No rate or fare shall be placed in effect, charged, demanded or collected by any carrier for the transportation of passengers by vehicle covered by this Chapter until the rate or fare has been established and authorized by City Council and the City Council, after a hearing upon its own motion, or upon application, or upon complaint, has found and determined the rate to be just, reasonable and nondiscriminatory, and not in violation of any provisions contained in this Chapter or any other provision of law. In establishing and authorizing such rates or fares the City Council must take into account and give due and reasonable consideration to the cost of all comparable transportation services performed by all persons engaged in the transportation of persons for compensation in the City, whether by virtue of any franchise or permit granted by the City Council or otherwise, including length of haul, any additional transportation service performed or to be performed, or of any accessory service and the value of facilities reasonably necessary to perform such transportation service.

Notwithstanding the foregoing, a taxicab permittee or Authorized City Licensed Fleet may establish and charge variable or demand-based rates provided that such rates are just, reasonable, and nondiscriminatory, and not in violation of any provision of this Chapter or other applicable law.

A. Rates filing. Rates shall be filed with the City on a schedule established by the City Manager (which may be monthly) and shall be promptly available to the public through the permittee's or fleet's website and/or mobile application.

B. Notice of rate changes. The permittee or fleet shall provide at least thirty (30) days' advance notice to the City of any material rate change, in a form approved by the City Manager.

C. Rate transparency. The City Manager may require sufficient information to verify compliance with this Chapter, including a description of rate components, variations, and surcharges; provided, however, that nothing in this Section requires disclosure of proprietary trade secret information beyond what is reasonably necessary to verify compliance. (ORD-26-0007 § 9, 2026; Ord. C-6260 § 1 (part), 1986)

5.80.150 Rates—Enforcement.

Upon the granting of any permit to any carrier as provided by this Chapter, a copy of the permit setting forth the rates established and authorized by the City Council shall be transmitted by the City Clerk to the Chief of Police, who shall, thereupon, be charged with the duty of enforcement of the rates and the applicable provisions of this Code and other ordinances pertaining to the operation of vehicles for hire. (Ord. C-6260 § 1 (part), 1986)

5.80.160 Rates—Display.

A. Every taxicab used or operated under this Chapter shall, at all times, have displayed therein in a location or locations and in a manner prescribed by the City Manager, the rates to be charged for the taxicab service, which rates shall be visible to all passengers in the taxicab at all times.

B. The driver of every chauffeured limousine shall at all times have in his or her possession rate cards upon which shall be printed the name and address of the permittee and the rates authorized to be charged for the chauffeured limousine service. Every person making inquiry regarding the rates charged by the chauffeured limousine service shall be furnished with a copy of the printed rates. (Ord. C-6260 § 1 (part), 1986)

5.80.170 Rates—Alteration.

The City Council shall, upon a hearing upon its own motion, or upon application, or upon complaint, investigate a single rate or fare, or the entire schedule of fares in effect, charged, demanded or collected for the transportation of passengers by vehicles covered by this Chapter and to establish a new rate, fare or schedule of fares in lieu thereof. (Ord. C-6260 § 1 (part), 1986)

5.80.180 Rates—Discrimination prohibited.

No carrier, or any agent or employee thereof, or any driver or operator of any vehicle covered by this Chapter, shall charge, collect, demand, receive, arrange, solicit or bargain for any amount of compensation other than the rates or fares established and authorized by the City Council or lawfully established and filed pursuant to Section 5.80.140. (ORD-26-0007 § 10, 2026; Ord. C-6260 § 1 (part), 1986)

5.80.190 Taximeters.

A. No carrier shall operate any taxicab in the City unless and until the taxicab is equipped with a taximeter of a type and design which has been approved by the City Manager, and it shall be the duty of the carrier operating such taxicab, and also the driver taxicab operator thereof, to keep the meter operating at all times within such standard of accuracy as may be prescribed from time to time by the City Manager. No passengers shall be carried in any such cab unless the taximeter is in operation, unless the taxicab is carrying multiple passengers and the meter and flat rate schedule for this service is clearly posted for passenger viewing. This provision shall apply whether the taxicab is engaged for a trip entirely within the boundaries of the City or partially outside thereof, and the meter shall be kept operating continuously during the entire time that the vehicle is engaged in the transportation of passengers for compensation, regardless of the point of destination.

B. The taximeter shall be placed in each taxicab so that the reading dial showing the amount to be charged shall be well lighted and readily discernible to any passenger riding in such taxicab.

C. Every taximeter used in the operation of taxicabs shall be subject to inspection at any time by the City, or any of its agents or employees. Upon discovery or notification of any inaccuracy of the taximeter, the operator thereof shall remove, or cause to be removed from service any vehicle equipped with said taximeter until the taximeter has been repaired and accurately adjusted.

D. Every taximeter shall be inspected and tested for accuracy by the carrier at least once every six (6) months. Upon the completion of such inspection and of any adjustments necessary to cause the taximeter to operate within the standards of accuracy approved by the City Council,

the carrier shall cause to be placed upon the meter an adhesive label having printed thereon the following:

The taximeter was inspected and tested on _____ (date), and found to comply with standard of accuracy prescribed by the City Council of the City of Long Beach.

The date on which the inspection was made shall be stamped in the blank space provided for that purpose. No such label shall be removed except at the time a subsequent inspection is made.

E. No driver of any taxicab, while carrying passengers, shall display the flag attached to the taximeter in such a position as to denote that the vehicle is not employed, or fail to throw the flag of the taximeter to a position indicating the vehicle is unemployed at the termination of each and every service.

F. All charges for taxicab service shall be calculated and indicated by a taximeter or a rate schedule for multiple passenger service, and at all times which the taxicab is engaged, the taximeter shall register charges for mileage or charges for waiting time. No taximeter shall be so operated as to cause any charge to be registered thereon except during the time while the taxicab is engaged by a passenger or passengers. (ORD-26-0007 § 11, 2026; Ord. C-6260 § 1 (part), 1986)

5.80.200 Waiting time designated.

For the purpose of this Chapter, "waiting time" means the time consumed while the taxicab is not in motion at the direction of a passenger and also the time consumed while waiting for a passenger after having responded to a call; but no charge shall be made for the time consumed by the premature response to a call or for the first three (3) minutes following timely arrival at any location in response to a call or for delays caused by the inefficiency of the taxicab or its driver. (Ord. C-6260 § 1 (part), 1986)

5.80.210 Receipt on request.

No driver of any taxicab, upon receiving full payment for a fare as indicated by the taximeter, shall refuse to give a receipt upon the request of any passenger making such payment. When the taximeter is of the so-called "receipt type," a receipt shall be offered the passenger upon receiving payment without a request being made for said receipt. (Ord. C-6260 § 1 (part), 1986)

5.80.220 Refusal to pay fare.

No person shall refuse to pay the authorized fare of any of the vehicles mentioned in this Chapter after having employed the same, and no person shall hire any vehicle defined in this Chapter with intent to defraud the person, from whom it is hired or engaged, of the value of such service. (Ord. C-6260 § 1 (part), 1986)

5.80.230 Route—Number of passengers.

A. Every driver of a taxicab who is engaged to carry passengers shall take the most direct route possible that will carry the passengers safely and expeditiously to their destinations, unless otherwise directed by a passenger.

B. When a taxicab is engaged, the person engaging the taxicab shall have the exclusive right to the full and complete use of the passenger compartment, and it shall be unlawful for the carrier or driver of the taxicab to solicit or carry additional passengers.

C. The driver of a taxicab may transport two (2) or more passengers who voluntarily agree to share the vehicle from the same pickup point to one (1) discharge point. The rate schedule for point-to-point service must be clearly posted in passenger's view. A passenger who first engages a taxicab has the exclusive right to conveyance therein to a destination and the driver may not solicit additional passengers without the express permission of the first passenger.

D. The number of adult passengers which may be carried in any vehicle covered by this Chapter shall be limited to the seating capacity of the vehicle as specified by the manufacturer. The number of passengers consisting of children attending schools below the junior high school level which may be carried in any vehicle covered by this Chapter, shall be limited to adult seating capacity of the vehicle as specified by the manufacturer plus one.

No person shall be carried in such vehicle who is required to share in any way the seating space occupied by another, nor shall any person be carried who is required to occupy a space in or on the vehicle which is not a seat. (Ord. C-6260 § 1 (part), 1986)

5.80.240 Cruising—Loading.

No driver of a vehicle permitted to operate under this Chapter, while driving such vehicle, shall cruise, loiter or stop on a public street for the purpose of soliciting passengers or seeking a place in a stand which is already occupied. However, employment may be accepted when such vehicles are hailed from the street or curb, while proceeding to a regularly assigned stand for taxis or a regularly established call station or to the carrier's principal place of business; provided that no driver shall accept passengers at any of the following places:

A. In any marked or unmarked crosswalk;

B. At any regularly established bus stop;

C. At any place in a street except alongside a curb;

D. Alongside any curb opposite a regularly established and marked traffic safety zone. (Ord. C-6260 § 1 (part), 1986)

5.80.250 Trip sheet and daily report.

The driver of every vehicle covered by this Chapter shall keep a complete and accurate record of each trip upon a daily trip sheet the form of which shall be approved by the City Manager, showing the time and place of origin and destination of the trip, the number of passengers carried, the mileage and the amount of fare collected and all telephone orders. This record shall be filed daily by the driver with the company by whom he is employed and such record shall be kept on file available for inspection by the City, or any of its agents or employees, for a period of not less than six (6) months. (Ord. C-6260 § 1 (part), 1986)

5.80.260 Numbering.

Each taxicab operated pursuant to the terms of this Chapter shall be numbered. Such number shall be painted upon the body of the taxicab in numerals not less than four inches (4") nor more than six inches (6") in height in a position, or positions, approved from time to time by the City Manager. (Ord. C-6260 § 1 (part), 1986)

5.80.270 Inspection of vehicles.

A. All vehicles operated by any carrier as defined in this Chapter shall, before being placed in service, be approved by the City Manager or his designee. All such vehicles shall be of a design and type of construction as shall comply with orders and regulations pertaining to such equipment adopted from time to time by the City Council. Such vehicles shall at all times be kept in a clean and sanitary condition and in good state of repair and shall be subject to constant inspection by the City Manager or his designee. Any vehicle which becomes unsafe or unserviceable, either from the standpoint of state of repair or obsolescence, may be retired from service upon order of the City, and no vehicle which has been so retired shall be again operated in such service except with approval of the City.

B. In the event the condition of any vehicle, in the opinion of the City Manager or his designee, is so unclean, unsightly or mechanically defective as to be undesirable for use by the public, the City Manager or his designee may require the vehicle to be immediately withdrawn from service and the vehicle shall not be again placed in service until approved by the City Manager or his designee. (Ord. C-6260 § 1 (part), 1986)

5.80.280 Name or coloration.

A. No permit shall be granted to any carrier to operate any vehicle covered by this Chapter whose color scheme, name, trade name, monogram or insignia is in conflict with or in imitation of any color scheme, name, trade name, monogram or insignia used by any other carrier, and which is of such character and nature as to be misleading or deceptive to the public.

B. It shall be unlawful for any owner of any taxicab to make or cause to be made any change whatever in the color scheme, name, trade name,

monogram or insignia of said taxicab unless the approval of the City Council has been obtained. (Ord. C-6260 § 1 (part), 1986)

5.80.290 Identity lights.

Every taxicab shall be equipped with an identity light attached to the top of such taxicab. The identity light shall be constructed in one (1) unit consisting of an illuminated plate or cylinder upon which shall be printed either the words "For Hire", "Taxi", the name of the carrier or the telephone number of the carrier. The overall dimensions of the identity light shall not exceed six inches (6") in height by twenty inches (20") in length. The lights of the identity light unit shall be connected to a contact switch attached to the taximeter, and the contact switch shall operate automatically to illuminate the identity light when the taximeter is not in operation indicating the cab is vacant and for hire, and to extinguish the identity light when the taximeter is in operation. No person shall drive or operate any taxicab with the identity light illuminated while carrying passengers for compensation; and when the taxicab is for hire, no person shall drive, operate or be in charge of any taxicab unless the identity light is illuminated. (Ord. C-6260 § 1 (part), 1986)

5.80.292 Taxicab driver appearance standard.

Every Taxicab Operator and/or Authorized City Licensed Fleet to whom a taxicab permit is issued pursuant to this Chapter shall submit to the City Manager for approval prior to commencing operations, a distinctive Taxicab Operator appearance standard which clearly identifies the Taxicab Operator and his/her affiliation with the permittee and/or Authorized City Licensed Fleet. Every Taxicab Operator, while on duty, shall conform to the taxicab permittee's or fleet's appearance standard and shall wear clothes that are neat and clean and shall be well groomed at all times while on duty. (ORD-26-0007 § 12, 2026; Ord. C-7633 § 1, 1999)

5.80.300 Advertising.

No advertising device shall be placed on or in any taxicab operated pursuant to the terms of this Chapter without the approval of the City Manager or his designated representative. (Ord. C-6260 § 1 (part), 1986)

5.80.310 Taxi driver permit—Application.

A. No person shall drive, operate or lease a taxicab which is subject to this Chapter, and no person shall own any share or be a member of a taxicab cooperative carrier to which a taxicab permit has been issued pursuant to this Chapter, without having first obtained a driver's permit issued pursuant to this Chapter to do so. For purposes of this Chapter, Taxicab Operators are "drivers" and must obtain and maintain a valid driver's permit.

B. Applicants for such permit shall:

1. Deposit the fee required for the background investigation and secure a receipt therefor. The fees to be deposited are to cover the expenses incurred and no refund shall be made for any reason; and

2. Appear personally and file with the Chief of Police an application, in writing, upon forms to be approved by the Chief of Police, containing such information as said officer may require, and shall satisfy the Chief of Police that the deposit required in this Chapter has been made.

C. When an applicant has applied for a driver's permit and has paid the fee required for such permit, the Chief of Police shall, subject to the conditions contained in Subsection 5.80.310.E, issue a temporary driver's permit. Such temporary driver's permit shall have written or printed thereon the expiration date.

D. As soon as possible thereafter, the Chief of Police shall make an investigation regarding the applicant. If satisfied that the operation by applicant of a vehicle authorized to be operated under the terms of this Chapter will not be detrimental to the public health, peace, safety or welfare, he shall issue to applicant a driver's permit in the manner provided in this Section; otherwise he shall deny the application.

E. No driver's permit shall be issued to any such applicant who is under the age of eighteen (18) years, or who has failed to obtain a valid California driver's license, or for any of the rea-

sons known to the Chief of Police which are grounds for revocation as set forth in Subsection 5.80.320.A.

F. If the Chief of Police has determined that he will approve an application for a driver's permit, he shall issue to applicant an identification card authorizing the applicant to drive, operate or be in the charge of any vehicle operated pursuant to the terms of this Chapter. The driver's permit shall be effective until the expiration date printed thereon unless suspended or revoked as provided elsewhere in this Chapter.

G. All permits issued as provided in this Section shall initially expire one (1) year from the applicant's next birthday. The permit may be renewed biennially thereafter, provided that the permittee pays all applicable fees and submits to a background investigation and that the Chief of Police finds no basis for denial of the permit.

H. All drivers' permits authorized to be issued under this Section shall be effective only while the driver to whom the permit is issued is employed by, is leasing a vehicle as an independent driver from, or is otherwise authorized to operate a taxicab by a carrier holding a valid permit issued pursuant to the provisions of this Chapter. Upon the driver terminating his employment, his independent contractor status with a carrier, or a lease with a carrier, or otherwise ceasing to be a member or owner of a taxicab cooperative carrier authorized by this Chapter, then the driver's permit shall automatically be suspended and shall become effective again only when and if the driver again is reemployed, otherwise assumes his independent driver status with a carrier, or assumes an ownership or membership interest in a taxicab cooperative carrier authorized by this Chapter, during the term for which the driver's permit or temporary driver's permit was issued. All driver's permits shall be returned to the Chief of Police by the driver upon their suspension or revocation. A carrier shall notify the Chief of Police upon the termination of employment, the termination of independent ownership status or termination of any ownership or membership status with the carrier. (ORD-26-0007 § 13, 2026; Ord. C-7574 §§ 1, 2, 1998; Ord. C-7423 § 11, 1996: Ord. C-7372 § 1, 1995; Ord. C-6260 § 1 (part), 1986)

5.80.315 Driver permit—Mandatory controlled substances and alcohol testing certification.

A. As used in this Section, the following definitions shall apply:

1. "Controlled substance" shall mean those substances specified in Part 40 (commencing with Section 40.1) of Title 49 of the Code of Federal Regulations, as it exists on the effective date of this Ordinance, or as it may be amended.

2. "Negative test for alcohol" shall mean an alcohol screening test showing a breath alcohol concentration of less than 0.02 percent.

B. Drivers shall test negative for each of the controlled substances specified in Part 40 (commencing with Section 40.1) of Title 49 of the Code of Federal Regulations, as it exists on the effective date of this Ordinance, or as it may be amended, before employment. Drivers shall test negative for these controlled substances and for alcohol as a condition of granting a permit or permit renewal of their driver's permit issued by the Chief of Police.

C. Testing procedures shall be substantially as in Part 40 (commencing with Section 40.1) of Title 49 of the Code of Federal Regulations, as it exists on the effective date of this Ordinance, or as it may be amended, except that the driver shall show a valid California driver's license at the time and place of testing, and except as provided otherwise in this Section. Requirements for rehabilitation and for return-to-duty and follow-up testing and other requirements, except as provided otherwise in this Section, shall be substantially as in Part 382 (commencing with Section 382.101) of Title 49 of the Code of Federal Regulations, as it exists on the effective date of this Ordinance, or as it may be amended.

D. The holder of a taxi carrier's permit, or an applicant therefor, shall be responsible for ensuring that all persons employed by them as drivers, all applicants who have been offered positions of employment as drivers, all persons to whom vehicles are leased to be used as taxicabs and all persons otherwise entitled to drive a vehicle authorized to be operated within the City by a carrier

holding a valid permit issued pursuant to the provisions of this Chapter, have provided the Chief of Police with satisfactory proof of compliance with the drug and alcohol testing requirements contained in this Section.

E. Taxicab companies approved to operate in the City of Long Beach shall be responsible for the cost of drug and alcohol testing of drivers employed by them.

F. Self-employed independent drivers shall be responsible for compliance with, and shall pay all costs of, this program with regard to themselves. Employing taxicab carriers shall be responsible for compliance with, and shall pay all costs of, this program with respect to their employees and potential employees, except that a carrier may require employees who test positive to pay the costs of rehabilitation and of return-to-duty and follow-up testing.

G. Test results shall be reported directly to the employing taxicab carrier, who shall, within five (5) days of receipt of results, notify the Chief of Police of same. In the case of self-employed independent drivers all test results shall be submitted by the testing facility to the Chief of Police, who shall notify the taxicab carrier company of record, of any positive results.

H. The driver's permit of any person convicted of illegally using, possessing, selling, or driving under the influence of, any controlled substance or alcohol, shall be subject to suspension or revocation pursuant to the provisions of this Code.

I. A test in any jurisdiction shall be accepted as meeting the requirements of this Ordinance. Any negative test result shall be accepted for one (1) year as meeting a requirement for periodic permit renewal testing or any other periodic testing in any jurisdiction, if the driver has not tested positive subsequent to a negative result. However, an alternative negative result shall not be accepted as meeting the preemployment testing requirement for any subsequent employment, or any testing requirements under the program, other than periodic testing.

J. Upon the request of a driver applying for a permit, the Chief of Police shall provide the driver with a list of the consortia certified pursuant to Part 382 (commencing with Section 382.101) of Title 49 of the Code of Federal Regulations that the City knows offer tests in or near the jurisdiction.

K. All test results are confidential and shall not be released without the consent of the driver, except as authorized or required by law.

L. No evidence derived from a positive test result pursuant to the program shall be admissible in a criminal prosecution concerning unlawful possession, sale or distribution of controlled substances. (Ord. C-7574 § 4, 1998)

5.80.320 Driver permit—Revocation.

A. The Chief of Police shall summarily revoke any driver's permit issued under the provisions of this Chapter provided he has knowledge that the holder thereof:

1. Has been convicted of violating any of the applicable provisions of this Code, or

2. Has been convicted within the last seven (7) years of a felony, or the violation of any of the provisions of the State narcotic laws, or of assault, battery, or a crime involving moral turpitude, or

3. Has been convicted within the last five (5) years of driving while under the influence of intoxicants or narcotics or reckless driving, or

4. Has a driving record which shows a negligent operator point count as specified in Sections 12810 and 12810.5 of the California Vehicle Code. For the purposes of this paragraph, a plea or verdict of guilty, a finding of guilty by a court, a plea of nolo contendere, or a forfeiture of bail is deemed a conviction.

5. Has had more than three (3) chargeable vehicle accidents within the last three (3) years or more than one (1) such accident within the last year.

6. Has tested positive for alcohol or controlled substances as provided in Section 5.80.315.

B. Notwithstanding the provisions of this Section and Section 5.80.310, the Chief of Police may, using his sound discretion, take into account any mitigating circumstances concerning any of the criminal convictions, moving violations and acci-

dents enumerated therein, in deciding whether the applicant for a taxi driver's permit is a competent person to operate a taxi under the provisions of this Code, and in issuing, revoking or suspending the driver's permit. In utilizing his discretion, the Chief of Police shall take into account the following factors:

1. The severity of the crime in question;

2. The extent of the applicant's prior criminal record;

3. The nature of and circumstances surrounding the crime in relation to the type of permit sought by the applicant.

C. Any driver who may be aggrieved by the action of the Chief of Police in suspending or revoking his driver's permit, or any applicant who may be aggrieved by the denial by the Chief of Police of this application, within ten (10) days from such denial, suspension or revocation, may apply to the City Council for a hearing as to the matters in question, whereupon a time for the hearing shall be set, which shall be not later than thirty (30) days thereafter, at which time a full and complete hearing shall be held before the City Council. At the conclusion of the hearing the City Council may, exercising its sound discretion, affirm, modify or overrule the action of the Chief of Police, in which latter event the driver's permit shall be granted or reinstated, as the case may be, and the decision of the City Council shall be final. Such hearing, or application therefor, shall not, however, affect the order of suspension or revocation of the Chief of Police, unless and until acted upon and revoked or modified by the City Council.

D. The City Manager or his designee shall have power to suspend a driver's permit issued pursuant to the terms of this Chapter when he has personal knowledge of any violation of law or of this Chapter by the holder thereof. Such suspension shall be subject to ratification, modification or rescission by the City Council at any meeting thereof following such suspension and within thirty (30) days thereafter.

E. Any driver whose driver's permit is revoked pursuant to the provisions of this Chapter shall not be reinstated or granted a new permit before the expiration of one (1) year from the date of any such revocation. (Ord. C-7574 § 3, 1998; Ord. C-7372 § 2, 1995: Ord. C-6260 § 1 (part), 1986)

5.80.330 ID permit in vehicle.

No driver shall operate or be in charge of any vehicle without displaying in a conspicuous place a valid driver's ID issued pursuant to this Chapter, and no driver shall fail, while operating or in charge of such vehicle, to have in his immediate possession such driver's permit. (Ord. C-7423 § 12, 1996: Ord. C-6260 § 1 (part), 1986)

5.80.332 Misuse of driver's ID.

No driver operating or in charge of any vehicle covered by this Chapter shall display upon his person a driver's ID issued to another or use for the purpose of operating such vehicle a driver's permit issued to another. (Ord. C-7423 § 31, 1996: C-6260 § 1 (part), 1986)

5.80.340 Unlicensed operator prohibited.

No carrier, as defined in this Chapter, shall permit the operation of any vehicle covered by this Chapter by any person other than a holder of a driver's permit required by this Chapter. (Ord. C-6260 § 1 (part), 1986)

5.80.350 Carrier or employee operation.

A. Vehicles covered by this Chapter shall be operated only by the carrier or by a person employed by the carrier. Neither the carrier nor any person operating such vehicle shall enter into any contract, agreement or understanding between themselves by the terms of which any such person pays to, or for the account of, the carrier a fixed or determinable sum for the use or operation of such vehicle.

B. Notwithstanding the provisions of Subsection 5.80.350.A, a carrier having a valid taxicab permit issued pursuant to the provisions of this Chapter may operate or cause to be operated vehicles by persons who are other than employees of the carrier; provided, however, that the carrier

shall be fully responsible to the City for the operations conducted by the drivers and operators of any permitted vehicles. Further, should the operations of permittee fail to provide taxicab service to the public as required by public convenience and necessity, the terms of the permit and any other applicable laws, ordinances and orders of the City Council, the carrier's permit is subject to revocation or suspension pursuant to the terms of Section 5.80.100. (Ord. C-6317 § 1 (part), 1986: Ord. C-6305 § 2, 1986: Ord. C-6260 § 1 (part), 1986)

5.80.360 Stands.

No carrier or driver of any vehicle operated pursuant to the terms of this Chapter shall stand any such vehicle while awaiting employment at any place upon any portion of the street of the City other than at a place designated as a stand by the City Council for the nonexclusive use of such vehicles. (Ord. C-6260 § 1 (part), 1986)

5.80.370 Emergency or temporary service.

Notwithstanding any other provision contained in this Chapter, whenever, by reason of strikes, lockouts, public disaster, or other cause beyond the control of the City, there is a substantial reduction in public transportation facilities available for mass transportation in the City or if, by reason of special, temporary circumstances within the City which require increased transportation facilities and the presently authorized providers are unable to meet the increased demand for such services and the City Council determines that, by reason thereof, the public convenience and necessity require augmentation of the then-operating transportation facilities, the City Council shall have the power to grant special, temporary revocable permits to carrier; other than those permitted under the terms of this Chapter to operate their vehicles. Such special and limited operations shall be conducted as authorized by the City Council, and shall be governed by all applicable provisions as to rates, cruising, loading, operation of meters or passenger limits in cabs as may be provided by the City Council and contained in such special permits. (Ord. C-6260 § 1 (part), 1986)

5.80.380 Notice method.

Whenever a notice is required to be given, unless different provisions are otherwise specifically made in this Chapter, such notice may be given either by personal delivery thereof to the person to be notified, or by deposit in the United States mail in a sealed envelope, postage prepaid, addressed to the person to be notified at his last known business or residence address as the same appears in the public records, or other records pertaining to the matter to which the notice is directed. Service by mail shall be deemed to have been completed at the time of deposit in the post office. Proof of giving such notice may be made by an affidavit of any person over the age of eighteen (18) years, which affidavit shows service in conformity with this Chapter or other provisions of law applicable to the subject matter concerned. (Ord. C-6260 § 1 (part), 1986)

5.80.390 Penalty for violation.

Any person who violates any of the provisions of this Chapter, or of any permit issued by the City Council under this Chapter to any carrier, shall be guilty of a misdemeanor. (Ord. C-6260 § 1 (part), 1986)

5.80.400 Wheelchair Accessible Vehicles.

Authorized City Licensed Fleet shall have the ability to designate any operator within county jurisdiction to pick up pre-arranged trips requesting wheelchair accommodations. (ORD-26-0007 § 14, 2026)

Editor's note—ORD-26-0007 § 14, amended § 5.80.400 in its entirety to read as herein set out. Former § 5.80.400 was entitled "Taxi Regulation Modernization Pilot Program," and derived from ORD-15-0014 § 1, 2015.

5.80.410 Vehicle Safety Features.

A. Vehicle safety equipment. Every taxicab operated under this Chapter shall be equipped with and maintain in good working order all safety equipment required by applicable federal, state,

and local law, including but not limited to seat belts, lighting, mirrors, windshield wipers, horns, braking systems, and emergency warning devices.

B. On-board security camera systems.

1. The City Manager may, by regulation, require Authorized City Licensed Fleets and taxicab permittees to install and maintain an on-board video security camera system in taxicabs, for the purpose of promoting public safety and deterring criminal activity.

2. Any camera system shall be approved by the City Manager.

3. Audio recording shall not be required unless expressly authorized by law.

C. Use and access to recordings.

1. Recordings from any required security camera system may be used solely for legitimate safety, law enforcement, regulatory, or investigatory purposes.

2. Access to recordings by the City shall be limited to circumstances authorized by law, including pursuant to a subpoena, warrant, court order, or other lawful process.

3. Nothing in this Section authorizes general or routine monitoring of drivers or passengers by the City.

D. Notice to passengers. Each taxicab equipped with a security camera system shall display signage, in a form approved by the City Manager, informing passengers that video recording may occur for safety purposes.

E. Maintenance and compliance. Authorized City Licensed Fleets and permittees shall ensure that all required safety equipment and security systems are properly maintained, operational, and promptly repaired or replaced when defective. Failure to comply with this Section shall constitute grounds for administrative enforcement, permit suspension, or revocation pursuant to this Chapter. (ORD-26-0007 § 15, 2026)

5.80.420 Passenger Transport; Wheelchairs, Packages, and Service Animals.

A. A taxicab operator shall not refuse to transport a passenger's foldable wheelchair, personal luggage, groceries, or packages when accompanied by a passenger, or small pets in carriers, unless the item would reasonably cause damage, unsafe conditions, or unsanitary conditions in the vehicle.

B. A taxicab operator shall not refuse to transport a service animal, and shall not intentionally interfere with the use of a service animal, except as permitted by applicable law, including the Americans with Disabilities Act and the California Unruh Civil Rights Act.

C. Upon request, a taxicab operator shall provide reasonable assistance to a passenger by placing luggage, packages, and wheelchairs in and out of the taxicab, unless doing so would be unsafe for the operator or passenger. (ORD-26-0007 § 16, 2026)

5.80.430 Taxicab Operator Driver's License.

Authorized City Licensed Fleets and taxicab permittees shall ensure that each Taxicab Operator maintains a valid California driver's license issued by the California Department of Motor Vehicles, and shall provide proof in a manner approved by the Chief of Police. (ORD-26-0007 § 17, 2026)

5.80.440 Expedited Driver Activation.

The City may establish procedures, administered by the Police Department, for expedited review of applications for driver permits for taxicab operators, consistent with public safety and background investigation requirements. The City may also establish expedited vehicle inspection scheduling through the City Manager or designee. Nothing in this Section creates an entitlement to expedited processing or limits the City's discretion to require additional review. (ORD-26-0007 § 18, 2026)

CHAPTER 5.81 TOBACCO RETAIL PERMIT*

5.81.005 Purpose and intent.

It is the intent of the City Council, in enacting this Chapter, to encourage responsible tobacco

***Editor's note**—ORD-14-0003 § 1, adopted Mar. 4, 2014, amended Ch. 5.81 in its entirety to read as herein set out. Former Ch. 5.81 §§ 5.81.005—5.81.100, pertained to similar subject matter, and derived from ORD-08-0003 § 1, (part), 2008.

retailing and to discourage violations of tobacco-related laws, especially those which prohibit or discourage the sale or distribution of tobacco and nicotine products to minors. (ORD-14-0003 § 1, 2014)

5.81.010 Definitions.

The following words as used in this Chapter shall have the meanings set forth in this Section unless otherwise clearly apparent from the context:

A. "Characterizing flavor" means an artificial or naturally-occurring substance that has a distinguishable taste or aroma, or both, other than the taste or aroma of tobacco, imparted by a tobacco product or any byproduct produced by the tobacco product. Characterizing flavors include, but are not limited to, tastes or aromas relating to any fruit, chocolate, vanilla, honey, candy, cocoa, dessert, alcoholic beverage, menthol, mint, wintergreen, herb, or spice. A tobacco product shall not be determined to have a characterizing flavor solely because of the use of additives or flavorings or the provision of ingredient information. Rather, it is the presence of a distinguishable taste or aroma, or both, as described in the first sentence of this definition, that constitutes a characterizing flavor.

B. "Constituent" means any ingredient, substance, chemical, or compound, other than tobacco, water, or reconstituted tobacco sheet, that is added by the manufacturer to a tobacco product during the processing, manufacture, or packing of the tobacco product.

C. "Electronic cigarette" means an electronic and/or battery-operated device, the use of which may resemble smoking, which can be used to deliver an inhaled dose of nicotine or other substances in aerosolized or vaporized form to a person, including, but not limited to, any other device manufactured, distributed, marketed, or sold as an electronic cigarette, an electronic cigar, an electronic cigarillo, an electronic pipe, an electronic hookah, vapes, vaporizers, vape pens, or any other product name or descriptor that can be used to deliver nicotine in aerosolized or vaporized form to a person, including any component, part, or accessory of the device that is intended or reasonably expected to be used during its operation, whether or not sold separately. Electronic cigarette does not include any product that has been approved by the United States Food and Drug Administration for sale as a tobacco cessation product or for other therapeutic purposes where that product is marketed and sold solely for such approved use.

D. "Electronic cigarette paraphernalia" means any item designed, marketed, or reasonably expected to be used for the consumption, use, or preparation of an electronic cigarette, which includes, but is not limited to, cartridges, cartomizers, e-liquid, smoke juice, tips, atomizers, electronic cigarette batteries, electronic cigarette chargers, and any other item designed for the preparation, storing, charging, or use of electronic cigarettes.

E. "E-liquid" means any liquid, gel or other substance designed for use with an electronic cigarette, including but not limited to, e-juice, smoke juice or any other product name or descriptor. Excluded from this definition is any non-nicotine containing liquid, gel or other substance that contains cannabis in any form as its active ingredient.

F. "Flavored tobacco product" means any tobacco product that contains a constituent that imparts a characterizing flavor.

G. "Flavored shisha tobacco product" means any shisha tobacco product that contains a constituent that imparts a characterizing flavor.

H. "Hookah" means a type of waterpipe, used to smoke shisha or other tobacco products, with a long flexible tube for drawing aerosol through water. Components of a hookah may include heads, stems, bowls, and hoses.

I. "Hookah tobacco retailer" means a tobacco retailer that is engaged in the retail sale of shisha tobacco products, hookah, and hookah smoking accessories.

J. "Loose-leaf tobacco" consists of cut or shredded pipe tobacco, usually sold in pouches, excluding any tobacco product which, because of its appearance, type, packaging, or labeling, is

suitable for use and likely to be offered to, or purchased by, consumers as tobacco for making cigarettes, including roll-your-own cigarettes.

K. "Nominal cost" means the cost of any item imposed for the transfer from one person to another for less than the total of: (1) twenty-five percent (25%) of the fair market value of the item exclusive of taxes and government fees; plus (2) all taxes and government fees previously paid and all taxes and government fees still due on the item at the time of transfer.

L. "Nonsale distribution" means to give, furnish, or cause or allow to be given or furnished within the jurisdictional limits of the City, a tobacco product, tobacco paraphernalia, an electronic cigarette or electronic cigarette paraphernalia at no cost or at nominal cost to a person who is not a retailer.

M. "Premium cigar" means any cigar that is handmade, is not mass produced by use of mechanization, has a wrapper that is made entirely from whole tobacco leaf, and has a wholesale price of no less than twelve dollars ($12). A premium cigar does not have a filter, tip, or nontobacco mouthpiece and is capped by hand.

N. "Proprietor" means a person with an ownership or managerial interest in a business. An ownership interest shall be deemed to exist when a person has a ten percent (10%) or greater interest in the stock, assets, or income of a business other than the sole interest of security for debt. A managerial interest shall be deemed to exist when a person can or does have, or can or does share, ultimate control over the day-to-day operations of a business.

O. "Shisha tobacco product" means a tobacco product smoked or intended to be smoked in a hookah. "Shisha tobacco product" includes, and may be referred to as, hookah tobacco, waterpipe tobacco, massel, narghile, and argileh. "Shisha tobacco product" does not include electronic cigarettes.

P. "Self-service display" means the open display or storage of tobacco products, tobacco paraphernalia, electronic cigarettes or electronic cigarette paraphernalia in a manner that is physically accessible in any way to the general public without the assistance of a retailer or employee of a retailer and a direct person-to-person transfer between a retailer or employee of a retailer and any other person. A vending machine is a form of self-service display.

Q. "Tobacco paraphernalia" means any item designed, marketed, or reasonably expected to be used for the consumption, use, or preparation of a tobacco product, including, but not limited to, cigarette papers or wrappers, pipe holders of smoking materials of all types, cigarette rolling machines, hookahs, and any other item designed for the smoking or ingestion of tobacco products.

R. "Tobacco product" means the following:

1. Any product containing, made from, or derived from tobacco or nicotine, whether natural or synthetic, that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed, vaped, or ingested by any other means, including, but not limited to, cigarettes, cigars, cigarillos, chewing tobacco, pipe tobacco, snuff, shisha; or

2. Any electronic cigarette; or

3. Any e-liquid; or

4. Any tobacco paraphernalia; or

5. Any electronic cigarette paraphernalia; or

6. "Tobacco product" does not include drugs, devices, or any combination of products authorized by the United States Food and Drug Administration, as those terms are defined in the Federal Food, Drug and Cosmetic Act.

S. "Tobacco retailer" means any person, in whole or in part, and all associated owners, employees, managers, or agents, who sells, offers for sale, or offers to exchange for any form of consideration, tobacco, tobacco products or tobacco paraphernalia; "tobacco retailing" shall mean engaging in any of these things. (ORD-21-0012 § 2, 2021; ORD-14-0003 § 1, 2014)

5.81.020 Permit—Required.

A. No person or proprietor shall act as a tobacco retailer without first obtaining and maintaining a valid permit for each location at which tobacco retailing is to occur or otherwise as pro-

vided in this Chapter. In addition to the criminal penalties attached to violations of this Section, tobacco retailing without a valid tobacco permit is a public nuisance.

B. No permit will be issued to authorize tobacco retailing at any place other than a fixed location; retailing by persons on foot and tobacco retailing from vehicles is prohibited.

C. Violations of this Chapter may constitute an infraction or a misdemeanor.

D. In addition to the above remedy, a violation of this Chapter may be remedied by a civil injunction or abatement action initiated by the City Attorney. (ORD-14-0003 § 1, 2014)

5.81.030 Permit—Application.

A. Any person or proprietor desiring a permit to engage in tobacco retailing as provided by this Chapter shall file an application with the City Manager, City Health Officer or designee.

B. An application for a tobacco retailer's permit shall be submitted in the name of each proprietor proposing to conduct retail tobacco sales and shall be signed by each proprietor or an authorized agent thereof.

C. It is the responsibility of each proprietor to be informed of the laws affecting the issuance of a tobacco retailer's permit.

D. The application for a tobacco retailing permit shall be filed on a form and shall contain such information as is requested by the City, including the following:

1. The name, mailing address and telephone number of the applicant, and the signature of the applicant or an authorized person thereof;

2. The business name, address and telephone number of each location for which a tobacco retailing permit is sought;

3. Photo identification of the person seeking the permit;

4. Proof of State Board of Equalization Tobacco License; and

5. Such other information as may be required by the City Manager or designee, consistent with the purpose of this Chapter, this Code and applicable law.

E. The City Manager or designee shall receive any fee required for the tobacco retail permit. The fee for such permit shall be determined by the City Council by resolution.

F. The City Manager, City Health Officer or designee shall issue the tobacco retail permit to the applicant unless: such application is incomplete or inaccurate, the application seeks authorization for tobacco retailing by a person or location for which a suspension is in effect under this Chapter, or the application seeks authorization for tobacco retailing that is unlawful under this Chapter, this Code or applicable law.

G. Tobacco products and tobacco paraphernalia offered for sale or exchange in violation of this Chapter are subject to seizure and forfeiture. Forfeited tobacco products and tobacco paraphernalia may be destroyed. (ORD-14-0003 § 1, 2014)

5.81.040 Permit—Issuance.

A. The tobacco retail permit shall clearly state the following on its face:

1. The legal owner(s) of the permitted premises;

2. Doing Business As (dba), if any;

3. The LBMC Chapter pursuant to which the permit was issued;

4. The business and mailing address of the owner of the permitted premises;

5. The date the permit was issued; and

6. The permit number.

B. The tobacco retail permit shall not be transferable or assignable from one (1) person or proprietor to another or from one (1) location to another location. If the information required in the permit application changes, a new tobacco retailer's permit is required before the business may continue to act as a tobacco retailer. For example, if a proprietor to whom a permit has been issued changes business location, that proprietor must apply for a new permit prior to acting as a tobacco retailer at the new location. Or if the business is sold, the new owner must apply for a permit for that location before acting as a tobacco retailer.

C. Each permittee shall prominently display the permit at each location where tobacco retailing occurs.

D. Possession of a valid tobacco retail permit under this Chapter does not entitle the permittee to engage in an activity which is otherwise prohibited by law. Violations of any tobacco-related laws shall constitute violations of the tobacco retail permit issued pursuant to this Chapter. In addition, a violation of California Penal Code Section 308 or any violation of the Long Beach Municipal Code, may subject the permit holder to suspension or revocation of their permit.

E. No person shall engage in tobacco retailing, if the person is below the minimum age allowed by State law for selling or possessing any tobacco product. (ORD-14-0003 § 1, 2014)

5.81.050 Permit—Fees.

An annual fee shall be charged for a tobacco retail permit. The fee shall be generally calculated so as to recover the cost of both the administration and enforcement of the tobacco retail permit program, including the cost of issuing the permits, renewing the permits, administering the retailer permit program, retailer education, retailer inspection and compliance checks, documentation of violations, adjudications, and convictions, and prosecution of violators. All fees are nonrefundable, except as required by law. Fees shall not be prorated. (ORD-14-0003 § 1, 2014)

5.81.060 Permit—Term and renewals.

All tobacco retail permits issued under this Chapter will be for a period not to exceed one (1) year in duration. The City Manager or his or her designee shall automatically renew such permits if the City Manager or designee determines that the permit holder complied with the provisions of this Chapter and applicable laws during the preceding permit term, and if the permit holder pays the annual fee required by this Chapter. All tobacco retailers must notify the City in writing if they discontinue selling tobacco products. (ORD-14-0003 § 1, 2014)

5.81.070 Permit—Retailing requirements and prohibitions.

A. Sale to minors prohibited. It shall be a violation of the permit to sell, give or furnish, or cause to be sold, given or furnished, a tobacco product or tobacco paraphernalia to a natural person under twenty-one (21) years of age in any place within the City.

B. Positive identification required. No retailer shall sell, give or furnish a tobacco product or tobacco paraphernalia to a natural person who appears to be under the age of twenty-seven (27) years without first examining identification to confirm that the recipient is at least twenty-one (21) years of age.

C. Self-service displays of tobacco products or tobacco paraphernalia are prohibited.

D. Nonsale distribution prohibited. No person, motivated by an economic or a business purpose, shall engage in the nonsale distribution of any tobacco product or tobacco paraphernalia in any public place.

E. It is a violation of the permit to violate any federal, State, or local laws relating to youth and tobacco products or youth and tobacco paraphernalia, including, for example, violations of: California Penal Code Section 308; the Stake Act (California Business and Professions Code Sections 22950 et seq.); any laws relating to self-service displays, signage, sale of bidis or single cigarettes, pack size, sampling, or mail order and internet sales; or any other law relating to youth and tobacco products. (ORD-23-0015 § 1, 2023; ORD-21-0012 § 3, 2021; ORD-14-0003 § 1, 2014)

5.81.080 Permit—Retailing of electronic cigarettes and electronic cigarette paraphernalia.

All permitting requirements and any other regulatory provisions of this Chapter relating to tobacco retailing shall apply the same to the retailing of electronic cigarettes and electronic cigarettes paraphernalia. (ORD-14-0003 § 1, 2014)

5.81.090 Permit—Violations and penalties.

In addition to the administrative penalties detailed pursuant to Section 9.65.060 of the Long

Beach Municipal Code, violation of or failure to comply with any provision of Chapter 5.81 may result in the following:

A. For the first violation in any five (5) year period, the tobacco retailer's tobacco retailing permit may be suspended for ten (10) business days;

B. For the second violation in any five (5) year period, the tobacco retailer's tobacco retailing permit may be suspended for thirty (30) business days;

C. For the third violation in any five (5) year period, the tobacco retailer's tobacco retailing permit may be revoked;

D. A tobacco retailer whose permit has been revoked may not apply for a new tobacco retailer's permit for a period of one hundred twenty (120) calendar days after the effective date of revocation.

E. Any decision to suspend or revoke a permit may be appealed pursuant to Section 5.06.010 of the Long Beach Municipal Code.

F. During any period of permit suspension or revocation, the tobacco retailer must remove from public view all tobacco products and tobacco-related advertising. (ORD-14-0003 § 1, 2014)

5.81.100 Severability.

If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Chapter, or its application to any person or circumstance, is for any reason held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases of this Chapter, or its application to any other person or circumstance. The City of Long Beach declares that it would have adopted each section, subsection, subdivision, paragraph, sentence, clause or phrase hereof, irrespective of the fact that any one (1) or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases hereof be declared invalid or unenforceable. (ORD-14-0003 § 1, 2014)

5.81.110 Administration and enforcement.

The provisions of this Chapter shall be administered by the Department of Health and Human Services, the Long Beach City Attorney and the Long Beach City Prosecutor offices. (ORD-14-0003 § 1, 2014)

CHAPTER 5.82 TOW OPERATIONS

5.82.010 Definitions.

The following words and phrases, as used in this Chapter, shall be construed to have the meanings respectively ascribed to them in this Section, unless the context requires a different meaning.

A. "Official Police tow" means a tow operation under contract to the City to respond to Police initiated requests for tow service.

B. "Tow operation" means any business which provides towing service for motor vehicles either on public highways or private property.

C. "Tow unit" means any motor vehicle, equipped to transport, carry or tow not more than two (2) motor vehicles, or used exclusively to render aid to other motor vehicles.

D. "Tow truck driver" means the driver of a tow unit, who is employed by a permitted tow operation business. (Ord. C-7423 § 29, 1996: Ord. C-6260 § 1 (part), 1986)

5.82.020 Towing operation permit—Required.

A. No person shall operate, or cause to be operated, nor shall any person employ, permit or allow another to operate or cause to be operated, a tow operation without a permit first having been approved by the Chief of Police.

B. A valid towing operation permit does not authorize the permittee to perform work for which a tow truck driver permit is required. (Ord. C-7423 § 29, 1996: Ord. C-6260 § 1 (part), 1986)

5.82.030 Towing operation permit—Application.

Every applicant for a permit required by this Chapter shall file with the Director of Financial Management a written application containing the name of the person, firm or corporation making the application, and if the operation is to be conducted under a fictitious name, the application

shall contain, in addition to the fictitious name, the name or names of each and all persons having an interest in the operation. The application shall specify the location by street and number of the premises in or upon which the operation is to be conducted. The application shall contain a statement that applicant has complied with all State laws and regulations affecting the operation and shall be made on forms to be furnished by the Director of Financial Management. (Ord. C-7423 § 29, 1996: Ord. C-6260 § 1 (part), 1986)

5.82.031 Permit nontransferable.

A. Any permit issued pursuant to this Chapter 5.82 shall not be transferred or assigned to another person for any purpose. Any change in ownership shall require a new permit. Regardless of any change in ownership, the permittee shall be required to notify the Director of Financial Management of any change in the business name.

The following shall be deemed a change of ownership:

1. For general partnership personnel, the addition or substitution of a new partner;

2. For a limited partnership, the addition or substitution of a new partner or the addition or substitution of a general partner not listed as a partner in the application for the permit previously approved;

3. For a corporation, more than fifty percent (50%) of the shares of stock is transferred to or acquired by persons other than those designated in the application for the permit previously approved. (Ord. C-7423 § 29, 1996)

5.82.035 Tow operation permit renewal.

Prior to renewal of a tow operation permit, the permittee shall biennially:

A. Submit to a background investigation;

B. Have all vehicles pass inspection as required by Section 5.82.060;

C. Provide evidence that permittee has maintained insurance, without lapse in coverage, as required by this Chapter; and

D. Submit a list of all employees currently employed as tow truck drivers. (Ord. C-7423 § 29, 1996)

5.82.040 Issuance and display of decal.

At the time of issuance of a permit under Section 5.82.020, the Director of Financial Management shall also issue one (1) identification decal for each approved tow unit proposed to be operated within the City under the permit. Approval shall be contingent upon the satisfactory compliance with the insurance and vehicle inspection requirements of this Chapter. The decal shall be maintained in the front right window of each approved vehicle. (Ord. C-7423 § 29, 1996: Ord. C-6260 § 1 (part), 1986)

5.82.050 Towing operation permit—Grounds for denial/Revocation/Suspension.

A. The Director of Financial Management may suspend, revoke, or deny an application for a permit to conduct towing operations on the following grounds:

1. The applicant has been convicted within the last seven (7) years of a felony or a crime involving fraud, theft, auto theft, car tampering, any similar crime, or any violation of State narcotic law;

2. The applicant has been convicted within the last five (5) years of driving while under the influence of intoxicants or narcotics or reckless driving;

3. The applicant has a driving record which shows a negligent operator point count as specified in Sections 12810 and 12810.5 of the California Vehicle Code. For the purposes of this paragraph, a plea or verdict of guilty, a finding of guilty by a court, a plea of nolo contendere, or a forfeiture of bail shall be deemed a conviction;

4. The applicant has had more than three (3) chargeable vehicle accidents within the last three (3) years or more than one (1) such accident within the last year;

5. The premises are not properly zoned for tow operations;

6. The applicant or any other person has violated any provision of this Code, State or Federal law arising out of and in connection with the practice and/or operations of the business for which the permit has been granted;

7. The applicant or any other person under his/her control or supervision has maintained a nuisance which was caused by any act performed in the exercise of any rights granted by the permit required under the provisions of this Code;

8. The applicant, his/her employee, agent or any person connected or associated with the licensee or permittee as partner, director, officer, stockholder or manager has knowingly made any false, misleading, or fraudulent statement of material fact in the application for the permit required under the provisions of this Code;

9. The applicant has failed to comply with any condition which may have been imposed as a condition for the issuance of the permit required under the provisions of this Code;

10. The applicant has failed to pay the permit fees that are provided for under the provisions of this Code when due;

11. The applicant has failed to maintain insurance as required by law to protect against loss or damage to the public;

12. Failure to maintain vehicles utilized in connection with the towing operation in a safe condition and in compliance with the California Vehicle Code.

B. Notwithstanding the provisions of this Section, in formulating a recommendation for approval or denial of a permit, the Chief of Police may, using his/her sound discretion, take into account any mitigating circumstances concerning any of the criminal convictions, moving violations

and accidents enumerated therein, in deciding whether the applicant for a tow operations permit is a competent person to operate a tow operation under the provisions of this Code. In utilizing his/her discretion, the Chief of Police shall take into account the following factors:

1. The severity of the crime in question;

2. The extent of the applicant's prior criminal history; and

3. The nature of and circumstances surrounding the crime in relation to the type of permit sought by the applicant. (Ord. C-7423 § 29, 1996: Ord. C-6260 § 1 (part), 1986)

5.82.055 Permit—Reapplication.

Whenever a permit has been revoked or an application for a permit has been denied, no other application for a permit shall be considered for a period of one (1) year from the date of such revocation or denial.

This applies to any person whose permit was revoked or whose application was denied who later becomes a director or officer of a corporation, profit or nonprofit, or a member of a partnership or a person owning or possessing any portion of the shares of a corporation which seeks to obtain a new permit. This shall also apply to a corporation, profit or nonprofit, whose permit was revoked or application denied, to any of its directors or officers or to any person who owned any portion of its shares, who attempts by way of a new corporation or by the use of their individual names or by becoming a member of a partnership or a director or officer or a person owning or possessing any portion of the shares in another corporation to obtain a new permit. Whenever any permit is suspended, the provisions of this Section shall apply to the permittee during the period of suspension. (Ord. C-7423 § 29, 1996)

5.82.060 Inspections.

Every person to whom a permit is issued pursuant to Section 5.82.020 shall, annually on or before the expiration date of said permit, be subject to inspection, in accordance with the requirements of law, to all aspects of the tow operation so permitted, including, but not limited to, those grounds for permit denial set forth in Section 5.82.050. The inspections may include inspection of all tow units operated under the permit, which inspections shall be conducted in accordance with rules and regulations as set forth in this Chapter. (Ord. C-7423 § 29, 1996: Ord. C-6260 § 1 (part), 1986)

5.82.070 Tow truck driver—Permit required.

A. No person shall operate or drive a tow unit without a permit from the Chief of Police.

B. No person shall be employed as a tow unit operator until such time as said person has received a written permit in the form of an identification card from the Chief of Police to act as a tow truck driver.

C. Every person directly engaged in the operation of a tow unit shall display to any Police Officer, upon request, an identification card issued by the Chief of Police identifying the bearer as a permitted tow truck driver. The identification card shall bear the name, physical description, business address and photograph of the permittee and the name and address of the garage employing the permittee.

D. The permittee shall return the identification card to the Chief of Police immediately upon suspension, revocation or termination of employment or permit expiration. (Ord. C-7423 § 29, 1996: Ord. C-6260 § 1 (part), 1986)

5.82.100 Tow truck driver permit—Grounds for denial/Revocation/Suspension.

A. The Chief of Police may revoke, suspend, or deny an application for a permit as a tow truck driver on the following grounds:

1. The applicant has been convicted within the last seven (7) years of a felony or a crime involving fraud, theft, auto theft, car tampering, any similar crime, or any violation of any State narcotic law;

2. The applicant has been convicted within the last five (5) years of driving while under the influence of intoxicants or narcotics or reckless driving; or

3. The applicant has a driving record which shows a negligent operator point count as specified in Sections 12810 and 12810.5 of the California Vehicle Code. For the purposes of this paragraph, a plea or verdict of guilty, a finding of guilty by a court, a plea of nolo contendere, or a forfeiture of bail is deemed a conviction; or

4. The applicant has had more than three (3) chargeable vehicle accidents within the last three (3) years or more than one (1) such accident within the last year; or

5. The applicant has knowingly made any false, misleading or fraudulent statement of material fact in the application for the permit required under the provisions of this Chapter; or

6. The applicant has violated any provision of this Code, State or Federal law arising out of or in connection with the practice and/or operation of the business for which the permit is sought, has had his/her California driver's license revoked or suspended for driving-related offenses in the prior eighteen (18) month period; or has been convicted of or pled guilty to three (3) or more moving offenses under the California Vehicle Code in the prior twelve (12) months;

7. The applicant has failed to comply with any condition which may have been imposed as a condition for the issuance of a permit under the provisions of this Code;

8. The applicant has failed to pay any fees that are provided for under the provisions of this Code when due.

B. Notwithstanding the provisions of this Section and Section 5.10.310, the Chief of Police may, using his/her sound discretion, take into account any mitigating circumstances concerning any of the criminal convictions, moving violations and accidents enumerated therein, in deciding whether the applicant for a tow truck driver's permit is a competent person to operate a tow truck under the provisions of this Code, and in issuing, revoking or suspending the tow truck driver's permit. In utilizing his/her discretion, the Chief of Police shall take into account the following factors:

1. The severity of the crime in question;

2. The extent of the applicant's prior criminal record;

3. The nature of and circumstances surrounding the crime in relation to the type of permit sought by the applicant. (Ord. C-7423 § 29, 1996: Ord. C-6260 § 1 (part), 1986)

5.82.120 Operating rules and regulations.

Every person permitted under Chapter 5.82 shall comply with the following rules and regulations:

A. Every tow operation shall display at the business location the permittee's business name, address, and phone number. The lettering shall be a minimum of two inches (2") in width and six inches (6") in height. It shall be clearly visible and legible from the street at all times and shall be illuminated at all times after dark.

B. Every permittee, employee or agent shall maintain all towed and impounded vehicles in his/her care and custody and all commercial vehicles used in connection with his/her business, within the confines of his/her storage facility and not upon the public streets, sidewalks, or other public property.

C. Every permittee, employee or agent who removes a vehicle from private property without the knowledge or consent of the vehicle owner shall cause a written inventory to be made describing the condition of the vehicle. Any damage to the vehicle shall be described in this inventory. In the event the permittee, employee or agent opened the vehicle, the inventory shall also include a complete listing of all property contained therein. A copy of this inventory shall be made available to the vehicle owner.

D. A permittee, employee or agent may enter a locked vehicle in order to remove it from legally posted private property; however, he/she shall be liable (under provisions of section 22658(d) of the Vehicle Code) for any and all damages caused to the vehicle.

E. Every permittee, employee or agent who removes a vehicle from private property without the vehicle owner's knowledge or consent shall cause the vehicle to be available for release:

1. During a minimum period of four (4) hours after impounding or towing the vehicle from pri-

vate property. If the vehicle is towed or impounded after the normal business hours of the permittee, no additional release charges may be charged by permittee until the minimum period of four (4) hours above mentioned has elapsed; and

2. At the set fee which shall not exceed the maximum amounts set by resolution of the City Council.

F. Every permittee, employee or agent impounding a vehicle from private property without the vehicle owner's knowledge or consent shall ascertain whether the vehicle has been previously reported stolen or whether it is wanted by law enforcement for any other reason. If so, the permittee shall notify the Police Department of the vehicle location and such other information as may be required. If the vehicle is impounded, the tow operation will notify the Police Department of the impound and the storage location within sixty (60) minutes after the vehicle has been removed from private property.

G. Every permittee, employee or agent responsible for impounding a vehicle from legally posted private property shall furnish to the owner of the vehicle, upon request, the name and legal address of the person, company or corporation authorizing the impound in order that the vehicle owner may effectively fulfill his/her legal recourse under section 22658(d) of the California Vehicle Code. The owner of a tow operation shall maintain for a period of one (1) year, and make available for inspection by the Chief of Police, the following information pertaining to private impounds:

1. The name and legal address of the person, company or corporation authorizing a private impound;

2. The date, time and location of a private impound;

3. Description including license plate number and state of registration and condition of the vehicle impounded.

H. When the owner of a vehicle arrives at the scene prior to his vehicle being removed and disputes the tow operator's authority to remove the vehicle, it shall be the duty of the tow operator to release the vehicle and promptly leave the location.

I. No possessory lien shall attach to the vehicle for any fees due to the permittee unless and until the vehicle has been removed from private property and is in transit.

J. Each permittee shall at all times keep the permit and a copy of these rules and regulations posted in a conspicuous place on the premises. In addition, each tow driver must have a copy of these rules in his/her possession when operating a tow unit to enable him to inform the vehicle owner of the tow operator's legal authority and responsibilities. These rules shall be presented to the vehicle owner in the event of a dispute regarding the removal of the vehicle.

K. Tow operations, drivers and employees shall conduct their business in an orderly, ethical, and businesslike manner, and use every means to obtain and keep the confidence of the motoring public.

L. No permittee shall display, either on the premises or on a tow unit operated by the permittee, employees or agents, an official Police tow insignia without written permission from the Chief of Police.

M. Every tow operation shall maintain insurance as prescribed in regulations issued by the City Manager pursuant to Section 2.84.040. (Ord. C-7934 § 13, 2004; Ord. C-7461 §§ 7, 8, 1997; Ord. C-7423 § 29, 1996: Ord. C-6325 §§ 24, 25, 26, 1986; Ord. C-6260 § 1 (part), 1986)

5.82.140 Storage location.

All vehicles impounded in the City shall be stored within the City. (Ord. C-7423 § 29, 1996: Ord. C-6260 § 1 (part), 1986)

CHAPTER 5.86 WATER TAXIS, CHARTER BOATS AND SIMILAR VESSELS

5.86.010 Definitions.

The words and phrases defined in this Section whenever used in this Chapter shall have the meanings indicated unless the context requires a different meaning:

A. "Charter boat" means any vessel used or offered for use under a contractual arrangement whether written or oral by which one (1) or more persons for cash, credit or any other form of valuable consideration use a vessel belonging to another.

B. "Dock structure" means a landing facility for boats and shall include floats, moorings, slips, wharfs, piers and quays.

C. "Cruise boat" means any vessel regardless of the manner of propulsion used or offered for use for the purpose of carrying passengers on the waterways of the City of Long Beach within a limited designated area or along a designated route.

D. "Gondola" means any lightweight, shallow draft vessel regardless of the manner of propulsion used or offered for use in connection with the business of carrying passengers for hire.

E. "Permittee" means any person to whom a permit is issued pursuant to the provisions of this Chapter.

F. "Person" means and includes any individual, partnership, corporation, organization and association.

G. "Vessel" means and includes boats and ships of all kinds regardless of the manner of propulsion and every structure designed to be, adapted to be, or capable of being navigated or operated on water from place to place for the transportation of merchandise, persons, or for any other purpose for hire, including, without limitation, charter boats, gondolas and water taxis.

H. "Water taxi" means any vessel regardless of the manner of propulsion used or offered for use in connection with the business of providing point-to-point public transportation on water within the limits of the City of Long Beach.

I. "Water areas of the City" means and includes Alamitos Bay (as defined in Section 16.08.020), the Downtown Shoreline Marina (as defined in Section 16.08.090), Marine Stadium East (as defined in Section 16.08.150), Marine Stadium West (as defined in Section 16.08.160), Shoreline Harbor Marina (as defined in Section 16.08.260), the mouth of the Los Angeles River (as defined in Section 16.12.070), the nearshore ocean area (as defined in Section 16.12.080), the protected ocean swimming area (as defined in Section 16.12.100) and all waterways contiguous with any of the above-described areas within the corporate limits of the City of Long Beach, but excluding therefrom the water areas in the harbor district of the City of Long Beach. (Ord. C-6260 § 1 (part), 1986)

5.86.020 Permit—Required.

Except as otherwise provided by law or pursuant to a lease, contract or permit heretofore specifically authorized by the City Council, no person shall operate or cause to be operated nor shall any person employ, permit or allow another to operate or cause to be operated for hire by the general public a charter boat, cruise boat, gondola, water taxi or other vessel over any route within the water areas of the City originating from or having a destination at a dock structure located within the water areas of the City without a permit first having been obtained as provided in this Chapter. The permit required by this Section shall be in addition to any other permit, license or certification required by federal, State or local law, rule, regulation or order, including, but not limited to this Code. (Ord. C-6260 § 1 (part), 1986)

5.86.030 Permit—Application.

A. Any person desiring a permit to operate a charter boat, cruise boat, gondola, water taxi or other vessel subject to the provisions of this Chapter shall file an application therefor with the City Council. Such application shall be verified by oath of the applicant, if an individual person, or by oath of an officer or partner of the applicant, if applicant is a corporation, partnership, organiza-

tion or association. The applicant shall set forth the name, age and address of the applicant, if an individual, or if a corporation, its name, date and place of incorporation, address of its principal place of business and the names of all its officers together with their respective addresses. If applicant is a partnership, organization or association, then the application shall set forth the names of the partners comprising the partnership, association or company, together with their respective ages and addresses. The application shall also state the trade name or style, if any, under which the applicant proposes to operate, full information pertaining to the extent, character and quality of the proposed operations, a full statement of the applicant's assets and liabilities, the manner in which the proposed operations are to be conducted, the type, model, capacity and condition of the vessels proposed to be operated, the location or locations from which applicant proposes to embark and disembark passengers, the location where applicant's vessel or vessels are to be permanently berthed, a copy of the lease or permit evidencing applicant's right to use the location or locations for the purpose of the proposed operations, copies of current valid permits, licenses or certificates issued by other governmental agencies having jurisdiction over the proposed operations, and such other or additional information as the City Council may require.

B. The City Council shall, upon receipt of the application, make full and complete inquiry into the facts set forth therein and shall either grant or deny a permit upon the proposed terms, or upon terms other than those proposed. The permit shall be for a specified number of vessels which may be increased only by action of the City Council, which action may, at the discretion of the City Council, be taken without the necessity of an additional hearing. Such permit may, at the pleasure of the City Council, be for a prescribed period or for an indefinite period; provided that, in either event, the permit shall contain a clause authorizing its revocation or suspension in accordance with the ordinances of the City either in effect at the date of granting the permit or thereafter adopted. When issued, the permit shall constitute evidence of compliance with the terms of this Chapter and shall authorize the permittee to operate the described vessels under the conditions therein specified; subject, however, to the requirements, obligations and limitations imposed by other applicable laws, ordinances, and orders of governmental agencies having jurisdiction and shall become effective only upon procurement of a business license and upon payment of the taxes required by the business licensing provisions of this Code. (Ord. C-6260 § 1 (part), 1986)

5.86.040 Permit—Hearings and findings.

No permit shall be granted under this Chapter, except after a hearing thereon conducted under and in accordance with such rules and regulations as may, from time to time, be prescribed therefor by the City Council, nor until the City Council has determined that the public convenience and necessity require the operation proposed by the applicant for the permit. The City Council, in determining whether or not such facts exist, shall take into consideration the public demand for the service, the adequacy or inadequacy of service upon waterborne traffic within the water areas of the City, the financial responsibility of the applicant, the character of the vessels proposed to be furnished, and any and all other facts which the City Council may deem relevant. Before granting any such permit, the City Council shall require the City Manager to present, either orally or in writing, a report, together with his opinion, as to the existence of public convenience and necessity for the proposed operation. The burden of establishing the existence of public convenience and necessity shall always be borne by the applicant for a permit, and no such permit shall be issued unless there has been an affirmative showing of the existence of such public convenience and necessity by the applicant. (Ord. C-6260 § 1 (part), 1986)

5.86.050 Permit—Contents.

A. Each permit shall specify the route to be traveled and the hours of operation. No permittee

under this Chapter shall operate or permit operation of any vessel in violation of this Chapter or of the provisions of a permit issued pursuant to this Chapter. (Ord. C-6260 § 1 (part), 1986)

5.86.060 Rates—Establishment.

Except for rates and fares allowed by order of the Public Utility Commission, no rates or fares shall be placed in effect, charged, demanded or collected by any person for the transportation of passengers as covered by this Chapter until the City Council, after a hearing upon its own motion, or upon application, or upon complaint, has found and determined the rate to be just, reasonable and nondiscriminatory, nor in any wise in violation of any provision contained in this Chapter or any provision of law, nor until the rate or fare to be placed in effect, charged, demanded or collected has been established and authorized by the City Council. In establishing and authorizing such rates or fares, the City Council shall take into account and give due and reasonable consideration to the cost of all comparable transportation services, including length of haul, any additional transportation service performed or to be performed, or of any accessorial service and the value of the facilities reasonably necessary to perform such transportation service.

Upon the granting of any permit under the provisions of this Chapter, a copy of the permit defining the rates shall be transmitted by the City Council to the City Manager, who shall, thereupon, be charged with the duty of enforcement of the rates and the applicable provisions of this Chapter. (Ord. C-6260 § 1 (part), 1986)

5.86.070 Permit—Suspension or revocation.

A. The City Council shall have the power to suspend or revoke any or all of the permits granted under the provisions of this Chapter when it has been determined that any of the provisions of this Chapter have been violated, or that any permittee has failed to comply with the provisions of such permit or the rules and regulations of the City Council pertaining to the operation and to the extent, character and quality of the service. Before revocation of the permit, the holder thereof shall be entitled to a hearing thereon before the City Council and shall be notified thereof.

B. Notice of hearing on the suspension or revocation shall be in writing and shall be served at least ten (10) days prior to the date of the hearing thereon, such service to be upon the permittee, or its manager or agent, and which notice shall state the grounds of complaint against the permittee and shall also state the time when and the place where the hearing will be held. In the event the permittee cannot be found, or service of the notice cannot be made in the manner provided in this Section, then a copy of the notice shall be mailed, postage fully prepaid, addressed to the permittee at its last known address at least ten (10) days prior to the date of the hearing. (Ord. C-6260 § 1 (part), 1986)

5.86.080 Authorized service only.

No person granted a permit under this Chapter shall conduct any operation or give any service other than the operations or the services authorized by the permit granted by the City Council in accordance with the provisions of this Chapter. (Ord. C-6260 § 1 (part), 1986)

5.86.090 Rates—Display.

Every vessel subject to the provisions of this Chapter at all times shall have displayed thereon in a location or locations and in a manner which has been approved by the City Manager or his designee, the rates to be charged for the authorized service, which rates shall always be visible to all passengers in the vessel. (Ord. C-6260 § 1 (part), 1986)

5.86.100 Rates—Alteration.

The City Council shall have power, upon a hearing upon its own motion, or upon application, or upon complaint, to investigate a single rate or fare, or the entire schedule of fares in effect, charged, demanded or collected for the transportation of passengers covered by this Chapter and to establish a new rate, fare or schedule of fares in lieu thereof. Nothing contained in this Section

shall be construed to empower the City Council to establish or authorize any rate or fare or any schedule of fares that will, by means of rebate, discount, allowance, premium or penalty, violate the rates or fares specified in the permit or the provisions contained in this Chapter or any applicable provision of law. (Ord. C-6260 § 1 (part), 1986)

5.86.110 Rates—Discrimination prohibited.

No permittee, or any agent or employee thereof, shall charge, collect, demand, receive, arrange, solicit or bargain for any amount of compensation other than the rates or fares established and authorized by the City Council. (Ord. C-6260 § 1 (part), 1986)

5.86.120 Insurance.

Every permittee shall, as a condition precedent to the commencement of operations pursuant to the permit and to the issuance of a business license therefor, obtain insurance as prescribed in the regulations issued by the City Manager pursuant to Section 2.84.040. (Ord. C-7934 § 14, 2004: Ord. C-6260 § 1 (part), 1986)

5.86.130 Inspection of vessels.

A. All vessels subject to the provisions of this Chapter shall, before being placed in service, be in a seaworthy condition, certified by the United States Coast Guard for carrying the number of passengers to be carried on the vessel. Such vessels shall at all times be kept in a clean and sanitary and seaworthy condition and in good state of repair and shall be subject to inspection by the City Council by and through the City Manager or his designee. Any vessel which becomes unsafe or unseaworthy either from the standpoint of its state of repair or its condition of obsolescence shall be retired from service upon order of the City Council, and no vessel which has been so retired shall be again operated in such service except with approval of the City Manager or his designee.

B. In the event the condition of any vessel, in the opinion of the City Manager or his designee, is so unclean, unsightly or unseaworthy as to be undesirable for use by the public, the City Manager or his designee may require the vessel to be immediately withdrawn from service and the vessel shall not be again placed in service until approved by the City Manager or his designee. (Ord. C-6260 § 1 (part), 1986)

CHAPTER 5.87 RESERVED*

CHAPTER 5.88 SMOKING LOUNGES

5.88.010 Purpose and intent.

The City Council finds that a regulatory process is necessary for reviewing, approving and enforcing related business and public health codes for smoking lounges as defined in this Chapter. It is the intent of this Chapter to establish regulatory provisions that allow the City or such persons as the City may designate to regulate smoking lounges operating in the City. The issuance of any smoking lounge permit under this Chapter shall not be deemed permission or authorization for a business to operate in any manner otherwise prohibited by local, State or federal law. (ORD-09-0038, § 3, 2009)

5.88.020 Definitions.

The following words as used in this Chapter shall have the meanings set forth in this Section unless otherwise clearly apparent from the context:

A. "Director of Financial Management" means the Director of Financial Management of the City of Long Beach, or his or her designee.

B. "Food" means any raw, cooked or processed edible article, substance, ice, beverage or ingredient, used or intended to be used in whole or in part as food, drink, liquor, confection or condiment for human consumption.

C. "Health Officer" means and includes the Health Officer of the City of Long Beach, his/her deputy, or other designated officer.

***Editor's note**—ORD-12-0004, § 3, adopted Feb. 14, 2012, repealed Ch. 5.87 §§ 5.87.010—5.87.140, entitled "Medical Marijuana Collectives", which derived from: ORD-10-0007, § 1, 2010; ORD-11-0002, § 1, 2011; and ORD-11-0013, § 1, 2011. See Chapter 5.89 for similar provisions.

D. "Smoke" or "smoking" means the carrying or holding of a lighted pipe, lighted cigar, hookah, or lighted cigarette of any kind, including, but not limited to, tobacco or any other weed or plant.

E. "Smoking lounge" means any business establishment that is dedicated to the smoking of tobacco products, including, but not limited to, establishments known variously as cigar lounges, hookah lounges or tobacco clubs. For purposes of this Chapter, "smoking lounge" means private smokers' lounge as defined in California Labor Code § 6404.5.

F. "Tobacco product" means any substance containing tobacco leaf, including, but not limited to, cigarettes, cigars, pipe tobacco, snuff, chewing tobacco, bidis (or beedies), hookah, or any other preparation of tobacco. (ORD-09-0038, § 3, 2009)

5.88.030 Compliance required.

No person shall operate any smoking lounge without first complying with the provisions of this Chapter regulating such businesses. Owners and operators of smoking lounges shall adequately inform their workers and employees of all smoking laws and regulations, and shall ensure that workers and employees comply with the provisions of this Chapter. Such owners and operators shall be held responsible for violations of their workers and employees. (ORD-09-0038, § 3, 2009)

5.88.040 Business license, tobacco retail permit and smoking lounge permit—Required.

No person shall engage in, operate, conduct, carry on or allow to be carried on, the business of a smoking lounge in the City without first having obtained, for each separate smoking lounge or place of business where indoor smoking is to occur, a business license as prescribed by the provisions of Chapter 3.80, a tobacco retail permit as provided in Chapter 5.81, and a smoking lounge permit as provided in this Chapter. (ORD-09-0038, § 3, 2009)

5.88.050 Smoking lounge permit application process.

A. Any person desiring a permit required by this Chapter to carry on or conduct the business of a smoking lounge in the City shall, for each separate smoking lounge or place of business where indoor smoking is to occur, complete and file an application on forms provided by the Director of Financial Management. Such application forms shall require information including the name, address and telephone number of the applicant, the business name ("doing business as" (dba), if any) and location of the smoking lounge or place of business where indoor smoking is to occur, a brief description of the nature of the business, products to be sold, and such other and further information deemed pertinent by the Director of Financial Management, the Health Officer, or any concerned City department, to ensure compliance with the provisions of this Chapter and other applicable laws.

1. The person whose signature appears on the application shall attest that they are a duly authorized representative of the applicant and that the information contained in the application is true and correct.

2. The application shall be filed under penalty of perjury. False statements therein will constitute grounds for denial, or revocation as applicable.

3. An incomplete application shall not be accepted for processing.

4. A nonrefundable investigation fee, as adopted by the City Council by resolution, shall be paid to the City at the time the application is filed.

B. On receipt of a completed smoking lounge permit application, the Director of Financial Management shall refer the application to all concerned City departments for investigation. Such departments shall file a report providing recommendations regarding the approval or denial of the permit with the Director of Financial Management within sixty (60) calendar days after the completed application is filed, except where circumstances beyond the control of the City justifiably delay such response. (ORD-09-0038, § 3, 2009)

5.88.060 Smoking lounge permit—Issuance.

A. The Director of Financial Management shall make or cause to be made an investigation of

the place of business and the manner in which the smoking lounge is to be conducted, and if it is found that all provisions of this Code and all applicable laws have been and will be complied with, the Director of Financial Management shall issue the smoking lounge permit; otherwise, the application for a smoking lounge permit shall be denied.

B. Such smoking lounge permits shall be good for one (1) year and shall be automatically renewed every year, provided that the Director of Financial Management determines that the permit holder has complied with the provisions of this Chapter and applicable laws during the preceding permit term.

C. Permittees must notify the Director of Financial Management in writing if structural modifications are planned to be made to a smoking lounge for which a permit has been issued under this Chapter. Prior to making any structural modifications to a smoking lounge, in whole or in part, the permittee shall submit plans and specifications to the Director of Financial Management for approval. The Director of Financial Management shall refer the plans and specifications to all concerned City departments for review and inspection, as appropriate. Such departments shall file a report providing recommendations regarding the approval or denial of the structural modifications with the Director of Financial Management within thirty (30) calendar days after the plans and specifications are submitted, except where circumstances beyond the control of the City justifiably delay such response. (ORD-11-0008, § 2, 2011; ORD-09-0038, § 3, 2009)

5.88.065 Smoking lounge permit—Limit on number of permits and nontransferable.

A. The maximum number of smoking lounge permits issued by the City and in effect at any given time shall not exceed eight (8) permits.

B. A smoking lounge permit issued pursuant to this chapter shall become null and void upon the cessation of the business operations and/or the relocation of the business to a different property. All smoking lounge permit holders must notify the Director of Financial Management in writing of any discontinuance of business operations, change in ownership, change in business location, or change in the business name.

C. Any smoking lounge permit issued pursuant to this chapter shall not be transferable or assignable from one owner or operator to another, or from one location to another location. If the information required in the permit application changes, a new smoking lounge permit is required before the business may continue to operate as a smoking lounge. For example, if an owner or operator to whom a permit has been issued changes business location, that owner or operator must apply for a new permit prior to operating a smoking lounge at the new location. Or if the business is sold or otherwise has a change in ownership, the new owner must apply for a new permit for that location before the business may operate as a smoking lounge. (ORD-13-0017, § 2, 2013; ORD-11-0008, § 3, 2011)

5.88.070 Smoking lounge permit—Fees.

Every applicant for a smoking lounge permit under this Chapter shall pay to the City, before a permit is issued, an annual fee as adopted by the City Council by resolution. All fees are nonrefundable; therefore, in the event that any permit issued pursuant to this Chapter is suspended or revoked, or because the permittee no longer owns or operates the smoking lounge, no portion of a permit fee paid by such permittee shall be refunded. (ORD-09-0038, § 3, 2009)

5.88.080 Inspections.

A. The Director of Financial Management, the Health Officer and representatives of concerned City departments are empowered to enter any smoking lounge, or other place of business where indoor smoking occurs or is suspected of occurring, at any time for the purpose of inspection, including the taking of photographs, samples or other evidence that is plainly visible, and to enforce any of the provisions of this Chapter, or of any applicable law, rule or regulation governing such places in the City.

B. No person shall refuse to permit or allow the Director of Financial Management, the Health Officer, any authorized inspector, or any representatives of concerned City departments, to enter or inspect or examine any portion of any smoking lounge or other place of business where indoor smoking occurs. No person shall interfere with, hinder, or harass, in any manner any City representative in the inspection or the examination of such smoking lounge or other place of business where indoor smoking occurs. (ORD-09-0038, § 3, 2009)

5.88.090 Smoking lounge permit; suspension; revocation; denial; hearing.

A. If a City department determines that the applicant does not satisfy applicable requirements of this Chapter, the Director of Financial Management shall deny said permit application in accordance with the provisions set forth in Subsection 5.06.020.A, of this Code.

B. If a City department determines that the permittee failed to comply with any provision of this Chapter, or with any other provision or requirement of law, the Director of Financial Management shall revoke or suspend the smoking lounge permit in accordance with the provisions set forth in Subsection 5.06.020.A, of this Code.

C. The Director of Financial Management shall notify the applicant of a rejected application, or the permittee of the permit revocation or suspension by dated written notice. Said notice shall advise the applicant or permittee of the right to appeal the decision to the City Council. The request for appeal shall be in writing, shall set forth the specific ground(s) on which it is based and shall be submitted to the Director of Financial Management within ten (10) calendar days from the date the written notice was mailed along with an appeal deposit in an amount determined by the City Council by resolution.

D. The City Council shall conduct a hearing on the appeal or refer the matter to a hearing officer, pursuant to Chapter 2.93 of this Code, within thirty (30) business days from the date the completed request for appeal was received by the Director of Financial Management, except where good cause exists to extend this period. The appellant shall be given at least ten (10) business days' written notice of such hearing. The hearing and rules of evidence shall be conducted pursuant to Chapter 2.93 of this Code. The determination of the City Council on the appeal shall be final.

E. Whenever a smoking lounge permit application has been denied or a smoking lounge permit has been revoked, no other such permit application shall be considered for a period of one (1) year from either the date notice of the denial, or revocation was mailed or the date of the final decision of the City Council, whichever is later.

F. Notwithstanding any other provisions in this Chapter, in the event that a tobacco retail permit is suspended, denied or revoked, the smoking lounge permit shall at the same time be suspended, denied or revoked. (ORD-09-0038, § 3, 2009)

5.88.100 License and permits display.

City business license, tobacco retail permit and smoking lounge permit shall be prominently displayed in each smoking lounge. (ORD-09-0038, § 3, 2009)

5.88.110 Health warning signage.

A. A "Proposition 65" warning sign regarding exposure to tobacco smoke, supplied by the Health and Human Services Department, must be posted at each entrance to a smoking lounge.

B. A smoking hazard sign, supplied by the Health and Human Services Department, must be posted at each entrance to a smoking lounge. (ORD-09-0038, § 3, 2009)

5.88.120 Age restriction and signage.

A. No persons under eighteen (18) years of age shall be permitted within the smoking lounge at any time.

B. A warning sign must be posted at each entrance to a smoking lounge, and conspicuously posted in a place that can be clearly seen by the public, stating that persons under eighteen (18)

years of age are prohibited. (ORD-09-0038, § 3, 2009)

5.88.130 Sale of food and beverages prohibited.

No person shall receive for sale, sell, offer for sale, keep for sale, have in such person's possession with intent to sell, any food or beverages in the smoking lounge. All places where food or beverages are kept or suspected of being kept shall be subject at all times to inspection by the Health Officer, other officers or City representative appointed for that purpose, and such persons are authorized to enter and inspect all such places. (ORD-09-0038, § 3, 2009)

5.88.140 Ventilation requirement.

The permittee of a smoking lounge permit shall minimize the intrusion of drifting tobacco smoke and other adverse impacts on businesses in the vicinity of the smoking lounge and areas where smoking is not permitted. Exhaust air from the smoking lounge shall be exhausted directly to the outside by an exhaust fan and shall not be recirculated to other parts of the building. The ventilation and exhaust system shall conform to the latest edition of the California Mechanical Code and California Building Energy Efficiency Standards for Residential and Nonresidential Buildings, as adopted and amended by Chapter 18.36 of the Long Beach Municipal Code, or as otherwise required by applicable State or federal laws. (ORD-09-0038, § 3, 2009)

5.88.150 Application to existing businesses.

Any business establishment operating as a smoking lounge under an existing business license on the effective date of this Chapter shall be brought into full compliance with the provisions of this Chapter, not later than ninety (90) days following the effective date of this Chapter. (ORD-09-0038, § 3, 2009)

5.88.160 Severability.

If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Chapter, or its application to any person or circumstance, is for any reason held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity of enforceability of the remaining sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases of this Chapter, or its application to any other person or circumstance. The City of Long Beach declares that it would have adopted each section, subsection, subdivision, paragraph, sentence, clause or phrase hereof, irrespective of the fact that any one (1) or more sections, subsections, subdivisions paragraphs, sentences, clauses or phrases hereof be declared invalid or unenforceable. (ORD-09-0038, § 3, 2009)

5.88.170 Administration and enforcement.

Any violation of the terms and conditions of a smoking lounge permit, of this Chapter, or of applicable local, state or federal regulations and laws shall be grounds for permit denial, suspension or revocation. Each day a violation exists constitutes a separate and distinct offense. Suspension or revocation of the permit shall be governed by the provisions of this Chapter, and criminal penalties may be assessed under Chapter 1.32 of this Code. (ORD-09-0038, § 3, 2009)

CHAPTER 5.89 RESERVED*

CHAPTER 5.90 MEDICAL MARIJUANA BUSINESSES

5.90.010 Purpose and intent.

The purpose of this Chapter is to regulate and restrict marijuana businesses, cultivation and other commercial cannabis activities to protect the neighborhoods, public health, safety, and welfare of the residents and patients of the City of Long Beach. (Measure MM § 4, 11-8-2016)

5.90.020 Application and definitions.

This Chapter applies to persons or entities that seek to engage in or are engaging in commer-

***Editor's note—**Measure MM § 3, adopted Nov. 8, 2016, repealed Ch. 5.89 §§ 5.89.010—5.89.070 entitled "Medical Marijuana Dispensaries", which derived from ORD-12-0004 § 2, adopted 2012. See Ch. 5.90 for similar provisions.

cial cannabis activity. For purposes of this Chapter, "commercial cannabis activity" is defined by California Business and Professions Code section 19300.5(k) and includes the cultivation, possession, manufacture, processing, storing, laboratory testing, labeling, transporting, distribution, or sale of medical cannabis or a medical cannabis product. The definitions set forth in California Business & Professions Code section 19300.5 and Health and Safety Code Sections 11362 et seq. shall apply to this Chapter and are hereby incorporated by reference. The following definitions shall apply to this Chapter:

"Applicant" means the following: (1) The owner or owners of a proposed Medical Marijuana Business, including all persons or entities having an ownership interest greater than ten (10) percent in the business; (2) If the owner is an entity, "owner" includes within the entity each person participating in the direction, control, or management of, or having an ownership interest greater than ten percent (10%) in the proposed business; (3) If the Applicant is a publicly traded company, "owner" means the chief executive officer or any person or entity with an aggregate ownership interest greater than ten percent (10%).

"Bona Fide Labor Organization" means a labor union that represents or is actively seeking to represent medical marijuana workers in the City of Long Beach.

"Business License Permit" shall mean both the business license issued by the City Manager for Business Tax purposes pursuant to Chapter 3.80 of this Code and the business permit issued by the City Manager pursuant to Title 5 of this Code, to a Medical Marijuana Business.

"Business Manager" means the individual designated by the owner of the Medical Marijuana Business as the person responsible for operations of the business in the absence of the owner from the business property. Business manager shall include any person with managerial authority in the business.

"Chief of Police" shall mean the Chief of the Long Beach Police Department or his or her designee.

"City Manager" shall mean the City of Long Beach's City Manager, or his or her designee.

The "Cultivation Canopy" shall be the square footage of the aggregate area of vegetative growth of live marijuana plants on the premises.

"Labor peace agreement" shall have the same meaning as in the California Business and Professions Code, Section 19300.5(v).

"Management Employee" shall mean an employee of a Medical Marijuana Business responsible for the establishment, organization, registration, supervision, or oversight of the operation of the business, including but not limited to, employees who perform the functions of president, vice president, director, operating officer, financial officer, secretary, treasurer, or manager of the business.

"Marijuana" shall have the same definition provided in Health and Safety Code § 11018 (as may be amended). Without limiting the definition, "Marijuana" also means "Cannabis".

"Medical Marijuana Business" means: (1) Any entity or association of four (4) or more individuals that cultivates, produces, manufactures, sells, distributes, possesses, transports, delivers, or makes available medical marijuana to qualified patients and their designated primary caregivers who associate at a particular location or Property within the boundaries of the City of Long Beach to collectively cultivate or distribute medical marijuana in accordance with California Health and Safety Code § 11362.5 et seq., the State MMRSA, or this Chapter. For purposes of this Chapter, the term medical marijuana cooperative, collective, facility, or dispensary shall have the same meaning as Medical Marijuana Business. Medical Marijuana Business includes, but is not limited to, dispensary storefront locations, cultivation facilities, and medical marijuana product manufacturers; (2) Any person that cultivates, produces, sells, distributes, possesses, transports or delivers more than six (6) mature marijuana plants or twelve (12) immature marijuana plants, and eight (8) ounces of a useable form of marijuana for medical use, pursuant to California Health and Safety Code § 11362.5 et seq.; (3) The term Medical Marijuana

Business shall not include the private possession, production, or medical use of no more than six (6) mature marijuana plants or twelve (12) immature marijuana plants, and eight (8) ounces of a useable form of marijuana by a patient or caregiver.

"Medical marijuana-infused product" means a marijuana infused, edible, ingestible, or inhalable product, including but not limited to topical solutions and vaporizers.

"Park" or "Public Park" shall mean publicly owned natural or open areas set aside for active public use for recreational, cultural or community service activities.

"Priority Group 1 Applicant" and "Priority Group 2 Applicant" shall mean the entity that filed the original application under former Chapter 5.87. The Management Employees or owner(s) (as defined herein) represented on the Chapter 5.87 application are not required to participate in any application submitted pursuant to this Chapter.

"Property" shall mean the location or locations within the City of Long Beach at which a Medical Marijuana Business is operated.

"Regulatory implementation of the MMRSA" shall mean the date the State first accepts applications for licenses for Medical Marijuana Businesses pursuant to the MMRSA for the applicable license.

"State license," or "registration" means a State license issued by the State of California pursuant to the State's MMRSA for the purpose of engaging in any form of commercial cannabis activity. (Measure MM § 4, 11-8-2016)

5.90.030 Medical Marijuana Business License Permit.

Except as otherwise set forth in this Chapter, it shall be unlawful for any person or entity to operate, in or upon any property, a Medical Marijuana Business without first obtaining all required State licenses and a business license or permits issued by the City. Each State license type available in the MMRSA is eligible to apply for a City Business License Permit. Medical Marijuana Business shall be considered a personal service type business in the City of Long Beach (as defined in section 21.15.2020) with respect to issuing a Business License Permit and setting application and license fees. Until the regulatory implementation of the MMRSA, the Medical Marijuana Business license permits shall be issued without regard to the fact the State license has not been issued. Failure to timely obtain required State licenses or permits shall be grounds for suspension or revocation of any permit or license issued by the City. Upon the regulatory implementation of the MMRSA, unless otherwise set forth in this Chapter, no person shall engage in commercial cannabis activity or in the activities of a Medical Marijuana Business without possessing all applicable State licenses and all applicable City permits and licenses. Revocation of a State license shall constitute grounds for the City to suspend or revoke any permit or license issued by the City.

A Medical Marijuana Business that is operating in compliance with this Chapter and other State and local laws on or before January 1, 2018, may continue its operations until its application for State licensure is approved or denied by the licensing authority.

A Medical Marijuana Business must at all times maintain liability insurance having aggregate policy limits in an amount not less than one million dollars ($1,000,000.00).

The City may impose an annual business license fee no greater than one hundred fifty percent (150%) of the average business license fee the city charges for non-cannabis related personal service business. Failure to timely pay the annual business license fee shall be grounds for suspension or revocation of the business license. Applicants that previously paid an application fee pursuant to former Chapter 5.87 may, at the applicant's discretion, have any un-refunded fee applied as credit against any fees applicable under this Section. All Medical Marijuana Businesses shall be subject to an annual regulatory inspection by the City to insure compliance with all of the applicable provisions of this Chapter and to confirm compliance with the business license permit issued by the City.

It shall be unlawful for the owner of a building to allow the use of any portion of a building by a Medical Marijuana Business unless the tenant has a valid business license permit, or has applied for and not been denied, a business license permit. Each owner of a building whose tenant is a Medical Marijuana Business License Permit applicant shall execute an acknowledgement that the Applicant has the owner's permission and consent to operate a Medical Marijuana Business at the subject property.

Each Medical Marijuana Business shall designate a Community Relations Liaison (hereinafter, the "Liaison"), who shall be at least twenty-one (21) years of age; and shall provide the Liaison's name to the City Manager. The Liaison shall receive all complaints received by the City Manager regarding the Medical Marijuana Dispensary, and make good faith attempts to promptly resolve all complaints. To address community complaints and concerns, the name and telephone number for the Liaison shall be made publicly available. Each Medical Marijuana Business Liaison is required to respond by phone or email within three (3) business days of contact by a city official concerning the Medical Marijuana Business. The name and contact information for Liaison of the medical marijuana business shall be conspicuously posted on the main entry doors to the business.

No pesticides or insecticides prohibited by federal, State, or local law for fertilization or production of edible produce may be used on any marijuana cultivated, produced or distributed by a Medical Marijuana Business. A Medical Marijuana Business shall comply with all applicable federal, State, and local laws regarding use and disposal of pesticides and fertilizers.

No Medical Marijuana Business may be operated in an area zoned exclusively for residential use. No Medical Marijuana Dispensary may be located within a six hundred (600) foot radius of a public or private school (as defined in Health and Safety Code Section 11362.768(h)), or within a six hundred (600) foot radius of a day care center, playground, community center, or library, or within one thousand (1,000) feet of another dispensary. No Medical Marijuana Business may be located within a one thousand (1,000) foot radius of a public or private school (as defined in Health and Safety Code § 11362.768(h)) or public beach, or within a six hundred foot (600') radius of a public park or public library, with the exception of dispensaries which must follow the location requirements above. The distances specified in this subdivision shall be determined by the horizontal distance measured in a straight line from the property line of the school, park or library to the closest property line of the lot on which the Medical Marijuana Business is located, without regard to intervening structures. (ORD-22-0015 § 1, 2022; Measure MM § 4, 11-8-2016)

5.90.040 Security.

Every Medical Marijuana Business shall implement sufficient security measures to both deter and prevent unauthorized entrance into areas containing medical cannabis or medical cannabis products and theft of medical cannabis or medical cannabis products. These security measures, as appropriate, shall include, but not be limited to, the following: (a) Preventing individuals from remaining on the premises if they are not engaging in activity expressly related to the operations of the business; (b) Establishing limited access areas accessible only to authorized personnel; (c) Storing all finished medical cannabis and medical cannabis products in a secured and locked room, safe, or vault, and in a manner as to prevent diversion, theft, and loss, except for limited amounts of cannabis used for display purposes, samples, or immediate sale.

Each Medical Marijuana Business shall install and maintain a fully operational digital video surveillance and camera recording system that monitors no less than the front and rear of the Property, all points of ingress and egress at the business, all points of sale within the business, all areas within the business where medical marijuana products are displayed for sale, and all limited access areas within the facility. The video and surveillance system shall, at a minimum, meet the following requirements: (a) Capture a full view of the

public rights-of-way and any parking lot under the control of the medical marijuana business; (b) Be of adequate quality, color rendition and resolution to allow the ready identification of any individual committing a crime anywhere on or adjacent to the exterior of the property; (c) Record and maintain video for a minimum of thirty (30) days. Video surveillance and recording records shall be held in confidence by all employees and for legitimate law enforcement activity to resolve criminal activity; (d) Licensees are responsible for ensuring that all video or surveillance equipment is properly functioning and maintained, so that playback quality is suitable for viewing and the equipment is capturing the identity of all individuals and activities in the monitored areas; (e) At each point of sale location, camera coverage must enable recording of the customer(s) and employee's facial features with sufficient clarity to determine identity; (f) The system shall be capable of recording all monitored areas in any lighting conditions and must be housed in a designated, locked, and secured room or other enclosure with access limited to authorized employees. Licensees must keep a current list of all authorized employees and service personnel who have access to the surveillance system and/or room on the licensed premises; (g) A sign shall be posted in a conspicuous place near each monitored location on the interior or exterior of the premises which shall be not less than twelve inches (12") wide and twelve inches (12") long, composed of letters not less than one inch (1") in height, stating "All Activities Monitored by Video Camera" or "These Premises are Being Digitally Recorded", or otherwise advising all persons entering the premises that a video surveillance and camera recording system is in operation at the facility and recording all activity as provided in this Section; (h) All exterior camera views must be continuously recorded twenty-four (24) hours a day and all interior cameras views shall be recorded during all hours that the facility is open for business.

The medical marijuana business shall install and use a safe for storage of any processed marijuana and cash on the property when the business is closed to the public. The safe shall be incorporated into the building structure or securely attached thereto. For medical marijuana infused products that must be kept refrigerated or frozen, the business shall lock the refrigerated container or freezer in place of using a safe so long as the container is affixed to the building structure.

The medical marijuana business shall install and use a fire and burglar alarm system that is monitored by a company that is staffed twenty-four hours (24) a day, seven (7) days a week. The security plan submitted to the City shall identify the company monitoring the alarm, including contact information, and the City shall be updated within seventy-two (72) hours of any change of monitoring company. A medical marijuana business engaged in retail sales shall retain and maintain a security guard or patrol, licensed by the State of California, generally located at an indoor guard station, during all hours of operation. (Measure MM § 4, 11-8-2016)

5.90.050 Persons prohibited as permittees and business managers.

It shall be unlawful for any of the following persons to have an ownership interest or a managerial responsibility in a Medical Marijuana Business, and no license or permit may be issued to or held by, and no Medical Marijuana Business shall be managed by: (a) Any person until all required fees have been paid; or (b) Any person who has been convicted within the previous ten (10) years of any violent or serious felony as specified in Sections 667.5 and 1192.7 of the Penal Code or any felony conviction involving fraud, deceit or embezzlement or who is currently on parole or probation for the sale or distribution of a controlled substance; or (c) Any person who is under twenty-one (21) years of age; or (d) Any person who operates or manages a Medical Marijuana Business contrary to the provisions of this Chapter, or conditions imposed on land use or license approvals, or contrary to the terms of the plans submitted with the permit application, or amended as permitted by this Chapter; or (e) A licensed physician making patient recommendations; or (f)

A person licensed and permitted to operate pursuant to this Chapter who, while lawfully operating, or who, at the time of application, has failed to remedy an outstanding delinquency for City taxes or fees owed, or an outstanding delinquent judgment owed to the City; or (g) A sheriff, deputy, police officer, or prosecuting officer, or an officer or employee of the State or City of Long Beach; or (h) Applicants or entities (including management Employees) that have a previous record of violating federal or state laws relating to workplace safety, wages and compensation, employee discrimination, or union activity. (Measure MM § 4, 11-8-2016)

5.90.060 Medical Marijuana Dispensary Operating Conditions and Restrictions.

Every person and entity operating as a Medical Marijuana Dispensary in the City shall comply with the following operating conditions and restrictions. No Medical Marijuana Dispensary may operate within the City of Long Beach without meeting the following conditions:

A Medical Marijuana Dispensary shall not be located within a one thousand foot (1,000') radius of any other Medical Marijuana Dispensary.

A sign shall be posted in a conspicuous location inside each Property advising: (a) It is a violation of State Law to engage in the sale of marijuana or the diversion of marijuana for non-medical purposes; (b) The use of marijuana may impair a person's ability to drive a motor vehicle or operate heavy machinery; (c) Loitering at the location of a Medical Marijuana Business for an illegal purpose is prohibited by Penal Code § 647(h); (d) This Medical Marijuana Business is licensed in accordance with the laws of the City of Long Beach; (e) Your membership will be terminated if you engage in the illegal sale or diversion of Medical Marijuana.

Representative samples of Medical Marijuana distributed by the Business shall be analyzed by an independent laboratory to ensure that they are free of harmful pesticides and other contaminants regulated under local, state or federal law.

No person, other than a patient, caregiver, licensee, employee, or a contractor shall be in the medical marijuana dispensary room. No patient shall be allowed entry into the medical marijuana dispensary room without showing a valid State issued picture Driver's License or Identification. A Medical Marijuana Dispensary may distribute, dispense, deliver or transport medical marijuana only in accordance with this Chapter and State law.

The number of licensed and permitted Medical Marijuana Dispensaries shall be limited to not less than one (1) Medical Marijuana Dispensary business for every eighteen thousand (18,000) residents in the City of Long Beach or not more than one (1) Medical Marijuana Dispensary business for every fifteen thousand (15,000) residents in the City of Long Beach. The population of the City shall be based on the official census population estimate as periodically updated by the US Department of Commerce, United States Census Bureau. The City Council may increase the number of licensed and permitted medical marijuana dispensaries pursuant to this Chapter but may not reduce them below the thresholds set forth herein. The City Manager shall issue the maximum number of licenses permitted by this Section unless otherwise directed by the City Council. The total number of permitted Medical Marijuana Dispensaries in the City is set at 40, with eight (8) dispensaries designated to be owned by cannabis equity businesses pursuant to Section 5.90.310. The eight (8) Medical Marijuana Dispensaries owned by cannabis equity businesses shall be selected via a Request for Proposals (RFP) process as outlined in regulations set forth by the City Manager, or their designee, and shall not be selected using the procedures outlined in Sections 5.90.070 and 5.90.080 of this Chapter.

The City will not accept applications from any of the thirty two (32) existing cannabis dispensary businesses to change their business location for one hundred eighty (180) days from the date the City awards the eight (8) Equity Dispensary Businesses to move forward in the licensing process, or until all Equity Dispensary Businesses have pro-

vided the complete, notarized Property Owner Authorization for the business premises in the business license application, whichever occurs sooner. (ORD-22-0015 § 2, 2022; Measure MM § 4, 11-8-2016)

5.90.070 Priority of medical marijuana dispensaries.

A Medical Marijuana Dispensary Applicant that: (1) was successful in the September 2010 permit lottery conducted by the City of Long Beach under former Chapter 5.87; (2) was allowed by the City Council to operate after February 14, 2012 pursuant to section 5.89.055 of this Chapter; and (3) no longer has the right to occupy the same location that it had occupied on February 14, 2012, shall have the priority right to apply for a Medical Marijuana Dispensary Business License Permit. The City Manager shall verify, within two business days of a request, whether the Applicant qualifies for such priority and, if so, shall issue a letter to potential landlords stating that the Applicant has priority for a license to operate a Medical Marijuana Dispensary in the City of Long Beach.

Medical Marijuana Dispensary Applicants that: (1) were successful in the September 2010 permit lottery conducted by the City of Long Beach under former Chapter 5.87; and (2) were allowed by the City Council to operate after February 14, 2012 pursuant to former section 5.89.055 of this Chapter; and (3) have the right to occupy the same location(s) that it had occupied on February 14, 2012 ("Priority Group 1" applicants), and Applicants issued a landlord letter pursuant to this Section ("Priority Group 2" applicants), who timely submit qualifying applications, shall be given priority over all other applicants for License Permit approval.

Applicants entitled to a license permit or to priority under this subsection shall submit an application to the City Manager no later than six months after the City first accepts applications for Medical Marijuana Dispensary Business License Permits, or shall lose the entitlement or priority under this subsection. Priority Group 1 applicants shall be awarded available Dispensary Business License Permits first, upon determination that such application is complete. Priority Group 2 applicants shall be awarded available Dispensary Business License Permits next. All other applicants will next be evaluated for priority based on criteria set forth in a Priority Point System established pursuant to this Section.

All applications evaluated under the Priority Point System will be ranked from the most to the least points. Applicants for any available Medical Marijuana Business License Permit shall be awarded License Permits based upon this ranking using the following procedure, with eligibility reassessed after each License Permit is awarded: (1) Remaining eligible Applicants with the most number of points pursuant to this Section in descending order from highest points to lowest points until all available License Permits are awarded; (2) If there are two or more eligible applicants with the same number of points those applicants shall be grouped together and, if there are more eligible applicants in this group than the remaining number of available License Permits, the City of Long Beach shall utilize a public lottery to determine which applicant(s) is/are awarded a License Permit; (3) If there are more available license permits than eligible applicants for this group, but two or more applicants are within one-thousand (1,000) feet of each other, the City of Long Beach shall utilize a public lottery to determine which applicant is awarded a License Permit; (4) If, after this public lottery the number of eligible applicants exceeds the number of available License Permits to be awarded, the process shall be repeated until all available License Permits are awarded.

The criteria for Point System shall be as follows:

Suitability of the proposed property: (i) Applicant demonstrates proposed location exceeds all buffer zones established in this Chapter by at least five hundred feet (500') (1 point); (ii) Proposed property possesses air scrubbers or a filtration system capable of eliminating odors from

escaping the building or commitment to do so before operating (1 point); (iii) Proposed property is located within one thousand feet (1,000′) of a public transportation hub, stop, or station (1 point).

Suitability of security plan: (i) The Applicant′s security plan includes the presence of security personnel on premises or patrolling the premises twenty-four (24) hours per day (1 point); (ii) The Applicant′s security plan demonstrates a method to track and monitor inventory so as to prevent theft or diversion of marijuana (1 point); (iii) The Applicant′s security plan describes the enclosed, locked facility that will be used to secure or store marijuana when the location is both open and closed for business, and the steps taken to ensure marijuana is not visible to the public (1 point); (iv) The Applicant′s security plan includes measures to prevent the diversion of marijuana to persons under the age of eighteen (18) (1 point); (v) Applicant demonstrates security measures exceeding the requirements of this Chapter, including but not limited to brick or concrete construction or additional fire and/or security alarms (1 point);

Suitability of business plan and financial record keeping: (i) The Applicant describes a staffing plan that will provide and ensure safe dispensing, adequate security, theft prevention, and the maintenance of confidential information (1 point); (ii) Applicant provides an operations manual that demonstrates compliance with this Chapter (1 point);

Criminal history: (i) No Management Employee of an applicant has any felony convictions (1 point); (ii) Applicants without any pending criminal complaint(s) (1 point); (iii) The applicant certifies, as a condition of maintaining the business license permit, that it will not employ any person with any type of violent or serious felony conviction(s) as specified in Sections 667.5 and 1192.7 of the Penal Code or any felony conviction involving fraud, deceit or embezzlement (1 point); (iv) Applicants certify as a condition of maintaining the business license permit that they will not employ as managers or employees any person with any narcotic drug related misdemeanor conviction (1 point);

Regulatory compliance history: (i) Applicants have not had a permit or license revoked by the City of Long Beach (1 point); (ii) Applicants have not had administrative penalties assessed against their business (1 point); Applicants who had administrative penalties assessed against their business while Chapter 5.87 was effective (-1 point); Community service: Applicants demonstrate involvement in the community, other non-profit association, or neighborhood association (1 point);

Labor Relations: (i) Applicant is party to a labor peace agreement or collective bargaining agreement with a bona fide labor organization (1 point;) (ii) Applicant pays a living wage (at least two hundred percent (200%) of the Federal Poverty Level for a family of two) (1 point); (iii) Applicant provides employer-paid health insurance benefits for its employees (1 point); (iv) Applicant provides equipment, standards and procedures for the safe operation of its facilities and engages employees on best practices (1 point); (v) Applicant provides training and educational opportunities for employee development (1 point); (vi) Applicant or entity has no previous record of violating federal or state laws relating to workplace safety, wages and compensation, discrimination, or union activity (1 point). (Measure MM § 4, 11-8-2016)

5.90.080 Vacant dispensary allocation.

The City Manager shall determine, at the end of the fourth (4th) calendar quarter following implementation of this Chapter, and each year thereafter, whether additional Medical Marijuana Dispensaries shall be licensed and permitted within the City based on the total number of Medical Marijuana Dispensaries authorized pursuant to this Chapter. Additional business license permit applications above those Medical Marijuana Businesses already licensed and permitted shall be accepted only to the extent the Director of Development Services determines that initiation of the business license permit application process will not lead to the total number of licensed and permitted Medical Marijuana Dispensaries, as a group, to exceed the restrictions established pursuant to this Chapter.

Should the City Manager determine the City shall accommodate additional Medical Marijuana Dispensaries within the restrictions set forth in this Chapter, the City Manager shall cause to be posted on the City's website a public notice of availability and the potential number of Medical Marijuana Dispensary Business license permits available. The notice will appear on the City's website for ten (10) consecutive days, immediately prior to the opening of the application period. The application process will then proceed in accordance with this Chapter.

In the event an existing Medical Marijuana Dispensary License Permit is surrendered or revoked, the City Manager shall, within ten (10) business days after the surrender or the exhaustion of the final appeal of the revocation, proceed with the posting and notice requirements of Section 5.90.220. (Measure MM § 4, 11-8-2016)

5.90.090 Medical marijuana cultivation operating conditions and restrictions.

Except as otherwise provided for in this Chapter, it shall be unlawful to operate a Medical Marijuana Business or to grow medical marijuana outside of an enclosed building. All Medical Marijuana Cultivation Business License Permits shall be issued for a specific fixed location within an enclosed building. This Section does not apply to a qualified patient cultivating marijuana pursuant to Health and Safety Code § 11362.5 or a primary caregiver cultivating marijuana pursuant to § 11362.5 if he or she cultivates marijuana exclusively for the personal medical use of no more than five (5) specified qualified patients for whom he or she is the primary caregiver within the meaning of Health and Safety Code § 11362.7 and does not receive remuneration for these activities, except for compensation provided in full compliance with subdivision (c) of Health and Safety Code § 11362.765.

Only cultivation locations intending to be compliant with MMRSA Type 1A, 2A, 3A and 4 State Cultivation licenses shall be licensed and permitted. Each applicant for a Medical Marijuana Cultivation Business License Permit shall specifically identify which State Cultivation License will be applicable to that application. The maximum cultivation canopy shall be limited by the license type specified in the MMRSA.

A Medical Marijuana Dispensary may operate a Medical Marijuana Cultivation Facility either on its premises or offsite, but must obtain a separate business license permit for each Medical Marijuana Cultivation Facility it operates in the City. No Medical Marijuana Dispensary may operate more Medical Marijuana Cultivation Facilities than are permitted by the MMRSA.

Upon regulatory implementation of the MMRSA, The Medical Marijuana Cultivation licensee shall send all medical cannabis and medical cannabis products cultivated to a MMRSA Type 11 qualified licensee for quality assurance and inspection and for a batch testing to a MMRSA Type 8 licensee prior to distribution in a manner consistent with the MMRSA requirements. Until regulatory implementation of the MMRSA, the Medical Marijuana Cultivation licensee shall send medical cannabis and medical cannabis products cultivated for batch testing to a testing laboratory which operates in compliance with Section 5.90.120.

Each Medical Marijuana Cultivation Facility shall maintain and operate an electronic point of sale plant tracking system compliant with the minimum requirements of the MMRSA at all times. Each Medical Marijuana Cultivator shall package or seal all medical cannabis in tamper-evident packaging and use a unique identifier, such as a batch and lot number or bar code, to identify and track the medical cannabis. All Medical Marijuana shall be labeled as required by Health and Safety Code § 19346. All packaging and sealing shall be completed prior to delivery or transportation. (Measure MM § 4, 11-8-2016)

5.90.100 Medical marijuana manufacturing operating conditions and restrictions.

Medical Marijuana Manufacturing Facilities must designate whether they will apply for or have obtained either a MMRSA Type 6 "Manufactur-

ing level 1″ State License (nonvolatile solvents) or a MMRSA Type 7 ″Manufacturing level 2″ State License (volatile solvents) when submitting a Business License application. Medical Marijuana Manufacturing Facilities must comply with sanitation standards equivalent to the California Retail Food Code (Part 7 (commencing with Section 113700) of Division 104 of the Health and Safety Code) for food preparation, storage, handling and sale of edible medical cannabis products. For purposes of this Chapter edible medical cannabis products are deemed to be unadulterated food products.

Medical Marijuana Manufacturing Facilities shall only produce, distribute, provide, donate or sell non-potentially hazardous food, as established by the state department of Public Health pursuant to § 114365.35 of the Health and Safety Code. All edible medical marijuana products shall be packaged at the Medical Marijuana Facility prior to distribution or transportation from the Facility. Medical Marijuana products shall be labeled and packaged in a tamper-evident package and have a unique identifier, such as a batch and lot number or bar code, to identify and track the Medical Marijuana. Labels and packages of Medical Marijuana products shall be compliant with the packaging and labeling requirements set forth in by Health and Safety Code § 19346.

The production of any medical marijuana-infused product shall meet all requirements of a retail food establishment as set forth in Chapter 8.45 of this Code. Except, as it relates only to enforcement of Chapter 8.45 of this Code, the fact the facility is engaged in the production of Marijuana related product shall not be deemed a violation of any Federal Food statutes, orders, ordinances, quarantines, rules, regulations, or directives relating to the public health. (Measure MM § 4, 11-8-2016)

5.90.110 Medical marijuana distributor operating conditions and restrictions.

Upon regulatory implementation of the MMRSA, all licensees holding medical marijuana cultivation or medical marijuana manufacturing licenses and permits shall send all medical cannabis and medical cannabis products cultivated or manufactured to a distributor, for quality assurance and inspection by the Medical Marijuana Distributor and for a batch testing by a Medical Marijuana Testing Laboratory prior to distribution to a dispensary. Those licensees holding a State issued Type 10A Dispensary license in addition to a medical marijuana cultivation license or a medical marijuana manufacturing license shall, upon State regulatory implementation of the MMRSA, send all medical cannabis and medical cannabis products to a Medical Marijuana Distributor for presale inspection and for a batch testing by a Medical Marijuana Testing Laboratory prior to dispensing any product.

Upon receipt of medical cannabis or medical cannabis products by a holder of a medical marijuana cultivation or medical marijuana manufacturing license, the Medical Marijuana Distributor shall process, test and distribute Medical Marijuana and Medical Marijuana products consistent with minimum requirements of the MMRSA. (Measure MM § 4, 11-8-2016)

5.90.120 Laboratory testing and testing laboratories.

For the purposes of testing medical cannabis or medical cannabis products, licensees shall use a testing laboratory that has adopted a standard operating procedure using methods consistent with general requirements for the competence of testing and calibration activities, including sampling, using standard methods established by the International Organization for Standardization, specifically ISO/IEC 17020 and ISO/IEC 17025, or any other standard set forth by the State, to test medical cannabis and medical cannabis products that are approved by an accrediting body that is a signatory to the International Laboratory Accreditation Cooperation Mutual Recognition Arrangement.

Until such time as the State is issuing MMRSA Type 8 Testing Laboratory licenses, the laboratory testing set forth in this Chapter may be conducted by a testing laboratory that is otherwise compliant

with the requirements set forth herein. A Testing Laboratory may apply for a business license permit application for the specific purpose of testing medical marijuana pursuant to the requirements of this Chapter and shall not be denied a business license permit on the basis it has not been issued a MMRSA Type 8 Testing Laboratory license, however the licensee shall apply for a State issued MMRSA Type 8 Testing Laboratory license within six (6) months from notice that the State is issuing such license. Denial of a MMRSA Type 8 license shall result in the revocation of the Medical Marijuana Testing Laboratory License Permit.

Medical marijuana shall be tested for concentration, pesticides, mold and other contaminants. Medical marijuana extracts shall be tested for concentration and purity of product. All testing shall be compliant with the MMRSA standards.

Except as provided in this Chapter, a licensed testing laboratory shall not acquire or receive medical cannabis or medical cannabis products except from a licensed facility in accordance with this Chapter, and shall not distribute, sell, deliver, transfer, transport, or dispense medical cannabis or medical cannabis products, from which the medical cannabis or medical cannabis products were acquired or received. All transfer or transportation shall be performed pursuant to a specified chain of custody protocol. A licensed testing laboratory may receive and test samples of medical cannabis or medical cannabis products from a qualified patient or primary caregiver only if he or she presents his or her valid recommendation for cannabis for medical purposes from a physician. A licensed testing laboratory shall not certify samples from a qualified patient or caregiver for resale or transfer to another party or licensee. All tests performed by a licensed testing laboratory for a qualified patient or caregiver shall be recorded with the name of the qualified patient or caregiver and the amount of medical cannabis or medical cannabis product received. (Measure MM § 4, 11-8-2016)

5.90.130 Reporting requirements.

A Medical Marijuana Business holding a Business License Permit shall report to the City Manager or his or her designee each of the following within the time specified; provided that if no time is specified, such a report shall be provided within fifteen (15) days of the triggering event: (1) The transfer or change of ownership interest, business manager, or in the permit application at least thirty (30) days before the transfer or change; (2) Sales and taxable transactions and file sales and use tax reports to the City quarterly; (3) A conviction of any disqualifying crime by any applicant of a Medical Marijuana Business. (Measure MM § 4, 11-8-2016)

5.90.140 Transportation and delivery.

It shall be unlawful for any person to transport medical marijuana, except as specifically allowed by this Chapter and State law. Transport or delivery activities shall comply with all of the following:

All medical marijuana-infused products are hand packaged, sealed and labeled, and the products stored in closed containers that are labeled as provided in this Section. All medical marijuana in a usable form for medicinal use is packaged and stored in closed containers that are labeled as provided in this Section. Each container used to transport or deliver medical marijuana is labeled with the amount of medical marijuana or medical marijuana-infused products, or the number and size of the plants, in the container. The label shall include the name and address of the medical marijuana business that the medical marijuana is being transported or delivered from and the name and address of the medical marijuana business or individual that the medical marijuana is being transported to. The label shall be shown to any law enforcement officer who requests to see the label. An individual transporting medical marijuana items must have a valid California Driver's License and shall use a vehicle for transport that is insured at or above the legal requirement in California; capable of securing (locking) the medical marijuana during transportation; and capable of being temperature controlled if perishable medical marijuana is being transported. A permitted medical marijuana dispensary may deliver medi-

cal marijuana only to a residence of a qualified patient or caregiver. For purposes of this rule, "residence" means a dwelling such as a house or apartment but does not include a dormitory, hotel, motel, bed and breakfast or similar commercial business.

The medical marijuana dispensary must specify home delivery services in its application for a business license and the approval for the business license shall set forth conditions related to the home delivery service. The Dispensary shall at all times maintain an electronic point of sale inventory tracking and sales software system that provides for the creation of the transportation manifests required by the MMRSA and the real time location tracking of the employee providing the delivery. A bona fide order must be received by a permitted dispensary from the individual requesting delivery, before 8:00 p.m. on the day the delivery is requested. The bona fide order must contain: (a) The individual requestor's name, date of birth, the date delivery is requested and the address of the residence where the individual would like the items delivered; (b) A document that describes the marijuana proposed for delivery and the amounts; and (c) A written statement that the marijuana is for medical use only and not for the purpose of resale.

Deliveries must be made before 9:00 p.m. local time and may not be made between the hours of 9:00 p.m. and 8:00 a.m. local time. At the time of delivery, the individual performing delivery must check the identification of the individual to whom delivery is being made in order to determine that it is the same individual who submitted the bona fide order, that the individual is eighteen (18) years of age or older, and must require the individual to sign a document indicating the medical marijuana products were received. A medical marijuana dispensary may not deliver medical marijuana to an individual who is visibly intoxicated at the time of delivery, or who cannot provide a valid medical marijuana recommendation from a licensed medical doctor authorized by State law to issue recommendations, or to an individual who fails to provide a valid government issued identification verifying that the person is eighteen (18) years of age or older. Deliveries may not be made more than once per day to the same physical address or to the same individual. Marijuana items delivered to an individual's residence must: (a) Comply with all packaging and labeling regulations established by this Chapter or the State of California; (b) Be placed in a larger delivery receptacle that has a label that reads: "Contains marijuana: Signature of person 18 years of age or older required for delivery." All marijuana items must be kept in a lock-box securely affixed inside the delivery vehicle. A manifest must be created for each delivery or series of deliveries and the individual doing the delivery may not make any unnecessary stops between deliveries or deviate substantially from the manifest route.

Documentation Requirements. A medical marijuana dispensary must document the following regarding deliveries: The bona fide order and the date and time it was received by the retailer; The date and time the medical marijuana items were delivered; A description of the medical marijuana that was delivered, including the weight or volume and price paid by the consumer; Who delivered the medical marijuana items; and the name of the individual to whom the delivery was made and the delivery address; A dispensary is required to maintain the name of an individual to whom a delivery was made for eighteen (18) months from the date of delivery.

Home delivery or transportation services originating from within the City of Long Beach city limits, but not from a person having a valid medical Marijuana Business License are strictly prohibited. Home delivery or transportation services from outside the City of Long Beach city limits, or from a person or entity who does not have a valid Medical Marijuana Business License issued by the City of Long Beach are strictly prohibited. (Measure MM § 4, 11-8-2016)

5.90.150 License transferable and required conduct.

A Business License Permit issued pursuant to this Chapter shall become null and void if the

Medical Marijuana Business holding that Business License closes or dissolves, however a change in the Business name or form of corporate identity (e.g., conversion from a non-profit to a for profit status) shall not be deemed a dissolution nor a transfer pursuant to this Chapter. A Medical Marijuana Business License Permit is transferable but will require prior approval of the City. Any change in the ownership greater than ten percent (10%) of the licensee shall require notice to the City at least thirty days prior to the change and a new business license permit application. The licensee shall be permitted to conduct business under the prior business license permit while the City reviews the new application submitted pursuant to this section. Denial of the new business license application shall not result in the revocation of the existing business license permit. (Measure MM § 4, 11-8-2016)

5.90.160 Maintenance of records.

A Medical Marijuana Business shall maintain the following records on the Property: The full name, address, and telephone number(s) of the owner, landlord and/or lessee of the Property; The full name, address and telephone number(s) and a fully legible copy of a government issued form of identification of each Medical Marijuana Business employee engaged in the management of the Medical Marijuana Dispensary and a description of the nature of the participation in the management of the Medical Marijuana Business; The full name, date of birth, residential address, and telephone number(s) of each Medical Marijuana Business employee and Management Employee; the date each employee and management Employee joined the Business; and the exact nature of each employee's and management Employee's participation in the Medical Marijuana Business.

Each Medical Marijuana Business shall utilize point of sale software to track inventory and sales. The point of sale software shall be, upon regulatory implementation of the MMRSA, compliant with the State Unique Identifier and Track and Trace Program (Business and Professions Code 19335(a)). Each Medical Marijuana Business shall keep a complete set of books of account, invoices, copies of orders and sales, shipping instructions, bills of lading, weigh bills, bank statements including cancelled checks and deposit slips and all other records necessary to show fully the business transactions of such licensee. Receipts shall be maintained via a computer program or by pre-numbered receipts and used for each sale. The records of the business shall clearly track medical marijuana product inventory purchased and/or grown and sales and disposal thereof to clearly track revenue from sales of any medical marijuana from other paraphernalia or services offered by the Medical Marijuana Business. An inventory record documenting the dates and amounts of Medical Marijuana cultivated, processed or sold at the Property, and the daily amounts of Medical Marijuana stored on the Property. The records shall clearly show the source, amount, price and dates of all marijuana received or purchased, and the amount, price, dates and business, patient or caregiver for all medical marijuana sold. Proof of a valid Business License Permit issued by the City of Long Beach, in accordance with this Chapter. All records kept and maintained by the licensee shall at all times protect the confidential information of the patient or caregiver. All records must be identified as confidential and any disclosure shall be limited in a manner that maintains the confidentiality of the information contained therein.

Any and all records described in this Section shall be maintained by the Medical Marijuana Business for a period of seven (7) years.

Each Medical Marijuana Business operating in the City shall submit to the City Manager (or his or her designee) an annual financial report (hereinafter, the "Annual Report") prepared by the Business, using the following criteria: Each Annual Report shall be filed and submitted every calendar year no later than April 30 for each preceding calendar year (for example a Business's 2015 Annual Report shall be submitted to the City Manager no later than April 30, 2016). The Annual Report shall be a summary of the quarterly reports that were filed with the State Board of Equalization in the previous year. The Annual

Report shall document the number of Medical Marijuana transactions that took place during the reporting year to a Qualified Patient, employee or Management Employee for cash, credit, or in-kind contributions. Appended to the Annual Report shall be a copy of any and all documents, records or forms submitted to the State Board of Equalization for the reporting year, including but not limited to Board of Equalization Form 401 (or its electronic equivalent) which in any manner documents transaction activities relating to the operation of the Medical Marijuana Business. Appended to the Annual Report shall be an accounting of the number of Plants or clones cultivated by the Medical Marijuana Business, if any, during the reporting year. Any and all records or documents that serve as the basis for preparing the annual report shall be maintained by the Medical Marijuana Business for a period of seven (7) years. (Measure MM § 4, 11-8-2016)

5.90.170 Inspection authority.

City representatives (Health, Fire and Building inspectors) may enter and inspect the Property of each Medical Marijuana Business between the hours of 9:00 a.m. and 8:00 p.m. or during normal business hours. The Long Beach Police Department may be allowed to enter the Property if invited by the business manager or owner of the Business or in case of an emergency. Otherwise access shall only be available to the Police Department through a properly executed search warrant, subpoena, or court order. It shall be unlawful for any Property owner, landlord, and lessee, Medical Marijuana Business employee or Manager or any other person having any responsibility over the operation of the Medical Marijuana Business to refuse to allow, impede, obstruct or interfere with an inspection. (Measure MM § 4, 11-8-2016)

5.90.180 Term and renewal of business license permit.

Each Business License Permit issued pursuant to this Chapter shall be effective for five (5) years after issuance, and shall be renewed upon timely payment of all required licensing fees by the Medical Marijuana Business. The Licensee shall apply for renewal of the Business License Permit at least forty-five (45) days before the expiration of the license. The licensee shall apply for renewal using forms provided by the City Manager. If the Applicant fails to apply for renewal at least forty-five (45) days before the expiration of the License but does apply for renewal prior to expiration of the Business License Permit, the City Manager may process the renewal application if the Applicant submits a late filing fee of five hundred dollars ($500.00) at the time of submittal of the renewal application. The renewal license fee shall be equal to the annual license fee. The renewal fee, and late fee if applicable, shall accompany the renewal application. Such fee is nonrefundable.

In the event a Medical Marijuana Business that has been open and operating, and submitting required business license tax returns and taxes to the City, ceases providing business license returns and taxes to the City for two (2) consecutive reporting periods, the City Manager shall send notice to the Medical Marijuana Business demanding such reporting and payment and if no such reporting and payment is received within fifteen (15) days of the notice, the business license permit shall be deemed to have expired and the licensee shall cease doing business at the location. (Measure MM § 4, 11-8-2016)

5.90.190 Existing medical marijuana dispensaries.

Any operating Medical Marijuana Dispensary, collective, delivery service, operator, establishment, or provider that has not obtained a Business License Permit pursuant to this Chapter shall immediately cease operation until it fully complies with the requirements of this Chapter. (Measure MM § 4, 11-8-2016)

5.90.200 Prohibited activity.

It shall be unlawful for any person to cause, permit or engage in the cultivation, possession, distribution, exchange or giving away of Marijuana for medical or non-medical purposes except as provided in this Chapter. It shall be unlawful for

any person to cause, permit or engage in any activity related to Medical Marijuana except as provided in this Chapter and pursuant to all other applicable local and state law. It shall be unlawful for any person to knowingly make any false, misleading or inaccurate state mentor representation in any form, record, filing or documentation required to be maintained, filed or provided to the City of Long Beach under this Chapter. No Medical Marijuana Dispensary shall be open to or provide Medical Marijuana to qualified patients or employees between the hours of 10:00 p.m. and 9:00 a.m. The City Council may increase these hours of operation but may not decrease them. No person under the age of eighteen (18) shall be allowed on the Property, unless that minor is a Qualified Patient and is accompanied by his or her licensed Attending Physician, parent(s) or documented legal guardian. No Medical Marijuana Dispensary, Management Employee or employee shall cause or permit the sale, dispensing, or consumption of alcoholic beverages on the Property or in the parking area of the property. No dried Medical Marijuana shall be stored at the property in structures that are not completely enclosed, in an unlocked vault or safe, in any other unsecured storage structure, or in a safe or vault that is not bolted to the floor of the property. Medical Marijuana may not be inhaled, smoked, eaten, ingested, or otherwise consumed on the Property, or in the parking areas of the Property or in those areas restricted under the provisions of Health and Safety Code § 11362.79. (ORD-20-0042 § 1, 2020; Measure MM § 4, 11-8-2016)

5.90.210 Violations and enforcement.

Any person willfully misrepresenting any material fact in procuring the license herein provided for, shall be deemed guilty of a misdemeanor punishable by a fine of not more than one thousand dollars ($1,000.00) or by imprisonment for not more than twelve (12) months, or both such fine and imprisonment.

Any person who engages in any Medical Marijuana Business operations without a Business License Permit, except as otherwise provided in this Chapter, shall be guilty of a misdemeanor punishable by a fine of not more than one thousand dollars ($1,000.00) or by imprisonment for not more than twelve (12) months, or both such fine and imprisonment. The City may also pursue any and all remedies and actions available and applicable under local and State law for any violations related to the operation of a non-licensed medical marijuana business. Any operation of a Medical Marijuana Business without a Business License Permit shall be deemed unlawful and a public nuisance. It shall be unlawful and a violation of this Chapter for any person to permit a public nuisance to exist upon real property in which such person has an ownership or possessory interest. As a nuisance per se, such violation shall be subject to injunctive relief, revocation of the certificate of occupancy for the property, costs of abatement and any other relief or remedy at law or equity.

Any violation of the terms and conditions of the Business License Permit, of this Chapter, or of applicable local or state regulations and laws shall be grounds for suspending or revoking its license, pursuant to Section 5.90.240.

Any person violating any provision of this Chapter may be issued an administrative citation in accordance with Chapter 9.65 of this Code. Each day of operation in violation of this Chapter shall constitute a separate violation for purposes of application of the financial fine(s) of this Section. These fines and penalties are in addition to or in the alternative to any other penalties for violation of this Chapter. For the first five (5) days that a violation exists, a person shall be subject to a fine of one hundred dollars ($100.00) per day. Should a violation continue beyond five (5) days, the violator shall be subject to a fine of five hundred dollars ($500.00) per day from the sixth (6^{th}) day through the tenth (10^{th}) days of a violation. Should a violation persist beyond ten (10) days, the fine shall be one thousand dollars ($1,000.00) per day. The due process provisions of Chapter 9.65 of this code and the Suspension, Penalty, Revocation, and Appeals Process of Section 5.90.240 of this Chapter shall apply to all administrative citations

issued pursuant to this Section. A continuing violation of this Section that is of more than one consecutive day in duration shall be deemed a single violation for purposes of Section 5.90.240 application. (Measure MM § 4, 11-8-2016)

5.90.220 Acceptance and procedure of business license permit applications.

The City Manager shall issue Business License Permit application forms and all required supplemental documents required from applicants within ten (10) days after this Chapter has taken effect. Any Medical Marijuana Business desiring a Business License Permit required by this Chapter shall, prior to initiating operations, complete and file an application on a form supplied by the City, and shall submit the completed application to the City Manager with payment of a nonrefundable processing and notification fee not to exceed the annual Business License Fee set forth in this Chapter. After the City Manager has complied with this Section, the City Manager shall cause to be conspicuously posted on the City's website a public notice of availability. For Medical Marijuana Dispensary License Permit applications, the notice will appear on the City's website for ten (10) consecutive days, immediately prior to the opening of the application period. The notice shall specify that the City Manager will receive applications for further processing and consideration for thirty (30) days after the ten (10) day notice period expires (the "Medical Marijuana Dispensary Business License Permit application period"). The notice shall also specify the specific terms and procedures for conducting the public lottery set forth in Section 5.90.070. For all other Medical Marijuana Businesses, the notice shall remain posted with no expiration deadline.

The City Manager shall review each application upon submission and ensure that the application is complete. Incomplete applications will be promptly rejected and the applicant shall be notified that business day of the deficiencies. The applicant shall be given an opportunity to cure any incomplete or deficient application prior to the conclusion of the application processing term, if such time period is applicable. Any notices required by this Chapter shall be deemed issued upon the date they are either deposited in the United States mail or the date upon which personal service of such notice is provided. In addition to notice by mail and personal service, the City Manager shall contemporaneously give notice by electronic mail to the e-mail address listed on the application. At the conclusion of the Medical Marijuana Dispensary Business License Permit application period, the City Manager shall have forty-five (45) days to complete a review of the applications (the "application processing term") and shall assign points to each Applicant in accordance with Section 5.90.070. Five (5) days from the date the conclusion of the application period term, the City Manager will post the point priority rankings on its website and mail and e-mail written notification to each Applicant indicating the total points assigned, and the Applicant's rank.

Once the City Manager deems an application complete, the City Manager shall determine the availability of business license permits for the applied for use and, if such availability is not limited or restricted by this Chapter, or the City Manager can approve the application without exceeding the limited or restricted number of available license permits subject to the priority rights set forth in this Chapter, shall approve the application and issue the license permit within one (1) business day. If necessary, within fourteen (14) calendar days after the date of notice of point priority is posted on its website, the City Manager shall conduct the public lottery as set forth in Section 5.90.070 in accordance with previously published lottery procedures. All other Medical Marijuana Business licenses permits shall be processed in the normal course of business, but in no event shall the City Manager unreasonably delay the approval process. Medical Marijuana Business License Permits may be approved contingent upon issuance of approved building plans. (Measure MM § 4, 11-8-2016)

5.90.230 Medical marijuana business license permit application.

In addition to the general business license permit application requirements of Chapter 5.04, an

application for a business license permit to operate a medical marijuana business shall include completed forms provided by the City for that purpose. Any application for a Medical Marijuana Business license shall be accompanied by the business license application fee, and criminal background check (″Live Scan″) fee. The Applicant shall use the application to demonstrate its compliance with this Chapter and any other applicable law, rule, or regulation, or has made reasonable provision for the satisfaction of these requirements. The application shall include the following information: Name, address, e-mail address, Social Security number and contact phone number of the owner or owners of the medical marijuana business in whose name the permit is proposed to be issued. If an owner is a corporation, the name, address, e-mail address and contact phone number of all officers or directors of the corporation and all shareholders who individually own more than ten percent (10%) of the issued and outstanding stock of the corporation and the EIN for the corporation. If an owner is a partnership, association, or limited liability company, the EIN for the entity and the name, address, e-mail address and contact phone number of any person holding a voting interest therein and/or the managing member(s). If a managing member is an entity rather than an individual, the same disclosure shall be required for each entity with an ownership interest until a managing member that is a natural person is identified. If an owner is not a natural person, the organizational documents for all entities identified in the application, identification of the natural person that is authorized to speak for the entity and the address, e-mail address and contact phone number information for that person. Reasonable proof the entity is registered, if such registration is required, and in good standing with all applicable State Agencies.

Name, address, e-mail address and contact phone number of any business managers of the medical marijuana business, if the business manager is proposed to be someone other than the owner; and all agents of the medical marijuana business who act with managerial authority. A statement indicating whether any of the named owners, members, business managers, or persons named on the application have been: Denied an application for a Business License Permit pursuant to this Chapter, or any similar state or local licensing or permitting law, rule, or regulation, or had such a license or permit suspended or revoked; Convicted of violating any violent or serious felony(s) as specified in Sections 667.5 and 1192.7 of the Penal Code or any felony involving fraud, deceit or embezzlement. Proof of ownership or legal possession of the Property at which the medical marijuana business will be located. If the medical marijuana business is not the owner of the property of the business, the Applicant shall provide written authorization to the City from the property owner to enter the property for inspection of the property on a form approved by the City as well as an acknowledgement from the owner that the Applicant has the owner′s permission and consent to operate a medical marijuana business at the subject property. A certificate for proof of insurance signed by a qualified agent of an insurance company evidencing the existence of valid and effective policies of workers′ compensation and public liability insurance at least to the limits required by Section 5.90.030 of this Chapter, the limits of each policy, the policy number(s), the name of the insurer, the effective date, and expiration date of each policy. An identification of the specific State License as set forth in the MMRSA the proposed Medical Marijuana Business intends to apply for and obtain upon issuance of the City business license. An operating plan for the proposed medical marijuana business, including the following information: A description of the products and services to be provided by the medical marijuana business; A schedule depicting the hours of operation; A description of the procedures for cash handling and audits; A dimensioned floor plan, clearly labeled, showing: The layout of the facility and the floor plan in which the medical marijuana business is to be located; The principal uses of the floor area depicted on the floor plan, including but not limited to, the areas where non-patients will be permitted, pri-

vate consulting areas, storage areas, retail areas, areas for cash handling and storage, and restricted areas where medical marijuana will be located; and Electrical, mechanical, plumbing, disabled access compliance pursuant to Title 24 of the State of California Code of Regulations and the federally mandated Americans with Disabilities Act; and The separation of the areas that are open to persons who are not patients from those areas open to patients. For cultivation facilities, and medical marijuana businesses that produce medical marijuana-infused products, a plan that specifies: The methods to be used to prevent the growth of harmful mold and compliance with limitations on discharge into the wastewater system of the City as set forth in Long Beach Municipal Code Chapter 15.16, "Industrial Waste and Wastewater"; A minimum of a one (1) hour fire separation wall between a cultivation facility and any adjacent business. All ventilation systems used to control the environment for the plants that describes how such systems operate with the systems preventing any odor leaving the property. Such plan shall also include all ventilation systems used to mitigate noxious gases or other fumes used or created as part of the production process. A State seller's permit issued to the Applicant pursuant to Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code if such permit is required by law for the applicant's intended business operation.

Additional requirements: A fully legible copy of one valid government issued form of photo identification, such as a State Driver's License or Identification Card and Livescan finger-printing completed at the Long Beach Police Department. This requirement shall apply to all owners, business managers, and employees employed by the medical marijuana business. A plan for disposal of any medical marijuana or medical marijuana-infused product that is not sold to a patient or primary caregiver in a manner that protects any portion thereof from being possessed or ingested by any person or animal. A plan for ventilation of the medical marijuana business that describes the ventilation systems that will be used to prevent any odor of medical marijuana off the property of the business. A description of all toxic, flammable, or other materials regulated by a Federal, State, or local government that would have authority over the business if it was not a marijuana business, that will be used or kept at the medical marijuana business, the location of such materials, and how such materials will be stored. A statement of the amount of the projected daily average and peak electric load anticipated to be used by the business and certification from the landlord and utility provider that the property is equipped to provide the required electric load, or necessary upgrades that will be performed prior to final inspection of the property. A description of the point of sale software the medical marijuana business will utilize to track inventory and sales of medical marijuana. For any medical marijuana business with two (2) or more employees (as defined in the California Business and Professions Code, Section 19322(6)), a statement that the business will enter into, or demonstrate that it has already entered into, and will abide by the terms of a labor peace agreement. A statement signed under penalty of perjury by each owner or business manager that they have read, understand, and shall ensure compliance with the terms of this Chapter.

Should an applicant be awarded a license, any commitments in the application shall become conditions of the license. If a violation of a condition occurs, the City, pursuant to Section 5.90.240, may assess a penalty or seek suspension or revocation of the license. (Measure MM § 4, 11-8-2016)

5.90.240 Suspension, penalty, revocation and appeals process.

The City Manager shall provide a dated, written notice to the Liaison if it believes that his or her Medical Marijuana Business has violated any provision of this Chapter and any steps available to cure such violation. Within thirty (30) business days of receiving that notice, the Licensee shall have the right to file a written response with the City Manager. After receiving and reviewing the substantive content of any such response, the City Manager shall prepare a written report and for-

ward all evidence along with the report to the Marijuana Task Force which shall then determine whether or not the Licensee has violated any provision of this Chapter, whether the violation has been or is curable or not; and shall provide a dated, written notice to the Licensee of its factual findings and legal determination. If the City Manager determines that a Licensee has failed to comply with or cure any violation of any provision of this Chapter on at least five (5) separate, non-continuing occasions within twenty-four (24) months, or that a Licensee has been convicted for noncompliance with any Medical Marijuana State law, the City Manager shall revoke or suspend the Business License Permit. A Task Force finding of no violation or that a violation has been cured shall not be considered as a violation by the City Manager. The City Manager shall notify a Medical Marijuana Business's Liaison of its recommendation that its Business License be suspended or revoked by means of a dated, written notice, which shall advise the Licensee of its right to appeal the decision to the Long Beach City Council. The request for appeal shall be in writing, shall set forth the specific ground(s) on which it is based, and shall be filed with the City Manager within forty-five (45) calendar days from the date the notice was mailed along with an appeal deposit, in an amount determined by the Long Beach City Council. If a timely appeal is filed, a Business License Permit may not be suspended or revoked before that appeal has been fully adjudicated. The Long Beach City Council shall conduct a hearing (hereinafter, the "City Council Hearing") on the appeal or refer the matter to a hearing officer pursuant to Chapter 2.93 of this Code, within forty-five (45) calendar days from the date the completed request for appeal was received by the City Manager, except where good cause exists to extend this period. The appellant shall be given at least fifteen (15) calendar days' written notice of the City Council Hearing. The City Council Hearing shall be conducted pursuant to Chapter 2.93 of the Long Beach Municipal Code. The determination of the Long Beach City Council on the appeal shall be final, unless the licensee chooses to file a court action within forty-five (45) calendar days of that determination. If a Medical Marijuana Business's License Permit has been revoked or suspended, no other Business License Permit application shall be considered for that Business for a period of one (1) year from either: (a) the date on which the notice of the revocation or suspension was mailed, or (b) the date of the final decision of the Long Beach City Council, whichever is later. (Measure MM § 4, 11-8-2016)

5.90.250 Compliance and changes to applicable law.

If any State law applicable to this Chapter changes or is amended, this Chapter shall be construed in a manner that ensures that Qualified Patients continue to have safe, affordable access to Medical Marijuana. Except as may be provided otherwise in this Chapter, any law or regulation adopted by the State governing the cultivation, production, possession or distribution of marijuana for medical or recreational use shall also apply to Medical Marijuana Businesses in the City. If there is a conflict between State law and this Chapter, State law shall be applied. A conviction for noncompliance with any applicable State law or regulation shall be grounds for revocation or suspension of any license or permit issued under this Chapter. No Medical Marijuana Business shall continue operations in violation of an additional State law or regulation applicable within the City after the effective date of the State law or regulation. If the State prohibits the cultivation, production, possession or other distribution of marijuana through Medical Marijuana Businesses, or if a court of last resort with competent jurisdiction determines that the Federal government's prohibition of the cultivation, production, possession or other distribution of marijuana through Medical Marijuana Businesses supersedes State law, any business license permit issued pursuant to this Chapter shall be deemed to be immediately revoked by operation of law. (Measure MM § 4, 11-8-2016)

5.90.260 Establishment of a Medical Marijuana Task Force.

The Long Beach Medical Marijuana Task Force ("Task Force") shall be established. The Task Force shall consist of nine (9) members. Appointments to the Task Force shall be made and vacancies on the Task Force shall be filled by the Mayor and City Council in accordance with the provisions in Chapter 2.18.050 of this Code. Services of the members of the Task Force shall be voluntary and members will serve without compensation. All members of the Task Force shall be residents of the City. The Task Force shall be comprised of the following members: Three (3) Task Force members shall be representatives from three (3) separate Medical Marijuana Businesses operating in the City; Four (4) Task Force members shall be representatives of recognized neighborhood organizations which have at least one (1) Medical Marijuana Business operating within its boundaries and at least two (2) of whom are Qualified Patients or Care Givers; One (1) Task Force member shall be a representative of a local patient advocacy organization with a background in working to protect the interests of medical marijuana patients; and One (1) Task Force member shall be a representative of a local labor organization representing Medical Marijuana employees employed at licensed Medical Marijuana Businesses in the City.

The Medical Marijuana Task Force shall have the power and duty to: Recommend to the City operational and safety standards for Medical Marijuana Businesses operating in the City; Develop and make recommendations for a mediation process to be used by operators of medical dispensaries, patients, and neighbors of dispensaries to address community concerns and nuisance issues and resolve conflicts and disputes; Render decisions with respect to a Medical Marijuana Business' compliance as set forth in Section 5.90.240 of this Chapter. (Measure MM § 4, 11-8-2016)

5.90.270 City Manager authorized to issue rules.

The City Manager or his designee may adopt reasonable rules and regulations that the City Manager determines are necessary to implement the requirements and administration of this Chapter. (Measure MM § 4, 11-8-2016)

5.90.280 Severability.

If any provision of this Chapter, or the application thereof to any person or circumstance, is held invalid, that invalidity shall not affect any other provision or application of this Chapter that can be given effect without the invalid provision or application; and to this end, the provisions or applications of this Chapter are severable. Chapter 5.89 of the Long Beach Municipal Code is repealed effective on the first (1st) day after this Chapter becomes effective by operation of law. (Measure MM § 4, 11-8-2016)

5.90.290 Local enforcement and penalties for illegal marijuana businesses.

A. Applicability. This Section applies to all entities and persons engaging in medical and/or nonmedical marijuana related activity who are legally required to, but do not have, a City issued license, permit or authorization ("Establishment"). This Section also applies to any person or entity who has an ownership or possessory interest in any real property upon which an Establishment is being operated, permitted or maintained ("Property Owner").

B. Actions for injunctive relief and civil penalties.

1. As an alternative or in addition to any other remedy, the City Attorney may enforce the provisions of this Chapter against an Establishment and/or Property Owner in any court of competent jurisdiction. The City Attorney may apply to such court for an order seeking injunctive relief to abate or remove any nuisance caused, maintained, or permitted by an Establishment and/or Property Owner; to restrain any Establishment and/or Property Owner from taking any action contrary to the provisions of this Chapter or other applicable law; and/or to require any Establishment and/or Property Owner to take any action to comply with this Chapter or other applicable law.

2. In any civil court action brought by the City Attorney pursuant to this Section in which the City succeeds in obtaining an order from the court, the City shall be entitled to recover from an Establishment and/or Property Owner all of the City's costs of investigation, enforcement, abatement, and litigation, including but not limited to attorneys' fees.

3. The City shall also be entitled to recover civil penalties against an Establishment and/or Property Owner in a maximum amount of five thousand dollars ($5,000.00) per violation for each day an Establishment is operated, permitted, or maintained on the subject property. In assessing the amount of the civil penalty, the court shall consider any one or more of the relevant circumstances presented by any of the parties to the case, including, but not limited to, the following: the nature and seriousness of the violation, any economic benefit gained through the violation, the number of violations, the length of time over which the violation occurred, the willfulness of the defendant's violation, and the defendant's assets, liabilities, and net worth.

4. The City Attorney is authorized, without further direction from the City Council, to institute any civil actions permitted pursuant to this Section.

C. Prohibited property sites for marijuana-related operations.

1. The City may in its sole discretion take any action as specified in this subsection.

2. If the City discovers an Establishment is currently and/or was operating within the previous 60 days at or on a property, or any portion thereof, the City may take action as specified herein. The City shall notify the Property Owner in writing of their right to file, within fifteen (15) days after the date of mailing of the Notice, written request of a hearing to the City disputing the alleged Establishment operation. Such written request shall set forth the specific ground(s) on which the dispute is based and the Property Owner shall pay to the City at the time of filing said written request a filing fee in an amount to be set by resolution of the City Council. Failure to file the written request within the time period specified shall result in waiver of any right to dispute the allegation of operation of an Establishment at the subject property. In the event of such waiver, no medical or nonmedical marijuana business, whether licensed or non-licensed, shall be permitted to operate at the subject property for a period of one (1) year from the 16th day after the date of mailing of the Notice.

If the written request is filed within the time period specified, within thirty (30) days following the filing of said written request, the City shall set a hearing to be held not less than ten (10) days nor not more than thirty (30) days thereafter, and such hearing may for good cause be continued by the City. The hearing shall be held in accordance with Chapter 2.93 of this Code, except that the matter shall be automatically referred to the City Clerk for selection of a Hearing Officer, without the City Council's referral, in accordance with Subsection 2.93.050.B of this Code. The City shall thereupon make a written report to the Hearing Officer reflecting such determination that an Establishment exists and/or existed at the subject property. Whenever it has been determined that an Establishment was and/or is in operation, no medical or nonmedical marijuana business, whether licensed or non-licensed, shall be permitted to operate at the subject property for a period of one (1) year from the effective date of such determination.

The prohibitions contained in this subsection shall be sufficient grounds to deny any application for operation of a marijuana-related business at the subject property received within the one-year time period.

3. In the event the City revokes a Property Owner's Non-Residential Rental Business License for violating this Chapter, no medical or nonmedical marijuana business, whether licensed or non-licensed, shall be permitted to operate at the subject property for a period of five (5) years from the effective date of revocation of the Non-Residential Rental Business License. Such revocation shall be sufficient grounds to deny any application for operation of a marijuana-related business at the subject property received within the five-year pe-

riod. This prohibition shall also remain in effect in the event a Property Owner (or an entity owned by or affiliated with such Property Owner) obtains another Non-Residential Rental Business License anytime within the five-year period for the subject property.

D. Disconnection of utilities.

1. To the maximum extent permitted by law, and in accordance with the processes thereof, the City may discontinue utility services to any premises upon which an Establishment is operating.

2. Prior to the disconnection of utility services, the City must notify, wherever possible, the Property Owner and occupant of the building, structure, or premises upon which the Establishment is operating, of the decision to disconnect the utility service(s) and the reason(s) for service suspension at least seven (7) calendar days before taking such action, unless a different period of notification is mandated by law; provided that the City's Building Official may dispense with any attempt at prior notification if, in the sole discretion of the Building Official, the nature or severity of any apparent dangerous hazard justifies such inaction in accordance with other provisions of this Code.

3. In the event utilities are disconnected, the Building Official must notify the owner or occupant of the building, structure, or premises in writing of the disconnection as soon as practical thereafter.

4. Disconnected utilities shall not be re-established until an inspection has been made by the City's Building Official and the Building Official has determined that the unlawful Establishment has ceased operations; that any imminent hazard has been abated or eliminated (if applicable); that the building complies with applicable law; and that any applicable fees for disconnection, reconnection, penalties and/or other related services have been paid.

5. Removing or defacing a notice posted in relation to this provision shall constitute a separate and distinct violation of this Chapter.

E. Miscellaneous.

1. The enforcement and penalties stated herein are in addition to any additional civil or criminal remedies and actions available at law or equity for such violations.

2. Nothing in this Section shall be construed as requiring the City to allow, permit, license, authorize, or otherwise regulate medical or nonmedical marijuana, or as abridging the City's police power with respect to enforcement regarding medical or nonmedical marijuana, or as restricting or otherwise limiting the enforcement authority conferred upon the City or any State agency by other provisions of this Municipal Code or State law.

3. In the event any provision in this Section shall be deemed invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability. (ORD-17-0011 § 1, 2017)

5.90.300 Implementation of the Medicinal and Adult-Use Cannabis Regulation and Safety Act.

A. Replacement provisions.

1. Wherever this Chapter refers to the "Medical Marijuana Regulation and Safety Act" or "MMRSA" or its provisions, it shall be deemed to refer to the "Medicinal and Adult-Use Cannabis Regulation and Safety Act" or "MAUCRSA", enacted into law by the State of California on June 27, 2017, and its provisions.

2. Wherever this Chapter refers to "California Business and Professions Code Section 19300.5" and any of its subsections, it shall be deemed to refer to "California Business and Professions Code Section 26001".

3. With the exception of testing laboratory licenses, wherever this Chapter refers to state license types, they shall be deemed to bear the designation of an "M-license" for medicinal cannabis.

4. Wherever this Chapter refers to "Health and Safety Code Section 19346", it shall be deemed to refer to "California Business and Professions Code Section 26120".

5. Wherever this Chapter refers to a "Type 10A Dispensary" license, it shall be deemed to refer to a "Type 10 Retailer" license under MAUCRSA.

6. Wherever this Chapter refers to "Business and Professions Code section 19335(a)", it shall be deemed to refer to "Business and Professions Code section 26067(a)".

7. Wherever this Chapter refers to "Business and Professions Code Section 19322(6)", it shall be deemed to refer to "Business and Professions Code Section 26051.5(a)(5)".

B. Day Care Center Buffer.

1. Pursuant to its authority under Section 26054 of the Business and Professions Code, the City hereby implements the State's 600-foot radius buffer requirement for day care centers for Medical Marijuana Businesses licensed under this Chapter.

2. Per Section 26001(o) of the Business and Professions Code, "day care center" shall have the same meaning as in Section 1596.76 of the Health and Safety Code.

3. This Section shall only apply to Medical Marijuana Business License applicants who have submitted an application for a Medical Marijuana Business License under this Chapter on or after January 1, 2018. A Medical Marijuana Business License applicant who has submitted a Medical Marijuana Business License application prior to January 1, 2018, is exempt from the day care center buffer established by this Section as to that application.

C. Youth Center Buffer. Pursuant to its authority under Section 26054 of the Business and Professions Code, the City hereby establishes a 0-foot radius buffer for youth centers for Medical Marijuana Businesses licensed under this Chapter. (ORD-17-0026 § 1, 2017)

5.90.310 Implementation of the Cannabis Social Equity Program.

A. The Cannabis Equity Program provisions outlined in Chapter 5.92 of this Code shall be applicable to any Medical Marijuana Business who meets the criteria of the program.

B. An equity applicant or a group of equity applicants applying for a Medical Marijuana Business Permit as an equity business shall receive the same assistance and benefits as an equity business applying for an Adult-Use Cannabis Business Permit pursuant to Chapter 5.92 of this Code.

C. The City Manager is authorized to make reasonable rules, policies, and procedures consistent with the intent and spirit of Chapter 5.92 of this Code to develop and implement an administrative program for this Equity Program. Regulations promulgated by the City Manager become effective upon date of publication, unless specified otherwise. (ORD-22-0015 § 3, 2022)

CHAPTER 5.91 PREMIUM PAY FOR GROCERY WORKERS

5.91.005 Purpose.

As a result of the COVID-19 pandemic and the "Stay at Home" order issued by California Governor Gavin Newsom and the "Safer at Home" order issued by the City of Long Beach, this Ordinance aims to protect and promote the public health, safety, and welfare during the new coronavirus 19 (COVID-19) emergency by requiring grocery stores to provide premium pay for grocery workers performing work in Long Beach. Requiring grocery stores to provide premium pay to grocery workers compensates grocery workers for the risks of working during a pandemic. Grocery workers face magnified risks of catching or spreading the COVID-19 disease because the nature of their work involves close contact with the public, including members of the public who are not showing symptoms of COVID-19 but who can spread the disease. The provision of premium pay better ensures the retention of these essential workers who are on the frontlines of this pandemic providing essential services and who are needed throughout the duration of the COVID-19 emergency. As such, they are deserving of fair and equitable compensation for their work. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.010 Short title.

This ordinance shall constitute the "Premium Pay for Grocery Workers Ordinance" and may be

cited as such. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.020 Definitions.

For purposes of this Ordinance:

"Adverse action" means reducing the compensation to a grocery worker, garnishing gratuities, temporarily or permanently denying or limiting access to work, incentives, or bonuses, offering less desirable work, demoting, terminating, deactivating, putting a grocery worker on hold status, failing to rehire after a seasonal interruption of work, threatening, penalizing, retaliating, or otherwise discriminating against a covered grocery worker for any reason prohibited by Section 5.91.090.

"Adverse action" also encompasses any action by the hiring entity or a person acting on the hiring entity's behalf that would dissuade a grocery worker from exercising any right afforded by this ordinance.

"Aggrieved party" means a grocery worker or other person who suffers tangible or intangible harm due to a hiring entity or other person's violation of this ordinance.

"City" means the City of Long Beach.

"Covered grocery worker" means a grocery worker employed directly by a hiring entity who is entitled to premium pay pursuant to this Ordinance.

"Grocery store" means a store that devotes seventy percent (70%) or more of its business to retailing a general range of food products, which may be fresh or packaged. There is a rebuttable presumption that if a store receives seventy percent (70%) or more revenue from retailing a general range of food products, then it qualifies as a grocery store.

"Grocery worker" means a worker employed directly by a hiring entity at a grocery store. Grocery worker does not include managers, supervisors or confidential employees.

"Hiring entity" means a grocery store that employs over three hundred (300) grocery workers nationally and employs more than fifteen (15) employees per grocery store in the City of Long Beach.

"Premium pay" means additional compensation owed to a grocery worker that is separate from hiring entity payments for providing services, bonuses, and commissions, as well as tips earned from customers.

"Respondent" means a grocery store, parent company or any person who is alleged or found to have committed a violation of this Ordinance. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.030 Grocery worker coverage.

For the purposes of this Ordinance, covered grocery workers are limited to those who perform work for a hiring entity where the work is performed in the City of Long Beach. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.040 Hiring entity coverage.

A. For purposes of this Ordinance, hiring entities are limited to those who employ three hundred (300) or more grocery workers nationally and employ more than fifteen (15) employees per grocery store in the City of Long Beach.

B. To determine the number of grocery workers employed for the current calendar year:

1. The calculation is based upon the average number per calendar week of grocery workers who worked for compensation during the preceding calendar year for any and all weeks during which at least one (1) grocery worker worked for compensation. For hiring entities that did not have any grocery workers during the preceding calendar year, the number of grocery workers employed for the current calendar year is calculated based upon the average number per calendar week of grocery workers who worked for compensation during the first ninety (90) calendar days of the current year in which the hiring entity engaged in business.

2. All grocery workers who worked for compensation shall be counted, including but not limited to:

a. Grocery workers who are not covered by this Ordinance; and

b. Grocery workers who worked in Long Beach. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.050 Premium pay requirement.

A. Hiring entities shall provide each grocery worker with premium pay consisting of an additional Four Dollars ($4.00) per hour for each hour worked.

B. Hiring entities shall provide the pay required by Subsection 5.91.050.A for a minimum of one hundred twenty (120) days from the effective date of this Ordinance.

C. Unless extended by City Council, this ordinance shall expire in one hundred twenty (120) days. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.060 Grocery worker and consumer protections.

A. No hiring entity shall, as a result of this Ordinance going into effect, take any of the following actions:

1. Reduce a grocery worker's compensation;

2. Limit a grocery worker's earning capacity.

B. It shall be a violation if this Ordinance is a motivating factor in a hiring entity's decision to take any of the actions in Subsection 5.91.060.A, unless the hiring entity can prove that its decision to take the action(s) would have happened in the absence of this Ordinance going into effect. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.070 Notice of rights.

A. Hiring entities shall provide covered grocery workers with a written notice of rights established by this ordinance. The notice of rights shall be in a form and manner sufficient to inform grocery workers of their rights under this ordinance. The notice of rights shall provide information on:

1. The right to premium pay guaranteed by this Ordinance;

2. The right to be protected from retaliation for exercising in good faith the rights protected by this ordinance; and

3. The right to bring a civil action for a violation of the requirements of this Ordinance, including a hiring entity's denial of premium pay as required by this Ordinance and a hiring entity or other person's retaliation against a covered grocery worker or other person for asserting the right to premium pay or otherwise engaging in an activity protected by this ordinance.

B. Hiring entities shall provide the notice of rights required by posting a written notice of rights in a location of the grocery store utilized by employees for breaks, and in an electronic format that is readily accessible to the grocery workers. The notice of rights shall be made available to the grocery workers via smartphone application or an online web portal, in English and any language that the hiring entity knows or has reason to know is the primary language of the grocery worker(s). (ORD-21-0004(Emerg.) § 1, 2021)

5.91.080 Hiring entity records.

A. Hiring entities shall retain records that document compliance with this Ordinance for covered grocery workers.

B. Hiring entities shall retain the records required by Subsection 5.91.080.A for a period of two (2) years.

C. If a hiring entity fails to retain adequate records required under Subsection 5.91.080.A, there shall be a presumption, rebuttable by clear and convincing evidence, that the hiring entity violated this Ordinance for each covered grocery worker for whom records were not retained. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.090 Retaliation prohibited.

No hiring entity employing a grocery worker shall discharge, reduce in compensation, or otherwise discriminate against any grocery worker for opposing any practice proscribed by this Ordinance, for participating in proceedings related to this Ordinance, for seeking to exercise their rights under this Ordinance by any lawful means, or for otherwise asserting rights under this Ordinance. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.100 Violation.

The failure of any respondent to comply with any requirement imposed on the respondent under this Ordinance is a violation. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.110 Remedies.

A. The payment of unpaid compensation, liquidated damages, civil penalties, penalties payable to aggrieved parties, fines, and interest provided under this Ordinance is cumulative and is not intended to be exclusive of any other available remedies, penalties, fines, and procedures.

B. A respondent found to be in violation of this Ordinance for retaliation under Section 5.91.090 shall be subject to any appropriate relief at law or equity including, but not limited to reinstatement of the aggrieved party, front pay in lieu of reinstatement with full payment of unpaid compensation plus interest in favor of the aggrieved party under the terms of this Ordinance, and liquidated damages in an additional amount of up to twice the unpaid compensation. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.120 Private right of action.

A. Any covered grocery worker that suffers financial injury as a result of a violation of this Ordinance, or is the subject of prohibited retaliation under Section 5.91.090, may bring a civil action in a court of competent jurisdiction against the hiring entity or other person violating this Ordinance and, upon prevailing, may be awarded reasonable attorney fees and costs and such legal or equitable relief as may be appropriate to remedy the violation including, without limitation: the payment of any unpaid compensation plus interest due to the person and liquidated damages in an additional amount of up to twice the unpaid compensation; and a reasonable penalty payable to any aggrieved party if the aggrieved party was subject to prohibited retaliation. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.130 Encouragement of more generous policies.

A. Nothing in this Ordinance shall be construed to discourage or prohibit a hiring entity from the adoption or retention of premium pay policies more generous than the one required herein.

B. Nothing in this Ordinance shall be construed as diminishing the obligation of a hiring entity to comply with any contract or other agreement providing more generous protections to a grocery worker than required by this Ordinance. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.140 Other legal requirements.

This Ordinance provides minimum requirements for premium pay while working for a hiring entity during the COVID-19 emergency and shall not be construed to preempt, limit, or otherwise affect the applicability of any other law, regulation, requirement, policy, or standard that provides for higher premium pay, or that extends other protections to grocery workers; and nothing in this Ordinance shall be interpreted or applied so as to create any power or duty in conflict with federal or state law. Nothing in this Section shall be construed as restricting a grocery worker's right to pursue any other remedies at law or equity for violation of their rights. (ORD-21-0004(Emerg.) § 1, 2021)

5.91.150 Severability.

The provisions of this Ordinance are declared to be separate and severable. If any clause, sentence, paragraph, subdivision, section, subsection, or portion of this ordinance, or the application thereof to any hiring entity, grocery worker, person, or circumstance, is held to be invalid, it shall not affect the validity of the remainder of this Ordinance, or the validity of its application to other persons or circumstances. (ORD-21-0004(Emerg.) § 1, 2021)

CHAPTER 5.92 ADULT-USE CANNABIS BUSINESSES AND ACTIVITIES

DIVISION I. PURPOSE AND DEFINITIONS

5.92.010 Purpose and intent.

It is the purpose and intent of this Chapter to:

A. Regulate the cultivation, possession, manufacture, distribution, processing, storing, laboratory testing, packaging, labeling, transportation, delivery, and sale of cannabis goods for adults

twenty-one (21) years of age and over, and co-located medicinal and adult-use commercial cannabis activities, in a manner that promotes and protects the health, safety, and welfare of the residents, neighborhoods, and businesses in the City and mitigates the costs to the community for the oversight of these activities.

B. Enforce rules and regulations consistent with State law pursuant to the MAUCRSA and any related or successor laws and regulations implemented by the State or any of its departments or divisions.

C. Regulate commercial cannabis activity in the City concurrently with the State. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.020 General provisions.

A. Legal authority. Pursuant to Sections 5 and 7 of Article XI of the California Constitution and provisions of the MAUCRSA, as it may be amended from time to time and any subsequent State legislation or regulations regarding same, the City is authorized to adopt ordinances that establish standards, requirements, and regulations for local licenses and permits for commercial cannabis activity involving adult-use cannabis. Any standards, requirements, and regulations regarding health and safety, security, welfare, and worker protections established by the State, or any of its departments or divisions, are the minimum standards applicable to commercial cannabis activity in the City.

B. Conflict of law. This Chapter is not intended to interfere with, abrogate, or annul any other ordinance, resolution, regulation, statute, or other provision of law. In the event of any conflict between the provisions of this Chapter and any other applicable State or local law or regulation, the more restrictive provision shall control.

C. Nothing in this Chapter is intended, nor shall it be construed to:

1. Interfere with an employer's rights and obligations to maintain a drug and alcohol free workplace or require an employer to allow or accommodate the use, consumption, possession, transfer, display, transportation, sale, or growth of cannabis in the workplace, or affect the ability of an employer to have policies prohibiting the use of cannabis by employees or prospective employees, or prevent employers from complying with local, State, or federal law.

2. Interfere with the right of any property owner from restricting or prohibiting any of the actions or conduct otherwise permitted under California Health and Safety Code Section 11362.1 on said property owner's privately owned real property.

3. Condone or legalize the possession, use, consumption, transportation, sale, or any other use of cannabis or cannabis products that are otherwise prohibited under State law.

4. Require the City to allow, permit, license, authorize, or otherwise regulate commercial cannabis activity, or to abridge the City's police power with respect to enforcement regarding commercial cannabis activity, or to restrict or otherwise limit the enforcement authority conferred upon the City, or any State agency, by other provisions of this Code or State law.

5. Exempt any commercial cannabis activity from any applicable local and State building, electrical, plumbing, land use, or any other building or land use standards or permitting requirements.

D. Adult-Use Cannabis Businesses, adult-use commercial cannabis activity, and Co-Located Cannabis Businesses shall only be allowed in compliance with this Chapter and all applicable provisions set forth in this Code, including but not limited to, the cannabis business tax ordinance pursuant to Chapter 3.80 of this Code, and all regulations governing the land use, building, grading, plumbing, septic, electrical, fire, hazardous materials, nuisance, and public health and safety.

E. If the State prohibits the cultivation, possession, manufacture, processing, storing, laboratory testing, labeling, transporting, distribution, delivery, or sale of cannabis goods through Adult-Use Cannabis Businesses, or if a court of competent jurisdiction determines that the federal government's prohibition of the sale, cultivation, manufacture, possession, or other distribution of

cannabis goods through Adult-Use Cannabis Businesses supersedes State law, any permit issued pursuant to this Chapter shall be deemed to be immediately revoked by operation of law with no ground for appeal, or other redress, on behalf of any Adult-Use Cannabis Business. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.030 Definitions.

The definitions set forth in the California Business and Professions Code Section 26000 et seq. shall apply to this Chapter and are hereby incorporated by reference. Any reference to State statutes includes any regulations promulgated thereunder and is deemed to include any successor or amended version of the reference statute or regulatory provision. Unless otherwise defined herein, and unless otherwise clearly apparent from the context, the following terms as used in this Chapter shall have the meanings set forth in this Section:

A. "Accreditation Body" means an impartial non-profit organization that operates in conformance with the International Organization for Standardization (ISO)/International Electrotechnical Commission (IEC) standard 17011 and is a signatory to the International Laboratory Accreditation Cooperation (ILAC) Mutual Recognition Arrangement (MRA) for Testing.

B. "Administrative Hold" means an order by the City Manager prohibiting the movement, removal, transport, use, treatment, or disposal of a material that is, or is suspected of being, adulterated, misbranded, or hazardous waste that is being mismanaged or that the City Manager has reason to suspect is, or will be, managed in violation of this Chapter.

C. "Adulterated" shall have the same meaning as California Business and Professions Code Section 26131.

D. "Adult-Use Cannabis" means cannabis or cannabis products for adults twenty-one (21) years of age or older who do not possess a physician's recommendation.

E. "Adult-Use Cannabis Business" means any person, entity, or operation, in whole or in part, whether operating for-profit or not-for-profit, and all associated owners, employees, managers, and agents, engaged in adult-use commercial cannabis activity.

F. "Adult-Use Cannabis Business Permit" or "Permit" means one (1) document issued by the City to reflect the regulatory business permit issued pursuant to the provisions of this Chapter and Title 5 of this Code, and a business license issued pursuant to Chapter 3.80 of this Code, authorizing the holder thereof to operate an Adult-Use Cannabis Business and to conduct adult-use commercial cannabis activities.

G. "Applicant" means a person or entity who has submitted an application for an Adult-Use Cannabis Business Permit pursuant to this Chapter, including any individual, officer, director, partner, or other duly authorized representative applying on behalf of an entity.

H. "Batch" means a specific quantity of homogeneous cannabis or cannabis product that is either a harvest batch or a manufactured cannabis batch.

I. "Batch Number" or "Lot Number" means any distinct group of numbers, letters, or symbols, or any combination thereof, assigned to a unique group of cannabis goods, from which the complete history of the commercial cannabis activity involving the cannabis goods can be determined, as required by State law.

J. "Cannabinoid" means any of the chemical compounds that are the active principles of cannabis.

K. "Cannabis" or "Plant" means all of the following:

1. All parts of the plant cannabis sativa linnaeus, cannabis indica, or cannabis ruderalis, whether growing or not; the seeds thereof; the resin, whether crude or purified, extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or resin.

2. The separated resin, whether crude or purified, obtained from cannabis.

3. "Cannabis" as defined by California Health and Safety Code Section 11018.

4. "Cannabis" does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted therefrom), fiber, oil, or cake, or the sterilized seed of the plant which is incapable of germination.

5. For purposes of this Chapter, "Cannabis" does not mean industrial hemp as defined by California Health and Safety Code Section 11018.5.

L. "Cannabis Concentrate" or "Concentrate" means cannabis that has undergone a process to concentrate one (1) or more active cannabinoids, thereby increasing the product's potency. For purposes of this Chapter, "Cannabis Concentrate" includes, but is not limited to, the separated resin obtained from cannabis, whether crude or purified, tinctures, capsules, suppositories, extracts, and vape cartridges. E. Any decision or action of the City Manager pursuant to this subsection is subject to the appeal procedures pursuant to Section 5.92.1445.

F. Voluntary surrender of cannabis goods. The Commercial Cannabis Business, prior to a Final Order and upon mutual agreement with the City Manager, may elect to waive a right to a hearing and any associated rights, and voluntarily surrender any goods to the City Manager. Such voluntary surrender may require destruction of any cannabis goods in the presence of the City Manager. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.130 Authority to make reasonable rules, policies, and procedures.

A. The City Manager is authorized to make reasonable rules, policies, and procedures consistent with the intent and spirit of this Chapter as may be necessary to administer and enforce the provisions of this Chapter and any other ordinances, regulations or laws relating to and affecting the permitting and operations of Commercial Cannabis Businesses. Regulations promulgated by the City Manager become effective upon date of publication, unless specified otherwise.

B. Applicants and permittees shall cooperate with the City Manager, including City Manager designees who are conducting inspections or investigations relevant to the enforcement of laws and regulations related to this Chapter.

C. It is unlawful for any person to obstruct, impede, or interfere with the City Manager, from reasonable inspection, investigation, audits authorized by law or from exercising their respective duties under the provisions of this Chapter and all rules promulgated pursuant to it, including but not limited to, the following:

1. Threatening force or violence against the City Manager, or otherwise endeavoring to intimidate, obstruct, or impede the City Manager or any peace officers from exercising their duties. The term "threatening force" includes the threat of bodily harm to such individual or to a member of his or her family;

2. Denying the City Manager access to any portion of a Commercial Cannabis Business, premises, and/or cannabis facility during business hours or times of apparent activity;

3. Providing false or misleading statements;

4. Providing false or misleading documents and records;

5. Failing to timely produce requested books and records required to be maintained by the Commercial Cannabis Business; or

6. Failing to timely respond to any request for information made by the City Manager about an investigation of the qualifications, conduct, or compliance of a Commercial Cannabis Business or applicants. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.140 Authority of the Director of Financial Management.

The Director of Financial Management is authorized to make reasonable rules, policies, and procedures consistent with the intent and spirit of this Chapter concerning the applications, the application process, the information required of applicants, the application procedures, and the administration and procedures to be used and followed in the application process for permit applications and requests for permit changes or modifications required pursuant to this Chapter. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

Subdivision II. Permit Application and Administration

5.92.210 Business license and permit required.

A. It is unlawful for any person to engage in, operate, conduct, carry on, or allow to be carried on, the business of adult-use cannabis in the City without having first met the following requirements:

1. The person has paid any business license tax pursuant to Chapter 3.80 of this Code;

2. The person holds a valid permit pursuant to the requirements of this Chapter; and

3. The person holds a State license in accordance with California Business and Professions Code Section 26000 et seq. and any applicable regulations implemented by the State or any of its departments or divisions.

B. Each permit issued pursuant to the requirements of this Chapter shall entitle the holder thereof to obtain a City license to engage in the business described in the permit, upon payment of the license tax required by the provisions of Chapter 3.80 of this Code, provided the holder of the permit complies with all other applicable provisions of law or ordinance.

C. Fixed location required. A permit may only be issued for a specific, fixed location within a secured, fully enclosed building, that is subject to building and/or zoning permits and regulations. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.215 Permit application required filing.

A. Any person seeking an Adult-Use Cannabis Business Permit shall submit a written application to the City, signed under penalty of perjury, using the form approved by the City for that purpose and in the manner required by the Director of Financial Management. The application shall be accompanied by a non-refundable application fee, established by resolution of the City Council. All applications shall contain, at a minimum, the following information and documents unless otherwise specified by the Director of Financial Management:

1. Applicant information.

a. The legal business name of the applicant.

b. The applicant's mailing address, e-mail address, and business telephone number.

c. The federal employer identification number or social security number of the applicant.

d. A description of the business organizational structure of the applicant, including the entity identification number, if applicable.

e. The contact information for the Community Liaison, including the Liaison's full name, phone number, and e-mail address.

f. Other cannabis licenses. A list of all State licenses and any out-of-state or other local licenses, permits, or authorizations to conduct commercial cannabis activity held by the applicant, including the date the license was issued and the state license number.

g. Description of State licenses required. A description or identification of the State license(s) types that are required for the applicant's proposed operations.

h. Prior denials, suspensions, or revocations. A statement under penalty of perjury by the applicant, as to whether the applicant has ever had the right to conduct a commercial cannabis activity denied, suspended, or revoked by the City, State, or any other cannabis licensing authority, including out-of-state licensing authorities.

2. Owner information. Every application shall include the following information for every owner of the applicant's Adult-Use Cannabis Business:

a. The full legal name, title, social security number or individual taxpayer identification number, mailing address, e-mail address, telephone number, and percentage of ownership in the Adult-Use Cannabis Business.

b. A copy of a completed Live Scan fingerprinting and criminal background check form, identifying the Long Beach Police Department as the requesting agency; and

c. A color copy of every owner's government-issued identification.

3. Property information. Every application shall include, but not be limited to, the following property information concerning the proposed premises:

a. The physical address of the premises to be permitted;

b. A premises diagram;

c. The full legal name, e-mail address, and telephone number of the property owner for the proposed premises; and

d. Proof that the applicant has the legal right to occupy and use the premises for commercial cannabis activity, subject to the following requirements:

(i) If the Adult-Use Cannabis Business owns the real property where the commercial cannabis activity will occur, the applicant shall provide properly executed deeds or other proof of title to said real property.

(ii) If the Adult-Use Cannabis Business does not own the real property where the commercial cannabis activity will occur, the applicant shall provide the following:

1) A written statement, on a form provided by the City for that purpose, signed and notarized by each property owner under penalty of perjury, consenting and/or attesting to the following:

a. That commercial cannabis activity may be conducted on the property by the Adult-Use Cannabis Business applicant;

b. That the Adult-Use Cannabis Business applicant has the right to occupy the property;

c. That no person shall engage in commercial cannabis activity on the proposed premises without all licenses and permits required by this Code and State law to conduct commercial cannabis activity while a Commercial Cannabis Business application is pending;

d. That the City may enter the property to conduct property inspections during the application process and after a permit is issued; and

e. That each property owner has read, understands, and will ensure compliance with the terms of this Chapter.

2) A copy of the Property Owner's Non-Residential Rental Business License.

4. Details of business operation. Every application shall include details of the proposed operation, including but not limited to: the proposed hours of operation; a description of the nature of the proposed commercial cannabis activity; whether any other type of commercial cannabis activity will share the proposed premises or cannabis facility with the proposed operation; and all specifications for any equipment to be required for the proposed operation. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.220 Permit application investigation.

A. Upon receipt of a complete application, the Director of Financial Management shall refer the application to the appropriate City departments to determine whether the proposed premises and cannabis facility complies with all applicable laws and regulations.

B. As part of the application process, every Adult-Use Cannabis Business shall be subject to mandatory inspections of the proposed premises.

C. All applicants shall obtain all required land use approvals, and any other necessary approvals, certifications, permits, or licenses from the City, State, or any applicable State or local agencies, for each separate proposed premises and for every type of commercial cannabis activity required for the applicant's proposed operation. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.225 Co-location of adult-use and medicinal commercial cannabis activities.

The City may allow a Commercial Cannabis Business to conduct both adult-use and medicinal commercial cannabis activity on the same permitted premises if all of the following criteria are met:

A. The permittee holds both an Adult-Use Cannabis Business Permit and a Medical Marijuana Business Permit on the same premises for an identical type of commercial cannabis activity.

B. Except as otherwise authorized by law, the permittee only conducts one of the following types of commercial cannabis activities on the same permitted premises: retail sale (Dispensary), cultivation, distribution, manufacturing, or laboratory testing. Examples of exceptions authorized by law include, but are not limited to, businesses holding a State license for a Type 12 Microbusiness or Transport Only Distributors that hold a State license and City permit for cultivation or manufacturing.

C. Prior to the issuance of an Adult-Use Cannabis Business Permit, the applicant shall waive the rights to the inspection, penalty, suspension, revocation, and appeals process and requirements under Chapter 5.90 of this Code, and shall consent to subject the Medical Marijuana Business Permit to the inspection, penalty, suspension, revocation, and appeals processes and requirements of this Chapter.

D. The application for an Adult-Use Cannabis Business Permit shall be submitted by the same entity and owners that hold the Medical Marijuana Business Permit, or the same entity and owners who are named on the application for the Medical Marijuana Business Permit, for the identical premises as the Medical Marijuana Business.

E. The operation of adult-use and medicinal commercial cannabis activities from the same permitted premises complies with the requirements in this Chapter and all other applicable State and local laws and regulations, including, but not limited to, the location requirements specified in Section 5.92.420.

F. If the Commercial Cannabis Business is a Dispensary, the proposed Adult-Use Cannabis Dispensary shall also be a permitted Medical Marijuana Dispensary in good standing.

G. The Medical Marijuana Business Permit shall be issued before the Adult-Use Cannabis Business Permit will be issued. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

Editor's note—ORD-22-0015 § 4, 2022, deleted §§ 5.92.230 and 5.92.235 which pertained to the conversion to an adult-use, co-located cannabis business or to a co-located dispensary, and derived from ORD-18-0015 § 6(Exh. F), of 2018.

5.92.240 Effect of other permits or licenses.

Possession of other types of local and State licenses or permits does not exempt any person from the requirement of obtaining a permit under this Chapter. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.245 Incomplete applications.

A. Upon review of an application, if the Director of Financial Management determines an application is incomplete, the Director of Financial Management shall provide notice to the applicant, who shall have ninety (90) calendar days to correct all deficiencies.

B. If the applicant fails to correct said deficiencies within the ninety (90) day period, the application shall be deemed abandoned, void, and of no further force and effect. The applicant may reapply at any time following an abandoned application. The City will not refund any fees for incomplete or abandoned applications.

C. The Director of Financial Management may extend the deadline upon showing of good

cause by the applicant for the inability to provide all required information by the deadline, if a written request for an extension is received no later than ten (10) calendar days prior to the deadline. For purposes of this subsection, the term "good cause" shall mean the applicant's failure to complete the application process occurred due to circumstances outside of the applicant's control. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.250 One applicant per property address.

A. The Director of Financial Management shall only accept applications from one (1) applicant per property address at a time.

B. Any applications received by the Director of Financial Management from a different applicant, while an active application is pending for the same property address, is deemed void and of no force and effect.

C. If more than one (1) application for an Adult-Use Cannabis Business Permit has been submitted for the same property address, the first application received by the Director of Financial Management shall be eligible to proceed. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.255 Withdrawal of application.

A. An applicant may withdraw an application any time prior to the issuance or denial of a permit by submitting a signed and dated request to withdraw, on a form provided by the City for that purpose.

B. Upon the Director of Financial Management's receipt of the request to withdraw, the application is deemed withdrawn, void, and of no further force and effect.

C. Withdrawal of an application submitted under this Chapter does not deprive the Director of Financial Management of his or her authority to institute or continue any proceeding against the applicant for the denial of an application for a permit upon any ground provided by law or to enter an order denying an application for a permit upon any such ground. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.260 Revocable privilege.

A permit issued by the City is a revocable privilege. It is the responsibility of the applicant to provide all information required for approval of the permit and to demonstrate compliance with this Chapter and any other applicable law, rule, or regulation. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.265 Persons prohibited as owners.

A. It shall be unlawful for any of the following persons to be an owner of an Adult-Use Cannabis Business pursuant to this Chapter:

1. A sheriff deputy, police officer, or prosecuting officer, or an officer or employee of the State, County, or the City.

2. A person otherwise prohibited in this Chapter from engaging in commercial cannabis activity.

3. A licensed physician making patient recommendations for cannabis.

4. An individual who is under twenty-one (21) years of age.

5. A person who has been convicted of any offense within the last ten (10) years that is substantially related to the qualifications, functions, or duties of the operation of a Commercial Cannabis Business and conducting commercial cannabis activity, which includes the following offenses:

a. A violent felony, as specified under Penal Code Section 667.5(c).

b. A serious felony, as specified under Penal Code Section 1192.7(c).

c. A felony involving fraud, deceit, or embezzlement.

6. A person who has been convicted of any offense that is substantially related to the qualifications, functions, or duties of the operation of a Commercial Cannabis Business and conducting commercial cannabis activity, which includes the following offenses:

a. A felony conviction for hiring, employing, or using a minor in transporting, carrying, selling, giving away, preparing for sale, or peddling, any

controlled substance to a minor; or selling, offering to sell, furnishing, offering to furnish, administering, or giving any controlled substance to a minor.

b. A felony conviction for drug trafficking with enhancements pursuant to California Health and Safety Code Section 11370.4 or 11379.8.

7. Any person who has failed to remedy any outstanding delinquent taxes, fees, or judgment owed to the City.

8. A person who has, within the past (3) years, been sanctioned or fined for, enjoined from, found guilty of, or plead guilty or no contest to, any charge of engaging in commercial cannabis activity without the required permits, licenses, registrations, or approvals required by State or local law.

B. Conviction for any controlled substance felony after the issuance of an Adult-Use Cannabis Business Permit shall be grounds for revocation of said permit or denial of the renewal of said permit.

C. A plea or verdict of guilty, or a conviction following a plea of nolo contendere is deemed a conviction within the meaning of this Chapter.

D. Except as provided for in Section 5.92.265.A.6 and Section 5.92.1615.B.4.a, a prior conviction, where the sentence, including any term of probation, incarceration, or supervised release, is completed, for possession of, possession for sale, sale, manufacture, transportation, or cultivation of cannabis and/or cannabis goods shall not be the sole ground for denial of a permit. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.270 Limitations on liability.

To the fullest extent permitted by law, the City will not assume any liability whatsoever with respect to issuing any permit pursuant to this Chapter or otherwise approving the operation of any Adult-Use Cannabis Business or Co-Located Cannabis Business. Prior to issuance of an Adult-Use Cannabis Business Permit, the applicant, or its legal representative, shall execute an agreement, on a form approved by the City Attorney, regarding the following:

A. The applicant will indemnify, defend (at applicant's sole cost and expense), and hold harmless the City, and its officers, officials, employees, representatives, and agents from any and all claims, losses, damages, injuries, liabilities or losses which arise out of, or which are in any way related to, the City's issuance of the Adult-Use Cannabis Business Permit, the City's decision to approve the applicant's operation of any commercial cannabis activity or any Commercial Cannabis Business operation, the process used by the City in making its decision, or the alleged violation of any federal, State, or local laws by the Adult-Use Cannabis Business applicant, permittee, or any of its officers, managers, employees, or agents; and

B. The applicant will agree to reimburse the City for all costs and expenses, including but not limited to attorney fees and costs, which the City may be required to pay as a result of any legal challenge related to the City's approval of the applicant's Adult-Use Cannabis Business Permit, or related to the City's approval of the applicant's commercial cannabis activity. The City may, at its sole discretion, participate at its own expense in the defense of any such action, but such participation shall not relieve any of the obligations imposed hereunder. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.275 Payment of fees.

A. No person may commence or continue any adult-use commercial cannabis activity in the City, without timely paying in full all fees and taxes required for the operation of an Adult-Use Cannabis Business.

B. The actual cost to the City arising from the processing and oversight of permits, business permits and licenses, and the costs of monitoring and ensuring compliance with this Chapter, including the Equity Program, the Responsible Vendor Pilot Program, investigations, enforcement actions, and disciplinary or abatement proceedings, shall be offset through application fees, and annual renewal fees, and shall be established by resolution of the City Council which may be amended from time to time.

C. The amount of any fee, cost, or charge imposed pursuant to this Chapter shall be deemed

a debt to the City that is recoverable in any manner authorized by this Code, State law, or in any court of competent jurisdiction. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

Subdivision III. Permit Terms and Modifications

5.92.310 Term and renewal of permit.

A. All permits issued under the provisions of this Chapter shall be effective for a period not to exceed five (5) years after issuance. The City Manager may renew a permit if the City Manager determines that the permittee has complied with the provisions of this Chapter and all applicable laws during the preceding permit term, and if the permittee pays the renewal fees and taxes required by this Chapter.

B. Any permit issued under this Chapter does not confer a vested right or entitlement to receive a future permit under this Chapter.

C. Any permit issued under this Chapter does not authorize any conduct or continuance of any operation of a Commercial Cannabis Business, in the event a permittee fails to provide required business tax returns and taxes to the City. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.320 Permit changes or modifications generally.

A. Form and fees required. Any permit changes or modifications made pursuant to this Subdivision shall be submitted on a form, provided by the City for that purpose, with a nonrefundable fee established by resolution of the City Council.

B. No permittee may avail themselves of the provisions of this Subdivision if the Director of Financial Management has notified the permittee that the Adult-Use Cannabis Business Permit or Co-Located Cannabis Business Permits have been, or may be, suspended or revoked, or may not be renewed. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.330 Change of address.

A. Any relocation or expansion of the permitted premises that includes a different property address is considered a change of address.

B. No permittee shall operate an Adult-Use Cannabis Business or Co-Located Cannabis Business at any premises other than the premises specified in the permittee's permit(s).

C. The relocation of any Adult-Use Cannabis Business shall first be approved by the Director of Financial Management who shall determine whether all ordinances and regulations of the City will be complied with at any proposed new premises.

D. Only permittees may request to relocate an Adult-Use Cannabis Business operation to a new premises. Applicants seeking to relocate shall withdraw their existing application and submit a new application for the new proposed premises pursuant to the requirements of this Chapter.

E. The Director of Financial Management may approve a permittee's request to relocate the operation of an Adult-Use Cannabis Business if the relocation complies with the following requirements:

1. The permittee, and any owners identified in the permit, and the commercial cannabis activity specified in the existing permit remain unchanged if the request to relocate is approved.

2. The existing Adult-Use Cannabis Business Permit, and the corresponding State license, shall not be the subject of a pending revocation or suspension action by the City, State, or any of the State's divisions or departments.

3. If the permittee is a Dispensary, both the Medical Marijuana Dispensary and the Adult-Use Cannabis Dispensary shall relocate to the same premises at the same time. It shall be unlawful for a Co-Located Dispensary to relocate the operation of either the Adult-Use Cannabis Dispensary or the Medical Marijuana Dispensary without likewise changing the location of the other.

4. The proposed premises complies with the requirements in this Chapter and all other applicable State and local laws and regulations, including, but not limited to, the locations requirements specified in Section 5.92.420.

F. A Non-Equity Dispensary shall not be eligible to submit a request to relocate the operation of the Adult-Use Cannabis Dispensary until one

hundred eighty (180) days after the City begins accepting business license applications from Equity Dispensaries, or until all Equity Dispensaries have provided the complete, notarized Property Owner Authorization for the business premises in the business license application, whichever occurs sooner. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.340 Change of ownership.

A. Except as otherwise set forth in this Chapter, any sale, transfer, assignment, attempted sale, attempted transfer, or attempted assignment of a permit in violation of this Chapter shall be deemed to constitute a voluntary surrender of such permit, and all rights to operate a Commercial Cannabis Business in the City shall terminate, and any such permit(s) shall thereafter be deemed null and void.

B. No permittee may sell, transfer, or assign, or change ownership or control of an Adult-Use Cannabis Business Permit to another person, or by operation of law, unless and until the proposed new owner(s), or the proposed transferee(s), submit all required materials at least thirty (30) days prior to the change of ownership or transfer, pay all applicable fees, and independently meet the requirements of this Chapter. For purposes of this Chapter:

1. A change in ownership occurs when one (1) or more of the owners of a permit change and the new person added to the permit meets the definition of an "Owner" pursuant to this Chapter.

2. A change in ownership does not occur when one (1) or more owners leave the business by transferring their ownership interest to the other existing owner(s). In cases where one (1) or more owners leave the business by transferring their ownership interest to the other existing owner(s), the owner(s) that are transferring their interest shall provide a signed statement to the City confirming that they have transferred their interest.

C. If the permittee is a Co-Located Cannabis Business, any request to change ownership, or transfer a permit, shall not be approved unless both the Medical Marijuana Business and the Adult-Use Cannabis Business changes permit ownership at the same time, to the same owners, same business name, and in the same business formation. It shall be unlawful for a Co-located Commercial Cannabis Business to change ownership of either the Medical Marijuana Business Permit or the Adult-Use Cannabis Business Permit without likewise changing the ownership of the other.

D. The existing permittee may conduct business under the existing permit while the Director of Financial Management reviews the application for a change of ownership or permit transfer. Denial of an application for a change of ownership does not result in the revocation of the existing permit. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.350 Change in business name.

No permittee shall operate, conduct, manage, engage in, or carry on an Adult-Use Cannabis Business under any name other than the name of the Adult-Use Cannabis Business specified in the permit and/or any "doing business as" or "DBA" provided in the permit application. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.360 Physical modification of premises.

A. A permittee shall not make a physical change, alteration, or modification of the permitted premises without the prior written approval of the Director of Financial Management.

B. If a permitted premises is to be changed, modified, or altered, the permittee is responsible for filing a request for a premises modification with the Director of Financial Management and securing all necessary City approvals, project plan approvals, and permits.

C. Alterations or modifications requiring City approval include, without limitation:

1. The removal, creation, or relocation of a common entryway, doorway, passage, or a means of public entry or exit, when such common entryway, doorway, or passage alters or changes the limited-access areas within the permitted premises.

2. The removal, creation, addition, or relocation of the cultivation area.

3. Any other physical modification resulting in a material or substantial change in the mode or character of business operation.

4. The requirements of this Section are in addition to compliance with any other applicable State or local rule, law, or regulation pertaining to approval of building modifications, zoning, or land use requirements.

D. The Director of Financial Management may refer the plans and specifications to all concerned City departments for review and inspection, as appropriate. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

DIVISION III. GENERAL OPERATING CONDITIONS

The following general operating requirements are applicable to all Adult-Use Cannabis Businesses. Requirements in this Section are in addition to the requirements specific to each type of Adult-Use Cannabis Business set forth in Division IV (Dispensary operating conditions); Division V (Cultivation operating conditions); Division VI (Manufacturing operating conditions); Division VII (Shared Use Manufacturing operating conditions); Division VIII (Distribution operating conditions); and Division IX (Testing Laboratory operating conditions) of this Chapter. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

Subdivision I. Cannabis Facility and Location Requirements

5.92.410 Compliance.

A. Every Adult-Use Cannabis Business shall comply with all applicable State laws and regulations, as may be amended and adopted, including all permit, approval, inspection, reporting and operational requirements, imposed by the State or its regulatory agencies having jurisdiction over cannabis, commercial cannabis activity, or Commercial Cannabis Businesses.

B. Every Adult-Use Cannabis Business shall comply with all applicable State laws, guidelines, and regulations for cannabis and commercial cannabis activity, as may be adopted and as amended by any State agency or department, including, but not limited to, the Department of Cannabis Control, the State Department of Food and Agriculture, the State Department of Public Health, the State Department of Pesticide Regulation, the Attorney General, and the State Department of Tax and Fee Administration.

A. The Adult-Use Cannabis Business's "doing business as" name, City permit number, and State license number;

B. The first name of the individual;

C. Any employee number exclusively assigned to that individual for identification purposes; and

D. A color photograph of the individual that clearly shows the full front of the individual's face that is at least one inch (1") in width and one and a half inches (1.5") in height. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.725 Secure transportation area.

A. Adult-Use Cannabis Businesses shall implement procedures for safe and secure transportation and delivery of cannabis goods and currency in accordance with State and local laws and regulations.

B. Adult-Use Cannabis Businesses shall have an area of the premises designed for the secure transfer of cannabis goods from the cannabis facility to a vehicle for transportation or delivery, wherever possible.

C. Any individual or employee transferring cannabis goods from a cannabis facility to a vehicle for transportation or delivery shall be accompanied by a security escort during the transfer, if the cannabis facility does not have an area designed for the secure transfer of cannabis goods from the cannabis facility to a vehicle for transportation or delivery. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.730 Digital video surveillance system.

A. Every Adult-Use Cannabis Business shall implement an operational digital video surveillance system at the premises that meets or exceeds the following criteria:

1. The digital video surveillance system with a minimum video camera resolution of 1280 × 1024 pixels.

2. Each video surveillance camera shall record continuously twenty-four (24) hours per day, seven (7) days a week, and at a minimum of fifteen (15) frames per second (FPS).

3. The location and position of each camera shall be capable of recording images of the area under surveillance, in any light condition, to allow facial feature identification of persons in the following locations on the premises:

a. In interior and exterior areas where cannabis goods or currency are present at any given time.

b. In the immediate interior and exterior areas of doors, windows, or other avenues of potential access.

c. Areas open to the public, including a full view of public right-of-way and any parking lot under the control of the Adult-Use Cannabis Business.

d. Point-of-sale locations and areas where cannabis goods are displayed for sale at a Dispensary, including but not limited to, a retail area.

e. Any other areas as required by this Chapter, State law, or any regulations implemented and enforced by the State or any of its divisions or departments.

B. Each camera shall be permanently mounted and in a fixed location and, to the extent reasonably possible, shall be installed in a manner that prevents intentional obstruction, tampering with, and/or disabling the camera.

C. All video surveillance equipment shall have sufficient battery backup to support a minimum of four (4) hours of recording in the event of a power outage.

D. Every video surveillance system shall be equipped with a failure notification system that provides prompt notification to the Adult-Use Cannabis Business of any prolonged surveillance interruption and/or the complete failure of the surveillance system.

E. Surveillance video recordings shall clearly and accurately display the date and time. Time is to be measured in accordance with the United States National Institute of Standards and Technology standards for the Pacific Time zone.

F. Security notice required. The permitted premises shall have a sign posted in a conspicuous place near each monitored area on the interior and exterior of the premises and shall not be less than twelve inches (12") wide and twelve inches (12") long, composed of letters not less than one inch (1") in height, stating "All Activities Monitored by Video Camera" or "This Premises is Being Digitally Recorded," or otherwise advising all persons entering the premises that a video surveillance and camera recording system is in operation at the premises and recording all activity as provided in this Chapter. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.735 Security records.

A. Surveillance recordings of every Adult-Use Cannabis Business are subject to inspection by the City Manager, or any City Manager designee, without a search warrant, court order, or subpoena. The Adult-Use Cannabis Business shall send, or otherwise provide, copies of the recordings immediately upon verbal request or within a time specified by the City Manager.

B. Secure storage. To prevent tampering or theft, all surveillance recordings and monitoring equipment shall be kept in a secure limited-access area of the permitted premises.

C. At a minimum, every Adult-Use Cannabis Business shall maintain the following security records at the premises:

1. Surveillance video recordings shall be maintained for a minimum of ninety (90) days and on an IP-configurable Digital Video Recorder (DVR) capable of producing a still photograph in color from any live or recorded camera image at the premises and capable of exporting the images in TIFF, BMP, or JPG format.

2. A map of the camera locations, the direction of camera coverage, and assigned camera numbers.

3. Surveillance equipment maintenance activity logs and operating instructions for the surveillance equipment.

4. A user authorization list of individuals who have access to the surveillance system, including, but not limited to, the secured area for recording and monitoring equipment and physical media and surveillance recording storage devices. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.740 Security alarm system.

Every Adult-Use Cannabis Business shall implement an operational security alarm system at the premises that meets or exceeds the following criteria:

A. The security alarm system shall be operated, maintained, monitored by, and responded to by a security company staffed twenty-four hours (24) a day, seven (7) days a week and licensed by the Department of Consumer Affairs, Bureau of Security and Investigative Services.

B. The security alarm system shall include sensors to detect all points of entry and exit, from all limited-access and secured areas, all roof hatches, and all windows.

C. Every Adult-Use Cannabis Business shall obtain a security alarm system permit pursuant to Chapter 5.12 of this Code. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.745 Commercial-grade locks.

Every Adult-Use Cannabis Business shall secure the following areas using commercial-grade,

non-residential door locks, roof hatches, and window locks in a manner that prevents free and unauthorized access:

A. All points of ingress and egress to a premises.

B. Limited-access areas.

C. Areas where cannabis goods, living cannabis plants, cannabis waste, and currency are stored and/or present at any given time.

D. Areas where surveillance equipment and records are stored. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.750 Security barriers.

A. Any security barriers installed on the windows or the doors of the premises shall be installed only on the interior of the building and in compliance with all City Building, Zoning, and Fire Codes. Security bars are discouraged for all Adult-Use Cannabis Businesses and shall not be minimally visible from the public right-of-way.

B. Security barriers shall meet the following criteria:

1. Only open grill design security systems located on the inside of the building shall be permitted on elevations visible from the street.

2. Open grill design security systems shall be primarily transparent with not less than seventy-five percent (75%) visibility from the street.

3. Solid roll-down security doors are prohibited unless part of a vehicle loading bay.

4. Interior security gates shall be opened and fully retracted during the hours of operation. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.755 Remain secure during power outage.

Every Adult-Use Cannabis Business shall have the capability to remain secure during a power outage. Adult-Use Cannabis Businesses shall also ensure that all access doors on the premises are not solely controlled by an electronic access panel, to ensure that locks are not released during a power outage. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.760 Visibility.

A. From a public right-of-way, there shall be no exterior evidence of cannabis goods, graphics depicting cannabis goods, or commercial cannabis activity, except for any signage authorized by this Code. Premises located within PD-30 shall also be designed to comply with Downtown Pedestrian-Oriented transparency standards (if applicable), whereby clear, nonreflective display windows or doors shall comprise at least sixty percent (60%) of the ground-floor street façade of active, pedestrian-oriented uses.

B. Exterior lighting. Every Adult-Use Cannabis Business shall implement exterior lighting security measures including, but not limited to:

1. All exterior light fixtures shall be vandal resistant, installed on exterior walls, and shall be the type of fixture with proper cut-offs to avoid any light pollution, including but not limited to, urban sky glow, light trespass, glare, and clutter.

2. Exterior lighting shall clearly illuminate the building address, all parking, driving, and walking surfaces, exterior doors, and all window areas during the hours of darkness.

3. Any broken or burned out lights shall be replaced within seventy-two (72) hours. (ORD-23-0026 § 2, 2023; ORD-22-0015 § 4, 2022; ORD-21-0021 § 2, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.765 Building design.

The nature and operations of Adult Use Cannabis Businesses have the potential to result in building design changes that represent a departure from typical building appearances. The following criteria is intended to minimize impacts to neighborhood character caused by building design changes resulting from remodeled and new premises for Adult-Use Cannabis Business and commercial cannabis activities:

A. Building Design must meet any applicable criteria in Title 21 of this Code, Specific Plans, or Planned Developments.

B. Any blank building facade on an existing industrial or commercial building over twenty-five feet (25') visible from the street shall be prohibited

and must incorporate architectural features, such as building plane breaks, three-dimensional elements, transparent windows, doors, changes in color and materials and landscaping that result in a building with articulation.

C. Windows.

1. On any new commercial or industrial building elevation fronting the street, windows shall comprise at least thirty percent (30%) of the ground floor building elevation. On all other ground floor elevations visible from the street, windows shall comprise at least twenty-five percent (25%) of the building elevation.

2. Existing buildings located on public right of ways classified as neighborhood connectors or greater, with elevations visible from the public right of way, shall maintain a minimum window area of at least twenty-five percent (25%) of said building elevation when incorporated with other architectural features and treatments.

3. An identifiable entrance to the cannabis facility shall be visible from the street.

4. Windows along the street-facing frontage shall be transparent. Such glass should be clear with an exterior daylight reflectance of not more than eight percent (8%).

5. Where feasible, the storefront window shall provide visibility to the tenant space. Where visibility to the tenant space by means of the storefront window is not feasible due to security needs of the permittee's operation, the creation of a storefront window display may be permitted. Alternatively, storefront windows may be constructed of bullet resistant glass.

6. Window display areas shall have a minimum depth of at least forty-two inches (42"), not including walls. Display windows shall be permitted for up to one-hundred percent (100%) of the building storefront window area. The window display area shall be maintained with a creative attractive window display including but not limited to display of artwork, non-cannabis plants, and the like.

7. Notwithstanding the foregoing requirements of Section 5.92.765(C), premises located within PD-30 shall be designed to comply with Downtown Pedestrian transparency standards (as applicable), whereby clear, nonreflective display windows or doors shall comprise at least sixty percent (60%) of the ground-floor street façade of active, pedestrian-oriented uses. (ORD-23-0026 § 3, 2023; ORD-22-0015 § 4, 2022; ORD-21-0021 § 3, 2021; ORD-20-0012 § 1, 2020; ORD-18-0015 § 6(Exh. F), 2018)

Subdivision V. Prohibited Activities

5.92.810 Consumption of cannabis prohibited; signage required.

A. Cannabis goods shall not be consumed by any individual on the premises of an Adult-Use Cannabis Business. The term "consumed" includes, but is not limited to, vaporizing, inhaling, ingesting, smoking, eating, or otherwise introducing cannabis goods into the human body.

B. Adult-Use Cannabis Businesses shall post a sign in a conspicuous place near the interior entrance to the premises, that shall be visibly posted with a clear and legible notice with the following language: "Smoking, vaporizing, ingesting, or consuming cannabis, cannabis products, tobacco, or alcohol on these premises, or in their vicinity, is prohibited and a violation of the Long Beach Municipal Code." (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.820 Alcohol or tobacco prohibited.

No person shall cause or permit the sale, dispensing, storage, distribution, or consumption of alcohol or tobacco products on or about the premises of an Adult-Use Cannabis Business. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.830 Physician evaluations prohibited.

Adult-Use Cannabis Businesses shall not:

A. Permit a physician to evaluate existing or potential medicinal cannabis patients on its premises by any means, or permit a physician to provide a physician's recommendation on its premises, including, but not limited to: a physician that provides evaluations or recommendations in-person from the permittee's site or on-site via the internet,

or a physician that provides recommendations via the internet, fax, electronic means, or by any other means from the permittee's site.

B. Enter into an agreement with, employ, provide, or offer to provide, any form of remuneration to, a physician who provides physician's recommendations for medicinal cannabis.

C. Advertise or market services for a physician who provides physician's recommendations for medicinal cannabis. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.840 Weapons or firearms prohibited.

Weapons and firearms are prohibited on the premises of an Adult-Use Cannabis Business. This provision does not apply to public officials engaged in official duty or uniformed security personnel or patrol hired or contracted by an Adult-Use Cannabis Business. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.850 Generators prohibited.

The use of generators by any Adult-Use Cannabis Business is prohibited, except as short-term temporary emergency back-up systems. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.860 Outdoor storage of cannabis goods prohibited.

No outdoor storage of cannabis goods is permitted at any time. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 4, 2021; ORD-18-0015 § 6(Exh. F), 2018)

Editor's note—ORD-21-0023 §§ 4—6, adopted July 13, 2021, deleted former § 5.92.860 entitled "Subletting prohibited," which derived from ORD-18-0015 § 6(Exh. F), of 2018, and further amended the Code by renumbering §§ 5.92.870 and 5.92.880 as §§ 5.92.860 and 5.92.870, as herein set out.

5.92.870 Drive-through services prohibited.

Drive-through services or walk-up window services where cannabis goods are sold, or made available to any person, that are operated in conjunction with any Adult-Use Cannabis Business are prohibited. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 5, 2021; ORD-18-0015 § 6(Exh. F), 2018)

Note—See Editor's Note above.

DIVISION IV. DISPENSARY OPERATING CONDITIONS

In addition to the general operating requirements set forth in Division III of this Chapter, this Division provides additional requirements for Dispensaries and delivery services. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.910 Compliance.

Dispensaries may sell, distribute, dispense, provide, deliver, or transport Cannabis, only in accordance with all applicable laws and regulations, including but not limited to, this Code, any regulations implemented by the Department of Cannabis Control, California Business and Professions Code Sections 26000 et seq., and all other applicable State, federal and local laws and regulations. (ORD-24-0024 § 2, 2024; ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.915 Hours of operation.

Dispensaries may only be open to the public between the hours of 9:00 a.m. to 9:00 p.m. up to seven (7) days per week. All deliveries of cannabis goods to customers by a Dispensary shall be completed by 10:00 p.m. (ORD-22-0015 § 4, 2022; ORD-20-0042 § 2, 2020; ORD-18-0015 § 6(Exh. F), 2018)

5.92.920 Security personnel.

A. Dispensaries shall hire or contract for uniformed security personnel to provide twenty-four (24) hour random security patrols of the premises to monitor site activity, control loitering and site access, and to serve as a visual deterrent to unlawful activities. At a minimum, uniformed security personnel shall be generally located at an indoor guard station on the premises during all hours of operation and security-patrolling services shall patrol the premises during all hours the Dispensary is closed to the public.

B. All uniformed security personnel hired or contracted by a Dispensary shall be licensed with the State of California Bureau of Security and Investigative Service, and shall comply with requirements in California Business and Professions Code Chapters 11.4 and 11.5 of Division 3. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.925 Protocols for individuals entering the premises.

A. No person shall be permitted to enter a Dispensary without government-issued identification. Dispensaries shall not provide cannabis goods to any person, whether by purchase, trade, gift, or otherwise, who does not possess a valid government-issued identification and who does not meet the age requirements of this Chapter.

B. Electronic age verification device required. Dispensaries shall verify the proof of age of every person entering the business with an electronic age verification device, prior to entry of the retail area. The electronic age verification device may be mobile or fixed, and shall be able to retain a log of all scans that includes the following information: date, time, and age. Said log shall be kept for a minimum of one-hundred and eighty (180) business days and all records shall be made available to the City Manager upon request. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.930 Point-of-sale tracking required.

A Dispensary shall facilitate the dispensing, making available, sale, and delivery of cannabis goods with a technology platform that uses point-of-sale technology to track, and database technology to record and store, the following information for each transaction involving the exchange of cannabis goods between the Dispensary and customer:

A. The date and time of transaction.

B. The first name and employee number of the Dispensary employee who processed the sale of cannabis goods on behalf of the Dispensary.

C. A list of all the cannabis goods purchased, including the quantity purchased.

D. The total amount paid for the sale, including the individual prices paid for cannabis or cannabis products purchased, and any amounts paid for taxes. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.935 Taxes.

Transactions for Dispensaries shall be taxed at the non-medical marijuana tax rate pursuant to Section 3.80.261.C.2 of this Code, unless the Dispensary is able to prove by reasonable and verifiable standards which portion of the gross receipts are tied to the sale of the adult-use cannabis goods and which portion are tied to the sale of medicinal cannabis goods. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.940 Cannabis goods.

A. A Dispensary shall not make any cannabis goods available for sale or delivery to a customer unless the cannabis goods were received from a State licensed Distributor.

B. Prior to making cannabis goods available to customers, Dispensaries shall ensure that all cannabis goods dispensed, sold, delivered, or made available by the Dispensary, at a minimum:

1. Are packaged and sealed in tamper-evident packaging that includes a unique identifier, such as a batch number and lot number or bar code, to identify and track the cannabis goods.

2. For manufactured cannabis products, that the product complies with all requirements of California Business and Professions Code Section 26130 and all other applicable laws and regulations.

3. The Dispensary has verified that the cannabis goods have not exceeded their expiration or sell-by date, if one is provided.

4. For edible cannabis product, that the products comply with State packaging and labeling requirements, including, but not limited to:

a. Edible cannabis products shall not exceed 10 milligrams of tetrahydrocannabinol (THC) per serving.

b. The THC content for the cannabis product in its entirety is printed on the package.

c. All applicable requirements pursuant to California Business and Professions Code Sections 26120 and 26121 and any regulations promulgated thereunder.

C. Exit packaging. Cannabis goods purchased by a customer shall not leave the Dispensary's premises unless placed in an opaque (not see-through) exit package.

D. Secure storage of cannabis goods. Cannabis goods that are not used for display purposes or immediate sale shall be stored in a limited-access area, such as a secure and locked room, safe, or vault, and in a manner reasonably designed to prevent diversion, theft, and loss. It is unlawful, and a violation of this Chapter for a Dispensary to store cannabis goods in the retail area after the close of business.

E. Edible cannabis products.

1. Dispensaries may only dispense, sell, provide, or make available those edible cannabis products authorized by the State Department of Public Health and the City Health Officer.

2. The sale, distribution, and delivery of edible cannabis products shall be conducted in a manner that complies with all applicable food safety laws for the protection of humans consuming cannabis.

F. No sales of expired cannabis products. Dispensaries are prohibited from selling any expired cannabis goods. It is unlawful for any person to alter, edit, or adjust, in any manner, an expiration date on any item or cannabis product once affixed by its Manufacturer. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.945 Daily limit per person.

No Dispensary shall sell, distribute, or deliver more than 28.5 grams of cannabis or eight (8) grams of concentrated cannabis, including concentrated cannabis contained in cannabis products, to the same customer in the same business day. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.950 No free adult-use cannabis goods.

A Dispensary shall not provide free adult-use cannabis goods to any person. A Dispensary shall not allow individuals that are not employed by the Dispensary to provide free adult-use cannabis goods to any person on the permitted premises. In this Section, "free adult-use cannabis goods" shall mean any amount of cannabis goods provided to any person without cost or payment in exchange of any other thing of value. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.955 Interior signage required.

Dispensaries shall post the following notice(s), on a separate sign, or by adding the following notices to the interior sign required pursuant to Section 5.90.060 of this Code, conspicuously and where an average customer is likely to clearly view said notice within the permitted premises:

A. "Smoking, vaporizing, ingesting, or consuming cannabis, cannabis products, tobacco, or alcohol on these premises, or in their vicinity, is prohibited and a violation of the Long Beach Municipal Code."

B. "Patrons must immediately leave the premises and should not consume cannabis goods until at home or in an equivalent private location."

C. "CALIFORNIA PROP. 65 WARNING: Smoking of cannabis and cannabis-derived products will expose you and those in your immediate vicinity to cannabis smoke. Cannabis smoke is known by the State of California to cause cancer."

D. Consistent with this Subsection, such signage is prohibited on exterior windows and storefronts on ground-floor street facades, and premises located within PD-30 are furthermore subject to the Downtown Pedestrian-Oriented transparency standards (if applicable), whereby clear, nonreflective display windows or doors shall comprise at least sixty percent (60%) of the ground-floor street façade of active, pedestrian-oriented uses. (ORD-23-0026 § 4, 2023; ORD-22-0015 § 4, 2022; ORD-21-0021 § 4, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.960 Delivery services.

In addition to the requirements set forth in this Chapter for Dispensaries, the delivery of cannabis goods shall be subject to the following requirements:

A. Compliance. Delivery services shall be conducted in accordance with any relevant State and local laws and regulations, any applicable local laws in the delivery location, and any conditions imposed upon a Dispensary.

B. Delivery services may operate as a part of, and in conjunction with, a Dispensary with a storefront open to the public during business hours and permitted pursuant to this Chapter and Chapter 5.90 of this Code and any applicable State laws and regulations.

C. Any application for a Dispensary shall include a statement as to whether the proposed use will include delivery of cannabis goods to customers.

D. Vehicle standards. Dispensaries shall only allow delivery of cannabis goods in a vehicle that:

1. Is capable of securing (locking) the cannabis goods during transportation.

2. Is capable of being time and/or temperature controlled, if perishable cannabis goods are being transported.

3. Does not display advertising or symbols visible from the exterior of the vehicle that suggest the vehicle is used for cannabis delivery or affiliation with a Dispensary.

4. Shall only be operated by the delivery employee of the Dispensary.

5. Only the licensee or an employee of the Dispensary for whom delivery is being performed shall be in the delivery vehicle.

E. Inspections. Any motor vehicle used by a Dispensary to deliver cannabis goods is subject to inspection by the City Manager or Chief of Police and may be stopped at the premises or during the delivery for inspection.

F. Delivery employees. Every delivery employee of a Dispensary shall be at least twenty-one (21) years of age and shall have a valid California Driver's License.

G. Documentation during transport. Delivery employees of a Dispensary shall carry a physical or electronic copy of the delivery request receipt with details regarding the delivery, a copy of the Dispensary's current permits and/or licenses required by the State and City, the employee's government-issued identification, and an identification badge provided by the Dispensary. All documentation shall be made available upon request to the City Manager or Chief of Police.

H. Dispensaries shall maintain a database, and provide to the City Manager upon verbal or written request, a list of delivery employees and vehicles authorized to conduct deliveries on behalf of the Dispensary.

I. Delivery employees shall personally verify, for each individual transaction, that the identity of the customer receiving cannabis goods from the Dispensary is the same as the person who ordered the delivery, and that said person is twenty-one (21) years of age or older, via the presentation of a valid government-issued identification.

J. Limitations.

1. While making deliveries, a Dispensary's delivery employee shall not carry cannabis goods worth more than limits imposed by the State at any time. This value shall be determined using the current retail price of all cannabis goods carried by the delivery employee.

2. Direct route only. Except where a delivery employee requires rest, fuel, vehicle repair, or where the road conditions make the continued use of the road unsafe, impossible, or impracticable, a delivery employee may only travel to and from the Dispensary, to the delivery address, and between delivery addresses while delivering cannabis goods.

3. Dispensaries and delivery employees may only deliver cannabis goods to customers within a city or county that does not expressly prohibit such delivery by ordinance.

4. Consumption prohibited. No person shall consume or otherwise ingest cannabis goods, alcohol, any controlled substance, or intoxicants while transporting or delivering cannabis goods.

5. The Dispensary shall prepare a delivery request receipt for each delivery of cannabis goods that shall include the following:

a. The name and address of the Dispensary;

b. The first name and employee number of the Dispensary's delivery employee who delivered the order;

c. The first name and employee number of the Dispensary's employee who prepared the order for delivery;

d. The first name of the customer and a Dispensary-assigned customer number for the person who requested the delivery;

e. The date and time the delivery request was made;

f. The delivery address;

g. A detailed description of all cannabis goods requested for delivery. The description shall include the weight, volume, or any other accurate measure of the amount of all cannabis goods requested;

h. The total amount paid for the delivery, including any taxes or fees, the cost of the cannabis goods, and any other charges related to the delivery; and

i. Upon delivery, the date and time the delivery was made, and the signature of the customer who received the delivery.

6. A vehicle used for the delivery of cannabis goods shall be outfitted with a dedicated Global Positioning System (GPS) device for identifying the geographic location of the delivery vehicle in compliance with all applicable State laws and regulations.

a. The dedicated GPS device must be owned by the Dispensary and used for delivery only. A personal or business phone or tablet is not an acceptable GPS device.

b. The device shall be either permanently or temporarily affixed to the delivery vehicle, shall remain active, and inside of the delivery vehicle at all times during delivery.

c. At all times, the Dispensary shall be able to identify the geographic location of all delivery vehicles that are making deliveries for the Dispensary and shall provide that information to the City Manager or Chief of Police upon request. The history of all locations traveled to by a delivery employee while engaging in delivery shall be maintained by the licensee for a minimum of ninety (90) days.

K. All cannabis and all cannabis products being delivered must be obtained from the site of the licensed Dispensary or Delivery-Only Dispensary that is authorized to deliver cannabis. No cannabis or cannabis products may be delivered from any other facility, such as a separate storage facility or a cannabis product manufacturing facility. Loading and unloading of cannabis products must only take place within the designated and approved secured loading area.

L. Deliveries Facilitated by Technology Platforms. A delivery license retailer shall not sell or otherwise transfer any cannabis goods to a customer through the use of an unlicensed third party, intermediary business, broker, or any other business or entity. (ORD-24-0024 § 3, 2024; ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.965 Responsible Vendor Training Pilot Program.

A. Purpose and Intent. Recognizing the potential harms and public health implications associated with cannabis use, the purpose of this Section is to promote public health and safety to reduce the likelihood of the problematic use of cannabis by proactively requiring that all customer-facing employees and managers of Dispensaries learn the necessary skills to protect customers, the public, employees of the Dispensary, and Dispensaries through a Responsible Vendor Training Program.

B. Compliance. Every customer-facing manager and employee of a permitted Dispensary shall enroll in the Department of Health and Human Services' standardized training for Dispensaries within ninety (90) days of the establishment of the City's Responsible Vendor Training Pilot Program. Upon completion of such training, employees and managers shall receive written confirmation from the Department of Health and Human

Services of successful completion of the program. Dispensaries shall keep a copy of said written confirmation on the permitted premises for every customer-facing employee and manager.

C. New employees and managers. Any newly hired manager or employee of a permitted Dispensary shall successfully complete the Responsible Vendor Training Pilot Program within sixty (60) days of said individual's first day of employment.

D. Renewal of Training. After initial successful completion of the Responsible Vendor Pilot Training Program, every manager and employee of a Dispensary shall successfully complete the Responsible Vendor Training Pilot Program every twenty-four (24) months.

E. Online or in-person training is at the discretion of the Department of Health and Human Services. Nothing in this Section shall prevent the City from becoming a training provider under any similar program for Dispensaries implemented by the State.

F. Within three (3) years of the establishment of the program, the City Council will consider the available data and determine whether and how to continue the program. This Section shall remain in effect until revoked by the City Council. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

DIVISION V. CULTIVATION OPERATING CONDITIONS

In addition to the general operating requirements set forth in Division III of this Chapter, this Division provides additional requirements for Cultivators. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1010 Compliance.

A. Cultivation shall always be conducted in accordance with State and local laws and regulations related to cultivation, zoning, grading, electricity, water usage, water quality, fish and wildlife habitat protection, wastewater discharges, pesticides, and fertilizers, handling and storage of gases, and employee safety.

B. Cultivation shall always be conducted in such a way as to ensure the health, safety, and welfare of the public, the employees working at the cultivation site, neighboring properties, to protect the environment from harm to waterways, fish, and wildlife; to ensure the security of the cannabis; and to safeguard against the diversion of cannabis for unlicensed purposes. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1015 Outdoor cultivation prohibited.

All cultivation shall occur indoors, and only on a site holding a valid Adult-Use Cannabis Business Permit from the City pursuant to this Chapter. All outdoor or mixed light cultivation is prohibited, including but not limited to, the use of greenhouses. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1020 Maximum canopy size.

A. The total canopy size on one (1) premises shall not exceed the maximum number of square feet authorized by State license classifications Type 1A, Type 1C, Type 2A, Type 3A, and Type 4.

B. The total canopy size on one (1) premises shall not exceed the maximum number of square feet identified in the application and authorized by the Adult-Use Cannabis Business Permit. Permittees shall obtain written permission from the City prior to engaging in any activity that results in an increase of the square feet of maximum canopy authorized by the Adult-Use Cannabis Business Permit. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1025 Extension cords prohibited.

The use of extension cords to supply power to any electrical equipment used in cultivation is prohibited. All electrical equipment used in cultivation shall be plugged directly into a wall outlet or otherwise hardwired. (ORD-22-0015 § 4, 2022)

5.92.1030 Interior lighting.

All lighting used for indoor cultivation shall be fully shielded, downward casting, and shall not spill over onto structures, other properties, or into the night sky. Indoor cultivation lighting shall be

contained so that little to no light escapes and any light that escapes from the cultivation site shall be at a level that is not visible from neighboring properties between sunset and sunrise. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1035 Environmental control systems.

A. In additional to the general odor control and ventilation requirements in Section 5.92.540, every Cultivator shall implement environmental control systems to minimize and/or prevent the likelihood of mold and mildew growth. Cultivators shall regularly test for mold and mildew within the cultivation site.

B. Environmental control systems at a cultivation site shall include a range of environmental control technologies and practices to control humidity levels, illumination, heating, cooling, air circulation, and ventilation.

C. Compatibility with odor prevention and ventilation systems. Cultivators shall implement an environmental control system that is adequately compatible with any odor control prevention and ventilation systems at the cultivation site. For purposes of this Section, "adequately compatible" means that any environmental control systems and odor control systems operating at the cultivation site operate concurrently to prevent cannabis odors from being detected outside the cultivation site, while still allowing for the permittee to successfully cultivate. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1040 Water source.

Cultivators shall comply with California Water Code Section 13149 and any implementing regulations, policies, or guidelines adopted by the State Water Resources Control Board regarding water usage, the diversion of water, and the discharge of waste while cultivating cannabis. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1045 Carbon dioxide testing.

Cultivators shall test carbon dioxide levels within cultivation areas at the cultivation site, if carbon dioxide is added to the air. No carbon dioxide shall be utilized for cultivation without prior inspection and approval of the City's Building Official and the Fire Code Official. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1050 Storage and use of compressed gas.

A. Storage and use of compressed gases in compressed gas containers, cylinders, tanks, and systems used for cultivation shall comply with this Code and the California Fire Code.

B. Any compressed gases used in cultivation shall not be stored on any property within the City in containers that exceed the amount that is approved by the Fire Code Official and authorized by the Adult-Use Cannabis Business Permit. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1055 Pesticides.

A. Cultivators shall comply with all applicable federal, State and local laws and regulations

regarding use, storage, and disposal of pesticides and fertilizers, including, without limitation, those enforced by the State Department of Food and Agriculture and State Department of Pesticide Regulation. Cultivators shall ensure hazards are not created on the permitted premises by the use or storage of chemicals, fertilizers, materials, processes, products, or wastes.

B. Pesticides, insecticides, and/or fertilizers prohibited by federal, state, or local law for fertilization or production of edible produce shall not be used for cultivation.

C. Employee safety. At a minimum, Cultivators using pesticides shall protect all employees from exposure to pesticides by following pesticide labels; providing required personal protective equipment; providing access to pesticide labels, safety information, and training on an annual basis; properly ventilating all areas of the cultivation site; and proper storage, handling, and disposal of pesticides in compliance with State, federal, and local laws and regulations pertaining to pesticide use and worker safety. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1060 Packaging and labeling.

A. All cannabis packaged and/or labeled by a Cultivator shall meet the provisions of packaging and labeling requirements specified by State law, including but not limited to, California Business and Professions Code Division 5 ("Weights and Measures") and Division 10 ("Cannabis") and any regulations implemented and enforced by the Bureau of Cannabis Control, the State Department of Public Health, or State Department of Food and Agriculture.

B. Prior to distribution and transportation, a Cultivator shall package and seal all cannabis in tamper-evident packaging and use a unique identifier of the harvest batch to identify and track said cannabis.

C. Product labels. All labels for cannabis shall include all of the following: all required government warnings; the net weight of cannabis in the package; source and the date of cultivation; the type of cannabis; the date of packaging; and the product's unique identifier for the harvest batch.

D. Packaging that makes cannabis attractive to children or imitates candy is prohibited. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1065 Accurate weights and measures.

A. Weighing devices used by a Cultivator shall be approved, tested, sealed, and registered with the Los Angeles County Agricultural Commissioner/Weights and Measures in compliance with California Business and Professions Code Division 5 ("Weights and Measures") and Division 10 ("Cannabis"), any regulations implemented by the State Department of Food and Agriculture, and all other applicable local, State, and Federal laws.

B. Cultivators are prohibited from using scales, weights, or measures that do not accurately conform to the standard of weights and measures of the State and county. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

DIVISION VI. MANUFACTURING OPERATING CONDITIONS

In addition to the general operating requirements set forth in Division III of this Chapter, this Division provides additional requirements for Manufacturers. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1110 Compliance.

A. The manufacture of cannabis products shall comply with the standards set by State and local law, including but not limited to those related to volatile and nonvolatile extractions; labeling, packaging, repackaging, and relabeling; infusions; safety; discharges; waste disposal; processing, handling, and storage of solvents or gases; and food handling.

B. Manufacturers shall only be allowed to engage in the manufacture of cannabis authorized by State law and in the Adult-Use Cannabis Business Permit issued for the premises. No additional manufacturing activities may be conducted without applying for, and receiving written permission, from the City for said additional activity.

C. The manufacture of cannabis products shall be conducted in a manner to ensure the

operation does not pose a significant threat to the health, safety, and welfare of the public or to neighboring properties. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1115 Additional ventilation requirements.

A. In addition to the general odor control and ventilation requirements in Section 5.92.540, Manufacturers shall utilize adequate ventilation or control equipment to minimize dust, odors, and vapors (including steam and noxious fumes) in areas where they may cause allergen cross-contact or contamination of cannabis products.

B. Fans and other air-blowing equipment used at a manufacturing facility shall be used in a manner that minimizes the potential for allergen cross-contact and contamination of manufactured cannabis products or packaging materials and contact surfaces intended for manufactured cannabis handling or production. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1120 Sanitation standards.

A Manufacturer shall comply with sanitation standards equivalent to the California Retail Food Code (Part 7 (commencing with Section 113700) of Division 104 of the California Health and Safety Code) for food preparation, storage, handling, and sale of products. Cannabis, including concentrated cannabis in a cannabis product, manufactured in compliance with this Chapter and State law is not considered an adulterant under this Chapter. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1125 Quality and preventative controls.

A. Quality control. A Manufacturer shall employ quality control personnel and establish standard operating procedures that comply with current good manufacturing practices, as outlined by the State Department of Public Health and the U.S. Food and Drug Administration.

B. Preventative controls. All Manufacturers have a continuous obligation to identify and/or evaluate known or reasonably foreseeable hazards and implement written preventive controls to significantly minimize or prevent manufactured cannabis products from becoming adulterated or misbranded. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1130 Standard operating procedures.

A Manufacturer creating cannabis extracts shall develop standard operating procedures, good manufacturing practices, and a training plan prior to producing extracts for the marketplace. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1135 Fire Code Official approval required.

Manufacturers conducting extractions, including any professional closed loop systems or equipment used in extraction or processing, shall be approved for their use by the Fire Code Official and shall comply with the following requirements:

A. Any required fire, safety, and building code requirements specified in the California Building and Fire Codes, as adopted by the City.

B. Any State laws and regulations implemented and enforced by the State Department of Public Health. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1140 Vacuum ovens.

A. Vacuum ovens shall not be used to process volatile solvents or flammable/combustible liquids contained in cannabis concentrate unless said vacuum oven is rated to process the vapors of volatile solvents or flammable/combustible liquids, such as a vacuum oven that is rated with an explosion-proof classification.

B. Manufacturers conducting extractions with a vacuum oven shall take adequate precautions to ensure that any cannabis concentrate introduced into said oven does not contain volatile solvents or flammable/combustible liquids.

C. All vacuum ovens used in the manufacture of cannabis products shall be listed by a Nationally Recognized Testing Laboratory (NRTL). (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1145 Doors to extraction room.

Doors to any room where Manufacturers use volatile solvents, hazardous materials, or flammable/combustible liquids in the manufacture of cannabis shall swing in the direction of egress, be self-closing and/or self-latching, and be provided with panic hardware. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1150 Refrigerators.

A. Volatile solvents, hazardous chemicals, and flammable/combustible liquids, including volatile solvents, hazardous chemicals, and flammable/combustible liquids contained in concentrated cannabis or cannabis goods, shall be stored in a refrigerator, refrigerated storage, or a freezer rated to store flammable liquids.

B. Manufacturers shall store and process all volatile solvents or flammable/combustible liquids, including concentrated cannabis and manufactured cannabis that contains volatile solvents or flammable/combustible liquids, in refrigerators, refrigerated storage, or freezers rated to store flammable liquids which are, at a minimum, rated "Lab-Safe" or "Flammable Safe." (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1155 Closed loop system required.

A. Chemical extractions using carbon dioxide or a volatile solvent shall be conducted in a professional and commercially manufactured closed loop extraction system that has been certified by a California-licensed engineer. All professional and commercially manufactured closed loop systems shall bear a permanently affixed and viable serial number.

B. No closed loop systems shall be utilized without prior inspection and approval of the Fire Code Official.

C. Certification requirements.

1. Certifications from a California-licensed engineer of any closed loop system used by a Manufacturer shall be provided to the Fire Code Official to certify that the system was commercially manufactured, is safe for its intended use, and was built to codes of recognized and generally accepted good engineering practices, including but not limited to:

a. The American Society of Mechanical Engineers (ASME);

b. American National Standards Institute (ANSI);

c. Underwriters Laboratories (UL); or

d. The American Society for Testing and Materials (ASTM).

2. The certification document required pursuant this subsection shall contain the signature and stamp of the professional engineer and serial number of the extraction unit being certified.

D. Training required. Any person using solvents or gases in a closed looped system to create cannabis extracts shall be fully trained on how to use the system, have direct access to applicable material safety data sheets, and handle and store the solvents and gases safely in compliance with State and local laws and regulations. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1160 Volatile and nonvolatile solvents permitted.

A. Manufacturers may only use volatile solvents or gases approved by the Fire Code Official and State law for extractions. Manufacturers may use nonvolatile solvents or mechanical processes to create or refine extracts, if approved by the Fire Code Official.

B. Any extraction process must use solvents or gases in a professional grade closed loop extraction system designed to recover the solvents and work in an environment with proper ventilation. Manufacturers shall control all sources of ignition where a flammable atmosphere is or may be present. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1165 Change in solvent.

A. Any Manufacturer that changes the medium of extraction or solvent used in manufacturing from the technical report previously approved by the Fire Code Official shall submit a revised

technical report for approval of the Fire Code Official prior to the use of the equipment with said new medium or solvent. The technical report shall be revised at the cost of the Manufacturer.

B. If the original engineer of record that drafted the last approved technical report is not available, then the Manufacturer shall comply with the following requirements prior to submitting a revised technical report to the Fire Code Official that has been drafted by a new engineer of record:

1. The Manufacturer shall submit the new engineer's educational background and professional experience specific to the review and approval of system, equipment, and processes with like hazards of those associated with the extraction system to the Fire Code Official.

2. Once the proof of qualifications is deemed acceptable by the Fire Code Official, the engineer of record shall produce the technical report and the report shall be signed and sealed in accordance with State requirements. The proof of qualifications shall include documentation indicating the person is a professional engineer licensed in the State. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1170 Storage and use of compressed gas.

A. Storage and use of compressed gases in compressed gas containers, cylinders, tanks, and systems used for cannabis manufacturing shall comply with this Code and the California Fire Code.

B. Any compressed gases used in the manufacturing process shall not be stored on any property within the City in containers that exceed the amount that is approved by the Fire Code Official and authorized by the Adult-Use Cannabis Business Permit. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1175 Hazardous material requirements.

Manufacturers that use and generate hazardous materials or hazardous waste shall comply with all applicable hazardous material regulations for hazardous waste generators and hazardous material handling requirements and shall maintain any applicable permits from the Certified Unified Program Agency (CUPA) of Long Beach for said regulations and requirements. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1180 Edible cannabis products.

A. The manufacture, distribution, and transportation of edible cannabis products shall be conducted in a manner that complies with all applicable food safety laws for the protection of humans consuming cannabis.

B. Cannabis facility requirements and limitations.

1. All products, storage facilities, utensils, equipment, and materials used for the manufacture of edible cannabis products shall be approved, used, managed, and handled in accordance to the provisions of all State and local laws regarding the preparation, distribution, labeling, and sale of food.

2. Any manufacturing site that proposes to prepare, store, dispense, and distribute edible cannabis products shall comply with the relevant provisions of all State and local laws regarding the preparation, distribution, labeling, and sale of food.

3. No food production shall be allowed in a facility where edible cannabis products are manufactured to avoid the unintentional contamination of non-cannabis foods with cannabis.

4. Facilities where edible cannabis products are manufactured shall be constructed, permitted, operated, and inspected in accordance with the applicable building code and applicable food safety requirements. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1185 Food handler certification.

All owners, employees, volunteers, or other individuals that participate in the production of edible cannabis products shall be State certified food handlers. The valid certificate number of each such owner, employee, volunteer, or other individual shall be on record at the permitted premises where said individual participates in the

production of edible cannabis products. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1190 Packaging and labeling.

A. All manufactured cannabis products packaged and/or labeled by a Manufacturer shall meet the provisions of packaging and labeling requirements specified by State law, including but not limited to, California Business and Professions Code Division 5 ("Weights and Measures") and Division 10 ("Cannabis"), and any regulations implemented and enforced by the Bureau of Cannabis Control or the State Department of Public Health.

B. Packaging that makes cannabis products attractive to children or imitates candy is prohibited.

C. Prior to release of a product to a Distributor, Manufacturers shall package and seal all cannabis products in tamper-evident packaging and use a unique identifier for the manufactured cannabis batch to identify and track the cannabis products.

D. Edible cannabis products shall not exceed 10 milligrams of tetrahydrocannabinol (THC) per serving. The THC content for the edible cannabis product in its entirety shall be printed on the edible cannabis product packaging. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1195 Accurate weights and measures.

A. Manufacturers shall maintain all weighing devices in good working order, approved, tested, sealed, and registered with the Los Angeles County Agricultural Commissioner/Weights and Measures in compliance Division 5 ("Weights and Measures") of the California Business and Professions Code, any regulations implemented by the Manufactured Cannabis Safety Branch, and all other applicable local, State, and Federal laws.

B. Manufacturers are prohibited from using scales, weights, or measures that do not accurately conform to the standard of weights and measures of the State and county. (ORD-22-0015 § 4, 2022; ORD-18-0015 § 6(Exh. F), 2018)

DIVISION VII. SHARED USE MANUFACTURING OPERATING CONDITIONS

Manufacturing facilities may be shared, containing multiple licensed permit holders for a single premises. In addition to the general operating requirements set forth in Division III and the manufacturing operating requirements set forth in Division VI of this Chapter, this Division provides additional requirements for Shared Use Manufacturing. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1210 Compliance.

A. The manufacture of cannabis products in shared-use facilities shall comply with the standards set by State and local law, including but not limited to those related to volatile and nonvolatile extractions; labeling, packaging, repackaging, and relabeling; infusions; safety; discharges; waste disposal; processing, handling, and storage of solvents or gases; and food handling.

B. Manufacturers shall only be allowed to engage in the manufacture of cannabis authorized by State law and in the Adult-Use Cannabis Business Permit issued for the premises. No additional manufacturing activities may be conducted without applying for, and receiving written permission, from the City for said additional activity.

C. The manufacture of cannabis products shall be conducted in a manner to ensure the operation does not pose a significant threat to the health, safety, and welfare of the public or to neighboring properties. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1215 Equity licenses prioritized.

A. The City shall accept applications for Shared Use Manufacturing Operator Licenses from Verified Equity Businesses only for a period of one (1) year, or until fifteen (15) Operator licenses have been issued, whichever occurs sooner. The one-year period shall not start until the date the City begins accepting applications for Shared Use Manufacturing Operator Licenses.

B. After the one-year period has concluded, the City shall begin accepting applications from all qualifying applicants for the Shared Use Manufacturing Operator license pursuant to this chapter. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1220 Principal Licensees.

A. Shared-use manufacturing facilities are required to have a Principal Licensee, who is responsible for the facility.

B. The principal licensee shall operate the shared-use facility in accordance with the conditions of operation specified in this Chapter.

C. The shared-use manufacturing principal licensee shall be responsible for ensuring the facility meets all applicable requirements of this Chapter.

D. No cannabis manufacturer shall operate as a shared-use manufacturing facility without prior approval of the City.

E. Licensed cannabis manufacturers in good standing may request to operate as a shared-use manufacturing facility on a form prescribed by the Director of Financial Management. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1225 Operator Licensees.

A. Operator licenses will only be issued to businesses that have received written authorization to operate in a licensed shared-use manufacturing facility.

B. Operator Licensees may only conduct the following operational activities:

1. Infusions, as defined by this Chapter;

2. Packaging and labeling of cannabis products; and,

3. Extractions with butter or food-grade oils, provided that the resulting extract or concentrate shall be used solely in the manufacture of the Operator Licensee's infused product and shall not be sold to any other licensee.

C. Operator licensees shall have a separate license for each shared-use manufacturing facility where they are conducting manufacturing operations.

D. Operator Licensees may only operate at the facility identified by their license and during the hours set forth in the occupancy schedule. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1230 Exemptions.

A. Operator Licensees are exempt from the following provisions of this Chapter:

1. 5.92.215.3.d (Proof that the applicant has the legal right to occupy and use the premises for commercial cannabis activity);

2. 5.92.250 (One applicant per address);

3. 5.92.425 (Noncompliant locations);

4. 5.92.435 (Premises Requirements);

5. 5.92.860 (Subletting prohibited). (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1235 Use agreements.

A. The Principal licensee and the Operator Licensee(s) may take part in a use agreement which may allocate responsibility for providing and maintaining commonly used equipment and services, including, but not limited to, security systems, fire monitoring and protection services, and waste disposal services. However, such agreement is not binding on the City and the City may take enforcement action against either the principal licensee or the Operator Licensee(s), regardless of the allocation of responsibility in the use agreement. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1240 Designated areas.

A. The Principal licensee will identify and assign each Operator Licensee a "designated area" that, at a minimum:

1. Is for exclusive use by the Operator Licensee; and,

2. Provides an area for storage that is secure, fixed in place, locked with a commercial-grade lock, and accessible only to the Operator Licensee for storage of that Operator Licensee's cannabis, cannabis concentrates, and cannabis products.

B. The designated area for an Operator Licensee shall not be altered without prior notification to the City. Prior to making any changes to the designated area, written notification shall be

submitted to the City that includes the intended changes. The City shall approve all changes prior to the designated area being altered. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1245 Common-use areas.

A. The Principal licensee will identify and assign common-use area(s) authorized for use by the Operator Licensee.

B. Any part of the premises used for manufacturing activities that is a common-use area shall be occupied by only one licensee at a time by restricting the time period that each licensee may use the common-use area. During the assigned time period, one licensee shall have sole and exclusive occupancy of the common-use area.

C. The principal licensee may conduct manufacturing activities as permitted under its medical or adult-use manufacturing license and may use the common-use area during its scheduled time period. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1250 Occupancy schedules.

A. The Principal licensee is responsible for providing an occupancy schedule that identifies the days and/or times each Operator Licensee is authorized to use the common-use area(s).

B. The occupancy schedule shall be prominently posted near the entrance to the licensed shared-use facility.

C. The occupancy schedule shall not be altered without prior notification to the City. Prior to making any changes to the occupancy schedule, written notification shall be submitted to the City that includes the intended changes. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1255 Facility restrictions.

The use of the shared use facility shall be restricted to the principal licensee and Operator Licensees authorized by the City to use the shared-use facility. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1260 Facility modifications.

The use of the shared use facility shall be restricted to the principal licensee and Operator Licensee(s) authorized by the City to use the shared-use facility. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1265 Cannabis waste.

Any cannabis product or other materials remaining after an Operator Licensee ceases operation and discontinues use of its designated area shall be considered cannabis waste and disposed of by the principal licensee consistent with the requirements of this Chapter. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1270 Product recalls or embargoes.

In the event of a recall or embargo of a cannabis product produced at a shared-use facility, the City, in its sole discretion, may include any or all cannabis products produced at the shared-use facility. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1275 Discontinuing operations.

A Principal Licensee that wishes to discontinue operation as a shared-use facility may do so by providing written notice to the City and each Operator Licensee authorized to use the shared-use facility at least thirty (30) calendar days prior to the effective date of the cancellation. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

5.92.1280 Violations.

A Principal licensee or an Operator Licensee is liable for any violation found at the shared-use facility during that licensee's scheduled occupancy or within that licensee's designated area. However, a violation of any provision of the Chapter may be deemed a violation for which each Operator Licensee and the principal licensee are responsible. In the event of a recall or embargo of a cannabis product produced at a shared-use facility, the City, in its sole discretion, may include any or all cannabis products produced at the shared-use facility. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 15, 2021)

DIVISION VIII. DISTRIBUTION OPERATING CONDITIONS*

In addition to the general operating requirements set forth in Division III of this Chapter, this Division provides additional requirements for Distributors. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 11, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1310 Compliance.

A. A Distributor and the premises shall meet all health protection operating criteria for the distribution of cannabis goods as required by State law and regulations implemented and enforced by the Bureau of Cannabis Control.

B. Distributors shall transfer cannabis goods only between State licensees. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 11, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1315 Transport Only Distributor.

A. Transport Only Distributor may transport cannabis goods between State licensees if the transport, and the type of cannabis goods transported, is authorized by State and local law.

B. A Transport Only Distributor shall comply with all provisions required by this Code and State law for Distributors, except for those related to quality assurance and testing.

C. A Transport Only Distributor shall not hold title to any cannabis goods unless said Transport Only Distributor also holds a State-issued Cultivation, Manufacturing, Retailer, or Microbusiness license.

D. Transport Only Distributors shall not be authorized to:

1. Engage in the delivery of cannabis goods to a customer; or

2. Engage in the wholesale, destruction, packaging, labeling, or storing of cannabis goods; or

3. Arrange for the testing of cannabis goods by a Testing Laboratory. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 11, 2021; ORD-18-0015 § 6(Exh. F), 2018)

***Editor's note**—ORD-21-0023 § 11, adopted July 13, 2021 renumbered Div. VII, §§ 5.92.1210—5.92.1240 as Div. VIII, §§ 5.92.1310—5.92.1340.

5.92.1320 Storage.

A. Separate and distinct. Distributors shall ensure that each batch is stored separately and distinctly from every other batch on the Distributor's premises.

B. Labels required for batch storage containers. Distributors shall ensure a label with the following information is physically attached to each container of each batch: the Manufacturer or Cultivator's name and State license number; the date of entry into the Distributor's storage area; the unique identifiers and batch number associated with the batch; a description of the cannabis goods with enough detail to easily identify the batch; and the weight of or quantity of units in the batch.

C. A Distributor shall store cannabis goods in a building designed to permit control of temperature and humidity and shall prevent the entry of environmental contaminants such as smoke and dust. The area in which cannabis goods are stored shall be vermin proof and shall not be exposed to direct sunlight. Distributors shall not store cannabis goods outdoors.

D. Storage-only services. Distributors may provide cannabis or cannabis product storage-only services to a Cultivator, Manufacturer, or other Distributor, which are unrelated to the quality assurance and laboratory testing processes required of the Distributor. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 11, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1325 Quality assurance.

A. Distributors shall ensure compliance with any requirements for packaging and labeling cannabis goods pursuant to State and local law and regulations.

B. After taking physical possession of a cannabis batch, the Distributor shall meet all testing requirements and procedures as required by local and State law and regulations. Upon the request of the City Manager, the Distributor shall immediately make available the results of all tests performed on each cannabis batch by a certified State licensed Laboratory.

C. A Distributor shall only procure, sell, or transport cannabis goods that are packaged and sealed in tamper-evident packaging that use a unique identifier, such as a batch and lot number or bar code, to identify and track the cannabis goods. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 11, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1330 Transport.

A. Documentation during transport. Transporters shall carry a physical or electronic copy of the shipping manifest for the transport of cannabis goods, a copy of the Distributor's current permits and/or licenses required by the State and City, the Transporter's government-issued identification, and an identification badge provided by the Distributor. All documentation shall be made available upon request to the City Manager or Chief of Police.

B. Transporters shall be at least twenty-one (21) years of age and shall have a valid California Driver's License.

C. Vehicle standards. A Distributor shall only allow transport of cannabis goods in a vehicle:

1. That is capable of securing (locking) the cannabis goods during transportation.

2. That is capable of being time and/or temperature controlled if perishable cannabis goods are being transported.

3. That does not display advertising or symbols visible from the exterior of the vehicle that suggest the vehicle is used for cannabis transport or affiliated with a Commercial Cannabis Business.

D. Inspections. Any motor vehicle used by a Distributor to transport cannabis goods is subject to inspection by the City Manager or Chief of Police and may be stopped during transport, delivery, or pick-up of cannabis goods for inspection. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 11, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1335 Accurate weights and measures.

A. Distributors shall maintain all weighing devices in good working order, approved, tested, sealed, and registered with the Los Angeles County Agricultural Commissioner/Weights and Measures in compliance Division 5 ("Weights and Measures") of the California Business and Professions Code, any applicable State laws and regulations implemented by the State or its departments or divisions, and all other applicable local, State, and Federal laws.

B. Distributors are prohibited from using scales, weights, or measures that do not accurately conform to the standard of weights and measures of the State and county. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 11, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1340 Records.

A. In addition to records generally required of all Adult-Use Cannabis Businesses, every Distributor shall maintain records specific to the operation, including but not limited to: records relating to branding, packaging and labeling; inventory logs and records; transportation bills of lading and shipping manifests for completed transports and for cannabis goods in transit; vehicle and trailer ownership records; quality-assurance records; records relating to destruction of cannabis goods; laboratory-testing records; warehouse receipts; records relating to tax payments collected and paid. The Distributor shall make all records available to the City upon request.

B. Storage records. A Distributor shall maintain a written contract with other State licensees storing cannabis goods on the Distributor's premises. A Distributor shall maintain a separate storage inventory log for every State licensee storing cannabis goods on the Distributor's premises. The Distributor's storage inventory logs and written contracts shall be provided to the City Manager upon request. All inventory documents shall contain the identity and State license number of all contracting parties.

C. A Distributor shall maintain a database, and provide to the City upon request, a list of the individuals and vehicles authorized to conduct transportation on behalf of the Distributor. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 11, 2021; ORD-18-0015 § 6(Exh. F), 2018)

DIVISION IX. TESTING LABORATORY OPERATING CONDITIONS*

In addition to the general operating requirements set forth in Division III of this Chapter, this Division provides additional requirements for Testing Laboratories. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1410 Compliance.

All laboratory testing of cannabis goods shall be performed in accordance with this Chapter, this Code, and any applicable State law and regulations, implemented and enforced by the State and its divisions and departments. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1415 No other employment or interest.

No owner or employee of a Laboratory may be employed by, or have any ownership or financial interest, in any other type of commercial cannabis activity. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1420 Laboratory employee requirements.

Laboratory employees shall meet the experience, education, and training requirements specified and required by the State or any of its departments and divisions. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1425 Certificate of accreditation required.

Every Laboratory shall hold a valid certificate of ISO/IEC 17025 accreditation, issued by an accreditation body that attests to the Laboratory's competence to perform testing of the cannabis goods for compounds and contaminants, in compliance with State laws and regulations for cannabis testing. Said accreditation body shall be a signatory to the International Laboratory Accreditation Cooperation Mutual Recognition Arrangement for testing. The certificate of accreditation shall be kept at the premises. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1430 Standard operating procedures.

A Laboratory shall adopt a standard operating procedure using methods consistent with general requirements established by the International Organization for Standardization, specifically ISO/IEC 17025, to test cannabis goods, and shall operate in compliance with State law at all times. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1435 Chain of custody controls.

A Laboratory shall establish standard operating procedures that provide for adequate chain of custody controls for samples transferred to the Laboratory for testing. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1440 Certificate of Analysis.

A Laboratory shall generate a Certificate of Analysis (COA) for all representative samples analyzed by the Laboratory in compliance with State law and any regulations implemented and enforced by the Bureau of Cannabis Control. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1445 Annual audit.

A Laboratory shall conduct an internal audit at least once per year or according to the ISO Accrediting Body and the State's requirements, whichever is more frequent. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1450 Transportation and storage of testing samples.

Every Laboratory shall ensure samples are transferred, transported, and securely stored in a

***Editor's note**—ORD-21-0023 § 12, adopted July 13, 2021 renumbered Div. VIII, §§ 5.92.1310—5.92.1370 as Div. IX, §§ 5.92.1410—5.92.1470.

manner that prevents degradation, contamination, and tampering, and in compliance with labeling on the cannabis product pursuant to a specified chain of custody protocol. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1455 Destruction of samples.

A Laboratory shall destroy the remains of samples of any cannabis goods upon completion of analyses, and after the expiration of any post-testing sample retention period, in compliance with State law and any regulations implemented and enforced by the Bureau of Cannabis Control. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1460 Additional ventilation requirements.

In additional to the general odor control and ventilation requirements in Section 5.92.540, the Laboratory shall implement adequate ventilation or control equipment to minimize dust, odors, and vapors (including steam and noxious fumes) in areas where they may cause allergen cross-contact or contamination of cannabis products. Fans and other air-blowing equipment used at a Laboratory premises shall be used in a manner that minimizes the potential for allergen cross-contact and contamination of cannabis goods. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1465 Hazardous material requirements.

Laboratories that use and generate hazardous materials or hazardous waste shall comply with all applicable hazardous material regulations for hazardous waste generators, and hazardous materials handling requirements and shall maintain any applicable permits for these programs from the Certified Unified Program Agency (CUPA) of Long Beach. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1470 Records.

A Laboratory shall ensure the transport, handling, storage, and destruction of samples are accurately documented. All documentation and the results of all testing shall be maintained as a part of the required records of the Laboratory. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 12, 2021; ORD-18-0015 § 6(Exh. F), 2018)

DIVISION X. ENFORCEMENT AND PENALTIES*

5.92.1510 Violations generally.

A. It is unlawful for any person to violate any provision, or to fail to comply with any of the conditions or requirements of this Chapter, or any regulation adopted pursuant to it.

B. Separate violation. Every day, during any portion of which, any violation of this Chapter is committed, continued, or allowed to continue is a separate offense and is subject to all remedies and enforcement measures authorized by this Code.

C. Every cannabis plant, including both immature and mature plants, cultivated in violation of this Chapter by an illegal cannabis operation constitutes a separate violation subject to the penalties of this Chapter.

D. Paying a fine or serving a jail sentence does not relieve any person from responsibility for correcting any condition that violates any provision of this Chapter.

E. Whenever in this Chapter any act or omission is made unlawful, it shall include causing, permitting, aiding, abetting, suffering, or concealing the fact of such act or omission.

F. Violation of any provision of this Chapter shall be considered a strict liability; accordingly, the City shall not be required to prove knowledge, criminal intent, or any other mental state to establish a violation of this Chapter. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1515 Remedies cumulative.

A. The remedies provided for in this Chapter are not mutually exclusive. Pursuit of any one remedy does not preclude the City from availing

***Editor's note**—ORD-21-0023 § 13, adopted July 13, 2021 renumbered Div. IX, §§ 5.92.1410—5.92.1495 as Div. X, §§ 5.92.1510—5.92.1595.

itself of any or all available administrative, civil, or criminal remedies, at law or equity. The remedies provided by this Chapter are cumulative and in addition to any other remedies available at law or in equity.

B. This Chapter does not limit the City's additional remedies for recovering taxes or damages in accordance with any applicable law including, without limitation, cannabis business taxes owed by an unlawful Commercial Cannabis Business pursuant to Chapter 3.80 of this Code. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1520 Declaration of public nuisance.

A. Any violation of the provisions of this Chapter is hereby deemed unlawful and a public nuisance.

B. As a nuisance per se, any violation of this Chapter is subject to any of the following remedies, including, without limitation: injunctive relief, revocation of applicable permits or licenses, revocation of the certificate of occupancy for the real property where the violation occurred, disgorgement and payment to the City of all monies unlawfully obtained, costs of abatement, costs of investigation, attorney fees, and any other relief or remedy available at law or equity.

C. For purposes of notification of nuisance and abatement pursuant to Section 9.37.100 of this Code, a reasonable time limit for a property owner or person to correct or abate the nuisance of an illegal cannabis operation is no less than five (5) calendar days. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1525 Liability of employees and agents.

Liability of employees and agents. In construing and enforcing the provisions of this Chapter, the act, omission, or failure of an agent, officer, representative, or other person acting for or employed by an Adult-Use Cannabis Business, within the scope of his or her employment or office, will be in every case be deemed the act, omission, or failure of the Adult-Use Cannabis Business. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1530 Liability of property owners.

A. No property owner in charge of, or in possession of, any real property within the City shall cause, permit, maintain, conduct, or otherwise suffer or allow a public nuisance as defined in this Chapter to exist.

B. It is the duty of every property owner, and person that controls any real property or interest therein, within the City to remove, abate, and prevent the reoccurrence of the public nuisance upon such real property. Such duty of the property owner exists regardless of whether the property owner is in actual possession of his or her real property, and includes an obligation to act to evict or otherwise remove an illegal cannabis operation who illegally exists or creates a public nuisance upon the property owner's real property.

C. In addition to any abatement costs incurred by the City for closing or removing an illegal cannabis operation from private real property, failure of a property owner to voluntarily abate an illegal cannabis operation after notification by the City shall result in the penalties set forth in this Chapter. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1535 Liability of costs, fines, and fees.

A. Liability of costs. In any enforcement action brought pursuant to this Chapter, whether by administrative proceedings, judicial proceedings, or summary abatement, every person who causes, suffers, maintains, or permits any illegal cannabis operation and/or operation to exist, or remain in violation of this Chapter, is liable for all actual costs incurred by the City, including, but not limited to: all actual costs for inspection, enforcement, revocation, suspension, abatement, or any other actual costs incurred to undertake, or to cause or compel any responsible party to undertake, any abatement action in compliance with the requirements of this Chapter, including costs of

litigation and reasonable attorney's fees, whether those costs are incurred prior to, during, or following enactment of this Chapter.

B. Any person may abate an illegal cannabis operation or cause it to be abated at any time prior to commencement of abatement by, or at the direction of, the City Manager. Abatement prior to the hearing does not absolve any person from paying costs, fees, and administrative penalties that accrued up to the date of abatement. Proof of Abatement shall be provided to the Hearing Officer(s) at the time of hearing.

C. Liability for cost of destruction. If required by State law, regulation, or court order to destroy any cannabis goods associated with a violation of this Chapter, a violator is responsible for the cost of the destruction of cannabis goods associated with said violation.

D. Failure to pay fines and fees. Failure to pay a fine or penalty within thirty (30) calendar days of the date of assessment may result in penalties, suspension, or revocation of the permit, unless the citation is being appealed. The full amount of any assessed fine or penalty may be added to the fee for renewal of the permit. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1540 Permit suspension, revocation, or denials.

A. Noncompliance. Failure to comply with any of the provisions of this Chapter will constitute grounds for suspension, denial, or revocation of the permit. The noticing and hearing requirements for suspension or revocation of the permit shall be governed by the provisions of Chapter 5.06 of this Code.

B. Cease activity. No person may conduct any business or activity regulated by this Chapter while an application for a permit is pending, at any time after a permit denial or revocation, or while a permit is suspended.

C. Grounds for denial, revocation, or suspension of permit. In addition to the provisions of Chapter 5.06 of this Code, the Director of Financial Management may deny any application for a permit, or revoke or suspend any permit, on the following grounds:

1. A permit application does not satisfy the minimum qualifications or fails to comply with the applicable requirements of this Chapter.

2. Failure to comply with any of the terms and conditions attached to the permit at the time of approval.

3. Any act or omission that violates the requirements of this Code, including any rule, regulation, condition, or standard adopted pursuant to this Chapter, or any other applicable State or local rule, law, or regulation.

4. Any act or omission that results in the denial, revocation, or suspension of the permittee's State license.

5. Failure to renew the permittee's State license.

6. The permit was granted, in whole or in part, based on any written or oral misrepresentation or omission of a material statement in the permit application.

7. Conducting a commercial cannabis activity in a manner that constitutes a nuisance, where the permittee has failed to comply with reasonable conditions to abate the nuisance.

8. Conviction for any controlled substance felony by an owner after a permit has been issued.

9. A person has been, or is, prohibited from having an ownership interest in an Adult-Use Cannabis Business pursuant to Section 5.92.265.

10. A person has committed a deliberate or willful violation of an applicable law, or applicable rule and regulation related to commercial cannabis activity. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1545 Appeal of permit denial.

A. Any applicant pursuant to this Chapter whose application for an Adult-Use Cannabis Business Permit, whose application for such permit has been denied, shall be notified in writing of the denial and their right to file an appeal, pursuant to

Section 5.06.030 of this Code, within ten (10) calendar days after the date of mailing of the Notice of such denial.

B. Any written request for an appeal of a permit denial pursuant to this Chapter shall include details regarding the denial and the specific ground(s) on which the dispute of the denial is based. At the time of filing the notice of appeal, the applicant shall pay to the Director of Financial Management the fee set by resolution of the City Council for appeals hereunder.

C. If the written request is filed within the time period specified, within thirty (30) days following the filing of said written request, the City shall set a hearing to be held not less than ten (10) days nor not more than thirty (30) days thereafter, and such hearing may for good cause be continued by the City.

D. The hearing shall be held in accordance with Chapter 2.93 of this Code, except that the matter shall be automatically referred to the City Clerk for selection of a Hearing Officer, without the City Council's referral, in accordance with Subsection 2.93.050.B of this Code.

E. Failure to file the written request within the time period specified shall result in waiver of any right to dispute the denial of an application for an Adult-Use Cannabis Business Permit pursuant to this Chapter. Failure of an appellant or their authorized representative to appear at any noticed hearing shall constitute an abandonment of the hearing appeal and shall constitute a failure to exhaust administrative remedies.

F. Right to recover costs. In the event a civil action is initiated by the City to enforce any decision under this Section, and a judgment is entered to enforce said decision, any person against whom the order of enforcement has been entered shall be liable to pay the City's total costs of enforcement, including reasonable attorney fees. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1550 Factors for suspension or revocation.

A. The City Manager may consider the following factors in deciding whether a permit should be suspended or revoked in accordance with this Chapter, as applicable:

1. The nature and severity of the acts, offense, or crimes under consideration.

2. Any corrective action taken by the permittee.

3. Prior violations at the permitted premises by the permittee and the effectiveness of prior corrective action.

4. Previous sanctions imposed against the permittee.

5. The number and/or variety of current violations.

6. The likelihood of recurrence.

7. All circumstances surrounding the violation.

8. Whether the violation was willful.

9. Any actual or potential harm to the public.

10. The length of time the permit has been held by the permittee.

11. Evidence of expungement proceedings under Penal Code Section 1203.4.

12. Any other factor that makes the situation unique or the violation of greater concern, with respect to the permittee or the permitted premises. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1555 Permit reapplications.

A. Whenever an application for a permit is denied, no other application by such permittee will be considered for a period of one (1) year from the date of the denial of an application, with an exception granted to any applicant whose Adult-Use Business License Application was denied solely because the applicant's proposed premises does not comply with the sensitive use buffers in subsections (1) through (4) of Section 5.92.420.A.

B. Whenever a permit has been revoked, no other similar application by such permittee for an Adult-Use Cannabis Business Permit shall be considered for a period of five (5) years from either the

date the notice of the permit revocation was mailed or the date of the final decision of the City Council to revoke the permit, whichever is later.

C. The provisions of subsections (A) and (B), above, apply to all of the following:

1. Any individual whose permit was revoked or whose application was denied who later becomes a director or officer of a corporation, profit or nonprofit, or a member of a partnership or a person owning or possessing any portion of the shares of a corporation seeking to obtain a new permit.

2. A corporation, profit or nonprofit, whose permit was revoked or application was denied, to any of its directors or officers or to any person who owned any portion of its shares, who attempts by way of a new corporation or using their individual names or becoming a member of a partnership or a director or officer or a person owning or possessing any portion of the shares in another corporation seeking to obtain a new permit.

D. Effect of suspension, revocation, or denial on Co-Located Cannabis Business Permits.

1. Suspension of a permittee's co-located Adult-Use Cannabis Business Permit or Medical Marijuana Business Permit, shall immediately suspend the permittee's other co-located permit for the same premises and permittee's ability to operate a Commercial Cannabis Business within the City, until the City reinstates or reissues permittee's Adult-Use Cannabis Business Permit and Medical Marijuana Business Permit.

2. Revocation or termination of a permittee's co-located Adult-Use Cannabis Business Permit or Medical Marijuana Business Permit, shall also immediately revoke, terminate, or surrender permittee's co-located permit for the same premises, and permittee's ability to operate a Commercial Cannabis Business from that premises.

3. Surrender of the permittee's co-located Medical Marijuana Dispensary permit shall also immediately revoke, terminate, or surrender the permittee's co-located Adult-Use Cannabis Dispensary Permit for the same premises, and permittee's ability to operate a Commercial Cannabis Business from that premises.

E. Effect of suspension, revocation, or denial on State licenses.

1. Suspension of a permittee's State license shall immediately suspend the permittee's Adult-Use Cannabis Business Permit, any co-located Medical Marijuana Business Permits for the same premises, and permittee's ability to operate a Commercial Cannabis Business within the City, until the State, or its respective department or division, reinstates or reissues permittee's State license.

2. Revocation, termination, or surrender of a permittee's State license shall immediately suspend the permittee's Adult-Use Cannabis Business Permit, any co-located Medical Marijuana Business Permits for the same premises, and permittee's ability to operate a Commercial Cannabis Business within the City. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1560 Criminal penalty.

Any person who violates any provision of this Chapter is guilty of a misdemeanor, and upon conviction thereof, may be punished by a fine of not more than one thousand dollars ($1,000.00), or by imprisonment in the City or county jail for a period not exceeding six (6) months, or by both such fine and imprisonment. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1565 Administrative civil penalties.

A. Administrative citations. In addition to all other legal remedies at law, violations of this Chapter and building, health, and safety violations caused as a result of a violation of this Chapter are enforceable using the administrative citation procedures set forth in Chapter 9.65 of this Code.

1. Administrative citations for violations of this Chapter shall be set by resolution of the City Council pursuant to Chapter 9.65 of this Code for

any violation of the Long Beach Municipal Code that could potentially be criminally cited as an infraction.

2. Fines for illegal cannabis operations shall be set by resolution of the City Council pursuant to Chapter 9.65 of this Code.

B. Administrative penalties imposed pursuant to this Section also constitute a personal obligation on each person who causes, permits, maintains, conducts, or otherwise suffers or allows the nuisance to exist. In the event administrative penalties are imposed pursuant to this Section on two (2) or more persons for the same violation, all such persons are jointly and severally liable for the full amount of the penalties imposed.

C. In addition to any other remedy, the City may prosecute a civil action through the City Attorney to collect any administrative penalty imposed pursuant to this Chapter. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1570 Actions for injunctive relief and civil penalties.

A. As an alternative, or in addition to any other remedy, the City Attorney may enforce the provisions of this Chapter against any illegal cannabis operation and/or property owner in any court of competent jurisdiction. The City Attorney may apply to such court for an order seeking injunctive relief to abate or remove any nuisance caused, maintained, or permitted by an illegal cannabis operation and/or property owner, to restrain any illegal cannabis operation and/or property owner from taking any action contrary to the provisions of this Chapter or other applicable law; and/or to require any illegal cannabis operation and/or property owner to take any action to comply with this Chapter or other applicable law.

B. In any civil court action brought by the City Attorney pursuant to this Section in which the City succeeds in obtaining an order from the court, the City shall be entitled to recover from an illegal cannabis operation and/or property owner all of the City's costs of investigation, enforcement, abatement, destruction, and litigation, including but not limited to attorneys' fees.

C. Civil penalties.

1. The City is entitled to recover civil penalties against an illegal cannabis operation and/or property owner a maximum amount of five thousand dollars ($5,000.00) per violation for each day an illegal cannabis operation is operated, permitted, or maintained on the subject property, and the court may order the destruction of cannabis associated with that violation in accordance with California Health and Safety Code Section 11479.

2. In assessing the amount of a civil penalty, the court shall consider any one or more of the relevant circumstances presented by any of the parties to the case, including, but not limited to, the following:

a. The nature and seriousness of the violation;

b. Any economic benefit gained through the violation;

c. The number of violations;

d. The length of time over which the violation occurred;

e. The willfulness of the defendant's violation; and

f. The defendant's assets, liabilities, and net worth.

D. The City Attorney is authorized, without further direction from the City Council, to institute any civil actions permitted pursuant to this Section. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1575 Liens and special assessments.

A. Notwithstanding any other provision of this Chapter to the contrary, the costs incurred by the City in the abatement of a violation or nuisance may be placed against any privately owned and affected property as either a nuisance abatement lien or a special assessment lien pursuant to California Government Code Section 38771 et seq., as amended from time-to-time, or a lien pursuant to California Government Code Section 54988, as amended from time to time.

B. Liens. All actual costs required by this Section constitute a lien upon the property upon which the Adult-Use Cannabis Business is situ-

ated. The lien for any inspection, enforcement, or abatement costs may attach thirty (30) days after the responsible parties are notified of the costs, and will remain until the costs are paid or the premises is sold in payment thereof.

C. Lien enforcement. The City may enforce a lien under this Chapter in any manner permitted by law, including filing a civil action either to foreclose on its liens or to obtain a money judgment or both, or pursuing non-judicial foreclosure.

D. Conversion of liens. The City may elect, upon thirty (30) calendar days written notice to all known and record owners of the privately owned and affected property, to convert any nuisance abatement lien authorized by this Chapter to a special assessment lien, or vice versa. Costs recoverable under this Chapter may include those categories of costs and fees set forth in Civil Code Section 3496, regardless of the type of nuisance involved.

E. Special Assessment. If the property is specially assessed, said assessment may be collected at the same time and in the same manner as ordinary real property taxes are collected and will be subject to the same penalties and the same procedure and sale in case of delinquency as provided for ordinary real property taxes. All laws applicable to the levy, collection, and enforcement of real property taxes are applicable to the special assessment. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1580 Prohibited premises sites due to prior illegal cannabis operations.

A. The City may, in its sole discretion, take any action as specified in this subsection.

B. If the City discovers an illegal cannabis operation is currently and/or was operating within the previous sixty (60) days at or on a property, or any portion thereof, without valid State or City permits or licenses the City may take action as specified herein. The City shall notify the property owner in writing of their right to file, within fifteen (15) days after the date of mailing of the Notice, written request of a hearing to the City disputing the alleged illegal cannabis operation. Such written request shall set forth the specific ground(s) on which the dispute is based and the property owner shall pay to the City at the time of filing said written request a filing fee in an amount to be set by resolution of the City Council.

C. Failure to file the written request within the time period specified shall result in waiver of any right to dispute the allegation of operation of an illegal cannabis operation at the subject property. In the event of such waiver, no Commercial Cannabis Business, whether licensed or non-licensed, shall be permitted to operate at the subject property for a period of one (1) year from the 16th day after the date of mailing of the Notice.

D. The illegal cannabis operation and/or property owner shall have the right of appeal as set forth in Section 5.92.1445.

E. Whenever it has been determined that an illegal cannabis operation was and/or is in operation, no Commercial Cannabis Business, whether licensed or non-licensed, shall be permitted to operate at the subject property for a period of one (1) year from the effective date of such determination.

F. The prohibitions contained in this Section are sufficient grounds to deny any application for operation of a Commercial Cannabis Business or cannabis operation at the subject property received within the one (1) year time.

G. In the event the City revokes a Property Owner's Non-Residential Rental Business License for violating this Chapter, no Commercial Cannabis Business or cannabis operation, whether licensed or non-licensed, is permitted to operate at the subject property for a period of five (5) years from the effective date of revocation of the Non-Residential Rental Business License. Such revocation is sufficient grounds to deny any application for operation of a Commercial Cannabis Business or cannabis operation at the subject property received within the five (5) year period. This prohibition shall also remain in effect in the event a property owner (or an entity owned by or affiliated with such property owner) obtains another Non-Residential Rental Business License anytime

within the five (5) year period for the subject property. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1585 Disconnection of utilities.

A. To the maximum extent permitted by law, and in accordance with the processes thereof, the City may discontinue utility services to any premises upon which an illegal cannabis operation is operating.

B. Prior to the disconnection of utility services, the City must notify, wherever possible, the property owner and occupant of the building, structure, or premises upon which the illegal cannabis operation is operating, of the decision to disconnect the utility service(s) and the reason(s) for service suspension at least seven (7) calendar days before taking such action, unless a different period of notification is mandated by law; provided that the City's Building Official may dispense with any attempt at prior notification if, in the sole discretion of the Building Official, the nature or severity of any apparent dangerous hazard justifies such disconnection in accordance with other provisions of this Code.

C. In the event utilities are disconnected, the Building Official must notify the owner or occupant of the building, structure, or premises in writing of the disconnection as soon as practical thereafter.

D. Disconnected utilities shall not be re-established until an inspection has been made by the City's Building Official and the Building Official has determined that the unlawful illegal cannabis operation has ceased operations; that any imminent hazard has been abated or eliminated (if applicable); that the building complies with applicable law; and that any applicable fees for disconnection, reconnection, penalties, and/or other related services have been paid.

E. Removing or defacing a notice posted in relation to this provision shall constitute a separate and distinct violation of this Chapter. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1590 Medical Marijuana Task Force.

The authority, powers, and duties of the Medical Marijuana Task Force, established pursuant to Section 5.90.260 of this Code, are limited exclusively to the provisions in Chapter 5.90 and shall not extend to any applicant, permittee, Adult-Use Cannabis Business, and/or Medical Marijuana Business electing to engage in commercial cannabis activity pursuant to this Chapter. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

5.92.1595 Severability.

In the event, any provision in this Chapter is deemed invalid, illegal, or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and such provision is ineffective only to the extent of such invalidity, illegality, or unenforceability. (ORD-22-0015 § 4, 2022; ORD-21-0023 § 13, 2021; ORD-18-0015 § 6(Exh. F), 2018)

(ORD-22-0015 § 4, 2022)

5.92.1620 Equity business eligibility.

To be eligible for the Equity Program as an Equity Business, majority ownership of the business must be held by equity applicant(s). If the cannabis business has one equity applicant listed as an owner, a minimum of fifty-one percent (51%) ownership in the cannabis business must be held by the equity applicant. If the cannabis business will have multiple equity applicants listed as owners of the cannabis business, any one (1) of the equity applicants must hold majority ownership interest in the cannabis business. (ORD-22-0015 § 4, 2022)

5.92.1625 Application required.

A. Any person seeking to be qualified as a Verified Equity Applicant or Verified Equity Employee shall submit a written application to the City, signed under penalty of perjury, using the form approved by the City for that purpose and in the manner required by the Director of Economic Development. All applications shall contain, at a minimum, the following information and documents:

1. Applicant Information.

a. The legal name of the applicant.

b. The applicant's mailing address, e-mail address, and telephone number.

2. Proof of income.

a. All income documents must list the first and last name of the equity applicant and be effective within the last year.

b. A minimum of last year's federal tax return and at least one (1) of the following approved documents listed below shall be considered acceptable proof of residency:

(ii) California identification card record; or

(iii) Property tax billing and payments from the LA County Assessor; or

(iv) Verified copies of State or Federal income tax returns where a Long Beach address within a qualifying Long Beach census tracts pursuant to Section 5.92.1620.A.3 is listed as a primary address; or

(v) School records; or

(vi) Medical records; or

(vii) Banking records; or

(viii) Long Beach Housing Authority records; or

(ix) Utility, cable, or internet company billing and payment covering any month in each of the five (5) years.

4. Proof of Cannabis Criminalization.

a. Proof of cannabis arrest or conviction should be demonstrated through court documents, probation documents, Department of Corrections or Federal Bureau of Prisons documentation. Documentation needs to include the following:

(i) Date of the offense or arrest.

(ii) Charges filed.

(iii) Name of defendant.

(iv) Exact location of offense or arrest that occurred in Long Beach, CA. (ORD-22-0015 § 4, 2022)

5.92.1630 Incomplete applications.

A. Upon review of an application, if an application is determined to be incomplete, the City shall provide notice to the applicant, who shall have ninety (90) calendar days to correct all deficiencies in the application.

B. If the applicant fails to correct said deficiencies within the ninety (90) day period, the application shall be deemed abandoned, void, and of no further force and effect. The applicant may reapply at any time following an abandoned application.

C. The Director of Economic Development may extend the deadline upon showing of good cause by the applicant for the inability to provide all required information by the deadline, if a written request for an extension is received no later than ten (10) calendar days prior to the deadline. For purposes of this subsection, the term "good cause" shall mean the applicant's failure to complete the application process occurred due to circumstances outside of the applicant's control. (ORD-22-0015 § 4, 2022)

5.92.1635 Application rejection.

Upon review of an application, if an application is determined to not meet the criteria to be verified as an equity applicant or equity employee, the City shall have the right to reject said application. All rejections are final and may not be appealed. An equity applicant may reapply at any time after having an application rejected. (ORD-22-0015 § 4, 2022)

5.92.1640 Assistance available to equity applicants.

A sole equity applicant that intends to apply for an Adult-Use Cannabis Business Permit as an equity business, shall be eligible to receive direct technical assistance prior to the application process to acquire the knowledge and/or skills necessary in order to gain entry to, and to successfully operate in, the regulated cannabis marketplace. Direct technical assistance includes:

A. One-on-one consulting and training, including direct interactions in group settings, to provide equity applicants and licensees the technical knowledge and expertise necessary to facilitate business ownership and employment in the cannabis industry.

B. Small business support services, professional mentorship services, training and education regarding state cannabis licensing and regulatory requirements, manufacturing assistance, financial management, and business resilience such as emer-

gency preparedness. (ORD-22-0015 § 4, 2022)

5.92.1645 Assistance available to equity businesses.

A sole equity applicant or group of equity applicants applying for an Adult-Use Cannabis Business Permit as an equity business, shall be eligible to receive the following assistance during the application process: expedited Adult-Use Cannabis Business Permit application review; Adult-Use Cannabis Business Permit application and compliance assistance; cultivation business license tax deferrals during the first year; expedited building plan check review; waivers of City permitting fees; and direct grants as provided by the State of California. (ORD-22-0015 § 4, 2022)

5.92.1650 Assistance per household.

Assistance as part of the Equity Program will only be provided to one (1) verified equity applicant per household. Assistance will not be provided to multiple equity applicants living within the same household and/or the equity applicant is listed as a dependent on another equity applicants tax filings. (ORD-22-0015 § 4, 2022)

5.92.1655 Equity business transfer of ownership requirements.

Equity Businesses are prohibited from transferring majority ownership interest to a non-equity applicant, for ten years after the issuance of the Adult-Use Cannabis Business License for that cannabis business. Exceptions may be granted by the City Manager, or their designee, for an extenuating circumstance preventing an equity applicant(s) from continuing to hold ownership in the Cannabis Business. (ORD-22-0015 § 4, 2022)

5.92.1660 Requirements for all Adult-Use Cannabis Businesses.

Adult-Use Cannabis Businesses that do not qualify for the Equity Program shall comply with the following requirements:

A. Employment.

1. Adult-Use Cannabis Businesses that do not qualify for the Equity Program shall employ equity employees for a minimum of forty percent (40%) of total annual work hours performed at the business. Upon a showing of good cause by an Adult-Use Cannabis Business, the City Manager may waive the employment requirement.

2. Compliance. To ensure compliance with this requirement, Adult-Use Cannabis Businesses shall submit certified payroll records to the City Manager at such frequency as determined by the City Manager. Adult-Use Cannabis Businesses that fail to meet this requirement may be subject to penalties pursuant to this Chapter, including but not limited to, suspension or revocation of the Adult-Use Cannabis Business Permit pursuant to Section 5.92.1540. To avoid penalties for noncompliance, a business may demonstrate that it utilized its best efforts to hire and employ individuals that meet the criteria in Section 5.92.1620.A by detailing all efforts made and affixing documents to support such efforts.

B. Support for equity businesses. Adult-Use Cannabis Business shall submit a Community Reinvestment and Small Business Incubation Plan to the City describing how they intend to support equity businesses, adjacent neighborhoods, and communities within the eligible social equity program census tracts. Support for equity businesses may include, but shall not be limited to, business plan guidance at the time of application, business operations consulting, and industry specific technical assistance, shelf space for cannabis goods cultivated or manufactured by equity businesses, or any other form of support by an Adult-Use Cannabis Business consistent with the intent and spirit of this Division.

C. Labor peace agreement. Any Adult-Use Cannabis Business with two (2) or more employees (as defined by California Business and Professions Code 26051.5(a)(5)) shall provide a statement at the time of application that the applicant will enter into, or demonstrate that it has already entered into, and abide by the terms of a labor peace agreement. (ORD-22-0015 § 4, 2022)

5.92.1665 Authority to develop and implement Equity Program.

The City Manager is authorized to make reasonable rules, policies, and procedures consistent

with the intent and spirit of this Division to develop and implement an administrative program for this Equity Program. Regulations promulgated by the City Manager become effective upon date of publication, unless specified otherwise. (ORD-22-0015 § 4, 2022)

DIVISION XII. DELIVERY-ONLY DISPENSARY OPERATING CONDITIONS

In addition to the general operating requirements set forth in Division III of this Chapter, this Division provides additional requirements for Delivery-Only Dispensaries.
(ORD-24-0024 § 4, 2024)

5.92.1710 Compliance.

Delivery-Only Dispensaries may sell, distribute, dispense, provide, deliver, or transport Cannabis, only in accordance with all applicable laws and regulations, including but not limited to, this Code, any regulations implemented by the Department of Cannabis Control, California Business and Professions Code Sections 26000 et seq., and all other applicable State, federal and local laws and regulations.
(ORD-24-0024 § 4, 2024)

5.92.1715 Hours of operation.

Delivery-Only Dispensaries may only conduct deliveries between the hours of 9:00 a.m. to 10:00 p.m. up to seven (7) days per week.
(ORD-24-0024 § 4, 2024)

5.92.1720 Point-of-sale tracking required.

A Delivery-Only Dispensary shall facilitate the dispensing, making available, sale, and delivery of cannabis goods with a technology platform that uses point-of-sale technology to track, and database technology to record and store, the following information for each transaction involving the exchange of cannabis goods between the Delivery-Only Dispensary and customer:

A. The date and time of transaction.

B. The first name and employee number of the Delivery-Only Dispensary employee who processed the sale of cannabis goods on behalf of the Delivery-Only Dispensary.

C. A list of all the cannabis goods purchased, including the quantity purchased.

D. The total amount paid for the sale, including the individual prices paid for cannabis or cannabis products purchased, and any amounts paid for taxes.
(ORD-24-0024 § 4, 2024)

5.92.1725 Taxes.

Transactions for Delivery-Only Dispensaries shall be taxed at the non-medical marijuana tax rate pursuant to Section 3.80.261.C.2 of this Code, unless the Dispensary is able to prove by reasonable and verifiable standards which portion of the gross receipts are tied to the sale of the adult-use cannabis goods and which portion are tied to the sale of medicinal cannabis goods.
(ORD-24-0024 § 4, 2024)

5.92.1730 Cannabis goods.

A. A Delivery-Only Dispensary shall not make any cannabis goods available for sale or delivery to a customer unless the cannabis goods were received from a State licensed Distributor.

B. Prior to making cannabis goods available to customers, Delivery-Only Dispensaries shall ensure that all cannabis goods dispensed, sold, delivered, or made available by the Delivery-Only Dispensary, at a minimum:

1. Are packaged and sealed in tamper-evident packaging that includes a unique identifier, such as a batch number and lot number or bar code, to identify and track the cannabis goods.

2. For manufactured cannabis products, that the product complies with all requirements of California Business and Professions Code Section 26130 and all other applicable laws and regulations.

3. The Dispensary has verified that the cannabis goods have not exceeded their expiration or sell-by date, if one is provided.

4. For edible cannabis product, that the products comply with State packaging and labeling requirements, including, but not limited to:

a. Edible cannabis products shall not exceed 10 milligrams of tetrahydrocannabinol (THC) per serving.

b. The THC content for the cannabis product in its entirety is printed on the package.

c. All applicable requirements pursuant to California Business and Professions Code Sections 26120 and 26121 and any regulations promulgated thereunder.

C. Secure storage of cannabis goods. Cannabis goods that are not used for immediate sale shall be stored in a limited-access area, such as a secure and locked room, safe, or vault, and in a manner reasonably designed to prevent diversion, theft, and loss.

D. Edible cannabis products.

1. Delivery-Only Dispensaries may only dispense, sell, provide, or make available those edible cannabis products authorized by the State Department of Public Health and the City Health Officer.

2. The sale, distribution, and delivery of edible cannabis products shall be conducted in a manner that complies with all applicable food safety laws for the protection of humans consuming cannabis.

E. No sales of expired cannabis products. Delivery-Only Dispensaries are prohibited from selling any expired cannabis goods. It is unlawful for any person to alter, edit, or adjust, in any manner, an expiration date on any item or cannabis product once affixed by its Manufacturer.
(ORD-24-0024 § 4, 2024)

5.92.1735 No free adult-use cannabis goods.

A Delivery-Only Dispensary shall not provide free adult-use cannabis goods to any person. A Delivery-Only Dispensary shall not allow individuals that are not employed by the Delivery-Only Dispensary to provide free adult-use cannabis goods to any person on the permitted premises. In this Section, "free adult-use cannabis goods" shall mean any amount of cannabis goods provided to any person without cost or payment in exchange of any other thing of value.
(ORD-24-0024 § 4, 2024)

5.92.1740 Delivery services.

In addition to the requirements set forth in this Chapter for Delivery-Only Dispensaries, the delivery of cannabis goods shall be subject to the following requirements:

A. Compliance. Delivery services shall be conducted in accordance with any relevant State and local laws and regulations, any applicable local laws in the delivery location, and any conditions imposed upon a Delivery-Only Dispensary.

B. No person shall conduct sales of cannabis goods exclusively by delivery, unless they are a verified equity business.

C. No Delivery-Only Dispensary shall open their site to the public or conduct any retail sales of any goods and services to any person on the Delivery-Only Dispensary site.

D. Any application for a Delivery-Only Dispensary shall include a statement as to whether the proposed use will include delivery of cannabis goods to customers.

E. Vehicle standards. A Delivery-Only Dispensary shall only allow delivery of cannabis goods in a vehicle that:

1. Is capable of securing (locking) the cannabis goods during transportation.

2. Is capable of being time and/or temperature controlled, if perishable cannabis goods are being transported.

3. Does not display advertising or symbols visible from the exterior of the vehicle that suggest the vehicle is used for cannabis delivery or affiliation with a Delivery-Only Dispensary.

4. Shall only be operated by the delivery employee of the Delivery-Only Dispensary.

5. Only the licensee or an employee of the Delivery-Only Dispensary licensee for whom delivery is being performed shall be in the delivery vehicle.

F. Inspections. Any motor vehicle used by a Delivery-Only Dispensary to deliver cannabis goods is subject to inspection by the City Manager or Chief of Police and may be stopped at the premises or during the delivery for inspection.

G. Delivery employees. Every delivery employee of a Delivery-Only Dispensary shall be at least twenty-one (21) years of age and shall have a valid California Driver's License.

H. Documentation during transport. Delivery employees of a Delivery-Only Dispensary shall carry a physical or electronic copy of the delivery request receipt with details regarding the delivery, a copy of the Delivery-Only Dispensary's current permits and/or licenses required by the State and City, the employee's government-issued identification, and an identification badge provided by the Delivery-Only Dispensary. All documentation shall be made available upon request to the City Manager or Chief of Police.

I. A Delivery-Only Dispensary shall maintain a database, and provide to the City Manager upon verbal or written request, a list of delivery employees and vehicles authorized to conduct deliveries on behalf of the Delivery-Only Dispensary.

J. Limitations.

1. While making deliveries, a Delivery-Only Dispensary's delivery employee shall not carry cannabis goods worth more than limits imposed by the State at any time. This value shall be determined using the current retail price of all cannabis goods carried by the delivery employee.

2. Direct route only. Except where a delivery employee requires rest, fuel, vehicle repair, or where the road conditions make the continued use of the road unsafe, impossible, or impracticable, a delivery employee may only travel to and from the Delivery-Only Dispensary, to the delivery address, and between delivery addresses while delivering cannabis goods.

3. Delivery-Only Dispensaries and delivery employees may only deliver cannabis goods to customers within a city or county that does not expressly prohibit such delivery by ordinance.

4. Consumption prohibited. No person shall consume or otherwise ingest cannabis goods, alcohol, any controlled substance, or intoxicants while transporting or delivering cannabis goods.

5. The Delivery-Only Dispensary shall prepare a delivery request receipt for each delivery of cannabis goods that shall include the following:

a. The name and address of the Delivery-Only Dispensary;

b. The first name and employee number of the Delivery-Only Dispensary's delivery employee who delivered the order;

c. The first name and employee number of the Delivery-Only Dispensary's employee who prepared the order for delivery;

d. The first name of the customer and a Delivery-Only Dispensary-assigned customer number for the person who requested the delivery;

e. The date and time the delivery request was made;

f. The delivery address;

g. A detailed description of all cannabis goods requested for delivery. The description shall include the weight, volume, or any other accurate measure of the amount of all cannabis goods requested;

h. The total amount paid for the delivery, including any taxes or fees, the cost of the cannabis goods, and any other charges related to the delivery; and

i. Upon delivery, the date and time the delivery was made, and the signature of the customer who received the delivery.

6. A vehicle used for the delivery of cannabis goods shall be outfitted with a dedicated Global Positioning System (GPS) device for identifying the geographic location of the delivery vehicle in compliance with all applicable State laws and regulations.

a. The dedicated GPS device must be owned by the Delivery-Only Dispensary and used for delivery only. A personal or business phone or tablet is not an acceptable GPS device.

b. The device shall be either permanently or temporarily affixed to the delivery vehicle, shall remain active, and inside of the delivery vehicle at all times during delivery.

c. At all times, the Delivery-Only Dispensary shall be able to identify the geographic location of all delivery vehicles that are making deliveries for

the Dispensary and shall provide that information to the City Manager or Chief of Police upon request. The history of all locations traveled to by a delivery employee while engaging in delivery shall be maintained by the licensee for a minimum of 90 days.

K. All cannabis and all cannabis products being delivered must be obtained from the site of the licensed Delivery-Only Dispensary that is authorized to deliver cannabis. No cannabis or cannabis products may be delivered from any other facility, such as a separate storage facility or a cannabis product manufacturing facility. Loading and unloading of cannabis products must only take place within the designated and approved secured loading area.

L. Deliveries Facilitated by Technology Platforms. A delivery license retailer shall not sell or otherwise transfer any cannabis goods to a customer through the use of an unlicensed third party, intermediary business, broker, or any other business or entity.

M. Delivery-Only Dispensary site buildings. A Delivery-Only Dispensary site must comply with the following requirements:

1. All entrances into the buildings on the Delivery-Only site must be locked at all times with entry controlled by the Delivery-Only Dispensary's managers and staff.

2. All areas in which cannabis or cannabis products are located in any building on the Delivery-Only Dispensary site must be separated from the main entrance and lobby, and must be secured by a lock accessible only to managers and staff of the Delivery-Only Dispensary.

3. Each Delivery-Only Dispensary shall have adequate storage space in a building for all its cannabis and cannabis products. The storage areas must not be shared with another delivery-only cannabis dispensary permittee, must be separated from the main entrance and lobby and must be secured by a lock accessible only to managers and staff of the Delivery-Only Dispensary.

4. Each Delivery-Only Dispensary site must ensure the secure transfer of cannabis or cannabis products between a vehicle and the restricted area in which the products are stored.
(ORD-24-0024 § 4, 2024)

5.92.1745 Responsible Vendor Training Pilot Program.

A. Purpose and Intent. Recognizing the potential harms and public health implications associated with cannabis use, the purpose of this Section is to promote public health and safety to reduce the likelihood of the problematic use of cannabis by proactively requiring that all customer-facing employees and managers of Delivery-Only Dispensaries learn the necessary skills to protect customers, the public, employees of the Delivery-Only Dispensary, and Delivery-Only Dispensaries through a Responsible Vendor Training Program.

B. Compliance. Every customer-facing manager and employee of a permitted Delivery-Only Dispensary shall enroll in the Department of Health and Human Services' standardized training for Delivery-Only Dispensaries within ninety (90) days of the establishment of the City's Responsible Vendor Training Pilot Program. Upon completion of such training, employees and managers shall receive written confirmation from the Department of Health and Human Services of successful completion of the program. Delivery-Only Dispensaries shall keep a copy of said written confirmation on the permitted premises for every customer-facing employee and manager.

C. New employees and managers. Any newly hired manager or employee of a permitted Delivery-Only Dispensary shall successfully complete the Responsible Vendor Training Pilot Program within sixty (60) days of said individual's first day of employment.

D. Renewal of Training. After initial successful completion of the Responsible Vendor Pilot Training Program, every manager and employee of a Delivery-Only Dispensary shall successfully complete the Responsible Vendor Training Pilot Program every twenty-four (24) months.

E. Online or in-person training is at the discretion of the Department of Health and Human

Services. Nothing in this Section shall prevent the City from becoming a training provider under any similar program for Delivery-Only Dispensaries implemented by the State.

F. Within three (3) years of the establishment of the program, the City Council will consider the available data and determine whether and how to continue the program. This Section shall remain in effect until revoked by the City Council. (ORD-24-0024 § 4, 2024)

DIVISION XIII. CANNABIS SPECIAL EVENTS

5.92.1810 Compliance.

Cannabis special events may be permitted only in accordance with all applicable laws and regulations, including but not limited to, this code, California Business and Professions Code Sections 26000 et seq., Department of Cannabis Control regulations including Code of California Regulations Title 4, Chapter 5, and all other applicable State, federal and local laws and regulations. (ORD-26-0006 § 4, 2026)

5.92.1815 Special Event Permit and Application.

A. The cannabis special event organizer must apply for a special event permit in accordance with Chapter 5.60 of this code, if the event is to take place in, on or upon any City street, sidewalk, alley, park, way, pier, public place, public property or public right-of-way which is owned or controlled by the City. However, the provisions of Paragraph B of Section 5.60.020 do not apply to any cannabis special event.

B. If the event is to take place on private property, the event organizer must apply for an occasional event permit in accordance with Section 5.72.130 of this code. (ORD-26-0006 § 4, 2026)

5.92.1820 Number of Special Event Permits Per Year.

The City Council may adopt a resolution, at its discretion, to designate the maximum number of cannabis special events permits that may be issued to each cannabis special event organizer each year. (ORD-26-0006 § 4, 2026)

5.92.1825 State Approval.

The cannabis special event organizer must obtain a Cannabis Event Organizer License and Temporary Cannabis Event License from the Department of Cannabis Control, in accordance with the California Code of Regulations, Title 4, Chapter 5. (ORD-26-0006 § 4, 2026)

5.92.1830 Temporary Waiver of Smoking in Public Spaces.

An authorized cannabis special event shall be exempt from the provisions of Chapter 8.68 - Smoking in Public Places of this code for the duration of cannabis special event. (ORD-26-0006 § 4, 2026)

5.92.1835 Local Retailer Requirements.

All sales of cannabis goods at cannabis special events shall only be conducted by a cannabis special event vendor. All gross receipts from cannabis special event sales must be reported to the City in accordance with Section 3.80.261(H) of this code. (ORD-26-0006 § 4, 2026)

5.92.1840 Equity Plan.

The cannabis special event organizer shall submit an Equity Plan as part of their special event permit application. The plan must outline how the organizer will support verified equity applicants and equity businesses. Support strategies may include, but are not limited to, the following:

A. Offer reduced event vendor fees, exhibitor fees, booth fees, or sponsor fees;

B. Display and sell cannabis products manufactured by verified equity businesses; and/or

C. Allocate vendor spaces for licensed equity dispensaries (retailers);

D. Provide mentorship opportunities during event day.

For purposes of this section, support for equity applicants and equity businesses may include

those verified in a different jurisdiction with a local equity program, as defined in Section 26240(e) of the California Business and Professions Code.

The City Manager may authorize an exemption to the Equity Plan requirement if the cannabis special event organizer is unable to meet one or more of the above requirements due to limited availability or participation from verified equity applicants or equity businesses, the cannabis special event organizer may submit a written justification detailing their outreach efforts and any barriers encountered. The City may, at its discretion, waive or modify the Equity Plan requirements on a case-by-case basis. (ORD-26-0006 § 4, 2026)

5.92.1845 Promotion of Responsible Cannabis Consumption.

The cannabis special event organizer shall be responsible for promoting responsible cannabis consumption and safe alternatives to driving, including ride-share options or designated drivers. Printed signage shall be posted in areas with high visibility at the cannabis special event. In addition to onsite signage, digital promotion shall be advertised in advance of the cannabis special event. (ORD-26-0006 § 4, 2026)

5.92.1850 Enforcement.

The City Manager is authorized to take the following actions, as applicable:

A. Require cannabis sales or consumption to cease, at any time during the event, to protect public health or safety and safeguard compliance with applicable State and City laws and regulations.

B. Require the cannabis special event organizer to expel an event participant if they are found selling cannabis, cannabis products, or cannabis-related accessories in a manner inconsistent with applicable State or City laws and regulations.

C. In addition to the above, a cannabis special event organizer and cannabis special event vendor are subject enforcement and penalties including, but not limited to, Division X of this Chapter and Chapter 5.60 of this code. (ORD-26-0006 § 4, 2026)

CHAPTER 5.93 GROCERY AND DRUG STORE STAFFING STANDARDS FOR SELF-SERVICE CHECKOUT STATIONS

5.93.010 Purpose.

It is in the public's interest to require grocery and drug stores to adopt effective preventative measures that will address the impacts on public health and safety that retail theft creates within the context of self-service checkout operations where theft commonly occurs but remains largely unchecked and underreported. Regulating the staffing of self-service checkout operations will address the hostile and unsafe working conditions for employees, and unsafe shopping environments for customers. (ORD-25-0010 § 1, 2025)

5.93.020 Short Title.

This ordinance shall constitute the "Self-Service Checkout Staffing Requirements." (ORD-25-0010 § 1, 2025)

5.93.030 Definitions.

For the purpose of this Ordinance:

"City" means the City of Long Beach.

"Customer" means an individual who buys consumer goods from a Drug Retail Establishment or Food Retail Establishment.

"Drug Retail Establishment" means a retail store that sells a variety of prescription and non-prescription medicines and miscellaneous items, including drugs, pharmaceuticals, sundries, fresh produce, meats, poultry, fish, deli products, dairy products, canned foods, dry foods, beverages, prepared foods, and other merchandise.

"Employee" means a worker employed directly by a hiring entity at a Drug Retail Establishment or Food Retail Establishment. Employee does not include managers, supervisors or confidential employees.

"Food Retail Establishment" means a retail store that is either: (1) over fifteen thousand (15,000)

square feet in size and sells primarily household foodstuff for offsite including fresh produce, meats, poultry, fish, deli products, dairy products, canned foods, dry foods, beverages, baked foods and/or prepared foods (other household supplies or products are secondary to the primary purpose of food sales); or (2) over eighty-five thousand (85,000) square feet and with ten percent (10%) of their sales floor area dedicated to the sale of non-taxable merchandise including the sale of fresh produce, meats, poultry, fish, deli products, dairy products, canned foods, dry foods, beverages, baked foods and/or prepared foods.

"Non-Self-Service Checkout station" means a station that is not a Self-Service Checkout and at which an employee provides human assistance to a customer for scanning, bagging, and/or accepting payment for the customer's purchases.

"Self-Service Checkout" means the automated processes that enable customers to scan, bag, and pay for their purchases without human assistance, including, but not limited to, fixed self-checkout, scan-and-go self-checkout, or mobile self-checkout.

"Self-Service Checkout station" means a station at a fixed location within a Drug Retail Establishment or Food Retail Establishment at which a customer can engage in a Self-Service Checkout for the customer's purchases. (ORD-25-0010 § 1, 2025)

5.93.040 Self-Service Checkout requirement.

A. Drug Retail Establishments and Food Retail Establishments that provide Self-Service Checkout options shall provide at least one Non-Self-Service Checkout station staffed by an Employee that is available during the times that a Self-Service Checkout option is available to customers, and Drug Retail Establishments and Food Retail Establishments shall establish, implement, and advertise limits to Self-Service Checkout to purchases of no more than fifteen (15) items.

B. Drug Retail Establishments and Food Retail Establishments shall have an established workforce policy that prohibits customers from using a Self-Service Checkout station to purchase either of the following:

1. Items that require customers to provide a form of identification, including, but not limited to, alcohol and tobacco products.

2. Items subject to special theft-deterrent measures that are affixed to the item, including, but not limited to, electronic article surveillance, ink, or other tags, or items placed in locked cabinets, that require the intervention of an Employee to remove them before purchase.

C. Drug Retail Establishments and Food Retail Establishments shall notify the public of this Ordinance by prominently posting signage in a location accessible to customers, which includes either a link or QR code to the City of Long Beach website regarding this Ordinance, a summary of the public's rights under this Ordinance, and enforcement options available to the public.

D. Self-Service Checkout stations shall be located to enable observation and surveillance from both employees of Drug Retail Establishments and Food Retail Establishments and local law enforcement. (ORD-25-0010 § 1, 2025)

5.93.050 Self-Service Checkout staffing requirement.

A. Drug Retail Establishments and Food Retail Establishments that provide Self-Service Checkout options shall assign at least one (1) Employee to supervise the Self-Service Checkout operation at all times that Self-Service Checkout is in operation during business hours. The assigned Employee shall have no other work responsibilities that would interfere with their ability to maintain direct visual inspection and surveillance of the Self-Service Checkout operations.

B. In the event a Drug Retail Establishment or Food Retail Establishment operates two (2) or more Self-Service Checkout stations, the Drug Retail Establishment or Food Retail Establishment shall maintain a staffing ratio of at least one (1) Employee for every three (3) Self-Service Checkout Stations (1:3 ratio). The manner in which this standard is implemented may take into account

operational and logistical feasibility. (ORD-25-0010 § 1, 2025)

5.93.060 Enforcement.

A. Any Customer or Employee of a Drug Retail Establishment or Food Retail Establishment may bring a private right of action in the Superior Court of the State of California against a Drug Retail Establishment or Food Retail Establishment for violating this Chapter and, upon prevailing, may be awarded:

1. A civil penalty for each violation of this Chapter of one hundred dollars ($100) for each employee of the Drug Retail Establishment or Food Retail Establishment. Each day the violation is not cured, the penalty shall increase an additional one hundred dollars ($100) per employee per day up to a limit of one thousand dollars ($1,000) per employee per day for each day in which the violation remains uncured.

2. Attorneys' fees and costs. (ORD-25-0010 § 1, 2025)

5.93.070 Retaliatory action prohibited.

No Drug Retail Establishment or Food Retail Establishment shall terminate, reduce in compensation, or otherwise discriminate against any Employee for seeking to enforce their rights under this Chapter by any lawful means, for participating in proceedings related to this Chapter, for opposing any practice proscribed by this Chapter, or for otherwise asserting rights under this Chapter. (ORD-25-0010 § 1, 2025)

5.93.080 Severability.

If any section, subsection, sentence, clause or phrase of this Ordinance or Chapter is for any reason held to be invalid or unconstitutional by a court of competent jurisdiction, such a decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have adopted this Ordinance, and each and every section, subsection, sentence, clause and phrase thereof not declared invalid or unconstitutional, without regard to whether any portion of the Ordinance would be subsequently declared invalid or unconstitutional. (ORD-25-0010 § 1, 2025)

CHAPTER 5.94 RESERVED*

CHAPTER 5.95 THIRD-PARTY FOOD DELIVERY SERVICE FEES†

5.95.010 Purpose.

The use of third-party food delivery platforms is widespread throughout the City of Long Beach. In addition to fees that may be charged to the customer, the food delivery platforms also charge fees to restaurants. These restaurants have limited bargaining power to negotiate lower fees with the food delivery platforms and must accept these fees or risk closure. Restaurants are essential to the public health and welfare, and additionally help the local economy by providing jobs and serving as commercial anchors in neighborhoods across the City of Long Beach. This ordinance places a fifteen percent (15%) cap on the fees a food delivery platform may charge restaurants for basic delivery and listing services, while allowing food delivery platforms to charge additional fees to restaurants for additional services. (ORD-26-0008 § 1, 2026)

5.95.020 Definitions.

A. "City" means the City of Long Beach.

B. "Delivery Fee" means a fee charged by a Third-Party Food Delivery Service for providing a Retail Food Establishment with a service that delivers food and beverages from such establishments to customers. The term does not include any other fee or cost that may be charged by a Third-Party Delivery Service to a Retail Food Establishment, such as fees for listing, marketing,

†**Editor's note**—ORD-26-0008 § 1, adopted April 21, 2026, amended Ch. 5.95 in its entirety to read as herein set out. Former Ch. 5.95, §§ 5.95.010—5.95.050, pertained to similar subject matter, and derived from ORD-21-0005(Emerg.) § 1, 2021.

or advertising the Retail Food Establishment on the Third-Party Food Delivery Service platform or fees related to processing the Online Order.

C. "Online Order" means an order placed by a customer through or with the assistance of a platform provided by a Third-Party Food Delivery Service, including a telephone order, for delivery or pick-up within the City.

D. "Purchase Price" means the price, as listed on the menu of the Retail Food Establishment, for the items contained in an Online Order, minus any applicable coupon or promotional discount provided to the customer by the Retail Food Establishment through the Third-Party Food Delivery Service. This definition does not include taxes, gratuities, and any other fees or costs that may make up the total amount charged to the customer of an Online Order.

E. "Core delivery service" means a service that: (1) lists a Retail Food Establishment, and makes the Retail Food Establishment discoverable, on all modalities or platforms offered by a Third-Party Food Delivery Service, including but not limited to any website, mobile application, or other internet service where a Third-Party Food Delivery Service lists Retail Food Establishments, and (2) facilitates and/or performs the delivery (through employees or independent contractors of the Third-Party Food Delivery Service and/or such establishments) of food and/or beverages from Retail Food Establishments to customers. Core delivery service does not include any other service that may be provided by a Third-Party Food Delivery Service to a Retail Food Establishment, including but not limited to advertising services, search engine optimization, business consulting, or credit card processing.

F. "Retail Food Establishment" means a restaurant, delicatessen, bakery, coffee shop, or other eat-in or carry-out service of processed or prepared raw and ready-to-eat food or beverages.

G. "Third-Party Food Delivery Service" means any website, mobile application, or other internet service that offers or arranges for the sale of food and beverages prepared by, and the delivery or pick-up of food and beverages from, Retail Food Establishments located in the City. (ORD-26-0008 § 1, 2026)

5.95.030 Prohibitions.

A. No Third-Party Food Delivery Service may charge a Retail Food Establishment a fee, commission, or charge per online order that totals more than fifteen percent (15%) of the total Purchase Price of the Online Order.

B. No Third-Party Food Delivery Service may charge a Retail Food Establishment a fee, commission, or charge that exceeds fifteen percent (15%) of the total Purchase Price of Online Orders to that Retail Food Establishment processed through the Third-Party Food Delivery Service during the time period covered by the fee, commission, or charge.

C. Beginning on January 1, 2026, the fee limits in subsections (A) and (B) of this Section 5.95.030 shall not apply to a Third-Party Food Delivery Service that does both of the following:

1. offers all Retail Food Establishments the option to obtain core delivery service for a total fee, commission, or charge not to exceed 15% of the Purchase Price of the Online Order, without requiring the purchase of additional services; and

2. no later than December 1, 2026, notifies all Retail Food Establishments that have an existing contract with the Third-Party Delivery Service of the option described in subsection (C)(1).

D. Contracts between a Third-Party Food Delivery Service and a Retail Food Establishment shall clearly define the fees, commissions, or charges associated with contracted services. For example, if a Retail Food Establishment enters into a contract with a Third-Party Food Delivery Service for core delivery service only, that contract shall clearly state a fee, commission, or charge of 15% of the Purchase Price for core delivery service.

E. It shall be unlawful for a Third-Party Food Delivery Service to charge a Retail Food Establishment any amount designated as a Delivery Fee for an Online Order that does not involve the delivery of food or beverages.

F. It shall be unlawful for a Third-Party Food Delivery Service to charge a customer any Pur-

chase Price for a food or beverage item that is higher than the price set by the Retail Food Establishment on the Third-Party Food Delivery Service platform or, if no price is set by the Retail Food Establishment on the Third-Party Food Delivery Service platform, the price listed on the Retail Food Establishment's own menu.

G. It shall be unlawful for a Third-Party Food Delivery Service to reduce the compensation rates paid to the Third-Party Food Delivery Service drivers, or to garnish gratuities, as a result of any fee limitations instituted by this section. (ORD-26-0008 § 1, 2026)

5.95.040 Required disclosures.

At the time a final price is disclosed to a customer for the intended purchase and delivery of food from a restaurant through a Third-Party Food Delivery Service and before that transaction or Online Order is completed by the customer, the Third-Party Food Delivery Service shall disclose to the customer, in plain language and in a conspicuous manner, any commission, fee, or any other monetary payment charged to the customer by the Third-Party Food Delivery Service. (ORD-26-0008 § 1, 2026)

5.95.050 Enforcement.

Each day that a violation continues shall constitute a separate and distinct offense. A violation of this Chapter is subject to the following:

A. An action in the Superior Court of the State of California to recover actual damages resulting from a violation of this Chapter.

B. Reasonable attorneys' fees and costs awarded by a court to a plaintiff that prevails in an action against a Third-Party Food Delivery Service. If a plaintiff fails to prevail against a Third-Party Food Delivery Service, a court may award reasonable attorneys' fees and costs to the Third-Party Food Delivery Service upon a determination by the court that the plaintiff's action was frivolous.

C. A civil action alleging a violation of any provision of this article shall commence only after the following requirements have been met:

1. Written notice is provided to the Third-Party Delivery Service of the provisions of the Chapter alleged to have been violated and the facts to support the alleged violation; and

2. The Third-Party Food Delivery Service is provided at least 15 days from the date of the written notice to cure any alleged violation.

D. A criminal penalty for each offense pursuant to Chapter 1.32 of this Code. (ORD-26-0008 § 1, 2026)

5.95.060 Scope of Ordinance.

In enacting this Ordinance, the City Council intends to amend only those words, phrases, paragraphs, subsections, sections, articles, numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal Code that are explicitly shown in this ordinance as additions, deletions, City Council amendment additions, and City Council amendment deletions in accordance with the "Note" that appears under the official title of the ordinance. (ORD-26-0008 § 1, 2026)

CHAPTER 6.04 ANIMAL SHELTER*

6.04.010 Established.

There shall be provided a suitable enclosure or place for the purpose of keeping and safely holding animals impounded, which shall be designated as the animal shelter; provided, that one (1) or more suitable enclosures or places may be provided for the purpose of keeping and safely holding animals impounded, which places shall be designated as branches of the City animal shelter and shall be included within the meanings of the words animal shelter wherever the name may appear in this Title. (ORD-09-0022, § 2, 2009)

6.04.020 Director designated.

Whenever in this Title 6 of the Long Beach Municipal Code the words "Director" or "Director of Animal Care Services Bureau" are used, they shall mean the Director of Animal Care Services Bureau of the Department of Health and Human Services or his/her designee. (ORD-09-0022, § 2, 2009)

6.04.025 Person responsible—Defined.

Whenever in this Title 6 of the Long Beach Municipal Code, the words "person responsible" are used, they shall mean any person owning, having a proprietary interest in harboring or having the care, charge, control, custody or possession of an animal. (ORD-09-0022, § 2, 2009)

6.04.030 Impoundment—Authority.

The Director shall take up, impound and safely keep any and all of the animals enumerated in this Chapter and found running at large, pastured, herded, staked or tied in any street, park, or other public place, or upon any private property, in violation of any of the provisions of this Title 6. (ORD-09-0022, § 2, 2009)

6.04.040 Impoundment—Duty.

It shall be the duty of the Director and of every Police Officer to take up and deliver to the animal shelter any animal, regulated pursuant to Title 6 of the Long Beach Municipal Code, found to be at large, loose and/or unattended, by a person responsible for that animal, upon any public or private property within the City in violation of any of the provisions of this Title 6. (ORD-09-0022, § 2, 2009)

6.04.050 Impoundment—Care of animals.

The Director shall safely keep all animals, regulated pursuant to Title 6 of the Long Beach Municipal Code, impounded at the animal shelter and shall furnish the same all necessary food and water, and shall give the same ordinary attention as may appear to be reasonably required for the welfare of such animals. (ORD-09-0022, § 2, 2009)

6.04.060 Voluntary impoundment.

The person responsible for an animal may, with the consent of the Director, place the custody of such animal with said official for the purpose of obtaining his/her assistance in procuring a new owner for the animal under such terms and conditions as that official, in his/her sole and absolute discretion, shall determine. The act of the person responsible in so placing the custody of the animal with the Director shall, in no event and under no circumstances, obligate that official of the City to procure a new owner for the animal and, in the event such official so determines, the animal may be destroyed and disposition made of the carcass. By placing the animal in the custody of the Director in accordance with this Section, the person responsible thereof relinquishes and conveys to the City all his/her right, title and interest in and to the animal and to the proceeds of any sale of the animal thereafter made, and neither the City, nor the official shall be required to make an accounting for any such proceeds. If the Director elects to accept the custody of the animal, he/she shall require the person responsible thereof to evidence in writing his/her knowledge and acceptance of the provisions of this Section. Notwithstanding

Former Ch. 6.04, §§ 6.04.010—6.04-120 pertained to similar subject matter and derived from Prior code §§ 5610, 5610.1, 5610.10, 5610.40—5610.48; Ord. C-5403 §§ 3—5, 1978; Ord. C-5645 § 1 (part), 1980; Ord. C-5808 § 1, 1982; Ord. C-6147 § 1, 1985; and Ord. C-6530 § 1, 1988.

anything in this Section to the contrary, in the event the Director has not procured a new owner for the animal and the same has not been destroyed, the person so placing the animal in custody may redeem and reclaim it from the custody of the City upon the payment of a fee established by the City Council by resolution. The person responsible for the unwanted animal may deliver the animal to the animal shelter subject to a fee determined by the City Council by resolution, or, in the alternative, the person responsible may request that a representative of the Animal Care Services Bureau pick up the animal at a fee established by the City Council by resolution. (ORD-09-0022, § 2, 2009)

6.04.070 Impoundment—Disposal.

Upon the impounding of any animal, the Director shall immediately notify the person responsible thereof, if known, to redeem the animal within five (5) days following the date of impoundment; and unless timely redeemed, the Director shall sell the animal at public or private sale, at such price as he/she may deem reasonable. At the time of sale of any impounded animal, the purchaser shall pay a spay and neuter fee established by the City Council by resolution. All such fees shall be deposited in the City of Long Beach Animal Care Services Bureau Spay and Neuter Trust Account. In the event a purchaser cannot be obtained for any animal, the Director shall destroy such animal and dispose of the carcass. The Director may, without waiting for such five (5) day period to elapse, cause any impounded animal to be destroyed when he/she reasonably determines that such animal is unfit for further use by reason of its having been injured, having become infected with a dangerous or communicable disease, having become incurably crippled or having become infirmed on account of advanced age. The Director may likewise so destroy any impounded animal upon receiving the written, telephonic, or verbal directive from a duly licensed veterinarian that such animal is afflicted with a painful and incurable disease. (ORD-09-0022, § 2, 2009)

6.04.080 Impoundment—Redemption.

The person responsible for any impounded animal, regulated pursuant to Title 6 of the Long Beach Municipal Code, shall have the right to redeem and to take possession of the animal at any time prior to the sale or destruction thereof upon payment to the Director of the costs and charges incident to the impounding, taking and keeping thereof, and upon satisfactory proof of the ownership and right to possession of the animal. As an incident to the redemption of any dog, the person responsible shall also pay the license tax plus any penalty, determined by the City Council by resolution, for any dog for which a license tag has not been issued for the current year, and shall also provide satisfactory evidence of compliance with Section 6.12.110. (ORD-09-0022, § 2, 2009)

6.04.090 Redemption—Microchips.

When the Director determines that an impounded animal is without microchip identification, in addition to the requirements set forth in Section 6.04.080, the person responsible shall, prior to redemption, pay a fee at his/her own expense to have microchip identification implanted into the animal. The Director shall provide the person responsible with a written statement confirming that a microchip, approved by the Animal Care Services Bureau, has been implanted by the Director's designee only after the procedure is complete. The identifying microchip information shall be maintained by the Animal Care Services Bureau. Fees for impounding animals shall be those established by the City Council by resolution. (ORD-09-0022, § 2, 2009)

6.04.100 lnterference with officers or shelter.

No person shall conceal or attempt to conceal, remove/retrieve or attempt to remove/retrieve any animal regulated pursuant to Title 6 from the Director, or from any other officer authorized to enforce any of the provisions of this Title 6, while engaged in the capture or in conveying to the animal shelter any such animal, or to interfere in any manner with said persons in the performance

of any duty incident to their office, or to conceal or attempt to conceal, remove/retrieve or attempt to remove/retrieve any animal which has been impounded in the animal shelter. (ORD-09-0022, § 2, 2009)

CHAPTER 6.08 DOG AND CAT LICENSING*

6.08.010 License—Required.

A. Dog license. No person responsible for any dog shall have such dog, male or female, over the age of four (4) months, within the City without at all times having upon such dog a collar or harness to which shall be securely fastened a tag as provided in this Chapter. Said tag may be issued at any time during the calendar year and may be issued for a period of twelve (12) months. The tag shall be obtained from the Director, inscribed with the letters and words "LONG BEACH" and with the serial number of the tag. The tax shall be sufficient only during the period for which the tag is issued.

B. Cat license. No person responsible for any cat shall have such cat, male or female, over the age of four (4) months, within the City without at all times having upon such cat either a tag as provided in Subsection B.1. below, or a microchip as provided in Subsection B.2. below.

1. Tag. The tag shall be securely fastened to a collar or harness as provided in this Chapter. Said tag may be issued at any time during the calendar year and may be issued for a period of twelve (12) months. The tag shall be obtained from the Director, inscribed with the letters and words "LONG BEACH" and with the serial number of the tag. The tag shall be sufficient only during the period for which the tag is issued.

2. Microchip. In place of the tag and collar described in Subsection B.1. above, a person responsible for a cat may instead ensure that the cat bears an identifiable microchip. For the purposes of this Chapter, the term "microchip" shall mean the injection of an identification chip below the skin of an animal performed by a veterinarian, registered veterinary technician or other qualified staff. The person responsible for such cat shall obtain an annual license at such times and in the manner as specified in Section 6.08.030. (ORD-10-0017, § 1, 2010)

6.08.015 Penalty.

A. Violation of, or failure to comply with any provision of Chapter 6.08 of this Code constitutes a criminal offense punishable as an infraction for the first offense, and a misdemeanor for any subsequent offense committed within a twelve-month period, with criminal penalties set forth in Chapter 1.32 of this Code.

B. In addition to criminal penalties, persons who violate any provision of this Chapter may be assessed administrative fines and penalties established pursuant to Chapter 6.16 of this Code. (ORD-10-0017, § 1, 2010)

6.08.020 Annexed territory—County license acceptable.

It shall not be necessary for a person who is a resident of any area at the time the area is annexed to the City and who at said time is a person responsible for a dog or cat for which a license fee has been paid and a dog or cat license issued under and by virtue of the ordinances of the County to obtain a license for the animal as is provided in Section 6.08.010, except that after the effective date of an annexation such person shall cause the dog or cat to have upon it a collar, harness or similar device to which shall be attached the County dog or cat license tag or such other official indicia as is issued by the County, or, in the case of a cat, a microchip; but such person shall be subject to all provisions of Section 6.08.010, from and after the expiration date of the County dog or cat license. (ORD-10-0017, § 1, 2010)

***Editor's note—**ORD-10-0017 § 1, adopted June 15, 2010, amended Ch. 6.08 in its entirety to read as herein set out. Former Ch. 6.08, §§ 6.08.010—6.08-080, was entitled "Dog Licensing", and derived from: Prior code §§ 5610.12—5610.20; Ord. C-5403 §§ 1, 2, 1978; Ord. C-5528 § 1, 1979; Ord. C-5645 § 1 (part), 1980; Ord. C-5721 § 1, 1981; Ord. C-6096 § 1 (part), 1984; Ord. C-6876 § 2, 1991; and ORD-09-0022, § 3 adopted Aug. 4, 2009.

State law reference—Provisions on the licensing of dogs, Food and Agric. Code § 30501 et seq.

6.08.030 License —Issuance—Records.

A. Tags for dogs or cats. The Director is authorized and directed to procure on an as needed basis such quantity of tags as may be required for dogs and cats in the City, which tags shall be plainly inscribed as set forth in this Chapter, and shall be valid for only the period for which they are issued. The Director shall furnish such tags to the person(s) responsible for dogs and cats in the City for fees which shall be established by the City Council by resolution for each unaltered dog and for each altered dog whose spaying or neutering is verified by a certificate from a licensed veterinarian and for each altered cat. The Director shall keep a register, wherein shall be entered the name of every person to whom a dog or cat tag has been issued, together with the serial number, and the period for which it is valid, the date of issuance, the address of applicant, and any other data deemed pertinent. Such tag shall be good only for use upon the dog or cat described in such application.

B. Microchipped cats. The Director shall issue a certificate of license, which shall be valid for only the period for which it is issued. The Director shall furnish such licenses to the person(s) responsible for cats in the City for fees which shall be established by the City Council by resolution for each microchipped cat. The Director shall keep a register, wherein shall be entered the name of every person to whom a license has been issued, together with the microchip number and the period for which the license is valid, the date of issuance, the address of applicant, and any other data deemed pertinent. Such license shall be good only for use upon the cat described in such application. (ORD-10-0017, § 1, 2010)

6.08.040 License—Late penalty.

Penalties, which shall be established by the City Council by resolution, shall be added to the license fees established by the City Council by resolution for dogs and cats, if the required tag for a dog or cat is secured more than sixty (60) days subsequent to the required renewal date; provided, that no penalty shall be added for the securing of any license secured within sixty (60) days after the date on which the dog or cat for which the license is secured becomes subject to the provisions of this Chapter, nor shall any penalty be added for a license secured within sixty (60) days after the applicant becomes the person responsible for the dog or cat for which the license is bought. (ORD-10-0017, § 1, 2010)

6.08.050 Tag—Replacement.

In case of loss or destruction of any tag required by the provisions of this Chapter, a duplicate shall be issued by the Director upon request and upon the payment of the fee established therefore by the City Council by resolution. (ORD-10-0017, § 1, 2010)

6.08.060 Exemptions.

No license fee or tax shall be required for the issuance of a tag for any dog owned as a guide dog, signal dog and/or service dog, as those terms are currently defined in California Penal Code Section 365.5 or as may be amended in the future. The Director shall annually issue tags free of charge to persons responsible for having the custody and control of such dogs. (ORD-10-0017, § 1, 2010)

6.08.070 License—Counterfeit prohibited.

No person shall imitate or counterfeit any tag, license, receipt or registration certificate required or issued pursuant to this Chapter or use any imitation or counterfeit of any such tag, license, receipt or certificate. (ORD-10-0017, § 1, 2010)

6.08.080 Exhibit of receipt or license required.

No person responsible for any dog or cat subject to license under this Chapter shall refuse to show upon demand to the Director, any Animal Care Services Bureau enforcement officer or inspector, or any Police Officer, the City license or the license tag for any duly registered dog or cat. (ORD-10-0017, § 1, 2010)

6.08.090 Unaltered cats—License prohibited.

No license shall be issued for an unaltered cat pursuant to this Chapter, unless the cat is certified

by a licensed veterinarian as not being suitable for spaying or neutering due to health reasons pursuant to Section 6.16.085. (ORD-10-0017, § 1, 2010)

CHAPTER 6.12 RABIES CONTROL*

6.12.010 Rabies report responsibility.

Whenever a person responsible for a dog or other animal observes or learns that such dog or animal shows symptoms of rabies, or acts in a manner which would lead to a reasonable suspicion that the dog or animal may have rabies, that person shall immediately notify the Health Officer, and it shall be the duty of the Health Officer, when called upon, to examine or have examined the dog or animal and to ascertain whether or not the dog or animal is afflicted with rabies, and no person responsible for such dog or animal shall fail, refuse or neglect to notify the Health Officer. (ORD-09-0022, § 4, 2009)

6.12.020 Suspected infection.

Whenever the Director, or any other person, captures a dog or any other animal suspected of having rabies, he/she shall deliver the same to the animal shelter or shall confine the same in some safe place and shall immediately report the same to the Health Officer, and it shall be the duty of the Health Officer, when called upon, to examine or cause to be examined any such dog or other animal and to ascertain whether or not any such dog or animal is afflicted with rabies. (ORD-09-0022, § 4, 2009)

6.12.030 Refusal to report prohibited.

No person responsible for any dog or other animal showing symptoms of rabies, or that acts in a manner which would lead to a reasonable suspicion that such dog or animal may have rabies, or whenever it is shown that any dog or other animal has bitten any person, shall refuse or fail to submit such dog or animal to inspection or examination by the Health Officer or his/her representative in order to ascertain whether or not such dog or animal is afflicted with rabies. (ORD-09-0022, § 4, 2009)

6.12.040 Dog or other animal bite—Report.

Any person having knowledge that any dog or other animal has bitten any person shall immediately and without delay advise the Director or the Police Department of such fact, furnishing such information as he/she may possess relative to the identity of the animal, the person responsible for the animal and the person bitten. (ORD-09-0022, § 4, 2009)

6.12.050 Dog or other animal bite—Identification of animal.

Upon receipt of a report as described in Section 6.12.040, the Director shall undertake all measures necessary to the identification of the subject dog or other animal and the person responsible for the dog or other animal and upon the identification of the dog, or other animal, or person responsible, or both, shall inform the Health Officer thereof. (ORD-09-0022, § 4, 2009)

6.12.060 Dog or other animal bite—Quarantine.

A. Upon written order of the Health Officer or his/her authorized representative so directing any person responsible for a dog or other animal having bitten any person shall cause the animal to be kept in strict quarantine in a closed, fenced yard, kennel or animal shelter for a period of ten (10) days and shall permit the Health Officer or his/her authorized representative to inspect or examine the dog or other animal at any time during the period.

B. The Health Officer shall have the power, in his/her discretion, to quarantine the animal in the animal shelter. (ORD-09-0022, § 4, 2009)

6.12.070 Dog or other animal bite—Quarantine order.

A. Upon the issuance of a written order of quarantine as described in Section 6.12.060, the

person to whom such order is directed shall permit the Health Officer or his/her authorized representative to post a printed or written notice of the quarantine order upon or about the premises wherein the subject dog or other animal is confined.

B. No person shall obscure, deface, render illegible or remove the posted notice during the quarantine period. (ORD-09-0022, § 4, 2009)

6.12.080 Dog or other animal bite—Redemption from animal shelter.

Whenever any dog or other animal is quarantined in the animal shelter for inspection, examination or observation for rabies, and at the expiration of the period of quarantine, the dog or other animal is determined by the Health Officer or his/her representative to be free from said disease, then the Director shall immediately cause the person responsible for the dog or animal, if known, to be notified to redeem the dog or other animal from the animal shelter within the time and in the same manner provided for the redemption of other impounded dogs or animals. The person responsible for any animal which has been quarantined in the animal shelter shall pay to the Director the boarding fee established by the City Council by resolution for the period the animal is held under quarantine in the animal shelter. If the dog or other animal is not redeemed after the period of such quarantine within the time specified for redemption of impounded animals, then the dog or other animal shall be disposed of in the same manner provided for the disposition of other impounded dogs or animals. (ORD-09-0022, § 4, 2009)

6.12.090 Impoundment of diseased animals.

If it appears to the Health Officer or his/her representative that any dog or other animal has rabies, it shall be his/her duty to immediately quarantine the dog or other animal at the animal shelter, subject to his/her further orders, or to notify the Director to destroy such animal and dispose of its carcass. (ORD-09-0022, § 4, 2009)

6.12.100 Contact with rabid animal.

Every dog or other animal which has been bitten by a rabid dog or other rabid animal, or which has come in contact or consorted with a rabid dog or other rabid animal, or which has been harbored in the same home, apartment, kennel or part of any premises with a rabid dog or other rabid animal, shall be kept isolated and under quarantine for ninety (90) days in a veterinary hospital approved by the Health Officer, or surrendered to the Director to be destroyed. (ORD-09-0022, § 4, 2009)

6.12.110 Inoculation—Required.

No person responsible for any dog or cat shall permit a dog or cat four (4) months of age or older to be in the City unless such person has procured a canine anti-rabies vaccine for the dog or a feline anti-rabies vaccine for the cat from a State licensed veterinarian unless:

A. Such dog or cat is less than four (4) months of age; or

B. Such dog or cat is in a state of health that inoculation at the time would be hazardous to the life of the dog or cat, as evidenced by the written, dated and signed statement of a licensed veterinarian, and approved by the authority of the Health Officer. Such statement shall provide exemption from the requirements of this Section for a maximum period of one (1) year. The Health Officer shall not authorize the endorsement of the statement for any period of time unless the illness of the dog or cat requires it. (ORD-10-0017, § 2, 2010; ORD-09-0022, § 4, 2009)

6.12.120 Inoculation—Certificate.

Every person responsible for a dog or cat in the City, whenever such dog or cat is required to be inoculated by the provisions of Section 6.12.110, shall have such dog or cat inoculated against rabies by a licensed veterinarian. The inoculation by any person licensed to practice veterinary medicine in the State, or in the event the dog or cat is inoculated in any State other than California, then the inoculation by any person authorized or permitted by such State to practice veterinary medi-

cine, shall be deemed to be inoculated by a licensed veterinarian. The Health Officer shall, at such intervals of time as he deems necessary, provide for the rabies inoculation of such dog or cat upon payment of a fee established therefore by the City Council by resolution. The Health Officer shall issue to such person a certificate of inoculation, signed under the authority of the Health Officer, stating thereon the breed and description of the dog or cat, the date of the inoculation, and the type of vaccine used. (ORD-10-0017, § 3, 2010; ORD-09-0022, § 4, 2009)

6.12.130 Inoculation—Required for license issuance.

Every person responsible for any dog or cat, and who is required by the provisions of Chapter 6.08 to secure a license tag for such dog or cat, shall provide evidence satisfactory to the licensing authority of compliance with Section 6.12.110. A certificate of inoculation or a statement of health containing the information required by Sections 6.12.110 and 6.12.120, signed under the authority of the Health Officer and a licensed veterinarian, shall be deemed satisfactory evidence of compliance with Section 6.12.110. No dog or cat license shall be issued unless and until the requirements of this Section are fulfilled. (ORD-10-0017, § 4, 2010; ORD-09-0022, § 4, 2009)

6.12.140 Inoculation—Record.

The Director shall, at the time a dog or cat license is issued, record on the register, provided for by Section 6.08.030, the date of inoculation, the type of vaccine used, or the reason no vaccine was used. (ORD-10-0017, § 5, 2010; ORD-09-0022, § 4, 2009)

6.12.150 Rabies vaccination certificates.

Every person practicing veterinary medicine in the City of Long Beach who vaccinates a dog or cat with rabies vaccine shall issue to the person responsible to whom he or she delivers the dog or cat the original certificate and to the Director of the Animal Care Services Bureau of the City of Long Beach a copy of every rabies immunization certificate issued by such veterinarian. The certificate should contain the following:

A. Name, address and telephone number of the person responsible for the dog or cat;

B. A description of the dog or cat, including breed, color, sex and age;

C. The date of rabies immunization;

D. The type of rabies vaccine administered;

E. The name of the manufacturer and the lot number of the vaccine used;

F. The veterinarian's name, address and telephone number either stamped, printed or typed on the certificate;

G. The signature of the veterinarian who administered the vaccine or the signature of a person authorized by the veterinarian to sign the certificate. (ORD-10-0017, § 6, 2010; ORD-09-0022, § 4, 2009)

CHAPTER 6.16 ANIMAL REGULATION*

6.16.010 Livestock—Running at large—Distance from habitation.

No person responsible for any ox, steer, bull, cow, calf, horse, mare, stallion, colt, jack, mule, sheep or hog, shall permit the same, of any thereof, to run at large or pasture, herd, stake, tie or stable any thereof in any of the streets, avenues, places, lanes, alleys, parks or other public places in the City, or tie, stake, pasture, stable, or otherwise keep any thereof upon any private property in the City so as to permit any thereof to approach nearer than one hundred feet (100') to any building used or occupied or designed for use and occupancy as a residence for human habitation other than such building so occupied by the person responsible for any such animal, and other than such building, the occupant of which continues his or her consent to the closer approach of any such animal. (ORD-15-0017, § 1, 2015; ORD-09-0022, § 5, 2009)

***State law reference**—Provisions on animal regulation, Food and Agric. Code § 16301 et seq.

6.16.020 Livestock—Driving in street.

No person shall drive or conduct along any street, avenue, place, lane, alley, park or other public place any ox, steer, bull, cow, calf, horse, stallion, colt, jack, mule, sheep, goat or hog without having such animal or animals enclosed in some conveyance or tied or otherwise attached to some person or vehicle in such manner that such animal or animals cannot run at large or enter upon private property, or drive or conduct a herd or any number of such animals along any street or other public place without obtaining a written permit therefore from the Director, and such permit shall be granted only upon the applicant therefore depositing with the Director a fee established by the City Council by resolution. (ORD-09-0022, § 5, 2009)

6.16.030 Dangerous animals—Permit required.

No person shall have, keep, maintain, or have in possession or under control, within the City, any elephant, bear, hippopotamus, rhinoceros, lion, tiger, leopard, wolf, reptile, serpent or any dangerous or carnivorous wild animal without first applying to and receiving from the Animal Care Services Bureau a permit so to do. (ORD-09-0022, § 5, 2009)

6.16.040 Dangerous animals—Permit issuance.

The Director is invested with the authority to issue permits for the keeping or maintaining of any of the animals, reptiles or serpents enumerated and described in Section 6.16.030 to any person when, in the opinion of the Director, any such animal or animals, serpents or reptiles may be kept or maintained without menacing the safety of any person or property; provided, however, that the Director may require any such animal or animals, serpents or reptiles to be properly caged or tethered, and may make and issue additional rules and regulations regulating the keeping or maintaining of any such animals, reptiles or serpents, and may revoke any such permit for the violation of any other provisions of this Chapter or any of the rules and regulations issued by the Director, or when, in his or her opinion, the safety of any person or property is menaced by the keeping of any such animal. (ORD-09-0022, § 5, 2009)

6.16.050 Selling animals on public place.

No person shall sell, offer or display for sale, barter or give any live animal to any person on any public street or other public place within the City other than a person maintaining a fixed place of business wherein such animals are sold. (ORD-09-0022, § 5, 2009)

6.16.060 Animal shop—Location restricted.

No person shall establish, conduct or maintain any store or place of business in which dogs, cats, guinea pigs, mice, rats or other domestic pets are legally sold or kept for sale, or carry on the business of dealing in any of such animals within fifty feet (50') of any residence, dwelling house, hotel, theater, or within five hundred feet (500') of any schoolhouse or church, unless such person has been issued a permit to breed at a residence under Section 6.16.190 of this Chapter. (ORD-09-0022, § 5, 2009)

6.16.061 Animal shop—Report of sales to City.

Every person who owns, operates or maintains an animal shop, as described in Section 6.16.060, shall report to the Director the name and address of the purchaser of every dog sold by the animal shop, along with the breed, age and description of the animal, on forms provided by the City. The report shall be transmitted to the Director no later than ten (10) days from the date of sale. The shop may charge a fee of up to one dollar ($1.00) to the purchaser to cover the cost of the report. (ORD-09-0022, § 5, 2009)

6.16.062 Animal shop—Animal sales.

A. No person or animal shop shall engage in the sale, barter, giving away, or transferring of dogs, cats, or rabbits unless the person or animal shop sells, barters, gives away, or transfers:

1. A dog or cat bred and reared within the City in compliance with Section 6.16.190;

2. A dog, cat, or rabbit obtained from a publicly operated animal shelter; or

3. A dog, cat, or rabbit obtained from a private humane society or duly incorporated organization devoted to the rescue, care, and adoption of stray, abandoned, or surrendered dogs, cats, and/or rabbits.

B. Nothing in this Section shall prevent an animal shop from providing space and appropriate care for dogs, cats, and rabbits harbored by an animal shelter or duly incorporated organization devoted to the rescue, care, and adoption of stray, abandoned, or surrendered dogs, cats, and/or rabbits for the purpose of engaging in the retail sale of those animals.

C. Certificate of source.

1. An animal shop shall post in a conspicuous place, on or within three (3) feet of each animal's kennel, cage, or enclosure, a certificate of source for each dog, cat, or rabbit offered for sale demonstrating the dog, cat, or rabbit was obtained in compliance with this Section.

2. Upon sale or transfer, the animal shop shall provide a copy of the certificate of source to the purchaser or transferee.

D. Temporary exemption. Unless otherwise extended by the City Council, the provisions of this Section shall not be applicable until October 1, 2015. (ORD-15-0008, § 2, 2015)

6.16.070 Herding on unenclosed private property.

No person, as principal, agent, employee, or otherwise, shall herd any of the animals mentioned in this Chapter on any unenclosed private property. (ORD-09-0022, § 5, 2009)

6.16.080 Breeding prohibited.

No person, as principal, agent, employee or otherwise, shall breed any dog, cat or other animal at any place within the City, except as provided in Section 6.16.190 of this Chapter. "Breeding" shall be deemed to have occurred upon the production of offspring, whether such offspring result from sexual activity or artificial insemination, and whether such sexual activity was intentional or the result of improper confinement. (ORD-09-0022, § 5, 2009)

6.16.085 Unaltered dogs and cats prohibited.

A. No person responsible for a cat over the age of four (4) months or a dog over the age of six (6) months shall allow such cat or dog to remain unaltered except as described in Subsection 6.16.085.B.

B. Exceptions to the spay or neuter requirements identified in Subsection 6.16.085.A are:

1. A dog or cat that is incapable of breeding, as determined in accordance with Subsection 6.16.085.C.

2. A dog or cat that is medically unsuited to undergo a spay or neuter procedure, as determined in accordance with Subsection 6.16.085.C.

3. A dog that is undergoing or has received appropriate training and certification by a recognized agency, if such certification is available, and will be or is utilized or is retired from use:

a. By a law enforcement agency for law enforcement activities;

b. By a search and rescue agency for search and rescue activities;

c. As a service animal, such as a guide animal, hearing animal, assistance animal, seizure alert animal, or social/therapy animal approved by the Animal Care Services Bureau; or

d. As breeding stock for dogs described in Subsection 6.16.085.B.3 by a recognized agency or organization approved by the Director.

e. For each of the above, the owner shall provide proof to the satisfaction of the Director with each application for a new or renewal license.

4. A dog or cat harbored by a public shelter, humane society, or similar organization, whether public or private, the principal purpose of which is securing the adoption of dogs or cats, provided that such organization requires the spaying or neutering of all dogs and cats placed for adoption by such organization.

5. A dog that is a breed approved by and registered with a national or international breed registry or association which, at a minimum, requires identification of the breed, date of birth,

names of registered sire and dam, the name of the breeder and recordkeeping relating to breeding, transfer of ownership. The owner shall provide verified proof to the satisfaction of the Director with each application for a license.

6. A dog which is undergoing training to or currently is trained to compete or be used for herding of other animals, or as a livestock guardian dog, or a dog designated as breeding stock for these purposes by a recognized agency or organization approved by the Director. The owner shall provide proof to the satisfaction of the Director with each application for a new or renewal license.

C. Qualification for exemption. For purposes of the exemptions set forth in Subsections 6.16.085.A and 6.16.085.B, a dog or cat is:

1. Incapable of breeding if a licensed veterinarian has so certified in writing.

2. Medically unsuited to undergo a spay or neuter procedure if a licensed veterinarian has certified in writing, that a spay or neuter procedure would likely cause the animal's death or substantially aggravate a physical condition of the animal. The certification shall indicate the medical basis for the exemption and whether the unsuitability is temporary or permanent. If temporary, the certificate shall indicate the period of time the unsuitability is anticipated to last. For an exemption to apply beyond that period, a new certificate must be obtained.

D. Temporary exemption.

1. Unless otherwise extended by the City Council, the provisions of this Section shall not be applicable until October 1, 2015.

2. An unaltered dog or cat that has a valid license from the Animal Care Services Bureau shall not be subject to this Section until the license lapses, or October 1, 2015, whichever occurs last. (ORD-15-0008, § 1, 2015; ORD-09-0022, § 5, 2009)

6.16.090 Dogs prohibited on beaches or schoolgrounds.

A. Except as provided in Section 6.16.310 of this Chapter, no person responsible for a dog shall permit such dog to be upon any beach or public school ground within the City.

B. Notwithstanding the provisions of Subsection A. of this Section or Section 16.16.010 of this Chapter, no person responsible for any dog(s) and/or other animal(s) shall permit such animal(s) to be on a beach bike path, beach immediately adjacent to the bike path, and/or on other beach locations within the City unless:

1. The animal is authorized to be present pursuant to a special event permit issued by the City pursuant to Chapter 5.60 of this Code which permit contains terms and conditions governing indemnification, supervision, cleanup and control relating to the presence of dogs and/or other animals at such special events; and/or

2. The animal is deemed a guide dog, signal dog and/or service dog, as those terms are currently defined in California Penal Code Section 365.5 or may be amended in the future. (ORD-09-0022, § 5, 2009)

6.16.100 Dog leash required.

A. No person responsible for a dog shall permit such dog to do any of the following, unless the dog is upon a secure leash not more than six feet (6') long held continuously in the hands of a responsible person capable of controlling the dog, or unless the dog is securely confined within an automobile:

1. Be in or upon any public street, sidewalk, improvement, park or other public place, or private property if the private property is open or accessible to the public; or

2. Enter upon another person's property without permission.

B. This Section shall not apply to any such person who is in possession or operating within the terms of a valid, unrevoked permit from the City for the conduct of obedience or other types of trial or show of dogs in or upon any public place.

C. This Section shall not apply to person responsible for a dog in a fenced dog exercise area in a City park, or portion of a City park, approved and designated for that purpose by the City Council.

D. A person responsible for a dog shall comply with the following regulations and limitations applied to all dog exercise areas identified in Subsection C. of this Section:

1. Designated off-leash exercise areas will be open from 6:00 a.m. to 10:00 p.m.

2. As a condition of admission to such dog exercise areas, the person responsible for such dog(s) shall use a suitable container or instrument to remove dog feces and shall dispose of it in waste containers for that purpose.

3. Aggressive dogs are not permitted. Persons responsible for such dogs are legally responsible for any injury caused by their dog(s)

4. Any dog(s) which has been declared vicious under Section 6.16.250 of this Chapter, or any other state law or local ordinance, is not permitted. Persons responsible for such dogs are legally responsible for any injury caused by their dog(s).

5. All persons responsible for dogs must keep their dogs under visual and voice control at all times.

6. Dogs shall not be left unattended.

7. Dogs under four (4) months old are not permitted.

8. All dogs must have current vaccinations and licenses.

9. Female dogs in estrus (heat cycle) are not permitted.

10. Professional dog trainers may not use the dog exercise areas to conduct classes or individual instruction.

11. Professional dog handlers and walkers shall have a City business license.

12. Children shall be accompanied by an adult and shall not run, shout, scream, wave their arms, or otherwise excite or antagonize dogs.

13. Bicycles, rollerblades, roller skates, skateboards, strollers and the like, are not permitted. Wheelchairs and other aids for the disabled are permitted.

14. Spiked collars on dogs are not permitted.

15. A person responsible for a dog must have in his/her possession a leash for the dog which shall be worn by the dog at all times that the dog is not in the exercise areas.

16. A person responsible for a dog shall otherwise comply with all rules governing the parks and relevant parking regulations.

17. Use of the exercise areas by any person responsible for a dog shall constitute implied consent of that person to all regulations and shall constitute a waiver of liability to the City of Long Beach and an agreement to protect, defend, indemnify, and hold harmless the City of Long Beach, its officials and employees for any injury or damage caused by a dog when the dog is not on its leash.

18. No person shall play any team sport including, but not limited to, football, baseball, soccer, rugby and volleyball within the exercise area. The use of a frisbee is permitted.

E. A person responsible for a dog may be deemed to have violated Subsection A. of this Section, when the violation was not committed in the presence of the Director or Animal Care Services Bureau enforcement officer(s) or inspector(s) if three (3) or more persons have submitted, within a one (1) year period, declarations signed, under penalty of perjury, that the violation(s) was committed in their presence. (ORD-09-0022, § 5, 2009)

6.16.110 Dog noise—Prohibited.

No person responsible for a dog shall permit such dog to bark, howl, whine and/or make other loud and unusual noises, whether within a building or enclosure, tied, or otherwise confined, or while at large upon any public street, sidewalk, improvement, park or other public place, or private property, which disrupts the public peace or which causes discomfort or annoyance to any reasonable person of normal sensitiveness residing in the area. (ORD-09-0022, § 5, 2009)

6.16.120 Dog noise—Enforcement.

When the Director or his/her enforcement officer(s) and/or inspector(s) determine that a person responsible for a dog has violated Section 6.16.110 of this Code, such Animal Care Services Bureau personnel are authorized to:

A. Direct the person responsible for the dog to immediately terminate the actions of the dog that are causing the loud noise;

B. Issue a written notice to the person responsible that if, within a twelve (12) month period following the initial response. Animal Care Services Bureau personnel are again required to respond to the same person responsible for violating Section 6.16.110 of this Code, a criminal and/or administrative citation will be issued pursuant to Chapters 1.32 and 6.16 of this Code; and

C. Issue criminal and/or administrative citations to the person responsible for recurrent violations of Section 6.16.110 of this Code within a twelve (12) month period. (ORD-09-0022, § 5, 2009)

6.16.130 Food business—Keeping animals prohibited.

No person shall keep any dog or other animal in any bakery, restaurant, lunch stand, or other

place of business wherein food or foodstuffs are served or sold. (ORD-09-0022, § 5, 2009)

6.16.140 Food business—Permitting animal at large prohibited.

No person responsible for any dog or any other animal shall permit the same to run at large in any place where food or foodstuffs are served, displayed, and offered for sale or shall permit any dog or any other animal to come in contact with any food products intended for human consumption in any such place of business where food or foodstuffs are served, displayed or offered for sale. (ORD-09-0022, § 5, 2009)

6.16.150 Food business—Allowing animal on-premises prohibited.

No owner, operator, manager or employee of any place of business where food or foodstuffs are served, displayed or offered for sale shall permit any dog or any other animal on such premises or in such place of business. (ORD-09-0022, § 5, 2009)

6.16.160 Possession without owner's consent.

No person, without the consent of the person responsible for a dog, cat or other domestic animal, shall hold or retain in his or her possession such dog, cat or other animal legally owned as a domestic pet within the City for any period longer than twenty-four (24) hours unless such person reports the same, with the true description thereof, to the Director. (ORD-09-0022, § 5, 2009)

6.16.170 Dog and cat hospital—Location.

No person shall erect, construct, establish or maintain any dog hospital, cat hospital, or dog and cat hospital, outside of industrial districts, as defined by the zoning provisions of this Code, as the same now is or may hereafter be. (ORD-09-0022, § 5, 2009)

6.16.180 Dog and cat hospital—Defined.

The terms "dog hospital", "cat hospital" and "dog and cat hospital", as used in this Chapter, mean and include any place where dogs or cats, or both, are received and kept, or either, for the purpose of treating such animals for any disease or injury. (ORD-09-0022, § 5, 2009)

6.16.190 Restricted dog breeding and dog and cat transfer.

A. No person, as principal, agent, employee or otherwise, shall establish or maintain any dog kennel for breeding purposes, keep any dog for breeding purposes, or breed any dog which is owned, harbored or kept within the City, without first applying to and receiving a breeding permit to do so from the Department of Health and Human Services, Animal Control Division. "Breeding" shall be deemed to have occurred upon the production of a litter, whether such litter results from sexual activity or artificial insemination, and whether such sexual activity was intentional or the result of improper confinement.

B. The application for a breeding permit shall be filed by all of the persons responsible for both dogs to be bred, including persons who may reside outside of the City, and shall contain such information as is requested by the City, including without limitation the following:

1. A complete description of the nature and extent of the breeding to be conducted and for which application is made, including the breed of dogs proposed to be bred;

2. The address of the location at which breeding will occur and, if different from the breeding address, the address of the location at which the litter shall be whelped;

3. The name and address of the applicant(s);

4. A statement by the applicant(s) stating that each applicant(s) owns either of the dogs to be bred and that there are no other owners;

5. A statement by the applicant(s) stating that at least one (1) of the litter is intended to be offered for sale;

6. Evidence that the dogs to be bred do not have the same sire or dam;

7. Evidence that the dam to be bred is at least two (2) years old and not older than seven (7) years old;

8. A copy of a valid certificate of health for the dam;

9. Evidence that both dogs to be bred have electronic animal identification devices implanted;

10. Written authorization to breed and/or whelp from the owner(s) of the properties at which the dogs will be bred and/or whelped, if such owners are not the applicant(s);

11. A statement by the applicant(s) stating that the applicant(s) have reviewed and will comply with all applicable rules and regulations regarding breeding and keeping animals on private property;

12. Such other information as may be required by the Director, consistent with the purposes of this Chapter, this Code and applicable law.

C. The Chief of Police and/or Director shall conduct a background check of any applicant(s) for a breeding permit. The City shall not issue a breeding permit to any applicant for whom the Chief of Police or Director determines the background to be unacceptable. Breeding permits shall not be issued to applicant(s) who are under the age of eighteen (18), or who have violated this Section, Sections 6.16.080, 6.16.110, and/or 21.51.210 of this Code, or any of Sections 596 through 599 of the California Penal Code, or to persons responsible for dogs which have been declared vicious under Section 6.16.250 of this Chapter or otherwise have previously bitten any person, or to persons responsible for any breed of dog which is disproportionately responsible for dog bite complaints within the City, or to persons responsible for any breed of dog which is disproportionately euthanized within the City. Breeding permits shall not be issued for the purposes of breeding any dog breeds that are not recognized by the American Kennel Club (or any other organization determined by the Director to be a generally recognized leading national breeding organization) and shall not be issued for the purpose of mixing breeds.

D. Prior to processing the application, the Director shall receive the required breeding permit application fee, and such application fee shall be nonrefundable. The breeding permit application fee shall be determined by the City Council by resolution. After processing the application but prior to issuing a breeding permit, the Director shall receive the required breeding permit fee, and such permit fee shall be nonrefundable. The breeding permit fee shall be determined by the City Council by resolution. The following dogs are exempt from both the application fee and breeding permit fee requirements but are subject to the other requirements of this Section to the extent such requirements do not conflict with State or federal law:

1. Dogs documented as having been appropriately trained and actively used by law enforcement agencies for law enforcement or rescue activities, the offspring of which are to be used for the same purposes.

2. Dogs documented as guide, signal or service dogs pursuant to the California Penal Code or the California Business and Professions Code, the offspring of which are to be used for the same purposes.

E. The breeding permit shall be valid for one (1) year and shall not be transferable or assignable from one (1) person or entity to another or from one (1) household to another household, and only one (1) breeding permit shall be issued per year, per household, regardless of how many dogs or persons may reside in such household.

F. Once permitted by the City, the breeding permittee shall comply with each of the following operating restrictions:

1. Only one (1) litter per year, per dog per household may be whelped.

2. Proper shelter shall be provided for all dogs and litters. "Proper shelter" shall be defined as an enclosure with four (4) walls, a roof and a raised floor which adequately protects from exposure to cold, heat and water, and which gives access to an enclosed yard or other open outdoor space.

3. Clean and reasonably temperate water shall be provided to all dogs at all times.

4. Nutritious food sufficient to properly nourish the dame and her litter shall be provided.

5. Dogs' living quarters and yards shall be properly maintained at all times, including without limitation, removal of feces and urine to prevent odors from entering surrounding areas.

6. Dogs shall be kept in a manner which prevents barking from disturbing occupants or users of surrounding areas.

7. Births shall be reported to the Director within ten (10) days of their occurrence.

8. No offspring shall be sold or otherwise transferred, whether for compensation or otherwise, until it has reached the age of eight (8) weeks, has been immunized against common diseases and has been issued a certificate of health.

9. All offspring must have an electronic animal identification device implanted before the age of eight (8) weeks.

G. No person shall sell or transfer, for compensation or otherwise, any dog or cat within the City, without first applying to and receiving a transfer permit to do so from the Department of Health and Human Services, Animal Care Services Bureau. Persons responsible for a dog who have received a breeding permit under this Section shall not be required to apply for a transfer permit under this Section. One (1) transfer permit shall be issued per litter, unless the applicant for a transfer permit operates a pet store or is a validly incorporated Section 501(c)(3) animal rescue organization, in which case the transfer permit shall be issued annually.

H. The application for a transfer permit shall be filed by all of the persons responsible for the dogs or cats to be transferred, and shall contain such information as is requested by the City, including without limitation the following:

1. The name and address of the breeder(s) of the dogs or cats to be transferred or offered for transfer, or if unknown, evidence that the applicant is a validly incorporated Section 501(c)(3) animal rescue organization;

2. The address of the location at which the dog or cat litter was whelped, or if unknown, evidence that the applicant is a validly incorporated Section 501(c)(3) animal rescue organization;

3. Such other information as may be required by the Director consistent with the purposes of this Chapter, this Code and applicable law.

I. Prior to processing the application, the Director shall receive the required transfer permit application fee, and such application fee shall be nonrefundable. The transfer permit application fee shall be determined by the City Council by resolution. After processing the application but prior to issuing a transfer permit, the Director shall receive the required transfer permit fee, and such permit fee shall be nonrefundable. The transfer permit fee shall be determined by the City Council by resolution. The following dogs and/or applicant(s) are exempt from both the application fee and transfer permit fee requirements but are subject to the other requirements of this Section to the extent such requirements do not conflict with State or federal law:

1. Dogs documented as having been appropriately trained and actively used by law enforcement agencies for law enforcement or rescue activities, the offspring of which are to be used for the same purposes;

2. Dogs documented as guide, signal or service dogs pursuant to the California Penal Code or the California Business and Professions Code;

3. Validly incorporated Section 501(c)(3) animal rescue organizations.

J. The following provisions shall apply to the sale, adoption or other transfer of dogs and cats, whether or not a transfer permit is required under this Section:

1. Any person who offers or provides any dog or cat for sale or transfer, whether for compensation or otherwise, shall disclose to the transferee in writing, information regarding the dog's or cat's immunization history and the license and permit requirements of the City applicable to the transferred animal.

2. No person shall sell or otherwise transfer any dog without such dog having an electronic animal identification device implanted, which such device shall identify the breeding permit number under which the dog was bred or the transfer

permit number, as applicable, and a description of the transferred dog including the breed, gender, color and age.

3. No person shall see or otherwise transfer any dog or cat without reporting the name, address and phone number of the transferee to the Director within ten (10) business days of the transfer.

4. Any advertisement to the public regarding the availability of any dog which was bred within the City for sale or transfer, whether for compensation or otherwise, shall prominently display the breeding permit number.

5. Any advertisement to the public regarding the availability of any dog or cat for sale or transfer, which was bred outside the City, whether for compensation or otherwise, shall prominently display the transfer permit number.

6. No person shall give away any dog or cat as a prize or as an inducement to enter into any contest, lottery, drawing, auction, game or competition.

7. No person shall give away any dog or cat as an inducement to enter a place of business, or to enter into a business arrangement.

8. No person shall sell, barter, exchange or offer for adoption, whether for compensation or otherwise, any dog or cat to any minor under the age of eighteen (18).

9. Proper shelter shall be provided for all dogs and cats to be transferred.

10. Clean and reasonably temperate water shall be provided to all dogs and cats at all times.

11. Nutritious food sufficient to properly nourish the dog or cat shall be provided.

12. Dogs' and cats' living quarters and yards shall be properly maintained at all times, including without limitation, removal of feces and urine to prevent odors from entering surrounding areas.

13. Dogs shall be kept in a manner which prevents barking from disturbing occupants or users of surrounding areas.

14. A valid business license shall be required for all transfers made for compensation.

K. Employees of the Animal Care Services Bureau shall have the right to inspect, on more than one (1) occasion, the property of any permittee used for breeding, whelping or holding any animals during reasonable hours and without advance notice.

L. Failure of any person to comply with all terms and conditions of the breeding permit or the transfer permit and applicable law shall be grounds for the revocation or suspension of such breeding permit or transfer permit and shall be grounds for denial of future breeding and/or transfer permits.

M. Possession of a valid breeding or transfer permit under this Chapter does not entitle the permittee to engage in an activity which is otherwise prohibited by law. (ORD-09-0022, § 5, 2009)

6.16.200 Defecation—Removal required.

A. No person responsible for any animal shall permit such animal to defecate on any public sidewalk, street, improvement, park or other public place, or on any private property without the consent of the owner of such private property, unless such person responsible for the animal removes any such defecation to a proper trash receptacle.

B. When the Director or his/her enforcement officer(s) and/or inspector(s) determine that a person responsible for a dog has violated Subsection A. of this Section 6.16.200, such Animal Care Services Bureau personnel are authorized to:

1. Direct the person responsible for the animal to immediately remove and dispose of the defecation to a proper trash receptacle;

2. Issue a written notice to the person responsible that if, within a twelve (12) month period following the initial response. Animal Care Services Bureau personnel are again required to respond to the same person responsible for violating Subsection A. of this Section 6.16.200, a criminal and/or administrative citation will be issued pursuant to Chapters 1.32 and 6.16 of this Code; and

3. Issue criminal and/or administrative citations to the person responsible for recurrent violations of Subsection A. of this Section 6.16.200 within a twelve (12) month period. (ORD-09-0022, § 5, 2009)

6.16.210 Enforcement.

A. The Director along with Animal Care Services Bureau enforcement officers and inspectors shall have the duty to enforce the sections included in this Chapter, and all other chapters included in Title 6, and are authorized, pursuant to the California Penal Code, Section 836.5, to arrest persons and to prepare, issue and deliver to any such arrested person written notice to appear in court for any violation or violations of any section or sections in Title 6 of this Code. Additionally, those employees of the City holding the classified positions of park district supervisor and park crew supervisor employed by the Department of Parks and Recreation and those employees holding the classified position of security officer employed in the Department of Parks and Recreation shall have the duty to enforce Sections 6.16.100 and 6.16.200 and are authorized, pursuant to California Penal Code, Section 836.5, to arrest persons and to prepare, issue and deliver to any such arrested person written notice to appear in court and to release such person from custody upon receiving from such person their written promise to appear in court for any violation or violations of Sections 6.16.100 or 6.16.200.

B. Notwithstanding the provisions of Subsection 6.16.210.A of this Section, those employees holding the position of fire captain, marina agent, marine safety officer, marine safety sergeant, marine safety battalion chief, and security officer, shall have the duty to enforce Sections 6.16.090, 6.16.100, 6.16.110, 6.16.200 and 6.16.310, and are authorized, pursuant to California Penal Code, Section 836.5, to arrest persons and to prepare, issue and deliver to any such person arrested written notice to appear in court and to release such person from custody upon receiving from such person their written promise to appear in court for any violation or violations of Sections 6.16.090, 6.16.100, 6.16.110, 6.16.200 and 6.16.310.

C. Nothing in this Section is intended to operate either in addition to or in contravention of Title 3, Chapter 4.5, of the Penal Code which expressly designates those persons who are classified as peace officers.

D. Further, nothing in this Section is intended to or shall operate to change or shall have the effect of changing the status of the officers and employees authorized to act pursuant to this Section from public or miscellaneous officers and employees to individual peace officers or safety members or classes of peace officers or safety members for purposes of retirement, workers' compensation or similar injury or death benefits or any other employee benefit or benefits to which said officer or employee would not have been entitled as a public or miscellaneous officer or employee prior to the adoption of this Section.

E. Any person who violates any provision of Title 6 of the Long Beach Municipal Code may also be issued an administrative citation by the Director or Animal Care Services Bureau enforcement officers or inspectors, in addition to any criminal penalties that may be assessed under Title 6 and Chapter 1.32 of this Code.

F. Each and every day a violation exists constitutes a separate and distinct offense.

G. Civil fines shall be assessed by means of administrative citations and shall be payable directly to the City of Long Beach Animal Care Services Bureau.

H. Administrative fines for violations of Chapters 6.04 Animal Shelter, 6.08 Dog Licensing, 6.12 Rabies Control, 6.20 Fowl, Rabbits and Goats, 6.28 Police Animals and/or 6.16 Animal Regulation shall be assessed as follows:

1. A fine for each initial violation, in an amount established by the City Council by resolution;

2. A fine for each instance of a second violation of the same Code section within one (1) year from the date of the first violation, in an amount established by the City Council by resolution; and

3. A fine for each additional violation of the same Code section within one (1) year from the date of the first violation, in an amount established by the City Council by resolution. (ORD-24-0020 § 1, 2024; ORD-09-0022, § 5, 2009)

6.16.220 Animal sale refunds.

In the event the Director determines after the sale of an animal by the Animal Care Services

Bureau that the animal bites or destroys property, or that an examining veterinarian has determined that the animal is ill and there are sufficient facts and circumstances which indicate that the illness was incurred by the animal prior to the sale, the Director may authorize the refund of the purchase price, inoculation fee, licensee fee, and any other fees or charges paid by the purchaser to the Animal Care Services Bureau in connection with the sale of the animal; provided, that the purchaser of the animal files a written request for the refund with the Animal Care Services Bureau within fifteen (15) days after the date of the sale of the animal. (ORD-09-0022, § 5, 2009)

6.16.230 Manure removal required.

A. Manure must be removed from private stables at least once in seven (7) days. During the time manure from private stables is allowed to remain on the premises the same must be kept covered with close screen wire to prevent the breeding of flies therein. When the amount of manure from any private stable equals one (1) cubic yard it shall not be allowed to remain longer than one (1) day.

B. Stables or yards where more than four (4) horses or mules are kept shall be cleaned and refuse removed daily. (ORD-09-0022, § 5, 2009)

6.16.240 Dead animal disposal.

The carcass of any dead horse, cow, mule or donkey not slaughtered for human food shall be removed and disposed of by the owner of the carcass. (ORD-09-0022, § 5, 2009)

6.16.250 Vicious animals—Defined.

A. "Vicious animal" is any animal which bites or attempts to bite any human or animal without provocation, or which has a disposition or propensity to attack, bite or menace any human or animal without provocation and endangers the health and safety of any person.

B. Any animal while on the premises of the person responsible for that animal which bites or attempts to bite a person or other animal that is unlawfully on such premises, or which has been provoked or teased, or which is otherwise performing its duties as a police dog, shall not be deemed to be a vicious animal. (ORD-09-0022, § 5, 2009)

6.16.260 Impoundment of vicious animal.

A. Any law enforcement officer or Animal Care Services Bureau enforcement officer or inspector of the City shall have the authority summarily and immediately to impound a dog or other animal where there is evidence it is vicious within the meaning of this Chapter.

B. Whenever necessary to make an inspection to enforce any of the provisions of this Chapter, such official may enter private property at all reasonable times to inspect same or to perform any duty imposed by this Chapter; provided, that if such private property is occupied, such official shall first present proper credentials and demand entry. If entry is refused, or if the owner or other person having control of such property is not present to permit entry, such official shall have recourse to every remedy provided by law to secure entry at a later time.

C. Any person responsible for such dog or other animal subject to being impounded who fails to surrender the animal to such official upon demand shall be guilty of a misdemeanor and/or be subject to administrative fines and penalties set forth in Section 6.16.210.

D. If the dog or other animal cannot be safely taken up and impounded, it may be destroyed forthwith by such law enforcement officer or Animal Care Services Bureau enforcement officer or inspector. (ORD-09-0022, § 5, 2009)

6.16.270 Vicious animal hearing.

A. "Hearing Officer" means an individual who has been designated by the City Manager to adjudicate vicious animal determination hearings.

B. Where there exists evidence sufficient to give rise to the suspicion that a dog or other animal falls within the provisions of Subsection 6.16.250.A., the Director shall cause a public hearing to be conducted for the purpose of determining whether the dog or other animal is a vicious animal. The Director shall notify the person re-

sponsible for the animal of the time and place for the hearing during which he/she may present evidence as to why the animal should not be declared vicious. Each party shall be given the opportunity to present any evidence relevant to the issue. The Hearing Officer may find, by a preponderance of evidence, such dog or other animal to be a vicious animal, and may impose additional orders authorized by Section 6.16.290 of this Chapter.

C. The hearing shall be conducted not less than five (5), nor more than ten (10) business days after notice was served or deemed to have been served upon the person responsible for the animal.

D. Any person responsible for a dog or other animal determined to be vicious shall be guilty of a misdemeanor and/or be subject to administrative fines and penalties set forth in Section 6.16.210. (ORD-09-0022, § 5, 2009)

6.16.280 Disposition of vicious animals.

Any dog or other animal declared to be a vicious animal may, at the discretion of the Director, be humanely destroyed. Such humane destruction shall occur no earlier than ten (10) days following written notice given to the person responsible for such animal of the intention to destroy. (ORD-09-0022, § 5, 2009)

6.16.290 Issuance of rules and regulations—Summary destruction.

A. The Director, if he or she elects not to destroy a vicious animal, may issue certain rules and regulations pertaining to the keeping and containing of such animal.

B. If the person responsible for such vicious dog or other animal is thereafter determined to be in violation of any rule or regulation as made pursuant to Subsection A. of this Section, such animal shall be impounded and thereafter subject to summary destruction no earlier than ten (10) days following written notice given to the person responsible for the animal of the intention to destroy.

C. Any person responsible for a vicious dog or other animal who violates and/or knowingly permits such animal to violate any rule and/or regulation set forth pursuant to Subsection A. of this Section shall be deemed guilty of a misdemeanor and/or be assessed administrative fines and penalties pursuant to Section 6.16.210 of this Code. (ORD-09-0022, § 5, 2009)

6.16.300 Liability for charges.

The person responsible for a dog or other animal impounded pursuant to this Chapter shall be liable for any and all of the prevailing board and keep charges incurred by the City's Animal Care Services Bureau. (ORD-09-0022, § 5, 2009)

6.16.310 Dog exercise area on the beach.

Notwithstanding any other ordinance or rules of the City of Long Beach, dogs may be permitted, during the below-mentioned times of day, on that part of the beach of the City of Long Beach bounded between Granada Avenue (the eastern boundary) and Roycroft Avenue (the western boundary) from the water line to the designated boundary markers located approximately sixty (60) yards from the water line (the northern boundary) to be designated by appropriate posting by the Department of Parks, Recreation and Marine. Dogs are permitted on this designated part of the beach for the purpose of exercise. The hours that dogs may be so on the beach shall be set at the discretion of the Director of the Department of Parks, Recreation and Marine. Permission for dogs to be on this designated area of the beaches of the City of Long Beach may be revoked at any time by the Director of the Department of Parks, Recreation and Marine by appropriate posting at the designated area mentioned above. With regard to said use of this designated part of the beach of the City of Long Beach:

A. The dog exercise area must be accessed from the adjacent parking lot in a ninety degree (90°) angle to the marked boundaries of the dog exercise area.

B. Each dog must be under the control of an adult person responsible for the dog, and only one (1) dog per adult is permitted. The dog must be under visual and voice control by the person responsible at all times. Dogs that do not respond to voice commands are not permitted.

C. All dogs must wear a collar with current tags.

D. All dogs must have current vaccinations and licenses.

E. As a condition of admission to such dog exercise area, the person responsible for such dog shall use a suitable container or instrument to remove dog feces and shall dispose of it in waste containers provided for that purpose.

F. Dogs previously declared vicious pursuant to this Chapter, and/or any other State law or local ordinance, and aggressive dogs are not permitted. The persons responsible for such dogs are legally responsible for any injury caused by their dog(s).

G. Dogs shall not be left unattended.

H. Dogs under four (4) months old are not permitted.

I. Female dogs in estrus (heat cycle) are not permitted.

J. Professional dog trainers may not use the dog exercise area to conduct classes or individual instruction.

K. Children shall be accompanied by an adult and shall not run, shout, scream, wave their arms, or otherwise excite or antagonize dogs.

L. Bicycles, rollerblades, roller skates, skateboards, strollers and the like, are not permitted. Wheelchairs and other aids for the disabled are permitted.

M. Spiked collars on dogs are not permitted.

N. The person responsible for a dog must have in his/her possession a leash for the dog which shall be worn by the dog at all times that the dog is ingressing/egressing the dog exercise area.

O. The person responsible for a dog shall provide drinking water for their dog.

P. No food of any kind is permitted in the dog exercise area during the designated hours.

Q. The person responsible for a dog shall otherwise comply with all rules governing the beaches and relevant parking regulations.

R. No one shall play any team sport including, but not limited to, football, baseball, soccer, rugby and volleyball during the designated dog exercise hours. The use of a frisbee or a small, retrievable ball is permitted.

S. Use of the dog exercise area by the dog shall constitute implied consent of the person responsible for the dog to all regulations and shall constitute a waiver of liability to the City of Long Beach and an agreement to protect, defend, indemnify, and hold harmless the City of Long Beach, its officials and employees for any injury or damage caused by a dog when the dog is not on a leash.

T. The Director of the Department of Parks, Recreation and Marine shall have the discretion to terminate the program. (ORD-15-0009, § 1, 2015; ORD-09-0022, § 5, 2009)

6.16.320 Administrative citation—Service procedures.

An administrative citation subject to this Chapter shall be issued on a form approved by the Director, and may be served by the Director or an Animal Care Services Bureau enforcement officer or inspector in the following manner:

A. Personal service. In any case where an administrative citation is issued:

1. The Director or Animal Care Services Bureau enforcement officer or inspector shall attempt to locate the person responsible and personally serve the administrative citation;

2. If the person responsible refuses or fails to sign the administrative citation, the failure or refusal to sign shall not affect the validity of the administrative citation or any subsequent proceedings.

B. Service of citation by posting notice. If the Director or Animal Care Services Bureau enforcement officer or inspector do not succeed in personally serving the person responsible:

1. The Director or Animal Care Services Bureau enforcement officer or inspector shall post the administrative citation or duplicate thereof in a conspicuous place on the lot last reported by the person responsible as his/her residence in the City of Long Beach, and such posting shall be deemed effective service; and

2. Any posted notice shall be photographed on the date of posting by the Director or Animal

Care Services Bureau enforcement officer or inspector, and a proof of service of the notice shall be made by declaration of the Director or enforcement officer or inspector effecting the service.

C. Service of citation by mail. If the Director or Animal Care Services Bureau Enforcement officer or inspector do not succeed in personally serving a person responsible, in addition to posting notice when the last reported residence of that person lies within the City of Long Beach:

1. The administrative citation or duplicate thereof shall be mailed to the residence or place of business of the person by depositing the same in the United States Mail, postage prepaid as first class mail; and

2. A proof of service of the notice shall be made by declaration of the Director or enforcement officer or inspector effecting the service. (ORD-09-0022, § 5, 2009)

6.16.330 Administrative citation—Contents of notice.

Each administrative citation shall contain the following information:

A. The date of service of the citation and the date, time, address or description of the location where the violation(s) occurred in the City of Long Beach.

B. The Long Beach Municipal Code section(s) violated, a description of the violation(s), and where appropriate a description of conditions violated.

C. The amount of the administrative fine(s) for each violation.

D. An explanation of how the fine(s) shall be paid and the payment due date.

E. Notice of the right to appeal the citation, the time within which the citation may be appealed and the place to obtain a request for hearing form to appeal the administrative citation.

F. The name and signature of the Director or Animal Care Services Bureau enforcement officer or inspector and, if obtained, the signature of the person responsible. (ORD-09-0022, § 5, 2009)

6.16.340 Administrative citation satisfaction.

Upon service of an administrative citation, the cited party shall pay the fine no later than thirty (30) calendar days from the date of issuance as specified on the administrative citation. Payment of a fine shall not bar further enforcement action by the City. Late charges shall be imposed for fine payments made after the fine payment due date. The late charge shall be calculated at a rate of twenty-five percent (25%) of the fine, and will be imposed in addition to any outstanding fine. (ORD-09-0022, § 5, 2009)

6.16.350 Administrative citation—Appeal.

A. Any cited party may appeal an administrative citation by completing a written request for hearing form, obtained as directed on the citation, and returning it to the Animal Care Services Bureau within thirty (30) calendar days from the date the citation was served or was deemed to have been served, together with a deposit in the total amount of the fine.

B. Failure to timely file a written request to appeal the administrative citation shall be deemed a waiver of rights to appeal and to seek judicial review. (ORD-09-0022, § 5, 2009)

6.16.360 Administrative citation—Hardship waiver.

A. Any cited party who intends to appeal the administrative citation and who is financially unable to make the advance deposit as required in Subsection A. of Section 6.16.350, may request an advance deposit hardship waiver by completing a written request for deposit waiver form obtained as directed on the citation.

B. The deposit waiver request shall be filed together with the appeal within thirty (30) calendar days from the date the administrative citation was served or deemed to have been served.

C. The deposit requirement as described in Subsection A. of Section 6.16.350 shall be stayed unless or until the Director makes a determination regarding the waiver request.

D. The Director may waive the requirement of an advance deposit only if the cited party sub-

mits to the Director a written statement made under penalty of perjury, together with supporting documents, demonstrating to the satisfaction of the Director the cited party's actual financial inability to deposit with the City the full amount of the fine in advance of the hearing.

E. If the Director declines to issue a waiver, the cited party shall remit the full deposit to the City as indicated on the citation within ten (10) calendar days of the date of that decision, or thirty (30) calendar days from the date the administrative citation was served or was deemed to have been served, whichever is later.

F. The Director shall issue a written determination listing the reasons for his/her determination to issue or not issue the hardship waiver. The written determination of the Director shall be final.

G. The written determination of the Director shall be served personally or by first class mail, postage prepaid, upon the cited party who applied for the hardship waiver. (ORD-09-0022, § 5, 2009)

6.16.370 Administrative citation—Appeal hearing procedure.

A. No hearing to appeal an administrative citation shall be held unless and until a timely request for hearing form has been completed and submitted, as indicated on the citation, and the deposit has been paid, or a hardship waiver has been issued.

B. An appeal hearing shall be set for a date not sooner than twenty-one (21) calendar days and not more than sixty (60) calendar days from the date the request for hearing is completed and submitted in accordance with the provisions of this Chapter. The cited party requesting the hearing shall be notified in writing of the time and place set for the hearing at least fifteen (15) calendar days prior to the date of the hearing.

C. The Hearing Officer shall only consider evidence that is relevant to whether the violation(s) occurred and whether the cited party is the person responsible for creating, committing, maintaining or allowing the violation(s) to occur. Courtroom rules of evidence shall not apply. Relevant hearsay evidence and written reports may be admitted whether or not the speaker or author is present to testify, if the Hearing Officer determines that such evidence is reliable. Admission of evidence and the conduct of the hearing shall be controlled by the Hearing Officer in accordance with the fundamentals of due process. The Hearing Officer may set reasonable limits on the length of the hearing, and shall allow the appellant at least as much time to present his/her case as is allowed to the City.

D. The cited party contesting the administrative citation shall be given the opportunity to testify and present witnesses and evidence concerning the administrative citation. The City's case shall be presented by any person designated by the Director. The appellant and City may be represented by counsel at their own expense.

E. The failure of the appellant to appear at the hearing shall constitute a forfeiture of the deposit and failure to exhaust administrative remedies.

F. The administrative citation and any additional documents prepared by the City in connection with the violation(s) may be submitted and shall constitute prima facie evidence of the respective facts contained in those documents.

G. If the City submits any additional documents concerning the administrative citation to the Hearing Officer for consideration at the hearing, then, whenever possible, a copy of such document(s) shall be served by mail on the appellant at least five (5) calendar days prior to the date of the hearing.

H. The Hearing Officer may continue the hearing or request additional information from the City or the appellant prior to issuing a written decision. (ORD-09-0022, § 5, 2009)

6.16.380 Administrative citation—Hearing Officer decision.

A. After considering all of the testimony and evidence submitted at the hearing, the Hearing Officer shall issue a written decision within fifteen (15) business days of the hearing. The decision of the Hearing Officer shall be final.

B. If the Hearing Officer denies the appeal, then the deposit shall be retained by the City.

C. If the Hearing Officer grants the appeal, then the City shall refund the deposit within thirty (30) business days from the date of the written decision.

D. The appellant and City shall each be served with a copy of the Hearing Officer's written decision. (ORD-09-0022, § 5, 2009)

6.16.390 Administrative citation—Failure to pay fines.

A. The failure of the cited party to pay a civil fine or late penalty in a timely manner may result in the imposition of a special assessment and/or lien, and/or filing of an action with the small claims court for recovery of the fine and late penalty. The only issue to be adjudicated by the small claims court shall be whether or not the fines and possible late fees were paid. A cited party may only obtain judicial review of the validity of the citation by first requesting and participating in an administrative hearing before a Hearing Officer. In the small claims court action, the City may also recover its costs, according to proof.

B. The City may also refuse to issue, extend or renew to any cited party who has unpaid delinquent fines, interest, penalties, liens or assessments, any City permit, license, entitlement or other City approval pertaining to the subject of the fine and administrative citation. (ORD-09-0022, § 5, 2009)

6.16.400 Administrative citation—Dismissal.

The Director may dismiss an administrative citation at any time if it is determined to have been issued in error, in which event any deposit will be refunded to the cited party. (ORD-09-0022, § 5, 2009)

6.16.410 Administrative citation—Judicial review.

Either the City or the cited party aggrieved by a decision of a Hearing Officer on appeal of an administrative citation issued pursuant to this Chapter, may obtain review of the decision by filing a petition for review with the Los Angeles Superior Court in accordance with the time lines and provisions as set forth in California Government Code Section 53069.4. Judicial review of an administrative citation shall not be available unless all administrative remedies have been exhausted. (ORD-09-0022, § 5, 2009)

CHAPTER 6.20 FOWL, RABBITS AND GOATS*

6.20.010 Definitions.

The following words, as used in this Chapter, shall have the signification attached to them in this Section, unless otherwise clearly apparent from the context:

B. "Crowing fowl" means and includes any male fowl capable of making a sound peculiar to its species or type.

C. "Dwelling" means and includes any place of human habitation.

D. "Fowl" means and includes male and female chicken, duck, goose, seafowl, peacock, turkey and pheasant. (ORD-15-0017, § 2, 2015)

6.20.020 Fowl—Number restricted.

No person shall keep or maintain more than a total of twenty (20) live fowl or any combination of such animals on any lot or parcel of land within the City. (ORD-15-0017, § 2, 2015)

6.20.030 Fowl—Distance from dwelling.

A. Except as provided in Subsection 6.20.030.B and subject to Section 6.20.140 for the keeping of live chickens, no person shall keep or maintain any live fowl within the City less than fifty feet (50') from any other person's single-family or two-family dwelling or less than one

***Editor's note**—ORD-15-0017, § 2, adopted July 14, 2015, amended Ch. 6.20 in its entirety to read as herein set out. Former Ch. 6.20, §§ 6.20.010—6.20.170, pertained to similar subject matter, and derived from: Prior code §§ 5620—5620.17, Ord. C-5755 §§ 1, 2, 1981; and Ord. C-7781, § 1, 2001.

hundred feet (100') from any hotel or dwelling occupied by, or designed for the occupancy of three (3) or more families.

B. One (1) live fowl may be kept or maintained as a pet on any lot or parcel of land within the City, provided that the pen, coop or other such enclosure for any such pet fowl shall be no less than twenty feet (20') from any other person's structure designed or used as a dwelling. (ORD-15-0017, § 2, 2015)

6.20.040 Crowing fowl prohibited.

No person shall keep or maintain or cause to be kept or maintained any crowing fowl. (ORD-15-0017, § 2, 2015)

6.20.050 Fowl—Dealers exempt.

Nothing contained in this Chapter shall be deemed to prohibit the keeping of fowl by regularly licensed dealers for the purpose of sale at their respective places of business. Such animals shall be kept and maintained in a clean and sanitary condition and such dealers shall conform to and abide by the rules and regulations of the Health Department with reference to the keeping of such animals on the premises of such dealers. (ORD-15-0017, § 2, 2015)

6.20.060 Fowl—Enclosure sanitation.

Wherever live fowl are permitted to be kept or maintained in the City, no person, so keeping or maintaining such fowl, shall fail at any time to keep the coops, pens or yards wherein such fowl are enclosed in a clean and sanitary condition nor shall fail to remove the manure or other debris from such enclosures daily. No person shall fail to conform to and abide by the rules and regulations of the Health Department with reference to the keeping of such fowl in such enclosures. (ORD-15-0017, § 2, 2015)

6.20.070 Fowl—Running at large and keeping in front yard prohibited.

A. No person shall allow any fowl owned or controlled by such person to run at large.

B. No person shall allow any fowl, enclosure or related structure owned or controlled by such person to be placed or kept in the front yard of the property. (ORD-15-0017, § 2, 2015)

6.20.080 Fowl—Impoundment—Food and water.

No person shall impound any live fowl unless provision is made by such person for the proper feeding and the furnishing of water to such fowl at intervals not longer than twelve (12) hours apart. (ORD-15-0017, § 2, 2015)

6.20.090 Fowl—Impoundment—Coop size.

No person shall impound any live fowl in a coop which is less than twice as large in floor space or standing room as the total size of all live fowl which may be impounded therein, and which is not sufficiently high as to permit each fowl impounded therein to stand in a natural erect position. (ORD-15-0017, § 2, 2015)

6.20.100 Fowl—Wing locking prohibited.

No person handling live fowl shall lock the wings of such fowl. (ORD-15-0017, § 2, 2015)

6.20.110 Fowl and rabbits—Artificial coloring prohibited.

A. No person, by means of any application to or upon the exterior portion thereof or in any other manner, shall dye, artificially color or alter or otherwise change the natural color of any live rabbit or fowl.

B. No person shall sell, offer or display for sale, barter or give to any person any live rabbit or live fowl, the natural color of which animal has been changed by dyeing, coloring, or any other artificial manner.

C. No person shall sell, offer for sale, barter or give away any chick, duckling, or other fowl under four (4) weeks of age, or rabbit under two (2) months of age, as pets, toys, premiums or novelties.

D. This Section shall not be construed to prohibit the display or sale of rabbits, chicks, ducklings or other fowl in proper facilities by dealers,

hatcheries or stores engaged in the business of selling the same to be raised for food purposes. (ORD-15-0017, § 2, 2015)

6.20.120 Chickens—Permit required.

A. No person shall have, keep, maintain, or have in possession or under control, on residential property within the City, five (5) or more live chickens without first applying to and receiving from the Animal Care Services Bureau a permit to do so. Permits issued under this Section shall be subject to a pre-inspection requirement.

B. The Director is invested with the authority to issue permits for the keeping or maintaining of live chickens to any person when, in the opinion of the Director, such chickens may be kept or maintained without menacing the safety of any person or property; provided, however, that the Director may issue additional rules and regulations regulating the keeping or maintaining of such chickens, and may deny, suspend, revoke or deny renewal thereof, any such permit for the violation of this Chapter, or any other provisions of the Long Beach Municipal Code, or any of the rules and regulations issued by the Director, or when, in his or her opinion, the safety of any person or property is menaced by the keeping of any such chickens.

C. All permits issued under this Section shall be for a period not to exceed one (1) year in duration. The Director shall automatically renew such permits every year if the Director determines that the permit holder complied with the provisions of this Chapter and applicable laws during the preceding permit term, and if the permit holder pays the annual fee as prescribed by City Council resolution. (ORD-15-0017, § 2, 2015)

6.20.130 Chickens—Enclosure and shelter.

A. Adequate enclosure or fencing must be provided to contain live chickens on the property to prevent escape. The enclosure must be a minimum size of ten (10) square feet of permeable land per chicken.

B. Adequate shelter must be provided to protect the chickens from the elements, and to prevent wildlife or other predators from gaining entry. (ORD-15-0017, § 2, 2015)

6.20.140 Chickens—Distance from dwelling.

Live chickens may be kept or maintained on residential property within the City, provided that the chickens must be kept at least a minimum distance away from any other person's dwelling, as follows:

Number of Chickens	Minimum Distance From Any Adjacent Dwelling
1 - 4	10 feet
5 - 10	35 feet
11 - 20	50 feet

(ORD-15-0017, § 2, 2015)

6.20.150 Goats—Permit and microchip required.

A. No person shall have, keep, maintain, or have in possession or under control, on residential property within the City, any live goat without first applying to and receiving from the Animal Care Services Bureau a permit to do so.

B. The Director is invested with the authority to issue permits subject to an identifiable microchip requirement for the keeping or maintaining of live goats to any person when, in the opinion of the Director, such goats may be kept or maintained without menacing the safety of any person or property; provided, however, that the Director may issue additional rules and regulations regulating the keeping or maintaining of such goats, and may deny, suspend, revoke or deny renewal thereof, any such permit for the violation of this Chapter, or any other provisions of the Long Beach Municipal Code, or any of the rules and regulations issued by the Director, or when, in his or her opinion, the safety of any person or property is menaced by the keeping of any such goats.

C. All permits issued under this Section shall be for a period not to exceed one (1) year in duration. The Director shall automatically renew such permits every year if the Director determines that the permit holder complied with the provisions of this Chapter and applicable laws during

the preceding permit term, and if the permit holder pays the annual fee as prescribed by City Council resolution. (ORD-15-0017, § 2, 2015)

6.20.160 Goats—Personal consumption only.

Food produced by live goats shall be for personal consumption only by members of permittee's household, and shall not be sold, donated or otherwise distributed to any other person. (ORD-15-0017, § 2, 2015)

6.20.170 Goats—Number.

Exactly (no more and no less than) two (2) live goats may be kept on residential property within the City, except that offspring may be kept on the property for up to six (6) months from birth. (ORD-15-0017, § 2, 2015)

6.20.180 Goats—Neutered males.

Male goats shall be neutered. (ORD-15-0017, § 2, 2015)

6.20.190 Goats—Distance from dwelling.

No person shall keep or maintain any live goat in the City within ten feet (10') of any other person's dwelling. (ORD-15-0017, § 2, 2015)

6.20.200 Goats—Enclosure and shelter.

A. Adequate enclosure or fencing must be provided to contain live goats on the property to prevent escape. The enclosure must be a minimum size of two hundred fifty (250) square feet of permeable land for the keeping of two (2) miniature goats (commonly known as pygmy and dwarf goats), or five hundred (500) square feet of permeable land for the keeping of any other combination of miniature and non-miniature goats.

B. Adequate shelter must be provided to protect the goats from the elements, and to prevent wildlife or other predators from gaining entry. (ORD-15-0017, § 2, 2015)

6.20.210 Rabbits or goats—Enclosure sanitation.

Wherever live rabbits or goats are permitted to be kept or maintained in the City, no person so keeping or maintaining such rabbits or goats shall fail at any time to keep the pens, hutches, spaces or other enclosures wherein such rabbits or goats are enclosed in a clean and sanitary condition or fail to remove the manure or other debris from such enclosures daily. No person shall fail to conform to and abide by the rules and regulations of the Health Department with reference to the keeping of such rabbits or goats in such enclosures. (ORD-15-0017, § 2, 2015)

6.20.220 Rabbits and goats—Running at large and keeping in front yard prohibited.

A. No person shall allow any rabbits or goats owned or controlled by such person to run at large.

B. No person shall allow any rabbits or goats, enclosure or related structure owned or controlled by such person to be placed or kept in the front yard of the property. (ORD-15-0017, § 2, 2015)

CHAPTER 6.22 INSECT CONTROL MEASURES

6.22.010 Insect control measures.

A. All premises shall be cleaned, and effective insecticides applied, as often as necessary to prevent the harboring of fleas, flies, roaches, stinging insects, venomous arachnids, and other insects that may be a danger to the public health. Stinging insects include, but are not limited to Africanized honeybees; and

B. It shall be unlawful for any property owner or tenant to maintain or permit a beehive, nest or swarm to exist that may pose a danger to the public health and safety. This includes a managed hive that has become Africanized. All beekeeping operations shall be registered with the Los Angeles County Department of the Agricultural Commissioner or designated agency; and

C. The prohibition regarding maintenance of beehives, nests or swarms shall not restrict the activities of a professional beekeeper if not in violation of the provisions of this Chapter or other City ordinances. For purposes of this Subsection, the term "professional beekeeper" shall

mean a person who holds a current registration as a beekeeper with the Los Angeles County Department of the Agricultural Commissioner or designated agency. (Ord. C-7666 § 1, 1999)

CHAPTER 6.24 PIGEONS AND BEES

6.24.010 Beehives.

A. No more than four (4) beehives may be established or maintained on any residential property within the City.

B. Any person intending to establish or maintain any beehive on any residential property within the City must first register with the County of Los Angeles and provide a copy of such registration to the Director of the Animal Care Services Bureau.

C. No person shall establish or maintain a beehive in the front yard of the property.

D. No person shall establish or maintain a beehive at a distance less than ten feet (10') from all property lines.

E. Beehive entrances shall face away from or be parallel to the nearest property line(s).

F. Beehives must either be screened so that the bees must fly over a six-foot barrier, which may be vegetative, before leaving the property, or be placed at least eight feet (8') above the adjacent ground level.

G. A water source for bees shall be provided at all times on the property where the bees are kept to discourage bee visitation at swimming pools, hose bibs and other water sources on adjacent public or private property.

H. For the purposes of this Section, a "beehive" means any box, container, structure, chamber or shelter within which bees are kept or of which bees have taken possession.

I. For the purposes of this Section, the term "dwelling" means any place of human habitation. (ORD-15-0017, § 3, 2015; Prior code § 5620.4)

6.24.020 Pigeon keeping.

A. Pigeons, which are not raised or kept for market or other commercial purpose, may be kept and liberated for exercise or racing if their enclosure is not less than thirty-five feet (35') from the owner's dwelling, and not less than fifty feet (50') from any other dwelling, and not less than one hundred feet (100') from a multiple dwelling.

B. Each person desiring to keep and liberate for exercise or racing such pigeons shall make a written application to, and upon forms furnished by the Health Officer. Such application shall state the name and address of the applicant and the address at which the pigeons will be kept and liberated. The Health Officer shall make or cause to be made an investigation of the application, and if he finds that all provisions of the Code have been and will be complied with, he shall issue the permit; otherwise the application for permit shall be denied. Such permits shall be good for one (1) year from date of issuance and shall be annually renewed in the same manner as that provided for the securing of a new permit. A fee as determined by the City Council by resolution shall be charged for the original permit and for each renewal thereof. Such permits shall be nontransferable and nonassignable.

C. Whenever the Health Officer determines from his examination or inspection that the holder of any permit issued under the provisions of this Section has violated any of the provisions of this Code, he may serve a written notice upon such permittee to appear before the Health Officer to show cause why the permit shall not be revoked. The notice shall contain a brief statement of the alleged violation and the time and place of hearing, which shall be held within ten (10) days after receipt of notice. The permittee may appear in person or with counsel, and present such evidence as he may desire regarding the alleged violation and show cause why his permit shall not be revoked. The Health Officer shall receive such information, evidence and testimony as may concern the circumstances of the alleged violation, and the formal rules of evidence shall not apply. If the Health Officer determines that any of the provisions of this Section or any other provisions of the Code regarding pigeons are being violated, he may temporarily suspend or revoke the permit, provided any such suspension period shall not exceed

ninety (90) days. Reinstatement of suspended permit shall not be effected unless the act, default or omission which was the ground for suspension has been remedied prior to the time of reinstatement.

D. Any person aggrieved by any finding, determination or act of the Health Officer shall, within ten (10) days from the date thereof, take whatever legal steps he may deem necessary to forestall or prevent such finding, determination or act from becoming final and conclusive.

E. Whenever any permit has been revoked under the terms of this Section, no other application for a permit to carry on a similar activity by the permit holder shall be considered for a period of one (1) year from the date of the revocation.

F. No person shall keep or maintain on any lot or parcel of land more than forty (40) live pigeons.

G. Wherever live pigeons are permitted to be kept or maintained in the City, no person so keeping or maintaining such pigeons shall fail at any time to keep the coops wherein such pigeons are enclosed in a clean and sanitary condition. No person shall fail to conform to and abide by the reasonable rules and regulations of the Health Department with reference to the keeping of such pigeons in such enclosures.

H. No person shall impound any live pigeons unless provision is made by such person for the proper feeding and the furnishing of water to such pigeons at intervals not longer than twelve (12) hours apart.

I. No person shall impound any live pigeons in a coop which is less than twice as large in floor space or standing room as the total size of all live pigeons which may be impounded therein, and which is not sufficiently high as to permit each pigeon impounded therein to stand in a natural erect position.

J. All feed for the pigeons shall be stored in containers which offer protection against rodents and insects; pigeon manure and other waste material arising from their maintenance shall be removed from permittee's premises at least once a week, or as often as it is necessary to prevent fly breeding, or other similar nuisance; such material shall be disposed of in a sanitary manner.

K. No person shall allow any pigeon owned or controlled by such person, except when said pigeon or pigeons are being exercised or raced through flight, to run at large.

L. The Health Officer shall have the right to inspect each such coop and pigeon house at such times as he deems advisable. (ORD-10-0014, § 11, 2010; Ord. C-5422 § 1, 1978; Ord. C-5408 § 1, 1978; Ord. C-5335 § 1, 1977; prior code § 5620.18)

CHAPTER 6.28 POLICE ANIMALS

6.28.010 Protection of animals utilized by Police Department.

It is unlawful for any person to wilfully tease, taunt, torment, strike, kick, mutilate, disable, or otherwise injure, or kill, or to interfere or meddle with any dog while such animal is being utilized by the Police Department or any officer or employee thereof, in the performance of any function or duty of the department, or of such officer or employee. (Ord. C-5731 § 1, 1981: prior code § 3530)

CHAPTER 8.04 HEALTH DEPARTMENT SERVICES

8.04.010 X-rays.

The Health Department is empowered to furnish free of charge, minifilm X-rays for the benefit of persons who are residents of the City and who are applicants for licenses from the State Department of Social Services authorizing such person to maintain or conduct an institution, boarding home, day nursery or other place for the reception or care of children under sixteen (16) years of age, or to engage in the business of receiving or caring for such children, or of receiving or caring for such child in the absence of its parents. The Health Department may also furnish such films for nonresidents of the City upon payment of a fee as determined by the City Council by resolution. (ORD-10-0014, § 12, 2010; Prior code § 5160)

CHAPTER 8.08 COMMUNICABLE DISEASES

8.08.010 Pneumonia or influenza—Quarantine.

Whenever a person affected with pneumonia of a communicable, contagious or infectious nature or with influenza is reported to the Health Department, and upon making investigation the Health Department is satisfied that the report is correct, or that the condition of such person is strongly suggestive of communicable, contagious or infectious pneumonia or influenza, the Health Department shall establish a quarantine of the premises where the disease exists by affixing a placard, consisting of a white card with the name of the disease printed thereon in blue letters not less than two and one-half inches (2½") in height, in a conspicuous place at the principal place of entrance of the premises, or at the principal place of entrance to the room, suite, apartment or flat where the premises is a hotel, apartment, lodging house, or rooming house, and the placard shall remain so affixed for five (5) days after all symptoms of the disease have disappeared and the premises have been thoroughly disinfected, or longer, at the discretion of the Health Department. (Prior code § 5120)

8.08.020 Pneumonia or influenza—Entering or leaving premises.

No person shall leave or enter any premises or remove any article from any premises so quarantined without permission in writing from the Health Department. (Prior code § 5120.3)

8.08.030 Pneumonia or influenza—Report.

Every physician, nurse, clergyman, attendant, parent or guardian of any person ill with communicable, contagious or infectious pneumonia or influenza shall immediately report the name, age and address of such ill person to the Health Department, and every owner, proprietor or manager of an apartment house, hotel, flat building or lodging house shall immediately report to the Health Department the name, age and address of every person ill of communicable, contagious or infectious pneumonia or influenza, in such apartment house, hotel, flat building or lodging house. (Prior code § 5120.4)

8.08.040 Report of illness.

It shall be the duty of every physician, householder, or other person in the City to report to the Health Officer immediately in writing every person in the City who is or whom they may have reason to believe is sick from cholera, smallpox, diphtheria, scarlet fever or any other contagious or infectious disease. (Prior code § 5120.5)

8.08.050 Quarantine—Required.

It shall be the duty of the Health Officer, as soon as any case of any person suffering from cholera, smallpox, diphtheria, yellow fever or scarlet fever or other dangerous or infectious disease is brought to his knowledge to immediately cause the house or building in which the person is located to be placarded in a conspicuous place, with a placard setting forth the fact of the existence of such disease, and the placard shall not be removed, nor shall any person unauthorized by the Health Officer be permitted to enter or leave such

dwelling or building until the Health Officer is satisfied that all danger from contagion is past and has removed the quarantine and placard. (Prior code § 5120.6)

8.08.060 Disinfecting premises.

Any person, householder or hotel keeper having a person suffering from any contagious or infectious disease in any house, dwelling or premises owned, conducted or controlled by him shall renovate, clean, purify and disinfect the same to any extent and in such manner as the Health Department may direct for the purpose of preventing further infection. (Prior code § 5120.7)

8.08.070 Precautions against spread of disease.

All persons attending or coming in contact with a case of infectious or contagious disease shall take such precautions against the spread of such disease and carry out such sanitary regulations as the Health Department may direct. (Prior code § 5120.8)

8.08.080 Removal from premises.

No person suffering from any infectious or contagious disease shall be removed from or leave the place where he first became sick without a permit from the Health Officer. The Health Officer may cause to be removed from such houses as cannot be satisfactorily quarantined, to a hospital or other place provided by the City for quarantine, any person affected with smallpox, yellow fever, typhus fever, glanders, leprosy, Asiatic cholera or other infectious or contagious diseases. (Prior code § 5120.9)

8.08.090 Notice to school.

It is the duty of the Health Officer to notify the superintendent of schools of the name and location of any person who is pupil at a public school, or the principal, teacher or other person in charge of any private school if a pupil at any such private school, when such person is suffering from any contagious disease. (Prior code § 5120.10)

8.08.100 Exclusion of exposed person from school.

It shall be the duty of every superintendent, principal or teacher, of any public or private school in the City to exclude from school any person suffering from any infectious or contagious disease, and any person who may belong or reside with a family or in the same house in which a person is affected with any infectious or contagious disease, until a permit is obtained from a registered physician stating that such person has permission to attend school. (Prior code § 5120.11)

8.08.110 Preventive measures authorized.

The Health Department may take such measures as it may from time to time deem necessary to prevent the spread of contagious disease. (Prior code § 5120.12)

8.08.120 Quarantine—Regulations.

It is the duty of the Health Department to make any and all regulations for the proper management and control of persons and places under quarantine in the City, and is the duty of the Health Officer to enforce the same. (Prior code § 5120.14)

8.08.130 Bringing diseased person into City.

That it is unlawful for any person to bring into the City any person afflicted with Asiatic cholera, yellow fever, typhus fever, plague, smallpox, scarlet fever, diphtheria, membranous croup, leprosy, anthrax or glanders affecting human beings. (Prior code § 5120.15)

8.08.140 Water vessel rat shields.

No owner, agent, master or other officer in charge of any vessel, steamboat or other watercraft, except vessels, steamboats or other watercraft engaged in domestic commerce, shall cause or permit the vessel, steamboat or other watercraft to lie alongside any wharf or dock in the City unless each chain, hawser, rope or line of any kind extending from any vessel, steamboat or other watercraft is equipped with and has properly and securely attached thereto, in good working order,

a rat shield or guard of such design and in such manner as shall be approved by the City Health Officer. (Prior code § 5120.16)

8.08.150 Preventing Health Officer admittance prohibited.

No person in charge of any building, premises, or part thereof shall refuse admission thereto to any inspector or other representative of the Health Department between the hours of nine o'clock (9:00 a.m.) in the morning and five o'clock (5:00 p.m.) in the afternoon of any business day when such inspector or other representative has announced his intention of entering such building, premises, or part thereof, for the purpose of inspecting it and ascertaining whether there exists therein or thereon any violation of the provisions of this Chapter; nor shall any person deny such access to such inspectors or representatives at any reasonable hour for purposes of quarantine. (Prior code § 5120.17)

8.08.160 Rat control—Required.

All food products or other products or goods liable to attract or to become infested with rats, whether such products or goods are kept for sale or any other purpose, shall be so protected as to prevent rats from gaining access thereto or coming in contact therewith. All buildings and basement walls thereof within which such products are stored or kept shall be constructed or repaired in such a manner as to prevent rats from being harbored thereunder or within the walls thereof. (Prior code § 5120.18)

8.08.170 Rat control—Docks and wharves.

All public and private docks and wharves shall be so protected as to prevent rats from gaining entrance to such docks or wharves, at either high or low tide, from vessels anchored or moored alongside of such docks or wharves, or from other sources, and all food products stored in docks or wharves shall be so kept and stored as to prevent rats from gaining access thereto or coming in contact therewith. All docks and wharves shall be subjected to a continuous rat eradication and control program. The Health Officer shall establish methods and scope of trapping and control. (Prior code § 5120.19)

8.08.180 Rat control—Slaughterhouses.

All slaughterhouses of every kind and nature shall be so protected as to prevent rats from gaining access to the building or buildings thereof, and all holes and openings in the building or basement walls shall be thoroughly stopped with cement or other material approved by the Health Officer, and all food products stored in slaughterhouses shall be so kept as to prevent rats from coming in contact therewith. (Prior code § 5120.20)

8.08.190 Rat control—Buildings and premises.

All buildings, places and premises whatsoever in the City shall at once be placed and shall continuously be kept by the owner or the occupant thereof in a clean and sanitary condition and free from rats. (Prior code § 5120.21)

8.08.192 Rat control—Demolition of buildings.

Before the City issues a building demolition permit, the owner shall present to the Building Official written certification from the Health Officer that the building is free from rat or vermin infestation. (Ord. C-6121 § 1, 1984)

8.08.200 Rat control—Accumulation of refuse.

No rubbish, waste or manure shall be placed, left, dumped or permitted to accumulate or remain in any building, place or premises in the City so that the same shall or may afford food or a harboring or breeding place for rats. (Prior code § 5120.22)

8.08.210 Refuse container cleaning.

The owner of any container provided for the storage or reception of refuse or garbage shall keep such container in a clean condition and in good repair to prevent fly breeding, odors, or

other nuisance. (Ord. C-5320 § 19, 1977: prior code § 5120.23)

8.08.220 Offensive accumulation prohibited.

No person shall permit any dead animal, manure, garbage, refuse, trash, decaying or offensive material to remain on any premises owned, controlled, or occupied by such person, or to deposit any such material upon any vacant lot or public street or place. Salvageable material shall be maintained or stored in a manner to prevent the possibility of a rodent harborage or breeding site for other insects. No person having control of, owning or occupying a premises shall permit any wastewater or other liquid to drain upon, drain from, or pool upon any such premises. Any yard, stable, or other enclosure where any animals, birds or fowl are kept shall be maintained in such a manner as to prevent a rodent or insect harborage or create an unhealthy or offensive condition. (Ord. C-5320 § 20, 1977: prior code § 5120.24)

8.08.230 Lodging place sanitation.

Every lodging, tenement or apartment house, and also any yard, court, passage, or alley connected with or belonging to such house, must be kept clean and free from any accumulation of dirt, filth, garbage or other offensive material. (Ord. C-5320 § 21, 1977: prior code § 5120.25)

8.08.240 Drains to be kept clear.

Every person conducting or managing any lodging, tenement or apartment house must take adequate precautions to prevent any improper substances entering any water closet, sink, hopper or drain, and must remove such improper substances when placed in a water closet, sink, hopper or drain. (Ord. C-5320 § 22, 1977: prior code § 5120.26)

8.08.250 Depositing garbage in sewer prohibited.

No person shall deposit swill, garbage, bottles, ashes, cans, coal, or other such improper substances in water closets, sinks, drains or hoppers connected to a sewer, except when such facility is equipped with a garbage disposal unit. (Ord. C-5320 § 23, 1977: prior code § 5120.27)

CHAPTER 8.12 DRUGS*

8.12.010 Registration of health care specialists.

No physician, surgeon, osteopath, midwife, professional nurse, dentist or any other person employing any method of healing the sick shall practice or carry on his profession, business or employment in the City until he has first registered as such with the Health Officer in a register kept by the Health Officer in his office for that purpose. No physician, surgeon, osteopath, or dentist shall be permitted to register unless he has first obtained a license from one (1) of the respective State Boards of Examiners. (Prior code § 5130)

8.12.020 Registration of drug peddlers.

No person shall peddle or dispense any medicine or drugs within the City until such person has first registered with the Health Officer, in a register kept by the Secretary in his office for that purpose, the name of the person wishing to peddle or dispense such medicines or drugs together with the names of the various medicines or drugs which they wish to peddle or dispense. If the Health Officer is satisfied that the peddling or dispensing of such medicines and drugs by such person does not conflict with any State laws or ordinances of the City, he may issue a permit to peddle and dispense the medicines and drugs named in the permit upon the payment of a fee as determined by the City Council by resolution. Nothing in this Chapter, however, shall apply to licensed pharmacists or travelling salesmen dealing directly with physicians or pharmacists. (ORD-10-0014, § 13, 2010; Prior code § 5130.1)

8.12.030 Prescriptions required for certain drugs.

No person shall barter, sell, dispense, or give away any veronal, veronal-sodium, barbital, bar-

***State law reference**—Provisions on the regulation of drugs, Health and S. C. § 11000 et seq.

bital sodium, brominyl and barbital, luminal or luminal-sodium, except under the prescription of a physician duly licensed to practice as such under and in accordance with the State laws, such prescription to be filled only once on the date of issuance thereof. Every such prescription shall be issued, signed, and dated by a duly licensed physician and shall have endorsed upon it by such physician the name and address of the person for whose use the prescription is made and the statement that in his opinion the drug so prescribed is required by the person as a medicine. No other form of prescription shall be deemed to be within the intent of this Section. All such prescriptions shall be kept on file for at least one (1) year and open at all times to the inspection of duly authorized officers of the City while the pharmacy is open for business. (Prior code § 5130.2)

CHAPTER 8.13 PERSONAL CULTIVATION OF CANNABIS

8.13.010 Purpose.

The purpose of this Chapter is to establish parameters, consistent with State Law, regarding the personal cultivation of cannabis. (ORD-20-0012 § 2, 2020)

8.13.020 Definitions.

"Private Residence" means a house, an apartment unit, a mobile home or other similar dwelling.

"Public Place" or "Public" means any real property owned, leased, or used by a public entity and any place on private property open to the public, common areas of buildings, private clubs, vehicles, those portions of any private property upon which the public has an express or implied license to enter or remain, and any place visible from such places. "Place open to the public" does not mean any fenced area or a private residence regardless of whether it can be seen from a place open to the public. (ORD-20-0012 § 2, 2020)

8.13.030 Restrictions on Cultivation of Cannabis for Personal Use.

Maximum Number of Plants for Adult Use.

A. Not more than six (6) living plants may be planted, cultivated, harvested, dried or processed within a single private residence, or upon the grounds of a private residence at one time.

B. The living plants and any cannabis produced by the plants in excess of 28.5 grams shall be kept within the individual's private residence, or upon the grounds of that private residence (e.g., an outdoor garden), shall be kept in a locked space, and shall not be visible by normal unaided vision from the public space. (ORD-20-0012 § 2, 2020)

CHAPTER 8.16 FOOD SALE REGULATIONS

8.16.010 Unsanitary wrapping—Use prohibited.

No dealer shall use or furnish any unsanitary wrapping in the sale, dispensing, giving away, or delivery of any food. (Prior code § 5520)

8.16.020 Unsanitary wrapping—Keeping on-premises prohibited.

No dealer shall keep on his premises any unsanitary wrapping for use in the sale, dispensing, giving away, or delivery of any food. (Prior code § 5520.1)

8.16.030 Unsanitary wrapping—Exception.

The provisions of Sections 8.16.010 and 8.16.020 shall not apply where the purchaser furnishes the wrapping, other than newspaper, for use in wrapping his own purchase. (Prior code § 5520.2)

8.16.040 Fruit and vegetables—Sale of unwholesome product prohibited.

No person shall sell, offer for sale or have in his possession with intent to sell any fruit or vegetables infected with scale or other insects, or which has been frozen or affected by frost, wholly decomposed or partially decomposed so as to be unwholesome or unfit for food, or affected in any manner

so as to be unwholesome or unfit for food. (Prior code § 5530)

8.16.050 Fruit and vegetables—Covering required.

A. All fruits and vegetables exposed for sale, except the following: Irish spuds, sweet spuds, dry onion, beets, parsnips, carrots, garlic, peppers, cucumbers, eggplant, brussels sprouts, green lima beans, string beans, green peas, oyster plant, squash, pumpkin, watermelons, cantaloupes, casaba, bananas, oranges, tangerines, lemons, grapefruit, apples and pineapples, shall at all times be kept covered with gauze, screen wire, mosquito netting, or electric fan or fans to which ribbons of sufficient length are attached so as to protect the same from dirt, dust, flies and other insects; provided, however, that the provisions of this Section shall not apply to the handling of fruit or vegetables in the delivery thereof by wholesale dealers and produce men to the retailer when such fruit or vegetable is enclosed in sanitary boxes or cases, covered with canvas or burlap.

B. All dried, candied or cured fruit shall at all times be kept in a glass case or under glass so as to protect the same from dust, dirt, flies and other insects. (Prior code § 5530.1)

8.16.060 Fruit and vegetables—Inspection authorized.

All places where fruits or vegetables are kept or offered for sale shall be subject at all times to inspection by the Health Officer or other officers appointed for that purpose, and such officers are authorized to enter and inspect all such places. (Prior code § 5530.2)

8.16.070 Fruit and vegetables—Packing or unpacking spoiled products.

No person, whether as principal, agent, servant, employee, or otherwise, shall pack, unpack, crate or uncrate any fresh fruits or vegetables, or keep or store any fresh fruits or vegetables, that have become spoiled or decayed, except within a building or structure so constructed, arranged, and used as to confine all noises and odors within the same. (Prior code § 5530.3)

8.16.080 Open air markets prohibited.

No person shall operate, conduct or maintain any grocery market unless located in a building having walls on all four (4) sides. (Prior code § 5560)

CHAPTER 8.17 CHILDREN'S MEALS

8.17.010 Purpose.

Recognizing the dangers of childhood obesity and the connection between this epidemic and sugar-sweetened beverages, the purpose of this Chapter is to promote healthy lifestyles in the children and youth of the City of Long Beach and to combat the childhood obesity epidemic by limiting the beverages offered in meals for children and youth to healthy choices. (ORD-17-0027 § 1, 2017)

8.17.020 Definitions.

A. "Children's meal" means a combination of food items, or food item(s) and a beverage, sold together as a single price, primarily intended for consumption by children.

B. "Restaurant" means a food establishment that serves food to customers for consumption on- or off-premises, including fast-food and full-service dining establishments. It includes, but is not limited to, drive-through or walk-up counters, coffee shops, cafes, pizza parlors, and dine-in establishments. A restaurant, for purposes of this Chapter, may provide alcoholic beverage sales for drinking onpremises, provided that such sales are ancillary to food service.

C. "Default beverage" means the beverage automatically included or offered as part of a children's meal, absent a specific request by the purchaser of the children's meal for an alternative beverage. (ORD-17-0027 § 1, 2017)

8.17.030 Default beverages in children's meals.

A. A restaurant that sells a children's meal that includes a beverage shall make the default beverage offered with the children's meal one of the following:

1. Water, sparkling water, or flavored water, with no artificial sweeteners or additives;

2. Nonfat or one percent (1%) milk, or non-dairy milk alternative that is under one hundred thirty (130) calories per container and/or serving offered for sale; or

3. One hundred percent (100%) juice, with no artificial sweeteners or additives, that is under forty (40) calories per serving.

B. Nothing in this Section prohibits a restaurant's ability to sell, or a customer's ability to purchase, a substitute or alternative beverage instead of the default beverage offered with a children's meal, if requested by the purchaser of the children's meal. (ORD-17-0027 § 1, 2017)

8.17.040 Inspection.

All restaurants shall be subject to inspections conducted on a periodic basis pursuant to Chapter 8.44 of this Code and any other applicable laws to determine whether they comply with the requirements of this Chapter. (ORD-17-0027 § 1, 2017)

8.17.050 Enforcement.

In addition to all other available remedies at law, this Chapter shall be enforceable through the use of the administrative citation procedures set forth in Chapter 9.65 of this Code. (ORD-17-0027 § 1, 2017)

8.17.060 Construction.

This Chapter shall be construed so as not to conflict with applicable federal or state laws, rules, or regulations. Nothing in this Chapter authorizes any City agency to impose any duties or obligations in conflict with limitations on municipal authority established by federal or state law. (ORD-17-0027 § 1, 2017)

8.17.070 Severability.

If any provisions of this Chapter, or the application thereof to any person or circumstance, is held invalid, that invalidity shall not affect any other provision or application of this Chapter that can be given effect without the invalid provision or application; and to this end, the provisions or applications of this Chapter are severable. (ORD-17-0027 § 1, 2017)

CHAPTER 8.20 BAKERIES

8.20.010 Bakery defined.

A "bakery" means any room or place where bread, crackers, cakes, pies, breadstuffs, of any kind or any product of flour or meal are baked or cooked or mixed or prepared for baking or cooking or for sale for food; provided, however, that the term "bakery" shall not be deemed to include restaurants, hotels, cafes, boarding houses or other public eating places. (Prior code § 5540)

8.20.020 Elevation restricted.

No person shall establish any bakery in any room or place, the floor of which is more than four feet (4') below the level of the adjacent street, walk or ground, provided this Section shall not apply to any clean, well-drained and sanitary room used exclusively for storage of flour, meal or other articles necessary in the preparation, baking or cooking of bread, crackers or cake, pies, breadstuffs of any kind, or any other products of flour or meal. (Prior code § 5540.1)

8.20.030 Drainage and plumbing.

Every building or room used for a bakery shall be well-drained and all plumbing shall conform to the ordinances regulating plumbing, and all rules and regulations that may be adopted by the Health Department. No water closet, urinal, earthen closet or privy shall be within or communicated with any room where bread or other breadstuffs or products of meal or flour are cooked, baked or mixed or prepared for cooking or baking. (Prior code § 5540.2)

8.20.040 Construction standards.

Every building or room used for a bakery shall be of good workmanship; the floors, walls and ceiling shall be clean and dry and so constructed as to exclude rats, mice, insects and all other vermin. Ample toilet facilities shall be provided in all bakeries, separate and apart from any utensils used in the preparation of bakery products, so as to enable employees therein or thereof to keep their persons clean. (Prior code § 5540.3)

8.20.050 Floors and ceilings.

The floors in all bakeries must be smooth and have an impregnable surface and be constructed of wood, cement or tile laid in cement. The rooms shall be not less than eight feet (8') in height; all ceilings and sidewalls shall be tight and well constructed and whitewashed or painted at intervals not longer than twelve (12) months and oftener, if for sanitary reasons the Health Department deems it necessary. (Prior code § 5540.4)

8.20.060 Furnishings and utensils.

All furnishings, utensils, and receptacles used in or about the preparation of bakery products shall be kept clean. (Prior code § 5540.5)

8.20.070 Dressing rooms.

Dressing rooms for employees or other persons shall be separated from the bakery or storage rooms of a bakery by walls or other substantial partitions at least six feet (6') in height. (Prior code § 5540.6)

8.20.080 Storage of ingredients and products.

All raw materials capable of being used in the preparation of bakery products and all bakery products shall be thoroughly enclosed, covered or protected from dust and dirt at all times while said bakery is being swept, dusted, or cleaned. (Prior code § 5540.7)

8.20.090 Employee clothing.

Every person employed in any bakery shall, while engaged in or about such work, wear shoes or slippers and an external suit of coarse linen or

other washable material, and such slippers, shoes and garments shall at all times be kept clean and in a sanitary condition. (Prior code § 5540.8)

8.20.100 Use as dwelling prohibited.

No person shall use for the purpose of a dwelling or sleep in any bakery or storage room or any room having a door opening or leading into any such bakery or store room connected or used in connection with or belonging to any bakery. (Prior code § 5540.9)

8.20.110 Dressing or clothes storage prohibited.

No person shall dress or undress or leave or store any clothing in any bakery or store room connected therewith. (Prior code § 5540.10)

8.20.120 Tobacco use prohibited.

No person shall smoke or chew tobacco or use the same in any form or manner in any bakery or store room connected therewith. (Prior code § 5540.11)

8.20.130 Communicable disease prohibited.

No person affected with pulmonary tuberculosis, venereal disease or other communicable disease shall work or be employed in any bakery, and no person shall employ any such person to work or be employed in any bakery. (Prior code § 5540.12)

8.20.140 Animals and fowl prohibited.

No person shall keep any animal or fowl in any bakery or store room connected therewith, and no person shall conduct any bakery in any building where any animal or fowl is kept. (Prior code § 5540.13)

8.20.150 Wrapping or covering products required.

No person shall receive for sale, sell, offer for sale or keep for sale, any bread without having each loaf of such bread entirely covered with oiled, grease-proof parchment or paraffin paper, or carry, transport or convey any bread or bakery products upon or along any street, alley, thoroughfare or open space unless the same is thoroughly enclosed or covered and protected from dust, dirt, flies or other insects, or deliver or leave any bread or bakery products on any porch, step, open or exposed place unless such article so delivered or left is thoroughly enclosed, covered and protected; provided, however, that the provisions of this Section shall not prohibit the display of bread under a showcase or in a window properly protected from flies, where the same is manufactured and sold on the same premises. (Prior code § 5540.14)

8.20.160 Sealed storage of fruit, vegetables and syrups.

No person shall keep any fruit, vegetable or syrup in any tin vessel in any bakery or store room connected therewith, unless such vessel is so sealed or fastened as to prevent the air from entering same. (Prior code § 5540.15)

8.20.170 Interference with inspector prohibited.

No person shall refuse to permit or allow the Health Officer or any authorized inspector to enter or inspect or examine any portion of any bakery or other place where bakery products are cooked, kept, sold, or offered for sale. No person shall interfere with or hinder in any manner the Health Officer in the inspection or the examination of such bakery or other place where bakery products are kept, sold, offered for sale or prepared for transportation; or in the inspection or examination of any wagon or other conveyance or receptacle used for the cartage, transportation or conveyance of any bakery products in, upon, or along any street, alley, thoroughfare, or open space, or any private driveway or other private property. (Prior code § 5540.16)

CHAPTER 8.24 FISH CANNERIES

8.24.010 Zoning restriction.

No person shall clean or dress fish for commercial purposes except within a zone authorizing such use. (Prior code § 5550.12)

8.24.020 Permit—Required.

No person shall conduct or operate any fish cannery within the City without first applying for and receiving a fish cannery permit from the Health Officer. (Prior code § 5550.14)

8.24.030 Permit—Application.

Every applicant for a fish cannery permit shall file with the Health Officer a written application therefor. The application shall state the name and address of the applicant and, if the applicant is not a permanent resident of the City, the name and address of the agent of the applicant residing in the City and having the management of the cannery. The application shall also contain a description of the property, by street and number, where it is proposed to conduct or operate, or cause to be conducted or operated, the fish cannery, and if the location thereof has no street number, then the description as will enable the same to be easily found. (Prior code § 5550.15)

8.24.040 Permit—Issuance—Suspension.

If, after investigating and considering such application, it appears to the Health Officer that the statements made therein are true, that the existing sanitary conditions in such place comply with the provisions of the laws and ordinances in force at the time of the application, and conform to the rules and regulations of the Health Department regulating the sanitary conditions of such places, the Health Officer shall grant the permit applied for; provided, however, that the permit shall be granted only upon the express condition that it shall be subject to suspension, for a period not exceeding ninety (90) days, by the Health Officer in his discretion and upon proof to his satisfaction of the violation by the holder of the fish cannery permit, his employee, servant, agent or any person acting with his consent or under his control, of any provision of any law of the State, or of any ordinance of the City or of any rule of the Health Department regulating fish canneries; and provided further, that no fish cannery permit shall be suspended without a hearing before the Health Officer in the matter of the suspension permit, and notice of the hearing shall be given, in writing, and served upon the holder of the fish cannery permit, his manager or agent, at least five (5) days prior to the date of the hearing, and the notice shall state the ground of complaint against the holder of the fish cannery permit, and shall state the time and place when and where the hearing will be had. The notice shall be served by delivering a copy thereof to the holder of the fish cannery permit or to his manager or agent, or to any person in charge of or employed at his fish cannery, or by leaving the notice at the place of business or place of residence of any such persons with some person over the age of eighteen (18) years; or if the holder of the permit cannot be found and personal service of the notice cannot be made upon him, or upon his manager, agent or person in charge of or employed in the fish cannery, or with some person over eighteen (18) years of age at his place of business or place of residence, then a copy of the notice shall be posted upon the cannery and a copy mailed, postage fully prepaid, addressed to the holder of the fish cannery permit at his last place of business, at least five (5) days prior to the date of the hearing. (Prior code § 5550.16)

8.24.050 Unwholesome fish prohibited.

No person conducting or carrying on any fish cannery in the City shall receive in such fish cannery, or upon the premises surrounding the same, any decomposed, tainted, corrupted, diseased or unwholesome fish, or any fish from which the head has been removed, or any fish from which all viscera, that is, all of the contents of the abdominal cavity, have not been previously removed; or shall have, keep or store in their cannery, or their property surrounding the same, any canned or cooked fish which, for any reason, is unsafe or unfit for human food; provided, however, that this provision shall not apply to the necessary accumulation of inedible product resulting from the ordinary methods of food preparation. (Prior code § 5550.17)

8.24.060 Dumping in harbor prohibited.

No person managing, conducting or carrying on any fish cannery in the City shall dump or place

any fish offal, oil or residue from the cooking of soup in the Long Beach harbor. (Prior code § 5550.18)

8.24.070 Refuse collection and removal.

Every person managing, conducting or carrying on any fish cannery in the City shall provide such fish cannery with metal receptacles sufficient for keeping refuse and offal produced in such cannery; shall keep such receptacles in a sanitary condition; shall not use such receptacles for any edible product; and shall not permit refuse and offal to accumulate in or about the canneries but shall remove or otherwise dispose of the same before any putrefaction commences. (Prior code § 5550.19)

8.24.080 Tobacco use prohibited.

No person shall smoke or use tobacco in any form in any fish cannery operating within the City. (Prior code § 5550.20)

8.24.090 Lavatory facilities.

Every person conducting or carrying on any fish cannery in the City shall provide the fish cannery with convenient and adequate toilet and lavatory facilities and all employees therein shall keep themselves clean. (Prior code § 5550.21)

8.24.100 Construction and equipment.

Every place or building used as a fish cannery in the City shall be of good and strong workmanship, shall be provided with adequate means to exclude flies and rodents therefrom, and all utensils, receptacles and other appliances and appurtenances shall be kept clean and in a safe and sanitary condition. (Prior code § 5550.22)

8.24.110 Inspection authorized.

The Health Officer, his deputy or other officer delegated by him, is empowered to enter any fish cannery located within the City at any time for the purpose of inspection and to enforce any of the provisions of this Chapter, or of any law, rule or regulation governing such places in the City. (Prior code § 5550.23)

8.24.120 Condemnation and removal of products.

Any fish received, kept or stored in any fish cannery or on the premises surrounding the same, within the City, or at any other place in the City, in violation of any of the provisions of this Chapter, or of any law, rule or regulation governing fish canneries in the City at the time, shall be condemned, and the Health Officer, his deputy or other officer delegated by him, shall mark or mutilate such fish so condemned and make the fact of such condemnation apparent and shall immediately, in writing, order the person in charge of the cannery, or in the possession of the fish, to remove the same from the premises within such time as may be fixed in the order, and every such person so ordered to remove condemned fish shall immediately after the removal of the same make a report in writing to the Health Officer stating the time and manner of the removal and disposal of the condemned fish. Copies of all condemnations and reports of removal shall be filed in the office of the Health Officer. (Prior code § 5550.24)

CHAPTER 8.26 INDUSTRIAL HYGIENE SERVICES

8.26.010 Purpose.

The purpose of this Chapter is to prescribe minimum sanitary, environmental and preventive public health requirements for the protection of the health of all employees and the public in establishments subject to the provisions of this Chapter. (Ord. C-5891 § 1 (part), 1982)

8.26.020 Scope.

This Chapter shall apply to all establishments in which articles are manufactured, processed, cleaned, sorted, assembled or renovated, in whole or in part, educational facilities, establishments in which the public may be present, and those establishments practicing the healing arts. (Ord. C-5891 § 1 (part), 1982)

8.26.030 Definitions.

The following words and terms as used in this Chapter shall have the meanings as indicated in this Section as follows:

A. "Adequate or approved" means in conformance with good health practices which in the opinion of the Health Officer are sufficient to protect the health and well being of the employee.

B. "Breathing zone" means the area or zone of a worker's head during normal operation of a process while at work.

C. "Capture velocity" means the velocity of air at specific points or zones which causes air contaminants to flow to an exhaust system.

D. "Conveying velocity" means the air speed determined to be necessary to convey a contaminant through a duct or system.

E. "Corrosive substance" means any substances which on contact with living tissue will cause destruction of tissue by chemical action, but does not refer to action on inanimate surfaces.

F. "Dermatitis" means inflammation of the surface of the skin or epidermis.

G. "Employee" means any person, including an owner, or partner who works in or is employed in a place of employment.

H. "Employer" means any person who directly or indirectly, or through an agent or any other person, employs or exercises control over the wages, hours, or working conditions of a man, woman or minor.

I. "Gassing" means the rate of generation of a contaminant.

J. "General ventilation" means introduction of uncontaminated air into an area, room or building or exhausting air therefrom by other than local exhaust ventilation systems.

K. "Health Officer" means the Health Officer of the City of Long Beach.

L. "Hood" means any air intake device connected to an exhaust ventilation system or duct to capture and remove dust, fumes, gases, vapors, mists, smoke, heat or otherwise provide local exhaust ventilation.

M. "Irritant" means any substance not necessarily corrosive as defined herein, but which on either immediate, prolonged or repeated contact with normal living tissue will induce a local inflammatory reaction.

N. "Lateral exhaust" means local exhaust ventilation designed with slots at the periphery or along the midsection of a surface or tank for the purpose of preventing escape of significant amounts of contaminants to the breathing zone.

O. "Local exhaust ventilation" means a ventilating system intended to capture air contaminants at or near their point of origin and transport them to an approved exhaust system.

P. "Occupational disease" as hereinafter used means any disease or infection, including dermatitis, which is peculiar to the industrial process, trade or occupation in each instance and which arises out of and in the scope of employment, and to which an employee is not ordinarily subjected or exposed other than during a period of regular actual employment therein.

Q. "An occupational health hazard" within the meaning of this Code is any risk to employee's health associated with or arising out of his occupation or occupational work or environment.

R. "Place of employment or industrial establishment" means every place where persons are employed.

S. "Sanitary condition" means that physical condition which will tend to prevent the incidence and spread of disease.

T. "Strong sensitizer" means a substance which will cause on normal living tissue through an allergic or photodynamic process, a hypersensitivity which becomes evidence on reapplication of the same substance and which is so recognized by national authority. Before designating any substance as a strong sensitizer, the department, upon consideration of the frequency of occurrence and severity of the reaction, shall find that the substance has a significant potential for causing hypersensitivity.

U. "Toilet facilities" means fixtures maintained within toilet rooms for the purpose of defecation.

V. "Toilet room" means a room maintained within or on the premises of any place of employment containing toilet facilities for use of employees, and shall be used for no other purpose.

W. "Toxic substance" means any substance other than a radioactive substance which has the capacity to produce personal injury or illness to man through ingestion, inhalation or absorption through any body surface.

X. "Urinal" means a fixture connected with a sewer, maintained within a toilet room for the sole purpose of urination.

Y. "Water closet" means a toilet facility which is connected to a sewer and flushed with water under pressure. (Ord. C-5891 § 1 (part), 1982)

8.26.040 Water supply.

The employers or other persons as provided herein shall be responsible for the following requirements relating to water supply as set forth herein:

A. It shall be the responsibility of the owner, operator or employer to provide to every place of employment at all times an adequate supply of running water under pressure for use by human beings for both drinking, face and body washing purposes. Such supply and the facilities, and the location of such facilities, must be approved by the Health Officer.

B. Ice in contact with drinking water or other beverages shall be made of potable water and maintained in a sanitary condition. All containers used for drinking water shall be of a type and of a construction approved by the Health Officer.

C. No employee shall provide or expose for common use, or permit to be so provided or exposed or allow to be used in common, any cup, glass, or other receptacle used for drinking purposes.

D. Where single-service drinking cups are supplied, there shall be provided by the owner at all times, an approved sanitary container for the unused cups and also an approved receptacle for disposing of the used cups.

E. When sanitary drinking fountains are provided in compliance with this Code, it shall be the responsibility of the employer that they shall be of the angle jet type, with guard, and in good working order at all times, and must be of a design approved by the Health Officer. When such drinking fountains are provided, at least one (1) must be provided for each fifty (50) employees, or fraction thereof.

F. No person shall fail to provide a drain from any drinking fountain or other potable water source. Said drain shall be connected to an approved drainage system as approved by the Health Officer.

G. No employer or employee shall provide an open container such as barrels, pails, or tanks for drinking water for general use, from which the water must be dipped or poured, whether fitted with a cover or not. (Ord. C-5891 § 1 (part), 1982)

8.26.050 Sanitary facilities.

The employer shall be responsible for the following requirements relating to sanitary facilities as set forth herein:

A. Separate toilet facilities shall be provided by the employer for each sex according to the following table:

Number of Employees	Minimum Number of Water Closets*
1 to 15	1
16 to 35	2
36 to 55	3
56 to 80	4
81 to 110	5
111 to 150	6
over 150	1 additional for each additional 40 employees or fraction thereof

* Urinals may be installed instead of water closets in toilet rooms to be used only by men provided that the number of water closets shall not be less than two-thirds of the minimum number of toilet facilities specified.

When there are less than five (5) employees, separate toilet rooms for each sex are not required provided toilet rooms can be locked from the inside and contain at least one (1) water closet.

B. When persons other than employees are regularly permitted the use of toilet facilities on

the premises, the number of such facilities shall be correspondingly increased in accordance with this Section.

C. Toilet facilities shall be kept clean, maintained in good working order and be accessible to the employees at all times. Where practicable, toilet facilities should be within two hundred feet (200') (sixty-one (61) meters) of locations at which workers are regularly employed and should not be more than one (1) floor-to-floor flight of stairs from working areas.

D. The requirements of this Section do not apply to mobile crews or to normally unattended work locations provided employees at these locations have immediately available transportation to nearby toilet facilities which meet the other requirements of this Section.

E. All water-carried sewage shall be disposed of by means of either a public sewage system or by a sewage disposal system in conformance with applicable state and local laws, ordinances, and regulations. The sewage disposal method shall not endanger the health of employees.

F. An adequate supply of toilet paper with holder shall be provided for every water closet.

G. Covered receptacles for sanitary napkin disposal shall be provided in all toilet rooms used by women.

H. Washing facilities shall be provided in every toilet room or be adjacent thereto. A minimum of one (1) lavatory shall be provided for every three (3) toilet facilities, or fraction thereof, required by this Section. (See Subsection 8.25.060.C for total number of required washing facilities including those associated with toilet rooms).

I. The floors, walls and ceilings of all toilet rooms shall be of a nonabsorbent material approved by the Health Officer that can be easily cleaned and maintained in good repair.

J. All outside windows of all toilet rooms shall be equipped with suitable and effective insect screens approved by the Health Officer.

K. All inside toilet rooms shall be effectively vented to the outside air by mechanical means as approved by the Health Officer.

L. Every water closet bowl shall be set entirely free and open from all enclosing woodwork, and shall be so installed that the space around the fixture may be easily cleaned. (Ord. C-5891 § 1 (part), 1982)

8.26.060 Washing facilities.

Adequate facilities for maintaining personal cleanliness shall be provided by the employer in every place of employment. Their number and proximity to the employees shall be such as to fulfill properly the requirements set forth in this Code and shall be maintained in a clean and sanitary condition at all times and in compliance with the following:

A. Washing facilities for maintaining personal cleanliness shall be provided in every place of employment. These facilities shall be reasonably accessible to all employees.

B. Washing facilities shall be maintained in good working order and in a sanitary condition.

C. Lavatories, including those associated with toilet rooms, shall be made available according to the following table:

Type of Employment	Number of Employees	Minimum Number of Lavatories
Nonindustrial-office buildings, public buildings, and similar establishments	1 to 15	1
	16 to 35	2
	36 to 60	3
	61 to 90	4
	91 to 125	5
	over 125	1 additional for each additional 45 employees fraction thereof
Industrial-factories, warehouses, loft buildings, and similar establishments	1 to 100	1 for each ten employees
	over 100	1 additional for each additional 15 employees or fraction thereof

In a multiple-use lavatory, twenty-four (24) lineal inches (sixty-one cm) of sink or eighteen (18) inches (forty-five cm) of circular basin, when provided with individual faucet, shall be considered equivalent to one (1) lavatory.

D. The requirements of Subsection C of this Section do not apply to mobile crews or to nor-

mally unattended work locations provided employees working at these locations have readily available transportation to nearby washing facilities which meet the other requirements of this paragraph.

E. Each lavatory shall be provided with running water and suitable cleansing agents. The water shall be available at temperatures of at least eighty-five degrees Fahrenheit (85°F.) in those instances where:

1. Substances regulated as carcinogens in these orders are used.

F. Clean individual hand towels, or sections thereof, of cloth or paper or warm-air blowers convenient to the lavatories shall be provided. Warm-air blowers shall provide air at not less than ninety degrees Fahrenheit (90°F.), shall have means to automatically prevent the discharge of air exceeding one hundred forty degrees Fahrenheit (140°F.), and shall have electrical components which meet the requirements of the Electrical Safety Orders of Title 8 of the California Administrative Code.

G. Receptacles shall be provided for the disposal of used towels.

H. Where showering is required:

1. Separate shower rooms shall be provided for each sex. One (1) shower facility with hot and cold water feeding a common discharge line shall be provided for each ten (10) employees, or numerical fraction thereof, who are required to shower during the same shift. When there are less than five (5) employees the same shower may be used by both sexes provided the shower room can be locked from the inside.

2. Body soap or other appropriate cleansing agents convenient to the shower shall be provided.

3. Employees who use showers shall be provided with individual clean towels.

I. Where there is exposure to skin contamination with poisonous, infectious or irritating materials, one (1) lavatory shall be provided for each five (5) persons. Where wash sinks or circular basins are used, twenty-four (24) lineal inches of wash sink or eighteen inches (18") of circular basin, when provided with water outlets for each space, shall be considered equivalent to one (1) lavatory. In all instances, a suitable cleansing agent shall be provided at each wash place.

J. Employers shall provide change rooms, showers, baths, or lavatories having hot and cold running water, soap and towels, in every place of employment where lack of such facilities may constitute an occupational health hazard and may result in an occupational disease. (Ord. C-5891 § 1 (part), 1982)

8.26.070 Lunch rooms.

A. In all places of employment where employees are permitted to lunch on the premises the employer shall provide an adequate space suitable for that purpose for the maximum number of employees who may use such space at one time. Such space shall be separate and apart from any location where there is an exposure to toxic materials.

B. The employers shall provide receptacles constructed of smooth, corrosion-resistant, easily cleanable or disposable materials which shall be used for the disposal of food. The number, size and location of such receptacles shall be adequate to prevent overfilling. Receptacles containing food waste shall be emptied not less than once each working day and shall be maintained in a clean and sanitary condition. They shall be provided with solid, tight-fitting covers and be covered at all times when containing waste food.

C. It shall be unlawful for any employer to permit any employee, or for any employee to store or eat any part of his or her lunch or other food at any time where there are present any toxic materials or other substances that may be injurious to health. (Ord. C-5891 § 1 (part), 1982)

8.26.080 Sanitation of respiratory equipment.

The employer shall provide the means for cleaning and sanitizing all respiratory equipment, and it shall be the duty of the employer to cause such equipment to be maintained in a clean and sanitary condition. Respiratory equipment shall not be passed on from one (1) person to another until

such equipment is cleaned and sanitized. When filter or cartridge type respirators are used, each employee shall have such respirator for his or her own exclusive use. Respiratory equipment and replacement units shall be stored, when not in use, in containers approved by the Health Officer. (Ord. C-5891 § 1 (part), 1982)

8.26.090 Health hazards—General.

No person, firm, corporation or employer shall use, or permit to be used, in the conduct of any business, manufacturing establishments, or other places of employment, any material or condition determined by the Health Officer to have possible adverse effects on the health of any person or persons employed therein unless arrangements have been made to maintain the environment to the extent that such injury will not result as approved by the Health Officer. (Ord. C-5891 § 1 (part), 1982)

8.26.100 Health hazards—Health Officer power to declare a material as a toxic substance.

Whenever, in the judgment of the Health Officer, such action will promote the objective of this Code by avoiding or resolving uncertainty as to their application, the Health Officer may declare any specifically named material, compound, substance or mixture thereof to be a "toxic substance". (Ord. C-5891 § 1 (part), 1982)

8.26.110 Health hazards—Inspections and orders.

The Health Officer shall make health and sanitary inspections of places of employment to determine whether any manufacturing process or procedure may have an adverse effect on the physical health of employees or members of the public. Where necessary, the Health Officer shall order the employer to take corrective action to protect the health and well being of employees and members of the public. Any person failing to comply with such an order from the Health Officer shall be guilty of a misdemeanor. (Ord. C-6326 § 1, 1986: Ord. C-5891 § 1 (part), 1982)

8.26.120 Sanitation in places of employment.

It shall be unlawful for any employer to fail to maintain any place of employment in a sanitary manner free of vermin, dirt, dusts, manufacturing debris, unusable or unused chemicals, and unsalvageable materials. Storage of such materials shall be in containers approved by the Health Officer for such use and be of adequate size and number as to eliminate improper storage conditions. Said materials are to be removed on a regular basis and of sufficient frequency as approved by the Health Officer. (Ord. C-5891 § 1 (part), 1982)

8.26.130 Lighting.

Every employer shall equip each place of employment with lighting facilities which will adequately and effectively illuminate all operations and areas. The Health Officer shall adopt those lighting standards set forth by the Society of Illuminating Engineers to the National Institute for Occupational Safety and Health (NIOSH). (Ord. C-5891 § 1 (part), 1982)

8.26.140 Liquid discharge.

No person shall discharge any liquid from any industrial process on the ground or other surface in any place of employment or on public or private property. To avoid creating a hazardous or unsanitary environmental condition for employees or members of the public, an employer shall provide proper drainage, as approved by the Health Officer, for any discharge of liquid from any industrial process. (Ord. C-6326 § 2, 1986: Ord. C-5891 § 1 (part), 1982)

8.26.150 Aisle and passageway sanitation.

Permanent aisles and passageways shall be provided by the employer and kept clean and the floor surfaces thereof shall be kept in good repair. (Ord. C-5891 § 1 (part), 1982)

8.26.160 Maintenance of equipment.

It shall be the responsibility of the employer to regularly inspect all fans, fan blades, hoods, ducts, filters and baffles and shall properly clean, main-

tain, repair or replace as often as is necessary said equipment to maintain performances of the involved systems to intended design requirements. (Ord. C-5891 § 1 (part), 1982)

8.26.170 Storage of chemicals.

It shall be unlawful for any person to store together, incompatible chemicals as determined by the Health Officer which, if combined, would produce a toxic product. (Ord. C-5891 § 1 (part), 1982)

8.26.180 Storage of unopened drums and carboys.

It shall be the responsibility of the employer to provide proper storage for all unopened drums and boxed carboys. Such materials, if stacked upright and two or more layers high, shall be staggered or with pallets between layers so as to provide stability to such stacks. (Ord. C-5891 § 1 (part), 1982)

8.26.190 Storage of opened drums and carboys.

It shall be the responsibility of the employer to see that opened drums shall be stored upright and shall not be stacked. Exception: For the purpose of dispensing, such drums may be stored on their sides not over two (2) tiers high if dispensing spigots are installed on the drums and the drums are secured in place. (Ord. C-5891 § 1 (part), 1982)

8.26.200 Stacking of opened carboys prohibited.

No person shall stack carboys which have been opened. (Ord. C-5891 § 1 (part), 1982)

8.26.210 Identification and labeling of toxic substances.

The employer should at all times store and label toxic substances in a manner approved by the Health Officer. Said materials shall be protected from sources of external corrosion or damage and maintained in containers of sound construction designed to contain the toxic substance stored therein. (Ord. C-5891 § 1 (part), 1982)

8.26.220 Review of plans.

The Health Officer may review and approve or disapprove all plans and specifications pertaining to the design of ventilation systems for all places of employment or public occupancy, for the control of environmental health hazards and shall have the authority to require the submission of such plans and specifications. The employer shall submit all plans and specifications at the request of the Health Officer and shall not use, operate, or allow any person to work with any hazardous materials until the Health Officer has approved said installation. (Ord. C-5891 § 1 (part), 1982)

8.26.230 Violations.

A. Any person violating any provision or failing to comply with any of the mandatory requirements of this Chapter shall be guilty of a misdemeanor, and any person so convicted shall be subject to such punishment as is provided in the Municipal Code of the City of Long Beach for such misdemeanor offense. Each such person shall be guilty of a separate offense for each and every day during any portion of which any violation of any provision of this Chapter is committed, continued or permitted by such person and shall be punishable accordingly.

B. All other applicable general penalty provisions of the Municipal Code shall apply to violations of this Chapter. (Ord. C-5891 § 1 (part), 1982)

8.26.240 Construction of Chapter.

In adopting this Chapter, it is not the intention of this City Council to intrude upon any area or provisions of Federal or State law that are preemptive of local legislative or regulatory authority, and to the extent that any such intrusion may be suggested, the provisions of this Chapter should be construed to be consistent with and not in conflict with such Federal and State law including but not limited to the provisions of the Occupational Safety and Health Acts. (Ord. C-5891 § 1 (part), 1982)

CHAPTER 8.27 COMMUNITY LEAD HAZARD CONTROL/ABATEMENT

8.27.010 Purpose.

The purpose of this Chapter is to require the removal of lead hazards when the Health Officer has found that a child under six (6) years of age has an elevated blood lead level as a result of such a hazard. (Ord. C-7367 § 1, 1995)

8.27.020 Scope.

This Chapter shall apply to any dwelling, dwelling unit, hotel, motel, guest room, child care facility, institution, yard, soil, or any premises or areas inhabited or frequented by children. The property owner or responsible party shall be responsible for the removal or the control of any lead hazard. The extent of the removal or the control of the lead hazard shall be determined by the City Health Officer or his/her representative and completed in accordance with approved State or Federal methods. (Ord. C-7367 § 1, 1995)

8.27.030 Definitions.

A. "Abatement" shall mean measures designed to permanently eliminate known lead hazards to a child, including, but not limited to the following:

1. The removal of lead-based paint from a building component, the replacement of a building component painted with a lead-based paint or the enclosure or encapsulation of lead-based paint.

2. Removal or covering of lead contaminated soil and dust.

3. Removal of any item found to be a lead hazard to a child.

4. All preparation, clean-up, worker protection, disposal and post abatement clearance testing activities associated with such measures.

B. "Child" means any person who is under six (6) years of age.

C. "Materials containing dangerous levels of lead-containing substances" means any soil, dust, water, food, household and cosmetic products, pottery, folk remedies, hobby items, paint, varnish, or other material which contains lead or its compounds in a quantity, when measured by any scientifically accepted method, determined by the Health Officer to constitute a lead hazard to children; or that level as determined in the most recent standards as established by the U.S. Department of Health and Human Services, U.S. Department of Housing and Urban Development, Centers for Disease Control and Prevention, the U.S. Environmental Protection Agency, or the California Department of Health Services.

D. "Elevated blood level for lead" means a confirmed blood level of twenty (20) micrograms of lead or greater per deciliter of venous blood, or two (2) consecutive confirmed blood lead levels of fifteen (15) micrograms per deciliter within three (3) months, or that level as determined in the standards as established by the United States Department of Health and Human Services, the Centers for Disease Control and Prevention, the California State Department of Health Services, or the Health Officer for the City of Long Beach.

E. "Encapsulation" means a method of abatement that involves the coating and sealing of surfaces with durable surface coatings specifically formulated to be elastic, able to withstand sharp and blunt impacts, long-lasting, and resilient, while also resistant to cracking, peeling, algae, fungus, and ultraviolet light, so as to prevent any part of lead-based paint from becoming part of house dust or otherwise accessible to children. Paint is not an encapsulant unless approved for such use by the U.S. Environmental Protection Agency or the City Health Officer.

F. "Enclosure" means a method of abatement that involves the resurfacing or covering of surfaces with durable materials such as gypsum board or paneling, and sealing or caulking the edges and joints so as to prevent or control caulking, flaking, peeling, scaling, or loose lead-based paint from becoming part of house dust or otherwise accessible to children.

G. "Interim controls" means strategies or measures to temporarily reduce a lead hazard to a child including, but not limited to specialized cleaning, paint stabilization, painting, repairs and maintenance.

H. "Lead-based paint" means any paint or other surface coating that contains lead in excess of 1.0 milligrams per square centimeter, as measured by x-ray fluorescence (XRF), or 0.5 percent (5,000 parts per million [ppm]) by weight as measured by approved laboratory analytical methods, or that level as determined in the most recent standards as established by the U.S. Environmental Protection Agency.

I. "Lead hazard control" means a range of measures through abatement or interim controls to control lead hazards to children.

J. "Lead hazards to children" shall mean the presence of a readily accessible, dangerous level of lead-containing substance on the exterior or interior of a surface, fixture, connection or appurtenance of any dwelling, dwelling unit, hotel, motel, guest room, child care facility, institution, yard, soil or any premises inhabited or frequented by children that may cause an elevated blood lead level.

K. "Readily accessible" means in a dusty, peeling, flaking, or chipped condition, or located on or in a substance or surface from which it may be chewed, ingested or inhaled by children.

L. "Replacement" means a method of abatement that removes components such as windows, doors and trim that have lead-based painted surfaces, and installs new or de-leaded components free of lead-based paint. (Ord. C-7367 § 1, 1995)

8.27.040 Inspection.

The Health Officer or his/her representative is empowered to enter any premises or area inhabited or frequented by a child with an elevated blood lead level for the purpose of inspection, sampling, and enforcement of the provisions of this Chapter, subject to any applicable requirements of law relating to such entry. (Ord. C-7367 § 1, 1995)

8.27.050 Violations.

It is declared unlawful and a misdemeanor for any person owning, leasing, occupying or having charge or possession of any premises:

A. To refuse or neglect to remove or reduce known lead hazards to a child if ordered to do so by the Health Officer or his/her representative; or

B. To damage, disturb, neglect or remove any abatement or interim control measures so as to cause a lead hazard to a child; or

C. To permit readily accessible, dangerous levels of lead-containing substances to remain on any toy, furniture, food container or utensil, household product, or the exterior or interior surfaces, soil fixtures or appurtenances of any dwelling, dwelling unit, child care facility, institution, hotel guest room, rooming house, or any premises inhabited or frequented by children; or

D. To sell, offer for sale, display for sale, hold for sale, give away, apply, maintain on any surface accessible to children, or cause to be applied any paint in excess of 0.06% lead by weight for use on interior or exterior surfaces, fixtures or appurtenances of any dwelling, dwelling unit, institution, hotel guest room, recreational facilities or equipment, furniture, cooking, eating, drinking utensils, or other household items. (Ord. C-7367 § 1, 1995)

8.27.060 Abatement procedure.

The City Health Officer or his/her representative shall commence enforcement under this Ordinance by inspecting premises inhabited or frequented by a child with an elevated blood lead level for the purpose of environmental assessment and enforcement.

A. If the inspection establishes the presence of lead-containing substances which have created a lead hazard to the child, the Health Officer or his/her agent shall issue an order to eliminate the hazard to the property owner, an agent of such owner, or the occupant of the premises.

B. The Health Officer or his/her agent may also issue interim control measures until permanent abatement measures are in place. (Ord. C-7367 § 1, 1995)

8.27.070 Abatement work plan.

A. Prior to implementation of an abatement work plan or interim control measures, property owners, their agents, or occupants of the premises must submit such plans for approval to the Health Officer or his/her representative.

B. The work plan shall include a description of the method to be used to reduce the hazard to the child; the disposal method for the lead-containing substances; the personnel performing the work; and other information requested by the Health Officer or his/her representative. (Ord. C-7367 § 1, 1995)

8.27.080 Qualifications of persons employed to perform lead hazard control or removal.

All individuals hired or employed by an owner, agent, or responsible party to perform lead-related construction, hazard control, removal, or abatement within the City must have a State of California Interim Certification, or Health Services Permanent Certification when such certification is available through the California State Department of Health Services. (Ord. C-7367 § 1, 1995)

8.27.090 Appeal—Order to control or remove hazard.

Within ten (10) days after notice by the Health Officer, his/her deputy, or other designated officer, the affected person may appeal a perceived incorrect measurement or procedure to the Director of the Department of Health and Human Services. The Director of the Department of Health and Human Services may sustain, reverse, or modify the decision of the Health Officer or his/her representative; such order may be made subject to specific conditions. (Ord. C-7367 § 1, 1995)

CHAPTER 8.28 MEAT PROCESSING*

8.28.010 Definitions.

The term "hamburger" or "hamburg steak" shall be deemed and construed to mean ground beef with or without suet added. (Prior code § 5550.1)

8.28.020 Inspection authorized.

The Health Officer is empowered to enter any place where meat, fish, game, poultry or any product thereof is stored, held, kept, exposed or offered for sale for human food, and every establishment where meat is manufactured into articles of human food or preserved, cured, canned or otherwise prepared for human food for the purpose of inspecting the same, and the stock therein contained, and whenever such meat, game, fish, poultry or the products thereof, are, upon such inspection and examination, found to be tainted, unwholesome or corrupted from any cause, or infected with any form of disease, the Health Officer shall condemn the same as unfit for human food and shall mark or mutilate the same, or make the fact of such condemnation and unfitness apparent, and shall immediately order the same, by notice in writing, to be removed from the premises within four (4) hours from the time of the service of the notice, and no person shall resist the entry and inspection by the Health Officer or fail to comply with the written notice. (Prior code § 5550.2)

8.28.030 Sales regulations.

A. No person shall hold, offer, keep or expose for sale any meat, game, fish, poultry or any article of food manufactured therefrom, that is immature, in-nutritious, emaciated, tainted, decayed, putrid, unwholesome or infected with any disease, or corrupted from any cause whatsoever.

B. No person shall sell, hold, keep, offer or expose for sale the flesh, meat or any meat food product intended for food purposes of any calf that is less than four (4) weeks old at the time it is slaughtered or weighs less than sixty-five (65) pounds after the removal of the viscera, feet and head.

C. No person shall remove, mutilate or destroy the umbilical or naval cord of any calf or remove the same from the pelt, hide or skin of any calf that is offered, held or exposed for sale, and the removal, mutilization or destruction of the same shall be considered as prima facie evidence of the immaturity of such calf.

D. No person shall sell, hold, keep, offer or expose for sale any beef, veal, mutton, pork or meat food product unless such veal, mutton, pork

***State law reference**—Provisions on meat inspection and sanitation, Health and S. C. § 111950 et seq.

or meat food product has been inspected by an agent of the Department of Agriculture of the State in accordance with the provisions of any existing law pertaining to the same, whether Federal, State or Municipal regulation, said inspection to be evidenced by a stamp bearing the words "California inspected and passed" or "U.S. inspected and passed", or by a stamp of an approved municipal meat inspection department.

E. No person shall sell, hold, keep or mingle any beef, veal, mutton, pork or meat food product thereof intended for purposes other than for human consumption, with any beef, veal, mutton, pork or meat food product intended for food purposes, in the same refrigerator, icebox, compartment, cooler, room or receptacle.

F. No person shall sell, hold, keep, offer or expose for sale any meat, fish, game, poultry or any product thereof, intended for human food, or carry, transport or convey the same in, upon, or along any street or open space unless the same is thoroughly enclosed and covered and protected from dirt, dust, flies and other insects; except, that the same may be allowed to remain uncovered and outside of a sanitary showcase or enclosure while the same is being prepared or cut up for market.

G. No person who does not have an established place of business in the City shall sell, offer or expose for sale any meats or meat food products, either fresh, smoked or processed, to any person other than wholesale meat dealers, retail meat dealers or operators of wholesale meat markets licensed to sell meat and meat food products in the City.

H. No person other than wholesale meat dealers, retail meat dealers, or operators of wholesale meat markets licensed to sell meat and meat food products in the City shall buy any meats or meat food products, either fresh, smoked or processed from any person who does not have an established place of business in the City.

I. No person shall sell, hold, keep, offer, or expose for sale, any hamburger or hamburg steak to which has been added any meat or substance other than the flesh of beef or beef suet, or to which has been added viscera, hearts, lungs, or other organs, or any preservative, coloring or any other substance, or which contains in excess of seventy percent (70%) moisture or thirty percent (30%) beef suet or fat.

J. No person owning, operating, managing or conducting any meat market, restaurant, delicatessen, butcher shop, or other food establishment, as defined in this Chapter, shall have, keep or store at such meat market, restaurant, delicatessen, butcher shop, or other food establishment, as defined in this Chapter, any beef, veal, mutton, pork or meat food product unless the same has been inspected by an agent of the Department of Agriculture of the State in accordance with the provisions of now existing laws pertaining to the same, whether Federal, State or Municipal regulations, said inspection to be evidenced by a stamp bearing the words "California inspected and passed," or "United States inspected and passed," or by a stamp of an approved municipal meat inspection department. The provisions of this Subsection shall include and apply to both wholesale and retail meat markets, restaurants, delicatessens, butcher shops or other food establishments. (Prior code § 5550.3)

8.28.040 Slaughterhouse location.

No person shall slaughter any animal or fowl except within an area properly zoned for such purpose. (Prior code § 5550.4)

8.28.050 Refrigeration plant—Inspection.

Every refrigeration plant where meat is stored shall be maintained and operated in a clean and sanitary manner and condition, and every such plant and all locker boxes, compartments and storage space therein shall be open at all time to inspection by the Department of Health. (Prior code § 5550.5)

8.28.060 Refrigeration plant—Uninspected meat—Storage.

A. Every person operating a cold storage or refrigeration plant for the storage of meat shall:

1. So handle and store uninspected meat, possession of which is authorized by law, that the same will not at any time come into physical contact with inspected meat;

2. Provide separate chilling, cutting and aging room or rooms for such uninspected meat;

3. Handle or store all such uninspected meat in rooms used for that purpose exclusively;

4. Use separate cutting and other utensils and separate cutting blocks for the butchering and cutting of inspected and uninspected meats.

B. For the purposes of this Section, the word "room" means any space in a building separated from other areas by substantial partitions reaching to the ceiling or not less than seven feet (7') high. (Prior code § 5550.6)

8.28.070 Refrigeration plant—Uninspected meat—Deposit statement contents.

No person, owning or operating a cold storage or refrigeration plant shall permit any person to store or place in said cold storage or refrigeration plant any:

A. Horse meat;

B. Any meat, unless the same has been slaughtered under the supervision of a United States Government Inspector in accordance with the regulations relating to the inspection of meats as prescribed by the Department of Agriculture of the United States, or unless the same has been slaughtered in an official establishment under the supervision of the State Veterinarian in accordance with the laws of the State regulating the inspection of animals slaughtered for human food, or under the supervision of the Health Officer or a meat inspector of the City in accordance with the provisions of this Chapter, without first procuring from the person storing said meat a written statement in triplicate setting forth:

1. The name and address of the person storing said uninspected meat,

2. The date of such storage,

3. That the person storing the same is the owner thereof,

4. A description of the slaughtered animal or animals (e.g., cattle, sheep, swine, etc.),

5. The quantity by weight of the meats so stored,

6. By whom slaughtered,

7. Where slaughtered,

8. The date the meat to be stored was obtained by the person storing same,

9. Whether the person storing the meat was the owner of the animal at the time it was slaughtered,

10. If not the owner of the meat at the time of slaughter, from whom it was obtained:

a. The address of the person from whom obtained;

b. Whether meat was purchased by the person storing same. (Prior code § 5550.7)

8.28.080 Refrigeration plant—Uninspected meat—Deposit statement filing.

The owner or operator of such cold storage or refrigeration plant shall forthwith file one (1) copy of the statement provided for in the preceding section with the Health Department, one (1) copy shall be forwarded forthwith to the Division of Livestock Identification of the Department of Agriculture of the State, and one (1) copy shall be retained in the files of the cold storage or refrigeration plant. (Prior code § 5550.8)

8.28.090 Refrigeration plant—Uninspected meat—Withdrawal from storage.

A. No person, other than the owner thereof, shall remove any uninspected meat from any cold storage or refrigeration plant.

B. No owner or operator of a cold storage or refrigeration plant shall permit or allow anyone but the owner of uninspected meat to remove the same from the cold storage or refrigeration plant.

C. It shall not be a violation of the provisions of this Section, however, if uninspected meat stored in privately rented locker boxes is withdrawn in quantities not to exceed ten (10) pounds in any one (1) day by a member of the immediate family or household of the owner; provided, that the person so withdrawing the meat signs a certificate that the uninspected meat so withdrawn is for the personal use of the family or household of the owner. (Prior code § 5550.9)

8.28.100 Refrigeration plant—Uninspected meat—Withdrawal statement.

A. No person owning or operating a cold storage or refrigeration plant shall permit any

person to withdraw any uninspected meat from the plant without first procuring from such person a written statement setting forth:

1. The name and address of the person withdrawing such uninspected meat;

2. The date of such withdrawal;

3. That the person withdrawing the same is the owner thereof, or a member of such owner's immediate family or household;

4. The quantity, by weight, of meat being withdrawn;

5. If withdrawn by a member of the owner's immediate family or household, that the same is for the personal use of the family or household of the owner.

B. Such statement shall be attached to and filed with the statement of deposit of the uninspected meat required by this Chapter to be retained in the office of the cold storage or refrigeration plant. (Prior code § 5550.10)

8.28.110 Boiling offal, tallow or lard.

No person shall boil offal, tallow, lard or any portion of an animal, except fresh from the animal and not decayed or putrid. (Prior code § 5550.11)

CHAPTER 8.32 MEAT SALES INITIATIVE ORDINANCE

8.32.010 Initiative set out.

The following initiative ordinance was approved by the qualified electors of this City at an election held on the fourth day of May, 1937, as required by Ordinance No. C-1491. The placing of this initiative ordinance in this municipal code shall not be construed as altering, amending, or repealing the ordinance. Any violation of the provisions of the initiative ordinance shall not be deemed to be a violation of any of the provisions of this municipal code, but shall be deemed to be a violation of the initiative ordinance and punishable as provided in the initiative ordinance.

An ordinance amending Section 27 of Ordinance No. 35 (new series); repealing Section 1 of Ordinance No. 711 (new series), Ordinances of the City of Long Beach, and repealing all other ordinances and parts of ordinances in conflict herewith.

The City Council of the City of Long Beach ordains as follows:

SECTION 1—Definitions—The following terms used in this ordinance, shall have the significance attached to them in this Section unless otherwise clearly apparent from the context:

(a) Inspector—The term "Inspector" shall be deemed and considered to mean and include the Health Officer of the City of Long Beach and any of his subordinates by him detailed as meat inspectors of the Health Department; provided, however, that any inspector, except the Health Officer himself, must be approved by the Health Department of the State of California or other appropriate State Department and must fully qualify himself under the Civil Service regulations of the City of Long Beach.

(b) Meat—The term "Meat" shall be deemed and construed to mean and include all animal flesh, carcasses and parts thereof, and meat food products as defined by the California Meat Inspection Regulation, designed and intended for human consumption or sold and disposed of as human food, including fish, game and rabbits.

(c) Person—The word "Person" shall mean and include both the singular and plural and shall also mean and include all natural persons, firms, associations, clubs, co-partnerships, corporations and all associations or combination of persons, whether acting by themselves or by a servant, agent or employee.

(d) Sale Etc.—The terms "Sale," "Sell," "Offer to Sell" or "Offer for Sale" shall include every contract of sale or disposition of, attempt or offer to dispose of, or solicitation of an offer to buy.

(e) Wholesale Meat Dealer—The phrase "Wholesale Meat Dealer" shall be deemed and construed to mean and include any person, other than the owner and holder of a wholesale meat market license, who sells or disposes of meats and meat food products at wholesale, to customers for the purpose of resale at retail or wholesale or the preparation, cooking or processing thereof for human consumption.

(f) Wholesale Meat Market—The phrase "Wholesale Meat Market" shall be deemed and construed to mean and include all premises, buildings, and/or parts thereof used for the preparation and display for sale, or for the sale or disposal of meats and meat food products, at wholesale, to customers for resale, or to restaurants, cafes and others for curing, processing, cooking or otherwise preparing for food. The conduct of a wholesale meat market shall include deliveries therefrom of orders previously received.

Sec. 3—It shall be unlawful to apply, affix, or attach to any meats or meat food products, any mark, tag, stamp, or insignia indicating the grade or quality of the meats or meat food products that the same are inspected meats or meat food products within the meaning of this ordinance unless the same has actually been inspected and the stamp affixed thereto by proper authority.

It shall be unlawful for any person to advertise, offer for sale, or cause or knowingly permit the advertising, offering for sale or selling of any meat, except shanks, offal, heads, plucks and wild game other than by weight, determined on a scale by weight or beam, properly sealed by the Department of Weights and Measures.

Sec. 5—Section 1 of Ordinance No. 711 (new series), ordinances of the City of Long Beach, and all other ordinances and parts of ordinances in conflict herewith, are hereby repealed.

Sec. 6—If any section, sub-section, sentence, clause or phrase of this ordinance is for any reason held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of the ordinance. The City Council of the City of Long Beach hereby declares that it would have passed this ordinance, and each section, subsection, sentence, clause and phrase thereof irrespective of the fact that any one (1) or more other sections, sub-sections, sentences, clauses or phrases be declared invalid or unconstitutional.

Sec. 7—Every person violating any of the provisions of this ordinance or doing any act or thing herein declared to be unlawful shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not less than fifty dollars ($50.00), nor more than two hundred dollars ($200.00), or by imprisonment in the City Prison for not more than six (6) months, or by both such fine and imprisonment.

Sec. 8—The City Clerk shall certify to the passage of this ordinance by the City Council of the City of Long Beach and cause the same to be posted in three (3) conspicuous places in the City of Long Beach, and it shall take effect thirty (30) days after its final passage.

Note: Section 2, including Subsection (h) thereof, of Ordinance 35 (N. S.), as amended by initiative ordinance adopted on May 4, 1937, pursuant to Ordinance No. C-1491, was repealed by the people at an election held on June 5, 1951, pursuant to Ordinance No. C-3037. The initiative ordinance did not contain a Section 4 at the time of its adoption. (Prior code § 5550)

CHAPTER 8.36 MILK AND MILK PRODUCTS

8.36.010 Definitions.

All words, terms, and phrases used in this Chapter, except "Health Officer," shall be construed as defined in the Agricultural Code of the

State, unless from the particular context it clearly appears that some other meaning is intended. (Prior code § 5140.4)

8.36.020 Permit—Milk.

No person shall engage in the business of producing or processing of any grade of market milk to be sold in the City or sell any grade of market milk in the City without applying for and obtaining an annual permit so to do from the Health Officer for each separate dairy, milk plant or place of business. (Prior code § 5140.5)

8.36.030 Permit—Milk products.

No person shall engage in the business of producing, processing or manufacturing any ice cream, ice milk, ice cream mix, ice milk mix, buttermilk, or cottage cheese to be sold in the City or sell any ice cream, ice milk, ice cream mix, ice milk mix, buttermilk, or cottage cheese in the City without applying for and obtaining an annual permit so to do from the Health Officer for each separate dairy or plant where such products are produced, processed, or manufactured. (Prior code § 5140.6)

8.36.040 Permit—Applicant investigation.

Upon receipt of an application for any permit issued under the terms of this Chapter, the Health Officer shall cause an investigation to be made of the dairy, milk plant, or place of business where market milk or milk products are produced, processed, manufactured, sold or distributed; and in the case of a dairy, of the herd producing the milk. (Prior code § 5140.7)

8.36.050 Permit—Suspension, revocation or expiration.

If the provisions of the State Agricultural Code regulating the production, processing, manufacturing, and standards of market milk or milk products, and the regulations pertaining thereto, and the provisions of this Chapter are complied with, the permit shall be issued by the Health Officer; provided, however, that the permit shall be granted only on the expressed condition that the same shall be subject to revocation or suspension for a period not to exceed six (6) months upon proof to the satisfaction of the Health Officer of any violation by the holder thereof or his servants, employees, or agent of any of the provisions of the State Agricultural Code or regulations pertaining thereto, regulating the production, processing, or standards of market milk or milk products or of any provision of this Chapter. Each permit issued under the terms of this Chapter shall expire at the end of the calendar year in which it is issued unless the same has been revoked or suspended as provided by this Chapter. (Prior code § 5140.8)

8.36.060 Permit—Suspension or revocation notice.

No permit shall be suspended or revoked until after a hearing has been held by the Health Officer. Notice of the hearing shall be given in writing and served at least five (5) days prior to the date of hearing, upon the holder of the permit or upon his manager or agent. The notice shall state the grounds of complaint against the holder of the permit and shall also state the time when, and the place where, the hearing will be held. The notice shall be served upon the holder of the permit by delivering the same to said person or to his manager or agent; if such person has no place of business, then at his place of residence. If the holder of the permit cannot be found and service of the notice cannot be made upon him or his manager or agent, then a copy of the notice shall be mailed postpaid and registered, to the last known address of the holder of the permit; provided, however, when deemed necessary for the preservation of public health, the Health Officer is empowered to temporarily suspend the sale of milk or milk products immediately when the emergency arises, without the necessity of holding a hearing. (Prior code § 5140.9)

8.36.070 Change of ownership or location.

A. Any person who purchases any such business for which a permit has been obtained and is in force at the time of such sale may conduct and operate such business under such permit for a period of not to exceed thirty (30) days from and after the date of such sale, unless such permit is

revoked or suspended as provided in this Chapter, and such purchaser shall, during the period of said thirty (30) days, apply for and obtain a permit in the manner provided by this Chapter; and provided further, that if any holder of any such permit changes or removes the location of his place of business, such holder may continue to conduct and operate such business under such permit for a period of not to exceed thirty (30) days from and after the date of such change or removal unless such permit is revoked or suspended as provided in this Chapter, and such holder shall, during the said period of thirty (30) days, apply for and obtain a permit in the manner provided by this Chapter.

B. If such new permit is not applied for and obtained in the manner and within the time prescribed in this Section, such person shall be deemed to be conducting and operating such business without a permit from and after the expiration of such period of thirty (30) days. (Prior code § 5140.10)

8.36.080 Tuberculin testing of cows required.

No person shall sell any milk or milk products of any kind intended or prepared for human consumption unless such milk or the milk used in any such milk products has been produced from nonreacting tuberculin tested cows. (Prior code § 5140.11)

8.36.090 Milk fats and solids required.

No person shall sell in the City any grade of market milk containing less than three point five percent (3.5%) milk fat, eight point five percent (8.5%) solids not fat. (Prior code § 5140.12)

8.36.100 Raw milk bottling.

No person shall sell any grade of raw market milk not bottled on-premises where produced. (Prior code § 5140.13)

8.36.110 Acceptance of other inspection services.

The Health Officer may at his discretion, in lieu of personal inspection, examinations and tests, accept the physical examinations of milk handlers, inspections covering tuberculin tests of dairy cattle or goats, physical examinations of dairy cattle or goats, laboratory tests or examinations for the determination of disease of dairy cattle or goats, laboratory examinations of milk and milk product or dairy products, sanitary inspection of dairies, milk plants, or water ices manufacturing plants, when made or conducted by representatives of the State Department of Agriculture, or inspector of an approved milk inspection service of such animals, products, and places that may be situated in or whose products are sold in another approved inspection area. In such cases, the Health Officer may require an interexchange of records and reports and shall when notified in writing by the Health Officer if another approved inspection service refuses admission into the City any milk and milk products that do not conform to the provisions of the State Agricultural Code, or when such milk and milk products have been degraded or excluded by another approved inspection service for violation of any provisions of the State Agricultural Code. (Prior code § 5140.14)

8.36.120 Milk delivery hours.

A. No person shall deliver dairy products to any residence, dwelling, living quarters, or business in the City except between the hours of five a.m. and six p.m. of any day.

B. The provisions of this Section shall not be deemed to apply to the following:

1. Delivery of milk to any plant or place of business for bottling, processing, or pasteurizing;

2. Delivery of milk to a central depot or other place for distribution;

3. Delivery to any governmental agency. (Prior code § 5140.15)

CHAPTER 8.40 MOBILE FOOD FACILITIES*

The City hereby incorporates by reference the provisions of the California Health and Safety Code, (California Health and Safety Code, § 113700 et seq.) The City's Health Department shall have

***Editor's note**—ORD-26-0011 § 2(Exh. B), adopted May 5, 2026, repealed the former Ch. 8.40, §§ 8.40.010—8.40.130, and enacted a

responsibility for ensuring that all mobile food facilities operating in the City comply with the provisions of the above referenced code. Mobile food facilities that are vehicles shall additionally comply with the applicable requirements in the California Vehicle Code and obtain an insignia from the California Department of Housing and Community Development. In the case of any conflicts between this chapter and state law, the state law provision shall control.

8.40.010 Construction.

Mobile Food Facilities, as defined in the California Health and Safety Code, including but not limited to catering trucks, ice cream trucks, produce trucks, pushcarts, and other similar mobile food units, shall submit plans and specifications for review and approval by the Department of Health and Human Services prior to construction, modification, or operation.

Plans shall demonstrate compliance with all applicable provisions of the State Code including requirements related to food preparation, equipment, sanitation, warewashing, potable water supply, wastewater disposal, commissary use, and safe food handling practices.

The permitting, licensing and operation of a Mobile Food Facility shall not commence until plan approval has been granted and a valid health permit has been issued by the Department of Health and Human Services. (ORD-26-0011 § 2(Exh. B), 2026)

8.40.020 Inspection days.

All food facilities having a Health Department Permit to operate within the City shall report to the Department of Health and Human Services - Environmental Health Bureau by appointment twice each year during the second or third Tuesday of the month of February and August for the purpose of routine inspection. In the event of either day being a legal holiday, the next following day is designated. Failure to appear for inspection as described in this Section shall be deemed a violation of this Chapter and may be cause for revocation of permit to operate. (ORD-26-0011 § 2(Exh. B), 2026)

new Ch. 8.40 as set out herein. The former Ch. 8.40 was entitled "Mobile Food Vending Vehicles," and derived from Prior code §§ 5510.22, 5510.24—5510.35.

CHAPTER 8.44 FOOD FACILITIES*

8.44.010 Definitions.

A. "Dealer" means and includes any person who sells or offers for sale, dispenses or delivers food at wholesale or retail, whether from a fixed place of business or otherwise, and includes the owner, agent, employee and servant.

B. "Food" means a raw, cooked, or processed edible substance, ice, beverage, an ingredient used or intended for use or for sale in whole or in part for human consumption, and chewing gum.

C. "Food handler" as defined in the California Health and Safety Code.

D. "Food Facility" as defined in the California Health and Safety Code.

E. "Mobile Food Facility" means any vehicle used in conjunction with a commissary or other permanent food facility which food is sold or distributed at retail, as defined by the California Health and Safety Code. For the purpose of the Mobile Food Facility ordinance and subsequent revisions, if any, Mobile Food Facilities are distinct from non-motorized sidewalk vending, which is regulated by the California Safe Sidewalk Vending Act (SB 946) and the City's Sidewalk Vending Ordinance (LBMC Chapter 5.73). (ORD-26-0011 § 3(Exh. C), 2026)

8.44.020 Compliance required.

No person shall operate, maintain, or conduct any temporary or permanent food facility, mobile food facility, or food operation without first com-

***Editor's note—**ORD-26-0011 § 3(Exh. C), adopted May 5, 2026, repealed the former Ch. 8.44 §§ 8.44.010—8.44.230, and enacted a new Ch. 8.44 as set out herein. The former Ch. 8.44 pertained to similar subject matter and derived from ORD-24-0002 §§ 9—12, 2024; ORD-11-0030 § 3, 2011; Ord. C-6056 §§ 1, 2, 1984; and Prior code §§ 5510—5510.21, 5520.3, and 5520.4.

plying with the requirements of this Chapter and applicable provisions of the California Health and Safety Code. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.030 License and Permit—Applicant investigation.

A. No license or permit to operate any food facility or food operation in the City shall be issued or renewed or transferred by the Tax Collector unless such food facility or operation is first inspected by the Health Officer or designee.

B. Upon application being made to the Tax Collector for a license to operate a food facility or operation, or a renewal of either such license, the tax collector shall refer the application to the Department of Health and Human Services. The Health Officer or designee shall make or cause to be made an investigation of such applicant and the place where and the manner in which such food facility or operation is being operated and conducted. If the Health Officer or designee determines that the applicant conforms to the provisions of this Chapter and to the other provisions of this Code, and to all applicable State laws and statutes he shall authorize the Tax Collector to issue or renew the license, and the tax collector shall issue, renew or transfer such license; otherwise, the Health Officer or designee shall deny the application and the Tax Collector shall not issue, renew or transfer the license. The Health Officer or designee shall make his recommendation to the Tax Collector within ten (10) days after the filing of the application with the Tax Collector. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.040 License and permit - required.

No person shall engage in, offer, hold, or carryon the business of any type of Food Facility or Food Operation in the City without first having obtained a health permit as provided in this Chapter and the California Health and Safety Code. Any food facility proposing to remodel, make structural or operational changes, change its menu in a way that affects food preparation, or reopen after being out of business for more than six (6) months must submit plans to the Health Officer or designee for review and approval prior to beginning any work or resuming operations. These plans must include detailed information about the proposed modifications, equipment, layout, and food preparation processes to ensure compliance with all applicable health and safety regulations. Approval from the Health Officer or designee must be obtained before construction, remodeling, or operational changes take place. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.050 License and permit - application contents.

Every person desiring to carry on or conduct the business of any food facility or food operation in the City shall make a written application to, and upon forms furnished by, the Health Officer or designee. Such application shall be verified and state the name and address of the applicant, the address at which the business is proposed to be carried on, a brief description of the nature of the business, products to be prepared or sold, equipment, method of operations, name under which, driver's license number, phone number and email. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.060 Permit—Issuance.

The Health Officer or designee shall make or cause to be made an investigation of the applicant and the proposed place of business or Mobile Food Facility and the manner in which the food facility or Mobile Food Facility is to be conducted, and if they find that all provisions of the California Health and Safety Code have been complied with, they shall issue the permit; otherwise, the application for permit shall be denied. Such permits shall be good for one (1) year from date of issuance and shall be annually renewed in the same manner as that provided for the securing of a new permit. Such permits shall be nontransferable and nonassignable. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.061 Inspection.

A. The Health Officer or designee shall periodically conduct inspections of all places in the

City where food is given away, prepared, stored, or sold to determine whether they comply with the requirements of this Chapter and other applicable laws or whether the activities on the premises constitute a public health hazard.

B. A food facility may be found to be a public health hazard where it is maintained in an unhealthful, unsafe or unsanitary condition. An unhealthful, unsafe or unsanitary condition exists where the location has faulty plumbing or any other condition resulting in sewage or wastewater discharge into any area not designed and intended to carry or hold such sewage or wastewater discharge; no hot water, no water; infestation by rodents, vermin or vectors; no means of sanitizing multi-use utensils; filthy premises or related or similar conditions. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.062 Emergency closure.

A. The City Health Officer or designee hereby finds and determines that any food facility which constitutes a public health hazard as defined in Section 8.44.061 is a public nuisance which should be abated.

B. If the City Health Officer or designee finds a food facility or food operation to constitute a public health hazard, the City Health Officer or designee shall order permit suspension and the business shall close and discontinue all operations immediately until the conditions creating a public health hazard have been cured and health permit is reinstated. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.070 License and permit display.

All Mobile Food Facilities shall prominently display a valid city health permit and any required business license in a location that is clearly visible to the public at all times during operation. The permit and license shall be maintained in good condition and shall be presented upon request to any authorized enforcement officer or regulatory official. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.080 Permit—Suspension and Revocation—Hearing.

Whenever the Health Officer or designee determines from examination or inspection of any food facility or food operation Mobile Food Facility that the holder of any permit issued under the provisions of this Chapter has violated any of the provisions of this Code, California Health and Safety Code or any of the laws of the State regarding food facilities or food operation or the sale, preparation or distribution of food, they may serve a written notice upon the permittee to appear before the Health Officer or designee to show cause why the permit shall not be suspended. Such notice shall contain a brief statement of the alleged violation, and the time and place of hearing, which shall be held within ten (10) days after the receipt of notice. The permittee may appear in person or with counsel and present such evidence as he may desire regarding the alleged violation and show cause why the permit shall not be suspended or revoked. The Health Officer or designee shall receive such information, evidence and testimony as may concern the circumstances of the alleged violation, and the formal rules of evidence shall not apply. If the Health Officer or designee determines that any of the provisions of this Chapter or any other provisions of the California Health and Safety Code regarding food facilities or food operation are being violated, the health permit may temporarily be suspended, provided any such suspension period shall not exceed ninety (90) days. Reinstatement of suspended license shall not be affected unless the act, default or omission which was the grounds for suspension has been remedied prior to the time of reinstatement. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.090 Permit—Revocation—Reapplication.

Whenever any permit has been revoked under the terms of this Chapter, no other application for a permit to carry on a similar business by the permit holder shall be considered for a period of one (1) year from the date of such revocation. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.100 Menu with prices required.

No person shall conduct any hotel, restaurant, cafe or other place where food is sold, served

or offered for sale or service, to the public, upon orders therefor, without having displayed thereat a menu, bill of fare or other device, showing to the patrons thereof, the time of ordering food, the price of each kind of food and each combination of foods offered for sale or service thereat. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.110 Cafeteria—Price tags required.

No person shall conduct any cafeteria, or other place where food is sold, served or offered for sale or service to and in view of the public, without having conspicuously displayed immediately adjacent to each kind of such food and each combination of foods a card, tag or other device showing to the patrons thereof, at the time of ordering food, the price thereof. (ORD-26-0011 § 3(Exh. C), 2026)

8.44.120 Communicable disease prohibited.

No operator, employee, or licensee shall operate, work in, or be employed in any Food Facility if, in the opinion of the Health Officer or designee, the individual is affected with, or is a carrier of, any communicable or infectious disease that may be transmitted through food or food contact.

Any person exhibiting symptoms of illness, including but not limited to vomiting, diarrhea, fever, jaundice, sore throat with fever, infected wounds, or other conditions that may contaminate food, equipment, or utensils, shall be excluded from food preparation, food handling, and service activities until such condition has resolved or the individual has been medically cleared as determined by the Health Officer.

All operators and employees shall comply with the applicable employee health and hygiene requirements of the California Health and Safety Code, Division 104, Part 7 and shall immediately report any such illness or condition to the permit holder or person in charge.

The Health Officer may require medical clearance or take other necessary actions to protect public health. (ORD-26-0011 § 3(Exh. C), 2026)

CHAPTER 8.45 FOOD FACILITY*

8.45.010 Food facility inspection report.

"Food facility inspection report" means the written notice prepared and issued by the City, Department of Health and Human Services, after conducting an inspection of a food facility or food operation to determine compliance with all applicable Federal, State and local statutes, orders, ordinances, quarantines, rules, regulations or directives relating to the public health. (ORD-26-0011 § 3(Exh. D), 2026)

8.45.020 Inspection summary report.

"Inspection summary report" means a report that shall be posted by the Health Officer or designee at a food facility upon completion of a routine inspection that indicates a summary of the findings contained in the food facility inspection report as determined by the Health Officer or designee. Nothing in this provision shall prohibit the Health Officer or designee from immediately closing any food facility if, in his or her discretion, immediate closure is necessary to protect the public health. (ORD-26-0011 § 3(Exh. D), 2026)

8.45.030 Notice of closure.

"Notice of closure" means a notice that may be posted by the Health Officer or designee at a food facility upon suspension or revocation of the establishment's public health permit and that results in the immediate closure of the facility and the discontinuance of all operations of the food facility, by order of the Health Officer or designee because of violations of applicable Federal, State and local statutes, orders, ordinances, quarantines, rules, regulations, or directives relating to the public health. (ORD-26-0011 § 3(Exh. D), 2026)

8.45.040 Routine inspection.

"Routine inspection" means a periodic, unannounced inspection of any food facility to deter-

***Editor's note**—ORD-26-0011 § 3(Exh. D), adopted May 5, 2026, repealed the former Ch. 8.45 §§ 8.45.010—8.45.110, and enacted a new Ch. 8.45 as set out herein. The former Ch. 8.45 pertained to similar subject matter and derived from Ord. C-7581 § 1, 1998.

mine compliance with all applicable Federal, State and local statutes, orders, ordinances, quarantines, rules, regulations, or directives relating to the public health. A routine inspection shall not mean an inspection conducted by the Health Officer or designee to determine compliance with a previously issued food facility inspection report or any interim inspection conducted to determine compliance with specific regulations or legal requirements. (ORD-26-0011 § 3(Exh. D), 2026)

8.45.050 Posting requirements—Penalty for noncompliance—Documents available for public review.

A. Upon issuance by the Health Officer or designee, the Health Officer or designee shall post at every food facility the inspection summary report, as determined by the Health Officer or designee, so as to be conspicuous to the general public and to patrons entering or using the food facility. "Conspicuous to the general public and to patrons" shall mean:

1. Posted on the front door or in the front window of the facility within five feet (5') of the front door;

2. Posted in a display case mounted on the outside front wall of the facility within five feet (5') of the front door; or

3. Posted in a location as directed and determined in the discretion of the Health Officer or designee to ensure proper notice to the general public and to patrons.

B. In the event that a food facility is operated in the same building or space as a separately licensed or permitted business, or in the event that a food facility shares a common patron entrance with such a separately licensed or permitted business, or in the event of both, the Health Officer or designee shall post the inspection summary report, in the initial patron contact area, or in a location as determined in the discretion of the Health Officer or designee.

C. The inspection summary report shall not be defaced, marred, camouflaged, hidden or removed. It shall be unlawful to operate a food facility unless the inspection summary report is in place as set forth in this Section. Removal of the inspection summary report is a violation of this Chapter and may result in the suspension or revocation of the public health permit and may be punishable as specified in Section 8.45.100.

D. The food facility inspection report upon which the inspection summary report is based and all subsequent reports issued by the Health Officer or designee shall be maintained at the food facility and shall be available to the general public and to patrons for review upon request. The food facility shall keep the food facility inspection report and all subsequent reports until such time as the Health Officer or designee completes the next routine inspection of the facility and issues a new food facility inspection report. (ORD-26-0011 § 3(Exh. D), 2026)

8.45.060 Inspection summary report—Period of validity.

The inspection summary report shall remain valid and posted until the Health Officer or designee completes the next routine inspection of the food facility. (ORD-26-0011 § 3(Exh. D), 2026)

8.45.070 Public health permit suspension or revocation—Notice of closure.

A. Upon issuance of a written notice of suspension or revocation of the public health permit by the Health Officer or designee, the Health Officer or designee shall post a notice of closure at the food facility so as to be clearly visible to the general public and to patrons.

B. Upon issuance of the written notice of suspension or revocation of the public health permit by the Health Officer or designee, the food facility shall immediately close to the general public and to patrons and shall discontinue all operations until the public health permit has been reissued or reinstated by order of the Health Officer or designee or until the facility no longer operates as a food facility.

C. The notice of closure shall remain posted until removed by the Health Officer or designee. Removal of the notice of closure by any person other than the Health Officer or designee or the

refusal of a food facility to close upon issuance of the written notice of suspension of the public health permit is a violation of this Chapter and may result in the suspension or revocation of the food facility's public health permit and may be punishable as specified in Section 8.45.100. (ORD-26-0011 § 3(Exh. D), 2026)

8.45.080 Violation.

Notwithstanding any other provision of this Chapter, violation of this Chapter is punishable by a fine of not more than five hundred dollars ($500.00) or by imprisonment in the County jail for not more than six (6) months, or both. Each day during any portion of which any violation of any provision of this Chapter is committed, continued or permitted makes such violation a separate offense. (ORD-26-0011 § 3(Exh. D), 2026)

8.45.090 Severability.

If any provision of this Chapter or the application thereof to any person or circumstance is held invalid, the remainder of the chapter and the application of such provision to other persons or circumstances shall not be affected thereby. (ORD-26-0011 § 3(Exh. D), 2026)

CHAPTER 8.46 DISPOSAL OF FATS, OILS AND GREASE

8.46.010 Definitions.

A. "Best management practices" means activities, prohibitions or practices, maintenance procedures, and other management practices as determined by the Long Beach Water Department to prevent or reduce the discharge of fats, oils and grease in the public sewer and storm drain systems.

B. "Enforcement official" means the persons designated in Section 8.46.060.

C. "Fats, oils and grease" (sometimes referred to in this Chapter as simply "grease") means organic polar compounds derived from animal or plant sources, containing multiple carbon chain triglyceride molecules, detectable and measurable using analytical test procedures established in section 136 of title 40 of the Code of Federal Regulations, in effect at the time of enactment hereof and as hereafter amended or replaced.

D. "Food facility" shall have the same meaning defined in Subsection 8.45.010.B of this Code and, in addition, includes grocery markets and restaurants as defined in Section 8.44.010 of this Code.

E. "Grease interceptor" means a large underground tank installed outside a food facility and connected to the outgoing sewer drainage system of the food facility, and designed for removing and preventing fats, oils and grease from entering the public sewer collection system.

F. "Grease trap" means a device connected directly to the outgoing drains of sinks inside a food facility near the areas of food preparation and intended for separating the fats, oil and grease from wastewater before the fats, oils and grease enter the public sewer collection system.

G. "Wastewater" means water after it has been used in homes, businesses, landscaping or agriculture (such as plots where food is grown) that contains enough harmful material to damage the water's quality. Wastewater also includes domestic-sewage and industrial waste from manufacturing sources. (Ord. 05 0003 § 1, 2005)

8.46.020 Public nuisance and public health hazard.

In addition to being a misdemeanor as stated in Section 1.32.010 of this Code, any condition caused or permitted to exist in violation of this Chapter may be declared a public nuisance after a hearing held in accordance with this Chapter and may constitute a public health hazard subject to Sections 8.44.061 and 8.44.062 of this Code. (Ord. 05 0003 § 1, 2005)

8.46.030 Requirements for food facilities.

Any food facility that discharges wastewater into the public sewer collection system shall comply with the following requirements:

A. The owners and employees of a food facility shall be able to and, when requested by a

representative of the City, shall demonstrate that the food facility complies with best management practices for handling fats, oils and grease.

B. A food facility shall have one (1) or more drums or containers for the recycling and disposal of fats, oils and grease. Drums and containers used for storage of fats, oils and grease shall be leakproof and shall be secured with close fitting lids. The owner or operator of a food facility shall keep the drums and containers in a location on the site of the food facility so that there is no possibility of an accidental or deliberate spilling of fats, oils or grease onto a public right-of-way. The drums and containers shall be removed for recycling as frequently as necessary to avoid an unsafe, hazardous, or untidy condition or an impediment to passage. The owner, operator and employees of a food facility shall remove fats, oils and grease that have spilled, including, but not limited to, grease generated by washing hoods, floors and mats, and shall immediately clean the area where the spill occurred.

C. Prior to or at the time that the owner or operator of a new food facility applies for a business license or a building permit from the City's Department of Planning and Building, the owner or operator shall submit to the Long Beach Water Department plans describing the manner in which the owner or operator will comply with this Chapter, particularly with respect to the grease interceptor. Prior to or at the time that the owner or operator of an existing food facility applies for a building permit from the City's Department of Planning and Building for modifications to the plumbing system at that existing food facility which modifications have an estimated cost of twenty thousand dollars ($20,000.00) or more, the owner or operator shall submit to the Long Beach Water Department plans describing the manner in which the owner or operator will comply with this Chap-

[The next page is CD8:51]

ter, particularly with respect to the grease interceptor. Any time there is a change in ownership of an existing food facility or a change in the operation of an existing food facility, the new owner (if there is a change in ownership) or the current owner or operator (if there is a change in the operation) shall submit to the Long Beach Water Department plans describing the manner in which the owner will comply with this Chapter, particularly with respect to the grease interceptor.

Food facilities subject to this Subsection may apply for a variance from the requirements relating to a grease interceptor. If the enforcement official determines that the installation of a grease interceptor would not be feasible due to limitations on space or other relevant factors, a variance will be granted. The burden is on the food facility to demonstrate that the installation of a grease interceptor is not feasible.

D. The Long Beach Water Department may authorize the installation of a grease trap or other alternative pretreatment technology where the installation of a grease interceptor is not feasible provided that the owner has obtained the prior written approval of the Long Beach Water Department for the type and size of alternative pretreatment technology to be installed by the owner. Alternate pretreatment technology includes, but is not limited to, devices used to trap, separate and store grease from wastewater to prevent it from discharge into the public sewer collection system.

E. The owner or operator of a food facility shall keep a written record of the maintenance, repair and cleaning of grease traps and grease interceptors for a period of one (1) year, beginning on the date a new business is open to the public or, in the case of a modification to the food facility which requires a building permit, on the date of final inspection as shown on the building permit (a copy of which shall be delivered to the Long Beach Water Department). This record shall contain documentation (including, but not limited to, receipts) showing the times, dates, nature of the maintenance, repair and cleaning, quantities of fats, oils and grease removed, and the name, address and phone number of the person or entity cleaning the grease interceptor, grease trap or alternative pretreatment technology (if it has been approved by the City).

F. The owner or operator of a food facility that fails to implement best management practices or that has repeated incidents relating to grease spills or blockages shall install grease interceptors or, if a variance is granted under Subsection C of this Section, grease traps or other alternative pretreatment technology.

G. The owner, operator and employees of a food facility shall allow enforcement officials access to the food facility during the normal business hours of the food facility or outside of normal business hours, if acceptable to the food facility, for the purpose of sampling wastewater, inspecting the grease interceptors and grease traps, and reviewing the records and documentation required by Subsection E of this Section.

H. Food facilities shall comply with the latest edition of the "Rules And Regulations" regularly published by the Long Beach Water Department as they relate to the prevention of spills or blockages of fats, oils and grease, and to grease trap requirements. (Ord. 05 0003 § 1, 2005)

8.46.040 Requirements for grease interceptors.

A. The size and installation of grease interceptors shall comply with the requirements of the latest edition of the California Plumbing Code adopted by the City.

B. Grease interceptors shall be constructed in accordance with a design approved by the City's Department of Planning and Building and shall have a minimum of two (2) compartments with fittings designed for the retention of grease.

C. The owner or operator of a food facility shall install grease interceptors at a location easily accessible for inspection, cleaning and removal of grease and shall not install or allow them to be installed in any part of a building where food is handled. Owners or operators shall obtain the prior written approval for the location of grease interceptors from the City's Department of Health and Human Services.

D. The owner or operator of a food facility shall empty grease interceptors of accumulated grease and other contents as necessary to maintain the minimum capacity or volume of the grease interceptor.

E. The owner or operator of a food facility shall inspect the grease interceptor at least once each month or more frequently if ordered to do so by enforcement official when maintenance and repair of the grease interceptor is unsatisfactory.

F. The owner or operator of a food facility shall ensure that the grease interceptor provides a minimum hydraulic retention time in accordance with the latest edition of the California Plumbing Code adopted by the City, and shall remove all accumulated grease cap and sludge pockets as necessary to allow the grease interceptor to perform at maximum efficiency.

G. The owner or operator of a food facility shall keep the grease interceptor free from inorganic-solid materials including, but not limited to, grit, rocks, gravel, sand, eating utensils, cigarettes, shells, rags and similar things that could settle into the sludge pocket and reduce the effective volume of the grease interceptor.

H. The owner or operator of a food facility shall not allow the discharge of sanitary waste through a grease interceptor.

I. The owner or operator of a food facility shall provide a manhole having a minimum diameter of twenty-four inches (24") to allow access over each chamber and sanitary tee of a grease interceptor. The manholes shall extend at least to finished grade and shall be designed and maintained to prevent water inflow or infiltration. The manholes shall have covers that can be removed readily for inspection, removal of grease and sampling of wastewater. (Ord. 05 0003 § 1, 2005)

8.46.050 Requirements for grease traps.

A. Following receipt of the written approval of the Long Beach Water Department, the owner or operator of a food facility shall install a grease trap in the waste line leading from sinks, drains, and other fixtures or equipment in the food facility where fats, oils and grease may be introduced into the drainage system or sewer system in quantities that could cause a blockage in either the public or private sewer lines. In addition to the approval of the Long Beach Water Department, all grease traps must be of a type or design approved by the IAPMO (International Association of Plumbing and Mechanical Officials), NSF (National Sanitation Foundation), and UL (Underwriters' Laboratory).

B. The size and installation of grease traps shall comply with the requirements of the latest edition of the California Plumbing Code adopted by the City.

C. The owner or operator of a food facility shall not install a grease trap that has a stated rate of flow of more than fifty-five (55) gallons per minute or less than twenty (20) gallons per minute, unless the enforcement official has granted a variance from this stated rate of flow.

D. The owner or operator of a food facility shall maintain grease traps in efficient operating condition, including, but not limited to, the frequent, periodic-removal of accumulated grease and food debris, and shall maintain them in accordance with the manufacturer's directions. The owner, operator and employees of a food facility shall not allow accumulated grease to be introduced into any drain pipe or public or private sewer line.

E. The owner or operator of a food facility shall not connect a food waste disposal unit or dishwasher to a grease trap and shall not allow any discharge from a food waste disposal unit or dishwasher into a grease trap.

F. The owner or operator of a food facility shall not allow wastewater in excess of one hundred forty degrees Fahrenheit (140°F) or sixty degrees Celsius (60°C) to discharge into a grease trap. (Ord. 05 0003 § 1, 2005)

8.46.060 Enforcement.

This Chapter shall be enforced by the City Health Officer, or designee, or by the General Manager of the Long Beach Water Department, or designee. These persons shall be known as enforcement officials and they are authorized to take

any actions necessary to enforce this Chapter. (Ord. 05 0003 § 1, 2005)

8.46.070 Administrative hearing procedure.

A. The City Attorney shall appoint a Hearing Officer who shall not be an enforcement official. The Hearing Officer shall set the time and place for the hearing and send notice of the hearing to the owner of record of the food facility or restaurant and to the enforcement official at least ten (10) days before the hearing. The notice shall also include the location and the nature of alleged violation of this Chapter.

B. At least five (5) days before the hearing, the enforcement official shall provide to the owner of record and to the Hearing Officer a copy of any report made by the enforcement official or any other City employee regarding the alleged violation. If the enforcement official has a proposed plan for abatement of the alleged nuisance, then the enforcement official shall also provide this plan to the owner of record and to the Hearing Officer.

C. The Hearing Officer may proceed with the hearing in the absence of the owner of record or the enforcement official if he or she has not received an explanation for the absence prior to the commencement of the hearing.

D. Once a notice of hearing has been given, there shall be no communications between the owner of record, the operator of the food facility or restaurant or its employees regarding the alleged violation.

E. The owner of record may submit to the Hearing Officer with a copy to the enforcement official written evidence to rebut the City's report alleging a violation of this Chapter.

F. The owner and the enforcement official may make an oral statement and the time limits for the statements will be set by the Hearing Officer prior to the hearing. If either the owner or the enforcement official wishes to call witnesses at the hearing, then they shall provide the names, addresses, telephone numbers, and a summary of the testimony of the witnesses to the Hearing Officer and to the other interested party at least three (3) days prior to the hearing. The Hearing Officer may ask questions of the parties or the witnesses.

G. The Hearing Officer shall render a decision, in writing, after the hearing is closed and shall mail a copy of the decision to the owner at the address for the location of the alleged violation and shall deliver or mail a copy to the enforcement official. The decision of the Hearing Officer shall be final. (Ord. 05 0003 § 1, 2005)

8.46.080 Exemptions.

Any food facility that is not engaged in the preparation of food to be consumed by the public including, but not limited to, liquor stores, candy stores, and stores selling only prepackaged food is exempt from this Chapter. (Ord. 05 0003 § 1, 2005)

8.46.090 Severability.

If any part of this Chapter or the application of this Chapter to any person or entity is held to be invalid by a court of competent jurisdiction, then the remainder of this Chapter shall remain in full force and effect and shall not be affected by the invalidity of only part of the Chapter. (Ord. 05 0003 § 1, 2005)

8.46.100 Complementary to Chapter 15.20.

This Chapter is not intended to nor shall it be deemed to supersede or have priority over Chapter 15.20. This Chapter and Chapter 15.20 shall be construed as complementary. (Ord. 05 0003 § 1, 2005)

CHAPTER 8.48 DAIRIES AND HOG RANCHES*

8.48.010 Definitions.

A. "Dairy" as used in this Chapter means and includes any ranch, farm, lot, parcel of real property, building, barn, shed, corral, enclosure or other place where four (4) or more cows are kept or maintained and milked.

***Cross reference**—Provisions on sanitation and regulation of milk and milk product sales, see Chapter 8.36 of this Code.

B. "Hog farm" means and includes any ranch, farm, lot, parcel of real property, building, barn, shed, corral, enclosure, sty or other place where ten (10) or more swine are kept or maintained.

C. "Milk" means and includes milk, cottage cheese, cream and buttermilk. (Prior code § 5140)

8.48.020 Areas prohibited.

No person, as principal, agent, employee, or otherwise, shall maintain any dairy or hog farm within that portion of the City described as follows:

A. Beginning at the intersection of the easterly line of American Avenue with the southerly line of Wardlow Road and running thence southerly along said easterly line of American Avenue to the centerline of Anaheim Street; thence east along said centerline of Anaheim Street to the centerline of Orange Avenue; thence south along said centerline of Orange Avenue to the centerline of Eleventh Street; thence east along the centerline of Eleventh Street and the prolongation thereof to the centerline of Temple Avenue; thence southerly along said centerline of Temple Avenue and the prolongation thereof to the southerly boundary line of the City; thence westerly along said southerly boundary line of the City to the prolongation southerly of the centerline of Lime Avenue; thence northerly along said prolongation southerly and said centerline of Lime Avenue to the centerline of First Street; thence west along said centerline of First Street to the centerline of Frontenac Court; thence north along said centerline of Frontenac Court to the centerline of Fourth Street; thence west along said centerline of Fourth Street to the centerline of Golden Avenue; thence south along said centerline of Golden Avenue and the prolongation thereof to the southerly boundary line of the City; thence westerly along said southerly boundary line of the City to the westerly boundary line of the City; thence northerly along said westerly boundary line of the City and following its various courses to the prolongation southwesterly of a northwesterly boundary line of the City, said northwesterly boundary line of the City being a line one hundred feet northwesterly of, measured at right angles and parallel, to a northwesterly boundary line of the City as said boundary line existed prior to the annexation election of December 28th, 1923; thence northeasterly along said prolongation southwesterly and said northwesterly boundary line of the City and following its various courses to the northerly line of Wardlow Road, as Wardlow Road is shown on map of "Tract No. 6823", as per map recorded in Book 74, page 61 of Maps, Records of the County; thence easterly along said northerly line of Wardlow Road to the westerly line of Perris Avenue; thence easterly in a direct line to the intersection of the easterly line of Perris Avenue with the southerly line of Wardlow Road; thence easterly along said southerly line of Wardlow Road to the westerly right-of-way line of the County flood control channel; thence easterly in a direct line to the intersection of the easterly right-of-way line of the County flood control channel with the southerly line of Wardlow Road and thence easterly along said southerly line of Wardlow Road to the point of beginning.

B. Or that portion of the City lying east of a line described as follows:

Beginning at the intersection of the prolongation southerly of the centerline of Temple Avenue with the southerly boundary line of the City; and running thence northerly along said prolongation southerly and said centerline of Temple Avenue to the centerline of Eleventh Street; thence west along said centerline of Eleventh Street and the prolongation thereof to the centerline of Orange Avenue; thence north along said centerline of Orange Avenue to the centerline of Anaheim Street; thence west along said centerline of Anaheim Street to the easterly line of American Avenue; and thence northerly along said easterly line of American Avenue to the easterly line of Long Beach Boulevard; thence northerly along said easterly line of Long Beach Boulevard to a point on The Compromise Line between Rancho San Pedro and Rancho Los Cerritos, as said Compromise Line is shown in Licensed Surveyor's Map Book 6, pages 15 and 16, Records of the County, said Compromise Line being also a boundary line of the City; thence in a northeasterly direction along said Compromise

Line and following the various courses of the boundary line of the City to the easterly line of Long Beach Boulevard, as Long Beach Boulevard is located at the southerly line of Scott Street, as Scott Street is shown on Map of "Tract No. 9119", as per map recorded in Book 123, pages 33 and 34 of Maps, Records of the County; and thence northerly along the easterly line of Long Beach Boulevard to the northerly boundary line of the City. (Prior code § 5140.1)

8.48.030 Exceptions.

Nothing in this Chapter shall apply to that portion of real property in the City described as:

All that portion of Lot seven, Block twenty-nine, Cooperative Colony Tract, except the east one hundred ninety-two and sixty-five one-hundredths feet thereof, as per map recorded in Book 21, pages 15 to 16, Miscellaneous Records of the County. (Prior code § 5140.3)

CHAPTER 8.52 FUMIGATING AND DISINFECTING

8.52.010 Notice to Health Officer.

No person shall put or place any cyanide or other dangerously poisonous material in any house or other building for the purpose of fumigating or disinfecting the same unless written notice thereof is given to the Health Officer at least three (3) days in advance thereof stating the intention of such person to so put or place such cyanide or other dangerously poisonous material, together with the exact location of the house or other building to be fumigated or disinfected. (Prior code § 5150)

CHAPTER 8.56 WEED REMOVAL*

8.56.010 Purpose.

This Chapter is enacted pursuant to the City Charter and State law for the purpose, among others, of providing a system to keep all privately owned real property within the City free of weeds and debris and providing a system for levy and collection to cover the cost of such removal by the City including incurred enforcement costs. (Ord. C-7098 § 1, 1993: Ord. C-6104 § 1 (part), 1984)

8.56.020 Definitions.

For the purpose of this Chapter, certain terms used shall have the meaning provided in this Section unless such meaning would be repugnant to the subject matter or the context in which used:

A. "Lot" means a lot, parcel, tract or piece of land, improved or unimproved, in the City, including the sidewalk area abutting or adjoining said lot, parcel, tract or piece of land, and the parkway or area lying between the curbline and the property line of the adjoining or abutting lot bounded on the sides by the prolongation in a straight line of the side lines of the lot in front of which such parkway or area exists.

B. "Lot cleaning levy" means the charge made by the Building Official for removing weeds or debris from a lot plus all penalties for nonpayment of the charges which have accrued at the time plus any civil penalties that are assessable under the provisions of Section 8.56.210. In the event the owner fails to comply within the time frame established by the Building Official or as modified on appeal by the Board of Examiners, Appeals and Condemnation, the lot cleaning levy shall also include all incidental enforcement costs incurred by the City whether or not the work was performed later by the City, by the owner, or by others, except as provided below. Incidental enforcement costs include, but are not limited to, the actual expenses and costs of the City in investigating the nuisance, obtaining title information, preparing notices, and performing inspections. Incidental enforcement costs shall not be included in the lot cleaning levy for a property owned by a head of a low-income household (defined to be a household earning less than eighty percent (80%) of the County median income).

C. "Weeds" and/or "debris" includes all bushes, vines, trees, grass or other vegetation, whether cultivated or uncultivated, and whether dead or growing, and all refuse and rubbish of any kind or description, or wood, asphalt, concrete and simi-

*__Note__—Prior ordinance history: Prior code §§ 5230—5230.21, 5568.

lar materials, or tin cans, parts of machinery, implements and automobiles, any of which cause unpleasant or noxious odors, or which are or may become a refuge or breeding place for insects and vermin, or which conceal or are capable of concealing filth and other unsanitary conditions, or which are, or are capable of becoming, a fire or other hazard to the use and occupancy of neighboring properties, or which obstruct or hinder the use of any public street, sidewalk, alley or way. (ORD-19-0032 § 2, 2019; Ord. C-7098 § 2, 1993; Ord. C-6104 § 1 (part), 1984)

8.56.030 Nuisance.

The existence upon any lot of weeds and/or debris, as defined in this Chapter, is expressly declared to be a public nuisance, and it shall be the duty of both the owner of the lot and any person who may be in possession thereof or who has a right to such possession, to at all times keep such lot clean and free therefrom. (Ord. C-6104 § 1 (part), 1984)

8.56.040 Notice—Form.

Whenever the Building Official finds weeds and/or debris on any lot, he shall cause a notice to clean premises to be given to the assessee of the lot as shown upon the current equalized assessment roll, in the manner provided in this Section, and the assessee shall be deemed to be the agent of the owner for the purpose of receiving service of the notice. The notice shall be in substantially the following form:

NOTICE TO CLEAN PREMISES

To _____, as owner of the hereinafter described premises:

Pursuant to the provisions of Chapter 8.56 of the Municipal Code of the City of Long Beach, you are hereby notified to remove from_____

_____

(Description of property)

AKA:_____

(address)

All weeds and/or debris, as defined in said Municipal Code, within fifteen (15) days from the date of this notice. If such weeds and/or debris are not removed within that time, the undersigned will cause it to be removed and the charges for removal, including all incidental enforcement costs incurred by the City, shall become a lien upon your property. Be advised that incidental enforcement costs will become a lien upon your property if the weeds and/or debris are not removed within fifteen (15) days even if you perform the work later.

If you intend to remove such weeds and/or debris on your account, you are required, pursuant to the Long Beach Municipal Code, to obtain from the undersigned a certificate stating that your premises have been satisfactorily cleaned; otherwise he will, if dissatisfied with the manner in which said work has been done, cause the premises to be recleaned at your expense.

If you object to cleaning the weeds and/or debris from your premises you may appeal to the Board of Examiners, Appeals and Condemnation by filing a written notice of appeal in the office of the undersigned within fifteen (15) days from the date of this notice. Failure to appeal shall be construed as your acceptance of the Building Official's determination and any and all remedies provided by the Long Beach Municipal Code.

(ORD-26-0004 § 3, 2026; Ord. C-7098 § 3, 1993: Ord. C-6104 § 1 (part), 1984)

8.56.050 Notice—Service.

The notice to clean premises shall be served upon the person whose name appears on the current equalized assessment roll as the owner of the premises involved. Such service may be made either by personal delivery of the notice or by depositing the same in the United States mail, postage prepaid, as certified, first class mail, return receipt requested, addressed to the owner at the most recent address appearing on the assessment roll, or if no address appears thereon, such service may be made by posting the notice in a conspicu-

ous place upon the property. Proof of the service of the notice shall be made by affidavit of the person affecting the service, and the affidavit shall be sufficient for all purposes. (Ord. C-6104 § 1 (part), 1984)

8.56.060 Appeal hearing—Service of notice.

A. The Building Official shall serve on the owner who has appealed, a copy of the notice of hearing by certified mail.

B. The notice of hearing shall be served at least ten (10) days before the hearing. Proof of service shall be made by declaration filed with the Board of Examiners, Appeals and Condemnation.

C. Service shall be completed at the time of the deposit of the notice in a receptacle maintained by the United States Postal Service, with postage thereon fully prepaid.

D. "Owner", as used in this Section, means any person so designated on the last equalized assessment roll and also any person having or claiming to have any legal or equitable interest in the premises.

E. The failure of any person to receive such notice shall not affect the validity of any proceedings under this Chapter. (Ord. C-6104 § 1 (part), 1984)

8.56.070 Appeal—Hearing—Procedure.

A. At the time stated in the notice, the Board shall hear and consider all relevant evidence, objections or protests, and shall receive testimony from owners, witnesses, including City personnel, and interested persons relative to the alleged public nuisance and to the proposed cleaning of the premises. The hearing may be continued without further notice.

B. Upon conclusion of the hearing, the Board shall determine whether the premises, or any part thereof, as maintained, constitutes a public nuisance as defined in this Chapter. If the Board finds that such public nuisance does exist, it shall determine how the nuisance is to be abated and shall establish a time, not to exceed fifteen (15) days, within which cleaning shall take place; and in the event the owner fails to correct the nuisance within the time prescribed, the City shall cause the nuisance to be abated and the cost incurred by the City, including incidental enforcement costs, plus any prescribed penalties, shall become a lien upon the property.

C. A copy of the Board's determination shall be served by mail upon the owner of the affected premises. Service shall be complete at the time of its deposit in a receptacle maintained by the United States Postal Service, with postage thereon fully prepaid.

D. No legal proceeding or action shall lie against the City or any officer, agent or employee of the City, to review or enjoin the enforcement of its determination or orders made pursuant to this Chapter, unless such legal action is commenced within thirty (30) days after the decision of the Board. (ORD-26-0004 § 4, 2026; Ord. C-7098 § 4, 1993; Ord. C-6104 § 1 (part), 1984)

8.56.080 Owner removal notice.

Every owner served with a notice or order to clean premises, who upon his own account cleans the weeds and/or debris from his lot shall upon completion of the work immediately give written notice thereof to the Building Official. Such notice shall be either delivered or mailed to the office of the Building Official. Upon receipt of such notice the Building Official shall cause the lot to be inspected, and if no weeds and/or debris exist thereon he shall issue to the owner a certificate so stating. If weeds and/or debris still exist on the lot, he shall cause the same to be removed and the cost thereof assessed against the lot as if no such notice was received from the owner. (Ord. C-6104 § 1 (part), 1984)

8.56.090 City removal—Authorized.

If any owner served with a notice to clean premises fails to remove the weeds and/or debris from his lot within the time stated in the notice, or order of the Board of Examiners, Appeals and Condemnation after appeal, he shall be deemed to have consented to such removal by the Building Official who shall thereupon be authorized, and it

shall be his duty to enter upon the lot involved and clean the weeds and/or debris therefrom. (Ord. C-6104 § 1 (part), 1984)

8.56.100 City removal—Lot cleaning levy computation.

The Building Official shall, after the removal of weeds and/or debris from any lot, compute all expenses so incurred by the City in connection therewith including the applicable processing fees as set forth by City Council resolution and all incidental enforcement costs plus any prescribed penalties. All expenses shall be charged to and become an indebtedness of the owner of such premises, except that incidental enforcement costs shall not be included in the lot cleaning levy for a property owned by a head of a low-income household (defined to be a household earning less than eighty percent (80%) of the County median income). (Ord. C-7098 § 5, 1993: Ord. C-6104 § 1 (part), 1984)

8.56.110 City removal—Lot cleaning levy payment notice.

Upon computing the expenses, the Building Official shall serve upon the owners of all lots cleaned, as said owners are determined from the current assessment roll, and in the same manner as provided for service of the notice to clean premises, a notice to pay lot cleaning levy (sometimes referred to in chapter as notice to pay), which notice shall be in substantially the following form:

NOTICE TO PAY
LOT CLEANING LEVY

In accordance with the provisions of Chapter 8.56 of the Long Beach Municipal Code, the Building Official has caused the weeds and/or debris upon_____

_____

(legal)

AKA_____

(address)

to be cleaned either at City expense or the work was accomplished by that owner or others after the established deadline.

You are hereby notified that the total cost, including incidental enforcement costs and any prescribed penalties, of _____ are now due and payable to the City of Long Beach.

Section 8.56.120 of the Long Beach Municipal Code provides, in part, that the property owner or any interested person may demand a hearing within fifteen (15) days of this notice before the Board of Examiners, Appeals and Condemnation on the reasonableness of the charges. Such demand shall be in writing, filed with the Building Official and shall describe the property involved, the reasons for objecting, the name, address and interest of the appellant.

If no hearing is demanded, this payment shall become delinquent thirty (30) days from this notice and a lien for said amount, plus a fee for preparation of the lien, shall be attached to the affected property and thereafter bear interest at the rate of twelve percent (12%) per annum until paid. An additional fee will be incurred in the event that payment is not received before the end of the fiscal year (June 30) and transfer of collection to the City Treasurer becomes necessary.
(Ord. C-7098 § 6, 1993: Ord. C-6104 § 1 (part), 1984)

8.56.120 Hearing on charges.

Within fifteen (15) days from the date of the notice to pay, the property owner, or any interested person, may demand a hearing as to the reasonableness of such charges. Such demand shall be in writing and filed with the Building Official. It shall describe the property involved, state the reasons for objecting, and include the address of the applicant for service of notices in connection with such hearing. The Building Official shall thereupon set a date for hearing such protest by the Board of Examiners, Appeals and Condemnation within a reasonable time. The Building Official shall send written notice of such hearing in the manner provided in Section 8.56.060. At the time set for such hearing, the Board shall hear all evidence pertinent to the reasonableness of such charges and shall then either confirm or modify the charges. The decision of the Board shall be

final, and the Building Official shall give notice to the parties affected in the manner provided in Section 8.56.070. (Ord. C-6104 § 1 (part), 1984)

8.56.130 Interest of charges.

If the amount of the charges as determined by the Board of Examiners, Appeals and Condemnation has not been paid within thirty (30) days of its decision, the payment shall thereupon become delinquent and a lien against the real property and the amount so determined shall thereafter bear interest at the rate of twelve percent (12%) per annum until paid. If no hearing is demanded as to the reasonableness of the charges, the payment shall become delinquent and a lien against the real property thirty (30) days after the notice of the charges for abatement is served by the Building Official; and such amount shall thereafter bear interest at the rate of twelve percent (12%) per annum until paid. (Ord. C-6104 § 1 (part), 1984)

8.56.140 Transfer of collection.

The Building Official shall certify a list of all delinquent charges for lot cleaning or nuisance abatement to the City Treasurer who shall submit the list to the City Council for confirmation. Each parcel of property shall be described sufficiently to identify it in accordance with the records of the County Tax Collector. The amount of the charges including such interest as has accrued after the delinquent date to July 1st of the year shall be set forth opposite the description by the City Treasurer. (Ord. C-6104 § 1 (part), 1984)

8.56.150 Method of collection.

Upon receipt of the list, the County Tax Collector shall enter the charges shown thereon for each parcel of property upon the current tax roll and shall proceed to collect the charges in the same manner as ad valorem taxes, and penalties and interest for nonpayment thereafter shall attach as though the amounts were ad valorem taxes; provided, however, that no receipt for payment of ad valorem taxes appearing upon the tax roll as against a particular parcel shall be issued unless all such charges for collection for lot cleaning, correction of substandard conditions or nuisance abatement, and penalties thereon, entered upon that tax roll against the lot are first paid in full. (Ord. C-6104 § 1(part), 1984)

8.56.160 Tax—Sold property.

Upon the sale of any lot to the State for nonpayment of taxes, all charges for lot cleaning, correction of substandard conditions or nuisance abatement for the parcel appearing upon the tax roll, together with the penalties thereon, shall be added to and become a part of the same delinquent tax record. (Ord. C-6104 § 1 (part), 1984)

8.56.170 Tax—Sold property—Redemptions.

No certificate of redemption from sale for delinquent taxes shall be issued until all charges for lot cleaning, correction of substandard conditions and nuisance abatement, and penalties entered on the delinquent tax records against the property involved, have first been paid in full. (Ord. C-6104 § 1 (part), 1984)

8.56.180 Error correction—Assessment cancellation.

A. The Building Official may, prior to certifying any such unpaid charges to the City Treasurer, correct any errors with respect to such levies appearing upon his records.

B. After such levies have been certified to the City Treasurer and confirmed by the City Council, the Council, by order entered on its minutes, may cancel any charges for lot cleaning, correction of substandard conditions or nuisance abatement, or penalty, or any portion of either thereof, appearing on the tax records, which, because of error, is charged against the wrong property, or which has been paid but such payment has not been recorded upon the tax records, or which is based upon a clerical error in such records, or which was charged against property acquired subsequent to the lien date by the United States, by the State, or any City, or any school district or other political subdivision and, because of this public ownership, not subject to sale for delinquent assessments. (Ord. C-6104 § 1 (part), 1984)

8.56.190 Interfering with enforcement prohibited.

No person as owner, lessee, or agent or person in possession of any property within the City shall allow a public nuisance, as defined in Section 8.56.030, to exist within the City, or refuse to allow the Building Official to enter upon any property during the hours of daylight where any such nuisance exists, for the purpose of inspecting or abating same, after notice has been given as provided in Section 8.56.040, or after appeal is concluded or time for appeal has expired, or interfere with the Building Official in any manner whatsoever in the abating of the nuisance. (Ord. C-6104 § 1 (part), 1984)

8.56.200 No dumping—Property may be posted.

A. The Building Official may post a "no dumping" sign on any public or private property if he finds that such property has been repeatedly subjected to dumping in violation of Section 374b of the Penal Code.

B. The sign shall read:

NO DUMPING
(Penal Code Section 374b)
Violators Will Be Prosecuted

In addition, the sign shall contain an appropriate City telephone number designated by the Building Official. (Ord. C-6407 § 1, 1987)

8.56.210 Civil penalty—City removal more than once.

If the Building Official finds that the City had previously removed weeds from the same property after notice to the same owner, he shall assess a civil penalty based on the following schedule when weeds are again removed by the City:

Civil penalty: for previous removal of weeds by the City once within the preceding five (5) years—fifty percent (50%) of the City's administrative cost for removal including processing fees; for previous removal by the City two (2) or more times within the preceding five (5) years—one hundred percent (100%) of the City's administrative cost for removal including processing fees.

The City will give notice of this civil penalty to all property owners when weed abatement procedures are instituted against their properties.

The imposition of this civil penalty may be appealed to the Board of Examiners, Appeals and Condemnation, as provided in Section 8.56.120.

The civil penalty constitutes a debt of the person charged to the City of Long Beach and is collectible by the City as an obligation or liability created by statute. (Ord. C-6498 § 1, 1988)

CHAPTER 8.58 GRAFFITI ABATEMENT

8.58.010 Purpose.

This Chapter is enacted for the purpose of providing a system to keep all privately owned real property within the City free of graffiti and providing a system for levy and collection to cover the cost of such removal by the City.

The increase of graffiti on both private and public buildings and structures creates a condition of blight resulting in a deterioration of property and business values for adjacent properties all to the detriment of the City. (Ord. C-6769 § 1 (part), 1990)

8.58.020 Definitions.

For the purpose of this Chapter, certain terms used shall have the meaning provided in this Section:

A. "Lot" means a lot, parcel, tract, premises or piece of land, improved or unimproved, in the City.

B. "Graffiti removal levy" means the charge made by the Building Official for removing graffiti from a lot plus all penalties for nonpayment of the charges which have accrued.

C. "Graffiti" means any unauthorized inscription, word, figure or design which is marked, etched, scratched, drawn or painted on any structural component of any building structure, or other facility regardless of the nature of the material of that structural component.

D. "Owner" as used in this Section, means any person so designated on the last equalized

assessment roll and also any person having or claiming to have any legal or equitable interest in the premises. (Ord. C-6769 § 1 (part), 1990)

8.58.030 Nuisance.

The existence upon any lot of graffiti is expressly declared to be a public nuisance, and it shall be the duty of both the owner of the lot and any person who may be in possession or who has a right to such possession, to at all times keep such lot clean and free from graffiti. (Ord. C-6769 § 1 (part), 1990)

8.58.040 Notice—Form.

Whenever the Building Official finds on any lot graffiti which can be seen by any person using any public right-of-way, he shall cause a notice to remove graffiti to be given to the assessee of the lot as shown upon the current equalized assessment roll, and the assessee shall be deemed to be the agent of the owner and tenant for the purpose of receiving service of the notice. The notice shall be in substantially the following form:

NOTICE TO REMOVE GRAFFITI

To_____, as owner:

Pursuant to the provisions of Chapter 8.58 of the Long Beach Municipal Code, you are hereby notified to remove from_____

_____

(Description of property)

AKA_____

Address

all graffiti as defined in the Municipal Code, within seven (7) days from the date of this notice. If such graffiti is not removed within that time, the City will cause it to be removed and the charges for removal shall become a personal obligation and a lien upon your property.

If you intend to remove such graffiti yourself, you are required to obtain from the City a certificate stating that the graffiti has been satisfactorily removed; otherwise if the City is dissatisfied with the manner in which the work has been done, the graffiti will be further removed at your expense.

If you object to the removal of the graffiti from your premises, you may appeal to the Board of Examiners, Appeals and Condemnation by filing a written notice of appeal in the office of the undersigned within five (5) days from the date of this notice. Failure to appeal shall be construed as your acceptance of the Building Official's determination and any and all remedies provided by the Long Beach Municipal Code.

(Ord. C-6769 § 1 (part), 1990)

8.58.050 Notice—Service.

The notice to remove graffiti shall be served upon the person whose name appears on the current equalized assessment roll as the owner of the premises involved. Such service may be made either by personal delivery or by depositing the notice in the United States mail, postage prepaid, as certified, first class mail, return receipt requested, addressed to the owner at the most recent address appearing on the assessment roll, or if no address appears thereon, such service may be made by posting the notice in a conspicuous place upon the property. Proof of the service of the notice shall be made by affidavit of the person effecting the service, and the affidavit shall be sufficient for all purposes. (Ord. C-6769 § 1 (part), 1990)

8.58.060 Appeal hearing—Service of notice.

A. If there is an appeal, the Building Official shall serve on the owner who has appealed, a copy of the notice of hearing by certified mail.

B. The notice of hearing shall be served at least ten (10) days before the hearing. Proof of service shall be made by declaration filed with the Board of Examiners, Appeals and Condemnation.

C. Service shall be completed at the time of the deposit of the notice in a receptacle maintained by the United States Postal Service, with postage fully prepaid.

D. The failure of any person to receive such notice of hearing shall not affect the validity of any proceedings under this Chapter. (Ord. C-6769 § 1 (part), 1990)

8.58.070 Appeal—Hearing—Procedure.

A. At the time stated in the notice, the Board shall hear and consider all relevant evidence, objections or protests, and shall receive testimony from owners, witnesses, including City personnel, and interested persons relative to the alleged public nuisance and to the proposed removal of the graffiti. The hearing may be continued without further notice.

B. Upon conclusion of the hearing, the Board shall determine whether the premises, as maintained, constitutes a public nuisance as defined in this Chapter. If the Board finds that such public nuisance does exist, it shall determine how the nuisance is to be abated and shall establish a time, not to exceed seven (7) days, within which removal shall take place; and in the event the owner fails to correct the nuisance within the time prescribed, the City shall cause the nuisance to be abated and the cost incurred by the City shall become a personal obligation of the owner and tenant and a lien on the property.

C. A copy of the Board's determination shall be served by mail upon the owner of the affected premises. Service shall be completed at the time of its deposit in a receptacle maintained by the United States Postal Service, with postage fully prepaid.

D. No legal proceeding or action shall lie against the City or any officer, agent or employee of the City to enjoin the enforcement of its determination or orders made pursuant to this Chapter, unless such legal action is commenced within thirty (30) days after the decision of the Board. (Ord. C-6769 § 1 (part), 1990)

8.58.080 Owner removal notice.

Every owner served with a notice or order to remove graffiti who upon his own account removes the graffiti from his lot shall upon completion of the work immediately give written notice thereof to the Building Official. Such notice shall be either delivered or mailed to the office of the Building Official. Upon receipt of such notice the Building Official shall cause the lot to be inspected, and if no graffiti exists thereon he shall issue the owner a certificate so stating. If graffiti still exists on the lot, he shall cause it to be removed and the cost will be assessed against the owner and tenant and become a lien on the property as if no such notice of removal was received from the owner. (Ord. C-6769 § 1 (part), 1990)

8.58.090 City removal—Authorized.

If any owner served with a notice fails to remove the graffiti from his lot within the time stated in the notice, or order of the Board of Examiners, Appeals and Condemnation after appeal, he shall be deemed to have consented to such removal by the Building Official who shall thereupon be authorized, to enter upon the lot involved and remove the graffiti. (Ord. C-6769 § 1 (part), 1990)

8.58.100 City removal—Graffiti abatement levy computation.

The Building Official shall, after completing the removal of graffiti from any lot, compute all expenses so incurred by the City, including the applicable processing fees as set forth by City Council resolution. All expenses shall be charged to and become an indebtedness of the owner and tenant of such premises. (Ord. C-6769 § 1 (part), 1990)

8.58.110 City removal—Graffiti abatement levy payment notice.

Upon computing the expenses, the Building Official shall serve upon the owners of all lots where graffiti was removed, as the owners are determined from the current assessment roll, a notice to pay the graffiti abatement levy which notice shall be in substantially the following form:

NOTICE TO PAY GRAFFITI
ABATEMENT LEVY

In accordance with the provisions of Chapter 8.58 of the Long Beach Municipal Code, the Building Official has caused the graffiti upon_____

_____

to be removed at City expense.

You are hereby notified that the total cost of _____ is now due and payable to the City of Long Beach.

Section 8.58.120 of the Long Beach Municipal Code provides in part, that the property owner, tenant or any other interested person may demand a hearing within fifteen (15) days of this notice before the Board of Examiners, Appeals and Condemnation on the reasonableness of the charges. Such demand shall be in writing, filed with the Building Official and shall describe the property involved, the reasons for objecting, the name, address and interest of the appellant.

If no hearing is demanded, this payment shall become delinquent thirty (30) days from this notice and if the amount due is not otherwise collected, a lien for this amount, plus a fee for preparation of the lien and any civil penalty shall be attached on the affected property and thereafter bear interest at the rate of twelve percent (12%) per annum until paid. An additional fee will be incurred in the event that payment is not received before the end of the fiscal year (June 30) and transfer for collection to the City Treasurer becomes necessary.

(Ord. C-6769 § 1 (part), 1990)

8.58.120 Hearing on charges.

Within fifteen (15) days from the date of the notice to pay, the property owner, tenant or any other interested person, may demand a hearing as to the reasonableness of such charges. Such demand shall be in writing and filed with the Building Official. It shall describe the property involved, state the reasons for objecting, and include the address of the applicant for service of notices in connection with such hearing. The Building Official shall thereupon set a date for hearing such protest by the Board of Examiners, Appeals and Condemnation within a reasonable time. The Building Official shall send written notice of such hearing in the manner provided in Section 8.58.060. At the time set for such hearing, the Board shall hear all evidence pertinent to the reasonableness of such charges and shall then either confirm or modify the charges. The decision of the Board shall be final, and the Building Official shall give notice to the parties affected in the manner provided in Section 8.58.070. (Ord. C-6769 § 1 (part), 1990)

8.58.130 Interest of charges.

If the amount of the charges as determined by the Board of Examiners, Appeals and Condemnation has not been paid within thirty (30) days of its decision, the payment shall thereupon become delinquent and if the amount due is not otherwise collected, a lien against the real property, and the amount so determined shall thereafter bear interest at the rate of twelve percent (12%) per annum until paid. If no hearing is demanded as to the reasonableness of the charges, the payment shall become delinquent and if the amount due is not otherwise collected, a lien against the real property thirty (30) days after the notice of charges for abatement is served by the Building Official; and such amount shall thereafter bear interest at the rate of twelve percent (12%) per annum until paid. (Ord. C-6769 § 1 (part), 1990)

8.58.140 Transfer of collection.

The Building Official shall certify a list of all delinquent charges for graffiti abatement to the City Treasurer who shall submit the list to the City Council for confirmation. Each parcel of property shall be described sufficiently to identify it in accordance with the records of the County Tax Collector. The amount of the charges including such interest as has accrued after the delinquent date to July 1st of the year shall be set forth opposite the description by the City Treasurer. (Ord. C-6769 § 1 (part), 1990)

8.58.150 Method of collection.

Upon receipt of the list, the County Tax Collector shall enter the charges shown thereon for each parcel of property upon the current tax roll and shall proceed to collect the charges in the same

manner as ad valorem taxes, and penalties and interest for nonpayment thereafter shall attach as though the amounts were ad valorem taxes; provided, however, that no receipt for payment of ad valorem taxes appearing upon the tax roll as against a particular parcel shall be issued unless all such charges for collection for graffiti abatement and penalties thereon, entered upon that tax roll against the lot are first paid in full. (Ord. C-6769 § 1 (part), 1990)

8.58.160 Tax—Sold property.

Upon the sale of any lot to the State for nonpayment of taxes, all charges for graffiti abatement for the parcel appearing upon the tax roll, together with the penalties thereon, shall be added to and become a part of the same delinquent tax record. (Ord. C-6769 § 1 (part), 1990)

8.58.170 Tax—Sold property—Redemptions.

No certificate of redemption from sale for delinquent taxes shall be issued until all charges for graffiti abatement, and penalties entered on the delinquent tax records against the property involved, have first been paid in full. (Ord. C-6769 § 1 (part), 1990)

8.58.180 Error correction—Assessment cancellation.

A. The Building Official may, prior to certifying any such unpaid charges to the City Treasurer, correct any errors with respect to such levies appearing upon his records.

B. After such levies have been certified to the City Treasurer and confirmed by the City Council, the Council, by order entered on its minutes, may cancel any charges for graffiti abatement, or penalty, or any portion of either thereof, appearing on the tax records, which, because of error, is charged against the wrong property, or which has been paid but such payment has not been recorded upon the tax records, or which is based upon a clerical error in such records, or which was charged against property acquired subsequent to the lien date by the United States, by the State, or any City, or any school district or other political subdivision and, because of this public ownership, not subject to sale for delinquent assessments. (Ord. C-6769 § 1 (part), 1990)

8.58.190 Interfering with enforcement prohibited.

No person as owner, lessee, or agent or person in possession of any property within the City shall allow a "public nuisance", as defined in Section 8.58.030, to exist within the City, or refuse to allow the Building Official to enter upon any property during the hours of daylight where any such nuisance exists, for the purpose of inspecting or abating same, after notice has been given as provided in Section 8.58.040, or after appeal is concluded or time for appeal has expired, or interfere with the Building Official in any manner whatsoever in the abating of the nuisance. (Ord. C-6769 § 1 (part), 1990)

8.58.200 Civil penalty—City removal more than once.

If the Building Official finds that the City had previously removed graffiti from the same property after notice to the same owner, he shall assess a civil penalty based on the following schedule when graffiti is again removed by the City:

Civil penalty: For previous removal of graffiti by the City once within the preceding five (5) years - fifty percent (50%) of the City's total cost for removal including processing fees; for previous removal by the City two (2) or more times within the preceding five (5) years - one hundred percent (100%) of the City's total cost for removal including processing fees.

The City will give notice of this civil penalty to all property owners when graffiti abatement procedures are instituted against their properties.

The imposition of this civil penalty may be appealed to the Board of Examiners, Appeals and Condemnation, as provided in Section 8.58.120.

The civil penalty constitutes a debt of the person charged to the City and is collectible by the City as an obligation or liability created by statute. (Ord. C-6769 § 1 (part), 1990)

8.58.210 Delegation of duties.

Whenever this Chapter designates duties to be performed by the "Building Official" or "Superintendent of Building and Safety", those same duties may be performed by the Director of Public Works when authorized by the City Manager. (Ord. C-6769 § 1 (part), 1990)

CHAPTER 8.59 RESERVED*

CHAPTER 8.60 SOLID WASTE, RECYCLING AND LITTER PREVENTION AND MANDATORY ORGANIC WASTE DISPOSAL REDUCTION†

8.60.010 Definitions.

For the purpose of this Chapter, unless the context clearly requires a different meaning, the words, terms and phrases set forth in this Section are defined as follows:

A. "Account" means any property owner or occupant of any dwelling unit, dwelling, building, premises, lot or parcel designated for City solid waste collection services by the Director of Public Works.

B. "Apartment" means each dwelling unit in a multiple-family dwelling containing three (3) or more dwelling units. Three (3) or more dwelling units constructed as separate buildings but located on a common lot or parcel shall be considered as apartments for the purpose of this Chapter.

C. "Automated collection" means solid waste collection service using a receptacle (cart) which requires limited or no manual moving and no manual lifting by City personnel or their designee.

D. "Building construction refuse" means waste material resulting from the construction, remodeling, repair and demolition operations on houses, commercial buildings, other structures, and any surrounding grounds.

E. "CalRecycle" means California's Department of Resources Recycling and Recovery, which is the Department designated with responsibility for developing, implementing, and enforcing all recycling and waste diversion regulations, including SB 1383 Regulations on Cities (and others).

F. "California Code of Regulations" or "CCR" means the State of California Code of Regulations. CCR references in this ordinance are preceded with a number that refers to the relevant Title of the CCR (e.g., "14 CCR" refers to Title 14 of CCR).

G. "Cart" means a receptacle of one hundred one (101) gallons or less provided by the City or its designee for the automated or semi-automated collection of refuse, recycling or organics.

H. "City" means the City of Long Beach, a municipal corporation.

I. "City Enforcement Official" means the City Manager, or their authorized Designee(s) who is/are partially or whole responsible for enforcing the ordinance.

J. "Commercial bin(s)" means receptacles with a capacity greater than one hundred one (101) gallons that require minimal manual moving but no manual lifting.

K. "Commercial Business" or "Commercial" means a firm, partnership, proprietorship, joint-stock company, corporation, or association, whether for-profit or nonprofit, strip mall, industrial facility, or a multifamily residential dwelling, or as otherwise defined in 14 CCR Section 18982(a)(6). A Multi-Family Residential Dwelling that consists of fewer than five (5) units is not a Commercial Business for purposes of implementing this ordinance.

L. "Commercial Edible Food Generator" includes a Tier One or a Tier Two Commercial Edible Food Generator as defined in Sections 3(SSSS) and 3(TTTT) of this ordinance [8.60.010.SSSS and TTTT] or as otherwise de-

fined in 14 CCR Sections 18982(a)(73) and (a)(74). For the purposes of this definition, Food Recovery Organizations and Food Recovery Services are not Commercial Edible Food Generators pursuant to 14 CCR Section 18982(a)(7).

M. "Commercial service" means solid waste collection services provided by City crews or its designee for nonresidential or mixed use accounts.

N. "Community Composting" means any activity that composts green material, agricultural material, food material, and vegetative food material, alone or in combination, and the total amount of feedstock and Compost on-site at any one time does not exceed one hundred (100) cubic yards and seven hundred fifty (750) square feet, as specified in 14 CCR Section 17855(a)(4); or, as otherwise defined by 14 CCR Section 18982(a)(8).

O. "Compliance Review" means a review of records by a City to determine compliance with this ordinance.

P. "Compost" has the same meaning as in 14 CCR Section 17896.2(a)(4), which stated, as of the effective date of this ordinance, that Compost means the product resulting from the controlled biological decomposition of organic Solid Wastes that are Source Separated from the municipal Solid Waste stream, or which are separated at a centralized facility.

Q. "Compostable Plastics" or "Compostable Plastic" means plastic materials that meet the ASTM D6400 standard for compostability, or as otherwise described in 14 CCR Sections 18984.1(a)(1)(A) or 18984.2(a)(1)(C).

R. "Container Contamination" or "Contaminated Container" means a container, regardless of color, that contains Prohibited Container Contaminants, or as otherwise defined in 14 CCR Section 18982(a)(55).

S. "C&D" means construction and demolition debris.

T. "Daily charge" means the daily cost to each classification of dwelling unit or commercial unit as prescribed by the rate schedule applicable to that service.

U. "Designated Source-Separated Organic Waste Facility" as defined in 14 CCR Section 18982(14.5), means a Solid Waste facility that accepts a Source Separated Organic Waste collection stream as defined in 14 CCR Section 17402(a)(26.6) and complies with one of the following:

1. The facility is a "transfer/processor," as defined in 14 CCR Section 18815.2(a)(62), that is in compliance with the reporting requirements of 14 CCR Section 18815.5(d), and meets or exceeds an annual average Source Separated organic content Recovery rate of fifty percent (50%) between January 1, 2022 and December 31, 2024 and seventy-five percent (75%) on and after January 1, 2025 as calculated pursuant to 14 CCR Section 18815.5(f) for Organic Waste received from the Source Separated Organic Waste collection stream.

a. If a transfer/processor has an annual average Source Separated organic content Recovery rate lower than the rate required in Paragraph 1 of this definition for two (2) consecutive reporting periods, or three (3) reporting periods within three (3) years, the facility shall not qualify as a "Designated Source Separated Organic Waste Facility".

2. The facility is a "composting operation" or "composting facility" as defined in 14 CCR Section 18815.2(a)(13), that pursuant to the reports submitted under 14 CCR Section 18815.7 demonstrates that the percent of the material removed for landfill disposal that is Organic Waste is less than the percent specified in 14 CCR Sections 17409.5.8(c)(2) or 17409.5.8(c)(3), whichever is applicable, and, if applicable, complies with the digestate handling requirements specified in 14 CCR Section 17896.5.

a. If the percent of the material removed for landfill disposal that is Organic Waste is more than the percent specified in 14 CCR Sections 17409.5.8(c)(2) or 17409.5.8(c)(3), for two (2) consecutive reporting periods, or three (3) reporting periods within three (3) years, the facility shall not qualify as a "Designated Source Separated Organic Waste Facility." For the purposes of this ordinance, the reporting periods shall be consistent with those defined in 14 CCR Section 18815.2(a)(49). Guidance: The reporting periods identified in the above Section 3(l)(2)(A) are con-

sistent with reporting that facilities must submit to CalRecycle under RDRS regulations and not reporting to be submitted under this ordinance.

V. "Designee" means an entity that a City contracts with or otherwise arranges to carry out any of the City's responsibilities of this ordinance as authorized in 14 CCR Section 18981.2. A Designee may be a government entity, a hauler, a private entity, or a combination of those entities.

W. "Director of Public Works" means the Director or such other person designated by the City Manager to direct refuse, recycling, and organics operations or their designee.

X. "Duplex" means any dwelling containing only two (2) dwelling units. Two (2) dwelling units constructed as separate buildings located on a common lot or parcel shall be considered as duplex units for the purpose of this Chapter.

Y. "Dwelling" means any building, including one-family, two-family, and multiple-family dwellings, designed or used for residential occupancy by one (1) or more persons.

Z. "Dwelling unit" means one (1) or more rooms designed as a unit of occupancy as separate living quarters. No single dwelling unit may contain more than one (1) kitchen. Any self-contained area with more than one (1) room, an independent exterior exit, combined with a bathtub or shower and a sink shall also be considered a dwelling unit.

AA. "Edible Food" means food intended for human consumption, or as otherwise defined in 14 CCR Section 18982(a)(18). For the purposes of this ordinance or as otherwise defined in 14 CCR Section 18982(a)(18), "Edible Food" is not Solid Waste if it is recovered and not discarded. Nothing in this ordinance or in 14 CCR, Division 7, Chapter 12 requires or authorizes the Recovery of Edible Food that does not meet the food safety requirements of the California Retail Food Code.

BB. "Enforcement Action" means an action of the City to address non-compliance with this ordinance including, but not limited to, issuing administrative citations, fines, penalties, or using other remedies.

CC. "Excluded Waste" means hazardous substance, hazardous waste, infectious waste, designated waste, volatile, corrosive, medical waste, infectious, regulated radioactive waste, and toxic substances or material that facility operator(s), which receive materials from the City and its generators, reasonably believe(s) would, as a result of or upon acceptance, transfer, processing, or disposal, be a violation of local, State, or Federal law, regulation, or ordinance, including: land use restrictions or conditions, waste that cannot be disposed of in Class III landfills or accepted at the facility by permit conditions, waste that in City's, or its Designee's reasonable opinion would present a significant risk to human health or the environment, cause a nuisance or otherwise create or expose City, or its Designee, to potential liability; but not including de minimis volumes or concentrations of waste of a type and amount normally found in Single-Family or Multi-Family Solid Waste after implementation of programs for the safe collection, processing, recycling, treatment, and disposal of batteries and paint in compliance with Sections 41500 and 41802 of the California Public Resources Code. Excluded Waste does not include used motor oil and filters, household batteries, universal wastes, and/or latex paint when such materials are defined as allowable materials for collection through the City's collection programs and the generator or customer has properly placed the materials for collection pursuant to instructions provided by City or its Designee for collection services.

DD. "Food Distributor" means a company that distributes food to entities including, but not limited to, Supermarkets and Grocery Stores, or as otherwise defined in 14 CCR Section 18982(a)(22).

EE. "Food Facility" has the same meaning as in Section 113789 of the Health and Safety Code.

FF. "Food Recovery" means actions to collect and distribute food for human consumption that otherwise would be disposed, or as otherwise defined in 14 CCR Section 18982(a)(24).

GG. "Food Recovery Organization" means an entity that engages in the collection or receipt of Edible Food from Commercial Edible Food Generators and distributes that Edible Food to

the public for Food Recovery either directly or through other entities or as otherwise defined in 14 CCR Section 18982(a)(25), including, but not limited to:

1. A food bank as defined in Section 113783 of the Health and Safety Code;

2. A nonprofit charitable organization as defined in Section 113841 of the Health and Safety code; and

3. A nonprofit charitable temporary food facility as defined in Section 113842 of the Health and Safety Code.

A Food Recovery Organization is not a Commercial Edible Food Generator for the purposes of this ordinance and implementation of 14 CCR, Division 7, Chapter 12 pursuant to 14 CCR Section 18982(a)(7).

If the definition in 14 CCR Section 18982(a)(25) for Food Recovery Organization differs from this definition, the definition in 14 CCR Section 18982(a)(25) shall apply to this ordinance would be disposed, or as otherwise defined in 14 CCR Section 18982(a)(24).

HH. "Food Recovery Service" means a person or entity that collects and transports Edible Food from a Commercial Edible Food Generator to a Food Recovery Organization or other entities for Food Recovery, or as otherwise defined in 14 CCR Section 18982(a)(26). A Food Recovery Service is not a Commercial Edible Food Generator for the purposes of this ordinance and implementation of 14 CCR, Division 7, Chapter 12 pursuant to 14 CCR Section 18982(a)(7).

II. "Food Scraps" means all food such as, but not limited to, fruits, vegetables, meat, poultry, seafood, shellfish, bones, rice, beans, pasta, bread, cheese, and eggshells. Food Scraps excludes fats, oils, and grease when such materials are Source Separated from other Food Scraps.

JJ. "Food Service Provider" means an entity primarily engaged in providing food services to institutional, governmental, Commercial, or industrial locations of others based on contractual arrangements with these types of organizations, or as otherwise defined in 14 CCR Section 18982(a)(27).

KK. "Food-Soiled Paper" is compostable paper material that has come in contact with food or liquid.

LL. "Grocery Store" means a store primarily engaged in the retail sale of canned food; dry goods; fresh fruits and vegetables; fresh meats, fish, and poultry; and any area that is not separately owned within the store where the food is prepared and served, including a bakery, deli, and meat and seafood departments, or as otherwise defined in 14 CCR Section 18982(a)(30).

MM. "Hauler Route" means the designated itinerary or sequence of stops for each segment of the City's collection service area, or as otherwise defined in 14 CCR Section 18982(a)(31.5).

NN. "High Diversion Organic Waste Processing Facility" means a facility that is in compliance with the reporting requirements of 14 CCR Section 18815.5(d) and meets or exceeds an annual average Mixed Waste organic content Recovery rate of fifty percent (50%) between January 1, 2022 and December 31, 2024, and seventy-five percent (75%) after January 1, 2025, as calculated pursuant to 14 CCR Section 18815.5(e) for Organic Waste received from the "Mixed waste organic collection stream" as defined in 14 CCR Section 17402(a)(11.5); or, as otherwise defined in 14 CCR Section 18982(a)(33).

OO. "Improved alley" means a public or private way that is twenty feet (20') or less in width which is paved and which the Director of Public Works has determined may be safely negotiated by solid waste collection vehicles.

PP. "Incidental waste" means up to one (1) cubic foot of refuse which is deposited at a location other than the business, residence or premises where generated.

QQ. 8.60.020 Adequate receptacles or bins required.

A. All property owners or occupants utilizing solid waste receptacles shall have the number of receptacles or bins with sufficient capacity necessary to contain their solid waste in compliance with City ordinances and the Health and Safety Code.

B. It shall be the duty of every account to provide, maintain and use receptacles for solid waste collection service in accordance with the type, quantity and conditions set forth in Sections 8.60.020 through 8.60.370 in the manner provided by this Chapter. The terms of Sections 8.60.020 through 8.60.070 shall not apply to any tenant occupying any real estate in the City, the owner of which provides and maintains, as prescribed in this Chapter, receptacles for holding waste, or who provides and maintains, in accordance with the terms of this Chapter, a solid waste collection service with a solid waste enterprise licensed and permitted to remove or convey waste within the City.

C. Property owners or occupants utilizing plastic trash bags for refuse collection only, must do so in accordance with Subsection 8.60.025.D and shall store such bags, when in use and when filled, in a sanitary manner so as to minimize odor and vector problems.

D. Any account in the City will be advised in writing by the Director of Public Works to increase their levels of service by obtaining additional receptacles or arranging for more frequent collection. If the Director of Public Works determines that overflowing or otherwise non-contained solid waste continues to create a nuisance or a threat to public health or safety after written notification to the account, or to the property owner and occupant, the Director shall either provide sufficient containers and collection and bill the account in accord with the schedule of fees adopted by the City Council, or refer the matter to the appropriate City department for further action.

E. City-serviced accounts designated by the Director of Public Works for automated or semi-automated collection shall only use solid waste carts and bins obtained from the City. Carts and bins shall be provided and repaired or replaced by the City. Carts, bins and their components so furnished shall remain the property of the City.

F. Account holders as shown in the City's utility billing records shall have the option of requesting additional carts or bins or exchanging the carts for a different size based on available City inventory. Carts shall not be exchanged more than once every six (6) months. Exchange fees shall be established in accordance with Section 8.60.190.

G. Each refuse transportation permit holder shall be responsible to comply with each requirement set forth in Subsections 8.60.020.A through 8.60.020.D and 8.60.370.C of this Chapter for each account or property it services within the City. Failure to comply with these requirements shall be a violation of the terms and conditions of the refuse transportation permit as set forth in Section 8.60.088. (ORD-21-0040 § 3, 2021; Ord. C-7601 § 2, 1999: Ord. C-7057 § 2, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.1(a))

8.60.025 Receptacles—Specifications.

All solid waste receptacles utilized within the City for removing and conveying waste shall be acceptable to the Director of Public Works and shall conform to the following specifications:

A. City-serviced accounts designated by the Director of Public Works for automated or semi-automated collection shall:

1. Only use carts and bins provided by the City or its agent;

2. Fill each cart so that its weight when loaded does not exceed two hundred fifty (250) pounds and so that the lid is fully closed when placed for collection.

B. City-serviced accounts designated by the Director of Public Works for commercial service shall:

1. Utilize carts or bins provided by the City or provide, utilize and maintain commercial bins that meet specifications set by the Director of Public Works. For the purposes of this Chapter, the volume of a standard two cubic yard commercial bin shall be equal to five (5) one hundred (100) gallon carts;

2. Utilize structurally sound, watertight receptacles;

3. Have four (4) operative wheels that allow for a one-person movement of the receptacle when loaded;

4. Have sufficient drainage or a plug utilized for drainage;

5. Utilize a lid that prevents contents from escaping;

6. Plainly and visibly display the service location address on each commercial receptacle. Characters shall be at least four inches (4") high;

7. Plainly and visibly display signage banning the illegal disposal of hazardous, infectious and liquid waste;

8. Utilize containers that weigh not more than one thousand two hundred fifty (1,250) pounds when loaded;

9. Stow all waste in a manner that will prevent contents escaping therefrom;

10. Stow all waste in appropriate receptacle in a manner that rain will not increase a receptacle's weight beyond capacity;

11. Clean the inside and outside of receptacles as necessary to maintain sanitary conditions and keep receptacles free of graffiti; and

12. Comply with all color and label requirements as stated in 8.60.370.4.

C. City-serviced accounts designated by the Director of Public Works for manual collection shall:

1. Utilize receptacles made of waterproof material, the interior of which shall be smooth with no projections;

2. Have a diameter not less than eighteen inches (18") nor greater than twenty-four inches (24"), the top diameter of which shall in no case be less than any diameter below the top with nothing attached to the exterior other than acceptable handles;

3. Utilize a removable waterproof cover or lid to prevent rain from increasing a receptacle's loaded weight beyond capacity;

4. Stow all waste in a manner that prevents contents escaping therefrom;

5. Utilize receptacles that have a capacity not less than thirty (30) nor more than fifty (50) gallons, weighing not more than twenty (20) pounds when empty nor more than sixty (60) pounds when loaded; and

6. Comply with all color and label requirements as stated in 8.60.370.4.

D. Heavy-duty double-strength plastic bags are acceptable for refuse collection only with the following restrictions:

1. Bags shall be securely tied;

2. Bags shall not contain sharp objects such as branches, sticks, glass, etc., which may cause the bag to puncture or cause injury to collection personnel;

3. Bags shall not contain refuse weighing more than twenty-five (25) pounds;

4. Property owners or occupants with manual collection are required to utilize a minimum of

one (1) standard refuse receptacle per account specified under Subsection 8.60.025.C of this Section to hold refuse not acceptable in plastic bags;

5. Property owners or occupants shall be responsible for the condition of all plastic bags used and the materials contained therein until the bag(s) and contents have been conveyed by the City or private refuse crews;

6. Property owners or occupants with automated/semi-automated and commercial bin collection service shall place all plastic bags inside the cart(s) or commercial bin(s); and

7. Approved bags may be utilized for Organics collection if permitted by the hauler or the City. Check list of accepted materials from the City or Private Hauler prior to use.

E. All waste receptacles must have watertight lids to prevent the breeding of vectors and to contain debris and litter. Such lid shall remain closed and fit tightly over the receptacle at all times and shall be easily and quickly opened but the same shall not be opened except when necessary to place waste in such receptacle or to remove waste therefrom.

F. Receptacles that do not comply with the specifications and requirements as stipulated in the above Subsections shall be noticed and will be considered as refuse and removed as refuse if they do not comply by the next regular collection day. Receptacles and their contents so removed shall be subject to special service fees pursuant to Section 8.60.190.

G. Solid waste enterprises, recyclers and any contractor collecting, removing or conveying waste shall comply with the requirements of Subsections 8.60.025.A through 8.60.025.E according to the type of service they provide. In addition to these requirements and those set forth in Sections 8.60.087 and 8.60.370, solid waste enterprises, recyclers and any contractor collecting, removing or conveying waste shall:

1. Plainly and visibly display the name and operational phone number of the business providing service on all receptacles. Characters are to be at least four inches (4") high;

2. Plainly and visibly display signage banning the stowing of hazardous, infectious and liquid waste on the receptacle(s);

3. Plainly and visibly display what material is allowed and not allowed in the receptacle per the requirements of Section 8.60.370;

4. Keep waste receptacles graffiti-free at all times; and

5. Utilize receptacles approved by the Director of Public Works. (ORD-21-0040 § 4, 2021; Ord. C-7601 § 3, 1999: Ord. C-7330 § 2, 1995; Ord. C-7057 § 3, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.1(b))

8.60.030 City receptacles—Additional requirements.

A. Property owners or occupants provided with refuse and/or recycling receptacles by the City shall:

1. Not paint, mark or deface the receptacles in any way;

2. Report damaged, lost or stolen receptacles to the Department of Public Works within seventy-two (72) hours of notice of occurrence;

3. Be charged for the repair or replacement of receptacles if damaged, lost or stolen because of property owner or occupant negligence. A replacement fee will be charged to the account according to Section 8.60.190;

4. Clean the inside and outside of the receptacle(s) as necessary to maintain sanitary conditions and keep receptacle(s) free from graffiti;

5. Mark the street address of the account serviced on all receptacles supplied by the City within the space provided. (Ord. C-7601 § 4, 1999: Ord. C-7057 § 20, 1992)

8.60.040 Green waste.

A. Property owners or occupants with automated or semi-automated and commercial collection service shall place all tree limbs, shrubs, trimmings, grass clippings and other items of a similar nature inside the receptacle in such a manner that items do not protrude from the receptacle.

B. Property owners or occupants in areas designated by the Director of Public Works for man-

ual collection shall tie all tree limbs, shrubs, trimmings and other green waste of a similar nature in compact bundles for disposal. Such bundles shall not exceed four feet (4') in length nor forty (40) pounds in weight and need not be placed in a container. (Ord. C-7601 § 5, 1999: Ord. C-7057 § 4, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.1(c))

8.60.050 Waste requiring special handling.

A. Material likely to become airborne upon disposal shall be securely wrapped. This includes, but is not limited to: ashes or dust from vacuum cleaners, barbecues, fireplaces, litter boxes, sawdust and garbage.

B. Accounts requiring special pickup service for bulky items which require special handling such as tires, large appliances and furniture shall contact the Department of Public Works refuse collection service to arrange for pickup prior to placing such items out for collection. Charges for such service shall be implemented and collectable pursuant to Sections 8.60.190 and 8.60.200 of this Municipal Code.

C. No material other than Municipal solid waste shall be placed in any refuse receptacle within the City. The Director of Public Works is authorized to place additional limits on types and quantities of waste which may be placed in City-serviced refuse receptacles when the Director determines that such a restriction is necessary to protect the health and safety of City employees or the general public, or to comply with State or Federal laws or regulations.

D. Refuse not collected by the City shall be removed, conveyed and properly disposed of at a properly licensed disposal site by a solid waste enterprise licensed and permitted to remove or convey such materials in the City, pursuant to all applicable laws and regulations and the provisions of this Chapter. (Ord. C-7601 § 6, 1999: Ord. C-7057 § 5, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.1(d))

8.60.060 Placement of solid waste receptacles for collection.

Property owners or occupants with automated or semi-automated and commercial collection shall place all Solid Waste in the carts provided by the City or commercial bins approved by the Director of Public Works. Each solid waste receptacle shall be placed for collection in the following manner unless directed otherwise by the Director of Public Works:

A. For automated collection, where there is no alley or unimproved alley, carts shall be placed in front of the premises where generated, in the gutter with wheels against the curb and the arrow on the receptacle lid facing into the street.

B. For semi-automated collection, where there is an improved alley designated for alley collection, carts shall be placed for collection on a hard, level surface, on the premises where generated, immediately adjacent to the alley.

C. For manual collection (with approved receptacles as provided in Sections 8.60.030 through 8.60.050):

1. Where there is no alley or unimproved alley, receptacles and bundles shall be placed on the curb or parkway in front of the premises where generated; and

2. Where there is an improved alley that is designated for alley collection, receptacles and bundles shall be placed for collection on the premises where generated, immediately adjacent to the alley.

D. The following additional requirements shall apply to commercial solid waste collection service:

1. Commercial and business enterprises, offices, office buildings, government facilities, churches, schools, or dwellings with over four (4) dwelling units that have a storage area meeting Building Code requirements may use a commercial bin for solid waste collection service;

2. Accounts using a commercial bin for City solid waste collection service shall place the bin immediately adjacent to the improved alley or at the curb in front of the premises accessible to City crews as approved by the Director of Public Works and in compliance with Section 8.60.070;

3. Commercial bins placed in an improved alley shall be placed on a hard level surface;

4. Commercial bins placed at the curb or parkway shall be placed in the gutter with the spindles (lifting arms) against the curb;

5. Carts shall be used in lieu of commercial bins where designated by the Director of Public Works;

6. Persons utilizing City commercial solid waste service shall place for collection only the total number of bins and/or carts previously established for the account; and

7. The City shall retain the right to place a sticker on all commercial bins and carts used for City collection to show authorized day(s) of service and container capacity.

E. Residential recycling program service:

1. Recycling bins shall be placed for collection in the same location and on the same dates and times as for refuse receptacles, unless otherwise specified by the Director of Public Works;

2. Recyclable materials shall be stored in recycling bins in such a manner as to minimize vector control problems; and

3. Recyclables are not allowed to be placed inside a plastic bag for collection. Material should be unbagged or loose in a paper bag.

F. Organics program service:

1. Organics bins shall be placed for collection in the same location and on the same dates and times for refuse receptacles, unless otherwise specified by the Director of Public Works; and

2. Organics shall be stored in organics bins in such a manner as to minimize vector control problems.

G. When possible, carts, commercial bins, and manual solid waste receptacles shall not have any obstructions in front or within two feet (2') of sides and top of receptacles. Two feet (2') of space shall be maintained between carts. Each type of container (Refuse, Recycling, Organics) shall be placed together at least two feet (2') from all carts and bins.

H. The Director of Public Works or designee may specify other locations for the placement of receptacles where such placement will expedite collection or enhance the safety of collection operation, or benefit the public health and safety. (ORD-21-0040 § 5, 2021; Ord. C-7601 § 7, 1999: Ord. C-7057 § 6, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.1(e))

8.60.070 Time of placement for collection.

Each receptacle or bundle shall be placed for collection not earlier than the evening preceding, nor later than six a.m. on the day of regular collection. Receptacles placed at the curb shall be removed within twelve (12) hours after the refuse has been collected. (Ord. C-5595 § 1 (part), 1980: prior code § 5220.1(f))

8.60.080 Refuse transportation permit—Required.

A. Any person who intends to remove or convey any nonhazardous, noninfectious refuse for hire within the City shall first apply for and receive a permit in writing from the Director of Public Works in accordance with the applicable provisions of this Chapter 8.60.

B. There shall be two (2) classes of refuse transportation permits:

1. Recycling Permit: For the removing or conveying of nonhazardous, noninfectious source separated materials, with less than ten percent (10%) nonrecyclable waste, as a part of the recovery/recycling process; and

2. General permit: For the removing or conveying of all other nonhazardous, noninfectious solid waste not subject to either of the first two (2) classes of permits.

C. The provisions of this Section shall not apply to:

1. Any person employed by the City; and

2. Persons performing work requiring a permit pursuant to this Chapter, under contract to provide service for a program funded from the general fund of the City, which persons shall be exempt from any fee otherwise required pursuant to Section 8.60.082 but shall otherwise comply with all requirements applicable to refuse transportation. A written exemption shall be requested and received in advance from the Director of Pub-

lic Works. (Ord. C-7330 § 3, 1995; Ord. C-7223 § 1, 1994: Ord. C-6975 §§ 1, 2, 1992; Ord. C-6922 § 1, 1991: Ord. C-5595 § 1 (part), 1980: prior code § 5220.2)

8.60.081 Insurance.

The applicant for a refuse transportation permit shall provide, at the time of application for the permit, and shall maintain throughout the term of the permit insurance as prescribed in regulations issued by the City Manager pursuant to Section 2.84.040. The permit shall not be effective until the City has received proof of such insurance. (Ord. C-7934 § 15, 2004: Ord. C-7601 § 8, 1999: Ord. C-6975 § 6, 1992)

8.60.082 Refuse transportation permit—Application and renewal.

A. An application for a refuse transportation permit shall be submitted to the Director of Public Works or designee on a form to be furnished by the Department of Public Works and shall be accompanied by a nonrefundable application fee as determined by the City Council. The applicant shall furnish all information reasonably required by the Director to enable the Director to act on the application which information may include, but need not be limited to:

1. The name, address and telephone number of the applicant, including all names of the business entities involved;

2. The names, addresses and telephone numbers of all of applicant's subcontractors operating under the permit, if any;

3. The number of vehicles and corresponding vehicle registration and license plate numbers for all vehicles to be operated by the applicant within the City;

4. A copy of the applicant's business license and all other applicable licenses or permits;

5. Proof of insurance furnished or to be furnished pursuant to Section 8.60.081;

6. Such other information as may be reasonably required by the City.

B. The application shall be reviewed and processed in accordance with procedures established from time to time by the Director of Public Works. A permit may be denied for failure to comply with any of the provisions of this Chapter.

C. The City Council may establish an annual refuse transportation fee by resolution in an amount sufficient to reimburse the City for the actual costs of administering the refuse transportation permit program. (Ord. C-7601 § 9, 1999: Ord. C-7057 § 7, 1992: Ord. C-6975 § 3, 1992; Ord. C-6922 § 3, 1991)

8.60.084 Permit issuance and term.

A. After determining that an applicant for a refuse transportation permit is fully compliant with the provisions of this Chapter and all other applicable provisions of law, the Director of Public Works shall issue the appropriate refuse transportation permit. Such permit may contain additional administrative provisions as deemed necessary by the Director of Public Works to carry out his duties under this Chapter.

B. The initial permit so issued shall expire at midnight (12:00 a.m.) of June 30 next following initial issuance.

C. Thereafter, the term of the permit shall be for one (1) year, provided that the Director shall grant annual renewal if the permittee demonstrates that it is in full compliance with all applicable laws and regulations, including, but not limited to the provisions of this Chapter. (Ord. C-7601 § 10, 1999: Ord. C-6922 § 4, 1991)

8.60.085 Display of permits—Identification of vehicles and receptacles.

A. The Director of Public Works shall issue a permit and a decal or decals to each permittee.

B. A legible copy of the refuse transportation permit, along with a legible copy of the business license, and all other applicable permits and licenses, shall be kept in each vehicle of the permittee and be made available for inspection immediately upon request by any authorized representative of the City.

C. Every person using a vehicle to remove or convey waste shall display a decal in a manner so as to be plainly visible and permanently affixed in

the lower right-hand corner (passenger side) of the front windshield of each vehicle operated within the City by the permittee.

D. Each permittee shall place and maintain on each vehicle and receptacle used for collecting or transporting refuse or recyclables the permittee's name and operational phone number. Such information shall be plainly visible using lettering not less than four inches (4") in height. (Ord. C-7601 § 24, 1999)

8.60.086 Reporting requirements.

A. Monthly reporting. Every holder of any class of refuse transportation permit shall maintain a written record and make a monthly report to the Director of Public Works of refuse and recyclables purchased, received or collected. The report and applicable fees shall be delivered to the City no later than ninety (90) days after the first of the month for which collection service was provided, and shall contain all information reasonably required by the Director of Public Works to determine compliance with the Municipal Code and with the Integrated Waste Management Act of 1989 (commonly known as "A.B. 939"), as it may be amended from time to time and to verify the permittee's calculation of fees owed by permittee.

B. Annual recycling report. Every holder of any class of refuse transportation permit shall, not later than the first business day of April, submit an annual report for the previous calendar year. The City Council may establish a schedule of fees to be submitted with such reports, based on rates of waste diversion, by resolution.

C. The Director of Public Works or designee may audit, during normal business hours of the permittee being audited, any and all records of a permittee reasonably necessary to enable the Director to determine the accuracy of the reports furnished pursuant to Subsections 8.60.086.A or 8.60.086.B of this Section and compliance with this Chapter. (Ord. C-7601 § 11, 1999: Ord. C-6922 § 5, 1991)

8.60.087 Operating requirements for permittees.

A. Each permittee shall:

1. Provide waste receptacles or bins of sufficient capacity and quantity so as to contain all refuse generated by an account;

2. Be responsible for the collection and disposal of overflow refuse around receptacles. Following the collection of refuse or the emptying of waste receptacles, the area where the refuse was placed for collection shall be left free of refuse, litter, liquid waste and other debris;

3. Provide bulky item collection service for each account. The permittee is responsible for the removal and proper disposal of all bulky items placed for collection for each account it services. The permittees shall remove such items within forty-eight (48) hours of servicing an account or receiving a request for collection from the account or from the City. Each permittee shall maintain a log of such requests for bulky item collection and make such log available for inspection by the Director of Public Works;

4. Comply with monthly and annual reporting requirements as established by the Director of Public Works;

5. Provide a recycling program as set forth in Section 8.60.087.5;

6. Execute and maintain in effect a commercial franchise agreement with the City, as a permit condition, for the use of streets, highways or roads in the City of Long Beach for the conduct of its business activity. The City hereby grants a solid waste hauling franchise to any solid waste enterprise upon the issuance to it of a permit issued pursuant to Section 8.60.80 of this Chapter. The term of the franchise shall run concurrently with the term of the permit and shall end upon termination of the permit. The valid possession of such a permit shall be deemed to make a solid waste enterprise a franchisee under this Section; and

7. Pay a franchise fee, known as the "refuse hauler business fee", in an amount established by the City Council by resolution.

B. The failure of any permittee to comply with the requirements of Subsections 8.60.087A.1.

through 8.60.087A.3., shall subject the permittee to a service charge equivalent to the City's costs of providing such services, including all administrative costs, as determined by the City Council by resolution. The failure of any permittee to comply with any requirement of Subsection 8.60.087.A. may also result in the suspension or revocation of the refuse transportation permit.

C. All permittees providing solid waste collection services shall comply with the Americans With Disabilities Act (42 U.S.C. 12101 et seq.), as it may be amended from time to time.

D. Nothing in this Section shall excuse compliance with any other Municipal Code section, nor any other applicable law or regulation. (ORD-09-0033 § 1, 2009; Ord. C-7601 § 12, 1999: Ord. C-7057 § 8, 1992: Ord. C-6975 § 4, 1992; Ord. C-6922 § 6, 1991)

8.60.087.5 Automatic enrollment in Recycling and Organics program.

Each permittee shall automatically enroll accounts into the organics and recycling programs. Permittees to implement a recycling and organics program as approved by the Director of Public Works, or designee. (ORD-21-0040 § 6, 2021; ORD-09-0033 § 2, 2009; Ord. C-7601 § 25, 1999)

8.60.088 Suspension or revocation of permits—Cause.

No person shall remove or convey any refuse for hire within the City after a permit for such activity has been revoked or during the time such a permit has been suspended. Grounds for suspension or revocation of a permit shall include, but are not limited to the following:

A. Failure to comply with any of the provisions of this Chapter.

B. Failure to pay in a timely manner any fees imposed by the City.

C. Failure to accurately report under, or comply with any lawful order issued pursuant to California Public Resources Code § 41821.

D. Intentional misstatement of tonnage and origins of refuse collected or transported.

E. Conviction of any violation of any State or federal law in any way related to the collection, transportation or disposal of any waste. (Ord. C-7601 § 13, 1999: Ord. C-7330 § 4, 1995: Ord. C-6922 § 7, 1991)

8.60.089 Illegal haulers, default and impoundment.

A. Failure to acquire and maintain a valid permit shall constitute default and provide the City cause to initiate default proceedings as described in this Section.

B. The City shall notify any person failing to comply with all requirements of this Chapter, in writing, of any default or violation, and shall specify in the notice the date and time by which operations must cease. If the person or permittee fails or refuses to comply, the City shall have the right to remove the bin or box or other refuse receptacle or hauling vehicle without further notice. The person or permittee shall reimburse the City for any expense incurred by the City in removing the receptacle or hauling vehicle, including but not limited to costs of removal and storage. After thirty (30) days the City shall sell, recycle or otherwise dispose of property as stipulated in Section 14.06.140 of this Code. Should the permittee or person continue to operate after permit termination or notification and should the City file suit to restrain the operation, the permittee or person shall reimburse the City for its reasonable costs and expenses in connection therewith, including reasonable Attorney's fees.

C. Each subsequent incident of violation described in Subsection 8.60.089.A, shall be subject to an administrative fee as determined by the City Council by resolution in addition to any other costs set forth in Subsection 8.60.089.B when removing or conveying waste within the City or when reported dumping waste from within the City to any disposal site. (ORD-10-0014 § 14, 2010; Ord. C-7601 § 14, 1999: Ord. C-7330 § 5, 1995: Ord. C-6975 § 5, 1992; Ord. C-6922 § 8, 1991)

8.60.090 Procedure for permit suspension or revocation.

The suspension or revocation of a permit shall be governed by the provisions of Section 5.06.020. (Ord. C-7601 § 15, 1999: Ord. C-6922 § 2, 1991: Ord. C-5595 § 1 (part), 1980: prior code § 5220.3)

8.60.091 Transferability of refuse transportation permits.

A. Upon sale and purchase of a permitted entity, including the obtaining of a majority ownership of corporate stock, a refuse transportation permit shall be transferable with the written consent of the Director of Public Works. The Director of Public Works shall not unreasonably withhold consent to the transfer of a refuse transportation permit where the applicant demonstrates that the transfer is in full compliance with the provisions of this Chapter and other laws, ordinances, rules or regulations generally applicable to private waste collectors authorized to operate within the City and the transferee complies with all provisions of this Chapter required of an applicant for a new permit. An application for the transfer of a refuse transportation permit shall be submitted in accordance with the requirements of Subsections 8.60.082.A and 8.60.082.B. A nonrefundable fee for applying for the transfer of a refuse transportation permit shall be imposed as determined by the City Council by resolution to reimburse the City for the actual costs of processing the application and transferring the refuse transportation permit. A transferred permit shall expire at midnight of the June 30th next following the date of transfer, and shall thereafter be subject to annual renewal pursuant to Subsection 8.60.084.C for a period of one (1) year at a time.

B. Any person or business entity requesting a transfer shall pay all so-called AB 939 fees, including fines and penalties and report tonnage of all waste removed or conveyed since the adoption of the ordinance and/or resolutions on August 1991 governing the AB 939 program for both the transferred and the acquired company(ies). Failure to comply with this Section shall constitute grounds for suspension or revocation of an existing permit and/or denial of transfer. (ORD-10-0014 § 15, 2010; Ord. C-7330 § 6, 1995)

8.60.093 Number of general transportation permits.

A. The Director of Public Works shall not issue, nor need applications be accepted for, more than forty (40) general refuse transportation permits as provided in Subsection 8.60.080.B.2. in any calendar year.

B. If the number of such current and valid permits falls to or below thirty-five (35), the Director shall accept applications for the issuance of additional permits, which in no event shall cause the total number of outstanding permits to exceed forty (40). Should the number of qualified applications cause the number to exceed forty (40), then the Director shall determine the number of permits to be issued to qualified applicants by lot as determined by him/her to be appropriate. Each application submitted pursuant to this Section 8.60.093, shall be accompanied by an application fee as determined by the City Council by resolution which is imposed to cover the costs to the City of so-called AB 939 planning, determination of legal compliance and application processing. Except for a retained amount as determined by the City Council by resolution, the fee shall be returned to any applicants found ineligible for issuance of a permit.

C. Any junk collectors, junk dealers or any persons or party removing or conveying less than nine hundred (900) tons of refuse annually and holding a valid permit to do so on June 30, 1995, may continue to do so, subject to annual renewal as required by law, regardless of the numerical limit established by Subsection 8.60.093.A. Any new permits for such services applied for on or after July 1, 1995, shall be subject to the limits.

D. The Director of Public Works shall, on or after January 1, 1997, and biennially thereafter, review the adequacy of the maximum number of refuse transportation permits provided in this Section in meeting Long Beach refuse disposal needs and shall report his/her findings to the City Council together with his/her recommendation, if any,

for a change in that number. (ORD-10-0014 § 16, 2010; Ord. C-7330 § 7, 1995)

8.60.100 Vehicles conveying refuse.

A. Any person removing or conveying any refuse on any public street or other public place in the City shall utilize tight vessels, tanks, receptacles or truck-mounted bodies, each of which shall be so covered as to prevent contents escaping therefrom. Such cover shall be of a type satisfactory to the Director of Public Works.

B. Vehicles used for the removal of refuse, manure and other potentially offensive substances shall be maintained in a clean and sanitary manner so as to minimize odor and vector problems. Such vehicles must be provided with metal lining or metal receptacles, must be strong and tight and must be kept covered except while such material is being deposited in or removed therefrom. No such vehicle shall be stored in a residential area. (Ord. C-7601 § 16, 1999: Ord. C-7057 § 9, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.4)

8.60.110 Refuse falling in street.

No receptacle shall be filled to exceed capacity. Receptacles exceeding capacity shall be noticed and not collected. If any refuse is dropped or spilled on the City right-of-way from trash picking, scavenging, overflowing containers, or animal scavenging, it shall be the responsibility of the property owner or occupant to clean up and properly dispose of the refuse. (Ord. C-7601 § 17, 1999: Ord. C-7057 § 10, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.5)

8.60.111 Throwing rubbish and refuse on public right-of-way or storm drain system prohibited.

No person shall put, place, sweep, throw, brush or in any other manner deposit any refuse, litter, vegetation, or any other waste in or on any public right-of-way or any portion of the storm drain system, including, but not limited to, streets, gutters, sidewalks, parkways and alleys. This Section shall not be construed to prohibit the placing of any required rubbish containers upon any sidewalk, street or alley in compliance with the provisions of the sections governing the collection of waste or rubbish. (Ord. C-7601 § 18, 1999: Ord. C-7330 § 8, 1995)

8.60.113 Illegal dumping in street sweeping roll-off containers prohibited.

No person shall dispose of refuse of any kind, including, but not limited to, infectious waste, hazardous waste, construction or demolition debris, large items, materials from industrial and manufacturing processes, food processing wastes, explosives, liquids, offal and any substances such that exposure to them may pose a threat to human health or the environment, into the roll-off containers for street sweeping debris. (Ord. C-7601 § 19, 1999: Ord. C-7330 § 9, 1995)

8.60.120 Illegal dumping prohibited—Permit revocation.

A. No person shall transfer the financial liability for refuse disposal by depositing waste of any kind upon any public street, other public place or private parcel, lot, premises, litter receptacle or refuse receptacle thereon.

B. No person shall deposit waste of any kind in the receptacle of, or on the premises of a business, residence or lot, which was not generated on those premises without first obtaining a written permit from the property owner or occupant who is liable for the refuse collection fees. For those accounts serviced by City refuse collection crews, a written permit shall also be obtained from the Director of Public Works prior to depositing any waste on a lot or in the City-serviced receptacle of any business, residence or premises where the waste was not generated.

C. Litter receptacles are placed on public property for incidental litter and refuse generated while using public facilities. No person shall dispose of refuse, other than individual litter, that was not generated from the uses of that public facility by depositing it in litter receptacles.

D. Violation of this Section by the holder of any permit granted pursuant to the provisions of this Chapter shall be grounds for the revocation of

such permit by the City. (Ord. C-7601 § 20, 1999: Ord. C-7057 § 11, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.6)

8.60.130 Removal of waste from receptacles.

When any waste receptacle is placed upon any premises as provided in this Chapter, only the owner, or agent carrying a current license and permit with the City and all other applicable permits and licenses, or authorized employee or agent of the City shall move, remove or tamper with such receptacle, or remove any refuse or recyclable material from any such receptacle. (Ord. C-7601 § 21, 1999: Ord. C-7057 § 12, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.7)

8.60.140 Collection charges.

A. The City shall provide for the collection and removal of solid waste from all property in the City at regular intervals to be prescribed by the Director of Public Works. A charge is imposed upon every property owner or occupant of property in the City not expressly exempted therefrom in this Chapter for such classes of service. Unless exempted, the charge shall always apply if the property is receiving either water or gas service and pursuant to Section 8.60.240 a written exemption has not been requested and received in advance from the Director of Public Works.

B. The City shall provide for the collection, marketing and processing of recyclable materials stipulated in Sections 8.60.010 through 8.60.070 from all accounts designated by the Director of Public Works. A l recycling program charge shall be imposed upon every property owner or occupant of each dwelling unit of a lot or parcel if the property is receiving City refuse service and the property is not expressly exempted therefrom in this Chapter.

C. The City shall provide the collection, marketing and processing of organic materials stipulated in Sections 8.60.101 through 8.60.370 from all accounts designated by the Director of Public Works. A organics program charge shall be imposed upon every property owner or occupant of each dwelling unit or a lot or parcel if the property is receiving City refuse services and the property is not expressly exempted therefrom in this Chapter.

D. Rates for all City-serviced solid waste services, late fees and penalties shall be as established by the City Council by resolution. (ORD-21-0040 § 7, 2021; Ord. C-7057 § 13, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.8(a))

8.60.150 Billing—Period.

A. Regular bills for service shall be rendered at intervals prescribed by the City. Insofar as it is practicable, accounts shall be scheduled at regular intervals for the preparation of regular bills, and accounts shall be scheduled as required for the preparation of opening, closing and special bills.

B. The customer's bill shall be calculated on the basis of the number of days in the billing period times the daily charge in accordance with the rate schedule applicable to that service. (Ord. C-7057 § 14, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.8(b))

8.60.160 Mixed permanent and transient occupancy.

Apartment hotels and other hostelries of a like nature which provide both apartments and transient room accommodations may be charged either on the basis of volume of refuse collected per week or on the basis of the number of apartment dwelling units, but in no event shall the charge be less than the daily unit charge set forth in the applicable refuse rate schedule. The charging method to be used in each specific instance shall be determined by the Director of Public Works. (Ord. C-5595 § 1 (part), 1980: prior code § 5220.8(c))

8.60.180 Determination of volume.

Refuse collection service charges established on volume shall be determined on the basis of average quantities collected. The Director of Public Works shall cause such quantities to be periodically reviewed, and upon the basis of his findings the daily charge shall be adjusted to maintain conformance with the volume of refuse being collected; excepting that the daily charge shall not be

adjusted in relation to temporary variations of refuse due to seasonal factors where such variations from the average do not extend beyond a two (2) month period. (Ord. C-5595 § 1 (part), 1980: prior code § 5220.8(e))

8.60.190 Special service.

A. The Director of Public Works may provide for the removal and disposal of refuse and/or recyclable materials from any place or premises at times in addition to or beyond the regular collection service schedule or in a manner different from routine collection practice and procedures. Any special service shall be established by the Director of Public Works. Charges for such special services, including cart repair, exchange and replacement, special refuse, rollout service and, additional unscheduled collection shall be established from time to time by the Director of Public Works.

B. The charge for a special service shall be billed for collection separately from the routine service charge collections by the manager of the Commercial Services Bureau to the property owner or firm who shall be liable to the City for payment.

C. Upon failure to pay any such special service fee when due, an action may be brought to collect the same, pursuant to Section 8.60.200 of the Municipal Code. (Ord. C-7057 § 15, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.8(f))

8.60.200 Billing—Liability for payment.

All occupants of property, unless expressly excepted in this Chapter shall be liable for payment of refuse collection service, recycling service and special services as prescribed in Sections 8.60.140 and 8.60.190. Such charge shall be billed by inclusion with municipal utility bills where practicable. In instances of property containing more than one (1) dwelling unit or place of business, or both, which are served by single utility meters for both gas and water service, or in other instances where direct billing to occupants is not possible or practical, the service charges may be billed to the property owner, who may collect such charges from the occupants of the dwelling units or places of business located on the property of the owner. In the event the property owner fails to collect the service charges from any such occupant or remit same to the City, the property owner shall be liable to the City for payment of the charges. Refuse collection and recycling service charges shall be a debt owing to the City from the occupant of the premises receiving the service, or from the property owner if billed thereto. Upon failure to pay any such charges when the utility bill with which the charges are included is due, an action may be brought in a court of proper jurisdiction to collect the same and may become a lien upon the property. The property owner and/or occupant shall reimburse the City for its costs and expenses in connection therewith, including reasonable Attorney's fees. Refuse or recycling collection service may be discontinued or refused to any premises at which the customer has not paid the utility bill in full within the prescribed time, unless said utility bill is formally disputed for refuse collection charges. (Ord. C-7057 § 16, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.9(a))

8.60.210 Billing—Rental property.

When billed to the property owner, the refuse collection service charges shall be based upon full occupancy of all rental units upon the property during the period covered by the bill. (Ord. C-5595 § 1 (part), 1980: prior code § 5220.9(b))

8.60.220 Billing—Establishment of procedures.

The Director of Public Works is authorized to determine and establish such rules, procedures and methods as may be necessary or desirable to the implementation of Sections 8.60.200 through 8.60.230, and so as to provide for circumstances or situations for which no specific provision is included in Sections 8.60.200 through 8.60.230, and shall determine the interval for billing of such refuse collection service charges; provided that such billings shall not be less frequent than every four (4) months. (Ord. C-5595 § 1 (part), 1980: prior code § 5220.9(c))

8.60.230 Administration.

Commercial activities for the Department of Public Works are performed by the Commercial

Services Bureau of the Department of Financial Management, and regulations contained in this Chapter shall be implemented and applied by procedures established by the Manager of Commercial Service, subject to the approval of the Director of Public Works. (Ord. C-7057 § 17, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.9(d))

8.60.240 Municipal refuse services use required—Exceptions.

A. Property owners and occupants within the City shall utilize the municipal refuse collection and recycling service and shall be obligated to make payment to the City for such service in accordance with provisions of Sections 8.60.140 through 8.60.190 excepting that:

1. Property owners or occupants may utilize the service of a licensed and permitted solid waste enterprise for collection, removal and disposal of "refuse not collected by the City", as defined in this Chapter.

2. Property owners or occupants which generate in excess of ten (10), one hundred (100) gallon containers of refuse and recyclables per week, and any number of contiguous properties or rental units under common ownership by an individual business, firm, or private or public corporation which is designated as one (1) account and jointly generates in excess of thirty (30), one hundred (100) gallon containers of refuse and recyclables per week, may request an exemption from the Director of Public Works. Having received such an exemption in writing, the property owner or occupant may utilize a solid waste enterprise licensed and permitted to remove or convey waste within the City for the collection, removal and disposal of refuse from such specific properties as authorized in this Chapter. In the event that such exceptions apply, then no routine refuse collection or recycling service charge shall be made against the occupants or owners of such properties. Special collection charges shall apply for services deemed necessary to maintain public health and safety by the Director of Public Works.

3. A property owner or occupant within an area newly annexed to the City may utilize the service of a private refuse collection service for a period not to exceed the maximum time prescribed in Health and Safety Code § 4272; provided that such private refuse collection service is authorized to continue furnishing the service pursuant to and is in compliance with all applicable laws and regulations, and has obtained the requisite business license refuse transportation permit from the City; and provided further, that such occupant or owner was an occupant or owner at the time the area was annexed to the City. In such event, and if the City collects no refuse or recyclables therefrom, then no refuse or recycling collection service charge shall be made against the occupants or owners of such properties.

B. Nothing in this Section shall be construed to prohibit any property owner or occupant from selling to, or otherwise disposing of to a private agency, any specific type or classification of refuse or recyclable material which may have economic value; provided, that the private agency shall be required to comply with all provisions of this Chapter relative to the collection and conveyance of refuse or recyclables within the City and all other applicable laws and regulations. (Ord. C-7601 § 22, 1999: Ord. C-7057 § 18, 1992: Ord. C-5595 § 1 (part), 1980: prior code § 5220.10)

8.60.250 Accumulation time limit.

Occupants or property owners shall not cause or permit rubbish to accumulate at any place or property under their care or control for a period in excess of one (1) calendar week; excepting that this provision shall not apply to those manufacturing wastes not constituting a health or fire hazard or a nuisance to adjacent properties. (Ord. C-5595 § 1 (part), 1980: prior code § 5220.11)

8.60.260 Maintenance of clean sidewalks and alleys.

The occupant or tenant, or in the absence of an occupant or tenant, the property owner, lessee, or proprietor of any real property in this City which is adjacent to a paved public sidewalk or a paved alley shall cause the sidewalk or alley to be swept or otherwise cleaned each day, Sundays and

legal holidays excepted, if necessary to keep and maintain the public sidewalk or alley free of dirt, paper, litter or rubbish of any kind. The sweepings and debris from the sidewalk or alley shall be caused to be disposed of by the person responsible for the cleanliness of the sidewalk or alley, but such sweepings and debris shall not be swept or otherwise caused or allowed to be disposed of in the street or gutter. If the property owner or occupant fails to maintain the public sidewalk or alley free of waste of any kind, the Director of Public Works may, for public health and safety reasons, cause the sidewalk or alley adjacent to real property to be cleaned and assess a fee to the property owner pursuant to Sections 8.60.190 and 8.60.200 of the Municipal Code. (Ord. C-7057 § 19, 1992: Ord. C-5800 § 1, 1992: prior code § 5220.12)

8.60.270 Provision of waste receptacles for public use.

A. The owner or operator of any retail establishment which sells a product which is commonly used or consumed immediately after purchase shall provide a waste receptacle of sufficient capacity, as defined in this Chapter, on his or her property for use by that establishment's customers.

B. The owner or operator of each of the following establishments shall provide and empty a tobacco waste receptacle, such as a cigarette urn or ash tray, in each area of his or her establishment where smoking is lawfully permitted:

1. Any retail establishment which sells tobacco products, or alcoholic beverages for consumption on the premises.

2. Any place of employment, in any area of the establishment where smoking is permitted.

C. Each such receptacle provided under this Section shall be of sufficient capacity, as defined in this Chapter, and both the receptacle and the area surrounding it shall be maintained in a sanitary manner.

D. No waste receptacle provided under this Section shall be located on public property without the permission of the Director of Public Works. (Ord. C-7601 § 26, 1999)

8.60.350 Refund of refuse and/or recycling collection charges.

Refund provisions in Chapter 3.48 shall apply with the following conditions:

A. The refund shall be credited to the corresponding refuse or recycling service account. If the refuse account is closed, the refund amount shall be made to such person entitled to receive the money.

B. The refund shall be requested in writing by the person entitled to the refund. The refund request shall be made within one (1) year after payment of the money to the City. The refund amount shall not exceed a six (6) month period of the disputed amount. (Ord. C-7057 § 21, 1992)

8.60.360 Penalty for defacing or removing refuse carts and recycling bins.

No person shall deface or remove without authorization any "cart" or "recycling bin" as defined herein, and any person convicted of so doing shall be guilty of a misdemeanor which shall be punishable by a fine of not more than five hundred dollars ($500.00), or by imprisonment in the City or County jail for a period not exceeding six (6) months, or by both such fine and imprisonment. Each such person shall be guilty of a separate offense for each and every day during any portion of which any violation of any provision of this Code is committed, continued, or permitted by such person and shall be punishable accordingly. (Ord. C-7057 § 22, 1992)

8.60.370 Mandatory organic waste disposal reduction.

A. Requirements for Single-Family Generators. Single Family Organic Waste Generators:

1. Shall be automatically enrolled in the City's Organic Waste collection services and shall have the number of receptacles or bins with sufficient capacity necessary to contain their refuse, organics, and recyclables in compliance with City ordinances and the Health and Safety Code. City-serviced accounts will be advised in writing by the Director of Public Works, or designee, to increase their levels of service by obtaining additional re-

ceptacles or arranging for more frequent collection. If the Director of Public Works, or designee, determines that overflowing or otherwise non-contained waste (Organics, Refuse, or Recycling) continues to create a nuisance or a threat to public health or safety after written notification to the account, or to the property owner and occupant, the Director, or designee, shall either provide sufficient containers and collection and bill the account in accord with the schedule of fees adopted by the City Council, or refer the matter to the appropriate City department for further action.

2. Shall participate in the City of Long Beach's Organic Waste collection service(s) by placing designated materials in designated containers, and shall not place Prohibited Container Contaminants in collection containers.

3. Nothing in this Section prohibits a generator from preventing or reducing waste generation, managing Organic Waste on site, and/or using a Community Composting site pursuant to 14 CCR Section 18984.9(c).

B. Requirements for Commercial Businesses. Generators that are Commercial Businesses, including Multi-Family Residential Dwellings, shall:

1. Shall be automatically enrolled to a collection service(s) including required diversion for Organics and Recyclables, except those that meet the Self-Hauler requirements in Section 8.60.370.G of this ordinance. City-serviced accounts shall be automatically enrolled in service(s) as require by State law. Commercial generators permitted to utilize the service of a licensed and permitted solid waste enterprise for collection, as defined in Section 8.60.240 shall be automatically enrolled by their hauler in Organics, Recycling, and Refuse collection unless required diversion is met through a High Diversion Facility in accordance with Title 14 of CCR. Commercial generators that are allowed to utilize the service of a licensed and permitted solid waste enterprise are allowed to utilize any of the permitted haulers for these services. The City shall have the right to review the number and size of a generator's containers and frequency of collection to evaluate adequacy of capacity provided for each type of collection service for proper separation of materials and containment of materials; and, Commercial Businesses shall adjust their service level for their collection services as requested by the City.

2. Participate in Organic Waste collection service(s) by placing designated materials in designated containers as described by the hauler to meet the service requirements of Title 14 of CCR., except Commercial Businesses that meet the Self-Hauler requirements in Section 8.60.370.G of this ordinance.

3. Supply and allow access to adequate number, size and location of collection containers with sufficient labels or colors (conforming with Subsections B.4(a) and (b) below) for employees, contractors, tenants, and customers, consistent with the City's or licensed permitted private haulers collection service or, if self-hauling, per the Commercial Businesses' instructions to support its compliance with its self-haul program, in accordance with Section 8.60.370.G of this ordinance.

4. Excluding Multi-Family Residential Dwellings and commercial businesses using a permitted hauler which utilizes a 1-2 cart collection system processed at a permitted High Diversion Processing Facility meeting the requirements of Title 14 of CCR, provide containers for the collection of Source Separated Green Container Organic Waste and Source Separated Recyclable Materials in all indoor and outdoor areas where disposal containers are provided for customers, for materials generated by that business. Pursuant to 14 CCR Section 18984.9(b), the containers provided by the business shall have either:

a. A body or lid that conforms with the container colors provided through the collection service provided by City or licensed permitted hauler, with either lids conforming to the color requirements or bodies conforming to the color requirements or both lids and bodies conforming to color requirements. A Commercial Business is not required to replace functional containers, including containers purchased prior to January 1, 2022, that do not comply with the requirements of the subsection prior to the end of the useful life of those containers, or prior to January 1, 2036, whichever comes first.

b. Container that include language or graphic images, or both, indicating the primary material accepted and the primary materials prohibited in that container, or containers with imprinted text or graphic images that indicate the primary materials accepted and primary materials prohibited in the container. Pursuant 14 CCR Section 18984.8, the container labeling requirements are required on new containers commencing January 1, 2022.

5. Multi-Family Residential Dwellings are not required to comply with container placement requirements or labeling requirements in Section B.4 pursuant to 14 CCR Section 18984.9(b).

6. To the extent practical through education, training, Inspection, and/or other measures, excluding Multi-Family Residential Dwellings, prohibit employees from placing materials in a container not designated for those materials per the City's collection service or, if self-hauling, per the Commercial Businesses' instructions to support its compliance with its self-haul program, in accordance with Section 8.60.370.G of this ordinance.

7. Excluding Multi-Family Residential Dwellings, periodically inspect all Containers for contamination and inform employees if containers are contaminated and of the requirements to keep contaminants out of those containers pursuant to 14 CCR Section 18984.9(b)(3).

8. Annually provide information to employees, contractors, tenants, and customers about Organic Waste Recovery requirements and about proper sorting of Source Separated Green Container Organic Waste and Source Separated Recyclable Materials. Not applicable to businesses meeting recovery requirements through a 1-container system processed at a permitted High Diversion Facility.

9. Provide education information before or within fourteen (14) days of occupation of the premises to new tenants that describes requirements to keep Source Separated Green Container Organic Waste and Source Separated Recyclable Materials separate from Refuse Container Waste (when applicable) and the location of containers and the rules governing their use at each property.

10. Provide or arrange access for City or its agent to their properties during all Inspections conducted in accordance with this ordinance to confirm compliance with the requirements of this ordinance.

11. Accommodate and cooperate with City's or its agent's Remote Monitoring program for Inspection of the contents of containers for Prohibited Container Contaminants, which may be implemented at a later date, to evaluate generator's compliance with this ordinance. The Remote Monitoring program shall involve installation of Remote Monitoring equipment on or in the service Containers.

12. At Commercial Business's option and subject to any approval required from the City, implement a Remote Monitoring program for Inspection of the contents of its Containers for the purpose of monitoring the contents of containers to determine appropriate levels of service and to identify Prohibited Container Contaminants. Generators may install Remote Monitoring devices on or in the Containers subject to written notification to or approval by the City or its Designee.

13. If a Commercial Business wants to self-haul, meet the Self-Hauler requirements in Section 8.60.370.G of this ordinance.

14. Nothing in this Section prohibits a generator from preventing or reducing waste generation, managing Organic Waste on site, or using a Community Composting site pursuant to 14 CCR Section 18984.9(c).

15. Commercial Businesses that are Tier One or Tier Two Commercial Edible Food Generators shall comply with Food Recovery requirements, pursuant to this ordinance.

C. Waivers for Generators. If Commercial Business or Multi-Family Residential Dwelling is serviced by the City, these waivers can be directly submitted to the City. If the Commercial Business or Multi-Family Residential Dwelling utilizes the service of a licensed and permitted solid waste enterprise for collection, as defined in Section

8.60.240 then waivers must be submitted to them directly. The licensed and permitted solid waste enterprise will submit these waivers to the City.

1. De Minimis Waivers (Optional for Three-, Three-Plus, and Two-Container Systems per 14 CCR Section 18984.11). The City may waive a Commercial Business' obligation (including Multi-Family Residential Dwellings) to comply with some or all of the Organic Waste requirements of this ordinance if the Commercial Business provides documentation that the business generates below a certain amount of Organic Waste material as described in Subsection 1.b. below. Commercial Businesses requesting a de minimis waiver shall:

a. Submit an application specifying the services that they are requesting a waiver from and provide documentation as noted in Subsection C.1.b below.

b. Provide documentation that either:

(i) The Commercial Business' total Solid Waste collection service is two cubic yards or more per week and Organic Waste comprises less than twenty (20) gallons per week per applicable container of the business' total waste; or

(ii) The Commercial Business' total Solid Waste collection service is less than two cubic yards per week and Organic Waste comprises less than ten (10) gallons per week per applicable container of the business' total waste.

c. Notify City if circumstances change such that Commercial Business's Organic Waste exceeds threshold required for waiver, in which case waiver will be rescinded.

d. Provide written verification of eligibility for de minimis waiver every five (5) years, if City has approved de minimis waiver.

2. Physical Space Waivers (Optional for Three-, Three-Plus, and Two-Container Systems) The City may waive a Commercial Business' or property owner's obligations (including Multi-Family Residential Dwellings) to comply with some or all of the recyclable materials and/or Organic Waste collection service requirements if the City has evidence from its own staff, a hauler, licensed architect, or licensed engineer demonstrating that the premises lacks adequate space for the collection containers required for compliance with the Organic Waste collection requirements of this ordinance. A Commercial Business or property owner may request a physical space waiver through the following process:

a. Submit an application form specifying the type(s) of collection services for which they are requesting a compliance waiver.

b. Provide documentation that the premises lacks adequate space for Recycling Containers and/or Organics Containers including documentation from its hauler, licensed architect, or licensed engineer.

c. Provide written verification to City that it is still eligible for physical space waiver every five (5) years, if City has approved application for a physical space waiver.

3. Review and Approval of Waivers by the Public Works Director or designee.

D. Requirements For Commercial Edible Food Generators.

1. Tier One Commercial Edible Food Generators must comply with the requirements of this Section commencing January 1, 2022, and Tier Two Commercial Edible Food Generators must comply commencing January 1, 2024, pursuant to 14 CCR Section 18991.3.

2. Large Venue or Large Event operators not providing food services, but allowing for food to be provided by others, shall require Food Facilities operating at the Large Venue or Large Event to comply with the requirements of this Section, commencing January 1, 2024.

3. Commercial Edible Food Generators shall comply with the following requirements:

a. Arrange to recover the maximum amount of Edible Food that would otherwise be disposed.

b. Contract with, or enter into a written agreement with Food Recovery Organizations or Food Recovery Services for: (i) the collection of Edible Food for Food Recovery; or, (ii) acceptance of the Edible Food that the Commercial Edible Food Generator self-hauls to the Food Recovery Organization for Food Recovery.

c. Shall not intentionally spoil Edible Food that is capable of being recovered by a Food Recovery Organization or a Food Recovery Service.

d. Allow City's designated enforcement entity or designated third party enforcement entity to access the premises and review records pursuant to 14 CCR Section 18991.4.

e. Keep records that include the following information, or as otherwise specified in 14 CCR Section 18991.4:

(i) A list of each Food Recovery Service or organization that collects or receives its Edible Food pursuant to a contract or written agreement established under 14 CCR Section 18991.3(b).

(ii) A copy of all contracts or written agreements established under 14 CCR Section 18991.3(b).

(iii) A record of the following information for each of those Food Recovery Services or Food Recovery Organizations:

1) The name, address and contact information of the Food Recovery Service or Food Recovery Organization.

2) The types of food that will be collected by or self-hauled to the Food Recovery Service or Food Recovery Organization.

3) The established frequency that food will be collected or self-hauled.

4) The quantity of food, measured in pounds recovered per month, collected or self-hauled to a Food Recovery Service or Food Recovery Organization for Food Recovery.

f. The City may additionally request the records to be submitted electronically or by mail within fifteen (15) days of the request.

4. Nothing in this ordinance shall be construed to limit or conflict with the protections provided by the California Good Samaritan Food Donation Act of 2017, the Federal Good Samaritan Act, or share table and school food donation guidance pursuant to Senate Bill 557 of 2017 (approved by the Governor of the State of California on September 25, 2017, which added Article 13 [commencing with Section 49580] to Chapter 9 of Part 27 of Division 4 of Title 2 of the Education Code, and to amend Section 114079 of the Health and Safety Code, relating to food safety, as amended, supplemented, superseded and replaced from time to time).

E. Requirements For Food Recovery Organizations and Services.

1. Food Recovery Services collecting or receiving Edible Food directly from Commercial Edible Food Generators, via a contract or written agreement established under 14 CCR Section 18991.3(b), shall maintain the following records, or as otherwise specified by 14 CCR Section 18991.5(a)(1):

a. The name, address, and contact information for each Commercial Edible Food Generator from which the service collects Edible Food.

b. The quantity in pounds of Edible Food collected from each Commercial Edible Food Generator per month.

c. The quantity in pounds of Edible Food transported to each Food Recovery Organization per month.

d. The name, address, and contact information for each Food Recovery Organization that the Food Recovery Service transports Edible Food to for Food Recovery.

2. Food Recovery Organizations collecting or receiving Edible Food directly from Commercial Edible Food Generators, via a contract or written agreement established under 14 CCR Section 18991.3(b), shall maintain the following records, or as otherwise specified by 14 CCR Section 18991.5(a)(2):

a. The name, address, and contact information for each Commercial Edible Food Generator from which the organization receives Edible Food.

b. The quantity in pounds of Edible Food received from each Commercial Edible Food Generator per month.

c. The name, address, and contact information for each Food Recovery Service that the organization receives Edible Food from for Food Recovery.

3. Food Recovery Organizations and Food Recovery Services shall inform generators about California and Federal Good Samaritan Food Do-

nation Act protection in written communications, such as in their contract or agreement established under 14 CCR Section 18991.3(b).

4. Food Recovery Organizations and Food Recovery Services that have their primary address physically located in the City and contract with or have written agreements with one or more Commercial Edible Food Generators pursuant to 14 CCR Section 18991.3(b) shall report to the City the total pounds of Edible Food recovered in the previous calendar year from the Tier One and Tier Two Commercial Edible Food Generators they have established a contract or written agreement with pursuant to 14 CCR Section 18991.3(b) no later than March 31 of each year, commencing March 31, 2023.

5. Food Recovery Capacity Planning.

a. Food Recovery Services and Food Recovery Organizations. In order to support Edible Food Recovery capacity planning assessments or other studies conducted by the City or its designated entity, Food Recovery Services and Food Recovery Organizations operating in the City shall provide information and consultation to the City, upon request, regarding existing, or proposed new or expanded, Food Recovery capacity that could be accessed by the City and its Commercial Edible Food Generators. A Food Recovery Service or Food Recovery Organization contacted by the City shall respond to such request for information within 60 days, unless a shorter timeframe is otherwise specified by the City.

F. Requirements for Haulers and Facility Operators.

1. Requirements for Permitted Non-Exclusive Franchised Haulers.

a. Non-exclusive franchised haulers providing, Commercial (Multi-Family Dwelling) or industrial Organic Waste collection services to generators within the City's boundaries that meet the requirements of 8.60.240 shall meet the following requirements and standards as a condition of approval of a contract, agreement, or other authorization with the City to collect Organic Waste:

(i) Through written notice to the City annually on or before December 31st , identify the facilities to which they will transport Organic Waste including facilities for Source Separated Recyclable Materials, Source Separated Green Container Organic Waste, and Mixed Waste.

(ii) Transport Source Separated Recyclable Materials, Source Separated Green Container Organic Waste, and Mixed Waste to a facility, operation, activity, or property that recovers Organic Waste as defined in 14 CCR, Division 7, Chapter 12, Article 2.

b. Permitted Non-exclusive franchised haulers' authorization to collect Organic Waste shall comply with education, equipment(including but not limited to carts and bins), signage (included but not limited to what is required by the law of signage on containers), container labeling, container color, contamination monitoring, reporting, and other requirements contained within its franchise agreement, permit, license, or other agreement entered into with City.

c. Non-Exclusive Franchise Haulers shall upon request provide a specified quantity of Compost or SB 1383 Eligible Mulch to City and its customers via periodic "giveaways" as specified in franchise agreement. They shall also keep and provide records to the City including the following:

(i) Dates provided;

(ii) Source of product including name, physical location and contact information for each entity, operation or facility from whom the Recovered Organic Waste products were procured;

(iii) Type of product;

(iv) Quantity provided; and

(v) Invoice or other record or documentation demonstrating purchase, procurement, or transfer of material to giveaway location.

d. Non-Exclusive Franchise Haulers shall upon request procure Renewable Gas as a Direct Service Provider.

(i) Direct Service Providers transporting solid waste, organic materials, and/or recyclable materials shall procure a percentage, to be determined, of their fuel as Renewable Gas. Renewable Gas used by Direct Service Providers shall comply with criteria specified in 14 CCR Section 18993.1.

2. Requirements for Facility Operators and Community Composting Operations.

a. Owners of facilities, operations, and activities that recover Organic Waste, including, but not limited to, Compost facilities, in-vessel digestion facilities, and publicly-owned treatment works shall, upon City request, provide information regarding available and potential new or expanded capacity at their facilities, operations, and activities, including information about throughput and permitted capacity necessary for planning purposes. Entities contacted by the City shall respond within sixty (60) days.

b. Community Composting operators, upon City request, shall provide information to the City to support Organic Waste capacity planning, including, but not limited to, an estimate of the amount of Organic Waste anticipated to be handled at the Community Composting operation. Entities contacted by the City shall respond within sixty (60) days.

G. Self-Hauler Requirements.

1. Self-Haulers shall source separate all recyclable materials and Organic Waste (materials that City otherwise requires generators to separate for collection in the City's organics and recycling collection program) generated on-site from Solid Waste in a manner consistent with 14 CCR Sections 18984.1 and 18984.2, or shall haul Organic Waste to a High Diversion Organic Waste Processing Facility as specified in 14 CCR Section 18984.3.

2. Self-Haulers shall haul their Source Separated Recyclable Materials to a facility that recovers those materials; and haul their Source Separated Green Container Organic Waste to a Solid Waste facility, operation, activity, or property that processes or recovers Source Separated Organic Waste. Alternatively, Self-Haulers may haul Organic Waste to a High Diversion Organic Waste Processing Facility.

3. Self-Haulers that are Commercial Businesses (including Multi-Family Residential Dwellings) shall keep a record of the amount of Organic Waste delivered to each Solid Waste facility, operation, activity, or property that processes or recovers Organic Waste; this record shall be subject to Inspection by the City. The records shall include the following information:

a. Delivery receipts and weight tickets from the entity accepting the waste.

b. The amount of material in cubic yards or tons transported by the generator to each entity.

c. If the material is transported to an entity that does not have scales on-site, or employs scales incapable of weighing the Self-Hauler's vehicle in a manner that allows it to determine the weight of materials received, the Self-Hauler is not required to record the weight of material but shall keep a record of the entities that received the Organic Waste.

4. Self-Haulers that are Commercial Businesses (including Multi-Family Self-Haulers) shall provide information collected in Section 8.60.370.G.3. to City if requested.

5. Self-Hauler meeting the above requirements for self-haul of organics do not automatically qualify for a waiver per this ordinance.

6. Self-Hauler meeting the requirements of self-haul for recycling do not automatically qualify for a waiver.

H. Inspections and Investigations by the City.

1. City representatives, including Designees, are authorized to conduct Inspections and investigations, at random or otherwise, of any collection container, collection vehicle loads, or transfer, processing, or disposal facility for materials collected from generators, or Source Separated materials, to confirm compliance with this ordinance by Organic Waste Generators, Commercial Businesses (including Multi-Family Residential Dwellings), property owners, Commercial Edible Food Generators, haulers, Self-Haulers, Food Recovery Services, and Food Recovery Organizations, subject to applicable laws. This Section does not allow City to enter the interior of a private residential property for Inspection. For the purposes of inspecting Commercial Business containers for compliance with Section 8.60.370.B.6 of this ordinance, City, or designee, may conduct container Inspections for Prohibited Container Contaminants using Remote Monitoring, and

Commercial Businesses shall accommodate and cooperate with the Remote Monitoring pursuant to this ordinance.

2. Regulated entity shall provide or arrange for access during all Inspections (with the exception of residential property interiors) and shall cooperate with the City's employee or its Designee during such Inspections and investigations. Such Inspections and investigations may include confirmation of proper placement of materials in containers, Edible Food Recovery activities, records, or any other requirement of this ordinance described herein. Failure to provide or arrange for: (i) access to an entity's premises; (ii) installation and operation of Remote Monitoring equipment; or (ii) access to records for any Inspection or investigation is a violation of this ordinance and may result in penalties described.

3. Any records obtained by City during its Inspections, Remote Monitoring, and other reviews shall be subject to the requirements and applicable disclosure exemptions of the Public Records Act as set forth in Government Code Section 6250 et seq.

4. City representatives and/or Designee are authorized to conduct any Inspections, Remote Monitoring, or other investigations as reasonably necessary to further the goals of this ordinance, subject to applicable laws.

5. City shall receive written complaints from persons regarding an entity that may be potentially non-compliant with SB 1383 Regulations, including receipt of anonymous complaints.

I. Enforcement.

1. Violation of any provision of this ordinance shall constitute grounds for issuance of a Notice of Violation and assessment of a fine by a City Enforcement Official or designee. Enforcement Actions under this ordinance include issuance of an administrative citation and assessment of a fine. The City's procedures on imposition of administrative fines are hereby incorporated in their entirety, as modified from time to time, and shall govern the imposition, enforcement, collection, and review of administrative citations issued to enforce this ordinance and any rule or regulation adopted pursuant to this ordinance, except as otherwise indicated in this ordinance.

2. Other remedies allowed by law may be used, including civil action or prosecution as misdemeanor or infraction. City may pursue civil actions in the California courts to seek recovery of unpaid administrative citations. Jurisdiction may choose to delay court action until such time as a sufficiently large number of violations, or cumulative size of violations exist such that court action is a reasonable use of City staff and resources.

3. Responsible Entity for Enforcement.

a. Enforcement pursuant to this ordinance may be undertaken by the City Enforcement Official, which may be the City Manager or their designated entity, City Attorney, City Prosecutor, or combination thereof.

b. Enforcement may also be undertaken by a Regional or County Agency Enforcement Official, designated by the City, in consultation with the City Enforcement Official.

(i) City Enforcement Official(s) (and Regional or County Agency Enforcement Official, if using) will interpret ordinance; determine the applicability of waivers, if violation(s) have occurred; implement Enforcement Actions; and, determine if compliance standards are met. Only City Enforcement Official(s) may issue waivers.

(ii) City Enforcement Official(s) (and Regional or County Agency Enforcement Official, if using) may issue Notices of Violation(s).

4. Process for Enforcement.

a. City Enforcement Officials or Regional or County Enforcement Officials and/or their Designee will monitor compliance with the ordinance randomly and through Compliance Reviews, Route Reviews, investigation of complaints, and an Inspection program (that may include Remote Monitoring). Section 8.60.370.H establishes City's right to conduct Inspections and investigations.

b. The City may issue an official notification to notify regulated entities of its obligations under the ordinance.

c. Contamination Processing Fees/Penalties: For incidences of Prohibited Container Contam-

inants found in containers, City may issue a Notice of Violation to any generator found to have Prohibited Container Contaminants in a container. Such notice will be provided immediately upon identification of the Prohibited Container Contaminants or within seven (7) days after determining that a violation has occurred. If the City observes Prohibited Container Contaminants in a generator's containers, the City may assess contamination processing fees or contamination penalties on the generator.

d. With the exception of violations of generator contamination of container contents addressed under Subsection 4.c above, City shall issue a Notice of Violation requiring compliance within thirty (30) days, or less, of issuance of the notice.

e. Absent compliance by the respondent within the deadline set forth in the Notice of Violation, City shall commence an action to impose penalties, via an administrative citation and fine, pursuant to LBMC Section 9.65.

f. Notices shall be sent to "owner" at the official address of the owner maintained by the Los Angeles County tax collector or if no such address is available, to the owner at the address of the dwelling or Commercial property or to the party responsible for paying for the collection services, depending upon available information.

5. Penalty Amounts for Types of Violations. The penalty levels are as follows:

a. For a first violation, the amount of the base penalty shall be Fifty Dollars ($50) to One Hundred Dollars ($100) per violation.

b. For a second violation, the amount of the base penalty shall be One Hundred Dollars ($100) to Two Hundred Dollars ($200) per violation.

c. For a third violation, the amount of the base penalty shall be Two Hundred Fifty Dollars ($250) to Five Hundred Dollars ($500) per violation.

d. For a fourth or subsequent violation, the amount of the base penalty shall be a base penalty of Five Hundred Dollars ($500) per violation, plus all additional fees related to monitoring violation, and fees related to ensuring compliance is met.

6. Factors Considered in Determining Penalty Amount. The following factors shall be used to determine the amount of the penalty for each violation within the appropriate penalty amount range:

a. The nature, circumstances, and severity of the violation(s);

b. The violator's ability to pay;

c. The willfulness of the violator's misconduct;

d. Whether the violator took measures to avoid or mitigate violations of this Chapter;

e. Evidence of any economic benefit resulting from the violation(s);

f. The deterrent effect of the penalty on the violator;

g. Whether the violation(s) were due to conditions outside the control of the violator.

7. Compliance Deadline Extension Considerations. The City may extend the compliance deadlines set forth in a Notice of Violation issued in accordance with Section 8.60.370.I if it finds that there are extenuating circumstances beyond the control of the respondent that make compliance within the deadlines impracticable, including the following:

a. Acts of God such as earthquakes, pandemic, wildfires, flooding, and other emergencies or natural disasters;

b. Delays in obtaining discretionary permits or other government agency approvals; or

c. Deficiencies in Organic Waste recycling infrastructure or Edible Food Recovery capacity and the Jurisdiction is under a corrective action plan with CalRecycle pursuant to 14 CCR Section 18996.2 due to those deficiencies.

8. Appeals Process. Persons receiving an administrative citation containing a penalty for an uncorrected violation may request a hearing to appeal the citation. A hearing will be held only if it is requested within the time prescribed and consistent with City's procedures in LBMC Chapter 9.65 regarding appeals of administrative citations. Ev-

idence may be presented at the hearing. The City will appoint a hearing officer, who may be a City employee different from the Enforcement Official, who shall conduct the hearing and issue a final written order.

9. Education Period for Non-Compliance. Beginning January 1, 2022 and through December 31, 2023, City will conduct Inspections, Remote Monitoring, Route Reviews or waste evaluations, and Compliance Reviews, depending upon the type of regulated entity, to determine compliance, and if Jurisdiction determines that Organic Waste Generator, Self-Hauler, hauler, Tier One Commercial Edible Food Generator, Food Recovery Organization, Food Recovery Service, or other entity is not in compliance, it shall provide educational materials to the entity describing its obligations under this ordinance and a notice that compliance is required by January 1, 2022, and that violations may be subject to administrative civil penalties starting on January 1, 2024.

10. Civil Penalties for Non-Compliance. Beginning January 1, 2024, if the City determines that an Organic Waste Generator, Self-Hauler, hauler, Tier One or Tier Two Commercial Edible Food Generator, Food Recovery Organization, Food Recovery Service, or other entity is not in compliance with this ordinance, it shall document the noncompliance or violation, issue a Notice of Violation, and take Enforcement Action pursuant to Section 17, as needed.

J. Effective Date. This Ordinance shall be effective commencing on January 1, 2022. (ORD-21-0040 § 10, 2021)

CHAPTER 8.61 SHOPPING CARTS*

8.61.010 Definitions.

For purposes of this Chapter only, and unless the context clearly requires a different meaning, the words, terms and phrases set forth in this Section are defined as follows:

"Business premises" means the interior of a cart owner's commercial establishment, adjacent walkways, any loading area, and the parking area, as defined herein.

"Cart identification sign" means a sign or engraved surface which is permanently affixed to a shopping cart containing all of the information specified in Section 8.61.050 of this Chapter.

"Cart owner" means the owner or operator of a commercial establishment which provides carts for use by its customers for the purpose of transporting goods of any kind.

"Cart removal warning" means a placard, sign or painted text which meets the requirements of Section 8.61.030 of this Chapter.

"Enforcement officer" means any officer or employee of the City designated with the authority to enforce the applicable provisions of the Long Beach Municipal Code.

"Enforcement agency" means the City department in which the enforcement officer is employed.

"Individual cart identification number" means a number unique to each cart owned or provided by a cart owner.

"On-site cart containment program" means one (1) or more of the following measures:

1. Disabling devices on all shopping carts which prevent them from being removed from the business premises by locking the wheels or otherwise preventing the movement of the carts.

2. An on-site security guard to deter customers who attempt to remove carts from the business premises.

3. Bollards and chains around the business premises to prevent cart removal, if permitted by the Fire Marshal.

4. Obtaining a security deposit from customers for the on-site use of shopping carts.

5. The rental or sale of utility carts that can be temporarily or permanently used for the transport of goods.

6. Any other measure approved by the Director of Planning and Building as a means to contain carts on-premises.

"Parking area" means a parking lot or other property provided by a commercial establishment for use by a customer for parking an automobile or other vehicle. In a multi-store complex or shopping center, "parking area" includes the entire parking area used by or controlled by the complex or center.

"Physical containment system" means one (1) of the following, as approved by the Director of Planning and Building:

1. Disabling devices on all shopping carts which prevent them from being removed from the business premises by locking the wheels or otherwise preventing the movement of the carts.

2. Any other system of equipment approved by the Director of Planning and Building which physically contains shopping carts on premises.

"Qualified cart retrieval service" means a commercial service, operated by a third party and paid by a cart owner to retrieve and return shopping carts. The Director of Planning and Building shall develop minimal service standards by which a cart retrieval service may be designated as a qualified cart retrieval service and maintain a list of all such services.

"Shopping cart" means a basket which is mounted on wheels or a similar device provided by the operator of a commercial establishment for the use of customers for the purpose of transporting goods of any kind. A cart sold by a commercial establishment to a retail customer for that customer's personal use is not a shopping cart for the purposes of this Chapter. (ORD-07-0046 § 1 (part), 2007)

8.61.020 Cart containment system—Required; exception.

A. Every cart owner shall operate and maintain an on-site cart containment program. A cart

owner may be exempted from this requirement if he or she provides proof of contracting with a qualified cart retrieval service and submits an operations plan which demonstrates to the satisfaction of the Director of Planning and Building that the qualified cart retrieval service will both actively locate shopping carts within a one (1) mile radius of the cart owner's business premises and respond to complaints from the public in a manner which results in the retrieval of shopping carts within twenty-four (24) hours after receiving complaint(s).

B. Each cart owner must contain all shopping carts on the business premises at all times.

C. Any instance in which a shopping cart owned or provided by a cart owner is found off of the business premises shall be considered a violation by the cart owner of Subsection B of this Section.

1. Each twenty-four (24) hour period that the cart remains off the business premises shall be considered a separate violation of Subsection B of this Section.

2. A civil fine shall be assessed by means of an administrative citation issued by an enforcement officer and shall be payable directly to the City of Long Beach.

3. Fines shall be assessed at one hundred dollars ($100.00) for each violation.

4. Following the issuance of more than ten (10) (Subsection B of this Section), administrative citations to the same cart owner within a thirty (30) day period, in addition to administrative penalty set forth in this Chapter, subsequent violations by that cart owner shall be referred by the enforcement agency for criminal prosecution pursuant to Subsection 1.32.010.E of the Municipal Code. (ORD-07-0046 § 1 (part), 2007)

8.61.030 Cart removal warnings.

A. Every cart owner shall post and maintain cart removal warnings which meet all of the following minimum specifications:

1. Meet or exceed eighteen inches (18") in width and twenty-four inches (24") in height.

2. Using block lettering not less than one-half inch (½") in width and two inches (2") in height, contain a statement in two (2) or more languages to the effect that unauthorized removal of a shopping cart from the business premises, or possession of a shopping cart in a location other than on the business premises, is a violation of State law and City ordinance.

3. List a local or toll-free telephone number for cart retrieval.

4. Be affixed to an interior wall of the building or otherwise permanently and prominently displayed within two feet (2') of all customer entrances and exits.

B. Cart removal warnings on the exterior of the building are not considered "signs" for the purpose of calculating maximum allowable signage under Title 21 of the Municipal Code. (ORD-07-0046 § 1 (part), 2007)

8.61.040 Employee training—Cart removal prevention.

Each cart owner shall conduct ongoing employee training to educate new and existing employees about procedures to prevent cart removal, including the operation of the cart containment system. (ORD-07-0046 § 1 (part), 2007)

8.61.050 Cart identification signs for shopping carts.

A. Each shopping cart owned or used within the City shall have, permanently affixed and easily visible, a cart identification sign or engraved surface which includes all of the following information: The name of the cart owner, the telephone number of the cart owner and/or commercial establishment to which the cart belongs, the individual cart identification number, a valid toll-free phone number for cart retrieval, the procedure (if any) to be followed to obtain permission to remove the cart from the business premises, and a notice to the public that unauthorized removal of the cart from the business premises is a violation of State law and City ordinance.

B. It shall be the responsibility of each cart owner to comply with Subsection A of this Sec-

tion, and to continuously maintain, or cause to be maintained, the cart identification sign so that all of the required information is accurate and clearly legible. (ORD-07-0046 § 1 (part), 2007)

8.61.060 Cart removal from business premises—Written permission required.

No person shall be deemed to be authorized to remove a cart unless he or she possesses written authorization from the cart owner. This Section shall not apply the possession of a shopping cart removed from the business premises at the direction of the cart owner for the purposes of repair or maintenance. (ORD-07-0046 § 1 (part), 2007)

8.61.070 Physical containment system.

A. A cart owner shall be required to install a physical containment system to the satisfaction of the Director of Planning and Building when the cart owner establishes a facility consisting of more than five thousand (5,000) square feet of new construction.

B. A cart owner may be required to install a physical containment system to the satisfaction of the Director of Planning and Building and the City prosecutor following the issuance of more than ten (10) (Subsection 8.61.020.B), administrative citations in a thirty (30) day period. (ORD-07-0046 § 1 (part), 2007)

8.61.080 Regulatory fee authorized.

A regulatory fee shall be established to enforce this regulation and to fairly apportion the cost of mitigating the negative effects of off-site shopping carts. A business which installs a physical containment system to the satisfaction of the Director of Planning and Building, or which does not provide any shopping carts to its customers, shall be exempted from this fee. (ORD-07-0046 § 1 (part), 2007)

8.61.090 Service procedures.

An administrative citation subject to this Chapter shall be issued on a form approved by the City Manager or his or her designee, and may be served upon any cart owner by an enforcement officer in the following manner:

A. Service of citation by mail.

1. The administrative citation or duplicate thereof shall be mailed to the cart owner(s); and

2. A proof of service of the notice shall be made by declaration of the enforcement officer effecting the service. (ORD-07-0046 § 1 (part), 2007)

8.61.100 Contents of notice.

Each administrative citation issued pursuant to this Chapter shall contain the following information:

A. The date of service of the citation and the date, time, address or description of the location where the violation(s) was observed;

B. The code section(s) and condition(s) violated and a description of the violation(s);

C. A photographic image depicting the cart at the location of the violation(s);

D. The amount of the fine for the violation(s);

E. An explanation of how the fine shall be paid and the fine payment due date;

F. Notice of the right to appeal the citation, the time within which the citation may be appealed and the place to obtain a request for hearing form to appeal the administrative citation; and

G. The name and signature of the enforcement officer. (ORD-07-0046 § 1 (part), 2007)

8.61.110 Satisfaction of administrative citation.

Upon service of an administrative citation issued pursuant to this Chapter, the cart owner shall do the following:

A. Pay the fine no later than thirty (30) days from the date of issuance of the citation as specified on the administrative citation. Payment of a fine shall not bar further enforcement action by the City. Late charges shall be imposed for fine payments made after the fine payment due date.

The late charge shall be calculated at a rate of twenty-five percent (25%) of the fine, and will be imposed in addition to any outstanding fine.

B. Failure of the cart owner(s) to pay the civil fine and any accrued late penalties in a timely manner may result in the imposition of a special assessment and/or lien against the real property on the business premises, and/or filing of an action with the small claims court for recovery of the fine and any late penalty.The only issue to be adjudicated by the small claims court shall be whether or not the fines and possible late fees were paid. A cart owner may only obtain judicial review of the validity of the citation by first requesting and participating in an administrative appeal hearing before a Hearing Officer. In the small claims court action, the City may also recover its costs, according to proof.

C. The City may also refuse to issue, extend, or renew to any cart owner who has unpaid delinquent fines, interest, penalties, liens, or assessments, any City permit, license, entitlement, or other City approval pertaining to the business premises that is the subject of the fine and administrative citation.

D. Any permit, license, entitlement, or land use approval issued by the City may be subject to suspension or revocation of the permit, license, entitlement, or land use approval in accordance with the procedures set forth in the respective Long Beach Municipal Code if any unpaid fine, interest or penalties remain delinquent for a period of more than thirty (30) days. (ORD-07-0046 § 1 (part), 2007)

8.61.120 Appeal of administrative citation.

A. Any recipient of an administrative citation issued pursuant to this Chapter may appeal said citation by completing a written request for hearing form from the enforcement agency designated on the citation, and returning it to said City agency within thirty (30) calendar days from the date the administrative citation was served or deemed to have been served, together with a deposit in the total amount of the fine.

B. A failure to file a timely appeal of the administrative citation shall be deemed a waiver of the right to appeal and to seek judicial review.

C. The administrative appeal hearing shall be set for a date not sooner than fifteen (15) calendar days, and not more than sixty (60) calendar days from the date the request for hearing is completed and submitted in accordance with the provisions of this Chapter. The cart owner requesting the hearing shall be notified in writing of the time and place set for the hearing at least ten (10) calendar days prior to the date of the hearing.

D. The hearing provided for in this Chapter shall be conducted by a Hearing Officer or hearing body appointed by the City Manager or his or her authorized designee.

E. The Hearing Officer/body shall only consider evidence that is relevant to whether the appellant is the bona fide cart owner, and whether appellant created, committed, or maintained the violation(s). Courtroom rules of evidence shall not apply. Relevant hearsay evidence and written reports may be admitted whether or not the speaker or author is present to testify, if the Hearing Officer/body determines that such evidence is reliable. Admission of evidence and the conduct of the hearing shall be controlled by the Hearing Officer/body in accordance with the fundamentals of due process. The Hearing Officer/body may set reasonable limits on the length of the hearing, and shall allow the appellant at least as much time to present his or her case as is allowed to the City.

F. The appellant contesting the administrative citation shall be given the opportunity to testify and present witnesses and evidence concerning the citation. The City's case shall be presented by any person designated by the City Manager. The appellant and City may be represented by counsel.

G. The failure of the appellant to appear at the hearing shall constitute a forfeiture of the fine and a failure to exhaust administrative remedies.

H. The administrative citation and any additional documents prepared by the City in connection with the violation(s) may be submitted and shall constitute prima facie evidence of the respective facts contained in those documents.

I. If the enforcement officer or his or her designee submits any additional documents concerning the administrative citation to the Hearing Officer for consideration at the hearing, then, whenever possible, a copy of such document(s) shall be served by mail on the appellant at least five (5) calendar days prior to the date of the hearing.

J. The Hearing Officer/body may continue the hearing or request additional information from the enforcement officer, his or her designee or the appellant prior to issuing a written decision.

K. After considering all of the testimony and evidence submitted at the hearing, the Hearing Officer/body shall issue a written decision within fifteen (15) business days of the hearing. The decision of the Hearing Officer shall be final.

L. If the Hearing Officer/body denies the appeal, then the deposit shall be retained by the City.

M. If the Hearing Officer/body grants the appeal, then the City shall refund the deposit within thirty (30) business days from the date of the final written decision.

N. The Hearing Officer/body shall serve the appellant and City with a copy of the written decision. (ORD-07-0046 § 1 (part), 2007)

8.61.130 Dismissal of citation.

The enforcement officer, with the approval of the Director of the respective enforcement agency, may dismiss an administrative citation issued pursuant to this Chapter at any time if it is determined to have been issued in error, in which event any deposit will be refunded. (ORD-07-0046 § 1 (part), 2007)

8.61.140 Right to judicial review.

A. Either the City or the appellant aggrieved by a decision of a Hearing Officer/body on an administrative citation issued pursuant to this Chapter, may obtain review of the decision by filing a petition for review with the Los Angeles Superior Court in accordance with the time lines and provisions as set forth in California Government Code § 53069.4(b). Said procedure shall be available for all judicial review under this Chapter, notwithstanding that the term or condition being enforced pursuant to this Chapter may not be a matter covered by California Government Code § 53069.4(a). Judicial review of a citation shall not be available unless all administrative remedies have been exhausted as provided in this Chapter. (ORD-07-0046 § 1 (part), 2007)

8.61.150 Recovery of abatement costs.

The administrative citation process described in this Chapter does not preclude the City from recovering any other Code violation or nuisance abatement costs incurred by the City in performing its code enforcement efforts. (ORD-07-0046 § 1 (part), 2007)

8.61.160 City powers not limited by this Chapter.

Nothing in this Section is intended to limit the ability of the City to remove or dispose of any cart to which a cart identification sign is not attached, or to remove or dispose of any cart which impedes the provision of emergency services, or which is an immediate threat to public health and safety, to the full extent permitted by State law. (ORD-07-0046 § 1 (part), 2007)

8.61.170 Additional nonadministrative penalty.

The procedures established in this Chapter shall be in addition to any criminal, civil or other legal remedy established by law for violation of the sections defined in this Chapter of the Municipal Code. (ORD-07-0046 § 1 (part), 2007)

CHAPTER 8.62 PLASTIC CARRYOUT BAGS

8.62.010 Definitions.

A. "Customer" means any person or persons, purchasing goods from a store.

B. "Farmer's Market" has the meaning provided in Subsection 3.80.180.G of the Long Beach Municipal Code.

C. "Operator" means the person in control of, or having the responsibility for, the operation of a store, which may include, but is not limited to, the owner of the store.

D. "Person" means any natural person, firm, corporation, partnership, or other organization or group however organized.

E. "Plastic carryout bag" means any bag made predominantly of plastic derived from either petroleum or a biologically-based source, such as corn or other plant sources, which is provided to a customer at the point of sale. Plastic carryout bag includes compostable and biodegradable bags but does not include reusable bags, produce bags or product bags.

F. "Postconsumer recycled material" means a material that would otherwise be destined for solid waste disposal, having completed its intended end use and product life cycle. Postconsumer recycled material does not include materials and by-products generated from, and commonly reused within, an original manufacturing and fabrication process.

G. "Produce bag" or "product bag" means any bag without handles used exclusively to carry produce, meats, or other food items to the point of sale inside a store or to prevent such food items from coming into direct contact with other purchased items.

H. "Recyclable" means material that can be sorted, cleansed, and reconstituted using available recycling collection programs for the purpose of using the altered form in the manufacture of a new product. Recycling does not include burning, incinerating, converting, or otherwise thermally destroying solid waste.

I. "Recyclable paper carryout bag" means a paper bag that meets all of the following requirements: (1) contains no old growth fiber; (2) is one hundred percent (100%) recyclable overall and contains a minimum of forty percent (40%) postconsumer recycled material; (3) is capable of composting, consistent with the timeline and specifications of the American Society of Testing and Materials (ASTM) Standard D6400; (4) is accepted for recycling in curbside programs in the City; (5) has printed on the bag the name of the manufacturer, the location where the bag was manufactured, and the percentage of postconsumer recycled material used; and (6) displays the word "Recyclable" in a highly visible manner on the outside of the bag.

J. "Reusable bag" means a bag with handles that is specifically designed and manufactured for multiple reuse and meets all of the following requirements: (1) has a minimum lifetime of one hundred twenty-five (125) uses, which for purposes of this Section, means the capability of carrying a minimum of twenty-two (22) pounds one hundred twenty-five (125) times over a distance of at least one hundred seventy-five feet (175'); (2) has a minimum volume of fifteen (15) liters; (3) is machine washable or is made from a material that can be cleaned or disinfected; (4) does not contain lead, cadmium, or any other heavy metal in toxic amounts, as defined by applicable State and federal standards and regulations for packaging or reusable bags; (5) has printed on the bag, or on a tag that is permanently affixed to the bag, the name of the manufacturer, the location where the bag was manufactured, a statement that the bag does not contain lead, cadmium, or any other heavy metal in toxic amounts, and the percentage of postconsumer recycled material used, if any; and (6) if made of plastic, is a minimum of at least two and one-quarter (2.25) mils thick.

K. "Store" means any of the following retail establishments located within the City of Long Beach:

1. A full-line, self-service retail store with gross annual sales of two million dollars ($2,000,000.00), or more, that sells a line of dry grocery, canned goods, or nonfood items and some perishable items;

2. A store of at least ten thousand (10,000) square feet of retail space that generates sales or use tax pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law (Part 1.5 (commencing with Section 7200) of Division 2 of the Business and Professions Code) and that has a pharmacy licensed pursuant to Chapter 9 (commencing with Section 4000) of Division 2 of the Business and Professions Code; or

3. A drug store, pharmacy, supermarket, grocery store, convenience food store, food mart, or other entity engaged in the retail sale of a limited

line of goods that includes milk, bread, soda, and snack foods, including those stores with a Type 20 or 21 license issued by the Department of Alcoholic Beverage Control. (ORD-11-0009, § 1, 2011)

8.62.020 Plastic carryout bags prohibited.

A. No store shall provide to any customer a plastic carryout bag.

B. This prohibition applies to bags provided for the purpose of carrying away goods from the point of sale and does not apply to produce bags or product bags.

C. No person shall distribute a plastic carryout bag or any paper bag at the Long Beach Farmers' Markets, except produce bags or product bags. (ORD-11-0009, § 1, 2011)

8.62.030 Permitted bags.

All stores shall provide or make available to a customer only recyclable paper carryout bags or reusable bags for the purpose of carrying away goods or other materials from the point of sale, subject to the terms of this Chapter. Nothing in this Chapter prohibits customers from using bags of any type that they bring to the store themselves or from carrying away goods that are not placed in a bag, in lieu of using bags provided by the store. (ORD-11-0009, § 1, 2011)

8.62.040 Regulation of recyclable paper carryout bags.

A. Any store that provides a recyclable paper carryout bag to a customer must charge the customer ten cents ($0.10) for each bag provided, except as otherwise provided in this Chapter.

B. No store shall rebate or otherwise reimburse a customer any portion of the ten cent ($0.10) charge required in Subsection A, except as otherwise provided in this Chapter.

C. All stores must indicate on the customer receipt the number of recyclable paper carryout bags provided and the total amount charged for the bags.

D. All monies collected by a store under this Chapter will be retained by the store and may be used only for the following purposes:

1. Costs associated with complying with the requirements of this Chapter;

2. Actual costs of providing recyclable paper carryout bags; or

3. Costs associated with a store's educational materials or education campaign encouraging the use of reusable bags, if any.

E. All stores shall keep complete and accurate records or documents, for a minimum period of three (3) years from the date of sale, of the total number of recyclable paper carryout bags provided, the total amount of monies collected for providing recyclable paper carryout bags, which record shall be available for inspection at no cost to the City during regular business hours by any City employee authorized to enforce this Section. Unless an alternative location or method of review is mutually agreed upon, the records or documents shall be available at the store's address. A responsible agent or officer of the store shall confirm that the information provided is accurate and complete.

F. The provision of false information, including incomplete records or documents, to the City shall be a violation of this Section, and such store shall be subject to the fines set forth in Section 8.62.080. (ORD-11-0009, § 1, 2011)

8.62.050 Use of reusable bags.

A. All stores must provide reusable bags to customers, either for sale or at no charge.

B. Each store is strongly encouraged to educate its staff to promote reusable bags and to post signs encouraging customers to use reusable bags.

C. Each store is strongly encouraged to provide to the City and to the public a summary of any efforts a store has undertaken to promote the use of reusable bags by customers. (ORD-11-0009, § 1, 2011)

8.62.060 Exempt customers.

All stores must provide at the point of sale, free of charge, either reusable bags or recyclable paper carryout bags or both, at the store's option, to any customer participating either in the California Special Supplemental Food Program for Women, Infants, and Children pursuant to Article 2 (commencing with Section 123275) of Chapter 1

of Part 2 of Division 106 of the Health and Safety Code or in the Supplemental Food Program pursuant to Chapter 10 (commencing with Section 15500) of Part 3 of Division 9 of the Welfare and Institutions Code. (ORD-11-0009, § 1, 2011)

8.62.070 Operative date.

This Chapter shall become operative on August 1, 2011, for stores defined in Subsections K.1. and K.2. of Section 8.62.010. For stores defined in Subsection K.3. of Section 8.62.010, this Chapter shall become operative on January 1, 2012. For Farmers' Markets as defined in Subsection B of Section 8.62.010, this Chapter shall become operative on January 1, 2012. (ORD-11-0009, § 1, 2011)

8.62.080 Enforcement and violation-Penalty.

A. The City Manager has primary responsibility for enforcement of this Chapter. The City Manager or designee is authorized to promulgate regulations and to take any and all other actions reasonable and necessary to enforce this Chapter, including, but not limited to, investigating violations, issuing fines and entering the premises of any store during business hours. If the City Manager or designee determines that a violation of this Chapter has occurred, he/she will issue a written warning notice to the operator of a store that a violation has occurred and the potential penalties that will apply for future violations.

B. Any store that violates or fails to comply with any of the requirements of this Chapter after a written warning notice has been issued for that violation shall be guilty of an infraction.

C. If a store has subsequent violations of this Chapter that are similar in kind to the violation addressed in a written warning notice, the following penalties will be imposed and shall be payable by the operator of the store:

1. A fine not exceeding one hundred dollars ($100.00) for the first violation after the written warning notice is given;

2. A fine not exceeding two hundred dollars ($200.00) for the second violation after the written warning notice is given; or

3. A fine not exceeding five hundred dollars ($500.00) for the third and any subsequent violations after the written warning notice is given.

D. A fine shall be imposed for each day a violation occurs or is allowed to continue.

E. All fines collected pursuant to this Chapter shall be used to assist with the implementation and enforcement of the requirements of this Chapter.

F. Any store operator who receives a written warning notice or fine may request an administrative review of the accuracy of the determination or the propriety of any fine issued, by filing a written notice of appeal with the City Manager no later than thirty (30) days after receipt of a written warning notice or fine, as applicable. The notice of appeal must include all facts supporting the appeal and any statements and evidence, including copies of all written documentation and a list of any witnesses that the appellant wishes to be considered in connection with the appeal. The appeal will be heard by a Hearing Officer designated by the City Manager. The Hearing Officer will conduct a hearing concerning the appeal within forty-five (45) days from the date that the notice of appeal is filed, or on a later date if agreed upon by the appellant and the City, and will give the appellant ten (10) days prior written notice of the date of the hearing. The Hearing Officer may sustain, rescind, or modify the written warning notice or fine, as applicable, by written decision. The Hearing Officer will have the power to waive any portion of the fine in a manner consistent with the decision. The decision of the Hearing Officer is final and effective on the date of service of the written decision, is not subject to further administrative review, and constitutes the final administrative decision. (ORD-11-0009, § 1, 2011)

8.62.090 Severability.

If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be invalid by a decision of any court of competent jurisdiction, that decision will not affect the validity of the remaining portions of the ordinance. (ORD-11-0009, § 1, 2011)

8.62.100 No conflict with federal or State law.

Nothing in this ordinance is intended to create any requirement, power or duty that is in conflict with any federal or State law. (ORD-11-0009 § 1, 2011)

CHAPTER 8.63 POLYSTYRENE FOOD PACKAGING

8.63.010 Purpose.

The purpose of this Chapter is to regulate the use of polystyrene food packaging in order to reduce and prevent the presence of this type of litter in the environment, protect public health and promote environmentally sustainable practices in the City. (ORD-18-0010 § 1, 2018)

8.63.020 Definitions.

A. "Applicant" means any individual, firm, limited liability company, association, partnership, political subdivision, government agency, municipality, industry, public or private corporation, or any other entity whatsoever who applies for a City of Long Beach special events permit or an exemption to the requirements of this Chapter.

B. "City facility" means any building, structure, property, park or open space owned, managed or leased by the City, its agents, agencies, or departments. This includes, but is not limited to, the Queen Mary, the Convention Center, the Aquarium, and the Long Beach Airport.

C. "City contractor" means any person who enters into an agreement with the City to furnish products or services to or for the City.

D. "City-permitted event" means any event, activity or meeting occurring under the auspices of a City-issued permit.

E. "City-sponsored event" means any event, activity or meeting organized or sponsored, in whole or in part, by the City or any department of the City.

F. "Compostable" means all the material in the product or package will break down, or otherwise become part of, usable compost (e.g., soil-conditioning material, mulch) in a safe and timely manner. Compostable material must be made of paper, certified compostable plastics that meet ASTM D6400 or ASTM D6868 for compostability or cellulose-based packaging capable of being decomposed through composting or anaerobic digestion.

G. "Department" means the Department of Public Works.

H. "Director" means the Director of the Department of Public Works, or his/her designee, who is hereby designated to issue a compliance order or an administrative citation to enforce this Chapter pursuant to Chapter 9.65 of the Long Beach Municipal Code or to grant an exemption to compliance with this Chapter pursuant to Section 8.63.050 of the Long Beach Municipal Code.

I. "Disposable food service ware" or "disposables" means single-use, disposable products used for serving or transporting prepared food, including but not limited to plates, bowls, trays, wrappers or wrapping, platters, cartons, clamshells, condiment containers, cups or drink ware, cup lids, or any other container in or on which prepared foods are placed or packaged for consumption. This does not include utensils.

J. "Food Provider" means any person or place, other than a "Small Food Provider," that provides or sells prepared food within the City to the general public to be consumed on the premises or for take-away consumption. "Food Provider" includes but is not limited to: (1) a grocery store, supermarket, restaurant, drive-thru, cafe, coffee shop, snack shop, public food market, farmers market, convenience store, or similar fixed place where prepared food is available for sale on the premises or for take-away consumption, and (2) any mobile store, food vendor, caterer, food truck, vending machine or similar mobile outlet. "Food Provider" also includes any Franchise restaurant, drive-thru, café, coffee-shop or the like. "Food Provider" also includes any organization, group or individual that regularly provides prepared food to its members or the general public as a part of its activities or services.

K. "Franchise" means a food facility in the City that operates under common ownership or

control with at least fifteen (15) other food facilities with the same name that offer for sale substantially the same menu items, or operates as a franchised outlet of a parent company with at least fifteen (15) other franchised outlets with the same name in the state that offer for sale substantially the same menu items.

L. "Small Food Provider" means a person or place that provides or sells prepared food within the City to the general public to be consumed on the premises or for take-away consumption, seating one hundred (100) or fewer persons.

M. "Person" means any person, business, corporation, or event organizer or promoter; public, nonprofit or private entity, agency or institution; or partnership, association or other organization or group, however organized.

N. "Plastic or Bio-Plastic straw" means a tube made predominantly of plastic derived from either petroleum or biologically based polymer, such as corn or plant sources, for transferring a beverage from its container to the mouth of the drinker. This includes compostable and biodegradable petroleum or biologically based polymer straws, but does not include straws that are made from non-plastic materials, such as paper, sugarcane, bamboo, etc.

O. "Polystyrene" means a thermoplastic petrochemical material utilizing the styrene monomer, including but not limited to, polystyrene foam or expanded polystyrene, processed by any number of techniques, including but not limited to fusion of polymer spheres (expandable bead polystyrene), injection molding, foam molding, or extrusion-blow molding (extruded foam polystyrene), and clear or solid polystyrene (oriented polystyrene). The recycle code for polystyrene is "6" or "PS," either alone or in combination with other letters. This definition applies to all polystyrene food service ware, regardless of whether it exhibits a recycle code.

P. "Polystyrene Beads" means expanded polystyrene foam beads used as filler for toys and beanbags and in crafts.

Q. "Polystyrene Cooler" means any cooler or ice chest made of polystyrene foam, where such foam is not fully encased in a durable material.

R. "Polystyrene food service ware" means disposable food service ware that contains or utilizes polystyrene. This includes but is not limited to cups, cup lids, condiment cups, food trays, plates, bowls, clamshells and any other product made primarily for food service use.

S. "Prepared food" means any food or beverage that is: (1) ready to consume without any further food preparation, alteration or repackaging; and (2) prepared, provided, sold or served by a Food Provider using any cooking, packaging or food preparation technique. Prepared food may be eaten either on or off the Food Provider's premises.

T. "Recyclable" means material that can be sorted, cleansed and reconstituted using the City's available Residential Recycling Program excluding Plastic containers labeled #6 and any Polystyrene.

U. "Recycle code" means a resin identification code placed on plastics to identify the material composition for separation of different types of plastics for recycling.

V. "Special events" means events that are open to the general public and take place within the public right-of-way or are located within a park and/or are coordinated through the City of Long Beach's special events permit process.

W. "Utensil" means a knife, fork, spoon, spork, chopstick, or the like, used for eating food. (ORD-20-0009 § 1, 2020; ORD-18-0010 § 1, 2018)

8.63.030 Prohibition against distribution or sale of polystyrene food service ware.

A. No Food Provider shall distribute or sell any polystyrene food service ware in conjunction with the sale of prepared food or beverages at any location within the City of Long Beach.

B. Food Providers that distribute prepared food or beverages in disposable food service ware shall: (1) distribute only disposables that are either Recyclable or Compostable, and if plastic, exhibit a recycle code other than No. 6 or PS; and/or (2) maintain documentation about the composition of any disposable food service ware that does not

exhibit a recycle code. Documentation may include information from the supplier or manufacturer, bulk packaging for the disposables, and any other relevant information demonstrating that the disposable material is not polystyrene and is either Recyclable or Compostable.

C. No person shall distribute or sell prepared food or beverages in any polystyrene food service ware at City facilities that have been rented, leased or are otherwise being used with permission of the City. If disposables are distributed or sold, they shall be either Recyclable or Compostable. This Subsection is limited to use of City facilities for which a person has entered into an agreement with the City to rent, lease or otherwise occupy a City facility. All facility rental agreements for any City facility shall include a provision requiring contracting parties to assume responsibility for preventing the utilization and/or distribution of polystyrene food service ware while using City facilities. The facility rental agreement shall indicate that a violating contractor's security deposit will be forfeited if the Director determines that polystyrene food service ware or disposables that are neither Recyclable nor Compostable was used in violation of the rental agreement.

D. No person shall use or distribute polystyrene food service ware at City-sponsored events, activities and City meetings open to the public. This Subsection shall apply to the function organizers, agents of the organizers, City contractors, and Food Providers.

E. The City, its departments, its City contractors, agents, and employees acting in their official capacity, shall not purchase, acquire or distribute for public use any polystyrene food service ware or disposables that are neither Recyclable nor Compostable, or Polystyrene Coolers.

F. All Food Providers shall certify compliance with this Chapter as part of the Environmental Health inspection process.

G. No person, vendor, business or event promoter in the City may sell, rent or otherwise provide any polystyrene food service ware product which is not wholly encapsulated or encased within a more durable material, except as exempted herein. This specifically includes, but is not limited to, cups, cup lids, condiment cups, food trays, plates, bowls, clamshells and other products primarily for food service use, as well as Polystyrene Coolers and ice chests.

H. No person, vendor, business or event promoter in the City shall sell, distribute, or otherwise provide polystyrene packing material, including, but not limited to, foam peanuts, packing peanuts, foam popcorn or packing noodles.

I. No person, vendor, business or event promoter may sell, rent, or otherwise distribute within the City meat and fish trays, produce trays or egg cartons made, in whole or in part, from polystyrene, either as separate items or as part of the sale of meat, fish, poultry, vegetables, fruit, or eggs sold to consumers.

J. Straws and utensils shall only be provided upon customer request at all food establishments, including at City facilities. All straws must not be plastic or bio-plastic straws. (ORD-20-0009 § 2, 2020; ORD-18-0010 § 1, 2018)

8.63.040 Administrative rules and regulations.

The Director may adopt administrative rules and regulations not inconsistent with provisions of this Chapter and state law as needed for the purpose of clarifying any of the administrative requirements of this Chapter, such as but not limited to, specifying the types of acceptable alternative food packaging that meet the requirements of this Chapter and/or establishing frequency and protocol of City regulatory inspections and overall compliance monitoring. A proposed rule or regulation shall be posted at City Hall and public counters, providing notice that it is to be adopted no earlier than twenty-one (21) calendar days from the date on the posted notice and indicating the manner in which written comments may be provided to the Director. A copy of the final adopted rule or regulation shall be posted in City Hall and public counters no later than ten (10) days prior to the effective date of the rule or regulation. A copy of all adopted administrative rules and regula-

tions shall be on file in the Director's office. (ORD-18-0010 § 1, 2018)

8.63.050 Exemption from compliance with this Chapter.

A. The following are exempt from the provisions of this Chapter:

1. Food prepared or packaged outside of the City, provided such food is not altered, packaged or repackaged within the City limits.

2. Coolers and ice chests, other than those defined as Polystyrene Coolers in this Chapter.

3. Food brought by individuals for personal consumption to City facilities, including but not limited to City parks, provided the City facility is being used for individual recreation or similar purposes and such facility use is not part of a larger organized event requiring a special events permit from the City.

4. City-sponsored or City-permitted events for which authorizations or permits were issued prior to the operative date of this ordinance; except events for which multi-year authorizations or permits were issued, which must comply within three hundred sixty-five (365) days of the operative date of this ordinance.

5. During a locally declared emergency, the City, emergency response agencies operating within the City, users of City facilities, and Food Providers and beverage providers shall be exempt from the provisions of this Chapter.

6. The Food Provider or beverage provider provides or distributes a plastic beverage straw upon request to individuals with disabilities as needed to comply with the Americans with Disabilities Act.

B. Food Providers that are obligated to purchase or have purchased polystyrene food service ware under a contract entered into within the year prior to the operative date of this ordinance are exempt from the provisions of this Chapter for six (6) months following its operative date.

C. The Director may exempt any person from Section 8.63.030 following the operative date of this ordinance, as follows:

1. A request for an exemption shall be filed in writing with the Director and shall include documentation of the reason for the claimed exemption and any other information necessary for the department to make its decision. The department may require the Applicant to provide additional information as necessary to make the required determinations.

2. The Director may grant an exemption for a maximum of one (1) year, with or without conditions, upon finding that compliance would create an undue hardship. Applications for exemption renewals will also be considered. Undue hardship shall be construed to include but not be limited to situations where:

a. There are no reasonable alternatives to polystyrene food service ware for reasons that are unique to the Applicant; or

b. Compliance with the requirements of this Chapter would deprive a person of a legally protected right.

3. The Director's written decision on the exemption is effective within ten (10) days of the decision. Decisions of the Director may be appealed by the person applying for the exemption utilizing the process outlined in Section 8.63.080. (ORD-20-0009 § 3, 2020; ORD-18-0010 § 1, 2018)

8.63.060 Authority to inspect and to monitor.

This Chapter shall be enforced by the City Health Officer, or designee, or by the Director of the Long Beach Public Works Department, or designee. These persons shall be known as enforcement officials and are authorized to take any actions necessary to enforce this Chapter, including inspection and monitoring of affected locations to determine compliance with this Chapter. (ORD-18-0010 § 1, 2018)

8.63.070 Operative date.

A. No City facilities, City contractors, City-sponsored events or City-permitted events shall distribute or utilize disposable food service ware containing polystyrene on or after three (3) months following the adoption of the ordinance codified in this Chapter by the City Council. City-sponsored or City-permitted events for which authorizations or permits were issued prior to the opera-

tive date of this Ordinance are exempt as provided in Subsection 8.63.050.A.4. City-sponsored or City-permitted events which are authorized or permitted for multiple years must comply within three hundred sixty-five (365) days of the operative of this ordinance.

B. No Food Provider shall distribute or utilize disposable food service ware containing polystyrene on or after nine (9) months following the operative date of the ordinance codified in this Chapter by the City Council.

C. No Small Food Provider shall distribute or utilize disposable food service ware containing polystyrene on or after eighteen (18) months following the operative date of the ordinance codified in this Chapter by the City Council.

D. No person shall sell or distribute Polystyrene Beads for crafts or as filler for bean bags, or Polystyrene Coolers on or after eighteen (18) months following the adoption of the ordinance codified in this Chapter by the City Council.

E. The prohibition against retail sales contained in Sections 8.63.030 (G), (H) and (I) shall be effective on or after October 1, 2020. (ORD-20-0009 § 4, 2020; ORD-18-0010 § 1, 2018)

8.63.080 Appeal.

Any person or entity aggrieved by any decision or finding under the provisions of this Chapter with respect to citations for violations of this Chapter or granting or denying an application for an exemption from compliance with this Chapter, may appeal such decision or finding. An appeal must be filed within three (3) days after receipt of notice of any protested decision or finding by filing with the Director a letter of appeal briefly stating therein the basis for such appeal. A hearing shall be held on a date no more than ten (10) days after receipt of the letter of appeal. Appellant shall be given at least five (5) days' notice of the time and place of the hearing. A hearing officer, appointed by the City Manager, shall give the appellant, and any other interested party, a reasonable opportunity to be heard, in order to show cause why the decision or finding should not be upheld. In all such cases, the burden of proof shall be upon the appellant to show that there was no substantial evidence to support the decision or finding appealed. At the conclusion of the hearing, the hearing officer shall make a final and conclusive determination. The appeal process set forth in this Section does not apply to administrative citations or to orders to comply pursuant to Chapter 9.65. (ORD-18-0010 § 1, 2018)

8.63.090 Violation of this Chapter.

It shall be unlawful and a violation of this Chapter to fail to comply with any provision of this Chapter. (ORD-18-0010 § 1, 2018)

8.63.100 Enforcement and violation - penalty.

A. It shall be unlawful for any person to violate the provisions of this Chapter. A violation of this Chapter shall be punishable under the administrative citation procedures set forth in Chapter 9.65. The fine imposed for a particular violation shall be in the amount set forth in the administrative citation schedule established by resolution of the City Council. The Director has primary responsibility for enforcement of this Chapter.

B. All fines collected pursuant to this Chapter shall be deposited in the Refuse Fund to assist the department with its costs of implementing and enforcing the requirements of this Chapter. (ORD-18-0010 § 1, 2018)

8.63.110 Remedies not exclusive.

To the maximum extent permitted by law, administrative remedies specified in this Chapter are in addition to and do not supersede or limit any and all other remedies, civil or criminal. The remedies provided for herein shall be cumulative and not exclusive. (ORD-18-0010 § 1, 2018)

8.63.120 Severability.

If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Chapter, or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Chapter or any part

thereof. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase of this Chapter irrespective of the fact that one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional or invalid or effective. To this end the provisions of this Chapter are declared to be severable. (ORD-18-0010 § 1, 2018)

CHAPTER 8.64 AIR POLLUTION*

8.64.010 Director defined.

"Director" means the officer or employee of the City, or of the County of Los Angeles, in the event the City contracts with the County for the enforcement of this Chapter, charged with responsibility for the enforcement of this Chapter. (Prior code § 5400)

8.64.020 Smoke discharge.

No person either by himself, employee or agent, or as an employee or agent of another shall cause, suffer, or permit to be discharged from any source whatsoever, any smoke, dust, soot or fumes for a period, or periods, aggregating more than three (3) minutes in any one (1) hour, which is:

A. Equal to or greater in density than that designated as No. 2 on the Ringelmann Chart, as published by the United States Bureau of Mines; or

B. So dense as to obscure the passage of light to a degree equal to or greater than does smoke described in Subsection 8.64.020.A. (Prior code § 5400.1)

8.64.030 Offensive matter discharge.

No person shall, either by himself, his employee or agent, or as an employee or agent of another, cause, suffer, or permit to be discharged from any source whatsoever such quantities of charred paper, smoke, dust, soot, grime, carbon, particulate matter, or other material which cause injury, detriment, nuisance or annoyance to any considerable number of persons or to the public or which endanger the comfort, repose, health or safety of any such persons or the public or which cause or have a natural tendency to cause injury or damage to business or property. (Prior code § 5400.2)

8.64.040 Fumes and odors.

No person shall, either by himself, his employee or agent, or as an employee or agent of another, cause, suffer, or permit to be discharged from any source whatsoever such quantities of fumes, gases, odors, smells, acids which cause injury, detriment, nuisance or annoyance to any considerable number of persons or to the public or which endanger the comfort, repose, health or safety of any such persons or the public or which cause or have a natural tendency to cause injury or damage to business or property. (Prior code § 5400.3)

8.64.050 Exceptions.

A. The prohibitions of this Chapter do not apply to any action either positively permitted or prohibited by constitutional provision or by general law.

B. The provisions of Section 8.64.020 do not apply to the use of an orchard or citrus grove heater which:

1. Does not produce unconsumed solid carbonaceous matter at a rate in excess of one (1) gram per minute; and

2. If petroleum, or any product thereof is used as fuel, does not produce products of combustion arising therefrom containing unconsumed solid carbonaceous matter in excess of twenty (20) grams per pound of fuel consumed.

C. The provisions of this Chapter do not apply to smoke from fires set by or permitted by the Director of Public Service for the purpose of weed abatement, or by the Fire Chief for the prevention of a fire hazard, or the instruction of members of his staff in the methods of fighting fire. (Prior code § 5400.4)

*State law reference—Provisions on the role of local authorities in the control of air pollution, Health and S. C. § 40000.

8.64.060 Right of entry for inspection.

The Director, during reasonable hours, for the purpose of enforcing or administering this Chapter, may enter every building, premises, or other place, except a private residence. No person shall in any way deny, obstruct, or hamper such entrance. (Prior code § 5400.5)

8.64.070 Variance—Authorized.

The provisions of this Chapter do not prohibit the discharge of matter to a greater extent or for a longer time, or for both, than permitted in this Chapter if not of a greater extent or longer than the Director finds necessary pursuant to the provisions of this Chapter. (Prior code § 5400.6)

8.64.080 Variance—Hearing.

The Director may on his own motion, or at the request of any person, hold a hearing to determine under what conditions and to what extent the discharge of matter to a greater extent or for a longer time, or both, than that permitted by this Chapter is necessary. (Prior code § 5400.7)

8.64.090 Variance—Setting standards.

If the Director finds that because of conditions beyond control necessary equipment is not obtainable with which to make changes necessary to reduce such discharge in extent or time, or both, to that permitted by this Chapter, he may prescribe other and different standards applicable to plants and equipment operated either by named classes of industries or person, or to the opera-

tions of separate persons. (Prior code § 5400.8)

8.64.100 Variance—Refuse or rubbish burning.

If the Director finds that the burning of rubbish or refuse is necessary to prevent a fire or health hazard and also finds that neither adequate equipment, nor facilities are available for the disposal of such rubbish in a manner conforming with the provisions of this Chapter, he may prescribe other and different standards not more onerous applicable either to named classes of rubbish disposal or persons, or to the operations of separate persons. (Prior code § 5400.9)

8.64.110 Variance—Effective time.

A. The Director in making any order permitting a variation may specify the time during which such order will be effective.

B. Unless an earlier date is specified in the order, every order permitting a variation shall expire six (6) months after it is made. (Prior code § 5400.10)

8.64.120 Variance—Modification or revocation—Authorized.

The Director may revoke or modify any order permitting variation after a public hearing held upon not less than ten (10) days′ notice. (Prior code § 5400.11)

8.64.130 Variance—Modification or revocation—Hearing.

The Director shall serve notice of the time and place of a hearing to remove or modify any order permitting a variation not less than ten (10) days prior to such hearing upon all persons who will be subjected to greater restrictions if such order is revoked or modified as proposed and upon all other persons who have filed with the Director a written request for such notification, either in the manner required by law for the service of summons or by first class mail postage prepaid. (Prior code § 5400.12)

CHAPTER 8.65 MOBILE SOURCE AIR POLLUTION REDUCTION

8.65.010 Findings and intent.

A. The City finds and declares that:

1. The City is committed to improving the public health, safety and welfare, including air quality;

2. Mobile sources are a major contributor to air pollution in the South Coast Air Basin;

3. Air quality goals for the region established by State law cannot be met without reducing air pollution from mobile sources;

4. The South Coast Air Quality Management Plan (″AQMP″) calls upon cities and counties to reduce emissions from motor vehicles consistent with the requirements of the California Clean Air Act of 1988, by developing and implementing mobile source air pollution reduction programs;

5. Such programs place demands upon the City′s funds, those programs should be financed by shifting the responsibility for financing from the general fund to the motor vehicles creating the demand, to the greatest extent possible;

6. Section 44223, added to the Health and Safety Code by action of the California Legislature on September 30, 1990 (Chapter 1705 of the 1990 Statutes), authorizes the South Coast Air Quality Management District (″SCAQMD″) to impose an additional motor vehicle registration fee of two dollars ($2.00), commencing on April 1, 1991, increasing to four dollars ($4.00), commencing on April 1, 1992, to finance the implementation of transportation measures embodied in the AQMP and provisions of the California Clean Air Act;

7. Forty cents ($0.40) of every dollar ($1.00) collected under Health and Safety Code § 44223, shall be distributed to cities and counties located in the South Coast Air Quality Management District that comply with Health and Safety Code § 44243 of the Code, based on the jurisdictions′ prorated share of population as defined by the State Department of Finance;

8. The City is located within the South Coast Air Quality Management District and is eligible to receive a portion of the revenues from the additional motor vehicle registration fees contingent upon enactment of this Chapter;

9. The prorated share of the fee revenues for cities that fail to adopt provisions pursuant to Health and Safety Code § 44243(b)(3), shall be distributed instead to the jurisdictions within the district that have adopted such provisions; and

10. The imposition of the additional motor vehicle registration fee by the SCAQMD to finance mobile source air pollution reduction programs is in the best interest of the City and promotes the general welfare of its residents.

B. This Chapter is intended to support the SCAQMD's imposition of the vehicle registration fee and to bring the City into compliance with the requirements set forth in Health and Safety Code § 44243, in order to receive fee revenues for the purpose of implementing programs to reduce air pollution from motor vehicles. (Ord. C-6920 § 1 (part), 1991)

8.65.020 Definitions.

As used in this Chapter, the following words and phrases shall have meanings attributed to them as follows:

A. "City" means the City of Long Beach, California.

B. "Fee Administrator" means the Director of Financial Management of the City or the Director's designee.

C. "Mobile source air pollution reduction program" means any program or project implemented by the City to reduce air pollution from motor vehicles which it determines will be consistent with the California Clean Air Act of 1988, or the plan proposed pursuant to Article 5 (commencing with Section 40460) of Chapter 5.5 of Part 3 of the California Health and Safety Code.

D. "SCAQMD" means the South Coast Air Quality Management District. (Ord. C-6920 § 1 (part), 1991)

8.65.030 Administration of vehicle registration fee.

A. The additional vehicle registration fees disbursed by the SCAQMD and remitted to the City, pursuant to the ordinance codified in this Section, shall be accepted by the Fee Administrator.

B. The Fee Administrator shall establish a Special Revenue Fund, and upon receipt of vehicle registration fees, the Fee Administrator shall deposit such funds into the Special Revenue Fund. All interest earned by the Special Revenue Fund shall be credited only to that fund.

C. All revenues received from the SCAQMD and deposited in the Special Revenue Fund shall be exclusively expended on mobile source emission reduction programs as defined in Subsection 8.65.020.C. Such revenues and any interest earned on the revenues shall be expended within one (1) year of the completion of the programs. (Ord. C-6920 § 1 (part), 1991)

8.65.040 Audits.

City shall consent to an audit of all programs and projects funded by vehicle registration fee revenues received from the SCAQMD pursuant to Health and Safety Code § 44223. The audit shall be conducted during reasonable times and normal business hours by an independent Auditor selected by the SCAQMD as provided in Health and Safety Code §§ 44244 and 44244.1(a), and prior written notice of the audit shall be given to City. (Ord. C-6920 § 1 (part), 1991)

8.65.050 Legal construction.

The provisions of this Chapter shall be construed as necessary to effectively carry out its purposes, which are hereby found and declared to be in furtherance of the public health, safety, welfare and convenience. (Ord. C-6920 § 1 (part), 1991)

CHAPTER 8.68 SMOKING IN PUBLIC PLACES*

8.68.010 Purpose and findings.

The City Council finds that the smoking of tobacco, or any other weed or plant, is a medically documented danger to health and a material annoyance, inconvenience, discomfort and health hazard to those who are present in confined spaces, and in order to reduce exposure to environmental tobacco smoke and to serve the public health, safety and welfare, the declared purpose of this Chapter is to prohibit the smoking of tobacco, or any other weed or plant, in public places and places of employment as stated and required in this Chapter. (ORD-14-0003 § 2, 2014)

8.68.020 Definitions.

The following words and phrases, whenever used in this Chapter, shall be given the following definitions:

A. ″Adjacent water areas″ shall mean fifty feet (50′) seaward of the mean high tide line of the City beaches.

B. ″Bar″ means an area which is devoted to serving of alcoholic beverages and in which the service of food is only incidental to the consumption of such beverages. Bar shall also include a nightclub or cabaret where entertainment and/or dancing are provided in addition to the consumption of alcoholic beverages or food.

B. Smoking is prohibited and is unlawful in all outdoor dining areas as defined in Subsection 8.68.020.P, except after 11:00 P.M. This Subsection is not intended to regulate smoking in the following places and under the following conditions:

1. A non-enclosed area of a drinking establishment, such as a bar, that sells or offers for sale alcoholic beverages pursuant to a license from the Department of Alcoholic Beverage Control (ABC),

limits entry to patrons age eighteen (18) and older, and where food service, if any, is only incidental to the sale of alcoholic beverages. For purposes of this paragraph, a drinking establishment shall not include a business with an ABC license type 41 or type 47, both of which are issued to restaurants and require substantial sales of meals for consumption on the premises.

2. A non-enclosed area of any eating establishment, including bars and restaurants, for which that limited outdoor area is designated for smoking during a special event pursuant to a special event permit issued by the City under Chapter 5.60 of this Code. Unless otherwise authorized by the City Manager in his/her sole discretion, a special event under this Subsection shall not last longer than ten (10) consecutive calendar days at one (1) site, and shall be limited to not more than twice in any calendar year at any one (1) site.

C. Establishments that are exempt from Subsection B above, and which maintain an outdoor dining area, shall maintain a contiguous no smoking area of not less than two-thirds (2/3) of both the outdoor seating capacity or the outdoor floor space in which customers are being served. (ORD-18-0032 § 5, 2018; ORD-14-0003 § 2, 2014)

8.68.095 Mobile food preparation vehicle.

Smoking is prohibited and is unlawful at and within forty feet (40′) of any operating mobile food preparation vehicle, as defined in Section 5.37.110 of the Long Beach Municipal Code. (ORD-14-0003 § 2, 2014)

8.68.100 Smoking prohibited—Retail food production and marketing establishments.

Smoking is prohibited and unlawful in any retail food marketing establishments including grocery stores and supermarkets. (ORD-14-0003 § 2, 2014)

8.68.110 Regulation of smoking in the workplace.

A. Smoking is prohibited in all workplaces in the City of Long Beach as defined in Subsection 8.68.020.V.

B. Smoking is prohibited in conference and meeting rooms, classrooms, auditoriums, restrooms, medical facilities, hallways, elevators, cafeteria, lunchrooms, employee lounges, employee breakrooms, designated eating areas and common areas.

C. This Section is not intended to regulate smoking in the following places and under the following conditions:

1. A private home which may serve as a workplace except when used as a ″childcare facility″ as defined in Subsection 8.68.020.E; or

2. Any property owned, leased or used by governmental agencies other than the City of Long Beach.

D. The provisions of Sections 8.68.090 and 8.68.100 shall govern the public access areas of such facilities; however, such employers shall otherwise comply with provisions of this Section 8.68.110. (ORD-18-0032 § 6, 2018; ORD-14-0003 § 2, 2014)

8.68.120 Prohibition of electronic cigarette use in smoke-free places and other regulations.

A. It shall be a violation of this Chapter to use an electronic cigarette in any place within the City where smoking is prohibited by law.

B. No person or entity shall knowingly permit the use of electronic cigarettes in an area under the legal or de facto control of that person or entity and in which smoking is prohibited by law.

C. All other regulations and prohibitions contained in this Chapter relating to tobacco products shall apply the same to electronic cigarettes. (ORD-14-0003 § 2, 2014)

8.68.130 Posting of signs required.

A. Except where other signs are required, whenever in this Code smoking is prohibited, conspicuous signs shall be posted so stating, containing all capital lettering not less than one inch (1″) in height on a contrasting background. It is the duty of the owner, operator, manager, or other persons having control of such room, building,

workplace, or other place where smoking is prohibited, to post such signs or to cause such signs to be posted.

B. A warning sign must be posted at each sales counter and on each vending machine where tobacco products are sold. This warning sign must be posted in a place that can be clearly seen by the public, and the size and format of the warning sign shall comply with California Code of Regulations, Title 17.

C. Notwithstanding this Section, the presence or absence of signs shall not be a defense to the violation of any other provision of this Chapter. (ORD-14-0003 § 2, 2014)

8.68.140 Structural modifications not required.

A. It shall be the responsibility of employers to provide smoke-free areas for nonsmokers within existing facilities to the maximum extent possible, but employers are not required to incur any expense to make structural or other physical modifications in providing these areas.

B. Nothing in this Chapter shall require the owner, operator, or manager of any theater, auditorium, healthcare facility, or any building, facility, structure, or business, to incur any expense to make structural or other physical modifications to any area or workplace.

C. Nothing in this Section shall relieve any person from the duty to post signs or adopt policies as required by this Chapter. (ORD-14-0003 § 2, 2014)

8.68.150 Administration and enforcement.

A. The no smoking ordinance established by this Chapter shall be administered by the Department of Health and Human Services.

B. Any person may register a complaint for an alleged non-compliance with this Chapter with the Department of Health and Human Services. (ORD-14-0003 § 2, 2014)

8.68.160 Exemptions; Cannabis Special Events.

A. Any owner or manager of a business or other establishment subject to this Chapter may apply to the City Health Officer for an exemption or modification to any provisions of this Chapter due to unusual circumstances or conditions.

1. Such exemption shall be granted only if the City Health Officer finds from the evidence presented by the applicant for exemption at a public hearing that the applicant cannot comply with the provisions of this Chapter for which an exemption is requested without incurring expenses for structural or other physical modifications, other than posting signs, to buildings and structures.

2. The applicant for an exemption shall pay concurrent with the application, the fee, as prescribed by resolution of the City Council, to cover cost of the hearing and noticing of the hearing.

B. Notwithstanding any other provision of this Chapter, a cannabis special event that has been permitted pursuant Title 5, Chapter 92, Division XIII of this Code is exempt from the provisions of this Chapter for the duration of the permitted cannabis special event. (ORD-26-0006 § 2, 2026; ORD-14-0003 § 2, 2014)

8.68.170 City Facilities.

A. There shall be no smoking in any "City facility" as defined in Subsection 8.68.020.H or in any "City vehicle" as defined in Subsection 8.68.020.I or in any covered area of the Long Beach Airport, notwithstanding any exception or exemption contained in any other provision of this Chapter.

B. Notwithstanding paragraph A, a cannabis special event that has been permitted pursuant Title 5, Chapter 92, Division XIII of this Code to take place in a "City facility" as defined in Subsection 8.68.020.H is exempt from the provisions of this Chapter for the duration of the permitted cannabis special event. (ORD-26-0006 § 3, 2026; ORD-14-0003 § 2, 2014)

8.68.180 Tobacco products distribution.

A. No person or entity shall sell or otherwise distribute any cigarette or other tobacco product unless such cigarette or tobacco product is in the manufacturer's original package with all required health warnings.

B. No person or entity shall distribute or furnish without charge or cause or authorize distribution or furnishing of any cigarette or other tobacco product in any public place or at any event to which the public is invited unless such activity is authorized in a permit for staging of a special event which is subject to revocation for violation of the requirement of Subsection A of this Section.

C. The provision of Subsection B of this Section shall not apply to private functions or nightclubs, where minors are not present and such distribution is authorized by the proprietor. (ORD-14-0003 § 2, 2014)

8.68.190 Billboard advertising.

No person or entity shall place, establish, keep, maintain or locate any advertisement for any tobacco product on any billboard within five hundred feet (500') of or so oriented that the message portion of the sign is visible from any school, childcare center, nursery school, hospital, place of worship or recreational facility. (ORD-14-0003 § 2, 2014)

8.68.200 Violations and penalties.

Any person or entity violating any provision of this Chapter is guilty of an infraction, and upon conviction thereof, shall be punished by a fine not to exceed one hundred dollars ($100.00) for a first violation, two hundred dollars ($200.00) for a second violation within one (1) year, and five hundred dollars ($500.00) for a third and for each subsequent violation within one (1) year. (ORD-14-0003 § 2, 2014)

8.68.210 Retaliation.

No person shall discharge, refuse to hire, or in any other manner retaliate against any employee, applicant, or patron exercising any right or privilege created by this Chapter. (ORD-14-0003 § 2, 2014)

8.68.220 Severability.

All provisions of this Chapter are severable. If any part or provision of this Chapter, or the application thereof to any person or circumstance, is held invalid for any reason, the remainder of this Chapter, including the application of such part or provision to persons or circumstances other than those to which it is held invalid, shall not be affected and shall remain in full force and effect. (ORD-14-0003 § 2, 2014)

CHAPTER 8.72 SAWDUST STORAGE

8.72.010 Storage in garage prohibited.

No person shall store or use sawdust, wood shavings or wood turnings in any public or private garage, automobile filling station, automobile repair shop, upon vacant property used for the sale of new or secondhand automobiles or upon vacant property used for automobile parking purposes. (Prior code § 4615)

CHAPTER 8.76 PROPERTY MAINTENANCE*

8.76.010 Prohibited uses.

It is a public nuisance for any person owning, leasing, occupying or having charge or possession of any premises in this City to maintain such premises in such manner that any of the following conditions are found to exist thereon and it is a public nuisance for any person causing the following conditions on any premises:

A. Buildings which are abandoned, boarded up, partially destroyed, or left for unreasonably long periods of time in a state of partial construction, provided that any unfinished building or structure which has been in the course of construction three (3) years or more, and where the appearance and other conditions of said unfinished building or structure are such that the unfinished structure substantially detracts from the appearance of the immediate neighborhood or reduces the value of property in the immediate neighbor-

hood or is a nuisance, shall be deemed and presumed to have been left for an unreasonably long period of time in the sense of this Subsection;

B. Any building on which the condition of the paint or roof covering has become so deteriorated as to permit decay, discoloration, excessive checking, cracking or warping so as to render the building unsightly or in a state of disrepair;

C. Broken windows constituting hazardous conditions and inviting trespassers and malicious mischief;

D. Overgrown vegetation, cultivated or uncultivated, which is likely to harbor rats, vermin or other nuisances or which causes detriment to neighboring properties or property values;

E. Dead, decayed, diseased or hazardous trees, vegetation, weeds and debris constituting unsightly appearance, dangerous to public safety and welfare, or detrimental to neighboring properties or property values;

F. Any chattel stored in a residential yard or court in a manner that the item is not shielded totally or in part from view from a public right-of-way by a six foot (6') high solid fence, wall, gate or equivalent screen.

For the purposes of this Subsection:

"Chattel" means any tangible, movable, personal property whatsoever including, but not limited to, building materials, household furniture, appliances, or motor vehicle parts, but not including duly licensed operable vehicles or recreational vehicles, nor boats, camper shells or off-the-road vehicles mounted thereon.

"Court" means any open, unoccupied area, other than a yard on the same lot with a building or buildings, bounded on two (2) or more sides by such building or buildings.

"Recreational vehicle" means a vehicle for the conveyance and/or shelter of persons or goods for purposes of leisure-time activities; a motor home, travel trailer, van, truck camper, camping trailer, boat, or off-the-road vehicle. Recreational vehicles shall not include vehicles designed and intended for commercial use which are converted to a recreational use, such as airplanes, buses, moving vans or semitrailers, nor recreational vehicles used for economic gain, nor chattel.

"Vehicle" means a device by which any person or property may be propelled, moved, or drawn upon a highway or upon water, excepting a device moved exclusively by human power, or used exclusively upon stationary rails or tracks.

"Yard" means any open space, other than a court, adjacent to any lot line, unobstructed from the ground to the sky;

G. Any vehicle, recreational vehicle or boat parked or stored in a manner not permitted by the zoning regulations set forth in Title 21;

H. Any attractive nuisance dangerous to children in the form of abandoned or broken equipment, hazardous pools, ponds, excavations or neglected machinery;

I. Broken or discarded furniture and household equipment remaining in front yard areas and side yard areas of corner lots for unreasonable periods and causing damage or detriment to neighboring property;

J. Clothesline visible from public view including front yard areas, in side yard areas, and corner lots;

K. Trash and garbage cans permanently stored in front or side yards and visible from public streets;

L. Packing boxes and other debris stored in yards and visible from public streets for unreasonable periods and causing detriment to neighboring property;

M. Property maintained in such condition as to become so defective, unsightly, or in such condition of deterioration or disrepair that the same causes substantial depreciation of the property values of surrounding properties or is materially detrimental to properties and improvements;

N. Any wall, fence or hedge maintained in such condition of deterioration, unapproved materials or disrepair as to constitute a hazard to persons or property or to cause depreciation in the value of any adjacent or nearby property;

O. Any wrecked vehicles (including vehicles with noticeably dented or rusted body parts) or

fully or partially disassembled vehicles (including vehicles without hoods, fenders, body panels, headlights, trunk lids, wheels, windows or windshields) when parked overnight on a residential, commercial or industrial use site (except licensed vehicle impound yards or junkyards) and visible from the public right-of-way or residential district;

P. Any commercial or industrial use sites with uncleaned grease spots on paved surfaces, oil or grease stains on buildings, walls or fences, an accumulation of dirt, grime or litter, any paved areas maintained in a condition of deterioration or disrepair or any excessive accumulation of weeds;

Q. Any boat, vehicle, trailer, camper or parts thereof which is stored or parked on a lot containing an unoccupied or vacant building;

R. Any boat, vehicle, trailer, camper or parts thereof which is stored or parked on a vacant lot, when the lot is not improved to meet the zoning regulations for a residential, commercial or industrial storage or parking lot;

S. Any vacant building secured in a manner not fully complying with the provisions of Sections 8.76.015 or 8.76.017;

T. No commercial vehicle over seven feet (7'), six inches (6") high, including any load thereon, or exceeding a maximum weight of three (3) tons, shall be stored or parked on any residentially zoned lot within the City. During daylight hours, such commercial vehicles conducting business on residentially zoned lots may park for a reasonable time while any construction, reconstruction or repair work is in progress. (ORD-19-0032 §§ 3, 4, 2019; ORD-16-0028 § 2, 2016; Ord. C-7665 §§ 1, 2, 1999; Ord. C-7660 § 1, 1999; Ord. C-6345 § 1, 1987; Ord. C-6288 § 1, 1986; Ord. C-6192 § 1, 1985; Ord. C-6161 § 1, 1985; Ord. C-6099 §§ 2, 3, 1984; Ord. C-5995 § 9, 1983; Ord. C-5834 § 1, 1982; Ord. C-5354 § 1 (part), 1977; Ord. C-5225 § 1 (part), 1975; prior code § 4611.10)

8.76.015 Security screens—Appearance standards.

A. Purpose. The purpose of this Section is to reduce the negative visual impacts of unoccupied units and buildings in commercial and residential areas by establishing minimum appearance standards for measures taken to secure unoccupied units or buildings from unlawful entry. It is intended that such measures, to the extent possible, disguise the vacant occupancy status of the unit or building to avoid appearance of abandonment, which if allowed to exist, would adversely affect the desirability of a neighborhood and attract squatting, vandalism, and other crime.

B. Scope. The provisions of this Section apply to any vacant unit or building or group of vacant units or buildings.

C. Permitted materials. Steel screens, bars, or grilles and other materials approved by the Building Official in writing may be installed over any openings provided all of the following conditions are met:

1. The materials are resistant to, or protected against oxidation and discoloration (e.g., screens, bars or grilles shall be either painted, galvanized, plastic-coated, anodized, or cadmium-plated).

2. The color of the materials used shall be black or another color consistent with the aesthetic of the building or unit and approved by the Building Official in writing.

3. All screens, bars or grilles installed over bedroom windows shall be equipped with a quick-release mechanism approved by the Building Official in writing.

D. Exception. Plywood may be used temporarily, and in no case longer than 60 days, provided the plywood is painted in a color conforming to and consistent with the existing color of the vacant unit(s) or building(s) and approved by the Building Official in writing. Plywood shall be a minimum of 15/32 inches thick and secured by one-way or tamper-resistant screws or bolts. If the Plywood proves to be insufficient to prevent unauthorized entry to the building it shall immediately be replaced by the property owner with more durable protections.

E. Doors. Door and sliding-door openings shall be made operable with the use of hinges and must include locking devices or hardware sufficient to secure the opening from unauthorized access.

F. Exception. Nothing specified herein shall be construed to prevent emergency hazard abatement authorized pursuant to Section 18.20.380 by materials otherwise prohibited by these provisions.

G. Alternates. The Building Official may approve alternate methods of complying with this Section when such methods are found to be, in the opinion of the Building Official, equivalent to prescriptive requirements or comply with the spirit and purpose of the regulations. To be valid, the approval of alternate methods by the Building Official must be in writing. (ORD-26-0004 § 5, 2026; Ord. C-6161 § 2, 1985)

8.76.017 Reserved.

Editor's note—ORD-26-0004 § 29, adopted Feb. 3, 2026 repealed § 8.76.017 entitled "Security screens—Appearance standards (commercial properties)," which derived from: ORD-19-0032 § 5, 2019; and Ord. C-7050 § 1, 1992.

8.76.020 Abatement—Notice.

Whenever the Building Official, Health Officer, or such other City official as may be designated by the City Manager, determines that any building or premises within the City is being maintained in violation of the provisions of this Chapter, he shall give written notice thereof to the owner of record as shown on the last equalized assessment roll. Such notice may be served by mail, addressed to the owner at the last known address of the owner as shown on the last equalized assessment roll. The notice shall specify the condition or conditions to be corrected or remedied and shall specify a reasonable period within which this must be accomplished. The service of this notice is complete at the time such notice is deposited in a receptacle maintained by the United States Postal Service, with postage thereon fully prepaid. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.11)

8.76.030 Abatement—Hearing—Notice—Form.

If the owner fails to comply with the notice of the appropriate City official to abate the subject nuisance within the time specified in the notice to abate, the City official shall apply to the Board of Examiners, Appeals and Condemnation for a hearing and a finding of a nuisance. Notice of such hearing shall be substantially in the following form:

NOTICE OF HEARING TO DETERMINE EXISTENCE OF PUBLIC NUISANCE AND TO ABATE IN WHOLE OR IN PART

NOTICE IS HEREBY GIVEN that on the ____ day of _____, 20____, at the hour of _____m., the Board of Examiners, Appeals and Condemnation of the City of Long Beach will hold a public hearing in the Council Chambers of the Long Beach City Hall, located at 411 West Ocean Boulevard, Long Beach, California, to ascertain whether certain premises situated in the City of Long Beach, State of California, known and designated as _____, constitute a public nuisance subject to abatement by the rehabilitation of such premises or by the repair or demolition of buildings or structures situated thereon. If said premises, in whole or part, are found to constitute a public nuisance as defined by Section 8.76.010 of the Long Beach Municipal Code, and if the same are not promptly abated by the owner, such nuisances may be abated by municipal authorities, and the costs of rehabilitation, repair or demolition plus incidental enforcement costs will be assessed upon such premises and such costs will constitute a lien upon such land until paid.

Said alleged violations consist of the following: _____.

Said methods of abatement available are: _____.

All persons having any objection to or interest in said matters are hereby notified to attend a meeting of the Board of Examiners, Appeal and Condemnation of the City of Long Beach to be held on the____ day of _____,

20____, at the hour of ____ m., when their testimony and evidence will be heard and given due consideration.

Dated this ___ day of _____, 20___.

_____

(City Official)

(ORD-19-0032 § 6, 2019; Ord. C-7098 § 7, 1993: Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.12)

8.76.040 Abatement—Hearing—Notice—Service.

A. The City official, or such representative as may be designated by him, shall cause to be served upon the owner of each of the affected premises a copy of the notice of hearing, by certified mail, at his last known address as it appears on the last equalized assessment roll.

B. The notice of hearing shall be served, as aforesaid, at least ten (10) days before the time fixed for the hearing. Proof of service of the notice shall be made by declaration filed with the Board of Examiners, Appeals and Condemnation.

C. Service shall be completed at the time of the deposit of the notice in a receptacle maintained by the United States Postal Service, with postage thereon fully prepaid.

D. "Owner," as used in this Section, means any person so designated on the last equalized assessment roll and also any person having or claiming to have any legal or equitable interest in the premises, as disclosed by a preliminary title search.

E. The failure of any person to receive such notice shall not affect the validity of any proceedings hereunder. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.13)

8.76.050 Abatement—Hearing—Procedure.

At the time stated in the notice, the Board shall hear and consider all relevant evidence, objections or protests, and shall receive testimony from owners, witnesses, City personnel and interested persons relative to the alleged public nuisance and to propose correction, repair or demolition of the premises. The hearing may be contained without further notice from time to time. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.14)

8.76.060 Abatement—Hearing—Determination.

A. Upon conclusion of the hearing, the board shall determine whether the premises, or any part thereof, as maintained, constitutes a public nuisance as defined in this Chapter. If the Board finds that such public nuisance does exist, they shall determine how the nuisance is to be abated and shall establish a time within which correction, repair, demolition or removal shall take place; and in the event of the owner's failure to correct the

nuisance within the time prescribed, the City shall cause the nuisance to be abated and the cost incurred in behalf of the City to become a lien on the property, in accordance with Title 18 of this Code. A copy of the determination shall be served by mail upon the owner of each of the affected premises.

B. Service shall be complete at the time of the deposit of the report in a receptacle maintained by the United States Postal Service, with postage thereon fully prepaid. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.15)

8.76.070 Abatement—Appeal—Contents.

Any owner may appeal to the City Council from the determination of the Board of Examiners, Appeals and Condemnation by filing with the City Clerk within ten (10) days from the date of service of such decision or report, a written appeal containing the following, along with a fee as prescribed by Councilmanic resolution:

A. A brief statement setting forth the legal interest of each of the appellants in the building or the land involved;

B. A statement in ordinary and concise language of the finding or action protested, together with any material facts supporting the contentions of the appellant;

C. The signatures of all parties named as appellants, and their official mailing addresses;

D. The verification, under penalty of perjury, of at least one (1) appellant as to the truth of the matters stated in the appeal. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 part), 1975: prior code 4611.16)

8.76.080 Abatement—Appeal—Hearing.

As soon as practicable after receiving the written appeal, the City Clerk shall set a date for hearing of the appeal by the City Council, which date shall be not less than ten (10) days, nor more than forty-five (45) days from the date the appeal was filed. Written notice of the time and place of the hearing shall be given by the City Clerk to each appellant at least ten (10) days prior to the date of the hearing by mailing a copy thereof, postage prepaid, addressed to the appellant at his address shown on the appeal. Continuances of the hearing, without further notice, may be granted for good cause by the City Council. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.17)

8.76.090 Abatement—Appeal—Decision.

A. Upon the conclusion of the hearing on the appeal, the City Council shall either terminate the proceedings and overrule the findings of the Board, confirm the determination of the Board, or modify the determination, based upon evidence received at the hearing. If the Council takes any action other than to terminate the proceedings, it shall declare the premises to be a public nuisance shall order the abatement of the same within a specified time by having such premises, buildings or structures corrected, repaired, demolished or removed. The decision of the City Council shall be served on the appellant by the City Clerk and shall be final and conclusive.

B. No legal proceeding or action shall lie against the City nor against the Council, nor the Board of Examiners, Appeals and Condemnation, nor any member of either thereof, nor against any officer, agent or employee of the City, to review or enjoin the enforcement of its determination or orders made pursuant to this Chapter or to recover damages for carrying out such orders in a lawful and reasonable manner, unless such legal action is commenced within thirty (30) days after the decision of the Council. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.18)

8.76.100 Abatement by City—Authorized.

If the nuisance is not completely abated by the owner as directed within the designated abatement period, then the City Manager, or such other City official as may be designated by him, is authorized and directed to cause the same to be abated by City forces or private contract, and the City Manager, or his designated agent, is expressly authorized to enter upon the premises for such purpose.

All expenses so incurred by the City in connection therewith, plus a ten percent (10%) charge for the City's administrative costs, shall be charged to and become an indebtedness of the owner of such structure or premises, as well as a lien upon the affected property, as elsewhere provided in this Chapter. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.19)

8.76.101 Owner's responsibility for enforcement costs.

If the nuisance is not completely abated by the owner as directed within the time frame established by the City Manager, or his designated agent, or as said time frame may be modified on appeal to the Board of Examiners, Appeals and Condemnation or City Council, all incidental enforcement costs incurred by the City in connection therewith shall be charged to and become an indebtedness of the owner of such structure or premises, except as provided below, as well as a lien upon the affected property whether or not the work is performed later by the City, by the owner, or by others. "Incidental enforcement costs" include, but are not limited to, the actual expenses and costs of the City in investigating the nuisance, obtaining title information, preparing notices, and performing inspections. Incidental enforcement costs shall not be charged to, nor become an indebtedness of, a property owner who is head of a low-income household (defined to be a household earning less than eighty percent (80%) of the County median income). (Ord. C-7098 § 17, 1993)

8.76.110 Abatement by City—Notice.

If the nuisance is not completely abated by the owner within the designated abatement period, the City Manager or such other City official as may be designated by him shall serve notice on the owner of the affected premises by certified mail at his last known address as it appears on the last equalized assessment roll a notice of intent to abate nuisance which shall be substantially in the following form:

NOTICE OF INTENT TO ABATE NUISANCE

NOTICE IS HEREBY GIVEN that an inspection made of the premises or property known and designated as _____ was made on the _____ day of _____, 20____, and a determination made that the order to abate the nuisance at said premises or property by the Long Beach City Council on _____ had not been complied with. Abatement of said nuisance will be accomplished by either City forces or private contractor in accordance with the specifications attached hereto and costs of such abatement will constitute a lien upon said property until paid. Notice is hereby given that said abatement will be undertaken ten (10) days after the date of this notice, and you are herewith notified to remove from the area of your affected premises those articles you deem of value within said ten-day period of time. Articles removed from the premises in the accomplishment of said abatement will be held in storage for a period of thirty (30) days at (location)_____ and a claim for articles removed may be made within said thirty (30)-day period. Articles not claimed and removed from the storage location within said thirty-day period will be discarded or will be sold if determined to have value.

A statement of costs incurred in the abatement with charges to be assessed will be mailed to you after completion. (ORD-19-0032 § 7, 2019; Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.20)

8.76.120 Abatement by City—Charges—Statement.

When any nuisance is abated by the City pursuant to this Chapter, or when an owner is responsible for incidental enforcement costs as provided by Section 8.76.101, the City Manager or such other City official as may be designated by him shall prepare a sworn statement showing the cost, including incidental expenses and incidental enforcement costs thereof. The City Manager or

such other City official as may be designated by him shall thereupon give notice of the amount of the charges in the same manner as provided in Section 8.76.040. "Incidental expenses" include, but are not limited to, the actual expenses and costs of the City in the preparation of notices, specification and contracts, and inspecting the work, and costs of printing and mailing required under this Chapter. (Ord. C-7098 § 8, 1993: C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.21)

8.76.130 Abatement by City—Charges—Hearing.

A. Within thirty (30) days from the date of service of the notice of charges for abatement, the property owner, or any interested person, may demand a hearing before the Board of Examiners, Appeals and Condemnation as to the reasonableness of the charges. Such demand shall be in writing and filed with the Building Official. Such demand shall be presented by the Building Official to the Board of Examiners, Appeals and Condemnation at its next regular meeting. The Board of Examiners, Appeals and Condemnation shall thereupon set a date for hearing the protest which shall be not less than ten (10) nor more than forty-five (45) days thereafter. The Building Official shall give written notice of the hearing to the address furnished in the demand for hearing. At the time set for the hearing, the Board of Examiners, Appeals and Condemnation shall hear all evidence pertinent to the reasonableness of the charges and shall then either confirm or modify the charges. The decision of the Board of Examiners, Appeals and Condemnation thereon shall be final.

B. If the amount of the charges as determined by the Board of Examiners, Appeals and Condemnation has not been paid within sixty (60) days after the date of the hearing, the payment thereof shall thereupon become delinquent and such amount so determined shall thereafter bear interest at the rate of twelve percent (12%) until paid or until filed with the Tax Collector as provided in this Chapter. If no hearing is demanded as to the reasonableness of the charges, the payment thereafter shall become delinquent at the expiration of the time for filing of a demand for a hearing thereon. (Ord. C-7098 § 9, 1993: Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.22)

8.76.140 Abatement by City—Charges—Certification to Tax Collector.

Within thirty (30) days thereafter and on July 1st of each year, the City Manager shall certify a list of all delinquent charges for nuisance abatement to the Tax Collector. Each parcel of property shall be described sufficiently to identify it in accordance with the records of the Tax Collector, and the amount of such charges, including such interest as shall have accrued after the delinquent date to July 1st of such year, shall be set forth opposite such description. (Ord. C-5354 § 1 (part), 1977: Ord. C-5255 § 1 (part), 1975: prior code § 4611.23 (a))

8.76.150 Abatement by City—Charges—Collection.

Upon receipt of such list the Tax Collector shall enter the charges shown thereon for each parcel of property upon the current tax roll and shall proceed to collect the charges in the same manner as municipal ad valorem taxes and penalties and interest for nonpayment thereafter shall attach as though such amounts were ad valorem taxes; provided, however, that no receipt for payment of ad valorem taxes appearing upon the tax roll as against a particular parcel shall be issued unless all such charges for nuisance abatement, and penalties thereon, entered upon that tax roll against the lot are first paid in full. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.23 (b))

8.76.160 Abatement by City—Sale for delinquent taxes—Charges added to record.

Upon the sale of any lot to the City for nonpayment of taxes, all charges for nuisance abatement for the parcel appearing upon the tax roll, together with the penalties thereon, shall be added

to and become a part of the same delinquent tax record. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.23 (c))

8.76.170 Abatement by City—Sale for delinquent taxes—Certificate of redemption.

No certificate of redemption from sale for delinquent taxes shall be issued until all charges for nuisance abatement, and penalties entered on the delinquent tax records against the property involved, first have been paid in full (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.23 (d))

8.76.180 Abatement by City—Error correction.

A. The City Manager may, prior to certifying any such unpaid charges to the Tax Collector, correct any errors with respect to such taxes appearing upon his records.

B. After such taxes have been certified to the Tax Collector, the Council, by order entered on its minutes, may cancel any charges for nuisance abatement, or penalty, or any portion of either thereof, appearing on the tax records, which, because of error, is charged against the wrong property, or which has been paid but such payment has not been recorded upon the tax records, or which is based upon a clerical error in such records, or which was charged against property acquired subsequent to the lien date by the United States, by the State, or any City, or any school district or other political subdivision, and because of this public ownership not subject to sale for delinquent assessments. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.23 (e))

8.76.190 Abatement by City—Charges—Refund.

Any charge for nuisance abatement or penalty, or portion of either thereof, which is paid as the result of an erroneous assessment upon the wrong property, or which is paid more than once, or which is based upon a clerical error appearing in the tax records, may be refunded by the Council to the person entitled thereto; provided, however, that such refunds shall only be made upon the written application of the person entitled thereto, which must be filed with the City Clerk not later than one (1) year after the date the erroneous payment was made. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.23 (f))

8.76.200 Alternative remedies.

It is the intent of the City Council that the provisions and procedures set forth in this Chapter shall not expressly or by implication repeal or supersede any other provisions or procedures of the Long Beach Municipal Code or any other applicable law on the same or related subject matters. This Chapter shall supplement existing procedures and will provide an alternative, nonexclusive procedure for the abatement of a nuisance. Nothing in this Chapter shall preclude or prohibit the City from resorting to any appropriate legal remedy, whether civil or criminal, in the abatement of any nuisance, including any nuisance designated in this Chapter; and when such legal remedy is utilized, the administrative hearing and appeal procedures provided in this Chapter to determine the existence of a nuisance shall not be applicable. (Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.24)

8.76.205 Criminal prosecution.

Pursuant to Section 1.32.010 of this Code, any violation of the provisions of this Chapter 8.76 is a misdemeanor, and the notice, hearing, appeal and other administrative procedures contained in this Chapter 8.76 shall not be a condition precedent to any criminal prosecutions. (Ord. C-6789 § 1, 1990)

8.76.210 Penalty for violation.

A. The owner of any building, premises or vehicle who maintains any public nuisance thereon, as defined in this Chapter, or who violates any order of abatement issued by the Board of Examiners, Appeals and Condemnation or the City

Council is guilty of a misdemeanor; provided that any violation of Subsections 8.76.010.G, Q, R, and T shall be deemed an infraction.

B. Any occupant or lessee in possession of any such building or premises who fails to vacate the building or premises in accordance with an order of abatement provided in this Chapter is guilty of a misdemeanor.

C. Any person who removes any notice or order posted as required in this Chapter is guilty of a misdemeanor.

D. No person shall obstruct, impede or interfere with any representative of a City department or the Board of Examiners, Appeals and Condemnation, or with any person who owns or holds any estate or interest in a building or premises which has been ordered to be vacated, repaired, rehabilitated, or demolished, whenever any such representative of the City or the Board of Examiners, Appeals and Condemnation, or any person having any interest or estate in such building or premises, is engaged, pursuant to the provisions of this Chapter, in enforcing any such order of abatement.

E. Those employees of the Department of Development Services designated by the Director of Development Services are authorized and may issue notices of violation of Subsections 8.76.010.G, Q, R or T pursuant to the applicable provisions of Section 41103 and other sections of the Vehicle Code relating to the standing or parking of a vehicle. If the notice of violation cannot be attached to the vehicle or other personal property, it may be posted on the front door of the involved premises.

Nothing in this Section is intended to operate to make these employees peace officers. Further, nothing in this Section is intended to or shall operate to change or shall have the effect of changing the status of the employees authorized to act pursuant to this Section from public or miscellaneous employees to individual peace officers or safety members or classes of peace officers or safety members. (ORD-16-0028 § 3, 2016; Ord. C-6288 § 2, 1986; Ord. C-6099 §§ 1 and 4, 1984; Ord. C-5489 § 1, 1979; Ord. C-5354 § 1 (part), 1977: Ord. C-5225 § 1 (part), 1975: prior code § 4611.25)

8.76.215 Civil penalty—City abatement more than once.

If the Building Official finds that the City had previously abated a building or premises on the same property after notice to the same owner, he shall access a civil penalty based on the following schedule abatement again occurred by the City:

Civil penalty: for previous abatement by the City once within the preceding five (5) years: fifty percent (50%) of the City's administrative cost for abatement including processing fees; for previous abatement by the City two (2) or more times within the preceding five (5) years: one hundred percent (100%) of the City's administrative costs for abatement including processing fees.

The City will give notice of this civil penalty to all property owners when abatement procedures are instituted against their properties pursuant to this Chapter.

The imposition of this civil penalty may be appealed to the Board of Examiners, Appeals and Condemnation in the same manner as provided in Section 8.56.120.

The civil penalty constitutes a debt of the person charged to the City and is collectable by the City as an obligation or liability created by statute. (Ord. C-7050 § 3, 1992)

CHAPTER 8.77 URBAN AGRICULTURE INCENTIVE ZONE (UAIZ) ACT

8.77.010 Purpose.

The purpose of this Chapter is to implement the "City of Long Beach Urban Agriculture Incentive Zone (UAIZ) Program", which promotes urban agriculture and increases access to healthy food in accordance with California Government Code Sections 51040 et seq. and County of Los Angeles Planning and Zoning Code (County Planning Code) Sections 22.52.3400 et seq. Under the UAIZ Program a property owner may voluntarily enter into an agreement with the City to use vacant or unimproved property for small-scale agricultural purposes (UAIZ Contract), and be subject to a reduced property tax assessment under

California Revenue and Taxation Code Section 422.7 during the term of the agreement. (ORD-17-0024 § 6, 2017)

8.77.020 Eligibility criteria.

A. Eligibility for the City's UAIZ Program shall be assessed by the Designated Administrative Agency (DAA), defined in Section 8.77.030, based on the following criteria:

1. Requirements set forth in California Government Code Sections 51040 et seq.;

2. Requirements set forth in the County Planning Code Sections 22.52.3400 et seq.;

3. Consistency with the definition of Urban Agriculture Incentive Zone and permitted urban agricultural uses as set forth in Long Beach Municipal Code Chapter 21.15 and Sections 21.31.110, 21.32.110, 21.33.060 and 21.52.260;

4. The property must not be located, wholly or partially, on a site or facility listed on the Department of Toxic Substance Control's Envirostar Database; and

5. Any such other requirements reasonably imposed by the City or the DAA. (ORD-17-0024 § 6, 2017)

8.77.030 Administration.

The DAA is the City department, board or office that has administrative responsibility under this Chapter. For purposes of this Chapter, the DAA is the City's Department of Development Services.

A. The DAA shall promulgate rules and regulations for administration and implementation of this Chapter, including, but not limited to, developing the application form and contracting requirements and procedures.

B. The DAA shall coordinate with any relevant agencies to monitor compliance with this Chapter, including investigation of alleged violations.

C. The DAA shall have the authority to terminate UAIZ Contracts subject to the provisions of the UAIZ Contract, this Chapter, and the DAA's rules and regulations governing this Chapter. (ORD-17-0024 § 6, 2017)

8.77.040 Required provisions of Urban Agriculture Incentive Contract.

A. UAIZ Contracts shall include:

1. Those provisions required by Government Code Sections 51040 et seq.;

2. Those provisions required by the County Planning Code Sections 22.52.3400 et seq.;

3. Those provisions required by the DAA, and any subsequently adopted DAA rules and regulations; and

4. A provision requiring the property owner to furnish the DAA with all information that the DAA requires to determine whether the property is eligible for the UAIZ Program. (ORD-17-0024 § 6, 2017)

8.77.050 Procedures for application and execution of an Urban Agriculture Incentive Zone Contract.

A. A property owner who is interested in participating in the City's UAIZ Program must perform the following steps, as required by the DAA:

1. The property owner, or the property owner's agent as approved by the DAA, must file an application form with the DAA to enter into a UAIZ Contract;

2. The property owner must use the application form required by the DAA and pay fees established by the DAA, if any;

3. The property owner must execute and notarize the UAIZ Contract, and submit it to the DAA for execution by the City. The UAIZ Contract must be in a form approved and provided by the City, which includes the required provisions as set forth in Section 8.77.040.

B. The DAA's responsibilities include:

1. The DAA shall determine eligibility of the property owner for a UAIZ Contract pursuant to this Chapter after the property owner submits a complete application to the DAA;

2. If the property owner meets the City's eligibility criteria, the DAA shall take the steps necessary to verify that the Los Angeles County Office of the Assessor has determined that the unrealized ad valorem property tax revenue does not exceed the maximum allocation, articulated in

the County Planning Code Section 22.52.3430, and that the Los Angeles County Department of the Treasurer and Tax Collector has verified that the subject property is current on all tax assessments;

3. If the DAA determines that a property owner has received all of the required approvals for a UAIZ Contract pursuant to this Chapter, the DAA shall notify the property owner and provide the property owner a form of contract that has been approved by City for use in the UAIZ Program;

4. Once the DAA receives an original, notarized UAIZ Contract from the property owner, in accordance with Subsection 8.77.050.A.3, the DAA shall countersign the UAIZ Contract and send the original copy of the fully executed UAIZ Contract to the property owner for recordation pursuant to the recordation process set forth in Section 8.77.060; and

5. The DAA shall maintain a sample of the City's form UAIZ Contract containing all of the provisions required under this Chapter. (ORD-17-0024 § 6, 2017)

8.77.060 Recordation of the executed Urban Agriculture Incentive Zone Contract.

The following steps must be completed as a part of the UAIZ Contract recordation process:

A. The property owner must record the UAIZ Contract with the Los Angeles County Registrar-Recorder/County Clerk;

B. The property owner must return one certified copy of the recorded UAIZ Contract to the DAA;

C. The DAA shall provide a certified copy of the recorded UAIZ Contract to the Los Angeles County Office of the Assessor, in a form approved by the Assessor, and maintain a certified copy of the recorded UAIZ Contract in the City's files, in a form approved by the City;

D. The DAA shall notify the property owner after the UAIZ Contract has been delivered to the Assessor's Office;

E. Commencement date of the UAIZ Contract may be subject to limitations imposed by the County and the DAA; and

F. The term of an approved UAIZ Contract shall commence on the first day of January following recordation of the UAIZ Contract. (ORD-17-0024 § 6, 2017)

8.77.070 Enforcement.

A. Among other provisions, UAIZ Contracts must provide that a violation of this Chapter shall constitute a material breach thereof and entitle the City to terminate the UAIZ Contract and otherwise pursue legal remedies that may be available.

B. Violations of this Chapter may be reported to the DAA. (ORD-17-0024 § 6, 2017)

8.77.080 Severability.

If any section, subsection, sentence, clause or phrase of this article is for any reason held to be invalid or unconstitutional by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have adopted this Chapter, and each and every subsection, sentence, clause and phrase thereof not declared invalid or unconstitutional, without regard to whether any portion of the ordinance would be subsequently declared invalid or unconstitutional. (ORD-17-0024 § 6, 2017)

CHAPTER 8.80 NOISE

8.80.010 Policy.

A. In order to control unnecessary, excessive and annoying noise and vibration in the City, it is declared to be the policy of the City to prohibit such noise and vibration generated from or by all sources as specified in this Chapter. It shall be the policy of the City to maintain quiet in those areas which exhibit low noise levels and to implement programs aimed at reducing noise in those areas within the City where noise levels are above acceptable values.

B. It is determined that certain noise levels and vibrations are detrimental to the public health, welfare and safety, and are contrary to the public interest. Therefore, the City Council does ordain and declare that creating, maintaining, causing or allowing to be created, caused or maintained, any noise or vibration in a manner prohibited by or not in conformity with the provisions of this Chapter is a public nuisance and shall be punishable as such.

C. The City Council in adopting this Chapter is aware of the areas of noise control which are preempted by other jurisdictions. Enforcement of these regulations is understood by the City Council to be restricted, in addition to other limitations, by the following:

1. It is not the intent of this Chapter to control aircraft noise at the Long Beach Airport. Federal law controls noise levels of aircraft in flight; and where federal preemption does not apply to aircraft on the ground, the appropriate provisions of the California Noise Law (Title 4, California Administrative Code, Subchapter 6) would be applicable to deal with this subject matter.

2. Local noise control of motor vehicles or motorboats operating on public rights-of-way is preempted by State or federal laws and regulations.

3. Noise in occupational environments is controlled by the California Department of Industrial Relations, whose Division of Industrial Safety enforces the 1973 California Occupational Safety and Health Act (CALOSHA). (Ord. C-5371 § 1 (part), 1977: prior code § 4430)

8.80.020 Definitions.

All terminology used in this Chapter, if not defined in this Section, shall have the same meaning as defined by applicable publications of the American National Standards Institute (ANSI), or its successor body.

1. "A-weighted sound level" means the sound pressure level in decibels as measured on a sound level meter using the A-weighting network. The level so read is designated dB(A) or dBA.

2. "Agricultural property" means a parcel of real property which is not developed for any use other than agricultural purposes. Its size shall be construed to be a minimum of ten (10) contiguous acres.

3. "Ambient noise level" means the composite of noise from all sources near and far. In this context, the ambient noise level constitutes the normal or existing level of environmental noise at a given location.

4. "Commercial area" means any area occupied by businesses which sell, rent, trade, or store goods, or which provide a service.

5. "Commercial purpose" means the use, operation or maintenance of any sound amplifying equipment for the purpose of advertising any business, goods, or services, or for the purpose of attracting the attention of the public, or soliciting patronage of customers to any performance, show, entertainment, exhibition, or event, or for the purpose of demonstrating such sound equipment.

6. "Construction" means any site preparation, assembly, erection, substantial repair, alteration, or similar action, but excluding demolition.

7. "Cumulative period" means an additive period of time composed of individual time segments which may be continuous or interrupted.

8. "Decibel (dB)" means a unit for measuring the amplitude of a sound, equal to twenty (20) times the logarithm to the base 10 of the ratio of the pressure of the sound measured to the reference pressure, which is twenty (20) micropascals (twenty (20) micronewtons per square meter).

9. "Demolition" means any dismantling, intentional destruction or removal of structures, utilities, public or private right-of-way surfaces or similar property.

10. "Emergency" means any occurrence or set of circumstances involving actual or imminent physical trauma or property damage which demands immediate action.

11. "Emergency work" means any work performed for the purpose of preventing or alleviating the physical trauma or property damage threatened or caused by an emergency.

12. "Fixed noise source" means a stationary device which creates sound while fixed or motionless, including, but not limited to, residential, agricultural, industrial, and commercial machinery and equipment, pumps, fans, compressors, air conditioners, and refrigeration equipment.

13. "Gross vehicle weight rating (GVWR)" means the value specified by the manufacturer as the recommended maximum loaded weight of a single motor vehicle. In cases where trailers and tractors are separable, the gross combination weight rating, which is the value specified by the manufacturer as the recommended maximum loaded weight of the combination vehicle shall be used.

14. "Impulsive sound" means sound of short duration, usually less than one (1) second, with an abrupt onset and rapid decay. Examples of sources of impulsive sound include explosions, drop forge impacts, and the discharge of firearms.

15. "Industrial area" means any area occupied by land uses whose primary operation involves manufacturing, assembling, processing, or otherwise treating raw materials, semifinished products, or finished products, for packaging and distribution to either wholesale or retail markets.

16. "Intrusive noise" means that noise which intrudes over and above the existing ambient noise at a given location. The relative intrusiveness of a sound depends upon its amplitude, duration, frequency and time of occurrence, and tonal or informational content as well as the prevailing ambient noise level.

17. "Licensed" means the issuance of a formal license or a permit by a City authority; or, where no permits or licenses are issued, the sanctioning of the activity by the City as noted in the public record.

18. "Mobile noise source" means any noise source other than a fixed noise source.

19. "Motor carrier vehicle engaged in interstate commerce" means any vehicle for which regulations apply pursuant to Section 18 of the Federal Noise Control Act of 1972 (P. L. 92-574), as amended, pertaining to motor carriers engaged in interstate commerce.

20. "Motor vehicle" includes any and all self-propelled vehicles as defined in the California Motor Vehicle Code, including all on-highway type motor vehicles subject to registration under said code, and all off-highway type motor vehicles subject to identification under said code.

21. "Motorboat" means any vessel which operates on water and which is propelled by a motor, including, but not limited to, boats, barges, amphibious craft, waterski-towing devices and hovercrafts.

22. "Muffler or sound dissipative device" means a device for abating the sound of escaping gases of an internal combustion engine.

23. "Noise" means any sound which annoys or disturbs humans or which causes or tends to cause an adverse psychological or physiological effect on humans.

24. "Noise control office" means the City agency designated by the City Manager having the lead responsibility and authority to enforce this Chapter and to grant variances.

25. "Noise control officer" means the City official appointed by the City Manager to direct the noise control office.

26. "Noise disturbance" means any sound which (a) endangers or injures the safety or health of humans or animals, or (b) annoys or disturbs a reasonable person of normal sensitivities, or (c) endangers or injures personal or real property.

27. "Noise sensitive zone" means any area designated pursuant to Section 8.80.030 for the purpose of insuring exceptional quiet.

28. "Noise source" means a disturbance-causing operation which originates from a single unit or noise generating mechanism which operates simultaneously. Example of a single noise source is the combination of motor, pump, and compressor; oil drilling rig; or a power plant with several boilers.

29. "Noise zone" means defined areas or regions of a generally consistent land use community wherein the ambient noise levels are generally similar (within a range of five (5) decibels). Typically, most sites within any given noise zone will be of comparable proximity to major noise sources.

30. "Noncommercial purpose" means the use, operation or maintenance of any sound equipment for other than a commercial purpose, including, but not limited to, philanthropic, political, patriotic and charitable purposes.

31. "Person" means any individual, association, partnership or corporation, and includes any officer, employee, department, agency or instrumentality of a State or any political subdivision of a State.

32. "Powered model vehicle" means any self-propelled airborne, waterborne, or land-borne plane, vessel or vehicle which is not designed to carry persons, including, but not limited to, any model airplane, boat, car or rocket.

33. "Public right-of-way" means any street, avenue, boulevard, highway, sidewalk or alley or similar place which is owned or controlled by a governmental entity.

34. "Public space" means any real property or structures thereon which are owned or controlled by a governmental entity.

35. "Pure tone" means any sound which can be distinctly heard as a single pitch or a set of single pitches. For the purposes of this Chapter, a pure tone shall exist if the one-third (1/3) octave band sound pressure level in the band with the tone exceeds the arithmetic average of the sound pressure levels of the two (2) contiguous one-third (1/3) octave bands by five (5) decibels for center frequencies of five hundred (500) hertz and above and by eight (8) decibels for center frequencies between one hundred sixty (160) and four hundred (400) hertz and by fifteen (15) decibels for center frequencies less than or equal to one hundred twenty-five (125) hertz.

36. "Real property boundary" means an imaginary line along the ground surface, and its vertical extension, which separates the real property owned by one (1) person from that owned by another person, but not including intra-building real property divisions.

37. "Residential area" means any area wherein the dominant land use is devoted to maintenance, preservation, or propagation of residential dwelling units.

38. "RMS sound pressure" means the square root of the time averaged square of the sound pressure, denoted $P_{rms.}$

39. "Sound" means an oscillation in pressure, particle displacement, particle velocity or other

physical parameter, in a medium with internal forces that causes compression and rarefaction of that medium. The description of sound may include any characteristic of such sound, including duration, intensity and frequency.

40. "Sound amplifying equipment" means any machine or device for the amplification of the human voice, or music, or any other sound, excluding standard automobiles when used and heard only by the occupants of the vehicle in which the device is installed and, as used in this Chapter, warning devices on authorized emergency vehicles or horns or other warning devices on any vehicle used only for traffic safety purposes.

41. "Sound level" means the weighted sound pressure level obtained by the use of a sound level meter and frequency weighting network, such as A, B or C, as specified in American National Standards Institute specifications for sound level meters (ANSI S1.4-l971 or the latest approved revision thereof). If the frequency weighting employed is not indicated, the A-weighting shall apply.

42. "Sound level meter" means an instrument, including a microphone, an amplifier, an output meter, and frequency weighting networks for the measurement of sound levels, which satisfies the requirements pertinent for type S2A meters in American National Standards Institute specifications for sound level meters, S1.4-1971, or the most recent revision thereof.

43. "Sound pressure" means the instantaneous difference between the actual pressure and the average or barometric pressure at a given point in space, as produced by sound energy.

44. "Sound pressure level" means twenty (20) times the logarithm to the base ten of the ratio of the RMS sound pressure to the reference pressure of twenty (20) micropascals (20×10^6 N/M^2). The sound pressure level is denoted L_p or SPL and is expressed in decibels.

45. "Sound truck" means any motor vehicle or any other vehicle, regardless of motive power, whether in motion or stationary, having mounted thereon, or attached thereto, any sound amplifying equipment.

46. "Vibration" means mechanical motion of the earth or ground, building, or other type of structure, induced by the operation of any mechanical device or equipment located upon or affixed thereto. For purposes of this Chapter, the magnitude of the vibration shall be stated as the acceleration in "g" units (1 g is equal to 32.2 ft/sec^2, 9.3 1 meters/sec^2).

47. "Weekday" means any day, Monday through Friday, which is not a federal holiday. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.1)

8.80.030 Administration and enforcement.

The noise program established by this Chapter shall be administered by the noise control office as designated by the City Manager. An official within the noise control office shall be appointed as the Noise Control Officer and shall be a person with sufficient knowledge of environmental acoustics to enforce noise regulations. All departments with noise regulation responsibilities may, based on circumstance and need, carry out the duties of the Noise Control Officer to help ensure that noise complaints from the public are timely and adequately addressed. This includes but is not limited to taking noise measurements and acting as a case manager, upon receiving a noise complaint; coordinating with the Noise Control Officer and relevant departments as appropriate based on the circumstance; and conducting other actions necessary to facilitate resolution of the noise complaint. Further, the City is committed to annually reviewing the provisions of this ordinance. (ORD-23-0027 § 1, 2023; Ord. C-5371 § 1 (part), 1977: prior code § 4430.2(a))

8.80.040 Noise control office—Powers.

In order to implement and enforce this Chapter and for the general purpose of noise abatement and control, the noise control office shall have, in addition to any other authority vested in it, the power to:

A. Studies. Conduct, or cause to be conducted, studies, research, and monitoring related to noise, including joint cooperative investigation with public or private agencies, and make application for and accept grants;

B. Education.

1. Conduct programs of public education regarding:

a. The cause and effect of noise and general methods of abatement and control of noise, and

b. The actions prohibited by this Chapter and the procedures for reporting violations, and

2. Encourage the participation of public interest groups in related public information efforts,

3. Provide for training of field inspectors and other technical personnel concerned with noise abatement (in conformance with standards for technical qualifications as established by the State Office of Noise Control).

C. Coordination and Cooperation.

1. Coordinate the noise control activities of all municipal departments,

2. Cooperate where practicable with all appropriate State and federal agencies,

3. Cooperate or combine where practicable with appropriate County and municipal agencies,

4. Advise on the availability of low noise emission products for replacement or retrofit of existing or planned City owned or operated equipment,

5. Enter into contract with the approval of the City Manager for the provision of technical and enforcement services;

D. Actions of Other Departments. Request any other department or agency responsible for a proposed or final standard, regulation or similar action to consult on the advisability of revising the action, if there is reason to believe that the action is not consistent with this Chapter;

E. Public and Private Projects. On all public and private projects which are likely to cause sound in violation of this Chapter and which are subject to mandatory review or approval by other departments or agencies, or which under the environmental review process are judged to be likely to violate these regulations:

1. Review to determine compliance with the intent and provisions of this Chapter,

2. Recommend sound analysis which identify existing and projected noise sources and associated sound levels,

3. Recommend usage of adequate measures to avoid violation of any provision of this Chapter;

F. Inspections. Upon presentation of proper credentials, enter and/or inspect any private property, place, report, or records at any time when granted permission by the owner, or by some other person with apparent authority to act for the owner. When permission is refused or cannot be obtained, a search or inspection warrant may be obtained from a court of competent jurisdiction upon showing of probable cause to believe that a violation of this Chapter may exist. Such inspection may include administration of any necessary tests;

G. Product Performance Standard Recommendations. Develop and recommend (to the City Council or other City agency) provision regulating the use and operation of any product, including the description of maximum sound emission levels of such product, but not in such a manner as to conflict with federal or State new product regulations;

H. Noise Sensitive Zone Recommendation and Enforcement. Prepare recommendations to be approved by the City Council, for the designation of noise sensitive zones which contain noise sensitive activities and to enforce the provisions of Sections 8.80.150 through 8.80.180 on City Council designated noise sensitive zones;

I. Noise Zone Definition. Prepare recommendations, based upon noise survey data and analytical studies, to be approved by the City Council, for the designation of zones of similar ambient environmental noise within regions of generally consistent land use. These zones shall be identified in terms of their day and nighttime ambient noise levels by the classifications given in Section 8.80.160, Table A;

J. Zoning Changes. Prior to the approval of any zoning change:

1. Review the noise impact of the zoning change by identifying existing and projected noise sources and the associated sound levels,

2. Require usage of adequate measures on noise sources identified in subdivision 1 of this

subsection which will be in violation of any provision of this Chapter. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.2 (b))

8.80.050 Noise Control Officer—Duties.

In order to effectively implement and enforce this Chapter, the Noise Control Officer shall, within a reasonable time:

A. Investigate and Pursue Violations. Investigate and pursue possible violations of this Chapter;

B. Delegation of Authority. Delegate functions, where appropriate under this Chapter, to personnel within the noise control office and to other departments, subject to the approval of the City Manager;

C. Community Noise Element.

1. Assist in the preparation or revision thereof of the City noise element of the general plan as required by Government Code Section 65302 (g), following guidelines set forth by the State Office of Noise Control,

2. Assist in or review the total transportation planning of the City, including planning for new roads and highways, bus routes, airports, and other systems for public transportation, to insure that proper consideration is taken with regard to the impact of sound levels and that the policies set forth in the noise element are adhered to,

3. Provide ongoing assistance to local agencies in determining possible mitigating measures for current or future noise problems;

D. Airport Noise Exposure. Assist the department of aeronautics in developing a plan for noise compatible land use in the vicinity of the Long Beach Airport and maintain consistency with the provisions and policies of the noise element of the general plan;

E. State and Federal Laws and Regulations.

1. Prepare and publish with the approval of the City Council a list of those products manufactured to meet specified noise emission limits under federal, State or community law for which tampering enforcement will be conducted, and

2. Make recommendations for modification or amendments to this Chapter to insure consistency with all State and federal laws and regulations;

F. Administer Grants, Funds and Gifts. Administer noise program grants, funds and gifts from public and private sources, including the State and federal governments;

G. Monitoring Responsibilities. Notwithstanding the preemption by federal and State agencies of the enforcement powers over certain activities, such as those at the Long Beach Airport and at the Long Beach Marine Stadium, the Noise Control Officer shall monitor noise generated by such preempted activities and report any violations of State or federal regulations to the appropriate enforcement agencies and to the City Council. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.2 (c))

8.80.060 City departments—Policy conformance.

All departments shall, to the fullest extent consistent with their authorities under other ordinances administered by them, carry out their programs in such a manner as to further the policies stated in Section 8.80.010. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.3 (a))

8.80.070 City departments—Cooperation.

All departments shall cooperate with the noise control office to the fullest extent in enforcing the noise regulations of this Chapter. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.3 (b))

8.80.080 City departments—Legal compliance.

All departments engaged in any activities which result or may result in the emission of noise, shall comply with federal and State laws and regulations, as well as the provisions of this Chapter, respecting the control and abatement of noise to the same extent that any person is subject to such laws and regulations. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.3 (c))

8.80.090 City departments—Project approval.

Each department whose duty it is to review and approve new projects or changes to existing projects that result, or may result, in the emission of noise shall consult with the noise control office prior to any such approval. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.3 (d))

8.80.100 City departments—Review of actions.

If at any time the Noise Control Officer has reason to believe that a standard, regulation, or action or proposed standard, regulation or action of any department respecting noise does not conform to the intent of Section 8.80.010, he may request such department to review and report to him on the advisability of revising such standard or regulation to conform. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.3 (e))

8.80.110 City departments—Contract compliance.

Any written agreement, purchase order, or instrument whereby the City is committed to the expenditure of funds in return for work, labor, services, supplies, equipment, materials, or any combination of the foregoing, shall not be entered into unless such agreement, purchase order, or instrument contains provisions requiring that any equipment or activities which are subject to the provisions of this Chapter will be operated, constructed, conducted, or manufactured without causing violation of this Chapter. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.3 (f))

8.80.120 City departments—Low noise emission product use.

Any product which has been certified by the Administrator of the United States Environmental Protection Agency pursuant to Section 15 of the Noise Control Act of 1972 as a low noise emission product and which is determined to be suitable for use as a substitute shall be used in preference to any other product where economically feasible. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.3 (g))

8.80.130 Disturbing noises prohibited.

A. Notwithstanding any other provision of this Chapter, and in addition thereto, it is unlawful for any person to willfully make or continue, or cause to be made or continued, a loud, unnecessary or unusual noise which disturbs the peace and quiet of any neighborhood or which causes any discomfort or annoyance to any reasonable person of normal sensitiveness residing in the area.

B. The standards which shall be considered in determining whether a violation of the provisions of this Section exist shall include, but not be limited to the following:

1. The sound level of the objectionable noise;

2. The sound level of the ambient noise;

3. The proximity of the noise to residential sleeping facilities;

4. The nature and zoning of the area within which the noise emanates;

5. The density of the inhabitation of the area within which the noise emanates;

6. The time of day or night the noise occurs;

7. The duration of the noise and its tonal, informational or musical content;

8. Whether the noise is continuous, recurrent, or intermittent;

9. Whether the noise is produced by a commercial or noncommercial activity. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.4)

8.80.140 Noise measurement procedure.

The measurement procedure presented in this Section assumes that personnel performing the noise measurements have been trained in the use of the instruments and in interpretation of measured data. Upon receipt of a complaint from a citizen, the Noise Control Officer, or his agent, equipped with sound level measurement equipment satisfying the requirements specified in Section 8.80.020, shall investigate the complaint. The investigation shall consist of a measurement and the gathering of data to adequately define the

noise problem as specified in the California Office of Noise Control Model Enforcement Manual, and shall include the following:

A. Nonacoustic Data.

1. Type of noise source;

2. Location of noise source relative to complainant's property;

3. Time period during which noise source is considered by complainant to be intrusive;

4. Total duration of noise produced by noise source;

5. Date and time of noise measurement survey.

B. Procedure. Utilizing the A weighting scale of the sound level meter and the slow meter response, the noise level shall be measured at a position or positions along the complainant's property line closest to the noise source or at the location along the boundary line where the noise level is at a maximum. In general, the microphone shall be located five feet (5') above the ground; ten feet (10') or more from the nearest reflective surface, where possible. However, in those cases where another elevation is deemed appropriate, the latter shall be utilized. If the noise complaint is related to interior noise levels, interior noise measurements shall be made at a point at least four feet (4') from the wall, ceiling or floor nearest the noise source with windows in the normal seasonal configuration. Calibration of the instrument being used shall be performed immediately prior to and following the recording of any noise data utilizing the acoustic calibrator. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.5)

8.80.150 Exterior noise limits—Sound levels by receiving land use district.

A. The noise standards for the various land use districts identified by the noise control office as presented in Table A in Section 8.80.160 shall, unless otherwise specifically indicated, apply to all such property within a designated district.

B. No person shall operate or cause to be operated any source of sound at any location within the incorporated limits of the City or allow the creation of any noise on property owned, leased, occupied, or otherwise controlled by such person, which causes the noise level when measured from any other property, either incorporated or unincorporated, to exceed:

1. The noise standard for that land use district as specified in Table A in Section 8.80.160 for a cumulative period of more than thirty (30) minutes in any hour; or

2. The noise standard plus five (5) decibels for a cumulative period of more than fifteen (15) minutes in any hour; or

3. The noise standard plus ten (10) decibels for a cumulative period of more than five (5) minutes in any hour; or

4. The noise standard plus fifteen (15) decibels for a cumulative period of more than one (1) minute in any hour; or

5. The noise standard plus twenty (20) decibels or the maximum measured ambient, for any period of time.

C. If the measured ambient level exceeds that permissible within any of the first four (4) noise limit categories in Subsection B of this Section, the allowable noise exposure standard shall be increased in five (5) decibels increments in each category as appropriate to encompass or reflect the ambient noise level. In the event the ambient noise level exceeds the fifth noise limit category in Subsection B of this Section, the maximum allowable noise level under said category shall be increased to reflect the maximum ambient noise level.

D. If the measurement location is on a boundary between two (2) different districts, the noise level limit applicable shall be the arithmetic mean of the two (2) districts.

E. If possible, the ambient noise shall be measured at the same location along the property line utilized in Subsection B of this Section, with the alleged offending noise source inoperative. If for any reason the alleged offending noise source cannot be shut down, then the ambient noise must be estimated by performing a measurement in the same general area of the source but at a sufficient distance such that the offending noise from the source is inaudible. If the difference between the

noise levels with noise source operating and not operating is six (6) decibels or greater, then the noise measurement of the alleged source can be considered valid with a small correction applied to account for the contribution of the ambient noise. The correction is to be applied in accordance with data shown in Table B in Section 8.80.160. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.6 (a))

8.80.160 Exterior noise limits—Correction for character of sound.

In the event that alleged offensive noise contains a steady audible tone such as a whine, screech, or hum, or is a repetitive noise such as hammering or riveting or contains music or speech conveying informational content, the standard limits set forth in Table A shall be reduced by five (5) decibels.

B. No person shall operate, or cause to be operated, any source of sound indoors at any location within the incorporated limits of the City or allow the creation of any indoor noise which causes the noise level when measured inside the receiving dwelling unit to exceed:

1. The noise standard for that land use district as specified in Table C for a cumulative period of more than five (5) minutes in any hour; or

2. The noise standard plus five decibels (5 dB) for a cumulative period of more than one (1) minute in any hour; or

3. The noise standard plus ten decibels (10 dB) or the maximum measured ambient, for any period of time.

C. If the measured indoor ambient level exceeds that permissible within any of the first two (2) noise limit categories in this Section, the allowable noise exposure standard shall be increased in five decibel (5 dB) increments in each category as appropriate to reflect the indoor ambient noise level. In the event the indoor ambient noise level exceeds the third noise limit category, the maximum allowable indoor noise level under said category shall be increased to reflect the maximum indoor ambient noise level. (ORD-23-0027 § 4, 2023; Ord. C-5371 § 1 (part), 1977: prior code § 4430.7(a))

8.80.180 Interior noise limits—Correction for character of sound.

In the event the alleged offensive noise contains a steady audible tone such as a whine, screech or hum, or is a repetitive noise such as hammering or riveting, or contains music or speech conveying information content, the standard limits set forth in Table C in Section 8.80.170 shall be reduced by five decibels (5 dB). (Ord. C-5371 § 1 (part), 1977: prior code § 4430.7(b))

8.80.190 Noise disturbances—Prohibited.

No person shall unnecessarily make, continue or cause to be made or continued, any noise disturbance. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.8(a))

8.80.200 Noise disturbances—Acts specified.

The following acts, and the causing or permitting thereof, are declared to be in violation of this Chapter:

A. Radios, television sets, musical instruments and similar devices. Operating, playing or permitting the operation or playing of any radio, television set, phonograph, drum, musical instrument, or similar device which produces or reproduces sound:

1. Between the hours of ten p.m. and seven a.m. the following day in such a manner as to create a noise disturbance across a residential or

commercial real property line or at any time to violate the provisions of Sections 8.80.150 or 8.80.170 except for activities for which a variance has been issued by the noise control office,

2. In such a manner as to exceed the levels set forth in Table A in Section 8.80.160, measured at a distance of at least fifty feet (50') (fifteen (15) meters) from such device operating on a public right-of-way or public space;

B. Loudspeakers (amplified sound). Using or operating for any purpose any loudspeaker, loudspeaker system, or similar device between the hours of ten p.m. and seven a.m. the following day, such that the sound therefrom creates a noise disturbance across a residential real property line, or at any time violates the provisions of Sections 8.80.150 or 8.80.170, except for any noncommercial public speaking, public assembly or other activity for which a variance has been issued by the noise control office;

C. Street sales. Offering for sale, selling anything or advertising by shouting or outcry within any residential or commercial area or noise sensitive zone of the City except by variance issued by the noise control office. The provisions of this subsection shall not be construed to prohibit the selling by outcry of merchandise, food and beverages at licensed sporting events, parades, fairs, circuses or other similar licensed public entertainment events;

D. Animals and birds. Owning, possessing or harboring any animal or bird which frequently or for continued duration howls, barks, meows, squawks, or makes other sounds which create a noise disturbance across a residential or commercial real property line or within a noise sensitive zone. This provision shall not apply to public zoos;

E. Loading and unloading. Loading, unloading, opening, closing or other handling of boxes, crates, containers, building materials, garbage cans, or similar objects between the hours of ten p.m. and seven a.m. the following day in such a manner as to cause a noise disturbance across a residential real property line or at any time to violate the provisions of Sections 8.80.150 and 8.80.170;

F. Repealed;

G. Vibration. Operating or permitting the operation of any device that creates vibration which is above the vibration perception threshold of an individual at or beyond the property boundary of the source if on private property or at one hundred fifty feet (150') (forty-six (46) meters) from the source if on a public space or public right-of-way. For the purposes of this subsection, "vibration perception threshold" means the minimum ground or structure-borne vibrational motion necessary to cause a normal person to be aware of the vibration by such directed means as, but not limited to, sensation by touch or visual observation of moving objects. The perception threshold shall be presumed to be .001 g's in the frequency range 0—30 hertz and .003 g's in the frequency range between thirty and one hundred hertz;

H. Explosives, firearms and similar devices. Using or firing explosives, firearms, firecrackers or similar devices such that the sound therefrom creates a noise disturbance across a real property line, or within a noise sensitive zone, public space or public right-of-way, without first obtaining a variance issued by the noise control office or other appropriate regulatory agency;

I. Powered model vehicles. Operating or permitting the operation of powered model vehicles:

1. Between the hours of seven p.m. and seven a.m. the following day so as to create a noise disturbance across a residential or commercial real property line or at any time to violate the provisions of Sections 8.80.150 or 8.80.170,

2. In such a manner as to exceed the levels set forth in Table A in Section 8.80.160 measured at a distance not less than one hundred feet (100') (thirty (30) meters) from any point on the path of a vehicle operating on public space or public right-of-way;

J. Stationary nonemergency signaling devices.

1. Sounding or permitting the sounding of any electronically amplified signal from any stationary bell, chime, siren, whistle, or similar device, intended primarily for nonemergency purposes, from any place, for more than ten (10) seconds in any hourly period,

2. Houses of religious worship and chimes in the civic center shall be exempt from the operation of this provision,

3. Sound sources covered by this provision and not exempted under Subsection 8.80.200.J.2 of this Section may be exempted by a variance issued by the noise control office;

K. Emergency signaling devices.

1. The intentional sounding or permitting the sounding outdoors of any fire, burglar or civil defense alarm, siren, whistle or similar stationary emergency signaling device, except for emergency purposes or for testing, as provided in Subsection 8.80.200.K.2 of this Section,

2. a. Testing of a stationary emergency signaling device shall not occur before seven a.m. or after seven p.m. Any such testing shall only use the minimum cycle test time. In no case shall such test time exceed ten (10) seconds,

b. Testing of the complete emergency signaling system, including the functioning of the signaling device and the personnel response to the signaling device shall not occur more than once in each calendar month. Such testing shall not occur before seven a.m. or after ten p.m. The time limit specified in Subsection 8.80.200.K.2.a of this Section shall not apply to such complete system testing,

3. Sounding or permitting the sounding of any exterior burglar or fire alarm unless such alarm is automatically terminated within fifteen (15) minutes of activation;

L. Noise sensitive zones.

1. Creating or causing the creation of any sound within any noise sensitive zone, so as to exceed the specified land use noise standards set forth in Sections 8.80.150 and 8.80.170, or

2. Creating or causing the creation of any sound within or adjacent to any noise sensitive zone containing a hospital, nursing home, school, court or other designated use so as to interfere with the functions of such activity or annoy the patients or participants of such activity;

M. Domestic power tools.

1. Operating or permitting the operation of any mechanically powered saw, sander, drill, grinder, lawn or garden tool, or similar tool between ten p.m. and seven a.m. the following day so as to create a noise disturbance across a residential or commercial real property line,

2. Any motor, machinery, pump, etc., shall be sufficiently enclosed or muffled and maintained so as not to create a noise disturbance,

3. Operating leaf blowers, consisting of portable power equipment used in any landscape maintenance, construction, property repair or property maintenance for the purpose of blowing, dispersing or redistributing dust, dirt, leaves, grass clippings, cuttings, or trimmings from plants, trees or other debris is unlawful if operated within any residential area or in any nonresidential area within four hundred feet (400') of any residential area in the City between the hours after eight p.m. and before eight a.m. Monday through Friday, after five p.m. and before nine a.m. on Saturdays, and after five p.m. and before eleven a.m. on Sundays and legal holidays. Notwithstanding the provisions of Section 8.80.380, violations of this Subsection 8.80.200.M.3 shall be infractions except as specifically provided in this Section. The first violation in any one (1) year period shall be subject to a fine of fifty dollars ($50.00); a second violation in any one (1) year period shall be subject to a fine of seventy-five dollars ($75.00); a third violation in any one (1) year period shall be subject to a fine of one hundred dollars ($100.00). A fourth or subsequent violation of this Subsection in any one (1) year period may be filed as a misdemeanor. Notwithstanding the provisions of any other Section in this Chapter, the provisions of this subsection may be enforced by a Police Officer;

N. Air-conditioning or air refrigerating equipment. Operating or permitting the operation of any air-conditioning or air refrigerating equipment in such a manner as to exceed any of the following sound levels measured as specified in the American Society of Heating, Refrigeration and Air Conditioning Engineers Code of Recommended Practices:

Measurement Location	Units Installed Before 1-1-80 dB (A)	Units Installed On Or After 1-1-80 dB (A)
Any point on neighboring property line, five feet above grade level, no closer than three feet from any wall	60	55
Center of neighboring patio five feet above grade level, no closer than three feet from any wall	55	50
Outside the neighboring living area window nearest the equipment location, not more than three feet from the window opening, but at least three feet from any other surface	55	50

In case of conflict, the interior noise standards as specified in Section 8.80.170 shall nonetheless apply;

O. Places of public entertainment. Operating or permitting to be operated any loudspeaker or other source of sound in any place of public entertainment that exceeds the levels shown in Table D at any point normally occupied by a customer, without a conspicuous and legible sign stating

"WARNING, SOUND LEVELS WITHIN MAY CAUSE PERMANENT HEARING IMPAIRMENT."

P. Tampering. The following acts or the causing thereof are prohibited:

1. The removal or rendering inoperative by any person other than for purposes of maintenance, repair, or replacement, of any noise control device or element of design or noise label of any product identified under Subsection 8.80.040.G and Subsection 8.80.050.C. The Noise Control Officer may, by regulation, list those acts which constitute violation of this provision,

2. The use of a product, identified under Subsection 8.80.040.G and Subsection 8.80.050.C, which has had a noise control device or element of design or noise label removed or rendered inoperative with knowledge that such action has occurred. (Ord. C-7745 § 1, 2001; Ord. C-7175 § 1, 1994; Ord. C-6474 § 2, 1988; Ord. C-6036 § 1, 1984; Ord. C-5371 § 1 (part), 1977: prior code § 4430.8(b))

8.80.202 Construction activity—Noise regulations.

The following regulations shall apply only to construction activities where a building or other related permit is required or was issued by the Building Official and shall not apply to any construction activities within the Long Beach harbor district as established pursuant to Section 201 of the City Charter.

A. Weekdays and federal holidays. No person shall operate or permit the operation of any tools or equipment used for construction, alteration, repair, remodeling, drilling, demolition or any other related building activity which produce loud or unusual noise which annoys or disturbs a reasonable person of normal sensitivity between the hours of seven p.m. and seven am. the following day on weekdays, except for emergency work authorized by the Building Official. For purposes of this Section, a federal holiday shall be considered a weekday.

B. Saturdays. No person shall operate or permit the operation of any tools or equipment used for construction, alteration, repair, remodeling, drilling, demolition or any other related building activity which produce loud or unusual noise which annoys or disturbs a reasonable person of normal sensitivity between the hours of seven p.m. on Friday and nine a.m. on Saturday and after six p.m. on Saturday, except for emergency work authorized by the Building Official.

C. Sundays. No person shall operate or permit the operation of any tools or equipment used for construction, alteration, repair, remodeling, drilling, demolition or any other related building activity at any time on Sunday, except for emergency work authorized by the Building Official or except for work authorized by permit issued by the Noise Control Officer.

D. Owner's/employer's responsibility. It is unlawful for the landowner, construction company owner, contractor, subcontractor or employer of persons working, laboring, building, or assisting in construction to permit construction activities in violation of provisions in this Section.

E. Sunday work permits. Any person who wants to do construction work on a Sunday must apply for a work permit from the Noise Control Officer. The Noise Control Officer may issue a Sunday work permit if there is good cause shown; and in issuing such a permit, consideration will be given to the nature of the work and its proximity to residential areas. The permit may allow work on Sundays, only between nine a.m. and six p.m., and it shall designate the specific dates when it is allowed.

F. Enforcement. Notwithstanding the provisions of Sections 8.80.370 and 8.80.380, this Section may be enforced by a Police Officer.

Any person who violates any provision of this Section is guilty of a misdemeanor and shall be fined in an amount not to exceed five hundred dollars ($500.00), or be imprisoned for a period not to exceed one hundred eighty (180) days, or by both such fine and imprisonment. Each day that a violation occurs shall constitute a separate offense and shall be punishable as such.

Whenever an employee is prosecuted for a violation of this noise control ordinance, the court shall, at the request of the employee, take appropriate action to make the landowner, construction company owner, contractor, subcontractor or employer a codefendant. (Ord. C-6488 § 1, 1988; Ord. C-6474 § 1, 1988)

8.80.210 Refuse collection vehicles.

No person shall collect refuse with a refuse collection vehicle between the hours of seven p.m. and seven a.m. the following day in a residential area or noise sensitive zone. (Ord. C-5371 § 1 (part), 1981: prior code § 4430.9(a))

8.80.220 Motor vehicle horns.

It is unlawful for any person within the City to sound a vehicular horn within any residential zone except as a warning signal, as provided in the Vehicle Code of the State. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.9(b))

8.80.230 Recreational motorized vehicles operating off the public right-of-way.

No person shall operate or cause to be operated any recreational motorized vehicle off a public right-of-way in such a manner that the sound level emitted therefrom violates the provisions of Sections 8.80.150 and 8.80.170. This Section shall apply to all recreational motorized vehicles, whether or not duly licensed and registered, including, but not limited to, commercial or noncommercial racing vehicles, motorcycles, go-carts, amphibious craft, campers, and dune buggies, but not including motorboats. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.9(c))

8.80.240 Vehicle, motorboat or aircraft repair and testing.

A. Repairing, rebuilding, modifying or testing any motor vehicle, motorboat or aircraft in such a manner as to create a noise disturbance across a residential real property line, or at any time to violate the provisions of Sections 8.80.150 or 8.80.170 shall not be permitted except where said activities are directly related to officially sanctioned events.

B. This provision shall not apply to aircraft within the airport property or within any other aviation-related property abutting it. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.9(d))

8.80.250 Exemption—Emergencies.

The provisions of this Chapter shall not apply to:

A. The emission of sound for the purpose of alerting persons to the existence of an emergency; or

B. The emission of sound in the performance of emergency work. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.10(a))

8.80.260 Exemption—Oil and gas wells.

The provisions of this Chapter shall not apply to:

A. Normal well servicing, remedial or maintenance work performed within an existing well which does not involve drilling or redrilling and which is restricted to the hours between seven a.m. and seven p.m., exclusive of weekends and holidays, in residential areas;

B. Any drilling or redrilling work which is done in full compliance with Subsection 8.80.040.E and Sections 8.80.060 through 8.80.120, and with the soundproofing and all other requirements of Section 12.32.030. (Ord. C-5576 § 1, 1980; Ord. C-5371 § 1 (part), 1977: prior code § 4430.10(b))

8.80.270 Exemption—Warning devices.

Warning devices necessary for the protection of public safety as, for example, police, fire and ambulance sirens and train horns shall be exempted from the provisions of this Chapter. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.10(c))

8.80.280 Exemption—Entertainment events.

The provisions of this Chapter shall not apply to occasional outdoor or indoor gatherings, public dances, shows and sporting and entertainment events, provided said events are conducted pursuant to a permit or license or other entitlement issued by the City relative to the staging of said events. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.10 (d))

8.80.290 Exemption—From exterior noise standards.

The provisions of Section 8.80.150 shall not apply to activities covered by the following Sections:

A. Section 8.80.200 C, street sales;

B. Section 8.80.200 D, animals and birds;

C. Section 8.80.200 J, stationary nonemergency signaling devices;

D. Section 8.80.200 K, emergency signaling devices;

E. Section 8.80.200 M, domestic power tools;

F. Section 8.80.200 N, air conditioning or air refrigerating equipment; and

G. Section 8.80.210, refuse collection vehicles. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.10 (e))

8.80.300 Abatement of nonconforming industrial noise sources.

A. Intent. It is the intent of this Section to recognize that the eventual abatement, as expeditiously and as fairly as possible, of existing noise sources that are not in conformity with the provisions of this Chapter is as important as the prohibition of new noise sources that would violate the provisions of this Chapter. It is the intent of this Section that any abatement of nonconforming industrial noise sources shall be effected so as to avoid any undue hardship.

B. Abatement. All existing nonconforming industrial noise sources shall be granted an amortization period of ten (10) years from the effective date of this Chapter to bring their existing facilities into compliance with this Chapter; provided, that:

1. They are located in industrial districts delineated in the City zoning ordinance or are located in accordance with a valid special use permit at the time of adoption of this Chapter;

2. They are not changed to another industrial use during the amortization period;

3. They are not altered so as to increase or intensify their noise generation;

4. If they are structurally expanded during the amortization period, the new portion must immediately meet the standards of this Chapter;

5. If they should be rebuilt after damage or destruction of more than fifty percent (50%) of the preexisting value, they must be rebuilt in such a manner as to immediately meet the standards of this Chapter. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.10 (f))

8.80.310 Exemption—Federal or State preempted activities.

The provisions of this Chapter shall not apply to any other activity to the extent regulation thereof has been preempted by State or federal law. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.10(g))

8.80.320 Conflicting regulations.

A. These regulations are not intended to abrogate or impair the provisions of any other section of this Code which is not in conflict with the provisions of this Chapter. However, where these regulations are more restrictive than those of other laws, regulations or covenants, these regulations shall control.

B. Upon written request, the noise control office is authorized to issue official interpretations of this Chapter without public hearing. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.10 (h))

8.80.330 Exemption—Public health, welfare and safety activities.

The provisions of this Chapter shall not apply to construction maintenance and repair operations conducted by public agencies and/or utility companies or their contractors which are deemed necessary to serve the best interests of the public and to protect the public health, welfare and safety, including, but not limited to, street sweeping, debris and limb removal, removal of downed wires, restoring electrical service, repairing traffic signals, unplugging sewers, vacuuming catchbasins, repairing of damaged poles, removal of abandoned vehicles, repairing of water hydrants and mains, gas lines, oil lines, sewers, storm drains, roads, sidewalks, etc. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.10 (i))

8.80.340 Variance—Exemption from regulations.

A. The Noise Control Officer is authorized to grant variances for exemption from any provision of this Chapter, subject to limitations as to area, noise levels, time limits, and other terms and conditions as the Noise Control Officer determines are appropriate to protect public health, safety and welfare from the noise emanating therefrom. This Section shall in no way affect the obligation to obtain any permit or license required by law for such activities.

B. Any person seeking a variance shall file an application with the noise control office. The application shall contain information which demonstrates that bringing the source of sound or activity for which the variance is sought into compliance with this Chapter would create an unreasonable hardship on the applicant, on the community, or on other persons. The application shall be accompanied by a fee in the amount set by resolution of the City Council. A separate application shall be filed for each noise source; provided, however, that several fixed sources on a single property may be combined into one (1) application. Notice of an application for a variance shall be published according to rules established by the noise control office; all residents whom the Noise Control Officer determines may be adversely affected by the noise shall be notified. Any individual who claims to be adversely affected by the issuance of the variance may file a statement with the noise control office containing any information to support his claim. If at any time the Noise Control Officer finds that a sufficient controversy exists regarding an application, a public hearing will be held.

C. In determining whether to grant or deny the application, the Noise Control Officer shall balance the hardship on the applicant, the community, or other persons by not granting the variance against the adverse impact on the health, safety and welfare of persons affected, the adverse impact on property affected, and any other adverse impact by granting the variance. Applicants for variances and persons contesting variances may be required to submit such information as the noise control office may reasonably require. In granting or denying an application, the Noise Control Officer shall keep a public record of the decision and the reasons for denying or granting the variance.

D. A variance shall be granted by written notice to the applicant containing all necessary conditions, including a time limit on the permitted

activity. The variance shall not become effective until all conditions are agreed to by the applicant. Noncompliance with any condition of the variance shall terminate the variance.

E. The term of a variance may not exceed three hundred sixty-five (365) days from the date of issuance. An application for extension of time limits specified in a variance or for modification of other substantial conditions shall be treated as an application for a new variance.

F. The Noise Control Officer will issue guidelines defining the procedures to be followed in applying for a variance and the criteria to be considered in deciding whether to grant a variance. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.11(a))

8.80.350 Variance—Time to comply.

Within ninety (90) days following the effective date of this Chapter, the owner of any commercial or industrial source of sound may apply to the noise control office for a time variance to comply with the provisions of this Chapter. The Noise Control Officer shall have the authority, consistent with these Sections 8.80.340 through 8.80.360, to grant a time variance (not to exceed one hundred eighty (180) days from the effective date of this Chapter). The same procedures and considerations by the Noise Control Officer as provided in Section 8.80.340 shall likewise apply. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.11(b))

8.80.360 Variance—Appeal to decision.

Within ten (10) days after notice by the Noise Control Officer or denial or conditional approval of a variance, or within ten (10) days after the effective date of the revocation of a variance by the Noise Control Officer, the affected person may appeal to the City Council, in writing. The City Council, after notice and a public hearing, may sustain, reverse or modify the decision of the Noise Control Officer; such order may be made subject to specified conditions.

A. Filing Fee. The appeal shall be filed in triplicate with the City Clerk at the City Hall, 333 West Ocean Boulevard, Long Beach, California, along with the payment of a fee in the amount set by resolution of the City Council. A copy of the appeal shall also be served on the Noise Control Officer.

B. Contents of Appeal. An appeal to review a denial or conditional approval of a variance shall contain the application, a copy of the Noise Control Officer's action setting forth the reasons for the denial or the conditions of the approval, and the reasons for appeal. An appeal to review a variance revocation shall include a copy of the variance, the Noise Control Officer's revocation notice, and his reasons for revocation, and the reasons for appeal. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.11(c))

8.80.370 Violation—Presumed.

Any noise exceeding the level limit which can be attributed to a specific facility in a designated noise district as specified in Sections 8.80.150 through 8.80.180, or the prohibited actions specified in Sections 8.80.190 and 8.80.200 shall be presumed to be a violation of the provisions of these regulations. Enforcement of noise control regulations shall be undertaken only upon receipt of a written sworn complaint made by a person who resides or owns property within the noise district into which the alleged noise intrudes. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.12(a))

8.80.380 Violation—Penalty.

Any person found in violation of any of the provisions of this Chapter upon a documented determination and the failure to comply with an abatement order or other notice issued by the Noise Control Officer and subsequently convicted in a court of competent jurisdiction for such violation will be deemed guilty of a misdemeanor and shall be fined in an amount not to exceed five hundred dollars ($500.00), or be imprisoned for a period not to exceed one hundred eighty (180) days, or by both such fine and imprisonment. Each day (after the Noise Control Officer has made a documented determination and has issued an abatement order) that a violation is permitted to continue shall constitute a separate offense and

shall be punishable as such. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.12(b))

8.80.390 Violation—Abatement order.

A. Except as provided in Subsection 8.80.390.B, in lieu of issuing a notice of violation as provided in Section 8.80.400, the Noise Control Officer may issue an order requiring the abatement of a sound source alleged to be in violation within a reasonable time period and according to guidelines adopted by the noise control office.

B. An abatement order shall not be issued for any violation when the Noise Control Officer or other enforcement agency has reason to believe that there will not be compliance with an abatement order.

C. No further action shall be taken in the event that the cause of the violation has been removed and the condition abated or fully corrected within the time period specified in the written notice. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.12(c))

8.80.400 Violation—Notice.

Except where a person is acting in good faith to comply with an abatement order issued pursuant to Subsection 8.80.390.A, violation of any provision of this Chapter shall be cause for a notice of violation to be issued by the Noise Control Officer or other responsible enforcement official according to procedures which the noise control office may prescribe. Thereafter, the City may resort to any other appropriate legal action as provided by law. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.12(d))

8.80.410 Violation—Additional remedies.

As an additional remedy, the operation or maintenance of any device, instrument, vehicle or machinery in violation of any provision of this Chapter, which operation or maintenance causes or creates sound levels or vibration exceeding the allowable limits as specified in this Chapter, shall be deemed and is declared to be a public nuisance and may be subject to abatement summarily by a restraining order or injunction issued by a court of competent jurisdiction. Additionally, no provision of this Chapter shall be construed to impair any common law or statutory cause of action, or legal remedy therefrom, of any person for injury or damage arising from any violation of this Chapter or from other law. (Ord. C-5371 § 1 (part), 1977: prior code § 4430.12(e))

CHAPTER 8.81 FIREWORKS

8.81.010 Definitions.

The following definitions belong to this Chapter:

A. "Fireworks" has the same meaning as in California Health and Safety Code section 12511 which states, "any device containing chemical elements and chemical compounds capable of burning independently of the oxygen of the atmosphere and producing audible, visual, mechanical, or thermal effects which are useful as pyrotechnic devices or for entertainment. The term "fireworks" includes, but it is not limited to, devices designated by the manufacturer as fireworks, torpedoes, skyrockets, roman candles, rockets, Daygo bombs, sparklers, party poppers, paper caps, chasers, fountains, smoke sparks, aerial bombs, and firework kits."

B. "Host" means a person who either:

1. Is in charge of private property, including, but not limited to, an owner, tenant, landlord, or property manager of the property; or

2. Organizes, supervises, officiates, conducts, controls, or is otherwise in charge of the activity on the property.

C. "Response costs" means costs associated with law enforcement, fire, medical, or other emergency personnel responding to, remaining at, and leaving the scene of a gathering, including but not limited to:

1. Salaries and benefits of law enforcement, fire, medical, or other emergency personnel;

2. Administrative costs;

3. The cost of any medical treatment of injuries to any law enforcement, fire, medical or other emergency personnel;

4. The cost of using any city equipment;

5. The cost of repairing any damaged city equipment or property; and

6. Any other costs related to enforcement of this article.

D. "Dangerous Fireworks" has the same meaning as in California Health and Safety Code Section 12505.

(ORD-21-0017(Emerg.) § 1, 2021)

8.81.020 General prohibition against possession, sale or use of Fireworks.

Except as otherwise provided in Chapter 18.48.720, no person shall possess, sell, use, display or explode any Fireworks as defined in section 8.81.010 A. or any kind of fireworks, by whatsoever name known, within the City of Long Beach.

(ORD-21-0017(Emerg.) § 1, 2021)

8.81.030 General prohibition against possession, sale or use of Dangerous Fireworks.

No person shall possess, sell, use, display or explode any Dangerous Fireworks within the City of Long Beach.

(ORD-21-0017(Emerg.) § 1, 2021)

8.81.040 Seizure of fireworks.

The Police Chief, Fire Chief, or designee, may seize, take, remove or cause to be removed, at the expense of the owner, all fireworks possessed or displayed in violation of this Chapter.

(ORD-21-0017(Emerg.) § 1, 2021)

8.81.050 Host's liability.

A. No host shall allow any person to violate a provision of this Chapter on the host's private property, except as provided below in Subsection A.2.

1. Whenever a host is present at the private property while another person violates a provision of this Chapter, there shall be a rebuttable presumption that the host knew or should have known of the violation.

2. The provisions of this Section shall not apply to a host who initiates contact with law enforcement or fire officials to assist in removing any person from the property or terminating the activity in order to comply with this Chapter, if the request for assistance is made before any other person contacts law enforcement or fire officials to complain about the violation of this Chapter.

B. No host shall aid or abet another person's violation of a provision of this Chapter in a public right-of-way adjacent to the host's private property. A host aids and abets another person's violation of a provision of this Chapter if he or she knows of the other person's unlawful purpose and the host specifically intends to, and does in fact, aid, facilitate, promote, encourage, or instigate the other person's commission of that violation.

(ORD-21-0017(Emerg.) § 1, 2021)

8.81.060 Violation penalty.

A. In addition to any other remedy allowed by law, any person who violates a provision of this Chapter is subject to criminal sanctions, civil actions, and administrative penalties pursuant to Chapter 1.32.

B. Notwithstanding the provisions of Section 1.32.060 or 9.37.120(a), the amount of an administrative penalty for a violation of this Chapter is one thousand dollars ($1,000.00) for each violation. In the event the fireworks are confiscated and have to be disposed of by the Fire Marshall, there shall be an additional charge of two hundred and fifty dollars assessed for disposal fee. Each day of recurrence of any violation shall constitute a separate offense and may be treated as such pursuant to this Section.

C. Any person who violates Sections 8.81.020 or 8.81.030 and any host who violates Section 8.81.050 shall be liable for the response costs relating to the violation. All hosts who violate Section 8.81.050 in the same incident are jointly and severally liable for the response costs relating to the violation. The amount of response costs constitutes a debt owed to the city.

1. Notice of the response costs shall be served by first-class mail on the person or hosts liable for such costs. The notice shall contain the following information:

a. The name of the person or host who is liable for the response costs;

b. The address of the private property where the incident occurred;

c. The date and time of the response;

d. The law enforcement, fire, or other emergency response personnel who responded; and

e. An itemized list of the response costs.

2. Payment for response costs shall be remitted to the City of Long Beach within thirty (30) calendar days of the date of the notice. The payment of any such costs shall be stayed upon the filing of a timely appeal.

3. A person or host charged with response costs may, within ten (10) calendar days of the date of the notice of response costs, appeal the response costs in accordance with Chapter 9.65. The appeal hearing shall be scheduled and conducted in the manner prescribed in Chapter 9.65. Failure to timely file an appeal constitutes a failure to exhaust available administrative remedies, and bars any further review or administrative appeal of the response costs.

D. Violations of this Chapter are hereby declared to be a public nuisance.

E. All remedies prescribed under this Chapter are cumulative and the election of one or more remedies does not bar the city from the pursuit of any other remedy to enforce this Chapter. (ORD-21-0017(Emerg.) § 1, 2021)

CHAPTER 8.85 UNDERGROUND AND ABOVE GROUND STORAGE TANKS

8.85.010 Creation of Long Beach CUPA.

The purpose of this Chapter is to designate the Long Beach CUPA as the Unified Program Agency for purposes of enforcing and assuming responsibility for the regulation of the underground storage of hazardous substances within Long Beach, and as the local agency enforcing the Aboveground Petroleum Storage Act requirements under State law. (ORD-23-0010 § 1, 2023; Ord. C-7483 § 1, 1997)

8.85.020 Definitions.

For purposes of this Chapter, the following definitions shall apply:

A. "Certified Uniform Program Agency" or "CUPA" means the agency certified by the Secretary of the California Environmental Protection Agency to implement the unified program in the City of Long Beach.

B. "Long Beach CUPA" means the Long Beach Certified Unified Program Agency created by the City of Long Beach and certified by the Secretary of the California Environmental Protection Agency. (ORD-23-0010 § 1, 2023; Ord. C-7483 § 1, 1997)

8.85.030 Designation of Long Beach CUPA as local agency for underground storage tanks.

The City designates the Long Beach CUPA as its "local agency" pursuant to Section 25283 and Chapter 6.11 of Division 20 of the California Health and Safety Code, to be the responsible governmental agency for purposes of implementing and enforcing Chapter 6.7 of Division 20 of the California Health and Safety Code, and Chapter 16 of Division 3 of Title 23 of the California Code of Regulations, and other related statutes and regulations, all as may be amended and/or supplemented from time to time. The Long Beach CUPA may adopt and enforce requirements which are equal to or more stringent than those set forth under State law, in accordance with California Health and Safety Code Section 25283.5. The City Clerk shall cause to be filed three (3) copies of such equal or more stringent requirements with the Clerk's office, and these copies shall be maintained at all times by the City Clerk for use and examination by the public. The designation of authority granted hereunder may be modified or rescinded at any time by modification or repeal of this Section. (ORD-23-0010 § 1, 2023; Ord. C-7483 § 1, 1997)

8.85.040 Designation of Long Beach CUPA as Unified Program Agency for above ground storage tanks.

The City designates the Long Beach CUPA as the Certified Unified Program Agency to enforce

the Aboveground Petroleum Storage Act requirements of Chapter 6.67 of Division 20 of the California Health and Safety Code and as the Uniform Program Agency under other related statutes and regulations, all as may be amended and/or supplemented from time to time. As permitted by State law, the Long Beach CUPA may adopt and enforce requirements which are equal to or more stringent than those referenced herein. The City Clerk shall cause to be filed three (3) copies of such equal or more stringent requirements with the Clerk's office, and these copies shall be maintained at all times by the City Clerk for use and examination by the public. The designation of authority granted hereunder may be modified or rescinded at any time by modification or repeal of this Section. (ORD-23-0010 § 1, 2023; Ord. C-7483 § 1, 1997)

8.85.050 Fees.

All persons and facilities governed by Chapters 6.67 and 6.7 of Division 20 of the California Health and Safety Code shall pay those fees established by the Long Beach CUPA by Ordinance or Resolution, for purposes of implementing Chapters 6.67 and 6.7 of Division 20 of the California Health and Safety Code, and all other provisions related thereto, along with all applicable regulations thereunder, including Chapter 16 of Division 3 of Title 23 of the California Code of Regulations. (ORD-23-0010 § 1, 2023; Ord. C-7483 § 1, 1997)

8.85.060 Violations.

All persons and facilities governed by Chapters 6.67 and 6.7 of Division 20 of the California Health and Safety Code shall comply with such provisions and the regulations thereunder, including, but not limited to, Chapter 16 of Division 3 of Title 23 of the California Code of Regulations. Any violation of this Chapter and the provisions of State law referenced in this Chapter is a violation of this Code and is subject to civil and criminal fines, penalties and other remedies as provided for under State law and this Code, including restitution and injunctive relief. (ORD-23-0010 § 1, 2023; Ord. C-7483 § 1, 1997)

CHAPTER 8.86 HAZARDOUS MATERIALS RELEASE RESPONSE PLANS AND INVENTORY

8.86.010 Definitions.

The words and phrases listed below shall be defined as provided in this Section. All other words and phrases not defined in this Section shall have the same meaning as defined in Section 25501 of the California Health and Safety Code, and if not defined therein shall be interpreted in accordance with their plain and ordinary meaning.

A. "JPA" or "Joint Powers Agreement" means that agreement executed by the Cities of Long Beach and Signal Hill on December 21, 1995 entitled "Joint Powers Agreement Creating a Long Beach/Signal Hill Unified Program Agency", as such Agreement may be amended from time to time.

B. "Long Beach/Signal Hill CUPA" means the Long Beach/Signal Hill Unified Program Agency created by the JPA and certified by the Secretary of the California Environmental Protection Agency. (Ord. C-7483 § 2, 1997)

8.86.020 Delegation of administrative responsibility.

The City designates the Long Beach/Signal Hill CUPA as the administering agency for Long Beach for the enforcement and regulation of Chapter 6.95 of Division 20 of the California Health and Safety Code and Article 80 of the Uniform Fire Code and all applicable regulations thereunder, as such may be amended from time to time. As permitted by State law, the Long Beach/Signal Hill CUPA may adopt and enforce requirements which are equal to or more stringent than those referenced to herein. The City Clerk shall cause to be filed three (3) copies of such equal or more stringent requirements with the Clerk's office, and these copies shall be maintained at all times by the City Clerk for use and examination by the public. Long Beach/Signal Hill CUPA shall administer its

responsibilities under this Chapter pursuant to the JPA. The designation of authority granted hereunder may be modified or rescinded at any time by modification or repeal of this Section. (Ord. C-7483 § 2, 1997)

8.86.030 Fees.

All persons and businesses governed by Chapter 6.95 of Division 20 of the California Health and Safety Code shall pay those fees established by the Long Beach/Signal Hill CUPA by Ordinance or Resolution, for purposes of implementing Chapter 6.95 of Division 20 of the California Health and Safety Code, and all other provisions related thereto, along with all applicable regulations thereunder. (Ord. C-7483 § 2, 1997)

8.86.040 Violations.

All persons and businesses governed by Chapter 6.95 of Division 20 of the California Health and Safety Code shall comply with such provisions and the regulations thereunder. Any violation of this Chapter and the provisions of State law referenced in this Chapter is a violation of this Code and is subject to civil and criminal fines, penalties and other remedies as provided for under State law and under this Code, including restitution and injunctive relief. (Ord. C-7483 § 2, 1997)

CHAPTER 8.87 HAZARDOUS WASTE CONTROL

8.87.010 Purpose and intent.

The purpose of this Chapter is to designate the Long Beach CUPA as the administering agency for the enforcement and regulation of Chapter 6.5 of Division 20 of the California Health and Safety Code, and the applicable requirements thereunder, within the jurisdiction of the City. (ORD-23-0010 § 2, 2023; Ord. C-7483 § 3, 1997)

8.87.020 Definitions.

A. "Certified Uniform Program Agency" or "CUPA" means the agency certified by the Secretary of the California Environmental Protection Agency to implement the unified program in the City of Long Beach.

B. "Long Beach CUPA" means the Long Beach Certified Unified Program Agency created by the City of Long Beach and certified by the Secretary of the California Environmental Protection Agency. (ORD-23-0010 § 2, 2023; Ord. C-7483 § 3, 1997)

8.87.030 Designation of Long Beach CUPA.

The City designates the Long Beach CUPA as the Certified Unified Program Agency for Long Beach for the purpose of enforcing the requirements of Chapter 6.5 of Division 20 of the California Health and Safety Code and the regulations related thereto, as provided for under Section 25404(c)(1) of the California Health and Safety Code, all as may be amended and/or supplemented from time to time. As permitted by State law, the Long Beach CUPA may adopt and enforce requirements which are equal to or more stringent than those referenced to herein. The City Clerk shall cause to be filed three (3) copies of such equal or more stringent requirements with the Clerk's office, and these copies shall be maintained at all times by the City Clerk for use and examination by the public. The Long Beach CUPA under this Chapter shall administer its responsibilities. The designation of authority granted hereunder may be modified or rescinded at any time by modification or repeal of this Section. (ORD-23-0010 § 2, 2023; Ord. C-7483 § 3, 1997)

8.87.040 Fees.

All persons and facilities shall pay those fees established by the Long Beach CUPA, by Ordinance or Resolution, for purposes of implementing and carrying out the responsibilities of the Certified Unified Program Agency under Chapter 6.5 of Division 20 of the California Health and Safety Code and all applicable regulations thereunder. (ORD-23-0010 § 2, 2023; Ord. C-7483 § 3, 1997)

8.87.050 Violations.

All persons and facilities governed by Chapter 6.5 of Division 20 of the California Health and

Safety Code shall comply with such provisions and the regulations thereunder. Any violation of this Chapter and the provisions of State law referenced in this Chapter is a violation of this Code and is subject to civil and criminal fines, penalties and other remedies as provided for under State law and under this Code, including restitution and injunctive relief. (ORD-23-0010 § 2, 2023; Ord. C-7483 § 3, 1997)

CHAPTER 8.88 HAZARDOUS MATERIALS—CLEANUP

8.88.010 Purpose.

The purpose of this Chapter is to require compliance with the hazardous waste control laws and to require proper cleanup methods and procedures for spills of hazardous material. (Ord. C-6266 § 1 (part), 1986)

8.88.020 Scope.

This Chapter shall apply to all sites where a hazardous material spill has occurred. The extent of the site characterization shall be defined by the Health Officer.

After the site characterization is completed, the property owner, applicant or other responsible party shall clean up the spill by complying with the remediation requirements of this Chapter. The extent of the site remediation shall be defined by the Health Officer. (Ord. C-6266 § 1 (part), 1986)

8.88.030 Definitions.

The words and terms used in this Chapter shall have the meanings indicated in this Section as follows:

A. "Site" means the location of the spill or escape of hazardous materials under investigation.

B. "Hazardous waste" means any material(s) as defined to be hazardous in Title 22 of the California Administrative Code.

C. "Characterization" means the process of determining the qualitative and quantitative nature of a hazardous waste spill or escape into the environment.

D. "Remediation" means the process of abating the spill or escape of a hazardous material.

E. "Hazardous waste control laws" mean those laws and regulations which are adopted by the State of California and the City of Long Beach which are enforced by the Health Officer or other departments of the City.

F. "Health Officer" means the Health Officer of the City of Long Beach and any deputy Health Officer or designee.

G. "Initial report" means documentation proposing what remedial actions will be taken for abatement and the justification of these actions.

H. "Final report" means documentation showing the conclusions or findings reached on proposed actions and the justification for these conclusions or findings. (Ord. C-6266 § 1 (part), 1986)

8.88.040 Site characterization.

A. A site characterization is required whenever there is a suspected escape or spill of hazardous material into the environment or for the purpose of determining applicability of the hazardous waste control laws. No person, firm or corporation shall engage in the process of site characterization until a permit has been issued pursuant to this Chapter.

B. Application for a site characterization permit and the permit fee designated by resolution of the City Council shall be filed with the Health Officer. In addition, documentation showing the qualifications of the person(s) performing the site characterization must be submitted. No person, firm or corporation shall engage in site characterization without the appropriate education, experience, equipment and professional certification, as determined by the Health Officer. (Ord. C-6266 § 1 (part), 1986)

8.88.050 Site remediation.

A. Site remediation is required whenever it is determined that there was an escape or spill of hazardous material into the environment. No person, firm or corporation shall engage in the process of site remediation until a permit has been issued pursuant to this Chapter.

B. Application for a site remediation permit and the permit fee designated by resolution of the City Council shall be filed with the Health Officer. In addition, documentation showing the qualifications of the person(s) performing the site remediation must be submitted. No person, firm or corporation shall engage in site remediation without the appropriate education, experience, equipment and professional certification, as determined by the Health Officer. (Ord. C-6266 § 1 (part), 1986)

8.88.060 Initial and final reports.

Initial and final reports shall be submitted for both site characterization and site remediation, and the Health Officer shall determine their compliance with the hazardous waste control laws. (Ord. C-6266 § 1 (part), 1986)

CHAPTER 8.90 ALCOHOLIC BEVERAGES—WARNING SIGNS

8.90.010 Signs—Dangers of consuming alcoholic beverages during pregnancy.

A. Duty to Post. Any person or entity who owns, operates, manages, leases or rents a premises offering for sale or dispensing for consideration to the public, alcoholic beverages including beer and wine shall post or display a sign or notice on the premises as provided in this Section.

B. Requirements. The sign or notice shall comply with the readability requirements specified in this Section and shall read substantially as follows: "WARNING: DRINKING ANY ALCOHOLIC BEVERAGE—INCLUDING BEER, WINE AND LIQUOR—DURING PREGNANCY CAN CAUSE BIRTH DEFECTS."

The telephone number of the Long Beach Health Department shall be printed near the bottom of the sign. The word "WARNING" shall be highlighted and lettered in red against a white background, and black letters shall be used for the rest of the sign. The words "ANY" and "BIRTH DEFECTS" shall be underscored. In no event shall a sign as required in this Section be smaller than eight inches (8") wide and eight inches (8") long, and the lettering shall not be less than one inch (1") in height, except for the telephone number of the Long Beach Health Department.

C. Placement. The sign or notice required by this Section shall be placed as follows:

1. Where the sale or dispensing of alcoholic beverages, including beer and wine, to the public is primarily intended for consumption off the premises, at least one (1) sign shall be placed to assure that it is readable from all locations at which the sale or dispensing occur.

2. Where the sale or dispensing of alcoholic beverages, including beer and wine, to the public is primarily provided through over-the-counter ser-

vice, at least one (1) sign shall be placed to assure that it is readable from all counter locations available to the public.

3. Where the sale or dispensing of alcoholic beverages, including beer and wine, to the public is primarily provided for consumption on the premises by the public at tables served by food or beverage service persons, at least one (1) sign shall be placed to assure that it is readable by the public entering the premises; provided however, that notices may be placed or displayed at each of the tables in a manner which will assure that the notices are as readily visible and readable as materials provided to the public which list food and beverage prices. (Ord. C-6373 § 1, 1987)

CHAPTER 8.94 AIDS DISCRIMINATION

8.94.010 Definitions.

The following words and phrases, whenever used in this Chapter, shall be construed as defined in this Section:

A. "AIDS" shall mean the disease or syndrome known as Acquired Immune Deficiency Syndrome as defined by the United States Centers for Disease Control.

B. "AIDS related condition" means a clinical finding of AIDS Related Complex (ARC) or the testing of positive to the antibody to the virus believed to result in AIDS, sometimes known as HIV, HTLV-III, or LAV, regardless of whether any clinical manifestations of AIDS or ARC are present. A person with an AIDS related condition shall also include a person perceived to have AIDS, ARC or to have tested positive to the antibody to the virus that is believed to result in AIDS, regardless of the accuracy of this perception.

C. "Business establishment" means any entity, other than the state or local governmental entity, however organized, which furnishes goods or services to the general public. An otherwise qualifying establishment which has membership requirements is considered to furnish services to the general public if its membership requirements: (1) consist only of payment of fees; or (2) consist of requirements under which a substantial portion of residents of the City qualify.

D. "Person" means any natural person, firm, corporation, partnership, or other organization, association, or group of persons however organized, but shall not include the State or the County of Los Angeles.

E. "Individual" means any natural person. (Ord. C-6635 § 1 (part), 1989)

8.94.020 Employment practices.

A. It shall be unlawful for any employer to fail or refuse to hire, or to discharge any individual, or otherwise to discriminate against any individual with respect to compensation, terms, conditions, or privileges of employment because in whole or in part, the individual has AIDS or an AIDS related condition.

B. It shall be unlawful for an employer to limit, segregate, or classify employees or applicants for employment in any manner which would deprive or tend to deprive any individual of employment opportunities, or adversely affect his or her employment status because, in whole or in part, the individual has AIDS or an AIDS related condition.

C. It shall be unlawful for an employment agency to fail or refuse to refer for employment any individual or to otherwise discriminate against any individual because, in whole or in part, the individual has AIDS or an AIDS related condition.

D. It shall be unlawful for a labor organization to fail or refuse to include in its membership or to otherwise discriminate against any individual, to limit, segregate, or classify its membership, or to classify or fail or refuse to refer for employment, any individual in any way which would deprive or tend to deprive such individual of employment opportunities, or to otherwise adversely affect an individual's status as an employee or as an applicant for employment because, in whole or in part, the individual has AIDS or an AIDS related condition.

E. It shall be unlawful for an employer, an employment agency or labor organization to discriminate against any individual in admission to, or employment in, any program established to provide apprenticeship, or other training or retraining, including any on-the-job training program, because, in whole or in part, the individual has AIDS or an AIDS related condition.

F. Nothing contained in this Section shall be deemed to prohibit selection, rejection, or termination based upon a bona fide occupational qualification. In any action brought under this Chapter, if a party asserts that any otherwise unlawful practice is justified as a bona fide occupational qualification, that party shall have the burden of proving: (1) that the discrimination is in fact a necessary result of a bona fide occupational qualification; and (2) that there exists no less discriminatory means of satisfying the occupational qualifications.

G. Nothing contained in this Chapter shall make it unlawful for an employer to observe the conditions of a bona fide employee benefit system, provided such system or plan is not a subterfuge to evade the purposes of this Chapter. No such system shall provide an excuse for failure to hire any individual.

H. No part of this Section shall apply to the employment of individuals to perform services in the place of residence of the employer. (Ord. C-6635 § 1 (part), 1989)

8.94.030 Housing and other real estate transactions.

A. It shall be unlawful for any person to interrupt, terminate, or fail or refuse to initiate or conduct any transaction in real property, including but not limited to the rental thereof, to require different terms for such transaction, to include in the terms or conditions of a transaction in real property any clause, condition or restriction, or to falsely represent that an interest in real property is not available for transaction because, in whole or in part, the individual has AIDS or an AIDS related condition.

B. Nothing in this Chapter shall be construed to apply to the rental or leasing of any housing unit in which the owner or lessor or any member of his or her family occupies all or a portion of the same living unit in common with the prospective tenant. (Ord. C-6635 § 1 (part), 1989)

8.94.040 Business establishments.

It shall be unlawful for any person to deny any individual the full and equal enjoyment of the goods, services, facilities, privileges, advantages, and accommodations of any business establishment because, in whole or in part, the individual has AIDS or an AIDS related condition. (Ord. C-6635 § 1 (part), 1989)

8.94.050 City facilities and services.

Notwithstanding any other provision of this Chapter, it shall be an unlawful practice for any person to deny any person the full and equal enjoyment of, or to impose different terms and conditions on the availability of: (1) use of any City facility or City service because, in whole or in part, the individual has AIDS or an AIDS related condition; or (2) any service, program or facility wholly or partially funded or otherwise supported by the City because, in whole or in part, the individual has AIDS or an AIDS related condition. This Section shall not apply to any facility, service or program which does not receive any assistance from the City which is not provided to the public generally. (Ord. C-6635 § 1 (part), 1989)

8.94.060 Contracts to include nondiscrimination provisions.

Notwithstanding any other provision of this Chapter, all contracting agencies of the City, or any department thereof, acting for or on the behalf of the City, shall include in all contracts, franchises, leases, concessions or other agreements involving real or personal property, hereafter negotiated, let, awarded, granted, renegotiated, extended or renewed, in any manner or as to any portion thereof, a provision obligating the contractor, franchisee, lessee, concessionaire, or other party of said agreement not to discriminate against persons having AIDS or an AIDS related condition. (Ord. C-6635 § 1 (part), 1989)

8.94.070 Advertising.

It shall be unlawful for any person to make, print, publish, advertise, or disseminate in any way any notice, statement or advertisement with respect to any of the acts mentioned in this Chapter, which indicates an intent to engage in any unlawful practice as set forth in this Chapter. (Ord. C-6635 § 1 (part), 1989)

8.94.080 Retaliation.

It shall be unlawful for any person to do any of the acts prohibited in this Chapter or to retaliate against a person because a person: (1) has opposed any act or practice made unlawful by this Chapter; or (2) has supported this Chapter and its enforcement; or (3) has testified, assisted or participated in any way in any investigation, proceeding, or litigation under this Chapter. (Ord. C-6635 § 1 (part), 1989)

8.94.090 Liability.

Any person who violates any of the provisions of this Chapter or who aids in the violation of any provisions of this Chapter, shall be liable for, and the court shall award to any individual whose rights are violated, actual damages, Attorney's fees and costs. In addition, the court may award punitive damages in the sum of five hundred dollars ($500.00) or such greater sum as may be provided. (Ord. C-6635 § 1 (part), 1989)

8.94.100 Enforcement.

A. Civil Action. Any aggrieved person may enforce the provisions of this Chapter by means of a civil action.

B. Injunction. Any person who commits, or proposes to commit, an act in violation of this Chapter may be enjoined therefrom by any court of competent jurisdiction. An action for injunction under this Subsection may be brought by any aggrieved person, by the City Attorney, or by any person or entity which will fairly and adequately represent the interests of the protected class.

C. Survival of Cause of Action. Any cause of action authorized hereunder shall survive the death of the person alleging discrimination and may be pursued in the name of the estate of the deceased person. (Ord. C-6635 § 1 (part), 1989)

8.94.110 Limitation on action.

Actions under this Chapter must be filed within one (1) year of the alleged discriminatory acts. (Ord. C-6635 § 1 (part), 1989)

8.94.120 Preemption.

This Chapter shall not apply to any act of discrimination to the extent that regulation of such act is preempted by State or Federal law. (Ord. C-6635 § 1 (part), 1989)

8.94.130 Exceptions.

A. No part of this Chapter shall apply to any bona fide religious organization.

B. No part of this Chapter shall apply where a course of conduct is pursued which is necessary to protect the health or safety of the general public.

1. Burden of Proof. In any action brought under this Chapter, if a party asserts that an otherwise unlawful discriminatory practice is justified as necessary to protect the health or safety of the general public, that party shall have the burden of proving: (a) that the discrimination is in fact a necessary result of a necessary course of conduct pursued to protect the health or safety of the general public; and (b) that there exists no less discriminatory means of satisfying the necessary protection of the health or safety of the general public.

2. Compliance with Department of Health and Human Services Guidelines. Within the meaning of this Section a practice is deemed necessary to protect the health or safety of the general public if that practice is consistent with the United States Department of Health and Human Services Guidelines entitled "Recommendations for Preventing Transmission of Infection with Human T-Lymphotropic Virus Type 111, Lymphadenopathy—Associated Virus in the Workplace", published in November, 1985, and any supplemental guidelines as they may be issued. (Ord. C-6635 § 1 (part), 1989)

8.94.140 Severability.

If any part or provision of this Chapter or the application thereof to any person or circumstance is held invalid, the remainder of the Chapter, including the application of such part or provision to other persons or circumstances, shall not be affected thereby and shall continue in full force and effect. To this end, the provisions of this Chapter are severable. (Ord. C-6635 § 1 (part), 1989)

CHAPTER 8.95 DOMESTIC PARTNERSHIP REGISTRATION

8.95.010 Definition.

"Domestic partners" means two adults who have chosen to share one another's lives in an intimate and committed relationship of mutual caring. (Ord. C-7460 § 1, 1997)

8.95.020 Domestic partnership.

A domestic partnership shall exist between two (2) persons if all of the following are true:

A. They reside together. (Reside together means that two (2) people share the same place to live. It is not necessary that the legal right to possession be in both of their names. Two (2) people may reside together even if one (1) or both have additional places to live. Domestic partners do not cease to reside together if one (1) leaves the shared place but intends to return.)

B. Neither is legally married or a member of another domestic partnership.

C. They are not related by blood such that would bar marriage in the State of California.

D. They share the common necessities of life and consider themselves responsible for each other's welfare.

E. They are eighteen (18) years of age or older.

F. They have filed a Statement of Domestic Partnership as described in this Chapter. (Ord. C-7460 § 1, 1997)

8.95.030 Statement of Domestic Partnership.

Domestic partners shall make an official record of their domestic partnership by completing and filing with the City Clerk a Statement of Domestic Partnership as provided by the City Clerk in substantially the following form:

"STATEMENT OF DOMESTIC PARTNERSHIP

WE, THE UNDERSIGNED, DO DECLARE THAT:

1. We live together.
2. Neither of us is legally married or a member of another domestic partnership.
3. We are not related by blood.
4. We share the common necessities of life and we are responsible for each other's welfare.
5. We are both 18 years of age or older.
6. We agree to notify the City of the termination of our domestic partnership agreement.
7. (Optional) We are each other's domestic partner and declare under penalty of perjury under the laws of the State of California that the statements above are true and correct.

Executed on _____, 19____, at _____, California.

Signed;_____

Print Name_____

Address_____"

Such form shall be signed under penalty of perjury by both domestic partners and either or both partner(s) shall file it with the City Clerk. (Ord. C-7460 § 1, 1997)

8.95.040 Termination of domestic partnership.

A domestic partnership shall be deemed terminated by either:

A. The death of either domestic partner; or

B. The filing with the City Clerk of a Notice of Termination of Domestic Partnership in the following form:

"NOTICE OF TERMINATION OF A DOMESTIC PARTNERSHIP

THE UNDERSIGNED, DO/DOES DECLARE THAT:

1. _____ (Name of the individual as shown on Statement of Domestic Partnership) and I are no longer domestic partners, and;
2. I mailed my former domestic partner a copy of this notice at _____ on _____, 19____.

I declare under penalty of perjury under the laws of the State of California that the statements above are true and correct.

Executed on _____, 19____, at _____, California.

Signed_____

Print Name_____

Address_____

Phone_____"

(Ord. C-7460 § 1, 1997)

8.95.050 Maintenance of records.

The City Clerk shall maintain adequate records of statements of domestic partnerships or notices of termination which have been created or terminated by the domestic partners. (Ord. C-7460 § 1, 1997)

8.95.060 Fees.

The City Clerk shall charge a fee for the filing of the statement of domestic partnership, which fee shall be determined by resolution of the City Council. Payment of this fee entitles the person(s) filing a declaration on behalf of the domestic partnership to have two (2) copies of the declaration certified by the City Clerk. Certification of additional copies of the statement of domestic partnership or any copies of the notice of termination of domestic partnership shall cost an amount per copy to be determined by resolution of the City Council. (Ord. C-7460 § 1, 1997)

8.95.070 Civil actions.

Any person defrauded by a false statement contained in a statement of domestic partnership or notice of termination may bring a civil action for fraud to recover his or her losses. (Ord. C-7460 § 1, 1997)

8.95.080 Retaliation.

It shall be unlawful for any person or entity to discriminate against any person who seeks the benefits of this Chapter or who assists someone in obtaining the benefits of this Chapter. (Ord. C-7460 § 1, 1997)

8.95.090 Healthcare facilities visitation rights.

All hospitals, convalescent care facilities, residential care facilities, hospices and other long-term and short-term care facilities shall allow a domestic partner to visit, at the discretion of the patient, unless all visitors are prohibited.

Proof of such domestic partnership shall be in substantially the form provided by the City Clerk. Any facility which requires a declaration of proof of domestic partnership shall accept, but may not require anyone to submit, a copy of a statement of domestic partnership which has been filed with the City Clerk. (Ord. C-7460 § 1, 1997)

8.95.100 Jail visitation rights.

City jails shall allow a domestic partner to visit an inmate unless: (a) the applicable rules prohibit all visitors, or (b) the Police Department decides that a particular visitor is a threat to the security of the jail. (Ord. C-7460 § 1, 1997)

8.95.110 Durable power of Attorney.

At the time of filing of a statement of domestic partnership, the individuals might consider a durable power of Attorney for:

A. Healthcare, provided that any such document complies with applicable California law;

B. Any authorized purposes, including, but not limited to, the disposition of personal effects at the time of death, provided that any such document complies with applicable California law. (Ord. C-7460 § 1, 1997)

8.95.120 Limited effect.

This Chapter is not intended to make the California Uniform Partnership Act (Corporations Code section 15001 et seq.) applicable to domestic partnerships. (Ord. C-7460 § 1, 1997)

CHAPTER 8.96 STORMWATER AND RUNOFF POLLUTION CONTROL

8.96.010 Title.

This Chapter shall be known as the "Stormwater and Runoff Pollution Control Ordinance of the City of Long Beach" and may be referred to as such. (ORD-15-0029 § 1, 2015)

8.96.020 Statutory authority.

The provisions of the Ordinance codified in this Chapter are adopted pursuant to the Federal Water Pollution Control Act, also known as the Clean Water Act, as amended, 33 U.S.C.§ 1251 et seq; the Porter Cologne Act (California Water Code § 13000 et seq.), the regulations and stormwater permits issued thereunder, and any

other law relating directly or indirectly to stormwater discharge, or which may be violated by stormwater discharge or non-stormwater discharge to City storm drains or to receiving waters. (ORD-15-0029 § 1, 2015)

8.96.030 Purpose and intent.

A. The purpose of this Chapter is to protect and improve water quality of receiving waters by:

1. Prohibiting illicit discharges to the municipal stormwater system;

2. Eliminating illicit connections to the municipal stormwater system;

3. Eliminating spillage, dumping, and disposal of pollutant materials into the municipal stormwater system;

4. Reducing pollutant loads in stormwater and urban runoff from land uses and activities identified in the Municipal NPDES Permit.

B. The intent of this Chapter is to enhance and protect the water quality of the receiving waters of the United States in a manner that is consistent with the Clean Water Act and acts amendatory thereof or supplementary thereto, to applicable implementing regulations and the Municipal NPDES Permit and any amendment, revision, or reissuance thereof. (ORD-15-0029 § 1, 2015)

8.96.040 Definitions.

For the purpose of provisions of this Chapter concerning water quality hereinafter set forth, the following words and phrases shall be construed to have the meanings set forth, unless it is apparent from the context that a different meaning is intended. If the definition of any term contained in this section conflicts with the definition of the same term in the current Municipal NPDES Permit, then the definition contained in the Municipal NPDES Permit shall control.

A. "Best Management Practice" or "BMP" shall mean practices or physical devices or systems designed to prevent or reduce pollutant loading from stormwater or non-stormwater discharges to receiving waters.

B. "Clean Water Act" or "CWA" shall mean the Federal Water Pollution Control Act as amended, (33 U.S.C. 1251 et seq.).

C. "Construction General Permit" or "CGP" shall mean General Permit for Storm Water Discharges Associated with Construction and Land Disturbance Activities. General NPDES permit issued by the State Water Board, which authorizes the discharge of stormwater from construction activities under certain conditions.

D. "Director" shall mean the Director of Public Works of the City of Long Beach, the Director of Environmental Planning of the Port of Long Beach, the Director of Development Services of the City of Long Beach or their duly authorized designee.

E. "Executive Officer" shall mean Executive Officer of the California Regional Water Quality Control Board, Los Angeles.

F. "Good Housekeeping Practice" shall mean a best management practice related to the transfer, storage, use, or cleanup of materials performed in a regular manner that minimizes the discharge of pollutants to the storm drain system and/or receiving waters.

G. "Illicit Connection" shall mean any man-made conveyance that is connected to the storm drain system without a permit, excluding roof drains and other similar type connections. Examples include channels, pipelines, conduits, inlets, or outlets that are connected directly to the storm drain system.

H. "Illicit Discharge" shall mean any discharge into the MS4 that is prohibited under local, state, or federal statutes, ordinances, codes, or regulations. The term illicit discharge includes any non-stormwater discharge, except authorized non-stormwater discharges; conditionally exempt non-stormwater discharges; and non-stormwater discharges resulting from natural flows specifically identified in the Municipal NPDES Permit.

I. "Industrial Activity" shall mean activities related to or involving manufacturing, processing or material storage at an industrial facility, including activities described in 40 Code of Federal

Regulations Section 122.26(b)(14). Industrial activity may be subject to Stormwater Permit requirements.

J. "Low Impact Development" or "LID" shall mean the implementation of systems and practices that use or mimic natural processes to: 1) infiltrate and recharge, 2) evapotranspire, and/or 3) harvest and use precipitation near to where it falls to earth.

K. "Industrial General Permit" or "IGP" shall mean the General Permit for Storm Water Discharges Associated with Industrial Activities. General NPDES permit issued by the State Water Board, which authorizes the discharge of stormwater from certain industrial activities under certain conditions.

L. "Municipal NPDES Permit" shall mean the Municipal Separate Storm Sewer System (MS4) permit issued by the most recent order of the California Regional Water Quality Control Board, Los Angeles Region, to which the City is subject.

M. "Municipal Separate Storm Sewer System" or "MS4" shall mean those facilities within the City by which stormwater discharge is conveyed to waters of the United States, including but not limited to flood control channels, roads with drainage systems, alleys, streets, catch basins, grates, inlets, curbs, gutters, ditches, storm drains, canals, pipes, and fabricated and natural channels.

N. "Non-stormwater Discharge" shall mean any discharge to the storm drain system and/or receiving waters that is not composed entirely of stormwater.

O. "National Pollutant Discharge Elimination System" or "NPDES" shall mean the national program for issuing, modifying, revoking and reissuing, terminating, monitoring and enforcing permits, and imposing and enforcing pretreatment requirements, under CWA §§ 307, 402, 318, and 405. The term includes an "approved program."

P. "Owner" as applied to a building or real property shall mean any part owner, joint owner, tenant in common, tenant in partnership, joint tenant or tenant by the entirety of the whole or part of such building or real property.

Q. "Person" shall mean within the context of this Chapter, any natural person, firm, association, organization, partnership, business trust, corporation or company.

R. "Pollutant" shall mean the same as it is defined in California Water Code Section 13373 and includes, but is not limited to, garbage, debris, lawn clippings, leaves, fecal waste, biological waste sediment, sludge, manure, fertilizers, pesticides, oil, grease, gasoline, paints, solvents, cleaners, and any fluid or solid containing toxic or nontoxic chemicals, metals, including batteries.

S. "Receiving Waters" shall mean a "water of the United States" into which waste and/or pollutants are, or may be, discharged.

T. "Regional Board" shall mean the California Regional Water Quality Control Board, Los Angeles Region.

U. "Runoff" shall mean any runoff including stormwater and non-stormwater from a drainage area that reaches a receiving water body.

V. "State Board" or "SWRCB" shall mean the State Water Resources Control Board of the California Environmental Protection Agency.

W. "Stormwater Laws" shall mean the Clean Water Act (33 U.S.C. § 1251 et seq.), the Porter-Cologne Act (California Water Code § 13000 et seq.), the regulations and Stormwater Permits issued thereunder, and any other law relating directly or indirectly to stormwater discharge or non-stormwater discharge to the MS4 or receiving waters.

X. "Stormwater Permit" shall mean any applicable individual or general NPDES Permit or waste discharge requirements, waiver of waste discharge requirements or other authorization by a Governmental Authority issued pursuant to Stormwater Laws that pertain to stormwater runoff, as such may be amended, modified or revised from time to time. Stormwater Permit includes without limitation the General NPDES permits pertaining to stormwater discharge from industrial activity, construction activity and MS4s.

Y. "Stormwater" shall mean storm water runoff, snow melt runoff, and surface runoff and

drainage related to precipitation events (pursuant to 40 CFR § 122.26(b)(13); 55 Fed. Reg. 47990, 47995 (Nov. 16, 1990)).

Z. "Urban Runoff" shall mean surface water flow produced by non-stormwater resulting from residential, commercial and industrial activities. (ORD-22-0034 § 1, 2022; ORD-15-0029 § 1, 2015)

8.96.050 Illicit discharges and non-stormwater discharges.

A. No person shall cause or allow an illicit discharge to enter the municipal stormwater system.

B. Any person causing an illicit discharge to the MS4 may be required by the Director to pay for the cost of cleanup and remediation.

C. Any owner of any private property from which a non-stormwater discharge is observed may be required by the Director to pay for the cost of collecting and analyzing the discharge to determine if it is an illicit discharge.

D. Any person causing a discharge which exceeds a receiving water limitation shall be required to halt the discharge.

E. The following non-stormwater discharges are not considered illicit discharges:

1. Exempt discharges specified in the Municipal NPDES Permit, including flows from riparian habitats and wetlands, diverted stream flows authorized by the State Water Board or Los Angeles Water Board, natural springs, rising ground waters where groundwater seepage is not otherwise covered by a NPDES permit, uncontaminated groundwater infiltration; and discharges or flows from emergency firefighting activities.

2. Conditionally exempt non-stormwater discharges specified in the Municipal NPDES Permit. Such discharges include, but are not limited to, essential non-emergency firefighting activities, drinking water systems that are not otherwise regulated by another NPDES permit, dewatering of lakes, landscape irrigation, dechlorinated/dibrominated swimming pool, dewatering of decorative fountains, individual residential car washing, street/sidewalk wash water, or any other discharge that the Director deems not to be a significant source of pollution, such non-stormwater discharges shall be conducted in a manner not in violation of other provisions of this Chapter.

3. Non-stormwater discharges specifically allowed under a separate NPDES permit including, but not limited to, a general industrial stormwater activity permit or general construction stormwater activity permit. (ORD-22-0034 § 2, 2022; ORD-15-0029 § 1, 2015)

8.96.060 Illegal disposal/dumping.

No person shall intentionally place, litter, accumulate, maintain, discharge or cause to enter into the MS4 any pollutant or any foreign object such as batteries, tires, waste receptacles, yard debris, refuse, rubbish, food waste, chemicals, animal waste or oil cans. (ORD-15-0029 § 1, 2015)

8.96.070 Illicit connections.

A. No person shall maintain or intentionally use a connection that operates to convey an illicit discharge to the municipal stormwater system.

B. Upon discovery of an illicit connection, the person owning or operating such connection shall either remove it or render it incapable of conveying an illicit discharge.

C. If any person fails to eliminate an illicit connection after being called upon by the City to do so, the Director shall take appropriate measures to remove or disable the illicit connection and may recover such costs from the owner of such illicit connection. (ORD-15-0029 § 1, 2015)

8.96.080 Reduction of pollutants in runoff.

A. No person shall cause or threaten to cause the discharge of pollutants to the MS4 by exposing such pollutants to stormwater runoff.

B. The owner of parking lot surfaces, public or private, that are exposed to stormwater shall clean the parking lot surface as often as necessary to remove refuse, residual oil, grease or other pollutants that might otherwise be discharged to the MS4 by runoff. (ORD-22-0034 § 3, 2022; ORD-15-0029 § 1, 2015)

8.96.090 Control of pollutants from commercial facilities.

A. Certain categories of commercial facilities specified in the Municipal NPDES Permit or identified by the City as being significant contributors of pollution, shall implement BMPs prescribed by the Regional Board or its Executive Officer, through programs or actions made pursuant to the Municipal NPDES Permit, or by the Director, to minimize the discharge of pollutants to the MS4. These include source control BMPs identified in Table 6 of the Municipal NPDES Permit.

B. Certain categories of commercial facilities shall be inspected for pollution issues and BMP compliance with the most current Municipal NPDES Permit and approved Watershed Management Programs in accordance with the inspection schedule called for in the Municipal NPDES Permit or approved Watershed Management Program, or as often as necessary as determined by the City. (ORD-22-0034 § 4, 2022; ORD-15-0029 § 1, 2015)

8.96.100 Control of pollutants from industrial activities.

A. It shall be a violation of this Chapter for any industry in the City that is subject to waste discharge requirements specified in the Industrial General Permit, any revision made thereto, or a reissuance of such order, to operate without a NPDES Industrial General Permit.

B. Industries that require a NPDES Industrial General Permit shall retain on-site the following documents which evidence compliance with permit requirements:

1. A copy of the notice of intent for general permit to discharge stormwater associated with industrial activity;

2. A waste discharge identification number issued by the SWRCB; and

3. A stormwater pollution prevention plan and monitoring program plan.

C. Any industry in the City requiring a NPDES Industrial General Permit shall, upon reasonable request from a duly authorized officer of the City, provide any of the documents described in Subsection (B) of this Section.

D. Any industry, whether or not subject to the NPDES Industrial General Permit, may be inspected in accordance with a schedule established by the Municipal NPDES Permit or as often as necessary as determined by the City for the purpose of determining compliance with BMP requirements or to abate pollution issues.

E. Any industry, whether or not subject to the NPDES Industrial General Permit, shall implement BMPs prescribed by the Regional Board or its Executive Officer, through programs or actions made pursuant to the Municipal NPDES Permit, or by the Director, to minimize the discharge of pollutants to the MS4. These include source control BMPs identified in Table 6 of the Municipal NPDES Permit. (ORD-22-0034 § 5, 2022; ORD-15-0029 § 1, 2015)

8.96.110 Control of pollutants from construction activities requiring Construction General Permit coverage.

A. No person shall be granted a grading permit or shall commence or continue any construction activity in the City that causes the disturbance of one (1) acre or more of land by clearing, grading, or excavating without demonstrating to the City that such person has obtained a NPDES Construction General Permit from the SWRCB. NPDES construction activity does not include: 1) routine maintenance to maintain original line and grade; 2) hydraulic capacity; 3) the original purpose of the facility; or 4) emergency construction activities required to immediately protect the public health and safety.

B. Any person engaged in a construction activity in the City requiring a NPDES Construction General Permit shall retain at the construction site the following documents: 1) a copy of the notice of intent to comply with terms of the general permit to discharge water associated with construction activity; 2) a waste discharge identification number issued by the SWRCB; 3) a

stormwater pollution prevention plan and monitoring program plan for the construction activity requiring the construction permit; and 4) records of all inspections, compliance and noncompliance reports, evidence of self-inspection and good housekeeping practices.

C. Any person engaged in a construction activity in the City requiring a general construction stormwater activity permit shall, upon reasonable request from a duly authorized officer of the City, provide any of the documents described in Subsection (B) of this Section and shall retain said documents for at least three (3) years after completion of construction, or a Certificate of Occupancy, whichever is later. (ORD-22-0034 § 6, 2022; ORD-15-0029 § 1, 2015)

8.96.120 Control of pollutants from other construction activities.

A. No person shall be granted a grading permit for a construction project that is expected to cause a disturbance of less than one (1) acre of land by grading, clearing, and/or excavation without consenting to implement erosion and sediment control BMPs prescribed by the City to reduce pollutant discharges to the MS4 associated with construction activities. Such BMPs include those identified in Table 7 and Table 8 of the Municipal NPDES Permit.

B. No person shall be allowed to commence or continue any construction activity in the City that causes the disturbance of less than one (1) acre of land by grading, clearing, and/or excavating without implementing erosion and sediment control BMPs prescribed by the City. Such BMPs include those identified in Table 7 and Table 8 of the Municipal NPDES Permit. (ORD-22-0034 § 7, 2022; ORD-15-0029 § 1, 2015)

8.96.130 Control of pollutants from new development/redevelopment projects.

A. Applicability. Prior to the construction of any priority development project that is subject to the planning and development program requirements specified in the Municipal NPDES Permit, such project shall be evaluated by the City for its potential to discharge pollutants to the MS4 and shall reduce or prevent such discharge. Such project shall comply with the applicable requirements of the Municipal NPDES Permit and Low Impact Development (LID) standards and implemented in accordance with the manual developed by the City. The City's manual is hereby incorporated herein by this reference and shall be made available for review and use by the public.

B. Requirement. Once a priority development project has been evaluated for its potential to discharge pollutants to the MS4, the City shall require appropriate BMPs, both structural (i.e., LID) and nonstructural, to be implemented on a post-construction basis, and shall require a maintenance agreement to assure the proper performance of such BMPs.

C. Enforcement. The Director is authorized to require plan review of construction documents, issuance of applicable permits, conduct post-construction inspections, and request reports for the purpose of verifying proper operation and maintenance of structural BMPs.

D. Manual. The Director shall prepare, maintain, and update, as deemed necessary and appropriate, the NPDES Manual and shall include technical information and implementation parameters, alternative compliance for technical infeasibility, as well as other rules, requirements and procedures as the City deems necessary, for implementing the provisions of this Section and Chapter. (ORD-22-0034 § 8, 2022; ORD-15-0029 § 1, 2015)

8.96.140 Inspections and monitoring.

A. Inspections. Whenever necessary to make an inspection to assess or enforce compliance with this Ordinance, or whenever the Director reasonably believes a condition exists or potentially exists on a Premises which constitutes a violation of this Ordinance or Stormwater Laws, or poses a threat to water quality, the Director may enter such Premises at all reasonable times, upon reasonable notice, to inspect such Premises, review or copy records related to Stormwater or perform any duty imposed by this Ordinance. The Director

may seek assistance from any court of competent jurisdiction in obtaining such entry, as appropriate.

B. Imminent Threat. The Director shall be permitted to immediately enter any Premises and inspect, monitor, sample, and undertake other necessary actions when, in the Director's opinion, there exists an immediate threat to the health, safety or welfare of the public.

C. Observations and Sampling. During any inspection as provided herein, the Director may photographically record site observations and take samples and perform any testing deemed necessary to investigate or document site conditions, or otherwise support the site inspection or investigation. (ORD-15-0029 § 1, 2015)

8.96.150 Violations.

A. Acts in Violation of this Ordinance. It shall be a violation of this Ordinance for any person to:

1. Fail to comply with any provision of this Ordinance;

2. Conceal a violation of this Ordinance;

3. Fail to timely comply with a directive of the Director issued pursuant to this Ordinance;

4. Fail to comply with conditions of approval for construction projects; or

5. Cause or permit any discharge to the City storm drains or receiving waters that constitutes a nuisance, causes or contributes to a violation of applicable Stormwater Laws, including any such prohibitions, limitations, and requirements applicable to discharges from City Storm Drains conveying Stormwater discharge from such person's activities, Premises or facility to receiving waters.

B. Separate Violations. A separate violation shall be deemed committed on each day during or on which a violation occurs or continues. A person who violates any provision of this Ordinance may also be in violation of Stormwater Laws and may be separately subject to the additional sanctions of such laws including civil and criminal penalties. The violation of any provision of this Chapter is hereby declared to be a nuisance, and may be abated by the City in accordance with its authority to abate nuisances.

C. The remedies listed in this Chapter are not exclusive of any other remedies available to the City under any applicable Federal, State or local law and it is within the discretion of the City to seek cumulative remedies.

D. The Director may issue notice of violation and administrative orders to any other person who has failed to comply with either a notice of violation or other administrative order an invoice for costs for reimbursement of the City's actual costs incurred in issuing and enforcement of any provision of this Chapter.

E. The Director may require that any person engaged in any activity and/or owning or operating any facility which may cause or contribute to stormwater pollution or contamination, illicit discharges and/or discharge of nonstormwater to the stormwater system, undertake such monitoring activities and/or analysis and furnish such reports as the officer may specify. The burden, including costs, of these activities, analysis and reports shall bear a reasonable relationship to the need for the monitoring, analysis and the benefits to be obtained.

F. The Director may prepare and update as appropriate from time to time, policies, procedures, specifications and other guidance to implement this Ordinance, City Stormwater programs or the requirements of Stormwater Laws. (ORD-15-0029 § 1, 2015)

8.96.160 Enforcement actions.

Whenever the Director finds or has reason to believe that a violation of this Ordinance has occurred or is occurring, the Director may take all appropriate action and pursue all available legal remedies to enforce this Ordinance, including, but not limited to, the following:

A. Notice of Violation ("NOV"). The Director may issue a written NOV describing the violation, requiring action, specifying the time period or deadline for such action, and notifying the alleged violator of his or her right to protest the

order as provided in Section 8.96.190 of this Ordinance. The written NOV may, at the Director's discretion, include one or more of the following:

1. An order to abate a nuisance or correct a violation, including immediate action to clean up any spill or abate any violation that poses an immediate threat to public health, safety or the environment. The Director may require abatement of uncontrolled sources of pollutants within thirty (30) calendar days of notification if such pollutants could pose an environmental threat. The Director may, as appropriate, require a spill, discharge or pollutant release cleaned up and abated within seventy-two (72) hours of notification. An order to abate and/or clean up shall set forth a deadline for completion, and shall further advise that, should the violator fail to abate or clean up by the established deadline, the work will be done by the City or a contractor designated by the Director and the expense thereof shall be charged to the violator pursuant to Section 8.96.160;

2. An order to construct, implement, operate, repair, maintain and/or replace source control or treatment BMPs;

3. An order to cease and desist specified discharges, practices, activities or operations within a specified time frame if pollutant sources or activities are not abated;

4. An order to investigate and/or eliminate illicit discharges or illicit connections;

5. An order to inspect and/or monitor. Monitoring may include sampling and analysis;

6. An order to prepare and/or submit documents or reports;

7. An order to reimburse costs, including administrative, abatement, remediation, sampling and analysis, legal and staff time costs; or

8. An order to undertake any other action to eliminate a violation.

B. Inspections. The City may perform inspections to confirm a person has addressed an NOV to the Director's satisfaction.

C. Notice of Penalty ("NOP"). The Director may issue a written NOP describing the violation and ordering the recipient to pay, within a specified period of time, a penalty as provided in Section 8.69.180 of this Ordinance. The NOP must notify the violator of his or her right to protest the penalty as provided in Section 8.96.190 of this Ordinance.

D. Extension of Time. If an extension of time is required to clean up or abate a spill, discharge or pollutant release, or take other action directed in an NOV or NOP, the Director may establish a new time frame and notify appropriate Governmental Authorities of such revised timeframe as may be required by Stormwater Laws.

E. Legal Action. Whenever any condition is caused or permitted to exist in violation of any of the provisions of this Ordinance that the Director determines is a threat to public health, safety, or the environment, and declares to be a nuisance, the Director may, in addition to the enforcement processes and penalties herein provided, commence legal actions and/or equitable proceedings in a court of competent jurisdiction to abate, enjoin, or otherwise compel the cessation of such nuisance or abatement of the nuisance at the violator's expense. If the City prevails in such action and/or proceeding, it shall be entitled to recover costs, attorneys' fees, and costs of City's attorneys and staff in addition to any taxes, fees, assessments, penalties and interest.

F. Written Enforcement Notices. Any written notice provided under Section 8.96.160 shall be served personally by hand delivery, certified mail or email to the owner or occupant of the Premises where the violation occurred, or to the person believed responsible for the violation, or both.

G. Notice to State and Federal Authorities. Notwithstanding any other provision of this Ordinance, the Director may report known or suspected violations of Stormwater Laws, to Governmental Authorities. (ORD-15-0029 § 1, 2015)

8.96.170 Abatement.

A. Failure to Abate. If a nuisance has not been abated as required by the NOV, or if a spill or release has not been abated or cleaned up as required by the NOV the City may enter upon the subject Premises and abate and/or clean up the nuisance or spill at the expense of the City and the

City may recover the amount of such expense, including the cost of inspection, enforcement and correction to the full extent permitted by Government Code Section 54988, as it may be amended from time to time.

B. Emergency. When, in the Director's discretion, a condition exists which poses an immediate threat to the public health, safety or the environment, or an immediate threat of significant violation of Stormwater Laws affecting public health, safety or the environment, the Director may immediately enter the subject Premises and inspect or perform or cause to be performed work necessary to abate such danger or threat or to clean-up a release.

C. Reimbursement. The costs of abatement or clean-up performed by the City shall be fully reimbursed by the premises owner, occupant and/or responsible person as appropriate. Any relief obtained under this Section 8.69.170 shall not prevent the City from seeking other and further relief authorized under this Ordinance, other applicable Laws or any agreement with the City. Failure to reimburse the City within a reasonable time shall constitute a violation of this Ordinance. (ORD-15-0029 § 1, 2015)

8.96.180 Penalties.

A. Penalties. In addition to all other costs, a person who violates or fails to comply with a NOV or any provision of this Ordinance shall, upon written NOP as provided in Section 8.69.160(C) above, be subject to a penalty of up to and including Five Hundred Dollars ($500.00) per day for each violation, as such amount may be modified from time to time in the Municipal Code of the City.

B. Penalty Alternative. In lieu of enforcement proceedings, penalties, and remedies authorized by this Ordinance, the Director may require alternative compensatory actions, including but not limited to, monitoring, installing Stormwater Facilities, storm drain stenciling, attendance at compliance workshops, shore cleanup, and other measures as appropriate in the Director's discretion.

C. Revocation of Authorizations. The Director, may, in his/her discretion, revoke or modify City authorizations, terminate any tenancy agreement or right of occupancy of City Premises, or revoke or modify any license, authorization or other privilege conferred by the City, for significant or chronic violation of Stormwater Laws. (ORD-15-0029 § 1, 2015)

8.96.190 Appeal.

A. Filing a Protest. Any person named in an NOV or NOP may protest such order or penalty or attorneys' fees and costs by sending by certified mail or hand delivering to the Director's office a written request for review within twenty (20) calendar days of receipt of such NOV or NOP. Such protest shall specify all reasons why the order or penalty or assessment of attorneys' fees should be rescinded or modified.

B. Review and Decision. Within twenty (20) calendar days of receipt of a protest, the Director shall send a written decision by certified mail to the person filing such protest. The Director's decision shall be final, unless, within ten (10) calendar days of receipt of such decision, the person requests in writing, by certified mail or hand delivery, that a hearing be held on the matter.

C. Hearing. Within ten (10) calendar days of receiving a request for a hearing, the Director shall send a written notice of the date and time of a public hearing to the requesting person. At any such hearing, the requesting person may attend, give testimony, and present evidence. The issues addressed at the hearing shall be limited to those specifically raised in the hearing request. The hearing is an administrative process, not a criminal proceeding or a civil court of law proceeding. Costs of transcription of any testimony taken shall be borne by the person requesting transcription. The Director may affirm, modify or reverse any aspect of the written notice under review. The Director shall issue a final decision within twenty (20) calendar days of the hearing.

D. Liens. Notwithstanding any other provision of this Ordinance to the contrary, the costs incurred by the City in the abatement of a viola-

tion or nuisance may be placed against any privately owned and affected property as either a nuisance abatement lien or a special assessment lien pursuant to Government Code Section 38771 et seq., as amended from time-to-time or a lien pursuant to Government Code Section 54988, as amended from time to time. The City may enforce a lien under this Ordinance in any manner permitted by Law, including filing a civil action to either foreclose on its liens or to obtain a money judgment or both, or pursuing nonjudicial foreclosure. The City may elect, upon thirty (30) calendar days written notice to all known and record owners of the privately owned and affected Premises, to convert any nuisance abatement lien authorized by this Ordinance to a special assessment lien, or vice versa. Costs recoverable under this Ordinance shall include those categories of costs and fees set forth in Civil Code Section 3496, regardless of the type of nuisance involved. (ORD-15-0029 § 1, 2015)

8.96.200 Remedies not exclusive.

The remedies provided for in this Ordinance shall be cumulative and not exclusive of any other remedies and shall not preclude the City from any other relief which otherwise is available. (ORD-15-0029 § 1, 2015)

8.96.210 Fees.

The City Council may establish fees recover costs for complying with the requirements of this Chapter, including, but not limited to, plan review fees, cleanup and abatement fees, and inspection fees, which may be fixed and established from time to time by the City Council by resolution. (ORD-22-0034 § 9, 2022; ORD-15-0029 § 1, 2015)

8.96.220 Compliance responsibility.

The standards set forth herein and promulgated pursuant to this Ordinance are minimum standards. Compliance with this Ordinance does not ensure compliance with Stormwater Laws. Any person subject to requirements of Stormwater Laws or Stormwater Permits shall be responsible for their compliance with Stormwater Laws or Stormwater Permits. (ORD-15-0029 § 1, 2015)

8.96.230 Multi-Agency agreements.

The City Council or as designated, the City Manager, may enter into interagency agreements with other owner/operators of the MS4 to control the contribution of pollutants from shared portions of the MS4. (ORD-15-0029 § 1, 2015)

8.96.240 Miscellaneous provisions.

A. Written Notice. Except as otherwise provided in this Ordinance or by the Director, any written notice or request provided under this Ordinance may be delivered by hand delivery, mail or email.

B. Conflict of Law. This Ordinance is not intended to interfere with, abrogate or annul any other ordinance, resolution rule, or regulation, statute, or other provision of Law. If any provision of this Ordinance imposes restrictions different from those imposed by any other City ordinance, resolution, rule, or regulation or other provision of Law, the provision that is more restrictive or imposes a higher protective standard for the City, human health, safety or the environment shall take precedence.

C. Liability of City. Persons subject to Stormwater Laws shall be solely responsible for compliance with such laws. The Director, including any City or Port official or employee, acting under authorization of this Ordinance, if acting in good faith and within the course and scope of his/her employment, shall not be liable for any damage that may accrue to persons or Premises as the result of or by reason of any act or omission occurring in the good faith discharge of the duties of employment. Neither the City nor any agent or employee thereof shall be liable for any injury or damage resulting from any person's reliance on this Ordinance or any administrative decision lawfully made thereunder.

D. Severability. The provisions of this Ordinance are hereby declared to be severable. If any provision, clause, sentence, or paragraph of this Ordinance or the application thereof to any person, establishment, or circumstances shall be held invalid, such invalidity shall not affect the other

provisions or application of this Ordinance. (ORD-15-0029 § 1, 2015)

CHAPTER 8.97 RESERVED*

CHAPTER 8.98 TEMPORARY PROHIBITION OF NO-FAULT NOTICES AND EVICTIONS

8.98.010 Purpose.

On October 8, 2019, Assembly Bill 1482 ("AB 1482"), the Tenant Protections Act of 2019, was passed to address a key cause of California's affordable housing crisis by preventing rent gouging and arbitrary evictions. AB 1482 becomes effective on January 1, 2020.

The City of Long Beach is experiencing a housing affordability crisis, which is driving homelessness and displacement of residents to an unprecedented scale. Approximately fifty-one percent (51%) the City's renters are rent burdened, paying over thirty percent (30%) of their income on rent. Approximately twenty-seven percent (27%) of renters are severely rent burdened, paying over fifty percent (50%) of their income on rent. No renter protections presently exist for the approximately 69,000 households in the City that will be covered by AB 1482 beginning on January 1, 2020.

Escalating real estate values provide an incentive to landlords to evict long-term, lower-income tenants, without cause, to raise rents and attract wealthier tenants, before AB 1482 becomes effective. Tenants have reported experiencing an increase of no-fault eviction notices and threats of eviction. Therefore, it is imperative that the City implement temporary strategies to keep people housed.

This Chapter will temporarily prohibit no-fault notices and evictions through December 31, 2019, for residential real property that will be covered by AB 1482 beginning on January 1, 2020. (ORD-19-0029(Emerg.) § 1, 2019)

***Editor's note**—ORD-19-0035(Emerg.) § 1, adopted Dec. 10, 2019, repealed Ch. 8.97 §§ 8.97.010—8.97.070 entitled "Tenant Relocation Assistance," which derived from ORD-19-0014 § 1, 2019.

CHAPTER 8.97 RESERVED*

CHAPTER 8.98 TEMPORARY PROHIBITION OF NO-FAULT NOTICES AND EVICTIONS

8.98.010 Purpose.

On October 8, 2019, Assembly Bill 1482 ("AB 1482"), the Tenant Protections Act of 2019, was passed to address a key cause of California's affordable housing crisis by preventing rent gouging and arbitrary evictions. AB 1482 becomes effective on January 1, 2020.

The City of Long Beach is experiencing a housing affordability crisis, which is driving homelessness and displacement of residents to an unprecedented scale. Approximately fifty-one percent (51%) the City's renters are rent burdened, paying over thirty percent (30%) of their income on rent. Approximately twenty-seven percent (27%) of renters are severely rent burdened, paying over fifty percent (50%) of their income on rent. No renter protections presently exist for the approximately 69,000 households in the City that will be covered by AB 1482 beginning on January 1, 2020.

Escalating real estate values provide an incentive to landlords to evict long-term, lower-income tenants, without cause, to raise rents and attract wealthier tenants, before AB 1482 becomes effective. Tenants have reported experiencing an increase of no-fault eviction notices and threats of eviction. Therefore, it is imperative that the City implement temporary strategies to keep people housed.

This Chapter will temporarily prohibit no-fault notices and evictions through December 31, 2019, for residential real property that will be covered by AB 1482 beginning on January 1, 2020. (ORD-19-0029(Emerg.) § 1, 2019)

***Editor's note**—ORD-19-0035(Emerg.) § 1, adopted Dec. 10, 2019, repealed Ch. 8.97 §§ 8.97.010—8.97.070 entitled "Tenant Relocation Assistance," which derived from ORD-19-0014 § 1, 2019.

8.98.020 Definitions.

The following words and phrases, whenever used in this Chapter, shall be construed as defined in this Section:

A. Owner. The term "owner" is any person, acting as principal or through an agent, offering residential real property for rent, and includes a predecessor in interest to the owner.

B. Residential real property. The term "residential real property" is any dwelling or unit that is intended or used for human habitation. (ORD-19-0029(Emerg.) § 1, 2019)

8.98.030 Prohibition on no fault notices and evictions.

A. Through December 31, 2019, the owner of residential rental property shall not issue a notice to terminate a lawful tenancy, or otherwise move to terminate a lawful tenancy, without at-fault just cause, unless the termination is required to comply with an order issued by a government agency or court necessitating vacating the residential real property or to comport with due process, federal, or state law, which shall be stated in the written notice of termination of tenancy. This prohibition shall also apply to an owner's action that constitutes constructive eviction under California law. An owner's failure to comply with this Chapter shall render any notice of termination of tenancy void. This Chapter may be asserted as an affirmative defense in an unlawful detainer action. An owner's failure to comply with this Chapter does not constitute a criminal offense.

B. At-fault just cause is the following:

1. Default in the payment of rent.

2. A breach of a material term of the lease, as described in paragraph (3) of Section 1161 of the California Code of Civil Procedure, including, but not limited to, violation of a provision of a lease after being issued a written notice to correct the violation.

3. Maintaining, committing, or permitting the maintenance or commission of a nuisance as described in paragraph (4) of Section 1161 of the California Code of Civil Procedure.

4. Criminal activity by the tenant on the residential real property, including any common areas, or any criminal activity or criminal threat, as defined in subdivision (a) of Section 422 of the California Penal Code, on or off the residential real property against the owner of the residential real property.

5. Assigning or subletting the premises in violation of the tenant's lease, as described in paragraph (4) of Section 1161 of the California Code of Civil Procedure.

6. The tenant's refusal to allow the owner to enter the residential real property as authorized by Sections 1101.5 and 1954 of the California Civil Code, and Sections 13113.7 and 17926.1 of the California Health and Safety Code.

7. Using the premises for an unlawful purpose as described in paragraph (4) of Section 1161 of the California Code of Civil Procedure.

8. The employee, agent, or licensee's failure to vacate after their termination as an employee, agent, or licensee as described in paragraph (1) of Section 1161 of the California Code of Civil Procedure.

9. When the tenant fails to deliver possession of the residential real property after providing the owner written notice as provided in Section 1946 of the California Civil Code of the tenant's intention to terminate the hiring of the real property, or makes a written offer to surrender that is accepted in writing by the owner, but fails to deliver possession at the time specified in the written notice as described in paragraph (5) of Section 1161 of the California Code of Civil Procedure.

10. Tenant received all or a portion of a relocation payment pursuant to Chapter 8.97 and tenant remains in possession of the unit after lease termination without having returned the entirety of the relocation payment received to landlord on or before the date which is ten (10) days after the lease terminated.

C. This Chapter shall not apply to any of the following residential real property or residential circumstances:

1. Transient and tourist hotel occupancy as defined in subdivision (b) of Section 1940 of the California Civil Code.

2. Housing accommodations in a nonprofit hospital, religious facility, extended care facility, licensed residential care facility for the elderly, as defined in Section 1569.2 of the Health and Safety Code, or an adult residential facility, as defined in Chapter 6 of Division 6 of Title 22 of the Manual of Policies and Procedures published by the State Department of Social Services.

3. Dormitories owned and operated by an institution of higher education or a kindergarten and grades 1 to 12, inclusive, school.

4. Housing accommodations in which the tenant shares bathroom or kitchen facilities with the owner who maintains their principal residence at the residential real property.

5. Single-family owner-occupied residences, including a residence in which the owner-occupant rents or leases no more than two (2) units or bedrooms, including, but not limited to, an accessory dwelling unit or a junior accessory dwelling unit.

6. A duplex in which the owner occupied one (1) of the units as the owner's principal place of residence at the beginning of the tenancy, so long as the owner continues in occupancy.

7. Housing that has been issued a certificate of occupancy within the previous fifteen (15) years.

8. Residential real property that is alienable separate from the title to any other dwelling unit, provided that the owner is not any of the following:

a. A real estate investment trust, as defined in Section 856 of the Internal Revenue Code.

b. A corporation.

c. A limited liability company in which at least one (1) member is a corporation.

9. Housing restricted by deed, regulatory restriction contained in an agreement with a government agency, or other recorded document as affordable housing for persons and families of very low, low, or moderate income, as defined in Section 50093 of the Health and Safety Code, or subject to an agreement that provides housing subsidies for affordable housing for persons and

families of very low, low, or moderate income, as defined in Section 50093 of the Health and Safety Code or comparable federal statutes.

10. Residential real property encumbered by enforceable loan covenants in existence prior to November 5, 2019, to the extent compliance with this Chapter would necessarily result in a breach of such covenants. (ORD-19-0029(Emerg.) § 1, 2019)

8.98.040 Application.

This Chapter shall apply to tenancies where the tenant remains in possession and the eviction lawsuit has not been adjudicated. (ORD-19-0029(Emerg.) § 1, 2019)

8.98.050 Severability.

If any provision of this Chapter is found to be unconstitutional or otherwise invalid by any court of competent jurisdiction, that invalidity shall not affect the remaining provisions of this Chapter which can be implemented without the invalid provisions, and to this end, the provisions of this article are declared to be severable. The City Council hereby declares that it would have adopted this Chapter and each provision thereof irrespective of whether any one or more provisions are found invalid, unconstitutional or otherwise unenforceable. (ORD-19-0029(Emerg.) § 1, 2019)

CHAPTER 8.99 JUST CAUSE FOR TERMINATION OF TENANCIES

8.99.010 Findings and purpose.

In accordance with California Civil Code Section 1946.2(i)(1)(B), the City Council finds that the provisions of this Chapter 8.99 regulating just cause terminations of tenancies are more protective than California Civil Code Section 1946.2 for the following reasons:

(a) The just cause for termination of a residential tenancy under this Chapter 8.99 is consistent with California Civil Code Section 1946.2.

(b) This Chapter 8.99 provides additional tenant protections that are not prohibited by any other provisions of applicable law. (ORD-24-0011(Emerg.) § 1, 2024; ORD-22-0006 § 1, 2022; ORD-20-0007(Emerg.) § 1, 2020)

8.99.020 Just cause termination of tenancy protections.

(a) Notwithstanding any other law, after a tenant has continuously and lawfully occupied a residential real property for 12 months, the owner of the residential real property shall not terminate the tenancy without just cause, which shall be stated in the written notice to terminate tenancy. If any additional adult tenants are added to the lease before an existing tenant has continuously and lawfully occupied the residential real property for 24 months, then this subdivision shall only apply if either of the following are satisfied:

(1) All of the tenants have continuously and lawfully occupied the residential real property for 12 months or more.

(2) One or more tenants have continuously and lawfully occupied the residential real property for 24 months or more.

(b) For purposes of this Chapter, "just cause" means either of the following:

(1) At-fault just cause, which means any of the following:

(A) Default in the payment of rent.

(B) A breach of a material term of the lease, as described in paragraph (3) of Section 1161 of the California Code of Civil Procedure, including, but not limited to, violation of a provision of the lease after being issued a written notice to correct the violation.

(C) Maintaining, committing, or permitting the maintenance or commission of a nuisance as described in paragraph (4) of Section 1161 of the California Code of Civil Procedure.

(D) Committing waste as described in paragraph (4) of Section 1161 of the California Code of Civil Procedure.

(E) The tenant had a written lease that terminated on or after January 1, 2020, or January 1, 2022, if the lease is for a tenancy in a mobile home, and after a written request or demand from the owner, the tenant has refused to execute a written

extension or renewal of the lease for an additional term of similar duration with similar provisions, provided that those terms do not violate this Chapter or any other provision of law.

(F) Criminal activity by the tenant on the residential real property, including any common areas, or any criminal activity or criminal threat, as defined in subdivision (a) of Section 422 of the California Penal Code, on or off the residential real property, that is directed at any owner or agent of the owner of the residential real property.

(G) Assigning or subletting the premises in violation of the tenant's lease, as described in paragraph (4) of Section 1161 of the California Code of Civil Procedure.

(H) The tenant's refusal to allow the owner to enter the residential real property as authorized by Sections 1101.5 and 1954 of the California Civil Code, and Sections 13113.7 and 17926.1 of the California Health and Safety Code.

(I) Using the premises for an unlawful purpose as described in paragraph (4) of Section 1161 of the California Code of Civil Procedure.

(J) The employee, agent, or licensee's failure to vacate after their termination as an employee, agent, or a licensee as described in paragraph (1) of Section 1161 of the California Code of Civil Procedure.

(K) When the tenant fails to deliver possession of the residential real property after providing the owner written notice as provided in Section 1946 of the California Civil Code of the tenant's intention to terminate the hiring of the real property, or makes a written offer to surrender that is accepted in writing by the landlord, but fails to deliver possession at the time specified in that written notice as described in paragraph (5) of Section 1161 of the California Code of Civil Procedure.

(2) No-fault just cause, which means any of the following:

(A) (i) Intent to occupy the residential real property by the owner or the owner's spouse, domestic partner, children, grandchildren, parents, or grandparents for a minimum of 12 continuous months as that person's primary residence.

(ii) For leases entered into on or after July 1, 2020, or July 1, 2022, if the lease is for a tenancy in a mobile home, clause (i) shall apply only if the tenant agrees, in writing, to the termination, or if a provision of the lease allows the owner to terminate the lease if the owner, or the owner's spouse, domestic partner, children, grandchildren, parents, or grandparents, unilaterally decides to occupy the residential real property. Addition of a provision allowing the owner to terminate the lease as described in this clause to a new or renewed rental agreement or fixed-term lease constitutes a similar provision for the purposes of subparagraph (E) of paragraph (1).

(iii) This subparagraph does not apply if the intended occupant occupies a rental unit on the property or if a vacancy of a similar unit already exists at the property.

(iv) The written notice terminating a tenancy for a just cause pursuant to this subparagraph shall contain the name or names and relationship to the owner of the intended occupant. The written notice shall additionally include notification that the tenant may request proof that the intended occupant is an owner or related to the owner as defined in subclause (II) of clause (viii). The proof shall be provided upon request and may include an operating agreement and other nonpublic documents.

(v) Clause (i) applies only if the intended occupant moves into the rental unit within 90 days after the tenant vacates and occupies the rental unit as a primary residence for at least 12 consecutive months.

(vi) (I) If the intended occupant fails to occupy the rental unit within 90 days after the tenant vacates or fails to occupy the rental unit as their primary residence for at least 12 consecutive months, the owner shall offer the unit to the tenant who vacated it at the same rent and lease terms in effect at the time the tenant vacated and shall reimburse the tenant for reasonable moving expenses incurred in excess of any relocation assistance that was paid to the tenant in connection with the written notice.

(II) If the intended occupant moves into the rental unit within 90 days after the tenant vacates, but dies before having occupied the rental unit as a

primary residence for 12 months, as required by clause (v), this will not be considered a failure to comply with this section or a material violation of this section by the owner as provided in subdivision (h).

(vii) For a new tenancy commenced during the time periods described in clause (v), the accommodations shall be offered and rented or leased at the lawful rent in effect at the time any notice of termination of tenancy is served.

(viii) As used in this subparagraph:

(I) "Intended occupant" means the owner of the residential real property or the owner's spouse, domestic partner, child, grandchild, parent, or grandparent, as described in clause (i).

(II) "Owner" means any of the following:

(ia) An owner who is a natural person that has at least a 25-percent recorded ownership interest in the property.

(ib) An owner who is a natural person who has any recorded ownership interest in the property if 100 percent of the recorded ownership is divided among owners who are related to each other as sibling, spouse, domestic partner, child, parent, grandparent, or grandchild.

(ic) An owner who is a natural person whose recorded interest in the property is owned through a limited liability company or partnership.

(III) For purposes of subclause (II), "natural person" includes any of the following:

(ia) A natural person who is a settlor or beneficiary of a family trust.

(ib) If the property is owned by a limited liability company or partnership, a natural person who is a beneficial owner with at least a 25-percent ownership interest in the property.

(IV) "Family trust" means a revocable living trust or irrevocable trust in which the settlors and beneficiaries of the trust are persons who are related to each other as sibling, spouse, domestic partner, child, parent, grandparent, or grandchild.

(V) "Beneficial owner" means a natural person or family trust for whom, directly or indirectly and through any contract arrangement, understanding, relationship, or otherwise, and any of the following applies:

(ia) The natural person exercises substantial control over a partnership or limited liability company.

(ib) The natural person owns 25 percent or more of the equity interest of a partnership or limited liability company.

(ic) The natural person receives substantial economic benefits from the assets of a partnership.

(B) Withdrawal of the residential real property from the rental market.

(C) (i) The owner complying with any of the following:

(I) An order issued by a government agency or court relating to habitability that necessitates vacating the residential real property.

(II) An order issued by a government agency or court to vacate the residential real property.

(III) A local ordinance that necessitates vacating the residential real property.

(ii) If it is determined by any government agency or court that the tenant is at fault for the condition or conditions triggering the order or need to vacate under clause (i), the tenant shall not be entitled to relocation assistance as outlined in paragraph (3) of subdivision (e).

(D) (i) Intent to demolish or to substantially remodel the residential real property.

(ii) For purposes of this subparagraph, "substantially remodel" means either of the following that cannot be reasonably accomplished in a safe manner that allows the tenant to remain living in the place and that requires the tenant to vacate the residential real property for at least 30 consecutive days:

(I) the replacement or substantial modification of any structural, electrical, plumbing, or mechanical system that requires a permit from a governmental agency.

(II) the abatement of hazardous materials, including lead-based paint, mold, or asbestos, in accordance with applicable federal, state, and local laws.

(iii) For purposes of this subparagraph, a tenant is not required to vacate the residential real property on any days where a tenant could continue living in the residential real property without violating health, safety, and habitability codes and laws. Cosmetic improvements alone, including painting, decorating, and minor repairs, or other work that can be performed safely without having the residential real property vacated, do not qualify as substantial rehabilitation.

(iv) A written notice terminating a tenancy for a just cause pursuant to this subparagraph shall include all of the following information:

(I) A statement informing the tenant of the owner's intent to demolish the property or substantially remodel the rental unit property.

(II) The following statement: "If the substantial remodel of your unit or demolition of the property as described in this notice of termination is not commenced or completed, the owner must offer you the opportunity to re-rent your unit with a rental agreement containing the same terms as your most recent rental agreement with the owner at the rental rate that was in effect at the time you vacated. You must notify the owner within thirty (30) days of receipt of the offer to re-rent of your acceptance or rejection of the offer, and, if accepted, you must reoccupy the unit within thirty (30) days of notifying the owner of your acceptance of the offer."

(III) A description of the substantial remodel to be completed, the approximate expected duration of the substantial remodel, or if the property is to be demolished, the expected date by which the property will be demolished, together with one of the following:

(ia) A copy of the permit or permits required to undertake the substantial remodel or demolition.

(ib) Only if a notice is issued pursuant to subclause (II) of clause (ii) and the remodel does not require any permit, a copy of the signed contract with the contractor hired by the owner to complete the substantial remodel, that reasonably details the work that will be undertaken to abate the hazardous materials as described in subclause (II) of clause (ii).

(IV) A notification that if the tenant is interested in reoccupying the rental unit following the substantial remodel, the tenant shall inform the owner of the tenant's interest in reoccupying the rental unit following the substantial remodel and provide to the owner the tenant's address, telephone number, and email address.

(c) Before an owner of residential real property issues a notice to terminate a tenancy for just cause that is a curable lease violation, the owner shall first give notice of the violation to the tenant with an opportunity to cure the violation pursuant to paragraph (3) of Section 1161 of the California Code of Civil Procedure. If the violation is not cured within the time period set forth in the notice, a three-day notice to quit without an opportunity to cure may thereafter be served to terminate the tenancy.

(d) Before an owner of residential real property issues a notice to terminate a tenancy for no-fault just cause described in subparagraph 2(D) of subdivision (b), the owner shall have obtained all necessary permits for the substantial remodel from all applicable governmental agencies, and in the case of a permit issued by the City, such permit issuance will be conditioned upon the owner providing a complete list of all tenants whose tenancies will be terminated in connection with the permitted work.

(e) (1) For a tenancy for which just cause is required to terminate the tenancy under subdivision (a), if an owner of residential real property issues a termination notice based on a no-fault just cause described in paragraph (2) of subdivision (b), the owner shall, regardless of the tenant's income, at the owner's option, do one of the following:

(A) Assist the tenant to relocate by providing a direct payment to the tenant as described in paragraph (3).

(B) Waive in writing the payment of rent for the final month(s) of the tenancy, prior to the rent becoming due.

(2) If an owner issues a notice to terminate a tenancy for no-fault just cause, the owner shall notify the tenant in the written termination notice

of the tenant's right to relocation assistance or rent waiver pursuant to this Chapter. If the owner elects to waive the rent for the final month(s), of the tenancy as provided in subparagraph (B) of paragraph (1), the notice shall state the amount of rent waived and that no rent is due for the final month(s) of the tenancy.

(3) (A) The amount of relocation assistance or rent waiver shall be equal to (i) in the case of a termination notice under subparagraph (2)(D) of subdivision (b), the greater of $4,500 or two months of the tenant's rent that was in effect when the owner issued the notice to terminate the tenancy, or (ii) in the case of all other no-fault just cause terminations, one month of the tenant's rent that was in effect when the owner issued the notice to terminate the tenancy. Any relocation assistance shall be provided within 15 calendar days of service of the notice.

(B) If a tenant fails to vacate after the expiration of the notice to terminate the tenancy, the actual amount of any relocation assistance or rent waiver provided pursuant to this subdivision shall be recoverable as damages in an action to recover possession.

(C) The relocation assistance or rent waiver required by this subdivision shall be credited against any other relocation assistance required by any other law.

(f) This Chapter shall not apply to the following types of residential real properties or residential circumstances:

(1) Transient and tourist hotel occupancy as defined in subdivision (b) of Section 1940 of the California Civil Code.

(2) Housing accommodations in a nonprofit hospital, religious facility, extended care facility, licensed residential care facility for the elderly, as defined in Section 1569.2 of the California Health and Safety Code, or an adult residential facility, as defined in Chapter 6 of Division 6 of Title 22 of the Manual of Policies and Procedures published by the California State Department of Social Services.

(3) Dormitories owned and operated by an institution of higher education or a kindergarten and grades 1 to 12, inclusive, school.

(4) Housing accommodations in which the tenant shares bathroom or kitchen facilities with the owner who maintains their principal residence at the residential real property.

(5) Single-family owner-occupied residences, including both of the following:

(A) a residence in which the owner-occupant rents or leases no more than two units or bedrooms, including, but not limited to, an accessory dwelling unit or a junior accessory dwelling unit.

(B) a mobile home.

(6) A property containing two separate dwelling units within a single structure in which the owner occupied one of the units as the owner's principal place of residence at the beginning of the tenancy, so long as the owner continues in occupancy, and neither unit is an accessory dwelling unit or a junior accessory dwelling unit.

(7) Housing that has been issued a certificate of occupancy within the previous 15 years, unless the housing is a mobile home.

(8) Residential real property, including a mobile home, that is alienable separate from the title to any other dwelling unit, provided that both of the following apply:

(A) The owner is not any of the following:

(i) A real estate investment trust, as defined in Section 856 of the Internal Revenue Code.

(ii) A corporation.

(iii) A limited liability company in which at least one member is a corporation.

(iv) Management of a mobile home park, as defined in Section 798.2 of the California Civil Code.

(B) (i) The tenants have been provided written notice that the residential property is exempt from this Chapter using the following statement:

"This property is not subject to the rent limits imposed by Section 1947.12 of the Civil Code and is not subject to the just cause requirements of Section 1946.2 of the Civil Code. This property meets the requirements of Sections 1947.12 (d)(5) and 1946.2 (e)(8) of the Civil Code and the owner is not any of the following: (1) a real estate investment trust, as defined by Section 856 of the Inter-

nal Revenue Code; (2) a corporation; or (3) a limited liability company in which at least one member is a corporation."

(ii) (I) Except as provided in subclause (II), for a tenancy existing before July 1, 2020, the notice required under clause (i) may, but is not required to, be provided in the rental agreement.

(II) For a tenancy in a mobile home existing before July 1, 2022, the notice required under clause (i) may, but is not required to, be provided in the rental agreement.

(iii) (I) Except as provided in subclause (II), for any tenancy commenced or renewed on or after July 1, 2020, the notice required under clause (i) must be provided in the rental agreement.

(II) For any tenancy in a mobile home commenced or renewed on or after July 1, 2022, the notice required under clause (i) shall be provided in the rental agreement.

(iv) Addition of a provision containing the notice required under clause (i) to any new or renewed rental agreement or fixed-term lease constitutes a similar provision for the purposes of subparagraph (E) of paragraph (1) of subdivision (b).

(9) Housing restricted by deed, regulatory restriction contained in an agreement with a government agency, or other recorded document as affordable housing for persons and families of very low, low, or moderate income, as defined in Section 50093 of the California Health and Safety Code, or subject to an agreement that provides housing subsidies for affordable housing for persons and families of very low, low, or moderate income, as defined in Section 50093 of the California Health and Safety Code or comparable federal statutes.

(g) An owner of residential real property subject to this Chapter shall provide notice to the tenant as follows:

(1) (A) Except as provided in subparagraph (B), for any tenancy commenced or renewed on or after July 1, 2020, as an addendum to the lease or rental agreement, or as a written notice signed by the tenant, with a copy provided to the tenant.

(B) For a tenancy in a mobile home commenced or renewed on or after July 1, 2022, as an addendum to the lease or rental agreement, or as a written notice signed by the tenant, with a copy provided to the tenant.

(2) (A) Except as provided in subparagraph (B), for a tenancy existing prior to July 1, 2020, by written notice to the tenant no later than August 1, 2020, or as an addendum to the lease or rental agreement.

(B) For a tenancy in a mobile home existing prior to July 1, 2022, by written notice to the tenant no later than August 1, 2022, or as an addendum to the lease or rental agreement.

(3) The notification or lease provision shall be in no less than 12-point type, and shall include the following:

"California law limits the amount your rent can be increased. See Section 1947.12 of the Civil Code for more information. California law also provides that after all of the tenants have continuously and lawfully occupied the property for 12 months or more or at least one of the tenants has continuously and lawfully occupied the property for 24 months or more, a landlord must provide a statement of cause in any notice to terminate a tenancy. See Section 1946.2 of the Civil Code for more information."

The provision of the notice shall be subject to Section 1632 of the California Civil Code.

(h) An owner's failure to comply with any provision of this Chapter shall render the written termination notice void.

(i) Any waiver of the rights under this Chapter shall be void as contrary to public policy.

(j) An owner who attempts to recover possession of a rental unit in material violation of this Chapter shall be liable to the tenant in a civil action for all of the following:

(1) Actual damages.

(2) Reasonable attorney's fees and costs.

(3) Upon a showing that the owner has acted willfully or with oppression, fraud, or malice, up to three times the actual damages. An award may also be entered for punitive damages for the benefit of the tenant against the owner.

(4) If such material violation is made in connection with an attempted recovery pursuant to

subparagraph 2(D) of subdivision (b), a civil penalty in an amount of up to fifteen thousand dollars ($15,000).

(k) For the purposes of this Chapter, the following definitions shall apply:

(1) "Owner" includes any person, acting as principal or through an agent, having the right to offer residential real property for rent, and includes a predecessor in interest to the owner.

(2) "Residential real property" means any dwelling or unit that is intended for human habitation, including any dwelling or unit in a mobile home park.

(3) "Tenancy" means the lawful occupation of residential real property and includes a lease or sublease.

(l) This Chapter shall not apply to a homeowner of a mobile home, as defined in Section 798.9 of the California Civil Code.

(m) This Chapter shall remain in effect only until January 1, 2030, and as of that date is repealed. (ORD-24-0011(Emerg.) § 1, 2024; ORD-22-0006 § 1, 2022; ORD-20-0007(Emerg.) § 1, 2020)

CHAPTER 8.100 TEMPORARY PROHIBITION OF EVICTIONS DUE TO COVID-19

8.100.010 Purpose.

In order to protect the public health and mitigate the economic impacts of the novel coronavirus and the COVID-19 disease resulting therefrom, this Chapter shall temporarily prohibit certain evictions as more particularly described herein. (ORD-20-0010(Emerg.) § 1, 2020)

8.100.020 Definitions.

The following words and phrases, whenever used in this Chapter, shall be construed as defined in this Section:

A. COVID-19. The term "COVID-19" shall mean the novel coronavirus SARS-CoV-2 and disease resulting therefrom.

B. Owner. The term "owner" shall mean any person or entity, acting as principal or as an agent, renting residential or commercial real property.

C. Pay-or-quit notice. The term "pay-or-quit notice" shall mean the notice to be delivered to a tenant resulting from non-payment of rent as required by, and in accordance with, California law, including without limitation Section 1161 et seq of the Code of Civil Procedure. (ORD-20-0010(Emerg.) § 1, 2020)

8.100.030 Prohibition on Evictions.

A. The owner of residential or commercial real property shall not take action to evict a residential or commercial tenancy if (1) the basis for the eviction is non-payment of rent which became due between March 4, 2020 and September 30, 2020, or a foreclosure, arising out of a substantial decrease in household or business income (including, but not limited to, a substantial decrease in household income caused by layoffs or a reduction in the number of compensable hours of work, or a substantial decrease in business income caused by a reduction in opening hours or consumer demand), or substantial out-of-pocket medical expenses; and (2) the decrease in such household or business income or such out-of-pocket medical expenses was caused by the COVID-19 pandemic, or by any local, state or federal government (including school districts) response to COVID-19, and is documented and communicated to the owner in accordance herewith. After May 31, 2020, the following commercial tenancies shall be excluded from the application of this Chapter: (1) tenants and sub-tenants which are multi-national companies, publicly-traded companies or which have more than five hundred (500) employees; (2) tenancies and sub-tenancies managed by the Airport; and (3) tenancies and sub-tenancies managed by the Harbor Department. Any such excluded commercial tenants which previously delayed rent in accordance with this Chapter shall repay the entirety of such rent on or before November 30, 2020 (without any associated late charges).

B. In order to take advantage of the protections included in subsection 8.100.030.A., a ten-

ant must do each of the following before the expiration of the pay-or-quit notice: (1) notify the owner that the tenant may not be able to make its rental payment (or portion thereof); and (2) provide documentation supporting and/or evidencing such substantial decrease in household or business income or out-of-pocket medical expenses. Notwithstanding the foregoing, a tenant which received a pay-or-quit notice served on or after March 4, 2020 but before March 25, 2020 shall provide the notification and documentation required by this subsection (B) prior to the final adjudication of the subject eviction proceedings.

C. Nothing in this Chapter shall relieve a tenant of the obligation to pay rent, nor restrict an owner's ability to recover rent due; provided, however, an owner may not recover late fees which would have otherwise been applicable to rental payments validly delayed and repaid in accordance with this Chapter. (ORD-20-0028(Emerg.) § 1, 2020; ORD-20-0020(Emerg.) § 1, 2020; ORD-20-0010(Emerg.) § 1, 2020)

8.100.040 Pay-or-Quit Notices.

Any pay-or-quit notices dated between March 25, 2020 and September 30, 2020 shall include the following language (or substantially similar): "The City of Long Beach has declared a state of emergency in response to COVID-19. If you cannot pay your rent due to a loss of income or medical expenses resulting from COVID-19, you need to notify and provide supporting documentation to [provide owner or agent contact information] immediately. You may qualify for protections against eviction and you may have a right to delay your rent payment and to repay such delayed rent over a six-month period". (ORD-20-0028(Emerg.) § 2, 2020; ORD-20-0020(Emerg.) § 2, 2020; ORD-20-0010(Emerg.) § 1, 2020)

8.100.050 Grace Period.

Tenants which are protected against eviction under this Chapter shall have until July 31, 2021 to pay all delayed rent (without any associated late charges); provided, however, that all of such delayed and unpaid rent shall become immediately payable should a tenant fail to make a regularly scheduled monthly rental payment after July 31, 2020, and such failure to make a regularly scheduled payment persists after the expiration of a pay-or-quit notice applicable thereto. (ORD-20-0020(Emerg.) § 3, 2020; ORD-20-0010 (Emerg.) § 1, 2020)

8.100.060 Affirmative Defense.

This Chapter may be asserted as an affirmative defense in an unlawful detainer action. (ORD-20-0010(Emerg.) § 1, 2020)

8.100.070 Application.

This Chapter shall apply retroactively to March 4, 2020, except to the extent a tenant has surrendered possession of its premises or an eviction lawsuit has been finally adjudicated, prior to March 25, 2020. (ORD-20-0010(Emerg.) § 1, 2020)

8.100.080 Severability.

If any provision of this Chapter is found to be unconstitutional or otherwise invalid by any court of competent jurisdiction, that invalidity shall not affect the remaining provisions of this Chapter which can be implemented without the invalid provisions, and to this end, the provisions of this article are declared to be severable. The City Council hereby declares that it would have adopted this Chapter and each provision hereof irrespective of whether any one or more provisions are found invalid, unconstitutional or otherwise unenforceable. (ORD-20-0010(Emerg.) § 1, 2020)

CHAPTER 8.101 TENANT HARASSMENT

8.101.010 Purpose.

The purpose of this Chapter is to deter harassing behavior by residential real property owners, to encourage such owners to follow the law and uphold their responsibility to provide habitable rental properties, and to give tenants legal recourse when they are subjected to harassment by owners. (ORD-20-0044(Emerg.) § 1, 2020)

8.101.020 Definitions.

The following words and phrases, whenever used in this Chapter, shall be construed as defined in this Section:

A. Owner. The term "owner" is any person, acting as principal or agent, offering a rental housing unit for rent, or any contractor or subcontractor performing work for the benefit of such person, or any representative of the foregoing.

B. Rental agreement. The term "rental agreement" means an agreement, oral, written, or implied, between an owner and a tenant for the use and/or occupancy of a rental housing unit.

C. Rental housing unit. The term "rental housing unit" is any dwelling or unit that is intended or used for human habitation.

D. Tenant. The term "tenant" shall mean any renter, tenant, subtenant, lessee, or sublessee of a rental housing unit. (ORD-20-0044(Emerg.) § 1, 2020)

8.101.030 Prohibition of tenant harassment.

No owner shall:

A. Interrupt, terminate, or fail to provide housing services required by a rental agreement or by Federal, State, County, or local housing, health, or safety laws, or threaten to do so, or violate or threaten to violate California Civil Code Section 789.3.

B. Acting in bad faith, (i) fail to timely perform repairs and maintenance required by a rental agreement or by Federal, State, County or local housing, health or safety laws; (ii) fail to exercise due diligence in completing such repairs once undertaken; (iii) fail to follow appropriate industry repair, containment, or remediation protocols designed to minimize exposure to noise, dust, lead, paint, mold, asbestos, or other building materials with potentially harmful health impacts; or (iv) conduct elective renovation or construction of a rental housing unit for the purpose of harassing a tenant.

C. Abuse the right of access into a rental housing unit as established by California Civil Code Section 1954 or other applicable law. Such abuse includes, without limitation, entries for inspections that are not related to necessary repairs or services; entries excessive in number; entries or demands for entry at times outside normal business hours; entries contrary to a tenant's reasonable request to change the date or time of entry; photographing or otherwise recording portions of a rental housing unit that are beyond the scope of a lawful entry or inspection; and misrepresenting the reasons for accessing a rental housing unit.

D. Influence or attempt to influence a tenant to vacate a rental housing unit through fraud, misrepresentation, intimidation or coercion, which shall include threatening to report a tenant to the United States Department of Homeland Security.

E. Threaten a tenant, by word or gesture, with physical harm, or abuse tenant with words, either orally or in writing, which are inherently likely to provoke an immediate violent reaction.

F. Violate any law which prohibits discrimination based on race, gender, sexual preference, sexual orientation, ethnic background, nationality, religion, age, parenthood, marriage, pregnancy, disability, human immunodeficiency virus (HIV)/acquired immune deficiency syndrome (AIDS), occupancy by a minor child, or source of income.

G. Take action to terminate any tenancy, including service of any notice to quit or other eviction notice, or bring any action to recover possession of a rental housing unit, based upon facts which owner has no reasonable cause to believe to be true or upon a legal theory which is untenable under the facts known to owner.

H. Provide false written or verbal information regarding any Federal, State, County or local tenant protections, including mischaracterizing the nature or effect of a notice to quit or other eviction notice. False information includes, without limitation, requesting or demanding a tenant: (i) sign a new lease not in the tenant's primary language if (a) lease negotiations were conducted in the tenant's primary language, (b) the existing lease is in the tenant's primary language, or (c) owner is otherwise aware that the new lease is not in tenant's primary language; or (ii) enter into a rent repayment plan to take advantage of tenant protection laws that do not require such plans.

I. Acting in bad faith, (i) refuse to acknowledge or accept receipt of a tenant's lawful rent payment as set forth in a rental agreement, by usual practice of the parties, or in a notice to pay rent or quit; (ii) refuse to cash or process a rent check or other form of acceptable rent payment for over thirty (30) days after it is tendered; or (iii) fail to maintain a current address for delivery of rent payments.

J. Acting in bad faith, (i) violate a tenant's right to privacy, including without limitation, by requesting information regarding residence or citizenship status, protected class status, or Social Security number, except for, in the case of Social Security number, for purposes of obtaining information for the qualifications for a tenancy; (ii) release such information except as required or authorized by law; or (iii) request or demand an unreasonable amount of information from tenant in response to a request for reasonable accommodation.

K. Acting in bad faith, communicate with a tenant in a language other than the tenant's primary language for the purpose of intimidating, confusing, deceiving or annoying the tenant.

L. Interfere with the right of tenants to organize as tenants and engage in concerted activities with other tenants for the purpose of mutual aid and protection; deny property access to tenant organizers, advocates, or representatives working with or on behalf of tenants living at a property; prevent tenant or tenant organization meetings in an appropriate space accessible to tenants under the terms of their rental agreement(s); or discourage distribution or posting in common areas of literature informing tenants of their rights.

M. Commit other repeated acts or omissions of such significance as to substantially interfere with or disturb the comfort, repose, peace or quiet of any person lawfully entitled to occupancy of a rental housing unit and that cause, are likely to cause, or are intended to cause any person lawfully entitled to occupancy of a rental housing unit to vacate such rental housing unit or to surrender or waive any rights in relation to such occupancy. (ORD-20-0049(Emerg.) § 1, 2020; ORD-20-0044(Emerg.) § 1, 2020)

8.101.040 Remedies and penalties.

A. If an owner violates the terms of this Chapter, an aggrieved tenant may institute a civil action for injunctive relief, direct money damages, and any other relief that the court deems appropriate, which such relief shall include a civil penalty of no less than Two Thousand Dollars ($2,000), and no more than Five Thousand Dollars ($5,000), per violation, at the discretion of the court. If the aggrieved tenant is older than sixty-five (65) or disabled, the court may award an additional civil penalty of up to Five Thousand Dollars ($5,000) per violation, at the discretion of the court.

B. The court may award reasonable attorneys' fees and costs to a tenant who prevails in any such action. The court may award reasonable attorneys' fees and costs to an owner who prevails in any such action if the court determines that the tenant's action was frivolous.

C. The above remedies are not exclusive and do not preclude any tenant from seeking other remedies or penalties provided by applicable law. (ORD-20-0044(Emerg.) § 1, 2020)

8.101.050 Severability.

If any provision of this Chapter is found to be unconstitutional or otherwise invalid by any court of competent jurisdiction, that invalidity shall not affect the remaining provisions of this Chapter which can be implemented without the invalid provisions, and to this end, the provisions of this article are declared to be severable. The City Council hereby declares that it would have adopted this Chapter and each provision thereof irrespective of whether any one or more provisions are found invalid, unconstitutional or otherwise unenforceable. (ORD-20-0044(Emerg.) § 1, 2020)

8.101.060 Lawful Evictions.

Nothing in this Chapter shall be construed as to prevent an owner from lawfully evicting a tenant pursuant to applicable State or local law. (ORD-20-0044(Emerg.) § 1, 2020)

CHAPTER 8.102 TEMPORARY PROHIBITION OF DEMOLITION AND SUBSTANTIAL NO-FAULT NOTICES AND EVICTIONS

8.102.010 Purpose.

On July 6, 2021, the Long Beach City Council directed the City Manager to undertake a study and prepare a report exploring the feasibility of, and costs associated with, establishing a renovation administration program in the City to ensure landlords can invest in renovation work without subjecting tenants to either untenantable housing conditions during renovation work or the forced permanent displacement of the tenant due to said renovation work. In advance of the presentation of the report to the Council and potential action taken by the Council as a result thereof, this Chapter will temporarily prohibit no-fault notices and evictions based on certain demolition or substantial remodel permits through March 17, 2022. (ORD-22-0007 § 1, 2022; ORD-21-0039(Emerg.) § 1, 2021; ORD-21-0022(Emerg.) § 1, 2021)

8.102.020 Definitions.

The following words and phrases, whenever used in this Chapter, shall be construed as defined in this Section:

A. Owner. The term "owner" is any person, acting as principal or through an agent, offering residential real property for rent, and includes a predecessor in interest to the owner.

B. Residential rental property. The term "residential rental property" is any dwelling or unit that is intended or used for human habitation and which is offered or is currently being utilized for rental purposes. (ORD-22-0007 § 1, 2022; ORD-21-0039(Emerg.) § 1, 2021; ORD-21-0022(Emerg.) § 1, 2021)

8.102.030 Prohibition on no fault demolition and/or substantial remodel notices and evictions.

Through March 17, 2022, the owner of residential rental property shall not issue a notice to terminate a lawful tenancy, or otherwise move to terminate a lawful tenancy, based upon: (i) a permit issued by the City of Long Beach on or after July 6, 2021; and (ii) otherwise on the authority provided by Section 8.99.020(b)(2)(D) of the Long Beach Municipal Code, unless the termination is required to comply with an order issued by a government agency or court requiring that the residential rental real property be vacated; or to comport with due process, federal, or state law, which situation or circumstance shall be stated with particularity in the written notice of termination of tenancy. This Chapter may be asserted as an affirmative defense by a tenant in any unlawful detainer action brought by an Owner against a tenant. Any notice issued in violation of this Chapter shall be null and void. This Chapter shall not apply to any termination notices issued on or after March 18, 2022. (ORD-22-0007 § 1, 2022; ORD-21-0039(Emerg.) § 1, 2021; ORD-21-0022(Emerg.) § 1, 2021)

8.102.040 Severability.

If any provision of this Chapter is found to be unconstitutional or otherwise invalid by any court of competent jurisdiction, that invalidity shall not affect the remaining provisions of this Chapter which can be implemented without the invalid provisions, and to this end, the provisions of this Chapter are declared to be severable. The City Council hereby declares that it would have adopted this Chapter and each provision thereof irrespective of whether any one or more provisions are found invalid, unconstitutional or otherwise unenforceable. (ORD-22-0007 § 1, 2022; ORD-21-0039(Emerg.) § 1, 2021; ORD-21-0022(Emerg.) § 1, 2021)

CHAPTER 8.110 RESERVED*

***Editor's note**—ORD-23-0013 § 1, adopted March 7, 2023, repealed Ch. 8.110 §§ 8.110.010—8.110.160 entitled "COVID-19 Paid Supplemental Sick Leave," and derived from ORD-20-0017(Emerg.) § 1, 2020.

9.08.020 False reports.

No person shall knowingly make any false, misleading or unfounded report to the Police Department. (Prior code § 3510.6)

PART III. OFFENSES AGAINST THE PERSON

CHAPTER 9.14 TORT CLAIMS

9.14.010 Solicitation prohibited.

No person shall solicit employment for himself or for any other person, either directly or through some other person acting on his behalf, to prosecute collect, settle, compromise or negotiate for the settlement, compromise or collection of any tort claim, on behalf of any tort claimant, in which he himself has no pecuniary interest arising from such tort. (Prior code § 4260)

9.14.020 Exception—Joint tort claimants.

The provisions of Section 9.14.010 shall not be construed to prevent joint tort claimants from negotiating with each other for the purpose of combining respective claims or actions against the tort feasor. (Prior code § 4260.1)

***State law references**—Provisions on impersonating an officer, Pen. C. § 538d; making false reports to the police, Pen. C. §§ 148.1-148.6.

PART IV. OFFENSES AGAINST PUBLIC DECENCY

CHAPTER 9.16 NARCOTICS RELATED NUISANCE ABATEMENT†

9.16.010 Purpose.

The purpose of this Chapter is to promote public health, safety, and welfare by allowing the City Attorney to abate the nuisance caused by illegal conduct involving a controlled substance purpose on real property. (ORD-14-0009, § 1, 2014)

9.16.015 Additional enforcement remedies.

The procedures provided for in this Chapter shall be cumulative and in addition to any other procedure or legal remedy provided for in this Code or by State law for the abatement of nuisance related activities or conditions. Nothing in this Chapter shall be deemed to prevent the City from commencing a civil or criminal proceeding to abate a nuisance under applicable Civil, Penal, or Municipal Code provisions as an alternative to the proceedings set forth in this Chapter. (ORD-14-0009, § 1, 2014)

9.16.020 Definitions.

A. "Controlled substance" means a drug, substance, or immediate precursor which is listed in any schedule in Health and Safety Code Sections 11054, 11055, 11056, 11057, or 11058.

B. "Controlled substance purpose" means the manufacture, cultivation, importation into the State, transportation, possession, possession for sale, sale, furnishing, administering, or giving away, or providing a place to use or fortification of a place involving, cocaine, phencyclidine, heroin, methamphetamine, or any other controlled substance including synthetic narcotics, in a violation of Subdivision (a) of Section 11350, Sections 11351, 11351.5, 11352, or 11359, Subdivision (a) of Sec-

9.16.030 Narcotics nuisance abatement.

A. The City Attorney may file an action for unlawful detainer against any person who is in violation of the nuisance or illegal purpose provisions of Subdivision 4 of Section 1161 of the California Code of Civil Procedure, with respect to the controlled substance purpose.

B. The unlawful detainer action shall be based upon an arrest report or other report by a law enforcement agency, documenting a narcotics offense committed on the property observed by a police officer.

C. The City Attorney shall utilize the procedures set forth in Chapter 4 (commencing with Section 1159) of Title 3 of Part 3 of the California Code of Civil Procedure for filing an unlawful detainer action, except that in cases filed under this Section, the following also shall apply:

1. Prior to filing an action pursuant to this Section, the City Attorney shall give thirty (30) calendar days written notice to the property owner, requiring the property owner to file an unlawful detainer action for the removal of the person who is in violation of the nuisance or illegal purpose provisions of Subdivision 4 of Section 1161 of the Code of Civil Procedure with respect to the controlled substance purpose.

2. The notice to the property owner shall inform the property owner of a violation of the nuisance or illegal purpose provisions of Subdivision 4 of Section 1161 of the Code of Civil Procedure and an advisement to the property owner of the optional assignment provision contained in Subparagraphs (D) through (F) below.

3. The notice to the tenant shall, in at least 13-point bold type, meet the following requirements:

The notice shall contain the following language:

(Date)

(Name of tenant)

(Address of tenant)

Re: Long Beach Municipal Code Chapter 9.16

Dear (name of tenant):

This letter is to inform you that an eviction action may soon be filed in court against you for suspected drug activity. Long Beach Municipal Code Chapter 9.16, in accordance with State law, provides for the eviction of persons engaging in such conduct, as described below.

Long Beach Police Department records indicate that you, (name of arrestee), were arrested on (date) for violations of (list violations) at (address of property). A letter has been sent to the property owner(s) advising of your arrest and the requirements of the City's law, as well as the landlord's option to assign the unlawful detainer action to the City Attorney's Office.

A list of legal assistance providers is provided below. Please note, this list is not exclusive and is provided for your information only; the City Attorney's Office does not endorse or recommend any of the listed agencies.

Sincerely,

(Name of Deputy City Attorney)

Deputy City Attorney

Notice to Tenant: This notice is not a notice of eviction. You should call the City Attorney at (562) 570-2200 or a legal assistance provider to stop the eviction action if any of the following is applicable:

(1) You are not the person named in this notice;

(2) The person named in the notice does not live with you;

(3) The person named in the notice has permanently moved;

(4) You do not know the person named in the notice;

(5) You want to request that only the person involved in the nuisance be evicted, allowing the other residents to stay; or

(6) You have any other legal defense or legal reason to stop the eviction action. A list of legal assistance providers is attached to this notice. Some provide free legal assistance if you are eligible.

4. The respective notices shall be given in writing and served upon the owner and the tenant either by personal delivery or by deposit in the United States mail in a sealed envelope, postage prepaid, addressed to the owner at the address known to the City, or as shown on the last equalized assessment roll, if not known. Separate notice of not less than thirty (30) calendar days and documentation shall be provided to the tenant in accordance with this Subdivision. Service by mail shall be deemed to be completed at the time of deposit in the United States mail. Proof of giving the notice may be made by a declaration signed under penalty of perjury by any City employee that shows service in conformity with this Section.

D. The property owner shall, within thirty (30) calendar days of the mailing of the written notice, either provide the City Attorney with all relevant information pertaining to the unlawful detainer case, or provide a written explanation setting forth any safety-related reasons for noncompliance, and an assignment to the City Attorney of the right to bring an unlawful detainer action against the tenant.

E. The assignment shall be on a form provided by the City Attorney and may contain a provision for costs of investigation, discovery, and reasonable attorney's fees, in an amount not to exceed six hundred dollars ($600). An additional fee payable to the Los Angeles County Sheriff for lock-out services may be required.

F. If the City Attorney accepts the assignment of the right of the owner to bring the unlawful detainer action, the owner shall retain all other rights and duties, including the handling of the tenant's personal property, following issuance of the writ of possession and its delivery to and execution by the appropriate agency.

G. Upon the failure of the owner to file an action pursuant to this Section, or to respond to the City Attorney as provided in Paragraph (D), or having filed an action, if the owner fails to prosecute it diligently and in good faith, the City Attorney may file and prosecute the action, and join the owner as a defendant in the action. This action shall have precedence over any similar proceeding thereafter brought by the owner, or to one previously brought by the owner and not prosecuted diligently and in good faith. Service of the summons and complaint upon the defendant owner shall be in accordance with Sections 415.10 - 415.50 of the Code of Civil Procedure.

H. If a jury or court finds the defendant tenant guilty of unlawful detainer in a case filed pursuant to Paragraph (G), the City Attorney may be awarded costs, including the costs of investigation and discovery and reasonable attorney's fees. These costs shall be assessed against the defendant owner, to whom notice was directed pursuant to Paragraph (C)(1), and once an abstract of judgment is recorded, it shall constitute a lien on the subject real property.

I. This Section shall not prevent a tenant from receiving relief against a forfeiture of a lease pursuant to Section 1179 of the Code of Civil Procedure.

J. In any proceeding brought under this Section, the Court may, upon a showing of good cause, issue a partial eviction ordering the removal of any person, including, but not limited to, members of the tenant's household if the Court finds that the person has engaged in the activities described in Subdivision (A). Persons removed pursuant to this Section may be permanently barred from returning to or reentering any portion of the entire premises. The Court may further order as an express condition of the tenancy that the remaining tenants shall not give permission to or invite any person who has been removed pursuant to this Subdivision to return to or reenter any portion of the entire premises.

K. Notwithstanding Subdivision (b) of Section 68097.2 of the Government Code, the City may waive all or part of the costs incurred in furnishing the testimony of a peace officer in an unlawful detainer action brought pursuant to this Section. (ORD-14-0009, § 1, 2014)

9.16.050 Severability.

If any provision of this Chapter, or the application thereof to any person or circumstance, is held invalid, that invalidity shall not affect any

other provision or application of this Chapter that can be given effect without the invalid provision or application; and to this end, the provisions or applications of this Chapter are severable. (ORD-14-0009, § 1, 2014)

CHAPTER 9.17 UNLAWFUL WEAPONS OR AMMUNITION ON REAL PROPERTY ABATEMENT

9.17.010 Purpose.

The purpose of this Chapter is to promote public health, safety, and welfare by allowing the City Attorney to abate the nuisance caused by illegal conduct involving unlawful weapons or ammunition on real property. (ORD-15-0027, § 1, 2015)

9.17.015 Additional enforcement remedies.

The procedures provided for in this Chapter shall be cumulative and in addition to any other procedure or legal remedy provided for in this Code or by State law for the abatement of nuisance related activities or conditions. Nothing in this Chapter shall be deemed to prevent the City from commencing a civil or criminal proceeding to abate a nuisance under applicable Civil, Penal, or Municipal Code provisions as an alternative to the proceedings set forth in this Chapter. (ORD-15-0027, § 1, 2015)

9.17.020 Definitions.

A. "Unlawful weapons or ammunition purpose" means the illegal use, manufacture, causing to be manufactured, importation, possession, possession for sale, sale, furnishing, or giving away of any of the following:

1. A firearm, as defined in Subdivision (a) of Section 16520 of the Penal Code.

2. Any ammunition, as defined in Subdivision (b) of Section 16150 of the Penal Code or in Sections 16650 or 16660 of the Penal Code.

3. Any assault weapon, as defined in Sections 30510 or 30515 of the Penal Code.

4. Any .50 BMG rifle, as defined in Section 30530 of the Penal Code.

5. Any tear gas weapon, as defined in Section 17250 of the Penal Code. (ORD-15-0027, § 1, 2015)

9.17.030 Illegal weapons or ammunition on real property nuisance abatement.

A. The City Attorney may file an action for unlawful detainer against any person who is in violation of the nuisance or illegal purpose provisions of Subdivision 4 of Section 1161 of the California Code of Civil Procedure, with respect to the illegal weapons or ammunition on real property purpose.

B. The unlawful detainer action shall be based upon an arrest report or other report by a law enforcement agency, documenting an illegal weapons or ammunition on real property offense observed by a police officer.

C. The City Attorney shall utilize the procedures set forth in Chapter 4 (commencing with Section 1159) of Title 3 of Part 3 of the California Code of Civil Procedure for filing an unlawful detainer action, except that in cases filed under this Section, the following also shall apply:

1. Prior to filing an action pursuant to this Section, the City Attorney shall give thirty (30) calendar days written notice to the property owner, requiring the property owner to file an unlawful detainer action for the removal of the person who is in violation of the nuisance or illegal purpose provisions of Subdivision 4 of Section 1161 of the Code of Civil Procedure with respect to the illegal weapons or ammunition on real property.

2. The notice to the property owner shall inform the property owner of a violation of the nuisance or illegal purpose provisions of Subdivision 4 of Section 1161 of the Code of Civil Procedure and an advisement to the property owner of the optional assignment provision contained in Subsections D through F, below.

3. The notice to the tenant shall, in at least 14-point bold type, and provided in English and as

translated in all of the languages identified in Subdivision (b) of Section 1632 of the Civil Code, meet the following requirements:

The notice shall contain the following language:

"(Date)

4. The respective notices shall be given in writing and served upon the owner and the tenant either by personal delivery or by deposit in the United States mail in a sealed envelope, postage prepaid, addressed to the owner at the address known to the City, or as shown on the last equalized assessment roll, if not known. Separate notice of not less than thirty (30) calendar days and documentation shall be provided to the tenant in accordance with this Subdivision. Service by mail shall be deemed to be completed at the time of deposit in the United States mail. Proof of giving the notice may be made by a declaration signed under penalty of perjury by any City employee that shows service in conformity with this Section.

D. The property owner shall, within thirty (30) calendar days of the mailing of the written notice, either provide the City Attorney with all relevant information pertaining to the unlawful detainer case, or provide a written explanation setting forth any safety-related reasons for noncompliance, and an assignment to the City Attorney of the right to bring an unlawful detainer action against the tenant.

E. The assignment shall be on a form provided by the City Attorney and may contain a provision for costs of investigation, discovery, and reasonable attorney's fees, in an amount not to exceed six hundred dollars ($600.00). An additional fee payable to the Los Angeles County Sheriff for lock-out services may be required.

F. If the City Attorney accepts the assignment of the right of the owner to bring the unlawful detainer action, the owner shall retain all other rights and duties, including the handling of the

tenant's personal property, following issuance of the writ of possession and its delivery to and execution by the appropriate agency.

G. Upon the failure of the owner to file an action pursuant to this Section, or to respond to the City Attorney as provided in Subsection D, or having filed an action, if the owner fails to prosecute it diligently and in good faith, the City Attorney may file and prosecute the action, and join the owner as a defendant in the action. This action shall have precedence over any similar proceeding thereafter brought by the owner, or to one previously brought by the owner and not prosecuted diligently and in good faith. Service of the summons and complaint upon the defendant owner shall be in accordance with Sections 415.10 - 415.50 of the Code of Civil Procedure.

H. If a jury or court finds the defendant tenant guilty of unlawful detainer in a case filed pursuant to Subsection G, the City Attorney may be awarded costs, including the costs of investigation and discovery and reasonable attorney's fees. These costs shall be assessed against the defendant owner, to whom notice was directed pursuant to Subsection C.1, and once an abstract of judgment is recorded, it shall constitute a lien on the subject real property.

I. This Section shall not prevent a tenant from receiving relief against a forfeiture of a lease pursuant to Section 1179 of the Code of Civil Procedure.

J. In any proceeding brought under this Section, the Court may, upon a showing of good cause, issue a partial eviction ordering the removal of any person, including, but not limited to, members of the tenant's household if the Court finds that the person has engaged in the activities described in Subsection A. Persons removed pursuant to this Section may be permanently barred from returning to or reentering any portion of the entire premises. The Court may further order as an express condition of the tenancy that the remaining tenants shall not give permission to or invite any person who has been removed pursuant to this Subsection to return to or reenter any portion of the entire premises.

K. Notwithstanding Subdivision (b) of Section 68097.2 of the Government Code, the City may waive all or part of the costs incurred in furnishing the testimony of a peace officer in an unlawful detainer action brought pursuant to this Section. (ORD-15-0027, § 1, 2015)

9.17.050 Severability.

If any provision of this Chapter, or the application thereof to any person or circumstance, is held invalid, that invalidity shall not affect any other provision or application of this Chapter that can be given effect without the invalid provision or application; and to this end, the provisions or applications of this Chapter are severable. (ORD-15-0027, § 1, 2015)

CHAPTER 9.20 NUDITY*

9.20.010 Waiters, waitresses and entertainers.

No person shall, while acting as a waiter, waitress or entertainer in an establishment which serves food, beverages, or food and beverages, including, but not limited to, alcoholic beverages for consumption on the premises of such establishment, expose his or her genitals, pubic hair, buttocks, natal cleft, perineum, anal region or pubic hair region, or shall any such person expose any device, costume or covering which gives the appearance of or simulates the genitals, pubic hair, buttocks, natal cleft, perineum, anal region or pubic hair region. (Prior code § 4195)

9.20.020 Exposure of female breasts.

No female person shall, while acting as a waitress or entertainer in an establishment which serves food, beverages, or food and beverages, including, but not limited to, alcoholic beverages for consumption on the premises of such establishment, expose the areola of either or both breasts or any portion of either or both breasts below the areola thereof, or shall any such female person employ

any device which is intended to simulate such portions of either or both breasts, or shall any such female person wear any type of clothing so that any portion of either or both breasts may be observed. (Prior code § 4195.1)

9.20.030 Permitting violation.

No person shall permit, procure, counsel or assist another person to violate any provision of Sections 9.20.010 or 9.20.020. (Prior code § 4195.2)

9.20.040 Exception—Theatrical performances.

The provisions of Sections 9.20.010, 9.20.020 or 9.20.030 do not apply to a theatrical performance in a theater, concert hall or similar establishment which is primarily devoted to theatrical performances. (Prior code § 4195.3)

9.20.050 Misdemeanor to be nude in a public place or in a place open to the public view.

A. It shall be unlawful for any person to appear, bathe, sunbathe, walk, or be in any public place or place open to public view in such manner so as to expose the human male or female genitals, vulva, pubis, pubic hair, cleft of the buttocks, perineum, or anus with less than a fully opaque covering, and/or to expose the nipples and/or the areola of the female breasts with less than a fully opaque covering. This provision may not be complied with by applying an opaque covering simulating the appearance of the specific anatomical part required to be covered. Violation hereof is a misdemeanor.

B. This Section shall not apply to children under the age of ten (10) years, or females engaged in breast-feeding of an infant under the age of two (2) years old. (Ord. C-7713 § 3, 2000: Ord. C-7591 § 3, 1999: Ord. C-7274 § 1, 1994: Ord. C-5908 § 1, 1982: Ord. C-5624 § 1 (part), 1980: prior code § 7300.4)

CHAPTER 9.22 ALCOHOLIC BEVERAGES

9.22.010 Public consumption—Prohibited.

No person shall transport into or drink or consume any alcoholic beverage in any public place except upon the premises licensed under an on-sale or on-sale general license under the State Alcoholic Beverage Control Act. (Prior code § 4150.1)

9.22.020 Public consumption—Mixture prohibited.

No person shall mix, blend, or combine any alcoholic beverage with any liquid in any public place for the purpose of consuming said mixture, combination or blend in any public place except upon premises licensed under an on-sale or on-sale general license under the State Alcoholic Beverage Control Act. (Prior code § 4150.2)

9.22.030 Public consumption—Sale prohibited.

No person as owner, manager, employee or otherwise of any restaurant, cafe, theater, store, or other such public place shall give, sell, or furnish to any other person any liquid in any public place to be mixed, blended, or combined with any alcoholic beverage for consumption in such public place, except upon premises licensed under an on-sale or on-sale general license under the State Alcoholic Beverage Control Act. (Prior code § 4150.3)

9.22.040 Public consumption—Permitting prohibited.

No person as owner, manager, employee, or otherwise of any restaurant, cafe, theater, store, or other such public place shall allow or permit any person to consume any alcoholic beverage in such public place except upon premises licensed under an on sale or on sale general license under the State Alcoholic Beverage Control Act. (Prior code § 4150.4)

9.22.050 Licensing public area.

Except for duly authorized and permitted professional, collegiate and other adult athletic events

conducted at Blair Field in Recreation Park, or such other event or activity at a specified site as may be expressly authorized by City Council resolution, no application may be made for a license under the State Alcoholic Beverage Control Act in or upon any public area under the authority of the Recreation Commission pursuant to Section 2.54.005 of this Municipal Code. (Ord. C-7324 § 1, 1995: prior code § 4150.5)

9.22.060 Beer, wine and champagne in certain public facilities.

Notwithstanding any other provision of this Chapter, beer, wine and champagne may be served, dispensed, furnished and consumed upon the premises of the following public facilities under circumstances which do not require a permit or license from the Department of Alcoholic Beverage Control, and provided that the requirements of all other applicable laws, rules or regulations are met:

A. Long Beach Museum of Art;

B. Rancho Los Cerritos;

C. Rancho Los Alamitos;

D. Wightman Theater in the recreation headquarters building;

E. Long Beach Art Association Gallery in the recreation headquarters building lobby;

F. Main library;

G. Rainbow Lagoon Park;

H. Promenade South;

I. Shoreline Aquatic Park. (Ord. C-6208 § 5, 1985: Ord. C-5710 § 1, 1981: prior code § 4150.6)

9.22.070 Unlawful alcohol consumption.

It is unlawful for any bather to consume any alcoholic beverage within one (1) marine league of any beach. However, this Section shall not be construed to regulate the consumption of alcoholic beverages on any motorboat. (ORD-11-0004 § 1, 2011)

9.22.075 Bather.

"Bather" has the same meaning as that set forth in California Harbor and Navigation Code Section 651.1. (ORD-11-0004 § 2, 2011)

9.22.080 Marine league.

"Marine League" means three (3) nautical miles. (ORD-11-0004 § 3, 2011)

CHAPTER 9.24 GAMBLING*

9.24.010 Prohibited games designated.

No person shall play or bet at, or as owner or employee open, deal, play, carry on or conduct any game of chance played with cards, dice, balls, pins, checkers, counters, quoits, beans, spindles, tables, wheels, machines, or any other device, contrivance or apparatus, or with any combination of any thereof, for money, checks, or other representative of value; provided, however, that the game known as bingo may be played in accordance with the provisions of Chapter 5.20. (Ord. C-5266 § 1, 1976: prior code § 4140.7)

9.24.020 Violation—Nuisance.

Any machine, contrivance, appliance, device, game, ticket, chance, share, interest, instrument or article operated, used, kept, possessed, placed or maintained in violation of the provisions of:

A. Section 330a of the State Penal Code;

B. Any section enumerated in Part I, Title 9, Chapter 9 of the State Penal Code; or

C. Section 9.24.030 of this Code is declared to be a nuisance and shall be subject to abatement as provided in Section 9.24.040. (Prior code § 4140.8)

9.24.030 Possession of machines prohibited.

No person shall keep, maintain, possess or have under their control in any place of business, or in any other place of public resort, either as an owner, lessee, agent, employee, mortgagee, or otherwise, any game of chance, table game, automatic payoff machine, or any device commonly known as a slot machine, as such slot machines or similar devices are defined in California Penal Code Section 330b(d). For the purposes of this Section, pinball and other amusement machines or devices, which are predominantly games of skill, whether

affording the opportunity of additional chances or free plays or not, are not included within the term slot machine or device, as defined in this Section. (ORD-19-0034 § 4, 2019; Prior code § 4140.9)

9.24.040 Destruction of equipment.

A. Any article declared by Section 9.24.020 to be a nuisance, as a result of the operation, use, keeping, possession, placing or maintaining of which any person has been convicted of or has pleaded guilty to any violation of any law of this State or of any ordinance of this City, shall be destroyed by the Chief of Police after such plea, or after judgment of conviction becomes final. The contents of such machine shall be destroyed, or if money, shall be deposited in the General Purpose Fund of the City.

B. If any articles subject to destruction as provided in this Section are in the custody of any court within the City, the Chief of Police shall cause to be made an application to the judge of the court for an order releasing the articles to him for the purpose of complying with this Section. (Prior code § 4140.10)

9.24.050 Reserved.

Editor's note—ORD-19-0034 § 5, adopted Dec. 3, 2019, repealed § 9.24.050 entitled "Exception—Amusement zone," which derived from Prior code § 4140.11.

9.24.060 False identification—Possession prohibited.

No person shall use, display, present, carry or possess any identification card, paper or tag which contains any false statements or data, or which bears the name of a person other than of such person, for the purpose of being admitted to any place of entertainment or obtaining any goods. (Prior code § 4140.14)

9.24.070 False identification—Making prohibited.

No person, either for himself or as the agent or employee of another, shall make, prepare, sell or furnish any identification card, paper or tag, without first obtaining proof of the correctness of the statements or data thereon contained. Proof that such identification card, paper or tag contains false statements or data shall be prima facie evidence of the violation of this Section. (Prior code § 4140.15)

9.24.080 Identification card—Preparer designation.

Every person making or preparing any identification card, paper or tag shall print thereon the name and address of such person making or preparing such identification card, paper or tag, shall type or print across the face of such identification card, paper, or tag, the word "unofficial" in red letters as large as the largest letters on the face of such card, paper or tag. (Prior code § 4140.16)

CHAPTER 9.25 PUBLIC EXCRETION

9.25.010 Misdemeanor to urinate or defecate in public.

No person shall urinate or defecate in or at any "public place" as defined in Section 9.02.090 except at regularly provided toilet facilities. Violation hereof shall be a misdemeanor. (Ord. C-5878 § 1, 1982)

PART V. OFFENSES AGAINST PUBLIC PEACE

CHAPTER 9.30 DISORDERLY CONDUCT*

9.30.010 Annoying people or acting as capper.

No person shall:

A. Make insulting remarks to any person; or annoy or accost any person unknown to him;

B. Act as a capper for any place of amusement or for any place or person devoted to or engaged in any unlawful business, calling or vocation. (Prior code § 4130)

***State law reference**—Provisions on disorderly conduct, Pen. C. § 647.

9.30.020 Public disrobing.

No person shall dress or undress, or change clothing, in any public toilet or comfort station, or in any public recreational area, public beach, public street or any other property under the supervision and control of the recreational commission, or within or on any motor vehicle while the same is standing upon any public street or other public place. (Prior code § 4130.1)

9.30.025 Misdemeanor to enter a public restroom designated for use by the opposite sex.

No person above the age of five (5) years shall enter any public restroom or restroom in any public place designated for use by either men or women unless he or she is the appropriate sex. Violation thereof is a misdemeanor. (Ord. C-5907 § 1, 1982)

9.30.030 Public expectoration.

No person shall discharge mucus from the nose or mouth, or spit upon any sidewalk or other paved area of any park or recreation center, or upon any roque court, shuffleboard court, or other hard surfaced place set apart for the playing of any game in any park or recreation center, or upon any pier or promenade, or other public place whatsoever, or in any place where food intended for human consumption is stored, prepared, processed or served. (Prior code § 4130.3)

9.30.040 Unlawful assembly.

It is declared to be unlawful and a nuisance for any persons to congregate or assemble upon, over or across, or for any person to aid or instigate the congregation or assembling of persons, upon, over or across any street, lawn area or way or portion thereof in any public park, beach, pier, wharf or building or any entrance, steps or hallway leading in, to or through said places, in such a manner as to obstruct, hinder or annoy any person or persons in the free use thereof. (Prior code § 4130.4)

9.30.050 Obstructing public passage.

No person shall block, impede or obstruct any public place or any entrance, exit or approach to any place of business in a manner calculated or with intent to prevent, delay, hinder or interfere with any person in the free passage along or the entering or leaving of such public place or place of business. (Ord. C-5494 § 1, 1978: prior code § 4130.12)

9.30.060 Lookouts for illegal acts.

A. No person shall act as a guard or lookout for any building, premises or establishment used for gambling, prostitution, or any other form of vice or illegal act, or where intoxicating liquors are illegally kept, sold or purchased, or for any person soliciting, offering or engaging in prostitution, gambling or any other form of vice or illegal act, on street or sidewalk.

B. No person shall give any signal, intended to, or calculated to warn, or give warning of the approach of any peace officer to any person in or about such building or premises or places mentioned in Subsection 9.30.060.A. (Ord. C 5882 § 1, 1982)

CHAPTER 9.31 LOUD PARTIES ON PRIVATE PROPERTY

9.31.010 Loud noises prohibited.

No person shall cause or permit loud music or other noises caused by a party, gathering or assemblage of persons on private property to disrupt the public peace. Noise that is audible from a distance of fifty feet (50') or more from the property shall be deemed to disrupt the public peace. Any person who causes or permits any such loud music or other noises is guilty of a public offense punishable under the provisions of Title 1, Chapter 1.32 of this Code. (ORD-05-0036 § 1, 2005)

9.31.020 Enforcement.

When law enforcement personnel at the scene determine that the provisions of this Chapter have been violated, such law enforcement personnel are authorized to take all necessary enforcement actions, including the following:

A. Arrest and/or issue a citation to the responsible person. For purposes hereof, the "responsible

person" shall be a person or persons owning or occupying the offending property or otherwise authorizing or permitting the loud music or other noises to emanate from the property;

B. Direct the responsible person to immediately terminate the activity that is causing the loud noise; and

C. Issue a written notice to the responsible person that if within a thirty (30) day period after the initial response law enforcement personnel are again required to respond to the property to address a violation of this Chapter, then the responsible person shall be liable for payment of all costs and expenses incurred by law enforcement personnel during second or subsequent responses in accordance with Section 9.31.030. (ORD-05-0036 § 1, 2005)

9.31.030 Second and subsequent responses.

If after issuance of the written notice required under this Chapter law enforcement personnel are required to respond to the property to address another violation of this Chapter within a thirty (30) day period after issuance of said notice, then the responsible person or the legal guardian(s) thereof shall be liable for all actual costs and expenses incurred by the City during second or subsequent responses. (ORD-05-0036 § 1, 2005)

9.31.040 Collection of costs.

The expense of a reimbursable response hereunder shall be charged against the person liable for the expense under this Chapter. The charge constitutes a debt of that person to the City, and is collectible by the City in the same manner as in the case of an obligation under a contract, expressed or implied. (ORD-05-0036 § 1, 2005)

CHAPTER 9.32 DRIVE-IN RESTAURANTS

9.32.010 Motor vehicle operation.

No person on the premises of a "drive-in or takeout restaurant", as defined in Chapter 9.02, shall race or accelerate the motor of any vehicle, or bring to a sudden start or stop any motor vehicle, or blow or honk the horn of any motor vehicle except where reasonably necessary in the operation thereof. (Prior code § 4190)

9.32.020 Blocking ingress or egress.

No person shall leave a motor vehicle on the premises of any "drive-in or takeout restaurant", as defined in Chapter 9.02, so as to block or obstruct any driveway of ingress or egress of said premises. (Prior code § 4190.1)

9.32.030 Alcoholic beverages.

No person on the premises of any "drive-in or takeout restaurant", as defined in Chapter 9.02, shall have in his possession any bottle, can, or other receptacle containing any alcoholic beverage which has been opened or a seal broken, or the contents of which have been partially removed. This Section does not apply within premises licensed under the Alcoholic Beverage Control Act, or to any person under twenty-one (21) years of age, or to any person keeping alcoholic beverages in a vehicle in the manner authorized by the Vehicle Code of the State. (Prior code § 4190.2)

9.32.040 Uninvited use of premises.

No person shall enter or remain on the premises of a "drive-in or takeout restaurant", as defined in Chapter 9.02, where the owner or operator of the drive-in or takeout restaurant has withdrawn from such person, for cause and not contrary to the provisions of the Unruh Civil Rights Act (Civil Code Section 51), the actual or implied invitation extended generally to members of the public to enter such premises. (Prior code § 4190.3)

9.32.050 Exception—Peace officer.

Section 9.32.040 shall have no application to a trespass committed by any officially authorized peace officer or law enforcement agent when such trespass is committed in the execution of such officer's or agent's official duty. (Prior code § 4190.4)

CHAPTER 9.33 CITY LIBRARY RULES

9.33.010 Applicability of Chapter.

The rules set forth in this Chapter shall apply to all libraries located in the City of Long Beach. (ORD-24-0008 § 1, 2024)

9.33.020 City Library rules.

A. The City Manager will promulgate rules for the use of City libraries.

B. Such rules shall be formulated to ensure that the libraries and meeting facilities serve their primary purposes. In the case of libraries, these purposes include the provision of an orderly environment in which people may read, study, use library materials and equipment and participate in library or community programs. The rules may regulate disruptive behavior, noise, offensive odors, health and sanitation hazards, and bringing possessions, materials or objects into the library or facility which are likely to interfere with its use by others. The rules may not unreasonably or unfairly restrict access to libraries or facilities by any person or group.

C. Any person who has violated any rule or regulation duly adopted by the City Manager may be subject to the suspension of his or her borrowing or library visitation privileges for a period not to exceed one (1) year, as provided by the library rules.

D. Notwithstanding Subsection (C) above, any person who has unresolved fees for lost or damaged library materials on their library account shall be subject to suspension of his or her borrowing privileges, until such time that fees are brought to Twenty Dollars ($20) or below. Any person subject to suspension of his or her borrowing privileges, as authorized by subsection (D), may appeal the suspension in the manner prescribed by the City's Director of Library Services. The determination of the Director of Library Services on the appeal shall be final.

E. Any person subject to suspension of his or her library visitation privileges, as authorized by Subsection (C) above, may appeal the suspension pursuant to Section 9.33.030. Unless otherwise ordered by the hearing officer, suspensions remain in effect during the pendency of any appeal.

F. Rules for the use of City libraries and meeting facilities shall be conspicuously posted on the premises. Any person who violates the rules shall be personally advised of the violation and the rules' requirements. Any person who fails or refuses to comply with any rule after receiving a personal advisement shall be warned that continued failure to comply may result in the person being required to leave the premises.

G. Any person who fails or refuses to leave the facility or who returns to the facility during the time that their visitation privileges have been suspended after being given personal advisement, warning and direction to leave, shall be guilty of a misdemeanor which shall be punishable by a fine not exceeding One Thousand Dollars ($1,000) per violation, or by imprisonment in the County Jail for a period not exceeding six (6) months, or by both such fine and imprisonment. (ORD-24-0008 § 1, 2024)

9.33.030 City Library privileges suspension appeals.

A. Any person subject to suspension of his or her library visitation privileges, pursuant to Section 9.33.020(C) of this Code, may appeal the suspension by completing an appeal form, stating the basis of the appeal, and returning it to the City Clerk's office within seven (7) days of the start of the suspension.

B. The City Manager or the designee shall serve as the hearing officer for any appeal. The City Manager or the designee may initiate such proceedings and shall cause a notice of such hearing to be given to the person subject to suspension at the address set forth in the library card application or served personally if no such address is available of the time and date of the suspension hearing. Notice of the hearing date will be served on the person subject to suspension at least five (5) business days before the hearing. At the time set for the hearing or at the date to which the hearing may be continued by the City Manager or the

designee, the person whose privileges are subject to suspension may be heard and may present any facts to show why such privileges should or should not be suspended. At the close of the hearing, or at any time within thirty (30) days thereafter, the City Manager or the designee shall determine from the facts produced at the hearing, and from any other facts in his or her possession whether or not the privileges in question should be revoked. The City Manager or the designee shall make his or her order accordingly and may make such order conditional upon the doing or not doing of any act by the person whose privileges are subject to suspension, which the City Manager or the designee deems for the public good. Notice of such suspension shall be given to the person by the hearing officer.

C. Any person directly aggrieved by an administrative decision of the hearing officer may within ten (10) business days, file an appeal with the City Council. Privileges shall remain subject to the conditions of the hearing decision during any period of appeal. (ORD-24-0008 § 1, 2024)

CHAPTER 9.34 CIRCULATING PETITIONS

9.34.010 Prohibited in certain public buildings.

No person shall circulate any petition, or solicit any person to sign any petition of whatsoever nature, in the City Hall, public utilities building, public safety building, any public library or other building open to and used by the public for the purpose of transacting public business, nor upon the grounds, sidewalks, or other areas surrounding and adjacent to said buildings. (Prior code § 4614)

CHAPTER 9.35 AGGRESSIVE SOLICITATION

9.35.010 Aggressive solicitation prohibited.

A. It shall be unlawful for any person to solicit by threatening, harassing, intimidating or aggressively coercing another person on a public street or sidewalk or any place open to the general public. This Chapter does not regulate solicitation on private property.

B. "Solicitation" means any verbal request, or any non-verbal request made with a sign, by a person seeking an immediate donation of money, food, cigarettes or items of value. Purchase of an item for an amount far exceeding its value, under circumstances where a reasonable person would understand that the purchase is in substance a donation, is a donation for purposes of this Chapter.

C. "Solicit" means to be engaged in the act of solicitation.

D. For purposes of this Section, a person aggressively coerces, threatens, harasses or intimidates another person when:

1. The solicitor's conduct would cause a reasonable person in the position of the solicitee to fear for his or her safety; or

2. The solicitor intentionally blocks the path of the solicitee; or

3. The solicitor persists in following the solicitee closely, and continues to demand money or other things of value after the solicitee has rejected the solicitation by words or conduct.

E. For purposes of this Section, the following facts, among others, are relevant in deciding whether a reasonable person would have cause to fear for his or her safety:

1. The solicitor makes physical contact with the solicitee or the solicitor uses verbally abusive language;

2. The proximity of the solicitor to the solicitee; or

3. The duration of the solicitation; or the solicitor makes threatening gestures or other threatening conduct, including closely following the solicitee. (ORD-11-0026, § 1, 2011)

9.35.020 Prohibited locations.

A. It shall be unlawful for any person to solicit another person who is in or at any of the following locations:

1. In a public transportation bus or public transportation bus stop;

2. Within twenty feet (20') of an automated teller machine that is adjacent to a public sidewalk or street;

a. "Automated teller machine" shall mean any electronic information processing device which accepts or dispenses cash in connection with a credit, deposit or convenience account;

3. In a City-owned parking structure or surface lot;

4. In the outdoor dining area of a restaurant, cafe, or similar establishment which serves food or drinks for immediate consumption. (ORD-11-0026, § 1, 2011)

9.35.030 Exception.

The prohibitions listed in Section 9.35.020 shall not apply to solicitations related to business which is being conducted on the subject premises or location by the owner or responsible party. (ORD-11-0026, § 1, 2011)

9.35.040 Penalty.

Violation of, or failure to comply with, any provision of this Chapter 9.35 constitutes a criminal offense punishable as an infraction for the first offense, and a misdemeanor for any subsequent offense committed within a twelve (12) month period, with criminal penalties set forth in Chapter 1.32 of this Code. (ORD-11-0026, § 1, 2011)

9.35.050 Severability.

In the event any portion of Chapter 9.35 is deemed to be unenforceable, or is in conflict with applicable law, the remainder of Chapter 9.35 will be enforced and will remain in full force and effect. (ORD-11-0026, § 1, 2011)

CHAPTER 9.36 LOITERING FOR DRUG ACTIVITIES OR GRAFFITI

9.36.010 Loitering for drug activity.

It is unlawful for any person to loiter in, on or near any street or alley or place open to the public or near any public or private place for the purpose of engaging in drug related activity defined as criminal offenses in Chapters 6 and 6.5 of Division 10 of the California Health and Safety Code. As used in this Chapter, "loiter" means to delay or linger without lawful business. (Ord. C-6771 § 1 (part), 1990)

9.36.020 Loitering for graffiti.

It is unlawful for any person to loiter in, on or near any street or alley or place open to the public or near any public or private place for the purpose of engaging in graffiti activity defined as a criminal offense in Section 594 of the Penal Code. (Ord. C-6771 § 1 (part), 1990)

CHAPTER 9.37 LONG BEACH NUISANCE CODE

9.37.010 Purpose and intent.

The purpose of this Chapter is to provide for the administrative abatement of nuisance related activities or conditions which affect the social and economic stability of neighborhoods, impair prop-

erty values and which are injurious or detrimental to the health, safety and general welfare of the citizens of Long Beach. (Ord. C-7479 § 1, 1997)

9.37.020 Additional enforcement remedies.

The procedures provided for in this Chapter shall be cumulative and in addition to any other procedure or legal remedy provided for in this Code or by State law for the abatement of nuisance related activities or conditions. Nothing in this Chapter shall be deemed to prevent the City from commencing a civil or criminal proceeding to abate a nuisance under applicable Civil, Penal or Municipal Code provisions as an alternative or alternatives to the proceedings set forth in this Chapter. (Ord. C-7479 § 1, 1997)

9.37.030 City Manager/Administrative Abatement Officer.

As used in this Chapter, "Administrative Abatement Officer" shall mean the City Manager and any other person or persons designated by the City Manager as being an Administrative Abatement Officer. (Ord. C-7479 § 1, 1997)

9.37.040 Person/responsible person/party.

A. As used in this Chapter, "person"/"responsible person"/"party" shall mean any individual, business or entity who is responsible for causing, maintaining or permitting a nuisance activity or condition. The terms "person", "responsible person" or "responsible party" include, but are not limited to, a property owner, tenant, person with a legal interest in real property or person in possession or occupying real property, the president or other officer of a corporation, a business owner or manager of a business.

B. Any act of negligent or willful conduct of a minor which results in the creation or maintenance of a condition or activity which constitutes a nuisance within the meaning of this Chapter shall be imputed to the parent or guardian having custody and control of the minor for all purposes, including the duty to abate the nuisance(s) and the imposition of administrative penalties and costs as provided for herein. The parent or guardian having custody and control of the minor shall be jointly and severally liable with the minor for any and all penalties or costs imposed pursuant to this Chapter. (Ord. C-7479 § 1, 1997)

9.37.050 Abate/abatement.

As used in this Chapter, the terms "abate" and "abatement" shall mean action to terminate, remove, stop, cease, repair, replace or otherwise remedy a nuisance related activity or condition by such means and in such manner as is necessary to the interests of the health, safety or general welfare of the public. (Ord. C-7479 § 1, 1997)

9.37.060 Premises.

As used in this Chapter, the term "premises" shall mean any location, building, structure, residence, garage, room, shed, shop, store, dwelling, lot, parcel, land or portion thereof whether improved or unimproved. (Ord. C-7479 § 1, 1997)

9.37.070 Service of notice.

A. Whenever any notice, amended notice, supplemental notice, order, statement or other document is required to be served upon any person, by the provisions of this Chapter, such service shall be either by personal service or by delivery into the United States Mail, postage prepaid, certified or registered mail, to the person's last known address. If service is by mail, the service is complete at the time of the deposit, but any period of notice and any right or duty to do any act or make any response within any period or on a date certain shall be extended five (5) days if the place of address is within the State of California or ten (10) days if the place of address is outside the State of California.

B. In lieu of personally serving the person or service by certified or registered mail, service of any notice, amended notice, supplemental notice, order, statement or other document may be made as follows:

1. In the event that the responsible person refuses to accept certified or registered mail or cannot be personally served, service may be made by substituted service. In lieu of personal delivery

of a copy of the document, notice may be served by leaving a copy during usual office hours at the person's usual place of business with the individual who is apparently in charge, and by thereafter mailing by first-class mail a copy of the notice to the person at the address where the copy of the notice was left. Or, a document may be served by leaving a copy at the person's dwelling or usual place of abode in the presence of a competent member of the household, at least eighteen (18) years of age, and thereafter mailing by first-class mail a copy of the notice to the person at the address where the copy was left.

2. In the event a person refuses to accept certified or registered mail or cannot be personally served or served by substituted service and has a property manager or rental agency overseeing the premises, substituted service may be made as set forth in Subsection 9.37.070.B.1 upon the property manager or rental agency.

3. If a person lives out of State and will not accept certified or registered mail, then service may be made by first-class mail. (Ord. C-7479 § 1, 1997)

9.37.080 Abatement of nuisance related activities or condition.

Any activity, condition or premise(s) maintained as described herein is declared to be a public nuisance and shall be abated by cessation of the activity, rehabilitation, demolition, removal, repair or other appropriate remedy pursuant to the procedures set forth in this Chapter. (Ord. C-7479 § 1, 1997)

9.37.090 Nuisance defined.

It is hereby declared a public nuisance, or an act in the nature of a public nuisance, for any person or party to cause, permit, abet or otherwise allow any premises in this City to be used in such a manner that any one (1) or more of the activities or conditions described in the following Subsections are found to occur thereon:

A. Any condition or activity which is a "nuisance" or a "public nuisance" as defined in Sections 3479 and 3480 of the Civil Code of the State of California or which is specifically declared to constitute a nuisance or public nuisance by any statute of the State of California or by any ordinance of the City.

B. The violation of any provisions of the latest edition of the California Building Standards Code ("Title 24 of the California Codes of Regulations") that have been adopted, as amended, by the City:

1. California Building Code;
2. California Residential Code;
3. California Electrical Code;
4. California Mechanical Code;
5. California Plumbing Code;
6. California Energy Code;
7. California Historical Building Code;
8. California Fire Code;
9. California Existing Building;
10. California Green Building Standards Code;

9.37.100 Notification of nuisance and abatement thereof.

A. Whenever the City Manager or his authorized designee declares or finds that any nuisance activity or condition is being maintained or carried on at any premises in the City contrary to the provisions of this Chapter, the City Manager or his authorized designee shall give written "Notice of Abatement" to any and all responsible persons or parties setting forth a brief description of the activity or condition constituting the nuisance and the sections of this Chapter that are being violated.

B. The notice shall set forth a reasonable time limit not to exceed thirty (30) days for correcting or abating the nuisance and may also set forth:

1. Suggested methods of correction or abatement and the fact that the City will take steps to abate the nuisance if the person fails to do so; and

2. That administrative penalties and/or administrative costs will be assessed against the responsible person in the event the nuisance activity or condition is not corrected or abated within the time frame established by the notice for correcting or abating the nuisance.

C. Except in the case of an emergency situation wherein the nuisance condition or activity poses an immediate threat to the health, safety, or

general welfare of the public, the time permitted for correction or abatement shall be at least fifteen (15) calendar days.

D. The City Manager or his authorized designee may grant an extension of time to abate a nuisance if, in his/her opinion, good cause for an extension exists.

E. The person or party who has been served with notice pursuant to this Section may, within seven (7) calendar days, make a written application to the City Manager or his authorized designee for a hearing on the question of whether a nuisance activity or condition in fact exists; whether the person to whom the notice was directed is responsible for the creation or maintenance of such nuisance; and whether the City Manager or his authorized designee has provided sufficient time to correct or abate the nuisance condition or activity.

F. Upon receipt of a timely written application for hearing, the City Manager or his authorized designee shall establish the date and time of the hearing and shall so notify the applicant in writing. Failure to make timely application for a hearing as provided for in this Section shall be deemed a conclusive admission that: (1) the nuisance activity or condition described in the notification of nuisance does or did exist, (2) that the person(s) to whom the notice was directed is in fact the person(s) responsible for creating or maintaining the nuisance condition or activity, and (3) that the time specified in the notice for the correction or abatement of the nuisance is, in fact, reasonable under the circumstances.

G. The hearing provided for in this Section shall be conducted by a Hearing Officer appointed by the City Manager or his authorized designee. At the time stated in the notice of hearing, the Hearing Officer shall hear and consider all relevant evidence, including, but not limited to, testimony from the applicant, owners, City personnel, neighbors, witnesses or other interested parties, and may consider staff reports or other written materials relative to the matter. The hearing may be continued from time to time as appropriate and the strict rules of evidence shall not apply. Proof of the existence of a nuisance condition or activity must be by a preponderance of the evidence and the burden of proof on this issue is upon the City.

H. At the conclusion of the hearing, the Hearing Officer may confirm, amend or modify the "Notice of Abatement" or order, or extend the time for compliance. The decision of the Hearing Officer shall be final and conclusive. Written notice of the Hearing Officer's decision and findings shall be given and said notice shall state clearly and concisely the basis for the Hearing Officer's findings with respect to the existence of the nuisance activity or condition. The notice shall further state that unless the person or party shall cause the abatement of the nuisance activity or condition, pursuant to the orders contained in the notice, the nuisance shall be abated, if appropriate, by the City at the expense of the owner, and that administrative penalties and/or costs will be assessed against the person for noncompliance with the order. (Ord. C-7479 § 1, 1997)

9.37.110 Notice of administrative penalty.

A. After the time for abatement or correction has expired, the City Manager or his authorized designee shall determine whether the person or party has taken the necessary abatement or corrective action and whether the nuisance activity or condition has in fact been abated.

B. If the City Manager or his authorized designee determines that the person has complied with the "Notice of Abatement" or order and that the nuisance has been abated, the person shall be notified in writing of such determination and the administrative action shall be suspended. If the City Manager or his authorized designee suspends the administrative action, he/she may continue to monitor the premises or activity associated with it for a period not to exceed eighteen (18) months.

C. If the City Manager or his authorized designee determines that the person has failed to comply with the initial abatement order or any extension thereof or that the nuisance activity or condition has recurred within eighteen (18) months of the suspension of the case, the City Manager or his authorized designee may impose, after a hear-

ing, an administrative penalty and/or administrative costs as provided in this Chapter. In the event administrative penalties or costs are imposed by the City Manager or his authorized designee, the responsible person shall be notified in writing of the amount of the administrative penalty imposed in accordance with the provisions set forth in this Chapter. The hearing provided for in this Subsection shall be in substantial conformity with the hearing procedures established in Subsection 9.37.100.G, and the decision of the Hearing Officer shall be final and conclusive.

D. In addition to imposing administrative penalties or costs, the City Manager or his authorized designee may issue another order to correct or abate the nuisance condition or activity for the existence of any nuisance which has not been abated, or which has recurred within the eighteen-month period the action was held in suspension. (Ord. C-7479 § 1, 1997)

9.37.120 Administrative penalties.

A. Administrative penalties imposed by the City Manager or his authorized designee are not to exceed a maximum of two hundred fifty dollars ($250.00) per day for each on-going violation, except that the total administrative penalty shall not exceed five thousand dollars ($5,000.00), exclusive of any administrative costs, for any violation or related series of violations.

B. In determining the amount of administrative penalty, the City Manager or his authorized designee shall take any or all of the following factors into consideration:

1. The duration of the violation;

2. The frequency, recurrence and number of violations, related or unrelated, by the same violator;

3. The seriousness of the violation;

4. The good faith efforts of the violator to abate the nuisance or otherwise come into compliance;

5. The economic impact of the penalty on the violator;

6. The impact of the violation on the community;

7. Such other factors as justice may require.

C. Administrative penalties imposed shall accrue from the date specified in the compliance order and shall cease to accrue on the date the violation is corrected as determined by the City Manager or his authorized designee.

D. The City Manager or his authorized designee, in his/her discretion, may suspend the imposition of applicable administrative penalties for any period of time during which:

1. The violator has filed for necessary permits; and

2. Such permits are required to achieve compliance; and

3. Such permit applications are actively pending before the City, State or other appropriate governmental agency. (Ord. C-7479 § 1, 1997)

9.37.130 Administrative costs.

A. In addition to the imposition of administrative penalties, the City Manager or his authorized designee may assess administrative costs against the person when it is determined that a violation has occurred and that compliance has not been achieved within the time specified in the initial compliance order or that a violation has recurred within eighteen (18) months of the suspension of the case.

B. The administrative costs may include any and all actual costs incurred by the City in connection with the matter before the City Manager or his authorized designee including, but not limited to, costs of investigation, staffing costs or staffing overhead incurred in preparation for the hearing and for the hearing itself, and costs incurred for all inspections or reinspections necessary to enforce the compliance order. (Ord. C-7479 § 1, 1997)

9.37.140 Abatement by City Manager.

If the nuisance related condition or activity is not completely abated in the manner and within the time set forth in the "Notice of Abatement" or order of the City Manager or his authorized designee, then the City Manager or his authorized designee, in addition to the imposition of administrative costs or penalties, may cause the nuisance

to be abated by City forces or private contractor. The cost of the abatement shall be assessed to the responsible party and shall reflect the actual cost incurred by the City in effecting the abatement. (Ord. C-7479 § 1, 1997)

9.37.150 Record of administrative penalties and costs; cost of abatement; hearing.

A. The City Manager or his authorized designee shall keep an itemized account of any administrative penalty or administrative cost assessed as well as the cost incurred by the City in abating a nuisance and shall also give written notice to the responsible party or parties of any such penalty or costs assessed, together with a notice of the time and place when a hearing will be held by a Hearing Officer appointed by the City Manager or his authorized designee to determine the appropriateness of the penalties and/or costs assessed.

B. At the time fixed for the hearing concerning the appropriateness of the penalties and/or costs assessed, the Hearing Officer shall hear and consider all relevant evidence, including, but not limited to, testimony from the person assessed, City personnel or other interested parties, and may consider staff reports or other written materials relative to the matter. Proof of the appropriateness of the costs or penalties assessed must be by a preponderance of the evidence and the City shall have the burden of proof on this issue. At the conclusion of the hearing, the Hearing Officer shall confirm, revise, correct or modify the amount of the penalties or costs assessed. The decision of the Hearing Officer shall be final and conclusive, and the responsible party or parties shall be notified in writing of the Hearing Officer's determination. (Ord. C-7479 § 1, 1997)

9.37.160 Expenses and administrative penalties and costs a lien against the property.

If a property owner does not pay the administrative penalties, administrative costs or the expense of abating the nuisance within ten (10) days after the Hearing Officer confirms the administrative penalty, administrative costs or costs of abatement, the costs and penalties shall become a lien against the real property upon which the nuisance was abated. The lien shall continue until it is paid, together with interest at the legal rate per year computed from the date of confirmation of the costs or penalties until payment. The lien may be collected at the same time and in the same manner as ordinary Municipal taxes are collected, and shall be subject to the same penalties and the same procedure and sale in case of delinquency as provided for ordinary Municipal taxes. All acts applicable to levy, collection and enforcement of Municipal taxes apply to this lien. (Ord. C-7479 § 1, 1997)

9.37.170 Notice of lien.

The City shall file in the office of the County Recorder a certificate substantially in the following form:

NOTICE OF LIEN

Under the authority of Government Code Sections 38773.5 and 53069.4, as well as Chapter 9 of the Long Beach Municipal Code, the City did on _____, 20____, abate a nuisance upon the real property hereafter described, and also on _____, 20____, did impose the cost of the abatement and administrative costs and penalties upon the real property. The City of Long Beach claims a lien for costs/charges on the real property for the expense of doing the work in the amount of $_____ and for the amount of $_____ for administrative costs and $_____ for administrative penalties, for a total amount of $_____. This amount is a lien against the real property until it is paid, with interest at the legal rate per year from _____, 20____ (insert date of confirmation of statement), and discharged of record. The real property referred to above, and upon which the lien is claimed is that certain parcel of land situated within the City of Long Beach, County of Los Angeles, State of California, more particularly as follows:

_____

_____

Dated _____, 20____.

City of Long Beach

By_____

(ORD-19-0032 § 8, 2019; Ord. C-7479 § 1, 1997)

9.37.180 Alternative method of collection.

Administrative penalties, administrative costs and the cost of abatement incurred by the City are a personal debt and obligation owed to the City and, in addition to any other means of enforcement, the City Attorney is authorized to bring an action on behalf of the City against the responsible party or parties for collection of administrative penalties, administrative costs or for the collection of the expense of abatement in any court of competent jurisdiction. (Ord. C-7479 § 1, 1997)

9.37.190 Right of judicial review.

A person contesting a final administrative order or decision of the City Manager or his authorized designee regarding the imposition, enforcement or collection of the administrative fines or penalties provided for in this Chapter may, within twenty (20) days after service of the final administrative order or decision, seek review by filing an appeal to be heard by the Municipal court in accordance with the provisions and procedures established by California Government Code Section 53069.4. (Ord. C-7479 § 1, 1997)

PART VI. OFFENSES AGAINST PROPERTY

CHAPTER 9.38 PUBLIC WORKS OFFICES, BUILDINGS AND YARDS

9.38.010 Purpose.

It is declared that the purpose of this Chapter is to authorize and provide for the prohibition, limitation and regulation of the entry, access, occupancy or use by members of the public of the offices, buildings, facilities or service yards of the Long Beach Department of Public Works or any areas or parts thereof, and to make it a trespass for any person to enter, occupy or use any such restricted premises without permission or in any manner other than as prescribed by applicable regulations. (Ord. C-5765 § 1 (part), 1981: prior code § 7496)

9.38.020 Defined.

As used in this Chapter the term offices, buildings, facilities or service yards of the Department of Public Works means and includes the offices of the Department of Public Works and the Bureau of Engineering located in the Long Beach City Hall, the offices and service yard of the Bureau of Public Service located at 1601 San Francisco Avenue, the Refuse Collection Office and service yard located at 2901 East Willow Street, the Animal Control Office and service yard located at 3001 East Willow Street, the offices and service yard of the Park Bureau located at 2760 Studebaker Road, and the offices and service yard of the Bureau of Aeronautics located at the Long Beach Airport, and includes any and all areas or parts of such offices, buildings, facilities and yards as they now exist or as the same may hereafter be altered, modified or relocated. (Ord. C-5765 § 1 (part), 1981: prior code § 7496.1)

9.38.030 Limitation of access and regulation of use.

The City Manager shall have the authority to designate all or any part or area of any of the offices, buildings, facilities or service yards of the Department of Public Works to which the entry, access, occupancy or use by members of the public is withdrawn or limited as deemed necessary. The City Manager shall establish regulations relating to the entry, access, occupancy or use by members of the public of any such restricted areas of such offices, buildings, facilities or service yards. Such regulations shall be based upon the maintenance and preservation of the public health, safety, peace and welfare and to insure the efficient and effective use of such offices, buildings, facilities or service yards for their intended purposes. A copy of such regulations shall be filed in the office of the City Clerk, and a copy shall be available for inspection by members of the public at the administra-

tive office of the Department of Public Works. (Ord. C 5765 § 1 (part), 1981: prior code § 7496.2)

9.38.040 Signs to be posted.

The City Manager shall cause appropriate signs to be posted in a conspicuous place at or near each entrance to any office, building, facility or service yard of the Department of Public Works where public access has been prohibited or restricted by the City Manager in accordance with Section 9.38.030 of this Code. Such signs shall give notice of the limitations regarding the entry, access, occupancy or use of such premises and shall give notice of the location where a copy of the applicable regulations are available for review by members of the public. (Ord. C 5765 § 1 (part), 1981: prior code § 7496.3)

9.38.050 Certain acts unlawful.

No person shall enter, occupy or use any part or area of any office, building, facility or service yard of the Department of Public Works to which the entry, access, occupancy or use has been withdrawn or limited by the City Manager pursuant to Section 9.38.030 unless a valid pass has been first obtained and is in the immediate possession of such person. The entry into or occupancy or use of any restricted area of the offices, buildings, facilities or service yards of the Department of Public Works without appropriate permission or in violation of any regulation issued pursuant to this Chapter is a misdemeanor. (Ord. C 5765 § 1 (part), 1981: prior code § 7496.4)

9.38.060 Ejectment.

Any policeman or authorized employee of the City may use reasonable force to remove or expel a person from any restricted area of the offices, buildings, facilities or service yards of the Department of Public Works, who is in violation of the provisions of this Chapter or any regulations issued hereunder, and who upon being directed to leave refuses to do so. This provision relating to ejectment is in addition to any other remedies provided by law. (Ord. C 5765 § 1 (part), 1981: prior code § 7496.5)

CHAPTER 9.40 SEIZURE, IMPOUNDMENT AND FORFEITURE OF VEHICLES*

9.40.010 Definitions.

A. "Abate" and "abatement" mean an action to seize, impound, forfeit or otherwise remedy a nuisance related activity or condition by such means and in such manner as is necessary to protect the health, safety or general welfare of the public.

B. "City Prosecutor" shall include any authorized deputy City prosecutors.

C. "Community property" means an interest in property as defined in California Family Code section 760.

D. "Vehicle" means any transportation device as defined in California Vehicle Code section 670.

E. "Prostitution" means engaging in lewd or sexual conduct for money or other consideration and includes all definitions contained in the California Penal Code.

F. "Business day" means a day that Long Beach City Hall is open to conduct public business.

G. As used in this Chapter, "drug activity" means the purchase or possession of any illegal controlled substance as defined in the California Health and Safety Code or the California Penal Code. (Ord. C 7853 § 1, 2003)

9.40.020 Nuisance vehicles.

A. It shall be unlawful to use any vehicle to solicit an act of prostitution or in an attempt to solicit an act of prostitution, or used to engage in an act of prostitution, or to loiter for the purpose of soliciting an act of prostitution, and such vehicle is declared to be a public nuisance and shall be enjoined and abated as provided in this Section.

B. It shall be unlawful to use any vehicle to acquire or in an attempt to acquire a controlled substance, any such vehicle is declared to be a public nuisance and shall be enjoined and abated as provided in this Section. (Ord. C 7853 § 1, 2003)

*Note—Prior history: Prior code §§ 4170, 4170.1, 4170.2.

9.40.030 Seizure of vehicles.

A peace officer may seize a vehicle under the following circumstances:

A. Upon the issuance of a forfeiture order by a court having jurisdiction over the vehicle;

B. Incident to an arrest for any offense related to the illegal activities described in Subsection 9.40.020.A or Subsection 9.40.020.B;

C. Incident to a valid search warrant for any offense related to the illegal activities described in Subsection 9.40.020.A or Subsection 9.40.020.B; or

D. When there is probable cause to believe the vehicle was used in violation of this Chapter. (Ord. C 7835 § 1, 2003)

9.40.040 Title to vest in the City of Long Beach.

Subject to the provisions of this Chapter, all right, title and interest in any vehicle shall vest in the City of Long Beach immediately upon commission of the act giving rise to the public nuisance as described in this Chapter. A vehicle seized shall be impounded for thirty (30) days regardless of ownership and subject to disposition as provided in this Chapter. (Ord. C 7853 § 1, 2003)

9.40.050 Seizure, impoundment and notice.

Except as provided in this Chapter, all vehicles seized shall be impounded for not less than thirty (30) days. If the City prosecutor does not order a vehicle forfeited it shall be released to the registered owner(s), legal owner(s) or to an authorized agent subject to the payment of fees and costs arising from impoundment.

A. Within two (2) business days following the day of seizure of the vehicle, the City of Long Beach shall send notice of seizure and impoundment by certified mail, return receipt requested, to each registered and legal owner of the vehicle at the address obtained from the Department of Motor Vehicles of this State or any other State or appropriate federal agency, informing the registered and legal owner(s) that the vehicle has been seized, impounded and may be subject to forfeiture.

B. If a vehicle is impounded for thirty (30) days and thereafter is not claimed by the registered owner(s), the legal owner(s) or an authorized agent, the City will sell the vehicle at lien sale to recover the towing and storage charges related to impoundment, any parking fines, penalties, and administrative fees.

C. Notwithstanding any other provisions of this Chapter, the registered owner(s) and/or the legal owner(s) shall be responsible for all towing and storage charges related to impoundment, any parking fines, penalties, and administrative fees incurred by the registered owner.

D. The City shall not be liable to the registered owner for the release of the vehicle to the legal owner, or the legal owner's agent, provided the legal owner(s) produces documents demonstrating legal ownership of the vehicle at the time of the release. (Ord. C 7853 § 1, 2003)

9.40.060 Vehicles held as evidence.

A vehicle seized pursuant to this Chapter, where appropriate, may be held as evidence in any proceeding brought by the City Prosecutor or District Attorney. (Ord. C 7853 § 1, 2003)

9.40.070 Forfeiture.

Subject to the provisions of this Chapter, the City Prosecutor may order the forfeiture of a vehicle seized and impounded as follows:

A. An order of forfeiture shall include:

1. A statement by the City Prosecutor declaring the vehicle forfeited to the City;

2. A description of the vehicle;

3. The date and place of seizure;

4. The unlawful act(s) alleged as the basis for forfeiture of the vehicle;

5. Instructions and a form for filing a claim opposing forfeiture;

6. The time limits for filing a claim opposing forfeiture;

7. An estimate of the value of the vehicle.

B. An order of forfeiture shall be served as follows:

1. The order of forfeiture shall be served by personal delivery or certified mail, return receipt requested, upon all registered and legal owners of the vehicle.

2. In the event that a registered or legal owner(s) refuses to accept certified return receipt mail or cannot be personally served, service may be made by substituted service. Substituted service may be accomplished by any one (1) of the following methods:

a. By leaving a copy of the order of forfeiture during usual business hours at the registered or legal owner's business address with the person who is apparently in charge, and by thereafter mailing by first class mail a copy to the registered or legal owner(s) where the copy was left;

b. By leaving a copy of the order of forfeiture at the registered or legal owner's dwelling or usual place of abode, in the presence of a competent member of the household and thereafter mailing by first class mail a copy to the registered or legal owner(s) at the address where the copy was left.

3. If the registered or legal owner(s) lives or is located out of State and will not accept certified return receipt mail, then service may be made by first class mail.

4. If the registered or legal owner(s) cannot be located, or service cannot be effected as set forth in this Subsection B, service may be made by publication in a Long Beach newspaper of general circulation. Service shall be deemed sufficient when it is accomplished pursuant to Government Code section 6063.

C. An order of forfeiture shall be served as soon as practicable, but no later than thirty (30) days following the date the vehicle was seized. If the City prosecutor fails to order the forfeiture of the vehicle within the thirty (30) days, the vehicle shall be released to the registered owner(s), legal owner(s) or an authorized agent at the end of the thirty (30) day impoundment subject to the payment of fees and costs arising from impoundment.

D. If no claim opposing forfeiture is timely filed pursuant to Section 9.40.080, the City Prosecutor shall prepare a written declaration of forfeiture of the vehicle to the City and dispose of the vehicle as provided by this Chapter. A written declaration of forfeiture signed by the City Prosecutor under this Chapter shall be deemed to provide good and sufficient title to the purchaser of the forfeited vehicle. A copy of the declaration of forfeiture shall be mailed to the person listed in the receipt given at the time of seizure and to all registered and legal owners of the vehicle.

E. If a claim opposing forfeiture is timely filed pursuant to Section 9.40.080, then the City Prosecutor may file a petition of forfeiture with the superior court within thirty (30) days of the receipt of the claim(s). The petition of forfeiture shall seek a court order adjudging that the vehicle was used for one (1) or more of the nuisance purposes set forth in this Chapter, that the vehicle is a public nuisance and ordering the vehicle be forfeited, sold, and the proceeds distributed as set forth in this Chapter. A copy of the petition of forfeiture shall be mailed to each person filing a claim opposing forfeiture. (Ord. C 7853 § 1, 2003)

9.40.080 Claim opposing forfeiture.

A. A person opposing an order of forfeiture for a vehicle seized pursuant to this Chapter must file a claim opposing forfeiture.

B. If the order of forfeiture was served by personal or substitute service, the time for filing a claim opposing forfeiture is ten (10) calendar days.

C. If the order of forfeiture was served by publication, the time for filing a claim opposing forfeiture is thirty (30) calendar days from the date of first publication of the order of forfeiture.

D. If the last day to file a claim opposing forfeiture falls on a day that City Hall is closed, then the claim opposing forfeiture must be filed no later than the close of business on the next business day for the City.

E. The provisions of California Code of Civil Procedure section 1013 shall apply to this service of the order of forfeiture pursuant to this Section.

F. Each person filing a claim opposing forfeiture must state what ownership interest they have in the vehicle.

G. All claims opposing forfeiture must be filed with the office of the City Prosecutor, Long Beach City Hall, second floor. (Ord. C 7853 § 1, 2003)

9.40.090 Vehicles not subject to forfeiture.

A. A vehicle is not subject to impoundment or forfeiture and the City shall release a vehicle to

the registered owner or legal owner(s) or to an authorized agent under any of the following circumstances:

1. When the vehicle was a stolen vehicle.

2. When the vehicle is subject to bailment and was driven by an employee of the bailee; such as a parking lot attendant or a garage mechanic.

B. A vehicle is not subject to forfeiture if a community property interest existed in such vehicle prior to the act giving rise to the nuisance under this Chapter and the community property interest owner meets all of the following requirements:

1. The community property interest owner requests release of the vehicle from the City Prosecutor prior to disposal of the vehicle by forfeiture.

2. The community property interest owner submits proof that a community property interest existed prior to the date of the act giving rise to the nuisance to the City Prosecutor.

3. The community property interest owner submits proof to the City Prosecutor that the vehicle is the only vehicle available to them and that the vehicle is one that may be operated with a class C driver's license.

4. The community property interest holder submits proof to the City Prosecutor that he or she, or an authorized driver other than a defendant in any criminal trial arising out of the act giving rise to the nuisance in this Chapter, is properly licensed and that the seized vehicle is properly registered and insured pursuant to the California Vehicle Code.

5. The community property interest holder is not a criminal suspect in a Police investigation of the act giving rise to the nuisance under this Chapter.

6. All towing and storage charges related to the seizure and impoundment and any administrative charges authorized by law are paid.

7. The community property interest owner signs a stipulated vehicle release agreement, in consideration for which the vehicle will not be forfeited. This requirement applies only if the community property interest owner requests release of the vehicle under this Section.

C. A vehicle is not subject to forfeiture if the registered owner(s) or legal owner(s) of the vehicle is a rental car company and at the time of the seizure of the vehicle it was rented for a period of thirty (30) days or less. The rental car company shall pay all towing and storage charges related to the seizure and impoundment and any administrative charges authorized by law.

D. A vehicle is not subject to forfeiture if a domestic partnership existed prior to the act giving rise to the nuisance under this Chapter and the domestic partnership meets all of the following requirements:

1. The domestic partner requests release of the vehicle from the City Prosecutor prior to disposal of the vehicle by forfeiture.

2. The domestic partner submits proof to the City Prosecutor that the domestic partnership was registered with the State of California or the City of Long Beach prior to the date of the act giving rise to the nuisance.

3. The domestic partner submits proof to the City Prosecutor that the vehicle is the only vehicle available to the domestic partnership and that the vehicle is one that may be operated with a class C driver's license.

4. The domestic partner submits proof to the City Prosecutor that he or she is an authorized driver and is not a defendant in any criminal trial arising out of the act giving rise to the nuisance in this Chapter, is properly licensed and that the seized vehicle is properly registered and insured pursuant to the California Vehicle Code.

5. The domestic partner is not a criminal suspect in a Police investigation of the act giving rise to the nuisance under this Chapter.

6. All towing and storage charges related to the seizure and impoundment and any administrative charges authorized by law are paid.

7. The domestic partner signs a stipulated vehicle release agreement, in consideration for which the vehicle will not be forfeited. This requirements applies only if the domestic partner re-

quests release of the vehicle under this Section. (Ord. C 7862 § 1, 2003; Ord. C 7853 § 1, 2003)

9.40.100 Disposal of vehicle and distribution of proceeds.

A. In all cases where vehicles seized pursuant to this Chapter are forfeited to the City, the vehicles shall be sold or otherwise disposed of and the proceeds shall be distributed and appropriated as follows:

1. To any lender, finance company or lien holder with an interest in the vehicle, if any, up to the amount of security interest in the vehicle.

2. Each department of the City that incurred costs related to the seizure, impoundment, forfeiture and disposal of the vehicle shall be reimbursed.

3. All remaining proceeds shall be distributed to a special account established and maintained by the City of Long Beach for local crime prevention programs, neighborhood nuisance abatement efforts, and community development activities that improve the quality of life for the citizens of Long Beach in accordance with criteria to be developed by the City Manager.

4. The funds distributed to a City department pursuant to this Section shall not supplant any funds that would, in the absence of this Section, be made available to support those departments. (Ord. C 7853 § 1, 2003)

CHAPTER 9.42 TRESPASSING*

9.42.010 Prohibited.

No person shall trespass in, upon, on, or across the property of another without the permission and consent of the person in charge or control thereof. The provisions of this Section shall have no application to a trespass committed by any officially authorized peace officer or law enforcement agent when such trespass is committed in the execution of such officer or agent's official duty, nor to any person visiting or calling at the residence or place of business of another person for the purpose of transacting any legitimate business. (Prior code § 4620)

9.42.020 Purpose.

Public safety is declared to require that the uninterrupted operation of certain industries essential to national defense, such as the aircraft manufacturing industry, and of companies or agencies supplying water, gas, electric and other essential services, be protected by preventing the intrusion upon the properties thereof of idle, curious or malicious persons, and of persons whose presence thereon is not necessary, and by prohibiting the loitering about such places by persons capable of inflicting harm or of impeding the operation conducted thereon. This Section is in no way intended to change, alter or amend, nor is it to be construed as changing, altering or amending Section 9.42.010, which Section covers trespassing upon unposted private property. (Prior code § 4620.1(a))

9.42.030 Definitions.

The following terms used in this Chapter, unless the context clearly indicates otherwise, shall have the respective meanings set forth in this Section:

A. "Posted boundary" means a line running from sign to sign, and such line need not conform to the legal boundary or legal description of any lot, parcel or acreage of land, but only the area within the "posted boundary" shall constitute "posted property", except as otherwise provided in Subsection 9.42.040.B.

B. "Posted property" means any property specified in Section 9.42.040 which is posted in a manner provided in Section 9.42.050.

C. "Sign" means a sign affixed not less than three feet (3'), nor more than six feet (6') above the ground at the place of posting as specified in Section 9.42.050, which sign shall consist of wood, metal, or other substantial material, with a face of not less than one (1) square foot in area and upon which, in letters not less than two inches (2") in height, either black against a white background,

*__State law reference__—Provisions on trespassing, Pen. C. § 602.

or white against a black background, or contrasting colors, appear, in addition to such other information as may be placed thereon, the following:

Trespassing-Loitering Forbidden by Law.
(Prior code § 4620.1(b))

9.42.040 Property which may be posted.

Any property may be posted against trespassing and loitering in the manner provided in Section 9.42.050 and thereby become "posted property", subject to the provisions of this Chapter applicable to posted property, if such property consists of, or is used, or is designed to be used, for any one (1) or more of the following:

A. An oil well, oil field, tank farm, refinery, compressor plant, absorption plant, bulk plant, marine terminal, pipeline, pipeline pumping station, or reservoir, or any other plant, structure, or works used for the production, extraction, treatment, handling, storage, or transportation of oil, gas, gasoline, petroleum or any product or products thereof;

B. A gas plant, gas producing well, gas storage station, gas tank, gas meter, gas main, gas holder, gas valve, or regulator station, gas orodant station, gas pipeline, compressor plant or appurtenances, or any other property used in the transmission, storage or distribution of gas;

C. A reservoir, dam, generating plant, receiving station, distributing station, transformer, transmission line, or any appurtenances, used for the storage of water for the generation of hydroelectric power, or for the generation of electricity by water or steam or by any other apparatus or method suitable for the generation of electricity, or for the handling, transmission, reception, or distribution of electric energy;

D. Plant, structures or facilities used for, or in connection with, the rendering of telephone or telegraph service or for radio broadcasting;

E. A water well, dam, reservoir, pumping plant, aqueduct, canal, tunnel, siphon, conduit, or any other structure, facility or conductor for producing, storing, diverting, conserving, treating or conveying, water;

F. The production, storage, or manufacture of munitions, dynamite, black blasting powder, gunpowder, or other explosives;

G. A railroad right-of-way, railroad bridge, railroad tunnel, railroad shop, railroad yard, or other railroad facility;

H. An airport, airplane landing field, a hangar, or any other property used for the manufacture or assembly or repair or testing of aircraft of any type or kind;

I. Any shipyard, drydock or graving dock used for the construction, storage or repair of ships, boats or vessels. (Prior code § 4620.1(c))

9.42.050 Posting method.

Any property described in Section 9.42.040 may be posted against trespassing and loitering in the following manner:

A. By posting signs along or near the exterior boundaries of the area of such property at intervals of not more than three hundred feet (300'), and also at each corner thereof, and, if such property has a definite entrance or entrances thereto, at each such entrance;

B. Any such property, if it consists of poles or towers or appurtenant structures for the suspension of wires or other conductors for conveying electricity or telegraphic or telephonic messages, by affixing a sign upon one (1) or more sides of such poles or towers, but such posting shall render only the pole or tower or appurtenant structure "posted property." (Prior code § 4620.1(d))

9.42.060 Entering on posted property prohibited.

No person shall enter or remain upon any posted property without the written permission of the owner, tenant or occupant in legal possession or control thereof. Every person who so enters or remains upon such posted property without such written permission is guilty of a separate offense for each day during any portion of which he enters or remains upon such posted property. (Prior code § 4620.1(e))

9.42.070 Sign destruction prohibited.

No person shall, without authority, tear down, deface or destroy any sign posted under the provi-

sions of this Chapter. (Prior code § 4620.1(f))

9.42.080 Loitering near posted property prohibited.

No person shall loiter in the immediate vicinity of any posted property; provided, this Section does not prohibit peaceful picketing or any other lawful activity by which the public is informed of the alleged existence of any labor dispute. (Prior code § 4620.1(g))

9.42.090 Exceptions.

This Chapter does not apply to any entry, in the course of duty, of any peace or police officer or other duly authorized public officer, nor does it apply to the lawful use of an established and existing right-of-way for public road purposes, nor does it apply to any public waiting room, dining room, office or other portion of any such structure or premises to which general public access is required in the normal use and operation thereof or where materials are delivered to or received by the public; nor does it prohibit any lawful activity for the purpose of engaging in any organizational effort on behalf of any labor union, agent or member thereof, or of any employee group, or any member thereof, employed, or formerly employed, in any place of business or manufacturing establishment described in this Chapter, or for the purpose of carrying on the lawful activities of labor unions or members thereof; nor does it prohibit any lawful activity for the purpose of investigation of the safety of working conditions on posted property by a representative of a labor union or other employee group who has upon his person written evidence of due authorization of his labor union or employee group to make such investigation. (Prior code § 4620.1(h))

9.42.100 Operating vehicles on private property prohibited.

A. No person shall operate or drive a motor vehicle, motorcycle, mini-bike, trail bike, dune buggy, motor scooter, jeep or other form or motor vehicular transportation upon the private property of another or upon any public property which is not held open to the public for any vehicular use and which is not subject to the provisions of the Vehicle Code of the State.

B. The provisions of this Section shall not apply to emergency vehicles, governmental agencies or to persons driving upon such property with the written consent of the owner or person in lawful possession of such property or to the owner himself, his family, employees, agents or lessees. (Prior code § 4620.2)

9.42.110 Camping prohibited in certain areas—Exceptions.

A. Unless otherwise provided, it shall be unlawful for any person to camp on public property (including rights-of-way), whether improved or unimproved, whether inside or outside a vehicle, between the hours of ten p.m. of one (1) day and five a.m. of the next day, except public property designated for overnight camping.

B. This Section is in no way intended to change, alter or amend, nor is it to be construed as changing, altering or amending Section 9.42.010.

C. For the purposes of this Section, the term "camp" shall mean the use of tents or other temporary shelters, or non-city designated cooking facilities.

D. A violation of this Section shall constitute a misdemeanor; except that any such violation may, in the discretion of the City Prosecutor, be charged and prosecuted as an infraction. (Ord. C-7103 § 1, 1993: Ord. C-6984 § 1, 1992)

CHAPTER 9.46 FLOOD CONTROL FACILITIES

9.46.010 Use permit required.

No person, municipality, or district shall interfere with, destroy, or use in any manner whatsoever any levee, embankment, channel, dam, reservoir, rain, or stream gauges, telephone line, piling, fence or other stream protection work constructed by or on behalf of any public agency without a written permit therefor from the Council, which permit shall be revocable whenever in the opinion of the Council the public interest and welfare

require the revocation thereof. No permit to use any flood control protection work or rights-of-way owned or constructed by the Los Angeles County Flood Control District shall be effective unless written permit so to do has also been obtained from the Board of Supervisors of the district. (Prior code § 4612)

9.46.020 Obstruction prohibited.

No person, municipality, or district shall place or cause to be placed in the channel or bed of any river, stream, wash, or arroyo, or upon any property over which the Los Angeles County Flood Control District has an easement for flood control purposes duly recorded in the office of the County Recorder, any wires, fence, building or other structure, or any refuse, rubbish, tin cans or other matter that may impede, retard, or change the direction of the flow of water in such river, stream, wash, or arroyo, or that will catch or collect debris carried by such water, or that is placed where the natural flow of the storm and floodwaters would carry the same downstream to the damage and detriment of either private or public property adjacent to said river, stream, wash, arroyo, or channel. (Prior code § 4612.1)

PART VII. OFFENSES BY OR AGAINST MINORS

CHAPTER 9.52 FIREARMS*

9.52.010 Sale of ammunition prohibited.

No person as principal, agent or otherwise, shall sell, exchange, give or loan any BB shot, pellet, or other missile designed or intended for use in any spring gun, air gun, air pistol or other pistol or gun, or any cartridge, shell or other device containing any explosive and designed or intended for use in any gun, revolver, pistol, or firearm of any description to any person under the age of eighteen (18) years. (Prior code § 4180.5)

9.52.020 Possession prohibited.

No person, as principal, agent or otherwise, under the age of eighteen (18) years, shall have in his or her possession, care, custody or control, any gun, revolver, pistol, spring gun, air gun or firearm of any description, or any cartridge, shell or other device containing any explosive, and designed or intended for use in any gun, revolver, pistol or firearm of any description, or any explosive ammunition of any description whatsoever. (Prior code § 4180.7)

***State law reference—**Provisions on weapons and minors, Pen. C. §§ 12550—12552.

CHAPTER 9.54 DRUG PARAPHERNALIA

9.54.010 Allowing minors in sales room.

No owner, manager, proprietor or other person in charge of any place of business selling, or displaying for the purpose of sale, any device, contrivance, instrument or paraphernalia for smoking or injecting, or consuming marijuana, hashish, PCP, or any controlled substance, as defined in the Health and Safety Code of the State, other than prescription drugs and devices to ingest or inject prescription drugs, as well as roach clips and cigarette papers and rollers designed for the smoking of the foregoing, shall allow or permit any person under the age of eighteen (18) years to be, remain in, enter or visit such room unless such minor person is accompanied by one (1) of his or her parents, or by his or her legal guardian. (Ord. C-5671 § 1, 1981: prior code § 4180.9)

9.54.020 Minor presence in sales room.

A person under the age of eighteen (18) years shall not be, remain in, enter or visit any room in any place used for the sale, or displaying for sale, devices, contrivance, instruments or paraphernalia for smoking or injecting marijuana, hashish, PCP, or any controlled substance, other than prescription drugs and devices to ingest or inject prescription drugs, including roach clips and cigarette papers and rollers designed and used for smoking the foregoing, unless such person is accompanied by one (1) of his or her parents, or his or her legal guardian. (Ord. C-5671 § 2, 1981: prior code § 4180.9.1)

9.54.030 Segregation and signposting of sales rooms.

A person shall not maintain in any place of business to which the public is invited, the display

for sale, or the offering to sell, of devices, contrivances, instruments or paraphernalia for smoking or injecting marijuana, hashish, PCP, or any controlled substance, other than prescription drugs and devices to ingest or inject prescription drugs, including roach clips and cigarette papers and rollers designed and used for smoking the foregoing, unless within a separate room or enclosure to which minors not accompanied by a parent or legal guardian are excluded. Each entrance to such a room shall be signposted in reasonably visible and legible words to the effect that narcotic paraphernalia are being offered for sale in such a room and minors, unless accompanied by a parent or legal guardian, are excluded. (Ord. C-5671 § 3, 1981: prior code § 4180.9.2)

9.54.040 Violation—Nuisance.

The distribution or possession for the purpose of sale, exhibition, or display in any place of business from which minors are not excluded as set forth in this Section, and where devices, contrivances, instruments or paraphernalia for smoking or injecting marijuana, hashish, PCP, or any controlled substance, other than prescription drugs or devices to ingest or inject prescription drugs, including roach clips and cigarette papers and rollers designed and used for smoking the foregoing, is declared to be a public nuisance, and may be abated pursuant to the provisions of Section 731 of the Code of Civil Procedure of the State. This remedy is in addition to any other remedy provided by law, including the penalty provisions applicable for violation of the terms and provisions of this Code. (Ord. C-5671 § 4, 1981: prior code § 4180.9.3)

CHAPTER 9.56 PRESSURIZED PAINT CONTAINERS

9.56.010 Sale or purchase prohibited.

It is unlawful for any person to sell, exchange, give or loan, or cause or permit to be sold, exchanged, given or loaned, any pressurized can containing any substance commonly known as paint or dye to anyone under the age of eighteen (18) years, unless such person is the parent or legal guardian of said minor. It is unlawful for anyone under the age of eighteen (18) years to purchase any pressurized can containing paint or dye. (Ord. C-5458 § 1 (part), 1978: prior code § 4630)

9.56.020 Possession restricted.

Between the hours of six p.m. and six a.m. it is unlawful for any person under the age of eighteen (18) to have in his possession any pressurized can containing any substance commonly known as paint or dye while on any public highway, street, alley or way, park, playground, swimming pool, or other public place, whether such person is or is not in any automobile, vehicle or other conveyance. (Ord. C-5458 § 1 (part), 1978: prior code § 4630.1)

9.56.030 Possession prohibited in public parks and buildings.

It is unlawful for any person to have in his possession any pressurized can containing any substance commonly known as paint or dye while in any public park, playground, swimming pool, recreational facility (other than a highway, street, alley or way), except authorized employees of the City or an individual or authorized employee of an individual or company under contract with the City. (Ord. C-5458 § 1 (part), 1978: prior code § 4630.2)

9.56.040 Storage requirements.

Any business or establishment offering for sale to the public pressurized or aerosol paint containers shall keep, store and maintain such pressurized or aerosol paint containers in a place that is locked and secured or otherwise not directly accessible to the public. (Ord. C-6770 § 1, 1990)

CHAPTER 9.57 MARKING PENS AND ETCHING TOOLS

9.57.010 Sale or purchase prohibited.

A. No person shall sell or cause to be sold to any person under the age of eighteen (18) years any marking pen with a tip exceeding four (4) millimeters (four twenty-fifths of an inch) in size

and containing anything other than a solution which can be removed with water after the solution dries.

B. No person shall sell or cause to be sold to any person under the age of eighteen (18) years any etching tool capable of defacing property.

C. Evidence of majority may be established by a document issued by the federal government or a State, County or municipal government including but not limited to a motor vehicle operator's license, a registration certificate issued under the Selective Service Act, a passport or an identification card issued to a member of the Armed Forces which identifies an individual and provides proof of the age of such individual. (Ord. C-6770 § 2 (part), 1990)

9.57.020 Storage requirements.

Any business or establishment offering for sale to the public marking pens or etching tools regulated by this Chapter shall keep, store and maintain such marking pens and etching tools in a place that is locked and secured, or otherwise not directly accessible to the public. (Ord. C-6770 § 2 (part), 1990)

9.57.030 Possession prohibited in streets and other public places.

No person under the age of eighteen (18) years shall have in his or her possession any marking pen or etching tool regulated by this Chapter while on any public street or alley or in any other public place unless such person is accompanied by a parent or guardian. (Ord. C-6770 § 2 (part), 1990)

CHAPTER 9.58 LOITERING

9.58.010 Prohibition against juvenile being in public place between the hours of ten p.m. until six a.m. the following day.

A. Curfew. It is unlawful for any minor under the age of eighteen (18) years to remain in or upon any "public place," as defined in Section 9.02.090, between the hours of ten p.m. until six a.m. the following day.

B. Exceptions. The provisions of Subsection A of this Section shall not apply when:

1. The minor is accompanied by his or her parent, guardian or other adult person having the care and custody of the minor;

2. The minor is on an errand at the direction of the minor's parent or guardian, without any detour or stop;

3. The minor is in a motor vehicle involved in interstate travel;

4. The minor is engaged in an employment activity, or going to or returning home from an employment activity, without any detour or stop;

5. The minor is involved in an emergency requiring immediate action to prevent serious bodily injury or loss of life;

6. The minor is on the sidewalk abutting the minor's residence;

7. The minor is attending an official school, religious, or other recreational activity supervised by adults and sponsored by the City, a civic organization, or another similar entity that takes responsibility for the minor, or the minor is going to or returning home from, without any detour or stop, an official school, religious, or other recreational activity supervised by adults and sponsored by the City, a civic organization, or another similar entity that takes responsibility for the minor;

8. The minor is exercising First Amendment rights protected by the United States Constitution;

9. The minor is emancipated pursuant to law.

C. Enforcement. Before taking any enforcement action under this Section, a Police Officer shall ask the apparent offender's age and reason for being in the public place. The officer shall not issue a citation or make an arrest under this Section unless the officer reasonably believes that an offense has occurred and that, based on any response and other circumstances, no exception under Subsection B of this Section is present. (Ord. C-7488 § 1, 1997: Ord. C-6503 § 1, 1988: Ord. C-5938 § 1, 1983)

9.58.020 Prohibition against juvenile being in public place between the hours of eight-thirty a.m. until one-thirty p.m.

A. Curfew. It is unlawful for any minor under the age of eighteen (18) years, who is subject to compulsory education or to compulsory continuing education, to remain in or upon any "public place," as defined in Section 9.02.090 of this Code, between the hours of eight-thirty a.m. until one-thirty p.m. on days when such minor's school is in session.

B. Exceptions. The provisions of Subsection A of this Section shall not apply when:

1. The minor is accompanied by his or her parent, guardian or other adult person having the care and custody of the minor;

2. The minor is on an emergency errand at the direction of the minor's parent or guardian, without any detour or stop;

3. The minor is in a motor vehicle involved in interstate travel;

4. The minor is engaged in an employment activity, or going to or returning home from an employment activity, without any detour or stop;

5. The minor is involved in an emergency requiring immediate action to prevent serious bodily injury or loss of life;

6. The minor is going or coming to or from a medical appointment;

7. The minor has permission to leave campus for lunch or other school-related activity and has in his or her possession a valid, school-issued, off-campus permit;

8. The minor is attending an official school, religious, or other recreational activity supervised by adults and sponsored by the City, a civic organization, or another similar entity that takes responsibility for the minor, or the minor is going to or returning home from, without any detour or stop, an official school, religious, or other recreational activity supervised by adults and sponsored by the City, a civic organization, or another similar entity that takes responsibility for the minor;

9. The minor is exercising First Amendment rights protected by the United States Constitution;

10. The minor is emancipated pursuant to law;

11. The minor is not required by his or her school vacation, track or curriculum schedule to be in school.

C. Enforcement. Before taking any enforcement action under this Section, a Police Officer shall ask the apparent offender's age and reason for being in the public place. The officer shall not issue a citation or make an arrest under this Section unless the officer reasonably believes that an offense has occurred and that, based on any response and other circumstances, no exception under Subsection B of this Section is present. (ORD-06-0025 § 1, 2006: Ord. C-7386 § 1, 1996)

CHAPTER 9.60 REGULATION OF SEXUALLY EXPLICIT MATERIALS

9.60.010 Definitions.

For purposes of this Chapter, the following definitions shall apply:

"Amusement machine" means the following apparatus operated by or for a patron or patrons for amusement, diversion or sport in exchange for financial or other valuable consideration: pinball machines; electronic or video games; shuffleboard games; mini-motion picture projectors; screens and structures; public video projectors, screens, stalls and structures; and the like.

"Explicit sexual act" means any depiction of sexual intercourse, anal intercourse, oral copulation, sodomy, bestiality or masturbation, whether actual or simulated.

"Knowingly" means knowing that any publication, by virtue of its apparent character, outward appearance or contemporary County-wide reputation, would cause the average adult to reasonably know or suspect that the publication depicts on the cover, or contains therein, sexually explicit material.

"Minor" means any natural person under eighteen (18) years of age.

"Person" means any individual, partnership, firm, association, corporation or other legal entity.

"Publication" means a book, magazine, newspaper or other publication or any matter containing photographs or pictorial representations.

"Sexual organ" means any of the anatomical parts of a person's genitals or anus.

"Sexually explicit material" means any photograph or pictorial representation which depicts sexual organs or explicit sexual acts when to the average adult such photograph or pictorial representation has as its primary purpose or effect sexual arousal, gratification or affront. (Ord. C-6101 § 1 (part), 1984)

9.60.020 Display to minors.

No person shall, for commercial purposes, knowingly display, cause to be displayed or permit to be displayed in any business where an amusement machine is open to use by minors any publication which depicts sexually explicit material unless such publication is stored in a display case, having a sliding glass door, or other substantially similar case, cabinet or device in which the publication would be entirely enclosed. Such publication shall also be displayed in such a manner as to prevent any of its sexually explicit material from being readily viewed by any minor.

A minor shall not be given access to any display case, cabinet or device which contains sexually explicit publications and shall not be permitted to purchase such sexually explicit publications at a location subject to this Chapter. (Ord. C-6101 § 1 (part), 1984)

9.60.030 Display in separate room.

The provisions of Section 9.60.020 requiring a display case, cabinet or device shall not apply if sexually explicit publications are displayed in a separate room or segregated area where minors are prohibited and where sexually explicit material cannot readily be viewed by a minor from outside such room or area. (Ord. C-6101 § 1 (part), 1984)

9.60.040 Exception.

Where minors are accompanied by a parent or guardian, they may be given access to a display case containing sexually explicit publications or be permitted into a separate room or segregated area where sexually explicit publications are displayed and from where minors would otherwise be prohibited. (Ord. C-6101 § 1 (part), 1984)

9.60.050 Penalty.

Any person who violates any provision of this Chapter is guilty of a misdemeanor. (Ord. C-6101 § 1 (part), 1984)

9.60.060 Severability.

If any section, subsection, sentence, clause or phrase of this Chapter is for any reason held illegal, invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions thereof. The City Council declares that it would have passed this ordinance codified in this Chapter, and each section, subsection, sentence, clause and phrase thereof even though any one (1) or more sections, subsections, sentences, clauses or phrases be declared illegal, invalid or unconstitutional. (Ord. C-6101 § 1 (part), 1984)

CHAPTER 9.61 SOCIAL HOST REGULATIONS

9.61.010 Purpose and intent.

A. The purpose and intent of this Chapter are:

1. To facilitate the enforcement of laws prohibiting the service to and consumption of alcoholic beverages by minors as well as to deter the service to and consumption of alcoholic beverages by minors, and to promote the reduction of underage drinking;

2. To protect public health, safety, general welfare and quiet enjoyment of property and properties neighboring the location of gatherings at which minors are served and consume alcoholic beverages;

3. To establish a duty of persons twenty-one (21) years of age or older having control over any premises, who knowingly hosts, permits or allows a gathering at the premises, to take reasonable steps to prevent the service and consumption of alcoholic beverages by minors;

4. To provide opportunities for education and behavior modification to first-time offenders violating this Chapter;

5. To provide recovery of law enforcement and/or fire response costs. (ORD-14-0001, § 1, 2014)

9.61.020 Definitions.

For purposes of this Chapter, the following terms shall have the following meanings:

A. "Adult" shall mean a person who is twenty-one (21) years of age or older.

B. "Alcohol" shall mean ethyl alcohol, hydrated oxide of ethyl, or spirits of wine, from whatever source or by whatever process produced.

C. "Alcoholic Beverage" includes alcohol, spirits, liquor, wine, beer, and every liquid or solid containing alcohol, spirits, wine, or beer, and which contains one-half (½) of one percent (1%) or more of alcohol by volume and which is fit for beverage purposes either alone or when diluted, mixed, or combined with other substances.

D. "Control" shall mean any form of dominion including ownership, tenancy or other possessory right.

E. "Gathering" shall mean a party, gathering, or event where a group of two (2) or more persons have assembled or are assembling for a social occasion or social activity.

F. "Legal Guardian" shall mean:

1. A person who, by court order, is the guardian of the person of a minor, or

2. A public or private agency with whom a minor has been placed by a court of competent jurisdiction.

G. "Minor" shall mean any person less than twenty-one (21) years of age.

H. "Parent" means a person who is a natural parent, adoptive parent, foster parent, or stepparent of another person.

I. "Enforcement Services" shall mean the salaries and benefits of police officers or other code enforcement officers for the amount of time actually spent in responding to or in remaining at the residence or premises and the administrative costs attributable to the incident, the actual cost of any medical treatment to injured police officers or other code enforcement officers as a result of injuries suffered in responding to or in remaining at the residence or premises, the cost arising from the use of any City equipment in responding to or remaining at the residence or premises, and the cost of repairing any damaged City equipment or property used in responding to or in remaining at the residence or premises.

J. "Residence" or "Premises" shall mean a house, yard, apartment, condominium, or other dwelling unit, a hotel or motel room, or a hall or meeting room, whether occupied on a temporary or permanent basis, whether occupied as a dwelling or for living space or for a party, meeting, or other social function or gathering, and whether owned, leased rented, or used with or without compensation. (ORD-14-0001, § 1, 2014)

9.61.030 Prohibition on hosting, permitting or allowing a gathering at which minors consume alcoholic beverages.

It is unlawful for any adult to host, permit or allow a gathering to take place at the premises where one (1) or more minors consumes an alcoholic beverage, whenever such adult either:

A. Intentionally serves or causes to be served an alcoholic beverage to a minor for consumption; or

B. Knows or reasonably should have known that a minor possesses or has consumed an alcoholic beverage and thereafter fails to immediately take appropriate action to prevent further possession or consumption of alcoholic beverages by any minor.

C. This Section shall not apply to any location or place regulated by the California Department of Alcohol and Beverage Control.

D. The provisions of this Chapter shall not apply to legally protected religious ceremonies.

E. Law enforcement officers shall have the discretion of writing violators a warning prior to an official citation. (ORD-14-0001, § 1, 2014)

9.61.040 Recovery of response costs.

When a law enforcement, fire, or other emergency response provider responds to a gathering at a premises at which there is service to, or consumption of alcohol or alcoholic beverages by a minor(s), all responsible persons shall be jointly and severally liable for the City's costs of responding to the gathering. (ORD-14-0001, § 1, 2014)

9.61.050 Penalty for violations.

A. Any violation of this Chapter shall be subject to enforcement in accordance with the administrative citation and penalties of Chapter 9.65.

B. Any violation of this Chapter shall be subject to prosecution as a misdemeanor or infraction by the City Prosecutor's Office in accordance with the provisions of Section 1.32.010. (ORD-14-0001, § 1, 2014)

9.61.060 Severability.

In the event any portion of Chapter 9.61 is deemed to be unenforceable, or is in conflict with applicable law, the remainder of Chapter 9.61 will be enforced and will remain in full force and effect. (ORD-14-0001, § 1, 2014)

PART VIII. WEAPONS

CHAPTER 9.62 FIREARMS DISCHARGE*

9.62.010 Permit required.

No person shall shoot or discharge any gun, compressed air gun, rifle, pistol, or other firearm without first having obtained a written permit from the Chief of Police so to do; provided, however, that nothing contained in this Section shall apply to the shooting or discharging of any gun, pistol or other firearm by any Police Officers or other law enforcement agent in the discharge of his or her official duties, nor to the discharge or shooting of firearms in any licensed shooting gal-

lery, target or other gun or rifle range or any theatrical performance or exhibition. (Prior code § 4130.5)

CHAPTER 9.64 PROHIBITED WEAPONS*

9.64.010 Use of whips, ticklers or throwing confetti.

It is declared to be a nuisance, unlawful and a misdemeanor to use whips and ticklers, or any such devices, or to throw confetti in any public places as defined in this Title. (Prior code § 4130.8)

9.64.020 Slingshots or catapults.

No person shall use or have in his possession any catapult, slingshot or other device capable of throwing stones, shot or metal slugs. This Section shall not apply to amusement games or exhibitions carried on under permit from the City. Any such devices taken from any person unlawfully possessing the same are declared to be nuisances and shall be subject to confiscation and summary destruction under direction of the Police Department. (Prior code § 4130.10)

PART IX. ENFORCEMENT

CHAPTER 9.65 ADMINISTRATIVE CITATIONS AND PENALTIES†

9.65.010 Legislative findings and statement of purpose.

A. Enforcement of the Long Beach Municipal Code throughout the City is an important public service. Code enforcement is vital to the protection of the public's health, safety, welfare and quality of life. The City Council recognizes that a comprehensive code enforcement system that uses a combination of administrative and judicial remedies helps to gain compliance with Code regulations.

B. The overburdening of the criminal court system has necessitated the alternative use of an administrative citation program to more effectively adjudicate the majority of nuisance related Code violations. An administrative citation program and the establishment of appropriate fines are intended to act as a reasonable deterrent in preventing violations of the Long Beach Municipal Code.

C. The City Council hereby finds that there is a need for an alternative method of enforcement of the Municipal Code in accordance with the City's constitutional police power. The City Council further finds that an appropriate method of enforcement is the imposition of administrative penalties as independently authorized by both California Constitution Article XI, Section 7, and Government Code, Section 53069.4.

D. The procedures established in this Chapter shall be in addition to any criminal, civil or other legal remedy established by law for violation of the Municipal Code.

E. The City Council hereby finds and determines that enforcement of the Long Beach Municipal Code pursuant to the City's police power is a matter of public health, safety and welfare and serves important public purposes. The City of Long Beach adopts this administrative citation and penalty program in order to achieve the following goals and objectives:

1. To protect the public health, safety and welfare of the citizens of the City.

2. To gain compliance with the Municipal Code in a timely and efficient manner.

3. To provide for an administrative process to appeal the imposition of administrative citations and fines.

4. To provide a method to hold parties responsible when they fail or refuse to comply with the provisions of the Municipal Code.

5. To avoid and/or minimize the expense and delay of enforcement in the civil or criminal justice system.

9.65.060 Issuance of administrative citation.

A. Any responsible person who violates any provision of Titles 3, 5, 8, 9, 10, 14, 18 and 21, or Chapter 2.63, of the Long Beach Municipal Code may be issued an administrative citation, pursuant to this Chapter, by an enforcement officer designated to issue such citations.

B. Each and every day a violation exists constitutes a separate and distinct offense.

C. A civil fine shall be assessed by means of an administrative citation issued by the enforcement officer and shall be payable directly to the City of Long Beach.

D. Fines shall be assessed for Code violations committed by the same responsible person as follows:

1. A fine for each initial violation, in an amount established by the City Council by resolution;

2. A fine for each instance of a second violation of the same Code section within one (1) year from the date of the first violation, in an amount established by the City Council by resolution;

3. A fine for each additional violation of the same Code section within one (1) year from the date of the first violation, in an amount established by the City Council by resolution;

4. A fine for each violation of Municipal Code, Section 21.41.170 illegal garage conversions, 18.02.050 for dangerous buildings, 18.08.010 for certificates of occupancy, 18.09.010 for failure to comply with Title 18, and/or Subsection 21.31.245.C unlawful dwelling units, in an amount established by the City Council by resolution; and

5. A fine for each violation of Municipal Code, Section 21.51.227 relating to illegal automotive work, in an amount established by the City Council by resolution. (ORD-15-0038 § 2, 2015; ORD-11-0012 § 3, 2011; ORD-09-0022 § 6, 2009)

9.65.070 Service procedures.

An administrative citation on a form approved by the City Manager may be served upon any responsible person by an enforcement officer in the following manner:

A. Personal service. In any case where an administrative citation is issued:

1. The enforcement officer shall attempt to locate and personally serve the responsible person(s) and obtain the signature of the responsible person(s) on the administrative citation;

2. If the responsible person(s) refuses or fails to sign the administrative citation, the failure or refusal to sign shall not affect the validity of the administrative citation or any subsequent proceedings.

B. Service of citation by posting notice. If the enforcement officer does not succeed in personally serving a responsible person(s):

1. The enforcement officer shall post the administrative citation or duplicate thereof in a con-

spicuous place on the lot where the violation(s) exists or has occurred, and such posting shall be deemed effective service;

2. Any posted notice shall be photographed on the date of posting by the enforcement officer, and a proof of service of the notice shall be made by declaration of the enforcement officer effecting the service.

C. Service of citation by mail. If the enforcement officer does not succeed in personally serving a responsible person(s), in addition to posting notice:

1. The administrative citation or duplicate thereof shall be mailed to the responsible person(s) at his or her residence or place of business by depositing the same in the United States Mail, postage prepaid as first class mail;

2. A proof of service of the notice shall be made by declaration of the enforcement officer effecting the service. (ORD-09-0022 § 6, 2009)

9.65.080 Contents of notice.

Each administrative citation shall contain the following information:

A. The date of service of the citation and the date, time, address or description of the location where the violation(s) was observed.

B. The Code section(s) and condition(s) violated and a description of the violation(s)

C. An order to the responsible person(s) to correct the violation(s) no later than the specified correction date.

D. An explanation of the consequences of failure to correct the violation(s) in a timely manner.

E. The amount of the fine for the violation(s).

F. An explanation of how the fine shall be paid and the fine payment due date.

G. Notice of the right to appeal the citation, the time within which the citation may be appealed and the place to obtain a request for hearing form to appeal the administrative citation.

H. The name and signature of the enforcement officer and, if obtained, the signature(s) of the responsible person(s). (ORD-09-0022 § 6, 2009)

9.65.090 Satisfaction of administrative citation.

Upon service of an administrative citation, the cited party shall do the following:

A. Remedy the violation(s) no later than thirty (30) days from the date of issuance of the citation as specified on the administrative citation. Correcting the violation(s) shall not excuse or discharge payment of the fine.

B. Pay the fine no later than thirty (30) days from the date of issuance of the citation as specified on the administrative citation. Payment of a fine shall not excuse or discharge the failure to correct the violation(s), nor shall it bar further enforcement action by the City. Late charges shall be imposed for fine payments made after the fine payment due date. The late charge shall be calculated at a rate of twenty-five percent (25%) of the fine, and will be imposed in addition to any outstanding fine. (ORD-09-0022 § 6, 2009)

9.65.100 Appeal of administrative citation.

A. Any recipient of an administrative citation may appeal said citation by completing a written request for hearing form, obtained as directed on the citation, and returning it to the department, indicated on the citation, within thirty (30) calendar days from the date the administrative citation is served or deemed to have been served, together with a deposit in the total amount of the fine and any late charges.

B. A failure to file a timely appeal of the administrative citation shall be deemed a waiver of the right to appeal and to seek judicial review. (ORD-09-0022 § 6, 2009)

9.65.110 Appeal hardship waiver.

A. Any person who intends to appeal the administrative citation and who is financially unable to make the advance deposit as required in Section 9.65.100 may request an advance deposit hardship waiver by completing a written deposit waiver form obtained as directed on the citation.

B. The deposit waiver request form shall be filed together with the appeal in the department indicated on the citation within thirty (30) calendar days from the date the administrative citation is served or deemed to have been served.

C. The deposit requirement as described in Subsection 9.65.100.A shall be stayed unless or until the Director of the department indicated on the citation, or his/her designee, makes a determination regarding the waiver request.

D. The Director of the department indicated on the citation, or his/her designee, may waive the requirement of an advance deposit only if the cited party submits to the Director, or his/her designee, a statement under penalty of perjury, together with any supporting documents or materials, demonstrating to the satisfaction of the Director, or his/her designee, the cited party's actual financial inability to deposit with the City the full amount of the fine and late charge(s) in advance of the hearing.

E. If the Director of the department indicated on the citation, or his/her designee, declines to issue a waiver, the cited party shall remit the full deposit to the City within ten (10) calendar days of the date of that decision or thirty (30) calendar days from the date the administrative citation is served or deemed to have been served, whichever is later.

F. The Director of the department indicated on the citation, or his/her designee, shall issue a written determination listing the reasons for his/her determination to issue or not issue the hardship waiver. The written determination shall be final.

G. The written determination of the Director, or his/her designee, shall be served personally or by first class mail, postage prepaid, upon the cited party who applied for the hardship waiver. (ORD-09-0022, § 6, 2009)

9.65.120 Hearing procedure.

A. No hearing to appeal an administrative citation shall be held unless and until a request for hearing form has been completed and submitted, as indicated on the citation, and the deposit has been paid, or a hardship waiver has been issued.

B. A hearing before the Hearing Officer shall be set for a date not sooner than fifteen (15) calendar days and not more than sixty (60) calendar days from the date the request for hearing is completed and submitted in accordance with the provisions of this Chapter. The cited party requesting the hearing shall be notified in writing of the time and place set for the hearing at least ten (10) calendar days prior to the date of the hearing.

C. The Hearing Officer shall only consider evidence that is relevant to whether the violation(s) occurred and whether the cited party has created, committed, or maintained the violation(s). Courtroom rules of evidence shall not apply. Relevant hearsay evidence and written reports may be admitted whether or not the speaker or author is present to testify, if the Hearing Officer determines that such evidence is reliable. Admission of evidence and the conduct of the hearing shall be controlled by the Hearing Officer in accordance with the fundamentals of due process. The Hearing Officer may set reasonable limits on the length of the hearing, and shall allow the appellant at least as much time to present his/her case as is allowed to the City.

D. The cited party contesting the administrative citation shall be given the opportunity to testify and present witnesses and evidence concerning the administrative citation. The City's case shall be presented by any person designated by the City Manager. The appellant and City may be represented by counsel.

E. The failure of the appellant to appear at the hearing shall constitute a forfeiture of the fine and a failure to exhaust administrative remedies.

F. The administrative citation and any additional documents prepared by the City in connection with the violation(s) may be submitted and shall constitute prima facie evidence of the respective facts contained in those documents.

G. If the enforcement officer or his/her designee submits any additional documents concerning the administrative citation to the Hearing Officer for consideration at the hearing, then, whenever possible, a copy of such document(s)

shall be served by mail on the appellant at least five (5) calendar days prior to the date of the hearing.

H. The Hearing Officer may continue the hearing or request additional information from the enforcement officer, his/her designee or the appellant prior to issuing a written decision. (ORD-09-0022, § 6, 2009)

9.65.130 Hearing Officer's decision.

A. After considering all of the testimony and evidence submitted at the hearing, the Hearing Officer shall issue a written decision within fifteen (15) business days of the hearing. The decision of the Hearing Officer shall be final.

B. If the Hearing Officer denies the appeal, then the deposit shall be retained by the City.

C. If the Hearing Officer grants the appeal, then the City shall refund the deposit within thirty (30) business days from the date of the final written decision.

D. The appellant and City shall each be served with a copy of the Hearing Officer's written decision. (ORD-09-0022, § 6, 2009)

9.65.140 Failure to pay fines.

A. The failure of the cited party to pay a civil fine or late penalty in a timely manner may result in the imposition of a special assessment and/or lien against the real property on which the violation occurred, after which the amount so determined shall bear interest at the rate of twelve percent (12%) per annum until paid, and/or filing of an action with the Small Claims Court for recovery of the fine and late penalty. The only issue to be adjudicated by the Small Claims Court shall be whether or not the fines and possible late fees were paid. A cited party may only obtain judicial review of the validity of the citation by first requesting and participating in an administrative hearing before a Hearing Officer. In the Small Claims Court action, the City may also recover its costs, according to proof.

B. The City may also refuse to issue, extend or renew to any cited party who has unpaid delinquent fines, interest, penalties, liens or assessments, any City permit, license, entitlement or other City approval pertaining to the lot that is the subject of the fine and administrative citation.

C. Any permit, license, entitlement or land use approval issued by the City may be subject to suspension or revocation of the permit, license, entitlement, or land use approval in accordance with the procedures set forth in this Title 9 and Titles 3, 5, 6, 8, 10, 14, 18 and 21 of the Long Beach Municipal Code if any unpaid fine, interest or penalties remain delinquent for a period of more than thirty (30) days. (ORD-11-0012, § 4, 2011; ORD-09-0022, § 6, 2009)

9.65.150 Failure to remedy weed abatement activity.

In the event a responsible person(s) is cited for violation of weed abatement, pursuant to Section 9.65.030 of this Chapter, and fails to correct the violation within the specified correction period, and also fails to file a timely appeal of the administrative citation as set forth in Section 9.65.100 of this Chapter, in addition to fine(s), late charges, and consequences resulting from failure to pay fines as defined in this Chapter, a lot cleaning levy shall also be imposed. A lot cleaning levy payment notice shall be served upon the cited party in the same manner as provided for service of the administrative citation set forth in Section 9.65.070 of this Chapter. (ORD-09-0022, § 6, 2009)

9.65.160 Failure to remedy inoperative vehicle activity.

In the event a responsible person(s) is cited for violation of inoperative vehicles pursuant to Section 9.65.040 of this Chapter, and fails to correct the violation within the specified period and also fails to file a timely appeal of the administrative citation as set forth in Section 9.65.100 of this Chapter, in addition to fine(s), late charges, and consequences resulting from failure to pay fines as defined in this Chapter, a vehicle removal levy shall also be imposed. A vehicle removal levy payment notice shall be served upon the cited party in the same manner as provided for service of the administrative citation set forth in Section 9.65.070

of this Chapter. (ORD-09-0022 § 6, 2009)

9.65.170 Appeal of lot cleaning and inoperative vehicle levy.

A. Any recipient of lot cleaning or inoperative vehicle levy payment notice may appeal the reasonableness of the computed charges by completing a levy hearing request form and returning it to the department indicated on the administrative levy notice within fifteen (15) calendar days from the date the levy notice was served, together with a deposit in the total amount of the administrative citation fine, late charges and levy.

B. A hearing on the appeal shall be set for a date that is not sooner than fifteen (15) calendar days and not more than sixty (60) calendar days from the date that the request for hearing is completed and submitted in accordance with the provisions of this Chapter. The person requesting the hearing shall be notified in writing of the time and place set for the hearing at least ten (10) calendar days prior to the date of the hearing.

C. The Hearing Officer shall only consider evidence that is relevant to whether the costs used to compute the levy are reasonably related to abatement costs incurred by the City. Courtroom rules of evidence shall not apply. Relevant hearsay evidence and written reports may be admitted whether or not the speaker or author is present to testify if the Hearing Officer determines that such evidence is reliable. Admission of evidence and the conduct of the hearing shall be controlled by the Hearing Officer in accordance with the fundamentals of due process. The Hearing Officer may set reasonable limits on the length of the hearing, and shall allow the appellant at least as much time to present its case as is allowed the City.

D. The cited party contesting the reasonableness of the levy shall be given the opportunity to testify and present witnesses and evidence concerning the computed cost. The appellant and City may be represented by counsel.

E. The administrative citation and any additional documents prepared by the City in connection with the levy may be submitted and shall constitute prima facie evidence of the respective facts contained in those documents.

F. In the event additional documents concerning the levy are provided to the Hearing Officer for consideration, whenever possible, a copy of such document(s) shall be served by mail on the appellant at least five (5) calendar days prior to the date of the hearing.

G. The Hearing Officer may continue the hearing or request additional information from the City or the appellant prior to issuing a written decision.

H. After considering all of the testimony and evidence submitted at the hearing, the Hearing Officer shall issue a written decision within fifteen (15) business days of the hearing.

I. The appellant and the City shall each be served by mail with a copy of the Hearing Officer's written decision.

J. If the Hearing Officer determines that the levy was properly computed, and should be upheld as reasonable, then the entire deposit with the City shall be retained by the City.

K. In the event the Hearing Officer determines the levy, or any portion thereof, to be unreasonable, then that amount shall be refunded within fifteen (15) business days of the date of the written determination.

L. The failure of the appellant to appear at the hearing shall constitute a forfeiture of the entire deposit and a failure to exhaust administrative remedies.

M. A failure to file a timely appeal shall be deemed a waiver of the right to appeal the levy. (ORD-09-0022 § 6, 2009)

9.65.180 Dismissal of citation.

The enforcement officer, with the approval of the Director from the department indicated on the citation, or his/her designee, may dismiss an administrative citation at any time if it is determined to have been issued in error, in which event any deposit will be refunded. (ORD-09-0022 § 6, 2009)

9.65.190 Right to judicial review.

A. Either the City or the appellant aggrieved by a decision of a Hearing Officer on an administrative citation or levy, may obtain review of the

decision by filing a petition for review with the Los Angeles Superior Court in accordance with the time lines and provisions as set forth in California Government Code, Section 53069.4(b). Said procedure shall be available for all judicial review under this Chapter, notwithstanding that the term or condition being enforced pursuant to this Chapter may not be a matter covered by Section 53069.4(a). Judicial review of a citation shall not be available unless all administrative remedies have been exhausted as provided in this Chapter.

B. Failure to receive any notice specified in this Chapter does not affect the validity of proceedings conducted hereunder. (ORD-09-0022 § 6, 2009)

9.65.200 Recovery of Code enforcement abatement costs.

A. The administrative citation process described in this Chapter does not preclude the City from recovering any other Code violation or nuisance abatement costs incurred by the City in performing its Code enforcement efforts.

B. Fees and Services Provided. Code enforcement service fees and/or code enforcement expenses conducted to abate violations of the Long Beach Municipal Code are as set forth in the schedule of fees and charges established by City Council resolution.

C. The payment of code enforcement fees and/or abatement expenses by the City shall not exempt any person, firm or corporation from compliance with this code nor from any penalty prescribed by law. (ORD-26-0004 § 6, 2026; ORD-09-0022 § 6, 2009)

9.65.210 Failure to remedy violations - recordation.

A. In the event a responsible person(s) is cited for any provision of Titles 3, 5, 8, 9, 10, 14, 18, 21, and 22, or Chapter 2.63 of the Long Beach Municipal Code, and fails to correct the violation within the specified period, and also fails to prevail on an appeal of the administrative citation as set forth in Section 9.65.100 of this Chapter, in addition to fine(s), late charges, and consequences resulting from failure to pay fines as defined in this Chapter, a Notice of Violation may also be recorded against title. A recordation of a Notice of Violation shall be served upon the cited party via service by first class mail and Certified Mail and by posting on the property. If for any reason, the City is unable to mail a violation to the cited person, posting the notice at the property shall be deemed sufficient notice.

B. The City may, at its discretion and for its own reasons, terminate a recordation of violation recorded under section 9.65.210. Such termination may be done, without limitation:

a. Upon determination by the Building Official that the violation has been corrected;

b. Upon determination by the Building Official that terminating the recordation furthers a legitimate City interest; or

c. By agreement between an interested party and the Building Official providing that an interested party has or will obtain the right to remedy the violation and agrees to do so.

C. If the City terminates a recordation of violation and the violation persists or re-occurs, the City may re-record the violation in accordance with section A, above.

D. These provisions are additional to any other enforcement action the City may take in accordance with the Municipal Code, state law, or other authorizing law. (ORD-26-0004 § 28, 2026)

CHAPTER 9.66 SEX OFFENDER RESIDENCY RESTRICTIONS*

9.66.010 Definitions.

For purposes of this Chapter only, and unless the context clearly requires a different meaning, the words, terms and phrases set forth in this Section are defined as follows:

A. "Duplex" shall mean a residential land use for a building containing two (2) dwelling units.

B. The third Monday in January, known as "Dr. Martin Luther King Day";

C. The third Monday in February, known as "Presidents Day";

D. The last Monday in May, known as "Memorial Day";

E. July 4, known as "Independence Day";

F. The first Monday in September, known as "Labor Day";

G. Thanksgiving Day;

H. The day after Thanksgiving Day; and

I. December 25, known as "Christmas Day". (ORD-18-0014 § 1, 2018; ORD-09-0021 § 1, 2009; Prior code § 3410.1 (part))

10.02.050 Loading zone.

"Loading zone" means the space adjacent to a curb reserved for the exclusive use of vehicles during the loading or unloading of passengers or materials. (Prior code § 3410.1 (part))

10.02.060 Official time standard.

Whenever certain hours are named in this Title, they shall mean standard time or daylight saving time, as may be in current use in this City. (Prior code § 3410.1 (part))

10.02.070 Parking meter.

"Parking meter" means any mechanical device which, when the mechanism thereof is set in motion, indicates unexpired parking time for the vehicle parked adjacent thereto. (Prior code § 3410.1 (part))

10.02.080 Parking meter space.

"Parking meter space" means a parking space of sufficient size to permit the parking of one (1) vehicle only adjacent to a parking meter within a parking meter zone. (Prior code § 3410.1 (part))

10.02.090 Parking meter zones.

"Parking meter zones" means portions of streets, or City-owned or leased land, upon which the parking of vehicles is regulated with the aid of parking meters. (Prior code § 3410.1 (part))

10.02.100 Parkway.

"Parkway" means the area adjacent to a roadway between the private property line and the

*State law reference—Provisions on definitions, Veh. C. § 100 et seq.

roadway, or the area between the roadways of a highway as are set apart for pedestrian travel. (Ord. C-5398 § 1, 1978; prior code § 3410.1 (part))

10.02.110 Passenger loading zone.

"Passenger loading zone" means the space adjacent to a curb reserved for the exclusive use of vehicles during the loading or unloading of passengers. (Prior code § 3410.1 (part))

10.02.120 Police Officer.

"Police Officer" means every officer of the Police Department of this City, and any officer authorized to direct or regulate traffic or to make arrests for violations of traffic regulations. (Prior code § 3410.1 (part))

10.02.125 Preferential parking district.

"Preferential parking district" means a district formed pursuant to the provisions of Chapter 10.32 of this Title 10 for the purposes set forth in Section 10.32.010. As used in Chapter 10.32, "district" means a preferential parking district as defined in this Section. (Ord. C-6588 § 3, 1989)

10.02.130 Road tractor.

"Road tractor" means a motor vehicle designed and used for drawing other vehicles, and not so constructed as to carry any load thereon independently of any part of the weight of a vehicle or load so drawn. (Prior code § 3410.1 (part))

10.02.140 Scramble system automatic signal.

"Scramble system automatic signal" means that type of intersection signal control that provides a pedestrian signal interval during which time pedestrians are permitted to walk across all intersecting streets in the crosswalks, and diagonally across the intersection, and during which interval all vehicular traffic is stopped at the approaches to the intersection. (Prior code § 3410.1 (part))

10.02.145 Sidewalk.

"Sidewalk" is that portion of any highway or street, other than the roadway, set apart by curbs, barriers, concrete, markings or other delineation for pedestrian travel. (Ord. C-6158 § 3, 1985)

10.02.150 Stop.

"Stop" means complete cessation of movement. (Prior code § 3410.1 (part))

10.02.160 Vehicle Code.

"Vehicle Code" means the Vehicle Code of the State of California. (Prior code § 3410.1 (part))

CHAPTER 10.04
ADMINISTRATION*

10.04.010 City Traffic Engineer—Division established.

There is established in the Engineering Department of this City a Traffic Engineering Division. This Division shall be administered by the City Traffic Engineer, who shall be directly responsible to the City Engineer. The City Traffic Engineer shall exercise all the powers and duties imposed upon him by the ordinances of the City. (ORD-09-0021, § 2, 2009; Prior code § 3410.2)

10.04.020 City Traffic Engineer—Duties.

It shall be the general duty of the City Traffic Engineer to plan and coordinate all Traffic Engineering functions of the City; to arrange for the installation, operation and maintenance of traffic control devices, such as traffic signs, traffic signals, markings and street name signs; to review design of traffic facilities and to participate in studies involving the economics of street design and operation; to conduct engineering analyses of traffic accidents and to devise remedial measure; to conduct engineering and traffic investigations of traffic conditions; to engage in traffic research, including collection and compilation of traffic data; to cooperate with the Police Department in the establishment of traffic regulatory measures; to cooperate with the City Planning Director in planning master plan of freeways and highways; to cooperate in the promotion of traffic safety educational

programs; and to carry out the additional powers and duties imposed by ordinances of the City. (ORD-09-0021, § 3, 2009; Prior code § 3410.3)

10.04.030 Police and Fire Department authority.

A. It shall be the duty of the officers of the Police Department, and such officers as are assigned by the Chief of Police, to enforce all street traffic laws of this City, and all of the State vehicle laws applicable to street traffic in this City.

B. Officers of the Police Department or such officers as are assigned to direct all traffic by voice, hand or other signal, in conformance with traffic laws, provided that in the event of a fire or other emergency, or to expedite traffic, or to safeguard pedestrians, officers of the Police Department may direct traffic as conditions may require, notwithstanding the provisions of the traffic laws.

C. Officers of the Fire Department, in the course of their duties at the scene of a fire, may direct or assist the Police in directing traffic. (Prior code § 3410.4)

10.04.040 Public Service Department authority.

It shall be the duty of the employees of the Public Service Department and such employees as are assigned by the Director of Public Service. in cooperation with the Police Department. to issue notices in accordance with the requirements of the State Vehicle Code for violations of Subsection 10.22.140.A. (Prior code § 3410.4.1)

10.04.050 Parking control checker authority.

A. Employees of the City employed in the classification of parking control checker, or such other classifications as approved by the appointing authority, are authorized and shall, in accordance with the applicable provisions of the Vehicle Code, have the duty to issue notices of violation of any statute of the State or any ordinance of the City or appropriate regulations issued thereunder relating to the standing or parking of a vehicle.

B. Parking control checkers are designated and authorized to remove or cause the removal of a vehicle from a highway or other public property in accordance with the provisions of Sections 22651 and 22669 of the Vehicle Code, when said employees have been duly designated, authorized and assigned to perform such duties by the Chief of Police.

C. Parking control checkers are authorized to regulate and direct traffic in accordance with the provisions of Section 21100 of the Vehicle Code, when said employees have been duly assigned or appointed to perform such duties.

D. Nothing in this Section is intended to operate either in addition to or in contravention of Title 3, Chapter 4.5, of the Penal Code which expressly designates those persons who are classified as peace officers. Further, nothing in this Section is intended to or shall operate to change or shall have the effect of changing the status of the officers and employees authorized to act pursuant to this Section from public or miscellaneous officers and employees to individual peace officers or safety members or classes of peace officers or safety members for purposes of retirement, workers' compensation or similar injury or death benefits to which said officer or employee would not have been entitled as a public or miscellaneous officer or employee prior to the adoption of this Section. (Ord. C-7930 § 1, 2004; Ord. C-6125 § 1, 1985; Ord. C-5302 § 1, 1977; prior code § 3410.4.2.)

10.04.060 Planning and Building Department authority.

It shall be the duty of those employees of the Department of Planning and Building designated by the Director of the Department of Planning and Building, in cooperation with the Police Department, to issue notices in accordance with the requirements of the State Vehicle Code for violations of Sections 10.22.020, 10.22.080, 10.22.130, 10.22.150, 10.22.160, 10.26.030 and 10.40.010.

Those employees designated by the Director of the Department of Planning and Building are authorized and may issue notices of violations pursuant to the applicable provisions of Section 41103 and other sections of the Vehicle Code relating to the standing or parking of a vehicle. If the notice of violation cannot be attached to the vehicle or other personal property, it may be posted on the front door of the involved premises.

Nothing in this Section is intended to operate to make these employees peace officers. Further, nothing in this Section is intended to or shall operate to change or shall have the effect of changing the status of the employees authorized to act pursuant to this Section from public or miscellaneous employees to individual peace officers or safety members or classes of peace officers or

safety members. (Ord. C-6288 § 3, 1986; Ord. C-6158 § 1, 1985; Ord. C-6099 § 5, 1984)

CHAPTER 10.06 VIOLATION NOTICES*

10.06.010 Authorized—Contents.

A. Whenever a person is arrested for any violation of this Title and the person is not retained in custody, the arresting officer may prepare, in duplicate or triplicate, a written notice to appear in court containing the name and address of the person, the license number of his vehicle, if any, the offense charged, and the time and place when and where the person shall appear in court.

B. The time specified in the notice to appear must be at least five (5) days after the arrest.

C. The place specified in the notice to appear shall be either:

1. Before a Municipal Court of the Long Beach Judicial District; or

2. Before an officer authorized by the City to receive a deposit of bail. (Prior code § 3450)

10.06.020 Signing notice required.

The arrested person, in order to secure his release from custody, must give his written promise to appear in court by signing the notice, and the officer shall deliver one (1) copy of the notice to appear to the arrested person. The signed original and triplicate copy of the notice shall be retained by the officer, who shall thereupon release the person arrested from custody. (Prior code § 3450.1)

10.06.030 Compliance by counsel.

A written promise to appear in court may be complied with by appearance by counsel. (Prior code § 3450.2)

10.06.040 Failure to appear deemed separate offense.

Any person wilfully violating his written promise to appear in court shall be guilty of a misdemeanor, regardless of the disposition of the charge upon which he was originally arrested. (Prior code § 3450.3)

*State law reference—Provisions on arrest for traffic violations, Veh. C. § 40500 et seq.

CHAPTER 10.08 TRAFFIC-CONTROL DEVICES†

10.08.010 Installation authority.

A. The City Traffic Engineer shall place and maintain official traffic-control devices as required by ordinance of the Council, and in accordance with Section 10.08.040.

B. Whenever the Vehicle Code requires, for the effectiveness of any provision thereof, the traffic-control devices be installed to give notice to the public of the application of such law, the City Traffic Engineer is authorized to install, or cause to be installed, the necessary devices, subject to any limitations or restrictions set forth in the law applicable thereto.

C. The City Traffic Engineer may also place and maintain, or cause to be placed and maintained, such additional traffic-control devices as he may deem necessary to regulate traffic or to guide or warn traffic, but he shall make such determination of necessity only upon the basis of Traffic Engineering principles and traffic investigations, and in accordance with such standards, limitations and rules as may be set forth in the traffic provisions of this Chapter or applicable laws of the State.
(ORD-09-0021, § 4, 2009; Prior code § 3410.12)

10.08.020 Required for enforcement.

No provision of the Vehicle Code, or of this Title, for which signs are required, shall be enforced against an alleged violator unless appropriate signs are in place and sufficiently legible to be seen by an ordinarily observant person, giving notice of such provisions of the traffic laws. (Prior code § 3410.13)

10.08.030 Obedience required.

Pedestrians and drivers of any vehicles shall obey the instructions of any official traffic-control

†State law reference—Provisions authorizing local authorities to regulate traffic through traffic-control devices, Veh. C. § 21100.

device applicable thereto, placed in accordance with the traffic ordinances of this City, unless otherwise directed by a Police Officer. (Prior code § 3410.14)

10.08.040 Installation.

A. The City Traffic Engineer is authorized to install, operate and maintain official traffic signals at those intersections and other places where traffic conditions are such as to require that the flow of traffic be alternately interrupted and released in order to prevent or relieve traffic congestion, or to protect life or property from exceptional hazard.

B. The City Traffic Engineer shall ascertain and determine the locations where such traffic signals are required, by resort to field observations, traffic counts and other pertinent traffic information.

C. Whenever the City Traffic Engineer installs and maintains an official traffic signal at any intersection, he shall likewise erect and maintain at such intersection-street name signs visible to the principal flow of traffic, unless such street name signs have previously been placed and are maintained at any intersection.
(ORD-09-0021, § 5, 2009; Ord. C-7750 § 1, 2001; prior code § 3410.15)

10.08.050 Lane markings.

The City Traffic Engineer is authorized to place and maintain centerlines and lane lines upon the surface of the roadway to indicate the course to be traveled by vehicles, and may place signs temporarily designating lanes to be used by traffic moving in a particular direction, regardless of the centerline of the highway.
(ORD-09-0021, § 6, 2009; Prior code § 3410.16)

10.08.060 Roadway markings.

The City Traffic Engineer is authorized to place and maintain distinctive roadway markings, as described in the Vehicle Code, on those streets, or parts of streets, where the volume of traffic or the vertical or other curvature of the roadway renders it hazardous to drive on the left side of such marking, or signs and markings. Such marking, or signs and markings, shall have the same effect as similar markings placed by the California Department of Transportation, pursuant to provisions of the Vehicle Code.
(ORD-09-0021, § 7, 2009; Prior code § 3410.17)

10.08.070 Removal or discontinuation permitted.

The City Traffic Engineer is authorized to remove, relocate or discontinue the operation of any traffic-control device not specifically required by State law, or this Code, whenever he determines in any particular case that the conditions which warranted or required the installation no longer exist or pertain.
(ORD-09-0021, § 8, 2009; Prior code § 3410.18)

10.08.080 Hours and days of operation.

The City Traffic Engineer shall determine the hours and days during which any traffic-control device shall be in operation or effect, except in those cases where such hours or days are specified in this Title.
(ORD-09-0021, § 9, 2009; Prior code § 3410.19)

10.08.090 Temporary signs and barriers.

A. The Chief of Police and the City Traffic Engineer are authorized to erect and maintain, or cause to be erected and maintained, temporary traffic-control devices or barriers on any City street or alley and on City-owned property for the purpose of guiding, warning or controlling vehicular and pedestrian traffic during such times that they find it necessary for the safe and efficient movement of pedestrians and vehicles. The authority to install temporary control devices under such circumstances shall be limited to the following conditions:

1. Construction, repair and maintenance work by the City, contractors and utility organizations;

2. Movement of equipment, articles or structures of unusual size;

3. Street and alley obstructions;

4. Parades, processions and public gatherings;

5. Emergencies;

6. Temporary detours;

7. Local special events, filming activities and other such purposes for which the appropriate permits and licenses have been issued.

B. Said temporary traffic-control devices and barriers shall remain in place only as long as the need exists. In the case of temporary curb parking prohibitions, any vehicle parked in violation of such prohibitions may be removed, as provided in the Vehicle Code, by the Police Department, if temporary parking prohibition signs have been erected or placed at least twenty-four (24) hours prior to the removal.

C. No closure of any street, alley or City-owned property under this Section shall be effective until appropriate signs giving adequate notice of said closure are posted at all entrances to the street, alley or City-owned property. Such signs shall be maintained at all such entrances during the entire period that the closure is in effect.
(ORD-09-0021, § 10, 2009; Ord. C-5689 § 3, 1981; prior code § 3410.20)

10.08.100 Department signs and barriers.

No public utility or department in this City shall erect or place any barrier or sign on any street unless of a type first approved by the Manager. No person, whether driver or pedestrian, shall disobey the instructions of any barrier or sign approved, as above provided, erected or placed by a public utility or by any department in this City. (Prior code § 3410.21)

10.08.110 Traffic control on City-owned property.

A. The City Traffic Engineer is authorized to erect and maintain traffic-control devices or barriers on City-owned property for the purpose of guiding, warning or controlling vehicular and pedestrian traffic. The City Traffic Engineer shall maintain a current map and file giving the location, type of traffic control, date of installation, date of removal and other pertinent data which shall be available as a source of information.

B. No person shall drive or park a vehicle or walk on such City-owned property except in conformity with such traffic-control devices and barriers.

C. No person shall stop or park any vehicle within any portion of the public thoroughfare between Lakewood Boulevard, La Plaza and lots 18 and 27 of tract no. 12887, as per map recorded in book 246, pages 18 and 19 of maps, in the Office of the County Recorder of the County of Los Angeles, except those portions thereof designated by official markings or lines as parking places.

D. No driver of any vehicle, or rider of any animal, shall drive or ride said vehicle or animal upon any beach or other area devoted to recreational use, except on the driveways or paths provided therefor, nor hitch or fasten any animal, nor park any vehicle, upon any such place other than in a place provided and established therefor.

E. No person shall drive any dray, truck, wagon, cart or other traffic vehicle carrying or regularly used or employed in carrying goods, wares, merchandise, lumber, machinery, oil, manure, dirt, sand, soil, or any article of trade or commerce, or any offensive article or material whatsoever over the parks or roads or driveways therein, except when delivering any material to, or within, or removing such material from, any public park within the City, by authority or under the direction of the Director of Public Service, Director of Parks, or Director of Recreation.
(ORD-09-0021, § 11, 2009; Prior code § 3410.73)

10.08.120 Automatic traffic-control intersections.

The City Traffic Engineer shall maintain a record of all intersections at which stop controls are installed pursuant to this Chapter. Such record shall be available for public inspection at City hall during regular business hours.
(ORD-09-0021, § 12, 2009; Ord. C-7750 § 2, 2001; Ord. C-7669 § 1, 2000; Ord. C-7640 § 1, 1999; Ord. C-7569 § 2, 1998; Ord. C-7529 § 2, 1998; Ord. C-7451 § 1, 1997; Ord. C-7447 § 1, 1997; Ord. C-7414 § 1, 1996; Ord. C-7362 § 1, 1995; Ord. C-7197 § 3, 1994; Ord. C-7088 § 1, 1993: Ord. C-7068 § 5, 1993; Ord. C-6899 § 1, 1991; Ord. C-6888 § 3, 1991; Ord. C-6756 § 1, 1990; Ord. C-6695 § 1, 1990; Ord. C-6677 § 1, 1989; Ord. C-6644 § 2, 1989; Ord. C-6564 § 1, 1989; Ord.

C-6318 § 1, 1986; Ord. C-6304 § 2, 1986: Ord. C-6213 § 1, 1985; Ord. C-6198 § 1, 1985; Ord. C-6067 § 1, 1984; Ord. C-5933 § 1, 1983; Ord. C-5874 § 7, 1982; Ord. C-5844 §§ 1, 2, 1982; Ord. C-5790 § 5, 1981; Ord. C-5739 § 3, 1981; Ord. C-5711 § 3, 1981; Ord. C-5570 § 7, 1980; Ord. C-5540 §§ 2, 3, 1979; Ord. C-5517 § 4, 1979; Ord. C-5442 § 5, 1978: Ord. C-5248 § 1 (part), 1976; Ord. C-5241 § 1 (part), 1976; Ord. C-5235 § 1 (part), 1976; Ord. C-5233 § 1 (part), 1976; prior code § 3410.138)

10.08.130 Continuation of existing traffic regulations.

Except as otherwise provided in this Chapter, and except as amended or altered from time to time under the authority of this Chapter, all traffic signs, signals, markings and controls heretofore placed in the City shall remain in full force and effect. The elimination from this Code of previously enumerated locations for signs, signals, marking or controls does not constitute the repeal of such regulations. No person shall drive or park any vehicle or device, nor walk in violation of such signs, signals, markings and controls. (Ord. C-7750 § 3, 2001; prior code § 3410.139)

CHAPTER 10.10 TURNING MOVEMENTS*

10.10.010 Placement of markers.

A. The City Traffic Engineer is authorized to place markers, buttons or signs within or adjacent to intersections indicating the course to be traveled by vehicles turning at such intersections, and the City Traffic Engineer is authorized to allocate and indicate more than one (1) lane of traffic from which drivers of vehicles may make right or left turns.

B. When authorized markers, buttons or other indicators are placed within an intersection indicating the course to be traveled by vehicles turning there, no driver of a vehicle shall disobey the directions of such indicators. (ORD-09-0021, § 13, 2009; Prior code § 3410.25)

10.10.020 Restricted turn signs—Authorized.

The City Traffic Engineer is authorized to determine those intersections at which drivers of vehicles shall not make a right, left or U-turn, and shall place proper signs at such intersections. The making of such turns may be prohibited between certain hours of any day and permitted at other hours, in which event the same shall be plainly indicated on the signs, or they may be removed when such turns are permitted. (ORD-09-0021, § 14, 2009; Prior code § 3410.26)

10.10.030 Restricted turn signs—Obedience.

Whenever authorized signs are erected indicating that no right, left or U-turn is permitted, no driver of a vehicle shall disobey the directions of any such sign. (Prior code § 3410.27)

10.10.040 Right turn against stop signal prohibition authorized.

No driver of any vehicle shall make a right turn against a red or stop signal at any intersection where a sign prohibiting such turn has been erected by the City Traffic Engineer, whether or not such vehicle has first stopped at the entrance to the crosswalk on the near side of such intersection or, if there is no crosswalk, at the entrance to any such intersection. The City Traffic Engineer is authorized and directed to erect an appropriate sign at any intersection controlled by an automatic signaling device where an engineering study indicates such right turn against a red or stop signal to be undesirable from a traffic congestion or hazard standpoint. (ORD-09-0021, § 15, 2009; Prior code § 3410.28)

10.10.050 Left turn against stop signal prohibition authorized.

No driver of any vehicle operating on a one-way street shall make a left turn against a stop signal onto a one-way street on which traffic moves to the driver's left, where a sign prohibiting such turn has been erected by the City Traffic Engineer.

*State law reference—Provisions on turning movements, Veh. C. § 22100 et seq.

The City Traffic Engineer is authorized and directed to erect an appropriate sign at any intersection controlled by an automatic signaling device where an engineering study indicates a left turn to be undesirable from a traffic congestion or hazard standpoint. (ORD-09-0021, § 16, 2009; Prior code § 3410.30)

CHAPTER 10.12 SPEED LIMITS

10.12.010 Speed limits increased.

A. Upon the basis of an engineering and traffic survey of the streets concerned, the Council determines and declares that for the following streets and portions of streets, located within "residence" and/or "business districts" as defined by the Vehicle Code, the prima facie speed limit of twenty-five (25) miles per hour is lower than is reasonable; and that in order to facilitate the orderly movement of traffic in a manner which is reasonable and safe, the prima facie limit of speed on said streets shall be as follows:

1. Alamitos Avenue:

a. Pacific Coast Highway to Seventh Street, thirty (30) miles per hour,

10.12.030 Speed limits decreased on narrow streets.

A. Upon the basis of an engineering and traffic survey of the streets concerned, the Council determines and declares that for the following streets and portions of streets the prima facie speed limit of twenty-five (25) miles per hour in a business or residential district or in a public park on a street having a roadway not exceeding twenty-five feet (25') in width is higher than is reasonable or safe and that, in order to facilitate the orderly movement of traffic in a manner which is reasonable and safe, the prima facie speed limit on such streets shall be as follows:

1. Belmont Shore Residence District:

a. All avenues south of Livingston Drive or The Toledo, north of Ocean Boulevard, and west of Bayshore Avenue, except Granada Avenue, fifteen (15) miles per hour;

2. Florida Street:

a. Orange Avenue to Hermosa Avenue, fifteen (15) miles per hour;

3. Paoli Way:

a. East of La Verne Avenue to Bay Shore Avenue, fifteen (15) miles per hour;

4. Zona Court:

10.12.040 Speed limits on street segments adjacent to playgrounds.

The City Council determines and declares that a prima facie speed limit of twenty-five (25) miles per hour may be posted on any street, other than a state highway, adjacent to any children's playground in a public park during hours or days when children are expected to use the facilities. The City Traffic Engineer may cause signs to be posted, giving notice of the twenty-five (25) miles per hour speed limit and the hours when the speed limit is in effect. (ORD-26-0015 § 3, 2026)

CHAPTER 10.14 ONE-WAY STREETS AND ALLEYS*

10.14.010 Establishment.

Whenever any provision of this Chapter designates a one-way street or alley, the City Traffic Engineer shall place and maintain signs giving notice thereof, and no such regulations shall be effective unless such signs are in place. Signs indicating the direction of lawful traffic movement shall be placed at every intersection where movement of traffic in the opposite direction is prohibited. The streets, portions of streets and alleys designated in Section 10.14.020 are designated for one-way traffic in the directions respectively set forth therein. CHAPTER 10.20 SPECIAL STOPS*

10.20.010 Designation of stop intersections.

A. Whenever any provision of this Chapter designates and describes any street, or portion thereof, as a through street, or any intersection at which vehicles are required to stop at one (1) or more entrances thereto, the Traffic Engineer shall place and maintain stop signs giving notice thereof, as follows:

A stop sign shall be erected on each and every street intersecting such through street, or portion thereof, so designated, and at those entrances of other intersections where a stop is required, provided the intersection is not controlled by an automatic signaling device. Every such sign shall conform with and shall be placed as provided in Section 21400 of the Vehicle Code.

B. Whenever any hazardous traffic conditions prevail, including, but not limited to, the

***State law reference**—Provisions on special stops, Veh. C. § 22450 et seq.

hazard resulting from street construction or repair, the Traffic Engineer may designate any highway as a through highway, or any intersection as a stop intersection, for a period not to exceed sixty (60) days. Upon the erection of stop signs in accordance with the provisions of this Section all traffic shall stop before entering such through highway, and all traffic shall stop at the entrance to the stop intersections.

C. No driver or operator of any vehicle shall fail to stop such vehicle at least fifty feet (50') from the nearest side of a marked pedestrian lane whenever a signal device or sign with words "STOP—L.B.P.D." is displayed at such place, and further, no driver or operator of said vehicle shall proceed until such signal has been removed or until a signal to proceed is given. The Chief of Police and the Traffic Engineer are authorized and directed to place a line or mark upon the highway at least fifty feet (50') from any marked pedestrian lane where such signal device or sign is to be operated or given, said fifty feet (50') to be measured in the direction of approaching traffic. (Prior code § 3410.45)

10.20.020 Through streets declared.

Those streets, and parts of streets, described in Section 10.20.060 are declared to be through streets for the purpose of this Chapter. (Prior code § 3410.46)

10.20.030 Stop intersections designated.

The City Traffic Engineer is authorized to designate any intersection as a stop intersection in accordance with Subsection 10.08.010.C. (ORD-09-0021, § 18, 2009; Ord. C-7750 § 4, 2001; prior code § 3410.47)

10.20.040 Emerging from alley, driveway or building.

The driver of a vehicle emerging from an alley, driveway or building shall stop such vehicle immediately prior to driving on a sidewalk or into the sidewalk area extending across any alley or driveway. (Prior code § 3410.48)

10.20.050 Yield intersections.

The Traffic Engineer is authorized to place and maintain "Yield Right-of-Way" signs at intersections in accordance with Section 21356 of the Vehicle Code. (Ord. C-7750 § 5, 2001; prior code § 3410.49)

CHAPTER 10.22
PARKING—REGULATIONS*

10.22.010 Applicability.

A. The provisions of this Code prohibiting the stopping, standing or parking of a vehicle shall apply at all times, or at those times specified in this Chapter and Chapter 10.24, except when it is necessary to stop a vehicle to avoid conflict with other traffic, or in compliance with the directions of a Police Officer or official traffic-control device.

B. The provisions of this Code imposing a time limit on standing or parking shall not relieve any person from the duty to observe other and more restrictive provisions of the California Vehicle Code or the Code of this City, prohibiting or limiting the standing or parking of vehicles in specified places or at specified times.

C. In the event a vehicle is stopped, parked or left standing in violation of any of the provisions of this Code or the California Vehicle Code, any officer of the Police Department may remove the vehicle from the street in the manner and subject to the requirements set forth in this Code and the California Vehicle Code. (Prior code § 3410.85)

***State law reference**—Provisions on stopping and parking, Veh. C. § 22500 et seq.

10.22.020 Parkways and sidewalks.

No person shall stop, stand or park a vehicle within any parkway or sidewalk. (Ord. C-6158 § 2, 1985; prior code § 3410.86)

10.22.025 Parking in front of private driveways.

A. Notwithstanding any other provisions of this Code or of the California Vehicle Code § 22500(e), and pursuant to California Vehicle Code § 22507.2, the owner or lessee of property in the parking impacted area, as that term is defined below, may park a vehicle in front of the owner's or lessee's private driveway when the vehicle displays a permit (the "driveway parking permit") issued pursuant to this Section, provided that no such permit may be issued or continue in effect pursuant to this Chapter to permit parking in any private driveway or any street or side of any street where parking is otherwise restricted by time, days or as to specified hours.

B. Driveway parking permits shall be subject to the following conditions:

1. The driveway for which the driveway parking permit is sought must be designated for the exclusive use of one (1) household.

2. The driveway for which the driveway parking permit is sought must be at least eight feet (8') in width.

3. Issuance of a driveway parking permit does not guarantee a parking space if there is insufficient space between other legally parked vehicles.

4. Driveway parking permits are address and location specific. They may be transferred between vehicles registered to the same address.

5. Driveway parking permits shall be issued by the department of public works, office of the City Traffic Engineer on a calendar year basis, and each such permit shall expire at midnight (12:00 a.m.), December 31st next following its issuance. The fee charged for driveway parking permits issued for less than twelve (12) months may be reduced in proportion to the time already elapsed in the current calendar year for which the permit

would be valid. Fees paid for permits which are revoked by the City Traffic Engineer may not be refunded. Permits may be renewed annually by mail.

6. A driveway parking permit will not be issued for driveways located within twenty-five feet (25') of a corner or within fifteen feet (15') of a fire hydrant.

7. A driveway parking permit will not be issued where parking in front of such driveway would pose a safety hazard, in the opinion of the City Traffic Engineer.

8. A driveway parking permit may be revoked at any time by the City Traffic Engineer.

C. Parking in front of private driveways may be permitted only in the parking impacted area, as that term is defined in Resolution No. C-24607, adopted by the Long Beach City Council on December 13, 1988, as it may be amended from time to time, on file in the office of the Director of Development Services.

D. Applications for driveway parking permits shall be reviewed and if appropriate, approved by the City Traffic Engineer. An application for driveway parking permits shall require, at a minimum, the following information:

1. Name of the applicant for the driveway parking permit;

2. Address of the property where the driveway is located;

3. A certification that the applicant's household is the exclusive user of the driveway;

4. Name and endorsement of the property owner or the owner's duly authorized property manager;

5. Identification of household vehicles, including license number, make and year of each vehicle registered at that address or to the household;

6. Identification of off-street parking spaces available on the property;

7. A certification stating the reason existing off-street parking at the property is insufficient to meet the applicant's parking needs;

8. Such additional information as the City Traffic Engineer may require; and

9. The statement that misuse of a permit issued under this Section is grounds for revocation of the permit by the City Traffic Engineer.

E. Every applicant for a driveway parking permit pursuant to this Section shall be required to pay a nonrefundable fee to cover the cost of receiving, processing and acting upon the application in an amount established by resolution of the City Council, which may be amended from time to time.

F. Driveway parking permits shall be displayed so as to be readily visible from the rearview mirror or by such other method as directed in instructions contained in the permit itself.

G. The City Traffic Engineer may, from time to time, promulgate rules and regulations, consistent with the purposes and provisions of this Section 10.22.025, to facilitate implementation of the section.

H. Nothing in this Section shall be construed to authorize parking on a sidewalk in violation of the California Vehicle Code § 22500(f). (ORD-10-0002, § 1, 2010; Ord. C-6506 § 1, 1988)

10.22.030 Storing vehicles on-streets prohibited.

A. No person, who owns or has possession, custody or control of any vehicle, shall park such vehicle upon any street or alley for more than a consecutive period of seventy-two (72) hours.

B. In the event a vehicle is parked or left standing upon a street in excess of a consecutive period of seventy-two (72) hours, any officer of the Police Department may remove the vehicle from the street in the manner and subject to the requirements set forth in the California Vehicle Code. (Prior code § 3410.87)

10.22.040 Parking on one-way streets.

Subject to other and more restrictive limitations, a vehicle may be stopped or parked within eighteen inches (18") of the left curb facing in the direction of traffic movement upon any one-way street, unless signs are in place prohibiting such stopping or standing. (Prior code § 3410.88)

10.22.050 Parking space precedence.

A. Any person intending to park his vehicle in a limited curb parking space, whose vehicle arrives at the parking space prior to any other vehicle, and the rear end of whose vehicle proceeds beyond the space a distance not to exceed ten feet (10') for the purpose of backing his vehicle therein, shall have the right-of-way over any person driving, or attempting to drive, any other vehicle directly into such limited curb parking space, or who in any manner obstructs the limited curb parking space, and the driver of the other vehicle shall yield the right-of-way to the driver who first arrived at the parking space.

B. For the purpose of this Section, a "limited curb parking space" means an area open for lawful parking adjacent to a curb, which area is not of sufficient length to permit two (2) or more vehicles to freely move for parking therein at the same time. (Prior code § 3410.89)

10.22.060 Places parking is prohibited.

A. No operator of a vehicle shall stop, park or leave standing such vehicle in any of the following places, except when necessary to avoid conflict with other traffic or at the direction of Police Officer or a traffic sign or signal:

1. In any marked taxicab stand, except taxicabs;

2. Upon or across any car tracks so as to delay street or railway cars;

3. In front of the entrances of any undertaking establishment, except for funeral vehicles;

4. At any place within twenty feet (20') of a point on the curb immediately opposite the midblock end of a safety zone; provided, however, that in the parking impacted area as defined in Resolution No. 24607, adopted December 13, 1988, as it may be amended from time to time, or on one-way streets, the City Traffic Engineer in his discretion may reduce the length of "no parking" distances;

5. At any place within twenty feet (20') of a marked crosswalk, except that a bus may stop at a designated bus stop; provided, however, that in the parking impacted area or on one-way streets, the City Traffic Engineer in his discretion may reduce the length of "no parking" distances;

6. At any place where the City Traffic Engineer determines that it is necessary in order to eliminate dangerous traffic hazards;

7. Upon any street so as to obstruct the free use thereof;

8. At the curb in front of any hospital;

9. Within four feet (4') of the prolongation of the nearest edge of a driveway; provided, however, that in the parking impacted area, the City Traffic Engineer in his discretion may reduce the length of "no parking" distances adjacent to driveways if doing so would increase on-street parking availability or access;

10. At any place within fifteen feet (15') of a fire hydrant; provided, however, that in the parking impacted area, the City Traffic Engineer in his discretion may reduce the length of "no parking" distances adjacent to fire hydrants with the concurrence of the Fire Marshall;

11. At any place within twenty feet (20') of the approach to an intersection or ten feet (10') of the departure to an intersection, in order to allow for visibility of traffic control devices and to maintain visibility of cross traffic; provided, however; that in the parking impacted area, opposite the termination of a street at a "T" intersection or on one-way streets, the City Traffic Engineer in his discretion may reduce the length of "no parking" distances.

B. The City Traffic Engineer shall appropriately sign or mark the places enumerated in this Section.
(ORD-09-0021, § 19, 2009; Prior code § 3410.91)

10.22.070 Blocking wheels on hill.

No person shall park, or leave standing, any vehicle unattended on a highway when upon any grade exceeding three percent (3%) within any business or residential district without blocking the wheels of the vehicle by turning them against the curb, or by other means. (Prior code § 3410.94)

10.22.080 Parking vehicles for sale.

No person shall park a vehicle with a sign or other writing indicating that the vehicle is for sale at any of the following through highways or service roads which connects directly with such through highway in the City:

A. Spring Street service road between Palo Verde Avenue and Studebaker Road;

B. Willow Street service road at Palo Verde Avenue;

II. Both sides of Artesia Boulevard between Atlantic Avenue and Orange Avenue; between Orange Avenue and Cherry Avenue; and between Cherry Avenue and Paramount Boulevard.

The terms "park" and "through highway", as used in this Section, have the respective meanings set forth in Sections 463 and 600 of the California Vehicle Code. (ORD-10-0010, § 1, 2010; ORD-10-0009, § 1, 2010; ORD-07-0060 § 1, 2007; ORD-07-0035 § 1, 2007; ORD-07-0008 § 1, 2007; ORD-06-0060 § 1, 2006; ORD-06-0007 § 1, 2006; Ord. C-7936 § 1, 2004; Ord. C-7921 § 1, 2004; Ord. C-7915 § 1, 2004; Ord. C-7857 §§ 1, 2, 2003; Ord. C-7800 § 1, 2002: Ord. C-5592 § 1, 1980; prior code § 3410.95)

10.22.090 Mobile vendor parking prohibited area.

No driver or operator of any mobile vending vehicle shall stop, stand or park, for the purpose of offering any food or goods for sale, in any public street or place within the parking impacted area. (ORD-09-0021, § 20, 2009; Prior code § 3410.96)

10.22.100 Parking adjacent to commercial gutters or depressed curbs.

No operator shall stop, park or leave standing any vehicle at any time and at any point in a roadway adjacent to a commercial gutter or depressed curb where such commercial gutter or depressed curb has been installed for the purpose of providing access between the roadway and property immediately adjacent to the street right-of-way, which area is used for the parking, loading, unloading or the maneuvering of vehicles. (Prior code § 3410.97)

10.22.110 Fire lanes.

No person shall park a vehicle in any fire lane designated by signs or markings or park or place any object, obstruction or vehicle in any establishment exitway, driveway, or alleyway between buildings that would hamper the ingress of fire equipment in case of fire in or about any church, assembly hall, lodge hall, school, hotel, apartment building, theater, motion picture theater, stadium, tent or other public assemblage. When a vehicle is parked in such designated fire lane or when, in the opinion of the Fire Chief, any driveway, gateway or alleyway between buildings is obstructed by objects, materials or vehicles, the same shall be immediately removed upon order of the Fire Chief, and when such obstruction is a vehicle, it may be impounded or removed as provided by law. (Ord. C-5436 § 2, 1978; Ord. C-5398 § 15, 1978; prior code § 3410.104)

10.22.120 Temporary parking restrictions.

A. Any other limitation on, or regulation concerning, parking contained in this Title to the contrary notwithstanding, no operator of any vehicle shall park or stand the same on any portion of any street, during the period commencing with the time indicated on signs containing the words "NO PARKING" which signs have been placed on such portion pursuant to the provisions of this Section, and ending with the authorized removal of such signs. The Chief of Police and Traffic Engineer, or their designees, are authorized and directed to place and erect temporarily, or cause to be so placed and erected, such signs on any such portion of any street when, and for so long as, the use of such portion is necessary for repair, construction, the installation of underground utilities, or where the use of the street, or any portion thereof, has lawfully been authorized for a purpose other than the normal flow of traffic, or for the movement of equipment, articles or structures of unusual size. Such signs shall not be placed, however, unless the parking of a vehicle on such portion would prohibit or interfere with such use or movement. Any vehicle parking in violation of this Section may be removed, as provided in Subsection 10.22.010.C, if such signs have been erected or placed at such portion of such street at least twenty-four (24) hours prior to such removal.

B. Such signs shall be posted at the beginning and end of such portion of such street where parking is to be restricted and every forty feet (40') therein. Such signs shall contain, at a minimum, the following information: The date(s) and time(s) parking will be restricted in the area, the City

department authorizing the parking restrictions, the name and phone number of the individual to contact with questions or concerns, the internet address, if applicable, of the City department or company performing the work or using the portion of the street where parking is restricted, and a description of the project or other use for which parking is restricted. Such signs shall be affixed to sign poles, saw horses, traffic control barrels, telephone poles, or light poles using tape, twine or rope. Such signs shall not be affixed to any of the foregoing objects with nails and shall not be affixed to trees. Such signs shall be erected or placed as indicated herein no later than twenty-four (24) hours prior to the time parking will first be restricted on such street.

C. The provisions of this Section prohibiting or restricting the parking of vehicles shall be inapplicable to any portion of a street constituting a portion of a State highway six (6) months after receipt by the Council of written notice from the Department of Public Works of the State of the withdrawal by the department of its approval or such prohibition or restriction as to any such portion of a State highway. (ORD-08-0011 § 1, 2008; prior code § 3410.109)

10.22.130 Seventy-two hour parking limit.

A. No operator of any vehicle shall leave said vehicle standing, and no registered owner of such vehicle shall permit or allow said vehicle to remain standing, upon any street or alley in the City for a period longer than seventy-two (72) hours from the time the vehicle is posted as set forth in this Section; provided, however, that this action shall not authorize the parking or standing of vehicles upon any street or alley in violation of applicable parking limits specified by other provisions of this Title.

B. Whenever any Police Officer determines by tire marking or otherwise that any vehicle has been standing in one (1) position on any street or alley for a period longer than twelve (12) hours, he shall securely attach a notice upon such vehicle setting forth in such notice a reference to this Section, the location of the vehicle at the time, the date of the notice, and the approximate hour of posting. The notice shall be attached to the vehicle, in such conspicuous place upon the vehicle as to be easily observed by the person in charge of the vehicle upon his return thereto.

C. For the purpose of this Section, a vehicle shall be deemed to have been left standing when such vehicle has not been moved more than one (1) block under its own power from its original stopped position.

D. Any vehicle parked in violation of this Section may be removed from the street by any Police Officer in accordance with Section 22652 of the California Vehicle Code. (Ord. C-5398 § 9, 1978; Ord. 5317 § 1, 1977; prior code § 3410.110)

10.22.140 Parking prohibited at certain times for street sweeping.

A. Any other limitation on, or regulation concerning parking contained in this Title to the contrary notwithstanding, no operator of any vehicle shall park or stand the same on any street or portion thereof during the hours and on the day or days of the month indicated on signs containing the words "NO PARKING", which signs have been placed on such street or portion thereof pursuant to the provisions of this Section. The City Manager is authorized to place and erect, or cause to be so placed and erected, the aforesaid signs on any street or portion thereof on which it is necessary to prohibit parking in order to permit City equipment to sweep the street or portion thereof, and to designate on the signs the hours during which, and day or days of the month on which, parking is so prohibited. In the event temporary signs are employed to prohibit parking on any street or portion thereof pursuant to the foregoing, no vehicle parked in violation of the directions set forth on the temporary signs shall be removed, pursuant to the provisions of Subsection C. of Section 10.22.010, unless such signs have been erected or placed on the street or portion thereof at least twenty-four (24) hours prior to such removal.

B. The provisions of this Section prohibiting the parking of vehicles shall be inapplicable to any

portion of a street constituting a portion of a State highway six (6) months after receipt by the Council of written notice from the Department of Public Works of the State of the withdrawal by the department of its approval of such prohibition as to any such portion of a State highway. (Prior code § 3410.112)

10.22.150 Repairing vehicle on-streets.

It is unlawful for any person to construct or reconstruct or cause to be constructed or reconstructed, repair or cause to be repaired, to grease or cause to be greased any vehicle or any part thereof upon any street; provided, however, that temporary, minor repairs in case of an emergency may be made upon any street to enable the vehicle to be moved to a proper place for mechanical work. (Prior code § 3410.113)

10.22.160 Parking on private property.

No person shall park a vehicle on private property if there is displayed in plain view a sign prohibiting public parking. The sign shall conform to the following:

A. The sign structure shall not be less than twenty-four inches (24") by seventeen inches (17") and shall be placed on the private property at each driveway access or curb cut allowing vehicular access to the property, within five feet (5') from the public right-of-way line. If there are no curbs or access barriers, signs shall be posted not less than one (1) sign per each fifty feet (50') of the frontage.

B. The notice shall clearly display the following:

1. In not less than two and three-eighth-inch (2⅜) high letters on contrasting background the words "NO PUBLIC PARKING";

2. In not less than one and one-eighth-inch (1⅛) high letters on contrasting background "UNAUTHORIZED VEHICLES WILL BE TOWED AWAY AT VEHICLE OWNER'S EXPENSE";

3. If unauthorized parking is not prohibited on a twenty-four (24) hour continuous basis, there shall also be posted in not less than one and one-eighth-inch-high letters the days of the week and hours of the day during which public parking is prohibited;

4. In not less than one and one-eighth-inch (1⅛) high letters, the Police Department telephone number and the section of the California Vehicle Code which authorizes the impounding of the vehicle.

C. The sign structure displaying the required notices shall be permanently installed with the bottom of the sign not less than four feet (4') above ground level and shall be continuously maintained on the property for not fewer than seventy-two (72) hours before the towing or removal of vehicles.

Pedestrian safety should be taken into consideration when locating freestanding signs. A violation of this Section shall be deemed an infraction. (Ord. C-6135 § 3, 1985; Ord. C-6099 § 6, 1984)

10.22.180 Parking of vehicles near intersections.

No person shall stop, stand or park a vehicle which is six feet (6') or more in height, including any load thereon, within one hundred feet (100') of an intersection on-streets which have been so posted with appropriate signs by the City Traffic Engineer. (Ord. C-6246 § 4, 1986)

10.22.182 Parking regulations within public housing projects.

Pursuant to California Vehicle Code Section 21111, the following parking regulations shall apply within the boundaries of any housing project owned or operated by a public Housing Authority:

A. Permit required. No person shall stop, park or leave standing any vehicle whether attended or unattended except when necessary to avoid conflict with other traffic, or in compliance with the directions of a peace officer, in any area within a public housing project which is specifically designated and posted as a restricted parking lot, unless such vehicle clearly displays an authorized and valid parking permit duly issued by the Housing Authority.

B. Designated spaces. No person shall stop, park or leave standing any vehicle whether attended or unattended except when necessary to avoid conflict with other traffic, or in compliance with the directions of a peace officer, in any area within a public housing project which is specifically designated as a parking lot, with designated parking spaces marked for such use unless such vehicle is parked clearly within a designated space so provided.

C. No repair. It is unlawful for any person to construct or reconstruct, or cause to be constructed or reconstructed, repair or cause to be repaired, to grease or cause to be greased any vehicle or any part thereof upon any street, or in any designated parking lot or area within a public housing project; provided, however, that temporary, minor repairs in case of an emergency may be made upon any street or parking lot area to enable the vehicle to be moved to a proper place for mechanical work.

D. Signs. The Housing Authority shall erect or place appropriate signs giving notice of the regulations imposed under this Section, and a copy of these regulations shall be kept at an administrative office within the housing project and made available for examination by interested persons.

E. Towing. Any vehicle parked in violation of the provisions of this Section may be towed away at the owner's expense pursuant to California Vehicle Code Section 22658 and Section 10.22.160 of this Code. (Ord. C-6663 § 1, 1989)

10.22.184 Pilot program establishing left curb parking in designated areas.

A. Notwithstanding any other provisions of this Code, and pursuant to Section 22502(f) of the California Vehicle Code, vehicles may park on the left-hand side of the roadway parallel to and within 18 inches (18") of the left-hand curb on two-way local residential streets that dead-end with no cul-de-sac or other designated area in which to turn around.

B. The area covered by this ordinance shall be limited to the streets perpendicular to Ocean Boulevard beginning with Balboa Place and ending at 72nd Place, but shall not include 62nd Place.

C. This ordinance shall not apply until signs or markings giving notice have been placed near the designated roadways.

D. This pilot program shall terminate three (3) years from the date of enactment of this ordinance unless otherwise authorized by the California Vehicle Code.

E. The City Traffic Engineer may, from time to time, promulgate rules and regulations, consistent with the purposes and provisions of this Section 10.22.184, to facilitate implementation of the Section. (ORD-15-0028, § 1, 2015)

CHAPTER 10.24
PARKING—RESTRICTIONS*

10.24.005 Definitions.

The following definitions shall apply to this Chapter:

A. "City Entrance Streets" means all streets crossing City boundaries entering the City of Long Beach and all freeway exit ramps within the City.

B. "Oversized Vehicle" means a vehicle which exceeds eighty-five inches (85") high or eighty inches (80") wide or twenty-two feet (22') long on a residential street or eighty-five inches (85") high or twenty-two feet (22') long, as determined by Department of Motor Vehicles records, exclusive of projecting lights or devices allowed by Sections 35109 or 35110 of the California Vehicle Code, as may be amended, on a nonresidential street. A boat, equipment or other object on or attached to a trailer shall be measured together with the trailer.

C. "Nonresidential street" means a street or portion thereof on which the majority of traffic is nonresidential, and which is adjacent to property on which the majority of uses are commercial, industrial or institutional.

D. "Residential street" means a street or portion thereof adjacent to property on which the majority of uses are residential in nature.

***State law reference**—Provisions on parking and stopping, Veh. C. § 22500 et seq.

E. "Permitted commercial loading period" means the time allowed for the actual loading or unloading of goods. The permitted commercial loading period shall be twenty (20) minutes, or such other time period as posted by the City Traffic Engineer. (ORD-17-0012 § 1, 2017; ORD-05-0025 § 5, 2005)

10.24.010 Angle parking.

A. When the City Council authorizes angle parking at a given location, the City Traffic Engineer shall mark or sign such location indicating the angle at which vehicles shall be parked.

B. When signs or markings are in place indicating angle parking, as provided in this Section, no person shall park or stand a vehicle other than at the angle to the curb or edge of the roadway indicated by such signs or markings.

C. No vehicle which exceeds twenty feet (20') in length is permitted to occupy such angle parking.

D. The City Traffic Engineer is authorized to post signs prohibiting the use of angle parking spaces by motorcycles when he or she determines that the restriction will result in more efficient use of on-street parking and that motorcycle only parking is located within a reasonable distance from the restricted parking space. (Ord. C-7869 § 1, 2003; Ord. C-7750 § 6, 2001; prior code § 3410.90)

10.24.030 Stopping prohibited where posted—Compliance required.

No person shall stop any vehicle for any purpose at any location where a sign is posted prohibiting such stopping. If stopping is prohibited during stated hours or days, no person shall stop at that location during such stated hours and days. For purposes of this Chapter, a vehicle shall be deemed stopped for a period of up to and including five (5) minutes, after which such vehicle shall be deemed parked and shall be subject to Section 10.24.050 of this Chapter. (ORD-07-0029 § 1, 2007; Ord. C-7801 § 1, 2002; Ord. C-7750 § 7, 2001; Ord. C-5398 § 7, 1978; prior code § 3410.106)

10.24.050 Parking prohibited where posted—Compliance required.

Except where parking by permit pursuant to Chapter 10.32 of this Code is expressly authorized, no person shall park any vehicle for any purpose at any location where a sign is posted prohibiting such parking. If parking is prohibited during stated hours or days, no person shall park at that location during such stated hours and days. (ORD-07-0029 § 2, 2007)

10.24.055 School street parking prohibited—Compliance required.

The City Traffic Engineer is hereby authorized, subject to the provisions and limitations of this Title, to place, when the need has been established by a Traffic Engineering study, applicable parking restriction signs at applicable times of the day within five hundred feet (500') of a school as a means to facilitate traffic circulation and increase safety at school sites. (Ord. C-7366 § 2, 1995)

10.24.060 Exclusive Parking for Mobile Food Facilities on Public Rights of Way.

Parking spaces exclusively for Mobile Food Facilities (MFFs) may be designated on City rights of way.

Notwithstanding any other provisions of this Code, and pursuant to Section 22455(b) of the California Vehicle Code, the City Traffic Engineer may place and maintain or cause to be placed and maintained on each of the streets, or portions of streets, appropriate signs notifying the public that parking is restricted to MFFs during posting hours. (ORD-26-0011 § 6, 2026)

10.24.075 Parking of unattached trailers prohibited.

A. No person shall park any unattached trailer at any location where a sign is posted pursuant to authorization of the City Traffic Engineer.

B. Notwithstanding Subsection 10.24.075.A, the City Traffic Engineer is hereby authorized to restrict the parking of unattached trailers by post-

ing signs, when the need has been established by evidence satisfactory to the City Traffic Engineer in the following circumstances:

1. Within the parking impacted area;

2. Business districts, as that term is defined in Section 235 of the California Vehicle Code;

3. Frontage roads of arterial streets;

4. Residential streets of less than thirty-six feet (36') in width;

5. Along any curb where the parking of unattached trailers may pose a safety risk to traffic, cyclists or pedestrians;

6. Along any street in which a substantial number of adjacent businesses or occupants support the installation of such restriction, upon receipt of a written request from a Council district and a determination by the City Traffic Engineer that there is either majority support for or lack of sufficient opposition to the proposed restrictions. The City Traffic Engineer's determination shall be based on responses from occupants of properties with front curbs proposed to be affected by the action received after notice of the proposed restrictions. (ORD-09-0021 § 21, 2009; Ord. C-7750 § 8, 2001: Ord. C-7698 § 2, 2000; Ord. C-7569 § 1, 1998; Ord. C-7407 § 3, 1996; Ord. C-7318 § 4, 1995; Ord. C-7208 § 1, 1994; Ord. C-7203 § 1, 1994; Ord. C-6982 § 4, 1992; Ord. C-6821 §§ 12, 15, 1990; Ord. C-6802 § 3, 1990; Ord. C-6797 § 5, 1990; Ord. C-6728 § 1, 1990; Ord. C-6711 § 2, 1990; Ord. C-6629 § 1, 1989; Ord. C-6554 § 1, 1989)

10.24.076 Reserved.

Editor's note—ORD-17-0012 § 7, adopted Aug. 15, 2017, repealed § 10.24.076 entitled "Continuation of existing oversized vehicle regulation," which derived from: ORD-05-0025 § 1, 2005; Ord. C-7949 § 1, 2004; Ord. C-7888 § 1, 2003; Ord. C-7878 § 1, 2003; Ord. C-7864 § 1, 2003; Ord. C-7858 § 1, 2003; Ord. C-7844 § 1, 2003; Ord. C-7841 § 1, 2003; Ord. C-7825 § 1, 2002; Ord. C-7804 § 1, 2002; Ord. C-7798 § 1, 2002; Ord. C-7787 § 1, 2002; Ord. C-7761 § 1, 2001; Ord. C-7746 § 3, 2001; Ord. C-7742 § 1, 2001; Ord. C-7730 § 1, 2001; Ord. C-7718 § 3, 2000; Ord. C-7700 § 2, 2000; Ord. C-7698 § 3, 2000; Ord. C-7689 § 2, 2000; Ord. C-7644 § 1, 1999; Ord. C-7623 § 1, 1999; Ord. C-7610 § 1, 1999; Ord. C-7599 § 1, 1999; Ord. C-7586 § 1, 1999; Ord. C-7525 § 3, 1998; and Ord. C-7464 § 1, 1997.

10.24.077 Posting of restrictions.

The City Traffic Engineer shall place and maintain or cause to be placed and maintained, on City Entrance Streets appropriate signs notifying the public of Oversized Vehicle residential parking restrictions. (ORD-17-0012 § 2, 2017; ORD-05-0025 § 2, 2005; Ord. C-7464 § 4, 1997)

10.24.078 Parking of Oversized Vehicles prohibited.

A. No person who owns, has custody, or control of an Oversized Vehicle as defined in Section 10.24.005, shall cause it to be parked in a residential area, as defined in Section 10.24.005, on any public street.

B. Subsection A of this Section shall not apply to an Oversized Vehicle, so long as it is parked in a manner which otherwise complies with applicable State law and the City of Long Beach Municipal Code, when a valid permit is displayed on the inside of the lower left corner of the windshield of an Oversized Vehicle so as to be visible from the street. The permit shall state the address of the resident and the permit shall only be valid within the same block as the resident's address, on either side of the street. A resident may obtain an Oversized Vehicle parking permit for a non-resident visitor temporarily residing with the resident under the same terms as set forth herein. Said permit may be obtained and displayed in accordance with Section 10.24.080 of this Chapter.

C. Subsection A of this Section shall not apply to a commercial vehicle which is engaged in the active loading or unloading of goods for a period of time which does not exceed the Permitted Commercial Loading Period as defined in Section 10.24.005. (ORD-17-0012 § 3, 2017; ORD-05-0025 § 3, 2005)

10.24.079 Designation and termination of Oversized Vehicle parking restrictions in nonresidential areas.

In nonresidential areas, installation or removal of Oversized Vehicle parking restrictions may be initiated in one (1) of the following ways:

A. Safety/traffic hazards. The City Traffic Engineer may install or remove Oversized Vehicle

parking restrictions from one (1) or both sides of any street or block when the need has been established by evidence satisfactory to the City Traffic Engineer based on factors including, but not limited to, street size and width, traffic patterns and volume, traffic on nearby streets or street segments, location of the street in the parking impacted area, neighborhood characteristics and Citywide traffic plans; or

B. Petition. The City Traffic Engineer is authorized to install or remove Oversized Vehicle parking restrictions from one (1) or both sides of any street or block upon receipt of a petition containing the signatures of occupants of two-thirds (2/3) of the street addresses of properties with front curbs proposed to be affected by the action. The City Traffic Engineer shall make available for this purpose a petition form containing the street addresses of said properties. In the case of nonresidential properties, the petition must contain the signatures of owners or owners' agents for at least two-thirds (2/3) of the linear street frontage described on the petition, irrespective of the property's legal address; or

C. Council district office. As an alternative to the petition process, the City Traffic Engineer is authorized to install or remove Oversized Vehicle parking restrictions from one (1) or both sides of any street or block upon receipt of a written request from a Council district office and a determination by the City Traffic Engineer that there is either majority support for or lack of sufficient opposition to the proposed restrictions. The City Traffic Engineer's determination shall be based on responses from occupants of properties with front curbs proposed to be affected by the action received after notice of the proposed restrictions. (ORD-17-0012 § 4, 2017; ORD-09-0021 § 22, 2009; ORD-05-0025 § 4, 2005; Ord. C-7464 § 2, 1997)

10.24.080 Oversized Vehicle seventy-two (72) hour parking permit for residential streets.

A. The City Traffic Engineer in the Public Works department, or such other department as the City Manager shall designate, is authorized to issue Oversized Vehicle parking permits for campers, trailers, boats on trailers and recreational vehicles for the purpose of such activities as loading, unloading or performing maintenance on such vehicles for a period of not more than seventy-two (72) hours. Such activities must be conducted in compliance with all other laws and regulations. No more than twenty (20) permits shall be issued to any one (1) eligible resident or to any one (1) eligible vehicle within one (1) calendar year and a twenty-four (24) hour period must elapse between permits.

B. Oversized Vehicle parking permits shall be issued for motor vehicles upon application of the registered owner or such other person who can provide evidence of residency at a location at which on-street parking of Oversized Vehicles is prohibited and can demonstrate exclusive use and control of the vehicle for which application is made.

C. Each Oversized Vehicle parking permit shall be issued for a period not to exceed seventy-two (72) hours in duration. Each application or reapplication for Oversized Vehicle parking permits shall be in writing and shall contain sufficient information to satisfy the administering department as to the identity and residential address of the applicant, the applicant's registered ownership or exclusive use and control of the vehicle for which application is made, the license number of the vehicle, and any other information that the administering department deems necessary for the proper processing of the application.

D. The City Traffic Engineer or his designee may place further restrictions on any permit issued as deemed necessary to protect the public health and safety. Such restrictions shall appear on the face of the permit which shall be displayed on the inside of the windshield of the vehicle for which the permit is issued so as to be readily visible to a person approaching the vehicle from the front thereof.

E. Applications for issuance of seventy-two (72) hour permits shall be accompanied by such fee therefor as may be established from time to time by resolution of the City Council.

F. Exceptions. The City Traffic Engineer may issue Oversized Vehicle permits when an application made in writing and containing a statement of reasons, establishes good cause in the following circumstances:

1. A time extension for not more than forty-eight (48) additional consecutive hours;

2. Additional Oversized Vehicle parking permit(s) after the twenty (20) annual permit maximum has been reached;

3. A temporary permit to park an Oversized Vehicle otherwise prohibited by Section 10.24.078 if there is a finding that the Oversized Vehicle is used on a daily basis and on-premises parking is not reasonably available. A permit issued based on this finding shall not be valid for longer than six (6) months.

For applications under Subsections F.1 and F.2, applicants will be required to show proof of a current, valid rental or other agreement for storage of the applicant's Oversized Vehicle. (ORD-17-0012 § 5, 2017; ORD-05-0025 § 6, 2005; Ord. C-7464 § 3, 1997)

10.24.081 Oversized Vehicle Disability Parking Permit.

A. Permit issuance. The City Traffic Engineer is authorized to issue permits for disabled persons to park Oversized Vehicles which are needed as a result of their disability.

B. Eligibility and duration. To be eligible for an Oversized Vehicle Disability Parking Permit, a person must:

1. Eligibility.

a. Own or lawfully possess an Oversized Vehicle, which is used as their primary vehicle.

b. Be a permanent resident of the City of Long Beach.

c. Possess a valid, distinguishing disabled placard or license plate properly issued pursuant to the California Vehicle Code.

d. Demonstrate that by reason of the disability which warranted issuance of their California distinguishing placard or license plate, the Oversized Vehicle is specially equipped and necessary to accommodate the disability of the person seeking the permit so that a reasonable modification to the City's on-street parking regulations is warranted under State and federal law. If an Oversized Vehicle Disability Parking Permit applicant or permit holder fails or refuses to provide the information required by these rules and regulations, the City Traffic Engineer may, but need not, obtain from the Department of Motor Vehicles the information allowed by Vehicle Code section 22511.58(a). When he or she deems it necessary or advisable, the City Traffic Engineer may convene a review panel for the purposes enumerated in Vehicle Code section 22511.58(b).

2. Duration.

a. The Oversized Vehicle Disability Parking Permit will be valid for one (1) year, and is renewable. A single permit may be issued for each location at which the applicant resides, and at each facility at which the applicant receives services.

b. The Oversized Vehicle Disability Parking Permit provides an exception to the Oversized Vehicle parking prohibition only. All other parking restrictions apply, including but not limited to the seventy-two (72) hour parking restriction and posted street cleaning closures.

C. Application Process. To obtain an Oversized Vehicle Disability Parking Permit, a person must:

1. Be eligible for an Oversized Vehicle Disability Parking Permit under Subsection 10.24.081.B.

2. Provide complete and correct information on the application for an Oversized Vehicle Disability Parking Permit.

3. Provide current California Vehicle Registration for the vehicle for which an Oversized Vehicle Disability Parking Permit is requested. If the vehicle is not owned by the applicant, sufficient evidence must be presented to prove that the applicant has the legal right to use the vehicle.

4. Provide a copy of a valid disabled parking placard properly issued pursuant to the California Vehicle Code OR provide current California Vehicle Registration for the vehicle for which the permit is requested that indicates that the vehicle has valid and properly issued disabled license plate.

D. Application Review and Permit Issuance. Upon receipt of a complete application for an Oversized Vehicle Disability Parking Permit, and prior to issuing any such permit, the City Traffic Engineer shall:

1. Review the application and all supporting materials for completeness and compliance with Section 10.24.081.

2. Inspect the Oversized Vehicle to determine whether it is specially equipped and necessary to accommodate the applicant's disability.

3. Review the requested parking locations to verify that they are a legal dwelling unit where the applicant resides, or a facility at which the applicant receives services, or the applicant's place of employment. A single permit may be approved for multiple locations or, as appropriate, Citywide use subject to the approved parking locations.

E. Specific Oversized Vehicle.

1. An Oversized Vehicle Disability Parking Permit may only be used upon the vehicle that was identified in the application for the permit and inspected by the City Traffic Engineer or his or her designee. If the vehicle is not owned by the applicant, sufficient evidence must be presented to prove that the applicant has the legal right to use the vehicle. At such time as the vehicle is no longer used by the applicant, the permit holder shall return the permit to the City Traffic Engineer. To qualify for an Oversized Vehicle Disability Parking Permit, the size of the applicant's vehicle must be necessary to accommodate the required on-street parking modification.

2. Approved Parking Locations.

a. An Oversized Vehicle Disability Parking Permit is only valid at the locations approved by the City upon permit issuance.

b. An Oversized Vehicle Disability Parking Permit may only be approved for use at:

(i) the legal dwelling unit at which the applicant resides;

(ii) any location or facility at which the applicant receives services, or

(iii) the applicant's place of employment.

c. The permitted parking location cannot create or exacerbate a traffic safety hazard. An oversized vehicle may not be parked at any location that leaves less than ten feet (10') in the adjacent travel lane, or within forty feet (40') of any driveway or intersection. Doing so could result in revocation of the permit, and possible citation. Some streets may not be able to accommodate oversized vehicles due to street width or driveway frequency.

F. Grounds for Refusal to Issue or Revocation of an Oversized Vehicle Disability Parking Permit. Any of the following are grounds for refusal to issue or revocation of an Oversized Vehicle Disability Parking Permit:

1. Lawful possession of vehicle. The applicant fails to demonstrate that he or she owns or lawfully possesses the Oversized Vehicle for which he or she seeks a permit.

2. Incomplete application. The applicant fails to provide complete and correct information as required by the City.

3. Oversized Vehicle not necessary to accommodate disability. The oversized nature of the applicant's vehicle is not necessary to accommodate a disability, or the oversized nature of the vehicle is not necessary to accommodate a modification that is necessary to for a disability.

4. Dangerous Traffic Safety Condition. The permit holder uses the permit to park in a manner that creates or exacerbates a dangerous traffic safety condition.

5. Improper use. The permit holder uses the permit on a vehicle not approved by the City and designated on the permit, or the permit holder uses the permit at a location not approved by the City and designated on the permit, or the permit holder gives the permit to an ineligible vehicle or person for use.

6. Failure to comply with all laws, rules, and regulations. The permit holder fails to comply with any City law, rule, or regulation pertaining to Oversized Vehicle permit parking.

G. Supplemental Disability Determination Consultation.

1. An unsuccessful Oversized Vehicle Disability Parking Permit applicant may seek consultation with the City's Disability Coordinator. The Disability Coordinator may also consult with the

City Traffic Engineer to assure reasonable modifications to any City program, including on-street parking, when warranted to provide equal access for a person with disabilities. (ORD-17-0012 § 6, 2017)

10.24.090 Limited time parking.

A. At any location where a sign is posted pursuant to authorization of the City Traffic Engineer limiting the duration of parking, no person shall park any vehicle for a time period which exceeds the stated time limit.

B. Notwithstanding the foregoing, the City Traffic Engineer is authorized to install signs restricting the duration of parking in the parking impacted area when such parking restrictions are reasonably intended to facilitate business activity, to improve access to public facilities or enhance resident access to parking in neighborhoods. In deciding to install or remove time limited parking restrictions, the City Traffic Engineer shall consider the comments of businesses and residents affected by the proposed change. This Subsection does not alter in any way the limitations stated in Section 10.22.030 of this Code.

C. For purposes of this Section, a vehicle shall be deemed to have been left standing when such vehicle has not been moved more than one (1) block under its own power from its original stopped position. (ORD-09-0021 § 23, 2009; Ord. C-7750 § 9, 2001; Ord. C-5398 § 10, 1978; prior code § 3410.111)

10.24.130 Parking space markings.

A. The City Traffic Engineer is authorized to install and maintain parking space markings to indicate parking spaces adjacent to curbing where authorized parking is permitted.

B. When such parking space markings are placed in the highway, subject to other and more restrictive limitations, no vehicle shall be stopped, left standing or parked, other than within a single space, unless the size or shape of the vehicle makes compliance impossible.

C. The City Traffic Engineer is authorized to post signs prohibiting the use of any marked parking space by motorcycles when he or she determines that the restriction will result in more efficient use of on-street parking and that motorcycle only parking is located within a reasonable distance from the restricted parking space.

D. The City Traffic Engineer is authorized to exercise reasonable discretion in the marking of

parking space sizes within the parking impacted area in order to maximize on-street parking availability.
(ORD-09-0021, § 32, 2009; Ord. C-7869 § 2, 2003; prior code § 3410.108)

10.24.140 Designated parking areas on certain streets.

A. The City Council finds and declares that the parking of vehicles on certain narrow streets in densely populated areas within the City creates a detrimental condition affecting the health, safety and welfare of the community by encroaching upon the traveled portions of said streets in such a manner as to impede and obstruct the free flow of traffic, thus requiring the parking restrictions as contained herein.

B. Notwithstanding Section 10.24.130, the City Traffic Engineer is authorized to designate and maintain parking areas or spaces and to post signs in such a manner along the curbings of streets located within the parking impacted area, to require vehicles to park entirely within said designated areas or spaces, so as not to encroach upon the traveled portion.
(ORD-09-0021, § 24, 2009; Ord. C-6564 § 4, 1989; Ord. C-6241 § 1, 1986)

10.24.150 Motorcycle only parking areas.

A. The City Traffic Engineer is authorized to post signs designating motorcycle only parking areas when he or she determines that the restriction will result in more efficient use of on-street parking.

B. No vehicle other than a motorcycle shall park in an area designated as a motorcycle only parking area.

C. No portion of a motorcycle parked in a motorcycle only parking area shall extend into any other parking space or into any area in which parking is prohibited. (Ord. C-7869 § 3, 2003)

CHAPTER 10.25 MOTOR VEHICLE ALARMS

10.25.010 Motor vehicle alarms—Violations—Penalties.

A. The City Council finds and declares that a significant problem exists in the City with motor vehicle alarms. Many alarms are activated by accident or carelessness and not as the result of any criminal activity. The noise from motor vehicle alarms is contrary to public health, safety and welfare of the community and is declared to be a public nuisance.

B. No person shall cause, allow, permit or suffer any alarm located in a motor vehicle registered in the name of or operated by such person to emit any continuous or intermittent audible sound in the City for a period of more than fifteen (15) minutes. The time shall be calculated based upon the emission of the first audible sound and ending fifteen (15) minutes thereafter notwithstanding any variation or delay in the emissions of audible sound.

C. Except as provided in Subsection 10.25.010.D, any person violating this Section shall be guilty of an infraction. Any person convicted of an infraction under this Section shall be punishable by a fine of not more than twenty-five dollars ($25.00).

D. Any person violating this Section who has been previously convicted of three (3) or more violations of this Section shall be guilty of a misdemeanor.

E. The Police Department, in order to abate the public nuisance created by a vehicle in violation of this Section, may take such steps as are reasonably necessary to enter the vehicle, disconnect the alarm, and remove the vehicle for safekeeping in the manner permitted by law. (Ord. C-6036 § 2, 1984)

CHAPTER 10.26 STOPPING WHILE LOADING OR UNLOADING*

10.26.010 Yellow, white or green curb markings.

The City Traffic Engineer is authorized, subject to the provisions and limitations of this Title, to place, and when the need has been established by Traffic Engineering study, shall place curb markings and/or appropriate signs to indicate parking regulations as enumerated in this Section and in

***State law reference**—Provisions authorizing local authorities to regulate the operation of vehicles for hire, Veh. C. § 21100.

Section 10.26.020. Where no curb exists, markings may be painted upon the most appropriate surface or signs may be placed instead of or in addition to such markings. When such markings and/or signs have been installed and are in place, it is unlawful for the operator of any vehicle to stop, stand or park such vehicle in violation of any such marking and/or sign.

A. Yellow indicates stopping only for the purpose of loading or unloading passengers or freight for a period of not in excess of two (2) minutes for passenger loading or unloading, nor twenty (20) minutes for freight loading or unloading. The words "LOADING ZONE" shall be stenciled on the yellow paint or appropriate signs may be posted. This restriction shall apply only between 7:00 a.m. and 6:00 p.m. on any day except Sundays and holidays.

B. White indicates stopping only for loading or unloading of passengers or depositing mail in an adjacent mailbox, or when stenciled "TAXICAB STAND", for the standing of taxicabs or automobiles for hire. No person shall use a white zone for a period in excess of two (2) minutes except that taxicabs or automobiles for hire at taxicab stands are exempted from this time limit.

C. Green indicates parking limited to a time from ten (10) to thirty (30) minutes, as determined by the City Traffic Engineer for a particular location or locations, between 9:00 a.m. and 6:00 p.m. of any day, except Sundays and holidays. A legend containing the applicable time limitation followed by the words "MIN. PARKING" shall be stenciled on the green, or appropriate signs may be posted.

D. Upon posting of appropriate signs, when the need has been established evidence satisfactory to the City Traffic Engineer, the City Traffic Engineer is authorized to create commercial and passenger loading zones for specified days and times to accommodate and balance the specialized demands of parking and loading needs of businesses and residents. (ORD-09-0021, § 25, 2009; Ord. C-5439 § 1, 1978; Ord. C-5398 § 5, 1978: Ord. C-5355 § 1, 1977; prior code § 3410.100)

10.26.020 Red curb markings.

When red curb markings have been installed and are in place, no operator shall stop or park any vehicle for any purpose at any time except that a bus may stop in a red zone marked or sign posted as a bus stop as provided in Section 10.26.040. Red curb markings may be used to supplement or in place of signs prohibiting stopping. (ORD-09-0021, § 26, 2009; Ord. C-5398 § 6, 1978; prior code § 3410.101)

10.26.030 Stopping in alley.

A. No person shall stop, stand or park a vehicle in any alley for any purpose other than the loading or unloading of persons or materials, except at locations where parking is permitted by the provisions of Subsection B of this Section.

B. Notwithstanding the foregoing, in the parking impacted area, the City Traffic Engineer, with the concurrence of the Chief of Police and the Fire Marshall, is authorized to permit parking in alleys or portions of alleys upon the posting of appropriate signs. (ORD-09-0021, § 27, 2009; Ord. C-5711 § 1, 1981; prior code § 3410.101)

10.26.040 Bus stop marking.

The City Traffic Engineer is authorized to establish bus stops and to designate curb space for the loading and unloading of passengers of a bus engaged as a common carrier in local transportation. Such bus stops shall be indicated by a sign, or by red curb markings. (ORD-09-0021, § 28, 2009; Ord. C-5691 § 2 (part), 1981; prior code § 3410.103)

10.26.050 Warning lights while obstructing street.

No person having charge of any building materials, excavation, house movers' materials or appliance, or any obstruction of the public streets of the City, shall allow the same to remain on any public street, alley or public place of the City at any time during the hours between darkness and dawn, without maintaining a lighted lantern at each end of the building material, excavation, house movers' materials, or obstruction. (Prior code § 3470)

CHAPTER 10.28 PARKING METERS*

10.28.010 Definitions.

As used in this Chapter:

"Alternate form of payment" means any lawful form of payment, including but not limited to, tokens, prepaid cards, debit cards, credit cards that a parking meter is equipped to accept as payment for occupying a parking space.

"Metered parking space" means a parking space within a parking meter zone or metered parking area or lot.

"Multi-space parking meter," also known as a pay station or pay and display machine, means a device which records paid parking time, or accepts payment and dispenses a proof of payment ticket for more than one (1) parking space. If not located immediately adjacent to the parking space it regulates, a multi-space parking meter will be marked or labeled to identify the spaces it regulates.

"Parking meter" means any device which, upon the deposit of payment, registers the time that a vehicle is parked in a metered parking space, or which generates proof of payment for parking in a metered parking space for a specified time period or for a specific number of minutes. "Parking meter" includes a multi-space parking meter.

"Proof of payment ticket" means a paper slip or ticket dispensed from a multi-space parking meter for the sole purpose of being displayed as proof of payment for the occupancy of a metered parking space. For the purposes of this Chapter, "proof of payment ticket" does not include a credit card receipt or debit card receipt.

"Single-space parking meter" means a device located adjacent to a metered parking space, which device records paid parking time or accepts payment for parking time for one (1) parking space.

"Veteran's license plate" means a currently valid vehicle license plate issued by the State of California to a person who is one (1) of the following: Medal of Honor recipient, Legion of Valor recipient, Pearl Harbor survivor, Purple Heart recipient or former prisoners of war. The term includes a license plate issued by another State indicating a similar status. (ORD-07-0003 § 1 (part), 2007)

10.28.020 Installation of metered parking spaces and parking meters.

A. Council may authorize the City Traffic Engineer to establish metered parking spaces within parking meter zones and parking areas or lots, each of which spaces shall be of sufficient size to permit the parking or standing of one (1) vehicle.

B. The City Traffic Engineer shall post signs, or place lines or marks on the curb, street or other area about or alongside of each parking meter to designate the parking space for which the meter is to be used.

C. To regulate parking and collect parking revenues, the City Traffic Engineer is further authorized to place a parking meter, as defined in this Chapter, which registers the time that a vehicle is parked in a metered parking space or which generates proof of payment for parking in a metered parking space for a specified time period or for a specific number of minutes.

D. Nothing in this Section is intended to limit the authority of the City Traffic Engineer to establish green restricted-time parking zones or yellow loading zones. (ORD-07-0003 § 1 (part), 2007)

10.28.030 Operation of parking meters.

A. A parking meter may accept United States currency in the form of coins or paper currency, or accept alternate forms of payment including, but not limited to, prepaid cards, debit cards or credit cards. If not located immediately adjacent to the parking space it regulates, it will be marked or labeled to identify the space for which it accepts payment. Parking meters will operate in one (1) of two (2) ways:

1. Measure, in minutes, the period of time during which the vehicle may park in a parking meter space without violating the provisions of this Chapter or any ordinance regulating parking upon the street or other area on which the parking meter is established. Such a parking meter shall be

Note—Prior history: Prior code §§ 3420—3420.12; Ords. C-5309, C-5357, C-5530, C-6283, C-7920, ORD-06-0015 and ORD-06-0031.

constructed so that it will, upon the expiration of the period of time, commencing with the deposit and acceptance of payment, and ending with the expiration of the period of time that the parking or standing of a vehicle in the space is permitted, display a flag sign, alphanumeric display or other signal which will indicate that the permitted time for the parking of the vehicle, has expired.

2. Dispense a Proof of Payment Ticket. Such proof of payment ticket must be attached to the driver's side front window with the expiration time and date readily visible from outside the vehicle in order to be valid. (ORD-07-0003 § 1 (part), 2007)

10.28.040 Parking method.

Except as required elsewhere in this Code or by State law, any vehicle parked or standing in any metered parking space shall be parked or stand within the lines marked on the street or other area for such parking space as provided hereinafter, with the front end of the car facing the direction of traffic in the adjacent driving lane. No person shall park or stand any vehicle across any such line or mark or park the vehicle in such way that it will not be within the area so designated by the signs, lines or markings. (ORD-07-0003 § 1 (part), 2007)

10.28.050 Payment for metered parking space.

A. No person shall park, stand, or stop any vehicle in any metered parking space during a period for which a parking time limit is applicable to the space without making payment for the use of such space as posted. The provisions of this Section shall not be applicable on holidays as defined in Section 10.02.040 of this Code or during those hours when a parking time limitation is not imposed, nor shall it apply to a vehicle displaying a valid veteran's license plate.

B. For the purposes of this Chapter, payment is evidenced in one (1) of two (2) ways either: (1) the parking meter which regulates the metered parking space displays one (1) or more minutes of paid time; or (2) a proof of payment ticket is attached to the vehicle as specified in Subsection 10.28.090.C with the expiration time and date readily visible from outside the vehicle on the street side.

C. Where a single-space parking meter is installed, if the parking meter is inoperable for any reason, the time limits posted shall be enforced during the hours of operation for parking meters, as posted.

D. Where a multi-space parking meter is installed, if that multi-space parking meter is inoperable for any reason, the person seeking to purchase a proof of payment ticket must purchase proof of payment from the next closest multi-space parking meter. If there is no other operational multi-space meter within one (1) block in any direction without crossing a street, or no other operational multi-space meter within the same parking lot, the time limits posted shall be enforced during the hours of operation for parking meters, as posted. (ORD-18-0014 § 2, 2018; ORD-07-0003 § 1 (part), 2007)

10.28.060 Unlawful to occupy a metered parking space without paying for parking.

A. No person shall park a vehicle in any parking space without paying for parking, except during such time immediately after the original occupancy as is necessary as to deposit payment into a parking meter and if purchasing a proof of payment ticket at a multi-space parking meter, to return to the vehicle to display such ticket.

B. No person shall stop or park any vehicle in any parking meter space beyond the time permitted by this Chapter for the parking of vehicles in the block or other area in which the parking meter space is situated; provided, however, this Section shall not apply within the hours during which free parking is permitted in this Chapter nor shall it apply to a vehicle displaying a valid veteran's license plate.

C. Unless stated otherwise on the parking meter and the proof of parking ticket, nothing in this Section is intended to prevent a person who has purchased a proof of parking ticket from parking in more than one (1) location within the same parking meter zone, so long as the paid time, as evidenced on the proof of parking ticket, has not been exceeded. (ORD-07-0003 § 1 (part), 2007)

10.28.070 Unlawful to use or possess a proof of parking ticket purchased by another.

When a person has purchased a proof of payment ticket and has affixed that ticket to a vehicle, it is thereafter unlawful for any other person to remove that ticket, to be in possession of that ticket, or to display that ticket on another vehicle. (ORD-07-0003 § 1 (part), 2007)

10.28.075 Unlawful to extend time limits.

No person shall, by depositing additional payment in a parking meter, extend the time for stopping, parking or standing any vehicle beyond the time permitted by this Chapter for parking vehicles within a metered parking space when the vehicle has occupied that space for a consecutive number of minutes equal to or in excess of the legal time parking limit. (ORD-07-0003 § 1 (part), 2007)

10.28.080 Prohibited use of parking meter.

A. No person shall deposit in any parking meter any defaced or bent coin, or any slug, device or substitute for the required coin or coins or paper currency of the United States or acceptable alternate form of payment.

B. No person shall direct or insert any card, object, substance or device in, upon, or at a parking meter as a means to avoid, or in lieu of, making lawful payment for parking as required by this Chapter.

C. No person shall deface, injure, tamper with, open or wilfully break, destroy or impair the usefulness of any parking meter by any means. (ORD-07-0003 § 1 (part), 2007)

10.28.090 Evidence of payment.

A. Single-Space Meters. The parking or standing of any vehicle in a parking space, at which space the parking meter displays a sign, flag, alphanumeric display or signal indicating illegal or expired parking, during hours in which parking meters are operational, shall constitute a prima facie presumption that the vehicle has been parked or allowed to stand in such space for a period longer than permitted by this Chapter.

B. Multi-Space Meters. The parking or standing of any motor vehicle in a metered parking space regulated by a multi-space parking meter which vehicle does not display a proof of parking ticket attached vehicle as set forth in Subsection C of this Section, shall constitute a prima facie presumption that the vehicle has been parked or allowed to stand in such a space for a period longer than permitted by this Chapter.

C. Proof of payment shall be displayed as follows, with the expiration time and date readily visible from outside the vehicle:

1. For vehicles without side windows, attached to the dashboard of the vehicle adjacent to the vehicle identification number ("VIN");

2. For motorcycles, attached to the headlight and readily visible from the adjacent driving lane;

3. For all other vehicles, attached to the inside of the front side window of the vehicle on the side closest to the adjacent driving lane.

D. The provisions of this Section shall not apply to a vehicle displaying a currently valid veteran's license plate. (ORD-07-0003 § 1 (part), 2007)

10.28.100 Purpose of compensation.

The payment required to be made by depositing money or an alternate form of payment into a parking meter as provided in this Chapter are declared to be necessary to compensate the City for the expense incurred in furnishing facilities, equipment, supervision and regulation required by such parking, and is found to be a reasonable fee for the privilege, voluntarily exercised by owners, operators, managers or drivers of vehicles, of parking the vehicles within the parking spaces, in conformity with the provisions of this Chapter. (ORD-07-0003 § 1 (part), 2007)

10.28.110 Payment collection.

All payments made to or deposited in any parking meter shall be collected regularly by a person designated by the City Manager. (ORD-07-0003 § 1 (part), 2007)

10.28.120 Demonstration program—Multi-space meters.

As a demonstration program, multi-space parking meters shall be installed on Bay Street west of Pine Avenue and on Pine Avenue north of Bay Street for a three (3) month trial period, to expire July 30, 2006. After that date, parking meters in all parking meter zones may be either single-space meters or multi-space meters, as designated by the City Traffic Engineer. (ORD-07-0003 § 1 (part), 2007)

10.28.130 Parking meter zones established—Rates set by resolution.

A. The areas or streets described below are hereby established as parking meter zones:

Zone Number	Area/Street
1	Second Street between Livingston Drive and Bayshore Avenue and all streets intersecting Second Street within those limits from the alley north of, to the alley south of, Second Street, including those parking lots adjacent to the alleyways south of Second Street.

CHAPTER 10.30 BEACH AREA PARKING LOTS

10.30.010 Designated—Definitions.

A. The beach area parking lots of the City shall be those parking lots owned by the City that are described and named as follows:

1. Ocean Beach parking lots. The Ocean Beach parking lots shall be those parking lots that lie south of Ocean Boulevard, which lots are individually named and described as follows:

a. Junipero Avenue parking lot. The Junipero Avenue parking lot is the parking lot located on the beach southerly of the intersection of Junipero Avenue and Ocean Boulevard.

b. Belmont Pier-Plaza parking lot. The Belmont Pier-Plaza parking lot is the parking lot located on the beach southerly of Allin Street between Belmont Pier on the west and the southerly projection of Termino Avenue on the east.

c. Granada Avenue parking lot. The Granada Avenue parking lot is the parking lot located on the beach southerly of Ocean Boulevard between the intersection of Ocean Boulevard and Bennett Avenue on the west and the intersection of Granada Avenue and Ocean Boulevard on the east.

d. La Verne Avenue parking lot. The La Verne Avenue parking lot is the parking lot located on the beach southerly of the intersection of Ocean Boulevard and La Verne Avenue.

e. Fifty-Fourth Place parking lot. The Fifty-Fourth Place parking lot is the parking lot located on the beach southerly of Ocean Boulevard between the southerly projection of Bay Shore Avenue on the west and the southerly projection of Fifty-Fourth Place on the east.

f. Seventy-Second Place parking lot. The Seventy-Second Place parking lot is the parking lot located on the beach southerly of the easterly projection of Ocean Boulevard between Seventy-First Place on the west and the Alamitos Bay entrance channel on the east.

g. Alamitos Avenue parking lot. The Alamitos Avenue parking lot is the parking lot located on the beach southerly of Ocean Boulevard and easterly of the southerly prolongation of Alamitos Avenue.

h. Claremont Launch Ramp parking lot. The Claremont Launch Ramp parking lot is located southerly of Ocean Boulevard at Claremont Avenue.

i. Davies Launch Ramp parking lot. The Davies Launch Ramp parking lot is located at 6201 East Second Street.

j. Shoreline Park parking lot. The Shoreline Park parking lot is the parking lot located easterly of the Queens Way Bridge and adjacent to Shoreline Park and Pierpoint Landing.

k. South Shore Launch Ramp and lot. The South Shore Launch Ramp and lot is the parking lot located on Queens Way Drive, westerly of the Queens Way Bridge.

2. Catalina Landing South parking lot. The Catalina Landing South parking lot is located west of Queens Way Bridge and east of the Catalina Landing Basin.

3. Alamitos Bay Beach parking lots. The Alamitos Bay Beach parking lots shall be those defined, described and named as follows:

a. Bay Shore playground parking lot. The Bay Shore playground parking lot is the parking lot located northerly of Ocean Boulevard between Fifty-Fourth Place on the west and Fifty-Fifth Place on the east.

C. "Slot meter" means any device with numbered apertures to receive money corresponding to the similar numbered parking space. (ORD-10-0004 § 1, 2010; Ord. C-7969 §§ 1, 2, 2005; Ord. C-7682 §§ 1, 2, 2000; Ord. C-7043 § 1, 1992: Ord. C-5956 § 1, 1983; Ord. C-5712 § 2 (part), 1981: prior code § 7310)

10.30.020 Parking fees—Required—Exceptions.

A. No person shall park, stand, or stop any vehicle in any parking space in a beach area parking lot during a period for which a parking time limit is applicable to such space without paying the posted parking fee.

B. Subsection A of this Section shall not apply to a vehicle displaying a currently-valid veteran's license plate, as defined in Section 10.28.010 of this Code. (ORD-07-0003 § 2, 2007: Ord. C-5712 § 2 (part), 1981: prior code § 7310.1)

10.30.030 Parking fees—Amount and manner of collection.

The City Manager shall determine the amount of and the most efficient manner of collecting parking fees for use of the beach area parking lots and, upon approval thereof by the City Council, shall place and maintain or cause to be placed and maintained signs giving notice thereof. (Ord. C-5712 § 2 (part), 1981: prior code § 7310.2)

10.30.040 Parking fees—Period not applicable.

No parking fee shall be collected for lot use prior to eight o'clock (8:00) a.m. or subsequent to eight o'clock (8:00) p.m. For all beach area parking lots, with the exception of the Shoreline Park parking lot and the Marina Green parking lot. No parking fee shall be collected for lot use prior to eight o'clock (8:00) a.m. or subsequent to twelve midnight (12:00) a.m. for the Shoreline Park parking lot and Marina Green parking lot. This Section is applicable except as provided in Section 10.30.090. (ORD-10-0004, § 2, 2010; Ord. C-5712 § 2 (part), 1981: prior code § 7310.3)

10.30.050 Special regulations—Parking time limits.

In no case shall the time limit during which a parking fee is payable for lot use on any day be in excess of a single sixteen (16) hour period. (ORD-10-0004, § 3, 2010; Ord. C-6948 § 1, 1991: Ord. C-5712 § 2 (part), 1981: prior code § 7310.4)

10.30.060 Special regulations—Method of parking.

No person shall park, stand, or stop any vehicle in any beach area parking lot except within parking spaces designated by lines or marks on the curbs or pavement. (Ord. C-5712 § 2 (part), 1981: prior code § 7310.5)

10.30.070 Special regulations—Seventy-two hour parking limit.

A. Except as provided in Section 10.30.090, no person shall leave any vehicle parked or standing and no registered owner of such vehicle shall permit or allow such vehicle to remain parked or standing in any beach area parking lot for a period longer than seventy-two (72) hours from the time such vehicle is posted; provided, however, such posting shall not authorize the parking or standing of vehicles in any beach area parking lot in violation of applicable parking limits specified by other provisions of this Chapter.

B. Whenever any Police Officer or Marine Bureau employee designated in Section 16.08.340, determines by tire marking or otherwise that any vehicle has been standing in one (1) position for a period in excess of the time limit designated by signs giving notice thereof, he shall securely attach a notice in a conspicuous place upon such vehicle setting forth in such notice a reference to this Section, the location of the vehicle at the time, the date of such notice, and the approximate hour of posting.

C. For the purpose of this Section, a vehicle shall be deemed to have been left standing when such vehicle shall not have been removed completely out of the parking lot under its own power.

D. Any vehicle parked for a period longer than seventy-two (72) hours from the time of posting as hereinabove set forth, may be removed from the beach parking lot by any Police Officer or by a designated Marine Bureau employee in accordance with procedures set forth in the California Vehicle Code. (Ord. C-5712 § 2 (part), 1981: prior code § 7310.6)

10.30.080 Special regulations—Prohibition against overnight parking in designated lots.

A. No person shall park any vehicle in the following parking lots between the hours of ten o'clock (10:00) p.m. and one (1) hour before sunrise of the following day:

1. La Verne Avenue lot;
2. Fifty-Fourth Place lot;
3. Bayshore playground lot;
4. Basin 7 parking lot (Naples Landing);
5. Marina Green lot;
6. Shoreline Marina lot (R—GG boat owners);
7. West Mole lot (A—P boat owners);
8. Basins 1, 2, 3, 4, 5 and 6 parking lots;
9. Alamitos Bay Marina parking lot, Basin 8;
10. Boathouse Lane lot;
11. Alamitos Avenue lot.

B. No person shall park any vehicle in the following parking lots between the hours of twelve o'clock (12:00) midnight and one (1) hour before sunrise of the following day:

1. Belmont Pier lot;

2. Granada Avenue.

C. No person shall park any vehicle in the following parking lots between one (1) hour after sunset and one (1) hour before sunrise of the following day:

1. Seventy-Second Place lot;
2. Marine Park lot;
3. Colorado Lagoon South lot;
4. Junipero Avenue lot.

D. No person shall park any vehicle in the following parking lots between one (1) hour after sunset and eight o'clock (8:00) a.m. of the following day:

1. Granada Avenue launch ramp and lot;
2. Claremont Avenue launch ramp and lot;
3. Marine Stadium launch ramp;
4. Colorado Lagoon North lot.

E. Parking and launching of vessels is permitted twenty-four (24) hours a day or at any time at the Davies launch ramp and lot.

F. The City Manager shall place and maintain or cause to be placed and maintained signs giving notice of the hours of closing of all beach area parking lots.

G. Notwithstanding any other provision of this Section 10.30.080, overnight parking is permitted in any parking lot mentioned in such section with a permit issued by the Director of Parks, Recreation and Marine, or his designee, at a fee to be established by City Council resolution. (Ord. C-7969 § 3, 2005; Ord. C-7832 § 1, 2002: Ord. C-7682 § 3, 2000: Ord. C-7211 § 1, 1994: Ord. C-7118 § 1, 1993: Ord. C-7043 § 2 (part), 1992: Ord. C-6001 § 1, 1983: Ord. C-5712 § 2 (part), 1981: prior code § 7310.7)

10.30.090 Special regulations—Prohibition against overnight parking of certain vehicles.

No person shall park any bus, camper, house car, trailer coach or any other vehicle adapted for human habitation or occupancy in any beach area parking lot between the hours of midnight (12:00 a.m.) and 5:00 a.m. without a permit issued by the Manager of the Marine Bureau pursuant to rules and regulations promulgated by the City Manager and approved by the City Council. The City Manager shall place and maintain or cause to be placed and maintained signs giving notice of the parking restrictions provided for in this Section. (Ord. C-5712 § 2 (part), 1981: prior code § 7310.8)

10.30.100 Special regulations—Prohibition against camping.

No person shall camp or lodge within any beach area parking lot. (Ord. C-5712 § 2 (part), 1981: prior code § 7310.9)

10.30.110 Special regulations—Buses and vehicles of excessive length.

Unless directed by an authorized City employee, no person shall park, stand, or stop any bus or other vehicle of excessive length within any beach area parking lot in such a manner as to occupy more than two (2) parking spaces or as to constitute an obstruction of the traffic lanes within the lot. For the purpose of this Section, the definition of a "bus" shall be that set forth in California California Vehicle Code § 233. (Ord. C-5712 § 2 (part), 1981: prior code § 7310.10)

10.30.120 Special regulations—Vehicles with trailers.

A. No person shall park, stand or store any unattached boat trailer in the Shoreline Marina parking lot or the Alamitos Bay Marina parking lot without a permit issued by the Manager of the Marine Bureau pursuant to rules and regulations promulgated by the City Manager and approved by the City Council.

B. No person shall park, stand or stop any motor vehicle and trailer in any beach area parking lot unless the trailer is uncoupled from the motor vehicle and placed in a separate parking space.

C. For those lots in which parking meters or slot meters have been installed, no person shall park, stand or stop any motor vehicle and trailer occupying two (2) metered spaces without depositing in each parking meter or slot meter aperture the appropriate coin or coins indicated on the

parking meter or slot meter. (Ord. C-7969 § 4, 2005; Ord. C-7043 § 2 (part), 1992: Ord. C-5712 § 2 (part), 1981: prior code § 7310.11)

10.30.121 Special regulations—Speed limit.

No person shall operate any vehicle within a beach area parking lot or any access road thereto in excess of fifteen (15) miles per hour. The City Manager shall place and maintain or cause to be placed and maintained signs giving notice of the speed limit restriction. (Ord. C-5956 § 35, 1983)

10.30.122 Special regulations—Parking permits.

The City Manager may adopt, amend, modify or repeal regulations concerning parking of vehicles in the Shoreline Marina parking lots pursuant to permits and shall place and maintain or cause to be placed and maintained signs giving notice of the parking restrictions in said parking lots. (Ord. C-7969 § 5, 2005: Ord. C-5956 § 36, 1983)

10.30.123 Special regulations—Driving in beach area parking lots.

A. Except when a parking space is not available, no person shall repeatedly drive a motor vehicle within the beach area parking lots past a traffic control point established pursuant to this Section three (3) times within any fifteen (15) minute period. Each successive trip past the traffic control point shall constitute a separate violation of this Section, and no additional notice shall be required prior to issuance of a second or subsequent citation.

B. Any peace officer or Marine Bureau employee designated in Section 16.08.340 may establish one (1) or more traffic control points within the beach area parking lots to enforce the provisions of this Section.

C. "Repeatedly drive" is defined to mean the driving of a motor vehicle three (3) or more times within a fifteen (15) minute period past a traffic control point as established pursuant to this Section, when signs are posted at the entrance to the beach parking lot which state the provisions of this Section.

D. The provisions of this Section shall not apply to:

1. Any authorized vehicle as defined in California California Vehicle Code § 165;

2. Any publicly owned vehicle of any City, County, district, State or federal agency;

3. Any vehicle licensed for public transportation or vehicles which are normally used for business purposes and are engaged in such business use.

E. It shall be an infraction for any person to violate this Section, and upon conviction thereof shall be subject to the payment of penalties as provided in California California Vehicle Code § 42001, and as that section may be amended. (Ord. C-7043 § 6, 1992)

CHAPTER 10.32 PREFERENTIAL RESIDENTIAL PARKING

10.32.010 Purpose.

This Chapter is enacted pursuant to authority granted by California California Vehicle Code §§ 22507 and 22507.5, to alleviate serious problems in certain residential areas of the City due, in part, to the misuse of available off-street parking, the parking of motor vehicles on-streets therein by nonresidents thereof for extended periods of time, and the ignoring of public transit alternatives to automobile travel available to said nonresidents, resulting in neighborhood decline in said areas by reason of traffic congestion, noise, air pollution, traffic hazards and inability of residents therein to park their motor vehicles near their residences. (Ord. C-6588 § 1 (part), 1989: Ord. C-5511 § 1 (part), 1979: prior code § 3410.600)

10.32.020 Designation and termination of districts.

A. The City Traffic Engineer shall provide petition forms for preferential parking districts.

B. Designation.

1. Proceedings for designating a preferential parking district may be initiated by petition containing the signatures of at least two-thirds (2/3) of the residents of all units of occupancy fronting

curbs proposed to be included in the district. The petition shall indicate and set forth the positive desire of all signators for preferential parking privileges and their willingness to assume all associated administrative and enforcement costs, by affixing their signature, printed name, and address to the petition calling for the creation of a district. The petition shall be distributed and presented to the City Council by advocates of such district's creation.

2. The City Council shall set a place for a public hearing on the proposed district. The City Clerk shall mail notice of the hearing at least ten (10) days prior to the hearing to all property owners, residents and commercial occupants within the proposed district and within four hundred feet (400') of the boundaries of such district, measured from the outer edges of the rights-of-way constituting the outer district boundaries.

C. Following the receipt of the petition, and following the public hearing, the City Council shall determine if the district is to be designated for preferential parking. That determination shall be based upon, but not limited to, substantial compliance with the following guidelines:

1. High demand. More than seventy-five percent (75%) of on-street spaces are occupied during period proposed for parking restriction or prohibition. In cases where a time limit parking restriction or parking prohibition is already in place, the City Traffic Engineer shall use reasonable judgment as to whether the demand criteria would likely be met without the restriction or prohibition.

2. Self-contained area. The district, alone or in combination with other existing or potential preferential parking districts, constitutes a reasonably self-contained area of parking demand and supply. The City Traffic Engineer shall make the determination of a reasonably self-contained area, utilizing boundaries such as major streets, nonresidential land uses, edges of higher or lower density residential areas, waterbodies and other natural features; and utilizing surveys of existing conditions to determine extent of area impacted by nonresident parking. The City Traffic Engineer shall designate each such self-contained preferential parking district with a unique letter or combination of letters, which shall be the official designation of said district. The purpose of this designation process is to ensure that proposed preferential parking districts are of sufficient size as to reasonably encompass the problem area and to offer sufficient on-street parking spaces to provide reasonable opportunity for residents to obtain parking.

3. If the district is proposed solely for daytime preferential parking, the following guidelines shall apply:

Nonresidential users. More than fifty percent (50%) of vehicles parked at curbside during the period proposed for parking restriction or prohibition are owned by nonresidents of the district. In cases where a time limit parking restriction or prohibition is already in place, the City Traffic Engineer shall use reasonable judgment as to whether the demand criteria would likely be met without the restriction or prohibition.

4. Such additional criteria may be applied as the City Council may deem and identify as reasonably related to the designation of such districts.

D. 1. The City Council may terminate a preferential parking district upon receipt of a petition calling for such termination which has been received and transmitted by the City Clerk, and contains signatures and the corresponding printed name and address representing a majority (50 percent (50%) plus one (1)) of the dwelling units in the district. The City Council may also terminate such district, without petition, based upon, but not limited to, any changes in the criteria upon which the original designation was based.

2. The City Traffic Engineer shall annually review the status of each preferential parking district formed under this Chapter 10.32, and if the City Traffic Engineer determines that a substantial number of eligible persons within the district have failed to apply for and receive preferential parking permits, the engineer may recommend termination of district designation to the City

Council. (Ord. C-7801 § 2, 2002: Ord. C-6588 § 1 (part), 1989: Ord. C-5511 § 1 (part), 1979: prior code § 3410.601)

10.32.030 Permits—Issuance.

A. The Department of Financial Management shall issue preferential parking permits. Preferential parking permits shall be of three (3) types: Residential preferential parking permits; guest preferential parking permits; and temporary preferential parking permits. Except for guest preferential parking permits, no more than one (1) permit shall be issued for each vehicle for which application is made. Each permit issued shall reflect by statements thereon or by color thereof, or both, the particular preferential parking district for which the permit is issued and, except for guest preferential parking permits, the permit shall reflect the license number of the vehicle for which the permit is issued.

B. Preferential parking permits may be issued only for passenger vehicles, pickup trucks, and vans, and only upon application of a person whose legal address is on a street, or portion thereof, designated as part of a preferential parking district in Section 10.32.110.

C. Preferential permits may be issued as follows:

1. Up to three (3) residential permits may be purchased per address. For each residential permit, proof of residency and registered ownership or exclusive use and control of a vehicle shall be demonstrated in a manner determined by the Director of Financial Management. The applicant shall provide the vehicle license plate number and such additional information as the Director of Financial Management deems necessary for the proper processing of the application.

2. One (1) guest parking permit may be purchased per address. A guest parking permit may be issued to a person whose legal address is on a street, or portion thereof, designated as part of a preferential parking district in Section 10.32.110. Use of a guest permit is limited to visitors and providers of services to the applicant or the applicant's residence and is not limited to a particular vehicle. The applicant is responsible for the proper use of the guest parking permit.

3. Temporary preferential parking permits may be issued for bona fide guests of residents of a preferential parking district provided that such permits shall be valid for no more than seven (7) consecutive days. (Ord. C-7514 § 1, 1997: Ord. C-6588 § 1 (part), 1989: Ord. C-5511 § 1 (part), 1979: prior code § 3410.602)

10.32.040 Permit—Application and term.

A. Except for temporary preferential parking permits, each preferential parking permit shall be issued by the Department of Financial Management on a calendar year basis, and each such permit shall expire at midnight (12:00 a.m.), December 31 next following its issuance. Permits may be renewed annually by mail. Each application or reapplication shall contain such information as the Director of Financial Management deems necessary for the proper processing of the application. The application shall also contain a statement to the effect that the applicant agrees that the permit applied for may not be sold or transferred in any manner, except that a guest permit may be used by various visitors and service people to the applicant's residence. The application shall also state that the sale or transfer of a permit in violation of this Chapter shall be subject to a fine in the amount of one hundred dollars ($100.00), and that any misuse of any permit issued under this Section is grounds for revocation of the permit by the Director of Financial Management pursuant to this Chapter.

B. An application may be submitted by either the owner of the property for which a permit is sought or the tenant of such property, but in the case of applications submitted by tenants, the owner of the property shall also be required to sign the application form. (Ord. C-7514 § 2, 1997: Ord. C-6588 § 1 (part), 1989: Ord. C-5511 § 1 (part), 1979: prior code § 3410.603)

10.32.050 Permit—Fee.

Applications for issuance of initial permits, renewal permits, transfer permits in the case of a

holder of a permit in one (1) preferential parking district moving to another preferential parking district and desiring a new permit for the latter district, or a replacement permit in the case of a lost or mutilated permit, shall be filed with the Department of Financial Management and shall be accompanied by such fee therefor as may be established from time to time by resolution of the City Council. The fee charged for permits issued for less than twelve (12) months may be reduced in proportion to the time already elapsed in the current calendar year for which the permit would be valid. The Director of Financial Management shall not issue a replacement permit unless the Director has received satisfactory evidence that the permit being replaced has been lost or mutilated. (Ord. C-6588 § 1 (part), 1989: Ord. C-5511 § 1 (part), 1979: prior code § 3410.604)

10.32.060 Permits—Display.

Residential parking permits shall be firmly attached to the left side of the rear bumper of the vehicle for which the permit is issued so as to be readily visible to a person approaching the vehicle from the rear thereof. Guest permits or temporary permits shall be displayed from the rear-view mirror or by such other method as directed in instructions contained on the permit itself. (Ord. C-7514 § 3, 1997: Ord. C-6588 § 1 (part), 1989: Ord. C-5511 § 1 (part), 1979: prior code § 3410.604)

10.32.070 Permits—Revocation or fine for misuse.

A. The Director of Financial Management is authorized to revoke a preferential parking permit or a guest parking permit of any person found to be in violation of any of the provisions of this Chapter and, upon the written notification thereof, such person shall surrender the permit to the Director or prove its destruction or disfigurement to the Director's satisfaction. Additionally, the sale or transfer of a permit in violation of this Chapter shall constitute an infraction punishable by a fine of one hundred dollars ($100.00).

B. Any person whose preferential parking permit has been revoked shall not be issued a new permit until expiration of a period of one (1) year following the date of revocation and until such person has made required application therefor and has paid the fee required for a renewal permit. (Ord. C-7514 § 4, 1997: Ord. C-6588 § 1 (part), 1989: Ord. C-5511 § 1 (part), 1979: prior code § 3410.609)

10.32.080 Sign posting.

The City Traffic Engineer shall place and maintain or cause to be placed and maintained on each of the streets, or portions of streets, designated in Section 10.32.110, appropriate signs notifying the public that vehicles must display preferential parking permits as well as showing the applicable time limits for parking of vehicles without said permits. (Ord. C-6588 § 1 (part), 1989: Ord. C-5511 § 1 (part), 1979: prior code § 3410.606)

10.32.090 Enforcement hours/overnight parking prohibited.

Preferential parking referenced in this Chapter shall be in effect and enforced on such days of the week and during such time periods as shall be determined by the City Council when designating each preferential parking district, provided that if the district is designated for overnight parking permits, the City Council shall, if it has not previously done so, thereupon adopt an ordinance providing that no vehicle shall be parked on any public street or alley within that area between the hours of two o'clock (2:00) a.m. and six o'clock (6:00) a.m. except as permitted by this Chapter. (Ord. C-6588 § 1 (part), 1989: Ord. C-5511 § 1 (part), 1979: prior code § 3410.610)

10.32.100 Parking privileges for permit holders.

Any passenger vehicle, pickup truck or van properly displaying valid, unrevoked preferential parking permits may be parked on any of the streets, or portions of streets, designated in Section 10.32.090 for which said permits have been issued without being limited by time restrictions on parking, other than those in effect for purposes of street sweeping or of prohibiting parking or

stopping at any time or of prohibiting parking more than seventy-two (72) consecutive hours, set forth in this Title and applicable generally to parking of vehicles. Preferential parking permits shall not guarantee or reserve to the holder thereof any on-street parking space. (Ord. C-6588 § 1 (part), 1989: Ord. C-5511 § 1 (part), 1979: prior code § 3410.607)

10.32.120 Violations designated.

A. No person shall falsely represent himself or herself as eligible for preferential parking permits or furnish false information in an application therefor to the Department of Financial Management.

B. No person shall park or leave standing in a Preferential Parking District a motor vehicle on which is displayed a preferential parking permit which has been issued pursuant to the provisions of this Chapter for a different passenger vehicle, pickup truck, or van.

C. No person shall copy, produce, or otherwise bring into existence a facsimile or counterfeit preferential parking permit without written authorization of the Director of Financial Management.

D. No person shall park or leave standing in a Preferential Parking District a motor vehicle on which is displayed a facsimile or counterfeit preferential parking permit.

E. No person whose preferential parking permit has been revoked shall refuse or fail to surrender the permit to the Director of Financial Management when requested by the Director, in writing, to do so. (Ord. C-6588 § 1 (part), 1989: Ord. C-5511 § 1 (part), 1979: prior code § 3410.608)

10.32.150 Rules and regulations.

The Director of Financial Management may, from time to time, promulgate rules and regulations, consistent with the purpose and provisions of this Chapter, to facilitate implementation of this Chapter, which rules and regulations may include, but need not be limited to, procedures for the application for and issuance and renewal of permits hereunder and provision for a limitation of the number of permits that may be issued per dwelling unit. (Ord. C-6588 § 1 (part), 1989)

CHAPTER 10.33 TEMPORARY CONSTRUCTION PREFERENTIAL PARKING DISTRICT

10.33.010 Purpose and intent.

This Chapter is enacted pursuant to authority granted by California Vehicle Code Sections 22507 and 22507.5, to alleviate serious problems in certain residential areas of the City due to temporary construction activities which may displace normal parking patterns and lead to the parking of motor vehicles on streets by nonresidents thereof for extended periods of time, and the ignoring of public transit alternatives to automobile travel available to said nonresidents, resulting in neighborhood decline in said areas by reason of traffic congestion, noise, air pollution, traffic hazards and inability of residents therein to park their motor vehicles near their residences. (ORD-12-0017(Emerg.) § 1, 2012)

10.33.020 Administration.

The City Traffic Engineer is designated as administrator for the Temporary Construction Preferential Parking District. The City Traffic Engineer may adopt rules and regulations governing the issuance of parking permits and the establish-

ment of Temporary Construction Preferential Parking Districts. Such rules and regulations shall be consistent with the provisions of California Vehicle Code Section 22507.
(ORD-12-0017(Emerg.), § 1, 2012)

10.33.030 Designation and termination of Temporary Construction Preferential Parking Districts.

A. Severe parking impacts, defined as more than seventy-five percent (75%) of on-street spaces occupied during the period proposed for parking restriction or prohibition, have been created in any residential area of the City of Long Beach by construction activity. In cases where a time limit parking restriction or parking prohibition is already in place, the City Traffic Engineer shall use reasonable judgment as to whether the demand criteria would likely be met without the restriction or prohibition.

B. Construction activity must be of a duration of a minimum of two (2) weeks and a maximum of six (6) months. The duration of the Temporary Construction Preferential Parking District shall be coterminous with the duration of the construction project and its impacts, and shall be discontinued upon completion of construction and cessation of parking impacts, as determined by the City Traffic Engineer. In the event that the construction impacts are of a longer duration than six (6) months, the Temporary Construction Preferential Parking District may be renewed for two (2) additional six (6) month periods. No Temporary Construction Preferential Parking District shall have a duration of more than eighteen (18) months. If the construction activity lasts for more than eighteen (18) total months, residents must apply for a Preferential Parking District authorized by Long Beach Municipal Code Section 10.32.010 et seq., and conform with the requirements stated therein.

C. The proposed Temporary Construction Preferential Parking District, alone or in combination with other existing or potential Preferential Parking Districts, constitutes a reasonably self-contained area of parking demand and supply. The City Traffic Engineer shall make the determination of a reasonably self-contained area, utilizing boundaries such as major streets, nonresidential land uses, edges of higher or lower density residential areas, waterbodies and other natural features, and utilizing surveys of existing conditions to determine extent of area impacted by nonresident parking. The proposed Temporary Construction Preferential Parking District shall be of sufficient size to reasonably encompass the problem area and to offer sufficient on-street parking spaces to provide reasonable opportunity for residents to obtain parking.
(ORD-12-0017(Emerg.), § 1, 2012)

10.33.040 Posting of signs.

Upon adoption of this ordinance, the City Traffic Engineer shall be authorized to cause appropriate signs to be erected in the Temporary Construction Preferential Parking District as designated by the City Traffic Engineer, indicating prominently thereon the time limitation, period of day for its application and conditions under which permit parking shall be exempt therefrom.
(ORD-12-0017(Emerg.), § 1, 2012)

10.33.050 Issuance of permits.

A. The Public Works Department, Office of the City Traffic Engineer, shall issue Temporary Construction Preferential Parking Permits. Each permit issued shall reflect by statements thereon or by color thereof, or both, the particular Temporary Construction Preferential Parking District for which the permit is issued.

B. Temporary Construction Preferential Parking District Permits may be issued only for passenger vehicles, pickup trucks, and vans, and only upon application of a person whose legal address is on a street, or portion thereof, designated as part of a Temporary Construction Preferential Parking District.

C. Up to three (3) Temporary Construction Preferential Parking District Permits may be issued per address. A Temporary Construction Preferential Parking District Permit may be issued to a person whose legal address is on a street, or por-

tion thereof, designated as part of a Temporary Construction Preferential Parking District. Use of a Temporary Construction Preferential Parking District Permit is limited to residents, visitors and providers of services to the applicant or the applicant's residence and is not limited to a particular vehicle. The applicant is responsible for the proper use of the Temporary Construction Preferential Parking District Permit. Temporary Construction Preferential Parking District Permits may not be sold or transferred for monetary consideration to any third party. The sale or transfer of a permit in violation of this Chapter shall be subject to a fine in the amount of one hundred dollars ($100.00), and any misuse of any permit issued under this Section is grounds for revocation of the permit by the City Traffic Engineer pursuant to this Chapter.

D. An application may be submitted by either the owner of the property for which a Temporary Construction Preferential Parking District Permit is sought or the tenants of such property.

E. Any passenger vehicle, pickup truck or van properly displaying valid, unrevoked Temporary Construction Preferential Parking District Permits may be parked on any of the streets, or portions of streets, designated as constituting the Temporary Construction Preferential Parking District for which said permits have been issued without being limited by time restrictions on parking, other than those in effect for purposes of street sweeping or of prohibiting parking or stopping at any time or of prohibiting parking more than seventy-two (72) consecutive hours, set forth in this Title and applicable generally to parking of vehicles. Temporary Construction Preferential Parking District Permits shall not guarantee or reserve to the holder thereof any on-street parking space.

(ORD-12-0017(Emerg.), § 1, 2012)

10.33.060 Violations designated.

A. No person shall falsely represent himself or herself as eligible for Temporary Construction Preferential Parking District Permits or furnish false information in an application therefor to the Office of the City Traffic Engineer.

B. No person shall copy, produce, or otherwise bring into existence a facsimile or counterfeit Temporary Construction Preferential Parking District Permit without written authorization of the City Traffic Engineer.

C. No person shall park or leave standing in a Temporary Construction Preferential Parking District a motor vehicle on which is displayed a facsimile or counterfeit Temporary Construction Preferential Parking District Permit.

D. No person whose Temporary Construction Preferential Parking District Permit has been revoked shall refuse or fail to surrender the Temporary Construction Preferential Parking District Permit to the City Traffic Engineer when requested by the City Traffic Engineer, in writing, to do so.

(ORD-12-0017(Emerg.), § 1, 2012)

CHAPTER 10.34 PARKING FOR HANDICAPPED PERSONS IN PUBLIC PLACES*

10.34.005 Prior designation by action of City Council.

Any parking space designated as reserved for the use of disabled persons by action of the City Council pursuant to Sections 10.34.040 (repealed) or 10.34.050 (repealed) shall be subject to and governed by this Chapter. (Ord. C-7469 § 4, 1997)

10.34.010 Spaces on streets—Designation.

Parking spaces for disabled persons shall be designated by blue paint on the curb or edge of the paved portion of the street adjacent to the space, and by signs or other suitable means as determined by the City Traffic Engineer. Any parking space designated for use by disabled persons may be utilized by any vehicle properly displaying the appropriate license plate or placard as described in this Chapter. (Ord. C-7469 § 1, 1997; Ord. C-5290 § 1 (part), 1977; prior code § 3410.98)

***State law reference**—Provisions on parking spaces for the handicapped, Veh. C. §§ 21458, 22507.5, 22511.7 and 22511.8.

10.34.015 City Traffic Engineer authorized to designate disabled parking on public streets.

The City Traffic Engineer is authorized to designate on-street parking spaces as reserved for disabled persons and to indicate such spaces with blue paint and signs pursuant to Section 10.34.010. Such action must be preceded by a determination of need for such parking spaces and a determination that such designation will not adversely impact traffic safety. The City Traffic Engineer is further authorized to eliminate on-street parking previously designated for use by disabled persons when he or she determines that the need for such parking no longer exists.

The City Traffic Engineer shall maintain a list of all on-street parking spaces designated for use by disabled persons under this Chapter. (Ord. C-7469 § 5, 1997)

10.34.020 Parking for disabled persons reserved for vehicles with appropriate license plates or placards.

No vehicle which does not display either a special identification license plate issued pursuant to California Vehicle Code Section 5007 or a distinguishing placard issued pursuant to California Vehicle Code Sections 22511.55 or 22511.59 shall stop or park in any parking space designated for use by a disabled person. (Ord. C-7469 § 2, 1997; Ord. C-5290 § 1 (part), 1977; prior code § 3410.98.1)

10.34.025 Application for disabled parking designation.

A. Any person who has been issued a special identification license plate pursuant to Vehicle Code, Section 5007 or a distinguishing placard pursuant to Vehicle Code, Sections 22511.55 or 22511.59 may apply to the City Traffic Engineer for the designation of an on-street parking space as a parking space reserved for disabled persons. Such application shall contain:

1. Evidence of authorization from the California Department of Motor Vehicles of authorization to use disabled parking;

2. An explanation of medical need for parking at the requested location;

3. Certification by the applicant that no existing on-street or off-street parking space meets his or her parking needs;

B. When any of the circumstances in the application change or cease to exist, the applicant shall notify the City Traffic Engineer.

C. The City Traffic Engineer is authorized to conduct reviews of eligibility and continuing need for the disabled parking space once every two (2) years. (ORD-09-0021 § 29, 2009; Ord. C-7469 § 6, 1997)

10.34.030 Off-street parking spaces—Designation.

The City Traffic Engineer is authorized to designate spaces in an off-street parking facility owned or operated by the City as reserved for the exclusive use of any vehicle which displays either a special identification license plate issued pursuant to California Vehicle Code Section 5007 or a distinguishing placard issued pursuant to California Vehicle Code Sections 22511.55 or 22511.59. The designation shall be made by posting a sign adjacent to and visible from the space, and marking the space, as specified in California Vehicle Code Section 22511.8.

The City Traffic Engineer is also authorized to place at any off-street parking facility owned or operated by the City a sign not less than seventeen by twenty-two inches (17 x 22") in size with lettering not less than one inch (1") in height which clearly and conspicuously states the following: "Unauthorized vehicles not displaying distinguishing placards or license plates issued for physically handicapped persons will be towed away at owner's expense. Towed vehicles may be reclaimed at [address] or by telephoning the Long Beach Police Department at [telephone number]". Such sign shall be posted in accordance with the provisions of California Vehicle Code Section 22511.8. (Ord. C-7469 § 3, 1997; Ord. C-5290 § 1 (part), 1977; prior code § 3410.99)

10.34.040 Parking at City-owned and operated lots with Disabled Person or DP plate or placard.

A. Any vehicle displaying special license plates issued under California Vehicle Code Section 5007 or a distinguishing placard issued under California Vehicle Code Sections 22511.55 or 22511.59 shall not be required to pay to park at any posted non-gate operated City-owned and City-operated off-street parking facility, as listed below:

1. City Place B Surface
2. Linden
3. Market
4. Pier Point Landing
5. Marina Green
6. Alamitos Beach
7. Belmont Memorial Pier
8. Granada Beach
9. La Verne
10. 54th Place
11. Marine Park (Mother's Beach)
12. Junipero Beach
13. 72nd Place
14. Virginia Village
15. Belmont Shore

B. The provisions of Subsection A shall not permit:

1. Parking in excess of the posted time limits in each parking lot.

2. Overnight parking in beach parking lots as prohibited by Section 10.30.080 of this Code.

3. Parking of certain vehicles as prohibited by Section 10.30.090 of this Code.

C. The provisions of Subsection A shall not apply to parking facilities at the Long Beach Airport.

D. The provisions of Subsection A shall not apply to privately-owned parking facilities. (ORD-20-0027 § 1, 2020)

CHAPTER 10.36 PARKING FOR HANDICAPPED PERSONS IN PRIVATE OFF-STREET FACILITIES

10.36.010 Purpose.

This Chapter is enacted pursuant to authority granted by Section 21107.8 of the California Vehicle Code so as to make effective the provisions of Section 22507.8 of the California Vehicle Code so as to prohibit nonauthorized persons from parking or leaving standing a vehicle in a stall or space designated for physically handicapped persons on privately owned and maintained off-street parking facilities set forth in this Chapter. (Ord. C-5547 § 1 (part), 1979; prior code § 3410.700)

10.36.020 Request for designation required.

The City Council shall not find and declare that any particular privately owned and maintained off-street parking facility within the City is generally held open for use of the public for purposes of vehicle parking, pursuant to authority granted by Section 21107.8 of the California Vehicle Code, except after receipt of a prior written request therefor from the owner or operator of the off-street parking facility and holding a public hearing thereon preceded by ten (10) days' prior written notice of the hearing to the owner and operator of the off-street parking facility. (Ord. C-5547 § 1 (part), 1979; prior code § 3410.701)

10.36.030 Posting of notices and signs.

The owner or operator of an off-street parking facility who has requested the City Council to include the parking facility in Section 10.36.040 shall, within ten (10) days following the effective date of the ordinance that adds the parking facility to Section 10.36.040, post the notices and signs required by California Vehicle Code Sections 21107.8(b), 22507.8(a), respectively. (Ord. C-5641 § 1, 1980; Ord. C-5547 § 1 (part), 1979; prior code § 3410.702)

10.36.040 Facilities enumerated.

The City Council, pursuant to authority granted by Section 21107.8 of the California Vehicle Code and for purposes of having the provisions of Section 22507.8 of the California Vehicle Code apply thereto, finds and declares that the off-street parking facilities described in this Section are privately owned and maintained off-street parking facilities within the City that are generally held open for use of the public for purposes of

vehicular parking: 4101 East Willow Street. (Ord. C-5732 § 3, 1981; Ord. C-5547 § 1 (part), 1979; prior code § 3410.703)

CHAPTER 10.38 MISCELLANEOUS DRIVING RULES

10.38.010 Driving through funeral processions.

No driver of a vehicle shall drive between vehicles comprising a funeral procession while they are in motion and when the vehicles in such procession are conspicuously so designated. (Prior code § 3410.55)

10.38.020 Driving on sidewalks.

No operator of any motorized scooter shall drive the same upon any bike path adjacent to a City marina. (ORD-25-0006 § 2, 2025; Ord. C-7924 § 1, 2004; prior code § 3410.57)

10.38.030 Driving on new pavement.

No person shall ride or drive any animal or any vehicle over or across any newly made pavement or freshly painted marking in any street where a barrier or sign is in place warning persons not to drive over or across such pavement or marking, or when a sign is in place stating that the street, or any portion thereof, is closed. (Prior code § 3410.58)

10.38.040 Use of Ravenna Drive Bridge by commercial vehicles prohibited.

No person shall drive or operate any commercial vehicle in, over, upon or across that portion of

Ravenna Drive between a line forty-five feet (45') north of the north line of Rivo Alto Canal and a line forty-five feet (45') south of the south line of the canal, said portion constituting the Ravenna Drive Bridge over the Rivo Alto Canal and the approaches to the bridge. For the purpose of this Section, a "commercial vehicle" is defined to be a motor vehicle designed, used or maintained primarily for the transportation of property. (Prior code § 3410.59)

10.38.050 Limited access roadway.

No person shall drive a vehicle onto or from any limited access roadway except at such entrances and exits as are established by public authority. (Prior code § 3410.60)

10.38.060 Freeways—Designated.

Those portions of the Long Beach and Terminal Island Freeways within the City shall be deemed to be freeways. Where any such freeway is a State highway, this Title shall be inapplicable, unless the ordinance or resolution affecting the State highway has been presented to and approved in writing by the Department of Public Works. (Prior code § 3410.61)

10.38.070 Freeways—Use restricted.

No person shall drive or operate any bicycle, motor driven cycle or any vehicle which is not drawn by a motor vehicle upon any street established as a freeway, as defined by State law and this Chapter, nor shall any pedestrian walk across, or along any such street so designated and described except in space set aside for the use of pedestrians, provided official signs are in place giving notice of such restrictions. (Prior code § 3410.62)

10.38.080 Walks closed to vehicles.

No operator of any motor vehicle, except a sightseeing tram operating in such public streets or ways pursuant to a permit or franchise granted by the City therefor, shall drive, stand or park such vehicle within or upon the public streets, ways or portions thereof, specified under this Section, between the hours of 11:00 a.m. and 12:00 midnight of each day; provided, however, that the crossing of such portions of such public streets or ways at regular intersections thereof, between such hours, shall not be deemed to be a violation of this Section:

A. Seaside Way, between the easterly line of Chestnut Place and the westerly line of Cedar Walk;

B. The Walk of a Thousand Lights;

C. Cedar Walk. (Ord. C-5436 § 1, 1978; Ord. C-5280 § 1, 1977; prior code § 3410.63)

10.38.090 Streets closed to vehicles.

A. No operator of any motor vehicle, except a sightseeing tram operating in such portion of Seaside Boulevard pursuant to a permit or franchise granted by the City therefor, shall drive, stand, or park such vehicle within or upon that portion of Seaside Boulevard between the westerly line of Magnolia Avenue and the easterly line of the Los Angeles River flood control channel.

B. Maple Way, between Olive Avenue and Alamitos Avenue, is closed to vehicular traffic. No person shall operate any such vehicle upon such thoroughfare.

C. California Avenue, between Bixby Road and Armando Drive, is closed to vehicular traffic Monday through Friday, between the hours of 8:00 a.m. and 7:00 p.m.

D. Repealed.

E. No person shall operate a motor vehicle on First Street between Pacific Avenue and Long Beach Boulevard, between the hours of 6:00 a.m. and 6:00 p.m., except for the following: (1) buses may use this portion of First Street at all times; (2) commercial vehicles specifically serving the businesses located along the south side of First Street between Pine Avenue and the Promenade North may traverse that portion of First Street between Pine Avenue and Long Beach Boulevard between the hours of 6:00 p.m. to 6:00 a.m. and between the hours of 9:00 a.m. to 4:00 p.m.; and (3) any vehicle may drive upon the portion of First Street between Pacific Avenue and Pine Avenue when to

do so is necessary to gain access to any private property vehicularly accessible only from that portion of First Street.

F. No person shall operate a motor vehicle on the Promenade North and the Promenade South between Seaside Way and Third Street, with the following exceptions:

1. Vehicles of three (3) axles or less may traverse and stop upon such right-of-way between the hours of 10:00 p.m. and 9:00 a.m. for the purpose of undertaking commercial loading or unloading activities.

2. Passenger carrying tram vehicles operated by the Long Beach Public Transportation Company may operate upon such right-of-way at any time.

G. First Street and Second Street between Cherry Avenue and Junipero Avenue is closed to through vehicular traffic between the hours of 10:00 p.m. and 5:00 a.m. (ORD-07-0059 § 1, 2007; Ord. C-7816 § 1, 2002; Ord. C-6636 § 1, 1989; Ord. C-6592 § 1, 1989; Ord. C-6543 § 1, 1988; Ord. C-6372 § 1, 1987; Ord. C-6337 § 1, 1987; Ord. C-6190 § 1, 1985; Ord. C-6074 § 1, 1984; Ord. C-5942 § 1, 1983; Ord. C-5809 § 1, 1982; Ord. C-5782 § 2, 1981; prior code § 3410.64)

10.38.100 Seasonal street closures.

A. It is found and determined that the public safety and general welfare require the closing to vehicular traffic of those portions of the public streets in the City enumerated in this Section, and such portions of said public streets are ordered closed each day between the hours of 9:00 a.m. and 5:00 p.m. during Easter vacation week and the periods between June 15 and September 15 of each year. The portions of the streets in the City which are so required to be closed to vehicular traffic as aforesaid are described as follows:

1. Bay Shore Avenue, between a line one hundred ten feet (110') south of the south line of Second Street and southwest line of Fifty-Fourth Place;

2. Fifty-Fourth Place, between the east line of Bay Shore Avenue and the prolongation of the north line east of the first alley north of Ocean Boulevard;

3. Division Street, between the west line of Bay Shore Avenue and a line eighty feet (80') west of said west line;

4. First Street, between the west line of Bay Shore Avenue and a line eighty feet (80') west of said west line.

B. No person, between the hours of 9:00 a.m. and 5:00 p.m. of any day during Easter week and between June 15th and September 15th of each year, shall drive, park or stand any motor vehicle in or upon those portions of the public streets enumerated in Subsection A of this Section.

C. The Chief of Police is authorized, and, as to those signs or barricades required under this Section it shall be his duty, to place and maintain, or cause to be placed and maintained, necessary signs and barricades to close the streets set forth in this Section. (Prior code § 3410.65)

10.38.110 Commercial vehicle parking on residential streets designated as truck routes.

No commercial vehicle exceeding a maximum gross weight of ten thousand (10,000) pounds shall park on any residential street which has been designated as a truck route when appropriate signs have been erected by the City Traffic Engineer giving notice thereof. The provisions of this Section shall have no application to a State highway or while such commercial vehicle is making pick-ups or deliveries of goods, wares and merchandise from or to any building or structure located on such restricted streets, or for the purpose of delivering materials to be used in the actual and bona fide repair, alteration, remodeling or construction of any building or structure on such restricted streets. (Ord. C-6433 § 1, 1987; Ord. C-6246 § 1, 1986: prior code § 3410.66)

10.38.111 Commercial vehicle parking on State highways located in residential areas.

No commercial vehicle exceeding a maximum gross weight of ten thousand (10,000) pounds shall park on any State highway abutted by residential land uses and which has been designated as

a truck route when appropriate signs giving notice thereof and the hours of applicability of such prohibition have been erected by the City Traffic Engineer. The provisions of this Section shall have no application while such commercial vehicle is making pickups or deliveries of goods, wares and merchandise from or to any building or structure located on such State highways, or for the purpose of delivering materials to be used in the actual and bona fide repair, alteration, remodeling or construction of any building or structure on such State highways. If the California Department of Transportation withdraws its approval of this Section by written notice, this Section shall be inoperative six (6) months after receipt of that notice by the City Council. (Ord. C-6722 § 1, 1990)

10.38.120 Reserved.

Editor's note—ORD-26-0022 § 3, adopted Aug. 18, 2026, repealed § 10.38.120, entitled "Use of Queen's Way Bridge restricted," which derived from Prior code § 3410.67.

10.38.130 Exclusive bus lanes.

No person shall operate a motor vehicle, other than a bus, within the areas and during the times specified by this Section, provided that signs or other official traffic-control devices are placed and maintained giving notice thereof; except that other vehicles may be operated in such areas while lawfully executing right turn movements therein or for the purpose of entering or leaving lawfully established parking spaces or loading zones therein:

A. The right-hand lane for southbound traffic on Long Beach Boulevard between First Street and Seventh Street, at all times;

B. The right-hand lane for northbound traffic on Pine Avenue between First Street and a point two hundred fifty feet (250') south of the south curb of Sixth Street, at all times. (Ord. C-5782 § 1, 1981; prior code § 3410.68)

10.38.140 Off-street parking—Exemption from parking fee.

A driver of a vehicle displaying veteran's license plates, as defined in Subsection 10.28.010.G, may park free of charge at any lot owned or operated by the City, subject to restrictions imposed by the State of California. (ORD-07-0003 § 3, 2007)

CHAPTER 10.40 TRUCK ROUTES

10.40.010 Establishment.

A. Whenever any provision of this Title designates and describes any street or portion thereof as a truck route, the Traffic Engineer is authorized to designate such street or streets by appropriate signs.

B. When any such truck route or routes are established and designated by appropriate signs, no operator of a commercial vehicle, as defined in California Vehicle Code Section 260, Subd. (a), exceeding a maximum unladen weight, as that term is defined in California Vehicle Code Sections 660 and 661, of three (3) tons shall operate or park, and no vehicle for hire or advertised for hire shall park, along any other route or routes. This Section shall not apply to pickup trucks as that term is defined in California Vehicle Code Section 471. Nothing in this Section shall prohibit such vehicle from coming from a truck route having ingress and egress by direct route to and from restricted streets when necessary for the purpose of making pickups or deliveries of goods, wares and merchandise from or to any building or structure located on such restricted streets, or the immediate loading and unloading of passengers, or from parking in designated areas such as taxi zones or bus zones, or for the purpose of delivering materials to be used in the actual and bona fide repair, alteration, remodeling or construction of any building or structure upon such restricted streets.

C. The provisions of this Section shall not apply to passenger buses under the jurisdiction of the public utilities commission; or any vehicle owned by a public utility while necessarily in use in the construction, installation or repair of any public utility; or trucks used for the transportation of explosives.

D. Those streets and portions of streets described in Section 10.40.030 are declared to be truck routes for the movement of commercial ve-

hicles exceeding a maximum gross weight of three (3) tons. (ORD-09-0006, § 1, 2009; ORD-07-0042 § 1, 2007; prior code § 3410.116)

10.40.020 Truck routes for transportation of explosives.

In accordance with the provisions of Section 31614 of the California Vehicle Code, no person shall operate any vehicle transporting explosives over any roadway in the City other than those designated by the Traffic Engineer or those for which a special permit has been approved by the Chief of the Fire Department of the City. (Prior code § 3410.118)

10.40.030 Enumerated.

A. For the purpose of Section 10.40.010, the following streets, and portions of streets, are truck routes:

1. Anaheim Street, from the west City limits to the Long Beach Freeway;

2. Bellflower Boulevard, from Pacific Coast Highway to the north City limits at Del Amo Boulevard;

3. Carson Street, from Cherry Avenue to the San Gabriel River, excluding those portions outside the City;

4. Cherry Avenue, from the north City limits to the northerly boundary of the City of Signal Hill, and from the southerly boundary of the City of Signal Hill to Pacific Coast Highway;

5. Lakewood Boulevard, from the north City limits to Los Alamitos Traffic Circle;

7. Ninth Street, from its westerly terminus to Long Beach Freeway;

8. Norwalk Boulevard, from the north City limits to the south City limits;

9. Pacific Coast Highway, from the west City limits to the east City limits;

10. Paramount Boulevard, from the north City limits to South Street;

11. Santa Fe Avenue, from the Pacific Coast Highway to Ninth Street;

12. Seaside Boulevard, from the west City limits to Ocean Boulevard;

13. Seventh Street from Pacific Coast Highway to the east City limits;

14. South Street, from Cherry Avenue to the east City limits;

15. Spring Street, from Long Beach Boulevard to the westerly boundary of the City of Signal Hill, and from the easterly boundary of the City of Signal Hill to the east City limits;

16. Willow Street, from the west City limits to the Terminal Island Freeway, and from the Long Beach Freeway to the I-405 Freeway;

17. Those roads within the Harbor District specified in Resolution No. HD-946 of the Board of Harbor Commissioners. (Ord. C-7037 § 1, 1992: Ord. C-6527 § 1, 1988; Ord. C-5822 §§ 1, 2, 1982; Ord. C-5806 § 1, 1982; Ord. C-5748 § 2, 1981; Ord. C-5638 § 2 (part), 1980; Ord. C-5546 § 2, 1979; Ord. C-5519 § 1, 1979; Ord. C-5359 § 1, 1977; Ord. C-5268 § 1 (part), 1976; prior code § 3410.125)

CHAPTER 10.41 USE OF STREETS BY OVERWEIGHT VEHICLES*

10.41.010 Definitions.

The following words and phrases, whenever used in this Chapter, shall be construed as defined in this Section:

A. "Designated streets" means those City streets or portions thereof (including streets or portions thereof within the Harbor District) that have been designated by the City Council and the Board of Harbor Commissioners (for streets within the Harbor District) by resolution as being open to travel by overweight vehicles pursuant to a special permit issued under the provisions of this Chapter.

B. "Director" means the Director of Public Works of the City of Long Beach, or his designee.

*__Note__—Prior ordinance history: Ord. C-7177 § 1 (part), 1994; Ord. C-7442 §§ 1, 2, 3, 4, 5, 6, 1996.

C. "Harbor District" means that portion of the City bounded on the north by Anaheim Street, on the east by the Los Angeles Flood Control Channel, on the south by the southerly limits of the City and on the west by the westerly limits of the City.

D. "Overweight vehicle" means a vehicle or combination of vehicles or various intermodal shipping equipment containing cargo of a nature which can be physically separated without affecting the cargo, the weight of which exceeds the maximum allowed by the California Vehicle Code. Ocean shipping equipment under the seal of United States Customs shall not be subject to the provisions of this Chapter.

E. "Person" means any natural person, firm, association, organization, partnership, corporation, public corporation, political subdivision or any department or agency thereof.

F. "Residential street" means a public or private right-of-way or portion thereof providing access to one (1) or more dwellings (as defined in Section 21.15.900 of this Code)

G. "Year" means calendar year commencing January 1 and ending the following December 31.

H. "Intermodal" means a type of international freight system that permits trans-shipping among sea, highway, rail, and air modes of transportation.

I. "Flatrack" means a portable, open-topped, open-sided unit that fits into existing intermodal container cells and provides the capability for container ships to carry oversized cargo. (ORD-10-0025, § 1, 2010; Ord. C-7850 § 1, 2003)

10.41.020 Special permit required.

No person shall operate or move an overweight vehicle upon City streets (including streets within the Harbor District) except pursuant to a special permit issued under the provisions of this Chapter. A special permit shall be required for each overweight vehicle to be moved or operated on City streets. (Ord. C-7850 § 1, 2003)

10.41.030 Designated streets.

A special permit will be issued for operation or movement of an overweight vehicle only upon streets and highways designated by the City Council and the Board of Harbor Commissioners (for streets within the Harbor District) by resolution. The Board of Harbor Commissioners may impose special conditions regarding the use of streets and highways within the Harbor District by an overweight vehicle when designating a street and highway within the Harbor District pursuant to this Section or at any time thereafter the Board of Harbor Commissioners shall determine that special conditions are necessary to assure against undue damage to road foundations, surfaces, bridges or other structures. (Ord. C-7850 § 1, 2003)

10.41.040 Authority to issue special permit.

The Director or his designee is authorized to issue special permits under this Chapter for either a single movement or on a yearly basis for continuous operations. Every permit issued for continuous operations shall expire on December 31 of the year for which issued. The Director may issue or withhold a special permit in his or her discretion or may issue a special permit conditioned upon any or all of the following:

A. The number of trips authorized.

B. Seasonal or other time limitations within which the overweight vehicle may be operated on the designated streets.

C. An undertaking or other security as may be deemed necessary to protect the City's streets and bridges from damage.

D. Required proof of financial responsibility in an amount required for compliance with California Vehicle Code Section 16500.5.

E. Such conditions of operation of the overweight vehicle as may be necessary to assure against undue damage to the road foundations, surfaces, bridges or other structures.

F. Potential negative safety or environmental impacts in the opinion of the City Traffic Engineer, Fire Marshall, or the Chief of Police. (ORD-10-0025, § 2, 2010; Ord. C-7850 § 1, 2003)

10.41.050 Application required.

A special permit will be issued only upon receipt of a signed and verified application describ-

ing the vehicle and load, including weight, and stating whether the special permit is requested for a single trip or for continuous operations. Each application shall be accompanied with a fee as determined by the Director and approved by the City Council. (Ord. C-7850 § 1, 2003)

10.41.060 Special permit conditions.

Every special permit issued pursuant to this Chapter shall provide the following:

A. The maximum allowable gross combined vehicle weight to be permitted may not exceed the maximum allowed by the California Vehicle Code with appropriate equipment.

B. Special permits shall be issued for the movement of intermodal shipping equipment only.

C. Each person to whom a special permit is issued shall agree to defend and indemnify City, its boards, officers and employees from any and all damages, costs and expenses sustained or incurred by City, its boards, officers and employees resulting from or arising out of the issuance of a special permit and the use of City streets whether designated or nondesignated. Each such person shall further agree to be responsible for all injuries or death of persons and for all damages to property of every kind caused by or resulting from or arising out of this issuance of a special permit and the use of City streets, whether designated or nondesignated.

D. No detour from a permitted route may be made without prior permission of the Director or his designee. No route (whether permitted or detour) shall be on residential streets. Nothing contained in this Chapter shall prohibit an overweight vehicle for which a special permit has been issued from operating or moving upon a nondesignated street to a designated street by the most direct route when necessary for the purpose of picking up or delivering an ocean shipping container.

E. Every overweight vehicle permitted under this Chapter and each special permit issued pursuant hereto shall be subject to inspection by the Director or his designee and any peace officer at any time it is on a City street within the limits of the City for the purpose of determining compliance with the provisions of the special permit.

F. As a condition precedent to the issuance of a special permit, the applicant shall furnish the Director evidence that each driver of an overweight vehicle shall have completed training in the operation of an overweight vehicle.

G. The person to whom a special permit is issued shall furnish evidence satisfactory to the Director that the overweight vehicle has undergone a safety inspection by a governmental agency having jurisdiction within ninety (90) days preceding the issuance of the special permit and at least once each ninety (90) days during the permit period.

H. Each person to whom a special permit is issued shall at all times comply with all laws, ordinances, rules and regulations of all federal, State and local governmental authorities having jurisdiction over the operation and maintenance of the overweight vehicle. (ORD-10-0025, § 3, 2010; Ord. C-7850 § 1, 2003)

10.41.070 Revocation of permit.

The Director shall revoke all continuous operation special permits issued to a person, if the person, his employee or agent shall violate any two (2) special permit conditions or violate the same special permit condition on two (2) occasions within any ninety (90) day period. No special permit shall be issued to a person whose special permit has been revoked pursuant to this Section for ninety (90) days following such revocation. Nothing contained in this Chapter shall be deemed or construed as limiting the power of a peace officer to issue a citation for or otherwise enforce violations of law with respect to operation of an overweight vehicle upon designated City streets upon discovery of a violation of a condition of a special permit. (Ord. C-7850 § 1, 2003)

10.41.080 Rules and regulations.

The Director or his designee may adopt, repeal, amend and modify administrative regulations implementing the provisions of this Chapter,

including, but not limited to, operating requirements, trailer requirements, driver requirements, and any other matter deemed necessary for the effective administration of this Chapter. (ORD-10-0025, § 4, 2010; Ord. C-7850 § 1, 2003)

10.41.090 Display and special permit.

No overweight vehicle shall be operated or moved upon designated streets without displaying a placard approved by the Director identifying the overweight vehicle as one for which a special permit has been issued pursuant to this Chapter. A copy of the special permit shall at all times be kept in the overweight vehicle and shall be presented to any peace officer upon demand. (Ord. C-7850 § 1, 2003)

10.41.100 Other permits.

A special permit issued pursuant to this Chapter shall be in addition to and obtained prior to applying for any other permit which may be required by law for the operation or movement of an overweight vehicle upon public streets. (Ord. C-7850 § 1, 2003)

CHAPTER 10.42 DRIVING ON FLOOD CONTROL STRUCTURES

10.42.010 Driving on flood control structures prohibited.

No person shall drive or permit to be driven any motor vehicle into or upon any levee, flood control channel or other right-of-way within the City which is owned, operated or under the control of either the Los Angeles County Flood Control District or the Corps of Engineers of the United States Army. (Prior code § 3410.6(a))

10.42.020 Exemption.

This Chapter shall not apply to the vehicles owned or in the service of the Corps of Engineers of the United States Army, the County Flood Control District or those of any duly constituted law enforcement agency. Further, it shall not apply to any vehicle operated under specific written authorization of the Corps of Engineers of the United States Army, the County Flood Control District or the City. (Prior code § 3410.6(b))

10.42.030 Highways excluded.

This Chapter shall not apply to the driving or operating of a motor vehicle on the main traveled portion of any public highway. (Prior code § 3410.6(c))

CHAPTER 10.44 WHITE CANES*

10.44.010 Use restricted.

No person, except persons wholly or partially blind, shall carry or use on the public streets of the City any canes or walking sticks which are white in color, or white with red end or bottom. Such canes or walking sticks may be used on the streets and other public places of the City by persons wholly or partially blind as a means of protecting them and for the purpose of identifying them by drivers of vehicles, operators of motor driven vehicles and other pedestrians with whom they come in contact on such streets and public places. (Prior code § 3460)

10.44.020 Duties of drivers and pedestrians.

Any driver of a vehicle, operator of a motor driven vehicle, or pedestrian who is not wholly or partially blind who approaches or comes in contact with a person wholly or partially blind carrying a cane or walking stick white in color, or white with red end, shall immediately come to a full stop and take such precautions before proceeding as may be necessary to avoid accident or injury to the person so carrying a white cane or walking stick. (Prior code § 3460.1)

CHAPTER 10.46 ABANDONED VEHICLES†

10.46.010 Declared nuisance.

In addition to and in accordance with the determination made and the authority granted by

*__State law reference__—Provisions on the use of white canes, Veh. C. § 21963 et seq.

†__State law reference__—Provisions on local ordinances on abandoned vehicles, Veh. C. § 22660.

the State under Section 22660 of the California Vehicle Code to remove abandoned, wrecked, dismantled or inoperative vehicles or parts thereof as public nuisances, the City Council makes the following findings and declarations:

The accumulation and storage of abandoned, wrecked, dismantled or inoperative vehicles or parts thereof on private or public property, not including highways, is found to create a condition tending to reduce the value of private property, to promote blight and deterioration, to invite plundering, to create fire hazards, to constitute an attractive nuisance, creating a hazard to the health and safety of minors, to create a harborage for rodents and insects and to be injurious to the health, safety and general welfare. Therefore, the presence of an abandoned, wrecked, dismantled or inoperative vehicle, or parts thereof, on private or public property, not including highways, except as expressly permitted in this Chapter, is declared to constitute a public nuisance which may be abated as such in accordance with the provisions of this Chapter. (Prior code § 3410.300)

10.46.020 Definitions.

The following words and phrases, when used in this Chapter, shall for the purpose of this Chapter have the meanings respectively ascribed to them in this Chapter, as follows:

A. "Highway" means away or place of whatever nature, publicly maintained and open to the use of the public for purposes of vehicular travel. Highway includes street.

B. "Owner of the land" means the owner of the land on which the vehicle, or parts thereof, is located, as shown on the last equalized assessment roll.

C. "Owner of the vehicle" means the last registered owner and legal owner of record.

D. "Public property" does not include "highway".

E. "Vehicle" means a device by which any person or property may be propelled, moved, or drawn upon a highway, except a device moved by human power or used exclusively upon stationary rails or tracks. (Prior code § 3410.301)

10.46.030 Exemptions.

This Chapter shall not apply to:

A. A vehicle, or parts thereof, which is completely enclosed within a building in a lawful manner where it is not visible from the street or private property; or

B. A vehicle, or parts thereof, which is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler, licensed vehicle dealer, a junk dealer, or when such storage or parking is necessary to the operation of a lawfully conducted business or commercial enterprise.

Nothing in this Section shall authorize the maintenance of a public or private nuisance as defined under provisions of law other than Chapter 10 (commencing with Section 22650) of Division 11 of the California Vehicle Code and this Chapter. (Prior code § 3410.302)

10.46.040 Regulations nonexclusive.

This Chapter is not the exclusive regulation of abandoned, wrecked, dismantled or inoperative vehicles within the City. It shall supplement and be in addition to the other regulatory codes, statutes, and ordinances heretofore or hereafter enacted by the City, the State or any other legal entity or agency having jurisdiction. (Prior code § 3410.303)

10.46.050 Administration and enforcement.

Except as otherwise provided in this Chapter, the provisions of this Chapter may be administered and enforced by the Building Official, the Director of Public Works or any other City official designated by the City Manager. In the enforcement of this Chapter, such official and his deputies may enter upon private or public property to examine a vehicle or parts thereof, or obtain information as to the identity of a vehicle and to remove or cause the removal of a vehicle or parts thereof declared to be a nuisance pursuant to this Chapter. (Ord. C-6114 § 1 (part), 1984; prior code § 3410.304)

10.46.060 Towing contractor authority.

When the City has contracted with or granted a franchise for vehicle towing services, such person

or persons shall be authorized under direction of the designated official to enter upon private or public property and remove or cause the removal of a vehicle or parts thereof declared to be a nuisance pursuant to this Chapter. (Ord. C-6114 § 1, (part), 1984; prior code § 3410.305)

10.46.070 Removal—Required.

Upon discovering the existence of an abandoned, wrecked, dismantled or inoperative vehicle, or parts thereof, on private or public property within the City, the designated official shall have the authority to cause the abatement and removal thereof in accordance with the procedure prescribed in this Chapter. (Ord. C-6114 § 1 (part), 1984; prior code § 3410.306)

10.46.080 Removal—Notice to property and vehicle owner.

A ten (10) day notice of intention to abate and remove the vehicle, or parts thereof, as a public nuisance shall be posted on the vehicle or property mailed by certified mail to the owner of the land as shown on the latest equalized assessment roll and mailed by certified mall to the owner of the vehicle, unless the vehicle is in such condition that identification numbers are not available to determine ownership. If the owner of the property, vehicle or parts thereof is not of record, posting the vehicle or property shall suffice. The notices of intention shall be in substantially the following forms:

NOTICE OF INTENTION TO ABATE AND REMOVE AN ABANDONED, WRECKED, DISMANTLED, OR INOPERATIVE VEHICLE OR PARTS THEREOF AS A PUBLIC NUISANCE

(Name and address of owner of the land)

As owner shown on the latest equalized assessment roll of the land located at (address), you are notified that the undersigned, pursuant to Chapter 10.46 of the Long Beach Municipal Code, has determined that there exists upon this land an (or parts of an) abandoned, wrecked, dismantled or inoperative vehicle registered to _____, license number _____, which constitutes a public nuisance pursuant to the provisions of Chapter 10.46 of the Long Beach Municipal Code.

You are notified to abate this nuisance by the removal of this vehicle (or parts of a vehicle) within ten (10) days from the date of mailing of this notice. If you fail to do so, the vehicle will be removed by the City of Long Beach with the costs becoming a lien upon your property.

As owner of the land on which this vehicle (or parts of a vehicle) is located, you are notified that you may, within ten (10) days after the date of mailing of this Notice of Intention, request a public hearing. If such a request is not received by the designated official within such ten (10) day period, the designated official shall have the authority to abate and remove the vehicle (or parts of a vehicle) as a public nuisance without a public hearing. You may appear in person at any hearing requested by you or the owner of the vehicle, or, in lieu of appearing, may present a sworn written statement, provided it is received in time for consideration at the hearing, setting forth the reasons why the nuisance should not be abated by removal of the vehicle.

NOTICE OF INTENTION TO ABATE AND REMOVE AN ABANDONED, WRECKED, DISMANTLED, OR INOPERATIVE VEHICLE OR PARTS THEREOF AS A PUBLIC NUISANCE

(Name and address of last registered and/or legal owner of record of vehicle-notice should be given to both if different)

As the last registered (and/or legal) owner of record of (description of vehicle-make, license, etc.), you are notified that the undersigned pursuant to Chapter 10.46 of the Long Beach Municipal Code has determined that the vehicle (or parts of a vehicle) exists as an abandoned, wrecked, dismantled or inoperative vehicle at (described location on public or private property) and consti-

tutes a public nuisance pursuant to the provisions of Chapter 10.46 of the Long Beach Municipal Code.

You are notified to abate the nuisance by the removal of this vehicle (or parts of a vehicle) within ten (10) days from the date of mailing of this notice.

As registered (and/or legal) owner of record of this vehicle (or parts of a vehicle), you are notified that you may, within ten (10) days after the date of mailing of this Notice of Intention, request a public hearing. If such a request is not received by the designated official within such ten (10) day period, the designated official shall have the authority to abate and remove or cause the removal of the vehicle (or parts of a vehicle) as a public nuisance without a hearing.

Notice Mailed: _____/_____

Date — Signature— Designated Official

(Ord. C-6606 § 1, 1989; Ord. C-6114 § 1 (part), 1984; prior code § 3410.307)

10.46.090 Removal—Hearing.

A. Upon a timely request by the owner of the vehicle or owner of the land, a public hearing shall be held by the Board of Examiners, Appeals and Condemnation on the question of abatement and removal of the vehicle or parts thereof as an abandoned, wrecked, dismantled or inoperative vehicle. The designated official shall mail a notice of the hearing by certified mail, at least ten (10) days before the hearing to the owner of the land and to the owner of the vehicle, unless the vehicle is in such condition that identification numbers are not available to determine ownership.

B. If such a request for hearing is not received within said ten (10) days after the date of mailing of the notice of intention to abate and remove, the City shall have the authority to abate and remove or cause the removal of the vehicle or parts thereof as a public nuisance without holding a public hearing.

C. All hearings under this Chapter shall be held before the Board of Examiners, Appeals and Condemnation which shall hear all facts and testimony it deems pertinent. Said facts and testimony may include testimony on the condition of the vehicle or parts thereof and the circumstances concerning its location on the private or public property. The Board shall not be limited by the technical rules of evidence. The owner of the land and the owner of the vehicle may appear in person at the hearing or submit a sworn written statement in time for consideration at the hearing on the question of abatement and removal of the vehicle or parts thereof as an abandoned, wrecked, dismantled or inoperative vehicle.

D. The Board of Examiners, Appeals and Condemnation may impose such conditions and take such other action as it deems appropriate under the circumstances to carry out the purpose of this Chapter. It may delay the time for removal of the vehicle or parts thereof if, in its opinion, the circumstances justify it. At the conclusion of the public hearing, the Board of Examiners, Appeals and Condemnation may find that a vehicle or parts thereof have been abandoned, wrecked, dismantled, or is inoperative on private or public property and order the same removed from the property as a public nuisance and disposed of as provided in this Chapter. The order requiring removal shall include a description of the vehicle or parts thereof and the correct identification number and license number of the vehicle, if available, at the site. The decision of the Board of Examiners, Appeals and Condemnation shall be final.

E. If the owner of the land or the vehicle does not appear at the hearing, or if an interested party makes a written presentation to the Board but does not appear, he shall be notified in writing of the decision. (Ord. C-7098 § 10, 1993; Ord. C-6114 § 1 (part), 1984; prior code § 3410.308)

10.46.100 Removal—Authorized when.

Five (5) days after adoption of the order declaring the vehicle or parts thereof to be a public nuisance or five (5) days from the date of mailing of notice of the decision, if such notice is required by this Chapter, the vehicle or parts thereof may be disposed of by removal to a scrapyard or auto-

mobile dismantler's yard. (ORD-16-0028 § 4, 2016; Prior code § 3410.309)

10.46.110 Removal—Notice to State.

Within five (5) days after the date of removal of the vehicle or parts thereof, notice shall be given to the Department of Motor Vehicles identifying the vehicle or parts thereof removed. At the same time there shall be transmitted to the Department of Motor Vehicles any evidence of registration available, including registration certificates, certificates of title and license plates. (Prior code § 3410.310)

10.46.120 City removal—Authorized.

If any owner served with a notice to remove a vehicle fails to remove the vehicle from his lot within the time stated in the notice, or order of the Board of Examiners, Appeals and Condemnation after appeal, he shall be deemed to have consented to such removal by the Building Official who shall then be authorized, and it shall be his duty, to enter upon the lot involved and remove the vehicle. (Ord. C-6606 § 2 (part), 1989)

10.46.121 Owner's responsibility for enforcement costs.

If any owner served with a notice to remove a vehicle fails to remove the vehicle from his lot within the time stated in the notice, or order of the Board of Examiners, Appeals and Condemnation after appeal, all incidental enforcement costs incurred by the City in connection therewith shall be charged to and become an indebtedness of the owner of the land as well as a lien upon the affected property whether or not the vehicle is later removed by the City, the owner or by others, except as provided below. "Incidental enforcement costs" include, but are not limited to, the actual expenses and costs of the City in investigating the property, obtaining title information, preparing notices, and performing inspections. Incidental enforcement costs shall not be charged to, nor become an indebtedness of, a property owner who is head of a low-income household (defined to be a household earning less than eighty percent (80%) of the County median income). (Ord. C-7098 § 18, 1993)

10.46.130 City removal of vehicle—Levy computation.

The Building Official shall, after completing the removal of a vehicle from any lot or whenever the work was accomplished by the owner after the established deadline, compute all expenses so incurred by the City in connection with the removal, including the applicable processing fees as set forth by City Council resolution and all incidental enforcement costs. All expenses shall be charged to and become an indebtedness of the owner of such premises, except that incidental enforcement costs shall not be included in the levy for a property owned by a head of a low-income household (defined to be a household earning less than eighty percent (80%) of the County median income). (Ord. C-7098 § 11, 1993; Ord. C-6606 § 2 (part), 1989)

10.46.140 City removal of vehicle—Payment notice.

Upon computing the expenses, the Building Official shall serve upon the owner of the property, as determined from the current assessment roll, and in the same manner as provided for service of the notice to remove vehicle, a notice to pay vehicle removal levy (sometimes referred to in this Chapter as notice to pay), which notice shall be in substantially the following form:

NOTICE TO PAY VEHICLE REMOVAL LEVY

In accordance with the provisions of Chapter 10.46 of the Long Beach Municipal Code, the Building Official has caused the abandoned, wrecked, dismantled or inoperative vehicle registered to _____ and having license number _____ located on property at _____

_____

_____
(legal)
AKA_____
(address)

To be removed at City expense.

You are notified that the total costs of _____ are now due and payable to the City of Long Beach.

Section 10.46.150 of the Long Beach Municipal Code provides, in part, that the property owner or any person having an interest in the matter may demand a hearing within fifteen (15) days of this notice before the Board of Examiners, Appeals and Condemnation on the reasonableness of the charges. Such demand shall be in writing, flied with the Building Official and shall describe the property involved, the reasons for objecting, the name, address and interest of the applicant.

If no hearing is demanded, this payment shall become delinquent thirty (30) days from this notice and a lien for that amount, plus a fee for preparation of the lien shall be attached to the affected property and thereafter bear interest at the rate of twelve percent (12%) per annum until paid. An additional fee will be incurred if that payment is not received before the end of the fiscal year (June 30th) and transfer of collection to the Tax Collector becomes necessary. (Ord. C-6606 § 2 (part), 1989)

10.46.150 Hearing on charges.

A. Within fifteen (15) days from the date of the notice to pay, the property owner, or any person having an interest in the matter may demand a hearing on the reasonableness of such charges. The demand shall be in writing and filed with the Building Official. It shall describe the property involved, the reasons for objecting, and the address of the applicant for service of notices in connection with such hearing.

B. The Building Official shall set a date for hearing such protest by the Board of Examiners, Appeals and Condemnation within a reasonable time. The Building Official shall send written notice of such hearing to the person whose name appears on the current equalized assessment roll as the owner of the premises involved. Such service may be made either by personal delivery of the notice or by depositing it in the United States mail, postage prepaid, as certified, first class mail, return receipt requested, addressed to the owner at the most recent address appearing on the assessment roll, or if no address appears on the roll, such service may be made by posting the notice in a conspicuous place upon the property. Proof of the service of the notice shall be made by affidavit of the person making the service, and the affidavit shall be sufficient for all purposes.

C. At the time set for such hearing, the Board shall hear all evidence pertinent to the reasonableness of such charges and shall then either confirm or modify the charges. The decision of the Board shall be final.

D. A copy of the Board′s determination shall be served by mail upon the owner of the affected premises. Service shall be completed at the time of its deposit in a receptacle maintained by the United States Postal Service, with postage fully prepaid. (Ord. C-6606 § 2 (part), 1989)

10.46.160 Interest on charges.

If the amount of the charges as determined by the Board of Examiners, Appeals and Condemnation has not been paid within thirty (30) days of its decision, the payment shall become delinquent and a lien against the real property, and the amount so determined shall thereafter bear interest at the rate of twelve percent (12%) per annum until paid. If no hearing is demanded on the reasonableness of the charges, the payment shall become delinquent and a lien against the real property thirty (30) days after the notice of the charge for abatement is served by the Building Official; and such amount shall thereafter bear interest at the rate of twelve percent (12%) per annum until paid. (Ord. C-6606 § 2 (part), 1989)

10.46.170 Transfer of collection.

The Building Official shall certify a list of all delinquent charges for vehicle removal or nuisance abatement to the City Treasurer who shall submit the list to the City Council for confirmation. Each

parcel of property shall be described sufficiently to identify it in accordance with the records of the County Tax Collector. The amount of the charges including such interest as has accrued after the delinquent date to July 1st of the year shall be set forth opposite the description by the City Treasurer. (Ord. C-6606 § 2 (part), 1989)

10.46.180 Method of collection.

Upon receipt of the list, the County Tax Collector shall enter the charges shown thereon for each parcel of property upon the current tax roll and shall proceed to collect the charges in the same manner as ad valorem taxes, and penalties and interest for nonpayment thereafter shall attach as though the amounts were ad valorem taxes; provided, however, that no receipt for payment of ad valorem taxes appearing upon the tax roll as against a particular parcel shall be issued unless all such charges for collection for lot cleaning, vehicle removal, correction of substandard conditions or nuisance abatement, and penalties thereon, entered upon that tax roll against the lot are first paid in full. (Ord. C-6606 § 2 (part), 1989)

10.46.190 Tax—Sold property.

Upon the sale of any lot to the State for nonpayment of taxes, all charges for lot cleaning, vehicle removal, correction of substandard conditions or nuisance abatement for the parcel appearing upon the tax roll, together with the penalties thereon, shall be added to and become a part of the same delinquent tax record. (Ord. C-6606 § 2 (part), 1989)

10.46.200 Tax—Sold property—Redemptions.

No certificate of redemption from sale for delinquent taxes shall be issued until all charges for lot cleaning, vehicle removal, correction of substandard conditions and nuisance abatement, and penalties entered on the delinquent tax records against the property involved, have first been paid in full. (Ord. C-6606 § 2 (part), 1989)

10.46.210 Error correction—Assessment cancellation.

A. The Building Official may, prior to certifying any unpaid charges to the City Treasurer, correct any errors with respect to such levies appearing upon his records.

B. After such levies have been certified to the City Treasurer and confirmed by the City Council, the Council, by order entered on its minutes, may cancel any charges for lot cleaning, vehicle removal, correction of substandard conditions or nuisance abatement, or penalty, or any portion of such charges or penalty appearing on the tax records, which, because of error, is charged against the wrong property, or which has been paid but such payment has not been recorded upon the tax records, or which is based upon a clerical error in such records, or which was charged against property acquired subsequent to the lien date by the United States, by the State, or any City, or any school district or other political subdivision and, because of this public ownership, not subject to sale for delinquent assessment. (Ord. C-6606 § 2 (part), 1989)

CHAPTER 10.48 BICYCLES*

10.48.010 Bicycle defined.

A. A bicycle is every device propelled by human power which any person may ride, having two (2) tandem wheels either of which is twenty inches (20") or more in diameter.

B. The term "bicycle" also includes all classes of electric bicycle or "e-bike" defined in California Vehicle Code section 312.5. (ORD-26-0022 § 1, 2026; Prior code § 3410.200)

10.48.020 Traffic laws applicable.

Every person riding a bicycle upon a roadway or sidewalk shall be subject to the provisions of this Title applicable to the driver of a vehicle, except as to provisions which by their nature can have no application, and such person shall also comply with the special bicycle regulations contained in the Chapter. (Prior code § 3410.201)

10.48.030 Emerging from alley, driveway or building.

The operator of a bicycle emerging from an alley, driveway or building shall, upon approach-

***State law reference**—Provisions on bicycles, Veh. C. § 21200 et seq.

ing a sidewalk or the sidewalk area extending across any alleyway, yield the right-of-way to all pedestrians approaching on the sidewalk or sidewalk area, and upon entering the roadway shall yield the right-of-way to all vehicles approaching on the roadway. (Prior code § 3410.202)

10.48.040 Riding in a group.

Persons operating bicycles upon a roadway shall not ride more than two (2) abreast, except on paths or parts of roadways set aside for the exclusive use of bicycles. (Prior code § 3410.203)

10.48.050 Parking.

No person shall park a bicycle upon a street other than upon the roadway against the curb or upon a sidewalk in a rack to support the bicycle or against a building or at the curb in such manner as to afford the least obstruction to pedestrian traffic. (Prior code § 3410.204)

10.48.060 Path use.

Whenever a usable path for bicycles has been provided adjacent to a roadway, bicycle riders shall use such path and shall not use the roadway. Notwithstanding the foregoing, no person other than an authorized City employee or representative shall use, or enter upon, that portion of the Mark Bixby Memorial Bicycle-Pedestrian Path located within the Harbor District, including its Ocean Boulevard, Pico Boulevard and Terminal Island approaches between the hours of 9:00 p.m. and 5:00 a.m. Moreover, in addition to the prohibitions set forth in Chapters 10.51.030, 10.52.040 and 10.54.040, the use of scooters on the Mark Bixby Memorial Bicycle-Pedestrian Path is prohibited at all times. (ORD-23-0016 § 1, 2023; Prior code § 3410.205)

10.48.070 Riding on sidewalks.

A. No person shall ride a bicycle upon a sidewalk within any business district; upon the sidewalks of bridges; in pedestrian underpasses; on pedestrian overpasses; upon sidewalks adjacent to any school building, church, recreation center, playground, or senior citizens' residential development; within the area south of Ocean Boulevard between the Long Beach Museum of Art on the west and Bluff Park on the east; on the northerly side of the Downtown Marina mole which directly abuts said marina, between Gangway A and Gangway P.

B. No person shall ride a Class 3 electric bicycle upon any sidewalk.

C. Any person riding a bicycle upon a sidewalk shall yield the right-of-way to any pedestrian, and when overtaking and passing a pedestrian, shall give an audible signal and shall pass to the left of the pedestrian only under conditions permitting such movement in safety.

D. The speed limit for bicycles on a sidewalk is fifteen (15) miles per hour unless otherwise posted. The speed limit where pedestrians are present is five (5) miles per hour. Signs specifying the speed limit shall be placed by the Traffic Engineer in locations which will provide notice to significant concentrations of sidewalk bicycle riders or where bicycle speed problems are found to exist on sidewalks.

E. For the purpose of this Section, the following public ways shall be considered sidewalks:

1. Seaside Walk south of Ocean Boulevard between Fifty-Fifth Place and Sixty-Ninth Place, known as the Boardwalk;

2. Bay Shore Walk north of Ocean Boulevard between Fifty-Fifth Place and Sixty-Ninth Place.

F. This Section shall not apply to a bicycle operated by any officer employed by the City while acting within the course and scope of his or her employment, having peace officer powers pursuant to Penal Code Section 830 or are employed in positions as provided under Sections 16.16.080, 16.08.340 and 16.08.341 of the Long Beach Municipal Code. (ORD-26-0022 § 2, 2026; Ord. C-7453 § 1, 1997; Ord. C-7210 § 1, 1994: Ord. C-7204 § 1, 1994; Ord. C-7084 § 1, 1993: Ord. C-6883 § 1, 1991; Ord. C-6322 § 1, 1986; Ord. C-5911 § 1, 1982; Ord. C-5678 § 1, 1981; prior code § 3410.206)

10.48.080 Signaling device required.

No person shall operate a bicycle upon a sidewalk unless it is equipped with a bell, horn or other device capable of giving a signal audible for a distance of at least one hundred feet (100'), except that a bicycle shall not be equipped with, nor shall any person use upon a bicycle, any siren or whistle. (Ord. C-6322 § 2, 1986)

10.48.090 Penalty.

Violation of any provision of this Chapter is an infraction punishable by a fine not to exceed one hundred dollars ($100.00). (Ord. C-6322 § 3, 1986)

10.48.100 Signs.

Whenever any provision of this Chapter prohibits the riding of bicycles, the Traffic Engineer shall have the authority to erect and maintain signs giving notice thereof in the area where such prohibition is in effect. (Ord. C-6883 § 2, 1991)

10.48.110 Repealed.

Editor's note—ORD-26-0022 § 4, adopted Aug. 18, 2026, repealed § 10.48.110, which pertained to "prohibited areas" for bicycle riding and derived from Ord. C-7281 § 3, 1994.

CHAPTER 10.49 PROHIBITION ON REPAIRS AND SALES OF BICYCLES AND BICYCLE PARTS ON PUBLIC PROPERTY

10.49.010 Repairs and sales on public property prohibited.

Except where otherwise stated in this Chapter, no person shall assemble, disassemble, sell, offer to sell, distribute, offer to distribute, or store the following items on any street, sidewalk, alley, public passageway, public right-of-way, public beach, public park, or other public property within the City:

A. Three (3) or more bicycles;

B. A bicycle frame with the gear cables or brake cables cut;

C. Two (2) or more bicycles with missing parts (the term "parts" shall mean handlebars, wheels, forks, pedals, cranks, seats, or chains); or

D. Five (5) or more bicycle parts. (ORD-18-0027 § 1, 2018)

10.49.020 Exceptions.

The prohibition contained in Section 10.49.010 of this Chapter shall not apply in any of the following situations:

A. An individual is operating under a valid City of Long Beach License or Permit authorizing such activities.

B. The owner of a bicycle or bicycle part is present during the repair of his or her single bicycle or bicycle part. Supporting evidence for a claim of lawful ownership may include, but is not limited to, video or photographic evidence, a bill of sale, the correct serial number, bicycle registration, and the like. (ORD-18-0027 § 1, 2018)

10.49.030 Severability.

If any section, subsection, sentence, clause, phrase, or word of this Chapter 10.49, or any application thereof to any person or circumstance, is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability. (ORD-18-0027 § 1, 2018)

CHAPTER 10.50 BICYCLE REGISTRATION*

10.50.010 Definitions.

"Bicycle" means and includes any device upon which a person may ride which is propelled by human power through a system of belts, chains, or gears and which has wheels at least twenty inches (20") in diameter and a frame size of at least

***Editor's note—**ORD-11-0007, § 1, adopted Feb. 15, 2011, amended Ch. 10.50, in its entirety to read as herein set out. Former Ch. 10.50, §§ 10.50.010—10.50.110, was entitled "Bicycle Registration", and derived from: Prior Code, §§ 6100.230—6100.240; ORD-06-0039, § 3, 2006; and ORD-10-0014, §§ 17, 18, 2010.

fourteen inches (14"). (ORD-11-0007, § 1, 2011)

10.50.020 Destruction or alteration prohibited.

No person shall willfully or maliciously remove, destroy, mutilate or alter the serial number on any bicycle, except in the event that the bicycle is dismantled and no longer operated upon any streets in this City; provided, however, that nothing in this Section shall prohibit the Police or Fire Chief from numbering frames or bicycles on which no serial number is legible or which serial number is insufficient for identification purposes. (ORD-11-0007, § 1, 2011)

10.50.030 Dealer reports.

Every person engaged in the business of buying, trading or selling secondhand bicycles shall daily make a written report to the Chief of Police, upon forms provided for that purpose by the Police Department, of every bicycle purchased, traded or sold by such dealer during the past twenty-four (24) hours, giving the name and address of the person from whom purchased or traded, or to whom sold, a description of such bicycle by name and make, and the frame number thereof. (ORD-11-0007, § 1, 2011)

10.50.040 Enforcement.

The Chief of Police and his or her representatives and the licensing agency are granted all authority to enforce and carry out the provisions of this Chapter pursuant to the provisions included in the California Vehicle Code and all other laws of the State. (ORD-11-0007, § 1, 2011)

CHAPTER 10.51 ELECTRICALLY MOTORIZED BOARDS

10.51.010 Definition.

"Electrically motorized board" ("EMB") shall mean any wheeled device that has a floorboard designed to be stood upon when riding that is not greater than 60 inches (60") deep and 18 inches (18") wide, is designed to transport only one (1) person and has an electric propulsion system averaging less than one thousand (1,000) watts, the maximum speed of which, when powered solely by a propulsion system on a paved level surface, is no more than twenty (20) miles per hour. The device may be designed to also be powered by human propulsion. For the purposes of this Chapter, EMBs shall not include "electric personal assistive mobility devices" defined as self-balancing, two (2) non-tandem wheeled devices designed to transport one (1) person by means of an electric propulsion system, also known as "Segways," defined in California Vehicle Code section 313. (ORD-16-0004 § 1, 2016)

10.51.020 Prohibited—Sign posting.

Whenever any provision of this Chapter designates and describes any street, alley or sidewalk, or any portion thereof, as an area where the operation of EMBs is prohibited, the Traffic Engineer shall place and maintain signs giving notice thereof on each and every street, alley or sidewalk, or portion thereof, which constitutes an entrance to the area which has been so designated. (ORD-16-0004 § 1, 2016)

10.51.030 Prohibited—Designated areas.

No person shall operate, drive or cause to be propelled an EMB on any street, alley or sidewalk, or portion thereof, in any business district, as defined in California Vehicle Code section 235, which has been designated as an area where operation of EMBs is prohibited. (ORD-16-0004 § 1, 2016)

10.51.040 Use of EMBs by persons with disabilities.

The provisions of this Chapter shall not apply to EMBs used as mobility aids designed for use by persons with disabilities. (ORD-16-0004 § 1, 2016)

10.51.050 Prohibited—Areas enumerated.

The City Council, having made a finding that the operation of EMBs on the following streets, alleys or sidewalks, or portion thereof, will create a hazard to persons or property, determines and

declares said streets, alleys or sidewalks, or portions thereof, as areas where the operation of EMBs is prohibited:

A. East Second Street, between the intersection of Second Street and Livingston Drive and Naples Plaza, including the entire portion of the roadway and the entire width of both the north and south sidewalk, except the entire width of the north sidewalks between the east curb of Bay Shore and San Marco;

B. The Belmont Pier Plaza located at the foot of Belmont Pier;

C. The east-west pedestrian walkway designated as Allin Street between the southerly projection of Thirty-Ninth Place on the west and the southerly projection of Termino Avenue on the east;

D. The Belmont Pier Plaza parking lot located on the beach southerly of Allin Street between Belmont Pier on the west and the southerly projection of Termino Avenue on the east;

E. Midway Street between Thirty-Ninth Place on the west and Termino Avenue on the east including the entire portion of the roadway and the entire width of both the north and south sidewalks;

F. West sidewalk of Termino Avenue between Ocean Boulevard on the north and the westerly projection of the south side of Olympic Plaza on the south;

G. The sidewalks adjacent to Belmont Plaza Pool on the north, south, east and west sides;

H. The street and sidewalks at the end of Plaza Way, between Vista del Golfo and Corso di Oro, adjacent to Look-Out Park;

I. Within the civic center plaza or within Lincoln Park, which together include all areas bounded by the west right-of-way line of Pacific Avenue, the north right-of-way line of Ocean Boulevard, the west right-of-way line of the vacated Chestnut Avenue right-of-way, and the south right-of-way line of Broadway;

J. Within all areas known as The Promenade South and The Promenade North, between Shoreline Drive and Third Street, including the bridges over Seaside Way and Shoreline Drive, and the plaza areas surrounding the children's fountain;

K. Within all portions of the Long Beach Convention and Entertainment Center site, including sidewalks, other pedestrian assembly areas, driving aisles, parking lots and parking structures;

L. South side of Fourth Street between Cherry Avenue and Junipero Avenue and the north side of Fourth Street between Cherry Avenue and Rose Place;

M. That portion of both sides of the street and sidewalks of Thirty-First Street between Atlantic Avenue and Long Beach Boulevard;

N. Both sides of Fourth Street between Ximeno Avenue and Park Avenue; and

O. That portion of the Mark Bixby Memorial Bicycle-Pedestrian Path located within the Harbor District, including its Ocean Boulevard, Pico Boulevard and Terminal Island approaches. (ORD-23-0016 § 2, 2023; ORD-16-0004 § 1, 2016)

10.51.060 Penalty.

Violation of this Chapter is an infraction punishable by a fine not to exceed one hundred dollars ($100.00). (ORD-16-0004 § 1, 2016)

CHAPTER 10.52 ROLLERSKATING

10.52.010 Definitions.

"Roller skate" or "rollerskating" means the propelling by human power or by force of gravity of a device worn upon the feet or shoes and having wheels attached thereto. (Ord. C-5503 § 1 (part), 1979: prior code § 3410.500)

10.52.020 Prohibited—Sign posting.

Whenever any provision of this Chapter designates and describes any street, alley or sidewalk, or any portion thereof, as an area where rollerskating is prohibited, the Traffic Engineer shall place and maintain signs giving notice thereof on each and every such street, alley or sidewalk, or portion thereof, which constitutes an entrance to the area which has been so designated. (Ord. C-5503 § 1 (part), 1979: prior code § 3410.501)

10.52.030 Prohibited—Designated areas.

CHAPTER 10.56 VEHICLE OVERLOADS*

10.56.010 Applicability.

The provisions of Sections 10.56.020, 10.56.030, 10.56.040, 10.56.050 and 10.56.060 re-

*State law reference—Provisions on weights, Veh. C. §§ 35000 et seq. and 35550 et seq.

fer exclusively to oversize and overweight loads upon vehicles when operated on the streets and highways within the City. (Prior code § 3470.3)

10.56.020 Statutes applicable.

The applicable provisions of Division 15 of the California Vehicle Code shall constitute the regulations of the City relative to the size and weight of vehicle loads, together with such additional provisions and requirements as are specifically contained in this Chapter, and Chapter 10.41. (ORD-10-0025, § 5, 2010; Prior code § 3470.4)

10.56.030 Permit—Issuance.

The Director of Public Works, or his designee, shall be responsible for the issuance of special permits for loads exceeding the maximum sizes and/or weights specified in Division 15 of the California Vehicle Code, and for administering the rules and regulations pertaining thereto. (ORD-10-0025, § 6, 2010; Prior code § 3470.5)

10.56.040 Permit—Application.

All persons, firms or agencies desiring to move any load across or upon streets and highways within the City, which load exceeds any of the limitations imposed by Division 15 of the California Vehicle Code, shall apply to and first receive a special permit from the Director of Public Works, or his designee. The special permit shall specify the streets upon which the move is authorized and the date and time of the move. A charge for issuing the permit as established by the Director of Public Works, or his designee, shall be paid by the applicant prior to issuance of the permit. (ORD-10-0025, § 7, 2010; Ord. C-5402 § 1, 1978; prior code § 3470.6)

10.56.050 Liability for damage.

Any person, firm or agency granted a special permit, as provided in Section 10.56.040, shall be liable for all damages to any street, highway, bridge, or appurtenances thereto, including, but not limited to, guardrails, signs, traffic signals, streetlights, street trees and similar facilities, resulting from the operation, driving or moving of any vehicle which exceeds any of the limitations imposed by Division 15 of the California Vehicle Code. The permittee shall hold the City harmless from any liability occasioned by or resulting from operations under the special permit. (Prior code § 3470.7)

10.56.060 Costs responsibility.

If, in the judgment of the Director of Public Works, or his designee, it is determined necessary to strengthen any structure over which an overload must pass, or to perform any other work in order to ensure the safe passage of the load upon City streets, the permittee will be required to pay the full cost of such work. Permittee will also be required to reimburse the City for any cost necessitated by the temporary relocation of traffic signals, street lights or other appurtenances in order to permit the safe passage of the loaded vehicle. (ORD-10-0025, § 8, 2010; Prior code § 3470.8)

CHAPTER 10.58 PEDESTRIANS*

10.58.010 Crosswalks—Establishment.

A. The Traffic Engineer shall establish, designate and maintain crosswalks at intersections and other places, by appropriate devices, marks or lines upon the surface of the roadway.

B. Crosswalks shall be established and maintained at all intersections within the Central Traffic District, and at such intersections outside such district, and at other places within or outside the district, where the Traffic Engineer determines that there is particular hazard to pedestrians crossing the roadway, and at such other places as may be designated by ordinance of the Council.

C. The Traffic Engineer may place signs at, or adjacent to, an intersection, in respect to any crosswalk, directing that pedestrians shall not cross in the crosswalk so indicated.

D. Crosswalks are established at the intersections and places designated in Section 10.58.060. (Prior code § 3410.75)

***State law reference**—Provisions on pedestrians' rights and duties, Veh. C. § 21950 et seq.

10.58.015 Crosswalks—Removal.

In order to improve pedestrian safety, traffic flow or accessibility, the City Traffic Engineer is authorized to remove existing marked crosswalks as long as notice and an opportunity to be heard is provided to the public not less than thirty (30) days prior to the scheduled date of removal. The notice of proposed removal shall be posted at the crosswalk identified for removal, as well as such other locations as the City Traffic Engineer shall designate. The notice of proposed removal shall further set forth the form and method of providing input relating to the proposed removal.
(ORD-09-0021, § 33, 2009)

10.58.020 Crossing without crosswalk.

No pedestrian shall cross a roadway, other than by a crosswalk, in the Central Traffic District, or in any business district, except at intersections where pedestrian traffic is controlled by a scramble-system automatic signal. (Prior code § 3410.76)

10.58.030 Reserved.

Editor's note—ORD-09-0014, § 1, adopted June 9, 2009, repealed § 10.58.030, which pertained to pedestrian angle or crossing and derived from prior Code § 3410.77.

10.58.040 Walking on roadway prohibited.

No pedestrian shall stand in any roadway, other than in a safety zone or crosswalk, nor shall any pedestrian walk lengthwise along and within a roadway in a manner that interferes with the lawful movement of traffic. This Section shall not apply to any public officers or employees, or employees of public utilities, contractors or other agencies when necessarily upon a street in line of duty. (Prior code § 3410.78)

10.58.050 Safety zone designation.

The Traffic Engineer is authorized to designate upon the surface of the roadway, by appropriate devices or marks, safety zones at such places and locations as he deems necessary. (Prior code § 3410.79)

10.58.060 Crosswalks—Installation.

The City Traffic Engineer is authorized to place and maintain crosswalks as he may deem necessary to regulate or guide pedestrian traffic, but he shall make such determination of necessity only upon the basis of Traffic Engineering principals and traffic investigations, and in accordance with such standards, limitation and rules as may be set forth in the traffic provisions of this Chapter or applicable laws of the State.
(ORD-09-0021, § 30, 2009; Ord. C 7927 § 1, 2004; Ord. C 7287 § 3, 1994; Ord. C 7068 § 11, 1993: Ord. C 5774 § 6, 1981; Ord. C 5394 § 8, 1978; Ord. C 5298 § 1, 1977; Ord. C 5270 § 1, 1976: Ord. C 5247 § 1, 1976; prior code § 3410.137)

Editor's note—ORD-09-0021, § 30, adopted Aug. 4, 2009, renamed former § 10.58.060 entitled "Crosswalks—Locations" as set out herein.

CHAPTER 10.60 SCHOOL BUSES

10.60.010 Definitions.

For the purpose of this Chapter the following terms shall be deemed and construed to have the meanings respectively ascribed to them in this Section unless from the particular context it clearly appears that some other meaning is intended:

A. "Private school" means any school wherein there is conducted a regular program of education and instruction in the several branches of study required to be taught in the public schools of this State whether such school is conducted for profit or not except a school operated by a public school district.

B. "School bus" means every motor vehicle used for the transportation of seven (7) or more pupils to or from any private school, if such transportation is furnished by:

1. A private school; or
2. Any person for compensation.

A person who receives no consideration for the furnishing of transportation by him except the furnishing of transportation to a child or children of whom he is the parent or guardian shall not be deemed to be furnishing transportation for compensation.

The furnishing of transportation pursuant to any license, permit or certificate issued by the Public Utilities Commission of this State or by the City Council or pursuant to the terms of any franchise issued by the City shall not be construed so as to make any motor vehicle so used a school bus. (Ord. C-5691 § 2 (part), 1981; prior code § 6245)

10.60.020 Inspection certificate required.

No person shall operate a school bus on either a public street or elsewhere unless there is posted therein where it may be readily observed a certificate issued by the California State Highway Patrol to the effect that on a certain date, which shall be not more than one (1) year prior to the date of such operation, the highway patrol carefully and thoroughly inspected the school bus and determined that the design, mechanical condition and equipment thereof then complied with all statutes, rules and regulations then applicable to public school buses. (Prior code § 6245.1)

10.60.030 Driver's certificate required.

No person shall drive any school bus while transporting pupils unless such person is the holder of a valid and effective operator's or chauffeur's license and a school bus driver's certificate issued by the State Department of Motor Vehicles after such examination as the department may prescribe and issued in the same manner and effective for the same term as a certificate issued for a driver of a public school bus. (Prior code § 6245.2)

10.60.040 Insurance.

No school bus shall be operated unless there is in effect insurance as prescribed in regulations issued by the City Manager pursuant to Section 2.84.040. (Ord. C-7934 § 16, 2004; prior code § 6245.3)

CHAPTER 10.62 PUBLIC TRANSPORTATION

10.62.010 Talking with operator—Prohibited.

No person shall talk to or communicate in any manner with the driver, motorman or operator of any bus, streetcar, railroad or interurban car, and no such driver, motorman or operator shall talk to or communicate in any manner with any person, while such driver, motorman or operator is engaged in the performance of his duty as such driver, motorman or operator, except:

A. When it is necessary for such person to obtain from the driver, motorman or operator information relative to his or her transportation; or

B. When the person is an officer, agent, servant or other employee of the company having a franchise to operate such cars or buses, and his conversation with the driver, motorman or operator relates to the latter's duties and is then necessary thereto; or

C. When the person is an officer, agent, servant or employee of the City and it is necessary by reason of his or her duties of employment to talk to or communicate with the driver, motorman or operator. (Prior code § 6243)

10.62.020 Talking with operator—Warning notice.

No person shall operate any such car or bus unless there is posted in a conspicuous place therein and readily visible to the passengers a notice that conservation with or by the driver, motorman or operator thereof, except as allowed in the foregoing section, is unlawful. (Prior code § 6243.1)

10.62.030 Smoking prohibited—Where.

No person shall smoke or possess any burning or lighted cigarette, cigar, or pipe in or upon any streetcar, interurban car, motor bus, or other vehicle operated for the purpose of transporting passengers for hire and picking up and discharging such passengers along a regular route. (Prior code § 6244)

10.62.040 Smoking prohibited—Sign.

No person shall operate any vehicle described in Section 10.62.030 within the City unless there is placed and maintained in a conspicuous place in the vehicle at the front and rear of each compartment thereof a sign with the words "No Smoking"

printed thereon. The letters of the sign shall be painted on a background of contrasting color and shall be of not less than one-quarter inch (1/4") stroke and not less than one and one-half inches (1 1/2") in height. (Prior code § 6244.1)

CHAPTER 10.64 ENFORCEMENT*

10.64.010 Traffic direction.

No person shall fail or refuse to comply with any lawful order of a Police Officer, Fire Department official or Disaster Service Worker approved by the Chief of Police, who is directing traffic. (ORD-13-0010, § 1, 2013; Prior code § 3410.5)

10.64.020 Emergency vehicles exempt.

The provisions of this Title regulating the movement, parking and standing of vehicles shall not apply to authorized emergency vehicles. (Prior code § 3410.7)

10.64.030 Traffic direction compliance.

No pedestrian or the driver of any vehicle shall disobey the instructions of any traffic sign, barrier or mark upon the street, placed in accordance with the provisions of this Title, provided every sign or mark made by the use of paint upon the curb shall bear thereon the City emblem prescribed by the Chief of Police. (Prior code § 3410.8)

CHAPTER 10.66 CONTROL OF VEHICULAR CRUISING

10.66.010 Cruising prohibited.

The ranking peace officer on duty within any area affected by traffic congestion may, having determined that such area is so affected, establish one (1) or more traffic control points at or near such area to regulate cruising. (Ord. C-6648 § 1 (part), 1989)

10.66.020 Cruising defined.

"Cruising" is defined to mean the driving of a motor vehicle three (3) or more times within a four (4) hour period past a traffic control point so established on a portion of any street identified as subject to cruising controls by signs posted at the beginning and end of the controlled roadway, that briefly and clearly state the appropriate provisions of this Chapter and Section 21100(k) of the California Vehicle Code, and after the operator of the vehicle has been given the notice specified in this Chapter. (Ord. C-6648 § 1 (part), 1989)

10.66.030 Elements of the offense.

No person, having driven a motor vehicle past a traffic control point established pursuant to this Chapter twice within any four (4) hour period, and having received written notice that further driving past the traffic control point will constitute a violation of this Chapter, shall drive past that control point within the time period in which cruising controls are in effect. Each successive trip past the traffic control point shall constitute a separate violation of this Chapter, and no additional notice shall be required prior to issuance of a second or subsequent citation. (Ord. C-6648 § 1 (part), 1989)

10.66.040 Exemptions.

The provisions of this Chapter shall not apply to:

A. Any authorized vehicle as defined in Section 165 of the California Vehicle Code;

B. Any publicly owned vehicle of any City, county, district, state or federal agency;

C. Any vehicle licensed for public transportation or vehicles which are normally used for business purposes and are engaged in such business use. (Ord. C-6648 § 1 (part), 1989)

10.66.050 Designated streets.

The provisions of this Chapter shall apply to the following locations:

1. First Street, between Hermosa Avenue and Molino Avenue;

2. Second Street, between Hermosa Avenue and Molino Avenue;

3. Pine Avenue, between Ocean Boulevard and Seventh Street. (ORD-06-0030 § 1, 2006; Ord. C-6648 § 1 (part), 1989)

***State law reference**—Provisions on obedience to traffic signals, Veh. C. §§ 52800 and 21100.3.

10.66.060 Penalty.

It shall be an infraction for any person to violate this Chapter, and upon conviction thereof shall be subject to the payment of penalties as provided in Section 42001 of the California Vehicle Code and as that section may be amended. (Ord. C-6648 § 1 (part), 1989)

CHAPTER 10.68 ADULT CROSSING GUARDS

10.68.010 Initiative ordinance.

AN INITIATIVE ORDINANCE REQUIRING ADULT CROSSING GUARDS AT DANGEROUS INTERSECTIONS

THE PEOPLE OF THE CITY OF LONG BEACH DO ORDAIN AS FOLLOWS:

SECTION I. PURPOSE

In recognition of the serious hazard posed to elementary school children in going to and from school, it shall be the policy of the City of Long Beach to maintain adult crossing guards at school crossings designated as hazardous during the hours when school children are required to cross the street.

SECTION II. FUNDING

The School Crossing Guard Program as herein established shall be funded by revenues available to the City of Long Beach from fines and forfeitures under the California Vehicle Code.

SECTION III. DESIGNATION OF INTERSECTIONS AS HAZARDOUS

An intersection utilized by at least twenty (20) children per hour in coming to and from elementary school shall be deemed hazardous for purposes of this Section, if special problems exist and it is deemed necessary to assist children in crossing a street, such as where the intersection is unusually complicated, presents a heavy vehicular turning pattern or high vehicular speed, where the sight distance is less than a reasonable stopping distance from the crosswalk, or where any one (1) of the following conditions exist:

a) Uncontrolled crossings on the route to school

Where there is no controlled crossing or grade separation within six hundred feet (600') of the location where a request for an adult crossing guard is made and one (1) of the following conditions exist:

1) Where the vehicular traffic volume exceeds the rate of three hundred (300) per hour during the time school children are required to cross while traveling to or from school; or

2) Where the vehicular traffic volume exceeds the rate of two hundred seventy-two (272) per hour and the posted speed limit is thirty-five (35) to and including forty-five (45) miles per hour; or

3) Where the vehicular traffic volume exceeds the rate of two hundred fifty (250) per hour and the posted speed limit is fifty (50) miles per hour or more.

b) Stop Sign-controlled crossings on the route to school

Where the vehicular traffic volume through the crosswalk children must use on an undivided roadway of four (4) or more lanes exceeds the rate of five hundred (500) per hour during any period when children are required to go to or from school.

c) Signal controlled crossings on the route to school

At traffic signals where potentially conflicting vehicular turning movements through the crosswalk children must use exceed the average rate of ten (10) vehicles per minute of signal green time, taken over a period of at least fifteen (15) minutes of signal green time, during any period when children are required to go to or from school.

SECTION IV. PEDESTRIAN SAFETY ADVISORY COMMITTEE

A committee shall be established, entitled the PEDESTRIAN SAFETY ADVISORY COMMITTEE, which shall determine whether any intersection utilized by children in coming to and from school poses a special problem of safety requiring the installation of an adult crossing guard, and which shall advise the City Council of its findings and recommendations.

a) Composition of committee
The PEDESTRIAN SAFETY ADVISORY COMMITTEE shall be composed of one (1) representative from each Council district, who shall be nominated by the respective Councilperson of said district and appointed by the City Manager of the City of Long Beach; one (1) representative from the Long Beach Unified School District, who shall be appointed by the Superintendent of the Long Beach Unified School District; one (1) City Traffic Engineer, who shall be appointed by the City Manager; one (1) representative of the nonpublic schools of the Long Beach area, who shall be appointed by the City Manager; and the President of the Parent Teacher Association of the Long Beach Unified School District or a designee thereof.

b) Meetings of the committee

1) Special meetings:
The committee shall meet within ten (10) days at the request of the City Manager, the chairperson of the committee or any two (2) members of the committee.

2) Regular meetings:
Notwithstanding Section IV(b)(1), the committee shall meet regularly not less than twice per school year. Prior to the commencement of the fall semester, and prior to the commencement of the spring semester.

c) Committee organization
The committee shall adopt rules for its own organization and conduct and shall select its own chairperson.

SECTION V. ACTION BY CITY COUNCIL

Within twenty (20) days after receiving the findings of the committee recommending the installation of a crossing guard at a designated intersection, the City Council must:

a) Initiate the installation of an adult crossing guard at the designated intersection; or

b) Place the committee's recommendation on the agenda of a regular public Council meeting within forty-five (45) days. The Council may, by a majority vote at such regular meeting, reject the committee's recommendation upon its finding that the designated intersection does not present a potential hazard to school children; or

c) If such finding is not adopted as set forth in Section V(b), the guard shall forthwith be installed pursuant to the recommendations of the PEDESTRIAN SAFETY ADVISORY COMMITTEE. (Ord. C-5490, 1978)

CHAPTER 10.69 PARKING RESTRICTED TO SENIOR CITIZENS

10.69.010 Purpose.

This Chapter is enacted pursuant to authority granted by Section 22519 of the California Vehicle Code to allow full use and access to community centers by senior citizens who participate in programs there aimed at them and to reduce the use of parking spaces at community centers by individuals who are not using the community centers. (Ord. C-6872 § 1 (part), 1991)

10.69.020 Spaces in off-street parking facilities—Designation.

The parking spaces in off-street parking facilities owned or operated by the City and designated in Section 10.69.030, when indicated by signs, are authorized for the exclusive use of vehicles which display a permit issued by the City through its Department of Parks and Recreation to residents over the age of fifty-five (55) years. The City Traffic Engineer is authorized to place signs to designate these reserved parking spaces. (Ord. C-6872 § 1 (part), 1991)

10.69.030 Parking restricted to senior citizens—Enumerated.

For the purposes of Section 10.69.020, the following parking spaces are designated for exclusive use by citizens over the age of fifty-five (55) years:

1. Twenty-six (26) spaces in the southwest portion of the off-street parking lot at Houghton Park, closest to the Community Center. (Ord. C-6872 § 1 (part), 1991)

10.69.040 Unauthorized use prohibited.

No person shall stop, stand or park any vehicle in any parking space designated in Section 10.69.030 when indicated by signs unless expressly authorized by Section 10.69.020. (Ord. C-6872 § 1 (part), 1991)

10.69.050 Permit—Issuance.

A. The Department of Parks and Recreation shall issue senior citizen parking permits, and shall keep a record of each permit issued, at the facility to which the permit applies, which includes the license number of the vehicle for which the permit is issued. No more than one (1) permit shall be issued for each vehicle for which application is made.

B. Senior citizen parking permits may be issued only for passenger vehicles, pickup trucks, and vans, and only on application of a person over the age of fifty-five (55) years who is the registered owner or has exclusive use of the vehicle for which application is made. The Director of the Department of Parks and Recreation shall require proof of age and vehicle registration or use and such proof shall be satisfactory to him, in his sole opinion.

C. Each senior citizen parking permit shall be issued on a calendar year basis, and shall expire at midnight on December 31st next following its issuance.

D. Each application for a senior citizen parking permit shall be accompanied by such fee therefor as may be established from time to time by resolution of the City Council. The fee for permits issued for less than twelve (12) months may be reduced in proportion to the time already elapsed in the calendar year for which the permit is issued. (Ord. C-6872 § 1 (part), 1991)

10.69.060 Permit—Display.

Senior citizen parking permits shall be displayed in the lower left corner of the rear window or on the driver side of the rear bumper. (Ord. C-6872 § 1 (part), 1991)

10.69.070 Permit—Revocation.

A. The Director of the Department of Parks and Recreation is authorized to revoke a senior citizen parking permit that violates any provision of this Chapter and, on written notification thereof, the permit holder shall surrender the permit to the Director or prove its destruction or disfigurement to the Director's satisfaction.

B. Any person whose senior citizen parking permit has been revoked shall not be issued a new permit until expiration of a period of one (1) year following the date of revocation and until such person makes a new application and pays the required fee. (Ord. C-6872 § 1 (part), 1991)

CHAPTER 10.70 GOLF CART CROSSING ZONES

10.70.010 Establishment.

A. This Chapter is enacted pursuant to authority granted by Section 22115.1 of the California Vehicle Code to allow crossing by golf carts over streets other than State highways which have

a posted speed limit of forty-five (45) miles per hour or less and which are immediately adjacent to a golf course.

B. Those crossing zones described in Section 10.70.020 are declared to be crossing zones for use by golf carts.

C. The City Traffic Engineer is authorized to erect signs identifying the crossing zones and other appropriate signs relating to such crossing zones. (Ord. C-6962 § 1 (part), 1992)

10.70.020 Golf cart crossing zones—Enumerated.

A. For the purposes of Section 10.70.010, the following crossing zones are designated as golf cart crossing zones:

1. Wardlow Road three hundred thirty feet (330′) east of Lakewood Boulevard;

2. Wardlow Road two hundred ninety feet (290′) west of Clark Avenue;

3. Sixth Street (east leg) at Federation Drive. (Ord. C-6962 § 1 (part), 1992)

10.70.030 Right-of-way.

A. The driver of any vehicle on a street or highway transversed by a golf cart crossing zone shall yield the right-of-way to any golf cart in a crossing zone that is marked by signs.

B. Subsection A of this Section does not relieve the driver of a golf cart in a crossing zone from the duty of using due care for his or her own safety.

C. Drivers of golf carts shall use crossing zones only at times other than during darkness. (Ord. C-6962 § 1 (part), 1992)

CHAPTER 10.71 SHARED MICROMOBILITY DEVICE PROGRAM

10.71.010 Purpose.

Consistent with the City′s goals of enhancing micromobility and access, easing traffic congestion, and promoting sustainability, this Chapter creates a program to facilitate the use of shared micromobility devices while ensuring the protection of public health and safety, including the safety of the public traveling by foot, bicycle, or vehicle on public sidewalks, streets, and other public rights-of-way. (ORD-19-0013 § 1, 2019)

10.71.020 Definitions.

A. ″Abandon″ shall mean leaving an item unattended for any length of time.

B. ″City″ shall mean the City of Long Beach, California.

C. ″Director″ shall mean the Director of Public Works or designee.

D. ″Operator″ shall mean any person or businesses entity selected by the City to participate in the Shared Micromobility Device Program pursuant to this Chapter.

E. ″Private property″ shall mean real property owned by any non-governmental legal entity.

F. ″Public area″ shall mean any outdoor area that is open to the public for public use, whether owned or operated by the City or a private party.

G. ″Public right-of-way″ shall mean any public alley, parkway, public transportation path, roadway, sidewalk, or street that is owned, granted by easement, operated, or controlled by the City.

H. ″Shared micromobility device″ shall mean any land transportation device by which a single person can be propelled, moved or drawn, that is displayed, offered or placed for rent in any public area or public right-of-way, or placed on private property by agreement with the private property owner, except that a ″shared micromobility device″ does not include any device being vended or made available for rent exclusively from a vehicle pursuant to a valid City vending permit; a car share vehicle, as defined by California Vehicle Code section 22507; a device authorized by the City bike share system or a private bike share or private e-scooter system; a taxicab as regulated in Chapter 5.80 of this Code, a device operated by the Los Angeles County Metropolitan Transportation Authority; or any other device excluded pursuant to administrative regulations. (ORD-19-0013 § 1, 2019)

10.71.030 Administrative regulations.

A. The City may adopt administrative regulations to implement the provisions of this Chapter, including, but not limited to, permit application procedures and permit standards, which may include regulations relating to lawful conduct, insurance, indemnification, public safety, data sharing, data privacy, and/or the timely removal of hazards.

B. No person shall fail to comply with the City's administrative regulations. Any violation of any administrative regulation issued pursuant to this Section shall constitute a violation of this Code and shall subject the violator to the penalties set forth in this Chapter. (ORD-19-0013 § 1, 2019)

10.71.040 Prohibited conduct.

Notwithstanding any other provision of this Code, no person may:

A. Display, offer or make available for rent any shared micromobility device within the City, unless the person has first obtained: (1) a valid shared micromobility operator permit; and (2) a business license issued in accordance with Chapter 5.80 of this Code; and (3) insurance and indemnification naming the City as required by the shared micromobility operator permit.

B. Abandon a shared micromobility device not authorized by this Chapter in the public right-of-way or a public area in such a way that the device is available for rent; and

C. Abandon a shared micromobility device in the public right-of-way or a public area in a manner that: (1) obstructs travel upon or blocks access to a public right-of-way; (2) poses an immediate public safety hazard; or (3) is otherwise prohibited by applicable laws or administrative regulations. (ORD-19-0013 § 1, 2019)

10.71.050 Maximum number of shared micromobility operator permits and shared micromobility devices permitted.

A. The City may issue up to six (6) shared micromobility operator permits authorizing the deployment of a shared micromobility device within the City, with both electric scooters and electric bikes, or other future devices as shared micromobility devices. No shared micromobility operator permits shall be issued to any operator that proposes to deploy a shared micromobility device that is exclusively powered by the human body or powered by combustion engine.

B. The City may establish the number of shared micromobility devices authorized under each shared micromobility operator permit. No more than on a weekly basis or within fourteen days following any City Council action adjusting the number of permitted operators or devices pursuant to Subsection D, the City may adjust the maximum number of devices authorized by each shared micromobility operator permit. The City shall take into consideration market needs, the number of devices deployed in the City, device utilization, and any other criteria set forth in administrative regulations. The City shall first publish his or her tentative adjustment decision under this Section, along with reasons supporting the decision, and solicit comments prior to making a final determination. The City's determinations under this Section shall constitute the final decision of the City and are not subject to further administrative review. No person shall fail to comply with the City's established device limitation.

C. No operator may be granted authorization for less than three hundred fifty (350) shared micromobility devices.

D. At any time, in the City Council's discretion, the City Council may reassess the number of shared micromobility operator permits authorized for issuance. The City Council, in its discretion, may determine by resolution that the number of shared micromobility operator permits or the number of total authorized devices should be reduced or increased. (ORD-19-0013 § 1, 2019)

10.71.060 Shared micromobility operator permit application procedure, fees and requirements.

A. Any person seeking to obtain a shared micromobility operator permit shall submit a writ-

ten application, signed under penalty of perjury, using the form designated by the City for that purpose.

B. The City Council may establish permit fees and charges by resolution, which shall:

1. Defray the City's costs in administering and enforcing the provisions of this Chapter; and

2. Reflect charges associated with use of public property pursuant to this Chapter.

C. The City may specify the information that must be provided in connection with an application and the form in which the information is to be provided. The application shall contain, at a minimum, the following information:

1. The name and business address of each person or entity that: (i) has more than a ten percent equity, participation, or revenue interest in the applicant; or (ii) is a trustee, City, partner, or officer of that entity or of another entity that owns or controls the applicant, excepting persons serving in those capacities as volunteers, without compensation, for organizations exempt from income taxes under Sections 501(c)(3), (4), or (6) of the Internal Revenue Code;

2. The name and business address of any parent or subsidiary of the applicant, namely, any other business entity owning or controlling the applicant in whole or in part, or owned or controlled in whole or in part by the applicant, and a statement describing the nature of any such parent or subsidiary business entity;

3. Information sufficient to show that the applicant is financially, technically, and legally qualified to operate and maintain a shared micromobility device system;

4. A description of the proposed plan of operation, including, at a minimum, a detailed description of:

a. The applicant's current operations in the City and other jurisdictions, including copies of the applicant's operating permits for all such jurisdictions,

b. The applicant's proposed operations in the City, the plan for balancing shared micromobility devices for Citywide coverage, the plan for regular shared micromobility device maintenance, levels of staff for operations and administration, and the plan for customer service and response to customer complaints,

c. The applicant's regulatory compliance program,

d. The applicant's history of, intent to, and ability to comply with, State and local law,

e. The applicant's plans to implement safety programs, including, for example, a program by which the applicant will receive information about and notify users of inappropriate use,

f. The applicant's plans to educate users of shared micromobility devices about applicable California Vehicle Code provisions and other applicable laws, regulations, and guidelines,

g. The applicant's plans to comply with applicable Federal, State, and local data privacy laws and otherwise to protect the privacy of personal information provided by users, and

h. Any other requirements set forth by administrative regulation. (ORD-19-0013 § 1, 2019)

10.71.070 Shared micromobility operator selection.

A. City staff shall review all applications and make written recommendations to the Director based on a ranking of each qualified applicant in accordance with objective criteria set forth by this Chapter and administrative regulations.

B. Each qualified applicant shall be evaluated based upon objective criteria including: experience; proposed operations and maintenance plan; financial wherewithal and stability; adequacy of insurance; ability to begin operations in a timely manner; responsiveness to the City's direction and compliance with regulations during the program; public education strategies; references; relevant record of the applicant's or officers', owners' or principals' violations of Federal, State or local law, or rules and regulations; and any other objective criteria established by administrative regulation.

C. Each applicant shall be provided an opportunity to submit written comments or objections to the City's recommendations.

D. The City shall set forth, in writing, the reasons supporting its final determinations. The City may request additional information from any applicant or any other source that would assist in determining the final qualifications and rankings.

E. The City shall grant a shared micromobility operator permit to the highest six ranked applicants. Should two applicants receive the same score, a lottery shall be used to establish the final rankings for any applicants that achieved the same score.

F. The City's determinations under this Section shall be final and shall not be subject to further administrative review.

G. The City may impose, as part of any shared micromobility operator permit issued, any and all conditions that are necessary to effectuate the purposes of this Chapter, mitigate traffic impacts, ensure accessibility of the public right-of-way and availability of public space for shared use by all, or protect the health, welfare, and safety of the public. No person shall fail to comply with such permit conditions. (ORD-19-0013 § 1, 2019)

10.71.080 Limitations on City liability.

To the fullest extent permitted by law, the City shall not assume any liability whatsoever with respect to having issued a shared micromobility operator permit or otherwise approving the operation of any shared micromobility device. As a condition to the issuance of any shared micromobility operator permit, the applicant shall be required to meet all of the following conditions:

A. The applicant must execute an agreement, in a form approved by the City Attorney, agreeing to indemnify, defend (at applicant's sole cost and expense), and hold harmless the City, and its officers, officials, employees, representatives, and agents from any and all claims, losses, damages, injuries, liabilities or losses which arise out of, or which are in any way related to, the City's issuance of or decision to approve a shared micromobility operator permit, the process used by the City in making its decision, or the alleged violation of any Federal, State or local laws by the applicant or any of its officers, managers, employees or agents.

B. Maintain insurance at coverage limits, and with conditions thereon determined necessary and appropriate from time to time, as determined by the Risk Manager and name the City of Long Beach as additional insured.

C. The applicant's insurance policy shall be endorsed to state that coverage shall not be cancelled except after twenty (20) days' prior written notice by certified mail has been given to the City. If any insurance policy issued to a permittee is cancelled for any reason, the permit issued under this Chapter is automatically suspended. In order to reinstate the permit, the permittee shall provide a new certificate and policy of insurance to the City. Any contractors or others which applicant may use as part of their application and permit shall be required to maintain insurance in compliance with the provisions of this Section and to indemnify the City to the same extent as applicant.

D. Reimburse the City for all costs and expenses, including, but not limited to, attorney fees and costs, which it may be required to pay as a result of any claim, lawsuit, or legal challenge related to the City's approval of or activities conducted pursuant to the applicant's shared micromobility operator permit. The City may, at its sole discretion, participate at its own expense in the defense of any such action, but such participation shall not relieve any of the obligations imposed hereunder.

E. The applicant shall include the City in any waivers and disclaimers of liability provided to end-users' agreement, expressly designating the City as a third-party beneficiary of its provisions. (ORD-19-0013 § 1, 2019)

10.71.090 Grounds for revocation, suspension or denial.

A shared micromobility operator permit may be revoked, suspended, or denied by the City based upon any of the following grounds:

A. An applicant or operator, including its employees, managers, officers, principals, directors, owners, contractors, representatives, or agents:

1. Making one or more false or misleading statements, or material omissions on the permit application, during the application process, or during program operation;

2. Failing to provide information requested or required by the City;

3. Failing to comply with the City's established numeric device limitation;

4. Operating or proposing to operate in a manner that endangers public health or safety; or

5. Failing to comply with any requirement imposed by the provisions of this Code (or successor provision or provisions) including any rule, regulation, condition or standard adopted pursuant to this Chapter, or any term or condition imposed on the shared micromobility operator permit, or any provision of State law.

B. Conviction of the operator, to include any of its officers, owners or principals, of a criminal offense that is substantially related to the qualifications, functions or duties of the shared micromobility business or profession, including, but not limited to, any criminal conviction involving a violent or serious felony, fraud, deceit, or embezzlement. (ORD-19-0013 § 1, 2019)

10.71.100 Impoundment of devices.

A. A shared micromobility device that is displayed, offered, or made available for rent, or abandoned, in the public right-of-way or a public area in violation of Section 10.71.040 shall be subject to immediate impoundment by the City.

B. The City Council may adopt impound fees by resolution, which shall reflect the City's enforcement, investigation, storage and impound costs.

C. No person shall retrieve any impounded shared micromobility device except upon consultation with City staff by appointment during business hours, demonstrating proper proof of ownership of the device, and payment of applicable impound fees. (ORD-19-0013 § 1, 2019)

10.71.110 Enforcement.

A. Any person who violates any provision of this Chapter, including any permit condition, shall be guilty of an infraction, which shall be punishable by a fine not exceeding two hundred fifty dollars, or a misdemeanor, which shall be punishable by a fine not exceeding five hundred dollars per violation or by imprisonment in the County Jail for a period not exceeding six months or by both such fine and imprisonment.

B. Any person who violates any provision of this Chapter, including any permit condition, shall be subject to revocation, suspension or denial of the permit, administrative fines and administrative penalties pursuant to Chapter 9.37 of this Code.

C. Any person convicted of violating this Chapter in a criminal case, or found to be in violation of this Chapter in a civil or administrative case brought by a law enforcement agency, shall be ordered to reimburse the City and other participating law enforcement agencies their full investigative costs. (ORD-19-0013 § 1, 2019)

CHAPTER 10.80 TOLEDO BRIDGE OVER RIVO ALTO CANAL

10.80.010 Purpose.

The purpose of this Chapter is to establish a weight limit and load restriction on the Toledo East Bridge over Rivo Alto Canal and Toledo West Bridge over Rivo Alto Canal. (ORD-20-0031 § 1, 2020)

10.80.020 Scope.

A. In order to protect the public, the City of Long Beach accepts the findings and recommendations of the latest County of Los Angeles, Department of Public Works Bridge Load Rating Analysis, limiting the maximum weight and load of vehicles utilizing the Toledo East Bridge over Rivo Alto Canal and Toledo West Bridge over Rivo Alto Canal.

B. The Toledo East Bridge over Rivo Alto Canal and Toledo West Bridge over Rivo Alto Canal shall be restricted to a maximum and load of vehicles of nineteen (19) tons.

C. The restriction shall remain in effect as long as signs giving notice thereof are posted at the bridge approaches in accordance with Section 21400 of the California Vehicle Code.

D. The City of Long Beach, Department of Public Works shall erect and maintain suitable

signs in accordance with Section 21400 of the California Vehicle Code. (ORD-20-0031 § 1, 2020)

10.80.030 Violations.

Violations of this Chapter shall be punishable in accordance with California Vehicle Code section 35753. (ORD-20-0031 § 1, 2020)

CHAPTER 10.81 RAVENNA BRIDGE OVER RIVO ALTO CANAL

10.81.010 Purpose.

The purpose of this Chapter is to establish a weight limit and load restriction on the Ravenna Bridge over Rivo Alto Canal. (ORD-20-0034 § 1, 2020)

10.81.020 Scope.

A. In order to protect the public, the City of Long Beach accepts the findings and recommendations of the latest County of Los Angeles, Department of Public Works Bridge Load Rating Analysis, limiting the maximum weight and load of vehicles utilizing the Ravenna Bridge over Rivo Alto Canal.

B. The Ravenna Bridge over Rivo Alto Canal shall be restricted to a maximum weight and load of vehicles of thirty-four (34) tons.

C. The restriction shall remain in effect as long as signs giving notice thereof are posted at the bridge approaches in accordance with Section 21400 of the California Vehicle Code.

D. The City of Long Beach, Department of Public Works shall erect and maintain suitable signs in accordance with Section 21400 of the California Vehicle Code. (ORD-20-0034 § 1, 2020)

10.81.030 Violations.

Violations of this Chapter shall be punishable in accordance with California Vehicle Code section 35753. (ORD-20-0034 § 1, 2020)

CHAPTER 10.82 SPECTATORS PROHIBITED AT STREET RACES, SIDESHOWS, AND RECKLESS DRIVING EXHIBITIONS

10.82.010 Definitions.

The definitions in this Section apply to the following terms as used in this Chapter:

A. "Street race" or "street racing" means any motor vehicle speed contest or motor vehicle exhibition of speed referred to in subdivisions (a) and (c) of California Vehicle Code Section 23109, as may be amended from time to time.

B. "Sideshow" means an event in which two or more persons block or impede traffic on a highway for the purpose of performing motor vehicle stunts, street racing, or reckless driving for spectators referred to in subdivision (i)(2)(A) of California Vehicle Code Section 23109, as may be amended from time to time.

C. "Reckless driving exhibition" means any exhibition of reckless driving referred to in California Vehicle Code section 23103, as it may be amended from time to time.

D. "Offstreet parking facility" has the same meaning as set forth in subdivision (c) of California Vehicle Code section 12500, as it may be amended from time to time, and includes any public or private parking facility open and accessible to members of the public.

E. "Spectator" means any person who is present at a street race or reckless driving exhibition, or the site of the preparations for either of these activities, for the purpose of viewing, observing, watching, or witnessing the event as it progresses. A spectator includes any person at the location of the event without regard to the means by which the person arrived.

F. A person is "present" at a street race or reckless driving exhibition if that person is within two hundred (200) feet of the location of the street race or reckless driving exhibition, or within two hundred (200) feet of the site of the preparations for either of these activities.

G. "News reporter" means a person who is connected with or employed by any news service,

online news service, newspaper, other periodical publication, or radio or television station or network, and who is present at a street race or reckless driving exhibition while gathering, receiving, or processing information for communication to the public in or on behalf of said employer.

H. "Scene" means the site or location of a street race, sideshow, or reckless driving exhibition or the site or location of the preparations for a street race or reckless driving exhibition. The scene includes the path or course of the street race or reckless driving exhibition.

I. "Preparations" for any street race, sideshow, or reckless driving exhibition include, but are not limited to, any of the following acts done for the purpose of a street race, sideshow, or reckless driving exhibition:

1. One (1) or more motor vehicles and persons have arrived at a predetermined location on a public street or highway or in an offstreet parking facility;

2. One (1) or more persons have gathered on, or adjacent to, a public street or highway;

3. One (1) or more persons have gathered in an offstreet parking facility;

4. One (1) or more persons have gathered for a sideshow, motorcycle stunting or other exhibition in conjunction with a street race or reckless driving exhibition;

5. One (1) or more persons have impeded the public use of a public street, highway, or offstreet parking facility by acts, words or physical barriers;

6. One (1) or more motor vehicles have lined up on a public street, highway, or offstreet parking facility with motors running;

7. One (1) or more drivers is revving a motor vehicle's engine or causing the motor vehicle's tires to spin; or

8. A person is standing or sitting in a location for the purpose of acting as a race starter. (ORD-26-0005 § 1, 2026; ORD-22-0008 § 1, 2022)

10.82.020 Spectators Prohibited at Street Races, Sideshows, and Reckless Driving Exhibitions; News Reporters.

A. It shall be unlawful for any person to be knowingly present as a spectator at a street race, sideshow, or reckless driving exhibition conducted on a public street or highway or in an offstreet parking facility.

B. It shall be unlawful for any person to be knowingly present as a spectator where preparations are being made for a street race, sideshow, or reckless driving exhibition conducted on a public street or highway or in an offstreet parking facility.

C. Nothing in this section prohibits peace officers or their agents who are acting in the course of their official duties from being spectators at a street race, sideshow, or reckless driving exhibition and/or spectators at the location of preparations for any of these activities.

D. This section does not prohibit news reporters from being spectators at a street race, sideshow, or reckless driving exhibition and/or spectators at the location of preparations for any of these activities while they are engaged in the gathering of information for purposes of disseminating it to the public. (ORD-26-0005 § 1, 2026; ORD-22-0008 § 1, 2022)

10.82.030 Violations and Admissible Evidence.

A. A violation of this Chapter may be punishable as a misdemeanor or an infraction at the discretion of the City Prosecutor.

B. Notwithstanding any other provision of law, to prove a violation of Section 10.82.020 of this Chapter, admissible evidence may include, but is not limited to, any of the following:

1. That the person charged has previously participated in or been a spectator at a street race, sideshow, or reckless driving exhibition;

2. That the person charged has previously aided and abetted street racing, sideshow, or a reckless driving exhibition;

3. That the person charged has previously attended a street race, sideshow, or reckless driving exhibition; or

4. That the person charged was previously present at a location where preparations were being made for a street race, sideshow, or reckless driving exhibition, or where a street race or reckless driving exhibition was in progress;

5. To the fullest extent permissible by law, evidence of prior act(s) may be admissible to show the plan, opportunity, intent, knowledge, identity and/or propensity of the person charged to be present at a street race, sideshow, or a reckless driving exhibition if the prior act(s) occurred within three (3) years of the presently charged offense. The prior act(s) may also be admissible to show that, in the absence of a mistake or accident, the person charged had knowledge that a street race, sideshow, or reckless driving exhibition was taking place.

C. In addition to the circumstances set out in subsection B of this Section, and notwithstanding any other provision of law, to prove a violation of this Chapter, admissible evidence may also include, but is not limited to, any of the following:

1. The time of day;

2. The nature and description of the scene, including the number and configuration of traffic lanes;

3. The number of people at the scene;

4. The location of the person charged in relation to any person or group of persons present at the scene;

5. The number and types of motor vehicles at the scene;

6. That the motor vehicles at the scene have been modified or altered to increase power, handling, or visual appeal;

7. That the person charged drove or was transported to the scene; or

8. That the person charged admitted to being a spectator at a street race, sideshow, or reckless driving exhibition. (ORD-26-0005 § 1, 2026; ORD-22-0008 § 1, 2022)

CHAPTER 12.04 GENERAL PROVISIONS*

12.04.010 Title.

This title shall be known as the "Long Beach Oil Code." (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 1 (part), 1980: prior code § 3300.1)

12.04.020 Purpose.

It is the intent and purpose of this title to regulate the drilling and redrilling for and the production of petroleum so that these activities may be conducted in conformance with the California Fire Code adopted in Chapter 18.48, State statutes, regulations of the Division of Oil, Gas and Geothermal Resources, in harmony with other City of Long Beach land uses, and to minimize the economic effect of lessening land values in areas wherein drilling and redrilling for the production of petroleum constitutes an activity which is at variance with the predominate land use. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 1 (part), 1980: prior code § 3300.2)

12.04.030 General.

The terms set forth in this Chapter, wherever used in this title, shall have the meanings set forth in this Chapter unless the context requires a different meaning.

Where terms are not defined through the methods authorized by this Chapter, such terms shall have ordinarily accepted meanings such as the context implies. Webster's Third New International Dictionary of the English Language, Unabridged, shall be considered as providing ordinarily accepted meanings. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 1 (part), 1980: prior code § 3300.2.5 (part))

12.04.040 Definitions.

"Abandonment" means the permanent plugging of a well, in accordance with the requirements of the Division of Oil, Gas and Geothermal Resources, the removal of all equipment related to the well, and includes the restoration of the drill sites as required by these regulations.

"A.N.S.I." means the American National Standards Institute.

"A.P.I." means the American Petroleum Institute.

"Approved" means approved by the authority having jurisdiction as defined in this title. "Approved type" or "approved design" means and includes improvements, equipment, or facilities of a type or design approved by the authority having jurisdiction. The authority having jurisdiction under this title, unless otherwise stated in this title, is the Director of the Department of Development Services or his or her designated representative, sometimes referred to in this title as the Director.

"Attended" means the presence of a person who is close enough to petroleum operating facilities so that he or she may reasonably observe the activities of other persons in or near such facilities.

"Blowout" means the uncontrolled discharge of gas, liquids or solids (or a mixture thereof) from a well into the atmosphere.

"Blowout preventer" means a mechanical, hydraulic, pneumatic, or other device or combinations of such devices secured to the top of a well casing including valves, fittings, and control mechanisms connected therewith designed and capable of preventing a blowout.

"Cellar" means an excavation around or above the top joint of the casing of a well.

"Completion of drilling" is deemed to occur for the purpose of this title thirty (30) days after the drilling crew has been released unless drilling, testing, or remedial operations are resumed before the end of the thirty (30) day period.

"Derrick" means any framework, tower or mast together with all the appurtenances to such structure placed over a well for the purpose of raising or lowering pipe, casing, tubing, or other drilling, production or injection equipment out of or into the well.

***Editor's note**—ORD-16-0027 § 1(Exh. A), adopted Nov. 22, 2016, amended Ch. 12.04 in its entirety to read as herein set out. Former Ch. 12.04, §§ 12.04.040—12.04.440, pertained to definitions which have now all been designated and codified as § 12.04.040.

State law reference—Provisions affirming the cities' authority to regulate oil production activities, Pub. Res. Code § 3690.

"Desertion" means the cessation of operations at a drill site without compliance with the provisions of this title relating to suspended operations or abandonment.

"Director" means the Director of Development Services or his or her designated representative.

"Division of Oil, Gas and Geothermal Resources" or "D.O.G.G.R." means the California Department of Conservation, Division of Oil, Gas and Geothermal Resources.

"Drill" or "drilling" means to dig, bore a well, or redrill for the purpose of exploring for, developing, or producing oil, water, gas, or other hydrocarbons or for the purpose of injecting water, steam, or other fluid or substance into the earth, but excluding any well drilled solely for the production of drinking water. Drilling includes all operations through release of drilling crew.

"Drill site" means that surface area used during drilling of an oil or gas well or a well drilled for purposes of secondary petroleum recovery.

"Dwelling unit" means a single unit providing complete, independent living facilities for one (1) or more persons, including permanent provisions for living, sleeping, eating, cooking and sanitation.

"Gas" means the gaseous components or vapors contained in or derived from petroleum or natural gas.

"Guest room" means any room or rooms used or intended to be used by a guest for sleeping purposes. Every one hundred (100) square feet of superficial floor area in a dormitory shall be considered to be a guest room.

"Harbor Board," "Board" or "Board of Harbor Commissioners" means the Board of Harbor Commissioners of the City.

"Harbor district" means the harbor district of the City as defined in the Charter of the City.

"Idle" means the cessation of petroleum operations on a well and equipment incident to such well.

"Lessee" means the possessor of the right to develop and produce petroleum resources.

"Lessor" means the owner of the mineral rights subject to a petroleum lease.

"Maintenance" or "maintain" means the repair and replacement of parts of a structure where same does not alter or lessen the character, strength, or stability of the structure.

"Natural gas processing" means the separation of contaminants and constituents from unprocessed or natural gas for the purpose of producing: (1) natural gas which meets purchase specifications of end users; and (2) marketable extracted products. Among the operations required to accomplish separation may be: gas gathering by pipeline; removal of pipeline dirt; gas compression; gas dehydration; gas sweetening (removal of hydrogen sulfide and carbon dioxide); hydrocarbon liquids removal, recovery, treating and product separation; and nitrogen removal.

"N.F.P.A." means the National Fire Protection Association.

"Oil" means and includes petroleum, and "petroleum" means and includes oil.

"Oil operating areas" means those areas within which drilling and production are allowed under Chapter 12.08. For further particulars, refer to Oil Code Map No. C-216 dated December, 1979 and on file in the Office of the Director.

"Operator" means the person, whether proprietor, lessee, or individual contractor, actually in charge and in control of the drilling, maintenance, and operation of a well or wells.

"Outer boundary line" means the exterior limit of the lands included within a lease or unit comprising several contiguous parcels of land in one (1) or different ownerships which are operated as a single petroleum lease or operating unit. In determining the contiguity of any such parcels of land, no street, road, or alley lying within the lease or unit shall be deemed to interrupt such contiguity.

"Owner," within Chapter 12.32, means the owner of mining rights in land who, in the exercise of those rights, owns or has otherwise acquired the right to occupy the surface of a drill site area to carry on drilling and oil production activities, which activities are or may be the source of noise gov-

erned by Chapter 12.32. In other parts of this title, "owner" shall be defined in the context of the section in which it appears.

"Petroleum" means and includes any and all hydrocarbon substances found in a natural state, including but not limited to crude oil, natural gas, natural gasoline, and other related substances.

"Petroleum lease" means a property right with respect to which a lessee enjoys the right to develop and produce petroleum resources for a determinable period.

"Petroleum operations" means and includes all activities in connection with the exploration and drilling for petroleum and products of petroleum, including secondary and tertiary operations, together with the operation of all equipment and appurtenances incident to such activities and also including natural gas processing.

"Planning Commission" means the City's Planning Commission.

"Redrill" or "Redrilling" means any drilling operation, including deviation from original well bore, to recomplete the well in the same or different zone. The provisions of this title relating to drilling shall also apply to redrilling.

"Remedial" means any work on a well, other than drilling or redrilling.

"Suspended operations" means the suspension of petroleum operations in a well or on the equipment and appurtenances incident to the well.

"Tank" means a structure used in conjunction with either the drilling or production of a well used for holding or storing liquids associated with drilling or producing operations.

"Well" means any hole drilled into the earth for the purpose of exploring for and producing oil or gas, or any hole drilled into the earth on lands producing or reasonably presumed to contain oil or gas, or any hole drilled into the earth for the purpose of injecting fluids or gas for stimulating oil or gas recovery, repressuring or pressure maintenance of oil or gas reservoirs, disposing of oil field waste fluids, or any hole drilled into the earth within or adjacent to an oil or gas pool for the purpose of obtaining water to be used in production, stimulation, or repressuring operations.

"Well servicing" means and includes remedial or maintenance work performed within an existing well.

"Well site" means that surface area used for oil or gas extraction operations or for injection purposes in secondary petroleum recovery operations after drilling is completed. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5935 § 1, 1983; Ord. C-5893 § 1, 1982; Ord. C-5575 § 1 (part), 1980: prior code § 3300.2.5 (part))

CHAPTER 12.08 OIL OPERATING AREAS

12.08.010 Drilling prohibited generally.

Except as in this Chapter otherwise provided, it is unlawful and a nuisance for any person to drill any well, or to erect any derrick or production equipment, or to operate or maintain the same or any thereof, or any portion of any thereof in or upon any real property in the City. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.5)

12.08.020 Permit required.

Except as provided in this Chapter, no petroleum operations shall be carried on in any of the areas set out in this Chapter until a permit, as provided for in this title, has been applied for and issued therefor. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.6 (part))

12.08.030 Area 1—Harbor district central.

Area 1 is that portion of the City bounded as follows:

On the north by the south line of Pacific Coast Highway; on the south by the line of ordinary high tide of the Pacific Ocean; on the east by the west line of the right-of-way of the Los Angeles County flood control district channel of the Los Angeles River; and on the west by the westerly boundary line of the City; to the extent that such drilling, erection, operation and maintenance within the area are not in conflict with that certain initiative ordinance adopted by a vote of the registered

qualified electors of the City at a special municipal election held on the fifteenth (15th) day of June, 1937, pursuant to the provisions of Ordinance No. C-1505, ordinance of the City. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.6 (part))

12.08.040 Area 2—West sixty feet of the flood control channel harbor in district.

Area 2 is the west sixty feet (60′) of the right-of-way of the Los Angeles County flood control district channel of the Los Angeles River, to the extent and in the manner authorized by the judgment in that certain action in the Superior Court of the State, in and for the County of Los Angeles, entitled *"Continental Corporation, a corporation, et al., plaintiffs, vs. City of Long Beach, et al., defendants,"* being action No. 442081 in the files of the Clerk of the Court, and further to the extent and in the manner authorized by judgments in those certain actions in the Superior Court of the State, in and for the County of Los Angeles entitled, *"Continental Southern Corporation, a corporation, et al., plaintiffs, vs. City of Long Beach, a municipal corporation, et al., defendants,"* being action No. 502421 in the files of the Clerk of the Court, and *"Continental Northern Corporation, a corporation, et al., plaintiffs, vs. City of Long Beach, a municipal corporation, et al., defendants,"* being action No. 502422 in the files of the Clerk of the Court. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.6 (part))

12.08.050 Area 3—Tidelands in the harbor district east of the back channel.

Area 3 is that portion of the harbor district of the City lying southerly of the line of ordinary high tide of the Pacific Ocean and easterly of the centerline and its southerly prolongation of the back channel to the Long Beach inner harbor. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.6 (part))

12.08.060 Area 4—Tidelands in the harbor district west of the back channel.

Area 4 is that portion of the harbor district of the City lying southerly of the line of ordinary high tide of the Pacific Ocean and westerly of the centerline and its southerly prolongation of the back channel to the Long Beach inner harbor. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.6 (part))

12.08.070 Area 5—Signal Hill northwest.

Area 5 is that portion of the City as described as follows:

Beginning at the northeasterly corner of Lot 57, Resubdivision of American Heights Tract, as per map recorded in Book 7, page 180, of maps in the Office of the Recorder of the County, said northeasterly corner being in the southerly line of 29th Street (formerly Brandon Street) 50 feet wide, as shown on Map of E. S. Field's Long Beach Heights No. 1, recorded in Book 10, page 196, of maps in the office of said county recorder; thence easterly along the southerly line of 29th Street and the prolongation thereof to a line 90 feet easterly of, measured at right angles and parallel to, the easterly line of Atlantic Avenue, 80 feet wide, said parallel line being the common boundary line between the cities of Long Beach and Signal Hill; thence northerly and easterly along said boundary line to its intersection with the prolongation southerly of the centerline of that portion of Lime Avenue, 60 feet wide, lying north of Wardlow Road; thence northerly along said prolongation and said centerline to the centerline of 35th Street (formerly Chateau Thierry Street), 51 feet in width; thence westerly along said centerline of 35th Street to the prolongation southerly of the easterly line of Lot 10, Block 12, Tract No. 2964, as per map recorded in Book 37, page 35, of maps in the Office of said County Recorder; thence northerly along said prolongation and said easterly line of said Lot 10 to the northeasterly corner of said Lot 10; thence westerly along the northerly line of said Lot 10 and along the prolongation west of said northerly line to the centerline of Atlantic Avenue, 80 feet in width; thence northerly along said centerline of Atlantic Avenue to the prolongation easterly of the northerly line of Lot 17, Block 11, aforementioned Tract No. 2964; thence westerly along said prolongation and along the northerly

line of Lot 1, said Block 11, and the westerly prolongation thereof to the centerline of Linden Avenue, 80 feet wide; thence southerly along the centerline of Linden Avenue to a point in the easterly prolongation of the northerly line of Lot 16, Block 10, aforementioned Tract No. 2964, the same being the most southerly line of 36th Street (formerly Lincoln Avenue), 40 feet wide; thence westerly along said easterly prolongation, said southerly line of 36th Street and its westerly prolongation, to the northwest corner of Lot 1, Block 9, aforementioned Tract No. 2964; thence northwesterly in a direct line to the northeast corner of Fractional Lot 7, Block F, Los Cerritos, as per map recorded in Book 12, pages 198 and 199, of maps in the Office of said County Recorder; thence westerly along the northerly line of Fractional Lot 7 and along the northerly line of Fractional Lot 50, said Block F, aforementioned Los Cerritos, to the northwest corner of Fractional Lot 50, said Block F, said point also being the intersection of the southerly line of 36th Street (formerly Lincoln Avenue), 80 feet wide, and the easterly line of Locust Avenue, 60 feet wide; thence northwesterly in a direct line to the southeast corner of Lot 19, Tract No. 2219, as per map recorded in Book 22, page 41, of maps in the Office of said County Recorder, said point also being the intersection of northerly line of 36th Street and westerly line of Locust Avenue; thence northerly along westerly line of Locust Avenue, 60 feet wide, to the point of intersection with the southerly line of Cameron Place, 60 feet wide, said point being the northeast corner of Lot 1, aforementioned Tract No. 2219; thence northerly in a direct line to the southeast corner of Lot 18, Block B, Tract No. 4921, as per map recorded in Book 53, pages 51 and 52, of maps in the Office of said County Recorder, said point also being the intersection of the northerly line of Cameron Place and westerly line of Locust Avenue; thence northerly along the westerly line of Locust Avenue, 60 feet wide, as shown on map of said Tract No. 4921 to the northeast corner of Lot 42, said Block B, being a point in the southerly line of Bixby Road, 80 feet wide; thence westerly along said southerly line of Bixby Road and its westerly prolongation to the northeast corner of Lot 1, Block C, aforementioned Tract No. 4921, said point being the intersection of the southerly line of said Bixby Road and the westerly line of Weston Place (formerly Pine Avenue), 60 feet wide; thence southerly along the westerly line of Weston Place, 60 feet wide, to the southeast corner of Lot 24, said Block C, said point being the intersection of the westerly line of said Weston Place and the northerly line of Cameron Place, 60 feet wide; thence southerly in a direct line to the northeast corner of Lot 5, aforementioned Tract No. 2219, said point being the intersection of the westerly line of said Weston Place and southerly line of Cameron Place; thence southerly along the westerly line of Weston Place, 60 feet wide, and its southerly prolongation to the point of intersection with the southerly line of 36th Street (formerly Lincoln Avenue), 80 feet wide; thence westerly along the southerly line of 36th Street, 80 feet wide, and its westerly prolongation to the northwest corner of Fractional Lot 156, Block F, aforementioned Los Cerritos, said point also being the intersection of said southerly line of 36th Street with the easterly line of Pacific Avenue, 100 feet wide; thence southerly along the easterly line of Pacific Avenue, 100 feet wide, to the southwesterly corner of Lot 146, Block F, aforementioned Los Cerritos, said point also being the intersection of said easterly line of Pacific Avenue with the northerly line of Wardlow Road, 100 feet wide, as shown on map of said Los Cerritos; thence southerly in a direct line to the northwest corner of Lot 23, Block I, Vista Del Mar Tract No. 2, as per map recorded in Book 10, page 158, of maps in the Office of said County Recorder, said point also being the intersection of the southerly line of Wardlow Road, 100 feet wide, and the easterly line of Pacific Avenue, 100 feet wide; thence southerly along the easterly line of Pacific Avenue, 100 feet wide, to a point in the northerly line of 33rd Street (formerly Del Mar Avenue) 80 feet wide, said point being the southwest corner of Lot 16, said Block I, aforementioned Vista Del Mar Tract No. 2; thence easterly along the northerly line of said 33rd Street, 80 feet wide, to a point in the westerly line of Pine

Avenue (formerly Pacific Boulevard) 120 feet wide, said point being the southeast corner of Lot 1 said Block I, aforementioned Vista Del Mar Tract No. 2; thence southeasterly in a direct line to a point on the easterly line of said Pine Avenue, 120 feet wide, said point also being the southwest corner of Lot 45, Block E, aforementioned Vista Del Mar Tract No. 2; thence southerly along the easterly line of Pine Avenue, 120 feet wide, to a point, said point being the beginning of a tangent curve concave to the northeast and having a radius of 280 feet; thence southeasterly along said curve to a point in the northerly line of 31st Street (formerly Frankfort Street), 120 feet wide; thence easterly along the northerly line of 31st Street, 120 feet wide, to a point, said point being the beginning of a tangent curve concave to the southwest and having a radius of 220 feet; thence southeasterly along said curve to a point on the westerly line of Long Beach Boulevard (formerly American Avenue), 100 feet wide; thence southeasterly in a direct line to a point on the southerly line of 31st Street (formerly Frankfort Street), 60 feet wide, said point also being the northwest corner of Lot 1, Block A, Tract No. 3207, as per map recorded in Book 33, page 7, of maps in the Office of said County Recorder; thence southerly along the westerly line of said Block A, being the easterly line of Long Beach Boulevard (formerly American Avenue), as shown on aforementioned map of Tract No. 3207, to the northerly line of Spring Street, 60 feet wide; thence easterly along the northerly line of said Spring Street, 60 feet wide, and its easterly prolongation to its intersection with the northerly prolongation of the easterly line of the alley, 13 feet wide, west of Atlantic Avenue and south of Spring Street in E. S. 12.08.230 Area 21—Signal Hill reservoir district.

Area 21 is that portion of the City described as follows:

Beginning at the intersection of the southwesterly line of Alamitos Boulevard with a line 150 feet north of and parallel to the north line of Pacific Coast Highway (said southwesterly line of Alamitos Boulevard being also a boundary line of the City) thence northwesterly along said boundary of the City, and following the various courses of said boundary, to the northeasterly line of the Alamitos Tract, as per map recorded in Book 36, pages 37 to 44, miscellaneous records of Los Angeles County; thence southeasterly along said northeasterly line of Alamitos Tract to a line 300 feet east of and parallel to the east line of Termino Avenue; thence south along said parallel to a line 150 feet north of the aforesaid line 150 feet north of and parallel to the north line of Pacific Coast Highway; thence west along said parallel line to the point of beginning. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.6 (part))

12.08.240 Area 22—Amusement park.

Area 22 is that portion of the City described as follows:

Beginning at the southwest corner of Lot 1, Block E of the Strand No. 3, as shown on map recorded in Map Book 11, page 199 of maps, official records of said County; thence south along the Sly, prolongation of the west line of said Lot 1, Block E, 108.00 feet to a point being the true point of beginning for this description; thence continuing north 89° 52′ 12″ east 85.00 feet to a point; thence due south 260.00 feet to a point; thence south 89° 52′ 12″ west 85.00 feet to a point; thence due north 260.00 feet to the true point being located south of West Seaside Boulevard (96 South Chestnut Place). (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.6 (part))

12.08.250 Area 23—Flood control—San Diego Freeway.

Area 23 is that portion of the City described as follows:

Beginning at an angle point in the boundary line of the City as same existed July 1, 1965, and being the most northerly corner of ″Increment 48,″ Annexations of the City of Long Beach, filed with the Secretary of State on October 9, 1944 and the County Recorder on October 19, 1944; thence south 41° 52′ 37″ west, along said boundary line, 651.34 feet; thence north 15° 51′ 40″ west 806.75 feet to the most easterly corner of that certain parcel of land described in deed to Dominguez

Estate Company recorded in Book D2313, page 982 of official records of said County Recorder; thence along the easterly line of said certain parcel of land north 10° 41′ 04″ west 810.51 feet to the most northerly corner of said certain parcel of land; thence north 3° 16′ 34″ east 73.35 feet along the westerly line of that certain parcel of land described as Parcel 1 in deed to the State recorded in Book 50974, page 160 of said official records to the northerly line of said last-mentioned certain parcel of land, thence northerly in a direct line to the southwesterly corner of that certain parcel of land described in the deed to the State recorded in Book D422, page 703 of said official records; thence northerly in a direct line to the most northerly corner of said last-mentioned certain parcel of land; thence northerly along a curve concave easterly and having a radius of 4,068.00 feet in the westerly line of a strip of land, 200 feet wide, described in Parcel 1 of the deed to the State recorded in Book 39027, page 384 of said official records to the southerly terminus of that certain course having a bearing of north 12° 52′ 00″ east in said last-mentioned westerly line; thence north 12° 52′ 00″ east along said last-mentioned westerly line to its intersection with the northeasterly line of the Pacific Electric Railroad right-of-way, 120.00 feet in width, as shown on map filed in Book 75, page 2 of record of surveys in the office of said Recorder; thence southeasterly along said northeasterly line of the railroad right-of-way as shown on County Surveyor's Map C-S B-181 to the intersection of the northwesterly line of Terrylynn Place and the southwesterly line of Del Mar Avenue, said intersection being a point in the boundary line of the City as same existed July 1, 1965; thence along said boundary line of 1965, southeasterly, westerly and northerly along its various courses to the point of beginning. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.6 (part))

12.08.255 Area 24—Bellflower oil drill site.

Area 24 is that portion of the City described as follows:

In the City of Long Beach, County of Los Angeles, State of California, being that portion of the West Half of Section 1, T5S, R12W, San Bernardino Base and Meridian, described as follows:

Beginning at a point in the Los Angeles-Orange County line at the northerly terminus of that certain course shown on the map entitled ″Exhibit ″A″, Superior Court Case No. 638660, *the City of Los Angeles, a Municipal Corporation, and the Department of Water and Power of the City of Los Angeles, Plaintiffs, versus E.A. Bryant, Jr., et al., Defendants,* said course having a bearing and distance of S16° 46′ 45″E and 1,444.82 feet; thence along said course and County line S16° 46′ 45″E, 1,020.00 feet; thence departing said County line at right angles S73° 13′ 15″W 160.00 feet; thence northwesterly parallel to said County line N16° 45′ 45″W 1,020.00 feet; thence N73° 13′ 15″E a distance of 160.00 feet to the point of beginning. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-7838 § 1, 2003)

12.08.257 Area 25—2nd St. and Studebaker Road drill site.

Area 25 is that portion of the City described as follows:

A portion of Parcel 3 of City of Long Beach Lot Line Adjustment no. 9704-08, recorded December 12, 1997 as Instrument no. 97-1958951, official records of Los Angeles County, California, being a portion of the east one-half of section 2, township 5 south, range 12 west, in the Rancho Los Alamitos, as shown on partition map recorded in Book 700, page 141 of deeds, in the office of the Los Angeles County Recorder, described as follows:

Beginning at the southwest corner of said parcel 5, being the southwest corner of said east one-half of section 2, and being the centerline intersection of Westminster Avenue (100 feet wide) and Studebaker Road (100 feet wide); thence north 00° 10′ 03′east, along the westerly line of said parcel 3, being the westerly line of said east one-half of section 2, and also being said centerline of Studebaker Road, a distance of 400.00 feet, thence south 89° 50′ 17″ east, a distance of 493.10 feet; thence south 64° 14′ 06″ east, a distance of 75.63

feet; thence south 00° 52′ 38″ west, a distance of 367.39 feet, to the southerly line of said parcel 3, being the southerly line of said east one-half of section 2, and also being said centerline of Westminster Avenue. Thence north 89° 60′ 17″ west along said southerly line and said centerline, a distance of 556.57 feet, to the point of beginning. (ORD-18-0002 § 2, 2018)

12.08.260 Boundary change—General.

To change an area boundary or create or delete an oil operating area shall require City Council action in accordance with the procedures of Sections 12.08.260 through 12.08.320. However, the City Council shall not act prior to receiving a recommendation thereon from the Planning Commission. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.7(a))

12.08.270 Boundary change—Initiation.

Authority to initiate a change in an area boundary or create or delete an oil operating area shall be vested in the City Council (by minute order), in the Director (by transmittal to the Planning Commission), or by application to the Planning Commission through the Director made by the owner of surface drilling rights in the area encompassed by the creation, addition or deletion, or by the agent of such owner. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.7(b))

12.08.280 Boundary changes—Notice.

Notice of the public hearing shall be provided by mailing a notice to all owners of property within three hundred feet (300′) of the subject drilling site and by posting on the site. The owner of the properties entitled to receive shall be as provided on the latest equalized assessment roll of the County. The notice(s) to be posted shall be posted within ten feet (10′) of any street property line and shall be provided on each street frontage with not less than one (1) notice posted for each three hundred feet (300′) of street frontage and equally spaced along the frontage. If no street frontage exists, one (1) notice shall be posted at a conspicuous location on the site. Notices shall be mailed and posted not less than ten (10) days prior to the hearing date. Failure of any property owner to receive or failure of any member of the public to see the notice shall not invalidate any action taken on a request. Failure to mail notices or failure to post notices shall result in continuance of the hearing. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.7(c))

12.08.290 Boundary change—Planning Commission recommendation.

Within thirty (30) days following a Planning Commission action to recommend a change in an area boundary or to create or delete an oil operating area that recommendation shall be transmitted to the City Clerk for presentation to the City Council. Such recommendation shall give the reasons therefor and shall also disclose whether the decision has been concurred in by all the members of the Planning Commission who are in attendance at the hearing, and in the event the decision has not been concurred in by all such members, the view of the minority of such members shall also be disclosed, except that any action to deny a proposed change to the area boundary or to create or delete an oil operating area need not be transmitted unless the request was initiated by the City Council. A recommendation to deny a change, creation, or deletion may be appealed to the City Council. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.7(d))

12.08.300 Boundary change—Appeal of Planning Commission denial.

The private applicant requesting a change, creation, or deletion may appeal to the City Council the Planning Commission′s recommended denial by filing an appeal with the City Clerk within ten (10) days after the Commission′s action. Upon receipt of an appeal, the City Clerk shall notify the Director and request the transmittal of the Planning Commission′s recommendation to the City Council. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.7(e))

12.08.310 Boundary change—Council action required.

Upon receipt of the recommendation of the Planning Commission, the City Clerk shall set a time for consideration of the matter by the City Council and shall notify the Planning Commission, through the Director and the private applicant, where applicable, of the date and time of such hearing. The Planning Commission may delegate to the Director authority to orally present the Planning Commission recommendation. The decision of the City Council shall be final. Any action by the City Council which concurs with the Planning Commission recommendation shall require a simple majority of the Councilmembers present. Any action by the City Council which overrules a Planning Commission recommendation shall require a two-thirds (2/3) majority of the full Council. If the Council fails to arrive at a decision, the proposal or request shall automatically be continued to the next regularly scheduled Council meeting. The failure of the Council to reach a decision at the subsequent hearing shall be deemed an approval of the Planning Commission′s recommendation. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.7 (f))

12.08.320 Boundary change—Findings required.

In all cases the Planning Commission and the City Council shall be required to make the following findings of fact before changing the boundary of, creating or deleting an oil operating area:

A. The change, creation or deletion will not adversely affect the character, livability or appropriate development of surrounding community;

B. The change, creation or deletion is necessary to produce the petroleum envisioned to be produced from the site, and the petroleum cannot feasibly be reproduced from other sites within oil operating areas by unitization or production agreements, slant drilling or other mechanism; and

C. The change, creation or deletion will not unreasonably hinder production of existing petroleum reserves. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.7 (g))

CHAPTER 12.12 PERMITS

12.12.010 Drilling permit—Required.

No person shall drill or redrill any well without first obtaining a permit therefor from the Director. This permit shall be designated as a drilling permit. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.8)

12.12.020 Well permit—Required.

No person shall operate or maintain any well for petroleum operations, whether active or suspended, without obtaining a permit therefor from the Director. This permit shall be designated as a well permit. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.9)

12.12.030 Drilling permit—Departmental approval required.

No person shall be issued a drilling permit until it has been approved by the Director and, when the proposed work is situated in the Harbor District, the Board of Harbor Commissioners. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.10)

12.12.040 Transfer.

No permit issued under this Chapter may be assigned or otherwise transferred without first providing written notification to the Director and, in the harbor district, the Board of Harbor Commissioners; and any such assignment or transfer made or attempted to be made without such written notification shall be null and void and is without any force or effect whatsoever. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.11)

12.12.050 Drilling permit—Application contents.

Any applicant for a drilling permit shall file with the Director an application in writing on a form furnished for that purpose by the Director. The application shall be accompanied by:

A. A legal description of the oil and gas lease (mining rights) area and the surface operations area within which the applicant proposes to conduct petroleum operations;

B. A plot plan showing the setback areas, surface location of the proposed well, existing and proposed tanks, wells, fences, and other facilities and appurtenant structures, and their relation to any existing hospital, sanitarium, church, rest home, school or dwelling unit or guest room within the distances set forth in this title. The applicant shall not be required to file any plot plan for any well whose surface location is located within an area for which a plot plan has been previously filed unless existing tanks, fences, or other facilities and appurtenant structures are to be relocated or new tanks, fences, or other facilities and appurtenant structures are proposed. A setback shall be provided which will allow all vehicles entering or leaving the drill site to stop or park without extending into the public street or right-of-way;

C. A verified statement signed by the applicant certifying that he or she is duly authorized by the operator to make and file the application and that he or she has read the application and that it is true and correct to the best of his or her knowledge and belief;

D. A certification that the means or method by which liquid spills will be removed from diked areas or catchment basins will conform to the regulations of the D.O.G.G.R.;

E. Prescribed street route to be used by applicant for access to and from drill site for equipment exceeding in size a three-quarter (3/4) ton vehicle;

F. Such other information as may be reason-

ably required by the Director. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.12)

12.12.060 Special conditions—Generally.

In addition to any conditions that are required by other provisions of this title, the Director shall impose the condition or conditions set out in Sections 12.12.060 through 12.12.080 to any permit required under the provisions of this Chapter in oil operating areas 5, 6, 7A, 7B, 8, 9, 12, 13, 16, 18, 19, 21, 22, 23, and 24, and the violation of any of such condition or conditions which shall relate to any or all of the following shall be grounds for revocation of the permit issued:

A. Pipelines. All off-site pipelines serving the site shall be buried below the surface of the ground.

B. Sanitary Facilities. Sanitary facilities shall be installed at any drill site where personnel are permanently stationed. Portable sanitary facilities shall be provided wherever crews are temporarily employed.

C. Lights. All lights shall be shielded or directed so as to confine direct rays to the drill site.

D. Vibration. Vibration from equipment shall be kept to a minimum level, and in such cases as it is required, vibration-dampening equipment of the best available technology shall be installed so as to reduce vibration to a minimum.

E. Painting of Installations. All surfaces of permanent installations within the site shall be painted a neutral color.

F. Signs.

1. Well and Operator Identification Signs. Each well location shall have posted in a conspicuous place on or near such on-site tank or tanks and on well enclosure fence a clearly visible, legible, permanently affixed and weather-resistant sign with the name of the owner or operator, name and number of the lease, the well name and the telephone number where a responsible person can be reached at any time. Well site or sites enclosed with a perimeter fence shall have posted additional signs at or near the entrance or entrances to the site or sites. Signs shall have letters not less than one and one-half (1-1/2) inches in height and contrasting color with the background. Signs shall be maintainted on the premises from the time materials are delievered for drilling purposes until the well or wells are plugged and abandoned.

2. Prohibited Signs. All other signs that are visible from outside of the site or sites shall be prohibited.

EXCEPTIONS:

a. Such signs as required by this title or by law;

b. Warning signs; or

c. No trespassing signs.

G. Hours of Operation. All site work, operation of any tools or equipment used for the construction, alteration, repair, remodel, drilling, demolition, delivery of equipment or materials attendant to the preparation of a new drill, site maintenance or any other related oil site activities that produce loud or unusual noise which annoys or disturbs a reasonable person of normal sensitivity are permitted only between the days and hours listed below:

• Weekdays and Federal Holidays:	Between the hours of 7:00 a.m. and 7:00 p.m.
• Saturdays:	Between the hours of 9:00 a.m. and 6:00 p.m.
• Sundays:	Prohibited

EXCEPTION: Except in case of emergency work that is required to avert a disaster at the well site or off-site piping associated to the well operation.

H. Storage of Equipment. All equipment or material related to the drilling or redrilling of any well shall be stored within a fenced area of the drill site. There shall be no storage of material, equipment, machinery or vehicles which is not either intended for the prompt use in connection with the petroleum operations at the drill site or for the convenience of personnel working at the site. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.13 (a))

Editor's note—Formerly codified as § 12.12.070. ORD-16-0027 deleted the former § 12.12.060 entitled "Special conditions—Imposed," which derived from: Ord. C-5575 § 2 (part), 1980; and : prior code § 3300.13 (part).

12.12.070 Special conditions—Drilling or redrilling operations.

A. Delivery of Equipment. The delivery or removal of equipment or material from the drill site shall be limited to the hours as indicated in Subsection 12.12.060.G, except in case of emergency.

B. Fencing. Within sixty (60) days of commencement of drilling operations, the drill site and all installations thereon shall erect a fence not less than six feet (6′) in height and not comprised of barbwire, unless action has been initiated by the operator to abandon the well(s) according to the procedures established in this title. Fencing required under this Subsection shall otherwise conform to the regulations of the D.O.G.G.R. as set forth in Title 14, Division 2, Chapter 4, Subschapter 2, Article 3, Section 1778, of the California Code of Regulations.

Setbacks for such fencing shall be twenty feet (20′) from the street frontage front drill site line, and five feet (5′) from the street frontage side drill site line on a corner lot. Such fencing shall be constructed of solid masonry or solid wood walls with solid gates or an alternate material equally as effective in concealing oil operations. Fencing required under this Subsection shall be painted a neutral color compatible with the immediate surrounding area. Such fencing shall be maintained in a neat and orderly condition. Chain-link fence with opaque material inserted between the links does not comply with the requirements of this Subsection.

The foregoing fencing requirement for solid masonry walls, solid wood, or an equally effective alternate does not apply to drill sites where the only requested activity is for redrilling of a well or wells only for the purpose of maintaining the original bore or bores.

C. Landscaping and Irrigation. Within sixty (60) days of commencement of drilling operations all areas outside the drill site fence shall be landscaped and an irrigation system installed to maintain the landscaping, unless action has been initiated by the operator to abandon the well(s) according to the procedures of this title. Such landscaping and irrigation shall be in compliance with a landscape plan on file and approved by the Director prior to issuance of the drilling permit and shall thereafter be maintained in a neat and healthy condition. The minimum landscaping shall consist of one (1) tree of not less than fifteen (15) gallon size for each one hundred (100) square feet of area outside the drill site fence; three (3) shrubs for each tree and suitable groundcover. The foregoing provisions of this Subsection requiring submittal and implementation of a landscaping plan and irrigation system and minimum landscaping requirements do not apply to drill sites where the only requested activity is for redrilling of a well or wells only for the purpose of maintaining the original bore or bores.

D. Off-site Improvements. Concurrently with the filing of the landscape and irrigation plans, all applicants for drilling permits shall file an off-site improvement plan for curbs, gutters, and sidewalks. Said improvements shall be designed according to the specifications of the City Engineer. Such improvements shall be in place within sixty (60) days after the commencement of drilling operations. The provisions of this Subsection do not apply to drill sites where the only requested activity is for redrilling of a well or wells only for the purpose of maintaining the original bore or bores. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.13 (c))

12.12.080 Special conditions—Petroleum operations.

A. Removal of Petroleum. When pipeline connections are available, petroleum produced at the well site may be removed by underground pipeline or pipelines. Petroleum produced at well sites where pipeline connections are not available shall be removed by truck. Such trucking shall be restricted to the Hours of Operations as indicated in Subsection 12.12.060.G.

B. Tanks. The number of tanks shall be kept to a minimum and new tanks shall be installed so that the height of the tank does not exceed sixteen feet (16′) above grade.

C. Process Operations. The only process operations permitted at the well site is the dehydration of crude oil and wet gas produced from the well and those process operations required for injection purposes unless otherwise required by the D.O.G.G.R.

D. Flaring or Venting. Gas shall not be vented to the atmosphere, nor burned by open flame, unless prior approval therefor is obtained from the D.O.G.G.R.

E. Well Servicing. Except in case of emergency, well servicing operations shall be restricted to the Hours of Operaitons as indicated in Subsection 12.12.060.G.

F. Fencing. For renewal of well permits for wells existing prior to July 1, 1980, such wells shall be enclosed with a chain-link fence in accordance with Section 12.28.030 or with approved alternate fencing prior to renewal of a well permit. For well permits issued subsequent to July 1, 1980, the chain-link fence shall have opaque material of a neutral color approved by the Director inserted between the chain links. The Director may approve a fence of alternative material more effective in concealing the oil operations provided that it is compatible with the surrounding residential neighborhood. All existing masonry walls or alternate fencing that were constructed as a condition for drill permits shall remain in place. Fencing shall not be less than six feet (6′) in height and shall be maintained in a neat and orderly condition.

G. Landscaping. No well permit shall be issued unless landscaping is installed and maintained to screen and buffer the full perimeter of the well site from adjoining nonindustrial zoned properties. Such landscaping shall be in conformance with the landscape plan submitted to the Director. The approved landscape plan shall include sufficient tree and/or shrub plantings to screen and buffer the well site to the satisfaction of the Director. Further, such landscaping and landscape plan shall include suitable groundcover sufficient to prevent erosion and weed growth within the landscaped area, if necessary, given the shape or topography of the site. The landscaping requirements of this Section shall not apply to any site outside of the Coastal Zone which, upon the effective date of this ordinance, is effectively screened by a solid wooden fence or masonry wall and the existing screening prevents the planting and maintenance of the required landscaping.

H. Additional Requirements for Well Sites in the Coastal Zone. In recognition of the fact that the Coastal Zone is a unique asset of the State and in order to preserve and enhance the quality of this asset, the requirements set forth in these regulations for drilling and redrilling operations relating to fencing, landscaping and irrigation, and off-site improvements, Subsections C, D and E of this Section, shall be implemented at all well sites located in nonindustrial zones of the Coastal Zone.

I. Oil Separation and Oil Field Waste Disposal Facilities. All oil separation and oil field waste disposal facilities shall provide the following public improvements and screening, or cease operations, within one (1) year of the effective date of this provision:

1. Install curbs, gutters, sidewalks, street trees and roadway improvements, to the center line of the adjoining roadway, to the satisfaction of the Director of Public Works, as would be required of a new residential subdivision;

2. Install a visually solid fence, not less than six feet six inches (6′-6″) in height, including visually solid gates, set back not less than six feet six inches (6′-6″) from the public right-of-way; and

3. Install landscaping in the setback area between the screen fence and the public right-of-way, to the satisfaction of the Director, with not less than one (1) twenty-four inch (24″) box and seven feet (7′) in height tree for each one hundred (100) square feet of setback area, and three (3) shrubs for each tree, and groundcover sufficient to prevent erosion and weed growth. Substitutions of plant materials shall be allowed according to the provisions of Subsection 21.42.040.D. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-7347 § 1, 1995; Ord. C-5990 § 1, 1983; Ord. C-5575 § 2 (part), 1980: prior code § 3300.13(d))

Editor's note—Former § 12.12.080 was entitled ″Special conditions—Drill site preparation,″ which derived from: Ord. C-5575 § 2

(part), 1980; and prior code § 3300.13(b), has been deleted. With the inclusion of ORD-16-0027 all remaining sections of Ch. 12.12 have been renumbered accordingly, as herein set out.

12.12.090 Special conditions variance—Authorized.

The operator may request a variance to the special conditions contained in Sections 12.12.060 through 12.12.080 and/or acoustical blanket requirements provided in Section 12.32.030, except the requirements for sanitary facilities and the restrictions on process operations and gas flaring or venting. A filing fee as prescribed by City Council resolution for a standards variance shall accompany each application. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.14 (part))

12.12.100 Special conditions variance—Hearing Examiner.

The position of special conditions Hearing Examiner is established to hear and decide requests for variances from the special conditions required in Sections 12.12.060 through 12.12.080. The Hearing Examiner shall be appointed by the Director. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.14(a))

12.12.110 Special conditions variance—Hearing.

Any request for a variance from the special conditions of this Chapter shall be considered in a public hearing by the Hearing Examiner. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.14(b))

12.12.120 Special conditions variance—Notice.

Notice of the public hearing shall be provided by mailing a notice to all owners of property within three hundred feet (300′) of the subject drill site and by posting on the site. If less than ten (10) property owners own property within three hundred feet (300′) of the subject site, then the radius of notice shall be expanded to include the ten (10) property owners nearest the site. The owner of the properties shall be entitled to receive notice as provided on the latest equalized assessment roll of the County Assessor. The notice(s) to be posted shall be posted within ten feet (10′) of any street property line and shall be provided on each street frontage with not less than one (1) notice posted for each three hundred feet (300′) of street frontage and equally spaced along the frontage. If no street frontage exists, one notice shall be posted at a conspicuous location on the site. Notices shall be mailed and posted not less than ten (10) days prior to the hearing date. Failure of any property owner to receive or of any member of the public to see the notice shall not invalidate any action taken on a request. Failure to mail notices or failure to post notices shall result in a continuance of the hearing. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.14(c))

12.12.130 Special conditions variance—Hearing Examiner action.

The Hearing Examiner may approve, approve with conditions, partially approve, deny or refer any request to the Planning Commission for action without prejudice. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.14(d))

12.12.140 Special conditions variance—Findings required.

A variance from the special conditions may be granted by the Hearing Examiner, or by the Planning Commission, only if the following findings of fact are made:

A. The variance will not adversely affect the character, livability, or appropriate development of abutting properties or the surrounding area and will not be detrimental to the public welfare;

B. There are unique physical circumstances directly related to the variance request that differentiate the subject drill site from other drill sites in the same area;

C. Strict compliance with the special conditions would create an unreasonable economic hardship or a physically infeasible requirement due to the unique circumstances of the drill site; and

D. The variance will not conflict with the regulations of the D.O.G.G.R. Any action to approve a variance request shall require written findings to be issued prior to the effective date of this variance. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.14(e))

12.12.150 Special conditions variance—Appeal.

The decision of the Hearing Examiner may be appealed to the Planning Commission pursuant to the following provisions:

A. Time Limit. An appeal must be accompanied by a statement specifying the reasons therefor and must be filed within ten (10) days after the public hearing or within ten (10) days of the issuance of the findings, whichever is later.

B. Right to Appeal. Besides the applicant, any aggrieved person may file an appeal.

C. Filing. An appeal shall be on a form provided by the Department of Development Services and shall be filed with the Department of Development Services within the specified time limit. A fee shall accompany an appeal filed by the variance applicant as established by the City Council.

D. Public Hearing. Upon filing of an appeal, a public hearing shall be held within thirty (30) days from the filing date. Notice of the hearing on appeal shall be sent to interested parties who have contacted the Hearing Examiner and requested notice of the hearing on appeal.

E. Actions. The decision of the Planning Commission shall be final and shall be in writing and mailed to the applicant, the appellant (if other than the applicant), and any other interested parties who have requested such determination. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.14(f))

12.12.160 Other permits.

Any work for which a permit is required, and which is not covered in this Chapter, shall be done pursuant to such permit issued according to the provisions of the Long Beach Municipal Code. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.15)

12.12.170 Drilling permit—Fees.

Each person applying for a drilling permit shall, at the time of filing the applicant therefor, pay to the Director a nonrefundable permit fee, as set forth by City Council resolution, for each well for which such permit is desired. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.16)

12.12.180 Well permit—Fees.

Any person who is an operator of any well shall pay a nonrefundable annual well permit fee as set forth by City Council resolution for each well operated and maintained by such person. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.17)

12.12.190 Term.

Any well permit issued according to the provisions of this Chapter shall expire one (1) year from date of issuance, or as set forth by City Council resolution, and any and all privileges granted pursuant to such permit shall terminate, unless the permittee has renewed the permit or has pursuant to a drilling permit commenced drilling or redrilling operations within the year following the date of issuance of the permit. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.18)

12.12.200 Fees—Delinquency penalty.

If any fee required to be paid to the Director in this Chapter is not paid within thirty (30) days from the time it becomes due and payable, the same shall thereupon become delinquent, and a penalty in an amount equal to twenty-five percent (25%) of the fee shall be added thereto for such delinquency, which penalty shall be and become part of such fee and shall be enforced and collected as part of such fee. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.19)

12.12.210 Fees—Constitutes lien.

Each and all of the fees required by this Chapter to be paid to the Director shall constitute a lien

upon the well and related production equipment for which permits provided for in this Chapter are required, and upon the property on which the well is situated. The lien for any fee for the drilling permit shall attach when the work is commenced in connection with the operation for which the permit is required, and the lien for any fee for the well permit shall attach on the first (1st) day of July of the fiscal year for which the permit is required. Each lien shall have the effect of an execution duly levied against all such property on which the lien exists, and shall remain until the fee is paid or the property sold in payment thereof. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.20)

12.12.220 Fees—Liability for payment.

Each of the persons whose duty it is to obtain, or cause to be obtained, any permit from the Director, as provided in this Chapter, shall be, and is declared and made to be, jointly and severally liable for the payment of the fee required to be paid to the Director for the permit. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.21)

12.12.230 Fees—Collection by court action.

In the event of the nonpayment of any fee required by this Chapter to be paid the Director, the Director shall transmit to the City Attorney a notice of the fee being unpaid, and the City Attorney shall proceed to collect the fee from any such person so liable therefor by appropriate action in a court of competent jurisdiction. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.22)

12.12.240 Designation of agent.

Upon filing the application for permit, every operator of any well shall designate an agent upon whom all orders and notices provided in this title may be served in person or by registered or certified mail. Every operator so designating such agent shall within thirty (30) days notify the Director in writing of any change of the agent or the mailing address unless operations within the City are discontinued. Service by registered or certified mail, or in person on the agent so designated, shall constitute service upon the operator for all purposes of this title. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.23)

12.12.250 Notice of sale or transfer.

The operator shall notify the Director and, in the Harbor District, the Board of Harbor Commissioners, in writing of the sale, assignment, transfer, conveyance, or exchange by the operator of wells, property, and equipment appurtenant thereto within thirty (30) days after such sale, assignment, transfer, conveyance or exchange. The notice shall contain the following:

A. The name and address of the person to whom the well and property was sold, assigned, transferred, conveyed, or exchanged;

B. The name and location of the well;

C. The date of sale, assignment, transfer, conveyance or exchange;

D. The date when possession was relinquished by the former operator; and

E. Acknowledgment by new operator of the special conditions imposed by Sections 12.12.060 through 12.12.080. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 2 (part), 1980: prior code § 3300.24)

CHAPTER 12.16 WELL LOCATION*

12.16.010 Compliance required.

Notwithstanding any other provisions of this title, it is unlawful and a nuisance for any person to drill any well, or to erect any derrick or production equipment, at any location within those areas in the City within which such drilling, erection, operation and maintenance are permitted as in this title provided unless such well, derrick and produc-

tion equipment are located as provided in this Chapter. The provisions of this Chapter shall not apply to wells for which permits have been issued prior to the effective date of the ordinance codified in this Chapter. Where there is a conflict between this Chapter and any provisions required by State statutes or the D.O.G.G.R., the most restrictive shall govern. (ORD-16-0027 § 1(Exh. A), 2016)

12.16.020 Location.

The location of new wells to existing buildings, structures or sources of ignition and the location of new buildings, structures or sources of ignition to existing wells shall comply with Section 5706.3.1 of the California Fire Code adopted in Chapter 18.48. (ORD-16-0027 § 1(Exh. A), 2016)

12.16.030 Consolidated drill site plans.

To encourage the consolidation of oil production facilities whenever feasible so as to make surface land areas available for productive non-oil surface use, special consideration shall be given to modification of well setback requirements when necessary to make feasible the use of sites for consolidated oil drilling surface facilities. Such modifications shall be reviewed and approved in the same manner as other exemptions, variances and modifications under this title. An application for a drilling permit may include a request for review and approval of an overall plan for the location of facilities, including future well bores, within a consolidated drill site. Upon approval of such plan, facilities and well bores located in accordance therewith shall be deemed to be in compliance with the setback requirements of this title. (ORD-16-0027 § 1(Exh. A), 2016)

CHAPTER 12.20 DERRICKS

12.20.010 Standards.

All derricks and masts erected for drilling, redrilling or remedial operations after the effective date of the ordinance codified in this title shall conform to the California Division of Industrial Safety standards. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.29)

12.20.020 Removal.

All derricks and masts hereafter erected for drilling, redrilling or remedial operations, or for use in production operations, shall be removed within thirty (30) days after completion of the work unless otherwise ordered by the D.O.G.G.R. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.30)

CHAPTER 12.24 BLOWOUT PROTECTION

12.24.010 Drilling and redrilling.

During drilling and redrilling operations, protection against blowout shall be provided in accordance with the most recent edition of the D.O.G.G.R Publication No. MO7 - Blowout Protection in California. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.31)

12.24.020 Other wells.

For all operations other than drilling and redrilling, protection conforming to the requirements of the most recent edition of the D.O.G.G.R Publication No. MO7 - Blowout Protection in California, shall be provided to prevent the blowout of a well. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.32)

CHAPTER 12.26 NATURAL GAS PROCESSING FACILITIES

12.26.010 Locations for establishment or expansion.

The establishment or expansion of natural gas processing facilities shall be limited to oil operating areas, and in no event shall the establishment or expansion of such processing, except gas dehydration, be permitted in oil operating areas 5, 6, 7A, 7B, 8, 9, 12, 13, 16, 18, 19, 21, 22, 23 and 24. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5935 § 5 (part), 1983)

12.26.020 Development standards.

Prior to establishing or expanding any natural gas processing facility, the applicant shall submit fencing and landscaping plans to the satisfaction of the Director. Such plans shall contain as a minimum a solid block fence not less than eight feet (8′) in height separating the use or the expansion from the public right-of-way (plus any transition necessary to reasonably enclose an expansion area). Such plans shall also contain not less than one (1) tree, of not less than fifteen (15) gallon size, for each ten feet (10′) of street frontage of the use or expansion, and three (3) shrubs, of not less than five (5) gallon size, for each tree. Such landscaping is to be located outside the block fence and is to be supported by an automatic irrigation system. Such fencing, landscaping and irrigation shall be in place prior to occupancy of the use or expansion. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5935 § 5 (part), 1983)

CHAPTER 12.28 DEVELOPMENT STANDARDS

12.28.010 Road and drill site surfacing.

Prior to commencement of any drilling operation, all private roads used for access to the drill site and the drill site itself shall be maintained in such manner so as to minimize dust and mud. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.33)

12.28.020 Waste control.

All persons having possession of or in control of any well from which drilling fluid, drill cuttings, petroleum and any other oil field wastes are derived or result from, or is connected with, the drilling, redrilling, or servicing of any well, shall discharge such wastes into a tank adequate to hold such waste. Tank width shall not exceed twelve feet (12′). Such tanks used for waste control shall be removed from the drill site within thirty (30) days after completion of drilling. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.34)

12.28.030 Fencing.

All well production equipment having external moving parts hazardous to life or limb shall be attended twenty-four (24) hours per day, or be enclosed by fencing in conformance with Title 14, Division 2, Chapter 4, Subchapter 2, Article 3, Section 1778 of the California Code of Regulations. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.35)

12.28.040 Well cellars.

All well cellars shall conform to the California Division of Industrial Safety regulations, Title 8 of the California Code of Regulations, Title 14, Division 2, Chapter 4, Subchapter 2, Article 3, Section 1774 of the California Code of Regulations, and the California Fire Code adopted in Chapter 18.48. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.36)

12.28.050 Removal of equipment.

All persons having possession of or in control of any well shall diligently pursue drilling operations until the well is completed or abandoned to the satisfaction of the D.O.G.G.R., and upon completion or abandonment shall remove all drilling equipment from the drill site within thirty (30) days following the completion or abandonment of the well unless otherwise ordered by the D.O.G.G.R. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.37)

CHAPTER 12.32 NOISE

12.32.010 Excessive noise prohibited.

It is unlawful for any person to operate or cause to be operated any oil production or gas processing equipment on any well, or incidental to a well, within the incorporated limits of the City in any manner so as to create any noise which causes the exterior and interior noise level at the receiving property to be in excess of those limits provided in Chapter 8.80. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5935 § 2, 1983: Ord. C-5575 § 3 (part), 1980: prior code § 3300.38)

12.32.020 Areas 5, 6, 7A, 7B, 8, 9, 12, 13, 16, 18, 19, 21, 22, 23 and 24.

A. No person, either as owner, agent, or operator, shall conduct any drilling, or redrilling operation at any well located within oil operating areas 5, 6, 7A, 7B, 8, 9, 12, 13, 16, 18, 19, 21, 22, 23 and/or 24 in any manner so as to create any noise which causes the exterior noise level when measured at the property line of any single- or multiple-family dwelling unit, guest room, commercial building, school, hospital, church, or public library to exceed the noise level standards set forth in Table 1. The exterior noise level generated by the drilling or redrilling operation shall be continuously monitored to ensure conformance to the noise level standards. The costs of such monitoring shall be borne by the operator conducting such operation.

Table 1

* In accordance with Chapter 8.80 - Noise

No person, either as owner, agent, or operator, shall conduct any drilling or redrilling operation at any time at any well located in oil operating areas 5, 6, 7A, 7B, 8, 9, 12, 13, 16, 18, 19, 21, 22, 23 and/or 24 in any manner so as to create any noise which causes the interior noise level in excess of those limits provided in Chapter 8.80.

If the existing ambient noise level, exclusive of existing drilling activity, at the nearest adjacent dwelling unit, guest room, commercial building, school, hospital, church or public library property line to the requested oil drilling site does not exceed the permitted nighttime noise levels in Table 1 for any period, then the following regulations shall apply:

1. The only activity permitted between the hours of seven p.m. (7:00 p.m.) and seven a.m. (7:00 a.m.) will be "on bottom" drilling, with single joint connections. During the same time frame, none of the following will be allowed:

a. Hammering on pipe;

b. Racking of pipe;

c. Acceleration and deceleration of engines or motors;

d. Use of drilling assembly rotational speeds that cause more noise than necessary and could reasonably be reduced by use of a slower rotational speed;

e. Picking up or laying down drill pipe, casing, tubing or rods into or out of the drill hole.

2. If the measured ambient level exceeds that permissible within any of the first four (4) noise limit categories in Table 1 above, the allowable noise exposure standard shall be increased in five (5) decibel increments in each affected category as appropriate to encompass or reflect the ambient noise level. In the event the ambient noise level exceeds the fifth (5th) noise limit category, the maximum allowable noise level under said category shall be increased to equal the maximum ambient noise level.

3. If the difference between the noise levels with noise source operating and not operating is four (4) decibels or greater, then the noise measurement of the alleged source can be considered valid with a correction applied to account for the contribution of the ambient noise. The correction is to be applied in accordance with data shown in Table 2.

Table 2
BACKGROUND NOISE CORRECTION

Difference Between Total Noise and Background Noise Alone (Decibels)	Amount to be Subtracted from Total Noise Measurement (Decibels)
4.0 - 4.5	2.0
4.5 - 6.0	1.5
6.0 - 8.0	1.0
8.0 - 10.0	.5

The sound level meter used in conducting noise evaluations shall meet A.N.S.I. Standard S1.4-1983 (R2006) Specifications for Sound Level Me-

ters, Type 1 or Type 2, or an instrument and the associated recording and analyzing equipment that will provide equivalent data. The acoustic terminology used in these sections shall be defined as in Section 8.80.020, and noise measurements procedure shall be conducted in compliance with methods specified in Section 8.80.140.

B. In the event that the owner, agent or operator conducting any operation which produces a noise level believed to be in excess of the noise levels provided in this Section refuses or otherwise declines to shut down the drilling operation so that the ambient noise level can be measured, then the ambient noise level shall be estimated by performing a measurement in the same general area of the offending source but at a sufficient distance such that the offending noise from the source is inaudible.

C. If measurements conducted under Subsections A or B of this Section indicate a noise level in excess of that provided in Subsection A, such drilling operation shall be deemed to be in violation of this Section.

D. Violation of any provision of this Section shall be cause for a notice of violation to be issued by the Director. Thereafter, if the violation of any such condition or conditions of this Section is not brought into compliance with this title, the Director shall restrict the hours of operations as indicated in Subsection 12.12.060.G. The procedure for violation provided in this Section shall not be exclusive but shall be in addition to any other procedure for violation which the Director can employ under the provisions of this title. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.39)

12.32.030 Acoustical blankets.

A. No person, either as owner, agent or operator, shall conduct any drilling or redrilling operations on any well located within the oil operating areas 5, 6, 7A, 7B, 8, 9, 12, 13, 16, 18, 19, 21, 22, 23 and 24 unless all derricks and all drilling machines which produce noise and which are used in connection with said drilling or redrilling operations are enclosed with soundproofing material as provided in Subsection B of this Section.

B. When soundproofing is required by the provisions of Subsection A of this Section, such soundproofing shall comply with accepted A.P.I. standards and shall be subject to Fire Department regulations. All doors and similar openings shall be kept closed during drilling operations, except for ingress and egress and necessary logging and well completion operations. Alternate materials or methods of soundproofing may be used, provided that such alternative has been approved by the Director and the Fire Chief. The Director and the Fire Chief may approve any such alternative if they find that the proposed material and method is equal to soundproofing ability and fire-resistive qualities to the aforesaid specifications. Either may require the submission of evidence to substantiate any claims that may be made regarding the use of such alternative. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.40)

12.32.040 Monitoring operations authorized.

For the purpose of noise abatement, the Director shall have the authority to monitor the operation of oil field equipment used for drilling, redrilling, well servicing, remedial or maintenance work. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.40)

CHAPTER 12.36 ABANDONED AND IDLE WELLS

12.36.010 Abandonment procedure.

Upon the final and permanent cessation of all operations on any well, or upon the revocation, neglect, or failure to obtain or to maintain in full force and effect under the provisions of this title, the permit required to be obtained under this title from the Director, the permittee:

A. Shall abandon the well in accordance with the rules and regulations of the D.O.G.G.R.; and

B. In accordance with the regulation of the D.O.G.G.R. shall remove from the premises all equipment used in connection with the well that is not necessary for the operation or maintenance of other wells of permittee in the vicinity;

C. Shall cause all sumps, cellars, and ditches which are not necessary for the operation or maintenance of other wells of permittee in the vicinity to be cleaned out and all oil, oil residue, drilling fluid, and rubbish removed therefrom and the sumps, cellars, and ditches leveled or filled, all in accordance with the D.O.G.G.R. Where such sumps, cellars, and ditches are lined with concrete, permittee shall cause the walls and bottoms to be broken up and removed;

D. Shall cause the premises to be cleaned and graded and left entirely free of oil, rotary mud, oil-soaked earth, asphalt, tar, concrete, litter, debris, and other substances, and left in a clean and neat condition, all to the satisfaction of the D.O.G.G.R.;

E. Shall cause all streets, sidewalks, and other places constituting public property which may have been disturbed or damaged in connection with any operation, including operations for the abandonment of the well, to be cleaned, and, except for ordinary wear and tear of public streets and highways, restored to substantially the same condition thereof as the same existed at the time of issuance of the permit, or at the time operations were first commenced in connection with the drilling, operation or maintenance of the well, whichever may be earlier;

F. Shall conduct work related to such abandonment during the hours as specified in Subsection 12.12.060.G; and

G. Notwithstanding the provisions of this Section, permittees who are also the owners of the fee simple interest in the land on which the abandoned well is located may, pursuant to procedures set forth in Sections 12.36.050 and/or 12.48.030, be granted an exemption from the provisions of this Section. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.42)

12.36.020 Idle well—Determination.

A well shall be deemed to be an idle well if it has not been utilized for any purpose for a twenty-four (24) month period immediately preceding the date of service of notice as provided in Section 12.36.030; except any well located in a subsidence area as defined under the provisions of the California Public Resources Code or any well that permittee is retaining for use under a secondary or tertiary recovery plan which has been approved by the D.O.G.G.R. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.43)

12.36.030 Idle well—Notice.

Whenever a well is an idle well, as defined in Section 12.36.020, the Director may send notice thereof by registered mail to:

A. The surface owner, mineral owner, and lessee of land on which the well is located as shown on the last equalized assessment roll of the City; and

B. The permittee of the well.

Within ninety (90) days after the Director has sent notice of an idle well, the Director shall request the D.O.G.G.R. to commence abandonment proceedings. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.44)

12.36.040 Suspension of provisions.

The provisions of Section 12.36.010 and/or Section 12.36.020 shall be suspended from the date that an application for exemption is filed with the Director as provided in Section 12.36.050 until a decision on the application is rendered. If no action is taken by the Director within fifteen (15) days from the date of filing the application for exemption, it should be deemed to have been denied on the sixteenth (16th) day after such filing. If the application for exemption is denied, and an appeal is filed with the Planning Commission as provided in Section 12.48.030, the provisions of Section 12.36.010 and/or Section 12.36.020 shall remain suspended until the appeal is granted or denied. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.45)

12.36.050 Application for exemption.

Within thirty (30) days after notice of an idle well is sent as provided in Section 12.36.030, the owner or owners of the fee simple interest thereof may apply to the Director for an exemption from the provisions of Sections 12.36.010 and/or

12.36.020. Each application shall be in writing, filed in such form and manner as prescribed by the Director, and pay a fee as set forth by City Council resolution. The application shall contain a description of the subject property and a detailed explanation of the request for the exemption. The application shall be accompanied by maps of the subject property as deemed necessary by the Director, the maps to be prepared and verified by a licensed land surveyor or a registered civil engineer, and shall show in detail each structure or improvement that is the subject of the requested exemption and shall depict the size, depth, and lateral location of each structure or improvement with reference to the boundary lines of the property and to any appropriate reference points. Inspections of the subject property shall be conducted under the direction of the Director, including such inspections and reports by other departments of the City as the Director deems necessary. Upon the completion of the inspections and reports, the Director shall determine whether the circumstances justify the granting of an exemption, and, if so, grant to the applicants, subject to any conditions, limitations, and restrictions which the Director shall impose, an exemption to the requirements of Sections 12.36.010 and/or 12.36.020, provided that:

A. The applicant has shown good cause why there has been no production during the aforesaid preceding period of twenty-four (24) months or otherwise why there has been a cessation of production;

B. There are practical difficulties or unnecessary hardships resulting from the strict enforcement of this Chapter;

C. It will not be detrimental to the public welfare or to the owners of the adjacent property; and

D. It will not interfere with the orderly development of the City as provided under Title 21.

Each exemption shall be in force and effect until those structures or improvements which have been permitted to remain by reason of the exemption affect a project on the subject property for which a building permit is required. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.46)

12.36.060 Conclusively idle wells.

Notwithstanding any other provision of this Chapter to the contrary, in the case of a well for which a notice of intention to abandon has been given to the D.O.G.G.R. pursuant to Section 3229 of the California Public Resources Code, or any amendment thereto, such wells shall conclusively be deemed to be idle wells. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.47)

12.36.070 Right of entry for inspection.

Any officer or employee of the City whose specific duties require the inspection of the premises shall have the right and privilege at any time upon notice to enter upon any premises upon or from which any operations being conducted for which any permit has been issued or is required under this title, for the purpose of making any of the inspections in this title, or in any other ordinance of the City, provided to be made, or for any other lawful purpose. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.48)

CHAPTER 12.40 STORAGE

12.40.010 Zoning regulations applicable.

Title 21 Zoning Regulations shall be applicable to the construction, operation, and maintenance of any structure or facility to be used for the storing or handling of oil or any flammable liquid, except when such structure or facility is used in connection with the drilling, redrilling, servicing a well or production of oil therefrom. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.49)

12.40.020 Maximum tank capacity for each producing oil well.

If oil or other liquid storage facilities are established incidental to a producing well on a drill

site, the total capacity of such storage facilities shall not exceed two thousand (2,000) barrels or approximately sixty-three thousand (63,000) gallons per well. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.50)

12.40.030 Design, construction, installation and maintenance of storage tanks.

Petroleum storage tanks shall be designed, constructed, installed and maintained in accordance with applicable provisions of Title 8 of the California Code of Regulations, Title 14, Division 2, Chapter 4, Subchapter 2, Article 3, Section 1773 of the California Code of Regulations, the California Fire Code adopted in Chapter 18.48, and Fire Department regulations. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.51)

12.40.040 Loading by truck from production tank sites.

Loading by truck from production tank sites shall be in accordance with Fire Department regulations. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.52)

CHAPTER 12.44 FIRE PREVENTION

12.44.010 Electrical equipment.

All electrical equipment used, installed or maintained within fifty feet (50′) of a drilling well and within twenty-five feet (25′) of a producing well shall be in accordance with the provisions of California Electrical Code adopted in Chapter 18.42 governing Class 1, Division 2, Hazardous Locations. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.53)

12.44.020 Internal combustion engines, storage tanks, fired equipment and open flames.

No internal combustion engine (except those used for the drilling, redrilling, or servicing of a well), storage tank, boiler, fired equipment or open flame (except welding supervised by the production foreman, drilling foreman, drilling supervisor, or safety supervisor in compliance with a hot work permit issued by the Fire Department, the California Fire Code adopted in Chapter 18.48, the regulation of the California Division of Occupational Safety and Health, and N.F.P.A. 51B Standard for Fire Prevention During Welding, Cutting, and Other Hot Work) shall be located closer than twenty-five feet (25′) to a producing well nor closer than one hundred feet (100′) to a drilling well. During drilling operations on a drill site of two (2) acres or less in an area where two (2) or more wells are drilled and drilling and production equipment are located on such sites, the provisions of this title relating to distances of storage tanks may be altered at the discretion of the Fire Chief after consideration of the private fire prevention measures to be provided. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.54)

12.44.030 Flammable waste gases or vapors.

Flammable waste gases or vapors shall not be discharged to the atmosphere except by written approval of the D.O.G.G.R. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.55)

12.44.040 Fire control equipment.

A minimum of two (2) fire extinguishers shall be maintained at all well locations where drilling, redrilling, workover, or well servicing is being conducted. Each such extinguisher shall have a minimum classification of 20 B as set forth in N.F.P.A. 10 Standard for Portable Fire Extinguishers. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.56)

CHAPTER 12.48 ENFORCEMENT AND REVIEW PROCEDURE

12.48.010 Enforcement duty—Stop orders.

A. Enforcement. It shall be the duty of the Director to enforce the provisions of this title.

B. Stop Orders. If at any time the Director finds that any operator is violating any of the provisions of this title, he or she may order imme-

diate cessation of operations. The operator shall immediately comply with the order of the Director to cease and shall not resume such operations until written consent therefor by the Director has been obtained. Upon written request by the operator, the City Manager may stay compliance with the order of the Director until such operator has appealed under the provisions of Sections 12.48.020 and 12.48.030. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.57)

12.48.020 Appeal—City Council to hear.

The City Council shall have the power to hear and determine appeals from any order, requirement, decision or determination made by the Director in the administration or enforcement of any of the provisions of this title. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.58)

12.48.030 Appeal—Filing.

Any appeal from any order, requirement, decision or determination of the Director shall be in writing and shall be filed with the City Clerk within thirty (30) days following the date of such order, requirement, decision or determination of the Director from which the appeal is taken. The appeal filed shall set forth the order, requirement, decision or determination of the Director which is being appealed, and the grounds upon which the appellant deems himself or herself aggrieved thereby. At the time of filing the appeal, the appellant shall pay to the City Clerk a filing fee as set forth by City Council resolution, which filing fee shall be refunded in the event the appeal is sustained by the City Council. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.59)

12.48.040 Appeal—Records and reports.

Within five (5) business days following the filing of the appeal, the City Clerk shall advise the Director of the filing of appeal by the appellant, and the Director shall within five (5) business days thereafter following transmit to the City Clerk all papers relating to the order, requirement, decision or determination appealed from. In addition the Director shall prepare, or cause to be prepared, and transmit to the City Clerk any supplemental report as he or she may deem necessary and relevant to the appeal. In the event such supplemental report is prepared and transmitted to the City Clerk, a copy thereof shall be served upon the appellant at least five (5) days prior to the date of hearing on the appeal. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.60)

12.48.050 Appeal—Hearing notice.

Upon receipt of the record on appeal, the City Council shall set the matter for hearing within thirty (30) days and give notice by mail of the time, place, and purpose thereof to appellant and to the Director and any other interested party who has requested in writing to be so notified; and no other notice need be given. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.61)

12.48.060 Appeal—Decision.

Upon the date set for the hearing the City Council shall hear the appeal unless for good cause the City Council on that date continues the matter. No notice of continuance need be given if the order therefor is announced at the time for which the hearing was set. The hearing shall be conducted in accordance with the provisions of Chapter 2.93. Upon hearing such appeal, the City Council may sustain or modify the order, requirement, decision or determination appealed from, or in lieu thereof may make such other or additional order as it shall deem proper in the premises, subject to the same limitations as are placed upon the Director by this title and any other provisions of law. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.62)

CHAPTER 12.52 PERMIT REVOCATION PROCEDURE

12.52.010 Grounds.

Any permit issued by the Director pursuant to the provisions of this title may be revoked by the City Council upon finding, after hearing as specified in this Chapter, either:

A. That permittee has failed, neglected or refused to perform, comply with and abide by any of the conditions of this permit;

B. That permittee has failed or neglected or refused to comply with or abide by, or has in any way violated, any of the provisions of this title, or of any other ordinance of the City, or the Charter of the City or any other law, rule or regulation, either directly or indirectly, by reason of or in connection with or incidental to his or her operations under the permit, or upon the premises covered by the permit;

C. If any of permittee's operations, or the continuance thereof, upon the premises covered by his or her permit are, or are likely to become, a menace or hazard to private or public property, or to any interest of the City, or to the lives or safety of persons; or

D. If permittee shall have made any willful misrepresentation of fact in any application for any such permit, or in any report or record required by this title to be filed or furnished by permittee. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.63)

12.52.020 Initiation.

Proceedings before the City Council for the revocation of any permit shall be instituted by the Director by causing to be posted in a conspicuous place on the premises covered by the permit, readable from the ground level, a notice entitled "Notice of Intention to Revoke Permit," and by causing a copy thereof to be mailed by certified mail to permittee or his or her designated agent, and a copy to be filed with the City Council. Failure of permittee or his or her designated agent to receive the copy sent by mail shall not invalidate any revocation proceeding taken under this Chapter. The notice shall set forth the date of the posting thereof, and shall also set forth the reasons and grounds upon which the revocation by the City Council will be based unless cause is shown why such revocation is not proper, and shall require permittee, within two (2) days after the date of posting, as so specified in the notice, to initiate necessary action to cure and remedy any default under, noncompliance with, or violation of any condition of the permit, or other condition for which suspension or revocation of the permit be made, or to show cause before the City Council, as provided in this title, why the permit should not be revoked. The notice shall further state that upon the revocation of the permit as provided in this Chapter, any well, derrick, production equipment, or other structure, appliance, apparatus, machinery, equipment or facility for the use and maintenance of which the permit is required will be subject to being abated as a nuisance as provided by law, and the costs and expenses of the abatement provided will be made a charge and enforced against any and all persons whose duty it is under the provisions of Sections 12.12.010 and 12.12.020 to obtain such permit and to keep the same in force and effect, and also against and as a lien upon the property so abated as a nuisance, and also against and as a lien upon the real property upon which the nuisance exists and from which the nuisance is or will be abated. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.64)

12.52.030 Immediate suspension.

A. If the City Council is of the opinion, based upon a prima facie showing, that the operations of a permittee constitute an immediate menace or hazard to public property, or to any interest of the City, or to the lives or safety of persons, or may become such menace or hazard pending a final decision on any proceeding under this Chapter for revocation of his or her permit, the City Council may immediately suspend the permit, either in connection with a proceeding for the revocation thereof, or otherwise.

B. If the suspension is ordered prior to the time the notice of intention to revoke permit is served upon permittee as provided in this section, the notice shall also include notice of the action of the City Council in suspending the permit and shall give the reasons and grounds therefor. If the suspension is ordered at any other time, notice thereof and of the reasons and grounds therefor shall immediately be mailed to permittee or his or her designated agent and a copy of the notice posted on the premises covered by the permit. From and after the giving of notice of the suspension as provided in this section, and pending a remedying or removal of the causes stated in the notice as the reasons or grounds for the suspension, or pending a final determination upon the proceedings for revocation of the permit (if such proceedings are being had), no person shall carry on any of the operations authorized to be performed under the terms of the permit. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.65)

12.52.040 Time extension to remedy grounds of suspension.

Upon written application therefor by permittee, the City Council may, in its discretion, extend the time for the curing and remedying of any such default, noncompliance or violation by permittee, but no such extension or extensions of time shall be for a longer period than a total of thirty (30) days from and after the service upon permittee of the notice of intention to revoke or notice suspending the permit. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.66)

12.52.050 Hearing—Demand.

Unless a written demand for a hearing before the City Council, either as to the right of the City Council to revoke and/or suspend the permit or as to the curing of any such default is filed by permittee with the City Council within the time provided for the curing of such default, the permit shall, without any further or other action on the part of the City Council, be and become terminated and revoked. Failure to so file a demand for the hearing shall be deemed to be an admission on the part of permittee and all others claiming any rights under or in relation to the permit or the premises covered by the permit, that valid grounds exist for the suspension and revocation of the permit, and that the same may thereupon properly be and become terminated and revoked. If a hearing before the City Council is so demanded the permit shall not be or become terminated or revoked unless and until so ordered by the City Council after the completion of the hearing, as provided in this Chapter. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.67)

12.52.060 Hearing—Setting time and date.

Upon the filing with the City Council of the demand for hearing, the City Council shall fix a time and place therefor. Such time shall be fixed for a day not later than thirty (30) days after the time of filing the demand for the hearing. A five (5) day notice in writing, of the time and place of the hearing shall be served upon the permittee or his or her designated agent. The hearing shall be a condition precedent to any action at law or in equity, by or in behalf of permittee, based upon the action of the City Council in suspending and/or revoking the permit. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.68)

12.52.070 Hearing—Evidence.

At the hearing the permittee shall be given an opportunity to present whatever competent, relevant and material evidence he or she may desire to submit, either through witnesses or by the production of books, records or other documentary evidence, including evidence upon any questions relating to the revocation or suspension of such permit or to the curing of any default for which the permit was ordered revoked or suspended. The City Council shall not be bound by technical rules of evidence, nor shall any informality in any of the proceedings upon the hearing, or in the matter of taking testimony, invalidate or affect any order or decision of the City Council, and the hearing shall be conducted in accordance with the provisions of

Chapter 2.93. The City Council shall have the right to adjourn the hearing from time to time. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.69)

12.52.080 Hearing—Decision.

The decision of the City Council in regard to the revocation of the permit may be rendered orally or in writing at the conclusion of the hearing or at any time thereafter, and the decision shall be final. In the event the decision is rendered at the hearing no further notice thereof need be given to the permittee, or any other person, except that the City Clerk shall give written notice to the Fire Chief of the decision. If the decision is not rendered at the hearing, written notice of the decision shall be mailed to the permittee, or his or her designated agent, and a copy of the notice posted on the premises covered by the permit, and a copy of the notice shall be transmitted to the Fire Chief. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.70)

12.52.090 Work to cease—Exemptions.

No person shall carry on any of the operations authorized to be performed under the terms of any permit during any period of suspension thereof, or after the revocation thereof, or pending a judgment of court upon any application for writ taken to review the decision or order of the Council in suspending or revoking the permit; provided, however, that nothing contained in this Chapter shall be construed to prevent the performance of such operations as may be necessary in connection with a diligent and bona fide effort to cure and remedy the default, noncompliance or violation for which a suspension of the permit was ordered by the City Council, or such operations as may be necessary to prevent damage to the underground resource as provided in Section 3106 of the California Public Resources Code, or for the safety of persons and the protection and preservation of property. In this context, preservation of property shall not mean continuation of extraction of the oil or gas or other hydrocarbons underlying the premises at which the permit applies. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.71)

CHAPTER 12.56 HAZARDOUS LIQUID PIPELINES*

12.56.010 Rules and regulations adopted.

A. The City Council hereby adopts and incorporates by reference, as though set forth in full herein, Sections 51010.5, 51011, 51012.3, 51013, 51013.5, 51014, 51014.3, 51014.5, 51014.6, 51015, 51016, 51018, 51018.8 and 51019 of Title 5, Division 1, Part 1, Chapter 5.5 of the California Government Code (known as the Elder California Pipeline Safety Act of 1981), as said sections may be amended from time to time, subject to the changes, amendments and modifications thereto as set forth in this Chapter. Three (3) copies of the Pipeline Safety Act and the amendments and modifications thereto, as adopted by this Chapter and printed as a code in book form shall be on file in the Office of the City Clerk.

B. It is the objective of the City of Long Beach, in enacting this Chapter, to provide for the public safety within the City from hazards which may arise by reason of the operation of the pipelines within the City carrying hazardous liquids. These regulations are incorporated into this Chapter to insure safe operation of those pipeline facilities handling hazardous material, and Title 5, Division 1, Part 1, Chapter 5.5 of the California Government Code (Elder California Pipeline Safety Act of 1981) is adopted to the extent necessary to achieve safe operation of those facilities.

C. This Chapter applies to all hazardous liquid pipelines located within the City of Long Beach which operate at twenty percent (20%) or less of the pipeline's design yield strength; except those pipelines located entirely within a single plant facility pipeline within private easement and any oil field flow line or gathering line.

D. The Director or Fire Chief may exempt the application of this Chapter to any such pipe-

line or portion thereof, when it is determined from both an engineering and a fire-life safety point of view that the risk to the public safety is slight and the probability of injury or damage is remote. Such exemptions shall be re-evaluated annually. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-6397 § 1 (part), 1987)

12.56.020 Amendments.

The Elder California Pipeline Safety Act of 1981, Title 5, Division 1, Part 1, Chapter 5.5 of the California Government Code, is amended and modified as set forth in this Chapter. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-6397 § 1 (part), 1987)

12.56.030 Section 51014 amended.

Section 51014 of the Elder California Pipeline Safety Act of 1981 is amended to read as follows:

§51014. Pressure tests; manner of conducting

(a) The pressure tests required by subdivisions (b), (c), and (d) of Section 51013.5 shall be conducted in accordance with Subpart E (commencing with Section 195.300) of Part 195 of Title 49 of the Code of Federal Regulations, except that an additional four (4) hour leak test, as specified in subsection (c) of Section 195.302 of Part 195 of Title 49 of the Code of Federal Regulations, shall not be required under subdivisions (b), (c), or (d) of Section 51013.5. Pressure tests performed under subdivisions (b), (c), and (d) of Section 51013.5 shall not show an hourly change for each section of the pipeline under test at the time in excess of either ten (10) gallons or the sum of one (1) gallon and an amount computed at a rate in gallons per mile equivalent to one-tenth (1/10) of the nominal internal diameter of the pipe in inches. The specified test medium shall be water with a fugitive dye additive, or another test medium if approved by the Director.

(b) Test pressure shall be at least one hundred twenty-five percent (125%) of the actual pipeline operating pressure.
(ORD-16-0027 § 1(Exh. A), 2016; Ord. C-6397 § 1 (part), 1987)

12.56.040 Section 51015(a) amended.

Section 51015(a) of the Elder California Pipeline Safety Act of 1981 is amended to read as follows:

§51015. Maps and diagrams; fire plans and procedures; availability of records, maps, etc.; inspections

(a) Every pipeline operator shall provide the City Engineer, the Department of Gas and Oil, and the Long Beach Fire Department a map or suitable diagram showing the location of the pipeline.
(ORD-16-0027 § 1(Exh. A), 2016; Ord. C-6397 § 1 (part), 1987)

12.56.050 Section 51010.5 amended.

Section 51010.5 of the Elder California Pipeline Safety Act of 1981 is amended by deleting therefrom subparagraph (a)(4). (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-6397 § 1 (part), 1987)

12.56.060 Fire Chief designated.

For purposes of applying the Elder California Pipeline Safety Act of 1981, the words ″State Fire Marshal″ shall mean ″Fire Chief or his or her designated representative.″ (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-6397 § 1 (part), 1987)

12.56.070 Enforcement; civil penalties for violation.

A. Violations. Any pipeline operator who is determined by the Director to have violated any provision of this Chapter shall be liable to the City for a civil penalty of not more than one thousand dollars ($1,000.00) for each violation for each day that violation persists, except that the maximum penalty shall not exceed two hundred thousand dollars ($200,000.00) for any related series of violations.

B. Assessment of Penalty. The amount of the penalty shall be assessed by the Director by written notice. In determining the amount of the penalty, the Director shall consider the nature, circumstances, and gravity of the violation and, with respect to the pipeline operator found to have committed the violation, the degree of culpability,

any history of prior violations, the effect on ability to continue to do business, any good faith in attempting to achieve compliance, ability to pay the penalty, and such other matters as justice may require.

C. Additional Penalty—Cessation of Pipeline Operations. In addition to the penalties provided in Subsections A and B of this Section, the Director shall have the additional power with respect to any such violations to order a pipeline operator to cease operations within the City. A determination by the Director that a pipeline operator shall cease pipeline operations within the City shall be final unless an appeal therefrom is taken, and a pipeline operator served with written notice of a final order to cease pipeline operations shall have ninety (90) days after service of the notice in which to abandon, or remove, facilities in accordance with the provisions of this Chapter and any other applicable ordinance of the City.

D. Appeal. Any aggrieved pipeline operator may appeal a decision or action of the Director taken pursuant to this Section to the Planning Commission.

E. Time and Place to File Appeal. An appeal must be filed within ten (10) calendar days after a decision or action by the Director, and the appeal shall be filed with the Planning Commission on a form provided by the City. The Planning Commission shall notify the Director when an appeal is filed.

F. Public Hearing. The Planning Commission shall set the matter on the Planning Commission agenda and the Planning Commission shall set the matter for hearing. The hearing shall be held within sixty (60) days of the filing of the appeal, but for good cause the hearing may be continued from time to time by the Planning Commission.

G. Notice of Hearing. Not less than ten (10) calendar days before the hearing the Planning Commission shall give written notice of hearing to the appellant, applicant or other real party in interest and to any other person who has made a request for a notice. The Planning Commission shall also give notice to the Director.

H. Conduct of Hearing and Procedure. The hearing shall be conducted pursuant to the rules of the Planning Commission, Chapter 2.18 and rules relating to conduct of a hearing, Chapter 2.93.

I. Written Report. Not less than five (5) days before the hearing, the Director shall file a written report with the Planning Commission outlining the facts of the case and the Director's action and decision from which the appeal was taken. The report shall be distributed to the Planning Commission members prior to the hearing and copies shall be made available to parties involved in the appeal on the hearing date.

J. Hearing on Appeal. After a hearing, the Planning Commission may affirm, modify or overrule the decision or action of the Director but any such action by the Planning Commission shall require a two-thirds (2/3) majority vote. If the Planning Commission fails to obtain the requisite votes to affirm, modify or overrule, the decision or action of the Director shall stand.

K. Fees. By resolution, the City Council may set fees for the filing of an appeal. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-6397 § 1 (part), 1987)

CHAPTER 12.60 EXEMPTION OF COUNTY FLOOD CONTROL DISTRICT

12.60.010 Exemption from provisions.

Notwithstanding any other provision of this title, no provision of this title shall apply to or be enforced against the County flood control district, or any agent of the district, if the application or enforcement of such provisions to or against the County flood control district or its agents would constitute a violation of any provision of that certain judgment of permanent injunction made and entered by the Superior Court of the State in and for the County of Los Angeles in an action entitled *"Continental Corporation et al., vs. City of Long Beach et al.,"* and numbered 442081 in the records and files of the Court, and to the extent that any provision of this title is by its terms applicable to or enforceable against the County

flood control district, or its agents, in violation of the permanent injunction, the provision, to that extent, shall be construed as if the County flood control district and its agents were specifically exempted from the application of the provisions. (ORD-16-0027 § 1(Exh. A), 2016; Ord. C-5575 § 3 (part), 1980: prior code § 3300.72)

CHAPTER 12.64 RESTRICTED AREA INITIATIVE ORDINANCE AND AMENDMENTS

12.64.010 Restricted area initiative ordinance.

An ordinance making it unlawful to erect, construct or install any derrick, machinery or apparatus for the purpose of drilling for, pumping or producing oil, gas or other hydrocarbon substances from any well not existing at the time this ordinance takes effect, or to maintain, pump or operate such new well, within certain portions of the City of Long Beach, repealing Ordinances Numbers C-282 and C-528, and providing penalties for the violation of this ordinance.

The people of the City of Long Beach do ordain as follows:

Section 1—It is hereby declared to be unlawful for any person, firm, association or corporation, whether as principal, agent, servant, employee or otherwise, to erect, construct or install, or cause to be erected, constructed or installed any derrick, machinery or other apparatus or equipment for the purpose of drilling for oil, gas or other hydrocarbon substances, or pumping or producing the same from any well not actually being drilled or existing at the time this ordinance takes effect, within that portion of the City of Long Beach described as follows:

Beginning at the intersection of the line of ordinary high tide of the Pacific Ocean with the westerly boundary line of the City of Long Beach; thence northerly along said westerly boundary line of the City of Long Beach and following its various courses to its intersection with a former northwesterly boundary line of the City of Long Beach as said boundary line existed prior to the annexation election of December 28th, 1923; thence northeasterly along said former northwesterly boundary line of the City of Long Beach to the southerly line of Willow Street; thence easterly along said southerly line of Willow Street to a line three hundred feet (300′) west of and parallel to the westerly line of California Avenue, said line three hundred feet (300′) west of and parallel to the westerly line of California Avenue being also a boundary line of the City of Long Beach; thence south along said line three hundred feet (300′) west of and parallel to the westerly line of California Avenue to the northeasterly line of the private right-of-way of the Pacific Electric Railway Company; thence southeasterly along the northeasterly line of said private right-of-way and across all intersecting streets and alleys to its intersection with the easterly boundary line of the City of Long Beach at the Orange County line; thence southerly along said boundary line of the City of Long Beach to the line or ordinary high tide of the Pacific Ocean; and thence westerly along said line of ordinary high tide of the Pacific Ocean to the point of beginning, or to erect, construct or install, or cause to be erected, constructed or installed, any derrick, machinery or other apparatus or equipment for the purpose of drilling for oil, gas or other hydrocarbon substances, or pumping or producing the same from any well not actually being drilled or existing at the time this ordinance takes effect, within five hundred feet (500′) of any real property used for public school purposes or any building used for hospital purposes at any place within the City of Long Beach.

Section 2—Every person, firm, association or corporation, whether as principal, agent, servant, employee or otherwise, violating any of the provisions of this ordinance shall be deemed

guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not exceeding five hundred dollars ($500.00) or by imprisonment for not more than six (6) months, or by both such fine and imprisonment; and each such person, firm, association or corporation shall be deemed guilty of a separate offense for each day during any portion of which the violation of any of the provisions of this ordinance is committed, continued or permitted.

Section 3—Ordinances Numbers C-282 and C-528 are hereby repealed.

Note—The above Initiative Ordinance was passed by the electors of the City at a Special Municipal Election held on the ninth day of March, 1927, in accordance with Ordinance No. C-615 calling said election.

(ORD-16-0027 § 1(Exh. A), 2016; Prior code § 3300.3)

12.64.020 Initiative ordinance amended—June 15, 1937.

An ordinance to amend an ordinance entitled, an ordinance making it unlawful to erect, construct or install, any derrick, machinery, or apparatus for the purpose of drilling for pumping or producing oil, gas or other hydrocarbon substances from any well not existing at the time this ordinance takes effect, or to maintain pump or operate such new well, within certain portions of the City of Long Beach, repealing Ordinances Numbers C-282 and C-528, and providing penalties for the violation of this ordinance, so as to permit the drilling of not more than one such well to an acre in a certain portion of the property described in said ordinance.

The People of the City of Long Beach do ordain as follows:

Section 1—It is hereby declared to be unlawful for any person, firm, association or corporation, whether as principal, agent, servant, employee or otherwise, to erect, construct or install, or cause to be erected, constructed or installed any derrick, machinery or other apparatus or equipment for the purpose of drilling for oil, gas or other hydrocarbon substances, or pumping or producing the same from any well not actually being drilled or existing at the time this ordinance takes effect, within that portion of the City of Long Beach described as follows:

Beginning at the intersection of the line of ordinary high tide of the Pacific Ocean with the westerly boundary line of the City of Long Beach and following its various courses to its intersection with a formerly northwesterly boundary line of the City of Long Beach as said boundary line existed prior to the annexation election of December 28th, 1923; thence northeasterly along said former northwesterly boundary line of the City of Long Beach to the southerly line of Willow Street thence easterly along said former northwesterly boundary line of the City of Long Beach to the southerly line of Willow Street; thence easterly along said southerly line of Willow Street to a line three hundred feet (300′) west of and parallel to the westerly line of California Avenue, said line three hundred feet (300′) west of and parallel to the westerly line of California Avenue being also a boundary line of the City of Long Beach; thence south along said line three hundred feet (300′) west of and parallel to the westerly line of California Avenue to the northeasterly line of the private right-of-way of the Pacific Electric Railway Company; thence southeasterly along the northeasterly line of said private right-of-way and across all intersecting streets and alleys to its intersection with the easterly boundary line of the City of Long Beach at the Orange County line; thence southerly along said boundary line of the City of Long Beach to the line of ordinary high tide of the Pacific Ocean and thence westerly along said line of ordinary high tide of the Pacific Ocean to the point of beginning, except not more than one (1) well

on any acre in that portion of the said defined area lying west of the west line of the Los Angeles County Flood Control District right-of-way; or to erect, construct or install, or cause to be erected, constructed or installed, any derrick, machinery or other apparatus or equipment for the purpose of drilling for oil, gas or other hydrocarbon substances, or pumping or producing the same from any well not actually being drilled or existing at the time this ordinance takes effect, within five hundred feet (500′) of any real property used for public school purposes or any building used for hospital purposes at any place within the City of Long Beach.

Section 2—Every person, firm, association or corporation, whether as principal agent, servant, employee or otherwise, violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by fine not exceeding five hundred dollars ($500.00) or by imprisonment for not more than six (6) months, or by both such fine and imprisonment; and each such person, firm, association or corporation shall be deemed guilty of a separate offense for each day during any portion of which the violation of any of the provisions of this ordinance is committed, continued or permitted.

Section 3—Ordinance Numbers C-282 and C-528 are hereby repealed.

Note—The above Initiative Ordinance was passed by the electors at a Special Municipal Election held on the 15th day of June, 1937, in accordance with Ordinance No. C-1505 calling said election.

(ORD-16-0027 § 1(Exh. A), 2016; Prior code § 3300.4)

12.64.030 Initiative ordinance amendment—February 9, 1956.

An ordinance amending that certain ordinance adopted by the people of the City of Long Beach at a Special Municipal Election held on the 9th day of March, 1927, entitled "An ordinance making it unlawful to erect, construct or install any derrick, machinery or apparatus for the purpose of drilling for, pumping or producing oil, gas or other hydrocarbon substances from any well not existing at the time this ordinance takes effect, or to maintain, pump or operate such new well, within certain portions of the City of Long Beach, repealing Ordinances Numbers C-282 and C-528 and providing penalties for the violations of this ordinance", as revised or amended by the people of the City of Long Beach at a Special Municipal Election held on the 15th day of June, 1937, so as to include therein a certain additional portion of the City of Long Beach within which it shall be unlawful, except upon prior approval, by vote of the qualified electors of the City, to erect, construct or install any structure, foundation, derrick, machinery or apparatus for the purpose of drilling for, pumping or producing oil, gas or other hydrocarbon substances from any well or wells; and defining the meaning of the term "person" within the scope of said ordinance.

The people of the City of Long Beach do ordain as follows:

That certain ordinance adopted by the people of the City of Long Beach at a special municipal election held on the 9th day of March, 1927, entitled "An ordinance making it unlawful to erect, construct or install any derrick, machinery or apparatus for the purpose of drilling for, pumping or producing oil, gas or other hydrocarbon substances from any well not existing at the time this ordinance takes effect, or to maintain, pump or operate such new well, within certain portions of the City of Long Beach, repealing Ordinances Numbers C-282 and C-528 and providing penalties for the violation of this ordinance," said ordinance being set forth in full in Ordinance No. C-615, Ordinances of the City of Long Beach, the ordinance calling said special municipal election, as revised or amended by the people of the City of Long Beach at a special munic-

ipal election held on the 15th day of June, 1937, be and the same is hereby amended to read as follows:

Section 1. It is hereby declared to be unlawful for any person, whether as principal, agent, servant, employee, or otherwise, to erect, construct or install, or cause to be erected, constructed or installed, any derrick, machinery or other apparatus or equipment for the purpose of drilling for oil, gas or other hydrocarbon substances, or pumping or producing the same from any well not actually being drilled or existing at the time this ordinance takes effect, within that portion of the City of Long Beach described as follows:

Beginning at the intersection of the line of ordinary high tide of the Pacific Ocean with the westerly boundary line of the City of Long Beach; thence northerly along said westerly boundary line of the City of Long Beach and following its various courses to its intersection with a formerly northwesterly boundary line of the City of Long Beach as said boundary line existed prior to the annexation election of December 28th, 1923; thence northeasterly along said former northwesterly boundary line of the City of Long Beach to the southerly line of Willow Street; thence easterly along said southerly line of Willow Street to a line three hundred feet (300′) west of and parallel to the westerly line of California Avenue, said line three hundred feet (300′) west of and parallel to the westerly line of California Avenue being also a boundary line of the City of Long Beach; thence south along said line three hundred feet (300′) west of and parallel to the westerly line of California Avenue to the northeasterly line of the private right-of-way of the Pacific Electric Railway Company; thence southeasterly along the northeasterly line of said private right-of-way and across all intersecting streets and alleys to its intersection with the easterly boundary line of the City of Long Beach at the Orange County line; thence southerly along said boundary line of the City of Long Beach to the line of ordinary high tide of the Pacific Ocean and thence westerly along said line of ordinary high tide of the Pacific Ocean to the point of beginning, except not more than one (1) well on any acre in that portion of said defined area lying west of the west line of the Los Angeles County Flood Control District right-of-way.

Section 2. Except as in this Section hereinafter provided, it is hereby declared to be unlawful for any person, whether as principal, agent, servant, employee, or otherwise, to erect, construct or install, or cause to be erected, constructed or installed any structure, foundation, derrick, machinery or other apparatus or equipment for the purpose of drilling for oil, gas or other hydrocarbon substances, or pumping or producing the same from any well or wells within that portion of the City of Long Beach described as follows:

Beginning at the intersection of the easterly line of the Los Angeles County Flood Control right-of-way of the Los Angeles River channel with the northerly line of Seaside Boulevard; thence south along the southerly prolongation of said easterly line of the Los Angeles County Flood Control right-of-way, 40.02 feet to the beginning of a tangent curve concave to the east and having a radius of 3,175.98 feet; thence southeasterly along said curve to the intersection with the line of ordinary high tide of the Pacific Ocean, being the true point of beginning of this description; thence continuing southeasterly along said curve to the end of said curve, distant 2,915.95 feet, measured along the arc from the beginning of said curve; thence South 52° 36′ 17″ East, 3,400.00 feet to a point; thence South 17° 00′ East to the southerly boundary of the City of Long Beach; thence easterly along said southerly boundary to the easterly boundary of the City of Long

Beach, being the common boundary separating Los Angeles County and Orange County; thence northeasterly along said easterly boundary of the City of Long Beach to the line of ordinary high tide of the Pacific Ocean; and thence westerly along said line of ordinary high tide of the Pacific Ocean to the true point of beginning.

All or any portion of the aforegoing described real property may be designated as a permitted oil drilling area, thereby resulting in the release or withdrawal of such said designated area from the prohibitory boundaries hereinabove established, if, prior to, and as an express condition precedent to any such designation being made, the City Council shall, at any City election wherein all City qualified electors are entitled to vote, submit the proposition of establishing and designating such area as a permitted oil drilling area, and a majority of those voting thereon vote in favor of such proposition.

Section 3. It is hereby declared to be unlawful for any person, whether as principal, agent, servant, employee, or otherwise, to erect, construct or install, or cause to be erected, constructed or installed, any derrick, machinery or other apparatus or equipment for the purpose of drilling for oil, gas or other hydrocarbon substances, or pumping or producing the same from any well within five hundred feet (500′) of any real property used for public school purposes or any building used for hospital purposes at any place within the City of Long Beach; provided, however, that this Section shall not apply to any well which was actually being drilled or which existed on the 9th day of March, 1927, when the ordinance which is hereby amended was originally adopted by the people of the City of Long Beach.

Section 4. If any section, subsection, sentence, clause, or phrase of this ordinance, or the application of any thereof to any person or circumstance be held to be invalid for any reason, such invalidity shall not affect the validity of any other provision or application of this ordinance which can be given effect without the invalid provision or application; and to this end the people of the City of Long Beach hereby declare that the provisions of this ordinance are severable and that they would have passed this ordinance and each and every section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one (1) or more other sections, subsections, sentences, clauses or phrases, or the application of any thereof to any person or circumstances be declared invalid.

Section 5. The term ″person″, as used herein, shall be construed to mean, refer to, and include, an individual; a co-partnership; joint adventure; an unincorporated association; a trust; a private corporation; a public corporation; a municipal corporation; a County; a State; a national government; a municipal, County, State, or Federal agency, board or commission; a water district; a utility district; a flood control district; a body corporate and politic; a political subdivision; and a drainage, irrigation, levee, reclamation, or water conservation district; whether acting for himself, or itself, or in any representative capacity.

Section 6. Every person, whether as principal, agent, servant, employee, or otherwise, violating any of the provisions of this ordinance, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not exceeding five hundred dollars ($500.00) or by imprisonment not exceeding six (6) months, or by both such fine and imprisonment; and every such person shall be deemed guilty of a separate offense for each day during any portion of which the violation of any of the provisions of this ordinance is committed, continued, or permitted.

Section 7. Ordinances Numbers C-282 and C-528, and all other ordinances and regulations and parts thereof, of the City of Long Beach in conflict herewith are hereby repealed; provided, however, that nothing herein contained shall preclude the City Council or the Board of Harbor Commissioners of the City of Long Beach from adopting, and/or repealing, nor shall it operate to repeal, limit or modify, any ordinance which said bodies, respectively, deem, may deem, or have deemed, reasonable and necessary for the regulation and control of the erection, use, maintenance and abandonment of structures or facilities for the production, treatment, refining or disposition of oil, gas or other hydrocarbons, or any products manufactured or otherwise obtained therefrom, within any portion of the City of Long Beach in which the drilling, operation, maintenance, redrilling and deepening of oil wells is not prohibited by this ordinance.

Note—The above ordinance amending a certain Initiative Ordinance adopted by the people at an election held on March 9, 1927, as amended at an election on June 15, 1937, was further amended by the foregoing ordinance submitted by the City Council to the electorate and was adopted at an election held February 9, 1956, in accordance with Ordinance No. C-3554 calling said election.

(ORD-16-0027 § 1(Exh. A), 2016; Prior code § 3300.4.5)

12.64.040 Initiative ordinance amendment—February 27, 1962.

An ordinance making certain determinations, and designating certain submerged land areas within the City of Long Beach, presently contained within the boundaries of a prohibited drilling area, as permitted oil drilling areas, in accordance with the procedure prescribed in that certain initiative ordinance adopted by the people of the City of Long Beach at a Special Municipal Election held on the 9th day of March, 1927, entitled "An ordinance making it unlawful to erect, construct or install any derrick, machinery or apparatus for the purpose of drilling for, pumping or producing oil, gas or other hydrocarbon substances from any well not existing at the time this ordinance takes effect, or to maintain, pump or operate such new well, within certain portions of the City of Long Beach, repealing Ordinances Numbers C-282 and C-528 and providing penalties for the violations of this ordinance", as amended by those two (2) certain ordinances adopted by the people of the City of Long Beach at Special Municipal Elections held on the 15th day of June, 1937, and the 9th day of February, 1956, respectively; and imposing certain conditions, limitations and restrictions upon the use of said submerged land areas as permitted oil drilling areas.

The people of the City of Long Beach do ordain as follows:

Section 1. It is hereby found and determined:

(a) That it would be in the best interests of the City of Long Beach and the State of California to authorize and approve the institution of a plan for the controlled exploration and exploitation of the oil and gas reserves underlying the presently undeveloped portion of the tide and submerged land areas heretofore granted to the City by the State of California, and located easterly of and outside the Harbor District of the City, as said district boundaries are defined as of the effective date of this ordinance. Said presently undeveloped portion of tide and submerged lands (which shall not be deemed to include any of the tide and submerged lands committed to the Richfield Oil Corporation Parcel "A" Drilling and Operating Contract and presently under development from the Harbor District) shall, for convenience, be sometimes hereinafter referred to as the "Offshore Area".

(b) That the results of detailed engineering reports and the interpretations of geologic and seismic data indicate that undeveloped oil and gas reserves in economically recoverable quantities underlie certain portions of the publicly and privately owned upland properties located easterly of

Pine Avenue in this City, and adjacent to and northerly of the Offshore Area. Said upland properties shall, for convenience, be sometimes hereinafter collectively referred to as the "Townlot Area".

(c) That the said Offshore Area and Townlot Area are included within the geographic boundaries of a Subsidence Area, as heretofore fixed and established by the State Oil and Gas Supervisor pursuant to the provisions of Section 3336 of the California Public Resources Code.

(d) That the results of studies by qualified engineers which have been conducted in certain segments of said Subsidence Area, and the demonstrated beneficial effects derived as a consequence of putting the recommendations so made into operation, indicate that the only feasible method that can be expected to prevent or arrest subsidence in such an area is by repressuring the subsurface oil and gas formations thereunder; and that such repressuring operations, in addition thereto, should increase the amount of oil ultimately recoverable from the formations underlying such area and protect the oil or gas in such lands from unreasonable waste.

(e) That unit or cooperative development and operation of the pool or pools (as hereinafter defined) underlying the said Offshore Area and Townlot Area is necessary in order to prevent and insure against the occurrence of subsidence. "Pool" shall mean an underground reservoir containing, or appearing at the time of determination to contain, a common accumulation of crude petroleum oil or natural gas or both. Each zone of a general structure which is separated from any other zone in the structure is a separate pool.

Section 2. Reference is made to that certain Initiative Ordinance adopted by the people of the City of Long Beach at a Special Municipal Election held on the 9th day of March, 1927, as subsequently amended by those two (2) certain ordinances adopted by the people of said City at Special Municipal Elections held on the 15th day of June, 1937, and the 9th day of February, 1956, respectively, entitled "An Ordinance making it unlawful to erect, construct or install any derrick, machinery or apparatus for the purpose of drilling for, pumping or producing oil, gas or other hydrocarbon substances from any well not existing at the time this ordinance takes effect, or to maintain, pump or operate such new well, within certain portions of the City of Long Beach, repealing Ordinances Numbers C-282 and C-528 and providing penalties for the violations of this ordinance", and particularly to Section 2 of said ordinance, as amended, which provides as follows:

Section 2. Except as in this Section hereinafter provided, it is hereby declared to be unlawful for any person, whether as principal, agent, servant, employee, or otherwise, to erect, construct or install, or cause to be erected, constructed or installed any structure, foundation, derrick, machinery or other apparatus or equipment for the purpose of drilling for oil, gas or other hydrocarbon substances, or pumping or producing the same from any well or wells within that portion of the City of Long Beach described as follows:

Beginning at the intersection of the easterly line of the Los Angeles County Flood Control right-of-way of the Los Angeles River channel with the northerly line of Seaside Boulevard; thence south along the southerly prolongation of said easterly line of the Los Angeles County Flood Control right-of-way, 40.02 feet to the beginning of a tangent curve concave to the east and having a radius of 3,175.98 feet; thence southeasterly along said curve to the intersection with the line of ordinary high tide of the Pacific Ocean, being the true point of beginning of this description; thence continuing southeasterly along said curve to the end of said curve, distant 2,915.95 feet, measured along the arc from the beginning of said curve; thence South 52° 36′ 17″ East, 3,400.00 feet to a point; thence South 17° 00′ East to the southerly boundary of the City of Long Beach; thence easterly along said southerly boundary to the easterly boundary of the City of Long Beach, being the common boundary separating Los Angeles County and Orange County; thence northeasterly along said easterly boundary of the City of Long Beach to the line of

ordinary high tide of the Pacific Ocean; and thence westerly along said line of ordinary high tide of the Pacific Ocean to the true point of beginning.

All or any portion of the aforegoing described real property may be designated as a permitted oil drilling area, thereby resulting in the release or withdrawal of such said designated area from the prohibitory boundaries hereinabove established, if, prior to, and as an express condition precedent to any such designation being made, the City Council shall, at any City election wherein all City qualified electors are entitled to vote, submit the proposition of establishing and designating such area as a permitted oil drilling area, and a majority of those voting thereon vote in favor of such proposition.

The above-described area constitutes the undeveloped portion of the tide and submerged lands referred to as the Offshore Area in Subsection (a) of Section 1 hereof.

Section 3. Subject to the conditions, limitations and restrictions hereinafter in Section 4 provided, the necessary number of offshore islands, in no event to exceed four (4), are hereby authorized to be located and constructed within the geographic boundaries of the said Offshore Area, as above-described in Section 2 hereof, and to be utilized as surface drillsite areas for the exploration and exploitation of the oil and gas reserves underlying said undeveloped Offshore Area and the adjacent Townlot Area. It is not intended, nor shall the authorization herein granted ever be construed, either directly or by implication, as permitting or sanctioning the erection, construction, installation or maintenance of any structure, foundation, derrick, machinery or other apparatus or equipment for the purpose of drilling for oil, gas or other hydrocarbon substances, or pumping or producing the same from any well or wells, upon and from surface locations within said Offshore Area boundaries other than exclusively from the surface locations provided on said offshore island drill sites.

Section 4. The construction and use of said offshore islands are expressly predicated upon and subject to compliance with the following conditions, limitations and restrictions:

(a) The northerly boundary of any of said islands shall not be closer than two thousand feet (2,000′), measured from the centerline of Ocean Boulevard, as said boulevard exists as of the effective date of this ordinance.

(b) The actual area of each of said islands shall be approximately ten (10) acres.

(c) Subject to the provisions of Subsections (a) and (b) hereof, the precise location of each of said islands shall be established by resolution of the City Council as permitted oil drilling areas. It is recognized in this regard that the precise location of each of said islands cannot be determined until after a programmed number of core holes have been drilled in the Offshore Area for the purpose of defining the extent of the oil and gas reserves in said area.

(d) All improvements erected upon and oil operations conducted upon said offshore islands shall be compatible with the City′s general plans for commercial, scenic and recreational development.

(e) All drilling and production operations shall be conducted in a manner consistent with approved conservation practices, and so as to provide the maximum safeguards against drainage losses, subsidence damage, noise, contamination, unsightliness and detriment to the natural beauty of the surrounding area.

(f) The oil and gas reserves underlying the Offshore Area shall be exploited only in accordance with a uniform and systematic plan of development, in an economic manner, and consistent with the best oilfield practices prevailing in the Wilmington Oil Field. To this end, the City shall reserve the right, in any agreement entered into for the development of the subject area, to control the rates of production of the oil and gas and the repressuring operations and practices to be conducted. Any such agreement shall provide that a program of complete pressure maintenance by water injection shall be instituted at the inspec-

tion of drilling operations, that the City shall have the right to order the shut-in of high gas-low oil ratio and high water-low oil ratio wells, that the respective drilling and operating contractor expressly agrees to waive any and all damages claimed to have resulted as a consequence of water injection operations and practices conducted or ordered by the City, that the City shall have the unilateral right, without the necessity of obtaining the consent or approval of the contractor, to commit the subject area to unitized operation or to a cooperative type agreement providing for coordinated repressuring operations, that in the event the subject area is committed to a unit plan of development the City shall have the sole right to vote the entire working interest assigned to said area, and that the contractor agrees, under unitized operations, if payment is provided to be made in oil and/or gas, to accept payment in allocated oil and/or gas as the equivalent of oil and/or gas actually produced and saved from the subject area.

(g) The Offshore Area shall be developed as a single tract.

(h) No surface drillsites shall be made available for use for the directional drilling of oil and gas wells to be bottomed beneath the Townlot Area unless a satisfactory plan of complete pressure maintenance is first submitted to and approved by the City and the appropriate State officials.

(i) All oil tank farms are to be located in the Harbor District, and all final dehydration, treatment separation, storage, gauging and shipment of offshore oil and gas shall be accomplished from Harbor District site locations. The use of submarine pipelines is authorized in said Offshore Area, and said lines shall be laid from the offshore islands for the purpose of transporting the oil, gas, fresh water, and general purpose lines, together with power and telephone cables. All machinery, equipment, materials and supplies utilized in conjunction with the drilling and production operations, other than that transported by submarine pipeline, shall be transported from the Harbor District only, regardless of the proximity of the island to be served to the Harbor District. The provisions of this Subsection shall apply not only to the City's operations, but equally as well to any other operator conducting permitted drilling and production operations from one or more of said offshore islands.

(j) Each offshore island shall be landscaped in such a manner as to provide complete screening for the well sites and surface facilities. The landscaping shall be designed to blend with the shoreline and add to the natural beauty of the offshore area. Drilling masts and other portable well servicing equipment, visible above the landscape, shall be removed when not needed for the conduct of operations. Wellhead facilities shall be installed below the surface.

Note—The above ordinance designating certain submerged land areas as permitted oil drilling areas in accordance with the procedure prescribed in that certain Initiative Ordinance adopted by the people at an election held on March 9, 1927, as amended at those two (2) elections on June 15, 1937, and February 9, 1956, was adopted at an election held February 27, 1962, in accordance with Ordinance No. C-4213 calling said election. CHAPTER 14.04 OBSTRUCTION OF STREETS AND SIDEWALKS

14.04.010 Obstructing free passage.

A. No person shall congregate upon or use any street, alley, pier or park in such a manner as to obstruct the free use of all or any part of said street, alley, pier or park.

B. No person shall obstruct or partially obstruct the parking lane of the street except for legally parked or standing motor vehicles or as allowed by permit pursuant to Chapter 14.06. (ORD-24-0002 § 13, 2024; Ord. C-6347 § 1, 1987: prior code § 3410.9)

14.04.015 Work within or on a public street or right-of-way, obstruction of a public street or right-of-way - permit required, regulations, penalties for non-compliance.

A. Definitions.

"Activity or Work Permissible within a Public Street" is defined as any work or activity permitted by this Code or authorized by the Director of Public Works.

"After Hours Work" is defined as construction and obstruction activity in public right-of-way during outside of Regular Hours Work.

"Emergency Work" is defined as immediate and unplanned action that must be taken to alleviate a hazardous condition, which represents an immediate threat to life, health, safety, or property. This includes continuous efforts to affect the restoration of interrupted utility services (electrical, water, gas, sewer, wastewater and telecommunications).

"Parking Lane Closure" is defined as any activity within an existing designated parking lane where parking space is reserved and parking for public use is not allowed.

"Peak Hour Construction and Right-of-Way Obstruction Regulations" is defined as all regulations contained in this Section that control and limit all construction and obstruction activity in the public right-of-way during After Hours Work on Public Right-of-Way or Peak Traffic Hours on Street Classifications Subject to Work Hour Restrictions.

"Peak Traffic Hours" is defined as Monday through Friday, 6:00 a.m. to 8:30 a.m. and 3:30 p.m. to 6:30 p.m.

"Regular Hours Work" is defined as construction and obstruction activity in the public right-of-way during Monday through Friday from 7:00 a.m. to 4:00 p.m.

"Right-of-Way" means any easement or land owned by the City and used or designated for use as a street, parkway, alley, utility corridor, walkway, promenade, or bike path, and the surfaces thereof, and the airspace above such surfaces and the subsurface area below such surfaces and includes any right-of-way to be dedicated in the future.

"Sidewalk Closure" is defined as any activity within the sidewalk (property line to curb) which reduces the usable sidewalk width, interrupts pedestrian traffic and is a possible cause of safety hazard.

"Street Classifications Subject to Work Hour Restrictions" is defined as Temporary Street Closure or Traffic Lane Closure on major and secondary highways, or collector streets, as designated in the Transportation Element of the General Plan.

"Temporary Street Closure" is defined as the temporary restriction of all vehicular traffic for construction purposes authorized by a valid permit, and an approved Traffic Management Plan.

"Traffic Lane Closure" is defined as any activity within the public street, travel lane, bike lane or in an alley, which reduces the usable width to the point where one or more lanes of traffic cannot move safely and efficiently.

"Traffic Management Plan" is defined as a plan that addresses traffic control requirements in a construction area, and along detour routes and pedestrian reroute plan. The operation of a Traffic Management Plan is affected by the project's construction phasing, construction schedules, and work area required by the contractor, and shall be consistent with the contractor's project requirements, provided by the Department of Public Works.

"Worksite Traffic Conditions" is defined as those physical conditions, including signage, signal devices, operation of equipment, and conduct of workers (which are required by law), permit and plans to provide adequate street space, and accommodate traffic demands, particularly during Peak Traffic Hours on Traffic Lane Closure.

B. Permit required. No person shall affect a Traffic Lane Closure, Sidewalk Closure or Parking Lane Closure or perform work within or on any Public Street or public Right-of-Way, or obstruct any Public Street or public Right-of-Way for any reason without first applying for and obtaining a permit from the City. The person or entity requesting the permit shall pay all applicable permit fees required for any Activity or Work Permissible within a Public Street or public Right-of-Way.

1. Exemption from obtaining permit prior to any work or obstruction on Public Street or Right-of-Way. Emergency Work as defined above shall be exempt from Peak Hour Construction and Right-of-Way Obstruction Regulations during Peak Traffic Hours on Street Classifications Subject to Work Hour Restriction. Advance notification shall be given to the Department of Public Works prior to the work being initiated. A permit shall be obtained within forty-eight (48) hours of beginning the Emergency Work.

2. Exemption from Peak Hour Construction and Right-of-Way Obstruction Regulations for Public Works Approved Non-Emergency Work. The permittee or applicant shall submit the request with a complete permit application to the Department of Public Works. Applicable Traffic Management Plan and After Hours Work or Peak Traffic Hours shall be approved by the Department of Public Works.

3. Applicable fees for processing applications shall be applied. A fee for processing each request submitted pursuant to the provisions of paragraph 2 of this Subsection shall be established by City Council resolution.

C. Application for permit. Any application for a permit under this Section shall include the following information:

1. The name, address and telephone number of the applicant and the person responsible for the work or obstruction of the public street or any right-of-way;

2. The name, location and area of the street or right-of-way for which the permit is desired; and

3. A description of the work to be done within the public street or right-of-way and an explanation of why the proposed obstruction of the public street or right-of-way is necessary.

4. Any other items as requested on the most current application form or requested during review of a permit application submittal.

D. Penalties for non-compliance.

1. Administrative penalties.

a. The failure to obtain a permit pursuant to this Section, the failure to abide by the Peak Hour Construction and Public Right-of-Way Obstruction Regulations contained in this Section, the failure to comply with Worksite Traffic Conditions or the violation of any special condition or requirement of a valid construction permit issued pursuant to the Long Beach Municipal Code, shall subject the violator to administrative penalties as set forth in Chapter 9.65, in an amount established by City Council resolution.

b. Any administrative penalty issued pursuant to this Section shall be governed by the provisions set forth in Section 9.65.060.

2. Criminal prosecution for multiple violations. Four (4) or more administrative citations issued to the same person or entity within twelve (12) months may constitute a misdemeanor under the Long Beach Municipal Code, may subject the violator to prosecution by the City and may subject the violator to other potential criminal penalties as allowed by law. (ORD-24-0002 § 13, 2024; ORD-19-0032 § 9, 2019; ORD-18-0020 § 1, 2018)

14.04.020 Painting on sidewalk.

No person shall apply paint, pigment, coloring or any other similar substance upon any street,

sidewalk, alley, way or pier in the City without first having obtained a permit from the Chief of Police. (ORD-24-0002 § 13, 2024; Ord. C-5784 § 1 (part), 1981: prior code § 3410.10(a))

14.04.030 Selling on streets prohibited.

No person shall sell, offer for sale, give or distribute any merchandise or matter of any manner or description whatsoever, including newspapers or printed matter, nor shall any person solicit contributions or donations from a position or place upon or in any public street in the City. The term "public street", as used in this Section, means and includes every highway, road, roadway, street, median, divider island, safety zone, alley, lane, course, place, trail, drive, bridge, viaduct or trestle laid out or erected as such by the public, or dedicated or abandoned to the public, or intended to be used by or for the general public, except such portions thereof as are used or prepared for use by pedestrians as sidewalks. (ORD-24-0002 § 13, 2024; Ord. C-5257 § 1, 1976: prior code § 3410.11)

14.04.040 Goods on sidewalks prohibited.

A. Except as provided in Chapters 5.73 and 14.14 herein, no person shall use any public sidewalk, public street, or that space between the public sidewalk and curb commonly known as parkway, or any space above any portion thereof, for displaying for sale, or for any other purpose, any goods or any other articles; or leave any goods, boxes, trucks, barrels, trunks or any other article or thing upon any public sidewalk, public street, or that space between the public sidewalk and curb commonly known as parkway, or any space above any portion thereof.

B. Except as provided in Chapters 5.73 and 14.14 herein, no person shall use any public sidewalk or unimproved public walkway or that space between the public sidewalk and curb commonly known as parkway, or any space above any portion thereof, for displaying for sale, or for any other purpose, any goods or any other articles; or leave any goods, boxes, truck, barrels, trunks or any other article or thing upon any public sidewalk, or that space between the public sidewalk and curb commonly known as parkway, or any space above any portion thereof, for a longer time than is necessary for the removal thereof from the transporting vehicle, into the place of business or residence to which the same is intended to be removed, or from the place of business or residence to the transporting vehicle to which the same is intended to be removed, and in no case shall said items be left in place for more than sixty (60) minutes subject, however, to the following exception and that set out in Section 14.04.050:

This Section shall not apply to electrical or other signs, garbage, waste, trash, awnings, balconies and other building projections otherwise regulated by this Code. (ORD-24-0002 § 13, 2024; Ord. C-6659 § 1, 1989: Ord. C-6347 § 2, 1987: Ord. C-5591 § 1 (part), 1980: prior code § 7532 (part))

14.04.050 Reserved.

Editor's note—ORD-24-0002 § 13, adopted Jan. 23, 2024, deleted § 14.04.050 entitled "Sidewalk sale permits," which derived from: Ord. C-7934 § 17, 2004; Ord. C-7044 § 1, 1992; Ord. C-5786 § 1, 1981; Ord. C-5591 § 1 (part), 1980; and prior code § 7532(b).

14.04.060 Bulletin boards.

No person, as principal, agent or servant, shall place or maintain any newspaper bulletin board upon, along or above any street or other public place except that the owner, proprietor or agent for a newspaper may place and maintain a newspaper bulletin board upon the wall or side of the building used for the printing, publishing, or sale of such newspaper; provided, that the newspaper bulletin board shall not project more than six inches (6") over any street, sidewalk, parking, alley or other public place. (ORD-24-0002 § 13, 2024; Prior code § 7533)

14.04.070 Reserved.

Editor's note—ORD-10-0016 § 2, adopted June 15, 2010, repealed § 14.04.070, which pertained to "sidewalk entertainment permits" and derived from: Ord. C-5832 § 1, 1982.
