Checklist of Up-to-Date Pages

(This checklist will be updated with the printing of each Supplement)

From our experience in publishing Looseleaf Supplements on a page-for-page substitution basis, it has become evident that through usage and supplementation many pages can be inserted and removed in error.

The following listing is included in this Code as a ready guide for the user to determine whether the Code volume properly reflects the latest printing of each page.

In the first column all page numbers are listed in sequence. The second column reflects the latest printing of the pages as they should appear in an up-to-date volume. The letters "OC" indicate the pages have not been reprinted in the Supplement Service and appear as published for the original Code. When a page has been reprinted or printed in the Supplement Service, this column reflects the identification number or Supplement Number printed on the bottom of the page.

In addition to assisting existing holders of the Code, this list may be used in compiling an up-to-date copy from the original Code and subsequent Supplements.

PREFACE

This Code constitutes a complete codification of the general and permanent ordinances of the Metropolitan Government of Nashville and Davidson County, Tennessee.

Source materials used in the preparation of the Code were the ordinances adopted by the city council. The source of each section is included in the history note appearing in parentheses at the end thereof. The absence of such a note indicates that the section is new and was adopted for the first time with the adoption of the Code. By use of the comparative tables appearing in the back of this Code, the reader can locate any section of any ordinance included herein.

The Code has been conveniently arranged in titles and chapters, and the various sections within each chapter have been catchlined to facilitate usage. Notes which tie related sections of the Code together and which refer to relevant state law have been included. A table listing the state law citations and setting forth their location within the Code is included at the back of this Code.

Chapter and Section Numbering System

The chapter and section numbering system used in this Code is the same system used in many state and local government codes. Each section number consists of three parts separated by a decimal. The figure before the first decimal refers to the title number. The figure after the first decimal is the chapter number. The figure after the second decimal refers to the position of the section within the chapter. Thus, the first section of chapter 1 is numbered 1.01.010. Under this system, each section is identified with its chapter, and at the same time new sections can be inserted in their proper place by using the decimal system for amendments. For example, if new material consisting of one section that would logically come between sections 10.04.010 and 10.04.020 is desired to be added, such new section would be numbered 10.04.015. New chapters may be included in the same manner. If the new material is to be included between chapters 11.04 and 11.08, it will be designated as chapter 11.06.

Page Numbering System

The page numbering system used in this Code is a prefix system. The letters/numbers to the left of the dash are an abbreviation which represents a certain portion of the volume. The number to the right of the colon represents the number of the page in that portion. The following are typical parts of codes of ordinances, which may or may not appear in this Code at this time, and their corresponding prefixes:

Indexes

The indexes have been prepared with the greatest of care. Each particular item has been placed under several headings, some of which are couched in lay phraseology, others in legal terminology, and still others in language generally used by local government officials and employees. There are numerous cross references within the indexes themselves which stand as guideposts to direct the user to the particular item in which the user is interested.

Looseleaf Supplements

A special feature of this publication is the looseleaf system of binding and supplemental servicing of the publication. With this system, the publication will be kept up-to-date. Subsequent amendatory legislation will be properly edited, and the affected page or pages will be reprinted. These new pages will be distributed to holders of copies of the publication, with instructions for the manner of inserting the new pages and deleting the obsolete pages.

Keeping this publication up-to-date at all times will depend largely upon the holder of the publication. As revised pages are received, it will then become the responsibility of the holder to have the amendments inserted according to the attached instructions. It is strongly recommended by the publisher that all such amendments be inserted immediately upon receipt to avoid misplacing them and, in addition, that all deleted pages be saved and filed for historical reference purposes.

Acknowledgments

This publication was under the direct supervision of John Dombroski, Vice President, and Kelly Heaton, Editor, of the Municipal Code Corporation, Tallahassee, Florida. Credit is gratefully given to the other members of the publisher's staff for their sincere interest and able assistance throughout the project.

The publisher is most grateful to Karl Dean, Metropolitan Director of Law, and Marilyn Swing, Metropolitan Clerk, along with their respective staffs, for their cooperation and assistance during the progress of the work on this publication. It is hoped that their efforts and those of the publisher have resulted in a Code of Ordinances which will make the active law of the city readily accessible to all citizens and which will be a valuable tool in the day-to-day administration of the city's affairs.

PROCEDURE FOR DRAFTING ORDINANCES

This code has been codified using a logical, expandable numbering system to allow for additions, repeals or amendments. When drafting ordinances, it is important to designate, within the ordinance, what specific portions of the code are affected. The ordinance(s) underlying the section being changed can be determined from the ordinance history note in parentheses at the end of each section.

Effect of Title.

The title of an ordinance and any introductory language appearing before the ordaining clause has no legal effect. The title may state that the ordinance repeals (or amends or adds) certain provisions, but in order for these changes to be effective, the intended repeal, amendment or addition must be set out following the ordaining clause.

Procedure When Amending Existing Code Material.

Amend the code section specifically. The underlying ordinance section may also be included.

Examples: § 3.04.020 of the _____ Municipal Code is amended to read as follows:

§ 3 of Ord. 319 and § 3.04.020 of the _____ Municipal Code are amended to read as follows:

If only a portion of a section is being amended, designate the specific portion:

Example: § 3.04.050(A)(2) of the _____ Municipal Code is amended to read as follows:

Procedure When Repealing Existing Code Material.

When repealing material, designate the specific portion of the code to be repealed. Include the underlying ordinance section if you wish; however, we consider both code section and underlying ordinance to be repealed whether you mention the underlying ordinance or not.

Examples: § 3.04.020 of the _____ Municipal Code is repealed.

§ 3 of Ord. 319 and § 3.04.020 of the _____ Municipal Code are repealed.

Subsection B of § 3.04.030 of the _____ Municipal Code is repealed.

Procedure When Adding New Material to Code.

When new provisions are to be added to the code, you should determine where the material would best fit within the subject matter of the existing section, chapter or title. If there is no existing section, chapter or title, you should assign a new section, chapter or title number. Our expandable decimal numbering system is designed to allow for the incorporation of new material without disturbing the numbering system of existing material.

The following language is sufficient to locate new material in the code:

Subsection D is added to § 5.10.040 of the _____ Municipal Code, to read as follows:

§ 5.10.033 is added to the _____ Municipal Code,

to read as follows:

Chapter 12.07 is added to the _____ Municipal Code, to read as follows:

SUPPLEMENT HISTORY TABLE

The table below allows users of this Code to quickly and accurately determine what ordinances have been considered for codification in each supplement. Ordinances that are of a general and permanent nature are codified in the Code and are considered "Included." Ordinances that are not of a general and permanent nature are not codified in the Code and are considered "Omitted."

In addition, by adding to this table with each supplement, users of this Code of Laws will be able to gain a more complete picture of the Code's historical evolution.

ARTICLE 1. GENERAL PROVISIONS

Sec. 1.01. Consolidation of county and city; creation of metropolitan government; name.

The governmental and corporate functions now vested in the City of Nashville, a municipal corporation created by Chapter 246, Private Acts of 1947, and amendments thereto, are hereby consolidated with the governmental and corporate functions of the County of Davidson, such consolidation being pursuant to constitutional power granted by article XI, section 9 of the Constitution of Tennessee, as amended, and in conformity with section 7-1-101 et seq. of Tennessee Code Annotated, as amended. Said consolidation shall result in the creation and establishment of a new metropolitan government to perform all, or substantially all, of the governmental and corporate functions previously performed by the county and by the city, to be known as "The Metropolitan Government of Nashville and Davidson County," herein sometimes called "the metropolitan government." The metropolitan government shall be a public corporation, with perpetual succession, capable of suing and being sued, and capable of purchasing, receiving and holding property, real and personal, and of selling, leasing or disposing of the same to the same extent as other governmental entities. (Res. No. 88-526, § 1, 10-4-88)

Sec. 1.02. Area of metropolitan government.

The territory embraced in the metropolitan government shall be the total area of Davidson County, as the same may be fixed and established upon the effective date of this Charter.[1]

1. April 1, 1963.

Sec. 1.03. Two services districts and their areas.

The metropolitan government shall, within the geographical limits thereof, comprise two (2) service districts, to wit: A general services district and an urban services district, as to both of which districts the metropolitan government shall have jurisdiction and authority. The general services district shall consist of the total area of the metropolitan government, the same being the total area of Davidson County as fixed and established upon the effective date of this Charter.[2] The urban services district shall consist originally of the total area of the City of Nashville at the time of the filing of this Charter with the county commissioners of election, which area is more specifically described and set forth in Appendix One hereto.

2. April 1, 1963.

Sec. 1.04. Expansion of urban services district.

The area of the urban services district may be expanded and its territorial limits extended by annexation whenever particular areas of the general services district come to need urban services, and the metropolitan government becomes able to provide such service within a reasonable period, which shall not be greater than one (1) year after ad valorem taxes in the annexed area become due. The tax levy on property in areas hereafter annexed shall not include any item for the payment of any deficit in the pension or retirement funds of the former City of Nashville. Said tax levy shall not include any item (except pursuant to and subject to the provisions of Section 7.04 of this Charter), for the payment of urban bonds of the metropolitan government issued prior to the effective date of such annexation, or debts of the former City of Nashville allocated to the urban services district under section 7.20 of this Charter, except to the extent that it shall be found and determined by the metropolitan county council that the property within the newly annexed area will benefit, in the form of urban services, from the expenditures for which the debt, or a specified portion of the debt, was incurred, to substantially the same extent as the property within the urban services district as same existed prior to such annexation.

Annexation shall be based upon a program set forth in the capital improvements budget provided for by section 6.13. Such annexation shall be accomplished and the validity of the same may be contested, by the methods and procedures specified in Tennessee Code Annotated, sections 6-51-101 to 6-51-105, with respect to annexation by municipalities. (Res. No. 88-526, § 2, 10-4-88)

Sec. 1.05. Functions within general services district and urban services district.

The metropolitan government may exercise within its general services district those powers and functions which have heretofore been exercised by the County of Davidson or the City of Nashville, or both, and shall supply the residents of said general services district with those governmental services which are now, or hereafter may be, customarily furnished by a county government in a metropolitan area.

The metropolitan government may exercise within its urban services district those powers and functions which have heretofore been exercised by the City of Nashville or the County of Davidson, and shall supply the residents of said urban services district with those kinds of

governmental services which are now, or hereafter may be, customarily furnished by a city government in a metropolitan area.

The functions of the metropolitan government to be performed, and the governmental services to be rendered throughout the entire general services district shall include: general administration, police; courts, jails; assessment; health; welfare; hospitals; housing for the aged; streets and roads; traffic; schools; parks and recreation; library; auditorium, fairgrounds; airport; public housing; urban redevelopment; urban renewal; planning; electrical code; building code; plumbing code; housing code; electricity; transit; refuse disposal; beer supervision; and taxicab regulation.

The additional functions of the metropolitan government to be performed and the additional governmental services to be rendered within the urban services district shall include: additional police protection; fire protection; water; sanitary sewers; storm sewers; street lighting; street cleaning; refuse collections and wine and whiskey supervision.

Nothing in the foregoing enumeration and assignment of functions shall be construed to require the continued maintenance or furnishing of any governmental service which the council by ordinance has determined to be obsolete and unnecessary.

Nothing in this section shall be deemed to limit the power of the metropolitan government to exercise other governmental functions in either the urban services district or the general services district, or to provide new and additional governmental services in either the urban services district or the general services district.

Sec. 1.06. Departments of metropolitan government.

The governmental and corporate authority of the metropolitan government shall be vested in a metropolitan county mayor, who shall be the chief executive officer; a metropolitan county council, which shall be the chief legislative body; an urban council, which shall levy a property tax within the urban services district; the judges of the metropolitan court; the justices of the peace; the departments, boards and commissions herein provided; and such officers, agencies, boards and commissions as may be provided by the Constitution or general laws of the State of Tennessee, or by ordinance enacted pursuant to this Charter.

Sec. 1.07. Term limits.

A. No person elected and qualified to the office of mayor, vice mayor, district councilmember, or councilmember-at-large shall be eligible for the succeeding term in the same office if such person has served more than one-half of a four (4) year term and a consecutive complete four (4) year term in that particular office. For purposes of this section, the offices of district councilmember and councilmember-at-large, as established pursuant to section 3.01 of this Charter, shall be considered separate elected offices.

B. In January prior to each state legislative session until such a time that it can be certified that the legislative term limits described in this clause have been enacted, the clerk shall write all state legislators whose districts include any part of Davidson County stating that the people of Davidson County desire an opportunity to vote on legislative term limits. The people of Davidson County respectfully request that a proposed constitutional amendment limit each Representative to six (6) years (three (3) terms) in the Tennessee House of Representatives and eight (8) years (two (2) terms) in the Tennessee Senate. The people of Davidson County also instruct all state legislators representing any part of Davidson County to pass this proposed constitutional amendment and place it on the general election ballot.

C. In January of each year until such a time that it can be certified that the term limits described in this clause have been enacted, the clerk shall write all U.S. Representatives whose districts include any part of Davidson County's limits and both federal Senators stating that the people of this municipality support term limits for the U.S. Congress. The people of Davidson County respectfully request that a proposed federal constitutional amendment limit each Representative to six (6) years (three (3) terms) in the United States House of Representatives and twelve (12) years (two (2) terms) in the United States Senate. The people of Davidson County also instruct their federal delegation to pass a constitutional amendment imposing these limits and submit it to the states for ratification.

D. If any provision of this petition shall be held unconstitutional, invalid or inapplicable to any persons or circumstances, then it is intended and declared by the people of Davidson County that all other provisions of this petition and their application to all other persons and circumstances shall be severable and shall not be affected by such decision. (Amended by Res. No. RS2008-404, § 1(Amdt. 2), referendum election 11-4-08; amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—Section 1.07 was added by referendum election held November 8, 1994.

Sec. 1.08. Mayor's state of metro address.

Not later than May 25 of each calendar year, the mayor shall personally address the metropolitan council on the state of the Metropolitan Government of Nashville

and Davidson County in a metropolitan facility at a specially called meeting of the council that shall be open to the public. Such meeting, the date and time of which shall be set by the council by resolution, shall be solely for the purpose of receiving the mayor's address, and no other official business shall be conducted at such meeting. Such special meeting may be convened without the presence of a quorum of the council. (Added by Res. No. RS2006-1487 (Amdt. 1), referendum election November 7, 2006, Amdt. 2)

ARTICLE 2. POWERS

Sec. 2.01. Specific powers.

The metropolitan government of Nashville and Davidson County shall have power:

1. To levy and collect taxes upon all property excepting only property exempt from taxation by general law.

2. To levy and collect taxes upon all taxable privileges and to license and regulate such privileges and privileged occupations.

3. To make appropriations for the support of the metropolitan government, for any other purpose authorized by this Charter and for any purpose for which a county or city is authorized by general law to appropriate; and to provide for the payment of the debts and expenses of the metropolitan government and also the debts and expenses of the county and the city of which it is the successor.

4. To borrow money for the purposes and in the manner provided by article 7, or other provisions of this Charter.

5. To purchase, lease, construct, maintain or otherwise acquire, hold and operate any building or other property, real or personal, for any public purpose, and to sell, lease or otherwise dispose of any property, real or personal, belonging to the metropolitan government.

6. To establish, maintain and regulate, free of sectarian influences, a system of free schools.

7. To make regulations to secure the general health of the inhabitants and to prevent, abate and remove nuisances.

8. To lay out, open, extend, widen, narrow, establish or change the grade of, close, construct, pave, curb, gutter, adorn with shade trees, otherwise improve, maintain, repair, clean and light streets, roads, alleys and walkways of the metropolitan government.

9. To provide for the creation, maintenance, building or purchase and operation of waterworks, electric power system, gas plants, transportation facilities, public airports, and any other public utility, including sewers and a sewage disposal system; to fix such rates and provide for the making of such charges and assessments as are deemed necessary for the proper furnishing of such services; and to provide liens or penalties and withdrawal of service for refusal or failure to pay same.

10. To provide for the prevention and punishment of vice, obscenity, immorality, vagrancy, drunkenness, riots, disturbances, disorderly houses, bawdy houses, gambling and gambling houses, lewd exhibitions, disorderly conduct, the carrying of concealed weapons, and breaches of the peace.

11. To regulate or prohibit junk dealers; pawnshops; the manufacture, sale or transportation of intoxicating liquors, the use and sale of firearms, the use and sale of firecrackers, fireworks and to regulate the transportation, storage and use of combustible, explosive and inflammable materials, the use of lighting and heating equipment, and any other business or situation which may be dangerous to persons or property.

12. To provide for the taking and appropriation of real property within the area of the metropolitan government for any public purpose, when the public convenience requires it and in accordance with the provisions of Tennessee Code Annotated, section 29-16-101 et seq.

13. To provide and maintain a system of pensions and retirement for officers and employees of the metropolitan government and of the county and the city to which it is successor.

14. To accept or refuse gifts, donations, bequests or grants from any source for any purpose related to the powers and duties of the metropolitan government.

15. To establish, maintain and operate public hospitals, sanatoria, convalescent homes, clinics and other public institutions, homes and facilities for the care of the sick, of children, the aged and the destitute.

16. To establish, maintain and operate a jail and a workhouse.

17. To make special assessments within the urban services district, pursuant to Tennessee Code Annotated, sections 7-32-101 through 7-32-141.

18. To acquire, own, maintain and operate public parks and playgrounds, and to equip and improve them with all suitable devices, buildings and other structures.

19. To collect and dispose of garbage and other refuse within the urban services district, and to regulate the collection and provide for disposal of garbage and other refuse within the general services district.

20. To provide, or aid in the support of public libraries.

21. To regulate the erection of buildings and all other structures, to compel the owner to provide and maintain fire escapes and other safety features, and to provide fire districts or zones and building zones; to

prohibit, regulate or suppress, or provide for the destruction and removal of any building or other structure which may be or become dangerous or detrimental to the public.

22. To fix the fares or rates to be charged for carriage of persons and property by any vehicle held out to the public use for hire within the area of the metropolitan government and not operated over a fixed route; to require indemnity bonds issued by surety companies or indemnity insurance policies to be filed by the owner or operator of such vehicle for the protection of any person against loss by injury to person or property; and to make all needful regulations with respect to the operation of such vehicles.

23. To grant rights-of-way through the streets and roads, and over the bridges and viaducts, for the use of public utilities.

24. To improve and preserve the navigation of the Cumberland River, within the metropolitan government; to erect, repair and regulate public wharfs, docks and landings, and to fix the rate of wharfage thereat; to regulate ferries; and to regulate the stationary anchorage and the mooring of vessels or rafts.

25. To regulate zoning.

26. To establish standard weights and measures; and to provide standards of quality for all food products used for human consumption.

27. To provide for the inspection and weighing or measuring of lumber, building material, stone, coal, wood, fuel, hay, corn and other grain.

28. To regulate, tax, license or suppress the keeping and going at large of animals, including domestic fowl; and to impound the same and in default of redemption to sell or kill the same.

29. To provide for the protection of animals and children, and to prevent cruelty to same.

30. To regulate the operation of motor vehicles and exercise control over all traffic, including parking, upon or across the streets, roads, alleys and walkways of the metropolitan government.

31. To regulate, by license or otherwise, plumbers and electricians and plumbing and electrical work.

32. To examine and license stationary engineers engaging in operating steam plants within the metropolitan government.

33. To regulate the emission of smoke, the installation and maintenance of fuel-burning equipment, and the methods of firing and stoking furnaces and boilers.

34. To regulate the operations, fees and services of private fire departments maintained outside the area of the urban services district; and to enter into contracts for the furnishing of fire protection outside the urban services district.

35. To collect service charges to defray installation and operation costs for furnishing services beyond the limits of the urban services district when such services are a function of the urban services district.

36. To create, alter or abolish departments, boards, commissions, offices and agencies other than those specifically established by this Charter,[4] and to confer upon the same necessary and appropriate authority for carrying out of all powers, including the promulgation of building, plumbing, zoning, planning and other codes; but when any power is vested by this Charter in a specific officer, board, commission or other agency, the same shall be deemed to have exclusive jurisdiction within the particular field.

37. To enter into contracts and agreements with other governmental entities and also with private persons, firms and corporations with respect to furnishing by or to the other services and the payments to be made therefor.

38. To determine such offices for which bond shall be required and the amount thereof.

39. To provide penalties for violations of any ordinance adopted pursuant to the authority of this Charter or of general law.

40. To pass all ordinances necessary for the health, convenience, safety and general welfare of the inhabitants, and to carry out the full intent and meaning of this Charter, as fully as if specifically authorized. (Res. No. 88-526, §§ 3, 4, 10-4-88)

4. Constable is a constitutional officer, and office cannot be abolished by metropolitan government. Glasgow v. Fox, 214 Tenn. 656, 383 S.W. 2d 9 (1964).

Sec. 2.02. General powers.

In addition to other powers herein granted, the metropolitan government shall be vested with (1) any and all powers which cities are, or may hereafter be, authorized or required to exercise under the Constitution and general laws of the State of Tennessee, as fully and completely as though the powers were specifically enumerated herein, except only for such limitations and restrictions as are provided in Tennessee Code Annotated, section 7-1-101 et seq., as amended, or in this Charter; and (2) any and all powers which counties are, or may hereafter be, authorized or required to exercise under the Constitution and general laws of the State of Tennessee, as fully and completely as though the powers were specifically enumerated herein, except only for such limitations and restrictions as are provided in Tennessee Code Annotated, section 7-1-101 et seq., as amended, or in this Charter; and (3) any and all powers possessed by the County of Davidson or the City of Nashville

immediately prior to the effective date of this Charter. (Res. No. 88-526, § 5, 10-4-88)

ARTICLE 3. THE METROPOLITAN COUNTY COUNCIL

Sec. 3.01. Metropolitan county council created; councilmembers-at-large and district councilmembers.

The legislative authority of the metropolitan government of Nashville and Davidson County, except as otherwise specifically provided in this Charter, shall be vested in the metropolitan county council, sometimes hereinafter called "Council," which shall have a total membership of forty (40), including five (5) councilmembers-at-large, and thirty-five (35) district councilmembers. The entire electorate of the metropolitan government shall elect the five (5) councilmembers-at-large and each of the thirty-five (35) councilmanic districts shall elect one (1) district councilmember. There shall be thirty-five (35) councilmanic districts in the metropolitan government, which are hereby created and established in accordance with the detailed descriptions thereof by metes and bounds as set forth in Appendix Two hereto attached as a part of this Charter. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 3.02. Terms; compensation; age and residence qualification.

Members of the council shall serve for a term of four (4) years and until their successors are elected and qualified; and shall be compensated at the rate of three hundred ($300) dollars per month. No person shall be eligible to serve as councilmember-at-large or district councilmember unless he or she shall have attained the age of twenty-five (25) at the beginning of his or her term and unless he or she shall have been a resident of the area of the metropolitan government for a period of one (1) year and shall continue to reside therein during his or her period of service. No person shall be eligible to serve as district councilmember unless he or she shall have been a resident of the district for which elected for a period of six (6) months and shall continue to reside therein during his or her period of service. Members of the council shall hold no other elective or appointive office in the metropolitan government or employment by said government, except as expressly provided in this Charter. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 3.03. Quorum; rules of procedure; presiding officer.

Not less than two-thirds (2/3rds) of all the members to which the council shall be entitled shall constitute a quorum for the transaction of business. The council may determine its rules of procedure. The vice county mayor shall be the presiding officer of the council, but without vote therein, except in the event of a tie vote, when he or she may cast the deciding vote. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 3.04. Regular meetings; adjourned meetings; special meetings.

The council shall hold regular meetings only on the first and third Tuesday of each month and may hold an adjourned meeting of a regular meeting on any week day or hour it may fix. At such adjourned meeting the council may transact any business which it might transact at a regular meeting. Special meetings of the council may be held when called by the mayor or vice mayor and shall be called by either official when the public welfare requires it or when requested in writing by a majority (21) of the members of the council. At least forty-eight (48) hours' written notice shall be given for any special meeting, stating the object or objects thereof, and the business of such meeting shall be restricted to the objects so stated. All meetings of the council shall be open to the public and shall be held in a metropolitan building unless by reasons of casualty a different meeting place shall be selected, with public announcement thereof.

Editor's note—The amendment to § 3.04 was approved at an election held Aug. 4, 1983.

Sec. 3.05. Legislative authority exercised by ordinance; requirements as to, and form of, ordinances.

The council shall exercise its legislative authority only by ordinance, except as otherwise specifically provided by this Charter or by general law. No ordinance shall become effective until it shall have passed by a majority vote on three (3) different days, on the final passage of which it shall have received a majority vote of all the members to which the council is entitled and until it shall have been signed by the metropolitan county mayor or become a law without his or her signature as otherwise provided in article 5 hereof. On final passage of an ordinance or resolution, a vote shall be taken by ayes and noes, and the names of the councilmembers voting for or against the same shall be entered on the minutes. Each ordinance shall begin "Be it enacted by the Council of the Metropolitan Government of Nashville and Davidson County", and no

ordinance shall take effect until twenty (20) days after its passage, unless the same shall state that the welfare of the metropolitan government of Nashville and Davidson County requires that it should take effect sooner. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 3.06. Authority and power of the council.

The council is authorized to legislate with respect to the powers of the metropolitan government granted by article 2 hereof, except as otherwise provided in this Charter; and by ordinance to provide for the organization, conduct and operations of all departments, boards, commissions, offices and agencies of the metropolitan government, when the same has not been provided for by this Charter.

In addition to the foregoing and in aid of its legislative function, the council is authorized by resolution passed by a three-fourths (3/4ths) majority of its entire membership and not subject to the veto power of the mayor to conduct investigations by the whole council or any of its committees; to employ and compensate personnel necessary for such purpose; and to make appropriations therefor.

Sec. 3.07. No pensions for councilmembers.

Members of the council shall not be eligible to receive and shall not receive any pension by reason of their service as members of said council.

Nothing in this section shall be deemed to abrogate or diminish the obligation of the metropolitan government to pay pensions to those persons who upon the effective date of this Charter are entitled to receive pensions by reason of their years of service as councilmembers of the City of Nashville or who upon the expiration of the terms for which they have been elected as such councilmember would become entitled to receive such pensions. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 3.08. Oath of office.

Each person who shall be elected as a member of council, shall, before entering on the duties of that office, take an oath to support the Constitution of this State, the Constitution of the United States, and the Charter of the Metropolitan Government of Nashville and Davidson County. (Added by Res. No. RS2018-1314 (Amdt. D), referendum election November 6, 2018, Amdt. 4)

ARTICLE 4. THE URBAN COUNCIL

Sec. 4.01. Selection, term and function of the urban council.

The urban services district shall be and constitute a municipal corporation, with a three member urban council, whose sole function shall be a mandatory obligation to levy a property tax adequate with other available funds to finance the budget for urban services, as determined by the metropolitan council. The members of the urban council shall be those three (3) individuals elected to the metropolitan council as councilmembers-at-large who receive the highest votes, who reside within the area of the urban services district, then they shall constitute the urban council; and if less than three councilmembers-at-large reside in the urban services district, they shall be members of the urban council, together with other members selected by the metropolitan council from its own membership so as to constitute a three member urban council. Members of the urban council so chosen by the metropolitan council shall be members a portion of whose district lies within the area of the urban services district. The term of members of the urban council shall be co-extensive with the term of the members of the metropolitan council. Vacancies in the membership of the urban council shall be filled by the metropolitan council, which shall elect to any such vacancy one of its own members a portion of whose district lies within the area of the urban services district.

The urban council shall meet immediately following any meeting of the metropolitan council, at which an annual budget is adopted or amended, or at which the annual tax rate for the general services district is adopted or amended. The minutes for the urban council shall be kept by the metropolitan clerk. (Amended by referendum election of November 6, 2018, Amdt. 6)

ARTICLE 5. THE METROPOLITAN COUNTY MAYOR AND VICE MAYOR

Sec. 5.01. Executive and administrative power; chief executive officer.

The executive and administrative power of the metropolitan government shall be vested in and exercised by a metropolitan county mayor and such other departments, boards, commissions, officers and agencies as are created or authorized in this Charter. The metropolitan county mayor, sometimes hereinafter called "mayor," shall be responsible for the conduct of the executive and administrative work of the metropolitan government and for the law enforcement within its boundaries.

Sec. 5.02. Term; qualification; compensation.

The mayor shall be elected for a term of four (4) years and until his or her successor is elected and qualified. He or she shall have attained the age of thirty (30) at the beginning of his or her term and shall have been a resident of the area of the metropolitan government for at least three (3) years preceding his or her election and shall continue to reside therein during his or her period of service. He or she shall be compensated at the rate of twenty-five thousand ($25,000) dollars per annum, payable semimonthly. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 5.03. Power and authority of mayor.

The mayor is authorized to administer, supervise and control all departments created by this Charter, except as otherwise specifically provided, and also all departments created by ordinance pursuant hereto. Such administration shall be by and through departmental directors under the supervision and control of the mayor.

Except as otherwise provided in this Charter, the mayor shall appoint all directors of departments, subject to limitations of civil service provided by this Charter, if any. All departmental directors not under civil service limitations appointed by the mayor shall be confirmed by the council and may be removed by the mayor as provided herein or in the creating ordinance.

The mayor shall appoint all members of boards and commissions created by this Charter or by ordinance enacted pursuant hereto, except as otherwise specifically provided, and he or she shall fill vacancies on said boards and commissions. Appointments to membership on boards and commissions shall not require confirmation by the council except as the same may be specifically required by this Charter or by ordinance creating such board or commission.

The mayor shall have and may exercise, in person or through agent, all the powers of a fiscal agent and financial officer heretofore possessed by the county judge of Davidson County, acting either under general law or private act. The mayor shall also be vested with and possess all executive powers and functions, exclusive of judicial functions, heretofore performed by the county judge under general law or private act except to the extent that such powers and functions may be vested in other officers or agencies by the provisions of this Charter; and also shall be vested with and possess all executive powers and functions hereafter vested by general law in the office of the county judge.

The mayor shall be authorized at any reasonable time to examine and inspect the books, records, and official papers of any department, board, commission, officer or agency of the metropolitan government; and to attend the meeting of any board or commission and make suggestions thereto.

The mayor is authorized to require any department, board, commission, officer or agency to submit to him or her written reports and information in connection with the business and affairs of the metropolitan government which the same handles or administers; and he or she shall, from time to time, submit reports and recommendations to the council with respect to the financial condition, other business and general welfare of the metropolitan government.

The mayor shall submit an annual budget as provided for in article 6 of this Charter.

The mayor is authorized to call special meetings of the council as provided for in section 3.04 of this Charter. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 5.04. Mayor's veto power; veto of items in appropriations and budget.

The mayor is authorized to approve or to disapprove ordinances and resolutions adopted by the council and no ordinance or resolution shall become effective without his or her approval except as herein provided. Every ordinance or resolution adopted by the council shall be presented to the mayor for his or her consideration. If he or she approves, he or she shall sign the same, and it shall become effective according to the terms thereof. If he or she disapproves, he or she shall return the same to the council without his or her signature, which return may be accompanied by a message indicating the reasons for his or her disapproval. Any resolution or ordinance so disapproved shall become effective when subsequent to its return it shall be adopted by two-thirds (2/3rds) of all the members to which the council is entitled, with the ayes and noes and the names of the councilmembers voting for and against the same entered on the minutes. Every resolution or ordinance shall become effective unless the same be approved or disapproved by the mayor and returned to the council at or prior to the next regular meeting of the council occurring ten (10) days or more subsequent to the date when the same was delivered to his or her office for consideration.

The mayor, while approving other portions of an ordinance, may reduce or disapprove the sum of money appropriated by any one or more items, or parts of items, in any ordinance appropriating money, except for debt service, employee benefits or independent audits, such power to be exercised with return of the ordinance to the council within the time prescribed for disapproval of ordinances generally, accompanied by written explana-

tion of the reasons for disapproval or reduction. The one or more items or parts of items disapproved or reduced shall be void to the extent that they have been disapproved or reduced unless any such item or parts of items so disapproved or reduced shall be restored to the ordinance in the original amount and become effective by adoption by the council according to the rules and limitations prescribed for the passage of other ordinances over the mayor's veto. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 5.05. Election of vice mayor; presiding officer of council; succession beyond vice mayor.

The vice mayor shall be elected for a term of four (4) years and until his or her successor is elected and qualified. He or she shall possess the qualifications of the mayor and shall be compensated at the rate of forty-two hundred ($4,200) dollars per annum, payable semi-monthly. In the event the office of mayor becomes vacant, the vice mayor shall serve as mayor and be compensated as such until the vacancy is filled as provided in section 15.03 of this Charter. If the vice mayor becomes unable or unwilling to serve as mayor, the council shall nominate and elect a successor to serve as mayor until a mayor is subsequently qualified and elected. The successor:

A. shall be elected by winning a majority of votes, where "majority" is defined as one vote more than half of all the members to which the council is entitled with the exception of any seat which is vacant. If no nominee receives a majority of the votes, the nominee who receives the lowest number of votes shall be eliminated (or, in the event of a tie for last place, all nominees obtaining that number of votes shall be eliminated) and another round of voting shall be held. This process will continue until a nominee receives a majority of votes. In the event of a tie where all candidates receive the same number of votes, a ten-minute recess shall be called and another vote shall be held with the same nominees eligible to receive votes;

B. shall be legally qualified to hold office as mayor per Section 5.02 of this Charter; and

C. shall not be eligible to file a nominating petition for the subsequent election for mayor or the subsequent election for vice mayor. (Amended by Res. No. RS2018-1314 (Amdt. A), referendum election November 6, 2018, Amdt. 2)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 5.06. Limitation on terms of service.

No mayor elected and qualified for two (2) consecutive four (4) year terms, in accordance with section 1.07 of the Metropolitan Charter, which limits holders of elected office authorized or created by this Charter to two (2) consecutive terms, shall be eligible for the succeeding term. (Amended by Res. No. RS2006-1487 (Amdt. 3), referendum election of November 7, 2006, Amdt. 4)

Sec. 5.07. Pension for mayor.

After the mayor shall have served two (2) full terms, he or she shall receive an annual pension equivalent to ten (10%) percent of his or her salary during the last year of his or her second term, and after he or she shall have served three (3) full terms (in lieu of the lesser pension) he or she shall receive an annual pension equivalent to twenty-five (25%) percent of his or her salary during the last year of his or her third term. The amount of this pension shall not be increased by subsequent years of service as mayor. The pension herein provided shall be suspended during any subsequent period that the mayor shall be a compensated officer or employee of the metropolitan government and, if accepted, shall be in lieu of any pension which said mayor may be entitled to receive from the metropolitan government by reason of service as an officer or employee of the City of Nashville.

Any pension which a person may be entitled to receive from the metropolitan government by reason of services as mayor of the City of Nashville shall also be suspended during the period that such person shall be a compensated officer or employee of the metropolitan government. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 5.08. Oath of office.

Every person who shall serve in the office of mayor or vice mayor, shall, before entering on the duties of that office, take an oath to support the Constitution of this State, the Constitution of the United States, and the Charter of the Metropolitan Government of Nashville and Davidson County. (Added by Res. No. RS2018-1314 (Amdt. D), referendum election November 6, 2018, Amdt. 4)

ARTICLE 6. THE BUDGETS AND FINANCIAL MATTERS[5]

5. Sheriff, as an officer of the metropolitan government, is subject to and bound by the budgetary provisions of the *Metropolitan Charter. Metropolitan Government* v. *Poe*, 215 Tenn. 53, 383 S.W. 2d 265 (1964).

Sec. 6.01. Fiscal year.

The fiscal year of the metropolitan government shall begin on the first day of July of each year and shall end on the thirtieth day of June next following. Said fiscal year shall constitute the budget year and the year for financial accounting and reporting of each and every office, department, institution, activity and agency of the metropolitan government; but the aforesaid provision shall be in addition to, and not in lieu of, any accounting and reporting required of any official or agency by state or federal laws.

Sec. 6.02. Preparation of annual operating budget.

The director of finance shall obtain from all officers, departments, boards, commissions and other agencies for which appropriations are made by the metropolitan government, or which collect revenues for such government, such information as shall be necessary for him or her to compile the annual operating budget; and it shall be the duty of all such officers, departments, boards, commissions and agencies to furnish the director such information as he or she may require at such time or times and in such form as the director may prescribe.

Not later than March 1st prior to the end of each fiscal year, said director shall distribute to each of the agencies identified in the preceding paragraph all forms necessary for the preparation of the operating budget for the succeeding fiscal year. Such forms shall be returned to the director with the information desired not later than two months prior to the end of the current fiscal year. On the basis of the information so received and otherwise secured by him or her, said director shall prepare and transmit to the mayor a proposed operating budget for the next fiscal year of the kind and scope set forth in section 6.03 hereof. In preparing the proposed budget, the director may revise, as he or she may deem necessary, the estimates or requests made by the various officers, departments, boards, commissions and agencies, but any such agency shall be entitled to a hearing before the director with reference to any contemplated changes in its budget requests or estimates. (Amended by Res. No. RS2006-1487 (Amdt. 4), referendum election of November 7, 2006, Amdt. 5; Res. No. RS2008-404, § 1(Amdt. 1), referendum election 11-4-08; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 6.03. Scope of the annual operating budget.

Section I of the annual operating budget shall apply only to the general services district and shall deal with those services and functions appertaining to the general services district, as set out by this Charter, or by ordinance of the council.

Section II of the annual operating budget shall apply only to the urban services district and shall deal with those services and functions appertaining to such urban services district, as set out in this Charter, or by ordinance of the council.

Each of the above described sections of the annual operating budget shall contain with respect to each of the operating funds of the metropolitan government to which they are applicable:

(a) An estimate of the unencumbered fund balance or deficit at the beginning of the ensuing fiscal year, and the amount of any reserves for designated purposes or activities includable in the operating budget.

(b) A reasonable estimate of revenues to be received during the ensuing year, classified according to source; but the estimated revenues from current and from delinquent property taxes shall not exceed the percentage of the total receivable from each such source collected during the last completed fiscal year; or the current fiscal year.

(c) Proposed expenditures for each organizational unit and activity in accordance with the established classification of accounts, including those capital outlays which are to be financed from the revenues of the ensuing year, and including all debt service requirements in full for such fiscal year payable from such fund.

In no event shall the total proposed expenditures from any fund exceed the total anticipated revenues plus the estimated unappropriated surplus, or fund balance, and applicable reserves and less any estimated deficit at the end of the current fiscal year.

Sec. 6.04. Review and revision of operating budget by mayor; submission to council; budget as public record; distribution of copies.

The mayor shall review the operating budget submitted to him or her by the director of finance, and may make any revisions in such budget as he or she may deem necessary or desirable, before it is submitted to the council for consideration.

Not later than May 1st, the mayor shall submit to the metropolitan council the operating budget as approved by him or her in the form and with the contents specified in section 6.03 hereof, together with a message explaining such budget, describing its important features, and outlining the proposed financial policies of the metropolitan government for the ensuing fiscal year and

setting forth the reasons for any significant changes in policy or budgetary allocations. The mayor shall further provide the following:

A. performance and efficiency measurements, as determined by the director of finance, for departments, boards, commissions and other agencies for which appropriations are made by the metropolitan government. The director of finance shall have discretion to omit those departments, boards, commissions and other agencies whose functions, duties and/or responsibilities are not conducive to quantifiable performance and efficiency measurements;

B. the total principal amount of debt of the metropolitan government then outstanding, excluding those items set forth in subsection (E) herein;

C. a comparison of such total principal amount of debt to the total principal amount of debt outstanding as of the same date of the previous calendar year (expressed in both dollar and percentage terms);

D. a calculation of debt per capita, based on such total principal amount of debt and the population of the metropolitan government, as most recently published; and

E. a summary of the total amount of authorized but unissued general obligation bonds for which short term debt has been issued in the form of commercial paper, bond anticipation notes, or capital outlay notes; and a summary of all debt authorized pursuant to an initial general obligation bond resolution for which no short term debt has been issued.

F. As used herein, the term "debt" shall include only (i) general obligation indebtedness and (ii) indebtedness which does not constitute general obligation indebtedness but which is payable from and/or secured by a pledge or other commitment of all or any portion of the metropolitan government's general fund; in either case, whether such indebtedness is in the form of bonds, notes, commercial paper, or other instrument.

The mayor shall promptly cause copies of the budget and the budget message to be prepared for distribution to interested persons, and a summary of the budget shall be published in each of the daily newspapers in the area of the metropolitan government. The operating budget, as well as the capital improvements budget hereinafter provided for, the budget message, and all supporting schedules shall be public records in the office of the metropolitan clerk and shall be open to public inspection. (Amended by Res. No. RS2006-1487 (Amdt. 4), referendum election of November 7, 2006, Amdt. 5; Res. No. RS2008-404, § 1(Amdt. 1), referendum election 11-4-08; amended by referendum election of November 6, 2018, Amdt. 6; amended by Res. No. RS2019-1720 (Amdt. 1) on August 1, 2019)

Sec. 6.05. Hearings by council.

After the council shall have passed the budget ordinance on first reading, it shall hold hearings on the proposed operating budget, as well as on the capital improvements budget as provided in section 6.13 hereof, but the hearing on the capital improvements budget shall be heard prior to those on the proposed operating budget, and the hearings on either budget may be adjourned from time to time. Budget hearings shall be advertised in a daily newspaper of general circulation published in the area of the metropolitan government at least seven days prior to the date or dates set for the beginning of such public hearings.

Sec. 6.06. Action by council on operating budget.

After the conclusion of the public hearings, the council may amend the operating budget proposed by the mayor; except, that the budget as finally amended and adopted must provide for all expenditures required by law or by other provisions of this Charter and for all debt service requirements for the ensuing fiscal year as certified by the director of finance. Neither shall the council alter the estimates of receipts or other fund availability included in the budget document except to correct errors and omissions, in which event a full explanation shall be spread on the minutes of the council. In no event shall the total appropriations from any fund exceed the estimated fund balance, reserves and revenues, constituting the fund availability of such fund.

The council shall finally adopt an operating budget for the ensuing fiscal year not later than the thirtieth day of June, and it shall be effective for the fiscal year beginning on the following July 1st. Such adoption shall take the form of an ordinance setting out the estimated revenues in detail by source and making appropriations according to fund and by organizational unit, purpose or activity as set out in the budget document. If the council shall fail to adopt a budget prior to the beginning of any fiscal year, it shall be conclusively presumed to have adopted the budget as submitted by the mayor.

A copy of the adopted budget, certified by the metropolitan clerk, shall be filed in the office of the director of finance.

The amount set out in the adopted operating budget for each organizational unit, purpose or activity shall constitute the annual appropriation for such item, and no expenditure shall be made or encumbrance created in excess of the otherwise unencumbered balance of the

appropriation, or allotment thereof, to which it is chargeable. This shall not preclude the impoundment of funds or additional appropriations as provided herein.

Sec. 6.07. Property tax levies.

The council shall levy an annual tax on real and personal property and merchants' ad valorem in the general services district, and the tax levy ordinance shall be the next order of business of the council after the adoption of the operating budget. The tax rate set by such ordinance shall be in two (2) parts; the general tax rate and the school tax rate.

The general tax rate set by such ordinance shall be such that a reasonable estimate of revenue from the levy shall at least be sufficient, together with other anticipated revenues, fund balances, and applicable reserves, to equal the total amount appropriated with the exception of the amount appropriated for schools and to provide in addition, a reasonable amount of working capital for each of the several funds.

The school tax rate set by the ordinance shall be such that a reasonable estimate of revenue from the levy shall at least be sufficient, together with other anticipated revenues, fund balances, and applicable reserves, to equal the total amount appropriated for schools and to provide in addition, a reasonable amount of working capital.

After the council has approved the annual operating budget of the urban services district, said council shall determine and declare the amount of revenue which must be produced from a tax levy upon the real and personal property and merchants' ad valorem within the urban services district. The urban council shall thereupon convene and it shall have a mandatory obligation by resolution to levy a property tax adequate with other available funds to finance the budget for urban services, as determined by the council; subject, however, to the requirements of section 1.04 of this Charter with respect to the tax on property in the newly annexed areas.

The willingness and ability of citizens to bear the burden of tax increases should always be considered. Therefore, notwithstanding any provisions above, real

property tax rates shall not exceed the maximum rates approved by the voters of the county in a referendum. Such referendum may be authorized either by the mayor or by a majority vote of the council no more than once each calendar year pursuant to Tennessee Code Annotated section 2-3-204. The referendum shall read "The maximum real property tax rates for Davidson County shall be increased to:" followed by a list of rates. Voters shall be provided the two choices of FOR and AGAINST. The real property tax rates in effect as of November 7, 2006, shall be the maximum rates allowed until the first referendum occurs. (Amended by Amdt. 1 to referendum petition approved November 7, 2006)

Sec. 6.08. Allotments of appropriations.

All appropriations contained in the current operating budget shall be allotted by the director of finance on a quarterly basis, and it shall be his or her duty to make such allotments promptly at the beginning of each quarter of the fiscal year. Such allotments shall be based upon estimated needs, and in the determination of such need the director of finance may require all spending agencies to submit allotments requests on such forms as he or she may prescribe. Such allotments shall constitute authorizations for expenditure or encumbrance, and no expenditure shall be made or encumbrance created, but in pursuance of an allotment, and within the otherwise unencumbered balance of such allotment. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 6.09. Impoundment of funds.

Upon certification of the director of finance that the revenues or other resources actually realized with respect to any fund are less than was anticipated and are insufficient to meet the amounts appropriated from such fund, it shall be the duty of the mayor to impound such appropriations as may be necessary to prevent deficit operation.

Sec. 6.10. Additional appropriations.

The metropolitan council may make appropriations in addition to those contained in the current operating budget, at any regular or special meeting called for such purpose, but any such additional appropriation may be made only from an existing unappropriated surplus in the fund to which it applies.

Sec. 6.11. Transfer of appropriations.

On request of any department head, and with his or her consent, the mayor may transfer the unencumbered balance of any appropriation, or any portion thereof, for any purpose or activity to the appropriation for any other purpose or activity within the same department, but the same shall not be available for encumbrance or expenditure until it shall have been allotted by the director of finance.

At the request of the mayor, but only at the end of any quarter of the fiscal year, the council may by resolution approved by a majority of the membership of the council transfer the unencumbered balance of any appropriation, or any portion thereof, to another appropriation within the same section of the budget and within the same fund. However, the council shall not make transfers of appropriations at any time between the general services district and the urban services district, or transfer moneys from any operating fund to another fund. Provided, however, that this stipulation shall not apply to the discharge of obligations existing between governmental agencies financed from one fund and those financed through another fund, nor to the transfer of moneys from operating funds to agency or trust funds, covering collections to be expended through such agency or trust funds, nor to the transfer of the unappropriated surplus in bond funds to the debt service funds set up to retire such bond, nor to such other transfers between funds as may be authorized by law. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 6.12. Lapse of appropriations.

All unencumbered balances of appropriations in the current operating budget at the end of the fiscal year shall lapse into the unappropriated surplus or reserves of the fund or funds from which such appropriations were made.

Sec. 6.13. Capital improvements budget.

The director of finance shall obtain annually from all officers, departments, boards and commissions and other agencies requesting funds from the metropolitan government for capital improvements, such information as the planning commission shall require to enable it to prepare the capital improvements budget. This data shall be delivered to the planning commission not later than four months prior to the end of the fiscal year. The capital improvements budget shall include a program of proposed capital expenditures for the ensuing fiscal year and the next five fiscal years thereafter, accompanied by the report and recommendations of the metropolitan planning commission with respect to the program. Section I of the capital improvements budget shall present proposed general services district projects. Section II shall present proposed urban services district projects. The mayor shall submit the capital improvements budget to the council not later than May 15th and shall recommend those projects to be undertaken during the ensuing fiscal year and the method of financing them, noting the

impact on the debt structure of the metropolitan government and shall include in the appropriate current operating budget any projects to be financed from current revenues for the ensuing fiscal year.

The council shall have power to accept, with or without amendment, or reject, the proposed program and proposed means of financing. The council shall not authorize an expenditure for the construction of any building, structure, work or improvement, unless the appropriation for such project is included in its capital improvements budget, except to meet a public emergency threatening the lives, health or property of the inhabitants, when passed by two-thirds vote of the membership of the council. The capital improvements budget must be acted upon finally by the council not later than the fifteenth day of June following its submission.

The mayor may submit amendments to the capital improvements budget at any time during the year, accompanied by the recommendation thereon of the planning commission, which amendments shall become effective when adopted by a two-thirds vote of the membership of the council.

Sec. 6.14. General fund reserve.

From all original moneys collected during any year, before making a budget ordinance, there shall be deducted four (4%) percent of the gross amount of the general fund revenue of the general services district, which sum shall be placed in an account to be known as the general fund reserve and shall be kept separate and apart from other funds of the metropolitan government.

The mayor and council may by resolution make appropriations from said funds for the purchase of equipment for any department of the metropolitan government or for repairs to any building owned by any department of the metropolitan government; provided, however, that no appropriations shall be made from this fund to any department not deriving its operating funds from the general fund budget.

From all moneys collected during any year, and after making provisions for the four (4%) percent of the gross amount of the general fund revenue that shall establish the general fund reserve of the metropolitan government, there shall be next provided a sufficient amount, not to be less than fifty thousand ($50,000) dollars, to be placed in and constituted the metropolitan government advance planning and research fund for the use of the metropolitan planning commission of the metropolitan government in the preparation, in advance, of plans for capital projects, and for the making of such studies and the doing of such research as is by the metropolitan planning commission deemed necessary in the performance of the duties and responsibilities given it by the Metropolitan Charter and general law. No expenditures shall be made from said fund except by resolution of the metropolitan planning commission, and in no case shall expenditures be made therefrom for the payment of budgetary items or matters not concerned with research and advance planning. The resolution of the metropolitan planning commission as to capital projects shall precisely define the projects concerned and amounts expended in the planning of such projects shall be provided for in the financing of construction of same and, upon the commencement of construction, the metropolitan government advance planning and research fund shall be repaid those sums and moneys expended from it in the advanced planning of such project. From all moneys collected during any year, and after the making of provision for the four (4%) percent of the gross amount of the metropolitan government's general fund revenue flowing into the general fund reserve of the metropolitan government, there shall next be provided a sufficient amount, as of the first day of each fiscal year, to bring the unencumbered balance on hand in the metropolitan government advance planning and research fund created herein to the minimum sum of fifty thousand ($50,000) dollars.

By ordinance, the council may create a contingent reserve fund not to exceed four (4%) percent of the general fund revenue of the urban services district. The mayor and council may by resolution make appropriations from said fund for the purchase of equipment for any department of the metropolitan government or for repairs to any building owned by any department of the metropolitan government which equipment or buildings are used primarily for the furnishing of services herein defined as urban services; provided, however, that no appropriations shall be made from this fund to any department not deriving its operating funds from the general fund of the urban services district current operating budget.

Editor's note—Section 6.14 was amended at an election held Aug. 4, 1983.

Sec. 6.15. Post audit.

The council shall provide annually for an independent audit of the accounts and other evidences of financial transactions of the metropolitan government and of its every department, office and agency. The audit shall be made by an accountant or an accounting firm, the members of which have no personal interest, direct or indirect, in the fiscal affairs of the metropolitan government or of any of its departments, offices, or agencies. The designated accountant shall be a certified public accountant, or, if an accounting firm is employed, the

members thereof shall be so certified and thoroughly qualified by training and experience in governmental accounting to perform the audit.

The independent audit shall be made by a firm chosen by a three member audit board. This board shall consist of the presiding officer of the council, the chairman of the finance committee of the council, and the chairman of the metropolitan board of education.

The audit may be conducted on a quarterly or continuing basis and the final report of the annual audit shall be completed as soon as practicable after the close of the fiscal year, and in no event later than four months after the close of the fiscal year. The audit report shall be available to the public and to the press.

The council may at any time order an examination or special audit of any department, office or agency of the government.

ARTICLE 7. BOND ISSUES

Sec. 7.01. Bonds authorized by metropolitan council; purposes of issue.

The council may cause the bonds and other obligations of the metropolitan government to be issued in the following manner and subject to the following restrictions:

The council may in the name and for the use of the metropolitan government issue bonds or other obligations in the manner and to the extent hereinafter provided in this article. Such bonds or other obligations may be issued for the purpose of financing the whole or any part of the cost of any public improvement or property the metropolitan government is authorized by this Charter or any other law to acquire, construct, reconstruct, extend or improve. Two or more improvements or properties may be combined as a single improvement or property for the purpose of the issuance of bonds.

Sec. 7.02. Definitions.

For the purposes of this article, the word "bonds" shall mean and include bonds or other obligations payable from ad valorem taxes or other taxes, or from revenues derived from utilities or other revenue producing enterprises or facilities, or from any other sources, or any combination thereof; the words "revenue bonds" shall mean bonds or other obligations payable in whole or in part from the revenues derived from utilities or other revenue producing enterprises or facilities; and the words "tax bonds" shall mean bonds or other obligations payable in whole or in part from ad valorem taxes. All of the provisions of this article relating to bonds shall apply to all such types of bonds, except where expressly or by necessary implication provided otherwise.

Sec. 7.03. Costs includable; bonds for furnishings and equipment.

In any issue of bonds hereunder, there may be included as part of the cost to be financed from the proceeds of such bonds all engineering, technical and legal fees or expenses, interest upon such bonds during the period of acquisition or construction and for a reasonable period thereafter, fees of fiscal or financial agents or consultants, if any, the acquisition of necessary equipment and furnishings, working funds and reserve funds, and such other items or expenses as are necessary and incidental to the completion and financing of the improvement or property and the placing of the same in operation or use. Tax bonds not to exceed the aggregate principal amount of three hundred thousand ($300,000) dollars outstanding at any one time may be issued for the purpose of acquiring furnishings and equipment for metropolitan government purposes, and such authority to issue such bonds shall be in addition to and not in limitation of the other provisions of this Charter, and the issuance of such bonds shall not be subject to approval of the voters at any referendum.

Sec. 7.04. General tax bonds and urban tax bonds.

Tax bonds may be issued pursuant to this article for the general services district, herein sometimes referred to as "general tax bonds", or for the urban services district, herein sometimes referred to as "urban tax bonds", but the full faith and credit of the metropolitan government shall be pledged for all bonds issued hereunder which are payable in whole or in part from ad valorem taxes. Ad valorem taxes shall be levied and collected in the general services district for the payment of general tax bonds and in the urban services district for the payment of urban tax bonds; provided, however, that the metropolitan government shall be unconditionally and irrevocably obligated to levy and collect ad valorem taxes without limit as to rate or amount on all taxable property in the general services district to the full extent necessary to pay all principal of and interest on all tax bonds, both general tax bonds and urban tax bonds, and the full faith and credit of the metropolitan government shall be pledged for the payment of all tax bonds. In the event, however, that it shall ever become necessary to levy ad valorem taxes in the general services district outside the urban services district for the payment of urban tax bonds, then the amount of such taxes shall be included in the next levy of ad valorem taxes in the urban services district and restored to the tax revenues of the general services district, it being the express intention of this article that the holders of any such tax bonds

shall be entitled to the levy of ad valorem taxes to the full extent necessary on all the taxable property in the general services district, but that as between the general services district and the urban services district, such ad valorem taxes shall be levied in such respective districts for the full amount of debt service on bonds issued for such respective districts.

Sec. 7.05. When bond referendum not required; notice of issue.

No vote or approval of the qualified electors at an election shall be required for the issuance of any tax bonds hereunder if the initial resolution authorizing such tax bonds is adopted by two-thirds of the whole membership of the council, unless within twenty days after the date of the first publication of such initial resolution, with the notice set forth below, in a newspaper published and having general circulation in the area of the metropolitan government, a petition protesting the issuance of such tax bonds signed by at least six per centum of the qualified electors in the general services district in the case of general tax bonds, or in the urban services district in the case of urban tax bonds, is filed in the office of the metropolitan clerk. If a petition protesting the issuance of such tax bonds shall be filed as aforesaid within such twenty day period, then the tax bonds proposed by such initial resolution shall not be issued without the approval of a majority of the qualified electors residing in the general services district in the case of general tax bonds or in the urban services district in the case of urban tax bonds, who vote on a proposition for the issuance of such tax bonds at a regular or special election held in the manner prescribed herein. For the purposes of such election a qualified elector shall be any resident of the metropolitan government residing in the general services district in the case of general tax bonds or in the urban services district in the case of urban tax bonds, who was qualified to vote for members of the general assembly at the general election next preceding the filing of such petition or who is on the date of the filing of such petition then qualified to vote for the members of the general assembly. No qualified elector shall be permitted to withdraw his or her signature from such petition after signing the same. The notice to be published with said initial resolution shall be in substantially the following form:

NOTICE

The foregoing resolution has been adopted. Unless within twenty (20) days from the date of the first publication of this notice a petition signed by at least six . . . . . (6%) percent of the qualified electors residing in the Services District of the Metropolitan Government of Nashville and Davidson County shall have been filed with the Clerk of the Metropolitan Government protesting the issuance of the bonds authorized in such resolution, such bonds will be issued as proposed in said resolution.

_____

Clerk of the
Metropolitan Government

Notwithstanding any of the provisions of this article, the council may, if it desires, call an election as provided herein for the purpose of ascertaining the will of the qualified electors in the general services district or the urban services district, as the case may be, with respect to the issuance of any bonds, whether payable from ad valorem taxes or other taxes, or any other revenues, or a combination thereof. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 7.06. Referendum election after petition of protest.

If the filing of a petition protesting the issuance of any tax bonds with the metropolitan clerk shall result in the necessity of any election on the proposition to issue such tax bonds, the council upon the filing of such petition shall adopt a resolution, herein called the election resolution, which shall direct the holding of an election for the purpose of voting for or against the tax bonds proposed to be issued, said election to be conducted by the Davidson County Election Commissioners as hereinafter provided. Such election resolution shall state the purpose or purposes for which each bond issue is authorized, the amount or maximum amount of the bonds, the maximum number of years for which the bonds are to run, and the maximum rate of interest such bonds are to bear. More than one proposition may be submitted at the same election. Said election resolution shall request the Davidson County Election Commissioners to arrange for the holding of the election on the date specified in the resolution. The election shall thereupon be held, notice thereof given and the results thereof canvassed in the manner provided by the general laws for the holding of elections under the supervision of the election commissioners. After the council has received the official report of the outcome of the election from the election commissioners, the council shall adopt a resolution in which there shall be contained a formal finding of the outcome of the election, which finding shall be conclusive.

No approval of the qualified electors residing in either the general services district or the urban services district at any election shall be required for the issuance of any bonds unless ad valorem taxes shall be pledged

for the payment of all or part of the debt service on such bonds, and the above provisions for a permissive referendum on petition shall not apply to other bonds.

Sec. 7.07. Issuance of bonds under general law.

Bonds may be issued under this article for either the general services district or the urban services district pursuant to any general law of the State of Tennessee now or hereafter in effect and applicable to counties or cities or metropolitan governments in the State of Tennessee, and it is hereby expressly provided that the metropolitan government may issue bonds under the provisions of all such general laws without regard to any limitations or restrictions contained in this Charter. No proceeding for the issuance of such bonds shall be required other than those required by the general law under which such bonds are authorized and no provision of any resolution, ordinance or notice, and no election or opportunity for referendum shall be required except as may be specifically required by the provisions of such general law.

Sec. 7.08. Limitations on urban bonds.

No urban tax bonds shall be issued pursuant to this article which shall cause the total net bonded indebtedness payable from ad valorem taxes incurred for the urban services district (including all tax bonds theretofore issued for the urban services district and then outstanding, and the amount of any tax bonds theretofore issued by the City of Nashville and then outstanding which are allocated to the urban services district by this article), after deduction of all sinking funds on hand for the payment of principal, to exceed fifteen (15%) percent of the assessed valuation of taxable property in the urban services district as last completed and determined prior to the issuance of such tax bonds. In computing the bonded indebtedness incurred for the urban services district for the purpose of this paragraph there shall be excluded:

(a) All urban bonds issued in anticipation of the collection of special assessments whether or not such urban bonds are also payable from ad valorem taxes.

(b) All revenue bonds issued for the urban services district or any part thereof which are payable solely from the revenues derived from the operation of any utility or other revenue producing enterprise or facility.

(c) All urban bonds payable from both ad valorem taxes and revenues derived from the operation of any utility or other revenue producing enterprise or facility, to the extent that such utility or other revenue producing enterprise or facility was self-liquidating during the immediately preceding fiscal year, in that the revenues derived therefrom, after deducting all current expenses of operation and maintenance, were sufficient to pay all principal of and interest on such bonds due in such fiscal year; or if such utility or other revenue producing enterprise or facility was not fully self-liquidating in such fiscal year, then a part of such bonds shall be excluded, which part shall be the same proportion of the total amount of such bonds which the amount of net revenues derived from such utility or revenue producing enterprise or facility in such fiscal year bears to the amount of net revenues which would have been required to make such utility or revenue producing enterprise or facility fully selfliquidating in such fiscal year.

(d) Urban bonds issued under the authority of any general law of the State of Tennessee as distinguished from urban bonds issued under sole authority of this article.

(e) Urban bonds not exceeding two hundred thousand ($200,000) dollars in any year, issued to provide funds to repair or to replace any public building, work or structure rendered unsuitable for use by disaster when determined by the council to be essential to the public health, safety or convenience.

(f) Urban tax bonds in the aggregate principal amount of three hundred thousand ($300,000) dollars issued for the purpose of acquiring furnishings and equipment for metropolitan government purposes.

No approval of qualified electors at an election shall be required for the issuance of any of the bonds referred to in subparagraphs (a) to (f) above, and the referendum upon petition provisions of this article shall not apply to such bonds.

Sec. 7.09. Amount and purpose; obligations; form issuance.

(a) The metropolitan government may issue its bonds or notes in such principal amounts as it shall deem necessary for any of its purposes.

(b) The bonds or notes shall be payable and secured by such source or sources of payment as set forth in the resolution of the council authorizing the issuance of such bonds or notes.

(c) Bonds or notes of the metropolitan government shall be authorized by resolution of the council and may be issued in one or more series and shall bear such date or dates, mature at such time or times, bear interest at such rate or rates of interest per annum within such maximum rate as shall be mandated by general law applicable to the metropolitan government, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, be secured and have such rank or priority, be sold and executed in such manner, be payable from such sources in such medium of payment

at such place or places within or without the state, and be subject to such terms of redemption, with or without premium, as the resolution provides.

Editor's note—Former § 7.09 was deleted and a new § 7.09 was substituted at an election held Aug. 4, 1983.

Sec. 7.10. Metropolitan bonds negotiable and tax exempt.

All bonds of the metropolitan government shall be and constitute and have all the qualities and incidents of negotiable instruments under the law merchant and the negotiable instruments law of the State of Tennessee, regardless of the source or sources of payment of such bonds. No bonds issued hereunder shall be invalid for any irregularity or defect in the proceedings for the issuance and sale thereof, and all such bonds, upon the delivery thereof and payment therefor, or exchange in the case of refunding bonds, shall be conclusively deemed to be the valid and legally binding obligations of the metropolitan government in accordance with the terms thereof, and shall be incontestable in the hands of the purchasers or holders from time to time thereof.

All bonds of the metropolitan government, and the interest thereon, and all properties, revenues and other assets of any utility or other revenue producing enterprise or facility of the metropolitan government shall be exempt from all taxation by the State of Tennessee, or any county, municipality, political subdivision or taxing agency thereof, except for inheritance, transfer and estate taxes.

Sec. 7.11. Refunding bonds.

Bonds may be issued hereunder for the purpose of refunding not more than a like principal amount of any outstanding bonds of the metropolitan government, including any bonds heretofore issued by the County of Davidson or the City of Nashville. Such refunding bonds may be issued without regard to the amount of bonded indebtedness of the metropolitan government, either for general bonds or urban bonds, and without the necessity of the approval of the qualified electors or the holding of any election, and shall not be subject to the referendum on petition provisions of this article. Where the bonds to be refunded have become due, or become due or are called for redemption not more than six months after the delivery of the refunding bonds, the refunding bonds may be delivered and the proceeds thereof escrowed with the fiscal agent of the metropolitan government for the payment of the bonds to be refunded in such manner as the council may prescribe.

Sec. 7.12. Sale.

All bonds issued under this article, except revenue, refunding and special tax bonds, shall be sold by the council at public sale to the highest responsible bidder, after such advertisement as may be prescribed by the council.

Editor's note—Section 7.12 was amended at an election held Aug. 4, 1983.

Sec. 7.13. Temporary financing.

The council may provide for temporary financing of any improvement or property by the issuance of bond anticipation notes in anticipation of the sale of bonds which have been duly authorized hereunder or under any other law, but all such bond anticipation notes, including any renewals thereof, shall finally mature not later than three years from the date of the original notes. All such bond anticipation notes shall have the same security as the bonds in anticipation of which such notes are issued. The council may also provide for the issuance of interim certificates or temporary bonds pending the delivery bonds which have been duly awarded and sold. The council shall prescribe the dates of issue and maturity, form and all other details of such bond anticipation notes, interim certificates or temporary bonds. The council may also provide that short term financing be done with competitive bidding on the open market.

Sec. 7.14. Bonds issued by resolution of council; notice of right to contest.

All bonds issued under this article shall be authorized by resolution or resolutions adopted by a majority vote of all the members of the council, at any properly convened regular, adjourned or special meeting, which may be the same meeting at which they are introduced. No publication of any resolution, proceeding or notice shall be necessary, except as specifically required by this article.

The council in the resolution authorizing any bonds may provide that after the adoption of such resolution there shall be published in a newspaper published and having general circulation in the area of the metropolitan government, a notice in substantially the following form:

NOTICE

On . . . . . ., 19. . ., the Metropolitan Council of the Metropolitan Government of Nashville and Davidson County adopted a resolution authorizing the issuance of $. . . . . bonds for the purpose of. . . . . ., a copy of which said resolution is on file in the office of the Metropolitan Clerk and open to inspection by any voter or citizen residing in the area of the Metropolitan Government.

For a period of twenty (20) days following the date of the first publication of this notice, any taxpayer or other interested person may file an appropriate suit or proceeding questioning the validity of the bonds proposed to be issued or the legality of the proceedings had in the authorization of such bonds. After the expiration of said twenty days, no one shall have any cause or right of action to contest in any court the legality of said bonds or proceedings or the power and obligation of the Metropolitan Government to pay said bonds from the taxes or other revenues provided in such proceedings or bonds.

_____

Metropolitan Clerk

In the case of tax bonds, however, such notice shall not be published until after the expiration of the period for the filing of a petition for a referendum, or, if such petition shall be filed, then not until after the approval of such bonds at such referendum.

If, pursuant to direction of the council, such notice is published, no one shall have any cause or right of action after the expiration of said twenty-day period, to contest the legality, formality or regularity of such bonds or proceedings in any court for any cause whatsoever, and the authority to issue such bonds, the legality thereof and the legality of the taxes or other revenues pledged to pay the same, shall be conclusively presumed, and no court shall have any jurisdiction or authority to inquire into such matters.

Sec. 7.15. Bond proceeds constitute trust fund.

The proceeds of the sale of bonds issued under the provisions of this article shall constitute a trust fund, and each issue shall be accounted for separate and apart, to be used exclusively for the purpose or purposes for which said bonds are authorized; but the purchaser of such bonds shall be under no obligation or responsibility to see to the application thereof, and the manner of an application of such proceeds shall in no way affect the rights, remedies or security and sources for payment of the holders of such bonds.

Sec. 7.16. Unissued bonds of county or city.

Any bonds duly authorized but unissued by the County of Davidson or the City of Nashville at the effective date of this Charter[6] may be issued in the name of and sold by the metropolitan government in accordance with the provisions of the statutes and resolutions under which such bonds were authorized in the same manner and with like effect as though this Charter had not been enacted, it being the intent hereof that the enactment of this Charter shall in no way affect or impair the right of the metropolitan government to complete the sale and issuance of such bonds.

6. April 1, 1963.

Sec. 7.17. Revenue bonds.

In addition to revenue bonds authorized to be issued by any other provision of this Charter or by the provisions of any general law of the State of Tennessee, the council shall have power to authorize the issuance of revenue bonds to finance all or part of the cost of any utility or other revenue producing enterprise or facility, where such revenue bonds are to be payable in whole or in part from the revenues of such utility or other revenue producing enterprise or facility, and to pledge all or any part of such revenues for the payment of such revenue bonds. All of the applicable provisions of this article shall be complied with in the issuance of such revenue bonds. The council may in the proceedings authorizing the issuance of such revenue bonds make and enter into valid and binding covenants with the holders of such revenue bonds including, but not limited to, the appointment of trustees to hold and secure the proceeds of such revenue bonds and such revenues and the application thereof, the fixing and revision of the fees, rates or other charges for the services and facilities of such utility or other revenue producing enterprise or facility, including reasonable margins of safety, the creation and maintenance of reserve funds, sinking funds and depreciation funds, the appointment of a receiver in case of defaults in payment of debt service or performance of such covenants and such other covenants as are deemed necessary and advisable for the marketability of such revenue bonds and the security of the holders thereof.

Sec. 7.18. Combined tax and revenue bonds.

The council may also issue combined tax and revenue bonds if deemed advisable, or pledge any other security permitted by law to the payment of such revenue bonds in addition to such revenues from such utility or other revenue producing enterprise or facility; provided, however, that if ad valorem taxes are pledged for the payment of all or any part of bonds for which such revenues are also pledged, the provision for a referendum on petition on issuance of tax bonds provided herein shall apply to such revenue bonds for which ad valorem taxes are also pledged.

Sec. 7.19. Refunding revenue bonds.

The council shall also have power to issue refunding revenue bonds to refund any revenue bonds theretofore issued, including any revenue bonds theretofore issued

by the County of Davidson or the City of Nashville, or to issue refunding and improvement revenue bonds for the combined purpose of refunding outstanding revenue bonds and to finance additions, extensions and improvements to such utility or other revenue producing enterprise or facility, and all of the applicable provisions of this article shall be complied with in the issuance of said refunding revenue bonds or combined refunding and improvement revenue bonds.

Sec. 7.20. Debt service funds.

There shall be a general services district debt service fund and an urban services district debt service fund for the amortization of general bonds and urban bonds respectively, including bonds issued prior to the effective date of this Charter by the County of Davidson and the City of Nashville which have been allocated to such districts under the provisions of this article. Such debt service funds shall consist of the cash and securities in the debt service funds for bonds issued by the County of Davidson and the City of Nashville prior to the effective date of this Charter and such funds hereinafter required to be paid into such funds and the interest earned on the investment thereof. The debt service funds for the bonds heretofore issued by the County of Davidson and the City of Nashville shall be transferred to the debt service fund of the district to which such bonds are allocated by this article. Nothing contained herein, however, shall affect any debt service funds for any revenue bonds or other bonds which are required by the proceedings which authorized any bonds to be maintained as separate and segregated debt service funds for such bonds, and such sinking funds shall be transferred to the metropolitan government and segregated and maintained in the manner provided in the proceedings which authorized the issuance of such bonds.

All such debt service funds may be invested only in bonds which are full faith and credit general obligations of the metropolitan government, the State of Tennessee, the County of Davidson, the City of Nashville, the United States of America, or in such securities as may be provided in the proceedings which authorized such bonds.

There shall be included in the annual tax levy ordinances for the general services district and the urban services district, over and above all other taxes assessed therein, a sum sufficient to meet the interest and redemption charges on all tax bonds due or to be paid in the ensuing year and issued for or allocated to such districts respectively, together with a sum sufficient to reimburse the general fund for any appropriation made or to be made therefrom for the payment of any such interest or redemption charges.

All moneys paid into any debt service fund shall be used exclusively for the purchase, retirement or payment of the outstanding bonds for which such debt service funds are created and maintained, and the metropolitan treasurer shall keep a record of all receipts and disbursements of the debt service funds and shall report the same to the mayor and council quarterly in each fiscal year.

Should any levy for debt service fund purposes, except in the case of bonds payable solely from revenues, fail for any reason whatsoever to provide sufficient funds to meet the redemption and interest charges for bonds in any year, sufficient amounts shall be paid from either the general fund of the general services district or the urban services district for such redemption and interest charges, subject to reimbursement from subsequent levies in the general services district or the urban services district, as the case may be.

If either the general services district debt service fund or the urban services district debt service fund shall accumulate a surplus sufficient to retire bonds callable and chargeable to such funds, the metropolitan treasurer, with the approval by resolution of the mayor and council, may purchase any of such bonds at a price not exceeding the redemption price thereof on the next ensuing redemption date or may call for prior redemption any of such bonds on the next ensuing redemption date in the manner provided in the proceedings which authorized the issuance of such bonds.

The metropolitan treasurer shall deduct monthly, or cause to be deducted monthly, the amounts realized from the inclusion in the annual tax levy ordinances of the general services district and the urban services district of the necessary sums in conformity with the subject to the above debt service fund provisions and shall deposit, or cause to be deposited, the same in the metropolitan government depositories to the credit of the appropriate district debt service fund accounts, which funds shall be kept separate and apart from all other funds of the metropolitan government.

All bonds issued prior to the effective date of this Charter by the County of Davidson, and all bonds authorized but unissued by the County of Davidson at the effective date of this Charter and thereafter issued by the metropolitan government, shall be allocated to the general services district and the principal of and interest on such bonds shall be paid from ad valorem taxes or other revenues collected in the general services district.

All bonds issued prior to the filing date of this Charter by the City of Nashville, except for the bonds described in the next paragraph, shall be allocated to the general services district and the principal of and interest on such bonds shall be paid from ad valorem taxes or other revenues collected in the general services district,

and it is hereby found and determined that all such bonds were issued to finance all or part of the cost of improvements or properties which render or will render services or benefits to all or substantially all the inhabitants of the general services district. All debt service funds for such bonds shall be transferred to the general services district debt service fund.

The following described bonds issued prior to the filing date of this Charter by the City of Nashville shall be allocated to the urban services district and the principal of and interest on such bonds shall be paid from ad valorem taxes or other revenue collected in the urban services district:

Any bonds issued by the City of Nashville after the filing date of this Charter and before the effective date of this charter, and any bonds authorized but unissued by the City of Nashville at the effective date of this Charter and thereafter issued by the metropolitan government, shall be allocated either to the general services district or the urban services district in such manner and amounts as the council shall determine, consistent with the allocation of functions between the general and the urban services districts, and the principal of and interest on such bonds shall be paid from ad valorem taxes or other revenues collected in the district so determined by the council.

Any revenue bonds issued prior to the effective date of this Charter by the County of Davidson or the City of Nashville, and any revenue bonds authorized but unissued by said county or said city at the effective date of this Charter and thereafter by the metropolitan government, shall be payable as to principal and interest from the revenues or other sources and in the manner provided in the proceedings which authorized the issuance of such revenue bonds.

Neither the allocation of bonds to the general services district or the urban services district nor any of the other provisions of this charter shall impair or diminish any of the rights, remedies or security and sources for payment of any of such bonds or revenue bonds issued by the County of Davidson or the City of Nashville prior to the effective date of this Charter, or authorized but unissued by the County of Davidson or the City of Nashville at the effective date of this Charter and thereafter issued by the metropolitan government, and such holders of such bonds or revenue bonds shall have and be entitled to enforce any and all rights, remedies and security and sources for payment granted such holders by the proceedings which authorized the issuance of such bonds or revenue bonds as fully and to the same extent as if this Charter had not been adopted.

ARTICLE 8. METROPOLITAN DEPARTMENTS

CHAPTER 1. DEPARTMENT OF METROPOLITAN FINANCE

Sec. 8.101. Created; functions.

There shall be a department of metropolitan finance, which shall consist of the director thereof, of other personnel hereinafter mentioned and of such other positions and employees as may be provided by ordinance or by regulations of the director consistent with ordinance. The department of finance shall administer the financial affairs of the metropolitan government in accordance with the provisions of this Charter and applicable ordinances.

Sec. 8.102. Director of finance—Qualifications, appointment and compensation.

The director of finance shall have proven administrative ability and a well founded reputation in public finance, or a record of exceptional performance for at least five (5) years as a comptroller or financial head of a large business. The mayor shall appoint the director of finance subject to confirmation by a majority of the whole membership of the council. He or she shall serve at the pleasure of the mayor making the appointment and until his or her successor is qualified. The director's salary shall be fifteen thousand ($15,000) dollars per annum, payable semimonthly. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.103. Same—Powers and duties.

The director of finance shall be responsible to the mayor for the administration of the financial affairs of the metropolitan government, and to that end shall supervise the division of budgets, the division of accounts, the division of collections, the division of treasury, the division of purchases, and such other units as may be established by ordinance.

The director of finance or his or her designated divisional director shall:

(a) Compile for the mayor the current budget of estimated revenues and proposed expenditures for each of the operating funds of the metropolitan government; and assist in the preparation of the capital improvements budget, as provided by section 6.13 of this Charter.

(b) Maintain accounting systems for the general services district and the urban services district of the metropolitan government, and for each department, office and agency thereof, in accordance with generally recognized governmental accounting principles and procedures, keeping accounting records for and exercising financial and budgeting control over such department, office or agency.

(c) Prescribe the accounts to be kept by all departments, offices and agencies of the metropolitan government, the form of receipts, vouchers, bills or claims, warrants, requisitions, purchase orders or any financial stationery to be used, and provide suitable instructions for the use thereof, and to review and approve the forms and procedures of the trustee and the tax assessor.

(d) Prescribe the times and the manner in which moneys received by any department, office or agency shall either be paid to the metropolitan treasurer or deposited in a bank account to the credit of the metropolitan government.

(e) Examine all contracts, purchase orders and other documents which would result in or involve financial obligations against the metropolitan government, and approve the same only upon ascertaining that there is an unexpended, unencumbered and unimpounded balance in each such appropriation and allotment to which they are applicable, sufficient to cover such potential obligation.

(f) Audit before payment all bills, invoices, payrolls and other claims, demands or charges against the metropolitan government and approve the same only if proper, legal and correct, and duly authorized by appropriations or allotments of appropriations.

(g) Periodically inspect and audit the accounts and records of financial transactions maintained in each department, office and agency of the metropolitan government.

(h) Submit a monthly financial report to the mayor, for presentation to the council, showing the financial condition of the various funds of the metropolitan government, as well as the condition of all items included in the adopted annual operating budget, including estimated revenues, revenues received, appropriations and allotments for such appropriations.

(i) Prepare a complete annual report of the financial activities of all funds and all departments, boards, commissions, and agencies of the metropolitan government.

(j) Subject to the approval of the mayor, instruct the treasurer to invest the moneys of any fund in securities of the metropolitan, state or federal government and/or place them on interest bearing deposit in a bank or banks where it is anticipated that the funds will not be needed for a period of ninety days or more.

(k) With the assistance of the department of law and the metropolitan planning commission, establish standard procedures for acquiring and disposing of land for metropolitan departments, boards and commissions, exclusive of land acquisition for the Nashville Electric Service and the Nashville Housing Authority.

(l) Maintain an inventory of public property and equipment.

(m) Provide for a central records retention program.

(n) Perform such other duties as may be assigned by this Charter or by ordinance.

(o) Provide the vice mayor, with the approval of a majority of the whole membership of the council, with access to any financial information in the possession of the department of finance. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—The addition of subsection (o) to this section was approved at an election held Aug. 4, 1983.

Sec. 8.104. Division of budgets created; functions of budget officer.

There shall be in the department of finance a division of budgets, which shall consist of the budget officer and such other officers and employees, organized into such units, as may be provided by ordinance or by the director of finance consistent with ordinance. The budget officer shall be appointed for an indefinite term by the mayor, subject to the civil service provisions of this Charter, and he or she shall be the head of the division of budgets. The budget officer shall have at least five (5) years' experience in which budget preparation, administration, and/or accounting systems shall have been his or her major responsibility. The budget officer's salary shall be twelve thousand ($12,000) dollars per annum, payable semimonthly. The budget officer shall compile, under the supervision of the director of finance, the departmental estimates and other data necessary or useful to the mayor and the director of finance, and assist in the preparation of the budgets. He or she shall examine from time to time the departments, boards, commissions, officers and agencies of the metropolitan government in relation to their organization, personnel and other requirements; ascertain the manner in which their respective budgets are carried out and their functions performed; call the attention of the department heads and the mayor to any improvements or economies which might be made in their administrative practices and cooperate with the heads thereof in the preparation of their budget estimates for the ensuing fiscal year.

He or she shall carry on a continuous research program in systems and methods so as to keep current in all phases of data processing, business methods and the like; and make recommendations from time to time to the director of finance for utilizing to advantage the newest equipment and methods. The budget officer, with the advice and assistance of the chief accountant, shall write, revise and maintain a proper standard procedure instruction manual to be followed by all officers, departments, boards and other agencies of the government to insure uniform accounting and budgetary procedures. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.105. Division of accounts created; duties of chief accountant.

There shall be in the department of finance a division of accounts, which shall consist of the chief accountant and such other officers and employees, organized into such units, as may be provided by ordinance or by the director of finance consistent with ordinance. The chief accountant shall be appointed for an indefinite term by the mayor, subject to the civil service provisions of this Charter, and he or she shall be the head of the division of accounts. The chief accountant shall have at least five (5) years of responsible supervisory experience in general accounting and/or internal auditing. The chief accountant's salary shall be twelve thousand ($12,000) dollars per annum, payable semimonthly. The chief accountant shall maintain (1) a general accounting system and such cost accounting records as shall be required by the director of finance, and (2) budgetary control records designed to prevent expenditures in excess of appropriations or allotments. He or she shall prepare disbursement warrants and conduct a thorough preaudit to all claims on all funds, including payrolls, before payment and shall maintain a current audit control over cash receipts. The chief accountant shall perform such other duties as

may be assigned him or her by ordinance or by the director of finance. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.106. Division of treasury created; duties of metropolitan treasurer.

There shall be in the department of finance a division of treasury, which shall consist of the metropolitan treasurer and such other officers and employees as may be provided by ordinance or by the director of finance consistent with ordinance. The metropolitan treasurer shall be appointed for an indefinite term by the mayor, subject to the civil service provisions of this Charter, and he or she shall be the head of the division of treasury. The metropolitan treasurer shall have at least five (5) years' experience in which the supervision of fiscal affairs or treasury management shall have been his or her major responsibility. The metropolitan treasurer's salary shall be twelve thousand ($12,000) dollars per annum, payable semimonthly. The metropolitan treasurer shall supervise and be responsible for the custody and disbursement of all funds belonging to the metropolitan government and all funds handled by metropolitan government officers as agents or trustees except as otherwise provided in this Charter or by ordinance or general law not inconsistent with this Charter. He or she shall pay moneys out of the treasury only by checks which have been approved by the division of accounts. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.107. Division of collections created; duties of collections officer.

There shall be in the department of finance a division of collections, which shall consist of the collections officer and such other officers and employees, organized into such units, as may be provided by ordinance or by the director of finance consistent with ordinance. The collections officer shall be appointed for an indefinite term by the mayor, subject to the civil service provision of this Charter, and he or she shall be the head of the division of collections. The collections officer shall have at least five (5) years' experience in which the supervision of financial activities shall have been his or her major responsibility. The collections officer's salary shall be twelve thousand ($12,000) dollars per annum, payable semimonthly. It shall be the duty of the collections officer to collect and receive delinquent real and personal property taxes or tax equivalents and all merchants' ad valorem taxes that have been delinquent for more than six (6) months as well as any interest and penalties thereon. The collections officer shall collect and receive all revenues, income and moneys due the metropolitan government accruing to the urban services district, the general services district, or any other source, except as otherwise provided for by other parts of this Charter, by ordinance, or by the general law. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.108. Division of purchases created; appointment and qualification of purchasing agent.

There shall be in the department of finance a division of purchases, which shall consist of the purchasing agent and such other officers and employees, organized into such units, as may be provided by ordinance or by the director consistent with ordinance. The purchasing agent shall be appointed for an indefinite term by the mayor, subject to the civil service provisions of this Charter. The purchasing agent's salary shall be twelve thousand ($12,000) dollars per annum, payable semimonthly. He or she shall be a person with at least five (5) years experience in private business or governmental purchases and property management, control and accountability. The purchasing agent shall have the responsibility of the general management and control of the division and shall have the power to make rules and regulations for the administration of the division subject to the approval of the director of finance. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.109. Function of division of purchases.[7]

Except as provided in this section, the division of purchases shall purchase, or obtain by lease or rental, for the use of the metropolitan government and its departments, boards, commissions, officers and agencies all necessary and appropriate supplies, materials, equipment, other personal property, contractual services, insurance and surety bonds. The council may establish by ordinance rules and regulations, defining emergencies, under which designated items, including perishables, may be purchased or obtained without compliance with purchasing procedures established in this chapter. The electric power board, the Nashville Housing authority, the board of education and such other agencies as may

be specified by ordinance shall be excluded from the purchasing procedures established in this chapter, except to the extent otherwise herein specifically provided.

In order that local taxpayers are protected and local Davidson County residents have opportunity to work on taxpayer-funded projects, the division of purchases, when expending funds or other resources of the metropolitan government in the amount of one hundred thousand dollars ($100,000.00) or more on a project for the building, altering, repairing, improving or demolishing any public structure or building or other public improvements of any kind to any public real property, but excluding professional services, shall require that one (1) or more residents of Davidson County perform forty percent (40%) of the Total Construction Work Hours worked by construction craft workers on each project whether workers are employed by a contractor or any subcontractor, and shall require that a significant effort be made to ensure that no less than ten percent (10%) of the Total Construction Worker Hours are performed by low income residents of Davidson County. In determining the Total Construction Worker Hours for each project, there shall be included the number of hours worked on all customary construction activities, but shall exclude the number of hours of work on the project performed by workers who are not residents of Tennessee. A procedure for reporting Total Construction Worker Hours and a penalty for failure to comply with this requirement may be provided by ordinance or by the division of purchases consistent with ordinances, and all reports will be made available to the public. (Referendum election of August 6, 2015, Amdt. 3)

7. Sheriff, as an officer of the metropolitan government, is subject to and bound by the purchasing provisions of the Metropolitan Charter. Metropolitan Government v. Poe, 215 Tenn. 53, 383 S.W. 2d 265 (1964).

Sec. 8.110. Powers and duties of purchasing agent.

The purchasing agent, for the purpose of giving effect to the provisions of the preceding section, shall have the following powers and duties:

(a) With the approval of the director of finance and the mayor, and after consultation with the heads of the using agencies concerned, to establish and enforce standard specification for all supplies, materials and equipment required by the metropolitan government which the purchasing agent has authority to purchase or lease.

(b) To prescribe the time of making requisitions for such supplies, materials and equipment and the future period which such requisitions are to cover.

(c) To inspect, or cause to be inspected, all deliveries of such supplies, materials and equipment, and to cause tests to be made when necessary in order to determine their quality, quantity and conformance with specifications.

(d) To supervise and control storerooms, mailing, messenger, central duplicating and printing services and facilities provided for the various agencies of the metropolitan government as provided by ordinance.

(e) To transfer to or between using agencies, with the approval of public property director, sell or trade in supplies, materials or equipment determined by him or her, after consultation with the heads of the using departments or agencies concerned, to be surplus obsolete or unused.

(f) To perform such duties with regard to the letting of contracts for public works or improvements as are provided in this Charter, and to have such other powers and to perform such other duties as may be provided by ordinance.

(g) To submit a monthly report of his or her activities to the director of finance. The director of finance may assign the functions set forth in subsections (c), (d) and (e) of this section to some other division in his or her department. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 8.111. Competitive bidding for purchases or sales.

Before making any purchase or contract requiring expenditure of a sum in excess of one thousand dollars ($1,000), the purchasing agent shall take competitive bids, pursuant to Tennessee Code Annotated, Section 7-3-306, as the same may be amended, and under such rules and regulations as may be established by ordinance. Before making a sale the purchasing agent shall require competitive bids. The making of all other purchases or contracts by the purchasing agent shall be under such conditions, rules and regulations as may be prescribed by ordinance. The purchasing agent may reject any and all bids received for purchases or sales.

Editor's note—The first sentence of § 8.111 was amended by referendum election held November 5, 1996.

Sec. 8.112. Division of public property administration.

There shall be in the department of finance a division of public property administration, which shall consist of the director of public property and such other officers and employees, organized into such units as may be provided by ordinance or by the director consistent with ordinance. The director of public property administration shall be appointed for an indefinite term by the

mayor, subject to the civil service provisions of this Charter. The director of public property administration shall administer the duties of the department of finance arising from section 8.103 (k) and (l) of this Charter and shall perform such other duties as may be assigned by the director of finance or by ordinance.

RELATED FISCAL PROVISIONS

Sec. 8.113. Division of tax assessment created; metropolitan tax assessor.

There shall be, as an independent agency of the metropolitan government, a division of tax assessment, the head of which is designated as the metropolitan tax assessor. The county tax assessor, elected for a term of four (4) years and provided for by general law in Tennessee Code Annotated, sections 67-1-502 to 67-1-505, inclusive, shall be the metropolitan tax assessor. He or she shall have the same powers, duties and liabilities with respect to assessment of properties in the area of the metropolitan government as by general law and private act are possessed by or imposed upon county and municipal tax assessors, except as herein provided in this Charter. In ascertaining the value of property, the tax assessor shall give particular consideration to the extent to which availability or nonavailability of sewers and other governmental services affects the actual cash value of the property. The metropolitan tax assessor shall make merchants' ad valorem assessments[8] in and for both the general services district and the urban services district. The assessments made by him or her shall be the assessments to which the tax levy by the council for the general services district shall apply and to which the tax levy by the urban council for the urban services district shall apply. The assessor may assess all property annually and he or she shall separately total the assessments in the urban services district and the general services district. (Res. No. 88-526, § 6, 10-4-88; amended by referendum election of November 6, 2018, Amdt. 6)

8. Assignment by this Charter of duty of assessing merchants' ad valorem taxes to metropolitan tax assessor is a valid exercise of power under T.C.A., § 7-1-101 et seq., and is not an unconstitutional reduction of powers of county clerk. While office of county clerk is created by Constitution, his or her powers are established, and may be changed, pursuant to general law. Winter v. Allen, 212 Tenn. 84, 367 S.W. 2d 785 (1963).

Sec. 8.114. Compensation, surety bond, oath of office and assistants of tax assessor.

The metropolitan tax assessor's salary shall be fifteen thousand dollars ($15,000.00), per annum, payable semimonthly. This salary may not be changed during the four (4) years for which the tax assessor is elected.

The metropolitan tax assessor shall give surety bond as provided by Tennessee Code Annotated, section 67-1-505, in the case of county tax assessors, the same to be approved by the mayor. He or she shall take an oath of office as provided by Tennessee Code Annotated, section 67-1-507, for county tax assessors, the same to be filed in the office of the metropolitan clerk.

The metropolitan tax assessor shall be furnished with such deputies, office personnel, material and supplies as he or she may need for the proper functioning of his or her office and as may be provided by ordinance and by his or her annual budget appropriations. Deputies appointed by him or her shall have the powers and duties and liabilities of the tax assessor. All employees of the assessor other than these deputies shall be employed in accordance with civil service regulations. (Res. No. 88-526, §§ 7, 8, 10-4-88; amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.115. Vacancies in office of tax assessor.

Vacancies in the office of the metropolitan tax assessor shall be filled by the metropolitan county council. The person so appointed to fill a vacancy shall serve the remainder of the unexpired term, or until the first of September following the next regular August election, whichever is earlier. When a vacancy occurs more than thirty (30) days prior to a regular August election, at which a tax assessor is not to be elected for a full term, then a tax assessor shall be elected at such election for the remainder of the term.

Sec. 8.116. Division of property tax collections created; county trustee designated metropolitan trustee.

There shall be as an agency of the metropolitan government, a division of property tax collections, the head of which shall be the county trustee, sometimes herein called metropolitan trustee. He or she shall be elected for a four-year term as provided by general law. The trustee shall be furnished with such deputies, office personnel, material and supplies as he or she may need for the proper functioning of his or her office and as may be provided by ordinance within his or her annual budget appropriations or as may be approved by rulings of chancery court. Deputies appointed by him or her as approved in rulings by chancery court shall have the powers, duties and liabilities of the trustee. All employees of the trustee other than these deputies shall be employed in accordance with civil service regulations.[1]

The trustee shall collect and receive real and personal property taxes or tax equivalents and all merchants' ad

valorem taxes due the metropolitan government for the general services district and the urban services district. He or she shall daily remit the same to the metropolitan treasurer.[2] With respect to said real and personal property taxes and merchants' ad valorem taxes, the trustee shall have all the powers, duties and responsibilities vested by general law in county trustees as to state, county and municipal taxes, except as otherwise provided in this Charter.

For six (6) months after the aforementioned taxes shall become delinquent the trustee shall collect such taxes, as well as interest and penalties thereon. At the end of said six (6) months' period, the trustee shall transmit to the collections officer or to such other agency as may be designated by ordinance a balanced and reconciled report of all taxes remaining delinquent. Prior to such transmittal there shall be an internal audit by the division of accounts and after such transmittal it shall be the duty and responsibility of the collections officer or other designated agency to collect said delinquent taxes. (Amended by referendum election of November 6, 2018, Amdt. 6)

1. The requirement that persons other than deputies appointed by the metropolitan trustee be employed in accordance with civil service regulations is not so arbitrary as to violate due process, and supersedes conflicting general law. *Robinson v. Briley,* 213 Tenn. 418, 374 S.W. 2d 382 (1963).

2. Assignment by this Charter of duty of collecting merchants' ad valorem taxes to metropolitan trustee, which duty is assigned by general law to county clerk, is a valid exercise of power under T.C.A., § 6-3701 et seq., and supersedes the conflicting general law. *Winter v. Allen,* 212 Tenn. 84, 367 S.W. 2d 785 (1963).

The sole duty of the metropolitan trustee in regard to real and personal property taxes and merchants' ad valorem taxes is to collect such taxes or tax equivalents and remit them daily to the metropolitan treasurer. He or she may not retain them for payment of salaries, expenses, etc. The requirement that he or she remit such taxes daily is a valid requirement, and supersedes conflicting general law. *Robinson v. Briley,* 213 Tenn. 418, 374 S.W. 2d 382 (1963).

Sec. 8.117. Bond of metropolitan trustee.

The official bond of the metropolitan trustee shall be executed by a surety company authorized to transact business in Tennessee. The minimum amount of bond shall be fixed by ordinance, however it shall be at least equal to the minimum set forth in Tennessee Code Annotated, section 8-11-103, for county trustees.

It shall be the duty of the mayor to examine into the solvency of the trustee's bond and if the bond be found to be insufficient, as provided by law it shall be the duty of the mayor to notify him or her of the fact and to require him or her to give new or additional security in such sum as may be fixed upon by the council on the recommendation of the mayor. If the required bond or security be not given within one (1) month, it shall be the duty of the council, and it shall have the power, to declare the office vacant. (Res. No. 88-526, § 9, 10-4-88; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 8.118. Powers and duties of county court clerk.

There shall be as an independent agency of the metropolitan government, the office of county court clerk, the head of which shall be the county court clerk, elected for a term of four (4) years as provided by the constitution and the general laws of the state. The county court clerk shall be furnished with such deputies, office personnel, material and supplies as he or she may need for the proper functioning of his or her office and as may be provided by ordinance and within his or her annual budget appropriations. Deputies appointed by him or her as approved in rulings by chancery court shall have the powers and duties and liabilities of the county court clerk. All employees of the county court clerk, other than these deputies, shall be employed in accordance with civil service regulations. Nothing in this Charter is intended or shall be construed to alter or affect the powers, duties and responsibilities of the county court clerk as a collector of state privilege licenses or other state revenues or as the clerk of the probate court or monthly county court. However, all fees, revenues, incomes, commissions, emoluments and prerequisites of the office of county court clerk shall accrue to the metropolitan government and shall be deposited with the metropolitan treasurer daily, except as otherwise provided by ordinance.

Nothing in this section shall be construed as authorizing or empowering the county court clerk to assess or collect such taxes as may be provided for in the division of tax assessment, division of property tax collections and division of collections of the department of finance. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 8.119. Appointment of deputies of metropolitan trustee and county court clerk.

The metropolitan trustee and the county court clerk shall make application for the employment of deputies in accordance with the provisions of Tennessee Code Annotated, section 8-20-101. The above-named officer in his or her petition shall name the mayor as the party defendant thereto. (Res. No. 88-526, § 10, 10-4-88; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 8.120. Date taxes payable; interest and penalty for delinquency.

Ad valorem taxes, including merchants' ad valorem, due by reason of the tax levied in the general services district shall become due and payable on the first day of October in each year. The general laws with respect to collection, delinquency, interest, penalties and the lien of taxes shall be applicable to the general services district.

All ad valorem taxes, including merchants' ad valorem, due by reason of the tax levy in the urban services district shall become due and payable on the first of August of the year for which they are assessed, and that such taxes may be paid in two (2) installments, as follows: One-half of the tax to be paid between August 1 and September 30 the year for which they are assessed, without interest or penalty; and the remaining one-half after the first half is paid to be paid not later than January 10 without interest and penalty. The general laws with respect to collection, delinquency, interest, penalties and the lien of taxes shall be applicable to the urban services district except that the date of delinquency shall be January 11.

Sec. 8.121. Division of metropolitan audit.

A. There shall be, as an independent agency of the metropolitan government, a division of metropolitan audit, the director of which is designated as the metropolitan auditor. The metropolitan auditor shall be a person:

1. With a well founded reputation in government or public finance and the audit function as may be exhibited by a record of exceptional performance for at least five (5) years as a financial officer of a government or business;

2. Who has, through education and experience as an accountant, auditor, CFO, controller or principal accounting officer of a governmental entity or private business an understanding of Generally Accepted Accounting Principles, Governmental Auditing Standards Board standards, financial statements, internal controls and procedures for financial reporting, and the audit functions of a governmental entity.

B. The metropolitan auditor shall be appointed by a majority vote of the council from a list of three (3) persons recommended by the audit committee whom the audit committee deems best qualified and available to fill the position. If the council deems that the persons recommended by the audit committee to serve as metropolitan auditor are not suitable and/or qualified, the council shall reject the names submitted and the audit committee shall recommend three (3) additional persons deemed qualified and available to fill the position. The metropolitan auditor shall serve a term of eight (8) years but shall be subject to removal for cause during the term by a vote of four (4) members of the audit committee. The first term of the metropolitan auditor will end on June 30, 2014, regardless of whether the full eight (8) years has been served. A vacancy occurring during a term shall be filled temporarily with a qualified acting metropolitan auditor by the majority vote of the audit committee. The filling of the vacancy for the remainder of a term and for any new term shall be filled by a majority vote of the council through the process provided in this section.

C. The metropolitan auditor shall conduct, or cause to be conducted financial, performance and other audit services following Government Auditing Standards established by the United States Government Accountability Office, and the metropolitan auditor shall follow the independence and other professional standards established and published under Government Auditing Standards.

D. The metropolitan auditor shall appoint and remove, subject to the civil service provisions of article 12 of this Charter, all officers and employees of the division.

E. There shall be a metropolitan audit committee which shall be composed of six (6) members, as follows: The vice mayor and the director of finance shall be members by virtue of their official positions. Two (2) members of the metropolitan county council shall be selected by that body from its membership to serve a two (2) year term. One (1) member shall be selected by the Nashville Area Chamber of Commerce to serve a four (4) year term. One (1) member shall be selected by the Nashville Chapter of the Tennessee Society of Certified Public Accountants to serve a four (4) year term except that the member first selected shall serve a two (2) year term. Members shall be eligible to succeed themselves. The general provisions of article 11, chapter 1, of this Charter shall be applicable to the audit committee unless otherwise specified in this section.

F. The audit committee will oversee the annual audit plan and will review and evaluate at least annually the performance of the metropolitan auditor.

G. All audit reports issued by the metropolitan auditor are public documents and shall at all times, during business hours, be open for personal inspection by any citizen of Tennessee. (Amended by Res. No. RS2006-1487 (Amdt. 2), referendum election of November 7, 2006, Amdt. 3)

CHAPTER 2. DEPARTMENT OF METROPOLITAN POLICE

Sec. 8.201. Created.

There shall be a department of metropolitan police, which shall consist of the director thereof, and such other officers and employees of such ranks and grades as may be established by ordinance and which shall include such bureaus, divisions and units as may be provided by ordinance or by regulations of the director consistent therewith.

Sec. 8.202. Responsibility and powers of department.

The department of the metropolitan police shall be responsible within the area of the metropolitan government for the preservation of the public peace, prevention and detection of crime, apprehension of criminals, protection of personal and property rights and enforcement of laws of the State of Tennessee and ordinances of the metropolitan government.[3] The director and other members of the metropolitan police force shall be vested with all the power and authority belonging to the office of constable by the common law and also with all the power, authority and duties which by statute may now or hereafter be provided for police and law enforcement officers of counties and cities.

3. Designation of police department, rather than sheriff as principal conservator of the peace is a valid exercise of power under T.C.A., § 6-3701 et seq. *Metropolitan Government* v. *Poe,* 215 Tenn. 53, 383 S.W. 2d 265 (1964).

Sec. 8.203. Chief of police as director; his or her powers and duties.

The department of metropolitan police shall be under the general management and control of a director thereof, who is designated the chief of police. The chief of police shall establish zones and precincts and assign members of the department to their respective posts, shifts, details and duties consistent with their rank. He or she shall make regulations, with the approval of the mayor and in conformity with applicable ordinances, concerning the operation of the department, the conduct of the officers and employees thereof, their uniforms, arms and other equipment for their training. The chief of police shall be responsible for the efficiency, discipline and good conduct of the department. Orders of the mayor relating to the department shall be transmitted in all cases through the chief of police or in his or her absence or incapacity through an officer designated as acting chief. Disobedience to the lawful commands of the chief of police or violations of the rules and regulations made by him or her with the approval of the metropolitan mayor shall be grounds for removal or other disciplinary action as provided in such rules and regulations, subject to the civil service provisions of article 12 of this Charter. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 8.204. Appointment of director; filling other vacancies in department.

A permanent vacancy in the office of director shall be filled by appointment of the mayor, subject to the civil service provisions of this Charter and subject to qualifications to be prescribed by the civil service commission designed to secure a person especially qualified for the position by training and experience. A temporary vacancy in the office of director due to sickness, absence or other disability shall be filled by appointment of the mayor. A vacancy in any office, position or employment in the department shall be filled by appointment of the chief of police, subject to the approval of the mayor and consistent with the civil service provisions of this Charter.

Sec. 8.205. Special police.

The chief of police may appoint, in his or her discretion and upon the application of any individual, firm or corporation showing the necessity thereof, one or more special police officers, to be paid by the applicant, who shall have the powers and duties of police officers while in or on the premises of such applicant or in the actual performance of the duties for which employed. Special police officers shall be subject to the rules and regulations of the department of metropolitan police and their appointments shall be revocable at any time by the chief of police with the approval of the mayor. Before entering upon the performance of their duties, special police officers shall execute and file with the metropolitan clerk a public officer's liability bond in such amount as may be fixed by resolution of the metropolitan council. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 8.206. School crossing guard division.

The chief of police may establish, and shall establish if directed by ordinance, a school crossing guard division in the department. (Res. No. RS2012-277, § 1(Amdt. 4), 9-18-2012, election of 11-6-2012)

Sec. 8.207. Volunteer police reserve authorized.

The director may, and if directed by ordinance, shall establish a voluntary auxiliary police reserve to serve without compensation in cases of emergency and in aid of civil defense. Where established by the director, he or she shall promulgate rules, to be approved by the mayor,

for the organization and operation thereof. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 8.208. Qualifications of personnel.

After the effective date of this Charter,[4] no person shall be eligible to appointment to any position in the department except as a regular salaried employee in the classified service. Every appointee shall be a citizen of the United States of America unless otherwise allowed under Tennessee state law; shall meet such physical requirements as shall be prescribed by the civil service commission; and shall comply with all applicable rules and regulations of the civil service commission.

To determine whether applicants for positions in the department possess the required physical qualifications, the director of health may provide for conducting physical examinations and report his or her findings to the civil service commission. (Amended by referendum election of November 6, 2018, Amdt. 6; Res. No. RS2022-1475, § 1(Amdt. 2), (Amdt. 3, § VIII), 5-5-2022, election of 8-4-2022)

4. April 1, 1963.

Sec. 8.209. Salaries.

The annual compensation of the director, payable semimonthly, shall be twelve thousand ($12,000) dollars. The salaries of the other officers and employees of the department shall be as fixed in the pay plan adopted pursuant to article 12 of this Charter.

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.210. Work week and vacations.

Every member of the department shall be entitled to two (2) days off each week and to an annual vacation of twenty (20) days without deduction of pay. The time for vacations shall be determined and assigned by the chief of police. All members of the department shall be subject to call and assignment to duty at any time during an emergency.

CHAPTER 3. DEPARTMENT OF FIRE

Sec. 8.301. Created.

There shall be a department of fire, which shall consist of the director thereof, and such other officers and employees of such ranks and grades as may be established by ordinance and which shall include such bureaus, divisions and units as may be provided by ordinance or by regulations of the director consistent therewith.

Sec. 8.302. Function of department.

The department of fire shall be responsible for the protection against fire of life and property within the urban services district and within other areas covered by contracts authorized by ordinance.

Sec. 8.303. Fire chief as director; powers and duties.

The department of fire shall be under the management and control of a director thereof, who is designated the fire chief. He or she shall assign members of the department to stations, shifts, details and duties consistent with their rank. He or she shall make regulations, with the approval of the metropolitan mayor and in conformity with applicable ordinances, concerning the operation of the department, the conduct of the officers and employees thereof, their uniforms, arms and other equipment and their training. The fire chief shall be responsible for the efficiency, discipline and good conduct of the department. Orders of the mayor relating to the department shall be transmitted in all cases through the fire chief or in his or her absence or incapacity through an officer designated as acting chief. Disobedience to the lawful commands of the fire chief or violations of the rules and regulations made by him or her with the approval of the mayor shall be grounds for removal or other disciplinary action as provided in such rules and regulations, subject to the civil service provisions of article 12 of this Charter. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 8.304. Appointment of director; filling other vacancies in department.

A permanent vacancy in the office of director shall be filled by appointment of the mayor, subject to the civil service provisions of this Charter and subject to qualifications to be prescribed by the civil service commission designed to secure a person especially qualified for the position by training and experience. A temporary vacancy in the office of director due to sickness, absence or other disability shall be filled by appointment of the mayor.

A vacancy in any office, position or employment in the department shall be filled by appointment of the fire chief, subject to the approval of the mayor and consistent with the civil service provisions of this Charter.

Sec. 8.305. Fire prevention.

The department of fire shall recommend to the council for adoption as ordinances such rules and regulations for the prevention of fire as may appear necessary and proper. In the enforcement of such rules and regulations, when adopted, the department shall act through the fire marshal.

Sec. 8.306. Qualifications of personnel.

After the effective date of this Charter,[5] no person shall be eligible to appointment to any position in the department except as a regular salaried employee in the classified service. Every appointee shall be a citizen of the United States of America; shall meet such physical requirements as shall be prescribed by the civil service commission; and shall comply with all applicable rules and regulations of the civil service commission.

To determine whether applicants for positions in the department possess the required physical qualifications, the director of health may provide for conducting physical examinations and report his or her findings to the civil service commission. (Amended by referendum election of November 6, 2018, Amdt. 6; Res. No. RS2022-1475, § 1(Amdt. 3, § IX), 5-5-2022, election of 8-4-2022)

5. April 1, 1963.

Sec. 8.307. Salaries.

The annual compensation of the director, payable semimonthly, shall be twelve thousand ($12,000) dollars. The salaries of the other officers and employees of the department shall be as fixed in the pay plan adopted pursuant to article 12 of this Charter.

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.308. Work week and vacations.

Every member of the department shall be entitled to two days off each week and to an annual vacation of twenty days without deduction of pay. The time for vacations shall be determined and assigned by the fire chief. All members of the department shall be subject to call and assignment to duty at any time during an emergency.

CHAPTER 4. DEPARTMENT OF TRANSPORTATION AND MULTIMODAL INFRASTRUCTURE*

Sec. 8.401. Created.

There shall be a department of transportation and multimodal infrastructure, which shall consist of the director of transportation and multimodal infrastructure and such other officers and employees organized into such divisions and other units as may be provided by ordinance or by the orders of the director consistent therewith and approved by the mayor. (Res. No. RS2022-1475, § 1(Amdt. 4), 5-5-2022, election of 8-4-2022)

Sec. 8.402. Functions.

The department of transportation and multimodal infrastructure shall be responsible for:

(a) The design, construction, maintenance, repair, management and cleaning of roads, highways, streets, alleys, other public places, bridges, viaducts, and other related structures.

(b) Control of the servicing, maintenance and repair of automotive equipment, except as the same by ordinance may be assigned in whole or in part to another department or agency of the metropolitan government.

(c) Construction of transportation capital improvement projects by its own employees, whenever so authorized or directed by ordinance or by the mayor.

(d) Making and preparing such plans, specifications, estimates, surveys, maps, designs, drawings and reports as may be requested from time to time by the council, by the mayor or by the head of any department or any board, commission or agency of the metropolitan government acting with the approval of the mayor, and supervision of the execution and performance of all contracts for capital improvement projects, the plans and specifications, for which were prepared by the department of transportation and multimodal infrastructure.

(e) The administration and enforcement of all laws, ordinances and regulations relating to permits and licenses, for, building and construction within the public rights-of-way, taxicabs and other passenger vehicles for hire, parking, and public gatherings within the public rights-of-way; provided, that all licenses and permits issued shall be approved or regulated by such other offices, agencies or boards of the metropolitan government as may be provided from time to time by ordinance; and provided further, that the council may by ordinance transfer and assign this function to a newly created department of licenses and permits.

(f) The design, deployment, operations, and maintenance of traffic control devices on local roads and conventional state routes in Davidson County, except for certain devices within the incorporated cities that are owned by those cities. This includes the maintenance of all regulatory and warning signs on conventional state routes, to the extent not handled by the Tennessee Department of Transportation.

(g) Such other powers and duties as are assigned to the department by this Charter or may be assigned

*Editor's note—Res. No. RS2022-1475, § 1(Amdt. 4), adopted May 5, 2022, referendum election of August 4, 2022, repealed the former Ch. 4, §§ 8.401—8.406, and enacted a new Ch. 4 as set out herein. The former Ch. 4 pertained to department of public works, and derived from Res. No. RS2012-277, § 1(Amdts. 2, 5), 9-18-2012, election of 11-6-2012; Amdt. 6, election of 11-6-2018.

thereto by ordinance or by action of the mayor. (Res. No. RS2022-1475, § 1(Amdt. 4), 5-5-2022, election of 8-4-2022)

Sec. 8.403. Supervision, certification, and approval of payment for certain capital improvement projects.

Unless otherwise specifically provided for in this Charter, no payment upon any contract for transportation capital improvement projects or any capital improvement projects within the public rights-of-way shall be made by the metropolitan government without the written certification of the director of transportation and multimodal infrastructure that the work or the portion thereof for which such payment is to be made has been satisfactorily performed in accordance with the terms of such contract. Unless otherwise specifically provided in this Charter, when the plans and specifications for any transportation capital improvement project or any capital improvement project in the public rights-of-way have been prepared by some person or agency other than the department of transportation and multimodal infrastructure, the performance of the contract may be supervised and certification required by the department of transportation and multimodal infrastructure before payment shall be made in accordance with the terms and provisions of the contract. (Res. No. RS2022-1475, § 1(Amdt. 4), 5-5-2022, election of 8-4-2022)

Sec. 8.404. Director of transportation and multimodal infrastructure—Qualifications and compensation.

The head of the department of transportation and multimodal infrastructure shall be the director. A permanent vacancy in the office of director shall be filled by appointment made by the mayor, subject to the civil service provisions of this Charter. He or she shall have had at least five (5) years' experience in industry or in municipal or metropolitan departments of transportation. In the event of temporary vacancy in the office of director due to sickness, absence or other disability, a temporary appointment may be made by the mayor, subject to the civil service provisions of this Charter. (Res. No. RS2022-1475, § 1(Amdt. 4), 5-5-2022, election of 8-4-2022)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.405. Same—Powers and duties.

The director of transportation and multimodal infrastructure shall have general management and control of the several divisions and units of the department. He or she shall appoint and remove, subject to the civil service provisions of article 12 of this Charter, all officers and employees of the department and shall have power to make rules and regulations for the conduct of the business of the department consistent with this Charter and the ordinances of the metropolitan government. (Res. No. RS2022-1475, § 1(Amdt. 4), 5-5-2022, election of 8-4-2022)

Sec. 8.406. Custody of maps and plans.

The department of transportation and multimodal infrastructure shall have custody of all maps or plans or any part thereof which were on file immediately prior to the effective date of this Charter[6] in the offices of the director of public works of the City of Nashville or the County Highway Engineer of the County of Davidson and all such maps and plans hereafter made and not expressly required by law or ordinance to be filed in some other place; provided, that all plans, records, etc., pertaining to the sanitary sewerage system which are in the custody of the department of transportation and multimodal infrastructure on the effective date of this Charter shall be turned over to the department of water and sewerage services. (Res. No. RS2022-1475, § 1(Amdt. 4), 5-5-2022, election of 8-4-2022)

6. April 1, 1963.

CHAPTER 5. DEPARTMENT OF WATER AND SEWERAGE SERVICES

Sec. 8.501. Created.

There shall be a department of water and sewerage services, which shall consist of the director and such other officers and employees, organized into such divisions and other units as may be provided by ordinance or by the orders of the director consistent therewith.

Sec. 8.502. Functions.

The department of water and sewerage services shall be responsible for: (1) The construction, operation, and maintenance of all water and sanitary sewer facilities of the metropolitan government; (2) The construction, operation, and maintenance of stormwater facilities of the metropolitan government; (3) The collection of all charges for the services of such utilities; (4) Such other powers and duties as may be assigned to the department by ordinance. (Res. No. RS2012-277, § 1(Amdt. 5), 9-18-2012, election of 11-6-2012)

Sec. 8.503. Director of water and sewerage services—Qualifications and compensation.

The head of the department of water and sewerage services shall be the director, whose annual compensa-

tion, payable semimonthly, shall be fifteen thousand ($15,000) dollars. A permanent vacancy in the office of director shall be filled by appointment made by the mayor, subject to the civil service provisions of this Charter. He or she shall be a graduate engineer who is trained and skilled in public utility problems and shall have had at least five (5) years' experience in an executive or major administrative position in a public utility operation or public utility administration. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.504. Same—Powers and duties.

The director of water and sewerage services shall have general management and control of the several divisions and units of the department, including the approval of all departmental requisitions for purchases and services. No payment from the funds of the department of water and sewerage services shall be made until such payments shall have been certified as due and correct by the director of the said department; this includes the certification as to the satisfactory performance of all contracts and services in connection with the operation, maintenance, and expansion of the said depart-

ment. The director shall approve all plans and specifications relating to the expansion, operation, and maintenance of the water and sewerage system. He or she shall appoint and remove, subject to the civil service provisions of article 12 of this Charter, all officers and employees of the department and shall have power to make rules and regulations for the conduct of the business of the department consistent with this Charter and the ordinances of the metropolitan government. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 8.505. Division of billing and collection.

There shall be established within the department, a division of billing and collection, which shall be responsible for the collection of all charges for the use of water, sewage disposal, and other services incident thereto.

Sec. 8.506. Accounting system.

The accounting system established by the department shall be in conformity with accepted utility accounting practices and shall be approved by the director of finance and generally correlated with the central finance and accounting system of the metropolitan government.

Sec. 8.507. Revolving funds.

The revolving fund used in the operation of the waterworks system of the former City of Nashville, as provided in section 15 of article 22 of chapter 246 of the Private Acts of 1947, is hereby continued in full force and effect for the use and benefit of the department of water and sewerage of the metropolitan government. This fund shall be used solely for paying the cost of improvements or extensions of the water system of the metropolitan government and for the purpose of making replacements in said system or purchasing and installing new capital equipment as part of said system. Whenever money in such fund shall be used for said purposes, the money so used shall be replaced in said fund from the first revenues received from the operation of the waterworks system which are not pledged for some other purpose until the fund is again restored to the amount of two hundred thousand ($200,000) dollars; provided, however, that revenues so used for the purpose of replacing money expended from such fund shall not be required to be so used in any one year in an amount exceeding ten (10%) percent of the gross revenues received from the operation of the waterworks system in such year. The council, in its discretion, may provide for the placing of additional revenue in such fund for the purpose of establishing it in a larger amount than the minimum of two hundred thousand ($200,000) dollars herein provided. No proceeds of such fund shall be used for the payment of current costs of operating and maintaining the waterworks system of the metropolitan government or for the purchase of tools, operating supplies or similar equipment. No provision of this section shall be construed to authorize the issuance of additional bonds for the foregoing purposes.

Sec. 8.508. Establishment of and changes in rates.

The mayor and council are authorized and directed to establish the rates for water and sewerage services and to provide the methods for changes therein.

CHAPTER 6. DEPARTMENT OF LAW

Sec. 8.601. Created.

There shall be a department of law, which shall consist of the director thereof, of other personnel hereinafter mentioned and of such other positions and employees as may be provided by ordinance or by regulations of the director consistent with ordinance.

Sec. 8.602. Functions.

The department of law shall have the power and its duty shall be to perform the following functions

(a) Supervise, direct and control all of the law work of the metropolitan government, except with respect to the electric power board, which, having its own general counsel, is excepted from the provisions of this chapter.

(b) Furnish legal advice to the mayor, to the council and to all officers, departments, boards and commissions concerning any matters arising in connection with the exercise of their official powers or performance of their official duties.

(c) Represent the metropolitan government in all litigation.

(d) Collect by suit or otherwise all debts, taxes and accounts due the metropolitan government which shall be placed with it for collection by any officer, department, board or commission.

(e) Prepare or approve all contracts, bonds, deeds, leases or other instruments in writing in which the metropolitan government is concerned.

(f) Prepare or assist in preparing' for introduction any proposed ordinance upon request of the mayor or any member of the council.

(g) Codify and cause to be published in convenient book form once in every five (5) years all of the general ordinances which are still in effect, with compilation and publication annually of a supplement thereto. The first general codification shall be published within one

(1) year after the first director of law assumes office under this Charter, unless the council by resolution shall extend the time therefor.

(h) Perform such other duties as may be assigned to it by ordinance.

Sec. 8.603. Appointment, qualifications, compensation and powers and duties of director of law; designated metropolitan attorney.

The department of law shall be under the supervision and control of the director of law, who is designated the metropolitan attorney. The metropolitan attorney shall be appointed by the mayor for a term which terminates with the term of the mayor making the appointment. He or she shall be confirmed by a majority vote of the total membership of the council. He or she shall have been a member of the bar of Tennessee for at least five (5) years preceding his or her appointment and also have been a resident of the area of the metropolitan government for a like period. His or her annual compensation, payable semimonthly, shall be fifteen thousand ($15,000) dollars. The metropolitan attorney shall appoint all officers and employees of the department and may remove them, subject to the civil service provisions of article 12 of this Charter. The director of law shall determine and assign to the members of his or her staff and other employees of the department their respective duties and responsibilities, except as provided in the transitional provisions of this Charter. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.604. Deputy director of law.

There shall be a deputy director of law, designated as the deputy metropolitan attorney, who shall be appointed by the director of law, subject to the approval of the mayor. The qualifications of the deputy director of law shall be those hereinabove specified for the director of law and his or her compensation shall be twelve thousand ($12,000) dollars per annum, payable semimonthly. The deputy director of law shall be under the supervision and direction of the metropolitan attorney and shall assist him or her in the organization, administration and control of the department of law. In the absence of the director of law or in the event of a vacancy in his or her office, the deputy director of law shall perform the duties thereof until the director returns or the vacancy is filled. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.605. Assistant metropolitan attorneys.

There shall be four (4) assistant metropolitan attorneys who shall be appointed by the director of law, subject to the approval of the mayor, and each of whose compensation shall be seventy-five hundred ($7500) dollars per annum, payable semimonthly. The council may by ordinance create additional positions of assistant metropolitan attorney and fix the compensation of such positions, not to be higher than the minimum salary then being paid to an assistant metropolitan attorney. All assistant metropolitan attorneys shall perform such work of the department as may be assigned to them by the director.

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.606. Director of law and others not to engage in private practice.

The metropolitan attorney, the deputy metropolitan attorney and all assistant metropolitan attorneys shall devote their entire time and attention to the business of the department of law, and shall not engage in the private practice of law.

Sec. 8.607. Employment of special counsel restricted and provided for.

No department, board, commission or other agency of the metropolitan government may employ special counsel. Whenever the interests of the metropolitan government require special counsel, the council, by resolution, may authorize the mayor to employ such counsel, who shall be paid such compensation for his or her service as the mayor, the director of law and the director of finance shall determine to be reasonable compensation for the services rendered, and as the council shall by resolution approve. The employment of bond counsel shall not be considered as the employment of special counsel for purposes of this section.

When the interests of the metropolitan council require legal counsel, the council, by resolution, may authorize the vice-mayor to employ such legal counsel, who shall be paid such compensation for his or her services as the council shall determine to be reasonable compensation for the services rendered, and as the council shall by resolution approve. Such resolution shall not require the approval of the mayor, the director of finance or the director of law. (Res. No. 72-380, § 1, 11-7-72; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 8.608. Certain personnel of department not under civil service.

The metropolitan attorney, the deputy metropolitan attorney, their respective private secretaries and assistant

metropolitan attorneys shall not hold civil service status, except as expressly provided in the transitional provisions of this Charter.

Sec. 8.609. Amending Charter references to state statutes.

Upon the renumbering of any sections of the Tennessee Code Annotated to which this Charter makes reference, said references in the Charter shall be renumbered to properly identify the renumbered sections of the Tennessee Code Annotated after compliance with the following procedure. The metropolitan attorney, after review and approval by the Charter revision commission, shall submit the proposed changes to the metropolitan council for approval by resolution. Upon approval by the metropolitan council, a certified copy of the approving resolution shall be delivered to the secretary of state and to the metropolitan clerk who shall attach the same to the copy of the Charter in his or her custody. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—The addition of § 8.609 was approved at an election held Aug. 4, 1983.

CHAPTER 7. DEPARTMENT OF AVIATION*

***State law reference—**Airport Authorities Act, T.C.A. § 42-3-101 et seq.; Metropolitan Airport Authority Act, T.C.A. § 42-4-101 et seq.

Sec. 8.701. Created.

There shall be a department of aviation, which shall consist of the director of aviation and such other officers and employees as may be provided by ordinance.

Sec. 8.702. Functions.

The department of aviation shall be responsible (1) for the operation, maintenance and control of the Nashville Metropolitan Airport and other airports owned or operated in whole or in part by the metropolitan government, and (2) for such related activities and duties as may be prescribed by ordinance.

Sec. 8.703. Director of aviation—Qualifications, appointment and compensation.

The head of the department of aviation shall be the director, whose annual compensation, payable semimonthly, shall be twelve thousand ($12,000) dollars. A permanent vacancy in the office of the director shall be filled by appointment made by the mayor, subject to the civil service provisions of this charter. He or she shall be a person with experience in an executive or major administrative position in municipal or other public airport operations and familiar with the rules and regulations of the authorized governmental agencies concerning airport operations and aeronautic requirements. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 8.704. Same—Powers and duties.

The director of aviation shall have the general management and supervision of the department of aviation. He or she shall appoint and remove, subject to the civil service provisions of Article 12 of this charter, all other officers and employees. He or she shall have power to make rules and regulations consistent with this charter and with applicable ordinances for the conduct of the business of the department. (Amended by referendum election of November 6, 2018, Amdt. 6)

ARTICLE 9. PUBLIC SCHOOLS*

***Editor's note—**A referendum petition approved by the voters at an election held Nov. 4, 1980, substituted the term "metropolitan board of public education" for the terms "metropolitan county board of education" and "metropolitan board of education" wherever they appear in art. IX, §§ 9.01, 9.03—9.14. The petition also amended § 9.02 in its entirety.

Sec. 9.01. Public school system established.

A system of public schools for the Metropolitan Government of Nashville and Davidson County is hereby established, which shall be administered and controlled by the metropolitan board of public education, sometimes in this article called "the board."

Sec. 9.02. Board of education—Term and selection of members.

The metropolitan county board of education shall be abolished and there is established in its place the metropolitan board of public education, to succeed to all powers, duties, prerogatives, and functions of the present metropolitan county board of education. This abolishment shall take place ten (10) days following the certification of the election of members of the metropolitan board of public education.

The metropolitan board of public education shall be composed of nine (9) members whose terms of office shall be six (6) years each and shall be so staggered that the terms of three (3) members expire every two (2) years. The election of board member shall take place at the first general election following the adoption of this referendum. One (1) member of the board shall be elected from each of the school districts herein defined, and no member shall be elected from a school district wherein another incumbent member resides. Any member who shall change his or her place of residence from one

school district shall thereby vacate his or her office. The school districts from each of which one (1) member shall be elected shall be as follows:

School District Number 1 shall include Councilmanic Districts Nos. 1, 3, 10, and that part of 9 which lies north of Neelys Bend Road; west of Kinsey Boulevard; north of New Providence Pass, and Manzano Road; west of Fawn Lane; north of Warrior Road; west of Sandhurst Drive; north of East Old Hickory Boulevard.

School District Number 2 shall include Councilmanic Districts Nos. 28, 29, 30, 31.

School District Number 3 shall include Councilmanic Districts Nos. 6, 7, 8, and that part of 4 which lies east of Ellington Parkway, and that part of 9 which lies south of Neelys Bend Road; east of Kinsey Boulevard; south of New Providence Pass, and Manzano Road; east of Fawn Lane; south of Warrior Road; east of Sandhurst Drive; south of East Old Hickory Boulevard.

School District Number 4 shall include Councilmanic Districts Nos. 11, 12, 15, 14.

School District Number 5 shall include Councilmanic Districts Nos. 2, 5, 20, and that part of 4 which lies west of Ellington Parkway.

School District Number 6 shall include Councilmanic Districts Nos. 13, 16, 26, 27.

School District Number 7 shall include Councilmanic Districts Nos. 17, 18, 19, 21.

School District Number 8 shall include Councilmanic Districts Nos. 25, 32, 33, 34.

School District Number 9 shall include Councilmanic Districts Nos. 22, 23, 24, 35.

The first election of the nine-member board shall be as follows:

Of the nine (9) members elected, the three (3) members receiving the largest number of votes shall be elected for a term of six (6) years, the three (3) members receiving the next largest number of votes shall be elected for a term of office of four (4) years and the remaining three (3) members shall be elected for a term of office of two (2) years.

After the election of the first board, elections for replacing retiring members shall be at the first countywide general election each two (2) years thereafter.

The school districts herein established may be altered in a plan for redistricting councilmanic districts adopted pursuant to section 18.06 of this Charter.

No person shall be eligible to serve as a member of the board unless (a) he or she shall have attained the age of twenty-five (25) years at the beginning of his or her term; (b) shall have been a resident of the area of Metropolitan Government of Nashville and Davidson County for a period of five (5) years and one (1) year in the school district from which he or she is elected; (c) shall be a qualified, registered voter. Further, candidates for the board and members of the board shall hold no other elective or appointive public office. Candidates for membership on the metropolitan board of public education shall comply with the provisions for candidates for public office in title 2 Tennessee Code Annotated.

In the event a vacancy should occur for any reason other than the expiration of the term of a board member, the vacancy shall be filled by the metropolitan council in accordance with the provisions of Tennessee Code Annotated, section 49-2-201(a)(1). Persons eligible for appointment shall reside within the school district in which the vacancy occurs to and shall serve until the next countywide general election, at which time a person shall be elected for the remainder of the unexpired term.

Effective September 1, 2003, members of the metropolitan board of public education may be compensated at a rate as may be approved by the metropolitan county council as part of the general pay plan under the provisions of Section 18.05. (Amended by Ord. No. 71-1389, § 2, 5-4-71; Bill No. 81-701, § 2, 10-6-81; Res. No. 88-526, § 11, 10-4-88; Res. No. R98-1073, § 1, 3-25-98; Res. No. 2003-1474 § 1, 8-7-03; amended by Res. No. RS2019-1720 (Amdt. 2) on August 1, 2019)

Editor's note—In addition to the legislation given in the history note, § 9.02 was amended in its entirety by virtue of a referendum petition approved Nov. 4, 1980. Areas included in the districts were amended by referendum approved by the voters Sept. 5, 1991.

Editor's note—As a result of the enactment of Tennessee Code Annotated § 49-2-201, School Districts 2 and 5 were renumbered 5 and 2 respectively such that no School Board member's term was shortened.

Sec. 9.03. Same—Powers.

The board is authorized to do all things necessary or proper for the establishment, operation and maintenance of an efficient and accredited consolidated school system for the metropolitan government, not inconsistent with this Charter or with general law, including but not limited to the following actions, all to be taken after receiving the recommendations thereon of the director of schools: The employment and fixing of the compensation of all persons necessary for the proper conduct of the public schools; the maintenance and preservation of school property, the management and safeguarding of school funds; the acquisition of school sites; the erection, maintenance and improvement of school buildings and additions thereto; the purchase of school equipment, furniture, apparatus, supplies and the like; the provision of group insurance of not less than five hundred dollars ($500.00) each on its employees and teachers; and the

promulgation of plans, rules and regulations for the administration, operation and maintenance of a public school system.

Purchases of the board shall be consistent with the procedures established concerning competitive bidding as provided in section 8.111 of this Charter. In that respect, the board shall adopt appropriate rules and regulations concerning purchasing, including the establishment and enforcement of standard specifications for all supplies, materials and equipment required by the board and which it has authority to purchase or lease.

The board shall also have all powers and duties conferred by general law upon county boards of education and city boards of education, including, but not limited to, Tennessee Code Annotated, section 49-2-203 excepting only as otherwise provided in this Charter.

The system of furnishing free textbooks in the public schools of the city and county and receiving and accepting state aid therefor in effect at the time of the adoption of this Charter [April 1, 1963] shall be continued, unless and until changed by ordinance of the council upon recommendation of the board. (Res. No. 88-526, § 12, 10-4-88)

Sec. 9.04. Same—Duties; referendum as to school budget.

In addition to other duties imposed by this Charter or by general law, it shall be the duty of the metropolitan board of public education to:

1. Hold regular monthly meetings which shall be open to the public.

2. Adopt and make available for distribution rules, regulations and a statement of policies, including (a) the manner and method of operating the metropolitan school system and its properties, (b) the manner and method of employing personnel, (c) all personnel policies and any requirements with reference to teaching personnel or nonteaching personnel, salaries, vacations, sick leave, job security and retirement policy; and (d) the manner and extent of use which may be made of the public buildings under the control of the board.

3. Hold public hearings on the operational school budget prior to its approval by the board, and thereafter to submit to the mayor through the director of finance the budget for schools. If the operational school budget adopted by the council is in the opinion of a two-thirds majority of the entire membership of the board insufficient and inadequate to meet the needs of public education, then the board is authorized to take the following action with respect thereto:

Not later than thirty (30) days prior to the first Thursday in August, the board by a two-thirds majority of its entire membership shall adopt a resolution declaring that in addition to funds appropriated for the operational school budget as adopted by the council, an amount of money (to be specified in the resolution) is necessary; that the specified amount will be produced by an additional tax levy of a stated number of mills (to be specified in the resolution), and that the board by such resolution calls for and initiates a referendum election to determine whether such additional tax shall be levied and the total revenues thereby raised shall be added to the operational school budget. For the purpose of calculating the tax increase necessary, the board shall procure from the director of finance, who shall furnish the same immediately upon request, the amount of revenue which an additional tax of one (1) mill is anticipated to produce, and on this basis calculate the additional tax necessary to raise the additional school funds sought. A certified copy of such resolution shall immediately be transmitted to the council and to the board of county commissioners of election, which shall order and conduct a special referendum election on the first Thursday in August, the same to be held simultaneous with, and as a part of, the general August election if the year be an even one.

In addition, the Board may take the action outlined in the preceding paragraph to provide additional funding for capital improvements eligible for funding in the capital improvements budget established pursuant to Section 6.13 of the Metropolitan Charter. For purposes of this section, capital improvements include renovations, repairs, maintenance, new construction of any building, structure, work, or improvement and technology, instructional and safety equipment.

The notice of election and the ballot for such referendum on the operational school budget shall provide substantially as follows:

Referendum Election as to increased operational school budget of $ (here fill in the additional amount which the Board has certified as necessary) and an increase of (here fill in amount which the Board has certified as necessary) mills in tax rate thereby necessitated.

For Increase_____

Against Increase_____

The result of the special election on the operational school budget shall be certified by the commissioners of election to the director of finance and to the county trustee. If the majority of voters favor said increase, then the previously adopted tax levy for the general services district shall be deemed accordingly amended and increased and the previously adopted operational school budget shall be deemed accordingly amended and increased. If the majority of voters do not favor said increase, then both the tax levy and the operational school budget shall remain as previously adopted.

If the Board, not later than thirty (30) days prior to the first Thursday in August, adopts a resolution calling

for a referendum to increase funding for capital improvements, the notice of election and the ballot for such referendum shall provide substantially as follows:

Referendum Election to increase funding for capital improvements in the amount of $ (here fill in the additional amount which the Board has certified as necessary), and an increase of (here fill in amount which the Board has certified as necessary) mills in the current tax rate thereby necessitated.

For Increase_____

Against Increase_____

If the Board adopts a resolution calling for a referendum to fund capital improvements outside of the time period described above, the notice of election and the ballot for such referendum shall provide substantially as follows:

Referendum Election to authorize funding for capital improvements in the amount of $ (here fill in amount which the Board has certified as necessary) for the upcoming fiscal year beginning on July 1, 19____ (here fill in first day of next fiscal year), and an increase not to exceed (here fill in amount which the Board has certified as necessary) mills in the tax rate for the upcoming fiscal year.

For Increase_____

Against Increase_____

The result of the special election to increase funding for capital improvements shall be certified by the commissioners of election to the director of finance and to the county trustee. With respect to special elections on capital improvements called pursuant to a resolution adopted by the Board not later than thirty (30) days prior to the first Thursday in August, if the majority of voters favor said increase, then the previously adopted tax levy for the general services district shall be deemed accordingly amended and increased and the previously adopted appropriation for capital improvements shall be deemed accordingly amended and increased. If the majority of voters do not favor said increase, then both the tax levy and the appropriation for capital improvements shall remain as previously adopted. With respect to special elections on capital improvements called pursuant to a resolution adopted by the Board outside the time period described above, if the majority of voters favor said increase, then the additional tax levy shall take effect the following fiscal year, unless the budget appropriation for capital improvements for the following fiscal year includes the additional revenues authorized by the special election.

From and after the issuance of tax bonds or notes for the Board to fund capital improvements from the revenues generated by the additional tax levy for capital improvements authorized by this section, there shall be included in the annual tax levy ordinance for education for the general services district, over and above all other taxes assessed therein, a sum sufficient to meet the interest and redemption charges on such tax bonds or notes due or to be paid in the ensuing year, together with a sum sufficient to reimburse the general fund for any appropriation made or to be made therefrom for the payment of any such interest or redemption charges.

The cost of any special election authorized by this section shall be paid out of the general fund of the general services district.

Sec. 9.05. Same—Employment of director of schools.

The metropolitan board of public education is authorized to designate a person experienced in public school management and supervision and possessing a certificate of qualification issued by the state board of education pursuant to Tennessee Code Annotated, section 49-2-301(a), as the chief administrative employee of the board, and to enter into an employment contract with such person for a period not exceeding five (5) years and for a compensation to be determined therein. The person so designated and employed shall be known as the "metropolitan director of schools." The metropolitan board of public education is authorized to assign to the metropolitan director of schools such duties and responsibilities as are necessarily, usually or properly assigned to a city superintendent of schools or to a county superintendent of schools. (Res. No. 88-526, § 13, 10-4-88)

Sec. 9.06. Pension rights of educational employees of county and city protected.

All rights and benefits which any person has acquired under a pension plan established for the benefit of teachers in the school system of Davidson County shall be preserved and continued, and all rights and benefits which any person has acquired as a nonteaching employee of the county board of education in the Davidson County Pension Fund shall be preserved and continued. All rights and benefits which any person has acquired under the teachers pension department and fund of the City of Nashville shall be preserved and continued, and all rights and benefits which any person has acquired as a nonteaching employee of the city board of education in the civil service employees pension fund of the City of Nashville shall be preserved and continued. Every person whose rights are preserved and continued by this section shall be entitled to participate in the applicable pension plan or fund on the terms and conditions in effect

immediately prior to the effective date of this charter, except as such terms and conditions may be changed by applicable general law.

Sec. 9.06.1. Benefit increase plan.

The board of public education may recommend increase in benefits to members of pension plans set forth in section 9.06. Upon recommendation by the board of public education, the plan for increased benefits shall be submitted to the mayor through the director of finance. The mayor shall approve or disapprove the plan and forward same to the council. Upon disapproval, the mayor shall attach a statement indicating his or her reasons for disapproval.

The council shall (1) adopt the benefits increase plan, or (2) reject it. Adoption or rejection shall be by resolution not requiring the approval of the mayor. When a benefit increase plan is rejected by the council, it shall be returned to the metropolitan board of public education which may thereupon formulate another benefit increase plan and transmit the same to the mayor through the director of finance under the provisions set forth above. The plan for increase in benefits shall be adopted effective at the beginning of the next fiscal year, except the effective date for the fiscal year beginning July 1, 1972, shall be as stated by the adopting resolution. (Res. No. 72-380, § 1, 11-7-72; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 9.07. Pension and retirement plan for metropolitan teachers; voluntary transfer thereunder of city and county teachers.

The metropolitan board of public education shall establish an actuarially sound pension and retirement plan for teachers. Such plan shall be applicable to teachers employed by the metropolitan board of public education who were not employed in the county school system or the city school system immediately prior to the effective date of this Charter. Such plan shall make provision for the transfer thereunder of teachers who were employed in either the school system of the City of Nashville or the school system of Davidson County when such teachers apply for such transfer and meet conditions of transfer specified by the plan. The metropolitan board of public education is authorized in its discretion to integrate its pension and retirement plan for teachers with the Federal Insurance Contributions Act, or other applicable state or federal legislation.

Sec. 9.08. Tenure rights of county and city teachers protected.

Any person employed in the school systems of the City of Nashville and of Davidson County who has acquired tenure as a teacher under sections 49-5-501 to 49-5-514, inclusive, of Tennessee Code Annotated, or under any private act, shall retain such tenure in the metropolitan school system established by the consolidation of said school system. (Res. No. 88-526, § 14, 10-4-88)

Sec. 9.09. Disabilities of board members and council members to make adverse contracts or own school warrants.

Members of the metropolitan board of public education and members of the council shall be under the same disabilities as to making adverse contracts with the metropolitan board of public education or as to owning school warrants as are established by general law for members of county boards of education and justices of the peace.

Sec. 9.10. Civil service as to teachers and other educational employees.

The metropolitan board of public education shall constitute a civil service board for the purpose of investigating and hearing charges against any teacher and for the purpose of dismissing, suspending or otherwise disciplining the same and for the purpose of section 12.09 of this Charter. In the discharge of its duty as a civil service board, the metropolitan board of education is authorized to make rules and regulations. The provisions of section 12.11 of this Charter with reference to offenses against civil service and disabilities of civil service employees shall be applicable to all nonteaching employees of the board of public education. Any teacher suspended or dismissed may obtain a judicial review as provided in section 49-5-513 of Tennessee Code Annotated, the same being a portion of the Teachers' Tenure Act. Any nonteaching employee of the board may have his or her dismissal reviewed by the court in the same manner provided by section 12.07(h) for classified employees. (Res. No. 88-526, § 15, 10-4-88; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 9.11. No diversion of funds.

No funds which have been appropriated for the use of, or transferred to, the metropolitan school system shall be diverted from that use for any other purpose.

Sec. 9.12. Transfer of school funds within school budget.

The board shall have power at any time to transfer funds within the major items of its budget. It shall also have power to make transfers of funds to, from or between major items in its budget, provided such transfers are not inconsistent with the general law.

Sec. 9.13. Transfers to school fund from general funds; borrowing money.

The metropolitan council by resolution approved by the mayor, may transfer funds to the school fund from the general fund or general accounts of the metropolitan government, or may issue short term anticipation notes to provide such funds if in its judgment it is necessary and proper to provide temporary advances or transfers for the maintenance and operation of the schools. Such temporary advances or transfers shall be repaid or restored out of school funds during the ensuing year.

Sec. 9.14. Acquisition and sale of property.

All school property heretofore belonging to the County of Davidson and all school property heretofore belonging to the City of Nashville shall belong to the Metropolitan Government of Nashville and Davidson County for the use and benefit of the board of education, and the title to all school property hereafter acquired shall be vested in the Metropolitan Government of Nashville and Davidson County for the use and benefit of the board of public education. The board of public education is hereby designated as the legal custodian of all school property; and when in the judgment of said board any property held by it is no longer suited or needed for school purposes, said board is hereby authorized, with the approval of the council and mayor, to sell such property and have the proceeds credited to the unappropriated school fund of the metropolitan government.

In acquiring or selling property, the board shall cooperate closely with the planning commission, whose recommendation shall be sought and carefully considered by the board.

ARTICLE 10. PUBLIC HEALTH AND HOSPITALS

CHAPTER 1. PUBLIC HEALTH

Sec. 10.101. Metropolitan board of health—Created.

There shall be a metropolitan board of health which shall oversee administration of the Metro Public Health Department as herein provided. (Res. No. RS2022-1475, § 1(Amdt. 3, § I), 5-5-2022, election of 8-4-2022)

Sec. 10.102. Same—Qualifications, term and selection of members.

The board shall be composed of seven (7) members. One (1) member shall be a doctor of medicine or osteopathy certified for practice as such by the state board of medical examiners or board of osteopathic examination, licensed by the state licensing board for the healing arts, and who shall have had not less than five years' experience in the active practice of his or her profession. One (1) member shall be a licensed mental health professional who shall have not less than five years' experience in the active practice of his or her profession. One (1) member shall be a registered nurse. Two (2) members of the board shall be chosen without reference to occupation, except that they shall not come from the medical profession.

Two (2) members shall come from any of the following categories:

- A doctor of medicine or osteopathy certified for practice in Tennessee by the Board of Medical Examiners or Board of Osteopathic Examination;
- A practitioner in an allied health field with a background in the practice of public health;
- An attorney licensed to practice law by the Tennessee Board of Law Examiners;
- A veterinarian licensed by the Tennessee Board of Veterinary Medical Examiners;
- A dentist licensed to practice by the Tennessee Board of Dentistry;
- A person with a background in environmental health practice or policy;
- A person with an advanced degree in public health;
- A person with a background as a community health worker.

The members of the board shall be appointed by the mayor and confirmed by a majority of the whole membership of the council. They shall serve terms of five (5) years each. Any vacancy other than by expiration of term shall be filled for the unexpired term. Members of the board shall serve without compensation. The terms of board members shall be staggered to ensure no more than three seats are vacated in a given year.' (Res. No. 76-172, 9-16-76; amended by referendum election of November 6, 2018, Amdt. 6; Res. No. RS2022-1475, § 1(Amdt. 3, § II), 5-5-2022, election of 8-4-2022)

Sec. 10.103. Same—Functions.

The board of health shall hire the director of health, as specified below, and oversee his or her direction of the department of health with respect to all administrative functions of the metropolitan government pertaining to:

1. The physical and mental health of the people.
2. The investigation and control of communicable diseases.
3. The regulation of publicly and privately owned institutions for the purpose of sanitation and public health.
4. The enforcement of reasonable rules and regulations promulgated as herein provided.
5. The collection, compilation, tabulation, analyzing and reporting of statistics and data concerning births, still births, deaths and such vital statistics.
6. The performance or the functions previously assigned by law to the health officers or the health departments of the City of Nashville and Davidson County, or such as hereafter may be assigned to city or county health officers or city health departments or county health departments in Tennessee.
7. The inspection of all charitable institutions, all jails and all institutions of the metropolitan government where sick, mentally ill, destitute or other persons are confined. The board may cause any person convicted of violating any law or ordinance and who is confined, or who is on parole, to be examined as to the causes contributing to the delinquency and shall make and keep a record of such examinations. (Res. No. RS2022-1475, § 1(Amdt. 3, §§ III, IV), 5-5-2022, election of 8-4-2022

Sec. 10.104. Same—Duties.

In addition to the duties otherwise imposed by this Charter or by general law, it shall be the duty of the board of health to:

1. Determine and establish the policies to be followed in the exercise of its functions.
2. Establish within the department of health such divisions, branches, or subdivisions, and plan of organization as may be consistent with efficient administration, which organizational plan shall be submitted by the board to the council for approval by ordinance, and which organizational plan may be amended from time to time in like manner.
3. After public hearing adopt reasonable rules and regulations or amend rules and regulations previously adopted as necessary for the protection of the health of the people, which rules and regulations, among other things, shall set standards and procedures and requirements of conduct not less than as set out in regulations of the commissioner of public health of Tennessee. No such rule or regulation shall be contrary to any metropolitan ordinance.
4. Hear and act upon complaints of persons affected by decisions of the director of health or chief medical officer and to amend or set aside such decisions as are contrary to policies or regulations of the board.
5. Cause to be submitted, with the aid of the department of law, for submission to the council for its consideration, a comprehensive Health Code which shall embrace all matters with relation to public health to which the powers and duties of the board extend, and which shall have as its purpose the preservation and promotion of the health of the people of the metropolitan government.
6. Submit to the mayor, within six months after the beginning of each new term of office, a report upon the activities of the metropolitan board of health and a comprehensive program of public health and indigent medical care.
7. Conduct inquiries, make investigations and hold hearings for the purpose of investigating nuisances, preventing the creation of nuisances, taking other preventative steps to protect the health of the community and for other purposes herein set forth in connection with the powers, duties and authorities of the board. In conducting any such inquiry and mailing of any such investigation the board shall have and may exercise the same investigative powers as are vested by this Charter in other metropolitan agencies which are given investigative powers.
8. Contract with other governmental agencies, or with public or private institutions, subject to confirmation by the council by resolution for such services as will further the program and policies of the board.
9. Cause to be prepared by the director of health, subject to review and revision by the board, the proposed annual budget for the metropolitan board of health.
10. Cooperate with agencies of the United States and of the State of Tennessee in all matters of public health and sanitation and accept, receive and provide for the use of federal and state grants in aid, state aid and matching funds.
11. Cooperate with privately endowed or operated institutions, funds or foundations in all matters of public health and sanitation and receive and accept and provide for the use of grants from any such institutions, funds or foundations.
12. Exercise such other authority and perform such other duties as may be required by ordinance consistent with the general law and the provisions of this Charter. (Res. No. RS2022-1475, § 1(Amdt. 3, § V), 5-5-2022, election of 8-4-2022

Sec. 10.105. Director of health and chief medical officer—Appointment and qualifications.

The board shall appoint a director of health and may enter into an employment contract with such person for a period not exceeding five (5) years, and at a compensation to be fixed by the board. Such compensation so fixed shall be subject to approval by the council by resolution. The qualifications for the director of health shall be established by the board, subject to approval by the Metro Director of Human Resources. If the director of health is not a doctor of medicine or osteopathy, the director shall appoint a medical doctor or doctor of osteopathy, who may be a member of the department of health staff, to serve as the chief medical officer, which appointment is subject to board approval. Any powers, duties, responsibilities, or authorities vested in the director of health that require or imply that the director is a licensed physician shall be delegated to the chief medical officer. Any such delegation shall be made in writing and filed with the board of health. (Amended by referendum election of November 6, 2018, Amdt. 6; Res. No. RS2022-1475, § 1(Amdt. 3, § VI), 5-5-2022, election of 8-4-2022)

Sec. 10.106. Same—Powers and duties.

The director of health shall be the chief administrative officer of the board. He or she shall be responsible to the board for the administration and execution of its program and policies. Within the policies set forth by the board he or she shall have general management and control of any divisions of the department and such other administrative units as may be created by the board or by ordinance. With the approval of the board, pursuant to established personnel policies, and subject to the provisions of this article, he or she shall appoint and remove the heads of the divisions and other officers and employees of the board. He or she shall have such other powers and duties as may be authorized by general law, by this Charter or by ordinance. (Amended by referendum election of November 6, 2018, Amdt. 6; Res. No. RS2022-1475, § 1(Amdt. 3, § VII), 5-5-2022, election of 8-4-2022)

Sec. 10.107. Personnel rules and regulations of the board of health.

The metropolitan board of health, consistent with the standards of the merit system of the United States Public Health service, shall establish, adopt and make available for distribution, its rules, regulations and policy statement concerning its personnel policy, the manner and method of employing personnel, the requirements with reference to the qualifications of both professional and nonprofessional personnel, salaries, vacations, sick leave, job security, retirement policy, and other related terms and conditions of employment by the board.

The board shall constitute a civil service board with respect to employees of the board of health for the purpose of section 12.09 of this Charter and for the purpose of investigating and hearing charges against any professional or nonprofessional employee, and for the purpose of dismissing, suspending or otherwise disciplining any such employee, or reviewing any decision of the director of health affecting the employment status of such employee. In the discharge of its duties as a civil service board, the board shall act pursuant to its rules and regulations governing personnel policies promulgated as hereinabove stated, and shall have the same investigative powers as vested by this Charter in other agencies of the metropolitan government in which investigative power is vested. Any employee of the board dismissed or discharged pursuant to the action of the Board after hearing, may have such discharge or dismissal reviewed in the same manner as is provided in this Charter for the review of actions of the civil service commission under certain conditions. (Res. No. RS2022-1475, § 1(Amdt. 3, § VII), 5-5-2022, election of 8-4-2022

Sec. 10.108. Budget of metropolitan board of health.

The board shall submit to the mayor, through the director of finance, the budget for the metropolitan board of health. If the mayor shall make any change therefrom in the budget submitted by him or her to the council, it shall be his or her duty to inform the council with respect to such change and the original proposals of the board. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 10.109. Pension and retirement rights under former county plans.

All rights and benefits which any officer or employee of the county board of health of Davidson County or of the county health office has acquired under any pension plan established before the effective date of this Charter[1] are preserved and continued, as otherwise provided in this Charter.

1. April 1, 1963.

Sec. 10.110. Civil service medical examiner; civil service examinations.

The director of health shall designate a qualified professional member of his or her medical staff as civil service medical examiner to conduct physical examina-

tions for civil service personnel, including applicants for appointments, to conduct examinations for persons in retired status and applicants for retirement benefits, and to conduct periodical examinations for drivers of vehicular equipment of the metropolitan government. In addition, the civil service medical examiner shall conduct physical examinations when requested by any board or agency of the metropolitan government but solely for metropolitan government purposes; or as provided by ordinance. (Amended by referendum election of November 6, 2018, Amdt. 6; Res. No. RS2022-1475, § 1(Amdt. 3, § VII), 5-5-2022, election of 8-4-2022)

CHAPTER 2. PUBLIC HOSPITALS*

***Editor's note—**The Hospital Authority of the Metropolitan Government of Nashville and Davidson County was created by Substitute Resolution No. R99-1410, adopted March 2, 1999.

State law reference—Metropolitan Hospital Authority Act, T.C.A. § 7-57-501 et seq.

Sec. 10.201. Metropolitan board of hospitals—Created.

There shall be a metropolitan board of hospitals, which sometimes in this article is called the "board." The board shall administer and control hospitals for the Metropolitan Government of Nashville and Davidson County as herein provided.

Sec. 10.202. Same—Qualifications, term and selection of members.

The board shall be composed of seven (7) members. Three (3) members shall be doctors of medicine certi-

fied for practice as such by the state board of medical examiners and licensed by the state licensing board for the healing arts, and each of whom shall have had not less than five (5) years' experience in the active practice of his or her profession. One of said doctors of medicine shall also have had special training, practice and experience in the field of psychiatric medicine. One member shall be a registered nurse. The three remaining members of the board shall be chosen without reference to occupation or profession. Members of the board shall serve without compensation.

The members of the board shall be appointed by the mayor and confirmed by a majority of the whole membership of the council. They shall serve terms of five years each, provided that of the first seven members, two shall serve for five years, one for four years, two for three years, one for two years and one for one year. Any vacancy other than by expiration of term shall be filled for the unexpired term. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 10.203. Same—Functions.

The board of hospitals, through the director of hospitals, shall exercise all the administrative functions of the metropolitan government pertaining to the operation of all institutions owned, maintained or operated by the metropolitan government for the examination, treatment, convalescence or detention of the sick, injured or physically or mentally ill. Said board shall determine and establish the policies to be followed in the exercise of its function and it may receive, accept and provide for the use of funds from any governmental agency, by any public or private institution or by any individual.

Sec. 10.204. Director of hospitals—Appointment and qualifications.

The board of hospitals shall appoint a director of hospitals, herein sometimes called "director," and may enter into an employment contract with such person for a period not exceeding five (5) years, and at a compensation to be fixed by the board. The director shall be a person who has had at least five (5) years' experience in hospital administration or at least ten (10) years' experience in some other executive or major administrative position.

Sec. 10.205. Same—Powers and duties.

The director shall be the chief administrative officer of the board of hospitals. He or she shall be responsible to the board for the administration and execution of its program and policies. Within the policies set forth by the board, he or she shall have general management and control of all hospitals and institutions administered by the board. With the approval of the board, pursuant to established personnel policies, and subject to the provisions of this article, he or she shall appoint and remove the other officers and employees of the board. He or she shall have such other powers and duties as may be authorized by general law, by this Charter or by ordinance. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 10.206. Personnel rules and regulations of the board of hospitals.

The board of hospitals shall establish, adopt and make available for distribution its rules, regulations and policy statement concerning its personnel policy, the manner and method of employing personnel, the requirements with reference to the qualifications of both professional and nonprofessional personnel, salaries, vacations, sick leave, job security, retirement policy, and other related terms and conditions of employment by the board.

The board shall constitute a civil service board with respect to employees of said board for the purpose of section 12.09 of this Charter and for the purpose of investigating and hearing charges against any professional employee, and for the purpose of dismissing, suspending or otherwise disciplining any such employee, or reviewing any decision of the director affecting the employment status of such employee. In the discharge of its duties as a civil service board, the board shall act pursuant to its rules and regulations governing personnel policies promulgated as hereinabove stated, and shall have the same investigative powers as vested by this Charter in other agencies of the metropolitan government in which investigative power is vested. Any employee of the board dismissed or discharged pursuant to the action of the board after hearing may have such discharge or dismissal reviewed in the same manner as is provided by this Charter for review of actions of the civil service commission under certain conditions.

Sec. 10.207. Pension and retirement rights under former city or county plans.

All rights and benefits which any person has acquired as an employee of any hospital or institution owned, maintained or operated by the City of Nashville or the County of Davidson are preserved and continued as otherwise provided in this Charter.

ARTICLE 11. ADMINISTRATIVE BOARDS AND COMMISSIONS

CHAPTER 1. GENERAL PROVISIONS

Sec. 11.101. General provisions control except as specified.

The following general provisions shall apply to all administrative boards and commissions established by this article or other provisions of this Charter, except as specific provisions as to a particular board or commission otherwise provide.

Sec. 11.101.1. Holding over of member after expiration of term; appointment of successor, reappointment.

Any member of an administrative board or commission established under the provisions of this charter or by ordinance of the metropolitan county council and whose term has expired, may remain as a member of said board or commission no longer than sixty (60) days after the expiration of his or her term. Should the mayor or other appointing authority fail to appoint a successor or reappoint the member within sixty (60) days after expiration of his or her term, the position shall be deemed vacated and the power and authority to appoint shall be vested in the vice-mayor subject to confirmation by the council in the same manner as prescribed by this charter.

Should the mayor or other appointing authority appoint a successor or reappoint the member prior to or within sixty (60) days of the expiration of the term, and the metropolitan council fail[s] to act on the appointment within sixty (60) days of receipt of the letter of appointment from the mayor or other appointing authority, the appointment shall be conclusively presumed approved by the council.

Should an appointee be rejected by the council, the mayor or other appointing authority shall have sixty days to submit a new appointee to said council, provided the mayor or other appointing authority shall not resubmit the rejected appointee's name for consideration for the same position for a period of one (1) year. (Res. No. 74-869 § 1, 11-5-74; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 11.102. Qualifications of members.

Every member shall have been a resident of the area of the metropolitan government for not less than one (1) year prior to his or her appointment and shall continue to be so eligible so long as he or she shall serve. (Amended by Res. No. RS2006-1487 (Amdt. 5), referendum election of November 7, 2006, Amdt. 6; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 11.103. Quorum.

A majority of the membership shall constitute a quorum for the purpose of meeting and transacting business.

Sec. 11.104. Regular and special meetings.

Each board or commission shall hold regular meetings at least quarterly for the conduct of its business and may hold more frequent regular meetings as its by-laws may provide; and it may hold special meetings as may be deemed necessary, the same to be called or held as provided in its by-laws.

Sec. 11.105. Election of chairman, vice-chairman and secretary.

Each board or commission shall elect one of its members as chairman and another as vice-chairman, who shall serve for a period of one (1) year or until his or her successor shall have been chosen; and it may elect as its secretary one of its own members or it may appoint as secretary one of its employees. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 11.106. Members to hold no other metropolitan office or position.

No appointive member of any board or commission shall hold any other remunerative public office or position in the metropolitan government, except as otherwise specifically provided in this Charter.

Sec. 11.107. By-laws, rules and regulations to be filed with metropolitan clerk.

Each board or commission may make such by-laws, rules and regulations, not inconsistent with law, as it deems appropriate for the conduct of its business, copies of which shall be filed with the metropolitan clerk and with the secretary of the board or commission.

Sec. 11.108. Employment of personnel.

Except as otherwise provided in this Charter, each board or commission is authorized to employ such personnel as may be necessary to perform its functions and as may be within the limits of its budget appropriations.

Sec. 11.109. Removal of members.

Any appointive member of any board or commission established under the provisions of this Charter or by

ordinance may be removed from office by a three-fourths (¾'s) vote of the entire membership of the council. (Added by Amdt. 1 to referendum petition approved June 11, 1991)

CHAPTER 2. BOARD OF EQUALIZATION

Sec. 11.201. Established; members, appointment, qualifications and vacancies.

There is hereby established a metropolitan board of equalization, which shall consist of five (5) members appointed by the mayor for a term of two (2) years, and confirmed by a majority vote of the whole membership of the council. Said members shall be owners of taxable real property within the territorial limits of the metropolitan government and shall have been residents therein for a period of at least six (6) years prior to their appointment. At least two (2) members shall reside within and own taxable real property within the urban services district; and at least two (2) members shall reside without and own taxable real property without the urban services district. A member shall create a vacancy on the board if during his or her term of office he or she does not meet the requirements of appointment. All vacancies shall be filled for the unexpired term in the same manner as original appointments. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 11.202. Powers and duties.

Said board shall meet in a metropolitan public building on the second Monday in April of each year, and sit in regular session as necessity may require until the equalization has been completed, which shall not be later than June 1st. The board shall give notice in a principal newspaper of daily circulation published in the metropolitan area at least five (5) days prior to the initial meeting, stating the time, place, and hours of such meeting.

It shall be the duty of the metropolitan board of equalization carefully to examine, compare and equalize the assessments of property and merchants' ad valorem assessments within the territorial limits of the metropolitan government, and in so doing, together with the performance of all its other functions, be governed by the general laws regulating county or city boards of equalization, except as otherwise specified in this Charter.

Not later than fifteen (15) days after its adjournment, the board shall cause to be published in a principal daily newspaper published in the metropolitan area, a list of all taxpayers whose assessments were increased or decreased by said board, giving the names of taxpayers, location of the property, and the amount of increase or decrease as compared with the assessment of the metropolitan tax assessor.

Not later than fifteen (15) days after its adjournment, said board shall certify the assessments. The tax rolls shall then be turned over to the division of collections in the metropolitan department of finance at least fifteen (15) days prior to the date that taxes become due and payable.

Sec. 11.203. Right of complaint.

Any owner of taxable property shall have the right to make complaint before the metropolitan board of equalization. Upon such complaint, the board may hear any evidence or witnesses offered by the complainant or take other such steps as it may deem necessary to the investigation of the complaint, and pass upon the question justly and equitably. The board shall pass upon each complaint and either dismiss the complaint or grant all or part of the relief requested.

All decisions of the board of tax equalization shall be final and conclusive unless within the time permitted by law the taxpayer appeals from said decision to the state board of equalization and the action of the latter board shall be final, but always subject to such judicial review as may be permitted by law.

Sec. 11.204. Compensation of board members.

Members of the board shall receive compensation as provided by Tennessee Code Annotated, section 67-1-403, for members of county boards of equalization. (Res. No. 88-526, § 16, 10-4-88)

Sec. 11.205. General law applicable.

The metropolitan board of equalization shall be governed by general laws regulating county or city boards of equalization, except as specified in this Charter.

CHAPTER 3. ELECTRIC POWER BOARD

Sec. 11.301. Electric Power Board of Nashville continued as metropolitan agency.

The Electric Power Board of Nashville, created and established by chapter 246, Private Acts of 1947, and amendatory acts, the same being the Charter of the City of Nashville, shall continue to exist as the Electric Power Board of the Metropolitan Government of Nashville and Davidson County and to function as an agency of the metropolitan government, and shall have all the rights, duties, powers, obligations, privileges and responsibilities as are contained in the terms and provisions of said Private Acts or Municipal Charter. A copy

of the terms and provisions of said Private Acts or Municipal Charter, with modifications limited to those changes necessary and proper to constitute said electric power board an agency of the metropolitan government, is attached to this Charter and made a part hereof as Appendix Three hereto.

CHAPTER 4. NASHVILLE TRANSIT AUTHORITY

Sec. 11.401. Nashville Transit Authority continued as metropolitan agency.

The Nashville Transit Authority, created and established by chapter 487, Private Acts of 1953 and amendatory acts, the same being amendments to the Charter of the City of Nashville, shall continue to exist and to function as an agency of the metropolitan government and shall have all the rights, duties, powers, obligations, privileges and responsibilities as are contained in the terms and provisions of said Private Acts or Municipal Charter; provided, that members of said authority shall be appointed by the mayor and confirmed by a majority vote of the whole membership of the council. A copy of the terms and provisions of said Private Acts or Municipal Charter, with modifications limited to those changes necessary and proper to constitute said Nashville Transit Authority as an agency of the metropolitan government, is attached to this Charter and made part hereof as Appendix Four hereto.

CHAPTER 5. METROPOLITAN PLANNING COMMISSION

Sec. 11.501. Established.

There shall be a metropolitan planning commission, sometimes in this chapter called "the commission," which shall be the official planning agency for the Metropolitan Government of Nashville and Davidson County.

Sec. 11.502. Number, qualifications, appointment, terms of office and vacancies of members.

The commission shall consist of ten (10) members. The mayor shall serve as a member of the commission by virtue of his or her public office and one (1) member of the metropolitan county council shall be selected by that body from its membership to serve as a member of the commission for a term of two (2) years.* The member of the council selected to serve as a member of this commission shall be the chairman of the council committee on planning, provided such a committee is established. Eight (8) members shall be appointed by the mayor and shall be confirmed by a majority vote of the whole membership of the council.

The eight (8) members appointed by the mayor shall serve a term of four (4) years, respectively, or until a successor is duly appointed and qualified; except, of the members first appointed, two (2) shall serve for a term of one (1) year, two (2) for a term of two (2) years, two (2) for a term of three (3) years, and two (2) for a term of four (4) years.**

Any vacancy occurring during the unexpired term of any member shall be filled in the manner prescribed herein for the original selection of the members of this commission. (Amended by referendum election of November 6, 2018, Amdt. 6)

*** Editor's note—**Prior to September 1, 1996, this sentence read, "The mayor shall serve as a member of the commission by virtue of his or her public office and one (1) member of the metropolitan county council shall be selected by that body from its membership to serve as a member of this commission." This addition of language specifying the length of term was approved by referendum election held November 8, 1994.

**** Editor's note—**Prior to September 1, 1996, this sentence was followed by another sentence that read, "The terms of the mayor and the members of the council shall be coextensive with the terms of their respective public positions." Its deletion was approved by a referendum election held November 8, 1994.

Sec. 11.503. Organization; officers; meetings; quorum; business; records.

Immediately upon appointment and qualification, the metropolitan planning commission shall elect one of its appointive members as chairman and one as vice-chairman, each of whom shall serve for a period of one (1) year, respectively, or until his or her successor shall have been chosen for the ensuing term. The commission may choose such other officers as it deems necessary.

The metropolitan planning commission shall meet regularly at a public building at least once a month and its meetings shall be open to the public. Special meetings may be called by the chairman of the commission or by any three (3) members thereof. Six (6) members shall constitute a quorum for the transaction of any business, which shall be accomplished in accordance with bylaws adopted by the commission. A majority vote of the members present and constituting a quorum shall be necessary to decide any item of business requiring action by the commission. The commission shall maintain a record of its meetings and all actions taken and these records shall be open to the public. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 11.504. Powers, duties and responsibilities.

The metropolitan planning commission shall have all of the powers, duties and responsibilities which are now or may be hereafter granted to municipal planning commissions, regional planning commissions or metropolitan planning commissions by general state law, including specifically but not limited to such powers, duties and responsibilities with respect to general planning, zoning and subdivision regulations as are granted by the following chapters of title 13 (Public Planning and Housing) of the Tennessee Code Annotated: chapter 3, part 1 (Regional Planning Commissions); chapter 3, part 4 (Regional Planning Regulations); chapter 7, part 1 (County Zoning Regulations); chapter 4, part 1 (Municipal Planning Commissions); chapter 4, part 3 (Municipal Planning Regulations); and chapter 7, part 2 (Municipal Zoning Regulations); provided such powers, duties and responsibilities are not in conflict with the provisions of this article. To the extent that there is any conflict between the powers given a metropolitan planning commission and the powers given a municipal planning commission or a regional planning commission, the commission hereby created shall be deemed a metropolitan planning commission; and to the extent that there is any conflict between the powers given a municipal planning commission and the powers given a regional planning commission, the commission hereby created shall be deemed a municipal planning commission. In addition thereto, the commission shall have such powers, duties and responsibilities as are provided by ordinance.

In the performance of these powers, duties and responsibilities, the metropolitan planning commission shall have the authority, and where appropriate to the context shall be required, to:

(a) Within its budget appropriation and other funds at its disposal employ personnel and enter into contracts for such services as it may require.

(b) Enter into agreements and receive such grants and/or assistance as may be available from the federal or state governments for planning purposes; receive gifts for planning purposes.

(c) Require information which shall be furnished within a reasonable time from the other departments and agencies of the metropolitan government.

(d) Enter upon any land and make examinations and surveys and place and maintain necessary monuments and markers thereon.

(e) Make, amend and add to the master or general plan for the physical development of the entire metropolitan government area.

(f) Exercise control over platting or subdividing of land within the metropolitan government area.

(g) Draft for the council an official map of the area and recommend or disapprove proposed changes in such map.

(h) Make and adopt a zoning plan and recommend or disapprove proposed changes in such plan.

(i) Make, in cooperation with the metropolitan government housing authority, and adopt plans for the clearance and rebuilding of slum areas and for the improvement of blighted areas within the metropolitan government area.

(j) Make and adopt plans for the replanning, conservation, improvements and renewal of neighborhoods, planning units and communities within the metropolitan government area.

(k) Submit annually to the mayor, not less than sixty (60) days prior to the beginning of the budget year, a list of recommended capital improvements which in the opinion of the commission are necessary or desirable to be constructed or otherwise provided during the forthcoming six-year period. Such lists shall be arranged in order of preference with recommendations as to which projects shall be constructed in which years.

(l) Promote public interest in and understanding of planning and its organization and operation, the master or general plan and its constituent parts, and the implementation of planning, including zoning, subdivision regulation, urban renewal, the official map and capital improvements programming. (Res. No. 88-526, § 17, 10-4-88)

Sec. 11.505. Mandatory referrals to planning commission.

Whenever the commission shall have adopted the master or general plan of the metropolitan government area or any part thereof, then and thenceforth no street, park or other public way, ground, place or space, no public building or structure, or no public utility whether publicly or privately owned, shall be constructed or authorized in the area under the jurisdiction of the metropolitan government until and unless the location and extent thereof shall have been submitted to and approved by the planning commission; provided, that in case of disapproval, the commission shall communicate its reasons to the council and said council by a vote of a majority of its membership, shall have the power to overrule such disapproval and, upon such overruling, said council shall have the power to proceed. The widening, narrowing, relocation, vacation, change in the use, acceptance, acquisition, sale or lease of any street or public way, ground, place, property or structure shall be subject to similar submission and approval, and the

failure to approve may be similarly overruled. The failure of the commission to act within thirty (30) days from and after the date of official submission to it shall be deemed approval, unless a longer period be granted by the submitting body, board or official.

Sec. 11.506. Department of planning; executive director.

There shall be a department of planning, headed by an executive director. The planning commission shall appoint an executive director and may enter into an employment contract with such person for a period not exceeding five (5) years, and at a compensation to be fixed by the commission.

The executive director shall attend all meetings of the metropolitan planning commission, act as its secretary, keep minutes of its proceedings, direct the staff of the commission in its work, and shall have such other authority, duties and responsibilities as the commission may require and establish or as may be provided by ordinance.

The executive director shall have such executive authority, duties and responsibilities as are now or may be hereafter provided by general state law concerning municipal planning commissions, regional planning commissions or metropolitan planning commissions.

The department of planning shall be organized in such manner deemed appropriate by the planning commission for the performance of its work.

CHAPTER 6. METROPOLITAN BOARD OF FAIR COMMISSIONERS

Sec. 11.601. Created; number, qualifications, appointment and term of office of members.

There shall be a metropolitan board of fair commissioners, which shall consist of five (5) members to be appointed by the mayor and confirmed by a majority of the whole membership of the council. The members of the board shall serve for terms of five (5) years each, except that the members first appointed, one (1) shall serve for a term of one (1) year, one (1) for a term of two (2) years, one (1) for a term of three (3) years, one (1) for a term of four (4) years, and one (1) for a term of five (5) years. Any vacancy occurring during the term of a member shall be filled in the manner prescribed for the original appointment and shall be for the unexpired portion of the term.

Sec. 11.602. Functions and duties.

It shall be the duty of the metropolitan board of fair commissioners to:

(a) Exercise all the powers and perform all the duties heretofore or hereafter imposed on the Board of Fair Commissioners of Davidson County, as established by chapter 490 of the Acts of Tennessee for 1909 and chapter 515 of the Private Acts of 1923 and amendments thereto.

(b) Within the limitation of its budget appropriation and funds otherwise available, employ and fix the compensation of such personnel as may be necessary.

(c) Perform such other duties as may be imposed upon the board by ordinance.

(d) All activities being conducted on the premises of the Tennessee State Fairgrounds as of December 31, 2010, including, but not limited to, the Tennessee State Fair, Expo Center Events, Flea Markets, and Auto Racing, shall be continued on the same site. No demolition of the premises shall be allowed to occur without approval by ordinance receiving 27 votes by the Metropolitan Council or amendment to the Metropolitan Charter. (Amended by Amdt. 1 to referendum petition approved August 4, 2011)

CHAPTER 7. FARMERS MARKET BOARD

Sec. 11.701. Created; number, qualifications, appointment and term of office of members.

There shall be a farmers' market board, which shall consist of five (5) members to be appointed by the mayor and confirmed by a majority of the whole membership of the council. The members of the board shall hold no other public office or position, and shall serve for terms of five (5) years each, except that of the members first appointed, one (1) shall serve for a term of one (1) year, one (1) for a term of two (2) years, one (1) for a term of three (3) years, one (1) for a term of four (4) years, and one (1) for a term of five (5) years. Any vacancy occurring during the term of a member shall be filled in the manner prescribed for the original appointment and shall be for the unexpired portion of the term.

Sec. 11.702. Functions and duties.

It shall be the duty of the farmers' market board to:

(a) Exercise all the powers and perform all the duties heretofore or hereafter imposed on the "Davidson County Farmers Market Commission", as established by chapter 400 of the Private Acts of 1949 and any amendments thereto.

(b) Within the limitation of its budget appropriation and funds otherwise available, employ and fix the compensation of such personnel as may be necessary.

(c) Perform such other duties as may be imposed upon the board by ordinance.

CHAPTER 8. AGRICULTURAL EXTENSION BOARD

Sec. 11.801. Created; number, qualifications, appointment and term of office of members.

There shall be an agricultural extension board which shall consist of seven (7) members to be appointed by the mayor and confirmed by a majority of the whole membership of the council. The members of the board shall have been residents of the area of the general services district outside of the urban services district for not less than two (2) years prior to the appointment and shall continue such residence as a qualification for membership. At least two (2) members of the board shall be female homemakers. The members of the board shall serve for terms of three (3) years each, except that of the members first appointed, two (2) shall serve for a term of one (1) year, two (2) for a term of two (2) years, and three (3) for a term of three (3) years.

Editor's note—The composition of the board described above is superseded by Tenn. Code Ann. § 49-50-104.

Sec. 11.802. Functions and duties.

It shall be the duty of the agricultural extension board to:

(a) Exercise all the powers and perform all the duties of the county agricultural extension committee provided for by Tennessee Code Annotated, section 49-50-104, and otherwise to carry out the purpose of sections 49-50-101 to 49-50-106 of Tennessee Code Annotated by cooperating with the United States Department of Agriculture and the appropriate agencies of the State of Tennessee.

(b) Within the limitations of its budget appropriation and funds otherwise available, employ and fix the compensation of such personnel as may be necessary.

(c) Perform such other duties as may be imposed upon the board by ordinance. (Res. No. 88-526, §§ 18, 19, 10-4-88)

CHAPTER 9. METROPOLITAN TRAFFIC AND PARKING COMMISSION

Sec. 11.901. Created; qualifications, term and selection of members.

There shall be a metropolitan traffic and parking commission, sometimes in this chapter called "the commission." The commission shall consist of nine (9) members, who shall serve as such without compensation. One (1) member of the commission shall be the chief of police. One (1) member shall be a member of the council selected by the council for a term of two (2) years.* The remaining seven (7) members of the commission shall be appointed by the mayor and confirmed by a majority of the whole membership of the council. Said seven (7) members shall serve terms of five (5) years each, provided that the first members appointed shall serve terms of one (1), two (2), three (3), four (4) and five (5) years respectively. Any vacancy due to any cause shall be filled for the unexpired term in the same manner as the original appointment.

*** Editor's note—**Effective November 8, 1994, this sentence will read "One (1) member shall be a member of the council selected by the council for a term of two (2) years." This change was approved by referendum election held November 8, 1994.

Sec. 11.902. Secretary.

The secretary shall serve at the pleasure of the commission and shall be paid such compensation as shall be fixed by the commission within its budgeted appropriation.

Sec. 11.903. Chief traffic engineer.

The commission is authorized to select a chief traffic engineer, subject to the civil service provisions of article 12 of this Charter, who shall have such duties as may be prescribed by the commission. The chief traffic engineer shall be a graduate of a school of traffic engineering and shall have had at least five (5) years' experience in traffic administration.

Sec. 11.904. Function of commission as to traffic regulation.

For the purpose of making the roads, streets and other public ways safe for pedestrians, motorists and others, and for the purpose of facilitating the flow of traffic thereon, the commission is hereby authorized to adopt and publish traffic regulations, including the erection of proper signs necessarily and properly connected with or incident to the following:

(a) The location and time when parking shall be limited.

(b) Places where parking shall be prohibited entirely or only during certain hours.

(c) The establishment of stop sign controls for through streets or isolated intersections.

(d) The establishment of traffic signal controls.

(e) The direction in which traffic may use any street or portion of a street.

(f) Restrictions on the size of vehicles using certain streets.

(g) The establishment of speed zones upon metropolitan streets and roads based upon the findings of the commission. When such zones are properly signposted, the speed indicated on the signs shall be the legal speed limit.

Such traffic regulations adopted by the commission shall take effect five (5) days after they have been published in a daily newspaper of general circulation within the area of the metropolitan government and after a certified copy thereof has been filed with the metropolitan clerk and the chief of police. Such regulations, when so adopted, shall have the force and effect of an ordinance and shall be enforced by the metropolitan police. The metropolitan council shall provide by ordinance for the punishment of violators of such traffic regulations and shall fix proper and adequate fines and penalties.

Sec. 11.905. Commission's review of proposed ordinances.

Where a proposed ordinance affects traffic control or the use of streets by traffic and is not accompanied at introduction by a favorable recommendation of the traffic and parking commission, a copy thereof shall be promptly delivered by the metropolitan clerk to the commission and the same shall not be passed on second reading until the recommendation of said commission with respect to the proposal has been received, or thirty (30) days have elapsed without such recommendation. No ordinance which affects traffic control or the use of streets by traffic and which has been disapproved by the commission shall be finally passed or become effective unless it shall have been adopted by a two-thirds (2/3) majority of the whole membership of the metropolitan council and also then be approved by the metropolitan mayor with a three-fourths majority of the whole membership of the metropolitan council required to override a veto.

Sec. 11.906. Publication of traffic rules and regulations.

It shall be the duty of the commission to publish the traffic rules and regulations of the metropolitan government in convenient pamphlet form, and in the compiling of such rules and regulations the commission may call on the metropolitan department of law for such assistance as may be required.

Sec. 11.907. Management and control of parking meters, garages and other traffic facilities.

The commission shall have power to control and manage parking facilities in any metropolitan street or road, including the installation of parking meters or other necessary equipment in connection therewith. The commission shall prescribe and may revise a schedule of service charges in connection with the use of parking meters, a copy of which schedule shall be kept on file and subject to public inspection at the office of the commission and at the office of the metropolitan clerk.

The commission shall also have control and management of any public parking garage or other traffic facilities, and with the acquisition, construction and establishment of the same. The commission may enter into lease agreements with private operators to operate the parking facilities owned by the metropolitan government. The commission is authorized to collect rents, fees or other charges for such parking garage and other traffic facilities as it may operate and manage.

All moneys collected by the commission from parking meters, or any other service charges, shall be remitted by it to the metropolitan treasurer, who shall keep such moneys in a separate account earmarked for traffic and parking improvements.

Sec. 11.908. Powers of commission by private act and ordinance continued.

In addition to other powers herein granted, the commission shall have such powers as may have been granted by private act or ordinance to the traffic commission of the City of Nashville or to the parking board of said city, until such powers may be modified or changed by ordinance of the metropolitan council.

CHAPTER 10. METROPOLITAN BOARD OF PARKS AND RECREATION

Sec. 11.1001. Established; qualifications, term and selection of members.

There shall be a metropolitan board of parks and recreation, sometimes in this chapter called "the board." The board shall consist of seven (7) members, who shall serve without compensation. One of the members of the board shall be a member of the board of education, selected by said board of education for a term of one (1) year; and another member of the board shall be a member of the planning commission, selected by said planning commission for a term of one (1) year. Five (5) members of the board, who shall hold no other public office, shall be appointed by the mayor and confirmed

by a majority of the whole membership of the council. Said five (5) members shall serve terms of five (5) years each, provided that the first members appointed shall serve terms of one (1), two (2), three (3), four (4) and five (5) years, respectively. Any vacancy due to any cause, other than expiration of term, shall be filled for the unexpired term.

Sec. 11.1002. Powers and duties.

The board shall have the following powers and duties:

1. The board shall supervise, control and operate the park and recreation system of the metropolitan government.

2. It shall formulate the policies to be followed in the administration of the park and recreation system; and shall promulgate such rules and regulations as may be appropriate with respect to the administration of its policies.

3. It shall employ, subject to the civil service provisions of this Charter and within its budget appropriation and other available funds, a director of parks and recreation and such superintendents and other employees as it deems necessary.

4. It shall review, approve, reject or amend the annual budget request as compiled by the director.

5. It shall recommend to the council (a) the sale of any lands owned by the metropolitan government for park or recreation purposes and no longer needed for such purposes, (b) the acquisition by condemnation of any additional lands needed for park or recreation purposes, and (c) the acceptance of any gift of lands offered for park or recreation purposes and useful for such purposes. In the acquisition or disposition of land, the board shall cooperate closely with the planning commission, whose recommendations shall be sought and carefully considered by the board.

6. It shall have the authority to establish the fees and charges within the administration of the park and recreation department. It shall have sole authority of all matters pertaining to the operations of concessions.

Sec. 11.1003. Director of parks and recreation—Qualifications.

The director of parks and recreation shall have at least five (5) years' experience in park or recreation administration in a supervisory or executive capacity.

Sec. 11.1004. Same—Powers and duties.

The director shall be the chief administrative officer in charge of the management of public parks, playgrounds and other recreational areas and of a comprehensive recreation program for the area of the metropolitan government. He or she shall administer the policies of the board, recommend rules and regulations to the board for its consideration, and perform such other duties as may be assigned to him or her by the board or by ordinance. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 11.1005. Police protection for parks.

The board may employ custodial personnel who shall be designated as special police by the chief of police, without obligation to give a public officer's liability bond as provided for by section 8.205 of this Charter, and whose jurisdiction as special police shall be limited to the area of parks, playgrounds and other recreational areas. This section shall not be deemed to interfere with the right of the department of police to exercise police jurisdiction within said areas, nor with the duty to provide such police personnel as may be reasonably requested by the director of parks and recreation for the maintenance of law and order therein.

CHAPTER 11. METROPOLITAN SOCIAL SERVICES COMMISSION*

*** Editor's note—**By an amendment approved at an election held Aug. 4, 1983, §§ 11.1101, 11.1103 were amended by changing "welfare" to "social services." The editor has made a similar change in the chapter title.

Sec. 11.1101. Created; qualifications, term and selection of members.

There is hereby created and established a metropolitan social services commission, sometimes in this chapter called "the commission." The commission shall consist of seven (7) members who shall serve without compensation. The members of the commission shall be appointed by the mayor and confirmed by a majority vote of the whole membership of the council. The seven (7) members shall serve terms of five (5) years each; provided, that two members shall be initially appointed for one year, two for two years, one for three years, one for four years and one for five years, respectively. Thereafter, as their respective terms expire, members shall be chosen for five years. Any vacancy, other than by expiration of term, shall be filled for the unexpired term.

Sec. 11.1102. Powers and duties.

The commission shall have the following powers or duties:

1. To administer general assistance to residents of the metropolitan government area and emergency assistance to residents and nonresidents of such area under such terms and conditions as may be prescribed by the commission in its rules and regulations.

2. To make social investigations and reports to the council, the selective service and other governmental agencies.

3. To engage in study and research regarding the cause of financial dependency, and methods of better treating such dependency.

4. To administer public and private grants for welfare and relief purposes, and perform related welfare functions.

5. To perform such functions as may be assigned by law to county welfare agencies.

6. To supervise and/or operate welfare facilities.

7. To enter into cooperative agreements with the public welfare agencies of other local governments, the State of Tennessee and the United States Government and with voluntary welfare agencies for the administration of welfare programs.

8. To supervise the operation of the McKay Home, the Municipal Children's Home and the Knowles Homes for the Aged of the former City of Nashville. The Knowles Homes shall be operated in conjunction with the mayor in his or her capacity as trustee of the Knowles Estate. The supervision of the operation of any or all of the institutions enumerated in this subsection may be transferred by ordinance to the metropolitan board of hospitals.

9. To use in its work any funds appropriated by the council and in its performance thereof to receive donations from firms, individuals and private or governmental agencies.

10. To perform such other functions as may be assigned by ordinance or statute. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 11.1103. Director of social services.

There shall be a director of social services, who shall be appointed by the commission. The commission may enter into an employment contract with such person for a period not exceeding five (5) years at a compensation to be fixed by the commission.

The director shall administer the policies of the commission, recommend rules and regulations to the commission for its consideration, and perform such other duties as may be assigned to the director by the commission or by ordinance.

CHAPTER 12. PUBLIC LIBRARY

Sec. 11.1201. Public library provided for.

The metropolitan government shall provide for the maintenance and operation of the Nashville Public Library.

Sec. 11.1202. Public library board—Term and selection of members.

There shall be a public library board, which shall consist of seven (7) members, to be appointed by the mayor and confirmed by a majority of the whole membership of the council. Members of the board shall serve for terms of seven (7) years each; except, that the members first appointed shall be so appointed and designated that the term of one of them shall expire each year in each of the seven ensuing years. Any vacancy occurring during a term shall be filled for the unexpired term. Members of the board shall serve without compensation.

Sec. 11.1203. Same—Powers and duties.

The public library board shall have direct charge of the Nashville Public Library system and shall have the power and duty to administer and control all libraries under its jurisdiction. The board shall have exclusive authority to make expenditures out of the money appropriated for the public library as well as the money collected from fines or received from other sources. Said board is authorized to accept gifts, bequests and contributions from public sources and private persons and corporations.

Sec. 11.1204. Chief librarian.

For the proper administration of the public library, the board shall employ a chief librarian and fix his or her compensation. He or she shall be a person with experience in an executive or major administrative position in public library operations. The board may enter into an employment contract with such person for a period not exceeding five (5) years and for a compensation determined therein. The board is authorized to assign to the chief librarian such duties and responsibilities as are customary or usual, including immediate control and management of the public library under the regulations prescribed by the board. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 11.1205. Public library budget.

The board shall submit to the mayor, through the director of finance, the budget for the public library and it shall be the duty of the council to provide an amount which in its discretion is sufficient for the maintenance and operation of the public library system.

CHAPTER 13. COMMUNITY OVERSIGHT BOARD

Sec. 11.1301. Created; qualifications, terms and selection of members.

There is hereby created the Metropolitan Government of Nashville and Davidson County Community

Oversight Board, sometimes in this chapter called "the Board," to be operational no later than January 31, 2019. The Board shall consist of eleven (11) Members, who are residents of Davidson County and shall serve three (3) year terms without compensation. The Board members must have a demonstrated knowledge of issues pertaining to civil rights and equity, and must have experience with criminal justice and policing practices. Board members are to receive related orientation and training, including the completion of Metropolitan Nashville's Citizen Police Academy or an equivalent training, and ongoing civil rights and equity training from entities concerned with police oversight. Ineligible persons for the Board and the supporting staff include current employees of any law enforcement agency; anyone who has served in a law enforcement capacity in the past five year; any elected official; and the spouses of the foregoing persons. Seven (7) of the Board members shall be persons who are nominated by community organizations or private petition signed by fifty (50) Davidson County residents and approved by majority vote of the Council. At least four (4) of the seven (7) members must reside in economically distressed communities. Two (2) of the members shall be persons who are nominated by Council Representatives, and then approved by majority vote of the Council. Two (2) of the members shall be persons who are nominated by the Mayor, and then approved by majority vote of the Council. Except for the initial appointees who shall serve at least a one-year (1) term, the successive Board members shall serve staggered three-year terms. The initial Board members shall develop rules for determining staggered terms for the succeeding appointees to the Board. (Added by referendum petition approved November 6, 2018, Amdt. 1)

Sec. 11.1302. Powers and duties.

The Board shall have the following powers and duties, and shall by majority approval adopt procedures for their implementation:

1. The Board shall have the power to investigate allegations that MNPD officers have committed misconduct against members of the public, as well as issue policy advisory and resolution reports assessing allegations of misconduct by MNPD, recommendations to agencies involved in public safety and the administration of justice, and have the option of establishing a monitoring program that provides an ongoing review or audit of the complaint process administered by the MNPD Office of Professional Accountability ("OPA") or equivalent internal affairs program in MNPD.

2. Where the Board finds a basis to believe that an officer has committed misconduct in violation of MNPD policy, the Board may refer such matter to the MNPD OPA and recommend that discipline be given within the parameters of civil service rules and regulations of article 12 of this Charter. MNPD shall be required to respond to the Board's disciplinary recommendations in writing.

3. The Board has the option of forwarding resolution reports that produce factual findings of criminal misconduct and civil rights violations to the District Attorney, the Grand Jury, or the United States Attorney.

4. The Board shall have all powers, including the power to compel, afforded to other metropolitan government agencies, Boards, and entities identified in Section 18.10 of the metropolitan government Charter.

5. The Board shall submit to the mayor, through the director of finance, an annual budget request of no less than $1,500,000.00 beginning and after the fiscal year 2019-2020, and it shall be the duty of the council to determine if this amount is sufficient for the operation of the Board and staff. (Added by referendum petition approved November 6, 2018, Amdt. 1)

Sec. 11.1303. Support staff and personnel.

No later than March 29, 2019 and through a special appropriation lasting through the end of the fiscal year, the Board shall be fully operational and staffed by sufficient numbers of personnel in order to promptly, competently, and thoroughly carry out its duties. The salaries and benefits of the following support staff and personnel shall be as fixed in the pay plan adopted pursuant to article 12 of this Charter: Executive Director, Assistant Executive Director, a minimum of three investigators to investigate alleged misconduct and factual matters relevant to the development of policy advisory and resolution reports, a minimum of two research analysts, a minimum of one community engagement liaison to receive and solicit input from community members, and a legal resource advisor. (Added by referendum petition approved November 6, 2018, Amdt. 1)

ARTICLE 12. CIVIL SERVICE[2]

2. Sheriff may appoint such deputies and other employees as may be necessary to carry out his or her duties, but in selecting employees to operate the metropolitan workhouse, is bound by the civil service provisions of the Metropolitan Charter, except for the superintendent or warden of such workhouse, who shall be appointed by the sheriff to serve at his or her will. Metropolitan Government v. Poe, 215 Tenn. 53, 383 S.W. 2d 265 (1964).

Sec. 12.01. Personnel policy and administration established.

For the effective conduct of the public business, there is hereby established a personnel policy and administra-

tion under which entry into the service shall be on the basis of open competition and service shall be on the basis of merit, efficiency and fitness. The civil service commission, sometimes called commission, shall be responsible for developing and fostering the effectiveness of this personnel policy in the metropolitan government.

Sec. 12.02. Civil service commission—Number, qualifications, selection and term of members.

The commission shall consist of five (5) members who shall have an interest in civil service and merit principles in the public service, who shall otherwise have the qualifications prescribed in section 11.102 of this Charter and who shall serve without compensation. No member of the commission shall hold any public office or position nor be a member of any local, state or national political committee.

The members of the commission shall be appointed by the mayor and shall be confirmed by a two-thirds vote of the whole membership of the council. One member of the commission shall be initially appointed for a period of one (1) year; one for two (2) years; one for three (3) years; one for four (4) years; and one for five (5) years. Thereafter, appointments shall be for terms of five (5) years, except that when a vacancy occurs prior to the end of a term, the member appointed to fill the same shall hold under such appointment only for the unexpired term. One member of the commission shall be a person actively engaged in the practice of law, one shall be a representative of business or industry, one shall be a representative of labor, and the remaining members shall be chosen without reference to profession or occupation.

Sec. 12.03. Same—Duties.

In addition to other duties herein specified, it shall be the duty of the civil service commission to:

(a) Advise with and supervise the director of personnel in all continuing improvements of personnel standards and administration in the metropolitan government.

(b) Make any investigation or study it may deem desirable concerning the organization and administration of personnel in the metropolitan government.

(c) Review, approve, revise or modify any action taken by the director of personnel.

(d) Make annual reports and such special reports as it may consider desirable to the mayor and council.

(e) Upon request of an affected employee, review suspensions, demotions or separation from service of any employee in classified service, and to render decisions thereon, subject to its rules.

Sec. 12.04. Director of personnel.

There shall be a director of personnel, who shall be appointed by the commission, subject to the civil service provisions of this Charter, and who shall have had training and experience in personnel administration. The salary of the director of personnel shall be prescribed in the pay plan provisions of this article, with a salary of twelve thousand ($12,000) dollars per annum, payable semimonthly. In addition to other duties herein specified, it shall be the duty of the director of personnel to:

(a) Administer the civil service program of the metropolitan government under the supervision of the civil service commission and subject to its rules.

(b) Attend all meetings of the civil service commission, to act as its secretary, and keep minutes of its proceedings.

(c) Direct and supervise the department of personnel.

(d) Appoint, with the approval of the commission and subject to the civil service provisions, such employees of the department of personnel as may be necessary.

(e) Establish and maintain a roster of all employees of all departments, commissions and agencies of the metropolitan government which shall reflect such data and information as may be deemed necessary regarding personnel organization and administration.

(f) Prepare and maintain an up-to-date record of the authority, duties and responsibilities of each position in the classified service.

(g) Develop, in cooperation with the appointing authorities of the metropolitan government, training and educational programs for employees in the metropolitan service.

(h) Periodically review the operation and effect of personnel provisions of this Charter, the rules promulgated by the commission, the classification plan and the pay plan, and to report his or her findings and recommendations to the commission.

In making appropriations for the civil service commission, the council shall provide sufficient funds to maintain the up-to-date record required for job classification. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 12.05. Selection and dismissal of metropolitan employees; limitation on number of positions held.

The civil service commission shall provide all candidates for appointment to the classified service. In accordance with rules and procedures which the commission believes will best serve the personnel policy, candidates shall be rated by competitive examination as "Outstanding," "Well Qualified," "Qualified," and "Unqualified." The duration of each list shall be prescribed by the commission, but none shall be less than six (6) months or more than three (3) years.

The appointing authority shall select his or her employees from those candidates available in the highest qualified rating. The employee appointed will be a probationary employee for the training period. After the minimum time prescribed by the commission for the position, but before the end of the probationary period not to exceed six (6) months, the appointing authority may terminate an appointee whose training period performance indicates that he or she will not meet the job requirements. After the probationary period, each employee shall become a member of the classified service.

No employee in the metropolitan service may hold more than one position or employment in the metropolitan service except as follows:

(a) School personnel between school years may be employed to work in other departments;

(b) Certificated school personnel may be employed on a part-time basis to teach community education classes; and

(c) Non-elected employees in the metropolitan service may be employed by the metropolitan board of public education on a part-time basis to lead, teach, or coach students in extra-curricular activities and/or to serve as substitute teachers. The civil service commission shall adopt and promulgate rules and regulations necessary for the implementation of this section.

(d) Employees may be employed to work as part-time poll workers for the election commission.

No employee in the classified service may be terminated, or suspended from the service, or demoted in pay grade, except for cause and after a hearing before the department head or other appointing authority, with prior reasonable notice, in writing, of the proposed action and the reasons therefor, provided, that when an employee is suspended for cause such suspension shall not exceed an accumulation of thirty (30) working days during a twelve (12) month period. Any employee terminated from the classified service or suspended or demoted in pay grade, by his or her simple written request to the commission, shall have the action reviewed by the commission. If the commission does not approve the action, it may modify or reverse it, and provide whatever recompense is indicated, which shall not exceed net loss of earnings. In a review by the commission of any disciplinary action, the disciplinary authority shall bear the burden of proof of just cause for discipline. (Res. No. RS2012-277, § 1(Amdt. 1), 9-18-2012, election of 11-6-2012; Amdt. 1 to Res. No. RS2010-1119, §§ 1, 2; Res. No. RS2010-1119, § 1, 11-2-2010; Res. No. 72-380, § 1, 11-7-72; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 12.06. Adoption of rules by civil service commission.

The director of personnel shall recommend to the commission such rules as he or she considers necessary to carry out the provisions of this article. Thereupon the commission shall fix and hold a public hearing with respect to the rules or their amendments so recommended and within sixty (60) days after such recommendation the commission shall act on such rules or amendments. The commission may approve or reject such recommended rules or amendments in whole or in part, or it may modify and approve them as so modified. Thereafter, the commission may amend or add to the rules on recommendation of the director or on its own initiative, but only after a public hearing on proposed amendments.

The commission shall review said rules periodically for the purpose of revision and in a manner appropriate to sound practices of personnel organization and administration. It shall arrange for the printing of said rules and for their distribution. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 12.07. Substantive content of rules of the commission.

The rules of the commission shall provide for the efficient organization and administration of employment and regulatory practices by the metropolitan government calculated to preserve the rights of employees and enhance public confidence in a merit system and shall include but not be limited to the following:

(a) Administration of the classification plan.

(b) Administration of the pay plan.

(c) The method of holding competitive examinations for positions in the classified service. In connection with such examinations the rules shall provide for open competitive examinations to be conducted by the director of personnel for the purpose of filling vacancies or making original appointments in the classified service; public announcement thereof after giving reasonable

notice; the granting of preferences to former members of the armed forces of the United States; the appointment of examining boards; and the establishment of minimum standards for applicants for such examinations.

(d) The establishment, maintenance, consolidation and cancellation of eligibility and promotion lists, and the manner in which appointments shall be made. Such rules shall provide a method for establishing reemployment lists containing names of persons separated from positions for reasons other than cause or delinquency on their part; and the time such lists shall remain in effect; for the ranking of eligibles in accordance with ratings earned in tests; for consideration of records of performance, seniority and conduct; for the length of time that promotion and employment lists shall remain in force; and for the method of certifying vacancies and making appointments generally and certifying eligibility therefor; for working test periods; for a method of temporary appointments in the absence of eligible lists, and the limitations thereon, and for emergency appointments.

(e) The application of service ratings, hours of work, attendance regulations, holidays, and leaves of absence.

(f) The manner in which lay-offs shall be effected giving due consideration to the seniority rights of employees.

(g) A method of transferring employees within a department, and from one department to another, provided nothing in such rules shall authorize the transfer of an employee into the police and fire departments of the metropolitan government from other departments unless such employees meet all the entrance requirements of these two departments as established by this Charter and by the rules of the commission.

(h) The disciplinary action within the classified service. Rules with respect to such action shall provide that when an employee requests a review of disciplinary action taken against him or her, as provided in section 12.05 above, such employee shall be furnished a copy of the basis of his or her discipline not less than fifteen days prior to such hearing, and said rules may provide for the amendment of grounds for discipline upon reasonable notice to the employee.

It shall be mandatory that the rules provide that the judgment and findings of the commission on all questions of fact, in the hearing of charges preferred against any classified employee under the provisions of this article, shall be final and shall be subject to review only for illegality or want of jurisdiction, excepting only cases where classified employees have been dismissed from the service by judgment of the commission, in which case such dismissed employee may prepare and file the record of the proceedings, including a transcript certified by the chairman of said commission, in the circuit and chancery courts of Davidson County, where the case may be heard de novo solely upon the record so certified; provided, that such transcript must be presented to and signed by the chairman of the commission within thirty (30) days after the commission shall have announced its findings, and provided that an extension of time may be granted for this purpose not to exceed thirty (30) days. Any person, other than a member of the commission, may file and prefer charges against any classified employee.

Rules of the commission when adopted as provided herein shall have the full force and effect of law.

Within one (1) year after adoption of the rules or any amendments thereto, any employee who deems himself or herself adversely affected thereby, or any citizen, shall, upon written request therefor, be afforded a public hearing before the commission. The commission, after a hearing, may reaffirm its approval of the rules or make such modifications as it shall deem necessary. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 12.08. Positions in classified service and in unclassified service.[3]

All positions in the metropolitan government shall be in the classified service except the following, which are hereby declared to be in the unclassified service.

(a) All officers of the metropolitan government and of the county elected by popular vote, and officers appointed to fill vacancies in any such elective position.

(b) The director of finance, private secretaries of directors as designated herein, the administrative assistants to the mayor, the metropolitan attorney, the deputy metropolitan attorney, the assistant metropolitan attorneys, and employees in the office of the mayor, exclusive of any such employees who may have otherwise attained a civil service status prior to the effective date of this Charter.

(c) Members of boards or commissions in the metropolitan government, except as otherwise provided in this Charter.

(d) The executive director or secretary for every board or commission of the metropolitan government, and such principal professional personnel or professional positions on the staff not formerly under civil service of said board or commission as he or she may designate subject to the approval of said board or commission.

(e) All professional personnel employed by the board of health and the board of hospitals.

(f) All teachers employed by the board of education.

(g) Employees of the Nashville Electric Power Board; provided, however, that those employees of the Nashville Electric Power Board who are in active service on the effective date of this Act[4] shall continue to hold all civil service rights and benefits heretofore provided for pursuant to the provisions of chapter 246 of the Private Acts of the General Assembly of Tennessee for 1947 and any amendments thereto.

(h) Employees in the office of the county or probate judge of Davidson County.

(i) Officers heretofore elected by the Quarterly County Court of Davidson County.

(j) Deputies of the following officers: Circuit court clerk, criminal court clerk, chancery clerk and master, county court clerk, trustee, tax assessor, register; and court officers, stenographers and clerks appointed by judges; whether or not compensated by the metropolitan government.

(k) Employees of the board of fair commissioners, of the farmers' market board and of the agricultural extension board.

(l) Those persons employed on special projects paid from any bond funds of the former City of Nashville or former County of Davidson or future bond funds of the metropolitan government; seasonal employees, who are herein defined as those whose service does not exceed four (4) months in any twelve (12) months period; and emergency employees as defined from time to time by rules and regulations of the commission.

(m) Those persons whose professional services are needed from time to time on particular matters. (Amended by referendum election of November 6, 2018, Amdt. 6)

3. Sheriff and superintendent of metropolitan workhouse, although not listed by this section as being in the unclassified service, are not subject to the classified service of the metropolitan government. Metropolitan Government v. Poe, 215 Tenn. 53, 383 S.W. 2d 265 (1964).

4. April 1, 1963.

Sec. 12.09. Civil service commissions for board of health, board of hospitals and board of education.

With respect to nonprofessional personnel employed by the board of health and the board of hospitals, and with respect to nonteaching employees of the board of education, the employing board shall constitute a civil service commission for its respective employees and in so acting said boards shall, to the extent deemed practicable, conform to the provisions of this article as to the adoption of rules, the discipline or dismissal of employees, the classification of positions and the adoption of a pay plan.

Sec. 12.10. Adoption of classification and general pay plan.

The commission shall direct the director of personnel to make or cause to be made:

(a) A job description of every position in the classified service.

(b) A classification plan which will assign each position by title to one class.

(c) Assignment of each classification to grades equitably related to each other on the basis of function, responsibility and nonwage benefits, with the percentage between the high and low salary range for each grade. Upon the approval of the commission, any such determinations shall have the effect of law.

The director of personnel shall, after the approval of the commission, recommend to the director of finance, the desirable salary ranges for each grade. The director of finance shall approve or modify the ranges for each grade, and forward the same with a statement of full budgetary implications, to the mayor for his or her approval. The mayor shall approve the plan or approve it subject to his or her modifications, but neither the director of finance nor the mayor may alter or destroy the relationships between the grades. Thereupon, the mayor shall submit the same to the council with recommendation that it be adopted.

The council shall (1) adopt the general pay plan, or (2) adopt the same as amended but without modifying the plan except by uniform modification of all grades, or (3) reject the same. Adoption or rejection shall be by resolution not requiring the approval of the mayor. When a general pay plan is rejected by the council, it shall be returned to the commission which shall thereupon formulate another general pay plan and transmit the same to the mayor for handling under the procedures above set forth.

"Upon approval of the plan by the mayor and council, this shall be the pay plan under which all covered employees must be paid, with the exception of the department of metropolitan police and the department of fire, the employees of which shall be paid in accordance with the provisions of section 12.13 below."

Whenever it may be deemed desirable to create any new position in the metropolitan government, the director or head of the department affected shall present a request in writing to the mayor and the civil service commission for investigation. Not later than fifteen days after the same is filed, if the mayor thinks the creation of the position in the public interest, he or she shall transmit the ordinance for this purpose, together with the civil service commission's written job description and assignment of the proposed position to the appropri-

ate class in the classification plan. Where a proposed ordinance creates a new position and is not accompanied by such recommendation, copy thereof shall be promptly furnished by the metropolitan clerk to the mayor and to the civil service commission, and the same shall not be passed on second reading until their recommendations have been received or fifteen (15) days have elapsed without such recommendations.

Any position, job or employment hereafter created in the manner above provided, shall be in the classified service as herein defined and subject to all the rules of the civil service commission, except as the ordinance creating the same or this Charter may otherwise provide.

The director of personnel shall maintain adequate records for all employees; he or she shall require, at least once a year, performance reviews on each employee on such form or forms as the director provides. The director of personnel shall certify that each payroll in question complies with the personnel policy established by this article. No payroll may be paid without this certification. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—An amendment to § 12.10 was approved at an election held Nov. 4, 1986.

Sec. 12.11. Offenses against civil service and disabilities of civil service employees.

No person shall attempt to use any political endorsement in connection with any appointment in the classified service. No person shall use or promise to use, directly or indirectly, any official authority or influence, whether possessed or anticipated, to secure or attempt to secure for any person, an appointment or advantage in appointment to a position in the classified service, or an increase in pay or other advantage in employment in any such position, for the purpose of influencing the vote or political action of any person, or for a consideration.

No employee in the classified service, and no member of the commission, shall directly or indirectly, pay or promise to pay any assessment, subscription, or contribution for any political organization or purposes, or solicit or take part in soliciting any such assessment, subscription or contribution. No person shall solicit any such assessment, subscription or contribution of any employee in the classified service.

No employee in the classified service shall be a member of any national, state or local committee of a political party, or an officer or member of a committee of a political party, or an officer or member of a committee of a partisan political club, or shall take any part in the management of the affairs of any political party, or in any political campaign, except to exercise his or her right as a citizen privately to express his or her opinions and cast his or her vote. Any classified employee who violates any of the foregoing provisions of this section shall forfeit his or her office or position.*

No person elected to public office within the metropolitan government shall, during the term for which he or she was elected, be appointed to any other position in the metropolitan government, except as otherwise specifically provided in this Charter.

No person shall, directly or indirectly, give, render, pay, offer, solicit, or accept any money, service, or other valuable consideration, for or on account of any appointment, proposed appointment, promotion, or proposed promotion to, or any advantages in, a position in the classified service.

No employee of the department of personnel and no member of the commission, or other person, shall defeat, deceive, or obstruct any person in his or her right to examination, eligibility, certification, or appointment hereunder, or furnish to any person any special or secret information for the purposes of affecting the rights or prospects of any person with respect to employment in the classified service.

Any officer or employee of the metropolitan government who violates the provisions of this section shall forfeit his or her office or position. (Amended by referendum election of November 6, 2018, Amdt. 6)

*** Editor's note—**Tennessee Code Annotated §7-51-1501 provides as follows: "Notwithstanding the provisions of any county, municipal, metropolitan, or other local governmental charter to the contrary, and notwithstanding the provisions of any resolution or ordinance adopted by any such county, municipality or other local governmental unit to the contrary, every employee of every such local governmental unit shall enjoy the same rights of other citizens of Tennessee to be a candidate for any state or local political office, the right to participate in political activities by supporting or opposing political parties, political candidates, and petitions to governmental entities; provided, further, the city, county, municipal, metropolitan or other local government is not required to pay the employee's salary for work not performed for the governmental entity; and provided, further, that unless otherwise authorized by law or local ordinance, an employee of a municipal government or of a metropolitan government shall not be qualified to run for elected office in the local governing body of such local governmental unit in which the employee is employed."

Sec. 12.12. Continuance of existing civil service rights of county and city employees.

Nothing in this article or charter shall impair or diminish the rights and privileges of existing employees of the County of Davidson or the City of Nashville under civil service; and such rights and privileges shall continue without impairment as obligations of the metropolitan government.

Sec. 12.13. Pay plan for employees of metropolitan police department and fire department.

Employees of the metropolitan police department and fire department shall be classified and paid in accordance with a separate and distinct pay plan. The procedures set forth in section 12.10, applicable to the general pay plan, shall be followed in establishing the pay plan for employees of the metropolitan police and fire departments; provided, however, that no employee or position shall suffer a reduction in pay or other benefits in the establishment of the separate pay plan for the police and fire departments, and provided further that these procedures will be replaced in the event this Charter shall be amended to establish collective bargaining procedures between employees of the police and fire departments and the metropolitan government.

Editor's note—Section 12.13 was added at the election held Nov. 4, 1986.

ARTICLE 13. SYSTEM OF EMPLOYEE BENEFIT PLANS

Sec. 13.01. Adoption.

A system of employee benefit plans which include disability and retirement benefits and which may include medical insurance benefits and life insurance benefits, shall be adopted for officers and employees of the metropolitan government for whom such plans are not provided by other sections of this Charter.

Sec. 13.02. Metropolitan employee benefit board—Created.

A metropolitan employee benefit board (sometimes in this article called "board") shall be created to administer, manage and coordinate the employee benefit plans of the metropolitan government as well as the retirement plans listed in section 13.09 (a)—(c) of this article.

Sec. 13.03. Same—Composition and selection of board; terms and qualifications of members.

The board shall be composed of ten (10) members, as follows: The director of finance and the director of personnel shall be members by virtue of their official positions. Three (3) members shall be appointed by the mayor, subject to confirmation by the council, and shall possess an interest in benefit and retirement programs, and one (1) shall have at least ten (10) years business experience, and all three (3) shall be on the investment committee. They shall serve for terms of three (3) years each, except that the members first appointed shall serve for terms of one (1) year and two (2) years respectively. Five (5) members shall be selected by their own number, one (1) from the police department, one (1) from the fire department, two (2) from all other departments of metropolitan government and one (1) from among the retired employees. The employee members shall serve for terms of three (3) years each, except that the members first selected by the employee groups shall serve for terms of one (1) year, two (2) years, and three (3) years respectively. All members of the board, including the chairman, shall be entitled to vote on all issues.

The director of personnel, with the approval of the metropolitan civil service commission, shall announce a plan for the conduct of an election to be held by the employee members of the board. The election shall be conducted under the supervision of the director of personnel, who shall immediately report to the commission the name of the employee receiving the required votes in such election, which report shall be spread upon the minutes of the commission. Upon such certification by the director of personnel to the commission, the successful candidate shall thereupon enter his or her duties as a member of the board.

The members appointed by the mayor, and confirmed by the council, shall hold no public office and shall not be a member of any local, state of national committee. All vacancies on the board shall be filled for the unexpired portions of any term in the manner above prescribed for their respective positions.

In the performance of its staff functions, the board, its investments committee and the study and formulating committee hereinafter created may utilize the office and clerical staff of the director of personnel or there may be employed by the board a secretary who shall have had training and experience in pension and retirement administration. (Res. No. 72-380, 10-3-72; Substitute Res. No. 78-1051, 9-19-78; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 13.04. Investments committee.

The director of finance and the two members of the employee benefit board selected by the mayor shall be and constitute the investments committee of the board. Said committee shall regulate and determine all matters dealing with investment of funds committed to the board and shall have full and complete control over all investments, subject to the provisions of this Charter and of other applicable law. No other member of the board shall have authority to vote or participate in decisions dealing with investment of funds committed to the board. The investments committee shall be and constitute an administrative board of commission for the purpose of regulations and duties prescribed by chapter 1 of

article 11 of this Charter. All actions taken by the investments committee shall have the approval of at least two members thereof.

Full minutes shall be kept of all actions of the investments committee, which shall be public records as defined by state law. Said investments committee shall at least annually make a detailed accounting of its investments, income and expenditures, and file the same with the board, the mayor and the council. This report shall be a public record, and shall show the time, place, company, firm, person or individual in each instance dealt with, the nature and type of transaction involved, the nature and type of investment; the nature and type of income derived from such investment and any other information reasonably required to determine the exact financial status of all transactions. Any affected employee, upon request and at his or her expense, shall be furnished copies of such report or of designated portions thereof.

Said investments committee shall manage, invest and distribute the fund or funds maintained in connection with the system of employee benefits plans for officers and employees of the metropolitan government, as well as the retirement plans listed in section 13.09 (a)—(c) of this article; provided, however, that no investment shall be made except in securities and properties which at the time of making the investment are permitted by statute for the investment of funds by fiduciaries in the State of Tennessee. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 13.05. Duties of metropolitan employee benefit board.

In addition to the other duties imposed by this Charter or by general law, it shall be the duty of the board to:

(a) Hold regular monthly meetings, which shall be open to the public.

(b) Coordinate and communicate to officers and employees of the metropolitan government, the system of employee benefit plans for officers and employees of the metropolitan government, and to manage and administer such system of employee benefit plans as well as the retirement plans listed in section 13.09 (a)—(c) of this article.

(c) Make such expenditures as may be necessary in fulfilling its duties, within the limit of its budget appropriation.

(d) Construe any employee benefit plans adopted by the metropolitan government as well as any retirement plan listed in section 13.09 (a)—(c) of this article, and to determine all questions that may arise thereunder, including questions relating to the eligibility of any person employed by the metropolitan government to become a member of any such employee benefit plan and the amount of benefit to which such person, or any member of a retirement plan listed in section 13.09 (a)—(c) of this article may become entitled thereunder.

(e) Adopt such rules, regulations and procedures as it may deem necessary in fulfilling its duties.

(f) Advise the mayor and the council of the anticipated financial requirements of each employee benefit plan adopted by the metropolitan government, as well as the retirement plans listed in Section 13.09 (a)—(c) of this article so that such financial requirements shall be included in the budget and tax levy ordinances for the ensuing fiscal year.

Sec. 13.06. Study and formulating committee; preparation, consideration and adoption of plan for employee benefits; subsequent committees provided for.

There shall be a study and formulating committee consisting of five (5) persons appointed by the mayor and approved by the council. This committee shall make a study and formulate a plan for employee benefits, which shall include disability and retirement benefits and which may include medical insurance benefits and life insurance benefits. Such study shall include the design, the possible coordination of any of the employee benefit plans of such system with the Social Security Act, the administration and financing of such system and all properly related matters. For the purposes of its study and formulation, the committee is authorized to:

(a) Within the limits of its appropriation, employ the services of legal counsel, investment consultants, actuarial consultants, and the services of others which in the sole discretion of the committee may be necessary to perform its duties.

(b) Obtain from any department, board, commission, agency, officer or employee of the metropolitan government information and data with respect to the compensation of any officer or employee; his or her length of service with the metropolitan government, the former City of Nashville or the former County of Davidson; his or her retirement or other cause of termination of employment; his or her contribution to any employee benefit plan of the metropolitan government as well as any retirement plan listed in section 13.09 (a)—(c) of this article; and such other pertinent information and data as the board may require.

The council is hereby authorized and required to appropriate such funds as may be reasonably necessary for the work of said committee.

Within one year after its appointment, unless the time be extended by resolution of the council, the study and

formulating committee shall submit to the employee benefit board a proposed system of employee benefit plans for officers and employees of the metropolitan government. Said board shall either approve the plan or indicate the specific changes which it recommends in connection therewith. Thereupon the board shall submit the approved plan or the original plan with recommended changes to the council for its action thereon and for the enactment of a system of employee benefit plans.

The mayor shall from time to time thereafter, and at least once every five years, appoint a subsequent study and formulating committee to study benefits, contributions, extent of coverage, actuarial soundness and related matters in connection with the system of benefit plans and to submit to the employee benefits board such amendments as such study may indicate as necessary. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 13.07. Eligibility of officers and employees of metropolitan government.

Wherever used in this article, the term "officers and employees of the metropolitan government" shall mean all officers, including metropolitan judicial officers, and all employees, including classified and unclassified employees, who are regularly employed by the metropolitan government, who are not excluded in accordance with the provisions of section 13.08 of this article, or any other provision of this Charter, and who meet any other eligibility and participation requirements of the system of employee benefit plans adopted by the metropolitan government, but said term shall not include teachers whose benefits system is administered by the metropolitan board of education, as provided in section 13.09 hereof.

Such officers and employees of the metropolitan government shall be members of the system of employee benefit plans established by the metropolitan government and shall not be members of an of the retirement plans listed in section 13.09 (a)—(c) of this article, or in any teachers' benefits system.

Sec. 13.08. Exclusion of certain persons.

Notwithstanding any provision of this Charter to the contrary, any officer or employee of the former City of Nashville or the former County of Davidson who on the day before the effective date of this Charter[4a] was an active or retired member of any retirement plan listed in section 13.09 (a)—(c) of this article shall not be eligible to become a member of the system of employee benefit plans for officers and employees of the metropolitan government; provided, however, that each such officer and employee of the former City of Nashville or the County of Davidson may elect voluntarily, subject to the written approval of the board, to transfer his or her membership from the applicable retirement plan listed in section 13.09 (a)—(c) of this article to membership in such system of employee benefit plans for officers and employees of the metropolitan government. No employee of the electric power board nor any teacher employed by the metropolitan government shall be eligible to become a member of the system of employee benefit plans for the officers and employees of the metropolitan government provided by this article. Notwithstanding any provision of this Charter to the contrary, no person employed by the metropolitan government shall be eligible to become a member or shall continue to be a member of more than one of any of the following:

(a) The system of employee benefit plans for officers and employees of the metropolitan government.

(b) Any retirement plan listed in Section 13.09 (a)—(c) of this article.

(c) The retirement plan for employees of the electric power board.

(d) Any retirement plan for teachers (1) of the former City of Nashville, (2) of the former County of Davidson or (3) of the metropolitan government hereafter adopted pursuant to Section 9.07 of this charter. (Amended by referendum election of November 6, 2018, Amdt. 6)

4a. April 1, 1963.

Sec. 13.09. Continuing rights under retirement plans of former City of Nashville or former County of Davidson.

Pension rights under Section 9.07 of this charter may include medical insurance benefits, and life insurance benefits. Said pension rights, together with those provided by Section 9.06 hereof, shall be administered by the board of education and both shall be an obligation and liability of the metropolitan government. In addition all benefits payable to members, retired members, and their survivors, in accordance with any of the following retirement plans of the former City of Nashville or the former County of Davidson as such plans existed prior to the effective day of this charter shall continue unimpaired for the same duration provided in such plans as they existed prior to the effective date, and such benefits shall be an obligation and liability of the metropolitan government:

(a) The pension, retirement and benefit plan for police officers and firemen of the former City of Nashville created in accordance with the provisions of Article 48 of Chapter 246 of the Private Acts of 1947, and all amendatory acts thereof.

(b) The pension, retirement and benefit plan for the city judge and civil service employees of the former City of Nashville created in accordance with the provisions of Article 48 of Chapter 246 of the Private Acts of 1947 and all amendatory acts thereof.

(c) The retirement plan for officers and employees of the former County of Davidson created in accordance with the provisions of Chapter 274 of the Private Acts of 1943, and all amendatory acts thereof.

It shall be the duty of the investments committee in addition to the duties hereinabove set forth to manage, invest and reinvest the funds and assets of the retirement plans listed in this Section 13.09 (a)—(c), which funds and assets shall be maintained as separate funds in one or more funds of the system of employee benefit plans for the officers and employees of the metropolitan government, as said committee may determine in its sole discretion. It shall be the duty of the employee benefit board to assume jurisdiction over, to administer, and to interpret the provisions of the retirement plans listed above in this Section 13.09; to codify and restate such retirement plans if the board determines that such codification and restatement would be an administrative convenience, and to exercise the duties granted the board in Section 13.05 of this charter with respect to such retirement plans; provided, however, that no provision of this charter shall be construed to affect in any way the benefits payable to members and their survivors of the teachers' retirement plans of the former City of Nashville or the former County of Davidson; and provided, further, that the board shall suspend, as a condition precedent to the employment of any person by the metropolitan government, the benefits payable under such retirement plan during the period such person is regularly employed by the metropolitan government.

Provided any member receiving a service pension of the metropolitan government or the former City of Nashville or former Davidson County shall be entitled to receive their service pension and still serve as a member of the metropolitan council. This provision shall supersede any provision of the Charter or the applicable pension plans to the contrary. (Res. No. 72-380, § 1, 11-7-72; Res. No. 74-869, § 1, 11-5-74; Substitute Res. No. 78-1051, 9-19-78; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 13.09.1. Benefit increase plan.

The appropriate administrator of the system of employee benefits plans shall, after the approval of the metropolitan employee benefit board, recommend to the director of finance, the desirable plan of increase in benefits payable to members, retired members, and survivors of members of the retirement plans listed in Section 13.09 (a)—(c). The director of finance shall approve or modify the plan increase, and forward the same, with a statement of full budgetary implications, to the mayor for his or her approval. The mayor shall approve the plan or approve it subject to his or her modifications. Thereupon, the mayor shall submit the same to the council with recommendations that it be adopted effective at the beginning of the next fiscal year, except the effective date for the fiscal year beginning July 1, 1975, shall be as stated by adopting resolution.

The council shall (1) adopt the benefits increase plan, or (2) reject it. Adoption or rejection shall be by resolution not requiring the approval of the mayor. When a benefit increase plan is rejected by the council, it shall be returned to the metropolitan employee benefit board, which may thereupon formulate another benefit increase plan and transmit the same to the mayor for handling under the provisions above set forth.

Upon the approval of the plan by the mayor and the council, this shall be the benefits payable to members, retired members, and survivors of members of the retirement plans listed in Section 13.09 (a)—(c). (Res. No. 72-380, § 1, 11-7-72; Res. No. 74-869, § 1, 11-5-74; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 13.10. Retirement plans to be actuarially sound.

Any retirement plan adopted by the metropolitan government pursuant to Section 13.06 hereof shall be actuarially sound; that is, annual contributions shall be made by members of such retirement plans and by the metropolitan government to a fund or funds established and invested for the sole purpose of financing benefits provided in accordance with the provisions of such retirement plans. The amount of such annual contributions by the employees and the metropolitan government shall be determined as the sum of normal cost and five (5) percent of the unfunded past service liability, where normal cost and past service liability shall be determined actuarially by a qualified independent actuary based on the entry age normal cost method of funding or the unit credit cost method of funding.

Sec. 13.11. Separate funds; payments from funds; reports.

All assets of any fund maintained in connection with the system of employee benefit plans of the officers and employees of the metropolitan government, as well as the retirement plans listed in section 13.09 (a)—(c) of this article, shall be maintained separate and apart from all other funds of the metropolitan government. The metropolitan treasurer shall keep a separate account for

each such fund and a separate record indicating each disbursement of such fund. Payments from such find or funds shall be made only on order of the board by a warrant to be signed by a person designated by the board and to be countersigned by the metropolitan treasurer. The metropolitan treasurer shall submit to the board monthly financial reports and such other reports as the board may require.

Sec. 13.12. Expense for treatment of accidental injury in course of employment to be borne by metropolitan government.

Any employee of the metropolitan government entitled to benefits under any benefit plan established for the metropolitan government, who is injured by accident arising out of and in the course of his or her employment, shall be entitled to emergency treatment at the nearest or most available doctor's office, hospital or clinic, at the expense of the metropolitan government. Any further treatment, in addition to the emergency treatment herein provided for, shall be furnished the employee free of charge by doctors, nurses, etc., in the employment of board of hospitals. In the event it is determined that specialized treatment not available at a metropolitan hospital should be made available to such employee, then the same shall be made available at the nearest point or place where such specialized treatment is available, which treatment shall be paid for by the metropolitan government. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 13.13. Death benefits.

If no other death benefit financed in whole or in part by the metropolitan government is available, then benefits shall be paid on the death of an employee caused by any injury by accident arising out of and in the course of employment. The amount of the payment shall be the sum of five thousand ($5,000) dollars, and payment shall begin within sixty (60) days after death to the surviving spouse, and if no spouse, to the next of kin without necessity for appointment of an executor or administrator. Determination by the board as to who is entitled to payment of death benefits and the payments made pursuant to such determination shall be final and conclusive. No payment shall be made where the personal injuries resulting in death were due to the employee's willful misconduct or intentional self-inflicted injury, or due to intoxication, or willful failure or refusal to use a safety appliance or perform a duty required by law. No payment shall be made in the case of death due to sickness or disease. The words "employee of metropolitan government," as used in this section, shall not include any member of a board or commission created by this Charter or pursuant to it, and shall not include any contractor or employee of a contractor doing business with the metropolitan government.

Written notice of personal injury shall be given to the board and to the mayor on behalf of an employee within thirty (30) days after such personal injury was sustained. In the event of claim for death benefit, the board shall make or cause to be made a full investigation of the facts and shall determine, on the basis of written opinion of the metropolitan attorney, whether the claim is legally and properly payable.

The death benefit payment of $5,000 shall be made as follows: The sum of five hundred ($500) dollars shall be paid at the time of the initial settlement, and the balance shall be paid at the rate of one hundred ($100) dollars per month for forty-five (45) consecutive months. Payments made pursuant to this section shall be free from the claims of creditors and not subject to attachment, garnishment or other process of law.

The provisions with respect to death benefits shall apply to all persons employed by the metropolitan government, including the employees of all departments, boards and commissions.

ARTICLE 14. METROPOLITAN GENERAL SESSIONS COURT

Sec. 14.01. Created; parts.

There is hereby created and established a metropolitan general sessions court in and for the County of Davidson, State of Tennessee, which shall be divided into nine (9) parts; each of which shall be designated in their respective divisions, Metropolitan General Sessions Court of Nashville and Davidson County, Tennessee. (Res. No. 65-671, § 1, 7-20-65; Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.02. Jurisdiction and authority; justices of the peace divested of certain jurisdiction and authority.

The metropolitan general sessions court of Nashville and Davidson County, Tennessee, is hereby vested with all the jurisdiction and shall exercise all the authority conferred by law upon justices of the peace in civil and criminal cases, suits and actions; and the jurisdiction of the justices of the peace of Davidson County are hereby divested of all such jurisdiction and authority. The court shall have exclusive jurisdiction to hear, try and dispose of cases involving the breach of any and all ordinances, regulations, resolutions and private acts of the metropolitan government, and to impose fines for said breach of any

and all ordinances, regulations, resolutions and private acts of the metropolitan government. It shall have exclusive jurisdiction to hear, try and dispose of cases in which violations of traffic laws, ordinances regulations and resolutions of the metropolitan government are charged, or in which offenses are charged under state law regulating the operating, maintenance of motor vehicles and to impose fines for violation of such laws, ordinances, regulations and resolutions and to suspend the driver's license of any person found guilty of such violation as the case may be. Said court shall have jurisdiction to bind over offenders to the grand jury where probable cause is found to exist in cases involving violation of the criminal laws of the state and, in lieu of bond, to commit to jail persons so charged. The court shall exercise all the jurisdiction and authority now and hereafter conferred by general act upon the court of general sessions. (Res. No. 71-1222, § 1, 8-5-71)

Editor's note—In addition to the amendment adopted by Res. No. 1222, § 14.02 was also amended at election held Aug. 4, 1983.

Editor's note—An Environmental Court was established by Tenn. Pub. Acts 1993, Chapter 212, and later amended by Tenn. Pub. Acts, Chapter 667, 2002.

Sec. 14.03. Trial upon plea of guilty or waiver of indictment, presentment of grand jury investigation and jury trial.

The court is hereby vested with jurisdiction and authority to try and determine and render final judgment in all misdemeanor cases brought before it either by warrant or information wherein the person charged with such misdemeanor offense enters a plea of guilty or requests a trial upon the merits, or expressly waives an indictment, presentment of a grand jury investigation and a jury trial. In any such case, the trial is presented before the judge without the intervention of a jury. It shall be the mandatory duty of the judge of said metropolitan general sessions court when a defendant is brought before the court upon arraignment or trial to advise such defendant of his or her constitutional rights to the aid of counsel, the right to be tried only upon presentment or indictment preferred by a grand jury, the right to make a statement in reference to the accusation or the right to waive such statement, and the right to a trial by jury. Upon defendant agreeing in writing to waive the right to be put to trial only by presentment or indictment preferred by a grand jury and the right to a trial by jury of his or her peers, the court may proceed to hear and determine said case as provided hereinabove. Said waiver shall be written on or attached to the warrant stating in words and figures as follows:

The defendant . . . . . pleads. . . . . guilty to the offense of . . . . . and waives his or her right to be tried only by indictment or presentment preferred by a Grand Jury, and likewise waives a trial by a jury of his or her peers. (Res. No. 65-671, § 1, 7-20-65; Res. No. 71-1222, § 1, 8-5-71; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 14.04. Judges—Number; qualifications.

There shall not be more than one (1) judge for each division of said court as provided in section 14.01 herein; each judge possessing the qualifications and being duly elected for the term of office as provided in article 6, section 4 of the Constitution of the State of Tennessee, for judges of inferior courts. Nine (9) judges are hereby authorized to serve the court and they are as follows, to wit: Six (6) duly elected general sessions court judges of Davidson County, Tennessee, which shall be the judges of divisions I—VI, and the existing duly elected judges of the metropolitan court of Nashville, Tennessee, who shall be the judges of divisions VII through IX; and additional judges may be provided by act of the state legislature as it shall deem necessary; and by appointment and/or election as provided further herein. In addition to the qualifications prescribed in the Constitution of the State of Tennessee, the judges of said court shall have been licensed to practice laws by the Supreme Court of Tennessee for not less than five (5) years prior to election to office, and shall have been residents of Nashville, Davidson County, Tennessee, for not less than the same period; and shall not be less than thirty (30) years of age or more than sixty-five (65) years of age at the time of their qualification; providing, that the provisions hereinafter set forth regarding age shall not apply to judges holding office at the time this amendment is adopted as provided further herein. (Amended by Res. No. 71-1222, § 1, 8-5-71)

Editor's note—It is the Department of Law's opinion that the maximum age restriction (65 years) set forth in Charter Section 14.04 is unconstitutional and would not be enforced by a court.

Sec. 14.05. Same—Election; term of office.

The first nine (9) judges of the court hereby transferred shall serve the court until their tenures of office to which elected expires, and all branches of the court shall be filled by the qualified voters of Metropolitan Nashville, Davidson County, Tennessee, in the August 1974 general election for term of eight (8) years from the first day of September, 1974, and subsequently at the August general election thereafter for each like term. The judges to serve the court hereinbefore set out shall be the judges of the respective divisions I—IX, respectively. Additional judges authorized by act of the legislature as provided in section 14.04 hereof, shall be elected at the next general election following their appointment and subsequently

at the next general election required for judges of the entire court. Each person seeking election as a judge of said court shall be required to run for a specific division, branch or part as established hereinabove. (Amended by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.06. Same—Oath of office.

The oath of office prescribed for judges of said court shall be the same as that prescribed for circuit judges and chancellors and shall be taken and filed with the court administrator of the metropolitan general sessions court. (Amended by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.07. Same—Compensation; restrictions on practice of law.

The judges of the court shall be paid the same compensation and shall be under the same restriction as to the practice of law as provided by general law for judges of the circuit court of Davidson County; and such compensation shall be paid in at least equal monthly installments out of the general funds of the metropolitan government of Nashville and Davidson County. (Amended by Res. No. 65-671, § 1, 7-20-65; Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.08. Same—Retirement benefits; removal from office.

The judges of said court shall be eligible to all retirement benefits as provided by general law for county paid judges. The now existing metropolitan judges, who will be the judges of divisions VII, VIII and IX of the court, shall have the right to elect as to whether or not they shall remain under the same retirement system as set forth in article 13 of the Charter of the Metropolitan Government of Nashville and Davidson County or participate in the state pension system for county paid judges as provided by general law. The judges of said court shall be subject to removal from office as prescribed by law for circuit judges and chancellors. (Amended by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.09. Same—Jurisdiction, authority and powers generally.

The judges of said court shall have the same authority as provided by law by circuit court judges and chancellors to grant fiats for writs of injunction, attachments and other extraordinary process. Said judges shall have the jurisdiction and authority conferred upon trial judges by chapter 21, title 40 of the Tennessee Code Annotated [Repealed]* relative to suspension of sentences and revocation thereof. They shall have the power to remit fines and to release sentences imposed by them. Said judges are empowered to issue subpoenas to compel the attendance of witnesses and upon the failure of any witness so subpoenaed to attend, to compel his or her attendance by attachment. Said judges shall further be empowered to punish any person for contempt committed in the presence of the court by imposing a fine not to exceed twenty-five dollars ($25.00); and/or jail sentence not to exceed ten (10) days, and in default of payment of a fine so imposed, to imprison such guilty person in the metropolitan workhouse or jail until said fine is discharged. (Amended by Res. No. 71-1222, § 1, 8-5-71; Res. No. 88-526, § 20, 10-4-88; amended by referendum election of November 6, 2018, Amdt. 6)

***Editor's note—**Repealed by Acts of 1989, ch. 591, § 7. For present provisions concerning criminal sentencing, see ch. 35, part 3 of title 40.

Sec. 14.09A. Same—Presiding judge.

There is hereby created the position of presiding judge of the metropolitan general sessions court of Nashville and Davidson County, who shall be one (1) of the judges of said court. The presiding judge of the court shall be selected by a majority vote of the judges of the court. In the event of a vacancy or incapacity or inability of the presiding judge, the remaining judges of the court by majority vote, shall select another presiding judge who shall be one of the judges of said court to serve the remaining term. The presiding judge shall be responsible for the preparation and submittal of budgets of said court to the metropolitan government and its appropriate departments, committees and agencies. He or she shall have authority to call meetings of the other judges of the court who shall be required to attend such meetings for he or she purpose of discussing various problems pertaining to the conduct and operation of said court. The presiding judge shall promulgate all rules necessary for the supervision, conduct and administration of the court, including but not limited to the following: 1. Prescribing the days and hours when the courts sitting in branches, parts or divisions shall be in session, including a night court session as shall be deemed necessary; 2. assigning of civil, criminal and traffic cases to respective branches, parts and divisions of said court. (Amended by Res. No. 71-1222, § 1, 8-5-71; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 14.09B. Separate dockets to be kept for civil, criminal and traffic cases.

Separate dockets shall be kept in said court for civil, criminal and traffic cases, and shall be in such form and kept in such manner as the presiding judge shall prescribe. (Amended by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.10. Public defender—Qualifications; selection; term; duties.

There shall be a public defender for the metropolitan government who shall be elected by the voters at the regular August election in 1966 and who shall hold office for a term of four (4) years, commencing September 1, 1966, and until his or her successor shall be duly elected and qualified. The public defender shall be a person licensed to practice law in Tennessee and he or she shall be at the time of his or her election or appointment, and shall continue to be during the term of office, a resident of the area of the metropolitan government. The public defender shall not engage in private practice of criminal law during his or her term, but he or she may conclude all matters pending when elected or appointed. A vacancy in the office of public defender shall be filled by the metropolitan council until the next general August election, when successor shall be elected by the voters to fill the unexpired term or the ensuing term as may be the case.

Upon request by the defendant, or upon order of the court, it shall be the duty of the public defender to defend, without expense, and to represent generally all persons who are determined by the court or the public defender to be without means to employ counsel and who have been indicted by the grand jury or charged with the commission of any crime. The public defender shall also, upon request, give counsel and advice to such person, in and about any charge against them upon which he or she is conducting the defense. The public defender shall prosecute all appeals to a higher court on behalf of any person financially unable to employ counsel who has been convicted upon such charge, where in his or her opinion there is error in the conviction had, and such appeal will or might reasonably be expected to, result in the reversal or modification of the judgment or conviction. The public defender shall perform such other duties as may be assigned by ordinance. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 14.11. Same—Compensation; appointment, qualifications and duties of assistants.

The public defender shall receive a salary of eight thousand dollars ($8,000.00) per annum, payable semimonthly.

For the proper conduct of the business of his or her office the public defender is authorized to employ one (1) deputy or assistant at a salary not to exceed five thousand dollars ($5,000.00) per annum, payable semimonthly, and to employ one (1) stenographer at a salary not to exceed four thousand dollars ($4,000.00) per annum, payable semimonthly. Any person appointed assistant public defender or deputy public defender shall be licensed to practice law in Tennessee and shall be at the time of his or her appointment, and shall continue to be during the period of his or her service, a resident of the area of the metropolitan government. Any person appointed assistant or deputy public defender shall serve at the pleasure of the public defender and notice of his or her appointment or of the revocation of the same shall be in writing and filed with the clerk of the criminal court. Such assistant or deputy public defender may attend all criminal courts and discharge the duties imposed by law upon the public defender. The assistant or deputy public defender designated by the public defender or by the court in his or her absence, shall perform the duties of said office during any period when the public defender is disabled or otherwise unable to attend court. No assistant or deputy public defender shall engage in the private practice of criminal law during the period of his or her service, except to conclude matters pending when he or she was appointed.

The council by ordinance may provide such additional assistants, investigators or other personnel as it may determine the public defender to require, and also by ordinance may enlarge or restrict the duties of the public defender as to the class of cases in which he or she shall act as attorney for indigent defendants. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 14.12. Designation of special judge when judge unable to hold court.

In the event that any judge of said court fails to attend, cannot preside over any pending case, or for any reason is unable to hold court, such judge may select a qualified person to hold court as provided in chapter 533 of the Public Acts of the State of Tennessee for 1968.[5] (Amended by Res. No. 71-1222, § 1, 8-5-71)

5. See T.C.A., § 16-15-209.

Sec. 14.13. Filling of vacancies in office of judge.

In the event of any vacancy in the office of the judge of the court for any cause, either by death, resignation or removal, the governor of the State of Tennessee shall be empowered to appoint some qualified person to fill such vacancy until September 1 following the next August general election, at which election said vacancy shall be filled for the remainder of such term by the qualified voters of Metropolitan Nashville, Davidson County, Tennessee. (Amended by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.14. Service of process.

The sheriff of the metropolitan government or his or her duly appointed deputy or any person appointed by a judge of the court for such purpose, shall be empowered to serve regular process, writs and papers issued by said court with the same authority and power provided for such service in the inferior courts of this state. Any person specifically appointed for such purpose under this section shall serve without compensation. (Added by Res. No. 65-671, § 1, 7-20-65; amended by Res. No. 71-1222, § 1, 8-5-71; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 14.15. Cost bond or cash deposit required in civil cases; exceptions; schedule of deposits.

Before any original process shall issue from said court in a civil case, the plaintiff shall exercise a cost bond as good security as deemed necessary by the court clerk in the sum of twenty-five dollars ($25.00) or in lieu thereof, make a cash deposit with the court clerk of not less than three dollars ($3.00) nor more than twenty-five dollars ($25.00) to cover the cost of such proceeding and, on motion, the court may increase or decrease the security so required. The presiding judge with the approval of the majority of the judges shall be authorized to establish a schedule of deposits in the various forms of action and to publish such schedule which shall be uniformly adhered to in the various parts, divisions or branches of said court. Provided, that any resident of this state who shall be eligible to take and prescribe to the oath provided for poor persons may commence and propose an action on paupers oath as provided in Tennessee Code Annotated, section 20-12-127. The provisions of this section shall not apply to suits instituted by the metropolitan government, its agencies or departments. (Added by Res. No. 71-1222, § 1, 8-5-71; Res. No. 88-526, § 21, 10-4-88)

Sec. 14.16. Bail in misdemeanor cases.

In all misdemeanor cases where bond is made for appearance before the court, each of the judges of said court is hereby authorized and empowered to prescribe the amount of bail, either cash or otherwise, with the same discretionary powers granted to courts of record by Tennessee Code Annotated, section 40-11-113. Upon default in appearance of the defendant, the judge before whom such default occurs is hereby authorized to grant relief, lessen or remit liability upon the recognizance, as provided for other courts in Tennessee Code Annotated, section 40-11-203 and section 40-11-204; and in case of cash bonds, said judge may hear proof and order any fine imposed and cost to be paid out of such bond. Any unused surplus of cash bond and other funds in excess of cost paid for exoneration of sureties shall be disbursed by the court clerk as provided by law for forfeitures. (Added by Res. No. 71-1222, § 1, 8-5-71; Res. No. 88-526, §§ 22, 23, 10-4-88)

Sec. 14.17. Rules and regulations for bondsmen; rules for release of persons on own recognizance bonds and deposit of driver's license.

The presiding judge, with the approval of the majority of the judges, shall prescribe and shall cause to be prescribed such reasonable rules and regulations for professional bondsmen undertaking to do business before the court as may be necessary for the orderly and expeditious conduct and operation of said court, as provided in Tennessee Code Annotated, sections 40-4-101 through 40-4-108. Said presiding judge, with the approval of the majority of the judges, shall also promulgate and publish rules for release of persons charged with violation of state law on their own recognizance bonds; and/or the deposit of driver's license in lieu of bond for persons charged with the violation of traffic laws. (Added by Res. No. 71-1222, § 1, 8-5-71; Res. No. 88-526, § 24, 10-4-88)

Sec. 14.18. Persons authorized to prosecute cases before court.

The metropolitan department of law of the metropolitan government is hereby authorized to prosecute before the court, any and all cases involving violations of ordinances, regulations, resolutions and Private Acts of the metropolitan government filed in or pending before said court. The district attorney general of Davidson County, Tennessee, or his or her duly authorized representatives, are hereby authorized to prosecute before the court any and all violations of state law filed in or pending before said court. (Added by Res. No. 71-1222, § 1, 8-5-71; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 14.19. Court administrator.

The office of court administrator of the metropolitan general sessions court is hereby created. The court administrator of the court shall be appointed by a majority of the judges of said court and shall serve for a period of three (3) years, with a salary of fifteen thousand dollars ($15,000.00) per year, payable in not less than monthly installments, and he or she shall act as liaison between the court and clerk's office of the

metropolitan general sessions court. The court administrator shall perform the following duties and functions, including but not limited to:

A. Forming and submitting continually to the presiding judge of the court, recommendations for improving the efficiency and operation of the metropolitan general sessions court, including civil, criminal and traffic case procedure;

B. Investigating complaints, involving the conduct and operation of the court, taking action upon such complaints as may be necessary or appropriate under the systems, subject to approval of the presiding judge in case of a serious nature;

C. Assist the presiding judge in the preparation of budgeting and fiscal reports and documents as may be necessary and proper for the operation and maintenance of the court;

D. Approving all claims for expenditures of such funds as may be appropriated for the court, including requisitions and claims for the purchase of necessary equipment, materials and supplies so appropriated;

E. That it secure and maintain accommodations, securing supplies and materials for the judges, and other officers and employees of the court;

F. Collecting and compiling data, including cases filed, disposing of those pending, and information on expenditures and receipts of the court, and preparation of quarterly and annual reports on these and other court activities;

G. Act as secretary of any and all matters of the court;

H. Keeping and maintaining the docketing as prescribed in section 14.09B herein, or in such form and manner as the presiding judge shall prescribe;

I. Perform such other relative duties as may be requested or assigned by the presiding judge. (Added by Res. No. 71-1222, § 1, 8-5-71; amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 14.20. Clerks—How furnished; chief deputy clerks; compensation; bonds.

One (1) clerk's office shall serve the metropolitan general sessions court, and the necessary clerks for the operation of the same shall be furnished by the criminal court clerk, Davidson County, Tennessee, for the operation of the criminal court part of the metropolitan general sessions court, and the said criminal court clerk shall designate one (1) deputy clerk as chief deputy; and all necessary deputy clerks for handling the civil cases of the metropolitan general sessions court will be furnished by the circuit court clerk, Davidson County, Tennessee, who shall name one as chief deputy clerk; and the clerks now serving the three (3) divisions of the metropolitan court are hereby transferred to the clerk's office to handle the metropolitan warrants and procedures for the metropolitan general sessions court, and the chief deputy clerk, now serving said court, shall continue as chief deputy clerk, when all are transferred at their salaries now being paid. The salary of all personnel selected and serving the metropolitan general sessions court, as hereinabove provided shall be established by the clerk appointing them, subject to the approval of the presiding judge, except those clerks involved in handling the municipal warrants, whose salary shall be approved by the presiding judge in accordance with the metropolitan pay schedule plan for the metropolitan government, Nashville, Davidson County, Tennessee. The deputy clerks shall be required to give bond upon the assignment of their duties of office, which shall be in the manner and amounts set by general law. (Added by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.21. Same—Powers of deputy clerks.

The deputy clerks are hereby authorized to administer oaths, to take appearance and appeal bonds when the amount thereof has been set by a judge and to issue all process authorized by law. All process shall be issued in the name of the State of Tennessee and may be served by any law enforcement officer authorized by law for such purpose or as may be provided by this Act. (Added by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.22. Costs and fees.

In any and all matters, the costs and fees of the court shall be as follows:

A. In cases involving violation of ordinances, regulations, resolutions or private acts of the metropolitan government, such costs and fees as may be required by ordinance by the metropolitan council;

B. In civil cases, suits and actions, such cost and fees as may be required by law;

C. For violation of state law, such costs and fees as may be required by General Acts of the legislature for general sessions courts. There shall be published a schedule of set cost and fees, as the judges shall direct. The fees and other compensation of the sheriff and his or her deputies, game wardens and state highway patrol for the execution and service of writs and process of the court shall be the same as those required by law.

Such fees and compensation as may be due for service rendered by the court shall be paid to the respective clerks servicing said court. Said cost, fees and mileage of witness fees, commissions and emoluments of the sheriff and his or her deputies, game wardens,

state highway patrol and other officers for service rendered to the court, and the fines and forfeits imposed by the court and all other funds coming to the court, shall be received, accounted for and disbursed by the respective clerks as provided herein. (Added by Res. No. 71-1222, § 1, 8-5-71; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 14.23. Disposition of monies and receipts.

The clerk shall deposit to his or her respective account, all funds and receipts accruing to the court under section 14.22 herein and any and all other monies and receipts accruing to said court. Any and all disbursements from such account shall be made upon orders of the court and as required by law or in his or her absence, inability or incapacity, by such person as the judges shall designate. The judges may authorize the establishment of such bank account or accounts as may be necessary for the management of funds held as judgments in civil cases. (Added by Res. No. 71-1222, § 1, 8-5-71; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 14.24. Court officers.

Each judge of the court is hereby authorized to appoint two (2) court officers who shall serve at the pleasure of said judge and whose compensation shall be the same as that paid to the officers of the criminal court and shall be paid from the general funds of the metropolitan government. It shall be the duty of said court officers to maintain order during sessions of the court, to serve process as ordered and to perform such other duties as may be prescribed by the judge. Said court officer shall, while acting in the performance of their duties, possess and exercise police powers to the same extent as that granted members of the metropolitan police department. (Added by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.25. Probation department or division authorized.

The judges of the court are hereby authorized to create and establish a department or division of probation which shall be a division of the metropolitan government. (Added by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.26. Appeals.

An appeal from a civil judgment or judgment for any ordinance, regulation, resolution or private acts may be taken to the circuit court of Davidson County, Tennessee. Such appeal shall be taken upon bond or in lieu of bond, on the paupers oath as provided in Tennessee Code Annotated, section 20-12-127, within the time and in the manner prescribed by law for appeals from courts of general sessions to the circuit courts, and appeals from writs of certiorari from judgments of the metropolitan general sessions court shall likewise be made in accordance with law.

Appeals on behalf of the defendant from a judgment in any criminal case tried by the court may be taken to the criminal court of Davidson County, Tennessee. Such appeal shall be prayed and granted within ten (10) days from the rendition of the judgment or as otherwise provided by law, and shall not act as a stay or supersedeas of the judgment unless the defendant shall execute an appeal bond with good and solvent surety, to pay the fines and costs and other costs adjudged upon appeal. Provided, that this section shall not be construed to require the metropolitan government to make bond to perfect any appeal taken hereunder. Any such appeal shall be perfected by written notice from the director of the metropolitan department of law or any assistant thereof, addressed to the court clerk of the metropolitan general sessions court. (Added by Res. No. 71-1222, § 1, 8-5-71; Res. No. 88-526, § 25, 10-4-88)

Sec. 14.27. Court to take judicial notice of Charter and general and urban services districts.

In addition to any matters of which the court is authorized, empowered and required to take judicial notice by law, said court shall take judicial notice of the Charter of the metropolitan government of Nashville and Davidson County, Tennessee, and the general and urban services district of said metropolitan government as set forth in the Metropolitan Charter. (Added by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.28. Rules of court.

The laws regarding pleading and practice in civil cases, issuing of writs and process in civil cases in the courts of general session of this state at the time of the adoption of this amendment shall be applicable to and shall govern practice and procedures in the court until such time as rules and practices and procedures are promulgated as provided in section 14.09A herein. (Added by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.29. Transfer of files, dockets, funds, suits, etc., from former courts.

Upon the effective date of this Act, as provided in section 14.30 herein, any and all files, dockets, records, equipment, funds and criminal and civil cases, suits, actions and outstanding writs and process, then existing in the court of general sessions of Davidson County, Tennessee, and the metropolitan court of the metropolitan

government of Nashville and Davidson County, Tennessee, shall be deemed to have been transferred to the metropolitan general sessions court of Nashville and Davidson County, Tennessee, and said court shall have jurisdiction and authority to hear and determine all undisposed cases under this section as though all such cases had originated in such court created herein. (Added by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.30. Severability of provisions.

Each of the provisions of this amendment [5a] is hereby declared to be severable, and if any section or sections, clauses or parts are invalid or unconstitutional, the remaining provisions of said amendment shall continue in full force and effect, it being the express legislative intent as declared herein that the amendment would have been adopted even if such invalid or unconstitutional matters had not been included therein. (Added by Res. No. 71-1222, § 1, 8-5-71)

5a. Sections 14.01 to 14.09B; 14.12 to 14.32.

Sec. 14.31. Continuation of office of public defender.

The office of public defender for the metropolitan government as it is presently constituted shall be continued with the same powers, duties, functions, privileges and provisions for personnel and compensation as is presently provided for, there being no intention in this amendment to alter in any way the office of the public defender or the rights, privileges and duties of the incumbent. (Added by Res. No. 71-1222, § 1, 8-5-71)

Sec. 14.32. Continuation of juvenile court; jurisdiction of metropolitan general sessions court limited in juvenile matters.

The juvenile court for Davidson County created by chapter 390 of the Private Acts of 1953 is hereby recognized as a court of the metropolitan government of Nashville and Davidson County. Pursuant to section 7-3-311, Tennessee Code Annotated, said court is hereby provided for and continued, with all rights, duties, powers, obligations, privileges and responsibilities as set forth in said chapter 390 of the Private Acts of 1953 and any acts amendatory thereof. The jurisdiction of the metropolitan general sessions court created by section 14.01 of this Charter shall not extend to matters over which the juvenile court shall have been given exclusive jurisdiction by said section 7-3-311, or other applicable law. (Added by Res. No. 71-1222, § 1, 8-5-71; Res. No. 88-526, § 26, 10-4-88)

ARTICLE 15. ELECTIONS AND REMOVAL OF OFFICERS

Sec. 15.01. When general metropolitan elections held; who may vote; qualifications of candidates.

For the purpose of electing a mayor, vice-mayor, five (5) councilmembers-at-large and thirty-five (35) district councilmembers, there shall be held on the first Thursday in April, 1966, and on the first Thursday in August of 1971, and each four (4) years thereafter, a general metropolitan election. At such general election each voter shall be entitled to vote for one (1) candidate for mayor, one (1) candidate for vice-mayor, five (5) candidates for councilmembers-at-large, and one (1) candidate for district councilmember from the district wherein the voter resides; and the names of all qualified candidates shall be so placed on the ballot or voting machine as to accord the voter such right. All persons who are lawfully registered and who are qualified to vote for members of the general assembly of the State of Tennessee shall be qualified to vote in the metropolitan elections. The name of any candidate shall be included on the ballot or the voting machines when a written petition signed by at least twenty-five (25) qualified voters shall so request and when said petition shall be filed with the county commissioners of election at least within the number of days prior to the election provided by general law for the filing of qualifying petitions of candidates for election to county offices. (Amended by Res. No. 65-670, § 1, 7-6-65; Res. No. 66-1053, § 1, 8-16-66; amended by referendum election of November 6, 2018, Amdt. 6)

* **Note:** See Tenn. Const. ART. VII, SECT. 5:

Sec. 5. Civil officers—Election—Vacancies.

Elections for Judicial and other civil officers shall be held on the first Thursday in August, one thousand eight hundred and seventy, and forever thereafter on the first Thursday in August next preceding the expiration of their respective terms of service. The term of each officer so elected shall be computed from the first day of September next succeeding his or her election. The term of office of the Governor and of other executive officers shall be computed from the fifteenth of January next after the election of the Governor. No appointment or election to fill a vacancy shall be made for a period extending beyond the unexpired term. Every officer shall hold his or her office until his or her successor is elected or appointed, and qualified. No special election shall be held to fill a vacancy in the office of Judge or District Attorney, but at the time herein fixed for the biennial election of civil officers; and such vacancy shall be filled at the next Biennial election recurring more than thirty days after the vacancy occurs.

Sec. 15.02. Vote required for election in metropolitan elections; runoff elections.

In the general metropolitan election those qualified persons who receive a majority of the votes cast for

mayor, vice-mayor and district councilmember for each of the thirty-five (35) districts shall be elected to their respective offices; and those five (5) qualified persons who receive the highest number of votes, being also a majority of the total vote cast for the office of councilmembers-at-large, shall be elected to such office.

In the general election if no candidate shall receive a majority of all the votes cast for the office of mayor, vice-mayor or district councilmember, a runoff election shall be held with respect to such unfilled office or offices. In the runoff election only the names of the two (2) candidates who received the highest number of votes cast for such office which failed to be filled at the general election shall be placed on the official ballot or voting machine.

In the general election if less than five (5) candidates receive a majority of the total vote cast for the office of councilmembers-at-large, the number receiving a majority shall be elected and a runoff election shall be held with respect to the unfilled offices. For the purpose of this section, "the total vote cast for the office of councilmembers-at-large" shall be deemed to be one-fifth of the aggregate number of votes received by all candidates for the office of councilmembers-at-large. In the runoff election, there shall be included on the ballot or voting machine a number of candidates which is twice the number of vacancies remaining to be filled. The candidates to be so included shall be those who in the general election received the highest vote less than a majority and the other candidates shall be eliminated. In the event of a tie vote among candidates, one (1) of whom should be in the runoff except for such tie, then all such candidates so having tie votes shall be in the runoff. In a runoff election for councilmembers-at-large it shall not be necessary to receive a majority and those candidates who have the highest vote and who equal in number those remaining to be elected shall be elected.

The runoff election, if required, shall be held on the third Thursday in May, 1966, being three (3) weeks subsequent to the general election held in that year, and, thereafter, the runoff election shall be held on the second Thursday in September, being five (5) weeks subsequent to each general election held after 1995. In the case of tie between candidates for the same office, it shall be broken as provided by Tennessee Code Annotated, section 2-8-111. (Amended by Res. No. 65-670, § 1, 7-6-65; Res. No. 88-526, § 27, 10-4-88); amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—Section 15.02 was amended at a referendum election held November 5, 1996.

Sec. 15.03. Elections subsequent to vacancies.

A. Whenever a vacancy in the office of mayor shall exist more than twelve (12) months prior to the expiration of the term, a special election shall be held in accordance with Tennessee Code Annotated section 2-14-102.

B. Whenever a vacancy in the office of vice mayor shall exist more than twenty-four (24) months prior to the expiration of the term, a special election shall be held in accordance with Tennessee Code Annotated section 2-14-102.

C. Whenever a vacancy in the office of district council member shall exist more than eight (8) months prior to the expiration of the term, a special election shall be held in accordance with Tennessee Code Annotated section 2-14-102.

D. Whenever a vacancy in the office of councilmember-at-large shall exist, no special election shall take place and the office shall remain vacant for the remainder of the term.

E. Whenever a special election is called for by this section, such special election shall be ordered by the county commissioners of elections and they shall give notice thereof as provided by Tennessee Code Annotated section 2-14-105.

F. If in such a special election to fill a vacancy for the unexpired term of the office of mayor, no candidate shall receive a majority of all the votes cast for such office, a runoff election shall be held five (5) weeks subsequent to the first special election to fill a vacancy in accordance with the provisions hereinbefore set forth in the case of a general metropolitan election. In the event that the date prescribed for the runoff election falls on a major holiday or creates other major logistical concerns, the Election Commission shall be empowered to schedule the election no more than two days prior to the prescribed date.

G. If in such a special election to fill a vacancy for the unexpired term of the office of vice mayor or district council member no candidate shall receive a majority of all the votes cast for such office, a runoff election shall be held in the manner prescribed in Part F of this section.

H. The provisions of section 15.01 hereof with respect to voting in general metropolitan elections and with respect to qualifying as a candidate shall apply to special elections at which time a vacancy is filled.

I. Any unfilled vacancy in existence at the time of the adoption of this amendment, and any subsequent vacancy, shall be subject to the provisions of this section. (Amended by Res. No. 65-670, § 1, 7-6-65; Res. No. 88-526, § 28, 10-4-88; amended by Res. No.

RS2007-1846, referendum election of August 2, 2007; amended by Res. No. RS2018-1314 (Amdt. B), referendum election November 6, 2018, Amdt. 3)

Editor's note—In addition to the legislation given in the history note, § 15.03 was amended in its entirety by virtue of a referendum petition approved November 8, 1994, and amended again at a referendum election held November 5, 1996.

Sec. 15.04. Applicability of general election laws.

The general election laws of the state shall be applicable to all metropolitan elections, except as otherwise provided in this article.

Sec. 15.05. Ouster of metropolitan officers.

The mayor, vice-mayor, members of the council, and every member of a metropolitan board or commission appointed for a special term shall be subject to ouster under the terms and provisions of Tennessee Code Annotated, sections 8-47-101 through 8-47-107, and within the meaning of such law metropolitan officers are hereby declared to be county and municipal officers. (Res. No. 88-526, § 29, 10-4-88)

Sec. 15.06. Recall of metropolitan officers.

The mayor, vice-mayor and members of the council and metropolitan board of public education may be removed from such office by the qualified voters of the metropolitan government or of a councilmanic or school district according as the official sought to be removed has been elected by the voters of the metropolitan government or of a councilmanic or school district at any time except during the first one hundred and eighty (180) days or the last one hundred and eighty (180) days of their terms, in the manner hereafter provided.

Editor's note—Section 15.06 was added by referendum election held Aug. 1, 1991.

Sec. 15.07. Procedure in general.

In order to recall an official set out in Section 15.06 of this Metropolitan Charter, a petition demanding the election of a successor of the person sought to be removed and containing a statement of the reason(s) why removal is sought must be filed with the metropolitan clerk. The only purpose of such statement is to furnish information to the electors.

A recall petition for the offices of mayor, vice mayor, and councilmember-at-large shall contain signatures and addresses of registered qualified voters in number equal to fifteen (15) percent of the registered qualified voters in Davidson County; a recall petition for the offices of metropolitan board of public education and district councilmember shall contain the signatures and addresses of registered qualified voters in number equal to fifteen (15) percent of the registered qualified voters of the district from which the officer was elected. The above percentages shall be computed from the total number of qualified registered voters for each office according to the latest official count of registered qualified voters made by the Davidson County Election Commission thirty (30) days prior to the date the recall petition is initially filed with the metropolitan clerk. The signatures and addresses to any recall petition need not all be appended to one sheet of paper. The verification of the signatures shall be made by the Davidson County Election Commission and certified to the metropolitan clerk.

A notice of the intention to obtain signatures for a recall petition, together with the form of the recall petition, must be filed with the metropolitan clerk prior to obtaining signatures of registered qualified voters. Such recall petition containing the required number of registered qualified voters must be filed with the metropolitan clerk not later than thirty (30) days following the date the notice is properly filed. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—Section 15.07 was added by referendum election held Aug. 1, 1991. The third paragraph was added to § 15.07 by referendum election held November 5, 1996.

Sec. 15.08. Holding the recall election.

If the petition contains the requisite number of proper signatures, the metropolitan clerk shall immediately certify to the Davidson County Election Commission a copy of same and it shall thereupon be the duty of the Davidson County Election Commission to give notice and make all arrangements for the holding of such recall election, and the same shall be conducted, returned, and the results thereof declared, as provided by law in the case of a general election for the office held by the incumbent to which the petition relates. The Davidson County Election Commission shall hold the recall election within the time limits set in Tennessee Code Annotated, Section 2-3-204 for holding elections on questions.

Any person sought to be removed may be a candidate to succeed himself or herself; and unless he or she in writing or otherwise requests, it shall be the duty of the Davidson County Election Commission to place his or her name on the official ballot without nomination or petition by anyone. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—Section 15.08 was added by referendum election held Aug. 1, 1991.

Sec. 15.09. Recall election results—Votes required for election—Runoff election.

In any such recall election, the candidate receiving a majority of the votes cast for the office involved shall be

declared elected and shall hold the office during the unexpired term of the incumbent. If at such recall election, some person other than the incumbent receives a majority of the votes cast, the incumbent shall thereupon be deemed removed from office upon the qualification of his or her successor so elected.

If at such recall election no person receives a majority of the votes cast for the office involved, there shall be a runoff election and it shall thereupon be the duty of the Davidson County Election Commission to give notice and make all arrangements for the holding of such runoff election, and the same shall be conducted, returned, and the results thereof declared, as provided by law in the case of a general election for the office held by the incumbent to which the petition relates.

In the runoff election, only the names of the two (2) candidates who received the highest number of votes cast for the office involved shall be placed on the official ballot. The runoff election, if required, shall be held by the Davidson County Election commission not less than thirty (30) days nor more than forty-five (45) days after it is determined that a runoff election is required. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—Section 15.08 was added by referendum election held Aug. 1, 1991.

Sec. 15.10. Failure to qualify—Tie vote.

In case the person who receives a majority of the votes cast for the office involved shall fail to qualify within ten (10) days after receiving notice of election, the office shall be deemed vacant and filled as provided by law for the filling of a vacancy in said office; but if the incumbent receives a majority of the votes cast in such election, he or she shall continue in office.

In case of a tie vote between the candidates in such runoff election, it shall be broken as provided by Tennessee Code Annotated, Section 2-8-111. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—Section 15.10 was added by referendum election held Aug. 1, 1991.

ARTICLE 16. FUNCTIONS OF CONSTITUTIONAL AND COUNTY OFFICERS*

***Annotation—**Constable is a constitutional officer, and office was therefore not abolished by adoption of Metropolitan Charter. *Glasgow v. Fox,* 214 Tenn. 656, 383 S.W. 2d 9 (1964).

Sec. 16.01. County judge.

Nothing in this Charter is intended or shall be construed to alter or affect the judicial powers and functions of the county judge and the same shall continue as provided by general law or private act. The compensation of the county judge shall be as provided by general law with respect to chancellors; provided, that this section shall not alter or diminish the compensation of the incumbent county judge prior to the expiration of his or her present term of office in 1966. The county judge is hereby recognized as an officer of the metropolitan government in the exercise of his or her judicial functions, having the same relationship to such metropolitan government in the performance of such judicial functions as he or she previously had to the County of Davidson. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 16.02. County court clerk.

Nothing in this Charter is intended or shall be construed to alter or affect the powers, duties and responsibilities of the county court clerk as a collector of state revenues or as the clerk of the probate court. All fees, commissions, emoluments and perquisites of the office of county court clerk shall accrue to the metropolitan government as has been provided in section 8.118 of this Charter.

Annotation—Merchants' ad valorem tax is a local tax, and assignment by this Charter of duties of assessment and collection of such tax does not abridge duties of county clerk as collector of state revenues. *Winter v. Allen,* 212 Tenn. 84, 367 S.W. 2d 785 (1963).

Sec. 16.03. Duties of metropolitan government to certain state and county officers recognized.

Nothing in this Charter is intended or shall be construed to affect the powers, duties or compensation of the district attorney, circuit court clerk, criminal court clerk, clerk and master of the chancery court or county register, except as set forth in this section. The metropolitan government and its council shall have the same relationship, including powers, duties and responsibilities, to said officers and their assistants and office personnel as the County of Davidson and its quarterly county court had prior to the effective date of this Charter. It being recognized that this Charter as to metropolitan courts may operate to reduce the fees of the office of criminal court clerk, the metropolitan council is hereby authorized and directed to appropriate for the maintenance of such office such sum of money as may be necessary in addition to statutory fees for the proper operation of said office and for the maintenance of his or her salary at the present (maximum) level. Whenever by general law or private act the County of Davidson has been authorized or required to appropriate money, to contribute toward the compensation of expenses of said officers or their offices, or to perform other

duties with respect thereto, the metropolitan government shall be vested with the same authority and obligation. Said officers and their official personnel shall also have the same relationship, including powers, duties and responsibilities with respect to the metropolitan government as they previously had to the County of Davidson or the City of Nashville. All fees, commissions, emoluments and perquisites of any or said offices shall accrue to the metropolitan government as the same formerly accrued to the County of Davidson.

The metropolitan government shall also have the same obligations and duties as the County of Davidson formerly had with respect to compensation or expenses of court officers, bailiffs, secretaries and all other persons, and such duties may hereafter be changed by amendment or repeal of the respective private acts creating such duties when the amendatory or repealing act has been approved by the electorate or the council, as provided by the Constitution of Tennessee. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 16.04. Reserved.

Editor's note—Section 16.04, relating to the composition, powers and functions of the quarterly county court, was repealed at an election held Aug. 4, 1983.

Sec. 16.05. Sheriff.

The sheriff, elected as provided by the Constitution of Tennessee, is hereby recognized as an officer of the metropolitan government. He or she shall have such duties as are prescribed by Tennessee Code Annotated, section 8-8-201, or by other provisions of general law; except, that within the area of the metropolitan government the sheriff shall not be the principal conservator of peace. The function as principal conservator of peace is hereby transferred and assigned to the metropolitan chief of police, provided for by article 8, chapter 2 of this Charter. The sheriff shall have custody and control of the metropolitan jail and of the metropolitan workhouse. The council may by ordinance authorize the sheriff to provide security within buildings of the metropolitan government and, pursuant to a written agreement between the metropolitan government and a metropolitan agency or authority or judges of the Davidson County Circuit, Chancery, Criminal or General Sessions courts, within any building or at any official meeting of such agency or authority or within any courtroom while such court is in session. The council may by ordinance, upon recommendation of the metropolitan chief of police and sheriff, authorize the sheriff to perform duties as may be unassigned by the charter, or currently assigned to the metropolitan chief of police, relating to the intake, processing, identification and questioning of arrestees, detainees, prisoners and other persons in official custody. (Res. No. RS2012-277, § 1(Amdt. 3), 9-18-2012, election of 11-6-2012; Res. No. 88-526, § 30, 10-4-88; amended by referendum election of November 6, 2018, Amdt. 6)

ARTICLE 17. PUBLIC UTILITY FRANCHISES

Sec. 17.01. Irrevocable franchises granted only by ordinance.

All irrevocable public utility franchises and all renewals, extensions and amendments thereof shall be granted only by ordinance. No such ordinance shall be adopted before thirty (30) days after application therefor has been filed with the council, nor until full public hearing has been held thereon.

Sec. 17.02. Granting ordinances to be ratified at election.

No such ordinance shall become effective until it has been submitted to the electors of the metropolitan government and has been approved by three-fifths of the electors voting thereon. No such ordinance shall be submitted to the electors at an election to be held less than sixty (60) days after the grantee named therein has filed its unconditional acceptance of such franchise, and it shall not be submitted to a special election unless the expense of holding the election, as determined by the council, shall have been paid to the metropolitan treasurer by the grantee.

In any election held under the provisions of this article, wherein is submitted any franchise ordinance for ratification by the voters, it shall not be necessary to print the entire ordinance on the ballot. It shall only be necessary to submit the question of ratification of such ordinance, together with a brief statement of the purpose or purposes of the same, and the date of its enactment by the mayor and council. The ordinance itself may provide for the form of its submission on the ballot.

Sec. 17.03. Restrictions on all future public utility franchises and reserved powers of metropolitan government.

No exclusive franchise shall ever be granted and no franchise shall be granted for a longer term than thirty (30) years. No such franchise shall be transferable, directly or indirectly, except with the approval of the council expressed by ordinance.

All public utility franchises, whether it be so provided in the ordinance or not, shall be subject to the right of the metropolitan government:

1. To repeal the same for misuse or nonuse, or for failure to comply therewith.

2. To require proper and adequate extension of plant and service and the maintenance thereof, at the highest practicable standard of efficiency.

3. To establish reasonable standards of service and quality of products, and prevent unjust discrimination in service or rates.

4. To make independent audit and examination of accounts at any time, and to require reports annually.

5. To require continuous and uninterrupted service to the public in accordance with the terms of the franchise, throughout the entire period thereof.

6. To impose such other regulations as may be determined by the council to be conducive to the safety, welfare and accommodation of the public.

Sec. 17.04. General requirements.

All public utility franchises shall make provision for fixing rates, fares and charges, and for readjustments thereof at periodic intervals of not more than five (5) years, either by arbitration upon terms to be specifically set forth in the franchise, or by state agency, at the election of the metropolitan government. The value of the property of the utility used as a basis for fixing such rates, fares and charges shall in no event include a value predicated upon the franchise, good will or prospective profits.

Every public utility may be required by the metropolitan government to permit joint use of its property and appurtenances located in the streets, alleys, and public places of the metropolitan government, by other public utilities, in so far as such joint use may be reasonably practicable, and in accordance with the provisions of the National Electrical Safety Code upon payment of reasonable rental therefor; provided, that in the absence of agreement, upon application by any public utility, the council shall provide for arbitration of the terms and conditions of such joint use and the compensation to be paid therefor, which award shall be final.

The right to use, control and regulate use of its streets, alleys, bridges and public places, and spaces above and beneath them, is hereby reserved to the metropolitan government, and every public utility franchise shall be subject thereto. Every public utility shall indemnify the metropolitan government against and pay for such damage as it causes to streets, alleys, bridges and other public places by reason of excavations, cutting of pavements, construction work and the like, provided this obligation shall not obligate the public utility to pay for damages resulting from usual wear and tear or its ordinary use of such public places.

Sec. 17.05. Acquiring property of public utility by condemnation.

The metropolitan government shall have power to acquire by condemnation or otherwise the property of any public utility. This power shall be exercised in accordance with the general laws of the state pertaining to such acquisition by cities and may be exercised only after having been approved by three-fifths of the electors voting thereon under the procedure required by section 17.02 hereof in the case of franchises. The cost of such election shall be borne by the metropolitan government.

Sec. 17.06. Recognition of franchises granted by county or city.

This Charter and this article shall not affect valid franchises heretofore granted or transfers thereof heretofore approved by the County of Davidson or the City of Nashville, but the same shall continue in force and effect in accordance with their valid provisions, terms and conditions.

Sec. 17.07. Regulation of street railway companies.

The entire and complete supervision, regulation, jurisdiction and control over street railway companies operating within the territory embraced in the metropolitan government and the environs thereof shall be vested solely in and exercised solely by Nashville Transit Authority as created and established under the terms and provisions of chapter 487, Private Acts of 1953, as amended by chapter 307, Private Acts of 1955, and chapter 165, Private Acts of 1957, and as set forth in Appendix Four hereto to which reference is made. Neither the mayor nor the council nor any other officer or agency of the metropolitan government shall have or exercise any authority whatsoever over such street railway companies, or over Nashville Transit Authority except as expressly provided in said Appendix Four.

No franchise to operate a street railway company on the streets and highways of the metropolitan government shall be granted except upon referendum as hereinabove set forth and nothing in said Appendix Four shall be construed as depriving the citizens of the metropolitan government of the right to grant franchises by referendum through the procedure herein established.

Sec. 17.08. Limited scope of article.

Nothing in this article shall empower any agency of the metropolitan government to regulate rates, charges

and services of any public utility whose rates, charges and services are regulated by the Tennessee Public Service Commission.

ARTICLE 18. MISCELLANEOUS PROVISIONS

Sec. 18.01. Metropolitan clerk.

There is hereby created and established the office of metropolitan clerk, which shall be charged with the recording and safekeeping of minutes, resolutions and ordinances of the metropolitan council and of all other documents relating to official actions of the metropolitan government. The metropolitan clerk shall also perform such other duties as may be imposed upon him or her by this Charter or by ordinance. The metropolitan clerk shall act under the supervision and control of the mayor and council.

Any vacancy in the office of metropolitan clerk shall be filled by the appointment of the mayor, subject to the confirmation by the metropolitan council, pursuant to the civil service provisions of this Charter. Such clerk shall have been a resident of the area of the metropolitan government for at least five (5) years preceding the clerk's appointment. The clerk's office shall be a civil service office and compensation shall be fixed in the metropolitan pay plan provided for by article 12. The clerk shall have such clerical help as may be provided by ordinance. (Amended by referendum election of November 6, 2018, Amdt. 6)

Editor's note—An amendment to the second paragraph of this section, requiring council confirmation of the appointment of the clerk by the mayor, was approved at an election held Aug. 4, 1983.

Sec. 18.02. Enactment, revisions, modification or changes of zoning regulations.

Zoning regulations shall be enacted by the council only on the basis of a comprehensive plan prepared by the metropolitan planning commission in accordance with the applicable state laws and as provided in section 3.05 of this Charter.

Any revision, modification or change in the zoning regulations of the metropolitan government as provided in this section shall be made only by ordinance. Where a proposed ordinance revises, modifies, or changes the zoning regulations and is not accompanied at introduction by a favorable recommendation of the metropolitan planning commission, a copy thereof shall be promptly furnished by the metropolitan clerk to said planning commission, and the same shall not be passed on second reading until the recommendation of said planning commission with respect to the proposal has been received or thirty (30) days have elapsed without such recommendation. No ordinance making any revision, modification or change in the zoning regulations which has been disapproved by the metropolitan planning commission shall be finally passed or become effective unless it shall be adopted by a two-thirds majority of the whole membership of the council and also then be approved by the metropolitan mayor, with a three-fourths majority of the whole membership of the council required to override a veto.

Sec. 18.03. Board of zoning appeals.

A metropolitan board of zoning appeals may be established as provided by state law and ordinance enacted by the council in accordance with the provisions of this Charter. No member of said board of zoning appeals shall hold any public office or position nor shall any member receive any financial compensation for serving on said board.

Sec. 18.04. Nashville Housing Authority.

The Nashville Housing Authority, created pursuant to section 13-20-401 to section 13-20-418, inclusive, of Tennessee Code Annotated, is hereby recognized as existing and functioning within the area of the metropolitan government and as having the same relationship to the metropolitan government as said Nashville Housing Authority previously had to the City of Nashville. Said housing authority is hereby declared to be a city housing authority as provided for by Tennessee Code Annotated, sections 13-20-401 to 13-20-418, inclusive, and also as a county housing authority as provided for by Tennessee Code Annotated sections 13-20-501 to 13-20-511, inclusive. The metropolitan mayor shall be deemed a mayor for the purposes of said city housing authorities act as therein referred to. He or she shall have authority to designate and appoint, subject to confirmation by the council, members of the board of commissioners of The Nashville Housing Authority of the metropolitan government as their terms expire or as their offices otherwise become vacant. (Res. No. 88-526, §§ 31-33, 10-4-88; amended by referendum election of November 6, 2018, Amdt. 6)

State law reference—Tennessee Housing Development Agency Act, T.C.A. § 13-23-101 et seq.

Sec. 18.05. Change in salary of metropolitan officers.

The salary or compensation of the public defender and of administrative and professional officers or employees, including the mayor, councilmembers and other elected officials whose salary or compensation is fixed by this Charter, may be changed by the metropolitan council and established as part of the general pay plan as

provided for by section 12.10 of this Charter. Provided, however, that the salaries of elected officials shall not be increased or diminished during the period for which they shall have been elected. (Amended by Res. No. 66-1053, § 1, 8-16-66; Substitute Res. No. 78-1051, 9-19-78; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 18.06. Redistricting of councilmanic districts.

Redistricting of the councilmanic districts set forth in Appendix Two of this Charter may be accomplished in the following manner:

Within six (6) months after the decennial census of 1970 and each one thereafter is published by the United States Census Bureau showing the population in the area of the metropolitan government, it shall be the duty of the planning commission to recommend to the council whether redistricting of the councilmanic districts is necessary to prevent substantial underrepresentation of particular areas as the result of population changes. If the planning commission shall recommend that redistricting is necessary, it shall also submit a proposed ordinance designed to accomplish its recommendation. Such ordinance shall also revise the school districts to the extent, if any, that may be deemed necessary. The council shall not amend, but may adopt without change such proposed ordinance. Upon approval thereof by the mayor, or passage over his or her veto, redistricting shall be accomplished and district councilmembers shall be elected accordingly at the next general metropolitan election.

The council may reject the proposed ordinance for redistricting, in which event, by resolution under article 19 of this Charter, it shall submit to the people for approval at a special referendum election to be held within ninety (90) days an amendment to this Charter making effective the redistricting as recommended by the planning commission. At such referendum election the council may submit to the people its own plan for redistricting as an alternative to the proposal of the planning commission also submitted.

At the expiration of ninety (90) days subsequent to the receipt by the council of an ordinance of redistricting, as hereinabove provided, if such ordinance shall not have become effective and if the council shall have failed to submit the same to a special referendum election, then the members of the council shall not receive any further salaries until they take one action or the other. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 18.07. Titles and subtitles not part of Charter.

It is hereby expressly declared and recognized that the titles and subtitles appearing before the articles, chapters and sections of this Charter are not part hereof and are not intended to determine or to restrict the meaning of its provisions. No substantive provision of this Charter shall be construed to be unintended or ineffective because the same has not been suggested or indicated by a title or subtitle. Titles and subtitles have been placed in this Charter merely for the convenience of those who examine or index its provisions.

Sec. 18.08. Regulation and sale of alcoholic beverages not affected by Charter.

The creation and establishment of the Metropolitan Government of Nashville and Davidson County shall not alter the status of said county as to the legality of the manufacture, receipt, sale, storage, transportation, distribution and possession of alcoholic beverages. The local option election heretofore held in said county pursuant to Tennessee Code Annotated, sections 57-3-106 and 57-3-107 shall continue to control until the status shall be subsequently altered by a local option election held pursuant to law. The urban services district, but not the general services district, shall be deemed a municipality within the meaning of section 57-3-106.

The council shall have power and authority (a) for the general services district to regulate and tax the manufacture, distribution and sale of beer and other alcoholic beverages of less than five (5) percent to the same extent that governing bodies of counties now possess, or may hereafter possess, such power and authority, and (b) for the urban services district to regulate and tax the manufacture, distribution and sale of beer and other alcoholic beverages of less than five (5) percent and also the manufacture, receipt, sale, storage, transportation, distribution and possession of other alcoholic beverages to the same extent that governing bodies of cities now possess or may hereafter possess such power and authority. (Res. No. 88-526, §§ 34, 35, 10-4-88)

Sec. 18.09. Federal, state and other aid.

The Metropolitan Government of Nashville and Davidson County shall be deemed a county and shall also be deemed an incorporated city or municipality for the purpose of determining its right to receive, and for the purpose of receiving, state aid or grant-in-aid from the State of Tennessee or from the United States or from any other agency. Said metropolitan government shall be entitled to receive as state aid or as grant-in-aid from the

State of Tennessee or from the United States or from any other agency, public or private, all funds to which a county is, or may hereafter be, entitled and also all funds to which an incorporated city or municipality is or may be hereafter entitled and to receive the same without diminution or loss by reason of consolidation. When state aid or other grant-in-aid is distributed to any county on the basis of population or area, or both, then the entire population and the total area of the county in which such metropolitan government is established shall be considered in calculating and determining the basis for such distribution. When state aid or other grant-in-aid is distributed to any county on the basis of rural area, rural road mileage or rural population, or any combination thereof, then that area of the general services district outside of the urban services district shall be deemed to constitute rural area, its road mileage to constitute rural road mileage and its population to constitute rural population. When state aid or other grant-in-aid is distributed to any incorporated city or municipality on the basis of population or area, or both, then the population and the area of the urban services district shall be deemed the population and the area of the metropolitan government in calculating and determining the basis of such distribution.

Sec. 18.10. Metropolitan agencies authorized to compel attendance of witnesses and production of documents.

The council, the civil service commission, the board of education and every other officer and agency of the metropolitan government authorized to conduct investigations or to hold hearings shall have power to compel the attendance of witnesses and the production of books, papers and records pertinent to the investigation or hearing, and to administer oaths to witnesses. If any person fails or refuses to obey a reasonable order for attendance or reasonable order for the production of books and papers, the council, board or other agency is authorized to apply to the chancery court for an order requiring that the order of the council, board or other agency be obeyed.

Sec. 18.11. Authorization to council with respect to certain special appropriations.

The council is hereby authorized to include in the annual operating budget for the general services district the following:

(a) A sum not in excess of twelve thousand five hundred dollars ($12,500.00) for any year for the use of Nashville Humane Association.

(b) A sum not in excess of twenty-five thousand dollars ($25,000.00) for any year for the use of Nashville Children's Museum, of Nashville, Tennessee.

(c) The sum necessary for the purpose of paying dues or assessments of the metropolitan government for the cost of operating the following organizations and similar nonprofit organizations: The Tennessee Municipal League, Tennessee County Services Association, the National Institute of Municipal Law Officers and the Southern Building Code Congress.

(d) A sum not in excess of fifteen thousand dollars ($15,000.00) for any year for the use of the Nashville Symphony Association of Nashville, Tennessee.

Sec. 18.12. No appropriation authorized from budget of general services district to finance certain deficits.

Where any appropriation is made from time to time to finance any deficit in the pension or retirement funds of the former City of Nashville, the same shall be made solely from the budget of the urban services district.

Sec. 18.13. Councilmembers disqualified for membership on certain boards and commissions.

Except as otherwise expressly provided in this Charter, no member of the council shall be eligible during the term of office for which he or she was elected to serve on any metropolitan board or commission created by this Charter. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 18.14. Fidelity bonds.

Before entering upon the duties of their respective offices or positions, the director of finance, the metropolitan treasurer, the collections officer, the chief accountant, the director of personnel, the purchasing agent and such other officers and employees of the metropolitan government as shall be required by council resolution upon the recommendation of the mayor, shall execute corporate surety bonds and file said bonds with the metropolitan clerk. The sum of the individual bonds shall be fixed by the council resolution, but the amount of the bond shall not in any case be less than one thousand dollars ($1,000.00). The bond premiums shall be paid from the general fund of the general services district. All such bonds and sureties thereon shall be approved by the department of law before being accepted by the metropolitan clerk.

Sec. 18.15. Status of smaller cities and voluntary surrender of their charters; creation of suburban utility districts.

Any city in Davidson County not abolished by this Charter shall continue to exist and to function the same as prior to adoption of this Charter; except, that no such city shall extend its boundaries by annexation of any area of the metropolitan government. Any such smaller city may contract with the metropolitan government for the administration and handling of any of its governmental functions by the metropolitan government; and such smaller city may surrender its Municipal Charter at any time pursuant to Tennessee Code Annotated, section 7-1-106, with the approval of a majority of those voting in the smaller city at an election with respect to such matter. After surrender of Charter, the status of the smaller city in the metropolitan government shall be that prescribed in a resolution adopted by the council prior to such surrender, or otherwise the status shall be that of other areas outside the urban services district at the time of dissolution.

It shall be the obligation of the metropolitan government to furnish smaller cities with governmental services so that such cities will be furnished with governmental services to no lesser extent than other areas outside the urban services district. In furnishing said services, the metropolitan government may take into consideration the governmental services available to the smaller city by the use of state aid and other distributable moneys not derived from local taxation by the smaller city; and in this respect the metropolitan government may contract with the smaller city as to the handling, use and expenditure of such moneys.

After the adoption of this Charter by vote of the people, no city shall be created in the area of the metropolitan government, and there shall exist in such area as municipalities only the urban services district and smaller cities existing prior to the adoption of this Charter.

Nothing in this Charter shall be deemed to prevent the creation of utility districts as provided for by Tennessee Code Annotated, section 7-82-101, et seq., with the county judge to perform the function ascribed to such officer by said statute. (Res. No. 88-526, §§ 36, 37, 10-4-88)

Sec. 18.16. County executive committees for political parties.

For the purpose of selecting members of a county executive committee for a political party, as prescribed by any valid Private Act heretofore enacted affecting Davidson County, the thirty-five (35) councilmanic districts created and established by section 3.01 of this Charter shall be deemed to be the city wards and also the county districts from which district representatives on a county political executive committee shall be selected. The total of seventy (70) representatives shall consist of one (1) man and one (1) woman from each of the thirty-five (35) districts. Nothing in this section shall terminate or abridge the terms of office of members now serving on any county political executive committee, and except as expressly modified by this section, any Private Act with respect to this subject matter is continued in force and effect.

Sec. 18.17. Authority to deal with state and federal agencies as to specific governmental services.

The mayor and council of the metropolitan government shall have the power and authority to participate in, cooperate in and take all necessary action with respect to any and all projects, programs and undertakings of any nature whatsoever authorized by any statute, rule or regulation of the United States or the State of Tennessee, or any federal or state agency or instrumentality, including, but not limited to, urban renewal, highways, aviation, aviation terminals, airports, airport facilities, river development or river terminals, municipal area or regional development, schools, colleges or any other area of education, sewers and sewage disposal, public housing, housing for the aged, and transportation or mass transit or any phase thereof, to exercise with respect thereto all the powers conferred by section 7-36-102 of Tennessee Code Annotated [Repealed]* and any other state or federal statute, to borrow money and issue promissory notes, general obligation bonds, or revenue bonds, or a combination thereof, for any such purposes, and to execute mortgages or deeds of trust in favor of any federal agency, secured by property of which the metropolitan government is the legal, or beneficial or equitable owner, or in favor of any private agency where the loan is guaranteed by a federal agency. (Res. No. 88-526, § 38, 10-4-88)

***Editor's note—**The relevant Code sections are codified at T.C.A. 7-3-301 and 9-21-101 et seq.

ARTICLE 19. AMENDING CHARTER*

Sec. 19.01. Amending the Charter.

This Charter may be amended by (a) adoption of a resolution by the council or (b) petition meeting the

---

*Editor's note—Res. No. RS2022-1475, § 1(Amdt. 1), adopted May 5, 2022, referendum election of August 4, 2022, repealed the former Art. 19, §§ 19.01—19.03, and enacted a new Art. 19 as set out herein. The former Art. 19 pertained to similar subject matter derived from Res. No. 72-380, § 1, 11-7-72; Amdt., election of 3-8-1988; Amdt. 6, election of 11-6-2018.

requirements of section 19.03, where such resolution or petition has been approved by referendum election conducted pursuant to section 19.04. Amendments may also be adopted in such other manner as may be provided by general law for amending the Charter of a metropolitan government. (Res. No. RS2022-1475, § 1(Amdt. 1), 5-5-2022, election of 8-4-2022)

Sec. 19.02. Amendment by council resolution.

(a) The council may initiate amendments to this Charter by resolution, which for each amendment shall contain (1) the title of the proposed amendment; (2) an explanatory summary of the proposed amendment not to exceed two hundred (200) words; (3) the text of the proposed amendment; and (4) a statement of the financial impact of the proposed amendment. A proposed amendment cannot contain more than one subject as determined using the standard provided in Article 2, Section 17 of the Tennessee Constitution. A proposed amendment cannot be identical or substantially similar to a proposed amendment rejected by the voters of Nashville-Davidson County at an election held within two (2) years before the resolution was filed.

(b) Prior to adopting such resolution, the council shall submit the resolution to the charter revision commission for review. No later than thirty (30) days after receipt of the resolution, the Commission, acting in an advisory capacity, shall provide the council its report and recommendations on the resolution, including whether the proposed amendment satisfies the requirements in this Charter, including Section 19.03(c) for certification of a petition.

(c) A resolution to amend this Charter must receive an affirmative vote for adoption by not less than two-thirds of the membership to which the council is entitled. Such resolution when adopted need not be submitted to the mayor for approval.

(d) The council shall not adopt a resolution proposing amendments to this Charter more often than twice during the term of office of members of said council.

(e) The council shall not adopt, except pursuant to section 18.06 of this Charter, a resolution which proposes an amendment that redistricts the councilmanic districts unless the same be incidental to a proposed change in the number of such districts. (Res. No. RS2022-1475, § 1(Amdt. 1), 5-5-2022, election of 8-4-2022)

Sec. 19.03. Amendment by petition.

(a) The registered voters of Nashville-Davidson County may initiate an amendment to this Charter by petition. No more than one referendum initiated by petition to amend the Charter shall be placed on a ballot within any two-year period.

(b) Before a petition may be circulated, at least one registered voter of Nashville-Davidson County shall file the petition with the metropolitan clerk: (1) the title of the proposed amendment; (2) an explanatory summary of the proposed amendment not to exceed two hundred (200) words; (3) the text of the proposed amendment; and (4) a statement of the financial impact of the proposed amendment.

(c) The charter revision commission shall certify whether the petition satisfied the requirements of this Section 19.03(c) within thirty (30) days after the filing of the documentation required by Section 19.03(b). The petition shall not be certified if: (1) controlling legal authority establishes that the proposed amendment is unconstitutional; (2) the proposed amendment facially conflicts with or is inconsistent with federal or state law; (3) the substance of the proposed amendment is not subject to a referendum under state law or this Charter; (4) the proposed amendment fails to convey a reasonable certainty of meaning; (5) the proposed amendment contains more than one subject as determined using the standard provided in Article 2, Section 17 of the Tennessee Constitution; (6) the subject of the proposed amendment is not clearly expressed in its title; or (7) the petition or amendment fails to satisfy other requirements under this Charter or the Metropolitan Code.

The individual or individuals filing the petition shall have fifteen (15) days to cure any defects in the petition or amendment identified by the charter revision commission by filing the revised petition in proper form with the metropolitan clerk. The commission shall determine within fifteen (15) days whether or not to certify the revised petition.

(d) A decision by the charter revision commission to certify or not certify a petition may be appealed to the Chancery Court for Davidson County upon the filing by any affected party of petition for common-law writ of certiorari within thirty (30) days after the decision of the charter revision commission.

If no timely action has been filed challenging its decision to certify a petition, the charter revision commission shall notify the individual or individuals filing the petition and file the petition with the metropolitan clerk, at which time the petition may be circulated for signatures.

(e) Petitions shall be signed by at least ten percent (10%) of those registered to vote in Nashville-Davidson County as of the date on which the charter revision commission files the certification of the petition with the metropolitan clerk. The disqualification of one (1) or more signatures shall not render a petition invalid, but shall disqualify such signatures from being counted towards the minimum number of signatures required.

Each petition shall contain only the following: (1) the petition language certified by the charter revision commission; (2) the genuine signature and address of registered voters; (3) the printed name of each signatory; and (4) the date of signature.

Completed petitions shall be filed with the metropolitan clerk within ninety (90) days after the charter revision commission files the certification of the petition with the metropolitan clerk. The filing of any legal action regarding the petition after the certification has been filed with the metropolitan clerk shall not extend this deadline.

(f) The metropolitan clerk shall immediately deliver the completed petitions to the Davidson County Election Commission. The Davidson County Election Commission shall verify: (1) the genuine signature; (2) that the current address matches the voter's registered address; (3) the printed name; and (4) that the date of signature of each person who signed the petition is after the charter revision commission's certification to the metropolitan clerk; and (5) that each person who signed the petition is a current registered voter of Nashville-Davidson County. The commission shall not verify or count signatures appearing on petitions that do not strictly conform to the petition language certified by the charter revision commission.

Within thirty (30) days after receiving the completed petitions from the metropolitan clerk, the Davidson County Election Commission shall publicly certify the number of current registered voters of Nashville-Davidson County who signed the petition. The Commission shall file with the metropolitan clerk a written certification of the number of eligible registered voters of Nashville-Davidson County who signed the petitions. The signed petitions shall remain in the custody of the Davidson County Election Commission and shall be deemed to be county public records available for inspection or copying by any interested party in accordance with applicable laws.

The Davidson County Election Commission's action on the petitions may be appealed to the Chancery Court for Davidson County upon the filing by any affected party of a petition for common-law writ of certiorari within thirty (30) days after the Davidson County Election Commission files its certification with the metropolitan clerk. (Res. No. RS2022-1475, § 1(Amdt. 1), 5-5-2022, election of 8-4-2022)

Sec. 19.04. Referendum election.

(a) Any referendum on amending the Charter that complies with the requirements in Section 19.02 or 19.03 shall be placed on the ballot for the next regularly scheduled August or November metropolitan, county, or state general election occurring more than ninety (90) days after the Davidson County Election Commission's certification of the signatures.

(b) The Davidson County Election Commission shall prepare the referendum ballot in strict compliance with this Charter, applicable ordinances, and the charter revision commission's requirements governing the form and content of the ballot. The Davidson County Election Commission shall not alter the wording or substance of the language described in section 19.03(b) as approved by the charter revision commission except as such alteration is approved by the charter revision commission. The Davidson County Election Commission shall file the referendum ballot with the metropolitan clerk at least seven (7) days before such ballot is finalized for review by the charter revision commission.

The ballot shall include the explanatory summary of the proposed amendment approved by the charter revision commission. The ballot shall provide the voters a choice to vote "For Ratification" and "Against Ratification" of each proposed amendment. To assure that the public is fully apprised of the proposed amendment, the Davidson County Election Commission shall post the text of the proposed amendment in a conspicuous place in each polling place and shall publish the proposed amendment on its website and in print in a newspaper of general circulation within Davidson County and digital media. The notice of the referendum and the form of the question and its place on the ballot shall comply with the state laws governing the form of ballots and the arrangement of material on the ballot. The cost of the referendum shall be paid out of the general funds of the Metropolitan Government.

(c) Each proposed amendment shall be ratified when a majority of the votes cast at the referendum election shall be in favor of ratification and shall be rejected when a majority of said votes is not cast in favor. The Davidson County Election Commission shall canvass the returns and certify the results to the Secretary of State, who shall issue a proclamation showing the results of the referendum on the ratification or rejection of the proposed amendment to this Charter. One copy of the proclamation shall be attached to the copy of this Charter previously certified to the Secretary of State and one copy shall be delivered to the metropolitan clerk who shall attach the same to the copy of the Charter in his or her custody. (Res. No. RS2022-1475, § 1(Amdt. 1), 5-5-2022, election of 8-4-2022)

Sec. 19.05. Charter revision commission authorized.

(a) There is hereby created and established a metropolitan charter revision commission. The commission shall consist of seven (7) members who shall serve

without compensation. The members of the commission shall be appointed by the mayor and confirmed by a majority vote of the whole membership of the council. The seven (7) members shall serve terms of four (4) years each. Members serving when this provision is adopted shall continue to serve through the end of their terms.

(b) The commission shall have the following powers and duties: (1) to make recommendations to the council with respect to amendments to the Charter; (2) to prescribe and oversee the form, facial validity, preparation and circulation of petitions to amend the Charter; and (3) approve the form of referendum ballots to amend the Charter to enable the public to vote either in favor of or against a proposed Charter amendment in an informed way. In exercising these powers and duties, the commission shall have the authority to hold hearings, compel the attendance of witnesses and the production of books, papers, and records pertinent to the hearing, and administer oaths to witnesses. If any person fails or refuses to obey a reasonable order for attendance or reasonable order for production of books and papers, the commission may apply to chancery court for an order requiring the order of the commission to be obeyed. The charter revision commission shall adopt and prescribe standard forms and procedures governing petitions to amend this Charter consistent with this Article, the council's ordinances, and other applicable legal requirements. (Res. No. RS2022-1475, § 1(Amdt. 1), 5-5-2022, election of 8-4-2022)

Sec. 19.06. Implementation and strict construction.

The council shall adopt as necessary any ordinance to implement this Article consistent with this Charter and other applicable legal requirements. This Article, ordinances and procedures implementing this Article, and other applicable legal requirements for referendums to amend the Charter of the metropolitan government shall be strictly construed. Those seeking to initiate amendments by resolution or petition must strictly comply with these requirements. (Res. No. RS2022-1475, § 1(Amdt. 1), 5-5-2022, election of 8-4-2022)

ARTICLE 20. TRANSITION AND EFFECTIVE DATE

Sec. 20.01. Certain ordinances and resolutions continued.

All city ordinances, resolutions and by-laws in force in the former City of Nashville, the Charter of which is repealed and abolished by this Charter, shall continue in force and effect, when not inconsistent with the provisions of this Charter, and shall have the legal effect of ordinances of the metropolitan government operative within the urban services district until repealed, modified or amended by subsequent action of the metropolitan government. All resolutions of the quarterly county court of Davidson County and regulations pertaining to said county established by Private Act, when not inconsistent with the provisions of this Charter, shall continue in force and effect and shall have the legal effect of ordinances of the metropolitan government until repealed, modified or amended by subsequent action of the metropolitan government.

Sec. 20.02. Zoning regulations continued.

The creation and establishment of the Metropolitan Government of Nashville and Davidson County shall not alter or change the zoning regulations effective in

Davidson County or the City of Nashville at the time this Charter becomes effective, but the same shall continue in force and effect until amended by the council on the basis of recommendations by the metropolitan planning commission or until revised, modified or changed by the council on the basis of a comprehensive plan prepared by the metropolitan planning commission in accordance with the applicable state laws and as provided by this Charter.

From the date of adoption of this Charter[1] to the effective date as defined in section 20.21 hereof,[2] no change in zoning by action of the City Council of Nashville or of the Quarterly County Court of Davidson County shall affect or alter the zoning to become effective with this Charter, unless such change shall have been recommended by the planning commission or the same shall have received the affirmative vote of three-fourths of said city council or said quarterly county court.

The board of zoning appeals of the City of Nashville and the board of zoning appeals of Davidson County shall continue as constituted and organized at the time of the effective date of this Charter, with their respective powers and duties as provided in the zoning regulations of the City of Nashville and Davidson County as identified in this section. The functioning of said boards of zoning appeals shall be terminated only at such time as the zoning regulations for the metropolitan government area are enacted by the council as provided in section 18.02 of this Charter or at such time as a metropolitan board of zoning appeals may be established pursuant to section 18.03 of this Charter.

1. June 28, 1962.
2. April 1, 1963.

Sec. 20.03. Property rights, contracts, obligations, causes of action and legal proceedings continued.

All rights and titles to property, all rights and obligations under contracts or trusts, and all causes of action of any kind in any court or tribunal vested in the City of Nashville or the County of Davidson or in any officer or employee thereof in his or her official capacity, at the time this Charter becomes effective,[3] as well as all liabilities in contract or tort and causes of action involving the same in so far as they affect the City of Nashville or the County of Davidson or any officer or employee thereof in his or her official capacity which shall be outstanding at the time this Charter becomes effective, shall continue without abatement or modification by reason of any provision of this Charter. (Amended by referendum election of November 6, 2018, Amdt. 6)

3. April 1, 1963.

Sec. 20.04. Proceedings before county and city agencies continued.

All petitions, hearings and other proceedings pending before any agency of the City of Nashville or of the County of Davidson shall continue and remain in full force and effect, notwithstanding that such agency may have been abolished or consolidated by this Charter; and the petition, hearing or proceeding may be completed by the agency of the metropolitan government which succeeds to the rights, powers, duties and obligations of such abolished or consolidated agency. The word "agency," as used herein and in sections 20.05, 20.06 and 20.07 of this article, is hereby defined to mean and to include officer, office, department, board or commission.

Sec. 20.05. Rules and regulations continued.

All orders, rules and regulations made by any agency of the City of Nashville or of Davidson County, which is abolished or consolidated by this Charter, shall remain in full force and effect until revoked or modified by the agency which succeeds to the rights, powers, duties and obligations of such abolished or consolidated agency.

Sec. 20.06. Employees and their civil service status continued.

Where an existing agency of the City of Nashville or of Davidson County is abolished or consolidated by this Charter, all employees thereof shall continue, as temporary appointees of the agency to which the rights, powers, duties and obligations of such abolished or consolidated agency are transferred, to perform their usual duties upon the same terms and conditions as theretofore until removed, appointed to positions in accordance with this Charter, or transferred to other agencies of the metropolitan government. Where the rights, powers, duties and obligations of any such agency are divided between two or more agencies of the metropolitan government, each of them shall receive such of the employees as have been regularly occupied in connection with the functions thereof which are by this Charter transferred to such agency. Every employee to whom this section applies shall be placed temporarily in one of the agencies of the metropolitan government.

All questions and problems arising under this section shall be determined by the mayor; provided, nothing in his or her determination nor in this Charter shall impair or diminish the rights and privileges of employees of the city or of the county under civil service on the date this

Charter shall be adopted.[4] (Amended by referendum election of November 6, 2018, Amdt. 6)

4. June 28, 1962.

Sec. 20.07. Transfer of records and equipment.

When an agency of the City of Nashville or of Davidson County is abolished or consolidated by this Charter, all books, papers, maps, charts, plans, records, other equipment and personal property in the possession of the same shall be delivered to the agency to which its rights, powers, duties and obligations are transferred. In case of controversy between two (2) or more agencies as to right, such books, papers, other documents, equipment and personal property shall be transferred to such agency as the mayor may direct.

Sec. 20.09. Director and assistant director of department of public works.

The person holding the position of director of the department of public works of the City of Nashville on the effective date of this Charter[8] is hereby appointed and designated as the first director of said department created and provided for by section 8.404 of this Charter.

The person holding the position of director of the department of public works of Davidson County on the effective date of this Charter[9] is hereby appointed and designated as assistant director of the metropolitan department of public works. When the office of assistant director becomes vacant, the same shall terminate and not be filled, except as may be provided by ordinance.

8. April 1, 1963.

9. April 1, 1963.

Sec. 20.10. Division of public roads and director thereof.

The former county highway department of Davidson County shall continue to operate and to perform its former road functions as the public roads division of the department of public works and the engineer of said former county highway department shall be the divisional director of said public roads division. The functioning of said division and the designation of its divisional director shall continue until changed by ordinance.

Sec. 20.11. Certain members of county highway patrol and of the park police appointed.

Members of the county highway patrol appointed as such by the sheriff of Davidson County are hereby appointed, and designated as members of the metropolitan police department under the following terms and conditions:

All salaried members of the former county highway patrol who have had not less than three (3) years' experience as members of said patrol upon the effective date of this Charter[1] shall be classified as patrolmen second class in the metropolitan police department and shall be eligible for promotional examinations for available positions in like manner as other patrolmen second class in the metropolitan police department.

All salaried members of the former county highway patrol who are not eligible for classification as patrolmen second class, but who have had not less than six (6) months' experience as members of such patrol upon the effective date of this Charter[2] shall be classified as patrolmen third class in the metropolitan police force. After service for one (1) year as patrolmen third class and upon certification of the director of the department of metropolitan police, with the approval of the mayor and the civil service commission, such persons shall be advance to the position of patrolmen second class in the same manner as other patrolmen second class. Members of the county highway patrol appointed hereunder to positions with the metropolitan police department shall not be eligible for benefits under the police officer's and firemen's pension fund, but shall derive any pension and retirement benefits from the metropolitan employees' retirement fund.

All salaried members of the park police of the former City of Nashville who are members of the same upon the effective date of this Charter[3] and who have civil service status as such shall become custodial personnel of the metropolitan board of parks and recreation. (Amended by referendum election of November 6, 2018, Amdt. 6)

1. April 1, 1963.

2. April 1, 1963.
3. April 1, 1963.

Sec. 20.12. Certain civil service employees transferred to metropolitan department of law.

All civil service employees in the department of law of the former City of Nashville or in the office of county attorney of the former County of Davidson are hereby transferred to, and continued as employees of, the metropolitan department of law.

Sec. 20.13. Appointments to administrative boards and commissions; former boards and commissions continued.

The metropolitan mayor shall appoint promptly and at least within thirty (30) days after he or she shall take office all members of boards and commissions whom this Charter authorizes him or her to appoint. Unless otherwise provided by this Charter, all boards and commissions of the former City of Nashville and of the former County of Davidson are continued for a period of sixty (60) days after the effective date of this Charter or until the board, commission or other agency succeeding to its rights, powers, duties and obligations is organized, whichever date or event occurs earlier. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 20.14. Transitional provisions as to public schools.

(a) *Temporary administration by city and county school boards.* From the effective date of this Charter[4] to and including July 31, 1962, the county and city school boards shall each continue to administer, control and operate the school system previously under its jurisdiction in the same manner that such system was operated prior to the effective date of this Charter. Such operation may include assignment of teachers to schools for the school year 1962-1963, to the extent that such assignment is practicable on or before July 31, with such assignments to be made or completed thereafter by the transitional board of education to the extent that may be necessary. The powers, duties and functions of said separate school boards shall cease and terminate after July 31, 1962.

(b) *Transitional operation by transitional board of education.* From August 1, 1962, until June 30, 1964, the administration, operation and control of the metropolitan school system shall be by and under a transitional board of education, subject to the directives and limitations hereinafter specified. For the purpose of transitional operation, a transitional board of education of nine (9) members is hereby created and constituted as follows:

Three (3) members shall be persons who were members of the Davidson County Board of Education immediately prior to the termination of said board; and said three (3) members shall be chosen by the Davidson County Board of Education prior to August 1, 1962.

Three (3) members shall be persons who were members of the board of education of the City of Nashville immediately prior to the termination of said board; and said three (3) members shall be chosen by the board of education of the City of Nashville prior to August 1, 1962.

The three (3) remaining members shall be Dr. Henry H. Hill, former president, George Peabody College for Teachers, who shall serve as chairman of the transitional board; Dr. Walter S. Davis, president, A. & I. State University, and Mr. E. C. Carman, vice-president, AVCO Corp.

Any vacancies on the transitional board of education resulting from resignation or death of a former Davidson County Board of Education member shall be filled by the two remaining such members, or upon their failure to agree, by all remaining board members.

Any vacancies on the transitional board of education resulting from resignation or death of a former member of the board of education of the City of Nashville shall be filled by the two remaining such members, or upon their failure to agree, by all remaining board members.

Any vacancies in membership resulting from the inability to serve, resignation or death of one of the three (3) members named herein shall be filled by the two remaining such members, or upon their failure to agree, by all remaining board members; provided, that if said vacancy is with respect to the membership of Dr. Walter S. Davis, his successor, as so chosen, shall be either the president or acting president of A. & I. State University or of Fisk University or of Meharry Medical School.

During the transitional period, the board shall operate the two separate school systems herein consolidated in the same manner as the two systems were operated prior to the adoption of this Charter, and with the same powers and authorities as the board of education of the City of Nashville and the Davidson County Board of Education previously acted.

During the transitional period the board shall cause a comprehensive survey to be made of the two school systems, to the end that, not later than July 1, 1964:

(1) A complete consolidation of the physical properties thereof may be effected.

(2) The consolidation of personnel and employees thereof may be effected.

The transitional board shall also (i) seek applications for the position of director of schools and assemble information with respect to the applicants, which applications and information shall be submitted to the metropolitan board of education to the end that its permanent administration may be expedited; and (ii) prepare and submit to the mayor a budget for the scholastic year 1964-1965.

Any fund to the credit of the board of education of the City of Nashville shall be transferred to the credit of the transitional board of education but shall be earmarked and used for the benefit of that portion of the public school system previously operated as city schools. Any fund to the credit of the Davidson County Board of Education shall be transferred to the credit of the transitional board, but shall be earmarked and used for the benefit of that portion of the public school system previously operated as county schools.

During the transitional period the person then holding the position of county superintendent of public instruction by election of the quarterly county court of Davidson County, Tennessee, shall continue to hold such position and to perform and discharge the same duties of that office in connection with that portion of the public school system previously operated as county schools.

During the transitional period that person holding the position of superintendent of the city school system of the City of Nashville shall continue to hold such position and discharge the duties of that office in connection with the school system previously operated as city schools.

The transitional board of education may assign teachers to schools for the school year 1964-1965 to the extent that the same is practicable on or before June 30, 1964, with such assignments, when not made or completely made, to be finished by the permanent metropolitan board of education.

(c) *Operation by permanent board of education.* At least sixty (60) days prior to July 1, 1964, the mayor shall appoint, subject to confirmation by the council as hereinabove provided in section 9.02, the first members of the permanent metropolitan county board of education, which shall assume administration, control and operation of the metropolitan school system.

When the metropolitan board of education fixes the compensation of positions in the school system to be paid after the expiration of the transitional period, consideration shall be given to the varying pay scales and classifications of the former city and of the former county, and whichever pay scale is higher for particular classification shall be adopted as the original rate for such classification in the consolidated metropolitan school system.

At the expiration of the transitional period, the board shall offer professional employment to the person holding the position of county superintendent of public instruction and to the person holding the position of superintendent of schools of Nashville. Such employment shall assure a compensation at least equal to that received by the person as county or city superintendent for period of time not less than the unexpired term of office, and shall assign to the position duties and responsibilities commensurate with those attached to the abolished position.

4. June 28, 1962. See § 20.21.

Sec. 20.15. Transition as to fiscal and related matters.

(a) *Supplemental appropriations during fiscal year ending June 30, 1963.* Supplemental appropriations made by the metropolitan council to any department, board, commission, office or agency of the metropolitan government for the fiscal year ending June 30, 1963, shall be made within the budget structure of the former City of Nashville and former County of Davidson; provided, nothing in this section shall prevent the metropolitan government from borrowing money necessary to finance obligations of said government for said period which may be specifically created by this Charter.

(b) *Budget and tax levy for fiscal year ending June 30, 1963.* The budget and tax levy of the former City of Nashville shall serve s the budget and tax levy for the urban services district for the fiscal year ending June 30, 1963. The budget and tax levy of the former County of Davidson shall serve as the budget and tax levy for the general services district for the fiscal year ending June 30, 1963. Where functions have been transferred from the urban services district to the general services district, or vice versa, the funds appropriated for such purpose shall follow the function.

(c) *Servicing bonded indebtedness during fiscal year ending June 30, 1963.* Debt service with respect to bonds issued by the City of Nashville shall be paid from the sinking funds of said city during the fiscal year ending June 30, 1963; and debt service with respect to bonds issued by the County of Davidson shall be paid from the sinking funds of said county during the same period, and after June 30, 1963, as set forth in article 7, section 7.20.

(d) *Transitional provisions as to tax assessments and assessors.* Effective September 1, 1962, the county tax assessor shall become the metropolitan tax assessor and shall assume the powers, authority and duties of such office as provided in this Charter.

The assessments made by said assessor as of January 10, 1963, shall be and constitute the assessments on the basis of which taxes for said year shall be collected within both the urban services district and the general services district and to which taxes levied by the council for 1963 and thereafter shall apply. Said assessor is hereby designated and constituted the metropolitan tax assessor, and for this purpose the Charter shall take effect September 1, 1962.

On or after September 1, 1962, or as soon thereafter as practicable, all personnel of the office of tax assessor of the former City of Nashville under civil service, except those positions excluded or omitted from civil service under provisions of this charter, shall be and become civil service employees in the office of the metropolitan tax assessor.

(e) *Preparation of transitional forms and procedures.* Following the election of the metropolitan government officials, the mayor elect shall request a meeting of the city finance director, the county director of budgets and accounts, and the executive director of the city and county planning commissions for the purpose of proceeding with the preparation of forms, materials and procedures necessary to the official establishment, fiscal functioning and administrative organization of the metropolitan government. The services, facilities and staff personnel of the city finance department, the city legal department, the county department of accounts and budgets, the county attorney's office, and the planning commission of the city and county shall be made available to assist in these preparations.

(f) *First annual operating budget.* In the preparation of the operating budget for the 1963-1964 fiscal year, the following timetable shall prevail:

(1) By April 15, 1963, the director of finance shall distribute the operating budget request forms for both section I and section II of the annual operating budget. Said forms to be returned on the date set by the director of finance.

(2) Not later than May 28, the mayor shall submit to the council the operating budget ordinances and tax levy ordinances following the form and content specified in section 6.03 as closely as possible within the time available for their preparation.

(3) Public hearings on both the capital improvements budget and program and the annual operating budget shall be held between June 7 and 15, 1963.

(4) Third reading and final action shall be taken on the capital improvements budget and the 1963-1964 annual operating budget not later than June 29, 1963.

(g) *First capital improvements program.* The City of Nashville and Davidson County Planning Commissions, following the November election of metropolitan government officials, shall proceed with gathering the data and information necessary for the preparation of the first capital improvements budget and program based on the allocation of functions between the general services district and the urban services district.

The mayor shall submit the capital improvements budget to the council not later than May 25, 1963.

Sec. 20.16. Transitional provisions as to civil service.

The person holding the position of director of personnel by appointment of the civil service commission of the former City of Nashville on the effective date of this Charter,[5] and having civil service status as such, is hereby appointed and designated as the first director of personnel provided for by section 12.04 of this Charter.

Until the metropolitan civil service commission provided for by section 12.02 of this Charter is organized by election of a chairman, the existing city and county civil service commissions shall continue to function. The existing rules, classification plans and pay plans of the City of Nashville and the County of Davidson shall remain in effect until new rules, a new classification plan and a new pay plan shall have been adopted by the metropolitan civil service commission.

Prior to July 1, 1964, the civil service commission provided for by section 12.02 of this Charter shall be, and shall function as, the civil service commission with respect to nonprofessional personnel employed by the board of health and board of hospitals and nonteaching employees of the board of education.

5. April 1, 1963.

Sec. 20.17. Transitional provisions as to employee benefits.

The person holding the position of director of personnel by appointment of the civil service commission of the former County of Davidson on the effective date of this Charter[6] is hereby appointed and designated as the first secretary of the metropolitan employee benefit board.

Within thirty (30) days from the effective date of this Charter, the director of personnel, with the approval of either the former civil service commissions of the City of Nashville and the County of Davidson or the metropolitan civil service commission, shall announce a

plan for the conduct of an election as provided in section 13.03 to select the employee members of the employee benefit board. Said election shall be held within thirty (30) days from such announcement.

Until the employee benefit board is organized by the election of a chairman, the civil service commission of the former City of Nashville shall continue to administer the police officer's and firemen's pension fund and the civil service employees' pension fund; and the pension commission of the former County of Davidson shall continue to administer the employees' pension and insurance fund, for which purposes both commissions shall continue to function under their respective rules and regulations and exercise all powers formerly vested in them.

The metropolitan government shall have no obligation (except as created by ordinance or resolution of the metropolitan council) for pension or retirement benefits of a person not under civil service in the county or city government on March 31, 1962, (except library employees) and brought under civil service by resolution or ordinance of the county or city governing body subsequent to said date. This provision shall not impair the pension and retirement benefits of any person employed by the county or city on said date and then under civil service or of any person who was in process of coming under civil service on said date by then serving a probationary period.

Where compensation for a metropolitan office is fixed by this Charter, a person holding specified office in the city or county government is appointed thereto by this Charter, and the compensation herein fixed is an increase over the compensation which such county or city officer was entitled to receive as of March 31, 1962, then the obligation of the metropolitan government for retirement benefits to such person shall be based upon the compensation paid him or her by the county or city as of March 31, 1962, until such person shall have served as a metropolitan officer for five (5) years or more. After said five (5) years, such benefits shall be based upon compensation paid by the metropolitan government. (Amended by referendum election of November 6, 2018, Amdt. 6)

6. April 1, 1963.

Sec. 20.18. Transition as to quarterly county court.

The quarterly county court, composed of justices of the peace from civil districts and municipal corporations as prescribed by section 16.04, shall be elected at the next regular August election for justices of the peace, to take office on September 1 following their election. The members of the quarterly county court as constituted prior to this Charter shall continue to serve until the expiration of their terms of office, but after the effective date of this Charter the functions, powers and duties of the quarterly county court shall be as provided by section 16.04 hereof.

Sec. 20.19. Compensation and pension rights of city mayor and city councilmembers preserved.

The mayor and members of the city council of the City of Nashville, whose terms of office are abridged by this Charter to the extent of approximately two (2) months, shall be entitled to receive salaries from the metropolitan government and to be eligible to receive pensions therefrom to the same extent as if they had served for the full term to which elected; provided, that if any of said city officers shall be elected to office at the first election for metropolitan officers, they shall not receive both the salary herein provided and the salary of the metropolitan office to which elected. (Amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 20.20. Special metropolitan election and term of office of persons then elected.

There shall be a special metropolitan election on the first Tuesday after the first Monday in November, 1962, for the purpose of electing the first mayor, the first vice-mayor and forty (40) members of the first metropolitan council, including five (5) councilmembers-at-large and thirty-five (35) district councilmembers. Said special election and a run-off election thereafter to be held twenty-one (21) days later, if necessary, shall be held under the provisions of article 15 of this Charter with respect to metropolitan elections. The metropolitan officers elected at said special election shall take office on the first Monday of April, 1963, and shall serve until the first day of September, 1966, or until their successors are elected and qualified.

The metropolitan officers elected at the general metropolitan election to be held on the fourth Thursday of April, 1966, shall serve until the first day of September, 1971, or until their successors are elected and qualified.

For the purpose of determining the eligibility for a pension of the mayor or mayors elected hereunder in the first and second metropolitan general elections, and for the purpose of section 5.06 of this Charter, the term of the first metropolitan mayor elected and the term of the second metropolitan mayor elected shall be deemed to be terms of four (4) years each. (Amended by Res. No. 65-670, § 1, 7-6-65; amended by referendum election of November 6, 2018, Amdt. 6)

Sec. 20.21. Effective date of Charter.

This Charter shall become effective immediately upon its adoption for purposes of section 18.15, section 20.02, section 20.14 and section 20.15 hereof. This Charter shall become effective for all other purposes on the first Monday in April, 1963, which date is hereby defined and designated as "the effective date of this Charter" within the meaning of such quoted phrase as used in this Charter.

ARTICLE 21. INTENT OF CHARTER AND SEPARABILITY OF PROVISIONS

Sec. 21.01. Generally.

The people residing within the area of the metropolitan government declare and determine that by the adoption of this Charter it is their intent to exercise to the full extent possible the constitutional power granted by Amendment No. 8 to article XI, section 9 of the Constitution of Tennessee approved at an election on November 3, 1953, as implemented by Tennessee Code Annotated, section 7-1-101 et seq., and in so doing to consolidate all or substantially all of the governmental and corporate functions of the County of Davidson and of the City of Nashville, so that, in the interest of modern, efficient and economical government, the same may be operated as one (1) governmental entity. The people further declare that to achieve this remedial objective and to aid in the solution of the public problems of a metropolitan area, it is their purpose and intent in its adoption that this Charter shall continue in full force and effect even if any of its separable provisions or parts not essential to this remedial objective shall be held unconstitutional or void. (Res. No. 88-520, § 40, 10-4-88)

Appendix Three. Electric Power Board

Editor's note—This Appendix consists of Articles 42 and 43 of the Charter of the former City of Nashville (Private Acts 1947, chapter 246, as amended), with modifications limited to those changes necessary and proper to constitute the electric power board an agency of the metropolitan government.

ARTICLE 42

BE IT FURTHER ENACTED, That The Metropolitan Government of Nashville and Davidson County, in its corporate capacity is hereby authorized and empowered to:

1. To purchase, construct, lease, or otherwise acquire, and to maintain, improve, operate and regulate, either within or without the corporate limits of said metropolitan government, an electric light and power plant and/or an electric system, including distribution system and substations, together with all necessary or appropriate equipment, appliances and appurtenances, for the proper operation thereof, for the purpose of lighting public buildings, streets, parks and other municipal property, and for any and all other purposes, including the production of electricity for resale at wholesale to the United States, the state, or any municipality, or to any private person, firm or corporation, and for the sale of electric service or current at retail to the United States, the state, or any municipality, or to any person, firm, public or private corporation, for light, heat, power, or any other purpose whatsoever, or to any other users or consumers of electric power and energy and to any person, firm, public or private corporation, or to any other users or consumers of electric power and energy.

2. To acquire, improve, or use jointly with any other municipality, a transmission line or lines, together with all necessary and appropriate facilities, equipment and appurtenances, for the purpose of transmitting power and energy and/or connecting their respective electric plants with a wholesale source of supply, and to this end the metropolitan government may provide by contract for the method of holding title, for the allocation of responsibility for operating and maintenance, and for the allocation of expenses and revenues.

3. To accept grants, loans or other financial assistance from the United States of America, or the Federal Emergency Administrator of Public Works, the Tennessee Valley Authority, or any other similar agency, instrumentality or corporation of the Untied States of America which has heretofore been, or may hereafter be, created by or pursuant to any Act or Acts of Congress of the United States of America.

4. To contract debts for the acquisition or improvement of any electric plant and/or distribution system; to borrow money; to issue its bonds to finance such acquisition or improvements; to provide for the rights of the holders of the bonds and to secure the bonds as hereinafter provided, and to pledge all or any part of the revenues derived from electric service to the payment of such debts or repayment of money borrowed.

5. To acquire, hold, and subject to the applicable provisions of any bonds or contracts, to dispose of any property, real or personal, tangible or intangible, or any right or interest in any such property in connection with any electric plant, and whether or not subject to mortgages, liens, charges, or other encumbrances but disposition of all, or substantially all, of its electric plant and/or distribution system may not be made except as herein provided.

6. To make contracts and execute instruments containing such covenants, terms and conditions, as in the discretion of the metropolitan government may be necessary, proper or advisable for the purpose of obtaining loans from any source, or grants, loans, or other financial assistance from any federal agency; to make all other contracts and execute all other instruments, which in its discretion, may be necessary, proper, or advisable, in or for the furtherance of the acquisition, improvement, operation and maintenance, of any electric plant and/or distribution system, and the furnishing of electric service; and to carry out and perform the covenants, terms and conditions of all such contracts or instruments.

7. To enter on any lands, waters and premises for the purpose of making surveys, soundings and examinations in connection with the acquisition, improvement, operation or maintenance of any electric plant and/or distribution system, and the furnishing of electric service.

8. To do all acts and things necessary or convenient to carry out the powers expressly given in this article

9. That the metropolitan government, directly or through the electric power board hereinafter created, may use any right-of-way, easement or other similar property right necessary or convenient in connection with the acquisition, improvement, operation or maintenance of an electric or power plant and/or distribution system, held by the state, any county or other municipality, provided that the state, or such other municipality shall consent to such use.

10. There is hereby created the Electric Power Board of The Metropolitan Government of Nashville and Davidson County, composed of five members. The members of the Electric Power Board of the City of Nashville in office at the effective date of this Charter, either as appointed members or as holdover members until successors are appointed and qualified, shall be the first members of the electric power board of the metropolitan government.

The terms of office of the members of the electric power board of the metropolitan government shall be for five years, except that the first terms of office of such members shall relate back to the beginning of the terms of office of the members of the Electric Power Board of the City of Nashville who are holding such offices under appointments, and to the end of the terms of office of the members of the Electric Power Board of Nashville where the terms of office for which they were appointed have expired and such members are holding such offices until their successors are appointed and qualified, so that the first terms of office of the members of the electric power board of the metropolitan government will relate back to July 1, 1954, July 1, 1955, July 1, 1956, July 1, 1957 and July 1, 1958, respectively, and will expire on July 1, 1959, July 1, 1960, July 1, 1961, July 1, 1962 and July 1, 1963, respectively; and thereafter each successive terms of office shall each be for a period of five years from the date of expiration of the preceding term of office.

Any of the first members of the electric power board of the metropolitan government who, at the effective date of this Charter shall have been holding office as a member of the Electric Power Board of the City of Nashville after the expiration of their term of office until their successors were appointed and qualified, shall continue to be members of such electric power board of the metropolitan government until the appointment of a member by the mayor and confirmation of such appointment by the metropolitan council as provided herein to succeed such holdover member for the unexpired term of the term of office in which such holdover member is serving as a member.

All members of the electric power board of the metropolitan government who are appointed by the mayor and whose appointment is confirmed by the metropolitan council as herein provided shall serve as such members for the term of office to which they are appointed, and until their successors are appointed and qualified.

A chairman and vice-chairman shall be elected by and from the members of the board, by a majority vote, and a new chairman and vice-chairman shall thereafter be selected in like manner by the board each year. The members of said board shall serve without compensation.

No person shall be eligible for election or appointment to membership on the board unless he shall have been a bona fide freeholder or householder or taxpayer in Davidson County for at least three years next preceding the date of his appointment or election; at least thirty years of age and a citizen of the United States. If any member of the board shall cease to possess any of the qualifications for his office, as above enumerated or hereinafter prescribed, a vacancy shall thereupon immediately occur and his office shall be filled as hereinafter provided.

When the term of office of any member or members of said board shall have expired, or when any vacancy in the board occurs by reason of death, resignation, removal or other cause, the vacancy or vacancies shall be filled by appointment by the mayor, subject to confirmation by the metropolitan council. Terms of office of members of the board shall be for five years, except members appointed to fill vacancies in unexpired terms or members holding office after the expiration of their terms of office until their successors are appointed and qualified.

11. That the members of said board first appointed and qualified hereunder, and all other members thereof, before entering upon the discharge of the duties of their office shall take and subscribe to an oath before some person authorized to administer an oath in Davidson County, as follows:

"I do solemnly swear that I am a citizen of the United States of America, that I am not an officer, director, employee or agent of any company producing, selling or furnishing electric light, power, current or services; that I do not now hold any public office, nor am I an applicant or candidate therefor; that I will faithfully and honestly discharge the duties of my office."

12. That at all meetings three members of the board shall constitute a quorum, and the board shall act by vote of a majority present at any meeting attended by a quorum.

In addition to a chairman and a vice-chairman, there shall be a secretary, a treasurer, a general manager, a general counsel and such other officers, agents, heads of departments, or other employees as may be necessary for the operation of the board, and for the effective operation of the electric plant and/or distribution system, whose compensation, wages, or salaries shall be payable out of the revenues derived from the operation of the board, and said board shall fix and prescribe their several duties, subject to the limitations and provisions of this Charter.

The board shall fix the amount of bonds to be required of the secretary-treasurer and all others who are to handle or to be responsible for the funds and/or property of the board, or the metropolitan government, hereunder, and all such bonds shall have as surety thereon some approved bonding or surety company.

The board shall hold public meetings, at least once each month, at such time and place as it may determined. Changes in the time and place of such meeting shall be made known to the public in some suitable manner to be prescribed by the board. The board is also authorized and empowered to prescribe a set of by-laws and reasonable rules for its government and procedure, and shall also

provide rules not inconsistent with the provisions of this Charter for carrying into execution the powers and authority conferred by this Charter.

With reference to the properties, rights, and interests of the metropolitan government, to be acquired by or operated under the provisions of this article, as is herein otherwise provided, all agreements, contracts, transfers and conveyances in connection therewith, shall be made and executed, and all such properties shall be acquired, held, owned and transferred and conveyed in the name of the Metropolitan Government of Nashville and Davidson County, and all such contracts, agreements, transfers and conveyances shall be signed by the chairman or vice-chairman of the board and attested by the secretary or assistant secretary. Provided, however, that the board may, by-law or regulation, delegate to the chairman or the general manager or other employee of said board the right to make, let, sign, and otherwise execute all such contracts, agreements, deeds, transfers or other conveyances, where not in excess of ten thousand ($10,000) dollars is involved, which the board is so authorized to make, and subject to such conditions and requirements as the board may, by regulation or by-laws, prescribe; and provided further that, in the absence of any by-law or rule of the board, the general manager shall have authority to make and execute such contracts and agreements which involve less than five thousand ($5,000) dollars in amount.

13. The general manager shall have charge of all the equipment and properties of the board; all construction, and the immediate management and operation of the electric light and power plant and distribution system, under the direction and supervision of the board as may be provided from time to time by by-laws or regulations, and shall be chargeable with the enforcement and execution of all rules, regulations, programs, plans, and decisions made or adopted by the board. He shall make and keep full and complete books and records, which shall at all times be subject to the supervision, direction, and control of the board.

14. The general counsel, whose salary shall be fixed by the power board, shall have general charge and supervision of the legal work in connection with the operations and conduct of the board's affairs, and shall do and perform all such other acts and services of a legal nature as may from time to time be required of him by the board.

15. That said electric power board of the metropolitan government be, and it is, hereby authorized to purchase, construct, erect or otherwise acquire, and to maintain and operate the electric power plant, distribution system, substation, etc., hereinbefore provided for; and said board shall have full power and authority to purchase, rent, lease or otherwise acquire any and all kinds of property, real or personal, for the said metropolitan government, in order to carry out the powers herein granted, and also to enter into any and all contracts with the Tennessee Valley Authority, or other entities, persons, firms, or corporations, public or private, for the furnishing of electric current to the metropolitan government, for use or resale as provided herein, and to enter into any other contracts with any other persons, partnerships, associations, or public or private corporations which may be by said board deemed necessary or expedient in exercising said powers; and said board shall have full control over the erection, construction, maintenance and operation of said plants and properties, with full power to make rules for the control and maintenance of said plants and properties, the manner of operation, and the employment of officials and employees of every kind. Said board may acquire by purchase an existing electric power plant and/or distribution system with substation appurtenances, equipment, etc., and it is authorized to carry on all necessary or proper negotiations therefor; and it is authorized to make the necessary surveys and enter into contracts for the construction of such power plant and/or distribution system, substations, etc., and the equipment and appliances necessary or appropriate thereto. The board is expressly authorized and empowered to make and enter into all necessary or proper contracts with the Tennessee Valley Authority, or other agencies, for the furnishing of electric current to the metropolitan government, to be used either by said metropolitan government for its own purposes, or to be sold for light, power, heat or any other purpose whatsoever, and in this connection may agree on rates for the sale of such current.

For the purpose of constructing, equipping, maintaining, and operating the electric power plant and/or distribution system mentioned in this article, the board is expressly authorized and empowered to issue and sell short term notes, made payable out of the revenues from the electric power plant and/or distribution system mentioned herein. The amount of said short term notes outstanding at any time shall not exceed three million ($3,000,000) dollars and said notes shall mature not more than three years from the date of said notes.

16. That disposition of all, or substantially all, of the electric plant and/or distribution system acquired by means of the bonds issued hereunder, may only be made upon recommendation of the board, with the approval of the mayor and metropolitan council, and a majority of those voting in an election to be held as in this Article provided. In the event it is desired to so dispose of all, or substantially all, of such property, the board shall make recommendations to that effect to the mayor, such recommendations to contain the information required to

be included in a resolution for submission to the voters in an election to be held as hereinafter provided, and thereupon, if the same is approved by the mayor, he shall prepare and submit to the metropolitan council, and the metropolitan council shall adopt, a resolution which shall state in substance:

(a) That the electric power board has recommended, and the mayor and metropolitan council have approved, the proposed disposition.

(b) A full description of the property of which disposition is proposed to be made.

(c) The proposed purchaser or purchasers thereof.

(d) The purchase price.

(e) The terms or conditions of sale, if such disposition is not to be for cash payable in full at the time of the proposed disposition.

(f) The date on which an election will be held to consider such disposition.

(g) The place or places where votes in such election may be cast.

(h) The hours between which such voting places shall be open.

If said resolution is adopted, an election will be called in conformity with the resolution, and said resolution shall be published in full at least once, not less than fifteen (15) days prior to the date fixed for the election, in a newspaper published and having general circulation in the entire area of the metropolitan government. At such election the ballots shall contain the words, "For the disposition of the Electric Plant and/or Distribution System", and "Against the disposition of the Electric Plant and/or Distribution System", as the case may be.

The election herein provided for shall be conducted and ballots shall be prepared, in the same manner as is now, or then may be, provided by law for the holding and conducting of general elections for the metropolitan government under its Charter and the provisions of the general election laws of the State of Tennessee. The results of such elections shall be canvassed, declared and certified, and the records of such results and returns shall be kept in the same manner as is now so provided by law, and when any such election is so held and the results so canvassed and certified in conformity with these provisions, it shall, after the delivery of, and payment for, said property, disposition of which was so voted upon at such election, be conclusive evidence of the result of such election.

17. That said board is expressly authorized to exercise the power of eminent domain on behalf and in the name of the Metropolitan Government of Nashville and Davidson County, in order to acquire any property, real or personal, necessary or useful in exercising the power and authority conferred by this article, and any property so acquired shall be paid for out of the earnings of the power plant and/or distribution system herein provided for, or from the proceeds of the bonds authorized by this article. The title to all property taken for the purpose of exercising the powers conferred by this Charter, whether acquired by contract or by exercise of the power of eminent domain, shall be taken in the name of the Metropolitan Government of Nashville and Davidson County; and such condemnation proceedings as may be deemed necessary or proper shall be pursuant to, and in accordance with, the provisions of sections 29-16-101 to 29-16-124, inclusive, Tennessee Code Annotated.

18. That said electric power board of the metropolitan government shall have exclusive management and control of the operation of said electric power plant and/or distribution system. Except as otherwise provided in this article, said board shall have the authority, subject to the applicable civil service provisions, to determine the number of positions and employ persons to fill vacancies in said positions, and to fix the salaries or compensation within the limits of the pay plan applicable to this article, and prescribe the duties of all of its officers, agents, representatives, and employees; provided, said Board may, in its discretion, delegate to the general manager to be selected by it, such power and authority in addition to that conferred herein, as it may deem necessary and proper. All revenues collected from the operation of the said power plant and/or distribution system, or any promotional activity conducted or operated in connection therewith, shall be deposited in the name of the metropolitan government, and kept in a separate fund or funds, and shall only be disbursed upon checks or vouchers of the said board drawn against said fund or funds, and which checks or vouchers shall be signed by the secretary or an assistant secretary, of the board, and approved or countersigned by the general manager, or in such other manner as the board may, from time to time, prescribe. As of the first days of January and July of each year, said board shall make and file, in triplicate, with the mayor of the metropolitan government, a statement showing the financial condition of the board, and the system operated by it, together with such other information as the mayor shall from time to time require, and which shall cover the whole of the operations during the preceding six (6) months. Said reports shall be filed on or before the first days of February and August, respectively, of each year. A copy of said financial statement shall also be filed with the clerk of the metropolitan government at the time it is filed with the mayor, and a further copy, or certified abstract thereof, shall be published once in a newspaper of general

circulation in the entire area of the metropolitan government. The board shall provide a proper and sufficient accounting system.

19. That the board shall fix the rates to be charged for current, power, light and heat, or other services furnished, and which rates shall be fair, reasonable and uniform for all customers in the same class, but different rate schedules may be applied to different classes of customers as may be determined by the board. Rates within the urban services district of the metropolitan government may be less, but shall in no event be greater than rates for the same class of service outside the urban services district. Rates for electric service shall be fixed in conformity with the resale rates which the metropolitan government may be required to charge under or by reason of the metropolitan government's contractual obligations with the Tennessee Valley Authority, and in all other respects in conformity with the then existing contract executed by the former city of Nashville and/or the Metropolitan Government of Nashville and Davidson County with the Tennessee Valley Authority.

20. That the board shall charge the metropolitan government for any electric service furnished it, at the rates applicable to other customers of the same class served under similar conditions and the revenue derived from such service shall be treated as all other revenues of said board.

21. That a copy of the schedule of the current rates and charges in effect from time to time, and a copy of all resolutions and regulations of the board relating to electric service shall be kept on public file at the main and all branch offices of any plant or plants operated by it, and also in the office of the clerk of the metropolitan government.

The officers, agents and employees of the board are prohibited from appropriating or using any of the moneys, revenues, assets or property of the board, or of the metropolitan government, or its credit either directly or indirectly by way of donations for festivities, exhibits, shows, lectures, pageants, excursions, decorations or parades, and shall not give or grant to any person or persons any reduction or other benefit of any kind in rates or service by the board, nor shall they make or allow any discrimination in favor of any purchaser of power, light, current or other service not enjoyed by others of the same class and taking power under like conditions; provided, nothing in this article shall prevent participation in normal electric promotion activities.

22. That said board shall set up a sufficient fund as an insurance fund, and which shall be kept in a separate account and invested in securities now authorized for the sinking fund of the metropolitan government, and which, together with any income thereon or additions thereto, shall be used to pay and discharge any liabilities of said board and of the metropolitan government by reason of the acquisition, creation, owning, operation, maintenance or other use of said power plant and/or distribution system, or in lieu of such fund, the board, in its discretion, may take out and carry such insurance policies as may be necessary or proper, or may set up necessary contingency reserves to protect against such liabilities.

The board in its judgment and discretion is further authorized and empowered to avail itself of the benefits of any existing or future laws of the United States, or of the State of Tennessee, with reference to Social Security, old age benefits, or pensions on behalf of its employees, at any time, when, under the terms of such acts or laws, it may be authorized or permitted so to do, and in connection therewith may make such payments and do such other acts and things as may be by said laws or acts authorized or provided. Said board in its judgment and discretion shall likewise be authorized and empowered to take out, purchase, or otherwise provide for such employee retirement insurance, survivor insurance and other insurance as it may be determined to be to the best interest of the employees, and as is justified by the revenues and earnings of the board.

23. That when any contract is made by the board with any independent contractor for new construction, improvements, or extensions, such contract shall contain a provision that wages to be paid by said contractor on such work shall conform to the prevailing wage scale, as approved by the United States Department of Labor for Nashville and vicinity.

24. That neither the mayor, the metropolitan council, nor any other officer, department, board or commission of the metropolitan government, shall have or exercise any authority whatsoever over the electric power board created under the terms and provisions of this Charter, other and except to the extent herein expressly provided, and the provisions of this article shall prevail over any conflicting provisions appearing in any other article in this Charter.

25. That the revenues derived from the operations of the board shall be applied and used only as follows:

(a) Revenues shall first be used in payment of all current operating expenses, including, without limitation, salaries, wages, costs of materials and supplies, insurance, current and/or power at wholesale, necessary cost of repairs, and all other costs and expenses of maintenance, operation and upkeep.

(b) From remaining revenues the board shall next currently provide for payment of interest accrued on all bonds issued pursuant to the provisions of this Act, and for amortization charges on all such bonds of other

indebtedness, and for sinking fund payments thereon, and for which purpose there will be paid monthly or semiannually to the treasurer of the metropolitan government a sum sufficient to pay such interest as the same comes due, and to pay and discharge the principal of said bonds promptly at maturity, and all of which shall be kept by the treasurer of the metropolitan government in a separate sinking fund.

(c) After making provisions for items (a) and (b), the remaining revenues shall be used currently to set up reasonable reserves, but not more than is sufficient for replacements, depreciation, extensions or new construction, for contingencies, and to provide a reasonable amount of cash working capital.

(d) Thereafter, and from remaining revenues, the board shall pay into the general fund of the metropolitan government a return on its investment as authorized and permitted by the then existing contract of the former City of Nashville and/or the metropolitan government with the Tennessee Valley Authority, and also a tax equivalent, in amount to be determined by application of the prevailing municipal tax rate to the value of the property used by the metropolitan government and said board in electric operations, and which tax equivalent may be increased by the board in its discretion, so as to provide a similar tax return for the state or any county, as may be permitted, provided or required by the then existing contract of former City of Nashville and/or the metropolitan government with the Tennessee Valley Authority. All remaining revenues shall be considered surplus and shall serve as a basis for reduction or elimination of surcharges and/or reduction of rates.

26. That the Metropolitan Government of Nashville and Davidson County be, and it is hereby authorized, in its corporate capacity, to issue and sell its bonds, to be signed by the mayor and countersigned by the treasurer of said metropolitan government, and the seal of the metropolitan government to be affixed, impressed, imprinted or reproduced thereon, and attested by the clerk of said metropolitan government, for the purpose of acquiring any existing electric power plant and/or distribution system, or for the purpose of constructing, equipping, maintaining and operating any electric power plant and/or distribution system, or to reconstruct, extend or improve any electric power plant and/or distribution system or systems. The signatures on said bonds of the mayor, treasurer of the metropolitan government and clerk of the metropolitan government may be either manual or facsimile signatures; provided, however, that the signature of at least one of said officials on said bonds shall get a manual signature. Said bonds shall be revenue bonds, and said revenue bonds may be issued only when the electric power board of the metropolitan government shall determine by resolution duly adopted that the revenues derived from the electric system will be sufficient to pay the principal of and interest on all bonds issued hereunder then outstanding and the bonds to be issued, and to comply with all covenants made with the holders of said bonds then outstanding or to be issued; and provided further, that the rank and priority as between different issues of said bonds shall be as provided in the resolutions or ordinances authorizing such issues of bonds.

27. That the bonds herein authorized shall be payable in lawful money of the United States of America, and shall be executed in denominations of one thousand ($1,000) dollars. Said bonds shall be issued as serial bonds, maturing in such amounts and at such times not more than forty (40) years from the date of the issuance thereof as the board may determine, and shall bear interest at the rate of not more than six (6%) percent per annum, payable semiannually, said interest installments to be evidenced by coupons attached to the bonds, which coupons shall bear the printed or lithographed facsimile of the signatures of the mayor and treasurer and clerk of said metropolitan government; and said bonds and coupons shall be payable to bearer and the bonds shall be sold at the best price obtainable, and shall in no case be sold for less than par and accrued interest. Said bonds shall be issued from time to time in such amounts, and shall bear dates as the board shall direct; and it shall be the duty of the mayor and the metropolitan council of the metropolitan government to provide by resolution or ordinance for the issuance of said bonds as directed by said board. Said bonds shall be known as Electric Power Bonds of the Metropolitan Government of Nashville and Davidson County, and said bonds, or any part thereof which the metropolitan government may determine or decide to issue for the purposes, and under the provisions of this article, shall be issued as revenue bonds, payable only out of said revenues of the electric plant and/or distribution system. The mayor of said metropolitan government, with the approval of the metropolitan council, shall have power and authority to sell the bonds issued under the provisions of this article to the Public Works Administration, Tennessee Valley Authority, or any federal agency, at private sale, without any public advertisement. Unless the bonds are sold to a federal agency, said bonds shall be sold at public sale, after being first advertised at least once in a newspaper of general circulation in the entire area of the metropolitan government, and once in some financial journal in New York City, and which advertisement shall be published at least five (5) days before the sale of said bonds, and the board shall have power and authority to hypothecate any or all of the bonds issued under the provisions of this article,

and to borrow thereon funds from the Tennessee Valley Authority, the Public Works Administration, or any other similar government agency or board, or from the bank. Said bonds shall contain a recital that they are issued pursuant to, and in accordance with this Charter, and such recital shall be conclusive evidence of their legality.

28. The metropolitan council may in its discretion call a referendum or election for the purpose of obtaining the approval of the voters of the acquisition or construction by the metropolitan government of any new electric power plants and/or distribution systems but shall not be required to call such election. If such election is called by the metropolitan council, it shall be held and conducted, and ballots shall be prepared in the same manner as is then, provided by law for the holding of general elections under the provisions of the general election laws of the State of Tennessee. The provisions of this section shall be deemed permissive only and no referendum or election shall be required for the acquisition or construction of any new electric power plants and/or distribution system or the issuance of revenue bonds to finance the cost thereof, except in the absolute discretion of the metropolitan council. No referendum or election shall ever be required for the acquisition or construction of additions, extensions or improvements to any existing electric power plants and/or distribution systems or for the issuance of revenue bonds to finance the cost thereof.

29. That in case any of the officers whose signatures or countersignatures appear on such bonds shall cease to be such officers before the delivery of the bonds, such signatures and countersignatures shall nevertheless be valid and sufficient for all purposes the same as though such officers had remained in office until the bonds had been delivered.

30. That all funds received from sale of the bonds provided for in this article shall be deposited with the treasurer of the metropolitan government and shall be kept in a separate fund, and said board shall have control and supervision of the expenditure thereof. Disbursements shall be made only upon warrants of the board, signed by the secretary, and approved by its chairman, and said fund shall be used solely for the purpose of defraying the cost of acquiring or constructing an electric power plant and/or distribution system, and extension thereof, and the equipment, appliances and appurtenances necessary or appropriate thereto; provided, however, that such money may also be used to pay interest maturing on said bonds during negotiation for the acquiring of any existing electric power plant and/or distribution system, or during the construction of any power plant and/or distribution system, and until the system has been put into operation. The board is authorized to incur expenses for the making of surveys and estimates of cost and of revenues, and to certify the expense thereof to the mayor of said metropolitan government, who shall pay the same from the general funds of the metropolitan government; and such payments from the general funds shall be considered as temporary loans, and shall be repaid, upon sale and delivery of said bonds, out of said bond fund.

31. That the cost of any electric power plant and/or distribution system, or the improvements thereof, shall be deemed to include all necessary expenses of preliminary surveys, estimates of costs and of revenues, and all the cost of acquiring such power plant and/or distribution system or improvements, or of the construction thereof; also the cost of all necessary or suitable property, rights-of-way, easements, and franchises; and also to include interest on bonds issued under this article maturing prior to and during the construction or acquisition of the plant or system, or improvements, together with engineering and legal expenses, expenses for plans, specifications and surveys, administrative expenses and all such other expenses as may be necessary or incidental to the financing of, acquiring or constructing and equipping an electric power plant and/or distribution system or improvements, and the placing of such power plant and/or distribution system or improvements in operation.

32. That no statute, general or special, fixing the maximum indebtedness of the said metropolitan government, or prohibiting the issuance of bonds, notes or other indebtedness, shall apply to or limit the amount of bonds that may be issued or the amount of money that may be borrowed under this article.

33. There is hereby created a statutory mortgage lien upon all the electric system of the electric power board of the metropolitan government, including all power plants and/or distribution systems thereof, and any additions, extensions or improvements thereto, to and in favor of the holders of all revenue bonds issued by the metropolitan government to finance the cost of all or any part thereof. Any holder of any of said revenue bonds may at law or in equity by suit, action, mandamus or other proceedings protect and enforce the statutory mortgage lien hereby conferred, and may by suit, action, mandamus or other proceedings enforce and compel the performance of all of the duties required by this Charter.

34. That in order to secure the payment of revenue bonds issued pursuant to this Article and interest thereon, the metropolitan government shall have the power as to such bonds, to the extent not inconsistent with the mandatory provisions hereof:

(a) After the payment of operating expenses from the gross revenue to pledge all or any part of the remaining revenue derived from the operation of the electric power plant and/or distribution system to secure the payment of the bonds and interest thereon.

(b) To covenant as to the rates and charges to be imposed and the amounts to be raised in each year by such rates and charges and the use and disposition thereof, and the board shall carry out the provisions of this covenant.

(c) To set aside a reserve or sinking fund and the relation and disposition thereof, and to provide for the redemption of revenue bonds and to provide the terms and conditions thereof.

(d) To covenant and prescribe as to what happenings or occurrences shall constitute "default" and the terms and conditions upon which any or all such bonds shall become or may be declared due before maturity and as to the terms and conditions upon which such declaration and its consequences may be waived.

(e) To covenant as to the rights, liabilities, powers and duties arising upon the breach by it of any covenant, condition or obligation.

(f) To vest in a trustee or trustees the right to receive all or any part of the income assigned to, or for the benefit of, the holder or holders of bonds issued hereunder, and to hold, apply and dispose of the same, and, the right to enforce any covenant made to secure, pay, or otherwise in relation to the bonds; to execute and deliver a trust agreement or trust agreements which may set forth the powers and duties and the remedies available to such trustee or trustees, and limiting the liabilities thereof, and describing what occurrences shall constitute default, and prescribing the terms and conditions upon which such trustee or trustees, or the holder or holders of bonds of any specified amount or percentage of such bonds, may exercise such rights and enforce any and all such covenants, and resort to such remedies as may be appropriate.

(g) To make covenants other than, and in addition to, the covenant herein authorized, of like or different character, necessary or advisable to effectuate the purpose of this article.

(h) To execute all instruments necessary or convenient in the exercise of the powers herein granted or in the performance of its covenants or duties.

(i) To provide for the replacement of lost, destroyed or mutilated bonds.

(j) The board shall carry out the agreements and covenants made by the metropolitan government with the holder or holders of revenue bonds as herein provided.

35. That any holder or holders of revenue bonds, including a trustee or trustees for holders of such bonds, shall have the right, in addition to all other rights:

(a) By mandamus or other suit, action or proceedings in any court of competent jurisdiction to enforce his or their rights against the metropolitan government, the mayor thereof, and the electric power board of said metropolitan government, and any other proper officer, agent or employee of any of them, including, but without limitation, the right to require the electric power board and any proper officer, agent or employee thereof to fix and collect rates and charges adequate to carry out any agreement as to electric power plant and/or distribution system revenues.

(b) By action or suit in equity to enjoin any acts or things which may be unlawful or a violation of the rights of such holders of bonds.

36. That the metropolitan government shall have power to confer upon any holder or holders of a specified amount or percentage of bonds the right in event of default as may be defined in any agreement with the holder or holders of such bonds or the trustee or trustees therefor:

(a) By suit, action or proceedings in any court of competent jurisdiction to obtain the appointment of a receiver of the electric power plan and/or distribution system or any part or parts thereof. If such receiver be appointed he may enter and take possession of such electric power plant and/or distribution system, or any part or parts thereof and operate and maintain the same, and collect the revenue thereafter arising therefrom in the same manner as the electric power board or the metropolitan government might do, and shall deposit such moneys in a separate account or accounts and apply the same in accordance with the obligations of the metropolitan government as the court shall direct.

(b) By suit, action or proceedings in any court of competent jurisdiction to require the metropolitan government and the electric power board of same metropolitan government to account as if they were the trustee on an express trust.

37. That all revenue bonds issued hereunder, and all interest thereon, and all revenues and other income derived from said electric system and all properties, real or personal, tangible or intangible, moneys and other assets of said electric system or of said electric power board of the metropolitan government shall be exempt from all taxation by the State of Tennessee, or any county, municipality or political subdivision or other taxing agency thereof, and all revenue bonds issued hereunder shall be and constitute eligible securities for the deposit of all state and other public funds, and shall be and constitute legal investments for banks, savings banks, executors, guardians, administrators and other fiduciaries, and for any state, county, municipality or other public funds.

38. That the powers conferred by this article shall be in addition and supplemental to the powers conferred by any other article in this Charter or any other law, and that bonds may be issued hereunder for the acquisition or

improvement of an electric plant and/or distribution system, notwithstanding that any other law may provide for the issuance of bonds for like purposes, and without regard to the requirements, restrictions or procedural provisions contained in any other law.

39. Should any of the terms or provisions of this article for any reason be held invalid, then in that event, to the extent of such invalidity, the exact terms and provisions of article 42 of the Charter of the City of Nashville as it existed at the effective date of this Metropolitan Charter shall be deemed to have been incorporated verbatim in this Metropolitan Charter in lieu of such terms and provisions contained in this article so held invalid.

ARTICLE 43

BE IT FURTHER ENACTED:

1. As used in this section, the term "employee" shall include all persons in the service of the electric power board of the former City of Nashville and/or the electric power board of the metropolitan government, on the effective date of this Charter, and/or subsequent thereto, and the provisions of this article shall apply only to such employees. The civil service and pension provisions appearing in other articles of this Charter shall not apply to the electric power board of the metropolitan government, nor to the metropolitan government when said metropolitan government is acting by and through the electric power board.

For the purpose of administration of civil service and pensions with respect to all employees of the electric power board of the metropolitan government, other than those expressly excluded herein and who shall not be under civil service nor entitled to pension benefits other and except to the extent herein provided, the electric power board of the metropolitan government and the members thereof are hereby constituted and shall be known as the electric employees' civil service and pension board, and shall have exclusive jurisdiction over the civil service and pension provisions in this article to the extent that the same are, or may be applicable to the employees of said electric power board, and to which employees its jurisdiction is expressly limited and confined.

2. The electric employees' civil service and pension board is authorized, empowered, and directed within six (6) months after the effective date of this Charter, to make all reasonable rules as it may deem necessary from time to time for the government of the employees of the electric power board of the metropolitan government, other than those expressly excluded in this article, and for carrying into effect the provisions, objects, and purposes hereof, expressly including the right to make all necessary and proper rules as to employment, discharge, compensation and classification of employees of the electric power board of the metropolitan government, in connection with these matters, and for promotion, transfer, and assignment; with reference to the granting of leaves of absence and the conditions thereof, and for all other purposes which are necessary and proper, or reasonably calculated to carry into effect the provisions hereof. The electric employees' civil service and pension board shall furnish to each employee a copy of said rules upon request therefor. Until such time as said rules are adopted by the electric employees' civil service and pension board, the existing rules of the electric employees' civil service and pension board pursuant to article 43, chapter 146, Private Acts of 1947, shall remain in full force and effect.

3. The chairman of the electric power board of the metropolitan government shall act as chairman of the electric employees' civil service and pension board and said civil service and pension board shall have the right to elect from among its own members a secretary who shall keep the records of its proceedings, or it may employ a secretary for that purpose and fix his salary and prescribe his duties, or may constitute the secretary, or any assistant secretary of the electric power board of the metropolitan government secretary of the electric employees' civil service and pension board and may fix his compensation, or additional compensation, and prescribe the duties of the office.

4. For the purpose of investigating the conduct of any employee of the electric power board of the metropolitan government, the electric employees' civil service and pension board shall have the power to issue subpoenas, compelling the attendance of witnesses, the production of books, papers, and other documentary evidence, and to punish by contempt proceedings any person failing or refusing to answer or obey said summons to give or produce testimony before said electric employees' civil service and pension board.

The electric employees' civil service and pension board shall have power to fine and imprison any persons guilty of such contempt; provided such punishment shall not exceed a fine of fifty ($50) dollars and imprisonment until the offending person shall give or produce the testimony and evidence required by said board.

The electric employees' civil service and pension board shall file an annual report with the mayor of the metropolitan government containing a general statement of its actions for the preceding year and its rules. A copy of said report shall be filed with the clerk of the

metropolitan government not less than five (5) days prior to the last metropolitan council meeting in June of each year, and shall be available for public inspection.

5. Any expenses incident to the operation of the electric employees' civil service and pension board shall be paid out of the revenues of the electric power board of the metropolitan government, and said electric power board shall make provisions therefor in such manner as it may deem necessary or proper and shall promptly pay the same, either on a budget basis, or as incurred by said board when acting as said electric employees' civil service and pension board, all necessary and proper records being kept and maintained for this purpose separate and distinct from the records of the electric power board of the metropolitan government.

6. All applications for employment by or with the electric power board of the metropolitan government shall be filed with the secretary of the electric employees' civil service and pension board, and shall be in such form and shall contain such information as may from time to time be required by the rules and regulations of said civil service and pension board.

The electric employees' civil service and pension board may examine applicants or cause them to be examined under its rules and regulations in regard to suitability, physical fitness, and other qualifications, as it may from time to time deem necessary or proper. Said board shall establish and maintain eligible lists for the various classes of positions. On each such list the eligibles shall be ranked in the order of their ratings earned in the examinations. Each person who has thus been examined shall be given written notice of his earned rating and of his relative standing on the eligible list, or of his failure to attain a place on said list.

No question in any form or application, or in any examination, shall be so framed as to elicit information concerning the political or religious opinions or affiliations of any applicant, nor shall entry be made concerning such opinions or affiliations, and all disclosure thereof by any applicant shall be discountenanced. No discrimination whatsoever shall be exercised, threatened, or promised in favor of or against any applicant for employment because of his or her political or religious opinions or affiliations.

In connection with any application for employment to any office or position with the electric power board of the metropolitan government, the electric employees' civil service and pension board may require such certificate of citizens or others having knowledge of the applicant as may be deemed necessary and proper. The electric employees' civil service and pension board, or other examining agent under this article, may refuse to examine an applicant, or, after examination, may refuse to accept an applicant as eligible, if said applicant be determined in any manner to have failed to have complied with the rules of said board, or who for any reason determined by the board is found to be unfit for election, appointment or employment.

All persons other than temporary employees employed by the electric power board of the metropolitan government, after the effective date of this Charter, shall be selected from a list of eligibles to be kept for that purpose by the secretary of the electric employees' civil service and pension board, and which list shall be furnished to the electric power board of the metropolitan government, or the general manager, upon notification that any appointment or employment is to be made to a civil service position by the electric power board.

Whenever the electric power board of the metropolitan government deems it necessary or proper that any person or persons should be employed to do or perform any work of a temporary nature, or temporarily employed on regular or routine work, it shall not be necessary to comply with the civil service requirements of this article. Such persons shall be considered temporary employees only, and shall not be subject to the conditions, limitations, and requirements of the civil service and pension provision hereof, nor entitled to the benefits, except as hereinafter provided.

7. Every position or employment by or with the electric power board of the metropolitan government shall be deemed to be a civil service position, and every employee of said board shall be deemed to be a civil service employee with the exception of temporary employees, and shall include the present employees of said board and all future employees, and all officers and agents, except that members of the electric power board of the metropolitan government, the general manager, assistant general manager, and the secretary are expressly excluded from the provisions hereof with reference to civil service, and none of said persons, nor the positions which they fill, shall be deemed or considered as under the provisions of civil service.

The board may, within its discretion, by its rules provide for a working test for every person appointed after the effective date of this Charter, to a civil service position, the period of such working test not to exceed six (6) months from the date of appointment. Until the end of such working test period, said employee is defined as a temporary employee only, and shall not be subject to the conditions, limitations, and requirements of the civil service and pension provisions of this article, nor entitled to the benefits thereof except as hereinafter provided.

8. No employee shall be called upon by any officer, agent or employee of the metropolitan government for any contribution or assessment to any political organiza-

tion or any member of any committee thereof, nor shall any employee be allowed to solicit any contribution or to sell any tickets or to procure any money by any device from any party, directly or indirectly, or to give or promise any party any office, employment, benefit, or anything of value for the purpose of influencing or obtaining the political support, aid, or vote of any person or persons; no employee shall appear at the polls at any election, primary or general, wearing a badge indicating support of any candidate, ticket, or measure in such election, nor hand out or distribute any literature concerning any candidate, ticket, or measure involved in such election, nor seek in any other manner to use his position as an employee of the electric power board to influence any voter.

The above offenses are hereby defined as political activity. For all such offenses by employees, the electric employees' civil service and pension board shall inflict such punishment as in its discretion the offense merits, subject to review as herein provided.

Nothing herein is intended to abridge the right and power of the board to create or define other offenses or to try or punish employees of the electric power board of the metropolitan government, for any offense or misconduct committed by them.

9. The electric employees' civil service and pension board shall hold at least one regular meeting in each month, and such special meetings as may be deemed necessary or proper. A special meeting may be called at any time upon the request of the chairman or any two members of the board. Three members of the board shall constitute a quorum for the transaction of all business.

10. Charges against any employee of the electric power board of the metropolitan government may be preferred by any person except a member of said board. Upon charges being preferred against any employee, such employee in the discretion of the general manager, may thereupon be suspended, pending disposition thereof.

Charges against employees of said electric power board shall be filed or brought exclusively before the electric employees' civil service and pension board. Any charges filed against any employee shall be in writing, and shall be filed in such form and manner as the board may by its rules from time to time prescribe. A copy of any such charges shall be furnished the accused employee at least fifteen (15) days prior to the trial. Said charges, or any amendment thereto, shall plainly and specifically set forth the offense or offenses charged, and shall be recorded by the board in a record kept for that purpose.

The electric power board of the metropolitan government shall have the power at any time but not more than twice in any twelve months, temporarily to suspend without pay any employee for a period not to exceed ten (10) calendar days without disciplinary charges being filed against such employee. If the offense is other than a minor one where suspension would not be a sufficient disciplinary measure, then charges must be filed.

11. Upon any charge against any employee being filed with said board, it shall, according to its own rules, determine the merits thereof and reduce its findings to writing, and may either suspend, dismiss, or otherwise punish the employee against whom such charge is made. All punishment inflicted by said board shall be entered in a journal kept for that purpose, and the board shall thereupon notify the general manager of the electric power board of the metropolitan government of any and all dismissals from office or other punishment inflicted, and said electric power board, or the general manager, shall thereupon appoint or employ another suitable person to fill the vacancy thus created.

Any such employee who is dissatisfied with the decision of the electric employees' civil service and pension board shall have the absolute right at any time within thirty (30) days to appeal the case to the circuit court of Davidson County, where it shall be tried de novo, or said employee may, if he prefers, file petition for certiorari and otherwise follow the procedure set out in sections 27-9-101 to 27-9-113, inclusive, Tennessee Code Annotated.

Any civil service employee who feels that he has any just complaint in connection with his employment, shall have the right at any time to submit the matters to said board for hearing and determination. All such submissions shall he in such form as may be prescribed by the rules of the board, and shall be tried in the same manner as complaints against employees.

12. No employee of the electric power board of the metropolitan government, except temporary employees and provisional employees, shall be discharged, suspended for more than ten (10) days nor oftener than twice in any twelve (12) months, or otherwise punished except for just cause and after the filing of charges and trials as hereinbefore provided.

13. Said board shall ascertain the duties, authority, and responsibilities of all civil service positions, and group all such positions into classes based upon their duties, authority, and responsibilities, and allocate each position to the appropriate class in the classification plan. The board shall adopt a pay plan which shall include, for each class of positions, a minimum and a maximum rate, and intermediate rates. In establishing such rates the board shall give consideration to the qualifications and experience required for such positions, the prevailing rates of pay for the services performed and for compa-

rable services in the various departments of the metropolitan government and in other public and private employment.

Amendments in the classification plan and the pay plan may from time to time be made by the said board.

14. The said board shall establish a system of service ratings for the employees. Such service ratings and seniority shall be the principal factors in determining the order of promotion, layoffs, abolition of positions, and reemployment.

15. The electric power board of the metropolitan government shall provide pensions and other benefits for its employees, other than those expressly excluded under this Section as follows:

(a) Said board shall provide and carry, either as a separate fund or reserve or by way of insurance, workmen's compensation for all of its employees, the benefits of which shall not be less than those provided from time to time by the Workers' Compensation Law (T.C.A. § 50-6-101 et seq.).

(b) Whenever any employee of the electric power board of the metropolitan government, whether such employee is under civil service or not, shall in the line and course of his employment and in the actual discharge of the duties of his position, sustain personal injuries by external and violent means or by accident, resulting in the death of such employee within twelve (12) months from the time such personal injury was sustained, said board upon allowance of claim, as herein provided, shall pay to the surviving spouse of such employee, if he leaves a surviving spouse, or to the personal representative of such employee if he leaves no surviving spouse, for the benefit of the minor child or children of such employee, if he leaves minor child or children surviving him, or to the personal representative of such employee for the benefit of the estate of such employee, if such employee leaves surviving him no minor child or children or spouse, the sum of one thousand ($1,000) dollars; provided, however, that no such payment shall be made in the case of death of any such employee where the personal injuries resulting in his death were due to the wilful misconduct, intoxication, use of narcotic drugs, or disobedience of orders on the part of such employee, or were intentionally self-inflicted by such employee, or the death of such employee was due to any sickness or disease of such employee, and, provided that written notice of such personal injuries shall be given to the said board, or to the general manager, within thirty (30) days after such personal injuries were sustained.

Upon any notice being given under this provision, said board shall, under its rules, make or cause to be made a full investigation of the facts relevant to the claim and shall determine whether or not the claim is legally and properly payable. The decision of said board on all questions of fact involved in any such claim under the provisions of this article shall be final and shall be subject to review only for illegality or want of jurisdiction.

Payment of said sum of one thousand ($1,000) dollars upon any claim allowed hereunder shall be at the rate of three hundred ($300) dollars in cash at the time the claim is allowed, and the balance of seven hundred ($700) dollars be paid fifty ($50) dollars per month thereafter for fourteen (14) consecutive months, and, provided that all payments made pursuant hereto shall be free from the claims of creditors and shall not be subject to attachment, garnishment or other process of law.

(c) The electric power board shall provide such pension benefits as in its judgment and discretion may properly be provided from the revenues of the board, to be either by an insurance program in standard recognized forms of insurance, or by way of special funds or reserves, all consistent with the contract between the former City of Nashville and/or The Metropolitan Government of Nashville and Davidson County and the Tennessee Valley Authority, dated as of May 4, 1939, and subsequent contracts, and the provisions of this Charter, and provided that any such pension provision shall be according to the rules of said board, and upon such plans as it may prescribe.

(d) Such other insurance as the revenues of the board may justify, and as it may determine to be the best interest of employees, may be also provided.

16. The electric employees' civil service and pension board shall have the exclusive right to fix and determine all matters relating to the granting or revoking of pension or other benefits to or for all employees of the electric power board of the metropolitan government, and upon the terms and conditions prescribed by this article.

17. The electric power board of the metropolitan government shall have exclusive authority to determine the amount, extent, and nature of the benefits and pensions to be provided for its employees, in conformity with this Charter and said contracts with the Tennessee Valley Authority; provided, that any time which may be lost while serving in the armed services, shall not be counted against such person in computing the length of time of service.

In order to provide benefits and pensions under this article, the electric power board of the metropolitan government shall have the right to acquire contributions from its employees, other than temporary and provisional employees, not to exceed five (5%) percent of the salary of each employee, said five (5%) percent to be in addition to any employee contribution with reference to

Social Security and/or old age benefits. The amount to be fixed by resolution of the electric power board and to be deducted from the salary or compensation of said employees each pay period, and all other and further expenses of providing said benefits and pensions shall he paid from the revenues of said board.

Refund of any contribution made by employees and the payment of all benefits or pensions shall be determined according to this article, the rules, and contracts of said electric power board of the metropolitan government; provided that such rules and contracts shall be uniform as to all employees of the same class or condition and no discrimination whatsoever shall at any time he made.

The members of the electric power board of the metropolitan government are expressly excluded from the provisions of this article.

18. Any fund established or created by the electric power board of the metropolitan government for the purpose of carrying out the insurance or pension provisions of this section and under the rules and regulations of said board shall he kept in a separate fund and shall only he disbursed upon the judgment and determination of the electric employees' civil service and pension board under its rules and regulations.

19. That this article shall be liberally construed and interpreted, and the persons who on the effective date of this Charter have, for at least six (6) months immediately prior thereto, been employees of the electric power board of the former City of Nashville, created pursuant to chapter 246, Private Acts of 1947, as amended, are hereby appointed and designated to the corresponding positions or employments under this Charter and shall serve and discharge the respective duties of the corresponding respective positions or employments under this Charter until they shall be removed or discharged in conformity with the provisions of this article, or until their respective positions or employments are otherwise vacated. Provided, that no corresponding respective civil service office, employment or position provided for or created under the provisions of the preceding article of this Charter, may be vacated except pursuant to and in conformity with the civil service provisions of this article.

20. Should any of the terms or provisions of this article for any reason be held invalid, then in that event, to the extent of such invalidity, the exact terms and provisions of article 43 of the Charter of the City of Nashville as it existed at the effective date of this Metropolitan Charter shall be deemed to have been incorporated verbatim in this Metropolitan Charter in lieu of such terms and provisions contained in this article so held invalid.

Appendix Four. Transit Authority.

Editor's note.—This Appendix consists of Article 64 of the Charter of the former City of Nashville, as added by Private Acts 1953, chapter 487, and as amended by Private Acts 1955, chapter 307, and Private Acts 1957, chapter 165, with modifications limited to those changes necessary and proper to constitute the transit authority an agency of the metropolitan government.

ARTICLE 64

1. (a) There is hereby created and established an agency of the metropolitan government to be known as the metropolitan transit authority, sometimes hereinafter designated as transit authority. The transit authority shall be composed of five (5) members, and all of said members shall have been residents of the metropolitan government area for at least three (3) years prior to their becoming members of the metropolitan transit authority. No person shall be eligible as a member of the metropolitan transit authority who holds any other elective or appointive public office or employment or who is employed by or has financial interest in a transit company regulated by said transit authority of the metropolitan government.

(b) The terms of office of all members, except the original members hereinafter named and except those elected to fill unexpired terms, shall be five (5) years, with staggered terms, so that the term of one (1) member shall end on May 1st of each year, beginning with 1954.

(c) The original members of the transit authority shall be appointed by the mayor of the City of Nashville on or before May 15, 1953. One (1) of said members so appointed shall serve until May 1, 1954, one (1) shall serve until May 1, 1955, one (1) shall serve until May 1, 1956, one (1) shall serve until May 1, 1957, and one (1) shall serve until May 1, 1958. Vacancies in membership of the transit authority resulting from expiration of office or otherwise, shall be filled by appointment by the metropolitan mayor. Any successor member shall have the same qualified voter status as his predecessor.

(d) Three (3) members of said transit authority shall constitute a quorum for the transaction of business. The affirmative vote of a majority of a quorum shall be necessary to take any action or to adopt any motion.

(e) The first meeting of said transit authority shall be held on or before May 25, 1953, at a time and place designated by the Mayor of the City of Nashville, on notice of such meeting given to the members of Nashville Transit Authority and to the present secretary of Nashville Public Utilities Commission. At such meeting, or at an adjourned meeting, said transit authority shall organize by selecting one (1) of its members as chairman and another as vice-chairman, who shall serve as such until May 1, 1954, at which time and annually thereafter the authority shall elect or re-elect its chairman and vice-chairman. At such meeting, or at an adjourned meeting, said transit authority shall appoint a secretary, who need not be a member thereof.

(f) The secretary shall be a licensed and practicing attorney at the Nashville Bar of not less than five (5) years' experience, and not less than thirty (30) years of age. The secretary shall devote such time as may be necessary to its duties, but he may engage in the practice of his profession so long as such practice does not interfere with the performance of his duties as secretary of the transit authority. The secretary shall not appear as counsel in any cause or matter pending before any court or administrative agency wherein any street railway company subject to the jurisdiction of the transit authority is a party, nor shall the secretary accept employment, directly or indirectly, from any street railway company which is subject to the jurisdiction and control of the transit authority. The secretary shall keep himself advised of all matters and questions pending before the transit authority, and shall furnish any information required when requested to do so by members of the transit authority. The duties of the secretary shall be fixed by the transit authority; provided, however, that any such secretary having acquired a civil service status with the City of Nashville shall keep and maintain such status, with all the rights, benefits and obligations incident thereto.

(g) Metropolitan transit authority shall hold public meetings once each month, at a place, and on a day, and at an hour to be determined by its members, with suitable prior public announcement or notice thereof. Upon request of the transit authority, the metropolitan mayor shall make available to the transit authority a meeting place in a metropolitan building at a convenient location, where such meetings may be held, and where any hearings conducted in connection with the exercise of its duties and fulfillment of its obligations by the transit authority likewise may be held and conducted. The transit authority shall hold such additional meetings as its business may require.

2. (a) The following terms, wherever used or referred to in this Act, shall have the following respective meanings unless a different meaning clearly appears from the context:

1. "Metropolitan transit authority" or "transit authority" or "authority" shall mean the municipal regulatory agency established under the terms and provisions of chapter 487, Private Acts of 1953, amending chapter 246, Private Acts of 1947, the same being the Charter of the City of Nashville, in compliance with chapter 58, Public Acts of 1953.

2. "Metropolitan council" shall mean the governing body of the metropolitan government as presently or at any time hereafter constituted.

3. "Metropolitan government" shall mean the Metropolitan Government of Nashville and Davidson County.

4. "Metropolitan treasurer" shall mean the treasurer of the metropolitan government, or the person holding the successor office in the metropolitan government charged with the supervision of and responsibility for the receipt, custody and disbursement of all funds belonging to the metropolitan government and all funds collected by city officials as agents or trustees.

5. "Public transportation facilities," "public transportation properties," or "public transit facilities" shall include all the real and personal property, buildings and improvements, street railway cars, self-propelled motor coaches, trolley coaches, mass transportation vehicles for the transportation of passengers, accessory vehicles, materials, tools, supplies, equipment, and other real and personal property necessary, useful and suitable in the operation of a public transit system.

6. "Garage facilities" shall include the buildings and improvements, and all other real property at any time leased, owned, acquired or erected for office, garage, maintenance, service, storage and terminal facilities, and necessary, useful and suitable for a public transit system.

7. "Transit facilities" shall include street railway cars, self-propelled motor coaches, trolley coaches and other mass transportation vehicles for the transportation of passengers, accessory vehicles, material, tools, supplies and equipment, and other personal property at any time leased, owned or acquired and necessary, useful and suitable in the operation of a public transit system.

8. "Public transit system" shall include public transportation facilities as herein defined, together with all contractual rights, franchises, certificates of convenience and necessity, operating permits, and operating rights over streets and highways.

9. "Bonds" shall mean any bonds, interim certificates, notes, debentures or other obligations of the transit authority issued pursuant to this Act.

10. "Bond resolution" shall mean any resolution authorizing, ratifying or affecting any bonds, interim certificates, notes, debentures, or other obligations of the transit authority issued pursuant to this Act.

11. "Mortgage" shall include all deeds of trust, mortgages or other instruments conveying real or personal property as security for bonds, and conferring right to foreclose and cause a sale thereof according to the terms of any such instrument.

12. "Trust indenture" shall include instruments pledging: (i.) revenues of real or personal properties, but not conveying such properties or conferring the right to foreclose and cause a sale thereof; (ii.) revenues from the operation of a public transit system or any part, parcel or piece thereof; and (iii.) revenues of the "authority" from any source which may be described in such instruments.

13. "Street railway companies" shall mean companies operating street railway cars, gasoline or electric or other self-propelled coaches for transportation of passengers within the jurisdictional limits of metropolitan transit authority, which is within the general services district of the metropolitan government.

14. "Public transit company" or "transit company" shall mean a company operating a public transit system within the jurisdictional limits of the transit authority, and the terms are synonymous with the words "street railway company" as above defined.

(b) The metropolitan transit authority is hereby vested with, and shall exercise the general supervision and regulation, jurisdiction and control over street railway companies, their property, property rights, facilities and franchises as were vested in the City of Nashville under section 5447.1, Supplement to the Code of Tennessee, 1950, and any amendatory Acts thereto, and as have been vested in the metropolitan government by the other terms and provisions of this Charter of the metropolitan government, or by any other Public Act or Private Act of the General Assembly of Tennessee. Metropolitan transit authority shall have the same powers with respect to street railway companies operating within the jurisdictional limits above defined, as heretofore granted to the City of Nashville, to the governing body thereof, to the metropolitan government, to the governing body thereof, or to the railroad and public utilities commission; provided, however, that nothing herein shall be construed to change the method of assessing the properties of street railway companies for ad valorem taxes by the railroad and public utilities commission, and such assessments and the method of taxation of said companies, shall remain as now provided by law; provided further that any property of the metropolitan government or of metropolitan transit authority leased to or used by a street railway company shall not be subject to assessment by the railroad and public utilities commission.

(c) The entire and complete supervision, regulation, jurisdiction and control over street railway companies operating within the metropolitan government area, shall be vested solely in and exercised solely by the transit authority. With reference to public transit systems, all power and authority heretofore delegated to or vested in the City of Nashville or the metropolitan government and all duties placed upon the metropolitan government, either by its Charter, or by Private Act or by general law, are hereby transferred to and vested in the transit authority. Neither the metropolitan mayor, the metropol-

itan council, nor any other officer or agency of the metropolitan government shall have or exercise any authority whatsoever over such street railway companies or over the transit authority, except as expressly provided in this article 64. Whenever any action of the metropolitan mayor and metropolitan council or thing affecting the ownership, operation, contracts, notes, stocks, debentures, financing, transfer, assignment, rental or sale of any street railway company, its property, property rights, franchises, permits or certificates, or any amendment thereto shall have been required heretofore by resolution or ordinance, same shall be acted upon and effective hereinafter by order of metropolitan transit authority; provided, however, that no franchise to operate a street railway company upon the streets of the metropolitan government area shall be granted except upon referendum, as set forth under other provisions of this Charter; and provided further, that nothing herein shall be construed as depriving the citizens of the metropolitan government area of the right to grant franchises by referendum through the procedure now established by law.

(d) The metropolitan attorney shall furnish legal advice, representation and services to the transit authority in connection with its work, and when requested to do so by said transit authority. Whenever in the judgment of the transit authority the public interest so requires, special counsel, auditors or transit experts shall be employed and paid such compensation for their services as the transit authority shall determine to be reasonable compensation for services rendered, the same to be paid, however, out of the funds available for defraying the expenses of the transit authority.

(e) Every street railway company, the supervision and regulation, jurisdiction and control over which is vested in the transit authority, shall pay an inspection fee to the transit authority, the same to be used by the transit authority in defraying its necessary expenses. The payment of such inspection fee shall be in lieu of any inspection fee heretofore levied, paid or payable, by such street railway company to the State of Tennessee, the railroad & public utilities commission, the metropolitan government, or for the benefit of the Metropolitan government. The annual inspection fee payable under this article 64 shall be at the rate fixed by order of metropolitan transit authority, not to exceed $2.50 per seat, per vehicle, used in the transportation of passengers by such street railway company. The annual inspection fee shall be paid in semiannual installments in the months of June and December of each year for the current year, beginning in June, 1953. All funds now in the public transportation fund of the City of Nashville are hereby transferred and set over to the account of metropolitan transit authority of the purpose of payment of expenses of such authority as herein provided.

3. (a) Members of the transit authority shall serve without compensation, but may have refunded to them the necessary and essential expenses incurred by them in carrying out their duties.

(b) In the exercise of its duties of supervision and regulation, jurisdiction and control over street railway companies, the transit authority is authorized to employ appropriate personnel, and to designate the duties and salaries of such personnel, and to incur any and all other necessary expenses incident to the exercise of the duties of the transit authority. The individuals employed by Nashville Transit Authority at the effective date of this Charter as secretary to Nashville Transit Authority and as bus inspectors for Nashville Transit Authority shall become employees of metropolitan transit authority and shall continue to perform the duties heretofore performed by them at their respective salaries until their duties and compensation are otherwise fixed and determined by metropolitan transit authority.

(c) The secretary of Nashville Transit Authority and the bus inspectors for Nashville Transit Authority under the preceding paragraph, presently having a civil service and retirement status as employees of the transit authority shall keep and maintain such civil service and retirement status and shall be entitled to all the rights, privileges, obligations and benefits thereof. Regular employees of metropolitan transit authority hereafter employed, either to replace such secretary or such bus inspectors or as additional employees shall be entitled to the same pension, retirement, disability and death benefits under the same conditions as other persons employed by metropolitan government after the effective date of this Charter; provided, however, that such future regular employees of metropolitan transit authority shall be excluded from the provisions of article 12 of this Charter, establishing the system of personnel administration.

4. (a) Metropolitan transit authority is authorized and empowered to make all reasonable rules and regulations appropriate to the exercise of its jurisdiction and powers and to its functioning as an effective administrative or regulatory agency. The rules and regulations of Nashville Transit Authority shall constitute the rules and regulations of metropolitan transit authority until the transit authority adopts and promulgates its rules and regulations.

(b) The transit authority may designate its secretary as an examiner, or any other person possessing the qualifications herein fixed for the secretary as an examiner, and by its rules and regulating may delegate to such an examiner the power to receive petitions and com-

plaints, to investigate the same, to conduct hearings, and to receive evidence orally, by deposition, or by stipulation, and to make findings and recommendations. All findings or recommendations of such examiner shall be subject to the right of any interested party to except thereto, and to be hear by the members of the transit authority upon the record, and upon such exceptions, any interested party so requesting in writing shall have the right to a hearing de novo before the transit authority. No recommendations of such examiner shall constitute final action until approved and adopted by order of the transit authority subsequent to the receipt of a report from said examiner.

(c) Upon any investigation or hearing involving the fixing of rates to be charged by a street railway company, metropolitan transit authority shall give full and due consideration to all factors pertinent thereto in arriving at fair and reasonable rates and to various methods of rate determination, including the theory of operating ratio after taxes, to the end that the company shall be permitted to have and to receive from efficient operation a fair and reasonable net profit or return.

(d) No final order shall be entered by the transit authority in any manner affecting any street railway company operating under its jurisdiction until after reasonable notice and full hearing, at which all interested parties shall be afforded the opportunity of being represented by counsel.

(e) Any interested party shall be given the opportunity to intervene, and to present evidence, and to be heard at any such hearing. Any party desiring to have a written record made may employ the services of a court reporter at the expense of that party. Any party desiring a transcript of such record shall pay the costs thereof at the record shall pay the costs thereof at the regular established rate for the transcription of stenographic records of proceedings in the circuit and chancery courts of Davidson County.

(f) The power to issue subpoenas for the personal appearance and testimony of witnesses, and subpoenas duces tecum for the production of documents in connection with the taking of evidence is vested in metropolitan transit authority, such subpoenas to be issued over the signature of the chairman or vice-chairman upon application to the secretary. Upon failure of any person to appear in response to such subpoenas, or to produce documents as therein required, metropolitan transit authority, through its secretary and chairman, or vice-chairman, may apply to any circuit or chancery court of Davidson County, Tennessee, by petition, for the enforcement of its subpoena. Upon order being entered by the court to which such application is made directing the appearance of the witness, or the production of the documents in response to the subpoena, the failure to comply with the order of the court shall be punishable by the court as in cases of contempt.

(g) Any final order of the metropolitan transit authority shall be subject to review under sections 27-9-101 to 27-9-114, inclusive, of the Code of Tennessee.

5. (a) For the purpose of securing, maintaining, and facilitating efficient and economical public transportation in the metropolitan government area within the regulatory jurisdiction of metropolitan transit authority, the authority shall have and exercise all of the powers heretofore conferred upon it and likewise shall have and exercise all of the powers conferred by this Act, except the power to issue bonds. With reference to the issuance of any bonds within the limitations hereinafter provided, the authority shall determine the necessity for the issuance of such bonds which shall be revenue bonds, shall evidence such determination by resolution, and upon the submission of any such resolution of the authority to the metropolitan council it shall be the duty of the metropolitan mayor of the metropolitan government and the metropolitan council to provide by resolution for the issuance of such revenue bonds as directed by the authority. Such resolution of the metropolitan council may be adopted at the same meeting at which it is introduced, as any other resolution of the council is adopted, and shall take effect immediately, and need not be published or posted.

(b) All properties, rights and things acquired by or for the authority under the provisions of this Act shall be acquired, held, owned, transferred and conveyed in the name of the metropolitan government. Such properties and rights are hereinafter sometimes referred to as property of the authority, owned by the authority or in which the authority has a transferrable interest. All agreements, contracts, transfers, and conveyances in connection therewith shall be made and executed by the authority in the name of the metropolitan government, and all such contracts, agreements, transfers and conveyances shall be signed by the chairman or vice-chairman of the authority and attested by the secretary or assistant secretary and shall need no further approval than that of the authority. Neither the metropolitan mayor, the metropolitan council nor any other officer, department, board or commission of the metropolitan government shall have or exercise any authority whatsoever over metropolitan transit authority other than, and except to the extent expressly provided herein.

6. (a) The authority, in addition to the regulatory powers heretofore vested in it, and subject to the provisions of the preceding paragraphs 5. (a) and (b), shall have and exercise the following powers and authority:

1. To make and execute contracts and other instruments necessary or convenient to the exercise of the powers of authority.

2. To make and from time to time amend and repeal by-laws, rules and regulations not inconsistent with this Act.

3. To own in the name of the metropolitan government and to operate a public transit system.

4. To acquire by gift, lease, purchase or otherwise and to own public transportation facilities in the name of the metropolitan government.

5. To own, acquire by gift, lease, purchase or otherwise in the name of the metropolitan government, and to replace, construct, reconstruct, improve, alter or repair garage facilities.

6. To own, acquire by gift, lease, purchase or otherwise in the name of the metropolitan government, and to replace, improve, alter, or repair transit facilities.

7. To lease, sell or convey to public transit companies for public transit purposes all or any part of the public transit system, public transit facilities, garage facilities, or transit facilities owned by the authority in the name of the metropolitan government, or in which the authority has a leasehold interest, equity or other possessory right which it may transfer or assign.

8. To enter into operating contracts and agreements with public transit companies for the use and operation of public transportation facilities, garage facilities, or transit facilities, owned by the authority in the name of the metropolitan government, by such companies in furnishing public transportation.

9. To lease, sell, transfer and convey, or otherwise dispose of public transportation properties, garage facilities, or transit facilities owned by the authority in the name of the metropolitan government, or any part, parcel, or piece thereof, when the same no longer is used or useful for public transportation purposes.

10. To insure and provide for the insurance of property or operations of the authority against such risks as the authority may deem advisable and to require parties, with whom the authority contracts, to do so.

11. To borrow money upon bonds, notes, debentures or other evidences of indebtedness issued as herein provided in the form of either long term or short term debt and to secure the same by pledges of revenues of the authority from any source in whole or in part, and by vendor's liens, mortgages, deeds of trust, chattel mortgages, conditional sales contracts, or equipment trust obligations, upon property held or to be held by the authority in the name of the metropolitan government, and in any other manner.

12. To pledge rentals received by virtue of any lease with any public transit company as security for the payment of bonds issued under this Act.

13. To contract with public transit companies operating within the metropolitan government area and under the jurisdiction of metropolitan transit authority, for the payment of a percentage of the gross receipts of such public transit companies in lieu of the payment of a percentage of the gross receipts to the metropolitan government provided for by general law.

14. To expressly pledge such percentage of gross receipts so contracted to be paid in lieu of the payment of the tax levied by general law, as security for the payment of any bonds issued under this Act and if not so pledged to use the same for the general purposes set out in the following paragraph, or to relieve public transit companies of such gross receipts payments.

15. To enter into an agreement with any public transit company operating under its jurisdiction, placing a limitation upon earnings of such company, providing for the deposit and holding of any amounts in excess of such limited earnings, establishing fare regulator funds in connection therewith, securing minimum earnings to any such public transit company, and providing for the use and disposition of excess amounts for reductions of transit fares collected by such public transit company, or for retirement of debt created under this Act upon any property owned by the authority in the name of the metropolitan government and used by such public transit company by contract with the authority.

16. To agree to limitations upon the right of the authority to dispose of any public transportation facilities, garage facilities, transit facilities, or any part, piece, or parcel thereof in connection with any loan.

17. To require investment of any funds held to the credit of the authority, in reserve, sinking funds, or any funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control.

18. To exercise the power of eminent domain in the name of the metropolitan government in order to acquire garage facilities, acting in accordance with the provisions of sections 29-16-101 et seq., of the Code of Tennessee, and any amendments thereto, or pursuant to any other applicable statutory provisions now in force or hereafter enacted for the exercise of the power of eminent domain.

19. To execute and deliver in the name of the metropolitan government leases, deeds, mortgages, deeds of trust, chattel mortgages, conditional sales agreements, or equipment trust notes or other instruments evidencing liens upon public transportation properties, garage facilities, transit facilities, or parts, pieces or parcels thereof, acquired by the authority and securing the payment of the purchase price, but not to pledge the credit of the metropolitan government.

20. To accept from others in connection with transfers or conveyances by the authority or contractual agreements between the authority and others, leases, bills of sale, deeds, mortgages, deeds of trust, chattel mortgages, conditional sales agreements, equipment trust notes, or other instruments evidencing liens upon property transferred by the authority and securing the purchase price thereof.

21. To receive from the metropolitan government or any agency thereof any funds paid by said metropolitan government or any agency thereof for the use of the transit authority in carrying out the purposes of the authority.

22. To do all things necessary and convenient to carry out the purposes of this Act.

(b) The maximum effective period for any contract or agreement between the authority and any public transit company hereafter entered into shall be thirty (30) years from and after the date of such agreement, or the expiration date of the franchise of such transit company, whichever period is lesser. In the case of a public transit company holding an indefinite or perpetual franchise, that is, with no limitation date fixed, the limitation of thirty (30) years shall be applicable. In the absence of any effective period fixed in any such agreement, the maximum period herein provided shall be applicable. From time to time any such agreement may be amended or altered by further agreement between the authority and such company. Any agreement heretofore entered into between the authority and any public transit company operating under its jurisdiction and in effect at the date of this enactment, which would have a valid and binding agreement under this Act, shall be valid and binding as though this Act had been in effect at the time such agreement was made; provided, that the limitation of years as herein fixed shall not become operative as to agreements heretofore made except upon agreement between the authority and any such public transit company.

(c) The provisions of any agreement or contract entered into between the authority and a public transit company as herein provided, or any amendment thereof, and the provisions of any lease, sale, or operating agreement negotiated or entered into as herein authorized, shall not be considered as a purchase by the metropolitan government of a public utility or the sale, lease or disposal of a public utility belonging to the metropolitan government, under the provisions of article 13, subparagraph 36 of this Charter, nor shall the provisions of any such contract, lease, sale, or operating agreement be considered as a public utility franchise or as a renewal, extension or amendment thereof; nor shall the same be considered as an acquisition by condemnation, or otherwise, of property of a public utility. No ordinance nor resolution of the metropolitan council, and no referendum shall be required under the provisions of this Charter or under the provisions of the laws of the State of Tennessee to make any such contract, lease, sale or operating agreement valid, effective and binding, but the same shall be valid, effective and binding upon agreement between the authority and the public transit company without further approval.

(d) The metropolitan government in no wise shall be responsible for the performance of any agreement by the authority or for the payment of any amounts agreed to be paid by the authority in the exercise of any of the powers herein given the authority. Persons, firms or corporations contracting with the authority in the name of the metropolitan government shall be deemed to have acted with full knowledge of this and all other terms of this Act.

(e) Funds, fees, charges, rentals and revenues received by the authority shall be paid to and received by the metropolitan treasurer of the metropolitan government and kept by him to the credit of the authority in separate accounts, wherever separate accounts are required. Funds which are pledged to secure the payment of any obligation, indebtedness, or evidence of indebtedness of the authority, will not be commingled with any other fund of the authority, except by agreement with the holders of such obligations or evidences of indebtedness. The authority and/or the metropolitan government in any mortgages, trust indentures, or agreements with bondholders may provide that certain funds or revenues or payments from specific sources shall be kept in separate accounts and any such agreement shall be complied with by the metropolitan treasurer in keeping the accounts of metropolitan transit authority. No withdrawals from any account or accounts and no payments from such funds shall be made except upon order of the authority. The authority from time to time through its chairman or secretary shall order payments made from such account or accounts and payments shall be made upon such orders in writing signed by the chairman or by the secretary, so long as there is a balance to the credit of said account or accounts.

(f) The metropolitan treasurer shall keep accurate records and books dealing with the separate accounts of metropolitan transit authority and shall make a report to the metropolitan mayor of the metropolitan government and to the chairman of the authority on or before the first day of July each year showing in detail the amounts received and from what sources, and the expenditures made and how expended. Such books and records shall be open to inspection and examination by accountants or auditors of the metropolitan government as all books and records of the metropolitan treasurer are inspected. The

secretary of metropolitan transit authority shall likewise keep accurate records and books showing all orders upon the metropolitan treasurer for expenditures of funds from accounts of the authority, to whom such funds are payable, and the purposes for which expenditures are made. The books and records of the secretary of the authority likewise shall be open to inspection and examination by the accountants or auditors of the metropolitan government.

(g) Metropolitan transit authority shall have no power or authority to levy or collect any special tax, fee or charge upon a public transit company operating under its jurisdiction, except such taxes, fees or charges as are now in effect and are payable to the authority and as provided in this Charter, provided, however, that the authority and any public transit company operating under its jurisdiction may enter into any agreement, the making of which is authorized under this Act.

(h) In any lease agreement entered into between the authority and a public transit company there may be included in addition to the usual and necessary provisions of an agreement of such nature the following special requirements:

(1) The lessee shall confine its transit operations to the geographical area within the regulatory jurisdiction of the authority. The same ownership in the form of a holding company, or other business form or entity may own and operate a transit system in the metropolitan government area, along with other transit systems, but the operations of the lessee under the jurisdiction of the authority shall be an entirely separate business entity. All necessary consents shall be given by the authority to the transfer of transit franchises and properties to new companies or corporations, if such transfer becomes desirable, necessary or proper to meet this requirement. The authority by resolution may waive the requirements of this paragraph with reference to the geographical limitations upon operations and the separability of a lessee transit company as a business entity.

(2) The authority, as a condition of the lease agreement, may require the lessee to pay rentals in advance not to exceed a sum equal to the rental for one period of twelve months. The payment of this amount, however, shall not excuse the lessee from paying current rentals, but the advance rental deposit shall be applied to the payment of the rentals for the period covered during the last months of the lease.

(3) The lessee may be required to agree to repair and maintain the leased premises at lessee's expense and to cause to be issued policies of insurance with fire and extended coverage protection for the authority and/or the metropolitan government in an amount equal to the insurable value of such facilities, or such lesser amount as shall be agreeable to the authority, the expense of such repairs, maintenance and insurance to constitute a part of the operating expenses of the lessee.

7. (a) Where public transit companies operate under the jurisdiction and regulation of the authority, the authority shall adjust transit fares for such companies, as, if and when required, to the end that at all times the revenues of such companies from their operations under the regulation and jurisdiction of the authority shall be adequate to meet all reasonable operating expenses, including any moneys payable to the authority, depreciation, and taxes, including federal income tax; to provide sufficient revenues to meet any commitments under any contract entered into between the authority and such public transit company for the payment of moneys; to provide sufficient revenues for the payment of funds required to meet the obligations of any bonds and interest thereon issued or incurred under this Act in providing garage facilities or transit facilities which may be used by any such public transit company; and to permit such public transit company, after meeting all the foregoing requirements or any additional requirements hereafter fixed upon its revenues, to receive from efficient operation a fair and reasonable net profit. If there shall be a delay in any fare adjustment by the authority, then such adjustment when made shall also take into consideration the extent to which the public transit company affected has failed to receive a fair and reasonable profit during any preceding period, provided that no period of time preceding the date of this enactment shall be included in any such preceding period. The soundness and security of the investment of any bonds issued under this Act, the efficiency and adequacy of the public service rendered by the public transit company, and the continued solvency and reasonably profitable operation of the public transit company, shall be assured and confirmed.

(b) In fixing rates of fare, and determining proper return therefrom to public transit companies, the authority may establish the fair and reasonable operating ratio for public transit companies, that is, the fair and reasonable relationship between the expenses (including all operating expenses, moneys payable to the authority, depreciation and taxes including federal income tax) and gross revenues. Standards of proper, efficient and adequate service likewise shall be established, and managerial duty to maintain, and managerial discretion in maintaining the same by public transit companies shall be recognized and assumed.

(c) The authority shall not use or exercise its power to engage in the operation of a public transit system so as to engage in competitive operation with any public transit company which is operating a public transit system under the jurisdiction and regulation of the authority. The

authority by and with the consent of any public transit company operating within the jurisdictional limits of the authority may acquire, own and operate the public transportation properties of any such public transit company. The authority may use and dispose of such properties within the powers granted to authority under this Act. Nothing herein contained, however, shall be construed to restrict or limit in any manner the exercise of the regulatory jurisdiction of the authority so as to require any public transit company operating within its jurisdictional limits to furnish safe, adequate and proper service, nor shall the provisions of this paragraph restrict or limit the right of the metropolitan government to institute proceedings to forfeit franchises for misuser or nonuser thereof in proper cases.

(d) If the authority shall become the operator of a public transit system it shall manage and operate such system in an efficient manner so as to enable it to fix rates of fare for passengers upon such transit system at reasonable rates consistent with providing safe, adequate and proper service, and the authority shall not operate any such public transit system for a profit or as a source of revenue to the metropolitan government. To this end if the authority shall own and operate a public transit system it shall fix rates of fare at no higher rates than shall be found to be necessary in order to produce revenues which (together with all other available moneys, revenues, income and receipts of the authority from whatever source derived) will be sufficient to pay as the same become due the principal and interest on the bonds issued under this Act; to meet the cost of and provide for maintaining and operating the public transit system, depreciation on the public transportation properties, and the administrative expenses of the authority; and to create adequate and proper reserves to meet principal and interest payments on such bonds.

8. (a) Revenue bonds may be issued under this Act to provide for the construction, acquisition, repair, improvement, replacement, or extension of public transportation facilities, garage facilities, or transit facilities, or for the refunding of any bonds theretofore issued for such purpose. Such bonds may be secured by pledge of the income or revenues of the authority from any source whatsoever but the resolution adopted by the authority and the resolution of the metropolitan council shall describe the source or sources of revenue which are pledged to secure any particular bond issue. Any such bonds may be secured additionally by vendor's lien, mortgage, deed of trust, or chattel mortgage. No person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof.

(b) Bonds issued under the authority of this Act shall be payable out of revenues of funds of the authority. The bonds shall not constitute an indebtedness of the metropolitan government within the meaning of any constitutional, statutory or charter limitation or restriction. Bonds may be issued under this Act notwithstanding any debt limitation prescribed by any statute or the terms of the Charter of the metropolitan government. Nothing herein contained, however, shall prevent or interfere in any manner with the issuance of general obligation or revenue bonds of the metropolitan government under other authorization, for the purpose of making funds available to metropolitan transit authority in furtherance of the general purposes of this Act.

The bonds herein provided for shall be issued in one or more series and shall bear such dates or mature at such dates or times, not exceeding thirty (30) years from their respective issue dates, bear interest at such rate or rates, not exceeding interest at six (6%) per annum, payable semiannually, be in such denomination (which may be interchangeable), be in such form, either coupon or registered, carry such registration privilege, be executed in such manner, be payable in such medium of payment at such place or places, and be subject to such terms of redemption (with or without premium) as the bond resolution or the trust indenture or mortgage may provide.

(c) After the sale of any revenue bonds pursuant to this article, the metropolitan government shall have power to authorize the execution and issuance to the purchasers, pending the preparation of the definitive bonds, of interim certificates therefor or of temporary bonds or other temporary instruments exchangeable for the definitive bonds when prepared, executed and ready for delivery. The holders of such interim certificates, temporary bonds or other temporary instruments shall have all rights and remedies which they would have as holders of the definitive bonds.

9. The metropolitan government shall cause to be published in a newspaper published in the metropolitan government area a notice stating the date of adoption of such bond resolution, the amount and maturities of the bonds authorized to be issued, and also stating that any action or proceeding of any kind or nature in any court questioning the validity of the creation and establishment of the transit authority, or the validity or proper authorization of bonds provided for by the bond resolution, or the validity of any covenants, agreements or contracts, provided for by the bond resolution shall be commenced within twenty (20) days after the first publication of such notice. If no such action or proceedings shall be commenced or instituted within twenty (20) days after the first publication of such notice, then all residents and taxpayers and owners of property in the metropolitan government area and all other persons whatsoever shall be forever barred and foreclosed from instituting or

commencing any action or proceeding in any court, or from pleading any defense to any action or proceeding, questioning the validity of the creation and establishment of the transit authority, the validity or proper authorization of such bonds, or the validity of any such covenants, agreements and contracts, and said bonds, covenants, agreements and contracts shall be conclusively deemed to be valid and binding obligations in accordance with their terms and tenor.

10. Any provision of any law to the contrary notwithstanding, any bond or other obligations issued pursuant to this article shall be fully negotiable within the meaning and for all purposes of the law merchant and negotiable instruments law of the State of Tennessee, and each holder or owner of such a bond or other obligation, or of any coupon appurtenant thereto, by accepting such bond or coupon shall be conclusively deemed to have agreed that such bond, obligation or coupon is and shall be fully negotiable within the meaning and for all purposes of said law merchant and negotiable instruments law of the State of Tennessee.

11. Any bond resolution providing for or authorizing the issuance of any bond may contain provisions, and the metropolitan government and/or transit authority, in order to secure the payments of such bonds and in addition to other powers, shall have power by provision in the bond resolution to covenant and agree with the several holders of such bonds as to:

(a) The custody, security, use, expenditures or application of the proceeds of the bonds.

(b) The acquisition, construction, and completion or replacement of all or any part of the public transit facilities.

(c) The use, regulation, operation, maintenance, issuance or disposition of all or any part of the public transit facilities, or restrictions on the exercises of the powers of the metropolitan transit authority to dispose, or to limit or regulate the use, of all or any part of said facilities.

(d) Payment of the principal of or interest on the bonds, or any other obligations, and the sources and methods thereof, the rank or priority of any such bonds or obligations as to any lien or security or the acceleration of the maturity of any such bonds or obligations.

(e) The use, and disposition of any moneys of the metropolitan transit authority, including revenues or rental derived or to be derived from the operation of said public transit facilities.

(f) Pledging, setting aside, depositing, or trusteeing all or any part of: (i.), the percentage of the gross receipts of any public transit company paid to the authority in lieu of the payment of the percentage of the gross receipts provided for under general law; (ii.), the rentals received by the authority; and (iii.), other revenues or moneys of the authority, to secure the payment of the principal of or interest on bonds issued under this Act, or the payment of expenses of operation or maintenance of the public transit facilities, and defining and describing the powers and duties of any trustee with regard thereto.

(g) Setting aside out of the percentage of the gross receipts paid in lieu of the percentage of the gross receipts provided under general law, rentals and other revenues and moneys of the authority as reserves and sinking funds, and designating the source, custody, security, regulation, application and disposition thereof.

(h) Limitations on the issuance of additional bonds or any other obligations or on the incurrence of indebtedness for the purposes provided in this article.

(i) Vesting in a trustee or trustees such property rights, powers and duties in trust, as may be deemed necessary or desirable.

(j) Payment of costs or expenses incident to the enforcement of the bonds or of the provisions of the bond resolution or of any covenant or contract with the holders of the bonds.

(k) The procedure, if any, by which the terms of any covenant of contract with, or duty to, the holders of bonds may be amended or abrogated, the amount of bonds the holders of which must consent thereto, and the manner in which such consent may be given or evidenced.

(l) Any other manner or course of conduct which, by recital in the bond resolution, is declared to further secure the payment of the principal of or interest on the bonds.

12. All such provisions of the bond resolution and all such covenants and agreements shall constitute valid and legally binding contracts between the metropolitan government and the transit authority and the several holders of the bonds regardless of the time of issuance of such bonds, and shall be enforceable by any such holder or holders by mandamus or other appropriate action, suit or proceeding at law or in equity in any court of competent jurisdiction.

13. (a) In the event that there shall be a default in the payment of principal or of interest on any bonds after the same shall become due, whether at maturity or upon call for redemption, and such default shall continue for a period of thirty (30) days, or in the event that the metropolitan government or the transit authority shall fail or refuse to comply with the provisions of this Act or shall fail or refuse to carry out and perform the terms of any contract with the holders of any such bonds, and such failure or refusal shall continue for a period of thirty (30) days after written notice to the metropolitan government or the transit authority of its existence and nature, the holders of twenty-five (25%) per centum in aggregate

principal amount of the bonds then outstanding by instruments filed in the office of the metropolitan clerk and proved or acknowledged in the same manner as a deed to be recorded, may appoint a trustee to represent the holders of the bonds of such series for the purposes provided in this section, and to have the power provided in this section.

(b) Such trustee may and upon written request of the holders of twenty-five (25%) per centum in aggregate principal amount of the bonds of such series then outstanding shall in his or its own name:

(1) By mandamus, certiorari or other action, suit, writ or proceeding at law or in equity, enforce all rights of the holders of such bonds, including the right to require the transit authority to charge and collect rental adequate to carry out any contract as to, or pledge of, revenue, and to require the metropolitan government or the transit authority to carry out and perform the terms of any contract with holders of such bonds or its duties under this Act.

(2) Bring action or suit upon all or any part of such bonds or interest coupons or claims appurtenant thereto.

(3) By action or suit in equity require the metropolitan government or the transit authority to account as if it were the trustee of an express trust for the holders of such bonds.

(4) By action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the holders of such bonds.

(5) Declare all such bonds due and payable whether or not in advance of maturity, upon thirty (30) days' prior notice in writing to the metropolitan government or the transit authority, and if all defaults shall be made good, then with the consent of the holders of twenty-five (25%) per centum of the principal amount of such bonds then outstanding, annul such declaration and its consequences.

(c) Such trustee shall, in addition to the foregoing, have and possess all of the powers necessary or appropriate for the exercise of the functions specifically set forth herein or incident to the general representation of the holders of bonds of such series in the enforcement and protection of their rights.

(d) In any suit, action or proceeding by such trustee, the fees, counsel fees and expenses of the trustee and of the receiver, if any, appointed pursuant to this Act, shall constitute taxable costs and disbursements, and all costs and disbursements, allowed by the court, shall be a first charge upon any rental and revenues of the transit authority pledge for the payment or security of such bonds.

(e) Such trustee, upon such default referred to in this section, whether or not all of the bonds of such series shall have been declared due and payable, shall be entitled as of right to the appointment of a receiver of the transit authority's public transit facilities, and such receiver may enter upon and take possession of said facilities and, subject to any pledge or contract with the holders of such bonds, shall take possession of all moneys and all property derived from or applicable to the acquisition, construction, operation, maintenance or reconstruction of said facilities and proceed to operate the same or collect rental therefor.

14. (a) The public transit facilities and other property of metropolitan transit authority are hereby declared to be public property or a political subdivision of the state devoted to an essential public and governmental function and purpose and shall be exempt from all taxation by the state or any subdivision thereof, T.C.A. § 67-5-203 et seq. All bonds issued pursuant to this article are hereby declared to be issued by a political subdivision of this state and for an essential public and governmental purpose, and such bonds, and the interest thereon and the income therefrom and all service charges, funds, revenues and other moneys pledged or available to pay or secure the payment of such bonds, or interest thereon, shall at all times be exempt from taxations by the state or any subdivision thereof, except for transfer, inheritance and estate taxes.

(b) Bonds issued pursuant to this article shall be legal investments for banks, trustees and other fiduciaries in Tennessee and shall be eligible as security for the deposit of public funds.

15. The State of Tennessee does hereby pledge, covenant and agree with the holders of any bonds issued pursuant to this Act that the State, until such bonds together with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged, will not:

(i.) Limit or alter the rights hereby vested in the authority to acquire, construct, maintain, reconstruct, replace, operate, lease, mortgage, transfer and convey public transportation properties, garage facilities and transit facilities.

(ii.) Limit or alter the rights hereby vested in the authority to fix, establish, charge and collect fares, rentals, revenues and moneys from the sources herein provided.

(iii.) Limit or alter the right hereby vested in the authority to contract with public transit companies for the payment of a percentage of gross receipts in lieu of the gross receipts tax levied under Item T, section 1248.3, Supplement to the Code of Tennessee [Repealed]*, and to pledge the same as security for payment of the bonds issued under this Act, any such pledge having once been made, not to be subject to impairment or change.

(iv.) Limit or alter the right of the authority to fulfill the terms of any agreement made with the holders of bonds issued under this Act.

(v.) Impair the rights and remedies of the holders of the bonds issued under this Act.

(vi.) Modify in any way the exemptions from taxation provided for in this Act.

*** Editor's note—**Repealed by Acts, 1955, ch. 255, § 1.

16. The powers conferred by this Act authorizing the acquisition, construction and operation of public transportation properties, garage facilities and transit facilities, the lease, mortgage, sale or disposition thereof, and the issuance of bonds, shall be in addition to and supplemental to any powers conferred by any other general, special or local law and the provisions of this Act shall be complete authority for the acquisition, construction, operation, lease, mortgage, sale or disposition of public transportation facilities, garage facilities, and transit facilities, and the issuance of revenue bonds without regard to or compliance with the requirements, restrictions, limitations or provisions contained in any other general, special or local law.

17. Wherever in this Act an act is required to be done or may be done by a chairman, vice-chairman, secretary or assistant secretary of metropolitan transit authority, such act effectively may be done by the person filling such position at that time. Whenever an act is required to be done by a chairman, in his absence upon resolution of the authority recognizing such absence, such act may be done by a secretary, in his absence upon resolution of the authority recognizing such absence, such act may be done by a duly designated assistant secretary.

Article I. Farmers' Market

Editor's note—This article consists of chapter 400, Private Acts, 1949, as amended. The powers granted by this Act to the Farmers' Market Board are continued by section 11.702 of the Metropolitan Charter. The provisions of this Act should be read as applicable to the Metropolitan Government of Nashville and Davidson County, rather than to Davidson County. Amendments are indicated by a historical citation following each amended section. The portions of this Act relating to the issuance of bonds are applicable to any bonds issued prior to the creation of the metropolitan government and still outstanding. Any future bonds are subject to the provisions of the Metropolitan Charter. This Act is set forth herein for the principal purpose of showing the powers and duties vested in the Farmers' Market Board.

Sec. 1. Bonds—Authority to issue; limitation on amount; term; manner of sale; use of proceeds.

Davidson County, State of Tennessee, be and is hereby authorized to borrow money and issue its bonds therefor in the aggregate amount of one million dollars ($1,000,000.00), bearing interest at not more than three per centum per annum, payable semiannually, both bonds and interest to be payable at such place or places in Nashville, Tennessee, or elsewhere, as may be designated by resolution of the Quarterly County Court of Davidson

County, Tennessee, for the purpose of establishing a public market or marketing facilities for use by farmers, transient produce dealers and licensed produce dealers as herein defined for the sale and distribution of fresh fruits and vegetables and other agricultural products and paying the expenses in connection with the issuance and sale of said bonds.

Said bonds shall mature in such annual installments not more than twenty-five years from their date, and shall be in such form and amount, registered or coupon, and shall be sold in such manner and for such prices as the quarterly county court of said county may determine, but in no event shall the bonds be sold for less than par, nor shall they be sold until the issue be first advertised at least once in some newspaper of general circulation in the City of Nashville, Tennessee, and once in some financial journal in New York City, said advertisement be published at least fourteen days before the sale of said bonds. The proceeds from the sale of said bonds shall be paid to the trustee of said county to the credit of a fund to be designated as the "Davidson County Farmers' Market and Building Fund," and shall be used exclusively for the purposes above recited. (Pr. Acts 1959, ch. 3.05, § 2.)

Sec. 2. Same—Approval by resolution and by voters.

Said bonds shall not issue until and unless authorized by resolution of the county court and the proposition of the issuance of such bends shall have been approved by a majority of the qualified voters of Davidson County voting on that proposition at an election called for that purpose. At any election called for this purpose those voters desiring the issuance of said bonds shall vote in said election: "For Farmers' Market Building Bonds," and those opposing the issuance of said bonds shall vote "Against Farmers' Market Building Bonds."

Such election or elections shall be held in conformity with the laws controlling elections in said Davidson County. Should a majority of the qualified voters upon said proposition in such election or elections vote "For Farmers' Market Building Bonds," then said bonds shall be issued as herein provided in this Act. Should a majority of such voters vote "Against Farmers' Market Building Bonds," then such bonds shall not be issued unless and until they shall have been presented by the quarterly county court and approved by a majority of the legal voters as herein provided.

Sec. 3. Same—Payment of principal and interest prior to first tax levy; special tax levy for payment of principal and interest.

The principal and interest of any such bonds falling due before the proceeds of the first tax levy becomes available shall be paid from the ordinary or general funds of the county, and in each year during the life of said bonds the said Quarterly County Court of Davidson County is required mandatorily to include in the annual tax levy over and above all other taxes authorized by law a special tax levy of sufficient size on all property in Davidson County to meet the principal and interest thereof falling due in the ensuing year, and a sum sufficient to reimburse the ordinary or general fund for the payment of any such interest or principal.

Sec. 4. Same—Registration.

Said quarterly county court my in its discretion provide that the owner or holder of any such bond may register the same both as to principal and interest, or as to principal alone, in his name on the books of the county in the office of the county court clerk, or in any bank or trust company in the City of New York that may be designated for such purpose, under such regulations as said quarterly court may provide.

Sec. 5. Same—Name.

Said bond issue shall be called the "Farmers' Market Building Bonds."

Sec. 6. Same—Fees, etc., for handling not to be paid to county offices.

No fees, commissions, or charges shall be made or paid to any officer of Davidson County for receiving, disbursing or handling said bonds, or the proceeds thereof.

Sec. 7. Same—Administration and expenditure of proceeds.

The proceeds of said bonds placed to the credit of the trustee of Davidson County shall be administered and expended by the Davidson County Farmers' Market Commission for the purposes herein provided.

Sec. 8. Commission—Created; membership; appointment, term, qualifications and compensation of members; quorum; officers; vacancies; rules and regulations; limitations on use of space in markets; authority of general manager.[2]

There is hereby created the "Davidson County Farmers' Market Commission." The county judge of Davidson County shall be an ex officio member of said commission. The first commission shall be composed of five qualified and competent persons, to-wit: J. D. Peay, Henry Neuhoff, W. A. Strasser, Jack Hitt, and C. R.

Bramwell, who shall serve until the next meeting of the quarterly county court, at which time there shall be elected one commissioner for a term of one year, one commissioner for a term of two years, one commissioner for a term of three years, one commissioner for a term of four years, and one commissioner for a term of five years. As the respective terms of office of said commissioners expire, there shall be elected annually one commissioner for a term of five years.

The membership of said commission is hereby increased from five (5) members to seven (7) members. Not less than two (2) members of said commission shall be licensed wholesale fresh fruit and vegetable distributors, or shall be officers of a corporation which is so licensed. The two (2) additional members of said commission shall be elected by the Quarterly County Court of Davidson County at its July term, 1959, and shall serve for the same term as the other members of said commission.

The members of said commission shall possess the following qualifications: they shall be citizens of the United States of America, citizens of Davidson County, Tennessee, and shall be at least thirty years of age, and shall have been freeholders and taxpayers of Davidson County for at least three years.

Three commissioners shall constitute a quorum for the transaction of business; provided, however, no action shall be taken by the commission except by the concurrence of a majority of the entire commission.

The commissioners shall receive as compensation a per diem of five dollars ($5.00) per day for each meeting of the Commission, but shall be paid for not more than twelve meetings in any one year.

The commission, upon its election, shall organize by the election of a chairman, vice chairman, and a secretary from among the members of the commission by a majority vote of all the members thereof, and a new chairman and new vice chairman, and a new secretary, shall thereafter be elected in like manner by the commission each year.

All minutes of the commission shall be recorded in a well-bound book, and shall be open for inspection.

All vacancies in the commission shall be filled by the county court for the unexpired term.

The commission shall have authority to adopt rules and regulations for its government and for the management and operation of the Davidson County Public Market or marketing facilities not inconsistent with the provisions of this Act.

Said rules and regulations, upon adoption by the commission, shall be submitted to the county attorney of Davidson County for approval, as to form and legality and, upon this approval, a copy of said rules and regulations shall be filed with the county clerk of Davidson County and a copy shall be kept in a well-bound book at the office of the commission and copies shall be posted on the market premises in at least three prominent places. The commission shall have authority to revise such rules and regulations at any time and these revisions shall be approved, filed and posted in the prescribed manner.

The commissioners shall be ineligible for appointment as manager, or to hold any other position created by the commission.

No person, firm or corporation shall be permitted to use or occupy any space or facility under the jurisdiction of said commission except: (1) farmers as herein defined, (2) transient produce dealers as herein defined and (3) licensed produce dealers as herein defined.

The word "farmer," as used in this Act, is defined to be an individual or individuals who are primarily engaged in producing products of the soil, dairy farming, the production of poultry or live stock and the principal part of whose income is derived from any one or more of the foregoing operations. The burden of establishing that he is a bona fide farmer within the foregoing definition shall be upon the person seeking to use such marketing facilities as a farmer. The general manager shall have authority to determine whether or not any applicant is a bona fide farmer, subject to review by the commission.

The term "transient produce dealer," as used in this Act, shall mean every person or persons who engages in the sale or distribution of or who exposes or offers for sale, distributes or otherwise deals in any fresh fruit, vegetable or produce as a temporary business and who holds a license issued by the county court clerk of Davidson County under item 65 (b) of section 67-4203 of Tennessee Code Annotated [Repealed]* and a license as a transient and temporary merchant issued by the City of Nashville.

* **Editor's note—**The relevant Code sections are now found at T.C.A. 67-4-101 et seq.

The term "licensed produce dealer," as used in this Act, is defined to be an individual, firm or corporation duly licensed to buy, sell, store, handle or transport agricultural products in this state and who holds a license issued by the county court clerk of Davidson County, Tennessee, under item 84 or item 112 of section 67-4203 of Tennessee Code Annotated [Repealed]*, or under both of said items, if applicable, and who holds a license as a produce dealer issued by the City of Nashville, Tennessee; and who regularly pays state, county and city merchants ad valorem taxes.

* **Editor's note—**The relevant Code sections are now found at T.C.A. 67-4-101 et seq.

The said general manager shall have full authority to exercise control over the type, weight and measure, designation, labeling and quality grade of commodities brought on the market consistent with the standards of the United States Department of Agriculture, the State Department of Agriculture, the State Department of Public Health, the Davidson County Department of Public Health, and the rules of the commission. This authority of the general manager shall include the right to condemn and dispose of substandard commodities, without personal liability to him or the commission and without liability to Davidson County, Tennessee.

The commission shall be authorized and empowered to construct, expand, remodel and extend marketing facilities.

The term, "marketing facilities," as used in this Act, shall include marketing space for farmers; wholesale stores for fruit, vegetable, poultry, egg, dry grocery, and meat dealers; service stations, barber shops, restaurants, banks and space for telephone and telegraph service; and other like business enterprises deemed essential to the operation of the market by the Davidson County Farmers' Market Commission.

The quarterly county court shall be authorized to borrow money in anticipation of the revenues from the market for the purpose of constructing, expanding, remodeling and extending such market facilities.

The commission shall be authorized to execute leases of unimproved real estate under its jurisdiction to licensed produce dealers for the purpose of constructing facilities. No such lease shall be executed for a period of time less than five (5) years. Such leases may be pledged as security for loans for the construction, renovation, improvement and extension of buildings or for improvements or equipment, with the approval of the finance committee of the Quarterly County Court of Davidson County, Tennessee. (Pr. Acts 1959, ch. 305, § 3.)

2. **Editors' note—**Appointment, term of office and filling of vacancies for the Farmers' Market Board is now controlled by section 11.701 of the Metropolitan Charter.

Sec. 9. Same—Sale of bonds prerequisite to action by commission.

The "Davidson County Farmers' Market Commission" shall not have authority to incur any obligation, nor shall they receive any compensation for services rendered unless and until the bonds authorized to be issued under authority of this Act have, by resolution of the county court, been issued and submitted to a vote of the people on a referendum election called for that purpose and have been approved by the people.

Sec. 10. Same—Exclusive control of farmers' market and other marketing facilities.

The commission created by this Act shall have the sole and exclusive control of the operation and management of the farmers' market authorized herein and other marketing facilities in Davidson County and over the acquisition, construction and establishment of such farmers' market or other marketing facilities. (Pr. Acts 1959, ch. 305, § 4.)

Sec. 11. Same—Employment and powers of general manager.

The commission may employ a building manager who shall supervise the construction of the farmers' market and other marketing facilities. Upon the completion of the construction of such farmers' market and other marketing facilities, the commission is authorized to employ a general manager who shall be in charge of the management and operation of such farmers' market and marketing facilities when constructed and established under the direction and supervision of the commission as may be provided from time to time by rules and regulations.

Said general manager shall be chargeable with the enforcement and execution of all rules and regulations, programs, plans and decisions made or adopted by the commission. He shall make and keep full and complete books and records which shall at all times adequately reflect the affairs of the commission, which books shall at all times be subject to the supervision, direction and control of the commission.

Sec. 12. Same—Regulation of rental charges.

The commission shall have full power to regulate charges to be made for rental space on the market and shall prescribe the rules and regulations in connection therewith, and it shall be the duty of the general manager to carry out the policies of the commission with respect to such rentals and rental charges, including the power to negotiate contracts and licenses for the construction of marketing facilities and the occupation of space, from time to time with all tenants of the commission. (Pr. Acts 1959, ch. 305, § 5.)

Sec. 13. Police jurisdiction over market; penalties for violations of Act, regulations, etc.

The confines of said market are hereby specifically. declared to be within the police jurisdiction of the City of Nashville as well as within the jurisdiction of the sheriff of Davidson County. It shall be the duty of the police

department of the City of Nashville and the sheriff of Davidson County and his deputies to enforce the provisions of this Act and to enforce the law and preserve the peace on said premises. Any violation of this Act, including the occupation or use of space on said market without the payment of the prescribed rental or license fee, is hereby declared to be a misdemeanor, punishable by a fine of not less than fifty dollars ($50.00) nor more than five hundred dollars ($500.00) or by imprisonment not to exceed ninety (90) days, or both, such fine and imprisonment within the discretion of the court. (Pr. Acts 1959, ch. 305, § 6.)

Sec. 14. Power of eminent domain.

Said commission is expressly authorized to exercise the power of eminent domain on behalf and in the name of Davidson County within the boundaries of said county, in order to acquire any property, real or personal, necessary or useful in exercising the power and authority conferred by this Act. The title to all property taken for the propose of exercising the powers conferred by this Act, whether acquired by contact or by the exercise of the power of eminent domain, shall be taken in the name of Davidson County, Tennessee, and such condemnation proceedings as may be deemed necessary or proper shall be pursuant to and in accordance with the provisions of section 29-16-101 to 29-16-124 and 29-17-401 to 29-17-404, inclusive, of the Code of Tennessee. Provided, however, that in no event shall said farmers' market commission have authority beyond the amount of the funds made available to it by the issuance and sale of the bonds authorized by the provisions of this Act; with the exception that, for the purpose of constructing, expanding, remodeling and extending such marketing facilities, the Davidson County Quarterly Court is specifically authorized to borrow money at a rate not to exceed six percent (6%) per annum in anticipation of the revenues from the market, and leases may be used as collateral for such loans as hereinabove provided. (Pr. Acts 1959, ch. 35, § 7.)

Sec. 15. Acquisition of land, buildings, etc., generally; acceptance of state and federal aid.

The County of Davidson is hereby authorized to acquire by purchase, gift, condemnation, or otherwise, and to construct, maintain, operate and use such buildings, works, lands, property and conveyance as in the judgment of the commission will provide an efficient and satisfactory farmers' market and/or marketing facilities for the inhabitants of Davidson County.

The commission is authorized to accept federal and state aid.

Sec. 16. Fees, rents, etc., for facilities.

The commission is hereby authorized to charge and collect rents, rates, fees or other charges for its services and facilities.

Such rents, rates, fees and charges being in the nature of use or service charges, shall, as nearly as the commission shall deem practicable and equitable, be uniform for the same type, class and amount of use or service of the facilities of the commission.

The commission shall prescribe and from time to time, when necessary, revise a schedule of such service charges or rentals, a copy of which shall at all times be kept on file and open to public inspection at the office of the secretary of the commission and at the office of the county court clerk of Davidson County.

Sec. 17. Employment of personnel.

The commission, in addition to its authority for the employment of a general manager for the management and operation of such marketing service, shall have the authority to employ such other necessary personnel in the operation of said marketing facilities, with the right to establish the pay scale for such employees; provided, however, that they shall confine themselves within the annual operating revenue of said marketing facilities, and provided, further, that the employees of the Davidson County Farmers' Marketing Commission shall not be subject to the provisions of the Davidson County Civil Service Act, nor of the Davidson County Pension Plan.

Sec. 18. Collection and disposition of fees, rents, etc.; method of making expenditures.

It shall be the duty of the general manager of said marketing facilities to collect, report and pay into the county trustee's office of Davidson County all monies received as rents, rates, fees and charges, monthly, and within ten days from the end of each month, said payments to be placed to the credit of a special fund to be designated "Farmers' Market Operating Fund." All expenditures of said commission authorized by this Act shall be on vouchers signed by the chairman or vice chairman of the commission and countersigned by the secretary.

Sec. 19. Disposition of surplus funds.

Any funds received from rents, rates, fees and charges remaining unexpended in the hands of the trustee in the special account designated "Farmers' Market Operating Fund," and unexpended on April 1st of each year may, by resolution of the county court, be transferred from said fund and applied towards the retirement of any outstanding farmers' market building bonds; provided, that said

fund may not in this manner be reduced to less than five thousand dollars ($5,000.00), or the court may, by resolution, authorize its expenditure by the farmers' market commission for betterments, extensions and repairs.

Sec. 20. Bonds of general manager and other personnel.

The commission shall fix the amount of bonds to be required by the general manager, and all others who are to handle or be responsible for the funds and/or property of the commission, or the county hereunder, and all such bonds shall have as surety thereon some approved bonding or surety company.

Sec. 21. Property of commission, bonds and revenue exempt from taxation.

All of the commission's facilities and property are hereby declared to be public property of a political subdivision of the state devoted to an essential public and governmental function and purpose and shall be exempt from all taxation by the state or any subdivision thereof. All bonds issued pursuant to this Act are hereby declared to be issued by a political subdivision of this state and for an essential public and governmental purpose, and such bonds, and the interest thereon and the income therefrom and all service charges, funds, revenues and other monies pledged or available to pay or secure the payment of such bonds or interest thereon, shall at all times be exempt from taxation by the state or any subdivision thereof, except for transfer, inheritance and estate taxes.

Nothing in this Act shall be construed as relieving the users of said marketing facilities from the payment of all licenses, fees and taxes imposed upon such business by state and local laws, including rules and regulations prescribed by the commission, and the failure of any user to pay said license, fees and taxes when due will operate to suspend his right to use said marketing facilities until said licenses, fees and taxes are paid. (Pr. Acts. 1959, ch. 305, § 8.)

Sec. 22. Use of funds for preliminary surveys, etc., operational reserve.

When and if the bonds herein provided shall be authorized by the county court, approved by referendum election of the people, and sold, then in that event, the said farmers' market commission shall have the right to place to the credit of the "Farmers' Market Operating Fund" ten thousand dollars ($10,000.00) of said proceeds of the bond sale to be used in making necessary surveys and investigations required preliminary to the building of said market facility; and provided that not less than five thousand dollars ($5,000.00) shall be reserved for the operation of said marketing facilities until such time as the rents, rates and fees charged for said services may make such facility self-supporting.

Sec. 23. Effective date.

This Act shall take effect from and after its passage,[3] the public welfare requiring it.

3. Passed March 30, 1949. Approved by governor March 31, 1949.

Article II. Fair Commissioners

Editor's note—This article consists of chapter 515, Private Acts 1923, as amended. The powers granted by this Act to the board of fair commissioners are continued by section 11.602 of the Metropolitan Charter. The provisions of this Act should be read as applicable to the Metropolitan Government of Nashville and Davidson County, rather than to Davidson County. Amendments are indicated by a historical citation following each amended section.

Sec. 1. Authority to operate divisional fair.

Counties having a population of not less than one hundred and sixty-five thousand (165,000) inhabitants nor more than two hundred thousand (200,000) inhabitants, according to the federal census of 1920, or any subsequent federal census, be and hereby are authorized to establish, maintain and operate a divisional fair for the benefit of the people of said counties, at which shall be exhibited, for the education of the people of said counties, the resources and developments of said counties and the State of Tennessee; and the progress of its people in all kinds of enterprises and endeavor, the agricultural, mineral, livestock, commercial, industrial, educational and all other interests, shall be duly exhibited, and every reasonable effort shall be made to develop, improve, encourage and stimulate all lawful and substantial interests and industries.

Sec. 2. Board of fair commissioners—Created; membership; term and compensation of members.[4]

There shall be, and there hereby is, created a board of fair commissioners, which shall be known as the "board of fair commissioners," and shall consist of seven (7) members, one of whom shall be the county judge, who shall ex officio be a member thereof; the remaining six (6) members shall be elected by the quarterly county court for a term of six (6) years, when and as the terms of office of the present members of said board expire. Not more than two members of the county court shall be eligible to election and to serve on said board at one time. The members of said board shall serve without compensation, but they shall be entitled to have all expenses actually incurred in the performance of their duties as such commissioners, on properly certified statements

submitted to and approved by the financial agent of such court. These expenses, as all others, are to be paid out of the fair funds. (Pr. Acts 1931, ch. 178, § 1.)

4. **Editor's note—**The membership and term of office of the board of fair commissioners is now controlled by section 11.601 of the Metropolitan Charter.

Sec. 3. Same—Rules and regulations; employees; restrictions on issuance of passes.

Said board of fair commissioners shall have full power to prescribe rules and regulations for its own government and organization, and for the holding of said fairs and expositions, and shall elect officers for the fairs, and shall choose whatever employees it may deem necessary and fix their compensation; provided, it shall not be lawful for the board, or any authority, to issue free passes to said fair to any person or persons other than employees in connection with said fair, including exhibitors and persons holding concessions and their bona fide employees upon the grounds; provided that it shall be lawful for said board to issue personal passes to members of the county court, to the governor of the state, to the commissioner of agriculture of the state, and to the mayor of the City of Nashville. (Pr. Acts 1931, ch. 178, § 2.)

Sec. 4. Same—Meetings; quorum.

The members of said board shall meet at the office of the county judge on the first Tuesday in April and November of each year, and may meet whenever called together upon five days' notice by the chairman upon his own motion, or upon written request of three members. A majority of the members of the board shall constitute a quorum for the transaction of business.

Sec. 5. Same—Annual reports.

Said board of fair commissioners, through its chairman and secretary, shall make a full report to the quarterly county court only at the January term of said court of the condition of the property and the operation of the fair, accompanied by a statement of all receipts and expenditures, verified by the oath of the chairman and the secretary, which accounts shall be at all times open to inspection and examination by the county auditor, or any committee the county court may appoint for that purpose.

Sec. 6. Same—Bond of secretary.

Said board of fair commissioners shall require its secretary to execute a good and solvent bond in the sum of five thousand dollars ($5,000.00), payable to the State of Tennessee for the use and benefit of said county, conditioned upon the faithful performance and discharge of his duties as secretary of said fair, the premium on said bond to be paid by the board of fair commissioners out of fair funds.

Sec. 7. Same—Accounting system.

The said board of fair commissioners shall install such system of accounting as the auditing commission of such counties coming under the provisions of this Act may direct.

Sec. 8. Special tax levy; authority to borrow money; title to property.

The county court of such counties may, at the July term of the 1923 court, and of each year thereafter, levy a tax upon all taxable property of the county of not more than two-tenths of a mill; to be known as the "fair tax," for the purpose of maintaining and operating a divisional fair. Said funds derived from the levy of this tax shall be expended under the direction of the board of fair commissioners. Said board shall have control of the disbursement of all funds collected by taxation, received from the State of Tennessee, or collected from gate receipts, concessions, or leases of the said fair property for educational or amusement purposes, for the operation, maintenance or improvement of the fair property.

Said board of fair commissioners is hereby vested with the power and authority to borrow money for the purpose of making permanent improvements in and on any property held and owned by the county for fair purposes, to purchase additional property for fair purposes, and to secure the payment of money so borrowed by mortgages or deeds of trust on the whole or any part of said fair property. Provided, that before buying any additional property or borrowing any money, or executing any such mortgages or deeds of trust, said board of fair commissioners shall first obtain the approval of the county court of the county, which approval shall be in the form of a resolution duly and legally adopted by said county court, authorizing the purchase of said additional property, designating the officers of said board of fair commissioners who shall sign and execute the evidences of any such indebtedness and the mortgages or deeds of trust securing the payment of same, and fixing the amounts to be borrowed and the maximum rate of interest to be paid therefor. And provided further, that any such obligations created in conformity with this provision, shall not be held or considered as the general obligation of the county, but shall be repaid only from the proceeds of the tax levy herein provided, and funds collected from gate receipts, concessions, or leases of said fair property for educational or amusement purposes. And provided further, that not more than two hundred fifty thousand dollars ($250,000.00) shall be so

borrowed, and when borrowed, shall mature in annual installments not more than six (6) years from date. And provided further, that until said loan is discharged, the tax levy of two-tenths (2/10) of a mill heretofore authorized shall be mandatory and shall be levied each and every year until said loan is liquidated or paid. And provided further, that the title to any property purchased under the provisions of this Act shall be taken in the name of Davidson County. Provided, however, that all funds received by the board of state fair commissioners shall rotate through the county trustee's office, for the more efficient and accurate accounting thereof. (Pr. Acts 1925, ch. 235, § 1; Pr. Acts 1927, ch. 203, § 1.)

Sec. 9. Cooperation with state division of fairs.

The board of fair commissioners shall have authority to cooperate with the state division of fairs on all matters, but if the expenditure of funds is contemplated beyond the amount raised by any tax levy made by the county court, hereinbefore provided, such matter shall be referred to the county court for its approval or disapproval.

Sec. 10. Powers and duties of board generally.

Said board of fair commissioners is hereby vested with the power, authority and duty to enter into negotiations with the commissioner of agriculture of the State of Tennessee, for the surrender and cancellation of any lease now held by the State of Tennessee of any fair property in such counties, and to take complete charge and control on behalf of such counties, and they shall use and maintain said property by holding thereon, at least once a year, for not less than six days, a fair or exposition for the benefit of the people of such counties, and they may lease for amusement purposes said property at such times and in such ways as not to interfere with the operation of said fair, the proceeds received from said leases to be used in the maintenance of said fair, at which shall be exhibited, as far as possible, the resources of said county and the State of Tennessee, and the progress of its people in all kinds of enterprises and endeavor. The agricultural, mineral, livestock, commercial, industrial, and all other interests, shall be duly exhibited, and every reasonable effort shall be made to develop, improve, encourage and stimulate all lawful and substantial interests and industries.

Sec. 11. Special premiums and other promotional items.

Said board of fair commissioners shall have power to formulate rules for the offering, and to offer special premiums, and in every other way possible promote the best interest of said counties in the conduct and management of said divisional fair.

Sec. 12. Effective date.

This Act shall take effect from and after its passage,[5] the public welfare requiring it.

5. Passed March 28, 1923. Approved by the governor March 31, 1923.

Article III. Parole Officer

Editor's note—This article consists of chapter 490, Private Acts 1947, as amended. The provisions of this Act should be read as applicable to the Metropolitan Government of Nashville and Davidson County, rather than to Davidson County. Amendments are indicated by a historical citation following each amended section.

Sec. 1. Appointment.

That it shall be the duty of the Judges of the Criminal Court of Davidson County, Tennessee, to appoint a Parole Officer for Davidson County, Tennessee, to serve at the pleasure of said judges.

Sec. 2. Qualifications.

Said parole officer shall be not less than 25 years of age, shall have had a high school education, shall be a person of good character and fitted physically, mentally and morally for said position, shall be acquainted with social welfare work and have ability, training and capacity to make investigations and influence human behavior.

Sec. 3. Duties—Generally.

Said parole officer shall work under the supervision, direction and control of said criminal judges and the district attorney general and shall assist them in the investigation, supervision, oversight and control of persons who petition for suspended sentences or paroles, or what are granted a suspended sentence or parole by said judges.

Said parole officer shall, under the direction of said judges and the district attorney general investigate and make reports to said official as to the circumstances, history, criminal record, social, physical and mental condition of persons who apply to be released, or are released, under a suspended sentence or parole. Said officer shall also investigate and make reports to said officials relating to revocation of suspended sentences or paroles.

Sec. 4. Investigation of petitions.

Upon the filing of a petition for suspended sentence or parole, and provided the requirements and provisions of Chapter 76, of the Public Acts of 1931, have been

complied with, said petition shall be referred to the parole officer herein provided for, and said parole officer shall, as soon as possible thereafter, make a full investigation of the averments of the petition, the circumstances, history, criminal record and the social, physical and mental condition of the petitioner, and shall file a written report, setting out in detail the result of said investigation. A copy of said written report shall be furnished each of the criminal judges and the district attorney general.

No petition for a suspended sentence or parole shall be considered by the court unless and until the provisions of Chapter 76, Public Acts of 1931, and the provisions of this Act, have been fully complied with, and unless and until the written report of the parole officer has been filed and copies furnished as hereinabove provided.

Sec. 5. Supervision of persons paroled or released under suspended sentences.

Said parole officer shall interview and visit, from time to time, persons paroled or released under suspended sentences by the criminal judges; shall supervise, investigate, check on and report to said judges and the district attorney general the actions, conduct, behavior and progress of said persons; and may require the parolee to report to said parole officers at regular intervals; shall aid all such persons in the amendment of their ways and in rehabilitating them; shall assist in securing employment for them; and shall aid and assist them in every possible way, to the end that said persons shall become and remain law-abiding citizens.

Sec. 6. Compensation.

The compensation of said parole officer shall be two hundred dollars ($200.00) per month, the same to be paid out of the Ordinary Fund of the county, said payments to be made on voucher issued by the appointing authorities. Said parole officer shall be entitled to the benefits of the Davidson County Pension and Retirement Act, but shall not be subject to civil service. In addition to the salary above provided, said parole officer shall be reimbursed from the same source as above set forth for his reasonable, necessary and actual expenses incurred in the discharge of his duties as such parole officer, an itemized list of said expenses to be submitted, under oath, to the criminal judges and the district attorney general and approved by them before payment; but in no event to exceed fifty dollars ($50.00) per month.

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 7. Records, data and information on file.

Said parole officer shall keep such records, data and information as is required herein, or as may from time to time be prescribed by the criminal judges and the district attorney general, shall keep a file copy of his reports; shall keep complete social, physical, mental and criminal records of each person placed under his supervision or investigated by him.

Said parole officer shall be furnished with necessary office and supplies by the criminal court clerk.

The criminal judges may make such rules as they deem proper as to the privacy of said records and their use by others than the judges, district attorney general and said parole officer.

Sec. 8. Effective date.

This Act [shall] take effect from and after its passage,[6] the public welfare requiring it.

6. Passed February 27, 1947. Approved by the governor March 6, 1947.

Article IV. Juvenile Court

Editor's note—This article consists of chapter 390, Private Acts 1953, as amended. The provisions of this Act should be read as applicable to the Metropolitan Government of Nashville and Davidson County, rather than to Davidson County. Amendments are indicated by a historical citation following each amended section.

Sec. 1. Juvenile court created.

There is hereby created and established in and for Davidson County, Tennessee, a court with the title and style of Juvenile Court of Davidson County, Tennessee. Such court shall be a court of record, presided over by a judge who shall have the qualifications hereinafter provided, and whose salary shall be provided and paid as hereinafter provided. Such judge shall be known and have the title of Judge of the Juvenile Court of Davidson County, and shall devote his full time to the duties of such office of judge, and shall have no other professional activity; and there is hereby created the office of clerk of said court; that said court shall have a seal, and that the judge and clerk, within their respective functions as such officers of said court, shall have the power and authority to administer oaths and affirmations whenever the same are required by law in connection with any case, procedure, process or otherwise in such court.

Sec. 2. Definitions.

When used in this Act, unless the context otherwise requires:

(a) *"The court"* shall mean the Juvenile Court of Davidson County.

(b) *"The judge"* shall mean the judge of the juvenile court of said county.

(c) *"The clerk"* shall mean the clerk of the juvenile court of said county, or deputy clerk.

(d) *"Child"* shall mean any person who is under the age of seventeen years.

(e) *"Adult"* shall mean a person who is seventeen years of age or older.

(f) *"County"* shall mean Davidson County in the State of Tennessee.

(g) *"Peace officer"* shall mean the Sheriff of Davidson County or any of his deputies, any constable of said county, and any police or truant officer of said county or of any municipal corporation in said county.

(h) The singular shall include the plural, the plural the singular, and the masculine the feminine, when not inconsistent with the intent of the Act.

Sec. 3. Jurisdiction.

The court shall have exclusive original jurisdiction in said county of all cases arising in or triable in said county of any person under the age of seventeen (17) years, who may be charged with the violation of any city ordinance, or who may be charged with the commission of an offense against the State except wherein the offense is rape, murder in the first degree or murder in the second degree, or where such person has been found to be incorrigible by the court, but in any such case which may come before the court wherein any person under seventeen years of age is charged with rape, murder in the first degree or murder in the second degree, or where such person has been found to be incorrigible by the court and the Judge of the court shall conclude that there is probable cause to believe that the child has been guilty of the crime of rape, murder in the first degree or murder in the second degree, or has been found to be incorrigible, the court shall at once dismiss said cause and assume no further jurisdiction thereof, and then at once remand said child to the Sheriff of the county to be dealt with for his alleged offense as provided by criminal laws.

It is the purpose of this Section of this Act to give such Juvenile court all the jurisdiction of a Juvenile Court in Davidson County as contemplated by the laws of Tennessee, and the court shall have all the jurisdiction, powers and authority of a Juvenile court in said county contemplated in the laws of Tennessee as stated in Sections 10269 to and including 10309 of the Code of Tennessee and any other general laws of the State of Tennessee now in force and effect or hereinafter to become of force and effect; and said court shall have exclusive original jurisdiction of all non-support, failure to provide, abandonment or desertion cases wherein any person is charged with the non-support or failure to provide for any child under sixteen (16) years of age, or of his wife, or is charged with the abandonment or desertion of such child or wife as provided by the laws of the State of Tennessee, except where such charge shall be made as an incident to bill filed in a court of competent jurisdiction wherein a prayer is contained for a divorce or a decree awarding separate support and maintenance. The court shall have exclusive original jurisdiction:

(a) Concerning any child within said county, or any case arising or triable in said county concerning any child:

(1) Whose parent or other person legally chargeable with the care, support and maintenance of such child neglects or refuses, according to his means or ability, to provide proper or necessary support, maintenance, education, medical or surgical or other necessary care as contemplated by the general laws of the State, or who is abandoned or deserted by his parent or other person having the legal charge and care of such child;

(2) Whose occupation, behavior, environment or associations injurious to the welfare of the child;

(3) Who deserts his home or is habitually disobedient or beyond control of parent or teacher or other lawful custodian;

(4) Who, being required by law to attend school, wilfully violates the rules of school or absents himself therefrom, or who in any other manner shall be charged with being or designated as a delinquent, as delinquent is defined, contemplated or included in the laws of the State of Tennessee.

(b) To determine the custody or control of the person of any child in said county or in connection with whom any question, case or controversy may arise in said county, or any such questions, case or controversy which by the general law, is triable in said county; except that this Act shall not interfere with the right of a Circuit Judge or a Chancellor to award custody of minor children as a part of a decree of divorce or separate support and maintenance.

(c) That in the event a petition to determine custody or support of any minor child is pending or has been filed, the subsequent filing of a petition for a divorce or for separate support and maintenance in either the Circuit or Chancery Courts of Davidson County, Tennessee, will not effect the jurisdiction of the Juvenile Court of Davidson County, to the extent that such jurisdiction may already have attached. Likewise, the juvenile court shall not entertain any petition filed with respect to support or custody of children where a petition for divorce or for separate support and maintenance between the parents of such child or children is pending.

Sec. 4. Marriage of a juvenile.

The court shall have original jurisdiction concurrent with other courts having such jurisdiction for granting judicial consent to the marriage of any child when such consent would be to the interest or welfare of such child or is required by law.

Sec. 5. Right by habeas corpus to determine custody or guardianship of children.

Nothing contained in this Act is in any wise intended to attempt to deprive any other court, such as the Circuit, Criminal or Chancery Court, of any right by habeas corpus to determine the custody or guardianship of children as is now provided by law and practiced by such courts.

Sec. 7. Mentally defective or mentally disordered children.

Whenever it shall be determined by the judge of the juvenile court that a child is so mentally defective or mentally disordered that such child should be committed to an institution for such cases, the court may commit such child to such institution as is fitted to care for such cases wherein the court is authorized to so do by provisions of the general laws, or to such institution otherwise made available to the court through arrangements with the county or state authorities; and where no such institution is made available to the court, the judge shall certify the facts and the needs of the child to a court of competent jurisdiction, and said judge shall take such action as appears in his opinion is for the best interest of said child.

Sec. 8. Wilful failure to provide for wife or child.

The court shall have jurisdiction to try cases involving the wilful failure or any husband, without good cause, to neglect or fail to provide for his wife according to his means, leaving her destitute or in danger of becoming a public charge as set forth in Section 11370 of the Code in which case the procedure shall be as provided in Section 11371, et seq., of the Code of Tennessee; and the Court also have jurisdiction to try causes involving the wilful failure to provide for his child under sixteen years of age, leaving such child destitute, as set forth in Section 11379 of the Code, in which case the procedure shall be as provided in Section 11380, et seq., of the Code of Tennessee.

The court shall further have jurisdiction to try a person charged with violating Section 11370 and/or 11379 of the Code of Tennessee, where the person charged with said offense enters a plea of not guilty; and, after being advised by the court of his Constitutional right to aid of counsel, the right to be tried upon presentment or indictment by a Grand Jury, the right of trial by jury, and his other Constitutional rights, the defendant agrees to waive presentment or indictment by a Grand Jury and the right of trial by jury of his peers, the court may proceed to hear and determine said cause.

Said waiver shall be written and attached to the warrant substantially in words and figures as follows:

"The defendant, _____, pleads not guilty and waives his right to be tried only by indictment or presentment preferred by a Grand Jury and likewise waives trial by a jury of his peers."

The court thereupon shall proceed to hear said cause and determine it as provided for the determination of such causes in Article XXIX of Chapter 10 of the Code of Tennessee.

Any monies paid into court under this section shall be disbursed as the court may direct.

Sec. 9. Appointment of judge; salary; authority.

The person who has held, in January, 1953, the position of Judge of the Juvenile and Domestic Relations Court, established under authority of Chapter 246, Private Acts of 1947 as amended, same being the Charter of the City of Nashville, shall be the Judge of the Juvenile Court of Davidson County and shall serve until the next general election at which time the Judge of the Juvenile Court of Davidson County shall be elected by the people of said county to serve until the next general judicial election, the judge shall then be elected by the people of the county and shall serve for a term of eight (8) years and until his successor is elected and qualified. The Judge of said Juvenile Court of Davidson County shall receive a salary of seven thousand five hundred dollars ($7,500.00) per annum. Said judge shall not be less than thirty (30) years of age and a resident of Davidson County for not less than one (1) year. Said judge shall take and subscribe to the same oath of office as that prescribed for all judges in the state.

The judge is hereby authorized and empowered to make and promulgate rules and regulations for the administration of the juvenile court, to fix the times and places at which said court shall meet and prescribe the sessions at which all persons in the jurisdiction of the said juvenile court shall have their cause set for trial.

All monies derived from fees and fines assessed upon conviction of any persons by the judge shall be paid into the county treasury of said county.

Editor's note—See Metropolitan Charter § 18.05 for changes in salary and compensation through the general pay plan.

Sec. 10. Clerk of court to maintain records.

The clerk of the court shall, under the supervision of the judge, keep all the records of the court, and shall have all the duties, authorities and obligations as provided by Sections 10050, through and including 10081 of the Code of Tennessee as applicable to the office. Said clerk shall give a surety bond for the faithful performance of his duties and the amount to be fixed by the County Judge of Davidson County.

Sec. 11. Appointment of juvenile court personnel or employees.

That the judge shall appoint, pursuant to Civil Service Provisions applicable to Davidson County Civil Service Employees, and shall designate a clerk, a chief probation officer, and a stenographer, and such other clerks, probation officers, matrons, attendants and other employees as may be necessary to carry on efficiently the work of said juvenile court, and as may be authorized by the Quarterly Court of Davidson County and as provided herein.

All personnel of the Juvenile and Domestic Relations Court established by the Charter of the City of Nashville, same being Chapter 246 of the Private Acts of 1947, as amended, who held such positions during the month of January, 1953, shall be employees of the court and hold positions of the same or others comparable to their present positions and at salaries not less than that paid to them during said month.

All personnel or employees employed by the Juvenile and Domestic Relations Court, established as set out in the preceding paragraph, who, during January, 1953, was contributing and paying into the Civil Service Employees Pension Fund of the City of Nashville, may continue making such contributions based on the salary received by them at the time of their separation from service with the City of Nashville with all benefits and rights of disability and retirement as provided by the Charter of the City of Nashville, and shall not be subject to the requirements nor have the benefits as provided by Chapter 274 of the Private Acts of 1943, as amended, provided such persons accept employment with Davidson County and continue in said employment in the Juvenile Court of Davidson County. In the event any employee or employees shall fail to contribute or pay into the said pension fund, then said employee or employees shall become subject to all the provisions and requirements of Chapter 274, Private Acts of 1943, as to contributions and pensions and disability rights.

Anything hereinabove notwithstanding to the contrary, all personnel and employees of the Juvenile and Domestic Relations Court Established under the Charter of the City of Nashville, and holding positions in January, 1953, who were under City Civil Service, if and when they accept the same position or a comparable position with the court herein created, shall be brought with the civil service provisions heretofore made respecting employees of Davidson County and they shall be designated civil service employees and accorded full civil service status as such employees.

An employee of the court may be removed, discharged or reduced in pay or position only after he has been given the reasons therefor in writing and afforded an opportunity to be heard in accordance with such civil service provisions, rules and regulations.

All officers of the court shall have the power of peace officers except that they shall not serve process in civil cases unless arising in this court.

Sec. 12. Chief probation officer—Duties generally.

The chief probation officer, under the general supervision of the judge, shall organize, direct and develop the administrative work of the court, including the social, financial and clerical work, assign cases for investigation or treatment to the technical and professional employees, and shall perform all such other duties as the judge shall direct.

Sec. 13. Preliminary inquiry; petition.

Whenever any person informs the court that a child is within the purview of this Act, the court may make a preliminary inquiry to determine whether the interests of the public or of the child require that further action be taken. Thereupon the court may make such informal adjustment as is practicable without a petition, or a petition may be filed by any person.

The petition shall be verified and may be upon information and belief. It shall set forth plainly the facts which allegedly bring the child within the purview of this Act; and in addition the following facts, if known: (1) name, age, and residence of the child; (2) the names and residences of his parents; (3) the name and residence of his legal guardian, if there be one; (4) names and residences of the person or persons having custody or control of the child, and (5) names and residence of the nearest known relative if no parents or guardian can be found. If any of the facts herein required are not known by the petitioner, the petition shall so state.

Sec. 14. Copy of petition and summons served upon person(s) having custody of child.

After a petition shall have been filed and after such further investigation as the court may or shall direct, a

copy of said petition, together with the summons issued by the clerk, shall be served upon the person or persons having the custody or control of the child, requiring such person or persons to appear personally and bring the child before the court at the time and place stated. If the person so summoned shall be other than a parent or guardian of the child, the parent or guardian or both shall be notified of the pendency of the case and of the time and place appointed, by personal service before the hearing, except as hereinafter provided. Summons may be issued requiring the appearance of any other person whose presence, in the opinion of the judge, is necessary.

If it appears that the child is in such condition or surroundings that his welfare requires that his custody be immediately assumed by the court, the judge may order, by endorsement upon the summons, that the officer serving the same shall at once take the child into custody.

Sec. 15. Summonses issued by officer of the court.

Summonses and other process issued in connection with any proceeding in the court shall be served by an officer of the court or by any other officer authorized by law to serve process in the county to which the process is directed. Service shall be had in the manner provided by the general laws of Tennessee.

Sec. 16. Power and authority of court.

The court shall have all the powers of a court to cause to be brought before it by proper process and to punish those who refuse to obey its lawful orders and to punish by summary procedure those who are guilty of contempt as the same is defined by law, when such contempt is in the presence of the court, by a fine of not more than fifty dollars ($50.00), or by imprisonment of not more than ten (10) days, or both: and that for the purpose of compelling the attendance of witnesses and others whose presence in court is necessary, and to enforce its lawful orders, judgments and decrees, the court shall have all the power and authority to issue attachments and other processes to bring such person before the court.

Sec. 17. Children in court custody.

Whenever a child is taken into custody, unless it is impracticable or inadvisable or has been otherwise ordered by the court, he may be released to the custody of a parent, guardian or custodian, upon the written promise of such parent, guardian or custodian to bring the child to the court at the time fixed. If such person shall fail to produce the child as agreed or upon notice from the court, a summons or a warrant may be issued for the apprehension of such person or of the child. If not so released, such child shall be taken immediately to the court or the place of detention designated by the court. Pending further disposition of the case, a child whose custody has been assumed by the court may be released to the custody of a parent or other persons appointed by the court, or be detained in such place as shall be directed by the court, subject to further orders.

Nothing in this Act shall be construed as forbidding any peace officer from immediately taking into custody any child who is found violating any law or ordinance. In every case the officer taking the child into custody shall immediately bring into the court said child, making proper charge against him, and relinquishing custody to the court, and the case shall then be proceeded with as provided in this Act.

No child shall be confined in any police station, prison or jail, or be transported or detained in association with criminal, vicious or dissolute persons; except that a child fifteen (15) years of age or older whose conduct or condition is such as to endanger his safety or welfare or that of others in the detention facilities for children may, with the consent of the judge or chief probation officer, be placed in a jail or other place of detention for adults, but in a room or ward entirely separate from adults.

Neither the fingerprints nor a photograph shall be taken of any child taken into custody for any purpose, without the consent of the judge.

Sec. 18. Quarters and facilities for children in court custody.

The Quarterly Court of Davidson County shall provide adequate quarters to meet the needs for care of children in custody of the court pending an investigation or hearing and disposition of their case. Such facilities, together with any and all other facilities that may be provided or afforded for the detention, care or custody of children, shall be under the supervision of the court. The court may also arrange with any licensed institution, agency or the State Department of Public Welfare to receive for temporary care and custody children within the jurisdiction of the court.

Sec. 19. Cases involving children.

All cases of children shall be heard separately from the trial of cases against adults. The hearing shall be conducted in an informal manner, and may be adjourned from time to time. Stenographic notes or other transcript of the hearing shall be required only if the court so orders. The general public shall be excluded and only such persons admitted as have a direct interest in the case. The presence of the child in court may be waived by the court at any stage of the proceedings.

Sec. 20. Transfer of care, custody and control.

If the court shall find that the child is within the purview of this Act, it shall so decree and may by order duly entered proceed as follows:

(a) Whenever in the course of a proceeding instituted it shall appear to the court that the parents or the surviving parent of a child, or the mother of a child born out of wedlock, have abandoned such child or have substantially and continuously or repeatedly refused, being financially able, have neglected to give such child parental care and protection; or that such parent or parents are unfit by reason of their conduct or condition which is seriously detrimental to the said child, the court shall have jurisdiction to transfer the care, custody and control of such child to some other person, agency, institution or the State Department of Public Welfare, and may terminate in so far as may be necessary the rights of such parent or parents with reference to such child, provided that the cause shall be retained in court as provided in Section 21 herein, and the parent or parents may later be granted the right to file a petition seeking the modification of the former order, unless some other court shall have taken jurisdiction of the matter upon a petition for adoption.

Such transfer or termination shall be made only after a hearing before the court, and the court shall cause notice of the time, place and purpose of such hearing to be served on such parent or parents personally at least twenty-four (24) hours before the time fixed for hearing; or if the court is satisfied that personal service cannot be effected, then such notice may be given by publication thereof in a newspaper in the county once a week for four consecutive weeks prior to the date of hearing.

(b) If a child is abandoned or neglected by one parent the rights of only such parent with reference to such child may be terminated as provided in subsection (a) of this section, without affecting the rights of the other parent.

(c) Upon the application of the parents or the surviving parent, or the mother of a child born out of wedlock, the court may order the transfer of the permanent care, control and custody of such child, and if it appears wise, the termination of all the rights of a parent or the parents with reference to such child, provided the court after a hearing finds such transfer or termination to be in the best interest of the child.

(d) Place the child on probation or under supervision in his home or in the custody of a suitable person elsewhere, upon such conditions as the court shall determine.

(e) Commit the child to the custody or to the guardianship of a public or private institution, agency, or the State Department of Public Welfare authorized to care for children or to place them in family homes.

(f) Order such other care and treatment as the court may deem to be for the best interests of the child, except as herein otherwise provided. The court may dismiss the petition or otherwise terminate its jurisdiction at any time for good cause shown.

(g) Whenever the court shall commit a child to any institution, agency, or the State Department of Public Welfare, it shall transmit with the order of commitment a summary of its information concerning the child, and such institution, agency, or the State Department of Public Welfare shall give to the court such information concerning such child as the court may at any time require.

Sec. 21. Modification of court decree.

Any decree or order of the court may be modified at any time upon notice to any person adversely affected.

A parent, guardian, or next friend of a child who has been committed by the court to a public or private institution or agency, or the State Department of Public Welfare, or placed in the care or guardianship of any person, may at any time file with the court a verified petition for the release of the child. The court, upon due notice to all concerned, shall proceed to hear and determine the question at issue. It may thereupon order that such child be restored to the custody of its parents or guardian or be retained in the custody of the institution, agency or person, or may make any further order.

Sec. 22. Children placed under guardianship governed by same religious faith.

In placing a child under the guardianship or custody of an individual, the court shall, whenever practicable, select a person or agency or institution governed by persons of the same religious faith as that of the parents of such child, or in case of a difference in the religious faith of the parents, then of the religious faith of the child, or, if the religious faith of the child is not ascertainable, then of the faith of either of the parents.

Sec. 23. Examination by physician, psychiatrist or psychologist; hospital care.

The court may cause any person adjudged to be within its jurisdiction to be examined by a physician, psychiatrist or psychologist.

Whenever a child concerning whom a petition has been filed appears to be in need of nursing, medical or surgical care, the court may order the parent or other person responsible for the care and support of such child

to provide such care in a hospital or otherwise. If such parent or other person fails to provide such care, the court may, after due notice, enter an order therefor, and the expense thereof shall be paid from the appropriation provided when certified by the judge. But if the court is of the opinion that the parent or other person liable therefor is able to bear such expense and fails or refuses to do so, such person shall be tried as in other nonsupport cases.

Sec. 24. Court ordered conditions of behavior.

In all failures to provide, non-support, abandonment and desertion cases the court shall have the jurisdiction to make an order of protection and assistance or as a condition of an order for support and maintenance setting forth reasonable conditions of behavior to be observed for a specified time which shall be binding upon husband or wife, or both. Such orders may require either spouse to: (a) stay away from the home or other spouse or children, (b) permit the other to visit the children at reasonable or stated periods, (c) abstain from offensive conduct against the other or against the children, (d) give proper attention to the care of the home, (e) refrain from acts or commissions that tend to make the home an unfit place for the children or the other spouse.

Sec. 25. Court costs or witness fees.

In proceedings under this Act court costs or witness fees may be taxed against any party to a proceeding, or against the county, within the judicial discretion of the judge, but no salaried officer of the county including the sheriff and his salaried deputies and no salaried officers of any municipality therein shall be entitled to receive any fee for the service of process or for attendance in court in such proceedings, but all other persons acting under orders of the court may be allowed and paid for services or service of process and attendance or serving at witnesses the fee provided by law for like services in cases before the Circuit Court, the same to be paid from the appropriation provided when certified by the judge.

Sec. 26. Budget for operation of court.

All salaries and other expenses incurred in complying with the provisions of this Act shall be a county charge. The judge of the court shall present to the Quarterly Court of Davidson County each year, a proposed budget for the operation of the court for the next fiscal year in accordance with the law, practice, rules and procedure of said Quarterly Court; that after the passage of this Act, and before funds are made available in said budget, all salaries, charges and expenses necessary and incident to the establishment, organization and operation of the court shall be paid out of the general funds of the county. The Quarterly Court of Davidson County shall each year appropriate funds sufficient for the efficient operation of said court, within the intent and purpose of this Act.

Sec. 27. Official records.

The court shall make and keep records of all cases brought before it, and shall devise and cause to be printed such forms for social and legal records and such other papers as may be required. The court's official records shall be open to inspection only by consent of the judge to persons having legitimate interest therein. All information obtained and social records prepared in the discharge of official duty by any employee of the court shall be privileged and shall not be disclosed directly or indirectly to anyone other than the judge or other persons entitled to receive such information under this Act, unless and until otherwise ordered by the judge.

The name or picture of any child under the jurisdiction of the court shall not be made public by any newspaper, radio, or television station except as authorized by order of the court. Any person who violates this provision shall be guilty of a misdemeanor and subject to prosecution in the criminal court of this county. The Judge of the Juvenile Court of Davidson County shall exclude photographers and reporters from all hearings and prohibit any publicity respecting any child under the jurisdiction of the court which may be injurious to the interest or reputation or welfare of such child.

Sec. 28. Appeal from court decree or order.

No appeal from a decree or order of the court shall be granted or allowed; provided however that a trial de novo may be had by an interested party aggrieved by decree or order by petition for a writ of certiorari showing merit, and properly sworn to, filed with the Circuit Courts of Davidson County within ten (10) days from the date of entry of the decree or order complained of, and the writ be granted; and provided further that for the purpose of consolidating with any separate maintenance or divorce cause pending in the Chancery Courts of Davidson County issues involved in proceedings determined by said juvenile court, petition for certiorari may likewise be filed and the writ ordered issued by any chancellor presiding over such chancery courts.

But in no case shall a writ of supersedeas be issued by any judge or chancellor to modify or vacate any order of said juvenile court respecting custody or support of any child without a hearing and without at least forty-eight (48) hours prior notice thereof to all interested parties, including the chief probation officer of said court.

Sec. 29. Cooperation with court.

It is hereby made the duty of every public official or department to render all assistance and cooperation within his or its jurisdictional power which may further the objects of this Act. The court is authorized to seek the cooperation of all societies or organizations having for their object the protection or aid of children.

Sec. 30. Welfare of children.

This Act shall be construed as remedial in character and shall be liberally construed to an end that each child coming within the jurisdiction of the court shall receive such care, guidance and control, preferably in his own home, as will conduce to the child's welfare and the best interest of the state and that when such child is removed from the control of his parents, the court shall secure for him care as nearly as possible equivalent to that which should have been given by them.

Sec. 31. Severability.

If for any reason any word, clause, paragraph or section of this Act shall be held unconstitutional, it shall not invalidate or affect the remainder of said Act.

Sec. 32. Effective date.

This Act [shall] take effect from and after its passage,[7] the public welfare requiring it.

Article V. Employee Pensions and/or Retirement, Insurance Compensation and Benefits

Editor's note—This article consists of chapter 274, Private Acts 1943, as amended by Private Acts 1961, chapter 381. The provisions of this Act should be read as applicable to the Metropolitan Government of Nashville and Davidson County, rather than to Davidson County. Amendments are indicated by a historical citation following each amended section.

ARTICLE 1. GENERAL PROVISIONS

Sec. 1.01. Definitions.

As used in this Act, the following words and phrases shall have the meaning indicated unless otherwise defined or required by the context:

(a) *System* shall mean the Davidson County Pension System created by this Act.

(b) *Employer* shall mean Davidson County. Any department of Davidson County, other than the Department of Education, or any board of Davidson County, other than the Board of Education, shall be deemed to be Davidson County for the purposes of this Act.

(c) *Employee* shall mean any person who is regularly employed by the employer; any person who is an official of the employer and who is elected by popular vote or by the Davidson County Quarterly Court; any person who is regularly employed in the service of the employer by an elected official of the employer; and any person who is regularly employed in the service of the employer and who is appointed by an elected official of the employer. In all cases of doubt, the pension commission shall determine whether or not a person is an 'employee' as defined herein.

(d) *Member* shall mean either a member of Division A or a member of Division B.

(e) *Member of Division A* shall mean any employee who becomes a member of Division A as provided in Article 2 of this Act.

(f) *Member of Division B* shall mean any employee who becomes a member of Division B as provided in Article 3 of this Act.

(g) *Retired member* shall mean any person who is no longer an employee and is receiving a benefit provided by this Act, or any Act amendatory thereof.

(h) *Fund* shall mean the Davidson County Pension Fund created by this Act which shall consist of all assets of the system.

(i) *Fiscal year* shall mean the fiscal year of the employer.

(j) *Pension commission* or *commission* shall mean the pension commission established by this Act which shall administer the system in accordance with the provisions of this Act.

(k) *Effective date* shall mean July 1, 1961, which shall be the effective date of this Act.

(l) *Earnings* shall mean the total compensation paid to an employee for his personal services rendered to the employer, excluding overtime payments, fees of office paid to an employee who is not elected by popular vote or by the Davidson County Quarterly Court, compensation paid to members of boards or commissions of the employer for personal services rendered as members of such boards or commissions, perquisites, or other compensation not a part of the set scale for an established normal working period; provided, however, that any compensation paid by the State of Tennessee or the employer upon which benefits under the Tennessee State Retirement System or any other retirement system, other than this system, are based shall be excluded from 'earnings' as defined herein.

(m) *Service* shall mean years and completed calendar months of service of an employee of the employer.

Sec. 1.02. Introduction.

There is created and established, as of the effective date of this Act, a pension system for employees of Davidson County to be known as the 'Davidson County Pension System.' All transactions by the Davidson County Pension System shall be in the name of the system. The system shall have all the powers and privileges of a corporation, and the system shall function as hereinafter provided. All benefits payable to retired members and their survivors under Chapter 274 of the Private Acts of 1943, and all amendatory Acts thereof, shall continue unimpaired, and such benefits shall be an obligation and liability of this system, subject to the provisions of this Act. All funds held by the Davidson County Trustee in connection with Chapter 274 of the Private Acts of 1943, and all amendatory Acts thereof, shall be deposited in the fund established by this Act and be administered in accordance with the provisions of this Act.

The Davidson County Pension System provides for two (2) classifications of membership: Division A and Division B. Division A, set forth in Article 2 of this Act, shall cover employees who have not been covered, prior to the effective date of this Act, by any pension plan of the employer; all persons who become employees after the effective date of this Act; and employees who are members of Division B, as provided in this Act, and who voluntarily elect to transfer their membership to Division A in accordance with the provisions of this Act. Division B, set forth in Article 3 of this Act, shall cover persons who are employees on the effective date of this Act and who were covered by the Davidson County Employees' Pension and Insurance Fund as it existed on the day before the effective date of this Act. Article 1 of this Act shall apply to members of Division A and members of Division B. Article 2 of this Act shall apply to members of Division A but shall not apply to members of Division B. Article 3 of this Act shall apply to members of Division B but shall not apply to members of Division A. No employee shall be a member of both Division A and Division B, notwithstanding anything in this Act to the contrary. Any benefit payable to a retired member in accordance with the provisions of this Act shall not be payable during any period of time he becomes or is an employee, notwithstanding anything in this Act to the contrary.

Sec. 1.03. Composition and organization of pension commission.

The pension commission shall consist of the Davidson County Judge, the Davidson County Trustee, and the Davidson County Court Clerk. The Davidson County Judge shall be chairman of the commission, and the Davidson County Court Clerk shall be secretary of the commission. A majority of the members of the commission shall constitute a quorum, and all action taken by the commission shall be by affirmative vote of the majority of all members of the commission. The pension commission shall meet at least once in each quarter of each calendar year, and the commission may meet in special session upon call by any member of the commission. Any two (2) members of the commission shall execute any certificate, statement, or written direction on behalf of the commission, and any person interested in the system shall be entitled to rely upon such execution as being an action of the commission.

Sec. 1.04. Duties and powers of pension commission.

The commission shall have complete control of the administration of the system, subject to the provisions of this Act, with all powers necessary to enable it properly to carry out its duties in that respect. Not in limitation, but in amplification of the foregoing, the commission shall have the power, not inconsistent with the provisions of this Act, to construe this Act and to determine all questions that may arise hereunder, including questions relating to eligibility of employees to become members and the amount of benefit to which any member, beneficiary, survivor or contingent annuitant may become entitled hereunder. The decisions of the commission upon all matters within the scope of its authority shall be final. The commission shall establish rules and procedures to be followed by members, beneficiaries, survivors and contingent annuitants in filing applications for benefits, in furnishing and verifying proofs necessary to determine age, earnings, or in any other matters required to administer the system.

The commission shall receive all applications for benefits. Upon receipt by the commission of such an application, it shall determine all facts which are necessary to establish the right of the applicant to benefits under the provisions of the system and the amount thereof as provided in this Act. Upon request, the commission will afford any applicant the right of a hearing with respect to any findings of fact or determination. The commission, as it sees fit, shall prepare from time to time information concerning the system and distribute such information to employees and members. The commission shall prepare and publish an annual financial report showing all receipts, disbursements, assets and liabilities of the system. All proceedings and records of the commission shall be open for inspection by the public.

To enable the commission to perform its functions, the employer shall supply full and timely information to the

commission on all matters relating to the earnings of members, their length of service, their retirement or other causes of termination of employment, contributions to the fund by members, and such other pertinent facts as the commission may require.

The commission shall certify to the Davidson County Trustee the signatures of all members of the commission. The Davidson County Trustee shall be entitled to rely on the last received such certification of signatures until written notice to the contrary from the commission has been received by the Davidson County Trustee.

The commission shall be empowered to employ the services of legal counsel, investment consultants, acturial consultants, and the services of others which, in the sole discretion of the commission, may be necessary to maintain a soundly designed, administered and financed pension system. All expenses incurred by or on behalf of the pension commission in the administration of the system during each fiscal year shall be paid from the fund upon receipt by the Davidson County Trustee of written authorization by the pension commission. Members of the commission shall serve without compensation as members of the commission, but members of the commission shall be reimbursed for the actual expenses incurred by them in the performance of their duties.

As soon as practicable after the effective date, the commission shall adopt such acturial and other tables as are necessary for the administration of the system. An annual acturial valuation shall be made to determine the contingent assets, contingent liabilities and funding requirements of the system. At least once in each five (5) year period, the commission shall cause an acturial investigation to be made of the experience under the system. The commission shall adopt from time to time, as it sees fit, new acturial and other tables necessary for the administration of the system.

The commission shall be entitled to rely upon all tables, valuations, certificates, and reports furnished by any consultant or actuary; all opinions given by any legal counsel selected or approved by the commission; and any advice of a qualified investment consultant. The commission shall be fully protected with respect to any action taken or suffered by the commission in good faith in reliance upon the advice or opinion of any such consultant, actuary, legal counsel, or investment consultant, and all actions so taken or suffered shall be conclusive upon each of them and upon all members or other persons interested in the system.

The commission shall have no power in any way to modify, alter, add to or subtract from any provision of this Act.

The pension commission shall be authorized and empowered to do all things and to take all actions necessary to meet all requirements of Section 218 (d) of the Social Security Act in order to effect retroactive coverage to January 1, 1956 for members of Division B who voluntarily elect to become covered by the Social Security Act and to transfer their coverage to Division A as provided in Article 3. The employer shall be authorized and empowered to negotiate any agreement with the State of Tennessee to accomplish such retroactive coverage; and the employer shall act in accordance with the directions of the commission in all matters relating to any agreements or modifications of any existing agreement which may be necessary to accomplish such retroactive coverage and which shall be executed by the employer on or before December 31, 1961. The commission shall be authorized and empowered to pay from the fund to the Social Security Administration the amount of any retroactive Social Security taxes as required by such agreement or agreements or modifications of any existing agreements.

The commission shall determine whether any employee meets the health examination requirements an employee must meet to become eligible for participation as provided in Section 2.03 or Section 2.05; and the commission shall determine all questions relating to the disability of any member applying for disability benefits under this Act. The commission shall employ from time to time, upon such terms and conditions as the commission may prescribe, one or more physicians who are not members of the system. The duties of such physician or physicians shall be to perform all medical examinations required by the commission, and to investigate all health and medical statements and certificates made by or on behalf of any employee applying for membership in the system or any member applying for or receiving disability benefits under this Act. The conclusions and recommendations on all matters submitted to such physician or physicians shall be reported in writing to the commission; provided, however, the commission shall not be bound by the conclusions and recommendations of such physician or physicians.

The pension commission shall be the trustee of the fund and shall have the power to invest and reinvest the principal and income of the fund, subject to the limitation that no investment shall be made except in securities and properties which at the time of making the investment are permitted by statute for the investment of funds by fiduciaries in the State of Tennessee. Subject to such limitations, the pension commission shall have full power to hold, purchase, sell, assign, transfer, or dispose of any assets of the fund.

Sec. 1.05. Personal interest of members of pension commission prohibited.

No member of the pension commission shall have any interest, direct or indirect, in the gains or profits of any investment made by the commission, except to the extent any member of the commission may be a member, survivor, or beneficiary of the system. No member of the commission shall receive, directly or indirectly, any pay or emolument for his services except as expressly provided in this Act. No member of the commission shall, directly or indirectly, for himself or as an agent, use in any manner the funds or deposits of the system, except to make such payments therefrom as are authorized by the commission, nor shall any member of the commission become an endorser or surety or in any manner or obligor for monies loaned by or borrowed from the system.

Sec. 1.06. Payments from fund.

The Davidson County Trustee shall be the custodian of the Fund. All registered securities of the Fund shall be registered in the name of the Davidson County Pension System; every change in registration, by reason of sale or assignment of such securities, shall be accomplished by the authorized signatures of members of the pension commission; and such securities shall be delivered by the Davidson County Trustee when directed in writing by the pension commission. All payments from the Fund shall be made on authority of the pension committee. For the purpose of making payments from the Fund, there may be kept available sufficient cash on deposit to the credit of the system in one (1) or more banks or trust companies located in Davidson County, organized under the laws of Tennessee or of the United States, and qualified as State depositories.

Sec. 1.07. Members' contribution account.

The members' contribution account shall be the account to which all members' contributions, as provided in this Act, shall be credited. From this account shall be paid any refund of contributions to a member terminating his service other than by retirement or death; and at the time a member retires or dies, his account balance shall be transferred to the retirement allowance account as defined in Section 1.08. Contributions by a member shall be deducted from his earnings for each payroll period subsequent to his becoming a member; and the amount so deducted shall be deposited in the Fund by the Davidson County Trustee and credited to the member's individual account of the members' contribution account. Contributions by members provided for in this Act shall be made notwithstanding that the minimum compensation provided by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the payroll deductions made as provided in this Act; and payment of salaries or wages, less such deductions, shall be a full and complete discharge of all claims for services rendered by such members during the period covered by such payment.

In the case of a member of Division B who voluntarily elects to transfer his membership to Division A in accordance with the provisions of this Act, an amount equal to the required taxes under the Federal Insurance Contributions Act payable by such member of Division B for the period beginning January 1, 1956, and ending on the date coverage under the Social Security Act is extended to such member of Division B shall be deducted from amounts credited to his individual account of the members' contribution account.

Sec. 1.08. Retirement allowance account.

The retirement allowance account shall be the account in which all employer contributions, all amounts transferred from the members' contributions account, and all income from the invested assets of the fund shall be accumulated. From this account shall be paid the expenses of the pension commission in administering the system, death benefits, retirement benefits, and any other benefits payable after a member's retirement or death.

Sec. 1.09. Employer contributions.

The employer shall contribute monthly to the fund an amount equal to a certain percentage of the monthly earnings of members of Division A and members of Division B, based on a rate to be known as the employer contribution rate. The employer contribution rate applicable for any fiscal year shall be established by the pension commission prior to the commencement of such fiscal year on the basis of an actuarial valuation of the system made as of a valuation date within three (3) years of the beginning of such fiscal year. The employer contribution rate shall be determined actuarially based on a normal contribution rate and five percent (5%) of unfunded past service liabilities as of the date an actuarial valuation is made.

The normal contribution rate and unfunded past service liabilities shall be determined by a qualified actuary on the basis of such actuarial assumptions last adopted by the pension commission prior to said actuarial valuation date and on the basis of accepted actuarial methods. Based on the employer contribution rate, the pension commission shall determine its best estimate of the contribution required by the employer for the fiscal year then beginning and of estimated expenses of the pension commission. Such estimated amounts shall be included in the budget of the employer for such fiscal year, and the

employer shall make actual employer contributions to the fund each month based on the employer contribution rate applicable to earnings of the members in the month.

Sec. 1.10. Correction of errors.

If any change in records or error results in any member, survivor, contingent annuitant, or Beneficiary receiving from the system more or less than he would have been entitled to receive had the records been correct or had the error not been made, the commission, upon discovery of such error, shall correct the error by adjusting, as far as practicable, the payments in such a manner that the benefits to which the member, survivor, contingent annuitant, or beneficiary was correctly entitled shall be paid. If any change in records or error results in any member or the employer contributing to the fund more or less than should have been contributed had the records been correct or had the error not been made, the commission, upon discovery of such error, shall correct the error by adjusting, as far as practicable, the contribution payable by the member or the employer so that the total contributions paid will equal the amount payable had the records been correct or had the error not been made.

Sec. 1.11. Retirement benefits exempt from taxation, execution or assignment.

All retirement benefits and other benefits accrued or accruing to any person under the provisions of this Act, and the contributions by members as well as the employer, and other assets of the fund are hereby exempted from any state, county or municipal tax and shall not be subject to execution, attachment, garnishment, or any other process whatsoever, nor shall any assignment thereof be enforceable in any court.

Sec. 1.12. False statements.

Any person who shall knowingly make any false statement, or shall falsify or permit to be falsified any record or records of the system, in any attempt to defraud the system shall be guilty of a misdemeanor and upon conviction thereof shall be punished accordingly.

Sec. 1.13. Headings.

The headings and sub-headings of this Act have been inserted for convenience of reference only and are to be ignored in any construction of the provisions of this Act.

Sec. 1.14. Construction.

In the construction of this Act, the masculine shall include the feminine and the singular the plural in all cases where such meanings would be appropriate.

Sec. 1.15. Legally incompetent.

If any member, retired member, survivor, beneficiary or contingent annuitant is a minor, or is in the judgment of the pension commission otherwise legally incapable of personally receiving and giving a valid receipt for any payment due him hereunder, the commission may, unless and until claim shall have been made by a duly appointed guardian or conservator of such person, direct that such payment or any part thereof be made to such person's spouse, child, parent, brother, or sister, deemed by the commission to have incurred expenses for or assumed responsibility for the expenses of such person. Any payment so made shall be a complete discharge of any liability under the system for such payment.

Sec. 1.16. Amendment or repeal.

An amendment or repeal of any provision of this Act shall be made only following an actuarial determination of its effect on the soundness of the system's design as well as its effect on the cost of the system, and disclosure of such information to all interested persons. No amendment or repeal of a provision of this Act shall affect in any way the benefits then being paid to members, survivors, contingent annuitants or beneficiaries or benefits based on service completed prior to the date of such amendment or repeal, except as provided in Section 1.17; provided, however, that in determining such accrued benefits payable to members of Division A, the average base earnings and the average excess earnings shall be determined as of the date of the amendment or repeal, as the case may be, and in determining such accrued benefits payable to members of Division B, the credited earnings shall be determined as of the date of the amendment or repeal, as the case may be.

Sec. 1.17. Repeal of entire Act.

In event of repeal of this Act in its entirety including amendatory Acts thereto, the pension commission shall prepare a list of all members, retired members, survivors, contingent annuitants and beneficiaries, showing for each, as of the date of such repeal, the following:

(1) For each retired member, survivor, beneficiary or contingent annuitant receiving benefits, the amount and terms of payment of such benefits.

(2) For each member of Division A entitled to a deferred benefit as provided in Section 2.16 or Section 2.25, the amount and terms of payment of such benefit; and for each terminated member of Division B entitled to a deferred benefit as provided in Section 3.15(c)(2), the amount and terms of payment of such benefit.

(3) For each member of Division B, the amount of his accrued benefit computed as of the date of such repeal in the same manner as set forth in Section 3.10; and for

each member of Division A, the amount of his accrued benefit computed as of the date of repeal in the same manner as set forth in Section 2.12.

The terms of payment of such benefit for a member of Division A shall be the same as those of the deferred benefit described in Section 2.16 or Section 2.25, unless modified by a previous election of an option as provided in Section 2.26.

The benefits shown on the above list will then be separated into 'priority classes' as follows:

Priority Class A: Benefits for members who have reached their sixty-fifth birthdays, benefits for retired members who have reached their sixty-fifth birthdays, and benefits for survivors, beneficiaries and contingent annuitants of all deceased members or retired members.

Priority Class B: Benefits for members, retired members who are receiving benefits, terminated members of Division B entitled to a deferred benefit as provided in Section 3.15(c)(2), and members of Division A entitled to a deferred benefit as provided in Section 2.16 or Section 2.25; provided, however, that they have reached their fifty-fifth but not their sixty-fifth birthdays and have completed twenty (20) years of credited service.

Priority Class C: Benefit for all members, terminated members and retired members.

The commission will then arrange for the liquidation of all assets held in the fund maintained in connection with the system and prepare a statement of the liquidated value of such assets. The commission will then arrange for the application of the assets of the fund to purchase annuities from an insurance company or companies, to provide in full, if such assets are sufficient to do so, the benefits in Priority Class A. If such assets are not sufficient to purchase one hundred percent (100%) of benefits in Priority Class A, they shall be applied in full to purchase such uniform percentage as can be purchased. If the assets of the Fund are more than sufficient to purchase one hundred percent (100%) of the benefits in Priority Class A, the remainder shall be applied in the same manner to purchase all or a uniform percentage of benefits in Priority Class B. If the remaining assets are more than sufficient to purchase one hundred percent (100%) of the benefits in Priority Class B, the remainder shall be applied in the same manner to purchase all or a uniform percentage of benefits in Priority Class C. If the remaining assets are more than sufficient to purchase one hundred percent (100%) of the benefits in Priority Class C, the remainder shall revert to the employer. Upon completion of the steps specified above, this Act shall be considered repealed, and no member, retired member, survivor, beneficiary or contingent annuitant shall have any further right or claim to benefits under this Act.

Sec. 1.18. Termination of system by default.

In the event the employer fails for four (4) consecutive fiscal years to contribute in accordance with the provisions of Section 1.09, the system shall automatically terminate and the provisions of Section 1.17 shall apply in the same manner as though the Act in its entirety had been repealed.

Sec. 1.19. Right of employment.

Nothing contained in this Act shall be deemed to give any member or employee the right to be retained in the employment of the employer or to interfere with the right of the employer to discharge any member or employee, regardless of the effect which such discharge would have upon him as a member.

ARTICLE 2. DIVISION A

Sec. 2.01. Introduction.

Article 2 shall apply only to Employees eligible to participate in Division A and to members of Division A as provided in Article 2. Article 2 shall not apply to employees who are members of Division B. Members of Division A shall be covered by the Social Security Act.

Sec. 2.02. Definitions.

When used in Article 2, and in Article 1, the following words and phrases shall have the meaning indicated unless otherwise defined or required by the context:

(a) *Prior service* shall mean all service, whether continuous or not, prior to the effective date; provided, however, that any person who becomes an employee after the effective date shall not be allowed credit for prior service.

(b) *Current service* shall mean all continuous, uninterrupted service after the effective date and prior to the date as of which current service is being determined; provided, however, current service shall not include the service of an employee after he has reached his seventieth birthday. Current Service shall not be deemed to be interrupted, but shall not include extended sick leave or leave of absence granted by the appointing officer of the employee and approved by the pension commission, or any service, voluntary or involuntary, in the Armed Forces of the United States, provided the employee is entitled to re-employment under the provisions of the Universal Military Training and Service Act and amendments thereto, or any law applicable to such re-employment, and provided further that the employee

shall apply for re-employment with the employer within the time specified by law and in the manner and under the conditions prescribed by law.

(c) *Credited service* shall mean the sum of prior service, if any, and current service. Credited service shall be expressed in years and a decimal fraction of a year based on completed calendar months.

(d) *Base earnings* shall mean that part of earnings in any calendar year which is subject to Social Security tax.

(e) *Excess earnings* shall mean that part of earnings in any calendar year which is not subject to Social Security tax.

(f) *Average* shall mean an arithmetic average determined for the full calendar years of credited service of a member of Division A commencing with the calendar year 1956 and ending with the calendar year preceding the date as of which such average is being determined, or based on such lesser number of full calendar years of credited service actually completed by a member of Division A; provided, however, that in no case shall such average be based on more than ten (10) full calendar years preceding the date as of which such average is being determined.

(g) *Average base earnings* shall mean the average of base earnings; provided, however, that in the case of delayed retirement, such average shall not be less than the average of base earnings determined as of the normal retirement date.

(h) *Average excess earnings* shall mean the average of excess earnings; provided, however, that in the case of delayed retirement, such average shall not be less than the average of excess earnings determined as of the normal retirement date.

(i) *Normal retirement date* shall mean the first day of the month next following the sixty-fifth birthday of a member of Division A.

(j) *Beneficiary* shall mean the person last designated in writing by a member of Division A in accordance with the provisions of Section 2.06 to receive benefits payable on the death of a member of Division A.

(k) *Contingent annuitant* shall mean the person last designated in writing by a member of Division A to receive benefits payable under option A or option B as provided in Section 2.27.

Sec. 2.03. Eligibility and participation of a person becoming an employee after the effective date.

Each person becoming an employee after the effective date shall, as a condition of employment, become a member of Division A as of the first day of the month next following completion of six (6) full calendar months of current service, provided he meets the minimum health requirements established by the pension commission. Any employee who does not meet such minimum health requirements shall become a member of Division A on the date the pension commission certifies in writing that he does meet such requirements; provided, however, that all service prior to such certification shall not be included as current service, notwithstanding anything in this Act to the contrary.

Sec. 2.04. Eligibility and participation of a member of Division B who transfers his membership to Division A.

Each employee who is a member of Division B and who voluntarily elects in writing to transfer his membership to Division A, in accordance with the provisions of Article 3 of this Act, shall thereafter be a member of Division A. A member of Division B who voluntarily elects to transfer his membership to Division A, in accordance with the provisions of Article 3 of this Act, shall cease to be a member of Division B and shall thereafter have no rights under Article 3 of this Act.

Sec. 2.05. Eligibility and participation of employees on the effective date who are not members of Division B.

Each employee on the effective date who is not then a member of Division B shall be eligible to become a member of Division A as of the first day of the month next following completion of six (6) full calendar months of credited service, or on the effective date, whichever is later, provided he meets the minimum health requirements established by the pension commission. Any Employee who does not meet such minimum health requirements shall become a member of Division A on the date the pension commission certifies in writing that he does meet such requirements; provided, however, that all credited service prior to such certification shall not be included as credited service, notwithstanding anything in this Act to the contrary.

An employee on the effective date who is not then a member of Division B shall deliver on or before September 15, 1961 written notice to the pension commission of his election to become a member of Division A. In the case of an employee on authorized leave of absence on the effective date, such written notice must be delivered to the pension commission within sixty (60) days of his return to active employment. If an employee does not deliver such written notice within the time limits prescribed in this section, he shall be deemed to have refused membership in Division A, and he shall forfeit his right to any credit for prior service if he subsequently

delivers such written notice, notwithstanding anything in this Act to the contrary. He may subsequently deliver such written notice to the pension commission, but he shall not have any right to credit for prior service and he shall pay into the fund all contributions he would have made from the effective date to the date he delivers such written notice to the pension commission.

Sec. 2.06. Beneficiary designation.

A member of Division A may designate any person as beneficiary to receive benefits provided by Article 2 and payable upon the death of the member of Division A. A change in such designation may be made at any time by the member of Division A, subject to the provisions of Section 2.26. Such designation or change in designation shall be submitted in writing to the pension commission in such form and manner as the commission may prescribe. No designation of beneficiary shall be effective unless it has been received by the pension commission prior to the date of death of the member of Division A. Upon any change in designation of beneficiary, the rights of all previously designated beneficiaries to receive any benefits provided by Article 2 shall cease.

Sec. 2.07. Termination of membership in Division A.

If a member of Division A terminates his membership in Division A, he shall thereafter forfeit all rights to any benefit or benefits provided by Division A arising from service completed prior to the date his membership is terminated. The membership of any member of Division A shall terminate upon:

(a) Withdrawal of his contributions at or any time after termination of employment, regardless of his length of credited service;

(b) Termination of employment, unless at such termination of employment he has completed fifteen (15) years of credited service and he does not withdraw his contributions;

(c) Retirement, except disability retirement followed by re-employment as an employee subject to Section 2.17, or early retirement, if a monthly deferred early retirement benefit was elected, followed by re-employment as an employee subject to Section 2.16;

(d) Death;

(e) Termination of employment at any time with prejudice, where 'prejudice' shall mean the termination of employment of a member of Division A as a result of his conviction in a court of competent jurisdiction of embezzlement or larceny of public funds or properties, or malfeasance in office, or shall mean the forcing of a member of Division A to make restitution of any funds or properties similarly taken by the member of Division A which resulted in his termination of employment.

Sec. 2.08. Prior service certificates.

As soon as practicable after the effective date, the pension commission shall determine the prior service of each member of Division A who was an employee on the effective date and shall issue to such member of Division A a certificate of his prior service. If the pension commission discovers that the prior service recorded on a certificate is incorrect, a corrected certificate shall be issued promptly which shall supersede any certificate previously issued. Copies of such certificates shall become a part of the permanent records maintained by the pension commission for the purpose of determining benefits payable to members of Division A or to their beneficiaries or contingent annuitants. In establishing such records, the pension commission may require, in its discretion, members of Division A, beneficiaries, contingent annuitants and other persons to submit affidavits as to any information and data which affect benefits payable to members of Division A or their beneficiaries or contingent annuitants. When a member of Division A terminates his membership in Division A as provided in Section 2.07, his certificate of prior service shall become void.

Sec. 2.09. Contributions rates of members of Division A.

Each employee who is a member of Division A shall contribute to the fund in accordance with the contribution rate or rates per calendar year which shall be (a) and (b), as follows:

(a) The contribution rate shall be three percent (3%) of base earnings;

(b) The contribution rate shall be six percent (6%) of excess earnings.

The amount of contribution payable in any payroll period by each member of Division A shall be computed, consistent with the provisions of this section to the extent administratively feasible, in such manner as determined by the pension commission, and shall be made by payroll deductions in accordance with the provisions of Section 1.07 of this Act.

Sec. 2.10. Application for benefits.

Before any benefit provided for in Article 2 can be paid, all conditions applicable to the payment of the benefit must be met, application for the benefit must be presented to the pension commission in such form and manner as the commission shall determine, and the payment of benefit must be approved by the pension

commission. If any retirement benefit provided for in Article 2 is less than twenty dollars ($20.00) per month, the pension commission in its discretion may pay the actuarially equivalent value of such benefit in one lump sum, or in such other manner as the commission may determine.

Sec. 2.11. Normal retirement—Conditions.

Each member of Division A shall be eligible to retire on his normal retirement date and to receive a benefit as provided in Section 2.12.

Sec. 2.12. Normal retirement benefit.

A member of Division A shall, upon retirement on his normal retirement date, receive a monthly normal retirement benefit which shall be payable on his normal retirement date and on the first day of each month thereafter during his lifetime, computed as of his normal retirement date as one-twelfth (1/12) of the product of (a) and (b):

(a) Credited service.

(b) Seventy-five one-hundredths percent (0.75%) of average base earnings, plus one and fifty one-hundredths percent (1.50%) of average excess earnings.

Notwithstanding anything in this Act to the contrary, no amendment of this Act shall have the effect of changing either the ratio of the contribution rate applicable to base earnings (as provided in Section 2.09) and the benefit rate applicable to average base earnings (as provided in this Section), or the ratio of the contribution rate applicable to excess earnings (as provided in Section 2.09) and the benefit rate applicable to average excess earnings (as provided in this section).

Sec. 2.13. Delayed retirement—Conditions.

A member of Division A may remain in the active employment of the employer beyond his normal retirement date, if requested in writing to do so by the head of his department and with the written approval of the pension commission, and shall be eligible to retire on his delayed retirement date, which shall be the first day of any month following the effective date and his normal retirement date, and to receive a benefit as provided in Section 2.14. In no case shall a member of Division A, other than an official of the employer who is elected by popular vote, or by the Davidson County Quarterly Court, remain in the active employment of the Employer beyond his seventy-fifth birthday; provided, however, that such member of Division A who has reached his seventy-fifth birthday on the effective date shall not be required to retire for a period of three (3) years after the effective date.

Sec. 2.14. Delayed retirement benefit.

A member of Division A shall, upon retirement on his delayed retirement date, receive a monthly delayed retirement benefit, which shall be payable on his delayed retirement date and on the first day of each month thereafter during his lifetime, computed in the same manner set forth in Section 2.12, except that such computation shall be made as of his delayed retirement date.

Sec. 2.15. Early retirement—Conditions.

A member of Division A who has reached his fifty-fifth birthday and completed twenty (20) years of credited service shall be eligible to retire on his early retirement date, which shall be the first day of any month thereafter but prior to his normal retirement date, and to receive a benefit as provided in Section 2.16.

Sec. 2.16. Early retirement benefit.

A member of Division A shall, upon retirement on his early retirement date, receive either (a) or (b) as follows:

(a) a monthly deferred early retirement benefit, which shall be payable on his normal retirement date, provided he is then living, and on the first day of each month thereafter during his lifetime, computed in the same manner set forth in Section 2.12, except that such computation shall be made as of his early retirement date; provided, however, that if the date of death of such member of Division A occurs after his termination of employment and prior to his normal retirement date, his beneficiary shall receive a refund of the contributions standing to the credit of such deceased member of Division A; or

(b) an immediate monthly early retirement benefit, which shall be payable on his early retirement date and on the first day of each month thereafter during his lifetime, the amount of which shall be the amount of benefit provided in subparagraph (a) of this section, but reduced by five-twelfths percent (5/12%) thereof for each full month in the period of time between his early retirement date and his normal retirement date.

If a member of Division A who has elected a monthly deferred early retirement benefit as provided in subparagraph (a) of this section is re-employed by the employer, his credited service shall not be deemed to have been interrupted, but shall not include any time during which he was not an employee.

Sec. 2.17. Definition of disability—Requirements.

Disability shall mean a physical or mental condition of a member of Division A which has persisted for six (6) continuous months, which is likely to be permanent, and

which has rendered him incapable of performing work which would provide income at a rate of twenty-five percent (25%) or more of his regular rate of earnings at the time such disability began. Loss by severance of both hands at or above the wrists, or both feet at or above the ankles, or one hand above the wrist and one foot at or above the ankle, or the complete irrecoverable loss of the sight of both eyes, shall conclusively determine disability, notwithstanding the extent of the income of the member of Division A after the date of such loss.

Notwithstanding any provision of this section to the contrary, disability as defined in this section shall not include a physical or mental condition which results directly or indirectly from:

(a) Injury intentionally self-inflicted;

(b) Injury or disease resulting from military service; or

(c) Injury or disease suffered or contracted prior to the last date hired as an employee by the employer.

The pension commission shall have exclusive authority to determine the existence of disability. The commission, in its sole discretion, may secure such medical and other evidence as it deems necessary and appropriate. once each calendar year, the pension commission may require any retired member who is receiving a disability benefit and who has not reached his normal retirement date to undergo a medical examination by a physician or physicians designated by the pension commission; and such examination shall be made at the place of residence of such retired member or at any other place the pension commission designates. If the pension commission determines from such medical examination or any other evidence that the disability of the retired member has ceased, his disability benefit shall be discontinued as of the date of such determination. If a retired member refuses to submit to such medical examination, his disability benefit shall be discontinued until he shall actually undergo such medical examination; and if he fails to undergo such medical examination for one year from the date the pension commission requires such medical examination, his disability benefit shall be discontinued permanently. Prior to July 1 in each calendar year, each retired member who received a disability benefit in the preceding calendar year and who has not reached his normal retirement date shall submit proof satisfactory to the pension commission of the amount of his income earned in such preceding calendar year and derived from performing work. If the pension commission determines that such income is twenty-five percent (25%) or more of his regular rate of annual earnings at the time such disability began, his disability benefit shall be discontinued as of the date of such determination; provided, however, that if the retired member reapplies for disability benefits and the commission determines that disability exists, payment of his disability benefit shall resume as of the date of such determination. If a retired member refuses or fails to submit such proof to the pension commission prior to July 1, in each calendar year, his disability benefit shall be discontinued after such date and until he actually submits such proof; and if he fails to submit such proof within one year of such date, his disability benefit shall be discontinued permanently. If the disability benefit of a retired member is discontinued permanently prior to his normal retirement date and he is re-employed by the employer within six (6) months following the date his disability ceases, his credited service shall not be deemed to have been interrupted, but shall not include any time during which he was not an employee.

Sec. 2.18. Disability not in line of duty—Conditions.

A member of Division A who is an employee, who has completed fifteen (15) years of credited service, and who has become disabled as defined in Section 2.17 shall be eligible to retire from the active employment of the employer on his disability retirement date, which shall be the first day of the month following the determination by the pension commission that he is disabled, and to receive a disability benefit as provided in Section 2.19.

Sec. 2.19. Disability not in line of duty—Benefit.

A member of Division A shall receive a monthly disability retirement benefit, which shall be payable on his disability retirement date, as defined in Section 2.18, and on the first day of each month thereafter during the period of his disability, as defined in Section 2.17, and during his lifetime. Such monthly disability retirement benefit shall be computed in the same manner set forth in Section 2.12 except that such computation shall be made as of his disability retirement date and the amount of such benefit shall not be less than fifty dollars ($50.00) per month. A member of Division A shall also receive, upon retirement on his disability retirement date, as defined in Section 2.18, a lump sum benefit equal to six (6) months of his monthly disability retirement benefits.

Sec. 2.20. Disability in line of duty—Conditions.

A member of Division A who is an employee and who becomes disabled, as defined in Section 2.17, as a direct result of any act or thing done which, as determined in the discretion of the pension commission, was required of him in the performance of his duty as an employee shall be eligible to retire from the active employment of

the employer on his disability retirement date, which shall be the first day of the month following the determination by the pension commission that he is disabled, and to receive a disability benefit as provided in Section 2.21.

Sec. 2.21. Disability in line of duty—Benefit.

A member of Division A shall receive a monthly disability retirement benefit, which shall be payable on his disability retirement date, as defined in Section 2.20, and on the first day of each month thereafter during the period of his disability, as defined in Section 2.17, and during his lifetime. Such monthly disability retirement benefit shall be either (a) or (b) as follows, whichever is the larger amount:

(a) A monthly benefit computed in the same manner set forth in Section 2.12 except that such computation shall be made as of his disability retirement date and the amount of such benefit shall not be less than fifty dollars ($50.00) per month; or

(b) A monthly benefit equal to one-twelfth ($^1/_{12}$) of the sum of fifty percent (50%) of average base earnings and fifty percent (50%) of average excess earnings determined as of his disability retirement date; provided, however, that such sum shall be reduced by the primary insurance amount being paid to such member of Division A under the Social Security Act.

A member of Division A who is eligible to receive a disability benefit in accordance with the provisions of subparagraph (b) of this section shall submit proof satisfactory to the pension commission that he has filed with the Social Security Administration an application for disability benefits in accordance with the provisions of the Social Security Act. The pension commission may require from time to time a member of Division A who is eligible to receive a disability benefit in accordance with the provisions of subparagraph (b) of this section to file an application for disability benefits with the Social Security Administration. If such member of Division A fails or refuses to file such application, the pension commission shall estimate what would have been his primary insurance amount if a valid application for disability benefits had been filed, and his monthly disability benefit payable as provided in subparagraph (b) of this section shall be reduced by such estimated primary insurance amount.

Sec. 2.22. Death benefits before retirement.

If the date of death of a member of Division A occurs prior to the commencement of any benefits provided by this Act and prior to the first day of the month following his fifty-fifth birthday and his completion of twenty (20) years of credited service, his beneficiary shall receive a lump sum payment of the member's contributions standing to the credit of the deceased member of Division A. If the date of death of a member of Division A, who was in the active employment of the Employer on such date, occurs prior to the commencement of any benefits provided by this Act, but subsequent to the first day of the month following his fifty-fifth birthday and his completion of twenty (20) years of credited service, his then living beneficiary shall receive a monthly survivor benefit, which shall be payable on the first day of the month following the date of death of the member of Division A and during the lifetime of such beneficiary. Such monthly survivor benefit shall be computed as though the member of Division A had retired on the day before his date of death and had elected option B as provided in Section 2.27; provided, however, that if no beneficiary is living on the date of death of the member of Division A, a refund of his contributions shall be payable to his estate. In lieu of all other benefits payable to a beneficiary upon the death of a member of Division A, the beneficiary may elect to receive a lump sum payment of the member's contributions standing to the credit of the deceased member of Division A.

Sec. 2.23. Death benefits after retirement.

No death benefits shall be payable in the case of a retired member of Division A whose date of death occurs after retirement, unless the deceased retired member of Division A elected an optional form of benefit specifically provides for a death benefit.

Sec. 2.24. Termination of employment before fifteen (15) years of credited service.

Any member of Division A who has completed less than fifteen (15) years of credited service at the time of his termination of employment shall receive, in lieu of all other benefits he is eligible to receive, a refund of the member's contributions standing to his credit.

Sec. 2.25. Termination of employment after fifteen (15) years of credited service.

A member of Division A who has completed at least fifteen (15) years of credited service at the time of his termination of employment may elect to receive, in lieu of all other benefits he is eligible to receive, either (a) or (b) as follows:

(a) A refund of the member's contributions standing to his credit; or

(b) A monthly deferred vested retirement benefit, which shall be payable on his normal retirement date, provided he is then living, and on the first day of each month thereafter during his lifetime, computed in the same manner set forth in Section 2.12, except that such

computation shall be made as of his date of termination of employment; provided, however, that if the date of death of such Member of Division A occurs prior to his Normal Retirement Date, his Beneficiary shall receive a refund of the Member's contributions standing to the credit of such deceased Member of Division A.

Notwithstanding anything in this section to the contrary, if the termination of employment of a member of Division A is with prejudice, as defined in Section 2.07(e), he shall not be entitled to elect a monthly deferred vested retirement benefit in accordance with subparagraph (b) of this section. If a member of Division A who has elected a monthly deferred vested retirement benefit as provided in subparagraph (b) of this section is re-employed by the employer, his credited service shall not be deemed to have been interrupted, but shall not include any time during which he was not an employee.

Sec. 2.26. Election of optional retirement benefits.

A member of Division A entitled to a retirement benefit, other than the disability benefit as provided in Section 2.19 or Section 2.21, may elect ninety (90) days or more prior to his retirement date to have a retirement benefit payable under one of the options set forth in Section 2.27 in lieu of all the benefits he may otherwise be entitled to receive. The benefit shall be paid in accordance with the terms of the option elected. A member of Division A may revoke his election of an option, and he may make a new election at any time at least ninety (90) days prior to retirement; provided, however, that if his beneficiary or contingent annuitant, as the case may be, dies prior to retirement, he may elect a new option at any time prior to retirement. Election of any option shall be subject to the approval of the pension commission and shall be made by the member of Division A in writing and in such manner and form as the pension commission may prescribe. The beneficiary or contingent annuitant last designated by the member of Division A prior to the date he delivers written application for an option to the pension commission shall be the beneficiary or contingent annuitant, as the case may be, to receive any benefits payable after his death. The election of option A or option B by a member of Division A shall be null and void if the member of Division A or his contingent annuitant, as the case may be, dies before benefits commence.

Sec. 2.27. Description of options.

The amount of any optional retirement benefit set forth in this section shall be based on option rates adopted from time to time by the pension commission and shall be actuarially equivalent in value to the benefit that would otherwise be payable to a retired member; provided, however, that an optional retirement benefit in lieu of the delayed retirement benefit as provided in Section 2.14 shall not be less than if based on the option rate that would have been applicable had retirement occurred at his normal retirement date.

Option A: *Joint and Survivor Option:* a decreased retirement benefit payable to the retired member for life which shall continue after his death to the surviving contingent annuitant for life in the same amount as that payable to the retired member.

Option B: *Modified Joint and Survivor Option:* a decreased retirement benefit payable to the retired member for life which shall continue after his death to the surviving contingent annuitant for life in the amount of fifty percent (50%) of the amount that was payable to the retired member.

Option C: *Social Security Option:* an increased retirement benefit payable to the retired member during his lifetime until his normal retirement date and a reduced retirement benefit payable thereafter for life in order to have a more level retirement income when such reduced retirement benefit is added to his primary insurance amount payable under the Social Security Act. The optional benefit shall be based on the retired member's estimated primary insurance amount payable under the Social Security Act as such Act exists on his early retirement date.

Option D: *120 Payments Certain and Life Option:* a decreased retirement benefit payable for life with the first 120 payments guaranteed. Any guaranteed payments due after the death of the retired member shall be payable to his beneficiary.

Sec. 2.28. Coverage by Social Security Act.

All members of Division A shall be covered by the Social Security Act. Any member of Division B who desires to transfer his coverage from Division B to Division A must do so by written notice of his election delivered to the pension commission prior to September 15, 1961. Each member of Division B who elects to transfer his coverage from Division B to Division A shall, as a condition of such transfer, contribute retroactive Social Security taxes as provided in Section 1.07 of this Act, contribute Social Security taxes from the effective date, and make contributions to the fund as provided in Section 2.09.

ARTICLE 3. DIVISION B

Sec. 3.01. Introduction.

This article shall apply only to employees eligible to participate in Division B and to Members of Division B as provided herein. This article shall not apply to employees who are members of Division A. Members of Division B shall not be covered by the Social Security Act.

Sec. 3.02. Definitions.

When used in this Article 3 and in Article 1, the following words and phrases shall have the meaning indicated unless otherwise defined or required by the context:

(a) *Prior service* shall mean all service, whether continuous or not, prior to the effective date; provided, however, that prior service shall include all years and completed calendar months prior to the effective date during which an employee was a member of the Davidson County Teachers' Retirement Plan. Prior service shall include any service in the Armed Forces of the United States during World War II, provided the employee was employed by the employer immediately prior to entering such service.

(b) *Current service* shall mean all continuous, uninterrupted service after the effective date and prior to the date as of which current service is being determined. Current service shall not be deemed to be interrupted, but shall not include extended sick leave or leave of absence granted by the appointing officer of the employee and approved by the pension commission, or any service, voluntary or involuntary, in the Armed Forces of the United States, provided the employee is entitled to re-employment under the provisions of the Universal Military Training and Service Act and amendments thereto, or any law applicable to such re-employment, and provided further that the Employee shall apply for re-employment with the employer within the time specified by law and in the manner and under the conditions prescribed by law.

(c) *Credited service* shall mean the sum of prior service, if any, and current service. Credited service shall be expressed in years and a decimal fraction of a year based on completed calendar months.

(d) *Credited earnings* shall mean the highest earnings in any full calendar year of credited service in which the employee contributed to this fund or the Davidson County Employees' Pension and Insurance Fund, as it existed prior to the effective date of this Act.

(e) *Dependent child* shall mean a child of a member or retired member of Division B who is a natural born or adopted child and who has not reached his sixteenth birthday, including a natural born child of a member or retired member of Division B who is born within ten (10) months after the date of death of the member or retired member of Division B.

(f) *Dependent mother* shall mean the natural mother or the stepmother of a member or retired member of Division B who received more than one-half (1/2) of her support from the member or retired member of Division B for the full calendar year next preceding the date of death of the member or retired member of Division B; provided, however, that if such woman remarries after the date of death of the member of Division B, she shall cease, for purposes of Article 3, to be the dependent mother of a deceased member or retired member of Division B.

(g) *Widow* shall mean the woman to whom a deceased retired member was married on his date of retirement and for five (5) full years prior to his date of retirement, or the woman to whom a deceased member of Division B was married on his date of death and for five (5) full years prior to his date of death; provided, however, that if such woman remarries, she shall cease, for the purposes of this Article 3, to be the widow of a deceased member or retired member of Division B.

(h) *Survivor* shall mean the widow, or the dependent child, or the dependent mother of a deceased member or retired member of Division B who is eligible to receive any benefits payable upon the death of the member or retired member of Division B as provided in this Article 3.

(i) *Normal retirement date* shall mean the first day of the month next following the sixtieth birthday of a member of Division B and the completion of twenty-four (24) years of credited service, or the completion of thirty (30) years of credited service by a member of Division B, whichever is the earlier date.

Sec. 3.03. Eligibility and participation.

Each employee, including any employee who was on authorized leave of absence from the employer as of the effective date, who was covered by the Davidson County Employees' Pension and Insurance Fund as of June 30, 1961 shall become a member of Division B on the effective date. Each employee who was not covered by the Davidson County Employees' Pension and Insurance Fund as of June 30, 1961 shall not be eligible to become a member of Division B. Each person who becomes an employee on or after the effective date shall not be eligible to become a member of Division B.

Sec. 3.04. Transfer of membership to Division A.

Such employee who is a member of Division B as of the effective date may elect voluntarily to transfer his membership to Division A, subject to written application received by the pension commission on or before September 15, 1961. Following the receipt by the pension commission of such application, he shall become a member of Division A as of the effective date; provided, however, that he shall not be eligible to receive any benefit provided by Division A unless and until coverage by the Social Security Act is effective. If a member of Division B who transfers his membership to Division A retires, dies, or terminates his employment prior to the date coverage by the Social Security Act is effective, he shall be eligible to receive benefits provided by Division B, and he shall not be eligible to receive any benefit provided by Division A. After the date Social Security coverage is effective, he shall have no right thereafter to any benefit provided by Division B.

Sec. 3.05. Termination of membership in Division B.

If a member of Division B terminates his membership in Division B, he shall not be eligible thereafter to become a member of Division B. The membership of any member of Division B shall terminate upon:

(a) Termination of employment;

(b) Retirement, except disability retirement followed by re-employment as an employee subject to Section 3.11 and Section 3.13;

(c) Death;

(d) Termination of employment at any time with prejudice, where 'prejudice' shall mean the termination of employment of a member of Division B as a result of his conviction in a court of competent jurisdiction of embezzlement or larceny of public funds or properties, or malfeasance in office, or shall mean the forcing of a member of Division B to make restitution of any funds or properties similarly taken by the member of Division B which resulted in his termination of employment.

Sec. 3.06. Prior service certificates.

As soon as practicable after the effective date, the pension commission shall determine the prior service of each member of Division B who was an Employee on the effective date and shall issue to such member of Division B a certificate of his prior service. If the pension commission discovers that the prior service recorded on a certificate is incorrect, a corrected certificate shall be issued promptly which shall supersede any certificate previously issued. Copies of such certificates shall become a part of the permanent records maintained by the pension commission for the purpose of determining benefits payable to members of Division B or to their survivors. In establishing such records, the pension commission may require, in its discretion, members of Division B, survivors and other persons to submit affidavits as to any information and data which affect benefits payable to members of Division B and their survivors. When a member of Division B terminates his membership in Division B as provided in Section 3.05, his certificate of prior service shall become void.

Sec. 3.07. Contribution rates of members and retired members of Division B.

Each employee who is a member of Division B shall contribute to the fund in accordance with the applicable contribution rate per calendar year which shall be (a) or (b) or (c), as follows:

(a) The contribution rate for each male member of Division B shall be five percent (5%) of his earnings in each calendar year during which he is a member of Division B; or

(b) The contribution rate for each female member of Division B who has elected to have benefits payable to her survivor in accordance with the provisions of this Article 3 shall be five percent (5%) of her earnings in each calendar year during which she is a member of Division B; or

(c) The contribution rate for each female member of Division B who has not elected to have benefits payable to her survivor in accordance with the provisions of this Article 3 shall be two and one-half percent (2½%) of her earnings in each calendar year during which she is a member of Division B.

The amount of contribution payable in any payroll period by each member of Division B shall be computed, consistent with the provisions of this section to the extent administratively feasible, in such manner as determined by the pension commission, and shall be made by payroll deductions in accordance with the provisions of Section 1.07 of this Act.

If a member of Division B has not contributed to the fund as of his retirement date for the required number of years in accordance with the applicable provisions of this article, he shall continue to contribute each month to the fund, until he has contributed for such required number of years, in accordance with the applicable contribution rate per month which shall be (d) or (e) or (f), as follows:

(d) The contribution rate for each male retired member shall be one-twelfth (1/12) of five percent (5%) of his credited earnings; or

(e) The contribution rate for each female retired member who has elected to have benefits payable to her survivor in accordance with the provisions of this Article 3 shall be one-twelfth (1/12) of five percent (5%) of her credited earnings; or

(f) The contribution rate for each female retired member who has not elected to have benefits payable to her Survivor in accordance with the provisions of this Article 3 shall be one-twelfth (1/12) of two and one-half percent (2½%) of her credited earnings.

The amount of contribution, if any, payable by a retired member shall be collected by deductions from retirement benefits payable to him or by contributions payable by the retired member on or before the first day of each month. The pension commission in its discretion may determine, with or without uniformity, the method of collecting contributions to the fund by retired members, and the commission shall have the right to change such method at any time.

The contribution rates of members and retired members of Division B set forth in this Section shall be effective as of the effective date. The amount of contribution payable, in accordance with the provisions of the Davidson County Employees' Pension and Insurance Fund as it existed prior to the effective date, by each retired member who retired prior to the effective date shall not be increased or decreased by the provisions of this Act; but such amount shall be payable to this fund for the same period of time required by the Davidson County Employees' Pension and Insurance Fund as it existed prior to the effective date. The amount of contribution by a member of Division B which was payable prior to the effective date, in accordance with the provisions of the Davidson County Employees' Pension and Insurance Fund as it existed prior to the Effective Date, shall not be increased or decreased by the provisions of this Act; provided, however, that members and retired members of Division B who retire on or after the effective date shall contribute to this fund on and after the effective date in accordance with the contribution rates set forth in this section.

Sec. 3.08. Application for benefits.

Before any benefit provided for in this Article 3 can be paid, all conditions applicable to the payment of the benefit must be met, application for the benefit must be presented to the pension commission in such form and manner as the commission shall determine, and the payment of benefit must be approved by the pension commission. If any retirement benefit provided for in this Article 3 is less than twenty dollars ($20.00) per month, the pension commission in its discretion may pay the actuarially equivalent value of such benefit in one lump sum, or in such other manner as the commission may determine.

Sec. 3.09. Normal retirement—Conditions.

Each member of Division B shall be eligible to retire on his normal retirement date and to receive a benefit as provided in Section 3.10.

Sec. 3.10. Normal retirement benefit.

A member of Division B shall, upon retirement on his normal retirement date, receive a monthly normal retirement benefit which shall be payable on his normal retirement date and on the first day of each month thereafter during his lifetime and which shall be equal to one-twelfth (1/12) of fifty percent (50%) of his credited earnings; provided, however, that if the member of Division B has not contributed to the fund as of his normal retirement date for twenty-four (24) full years, he shall contribute to the fund in accordance with the applicable contribution rate of a retired member as set forth in Section 3.07, and he shall contribute such amount during his lifetime or until he has made contributions to the fund before and after retirement for twenty-four (24) full years, whichever is the shorter period of time.

Sec. 3.11. Disability in line of duty—Conditions.

Disability in line of duty shall mean a bodily injury or injuries which was received by accidental means, which resulted directly and exclusively of all other causes during the time a member of Division B was engaged in the regular duties of his employment, which is likely to be permanent, and which has rendered him incapable of performing the duties of his employment. The pension commission shall have exclusive authority to determine the existence of disability in line of duty.

The pension commission, in its sole discretion, may secure medical and other evidence as it deems necessary and appropriate. Once each calendar year, the pension commission may require any retired member who is receiving a disability benefit because of disability in line of duty and who has not reached his sixtieth birthday to undergo a medical examination by a physician or physicians designated by the pension commission, and such examination shall be made at the place of residence of such retired member or at any other place the pension commission designates. If the pension commission determines from such medical examination or any other evidence that the disability of the retired member has ceased or that he is able to resume employment with the employer at an annual earnings rate equal to or greater than that in effect at the time disability was initially

determined, his disability benefit shall be discontinued as of the date of such determination. If a retired member refuses to submit to such medical examination, his disability benefit shall be discontinued until he shall actually undergo such medical examination; and if he fails to undergo such medical examination for one year from the date the pension commission requires such medical examination, his disability benefit shall be discontinued permanently.

If the disability benefit of a retired member is discontinued permanently prior to his sixteenth birthday and he is re-employed by the employer within six (6) months of the date his disability ceases, his credited service shall not be deemed to have been interrupted, but shall not include any time during which he was not an employee.

A member of Division B who is an employee and who becomes disabled as defined in this section shall be eligible to retire on his disability retirement date which shall be the first day of the month following the determination by the pension commission that he is disabled, and to receive a disability benefit as provided in Section 3.12.

Sec. 3.12. Disability in line of duty—Benefit.

A member of Division B shall receive a monthly disability retirement benefit, which shall be payable on his disability retirement date, as defined in Section 3.11, and on the first day of each month thereafter during the period of his disability, as defined in Section 3.11, and during his lifetime. Such monthly disability retirement benefit shall be equal to one-twelfth ($^1/_{12}$) of fifty percent (50%) of his credited earnings.

Sec. 3.13. Disability not in line of duty—Conditions.

Disability not in line of duty shall mean a physical or mental condition of a member of Division B which has rendered him incapable of efficiently discharging the duties of his position, which is likely to be permanent, and which has rendered him incapable of being gainfully employed. The pension commission shall have exclusive authority to determine the existence of disability not in line of duty. The pension commission, in its sole discretion, may secure medical and other evidence as it deems necessary and appropriate. Once each calendar year, the pension commission may require any retired member who is receiving a disability benefit because of disability not in line of duty and who has not reached his sixtieth birthday to undergo a medical examination by a physician or physicians designated by the pension commission, and such examination shall be made at the place of residence of such retired member or at any other place the pension commission designates. If the pension commission determines from such medical examination or any other evidence that the disability of the retired member has ceased, his disability benefit shall be discontinued as of the date of such determination. If a retired member refuses to submit to such medical examination, his disability benefit shall be discontinued until he shall actually undergo such medical examination; and if he fails to undergo such medical examination for one year from the date the pension commission requires such medical examination, his disability benefit shall be discontinued permanently. Prior to July 1 in each calendar year, the pension commission may require any retired member who received a disability benefit in the preceding calendar year because of disability not in line of duty and who has not reached his sixteenth birthday to submit proof satisfactory to the pension commission of the amount of his income earned in such preceding calendar year and derived from gainful employment. If the pension commission determines that he is gainfully employed, his disability benefit shall be discontinued as of the date of such determination; provided, however, that if the retired member reapplies for disability benefits and the commission determines that disability exists, payment of his disability benefit shall resume as of the date of such determination. If a retired member refuses to submit such proof to the pension commission prior to July 1 in each calendar year, his disability benefit shall be discontinued after such date and until he actually submits such proof; and if he fails to submit such proof within one year of such date, his disability benefit shall be discontinued permanently. If the disability benefit of a retired member is discontinued permanently prior to his sixtieth birthday and he is re-employed by the employer within six (6) months of the date his disability ceases, his credited service shall not be deemed to have been interrupted, but shall not include any time during which he was not an employee. A member of Division B who is an employee, who has completed at least five (5) years of credited service, and who becomes disabled as defined in this section shall be eligible to retire on his disability retirement date which shall be the first day of the month following the determination by the pension commission that he is disabled, and to receive a disability benefit as provided in Section 3.14.

Sec. 3.14. Disability not in line of duty—Benefit.

A member of Division B shall receive a monthly disability retirement benefit, which shall be payable on his disability retirement date, as defined in Section 3.13, and on the first day of each month thereafter during the period of his disability, as defined in Section 3.13, and during his lifetime; provided, however, that if the mem-

ber of Division B has not contributed to the fund as of his disability retirement date for twenty-four (24) full years, he shall contribute to the fund in accordance with the applicable contribution rate of a retired member as set forth in Section 3.07, and he shall contribute such amount during his lifetime and during the period of his disability, as defined in Section 3.13, or until he has made contributions to the fund before and after retirement for twenty-four (24) full years, whichever is the shorter period of time. Such monthly disability retirement benefit shall be equal to one-twelfth (1/12) of the applicable percent of his credited earnings (set forth in the table below) and based on his years of credited service, as follows:

Years of Credited Service	Percent of Credited Earnings
Five (5) years	20%
Six (6) years	25%
Seven (7) years	30%
Eight (8) years	35%
Nine (9) years	40%
Ten (10) years or more	50%

Sec. 3.15. Termination of employment.

If the employment of a member of Division B is terminated with prejudice, as defined in Section 3.05(d), he shall not be eligible to receive any benefits provided by this section, notwithstanding anything in his section to the contrary. A member of Division B shall not be eligible to receive benefits provided by more than one of the subparagraphs set forth below in this section.

(a) Any member of Division B who has completed less than twenty-three (23) months of credited service at the time of his termination of employment, voluntary or involuntary, shall not receive any benefits provided by this section.

(b) Any member of Division B who has completed twenty three (23) months or more of credited service at the time of his termination of employment, voluntary or involuntary, may elect to receive, in lieu of all other benefits he is eligible to receive, a refund of seventy-five percent (75%) of the member's contributions to the fund standing to his credit less any benefits paid to him prior to his date of termination of employment.

(c) Any member of Division B who has completed ten (10) years or more of credited service at the time of his termination of employment and who is involuntarily deprived of his employment without fault on his part or terminates his employment voluntarily may elect to receive, in lieu of all other benefits he is eligible to receive (1) or (2), as follows:

(1) A refund of seventy-five percent (75%) of the member's contributions to the fund standing to his credit less any benefits paid to him prior to his date of termination of employment; or

(2) A monthly retirement benefit which shall be payable on the first day of the month following his sixtieth birthday and on the first day of each month thereafter during his lifetime and which shall be computed in the same manner set forth in Section 3.10; provided, however, that he shall contribute to the fund in accordance with Section 3.07, as such section applied to a retired member, and he shall contribute such amount during his lifetime or until he has made contributions to the fund before and after retirement for twenty-four (24) full years, whichever is the shorter period of time.

(d) Any member of Division B who has completed more than twenty-three (23) months of credited service but less than fifteen (15) years of credited service and who is involuntarily deprived of his employment without fault on his part may elect to receive, in lieu of all other benefits he is eligible to receive, a refund of eighty-five percent (85%) of the member's contributions to the fund standing to his credit, less any benefits paid to him prior to his date of termination of employment.

(e) Any member of Division B who has completed fifteen (15) years or more of credited service, who has reached his sixtieth birthday and who is involuntarily deprived of his employment without fault on his part or terminates his employment voluntarily may elect to receive, in lieu of all other benefits he is eligible to receive, a monthly retirement benefit, which shall be payable on the first day of the month following his date of termination of employment and each month thereafter during his lifetime, equal to one-twelfth (1/12) of the applicable percent of his credited earnings (set forth in the table below) which shall be based on his years of credited service as of his date of termination of employment; provided, however, that if the member of Division B has not contributed to the fund as of his date of termination of employment for the applicable number of full years (set forth in the table below), he shall contribute to the fund in accordance with Section 3.07, as such section applies to a retired member, and he shall contribute such amount during his lifetime or until he has made contributions to the fund before and after retirement for such number of full years, whichever is the shorter period of time.

Credited Service	Percent of Credited Earnings	Number of Full Years Member Shall Contribute to the Fund
15 years	30%	15 years
16 years	32%	16 years
17 years	34%	17 years
18 years	36%	18 years
19 years	38%	19 years
20 years	40%	20 years
21 years	42%	21 years
22 years	44%	22 years
23 years	46%	23 years
24 years or more	48%	24 years

(f) Any member of Division B who has completed twenty-eight (28) years or more of credited service and who is involuntarily deprived of his employment without fault on his part may elect to receive, in lieu of all other benefits he is eligible to receive, a monthly retirement benefit which shall be payable on the first day of the month following his date of termination of employment and each month thereafter during his lifetime and which shall be computed in the manner set forth in Section 3.10; provided, however, that he shall contribute to the fund in accordance with Section 3.07, as such section applies to a retired member, and he shall contribute such amount during his lifetime or until he has made contributions to the fund before and after retirement for twenty-four (24) full years, whichever is the shorter period of time.

Sec. 3.16. Survivor benefits—Conditions.

The survivor of a member or retired member of Division B, as the case may be, who is eligible to receive a survivor benefit, shall receive a survivor benefit as provided in Section 3.17; provided, however, that the member of retired member of Division B meets the following conditions:

(a) The member or retired member of Division B has contributed to the fund for at least five (5) years in accordance with the applicable contribution rate set forth in subparagraphs (a), (b), (d) or (e) of Section 3.07, and dies from any cause; or

(b) The member of Division B loses his life in the line of duty.

Upon the death of a member or retired member of Division B who has met the conditions set forth above in this section, the survivor who is eligible to receive the monthly survivor benefit provided in Section 3.17 shall be determined as follows:

(1) The widow shall receive a monthly survivor benefit as provided in Section 3.17 which shall be payable on the first day of the month following the date of death of the member or retired member of Division B and on the first day of each month thereafter during the widow's lifetime or as long as she is a widow, as defined in Section 3.02(g), whichever is the shorter period of time.

(2) If there is no widow on the day next following the date of death of a member or retired member of Division B, the dependent child shall receive a monthly survivor benefit as provided in Section 3.17 which shall be payable on the first day of the month following the date of death of the member or retired member of Division B and on the first day of each month thereafter as long as he is a dependent child, but in no event shall the monthly survivor benefit be payable to a dependent child for more than ten (10) full years. If there are dependent children, the monthly survivor benefit provided in Section 3.17 shall be divided equally between the dependent children.

(3) If there is no widow or dependent child on the day next following the date of death of a member or retired member of Division B, the dependent mother shall receive a monthly survivor benefit as provided in Section 3.17 which shall be payable on the first day of the month following the date of death of the member or retired member of Division B and on the first day of each month thereafter during the dependent mother's lifetime or as long as she is a dependent mother, as defined in Section 3.02(f), whichever is the shorter period of time.

Sec. 3.17. Survivor benefits.

The survivor, determined in accordance with the provisions of Section 3.16, shall receive a monthly survivor benefit which shall be payable for the period of time set forth in Section 3.16 and which shall equal sixty percent (60%) of the benefit computed in the same manner set forth in Section 3.10, except that such computation shall be made as of the date of death of the member or retired member of Division B provided, however, that such monthly survivor benefit shall not be more than one hundred twenty-five dollars ($125.00) per month or less than fifty dollars ($50.00) per month.

Sec. 3.18. Benefits payable to retired members and survivors prior to effective date.

All benefits payable to retired members and their survivors in accordance with the Davidson County Employees' Pension and Insurance Fund as it existed prior to the effective date shall continue unimpaired for the same duration provided in the Davidson County Employees' Pension and Insurance Fund as it existed prior to the effective date, and such benefits shall be an obligation and liability of this system, subject to the provisions of this Act. No provision of this Act shall be construed to affect in any way the benefits payable to a retired

member or survivor, who commenced receiving benefits prior to the effective date, notwithstanding any provision of this Act to the contrary.

ARTICLE 4. MISCELLANEOUS PROVISIONS

Sec. 4.01. Severability.

The provisions of this Act are hereby declared to be severable; and, if any of its section, provisions, exceptions, sentences, clauses, phrases, or parts be unconstitutional or void, the remainder of this Act shall continue in full force and effect, it being the legislative intent, now hereby declared, that this Act would be passed, even if such unconstitutional or void matter had not been included therein.

Sec. 4.02. Chapter 452 of the Private Acts of 1941, the Davidson County Pension Act.

Chapter 452 of the Private Acts of 1941, the Davidson County Pension Act, and all laws and parts of laws in conflict with this Act, be, and the same are hereby repealed, except that such repeal of Chapter 452 of the Private Acts of 1941 shall not deprive those employees of pension benefits under said Act who may have been retired prior to the passage of Chapter 29 of the Private Acts of 1945.

Article VI. Municipal Auditorium

Editor's note—This article consists of chapter 537, Private Acts 1949, as amended by Private Acts 1957, chapter 209. The provisions of this Act should be read as applicable to the Metropolitan Government of Nashville and Davidson County, rather than to Davidson County. Amendments are indicated by a historical citation following each amended section.

Sec. 1. Bonds—Authority to issue; limitation on amount; term; manner of sale; approval by resolution and by voters.

The City of Nashville, acting through its city council as its governing body, is hereby authorized to issue its Municipal Auditorium Bonds in such amount not greater than five million dollars ($5,000,000.00) and having such maturities not longer than forty years, interest rates and other details as may be fixed by resolution or resolutions to be adopted by its city council. The bonds so issued shall be the direct and general obligations of the City of Nashville, for the prompt payment of principal of and interest on which as they respectively become due, the full faith, credit and resources of the City of Nashville shall be pledged, and for such purpose taxes on all taxable property in said city shall be levied without limitation as to rate or amount. The bonds so authorized shall be sold at one time or in blocks from time to time, in such manner and for such price or prices as may be recommended to the city council by the Nashville Municipal Auditorium Commission created in Section 3 hereof, but in no event at a price which will result in an interest cost to the city of more than five percent per annum computed according to standard tables of bond values. The bonds herein authorized may not be issued until a proposition stating the maximum amount, maximum interest rate, and the purpose thereof shall have been approved by a majority of the qualified electors of the City of Nashville voting on the proposition at a special election to be held in said city on May 5, 1949. The Election Commissioners of Davidson County are hereby instructed to do all things necessary to the calling and holding of such election, including the appointment of election officials, the qualifications of voters, the conduct of the election and the certification of the results thereof to the City Council of the City of Nashville shall be governed by the general laws of the State of Tennessee pertaining to elections. The city council shall enter on its records a finding of the results of such election and such findings shall be conclusive for all purposes.

Sec. 2. Same—Use of proceeds.

Any bonds issued pursuant hereto shall be delivered to the purchaser or purchasers thereof by the city treasurer and the proceeds thereof shall be placed in a special fund in the city treasury to be paid out from time to time for the purpose of acquiring a municipal auditorium for said city, including the payment of the cost of furnishing and equipping the auditorium and all incidental costs and expenses properly incurred in connection with the acquisition of the auditorium and the authorization and issuance of the bonds. The auditorium may be acquired through purchase, gift, condemnation or construction or any combination thereof, and the city council is authorized to acquire as part of the project any necessary improved or unimproved real estate. Such auditorium shall not be available to any user other than the City of Nashville without the payment of reasonable and proper compensation therefor to the city.

Sec. 3. Municipal auditorium commission created.

There is hereby created a commission, in which commission is imposed full power to select the site on which the auditorium is to be placed, to let all necessary construction contracts, to supervise the construction, to negotiate and execute lease agreements for any land or air rights that it may acquire, furnishing and equipment of the auditorium, and after its completion, to have full management and control of its maintenance and opera-

tion. Such commission shall be composed of seven members, of whom one shall be chairman. The following named persons shall be the first members of the commission, and the terms of each shall commence on the date this Act becomes effective. James Gallagher and A.B. Benedict, Jr., to serve to a date one year from the date on which the Supervising Architect or Engineer certifies that the construction of the auditorium has been completed; Thomas Delbridge and C.L. Ennix to serve to a date two years from such date of completion; D.L. Lansden and Lee Sanders to serve to a date three years from such date of completion, and William Hume to serve to a date four years from such date of completion and to act as chairman. Each vacancy in office shall be filled by the mayor with the approval of the city council, and all terms of members succeeding the first five members of the commission shall be four years, except as to persons appointed to fill unexpired terms. After the expiration of the term of the person hereinabove appointed as chairman, the chairman shall be elected by the commission from its members. Such commission shall be known as the "Nashville Municipal Auditorium Commission", and shall also elect from its members a vice-chairman and shall appoint a secretary and a treasurer or a combined secretary-treasurer who may but need not be members of the commission. Such commission may adopt such by-laws and rules for the orderly handling of its affairs as it may consider fit and may employ such persons and at such compensation as it may consider necessary to carry out its functions. The members of the commission shall serve without compensation but the secretary and the treasurer may be paid reasonable compensation for the carrying out of their duties. The commission shall have complete control of the management, maintenance and operation of the auditorium and in that connection shall have all powers ordinarily enjoyed by private corporations operating similar properties.

Sec. 4. Authority of Act.

This Act shall without reference to any other law of Tennessee or provision of the City Charter of the City of Nashville now in force or hereafter enacted, be full authority for the authorization, sale and issuance of the bonds herein authorized and except for the election for which provision is hereinabove made, no proceedings or notice in respect of the issuance of such bonds other than the resolutions herein specified shall be necessary. Bonds issued hereunder shall not be considered as indebtedness of the city in computing such indebtedness for purposes of any limitation of indebtedness imposed on the city by any general law or by any provision of the City Charter.

Sec. 5. Exempt from taxation.

All bonds issued hereunder and the income derived therefrom shall be exempt from taxation by the State of Tennessee and by all counties and municipalities therein.

Sec. 6. Effective date.

All laws or parts of laws in conflict herewith are to the extent of such conflict hereby repealed, and that this Act shall take effect from and after its passage,[8] the public welfare requiring it.

1.04.010 Name of code for citation—Contents.

The ordinances embraced in the following chapters and sections shall constitute and be designated as "The Code of the Metropolitan Government of Nashville and Davidson County, Tennessee," and may be so cited. The code may also be cited as "Metropolitan Code." (Prior code § 1-1-1)

1.04.020 Definitions and rules of construction.

In the construction of this code and of all other ordinances applicable within the metropolitan government area, the following definitions and rules of construction shall be observed, unless inconsistent with the manifest intent of the metropolitan council or the context clearly requires otherwise:

A. Definitions.

"Council" and "metropolitan council" means the council of the Metropolitan Government of Nashville and Davidson County.

"General services district" means the general services district of the metropolitan government, established by Section 1.03 of the Metropolitan charter and described in Appendix One of the Metropolitan Charter.

"Metropolitan government" means the Metropolitan Government of Nashville and Davidson County.

"Metropolitan government area" means the area included within the boundaries of the Metropolitan Government of Nashville and Davidson County, as described in Appendix One of the Metropolitan Charter.

"Month" means a calendar month.

"Oath" means and shall be construed to include an affirmation in all cases in which, by law, an affirmation may be substituted for an oath, and in such cases the words "swear" and "sworn" shall be equivalent to the words "affirm" and "affirmed."

"Owner," applied to building or land, means and includes any part owner, joint owner, tenant in common, joint tenant or tenant by the entirety, of the whole or a part of such building or land.

"Person" means and includes a corporation, firm, partnership, association, organization and any other group acting as a unit, as well as an individual.

"Personal property" means and includes money, goods, chattels, things in action and evidences of debt.

"Preceding" and "following" means next before and next after, respectively.

"Property" means and includes real and personal property.

"Real estate" and "real property" mean and include lands, tenements and heritaments, and all rights thereto and interests therein, equitable as well as legal.

"Shall" and "May." The word "shall" is mandatory, the word "may" is permissive.

"Sidewalk" means any portion of a street between the curbline and the adjacent property line, intended for the use of pedestrians.

"Signature" or "subscription" means and includes a mark, when the person cannot write, the name being written near the mark and witnessed.

"State" means and shall be construed as if the words "of Tennessee" followed it.

"Street" means and includes any public way, road, highway, street, avenue, boulevard, parkway, alley, lane, viaduct, bridge, and the approaches thereto, within the metropolitan government area.

"Tenant" or "occupant," applied to a building or land, means and includes any person who occupies the land, means and includes any person who occupies the whole or a part of such building or land, whether alone or with others.

"Urban services district" means the urban services district of the metropolitan government, established by Section 1.03 of the Metropolitan Charter, and described in Appendix One of the Metropolitan Charter.

"Writing" and "written" mean and include printing and any other mode of representing words and letters.

"Year" means a calendar year, unless otherwise expressed or another intent is obvious from the context.

B. Rules of Construction.

1. Bonds. When a bond is required, an undertaking in writing shall be sufficient.

2. Certified Mail. Certified mail may be used instead of registered mail whenever this code or any other ordinance requires a notice to be given by registered mail.

3. Computation of Time. The time within which any act is to be done shall be computed by excluding the first and including the last day, unless the last day is a Saturday, a Sunday or a legal holiday, and then it shall also be excluded.

4. Gender. Words importing the masculine gender shall include the feminine and neuter.

5. Joint Authority. All words giving joint authority to three or more persons or officers shall be construed as giving such authority to a majority of such persons or officers, unless otherwise provided.

6. Number. Words used in the singular include the plural and the plural includes the singular number.

7. Officers, Departments and Agencies. The words "metropolitan clerk," "Chief of police," or any other named officer, department or agency, unless otherwise indicated, shall be construed to mean the clerk, chief of police or other officer, department or agency of the Metropolitan Government of Nashville and Davidson County.

8. Time. Words used in the past or present tense include the future as well as the past and present. (Prior code § 1-1-2)

Editor's note—Pursuant to Public Chapter 938 (2026), all Metro ordinances, resolutions, rules, policies, and procedures that include a reference to a natural person's sex or gender must be interpreted to mean the immutable characteristics of the person's reproductive system that identify the person as male or female, as determined by anatomy and genetics existing at the time of birth.

1.04.030 Provisions considered continuations of existing ordinances and earlier codes.

The provisions appearing in this code, so far as they are in substance the same as those of ordinances of the metropolitan government, or of the former City of Nashville, or provisions of the 1960 Code of the former City of Nashville, or resolutions of the quarterly county court of former Davidson County, existing at the time of the effective date of this code, shall be considered as continuations thereof and not as new enactments. (Prior code § 1-1-4)

1.04.040 Catchlines of code sections.

The catchlines of the several sections of this code, printed in boldface type, are intended as mere catchwords to indicate the contents of the section, and shall not be deemed or taken to be titles of such sections, nor as any part of the section, nor, unless expressly so provided, shall they be so deemed when any of such sections, including the catchlines, are amended or reenacted. (Prior code § 1-1-3)

1.04.050 Effect of repeal of ordinances.

A. The repeal of an ordinance shall not revive any ordinances in force before or at the time the ordinance repealed took effect.

B. The repeal of an ordinance shall not affect any punishment or penalty incurred before the repeal took effect, nor any suit, prosecution or proceeding pending at the time of the repeal, for any offense committed under the ordinance repealed. (Prior code § 1-1-5)

1.04.060 Severability of portions of the code.

It is declared to be the intention of the metropolitan council that the sections, paragraphs, sentences, clauses and words of this code are severable, and if any word, clause, sentence, paragraph or section of this code shall be declared unconstitutional or otherwise invalid by the valid judgment or decree of any court of competent jurisdiction, such unconstitutionality or invalidity shall not affect any of the remaining words, clauses, sentences, paragraphs and sections of this code since the same would have been enacted by the metropolitan council without the incorporation in this code of any such unconstitutional or invalid word, clause, sentence, paragraph or section. (Prior code § 1-1-6)

1.04.070 General compliance requirement for permits issued by metropolitan government.

An individual or entity to which a permit is issued by the metropolitan government or any of its departments, agencies, boards, or commissions shall act at all times in compliance with the terms, conditions and requirements of the permit until its termination or expiration. Absent such compliance, a permit may be revoked or suspended following any notice requirements, subject to existing rights to re-apply and recognized rights of appeal. Permits issued as a result of false, inaccurate, or misleading information submitted by an applicant may likewise be revoked or suspended. The revocation or suspension of a permit by the metropolitan government shall be in addition to other penalties or enforcement measures authorized by metropolitan code sections providing for the issuance of particular permits. (Amdt. 1 to Ord. BL2018-1385 § 1, 2018; Ord. BL2018-1385 § 1, 2018)

CIVIL DISTRICTS

Sections:

1.08.010	**First civil district designated—Boundaries.**
1.08.020	**Second civil district designated—Boundaries.**
1.08.030	**Map of district boundaries.**

1.08.010 First civil district designated—Boundaries.

The area embraced in the urban services district of the metropolitan government is designated as the first civil district of the metropolitan government. The boundaries of the first civil district, being the same as the urban services district, are fully described in Appendix One of the Metropolitan Charter. (Prior code § 1-1-9)

1.08.020 Second civil district designated—Boundaries.

The area of the metropolitan government, other than the urban services district, is designated as the second civil district, and the second civil district is described as that portion of the metropolitan government which is outside of the first civil district. (Prior code § 1-1-10)

1.08.030 Map of district boundaries.

A map of the metropolitan government, whose boundaries are the same as the boundaries of former Davidson County, is attached to the original copy of Ordinance 64-287 codified in this section, as Exhibit A, and made a part hereof, the same as though copies herein, which map has the first and second civil districts of the metropolitan government exhibited as described in Sections 1.08.010 and 1.08.020 of this chapter, and such map, with the civil districts exhibited thereon, shall be recorded in a book to be kept in the office of the county court clerk for this purpose, and also a copy shall be kept in the office of the metropolitan clerk. The metropolitan clerk shall cause a copy of such map to be forwarded to the secretary of state in accordance with Tennessee Code Annotated, Section 5-1-110. (Prior code § 1-1-11)

1.12.050	**Restrictions on persons in or near polling places.**
1.12.060	**Soliciting votes near polling places.**

1.12.010 Polling place defined.

For the purposes of this chapter, a "polling place" means and is designated as the building or structure in which the voting machine is located. (Prior code § 13-1-1)

1.12.020 Posting of political signs—On telephone or light poles.

It is unlawful for any person to post, affix or display any posters, signs or pictures advertising the candidacy of anyone for public office on any telephone or light poles within the general services district. (Prior code § 13-1-5)

1.12.030 Posting of political signs—Near polling places.

It is unlawful for any person to post, affix or display any poster, signs or pictures advertising the candidacy of anyone for public office on any polling place or within two hundred feet thereof. (Prior code § 13-1-6)

1.12.040 Distributing literature near polling places.

It is unlawful for any candidate or any other person supporting any candidate or group of candidates for public office at an election, either primary, general or special, within the general services district, to hand out cards, handbills, literature, etc., on election days within two hundred feet of the entrance to any of the regularly designated polling places. (Prior code § 13-1-3)

1.12.050 Restrictions on persons in or near polling places.

No person, except officials of the election, legal watchers and metropolitan police officers on duty, shall be allowed to remain about a polling place except for such period of time as may be necessary for such person to vote. No police officer shall enter the room where the voting machines are located except at the request of the officer of the election, and then only for the purpose of preserving order. (Prior code § 13-1-7)

1.12.060 Soliciting votes near polling places.

It is unlawful for any candidate or any other person to solicit, within two hundred feet of the entrance to any polling place, any person qualified to vote in any election at the time and during the hours for holding an election, to vote for any person for any office involved in such election. (Prior code § 13-1-4)

1.16.080	**Fee for inmate's personal items.**

1.16.010 Consolidation of metropolitan and urban jails and workhouses.

The urban jail is hereby consolidated with the metropolitan jail, and the urban workhouse is consolidated with the metropolitan workhouse. (Ord. BL2012-261 § 1, 2012; prior code § 12-1-4)

1.16.020 Sheriff's authority.

A. The metropolitan jail and the metropolitan workhouse shall be under the custody and control of the sheriff.

B. Subject to terms agreeable to the sheriff and the metropolitan hospital authority and approved by resolution of the metropolitan council, the sheriff shall provide security services for hospital authority facilities. (Ord. BL2009-458 § 1, 2009; prior code § 12-1-5)

1.16.030 Reserved.

Editor's note—Ord. BL2012-261, § 2, adopted Oct. 16, 2012, repealed § 1.16.030, which pertained to personnel needs and appropriations and derived from prior Code § 12-1-6.

1.16.040 Prisoner incarceration procedures—Disposition of prisoner property.

When a prisoner is to be incarcerated in the metropolitan jail, he shall be booked and fingerprinted in accordance with the procedures and in the manner prescribed by law. The police department may retain in its custody such property taken from the prisoner as may be required for evidence to support the charge placed against the prisoner, or such other property concerning which there are reasonable grounds to believe possession by the prisoner is unlawful. The police department shall turn over to the sheriff or his designated deputy a list of all property taken from each offender and retained by the police department. (Ord. BL2012-261 § 3, 2012; prior code § 12-1-7)

1.16.050 Custody and interrogation of prisoners.

The sheriff shall retain custody of every prisoner confined in the metropolitan jail or the metropolitan workhouse until such time as the release of the prisoner has been directed by lawful authority. The sheriff shall permit the interrogation of prisoners by authorized personnel of the police department. (Prior code § 12-1-8)

1.16.060 Reserved.

Editor's note—Ord. BL2012-261, § 4, adopted Oct. 16, 2012, repealed § 1.16.060, which pertained to refusal of prisoners to work and derived from prior Code § 12-1-10.

1.16.070 Escapes by prisoners.

Any inmate of the metropolitan jail or workhouse who shall escape therefrom shall be liable not only for confinement for the period remaining unexpired of his original sentence, but shall also be guilty of a misdemeanor or a felony. (Ord. BL2012-261 § 5, 2012; prior code § 12-1-9)

1.16.080 Fee for inmate's personal items.

A. The metropolitan jail or workhouse administrator shall charge inmates a fee for items issued to them upon admission to the county jail or workhouse. This fee may not exceed the actual cost of the items issued. This county jail or workhouse administrator may deduct the amount owed from the inmate's jail trust account or any other account of fund established by or for the benefit of the inmate.

B. The metropolitan jail or workhouse may not deny an inmate clothing or hygiene items if the inmate is unable to pay for them. An inmate's inability to pay shall be determined based on the policies and procedures of the Davidson County sheriff's office. (Ord. BL99-51 § 1, 1999)

REGISTRATION OF CONVICTS

Sections:

1.20.010	**Registration of certain persons required when—Information required.**
1.20.020	**Change of address—Notification requirements.**
1.20.030	**Failing or refusing to register—Giving false information.**
1.20.040	**Restoration of citizenship.**

1.20.010 Registration of certain persons required when—Information required.

A. Every person who has been convicted or who may hereafter be convicted in any federal court or the court of any state of the crime of counterfeiting, grand larceny, embezzlement, forgery, obtaining money or property by false pretenses, burglary, felonious assault, robbery, arson, murder, rape, kidnapping, extortion, violation of any law prohibiting the carrying of deadly or concealed weapons, or violations of any provision of any national or state law relating to the possession, sale or transportation of any narcotics, or has been convicted of attempting any one or more of such offenses, who resides in or who comes into Davidson County from any point outside Davidson county, whether in transit through the county or otherwise, shall report to the chief of police within forty-eight hours after his arrival within the county, and shall furnish to the chief of police, in a written statement signed by such person:

1. The true name and each other name or alias by which such person is or has been known;

2. A full and complete description of himself;

3. The name of each crime hereinabove in this section enumerated of which he shall have been convicted, together with the name of the place where each such crime was committed;

4. The name under which he was convicted and the date of the conviction itself;

5. The name, if any, and the location of such prison, reformatory or other penal institution in which he shall have been confined as punishment therefor, together with the location or address of his residence, stopping place or living quarters in Davidson County, and each one thereof, if any, or the address or location of his intended residence, stopping place or living quarters therein, and each one thereof, with a description of the character of each such place, whether a hotel, apartment house, dwelling house or otherwise, giving the street number thereof, if any, or such description of the address or location thereof as will so identify the same as to make it possible of location; and

6. The length of time for which he expects or intends to reside within Davidson County;

provided, that such registration shall not be required of any person who has been released from imprisonment for a period of ten years or more and who has not, subsequent to release, been convicted of the violation of any law of the United States or any state.

B. At the time of furnishing such information, such person may be photographed and fingerprinted by the chief of police and the photograph and fingerprints, if any, shall be made a part of the permanent record herein provided for. (Ord. 90-1339 § 1 (34-3), 1990; prior code § 34-2-6)

1.20.020 Change of address—Notification requirements.

In the event that any person specified in Section 1.20.010 shall change any such place of residence, stopping place or living quarters to any new or different place within Davidson County other than the place last shown in such report to the chief of police, he shall, within twenty-four hours after the making of such change, notify the chief of police in a written and signed statement of such change of address and shall furnish his new address and each one thereof in such written statement. (Ord. 90-1339 § 1 (34-4), 1990; prior code § 34-2-7)

1.20.030 Failing or refusing to register—Giving false information.

It is unlawful for any person required by any provision of this chapter to furnish any report or information:

A. To fail, neglect or refuse to make such report, or to furnish such information, photographs or fingerprints, or to fail, neglect or refuse to render or furnish the same within the time prescribed; or

B. To fail, neglect or refuse to furnish to the chief of police within such time any information, photographs or fingerprints required to be furnished by any provision of this chapter; or

C. To furnish any false, untrue or misleading information or statement relating to any information required to be made or furnished by any provision of this chapter. (Prior code § 34-2-8)

1.20.040 Restoration of citizenship.

Any person whose citizenship has been restored shall be exempted from the provisions of this chapter. (Prior code § 34-2-9)

Chapter 1.24

GENERAL PENALTY AND CITATIONS FOR VIOLATIONS

Sections:

1.24.020	**Summons issuance for sanitation, litter control and animal control violations.**
1.24.030	**Authority to issue citations—Enforcement procedures—Failure to answer a citation—Penalties.**
1.24.040	**Failure to pay or secure a fine—Commitment to workhouse.**
1.24.050	**Expungement of public records regarding violations.**

1.24.020 Summons issuance for sanitation, litter control and animal control violations.

A. All personnel of the metropolitan department of health who are assigned duties as enforcement officers, verified by job descriptions or otherwise in writing by the director of health in the areas of sanitation, litter control and animal control, and who are not empowered by Section 1.24.030 of this chapter to issue citations, are hereby authorized to issue ordinance summonses as provided by Tennessee Code Annotated, Sections 7-63-201, et seq., to any person they witness being or acting in violation of any ordinance, law or regulation of the metropolitan government. An ordinance summons shall be issued by leaving a copy with the offender, which ordinance summons must show the offense charged, the specific metropolitan code section or regulation involved, and the time and place for the offender to appear in court, and shall bear the signature of the offender evidencing service and agreement to appear in court.

B. The ordinance summons shall be treated by the court in the same manner as a citation in lieu of arrest, as provided in Section 1.01.030 of this code.

C. Should the offender refuse to sign the ordinance summons evidencing agreement to appear in court, the municipal enforcement officer may cause a summons to issue by the clerk of the metropolitan general sessions court, or seek the assistance of a metropolitan police officer or peace officer, who may issue a citation in lieu of arrest pursuant to Section 1.24.030 of this code.

D. Should the offender fail to appear for court after proper issuance and service of an ordinance summons, the metropolitan general sessions court shall issue a warrant for failure to appear, which shall be a separate offense. (Ord. 95-1329 § 2 (part), 1995; Ord. 89-832 § 1, 1989)

1.24.030 Authority to issue citations—Enforcement procedures—Failure to answer a citation—Penalties.

A. Whenever an employee of the metropolitan government is charged with enforcing a specific law, ordinance or code of the metropolitan government, including but not limited to enforcement personnel of the health department, board of parks and recreation, public works department, codes administration, fire marshal, traffic and parking commission, beer board and transportation licensing commission; such employees may issue citations for persons found to be violating the particular ordinances of the metropolitan code which the aforesaid employees are employed to enforce.

B. When any person is charged with an ordinance violation in the metropolitan government jurisdiction and an ordinance citation is issued to such person on such violation, it shall be the duty of the metropolitan court in which such case is set for trial to try the same without the issuance or service of a warrant upon such defendant, provided the defendant has signed a waiver on such citation agreeing to come to court and waiving the issuance and service of a warrant upon him.

C. Whenever a metropolitan government employee as described above in subsection. A. of this section, issues to a person cited for the violation of a metropolitan ordinance a citation to appear in court on a date and time specified, that person's failure to appear to answer the citation in court at the specified time shall constitute an additional offense, punishable by a fine of fifty dollars, and the court shall be authorized to issue a bench warrant based upon the person's failure to appear.

D. Any fine imposed under the provisions of this section shall be in addition to any fine imposed for violating any ordinance for which the person was originally cited to appear in court.

E. After the declaration of a state of emergency for all or a portion of Davidson County by any officer authorized to do so, the mayor may by written order appoint the employees of any metropolitan government department with existing citation authority under the Metropolitan Code of Laws to assist in the enforcement of orders issued by the chief medical director, including without limitation the issuance of citations for violations of such orders. (Amdt. 1 to Ord. BL2020-422 § 1, 2020; Ord. BL2020-422 § 1, 2020; Ord. BL2012-281 § 4, 2012; Ord. BL2010-793 § 2, 2010; Prior code § 12-1-17)

1.24.040 Failure to pay or secure a fine—Commitment to workhouse.

Upon the failure of any person to pay or secure any fine imposed by a judge of Division I, Division II or Division III of the metropolitan courts, he shall be committed to the metropolitan workhouse and there required to perform such manual labor as may be required of him until such fine is paid off at the rate provided for county workhouses in Tennessee Code Annotated, or any amendments thereto. No prisoner shall be discharged upon the act of insolvency nor before such fine has been worked out, fully paid or secured, or unless he is pardoned or paroled in accordance with the provisions of the Metropolitan Charter. (Prior code § 1-1-8)

1.24.050 Expungement of public records regarding violations.

A. When a person is charged with the violation of a metropolitan ordinance and it is determined not to prosecute the charge, or the charge is dismissed, either in the metropolitan general sessions court or on appeal, the court having jurisdiction of such previous action, upon petition of such person, may order that all public records concerning same shall be expunged.

B. When a person is found liable for violating a metropolitan ordinance, the court having jurisdiction of such previous action, upon petition of such person, may order that all public records concerning same shall be expunged if:

1. At the time of filing, the person has never been convicted of any criminal offense, including federal offenses and offenses in other states; provided, however, that any moving or non-moving traffic offense shall not be considered a criminal offense as used in this section;

2. At the time of the filing of the petition for expungement, at least five years have elapsed since the completion of the sentence imposed for the offense; and

3. The person has fulfilled all the requirements of the sentence imposed by the court in which the individual was convicted of the offense, including:

a. Payment of all fines, restitution, court costs and other assessments;

b. Completion of any term of imprisonment or probation;

c. Meeting all conditions of supervised or unsupervised release; and

d. If so required by the conditions of the sentence imposed, remaining free from dependency on or abuse of alcohol or a controlled substance or other prohibited substance for a period of not less than one year.

C. The clerk of the court where such public records are recorded shall remove and expunge such public records within a period of sixty days from the entering of the expungement order. (Amdt. 1 to Ord. BL2019-1517 § 1, 2019; Ord. BL2019-1517 § 1, 2019; prior code § 29-1-16.1)

METROPOLITAN COUNCIL

Sections:

Article I. Organization and Operations

2.04.010 President—Office established—Compensation.
2.04.020 Committee meetings.
2.04.030 Office.
2.04.040 Advertisement and notice concerning rezone hearings or urban renewal projects.
2.04.050 Approval of grants.
2.04.060 Approval of transit improvement program.
Article II. (Reserved)
Article III. (Reserved)

Article I. Organization and Operations

2.04.010 President—Office established—Compensation.

A. The position of president of the metropolitan council is hereby established. The holder of such position is vested with all rights given the vice-mayor by the Metropolitan Charter under Section 3.03, with the exception that the president of the metropolitan council shall be entitled to vote on all ordinances, resolutions and other issues before the metropolitan council.

B. The compensation for the office of presiding officer of the metropolitan council shall be the same as that established under Section 5.05 of the Metropolitan Charter for the position of vice-mayor.

C. When a vacancy occurs in the position of vice-mayor, then the metropolitan council shall, from one of its members, elect a presiding officer whose duties and salary shall be as set out in this section. (Prior code § 2-1-1)

2.04.020 Committee meetings.

A. Each committee of the metropolitan council shall hold its regular and special meetings in a suitable place in one of the buildings of the metropolitan government or may, if more convenient, hold such meetings in a building of some other governmental entity or agency, be it either state or federal. All meetings of committees of the metropolitan council shall be open to the public; provided, that when a committee of the council is investigating misconduct on the part of individual members of the metropolitan council, the testimony presented to the committee shall be open to the public, but the committee, when deliberating on the evidence as presented to the committee, shall be allowed to meet in executive session without members of the public present in order to determine the committee's recommendation to be made to the entire council.

B. Any report of the committee shall reflect how each member voted, with respect to the report or with respect to any action taken by the committee which is referred to in the report. (Prior code § 2-1-1.1)

2.04.030 Office.

A. There is created a metropolitan council office which shall be composed of such personnel, including clerical and secretarial personnel, either part-time or full-time, as may be authorized by the metropolitan council. The office shall provide research and advisory services to the council or any committee of the council upon request by the president of the council or upon request of any committee of the council. The duties of the office shall be limited to researching and advising the council or committee of the council on legislative matters. The office shall be responsible solely to the metropolitan council.

B. The annual operating budget of the council office shall be prepared and submitted as a part of the budget of the metropolitan council.

C. Members of the council office shall have full access to books, records and reports of all departments, boards, commissions and agencies of the metropolitan government. Such office however, shall exercise discretion to avoid unnecessary interference with the orderly work and responsibilities of other governmental officials, agencies and departments.

D. A special committee of the council, comprised of the chairmen of all standing committees and the president of the council, is authorized and directed to prepare plans for the organization of the office, to employ personnel, to secure suitable office space and supplies, to designate job specifications, and for such other matters as it may deem necessary and desirable for the orderly and efficient operation of the staff. The special committee shall submit its re-port and recommendations to the council for final approval.

E. Fiscal impact statements.

1. The metropolitan council office shall prepare a fiscal impact statement for all resolutions and ordinances on second and third reading, other than non-binding memorializing resolutions or ordinances amending Title 17 of the metropolitan code (zoning), that would:

a. Increase or decrease metropolitan government revenues;

b. Appropriate funds;

c. Increase or decrease existing appropriations; or

d. Increase or decrease the fiscal liability of the metropolitan government.

2. Such fiscal statement shall be provided to the full council at least forty-eight hours prior to consideration of the legislation by the council. Within twenty-four hours following a request by the sponsor of an amendment to any pending resolution or ordinance on which a fiscal note is required by this section, the metropolitan council office shall prepare for the sponsor a fiscal note showing what effect the amendment would have on the estimates made in the fiscal note applicable to the ordinance or resolution.

3. The fiscal note shall, if possible, include an estimate in dollars of the anticipated change in revenue, expenditures, or fiscal liability under the provisions of the ordinance or resolution. It shall also include a statement as to the immediate effect and, if determinable or reasonably foreseeable, the long-range effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. The fiscal note statement shall include an explanation of the basis or reasoning on which the estimate is founded, including any assumptions involved.

4. No comment or opinion shall be included in the fiscal note regarding the merits of the measure for which the note is prepared; however, technical or mechanical defects may be noted. (Ord. BL2012-91, § 1, 2012; Ord. BL2001-695 § 1, 2001; prior code § 2-1-1.2)

2.04.040 Advertisement and notice concerning rezone hearings or urban renewal projects.

Advertisements of public hearings for rezoning ordinances or for plans for urban renewal projects shall be filed with the metropolitan clerk at least five days prior to filing with any newspaper of general circulation for publication. Further, the metropolitan clerk shall notify each councilman who represents a councilmanic district wherein the affected property is located of receipt of the proposed advertisement. (Prior code § 2-1-3.2)

2.04.050 Approval of grants.

All grant awards, requiring council approval may be approved by council through resolution. (Ord. BL2002-1186 § 1, 2002)

2.04.060 Approval of transit improvement program.

In order to adopt a transit improvement program under the meaning of Tennessee Code Annotated Section 67-4-3201, et seq., or any successor statute, the transit improvement program must be passed by an ordinance approved by the metropolitan council on third and final reading by a majority vote of all the members to which the council is entitled. (Ord. BL2017-939 § 1, 2017)

Article II. (Reserved)*

Article III. (Reserved)

*__Editor's note—__Ord. BL2007-1382, § 1, adopted June 5, 2007, repealed Art. II, §§ 2.04.050—2.04.100, which pertained to standards of council conduct, disclosure of interests, and enforcement and derived from Ord. BL2005-659 § 2, adopted 2005, as amended. Article I. Powers and Duties

2.08.010 Acceptance and execution of certain easements and permits.

The mayor or, at his direction, the director of public property administration, the director of public works or the director of water and sewerage services, is authorized to accept and execute, on behalf of the metropolitan government, the conveyances of easements to the metropolitan government, permits to cross the property of others, and agreements relating thereto when necessary for the construction or development of any public project. (Prior code § 2-1-2)

2.08.020 Agreements with tax-exempt institutions for payment of metropolitan government services.

A. The mayor is authorized to appoint a person or persons who shall institute and carry out negotiations with those institutions or agencies which are exempt from taxation and which are receiving services such as fire protection, refuse collection or police protection from the metropolitan government. The mayor is further authorized to enter into contracts with such institutions or agencies with respect to the payments to be made by such agencies to the metropolitan government for the furnishing of these services. Such contracts may be for a period of years to be determined by the mayor, and shall be based upon the reasonable cost of furnishing such services to any tax-exempt institutions or agencies within the metropolitan government area and for which services are provided or available.

B. Those tax-exempt institutions or agencies entering into such contracts with the metropolitan government are exempt from any fees or service charges which may hereafter be levied by the metropolitan government for such services. (Prior code § 2-1-2.1)

2.08.030 Budget—Copies supplied—Contents.

The metropolitan mayor shall provide each member of the metropolitan council with a copy of the capital improvements budget by May 20th in the year in which the budget is to be approved by the metropolitan council. The capital improvements budget shall include an index to provide councilmen with a quick reference for each individual item proposed in the capital improvements budget. (Prior code § 2-1-2.2)

2.08.040 Reserved.

Editor's note—Ord. BL2020-449, § 1, passed Oct. 20, 2020, repealed § 2.08.0400, which pertained to professional services contracts for architectural or engineering services and derived from prior Code § 2-1-2.3.

2.08.045 Conditional signature and submission of grant applications.

A. The metropolitan mayor is authorized to sign and submit grant applications that are required to be but have not yet been submitted to the metropolitan council for approval so long as said signature is accompanied by a statement that "the application is contingent upon approval of the application by the metropolitan council, by resolution, at a regularly scheduled meeting to be held on [insert date of meeting]."

B. That after the mayor has signed the grant application, a resolution approving the application shall be filed as soon possible in accordance with the rules adopted by the metropolitan council.

C. That a representative of any department for the benefit of which a grant application was submitted in the manner described in subsection A of this section shall notify the grantor agency that the application was legally and officially authorized, if the resolution approving the application is adopted by the metropolitan council, or else shall withdraw the application if the resolution approving the application is not adopted by the metropolitan council. (Ord. 96-471 § 1, 1996)

Article II. Civil Emergencies

2.08.050 Definitions for Article II.

For the purposes of this article, the following words and phrases shall have the meanings respectively ascribed to them by this section.

Civil Emergency. A "civil emergency" is defined to be:

1. A riot or unlawful assembly characterized by the use of actual force or violence or a threat to use force if accompanied by the immediate power to execute by three or more persons acting together without authority of law.

2. Any natural disaster or man-made calamity, including but not limited to flood, conflagration, cyclone, tornado, earthquake or explosion within the metropolitan government area, resulting in the death or injury of persons, or the destruction of property, to such an extent that extraordinary measures must be taken to protect the public health, safety and welfare.

3. The destruction of property or the death or injury of persons brought about by the deliberate acts of one or more persons, acting either alone or in concert with others, when such acts are a threat to the peace of the general public or any segment thereof.

"Curfew" means a prohibition against any person walking, running, loitering, standing or motoring upon any alley, street, highway, public property or vacant premises within the metropolitan government area, except persons officially designated to duty with reference to such civil emergency or those lawfully on the streets as defined hereinafter. (Prior code § 2-1-115)

2.08.060 Proclamation of emergencies by mayor.

When, in the judgment of the mayor, a civil emergency is deemed to exist, he shall forthwith proclaim in writing the existence of same, a copy of which proclamation will be filed with the metropolitan clerk. (Prior code § 2-1-116)

2.08.070 General curfew proclamation authority.

After proclamation of a civil emergency by the mayor, he may order a general curfew applicable to such geographic areas of the metropolitan government or to the metropolitan government area as a whole, as he deems advisable, and applicable during such hours of the day or night as he deems necessary in the interest of the public safety and welfare. Such proclamation and general curfew shall have the force and effect of law and shall continue in effect until rescinded in writing by the metropolitan mayor, but not to exceed fifteen days. (Prior code § 2-1-117)

2.08.080 Mayor's powers and duties during proclaimed emergencies.

After proclamation of a civil emergency, the mayor may, at his discretion, in the interest of public safety and welfare, make any of the following orders:

A. Order the closing of all retail liquor stores;

B. Order the closing of all establishments wherein beer or alcoholic beverages are served;

C. Order the closing of all private clubs or portions thereof wherein the consumption of intoxicating liquor or beer or both is permitted;

D. Order the discontinuance of the sale of beer;

E. Order the discontinuance of selling, distribution or giving away of gasoline or other liquid flammable or combustible products in any container other than a gasoline tank properly affixed to a motor vehicle;

F. Order the closing of gasoline stations and other establishments, the chief activity of which is the sale, distribution or dispensing of liquid flammable or combustible products;

G. Order the discontinuance of selling, distributing, dispensing or giving away any firearms or ammunition of any character whatsoever;

H. Order the closing of any or all establishments or portions thereof, the chief activity of which is the sale, distribution, dispensing or giving away of firearms or ammunition, or both;

I. Issue such other orders as are necessary for the protection of life and property. (Prior code § 2-1-118)

2.08.090 No limitation of freedom of speech or peaceful demonstrations.

It is the intent of the metropolitan council not to limit peaceful demonstrations, freedom of speech or the lawful use of the streets, alleys and public property, except to the extent necessary to avert or control a civil emergency. (Prior code § 2-1-119)

2.08.100 Persons exempt from general curfew.

Any curfew imposed pursuant to this article shall not apply to persons lawfully on the streets and public places during a civil emergency who have obtained permission from the metropolitan chief of police, which permission shall be granted on good cause shown. Such a curfew also shall not apply to medical personnel in the performance of their duties. (Prior code § 2-1-120)

2.08.110 [Violation of a mayoral executive order during a civil emergency is a Class C misdemeanor.]

Any person violating the provisions of orders issued by the mayor during a civil emergency and pursuant to the authority of Tennessee Code Annotated, Title 38, Chapter 9 commits a Class C misdemeanor. This section shall expire and be null and void on October 1, 2023, unless extended by resolution of the metropolitan council. (Amdt. to Ord. BL2020-335 § 1, 2020; Ord. BL2020-335 § 1, 2020)

OFFICE OF EMERGENCY MANAGEMENT*

***State law reference—**Emergency management agency, T.C.A. § 58-2-103 et seq.

Sections:

2.10.010	**Office established.**
2.10.020	**Duties of office.**
2.10.030	**Personnel.**
2.10.040	**Emergency support unit.**
2.10.050	**Emergency management council.**
2.10.060	**Interfering with emergency management officials unlawful.**
2.10.070	**"Nashville KNOWS" program.**

2.10.010 Office established.

There is hereby created the office of emergency management which shall be a division of the office of the mayor. All employees of this office, including the director of the office of emergency management and all other staff members, shall be under the management and control of the mayor. (Ord. 94-1074 § 1, 1994)

2.10.020 Duties of office.

The duties of the office of emergency management shall include, but shall not be limited to, the following: (1) to promote, coordinate, and direct a comprehensive emergency management program which addresses mitigation, preparedness, response and recovery relative to disasters and major emergencies; (2) to develop a basic emergency management plan, which shall be exercised and updated annually, in compliance with all applicable state and federal laws and regulations; (3) to provide public information, education, and promotion of mitigation activities; (4) responsible for water activities; (5) and other activities related to the establishment of a comprehensive emergency management program. (Ord. 97-927 § 1, 1997; Ord. 94-1074 § 2, 1994)

2.10.030 Personnel.

All employees of the office of the mayor assigned to this program as of the effective date of the ordinance codified in this chapter shall be transferred to the office of emergency management and shall continue to be in the unclassified service. (Ord. 94-1074 § 3, 1994)

2.10.040 Emergency support unit.

A. The emergency support unit (ESU) of the office of emergency management is created. The ESU shall be composed of volunteers to augment regular emergency management services provided by the office of emergency management during periods of actual or threatened emergencies, search and recovery operations, and public events.

B. The director shall be responsible for the supervision of the ESU and shall promulgate rules and regulations which will establish membership requirements, and the duties and responsibilities of its members. (Ord. 97-927 § 2 (part), 1997)

2.10.050 Emergency management council.

A. An emergency management council is created to advise and assist the office of emergency management in the administration of its duties including the development of an emergency management plan. This council shall be composed of representatives of each affected department, agency and commission of metropolitan government, as well as related volunteer, civic, business and industry representatives. These representatives shall be appointed by the director or department head of the affected department, agency or commission, or the management of the organization or business. All volunteer, civic, business and industry appointments shall be approved by the emergency management director. The members of the emergency management council shall serve without compensation and shall operate in an advisory capacity.

B. This council shall be chaired by the director and shall establish rules and subcommittees as necessary to advise, assist and otherwise promote comprehensive, community-wide involvement in emergency management. This council shall recommend appropriate policies and procedures for inclusion in the emergency management plan. (Ord. 97-927 § 2 (part), 1997)

2.10.060 Interfering with emergency management officials unlawful.

It is unlawful for any person to interfere with or hinder any officer or employee of the office of emergency management in the discharge or apparent discharge of his duties imposed by the provisions of this chapter. (Ord. 97-927 § 2 (part), 1997)

2.10.070 "Nashville KNOWS" program.

A. Using existing resources, the office of emergency management shall be responsible for the initiation and implementation of a program to be called "Nashville KNOWS." The "Nashville KNOWS" program shall be designed to maximize resources and efforts to prepare the citizens of Nashville regarding:

1. The steps to take in advance and in preparation of emergency situations; and

2. Responses and actions that should be taken in the event of various types of emergency situations.

B. The office of emergency management shall be the agency responsible for the implementation of the "Nashville KNOWS" program, which shall be focused on reaching out and informing Nashvillians about emergency response through, but not limited to, the initiation of a public relations campaign for the city, the conducting of neighborhood meetings at neighborhood sites, and the teaching of educational programs in the public schools.

C. The office of emergency management shall provide to the mayor and the members of the metropolitan council, on or before January 31 of each year, a report of its activities conducted in accordance with the provisions of this section during the preceding year. (Ord. BL2006-954 § 1, 2006)

METROPOLITAN TRUSTEE

Sections:

2.12.010	**Bond for metropolitan trustee.**
2.12.020	**Storage of certain obsolete tax records—Duties and reports.**
2.12.030	**Metropolitan trustee to collect delinquent property taxes.**

2.12.010 Bond for metropolitan trustee.

A. The official bond of the metropolitan trustee is fixed at eight hundred thousand dollars.

B. In the event the bond of the metropolitan trustee in the amount fixed by this section shall at any time be less than the minimum amount of bond required by general law of the state for county trustees, then the metropolitan trustee shall make bond in the amount authorized by general law of the state. (Prior code § 15-1-1)

2.12.020 Storage of certain obsolete tax records—Duties and reports.

The metropolitan trustee is authorized and directed to store with the State Archives Division of the Tennessee State Library and Archives at Nashville any tax books and tax receipt books which are no longer required to be available to title companies, the general public or anyone else due to the date of which they are a record; provided, that the metropolitan trustee shall submit to the metropolitan council a report containing a description of those tax books and receipt books which have been turned over to the Archives Division of the Tennessee State Library and Archives, and the metropolitan clerk shall spread such report on the minutes of the metropolitan council. (Prior code § 15-1-2)

2.12.030 Metropolitan trustee to collect delinquent property taxes.

A. Pursuant to Section 6-55-101(b), Tennessee Code Annotated, the metropolitan trustee is directed to collect real and personal property taxes or tax equivalents and all merchants' ad valorem taxes, including all such delinquent taxes and any interest and penalties thereon. It shall then be the duty of the metropolitan trustee to collect said delinquent taxes.

B. The metropolitan trustee shall remit daily to the metropolitan treasurer, all taxes and penalty and interest collected under the provisions of this section, and furnish such reports, accounting, inventories, and other documentation consistent with generally accepted accounting procedures as may be required by the director of finance. The metropolitan trustee shall report the status of delinquent taxes filed for further legal action with the chancery court in a form approved by the director of finance.

C. The metropolitan trustee shall not receive a commission or other compensation for receiving and paying over such taxes, penalty and interest collected pursuant to this section, nor for providing reports and accounting pursuant to this section. (Ord. 96-299 § 1, 1996)

2.16.050 **Special assistant public defenders.**

2.16.010 Powers and duties—Restrictions.

A. The public defender shall render legal aid and defend only those indigent defendants who are in jail, charged with the commission of a crime and are unable to make bond, or such other defendants as a court with criminal jurisdiction shall determine to be indigent. In addition, the public defender shall provide guardian ad litem services when such services are deemed required by the Davidson County juvenile court for children who are the subject of proceedings in such court and the metropolitan government would be required by law to pay reasonable compensation for such services if not provided by the public defender.

B. The public defender shall not prosecute any appeal of an indigent defendant where such person was not represented by the public defender at the original trial from which the appeal is being taken.

C. The public defender shall not represent any indigent defendant at any state of a habeas corpus proceeding not initiated by the public defender. (Ord. 97-999 § 1, 1997; prior code § 2-1-41)

2.16.020 Additional assistant public defender—Position created.

There is created an additional assistant public defender as provided in Section 14.10 of the Metropolitan Charter. (Prior code § 2-1-42)

2.16.030 Additional assistant public defender—Qualifications.

The additional public defender shall be licensed to practice law in this state and shall be at the time of his appointment, and shall continue to be during the period of his service, a resident of the area of the metropolitan government. (Prior code § 2-1-43)

2.16.040 Additional assistant public defender—Appointment and term—Criminal law practice restrictions.

The additional assistant public defender shall serve at the pleasure of the public defender. Notice of his appointment or of revocation of the same shall be in writing and filed with the clerk of the criminal court. The additional assistant public defender may attend all criminal courts and discharge all the duties imposed by law on the public defender. The additional assistant public defender shall not engage in the private practice of criminal law during the period of his service, except to conclude matters pending when he was appointed. (Prior code § 2-1-44)

2.16.050 Special assistant public defenders.

A. The public defender is authorized to employ such additional attorneys, designated as special assistant public defenders, to aid him in the performance of the duties and responsibilities of his office within the limits of his annual budgetary appropriations for the office of the public defender, and each of these special assistant public defenders shall serve at the pleasure of the public defender.

B. Special assistant public defenders shall comply with all the qualifications of the public defender, as set out in Sections 14.10 and 14.11 of the Metropolitan Charter, and shall abide by all restrictions and limitations imposed upon the public defender by those same sections.

C. The public defender shall file a written notice of the appointment or revocation of all special assistant public defenders with the clerk of the criminal court. (Prior code § 2-1-46)

2.20.120	**Plumbing inspection staff.**
2.20.130	**Metropolitan administrative hearing officer.**

2.20.010 Department created—Organization and membership.

There is hereby created a department of codes administration, which shall consist of the director of codes administration, and such other officers and employees as may be provided by ordinance or by the rules and regulations of the director of codes administration consistent therewith. The department of codes administration shall be organized into an enforcement section and an administrative staff section and any other divisions, sections or units as may be provided by ordinance or by the rules and regulations of the director consistent therewith. (Prior code § 2-1-20)

2.20.020 Powers and functions.

The department of codes administration shall have the power and its duty shall be to perform the following functions:

A. The enforcement of all laws, ordinances and regulations relating to electrical installations, building and construction, plumbing installations, gas/mechanical installations, the housing code and the zoning code and regulations;

B. To provide administrative staff services to the following boards:

1. Metropolitan board of fire and building code appeals,

2. Metropolitan board of plumbing examiners and appeals,

3. Metropolitan board of housing code appeals,

4. Metropolitan board of electrical examiners and appeals;

5. Metropolitan board of gas/mechanical examiners and appeals;

C. Perform such other duties as may be assigned to it by ordinance or by order of the mayor. (Ord. 90-1253 §§ 2, 3, 1990; prior code § 2-1-24)

2.20.030 Director—Service as secretary of certain boards.

The director of codes administration, or such member of his staff as he may designate shall serve as secretary of each of the boards listed in Section 2.20.020, and as such secretary he shall not have any vote, but shall keep the minutes and perform such other secretarial duties as may be necessary. (Prior code § 2-1-26)

2.20.040 Director—Additional powers and duties.

In addition to such other powers and duties as are otherwise provided in this code, the director of the department of codes administration shall have the power and his duty shall be to perform the following:

A. To be responsible for the day-to-day management of the department of codes administration, and to keep or cause to be kept a detailed record of all business of the department. Pursuant to the duties imposed upon him, the director shall prepare or cause to be prepared monthly reports on all activities of the department, including but not limited to:

1. All department receipts and expenditures,

2. The number and classification of all employees,

3. The number of permits issued under each code,

4. A tabulation of the number of inspections made and actions taken by the department by council districts, and

5. The number, by type, location, and date filed, of any and all complaints to the department by council districts;

B. The department shall provide, on a monthly basis, the reports listed in subsection (A)(4) and (5), to the respective member of the metropolitan council and shall provide, on a monthly basis, a complete set of reports listed in subsection (A)(4) and (5) to each councilmember-at-large.

C. To enforce, in the manner provided in this code, all laws, ordinances, codes and regulations as may be specifically assigned to the department of codes administration for enforcement, and to promulgate rules and regulations as may be deemed necessary for the effective enforcement of the same; provided, that all such rules and regulations promulgated by the director shall become effective upon written approval by the metropolitan mayor, and shall be reviewed by the department of law as to form and legality prior to submission of the same to the metropolitan mayor for approval.

D. Emergencies—Powers of Director. The decision of the director of codes administration shall be final in cases of emergency, without notice to the owner, which in his opinion involved imminent danger to human life or health. The director shall immediately cause such building, structure or portion thereof to be made safe or removed. For this purpose, the director may enter at once such building or structure or the premises upon which the same is located, or abutting land or structures, with such assistances and at such cost as he may deem necessary. He may vacate adjacent structures and protect the public by appropriate barricades or such other means as may be necessary, and for this purpose may close a public or private street, alley or means of egress.

E. Emergencies—Notification of Director—Responsibilities. In any case of emergency, the director of codes administration or his deputy shall be notified by the fire department, the police department or any other metropolitan department as may be deemed necessary, and he shall immediately proceed to the scene of any disaster caused by a calamity, flood, fire or any act of God and render assistance and post such notice as may be necessary to warn the general public of imminent or latent danger of collapse of any building, structure or appurtenance thereto cause by reason of such calamity, fire flood or act of God. The director may request and shall receive, so far as may be necessary in the discharge of his duties, the assistance and cooperation of other metropolitan officials. (Ord. BL2003-39 § 1, 2003; Ord. BL2002-1142 § 29, 2002; prior code § 2-1-27)

2.20.050 Director—Determination of duties of sections and units.

The director of codes administration shall determine the functions of the various sections and units of the department of codes administration. (Prior code § 2-1-33)

2.20.060 Assignment of additional functions and personnel to department.

The administrative and enforcement functions, duties and inspection staff personnel relating to all laws, ordinances and regulations in regard to miscellaneous industrial and commercial uses, water, sewer and gas installations, public gatherings and tourist camps, are hereby assigned to the department of codes administration. (Prior code § 2-1-25)

2.20.070 In-service training fund.

To provide for the development of the in-service training program and the in-service training plan, there is established an in-service training fund, which shall not exceed one percent of the total operating budget of the department of codes administration for any one fiscal year. The in-service training fund shall not be accumulative. Should there be a surplus in the fund at the end of any fiscal year, the next fiscal budget shall include only such funds as may be necessary to raise the total to the one-percent level. (Prior code § 2-1-34)

2.20.080 Employees—Conflict-of-interest restrictions.

A. No officer or employee connected with the department of codes administration, except one whose only connection is as a member of the board of building code appeals, shall be financially interested in the furnishing of labor, material, appliances for construction, repair, alteration or maintenance of a building, or in the design or making of plans or specifications therefor, unless he is the owner of such building. No such officer or employee shall engage in any work or conduct any business which is inconsistent with his duties or with the interests of the department.

B. No officer or employee of the department of codes administration shall be financially or otherwise interested in the furnishing of any labor, materials or appliances for the installation, alteration, repair or maintenance of any electrical, gas, mechanical plumbing installation or system, or in the making of any plans or the preparation of any specifications therefor, except in such instances where such officer or employee is the sole legal owner of the building or structure where such installation is to be made. (Ord. 98-1445 § 1, 1998; prior code § 2-1-32)

2.20.090 Conflicts with civil service commission rules.

Any provision of this division in conflict with the rules and regulation of the metropolitan civil service commission shall be of no effect, and the rules and regulations of the metropolitan civil service commission shall control. (Prior code § 2-1-35)

2.20.100 Building inspection staff.

A. The director of codes inspection, with the approval of the metropolitan mayor, shall appoint such officers, inspectors and inspector trainees as may be deemed necessary for effective enforcement of Chapters 2.80, 16.04, 16.08 and Chapters 16.28 through 16.56 of this code, as the same may be authorized by the metropolitan council and provided for in the operating budget of the department of codes administration, subject to the civil service provisions of the Metropolitan Charter.

B. No person shall be appointed to the position of senior building inspector, building inspector or building inspector trainee who has not met the employment standards established for such position and who has not successfully passed an examination for such position. (Prior code § 2-1-28)

2.20.110 Gas/mechanical inspection staff.

A. The director of codes administration, with the approval of the mayor, shall appoint such officers, inspectors and inspector trainees as may be deemed necessary for effective enforcement of this chapter, as the same may be authorized by the metropolitan council and provided for in the operating budget of the department of codes administration, subject to the civil service provisions of the Metropolitan Charter.

B. No person shall be appointed to the position of chief gas/mechanical inspector, gas/mechanical inspector or gas/mechanical inspector trainee who has not met the employment standards established for such position and who has not successfully passed an examination for such position. (Ord. 90-1253 § 4, 1990; prior code § 2-1-31)

2.20.120 Plumbing inspection staff.

A. The director of codes administration, with the approval of the mayor, shall appoint such officers, inspectors and inspector trainees as may be deemed necessary for effective enforcement of this chapter, as the same may be authorized by the metropolitan council and provided for in the operating budget of the department of codes administration, subject to the civil service provisions of the Metropolitan Charter.

B. No person shall be appointed to the position of senior plumbing inspector, plumbing inspector or plumbing inspector trainee who has not met the employment standards established for such position and who has not successfully passed an examination for such position. (Prior code § 2-1-29)

2.20.130 Metropolitan administrative hearing officer.

A. In accordance with Title 6, Chapter 54, Part 10 of the Tennessee Code Annotated, there is hereby created the Metropolitan Office of Administrative Hearing Officer to hear violations of any of the provisions codified in Title 16, Buildings and Construction, of the Metropolitan Code, and Title 17, Zoning, of the Metropolitan Code as amended from time to time. The utilization of the administrative hearing officer shall be at the discretion of the department of codes administration, and shall be an alternative to the enforcement provisions included in Title 16 and Title 17.

B. There are hereby created two administrative hearing officer positions to be appointed by the Metropolitan Council, who shall serve at the pleasure of the Metropolitan Council in accordance with T.C.A. § 6-54-1006(a). An administrative hearing officer shall be one of the following:

1. Licensed building inspector;
2. Licensed plumbing inspector;
3. Licensed electrical inspector;
4. Licensed attorney;
5. Licensed architect; or
6. Licensed engineer.

C. The amount of compensation for the administrative hearing officers shall be approved by the Metropolitan Council upon adoption of a Resolution receiving twenty-one affirmative votes.

D. Clerical and administrative support for the Office of Administrative Hearing Officer shall be provided by the department of codes administration.

E. Administrative hearing officers shall perform all of the duties and abide by all of the requirements provided in Title 6, Chapter 54, Part 10 of the Tennessee Code Annotated.

F. The Vice-Mayor shall appoint a special advisory committee to submit a list of persons to the metropolitan council that the committee deems best qualified to serve as administrative hearing officers. The special advisory committee shall include, but does not have to be limited to, the following:

1. The Director of the Department of Codes Administration or his/her designee;
2. The Director of Law or his/her designee; and
3. The Chair of the Council Codes, Fair, and Farmers Market Committee. (Ord. BL2017-789 § 1, 2017; Ord. BL2017-541 § 1, 2017; Ord. BL2011-912 § 1, 2011)

Editor's note—Ord. BL2007-1318, § 1, adopted March 20, 2007, repealed § 2.24.101, which pertained to audit committee—Material submitted by director of finance and derived from Ord. 91-1587 § 1, 1991.

2.24.102 Reserved.

Editor's note—Ord. BL2007-1318, § 1, adopted March 20, 2007, repealed § 2.24.102, which pertained to audit procedures and guidelines and derived from Ord. 91-1587 § 2, 1991.

2.24.103 Title VI implementation plans and annual reports.

A. Each department, board, commission or agency of the metropolitan government subject to the requirements of Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d et seq., and regulations promulgated pursuant thereto, shall develop a Title VI implementation plan with participation by protected beneficiaries as may be required by law or regulations. To the extent applicable, such plan shall include Title VI implementation plans of any subrecipients of federal funds through such departments, boards, commissions or agencies. Each such department, board, commission or agency shall submit annual Title VI compliance reports and implementation plan updates to the director of personnel by June 30, 2005, and each June 30 thereafter. At least once each year, the director of personnel shall publish a cumulative report of the findings and recommendations concerning compliance with the requirements of this

section. The cumulative annual report shall be distributed to the mayor, each member of council, and the metropolitan clerk.

B. It is the legislative intent that any increased costs incurred by any department, board, commission or agency of metropolitan government as a result of the provisions of this section shall, to the extent legally available, be paid from federal funds available therefore. (Ord. BL2004-352 § 1, 2004)

Article II. Department of Information Systems

2.24.110 Created—Transfer of functions.

That the metropolitan department of information systems is established in place of the division of data processing. All functions hereto performed by the division of data processing shall be performed by the department of information systems. All positions currently within the division of data processing shall be transferred to the department of information systems. All functions relating to computer information systems or data processing conducted by the metropolitan government shall be reviewed and evaluated by the department of information systems to determine whether the functions are feasible and the availability of alternatives. (Ord. 93-687 § 2, 1993)

2.24.115 Officers—Duties.

The chief executive officer of the department of information systems shall be the information systems director, who shall be appointed by the metropolitan mayor and who shall serve at the pleasure of the metropolitan mayor. The information systems director shall, with the approval of the metropolitan mayor, establish divisions within the department of information systems and assign the functions, duties and goals of each division. Said director shall determine the staffing requirements of each such division and assign personnel in a manner consistent with the requirements and rules of the civil service commission of the metropolitan government and within the budget appropriation of said department. Said director shall review all proposed computer related purchases of the Metropolitan Government of Nashville and Davidson County and advise the purchasing agent or the requesting department whether the proposed purchase is appropriate for the need. (Ord. 93-687 § 3, 1993)

2.24.120 Consolidation of functions.

The information systems director shall devise a plan for consolidating the data processing functions and operations of the metropolitan government as economically as is feasible. Said plan shall include means and methods for preventing the unauthorized disclosure of any material or information which is not a matter of public record under the laws of Tennessee and/or which may otherwise be confidential by law. (Ord. 93-687 § 4, 1993)

2.24.125 Recovery of costs.

That the department of information systems shall utilize written charge-back procedures to recover costs from all users of its services, whether such user be a department, board or agency of the metropolitan government or any other public or private entity. A copy of such procedures will be filed in the office of the metropolitan clerk. The information systems director shall promulgate a policy for cost recovery of all data processing services which may be promulgated and used by any department of the metropolitan government which provides data processing services until consolidation of said services is complete. (Ord. 93-687 § 5, 1993)

2.24.130 Personnel.

That all positions and personnel in the department of metropolitan finance, division of data processing, created and performing functions pursuant to ordinance 83-1284, are transferred to the department of information systems, with no change in pay grade, classification or employee benefits. The information systems director shall appoint all additional officers and employees, subject to the civil service provisions of the metropolitan government as may be required to adequately staff the department. (Ord. 93-687 § 6, 1993)

2.24.135 Office of telecommunications—Created.

There is created an office of telecommunications as a subdivision of the department of information services. (Ord. 93-688 § 1 (part), 1993)

2.24.140 Office of telecommunications—Organization.

The office of telecommunications shall be under the control of the director of information services. The office of telecommunications shall be managed by the cable television franchise administrator, who shall be appointed by and under the supervision of the director of information services. (Ord. 93-688 §1 (part), 1993)

2.24.145 Office of telecommunications—Additional powers and responsibilities.

The office of telecommunications shall have the power, and its duty shall be, to perform the following functions:

A. Provide for the day-to-day administration and enforcement of all provisions of any and all cable communications system franchises which have been or may be issued by the metropolitan council;

B. Act as the responsible office of the metropolitan government in all matters pertaining to cable communication system franchises;

C. Provide technical programming and operational support to public agency users, such as metro department, schools and health care institutions, of such cable communications systems that may exist within Metropolitan Nashville and Davidson County;

D. Establish and approve procedures and standards for operations and services, use of dedicated channels, and expansion of available channels within guidelines included in legislation granting all such cable communications systems that may be authorized by the metropolitan council;

E. Receive and act upon complaints filed by citizens when such complaints have not been satisfactorily resolved by the grantee(s) of such cable communications system franchises as may be in operation within Metropolitan Nashville and Davidson County;

F. Provide any and all reasonable and appropriate assistance requested by citizen and community groups that may be formed to facilitate public access, as required by the Federal Communications Commission, to all cable communication systems that operate within Metropolitan Nashville and Davidson County;

G. Formulate and recommend to the director of information systems long-range telecommunications policy, and report to the director of information systems from time to time on the operations of cable communication systems within Metropolitan Nashville and Davidson County. (Ord. 93-688 § 1 (part), 1993)

2.24.146 Website calendar for board and commission meetings.

The department of information technology services shall construct and maintain an Internet website providing a calendar listing the date, time, location and agenda of all meetings of boards and commissions of the metropolitan government. Such calendar shall be updated on a weekly basis and shall be easily accessible from the nashville.gov website. Such information shall be posted in conformity with the policies adopted pursuant to Section 2.68.020 of this code. (Ord. BL2017-612 § 1, 2017; Ord. BL2004-373 § 1, 2004; Ord. BL2004-245 § 1, 2004)

Article III. Division of Public Property Administration

Part I. Organization and Operation

2.24.150 Composition of division—Salary of director.

The division of public property administration shall consist of a director of public property administration and such other officers and employees as may be provided in the manner hereinafter specified. The salary of the director of public property administration shall be the same as the salary of the other heads of divisions in the department of finance, as set out in Sections 8.104 through 8.108, inclusive, of the Metropolitan Charter. (Prior code § 15-1-9)

2.24.160 Sections and other units—Establishment authority.

The director of public property administration shall establish, by rules and regulations, such sections and other units as may be necessary to maintain the proper function and operation of the division of public property administration. (Prior code § 15-1-10)

2.24.170 Sections and other units—Functions—Assignment of employees' duties.

The director of public property administration shall prescribe, by rules and regulations, the functions of the various sections, units, officers and employees of the division, and he shall define and assign the duties and responsibilities of all of the employees of the division. (Prior code § 15-1-11)

2.24.180 Land acquisition and disposal—Standard procedures.

The director of public property administration shall, with the assistance and approval of the department of law, the director of finance and the metropolitan planning commission, establish standard procedures for acquiring and disposing of land for metropolitan departments, boards and commissions, exclusive of land acquisition for the Nashville Electric Service and the Nashville Housing Authority, and the rules and regulations by which such standard procedures are established shall be approved by resolution of the metropolitan council. (Prior code § 15-1-12)

2.24.190 Inventory of public property and equipment.

A. The director of public property administration shall maintain an inventory of public property and equipment. When such inventory is made, one copy thereof shall be filed in the office of the director of finance, one copy with the metropolitan clerk, one copy with the mayor, one copy with the metropolitan planning commission, and such additional copies with other public officials as the mayor may designate, so that the same may be made a part of the permanent records of the metropolitan government. The inventory shall be adjusted from time to time as additional properties are acquired or disposed of by the metropolitan government.

B. The director of public property administration shall provide each district councilmember with an annual inventory of real property owned by the metropolitan government located within their district. (Ord. BL2021-722 § 2, 2021; prior code § 15-1-13)

2.24.200 Public property—Maintenance responsibility.

The director of public property administration, subject to the supervision of the mayor, shall be responsible for the upkeep, repair and maintenance of all property, real and personal, belonging to the metropolitan government, excluding streets, bridges, sewers, sidewalks and related highway structures, and excluding the repair and maintenance of automotive equipment. (Prior code § 15-1-14)

2.24.210 Public property—Leasing, rent collection, sale and disposal.

The director of public property administration shall be responsible for the leasing, collection of rent from leases of public property, sale and disposal of all public property of the metropolitan government where not otherwise provided by ordinance. Any sales or leases of public property shall be subject to the approval of the metropolitan council. (Ord. BL2017-582 § 1, 2017; Ord. 96-308 § 1, 1996)

2.24.211 Billboard lease agreement restrictions.

A. The director of public property administration is directed to cancel all lease agreements providing for the erection and maintenance of billboards which leases have not specifically been approved by ordinance of the metropolitan county council.

B. No lease agreement or other instrument shall be entered into by the metropolitan government providing for the erection and maintenance of billboards on any property of the metropolitan government without the express approval of such agreement or instrument by the metropolitan council, by ordinance, any other provisions of the Metropolitan Code or ordinance of the metropolitan government to the contrary notwithstanding. (Amdt. 1 to Ord. 91-1524, 3/19/91; Ord. 91-1524 §§ 1, 2, 1991)

Part II. Metropolitan Government Real Estate

2.24.220 Director of public property administration—Rule and regulation authority.

The director of public property administration is authorized to make such rules and regulations consistent with law as he deems advisable for administering the provisions of this article. (Prior code § 2-1-105)

2.24.225 Appraisal report required for metropolitan council approval.

A. For transactions involving the sale, lease, sublease, or other disposition of real property which require approval of the metropolitan council, authorizing legislation may not be considered by the council in the absence of an appraisal report that includes, without restriction, the following components: (a) a current value; and (b) a prospective value reflecting any anticipated changes in entitlements including, without limitation, changes in zoning classifications, use restrictions, and/or deed restrictions. For purposes of this section, Restricted Appraisal Reports, Restricted Use Reports, or Summary Appraisal Reports shall not satisfy this requirement.

B. For transactions involving the purchase, exchange, or other acquisition of real property which requires approval of the metropolitan council, authorizing legislation may not be considered by the council in the absence of an Appraisal Report that includes a current value. For purposes of this section, Restricted Appraisal Reports, Restricted Use Reports, or Summary Appraisal Reports shall not satisfy this requirement.

C. The provisions of this section shall not apply to the appraisal or valuation of real property acquired pursuant to a delinquent tax sale grant that is to be conveyed to a nonprofit organization under Tennessee Code Annotated § 7-3-314(e). No appraisal or valuation is needed for real property conveyed pursuant to Resolution No. RS2019-1861.

D. All appraisal reports required by this section shall be prepared by an independent state certified real estate appraiser, as defined in T.C.A. § 62-39-102, or as the same may be hereafter amended, selected by the department of finance in accordance with applicable

procurement regulations. (Ord. BL2020-386 § 1, 2020; Ord. BL2019-42 § 1, 2019; Amdt. 1 to Ord. BL2018-1282 § 1, 2018; Ord. BL2018-1282 § 1, 2018)

2.24.230 Leasing or subleasing conditions.

A. No legislation approving the lease of metropolitan government-owned property, where the appraised land value is greater than one million dollars, to a private entity for a lease term of more than five years, including permitted extensions, shall be considered by the metropolitan council unless and until a publicly-noticed community meeting has been held. The director of public property administration may adjust the one million dollars threshold annually based upon the percentage increase, if any, by which the consumer price index for the most recent calendar year ending before the beginning of such year exceeds the consumer price index for all urban consumers published by the United States Department of Labor for the previous calendar year. Notice of the community meeting shall be posted on the metro website, and the proposed lessee shall be responsible for distributing the notice of the community meeting by U.S. Mail or email at least one week prior to the meeting to neighborhood associations and community organizations registered with the mayor's office of neighborhoods that are located within a one-mile radius of the property to be leased.

1. Notice by mail or e-mail. At least fourteen days prior to the first council consideration, the proposed lessee(s) of the subject property shall send written notice to all property owners within one thousand feet and, to identified neighborhood associations and community organizations located within a one-mile radius of the subject property. Neighborhood associations and community organizations shall include associations registered with the mayor's office of neighborhoods or incorporated condominium associations registered by with the metropolitan clerk. Such notice shall be sent by email if the property owner's, neighborhood association, or community organization's email address is known to the council member or lessee. Otherwise, such written notice shall be sent by U.S. Mail. Notice shall include the time, date and place of the required community meeting and of the council meeting.

2. Public notice signs shall be posted by the lessee in accordance with the following provisions on the subject property:

(a) General Requirements. Public notice signs shall be posted on any property subject to the community meeting provisions of this section. Public notice signs shall be installed by the proposed lessee of the property.

(b) Display Period. Public notice signs shall be installed on affected properties no less than fourteen days prior to an established community meeting date, and shall be removed by the lessee following conclusion of the council consideration.

(c) Number and Placement of Public Notice Signs. Public notice signs shall be posted according to the following standards:

i. Number. One sign shall be posted along each three hundred feet of public street frontage.

ii. Location. Whenever practical, signs shall be located within ten feet of a public street right-of-way and positioned in a manner to best inform the motoring public without creating a safety hazard.

iii. Size and Content. All public notice signs shall be of adequate size and design to be clearly visible and legible to the motoring public. At a minimum, a public notice sign shall specify the time, date and location of the scheduled community meeting and of the council meeting at which the lease is first to be considered, the general nature of the community meeting, and a phone number for additional information.

3. The council member in whose district the property is located shall coordinate the scheduling of the community meeting required by this section. The meeting shall be held either at a metropolitan government-owned facility, or at a facility selected by the district councilmember. The community meeting may also be held virtually using an online meeting platform if necessary to comply with applicable health orders. A representative from the metropolitan department, board, agency, or commission to whom the property is assigned shall attend the community meeting.

B. A copy of the lease or sublease agreement, including all terms and conditions thereof, shall be filed as a public record with the metropolitan clerk whenever the metropolitan government or any agency thereof leases or subleases real estate to a private individual, partnership, corporation or other private agency.

C. Whenever the lessee or sublessee of real estate leased from the metropolitan government or any agency thereof shall lease or sublease such real estate to another, the original lessee or sublessee shall file a copy of such lease or sublease as a public record with the metropolitan clerk within thirty days after receiving a certified copy of a resolution duly enacted by the metropolitan council requiring the filing of such lease or sublease, or within thirty days after receiving written notification from the mayor requiring the filing of such lease or sublease. A copy of such lease or sublease need not be filed as a public record, however, prior to ninety days after the signing of such lease or sublease without

the consent of all of the parties to such lease or sublease. (Amdt. 2 to Ord. BL2020-386 § 2, 2020; Amdt. 1 to Ord. BL2020-386 § 2, 2020; Ord. BL2020-386 § 2, 2020; prior code § 2-1-102)

2.24.240 Acquisition of real estate.

A. The director or other chief administrative official of any department, commission, board or agency of the metropolitan government, with the approval of the mayor, is authorized to acquire land on behalf of the metropolitan government, either by purchase or by condemnation, for use for public purposes in accordance with the procedures to be established as provided in Section 8.103(k) of the Metropolitan Charter.

B. Any land acquired by, or on behalf of the metropolitan government shall be paid for out of the unencumbered balance of any appropriation for such purpose, and an appropriation for the construction of any public project or extension thereof shall be considered as an authorization for the acquisition, by purchase or condemnation of any land necessary or convenient to effecting the purposes of the project.

C. In the event it becomes necessary or convenient to acquire any land, by purchase or by condemnation, under the authority of this section, the director or other chief administrative official of the department, commission, board or agency seeking to have land acquired shall make a request in writing to the mayor giving in detail the location of the land sought to be acquired, the purpose for the acquisition, and all other information which shall be required by the rules and regulations of the director of public property administration or by executive order of the mayor.

D. No land shall be acquired by or on behalf of any commission or board unless such acquisition has been authorized by a resolution of the commission or board, specifying in detail the land to be acquired, the public purpose or use for which the land is needed, and containing such other information as the commission or board may wish to include, or as may be required by the procedures established by rules and regulations of the director of public property administration or by executive order of the mayor.

E. When the mayor has approved a request for the acquisition of land, as provided by this section, he shall transmit the request with his approval to the director of public property administration, and the director of public property administration shall proceed to acquire the land, by purchase or by condemnation, in conformity with the procedures established by his rules and regulations in accordance with Section 8.103(k) of the Metropolitan Charter.

F. The mayor may delegate to the director of public property administration his authority to approve requests for the acquisition of land, and the director or chief administrative officer of any commission, board or agency who is dissatisfied with the disapproval of such request by the director of public property administration shall have the right to appeal such disapproval to the mayor for a decision.

G. The director of public property administration, with the assistance of the department of law and the metropolitan planning commission, shall establish standard procedures for acquiring land for metropolitan departments, boards and commissions, which standard procedures shall be in the form of rules and regulations approved by the mayor and filed with the metropolitan clerk as a public record. The director of public property administration shall prescribe by such rules and regulations the form and content of the request to the mayor for the acquisition of land as provided by this section, and he may provide for other forms and procedures consistent with this code and other ordinances and the Metropolitan Charter.

H. The provisions of this section relating to land acquisition shall not apply to land acquisition for the Nashville Electric Service and the Nashville Housing Authority, which agencies are excluded from such land acquisition procedures by Section 8.103(k) of the Metropolitan Charter, or to the Nashville Transit Authority, the land acquisition for which is provided for by Appendix Four to the Charter.

I. Prior to the adoption of an ordinance, on second reading, or a resolution, pursuant to Section 2.24.240.K of the Metropolitan Code, by the council authorizing the acquisition by purchase or condemnation of real estate to be utilized as a site for the construction of a new public school or relocation of existing public school, a public hearing shall be held on said legislation. The metropolitan clerk shall give notice in two newspapers of general circulation in the area of metropolitan government at least fifteen days but no more than thirty days prior to the public hearing and shall provide additional written notice of such hearing to the district member of council in whose district the property to be acquired is to be located and to all members of the metropolitan board of public education. In addition to such notice, the metropolitan planning commission shall cause signs to be posted on the site in the same manner and under the same conditions as provided in Article XV of Chapter 17.40 of the Metropolitan Code; provided, however, the wording shall clearly state the intended use rather than zoning provisions. Such public hearing shall be held in the council chambers; however, such hearing need not be held during a regular meeting of the council.

J. Notwithstanding any other provision of this section to the contrary, no land to be maintained as open space or to be used for recreational purposes having a purchase price in excess of two hundred thousand dollars shall be acquired unless and until the director of public property administration has obtained an appraisal from a 'state certified real estate appraiser', as defined in Tennessee Code Annotated Section 62-39-102 or as the same may be hereafter amended.

K. Where land in fee simple is being purchased for purposes, including school purposes, other than rights-of-way for highways, streets, roads, alleys, and other places for vehicular traffic, the director of public property administration or other officer of the metropolitan government shall negotiate for the purchase of such property and seek to obtain from the owner an option to sell to the metropolitan government at a fixed price, subject to the approval of the metropolitan council by resolution, and no purchase shall be consummated until it has been so approved by the metropolitan council. No such resolution relating to an option for property to be used for school purposes shall be approved until a public hearing has been conducted as provided in Metropolitan Code of Laws Section 2.24.240(I). (Ord. BL2024-468 §§ 1, 3, 2024; Ord. BL2013-577 § 1, 2013; Amdt. 1 to Ord. 95-1396, 5/16/95; Ord. 95-1396 § 1, 1995; prior code § 2-1-103)

2.24.250 Disposition of surplus property.

A. Whenever the director or other chief administrative officer of any department or agency, or when any board or commission, of the metropolitan government determines that real property of the metropolitan government in the custody of or used by such department, commission, board or agency is no longer needed or suited for its purposes, the board or commission, by resolution, or the director of a department or head of an agency, shall declare such real property surplus, and shall transfer it to the custody of the director of public property administration, but the insurance, maintenance and repairs of the property shall continue to be paid for out of the budget appropriation of the transferring department, commission, board or agency until the end of the fiscal year in which the transfer took place, or until the appropriation for such purposes has been transferred to the department of public property administration in the manner provided by Section 6.11 of the Metropolitan Charter, whichever event occurs first.

Notwithstanding the foregoing provisions in this section, any metropolitan government owned and operated home or facility for the care of children, as identified in Section 11.1102 of the Metropolitan Charter, shall not be transferred to the custody of the director of public property administration as surplus real property without the approval of the metropolitan council by resolution adopted by twenty-one affirmative votes.

B. The director of public property administration, in accordance with the procedures established by rules and regulations, shall make all surplus real property available to the departments, boards and commissions of the metropolitan government, and shall effect the transfer of such property to the department or other agency requesting its use.

C. 1. When surplus real property, other than school property, is not required by any department or other agency of the metropolitan government, the director of public property administration is authorized, with the approval of the metropolitan council, to sell such property, and the proceeds shall be deposited in the general fund of the district from whose operating budget the last department, commission, board or agency using the real property is financed. Prior to such approval, if the assessor of property values the property in excess of five hundred thousand dollars, the director of public property shall first obtain an independent appraisal from a "state certified real estate appraiser", as defined in Tennessee Code Annotated Section 62-39-102 or as the same may be hereafter amended. If the approval of the metropolitan council is required for the sale of such real estate, the authorizing legislation shall attach a copy of the appraisal and any other documents, drawings, illustrations, maps, or other written materials submitted to the metropolitan council for consideration regarding such sale.

2. When, in the judgment of the board of education, any property held by it is no longer suited or needed for school purposes, the board shall, by resolution, direct the director of public property administration to sell the property in accordance with the established rules and regulations relating to land disposition, subject to the approval of the metropolitan council and the mayor, and the proceeds from such sale shall be credited to the unappropriated school fund of the metropolitan government.

3. The foregoing provisions to the contrary notwithstanding, when any property held by the board of public education is not used for the purposes for which it was acquired or other educational purposes for eighteen months, such property shall automatically be restored to the board, commission, department or agency of metropolitan government which originally declared such property surplus to allow the transfer to the board of public education. Such transfer shall not require the assent of the board of public education.

D. The director of public property administration is authorized to lease real property of the metropolitan government held by him or her as surplus or unused property in accordance with such rules and regulations as he or she may establish consistent with this Code, other ordinances of the metropolitan government and the Metropolitan Charter, and upon approval by resolution of the metropolitan council.

E. The provisions of this section relating to land disposition shall not apply to the Nashville Electric Service or the Nashville Housing Authority, which agencies are exempt by Section 8.103(k) of the Metropolitan Charter, or to the Nashville Transit Authority, whose land disposition is provided for by Appendix Four to the Metropolitan Charter.

F. Notwithstanding Section 5.04.140 of the Metropolitan Code of Laws, when the director of public property administration determines that there is a parcel of property acquired through the delinquent tax-sale process established in Tennessee Code Annotated § 67-5-2501 et seq. and no department nor any affordable or workforce or any similar housing agency has any use for the parcel, the director is authorized, with the approval of the metropolitan council, to sell such property, and the proceeds shall be deposited into the Barnes Fund for Affordable Housing. Such proceeds shall not be construed as prohibiting other appropriations to the Barnes Fund separate from the annual operating budget ordinance of the metropolitan government from available revenue sources. This is intended to provide additional funding to the Barnes Fund above and beyond the annual funding provided in the operating budget each year.

G. Beginning January 1, 2018, any property owned by the Metropolitan Government of Nashville and Davidson County that is to be leased for a term greater than fifty years is required to be declared surplus pursuant to this section prior to the lease taking effect. (Ord. BL2024-468 § 2, 2024; Amdt. 1 to Ord. BL2021-970 § 1, 2021; Ord. BL2021-970 § 1, 2021; Ord. BL2018-1054 §§ 1, 2, 2018; Ord. BL2017-940 § 1, 2017; Amdt. 1 to Ord. BL2016-524 § 1, 2017; Ord. BL2016-524 § 1, 2017; Ord. BL2015-45 § 1, 2016; Ord. 2002-1024 § 1, 2002; Amdt. 1 to Ord. BL2000-517 § 1, 2001; prior code § 2-1-104)

Article IV. Division of Metropolitan Audit

2.24.300 Division of metropolitan audit.

A. There shall be, as an independent agency of the metropolitan government, a division of metropolitan audit, the director of which is designated as the metropolitan auditor. The metropolitan auditor shall be a person:

1. With a well founded reputation in government or public finance and the audit function as may be exhibited by a record of exceptional performance for at least five years as a financial officer of a government or business;

2. Who has, through education and experience as an accountant, auditor, CFO, controller or principal accounting officer of a governmental entity or private business an understanding of Generally Accepted Accounting Principles, Governmental Auditing Standards Board standards, financial statements, internal controls and procedures for financial reporting, and the audit functions of a governmental entity.

B. The metropolitan auditor shall be appointed by a majority vote of the council from a list of three persons recommended by the audit committee whom the audit committee deems best qualified and available to fill the position. If the council deems that the persons recommended by the audit committee to serve as metropolitan auditor are not suitable and/or qualified, the council shall reject the names submitted and the audit committee shall recommend three additional persons deemed qualified and available to fill the position. The metropolitan auditor shall serve a term of eight years but shall be subject to removal for cause during the term by a vote of four members of the audit committee. The first term of the metropolitan auditor will end on June 30, 2014, regardless of whether the full eight years has been served. A vacancy occurring during a term shall be filled temporarily with a qualified acting metropolitan auditor by the majority vote of the audit committee. The filling of the vacancy for the remainder of a term and for any new term shall be filled by a majority vote of the council through the process provided in this section. The compensation for the metropolitan auditor shall be established as part of the general pay plan provided by Section 12.10 of the Metropolitan Charter.

C. The metropolitan auditor shall conduct, or cause to be conducted financial, performance and other audit services following Government Auditing Standards established by the United States Government Accountability Office, and the metropolitan auditor shall follow the independent and other professional standards established and published under Government Auditing Standards.

D. The metropolitan auditor shall appoint and remove, subject to the civil service provisions of article 12 of this Charter, all officers and employees of the division.

E. There shall be a metropolitan audit committee which shall be composed of six members, as follows: The vice-mayor and the director of finance shall be members by virtue of their official positions. Two members of the metropolitan county council shall be selected by that body from its membership to serve a two-year term. One member shall be selected by the Nashville Area Chamber of Commerce to serve a four-year term. One member shall be selected by the Nashville Chapter of the Tennessee Society of Certified Public Accountants to serve a four-year term except that the member first selected shall serve a two year term. Members shall be eligible to succeed themselves. The General Provisions of Article 11, Chapter 1, of this Charter shall be applicable to the audit committee unless otherwise specified in this section.

F. The audit committee will oversee the annual audit plan, fix the compensation of the metropolitan auditor, and review and evaluate at least annually the performance of the metropolitan auditor.

G. All audit reports issued by the metropolitan auditor are public documents and shall at all times, during business hours, be open for personal inspection by any citizen of Tennessee.

H. Access to Records and Personnel. To the extent permitted by the Metropolitan Charter the division of metropolitan audit, with strict accountability for confidential and safeguarding records and information, shall have access to all metropolitan government's records, agreements, information systems, physical properties, and personnel. Such authority shall include but is not limited to, the ability to review, research, and conduct interviews, along with the ability to have access to any and all necessary documentation as described in this subsection. To the extent permitted by the Metropolitan Charter, all metropolitan government departments, boards, commissions, officers, agencies, or offices, along with all entities contracting with the metropolitan government shall co-operate fully with the metropolitan auditor during any such review or request to the fullest extent of applicable law. Any failure to cooperate with the metropolitan auditor shall be reported to the audit committee, finance director, director of law, and the metropolitan council.

I. Other Audit Services.

1. In addition to financial or performance services, the division of metropolitan audit shall establish a process by which suspected illegal, improper, wasteful, or fraudulent activity could be reported. The metropolitan auditor shall investigate, or cause to be investigated, all activity reported by this process. The disposition of all reports shall be communicated to the Metropolitan Nashville Audit Committee, Metropolitan Mayor, and Department of Law.

2. No employees of the metropolitan government or its agencies shall suffer any retaliatory action for reporting to or cooperating with the division of metropolitan audit or the audit committee as contemplated in T.C.A. 9-3-406 and T.C.A. 50-1-304.

3. It shall be the duty of employees of the metropolitan government or its agencies to report any known act of intentional illegal, intentional fraudulent, or intentional improper use of government funds.

J. Notice of Instance of Fraud, Waste, and Abuse. All reports of unlawful conduct completed in accordance with the State of Tennessee Local Government Instances of Fraud Reporting Act involving metropolitan government departments, boards, commissions, officers, or agencies shall be communicated in a timely manner to the metropolitan auditor. Such reports shall also be communicated to the office of the comptroller of the treasury if so required by state law.

K. Notice of Audit Activities. The engagement plans and final reports for all financial, performance, and other audit activities conducted on behalf of metropolitan government departments, boards, commissions, officers, agencies, or offices shall be communicated in a timely manner to the metropolitan auditor.

L. Scope of Services. To the extent permitted by the Metropolitan Charter the division of metropolitan audit is authorized to conduct financial audits, performance audits, or other audit services including investigation and disposition of reported incidents of fraud as contemplated above in subsection I of this section and the Metropolitan Charter, concerning any department, board, commission, officer, agency, or office of the metropolitan government which receives direct services from or to which funds are appropriated by the metropolitan government or for which the metropolitan government provides a guarantee for long-term indebtedness. Departments, boards, commissions, officers, agencies, and offices of the metropolitan government means those entities which encompass all of the governmental and corporate functions previously performed by Davidson County and the City of Nashville existing at the formation of the metropolitan government, and any public entity whose existence is created or authorized by the Metropolitan Charter or the metropolitan council.

(Amdt. 1 to Ord. BL2017-581 § 1, 2017; Ord. BL2017-581 § 1, 2017; Ord. BL2007-1318 § 2, 2007)

Article V. Relocation Assistance Program

2.24.370 Program established—Statutory authority.

The metropolitan government shall, upon adoption of this section and Section 2.24.380 [October 18, 1988], provide payments and assistance to eligible persons in the amounts and under the conditions set forth in the Uniform Relocation Assistance Act of 1972, as amended by Public Chapter 627, 1988 Acts of the Tennessee General Assembly; provided, however, that under no circumstances shall the metropolitan government or any department or agency thereof be required to provide payments or assistance in any amount under this section to persons displaced from dwellings or business as a result of building or zoning code enforcement activities or a program of rehabilitation of buildings. Any provision contained in this section to the contrary notwithstanding, the total amount of such payments, including moving expenses, shall not exceed the lesser of the amount of ten percent of the acquisition price or five thousand dollars. (Ord. 97-678 § 1, 1997; prior code § 2-1-3.10(a))

2.24.380 Administering agency.

The metropolitan development and housing agency ("MDHA") is designated as the agency with responsibility for administering the relocation assistance program established pursuant to this section. The metropolitan county mayor is authorized to enter into a contract or contracts with MDHA pursuant to which MDHA shall perform said responsibility for an amount not to exceed its actual reasonable expenses in administering the program. Upon the execution of such a contract or contracts, MDHA shall adopt rules, regulations and procedures consistent with the provisions of this section which, after being approved by the director of finance, shall be filed with the metropolitan clerk. This section is in no way intended to make the provisions of the Federal Uniform Relocation Assistance Act governing the acquisition of property binding on the metropolitan government. (Prior code § 2-1-3.10(b))

Article VI. Guaranteed Payment Plan for Superseded Pension Systems

2.24.470 Plan established.

A. Superseded system defined. "Superseded system" means any closed local city or county retirement plan, except any retirement plan closed after June 30, 1994. Superseded system further means any closed city teacher retirement plan, closed county teacher plan or closed local teacher retirement plan in existence prior to the effective date of this section.

B. Funding obligations of all superseded systems, including the funding of any unfunded accrued liabilities of the superseded systems, shall be determined in a manner so as to amortize the same over a period of time not to exceed thirty years from July 1, 2000. Any benefit improvements granted by the superseded systems shall be fully funded over the same amortization period established in this subsection. No benefit improvements shall be effective until funded by an additional appropriation. Appropriations made by the local legislative body to fund the obligations of the superseded systems pursuant to this act shall not be reduced for any year until all of the pension obligations of all of the superseded systems are fully amortized.

C. The metropolitan board of public education shall fund in its annual budget the actuarial contribution attributable to the aggregate benefits of all teachers covered under the superseded system established upon or after the establishment of the metropolitan government. The metropolitan government shall fund the actuarial contribution attributable to the aggregate benefits of all other superseded systems. The amounts necessary to fund such actuarial contributions shall be set forth in the annual budget adopted by the metropolitan council. (BL2000-337 § 1 (part), 2000)

2.24.480 Guaranteed payment account.

All funds appropriated by the metropolitan council for funding the obligation of the superseded systems shall be directly transferred to a guaranteed payment account by the chief accountant of the metropolitan government. The chief accountant shall transfer such amounts as may be necessary to pay the current pension obligations of the superseded systems to each respective system and shall transfer all remaining balances to the credit of the trust funds of the respective superseded systems in such amounts as are required to ensure that all liabilities are fully amortized as required in Section 2.24.470 of this code. (BL2000-337 § 1 (part), 2000)

Article I. Establishment and Operation

2.28.020 General services district fire protection services.

The functions of the metropolitan government to be performed, and the governmental services to be rendered throughout the entire general services district shall include fire protection. (Prior code § 16-1-1.1)

2.28.030 Division of emergency ambulance and rescue service.

A. There is created within the metropolitan fire department a division of emergency ambulance and rescue service for the purpose of providing emergency ambulance service to the citizens of the metropolitan government.

B. There is hereby imposed upon the metropolitan fire department the power to make all rules and regulations which the metropolitan fire department deems necessary for the proper and safe operation of any ambulance or ambulance operation, whether publicly or privately owned, which rules and regulations shall include, but not be limited to the type of vehicles required, the equipment necessary for each vehicle, the fees to be charged for the transportation of persons in such vehicles, the locations where ambulances are to be stationed, and the means of dispatching such ambulances and the number of vehicles required.

C. All rules and regulations promulgated by the metropolitan fire department for the operation of emergency ambulance service shall be approved by an advisory committee consisting of the metropolitan fire chief, chief of police, deputy fire chief emergency medical service, director of hospitals, director of finance, a representative from the Nashville Academy of Medicine, director of health, the president of the Nashville Fire Fighters Association, I.A.F.F. Local 763, the EMS division vice-president of the Nashville Fire Fighters Association, I.A.F.F. Local 763, vice-mayor, and a member of the metropolitan council's committee on health, hospitals and social services, or any of their designated represen-

tatives. Upon approval by the advisory committee, the rules shall be submitted to the metropolitan council for approval.

D. The dispatching of all metropolitan emergency ambulances shall be a function of the emergency ambulance section of the metropolitan fire department. It is hereby declared to be unlawful for any ambulance service to respond to any emergency call unless authorized to do so by the dispatcher for the emergency ambulance service. Any violation of this section shall be deemed a misdemeanor and, upon conviction, the person may be fined in an amount not exceeding fifty dollars.

E. In case of a disaster or holocaust, emergency ambulance service will be provided by the funeral directors to back up emergency ambulance service of the metropolitan fire department. In such case, ambulances of the funeral directors will be dispatched by the metropolitan fire chief or his designated representative. (Ord. 96-162 § 1, 1996; Ord. 95-93 § 1, 1995; Ord. 91-100 § 1, 1992; prior code § 16-1-2)

2.28.040 Ambulance operation rules and regulations.

The rules and regulations made by the department of fire for the proper and safe operation of any ambulance or ambulance operation, whether publicly or privately owned, and approved by the advisory committee set up and provided for in Section 2.28.030, are approved. (Prior code § 16-1-2.1)

2.28.050 Obedience to orders of emergency ambulance and rescue service personnel.

No person shall interfere with or wilfully fail or refuse to comply with any lawful order or direction of any employee of the division of emergency ambulance and rescue service while such employee is engaged in official business. This section shall apply only to those situations where the emergency medical technician is engaged in the care or transport of a patient. (Prior code § 16-1-2.2)

2.28.060 Emergency assistance policies and procedures.

A. The metropolitan government authorizes its departments to establish policies and procedures to be followed in requesting and responding to requests for emergency assistance in accordance with the Local Government Emergency Assistance Act of 1987, Public Chapter No. 155 (T.C.A. § 58-2-601 et seq.).

B. The policy and procedure of the metropolitan fire department, proposing the fire department's policy and procedures to be observed in requesting and responding to requests for emergency assistance is approved. (Prior code § 16-1-7)

2.28.070 Fire department positions.

Reserved.

2.28.080 Personnel rules and regulations—Purpose and applicability.

A. All rules and regulations of the department of fire pertaining to personnel shall protect such employment status as has been required by the provisions of the Charter of the Metropolitan Government, and nothing in such rules and regulations shall impair or diminish the rights and privileges of employees of the former City of Nashville or of Davidson County under the civil service provisions of the Charter of the Metropolitan Government.

B. Provided, further, that all rules and regulations of the department of fire pertaining to personnel shall protect such status as may hereafter be established by the provisions of the civil service rules and classification and pay plan of the metropolitan government, and nothing in such department's rules and regulations shall impair or diminish the rights and privileges of the employees who may hereafter have civil service status. (Prior code § 16-1-4)

2.28.090 Personnel rules and regulations—Copies filed as public records.

The director of fire shall cause certified copies of the rules and regulations of the department promulgated in accordance with the metropolitan government Charter and this chapter to be filed with the department of personnel and with the metropolitan clerk, and such rules and regulations shall be a public record. (Prior code § 16-1-5)

2.28.100 Presentation of gun and badge to police-commissioned fire department retirees.

The metropolitan fire department shall make a gift of a gun and badge to all retiring police-commissioned fire department employees who have at least twenty-five years of service upon their retirement. To be eligible to receive the gun and badge, the police-commissioned fire department employee must retire from active service, be in good standing, be eligible to receive a service pension, and have a minimum of five years of such service in a position in the fire department requiring a police commission. (Prior code § 16-1-6)

2.28.110 Recognition of citizens' organizations assisting fire department programs.

A. The fire chief of the metropolitan fire department is authorized to officially recognize nonprofit organizations within the metropolitan government area that assist the metropolitan fire department and its firefighters in fire prevention, fire detection and educational programs, and provide assistance beneficial to the metropolitan fire department and its firefighters. Any organization meeting the requirements as set out herein may be recognized by the fire chief and, if so recognized and in compliance with these requirements, may be entitled to the benefits hereunder.

B. The following regulations are adopted and set out for the requirements for recognition as provided in subsection A of this section:

1. The organization, in whatever form, must be not-for-profit;

2. No member of the organization may receive compensation for their services to the organization;

3. The organization may not receive any funding from the metropolitan government;

4. Membership in any such organization must be approved by the fire chief.

C. Any organization formed or approved in compliance with this section may be permitted to donate property or vehicles to the metropolitan government which are used in its programs or services. The metropolitan government shall provide insurance for or permit any such property or vehicles held in the name of the metropolitan government for such programs to be included in the metropolitan government's self-insurance programs.

D. Except as provided in subsection C of this section, and only for such purpose, no organization officially recognized by the fire chief shall be deemed to be an agency, board, department or commission of the metropolitan government, and no member shall be deemed to be an employee or official of the metropolitan government. (Prior code § 16-1-8)

2.28.111 Use of the Department of Public Works' hazardous materials response vehicles for fire prevention, firefighting and the containment of hazardous materials.

A. The Department of Public Works' hazardous materials response vehicles are authorized to perform on a first response emergency basis in furtherance of the metropolitan government's interests in fire prevention, firefighting and the containment of hazardous materials. The Department of Public Works' hazardous materials response vehicles are designated to be emergency repair vehicles for purposes of Section 12.32.070 of the Metropolitan Code of Laws and are expressly authorized to be equipped with lights that display a red light to the front of the vehicle. These vehicles are also expressly designated as "emergency firefighting vehicles" for purposes Title 55, Chapter 9, Section 402 of the Tennessee Code Annotated. Public Works shall be authorized to install, and operate red or white lights, or a combination of red and white lights, that display to the front of the hazardous materials response vehicles.

B. The provisions of this section shall not be construed to limit, abridge or otherwise abrogate any other requirement established by any other ordinance concerning the operation of emergency vehicles. However, should the provisions of this section conflict with any other section concerning the operation of emergency vehicles then this section shall prevail. (Ord. 99-1777 § 1, 1999)

Article II. Fire Marshal and Assistant Fire Marshal

2.28.120 Municipal fire prevention commissioner—Fire marshal authority.

The fire marshal shall be deemed a municipal fire prevention commissioner within the meaning of Tennessee Code Annotated, Section 68-102-108, and shall make such reports, perform such duties and have and exercise such powers as are conferred by the State Fire Prevention Law upon municipal fire prevention commissioners. (Prior code § 16-1-15)

2.28.130 Laws and ordinances—Enforcement authority.

It shall be the duty of the fire marshal to enforce within Davidson County (except for the city of Goodlettsville) all laws and ordinances relating to:

A. The prevention of fires;

B. The storage, sale and use of combustibles and explosives;

C. The installation and maintenance of automatic or other fire alarm systems and fire-extinguishing equipment;

D. The construction, maintenance and regulation of fire escapes;

E. The means and adequacy of exits, in case of fire, from factories, asylums, hospitals, places of worship, schools, halls, theaters, amphitheaters, and all other places in which numbers of persons live, work or

congregate from time to time for any purpose. (Ord. BL2017-654 § 1, 2017; Ord. BL2002-1142 § 1, 2002; prior code § 16-1-10)

2.28.140 Investigation of fires—Recordkeeping.

It shall be the duty of the fire marshal to attend fires occurring within Davidson County (except for the city of Goodlettsville), and to make investigation and ascertain the cause, origin and circumstances of all such fires. He shall keep records, in which he shall record the date of each fire, the place, the character of the building or structure, the name of the owner, lessee or occupant, the amount of loss caused by the fire, the amount of insurance carried on the building, the amount of insurance carried on stock or contents, the cause or origin of the fire, and any other fact ascertained in the course of his investigation, together with the names and addresses of any witnesses thereto. (Ord. BL2002-1142 § 2, 2002; prior code § 16-1-11)

2.28.150 Inspection of buildings—Right of entry.

Upon complaint of any person having an interest in any building or in property adjacent thereto, or without any complaint, the fire marshal shall have the right at all reasonable hours, for the purpose of examination, to enter into and upon all buildings and premises in the urban services district. (Prior code § 16-1-12)

2.28.160 Police powers of fire marshal.

The fire marshal and his designees shall have police powers within Davidson County. (Ord. BL2002-1142 § 3, 2002; prior code § 16-1-16)

2.28.170 Orders to remedy dangerous conditions—Appeals.

A. Whenever the fire marshal shall find any building or other structure within the county which, for want of repair or by reason of age or dilapidated condition, or for any cause, is especially liable to fire, and which is so situated as to endanger other buildings, structures or property, or whenever he shall find in any building or structure within the general services district, an improper or dangerous arrangement or condition of stoves, ranges, furnaces or other heating appliances of any kind whatsoever, including chimney, flues and pipes with which the same may be connected, or a dangerous condition or arrangement of lighting devices or system, or a dangerous or unlawful storage of explosives, petroleum, gasoline, kerosene, dangerous chemicals, vegetable products, fireworks, ashes, combustibles, inflammables, or refuse materials, or other conditions which, in his opinion, may constitute a dangerous fire hazard, or be liable to cause or promote fire or to create conditions dangerous to the emergency responders or to occupants of the building or to adjoining property, he shall serve an order in writing upon the owner, lessee, occupant or agent of the building for the dangerous condition or arrangement, specified and described in such written order, to be removed or remedied, within a time, not less than five days, to be designated in the order, and such order shall be within the designated time complied with by the owner, lessee and occupant or agent of such building; provided, that if the owner, lessee, occupant or agent deems himself aggrieved by such order, he may, before the next meeting of the Board of Fire and Building Code Appeals, from the service of such order, appeal to said board, by written petition addressed to the board who shall hear such appeal as soon as it can be conveniently heard, and who may make investigation and hear testimony of any witnesses, and issue subpoena for any witnesses, and who may, upon such hearing, either affirm, modify or revoke the order of the fire marshal. If the order of the fire marshal is affirmed or modified, such order so affirmed or modified shall forthwith be complied with by the owner, lessee, occupant or agent.

B. Every such order in writing issued and served by the fire marshal shall be dated and signed by him, and copies of such order shall be kept and preserved in an order record by the fire marshal.

C. Should the fire marshal determine that a change, addition or renovation of a privately owned building or structure is warranted to abate a fire hazard, he shall send written notice by return receipt certified mail to the owner of the building or structure. The fire marshal shall take no official action to require the change, addition or renovation until he has received return of the certified mail indicating that the owner of the property has received notice of the alleged dangerous condition. (Ord. BL2007-1390 § 1, 2007; Ord. BL2002-1142 § 4, 2002; prior code § 16-1-13)

2.28.180 Failure to comply with orders.

It is unlawful for any owner, lessee, occupant or agent of any building or premises to fail to comply with the written order of the fire marshal served upon him, or to fail to comply with such order of the fire marshal as affirmed or modified on appeal, as herein provided. (Ord. BL2002-1142 § 5, 2002; prior code § 16-1-14)

2.28.210 Assistant fire marshal—Right of entry for inspection.

The assistant fire marshal, in aiding and assisting the fire marshal in the discharge of the duties of fire marshal

under the ordinances of the metropolitan government and the law, shall have the right at all reasonable hours, for the purposes of examination, to enter into and upon all buildings and premises within Davidson county. (Ord. BL2002-1142 § 7, 2002; prior code § 16-1-19)

Article III. Auxiliary Emergency Assistance Organization

2.28.220 Created—Membership qualifications.

There is created the Auxiliary Emergency Assistance Organization of the metropolitan fire department, hereinafter referred to as "AEAO." Members of the AEAO shall be citizens of Davidson County that have filed an application with the chief of the fire department to be members of AEAO and that have completed such instructional course(s) as required by the fire chief. (Prior code § 16-1-31)

2.28.230 Employment status of members.

Members of AEAO shall be considered "employees" as provided under Tennessee Code Annotated, Section 29-20-107(d), but for that purpose only and no other, and then only when performing such duties as requested by the chief of the fire department. (Prior code § 16-1-35)

2.28.240 Course of instruction.

The fire chief shall establish a course(s) of instruction to be taken by all members of AEAO, designed to instruct such members as to the duties of AEAO members. Safety precautions to be observed by members and defensive driving courses for those members authorized to drive nonemergency equipment belonging to the fire department. (Prior code § 16-1-32)

2.28.250 Duties of members.

The duties of AEAO members shall be as set out below or as established by regulation of the fire chief:

A. Maintain additional safety clothing, such as gloves, hoods and boots, for use by firefighters when their clothing gets wet or is damaged;

B. Provide refreshments for firefighting personnel during resting periods at fire and other emergency scenes;

C. Provide an area for firefighters who become exhausted or overcome by heat and smoke to rest;

D. Service as a shuttle unit to transport firefighters to the fire scene at shift changes. (Prior code § 16-1-33)

2.28.260 Access to vehicles.

AEAO shall have access to and use of such nonemergency vehicles as maintained by the department and as authorized by the fire chief. AEAO shall not, at any time, be authorized to operate or run emergency equipment. (Prior code § 16-1-34)

2.32.070	**Green building standards.**
2.32.080	**Renewable energy portfolio standard program.**

2.32.010 Created—Organization and membership.

There is created a department of general services, which shall consist of a director and such other officers and positions of employment as may be provided by the provisions of this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72, or as may be subsequently provided by ordinance. (Prior code § 2-1-36)

2.32.020 Director—Powers, duties and compensation.

The director of the department of general services shall be responsible for and perform the executive functions of the department. (Ord. 90-1339 § 1 (2-8), 1990; prior code § 2-1-37)

2.32.030 Department powers, functions and personnel.

The department of general services shall have transferred to it the powers, functions and personnel as follows:

A. The functions, duties, powers, personnel and positions, records, personal property and equipment formerly vested in the motor pool section of the division of public property administration;

B. The functions, duties, powers, personnel and positions, records, personal property and equipment formerly vested in the maintenance section of the division of public property administration, which has heretofore been concerned with the care and maintenance of public buildings under its control and unless otherwise provided in this code, shall also be responsible for the erection, construction, equipping, maintenance and operation of all public buildings;

C. The functions, duties, powers, personnel and positions, records, personal property and equipment formerly vested in the equipment division of the public works department for the operation of garages and service centers for the repair of automotive equipment other than heavy equipment;

D. All control and supervision of mailing, central duplicating, printing and messenger services;

E. All control and supervision of storerooms services shall be vested in the purchasing agent of the metropolitan government. (Ord. 96-376 § 1, 1996; prior code § 2-1-38)

2.32.040 Director—Determination of section and unit functions.

The director of the department of general services shall determine the functions of the various sections and units. (Prior code § 2-1-39)

2.32.050 Mayor's authority to resolve controversies.

A. All questions and problems arising under this chapter concerning the status of employees transferred in accordance with this chapter and concerning the organization of the department of general services shall be determined by the mayor.

B. In case of controversy between two or more departments or agencies as to all matters and things involved in the transfer of functions, personnel, records, equipment or unencumbered balance of appropriations to the general services department, the mayor shall resolve such controversies in the manner in which he may direct. (Prior code § 2-1-40)

2.32.060 Use of metropolitan government vehicles.

A. For purposes of this section, the following definitions shall apply:

"Metro" means the Metropolitan Government of Nashville and Davidson County.

"OFM" means the Metropolitan Department of General Services, Office of Fleet Management.

"Agency" means a Metro agency, department, institution, board, bureau, authority, or elected official issued vehicles through OFM.

"Vehicle" means any self-propelled, rubber-tired unit capable of being licensed in the State of Tennessee for over the road travel.

B. Metro government-owned vehicles shall be used only for official business.

C. Unauthorized use. The following uses of Metro vehicles are prohibited:

1. Travel outside the geographical jurisdiction of metropolitan government without the proper administrative approvals.

2. Driving/operating a Metro vehicle while drinking an intoxicating beverage, or while under the influence of any drug, including alcohol, which impairs the employee's ability to safely operate said vehicle.

3. Transporting alcoholic beverages or illegal drugs of any kind, except as the same may be required for law enforcement purposes.

4. Any use for personal purposes, other than incidental.

5. Transporting family members, friends, associates or other persons who are not employees of Metro or serving the interest of Metro.

6. Attending sport events, including hunting and fishing, which are not in the service of Metro.

7. Transporting any political campaign literature or matter, or to engage in soliciting votes, or to transport any person or persons soliciting votes in any election or primary.

D. OFM shall have the authority to adopt additional rules and regulations consistent with this section pertaining to use and operation of Metro vehicles and equipment. (Ord. BL2011-938 § 1, 2011)

2.32.065 Fleet electrification program.

A. Within one hundred eighty days after the enacted date of this section, the metropolitan department of general services shall establish a fleet electrification program ("program") that shall require that all motor vehicles owned by the metropolitan government be zero-emission vehicles by the year 2050.

B. The transition to a zero-emission fleet will be phased-in as follows:

1. By 2025, 25% of the vehicles in the metropolitan government fleet shall be low-or-zero-emission vehicles.

2. By 2030, 25% of the vehicles in the metropolitan government fleet shall be zero-emission vehicles with at least 50% of the vehicles in fleet low-or-zero-emission vehicles.

3. By 2035, 50% of the vehicles in the metropolitan government fleet shall be zero-emission vehicles with at least 75% of the vehicles in fleet low-or-zero-emission vehicles.

4. By 2040, 75% of the vehicles in the metropolitan government fleet shall be zero-emission vehicles with at least 90% of the vehicles in fleet low-or-zero-emission vehicles.

5. By 2045, 90% of the vehicles in the metropolitan government fleet shall be zero-emission vehicles with at least 100% of the vehicles in fleet low-or-zero-emission vehicles.

6. By 2050, 100% of the vehicles in the metropolitan government fleet shall be zero-emission vehicles.

C. The department of general services shall have the authority to adopt additional rules and regulations consistent with this section. The department of general services shall further issue a report to the metropolitan council at least annually regarding the emission status of the vehicles in the metropolitan government fleet. This report shall be made available on the metropolitan government's website and the Metro Open Data Portal.

D. By January 1, 2022, and every two years thereafter, the metropolitan department of general services shall develop a greenhouse gas emissions reduction plan for its fleet. The plan shall include proposals on how to meet the above targets and goals for reducing emissions as well as cost estimates associated with the meeting the above targets and goals. The greenhouse gas emissions reduction plan shall be submitted to the metropolitan council.

E. Exemptions. This section shall not apply to any emergency response vehicles, such as ambulances, law enforcement vehicles, or fire trucks. The department of general services shall have the authority to exempt other types of vehicles for which low-or-zero-emission models are not feasible. The department shall reevaluate the feasibility of including emergency response vehicles or otherwise exempted vehicles in this program every five years after adoption of this ordinance and may include any or all previously exempted vehicles in the program. (Amdt. 1 to Ord. BL2019-1598 § 1, 2019; Ord. BL2019-1598 § 1, 2019)

2.32.070 Green building standards.

By July 1, 2020, the Department of General Services shall develop a strategic energy management plan for reducing energy and water use across metro-owned buildings. This strategic plan shall include elements for complying with the Equal Business Opportunity Program, found in Chapter 4.46 of the Metropolitan Code of Laws, to the fullest extent possible. The plan shall include timelines and cost estimates for implementing:

1. An energy retrofit program across at least 9% of metro government-owned buildings by square footage between 2021 and 2024, prioritizing buildings that have core systems and equipment nearing the end of their useful lives, with a goal of achieving at least 20% reductions in average energy and greenhouse gas emissions, as measured in BTUs; and

2. A LEEDTM Zero retrofit program across at least 12.5% of metro government-owned buildings by square footage between 2026 and 2032. Renewable energy certificates ("RECs") may be used as part of this retrofit program. (Amdt. 2 to Ord. BL2019-1599 § 1, 2019; Amdt. 1 to Ord. BL2019-1599 § 1, 2019; Ord. BL2019-1599 § 1, 2019)

2.32.080 Renewable energy portfolio standard program.

A. Definitions. The following definitions shall be used in this section:

1. "Solar energy" means radiant energy, direct, diffuse, or reflected, received from the sun at wavelengths suitable for conversion into thermal, chemical, or electrical energy, that is collected, generated, or stored for use at a later time.

2. "Tier one renewable source" means one or more of the following types of energy sources:

a. Solar energy;

b. Wind;

c. Methane from the anaerobic decomposition of organic materials in a landfill or wastewater treatment plant;

d. Geothermal;

e. Ocean, including energy from waves, tides, currents, and thermal differences;

f. Fuel cells producing electricity from a tier one renewable source under this paragraph; and

g. Raw or treated wastewater used as a heat source or sink for a heating or cooling system.

3. "Tier two renewable source" means one or more of the following types of energy sources:

a. Hydroelectric power other than pumped storage generation; or

b. Waste-to-energy.

B. The renewable energy portfolio standard for the metropolitan government shall be as follows:

1. In 2020, that the percentage of total carbon-free energy usage shall be not less than 53%, with not less than 20% from tier one renewable sources, not less than 2.5% from tier two renewable sources, and not less than 1% from solar energy;

2. In 2021, that the percentage of total carbon-free energy usage shall be not less than 55.7%, with not less than 22.5% from tier one renewable sources, not less than 3% from tier two renewable sources, and not less than 1.5% from solar energy;

3. In 2022, that the percentage of total carbon-free energy usage shall be not less than 58.4%, with not less than 25% from tier one renewable sources, not less than 3.5% from tier two renewable sources, and not less than 1.6% from solar energy;

4. In 2023, that the percentage of total carbon-free energy usage shall be not less than 61.1%, with not less than 27.5% from tier one renewable sources, not less than 4% from tier two renewable sources, and not less than 1.85% from solar energy;

5. In 2024, that the percentage of total carbon-free energy usage shall be not less than 63.8%, with not less than 30% from tier one renewable sources, not less than 4.5% from tier two renewable sources, and not less than 2.15% from solar energy;

6. In 2025, that the percentage of total carbon-free energy usage shall be not less than 66.5%, with not less than 35% from tier one renewable sources, not less than 5% from tier two renewable sources, and not less than 2.45% from solar energy;

7. In 2026, that the percentage of total carbon-free energy usage shall be not less than 69.2%, with not less than 40% from tier one renewable sources, not less than 5.5% from tier two renewable sources, and not less than 2.75% from solar energy;

8. In 2027, that the percentage of total carbon-free energy usage shall be not less than 71.9%, with not less than 45% from tier one renewable sources, not less than 6% from tier two renewable sources, and not less than 4% from solar energy;

9. In 2028, that the percentage of total carbon-free energy usage shall be not less than 74.6%, with not less than 50% from tier one renewable sources, not less than 6.5% from tier two renewable sources, and not less than 4.5% from solar energy;

10. In 2029, that the percentage of total carbon-free energy usage shall be not less than 77.3%, with not less than 55% from tier one renewable sources, not less than 7% from tier two renewable sources, and not less than 4.75% from solar energy;

11. In 2030, that the percentage of total carbon-free energy usage shall be not less than 80%, with not less than 60% from tier one renewable sources, not less than 7.5% from tier two renewable sources, and not less than 5.0% from solar energy;

12. In 2031, that the percentage of total carbon-free energy usage shall be not less than 82%, with not less than 65% from tier one renewable sources, not less than 8% from tier two renewable sources, and not less than 5.25% from solar energy;

13. In 2032, that the percentage of total carbon-free energy usage shall be not less than 84%, with not less than 70% from tier one renewable sources, not less than 8.5% from tier two renewable sources, and not less than 5.5% from solar energy;"

14. In 2033, that the percentage of total carbon-free energy usage shall be not less than 86%, with not less than 75% from tier one renewable sources, not less than 9% from tier two renewable sources, and not less than 6.0% from solar energy;

15. In 2034, that the percentage of total carbon-free energy usage shall be not less than 88%, with not less than 80% from tier one renewable sources, not less than 8% from tier two renewable sources, and not less than 6.5% from solar energy;

16. In 2035, that the percentage of total carbon-free energy usage shall be not less than 90%, with not less than 85% from tier one renewable sources, not less than 5% from tier two renewable sources, and not less than 7.0% from solar energy;

17. In 2036, that the percentage of total carbon-free energy usage shall be not less than 92%, with not less than 90% from tier one renewable sources, not less than 2% from tier two renewable sources, and not less than 7.5% from solar energy;

18. In 2037, that the percentage of total carbon-free energy usage shall be not less than 94%, with not less than 94% from tier one renewable sources, not less than 0% from tier two renewable sources, and not less than 8.0% from solar energy;

19. In 2038, that the percentage of total carbon-free energy usage shall be not less than 96%, with not less than 96% from tier one renewable sources, not less than 0% from tier two renewable sources, and not less than 8.5% from solar energy;

20. In 2039, that the percentage of total carbon-free energy usage shall be not less than 98%, with not less than 98% from tier one renewable sources, not less than 0% from tier two renewable sources, and not less than 9.0% from solar energy;

21. In 2040, that the percentage of total carbon-free energy usage shall be not less than 100%, with not less than 100% from tier one renewable sources, not less than 0% from tier two renewable sources, and not less than 9.5% from solar energy; and

22. In 2041 and thereafter, that the percentage of total carbon-free energy usage shall be not less than 100%, with not less than 100% from tier one renewable sources, not less than 0% from tier two renewable sources, and not less than 10% from solar energy.

C. If local capacity is available, metro should attempt to increase their share of ownership in community-based solar energy programs within Davidson County. The metropolitan government should further attempt to engage in available initiatives offered by NES to increase renewable energy sources above the target standards listed in subsection A when available.

D. The metropolitan government may use renewable energy certificates ("RECs") or other types of credits in order to meet the percentage required under the standards outlined in subsection B.

E. The department of general services shall develop and submit to the metropolitan council a strategic plan for achieving the renewable energy portfolio standard by July 1, 2020. The plan shall include cost estimates for implementation of the standards. The department of general services shall further issue a report to the metropolitan council at least annually regarding the renewable energy portfolio standards of the Metropolitan Government of Nashville and Davidson County which shall include the percentage of renewable energy usage by category and the RECs or credits, if any, in use. This report shall be made available on the metropolitan government's website and the Metro Open Data Portal. (Amdt. 2 to Ord. BL2019-1600 § 1, 2019; Amdt. 1 to Ord. BL2019-1600 § 1, 2019; Ord. BL2019-1600 § 1, 2019)

2.36.010 Definitions.

For the purposes of this chapter, the following words and phrases shall have the meanings respectively ascribed to them by this section:

"Chief medical director" means the chief administrative officer of the board of health, or his designated representative.

"Department of health" means the department of health of the metropolitan government. Such term shall include the board and all of its agents, employees and activities. (Prior code § 20-1-1)

2.36.020 Department powers and duties generally.

A. The department of health may inspect any premises, matter or thing within its jurisdiction, including, but not limited to, any premises where an activity regulated by this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72 is carried on, and any record required to be kept pursuant to this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72.

B. In order to determine whether the provisions of this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72 or provisions of other law which the department of health has the duty to enforce are being complied with, the department of health may investigate or authorize the investigation to be made of any matter, incident, thing, person or event within its jurisdiction, utilizing all of the investigative powers granted by the Metropolitan Charter.

C. Subject to the provisions of this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72, or other applicable law, the department of health may take such action as may become necessary to assure the maintenance of public health, the prevention of disease, or the safety of the metropolitan government and its residents. The chief medical director, subject to the directions of the board of health, may establish procedures to be followed during an emergency declared by the board of health to insure the continuation of essential public health services and enforcement. Emergency procedures shall not be limited to the provisions of this chapter. Such procedure may include the reporting of births, fetal deaths and deaths when the normal procedures, as established by applicable law, cannot be met, but this provision does not relieve any person required to file such reports from complying with the appropriate requirements after the emergency period has passed. (Prior code § 20-1-2)

2.36.030 Consistency with federal and state law.

This chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72 are intended to be consistent with applicable federal and state law, and shall be construed, whenever necessary, to achieve such consistency. (Prior code § 20-1-17)

2.36.040 Liberal construction of provisions.

This chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72 shall be liberally construed for the protection of the health and safety of the people of the metropolitan government. (Prior code § 20-1-18)

2.36.050 Computing ratios of personnel and facilities for numbers of persons.

When, in this chapter or Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72 a requirement for personnel or facilities is expressed in terms of a ratio of at least so many personnel or so many facilities required for so many persons, places or things, and when the actual number of persons, places or things affected by the requirements is less than or is a fractional part of the number specified in the ratio, then the requirements shall apply also to such lesser number or fractional part of the number specified of such persons, places or things. (Prior code § 20-1-16)

2.36.060 Inspection—Premises providing services to children.

Without limitation of the department of health's general power to inspect pursuant to Section 2.36.020, a building, premises or other place where a child under sixteen years of age who receives care, instruction, education, recreation or other service while not under the supervision of a parent, stepparent or grandparent, may be inspected by the department of health at a reasonable time in order that the health and safety of children may be protected. (Prior code § 20-1-4)

2.36.070 Inspection—Charitable institutions, jails and other metropolitan institutions confining persons.

Without limitation of the department of health's general power to inspect pursuant to Section 2.36.020, the department of health shall inspect all charitable institutions and all jails and other institutions of the metropolitan government where sick, insane, destitute or other persons are confined. The department of health may cause any person convicted of violating any law or ordinance and who is confined or who is on parole to be examined as to the causes contributing to the delinquency, and shall make and keep a record of such examinations. (Prior code § 20-1-6)

2.36.080 Medicine for indigent persons.

A. The board of health is authorized and directed to establish a program for providing medicine to medically indigent persons residing within the boundaries of the metropolitan government, such program to be operated within the annual budget appropriation designated for this purpose, and to this end the board of health shall establish rules and regulations for the administration of this program, including rules governing the formulary of drugs to be provided and the method of establishing those entitled to the benefits of this program.

B. The director of finance is authorized to pay bills submitted to him for medicine furnished the medically indigent. Such bills shall be paid by the director of finance from the annual budget appropriation established for the medically indigent program, but no such bill shall be paid by the director of finance unless it is approved by the board of health or by an official designated by the board and authorized to review and approve such bills. (Prior code § 20-1-7)

2.36.090 Pauper burials.

The board of commissioners of the metropolitan social services is authorized and directed to establish a program for the burial of indigent persons residing within the boundaries of metropolitan government, such program to be operated within the annual budget appropriation designated for this purpose, and to this end the board of commissioners of the metropolitan social services shall establish rules and regulations for the administration of this program, including proper purchasing procedures consistent with the established purchasing procedures of the purchasing department of the metropolitan government and the method of establishing those entitled to the benefits of the program. (Prior code § 20-1-7.1)

2.36.100 Nuisances designated—Abatement authority.

A. No person shall commit or maintain a nuisance, as defined by statutory law, common law or equity, and no person shall allow such a nuisance to exist or be created in respect of any matter, thing, chattel or premises which he owns or controls. It shall be the duty of the chief medical director to inspect or cause to be inspected all lots, grounds, suspected cellars, premises, possession, streets, lanes and alleys within the metropolitan government area; and whenever he shall be of the opinion that any of such lots, grounds, suspected cellars, premises, possessions, street, lanes or alleys are in a state of nuisance or in such a condition that the existence of a nuisance thereon or therein is imminent and the health of the citizens endangered, he shall notify or cause to be notified, the owner or occupier of such lots, grounds, suspected cellars, premises or possessions, and the owner or occupier of the property fronting on such streets, lanes or alleys, or his agents, shall have such nuisance or the

cause of such nuisance removed and abated within a reasonable time prescribed in such written notice; and if the owner or occupier or his agents shall neglect or refuse to comply with the terms of such notice, the chief medical director, upon the expiration of the terms set out in the notice, is hereby empowered to remove such nuisance or cause of such nuisance, utilizing either the services of some agency of the metropolitan government or of some private agency, at the expense of such owner or occupier, their liability being joint and several.

B. The cost of removing such nuisance or the cause of such nuisance may be recovered by the chief medical director, in the name of the metropolitan government, from the owner or occupier, by suit if necessary. The chief medical director may cause the amount of the bill for removing such nuisance to be certified to the metropolitan trustee, and the same shall constitute a lien upon the property for which the expenditure is made, which lien may be enforced by suit in the chancery court, as are other similar liens.

C. In addition thereto, such owner or occupier, who shall neglect and refuse to comply with the terms and conditions of such notice, shall be guilty of a violation of this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72.

D. In the event that such owner or occupier should feel aggrieved at any decision of the chief medical director in this regard, such aggrieved party shall, within seventy-two hours from receipt of the written notice for the abatement of the nuisance, file at the office of the board of health a written request for a hearing by the board, which request may be informal and need not set out the contentions of the aggrieved party. The board of health shall promptly hold a hearing to review the action of the chief medical director in this regard, and may affirm, amend or set aside such action. No implementation of the order of the chief medical director for the abatement of the nuisance shall be effected pending any hearing by the board of health.

E. Whenever any person shall be in actual possession of or have the charge, care or control of any property within the metropolitan government area, as executor, executrix, administrator, administratrix, trustee, guardian, agent or conservator, such person shall be deemed and taken to be the owner or owners of such property within the true intent and meaning of this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72, and shall be bound to remove all nuisances from such property in the same manner and under the same penalties as if such person were actually the owner of such property, and notice to any such person of any order of the chief medical director shall be deemed and taken to be as good and sufficient notice as if such person were actually the owner of such property.

F. None of the remedies for the abatement of nuisances set out in this section shall be deemed to be exclusive, precluding the department of health from seeking an injunction in equity.

G. In determining a reasonable time to abate nuisances as set forth in subsections A through E of this section, the department of health shall give the property owner or occupier at least ten days to abate the nuisance, unless the nuisance poses an immediate serious threat to the health of the inhabitants of the property or surrounding property. "Immediate threat" shall be defined as a condition that will or is likely to cause serious physical injury to humans or animals. (Prior code § 20-1-8)

2.36.110 Seizure, embargo, condemnation and disposal of prohibited materials.

A. When, in the opinion of the department of health, a food, drug, device, cosmetic, article or thing is unfit for consumption or use, or is in a condition, or is of a kind, weight, quality or strength prohibited by this chapter, or is not labeled as required by this chapter, or contains false or misleading labeling, or is adulterated or misbranded or otherwise constitutes a danger or is prejudicial to the public health, the department of health may seize, embargo or condemn such material. The department of health may destroy, render harmless or otherwise dispose of all seized, embargoed or condemned material, or may direct the owner or person in control thereof to do so. When the department of health determines that embargoed material consists in part of materials which are not in violation of this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72, and which may be salvaged, or that embargoed materials or any part thereof can be brought into compliance with this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72, the department shall permit the owner or person in control, unless the public health otherwise requires, to separate the salvable portions, or to bring such materials into compliance with this chapter at the place of embargo, or other place acceptable to the department, in a manner directed by the department. When seized, embargoed or condemned material is disposed of by the department of health otherwise than by destruction, it shall be returned to the owner or person in control after it has been rendered harmless. All activities carried on pursuant to this subsection shall be done in a manner consistent with the maintenance of the public health, giving due regard to the property rights of the owner or person in control of the affected material.

B. Except where the public health requires immediate action, the department of health shall not seize, embargo, condemn, destroy, render harmless or otherwise dispose of any material pursuant to subsection A of this section until the owner or person in control is notified by an effective means of communication and is given an opportunity for a hearing before the board of health. Written notice of such a hearing shall be delivered by the department of health to the person affected not less than five days prior to the hearing. (Prior code § 20-1-3)

2.36.120 Enforcement—Procedures other than prosecution or compulsory means.

In lieu of enforcement of this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72 by way of prosecution, recovery of civil penalties, revocation of permits, seizure, embargo and condemnation, and other compulsory means, the department of health may seek to obtain the voluntary compliance with this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72 by way of notice, warning or other educational means. This section does not, however, require that such noncompulsory methods be used before proceeding by way of compulsory enforcement. (Prior code § 20-1-10)

2.36.130 Records and proceedings—Public inspection authorized when.

A. A person may inspect or authorize his attorney or representative to inspect a paper, file, record or proceeding of the department of health in which he has a personal right or interest. Application for inspection shall be made by submitting an affidavit to the department of health, describing the personal right or interest of the person. The attorney or representative of a person, in addition, shall submit proof of his authority. Inspection shall be permitted during such times and at such places as the department of health may prescribe.

B. This section does not authorize the inspection of any record or report which, pursuant to a provision of any law, is to be confidential, not subject to subpoena or inspection, or which is otherwise limited in its use or dissemination. (Prior code § 20-1-15)

2.36.140 Review of decisions of the chief medical director.

A. Pursuant to Item 4 of Section 10.104 of the Metropolitan Charter, the board of health shall hear and act upon complaints of persons affected by decisions of the chief medical director, and amend or set aside such decisions as are contrary to policies or regulations of the board. The concurring vote of three members of the board of health shall be necessary to amend or set aside any order, requirement, decision or determination of the chief medical director. Except in specific instances where a shorter period is specified, an appeal to the board of health shall be taken within thirty days after the date of the complained of action of the chief medical director. Such an appeal may be perfected by the filing of an informal written request for a hearing before the board. The aggrieved party shall be granted a public hearing before the board of health, and he may appear in his own behalf or be represented by counsel or agent. The aggrieved party's side of the matter shall first be heard, and subsequently, the chief medical director or other personnel of the department of health shall present their side, and both sides shall be permitted to introduce any relevant and competent evidence bearing on the issue.

B. Seven days' notice of the hearing before the board of health shall be sent by mail to the aggrieved party, unless in specific instances herein a shorter period is specified. Such notice shall be sent by registered mail to the address given by the aggrieved party in his request for a hearing.

C. The final disposition of any such complaint shall be in the form of a resolution, which shall affirm, amend or set aside the decision of the chief medical director. No request to grant a rehearing of such decision of the board of health shall be entertained unless new evidence is submitted which could not reasonably be presented at the previous hearing. If justifiable grounds for a rehearing exist, they shall be made known by a communication to the board of health presented to the board in written form, and if a motion to grant a rehearing shall receive three affirmative votes on the board, then the petitioner shall be notified to appear before the board on a date set by the board, of which he shall be notified. (Prior code § 20-1-9)

2.36.150 Unauthorized reproduction or alteration of department documents.

No person shall reproduce or alter, or cause to be reproduced or altered a permit, report, certificate or other paper issued by the department of health or any agent thereof, if the purpose of such reproduction or alteration is the evasion or violation of any provision of this chapter and Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72 or any other law. (Prior code § 20-1-14)

2.36.160 False or misleading statements in documents or reports.

No person shall make a false, untrue or misleading statement, or forge the signature of another, on a certificate, application, registration, report or other document required by the department of health. No person shall

make a false, untrue or misleading oral statement to the department of health as to any matter investigated by the department. (Prior code § 20-1-13)

2.36.170 Tearing down or mutilating official notices.

No person shall mutilate, obstruct, tear down or remove any notice of the department of health unless authorized to do so by the department of health or by this chapter or Chapters 6.16, 6.60, 10.04, 10.08, 10.12, 10.16, 10.20, 10.32 through 10.52 and 15.72. (Prior code § 20-1-12)

2.36.180 Interfering with or obstructing department personnel.

No person shall interfere with or obstruct department of health personnel in carrying out an inspection, survey or examination, or in the performance of any other duty for the department of health. (Prior code § 20-1-11)

2.36.190 Violation of orders prohibited.

It is unlawful for any person to violate an order of the board of health or of the chief medical director. (Prior code § 20-1-5)

Article I. General Regulations

2.40.010 Control of department—Metropolitan attorney powers and duties—Docket of suits.

It shall be the duty of the metropolitan attorney, with the assistance provided for him, to take control of and appear for and represent the metropolitan government in all suits in any of the courts of record. He shall keep a docket of all suits, in which each case shall be entered by its proper title, the court in which it is pending, the names of all the parties, the nature and character of the case and such information as may be important to be known in regard thereto. He shall deliver such docket to his successor in office or, if there be no successor, to the mayor. (Prior code § 2-1-7)

2.40.020 Assistant metropolitan attorneys.

Two positions of assistant metropolitan attorney, in addition to the four positions of assistant metropolitan attorney created by Section 8.605 of the Metropolitan Charter, are created pursuant to Section 8.605 of the Metropolitan Charter. The metropolitan attorney is authorized to hire and appoint the two additional assistant metropolitan attorneys, subject to the approval of the mayor. (Prior code § 2-1-15)

2.40.030 Court stenographer and brief printer.

The metropolitan attorney is authorized to employ the services of a first-class stenographer or court reporter, whenever necessary, for the purpose of taking down in writing all evidence in any suit now pending or that may hereafter be brought against the metropolitan government or in which the metropolitan government is or may become a party, and likewise to take down any charge or order made or delivered by the court in such suits. The metropolitan attorney is likewise authorized to have briefs printed in any case wherein the metropolitan government is involved. Such stenographer or court reporter and such brief printer shall be paid his right and

just charges for the services he performs, out of the metropolitan government treasury, upon the presentation of a bill for his services, duly approved by the metropolitan attorney. (Prior code § 2-1-10)

2.40.040 Representation of metropolitan government outside metropolitan government area—Reimbursement for expenses.

It shall be the duty of the metropolitan attorney or one of his assistants designated by him to attend in person to any business of the metropolitan government to be transacted in court, or otherwise, beyond the limits of the metropolitan government area, and his traveling or other incidental expenses arising legitimately from such metropolitan government business shall be paid out of the metropolitan government treasury. (Prior code § 2-1-9)

2.40.050 Execution of bonds for costs, judgments and other actions.

The metropolitan attorney and the deputy metropolitan attorney are authorized to execute, on behalf of the metropolitan government, as principal, any and all bonds for costs, judgments, injunction bonds or any other bonds required to be made in connection with litigation in which the metropolitan government or its officers, commissions, boards or agencies are concerned in their official capacity. (Prior code § 2-1-8)

2.40.060 Updating statutory references in metropolitan code of laws.

The metropolitan attorney is authorized from time to time to update references to sections of Tennessee Code Annotated appearing in the Metropolitan Code of Laws when such sections are renumbered, such updated reference to be approved by resolution. (Ord. 90-1339 § 1(2-1), 1990; prior code § 2-1-8.1)

2.40.070 Eligibility for employment contracts—Term of contract.

A. All attorneys employed by the metropolitan government pursuant to Article 8, Chapter 6 of the Metropolitan Charter shall be eligible to contract with the metropolitan government for legal services subject to the qualifications and requirements of subsection B of this section.

B. Any attorney, as defined in subsection A of this section, shall meet the following qualifications to be eligible to contract with the metropolitan government for legal services:

1. Two years' practice in municipal law with the metropolitan government;

2. The attorney must receive the approval of the director of law, the mayor, and the metropolitan council. Approval by the metropolitan council shall be by resolution setting forth the terms and conditions of the contract. The contract authorized herein shall under no circumstances exceed two years in length.

C. This section shall apply only to attorneys of the metropolitan government as defined in subsection A of this section and shall not apply to private attorneys employed by the metropolitan council of the metropolitan government pursuant to Section 8.607 of the Metropolitan Charter. (Prior code § 2-1-15.2)

2.40.080 Delinquent tax reports transmitted to department.

It shall be the duty of the metropolitan trustee to transmit to the department of law a balanced and reconciled report of all real property taxes or tax equivalents due the metropolitan government for the general services district and the urban services district, which taxes or tax equivalents have become six months' delinquent. Prior to such transmittal, there shall be an internal audit by the division of accounts. (Prior code § 2-1-13)

2.40.090 Division of tax litigation.

A. There shall be a division of tax litigation, under the direction and supervision of the metropolitan attorney or such deputy or assistant as the metropolitan attorney, in his discretion, may direct.

B. It shall be the duty of the department of law, in and through the division of tax litigation, to obtain from the metropolitan trustee a balanced and reconciled report of delinquent real property taxes or tax equivalents of the general services district and the urban services district as otherwise provided in the Metropolitan Charter or by ordinance. In accordance with rules and regulations to be established by the metropolitan attorney, the department of law shall make every reasonable effort to collect such delinquent taxes or tax equivalents, and it shall be the duty of the department of law, in and through the division of tax litigation, to prepare and file all suits for the collection of delinquent real property taxes or tax equivalents due the metropolitan government for the general services district and the urban services district, and to proceed to collect such delinquent real property taxes or tax equivalents in accordance with the provisions of the Metropolitan Charter, together with such other authority as may be provided by the general law, private act or ordinance.

C. In the division of tax litigation, there shall be a chief clerk and such clerical assistants as the metropolitan attorney, with the approval of the mayor, may determine necessary. The back-tax clerk of the former county attorney shall be the first chief clerk of this division.

D. The personnel of the division of tax litigation shall, under the supervision of the metropolitan attorney, prepare the necessary court pleadings for tax suits, distress warrants, decrees and other documents necessary and proper for the prosecution of tax litigation and the maintenance of office records with regard thereto. (Prior code § 2-1-14)

2.40.100 Settlement of claims against metropolitan government and its employees.

The metropolitan attorney, after consultation with the applicable department head or delegee, is authorized to settle any property damage claim against the metropolitan government for an amount not to exceed twenty-five thousand dollars, and any other type of claim against the metropolitan government or any official, whether elected or appointed, officer, employee, or member of a board or commission of the metropolitan government who was acting on behalf of the metropolitan government for purposes of the claim, for an amount not to exceed twenty-five thousand dollars. (Amdt. 1 to Ord. BL2025-770 § 1, 2025; Ord. BL2025-770 § 1, 2025; Amdt. 1 to Ord. 96-154, 1/16/96; Ord. 96-154 § 1, 1996)

2.40.110 Settlement of claims for damage to metropolitan government property.

The department of law, after consultation with the applicable department head or delegee, is authorized to settle all claims for damages to metropolitan government property caused by the negligent or unlawful acts of others, for an amount not to exceed twenty-five thousand dollars. If the funds for any settlement come from the operating budget of the applicable department, notice shall be provided in writing to the department head. Upon settlement of such claims, the proceeds derived therefrom shall be paid into the metropolitan government treasury in accordance with the procedure established by the Charter or the director of finance pursuant thereto. (Amdt. 1 to Ord. BL2025-770 § 2, 2025; Ord. BL2025-770 § 2, 2025; prior code § 2-1-12)

2.40.115 Reporting significant litigation and judgments.

A. Quarterly report of significant litigation: Within sixty days after the end of each calendar quarter, for all suits in which an attorney in the department of law is counsel of record for the metropolitan government, or the department of law has hired or is supervising an outside attorney as counsel of record for the metropolitan government, the metropolitan attorney shall report to the metropolitan council if the suit includes claims being asserted against the metropolitan government that seek a total amount greater than three hundred thousand dollars. Each quarterly report shall include the names of the parties, the court in which the case is pending, the case number, the nature of the claims, the amount of damages sought, any other remedies being sought against the metropolitan government, and the name of counsel of record for the metropolitan government. If outside counsel is engaged in the matter, the report shall also include the hourly rate of the attorneys involved and the total amount of funding paid, including attorneys fees and expenses, as of the date the report is submitted.

B. Report of judgments entered against the metropolitan government: The metropolitan attorney shall report to the metropolitan council all judgments entered against the metropolitan government within sixty days after the date that the judgment becomes final. Such report shall include, but not be limited to, the names of the parties, the court in which the case is pending, the case number, the amount of the judgment, and a summary of the facts giving rise to the lawsuit.

C. Reports of environmental court cases:

1. The department of law shall provide a copy of the civil warrant docket of division IV of the metropolitan general sessions court ("environmental court") to the metropolitan council as soon as practicable upon its release. The docket shall include the name and address of each defendant and a description of all code violations, including the property address and date or dates of the code violations.

2. Within fifteen days of submission of any final environmental court orders, the department of law shall provide written notice to the metropolitan council of any fines in excess of fifty dollars issued to a defendant for violations of the Metropolitan Code of Laws. The notice shall include the name and address of the defendant, description and date or dates of the violations, and the amount of the fines. (Ord. BL2025-948 § 1, 2025; Amdt. 1 to Ord. BL2025-770 § 3, 2025; Ord. BL2025-770 § 3, 2025; Ord. BL2016-220 § 1, 2016; Ord. BL2004-428 § 1, 2004)

Article II. Employee Defense and Indemnification

2.40.120 Employee defined.

"Employee," as used in this article, means and includes any official, whether elected or appointed,

officer, employee, or any member of a board or commission of the metropolitan government. (Prior code § 32-1-85)

2.40.130 Defense counsel to employees—Conditions and procedures.

A. The metropolitan government authorizes its department of law to furnish defense counsel to any employee against whom a claim is asserted arising out of the employee's acts or omissions taken on behalf of the metropolitan government for purposes of the claim, provided the employee promptly notifies the department of law when suit is served upon the employee, makes a request to the department of law for defense counsel, cooperates with the defense counsel furnished, and has no insurance coverage protecting the employee from damages up to the amounts provided hereafter in this section.

B. In those civil actions wherein:

1. The metropolitan government and one or more of its employees are defendants, or two or more employees are defendants; and

2. The director of law determines that Rule 1.7 of the Tennessee Rules of Professional Conduct, as adopted by rule 8 of the Rules of the Tennessee Supreme Court, prohibits the department of law from representing the employee; and

3. The employee would otherwise be entitled to the defense provided for in subsection A of this section; then the employee shall be entitled to employ counsel as provided for in subsection C of this section.

C. In those matters wherein an employee meets the criteria for defense counsel in subsections A and B, the director of law shall authorize reimbursement to the employee of the reasonable fees and expenses incurred in the employee's defense, subject to any applicable regulations promulgated by the director of finance. The director of finance, in consultation with the director of law, shall promulgate regulations concerning reimbursement of fees and expenses, including, but not limited to, the hourly rate, the nature and timing of billing, and requirements for prior approval for extraordinary expenses. (Ord. BL2025-770 §§ 4, 5, 2025; Ord. BL2005-707 § 1, 2005; Ord. 93-578 § 1, 1993; prior code § 32-1-86)

2.40.140 Employee indemnification authorized when.

A. The metropolitan government is authorized to indemnify an employee from a judgment against the employee to an amount as provided hereafter if:

1. The judgment results from an act or omission of the employee taken on behalf of the metropolitan government;

2. The employee was furnished defense counsel at the metropolitan government's expense, and the employee has cooperated with that defense counsel;

3. The employee has no insurance coverage protecting the employee from damages up to the amounts provided hereafter in this section; and

4. The judgment results from a legal claim challenging conduct that did not constitute a flagrant violation of law or policy, as determined by the employee's department, board, commission, or agency head and the director of law, in their discretion.

B. The director of law and the head of the department, board, commission, or agency in which the employee is employed shall have the discretion to determine what amount, if any, an employee may be indemnified, subject to Section 8.103(e) of the Metropolitan Charter, but in no event shall such indemnity exceed two hundred thousand dollars for each person injured or property damaged in one incident or accident, and four hundred thousand dollars for all personal injuries and property damage in one incident or accident. (Ord. BL2025-770 §§ 6, 7, 2025; prior code § 32-1-87)

Article III. Risk Management

2.40.150 Direction—Functions and divisions designated.

A. The functions of the department of risk management, as set out in Ordinance 81-569, are placed under the department of law under the direction of the director of law. The functions previously performed by the department of risk management shall be divided into two divisions in the department of law:

1. The claims division; and

2. The insurance division.

B. The claims division shall be under the direction of the director of law or such attorney or attorneys in the department of law as he shall direct. The insurance division shall be under the direction of an individual appointed by the director of law, subject to the approval of the mayor, who shall have experience in the insurance field as determined by the job description for that position.

C. The head of the insurance division shall make his reports and recommendations to the metropolitan county mayor, such reports and recommendations being addressed to the metropolitan county mayor and forwarded to the metropolitan county mayor by the director of law. The two divisions shall consist of such employees as may be provided herein and allowed by subsequent budget appropriations. (Ord. 95-1446 §§ 1, 2, 1995; prior code § 2-1-15.3(a))

2.40.160 Positions and personnel.

All positions and personnel assigned to the department of risk management shall be transferred to the department of law on October 18, 1983, the effective date of this section. (Prior code § 2-1-15.3(b))

2.40.170 Appointment of employees.

The director of law shall appoint all employees to the two divisions. All clerical positions shall be civil service positions. All professional positions shall be non-civil service positions if so stated in the ordinance creating the position, otherwise such positions shall be civil service positions. (Prior code § 2-1-15.3(c))

2.40.180 Allocation of funds.

The director of finance and the budget officer are authorized to provide, as a basis for budgetary operation for the 1983-1984 fiscal year, to the department of law any appropriation and allocated balances in the 1983-1984 budget that may have previously been designated to the department of risk management. (Prior code § 2-1-15.3(d))

2.40.190 Powers, duties and responsibilities.

The duties, responsibilities and authority formerly assigned to the department of risk management and now transferred to the department of law include, but shall not be limited to:

A. Direct the risk and loss-prevention measures of all departments and agencies of the metropolitan government by identifying areas having risk and loss potential; analyze and evaluate risk and loss exposure and determine alternate methods of handling them; establish a reporting system of identified risk and loss areas to the various departments and agencies;

B. Purchase insurance where necessary in accordance with the purchasing procedures of the metropolitan government, except in those areas where purchasing procedures are expressly exempted by state statute; assist the division of purchasing in the development of bid specifications when insurance and surety bonds are bid; advise the purchasing agent in the placement of all insurance and bond coverages;

C. Conduct inspections and establish loss-prevention programs;

D. Centralize all casualty and property insurance programs of the metropolitan government; consult with and advise the various departments and agencies on all aspects of property and casualty insurance; develop and maintain levels of retention for those areas where insurance coverage is purchased;

E. Determine those areas where self-insurance is advisable; design, subject to the approval of the director of finance, any self-insurance programs, and administer such programs;

F. Review all contracts and leases to determine risk and loss exposure to the metropolitan government and recommend methods of risk and loss transfer or risk and loss avoidance;

G. Maintain all records necessary for effective risk and loss management and insurance management, including but not limited to copies of policies, loss and claims reports and loss statistics, and review all contracts and leases where loss exposure exists;

H. Investigate claims made on behalf of the metropolitan government and claims made against the metropolitan government;

I. Cooperate with the department of finance on matters dealing with funds and/or funding in the processing of claim settlement drafts. (Ord. 95-1446 § 3, 1995; prior code § 2-1-15.3(e))

2.40.200 Administrative memorandums of understanding.

The department of law, by and through the director of law, shall have authority to enter into memorandums of understanding with other metropolitan agencies for the administration of the insurance, self-insurance, claims and safety programs of other agencies when so requested by other agencies. Any fees derived by the department of law for providing these services shall be paid into the general fund of the general services district. All memorandums of understanding entered into by the department of risk management are transferred to the department of law. (Prior code § 2-1-15.3(f))

Article IV. Employee Safety Program

2.40.210 Creation of division of employee safety.

There shall be a division of employee safety in the department of human resources. The division of employee safety shall be under the direction and control of the director of human resources. (Ord. BL2021-753 § 1, 2021; Ord. BL2006-1232 § 2, 2006)

2.40.220 Appointment of employees.

The director of human resources shall have the authority within budgetary guidelines to appoint all employees to the division of employee safety. All clerical positions shall be civil service positions. All professional positions shall be non-civil service positions if so stated in the ordinance creating the position,

otherwise such positions shall be civil service positions. (Ord. BL2021-753 § 2, 2021; Ord. BL2006-1232 § 2, 2006)

2.40.230 Compliance with occupational health and safety standards.

The division of employee safety shall develop, implement, and administer a program of compliance with the occupational health and safety standards of the State of Tennessee. The division of employee safety, in conjunction with the Metropolitan Safety Advisory Board, shall develop general policies and standards to establish a framework within which specific department, board, commission, and agency safety programs are developed to minimize hazards and reduce injuries in their operations and to comply with the occupational health and safety standards of the State of Tennessee. (Ord. BL2006-1232 § 2, 2006)

2.40.240 Functions of division of employee safety.

The division of employee safety shall administer, direct and coordinate the following functions:

1. The central employee safety program of the metropolitan government including working with all departments, each of which shall be responsible for establishing its own safety program;

2. In coordination with each department's own rules and regulations on employee safety, promulgation of rules, regulations and procedures relating to the safe premises, equipment and environment of metropolitan government employees;

3. Maintenance and preservation of all necessary records regarding employee safety required under law by the state or by the federal government;

4. Investigation of in-line-of-duty injury claims for the purpose of determining the cause of the injuries and preventing similar injuries in the future. (Ord. BL2006-1232 § 2, 2006)

2.40.250 Support of safety program.

Departments, boards, commissions, agencies, officers, and employees of the Metropolitan Government of Nashville and Davidson County shall support the employee safety program. (Ord. BL2006-1232 § 2, 2006)

2.40.260 Reports and recommendations on safety.

The director of human resources will make safety reports and recommendations, including the progress in improved safety in the workplace, to the metropolitan mayor. (Ord. BL2021-753 § 3, 2021; Ord. BL2006-1232 § 2, 2006)

Article I. General Regulations

2.44.010 Establishment and composition.

There is established a department of metropolitan police, which shall consist of a director thereof, who is designated chief of police, and such other officers and employees of such ranks and grades as are established by this article. (Prior code § 34-1-5)

2.44.020 Powers, duties and responsibilities.

A. The department of metropolitan police shall be responsible within the area of the metropolitan government for the preservation of the public peace, prevention and detection of crime, apprehension of criminals, protection of personal and property rights, and enforcement of laws of the state and ordinances of the metropolitan government.

B. The director and other members of the metropolitan police force are vested by Section 8.202 of the Metropolitan Charter with all the power and authority belonging to the office of constable by the common law, and also with all the power, authority and duties which by statute may now or hereafter be provided for police and law enforcement officers of counties and cities, and they shall exercise this power and authority to diligently and effectively discharge the duties, responsibilities and functions of the department of metropolitan police. (Prior code § 34-1-6)

2.44.030 Divisions and bureaus of the department—Police chief authority.

A. The chief of police shall establish, by rules and regulations approved by the mayor and filed with the metropolitan clerk as a public record, such bureaus, divisions, units or sections as may be necessary or convenient to maintain the proper function and operation of the metropolitan police department. The chief of police, with the approval of the mayor, may amend or change the rules and regulations established as provided herein, and all changes or amendments to the rules and regulations of the metropolitan department of police shall be filed with the metropolitan clerk as a public record.

B. The chief of police shall implement the reorganization of the department of metropolitan police recommended by the I.A.C.P. report with such modifications of the plans recommended by such report as he shall deem necessary in the interest of departmental efficiency, and such reorganization of the department shall be effected through rules and regulations established as provided herein with the approval of the mayor.

C. The chief of police of the metropolitan police department is authorized to enter into contracts which would permit the metropolitan government to recoup funds expended in training recruits who did not accept employment with the metropolitan police department or left the metropolitan police department within three years of graduating from the police academy. (Ord. 99-1530 § 1, 1999; prior code § 34-1-7)

2.44.040 Zones, districts or precincts established—Assignment of personnel.

The chief of police shall establish zones, districts or precincts, and assign members of the department of metropolitan police to their respective posts, shifts, details and duties consistent with their rank. He may make such changes in assignments to posts and duties as he considers will enable the department to best fulfill its functions. (Prior code § 34-1-8)

2.44.045 Hiring of certain officers prohibited.

A. Definitions. For purposes of this section, the following terms have the meaning ascribed herein:

1. "Malfeasance" means the commonly approved usage of "malfeasance";

2. "Serious misconduct" means improper or illegal actions taken by a police officer in connection with such officer's official duties that could result in a miscarriage of justice or discrimination, including, but not limited to, (a) a conviction of a felony, (b) fabrication of evidence, (c) repeated use of excessive force, (d) acceptance of a bribe, or (e) the commission of fraud.

B. The metropolitan police department shall not hire any person as a police officer who was previously employed as a police officer by another law enforcement agency and who:

1. Was dismissed for malfeasance or other serious misconduct calling into question such person's fitness to serve as a police officer;

2. Resigned or retired from such officer's position while under investigation for such malfeasance or other serious misconduct; or

3. Has a documented employment history evidencing any of the following:

a. Discrimination based on race, national origin, gender or sexual orientation;

b. Excessive force;

c. Racial bias; or

d. Dishonesty related to the reporting, investigation, or prosecution of a crime or the misconduct of another officer.

C. The provisions of this section shall not apply to any police officer for which, after investigation, there was no finding of wrongdoing related to the accusation of malfeasance or other serious misconduct. (Amdt. 1 to Ord. BL2020-322 § 1, 2020; Ord. BL2020-322 § 1, 2020)

2.44.050 In-service training program.

The metropolitan police department shall establish an in-service training program which meets the requirements of the Tennessee Law Enforcement Planning Commission, in order to become eligible for salary supplements for police officers. The chief of police is required to do all things necessary to establish a training program in compliance with Tennessee Code Annotated Section 38-1113. (Prior code § 34-1-10.1)

2.44.060 Extra compensation for certain personnel.

A. Police officers assigned to duty as investigators may receive extra compensation amounting to five percent of their base pay for the irregular hours and special duties of such assignment, which shall be paid only when such police officers are assigned to duty as investigators, provided that such extra compensation shall not be considered as salary for the purpose of pensions and other employee benefits.

B. Police officers assigned to duty riding motorcycles shall receive extra compensation amounting to ten dollars per month during those periods when they are required to ride such motorcycles in the performance of their duties, provided that such salary shall not be considered as salary for the purpose of pensions and other employee benefits. (Prior code § 34-1-10)

2.44.070 Parking enforcement patrol.

A. There is created a parking enforcement patrol, for service in connection with the traffic law enforcement functions of the department of metropolitan police and department of public works, which shall, with the assistance of the traffic and parking commission and staff thereof, including any contractors and subcontractors thereof, police and control parking meter areas located on public thoroughfares, alleys and streets, such

patrolling and supervision being necessary for the proper enforcement of parking violations. The parking enforcement patrol officers shall be instructed and trained by the department of public works, and at the request of the director of public works, the chief of police shall appoint a designee who shall be responsible for any additional training of parking enforcement patrol officers that the director of public works and the chief of police deem necessary. The parking enforcement patrol officers shall be hired by the department of public works in accordance with that department's usual civil service procedures, but may also be appointed as special police with authority to enforce parking ordinances, and police powers to enforce meter and other parking violations are hereby extended to such parking enforcement patrol officers within the area of the metropolitan government.

B. The primary duty of the parking enforcement patrol officers shall be to patrol the streets of the metropolitan government area that have parking meters and to issue parking violation tickets for meter and parking violations. Their primary areas of patrol will be the parking meter areas, but they may be assigned to assist the police to enforce parking laws and regulations in other areas.

C. All expenses of training, uniforms, equipment and salaries, and all other incidental expenses of the parking enforcement patrol program shall be borne by the metropolitan traffic and parking commission, public works, or its contractors.

D. To the extent permitted by state law and the Metropolitan Charter, the parking enforcement patrol may utilize one or more contractors to perform the responsibilities assigned in this section, including assistance in the investigation of potential parking violations such as the collection and transmission of images recorded on any medium by a traffic control photographic system, license plate recognition technology, or other devices. Parking enforcement patrol officers may conduct investigations by reviewing evidence presented to them by contractors and may issue or cause the issuance of citations based on such evidence where warranted. Parking patrol officers may utilize contractors to deliver notices of citation to the owners of vehicles in violation, but any such citation shall be based on a parking enforcement patrol officer's determination that there is probable cause to believe that a violation of the parking provisions of the Metropolitan Code has been committed.

E. The initial term of any contract with a contractor as authorized by this section shall be limited in duration to no greater than sixty months. (Ord. BL2021-646 § 1, 2021; prior code § 34-1-9)

2.44.085 Retired law enforcement animals.

A. It is the policy of the metropolitan government that former police department canine (K-9) unit dogs and former mounted patrol horses be adequately cared and provided for following their service to the metropolitan government.

B. The metropolitan police department shall be responsible for the veterinary and shoeing expenses associated with the care of former law enforcement animals up to an amount not to exceed two thousand five hundred dollars per animal per calendar year, provided that the animal remains in the possession and care of an active or retired metropolitan police officer and such veterinary care is provided by a licensed veterinarian. Veterinarian and shoeing expenses incurred by the active or retired police officer shall be reimbursed in accordance with procedures established by the chief of police or his/her designee. The provisions of this subsection shall apply to all former police department animals under the ownership and care of an active or retired police officer, and to all animals donated to active or retired police officers in the future.

C. Former canine unit dogs shall be boarded at the police department's canine facility at no cost to the active or retired police officer to whom the dog has been donated for no more than fourteen days per calendar year, provided notice is given to the facility at least forty-eight hours prior to the dog being boarded and adequate space is available at the facility. The division commander over the canine facility may extend the fourteen day time limitation if adequate space is available at the facility to accommodate the dog. The division commander also has the authority to deny a boarding request for any dog with a contagious disease or a dog that is deemed by the division commander to be disruptive to the other dogs at the facility.

D. The metropolitan police department shall be responsible for providing food for every former police dog or horse in the custody and control of an active or retired metropolitan police officer at such officer's request. Such food shall be provided by the police department for the life of the animal.

E. The provisions of subsections A. through D. above shall apply to all former police department animals under the ownership and care of an active or retired police officer, and to all animals donated to active or retired police officers in the future.

F. All persons, organizations, or agencies accepting a donated animal from the police department shall sign a general release form prepared by the department of law releasing the metropolitan government from any liability for the future actions of the animal and indemnifying the metropolitan government from any and all actions, claims, and demands arising out of the control, possession, maintenance, and/or conduct of the animal.

G. Once the police department determines that an animal is no longer fit for active service with the department, the department shall first offer to donate the animal to the police officer assigned to the animal at the time such determination is made. If the police officer assigned to the animal declines to accept the donation of the animal, the police department shall make a reasonable effort to contact the person(s) that donated the animal to the metropolitan government and offer to return the animal to him/her. If neither the police officer assigned to the animal nor the person(s) that donated the animal to the metropolitan government accept the donation of the animal, the police department shall have the authority to donate the animal to another person, law enforcement agency, or organization the department deems appropriate. (Amdt. 1 to Ord. BL2012-250 § 1, 2012; Ord. BL2012-250 § 1, 2012)

2.44.090 Special police commissions, security guard directives, and handgun permits/written directives.

A. Special Police Commissions.

1. Pursuant to Section 8.205 of the Charter, the chief of police may, in his discretion, issue special police commissions to qualified persons. All applicants for special police commissions must undergo a background investigation and must successfully complete a suitable period of training by the metropolitan police department in the use of firearms, which training shall include performance tests on a firing range, indicating the person to be qualified in the use of firearms. Training shall be conducted with a weapon approved by the chief of police. The special police commission shall authorize the carrying of the type of weapon and ammunition used in the training.

2. Those persons issued special police commissions shall comply with all regulations promulgated by the chief of police, which may include a requirement that each person, while carrying a weapon and engaged in the employment for which the commission was issued, shall be in a uniform prescribed by the chief of police.

3. The following schedule of fees shall be paid to the metropolitan police department by any special police commission applicant to defray the expense of investigating the background of the applicant, firearms training and qualification, processing the application, and issuance, if granted, of the special police commission. The chief of police may waive any fee for any portion of the issuance process which may have been previously completed by the applicant.

a. Background investigation, processing, and issuance—$55.00.

b. TBI and FBI fingerprint check—$46.00.

c. Fingerprint cards—$10.00

d. Firearms training and qualification—$110.00

Additionally, should a special police commission be issued, the holder must, prior to entering upon the performance of duties, execute and file with the metropolitan clerk a public officer's liability bond in the amount established by resolution of the metropolitan council.

4. Each special police commission shall expire one year from the date of issue unless renewed or reissued by the chief of police, in his discretion, upon application for renewal or reissuance and compliance will all prerequisites for a special police commission. Each special police commission may be revoked at any time by the chief of police with the approval of the mayor.

B. Security Guard Directives.

1. Pursuant to the Private Protective Services Licensing and Regulatory Act, Tennessee Code Annotated Section 62-35-101 et seq., the chief of police may issue to any properly and duly registered armed security guard/officer in the possession of a valid registration card and who has presented proof of compliance with the Act, a written directive authorizing that individual to carry a weapon for the purpose of employment within Davidson County and for a specific employer. The security guard directive shall comply with all requirements set forth in the Act.

2. A fee of fifteen dollars shall accompany each application for a security guard directive, to defray the expense of issuance and administration of the directive.

3. Upon expiration or change of employment/employer, or revocation or suspension of an individual's armed security guard/officer registration card, the security guard directive shall immediately be returned to the chief of police. Furthermore the chief of police shall at all times reserve the right to revoke or suspend the security guard directive at such time as he finds any reason, in his judgment, which indicates the person's disqualification to carry a weapon within Davidson County.

C. Handgun Permits/Written Directives.

1. The chief of police may, in his discretion, issue a handgun permit/written directive authorizing the carrying of a handgun in Davidson County to qualified persons, not otherwise authorized to carry a weapon in Davidson County, who meet or exceed the requirements for same set forth in Tennessee Code Annotated Section 39-17-1315(a). However, nothing in this section shall prohibit the chief of police from adopting additional regulatory and/or qualifying provisions for handgun permits/written directives, including any requirement that the holder of a handgun permit/written directive, while carrying a hand-gun, wear a uniform prescribed by the chief of police. All firearms training and qualification shall be conducted with a handgun approved by the chief of police. The handgun permit/written directive shall authorize only the carrying or the type of handgun and ammunition used in the training.

2. The following schedule of fees shall be paid to the metropolitan police department by any applicant for a handgun permit/written directive to defray the expense of investigating the background of the applicant, firearms training and qualification, processing the application and, if granted, issuance of the handgun permit/written directive. The chief of police may waive any fee for any portion of the application process which may have been previously completed by applicant.

a. Background investigation, processing, and issuance—$55.00.

b. TBI and FBI fingerprint check—$46.00.

c. Fingerprint cards—$10.00.

d. Gunrange qualification—$110.00.

Furthermore, prior to the issuance of any handgun permit/written directive, the applicant shall provide proof of the insurance required by Tennessee Code Annotated Section 39-17-1315, or else post with the metropolitan clerk the alternative bond required by Tennessee Code Annotated Section 39-17-1315.

3. Each handgun permit/written directive shall expire one year from the date of issue, and may be reissued only upon application and compliance with all prerequisites for a handgun permit/written directive. Furthermore, the chief of police may revoke any handgun permit/written directive at such time that he finds that any of the laws, rules or regulations governing handgun permits/written directives have been violated, or for any other reason which in the judgment of the chief of police indicates the person's disqualification to carry a handgun.

(Ord. 93-617 § 1, 1993; Ord. 91-1647 §§ 1, 2, 1991; Ord. 90-1159 §§ 1, 2, 1990; prior code § 34-1-4.1)

2.44.100 Special police commission—Qualifications for issuance to officers of other cities.

A. The director of the department of police of the metropolitan government is authorized to issue special police commissions to police officers of smaller cities within the Metropolitan Government of Nashville and Davidson County, provided these police officers:

1. Meet the minimum standards of the Tennessee Peace Officers' Standards and Training Commission in accordance with Tennessee Code Annotated Section 38-8-101 et seq.;

2. Receive firearm instruction from an instructor who is certified by a recognized approving agency and the department of police training academy firearms section;

3. Meet shooting qualification standards of at least seventy-five percent efficiency annually, using their department-issued firearms on a firearms range which meets the Practical Pistol Courts (P/P/C) Standards and the officer's course of fire has been approved by the department of police training academy firearm division; and

4. Are employed full-time by the smaller cities as police officers.

B. Smaller city police departments shall forward all necessary documentation to the director of the department of police of the metropolitan government before a special police commission shall be issued.

C. A special police commission for police officers of smaller cities does not increase those police officers' jurisdiction. (Prior code § 34-1-4.1.1)

2.44.110 Presentation of gun and badge to retiring officers.

The metropolitan police department shall make a gift of a gun and badge to all retiring police officers who have at least twenty-five years of service upon their retirement. To be eligible to receive the gun and badge, the police officer must retire in good standing and be eligible to receive a service pension. This section shall apply to all officers who have retired since July 1, 1979, and meet all the conditions set forth herein. (Prior code § 34-1-4.3)

2.44.115 Reports to be submitted to the metropolitan council.

A. Quarterly crime report. The police department shall submit a quarterly crime report to the public safety committee of the metropolitan council within thirty days of the end of the months of March, June, September and December, which report shall include, but not be limited to, an update of crimes allegedly committed during the previous quarter within the area of the metropolitan government broken down by type of crime and by police sector.

B. Annual crime report. On or before March 30 of each year, the police department shall submit an annual crime report to the public safety committee of the metropolitan council, which report shall include, but not be limited to:

1. Crimes allegedly committed during the previous year within the area of the metropolitan government broken down by type of crime, by police sector and by council district.

2. Maps showing crime hotspots within the area of the metropolitan government.

3. City-wide crime figures for each of the previous five years.

C. Annual traffic stop report. On or before March 30 of each year, the police department shall submit an annual traffic stop report to the metropolitan council, which report shall include, but not be limited to:

1. For each "demographic category" as defined in subsection (2) below, a listing by MNPD Precinct and MNPD patrol zone of the following:

a. The total number of traffic stops;

b. The percentage of traffic stops that result in warrantless probable cause searches;

c. The success rate of warrantless probable cause searches, defined as the percentage of such searches that result in the seizure of incriminating evidence of any kind;

d. The percentage of traffic stops that result in warrantless consent searches without probable cause;

e. The success rate of warrantless consent searches without probable cause, defined as the percentage of such searches that result in the seizure of incriminating evidence of any kind;

f. The percentage of traffic stops that result in warrantless "pat down" searches;

g. The success rate of "pat down" searches, defined as the percentage of such searches that result in the seizure of illegal weapons.

2. Each "demographic category" shall be defined by sex, race, and ethnicity. For instance, "White non-Hispanic males," "Black females," "Hispanic white females," etc.

D. Quarterly use of force report. The police department shall submit a quarterly use of force report to the metropolitan council within thirty days of the end of the months of March, June, September, and December.

1. Such quarterly report shall include, but is not limited to, the following information:

a. Demographic information for the individual subject to the use of force, including the individual's age (which may be provided by age range), gender, and ethnicity;

b. The specific age of a minor individual subject to use of force;

c. The number of instances a firearm was displayed or discharged by a police officer in addition to another use of force;

d. The number of incidents where an individual subject to use of force suffered an injury directly related to the use of force, including the number of incidents that were in compliance with police policy and out of compliance with police policy; and,

e. For the use of a conducted energy weapon ("taser"):

a. The total number of taser discharges; and

b. The average number of taser cartridges used per incident.

2. As used in this subsection, "use of force" means the types of force described in Title 11 of the police departmental manual, as may be amended, beginning with hand-held chemical spray/conducted energy weapon and increasing stages of intensity under the definition of

Force-Continuum. (Amdt. 1 to Ord. BL2024-179 § 2, 2024; Ord. BL2024-179 §§ 1, 2, 2024; Ord. BL2016-483 §§ 1—3, 2017; Amdt. 1 to Ord. BL2006-1261 § 1, 2006; Ord. BL2006-1261 § 1, 2006)

Article II. School Crossing Guard Division*

2.44.120 Created.

A school crossing guard division of the department of metropolitan police is created, subject to the rules, regulations and conditions established by this article. (Ord. BL2012-261 § 6, 2012; prior code § 34-1-12)

2.44.130 Supervision—Limitations on police authority.

The chief of police shall designate a director of the school crossing guard division with authority to supervise the work of the division. It is the intent of this article to establish a school crossing guard division solely to maintain the safety and protection of school children on their way to and from school. The employees of the division shall have no police authority to make arrests or issue traffic citations, and may direct traffic only during times when children are going to or coming from schools, by creating gaps in traffic for the purpose of protecting children going to or coming from schools from vehicles, and expediting the movement of vehicles involved in picking up or dropping off children at schools, including vehicles which have completed the dropping off of children or are preparing to pick up children. (Ord. BL2012-261 § 6, 2012; Ord. 93-789 § 1, 1993; prior code § 34-1-13)

2.44.140 Rules and regulations applicable to personnel—Exceptions—Appointment of new members.

The rules and regulations adopted by the metropolitan civil service commission for the classified service employees of the metropolitan government on August 18, 1964, shall apply to the employees of the school crossing guard division, except where any such rule may be in conflict with the limited tenure provision of this article. This article recognizes that the employees of the school crossing guard division are not entitled to vacations, sick leave, overtime, or any other fringe benefits not recognized by the metropolitan council. The chief of police shall appoint new employees to fill vacancies from an eligible list to be maintained by the director. (Ord. BL2012-261 § 6, 2012; prior code § 34-1-17)

2.44.150 Qualifications for employment.

Persons employed by the school crossing guard division shall:

1. Be over the age of twenty-one at the time of employment;

2. Present a valid Tennessee driver's license or other picture identification and a Social Security card;

3. Pass a pre-employment drug screen test and criminal background check;

4. Submit three character references with his/her employment application evidencing the applicant's good moral character; and

5. Meet any other requirement or qualification for the position established by the chief of police. (Ord. BL2012-261 § 6, 2012; prior code § 34-1-15)

2.44.160 Duties of personnel.

Duties of the school crossing guard division shall be established by the officer appointed as director of the division, subject to the approval of the chief of police. Such duties shall be consistent with the rules and regulations of the civil service commission, as adopted by the commission on August 18, 1964, or any amendments made thereto, and the rules and regulations of the metropolitan police department. Current duties, rules and regulations applicable to the school crossing guard division shall be filed with the metropolitan clerk's office as a public record. (Ord. BL2012-261 § 6, 2012; prior code § 34-1-14)

2.44.170 Suspension, disciplinary action and dismissal—Employee rights.

Any member of the school crossing guard division shall be subject to suspension, disciplinary action or dismissal by the chief of police in the same manner as a regular member of the police department for cause. Any employee of the division shall be entitled to a hearing before the metropolitan civil service commission just as though such employee were in the classified service of the metropolitan government. It is the intent of this section that every employee of the school crossing guard division, within the tenure of her eligibility, shall be considered to be entitled to the same protection provided for classified employees. (Ord. BL2012-261 § 6, 2012; prior code § 34-1-16)

*Editor's note—Ord. BL2012-261, § 6, adopted Oct. 16, 2012, renamed Ch. 2.44, Art. II to read as herein set out. Formerly, said article was entitled "School Mothers' Patrol Division."

Article III. Combat Auto Theft (CAT) Program

2.44.180 Authorization—Administration.

The metropolitan police department is authorized to operate a combat auto theft (CAT) program for the benefit of any owner of a motor vehicle who desires to enroll his vehicle(s) in the program, and to charge a five dollar enrollment fee per vehicle to cover the administration of the program, including the cost of a decal to be placed on the rear window of the vehicle. The police department shall adopt the necessary rules and regulations to conduct the program. Participation in the program shall be voluntary. (Ord. 92-431 § 1, 1992)

2.44.190 Acceptance of funds.

Through the council's legislative power and the government's specific authorization to accept gifts, as set forth in Sections 3.06 and 2.01(14) of the Charter respectively, the police department is hereby authorized to accept from Crimestoppers of Nashville, Inc., a gift of five thousand dollars for the purpose of providing start-up capital for the implementation of the CAT program. (Ord. 92-431 § 2, 1992)

2.44.200 Use of funds.

All enrollment fees and contributions to the CAT program shall be placed in general fund revenue accounts to be used exclusively for the purpose of paying the costs of operating the program. (Ord. 92-431 § 3, 1992)

Article IV. Extra-Duty Police Officers

2.44.210 Contracting to assign extra-duty police officers.

A. The chief of police, or his/her designee, is authorized to enter into contracts with private entities and smaller cities within the area of the metropolitan government to assign extra-duty police officers who have volunteered to work additional duty in an on-duty status to provide security services at certain events or activities approved by the chief of police, or his/her designee. The chief of police, or his/her designee, is further authorized to equip these extra-duty police officers with police vehicles during such events or activities if, in the opinion of the chief of police, or his/her designee, the use of the police vehicles would better protect the public or the officers, and police vehicles are available for such use. The chief of police, or his/her designee, shall have the discretion to determine the number of police officers, including supervisory officers, and the number of police vehicles that will be required during such an event or activity.

B. The private entities and smaller cities within the area of the metropolitan government shall reimburse the metropolitan government its costs in assigning volunteer officers to such additional duty in an on-duty status and shall reimburse the metropolitan government its cost in equipping the extra-duty officers with police vehicles or other specialized equipment. Such costs shall include, but are not limited to, any costs associated with additional salaries, use of police vehicles, the increased risk of legal liability, and the cost of possible officer injuries in the performance of these services. The contracts authorized by this section shall be approved by the director of finance and the director of law. Only those officers volunteering for extra-duty assignments shall be assigned to work these events or activities.

C. For purposes of this section "private entity" means any natural person, firm, partnership, association, corporation, limited-liability company, trust, or other nonpublic entity. "Private entity" shall not include any contract security company or other enterprise engaged in the business of providing, or undertaking to provide, security services, security guards, or patrol services to others on a contractual basis. (Ord. BL2009-368 § 1, 2009; Ord. 98-1368 § 1, 1998)

Article I. General Regulations

2.56.010 Judge of juvenile court—Authority to detain certain juveniles—Education requirements for detainees.

A. The judge of the juvenile court for Davidson County is authorized to detain juveniles from other counties upon written requests and executed letter contracts from proper officials from such other counties, a copy of same being attached hereto, and to set and charge reasonable per diem fees therefor.

B. All detainees of the metro juvenile detention facility shall be provided not less than fifteen hours of active academic instruction each week. Such academic instruction shall be provided eleven months per year by at least one full-time certified teacher and at least one full-time educational assistant, who shall be employed by the metropolitan juvenile court. Such academic instruction shall be designed to afford such detainees educational enhancement and learning opportunities and shall not be merely a study hall program. (Ord. 96-296 § 1, 1996; prior code § 12-1-3.1)

2.56.020 Parole of traffic violators—Failure to observe conditions deemed misdemeanor.

Persons accused of violating traffic ordinances or traffic regulations of the metropolitan government may be paroled only in the manner and under the conditions prescribed by Divisions II and III of the metropolitan court. Failure to observe such method or conditions of parole by any court officer, police officer, clerk of the traffic violations bureau or any other person charged with the administration of this article shall constitute a misdemeanor in office, and such person shall be subject to a fine not exceeding twenty-five dollars. (Prior code § 12-1-1)

2.56.030 Property confiscated by police department—Custody by court clerk.

All property confiscated by the metropolitan police department in connection with violations of this code or other metropolitan ordinances shall be turned over to the metropolitan court clerk and held by him until the disposition thereof is ordered by a metropolitan judge. The court clerk shall keep a record of all property turned over to him by the police department and the disposition thereof. (Prior code § 12-1-2)

2.56.040 Property confiscated by police department—Disposal conditions.

All property confiscated as provided in Section 2.56.030 shall be disposed of in the following manner:

A. All cash, negotiable papers, securities and other property of like kind shall be turned over to the clerk of the metropolitan court and shall be transmitted by such clerk to the metropolitan director of finance to be credited to the general fund account.

B. All property of value not included in subsection A of this section shall be turned over to the property room of the metropolitan police department and disposed of in accordance with the procedures of the metropolitan police department.

C. All property of no monetary value shall be disposed of at the direction of a metropolitan judge. (Prior code § 12-1-3)

Article II. Court Costs

2.56.050 Applicability of article.

This article shall apply to Division I of the metropolitan courts, or any metropolitan general sessions court having jurisdiction over municipal ordinances, regulations, resolutions or private acts, with the exception of moving or nonmoving traffic violations, and the clerk serving such courts shall remit costs as provided above to the metropolitan government. (Prior code § 12-1-18)

2.56.060 Assessment of court costs required when—Amount.

Every person who has been convicted of or pleads guilty to the violation of a metropolitan ordinance, regulation, resolution or private act in Division I of the metropolitan court of the metropolitan government, or any other metropolitan general sessions court having jurisdiction over municipal ordinances, resolutions or private acts, with the exception of moving and nonmoving traffic violations, shall, in addition to any fine imposed or assessed by such court and in addition to any fee required to be collected for and on behalf of the state or pursuant to the laws of the state, be required to pay the clerk of the metropolitan court the following costs:

A. Where the conviction is for the violation of a metropolitan ordinance other than a traffic violation, the cost therein shall be twelve dollars and fifty cents for each such offense for which the person is convicted or pleads guilty;

B. Should the defendant request of the court and be granted a continuance, an additional fee of five dollars for each such continuance shall be imposed. This section shall not apply to moving and nonmoving traffic violations;

C. No cases may be retired in Division I of the metropolitan court or any other court having jurisdiction over metropolitan ordinances, regulations, resolutions or private acts, with the exception of moving and nonmoving traffic violations, until all costs have been paid;

D. The court shall have no power to reduce, dismiss or suspend any of the costs imposed by this article. (Prior code § 12-1-13)

2.56.070 Payment—Accounting and remittance.

The costs imposed by this article shall be collected by and paid to the clerk of the metropolitan court, and such

clerk shall account for all such costs in accordance with the rules and regulations of the director of finance of the metropolitan government, and shall remit such costs to the metropolitan treasurer. (Prior code § 12-1-14)

2.56.080 Time of collection—Procedure when amount paid is insufficient.

A. The metropolitan court clerk shall collect the costs imposed herein from each person who is found to be guilty of violating a metropolitan ordinance, and such costs shall be collected at the same time and substantially simultaneous with the collection of the fine imposed, if any.

B. In all cases where a fine is imposed, if the amount of money paid to the metropolitan court clerk is insufficient to pay the fine and costs, then the amount so paid shall be used first to pay the costs imposed herein, and the remaining amount to pay the fine. In no case, however, shall any person be imprisoned or incarcerated for failure to pay the costs imposed by this article. (Prior code § 12-1-15)

2.56.090 Effect of appeals on payment—Circuit court to collect costs when.

A. Upon an appeal being taken from any judgment of the metropolitan court wherein the defendant was convicted of violating a metropolitan ordinance, regulation or private act, the appeal shall not act as stay or supersedeas as of the cost imposed by this article, unless the defendant executes an appeal bond, with solvent surety, conditioned to pay the metropolitan court costs if, upon appeal, he is found guilty.

B. If, upon appeal to the circuit court as provided in Section 14.05 of the Charter, the defendant is found guilty of violating a metropolitan ordinance, the circuit court clerk shall collect such costs as are imposed by this article, and such costs shall be in addition to and not in lieu of any other costs imposed by law. Such costs collected by the circuit court clerk shall be remitted to the metropolitan government in the same method that fines collected by the circuit court clerk on appeal are now remitted to the metropolitan government. (Prior code § 12-1-16)

Article III. Division of Probation

2.56.100 Administration of the division—Appointment of employees.

The division of probation shall be administered by the office of the presiding judge of the metropolitan general sessions courts by virtue of the administrative duties assigned that office by the Charter, and shall serve each judge equitably. All employees in the division will be appointed by the presiding judge on the advice and consent of the other judges acting in majority. (Prior code § 12-1-35)

2.56.110 Employees—Classification and salaries.

Employees in the division will serve at the pleasure of the judges of the courts. Such employees will not be civil service employees; however, the employees will be eligible for all the benefits and privileges afforded other metropolitan government employees. Salaries of employees will be in keeping with the metropolitan department of personnel's pay plan enacted July 1, 1974, and any subsequent pay plan enacted thereafter by the council and adopted by the metropolitan government. (Prior code § 12-1-36)

2.56.120 Probation counselor, division directors and staffing.

There shall be a probation counselor assigned to serve each judge in each of the divisions of the courts. The division shall have a director who shall be directly responsible to the office of the presiding judge for the supervision and performance of the probation counselors, as well as all other day-to-day functions of the division and its employees. There shall be adequate secretarial services provided the division. (Prior code § 12-1-37)

2.56.130 Utilization of funds—Budget for operation.

The division of probation shall have the right to utilize both public and private moneys for program development and operation, and to negotiate and contract within such guidelines imposed by the administrative and legislative branches of metropolitan government. Budget for the operation shall be part of the annual budget prepared by the office of the presiding judge and court administrator for council approval. (Prior code § 12-1-38)

2.56.135 Reserved.

Editor's note—Ord. BL2021-782 § 1, passed July 20, 2021, repealed § 2.56.135, which pertained to probation supervision fees and derived from Ord. 91-1616 § 1, 1991; Ord. BL2006-1092 § 1, 2006; Ord. BL2008-176 § 1, 2008.

Article IV. Parole and Probation Office

2.56.140 Created.

There is created an office to be known as the parole and probation office of Davidson County, and to be staffed as set forth in this article. (Prior code § 12-1-19)

2.56.150 Chief probation officer authority—Other officers.

A. The parole and probation office shall be under the control of the chief probation officer, whose salary shall be not more than the maximum as provided for in the metropolitan pay plan, and who shall be appointed by the judges of the criminal court of the county, and the district attorney general, and who shall serve at the pleasure of such judges and district attorney general. Such position, and all other positions of the parole and probation office, shall not be in the classified service, as provided by the Metropolitan Charter.

B. There shall likewise be authorized one supervising probation officer, one principal probation officer and one senior legal stenographer, whose salaries shall be as provided for in the metropolitan pay plan, and who shall be appointed by and serve at the pleasure of such judges and district attorney general. (Prior code § 12-1-23)

2.56.160 Responsibilities and duties.

This office shall have the responsibility of assisting the judges and the district attorney general of the criminal courts of the metropolitan government in the investigation, supervision and control of persons released, or who apply to be released, under suspended sentences on parole by such judges. Such parole and probation office shall, under the direction of such judges and the district attorney general, investigate and make reports to such officials as to the circumstances, history, criminal record, social, physical and mental condition of persons who apply to be released, or are released, under a suspended sentence on parole. Such office shall also investigate and make reports so such officials related to revocation of suspended sentences or parole. (Prior code § 12-1-20)

2.56.170 Statutory powers and responsibilities.

The positions and office created by this article shall have all those powers, duties, responsibilities and obligations as provided for in Chapter 490 of the Private Acts of 1947, except where specifically changed by this article. (Prior code § 12-1-24)

2.56.180 Investigation of petitioners for suspended sentences or paroles—Reports.

A. Upon the filing of a petition for a suspended sentence or parole, and provided the requirements and provisions of Chapter 591 of the Public Acts of 1989, as amended, have been complied with, such petition shall be referred to the parole and probation office, and the parole and probation office shall, as soon as possible thereafter, make a full investigation of the averments of the petition, the circumstances, history, criminal record, and the social, physical and mental condition of the petitioner, and shall file a written report setting out in detail the results of such investigation. A copy of such written report shall be furnished each of the criminal judges and the district attorney general.

B. No petition for a suspended sentence or parole shall be considered by the criminal courts unless and until the provisions of Chapter 591 of the Public Acts of 1959, and the provisions of this article, have been fully complied with, and unless and until a written report of the parole and probation office has been filed and copies furnished as hereinabove provided. (Ord. 90-1339 § 1 (12-1), prior code § 12-1-21)

2.56.190 Supervision of parolees.

The parole and probation office shall interview and visit, from time to time, persons paroled or released under suspended sentences by the criminal judges, shall supervise, investigate, check on and report to such judges and the district attorney general the actions, conduct, behavior and progress of such persons, and may require the parolee to report to such parole and probation office at regular intervals. It shall aid all such persons in the amendment of their ways and in rehabilitating them, shall assist in securing employment for them, and shall aid and assist them in every possible way, to the end that such persons shall become and remain law-abiding citizens. (Prior code § 12-1-22)

Article V. Traffic Violations Bureau

2.56.200 Created—Authority of clerk of the metropolitan court.

A. There is created a traffic violations bureau, which shall be under the control and supervision of the clerk of the metropolitan court.

B. All clerks and other employees of the traffic violations bureau shall be the employees of the clerk of the metropolitan court. (Prior code § 12-1-11)

2.56.210 Powers and duties.

The traffic violations bureau, pursuant to and in conformity with the rules and regulations prescribed by the metropolitan court, shall perform the following duties and functions:

A. Receive bail or bond from and issue receipts to all persons accused of violating the traffic ordinances or traffic regulations of the city;

B. Prepare warrants, subpoenas, capiases or any other process in connection with the trial or disposition of all cases wherein a violation of traffic ordinances or traffic regulations of the metropolitan government is charged;

C. Keep an easily accessible and properly arranged record of all arrests, convictions or violations of traffic ordinances or traffic regulations, including such explanatory data as will reflect the disposition made of such cases. Such records shall be kept current for a period of twelve months, and may thereafter be kept in the closed files or archives of the bureau;

D. Submit summarized monthly reports to the judges of the metropolitan court and to the finance director of the metropolitan government of all cases involving violations of traffic ordinances or traffic regulations, which monthly reports shall contain a statement of all money collected by the traffic violations bureau, and shall further indicate the disposition of such cases by the metropolitan court and the traffic violations bureau;

E. All money collected by or paid into the traffic violations bureau shall be transmitted daily to the clerk of the metropolitan court;

F. The traffic violations bureau shall obtain and furnish the police department with suitable forms in triplicate serially numbered for notifying traffic violators to appear in answer to charges of violating traffic ordinances or traffic regulations of the city. The traffic violations bureau shall take receipts for such forms delivered to the police department and shall require a report from the police department on the disposition of such forms, which report shall be kept available at all times for inspection by the judge of the metropolitan court and the finance director or his authorized representative. Alternatively, the traffic violations bureau, police department, parking enforcement patrol and its contractors may utilize electronic forms for notifying traffic violators to appear in answer to charges of violating traffic ordinances or traffic regulations of the city, so long as there are equivalent ways to ensure that such forms are retained in duplicate copy (which may also be in electronic form) as reliably as the method specified above. (Ord. BL2021-646 § 2, 2021; prior code § 12-1-12)

tor salaries, equipment, and materials. (Ord. BL2010-687 § 1, 2010)

2.56.550 Creation of sheriffs office DUI school.

There shall be established, under supervision of the Davidson County Sheriffs Office, a school to be known as the DUI school. All persons attending the school shall pay an enrollment fee in an amount up to two hundred twenty dollars per class to offset the costs of referral, screening, and education services. Different levels of classes may carry different enrollment fees, but no enrollment fee shall exceed two hundred twenty dollars. The DUI school shall be responsible for all documentation and reports required by state and local law, including reports to the general sessions court, criminal trial courts, circuit courts, and their designated probation departments. The sheriffs office is authorized to charge a fee of up to twenty dollars for rescheduling a missed session. The sheriffs office is authorized to charge an additional administrative fee of up to thirty-five dollars if individuals are referred to treatment by the DUI school. Persons referred to the DUI school for an alcohol and drug assessment only shall pay a fee of up to fifty dollars to the DUI school for coordination, processing, and completion of the assessment. (Ord. BL2010-687 § 1, 2010)

2.56.560 DUI school staffing and records.

The Davidson County Sheriffs Office shall maintain DUI school licensure requirements with the State of Tennessee, Tennessee Department of Health, or other State of Tennessee agencies designated to license qualified DUI schools. The sheriffs office shall furnish instructors and other administrative personnel to staff the DUI school and maintain records in compliance with state regulations for DUI schools. (Ord. BL2010-687 § 1, 2010)

2.56.570 Permissible use of DUI school fees collected.

All fees collected for the DUI school shall be deposited in the general fund of the general services district to assist in covering the expenditures for instructor salaries, equipment, and materials. (Ord. BL2010-687 § 1, 2010)

Article IX. Pre-Trial Release Program

2.56.600 Pre-trial release program.

Pursuant to T.C.A. Sections 7-2-108(a)(13) and 8-8-201(33), the Davidson County sheriff's office is authorized to administer the operation of the metropolitan government's pre-trial release program which was created pursuant to T.C.A. Section 40-11-116 and the metropolitan government's long range plan concerning jail overcrowding. (Ord. BL2003-100 § 1, 2004)

2.56.610 Supervision fee—Exemption.

A. The Davidson County sheriff's office is authorized to charge each defendant who is not exempt under subsection B of this section, a processing fee of thirty-five dollars. The said fee shall be collected by the Davidson County sheriff's pre-trial release program in order to defray operational costs.

B. The Davidson County sheriff's office is authorized to certify criminal defendants as indigent for the purposes of exempting such persons from the processing fee as provided in subsection A of this section. (Amdt. 1 to Ord. BL2003-100 § 3, 1/21/04; Ord. BL2003-100 §§ 2, 3, 2004)

Article I. General Regulations

2.60.010 Definitions.

The following words, terms or phrases where used herein shall have the meanings herein respectively ascribed as follows:

"Aircraft" means any contrivance now known or hereafter designed, invented, or used for navigation of flight in the air, except a parachute or other contrivance used primarily as safety equipment.

"Aircraft movement area" means the runways, taxiways, and other areas of the airport which are utilized for taxiing, takeoff, and landing of aircraft exclusive of loading ramps and parking areas.

"Airline passenger" means any person who enters the airport terminal with the intention of boarding an air carrier, supplemental air carrier or air taxi commuter aircraft, within a reasonable time, for another destination. Within the purview of these rules and regulations, such person ceases to become an airline passenger when he reaches his airport destination, claims his baggage and intends to depart the terminal area.

"Air operations areas" means any areas of the airport used or intended to be used for landing, takeoff, or surface maneuvering of aircraft as defined and established in Part 107 "Airport Security" of the Federal Aviation Regulations (14 CFR Part 107), effective March 18, 1972.

"Airport" means and includes any one or more airports or heliports and related facilities, including but not limited to land and interest in land, facilities for storage of air and space craft, navigation and landing aids, taxiways, pads, aprons, control towers, passenger and cargo terminal buildings, hangars, administration and office buildings, garages, parking lots, and such other structures, facilities, and improvements necessary or convenient to the development and maintenance of airports and heliports, and for the promotion and accommodation of air and space travel, commerce and navigation.

"Airport authority" means the Metropolitan Nashville Airport Authority created pursuant to the Metropolitan Airport Authority Act, Acts 1969, Chapter 174, codified in Tennessee Code Annotated, Section 42-4-101 et seq., and Resolution 70-872 of the council of the Metropolitan Government of Nashville and Davidson County, Tennessee.

"Airport employee" means the authorized airport personnel of all organizations, activities, governmental agencies, located on or connected with the operation, maintenance, and servicing of the airports.

"Airport property" means all property that any metropolitan government, city, county or town which, pursuant to a resolution of its governing body, shall have sold, leased, dedicated, donated or otherwise conveyed to the airport authority in order to make such airport properties an operational part of its system, and/or any property acquired in the future by the airport authority.

"Baggage" means such articles, effects and other personal property checked for transport or carried by an airline passenger as are necessary or appropriate for wear, use, comfort or convenience in connection with his trip. It includes both checked and unclaimed baggage.

"Board" means the board of commissioners of the Metropolitan Nashville Airport Authority appointed by the mayor and approved by the council of the Metropolitan Government of Nashville and Davidson County, Tennessee.

"Commercial operations" means all operations of aircraft for commercial purposes, or any type operation or activity being conducted on the airport.

"Executive director" means the executive director and chief administrative officer of the Metropolitan Nashville Airport Authority (acting directly or through his designated representatives).

"Fixed-base operator" means any other person, organization, or sublessee engaged in business of an aviation nature conducting transient aircraft services and being authorized to conduct such business by virtue of a contract with the airport authority in compliance with specified minimum standards.

"Motor vehicle" means any self-propelled wheeled, tracked vehicle or trailer hitched on to a motor vehicle for the convenience of people or goods on airport property, or for the service and maintenance of equipment or property.

"Participating municipality" means any metropolitan government, city, county or town which, pursuant to a resolution of its governing body, shall have sold, leased, dedicated, donated or otherwise conveyed its airport to the airport authority for operation by the authority in order to make such airport an operational part of its system.

"Person" means any individual, firm, corporation, partnership, company, association, joint stock association, or political body, and includes any trustee, receiver, assignee or other representative thereof.

"Public area" means those areas including the various concessions, restrooms and terminal lobby sections used for public thoroughfares, gathering, waiting, and viewing; streets and roads, sidewalks, and all other areas, except tenant facilities, normally used by the general public. All other areas are to be considered operational or restricted areas, and access is permitted only upon expressed consent of the executive director.

"Restricted areas" means areas which are closed to the general public. These areas are defined as areas which are used to perform the everyday activities and operations of the airports. These areas include, but are not limited to airport operation areas, tenant-leased operational areas, perimeter operational roads, and locations having access to air operational areas. These areas are restricted to use by authorized agencies and personnel while engaged in their respective airport duties.

"Sterile concourse" means the concourse areas of the terminal that an airline passenger must enter into or exit in order to enplane or deplane an aircraft, subject to Federal Aviation Regulations Part 121.538 and 121.7.

"State" means the State of Tennessee.

"Visitor" means any person who is not an airport tenant, airport employee or airline passenger. (Prior code § 4A-1-1)

2.60.020 Application of chapter provisions.

A. All users of and persons on the airport shall be governed by the rules and regulations set out in this chapter, and the directions of the executive director and/or his designated representative.

B. These regulations are not intended to amend, modify or supersede federal, state or local law.

C. If any portion of these regulations shall be invalid or unenforceable, all other portions shall remain in effect and be construed to achieve the purposes hereof. (Prior code § 4A-1-2)

2.60.030 Rules and regulations—Adoption and amendment.

A. Rules and regulations, and amendments thereto, will be issued as needed by the executive director of the airport authority, or his designated representative. Proposed rules and regulations, and amendments thereto, shall be issued by posting a copy on the public notice bulletin board in the airport administration offices, and by sending a copy to each airport(s) tenant primarily affected. Upon such posting and notification, any person, within fifteen days, may submit written comments and proposed changes to the executive director.

B. Thirty days from issuing a proposed rulemaking, the executive director or his representative will hold a hearing, at which time persons may appear either in opposition to or in favor of the rulemaking. The date of such hearing shall be established in the notice of proposed rulemaking. Following that hearing, the executive director will either issue a revised rule or amendment, if deemed appropriate, or issue notification that the original rulemaking has been incorporated in the official rules and regulations promulgated by the airport authority. (Prior code § 4A-1-3)

2.60.040 Liability limitations.

A. The airport authority and its officers and employees, or any participating municipality, by publication of such rules and regulations, assumes no responsibility for loss, injury or damage to persons or property by reason of fire, vandalism, wind, flood, earthquake, collision, strikes or acts of God or of public enemy, nor does it assume liability for injury to persons while on airport(s) or while using the facilities of same, or for property damage.

B. All persons shall conduct activities and render services upon the airport property in a safe, responsible and efficient manner, and shall be solely liable for having properly trained and instructed their agents and/or employees for such purposes. (Prior code § 4A-1-4)

2.60.050 Commercial activity.

A. No person shall utilize any portion of the airport property of any structure thereon for any commercial activities except under terms of a lease, contract or permit executed with the airport authority.

B. No person or corporation operating any facility on the airport shall discriminate or permit discrimination against any person or group of persons in any manner prohibited by Part 15 of the Federal Aviation Regulation, or any other applicable federal, state or local regulation or law.

C. Persons or corporations operating facilities on the airport shall operate in such a way as to fully protect the airport and its environs from any environmental pollution, either through the air or water. They will operate in accordance with Metropolitan Ordinance 68-554, entitled "An Ordinance Amending the Metropolitan Code, Charter 4, Subchapter 1, by providing for Air Pollution control within the Metropolitan Government Area." They will abide by all rules, regulations and administrative orders issued by the State Stream Pollution Control Board or other state agency responsible for environmental pollution. Also, they will obey all rules, regulations and orders relating to environmental pollution promulgated by the federal government, and specifically those promulgated under Public Law 91-258, 91st Congress, entitled "Airport and Airway Development Act of 1970." Should the Metropolitan Airport Authority be required by any department of the federal government to take any action in order to be eligible for any federal funds and this action relates to the property leased hereunder, then these persons and/or corporations will, at their own expense, take such action necessary to comply. (Prior code § 4A-1-5)

2.60.060 Contracts and leases—Filing requirements.

A. A copy of all contracts entered into by the Metropolitan Nashville Airport Authority shall be filed with the purchasing agent of the metropolitan government and with the metropolitan clerk.

B. A copy of all the leases entered into by the Metropolitan Nashville Airport Authority shall be filed with the public property administration of the metropolitan government and with the metropolitan clerk. (Ord. 90-1339 § 1 (2-6), 1990; prior code § 2-1-19)

2.60.070 Tenants—Construction conditions.

A. Prior to any alteration, repair and/or construction of leased buildings or ground surface, the airport tenant must submit such proposal to the planning and engineering division of the airport authority for construction plan and specification procedures.

B. All phases of construction must meet federal, state, local and Metropolitan Nashville Airport Authority requirements. (Prior code § 4A-1-21)

2.60.080 Tenants—Sign restrictions.

A. Any tenants planning a sign installation shall first obtain from the planning and engineering division of the airport authority general guidelines for signing.

B. Prior to any construction of a sign or signs, the tenant shall secure a permit from the metropolitan codes administration as well as approval from the airport authority. (Prior code § 4A-1-22)

2.60.090 Schedule of use charges.

Charges for use of airport property and related facilities will be as determined and established by the airport authority. (Prior code § 4A-1-23)

2.60.100 Storage of property and equipment.

A. Unless otherwise provided in a lease or other agreement, no person shall use any area of the airport for storage of property without the permission of the executive director.

B. No tenant or lessee on the airport property shall store or stock material or equipment in such a manner as to constitute a hazard to personnel, passengers of the carriers, or property. (Prior code § 4A-1-18)

2.60.110 Restricted areas.

A. No person shall enter any airport property area or building posted as being closed to the public, with the exception of the following:

1. Persons assigned to duty therein under authorization of airport tenant and/or the executive director or his designated representative,

2. Persons authorized under contractual agreements with the airport authority,

3. Authorized representatives of the Federal Aviation Administration,

4. Persons engaged, or about to be engaged, or having been engaged in the operation of any aircraft;,

5. Passengers under appropriate supervision entering ramp operational areas for the purpose of enplaning or deplaning on aircraft,

6. Police or fire personnel with equipment in case of an emergency;

B. Restricted areas at the Nashville Metropolitan Airport as designated in the airport master security plan and required by the Federal Aviation Regulations of Part 107. These areas cover the following:

1. All persons authorized access to any air operations area must have an identification badge or be under escort by an officer of the airport safety and security division, or their designated representative,

2. The operator of each ground vehicle authorized access to any air operation area must display upon the vehicle visual identification, such as a decal or sign, while operating in that area,

3. All persons, upon entering the airline terminal passenger holdroom concourses must be screened, along with X-ray of their baggage and investigation of personal items. Airline tenants and employees with authorized identification badges may be cleared for entry into the concourses through positive recognition by the screening personnel,

4. All doors in the terminal sterile concourses must be kept locked and/or controlled that enter to a ramp air operational area. (Prior code § 4A-1-24)

2.60.120 Roads and walkways.

No person shall travel on the airport property other than on roads, walks or places provided for the particular class of traffic. (Prior code § 4A-1-13)

2.60.130 Lost and found articles.

Finders of a lost article shall turn same into the airport lost and found service or, if during other than normal working hours, to the safety and security specialist on duty. If the article is not claimed by its owner within sixty days after it is deposited, it may be returned to the finder. (Prior code § 4A-1-16)

2.60.140 Accident reports.

All persons involved in any accident, including aircraft or automobile, occurring on the airport property, shall make a full report to the executive director or a safety and security officer on duty, as soon after the accident as possible. When a written report of an aircraft accident is required by the federal aviation regulations, a copy of such report may be submitted to the executive director in lieu of the report required above. (Prior code § 4A-1-25)

2.60.150 Emergency conditions.

A. Emergency conditions existing on the airport property will not mitigate or cancel any existing condition.

B. All persons, vehicles and taxiing aircraft shall yield right-of-way to emergency equipment.

C. All persons shall move to areas so directed when an emergency exists in the terminal building. (Prior code § 4A-1-26)

2.60.160 Abandoning property.

No person shall abandon any personal property on the airport property. Any personal property so abandoned shall be disposed of in the manner described by applicable laws or statutes. (Prior code § 4A-1-19)

2.60.170 Advertising restrictions.

No person or organization shall pass, distribute or display signs, advertisements, circulars, printed or written matter on airport property, or any structure thereon, without a permit approved by the executive director in accordance with the airport authority regulations or in accordance with the provisions of a lease executed with the airport authority. A copy of such regulations may be secured from the secretary of the authority at his office

on the fourth floor of the main airport terminal. (Prior code § 4A-1-7)

2.60.180 Animals.

A. No person may enter the airport with a domestic or wild animal without written permission of the executive director, except:

1. Persons entering any part of the airport property other than the terminal buildings, air freight, or other restricted areas, with a domestic animal that is kept restrained by a leash, or is confined so as to be completely under control;

2. Persons entering terminal buildings or air freight areas with a domestic animal, such as a dog or cat, that has to be transported by air and is confined in a suitable transportation container;

3. Blind or deaf persons may enter the terminal or gate without permission of the executive director.

B. No person may ride horseback on the airport property without permission of the executive director. (Prior code § 4A-1-12)

2.60.190 Disorderly conduct, public intoxication, gambling and other nuisances.

A. No person shall be or become intoxicated or drunk, commit any disorderly, obscene or indecent act, or commit any act of nuisance, nor conduct, or engage in any form of gambling, or violate any federal, state or local laws on the airport property.

B. No person shall deposit litter upon the floors of airport buildings or upon sidewalks, roads or grounds of the airport. (Prior code § 4A-1-10)

2.60.200 Firearms and hunting.

Hunting or the discharge of firearms on the airport property is prohibited, unless permission has been authorized by the executive director. (Prior code § 4A-1-14)

2.60.210 Injuring or destroying property.

A. No person shall destroy, injure, deface or disturb in any way any building, sign, equipment, marker or other structure, tree, flower, lawn or other property on the airport.

B. Any person damaging any light fixture, security lock mechanism, door or gate, pavement or turf surface on airport property by malicious intent or by operation of a vehicle or aircraft, shall be cited as facts so warrant, and be fully responsible for any costs required to repair or replace the damaged facility. (Prior code §§ 4A-1-17, 4A-1-20)

2.60.220 Loitering.

No person may loiter or loaf on any part of the airport property. If a loitering or loafing person is told by a safety and security officer to move on or leave the airport property, he shall do so. (Prior code § 4A-1-9)

2.60.230 Photography.

No person shall take still, sound or motion pictures for commercial use on airport property without the approval of the executive director or his designated representative. This does not apply to those taken on lease airport tenant areas for private or promotional purposes. (Prior code § 4A-1-15)

2.60.240 Picketing and demonstrations.

No person shall walk in a picket line as a picket, or take part in any labor or other public demonstration on any part of the airport property, except in those places which may specifically be assigned for use of such picket lines or other public demonstrations by a permit approved by the executive director in accordance with airport authority regulations. A copy of such regulations may be secured from the secretary of the authority at his office on the fourth floor of the main airport terminal. Such permit is also subject to applicable federal, state and participating municipality laws. (Prior code § 4A-1-8)

2.60.250 Sanitation requirements.

No person shall dispose of garbage, papers, refuse or other material on airport property except in the receptacles provided for that purpose, nor use comfort stations other than in a clean and sanitary manner, nor expectorate on the floors, walls or other surfaces of any airport facility. (Prior code § 4A-1-11)

2.60.260 Soliciting.

The soliciting of business, fares, alms or funds for any purpose on airport property is prohibited without a permit approved by the executive director in accordance with airport authority regulations. A copy of such regulations may be secured from the secretary of the authority at his office on the fourth floor of the main airport terminal. (Prior code § 4A-1-6)

2.60.270 Enforcement authority.

The uniformed officers of the airport authority safety and security division and/or officers of participating municipalities are empowered to require compliance with these rules and regulations. No authority is either hereby expressed or implied, however, that would permit any individual other than the executive director to change, alter or amend these rules and regulations. The executive

director is authorized to interpret and construe these regulations wherever necessary, either by directive of general or specific application, and his interpretations and construction shall be deemed a part of the regulations and binding upon all persons. (Prior code § 4A-1-27)

Article II. Motor Vehicles and Parking

2.60.280 Traffic regulations applicable.

Motor vehicle operation on airport property shall be governed by the provisions of the metropolitan traffic and parking commission, Tennessee Code Annotated, as amended, code of laws of the municipality in which the airport is located, relevant private acts, and such regulations as instigated from time to time by the authority. (Prior code § 4A-1-36(a))

2.60.290 Operation of motor vehicles on roadways.

Motor vehicles shall be operated by a licensed driver in strict compliance with posted stop, yield, pedestrian, parking, road direction, road height clearance, and speed limit traffic signs. (Prior code § 4A-1-37(b))

2.60.300 Motorized equipment operations.

A. No motorized equipment shall be operated on the aircraft parking ramps, the airport landing area or airport perimeter roads except:

1. By persons assigned to duty thereon;
2. By persons authorized by the executive director;
3. By persons escorted by safety and security vehicle.

B. No vehicle shall be allowed to enter upon the aircraft movement area, either day or night, unless equipped with a radio with two-way communications with the FAA control tower, or escorted by a vehicle so equipped; provided, however, for tractors, mowers, tugs and equipment employed in the maintenance of the field, mowing of grass, etcetera, radios shall not be required.

C. No vehicle may enter the landing area until clearance has been given by the control tower; provided, however, that such vehicles not requiring radio as provided above shall enter upon the aircraft movement area proper after FAA control tower has been notified by telephone concerning necessary movements, and permission granted for such movement. It is the responsibility of all vehicle operators to be conversant with the standard airport light signals, regardless of whether vehicle is radio equipped. (In the absence of a control tower, the assigned airport supervisor may grant the right to enter aircraft movement areas).

D. Operators of motorized equipment on aircraft parking areas, ramp service roads, baggage make-up and delivery claim road areas, shall operate such equipment with extreme caution, and shall not at any time exceed a speed of fifteen miles per hour. The maximum baggage or freight-cart train shall consist of one tug and four tandem carts.

E. No person shall operate any motorized vehicle upon any area of the airport if such vehicle, with or without towed equipment, is so constructed, equipped or loaded so as to be a danger, or is likely to endanger persons or property. All persons riding in any motorized vehicle shall be seated in seats permanently affixed to the vehicle.

F. All motorized vehicles, while operating upon an aircraft ramp area, shall pass to the rear of taxiing aircraft and shall not be driven between a parked aircraft and its loading gate while enplaning or deplaning activities are in effect. (Prior code § 4A-1-37(a))

2.60.310 Taxicabs, buses and similar services.

Any person operating taxicabs, limousines, buses, courtesy limousine service and car rentals from the airport must have authorization for such activities under terms of a lease, contract or permit with the airport authority. Such operations are limited to parking locations and procedures as set forth in their specific agreement with the airport authority. (Prior code § 4A-1-37(e))

2.60.320 Parking of vehicles—Towing authority.

A. No person shall park a motor vehicle for loading or unloading, or any other purpose on the airport property other than in the areas specifically established for parking and in the manner prescribed by signs, lines or other means.

B. No person shall park a motor vehicle in an area requiring payment for parking thereon without paying the required parking fee, nor in a manner so as to obstruct roadways, nor in aircraft parking areas, nor in grass areas.

C. Employees of organizations or agencies having tenancy in the airport authority building areas may park private vehicles in the employee parking lots as designated by the executive director. Only those vehicles bearing an authorized parking sticker properly affixed to the rear bumper shall be allowed to park in the employee lots (exception will be the temporary permit issued by safety and security). Registration of vehicles for stickers shall be made with the safety security division office, and

the fees for permits established by the authority will prevail. Registration of vehicles and issuance of decal permits will be renewed on a yearly basis.

D. No person shall abandon any motor vehicle on airport property.

E. The executive director shall have the authority to tow or otherwise move vehicles which are parked by their owners or operators on the airport property in violation of the regulations of the authority, state or local laws, or regulations at the operator's expense and without liability for damage which may result in the course of such moving. (Prior code § 4A-1-37(d))

2.60.330 Procedure in case of accidents.

The driver of any vehicle involved in an accident on the airport which results in injury to any person or damage to any vehicle or property shall immediately stop such vehicle at the scene of the accident, and report such accident to the metropolitan airport safety and security office, or to the applicable police or sheriff departments in which the airport is located. The operator of such vehicle, within a reasonable time after the occurrence, shall make other reports as may be required by and in accordance with federal, state and municipal laws and regulations. (Prior code § 4A-1-37(f))

2.60.340 Repair or cleaning of motor vehicles.

No person shall clean or make any repairs to motor vehicles anywhere on the airport property other than in designated shop areas, except minor repairs necessary to remove such motor vehicles from the airport property, nor shall any person move, interfere with, or tamper with any motor vehicle part, instrument, or tool thereof, without permission of the owner or satisfactory evidences of the right to do so duly presented to the executive director. (Prior code § 4A-1-37(c))

2.60.350 Weight limitations for vehicles.

Motor vehicles with axle load exceeding forty-two thousand five hundred pounds are not permitted upon aircraft parking areas, service or perimeter roads without approval of the executive director. (Prior code § 4A-1-36(b))

Article III. Aeronautical Operations

2.60.360 FAA regulations applicable.

All aeronautical activities at the airport, and all flying of aircraft within the airport traffic area shall be governed by the current federal air regulations, Federal Aviation Administration, Civil Aeronautics Board Rules and Regulations, and all directives and instructions issued by the FAA control tower. (Prior code § 4A-1-28)

2.60.370 Closing the airport—Authority.

A. The executive director and his duly authorized representatives shall have the right at any time to close the airport in its entirety, or any portion thereof, to air traffic, to delay or restrict any flight or any portion thereof to any specified class of aircraft, or to any individual or group, when he considers any such action to be necessary and desirable to avoid endangering persons or property, and to be consistent with the safe and proper operation of the airport.

B. In the event the executive director and his duly authorized representatives believe the condition of the airport to be unsafe for landings and takeoffs, or in violation of the rules, regulations and standards of the airport operations manual in accordance with Part 139 of the federal aviation regulations, it shall be within his authority to issue, or cause to be issued, a NOTAM (notice to airmen) closing the airport to any portion thereof. (Prior code § 4A-1-29(a))

2.60.380 Operation requirements and restrictions.

A. No aircraft shall be operated on the surface of any airport runway, taxiway, ramp or aircraft parking and storage area in a careless or negligent manner, or in disrespect of the rights and safety of others, or without due caution and at a speed likely to unreasonably endanger persons or property, or while the pilot or other persons aboard controlling any part of the operation thereof is under the influence of intoxicating liquor, or any narcotic or habit-forming drug, or if such aircraft is so constructed, equipped or loaded as to endanger or to be likely to unreasonably endanger persons or property.

B. Prior notification from the executive director and his duly authorized representatives is required before landing and takeoff is permitted on the airport of aircraft with a total gross weight in excess of the following:

Metropolitan Airport.

Aircraft with Dual Wheels: Runway 2L-2OR, 170,000 pounds; 2R-2OL, 40,000 pounds; 13-31, 75,000 pounds.

Dual Tandem Wheels: Runway 2L-2OR, 360,000 pounds; 2R-2OL, 74,000 pounds; 13-31, 113,000 pounds.

Smyrna Airport.

Aircraft with Dual Wheels: Runway 14-32, 55,000 pounds; 18-36, 44,000 pounds.

Dual Tandem Wheels: Runway 14-32, 92,000 pounds; 18-36, 70,000 pounds.

Single Wheels. Runway 14-32, 15,000 pounds; 18-36, 30,000 pounds.

Springfield Airport.

Aircraft with Single Wheels: Runway 3-21, 15,000 pounds.

C. No aircraft exceeding a gross weight of twelve thousand five hundred pounds shall be permitted to make a one-hundred-eighty-degree turn on any asphalt runway or taxiway on airport property, unless required to do so due to an operational necessity. The owner of an aircraft causing damage to the asphalt surface while executing an unauthorized one-hundred-eighty-degree turn on a runway or taxiway on airport property shall be responsible for the cost of repair to the surface. (Prior code § 4A-1-29 (b)—(d))

2.60.390 Taxiing of aircraft.

A. If provided, no person shall taxi or tow an aircraft upon the aircraft movement area of the airport until they have received a clearance from the control tower. Also, no person shall taxi or tow an aircraft upon the ramp, approved parking space or hangar area until they have ascertained that there will be no damage of collision with other aircraft, persons or objects in the immediate area.

B. Aircraft not equipped with brakes shall have an attendant at a wing when the aircraft is taxied near buildings or other aircraft.

C. Aircraft awaiting takeoff shall stop short of the painted holding lines and in a position so as to have a direct view of aircraft approaching for landings. Aircraft are to hold at painted lines opposite the critical zone sigh on painted marking during IFR conditions.

D. Aircraft entering and departing the airline terminal ramp are to use taxiway leadoffs nearest to their gate or ramp parking location, i.e., Taxiways A, B, D, E or as directed by FAA control tower. When an aircraft is parked at Gate 20 (Terminal Garden Gate), air carrier jet aircraft are prohibited to depart the north terminal ramp via ramp leadoff Taxiway C.

E. Aircraft entering and departing leased ramp areas on the east side of the airport are to use taxiway leadoffs to the adjacent taxiway, i.e., 2R-20L, 5-23, 13-31 or 15-30. Aircraft taxiing via ramp between leased areas is prohibited. (Prior code § 4A-1-30)

2.60.400 Helicopter operations.

A. No persons shall park a helicopter in any area on the airport property other than as prescribed by the executive director.

B. Helicopter aircraft arriving and departing the airport shall use that portion of the aircraft movement area or designated helicopter clear areas as directed by the FAA control tower.

C. Helicopter aircraft shall avoid taxiing or parked fixed-wing aircraft.

D. During landings and takeoffs, helicopters shall not pass over any airport buildings, structures, their adjacent auto parking areas, or passenger concourse. (Prior code § 4A-1-35)

2.60.410 Engine run-up procedures.

A. No person shall start or run any engine in an aircraft unless a competent person is in the aircraft attending the engine controls. Chocks shall always be placed in front of the aircraft wheels before starting the engine unless the aircraft is provided with adequate parking brakes.

B. Aircraft shall not perform engine run-up or prolonged test operations in any area that would result in a hazard or nuisance to other aircraft, persons, or property, and in no case at any terminal gate position. At no time shall engines be run-up for test or maintenance purposes between the hours of eleven p.m. and six a.m. without prior approval by the executive director, and at a designated location on the east side of the airport. (Prior code § 4A-1-32)

2.60.420 Parking of aircraft.

A. No person shall park aircraft in any area on airport property other than as prescribed by the executive director.

B. Aircraft parked on areas of leased airport property shall be under the lessee's control and liability.

C. Parking of aircraft on the airline and airfreight terminal ramps at the Nashville Metropolitan Airport is to comply with regulations of the airport master security plan, as required under Part 107 of the Federal Aviation Regulations, and is restricted as follows:

1. Aircraft of the certificated air carriers, nonscheduled supplemental air carriers and air taxi commuters, when parking at airline gate locations, are with the consent and control of the airline to which the gate is assigned.

2. Other aircraft needing to park on the airline terminal ramp to enplane or deplane passengers are to park at Gate 20, which has access into the terminal main lobby by control of an airport security officer stationed at that location. Aircraft parking at this location which is limited in size and subject to jet blast, are restricted as follows:

a. The aircraft shall park within the ramp area bounded by the terminal garden security fencing and double yellow lines painted upon the ramp surface. Aircraft are to be parked with parking brakes on and navigation lights left on during hours of darkness.

b. Aircraft entering and departing this location are to yield to other aircraft and ground service vehicles that may be traversing the outer ramp area.

c. Due to the limited space available for parking at this location, pilots are to expedite their deplaning and enplaining operations and remain with the aircraft.

d. Since this parking location provides no tiedown facilities, ground rods for refueling, or parking attendants, no fueling of aircraft is permitted, and the aircraft operator agrees to waive any rights to damages from the authority or its board of commissioners or agents, servants or employees, and further agrees to hold harmless in case of a claim or suit by the owner or holder of any interest in the aircraft.

3. Aircraft parking upon the air freight terminal ramp shall park within the double yellow lines upon the ramp pavement. No part of the aircraft shall extend past the yellow lines.

D. If an aircraft is parked in an area other than that prescribed, or in a position that blocks a taxiway or a vehicle ramp service road, or within a runway or taxiway safety area, the operator of such aircraft, upon direction of the executive director, shall move the aircraft to an area so directed; if the operator refuses to comply with such direction, the executive director may tow the aircraft to such designated place at the operator's expense, and without liability for damage which may result in the course of such moving. (Prior code § 4A-1-34)

2.60.430 Repair areas and restrictions.

A. No person shall repair any aircraft, engine or component of an aircraft in any area of the airport property other than that specifically designated for such purpose by the executive director, except that minor adjustments and repairs may be performed on air carrier aircraft at gate positions on the terminal ramp when such repairs can be accomplished without inconvenience to other persons, and when such adjustment is necessary to prevent a delayed departure.

B. All persons engaged in the maintenance, repair and servicing of aircraft shall do so in accordance with the rules and regulations of the Federal Aviation Administration, American Insurance Association or the National Fire Protection Association, U.S. Department of Labor Occupational Safety and Health Act, airport authority, and other local governmental agencies that may be involved. (Prior code § 4A-1-31)

2.60.440 Disabled aircraft.

A. The owner or his representative, i.e., pilot or operator, shall be responsible for the prompt removal of aircraft wrecked or damaged on the airport aircraft movement areas as reasonably directed by the executive director after such aircraft has been officially released by the National Transportation Safety Board or Federal Aviation Administration Flight Standards district office representatives.

B. In case an aircraft becomes disabled while on the airport movement area, due to a flat tire, engine failure, etc., the owner or his representative shall immediately arrange for prompt removal of the aircraft by an aviation service on the airport.

C. In case the owner or his representative fails to promptly remove the wrecked, damaged or disabled aircraft, such may be removed by the executive director at the owner's or his representative's expense without liability for damage which may result in the course of or after such removal.

D. The owner or unsightly "junk" or unairworthy aircraft parked in other than closed hangars shall be responsible for the removal of same within ninety days, or sooner if, in the opinion of the executive director, such aircraft creates an image detrimental to the appearance of the airport and aviation. (Prior code § 4A-1-33)

Article IV. Safety and Fire Prevention

2.60.450 Compliance with safety and fire prevention regulations.

All persons using in any way the airport property and/or its facilities shall exercise the utmost care to guard against fire and/or injury to persons or property. (Prior code § 4A-1-38)

2.60.460 Fueling operations.

A. No person may fuel or defuel an aircraft on airport property while:

1. Its engine is running, or is being warmed by applying external heat;

2. It is in a hangar or enclosed space;

3. Passengers are in the aircraft, unless a passenger loading ramp is in place at the cabin door, the door is open, and a cabin attendant is at or near the door.

B. No person may start the engine of an aircraft on airport property if there is any gasoline or other volatile flammable liquids on the ground underneath it.

C. No person may operate a radio transmitter or receiver, or switch electrical appliances on or off in an aircraft on airport property while it is being fueled or defueled.

D. During the fueling of an aircraft on airport property, the dispensing apparatus and the aircraft must be grounded and bonded in accordance with current safety standards.

E. Each person engaged in fueling or defueling on airport property shall exercise care to prevent the overflow of fuel, and must have readily accessible and adequate fire extinguishers.

F. During the fueling and defueling of an aircraft on airport property, no persons may, within fifty feet of the aircraft, smoke or use any materials that are likely to cause a spark or be a source of ignition.

G. Each hose, funnel or appurtenance used in fueling or defueling an aircraft on airport property must be maintained in a safe, sound and nonleaking condition, and must be properly grounded to prevent ignition of volatile liquids.

H. Fire extinguishing equipment must be readily available during fueling and defueling operations.

I. A fueler must come to a full stop twenty feet from an aircraft, then directed by a person, posted as a guide, into position for servicing operation not less than ten feet from aircraft. (Prior code § 4A-1-39)

2.60.470 Spillage of fuels or hazardous substances.

A. In the event of spillage or dripping of petroleum products or any material on airport property which may cause a hazardous condition detrimental to the ground or pavement surface or an unsightly condition, the same shall be removed immediately. The responsibility for removal of such spillage or drippings shall be assumed by the operator of the equipment causing the same or by the tenant responsible for the deposit thereof.

B. No fuel, grease, oil flammable liquids, or contaminants of any kind shall be allowed to flow or be placed in any sewer or drainage system on the airport. (Prior code § 4A-1-40)

2.60.480 Runway foaming specifications.

A. The Federal Aviation Administration Advisory Circular 150/5200-4 titled "Foaming of Runways" states the following:

1. Runway foaming cannot be considered a panacea to assure that fire will not occur during an aircraft landing with a malfunctioning landing gear.

2. When this service is provided, the airport must ensure that its firefighting and rescue potential is not reduced below that which is required to comply with the airport FAA operating certification.

B. When an aircraft or a responsible official of a company or organization requests that a runway be foamed, the Nashville Metropolitan Airport CFR station will do so only under the following conditions:

1. That a stock of foam concentrate over and above that required for firefighting operations is on hand to sufficiently satisfy the runway foaming service requirements;

2. That the aircraft has sufficient fuel to await the time required for foaming that portion of a runway as requested.

Note: To foam a strip sixty feet wide by three thousand feet long requires thirty-five to forty minutes;

3. That the operator, owner or insurer of the aircraft shall pay the actual expenses arising from providing the runway foaming service. Note: To foam an area forty feet wide by two thousand feet long requires four hundred eighty gallons of foam concentrate. At the present cost of foam at eight dollars and fifty cents per gallon, this service would cost four thousand eighty dollars. (Prior code § 4A-1-41)

2.60.490 Housekeeping and fire preventative measures.

A. All persons occupying space of the airport authority shall keep the space allotted them policed and free of rubbish and accumulation of any such material. Only approved boxes, crates, paint or varnished cans, bottles or containers shall be stored in airport buildings or hangars.

B. All floors shall be kept clean and free from fuel and oil. The use of volatile or flammable solvents for cleaning floors is prohibited.

C. Approved metal receptacles shall be removed daily by persons occupying space; drip pans shall be placed under engines and kept clean and maintained in a safe manner. An overall general appearance and cleanliness shall prevail throughout the airport complex. (Prior code § 4A-1-42)

2.61.010	**Creation.**
2.61.020	**Mission and purpose.**
2.61.030	**Powers and duties.**
2.61.040	**Personnel.**

2.61.010 Creation.

There is hereby created an office of family safety, which shall consist of a director and such employees as are deemed necessary by the director or otherwise required by this chapter. (Ord. BL2025-953 § 1, 2025)

2.61.020 Mission and purpose.

The office of family safety's passion and purpose are as follows:

A. Reduce and minimize the violent and trauma-related impacts of interpersonal violence: domestic violence, sexual assault, human trafficking, child abuse, vulnerable adult abuse, and elder abuse.

B. Provide support to victims and survivors through crisis intervention, case management, outreach and the prioritization of those cases where victims are at the highest risk of being killed or seriously injured.

C. Facilitate and guide the metropolitan government's comprehensive multi-disciplinary and collaborative approach to combating and responding to interpersonal violence.

D. Identify any gaps in the metropolitan government's response to victims and survivors and work with governmental departments, agencies, and nonprofit providers to recommend, lead, and partner to implement improvements.

E. Provide high-quality education and community-wide outreach to increase understanding of and inform response to interpersonal violence.

F. Maintain the standards of and oversee Nashville's Family Safety Centers, its collaborative partnerships, and its service providers. (Ord. BL2025-953 § 1, 2025)

2.61.030 Powers and duties.

A. Provide family safety centers within the area of the metropolitan government that are safe, inviting, and supportive to victims and survivors of interpersonal violence; ensure information provided by victims and survivors is confidential to the extent permitted by law; and oversee staff, volunteers, and partner agency personnel who work for or with the family safety centers.

B. Provide and coordinate crisis intervention and long-term client services to victims and survivors, and identify and provide heightened services and protective measures for high-risk victims and survivors as identified by utilizing evidence-based risk assessment tools. Client services will endeavor to evaluate and reduce the level of trauma and risk experienced by victims and survivors of interpersonal violence and their families, in partnership with criminal justice, civil-legal, law enforcement, and social service agencies.

C. Advise the metropolitan government on evidence-based best practice policies, procedures, and practices that affect the safety and well-being of victims and survivors and their families.

D. Oversee the process of creating recommendations related to interpersonal violence within the metropolitan government and oversee the implementation of those recommendations.

E. Provide education, training, and outreach for metropolitan government employees, partners, and the public regarding interpersonal violence, high-risk abuse, trauma-responsive work, national best practices, and other critical topics; and engage in direct outreach to marginalized and underserved populations to ensure they are aware of the services provided by family safety centers.

F. Seek and use grant funding and award and manage funding to nonprofit organizations. The funding received and disbursed is to be used to aid in accomplishing departmental objectives and oversee the implementation and budgeting of such awards.

G. Establish and annually review agreements with partner metropolitan government departments and nonprofit agencies, and convene, oversee, and manage interpersonal violence response coordination and collaboration with those entities.

H. Create an annual report describing the office of family safety services, multi-disciplinary teamwork, and training, as well as outreach provided by family safety centers. This report and other reports the office of family safety deems of value shall be delivered to the mayor and vice mayor.

I. Maintain data pertaining to office of family safety programming for future use in projections and policy decisions.

J. Upon request, respond to mass violence incidents with metropolitan police for the purposes of trauma reduction and support. (Ord. BL2025-953 § 1, 2025)

*__Editor's note—__Ord. BL2025-953, § 1, adopted Sept. 2, 2025, set out provisions intended for use as Ch. 2.64. At the editor's discretion, to prevent duplication of chapter numbers, these provisions have been included as Ch. 2.61, §§ 2.61.010—2.61.040.

2.61.040 Personnel.

The director of the office of family safety shall be appointed by the mayor. The director and employees shall be unclassified service employees. (Ord. BL2025-953 § 1, 2025)

2.62.010 Creation.

A. Office Created—Organization—Generally. There is created the mayor's office of film and special events, which shall consist of a director, assistant director, and such other officers and employees as may be deemed necessary by the director. The director shall be appointed by the mayor and shall be an unclassified service employee.

B. Powers and Functions of Office—Generally. The mayor's office of film and special events shall promote economic development in the Metropolitan Nashville and Davidson County area by facilitating the development and growth of film activity and special events by:

1. Attracting and facilitating film activity and special events;

2. Regulating that activity through a centralized permit system;

3. Maintaining a master calendar of filming and special events;

4. Sponsoring selected special events with in-kind support;

5. Facilitating the promotion of public events through a banner program;

6. Initiating, promoting, financing, obtaining sponsorship for and executing special events.

C. Duties of Director—Generally.

1. The director shall perform the executive functions of the office.

2. The director shall have the authority to promulgate rules and regulations consistent with the powers and functions of the office.

3. The director shall be responsible for collecting fees and issuing permits to applicants in compliance with the terms of this chapter.

4. The director shall have authority to close streets to the extent required by an approved special event or filming activity, provided that the director receives a favorable recommendation from the department of public works and the metropolitan police department.

The director shall request the recommendation of the department of public works and the metropolitan police department, which shall review a request based on the following criteria:

a. Whether the proposed street closure will unduly burden either pedestrian or vehicular traffic over the public rights-of-way; and

b. Whether the proposed street closure will significantly impede or hinder a route necessary for emergency vehicles.

Special events or filming activities which require street closures for more than ten days may only be authorized by a resolution of the metropolitan council.

5. The director shall have the authority to enter into film location agreements ("licenses") with parties desiring to use metropolitan government property for the purposes of filming or photographing, except where under the Charter other boards and commissions have the exclusive authority to enter into such agreements. These licenses shall be subject to the approval of the board, commission or department head directly responsible for the property. Each license shall be subject to the approval of the department of insurance and a metropolitan attorney, and shall be filed in the office of the metropolitan clerk. Fees for the use of the property shall be established by the director, and the board of parks and recreation or the board of education where appropriate, to ensure that the metropolitan government is reimbursed for any costs incurred by the granting of each license.

D. Duties of the Assistant Director—Generally. The assistant director shall assist applicants in:

1. Completing applications for filming permits, special event permits and banner permits;

2. Serving as the liaison between the applicant and all metropolitan government departments involved in the special event or film activity;

3. Gathering information regarding all special events and film activity, and maintaining a master calendar of such events for the city;

4. Identifying locations for special events, filming and the placement of banners. (Ord. 99-1591 § 1, 1999; Ord. 98-1127 § 1, 1998; Ord. 97-983 § 1 (part), 1997)

2.62.020 Definitions.

As used in this chapter:

"Applicants" means those persons responsible for the organization of the proposed special event or filming, and who have applied for a special event or filming permit.

"Established special event" means a special event which has occupied an identifiable time and place for the past two years running and which may reasonably be expected to occupy that time and place in the upcoming year.

"Filming" means activity attendant to staging or shooting motion pictures, television programs (except current news programs), commercials and music videos.

"Metropolitan events" are public events directly related to a recognized function of the metropolitan government and which are in substantial part initiated, financed and executed by the city.

"Person" means an individual, or a corporation, firm, partnership, association, organization or any other group acting as a unit.

"Special event" means a temporary outdoor public gathering reasonably expected to attract more than seventy-five participants and spectators, and which involves one or more of the following on public property or on private property where otherwise prohibited: (1) closing a street; (2) restricting access to public property; (3) sale of merchandise, food, or beverage; (4) erection of a tent larger than four hundred square feet; (5) installation of a stage, band shell, grandstand, bleacher, trailer, van or portable toilets for public use.

"Street" means any public way, road, highway, street, avenue, boulevard, parkway, alley, lane, viaduct, bridge, and the approaches thereto, sidewalks or other public rights-of-way within the metropolitan government area. (Ord. 97-983 § 1 (part), 1997)

2.62.030 Duties and powers to regulate film activities.

A. Permit Required. A permit is required for a filming activity when:

1. The activity involves the use of public property or impacts the public right-of-way; including but not limited to: on street parking, interruption of vehicular or pedestrian traffic flow; placement of flats, lights, cameras or other equipment on public property; or

2. The activity involves filming on public property.

No person shall allow or conduct filming activities as referenced above, without a permit from the mayor's office of film and special events. Any violations of this requirement shall be handled in accordance with the enforcement provisions of 2.62.070.

B. Procedures for Film Permit Application—Deadlines.

1. Applications for filming permits shall be filed no later than three days prior to filming. Applications filed less than three days in advance shall be handled on a case-by-case basis, and may be approved where the tardiness of the application neither detracts from the filming, nor overburdens the office or any other metropolitan government office, agency or property.

2. The application for a film permit shall be forwarded to all affected departments immediately. The assistant director shall review the application and the recommendations of the various departments, and shall advise the director as to the merits of the application.

3. The director may approve or deny the application, or approve the application with conditions relating to the factors listed in subsection D of this section. The director's approval shall be contingent on the applicant's compliance with the insurance, indemnification and security requirements of subsection G of this section.

C. Film Permit Application—Information Required. The application for a film permit shall contain the following information, as well as any information deemed reasonably necessary by the director to determine whether the filming activity complies with the requirements of this chapter:

1. The proposed time, date and location of the filming;

2. A brief narrative description of the proposed filming;

3. A list of persons responsible for film activity, and reliable means of contacting those persons;

4. A list of any street closings are requested;

5. A brief statement detailing whether utility services, such as electricity or water, will be required;

6. Whether any "no parking" signs are to be posted, or parking meters covered.

D. Evaluation of Permits. In evaluating a permit application, the director shall consider:

1. Whether the applicant has complied with the requirements of this code and rules promulgated by the director;

2. The extent of the filming activity's demand on metropolitan government's support services;

3. The ability of the organizers to execute the planned filming activity;

4. The impact on vehicular and pedestrian traffic and safety.

E. Other Metro Permits Required. The fact that a permit is issued under this chapter, or is not required by this chapter, shall not replace or render unnecessary any other permit required by law. Although the office may

assist in or offer advice concerning other permits, other permits required by the metropolitan government must be applied for and secured separately.

F. Payment of Fees. The permit application must be accompanied by the payment of a thirty dollar permit fee, and in addition a one hundred dollar administrative fee for the cost of processing the application for an event being held within the right-of-way permit high impact area (as defined in Metropolitan Code Section 13.20.030.D.1.), in the form of checks or money orders payable to the mayor's office of film and special events. For events being held outside of the right-of-way permit high impact area, the administrative fee for the cost of processing the application shall be fifty dollars, in the form of checks or money orders payable to the mayor's office of film and special events.

G. Other Permit Considerations.

1. Insurance. Bonds and insurance may be required pursuant to the rules and regulations promulgated by the director in agreement with the safety and insurance department of the metropolitan government.

2. Indemnification. The applicant must execute a written agreement to indemnify the metropolitan government and its officers and employees against all claims of injury or damage to persons or property, arising out of the special event or filming.

3. Priority. Where applications to use facilities overlap or conflict, preference shall be given to that application which was filed earliest, provided that no special event or filming permit shall be approved which would displace an "established special event" from its customary time and place.

4. Off-duty police personnel or vehicles must be hired or utilized in accordance with all ordinances, regulations or policies governing such activity. (Amdt. 1 to Ord. BL2016-235 § 4, 2016; Ord. BL2016-235 § 4, 2016; Ord. 97-983 § 1 (part), 1997)

2.62.040 Duties and powers to regulate special events.

A. Permit Required or Not Required.

1. A permit is required for a special event when the special event involves the use of public property or impacts the public right-of-way.

2. A permit is required for a metropolitan event.

3. A permit is required for a special event when the special event is held on public property, except in the following instances:

a. When the event is held at the Nashville Convention Center; or

b. When the event is held at a facility owned by the sports authority of the Metropolitan Government of Nashville and Davidson County; or

c. When the event is held at the Municipal Auditorium; or

d. When the event is wholly contained within the property controlled by the metropolitan board of parks and recreation, unless it is determined by the director of parks and recreation, that the event will likely have a significant impact on vehicle or pedestrian traffic outside the park, in which case the director of parks shall require the event holder to obtain a special events permit in addition to any permits required by the department of parks and recreation.

No person shall allow or conduct a special event as referenced above, without a permit from the mayor's office of film and special events. Any violations of this requirement shall be handled according to the enforcement provisions of Metropolitan Code of Laws Section 2.62.070.

B. Procedures for Special Event Permit Application—Deadlines.

1. Applications for special event permits shall be filed no earlier than one year prior to the event, and no later than forty-five days prior to the event. Applications filed less than forty-five days in advance shall be handled on a case-by-case basis, and may be approved where the tardiness of the application neither detracts from the planning of the event, nor overburdens the office, nor any other metropolitan office, agency or property. Late applications which are approved shall be subject to a fifty-dollar late fee.

2. Upon receipt of an application the assistant director shall process the information and distribute it to the departments affected by the special event. The departments shall have ten working days to review the application and shall then return it to the assistant director with a recommendation for approval, approval conditioned on the adaptation of changes, or denial, based on the event's compliance or potential for compliance with that department's rules and regulations. In the event a department recommends denial of a permit, that denial shall be accompanied with a list of specific reasons for the decision, and suggestions how to bring the event into compliance with that department's rules, regulations and law.

3. The assistant director shall review the application and the recommendations of the various departments, and shall advise the director as to the merits of the application.

4. The director may approve or deny the application, or approve the application with conditions relating to the factors listed in subsection D of this section. The director's approval shall be contingent on the applicant's compliance with the insurance, indemnification and security requirements of subsection G of this section.

C. Permit Application—Information Required. The application for a special event permit shall contain the following information, as well as any information deemed reasonably necessary by the director to determine whether or not the event or filming complies with the requirements of this chapter:

1. The proposed time and location of the special event;

2. A brief narrative description of the proposed special event;

3. A list of persons responsible for planning the special event, and reliable means of contacting those persons;

4. The estimated attendance of the special event;

5. Whether food or alcoholic beverages will be served at the special event;

6. A list containing details of any temporary outdoor structures, signs or banners which are proposed;

7. A list of any street closings requested;

8. A brief statement detailing whether utility services, such as electricity or water, will be required.

D. Evaluation of Permits. In evaluating a permit application, the director shall consider:

1. Whether applicant has complied with the requirements of this code and rules promulgated by the director;

2. The ability of the event organizers to successfully execute the planned special event;

3. Wear and tear on public facilities, especially those which are frequently the site of such events;

4. The impact on vehicular and pedestrian traffic and safety.

E. Other Metro Permits Required. The fact that a permit is issued under this chapter, or is not required by this chapter, shall not replace or render unnecessary any other permit required by law. Although the office may assist in or offer advice concerning other permits, other permits required by the Metropolitan Government of Nashville and Davidson County must be applied for and secured separately.

F. Payment of Fees. The permit application for special events, except for metropolitan events, must be accompanied by the payment of a two hundred and thirty dollar permit fee, and in addition a one hundred dollar administrative fee for the cost of processing the application for an event being held within the right-of-way permit high impact area (as defined in Metropolitan Code Section 13.20.030.D.1.), in the form of checks or money orders payable to the mayor's office of film and special events. For events being held outside of the right-of-way permit high impact area, the administrative fee for the cost of processing the application shall be fifty dollars, in the form of checks or money orders payable to the mayor's office of film and special events.

G. Other Permit Considerations.

1. Insurance. Bonds and insurance may be required pursuant to the rules and regulations promulgated by the director in agreement with the safety and insurance department of the metropolitan government.

2. Indemnification. The applicant must execute a written agreement to indemnify the metropolitan government and its officers and employees against all claims of injury or damage to persons or property, arising out of the special event.

3. Security Plan Required. The applicant must work with the designated representative from the metropolitan police department in designing a plan for security at the event. The plan shall be reasonable in light of the number of participants and the nature of the event. Off-duty police personnel or vehicles must be hired or utilized in accordance with all ordinances, regulations or policies governing such activity.

4. Sanitation Deposit. If the director anticipates attendance to be greater than one thousand persons, then the applicant shall post a five-hundred-dollar sanitation deposit which shall be refunded if the applicant restores the area to its condition prior to the festival. If the applicant fails to restore the property to its prior condition, then the applicant shall be liable to the metropolitan government for any costs incurred in restoring the property after the event. Surrender of the deposit in no way relieves the applicant of the responsibility for any costs incurred by the metropolitan government in excess of the five-hundred-dollar deposit.

5. Priority. Where applications to use facilities overlap or conflict, preference shall be given to that application which was filed earliest, provided that no special event or permit shall be approved which would displace an established special event from its customary time and place. (Res. RS2016-391 § 3, 2016; Amdt. 1 to Ord. BL2016-235 § 5, 2016; Ord. BL2016-235 § 5, 2016; Ord. 97-983 § 1 (part), 1997)

2.62.050 Duties and powers to regulate banner program.

A. Power to Regulate Banner Program. The mayor's office of film and special events shall also be responsible for placement of banners on utility poles throughout the downtown area of Metropolitan Nashville and Davidson County.

B. Application Process.

1. Application for banner placement should be made at the office of film and special events.

2. The office will schedule the hanging of banners on a first-come, first-served basis. The mayor's office of film and special events will take reservations for utility pole use up to one year in advance of the event.

3. To ensure that banners are hung properly, artwork and plans should be submitted to the mayor's office of film and special events at least six weeks prior to the date that the banners will be hung. If the sponsoring group does not carry through with its intention to utilize the utility poles, the office reserves the right to revoke approval of that group's use of the poles and to grant use of the poles to others. All deposits will be forfeited.

C. Advertisers. Authorization to place banners on utility poles on city streets will be restricted to organizations advertising cultural, entertainment, artistic and sporting events or other matters of public interest. No advertisement of businesses, products or other private and personal messages will be allowed on side-mounted pole banners. The event being advertised will be the dominant message on the banner with any message from the corporate sponsor covering a minor portion of the banner's surface.

D. Fees and Deposits. The fee for the installation and removal of banners will be twelve dollars per pole, payable by check or money order to the mayor's office of film and special events. In addition, an administrative fee of one hundred dollars shall be paid for the cost of processing the application for an event being held within the right-of-way permit high impact area (as defined in Metropolitan Code Section 13.20.030.D.1.), in the form of checks or money orders payable to the mayor's office of film and special events. For events being held outside of the right-of-way permit high impact area, the administrative fee for the cost of processing the application shall be fifty dollars, in the form of checks or money orders payable to the mayor's office of film and special events. The total cost of hanging all banners requested will be paid at the time of the application.

E. Duration. Banners may be put in place no more than two weeks prior to the advertised event and must be removed within one week after the close of the event. Banners may be picked up at the metropolitan department of public works after the banners are removed from the poles. Banners will be kept for a period of thirty days after which any unclaimed banners will be disposed of or destroyed.

F. Reservation for Use by the Metropolitan Government. The mayor's office of film and special events reserves the right to place publicly owned banners of general interest on utility poles at any time poles are not otherwise in use. (Amdt. 1 to Ord. BL2016-235 § 6, 2016; Ord. BL2016-235 § 6, 2016; Ord. 97-983 § 1 (part), 1997)

2.62.055 Duties and powers to administer certification mark program for use of certification marks, "Music City" and "Music City, U.S.A."

A. Definitions.

"License" means an agreement between the metropolitan government and a qualified user that sets forth the terms for using the marks.

"Marks" means the certification marks "Music City" and "Music City, U.S.A."

"Nashville Metropolitan Statistical Area" or "Nashville MSA" means and includes the counties of Cheatham, Davidson, Dickson, Williamson, Rutherford and Sumner, Tennessee.

"Qualified user" means persons or businesses involved in providing goods and services that include recorded musical products, cassettes, records, music videos, compact discs, live musical entertainment services, music publishing services, music recording and production services, radio and television musical production services, and radio and television musical broadcasting services located in the Nashville MSA, who meet the criteria set forth in subsection D of this section.

B. Power to Administrator Certification Mark Program. The mayor's office of film and special events shall be responsible for all administration concerning the grant, denial, or termination of using the marks, "Music City" and "Music City, U.S.A." for users that meet the criteria set forth in subsection D of this section.

C. Application Process.

1. All applications for using either "Music City" or "Music City, U.S.A." should be made at the office of film and special events.

2. The office of film and special events shall be empowered to collect application fees and renewal fees in such amounts as are established by the office of film and special events, and approved by resolution of the metropolitan council.

3. Applications shall be approved by a subcommittee of the mayor's film advisory board that meets monthly, or at such times as are necessary, provided the applicant meets the criteria set forth in subsection D of this section.

4. Appeals from the denial of an application for using the marks "Music City" or "Music City, U.S.A." shall be made in writing to the mayor's film advisory board and scheduled for a hearing at one of its regularly scheduled meetings.

D. Certification Mark Criteria. The certification criteria used in determining whether to issue a license to use the marks "Music City" or "Music City, U.S.A." shall be as follows:

1. Is the company or organization that is providing the services/goods headquartered in the Nashville MSA or does it otherwise have a significant place of business in the Nashville MSA where decisions regarding the content and quality of the services/goods to be certified are made?

2. Are the services/goods being provided by means of entertainers, producers, or other persons who have their primary residences or primary place of business in the Nashville MSA?

3. Are the facilities of Nashville MSA-based production, recording, or broadcasting studios being primarily used to originate the services?

4. To what extent, in marketing and advertising the services or goods, are they directly tied to the Nashville MSA as their origin? Conversely, are there attempts in marketing or advertising the services or goods to connect them to some geographic area other than Nashville MSA?

E. Contents of Application. The contents of the application shall be on such forms as may be promulgated by the metropolitan department of law and at a minimum must require the applicant to: (1) submit a specimen showing exactly how and in what form the mark will be used; and (2) an application fee for administrating processing of applications for use of the marks.

F. Grant of License. The office of film and special events shall be empowered to grant revocable one year licenses with a right to renew the same for additional terms not exceeding one year, unless terminated pursuant to subsection G of this section. All renewals granted hereunder shall be conditioned on the licensee certifying in its renewal application that all facts in the license are true and correct and that there have been no changes in the application submitted to the office of film and special events at the time of such renewal.

G. Immediate Termination of License. In addition to such other rights of termination as may be set forth in the license, the metropolitan government, through the office of film and special events, shall have the right to immediately terminate a license by giving written notice to the qualified user if the qualified user uses the marks in a manner that is in any way inconsistent with the terms of the license.

H. Fee Approval. All fees assessed by the mayor's office of film and special events hereunder must be approved by resolution of the metropolitan council that receives at least twenty-one affirmative votes. (Amdt. 1 with Ord. 98-1127 §§ 2, 3, 1998)

2.62.060 Denial, revocation and right to appeal.

A. Denial and Revocation of Permits. The director may revoke a permit if the operation of the special event, filming or banner permit is in violation of this code or any other applicable law, or if the applicant has submitted false or misleading information material to the permit application, or if such revocation is necessary to preserve the health or safety of the public. Written notice of the director's intent to revoke the permit shall be mailed or delivered to the applicant, and the applicant shall have an opportunity to be heard on the issue, provided that the director may summarily suspend a permit where necessary to prevent an immediate threat to the health, welfare or safety of the public.

B. Denial and Revocation—Appeal. Any party whose application for a permit has been denied, or whose permit has been revoked, may appeal the decision to the special committee of the mayor's film and special events advisory board. The director shall send the applicant or permit holder by certified mail, return receipt requested, written notice of the denial or revocation and of the right to an appeal. The applicant or permit holder may appeal the decision of the director to the special committee of the mayor's film and special events advisory board, within ten days of the receipt of the notice. The special committee shall convene and hold a hearing within thirty days of receiving notice of the applicant's or permit holder's appeal. (Ord. 97-983 § 1 (part), 1997)

2.62.070 Enforcement.

A. Offenses. A person commits an offense of this chapter if he commences or conducts filming or a special event:

1. Without a film or special event permit; or

2. In violation of any provision of a film or special event permit, this chapter, or any other ordinance or applicable law.

B. Penalty.

1. A person who violates a provision of this chapter or a requirement of a special event permit is guilty of a separate offense for each day or part of a day during which the violation is committed or continued.

2. Each offense is punishable by a fine not to exceed five hundred dollars for a violation of a provision of this chapter or a requirement of a filming or special event permit. (Ord. 97-983 § 1 (part), 1997)

2.64.010 Applicability of chapter provisions.

This chapter shall be applicable to only such boards and commissions as receive all or a part of their operating revenue from funds appropriated by the metropolitan council and are subject to the provisions of Article 12 of the Metropolitan Charter. (Prior code § 2-1-48)

2.64.020 Establishment of divisions and other units.

Each board or commission of the metropolitan government, by rules and regulations, shall establish such divisions and other units as are provided by the Metropolitan Charter and any other divisions, sections and other units which may be necessary to maintain the proper function and operation of each respective board or commission. (Prior code § 2-1-50)

2.64.030 Rules and regulations for functions and personnel.

Each board or commission of the metropolitan government shall prescribe by rules and regulations the functions of the various divisions, sections and units, officers and employees of such board or commission, and define the duties and responsibilities of all its employees. (Prior code § 2-1-51)

2.64.040 Election of officers—Certification of organization.

Within a reasonable time after its appointment by the mayor, each board or commission shall organize itself by the election of one of its members as chairman and another as vice-chairman, as provided by Section 11.105 of the Metropolitan Charter, and, upon its organization as specified herein, each board or commission shall succeed to the rights, powers, duties and obligations of its predecessor board or commission and such predecessor board or commission shall then cease to exist. The chairman of each board or commission shall certify the organization of such board or commission by letter to the metropolitan clerk, listing the officers of the board or commission and the date of their election. (Prior code § 2-1-49)

2.64.050 Organization and internal management.

A. Each board or commission having authority under the Metropolitan Charter to do so shall prepare and make available to all its employees the rules and regulations relating to the organization and internal management of such board or commission which shall include, but shall not be limited to:

1. The organizational structure of the board or commission, including a chart or table of organization therefor;

2. The positions within the organizational structure of the board or commission;

3. A pay schedule for the various offices and positions under the administrative direction and authority of such board or commission;

4. The duties and responsibilities of the various offices and positions of the board or commission;

5. The rules which will govern the general policies of the board or commission.

B. All of the rules and regulations provided for herein shall become effective only after approval of the mayor, upon recommendation by the board or commission involved, except as otherwise provided in the Metropolitan Charter. All such regulations, before being submitted to the mayor, shall be approved by the director of law as to form and legality, and they shall become effective upon being approved by the mayor. A copy of all rules and regulations pertaining to the compensation of personnel or other expenditure of funds shall be delivered to the director of finance for his information and for his action, if required.

C. All rules and regulations of administrative boards and commissions pertaining to personnel shall protect such employment status as has been required by provi-

sions of the Metropolitan Charter, and nothing in such rules and regulations shall impair or diminish the rights and privileges of employees of the former City of Nashville or of Davidson County under civil service, as provided by the Metropolitan Charter.

D. All rules and regulations of administrative boards and commissions pertaining to personnel shall protect such status as may be established by the provisions of the civil service rules and classifications and pay plans of the metropolitan government, and nothing in the rules and regulations of such boards and commissions shall impair or diminish the rights and privileges of employees who may have civil service status.

E. Each board and commission shall cause certified copies of the rules and regulations of the board or commission, as provided in this section, to be filed with the department of personnel and with the metropolitan clerk. Such rules and regulations shall be a public record.

F. The metropolitan clerk shall maintain a list of the names of the official recordkeeper for every board and commission of the metropolitan government. (Amdt. 1 with Ord. 96-525 § 1, 1996; Ord. 96-525 § 1, 1996; Ord. 92-321 § 1, 1992; prior code § 2-1-52)

2.64.055 Contact information for members of boards and commissions.

A. Members appointed to each board or commission shall provide the metropolitan clerk with a valid home, business, or mobile telephone number for publication on the nashville.gov website.

B. Members of boards and commissions shall notify the metropolitan clerk of any change in the phone number to be posted.

C. The metropolitan clerk shall notify the council rules-confirmations-public elections committee of the failure of any member of a board or commission to comply with the provisions of this ordinance. Upon receiving such notification from the metropolitan clerk, the chair of the council rules-confirmations-public elections committee shall place the matter on a publicly-noticed committee agenda at which the board or commission member in question shall have the opportunity to address the committee. (Amdt. 1 to Ord. BL2012-213 § 1, 2012; Ord. BL2012-213 § 1, 2012)

2.64.060 Membership demographic reports.

The metropolitan clerk shall submit a report to the metropolitan council and the mayor's office on or before October 1 of each year containing demographic information about every metropolitan government board and commission whose membership is elected or confirmed by the metropolitan council. Such report shall include the current demographic composition of the members of each board as compared to the demographic composition from the previous year. For purposes of this report, "demographic composition" means the percentage of racial minorities, ethnic minorities, gender identity, self-identified LGBTQ status, and self-identified disability status as disclosed on the questionnaire submitted to the metropolitan clerk at the time of confirmation. These reports shall remain posted on the metropolitan clerk's website. (Amdts. 1, 2 to Ord. BL2021-657 § 1, 2021; Ord. BL2021-657 § 1, 2021)

2.64.070 Term commencement; attendance requirements.

A. This subsection shall apply to all boards and commissions that are created by action of the metropolitan council, whether by resolution or ordinance.

B. Notwithstanding any resolution, ordinance, or other provision of this code to the contrary, the terms for all members of boards and commissions who are appointed or reappointed on or after December 1, 2024 shall be deemed to have begun the day after the term of the member who previously occupied the board or commission seat ended, provided the appointment is not filling the remainder of an unexpired term.

C. If over a one-year period, a board member or commissioner is absent for two-thirds of meetings of the full body for which a quorum is required, the board member or commissioner shall be considered to have excessive absences. The chair, vice chair, or executive director of a board or commission shall notify the metropolitan clerk of excessive absences for verification. Upon verification by the metropolitan clerk, the chair, vice chair, or executive director shall refer by letter the board member or commissioner to the chair of the council rules, confirmations, and public elections committee with a copy to the metropolitan council office. The chair shall introduce legislation at the first regular council meeting occurring at least thirty days from the date of the referral to consider removal of the board member or commissioner pursuant to Section 11.109 of the Metropolitan Charter. This subsection C. shall not apply to ex-officio members of a board or commission. (Ord. BL2024-582 § 1, 2024)

MEETINGS OF BOARDS AND COMMISSIONS

Sections:

2.68.010	**Regular and special meetings—Location—Open to public.**
2.68.020	**Public notification of meetings.**
2.68.030	**Notice of appeal process.**

2.68.010 Regular and special meetings—Location—Open to public.

A. Each board or commission of the metropolitan government shall hold its regular and special meetings in a suitable place in one of the buildings of the metropolitan government. All meetings of metropolitan boards and commissions shall be open to the public.

B. No meeting of any board or commission of the metropolitan government shall be held on private property, but shall be held in public buildings owned by the metropolitan government. Provided, however, a board or commission may hold meetings in private buildings or on private property if such board or commission is specifically permitted to hold such meetings by a contract or lease agreement approved by ordinance adopted by the council. (Ord. BL2001-608 § 1, 2001; prior code § 2-1-47)

2.68.020 Public notification of meetings.

A. Each board or commission of the metropolitan government shall develop a policy, approved by the department of law, for providing adequate notice of all board or commission meeting dates, times, locations and agendas. Such policy shall include a procedure for submitting such information to the department of information technology services for posting on the website calendar as provided in Section 2.24.146 of this code.

B. Each board or commission of the metropolitan government shall develop a policy, approved by the department of information technology services for providing minutes of proceedings in a consistent format as soon as practicable after meeting dates. Such policy shall include a procedure for submitting agendas and minutes in a searchable electronic format for posting onto the nashville.gov website of the submitting board or commission.

C. In addition to publication on the metropolitan website as provided in subsection A of this section, the metropolitan government, each Friday, shall make available to all newspapers of general circulation published in Davidson County a calendar of all meetings of the boards and commissions of the metropolitan government scheduled for the following week, including the dates, times, locations and agendas of the boards and commissions. The publication and notification requirement contained in this section shall not prevent a board or commission from holding a meeting on shorter notice in the event of an emergency, nor shall the provisions of this section prevent the benefit board from adding individuals to the agenda of any meeting of the benefit board so long as the subject matter of the addition to be considered by the board only concerns the individual requesting to be added. For purposes of this subsection, "emergency" means any circumstance where compliance with the notice provision in this section would result in significant financial harm to the metropolitan government or applicant, and where neither the metropolitan government nor the applicant is responsible for the delay.

D. Any member of the public, upon request, shall be entitled to receive written notice by mail of the meeting date, time, location and agenda of any board or commission of the metropolitan government. Each board or commission shall maintain a list of all such persons requesting written notice and shall mail and/or e-mail such written notice in conformity with the policy adopted pursuant to subsection A of this section. Should a person fail to receive written notice as provided in this subsection, this shall not be considered lack of adequate public notice so long as all other means for notification required by state law or other applicable law have been satisfied.

E. The public notice requirements provided in this section shall be in addition to any other public notice provisions required by state law or any other applicable law or regulation. (Ord. BL2017-612 §§ 2—4, 2017; Ord. BL2004-245 § 2, 2004)

2.68.030 Notice of appeal process.

Each board or commission of the metropolitan government shall make a standard announcement at the beginning of every meeting informing the public as to the process and timeframe for appealing a decision of the board or commission. Such announcement shall advise that persons interested in appealing a decision of the board or commission seek the independent advice of legal counsel to ensure that the appeal is filed in a timely manner and that all procedural requirements have been satisfied. The language for the announcement required by this section shall be approved by the department of law. (Ord. BL2006-1050 § 1, 2006)

2.76.010 Created.

A board of mechanical, plumbing, and electrical examiners and appeals is created. (Ord. BL2021-718 § 2, 2021)

2.76.020 Appointment and qualifications of members and term of office.

A. The board shall consist of nine members who shall have been residents of Nashville and Davidson County for not less than one year. The mayor shall appoint, reappoint, or replace members of the nine-member board, subject to confirmation by a majority vote of the metropolitan council. The board shall be composed of the following:

1. One licensed metropolitan/state gas/mechanical contractor.

2. One union, licensed metropolitan/state gas/mechanical contractor.

3. One licensed metropolitan/state plumbing contractor.

4. One union, licensed metropolitan/state plumbing contractor.

5. One registered metropolitan/state electrical contractor.

6. One union, registered metropolitan/state electrical contractor.

7. One mechanical engineer registered with the State of Tennessee.

8. One electrical engineer registered with the State of Tennessee.

9. One member from the public at large as representative of the mayor.

B. Of the nine members first appointed, four shall serve for a term of two years, three for a term of three years, and two for a term of four years. Thereafter, each member shall be appointed for a term of four years and shall serve until a successor is appointed, except that no member shall serve for more than two consecutive full terms. (Amdt. 1 to Ord. BL2021-718 § 2, 2021; Ord. BL2021-718 § 2, 2021)

2.76.030 Organization and officers.

A. Board members shall annually elect a chair and a vice-chair from among their membership. The vice-chair is authorized to act in the place of the chair and in the same capacity as the chair when the chair is unavailable.

B. The board shall be staffed by the department of codes administration. The director of codes administration or their duly authorized representative shall serve as secretary to the board and shall be custodian of the minutes and records of the proceedings of the board. (Ord. BL2021-718 § 2, 2021)

2.76.040 Compensation and removal of members.

All members of the board shall serve without compensation and may be removed from the board by the mayor for any continued absence from the meetings of the board or other just cause. Replacement of any member who resigns or is dismissed from the board shall be appointed by the mayor and confirmed by the metropolitan council in accordance with Section 2.76.020 for regular appointees. Any member appointed as a replacement shall serve only for the remainder of the term of the member replaced unless subsequently reappointed by the mayor for a full term. (Ord. BL2021-718 § 2, 2021)

***Editor's note—**Ord. BL2021-718 § 1, passed June 1, 2021, repealed the former Ch. 2.76, §§ 2.76.010—2.76.140, and enacted a new Ch. 2.76 as set out herein. The former Ch. 2.76 pertained to board of electrical examiners and appeals and derived from prior Code §§ 14-1-15—14-1-28; Ord. 89-792 § 1, 1989; Ord. 91-1526 § 1, 1991; Ord. 91-1558 §§ 1—4, 1991; Ord. 92-119 § 1, 1992; Ord. BL2010-642 § 1, 2010.

2.76.050 Rules and regulations for conduct of business.

The board shall adopt such rules and regulations as it may deem necessary to properly conduct its business, provided that all such rules and regulations shall be explicitly set forth in writing. Copies of all rules and regulations shall be filed with the metropolitan clerk. (Ord. BL2021-718 § 2, 2021)

2.76.060 Meetings and hearings.

A. The board shall establish regular meeting dates, at least one per month, for the conduct of its normal business activities, and may meet in special session on any matter before the board on call by the chairman.

B. All meetings of the board shall be open to the public and shall be held in a building under the jurisdiction of the metropolitan government. The board shall conduct a hearing on each petition brought before the board within a reasonable period following notification of such petition. In no event shall such hearing be more than thirty days following receipt of an application for examination or notice of appeal.

C. Written notice, setting forth the time and place of an examination or hearing, shall be given to each applicant or petitioner not less than ten days prior to such examination or hearing, except that the board, at its discretion, may limit such time to not less than forty-eight hours, as set forth in Section 16.16.720.C., Section 6.52.120.C., and Section 6.20.120.D. (Amdt. 1 to Ord. BL2021-718 § 2, 2021; Ord. BL2021-718 § 2, 2021)

2.76.070 Quorum.

The attendance of five members of the board shall be required to constitute a quorum for the purpose of transacting business. In the event that only five members are present, the concurring vote of at least four of those members present at the meeting shall be necessary to modify an order of the director of codes administration or in varying the application of any provisions of this chapter and Chapters 16.16, 6.52, 16.12, 6.20, and 16.20 or in the approval of any new material or method of construction or in the event the board is required to revoke or suspend any certificate or approval issued by the board. On all other matters requiring action by the board, affirmative votes of the majority present, but not less than four affirmative votes, shall be required. (Amdt. 1 to Ord. BL2021-718 § 2, 2021; Ord. BL2021-718 § 2, 2021)

2.76.080 Powers and duties.

The board shall have the following powers and duties:

A. The board shall examine all applicants for master mechanical certificate, HVAC&R certificate, and gas and appliance certificate, and upon the successful completion of such examination and payment of the required certification fee, shall issue to each applicant an appropriate certificate of registration.

B. The board shall examine all applicants for a master plumber, journeyman, and apprentice plumber's certificate, and upon the successful completion of such examination and payment of the required certification fee, shall issue to each applicant an appropriate certificate of registration.

C. The board shall examine all applicants for a master electrician's certificate, equipment installer's, and low-voltage wiring installer's license and, upon the successful completion of such examination and payment of the required licensure fee, shall issue to each applicant an appropriate license. The board shall also examine applicants for homeowner permits.

D. The board shall hear all appeals under the provisions of this chapter and Chapters 16.16, 6.52, 16.12, 6.20, and 16.20 from any decision or ruling of the director of codes administration. The board may vary the application of any provision of this chapter and Chapters 16.16, 6.52, 16.12, 6.20, and 16.20 to any particular case when, in its opinion, the strict enforcement thereof would do manifest injustice and would be contrary to the spirit and purposes of this chapter or Chapters 16.16, 6.52, 16.12, 6.20, and 16.20 or public interest, and when, in its opinion, the interpretation of the director should be modified.

E. The board may, upon presentation of satisfactory evidence in the form of material tests and technical data, approve for use under this chapter or Chapters 16.16, 6.52, 16.12, 6.20, and 16.20 any new gas/mechanical, plumbing, and/or electrical, material or method of installation not specifically covered or allowed by this chapter or Chapters 16.16, 6.52, 16.12, 6.20, and 16.20. A public hearing shall be held prior to approval or disapproval of any proposed new material or method of construction. Such hearing shall be conducted according to the rules of the board established for such hearings.

F. The board shall have the authority to revoke or suspend any certification or licensure issued by such board according to the procedures set forth in Sections 16.16.720, 6.52.120, or 6.20.120, of this Code.

G. The board shall review, discuss and vote on all proposed ordinances to change provisions of the gas/mechanical regulations set out in this chapter and Chapters 16.16, 16.12, and 16.20 and make recommendations to the director. (Ord. BL2021-718 § 2, 2021)

2.76.090 Conflicts of interest.

No member of the board shall vote on any issue before the board in which such member may have a personal interest. (Ord. BL2021-718 § 2, 2021)

2.76.100 Appeals from decisions on gas/mechanical, plumbing, or electrical matters.

The owner or their duly authorized agent may appeal to the board the decision of the director of codes administration whenever the director rejects or does not approve the mode or manner of a gas/mechanical, plumbing, and/or electrical system or installation proposed to be followed, or the materials used or proposed to be used in such gas/mechanical, plumbing, and/or electrical system or installation or in the repair of or alteration of a gas/mechanical, plumbing, and/or electrical installation, or when it is claimed that the provisions of this chapter or Chapters 16.16, 6.52, 16.12, 6.20, and 16.20 do not apply or that an equally good or more desirable form of installation or material can be employed in any specific case, or when it is claimed that the true intent and meaning of this chapter or Chapters 16.16, 6.52, 16.12, 6.20, and 16.20 or any of the rules and regulations promulgated hereunder have been misconstrued or wrongly interpreted. (Ord. BL2021-718 § 2, 2021)

2.76.110 Appeals—Filing requirements.

Notice of an appeal to the board shall be in writing, setting forth the grounds for such appeal, and shall be filed with the secretary of the board within ten days prior to the meeting of the board. A filing fee of two hundred and fifty dollars shall be paid at the time the appeal is filed with the board. (Ord. BL2021-718 § 2, 2021)

2.76.120 Decisions of the board—Recordkeeping.

A. All decisions of the board shall be in writing. Every decision of the board shall be promptly entered into the minutes of the meeting of the board and filed in the office of the director of codes administration. A copy of the minutes reflecting the board decisions shall be posted on the website for the department of codes administration.

B. The records of the board shall be open to public inspection, as herein provided. A certified copy of each decision of the board modifying a decision or ruling of the director, approving or disapproving any new material or method of construction, or revoking or suspending any certificate or approval issued by the board shall be sent by mail or otherwise delivered to the appellant or aggrieved party.

C. The board shall, in every case, render a decision without unreasonable or unnecessary delay.

D. A decision of the board varying the application of any provisions of this chapter or Chapters 6.52, 16.12, 6.20, 16.20, or 16.16 or modifying an order of the director, shall be by resolution. The resolution shall specify in what manner such variations or modifications shall be made, the conditions upon which they are made, and the reasons therefor.

E. Any decision of the board approving a new material or method of construction shall be in writing and shall stipulate the specific conditions under which such new material or method of construction may be used. The board may limit the use of any new material or method of construction to a specified use in a single instance or may approve such new material or method of construction for general use under this chapter and Chapters 16.16, 6.52, 16.12, 6.20, and 16.20 throughout the area of jurisdiction of this chapter and Chapters 16.16, 6.52, 16.12, 6.20, and 16.20.

F. Every decision of the board shall be final, according to the procedure herein established, subject, however, to such remedy as any aggrieved party may have at law or in equity.

G. When a decision of the board reverses or modifies a refusal, order, or disallowance of the director, varies the application of any provisions of this chapter or Chapters 16.16, 6.52, 16.12, 6.20, and 16.20, or approves any new material or method of construction for use under this chapter or Chapters 16.16, 6.52, 16.12, 6.20, and 16.20, the director shall immediately take action concerning such decision or recommendation to immediately carry out the decision of the board. (Ord. BL2021-718 § 2, 2021)

Chapter 2.78

BOARD OF FAIR COMMISSIONERS

Sections:

2.78.010 Additional duties.

2.78.010 Additional duties.

In addition to the duties provided in Section 11.601 of the Charter of the Metropolitan Government of Nashville and Davidson County, the board of fair commissioners (hereinafter "fair board") shall have the following duties and responsibilities:

A. The fair board shall negotiate with the Tennessee State Fair Association or other suitable nonprofit organization selected in accordance with the applicable procurement rules and regulations of the metropolitan government to hold a fair in 2011 and 2012 to be called "The Tennessee State Fair" on the existing 117-acre Tennessee State Fairgrounds site located in Council District 17. Any agreement negotiated between the fair board and the Tennessee State Fair Association or other suitable nonprofit organization shall provide that the metropolitan government shall not be liable for any financial losses associated with the operation of the State Fair.

B. The fair board shall continue to operate the expo center and related facilities on the Tennessee State Fairgrounds property at such times and in such ways as to not interfere with the operation of the Tennessee State Fair until another suitable location for these activities has been identified and approved by an ordinance of the metropolitan council.

C. Reserved.

D. The fair board is authorized to adopt rules and regulations to enable business entities, non-profits, and other organizations to sponsor the divisional fair, expo center events, flea markets, auto racing, and other programs, events, projects, facilities, and sites at the Fairgrounds Nashville. Such rules and regulations shall include, but not be limited to, the types of events, programs, facilities, and sites that may be sponsored; the size, number, and placement of sponsor signs; the use of logos; and the types of industries and products that are not eligible to become sponsors. The fair board shall have the authority to enter into sponsorship agreements with a total net value not to exceed fifty thousand dollars. All sponsorship agreements with a total net value in excess of fifty thousand dollars must be approved by resolution adopted by the metropolitan council. (Ord. BL2024-301 § 1, 2024; Ord. BL2014-667 § 1, 2014; Amdt. 2 to Ord. BL2010-820 § 1, 2011; Ord. BL2010-820 § 1, 2011)

2.80.010 Created—Scope of activities.

There is created a metropolitan board of building code appeals. This board shall also be the board for the metropolitan fire code. This board shall be named the board of fire and building code appeals. (Ord. 90-1253 § 5 (part), 1990; prior code § 11-1-18)

2.80.020 Appointment, qualifications and term of members.

A. The board of fire and building code appeals shall consist of nine members, who shall have been residents of the metropolitan government area for not less than one year and who shall continue to be so eligible so long as they shall serve, to be appointed by the mayor and confirmed by a majority vote of the whole membership of the metropolitan council.

B. The members of the board of fire and building codes appeals shall be qualified in one of the following fields: building and development, architecture, contracting, engineering, or fire prevention. At least three different fields must be represented on the board at any given time.

C. Of the seven members appointed after the effective date of this ordinance, one shall be appointed for a term of one year, two shall be appointed for a term of two years, two shall be appointed for a term of three years, and two shall be appointed for a term of four years. Thereafter, each member shall be appointed for a term of four years and shall serve until a successor is appointed. No member shall serve for more than two consecutive four-year terms. (Amdt. 1 to Ord. BL2022-1269 § 1, 2022; Ord. BL2022-1269 § 1, 2022; Ord. 90-1253 § 5 (part), 1990; prior code § 11-1-19)

2.80.030 Organization and officers.

Within ten days after its appointment, the board of fire and building code appeals shall organize itself by election of one of its members as chairman and another as vice-chairman. The director of codes administration or his duly authorized representative shall serve as secretary to the board and shall be custodian of the minutes and records of the proceedings of the board. (Ord. 90-1253 § 5 (part), 1990; prior code § 11-1-20)

2.80.040 Compensation—Removal conditions.

All members of the board of fire and building code appeals shall serve without compensation and may be removed from membership on the board by the mayor for continued absence from meetings of the board, physical disability, or other just causes. (Ord. 90-1253 § 5 (part), 1990; prior code § 11-1-21)

2.80.050 Replacement of members.

Replacements for any member of the board of fire and building code appeals resigning or dismissed from the board shall be appointed by the mayor and confirmed by the metropolitan council in the same manner as prescribed for regular appointees. Any member appointed as a replacement shall serve only for the remainder of the term of the member replaced, unless subsequently reappointed for an additional term. (Ord. 90-1253 § 5 (part), 1990; prior code § 11-1-22)

2.80.060 Rules and regulations for conduct of business—Meetings and hearings.

The board of fire and building code appeals shall adopt such rules and regulations as it may deem necessary to conduct its business. The board, in open meetings, shall hear all appeals, under this chapter and Chapters 10.64 Articles I and II, 16.04, 16.08 and 16.28 through 16.56 of this code, from decisions and rulings of the director of codes administration and/or the metro fire marshal. The board shall meet at regular monthly intervals. The day of the monthly meeting shall be determined by the board in its rules and regulations. (Ord. 98-1445 § 2, 1998)

2.80.070 Quorum—Conflicts of interest.

A. Five members of the board of fire and building code appeals shall constitute a quorum. In varying the application of any provisions, or in modifying any order

of the director of codes administration or fire marshal, affirmative votes of the majority present, but not less than four affirmative votes, shall be required.

B. No member of the board shall act in any case in which he has a personal interest. (Ord. 90-1253 § 5 (part), 1990; prior code § 11-1-24)

2.80.080 Variance granting authority.

The board of fire and building code appeals, when so appealed to and after a hearing may vary the application of any provision of this chapter and Chapters 10.64 Articles I and II, 16.04, 16.08, and 16.28 through 16.56, and Section 17.28.100 of this code to any particular case when, in its opinion, the strict enforcement thereof would do manifest injustice and would be contrary to the spirit and purposes of this chapter and Chapters 10.64 Articles I and II, 16.04, 16.08 and 16.28 through 16.56, and Section 17.28.100 of this code, or public interest, and when in its opinion the interpretation of the director of codes administration and/or the metro fire marshal should be modified. (Ord. BL2022-1088 § 1, 2022; Ord. 98-1445 § 3, 1998)

2.80.090 Appeal procedures—Filing fee.

Whenever the director of codes administration and/or the metro fire marshal shall reject or refuse to approve the mode or manner of construction proposed to be followed or materials to be used in the erection or alteration of a building or structure, or when it is claimed that the provisions of this chapter and Chapters 10.64 Articles I and II, 16.04, 16.08 and 16.28 through 16.56 do not apply, or that an equally good or more desirable form of construction can be employed in any specific case, or when it is claimed that the true intent and meaning of this chapter and Chapters 10.64 Articles I and II, 16.04, 16.08 and 16.28 through 16.56 or any of the regulations hereunder have been misconstrued or wrongly interpreted, the owner of such building or structure, or his duly authorized agent, may appeal from the decision of the director of codes administration and/or the metro fire marshal to the board of fire and building code appeals. Notice of appeal shall be in writing and filed within thirty days after the decision is rendered by the director and/or metro fire marshal. A fee of two hundred and fifty dollars ($250.00) shall accompany such notice of appeal. (Ord. BL2010-642 § 2, 2010; Ord. 98-1445 § 4, 1998)

2.80.100 Appeal procedures—Filing time limit reduction conditions.

In case of a building or structure which, in the opinion of the director of codes administration, is unsafe or dangerous, the director may, in his order, limit the time for such appeal to a shorter period. All appeals hereunder shall be filed with the department of codes administration on forms provided by the director. (Prior code § 11-1-26)

2.80.110 Effect of board decisions.

A. A decision of the board of fire and building code appeals varying the application of any provision of this chapter or Chapters 10.64 and Articles I and II, 16.04, 16.08 and 16.28 through 16.56 of this code or modifying an order of the director of codes administration and/or metro fire marshal shall be by resolution of the board, which shall specify in what manner such variations or modifications shall be made, the conditions upon which they are made, and the reasons therefor.

B. Every decision of the board shall be final, subject, however, to such remedy as aggrieved party or the metropolitan government may have at law or in equity. All decisions of the board shall be in writing and shall indicate the vote of each member of the board upon the decision. Every decision shall be promptly entered into the minutes of the meeting of the board and filed in the office of the director of codes administration. The records of the board shall be open to public inspection and a certified copy of each decision shall be sent by mail or otherwise to the appellant. A copy of each decision shall be kept publicly posted in the office of the director for two weeks after filing.

C. The board shall, in every case, render a decision without unreasonable or unnecessary delay.

D. If a decision of the board reverses or modifies a refusal, order or disallowance of the director of codes administration and/or metro fire marshal, or varies the application of any provisions of this chapter and Chapters 10.64 Articles I and II, 16.04, 16.08 and 16.28 through 16.56 of this code, the director of codes administration and/or metro fire marshal shall immediately take action concerning such decision or immediately enforce the decision of the board. (Ord. 98-1445 § 5, 1998; Ord. 90-1253 § 5 (part), 1990; prior code § 11-1-28)

2.88.010 Created.

There is created a metropolitan board of property standards and appeals. (Ord. BL2001-585 § 1 (part), 2001)

2.88.020 Appointment, qualifications, compensation and term of office.

A. The board of property standards and appeals ("the board") shall consist of seven members, who shall have been residents of the area of the metropolitan government area for not less than one year, and who shall continue to be eligible so long as they shall serve. Five members are to be appointed by the mayor and confirmed by a majority vote of the whole membership of the metropolitan council. Two members are to be elected by a majority vote of the whole membership of the metropolitan council. The members of the board shall serve without compensation, and may be removed from membership on the board by the mayor for continued absence from meetings of the board or other just causes. Replacements for any members that resign or are dismissed from the board shall be appointed in the same manner as prescribed for regular appointees. Any member appointed as a replacement shall serve only for the remainder of the term of the member replaced, unless subsequently reappointed for an additional term according to the procedures set forth above.

B. Each member shall be appointed for a term of four years and shall serve until the member's successor is appointed, except that no member shall serve for more than two consecutive terms.

C. Of the mayor's appointments, one member of the board shall be qualified in the field of building construction and materials, one member in the field of labor, one member in the field of finance, one member in the field of real estate, and one member in the field of business. The two members elected by the council shall be appointed at large. (Ord. BL2022-1528 § 1, 2023; Ord. BL2001-585 § 1 (part), 2001)

2.88.030 Organization and officers.

Within ten days after its appointment, the board shall organize itself by election of one of its number as chairman and another as vice-chairman. The director or the director's duly authorized representative shall serve as secretary to the board and shall be custodian of the minutes and records of the proceedings of the board. (Ord. BL2001-585 § 1 (part), 2001)

2.88.040 Quorum—Number of votes required for certain actions.

The presence of four members of the board shall be necessary to constitute a quorum for the conduct of business. The concurring vote of a majority of those members present, but not less than four affirmative votes, shall be necessary to approve or modify any order, requirement or decision of the director, or to decide in favor of either the director or the appellant on any matter upon which the board is required to pass or effect any modification. (Ord. BL2001-585 § 1 (part), 2001)

2.88.050 Rules and regulations for conduct of business.

The board shall adopt such rules and regulations as it deems necessary to conduct its business. The board, in open meetings, shall hear all appeals from decisions or rulings made by the director. (Ord. BL2001-585 § 1 (part), 2001)

2.88.060 Hearing petitions and procedures.

A. When it is claimed that the provisions of this chapter and Chapter 16.24 of this title do not apply, or when it is claimed that the true intent and meaning of this chapter, Chapter 16.24, or any of the regulations hereunder have been misconstrued or wrongly interpreted, or when the owner of any dwelling or structure affected by an order, issued in connection with the enforcement of this chapter and Chapter 16.24, feels that the owner have just cause for an appeal, the owner of such dwelling or structure, or the owner's duly authorized

agent, may request and shall be granted a hearing before the board, provided, that such person shall file in the office of the director a written petition completed pursuant to the rules, regulations, and requirements of the board, within twenty days after the date the order was served.

B. Upon timely receipt of such petition, the director shall set a time and place for a hearing before the board in accordance with its rules and regulations, and shall give the petitioner written notice thereof. At such hearing, the petitioner shall be given an opportunity to be heard and to show why such order should be modified. The hearing shall be commenced within a reasonable period after such notification and in no event less than ten days nor more than thirty days after the completed petition was filed.

C. When any person affected by an order of the director makes an appeal to the board, the councilman of the person's district shall be notified of the appeal and the time and place of such hearing. (Ord. BL2001-585 § 1 (part), 2001)

2.88.070 Effect of board actions—Appeals stay imposition of order.

A. The board, after hearing the evidence presented, may sustain or modify the provisions of the order, depending upon its findings, so as to secure the intent and purposes of this chapter and Chapter 16.24. Whenever such findings are made that strict compliance with this subchapter or any order issued hereunder would impose undue or unreasonable hardship upon the owner or occupants of property affected, the board may modify the order and extend the time limit given in the order for compliance, and may further stipulate special conditions to be met by the owner as mandatory conditions to such extension of time or modification of the order. If the board sustains or modifies such order, it shall be deemed a final order unless appealed therefrom.

B. No person or party in interest who has appealed the order of the director to the board in accordance to the provisions for appeal hereinabove set forth, shall be subject to any penalty for the violation of this chapter or Chapter 16.24 until the board has issued a final order sustaining or modifying the order of the director, with which final order the appellant refuses or fails to comply, and any appeal thereon is finally disposed of by a court of competent jurisdiction. (Ord. BL2001-585 § 1 (part), 2001)

2.88.080 Records of board decisions.

The findings and decisions of the board shall be summarized, reduced to writing, and entered as a matter of public record in the office of the director. (Ord. BL2001-585 § 1 (part), 2001)

2.88.090 Control of excessive vegetation.

The board of property standards and appeals is also empowered to hear matters involving control of excessive vegetation as set out in Chapter 10.28 of the metropolitan code of laws. (Ord. BL2017-867 § 2, 2017)

2.88.100 Appeals from director and or board decisions.

Any person aggrieved by the decision of the board or by an order of the director, may seek relief therefrom in any court of competent jurisdiction, as provided by the laws of the state. (Ord. BL2017-867 § 2, 2017; Ord. BL2001-585 § 1 (part), 2001)

2.100.010 Created—Membership.

There is created a metropolitan transportation licensing commission. Such board shall consist of nine public members. Five members are to be appointed by the mayor and confirmed by a majority vote of the whole membership of the metropolitan council. Four members are to be elected by a majority vote of the whole membership of the metropolitan council. The members shall serve without compensation for a term of two years or until their successors are appointed. Of the mayor's appointees, at least one member shall be a resident within the area of the Downtown or Gulch Central Business Improvement District; and one member shall be a representative of the hospitality sector, to be appointed by the mayor from a list of three persons recommended jointly by the board of directors Nashville Area Chamber of Commerce, the board of directors of the Nashville Convention and Visitors Corporation, and the board of directors of the Nashville Downtown Partnership. (Ord. BL2022-1528 § 2, 2023; Ord. BL2021-911 § 1, 2021; Ord. BL2000-324 § 1 (part), 2000; prior code § 39-1-1)

2.100.020 Secretary.

The commission director is designated as secretary of the metropolitan transportation licensing commission and shall serve as the custodian of its records. (Ord. BL2000-324 §§ 1 (part), 2, 2000; prior code § 39-1-2)

2.100.030 Jurisdiction—Licensing and rulemaking authority.

The metropolitan transportation licensing commission, with the support of its staff employed by the department of public works, shall have exclusive jurisdiction over the licensing and regulation of all vehicles for hire, including, but not limited to, taxicabs, wreckers, sedans, limousines, horse drawn carriages, and other passenger vehicles for hire and persons or businesses engaged in the practice of "booting" vehicles. The metropolitan transportation licensing commission, along with the metropolitan department of public works, in its role providing and employing the staff to the transportation licensing commission, shall collectively constitute the only administrative agencies for the administration of all laws and ordinances relating to the licensing and regulation of vehicles for hire and booting services. For purposes of this chapter, "booting" means to attach any device to a vehicle that prevents the vehicle from being driven.

A. There is imposed upon such commission the authority, power and duty to adopt, promulgate and enforce such rules and regulations to carry out the provisions of Chapters 12.54, 6.72, 6.74, 6.80 and 6.81 of this code, and such chapters concerning vehicles for hire as may be later enacted, which the commission deems necessary for the proper and safe operation of any business providing vehicle for hire services; provided, that such rules and regulations shall not conflict with any laws of the state, the Charter or any ordinance of the metropolitan government, nor shall such rules and regulations exceed the limits of authority granted to such commission by Chapters 12.54, 6.72, 6.74, 6.80 and 6.81, or any other chapter later enacted.

B. There is imposed upon such commission the authority, power, and duty to license all persons who may engage in the activity or business of providing vehicle for hire service to the residents and visitors of the metropolitan government and to require a permit for each vehicle for hire operated by a licensee and individual permits for each driver and/or driver helper of a taxicab, wrecker, limousine, sedan or other vehicle for hire.

C. The commission shall fix and hold a public hearing with respect to the rules and regulations to be adopted by it as provided in subsection A of this section or any proposed amendments to such rules and regulations. Such rules and regulations or any amendments thereto shall be approved by the metropolitan department of law as to form and legality, and the same shall then be filed with the secretary of the metropolitan transportation licensing commission and with the metropolitan clerk. After such rules and regulations or any amendments thereto of the commission have been so adopted in the manner herein provided, such rules and regulations shall have the force and effect of law. (Ord. BL2012-281 § 1, 2012; Ord. BL2009-443 § 1, 2009; Ord. BL2000-324 § 3, 2000)

2.100.040 Duties of chief of police and chief traffic engineer.

The chief of police of the metropolitan government and the chief traffic engineer of the metropolitan traffic and parking commission shall, in their official capacities, advise the board when requested concerning those matters of public safety and proper traffic control. (Prior code § 39-1-6)

2.100.045 Duties of the police department.

The metropolitan police department, in cooperation with the transportation licensing commission inspectors, shall enforce all laws relating to the licensing and operation of taxicabs, wreckers, limousines, sedans and other vehicles for hire and drivers, and shall report all violations thereof and all accidents involving vehicles for hire to the inspectors. (Ord. BL2000-324 § 4, 2000)

2.100.050 Transportation inspectors.

The department of public works on behalf of the metropolitan transportation licensing commission, subject to the civil service provisions of the Charter, is empowered to employ suitable persons as inspectors, their compensation to be fixed by the general pay plan of the metropolitan government. The department of public works, on behalf of the commission, shall prescribe the duties of such inspectors so as to enforce the applicable provisions of this chapter and Chapters 12.54, 6.72, 6.74, 6.80 and 6.81 of this code and such other chapters of this code relative to vehicles for hire as may later be enacted. The department of public works shall furnish the civil service commission with information pertinent to the classification of inspectors and shall certify the minimum and maximum salary range payable to the persons performing such duties and, upon approval by the civil service commission and the metropolitan council, the same shall become a part of the pay plan for the classified service. (Ord. BL2012-281 § 1, 2012; Ord. BL2000-324 § 5, 2000)

2.100.055 Director.

The department of public works, on behalf of the metropolitan transportation licensing commission, subject to the civil service provisions of the Charter, is hereby empowered to employ a director of the metropolitan transportation licensing commission, his or her compensation to be fixed by the general pay plan of the metropolitan government (the "commission director"). Such commission shall prescribe the duties of the commission director so as to promulgate and enforce the applicable provisions of this chapter and Chapters 12.54, 6.72, 6.74, 6.80 and 6.81 of this code and such other chapters of this code relative to vehicles for hire as may later be enacted. The department of public works, on behalf of the metropolitan transportation licensing commission, shall furnish the civil service commission with information pertinent to the classification of the commission director and shall certify the minimum and maximum salary range payable to the person performing such duties and, upon approval by the civil service commission and the metropolitan council, the same shall become a part of the pay plan for the classified service. (Ord. BL2012-281 § 1, 2012; Ord. BL2000-324 § 6, 2000)

2.100.060 Laws not repealed.

Nothing contained in this chapter is intended to repeal or amend Ordinance 67-132 as codified in this code under Chapter 6.72, and the metropolitan transportation licensing commission is authorized and empowered to administer the provisions of such ordinance and code sections. (Ord. BL2000-324 § 1 (part), 2000; prior code § 39-1-5)

2.100.065 Transfer of budgetary appropriation.

Any and all funds appropriated by the metropolitan council to the transportation licensing commission prior to November 1, 2012, for Fiscal Year 2012-2013 through the operating budget ordinance or by resolution appropriating funds from the General Fund Reserve Fund (4% Fund) shall be transferred to, accounted for, and managed by the metropolitan department of public works. (Amdt. 1 to Ord. BL2012-281 § 5, 2012)

2.104.010 Definitions.

The following definitions shall apply to this chapter:

"Communications facility" means all entities providing telephone or cable television services in the community and having responsibility for keeping service lines free of hazards, including trees.

"Hazard tree" means a public tree or private tree or any portion thereof which is determined by the urban forester to create a health or safety risk to the public because the tree is dead or dying, has an infectious disease or insect problem, is injured beyond restoration, is in danger of falling, is so close to an existing or proposed public structure as to endanger such structure, creates unsafe visual clearance, interferes with public utility services or communications facility services, or poses other risks identified by the urban forester. (Ord. 93-882 § 2, 1994)

"Private tree" means a tree or shrub growing in an area owned by a private individual, business or commercial establishment, company, industry, private institution, or other area not owned by government entities. The area where a tree is "growing" shall be determined by the placement of its trunk.

"Pruning" means selective removal and thinning of the upper portions of the tree, taking into account the shape and natural structure of the tree.

"Public tree" means a tree or shrub on any and all public property, that being property owned by the metropolitan government. Such public property shall include, but not be limited to, streets, avenues, alleys, and any other public right-of-way, public parks, public buildings, hospitals and schools. The area in which a tree or shrub is considered to be growing shall be determined by the placement of the trunk.

"Public utility" means all entities in charge of electrical distribution in the community and having responsibility for keeping distribution lines free of hazards, including trees.

"Shrub" means a woody plant with a multiple stem capable of growing to a height of up to fifteen feet.

"Topping" means arbitrary removal of various portions of the tree thereby leaving stubs, with no regard for the natural structure of the tree.

"Tree" means a woody plant with a single trunk or multiple trunk capable of growing to a height of fifteen feet or more. (Ord. 93-882 § 2, 1994)

2.104.020 Urban forester.

There shall be an urban forester of the metropolitan government. The urban forester shall be an employee of the department of codes administration, under the supervision of the zoning administrator. The urban forester shall be skilled and trained in the art and sciences of municipal arboriculture and shall possess the education and experience as provided in the job description for the position as adopted by the metropolitan civil service commission. The urban forester shall be responsible for administering the programs and policies set forth in this chapter, and may propose rules and regulations designed to carry out said duties and responsibilities. Such rules and regulations shall become effective after they are approved by the metropolitan planning commission and filed with the office of the metropolitan clerk. (Ord. 93-882 § 3, 1994)

2.104.030 Planting.

A. The urban forester shall have general oversight over all tree planting undertaken by the metropolitan government, but shall have no direct supervisory power over metropolitan government employees engaged in tree planting. He or she shall insure that planting of public trees progresses in a systematic manner to assure diversity of age, classes and species. He or she shall further provide information to all Metro agencies as to appropriate tree size, density and planting techniques.

B. When requested, the urban forester shall provide information to owners of private property regarding appropriate tree species, planting techniques, and placement. (Ord. 93-882 § 4, 1994)

2.104.040 Maintenance.

A. The urban forester shall have general oversight over the maintenance of public trees, but shall have no direct supervisory power over metropolitan government employees engaged in tree maintenance. Tree maintenance may include pruning, fertilizing, watering, insect and disease control, or other tree care activities. Maintenance

may be accomplished by personnel of the metropolitan government or by contract with commercial tree care companies.

B. The practice of tree topping as opposed to branch removal at branch or trunk junctures is prohibited on all public trees without prior approval of the urban forester.

C. Pruning of public trees in the vicinity of power lines or communications facility lines shall be undertaken using drop crotch pruning and pruning to laterals, unless other pruning methods receive prior approval by the urban forester. Such prior approval may be in the form of written policies and procedures that the urban forester, working in conjunction with public utilities and communications facilities, has established, and which enumerate limited exceptions to these pruning requirements in particular circumstances. In addition, the urban forester will work in conjunction with the public utilities and communication facilities to establish a program of replacing large trees that interfere with power lines with small maturing ornamental trees.

D. When requested, the urban forester shall provide information to owners of private property regarding all aspects of tree care, including the latest techniques and procedures currently being practiced. (Ord. 93-882 § 5, 1994)

2.104.050 Removal of hazard trees.

The urban forester shall oversee the removal of hazard trees. If the tree is on public property, the urban forester shall make the risk determination and, if appropriate, will cause the tree or hazardous portion thereof to be removed. Furthermore, the urban forester may delegate responsibility for risk determinations to employees of the metropolitan board of parks and recreation and employees of the department of public works who engage in ongoing tree removal activities; provided, however, that the urban forester shall provide education to such employees, to be sure that risk determinations are made in a consistent and appropriate manner. Furthermore, emergency removal of any public tree or portion thereof that poses an immediate hazard may be undertaken by a department or agency of the metropolitan government or a public utility or communications facility without prior approval of the urban forester.

If the urban forester is informed of a private tree that falls within the definition of hazard tree, he or she shall serve notice of the risk and the need for removal, and allow thirty days for removal of the tree at the expense of the property owner.

If the owner fails to remove the tree or hazardous portion thereof, the urban forester shall authorize removal by the metropolitan government, and shall be authorized to bill the property owner for the expense of such removal.

Notwithstanding the above, emergency removal of any private tree or portion thereof that poses an immediate hazard to the public may be authorized by the urban forester.

Appropriate tree care and removal of hazard trees or portions thereof on private property is the responsibility of the property owner, and nothing in this chapter shall be construed as creating an affirmative duty on the metropolitan government to remove or cause the removal of hazard trees on private property. (Ord. 93-882 § 6, 1994)

2.104.060 Tree permits.

A. No person shall directly or indirectly damage, destroy or remove any public tree in violation of the terms of this chapter without first filing an application and procuring a tree removal permit from the urban forester, except as allowed in Section 2.104.050 hereof. Any public tree which is damaged, destroyed or removed without the permit required herein shall be repaired or replaced in the manner directed by the urban forester in accordance with accepted practices of the International Society or Arboriculture.

B. Notice of commencement and completion of the work or other activity authorized by the tree permit shall be made to the urban forester as stated on the permit issued.

C. Permits for Public Utilities and Communications Facilities. Tree permits allowing for pruning or removal of trees necessitated by the installation and/or on-going maintenance of public utilities shall be issued by the urban forester for a period of one year and may be renewed annually subject to continued compliance with the conditions of this section.

D. There is hereby established a fee of ten dollars to cover the costs of administration, including the review of permits and inspection to be charged to applicants for tree permits established by this chapter. (Ord. 93-882 § 7, 1994)

2.104.070 Permitting of arborists.

A. All individuals and firms conducting tree care and removal as a business shall be required to have a permit to engage in tree care and removal activities. Such permit shall be issued by the urban forester upon proof by the applicant that he or she, or a member of his or her firm with supervisory power over other employees, has successfully completed a test of tree knowledge given by the International Society of Arboriculture, and proof that he or she or his or her firm has a minimum of

three hundred thousand dollars of liability insurance. Firms existing at the time the ordinance codified in this chapter is enacted may be waived from the testing requirement, provided they meet the requirement within two years of the adoption of the ordinance codified in this chapter.

B. The fee for the permit referred to in Section 2.104.070(A) of arborists shall be twenty-five dollars per year. (Ord. BL2004-253 § 1, 2004; Amdt. 1 to Ord. 93-882, 3/15/94; Ord. 93-882 § 8, 1994)

2.104.080 Reserved.

Editor's note—Ord. BL2016-124, § 3, passed March 1, 2016, repealed § 2.104.080, which pertained to appeals and derived from Ord. 93-882 § 9, 1994.

2.104.090 Duties under zoning ordinance.

The urban forester shall perform the duties, if any, assigned to him or her under any tree removal permit procedures or other procedures set out in any landscaping and buffering regulations that are part of any zoning ordinance passed by the metropolitan council. (Ord. 93-882 § 10, 1994)

2.104.100 Educational functions.

The urban forester shall assist in educating the community and agencies of the metropolitan government by:

A. Providing information and public relations to citizens and groups in the city regarding trees;

B. Maintaining a prohibited tree species list;

C. Gathering information and publishing reports as needed about city tree resources;

D. Working with Metro departments and agencies such as the department of public works to improve agencies' understanding of trees and tree problems; and

E. Meeting regularly with the tree advisory committee to the metro beautification and environment commission. (Ord. 93-882 § 11, 1994)

2.104.110 Tree advisory committee.

A. Not less than four months nor more than six months after the initial employment of the urban forester, the metropolitan tree board, created and established by ordinance, shall be abolished and there is established in its place the tree advisory committee to the metro beautification and environment commission. Those members of the tree board, including ex officio members, whose terms extend beyond the date that the tree board is abolished, shall become members of the tree advisory committee until such time as their terms expire. At that time, the metro beautification and environmental commission shall appoint new members to the committee in accordance with procedures established by the commission.

B. The tree advisory committee shall have such duties and responsibilities as are conferred upon it by the metro beautification and environment commission, including but not limited to community education regarding the value of trees and proper techniques for the planting, maintenance and removal of trees. (Ord. 93-882 § 12, 1994)

2.106.010 Creation.

To reconstruct the community oversight board initially created by Metropolitan Charter Section 11.1301 and as subsequently required by Public Chapter No. 454 of the Public Acts of 2023, there is hereby created a police advisory and review committee of the Metropolitan Government of Nashville and Davidson County to be called "The Metropolitan Community Review Board" (hereinafter may be referred to as the "community review board," "MCRB," or "board"). (Ord. BL2023-1990 § 1, 2023)

2.106.020 Purpose.

The purpose of the board is to strengthen the relationship between citizens and the department of police; to ensure the timely, fair, and objective review of citizen complaints while protecting the individual rights of police officers; and to make recommendations concerning citizen complaints to the chief of police. (Ord. BL2023-1990 § 1, 2023)

2.106.030 Membership.

(a) The board shall consist of seven members, each of whom must:

(1) Possess a reputation for fairness, integrity and responsibility, and have demonstrated an active interest in public affairs and service;

(2) Be a registered voter of Davidson County; and

(3) Not be a current employee of a local governing body.

(b) Except as provided in subsection (a), membership of the board shall not be restricted based upon demographics, economic status, or employment history.

(c) All board members shall be appointed by the mayor and confirmed by a majority vote of the metropolitan council. The mayor may consider nominations from community organizations, nominations by private petition signed by fifty Davidson County residents, and nominations by members of council when determining appointments to the board. The mayor is encouraged to consider nominating at least four persons from community organizations or private petitions. Initial appointments may be selected from the existing eleven-person community oversight board. No more than two persons shall be appointed from one metropolitan council district. Initial appointments to the board shall be made for the following terms:

(1) Two members of the board shall be appointed for one-year terms;

(2) Two members of the board shall be appointed for two-year terms; and

(3) Three members of the board shall be appointed for three-year terms.

(d) Following the initial appointments, all subsequent appointments, except to fill vacancies, shall be for three-year terms. Vacancies occurring other than through the expiration of terms shall be filled for the remainder of the term of the member being replaced. No board member appointed pursuant to this chapter may serve more than two consecutive terms.

(e) Upon making the initial appointments to the board, the mayor shall designate one member of the board to convene the first regular meeting of the board. At its first regular meeting, the board shall elect one of its members to serve as chair. The chair shall serve a term of one year or until a successor is elected. The chair may appoint such other officers as the chair deems appropriate.

(f) Upon the recommendation of the majority of the board members or by a finding of the mayor, the mayor, with a majority approval of the metropolitan council, may remove any member of the board for official misconduct or neglect of duty, including for neglect of any duty specifically enumerated in subsection (j) below. Members who are absent from three consecutive regular board meetings are considered to have vacated their positions on the board and may be replaced as provided for herein. Members who cease to have the qualifications for membership on the board as provided in subsection (a) of this section shall be deemed to have forfeited their position on the board.

(g) No member of the board shall receive compensation for services performed.

***Editor's note—**Ord. BL2023-1990, § 1, adopted July 18, 2023, repealed the former Ch. 2.106, § 2.106.010, and enacted a new Ch. 2.106 as set out herein. The former Ch. 2.106 pertained to community oversight board and derived from Ord. BL2020-401 § 1, 2020.

(h) Within six months of being appointed to the board, each member shall complete the citizen's police academy course offered by the department of metropolitan police and any other training deemed appropriate by the chief of police to educate citizens on law enforcement operations, practice, and training. Members who fail to complete required courses are considered to have vacated their positions on the board and may be replaced.

(i) Members of the board shall:

(1) Respect an individual's, including a police officer's, right to privacy, and maintain confidentiality of records;

(2) Maintain the confidentiality of police department office of professional accountability files, personnel files, and other files, records, or recordings received pertaining to their membership on the board;

(3) Excuse themselves from participating in the review of any complaint in which they have a personal, professional, or financial conflict of interest; and

(4) Conduct themselves in a manner that ensures public confidence in the fairness, impartiality, and integrity of the board, and refrain from making any inappropriate or prejudicial comments regarding any matter being reviewed by the board or which may be reasonably expected to be reviewed by the board.

(j) The director of law shall investigate an allegation of misconduct by a board member or their staff and submit a written report of the investigative findings to the mayor and the metropolitan council. (Amdt. 1 to Ord. BL2023-1990 § 1, 2023; Ord. BL2023-1990 § 1, 2023)

2.106.040 Board staff.

(a) The board shall be served by an executive director who is selected by the mayor and approved by a majority of the members of the board. The executive director position shall be in the unclassified service.

(b) The executive director shall:

(1) Possess a reputation for fairness, integrity and responsibility and have demonstrated an active interest in public affairs and service;

(2) Be a registered voter of Davidson County;

(3) Not be a former employee of a law enforcement agency for the preceding twelve months;

(4) Possess prior investigative experience, such as would be possessed by an attorney or a local law enforcement officer;

(5) Respect an individual's, including a police officer's, right to privacy, and maintain confidentiality of records;

(6) Maintain the confidentiality of all law enforcement records and files that the executive director or board receives as a result of the board's performance of its official duties;

(7) Not participate in the review of a complaint in which the executive director has a personal, professional, or financial conflict of interest;

(8) Conduct the duties of the office in a manner that maintains public confidence in the fairness, impartiality, and integrity of the board, and refrain from making inappropriate or prejudicial comments regarding a matter being reviewed by the board or which may be reasonably expected to be reviewed by the board; and

(9) Comply with all rules applicable to other employees of the metropolitan government.

(c) No person shall be approved as an executive director until the person has:

(1) Supplied a fingerprint sample for the purpose of a state criminal history background check and investigation to be conducted by the Tennessee Bureau of Investigation, as well as a national criminal history background check to be conducted by the Federal Bureau of Investigation; and

(2) Submitted to a lawfully administered test designed to detect the presence of a controlled substance or a controlled substance analogue.

(d) The board shall prepare annually a budget for the coming fiscal year, and shall submit such budget to the mayor in accordance with Article 6 of the Metropolitan Charter. Subject to annual appropriation in the operating budget, the board may employ staff as may be necessary to carry out the purposes of the board to be managed by the executive director. The salaries and benefits of board staff shall be as fixed in the pay plan adopted pursuant to Article 12 of the Metropolitan Charter. (Amdt. 1 to Ord. BL2023-1990 § 1, 2023; Ord. BL2023-1990 § 1, 2023)

2.106.050 Duties of the executive director.

(a) The executive director shall accept written, sworn complaints from members of the public regarding misconduct of metropolitan police officers and shall forward these complaints to the head of the police department office of professional accountability within three business days of their receipt. Upon receipt of any such complaint, the police department office of professional accountability shall immediately undertake an investigation of the allegations pursuant to the standard operating procedures of the police department. The executive director may also accept unsworn or anonymous complaints, and if accepted, refer the complaints to the police department office of professional accountability for investigation.

(b) Upon notification by the head of the police department office of professional accountability that an investigation of an allegation of police misconduct is closed, whether such investigation was prompted by a complaint received by the executive director or otherwise, the executive director shall review the police department office of professional accountability file or the referral action form and determine whether the investigation is complete.

(1) If the executive director finds that the investigation is complete, then the executive director shall file a report with the board at its next regularly scheduled meeting that contains a copy of the police department office of professional accountability case, summary, or referral action form, and any documentation of disciplinary action pertaining to the case.

(2) If the executive director finds that the investigation is not complete, then the executive director shall notify the board, at its next regularly scheduled meeting, that, in the executive director's opinion, additional investigation or additional time may be required for the investigation to be complete.

(c) At each regularly scheduled board meeting, the executive director shall file a report with the board that details the resolution of unsworn or anonymous complaints that the executive director has been able to resolve without an investigation by the police department office of professional accountability.

(d) The executive director may request legal services and advice from the department of law. If the director of law determines that the provision of legal services and advice would constitute a conflict of interest, the director of law shall so advise the executive director. The executive director may then request the director of law to provide outside counsel for such legal services and advice.

(e) The executive director shall:

(1) Ensure the proper recording of the minutes of the board;

(2) Maintain proper records and files pertaining to board business;

(3) Receive and record all exhibits, petitions, documents, or other materials presented to the board in support of or in opposition to a question before the board;

(4) Comply with state law and local ordinances regarding notice of meetings;

(5) Provide complainants with information about the complaint process;

(6) Be a notary public;

(7) Compile statistical information regarding complaints of misconduct by police officers as reported to the executive director from a member of the public, reported to the police department office of professional accountability where the investigation was reviewed by the executive director, or which were initiated by the executive director; and

(8) Include the information compiled under subsection (e)(7) in an annual report to the chief of police, the mayor, and the metropolitan council of the board's activities. (Amdt. 1 to Ord. BL2023-1990 § 1, 2023; Ord. BL2023-1990 § 1, 2023)

2.106.060 Powers and duties of the board.

(a) The board shall review all reports of the executive director submitted in accordance with the provisions of Section 2.106.050(b).

(b) After a finding by the executive director that an investigation is not complete, the board may, by a majority vote of its members:

(1) Request the chief of police to conduct a further investigation of the incident, specifying that additional information is needed; or

(2) Direct the executive director to return the investigation to the police department office of professional accountability for additional investigation.

(c) The executive director shall report any additional investigative findings made to the board, and upon completion of its inquiry, the board shall report its written findings and conclusions to the chief of police and the mayor.

(d) The board shall have access to all public records it deems necessary to conduct its affairs in furtherance of its duties under this chapter, including department of metropolitan police records. Such records include:

(1) Complaints and supporting documents provided by complainants;

(2) Offense, incident, and arrest reports; and

(3) Incident-related documents such as schedules, dispatch notes, dispatch tapes and transcriptions, citations, photographs, and records of interviews with complainants, employees, and witnesses.

(e) The board shall not access nonpublic records, including employee medical records, or records that are otherwise exempt from disclosure under any state or federal law. Notwithstanding the foregoing, any document provided to the board that is confidential under state or federal law must be treated as confidential and must not be released to the public.

(f) Upon completion of the review of an internal affairs investigation, the board may, subject to its own specific findings and conclusions, make recommendations to the chief of police for the improvement of law enforcement policies and activities and to benefit the community.

(g) The board shall, at least once a year, compile a comprehensive report of its activities. The report shall contain statistics and summaries of citizen complaints, including a comparison of the board's findings and conclusions with those of the police department office of professional accountability, along with the actions taken by the chief of police. The board's annual report shall be submitted to the:

(1) Executive director for inclusion in the executive director's annual report to the chief of police;

(2) Mayor;

(3) Metropolitan council;

(4) Chairs of the civil justice and criminal justice committees of the house of representatives; and

(5) Chair of the judiciary committee of the senate.

(h) The board may request legal services and advice from the department of law. If the director of law determines that the provision of legal services and advice would constitute a conflict of interest, the director of law shall so advise the board. The board may then request the director of law to provide outside counsel to the board for such legal services and advice.

(i) If the executive director is prohibited from participating in the review of a complaint pursuant to Section 2.106.040(b)(7), the board may petition the mayor to appoint a temporary assistant to perform the duties of the executive director. (Amdt. 1 to Ord. BL2023-1990 § 1, 2023; Ord. BL2023-1990 § 1, 2023)

2.106.070 Procedure.

(a) The board shall adopt rules of procedure for the transaction of board business not inconsistent with this chapter.

(b) Four members of the board shall constitute a quorum. No meeting of the board shall commence or continue in the absence of a quorum. A majority vote of those forming a quorum is required for any action by the board except where otherwise specified in this chapter.

Regular meetings of the board shall be held no less than quarterly, on the first Wednesday of January, April, July and October or as the board may otherwise elect. A scheduled meeting may be rescheduled at the preceding regular meeting. The chair and three members of the board may call a special meeting of the board upon at least five days' notice.

(c) Board meetings and records shall be open to the public in accordance with the provisions of the Tennessee Open Meetings Act and Public Records Act. The board shall provide an opportunity for public comment about an investigation being reviewed by the board pursuant to rules established by the board.

(d) The chief of police, or their designee, may attend meetings of the board and provide information and advice to, or accept the recommendations of, the board, if any. (Ord. BL2023-1990 § 1, 2023)

2.106.080 Limitations.

(a) The board does not have the authority to issue subpoenas for documents or to compel witness testimony. This limitation does not prohibit the issuance of a subpoena, on behalf of the board, approved by resolution of the metropolitan council where:

(1) the subpoena issued by the metropolitan council, on behalf of the board, is issued pursuant to a majority vote of the metropolitan council,

(2) is not issued in the form of a blanket authorization, but must specify each document to be produced, and

(3) is not issued for documents that are confidential under state or federal law.

(b) The board and its staff shall not review an investigation:

(1) Concerning any incident occurring prior to January 1, 2023;

(2) Prior to the closure of an investigation by the police department office of professional accountability or of a criminal investigation;

(3) While the complainant, the officer(s) complained about, or a witness is actively engaged in pursuing a remedy provided by the rules and regulations of the civil service commission; or

(4) Where the complainant has initiated, threatened, or given notice of the intent to initiate litigation against the metropolitan government or any of its employees.

(c) The board shall not direct the chief of police to alter or impose disciplinary action against any employee of the department of metropolitan police.

(d) To the extent not preempted by state law, the board shall have all the powers and duties provided in Section 11.1301 of the Metropolitan Charter. (Amdt. 1 to Ord. BL2023-1990 § 1, 2023; Ord. BL2023-1990 § 1, 2023)

2.106.090 Severability.

If any provision or clause of this chapter or the application thereof to any person or circumstance is held to be unenforceable by a court of competent jurisdiction, such clause or provision and the remainder of this chapter shall remain effective and enforceable to the fullest extent allowed by law, and all clauses and provisions of this chapter are hereby declared to be severable. (Amdt. 1 to Ord. BL2023-1990 § 1, 2023; Ord. BL2023-1990 § 1, 2023)

Chapter 2.107

FARMERS' MARKET BOARD

Sections:

2.107.010 Rules and regulations.

2.107.010 Rules and regulations.

The farmers' market board is authorized to adopt rules and regulations to enable business entities, nonprofits, and other organizations to sponsor events and programs at the Nashville Farmers' Market. Such rules and regulations shall include, but not be limited to, the types of events, programs, and sites that may be sponsored; the size, number, and placement of sponsor signs; the use of logos; and the types of industries and products that are not eligible to become sponsors. The farmers' market board, or at the farmers' market's board's discretion, the executive director of the Nashville Farmers' Market, shall have the authority to enter into sponsorship agreements with a total net value not to exceed fifty thousand dollars per sponsorship. All sponsorship agreements with a total net value in excess of fifty thousand dollars per sponsorship must be approved by resolution adopted by the metropolitan council. (Ord. BL2024-334 § 1, 2024)

METROPOLITAN ACTION COMMISSION

Sections:

2.108.010	**Created.**
2.108.020	**Membership—Appointment and term of chairman and members.**
2.108.030	**Vice-chairman and other officers.**
2.108.040	**Meeting.**
2.108.050	**Powers and duties.**

2.108.010 Created.

There is created the metropolitan action commission. (Prior code § 2-1-74)

2.108.020 Membership—Appointment and term of chairman and members.

A. The metropolitan action commission shall consist of eighteen members appointed by the mayor and confirmed by the metropolitan council. Six, or not less than one-third, of the members of the commission shall be elected public officials currently holding office, or their representatives, except that if the mayor finds that there are insufficient elected officials reasonably available or willing to serve, then the mayor may select appointive public officials to serve; specifically, the officials on the commission shall be as follows: the mayor, the metropolitan board of education, a member of the health, hospitals and social services committee of the metropolitan council elected by such committee, a member of the personnel-public information-human relations-housing committee of the metropolitan council elected by such committee, the director of metropolitan social services, and the director of the metropolitan development and housing agency. Six, or not less than one-third, of the commission shall be persons chosen in accordance with democratic selection procedures adequate to assure that they are representative of the poor in the area served. However, one of the representatives of the poor shall be president of the Head Start policy council of the metropolitan action commission, whose term shall be identical with the term of the president of the policy council. Six, or not less than one-third, of the members of the commission shall be officials or members of business, industry, labor, religious, welfare, education or major groups and interests in Metropolitan Nashville and Davidson County. The terms of the public officials on the commission, other than the metropolitan council representatives, and the term of the president of the Head Start policy council of the metropolitan action commission shall be the same as the elected or appointive term of office. The two members of council serving on the commission shall have a term of two years. The election of the member of the health, hospitals and social services committee and the personnel-public information-human relations-housing committee to serve on the commission shall take place upon the expiration of term of the chairpersons of the committees presently serving on the commission at the date of enactment of the amendatory ordinance providing that such members be elected. The other eleven members of the commission shall initially be appointed for staggered terms as follows: one-third of the representatives of the poor and of business and other interests shall have a term of one year; one-third of same shall have a term of two years; and one-third of same shall have a term of three years. Thereafter, all twelve representatives of such groups shall be appointed for a term of three years, and their terms will commence on the second day of February of the year of their appointment.

B. The mayor shall also appoint one of the members of the commission as chairman for a term of one year. (Amdt. 1 to Ord. BL2005-638, 2005; Ord. BL2005-638 § 1, 2005; Ord. 91-1559 § 1, 1991; prior code § 2-1-75)

2.108.030 Vice-chairman and other officers.

Immediately upon appointment and qualification, the metropolitan action commission shall elect one of its members as vice-chairman, who shall serve for a period of one year, or until his successor shall have been chosen for the ensuing term. The commission may choose such other officers as it deems necessary. (Prior code § 2-1-76)

2.108.040 Meeting.

The metropolitan action commission shall hold regular meetings at least quarterly for the conduct of its business, and may hold more frequent regular meetings as its bylaws may provide. It may hold special meetings as may be deemed necessary, the same to be called or held as provided in its bylaws. (Prior code § 2-1-77)

2.108.050 Powers and duties.

A. The powers, duties and responsibilities of the metropolitan action commission shall be to coordinate the existing facilities of the metropolitan government, private, state and federal educational, health and welfare facilities, to the end that all such facilities shall be marshalled in an effort to obtain full employment and

job opportunity for the residents of this community through education, reeducation, upgrading of health and physical environment, and such other means as may be proper.

B. In the performance of these powers, duties and responsibilities, the metropolitan action commission shall have the authority and, where appropriate to the context, shall be required to:

1. Within its budget appropriation and other funds at its disposal, employ personnel and enter into contracts for such services as it may require;

2. Enter into agreements and receive such grants or assistance, or both, as may be available from the federal or state governments for the purposes for which the commission is established, and also to receive gifts for such purposes.

C. Coordinate among government departments, agencies and officials as necessary to meet the objectives created by the State of Tennessee under the Workforce Innovation and Opportunity Act of 2014 (Federal Act).

1. To administer programs as described in the workforce development system pursuant to the Federal Act's rules and regulations promulgated to carry out the purposes of the Act; and applicable federal, state, and local laws, rules and regulations.

2. MAC may accept grants of funds made available to accomplish the purpose and intent of the Federal Act and, subject to a resolution of the metropolitan council appropriating said funds, may enter into operational agreements using such funds with the local work force investment board and any successor or additional agency as established and required by the Federal Act.

3. To monitor and evaluate program operations implemented under the Federal Act.

4. To contract with vendors for services contemplated by the Federal Act. (Ord. BL2020-295 § 4, 2020; prior code § 2-1-78)

METROPOLITAN NASHVILLE ARTS COMMISSION

Sections:

2.112.010	**Established.**
2.112.020	**Membership and term of office.**
2.112.030	**Purpose of the commission.**
2.112.040	**Powers and duties.**
2.112.050	**Review, acceptance, and maintenance of donated artwork.**

2.112.010 Established.

There is created and established a commission to be legally known as the "Metropolitan Nashville Arts Commission," referred to in this chapter as "commission." (Prior code § 2-1-101.61)

2.112.020 Membership and term of office.

The commission shall be composed of eleven members to be appointed by the mayor and to serve without compensation. All members of the commission shall be confirmed by the metropolitan county council. The members shall serve staggered terms of four years. All vacancies of any commission member shall be filled for the balance of the unexpired term in the same manner as original appointments. (Amdt. 1 to Ord. BL2025-811 § 1, 2025; Ord. BL2025-811 § 1, 2025; Ord. BL2024-476 § 1, 2024; Ord. 93-576 § 1, 1993; prior code § 2-1-101.62)

2.112.030 Purpose of the commission.

The purpose of the commission shall be as follows:

A. To promote the study, participation in and appreciation of the visual, performing and literary arts;

B. To support and participate in the presentation of displays, exhibits, recitals, concerts, lectures and symposia;

C. To cooperate with and assist public and private educational institutions, the media, and other private and governmental entities involved in artistic and cultural promotion;

D. To promote equity in the arts community;

E. To provide information and recommendations to the metropolitan county council and the metropolitan county mayor with respect to the architectural design and aesthetics of public places and property. (Ord. BL2024-302 § 1, 2024; prior code § 2-1-101.63)

2.112.040 Powers and duties.

In order to carry out and facilitate the commission's general purposes, it shall have authority to:

A. Elect a chairman and such other officers as it may deem necessary to carry out the functions and duties of the commission;

B. Promulgate and maintain its own regulations and bylaws;

C. Conduct its affairs, to select advisory committees or panels of experts as necessary to assist in the discharge of its duties;

D. Receive and expend any money allocated to it by the metropolitan government or donated to it for the purposes of the commission as expressed herein;

E. Accept and receive gifts donated to the commission for artistic and cultural purposes;

F. Recognize individuals, institutions and organizations who exemplify excellence in cultural and artistic endeavors by bestowing upon such individuals, institutions and organizations such awards and commendations as the commission from time to time deems appropriate;

G. Accept funds from other arts organizations, private and government entities, for disbursement to deserving nonprofit civic and nonprofit charitable organizations. The acceptance of such funds shall be approved by resolution of the metropolitan council;

H. Award funds appropriated to it by the metropolitan council to deserving nonprofit civic and nonprofit charitable organizations. Criteria for the awarding of such funds shall be established by the Metropolitan Nashville Arts Commission and approved by resolution of the metropolitan council each year before funds are awarded. The annual resolution shall indicate whether there is a change in the award criteria from the previous year.

1. A "nonprofit charitable organization" is defined as one in which no part of the net earnings benefit any private shareholder or individual and which provides year-round services benefiting the general welfare of the residents of the municipality.

2. A "nonprofit civic organization" is defined as a civic organization exempt from taxation pursuant to Section 501(c) of the IRS Code. A nonprofit civic organization must operate primarily for the purpose of bringing about civic betterment and social improvements through efforts to maintain and increase employment opportunities in the municipality.

3. For purposes of this code section, both nonprofit charitable organizations and nonprofit civic organizations shall be involved in the study, participation in and appreciation of the visual, performing and literary arts for the Metropolitan Nashville and Davidson County

area. (Amdt. 1 to Ord. BL2024-476 § 2, 2024; Ord. BL2024-476 § 2, 2024; Ord. 94-993 § 1, 1994; prior code § 2-1-101.64)

2.112.050 Review, acceptance, and maintenance of donated artwork.

A. For purposes of this section, "donated artwork" means artworks, property for placement of artwork, and funds for the acquisition of artwork that may be proposed for donation to the metropolitan government outside of the Percent for Art Program established pursuant to Chapter 5.10 of the Metropolitan Code, provided that artwork accepted by the board of parks and recreation for exhibition at the Parthenon museum shall not be subject to the provisions of this section.

B. Prior to acceptance by the metropolitan government, all donated artwork shall be submitted to the metropolitan arts commission for review and recommendation in accordance with the arts commission's adopted policy pertaining to donated artwork. The arts commission shall submit a recommendation to the metropolitan council if council approval is required by applicable law for acceptance of the artwork, or to the metropolitan government department or agency that has the authority to accept the artwork if no council approval is required.

C. All accepted donated artwork shall be owned by the metropolitan government.

D. Unless the metropolitan council has appropriated funding specifically for the installation and maintenance costs for the donated artwork, a donor's proposal shall include funding adequate to cover all costs for the design, fabrication, insurance, transportation, storage, installation, and maintenance of the proposed artwork for a period of ten years from the date of acceptance, plus contingency funds for reasonable unforeseen circumstances.

E. Final acceptance recommendations of donated artwork shall be made by the arts commission and acknowledged through a written statement to the donor or donor's agent.

F. Acceptance agreements. An agreement pertaining to final acceptance of all donated artwork appraised at more than five thousand dollars, or if anticipated maintenance of the artwork will exceed five thousand dollars over a ten year period, must be approved by resolution of the metropolitan council prior to the metropolitan government taking possession and ownership of the donated artwork. Such agreement shall be approved by the department of law as to form and legality, and shall include, at a minimum, the following:

1. A description of the terms and conditions under which the artwork is to be accepted, including responsibilities for installation, fabrication (if applicable), site preparation, insurance, ongoing maintenance, conservation, and informational signage.

2. A statement that the metropolitan arts commission retains full rights of reproduction, filming/photography, removal, relocation, and deaccessioning of the artwork donation.

3. A statement that the artwork will be acquired without legal restrictions as to future use and disposition, except with respect to state or federal laws regarding the preservation, copyright, and/or resale of works of art.

G. Deaccessioning or alterations of any donated artwork shall be addressed in the same manner as artwork commissioned through the Percent for Art Program established pursuant to Chapter 5.10 of the Metropolitan Code and the process provided in the Public Art Guidelines approved by the arts commission. (Ord. BL2015-1277 § 1, 2015)

2.120.100	**Personnel.**

2.120.010 Establishment—Council intent—Statutory authority.

It is the intent of the metropolitan council to exercise to the full extent of the Charter power granted by Section 19.03 of the Metropolitan Charter to establish a charter revision commission to hold hearings and to make recommendations to the metropolitan council with respect to amendments to the Charter consistent with Amendment No. 8 to Article XI, Section 9 of the Constitution of Tennessee and Tennessee Code Annotated, Section 7-1-101, et seq., as they now exist or may hereafter be amended, so that in the interest of modern, efficient and economical government, the metropolitan government may be operated as one governmental entity in the interest of aiding in the solution of the public problems of a metropolitan area. (Prior code § 2-1-88)

2.120.020 Created—Purpose.

There is established a charter revision commission to hold hearings and to make recommendations to the metropolitan council with respect to amendments to the Metropolitan Charter. (Prior code § 2-1-79)

2.120.030 Appointment, compensation and term of members—Vacancy filling.

The charter revision commission shall consist of seven members, to be appointed by the mayor and confirmed by a majority of the whole membership of the metropolitan council. The members of the commission shall hold no other public office or public position of employment, and each shall serve for a term of four years without compensation. Any vacancy occurring during the term of a members shall be filled for the unexpired term in the manner prescribed for the original appointment. (Prior code § 2-1-80)

2.120.040 Qualifications for members.

Every member of the charter revision commission shall have been a resident of the general services district or have had his principal place of business or employment therein for not less than one year prior to his appointment, and shall continue to be so eligible so long as he shall serve. (Prior code § 2-1-81)

2.120.050 Officers.

The charter revision commission shall elect one of its members as chairman and another as vice-chairman, who shall serve for a period of one year or until their respective successors shall have been chosen. It may elect as its secretary one of its own members, or it may appoint as secretary one who is not a member. (Prior code § 2-1-85)

2.120.060 Meetings.

The charter revision commission shall hold regular meetings at least quarterly for the conduct of its business, and may hold more frequent regular meetings as its bylaws may provide. It may hold special meetings as may be deemed necessary, the same to be called or held as provided in its bylaws. (Prior code § 2-1-83)

2.120.070 Bylaws, rules and regulations.

The charter revision commission may make such bylaws, rules and regulations, not inconsistent with law, as it deems appropriate for the conduct of its business, copies of which shall be filed with the metropolitan clerk and with the secretary of the commission. (Prior code § 2-1-86)

2.120.080 Quorum for voting.

A majority of the members of the charter revision commission shall constitute a quorum for the purpose of meetings and transacting business. (Prior code § 2-1-84)

D. To make any recommendations to the mayor in regard to person suitable for appointment to the commission. (Prior code § 2-1-100)

2.128.050 Historical commission executive director and staff.

A. There shall be created the position of executive director for the historical commission of the Metropolitan Government of Nashville and Davidson County. The executive director shall report to and serve at the pleasure of the historical commission and shall be paid such compensation as shall be fixed by the historical commission within its budgeted appropriations. The executive director for the historical commission:

1. Shall possess a degree in history, historic preservation, architectural history, or related field (e.g., planning, architecture), preferably with postgraduate training;

2. Shall have at least five years of experience working in the historic preservation or related field;

3. Shall be familiar with the history of Nashville-Davidson County and Tennessee;

4. Shall have demonstrated ability to discharge the duties and functions of the executive director of the historical commission.

B. The executive director of the historical commission shall hire staff as needed to carry out the necessary tasks to assist the commission in the performance of its functions. (Amdt. C to Ord. BL2025-742 § 1, 2025; Ord. BL2025-742 § 1, 2025; Ord. BL2008-330 §§ 1, 2, 2008; Ord. 90-1339 § 1 (2-11), 1990; prior code § 2-1-100.1)

2.128.060 Powers and duties.

In order to carry out and facilitate the historical commission's general purpose, it shall be authorized to do the following things:

A. To attempt to locate, collect and preserve historical material that it may consider relevant to the history of Davidson County;

B. To conduct its affairs, hold legal title to any personalty or realty, and make appropriate arrangements for the purchase, preservation, promotion and use of any material, both real and personal, and to do such as an agency of the metropolitan government, as provided by the Metropolitan Charter;

C. To receive and expend any money allocated to it by the metropolitan government, or donated to it to be used for the purposes herein stated;

D. To make application to the internal revenue service, asking that its character be classified charitable;

E. To ascertain and certify any evaluation of gifts, bequests and devices where requested and whenever possible;

F. To cooperate with appropriate officials and agencies in preserving records, archives and historic buildings, and in the erection of monuments, markers, etc.;

G. To sponsor the preparation and publication of histories, guidebooks and similar material, and to take any other actions which it considers necessary and proper in the furtherance of the board aims as set forth in this chapter;

H. To endeavor to arouse interest in the history of the area by operating with schools, clubs and other interested organizations;

I. To sponsor lectures, tours, exhibits and displays, and it may utilize any and all media of communication, such as newspapers, radio and television, in the accomplishments of its purposes;

J. To lend its assistance and cooperation to the Tennessee Historical Society, the Tennessee Historical Commission, the Official Historian of Tennessee, the historian of Davidson County, and other duly constituted historical bodies and individuals in the pursuit of such common goals as may fall within the broad purpose of this commission.

K. To serve as liaison to the Tennessee Department of Environment and Conservation, Division of Archeology, to facilitate the preservation of sites and artifacts found on public property as required by Tennessee Code Annotated Section 11-6-107. (Amdt. 1 to Ord. BL2011-834 § 1, 2011; Ord. BL2011-834 § 1, 2011; prior code § 2-1-101)

2.132.010 Established.

There is established a metropolitan human relations commission. (Ord. 94-1129 § 1 (part), 1994)

2.132.020 Mission and objectives.

A. The mission of the human relations commission is to protect and promote the personal dignity of all people by protecting and promoting their safety, health, security, peace, and general welfare.

B. The commission will endeavor to carry out this mission both proactively and reactively by:

1. Investigating complaints within the general services district regarding perceived discrimination;

2. Reviewing allegations of discriminatory misconduct by metropolitan government employees, including but not limited to employees of the police department, fire department, health department, department of codes administration, public works, metropolitan beer permit board, metropolitan development and housing agency and department of water and sewerage services, and fostering better relations between employees of metropolitan government and the people they seek to serve;

3. Lessening and eliminating prejudice and discrimination through educational and awareness-enhancing programs designed to promote tolerance, respect, and the value of diversity;

4. Proposing legislation addressing human relations issues in the general services district and enhancing the enforcement of statutes and ordinances that already exist;

5. Fostering mutual understanding, tolerance, and respect among all economic, social, religious, ethnic, and other community groups by working with existing educational, religious, governmental, social and community agencies. (Ord. 94-1129 § 1 (part), 1994)

2.132.030 Composition—Qualifications, appointment, term and filling vacancies.

The human relations commission shall consist of fifteen members, who shall be broadly representative of the population of the general services district. Based on recommendations from any and all interested parties, including the metropolitan council, as well as ethnic, racial, religious, neighborhood, civic, community, social, fraternal, educational, commercial and advocacy organizations, the mayor shall appoint nine members of the human relations commission, subject to confirmation by a majority vote of the whole membership of the council. The remaining six members shall be elected by a majority vote of the whole membership of the council. Commission members shall serve three-years terms. A commission member is not eligible to be reappointed to the commission if such member has served more than one-half of a three-year term and a consecutive complete three-year term. Every member shall have been a resident of the general services district for at least one year prior to appointment and shall continue to be a resident of the general services district so long as he/she shall serve as a member of the commission. In the event a vacancy is created on the commission by the death, incapacity, or resignation of a member, or by the failure of a member to continue to reside in the general services district, a successor for the unexpired term shall be appointed by the same appointing authority as the vacant appointments. (Ord. BL2025-811 § 11, 2025; Ord. BL2022-1528 § 5, 2023; Ord. BL2016-99 § 1, 2016; Ord. 94-1129 § 1 (part), 1994)

2.132.040 Officers and committees—Employment of staff.

A. The human relations commission shall elect its own chair and vice-chair by majority vote. The chair and vice-chair shall be voting members of the commission. Officers shall serve one-year terms. There shall be a three term limit for officers. The commission may create and appoint task forces and committees it deems appropriate to carry out its functions. When appropriate for purposes of investigating and adjudicating complaints, cases will be assigned to panels consisting of three commission members. The commission chair and vice-chair will appoint commissioners to panels and provide administrative oversight of panels; they will not themselves serve on the panels. Each panel shall choose its own chair on a case-by-case basis.

B. The work of the commission shall be managed by an executive director, who shall be appointed by and serve at the pleasure of the commission. The commission shall employ such other persons as may be necessary to carry out the educational, administrative and investigative work of the commission and as may be within the limits of its budget appropriation.

C. The responsibilities of the commission staff, under the direction of the executive director, include managing commission records and accounts, developing public education programs, providing training for commission members, managing citizen complaints, seeking additional private-sector funding for the commission, facilitating commission scheduling and communication, and any other tasks needed to help the commission perform its functions. (Ord. 94-1129 § 1 (part), 1994)

2.132.050 Reserved.

Editor's note—Ord. BL2025-811 § 13, passed May 20, 2025, repealed § 2.132.050, which pertained to quorum and derived from Ord. 94-1129 § 1 (part), 1994.

2.132.060 Scope of responsibilities.

It is the responsibility of the commission to resolve complaints and carry out educational programs related to discrimination in the following areas:

A. Employment, including recruiting, hiring, firing, promotion, referral, and compensation;

B. Housing, including advertising, sales, renting, negotiating for sale or rent, financing, or insuring;

C. Financial services and commercial transactions, including banking, lending, collection, advising, investment management, or brokerage services;

D. The provision of public accommodations;

E. The provision of city activities and services, including but not limited to services provided the police department, fire department, health department, department of codes administration, public works, metropolitan beer permit board, metropolitan development and housing agency and department of water and sewerage services;

F. Educational programs and opportunities. (Ord. 94-1129 § 1 (part), 1994)

2.132.070 Powers and duties.

A. In the area of human rights, the commission will have the power and duty:

1. To investigate alleged discriminatory misconduct by employees of the metropolitan government, including but not limited to employees of the police department, fire department, health department, department of codes administration, public works, metropolitan beer permit board, metropolitan development and housing agency and department of water and sewerage services;

2. To investigate complaints regarding discriminatory practices by contractors working under agreements with metropolitan government;

3. To seek information from persons, agencies, and businesses and hold hearings regarding complaints related to civil and human rights in the general services district. At the commission's discretion, testimony may be taken under oath;

4. To investigate bias crimes, hate group activity, and other discriminatory practices;

5. To investigate, document, and comment upon systematic patterns and practices of misconduct and make recommendations to the mayor or appropriate supervisor;

6. To act as a conciliator in controversies and disputes involving human relations.

B. In the area of human relations, the commission will have the power and duty:

1. To develop and implement educational programs dedicated to the enhancement of human relations;

2. To gather data regarding human relations and discrimination within the city;

3. To hold hearings and convene public forums regarding issues related to civil and human rights in the general services district;

4. To advise and confer with the mayor and other members of metropolitan government regarding issues under its purview;

5. To recommend, draft, propose, and support legislative action to safeguard people within the general services district from discrimination;

6. To advise and consult with state and federal agencies regarding laws and policies addressing discrimination and other human relations issues;

7. To cooperate with educational institutions, local and national civil rights organizations, and community groups to study discrimination and foster better human relations.

C. In hearing complaints alleging misconduct by employees of metropolitan government, the commission shall have the power and duty to propose changes in policies and procedures of metropolitan government as they relate to the functions of the commission.

D. In hearing complaints alleging misconduct other than by employees of metropolitan government, the commission shall have the power and duty:

1. To request that the respondent cease and desist from the unlawful discriminatory practice;

2. To recommend that a respondent take such affirmative action as the commission deems appropriate;

3. When the respondent is a municipal government contractor, to recommend to the purchasing agency the conditions under which a contract or franchise should be continued in force, suspended, or terminated.

E. With respect to the administration of commission affairs, the commission shall have the power and duty:

1. To adopt, promulgate, amend, and rescind rules and regulations to effectuate the policies and provisions of this chapter;

2. To publish monthly reports on dispositions of human rights complaints;

3. To publish quarterly reports that provide full statistical and descriptive information on the status and outcomes of complaints and cases reviewed by the commission, as well as on educational activities undertaken by the commission;

4. To prepare an annual report on the state of human relations in the city. (Ord. 94-1129 § 1 (part), 1994)

2.132.080 Annual budget—Facilities.

A. The human relations commission shall prepare annually a budget for the coming fiscal year, and shall submit such budget to the mayor in accordance with the Metropolitan Charter. Office space and facilities for the human relations commission shall be provided by the metropolitan government.

B. The human relations commission shall not have the power to expend any public funds for the employment of personnel or any other purpose until such time as an appropriation of funds for the commission has been adopted by the metropolitan council. (Ord. 94-1129 § 1 (part), 1994)

Chapter 2.136

PLANNING COMMISSION

Sections:

2.136.010	**Commission authorized to adopt certain subdivision plat processing fees.**
2.136.020	**Fees charged for computer generated map reproduction.**
2.136.030	**Affordable housing report.**

2.136.010 Commission authorized to adopt certain subdivision plat processing fees.

A. The metropolitan planning commission is authorized to adopt, as a part of its subdivision regulations, a schedule of fees to be charged for the processing of subdivision plats, including but not limited to preliminary, final, zone lot partitions, planned unit developments, condominiums, and/or bonds related thereto.

B. Any regulations adopted pursuant to this section shall be done in accordance with Tennessee Code Annotated Section 13-4-303, and shall be filed with the metropolitan clerk upon final adoption by the metropolitan planning commission.

C. Upon adoption as set forth in subsection A of this section, such regulations shall have the same force and effect as other laws of the metropolitan government, and no plat or bond shall be recorded until the fees prescribed therein have been paid to the metropolitan government. (Prior code § 2-1-3.6)

2.136.020 Fees charged for computer generated map reproduction.

A. The metropolitan government acting through the metropolitan planning commission is authorized by Tennessee Code Annotated 10-7-409 and 10-7-506 to charge fees for the reproduction of any computer-generated map. The fee is based on the actual cost for the staff to produce the map except when the map is produced for commercial purposes for persons other than individuals requesting reproductions for themselves only. Maps produced for commercial purposes will be charged an additional fee. The fee schedule is on file at the office of the metropolitan clerk.

B. In lieu of the fees authorized by Section 4 of the ordinance codified in this section, and at the option of the person requesting digital map data having a commercial value, the metropolitan planning commission is authorized to issue a nonexclusive software license for digital mapping data for a term not to exceed three years which license will allow a user of the date to create additional value-added products for a one-time subscription fee of eight thousand one hundred dollars, and including an optional annual update fee of six hundred sixty dollars annually. (Ord. 97-797, 1997)

2.136.030 Affordable housing report.

A. The metropolitan planning department, through its two designated housing positions, shall publish and provide the members of the metropolitan council affordable housing committee not later than July 1 of each year a report providing the following information:

1. A current baseline of Davidson County's housing needs for families with incomes at or below sixty percent of the area median income as defined by the U.S. Department of Housing and Urban Development.

2. The number of new affordable housing units that are currently authorized and/or funded for construction.

3. The number of units that are being explicitly preserved through public or private intervention to prevent demolition of existing affordable housing.

4. Any other information or metric deemed necessary by the planning department to provide a clear assessment of the metropolitan government's progress toward reducing the deficit in affordable housing.

B. Data for this report may be based upon the metropolitan development and housing agency's most recent Consolidated Plan for Metropolitan Nashville and Davidson County, and augmented with data provided by the Barnes Fund Commission, the metro planning department, and other agencies.

C. This report may be updated quarterly on the planning department's website to reflect the demolition of existing affordable housing, the preservation of exiting affordable housing, and construction of new affordable housing in the previous quarter. Production data may consist of units that have been authorized, funded, and occupied in separate categories so that the commitment of future units can be included in the updates provided. (Amdt. 1 to Ord. BL2021-792 § 1, 2021; Ord. BL2021-792 § 1, 2021)

2.140.030 Membership—Qualifications and terms of office—Vacancy filling.

A. The Davidson County public records commission shall consist of eight members:

The mayor shall appoint three members and the metro council shall confirm each appointee. Of the three appointees, one shall be a member of the metro council, one shall be a judge of one of the courts of record, and one shall be a genealogist.

B. The county clerk or designee of the county clerk, county register or designee of the county register, the director of ITS or designee of the director of ITS, the county historian, and the archivist shall be ex officio members of the commission.

C. Each elected member of the commission shall hold office during the term for which the member was elected to office; any non-elected member of the commission shall serve for the term of the appointing official.

D. If a vacancy occurs in one of the appointed positions, the mayor shall appoint a person in the same manner as the original appointment. (Ord. BL2018-1292 § 1, 2018; Ord. BL2014-727 § 1, 2014; Ord. BL2014-660 §§ 1, 2, 2014; Ord. 97-845 § 1 (part), 1997)

2.140.040 Officers—Meetings—Quorum.

The public records commission shall elect a chairman and a secretary, and shall preserve the minutes of all its proceedings and transactions. A majority of the full membership of the commission shall constitute a quorum for the purpose of meeting and transacting business. (Ord. 97-845 § 1 (part), 1997)

2.140.050 Rules and regulations.

The public records commission shall establish reasonable rules and regulations to accomplish the primary task of providing for the orderly disposition of records as well as establishing rules and regulations to expand upon and interpret the public records policy of the metropolitan government. Such rules shall provide, but not be limited to:

A. Standards and procedures related to the creation, filing, storage, disposal, preservation, and duplication of records;

B. The process for public records requests, responses to public records requests; and fees and charges for records requests including procedures for billing and payment.

C. Appointment of Records Officers and Records Custodians. The head of each department shall designate a records officer, who shall be an employee at the administrative level, and inform the commission chairman in writing of such designation. The head of each department shall likewise designate a departmental records custodian, who shall be an employee at the administrative level, and inform the metropolitan clerk in writing of such designation. The records officer and records custodian may be the same person. The records officer and departmental records custodian shall be the primary facilitator(s) between the department and the staff of the records commission. The departmental records custodian

shall be responsible for ensuring that departmental public records requests are fulfilled in accordance with Tenn. Code Ann. Section 10-7-503(a)(2)(b);

D. The rules shall be applicable to all metro government departments. (Ord. BL2017-708 § 2, 2017; Ord. 97-845 § 1 (part), 1997)

2.140.060 Staff.

The metropolitan clerk or a designee thereof shall perform secretarial duties for the public records commission. (Amdt. 1 to Ord. BL2018-1292 § 2, 2018; Ord. BL2018-1292 § 2, 2018; Ord. 97-845 § 1 (part), 1997)

2.140.070 Retention, possession, and destruction of records transferred to metro archives.

A. Upon the transfer of possession of any record to the archives division of the Nashville Public Library, such records shall become the permanent property of and permanently retained by the archives division of the Nashville Public Library. The archivist, under the direction of the library director, shall have the authority to destroy originals of such records if such records have been converted to media of such quality which shall meet the minimum standards of the United States government or are judged by the archivist to lack historical or legal value as a permanent record. 2.144.010 Authority to use the name "metropolitan social services."

The metropolitan welfare commission of the metropolitan government is authorized to use the name "metropolitan social services," and to use such name in the performance of its functions and the transactions of its business. (Prior code § 2-1-101.4)

2.144.020 Nashville Davidson County Continuum of Care Homelessness Planning Council established—Membership.

A. The Nashville Davidson County Continuum of Care was established pursuant to federal regulations, including 24 C.F.R. Part 578, to create a collaborative, inclusive, community-based/inspired process and approach to planning and managing effective homeless assistance resources and programs to end homelessness in our community.

B. For the purpose of facilitating the process and approach of the Nashville Davidson County Continuum of Care, there is established the Nashville Davidson County Continuum of Care Homelessness Planning Council.

C. The Nashville Davidson County Continuum of Care Homelessness Planning Council shall be composed as follows:

1. Twenty-five voting members. Eight members shall be appointed by the metropolitan mayor. Fourteen members shall be elected by the full membership of the Nashville-Davidson County Continuum of Care in accordance with its Governance Charter. Five of the voting members shall have lived homelessness experience. Three members shall be either members of the metropolitan council or the metropolitan vice mayor, selected by the metropolitan vice mayor, who shall be non-voting members.

2. Designated advisors. Either upon request of the metropolitan mayor or the Nashville Davidson County Continuum of Care Homelessness Planning Council, the metropolitan mayor shall designate up to two advisors to assist the Nashville Davidson County Continuum of Care Homelessness Planning Council in carrying out its duties. The designated advisors shall be employees of departments of the metropolitan government that interact with individuals experiencing homelessness. These advisors are not permanent members of the Nashville Davidson County Continuum of Care Homelessness Planning Council and are not eligible to vote.

3. The initial slate of voting members shall be the existing voting members of the Metropolitan Homelessness Commission and the Nashville Davidson County Continuum of Care Governance Board. These members shall be divided into three classes, with terms expiring after one, two, and three years, respectively. Subsequent voting members shall serve three year terms. The number of members in each class shall be specified in the Nashville Davidson County Continuum of Care Governance Charter.

4. Attendance requirements. A regular and publicized meeting schedule of the Nashville Davidson County Continuum of Care Homelessness Planning Council shall be kept. The Nashville Davidson County Continuum of Care Charter shall have an attendance requirement for the governance board. All Nashville Davidson County Continuum of Care Homelessness Planning Council members shall comply with the attendance requirements specified in the Nashville Davidson County Continuum of Care Charter. If a voting member, appointed or selected, fails to meet the attendance requirements specified in the Nashville Davidson County Continuum of Care Charter, the Nashville Davidson County Continuum of Care Homelessness Planning Council may make recommendation to the metropolitan mayor to remove that member by two-thirds vote. The vacancy shall be filled in the same manner as the initial appointment.

D. The Nashville Davidson County Continuum of Care Homelessness Planning Council shall serve as an independent body and shall be empowered to make decisions and recommendations as the governance board for the Nashville-Davidson County Continuum of Care, as required by 24 C.F.R. Part 578.

E. The Metropolitan Homelessness Commission staff shall be known as the Metro Homeless Impact Division and shall be housed within the office of

homeless services. The Metro Homeless Impact Division shall provide staff and resources to assist the Nashville Davidson County Continuum of Care Homelessness Planning Council in carrying out the duties and responsibilities established by this chapter. (Ord. BL2024-582 § 3, 2024; Ord. BL2021-971 § 2, 2022; Ord. BL2018-1199 § 1, 2018; Ord. BL2014-777 § 1, 2014)

2.144.030 Duties and responsibilities of Nashville Davidson County Continuum of Care Homelessness Planning Council.

The Nashville Davidson County Continuum of Care Homelessness Planning Council shall have the following duties and responsibilities:

A. To implement a coordinated and focused approach to ending homelessness and to develop measurable objectives;

B. To fulfill all duties and responsibilities as the governance board for the Nashville Davidson County Continuum of Care, including compliance with 24 C.F.R. Part 578;

C. To hold regular meetings open to the public with published agendas;

D. To assure participation of all stakeholders, including persons experiencing homelessness;

E. To maintain accurate, current data on homeless populations; and

F. To educate the public, service providers, and other interested parties on issues related to homelessness. (Ord. BL2018-1199 § 2, 2018; Ord. BL2014-777 § 2, 2014)

2.144.040 [Association with government.]

The metropolitan homelessness commission is not and shall not be deemed to be a board or commission of the Metropolitan Government of Nashville and Davidson County. (Ord. BL2014-777 § 3, 2014)

2.144.050 Cold weather response annual plan.

The Metropolitan Social Services Commission shall adopt an annual plan detailing the provision of an overflow shelter for the homeless population in Nashville during cold weather. This annual plan shall include an assessment of the projected needs in Nashville for the upcoming year, as well as analysis and recommendations for metro's response and whether current funding will meet the projected needs. The annual plan shall be submitted to council by May 31 of each year. (Ord. BL2019-74 § 1, 2019)

2.149.030	**Purpose of the commission.**
2.149.040	**Powers and duties.**

2.149.010 Established.

There is created and established a commission to be legally known as the "Metropolitan Housing Trust Fund Commission," referred to in this chapter as the "commission." The Department of Finance and Department of Law shall provide support and assistance to the commission as necessary. (Ord. BL2013-487 § 4, 2013)

2.149.020 Membership and term of office.

The commission shall be composed of seven members, who shall serve as such without compensation. One member of the commission shall be designated by the board of the metropolitan development and housing agency. One member of the commission shall be a member of the council designated by the vice-mayor for a term of two years and shall be a non-voting member. In no event shall the term of the council member extend beyond the council term in which they were elected. One member shall be designated by the continuum of care homeless planning council. Two members shall be elected by a majority vote of the whole membership of the council. The remaining two members of the commission shall be appointed by the mayor and approved by the metropolitan council. Members, except for the member of council designated by the vice mayor, shall serve terms of five years each, provided that the first members appointed shall serve terms of one, two, three, four, and five years respectively. Any vacancy due to any cause shall be filled for the unexpired term by the same appointing authority as the vacant appointment. (Ord. BL2024-582 § 4, 2024; Ord. BL2022-1528 § 6, 2023; Ord. BL2013-487 § 4, 2013)

2.149.030 Purpose of the commission.

The purpose of the commission shall be as follows:

A. To promote the study and development of good quality affordable housing;

B. To support education about and creation and development of good quality affordable housing, both rental and ownership;

C. To help create rental housing, housing for the disabled, and long-term affordable homeownership opportunities for citizens of Davidson County;

D. To oversee the management and operation of the Barnes Fund for Affordable Housing (the Barnes Fund). (Ord. BL2013-487 § 4, 2013)

2.149.040 Powers and duties.

In order to carry out and facilitate the commission's general purposes and oversight of the Barnes Fund, the commission shall have authority to:

A. Enter into one or more contracts with nonprofit agencies, procured under the Metropolitan Procurement Code, to assist the commission in carrying out its duties and in management of the Barnes Fund;

B. Elect a chairman and such other officers as it may deem necessary to carry out the functions and duties of the commission;

C. Promulgate and maintain its own regulations and bylaws;

D. Conduct its affairs, to select advisory committees or panels of experts as necessary to assist in the discharge of its duties;

E. Solicit, accept, and receive gifts of funds, goods, and services donated to the commission and to the Barnes Fund;

F. Receive and expend any money allocated to the Barnes Fund by the metropolitan government or donated to the Barnes Fund for the purposes expressed in this chapter;

G. Make recommendations to the metropolitan council regarding the awarding of grants from the Barnes Fund, including funds appropriated yearly by the metropolitan council through the operating budget ordinance, to deserving nonprofit organizations and nonprofit civic organizations, or as otherwise authorized by state law, supporting the purposes of the commission. Criteria for the awarding of such funds shall be established by the commission. The criteria shall include setting aside at least twenty percent of such grants to be used for the creation and preservation of affordable housing or capacity building for organizations that create or preserve affordable housing to be awarded to small nonprofit organizations, provided that a sufficient number of qualified applications are received. For the purposes of this subsection, "small nonprofit organizations" means nonprofit organizations with an annual operating budget of no more than four million dollars and a housing budget of no more than one million dollars. The commission shall submit a recommendation to the metropolitan council for the appropriation of funds to deserving nonprofit organizations consistent with T.C.A. § 7-3-314, as it may hereafter be amended. Once funds

have been appropriated by the metropolitan council to the deserving nonprofit organization(s), the commission shall enter into a grant contract with each such organization. No such grant contract shall become effective without the approval of the metropolitan department of law and director of finance. In the event the recipient organization fails to complete its obligations under the grant contract within twenty-four months from execution, the commission shall be authorized to rescind the contract and to reclaim previously appropriated funds from the organization, subject to terms and conditions within the grant contract allowing for such.

H. Perform any additional functions authorized by state law and consistent with the purpose of the commission. (Ord. BL2023-1731 § 1, 2023; Amdt. 1 to Ord. 2021-725 § 1, 2021; Ord. 2021-725 § 1, 2021; Ord. BL2018-1439 § 1, 2019; Ord. BL2013-487 § 4, 2013)

A greenway and open space commission is established for Nashville and Davidson County, to be composed of the following members:

A. Eight persons appointed by the mayor, who shall serve without compensation, and who shall serve for terms of three years, except that, of the members first appointed, two shall serve for a term of one year, two shall serve for a term of two years, and three shall serve for a term of three years;

B. Two members of the metropolitan council, one of whom shall be selected by that body from its membership, and one at-large council member selected by the vice mayor. Such council members selected shall be non-voting members who serve for a term not to exceed two years, which terms shall begin within sixty days after council elections, and sixty days after the middle of the council term;

C. Seven employees of the metropolitan government, serving as nonvoting ex officio members, representing related departments, as follows:

1. The mayor or his designee;

2. The director of the parks department or his designee;

3. The director of the planning commission or his designee;

4. The director of the department of public works or his designee;

5. A member of the board of parks and recreation, to be designated by that body;

6. The director of the department of water and sewerage services or his designee; and

7. The director of the metropolitan development and housing agency or his designee. (Amdt. 1 to Ord. BL2025-1062 § 1, 2025; Ord. BL2025-1062 § 1, 2025; Ord. BL2024-582 § 5, 2024; Ord. BL2017-725 §§ 4—6, 2017; Ord. 93-787 § 1, 1993)

2.154.015 Staffing.

The department of parks and recreation shall provide such staffing and assistance to the commission as it may reasonably require. (Ord. BL2017-725 § 7, 2017)

2.154.020 Advisory committee.

An advisory committee shall be created to advise the greenway commission. This committee shall include one member from each councilmanic district, selected by the council member from that district, and such other persons as may be designated by the greenway commission. (Ord. 91-13 § 2, 1991)

2.154.030 Duties and responsibilities.

A. The greenway commission shall have the following duties and responsibilities:

1. To identify areas of the county which are appropriate for development of greenways;

2. To develop a long-range, comprehensive greenway plan for the county, which will link existing parks where feasible;

3. To develop criteria for use in selection and prioritizing of areas for the development of greenways;

4. To recommend, within the first year of the commission's existence, a pilot project which will demonstrate the values of greenways;

5. To identify funding sources for greenways and means of encouraging donation of land or easements for greenways; and

6. To involve citizens in the planning process to the maximum extent feasible;

7. To oversee the management and operation of the Conservation Assistance Grant Fund;

8. To solicit and evaluate applications for and make grants from the Conservation Assistance Grant Fund to facilitate the conservation and preservation of properties in Davidson County having important natural, cultural, or environmental characteristics, whether by acquisition of an interest therein by the metropolitan government or otherwise;

9. Subject to the approval of the metropolitan council by resolution, to obtain for and in the name of the metropolitan government by purchase or donation interests in real property having important natural, cultural, or environmental characteristics and worthy of conservation or preservation;

*__Editor's note—__Ord. BL2017-725, § 3, adopted June 20, 2017, renamed Ch. 2.154 to read as herein set out. Formerly, said chapter was entitled "Greenway Commission."

10. To conduct studies and make recommendations to the metropolitan council and departments as may be appropriate concerning the conservation and preservation of local properties; and

11. To promote public understanding of the benefits of conserving and preserving Davidson County's important natural, cultural, and environmental properties and public access to such properties.

B. The greenway commission is not and shall not be deemed to be a board or commission of the metropolitan government. (Ord. BL2017-725 § 8, 2017; Amdt. 1 to Ord. 91-13, 11/19/91; Ord. 91-13 § 3, 1991)

2.154.040 Additional authority.

In order to carry out and facilitate its general purposes, the commission shall have the authority to:

A. Enter into contracts procuring assistance for the commission in administering the Conservation Assistance Grant Fund and otherwise performing its duties, provided that any such contract be procured in accordance with Title 4 of the Metropolitan Code of Laws;

B. Elect a chairperson and such other officers as may be necessary to carry out its duties;

C. Promulgate bylaws and regulations for the efficient conduct of its business;

D. Solicit, accept, and receive unrestricted gifts of funds, goods, and services on behalf of the Conservation Assistance Grant Fund; provided, however, that a restricted gift or grant to the commission shall require the approval of the metropolitan council by resolution;

E. Receive and expend monies appropriated by the metropolitan council or donated to the Conservation Assistance Grant Fund for the purposes expressed in this chapter;

F. Establish criteria for and enter into contracts for the making of grants to nonprofit entities from the Conservation Assistance Grant Fund; and

G. Perform any additional functions authorized by state law or metropolitan ordinance consistent with the commission's purpose. (Ord. BL2017-725 § 9, 2017)

2.154.050 Grant agreements.

Grant agreements proposed to be entered into by the commission shall be subject to the approval of the metropolitan council by resolution. Where the commission will be the grantor, each grant agreement shall provide that the commission has the right to approve and enforce any contract for the conservation or preservation of property to which the grantee is a party and in connection with which the grant has been made. No metropolitan government bond proceeds shall be used in the making of any grant by the commission unless through such grant the metropolitan government acquires an interest in real property. (Ord. BL2017-725 § 10, 2017)

2.154.060 Reports to council.

Not later than December 31 of each year, the commission shall submit to the metropolitan council a report detailing the activities of the commission during that year, including a list of every entity that has received a grant from the commission, the property to which each grant applied, and a description of the characteristics of the property warranting conservation or preservation. (Ord. BL2017-725 § 11, 2017)

2.160.050 Powers and duties.

A. The powers, duties and responsibilities of the commission shall be to:

1. Oversee the operation of the community education program;

2. Approve the administrative contracts for the community education program, which includes the number of sites, locations, and the review of the budget at each site;

3. Establish rules and regulations governing the operation of the community education program;

4. Establish a fee structure for the classes offered through the community education program and approve the allocation of revenues among the various sites/programs; and

5. Employ an executive director.

B. In the performance of these powers, duties and responsibilities, the commission shall have the authority to:

1. Enter into a memorandum of understanding with the metropolitan board of public education for the use of board of education facilities;

2. Within its budget appropriation and other funds at its disposal, employ personnel and enter into contracts for such services as it may require;

3. Enter into agreements and receive such grants or assistance, or both, as may be available from the federal or state governments for the purposes for which the commission is established, and also to receive gifts or donations for such purposes.

C. Employees hired by the commission shall not be afforded civil service protection, but shall be in the unclassified service. (Ord. BL2009-501 § 3, 2009)

2.160.060 Executive director—Authority and qualifications.

A. There shall be created the position of executive director for the commission. The executive director shall be a non-civil service position and shall serve at the pleasure of the commission. The executive director shall be paid such compensation as shall be fixed by the commission within its budgeted appropriations.

B. The duties and responsibilities of the executive director shall be established by the commission, which shall include, but not be limited to:

1. Oversight and management of the budget of the organization;

2. The supervision of employees;

3. The management of the various community education sites;

4. Serve as a liaison to all community education stakeholders;

5. Provide regular reports to the commission and director of finance regarding the operation of the community education program, including statistical data regarding the number of participants for each program and the revenue generated. (Ord. BL2009-501 § 3, 2009)

2.176.010 District created—Boundary.

In accordance with the provisions of and established pursuant to Tennessee Code Annotated Section 7-84-501, et seq., there is hereby created a Gulch Central Business Improvement District (GCBID) which shall include all properties within that area of the city bounded and generally described as follows:

Beginning at the intersection of 13th Avenue South and Broadway, proceeding northeasterly along the southern boundary of Broadway to the northeastern corner of parcel 093-09-0-328.00, thence southeasterly along the western boundary of the CSX Railroad Right-of-Way to the intersection of Interstate 40 W, proceeding generally northwesterly along the eastern boundary of the Interstate 40 W right-of-way, back to the originating point of the intersection of 13th Avenue South and Broadway. (Ord. BL2015-67 § 1, 2016; Ord. BL2006-1123 § 1, 2006)

2.176.020 Purposes and mission.

A. The metropolitan council hereby finds and declares that the establishment of a GCBID will promote the successful and continued revitalization of the Gulch area of downtown Nashville, thereby furthering the health, safety, morals and general economic welfare of Metropolitan Nashville and Davidson County.

B. The purpose and mission of this GCBID is hereby declared to be:

To undertake and provide an enhanced level of programs and services not provided by the metropolitan government which will help maintain the Gulch area of downtown Nashville as a clean, safe and vibrant place to work, live, shop, play and invest. (Ord. BL2015-67 § 1, 2016; Ord. BL2006-1123 § 1, 2006)

2.176.030 Liberal construction.

This ordinance, being necessary to secure and preserve the public health, safety, convenience and welfare, shall be liberally construed to effectuate its purposes. (Ord. BL2015-67 § 1, 2016; Ord. BL2006-1123 § 1, 2006)

2.176.040 Definitions.

A. As used in this ordinance, unless a contrary meaning clearly appears:

1. "Assessed value" means value as assessed for municipal tax purposes.

2. "District" or "Gulch Central Business Improvement District" or "GCBID" means the central business improvement district created by this ordinance.

3. "District management corporation" means the board or organization created or the organization appointed to act as an advisory board for the purpose of making and carrying out recommendations for the use of special assessment revenues, and for the purpose of administering activities within and for the district and the provision of services and projects within and for the district.

4. "Initiating petition" means the petition filed in the office of the metropolitan clerk requesting the establishment of the GCBID.

5. "Owner" means the record owner of real property in fee or a representative of such owner duly authorized to act for and on behalf of said owner. (Ord. BL2015-67 § 1, 2016; Ord. BL2006-1123 § 1, 2006)

2.176.050 District management corporation.

A. There is hereby authorized a district management corporation to be chartered pursuant to the provisions of the Nonprofit Corporation Act of Tennessee for the purpose of administering the special assessment revenues and the activities within and for the district, the making of improvements within and for the district, and the provision of services and projects within and for the district.

B. The district management corporation shall be governed by a board of directors consisting of at least eight members, but no more than thirteen members. At least three members shall be appointed as provided in sub-section C below. All members shall be property owners or have offices within the district. At least two of these members shall be large property owners, at least two shall be small property owners, as defined in the Amended and Restated Bylaws of The Gulch Business Improvement District, Inc., at least one of the members shall be a commercial tenant and at least one of the members shall be the owner-occupant of a residence in

the district. Board members serve a three-year term. At the end of the terms, these seats shall then be filled at an annual meeting upon nomination by the outgoing board members and confirmation by a majority of the owners of real property in the district voting in the election. A property owner may vote by proxy vote. The executive director of the metropolitan development and housing agency shall serve a recurring term as a voting member.

C. The Speaker of the Senate of the State of Tennessee shall appoint the senator whose senate district includes the majority of the area contained within the GCBID to serve as an ex officio member, and the Speaker of the House of Representatives of the State of Tennessee shall appoint the representative whose house district includes the majority of the area contained with the GCBID as an ex officio member. In addition, any member of council whose council district includes any of the area contained within the GCBID shall serve as an ex officio member. The ex officio members shall serve for the term for which they are elected and shall not be counted in determining the presence of a quorum.

D. Vacancies on the board for elected members shall be filled by the remaining board members present and voting to fill the vacancy. (Ord. BL2015-67 § 1, 2016; Ord. BL2006-1123 § 1, 2006)

2.176.060 District management corporation powers.

A. In furtherance and not in limitation of the general powers conferred upon a CBID by Chapter 84 of Title 7 of the Tennessee Code Annotated, and in keeping with the purposes of the GCBID set forth herein, it is expressly provided that the district management corporation shall have the following powers which shall be exercised at the discretion of the district management corporation acting through its board of directors, as follows:

1. Expanded maintenance and cleaning services, enhanced safety and hospitality services;

2. Additional streetscape and landscape programs;

3. Communication and marketing, district advocacy and district management;

4. To provide services for the improvement and operation of the district, to supplement those provided by the metropolitan government, as follows:

a. Promotion and marketing;

b. Advertising;

c. Health and sanitation;

d. Public safety;

e. Elimination of problems related to traffic and parking;

f. Security services;

g. Recreation;

h. Cultural enhancements;

i. Activities in support of business or residential recruitment, retention and management development;

j. Aesthetic improvements, including the decoration, restoration or renovation of any public space or of building facades and exteriors in public view which confer a public benefit;.

k. Professional management, planning and promotion of the district;

l. Consulting with respect to planning, management, and development activities;

m. Furnishing of music in any public place;

n. Design assistance; and

o. Such other services as are authorized by Tennessee Code Annotated, Section 7-84-520.

5. To enter into contracts and agreements with other persons or entities.

6. To hire employees or retain agents, engineers, architects, planners, consultants, attorneys and accountants.

7. To acquire, construct, install and operate public improvements contemplated by this Ordinance and all property rights or interests incidental or appurtenant thereto, and to dispose of real and personal property and any interest therein including leases and easements in connection therewith.

8. To manage, control and supervise:

a. All the business and affairs of the district;

b. The acquisition, construction and installation and operation of public improvements within the district;

c. The operation of district services therein.

9. To construct and install improvements across and along any public street, alley, highway, stream of water or water course in accordance with state and local laws, rules or regulations.

10. To construct and operate child care facilities.

11. To accept, administer and comply with the conditions and requirements respecting any appropriation of funds or any gift, grant or donation of property or money to the Gulch Central Business Improvement District; and

12. To exercise all rights and powers necessary or incidental to or implied from the specific powers granted in this section.

B. All services to the district listed above shall be provided by the district management corporation as a service to and in support of the metropolitan government and such services are to be paid for out of revenues from the special assessment. Revenues from special assessments shall be used to supplement and not to pay for the same level of services provided by the metropolitan government within the district as are provided throughout the urban services district. In no event will the level of

urban services provided to the district be decreased as a result of the enhanced level of services provided through the special assessment revenues; provided, however, the level of urban services may be decreased for other reasons. In carrying out these responsibilities, the district management corporation must comply with all applicable provisions of law, including Chapter 84 of Title 7 of Tennessee Code Annotated, all city resolutions and ordinances, and all regulations lawfully imposed by the state auditor or other state agencies. (Amdt. 1 to Ord. BL2015-67 § 1, 2016; Ord. BL2015-67 § 1, 2016; Ord. BL2006-1123 § 1, 2006)

2.176.070 Annual budget.

The district management corporation shall annually submit to the metropolitan council a financial report and a written report of its activities for the preceding year together with a proposed budget for the next year. The annual budget shall include a projection of revenues from the special assessment and a projection of expenditures for projects, services and activities of the district management corporation and shall be reviewed and approved by the metropolitan council, or if not approved shall be returned to the board of directors for revision and resubmission until the metropolitan council shall approve the annual budget. (Ord. BL2015-67 § 1, 2016; Ord. BL2006-1123 § 1, 2006)

2.176.080 Estimated costs and rate of levy; special assessment procedure.

A. The estimated costs of the initially proposed improvements, services projects and other permitted uses of special assessment revenues is four hundred eighty thousand dollars.

B. The initial rate of levy of the special assessment for the GCBID shall be a rate of assessment not exceeding eighteen cents per one hundred dollars of assessed value of real property for calendar year 2017, and shall be $0.1081 per one hundred dollars of assessed value for the 2017 metro tax billing to fund the 2018 GCBID budget of four hundred eighty-two thousand dollars. Such rate of levy shall continue in force until changed by the metropolitan council in accordance herewith. A change in the rate of levy of such special assessment may be initiated only by a resolution of the District Management Corporation requesting that the rate be changed. Upon receipt of this resolution from the District Management Corporation, the metropolitan council must hold a public hearing on whether there should be a change in the rate of levy for the special assessment.

C. Beginning in 2016, special assessments shall be levied against all taxable real property within the GCBID pursuant to a special assessment roll of all owners of real property within the district as shown in the records of the Assessor of Property for the Metropolitan Government of Nashville and Davidson County, including owners of leaseholds on property owned by the Industrial Development Board of the Metropolitan Government of Nashville and Davidson County.

D. Notice of the special assessment shall be issued simultaneously with tax notices for regular Metropolitan Nashville real property taxes, and revenues from the special assessment shall be collected by the metropolitan trustee and placed into a segregated account subject to the direction of the metropolitan council and the district management corporation to the extent it is empowered by this ordinance.

E. Special assessments shall be imposed and collected annually as set forth hereinabove and changes in the rate or additions to the rate of the special assessment may be made only on an annual basis and only in accordance with the procedure set forth in Section 2.176.080 B.

F. Penalty and interest in the amount permitted by state law shall be added to any such assessment or installment thereof not paid on or before the date prescribed by the Metropolitan Government of Nashville and Davidson County. (Ord. BL2017-787 § 1, 2017; Amdt. 1 to Ord. BL2015-67 § 1, 2016; Ord. BL2015-67 § 1, 2016; Ord. BL2008-213 § 1, 2008; Amdt. 1 to Ord. BL2006-1123 § 1, 2006; Ord. BL2006-1123 § 1, 2006)

2.176.090 Dissolution of the district management corporation.

A. The district shall be dissolved without further action by the district management corporation or the metropolitan council on December 31, 2026. However, the district shall not be dissolved if, prior to that date the metropolitan council, by ordinance, determines that the district should be continued and a petition that satisfies the requirements of the Central Business Improvement Act, T.C.A. Section 7-84-501 et seq. is filed requesting that the district be continued.

B. The metropolitan council may dissolve the district upon receipt of a written petition filed either: (a) by the owners of seventy-five percent of the assessed value of the taxable real property in the district based on the most recent certified city property tax rolls; or (b) by fifty percent of the owners of record within the district.

C. The district may not be dissolved if the metropolitan government has outstanding any bonds, notes or other obligations payable solely from the special assessment revenues levied on the real property

within the district, in which case such dissolution may occur only at such time as such bonded indebtedness has been repaid in full or the metropolitan government pledges to the payment of such indebtedness its full faith and credit and unlimited taxing power. Upon dissolution of the district, any unencumbered assessment proceeds remaining under the control of the district shall be disbursed to the owners of district real property pro rata, based upon the amounts of the respective assessments. 2.177.020 Purposes and mission.

A. The metropolitan council hereby finds and declares that the establishment of the Downtown CBID will promote the successful and continued revitalization of downtown Nashville, thereby furthering the health, safety, morals, and general economic welfare of Metropolitan Nashville and Davidson County.

B. The purpose and mission of this CBID is hereby declared to be:

To undertake and provide an enhanced level of programs and services not provided by the metropolitan government which will help maintain the CBID area of downtown Nashville as a clean, safe, and vibrant place to work, live, shop, play, and invest. (Ord. BL2025-846 § 1, 2025)

2.177.030 Liberal construction.

This ordinance, being necessary to secure and preserve the public health, safety, convenience and welfare, shall be liberally construed to effectuate its purposes. (Ord. BL2025-846 § 1, 2025)

2.177.040 Definitions.

A. As used in this ordinance, unless a contrary meaning clearly appears:

1. "Assessed value" means value as assessed for municipal tax purposes.

2. "District" or "Downtown Central Business Improvement District" or "Downtown CBID" means the central business improvement district created by this ordinance.

3. "District Management Corporation" means the board or organization created or the organization appointed to act as an advisory board for the purpose of making and carrying out recommendations for the use of special assessment revenues, and for the purpose of administering activities within and for the district and the provision of services and projects within and for the district.

4. "Owner" means the record owner of real property in fee or a representative of such owner duly authorized to act for and on behalf of said owner. (Ord. BL2025-846 § 1, 2025)

2.177.050 District management corporation.

A. There is hereby authorized a District Management Corporation to be chartered pursuant to the provisions of the Nonprofit Corporation Act of Tennessee for the purpose of administering the special assessment revenues and the activities within and for the Downtown CBID, the making of improvements within and for the Downtown CBID, and the provision of services and projects within and for the Downtown CBID.

B. The district management corporation shall be governed by a board of directors consisting of at least fifteen members but no more than twenty members. Three members shall be appointed as provided in subsection C below. The Mayor of the Metropolitan Government of Nashville and Davidson County shall appoint a member for a three-year term, after which the board will request that the mayor renew the three-year appointment. The board of directors shall select the remaining members to serve staggered, three-year terms, limited to serving two consecutive full terms. Members selected by the board of directors or appointed by the mayor shall be subject to confirmation by the metropolitan council.

1. From and after the effective date of this section, fifteen members shall either be property owners or have offices within the district. At least three of these fifteen members shall be large property owners (defined as owners of major hotel properties or commercial office buildings in the district), and at least three shall be small property owners (defined as owners of commercial properties other than major hotels or office buildings in the district). Additionally, at least two members shall be commercial tenants (defined as any lessees of commercial property within the district), and at least two members shall be residential condominium owners who reside in the district.

2. From and after January 1, 2027, four members shall be property owners or have offices within the areas described in section 2.177.010.C. One member shall be large property owner (defined as an owner of a major hotel property or commercial office building in the district), one member shall be small property owner (defined as an owner of commercial property other than major hotel or office buildings in the district), one member shall be a commercial tenant (defined as any

lessee of commercial property within the district), and one member shall be a member at large from within the boundaries.

3. The seats created by this subsection B. shall be filled at an annual meeting upon nomination by the outgoing board members and confirmation by a majority of the owners of real property in the district voting in the election. A property owner may vote by proxy vote.

C. The Speaker of the Senate of the State of Tennessee shall appoint the senator whose senate district includes the majority of the area contained within the Downtown CBID to serve as an ex officio member and the Speaker of the House of Representatives of the State of Tennessee shall appoint the representative whose house district includes the majority of the area contained within the Downtown CBID as an ex officio member. The ex officio members shall serve for the term for which they are elected and shall not be counted in determining the presence of a quorum.

D. Any member(s) of the Council of the Metropolitan Government of Nashville and Davidson County whose council district(s) includes any of the area contained within the CBID shall serve as an ex officio member.

E. Vacancies on the board for elected members shall be filled by the remaining board members present and voting to fill the vacancy. (Amdt. 2 to Ord. BL2025-846 § 1, 2025;Ord. BL2025-846 § 1, 2025)

2.177.060 District management corporation powers.

A. In furtherance and not in limitation of the general powers conferred upon a CBID by Chapter 84 of Title 7 of the Tennessee Code Annotated, and in keeping with the purposes of the CBID set forth herein, it is expressly provided that the district management corporation shall have the following powers which shall be exercised at the discretion of the district management corporation acting through its board of directors, as follows:

1. Maintenance and cleaning services;

2. Safety and hospitality services;

3. Streetscape and landscape programs;

4. Communications and marketing, district advocacy, and district management;

5. To provide services for the improvement and operation of the district, to supplement those provided by the metropolitan government, as follows:

a. Promotion and marketing;

b. Advertising;

c. Health and sanitation;

d. Public safety;

e. Elimination of problems related to traffic and parking;

f. Security services;

g. Recreation;

h. Cultural enhancements;

i. Activities in support of business or residential recruitment, retention, and management development;

j. Aesthetic improvements, including the decoration, restoration, or renovation of any public space or of building facades and exteriors in public view which confer a public benefit;

k. Professional management, planning, and promotion of the district;

l. Consulting with respect to planning, management, and development activities;

m. Furnishing of music in any public place;

n. Design assistance; and

o. Such other services as are authorized by Tennessee Code Annotated § 7-84-520.

6. To enter into contracts and agreements with other persons or entities.

7. To hire employees or retain agents, engineers, architects, planners, consultants, attorneys, and accountants.

8. To acquire, construct, install, and operate public improvements contemplated by this Ordinance and all property rights or interests incidental or appurtenant thereto, and to dispose of real and personal property and any interest therein including leases and easements in connection therewith.

9. To manage, control, and supervise:

a. All the business and affairs of the district.

b. The acquisition, construction, and installation and operation of public improvements within the district;

c. The operation of district services therein.

10. To construct and install improvements across and along any public street, alley, highway, stream of water, or water course in accordance with state and local laws, rules, or regulations.

11. To construct and operate childcare facilities.

12. To accept, administer, and comply with the conditions and requirements respecting any appropriation of funds or any gift, grant or donation of property or money to the Central Business Improvement District; and

13. To exercise all rights and powers necessary or incidental to or implied from the specific powers granted in this section.

B. All services to the district listed above shall be provided by the district management corporation as a service to and in support of the metropolitan government and such services are to be paid for out of revenues from the special assessment. Revenues from special assessments shall be used to supplement and not to pay for the same level of services provided by the metropolitan

government within the district as are provided throughout the urban services district. In no event will the level of urban services provided to the district be decreased as a result of the enhanced level of services provided through the special assessment revenues; provided, however, the level of urban services may be decreased for other reasons. In carrying out these responsibilities, the district management corporation must comply with all applicable provisions of laws, including Chapter 84 of Title 7 of Tennessee Code Annotated, all city resolutions and ordinances and all regulations lawfully imposed by the state auditor or other state agencies. (Ord. BL2025-846 § 1, 2025)

2.177.062 District annual reporting.

The district management corporation of the Downtown CBID shall be required to prepare and submit an annual Human Rights and Public Safety Report to the metropolitan council. The report should be submitted no later than March 31 of each calendar year, documenting interactions between private security personnel contracted by or affiliated with the district management corporation and individuals experiencing homelessness within the geographic boundaries of the District. The district management corporation must also present the annual report to the public health and safety committee no later than April 30.

The report shall include, but is not limited to, the following components:

1. Quantitative Data:

a. Total number of documented interactions between CBID-affiliated security officers and unhoused individuals.

b. Number of incidents resulting in use of force, detainment, or law enforcement referral.

c. Number of complaints or grievances filed against CBID-affiliated security personnel involving individuals experiencing homelessness.

d. Number of reported injuries or medical responses following security interactions.

e. Number of referrals made to social services or outreach teams.

f. Number and types of trespass warnings or exclusions issued to unhoused individuals.

2. Qualitative Data:

a. Summary of the security company's use-of-force policy, de-escalation training, and homeless engagement protocols.

b. Summary of disciplinary actions taken in response to misconduct complaints, if any.

c. Case studies or narratives describing representative interactions, both positive and negative.

d. Description of training provided to security personnel regarding the humane treatment of homeless individuals, trauma-informed care, or mental health crises.

e. Summary of any community engagement efforts or public forums held to address safety and rights concerns.

This report shall be made publicly available and posted on the district management corporation website. (Amdt. 4 to Ord. BL2025-846 § 1, 2025)

2.177.064 District grievance procedures.

To ensure accountability, transparency, and protection of individual rights in all interactions between private security personnel affiliated with the Downtown CBID and members of the public, the district management corporation shall establish internal procedures to process grievances by the public. The procedures should include a grievance form publicly available on the district management corporation website that can be submitted in writing or online and may be submitted anonymously. The procedures should require maintaining detailed records of any grievance and the resolution of the grievance. All grievances shall be publicly available. The district management corporation shall be required to report to the metropolitan council the grievance procedures that are established pursuant to the section no later than four months after the enactment of this section. (Amdt. 5 to Ord. BL2025-846 § 1, 2025)

2.177.070 Annual budget.

A. The district management corporation shall annually, on or before April 15, submit to the metropolitan council a financial report and a written report of its activities for the preceding year together with a proposed budget for the next year. The annual budget shall include a projection of revenues from the special assessment and a projection of expenditures for projects, services and activities of the district management corporation and shall be reviewed and approved by the metropolitan council, or if not approved shall be returned to the board of directors for revision and resubmission until the metropolitan council shall approve the annual budget.

B. The district management corporation shall report no less than quarterly to the Tourism and Convention Commission and Metro Finance Department on financial sources and uses of all fees and assessments, including funds resulting from management, operation, or other use of Metro public assets, including but not limited to Metro parking garages. (Amdts. 1 and 3 to Ord. BL2025-846 § 1, 2025; Ord. BL2025-846 § 1, 2025)

2.177.080 Estimated costs and rate of levy; special assessment procedure.

A. The estimated cost of the initially proposed improvements, services projects and other permitted uses of special assessment revenues is $8,014,963.

B. The initial rate of levy of the special assessment for the Downtown CBID, based on December 31, 2024, records of the metropolitan assessor of property, shall be $0.001294 per dollar of assessed property value. Such rate of levy shall continue in force until changed by the metropolitan council in accordance herewith. A change in the rate of levy of such special assessment may be initiated only by a resolution from the district management corporation. Upon receipt of this resolution from the district management corporation, the metropolitan council must hold a public hearing on whether there should be a change in the rate of levy for the special assessment, and no such change shall become effective unless and until it is approved by an ordinance enacted by the metropolitan council.

C. Beginning in 2025, special assessments shall be levied against all taxable real property within the Downtown CBID pursuant to a special assessment roll of all owners of real property within the district as shown in the records of the Assessor of Property for the Metropolitan Government of Nashville and Davidson County, including owners of leaseholds on property owned by the Industrial Development Board of the Metropolitan Government of Nashville and Davidson County.

D. Notice of the special assessment shall be issued simultaneously with tax notices for regular Metropolitan Nashville real property taxes, and revenues from the special assessment shall be collected by the metropolitan management corporation to the extent it is empowered by this ordinance.

E. Special assessments shall be imposed and collected annually as set forth hereinabove and changes in the rate or additions to the rate of the special assessment may be made only on an annual basis and only in accordance with the procedure set forth in section 2.177.080(B).

F. Penalty and interest in the amount permitted by state law shall be added to any such assessment or installment thereof not paid on or before the date prescribed by the Metropolitan Government of Nashville and Davidson County. (Ord. BL2025-846 § 1, 2025)

2.177.090 Dissolution of the district management corporation.

The metropolitan council may dissolve the Downtown CBID upon receipt of a written petition filed either: (a) by the owners of seventy-five percent of the assessed value of the taxable real property in the Downtown CBID based on the most recent certified city property tax rolls; or (b) by fifty percent of the owners of record within the Downtown CBID.

The Downtown CBID may not be dissolved if the metropolitan government has outstanding any bonds, notes, or other obligations payable solely from the special assessment revenues levied on the real property within the Downtown CBID in which case such dissolution may occur only at such time as such bonded indebtedness has been repaid in full or the metropolitan government pledges to the payment of such indebtedness its full faith and credit and unlimited taxing power. Upon dissolution of the Downtown CBID, any unencumbered assessment proceeds remaining under the control of the Downtown CBID shall be disbursed to the owners of the Downtown CBID real property pro rata based upon the amounts of the respective assessments. d. Public safety;

e. Elimination of problems related to traffic and parking;

f. Security services;

g. Recreation;

h. Cultural enhancements;

i. Activities in support of business or residential recruitment or retention;

j. Aesthetic improvements;

k. Professional management, planning and promotion of the district;

l. Consulting with respect to planning, management and development activities;

m. Furnishing of music at any public place;

n. Design assistance; and

o. Such other services as authorized by Tenn. Code Ann. § 7-84-520.

5. To enter into contracts and agreements with other persons or entities;

6. To hire employees or retain agents, engineers, architects, planners, consultants, attorneys and accountants;

7. To acquire, construct, install and operate public improvements contemplated by this ordinance and all property rights or interests incidental or appurtenant thereto, and to dispose of all real and personal property and any interest therein including leases and easements in connection therewith;

8. To manage, control and supervise:

a. All the business and affairs of the district;

b. The acquisition, construction and installation and operation of public improvements within the district; and,

c. The operation of district services therein.

9. To the extent permitted by law, to borrow money and issue bonds, notes or other obligations for the purpose of paying the costs of public improvements made pursuant to the establishment ordinance, or the refunding or refinancing of any such bonds, notes or other obligations issued pursuant to the authority in Tenn. Code Ann. § 7-84-518.

10. To construct and install improvements across and along any public street, alley, highway, stream of water or water course in accordance with state and local laws, rules or regulations; and,

11. To exercise all rights and powers necessary or incidental to or implied from the specific powers granted herein or those granted in Tenn. Code Ann. § 7-84-520.

B. All services to the district listed above shall be provided by the district management corporation as a service to and in support of the metropolitan government and such services are to be paid for out of the revenues from the special assessment. Revenues from special assessments shall be used to supplement and not to pay for the same level of services provided by the metropolitan government within the district as are provided throughout the general services district. In no event will the level of services provided to the district be decreased as a result of the enhanced level of services.

C. Initial improvements: The following improvement programs are examples of work authorized to be undertaken within the district during its first year of operation:

1. Completion of Cane Ridge Parkway and construction of IKEA Parkway and Century Farms Parkway;

2. Provide complete engineering plans to Metro/TDOT for improvements to Exit 60 of Interstate I-24 and construction of the roadways identified above;

3. Improvements to Cane Ride Road; and,

4. Relocating 4 NES circuits. (Ord. BL2018-1140 § 1, 2018)

2.178.070 Annual budget.

The district management corporation shall annually submit to the metropolitan council a financial report and a written report of its activities for the preceding year together with a proposed budget for the next year. The annual budget shall include a projection of revenues from the special assessment and a projection of expenditures for projects, services and activities of the district management corporation and shall be reviewed and approved by the metropolitan council, or if not approved shall be returned to the board for revision and resubmission until the council shall approve the annual budget. (Ord. BL2018-1140 § 1, 2018)

2.178.080 Estimated costs and rate of levy; special assessment procedure.

A. The estimated costs of the initially proposed improvements, services and projects are approximately $10.948 million during the first year and $28.5 million over the 20-year term.

B. The rate of levy of the special assessment for the SONA CBID shall be increased, from the previously established rate, to $1.00 per $100.00 of assessed value of real property beginning in calendar year 2019. Such rate of levy shall continue in full force until changed by the metropolitan council in accordance herewith and no change shall occur if debt is secured with the special assessment revenue. A change in the rate of levy may be initiated only by a resolution of the district management corporation requesting that the rate be changed. Further, this rate must be approved in an election held by the district management corporation by not less than a majority in number of owners of real property in the district voting in said election. In addition, the assessed value of the property in the district owned by all of the persons voting affirmatively must equal or exceed at least two-thirds of the assessed value of the property in the district owned by all of the persons voting. Upon receipt of this resolution from the district management corporation, the metropolitan council must hold a public hearing on whether there should be a change in the rate of levy for the special assessment.

C. Beginning in 2018, special assessments shall be levied against all taxable real property within the SONA CBID pursuant to a special assessment roll of all owners of real property within the district as shown in the records of the Assessor of Property for the Metropolitan Government of Nashville and Davidson County.

D. Notice of the special assessment shall be issued simultaneously with tax notices for regular Metropolitan Nashville real property taxes, and revenues from special assessment shall be collected by the metropolitan trustee and placed into a segregated account subject to the direction of the council and the district management corporation.

E. Special assessments shall be imposed and collected annually as set forth hereinabove. Changes in the rate or additions to the rate for the assessment may be made only annually pursuant to the process referenced in Section 2.178.080(B).

F. Penalty and interest in the amount permitted by state law shall be added to any such assessment or installment thereof not paid on or before the date prescribed by the Metropolitan Government of Nashville and Davidson County. (Ord. BL2019-1800 § 1, 2019; Ord. BL2018-1140 § 1, 2018)

2.178.090 Dissolution of the district management corporation.

The district shall be dissolved without further action from the metropolitan council on December 31, 2037 assuming there is no outstanding debt, bonds, notes or other obligations payable solely by special assessment revenue levied on real property within the district. However, the district shall not be dissolved if there is outstanding debt or if prior to that date the metropolitan council by ordinance determines that the district should be continued and a petition that satisfies the requirements of the Central Business Improvement Act, Tenn. Code Ann. § 7-84-501 et seq. is filed requesting that the district continue. Upon dissolution of the district, any unencumbered assessment proceeds remaining under the control of the district shall be disbursed to the owners of district real property pro rata based upon the amounts of the respective assessments.

The metropolitan council may dissolve the SONA CBID upon receipt of a written petition filed by the owners of either seventy-five percent of the assessed value of the property in the district based on the most recent certified city property tax rolls or fifty percent of the owners of record within the district. (Ord. BL2018-1140 § 1, 2018)

2.179.030 Purposes and mission.

A. The metropolitan council hereby finds and declares that the establishment of the MBID will promote the successful and continued revitalization of the midtown area of Nashville, thereby furthering the health, safety, morals, and general economic welfare of Metropolitan Nashville and Davidson County.

B. The purpose and mission of the MBID is hereby declared to be: To undertake and provide an enhanced level of programs and services not provided by the metropolitan government which will help maintain the MBID area of Nashville as a clean, safe, and vibrant place to work, live, shop, play, and invest. (Ord. BL2025-1113 § 1, 2025)

2.179.040 Liberal construction.

This ordinance, being necessary to secure and preserve the public health, safety, convenience and welfare, shall be liberally construed to effectuate its purposes. (Ord. BL2025-1113 § 1, 2025)

2.179.050 District management corporation.

A. There is hereby authorized a district management corporation to be chartered pursuant to the provisions of the Nonprofit Corporation Act of Tennessee for the purpose of administering the special assessment revenues and the activities within and for the MBID, the making of improvements within and for the MBID, and the provision of services and projects within and for the MBID.

B. The district management corporation shall be governed by a board of directors consisting of not fewer than eleven and not more than twenty-one members. The exact number of members and the required quorum for meetings will be determined by the district management corporation bylaws. The members of the board shall serve staggered terms of not to exceed four years as determined by the board through the district management corporation bylaws, and shall be limited to two consecutive terms.

C. The Speaker of the Senate of the State of Tennessee shall appoint the senator whose senate district includes the majority of the area contained within the MBID to serve as an ex officio member and the Speaker of the House of Representatives of the State of Tennessee shall appoint the representative whose house district includes the majority of the area contained within the MBID as an ex officio member. Any member(s) of the metropolitan council whose council district(s) includes any of the area contained within the MBID shall also serve as an ex officio member. The ex officio members shall serve for the term for which they are elected and shall not be counted in determining the presence of a quorum.

D. At least one member must be representative of each of the following categories: one member shall be large property owner (defined as an owner of a major hotel property or commercial office building in the district), one member shall be small property owner (defined as an owner of commercial property other than major hotel or office buildings in the district), one member shall be a commercial tenant (defined as any lessee of commercial property within the district), one member shall be a resident property owner of the district, and one member shall be a residential tenant within the district.

E. A slate of initial members of the board shall be submitted by the midtown business improvement district steering committee for ratification by the owners of property present and voting at the initial annual meeting of the district management corporation.

F. Vacancies on the board due to resignation, other than for ex officio members, shall be filled by the remaining board members present and voting at the meeting at which the vacancies are to be filled. In the event of vacancies as a result of the expiration of terms, the board shall submit a slate of members to fill the vacancies for ratification at the annual meeting of the district management corporation. At the expiration of a term, a board member shall holdover as a member of the board until the vacancy is filled in accordance with this section.

G. Notwithstanding any provision in this chapter to the contrary, all members selected to the board of directors shall be subject to confirmation by the metropolitan council. Notice of the selection shall be provided in writing to the metropolitan clerk. If the

metropolitan council fails to act on a confirmation within sixty days of notice of the selection, the member shall be conclusively presumed approved by the metropolitan council. (Amdt. 1 to Ord. BL2025-1113 § 1, 2025; Ord. BL2025-1113 § 1, 2025)

2.179.060 District management corporation powers.

A. In furtherance and not in limitation of the general powers conferred upon a central business improvement district by Chapter 84 of Title 7 of the Tennessee Code Annotated, and in keeping with the purposes of the MBID set forth herein, it is expressly provided that the district management corporation shall have the following powers which shall be exercised at the discretion of the district management corporation acting through its board of directors, as follows:

1. Maintenance and cleaning services;

2. Safety and hospitality services;

3. Streetscape and landscape programs;

4. Communications and marketing, district advocacy, and district management;

5. To provide services for the improvement and operation of the district, to supplement those provided by the metropolitan government, as follows:

a. Promotion and marketing;

b. Advertising;

c. Health and sanitation;

d. Public safety;

e. Elimination of problems related to traffic and parking, taking into consideration the stated multimodal transportation goals and mission of the metropolitan government;

f. Security services, provided that such services only be provided by:

i. Unarmed safety ambassadors employed by the district management corporation,

ii. Extra-duty metropolitan police officers contracted through Section 2.44.210 of the metropolitan code of laws,

iii. Persons who have been issued a special police commission pursuant to Section 2.44.090 and Section 2.44.100 of the metropolitan code of laws, or

iv. Any other contract security company approved by resolution of the metropolitan council.

g. Recreation;

h. Cultural enhancements;

i. Activities in support of business or residential recruitment, retention, and management development;

j. Aesthetic improvements, including the decoration, restoration, or renovation of any public space or of building facades and exteriors in public view which confer a public benefit;

k. Professional management, planning, and promotion of the district;

l. Consulting with respect to planning, management, and development activities;

m. Furnishing of music in any public place;

n. Design assistance; and

o. Such other services as are authorized by Tennessee Code Annotated § 7-84-520.

6. To enter into contracts and agreements with other persons or entities.

7. To hire employees or retain agents, engineers, architects, planners, consultants, attorneys, and accountants.

8. To acquire, construct, install, and operate public improvements contemplated by this chapter and all property rights or interests incidental or appurtenant thereto, and to dispose of real and personal property and any interest therein including leases and easements in connection therewith.

9. To manage, control, and supervise:

a. All the business and affairs of the district.

b. The acquisition, construction, and installation and operation of public improvements within the district;

c. The operation of district services therein.

10. To construct and install improvements across and along any public street, alley, highway, stream of water, or water course in accordance with state and local laws, rules, or regulations.

11. To accept, administer, and comply with the conditions and requirements respecting any appropriation of funds or any gift, grant or donation of property or money to the MBID; and

12. To exercise all rights and powers necessary or incidental to or implied from the specific powers granted in this section.

B. All services to the district listed above shall be provided by the district management corporation as a service to and in support of the metropolitan government and such services are to be paid for out of revenues from the special assessment. Revenues from special assessments shall be used to supplement and not to pay for the same level of services provided by the metropolitan government within the district as are provided throughout the urban services district. In no event will the level of urban services provided to the district be decreased as a result of the enhanced level of services provided through the special assessment revenues; provided, however, the level of urban services may be decreased for other reasons. In carrying out these responsibilities, the district management corporation must comply with all applicable provisions of laws, including Chapter 84 of Title 7 of Tennessee Code Annotated, all city resolutions and ordinances and all regulations lawfully imposed by the

state auditor or other state agencies. (Amdt. 1 to Ord. BL2025-1113 § 1, 2025; Ord. BL2025-1113 § 1, 2025)

2.179.070 Annual budget.

A. The district management corporation shall annually, on or before April 15, submit to the metropolitan council a financial report and a written report of its activities for the preceding year together with a proposed budget for the next year. The annual budget shall include a projection of revenues from the special assessment and a projection of expenditures for projects, services and activities of the district management corporation and shall be reviewed and approved by the metropolitan council by resolution, or if not approved shall be returned to the board of directors for revision and resubmission until the metropolitan council shall approve the annual budget. If no action is taken by the metropolitan council within sixty days of submission, the annual budget shall be deemed approved. The review by the metropolitan council of the annual budget shall not prevent the district management corporation from continuing its operations under its existing budget. In no event shall any disapproval of the annual budget delay or prevent the levy, collection, and appropriation of the special assessments by the metropolitan government.

B. The district management corporation shall report no less than quarterly to the budget and finance committee of the metropolitan council and metropolitan government finance department on financial sources and uses of all fees and assessments, including funds resulting from management, operation, or other use of metropolitan government public assets. (Amdt. 1 to Ord. BL2025-1113 § 1, 2025; Ord. BL2025-1113 § 1, 2025)

2.179.080 Estimated costs and rate of levy; special assessment procedure.

A. The estimated cost of the initially proposed improvements, services projects and other permitted uses of special assessment revenues is $1,531,089.

B. The initial rate of levy of the special assessment for the MBID, based on December 31, 2025, records of the metropolitan assessor of property, shall be $0.001561 per dollar of assessed property value. Such rate of levy shall continue in force until changed by the metropolitan council in accordance herewith. A change in the rate of levy of such special assessment may be initiated only by a resolution from the district management corporation. Upon receipt of this resolution from the district management corporation, the metropolitan council must hold a public hearing on whether there should be a change in the rate of levy for the special assessment, and no such change shall become effective unless and until it is approved by an ordinance enacted by the metropolitan council.

C. Beginning in 2026, special assessments shall be levied against all taxable real property within the MBID pursuant to a special assessment roll of all owners of real property within the district as shown in the records of the assessor of property for the Metropolitan Government of Nashville and Davidson County, including owners of leaseholds on property owned by the industrial development board of the Metropolitan Government of Nashville and Davidson County.

D. Notice of the special assessment shall be issued simultaneously with tax notices for regular Metropolitan Nashville real property taxes, and revenues from the special assessment shall be collected by the metropolitan trustee and placed into a segregated account subject to the direction of the metropolitan council and the district management corporation to the extent it is empowered by this ordinance.

E. Special assessments shall be imposed and collected annually as set forth hereinabove and changes in the rate or additions to the rate of the special assessment may be made only on an annual basis and only in accordance with the procedure set forth in Section 2.179.080.B.

F. Penalty and interest in the amount permitted by state law shall be added to any such assessment or installment thereof not paid on or before the date prescribed by the Metropolitan Government of Nashville and Davidson County. (Ord. BL2025-1113 § 1, 2025)

2.179.090 Dissolution of the district management corporation.

A. The metropolitan council may dissolve the MBID upon receipt of a written petition filed either: (a) by the owners of seventy-five percent of the assessed value of the taxable real property in the MBID based on the most recent certified city property tax rolls; or (b) by fifty percent of the owners of record within the MBID.

B. The MBID may not be dissolved if the metropolitan government has outstanding any bonds, notes, or other obligations payable solely from the special assessment revenues levied on the real property within the MBID in which case such dissolution may occur only at such time as such bonded indebtedness has been repaid in full or the metropolitan government pledges to the payment of such indebtedness its full faith and credit and unlimited taxing power. Upon dissolution of the MBID, any unencumbered assessment proceeds remaining under the control of the MBID shall be disbursed to the owners of the MBID real property pro

rata based upon the amounts of the respective assessments. (Ord. BL2025-1113 § 1, 2025)

2.179.100 District annual reporting.

A. The district management corporation shall be required to prepare and submit an annual interaction report to the metropolitan council. The report should be submitted no later than March 31 of each calendar year, documenting interactions between employees or contractors of the district management corporation performing public safety functions with individuals within the geographic boundaries of the District. The district management corporation must also present the annual report to the council public health and safety committee or similar committee no later than April 30.

B. The annual interaction report shall include, but is not limited to, the following components:

1. Quantitative data:

a. Total number of documented interactions.

b. Number of incidents resulting in use of force, detainment, or law enforcement referral.

c. Number of complaints or grievances filed against MBID-affiliated public safety personnel.

d. Number of reported injuries or medical responses following public safety interactions.

e. Number of referrals made to social services or outreach teams.

f. Number and types of trespass warnings or exclusions issued.

2. Qualitative data:

a. Summary of the district management corporation's, or any public safety contractor of the district management corporation, use-of-force policy, de-escalation training, and homeless engagement protocols.

b. Summary of disciplinary actions taken in response to misconduct complaints, if any.

c. Case studies or narratives describing representative interactions, both positive and negative.

d. Description of training regarding the humane treatment of homeless individuals, trauma-informed care, or mental health crises.

e. Summary of any community engagement efforts or public forums held to address safety and rights concerns.

C. The annual interaction report shall be made publicly available and posted on the district management corporation website. (Ord. BL2025-1113 § 1, 2025)

2.179.110 District feedback procedures.

To ensure accountability, transparency, and protection of individual rights in all interactions between public safety personnel affiliated with the MBID and members of the public, the district management corporation shall establish internal procedures to process feedback from the public. The procedures should include a feedback form publicly available on the district management corporation website that can be submitted in writing or online. The procedures should require maintaining detailed records of any feedback and the resolution of the feedback, if warranted. All feedback shall be publicly available. The district management corporation shall be required to report to the metropolitan council the feedback procedures that are established pursuant to the section no later than four months after the enactment of this chapter. (Ord. BL2025-1113 § 1, 2025)

2.196.010 Purpose and intent.

It is the intent of the metropolitan council to promote, preserve and advance public trust and confidence in our system of government by holding others and ourselves to ethical and transparent standards. Public Officials, Lobbyists, and Clients of Lobbyists should be truthful and transparent in communications and interactions with each other and the public. No one should act in any manner that will undermine the public confidence and trust in our government or in our processes. In adopting this ordinance, the metropolitan council also recognizes the delicate balance sought in this lobbyist regulatory framework and the rights included in the First Amendment to the United States Constitution, particularly, the right of Freedom of Speech and the right to Petition the Government for a Redress of Grievances. (Ord. BL2020-147 § 1, 2020)

2.196.020 Definitions.

As used in this chapter, unless the context otherwise requires:

"Administrative action" means the taking of any recommendation, report or nonministerial action, the making of any decision or taking any action to postpone any action or decision, action of the mayor in approving or vetoing any ordinance or resolution, the promulgation of a rule and regulation, or any action of a quasi-legislative nature, by an official in the executive branch; however, "administration action" does not include ordinary and routine permitting, licensing, or compliance decisions by an official of the executive branch.

"Association" means a union, league, chamber of commerce, committee, club, or other membership organization.

"Board of ethical conduct" means the board established in Section 2.222.040, sometimes referred to as the "board".

"Business day" means every day, except Saturday, Sunday and holidays observed by the metropolitan government.

"Candidate for public office" means an individual who has made a formal announcement of candidacy or qualified under the law of this state to seek nomination for election or elections to any metropolitan government office, or has received contributions or made expenditures except for incidental expenditures to determine if one shall be a candidate, or has given consent for a campaign committee to receive contributions or make expenditures with a view to bringing about a nomination for election or the election to metropolitan government office, and any individual who has been nominated for appointment as an official in the legislative or executive branch.

"Clerk" means the metropolitan clerk.

"Client" means any person or entity that employs, retains or otherwise arranges for a lobbyist to engage in lobbying on behalf of the person or entity for compensation, sometimes referred to as "employer".

A. "Client" specifically includes any such person or entity notwithstanding the lobbyist's status as an employee, agent, contractor, subcontractor or other representative lobbying on behalf of such person or entity for compensation.

B. "Client" does not include the individual employees, officers, directors, or members of a corporation, labor organization, association, or membership organization other than the chief executive officer and the chief financial officer or comparable individuals within such corporation, labor organization, association, or membership organization.

C. A lobbying firm or law firm is not deemed to be the client of any lobbyist within the firm.

"Compensation" means any salary received or to be received by anyone acting as a lobbyist, whether in the form of a fee, salary, payment, reimbursement or other

*__Editor's note—__Ord. BL2020-147, § 1, passed August 4, 2020, effective Jan. 1, 2021, repealed Ch. 2.196, §§ 2.196.010—2.196.100, which pertained to similar subject matter and derived from Ord. 91-1484 §§ 1—10, passed 1991; Ord. 95-1329 § 3, passed 1995; Ord. BL2010-810 § 1, passed 2011; Ord. BL2010-821 § 1, passed 2011.

valuable consideration and any combination thereof. Compensation does not include the salary of an individual whose lobbying is incidental to regular employment.

"Contribution" shall not be construed to include the following:

A. Services, including expenses provided without compensation by a candidate or individuals volunteering a portion or all of their time, on behalf of a candidate or campaign committee;

B. Any news story, commentary or editorial distributed through the facilities of any broadcasting station, newspaper, magazine or other periodical publication, unless such facilities are owned wholly or in part, or controlled by any political party, political committee or candidate;

C. Nonpartisan activity designed to encourage individuals to vote or register to vote;

D. Any written, oral or electronically transmitted communication by any membership organization or corporation to its members or stockholders, if such membership organization or corporation is not organized primarily for the purpose of influencing the nomination for election, or election, of any person to public office; or

E. The use of real or personal property and the cost of invitations, food and beverages not exceeding one hundred dollars, voluntarily provided on an individual's residential premises for candidate related activities.

"Executive action" means the action of a commission, board, agency or other body in the metropolitan government that is not a part of the legislative or judicial branch.

"Expenditure" means any advance, conveyance, deposit, distribution, transfer of funds, loan, payment, pledge or subscription of money or anything of value, and any contract, agreement, promise or other obligation, whether or not legally enforceable, to make an expenditure; "expenditure" also includes any honorarium.

"Gift" to an officer or employee of the legislative branch of metro government means a payment, honorarium, subscription, loan, advance, forbearance, rendering or deposit of money or services, any of which are valued at fifty dollars or more, unless consideration of equal or greater value is received. A "gift" to an officer or employee of the executive branch of metro government means a payment, honorarium, subscription, loan, advance, forbearance, rendering or deposit of money or services, any of which are valued at twenty-five dollars or more, unless consideration of equal or greater value is received.

A. "Gift" does not include a political contribution otherwise reported as required by law, a commercially reasonable loan made in the ordinary course of business, or a gift received from a member of the person's immediate family or from a relative within the third degree of consanguinity of the person or of the person's spouse, or from the spouse of any such relative.

B. "Gift" does not include the waiver of a registration fee for a conference or educational seminar.

"Honorarium" means payment of money or anything of value for an appearance, speech or article, but "honorarium" does not include actual and necessary travel expenses which are not paid or reimbursed.

"Immediate family" means a spouse or minor child living in the household.

"Influencing" means promoting, supporting, modifying, opposing or delaying any legislative or administrative action by any means, including but not limited to the provision or use of information, statistics, studies or analyses. "Influencing" does not include the furnishing of information, statistics, studies or analyses requested by an official of the legislative or executive branch to such official, or the giving of testimony by an individual testifying at an official hearing conducted by officials of the legislative or executive branch.

"Legislative action" means introduction, sponsorship, debate voting or any other nonministerial official action or inaction on any ordinance, resolution, amendment, nomination, appointment, report or any other matter pending or proposed in a council committee or in the council.

"Lobby" or "lobbying" means to communicate, directly or indirectly, with any official in the legislative branch or executive branch, for the purpose of influencing any legislative action or administrative action.

"Lobby" does not mean any of the following communications:

A. with officials of the legislative or executive branches by an elected or appointed public official performing the duties of the office held;

B. from a duly licensed attorney at law acting in a representative capacity on behalf of a client appearing before an official of the executive branch for the purpose of determining or obtaining such person's legal rights or obligations in a contested case action, administrative proceeding, or rule making procedure;

C. from an editor or working member of the press, radio or television who, in the ordinary course of business, disseminates news or editorial comment to the general public;

D. by an incumbent or prospective contractor or vendor, or an employee of the contractor or vendor, while engaged in selling or marketing to metro, or any metro department, board, or commission, by demonstrating or describing goods or services to be provided or by inquiring about specifications, terms, conditions, timing,

or similar commercial information. However, the contractor or vendor, or employee of the contractor or vendor, shall be deemed to be a lobbyist if actively engaged in selling or marketing to an official in the executive branch or an official in the legislative branch whose duty it is to vote for, let out, overlook, or in any manner to superintend any work or any contract so marketed or sold;

E. with officials of the executive branch by any person to promote, oppose, or otherwise influence the outcome of a decision related to the issuance or award of a bond, grant, lease, loan, incentive or any component of an economic development incentive package; provided, that any person who is otherwise required to register as a lobbyist under the provisions of this chapter shall not be deemed to fall within this exception.

"Lobbying firm" means any firm, corporation, partnership or other business entity that supplies lobbying services to others for compensation. A lobbying firm is not considered an "employer" or "client" of any lobbyist within the firm for purposes of this chapter.

"Lobbyist" means any person who engages in lobbying for compensation.

"Ministerial action" means an action that a person performs in a prescribed manner in obedience to the mandate of legal authority, without regard to, or the exercise of, that person's own judgment upon the propriety of the action being taken. Ministerial action includes ordinary and routine permitting, licensing, or compliance decisions by an official of the executive branch.

"Official in the executive branch" means any member or employee of a commission, agency or other body in the executive branch who takes any administrative action.

"Official in the legislative branch" means any member, member-elect, any staff person or employee of the council.

"Person" means an individual, business entity, partnership, committee, association, corporation, labor organization, or any other organization or group of persons.

"Political contribution" or "Campaign contribution" means anything of value or any amount of money, in the form of an advance, conveyance, deposit, distribution, transfer of funds, loan, loan guaranty, personal funds of a candidate, payment, digital currency, gift, pledge, purchase of a ticket to a testimonial or similar fundraising event, or subscription of money or anything of value and any contract, agreement, promise or other obligation, whether or not legally enforceable, made for the purpose of influencing a measure or nomination for election or the election of any person for public office or for the purpose of defraying any expenses of an officeholder incurred in connection with the performance of the officeholder's duties, responsibilities, or constituent services; however, "political contribution" or "campaign contribution" does not mean volunteer services.

"Solicit" means to entreat, to implore, to ask, to attempt, or to try to obtain.

"Year" or "Annual" shall mean January 1st through December 31st. (Ord. BL2020-402 § 1, 2020; Ord. BL2020-147 § 1, 2020)

2.196.030 Administration of provisions—Powers and duties.

A. This chapter shall be administered by the metropolitan clerk. It shall be the duty of the metropolitan clerk:

1. To prescribe forms for statements, reports and other information required to be electronically filed by this chapter, and to furnish such forms to persons required to file such statements, reports and information;

2. To publish formal written policies and procedures or other information developed by the board of ethical conduct setting forth prescribed forms and procedures to assist persons required to file statements by this chapter and publish such policies, procedures, and information online;

3. To preserve such statements, reports and other information required to be filed by this chapter for a period of five years from date of receipt;

4. To develop a filing, coding and cross-indexing system by lobbyist name, by client, and by subject matter or any other way consistent with the purposes of this chapter;

5. To seek from the board of ethical conduct, issue, and publish, upon proper request from any lobbyist or public official, advisory opinions upon the requirements of this chapter. Such advisory opinions shall follow the procedures set forth in subsection 2.222.040.B;

6. To accept and file any information voluntarily supplied that exceeds the requirements of this chapter;

7. To make statements and other information filed with the clerk available for public inspection and copying during regular office hours, and to make copying facilities available at a charge calculated in the public records policy;

8. To prepare and publish such reports as may be deemed appropriate;

9. To promulgate any rules and regulations developed by the board of ethical conduct as may be appropriate for the administration of this chapter;

10. To make a list of all registered lobbyists prepared pursuant to this chapter available electronically. The metropolitan clerk shall update and make the list available prior to each meeting of the metropolitan council;

11. To electronically publish all information included in the annual reports filed by lobbyists; and

12. To develop, maintain, and periodically review and update internal written procedures for each critical process and task related to the administration of the lobbyist code.

B. It shall be the duty of the director of law to render opinions and give counsel to the metropolitan clerk and the board of ethical conduct regarding this chapter upon request and in a timely manner. (Ord. BL2020-402 § 2, 2020; Ord. BL2020-147 § 1, 2020)

2.196.040 Registration—Required when—Term—Fees.

A. 1. Every person qualifying as a lobbyist under this chapter shall register by filing an electronic form prescribed by the metropolitan clerk within five business days after accepting employment as a lobbyist, as defined in Section 2.196.020. A separate registration is required for each client a lobbyist represents.

2. Each year thereafter, the lobbyist shall register in the same manner if the lobbyist continues to engage in lobbying for that client no later than December 31st for the subsequent year.

3. For the purpose of registration, the lobbyist has been employed once the client and lobbyist have entered into an engagement or contract.

4. The filing shall include each of the following:

a. The lobbyist's name, mailing address, business address, home address, telephone number and email address.

b. The name, mailing address, business address, telephone number and email address for each the client of the lobbyist, and in the case of a corporation, association or governmental entity, the names of the individuals performing the functions of chief executive officer and chief financial officer.

c. A listing of the general categories of subject matters on which the registrant lobbies. The list of general categories shall be available from the metropolitan clerk.

d. Written proof of the lobbyist's authority to lobby on behalf of the client.

e. The name home address, and position of any member of the lobbyist's immediate family who is an official within the legislative or executive branch.

f. The extent of any direct or indirect business arrangement or partnership between the lobbyist and any candidate for public office or any official in the legislative or executive branch.

g. A sworn statement signed by the lobbyist that any employment agreement between a lobbyist and the client of a lobbyist is in writing, and the agreement does not contain any provision wherein the fee or a bonus to be paid to the lobbyist is contingent upon success of the lobbyist.

h. A current photograph of the lobbyist.

B. At the time of registration, the lobbyist shall pay an annual filing fee of one hundred dollars for each client for whom they are filing the registration.

C. A person engaged in a communication that is not considered lobbying as defined in Section 2.196.020 need not register as a lobbyist under this section.

D. All fees collected by the metropolitan clerk shall be paid into the general fund of the general services district.

E. The annual registration fee is non-refundable and non-transferable. (Ord. BL2024-290 § 1, 2024; Ord. BL2020-147 § 1, 2020)

2.196.050 Amending or withdrawing a lobbyist registration.

A. A lobbyist must amend or update their registration statement within five business days of any event or circumstance that renders the registration statement inaccurate or incomplete.

B. Every person registered under this chapter shall file a written notice of withdrawal with the metropolitan clerk within five business days following the termination of a lobbying employment agreement between the lobbyist and a client. Such notice of withdrawal shall be retained by the metropolitan clerk for a period of five years, and the date of withdrawal shall be noted on the Registered Lobbyist Index posted on the metropolitan clerk's website. Lobbyists must update their registration statement within five business days of any event or circumstance that renders the registration statement inaccurate or incomplete. If a lobbyist fails to register for a subsequent year, it shall be treated as a withdrawal for each client for which the lobbyist was registered unless a new registration is submitted pursuant to Section 2.196.040.

C. An annual lobbying and expense report must be completed for a year in which a lobbyist was registered, regardless of any subsequent amendment or withdrawal of registration. (Amdt. 1 to Ord. BL2024-290 § 2, 2024; Ord. BL2024-290 § 2, 2024; Ord. BL2020-147 § 1, 2020)

2.196.060 Annual lobbying and expense report requirements—Invitations and gifts.

A. Every lobbyist registered under this chapter shall electronically file with the metropolitan clerk a sworn report regarding lobbying activities and expenses no later than January 31st for the previous year. The report shall contain the following:

1. An itemized list, by date, beneficiary, amount and circumstance of the transaction, of each gift or expenditures of fifty dollars or more made by the

lobbyist on behalf of the client or anyone acting at the specific direction of the lobbyist on behalf of the client to benefit a candidate for public office, an official in the legislative branch, a member of the candidate or official's staff or immediate family, or a campaign committee or testimonial committee established for the benefit of a candidate for public office or such official;

2. An itemized list by date, beneficiaries, amount and circumstance of the transaction of each gift or expenditure of twenty-five dollars or more made by the lobbyist on behalf of the client or anyone acting at the specific direction of the lobbyist on behalf of the client to benefit an official in the executive branch, a member of the official's staff or immediate family, or a campaign committee or testimonial committee established for the benefit of such official;

3. An itemized list, by date, beneficiary, and amount of each political contribution of more than one hundred dollars made by the lobbyist on behalf of the client or anyone acting at the specific direction of the lobbyist on behalf of the client to benefit an official in the executive branch, a member of the official's staff or immediate family, a candidate for public office, or a campaign committee or testimonial committee established for the benefit of such official. This shall not require reporting of political contributions made for candidates for state and federal office, unless such candidate at the time of the contribution was serving as an official in the legislative or executive branch.

4. Such report shall include a sworn statement from the lobbyist attesting to the accuracy.

B. Every lobbyist registered under this chapter shall electronically file with the metropolitan clerk a sworn report regarding their own lobbying activities and expenses not related to a client no later than January 31st for the previous year. The report shall contain the following:

1. An itemized list, by date, beneficiaries, amount and circumstance of the transaction, of each gift or expenditures of fifty dollars or more made by the lobbyist or anyone acting at the specific direction of the lobbyist to benefit a candidate for public office, an official in the legislative branch, a member of the candidate or official's staff or immediate family, or a campaign committee or testimonial committee established for the benefit of a candidate for public office or such official;

2. An itemized list by date, beneficiaries, amount and circumstance of the transaction of each gift or expenditures of twenty-five dollars or more made by the lobbyist or anyone acting at the specific direction of the lobbyist to benefit an official in the executive branch, a member of the official's staff or immediate family, or a campaign committee or testimonial committee established for the benefit of such official.

3. An itemized list, by date, beneficiary, and amount of each political contribution of more than one hundred dollars made by the lobbyist or anyone acting at the specific direction of the lobbyist to benefit an official in the executive branch, a member of the official's staff or immediate family, a candidate for public office, or a campaign committee or testimonial committee established for the benefit of such official. This shall not require reporting of political contributions made for candidates for state and federal office, unless such candidate at the time of the contribution was serving as an official in the legislative or executive branch.

4. Such report shall include a sworn statement from the lobbyist attesting to the accuracy.

C. Entertainment, food, refreshments, meals, or beverages that are provided by a lobbyist or client of a lobbyist, may be provided to council members if such invitations are extended to either the entire membership of a council committee or the entire membership of the metro council. A copy of the invitation shall be delivered to the metro clerk's office and to each member of the council committee or each member of the entire council at least seven days in advance of the event by the client of a lobbyist or lobbyist paying for the event and must be included in their annual lobbying and expense reports unless:

1. the same equal opportunity is provided to the general public;

2. is provided at a scheduled meeting of an established and recognized association that has regular meetings; or

3. the total aggregate cost of the expenditure or gift does not exceed the limits set forth in Section 2.222.020.

D. In determining the threshold for the reporting levels required by this chapter of an event attended by more than one official of the legislative branch, a staff member, or immediate family member, a lobbyist may attribute only the actual cost for any gift or expenditure to each such official or member in attendance.

E. Any person providing funds to make a gift or expenditure other than a political contribution for the purpose of lobbying shall comply with the reporting requirements of this section whenever the purpose of such funds is to assist directly or indirectly an official of the executive or legislative branch, or any educational institution to lobby a specific program or programs on which legislative action is pending. Such person shall also report the source and amount of the funds which such gift or expenditure is made.

F. The clerk shall send a reminder letter to lobbyists who have not filed their client's Annual Lobbying and Expense Reports by February 5th. On March 1st, the clerk shall provide the board of ethical conduct a list of missing reports. A person responsible for filing a late report shall include a fifty dollar filing fee which shall be in addition to any other fees due.

G. If a lobbyist fails to file all required annual lobbying and expense reports for the previous year by March 1st, the lobbyist shall be ineligible for registration as a lobbyist for the current year. On March 1st, the clerk shall revoke the registration of any lobbyist who has failed to file all required annual lobbyist and expense reports for the previous year and refund any fees paid. The lobbyist shall be able to register for the current year if the board of ethical conduct has permitted the lobbyist's registration pursuant to Section 2.196.110.B and the lobbyist pays the filing fee for a late report pursuant to Section 2.196.060.F. (Amdt. 1 to Ord. BL2024-290 §§ 4, 5, 2024; Ord. BL2024-290 §§ 3—5, 2024; Ord. BL2020-402 § 3, 2020; Ord. BL2020-147 § 1, 2020)

2.196.070 Unlawful activities designated.

A. No lobbyist, lobbyist's client, or anyone acting at the specific direction of a client or lobbyist shall:

1. Offer or attempt to offer anything of value to an official in the legislative or executive branch, or to the official's immediate family, based on any stated or tacit understanding that the official's vote, official action or judgment would be influenced thereby.

2. Make a loan of money to any candidates for public office, officials in the legislative or executive branch, or to anyone on their behalf. No candidate for public office, official in the legislative or executive branch, or a member of that person's staff or immediate family, shall solicit or accept a loan from a lobbyist.

3. Knowingly or willfully make or cause to be made any false statement or misrepresentation of the facts concerning any matter for which the lobbyist is registered to lobby to any official in the legislative or executive branch or any matter which the client of a lobbyist or lobbyist is required to disclose to the metropolitan clerk.

4. Pay or agree to pay a candidate for public office or an official in the legislative or executive branch compensation for real or personal property or services substantially in excess of that charged in the ordinary course of business.

5. Permit a candidate for public office, an official in the legislative or executive branch, or a staff member or a member of the candidate or official's immediate family, to use the credit or credit card of a client or lobbyist or any other credit or credit card over which the client or lobbyist has control.

6. Pay the lodging expenses of an official in the legislative or executive branch or immediate family of the official.

B. No lobbyist shall:

1. Instigate the introduction of legislation for the purpose of obtaining employment to lobby of that legislation.

2. While engaging in lobbying on behalf of a client refuse to disclose to a metropolitan employee or elected official upon request the identity of the client.

C. No official in the legislative or executive branch or a member of the official's staff or immediate family shall solicit or accept anything of value in violation of subsection A of this section.

D. No official in the legislative or executive branch shall accept travel expenses, meals or lodging if payment of the travel expenses, meals or lodging violates this section or constitutes a prohibited gift. (Ord. BL2020-402 § 4, 2020; Ord. BL2020-147 § 1, 2020)

2.196.080 Lobbyist identification.

When speaking at a public hearing, presenting or speaking at a community meeting, or engaging in lobbying activities, a lobbyist must identify themselves by name and the client they are representing or speaking on behalf of at that time. (Ord. BL2020-147 § 1, 2020)

2.196.090 Lobbyist compensation.

No employer of a lobbyist shall offer or pay, and no lobbyist shall solicit or accept any fee, compensation or bonus for lobbying wherein the amount of the fee, compensation or bonus is contingent upon achievement of an outcome deemed to be successful for the employer. (Ord. BL2020-147 § 1, 2020)

2.196.100 Cooling off period.

A. A department head or employee of the mayor's office shall not be registered as a lobbyist within six months of voluntary cessation of their official responsibilities in matters which were directly within their former official responsibilities or employment with metro government. For this section, "official responsibility" means direct administrative or operating authority, whether intermediate or final, either exercisable alone or with other, either personally or through subordinates, to approve, disapprove or otherwise direct metropolitan government action.

B. An elected official shall not be registered as a lobbyist within six months following the voluntary

termination of office or leaving elected office. (Ord. BL2020-402 § 5, 2020; Ord. BL2020-147 § 1, 2020)

2.196.110 Complaints procedures.

A. Complaint procedures:

1. Any person may submit a complaint alleging that any one or more person, lobbyist, or client of a lobbyist has violated the provisions of this chapter.

2. The complaint must be filed electronically with the metropolitan clerk and be signed by the complainant and notarized, and must contain the following:

a. Complainant's legal name, current mailing address, home address, and a valid telephone number and email address;

b. Names and contact information of the individuals who committed the alleged violation, if possible;

c. Summary of the facts giving rise to the complaint;

d. Explanation of why those facts constitute a violation of this chapter; and

e. Any supporting documentation of the violation.

3. Upon receipt, the clerk shall:

a. Provide a copy of the complaint to the director of law, and to the members of the board of ethical conduct electronically.

b. Provide the complainant and the named persons with a copy of the complaint, hearing procedures, board actions, penalties and sanctions, enforcement procedures and appeal rights of the board of ethical conduct, and of this Code electronically and by U.S. Postal Service by certified mail.

4. Once a complaint has been received by the members of the board, and until a written decision has been issued by the board, no member of the board shall participate in any communication regarding the allegations or merits of the complaint, outside of the board's public meetings or hearings, except as contemplated by these procedures.

5. The department of law will evaluate the complaint, applying the law of this chapter to the facts alleged in the complaint, and shall undertake an investigation as may be deemed necessary, to determine if such complaint alleges facts, which if proven true, could be deemed to be a violation of this chapter. Within fourteen business days from its receipt of the complaint, the department of law will issue a report concluding whether the facts alleged in the complaint, if true, would give rise to a violation of this chapter, and including a recommendation to either dismiss the complaint or hold a hearing on the complaint. The department of law shall provide its report to the chair of the board of ethical conduct, and shall file it with the clerk on the same day.

6. Within three business days of receiving the department of law's report, the chair of the board of ethical conduct shall set a meeting of the board, which meeting is open to and noticed to the public. The clerk shall also provide notice of the meeting to the director of law electronically. The clerk shall provide notice of the meeting to the complainant and the named persons electronically and by U.S. Postal Service by certified mail.

7. At the board's meeting, the board shall evaluate the department of law's report, and may accept or reject the department of law's recommendation. At this meeting, the board may decide to dismiss the complaint or call for a hearing on the complaint and set a date for the hearing.

8. Whether or not the board holds a hearing on the complaint or dismisses the complaint, it shall issue a decision in writing. Any decision shall require the affirmative vote of at least four members of the board. If a hearing is to be held, the decision will not be issued until after the hearing is held.

9. Any decision shall require the affirmative vote of at least four members of the board.
