be considered principal entrances to the building if the owner of the property so desires. Where two or more entrances are considered principal entrances to the building, all numbers and directories must be posted and maintained at each such entrance as though it were the only principal entrance to the building.

(b) If a building contains four or more residential or lodging units, residential unit numbers shall be posted and maintained at each end of said building indicating the units contained therein. If the residential unit numbers posted at one end of the building are clearly visible from a public street or private driveway, and the opposite end of the building is not visible from either a public street or a private driveway, residential unit numbers shall be required only on the end of the building that is clearly visible from the public street or private driveway. It shall not be necessary to post the identifying residential unit numbers of all units contained in the building at the ends of said building if the residential unit numbers posted at the ends indicate the units contained in the building. (Example: Where a building contains units numbered 1 to 20, it shall be adequate to post "1—20" on the end of the building.) The ends of the building shall be designated by the owner of the property. The residential unit numbers required by this subsection shall be at least four inches in height, shall be permanently affixed to the outside of the building, and shall be of a color which is in contrast to the background.
(Ord. No. 09-1049, § 2, 11-4-09, eff. 1-1-2010)

Sec. 10-214. Listing of occupants.

It shall not be necessary to list the occupants of any unit on any sign or directory used to comply with this article.
(Ord. No. 09-1049, § 2, 11-4-09, eff. 1-1-2010)

Sec. 10-215. Specifications for numbers—Noncommercial buildings and residential units.

(a) Each noncommercial building shall have an indentifying number posted in a position to be plainly legible and visible from the street, road, common driveway or common parking lot fronting the property.

(b) Each identifying residential unit number is to be posted and maintained on or within 18 inches of an entrance to the unit or such greater distance as the fire marshal may approve and shall be:

(1) Permanently affixed to the outside of the door or on the outside wall of such building or unit.

(2) Of a color which is in contrast to the background.

(3) For any noncommercial building built for first occupancy on or before May 22, 1979, at least two inches in height.

(4) For any noncommercial building built for first occupancy after May 22, 1979, at least three inches in height, except that a residential unit contained in a building where residential unit numbers are posted pursuant to section 10-213.1 of this Code may have residential unit numbers two inches or more in height.

(5) For each noncommercial building and each residential unit therein for which a building permit was issued after January 1, 2010: (i) of a color that contrasts with the background; (ii) one or more Arabic numerals or alphabet letters; and (iii) a minimum of 4 inches (102 mm) high with a minimum stroke width of 0.5 inches (12.7 mm).

(6) For any multiunit residential property for which a building permit is issued after January 1, 2010: required to be illuminated.

(Ord. No. 09-1049, § 2, 11-4-09, eff. 1-1-2010; Memorandum of 11-30-2015)

Sec. 10-216. Same—For commercial units and buildings.

(a) Each new and existing commercial building and each commercial unit therein shall have an identifying number posted in a position to be plainly legible and visible from the street, road, common driveway or common parking lot fronting the property.

Each commercial building shall have an identifying number posted and maintained on or within 36 inches of the principal entrance.

The identifying number of the building shall also be posted and maintained on any sign which:

(1) Sets out the name of the building; and

(2) Is located on the same premises as the building; and

(3) Is visible to persons traveling on the street from which the address is derived.

Each commercial unit having its principal entrance in such a location that it can be entered directly from outside the building shall have an identifying number posted and maintained on or within 36 inches of the principal entrance.

If it is not obvious which entrance is the principal entrance of a commercial building or a commercial unit, a sign clearly indicating the location of the principal entrance shall be posted and maintained on all entrances which might be confused with the principal entrance. However, two or more entrances may be considered principal entrances if the person in control of the property so desires. Where two or more entrances are considered principal entrances; all numbers must be posted and maintained at each such entrance as though it were the only principal entrance.

(b) For each commercial building for which a building permit was issued on or before January 1, 2010, and each commercial unit therein, the identifying number shall be:

(1) Permanently affixed to the outside of the door or on the outside wall of such building or unit;

(2) Of a color which is in contrast to the background; and

(3) At least three inches in height.

(c) For each commercial building for which a building permit was issued after January 1, 2010, and each commercial unit therein, the identifying number shall:

(1) Be permanently affixed to the outside of the door or on the outside wall of such building or unit;

(2) Contrast with the background;

(3) Consist of one or more Arabic numerals or alphabet letters; and

(4) Be a minimum of 4 inches (102 mm) high with a minimum stroke width of 0.5 inches (12.7 mm).

(d) All numbers which are posted and maintained on a sign or marker pursuant to this section shall be permanently affixed to the sign or marker and meet the same color and size requirements as specified in subsection (b) or (c) above.

(e) Provisions of this section shall not be construed to authorize the erection or maintenance of any sign or marker in contravention of any applicable provisions of the *Sign Code*.
(Ord. No. 09-1049, § 2, 11-4-09, eff. 1-1-2010; Ord. No. 2021-1037, § 20(Exh. I.13), 12-1-2021, eff. 4-1-2022)

Sec. 10-217. Compliance with article provisions notice; penalties for noncompliance.

(a) It shall be the responsibility of each owner of the property and of each person having control over the property to ensure that any number required to be posted and maintained on such property is so posted on such property at all times.

(b) Charges may be filed in municipal court for any violation of this article upon proper complaint under the following conditions:

(1) Written notice has been given the person charged, by an officer or employee of the city, either by hand delivery or by certified mail, return receipt requested. Such notice shall inform the person that identifying numbers must be posted on each building, lodging, residential or commercial unit and/or, in the case of residential units, that a directory must be maintained, as applicable. The notice shall also set out the requirements for such numbers and/or, if applicable, such directory, as specified in this article and shall be accompanied by a copy of applicable provisions of this article.

(2) The person charged did not comply with the applicable provisions of this article

within ten days of the date such person received notice pursuant to subsection (b)(1) hereof.

(c) Any person who fails to ensure that all numbers or, if applicable, directories required by this article are posted and maintained on property under his control after receiving notice as provided in subsection (b) shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than $100.00 nor more than $500.00 for each offense. Each day a number or, if applicable, directory, required to be posted under this article is not so posted shall constitute a separate offense.
(Ord. No. 09-1049, § 2, 11-4-09, eff. 1-1-2010)

Sec. 10-218. Responsibility for enforcement.

The neighborhood protection official is primarily responsible for the enforcement of this article with regard to dwellings, as "dwelling" is defined article IX of this chapter. The building official is primarily responsible for the enforcement of this article with regard to all other properties.
(Ord. No. 2011-108, § 3, 2-9-2011)

Secs. 10-219—10-230. Reserved.

ARTICLE VI. MODULAR HOUSING*

DIVISION 1. GENERALLY

Sec. 10-231. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(1) *Alteration* means the replacement, installation, addition, modification or removal of any structural component or any equipment which may affect the construction, fire safety, occupancy, plumbing, heat-producing or electrical system. It includes any modification made in a modular home which may affect the compliance of the home with the standards, but it does not include the repair or replacement of a component or appliance requiring plug-in to an electrical receptacle where the replaced item is of the same configuration and rating as the one being replaced. It also does not include the addition of an appliance requiring "plug-in" to an electrical receptacle, which appliance was not provided with the modular home by the manufacturer, if the rating of the appliance does not exceed the rating of the circuit to which it is connected.

(2) *Factory lot* means any property on which modular homes are manufactured. No property that is not adjoining property on which modular homes are actually constructed shall be considered a factory lot or part of a factory lot.

(3) *Manufacturer* means a person licensed as a manufacturer by the state pursuant to Article 5221f, Vernon's Texas Civil Statutes.

(4) *Modular home* means a structure or building module that is manufactured at a location other than the location where it is installed and used as a residence by a consumer, transportable in one or more sections on a temporary chassis or other conveyance device, and designed to be used as a permanent dwelling when installed and placed upon a permanent foundation system. The term includes the plumbing, heating, air-conditioning, and electrical systems contained in the structure. The term does not include a manufactured home as defined in Article 5221f, Vernon's Texas Civil Statutes, nor does it include building modules incorporating concrete or masonry as the primary structural component.

(5) *Owner* means the person holding title to the property and any person having control over the property.

(6) *Retailer* means a person licensed as a retailer by the state pursuant to Article 5221f, Vernon's Texas Civil Statutes.

*__Cross reference—__Manufactured homes, manufactured home parks, travel trailers, motor homes, etc., Ch. 29.

(7) *Sales lot* means any tract of land used by a retailer for showing modular homes to potential customers.

(Code 1968, § 10-300; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 94-1268, § 4, 11-22-94)

Sec. 10-232. Application and interpretation of other ordinances.

(a) All provisions of the ordinances of the city shall apply to the placement and the use of a modular home on any property within the city on the same basis that such ordinances are applicable to the construction and the use of any other structure except to the extent such ordinances of the city are inconsistent with state law, or are in conflict with the provisions of this article.

(b) For purposes of all the ordinances of the city, the placement of a modular home shall be deemed the construction of a structure.

(Code 1968, § 10-301; Ord. No. 80-875, § 1, 4-23-80)

Sec. 10-233. Compliance with Construction Code.

No structure originally constructed as a modular home shall be used for any purposes other than as a dwelling or a residence, for demonstration purposes at a sales lot, or as an office of a licensed retailer at a sales lot, unless the structure meets all requirements of the Construction Code of the city.

(Code 1968, § 10-302; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 02-399, § 33, 5-15-02)

Sec. 10-234. Setbacks.

No portion of any modular home may be less than three feet from any property line and may not be nearer to any property line than that distance specified in the Construction Code for structures of the same type of construction and occupancy. For purposes of this section, the term "property line" shall include an imaginary line midway between a modular home and any other structure on the same property, any easement line, and all lines falling within the usual and customary meaning of the term "property line."

(Code 1968, § 10-303; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 02-399, § 33, 5-15-02)

Sec. 10-235. Location restrictions.

No person shall allow, cause, or suffer any modular home to be on any property owned by him or under his control within Fire Zones One and Two. This section shall not prohibit the transportation of modular homes through Fire Zones One and Two on the public streets when such transportation is accomplished in compliance with all other applicable statutes and ordinances.

(Code 1968, § 10-304; Ord. No. 80-875, § 1, 4-23-80)

Sec. 10-236. Permit prior to placement on lot—Required.

No person shall permit, allow, suffer or cause a modular home to be on any property owned by him or under his control unless a permit has been issued by the city pursuant to the provisions of this article; provided that the provisions of this section shall not apply if the property is a factory lot or if such home was permanently installed on the property prior to May 1, 1980.

(Code 1968, § 10-305; Ord. No. 80-875, § 1, 4-23-80)

Sec. 10-237. Same—Application.

(a) To obtain a permit to place a modular home on property within the city when it is intended that such modular home shall be used as a residence by the applicant or by another, the owner of such property shall file an application therefor on a form designated by the city. Such application shall include:

(1) The name and mailing address of the applicant;

(2) The legal description of the property on which such modular home is to be placed;

(3) The street address of the property on which the modular home is to be placed;

(4) The size of such modular home;

(5) The year in which the modular home was constructed;

(6) A full description of such modular home, and the name of the manufacturer;

(7) The serial number of each modular section of the home;

(8) A map or drawing of the property drawn to scale showing the location where the modular home will be placed, the location of all other structures on the property, all driveways on the property, and where off-street parking will be provided.

(b) The application shall state thereon: "If the placement or use of the modular home on the property described in this application violates any restriction contained in or incorporated by reference in a duly recorded plan, plat, replat or other instrument affecting the property, the city may file suit or become a party to a suit for the purpose of enjoining or abating the violation of the restriction."
(Code 1968, § 10-306; Ord. No. 80-875, § 1, 4-23-80)

Sec. 10-238. Same—Conditions for permit issuance.

Upon the filing of a proper application pursuant to section 10-237 and the payment of the permit fee, the building official shall issue a permit for the placement of a modular home on such property unless the building official finds that the placement of the modular home on such property would violate any provision of the ordinances of the city or laws of the state, or finds that adequate utilities are not available for residential use of such modular home at the location set out in the application.
(Code 1968, § 10-307; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 90-635, § 34, 5-23-90)

Sec. 10-239. Same—Applicability of permit.

A permit granted pursuant to section 10-238 shall be valid only for the placement of the modular home described in the application therefor on the property designated in the application.
(Code 1968, § 10-308; Ord. No. 80-875, § 1, 4-23-80)

Sec. 10-240. Same—Permit fee.

The fee for a permit for the placement of a modular home that is intended to be used as a residence is stated for this provision in the city fee schedule. This fee shall be in addition to all other applicable fees.
(Code 1968, § 10-309; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 10-241. Certificate of compliance—Required prior to habitation and utility connection.

No utility of any kind shall be connected to a modular home and no person shall occupy or allow or permit another to occupy a modular home as a residence unless a certificate of compliance has been issued for such modular home.
(Code 1968, § 10-310; Ord. No. 80-875, § 1, 4-23-80)

Sec. 10-242. Same—Information required prior to issuance of certificate of compliance.

To obtain a certificate of compliance for a modular home, the applicant shall give the building official the following information:

(1) The number of the permit issued under section 10-238 for placement of the modular home;

(2) The date the modular home was placed on the property; and

(3) The serial number of each modular section of the home placed on the property.

(Code 1968, § 10-311; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 90-635, § 35, 5-23-90)

Sec. 10-243. Same—Conditions for issuance of certificate.

Upon receipt of a request for a certificate of compliance, inspectors of the city shall inspect the property on which the modular home is located to determine if the modular home meets all applicable requirements of the ordinances of the city. After such inspection a certificate of compliance shall be issued unless it is found that the requirements of this article or of other applicable ordinances have not been met.
(Code 1968, § 10-312; Ord. No. 80-875, § 1, 4-23-80)

Sec. 10-244. Same—Applicability of certificate of compliance.

A certificate of compliance for a modular home shall be valid only for the occupancy of that particular home for the location set out in the application.
(Code 1968, § 10-313; Ord. No. 80-875, § 1, 4-23-80)

Sec. 10-245. Seal, decal or label to be affixed to home used as residence.

No modular home shall be placed on any property within the city for use as a residence unless there is affixed thereto a seal, decal or label issued by the Texas Department of Labor and Standards pursuant to Article 5221f, Vernon's Texas Civil Statutes.
(Code 1968, § 10-314; Ord. No. 80-875, § 1, 4-23-80)

Sec. 10-246. Parking spaces required if used as residence.

No modular home may be placed on any property for use as a residence unless there are the minimum number of parking spaces for the modular home and for all other residential structures on the same property as required in chapter 26 of this Code.
(Code 1968, § 10-315; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 02-399, § 34, 5-15-02)

Sec. 10-247. Use as model or sales office—Permit application.

To obtain a permit to place one or more modular homes on a sales lot to be used as models and/or an office, the owner or lessee of the property shall file an application therefor on a form designated by the city. Such application shall include:

(1) The name and mailing address of the applicant;

(2) The legal description of the property on which such modular homes are to be placed;

(3) The street address of the property on which the modular homes are to be placed;

(4) The name and state license number of the retailer who will use the sales lot;

(5) The maximum number of such modular homes to be placed on such property for use as an office and/or models;

(6) The maximum size of the modular homes to be placed on the property for use as an office and/or models;

(7) A map or drawing of the property, drawn to scale, showing where each modular home to be used as an office and/or model will be placed;

(8) A declaration as provided in section 1-11 of this Code, subscribed by the person making the declaration as true under penalty of perjury, that the use of such property as a sales lot will not violate any restriction contained in or incorporated by reference in a duly recorded plan, plat, replat, or other instrument affecting the property.

(Code 1968, § 10-316; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 2015-160, § 5, 2-18-2015)

Sec. 10-248. Same—Review of application; issuance of permit.

Upon the filing of a proper application pursuant to section 10-247 and the payment of the permit fee, the building official shall review the application to determine if the proposed plans for use of the property as a sales lot meet the requirements of all applicable laws. After such review the building official shall issue a permit for the placement of modular homes as an office and/or models on the sales lot as requested in the application unless he finds that the placement of such modular homes on the property would violate any applicable laws or would violate any restriction contained in or incorporated by reference in a duly recorded plan, plat, replat, or other instrument affecting the property.
(Code 1968, § 10-317; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 90-635, § 36, 5-23-90)

Sec. 10-249. Same—Permit fee.

The fee to place or allow modular homes on a sales lot for an office and/or models is stated for this provision in the city fee schedule. This fee shall be in addition to all other applicable fees.
(Code 1968, § 10-318; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 10-250. Same—Term of permit; violation of restrictions.

A permit to place modular homes on a sales lot shall be valid for one year from the date of issuance and may be renewed annually upon payment of the permit fee stated for this provision in the city fee schedule.

Provided, however, a permit to place modular homes on a sales lot shall be null, void and of no effect if such use of the property violates any restrictions contained in or incorporated by reference in any plan, plat, replat or other instrument affecting the property.
(Code 1968, § 10-319; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 10-251. Same—Use as residence or dwelling prohibited.

No modular home located on a factory lot or a sales lot may be used as a residence or dwelling.
(Code 1968, § 10-320; Ord. No. 80-875, § 1, 4-23-80)

Sec. 10-252. Same—Number permitted.

No more than one modular home shall be used on any one sales lot as an office for a retailer of modular homes. If two or more sales lots are on adjoining property and such adjoining lots are used by the same retailer for the sale, exchange, and/or lease-purchase of modular homes, all such lots taken together shall be treated as one sales lot for purposes of this section.
(Code 1968, § 10-321; Ord. No. 80-875, § 1, 4-23-80)

Sec. 10-253. Penalty.

Any person who violates any provision of this article shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than $100.00 nor more than $500.00. Each day during which any violation of this article is continued or permitted shall be deemed a separate offense.
(Code 1968, § 10-322; Ord. No. 80-875, § 1, 4-23-80; Ord. No. 92-1449, § 23, 11-4-92)

Charter reference—Penalty for ordinance violation, Art. II, § 12.

Cross references—Assessment of fines against corporations, § 16-76; payment of fines, § 16-78; credit against fines for incarceration, § 35-6 et seq.

DIVISION 2. INDUSTRIALIZED HOUSING AND INDUSTRIALIZED BUILDINGS

Sec. 10-254. Definitions.

The following words and phrases shall have the following meanings in this division unless otherwise clearly indicated in the text. Words not defined shall be interpreted in their usual sense.

Industrialized building means a commercial structure that is constructed in one or more modules or constructed using one or more modular components built at a location other than the permanent commercial site, and that is designed to be used as a commercial building when the modules or modular components are transported to the permanent commercial site and are erected or installed on a permanent foundation system. The term includes the plumbing, heating, air-conditioning, and electrical systems. The term does not include any commercial structure that is in excess of three stories or 49 feet in height as measured from the finished grade elevation at the building entrance to the peak of the roof.

Industrialized housing means a residential structure that is designed for the use and occupancy of one or more families, that is constructed in one or more modules or constructed using one or more modular components built at a location other than the permanent residential site, and that is designed to be used as a permanent residential structure when the modules or modular components are transported to the permanent residential site and are erected or installed on a permanent foundation system. The term includes the plumbing, heating, air conditioning, and electrical systems. The term

does not include any residential structure that is in excess of three stories or 49 feet in height as measured from the finished grade elevation at the building entrance to the peak of the roof. The term shall not mean nor apply to:

(1) Housing constructed of sectional or panelized systems not utilizing modular components; or

(2) Any ready-built home which is constructed so that the entire living area is contained in a single unit or section at a temporary location for the purpose of selling it and moving it to another location.

Modular component means a structural portion of any dwelling or building that is constructed at a location other than the homesite in such a manner that its construction cannot be adequately inspected for code compliance at a homesite without damage or without removal of a part thereof and reconstruction.
(Ord. No. 85-2215, § 1, 12-26-85)

Sec. 10-255. Application of ordinances of the city to industrialized structures.

All provisions of the ordinances of the city shall apply to the construction, placement and the use of any industrialized building or industrialized housing on any property within the city on the same basis as such ordinances are applicable to the construction and the use of any other structure except to the extent such ordinances of the city are inconsistent with state law, or are in conflict with the provisions of this article. For purposes of all ordinances of the city, the placement of an industrialized building or industrialized housing shall be deemed the construction of a structure.
(Ord. No. 85-2215, § 1, 12-26-85)

Sec. 10-256. Conformance to uniform codes.

Any industrialized building or industrialized housing erected or installed in the city shall be constructed in accordance with the requirements, standards and rules as determined by the Texas Industrialized Building Code Council, pursuant to Chapter 1202 of the Texas Occupations Code.
(Ord. No. 85-2215, § 1, 12-26-85; Ord. No. 02-399, § 35, 5-15-02; Ord. No. 2021-1037, § 20(Exh. I.14), 12-1-2021, eff. 4-1-2022)

Sec. 10-257. Submission of plans and specifications.

Prior to the issuance of any permit for the installation of any industrialized building or industrialized housing in the city, the applicant shall submit to the building official a complete set of design plans and specifications bearing the stamp of the Texas Industrialized Building Code Council for the structure.
(Ord. No. 85-2215, § 1, 12-26-85; Ord. No. 90-635, § 37, 5-23-90)

Sec. 10-258. Decal or insignia required.

No industrialized building or industrialized housing shall be installed in the city unless it bears an approved decal or insignia pursuant to the rules of the Texas Department of Labor and Standards reflecting that the structure has been inspected at the manufacturing plant or facility.
(Ord. No. 85-2215, § 1, 12-26-85)

Secs. 10-259—10-270. Reserved.

ARTICLE VII. LOCATION OF ABATTOIRS AND RENDERING PLANTS

Sec. 10-271. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section unless the context requires otherwise:

(1) *Abattoir* or *slaughterhouse* means any establishment within the city within which cattle, sheep, swine, goats or any such animals are slaughtered for meat for human consumption. The term shall include stockyards and all other operations and facilities necessary, useful or incidental to such abattoir or slaughterhouse.

(2) *Rendering plant* means any establishment at which any animal or parts thereof, or the proteins and fats from animals, poultry, fish or any other waste organic material, in whole or in part, is processed for commercial use. The term "rendering plant" shall include related industry or other operations and facilities necessary, useful or incidental to such rendering plant.

(Code 1968, § 10-323; Ord. No. 81-1458, § 3, 8-4-81)

Sec. 10-272. Prohibited locations—For abattoirs.

(a) It shall be unlawful for any person to erect, establish, enlarge, or expand an abattoir or slaughterhouse in the corporate limits of the city within 3,000 feet of any:

(1) Church;

(2) Public park;

(3) School;

(4) Hospital;

(5) College or university; or

(6) Any dwelling resided in by anyone other than the applicant or employees of such abattoir or slaughterhouse.

(b) The measurement of such distance of 3,000 feet shall be in a straight line from the nearest point on the nearest real property line of such church, public park, school, hospital, college, university or dwelling to the nearest exterior portion of any building, outbuilding, structure or facility used or useful in connection with such abattoir or slaughterhouse to be erected. No building permit shall be issued by the building official for the erection or construction of any such abattoir or slaughterhouse within such three-thousand-foot distance.

(c) This section shall not apply to abattoirs or slaughterhouses in existence on January 23, 1957, to the extent that they were then in existence, but shall apply to all additions and extensions to such existing abattoirs or slaughterhouses.

(Code 1968, § 10-324; Ord. No. 81-1458, § 3, 8-4-81; Ord. No. 90-635, § 38, 5-23-90)

Sec. 10-273. Same—For rendering plants.

(a) It shall be unlawful for any person to erect, establish, enlarge or expand a rendering plant in the corporate limits of the city within 600 feet of any:

(1) Church;

(2) Public park;

(3) School;

(4) Hospital;

(5) College or university;

(6) Established eating place; or

(7) Any dwelling resided in by anyone other than the applicant or employees of the rendering plant.

(b) The measurement of such distance of 600 feet shall be in a straight line from the nearest point on the nearest real property line of the church, public park, school, hospital, college, university, eating establishment, or dwelling to the nearest exterior portion of any building, outbuilding, or structure or facility used or useful in connection with the rendering plant to be erected.

(c) This section shall not apply to rendering plants in existence on October 27, 1965, to the extent that they were then in existence, but shall apply to all additions and extensions to such existing rendering plants.

(Code 1968, § 10-325; Ord. No. 81-1458, § 3, 8-4-81)

Secs. 10-274—10-295. Reserved.

ARTICLE VIII. BUILDINGS CONSTITUTING FIRE HAZARDS GENERALLY

Sec. 10-296. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings

ascribed to them in this section, except where the context clearly indicates a different meaning:

(1) *Building.* The term "building" is used in this article in its customary and ordinary meaning, but where a shed or attachment has been built onto an original structure, or where two or more buildings have been joined together, or where a second building has been built adjacent to the first and utilizes a wall of the first building as a party wall, all parts shall be considered one building.

(2) *Combustible fibre.* The term "combustible fibre" shall mean and include cotton, sisal, henequen, ixtle, jute, hemp, tow, cocoa, fibre, oakum, baled waste, baled wastepaper, kapok, hay, straw, Spanish moss and excelsior.

(3) *Lodging house.* The term "lodging house" is used in this article in its ordinary and customary meaning and shall also mean and include hotels, boarding home, as defined in section 28-451 of this Code, lodging facilities, as defined in section 28-601 of this Code, rooming houses, tenement houses, or any other house (by whatever name known) used and occupied, or designed and constructed so that the same may be used and occupied, for the permanent or temporary occupancy for living quarters for ten or more persons.

(4) *Owner.* The term "owner" is used in this article in its customary and ordinary meaning and, in addition thereto:

a. If the building is owned by two or more persons, each shall be responsible hereunder as an owner.

b. If the building is owned or leased by a corporation, the president, the general agent (if there be one), the general manager (if there be one), and each member of the board of directors shall be responsible hereunder as an owner.

c. If the building is owned by one and leased to another, the responsibility hereunder shall be the responsibility of both the lessor and lessee and each or both may be held accountable for a violation hereof, and the term "owner" shall include "lessee."

d. If the building is the property of an estate under administration, in custodia legis, or held in trust, the executor, administrator, guardian, receiver or trustee shall be responsible hereunder as an owner.

(Code 1968, § 18-35; Ord. No. 73-2079, § 1, 11-21-73; Ord. No. 2018-225, § 7, 3-22-2018)

Sec. 10-297. Purpose and intent.

The purpose and intent of this article is to protect human life from destruction by fire. The chief offense denounced herein is the offense of permitting a building to be occupied by human beings when there is serious danger of loss of life from conflagration of the building due to dangerous conditions therein existing. All persons have a lawful right to peaceable occupancy and use of property owned by them but no person has a right to occupy or use or to profit from the occupancy or use of a building which seriously hazards human life, and the police power of the state, delegated to this city, is hereby invoked in prevention thereof. Connected offenses are also denounced by this article in furtherance of the principal intent.

(Code 1968, § 18-36; Ord. No. 73-2079, § 1, 11-21-73)

Sec. 10-298. Fire hazards enumerated.

The following shall be considered fire hazards:

(1) Any building containing electrical wiring or appliances in a dangerous and defective condition likely to cause fire. Electrical wiring and appliances installed or in use that are not in compliance with the provisions of any ordinance of the city regarding wiring and appliances and the installation thereof shall be deemed dangerous and defective.

(2) Any building containing gas plumbing or appliances in a dangerous and defective condition likely to cause fire. Gas plumbing or appliances installed or in use that

are not in compliance with the provisions of any ordinance of this city regulating plumbing and appliances and the installation thereof shall be deemed dangerous and defective.

(3) Any building where flammable or combustible liquids are used or stored in violation of any applicable provisions of the Fire Code.

(4) Any building of wooden frame construction wherein any cafe or restaurant business is operated, unless the walls and ceilings of that portion of the building in which the cafe or restaurant is operated are separated from the remainder of the building by one-hour fire-resistive materials.

(5) Any building of wooden frame construction wherein any automobile repair or service business is carried on unless fire-resistive separation is installed as provided in item (4) above.

(6) Any building of wooden frame construction wherein any combustible fibers are stored in quantities in excess of 100 cubic feet or wherein combustible fibers of a quantity less than 100 cubic feet are stored other than in a metal-lined wooden bin equipped with a self-closing metal cover.

(7) Any lodging house being operated in a two-story building of wooden frame construction; provided, however, that no such lodging house shall constitute a fire hazard if:

a. The ceiling of the first floor is separated from the floor of the second by one-hour fire-resistive materials; and

b. The walls between the rooms are insulated by one-hour fire-resistive materials that extend from ceiling to floor; and

c. The stairways, including the doors, platforms, landings, railings and corridors or passageways constructed in connection therewith, in all ways conform to the provisions of the *Building Code*; and

d. The floors, walls, and frame of the house are in safe and sound structural condition; and

e. The building does not otherwise constitute a fire hazard as defined herein.

(8) Any wooden frame building a substantial portion of which is in a state of dilapidation and in an advanced stage of rot and the deteriorated condition of the building renders its occupancy extremely hazardous to human life due to the increased likelihood of the occurrence of fire and the increased danger of its rapid and violent spread.

(9) Though not otherwise defined herein, any building wherein there exists a dangerous, defective and hazardous condition the nature of which renders the occupancy of the building an extreme risk to human life and the continued existence of which will, under all probabilities, result in a loss of human life.

(Code 1968, § 18-37; Ord. No. 73-2079, § 1, 11-21-73; Ord. No. 95-279, § 9, 3-15-95; Ord. No. 02-399, § 36, 5-15-02; Ord. No. 2021-1037, § 20(Exh. I.15), 12-1-2021, eff. 4-1-2022; Ord. No. 2022-234, § 3, 3-30-2022)

Sec. 10-299. Initial placarding.

(a) Whenever the fire marshal shall find that any building within the city constitutes a fire hazard, he shall forthwith cause to be posted on or near the front door of such building, in as conspicuous a manner as possible, a substantial placard upon which shall be printed in red, in letters at least 2½ inches high, the words "WARNING—FIRE HAZARD," and on which placard there shall also appear the following words:

"THIS BUILDING IS A FIRE HAZARD. ITS OCCUPANCY IS DANGEROUS TO HUMAN LIFE. THE OWNER AND ALL OCCUPANTS ARE DIRECTED BY LAW TO COMMUNICATE IN PERSON OR BY

TELEPHONE, IMMEDIATELY, WITH THE OFFICE OF THE FIRE MARSHAL OF THE CITY OF HOUSTON."

(b) Such placard may contain other information deemed advisable by the fire marshal. Like placards shall be placed in or on other portions of the building as may be deemed necessary by the fire marshal.
(Code 1968, § 18-38; Ord. No. 73-2079, § 1, 11-21-73)

Sec. 10-300. Notice to owner.

(a) The fire marshal shall give notice to the owner of the building placarded in accord with section 10-299 of this Code that the same constitutes a fire hazard, stating substantially what conditions exist giving rise to same and substantially what measures should be taken to abolish the hazard. Such notice shall normally be given in writing by mail or delivery, but may be given orally if the circumstances are urgent and delay would endanger life.

(b) The fire marshal shall find and determine from the existing facts what maximum amount of time may be safely permitted the owner to abolish the fire hazard, without materially increasing the danger of life, and shall specify in his notice to the owner the extent of such time limit.

(c) Where the fire marshal cannot, by the exercise of reasonable diligence, ascertain the identity or the residence of the owner, or is wholly unable to communicate with him for any reason, it shall be sufficient for the fire marshal to post a written notice near his placard on the building.
(Code 1968, § 18-39; Ord. No. 73-2079, § 1, 11-21-73)

Sec. 10-301. Duty of owner to abolish hazard.

(a) Whenever any owner shall be given notice as provided in section 10-300 of this Code, he shall forthwith take such action as may be necessary to abolish the fire hazard. He shall do so by either correcting the physical condition or conditions which cause fire, or by causing the building to be vacated of human occupancy. Purported or alleged inability to abolish the hazard in one way will not excuse failure to abolish it in the other. He shall take all necessary action and abolish the fire hazard within the time limit which the fire marshal has found from the facts may safely be allowed.

(b) Any owner of any building who shall receive notice from the fire marshal that the building is a fire hazard as provided in section 10-300 of this Code and shall fail or refuse to abolish the fire hazard within the maximum time limit found by the fire marshal as provided in section 10-300 of this Code shall be fined not less than $250.00 nor more than $2,000.00. Each day such fire hazard continues to exist after the expiration of the time limit shall constitute a separate offense.
(Code 1968, § 18-40; Ord. No. 73-2079, § 1, 11-21-73; Ord. No. 92-1449, § 24, 11-4-92)

Charter reference—Penalty for ordinance violation, Art. II, § 12.

Cross references—Assessment of fines against corporations, § 16-76; payment of fines, § 16-78; credit against fines for incarceration, § 35-6 et seq.

Sec. 10-302. Acceptance of rent prohibited until hazard abolished.

(a) Any owner of any building who shall receive notice from the fire marshal that the building is a fire hazard as provided in section 10-300 of this Code and shall fail or refuse to abolish the fire hazard within the maximum time limit found by the fire marshal as provided in section 10-300 of this Code and shall, after the expiration of such time limit, accept payment of rent from any person as consideration for occupying such building or any portion thereof shall be guilty of a misdemeanor and, upon conviction, shall be fined not less than $250.00 nor more than $2,000.00. This offense shall be separate and distinct from the offense denounced in section 10-301 of this Code. Each acceptance of payment of rent shall constitute a separate offense.

(b) Any owner of any building who has received notice from the fire marshal that the building is a fire hazard as provided in section 10-300 of this Code and, without abolishing the fire hazard, thereafter rents any portion of the building to

some person not theretofore renting or occupying same, shall be fined not less than $250.00 nor more than $2,000.00.
(Code 1968, § 18-41; Ord. No. 73-2079, § 1, 11-21-73; Ord. No. 92-1449, § 25, 11-4-92)

Charter reference—Penalty for ordinance violation, Art. II, § 12.

Cross references—Assessment of fines against corporations, § 16-76; payment of fines, § 16-78; credit against fines for incarceration, § 35-6 et seq.

Sec. 10-303. Discontinuing electric service.

When any fire hazard is permitted to continue in existence by the owner after receiving the notice provided in section 10-300 of this Code, and after the expiration of the time limit as determined under section 10-300 of this Code, if the fire marshal shall find and determine from the facts that the danger to human life is materially increased by the electrical wiring and appliances present in the building, he shall give notice to the public utility company supplying electrical current to such building, to disconnect its service and forthwith cease supplying electrical current thereto. It shall thereupon be the duty of the chief officer of the company in active charge of its operations to cause such service to be disconnected and the supply of electrical current discontinued, immediately.
(Code 1968, § 18-42; Ord. No. 73-2079, § 1, 11-21-73)

Sec. 10-304. Discontinuing gas service.

When any fire hazard is permitted to continue in existence by the owner after receiving the notice provided in section 10-300 of this Code, and after the expiration of the time limit as determined under section 10-300 of this Code, if the fire marshal shall find and determine from the facts that the danger to human life is materially increased by the gas plumbing and appliances present in the building, he shall give notice to the public utility company supplying gas to such building, to disconnect its service and forthwith cease supplying gas thereto. It shall thereupon be the duty of the chief officer of the company in active charge of its operations to cause such service to be disconnected and the supply of gas discontinued, immediately.
(Code 1968, § 18-43; Ord. No. 73-2079, § 1, 11-21-73)

Sec. 10-305. Second placarding.

(a) Whenever the fire marshal shall find that a fire hazard continues to exist after the giving of notice and the expiration of the time limit provided in sections 10-300 and 10-301 of this Code, he shall cause to be posted on or near the front door of such building, in as conspicuous a manner as possible, a second substantial placard upon which shall be printed in red in letters at least two and one-half inches high the words, "SECOND WARNING—FIRE HAZARD," and on which placard there shall also appear the following words:

> "THE TIME LIMIT HAS EXPIRED FOR THE CORRECTION OF THE CONDITIONS WHICH MAKE THIS BUILDING A FIRE HAZARD, AND THEY HAVE NOT BEEN CORRECTED.
>
> "THE FURTHER OCCUPANCY OF THIS BUILDING BY ANY PERSON IS PROHIBITED BY LAW AS IT IS DANGEROUS TO LIFE.
>
> "THIS NOTICE IS POSTED (Here the notice shall show the date and hour). ALL PERSONS ARE REQUIRED BY LAW TO VACATE SAME NOT LATER THAN FORTY-EIGHT HOURS AFTER SUCH TIME, AND ARE PROHIBITED FROM RE-ENTERING SAME UNTIL THE FIRE MARSHAL FINDS THAT THE FIRE HAZARD HAS BEEN ABOLISHED.
>
> "FOR FURTHER INFORMATION, CALL THE FIRE MARSHAL OF THE CITY OF HOUSTON."

(b) Such placard may contain other information deemed advisable by the fire marshal.
(Code 1968, § 1844; Ord. No. 73-2079, § 1, 11-21-73)

Sec. 10-306. Unlawful occupancy or entry.

After 48 hours from the stated hour of the posting of the second placard pursuant to section 10-305 of this Code, as shown therein, it shall be

unlawful for any person to occupy the building as living quarters or to enter or remain in same except for short visits not exceeding 30 minutes in any one day, during daylight hours, after first giving notice to the fire marshal's office of intention to enter; provided, that, after first giving notice to the fire marshal's office and subject to his regulation, the owner may cause persons to enter the premises for the purpose of correcting the physical conditions which give rise to the hazard.
(Code 1968, § 18-45; Ord. No. 73-2079, § 1, 11-21-73)

Sec. 10-307. Allowing reoccupancy without correcting hazardous condition.

Any owner of any building who receives a notice from the fire marshal that the building is a fire hazard as provided in section 10-300 of this Code, and abolishes the fire hazard by causing the building to be vacated of human occupancy and thereafter reconstitutes the fire hazard by allowing or causing human occupancy to be resumed without correcting the hazardous physical condition of the building shall be guilty of a misdemeanor and, upon conviction, shall be fined not less than $250.00 nor more than $2,000.00 and each day that such reconstituted fire hazard continues to exist shall be a separate offense. No additional notice from the fire marshal shall be required in such cases.
(Code 1968, § 18-46; Ord. No. 73-2079, § 1, 11-21-73; Ord. No. 92-1449, § 26, 11-4-92)

Charter reference—Penalty for ordinance violation, Art. II, § 12.

Cross references—Assessment of fines against corporations, § 16-76; payment of fines, § 16-78; credit against fines for incarceration, § 35-6 et seq.

Sec. 10-308. Unlawful removal or defacing of placards.

Any person who shall tear down or deface any placard posted by the fire marshal under the provisions of this article shall be guilty of a misdemeanor and, upon conviction, fined not less than $250.00 nor more than $2,000.00.
(Code 1968, § 18-47; Ord. No. 73-2079, § 1, 11-21-73; Ord. No. 92-1449, § 27, 11-4-92)

Charter reference—Penalty for ordinance violation, Art. II, § 12.

Cross references—Assessment of fines against corporations, § 16-76; payment of fines, § 16-78; credit against fines for incarceration, § 35-6 et seq.

Sec. 10-309. Removal of placards after conditions remedied.

Whenever the fire marshal finds that the physical conditions causing a fire hazard defined in this article no longer exist, he shall forthwith notify the owner and remove his placard or placards. After such finding, it shall be lawful to occupy the building.
(Code 1968, § 1848; Ord. No. 73-2079, § 1, 11-21-73)

Sec. 10-310. Enforcement officers.

For the purpose of the enforcement of this article, any assistant fire marshal, city arson investigator or inspector of the fire prevention division of the fire department shall be deemed to be a deputy of the fire marshal and any of the powers and duties given the fire marshal by this article may be exercised by any such deputy on behalf of the fire marshal.
(Code 1968, § 18-49; Ord. No. 73-2079, § 1, 11-21-73)

Sec. 10-311. Alternative remedies.

Any building in which one or more of the fire hazard conditions enumerated in section 10-298 above exists is hereby declared a public nuisance and a fire hazard. The fire marshal is hereby expressly authorized and directed to take or initiate appropriate action for the abatement thereof pursuant to this article or any other applicable provisions of this Code, including without limitation, article IX of this chapter and the city's Fire Code. Notwithstanding, the availability of any other remedies and sanctions the fire marshal is authorized and directed to proceed with immediate abatement action pursuant to this article whenever he finds upon inspection

thereof that the continued occupancy of any building constitutes a substantial hazard to human life from potential conflagration of the building.
(Code 1968, § 18-50; Ord. No. 73-2079, § 1, 11-21-73)

Secs. 10-312—10-315. Reserved.

ARTICLE IX. BUILDING STANDARDS*

DIVISION 1. GENERALLY

Sec. 10-316. Title.

This article is, and may be cited as, the "Houston Building Standards Code."
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-317. Definitions.

When used in this article, the following words and phrases have the meaning stated, unless the context of their usage clearly indicates another meaning:

Building standards official means the neighborhood protection official or the building official or the fire code official (as defined in the *Fire Code*), according to their respective enforcement responsibilities as provided in this article or in the *Fire Code*.

Commission means the building and standards commission created by this article.

Congregate living facility means a building containing facilities for living, sleeping, and sanitation for occupancy by other than a family. Examples of congregate living facilities include shelters, convents, monasteries, dormitories, boarding homes, as defined in section 28-451 of this Code, lodging facilities, as defined in section 28-601 of this Code and rooming houses, and fraternity and sorority houses. Notwithstanding the foregoing, the following buildings are not congregate living facilities:

(a) Jails;

(b) Hotels (as defined by article III of chapter 44 of this Code); and

(c) Buildings providing sleeping facilities primarily for the purpose of rendering services regulated by a department or agency of the federal government or of the State of Texas (including, but not limited to, the Texas Department of State Health Services).

Dwelling means a property containing not more than two dwelling units.

Dwelling unit means a single unit providing complete independent living facilities for one or more individuals, including permanent provisions for living, sleeping, eating, cooking, and sanitation. Notwithstanding the foregoing, units in the following buildings are not dwelling units:

(a) Jails;

(b) Hotels (as defined by article III of chapter 44 of this Code); and

(c) Buildings providing sleeping facilities primarily for the purpose of rendering services regulated by a department or agency of the federal government or of the State of Texas (including, but not limited to, the Texas Department of State Health Services).

Family means an individual; or two or more individuals related by blood or by marriage; or a group of not more than ten individuals, who need not be related by blood or marriage, living together in a dwelling unit.

Habitable space means a room or other interior space lawfully occupied for living, sleeping, eating, or cooking. Bathrooms, toilet rooms, closets, halls, storage rooms, and utility rooms are not habitable spaces.

Hearing officer means the individual, whether one or more, designated by the mayor

*__Editor's note—__Ord. No. 2011-108, § 4, adopted February 9, 2011, amended Ch. 10, Art. IX to read as herein set out. Former Art. IX pertained to Comprehensive Urban Rehabilitation and Building Minimum Standards and derived from Ord. No. 93-1570, § 1, 12-8-93 and subsequent amendatory ordinances. See the Code Comparative Table for a detailed list of amendatory ordinances.

to conduct administrative hearings as provided by this article; to consider evidence of violations of this article and of certain provisions of the Fire Code, as provided therein or in this Code; and to enter orders as are supported by the evidence.

Kitchen means an area used, or designated to be used, for the preparation of food.

Manager means an individual authorized by the owner of property to control or supervise the property.

Occupant means an individual having lawful possession of a building or a portion thereof, including a tenant of the building and his invitees.

Overcrowded describes:

(1) A dwelling unit or a congregate living facility not containing at least 150 square feet of net floor area for the first resident and at least 100 square feet of additional net floor area for each additional resident; or

(2) A dwelling unit or a congregate living facility of two or more rooms not containing at least 70 square feet of net floor area in each room occupied by one resident for sleeping purposes; or

(3) A dwelling unit or a congregate living facility of two or more rooms not containing at least 50 square feet of net floor area per resident in each room occupied by more than one resident for sleeping purposes;

provided that, in a calculation of net floor area for the purposes of this article, children younger than one year old shall not be considered residents; children at least one year old but younger than six years old shall be considered one-half of one resident; and floor area in a room with a ceiling height of less than seven feet shall not be included in the calculation.

Owner means

(1) A person who holds one of the following legal interests in real property:

a. Fee simple title;

b. Life estate; or

c. Leasehold estate, unless the context differentiates between owner and tenant or resident, in which case "owner" means a lessee with a lease term of five or more years; or

(2) A person (such as an executor, receiver, or trustee, depending upon the terms of the person's appointment) who by operation of law holds rights in real property materially equal to those of a holder of fee simple title; or

(3) The buyer in a contract for deed.

Premises or *property* means a parcel of land and any structures on the parcel; for the purposes of this article, real property to which one account number has been assigned by the appraisal district in which the land is located constitutes one parcel of land.

Record proceeding refers to an administrative proceeding conducted pursuant to this article, if the proceeding is related directly to a property with an appraised value exceeding $250,000.00 (including improvements), according to the most recent information available at a public website maintained by the appraisal district in which the property is located, and if the proceeding:

(1) Includes a request by the building standards official for entry of an order, declaration, or directive; or

(2) Is a hearing conducted pursuant to section 10-394 of this article.

Refuse means garbage, rubbish, or anything discarded or rejected as useless or worthless.

Resident means an individual lawfully residing in a building.

Sanitary describes a condition of good order and cleanliness reasonably likely to preclude the transmission of disease.

Secure, when used in the context of a vacant building, means to take measures necessary to prevent unauthorized entry into the building, which measures shall be in accordance with the specifications on file in the office of the city secretary for the purposes of this article, unless a variance from the specifications is approved in writing by the building standards official. To the extent an order of the hearing officer, the commission, or a court of lawful jurisdiction establishes or adopts other criteria for securing a building, a building satisfying those criteria is considered secured.

Serious and immediate hazard means a condition that violates this article and that in the absence of immediate corrective action by the city presents a reasonable likelihood of causing serious bodily injury to a human being. For purposes of illustration only, examples of serious and immediate hazards include (a) a condition presenting a reasonable likelihood of electrocution or asphyxiation; (b) a structure reasonably likely to collapse; and (c) a vacant structure in which there is a reasonable likelihood that an individual with no right of entry may commit a violent criminal act while shielded from public view. The existence of a serious and immediate hazard may be determined from the personal observation of any person or from circumstantial evidence.

Sleeping unit means a room or other interior space occupied, with the permission of the owner of the property, for sleeping and other living purposes, which space may include sanitation or kitchen facilities but not both. Notwithstanding the foregoing, spaces in the following buildings are not sleeping units:

(1) Jails;

(2) Hotels (as defined by article III of chapter 44 of this Code); and

(3) Buildings providing sleeping facilities primarily for the purpose of rendering services regulated by a department or agency of the federal government or of the State of Texas (including, but not limited to, the Texas Department of State Health Services).

Substandard building means a building characterized by any of the conditions described in Section 214.001(a), Texas Local Government Code.

Vacant describes a structure in which there is no lawful residential, commercial, recreational, charitable, religious, or construction activity.

Weatherproof describes a structure able to protect occupants from exposure to precipitation, wind, and direct sunlight.

(Ord. No. 2011-108, § 4, 2-9-2011; Ord. No. 2013-296, §§ 17, 18, 4-3-2013; Ord. No. 2018-225, § 8, 3-22-2018; Ord. No. 2021-1037, § 20(Exh. I.16), 12-1-2021, eff. 4-1-2022)

Sec. 10-318. Scope; responsibility for enforcement.

(a) This article applies to all structures, regardless of when they were constructed, altered, or repaired, except as otherwise may be provided by this Code.

(b) The neighborhood protection official is primarily responsible for the enforcement of this article with regard to dwellings. The building official is primarily responsible for the enforcement of this article with regard to all other properties.

(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-319. Article supplemental.

The provisions of this article are cumulative of all other ordinances, laws, and applicable regulations. Without limitation of the foregoing, any act to secure, repair, or demolish a structure ordered pursuant to this article must comply with all applicable requirements of this Code, specifically including the Construction Code and division 4 of article VII of chapter 33 of this Code. Furthermore, this article shall not be construed to limit the enforcement authority of

officers of the police department, specifically including members of the police department's Differential Response Team.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-320. Authority to enter property; warrants; emergencies.

(a) For purposes related to the enforcement of this article, the building standards official may enter:

(1) Vacant property, provided that

a. The building standards official does not alter or damage the property; and

b. No owner of the property has denied the building standards official permission to enter the property; and

(2) Occupied property, but only with written or verbal permission from an owner, manager, or other person who reasonably appears to be in control of the property, unless otherwise provided by this article.

(b) If the building standards official is denied permission to enter a property, entry shall be made only under authority of a warrant issued by a magistrate.

(1) In applying for a warrant, the building standards official shall submit to the magistrate an affidavit, which may be based on information supplied by others, describing with reasonable specificity the property into which entry is sought, stating facts giving rise to the building standards official's reasonable belief that the property is in violation of this article, and, to the extent known by the building standards official after reasonable inquiry, the name and contact information of the owner, manager, or other person in control of the property.

(2) If the magistrate finds that probable cause exists for entry into the property by the building standards official, the magistrate shall issue a warrant authorizing the entry. The warrant shall constitute authority for the building standards official to enter and to inspect the property, to gather evidence by any reasonable means, including photography and videography, and to procure samples and specimens as reasonably necessary to determine the existence and extent of a violation of this article. It is unlawful for a person to interfere or to refuse compliance with a warrant issued pursuant to this section.

(c) Notwithstanding anything to the contrary in this section, if the building standards official reasonably believes that a serious and immediate hazard exists on a property, the building standards official may enter the property at any time. In such circumstances the building standards official:

(1) May be accompanied by other city employees, including officers of the police department;

(2) Shall make every reasonable effort to present proper identification to the owner, manager, or other persons who appear to have a right to occupy or to control the property;

(3) Shall remain on the property only for such time as is reasonably necessary to conduct inspections and to gather evidence required to determine whether a serious and immediate hazard exists on the property; and

(4) As soon as reasonably possible, shall memorialize the circumstances of his entry into the property. The memorialization may be typed, handwritten, or in electronic form and shall be preserved in the records of the building standards official.

After expiration of the time prescribed in subsection (c)(3) of this section, the building standards official may enter a property only under the authority of subsections (a) or (b) of this section.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-321. Alternative means of posting notice.

If an official responsible for posting a placard or other notice pursuant to this article reasonably believes posting the notice in the manner prescribed will present a danger to any individual, the official may post the notice in another manner reasonably likely to accomplish the intent of the notice.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-322. No alteration of lease or other agreement.

The terms of this article shall not be construed to alter the terms of a lease or other agreement between landlord and tenant or others relating to property that is a subject of this article; provided that no provision of a lease or other

agreement shall be construed to excuse compliance with this article by any person. It is the intent of this article to identify the parties the city will hold responsible for compliance with and violations of this article, rather than to determine the rights and liabilities of persons under agreements to which the city is not a party.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-323. Responsibilities of the city attorney.

(a) The city attorney and attorneys acting at the direction of the city attorney shall:

(1) Provide legal advice and assistance as requested by the building official or by the neighborhood protection official related to the discharge of their respective duties under this article, which assistance may include the presentation of evidence, the examination of witnesses, and written and oral advocacy;

(2) Provide legal advice and assistance as requested by the hearing officer or by a member of the commission related to the discharge of their respective duties under this article; and

(3) Take all legal action reasonable and necessary to carry out the terms and provisions of this article, which action may include, but is not limited to, prosecution in the municipal courts of criminal citations issued for violations of this article and prosecution of civil lawsuits as authorized by this Code, by statute, or by common law.

(b) In the event the city attorney is requested by the building official or the neighborhood protection official and the hearing officer or a member of the commission to provide legal advice or assistance related to the same proceeding or to the same property, the city attorney shall take all actions reasonably necessary to protect the fairness of the proceeding, especially with regard to the rights of alleged violator(s).
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-324. Penalty for violations.

Unless a different penalty is provided elsewhere in this Code, a person violating a provision of this article shall be guilty of a misdemeanor, and, upon conviction, shall be fined not less than $200.00 nor more than $2,000.00. Each day a violation continues shall constitute a separate offense. It shall be an affirmative defense to prosecution under this article that compliance with this article or an order issued pursuant hereto was prevented as a result of the time for review and appeal following application for a certificate of appropriateness for mandatory repair pursuant to section 33-249 of this Code.
(Ord. No. 2011-108, § 4, 2-9-2011)

Secs. 10-325—10-330. Reserved.

DIVISION 2. ADMINISTRATIVE HEARINGS BEFORE HEARING OFFICER

Sec. 10-331. Authority of the hearing officer.

The hearing officer is authorized to conduct public administrative hearings and to enter orders in the manner provided by this article and to the extent authorized by Subchapter A of Chapter 214, Texas Local Government Code, and this article, or by the Fire Code.
(Ord. No. 2011-108, § 4, 2-9-2011; Ord. No. 2013-296, § 19, 4-3-2013)

Sec. 10-332. Hearings before the hearing officer.

(a) The city attorney may recommend to the hearing officer rules and procedures as are reasonable and necessary for the enforcement of this article.

(b) The building official shall designate a city employee to maintain the office of the hearing officer and to preserve all records of the hearing officer for at least three years after the records are created and as otherwise required by law.

(c) Notice of all hearings before the hearing officer shall be given as required by Subchapter A of Chapter 214, Texas Local Government Code, and by this Code.

(d) In each public proceeding before the hearing officer, the first order of business shall be for the building standards official to state whether or not he intends to request entry of an order, declaration, or directive related to a subject of the proceeding. The building standards official's statement shall be noted in the minutes or other record of the proceeding. Subject to subsection (f) of this section, if the building standards official states that he intends to request entry of an order, declaration, or directive related to a subject of the proceeding, the hearing officer shall cause the proceeding to be recorded by a court reporter, a video recorder, or other means sufficient to ensure the availability of a record for judicial review.

(e) Any person who complies with the requirements of this subsection may record a public proceeding before the hearing officer by any reasonable method that does not disrupt, delay, or otherwise burden the proceeding. Otherwise, the proceeding may not be recorded. In each public proceeding before the hearing officer, the second order of business shall be for the hearing officer to ask if any person present intends to record the proceeding. Any person who answers in the affirmative shall state his name and mailing address and tender to the hearing officer for review a valid, government-issued identification document, which document must include the person's photograph. The names and addresses of all persons answering in the affirmative shall be noted in the minutes or other record of the proceeding. This subsection is not applicable to persons recording the proceeding at the request of the hearing officer.

(f) A record proceeding conducted by the hearing officer shall be recorded by a court reporter certified by the Texas Court Reporters Certification Board. The building standards official shall pay a reasonable and customary fee to the court reporter for the recording services. Any person, including an employee of the city, may purchase a transcript of the proceeding (or a physical or electronic copy of a transcript of the proceeding, if available) after payment of a reasonable and customary fee to the court reporter. Notwithstanding anything to the contrary in this subsection, the building standards official shall not pay any fee to a court reporter who is an employee of the city.

(g) A proceeding conducted by the hearing officer may be postponed once for good cause shown; the existence of "good cause" shall be determined by the hearing officer in the exercise of his sole but reasonable discretion.

(h) Unless otherwise provided by this article, in a proceeding before the hearing officer in which the building standards official requests entry of an order, declaration, or directive, the factual and legal basis for the request shall be presented to the hearing officer by a person designated by the building standards official, which person may be an assistant city attorney. During the proceeding, the following persons may present testimony and other evidence on relevant issues and may cross-examine witnesses:

(1) The building standards official;

(2) An owner, resident, sublessor, or lessee of the property that is the subject of the proceeding;

(3) A person who has a lien against, or other legal interest in, the property that is the subject of the proceeding, according to:

a. The real property records of the county in which the property is located; or

b. A publicly available database maintained by the appraisal district in which the property is located;

(4) An owner, resident, sublessor, or lessee of a property adjoining the property that is the subject of the proceeding;

(5) A licensed attorney authorized to represent a person listed in subparts (1)—(4) of this subsection; and

(6) Any other person whom the hearing officer reasonably concludes is likely to further his understanding of the evidence or to assist his determination of a fact in issue.

(i) Before testifying, each witness shall be required to declare that he will testify truthfully, by an oath or affirmation administered by the hearing officer and in a form calculated to awaken the witness's conscience and to impress the witness's mind with his duty to testify truthfully.

(j) If no person having a possessory or other legal interest in the property appears before the hearing officer on the date and at the time for which the proceeding has been noticed, the building standards official shall proceed with the presentation of the evidence of the alleged violation(s).

(k) Upon consideration of the evidence and arguments presented at the proceeding, the hearing officer shall issue a written order that sustains one or more of the allegations of the building standards official or that dismisses one or more of the allegations and that orders relief, if and as authorized by this article, provided that any relief ordered by the hearing officer shall be reasonably proportionate to the threat to human health or safety presented by the violation. The order may include findings by the hearing officer, but findings are not required.

(l) Promptly after the hearing officer has issued a written order under this section, the building standards official shall give notice of the order in the manner required by Subchapter A of Chapter 214, Texas Local Government Code, and by this Code.

(m) Without the necessity of a hearing, the building standards official shall provide in recordable form a release of an order entered pursuant to this division upon:

(1) Payment of any fee required by this Code; and

(2) Presentation to the building standards official of:

a. A certificate of compliance issued by the Houston Public Works; or

b. A written report of a timely, personal inspection of the subject property by an employee of the department of neighborhoods, from which report the building standards official reasonably has concluded that all actions required by the subject order have been completed.

(Ord. No. 2011-108, § 4, 2-9-2011; Ord. No. 2011-697, § 10, 8-10-2011; Ord. No. 2018-11, § 50, 1-10-2018)

Secs. 10-333—10-340. Reserved.

DIVISION 3. ADMINISTRATIVE HEARINGS BEFORE BUILDING AND STANDARDS COMMISSION

Sec. 10-341. Building and standards commission created.

The building and standards commission of the city is hereby created. The commission shall function in the manner authorized by Subchapter C of Chapter 54, Texas Local Government Code. The commission shall conduct administrative hearings as provided by this article, to consider evidence of violations of this article, and to enter orders as are supported by the evidence. (Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-342. Members of the commission; terms.

(a) The commission consists of two commission panels, each of which shall be composed of five regular members appointed by the mayor and confirmed by the city council. At least one member of each commission panel shall be generally familiar with housing for low-income or homeless persons.

(b) The mayor also shall appoint eight alternate members to the commission, which members shall be confirmed by the city council. At the request of the neighborhood protection official, which request shall be noted in the records of the commission, in the absence of a regular member an alternate member may serve on either commission panel.

(c) Each regular and alternate member shall serve for a term of two years and, absent unusual circumstances as determined by the mayor's office of boards and commissions, shall hold over

until the member's successor is appointed and confirmed. Each regular panel position shall be numbered consecutively within each panel as positions one through five, and each alternate position shall be numbered consecutively as positions one through eight. Each member of the commission, regular or alternate, shall be appointed to a specific numbered position. The terms of each even-numbered position shall begin on the first day of each even-numbered year and end on the last day of each odd-numbered year, and the terms of each odd-numbered position shall begin on the first day of each odd-numbered year and end on the last day of each even-numbered year. A vacancy in any position shall be filled for the remainder of the unexpired term.

(d) At its first meeting of each calendar year, the commission as a whole shall elect a chairman to preside over its meetings. A quorum of the commission as a whole consists of a total of 14 members, whether regular members or alternates.

(e) A quorum of a commission panel consists of three members. An affirmative vote of three members of each commission panel is required for the issuance of an order by the commission panel. A tie vote shall be treated as a vote to deny the relief requested. No member of the commission may abstain from a vote unless before the vote the member publicly announces the factual basis for his reasonable belief that he has a conflict of interest related to the subject of the vote.

(f) Each commission panel shall elect a chairman and vice chairman at its first meeting of each calendar year and may convene at other times as necessary to function in the manner authorized by this article.

(g) A member of the commission, regular or alternate, may be removed as provided in Section 54.033(c), Texas Local Government Code.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-343. Authority of the commission.

For the enforcement of this article the commission is authorized to conduct public administrative proceedings, to enter orders, and to take actions to the extent and in the manner authorized by Subchapter C of Chapter 54, Texas Local Government Code.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-344. Hearings before the commission.

(a) The city attorney may recommend to the commission rules and procedures as are reasonable and necessary for the operation of the commission and the enforcement of this article. The commission as a whole shall adopt rules as required by Section 54.034, Texas Local Government Code.

(b) The neighborhood protection official shall designate a city employee to maintain the office of the commission and to preserve all records of the commission for at least three years after the records are created and as otherwise required by law. The city employee designated pursuant to

[The next page is 789]

this subsection may be the same city employee designated by the building official pursuant to section 10-332(b) of this Code.

(c) Notice of all proceedings before the commission shall be given as required by Section 54.035, Texas Local Government Code, or by Subchapter A of Chapter 214, Texas Local Government Code, and by this Code, as applicable to the proceeding.

(d) Proceedings before the commission shall be conducted essentially in the same manner prescribed by division 2 of this article for administrative hearings before the hearing officer.

(e) Promptly after the commission has issued a written order under this division, the neighborhood protection official shall give notice of the order in the manner required by Section 54.035, Texas Local Government Code, or by Subchapter A of Chapter 214, Texas Local Government Code, and by this Code, as applicable to the proceeding.

(f) In essentially the same manner prescribed by section 10-332(m) of this Code, the building standards official shall provide in recordable form a release of an order entered by the commission.
(Ord. No. 2011-108, § 4, 2-9-2011; Ord. No. 2011-697, § 11, 8-10-2011)

Secs. 10-345—10-360. Reserved.

DIVISION 4. MINIMUM STANDARDS

Sec. 10-361. Minimum standards generally; responsibilities of owners and occupants.

(a) It is unlawful for a person knowingly to allow a property of which the person has ownership or control to be kept or used in violation of this division.

(b) Each person who owns or otherwise has control of a property is responsible for maintaining in a sanitary condition the shared or public areas of the property and the premises thereof.

(c) Each occupant of a dwelling unit or a sleeping unit shall keep in a sanitary condition the part of the unit that the occupant occupies or controls.

(d) No person who owns, controls, or occupies real property shall use the property for the open storage of any dead tree, refuse, glass, building material, or of any inoperable motor vehicle, boat, refrigerator, stove, or other object of a reasonably similar size. For the purposes of this division, "inoperable" means either incapable of use for its intended purpose or reasonably appearing to be incapable of use for its intended purpose. It is an affirmative defense to prosecution for violation of this subsection that the person to whom the citation was issued was licensed by a proper authority to store the item in the manner in which it was stored at the time the citation was issued.

(e) A violation of this division does not of itself create a negligence per se standard or otherwise expand existing liability in tort.

(f) This division applies to manufactured homes and house trailers to the extent allowed by law.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-362. Congregate living facilities.

(a) Each building designed or used as a congregate living facility shall contain, at a minimum, the sanitary facilities and equipment shown below:

Toilets	*Lavatories*	*Tubs or Showers*
1 for each 8 individuals	1 for each 12 individuals	1 for each 8 individuals

(b) Except as otherwise provided by this Code, the minimum standards stated in section 10-363 of this Code apply to each sleeping unit within a congregate living facility.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-363. Responsibilities of owner.

(a) *General maintenance.* Each property shall be maintained by its owner in a safe and sanitary condition and in compliance with this division. Compliance with this division does not equate to compliance with the Construction Code, or vice versa.

(b) *Property standards.* An owner of property shall:

(1) Eliminate any unprotected hole, open excavation, sharp protrusion from the ground or walls, and any other object or condition on the premises reasonably likely to cause injury to an individual;

(2) Securely seal or plug any unused water well; secure any pump house and electrical service for operating water wells; remove an unused septic tank or grease trap, or pump the effluent and fill the tank or trap with soil or sand; remove or fill an unused cesspool or cistern with soil or sand; and securely cover all septic tanks or grease traps in service;

(3) Remove dead trees, tree limbs, and other debris reasonably likely to cause injury to an individual or to provide living or breeding places for insects, ectoparasites, or rodents, provided that a reasonably-sized accumulation of compost shall not constitute a violation of this subsection; and

(4) Keep doors and windows of any vacant portion of a building secured.

(c) *Structural standards.* An owner of property shall:

(1) Protect the exterior surfaces subject to decay by application of a protective covering or coating or other surface preservative;

(2) Fill any unprotected or unenclosed hollow masonry piers, foundation holes, and other openings reasonably likely to cause injury to an individual;

(3) Provide and maintain handrails for stairways, ramps, balconies, and porches more than 30 inches above grade;

(4) Maintain buildings intended for human occupancy in a weatherproof condition;

(5) Maintain floors, supporting walls, ceilings, and all supporting structural members in a sound and safe condition, capable of bearing imposed loads safely;

(6) Maintain each inside and outside stairway, porch, and appurtenance thereto in a sound and safe condition, capable of bearing imposed loads safely;

(7) Provide cross-ventilation of not less than 1½ square feet for each 25 linear feet of wall in each basement or crawl space not mechanically ventilated;

(8) Repair or replace any chimney flue or vent attachment reasonably likely to constitute a health or safety hazard;

(9) In a floor, wall, ceiling, porch, step, or balcony, repair any hole, crack, break, or loose material reasonably likely to constitute a health or safety hazard;

(10) For the flooring or subflooring of each bathroom and other room containing a toilet, provide and maintain a moisture-resistant finish or material, such as ceramic tile or vinyl; and

(11) Maintain all fences and accessory structures, including detached garages and sheds, in a structurally sound condition and in good repair.

(d) *Utility standards.* An owner of property shall:

(1) In each non-vacant dwelling unit and congregate living facility, provide and maintain in good operating condition one or more connections to discharge sewage from the building into a public sanitary sewer system, where service is available, or into an approved septic system where public sanitary sewer service is not available;

(2) In each non-vacant dwelling unit and congregate living facility, provide and maintain in good operating condition a toilet located in a room affording privacy to the user and connected to a water source and to a public sanitary sewer system, where service is available, or to an approved septic system where public sanitary sewer service is not available;

(3) In each non-vacant dwelling unit and congregate living facility, provide and main-

tain in good operating condition connections and pipes to supply potable water at adequate pressure;

(4) In each non-vacant dwelling unit and congregate living facility, provide and maintain in good operating condition a device to supply hot water at a minimum temperature of 120 degrees Fahrenheit;

(5) In each non-vacant dwelling unit and congregate living facility, provide a bathtub or shower in a room affording privacy to the user and maintain connections to sources of cold and hot water for each bathtub, shower, and lavatory;

(6) In each kitchen, provide and maintain connections to sources of cold and hot water for a sink;

(7) In each habitable space, provide and maintain in good operating condition heating equipment capable of maintaining a minimum inside temperature of 70 degrees Fahrenheit when it is 20 degrees Fahrenheit outside, the inside temperature to be measured at a point three feet above the floor;

(8) In each habitable space, if screens are not provided as required in subsection (e)(2) of this section, provide and maintain in good operating condition refrigerated air equipment capable of maintaining a maximum inside temperature 20 degrees Fahrenheit lower than the outside temperature or 80 degrees Fahrenheit, whichever is warmer;

(9) In each non-vacant building (except for buildings lawfully used exclusively for storage), provide and maintain in good operating condition such electrical circuits and outlets as are sufficient to carry safely an electrical load imposed by the normal use of equipment, appliances, and fixtures;

(10) In each habitable space, connect the space to an approved electrical service and provide and maintain in good operating condition either two wall-type convenience outlets or one wall-type convenience outlet and one ceiling-type light fixture with a wall switch;

(11) In each bathroom, toilet room, laundry room, and furnace room in a non-vacant building, connect the room to an approved electrical service and provide and maintain in good operating condition one ceiling or wall-type light fixture or one wall-type convenience outlet;

(12) Provide each public hall and stairway with illumination sufficient to allow occupants who are not visually impaired to use the hall or stairway without an unreasonable risk to safety; and

(13) In each non-vacant dwelling unit and congregate living facility, connect each heating or cooking device that burns solid fuel to a chimney or flue.

For purposes of this division, existing plumbing and electrical equipment and heating and cooling facilities that at the time of installation were in compliance with the then-existing Construction Code are permissible, provided the equipment or facility is in good operating condition and capable of being used in a safe manner.

(e) *Health standards.* An owner of property shall:

(1) Substantially eliminate insects, ectoparasites, and rodents in or on the premises, except as may be limited in section 10-364(b) of this Code;

(2) Provide and maintain a screen for keeping out insects at each exterior opening of each non-vacant dwelling unit, congregate living facility, and sleeping unit not cooled with refrigerated air;

(3) Maintain the interior of each vacant building or vacant portion of a building free from refuse;

(4) Properly grade the property surrounding a building to obtain thorough drainage and to prevent the accumulation of stagnant water;

(5) Provide each non-vacant dwelling unit, congregate living facility, and sleeping

unit with means of egress as required by the *Construction Code* in effect at the time of construction and as required by Appendix D to the *Existing Building Code;* and

(6) Provide a kitchen in each dwelling unit.

(f) *Light and ventilation standards.* An owner of property shall:

(1) Provide each habitable space with at least one window or skylight facing directly to the outdoors. The minimum total window area, measured between stops, for each such space shall be ten percent of the floor space of the room. Whenever walls or other portions of structures face a window of any such room and light-obstructing structures are located less than three feet from the window and extend to a level above that of the ceiling of the room, the window shall not be deemed to face directly to the outdoors and shall not be included as contributing to the required minimum total window area. Whenever the only window in a room is a skylight-type window in the top of the room, the total window area of the skylight shall equal at least 15 percent of the total floor space of the room. For purposes of this section, a sliding glass doors shall be considered equivalent to a window;

(2) Provide each habitable space with at least one window or skylight that can be opened easily, with a total openable window area in each such space equal to at least 40 percent of the minimum window area size or minimum skylight size, as required; or, where the Construction Code does not require windows, provide an approved ventilation system; and

(3) Provide each bathroom and toilet room with facilities meeting the light and ventilation standards for habitable spaces, except that no window or skylight is required in an adequately ventilated bathroom or toilet room equipped with an approved ventilation system.

(g) It is an affirmative defense to prosecution of an owner for violation of this section that (i) the property is the site of new construction and reasonable and continuous progress is being made to complete the construction; (ii) with respect to subsections (d)(3), (d)(4), and (d)(7) through (d)(11) of this section, that (A) the applicable utilities were disconnected from the premises by or at the instruction of the owner, who was legally authorized to cause the termination of utility service because of non-payment of rent, and (B) the tenant did not pay the utilities directly to the utility company, and (C) the premises otherwise were in substantial compliance with this division; or (iii) the violation was not capable of discovery by the owner upon reasonable investigation or inspection.
(Ord. No. 2011-108, § 4, 2-9-2011; Ord. No. 2021-1037, § 20(Exh. I.17), 12-1-2021, eff. 4-1-2022)

Sec. 10-364. Responsibilities of occupant.

(a) An occupant, with regard to any portion of a building under the occupant's control, shall:

(1) Keep the premises free from refuse and other conditions likely to encourage infestation by insects, ectoparasites, or rodents;

(2) Install in accordance with applicable codes and laws any plumbing fixtures, heating equipment, electrical equipment, and mechanical equipment supplied by the occupant; and

(3) Not alter the property so as to create a violation of this Code.

(b) With regard to dwellings, if the building was treated to eliminate insects, ectoparasites, and rodents by a duly licensed exterminator within either (i) two weeks before the date the resident took occupancy or (ii) the preceding six months if there has been more than one residential lease during the preceding six months, the resident of the structure is responsible for keeping the interior of the structure free from insects, ectoparasites, and rodents.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-365. Retaliation against residents prohibited.

It is unlawful for an owner or manager of a property to retaliate against a resident for reporting potential violations of this division. Without limitation of the foregoing, the actions constituting retaliation set forth in Subchapter H of Chapter 92, Texas Property Code, as may be amended from time to time, are hereby incorporated by reference and constitute events of retaliation under this section.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-366. Enforcement of minimum standards.

Upon discovery of a violation of this division, the building standards official may issue to the violator:

(1) A criminal citation enforceable in municipal court, provided that the violation remains after the building standards official has issued to the violator a written warning affording a reasonable opportunity to cure the violation; or

(2) An administrative citation or summons issued pursuant to article XVIII of this chapter.

(Ord. No. 2011-108, § 4, 2-9-2011)

Secs. 10-367—10-370. Reserved.

DIVISION 5. DANGEROUS BUILDINGS

Sec. 10-371. Dangerous buildings defined; existence unlawful.

(a) For the purposes of this article, the following are dangerous buildings, regardless of date of construction:

(1) A building with walls or other vertical structural members that list, lean, or buckle in excess of ¼ inch of horizontal measurement for each foot of vertical measurement;

(2) A building with 33 percent or more damage or deterioration of its supporting members, or 50 percent or more damage or deterioration of its non-supporting members or outside walls or coverings;

(3) A building with a floor or a roof of insufficient strength to be reasonably safe for the purpose used;

(4) A building with a part not properly attached so that the part may fall on or otherwise injure occupants of the building or members of the public;

(5) A building with light or air or sanitation facilities inadequate to protect the health and safety of the building's occupants;

(6) A building with unsafe electrical wiring;

(7) A building with unsafe natural gas piping or equipment;

(8) A vacant building, regardless of its structural condition, that has been unsecured for more than seven days (which days need not be consecutive) in any 30-day period;

(9) Even if secured from unauthorized entry, two or more vacant buildings under common ownership situated near one another in a manner as to allow criminal acts to be shielded from public view;

(10) An overcrowded dwelling unit or congregate living facility;

(11) A pool or other aquatic structure not enclosed as required by chapter 43 of this Code; and

(12) A property with a condition causing a building to be unfit for human occupancy or causing a danger to the public health, safety, or welfare.

(b) It is unlawful for a person knowingly to allow a property under the person's ownership or control to constitute a dangerous building.

(c) It is unlawful for a person to occupy, or to let to another person for occupancy, property that has been ordered vacated pursuant to this article.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-372. Dangerous buildings declared nuisances.

All dangerous buildings are hereby declared to be public nuisances and shall be vacated, secured, repaired, removed, or demolished as provided by this article.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-373. Duty of city employees to report dangerous buildings.

It is the duty of each city employee whose job responsibilities include the enforcement of any aspect of this Code, the Construction Code, or the Fire Code to report to the 3-1-1 Houston Service Helpline the existence of a property that reasonably appears to be a dangerous building.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-374. Administrative hearing.

(a) If a property other than a dwelling is in violation of this division, the building official shall schedule a public hearing before the hearing officer to present evidence of the violation and to request any relief authorized by this article.

(b) If a dwelling is in violation of this division, the neighborhood protection official shall schedule a public hearing to present evidence of the violation and to request any relief authorized by this article. The hearing shall be scheduled before the commission unless the commission is unable to conduct the hearing on a date and at a time reasonably necessary to protect the health and safety of any occupants of the property or of the public in general, in which case the hearing shall be scheduled before the hearing officer.

(c) Neither the building official or the neighborhood protection official shall schedule a public hearing before the hearing officer or the commission to request any relief authorized by this article that involves the demolition of a landmark, protected landmark, archaeological site, or a building, structure, or object in a historic district, as those terms are defined in article VII of chapter 33 of this Code, without first obtaining a certificate of appropriateness as required by article VII of chapter 33 of this Code.
(Ord. No. 2011-108, § 4, 2-9-2011; Ord. No. 2015-967, § 42, 10-7-2015)

Sec. 10-375. Public notice of dangerous buildings.

(a) If pursuant to this article the hearing officer or the commission finds that a property constitutes a dangerous building and that its occupancy is reasonably likely to result in an injury to or the illness of a human being, the building standards official shall post on the structure or in other conspicuous places visible from the nearest public street at least two copies of a brightly colored placard, the text of which shall be in a typeface no smaller than 28 points and include the following:

> THE BUILDING OFFICIAL [OR THE NEIGHBORHOOD PROTECTION OFFICIAL] OF THE CITY OF HOUSTON POSTED THIS NOTICE ON _____, 20____, AT ____:____ ____.m.
>
> **THIS BUILDING HAS BEEN FOUND TO BE A DANGEROUS BUILDING, AND ITS OCCUPANCY IS REASONABLY LIKELY TO RESULT IN INJURY OR ILLNESS.**
>
> **NO LATER THAN 48 HOURS AFTER THE POSTING OF THIS NOTICE, ALL PERSONS MUST VACATE THIS BUILDING AND NOT RE-ENTER.**
>
> EFFECTIVE 48 HOURS AFTER THE POSTING OF THIS NOTICE, ENTRY INTO THIS BUILDING IS PROHIBITED, EXCEPT (1) BY AUTHORIZED EMPLOYEES AND AGENTS OF THE CITY OF HOUSTON OR (2) BY PERSONS AUTHORIZED BY THE BUILDING OWNER TO PERFORM WORK FOR WHICH THE CITY HAS ISSUED ALL REQUIRED PERMITS.
>
> IT IS A VIOLATION OF MUNICIPAL LAW TO ALTER OR REMOVE THIS NOTICE.

Each placard also shall include the date and time of its posting by the building standards official.

(b) If pursuant to this article the hearing officer or the commission finds that a property constitutes a dangerous building and presents a serious and immediate hazard, instead of posting the placard required by subsection (a) of this section, the building standards official shall post on the structure or in other conspicuous places visible from the nearest public street at least two copies of a brightly colored placard, the text of which shall be in a typeface no smaller than 28 points and include the following:

> THE BUILDING OFFICIAL [OR THE NEIGHBORHOOD PROTECTION OFFICIAL] OF THE CITY OF HOUSTON POSTED THIS NOTICE ON _____, 20____, AT ____: ____ ____.m.
>
> **THIS BUILDING HAS BEEN FOUND TO PRESENT A SERIOUS AND IMMEDIATE HAZARD TO HUMAN LIFE.**
>
> **ENTRY INTO THIS BUILDING IS PROHIBITED,** EXCEPT (1) BY AUTHORIZED EMPLOYEES AND AGENTS OF THE CITY OF HOUSTON OR (2) BY PERSONS AUTHORIZED BY THE BUILDING OWNER TO PERFORM WORK FOR WHICH THE CITY HAS ISSUED ALL REQUIRED PERMITS.
>
> IT IS A VIOLATION OF MUNICIPAL LAW TO ALTER OR REMOVE THIS NOTICE.

Each placard also shall include the date and time of its posting by the building standards official.

(c) No person shall occupy, let to another person for occupancy, or otherwise make available for use by any person a property if the occupancy or use violates the terms of a placard placed by the building standards official pursuant to this section.

(d) It shall be unlawful to remove a placard to which this section refers except upon the written instruction of the building standards official who posted the placard, which instruction shall not be issued unless the condition(s) that caused the placard to be posted has been abated.
(Ord. No. 2011-108, § 4, 2-9-2011)

Secs. 10-376—10-380. Reserved.

DIVISION 6. SECURING A SUBSTANDARD OR DANGEROUS BUILDING

Sec. 10-381. Authority of building standards official to secure and notify.

The building standards official shall cause to be secured a vacant building that in the sole but reasonable judgment of the building standards official appears to be (a) in violation of division 5 of this article and (b) capable of being secured by a means and at an expense reasonably proportionate to the threat to human health or safety presented by the vacant building. After securing such building, the building standards official shall comply with Section 214.0011, Texas Local Government Code. A hearing conducted pursuant to this division shall be conducted by the hearing officer.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-382. Permit to secure; fees.

Unless otherwise provided by this article, a person other than the building standards official causing a building to be secured must obtain a permit from the code enforcement branch of the planning and development services division of the Houston Public Works. The application for and administration of the permit shall be handled as prescribed by section 105 of the Building Code. The fee for the permit, whether original or renewal, is stated for this provision in the city fee schedule.
(Ord. No. 2011-108, § 4, 2-9-2011; Ord. No. 2011-1168, § 13, 12-14-2011; Ord. No. 2018-11, § 50, 1-10-2018)

Secs. 10-383—10-390. Reserved.

DIVISION 7. EMERGENCIES

Sec. 10-391. Definitions.

In this division, "corrective action" means any one or more of the following:

(1) Ordering the property vacated;

(2) Repairing all or part of a structure or other fixture on the property;

(3) Demolishing a structure or other fixture on the property, specifically including a vacant building not capable of being secured by a means and at an expense reasonably proportionate to the threat to human health or safety presented by the building; or

(4) Taking any other action reasonably calculated to alter the condition so that it no longer constitutes a serious and immediate hazard;

provided that all corrective action shall be reasonably proportionate to the threat to human health or safety presented by the hazard.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-392. Immediate corrective action.

(a) If after an investigation appropriate to the circumstances the building standards official concludes that a condition of a property constitutes a serious and immediate hazard, the building standards official, as soon as reasonably possible, shall confer with the hearing officer regarding the condition. The conference may be in person, by telephone, or by electronic means but will not constitute a proceeding within the meaning of this article. The conference may be ex parte.

(b) If, as a result of the conference to which subsection (a) of this section refers, the building standards official and the hearing officer agree that the condition constitutes a serious and immediate hazard, as soon as reasonably possible the building standards official, at the city's expense, but without the necessity of prior notice to any person, shall cause corrective action to be taken so that the condition no longer constitutes a serious and immediate hazard.

(c) As soon as reasonably possible after the conclusion of the conference to which subsection (a) of this section refers, the hearing officer shall memorialize the date and time of the conference; the circumstances as described during the conference by the building standards official; whether the building standards official and the hearing officer agreed or disagreed that the condition constituted a serious and immediate hazard; and the reasons for the agreement or disagreement, as understood by the hearing officer. The memorialization may be typed, handwritten, or in electronic form and shall be preserved in the records of the hearing officer. The hearing officer promptly shall provide a copy of the memorialization to the building standards official.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-393. Notice to vacate.

If the building standards official orders that a property be vacated pursuant to this division, he shall post on the property a placard whose contents and manner of posting shall not vary materially from that prescribed by section 10-375(b) of this Code.
(Ord. No. 2011-108, § 4, 2-9-2011)

Sec. 10-394. Notice of corrective action; hearing.

(a) Pursuant to Section 214.002, Texas Local Government Code, before the fifteenth day after the last day on which the building standards official takes corrective action as authorized by this division, the building standards official shall give a Notice of Corrective Action to the owner and to any mortgagee of the property in the manner described in Section 214.0011(c), Texas Local Government Code. The Notice of Corrective Action shall include the following:

(1) The date on which the building standards official issued the Notice of Corrective Action;

(2) An identification of the property that was the subject of the corrective action, which identification need not be a legal description;

(3) A brief description of the corrective action taken and the dates of the action;

(4) A good-faith estimate of the funds expended by the city to take the corrective action;

(5) A statement that the city intends to impose a lien against the property in an amount equal to the funds expended by the city to take the corrective action, which lien shall be imposed in the manner described in subsections (d)—(i) of Section 214.0015, Texas Local Government Code; and

(6) A statement that any owner or mortgagee of the property may file with the building standards official (whose address shall be included in the notice) a written request for an administrative hearing regarding the corrective action, which request must be received by the building standards official within 30 days after the day on which the building standards official is-

sued the Notice of Corrective Action, and that, in the absence of such a request for hearing:

a. The corrective action will be deemed to have been duly authorized by this division; and

b. The city will make a final calculation of the funds expended by the city to take the corrective action and impose the lien to which subsection (a)(5) of this section refers.

(b) No later than 30 days after the building standards official's receipt of a request to which subsection (a)(6) of this section refers, the building standards official shall give a notice of hearing to the owner and to any mortgagee of the property in the manner described in Section 214.0011(c), Texas Local Government Code. The notice of hearing shall include the following information:

(1) That a hearing will be held on a stated date and at a stated time and place, which date shall be as soon as reasonably possible but in any case no later than ninety days after the day on which the building standards official receives a request to which subsection (a)(6) of this section refers;

(2) That the hearing will be held before a panel of the commission to consider whether the corrective action was duly authorized by this division; and

(3) That any person having a legal interest in the property (as evidenced by the real property records of the county in which the property is located) may appear in person, may be represented by an attorney, may present testimony and other evidence, and may cross-examine all witnesses.

(c) A panel of the commission shall conduct the hearing to which subsection (b) of this section refers.

(1) If the hearing is a record proceeding, the hearing shall be recorded by a court reporter certified by the Texas Court Reporters Certification Board.

(2) The hearing may be postponed once for good cause shown; the existence of "good cause" shall be determined by the commission panel in the exercise of its sole but reasonable discretion.

(3) If no person having a legal interest in the property appears before the commission on the date and at the time for which notice was given, the commission shall proceed with the hearing, and building standards official shall present the evidence.

(4) After consideration of the evidence presented at the hearing, the commission shall issue a written order, the substance of which order shall be limited to the following:

a. A statement of the date, time, and place of the hearing and of the authority pursuant to which the hearing was conducted;

b. A list of all persons who attended all or part of the hearing, to the extent known by the commission;

c. A general description of the evidence considered by the commission;

d. A declaration of whether the corrective action was duly authorized by this division; and

e. If the commission has declared that the corrective action was duly authorized by this division, a declaration of (i) the city's right to impose the lien to which subsection (a)(5) of this section refers and (ii) the amount of the lien.

(Ord. No. 2011-108, § 4, 2-9-2011)

Secs. 10-395—10-410. Reserved.

DIVISION 8. SPECIAL HEARINGS UNDER THE FIRE CODE

Sec. 10-411. Appeals of certain orders of the fire code official.

(a) An order of the fire code official (as defined in the Fire Code) outside the scope of Section 105 and Sections 108.1 through 108.3 of the Fire Code

shall be appealed by filing a written request for an administrative hearing, which request must be received by the city secretary within thirty days after the day on which the person filing the request was served with the order. Notwithstanding the previous sentence, an order issued under Section 105.5.3 of the Fire Code shall be appealed in the manner provided by this division. All such requests received by the city secretary shall be forwarded promptly to the fire code official. In the absence of such a request for hearing, the order of the fire code official is final, and no further appeal shall be allowed.

(b) No later than thirty days after the city secretary's receipt of a request to which subsection (a) of this section refers, the fire code official shall give a written notice of hearing to each owner, lienholder, and mortgagee of the subject property in the manner described in Section 214.0011(c), Texas Local Government Code. The notice of hearing shall include the following information:

(1) That a hearing will be held on a stated date and at a stated time and place, which date shall be as soon as practicable but in any case no later than ninety days after the day on which the city secretary receives a request to which subsection (a) of this section refers;

(2) That the hearing will be held before a hearing official to consider whether the order was duly authorized by the Fire Code;

(3) That any person having a legal interest in the property (as evidenced by the real property records of the county in which the property is located) may appear in person, may be represented by an attorney, may present testimony and other evidence, and may cross-examine all witnesses; and

(4) That the hearing will be conducted 'in accordance with Division 8 of Article IX of Chapter 10 of the Code of Ordinances, Houston, Texas, which Code is available for public review at www.houstontx.gov/codes.

(c) The hearing officer shall conduct the hearing to which subsection (b) of this section refers.

(1) If the hearing is a record proceeding, the hearing shall be recorded by a court reporter certified by the Texas Court Reporters Certification Board.

(2) The hearing may be postponed once for good cause shown; the existence of 'good cause' shall be determined by the hearing officer in the exercise of his sole but reasonable discretion.

(3) If no person having a legal interest in the property appears before the hearing officer on the date and at the time for which notice was given, the hearing officer shall dismiss the appeal.

(4) After consideration of the evidence presented at the hearing, the hearing officer shall issue a written order, the substance of which order shall be limited to the following:

a. A statement of the date, time, and place of the hearing and of the authority pursuant to which the hearing was conducted;

b. A list of all persons who attended all or part of the hearing, to the extent known by the hearing officer;

c. A general description of the evidence considered by the hearing officer; and

d. A declaration that the order was or was not duly authorized by the Fire Code.

(5) In the event that the hearing official declares that the order was not duly authorized by the Fire Code, the fire code official shall withdraw the order.

(Ord. No. 2013-296, § 20, 4-3-2013)

Sec. 10-412. Hearings after permit revocation or summary abatement.

(a) Before the fifteenth day after the day on which the fire code official either (1) revokes a permit pursuant to Section 105.5.3 of the Fire Code or (2) summarily abates a serious and im-

mediate fire hazard pursuant to Section 110.3 of the Fire Code, the fire code official shall give written notice in the manner described in Section 214.0011(c), Texas Local Government Code, to each owner, lienholder, and mortgagee of the subject property, which notice shall (1) notify the said person(s) of the right to request an administrative hearing to determine whether the permit revocation or summary abatement was duly authorized by law and (2) state an address to which such a request shall be delivered or mailed.

(b) A request responsive to the notice described in subsection (a) of this section must be received by the fire code official within thirty days after the day on which the person submitting the request was served with the notice. In the absence of such a request for hearing, the permit revocation or summary abatement shall be deemed to have been authorized by law.

(c) No later than 30 days after the fire code official's receipt of a request to which subsection (b) of this section refers, the fire code official shall give a written notice of hearing to each owner, lienholder, and mortgagee of the subject property in the manner described in Section 214.0011(c), Texas Local Government Code. The notice of hearing shall include the following information:

(1) That a hearing will be held on a stated date and at a stated time and place, which date shall be as soon as practicable but in any case no later than ninety days after the day on which the fire code official receives a request to which subsection (b) of this section refers;

(2) That the hearing will be held before a hearing official to consider whether the permit revocation or summary abatement was authorized by law;

(3) That any person having a legal interest in the property (as evidenced by the real property records of the county in which the property is located) may appear in person, may be represented by an attorney, may present testimony and other evidence, and may cross-examine all witnesses; and

(4) That the hearing will be conducted "in accordance with Division 8 of Article IX of Chapter 10 of the Code of Ordinances, Houston, Texas, which Code is available for public review at www.houstontx.gov/codes."

(d) The hearing officer shall conduct the hearing to which subsection (c) of this section refers.

(1) If the hearing is a record proceeding, the hearing shall be recorded by a court reporter certified by the Texas Court Reporters Certification Board.

(2) The hearing may be postponed once for good cause shown; the existence of 'good cause' shall be determined by the hearing officer in the exercise of his sole but reasonable discretion.

(3) After consideration of the evidence presented at the hearing, the hearing officer shall issue a written order, the substance of which order shall be limited to the following:

a. A statement of the date, time, and place of the hearing and of the authority pursuant to which the hearing was conducted;

b. A list of all persons who attended all or part of the hearing, to the extent known by the hearing officer;

c. A general description of the evidence considered by the hearing officer; and

d. A declaration that the permit revocation or summary abatement was or was not authorized by law.

(4) In the event that the hearing official declares that the revocation of a permit was not authorized by law, the fire code official shall reissue the permit.

(5) If no person having a legal or equitable interest in the property appears before the hearing officer on the date and at the time for which notice was given, the hear-

ing officer shall issue a written order, the substance of which order shall be limited to the following:

a. A statement of the date, time, and place of the hearing and of the authority pursuant to which the hearing was conducted;

b. A list of all persons who attended all or part of the hearing, to the extent known by the hearing officer;

c. A statement that no person having a legal or equitable interest in the property appeared before the hearing officer on the date and at the time for which notice was given; and

d. A declaration that the permit revocation or summary abatement is presumed to have been authorized by law.

(Ord. No. 2013-296, § 20, 4-3-2013)

Secs. 10-413—10-440. Reserved.

ARTICLE X. CLEANUP AFTER DEMOLITION OR REMOVAL OF STRUCTURES

Sec. 10-441. Required.

(a) Within 30 days after any building or structure is demolished or removed from any lot or tract of land:

(1) All debris must be removed from the property.

(2) All holes or depressions in the ground must be filled to grade level.

(3) All lumber, pipes and all other buildings materials must be removed from the property or stored in such a manner that they are not a hazard to safety and do not create a condition where rats are likely to live or mosquitoes likely to breed.

(4) All pipes and conduits must be removed from above grade and must be removed or sealed below grade.

(5) All piers, pilings, steps and other appurtenances must be removed above grade.

(b) Each owner and each person having control over the property on which the building or structure stood prior to removal or demolition is individually responsible for completing such work or causing such work to be completed.

(Code 1968, § 18-83; Ord. No. 76-1919, § 1, 11-9-76; Ord. No. 93-1570, § 2(b), 12-8-93)

Sec. 10-442. Report, inspection where work believed not completed.

It shall be the duty of all city employees to make a report in writing to the neighborhood protection official whenever such employee has reason to believe a building or structure has been demolished or removed from a lot of land and the work required by this article has not been completed. Upon receipt of such written report, the neighborhood protection official shall inspect the lot or tract.

(Code 1968, § 18-84; Ord. No. 76-1919, § 1, 11-9-76; Ord. No. 89-1079, § 16, 7-12-89; Ord. No. 91-1102, § 5, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(b), 12-8-93; Ord. No. 94-674, § 32, 7-6-94; Ord. No. 98-613, § 38, 8-5-98)

Sec. 10-443. Notice to complete work.

Whenever it shall come to the knowledge of the neighborhood protection official or a hearing officer designated pursuant to article IX of this chapter that a building or structure has been demolished or removed and that the work required by this article has not been completed, the neighborhood protection official or hearing officer shall cause written notice to be given by personal service or by certified mail, return receipt requested, to the owner of the property or to any person having control over the property setting out the work required by this article which has not been completed. In such notice, the neighborhood protection official or hearing officer shall order the owner of the property or person having control over the property to complete or cause to be completed all work required by this article within 30 days of service of such notice.

(Code 1968, § 18-84; Ord. No. 76-1919, § 1, 11-9-76; Ord. No. 89-1079, § 17, 7-12-89; Ord. No.

91-1102, § 5, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(b), 12-8-93; Ord. No. 94-674, § 32, 7-6-94; Ord. No. 98-613, § 38, 8-5-98)

Sec. 10-444. Penalty.

Failure to comply with the requirements of section 10-441 or to comply with the order of the neighborhood protection official or a hearing officer given pursuant to this article shall be punishable by a fine of not less than $250.00, nor more than $2,000.00. Each day such work is not completed in violation of this article shall constitute a separate offense.
(Code 1968, § 18-86; Ord. No. 76-1919, § 1, 11-9-76; Ord. No. 89-1079, § 18, 7-12-89; Ord. No. 91-1102, §§ 5, 10, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(b), 12-8-93; Ord. No. 94-674, § 32, 7-6-94; Ord. No. 98-613, § 38, 8-5-98)

Charter reference—Fines for violation of ordinances, Art. II, § 12.

Secs. 10-445—10-450. Reserved.

ARTICLE XI. NEIGHBORHOOD NUISANCES

Sec. 10-451. Nuisances, generally.

(a) Whatever is dangerous to human health or welfare, or whatever renders the ground, the water, the air, or food a hazard to human health is hereby declared to be a nuisance.

(b) The following specific acts, conditions, and things are declared to constitute public nuisances and are hereby prohibited and made unlawful:

(1) The deposit or accumulation of any foul, decaying, or putrescent substance or other offensive matter in or upon any lot, street, or in or upon any public or private place in such a way as to become offensive or objectionable; the overflow of any foul liquids, or the escape of any gases, dusts, fumes, mists, and sprays to such an extent that the same, or any one of them, shall become, or be likely to become, hazardous to health or a source of discomfort to persons living or passing in the vicinity, or that the same shall by reason of offensive odors become a source of discomfort to persons living or passing in the vicinity thereof.

(2) A polluted well, or cistern, spring or stream, or the pollution of any body of water used for drinking purposes.

(3) The maintenance of any privy, vault or cesspool, except as provided in this Code.

(4) Keeping any building or room is such state of uncleanliness or the crowding of person in any building or room in such a manner as to endanger the health of the persons dwelling therein, or so that there shall be less than 400 cubic feet of air to each adult, and 150 cubic feet of air to each child under 12 years of age occupying such building or room. To the extent of any conflict between the requirements of this item and those established in section 10-331 of this Code, the more restrictive shall apply.

(5) Allowing cellars to be used as sleeping rooms.

(6) A building or portion of a building occupied as a dwelling which is not lighted and ventilated by means of at least one window, opening to the outer air, in each room, or any such building which is not provided with a plentiful supply of pure water.

(7) The accumulation of manure, unless it is in a properly constructed pit or receptacle.

(8) The maintenance, in a public place, of a roller towel for the use of more than one person.

(9) The slopping or feeding of cattle or other animals on distillery swill, unless the enclosure wherein such slopping or feeding is done is provided with means for preventing and removing the unsanitary conditions associated with such slopping or feeding.

(10) Permitting the existence of weeds, brush, rubbish, and all other objectionable, unsightly, and insanitary matter of what-

ever nature covering or partly covering the surface of any lots or parcels of real estate situated within the city; permitting such lots or parcels of real estate, as aforesaid, to have the surface thereof filled or partly filled with holes or be in such condition that the same holds or is liable to hold stagnant water therein, or from any other cause be in such condition as to be liable to cause disease or produce, harbor, or spread disease germs of any nature or tend to render the surrounding atmosphere unhealthy, unwholesome, or obnoxious.

Such lots or parcels of real estate in addition to those grounds within their respective boundaries shall be held to include all lots or parcels of ground lying and being adjacent to and extending beyond the property line of any such lots or parcels of real estate to the curbline of adjacent streets, where a curbline has been established, and 14 feet beyond the property line where no curbline has been established on adjacent streets, and also to the center of adjacent alleys.

The word "weeds" as herein used shall include all rank and uncultivated vegetable growth or matter which has grown to more than nine inches in height or which, regardless of height, is liable to become an unwholesome or decaying mass or a breeding place for mosquitoes or vermin. The word "brush" as herein used shall include all trees or shrubbery under seven feet in height which are not cultivated or cared for by person owning or controlling the premises. The word "rubbish" shall include all refuse, rejected tin cans, old vessels of all sorts, useless articles, discarded clothing and textiles of all sorts, and in general all litter and all other things usually included within the meaning of such term. The words "any and all other objectionable, unsightly, or insanitary matter of whatever nature" shall include all uncultivated vegetable growth, objects and matters not included within the meaning of the other terms as herein used, which are liable to produce or tend to produce an unhealthy, unwholesome or unsanitary condition to the premises within the general locality where the same are situated, and shall also include any species of ragweed or other vegetable growth which might or may tend to be unhealthy to individuals residing within the general locality of where the same are situated.

The provisions of this item (10) shall not be applicable to a "natural area," and it shall also constitute an affirmative defense to prosecution in any criminal proceeding that is initiated under this item (10) that the property or affected portion thereof is a "natural area" that is being maintained in accordance with a permit issued under section 32-10 of this Code and regulations issued thereunder, and further provided that:

a. The natural area is maintained and managed so that no weeds or debris are allowed to accumulate and create an imminent hazard to health or safety; and

b. The natural area is regularly mowed so as to prevent uncontrolled vegetation growth within ten feet of a public roadway and within five feet of a public sidewalk.

(11) Permitting the accumulation or collection of any water, stagnant, flowing, or otherwise, in which the mosquito breeds or which may become a breeding place for mosquitoes, unless such accumulation or collection of water is treated so as effectually to prevent such breeding.

The natural presence of well grown mosquito larvae, or of pupae, shall be evidence that proper precautions have not been taken to prevent the breeding of mosquitoes.

(12) Permitting the detectible presence of urine or the presence of feces, vomit and other bodily fluids in or upon any property, including any sidewalk adjacent to any paved portion of a street abutting the property, that may be accessible to the

public or in such a manner that the presence of any of the foregoing may be detected in the vicinity of the property.

(c) It shall be unlawful for any owner, lessee, occupant, or any agent, representative, or employee of any owner, lessee, or occupant or any other person having ownership, occupancy, or control of any land, or improvements thereon, to permit, allow, or suffer any condition to exist on such property if such condition is prohibited or made unlawful under the provisions of this section. It shall be an affirmative defense to prosecution under section 10-451(b)(12) of this Code that the detectible presence of urine or the presence of feces, vomit or other bodily fluids in or on any property is specifically authorized or permitted by law or ordinance.

(d) Except as provided below, whenever in this section an act is made or declared to be unlawful, the first violation by any person of any such provision shall be punishable by a fine of not less than $50.00 nor more than $1,000.00; the second violation by the same person of any such provision shall be punishable by a fine of not less than $100.00 nor more than $1,500.00; and the third and any subsequent violation by the same person of any such provision shall be punishable by a fine of not less than $200.00 nor more than $2,000.00. Provided, however, if a person is convicted of an offense under this section which offense is also a violation of the criminal provisions of any state law, such person shall be subject to the criminal penalties set out in state law. Each day any violation of this section continues shall constitute a separate offense.

The first violation of item 10-451(b)(12) of this Code shall be punishable by a fine of not less than $200.00, nor more than $1,000.00; the second violation by the same person of such provision shall be punishable by a fine of not less than $400.00, nor more than $1,500.00; the third and any subsequent violation by the same person of such provision shall be punishable by a fine of not less than $600.00, nor more than the maximum amount allowed by law.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(c), 12-8-93; Ord. No. 94-83, §§ 1—3, 1-26-94; Ord. No. 03-537, § 1, 6-4-03)

Sec. 10-452. Notice to property owner.

Whenever the existence of any nuisance defined in this article, on any lots or parcels of real estate situated within the city, shall come to the knowledge of the neighborhood protection official, it shall be his duty to forthwith cause a written notice identifying such property to be issued to the person owning the same; provided that notice shall not be required prior to abatement of violations described in section 10-453(e). Any required notice shall be given in compliance with the applicable provisions of section 342.006 or section 342.008 of the Texas Health and Safety Code, as amended.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(c), 12-8-93; Ord. No. 94-674, § 33, 7-6-94; Ord. No. 95-993, § 2, 9-13-95; Ord. No. 98-613, § 39, 8-5-98)

Sec. 10-453. Abatement by city, generally.

(a) In the event of the failure, refusal, or neglect of the owner or occupant of any premises or property to timely cause such nuisance to be removed or abated in the manner and within the time provided in the notice given pursuant to section 10-452 of this Code, the neighborhood protection official shall cause the weeds, brush, rubbish, or other insanitary matter or condition constituting a nuisance to be promptly abated in a reasonable and prudent manner at the expense of the city. The neighborhood protection official shall carefully compile the cost of such work done and improvements made in abating such nuisance, and shall charge the same against the owner of the premises.

(b) The city council hereby finds and declares that the general overhead and administrative expense of inspection, locating owner(s), issuing notice, reinspection, and ordering work done, together with all necessary incidents of same, require a minimum administrative fee for each lot, series of two or more adjacent and contiguous lots, or tract or parcel of acreage, and such minimum charge is hereby established and declared to be an expense of such work and improvement. The minimum fee for this provision stated in the city fee schedule shall be assessed against each

lot so improved under the terms of this section, unless the tabulated cost of the work done shall exceed such minimum fee.

(c) After determining the cost of the work, and after charging the same against the owner of the premises, the neighborhood protection official shall certify a statement of such expenses and shall file the same with the county clerk of the county in which the premises or property is located. Upon filing such statement with the county clerk, the city shall have a privileged lien, inferior only to tax liens and liens for street improvements, upon the land described therein and upon which the improvements have been made, to secure the expenditure so made, plus ten percent interest.

(d) For any such expenditures and interest, as aforesaid, suit may be instituted by the city attorney and recovery and foreclosure had in the name of the city; the statement so made, as aforesaid, or a certified copy thereof, shall be prima facie proof of the amount expended in any such work or improvements. Upon payment of the full charges assessed against any property, pursuant to the procedure hereinabove set forth, the neighborhood protection official shall be authorized to execute, for and in behalf of the city, a written release of the lien heretofore mentioned, such written release to be on a form prepared and approved in each case by the legal department.

(e) Weeds or brush higher than 48 inches tall are declared to be an immediate danger to the health, life, or safety of all persons in the vicinity thereof, and the abatement of such weeds or brush may be carried out without prior notice as described in this subsection.

(1) The neighborhood protection official may cause such weeds and brush to be removed or abated, without notice. The expenses incurred shall be assessed and a lien created in the same manner as provided for other expenses under this section.

(2) Not later than the tenth day after the date of the removal or abatement, the neighborhood protection official shall give notice thereof to the owner of the lot or parcel in the manner required in section 342.008 of the Texas Health and Safety Code, as amended.

(3) The owner may request a hearing by notifying the neighborhood protection official within 30 days following the date of the abatement. The hearing shall be scheduled not later than 20 days after the date the request therefor is received and shall be conducted by a hearing official designated by the chief of police (the "director") for the purpose of determining whether the conditions qualified for abatement under the terms of this subsection. Unless notice is waived by the owner, the owner shall be provided written notice of the time and place of the hearing at least seven days prior thereto.

(4) At the hearing, the owner and the neighborhood protection official may present any evidence relevant to the proceedings, in accordance with reasonable rules adopted by the director and approved by the city attorney. If the hearing official finds that weeds or brush existed on the property in violation of this subsection at the time of the abatement, the hearing official shall issue an order so stating. If no violation of this subsection is found to have existed, a lien for applicable abatement expenses shall not be authorized under this subsection.

(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(c), 12-8-93; Ord. No. 94-674, § 33, 7-6-94; Ord. No. 95-993, § 3, 9-13-95; Ord. No. 98-613, § 39, 8-5-98; Ord. No. 04-1075, § 5, 10-20-04; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 10-454. City may contract for abatement.

The city shall have the right to award any quantity of work authorized under section 10-453 of this Code to a general contractor whose bid shall be accepted by the city council as the lowest and best secured bid for the doing of the work herein mentioned during a stipulated time not to exceed one year.

(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(c), 12-8-93)

Sec. 10-455. Removal of weeds by city at request of property owner.

Any owners of vacant property in the city shall have the right to contract with the city to remove all such weeds and vegetation as may grow on such real estate by requesting in writing the neighborhood protection official so to do, and by agreeing to the charge to be paid therefor, not less than the minimum fee stated for this provision in the city fee schedule to be paid therefor per lot, series of two or more adjacent and contiguous lots, or tract or parcel of acreage, to be charged against such property for each such removal of weeds and vegetation.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(c), 12-8-93; Ord. No. 94-674, § 34, 7-6-94; Ord. No. 98-613, § 40, 8-5-98; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 10-456. Summary abatement.

In addition to the remedies prescribed in this article, and cumulative thereof, if it is determined by the director or the health officer that any nuisance described in this article is likely to have an immediate adverse effect upon the public health or safety, then the director or the health officer may order such nuisance to be summarily abated by the city in a reasonably prudent manner, and a lien for the city's expenses related to such abatement shall be assessed in the manner provided in this article. Notice and the opportunity for a hearing shall be provided in the manner provided in section 10-453(e) of this Code.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(c), 12-8-93; Ord. No. 95-993, § 4, 9-13-95)

Sec. 10-457. Authority to execute and release liens.

(a) The neighborhood protection official is hereby authorized to certify a statement of expenses and cause said statement and lien to be filed of record as provided for in this article. The neighborhood protection official is hereby authorized to execute releases on behalf of the city of any and all liens created under the provisions of this article. The neighborhood protection official shall have no right to execute such releases until satisfied that the debt or portion thereof secured by the lien and for which a release is requested has been paid in full to the city, and any such lien shall be released only insofar as it affects the property for which the debt secured thereby has been paid in full.

(b) A fee shall be imposed for each release of lien as specified in section 2-125 of this Code.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(c), 12-8-93; Ord. No. 94-674, § 35, 7-6-94; Ord. No. 98-613, § 41, 8-5-98)

Sec. 10-458. Remedies cumulative; civil enforcement; other action not limited.

The procedures set forth in this article are cumulative of all other remedies available to the city relating to the subject matter hereof. Specifically, the city attorney may institute any legal action to enforce this ordinance or enjoin or otherwise cause the abatement of any condition described in this article, as well as for the recovery of all expenses incurred in connection therewith, including without limitation administrative and legal expenses, attorneys fees and costs, and for civil penalties as provided by law.
(Ord. No. 94-83, § 4, 1-26-94)

Secs. 10-459—10-480. Reserved.

ARTICLE XII. RAT CONTROL

DIVISION 1. GENERALLY

Sec. 10-481. Definitions.

The following words, terms, and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(1) *Business building* means any structure, whether public or private, regardless of the type of material used in its construction, located within the boundaries of the

city that is adapted to occupancy for the transaction of business, whether vacant or occupied, for the rendering of professional services, for the display, sale, or storage of goods, wares, or merchandise, or for the performance of work or labor, including hotels, boarding homes, as defined in section 28-451 of this Code, lodging facilities, as defined in section 28-601 of this Code, rooming houses, beer parlors, office buildings, public buildings, stores, markets, restaurants, grain elevators and abattoirs, warehouses, workshops and factories.

(2) *Opening* means and refers to any opening in the foundation, side, or walls of any business building, including roof, chimney caves, grills, windows, sidewalk grates, and sidewalk elevators, through which a rat may enter.

(3) *Person* includes the owner, occupant, agent, individual, partnership, or corporation, or any other person in custody of any business building as defined herein.

(4) *Premises* includes all business buildings, outhouses, sheds, barns, garages, docks, wharves, piers, grain elevators and abattoirs, whether public or private, and any and all other structures used in connection with the operation of any business building as herein defined.

(5) *Rat harborage* means any condition found to exist under which rats may find shelter or protection, and shall include any defective construction which would permit the entrance of rats into any business building.

(6) *Rat stoppage* means a form of ratproofing to prevent the ingress of rats into or to buildings or other structures from the exterior, or from one building or structure to another. It consists essentially of the closing or protecting of all openings in exterior walls, foundation, roof, sidewalk grates, outer entrances, floors, drains, doors, and all other openings that may be reached by rats from the ground by climbing or by burrowing, with concrete, galvanized flat sheet-iron of 24-gauge or heavier, hardware cloth of not more than one-half-inch mesh in its greatest dimension of 19-gauge wire or heavier, or other type of ratproofing material impervious to rat gnawing, approved by the director of public health.

(7) *Ratproof building* means one constructed in such manner and of such materials as to prevent the ingress of rats.

(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(d), 12-8-93)

Sec. 10-482. Dumping or accumulating garbage, rubbish, etc.

(a) It shall be unlawful for any person to dump or place on any land or on any water or waterway within the city any dead animal, butchers' offal, seafood, or any waste vegetables, animal matter, or any food products whatsoever.

(b) No garbage, rubbish, waste, or manure shall be placed, left, dumped, or permitted to accumulate or remain in any building or premises in the city so that same shall or may afford food or a harboring or breeding place for rats.

(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(d), 12-8-93; Ord. No. 2018-225, § 9, 3-22-2018)

Sec. 10-483. Accumulations of lumber, boxes, etc.

It shall be unlawful for any person to permit to accumulate on any premises, improved, or unimproved, or on any open lot or alley in the city, any lumber, boxes, barrels, or similar material that may be permitted to remain thereon and that may be used as a harborage for rats, unless the same is placed on open racks and elevated not less than 18 inches above the ground, with a clear intervening space underneath, to prevent the harborage of rats. This section shall not apply when such lumber or other material is stored temporarily, for a period not to exceed 14 days, at an elevation designated by the neighborhood protection official.

(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(d), 12-8-93; Ord. No. 94-674, § 36, 7-6-94; Ord. No. 98-613, § 42, 8-5-98)

Sec. 10-484. Storage of feed and grain.

It shall be unlawful for any person to store any feed or grain for the use of animals or fowl, for other than commercial purposes, unless it is placed within a metal bin or container to prevent the feeding of rats.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(d), 12-8-93)

Sec. 10-485. Treatment of rat burrows and other exterior harborage.

Rat burrows and other exterior harborage shall be treated under methods directed by the neighborhood protection official.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(d), 12-8-93; Ord. No. 94-674, § 37, 7-6-94; Ord. No. 98-613, § 43, 8-5-98)

Sec. 10-486. Penalty for article violations.

With the exception of section 10-482 of this Code, whenever in this article an act is prohibited or is made or declared to be unlawful, or a misdemeanor, or the doing of any act is required or the failure to do any act is declared to be unlawful, the violation of any such provision shall be punishable by a fine of not less than $100.00 nor more than $2,000.00. A violation of section 10-482 of this Code shall be punishable by a fine of not less than $100.00 nor more than $4,000.00. However, if a person is convicted of an offense under this article which offense is also a violation of the criminal provisions of any state law, such person shall be subject to the criminal penalties set out in state law. Each day any violation of this article continues shall constitute a separate offense.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(d), 12-8-93; Ord. No. 2021-431, § 4, 5-26-2021)

Secs. 10-487—10-495. Reserved.

DIVISION 2. BUSINESS BUILDINGS

Sec. 10-496. New construction to be rat-proof.

It shall be unlawful for any person to construct within the corporate limits of the city any business building unless such building shall be rat-proof.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(d), 12-8-93)

Sec. 10-497. Rat stoppage and freedom from rats required.

Every business building, vacant or occupied, within the city limits shall be rat-stopped, freed of rats, and maintained in a rat-stopped and rat-free condition.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(d), 12-8-93)

Sec. 10-498. Inspection of and orders to correct defects in existing buildings.

(a) The neighborhood protection official is authorized to make frequent and unannounced inspections of existing business buildings within the corporate limits of the city for the purpose of determining any rat infestation, and order, by written notice, either the owner, occupant, agent, or any other person in custody of any rat-infested business building to protect such business building by rat stoppage as provided for in this article, regardless of the need for the remodeling of or repairs to such business buildings, and further order that such other rat-control methods be employed as may be deemed necessary by the neighborhood protection official to maintain business buildings free from rats.

(b) The written notice or order shall specify the time, in no event less than 15 days, for completion of such work and improvements. Unless such work and improvements are completed in accordance with the written order or notice within the time so specified or within the time to which a written extension has been granted by the neighborhood protection official,

the owner, occupant, agent, or other person in custody of the building shall be deemed guilty of a misdemeanor.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(d), 12-8-93; Ord. No. 94-674, § 38, 7-6-94; Ord. No. 98-613, § 44, 8-5-98)

Sec. 10-499. Inspections of new construction.

The neighborhood protection official is authorized to make inspections during the course of and upon completion of any construction, repairs, remodeling, or installation of rat-control measures to business buildings to ensure compliance with the provisions of this division, and no person shall interfere with or refuse to permit such inspection.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(d), 12-8-93; Ord. No. 94-674, § 38, 7-6-94; Ord. No. 98-613, § 44, 8-5-98)

Sec. 10-500. Closing building which is not rat-stopped or is rat-infested.

(a) The neighborhood protection official shall recommend to the city council that the city close each business building which is not rat-stopped, or which he finds to be rat-infested, to any occupancy or use until rats are exterminated or during the process of extermination. The city council shall cause the owner or occupant of such building to be notified by the city secretary of a hearing or

[The next page is 815]

the closing of such building, which hearing shall be held by the city council at any time after the expiration of 15 days after the mailing of such notice of such hearing. All such buildings which are not rat-stopped may be closed by order of the city council after such hearing in each case.

(b) The city council shall hear evidence as to the condition of buildings in each case and the owner or occupant shall have the right to testify and introduce evidence and examine and cross examine witnesses. If the city council shall find that such building is not rat-stopped or is rat-infested, the city council shall, by ordinance, order the owner or occupant to close such building and cease using it for human occupancy until such time as owner or occupant shall prove to the city council that such building has been rat-stopped and is no longer rat-infested, and the city council has repealed the ordinance which ordered such building closed.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(d), 12-8-93; Ord. No. 94-674, § 38, 7-6-94; Ord. No. 98-613, § 44, 8-5-98)

Sec. 10-501. Duty of occupant when notified of rat infestation.

(a) Whenever the neighborhood protection official notifies the occupant of a business building, in writing, that there is evidence of rat infestation of the building, such occupant shall immediately institute anti-rat-infestation measures and shall continuously maintain such measures in a satisfactory manner until the premises are declared by the neighborhood protection official to be free of rat infestation. Unless such measures are undertaken within 15 days after receipt of notice, it shall be construed as a violation of the provisions of this division and the occupant shall be held responsible therefor. Any rat or rats caught or killed therein shall be removed daily and disposed of in a manner acceptable to the neighborhood protection official, and all traps reset and rebaited and other anti-rat-infestation measures shall be continued.

(b) Rats may also be destroyed by such means other than trapping as are approved by the neighborhood protection official, or by any authorized agency of the United States Public Health Service, or the state board of health.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(d), 12-8-93; Ord. No. 94-674, § 38, 7-6-94; Ord. No. 98-613, § 44, 8-5-98)

Sec. 10-502. Minimum requirements for applying rat stoppage.

(a) For the purpose of obtaining maximum rat stoppage at a minimum cost to the owner or occupant of business buildings or structures, the regulations prescribed in this section are set forth as minimum requirements for applying rat stoppage to all buildings or structures.

(b) The neighborhood protection official shall approve all materials used, the methods of installation, and standards of work.

(c) Solid sheet metal, expanded metal, and wire cloth specified in this section shall have a rust-resistant coating, preferably galvanized.

(d) All foundation wall ventilator openings shall be covered for their entire height and width with perforated sheet metal plates of a thickness not less than fourteen-gauge, or with expanded sheet metal of a thickness not less than eighteen-gauge, or with cast-iron grills or grates, or with any other material of sufficient strength and equal rat-resisting properties. The openings therein shall be small enough to prevent the ingress of rats, and in no instance shall be larger than one-half inch.

(e) All foundation and exterior wall openings, excluding those used for the purpose of ventilation, light, doors, and windows, such as those openings around pipes, electric cables, conduits, openings due to deteriorated walls, broken masonry, or concrete, shall be protected against the ingress of rats by closing such openings with cement mortar, concrete, or masonry, or close-fitting sheet metal or suitable size pipe flanges or other material with equal rat-resisting properties, which shall be securely fastened in place.

(f) All exposed edges of the lower eight inches of wooden doors and door jambs, serving as front, rear, or side entrances into business buildings, from the ground, basement, or cellar floors, and other doors accessible to rats, shall be protected against the gnawing of rats by covering such doors and jambs with solid sheet metal of not less than twenty-four-gauge thickness. The same material shall be used on door sills or thresholds, or such door sills or thresholds may be constructed of cement, stone, steel, or case iron.

Doors, door jambs, and sills of coal chutes and hatchways that are constructed of wood shall be covered with solid sheet metal of twenty-four-gauge or heavier, or they may be replaced with metal chutes of twenty-four-gauge or heavier, installed in such manner as will prevent the ingress of rats.

All doors on which metal flashing has been applied shall be properly hinged to provide for free swinging. When closed, doors shall fit snugly so that the maximum clearance between any door, door jambs, and sill shall not be greater than three-eighths of an inch.

Door jambs and sills constructed of metal, concrete, masonry, stone, or cement mortar, or cast iron and steel, when fitting closely to exclude rats, are not required to comply with this subsection.

(g) All screen doors, regardless of where located in or on a building or structure, which are exposed to the gnawing of rats and through which a rat may gain entrance to such building or structure, shall be protected by affixing hardware cloth over the entire length and width of the screen panels of such doors and shall, in addition, be flashed with flat sheet metal strips for the entire length and width of top and bottom rails and side stiles. All door openings not having screen doors, through which rats may gain entrance to a building or structure, shall have screen doors installed, and such screen doors shall be protected from the gnawing of rats as provided for in this division and shall be equipped with adequate closing devices so that the door will at all times be properly closed.

(h) All windows and other openings for the purpose of light or ventilation located in the exterior walls, foundation, roof, or eaves accessible to rats, or which may be subject to gnawing for the purpose of gaining ingress to a building, from the ground, climbing, or by burrowing into or under buildings from the exterior or from one building or structure to another, via wires, pipes, etc., shall be protected by placing over such opening for the entire width and length of the frame, a screen made of hardware cloth 19-gauge or heavier, such screen to be inserted in a frame made of galvanized flat sheet iron of not less than 24-gauge in thickness. All such screens shall be securely riveted together and affixed as herein provided with metal screws. All such screens installed shall be portable in application. All openings accessible to rats by way of exposed pipes, wires, conduits, or structural appurtenances shall be closed and protected with guards of galvanized twenty-four-gauge flat sheet metal so as to completely block rat usage in, through or around such pipes, wires, conduits, or structural appurtenances. All guards shall be affixed in such manner as to be portable in application so as to permit necessary repairs to and not interfere with the continuity of such service, for which such pipes, wires, conduits, or structural appurtenances shall have been installed.

(i) Unless otherwise specified, all hardware cloth to be used for the purpose of rat stoppage, as referred to in this division, shall be of not less than 19-gauge wire and shall have a mesh of not greater than one-half inch. All solid flat sheet metal used for rat stoppage purposes, as referred to in this division, shall be of not less than 24-gauge in thickness and shall have a rust-resistant coating, preferably galvanized.

(j) Light wells with windows in exterior walls that are located below the outside ground level shall be protected from the ingress of rats by one of the following methods:

(1) Installing over light wells cast-iron or steel grills or steel gratings, or other material of equal strength and rat-resisting properties, with opening in grills or gratings not to exceed one-half inch in shortest dimension.

(2) Installing securely to and completely covering existing metal grills that are broken or have openings larger than one-half inch in shortest dimension, or otherwise defective, with expanded metal of 18-gauge or heavier, having openings not greater than one-half inch in shortest dimension, or with 16-gauge or heavier wire cloth with one-half inch mesh.

(3) At the option of the owner, the opening in the wall of the building below the grate may be entirely closed with brick or concrete or partially closed and the remaining open space covered with 19-gauge or heavier wire cloth with mesh not to exceed one-half inch.

(k) Business buildings constructed on piers having wooden floor sills less than 12 inches above the surface of the ground shall have the intervening space between the floor sill and the ground protected against the ingress of rats by installing a curtain wall of solid masonry or reinforced concrete of not less than four inches in thickness and 18 inches in depth below the ground surface, with a shelf or beam four inches thick extending outward from the outside of the curtain wall eight inches.

All curtain walls installed under the provisions of this division shall provide ventilator openings of not less than two square feet for each 20 lineal feet of wall, where permissible.

All curtain walls and foundation wall ventilator openings shall be covered for their entire height and width with perforated sheet metal plates of a thickness of not less than 14-gauge or with expanded sheet metal of not less than 18-gauge or with hardware cloth of not less than 18-gauge wire, such hardware cloth to be inserted in frames of 24-gauge galvanized iron, cast-iron grills or grates or with concrete with any of the aforementioned materials set firmly therein. All openings in such wire cloth, expanded metal grills, grates, or perforated sheet metal shall have openings or mesh not to exceed one-half inch in greatest width. All ventilators in curtain walls shall be portable in application. Curtain walls as installed under the provisions of this division shall extend upward from the ground level to the first floor level of the building or structure, and shall meet with outside wood siding, and there shall be installed a protective sheathing between concrete and such outside wood siding. The top of the curtain wall shall be beveled outward from the building wall to prevent water from standing and shall be affixed so as to prevent water from seeping between the curtain wall and building wall.

(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-514, § 26, 5-5-93; Ord. No. 93-1570, § 2(d), 12-8-93; Ord. No. 94-674, § 39, 7-6-94; Ord. No. 98-613, § 45, 8-5-98)

Sec. 10-503. Special requirements for curb and farmers' markets.

Curb or farmers' markets in which fruits or vegetables or any other products are exposed and offered for sale, on racks, stands, platforms, and in vehicles outside of business buildings, shall have floors paved with concrete or asphalt for the entire surface area of the market. Display racks, stands, or platforms on which fruit or vegetables or any other food products are displayed or offered for sale shall be of sufficient height and shall be kept at a distance of not less than 18 inches above the floor pavement and be so constructed that rats cannot harbor therein or thereunder.

(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(d), 12-8-93)

Sec. 10-504. Protection against climbing rats.

(a) In order to protect business buildings from what is commonly called the climbing or roof rat, it shall be unlawful to permit fishing poles, ladders, or any other object that a rat could climb on in order to reach the roof of any business building, to lean against the side or walls of such business building.

(b) The owner of a business building shall also protect elevator shafts, fire escapes, and guy wires in such manner that rats will not be able to gain ingress into any business building.

(c) It shall be the duty of any person in charge of a business building to trim the branches of all trees extending over and against such building, and the same shall be cut and trimmed and kept trimmed and cut so that no part of any branch or

any part of such tree shall be closer than ten feet to any business building, and the tops of all trees shall be cut back ten feet from a line extending perpendicular from any exterior wall of a business building.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(d), 12-8-93)

Sec. 10-505. Repairing breaks in rat stoppage.

The owner, agent, or occupant in charge of a rat-stopped building or structure shall maintain it in rat-stopped and rat-free condition, and repair all breaks or leaks that may occur in rat stoppage.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(d), 12-8-93)

Sec. 10-506. Removing and failing to restore rat stoppage.

It shall be unlawful for the owner, agent, occupant, contractor, public utility company, plumber, or any other person to remove rat stoppage from any building or structure for any purpose and fail to restore the same in a satisfactory condition, or to make openings that are not closed or sealed against the entrance of rats.
(Ord. No. 91-1102, § 12, 7-31-91; Ord. No. 93-1570, § 2(d), 12-8-93)

Secs. 10-507—10-530. Reserved.

ARTICLE XIII. ABATEMENT OF JUNKED VEHICLES*

Sec. 10-531. Definitions.

When used in this article, the following words and phrases have the meaning stated, unless the context clearly indicates another meaning:

Hearing officer means the individual, whether one or more, designated by the mayor to conduct administrative hearings pursuant to this article.

Junked vehicle is defined in Section 683.071, Texas Transportation Code.

Property means a parcel of land and any structures on the parcel.

Vacant describes a property on which there is no lawful residential, commercial, recreational, charitable, religious, or construction activity.

Vehicle is defined in Section 621.001(9), Texas Transportation Code.
(Ord. No. 2011-389, § 2, 5-18-2011)

Sec. 10-532. Declaration of junked vehicle as public nuisance; scope.

(a) A junked vehicle that is a public nuisance under Section 683.072, Texas Transportation Code, is also a public nuisance under this article.

(b) This article does not apply to a vehicle or vehicle part described in Section 683.077(a), Texas Transportation Code.

(c) This article does not limit the enforcement of other provisions of this Code.
(Ord. No. 2011-389, § 2, 5-18-2011)

Sec. 10-533. Offense; punishment; remedies.

A person who commits an offense under Section 683.073(a), Texas Transportation Code:

(1) Also commits an offense under this article;

(2) Is subject to prosecution in the municipal courts for violation of this article, which courts may impose the punishment and remedies prescribed by Sections 683.073(b) and (c), Texas Transportation Code; and

(3) May be sued in a civil lawsuit to the extent authorized by this Code, by statute, or by common law.
(Ord. No. 2011-389, § 2, 5-18-2011)

Sec. 10-534. Enforcement.

(a) Enforcement of this article shall be consistent with Chapter 683, Subchapter E, Texas Transportation Code.

*__Editor's note—__Ord. No. 2011-389, § 2, adopted May 19, 2011, amended Ch. 10, Art. XIII, in its entirety to read as herein set out. Formerly, said article was entitled Junked vehicle abatement procedures and derived from Ord. No. 91-1303, § 2, 9-11-91; Ord. No. 93-1570, § 2(e), 12-8-93; Ord. No. 98-1251, § 1, 12-22-98; Ord. No. 02-1057, § 1, 11-13-02; Ord. No. 07-1001, § 4, 9-5-07.

(b) The neighborhood protection official is primarily responsible for enforcement of this article; however, this section shall not be construed to limit the enforcement authority of the city attorney or of officers of the police department.

(c) Upon discovery of a violation of this article, the neighborhood protection official:

(1) May issue to the violator a criminal citation enforceable in municipal court;

(2) May issue to the violator an administrative citation or summons pursuant to article XVIII of this chapter; or

(3) May abate the nuisance by removing the junked vehicle, provided that the neighborhood protection official complies with all procedures prescribed by Sections 683.074 and 683.075, Texas Transportation Code, which procedures, as may be amended from time to time, are incorporated by reference into this section as if set out herein.

(d) The neighborhood protection official and any person acting at his direction is a "person authorized" within the meaning of Section 683.074(e), Texas Transportation Code.
(Ord. No. 2011-389, § 2, 5-18-2011)

Sec. 10-535. Authority to enter property for investigation; warrants.

(a) To investigate whether a vehicle is a public nuisance under this article, the neighborhood protection official may enter:

(1) Vacant property, provided that:

a. The neighborhood protection official does not alter or damage the property; and

b. The entry does not constitute an offense under Section 30.05, Texas Penal Code; and

(2) Occupied property, but only with written or verbal permission from an owner, manager, or other person who reasonably appears to be in control of the property.

(b) If the neighborhood protection official is denied permission to enter property pursuant to this section, or if entry would constitute an offense under Section 30.05, Texas Penal Code, entry shall be made only under authority of an inspection warrant or a search warrant.

(1) In applying for a warrant pursuant to this section, the neighborhood protection official shall submit to the magistrate an affidavit, which may be based on information supplied by others, describing with reasonable specificity the property on which entry is sought, stating facts giving rise to the neighborhood protection official's reasonable belief that a vehicle on the property is a public nuisance, and, to the extent known by the neighborhood protection official after reasonable inquiry, the name and contact information of the owner, manager, or other person in control of the property.

(2) If the magistrate finds that probable cause exists for the neighborhood protection official's entry on property pursuant to this section, the magistrate may issue an inspection warrant or a search warrant authorizing the entry. The warrant shall constitute authority for the neighborhood protection official to enter and to inspect the vehicle, to gather evidence by any reasonable means, including photography and videography, as reasonably necessary to determine the existence of a violation of this article. It is unlawful for a person to interfere or to refuse compliance with a warrant issued pursuant to this section.
(Ord. No. 2011-389, § 2, 5-18-2011)

Sec. 10-536. Administrative hearings.

(a) The hearing officer may conduct public administrative hearings to consider evidence of violations of this article and to enter orders as are authorized by this section and supported by the evidence.

(b) The neighborhood protection official shall designate a city employee to maintain the office of the hearing officer and to preserve all records of

the hearing officer for at least three years after the records are created and as otherwise required by law.

(c) The neighborhood protection official shall provide notice of all hearings in the manner required by Sections 683.075 and 683.076(b), Texas Transportation Code. If after the neighborhood protection official has provided the said notice the junked vehicle is relocated to a different property in the city but continues to constitute a public nuisance, no additional notice is required, and the hearing may proceed as scheduled.

(d) The hearing officer shall cause the hearing to be recorded by a court reporter, by a video or audio recorder, or by other means reasonably likely to ensure the availability of a record for judicial review.

(e) A hearing may be postponed once for good cause shown; the existence of "good cause" shall be determined by the hearing officer in the exercise of his sole but reasonable discretion.

(f) At the hearing, evidence of violation(s) of this article shall be presented by a person designated by the neighborhood protection official, which person may be an assistant city attorney. During the hearing, the following persons may present testimony and other evidence on relevant issues and may cross-examine witnesses:

(1) The neighborhood protection official;

(2) Any person entitled to notice of the hearing under Section 683.075(a), Texas Transportation Code;

(3) A licensed attorney authorized to represent a person entitled to notice of the hearing under Section 683.075(a), Texas Transportation Code; and

(4) Any other person whom the hearing officer reasonably concludes is likely to further his understanding of the evidence or to assist his determination of a fact in issue.

(g) Before testifying, each witness shall be required to declare that he will testify truthfully, by an oath or affirmation administered by the hearing officer and in a form calculated to awaken the witness's conscience and to impress the witness's mind with his duty to testify truthfully.

(h) The hearing officer may consider testimony presented by an affidavit based on personal knowledge, provided that the hearing officer shall give less weight to evidence presented by affidavit than to evidence presented by live testimony.

(i) At the hearing, the junked motor vehicle is presumed to be inoperable, unless demonstrated otherwise by its registered owner, which presumption is authorized by Section 683.076(c), Texas Transportation Code.

(j) If no person entitled to notice of the hearing under Section 683.075(a), Texas Transportation Code, appears before the hearing officer on the date and at the time for which the hearing has been noticed, the neighborhood protection official shall proceed with the presentation of the evidence of the alleged violation(s).

(k) If after consideration of the evidence the hearing officer sustains the allegations of the neighborhood protection official, the hearing officer shall issue a written order:

(1) Authorizing the neighborhood protection official to remove or to dispose of the junked vehicle in the manner prescribed by Section 683.078, Texas Transportation Code; and

(2) Instructing the neighborhood protection official to notify the Texas Department of Transportation of the removal or disposition of the junked vehicle, as required by Section 683.074(b)(3), Texas Transportation Code.

(Ord. No. 2011-389, § 2, 5-18-2011)

Sec. 10-537. Authority to enter property for abatement; warrants.

(a) To enforce a written order issued pursuant to this article, the neighborhood protection official may enter:

(1) Vacant property, provided that:

a. The neighborhood protection official does not alter or damage the property; and

b. The entry does not constitute an offense under Section 30.05, Texas Penal Code; and

(2) Occupied property, but only with written or verbal permission from an owner, manager, or other person who reasonably appears to be in control of the property.

(b) If the neighborhood protection official is denied permission to enter property for enforcement of an order issued pursuant to this article, or if entry would constitute an offense under Section 30.05, Texas Penal Code, entry shall be made only under authority of an abatement warrant issued pursuant to this section.

(1) In applying for an abatement warrant pursuant to this section, the neighborhood protection official shall submit to the court:

a. An accurate copy of the written order that the neighborhood protection official is seeking to enforce;

b. An affidavit, which may be based on information supplied by others, describing with reasonable specificity the property on which entry is sought for enforcement of an order issued pursuant to this article and stating why the neighborhood protection official has concluded that a warrant is necessary; and

c. To the extent known by the neighborhood protection official after reasonable inquiry, the name and contact information of the owner, manager, or other person in control of the property.

(2) If the court finds that probable cause exists for the neighborhood protection official's entry on property pursuant to this section, the court may issue an abatement warrant. The warrant shall constitute authority for the neighborhood protection official or persons acting at his direction to enter the property and to remove the junked vehicle. It is unlawful for a person to interfere or to refuse compliance with a warrant issued pursuant to this section.

(Ord. No. 2011-389, § 2, 5-18-2011)

Sec. 10-538. Reconstruction of junked vehicle unlawful.

As required by Section 683.074(b)(1), Texas Transportation Code, it is unlawful for any person to reconstruct or to make operable a junked vehicle after its removal or disposition pursuant to this article.

(Ord. No. 2011-389, § 2, 5-18-2011)

Sec. 10-539. Contracts for removal or disposition of junked vehicles.

Each contract for the removal or disposal of a junked vehicle pursuant to this article shall require the contractor:

(1) To ensure the junked vehicle is not reconstructed or made operable; and

(2) To advise the neighborhood protection official in writing of the junked vehicle's final disposition as scrap or salvage, which disposition shall be no later than one year after the contractor takes possession of the junked vehicle.

(Ord. No. 2011-389, § 2, 5-18-2011)

Sec. 10-540. Reserved.

ARTICLE XIV. ABATEMENT OF UNAUTHORIZED VISUAL BLIGHT*

Sec. 10-541. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, unless the context of their usage clearly indicates a different meaning:

Graffiti implement means an aerosol paint container, a permanent broad-tipped marker, a gum label, a paint stick, a graffiti stick, a graffiti cap, any etching equipment, a brush or any other device capable of scarring or leaving a visible mark on any natural or manmade surface.

Minor means any person under 17 years of age.

*__Editor's note—__Ord. No. 06-1055, § 1, amended Art. XIV in its entirety to read as herein set out.

Owner means the record owner of the lot or parcel or other person specifically authorized in writing by the record owner to authorize the placement of any painting, scratching, writing or inscription upon the owner's property.

Paint stick means a solid form of paint capable of leaving a mark of at least ¼-inch in width.

Permanent broad-tipped marker means any marker, pen, or similar implement, which contains a fluid that is not water soluble and that has a tip, point, brush, applicator or other writing surface which, at its broadest, is ¼-inch or greater in width.

Unauthorized means without the consent of the owner or without authority of law, regulation or ordinance. Unless the owner proves otherwise, lack of consent will be presumed under circumstances tending to show (i) the absence of evidence of specific authorization of the visual blight by the owner, (ii) that the visual blight is inconsistent with the design and use of the subject property, or (iii) that the person causing the visual blight was unknown to the owner.

Visual blight means any unauthorized graffiti or any other unauthorized form of painting, scratching, writing or inscription, including without limitation, initials, slogans or drawings, regardless of the content or nature of the material that has been applied to any wall, building, fence, sign, or other structure or surface and is visible from any public property or right-of-way or is visible from the private property of another person.

(Ord. No. 94-1163, § 2, 11-2-94; Ord. No. 06-1055, § 1, 10-18-06)

[The next page is 821]

Sec. 10-542. Declaration; notice.

Visual blight is declared to be a public nuisance. whenever the neighborhood protection official becomes aware of the existence of visual blight on any lot or parcel of real estate in the city, the neighborhood protection official shall provide the property owner with written notice identifying the visual blight and directing its abatement. The notice shall be sent in accordance with article XI of this chapter; however, the time allowed for abatement of the nuisance shall not be less than ten business days. The notice shall further state that the owner may request a hearing as described in section 10-543 of this Code.
(Ord. No. 94-1163, § 2, 11-2-94; Ord. No. 98-613, § 47, 8-5-98; Ord. No. 06-1055, § 1, 10-18-06)

Sec. 10-543. Hearing.

The owner of a lot or parcel subject to abatement under this article may request a hearing by notifying the neighborhood protection official within ten days following the date the city mails or delivers the required notice. The hearing shall be conducted by a hearing official designated by the chief of police for the purpose of determining whether the conditions constitute a public nuisance under the provisions of this article. Unless notice is waived by the owner, the owner shall be provided written notice of the time and place of the hearing at least ten days prior thereto. At the hearing, the owner and the neighborhood protection official may present any evidence relevant to the proceedings, in accordance with reasonable rules adopted by the chief of police and subject to approval by the city attorney. If the hearing official finds that conditions constituting a nuisance hereunder exist, the hearing official shall issue an order so stating.
(Ord. No. 94-1163, § 2, 11-2-94; Ord. No. 98-613, § 47, 8-5-98; Ord. No. 02-528, § 14i., 6-19-02; Ord. No. 04-1075, § 7, 10-20-04; Ord. No. 06-1055, § 1, 10-18-06)

Sec. 10-544. Abatement by the city; expenses and liens.

If the owner fails to either abate the visual blight or request a hearing as provided in this article, or if it is determined at a hearing that the condition of the property constitutes a nuisance under this article, then the city shall be authorized to carry out the abatement thereof and to assess its expenses and place a lien in the same manner as provided in article XI of this chapter.
(Ord. No. 94-1163, § 2, 11-2-94; Ord. No. 06-1055, § 1, 10-18-06)

Sec. 10-545. Paint provided.

An owner who demonstrates to the neighborhood protection official that his structure has been subjected to visual blight shall be provided sufficient paint materials to cover the visual blight on the blighted structure on the property. The materials will typically be from donated sources or bulk purchases and the paint may not match the existing background surface color. The owner shall have ten business days following receipt of the paint materials to abate the visual blight.
(Ord. No. 94-1163, § 2, 11-2-94; Ord. No. 98-613, § 48, 8-5-98; Ord. No. 06-1055, § 1, 10-18-06)

Sec. 10-546. Hardships.

(a) In addition to the relief authorized in section 10-545 of this Code, if the owner demonstrates that none of the family members residing in a homestead that is the subject of a visual blight notice is able to apply the paint because of age, physical disabilities, dependent care obligations or other limitations beyond their reasonable control, then the neighborhood protection official shall cause the visual blight to be abated without cost to the owner, and no lien shall be placed on the homestead property. The operation of this subsection is limited to any single family residential property that is occupied as a homestead by a very low income family as defined in 24 Code of Federal Regulations Section 813.102 as computed for the city for purposes of Section 8 of the United States Housing Act of 1937.

(b) Without regard to the eligibility standards described in subsection (a) above, if an owner demonstrates that (i) the property for which the owner has been given notice of visual blight hereunder has been the subject of at least two prior visual blight incidents (evidenced by either notices provided pursuant to this article or bona fide police reports) during the preceding 180 days,

and (ii) the owner complied with the requirements of this article by abating the prior visual blight within ten business days of the date of the applicable notice or police report, then the neighborhood protection official shall cause the visual blight to be abated without cost to the owner, and no lien shall be placed on the property.

(c) Each notice given under section 10-542 of this Code shall advise of the availability of the relief under this section. Applications for relief under this section shall be submitted to the neighborhood protection official in such form and with such proofs of ownership, income, disabilities, repeat occurrences and related factors as may be required to determine whether the applicant is entitled to assistance within ten days following the date the city mails or delivers the notices under section 10-542 of this Code. If the neighborhood protection official is unable to concur that the applicant is entitled to assistance, then the issue shall be scheduled for a hearing under section 10-543 of this Code, and the hearing official shall make the determination.
(Ord. No. 94-1163, § 2, 11-2-94; Ord. No. 06-1055, § 1, 10-18-06)

Sec. 10-547. Landlord/tenant.

The terms of this article shall not be construed to alter the terms of any lease or other agreement between any landlord and any tenant or others relating to property that is the subject of this article; provided that no provision of any lease or other agreement shall be construed to excuse compliance with this article by any person. It is the intent of this article to identify the parties the city will hold responsible for compliance with and violations of this article, rather than to determine the rights and liabilities of persons under agreements to which the city is not a party.
(Ord. No. 06-1055, § 1, 10-18-06)

Sec. 10-548. Noncompliance.

(a) It shall be unlawful for any person who is the owner or who has primary responsibility for control of property or for repair or maintenance of property in the city to permit, allow or suffer property that is defaced with visual blight to remain defaced for a period of ten business days after receipt of notice of the defacement.

(b) Upon completion of appropriate training, employees designated by the neighborhood protection official are authorized to issue citations charging the violation of this section.

(c) It is a defense to prosecution under this section that the person, who is the owner or who has primary responsibility for control of property or for repair or maintenance of property, has executed a graffiti abatement waiver, as promulgated by the neighborhood protection official, and has filed such waiver with the neighborhood protection official prior to defacement of property.
(Ord. No. 06-1055, § 1, 10-18-06)

Editor's note—Section 5 of Ord. No. 06-1055 states that this § 10-548 shall take effect on the sixtieth day next following the date of passage and approval of this Ordinance. All other portions of this Ordinance shall take effect immediately upon its passage and approval by the Mayor.

Sec. 10-549. Graffiti implements.

(a) It shall be unlawful for a minor to possess any graffiti implement while on any school property, adjacent public property, or private property without the prior written consent of the owner or occupant of such private property. This subsection shall not apply to the possession of permanent broad-tipped markers and paint sticks by a minor attending or traveling to or from a school at which the minor is enrolled if the minor is participating in a class at the school that formally requires the possession of permanent broad-tipped markers and paint sticks. The burden of proof in any prosecution for violation of this subsection shall be upon the minor to establish the need to possess a permanent broad-tipped marker and paint sticks.

(b) It shall be unlawful for any person to possess any graffiti implement while in or upon any public facility, building or structure owned or operated by the city or while in or within 50 feet of any underpass, bridge abutment, storm drain, or similar types of infrastructure unless otherwise authorized by the city.

(c) It shall be unlawful for a parent or legal guardian of a minor to intentionally, knowingly, recklessly, or with criminal negligence allow the minor to violate this section.
(Ord. No. 06-1055, § 1, 10-18-06)

Sec. 10-550. Access to broad-tipped markers and paint sticks.

(a) It shall be unlawful for any person, other than a parent or legal guardian, to sell, exchange, give, loan, or otherwise furnish, or cause or permit to be exchanged, given, loaned, or otherwise furnished, any permanent broad-tipped marker or paint stick to any minor.

(b) For purposes of this section, the actions of an employee shall not be attributable to an employer if:

(1) The employer requires its employees to attend a training program regarding this section;

(2) The employee has actually attended such a training program; and

(3) The employer has not directly or indirectly encouraged the employee to violate this section.

(Ord. No. 06-1055, § 1, 10-18-06)

Editor's note—Section 5 of Ord. No. 06-1055 states that this § 10-550 shall take effect on the sixtieth day next following the date of passage and approval of this Ordinance. All other portions of this Ordinance shall take effect immediately upon its passage and approval by the Mayor.

Sec. 10-550.1. Signage.

(a) A business establishment that sells a permanent broad-tipped marker or paint stick at retail shall display a conspicuous sign, in English and Spanish, that states the following:

"Graffiti is a crime. The defacing of public or private property is punishable by a fine or imprisonment. Selling a permanent broad-tipped marker or paint stick to a person under the age of 17 is against the law. Violators can be fined up to $500.00."

(b) Failure of any business establishment to display the sign required in subsection (a) of this section shall be unlawful.
(Ord. No. 06-1055, § 1, 10-18-06)

Editor's note—Section 5 of Ord. No. 06-1055 states that this § 10-550.1 shall take effect on the sixtieth day next following the date of passage and approval of this Ordinance. All other portions of this Ordinance shall take effect immediately upon its passage and approval by the Mayor.

ARTICLE XV. DEED RESTRICTION COMPLIANCE*

Sec. 10-551. Definitions.

As used in this article the following words or phrases shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Building permit means a permit issued by the city under the provisions of the Construction Code.

City attorney means the city attorney or any assistant city attorney.

Commercial building means any building other than a single family residence.

Construction of a fence means, without limitation, the materials, location, and height of a fence.

Fence means any fence or wall that requires a building permit for construction.

Recorded restrictions means a restriction that is contained or incorporated by reference in any properly recorded plan, plat, replat or other instrument affecting a subdivision or that portion of a subdivision located inside the boundaries of the city.

Restricted subdivision means a subdivision of land or that portion of a subdivision within the city limits that is subject to recorded restrictions.

Restriction means a limitation that:

(1) Affects the character of the use to which real property, including residential and rental property, may be put;

*__Note—__**See the editor's note to art. XIV.

(2) Fixes the distance that a structure must be set back from property lines, street lines, or lot lines;

(3) Affects the size of a lot or the size, type, and number of structures that may be built on the lot;

(4) Regulates orientation or fronting of a structure; or

(5) Regulates construction of a fence.

however, restrictions do not include provisions that restrict the sale, rental, or use of property on the basis of race, color, religion, sex, or national origin and do not include any restrictions that by their express provision have terminated.

Restriction suit means a lawsuit filed in a court of competent jurisdiction to enjoin or abate the violation of a recorded restriction.

(Ord. No. 94-1154, § 2, 10-26-94; Ord. No. 02-399, § 42, 5-15-02; Ord. No. 07-228, § 1, 2-14-07; Ord. No. 08-250, § 1, 3-26-08)

Sec. 10-552. Compliance; enforcement; penalties.

(a) An owner or owner's representative with control over the property that is subject to a recorded restriction who, after notice of the provisions of this article, fails to comply with any recorded restriction shall be deemed to civilly violate this article and shall be subject to civil penalties of not more than $1,000.00 per day for violation of this article. Each day of noncompliance shall constitute a separate violation.

(b) It shall be unlawful to use any property or construct or continue to construct any building or structure on any property, that is the subject matter of an affidavit required by this Code as a condition for the issuance of any city permit if (1) the activity that is the subject of the affidavit is a violation of one or more recorded restrictions and (2) the person who signed the affidavit swore that the activity did not violate any recorded restriction.

(Ord. No. 94-1154, § 2, 10-26-94)

Sec. 10-553. Action by city attorney.

(a) The city attorney is authorized to file or become a party to a restriction suit; provided, however, that after a careful investigation of the facts and of the law, or of either, if in the opinion of the city attorney no legal cause of action could be alleged and proved, then in such event, the city shall not file or become a party to a suit. The city attorney is further authorized, as part of a restriction suit, to seek to compel the repair or demolition of any structure or portion thereof that is in violation of this article to the extent of noncompliance.

(b) The city attorney is authorized to file suit in a court of competent jurisdiction to seek civil penalties for the violation of subsection (a) of section 10-552 of the Code as authorized by subchapter B of chapter 54 of the Texas Local Government Code, as amended.

(c) The city attorney is authorized to establish guidelines for any activity or category of activity that the city attorney, in his best legal judgment, believes is the appropriate subject for an action to abate or enjoin pursuant to this article.

(d) All authority granted to the city attorney under this section shall be exercised uniformly on behalf of and against all citizens and property in the city.

(Ord. No. 94-1154, § 2, 10-26-94)

Sec. 10-554. Limitations.

(a) The city attorney shall have no authority to file a restriction suit or intervene in a pending restriction suit on behalf of the city upon the complaint or request of a person who:

(1) Is a defendant in a currently pending restriction suit filed by the city attorney;

(2) Is a defendant in a restriction suit in which the city attorney has intervened on behalf of the city to enforce the recorded restrictions;

(3) Has applied for a building permit for a commercial building in a restricted subdivision located in the city that has recorded restrictions the terms of which

prohibit or exclude the construction or repair of commercial buildings in such subdivision; or

(4) Has filed suit to invalidate or otherwise void any portion of the recorded restrictions of a subdivision that requires the property owned by the complainant to be used for residential purposes only.

(b) The building official shall have no authority to refuse or revoke a building permit for a commercial building located in a restricted subdivision located in the city on the grounds that the construction or repair of such commercial building is prohibited or excluded by the recorded restrictions upon the complaint or request of a person who:

(1) Is a defendant in a currently pending restriction suit filed by the city attorney;

(2) Is a defendant in a restriction suit in which the city attorney has intervened on behalf of the city to enforce the recorded restrictions;

(3) Has applied for a building permit for a commercial building in a restricted subdivision that has recorded restrictions that prohibit or exclude the construction or repair of commercial buildings in the subdivision; or

(4) Has filed suit to invalidate or otherwise void any portion of the recorded restrictions of the subdivision that requires the property owned by the person to be used for residential purposes only.

(Ord. No. 94-1154, § 2, 10-26-94)

Sec. 10-555. Building permits.

The city attorney shall advise the building official whenever, in the city attorney's opinion, building work is being done under a building permit that is void. Upon that advice the building official shall order the building work stopped. The city attorney and the building official, acting in good faith and for the city in the discharge of their duties under this section, shall not thereby render themselves liable personally and they are hereby relieved of all personal liability for any damage that may accrue to persons or property as a result of any act required or by reason of any act or omission in the discharge of their duties.
(Ord. No. 94-1154, § 2, 10-26-94)

Sec. 10-556. Notice of deed restrictions upon conveyance of property.

(a) In this section the following words and terms shall have the meanings herein ascribed:

(1) *Deed restrictions* shall have the meaning ascribed to the word "restriction" in Section 230.002 of the Local Government Code, as amended, provided that it shall not be deemed to include any restrictions that by their express provisions have terminated or any provisions contained within any restrictions to the extent and only to the extent that the provisions restrict the sale, rental, or use of property on the basis of race, color, religion, sex or national origin.

(2) *Sale or conveyance* means any transfer of any lot, tract or parcel of real property subject to deed restrictions that is situated in whole or in part within the corporate limits of the city, except:

a. A conveyance by trustee's or substitute trustee's deed to the lienholder pursuant to a foreclosure sale;

b. A conveyance by deed to the lienholder in full or partial satisfaction of a debt secured by the property conveyed;

c. A deed of trust conveyed to secure a lien;

d. An auction sale conducted by a public official pursuant to an order of a court of competent jurisdiction; or

e. A conveyance in which the purchaser is a governmental entity.

Without limitation, the term shall include an executory contract of purchase and sale having a performance period of more than six months.

(3) *Purchaser* shall mean each person who constitutes a grantee, purchaser, buyer, or

transferee in a sale or conveyance, regardless of the amount or nature of the consideration received.

(4) *Seller* shall mean each person who constitutes a seller, grantor or transferor in a sale or conveyance, regardless of the amount or nature of the consideration received.

(b) It shall be the duty of each seller to ensure that each buyer receives, in connection with each sale or conveyance, notice issued in accordance with the terms of this section in the form of Exhibit A to Ordinance No. 89-1312 which exhibit is incorporated herein by reference. The following procedure shall be followed in the giving and recording of the notice:

(1) The notice shall be given to each purchaser at the final closing of the sale and purchase; provided, however, seller may provide the notice prior to closing;

(2) Each seller and each purchaser shall sign and acknowledge the notice; and

(3) Following the execution, acknowledgment and closing of the sale and purchase, the notice shall be recorded in the real property records of the county in which the property is located.

(c) The failure of any seller to comply with this section shall constitute a misdemeanor punishable upon conviction by a fine of not more than $500.00. Each person who constitutes a seller shall be criminally responsible and each sale or conveyance for which the seller has failed to comply with this section shall constitute a separate offense.

(Ord. No. 89-1312, § 2, 9-20-89; Ord. No. 2014-364, § 4, 4-30-2014)

Note—Formerly § 41-11.

Secs. 10-557—10-600. Reserved.

ARTICLE XVI. ADOPT-A-LOT PROGRAM

Sec. 10-601. Definitions.

As used in this article, the words and terms defined in this section shall have the meanings ascribed, unless the context clearly indicates another meaning:

Department means the police department or its successor.

Director means the director of the department or any other person who is specifically designated in writing by the director to perform any function under this article on behalf of the director of the department.

Program means the adopt-a-lot program, as established under this article.

(Ord. No. 99-1380, § 2, 12-21-99; Ord. No. 02-528, § 14j., 6-19-02; Ord. No. 04-1075, § 8, 10-20-04)

Sec. 10-602. Powers and duties of the director.

(a) The director has responsibility for the enforcement of this article, as more particularly provided herein.

(b) The director shall promulgate written applications for volunteer organizations and community groups to participate in the program. The director shall determine the criteria required for an organization or a group and its members to be authorized to participate in the program in accordance with those criteria established in sections 10-603 and 10-604 of this Code. The director shall reject an application if the applicant does not meet all of the established criteria for participation in the program.

(c) The director upon approval of the applications of civic organizations and community groups shall authorize the members of such organizations and groups to act as volunteer independent contractors for the purpose of abating violations of article XI of this chapter relating to weeds, brush, rubbish, and other objectionable, unsightly, and insanitary matter located on abandoned or vacant private property within the city, after prior notification to the property owner by the director.

(d) The director shall provide the following services:

(1) Determine the lots to be adopted in the area served by each organization or group;

(2) Perform the initial abatement on the selected properties;

(3) Provide safety training regarding the use of the tools and equipment to the organization or group;

(4) Provide limited accident and disability insurance to the organization or group to cover the program participants;

(5) Provide limited types of city tools and equipment for use by each organization or group;

(6) Document the work performed by each organization or group; and

(7) Provide such other assistance as the director may determine is required or necessary.

(Ord. No. 99-1380, § 2, 12-21-99)

Sec. 10-603. Duties of the volunteer civic organizations and groups.

(a) Each volunteer civic organization or group shall agree to be responsible for the general maintenance, storage, and security of the city's equipment.

(b) Each volunteer civic organization or group shall agree to participate in the program for a minimum of two years.

(c) Each volunteer civic organization or group shall demonstrate the ability to carry out its duties under the program, including:

(1) Community support;

(2) Adequate number of volunteers; and

(3) Technical ability of volunteers to operate equipment.

(Ord. No. 99-1380, § 2, 12-21-99)

Sec. 10-604. Duties of the members of the volunteer civic organizations and groups.

(a) The members of each volunteer civic organization or group shall agree to hold the city harmless and release the city from any and all liability with respect to the program and their participation in the program in excess of the insurance coverage under section 10-602 (d)(4) of this article.

(b) The members of each volunteer civic organization or group shall agree to abide by all applicable laws and regulations and all terms, conditions, and guidelines imposed by the director.

(c) The members of each volunteer civic organization or group shall agree to be responsible for supervising and carrying out the details of the work they perform.

(Ord. No. 99-1380, § 2, 12-21-99)

Sec. 10-605. Contract.

The director shall promulgate a written contract in a form approved by the city attorney to be executed by the members to evidence the provisions of sections 10-603 and 10-604 of this Code.

(Ord. No. 99-1380, § 2, 12-21-99)

Secs. 10-606—10-650. Reserved.

ARTICLE XVII. ABATEMENT OF OFF-PREMISE SIGNS CONSTRUCTED OR MAINTAINED IN VIOLATION OF THE SIGN CODE*

Sec. 10-651. Definitions.

As used in this article, the following terms and phrases shall have the meanings ascribed to them in this section:

Off-premise sign shall have the meaning ascribed to it in Section 4603(a) of the Sign Code.

***Editor's note—**Ord. No. 2021-1037, § 20(Exh. I.18), adopted December 1, 2021, effective April 1, 2022, amended the title of Ch. 10, Art. XVII to read as herein set out. Formerly said article was entitled Abatement of Off-Premise Signs Constructed or Maintained in Violation of Section 4612(b) of the City of Houston Building Code.

Cross reference—Neighborhood nuisances, 10-451 et seq.

Owners means the owner of the off-premise sign and the record owner of the lot or parcel on which the off-premise sign is located.

Unauthorized refers to an off-premise sign that is in the process of being constructed, or is constructed or maintained in violation of the prohibition on new off-premise signs in Section 4612(b) of the Sign Code.

(Ord. No. 06-255, § 2, 3-8-06; Ord. No. 2021-1037, § 20(Exh. I.19), 12-1-2021, eff. 4-1-2022)

Sec. 10-652. Declaration; notice.

An unauthorized off-premise sign is declared to be a public nuisance. Whenever the existence of unauthorized off-premise sign within the limits of the city or within 5,000 feet outside the limits shall come to the knowledge of the sign administrator, the sign administrator shall cause a written notice identifying the unauthorized off-premise sign and directing its removal to be sent to the owners. The notice shall be sent in the manner provided for notices under article XI of this chapter, provided that the time allowed in the notice for abatement shall not be less than 30 days, and such notice shall further state that the owners are entitled to request a hearing to be held in the manner described in section 10-653 of this Code.

(Ord. No. 06-255, § 2, 3-8-06)

Sec. 10-653. Hearing.

The owners subject to abatement under this article may request a hearing by notifying the sign administrator within ten days following the date the city mails the required notice. The hearing shall be conducted by a hearing official designated by the Director of Houston Public Works for the purpose of determining whether the off-premise sign has been constructed or is being maintained in violation of section 4612(b) of the Sign Code. At the hearing, the owners and the sign administrator may present any evidence relevant to the proceedings, in accordance with reasonable rules adopted by the Director of Houston Public Works and approved by the city attorney. If the hearing official determines that the sign has been erected or is being maintained in violation of section 4612(b) of the Sign Code, the hearing official shall issue an order so stating.

(Ord. No. 06-255, § 2, 3-8-06; Ord. No. 06-419, § 1, 4-26-06; Ord. No. 2018-11, § 49, 1-10-2018)

Sec. 10-654. Abatement by city; expenses and liens.

If the owners fail to timely abate the unauthorized off-premise sign by complete removal of the sign structure, then the city shall be authorized to carry out the abatement thereof and to assess its expenses and place a lien in the same manner as provided in article XI of this chapter.

(Ord. No. 06-255, § 2, 3-8-06)

Sec. 10-655. Remedies cumulative, civil enforcement, other action not limited.

The procedures set forth in this article are cumulative of all other remedies available to the city relating to the subject matter hereof. Exercise of this remedy shall not be a bar against, nor a prerequisite for, taking any other available actions. Specifically, the city attorney may institute any legal action to enforce this ordinance or enjoin or otherwise cause the abatement of any condition described in this article, as well as for the recovery of all expenses incurred in connection therewith, including without limitation administrative and legal expenses, attorneys fees and costs, and for civil penalties as provided by law. The city attorney is hereby authorized to file a civil suit in a court of competent jurisdiction to prevent the violation of any of the provisions of this article. This remedy shall be cumulative and in addition to any other remedies.

(Ord. No. 06-255, § 2, 3-8-06)

Secs. 10-656—10-700. Reserved.

ARTICLE XVIII. ALTERNATIVE ADMINISTRATIVE ADJUDICATION PROCEDURE

Sec. 10-701. In general.

Every violation of an ordinance in this Code or the Construction Code that is described by Sec-

[The next page is 828.1]

tion 54.032 of the Texas Local Government Code or adopted under Section 214.001(a)(1) of the Texas Local Government Code may be prosecuted as an administrative offense using the alternative administrative adjudication procedure in this article. The adoption or use of this alternative administrative adjudication procedure does not preclude the city from prosecuting a violation of an ordinance described in this section through criminal penalties and procedures or through the procedures provided in article IX of this chapter.
(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-702. Definitions.

The following words, terms, and phrases when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Day means a calendar day, unless otherwise specified.

Inspector means all persons designated by the building official or neighborhood protection official to enforce the provisions of chapter 10 of this Code, the Construction Code, and related laws.
(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-703. Administrative citations and summons.

(a) An administrative citation or summons may be issued for violations described by Section 54.032 of the Texas Local Government Code or adopted under Section 214.001(a)(1) of the Texas Local Government Code. Each citation or summons will include the following information:

(1) The amount of the administrative penalty, costs, and fees;

(2) The nature, date, and location of the violation;

(3) The person's right to a hearing;

(4) The time, date, and location of the hearing;

(5) That the failure to timely appear at any scheduled hearing is an admission of liability for the violation for which the citation or summons was issued; and

(6) That the inspector who issued the citation or summons is not required to appear at the hearing, but the person charged with the violation may request that the inspector be present by submitting a written request to the clerk of the municipal courts at least 15 days before the hearing. Absent a timely request for the inspector to be present, the person charged is deemed to have waived the right to call and examine that inspector.

(7) That if the person charged wants a record of the proceeding or a translator, the person must notify the clerk of the municipal courts at least five days before the hearing date. Absent a timely request, the person is deemed to have waived the right to have a record of the hearing or to have a translator.

(b) For purposes of this article, a citation may also serve as a summons.
(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-704. Record of citations and summons.

The original or a copy of the administrative citation or summons shall be kept as a record in the ordinary course of the business of the municipality and is rebuttable proof of the facts it states.
(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-705. Service of administrative citations and summons.

(a) An administrative citation or summons may be served in the following manner:

(1) Personal service by:

a. Personally handing it to the person charged;

b. If the person charged is not available, leaving the citation or sum-

mons at the person's residence with any person who is 16 years of age or older; or

c. If the person charged is not available, leaving the citation or summons at the person's place of business with any person who is 16 years of age or older and an employee or agent of the person charged; or

(2) Mailing it by certified mail to the address shown in the appraisal district records of the county in which the premises or property that is the subject of the citation or summons is located; or

(3) Posting the citation or summons on either:

a. The front door of the premises or property; or

b. A placard staked to the yard of the premises or property in a location visible from a public street or alley.

(b) If service upon the person charged is by posting the citation or summons on the premises or property, a copy of the citation or summons must also be sent by regular United States mail to the address shown in the appraisal district records of the county in which the premises or property that is the subject of the citation or summons is located.

(c) If service upon the person charged is by posting the citation or summons on the premises or property, a photograph of the posting and a copy of the mailed notice must be forwarded with a copy of the citation or summons to the clerk of the municipal courts.
(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-706. Responding to citations and summons.

The person charged with the violation may answer the citation or summons by:

(1) Paying the administrative penalty, costs, and fees prior to the scheduled hearing date. Payment constitutes an admission of liability; or

(2) Appearing in person at the scheduled administrative hearing at the time, date, and location set forth in the citation or summons.
(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-707. Failure to appear.

(a) Failure to timely appear at any scheduled hearing is an admission of liability for the violation for which the citation or summons was issued.

(b) The hearing officer shall issue in writing an administrative order of liability and assess against the person charged with the violation the appropriate administrative penalties, costs, and fees.

(c) The administrative order must include:

(1) The amount of the administrative penalties, costs, and fees;

(2) Notification of the right to appeal to municipal court within 30 days of the date the hearing officer's order is filed with the clerk of the municipal courts;

(3) Notification that unless the hearing officer's order is stayed through a properly filed appeal, the administrative penalties, costs, and fees must be paid within 30 days of the date the hearing officer's order is filed with the clerk of the municipal courts; and

(4) Notification that the city may enforce the hearing officer's administrative order pursuant to the procedure in section 10-711.

(d) Within seven days of the filing of an administrative order of liability with the clerk of the municipal courts, the city shall send a copy of the order to the person charged with the violation. The copy of the administrative order must be sent by regular United States mail to the address shown in the appraisal district records of the county in which the premises or property that is the subject of the citation or summons is located.
(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-708. Hearing officers—Qualifications, powers, duties and functions.

(a) Hearing officers shall be appointed by the mayor to adjudicate administrative citations or summons issued under this article. Appointment shall be made for a two year term to begin as of the date of the appointment.

(b) A hearing officer must meet all of the following qualifications:

(1) Be a resident of the city at the time of appointment and maintain residency in the city throughout the period of appointment;

(2) Be a citizen of the United States;

(3) Be a licensed attorney in good standing; and

(4) Have two or more years of experience practicing law in the State of Texas.

(c) A hearing officer shall have the following powers, duties, and functions:

(1) To act as the fact finder and determine whether or not the person charged is liable;

(2) To assess administrative penalties, costs, and fees;

(3) To issue orders compelling the attendance of witnesses and the production of documents;

(4) To administer oaths;

(5) To question witnesses and consider evidence;

(6) To suspend the payment of administrative penalties, costs, and fees for a specific period of time not to exceed one year from the date the administrative order of liability is filed with the municipal court;

(7) To make a finding as to the financial inability of a person found liable of a violation to pay administrative penalties, costs, and fees; and

(8) To make a finding as to the financial inability of a person found liable of a violation to pay for the transcription of any recording of an administrative hearing or to post an appeal bond.

(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-709. Hearing procedures.

(a) Every hearing conducted pursuant to this article must be held before a hearing officer no sooner than 30 days after the citation or summons has been filed in municipal court.

(b) The person charged must personally appear at the hearing at the time, date, and location set forth in the citation or summons and at any subsequent hearings set because of postponement or continuance.

(c) The administrative citation or summons is rebuttable proof of the facts that it states.

(d) The formal rules of evidence do not apply at the administrative hearing and any relevant evidence will be admitted if the hearing officer finds it competent and reliable, regardless of the existence of any common law or statutory rule to the contrary. The hearing officer shall make a decision based upon a preponderance of the evidence presented at the hearing.

(e) Each party shall have the right to call and examine witnesses, to introduce exhibits that are relevant to the issues at the hearing, to cross examine opposing witnesses on any matter relevant to the issues, and to rebut evidence.

(f) The inspector who issued the citation is not required to be present at the hearing, but the person charged with the violation may request that the inspector be present by submitting a written request to the clerk of the municipal courts no later than 15 days before the hearing. Absent a timely request for the inspector to be present, the person charged is deemed to have waived the right to call and examine that inspector.

(g) If the person charged wants a record of the proceeding or a translator, the person must notify the clerk of the municipal courts at least five days before the hearing date. Absent a

timely request, the person is deemed to have waived the right to have a record of the hearing or to have a translator.

(h) The hearing officer may examine any witness and may consider any evidence offered by a witness or person charged with a violation.

(i) After hearing the evidence and testimony presented, the hearing officer shall issue a written order.

(1) If the hearing officer determines that the charged party is liable for the violation, then the hearing officer shall issue at the hearing an administrative order of liability for the violation and assess the appropriate administrative penalties, costs, and fees, and notify the person of the right to appeal to municipal court.

(2) If the hearing officer determines that the charged person is not liable for the violation, then the hearing officer shall issue at the hearing an administrative order of non-liability.

(j) A person who has been found liable for a violation may, after the hearing officer has issued an administrative order, but prior to the conclusion of the hearing, assert financial inability to pay the administrative penalties, costs, and fees assessed by the hearing officer. At that time, the hearing officer may stay enforcement of the administrative order and make a determination of financial inability to pay pursuant to sections 10-708 (7) and (8) of this Code.

(k) An administrative order issued by the hearing officer must be filed with the clerk of the municipal courts.

(l) Any record of an administrative hearing must be kept and stored for not less than 45 days after the last day of the administrative hearing. Any administrative hearing that is appealed must be transcribed from the record by a court reporter or other person authorized to transcribe court proceedings. The court reporter or other person transcribing the record of the hearing is not required to have been present at the administrative hearing.

(m) The person seeking to appeal an administrative order to the municipal court shall pay for any transcription of the record of the administrative hearing unless the hearing officer finds, pursuant to section 10-708 of this Code, that the person is unable to pay or give security for the transcription.
(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-710. Financial inability to pay for administrative penalties, costs, and fees; to pay for transcription of a record; or to post an appeal bond.

(a) A person found by the hearing officer to be financially unable to pay the administrative penalties, costs, and fees assessed must be:

(1) A resident of the property or premises that is the subject of the administrative order; and

(2) The sole owner of the property or premises, except that the person may be a co-owner of the property or premises if all other co-owners cannot be located or are themselves financially unable to pay the administrative penalties, costs, and fees as established by credible evidence.

(b) A person claiming a financial inability to pay the administrative penalties, costs, and fees assessed by the hearing officer; to pay for a transcription of the record; or to post an appeal bond must make that claim prior to the conclusion of the administrative hearing before the hearing officer.

(c) A person claiming a financial inability to pay the administrative penalties, costs, and fees; to pay for a transcription of the record; or to post an appeal bond must have an income that does not exceed 50 percent of the Houston Area Median Family Income as determined by the United States Department of Housing and Urban Development.

(d) After receiving a claim that a person found liable for violation under this article is financially unable to pay the administrative penalties, costs, and fees; to pay for a transcription of the record; or to post an appeal bond, the

hearing officer may set the matter for hearing and notify all parties of the hearing date by regular United States mail. The hearing officer's determination of whether the person found liable for a violation is financially unable to pay any administrative penalties, costs, or fees assessed by the hearing officer; to pay for a transcript of the record; or to post an appeal bond must be based on all information provided to the hearing officer by the person found liable or by the city attorney in opposition to the claim of financial inability.

(e) If the hearing officer determines that the person found liable for a violation does not have the financial ability to pay the administrative penalties, costs, or fees assessed by the hearing officer; to pay for a transcription of the record; or to post an appeal bond, then the hearing officer shall enter that finding in writing and may order that the penalties, costs, and fees be waived by the city.
(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-711. Enforcement.

An order issued by the hearing officer or a municipal judge under this article may be enforced by:

(1) Filing a civil suit for the collection of penalties, costs, and fees assessed against the person; or

(2) Obtaining an injunction to prohibit the specific conduct that violates the ordinance.

(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-712. Appeals.

(a) Either party may appeal the determination of the hearing officer by filing a petition and a bond for twice the amount of the administrative penalties, costs, and fees ordered by the hearing officer in municipal court within 30 days after the date the hearing officer's administrative order is filed with the municipal court. An appeals petition will not be accepted if a bond has not been filed with the municipal court, unless the appellant requests and receives a waiver pursuant to 10-712(b) of this Code.

The municipal court's ruling shall be final.

If the party does not timely file an appeal, then the hearing officer's ruling shall be final.

An appeal stays enforcement of the order of the hearing officer.

(b) An appellant to municipal court may request a waiver of the bond amount on the basis of financial inability to pay, in which case the hearing officer may hold a hearing pursuant to section 10-710 of this Code to determine whether the appellant is indigent and whether the bond amount may be waived. If the hearing officer's administrative order is reversed on appeal, the appeal bond will be returned to the appellant.

(c) If the administrative penalties, costs, and fees assessed in the final judgment are not paid within 30 days after the date the hearing officer's order is filed with the clerk of the municipal courts, the administrative penalties, fees, and costs may be referred to a collection agency and the cost to the city for the collection services will be assessed as costs to the person found liable, at the rate agreed to between the city and the collection agency, and added to the judgment.

(d) If the person found liable for violation timely requested a record of the proceedings pursuant to section 10-709(g) of this Code, and through no fault of the person, the record of the hearing is unavailable, then the municipal judge shall reverse the hearing officer's order and remand the matter to the hearing officer for a new administrative hearing.

(e) Upon receiving the record of the administrative hearing, the municipal judge shall review the record and may grant relief from the administrative order only if the record reflects that the appellant's substantial rights have been prejudiced because the administrative order is:

(1) In violation of a constitutional or statutory provision;

(2) In excess of the hearing officer's statutory authority;

(3) Made through unlawful procedure; or

(4) Affected by another error of law.

(f) The municipal judge shall rule on the appeal within 30 days after receiving the record of the administrative hearing. The municipal judge shall affirm the administrative order of the hearing officer unless the record reflects that the order violates one of the standards in subsection(e) of this section. If the record reflects that the hearing officer's order violated one of the standards in subsection(e) the municipal judge may:

(1) Reverse the hearing officer's order and find the appellant not liable;

(2) Reverse the hearing officer's order and remand the matter to the hearing officer for a new hearing; or

(3) Affirm the order, but reduce the amount of the administrative penalties assessed.

(g) The municipal judge's ruling on the appeal must be issued in writing and filed with the clerk of the municipal courts. A copy of the ruling must be sent by the clerk of the municipal courts to the appellant by regular United States mail at the last known address of the appellant as provided to the municipal court for the appeal.

(h) The municipal judge's ruling is a final judgment. If an appeal bond was posted, any administrative penalties, costs, and fees assessed by the municipal judge or by the hearing officer, if affirmed by the municipal judge, will be deducted from the appeal bond. If no appeal bond was posted, any administrative penalties, costs, and fees assessed by the municipal judge or by the hearing officer, if affirmed by the municipal judge, must be paid within 30 days after the municipal judge's ruling is filed with the clerk of the municipal courts, unless the administrative penalties, costs, and fees were waived pursuant to section 10-710(e) of this Code. The city may enforce the municipal judge's ruling pursuant to section 10-711 of this Code.
(Ord. No. 2010-815, § 2, 10-13-2010)

Sec. 10-713. Amount and disposition of administrative penalties, costs, and fees.

(a) The amount of the administrative penalties will be the same as those provided for criminal penalties throughout this Code and the Construction Code.

(b) When no specific penalty is provided for a violation that is enforced as an administrative offense under this article and that violation pertains to fire, safety, or public health and sanitation, then the violation shall be punished by an administrative penalty not exceeding $2,000.00.

(c) The administrative cost is stated for this provision in the city fee schedule and is subject to an annual adjustment by the director to reflect an increase or decrease in the CPI-U. The costs will be reviewed every three years in order to ensure accurate cost recovery. Any proposed adjustments beyond changes in the CPI-U will be presented to city council for approval.

(d) Administrative penalties, costs, and fees assessed under this article will be paid into the city's general fund.
(Ord. No. 2010-815, § 2, 10-13-2010; Ord. No. 2010-1063, § 2, 12-22-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Secs. 10-714—10-730. Reserved.

ARTICLE XIX. CHILD CARE HOMES

Sec. 10-731. In general.

The fire department may inspect each licensed child-care home and each registered child-care home at least once every 12 months.
(Ord. No. 2011-392, § 2, 6-1-2011)

Sec. 10-732. Definitions.

Care giver is the individual listed as the operator or care giver of a child-care home by the Texas Department of Family and Protective Services.

Licensed child-care home has the same meaning as defined in 40 Tex. Admin. Code § 747.111.

Registered child-care home has the same meaning as defined in 40 Tex. Admin. Code § 747.109.
(Ord. No. 2011-392, § 2, 6-1-2011)

Sec. 10-733. Notice.

Prior to an inspection, the fire department shall send written notice of the required fire

inspection to the care giver of each licensed and registered child-care home at the address published by the Texas Department of Family and Protective Services. The notice shall include a fire inspection form and information regarding payment.
(Ord. No. 2011-392, § 2, 6-1-2011)

Sec. 10-734. Scheduling an inspection.

Each care giver shall return completed fire inspection form, the inspection fee stated for this provision in the city fee schedule, and any required administrative fees to the fire department within 30 days of the date of the notice. Upon receipt of the form and fees, the fire department shall notify the licensed and registered child-care home's care giver of the inspection date and time.
(Ord. No. 2011-392, § 2, 6-1-2011; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 10-735. Inspections.

(a) Only the city's fire department may conduct a fire inspection of licensed and registered child-care homes in the city under this article. The inspector shall provide to the care giver a written summary of the results of the inspection. Unless the child-care home is found to constitute a fire hazard under Article VIII of this chapter, care givers shall remedy any problems identified by the inspection within 30 days of the initial inspection. The fire department shall conduct a follow-up inspection on the 30th day of the initial inspection or earlier if it receives notice that the problem has been resolved before the deadline. There shall be no charge for the first follow-up inspection. If any problem remains after the follow-up inspection and a third inspection is required, the re-inspection fee stated for this provision in the city fee schedule will be assessed.

(b) If a child-care home is found to constitute a fire hazard, the provisions in Article VIII of this chapter shall apply.
(Ord. No. 2011-392, § 2, 6-1-2011; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 10-736. Reporting violations.

The city shall report violations of this article, city ordinance and codes, and state laws and regulations to the Texas Department of Family and Protective Services.
(Ord. No. 2011-392, § 2, 6-1-2011)

Sec. 10-737. Penalties.

Failure to comply with this article will result in a penalty of not more than $2,000.00 for each day of the violation. Additional fines or penalties may be imposed as authorized by this Code or state law.
(Ord. No. 2011-392, § 2, 6-1-2011)

Secs. 10-738—10-750. Reserved.

ARTICLE XX. HOARDING AND RELATED BEHAVIORS

Sec. 10-751. Definitions.

When used in this article, the following words and phrases have the meaning stated, unless the context of their usage clearly indicates another meaning:

Dwelling unit means an interior space that provides an independent residential facility for one or more individuals (including permanent provisions for living, sleeping, eating, cooking, and sanitation) and that is used regularly for such purposes, together with any adjoining exterior space (such as a patio, carport, or fenced area) that reasonably appears to be part of the same independent facility. Notwithstanding the foregoing definition, space in any of the following structures does not constitute a *dwelling unit*:

(a) Jails;

(b) Hotels (as defined by article III of chapter 44 of this Code); and

(c) Buildings providing sleeping facilities primarily for the purpose of rendering services regulated by a department or agency of the federal government or of the State of Texas

(including, but not limited to, the Texas Department of State Health Services).

Enforcing official is any person listed in section 10-752(b) of this Code and the said person's designees.

Occupant means an individual at least eighteen years old having lawful possession of a *dwelling unit*.

Property means a parcel of land to which a single account number has been assigned by an appraisal district.

Serious and immediate hazard means a condition that in the absence of immediate corrective action by the city presents a reasonable likelihood of causing serious bodily injury to a human being. The likelihood of a serious and immediate hazard may be determined from the personal observation of any person or from circumstantial evidence.
(Ord. No. 2014-331, § 2, 4-16-2014)

Sec. 10-752. Scope; responsibility for enforcement.

(a) This article applies to:

(1) Any property containing two or more dwelling units, without regard to the form of the ownership of the property;

(2) Any dwelling unit that shares a common interior wall with another dwelling unit, without regard to the form of the ownership of the property or properties on which the dwelling units are located; and

(3) Any dwelling unit subject to a lawful condominium declaration within the meaning of either Chapter 81 or Chapter 82, Texas Property Code.

(b) The chief of police is primarily responsible for the enforcement of this article, in coordination with the fire chief, the city attorney, the director of public health, the director of the department of neighborhoods and the Director of Houston Public Works, as appropriate to the circumstances of the violation.
(Ord. No. 2014-331, § 2, 4-16-2014; Ord. No. 2015-820, § 10, 8-26-2015; Ord. No. 2018-11, § 10, 1-10-2018)

Sec. 10-753. Unlawful accumulations.

It is unlawful for an occupant of a dwelling unit within the scope of this article to store or otherwise to accumulate in or on the dwelling unit objects or substances of a nature or in a quantity reasonably likely to create a hazard to the safety or health of an occupant of another dwelling unit on the same or a contiguous property, even if the objects or substances are not visible from a public place or a public right-of-way.
(Ord. No. 2014-331, § 2, 4-16-2014)

Sec. 10-754. Penalty for violations.

(a) Unless a different penalty is provided elsewhere in this Code, a person violating this article shall be guilty of a misdemeanor and upon conviction shall be fined not less than $200.00 nor more than $500.00. Each day a violation continues shall constitute a separate offense.

(b) Upon discovery of a violation of this article, the enforcing official may issue to the violator a criminal citation enforceable in municipal court, provided that the violation remains after the enforcing official has issued to the violator a written warning affording a reasonable opportunity to cure the violation.
(Ord. No. 2014-331, § 2, 4-16-2014)

Sec. 10-755. Authority to enter property; warrants; emergencies.

(a) For purposes related to the enforcement of this article, authority to enter a dwelling unit includes authority to enter the property on which the dwelling unit is located, but only to the extent necessary to access the dwelling unit against which this article is being enforced.

(b) For purposes related to the enforcement of this article, an enforcing official may enter a dwelling unit, but only with written or verbal permission from an occupant, unless otherwise provided by this section.

(c) If circumstances exist that would lead a reasonable person to conclude the enforcing official does not have permission to enter a dwelling unit, entry shall be made only under authority of a warrant issued by a magistrate.

(1) In applying for a warrant, the official shall submit to the magistrate an affidavit, which may be based on information supplied by others, describing with reasonable specificity the dwelling unit into which entry is sought, stating facts giving rise to the official's reasonable belief that the dwelling unit is in violation of this article, and, to the extent known by the official after reasonable inquiry, the name and contact information of the occupant(s) of the dwelling unit.

(2) If the magistrate finds that probable cause exists for the enforcing official's entry into the dwelling unit, the magistrate shall issue a warrant authorizing the entry. The warrant shall constitute authority for the official to enter and to inspect the dwelling unit, to gather evidence by reasonable means, including photography and videography, and to procure samples and specimens as reasonably necessary to determine the existence and extent of a violation of this article. It is unlawful for a person to interfere or to refuse compliance with a warrant issued pursuant to this section.

(d) Notwithstanding anything to the contrary in this section, if the enforcing official reasonably believes that a serious and immediate hazard exists in or on a dwelling unit, the official may enter the dwelling unit at any time. In such circumstances the enforcing official:

(1) May be accompanied by other city employees, including officers of the police department;

(2) Shall make every reasonable effort to present proper identification to the owner, tenant, or other person who reasonably appears to have a right to occupy or to control the dwelling unit;

(3) Shall remain in or on the dwelling unit only for such time as is reasonably necessary to conduct inspections and to gather evidence required to determine whether a serious and immediate hazard exists; and

(4) As soon as reasonably possible, shall memorialize the circumstances of the official's entry into the dwelling unit. The memorialization may be typed, handwritten, or in electronic form and shall be preserved in the records of the enforcing official.

After expiration of the time prescribed in subsection (d)(3) of this section, the official may enter a dwelling unit only under the authority of subsections (b) or (c) of this section.
(Ord. No. 2014-331, § 2, 4-16-2014)

Sec. 10-756. Authority to consult with mental health organization.

In a manner consistent with an operating procedure promulgated by the chief of police, an enforcing official may consult with MHMRA of Harris County (or with another nonprofit mental health organization approved in writing by the chief of police) when circumstances related to the enforcement of this article reasonably indicate that an occupant of a dwelling unit may suffer from a mental illness, including but not limited to a hoarding disorder as described in the then-current edition of the *Diagnostic and Statistical Manual of Mental Disorders*.
(Ord. No. 2014-331, § 2, 4-16-2014)

Sec. 10-757. Article supplemental.

The provisions of this article are cumulative of all other ordinances, laws, and applicable regulations.
(Ord. No. 2014-331, § 2, 4-16-2014)

Secs. 10-758—10-1000. Reserved.

Chapter 11

BURGLAR AND FIRE ALARM PROTECTIVE SERVICES*

Art. I. In General, §§ 11-1—11-5
Art. II. Fire Alarm Services, §§ 11-6—11-31
Div. 1. General Fire Alarm Process, §§ 11-6—11-10
Div. 2. Fire Alarm Permits; False Fire Alarm Fees, §§ 11-11—11-31
Art. III. Burglar Alarms, Holdup Alarms and Other Similar Alarm Systems, §§ 11-32—11-56

ARTICLE I. IN GENERAL

Secs. 11-1—11-5. Reserved.

ARTICLE II. FIRE ALARM SERVICES

DIVISION 1. GENERAL FIRE ALARM PROCESS†

Sec. 11-6. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Fire alarm protective service. Any service whereby any person provides or employs electronic or mechanical means to detect the presence of fire on any premises in the city, the report of which is then transmitted to or through the communication system of the fire department or which system is in any manner connected with the fire alarm communication system of the fire department. The term also means the activity of maintaining, servicing, repairing, altering, replacing, moving or installing in or on any building, place or premises any device designed or used for detection of fire.

Local alarm. A protective signaling system so designed and operated that (1) the equipment for detecting fire, smoke or heat, or for manually activating the alarm and (2) the equipment for signaling a warning thereof by bell, horn, siren or other means are located on the particular premises being protected.

Person. A person as defined in section 1-2 of this Code other than the city.

(Ord. No. 02-527, §§ 2, 3, 6-19-02; Ord. No. 03-1101, § 2, 11-12-03)

Note—Formerly, § 11-16.

Sec. 11-7. Automatic telephone devices.

No person shall use or permit the use of any telephone device or telephone attachment which automatically selects any city telephone trunkline or number leading into the fire department or other offices of the city and then transmits any prerecorded fire alarm message or signal which indicates the presence or possibility of the presence of a fire at any location.

(Ord. No. 02-527, § 2, 6-19-02)

Note—Formerly, § 11-17.

Sec. 11-8. Standards.

(a) The fire chief may establish minimum standards and permit fire alarm protective services which meet those standards to connect their systems directly to the dispatcher's office of the fire department by dedicated telephone line when he finds that the methods of operations of companies meeting such standards will give reasonable assurance that the use of such connections will not impose a burden on the fire department.

(b) No person shall operate a fire alarm protective service unless it complies in all respects, including the maintenance of runners and appro-

*__Cross reference—__Police and fire protection, Ch. 34.

†__Editor's note—__Section 2 of Ord. No. 02-527, adopted June 19, 2002, added Div. 1 title to read as set out. Said section also renumbered §§ 11-16—11-20 as §§ 11-6—11-10.

priate record keeping systems, with the applicable requirements set out in N.F.P.A. Pamphlet No. 71, 1977 edition, entitled "Central Station Signaling Systems" and complies with the applicable requirements of state laws, rules and regulations.
(Ord. No. 02-527, § 2, 6-19-02)

Note—Formerly, § 11-18.

Sec. 11-9. Dispatch personnel.

All fire alarm protective services shall provide the necessary personnel giving them the capability to respond, upon request by any member of the fire department, to the scene of an activated alarm 24 hours of each day, Saturdays and Sundays included. It shall be unlawful for such fire alarm protective service to fail to dispatch personnel, after being notified that such alarm is sounding, to come to the premises to shut off such alarm or to assist firemen in an inspection of the premises.
(Ord. No. 02-527, § 2, 6-19-02)

Note—Formerly, § 11-19.

Sec. 11-10. Local alarms.

No local alarm shall make a sound similar to that of a siren on emergency vehicles or similar to a civil defense warning system. The permit holder and person in control as defined in Article II of Chapter 11, shall ensure that a clearly legible notice is posted and maintained upon the exterior of the structure at or near the location of such alarm, stating the name and telephone number of the person designated to be notified to render repairs or service during any hour of the day or night that such alarm sounds, signals or activates. Such notice shall be posted in such a position as to be readable by a person of average height from the ground level adjacent to the structure. It shall be unlawful for such designated person, after being notified that the local alarm is sounding, signaling or otherwise activated, to refuse to come to the premises to shut off such alarm or to assist firemen in an inspection of the premises.
(Ord. No. 02-527, § 2, 6-19-02; Ord. No. 03-1101, § 3, 11-12-03)

Note—Formerly, § 11-20.

DIVISION 2. FIRE ALARM PERMITS; FALSE FIRE ALARM FEES

Sec. 11-11. Definitions.

The following words, terms, and phrases, when used in this division, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Alarm actuating device means any mechanical, electrical, electronic or radio-controlled alarm device designed or intended to, or that does emit a sound or transmit a signal or message when activated because of smoke, heat, or fire to summon, or that would reasonably be expected to summon, or cause to be summoned, directly or indirectly, fire response services of the city. The term includes a local alarm.

Alarm site means the premises or location where the alarm system(s) is installed or operated.

Alarm system means one or more alarm actuating devices controlled by one person and designed to function together and to be monitored together for protection of one alarm site. Alarm systems are classified as follows:

(1) *Group A* means an alarm system with not more than ten alarm actuating devices;

(2) *Group B* means an alarm system with not less than 11 nor more than 100 alarm actuating devices; and

(3) *Group C* means an alarm system with 101 or more alarm actuating devices.

Applicant means the person who makes application to be the permit holder of the alarm system.

False fire alarm means an incident in which the operation of an alarm system elicits an emergency response by the fire department when a situation requiring such a response by the fire department did not in fact exist. The term does

not include an otherwise false alarm if the fire chief determines that the false alarm was caused primarily by one or more of the following:

(1) Manual alarm notification to the fire department and the person actuating the alarm was acting under a reasonable belief that smoke or fire existed; or

(2) Any cause clearly unrelated to the proper maintenance, use or operation of the alarm system that is beyond the control of the permit holder.

False fire alarm response. For purposes of this division, the fire department is deemed to have made an emergency response to the false fire alarm at the moment that it receives notice of an alarm that is subsequently determined or deemed to be a false fire alarm.

Fire chief means the chief of the fire department or his designee(s).

Permit holder means the person to whom an alarm system permit is issued who shall be a person in control of the premises where the alarm system is installed, maintained, or operated site.

Person in control means a person who owns, leases, possesses, resides at or manages the alarm site.

Single-family residential dwelling means a house, apartment, condominium, town home or similar dwelling unit (attached or detached) designed for occupancy by no more than one family and designed for living, sleeping, cooking and eating therein unless actually occupied or used primarily for other purposes. The term does not include day care centers, or units of hotels, "all-suites" and "suites hotels", motels or similar transient housing facilities. The term also does not include units of a residential apartment complex, condominium, town home or other multi-unit housing facility if a centrally monitored fire alarm system protects two or more individual apartment units or suites.
(Ord. No. 02-527, § 4, 6-19-02; Ord. No. 03-1101, §§ 4, 5, 11-12-03)

Sec. 11-12. Permit required.

(a) It is unlawful for any person to operate, cause to be operated, or allow the operation of an alarm system unless a valid permit issued in accordance with this division is in effect for that system. All persons in control of any part of the alarm site are deemed to have operated or caused or allowed to be operated the alarm system and shall be jointly and severally liable for payment of response fees.

Note—Section 11-12(a) as adopted by Ord. No. 02-527, shall become effective on the 180th day next following the date that this ordinance is passed and approved. All other provisions of this ordinance shall take effect immediately. To allow for orderly implementation of this ordinance, and so any person who requires a permit under this ordinance will have an opportunity to avoid penalties and fees imposed by this ordinance for failure to have a valid permit, the fire chief or his designees shall begin accepting and processing properly submitted applications for permits on the 120th day prior to the effective date of the delayed sections. If application for a permit for an alarm system has been submitted and the required permit fee paid prior to the effective date of the delayed sections, no person shall be subject to enforcement of the delayed sections in connection with the alarm system until after the effective date of the delayed sections and the earlier of the date the fire chief 1) issues a permit for the alarm system, or 2) mails a denial of permit notice to the applicant at the address set out in the application.

(b) The issuance of a permit authorizing the use of an alarm system is not intended to nor shall it create a contract, either express or implied, creating a duty or guarantee of. Any and all liability and consequential damages resulting from responding or the failure to respond to a fire alarm are hereby disclaimed and governmental immunity as provided by law is retained.

(c) The fire chief shall have the right to inspect any alarm system at the alarm site at any reasonable time to determine whether it is being used in conformity with this division.

(d) It is an affirmative defense to civil or criminal liability under this division that the alarm system is operated solely for the protection of one single-family residential dwelling.
(Ord. No. 02-527, § 4, 6-19-02; Ord. No. 03-1101, § 6, 11-12-03)

Sec. 11-13. Same—Application.

(a) Application for a permit authorizing the operation of an alarm system shall be made in writing to the fire department on forms designated for that purpose. On such application shall be set forth:

(1) The name, address, telephone number(s), federal employee identification number, state sales tax number, corporate charter number, and Texas driver's license number (if applicable) of the applicant.

(2) Copies of the assumed-name registration if the alarm site will be operated under an assumed name; the partnership registration, if any, and the names and addresses of all general partners if the permit holder is a partnership; the Texas corporate charter or certificate of authority to do business in Texas if a foreign corporation, along with the names and addresses of all officers and the registered agent.

(3) The street address of the alarm site at which the alarm system is or will be installed and operated, including the particular suite, apartment, unit, or other similar occupancy number(s) or designation(s), if applicable.

(4) Any business names used for the alarm site.

(5) The name of the alarm system business or other person that has installed or will install and monitor the alarm system.

(6) In addition to the permit holder,

a. The names and telephone numbers of two individuals, or the name and local telephone number of an alarm system business which are able to and have agreed to:

(i) Receive fire alarm notification at any time;

(ii) Come to the alarm site within one hour after receiving a request from a member of the fire department to do so; and

(iii) Grant access to the alarm site and to deactivate the alarm system if such becomes necessary; or

b. The name and telephone number of an alarm system business that is able to and has agreed to receive calls at any time and to give the fire department the names of individuals listed with that company as set out below if:

(i) The permit holder has given the alarm system business the names and local telephone numbers of two individuals who are able and have agreed to receive fire alarm notification at any time; to come to the alarm site within one hour after receiving a request from a member of the fire department to do so; and to grant access to the alarm site and to deactivate the alarm system if necessary; and

(ii) The permit holder has authorized the alarm system business to provide the names listed with that business pursuant to section 11-13(a) of this Code to the fire department whenever that department has requested that information in order to obtain assistance after an alarm has been activated.

(7) Whether all fees due under this division owed to the city by the applicant, its partners, officers, and owners have been paid.

(8) Such other information as the fire chief may determine is necessary.

(b) The application shall be signed by an owner, officer, or partner of the applicant if the applicant is not an individual, or by the individual applicant for the permit acknowledging that he has read the application, affirming the correctness and accuracy of the information given on the application,

and authorizing the release to the fire department of information specified in section 11-13(a) of this Code.

(c) The fire chief shall issue a permit upon submission of an application therefor in accordance with this division and payment of the permit fee, unless the fire chief finds that any statement made in the application was incomplete, misleading, or false; that the applicant, its partners, officers, and owners have not paid all fees due under this division owed to the city; that the alarm system installed at the alarm site has, or is of the type that is prohibited by division 1 of this article or of a type that has had a history of unreliability; or if the alarm site was previously non-permitted while under the control of the applicant, its partners, officers, and owners, and has outstanding false fire alarm fees owed to the city. The fire chief shall establish reasonable standards for determining reliability or unreliability of alarm systems and promulgate written regulations setting forth those standards. If the fire chief denies the application for a permit, the fire chief shall cause to be mailed by certified mail, return receipt requested, a denial notice to the applicant at the address set out in the application and shall maintain a copy thereof. The notice shall state the reasons for the denial and advise the applicant of the right to a hearing as provided by section 11-23 of this Code.
(Ord. No. 02-527, § 4, 6-19-02; Ord. No. 03-1101, § 7, 11-12-03)

Sec. 11-14. Same—Term; renewal.

(a) Each permit issued pursuant to this division shall be valid for a 12-month period from the date of issuance as stated on the permit. If the permit holder relinquishes control of the alarm site before the expiration of the permit period, then the permit terminates on the date of such relinquishment, and any subsequent person in control is required to obtain a new permit before the alarm system can be lawfully operated. If the permit holder fails to deliver written notice of cancellation of the permit to the fire department prior to such relinquishment, the permit holder shall be liable as if he were a person in control of the alarm site, for all subsequent non-permitted response fees, jointly and severally with any other persons liable as provided in this division.

(b) The city shall give at least 30 days notice of the expiration date and need for renewal. A renewal application must be presented to the fire chief along with the renewal fee not less than ten business days before expiration of the permit. If the permit is not renewed as of the expiration date, then a new permit must be obtained. If any fees due under this division remain owed to the city or if there is a history of unreliability of the alarm system, the fire chief shall deny the renewal application until such time as all fees due under this division have been paid and unreliability of the alarm system is shown to have been corrected according to fire department regulation. The renewal permit shall be issued for the 12 month period from the date of renewal. Upon expiration of a permit that is not renewed, the provisions of section 11-12(a) shall apply until a new permit is issued.
(Ord. No. 02-527, § 4, 6-19-02)

Sec. 11-15. Same—Fees.

The fees for a new permit and for a renewal permit are stated for this provision in the city fee schedule.
(Ord. No. 02-527, § 4, 6-19-02; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1168, § 13, 12-14-2011)

Sec. 11-16. Same—Nontransferable; re-application required following revocation.

Each permit issued shall be valid only for the alarm site and alarm system permitted, and shall not be transferable to any other person or premises. Upon transfer from the permit holder of ownership or leasehold rights to the alarm site, or upon revocation of the permit, the permit shall terminate, and a new permit must be applied for according to this division. Upon termination of the permit and before a new permit is issued, the provisions of section 11-12(a) shall apply.
(Ord. No. 02-527, § 4, 6-19-02)

Sec. 11-17. Same—To be kept at alarm site.

The permit holder shall keep the alarm permit at the alarm site and shall produce the permit for inspection upon the request of any member of the fire department or other official authorized to enforce the provisions of this division.
(Ord. No. 02-527, § 4, 6-19-02)

Sec. 11-18. Duties.

The permit holder shall:

(1) Ensure that the individuals listed with the fire department under section 11-13(a)(6) of this Code are able to:

a. Receive fire alarm notification at any time;

b. Come to the alarm site within one hour after receiving a request from a member of the fire department to do so; and

c. Grant access to the alarm site and if necessary, deactivate the alarm system.

(2) Train all persons who may activate the alarm system in the proper operation of the alarm system.

(3) Pay when due all fees associated with the permit and the operation of the alarm system.

(4) Maintain the alarm site in a manner that ensures proper operation of the alarm system.

(5) Maintain or cause to be maintained the alarm system in a manner that will minimize false fire alarms.

(6) Respond or cause a representative to respond within a reasonable period of time when notified by the city to repair a malfunctioning alarm system, to provide access to the alarm site, or to provide security for the alarm site.
