(1) The board shall keep a record of all of its proceedings which shall be maintained and open to public inspection in accordance with F.S. ch. 286. Such records shall reflect a complete and comprehensive account of the discussions and actions taken by the board.

(2) The board shall provide the city manager with copies of all documents relating to the retirement system contemporaneously with the making or receipt of such documents by the board or immediately thereafter. The city manager shall provide the pension administrator of the board with copies of all documents relating to the retirement system contemporaneously upon the making or receipt of such documents by the city or immediately thereafter. All written communications relating to the retirement system from the board to the city shall be made directly to the city manager. All written communications to the board from the city shall be made directly to the board, with copies to the pension administrator of the board.

(3) When a hearing before or consideration by the commission is required for retirement system business, such business shall be placed on the agenda of the commission and heard at its next regularly scheduled meeting; provided, that any request for hearing or consideration of

retirement system business complies with the city's requirements or guidelines as to timeliness and adequacy of information.

(d) *Rules and regulations.* Subject to any limitation contained in this division, the board may from time to time establish such rules and regulations as are necessary for efficient administration and management of the retirement system.

(Ord. No. 10002, § 1, 6-13-85; Code 1980, § 40-203)

Sec. 40-195. Trust fund.

(a) *Nature of trust.*

(1) The Miami city employees' retirement system trust is an irrevocable trust previously established by ordinance. The commission, having retained that right, hereby appoints a successor trustee to administer the trust thereby created. The successor trustee designated by the commission shall be the board of trustees of the City of Miami firefighters' and police officers' retirement trust. Hereafter, the Miami city employees' retirement system trust shall be known as the City of Miami firefighters' and police officers' retirement trust fund but it shall remain and continue as the same irrevocable trust as set forth in prior city ordinances.

(2) The board shall be vested with full legal title to the City of Miami firefighters' and police officers' retirement trust fund and shall hold the fund as an irrevocable trust to be applied from time to time in accordance with the provisions of this division. All payments made to the fund by the city and by members of the system, and all assets whatsoever of the fund and the income thereof, without distinction between principal and income, shall be held by the board in a single trust fund. The board may, however, segregate or invest separately any portion of the fund.

(3) Members of the board of trustees shall be the named fiduciaries of the fund. As named fiduciaries, the trustees shall hold, manage, control and safeguard the fund solely in the interest of members and beneficiaries of the retirement system:

a. For the exclusive purpose of providing benefits to members and their beneficiaries and defraying reasonable expenses of administering the retirement system;

b. With the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims;

c. By diversifying the investments of the fund so as to minimize the risk of losses, unless under the circumstances it is clearly prudent not to do so;

d. In accordance with ordinances and other applicable law, documents and other instruments governing the fund.

(4) The board shall have authority to retain its own legal counsel, accountants, actuaries and other professional advisors to assist the board in the performance of its trust duties. The board may act without independent investigation upon the professional advise of advisors so retained.

(5) The board is authorized to prosecute or defend actions, claims or proceedings of any nature or kind for the protection of fund assets and for the protection of the board in the performance of its duties.

(b) *Trust property.*

(1) Trust property shall consist of all cash, securities and other property previously accumulated on behalf of the Miami city employees' retirement system trust, together with such other cash, securities and other property as the board may at any time hold or acquire from or on

behalf of the city or members of the retirement system pursuant to this division, and the accruals thereto.

(2) The board may buy, sell, convert, redeem, exchange or otherwise dispose of trust property at any public or private sale without notice or advertisement, for cash or upon credit with or without security, without obligation on the part of any person dealing with the board to see the application of the process of or inquire into the validity, expedience or propriety of any such disposition, and may make, execute, acknowledge and deliver contracts, assignments, waivers or other instruments.

(3) The board shall have the authority to vote upon any stocks, bonds or securities of any corporation, association or trust and to give general or specific proxies and powers of attorney with or without power of substitution; to participate in mergers, reorganizations, recapitalizations, consolidations, and similar transactions with respect to such securities; to deposit such stock or other securities in any voting trust or any protective or like committee or with depositories designated by the board, subject to the approval of the commission; to amortize or fail to amortize any part or all of the premium or discount resulting from the acquisition or disposition of assets; and generally, to exercise any of the powers of an owner with respect to stocks, bonds or other investments comprising the fund which the board may deem to be in the best interest of the fund to exercise.

(c) *Investments.*

(1) The trustees shall, in acquiring, investing, reinvesting, exchanging, retaining, selling and maintaining property for the benefit of the FIPO trust fund exercise the judgment and care under the circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital. Within the limitations of the foregoing standard, the trustees are authorized to acquire and retain every kind of property, real, personal or mixed, and every kind of investment specifically including, but not by way of limitation, bonds, debentures and other corporate obligations, and stocks, preferred or common, which persons of prudence, discretion and intelligence acquire or retain for their own account and, within the limitations of the foregoing standard, the trustees may retain property acquired, without limitation as to time and without regard to its suitability for original purchase. The intent of this provision is to remove any and all restrictions which are otherwise imposed by F.S. ch. 175 or 185, and which may be removed.

(d) *Money manager.*

(1) Pursuant to written agreement, the board shall retain one or more money managers for the management of property held in the fund, and the board shall convey property of the fund to such money manager(s) for investment and reinvestment in accordance with this section.

a. The board shall establish written guidelines and objectives against which the investment performance of any money manager retained by the board shall be measured. If a money manger fails to meet the guidelines and objectives, or fails to perform in accordance with its contractual agreement with the board, the money manager may be terminated by the board. The performance of the investment portfolio for the retirement system shall not be less than 90 percent of the median performance of comparable portfolios as determined jointly by the board and the city manager. If the performance falls

below that minimum standard, the money manager(s) shall automatically be removed unless, based upon extenuating circumstances, the board recommends continuation and such continuation is approved by the commission.

b. In the acquisition, investment, reinvestment, exchange, retention, sale and management of property for the benefit of the fund, the money manager(s) shall exercise all judgment and care under the circumstances then prevailing which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not in regard to speculation, but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital.

c. Upon written request by the board, the money manager(s) shall disburse cash or property from the fund to the board or its designee. In requesting the money manager(s) to make any such distribution, the board shall follow the provisions of this division and shall not direct that any payment be made that would cause any part of the fund to be used for or diverted to purposes other than providing benefits to members and beneficiaries of the retirement system and defraying reasonable expenses of administering the retirement system. Any written request to the money manager(s) from the board shall constitute a certification that the distribution so requested is one that the board is authorized to direct, and the money manager(s) shall not be required to investigate the application of such money by the board or its designee.

(2) The board shall have a continuing duty to observe and evaluate the performance of any money manager or other investment counsel retained by the board. The board shall, in selecting a money manager or other investment counsel, exercise all judgment and care under the circumstances then prevailing which persons of prudence, discretion and intelligence exercise in the management of their own affairs.

(e) *Records to be maintained.*

(1) The board shall require that any money manager or other agent who has custody or control of any trust property keep accurate and detailed accounts of all investments, receipts, disbursements and other transactions of or pertaining to such trust property, and the board shall further require that all accounts, books and records relating thereto be open to inspection and audit at all reasonable times by the city, the board, or their designees.

(2) The board shall also keep accurate and detailed accounts of all investments, receipts, disbursements and other transactions of or pertaining to trust property, and all accounts, books and records relating thereto shall be open to inspection and audit at all reasonable times by the city or its designees.

(f) *DROP account exceptions.*

(1) None of the restrictions in this section hereinabove shall apply to assets in DROP accounts which may be invested in any investments otherwise not prohibited by law.

(Ord. No. 10002, § 1, 6-13-85; Ord. No. 10500, § 1, 10-27-88; Code 1980, § 40-204; Ord. No. 11300, § 1, 9-14-95; Ord. No. 11752, § 2, 1-26-99; Ord. No. 13676, § 2, 4-27-17)

Sec. 40-196. Contributions.

(a) *Member contributions.*

(1) Effective January 9, 1994, and thereafter, regular contributions of each member of the retirement system shall be made each pay period at the rate of ten percent of each member's earnable compensa-

tion. Effective the first full pay period following October 1, 1999, regular contributions of each member of the retirement system shall be made each pay period at the rate of seven percent of each member's earnable compensation.

(2) a. Effective the first full pay period following October 1, 2000, and thereafter, regular contributions of each member of the retirement system shall be made each pay period at the rate of seven percent or equal to the city's contribution, whichever is less.

b. Effective the first full pay period following October 1, 2000, should the member contribution be less than seven percent, the difference between the seven percent and the actual contribution shall be deducted from the member's paycheck and placed into an individual contribution account (ICA), as part of the retirement system. ICA's shall be established as allowed by IRS Code. Only if it is found that the IRS Code does not allow for an individual account, the reduction in contribution shall be reflected in the member's paycheck.

(3) a. Effective the first full pay period following the effective date of the ordinance from which this article derives, and thereafter, regular contributions of each firefighter member of the retirement system shall be made at the rate of eight percent of each firefighter member's earnable compensation.

b. Effective the first full pay period following the effective date of the ordinance from which this article derives, should the firefighter member's contribution be less than eight percent, the difference between the eight percent and the actual contribution shall be deducted from the firefighter member's paycheck and placed into an individual contribution account (ICA), as part of the retirement system. ICA's shall be established as allowed by IRS Code. If it is found that the IRS Code does not allow for an individual account, the reduction in contribution shall be reflected in the member's paycheck.

(4) a. Effective the first full pay period following October 1, 2009, and thereafter, regular contributions of each firefighter member of the retirement system shall be made at the rate of nine percent of each firefighter member's earnable compensation.

b. Effective the first full pay period following October 1, 2009, should the firefighter member's contribution be less than nine percent, the difference between the nine percent and the actual contribution shall be deducted from the firefighter member's paycheck and placed into an individual contribution account (ICA), as part of the retirement system. ICA's shall be established as allowed by IRS Code. If it is found that the IRS Code does not allow for an individual account, the reduction in contribution shall be reflected in the member's paycheck.

(5) a. Effective the first full pay period following October 1, 2010, and thereafter, regular contributions of each firefighter member of the retirement system shall be made at the rate of ten percent of each firefighter member's earnable compensation.

b. Effective the first full pay period following October 1, 2010, should the firefighter member's contribution be less than ten percent, the difference between the ten percent and the actual contribution shall be deducted from the firefighter member's paycheck and placed into an individual contribution account (ICA), as part of the retirement

system. ICA's shall be established as allowed by IRS Code. If it is found that the IRS Code does not allow for an individual account, the reduction in contribution shall be reflected in the member's paycheck.

(6) Individual contribution accounts.

a. *Earnings.* Interest on ICA's shall be determined in the same manner as the COLA transfer methodology. Interest shall be credited periodically to the ICA's as determined by the retirement system board's actuary, but not less than once a year.

b. *Disbursements.* Member contributions and earnings in ICA's shall be deemed 100 percent vested upon deposit. Upon the member's separation, ICA balances shall be disbursed as provided under the IRS Code. Disbursement of ICA funds may only occur upon separation or as mandated under the IRS Code.

(7) a. Effective the first full pay period following October 1, 2012, the member contribution for police officers hired prior to October 1, 2012 shall be ten percent of earnable compensation; and effective September 30, 2014, the member contribution for police officers hired prior to October 1, 2012 shall be seven percent of earnable compensation. The member contribution for police officers hired on or after October 1, 2012 shall be three percent of earnable compensation greater than the member contribution for police officer members hired prior to October 1, 2012.

b. Effective the first full pay period following October 1, 2012, the member contribution for firefighters shall be ten percent of earnable compensation. On September 30, 2014, the member contribution for firefighters shall be seven percent of earnable compensation. The member contribution for firefighters hired on or after October 1, 2014, shall be ten percent of earnable compensation.

(b) *City contributions.* Effective October 1, 1993, the city's annual fiscal contribution to the retirement system shall provide for the following: (1) noninvestment expenses of the retirement system; and (2) required actuarial costs of the retirement system.

(1) The city's contribution for noninvestment expenses of the retirement system in any given fiscal year shall be determined by the same process the city uses for that fiscal year in determining the budget of the downtown development authority and the department of offstreet parking.

(2) The city's contribution to the retirement system shall be determined by applying the individual entry age actuarial funding method, as such method is defined by the American Academy of Actuaries, to the projected liabilities of the system as of October 1, 2011, using an assumed system payroll growth rate of three percent and using an unfunded liability amortization period of 25 years, or such other reasonable payroll growth rate and amortization period as agreed by the retirement system's actuary and the city's actuary. The contribution shall be determined as of October 1 of each year (based on the valuation payroll and the program provisions in effect at that time) for the fiscal year beginning on the subsequent October 1, adjusted for interest for one year, based on the actuarial assumptions.

(3) Effective as of the actuarial valuation for October 1, 1998, the investment assumption shall be net of any investment expense assumptions.

(4) The actuarial methodology for evaluating assets shall be a moving market value averaged over three years, from October 1, 1992, prospectively. (As of October 1, 1992, market value shall be

used; as of October 1, 1993, a two-year moving average shall be used; as of October 1, 1994, and thereafter, the three-year moving average shall be used.) The average of ratios of market to book values as of the current and two most recent September 30's is applied to book value at the current September 30. The result cannot be greater than 100 percent of market value or less than 80 percent of market value.

(5) The parties recognize that the amount to be contributed by the city to normal costs in any given year is affected by the assumptions made by the actuaries who calculate the normal costs by the method set forth in subsection (b)(2) above.

(6) The calculation for normal costs shall be performed separately by actuaries for the city and for the retirement system each using the method set forth in subsections (2), (3) and (4) above. The retirement system's actuary shall use the actuarial assumptions adopted by the board. The city's actuary may use any actuarial assumptions deemed appropriate by that actuary. If the retirement system's actuary and the city's actuary agree on the normal costs contribution for the city, that amount shall be contributed by the city. If the two actuaries cannot agree on the normal costs of contribution after attempting to do so, they shall promptly select an independent third actuary. If they are unable to agree on a third actuary, one shall be selected by the American Academy of Actuaries. The third actuary shall, as soon as practicable, submit a funding recommendation utilizing standard acceptable funding techniques and assumptions to the retirement system and the city commission. The city commission shall then fund the amount recommended by either the retirement system's actuary or the city's actuary, whichever recommendation is closer to the recommendation of the third actuary.

(7) On or before May 15 of each year, the board shall certify to the city manager:

a. The amount of appropriation necessary to pay the normal costs to the retirement system for the next fiscal year; and

b. The amount of appropriation required to pay the noninvestment expenses of the retirement system for the next fiscal year.

(8) All contributions made by the city to the retirement system for any given fiscal year shall be made quarterly, plus interest, in equal payments, on the first day of each quarter during the fiscal year in question; or sooner, at the city's option, with appropriate interest adjustment. If the amount of the contribution for normal costs to the retirement system has not been determined by the payment date, then the city shall make quarterly payments, based upon the prior year's contribution. Once the amount of normal costs is determined, if the amount of the contribution differs from the amount previously paid, then a corresponding adjustment shall be made in full on the next quarterly payment.

(Ord. No. 10002, § 1, 6-13-85; Ord. No. 11110, § 2, 1-13-94; Code 1980, § 40-205; Ord. No. 11300, § 1, 9-14-95; Ord. No. 11752, § 2, 1-26-99; Ord. No. 13072, § 2, 6-11-09; Ord. No. 13091, § 1, 9-24-09; Ord. No. 13210, § 1, 10-14-10; Ord. No. 13344, § 1, 9-27-12)

Sec. 40-197. Accounts.

(a) *Membership account.*

(1) The membership account shall be credited with the accumulated contributions of each member of the retirement system and the accumulated contributions of each member absent from service.

(2) Accumulated contributions withdrawn by a member or withdrawn by a member absent from service, and accumulated contributions paid to a legal representative or designated beneficiary in the event

of a member's death while a member, shall be charged to the membership account.

(3) Upon the retirement of a member or upon a member's election of a vested right to retirement, an amount equal to the member's accumulated contributions shall be transferred from the membership account to the benefit account.

(b) *Benefit account.*

(1) The benefit account shall be credited with accumulated contributions transferred from the membership account, all city contributions to the retirement system, all miscellaneous income payable to the retirement system, all interest and dividends earned on the funds of the retirement system (except as provided in paragraph (b)(1)b below), and all reserves for payment of retirement system benefits.

a. Miscellaneous income. The benefit account shall be credited with any miscellaneous income payable to the retirement system. Such income includes:

1. All fines and penalties imposed on firefighters or police officers for breach of any rule of the police or fire-rescue departments;

2. All rewards in moneys, fees, gifts and emoluments that may be paid or given for or on account of extraordinary service by the police or fire-rescue departments or any member thereof (except when allowed to be retained by competitive award or by the rules of the departments), and all moneys, gifts or donations received or given or earned by the police and fire-rescue departments for pension or retirement benefits; and

3. All other sums which may be paid or payable to the retirement system other than pursuant to this division.

Miscellaneous income shall be applied as a credit against contributions otherwise required to be made to the retirement system by the city.

b. Interest and dividends. All interest and dividends earned on the funds of the retirement system shall be credited to the benefit account. On January 1 of each year, the board shall transfer, from the benefit account to the membership account, amounts sufficient to allow regular interest on the balances of the members' accounts in the membership account. "Regular interest" shall mean interest at such percentage rate compounded annually as shall be determined by the board to be equitable both to members and to taxpayers of the city, after taking into consideration the actual interest earnings of the retirement system for the preceding years and the probable earnings of the system in the future. Such rate shall be limited to a minimum of three percent and a maximum of four percent.

(2) All expenses of the retirement system shall be chargeable to the benefit account. Such expenses include, but are not limited to, the following:

a. All retirement benefits paid to beneficiaries of the Miami city employees' retirement system and to beneficiaries of the City of Miami firefighters' and police officers' retirement trust; and

b. All retirement allowances paid to persons under the provisions of the former pension and/or retirement fund for members of the police and fire-rescue departments of the City of Miami or paid to former members

of that fund who did not become members of the Miami city employees' retirement system.

(Ord. No. 10002, § 1, 6-13-85; Code 1980, § 40-206)

Sec. 40-198. Physical examination required; effect of preemployment disability.

(a) An employee must submit to a physical examination by the city physician or some other physician authorized by the board before such employee may be accepted as a member of the retirement system.

(b) Upon commencement of active membership in the retirement system, a member with a specific disability at the time of employment by the city shall waive in writing any right to an accidental or service-incurred disability retirement allowance based on the member's preemployment disability or any aggravation thereof. A member with a preemployment disability shall be eligible for an accidental or service-incurred disability retirement allowance only if it can be shown to the satisfaction of the board that such member would have been entitled to an accidental or service-incurred disability retirement allowance notwithstanding the preemployment disability.

(Ord. No. 10002, § 1, 6-13-85; Code 1980, § 40-207)

City Code cross reference—Physical examination required for membership in retirement system or plan, medical requirements for membership, § 40-3.

Sec. 40-199. Membership; right of certain persons to reject membership.

(a) The membership of the retirement system shall include all employees, and any member who is absent from service less than three years in a period of five consecutive years after last becoming a member and who has not withdrawn his or her accumulated contributions. The active membership of the retirement system shall include all employees but shall not include any member absent from service or any DROP participant.

(b) With the exception of persons eligible to decline membership in the retirement system, participation in the retirement system is a mandatory condition of employment for employees. An employee's acceptance of employment with the city shall constitute authorization for the city to pick up contributions from the earnable compensation of the employee, unless and until an election is made. Those persons employed in the following positions shall have the right to reject membership in the City of Miami firefighters' and police officers' retirement trust ("retirement system") within one year from their respective commencements of employment with the city, subject to performance of the conditions set forth in paragraphs (b)(1) and (2), below, within the aforesaid time period: chief of the fire-rescue department, assistant chiefs of the fire-rescue department, chief of police and assistant chiefs of police. The conditions upon which membership in the retirement system may be rejected by any person employed in any of the foregoing positions shall be as follows:

(1) Submission to the commission of a written trust agreement wherein the employee rejects membership in the retirement system and wherein provision is made for the city to contribute moneys on behalf of such employee to a public trust fund designated by the employee and approved by the commission, such contribution to be made in lieu of the city's contribution on behalf of the employee to the retirement system.

a. The contribution to be made by the city under the terms of the above agreement shall be calculated at the rate of eight percent of the individual's annual earnable compensation.

b. A contribution to the designated public trust fund must be made by the employee rejecting membership in the retirement system, and such contribution by the employee shall be picked up by the city at a rate of not less than five percent of the employee's annual earnable compensation.

c. An employee may, if so provided in the trust agreement, take actual or constructive receipt of his or her contribution, or those contributions made by the city on his or her behalf prior to reaching age 55 or upon becoming permanently and totally disabled by making a revocable election of distribution of accounts pursuant to the mode of distribution of benefits as provided in the trust agreement.

(2) If an eligible employee fails to comply with all of the conditions set forth above, the employee shall not have the right to reject membership in the retirement system.

(c) Should any member in any period of five consecutive years after last becoming a member be absent from service more than three years, or should any member withdraw accumulated contributions, or should any member become a member of any other city-sponsored retirement plan or system, or should any member become a beneficiary or die, he or she shall thereupon cease to be a member of the retirement system.

(d) Upon request by the board, the city manager shall submit to the board a statement showing the name, title, compensation, duties, date of birth and length of service of each member, as well as such other information regarding members as the board may require in order to transact the business of the retirement system. (Ord. No. 10002, § 1, 6-13-85; Ord. No. 10458, § 1, 7-14-88; Code 1980, § 40-208; Ord. No. 11300, § 1, 9-14-95)

Sec. 40-200. Transfer of city employees to retirement system.

(a) Any person employed by the city in a capacity other than firefighter or police officer, who is reclassified and appointed to the position of firefighter or police officer and who, prior to such appointment, was a member of the City of Miami general employees' and sanitation employees' retirement trust ("retirement plan") shall have membership in the retirement plan transferred to the retirement system, effective the date of such appointment. Creditable service earned while a member of the retirement plan shall be deemed creditable service in the retirement system upon such transfer.

(b) Commencing on the effective date of transfer to the retirement system, a member who has transferred from the retirement plan shall make regular contributions at the rate required by the retirement system. Accumulated contributions credited in the retirement plan to the account of such member shall be transferred to the membership account of the retirement system and credited to the member thereunder. There shall also be transferred, from the benefit account of the retirement plan to the benefit account of the retirement system, the amount of assets, as determined by actuarial valuation, held by the retirement plan for any plan member who transfers to the retirement system.

(c) Any member of the retirement system who transferred from the retirement plan may contribute to the retirement system an amount computed to be sufficient with the member's prospective regular contributions to make accumulated contributions at normal retirement age equal to the amount such accumulated contributions would have been had the member been a member of the retirement system during his or her entire period of service with the city. If such election is not made, upon service, early service, rule of 64 or 68 or ordinary disability retirement, the member's retirement allowance shall be reduced by the actuarial equivalent of the amount by which accumulated contributions fall short of the full amount which would have been the member's accumulated contributions had he or she been a member of the retirement system during his or her entire period of service with the city. Any member who elects to make a contribution pursuant to this subsection, and who is granted disability retirement under the retirement system, shall have his or her disability retirement allowance reduced by the actuarial equivalent of the then unpaid amounts.

(1) An election permitted by this subsection must be made on a form provided by the board.

(2) Contributions made by a member pursuant to this subsection may be made either by a single lump-sum payment or by a series of periodic payments mutually agreed upon by the member and the board, including periodic deductions from the member's compensation. Regardless of the manner of payment, an amount to be contributed pursuant to this subsection must be paid to the retirement system within five years of notification to the member of the amount to be contributed.

(Ord. No. 10002, § 1, 6-13-85; Code 1980, § 40-209; Ord. No. 13091, § 1, 9-24-09)

Sec. 40-201. Creditable service.

(a) For any member of the retirement system, creditable service shall consist of all time spent in membership service since last becoming a member, plus any other time for which membership credit is received pursuant to the provisions of this division. Creditable service previously obtained as a member of the Miami city employees' retirement system shall be deemed creditable service under the City of Miami firefighters' and police officers' retirement trust to the extent such service remained credited to the member on May 23, 1985.

(b) The board shall fix and determine by appropriate rules and regulations the amount of service in any year which is equivalent to a year of membership service, but in no case shall more than one year of membership service be creditable for all service in one calendar year. The board shall not allow credit for membership service for any period of more than one month during which an employee is continuously absent without pay. Subject to the foregoing restrictions, the board may adopt rules and regulations to verify membership credit claimed by any member.

(Ord. No. 10002, § 1, 6-13-85; Code 1980, § 40-210)

Sec. 40-202. Paybacks for membership credit.

Members shall have the right to receive membership credit in the retirement system in accordance with the following provisions:

(1) *Credit for previous membership service for certain reemployed former members.*

a. If a former member of the retirement system who is not a beneficiary and is not within five years of reaching normal retirement age, whose membership has not been terminated for a period in excess of three years and who, at the time of termination of membership, had five or more years of creditable service, again becomes a member, he or she may apply for membership credit for prior membership service by filing with the board an election to pay back the amount of accumulated contributions previously returned to him or her. If an election to receive membership credit is made pursuant to this paragraph, a member shall pay back withdrawn accumulated contributions at the rate in effect when his or her previous membership terminated, together with regular interest thereon, or, subject to the approval of the board, pay back an amount equal to the total amount of accumulated contributions previously withdrawn, together with regular interest thereon.

b. If a former member, who is not a beneficiary, again becomes a member and is not otherwise eligible to receive membership credit pursuant to subsection (1)a, he or she may apply to the board for membership credit for prior membership service up to a maximum of four years, provided separation from prior employment was under honorable conditions. If an election to receive membership credit is made pursuant to this paragraph, the amount

of contributions to be paid back on account of prior membership service shall be based upon the member's current earnable compensation and the current contribution rate, excluding interest.

c. If a former member of the retirement system was terminated by the city due to reduction in personnel and is thereafter reemployed by the city within a period of three years, he or she may apply for membership credit for prior membership service by filing with the board an election to pay back the amount of accumulated contributions previously returned to him or her. If an election to receive membership credit is made pursuant to this paragraph, a member shall pay back withdrawn accumulated contributions to the retirement system in an amount determined by the board. Credit shall not be allowed under the provisions of this paragraph for employment with the city prior to January 1, 1940.

d. Any election permitted by this subsection must be made on a form provided by the board. The form shall be sent to a member by registered mail and must be returned to the board within 30 days following receipt thereof in order to establish the election desired.

e. Contributions made by a member pursuant to this subsection may be made either by a single lump-sum payment or by a series of periodic payments mutually agreed upon by the member and the board, including periodic deductions from the member's compensation. Regardless of the manner of payment, any payback of contributions pursuant to the subsection must be completed within five years of notification to the member of the amount to be paid back.

f. Upon timely payment in full of a payback permitted by this subsection, and following a period of five years of active membership subsequent to a member's date of restoration, a member shall be credited with his or her previous membership service; provided, that in the event of disability retirement prior to the preceding terms having been met, a member shall receive credit for previous service but his or her disability benefit retirement allowance shall be reduced by the actuarial equivalent of the unpaid portion of the amount to be paid back.

g. Any person restored to active membership who is eligible to, but does not, make an election provided for in this subsection, or who, having made the election, fails to complete a payback within the required time (except as otherwise provided in paragraph (1)f above), shall be considered a new member for all purposes of the retirement system as of his or her date of restoration and shall not be entitled to any of the rights and benefits provided under this subsection.

(2) *Credit for previous employment for certain laborers, security guards and custodial workers.*

a. Any member who has denied the right at any time between April 1, 1955, and September 1, 1962, to participate in the Miami city employees' retirement system or in the Miami city general employees' plan by reason of employment with the city as a laborer, security guard or custodial worker, may receive membership credit for time employed as a laborer, security guard, or custodial worker between the aforesaid dates, provided that:

1. The member files a written claim with the board on or

before December 31, 1995, which claim shall state all employment with the city between April 1, 1955, and September 1, 1962, as well as any other facts the board may require for the proper determination of the membership credit claimed pursuant to this subsection; and

2. The member, prior to retirement or departure from city employment, pays to the retirement system contributions for the membership credit claimed. Such contributions shall be computed at the then contribution rate of the member's group and class times the member's then annual earnable compensation, plus four percent interest thereon, compounded annually from the date of first creditable service hereunder to the date of payment.

b. Contributions made by a member pursuant to this subsection may be made either by a single lump-sum payment or by a series of periodic payments mutually agreed upon by the member and the board, including periodic deductions from the member's compensation. Regardless of the manner of payment, an amount to be contributed pursuant to this subsection must be paid to the retirement system within five years of notification to the member of the amount to be contributed.

c. A payback permitted by this subsection must be completed in full and within the required time period in order for any membership credit granted hereunder to be utilized as a basis for determining any retirement system benefit.

(3) *Credit for military service.*

a. Notwithstanding any provision in this division to the contrary, any employee who was a member of the retirement system prior to entry into military service, and who did not withdraw accumulated contributions prior to military service, who was granted a leave of absence by the city under the provisions of Resolution No. 16366, passed and adopted by the commission August 28, 1940, as amended by Resolution No. 18115, passed and adopted by the commission March 24, 1943, and who returns to service under the provisions of such resolution, shall retain membership in the retirement system regardless of the length of the period of absence. In determining the creditable service of any firefighter or police officer whose retirement becomes effective on or after December 31, 1999, credit for up to a maximum of five years of the time spent in the military service of the Armed Forces of the United States shall be added to the years of actual service, if: (i) the firefighter or police officer is in the active employ of the city prior to such service and leaves a position, other than a temporary position, for the purpose of voluntary or involuntary service in the Armed Forces of the United States; and (ii) the firefighter or police officer is entitled to reemployment under the provisions of the Uniformed Services Employment and Reemployment Rights Act; and (iii) the firefighter or the police officer returns to his or her employment as a firefighter or police officer of the city within one year from the date of his or her release from such active service. Any member of the retirement system who qualifies for service credit as hereinabove set forth and serves a period of time in excess of five years shall, receive membership credit for the time spent in the military service in excess of five years, by contributing the

amount he or she would have contributed had he or she remained in service for the period of time in excess of five years. Payments made to the retirement system pursuant to this paragraph shall be made in such manner as the board prescribes.

b. Any member of the retirement system who withdrew accumulated contributions due to entrance into military service during World War II, and who qualifies under the provisions of Resolution No. 16366, passed and adopted by the commission August 28, 1940, as amended by Resolution No. 18115, passed and adopted by the commission March 24, 1943, may receive membership credit for prior membership service by redepositing the accumulated contributions withdrawn, together with regular interest thereon, in such manner as shall be prescribed by the board.

c. Any member who has served on active military duty but is ineligible to claim credit for such service under subsection (3)a or (3)b shall receive membership credit up to a maximum of four years for the time spent on active military service in the armed forces of the United States, provided that:

1. The active military service was wartime service as declared by federal statute or executive order, and the member presents to the board such proof of wartime service as the board shall determine to be sufficient;

2. The member was discharged or released from the military service under honorable conditions;

3. The member has completed ten years of creditable service;

4. The member elects to claim membership credit on a form provided by the board, which form shall be sent to eligible members by registered mail upon completion of ten years' creditable service and must be returned to the board within 30 days after receipt thereof in order to establish such election; and

5. The member, prior to retirement, pays to the retirement system contributions for such military service. Such contributions shall be computed at the current contribution rate times the member's first year of earnable compensation subsequent to July 1, 1945, for which creditable service has been earned under the retirement system, plus four percent interest thereon, compounded annually from the date of first creditable service to the date of payment.

Contributions made by a member pursuant to this paragraph may be made either by a single lump-sum payment or by a series of periodic payments mutually agreed upon by the member and the board, including periodic deductions from the member's compensation. Regardless of the manner of payment, an amount to be contributed pursuant to this subsection must be paid to the retirement system within five years of notification to the member of the amount to be contributed. If, however, any member receives disability retirement prior to the completion of a payback elected under this paragraph, the member shall be credited with the military service claimed but his or her disability benefit shall be reduced by the actuarial equivalent of the unpaid portion of the amount to be paid back.

(4) *Credit for maternity leave.*

a. Any member of the retirement system who, prior to March 8, 1984,

took an unpaid leave of absence for maternity purposes shall be eligible to receive membership credit for such unpaid leave up to a maximum of 180 days. Said election shall be available until June 24, 1985. Those members electing to claim membership credit pursuant to this provision shall pay into the retirement system accumulated contributions at the current contribution rate times their current earnable compensation, such payment to be made either in a lump sum or prorated over a period not to exceed one year.

b. On or after May 23, 1985, members shall be eligible to receive membership credit for unpaid leave taken for maternity purposes up to a maximum of 180 days, provided that they have exhausted all vacation time, sick leave time, earned overtime, or similar time. Those members electing to claim membership credit pursuant to this provision shall pay into the retirement system accumulated contributions at the current contribution rate times their current earnable compensation, such payment to be made either in a lump sum or prorated over a period not to exceed one year. Any payback made pursuant to this paragraph must commence within 30 days of the member's return from the unpaid maternity leave.

(5) *Restoration of service credit for prior continuous service.* Any member who has continuous service with the City of Miami prior to becoming a member of the system may elect to claim membership credit for such prior service provided that such member pay back for said prior continuous service in the following manner: (1) If it has been determined that an error occurred (which resulted in a delay in enrollment in the system) and such error was through no fault of the member and there is no evidence that the member had been offered an opportunity to payback at the time such error was discovered, then the payback shall be computed at the rates prevailing at the time the error occurred, with regular interest thereon to date; (2) if it has been determined that no error occurred (which resulted in a delay in enrollment in the system) or that such error did occur and was the fault of the member or there is evidence that such error was not the fault of the member but he/she had been offered an opportunity to payback at the time such error was discovered and chose not to elect to pay back at that time, then the payback shall be computed at current rates without interest. Such payment is to be made either in a lump sum or prorated over a period not to exceed five years from the date such member receives the board's verification of the amount. If however, any member receives a disability retirement prior to the completion of a payback elected under this paragraph, the member shall be credited with the time purchased but his or her disability benefit shall be reduced by the actuarial equivalent of the unpaid portion of the amount to be paid back.

(6) *Creditable service years purchase.*

a. *Firefighter members.*

1. A retiring firefighter member, including I.A.F.F. bargaining unit member, who does not participate in the DROP and retires under service retirement, or rule of 64 or 68 retirement, may purchase from available leave balances, whole years of creditable service up to a maximum of three years. The purchase of creditable service under this subsection may not be utilized for eligibility for either service retirement, or rule of 64 or 68 retirement. Once the leave balances have been applied toward the purchase of whole years of

creditable service, and the amount thereof actually paid to and received by the trust, the member may purchase the balance of the three years by a lump sum cash payment to the trust. Leave balances shall be determined in accordance with the applicable labor agreement and/or leave payoff practices. The cost of creditable service purchased shall be the prorata actuarially determined present value based upon the member's average final compensation used to determine the member's retirement benefit. This benefit shall be available using after tax value of the member's leave balance; if, in the future, the issue of income taxes is resolved, then it will be available using pre-tax value of the member's leave balances. Effective June 12, 2007, firefighter members and I.A.F.F. bargaining unit members, including those electing to participate in either the FORWARD DROP or BACDROP, may elect to transfer funds from their accounts in the Miami Firefighters' Relief and Pension Fund (175) to the trust to purchase the three years of creditable service referred to herein. Members may purchase three whole creditable service years by a lump sum payment of cash to the trust or a tax qualified transfer of funds from a member's 457 Deferred Compensation Plan at present value as actuarially determined for each individual member. In no case shall a firefighter member, including I.A.F.F. bargaining unit member, purchase more than three years of creditable service through any combination of the above provisions. No benefit provided under this subsection shall be effective unless and until full payment in accordance herewith is made.

2. Effective the full pay period following October 1, 2009, the following provisions shall supersede the provisions of subsection a.1., and govern the purchase of creditable service by firefighter members, including, but not limited to, I.A.F.F. bargaining unit members:

   A. A retiring firefighter member, including, I.A.F.F. bargaining unit member, who does not participate in the DROP and retires under service retirement, or rule of 64 or 68 retirement, may purchase up to three whole years of creditable service utilizing the member's available leave balances, a tax qualified transfer of funds to the trust from the member's 457 Deferred Compensation Plan at present value as actuarially determined for the individual retiring member, lump sum payment of cash to the trust, or funds transferred to the trust from the member's account with the Miami Firefighters' Relief and Pension Fund (175).

   B. A retiring firefighter member, including I.A.F.F. bargaining unit member, who participates in either the FORWARD DROP or BACDROP, may purchase up to three whole years of

creditable service utilizing a tax qualified transfer of funds to the trust from the member's 457 Deferred Compensation Plan at present value as actuarially determined for the individual retiring member, a lump sum payment of cash to the trust, or funds transferred to the trust from the member's account with the Miami Firefighters' Relief and Pension Fund (175).

C. The following provisions shall apply to all purchases of creditable service under paragraphs a.2.A. and 2.B.:

i. The purchase of creditable service shall be allowed only immediately prior to retirement.

ii. The purchase of creditable service may not be utilized for eligibility for either service retirement, or rule of 64 or 68 retirement. Once the leave balances or the funds from the member's account with the Miami Firefighters' Relief and Pension Fund (175) or those from the member's 457 Deferred Compensation Plan have been applied toward the purchase of whole years of creditable service, and the amount thereof actually paid to and received by the trust, the member may purchase the balance of the three years by a lump sum cash payment to the trust. Leave balances shall be determined in accordance with the applicable labor agreement and/or leave payoff practices. The cost of creditable service purchased shall be the prorata actuarially determined present value based upon the member's average final compensation used to determine the member's retirement benefit. The use of leave balances shall be available using after tax value of the member's leave balance; if, in the future, the issue of income taxes is resolved, then it will be available using pre-tax value of the member's leave balances. In no case shall a member purchase more than three years of creditable service through any combination of the above provisions. No benefit provided under this subsection shall be effective unless and until full payment in accordance herewith is made.

b. *Police officer members.*

1. A police officer member, including F.O.P. bargaining unit member, who retires on or after April 26, 2007, and does not participate in the DROP and retires under service retirement or rule of 64 retirement, may purchase up to three whole years of creditable service utilizing the member's available leave balances, a tax qualified transfer of funds from the member's 457 Deferred Compensation Plan at present value as actuarially determined for the individual retiring member, or a lump sum cash payment. The purchase of creditable service under this subsection may not be utilized for eligibility for either service retirement or rule of 64 retirement. Once the leave balances and/or funds from the member's 457 Deferred Compensation Plan have been applied toward the purchase of whole years of creditable service, and the amount thereof actually paid to and received by the trust, the member may purchase the balance of the three years by a lump sum cash payment to the trust. Leave balances shall be determined in accordance with the applicable labor agreement and/or leave payoff practices. The cost of creditable service purchased shall be the prorata actuarially determined present value based upon the member's average final compensation used to determine the member's retirement benefit. This benefit shall be available using after tax value of the member's leave balance; if, in the future, the issue of income taxes is resolved, then it will be available using pre-tax value of the member's leave balances. In no case shall a member purchase more than three years of creditable service through any combination of the above provisions. No benefit provided under this subsection shall be effective unless and until full payment in accordance herewith is made. A police officer member, including F.O.P. bargaining unit member, shall only be allowed to purchase creditable service under this sub-section immediately prior to the member's retirement.

2. A police officer member, including F.O.P. bargaining unit member, who retires on or after April 26, 2007, and participates in the DROP may purchase up to three whole years of creditable service utilizing a tax qualified transfer of funds from a member's 457 Deferred Compensation Plan at present value as actuarially determined for the individual retiring member, or a lump sum cash payment. The purchase of creditable service under this subsection may not be utilized for eligibility for either service retirement or rule of 64 retirement. Once the funds from the member's 457 Deferred Compensation Plan have been applied toward the purchase of whole years of creditable service and the amount thereof actually paid to and received by the trust, the member may purchase the balance of the three years by a lump sum cash payment to the trust. The cost of creditable service purchased shall be the prorata actuarially determined pres-

ent value based upon the member's average final compensation used to determine the member's retirement benefit. In no case shall a member purchase more than three years of creditable service through any combination of the above provisions. No benefit provided under this subsection shall be effective unless and until full payment in accordance herewith is made. A police officer member, including F.O.P. bargaining unit member, shall only be allowed to purchase creditable service under this subsection immediately prior to the member's retirement, including entry into the DROP.

(Ord. No. 10002, § 1, 6-13-85; Ord. No. 10910, § 1, 9-5-91; Ord. No. 11235, § 1, 3-27-95; Code 1980, § 40-211; Ord. No. 11300, § 1, 9-14-95; Ord. No. 11752, § 2, 1-26-99; Ord. No. 11944, § 2, 7-27-00; Ord. No. 12203, § 2, 3-27-02; Ord. No. 12718, § 2, 7-28-05; Ord. No. 12941, § 2, 9-11-07; Ord. No. 13091, § 1, 9-24-09; Ord. No. 13676, § 2, 4-27-17)

Sec. 40-203. Benefits.

(a) *Service retirement.*

(1) Any member in service who has ten or more years of creditable service may elect to retire upon the attainment of normal retirement age. Such election shall be made upon written application to the board, setting forth not less than ten nor more than 90 days subsequent to the execution and filing thereof, the date the member desires to be retired.

(2) For police officer members, normal retirement age for members employed on September 26, 2010 who as of that date had attained ten or more years of creditable service shall be rule of 64 retirement or age 50 with ten years of creditable service including members who retired or entered DROP on or after September 26, 2010. For firefighter members, normal retirement age for members employed on September 26, 2010 who as of that date had attained ten or more years of creditable service shall be rule of 68 retirement or age 50 with ten years of creditable service including members who retired or entered DROP on or after September 26, 2010. Members may continue in service after attaining normal retirement age and participate in all aspects of the retirement system.

(3) A member exercising service retirement on or after October 4, 1991, and before January 9, 1994, shall be entitled to receive a retirement allowance equal to 2.75 percent of the member's average final compensation multiplied by years of creditable service, which amount shall be paid yearly in monthly installments. A member exercising service retirement on or after January 9, 1994 shall be entitled to receive a retirement allowance equal to 2.75 percent of the member's average final compensation multiplied by years of creditable service for the first 15 years of such creditable service. Such member shall also be entitled to receive a retirement allowance equal to three percent of member's final average compensation multiplied by the years of creditable service in excess of 15 years.

A police officer member exercising service retirement on or after May 28, 1995, shall be entitled to receive a retirement allowance equal to 2.75 percent of the member's average final compensation multiplied by years of creditable service for the first 15 years of such creditable service. Such member shall also be entitled to receive a retirement allowance equal to three percent of member's final average compensation multiplied by the years of creditable service in the excess of 15 years, which amount shall be paid yearly in monthly installments.

A firefighter member exercising service retirement on or after May 28, 1995, shall be entitled to receive a retirement

allowance equal to three percent of the member's average final compensation multiplied by years of creditable service, which amount shall be paid yearly in monthly installments.

(4) Effective October 1, 1998, a member exercising service retirement on or after October 1, 1998 shall be entitled to receive a retirement allowance equal to three percent of the member's average final compensation multiplied by years of creditable service for the first 15 years of such creditable service. Such member shall also be entitled to receive a retirement allowance equal to three and one-half percent of member's final average compensation multiplied by the years of creditable service in excess of 15 years, which amount shall be paid yearly in monthly installments.

(5) A member eligible for service retirement may choose any one of the optional allowances available to him or her on the date of retirement, as provided in subsection (m).

(b) *Rule of 64 or rule of 68 retirement.*

(1) Any member in service who did not withdraw from active membership in the retirement system and retiring effective May 28, 1995, may elect service retirement on the basis of his or her combined age and creditable service equaling 64 for police officer members and 68 for fire fighter members, or more provided that the member has reached minimum vesting requirements. Such election shall be made upon written application to the board no less than ten days nor more than 90 days subsequent to the execution and filing thereof, the date the member desires to be retired.

(2) Upon rule of 64 retirement, on or after May 28, 1995, a police officer member shall be entitled to receive a retirement allowance equal to 2.75 percent of the member's average final compensation multiplied by the years of creditable service for the first 15 years of such creditable service. Such member shall also be entitled to receive a retirement allowance equal to three percent of the member's final average compensation multiplied by the years of creditable service in excess of 15 years.

Upon rule of 64 retirement, a firefighter member retiring on May 28, 1995, shall be entitled to receive a retirement allowance equal to three percent of the member's average final compensation multiplied by years of creditable service which amount shall be paid yearly in monthly installments.

A member eligible for rule of 64 or rule of 68 retirement may choose one of the optional allowances available to him or her on the date of retirement, as provided in subsection (m).

(3) Upon rule of 64 retirement for police officer members on or after October 1, 1998, or upon the Rule of 68 retirement for fire fighter members on or after October 1, 2009, a member shall be entitled to receive a retirement allowance equal to three percent of the member's average final compensation multiplied by years of creditable service for the first 15 years of such creditable service. Such member shall also be entitled to receive a retirement allowance equal to three and one-half percent of member's final average compensation multiplied by the years of creditable service in excess of 15 years, which amount shall be paid yearly in monthly installments. A member eligible for rule of 64 or rule of 68 retirement may choose one of the optional allowances available to him or her on the date of retirement, as provided in subsection (m).

(c) *Limitation on benefits.*

(1) Effective October 1, 1998, member retirement allowances shall not exceed 100 percent of the member's final average compensation for members retiring under service retirement or rule of 64 retire-

ment, and effective October 1, 2009 for rule of 68 retirement with the following exceptions:

a. Members whose retirement allowances, prior to October 1, 1998, who had already earned 100 percent or greater of the member's average final compensation shall continue to accrue pension benefits as outlined under section 40-203.

b. Members whose retirement allowance exceeds 100 percent of their average final compensation as of October 1, 1998, due to the multiplier change, shall be capped at the new percentage.

(2) Effective June 12, 2007, firefighter member, including, but not limited to, I.A.F.F. bargaining unit member, retirement allowances shall not exceed 100 percent of the member's final average compensation for firefighter members and I.A.F.F. bargaining unit members retiring under service retirement, rule of 64 retirement or rule of 68 retirement.

(3) Members who as of September 26, 2010 had not attained ten or more years of creditable service and members hired on or after October 1, 2010 shall have a maximum retirement benefit which shall not exceed the lesser of $120,000.00 or 100 percent of final average compensation. Members who retired prior to September 26, 2010 shall have no limitation on benefits accrued.

(d) *Early service retirement.*

(1) Any member in service who has 20 or more years of creditable service may elect to retire on a retirement allowance which shall be the actuarial equivalent of the service retirement allowance otherwise available to the member upon the attainment of normal retirement age. Such election shall be made upon written application to the board, setting forth not less than ten nor more than 90 days subsequent to the execution and filing thereof, the date the member desires to be retired.

(2) A member eligible for early service retirement may choose any one of the optional allowances available to him or her on the date of retirement, as provided in subsection (m).

(3) A member who has elected to retire on an early service retirement shall not be eligible to participate in the DROP.

(e) *Vested right to retirement.*

(1) If a member who is not entitled to retire ceases to be a city employee for any reason other than death or willful misconduct in office, he or she may elect to continue as a member not in service and retire upon subsequent attainment of normal retirement age, provided:

a. That when the member ceases to be a city employee, the member has completed at least ten years of creditable service; and further provided

b. That the member does not withdraw his or her accumulated contributions.

(2) A member electing to become a member not in service on or after October 4, 1991, and before January 9, 1994, shall be entitled to receive a retirement allowance equal to 2.75 percent of member's average final compensation multiplied by years of creditable service which amount shall be paid yearly in monthly installments, upon attainment of normal retirement age. A member electing to become a member not in service on or after January 9, 1994, shall be entitled to receive a retirement allowance equal to 2.75 percent of the member's average final compensation multiplied by the average final compensation multiplied by the years of creditable service for the first 15 years of such creditable service. Such member shall also be entitled to receive a retirement allowance equal to three percent of member's final average

compensation multiplied by the years of creditable service in excess of 15 years, upon attainment of normal retirement age.

A member electing to become a member not in service on or after October 1, 1998, shall be entitled to receive a retirement allowance equal to three percent of the member's average final compensation multiplied by years of creditable service for the first 15 years of such creditable service. Such member shall also be entitled to receive a retirement allowance equal to three and one-half percent of member's final average compensation multiplied by the years of creditable service in excess of 15 years, upon attainment of normal retirement age.

(3) If a member who elects to become a member not in service subsequently elects to withdraw his or her accumulated contributions, the member not in service shall be paid the amount of his or her accumulated contributions at the time he or she ceased to be a city employee, excluding all amounts picked up from the member's earnable compensation and credited to the COLA fund, plus only such regular interest as has been accumulated during the first three years thereafter.

(4) If a member not in service dies prior to retirement, his or her beneficiary shall be paid the amount of his or her accumulated contributions at the time he or she ceased to be a city employee, excluding all amounts picked up from the member's earnable compensation and credited to the COLA fund, plus regular interest thereon to the date of the member's death.

(5) If a person elects a vested right to retirement under any retirement system or plan sponsored by the city and thereafter becomes an employee, he or she shall become a new member of the retirement system on the date employment recommences and shall make regular contributions to the retirement system at the rate required by subsection 40-196(a). Such member shall be entitled to receive a retirement benefit therefor as if he or she were a new entrant upon the date of subsequent employment and, in addition, shall be entitled to receive a retirement benefit for his or her employment in accordance with subsection (d)(2).

(6) A member not in service shall not be eligible to participate in the DROP.

(f) *Ordinary disability retirement.*

(1) Any member in service who has ten or more years of creditable service but who is not eligible for a service retirement allowance may, upon written application, be retired by the board on an ordinary disability retirement allowance; provided, that after medical examination of such applicant, the physician retained by the board shall certify that the member is mentally or physically totally incapacitated for the further performance of duty (not as a result of an accident in the actual performance of duty as defined in subsection (i) of this section), that such incapacity is likely to be permanent, and that such member should be retired.

(2) a. Upon retirement for ordinary disability on or after October 4, 1991 and before January 9, 1994, a member shall be entitled to receive a retirement allowance equal to 2.75 percent of 90 percent of the member's average final compensation multiplied by years of creditable service, which amount shall be paid yearly in monthly installments, provided such retirement allowance exceeds 30 percent of the member's average final compensation; otherwise, 30 percent of the member's average final compensation shall be paid yearly in monthly installments.

b. Upon retirement for ordinary disability on or after January 9, 1994, a member shall be entitled to receive

a retirement allowance equal to 2.75 percent of 90 percent of the member's average final compensation multiplied by the first 15 years of creditable service. Creditable service of such member in excess of 15 years shall be multiplied by three percent of 90 percent of the member's average final compensation times years of creditable service, which amount shall be paid yearly in monthly installments, provided such retirement allowance is at least 30 percent of the member's average final compensation, otherwise 30 percent of the member's average final compensation shall be paid yearly in monthly installments.

c. Upon retirement for ordinary disability on or after October 1, 1998, a member shall be entitled to receive a retirement allowance equal to three percent of 90 percent of the member's average final compensation multiplied by the first 15 years of creditable service. Creditable service of such member in excess of 15 years shall be multiplied by three and one-half percent of 90 percent of the member's average final compensation times years of creditable service which amount shall be paid yearly in monthly installments, provided such retirement allowance is at least 30 percent of the member's average final compensation, otherwise 30 percent of the member's average final compensation shall be paid yearly in monthly installments.

d. For those members who retire effective on or after December 31, 1999, the retirement allowance shall be payable for life, except that in the event the member dies before such allowance has been received for a period of ten years, the member's beneficiary or beneficiaries shall be paid the same allowance for the remainder of the ten-year period.

(3) A member entitled to receive an ordinary disability retirement allowance shall not be eligible for a return of contributions as provided in subsection 40-212(j) for optional allowances as provided in subsection 40-212(m), nor for participation in the DROP.

(4) A DROP participant shall not be entitled to receive an ordinary disability retirement.

(g) *Accidental or service-incurred disability retirement.*

(1) Any member in service who, prior to attaining the age of 60, has been totally and permanently incapacitated for duty as the natural and proximate result of an accident occurring while in the actual performance of duty at some definite time and place, shall be retired for accidentally incurred disability; provided that:

a. Such incapacity for duty has been total, permanent and continuous from a time prior to the member attaining the age of 60;

b. The physician retained by the board, after a medical examination of such member, shall certify in writing that the member is mentally or physically totally incapacitated in accordance with the definition of permanent total disability;

c. The board shall concur with the report of the physician employed by the board; and

d. The physical condition of the member shall be subject to a review by the physician retained by the board, at the request of the board, as often as the board shall deem it advisable.

(2) A member may be considered totally and permanently disabled for further performance of duty for the purpose of this section when said member is unable, due to an accident, illness or injury incurred in the line of duty, to perform within the member's classification.

(3) a. Any condition or impairment of health caused by tuberculosis, heart disease or hypertension, on the part of a member, which condition results in total and permanent incapacitation for duty, shall be presumed to have been accidental and suffered in the line of duty unless the contrary be shown by competent evidence; provided, however, that any such member shall have successfully passed a physical examination upon entering into service as a firefighter or police officer, which examination failed to reveal any evidence of any such condition.

b. Nothing herein shall be construed to extend or otherwise affect the provisions of F.S. ch. 440 pertaining to workers' compensation.

(4) When deciding whether to grant an accidental or service-incurred disability retirement, the board shall obtain any and all available information, including, but not limited to, medical reports which the board deems necessary in order to assist the board in arriving at its decision.

(5) a. Upon retirement for accidental disability or service-incurred disability, a member shall receive a pension which shall be equal to 66⅔ percent of his/her average final compensation or 66⅔ percent of his/her final compensation, whichever is greater.

b. For those members who retire effective on or after December 31, 1999, upon retirement for accidental disability or service-incurred disability, a member shall receive a retirement allowance payable for life which shall be equal to 66⅔ percent of the member's average final compensation or 66⅔ percent of the member's final compensation, whichever is greater, except that in the event a member dies before such allowance has been received for a period of ten years, the member's beneficiary or beneficiaries shall be paid the same allowance for the remainder of the ten-year period.

(6) A member entitled to receive an accidental or service-incurred disability retirement allowance shall not be eligible for a return of contributions as provided in subsection (j), for optional allowances as provided in subsection (m), nor for participation in the DROP.

(7) In lieu of the benefits set forth in subsection (5) above, upon the death of any member who has received an accidental or service-incurred disability retirement, the spouse of said member who has been nominated and designated by the member as said member's beneficiary if eligible shall receive the payment of an amount equal to 40 percent of the member's monthly retirement allowance during the lifetime of said spouse, in accordance with subsection (n) of this section.

(8) A DROP participant shall not be entitled to receive an accidental or service-incurred disability retirement.

(h) *Ordinary death benefit.*

(1) Upon receipt by the board of proper proofs of the death of a member in service who has three or more years of creditable service, which death is not the result of an accident in the actual performance of duty as defined in subsection (i) of this section, there shall be paid to such person, if any, as the member shall have nominated by written designation duly executed and filed with the board, otherwise to the member's legal representative, a benefit equal to a lump-sum payment of 50 percent of the earnable compensation received by the member during the year immediately preceding the member's death.

(2) For those members who retire effective on or after December 31, 1999, the member's beneficiary or beneficiaries shall be entitled to the benefits otherwise payable to the member at early or normal

retirement age for a period of ten years, should a member having at least ten years of creditable service die prior to retirement. Anything herein to the contrary, notwithstanding this provision, shall not be implemented as to police officer members unless and until there are "additional premium tax revenues" as defined in F.S. § 185.35(1)(b), to the extent necessary to fund such benefit.

(3) a. Notwithstanding any provision in this division to the contrary, in the event a member who has become eligible for service, early service or rule of 64 retirement but has not retired dies, the member shall be considered to have been retired on the date of death. In such event the payment of 40 percent of the member's monthly retirement allowance shall be paid at the member's death to the member's spouse during the lifetime of such spouse or, at the option of such spouse, the spouse shall receive the sum of the deceased member's accumulated contributions to the date of death plus a benefit equal to a lump-sum payment of 50 percent of the earnable compensation received by the member during the year immediately preceding the member's death.

b. In lieu of the benefits set forth in subsection (2), for those members who retire effective on or after December 31, 1999, in the event a member who has become eligible for service, or early service retirement but has no retired dies, the member shall be considered to have been retired on the date of death. In such event the payment of 40 percent of the member's monthly retirement allowance shall be paid at the member's death to the member's spouse during the lifetime of such spouse or, at the option of such spouse the spouse shall receive the sum of deceased member's accumulated contributions to the date of death plus a benefit equal to a lump-sum payment of 50 percent of the earned compensation received by the member during the year immediately preceding the member's death.

(4) If a retired member dies prior to having received 12 monthly retirement allowance payments and prior to any optional allowance elected by the member having become effective, there shall be paid to such person, if any, as the member shall have nominated by written designation duly executed and filed with the board, otherwise, to the member's legal representative, a lump-sum benefit equal to the sum of the 12 monthly retirement allowance payments to which the member would otherwise have become entitled, less the payments the member received.

(5) Notwithstanding the foregoing, any pre-retirement death benefit payable under this section shall be "incidental" in compliance with Treasury Regulations Section 1.4011 (b)(1).

(6) In the case of a death occurring on or after January 1, 2007, if a member dies while performing qualified military service (as defined in Code Section 414 (u)), the survivors of the member are entitled to any additional benefits (other than benefit accruals relating to the period of qualified military service) provided under the plan as if the member had resumed and then terminated employment on account of death.

(i) *Accidental death benefit.*

(1) If the board shall decide that the death of a member in service was the result of an accident in the performance of duty and not caused by willful negligence on the part of the member, then there shall be paid an amount equal to one-half of the member's average final compensation, which amount shall be paid yearly in monthly installments, to the member's spouse, if he or she leaves a spouse, to

continue until the death or remarriage of such spouse; or if there be no spouse, or if the spouse dies or remarries before the youngest child of such deceased member shall have attained the age of 18, then to his or her children under such age, if he or she leaves children, divided in such manner as the board in its discretion shall determine, to continue as a joint and survivorship pension for the benefit of the children under such age until every child dies or attains such age; or if there be no spouse or children under the age of 18 years living at the death of such member, then to his or her dependent father or dependent mother, as the board in its discretion shall direct, to continue for life; provided that if there be no such beneficiary, the amount which otherwise would have been paid as an ordinary death benefit shall be paid to the member's legal representative. Provided, however, in the event a member who retires effective on or after December 31, 1999, has at least ten years of creditable service dies prior to retirement, the member's beneficiary or beneficiaries shall be entitled to the benefits otherwise payable to the member at early or normal retirement age for a period of ten years. Anything herein to the contrary notwithstanding, this provision shall not be implemented as to police officer members unless and until there are "additional premium tax revenues" as defined in F.S. § 185.35(1)(b), to the extent necessary to fund such benefit.

(2) The board shall decide whether the death of a member in service was the result of an accident in the performance of duty and not caused by willful negligence on the part of the member in the following circumstances:

a. Upon receipt of proper proofs of the death of a member in service indicating that such death was the natural and proximate result of an accident occurring at some definite time and place while the member was in the actual performance of duty; or

b. Upon receipt of proper proofs of death of a member in service indicating that such death resulted from a condition or impairment of health caused by tuberculosis, hypertension or heart disease, which condition or impairment of health shall be presumed by the board to have been accidentally incurred in the line of duty unless the contrary be shown by competent evidence; provided, that the deceased member shall have successfully passed a physical examination upon entering into service as a firefighter or police officer, which examination failed to reveal any evidence of such condition.

(3) Notwithstanding any other provision of this chapter to the contrary, the surviving spouse of any member killed in the line of duty shall not lose survivor retirement benefits if the spouse remarries. The surviving spouse of such deceased member whose benefit terminated because of remarriage shall have the benefit reinstated as of July 1, 1994, at an amount that would have been payable had such benefit not been terminated.

(4) In the case of a DROP participant, there shall be no accidental death benefit.

(5) Notwithstanding the foregoing, any preretirement death benefit payable under this section shall be "incidental" in compliance with Treasury Regulations Section 1.401-1(b)(1).

(j) *Return of contributions.* Should a member cease to be a city employee, the member shall be paid on demand the sum of his or her accumulated contributions, with the following exceptions:

(1) Any member who has been granted a retirement benefit shall not be entitled to a return of any accumulated contributions unless the member is eligible for the benefits of option 6.a as set forth in subsection (m) or unless the member is entitled to a return of excess contribu-

tions as a result of membership in the city employees' retirement system as set forth in subsection 40-205(2).

(2) In the event of the death of any member, there shall be no distribution of the member's accumulated contributions unless the member died in service. In such event, accumulated contributions shall be payable to such persons, if any, as the member shall have nominated by written designation duly executed and filed with the board, otherwise to the member's legal representative. The return of accumulated contributions pursuant to the provisions of this paragraph shall not be construed as foreclosing the right of any person to an ordinary death benefit or an accidental death benefit as hereinabove set forth.

(3) a. This article applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the plan to the contrary that would otherwise limit a distributee's election under this article, a distributee may elect, at the time and in the manner prescribed by the plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

b. Definitions.

1. *Direct rollover* shall mean a payment by the plan to the eligible retirement plan specified by the distributee.

2. *Distributee* shall mean an employee or former employee. In addition, the employee's or former employee's surviving spouse is a distributee with regard to the interest of the spouse.

3. *Eligible retirement plan* shall mean an individual retirement account described in section 408(a) of the Internal Revenue Code, an individual retirement annuity described in section 408(b) of the Code, an annuity plan described in section 403(a) of the Internal Revenue Code, or a qualified trust described in section 401(a) of the Internal Revenue Code, that accepts the distributee's eligible rollover distribution. However, in the case of an eligible rollover distribution to the surviving spouse, an eligible retirement plan is an individual retirement account or individual retirement annuity.

4. Eligible rollover distribution shall mean any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Internal Revenue Code; and the portion of any distribution that is not included in gross income.

(k) *Limitation of disability benefits; reexamination of beneficiaries retired on account of disability.*

(1) Any member who is unable to perform within the member's classification may be assigned to any other job classification; provided, that the member consents to such assignment and further provided, that the member's salary in the new job

class shall be no less than 100 percent of the job class from which the member was transferred.

(2) If a former member who has received an accidental disability retirement is performing the duties of a police officer or firefighter, or is performing services which are substantially equivalent to duties that can be assigned within the employment classification from which the member was retired, the board shall have the authority to limit the retirement benefits of such member as hereinafter provided: If a former member who has received an accidental disability retirement is engaged in such gainful occupation, the former member's salary from said occupation when added to the sum which he or she is receiving on account of accidental disability retirement shall not exceed 100 percent of the current salary for the classification from which the member was retired. If the retirement benefit plus the salary exceeds 100 percent of the current classification salary, the retirement benefit shall be reduced by the amount in excess of 100 percent. The board may periodically require of former members receiving a disability pension, on a form approved by the board for such purpose, a statement of salary and type of employment.

(3) Any former member who is receiving a disability retirement allowance shall be subject, prior to normal retirement age, to examination by a physician or physicians upon request by the board. Such examination may be conducted at the member's place of residence or at a place mutually agreed upon by the member and the board. Following such examination, the physician or physicians shall report to the board as to the continuance of the former member's total and permanent incapacity for duty.

a. In the event the board finds that a disability beneficiary is no longer incapacitated for service within his or her former classification in accordance with requirements of the civil service rules and regulations, the board may require that the beneficiary be returned to the former classification with all rights and benefits of such classification or, with the beneficiary's consent, to other classifications within the limits of his or her mental or physical capacities at a rate of compensation not less than 100 percent of the pay which he or she would be entitled to receive at the time of return to service for the classification occupied by the beneficiary prior to his or her incapacity.

b. Should any disability beneficiary refuse to submit to a medical examination upon request by the board, his or her retirement allowance may be discontinued until withdrawal of the refusal, and should the refusal continue for one year, all right in and to a retirement benefit may be revoked by the board. If any beneficiary in receipt of a disability retirement allowance is found by the board, prior to normal retirement age, to be no longer incapacitated but is not restored to service as a member in the classification from which he or she was retired because of his or her own refusal to accept employment offered to him or her, the beneficiary's disability retirement allowance shall be terminated.

(l) *Restoration of beneficiaries to membership.*

(1) Should a disability beneficiary be restored to or be in service at a compensation equal to or greater than his or her average final compensation at retirement, or should any other beneficiary be restored to service, the following shall apply:

a. The retirement allowance of the beneficiary shall cease, he or she shall again become a member of the retirement system and regular

contributions shall resume at the rate required by the retirement system; and

b. The beneficiary shall be credited with all service as a member standing to his or her credit at the time of retirement, providing he or she returns, in such manner as shall be prescribed by the board, the amount of any accumulated contributions of money received upon retirement.

(2) If a beneficiary is restored to membership on or after the attainment of age 50, he or she shall, on subsequent retirement, be credited with all service as a member subsequent to his or her last restoration to membership and shall receive a retirement allowance therefor as if he or she were a new entrant, and, in addition, the former beneficiary shall receive the retirement allowance which he or she was receiving immediately prior to his or her last restoration, but the total pension shall not exceed the proportion of average final compensation he or she would have received as a retirement allowance had he or she remained during the period of prior retirement.

(3) Participation in the DROP shall not be considered restoration to service under subsection (l).

(m) *Optional allowances.*

(1) Any member may elect to receive in lieu of the retirement allowance otherwise payable to him or her, the actuarial equivalent at that time of his or her retirement allowance in a reduced retirement allowance payable as follows; provided, that no election of an optional allowance shall be effective in case a beneficiary dies within ten days after the election of an option as provided in this section, and further provided that such a beneficiary shall be considered as a member in service at the time of death, until the first payment on account of any benefit becomes normally due:

Option 1: If the member dies before receiving in payment of the member's retirement allowance, the value of his or her accumulated contributions at the time of retirement, the balance shall be paid to such person, if any, as the member shall have nominated by written designation duly executed and filed with the board, otherwise to the member's legal representative; or

Option 2: Upon the member's death, his or her reduced retirement allowance shall be continued through the life of, and paid to, such person as the member shall have nominated by written designation duly executed and filed with the board at the time of retirement; or

Option 3: Upon the member's death, one-half of his or her reduced retirement allowance shall be continued throughout the life of, and paid to such person as the member shall have nominated by written designation duly executed and filed with the board at the time of retirement; or

Option 4: Upon the member's death, some other benefit shall be payable; provided, that the total value of the allowance during the member's life and the succeeding benefit shall be computed to be of equivalent actuarial value to the allowance which he or she would receive without optional modification; and provided, that the benefit shall be approved by the board; or

Option 5: If, as a result of an accidental injury incurred in the line of duty, the member shall have been so seriously injured that he or she is unable to execute and file a designation of an optional allowance, the board may, with the consent of the principal beneficiary, designate an option, and if such condition shall have delayed the application for retirement and the selection of an option, the board may waive the requirement as to the

member's life for ten days after retirement date, and may declare such optional allowance irrevocably effective immediately upon the member's retirement; or

Option 6: Any member upon service, early service, rule of 64 or rule of 68 retirement may elect to receive benefits in one of the following three forms, in lieu of the retirement allowance otherwise payable to the member:

a. Such member may elect to withdraw the sum of his or her accumulated contributions credited as of the member's date of retirement, excluding all amounts picked up from the member's earnable compensation and credited to the COLA fund, and be paid a monthly service retirement allowance of one-half the amount to which he or she would otherwise be entitled;

b. Such member may elect to receive his or her normal monthly service retirement allowance plus an additional five percent of such service retirement allowance; or

c. Such member may direct the payment of a benefit of 40 percent of the member's monthly retirement allowance to be paid at the member's death to his or her spouse nominated and designated by him or her at the time of retirement, such benefit to be payable during the lifetime of such spouse; or

d. For those members who retire effective on or after December 31, 1999, such member(s) may elect to receive his or her normal monthly service retirement allowance payable for life; except that in the event the member dies before he or she has received such allowance for a period of ten years, the member's beneficiary or beneficiaries shall be paid the same allowance for the remainder of the ten-year period.

(2) In the event a member elects a retirement allowance under option 2, 3, or 4 and has nominated and designated his or her spouse at the time of retirement as the person to receive payment of the benefit upon the member's death, the total minimum value of the allowance during the member's life and the succeeding benefit shall be computed to be of equivalent actuarial value to the allowance which he or she would have received had the member chosen to have his or her retirement allowance paid under the provisions of option 6c.

(3) In no event shall any language contained herein be construed as authorizing or allowing any member the right or privilege to exercise more than one of options 1 through 6 enumerated at this subsection.

(n) *Changes in beneficiary after retirement.* Any member of the retirement system who retires from service and thereafter desires to change a designated beneficiary may do so to the extent the to-be-substituted beneficiary is younger (older) than the to-be-deleted beneficiary, an actuarial adjustment shall be applied to reflect the expected longer (shorter) life expectancy of the to-be-substituted beneficiary.

(o) *Pension offset by other compensation benefit.* Any periodic or lump-sum amounts which may be paid or payable under the provisions of any state worker's compensation or similar law to a member or to the dependents of a member on account of any disability or death, shall be offset against and payable in lieu of any benefits payable from funds provided by the city under the provisions of the retirement system on account of the same disability or death.

(p) *Deferred retirement option program.* Effective October 1, 1995, there is hereby created the City Deferred Retirement Option Program (DROP) to be administered by the board of trustees. Only firefighters who have retired after reaching age 50 within ten years of creditable service or who have retired after reaching a combination of age

plus years of creditable service equal to either 64 or 68 as applicable, and who elect to defer receipt of their retirement benefit into a DROP account shall be eligible to participate in the DROP. Effective upon the ratification of the Memorandum of Understanding of July 11, 2008 amending Article 43 of the 2007-2010 collective bargaining agreement with the IAFF, the maximum participation in the Forward DROP for firefighters shall be 54 full months. Effective upon the ratification of the Memorandum of Understanding of May 8, 2008 amending Article 39 of the 2007-2010 collective bargaining agreement with the FOP, the maximum participation in the Forward DROP for police officers who elect Forward DROP or are currently in Forward DROP shall be 84 full months. No payment shall be made to or for the benefit of a DROP participant beyond these periods.

(1) Election to participate in the DROP shall be made by using forms and procedures prescribed by the board.

(2) A firefighter's creditable service, accrued benefits and compensation calculation shall be frozen upon retirement. The amount of the monthly benefit shall be determined based on the creditable service, average final compensation, and retirement option selected in accordance with subsection (m) herein. Average final compensation shall be based on the single highest year preceding participation in the DROP.

(3) Upon commencement of participation in the DROP, the participant's contribution and the city's contribution to the retirement trust for that participant shall cease as the participant will not earn further creditable service for pension purposes.

(4) For each person electing participation in the DROP, and individual DROP account shall be created. Payment shall be made by the retirement trust into the employee's DROP account in an amount equal to the regular monthly retirement benefit which the participant would have received had the participant separated from service and commenced receipt of pension benefits.

(5) The board of trustees shall establish, by administrative rule, a series of investment vehicles which may be chosen by DROP participants. Any losses, charges, or expenses incurred by the participant in the participant's DROP account by virtue of the option selected by the participant or otherwise, shall not be made up by the City of Miami or the pension trust, but all of same shall be borne by the participant.

(6) Upon termination of employment, a member may receive distribution from the DROP account in the following manner:

a. Lump sum distribution (which may be used at the DROP participant's discretion to purchase an annuity).

b. Periodic payments.

c. Roll over of the balance to another qualified retirement plan, such as an IRA.

A member may defer distribution until the latest date authorized by section 401(a)(9) of the Internal Revenue Code.

(7) DROP participation shall not affect any other death or disability benefit provided to a firefighter under federal law, state law, city ordinance, or any rights or benefits under any applicable collective bargaining agreement.

(8) If a DROP participant dies before the DROP account balances are paid out in full, the person(s) duly so designated by such DROP participant shall receive such DROP account balances in accordance with the DROP participant election in effect at the time of death.

(q) *Modified deferred retirement option program.* Effective upon approval by the city commission of the F.O.P. and I.A.F.F. labor agreements for October 1, 1998, through September 30, 2001, the DROP of the retirement system

shall consist of a Forward DROP and a BAC-DROP. Any member who has reached age 50 with ten years of creditable service, or who has attained a combination of age plus years of creditable service equal to either 64 or 68 as applicable, shall be eligible to participate in the DROP.

(1) *Election to participate.* Upon election of participation in the DROP, by using forms and procedures as prescribed by the board of trustees, a member's creditable service, accrued benefits, and compensation calculation shall be frozen and shall be based on the single highest year preceding participation in the DROP, as the basis of calculating the DROP payment. Upon commencement of participation in the DROP, the participant's contribution and the city contribution to the retirement system for that participant shall cease as the participant will be earning no further service credit. The participant shall not acquire additional pension credit for the purposes of the pension plan but may continue city employment for up to a maximum as established in this article. Effective upon the ratification of the Memorandum of Understanding of July 11, 2008 amending Article 43 of the 2007-2010 collective bargaining agreement with the IAFF, the maximum participation in the Forward DROP for firefighters shall be 54 full months. Effective upon the ratification of the Memorandum of Understanding of May 8, 2008 amending Article 39 of the 2007-2010 collective bargaining agreement with the FOP, the maximum participation in the Forward DROP for police officers who elect Forward DROP or are currently in Forward DROP shall be 84 full months.

(2) *Maximum participation.* Effective upon the ratification of the Memorandum of Understanding of July 11, 2008 amending Article 43 of the 2007-2010 collective bargaining agreement with the IAFF, the maximum participation in the Forward DROP for firefighters shall be 54 full months. Effective upon the ratification of the Memorandum of Understanding of May 8, 2008 amending Article 39 of the 2007-2010 collective bargaining agreement with the FOP, the maximum participation in the Forward DROP for police officers who elect Forward DROP or are currently in Forward DROP shall be 84 full months. Once the maximum participation has been achieved, the participant must terminate employment.

(3) *Creation of individual account.* For each person electing participation in the DROP, an individual account shall be created.

(4) *Earnings on DROP account.* The board of trustees of the retirement system shall establish, by administrative rule, a series of investment vehicles which may be chosen by participants in the DROP. Any losses incurred on account of the option selected by the participant shall not be made up by the city or the FIPO trust fund, but any such loss shall be borne by the participant only. Upon participation in the DROP, the participant shall make a selection of the earnings program on forms provided by the board. All interest shall be credited to the participant's DROP account.

(5) *Distribution of DROP benefits.* Upon conclusion of a period of participation in the DROP not to exceed the maximum set forth in subsection (2), the participant shall terminate employment. Upon termination of employment, a participant may receive payment from the DROP account in the following manner:

a. Lump sum distribution;

b. Periodic payments;

c. Rollover of the balance to another qualified retirement plan.

A participant may defer payment until the latest date authorized by Section 401(a)(9) of the Internal Revenue Code.

(6) *Disability.* A DROP participant shall not be entitled to receive an ordinary or service incurred disability retirement.

(7) *Death.* In the case of the death of a DROP participant, there shall be no accidental death benefit for pension purposes.

(8) *Participation does not affect other disability benefit.* DROP participation shall not affect any other death or disability benefit provided to a member under federal law, state law, city ordinance, or any rights or benefits under any applicable collective bargaining agreement.

(9) *Death of participant before account balances paid out in full.* If a DROP participant dies before the DROP account balances are paid out in full, the person(s) duly so designated by such DROP participant shall receive such DROP account balances in accordance with the DROP participant election in effect at the time of death.

(10) *COLA participation.* Eligibility for payments for cost of living adjustment (COLA) shall not commence until a member has actually separated from employment with the city. COLA service years shall be based upon creditable years of service in calculating the employee's pension. For the purpose of complying with Section H(3)(m) of the Amended Final Judgment in Gates, the employee's "date of retirement" shall be the date of actual termination of employment as an employee with the city and not the date of election to DROP.

(11) *Agreement binding.* Any employee who enters into a DROP agreement shall be bound by the terms and conditions of that said agreement, except that firefighters who are members of the 48-month DROP as of the date of the ratification of the Memorandum of Understanding of July 11, 2008 amending Article 43 of the 2007-2010 IAFF collective bargaining agreement may extend their existing DROP agreements to a maximum of 54 months. Any member who enters into a DROP agreement shall be bound by the terms and conditions of said agreement, except that who are members of the 48-month DROP as of the date of the ratification of the Memorandum of Understanding of May 8, 2008 amending Article 39 of the 2007-2010 collective bargaining agreement with the FOP, may extend their existing DROP agreements to a maximum of 84 months. Any member who elects to be a DROP participant in the future shall be bound by the specific terms of the participant's DROP agreement entered into at that time.

(12) *Forward DROP.* The date of entry into the Forward DROP shall be the beginning of a pay period. Payment shall be made by the retirement system into the participant's DROP account in an amount equal to the regular monthly retirement benefit which the participant would have received had the participant separated from service and commenced the receipt of benefits from the system. The amount of the monthly benefit shall be determined based on the creditable service, average final compensation, and retirement option selected in accordance with subsection 40-203(m). Upon conclusion of a period of participation in the DROP not to exceed the maximum set forth in subsection (2), the participant shall terminate employment with the city.

Election of a forward DROP program precludes participation in a BACKDROP program.

(13) *BACDROP.* An I.A.F.F. bargaining unit member may elect to BACDROP to a date (retirement date) no further back than the date of the member's retirement eligibility date. The BACDROP period must be in 12-month increments, beginning at the start of a pay period, not to exceed 36 months. Effective upon the ratification of the Memorandum of Understanding of July 11, 2008 amending Article 43 of the 2007-2010 collective bargaining agreement with the IAFF the maximum participation in the Forward DROP for firefighters shall be 54 full months. Effective upon the ratification of the Memorandum of Understanding of

May 8, 2008 amending Article 39 of the 2007-2010 collective bargaining agreement with the FOP, the maximum participation in the Forward DROP for police officers shall be 84 full months. Upon ratification of the 2004-2005 F.O.P. labor agreement, an F.O.P. bargaining unit member may elect to BACDROP to a date (retirement date) no further back than the date of the member's retirement eligibility date, provided that the BACDROP period must be in 12-month increments, beginning at the start of a pay period, not to exceed a total of 12 months. Participation in the BACDROP does not preclude participation in the forward DROP program.

(14) *BACKDROP option.* A backdrop benefit option was implemented on January 1, 2013 to replace the BACDROP.

a. An eligible employee who elects the backdrop option shall receive a monthly benefit payable on the employee's actual retirement date (date of retirement and separation from city employment) based on the benefit the employee would have received if he/she had left city employment and retired on an earlier date after attaining normal retirement eligibility ("backdrop date"). In addition, an eligible employee who elects the backdrop option will receive a lump sum payment equal to the accumulation of monthly retirement benefit payments he/she would have received during the period following the backdrop date through the actual retirement date ("backdrop period"), plus interest at the rate of three percent per year, compounded annually. An eligible employee may elect a minimum backdrop period of one year and maximum backdrop period of up to seven years. An eligible employee who elects the backdrop option must select the normal form of benefit or an optional form of benefit in accordance with subsection 40-203(m) at the time of electing the backdrop option. The employee's monthly benefit as well as the lump sum payment under the backdrop option is based on the form of benefit selected.

b. Employees are eligible to elect the backdrop option after completing one year of creditable service following the normal retirement date. The maximum backdrop period is seven years. Eligible employees who wish to elect the backdrop option must provide written notification to the department director and the department of human resources at least eight months prior to the employee's retirement date; provided a lesser notice period may be approved by the city manager due to special circumstances. Employees will be able to revoke their backdrop election one time, but within one month of their election. However, if an employee is granted a lesser notice period by the city manager due to special circumstances, the employee will not be eligible for the one-time backdrop election revocation. Employees are not required to elect the backdrop option.

c. All or a portion of the lump sum payment under the backdrop option may be rolled over to an eligible retirement plan or IRA in accordance with federal law. The rollover of DROP funds into the Miami Firefighters' Relief & Pension Fund (175) shall be allowed if rollovers of this type are approved by the Miami Firefighters' Relief & Pension Fund (175) trustee board.

d. If the backdrop option is ever terminated, for any reason, the rights of all persons then in the DROP shall not be diminished or impaired. Additionally, if the backdrop is ever terminated, all persons who are then

eligible for the backdrop option will still be eligible for a seven year backdrop. The board of trustees of shall develop operational rules for the implementation of this provision.

(15) *Compliance with Internal Revenue Code Sections 414(k) and 414(i).* To the extent required under the Internal Revenue Code, the DROP under the retirement system shall be treated as a defined contribution plan to the extent that the member's benefits under the retirement system are based on the member's DROP account. The amount of "annual additions" (as such term is defined in Section 415(c)(2) of the Internal Revenue Code and Treasury Regulations 1.415(c)-1(b)) which may be allocated under the DROP to a member's DROP account for a "limitation year" may not exceed the maximum permissible amount under Section 415(c)(1) of the Internal Revenue Code and Treasury Regulations 1.415(c)-1(a)(1) (the "Annual Maximum Amount"). For purposes hereof, the term "limitation year" means the 12-month period beginning on October 1. In addition, for purposes of determining a member's annual maximum amount, the member's compensation shall be determined in compliance with Treasury Regulations 1.415(c)-2.

Case law reference—Pension provision authorizing deduction of workers' compensation benefits from pension benefits held constitutional. Hoffkins v. City of Miami, 339 So. 2d 1145.

Sec. 40-204. Cost-of-living allowance.

(a) A COLA account shall be established for beneficiaries of the retirement system to be financed as follows:

(1) The two-percent COLA contribution made by a member prior to January 9, 1994 shall be a picked up contribution and shall be credited to the COLA account.

(2) Any contributions to the retirement system which are credited to the COLA account on behalf of any member in accordance with section 40-196(a), and which are subsequently returned pursuant to any provision of this division which provides for the return of accumulated contributions, shall be paid from the COLA account.

(3) All other matters regarding the COLA account shall be determined by the COLA committee. The COLA committee shall be composed of the following: a) a representative of IAFF, Local 587; b) a representative of FOP, Lodge No. 20; c) the city manager's designee; d) the city's labor relations officer; and e) a representative of the board.

(b) Beginning with the 1994 COLA benefit, distributions shall be in addition to COLA benefits granted through 1993. The COLA benefit granted through 1993 shall be frozen.

(c) COLA account established as of January 1, 1994:

(1) The COLA shall be funded by a percentage of annual excess investment return from other than COLA account assets. The excess return will be determined as the difference between the actual return on actuarial asset value, net of investment expenses, and the lesser of: (1) a 7.75 percent time-weighted rate of return on the actuarial value of assets; or (2) the current actuarial interest assumption, applied on a time weighted basis to the actuarial value of assets. The excess earnings going into the COLA account shall be used to fund a minimum annual payment of $2,500,000.00, increasing by

four percent compounded per year. To the extent necessary, the city will fund the portion of the minimum annual payment not funded by annual excess earnings no later than January 1 of each year.

(2) The first year's actual return shall be based on the time weighted rate of return on the actuarial value of the assets from October 1, 1991, through September 30, 1992. Thereafter, the actual rate of return will be based on the prior fiscal year to be used in the succeeding fiscal year.

(3) The percentages of such excess return to be transferred to the COLA account shall be determined as follows:

Excess Return	*Percentage to be Transferred*
First 2.5%	75
Next 2.5%	50
Next 2.5%	25
Remainder	0

(4) The transfers shall be made by the board as soon as practicable after the beginning of each fiscal year, but not later than January 1, and shall be transferred only if the retirement system remained in a net positive experience position, determined on a cumulative basis from October 1, 1982. The determination of the net experience position will be based on the difference between the actual unfunded actuarial liability and the expected unfunded actuarial liability, adjusted for any changes in benefits or assumptions, calculated under the individual entry age normal cost method.

(5) All retirement system pension assets, including the COLA account, are integrated for investment purposes, with separate accounting maintained for administrative purposes. Earnings of the COLA account will not be considered for determining excess investment earnings.

(6) All assets in the COLA account at September 30, 1993, will be used for COLA benefits, contribution refunds and allocated expenses.

(7) The actuarial interest and mortality assumptions used for the retirement system will be used for COLA.

(8) COLA benefits will be determined on a defined benefit basis, based on the minimum city scheduled contribution.

(9) The active member contributions into the COLA account will have an effective termination date of January 1, 1994.

(10) In addition to current inactive and active employees, funding for the COLA benefits of future employees hired during the remaining term of the amended final judgment shall be defined and allocated through the remaining term of the amended final judgment.

(11) The monthly COLA benefit distribution beginning January 1, 1994, is summarized in table "A" of amended final judgment, Gates v. City of Miami, Circuit Court Case No. 77-9491 CA 04. Such table is subject to modification by the COLA committee annually based solely upon available assets and joint recommendations by the retirement system actuary and the city's actuary, using generally accepted actuarial principles and prudent reserves, and subject to the arbitration provisions of section 40-196(b)(5).

(12) The available assets shall be identified and distributed in a defined tabular format. The COLA benefits table shall be based upon full years of creditable service at time of retirement and full years of retirement, as of April 1, 1994, and each April 1 thereafter. There shall be increasing dollar amounts for each additional full year of creditable service and full year of retirement.

(13) Creditable service with the exception of accidental death, accident disability, and service-incurred disability is defined as follows:

Date of retirement:

— minus; date of membership

— plus; service bought back and military credit purchased
— plus; time before 1940
— minus; time without pay

(14) Years of retirement for benefits distributed beginning January 1 of a given year shall be projected forward to April 1 of that same year.

(15) The present value of assets available for COLA benefits as defined within Stanley, Holcombe and Associates, Inc.'s September 21, 1993, actuarial impact statement is $32,854,426.00.

(16) The present value of benefits defined within the approved allocation table is $29,581,845.00.

(17) Eligibility for receipt of the COLA benefit shall be based upon a retiree reaching at least four full years of retirement after 46 years of age. Years of retirement shall be determined each year. For this paragraph only, in the case of DROP participants, date of retirement shall mean date of separation from city employment.

(18) For accidental death, accidental disability, and service-incurred disability, years of service shall be defined as 25 years or actual creditable service if greater. Receipt of the COLA benefit shall be based on the retiree reaching at least four full years of retirement and 50 years of age. In the case of accidental death, the beneficiary shall be entitled to the COLA benefit on the April 1 following the 50th anniversary of the employee's birth and the fourth anniversary of the employee's death.

(19) COLA benefits for vested rights retirees shall be based upon such retiree reaching at least four full years of retirement after 50 years of age.

(20) The COLA benefit shall reflect the defined the retirement system benefit options. Existing beneficiaries' benefits shall be based on the retirement system option, e.g., if the original option was joint and 40 percent, then the beneficiary would receive 40 percent of the benefit amount in the benefit table. In the case of a retiree's life annuity option, benefits shall be 105 percent of the table amount.

(Ord. No. 10002, § 1, 6-13-85; Ord. No. 11110, § 4, 1-13-94; Code 1980, § 40-213; Ord. No. 11300, § 1, 9-14-95)

Sec. 40-205. Adjustments in benefits.

Members who belonged to the Miami city employees' retirement system, presently known as the City of Miami firefighters' and police officers' retirement trust, shall continue to be subject to the following adjustments in benefits:

(1) *Election of increased benefit of class A membership.*

a. Any member who belonged to the Miami city employees' retirement system and who elected an increased rate of benefit under that system or who was not a class A member under that system but who elected to become a class A member, shall contribute to the City of Miami firefighters' and police officers' retirement trust, by a single payment or by a series of payments, an amount computed to be sufficient with the member's prospective regular contributions to make accumulated contributions at his or her normal retirement age equal to the amount such accumulated contributions would have been had the member been a class A member or contributed at the increased rate during the entire period of his or her membership in the Miami city employees' retirement system.

1. Any member may waive payment of the foregoing amount, in which case, upon service, early service, rule of 64, rule of 68 or ordinary disability retirement, the member's retirement allowance shall be reduced by the actuarial equivalent of the amount by

which accumulated contributions fall short of the full amount which would have been the member's accumulated contributions had he or she been a class A member or contributed at the increased rate during his or her entire period of membership in the Miami city employees' retirement system.

2. Any member who elects to pay the foregoing amount over an extended period and who is granted disability retirement under the City of Miami firefighters' and police officers' retirement trust, shall have his or her disability retirement allowance reduced by the actuarial equivalent of the then unpaid amounts.

b. If any member of the retirement system elected class A membership or an increased rate of benefit under the Miami city employees' retirement system, and his or her contributions pursuant to such election cause accumulated contributions at the member's normal retirement age to exceed the amount such accumulated contributions would have been had the member maintained a class A membership or been contributing at an increased rate for the entire period of membership in the Miami city employees' retirement system, such member shall be entitled to the return of the excess contributions upon retirement or shall have his or her retirement allowance increased by the actuarial equivalent of the amount by which his or her contributions exceed the full amount which would have been the member's accumulated contributions had he or she been a class A member or had the increased rate been in effect during his or her entire membership in the Miami city employees' retirement system.

(2) *Executive benefit.* Any members who, on or before May 23, 1985, had a vested right to receive an additional retirement allowance equal to one percent of average final compensation under the provisions of the Miami city employees' retirement system, presently known as the City of Miami firefighters' and police officers' retirement trust, which benefit was set forth in former section 40-235(A)(3)(a) of this Code (repealed June 13, 1985), shall be entitled to such additional benefit upon service retirement, early service retirement, "rule of 64" or rule of 68 retirement pursuant to this division. A member shall be deemed to have a vested right if said member, on or before May 23, 1985, was serving in any of the capacities enumerated in former section 40-235(A)(3)(a) and thereafter continued to serve in such capacity uninterruptedly for a total combined period of not less than three years. Those members having such vested right may only continue to earn credit for such allowance up to a combined period of ten years' service.

(Ord. No. 10002, § 1, 6-13-85; Ord. No. 10458, § 1, 7-14-88; Code 1980, § 40-214; Ord. No. 11752, § 2, 1-26-99; Ord. No. 13091, § 1, 9-24-09; Ord. No. 13676, § 2, 4-27-17)

Editor's note—Printed herein is former section 40-235(A)(3)(a) of the Code prior to the adoption of Ordinance Number 10002 which section is referred to and apparently adopted by reference in this section.

"(A)(3)(a) Upon such retirement, if he/she has three (3) or more years' service since last becoming a member, he/she shall also receive a pension equal to one (1) percent of average final compensation for each year of service or fraction thereof that such member served as the city manager, assistant city manager, city clerk, assistant city clerk, executive secretary of the civil service board, assistant executive secretary of the civil service board, executive secretary of the planning and zoning board, assistant executive secretary of the planning board or its predecessor the planning and zoning board, city physician, city attorney, assistant director of the department of law or as director or

assistant director of a department established by the charter of the city or by ordinance as authorized by such charter; provided that he/she has served in any of such capacities for a total combined period of not less than three (3) years; subject, however, for purposes of this paragraph, to a maximum of ten (10) years' service. The benefits provided herein shall not be diminished after retirement."

Sec. 40-206. Assignments prohibited.

The present or future right of a person to moneys in the fund or to a retirement allowance, an optional allowance, a death benefit, the return of contributions, or any other right accrued or accruing to any person under the provisions of this division, shall be unassignable and shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency law or any other process of law whatsoever.
(Ord. No. 10002, § 1, 6-13-85; Code 1980, § 40-215; Ord. No. 11300, § 1, 9-14-95)

Case law reference—Pension benefits held subject to garnishment for alimony, child support and medical payments to a pensioner's divorced wife, notwithstanding ordinance provisions exempting pension funds from garnishment. City of Miami v. Spurrier, 320 So. 2d 397.

Sec. 40-207. Protection against fraud.

Whoever, with intent to deceive, shall make any statements or reports required under this division which are untrue or shall falsify or permit to be falsified any record of this retirement system, shall be punished as provided in section 1-13 of this Code.
(Ord. No. 10002, § 1, 6-13-85; Code 1980, § 40-216)

Sec. 40-208. Errors.

Should any change or error in retirement system records be discovered or result in any member or beneficiary receiving from the retirement system more or less than he or she would have been entitled to receive had the records been correct, the board shall have the power to correct such error and, as far as possible, adjust the payments in such a manner that the actuarial equivalent of the benefit to which such member or beneficiary was correctly entitled shall be paid.
(Ord. No. 10002, § 1, 6-13-85; Code 1980, § 40-217)

Sec. 40-209. Bonding; fiduciary insurance.

(a) Prior to exercising custody or control of any funds or property of the retirement system, every fiduciary of the retirement system and every person who handles funds or other property of the retirement system shall be bonded. Such bond shall provide protection to the retirement system against loss by reason of acts of fraud or dishonesty on the part of the bonded individual, directly or through connivance with others.

(b) The board shall purchase insurance for the retirement system and for the members of the board of trustees to cover liability or losses occurring by reason of an act or omission of a fiduciary, providing, however, that such insurance permits recourse by the insurer against the fiduciary in case of a breach of a fiduciary obligation by such fiduciary.
(Ord. No. 10002, § 1, 6-13-85; Code 1980, § 40-218)

Sec. 40-210. General conditions.

(a) It is intended that the City of Miami firefighters' and police officers' retirement trust be and remain tax qualified pursuant to the Internal Revenue Code of 1986, as amended. The provisions of this division shall be interpreted in accordance with such intent.

(b) The City of Miami firefighters' and police officers' retirement trust may sue and be sued as an entity.

(c) The commission shall have continuing power to amend or supplement this division, but no amendment shall be adopted which will reduce the then accrued benefits of members or beneficiaries covered by accumulated reserves, which reserves shall constitute a trust fund for the payment of such benefits.
(Ord. No. 10002, § 1, 6-13-85; Code 1980, § 40-219; Ord. No. 13551, § 2, 9-24-15)

Sec. 40-211. Limitation on compensation.

(a) Compensation in excess of limitations set forth in section 401(a)(17) of the Internal Revenue Code shall be disregarded. The limitation on compensation for an "eligible employee" shall not be less than the amount which was allowed to be taken into account hereunder as in effect on July 1, 1993. "Eligible employee" is an individual who was a member before the first plan year beginning on or after January 1, 1996.

(b) It is the intention of the city and of the board that the plan remain at all times a qualified plan, as that term is defined under the Internal Revenue Code.

(c) No member's annual benefit may exceed the amounts permitted under Section 415 of the Internal Revenue Code as amended, including cost of living adjustments under Section 415(d).

(d) In no event may a member's retirement benefit be delayed beyond the later of April 1st following the calendar year in which the member attains age 70½, or April 1st of the year following the calendar year which the member retires.

Notwithstanding any other provision of this plan to the contrary, a form of retirement income payable from this plan, shall satisfy the following conditions:

(1) If the retirement income is payable before the member's death:

a. It shall either be distributed or commence to the member not later than April 1 of the calendar year following the later of the calendar year in which the member attains age 70½, or the calendar year in which member retires;

b. The distribution shall commence no later than the calendar year defined above; and (a) shall be paid over the life of the member or over the lifetimes of the member and spouse, issue or dependent, or (b) shall be paid over the period extending not beyond the life expectancy of the member and spouse, issue or dependent.

Where a form of retirement income payment has commenced in accordance with the preceding paragraphs and the member dies before his/her entire interest in the plan has been distributed, the remaining portion of such interest in the plan shall be distributed no less rapidly than under the form of distribution in effect at the time of the member's death.

(2) If the member's death occurs before the distribution of his/her interest in the plan has commenced, member's entire interest in the plan shall be distributed within five years of member's death, unless it is to be distributed in accordance with the following rules:

a. The member's remaining interest in the plan is payable to his/her spouse, issue or dependent; and

b. The remaining interest is to be distributed over the life of the spouse, issue or dependent or over a period not extending beyond the life expectancy of the spouse, issue or dependent; and

c. Such distribution begins within one year of the member's death unless the member's spouse is the sole designated beneficiary, in which case, the distribution need not begin before the date on which the member would have attained age 70½ and if the member's spouse dies before the distribution to the spouse begins, this section shall be applied as if the spouse were the member.

(e) Notwithstanding any provision of this plan to the contrary, effective December 12, 1994, contributions, benefits and service credit with respect to qualified military service will be provided in accordance with Section 414(u) of the Internal Revenue Code of 1986, as amended, USERRA or F.S. chs. 175 and 185, as applicable.

(f) Differential wage payments. For years beginning after December 31, 2008 (i) an individual receiving a differential wage payment, as defined in Section 3401(h)(2) of the Internal Revenue Code, shall be treated as an

employee of the employer making the payment, (ii) the differential wage payment shall be treated as compensation, and (iii) the plan shall not be treated as failing to meet the requirements of any provision described in Section 414(u)(1)(C) of the Internal Revenue Code by reason of any contribution or benefit which is based on the differential wage payment.

(g) No pension provided hereunder shall be assignable or subject part of the corpus or income of the fund be used for, or diverted to, purposes other than for the exclusive benefit of members and their beneficiaries and until those liabilities are satisfied, all city contributions will remain in the fund for the benefit of the members or beneficiaries in the event the plan is terminated or city contributions cease.

(h) Upon the termination of the plan or on the complete discontinuance of contributions under the plan, each member shall have nonforfeitable, 100 percent vested rights to benefit accrued to date of the termination or discontinuance to the extent funded at that time.

(i) The city shall solely for the purpose of compliance with Sections 125, 457, and 414(h) of the Internal Revenue Code, pick up the members' contributions. The member contributions so picked up shall be designated as employer contributions in determining tax treatment under the Internal Revenue Code. No member shall have the option of choosing to receive the contributed amounts directly instead of having them paid by the city to the plan.

(Ord. No. 11190, § 3, 10-27-94; Code 1980, § 40-220; Ord. No. 13551, § 2, 9-24-15; Ord. No. 13676, § 2, 4-27-17)

Editor's note—As set out in Ord. No. 11190, § 7, adopted Oct. 27, 1994, § 40-211 shall become effective on September 30, 1996.

Sec. 40-212. Direct transfers of eligible rollover distributions.

(a) *General.* Notwithstanding any provision of the retirement system to the contrary that would otherwise limit a distributee's election under this section, a distributee may elect, at the time and in the manner prescribed by the board, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

(b) The plan may allow a public safety officer to elect a tax free distribution of up to $3,000.00 annually directly to a retiree medical plan or long term care insurance on a pre-tax basis, so long as the public safety officer separates from service either at the plan's normal retirement age or due to his or her disability. Insurance premiums may be paid for the public safety officer, his/her spouse or his/her dependents, but once he/she is deceased, the benefit ceases and may not be used by his/her spouse or beneficiaries to pay for their insurance premiums. Insurance premium payments may only be made directly to the insurance company. "Public Safety officers" include law enforcement officers, firefighters, chaplains, rescue crew members or ambulance crew members.

(c) *Definitions.*

Direct rollover means a payment by the plan to the eligible retirement plan specified by the distributee. Effective as of January 1, 2010, a non-spouse beneficiary may make a direct rollover only to an "inherited" individual retirement account as described in Section 408(b) of the Internal Revenue Code. If a non-spouse beneficiary receives a distribution from the Plan, the distribution is not eligible for a 60-day (non-direct) rollover.

Distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse is a distributee with regard to the interest of the spouse. Effective as of January 1, 2010, as an employee's or former employee's non-spouse beneficiary is a distributee with regard to the interest of the employee or former employee.

Eligible retirement plan means an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, an annuity plan described in section 403(a) of the Code, an eligible deferred compensation plan described in section 457(b) of the Code which is maintained by an eligible employer described in

section 457(e)(1)(A) of the Code and which agrees to separately account for amounts transferred into such plan from this plan, an annuity contract described in section 403(b) of the Code, a qualified trust described in section 401(a) of the Code, that accepts the distributee's eligible rollover distribution, or any other retirement plan determined to be an eligible retirement plan under the Code as it may be amended from time to time. This definition shall apply in the case of an eligible rollover distribution to the surviving spouse.

Eligible rollover distribution means any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Internal Revenue Code and the portion of any distribution that is not includible in gross income. Any portion of any distribution which would be includible in gross income will be an eligible rollover distribution if the distribution is made to an individual retirement account described in section 408(a) of the Internal Revenue Code, to an individual retirement annuity described in section 408(b) of the Internal Revenue Code or to a qualified defined contribution plan described in sections 401(a) or 403(a) of the Internal Revenue Code that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

(d) *Plan transfers into the fund.* The retirement system will accept a direct transfer or rollover of an eligible rollover distribution or a member contribution of an eligible rollover distribution from an eligible retirement plan which is maintained by the city, solely for the purpose of purchasing creditable service as provided in subsection 40-202(6) herein.
(Ord. No. 12941, § 2, 9-11-07; Ord. No. 13551, § 2, 9-24-15; Ord. No. 13676, § 2, 4-27-17)

Secs. 40-213—40-240. Reserved.

DIVISION 3. CITY OF MIAMI GENERAL EMPLOYEES' AND SANITATION EMPLOYEES' RETIREMENT TRUST*

Sec. 40-241. Definitions.

The following words and phrases as used in this division shall have the following meanings:

Accumulated employee contributions shall mean the sum of all amounts deducted from a member's compensation or picked up on behalf of a member, together with regular interest as provided in this division. Accumulated employee contributions

---

***Editor's note—**Ord. No. 12111, § 1, adopted September 25, 2001, amended div. 3, §§ 40-241—40-263 in its entirety to read as herein set out. No. 11608, § 1, adopted February 10, 1998; Ord. No. 11717, § 1, adopted October 27, 1998; Ord. No. 11729, § 1, adopted November 17, 1998; Ord. No. 11743, § 2, adopted January 12, 1999; Ord. No. 11879, § 2, adopted January 13, 2000; Ord. No. 11927, § 2, adopted May 11, 2000.

Note—Section 2 of Ord. No. 12111, adopted September 25, 2001, is as follows: "This Ordinance shall be applied on a prospective basis only. No person who is a separated vested member; a member not in service or currently a beneficiary under the plan shall be entitled to the benefits provided for in this Ordinance, except as otherwise specifically provided. Benefits available to those persons shall be the benefits in effect on the date of separation from service. The deletion of obsolete language shall not impair or diminish the rights of any person to whom those benefits are applicable."

shall also mean any amounts paid by a member for the purchase of military service credits or other paybacks permitted in this Plan.

Active membership shall mean membership in the Plan as an employee.

Actuarial equivalent shall mean a benefit having the same present value as the benefit it replaces based upon the actuarial table adopted by the board of trustees. For purposes of determining actuarial equivalence under Internal Revenue Code Section 415, the applicable mortality table will be the table under Internal Revenue Code § 417(e)(3)(B).

And shall have a conjunctive meaning.

Average final compensation shall have a meaning dependent upon the date of hire and the date of termination of service of the member. The periods of time for which average final compensation is determined are:

(a) For members who became employed before May 24, 1984, and whose active membership in the Plan did not cease before May 23, 1985. In the case of such members, average final compensation shall mean the highest compensation of that member during any one year of membership service. The highest one year of compensation shall not exceed the second highest year of compensation by more than 15 percent excluding any difference due to longevity, anniversary and negotiated cost of living increases. The term "year" shall be calculated using the highest 12 months of compensation, but the months need not be consecutive.

(b) In the case of a member who becomes an employee on or after May 24, 1984 and who retires or terminates employment with ten or more years of creditable service prior to October 1, 2010, or for an employee whose service has previously ended or who is not a member absent from service, but recommences on or after May 24, 1984 who retires or terminates employment with ten or more years of creditable service prior to October 1, 2010, average final compensation shall mean the average annual compensation of the member during the last two years of membership service, or the highest two years of membership service, whichever is greater. In the case of the highest two years of membership service, the years need not be consecutive. The term "year" shall be calculated using the highest 12 months of compensation, but the months need not be consecutive.

(c) Effective September 30, 2010, for members employed on that date who retire on or after October 1, 2010, average final compensation shall mean: average of highest five years of the last ten years of service, to be phased in over the next three years as follows: average final compensation for members who retire on or after October 1, 2010 and on or before September 30, 2011 will be based on the average of the highest three years of membership service; for members who retire on or after October 1, 2011 and on or before September 30, 2012, it will be based on the average of the highest four years of membership service; and for members who retire on or after October 1, 2012, average final compensation shall mean the average of the highest five years of the last ten years of membership service. Provided, in no event shall the average final compensation of any member who is employed on September 30, 2010 and retires on or after October 1, 2010, be less than the member's average final compensation as of the date of the plan change.

(d) Effective October 1, 2018, for members who were hired prior to October 1, 2010 and retire on or after October 1, 2018, average final compensation shall mean the highest one year of compensation.

BACDROP shall mean Benefit Actuarially Calculated Deferred Retirement Option Program.

Beneficiary shall mean any person receiving a retirement allowance or other benefit from the Plan.

Benefit shall mean a retirement allowance or other payment provided by the Plan and made to a member, retiree or beneficiary.

Board or *board of trustees* shall mean the board of trustees of the Plan.

Child shall mean the natural or adopted child of a member, but shall not include foster children or step-children.

City shall mean the City of Miami, Florida.

City commission or commission shall mean the Miami City Commission.

COLA shall mean the cost of living adjustment provided under the terms of the Plan.

Compensation shall mean a member's base salary, including pick-up contributions for all straight time hours worked, assignment pay, pay supplements, vacation, and sick leave used while an active member, jury duty, and death in family leave taken or any other administrative leave approved pursuant to ordinance, labor agreement, or city personnel policy which is used as part of the member's base salary. Compensation shall not include overtime pay, payments for accumulated sick leave, accumulated vacation leave, or accumulated compensatory leave, premium pay for holidays worked, call back pay, uniform allowances, tool allowances, the value of any other employment benefit or non-monetary entitlement, or any other form of remuneration. The amount of compensation taken into account under the System may not exceed $200,000.00. This amount is subject to adjustment as provided for in Internal Revenue Code Section 401(a)(17), Internal Revenue Code Section 415(d) and Section 16 of this Plan. Beginning with compensation earned after December 31, 2008, and pursuant to Internal Revenue Code Section 414(u)(7), the definition of compensation includes the amount paid by the city as differential wages to members who are absent from employment while in qualified military service. For members who retire on or after October 1, 2018, compensation shall include the retroactive five percent salary increase for the member's highest one year salary.

Creditable service shall mean credit upon which a member's eligibility to receive benefits under the Plan is based, or upon which the amount of such benefits is to be determined.

Disability shall mean the permanent and total incapacity to perform useful and efficient service as an employee of the city as determined by the board pursuant to the terms of the Plan.

DROP shall mean Deferred Retirement Option Program and shall include a Forward DROP and a BACDROP.

Early service retirement shall mean a member's withdrawal from service under circumstances permitting the payment of a retirement benefit before such member is eligible for normal service retirement.

Employee shall mean any regular, permanent, and full-time appointed officer or employee of the city, other than a police officer or firefighter as defined in section 40-191 of the city Code. The term "employee" shall include both classified and unclassified employees, provided they are appointed on a full-time basis as defined by the Civil Service Rules, collective bargaining agreement, or other applicable city personnel policy. The term "employee" shall also include members of this Plan who become employees of Miami-Dade County by virtue of the merger, transfer, or assignment of governmental units or functions from the city to Miami-Dade County. Any such employee shall continue as a member of this Plan unless they elect within six months after the date of the transfer to become a member of the Florida Retirement System. For the purpose of any such employee, Miami-Dade County shall be deemed included within the term "city" as used in this Code. Temporary, part-time or casual employees shall not be deemed "employees."

Forward DROP shall mean a Deferred Retirement Option Program where benefit is equal to the regular retirement benefit the member would have received had the member separated from service and commenced the receipt of benefits from the plan.

Full time shall mean an employee who is compensated on a 40 hour per week basis.

Fund shall mean the City of Miami General Employees' and Sanitation Employees' Retirement Trust Fund.

General Employees' Union shall mean the certified collective bargaining agent for all general employees of the city, except sanitation employees, managerial employees and confidential employees.

Internal Revenue Code shall mean the Internal Revenue Code of 1986, as amended from time to time.

May shall mean a permissive term.

Member shall mean an employee for whom contributions to the Plan are picked up as required by this Plan.

Member absent from service shall mean any member who has ceased to be an employee for less than three years in a period of five consecutive years after last becoming a member, and who has not withdrawn the accumulated employee contributions.

Member not in service shall mean any member who has a vested right to retirement pursuant to the provisions of this Plan. A member not in service shall also be known as a vested separated member. This term shall not include retired members who have been rehired by the city in positions not eligible for participation in this Plan.

Membership service shall mean service as an employee for which contributions to the Plan were made as required by this Plan.

Miami City General Employees' Retirement Plan shall mean the city pension plan which was established effective July 1, 1956, pursuant to Ordinance No. 5624, enacted May 2, 1956, as amended.

Noninvestment expenses shall exclude fees paid to money managers whose duty it is to invest and manage the assets of the Plan and to report on the performance of those investments. Salaries for office staff, overhead, professional fees for actuaries, accountants, financial consultants, performance monitors and attorneys, and other similar nonbenefit costs are examples of noninvestment expenses.

Normal costs shall mean the cost of benefits attributable to the current year under the modified aggregate entry age normal cost method.

Normal retirement age shall mean age 55 for members employed on September 30, 2010 who have attained age 55 by that date and members who retire or terminate employment with ten or more years of creditable service prior to October 1, 2010. Normal retirement age for members who did not attain age 55 as of September 30, 2010 and all other members who retire on or after October 1, 2010 shall mean the earlier of age 60 with ten years of creditable service, age 55 with 30 years of creditable, or rule of 80 retirement with ten years of creditable service (when the sum of a member's age and length of creditable service equals at least 80). Notwithstanding the provisions of this paragraph, effective September 30, 2020, for all members hired prior to October 1, 2010 who retire on or after September 30, 2020, normal retirement age shall mean age 55 with ten years of creditable service or rule of 70 retirement. All members are 100 percent vested upon reaching normal retirement age.

Option shall mean one of several choices available to members with respect to the manner in which a retirement benefit may be paid.

Payback shall mean a member's contribution to the Plan for creditable service for which other than regular contributions have been made. Contributions required for paybacks shall not be picked up by the city, but may be deducted from a member's compensation.

Pick-up amounts shall mean employer contributions derived from a member's compensation through a reduction in the member's compensation. For the purposes of this Plan, amounts picked-up shall be considered for state law purposes as employee contributions.

Plan shall mean the City of Miami General Employees' and Sanitation Employees' Retirement Trust.

Plan year shall mean the period from October 1 through September 30 of the following year.

Pre-existing condition shall mean a condition of health which pre-dated any period of Plan membership.

Regular contributions shall mean amounts picked-up by the city from the compensation of a member. Regular contributions shall not include payback contributions or any other amounts which may be deducted from a member's compensation pursuant to this division.

Regular interest shall mean interest at the rate prescribed by the board of trustees which shall be not less than one percent per quarter of the contribution balance as of the end of the previous calendar year, including interest.

Retiree shall mean a former member who is in receipt of benefits from the Plan.

Retirement shall mean a member's withdrawal from service with a benefit granted to the member pursuant to the provisions of this Plan.

Rule of 70 shall mean a computation permitting normal retirement where the sum of the member's age and length of creditable service is equal to at least 70, provided that the member has completed ten years of creditable service.

Rule of 80 shall mean a computation permitting normal retirement where the sum of the member's age and length of creditable service is equal to at least 80, provided that the member has completed ten years of creditable service.

Sanitation Employees' Union shall mean the certified collective bargaining agent for all sanitation employees of the city, except for managerial employees, confidential employees and employees covered by another collective bargaining unit.

Service shall mean active employment as an employee of the city.

Service retirement shall mean a member's retirement from service under circumstances permitting payment of a retirement benefit without reduction because of age, length of service, or both and without special qualifications such as disability.

Spouse shall mean the lawful husband or wife of a member or retiree at the time benefits commence, unless a new designation has been made in writing to the board in accordance with the provisions of this Plan. This section shall be interpreted under Florida choice of law rules.

Surviving spouse means the spouse of the member at the time benefits commence unless a new designation has been made in accordance with the provisions of this Plan.

Trustee shall mean a member of the board of trustees of the Plan.

Useful and efficient service shall mean the performance of the regular duties of the position to which the employee is assigned by the city. The board shall determine from the facts of each disability application whether the member is performing in accordance with this definition.

Unfunded liability shall mean the excess of the actuarial accrued liability of the Plan over (the) present asset value used to determine the city's funding obligation.

Vested benefit shall mean an immediate or deferred benefit to which a member has gained a non-forfeitable right under the provisions of this Plan, without the need for additional creditable service.

Vesting shall mean ten years of creditable service before the member is entitled to service retirement benefits and non-service disability.
(Ord. No. 12111, § 1, 9-25-01; Ord. No. 12202, § 2, 3-27-02; Ord. No. 13203, § 2, 9-27-10; Ord. No. 13679, § 1, 5-11-17; Ord. No. 13887, § 2, 12-12-19; Ord. No. 14332, § 2, 11-21-24)

Sec. 40-242. Plan established; purpose; name; operative date.

A Plan is established and placed under the exclusive administration and management of a board of trustees for the purpose of providing retirement benefits pursuant to the provisions of this Code and for payment of the reasonable expenses of the Plan. This Plan shall be known as the "City of Miami General Employees' and Sanitation Employees' Retirement Trust." This Plan is intended to be a tax qualified plan under

Internal Revenue Code Section 401(a) and meet the requirement of a governmental plan as defined in Internal Revenue Code Section 414(d).
(Ord. No. 12111, § 1, 9-25-01; Ord. No. 13679, § 1, 5-11-17)

Sec. 40-243. Board of trustees.

(a) *Composition and selection.*

(1) The sole and exclusive administration of and responsibility for the proper and effective operation of this Plan is vested in a nine member board of trustees.

(2) The board of trustees shall be selected as follows:

a. One trustee shall be selected by the city manager, which trustee shall not be the mayor, a city commissioner, the city manager, the city finance director, or an assistant finance director.

b. Two trustees shall be selected by the general employees and their names submitted to the city clerk. The trustee may be a present or retired member of the bargaining unit represented by the General Employees' Union and shall be selected and serve according to the constitution and bylaws of the General Employees' Union.

c. Two trustees shall be selected by the sanitation employees and their names submitted to the city clerk. The trustees shall be present members of the bargaining unit represented by Sanitation Employees' Union and shall be selected and serve according to the constitution and bylaws of the Sanitation Employees' Union.

d. The remaining four trustees shall be selected by the city commission and may not be employees of the city. Two of the trustees shall be selected from a list of six persons submitted by the General Employees' Union according to its constitution and bylaws and the other two trustees shall be selected from a list of six persons submitted by the Sanitation Employees' Union according to its constitution and bylaws. The city commission may, at the request of the General Employees' Union or the Sanitation Employees' Union, accept a list consisting of one name for each position to be filled. The lists submitted to the city commission shall not contain duplications. If a duplication occurs, the city commission shall return both lists for resubmission.

e. The trustees appointed by the city shall have, at the minimum, the following qualifications:

1. Be presently employed or self-employed on a full-time basis, or be retired from such;

2. Have resided in Miami (or its immediate environs) for the past five years;

3. Be able to attend board meetings if scheduled well enough in advance and agree to resign from the board if meeting attendance is less than 75 percent in a one-year period; however, the provisions of this subsection shall not apply to those individuals who are members of city boards and who are (1) reservists in the United States Armed Forces or members of the Florida National Guard, and have been ordered to active military duty for national, state, or homeland defense and due to such duty cannot attend board meetings, or (2) employees of agencies whose services are considered essential for national, state, or homeland defense and due to such services cannot attend board meetings.

4. Have been involved in, within the last five years, and be knowledgeable about employee pension or similar fringe benefits;
5. Have knowledge of, be familiar with, and have had exposure to labor/management relations;
6. Have knowledge of and be familiar with business principles;
7. Have not been, within the past five years, a public employee union representative, nor a representative of management for the city;
8. Not be actively involved in nor aspire to be actively involved in city, county, or state politics.

(b) *Term of office.*

(1) The term of office for each trustee shall be two years.

(2) There shall be no limit to the number of terms a trustee may serve.

(3) A trustee shall take an oath of office administered by the city clerk within ten days after selection.

(4) A trustee shall serve until a successor trustee is appointed and administered the oath of office.

(c) *Fiduciary responsibility.* The board of trustees shall be deemed the named fiduciary of the Plan and shall discharge its responsibilities solely in the interest of the members and beneficiaries of the Plan for the exclusive purpose of providing benefits to the members and their beneficiaries and to defray the reasonable expenses of the Plan. The trustees shall exercise those fiduciary responsibilities with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a similar character and with similar aims.

(d) *Compensation.* Trustees who are employees of the city shall be granted leave with full pay and benefits while functioning as a trustee during their normal working hours. Service on the board shall not be considered as "time worked" for the purposes of overtime liability under the Fair Labor Standards Act. This shall include attendance at board meetings, workshops, board approved educational conferences and board approved travel. Employee trustees shall not otherwise be paid for their services as trustees. The nonemployee trustees shall be compensated at any given time in the same manner as are members of the city's civil service board.

(e) *Meetings; voting; quorum; officers.*

(1) The board shall meet at least once every two months following appropriate public notice and shall meet and conduct the business of the Plan in accordance with Chapter 286, Florida Statutes.

(2) Each trustee shall be entitled to one vote. Five concurring votes shall be necessary for a decision by the board. Five trustees shall constitute a quorum for the purpose of meeting and transacting business. A lesser number of trustees may be appointed as a committee to perform tasks on behalf of the board. All committee meetings shall be subject to the notice and meeting requirements of Chapter 286, Florida Statutes.

(3) The board shall elect, every two years, a trustee as chairperson and a trustee as vice chairperson of the board.

(f) *Vacancies; removal.*

(1) If a vacancy occurs due to resignation, death, or removal, the vacancy shall be filled for the unexpired term of the departing trustee in accordance with the provisions of this section for selection of the trustee who has vacated the office.

(2) The board may remove a trustee prior to completion of his or her designated term of office for proper cause only, which cause shall be stated in writing. No trustee shall be removed pursuant to this section except upon proper notice and

hearing. The board shall prescribe uniform rules for the conduct of such hearings. Proper cause shall mean a trustee's failure to satisfactorily discharge his or her fiduciary responsibility, including, but not limited to, failure to attend 75 percent of the meetings of the board in a one-year period. For the purposes of removal only, six concurring votes shall be necessary.

(Ord. No. 12111, § 1, 9-25-01; Ord. No. 12201, § 1, 3-14-02)

Sec. 40-244. Administration of the Plan; liability; misconduct of a co-trustee.

(a) *Administrative duties of the board.*

(1) To maintain such records as are necessary for calculating and distributing Plan benefits;

(2) To maintain such records as are necessary for financial accounting and reporting of Plan funds;

(3) To maintain such records as are necessary for actuarial evaluation of the Plan, including investigations into the mortality, service and compensation experience of its members and beneficiaries;

(4) To compile such other administrative or investment information as is necessary for the management of the Plan;

(5) To process, certify and respond to all correspondence, bills and statements received by the Plan, as well as all applications submitted to the board for Plan benefits;

(6) To establish and maintain communication with city departments, and other agencies of government as is necessary for the management of the Plan, including preparing, filing and distributing such reports and information as are required by law to be prepared, filed or distributed on behalf of the Plan;

(7) To determine all questions relating to, and process all applications for eligibility, participation and benefits;

(8) To distribute at regular intervals a comprehensive summary Plan description and periodic reports to employees, not less than biennially, regarding the financial and actuarial status of the Plan;

(9) To retain and compensate such professional and technical expertise as is necessary to fulfill its fiduciary responsibilities;

(10) To make recommendations regarding changes in the provisions of the Plan;

(11) To assure the prompt deposit of all member contributions, city contributions, and investment earnings;

(12) To establish a uniform set of rules and regulations for the management of the trust;

(13) To take such other action as the trustees shall deem, in their sole and exclusive discretion, as being necessary for the efficient management of the Plan.

(b) *Pension administrator.*

(1) The board shall employ a pension administrator to assist the board in the performance of its administrative duties. The pension administrator, subject to the approval of the board, may employ such staff as is necessary for the proper administration of the Plan.

(2) The pension administrator selected by the board shall have, at the minimum, the following qualifications:

a. Accounting or pension administration background;

b. Managerial experience, including hiring, directing and motivating a small staff;

c. Sufficient knowledge or experience to supervise data processing operations;

d. Experience with filing government forms (including federal and state compliance requirements) and have the initiative to inquire and success-

fully obtain resource data when specific information is not readily available;

e. Be capable of using benefit formulas to calculate and pay benefits;

f. Be capable of prudent financial management and obeying guidelines established by the board;

g. Be capable of developing cash flow projection;

h. Be capable of preparing financial reports reflecting the activity of the trust and financial trends;

i. Be capable of maintaining an investment schedule;

j. Be capable of maintaining minutes of the meetings of the board;

k. Be capable of preparing correspondence, issuing forms, receiving and processing benefit claims, and expressing ideas in writing;

l. Be able to insist upon, and actively pursue delivery of, all reports and other documents required for the efficient operation of the Plan;

m. Effective oral communication skills;

n. A good employment attendance record;

o. Be efficient, practical and committed to responsible and effective operation of the Plan, its finances and expenses;

p. Be able to remain neutral on decisions to be made by the board and serve all board members in an impartial and arm's length fashion, giving due recognition to the ultimate fiduciary obligation to participants and beneficiaries of the Plan.

(3) The board shall have a continuing duty to observe and evaluate the performance of the pension administrator. The board shall, in selecting a pension administrator, exercise all judgment and care under the circumstances then prevailing which persons of prudence, discretion, and intelligence, exercise in the management of their own affairs.

(4) The pension administrator shall have a written contract of employment with the board, which shall include any tenure rights which the board, in its discretion, may grant.

(5) The pension administrator shall not be an employee of the city.

(6) The pension administrator shall be a fiduciary of the Plan.

(c) *Annual report to the city commission.* The board shall submit the following information annually to the city commission not later than July 1st of each year:

(1) A report showing the fiscal transactions of the Plan for the year ending on the preceding September 30th, as well as the amount of accumulated cash, securities and other property of the Plan.

(2) The current actuarial valuation of the assets and liabilities of the Plan.

(d) *Actuarial valuation; actuarial standards.*

(1) At least once in each three-year period, the board shall cause an actuarial investigation to be made into the mortality, service and compensation experience of the members of the Plan. Taking into account the result of such investigation, the board shall adopt for the Plan, such mortality, service and other tables as are necessary and proper. On the basis of these tables, an annual actuarial valuation of the assets and liabilities of the Plan shall be made.

(2) Actuarial assumptions based on the three-year experience analysis may be modified by the board at such times as it deems appropriate. No change in actuarial assumptions shall be made by the board without 60 days' prior notice to the city of the first meeting at which any change or proposal or recommendation related to such change is made. After the initial meeting where such changes or propos-

als are considered, the city shall be given reasonable notice of any subsequent meeting on the same or related proposal.

(3) The actuarial value of the assets of the Plan shall be the five-year moving market value average. Each year, starting with the market value as of October 1, 2007, the expected return will be determined based on the beginning of year market value and the actual contribution and benefit payments at the assumed interest assumption. One-fifth of the difference between the expected market value return and the actual market value return is included in the actuarial asset value at the valuation date. Four-fifths of the difference between the expected market value return and the actual market value return is deferred in even increments of 20 percent per year to each of the next four years as future adjustments to the actuarial asset value. The preliminary actuarial asset value will be the sum of the actuarial asset value as of the previous valuation date plus the actual contributions and benefits payments in the year ending on the current valuation date plus the expected return on market value return plus one-fifth of the cumulative differences between the expected and actual market value returns over the five years up to the valuation date. The result cannot be greater than 120 percent of market value or less than 80 percent of market value. The board may approve other methods of determining the actuarial value of the Plan assets if such other methods are recommended by the actuary retained by the board and found by the Florida Bureau of Local Retirement Systems, Division of Retirement, Department of Administration, or its successor, to be in compliance with state law. Prior to the first meeting of the board to consider any change in the method of determining the actuarial value of Plan assets, the city shall be given timely written notice of the proposed change.

(e) *Authority to hire consultants.*

(1) The board shall have the authority to retain its own legal consultants, accountants, actuaries, and other professional advisors to assist the board in the performance of its duties. The board may act without independent investigation upon the professional advise of the advisors so retained.

(2) The board shall retain a physician to assist it in the performance of its administrative duties with regard to the consideration of medical questions arising under the Plan. The physician shall conduct any required medical examinations or refer the examinee to a specialist or specialists.

(f) *Defense of actions; trustee liability.*

(1) The board is authorized to prosecute or defend actions, claims or proceedings of any nature or kind for the protection of the fund assets or for the protection of the board in the performance of its duties.

(2) Neither the board nor any of its individual members shall have any personal liability for any action taken in good faith. The trustees individually and the board as a whole shall be entitled to the protections contained in § 768.28, Florida Statutes. The trustees shall also be authorized to purchase from the assets of the fund, errors and omission insurance to protect the trustees and staff in the performance of their duties. Such insurance shall not provide an individual with protection against a fiduciary's fraud, intentional misrepresentation, willful misconduct or gross negligence.

(g) *Public records; board documents; written communications to and from city; commission agenda.*

(1) The board shall keep a record of all of its proceedings which shall be maintained and open to public inspection in accordance with Chapters 119 and 286, Florida Statutes. Such records shall reflect

a complete and comprehensive account of the discussions and actions taken by the board.

(2) The board and the city manager shall each provide the other with copies of all documents relating to the Plan contemporaneously upon the making or receipt of such documents. All written communications relating to the Plan from the board to the city shall be made directly to the city manager. All written communications to the board from the city shall be made directly to the board, with copies to the pension.

(3) The board shall establish uniform procedures for maintaining confidentiality of medical information as required by state and federal law.

(4) When consideration by the city commission is required for Plan business, such business shall be placed on the agenda of the commission and heard at the next scheduled meeting, consistent with the agenda rules of the commission.

(h) *Rules and regulations.* The board may, from time to time, establish rules and regulations which it deems necessary for the efficient administration and management of the Plan. No administrative rule may conflict with the provisions of the City Charter or Code, state or federal law. No administrative rule of the fund may conflict with the provisions of any collective bargaining agreements affecting members of the Plan.
(Ord. No. 12111, § 1, 9-25-01; Ord. No. 13090, § 1, 9-24-09)

Sec. 40-245. Asset management and investments.

(a) *Nature of trust.* The Plan is an irrevocable trust fund into which is deposited all of the assets of the Plan of every kind and description. The Plan is a defined benefit retirement fund. Members have an ownership right in benefits accrued as provided for in this Plan. No member has an ownership right in the assets of the Plan.

(b) *Custody; records.* The custody and supervision of the fund shall be vested in the board. All assets of the Plan may be pooled, provided that accurate records are maintained at all times reflecting the financial composition of the fund, including accurate accounts regarding the following:

(1) Current amounts of accumulated contributions of members, both on an individual and aggregate basis;

(2) Receipts and disbursements;

(3) Benefits payments;

(4) All contributions from the city;

(5) All interest, dividends, gains and losses from investment;

(6) Such other entries as may be required for a clear, complete financial report of the status of the fund.

(c) *Investment policy.* The board shall maintain a written investment policy, with the advice and counsel of such advisors as the board deems necessary, and said investment policy shall set forth the types of securities and other types of investments into which shall be placed the assets of the fund. The policy shall further set forth appropriate limitations on those investments, including, but not limited to, anticipated rate of return, quality of investment, class of investment, acceptable risk and any other factor as required by law.

(d) *Permissible investments.*

(1) Trust funds may be invested without limitation in the following asset classes:

a. Bonds, notes, mortgage-backed securities, or other obligations of the United States or those guaranteed by the United States or any agency of the United States Government or instrumentality of the United States Government or for which the credit of the United States Government, government agency or instrumentality is pledged for the payment of the principal and interest or dividends thereof.

b. Certificates of deposit of any bank incorporated under the laws of the State of Florida, or any national bank organized under the laws of the United States, to do business and situated in this state, to the extent that such savings accounts are fully insured with the federal government or an agency thereof, and that the certificates of deposit are secured by the Deposit of Securities of the United States Government.

c. Repurchase agreements with United States Treasury Securities, and agencies of the United States Government as collateral, said collateral to be held by trustees.

(2) No more than seven percent of the fund at market value may be invested in any one entity of the categories listed below:

a. Common stock, preferred stock and interest-bearing obligations of corporations having an option to convert into common stock, domestic or foreign, when recognized on a major United States stock exchange; provided that the aggregate investment of the fund in any one issuing corporation shall not exceed three percent of the outstanding capital stock of that corporation.

b. Notes secured by first mortgages on real property, insured or guaranteed by the Federal Housing Administration or the Veteran's Administration.

c. Interest-bearing obligations with a fixed maturity of any corporation within the United States; provided that such obligations are rated by at least two nationally recognized rating services in any one of the four highest classifications approved by the comptroller of the currency for the investment of funds of national banks, or if only one nationally recognized rating service shall rate such obligations, such rating service must have rated such obligations in any one of the three highest classifications mentioned in this section. Any security downgraded subsequent to purchase which results in the security falling below the recommended guidelines may be held at the investment manager's discretion.

d. Mortgages, excluding those backed by the United States Government or Government agencies and instrumentalities, which are a commercial property secured by a first lien mortgage note for up to, but not in excess of, 80 percent of the appraised value of the property.

e. Common stock and preferred stock of foreign corporations; provided that the overall investment under this paragraph shall not exceed fifteen percent of the market value of the total trust fund.

(e) *Limitations on investment.*

(1) Trust funds may not specifically be invested in private placements or debt to equity exchanges.

(2) Within the limitations in this section, the board shall have the authority to acquire every kind of property and investment which persons of prudence, discretion and intelligence acquire for their own accounts. The board may retain property properly acquired without limitation as to time and without regard to its suitability for its original purchase.

(f) *Money managers.*

(1) The board of trustees shall retain one or more money managers for management of the assets held by the Plan, and the board shall convey property of the trust to such managers for investment and reinvestment in accordance with the provisions of this section.

(2) All money managers shall have a written contract with the board specifying the

assets to be invested; the asset classes appropriate for utilization; expected performance; standard of care and resolution of disputes. All such contracts shall be governed in accordance with the laws of the State of Florida and shall have venue for resolution of disputes in Miami-Dade County, Florida. In the event that any money manager shall invest assets of the Plan in a prohibited category of investment or shall otherwise breach the terms of the investment management agreement, if such breach causes a loss to the trust, the contract shall require the money manager to make the trust whole for any losses incurred. Each money manager shall be a fiduciary of the Plan.

(3) The board shall establish written guidelines and objectives against which the investment performance of any money manager retained by the board shall be measured. If a money manager fails to meet the guidelines and objectives, or fails to meet its contractual agreement with the board, the money manager may be terminated by the board. The performance of the investment portfolio for the Plan shall be not less than 90 percent of the median performance of comparable portfolios as determined jointly by the board and the city manager. If performance falls below that minimum standard, the money managers shall automatically be removed, unless, based on extenuating circumstances, the board recommends continuation and such continuation is approved by the city commission. The board retains the right, at all times, to terminate any money manager agreement, with or without cause.

(4) In the conduct of their affairs, all money managers shall exercise the judgment and care under the circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not in regard to speculation, but in regard to the permanent disposition of their funds, considering the probable income, as well as the probable safety of their capital. Money managers shall disburse cash or property from the fund to the board upon written request. Such written request shall constitute a certification that the distribution so requested is one that the board is authorized to direct and the money manager should not be required to investigate the application of such money by the board or its designee. No distribution under this section may cause any part of the fund to be used for, or diverted for, a purpose other than providing benefits to members and beneficiaries of the Plan and defraying the reasonable expenses of administering the Plan.

(5) The board shall have a continuing duty to observe and evaluate the performance of any money manager or other investment advisor retained by the board. The board may, as part of its continuing duty to evaluate the performance of its money managers, retain the services of a performance monitor who shall be responsible for determining the appropriate performance benchmarks and for advising the board of needed changes in its investment policy or asset allocation. Any such advisor shall constitute a fiduciary of the Plan.

(g) *Records to be maintained.*

(1) Any money manager or investment advisor who has custody or control of any trust property or who is otherwise employed, directly or indirectly, in the management of Plan assets shall keep accurate and detailed accounts of all such activities, which records shall be open to inspection and audit at all reasonable times by the city, the retirement board, or their designees.

(2) The board shall keep accurate and detailed accounts of its assets and investments and all such records shall be open for inspection and audit at all reasonable times by the city, or its designees.

(Ord. No. 12111, § 1, 9-25-01; Ord. No. 13154, § 1, 4-22-10)

Sec. 40-246. Contributions.

(a) *Member contributions.*

(1) Effective October 1, 2010, regular contributions of each member of the Plan shall be made each pay period at the rate of 13 percent of each member's earnable compensation. Effective the first full pay period following October 1, 2012, regular contributions of each member of the Plan shall be made each pay period at the rate of ten percent of each member's earnable compensation.

(2) The city shall pick up, rather than deduct, all regular contributions of members. The city shall derive pickup amounts from the same source of funds which is used in compensating members of the Plan and shall do so by reducing the earnable compensation of each member. All pick up amounts shall be treated as employer contributions for the purposes of determining tax treatment under the Internal Revenue Code of 1954, as amended.

(3) The board shall certify to the appropriate city authority or officer responsible for making up the payroll for members of the Plan, the proper proportion of each member's earnable compensation which shall be picked up each pay period as well as any additional amounts which shall be deducted for any member. In determining the amount earnable by a member in each pay period, the board may consider the rate of annual compensation payable to such member on the first day of each period as continuing throughout such period, and the board may omit pickup of amounts from earnable compensation for any period less than a full period. To facilitate pickup of contributions, the required contributions may be modified by such an amount as shall not exceed one-tenth of one percent of the annual earnable compensation which is the basis upon which such pick up amount is to be made.

(4) The proper authority or officer responsible for making up the payroll for members of the Plan shall certify to the board, on each payroll, the amounts to be deducted or picked up by the city for each member. Such amounts shall be deducted or picked up by the city, and when deducted or picked up, shall be paid to the Plan and credited to the active membership account for each respective member.

(5) Regular contributions shall be made, notwithstanding the fact that the minimum compensation provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the pick up of regular contributions provided for herein, and payment of compensation less such contributions shall be a full and complete discharge of all claims and demands whatsoever for service rendered during the period of employment covered by such payment, except as to benefits otherwise provided by this division.

(b) *City contributions.* The city's annual fiscal contribution to the Plan shall provide for the following: (1) noninvestment expenses of the Plan; (2) amortization of the unfunded liability of the Plan; and (3) normal costs of the Plan.

(1) The city's contribution for noninvestment expenses of the Plan in any given fiscal year shall be determined by the same process the city uses for that fiscal year in determining the budget of the downtown development authority and the department of off-street parking.

(2) The city's contribution for the unfunded liability of the Plan shall be made in accordance with the final judgment, as amended, in the matter of *Gates v. City of Miami,* Case No. 77-9491, in the circuit court for the eleventh judicial circuit in and for Miami-Dade County, Florida, and in accordance with the following additional provisions:

a. As of October 1, 2011, the unfunded actuarial accrued liability shall be amortized as a level percentage of

the projected payroll of active plan members. The unfunded actuarial accrued liability as of October 1, 2011 shall be amortized by adding five years to the remaining years of each unfunded actuarial accrued liability base. As of October 1, 2011, benefit improvements for actives shall be amortized over 20 years. Benefit improvements for retirees shall be amortized over 15 years. Actuarial gains and losses shall be amortized over 20 years. Changes in actuarial assumptions and methods shall be amortized over 20 years.

b. To the extent the actuarial liability plus normal cost is less than the actuarial asset value, all prior amortization bases are considered fully funded.

(3) The actuarial method for evaluating assets shall be changed to a moving market value average over five years beginning September 30, 2008. As of October 1, 2008, one-year moving average shall be used; as of October 1, 2009, a two-year moving average shall be used; as of October 1, 2010, a three-year moving average shall be used, as of October 1, 2011, a four-year moving average shall be used, and thereafter, a five-year moving average shall be used. Each year, starting with the market value as of October 1, 2007, the expected return will be determined based on the beginning of year market value and actual contributions and benefit payments at the assumed interest assumption. One-fifth of the difference between the expected market value return and the actual market value return is included in the actuarial asset value at the valuation date. Four-fifths of the difference between the expected market value return and the actual market value return is deferred in even increments of 20 percent per year to each of the next four years as future adjustments to the actuarial asset value. The preliminary actuarial asset value will be the sum of the actuarial asset value as of the previous valuation date plus the actual contributions and benefit payments in the year ending on the current valuation date plus the expected return on market value return plus one-fifth of the cumulative differences between the expected and actual market value returns over the five years up to the valuation date. The result cannot be greater than 120 percent of market value or less than 80 percent of market value.

(4) The individual entry age normal cost method will be applied for costs as of October 1, 2008, and each October 1st thereafter, based on demographic and asset data as of the previous October 1st adjusted for interest from that date to reflect payment timing. The annual normal cost will be determined on the individual entry age normal method. If the actuarial asset value exceeds the individual entry age accrued liability, such excess shall be held as a reserve to offset any future unfunded actuarial accrued liability. Under no circumstances will the total cost be determined to be less than zero.

The calculation for normal costs shall be performed separately by actuaries for the city and for the Plan in accordance with the provisions of the foregoing paragraph. The actuary for the Plan shall use the actuarial assumptions adopted by the board. The actuary for the city may use any actuarial assumptions deemed appropriate by that actuary. If the actuary for the Plan and the actuary for the city agree on the normal costs contribution to be made by the city, that amount shall be contributed by the city. If the two actuaries cannot agree on the normal costs contribution, they shall promptly select an independent third actuary. If they are unable to agree on a third actuary, one shall be selected by the American Academy of Actuaries or Conference of Consulting Actuaries. The third

actuary shall, as soon as practicable, submit to the board and the commission a funding recommendation utilizing standard acceptable funding techniques and assumptions. Thereafter, the commission shall fund the amount recommended by either the actuary for the Plan or for the city, whichever recommendation is closer to the recommendation of the third actuary.

(5) On or before May 15 of each year, the board shall certify to the city manager:

a. The amount of appropriation necessary to pay the normal costs and unfunded liability contributions to the Plan for the next fiscal year, including the amount of any benefits payable on account of any predecessor pension or retirement fund; and

b. The amount of appropriation required to pay the noninvestment expenses of the Plan for the next fiscal year.

(6) On or before May 15 of each year, the director of finance shall certify to the appropriate fiscal officer of the Miami-Dade County Government, the amount payable by such metropolitan government under the provisions of Act 59-203 of the General Laws of Florida. Such amount shall consist of that proportion of the appropriation certified by the board pursuant to paragraph (4) of this subsection as the total earnable compensation of members who are employees of such metropolitan government bears to the total earnable compensation of all members. Upon receipt of such amount from the Miami-Dade County Government, the director of finance shall cause the amount received, less that proportion included for noninvestment expenses, to be paid into the benefit account, and such amount shall be included in the total appropriation payable by the city to the Plan as required by this section.

(7) All contributions made by the city to the Plan for any given fiscal year shall be made quarterly, in equal payments, on the first day of each quarter during the fiscal year in question. If the amount of the city's contribution for normal costs has not been determined by the initial payment date in any given fiscal year, the city shall make quarterly payments based upon the greater of (a) the prior year's contribution to normal costs, or (b) the amount calculated pursuant to the final judgment in Gates v. City of Miami, as amended.

(Ord. No. 12111, § 1, 9-25-01; Ord. No. 13090, § 2, 9-24-09; Ord. No. 13101, § 1, 9-29-09; Ord. No. 13203, § 2, 9-27-10; Ord. No. 13343, § 1, 9-27-12)

Sec. 40-247. Accounts.

(a) *Generally.* There shall be two accounts within the Plan; the membership account and the benefits account. Each account shall be operated in accordance with the provisions of this section.

(b) *Membership account.*

(1) The membership account shall consist of the accumulated contributions of the members of the Plan and the accumulated contributions of each member absent from service. The membership account shall also include regular interest paid on member contributions in accordance with the provisions of this section.

(2) All withdrawals of accumulated contributions, whether made at the request of a member or paid to a legal representative or designated beneficiary of a deceased member, shall be charged to the membership account.

(3) Upon the retirement of a member, or upon a member's election of a vested right to retirement, an amount equal to the member's accumulated contributions shall be transferred from the membership account to the benefit account.

(c) *Benefit account.*

(1) The benefit account shall consist of all accumulated contributions transferred

from the membership account, all city contributions, all interest and dividends earned on fund assets, all reserves for payment of Plan benefits and all other assets of the fund.

(2) On January 1 of each year, the board shall transfer from the benefit account to the membership account, an amount sufficient to allow regular interest on the individual balances in the membership account.

(3) All expenses of the Plan shall be chargeable to the benefit account. Such expenses shall include, but are not limited to, payment of all retirement benefits to beneficiaries of the Miami City General Employees' Retirement Plan, beneficiaries of the City of Miami General Employees' and Sanitation Employees' Retirement Trust and retirement allowances to any other persons who retired under the provisions of any predecessor pension or retirement fund.

(d) The board, by uniform rule, may adopt alternate bookkeeping methodology for the maintenance of accounts.
(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-248. Physical examination; effect of pre-employment conditions.

(a) All employees, as a condition of entry into the Plan, shall agree to submit to a uniform medical examination, as may be required by the board, for the purpose of determining the existence of pre-existing medical conditions. In lieu of a board physical, an employee consents to the board's access for the purposes of this section to any physical performed by the city. No persons shall be denied entry into the Plan on the basis of any pre-existing medical condition.

(b) In the event that the physical examination described in this section shall determine the presence of a pre-existing medical condition, said condition shall be reported to the employee and recorded in the records of the board. Each employee shall acknowledge the receipt of the medical report and execute a form, as prescribed by the board, indicating knowledge of the pre-existing condition and an agreement that said condition cannot form the basis of a service-incurred disability retirement unless it can be shown that the member would have been entitled to a service-incurred disability retirement allowance on the basis of aggravation of the pre-existing condition.

(c) In the event that a member believes the medical report is in error, the member may request a review by the administrator within 30 days of receipt of notice of the physical examination results. If the administrator's review does not satisfactorily resolve the question of the pre-existing condition, the member may request a hearing before the board. Failure to request such a review will not preclude a later challenge on this issue. The board shall prescribe uniform rules for the conduct of such hearings.
(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-249. Membership; members absent from service.

(a) The membership of the Plan shall include all employees as defined in this Plan, except police officers and firefighters. Membership shall also include an employee who has been absent from service for less than three years in a period of five consecutive years after last becoming a member and who has not withdrawn his or her accumulated contributions. The active membership of this Plan shall not include any member absent from service.

(b) Participation in the Plan is a mandatory condition for all employees except for those employees who have the ability to opt out of participation in the Plan pursuant to section 40-351 and employees working in the office of an elected official. Employees working in the office of an elected official have the ability to opt out of participation in the Plan and the city's trust fund as established by section 40-351. However, if the employee ceases to work in the office of an elected official but continues employment elsewhere within the city, that employee shall enroll in the Plan and start contributing to the plan if not otherwise precluded. Acceptance of

employment shall constitute authorization for the city to pick up contributions from compensation of employees.

(c) Membership in the Plan shall end under the following conditions:

(1) Absence from service due to resignation, termination, budgetary reduction or layoff for more than three years in any period of five consecutive years after last becoming a member;

(2) Becoming a member of any other city sponsored Plan;

(3) End of appointment;

(4) Expiration of office;

(5) Death.

When membership ends, all creditable service previously earned becomes void. If the member again becomes an employee of the city, the employee shall enter the Plan as a new member with no credit for previous service, unless time is repurchased as provided in the Plan. Upon becoming a retiree, a member shall be entitled to those rights earned as of the date of retirement or such benefits as are specifically made applicable to retirees.
(Ord. No. 12111, § 1, 9-25-01; Ord. No. 13112, 10-22-09; Ord. No. 13617, § 1, 7-14-16; Ord. No. 14053, § 2, 3-10-22)

Sec. 40-250. Reserved.

Editor's note—Ord. No. 13112, adopted Oct. 22, 2009, repealed § 40-250 which pertained to right of certain persons to reject membership and derived from Ord. No. 12111, § 1, adopted Sept. 25, 2001.

Sec. 40-251. Transfer of city employees to Plan.

(a) In the event that a firefighter or police officer of the city who is a member of the City of Miami Firefighters' and Police Officers' Retirement Trust ("retirement system") is reclassified to a position other than those positions that are ineligible to participate in the Plan pursuant to section 40-351 other than firefighter, police officer, the employee shall be automatically transferred to membership in this Plan. Creditable service earned as a member of the retirement system shall be deemed creditable service in this Plan.

(b) Outstanding loan balance. Any member of the public trust fund who has an outstanding loan against his or her public trust fund account balance and who elects to transfer to the Plan must repay said loan in full prior to transfer to the Plan.

(c) Commencing on the effective date of transfer to the Plan, a member who has transferred from the retirement system or public trust fund as defined in section 40-250 shall make regular contributions at the rate required by the Plan. Accumulated contributions credited in the retirement system or public trust fund as defined in section 40-250 to the account of such member shall be transferred to the membership account of the Plan and credited to the member thereunder. There shall be transferred:

The employee/employer contribution account balance held in a public trust fund on behalf of any section 40-250 defined employee who transfers membership to the Plan.

(d) If any member of the Plan has transferred from the retirement system or a section 40-250 public trust fund and his or her contributions pursuant to membership in the retirement system or public trust fund cause accumulated contributions at the member's normal retirement age to exceed the amount such accumulated contributions would have been had the member been a member of the Plan during his or her entire period of service with the city, such member shall be entitled to the return of the excess contributions upon retirement or shall have his or her retirement allowance increased by the actuarial equivalent of the amount by which his or her contributions exceed the full amount which would have been the member's accumulated contributions had he or she been a member of the Plan during his or her entire period of service with the city.
(Ord. No. 12111, § 1, 9-25-01; Ord. No. 13112, 10-22-09)

Sec. 40-252. Creditable service.

(a) Creditable service shall consist of all time spent in service since last becoming a member, plus any other time for which creditable service is received pursuant to the provisions of this division.

(b) The board shall determine by administrative rule the amount of service in any year which is equivalent to a year of membership service. The board may not grant more than one year of membership service for all service in any calendar year.

(c) The board may adopt rules and regulations to verify membership credit claimed by any member.
(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-253. Dismissal for willful misconduct.

(a) Upon a member's dismissal from employment for willful misconduct associated with the duties or responsibilities of his or her employment or office with the city, the following shall apply:

(1) All ownership rights, title, and property interest in such member's accumulated contributions shall immediately vest in the member; and

(2) The dismissed member shall no longer be entitled to receive any benefit whatsoever under the Plan.

The term "willful misconduct" as used in this section shall mean the commission of any act which would constitute a forfeitable offense under Section 112.3173, Florida Statutes.

(b) Should dismissal of an employee for willful misconduct city as defined in this section be reversed by the city manager or by a court of final jurisdiction, the former employee, if he or she again becomes a member, may elect to reconvey all ownership rights, titles and interest in his or her accumulated contributions to the Plan and may elect to payback for time during which the member was dismissed. Payments made to the Plan pursuant to this paragraph shall be made in such manner as the board shall, by rule, prescribe.

(c) The board shall, by administrative rule, adopt a due process procedure to implement this section.
(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-254. Paybacks for membership credit.

Members shall have the right to receive membership credit in the Plan in accordance with the provisions of this section. Each payback provided for in this section shall be independent of any other payback and may, where appropriate, result in cumulative credits. If a member revokes the payback election, is terminated, resigns or is otherwise separated from the city before the payback is completed, the member shall only receive that portion of credited service purchased as of the date of separation.

(1) *Restoration of prior service credit for reemployed members.*

a. Reemployed former member may restore previous membership service by repaying the accumulated contributions withdrawn together with a uniform rate of interest as determined by the board. This benefit is only available to persons who separated from prior employment with the city other than by involuntary dismissal.

b. The board shall, by uniform rule, promulgate an election form to be filled out by employees wishing to exercise this option. The election form shall specify the form of repayment. All repayments must be completed within five years of the completion of the election form.

c. To receive full credit for the membership service permitted under this section, the member must have completed the repayment of all contributions and interest.

d. If the member is separated for more than three years the member shall be eligible to combine prior and new service for the purpose of Rule of Seventy (70) retirement, but prior service shall be paid at the benefit rate in effect at the time of the first separation. If the member is separated less than three years, all service will be combined for benefit calculation purposes. The member shall again be an active member of the Plan on the date employment recommences and the member shall make regular contributions to the Plan at the rate prescribed by ordinance.

e. All rights under this section must be exercised in accordance with uniform rules adopted by the board.

(2) *Credit for continuous service as a nonmember.*

a. Any person who is now a member of the Plan who had prior service with the city as a probationary, full-time temporary, permanent employee, classified, unclassified, or executive but who at the time of that service was not a member of the Plan, may purchase up to four years of that prior nonmembership service. Contributions will be based on the member's current rate of earnable compensation and the current contribution rate. Interest shall be charged at a uniform rate as determined by the board. The member may purchase credit for any years in excess of four years of prior non-membership service by paying the full actuarial cost for such service.

b. The board shall promulgate a uniform policy for the election and purchase of this benefit. All purchases of credit under this section must be completed within five years of the date of election.

c. In the event that a member becomes disabled in the line of duty, contributions paid under this section shall be refunded with regular interest, at a uniform rate as determined by the board. Benefits purchased under this section may not be used for calculating the minimum service necessary to receive an ordinary disability retirement.

(3) *Credit for military service.*

a. Any member of the Plan whose service with the city is interrupted by military service shall have all pension rights accorded veterans as provided by state or federal law.

b. Any member who has served active military duty, but whose service is not interrupted by that military duty, may purchase up to a maximum of four years for the time spent in military service under the conditions set forth in this section.

c. To be eligible for the four-year service credit set forth in subsection b., the member must:

1. Have engaged in wartime service as declared by state or federal statute or executive order of the President;

2. Military service under honorable conditions;

3. Be vested in this Plan;

4. Complete the election form promulgated by the board within the time limits set forth by the board within the time limits set forth by uniform rule of the board;

5. Make a contribution to the Plan equal to the member's rate of earnable compensation at the date membership service first commenced and that the contribution rate then in effect,

together with four percent interest, be compounded annually.

All such payments must be completed within five years of election to participate in the benefits of this subsection.

d. If a member becomes disabled in the line of duty, the member shall have the option of receiving a return of contributions and no military service credit or accepting a service retirement and completing the purchase of the military service credits by the payment of the remaining contributions.

e. If a member becomes disabled from causes other than service with the city, the member shall have the option of receiving a return of contributions and no military service credit or completing the purchase of the military service credits by payment of the remaining contributions.

f. Effective January 1, 2007, members who die or become disabled while serving on active duty military service shall be entitled to the rights of this section even though such participant was not re-employed by the city as an employee. Members who die or become disabled while on active duty military service shall be treated as though re-employed as an employee the day before the member became disabled or died, and then either died a non-duty death while employed or became disabled from a non-duty disability. Eligibility, if any, for benefits will then be determined under the Plan provisions.

(4) *Credit for maternity/medical leave.*

a. No member who takes an unpaid leave of absence for maternity or medical purposes under the Family Medical Leave Act (FMLA), shall suffer a break in membership. All unpaid leaves of absence taken pursuant to FMLA shall be treated as continuous service, regardless of any other limitation on service within this Plan.

b. A member who takes an unpaid leave of absence for maternity or medical leave may purchase membership credit not to exceed 180 days. If the member requests light duty employment from the city but is denied such employment, the amount of membership credit which may be purchased shall increase to 240 days.

c. Election to buyback for membership credit under this subsection shall be available for 30 days after notification to the member by the board that such buyback is available. The board shall, by uniform rule, establish procedures for notification of members.

d. Contributions for this benefit shall be made in accordance with uniform rules established by the board, but payback of all contributions must be completed within one year. Interest shall be charged at a uniform rate as determined by the board. Contributions shall be at the member's current rate of compensation and the current rate of contribution. If a member fails to meet the qualifications of this subsection, all contributions shall be returned and the member waives the right to membership credit for this period.

(5) *Restoration of service credit for prior continuous service.* Any member with prior service with the city whose membership in the Plan was delayed due to administrative error, either by the board or the member which resulted in a delay in the commencement of membership shall purchase said prior continuous service, without limitation. Contributions shall be based on the rate of compensation and at the contribution

rate in effect on the date of the error. No interest shall be charged if the error was caused by the city or the board. If the error is caused by the member, a uniform rate of interest shall be charged, as determined by the board. The payback shall be made in accordance with uniform rules established by the board and payment must be completed within five years. In the event of a service-connected disability, prior to the completion of the buyback, the member shall be offered the opportunity of receiving either a return of contributions paid or the opportunity to complete the buyback through the payment of the additional contributions. In the event of a refund, contributions shall be refunded without interest. In the case of a nonservice-connected disability prior to the completion of the buyback, the member shall be offered the opportunity of receiving either a return of the contributions paid or the opportunity to complete the payback through the payment of the additional contributions or reduction of the disability benefit until the contributions are fully paid. In the case of a return of accumulated contributions, said contributions shall be returned with interest, at a uniform rate as determined by the board.

(6) *Purchase of additional service upon retirement.* A member in service who has continuous service may, at time of retirement, purchase up to a maximum of three whole creditable years of service based upon the present value as determined by the actuary for the Plan. The purchase of the service years will be made by utilizing the employee's available leave balance at time of retirement reduced by any required federal withholding taxes. If the amount of the leave balance is insufficient to pay the full cost of the three years, the member may make a lump sum purchase in cash for the difference. The purchase of these years of creditable service shall be based upon the average final compensation of the member as defined in section 40-241. The hourly rate applicable to the calculation of the leave balances shall be as specified under the labor agreement applicable to the employee or, in the case of exempt employees, the appropriate administrative policy of the city.

(7) *Re-employment after an early retirement window.* Should any member be reemployed after leaving on an early retirement window, no enhancement shall apply to benefits earned during the period of re-employment. All service retirement benefits earned during the period of re-employment shall not apply to prior service and shall only apply prospectively.

(Ord. No. 12111, § 1, 9-25-01; Ord. No. 13154, § 1, 4-22-10; Ord. No. 13679, § 1, 5-11-17; Ord. No. 13887, § 2, 12-12-19; Ord. No. 14053, § 2, 3-10-22)

Sec. 40-255. Benefits.

(a) *Service retirement.*

(1) A member in service may elect to retire on a service retirement upon the attainment of normal retirement age as defined in section 40-241. An election to retire shall be made upon a written application, prescribed by the board. Benefits shall be effective on the date the application is approved in accordance with the administrative rules adopted by the board.

(2) The service retirement benefit for persons retiring after October 1, 1998, shall be equal to three percent of the member's average final compensation multiplied by the number of years of creditable service through September 30, 2010. Effective October 1, 2010, the service retirement benefit for creditable service on and after that date shall be equal to: for the first 15 years of creditable service, two and one-fourth percent of the member's average final compensation multiplied by the number of years of creditable service; for creditable service in excess of 15 years but less than 20 years, two and one-half percent of the member's average final compensation

multiplied by the number of years of creditable service; and for creditable service in excess of 20 years, two and three- fourths percent of the member's average final compensation multiplied by the number of years of creditable service. The service retirement benefit shall be based on a member's total creditable service and the benefit multiplier in effect at the time the service is earned, multiplied by average final compensation in effect at the time of retirement or separation from employment. Notwithstanding the provisions of this paragraph:

a. Effective October 1, 2017, for members of AFSCME Council 79, Local 871, the service retirement benefit for creditable service on and after October 1, 2010 shall be equal to: for the first 20 years of creditable service, two and one-half percent of the member's average final compensation multiplied by the number of years of credible service; and two and three-fourths percent of the member's average final compensation multiplied by the number of years of credible service in excess of 20 years.

b. Effective October 1, 2018, for all members hired before October 1, 2010, the service retirement benefit shall be equal to three percent of the member's highest one year of compensation multiplied by the number of years of credible service. The service retirement benefit shall be based on a member's total creditable service and the benefit multiplier set forth in this subparagraph (not the benefit multiplier in effect at the time the service is earned).

c. Effective October 1, 2023, for members of AFSCME Local 1907 hired on and after October 1, 2010, the service retirement benefit for creditable service shall be equal to: for the first 20 years of creditable service, two and one-half percent of the member's average final compensation multiplied by the number of years of credible service; and three percent of the member's average final compensation multiplied by the number of years of credible service in excess of 20 years. The service retirement benefit shall be based on a member's total creditable service and the benefit multiplier set forth in this subparagraph (not the benefit multiplier in effect at the time the service is earned).

(3) Any member eligible for a service retirement may choose any of the optional allowances provided in subsection (j).

(4) Notwithstanding any other provision of this Plan, any member who is employed and not participating in the DROP on September 29, 2010 may elect to receive his/her accrued benefit as of that date, in accordance with the provisions of the Plan in effect on that date. Such members who elect to receive their accrued benefit as of September 30, 2010, at a date prior to the normal retirement age provided in subsection (4), shall be eligible to receive that portion of their retirement allowance based on creditable service on or after October 1, 2010, on the date and in the manner provided by the provisions of the system in effect on the earlier of retirement or separation from service.

(b) *Early service retirement.*

(1) Any member who has 20 or more years of creditable service may elect to retire on a retirement allowance which shall be the actuarial equivalent of the service retirement allowance otherwise available to the member upon the attainment of the date the member is eligible for service retirement in accordance with subsections (a)(2) or (a)(4), as applicable at the date of early service retirement. Such election shall be made upon a written

application prescribed by the board. Benefits shall be effective on the date the application is approved in accordance with the administrative rules adopted by the board.

(2) A member eligible for early service retirement may choose any of the optional allowances provided for in subsection (i) of this Plan.

(3) A member who has elected to retire on an early service retirement shall not be eligible to participate in DROP.

(c) *Vested right to retirement.*

(1) If a member who is not entitled to retire on either a service retirement or early service retirement, ceases to be an employee for any reason other than death or willful misconduct prior to October 1, 2010, the member may elect to continue as a member not in service and retire upon the subsequent attainment of age 55, or if a member who is not entitled to retire on either a service retirement or early service retirement, ceases to be an employee for any reason other than death or willful misconduct on or after October 1, 2010, the member may elect to continue as a member not in service and retire upon attainment of age 60; provided:

a. That at the time the member ceased to be an employee, the member had completed ten years of creditable service; and

b. That the member had not withdrawn his or her accumulated contributions.

c. The retirement benefit shall be the same as a service retirement benefit.

(2) If a member who elects to become a member not in service subsequently elects to withdraw his or her accumulated contributions, the member not in service shall be paid the amount of his or her accumulated contributions at the time he or she ceased to be an employee, plus regular interest.

(3) If a member not in service dies prior to retirement, his or her designated beneficiary shall be paid the amount of his or her accumulated contributions at the time the member ceased to be an employee, plus regular interest to the date of the member's death.

(4) If a member elects a vested right to retirement under any city retirement program and thereafter again becomes an employee more than three years after separation, the member shall be eligible, before October 1, 2010, to combine prior and new service for the purpose of Rule of Seventy (70) retirement, but prior service shall be paid at the benefit rate in effect when vested rights were elected. If the member is separated for less than three years, all service will be combined for benefit calculation purposes. The member shall again be an active member of the Plan on the date employment re-commences and the member shall make regular contributions to the Plan at the rate prescribed by ordinance. Such member shall be entitled to accrue retirement benefits as if the member were a new entrant upon the date of subsequent employment, except as the right to combine service as set forth in this paragraph and, in addition, shall be entitled to receive a retirement benefit for his or her prior employment as provided in this paragraph A second period of vesting shall not be required and the member shall be eligible for all rights available to vested employees. This provision shall also be applied to reemployed retired members, who have been retired for more than three years.

(5) A member may choose any of the optional allowances provided for in subsection (j) of this Plan at the time the vested retirement allowance commences.

(6) A member not in service shall not be eligible to participate in DROP.

(d) *Ordinary disability retirement.*

(1) Any vested member of the Plan who becomes permanently and totally

incapacitated for further performance of duty with the city from a cause other than the performance of duty shall be eligible for an ordinary disability retirement.

(2) A member shall be deemed disabled for the purposes of this section if they are permanently and totally unable to engage in any useful and efficient service within the city workforce due to a physical or mental impairment.

(3) No member may receive an ordinary disability retirement on the basis of a pre-existing medical condition, unless the disability would have occurred regardless of that pre-existing condition. The board, as part of the disability review process, shall determine whether a vacant position exists within the city's workforce, consistent with the member's training, skill and medical limitations. If the member is capable of performing any such vacant position and the member refuses the assignment, that refusal shall be grounds for denial of an ordinary disability retirement. Nothing in this section shall require the city to create a job where none presently exists or to accept an employee who lacks the training or skills necessary to perform any such vacant position.

(4) Benefits under this section shall commence on the date disability is determined to exist by the board and shall continue for the life of the member. Benefits shall be paid monthly and the member shall not be eligible for a return of accumulated contributions or for any survivorship or other payment option provided under this Plan.

(5) The procedure for determining disability shall be as set forth in this Plan for the determination of service-incurred disability.

(6) The board of trustees shall have the continuing right to require disabled members to submit to a medical examination when the board has reason to believe that the disabled member is committing a fraud on the fund.

(7) Benefits payable under this section shall be the greater of 90 percent of the product of the benefit multiplier in effect at the time the service is earned multiplied by the number of years of credited service; or 30 percent of the member's average final compensation.

(8) Upon finding that a member is no longer disabled as defined in this Plan, ordinary disability benefits shall cease, and the member shall be eligible for a regular service retirement as if he/she had retired on the date his/her disability retirement benefits commenced.

(9) A DROP member shall not be entitled to receive an ordinary disability retirement.

(e) *Accidental disability retirement—Job injury.*

(1) A member shall be disabled under the terms of this section if the member has suffered an injury or illness arising out of performance of service for the city and which renders the member permanently and totally disabled for useful and efficient service with the city.

(2) A member shall be deemed permanently and totally disabled when he or she is totally unable to engage in any useful and efficient service within the city due to a physical or mental impairment which is the natural and proximate result of an accident, injury or illness which occurred while in the actual performance of duty; provided, however, that said accident was without gross negligence on the part of the member.

(3) A member shall be eligible for an accidental disability retirement from the date of entry into the Plan. Application for disability retirement shall be made on a form prescribed by the board of trustees. The member shall execute such medical releases as are necessary to permit the board to review the medical

records needed to determine the question of disability and to discuss said records at a public meeting. Upon receipt of an application for a disability, the board shall refer the application to its physician for review. The applicant for a disability shall be required to submit to such medical examinations as the board appointed physician shall deem necessary. The board appointed physician, and any referring specialists, shall report their findings to the board. The report shall include a determination, to the extent reasonably possible, of the origin of the disability, whether the disability is permanent and whether the disability is total. In making those determinations, the physician(s) shall be bound by the definition of disability set forth in this Plan.

(4) Upon receipt of the report of the board's physician(s), the board of trustees shall schedule a public hearing at which time the board shall review all medical reports, together with such documentary evidence as the applicant may wish to submit. The board shall conduct a preliminary determination as to whether the member is permanently and totally disabled based upon the written documentation presented. If the board does not grant the application based on the written documentation, it shall inform the applicant in writing of the reasons for the denial of the application. The member may, within 30 days of receipt of the board's preliminary denial, request a full evidentiary hearing before the board. Said hearing will be conducted consistent with the principles of due process and the rules of evidence generally applicable to administrative proceedings shall apply. The board shall have the power to issue subpoenas compelling the attendance of witnesses. At said hearing, the applicant may present such oral and written evidence as the applicant deems necessary to establish its burden of proof. The board may appoint special counsel as an advocate to cross-examine witnesses and to offer argument in opposition to the application. The attorney for the board shall not serve both as advocate and as advisor to the board in the same proceeding. The applicant and the board shall have the right to examine and cross-examine all witnesses. The decision of the board shall be based solely upon the evidence presented and the law applicable to this Plan. Following the conclusion of the hearing, the board shall render an opinion in writing setting forth the reasons for the grant or denial of the benefit.

(5) The board may prescribe rules of procedure to implement the provisions of this Plan relating to the conduct of disability hearings.

(6) No applicant for an accidental disability retirement may receive benefits under this section if the accident, injury or illness is shown to have occurred due to the gross negligence on the part of the member. The term "gross negligence" shall be defined as willful, wanton or malicious conduct on the part of the member demonstrating a total disregard for human life, safety and property.

(7) Except for disabilities arising from the causes outlined in subsection (f), a member who is granted accidental disability retirement shall receive a benefit equal to 66⅔ percent of the member's average final compensation or 66⅔ of the member's compensation in the year immediately preceding the member's disability, whichever is greater. The benefit shall be paid yearly, in monthly installments, for life of the member. Members receiving a benefit under this section shall not be eligible for a return of contribution nor for optional allowances provided in this Plan under subsections (h) and (i).

(8) Upon the death of a member who has received an accidental disability the spouse of the member who was designated by the member on the date of retirement as said member's spouse shall receive

payment of an amount equal to 40 percent of the member's monthly retirement allowance during the lifetime of the spouse.

(9) The board of trustees shall have the continuing right to require disabled members to submit to a medical examination when the board has reason to believe that the disabled member is no longer entitled to receive benefits from the fund. If the examination reveals the member is no longer entitled to receive disability benefits, the benefits shall cease and, if vested, the member will be eligible for a regular service retirement as if he/she had retired on the date his/her disability retirement benefits commenced. The board has discretion to exercise this power as the circumstances warrant.

(10) Any benefits received from this Plan shall be reduced by the amount of workers' compensation indemnity benefits received by the member to the extent that the sum of the worker's compensation benefits and the benefits received under this Plan exceeds the average monthly compensation of the member at the time of disability. The board shall, by uniform rule, prescribe a procedure for treatment of lump sum workers' compensation indemnity payments as if they had been received on a monthly basis.

(f) *Service-incurred disability retirement—Heart disease, hypertension, tuberculosis.*

(1) Any member who becomes totally and permanently incapacitated for duty as a result of heart disease, hypertension or tuberculosis, shall be presumed to have a service-incurred disability in the line of duty, unless a physical examination upon entering the plan revealed that such condition existed at that time or competent substantial evidence determines that the injury is not the result of a workplace injury. Such person may be eligible for a service-incurred disability provided that a physician retained by the board, after a medical examination of such member, certifies that such member is totally incapacitated for duty. Such person shall receive benefits equal to those paid for an ordinary disability, with a minimum benefit of 40 percent of average final compensation. Upon the death of a member who has received a service-incurred disability retirement no future pension benefits will be due to any beneficiary.

(2) A DROP participant shall not be entitled to receive a service incurred disability retirement.

(g) *Ordinary death benefit; post-retirement death benefits.*

(1) If a member in service who has completed three or more years of creditable service, whether or not the member is eligible for normal or early retirement, dies from a nonduty related cause, a lump sum benefit equal to 50 percent of the member's earnable compensation for the year immediately preceding death shall be paid, together with the return of the member's accumulated contributions plus interest. If the member has completed less than three years of credited service at the time of death, there shall be a return of contributions with interest only. The benefit shall be paid to any person nominated in writing by the member. In the absence of a written nomination, or if the person nominated is deceased or cannot otherwise be located, the member's estate shall be deemed the nominated beneficiary.

(2) A member in service on October 1, 2010 who is eligible for any form of early or normal retirement under the terms of this Plan dies prior to retirement from a nonduty related cause, the member shall be treated as if he or she had retired on the date preceding death. The member's spouse shall have the option to receive:

a. Forty percent of the member's monthly retirement allowance which would have been payable at normal retirement date, without actuarial

reduction together with 50 percent of the member's compensation in the year immediately preceding the member's death; and

b. In the event the monthly retirement allowance provided for in subsection a. is chosen, and the member has served as city manager, assistant city manager, city clerk, assistant city clerk, executive secretary of the civil service board, city physician, city attorney, assistant director of the law department, or as director or assistant director of any department or office established by the City Charter, or by ordinance established by the City Charter, for a combined period of at least three years prior to May 23, 1985, an additional one percent of the member's final average final compensation multiplied by the number of years of service in that position, up to a maximum of ten years shall be paid to the surviving spouse.

c. A return of the member's accumulated contributions, with accumulated interest together with 50 percent of the member's compensation in the year immediately preceding the member's death. This benefit is payable on behalf of any member, whether or not there is a surviving spouse. In the absence of a surviving spouse, the benefit will be paid to the person designated in writing to the board by the member, or if no such designation exists or the designated beneficiary has predeceased the member, then the benefit will be payable to the member's estate; or, in the case of a surviving spouse.

(3) The payments under subsections a. and b. shall be paid yearly in monthly installments.

(4) If a retired member dies prior to receiving 12 monthly retirement payments and prior to the effective date of any optional allowance permitted by this Plan, there shall be a benefit payable in a lump sum equal to the unpaid difference of 12 monthly payments. This benefit may be paid to any person nominated in writing by the member. In the absence of a nomination, or if the person nominated has died or is otherwise unavailable, the member's estate shall be deemed the nominated beneficiary.

(5) A member in service who is eligible for any form of early or normal retirement under the terms of this Plan dies prior to retirement and on or after October 1, 2010 from a nonduty related cause, the member shall be treated as if he or she had retired on the date preceding death. If such member is married at the time of death and has not elected an optional allowance in accordance with subsection (j), the member will be presumed to have elected Option 6c, providing for payment of 40 percent of the member's monthly retirement allowance to the member's spouse during the lifetime of such spouse.

(h) *Service-incurred death benefit.* If a member in service dies from a cause arising in the line of duty, other than the gross negligence of the member, there shall be a service-incurred death benefit equal to one-half of the member's average final compensation, which shall be paid yearly in monthly installments, together with the member's accumulated contributions plus interest, which shall be payable in a single sum. This benefit shall only be paid to the following persons in the order set forth below:

(1) To the spouse of the member until the death of the spouse;

(2) If there is no spouse or if the spouse dies before the youngest child of the deceased member has attained the age of 18, then to the children of the member under the age of 18 in equal shares. As each child

reaches the age of 18, the shares of the remaining children shall be adjusted accordingly;

(3) If there are no spouse or children under the age of 18 years living at the time of the member's death, then payment may be made to the dependent father or dependent mother for life. The board shall determine, by uniform rule, proof necessary to establish dependency. If both the dependent father and mother are living, the benefit shall be shared equally. Upon the death of one, the living dependent parent shall receive the entire benefit. If there is no spouse, dependent child or dependent parent living at t time of the member's death, the member's estate shall receive an amount equal to 50 percent of the member's compensation for the year immediately preceding the member's death, together with a return of accumulated contributions plus interest.

(i) *Return of contributions.*

(1) If a member ceases to be an employee, a member may demand a return of accumulated contributions. Receipt of said contributions shall constitute a full discharge of all rights under the Plan and any creditable service is waived.

(2) If a member has been granted a retirement benefit, the member shall not be eligible to receive accumulated contributions unless provided for as an optional allowance under the terms of this Plan or any other prior Plan of the city.

(j) *Normal form of benefit and optional allowances.*

(1) Effective September 30, 2010, for members who retire on or after October 1, 2010, the normal form of benefit shall be a life annuity. A member may receive payment of retirement benefits under the Plan in accordance with the options set forth in this section, that are actuarially equivalent to the normal form of benefit. The board, by rule, shall prescribe the method for selecting payment options consistent with the provisions of this section.

(2) The options permitted under the plan are:

Option 2: Equal payment survivor annuity. A member may receive a reduced retirement allowance throughout his or her life with an equal sum being paid to the member's designated beneficiary at the death of the member. For members who retire before October 1, 2010 and choose this option for a surviving spouse, the reduction shall be ten percent of the member's benefit; and if any person other than a surviving spouse is chosen as the beneficiary, the reduction shall be based on the actuarial equivalent of the normal form of benefit. For members who retire on or after October 1, 2010, the reduction shall be based on the actuarially equivalent sum.

Option 3: One-half payment survivor option. A member may receive a reduced retirement allowance payable for the life of the member with one-half of the member's benefit being paid to a designated beneficiary at the death of the member. For members who retire before October 1, 2010 and choose this option for a surviving spouse, the reduction shall be two percent of the member's benefit; and if any person other than a surviving spouse is chosen as the beneficiary, the reduction shall be based on the actuarial equivalent of the normal form of benefit. For members who retire on or after October 1, 2010, the reduction shall be based on the actuarially equivalent sum.

Option 6a: A member may, in lieu of any other benefit from this Plan, receive a return of contributions, excluding amounts picked up from the member's earnable compensation and credited to the COLA fund between June 23, 1985 and September 30, 1993. Under this option, the member shall also receive a monthly service allowance equal to one-half of the

amount to which the member would have been entitled under this plan. This option has no survivorship benefit.

Option 6b: Life annuity. A member who retires on or before October 1, 2010 may receive the normal monthly service retirement allowance plus an additional five percent payable for the life of the member, with no survivorship benefit. The payment of this benefit shall be guaranteed for at least one year.

Option 6c: Surviving spouse annuity. A member who retires before October 1, 2010 may receive an unreduced retirement payment through the life of the member and upon the member's death the surviving spouse shall receive forty percent of the member's retirement allowance payable during the lifetime of the spouse. Such a member who desires to leave a greater survivorship percentage to a surviving spouse may elect Options 2 or 3. A member who retires on or after October 1, 2010 may elect to receive an actuarially reduced retirement payment for the life of the member and upon the member's death the surviving spouse shall receive forty percent of the member's retirement allowance payable during the lifetime of the spouse.

(k) *Change in beneficiary.* Any member who elects a survivorship option for a spouse pursuant to subsection (1), may designate a new spousal beneficiary in accordance with procedures established by the board; provided, that an actuarial valuation will be made following such election, and the benefit for the retiree will be recalculated so that it is the actuarial equivalent of the benefit payable to the original spouse. It is intended that the Plan will pay only one survivor benefit for any member of the Plan and will not incur an increase in benefit costs by reason of a change in designated beneficiary.

(l) *Deferred retirement option program.* Effective September 19, 2022, the DROP of the retirement plan shall be available for all members of the plan and shall consist of a FORWARD DROP and a BACKDROP. Any member who has reached normal retirement age shall be eligible to participate in the DROP.

(1) Election to participate. Upon election of participation in the DROP, by using forms and procedures as prescribed by the board of trustees, a member's creditable service, accrued benefits, and compensation calculation shall be frozen and shall be based on the member's average final compensation as the basis of calculating the DROP payment. Upon commencement of participation in the DROP, the member's contribution and the city contribution to the retirement plan for that member shall cease as the member will be earning no further service credit. The member shall not acquire additional pension credit for the purposes of the pension plan but may continue city employment for up to a maximum of 84 months.

(2) Effective September 19, 2022, notwithstanding any provisions to the contrary in this ordinance, the maximum period of participation in the DROP shall be 84 months for all members of the plan. Once the maximum participation has been achieved, the participant must terminate employment. The backdrop option shall not replace the DROP program. All members of the plan who attain normal retirement eligibility shall be eligible for the DROP as amended, and any member of the plan who chooses not to enter the DROP shall be eligible for the backdrop.

(3) Creation of individual account. For each general employee electing participation in the DROP, an individual account shall be created.

(4) Earnings on DROP account. The board of trustees of the retirement plan shall establish, by administrative rule, a series of investment vehicles which may be chosen by participants in the DROP. Any losses incurred on account of the option selected by the participant shall not be

made up by the city or the GESE trust fund, but any such loss shall be borne by the participant only. Upon participation in the DROP, the member shall make a selection of the earnings program on forms provided by the board. All interest shall be credited to the member's DROP account.

(5) Distribution of DROP benefits. Upon conclusion of a period of participation in the DROP not to exceed the maximum set forth in subsection (2), the participant shall terminate employment. Upon termination of employment, a participant may receive payment from the DROP account in the following manner:

a. Lump sum distribution;

b. Periodic payments;

c. Rollover of the balance to another qualified retirement plan, IRA, or an Internal Revenue Code Section 457 Plan; or

d. An annuity.

A participant may defer payment until the latest date authorized by Section 401(a)(9) of the Internal Revenue Code.

(6) Drop participation shall not affect any other death or disability benefit provided to a member under federal law, state law, city ordinance, or any rights or benefits under any applicable collective bargaining agreement.

(7) If a DROP participant dies before the DROP account balances are paid out in full, the person(s) designated by such DROP participant shall receive such DROP account balances in accordance with the DROP participant election in effect at the time of death.

(8) Any employee who enters into a DROP agreement shall be bound by the terms and conditions of that agreement.

(9) Forward DROP. The date of entry into the FORWARD DROP shall be the beginning of a pay period. Payment shall be made by the retirement plan into the participant's DROP account in an amount equal to the regular monthly retirement benefit which the participant would have received had the participant separated from service and commenced the receipt of benefits from the plan. The amount of the monthly benefit shall be determined based on the creditable service, average final compensation, and retirement option selected in accordance with this section. Upon conclusion of a period of participation in the DROP not to exceed the maximum set forth in subsection (2), the participant shall terminate employment with the city.

Election of a FORWARD Drop Program precludes participation in a BACDROP program.

(10) BACDROP. A general employee may elect to BACDROP to a date no further back than the date of the member's retirement eligibility date. The BACDROP period must be in 12-month increments, beginning at the start of a pay period, not to exceed 12 months. Participation in the BACDROP does not preclude participation in the FORWARD Drop program.

The benefits for purpose of the BACDROP will then be actuarially calculated to be the equivalent to the benefit earned at the date of retirement. Said calculation will consist of the present value of benefits being equal to the actuarially reduced benefit, plus a lump sum with interest, as determined by the retirement plan's actuary. Participant contributions will not be returned for the period of time covered by the BACDROP program.

The lump sum as calculated by the retirement plan's actuary will be based on the assumed investment return of the fund without discount for mortality and deposited into the newly created DROP account.

(11) DROP incentive program. Any member who is a DROP participant as of October 1, 2009, may elect to participate in the

DROP incentive program by completing the necessary election documentation no later than October 15, 2009. Effective October 22, 2009 any member in DROP or eligible to retire, may participate in the extended DROP incentive program by completing the necessary election documentation no later than November 6, 2009. Participation in the DROP incentive program and the extended DROP incentive program is as follows:

a. The DROP incentive program or extended DROP incentive program participant may, upon separating city employment, elect to either receive:

1. A lump sum in the amount of $25,000.00, or

2. A lump sum in the amount of $7,200.00 and receive a 100 percent subsidy of insurance for two years from date of separation. The insurance shall be based on an HMO plan tier of employee plus one.

(12) Reserved.

(13) Reserved.

(14) BACKDROP option. A backdrop benefit option shall be implemented on January 1, 2013. Members eligible for the DROP and who choose not to enter the DROP remain eligible for the BACKDROP.

a. An eligible employee who elects the backdrop option shall receive a monthly benefit payable on the employee's actual retirement date (date of retirement and separation from city employment) based on the benefit the employee would have received if he/she had left city employment and retired on an earlier date after attaining normal retirement eligibility (the "backdrop date"). In addition, an eligible employee who elects the backdrop option will receive a lump sum payment equal to the accumulation of monthly retirement benefit payments he/she would have received during the period following the backdrop date through the actual retirement date ("backdrop period"), plus interest at the rate of three percent per year, compounded annually. An eligible employee may elect a minimum backdrop period of one year and maximum backdrop period of up to seven years. An eligible employee who elects the backdrop option must select the normal form of benefit or an optional form of benefit in accordance with subsection 40-255(j) at the time of electing the backdrop option. The employee's monthly benefit as well as the lump sum payment under the backdrop option is based on the form of benefit selected.

b. Employees are eligible to elect the backdrop option after completing one year of creditable service following the normal retirement date. A backdrop election must be made within ten years after becoming eligible for normal retirement. The maximum backdrop period is seven years. Eligible employees who wish to elect the backdrop option must provide written notification to the department director and the department of human resources at least eight months prior to the employee's retirement date; provided a lesser notice period may be approved by the city manager due to special circumstances. Bargaining unit members will be eligible to revoke their backdrop election one time, but within one month of their election. However, if a bargaining unit employee is granted a lesser notice period by the city manager due to special circumstances, the employee will not be eligible for the one-time backdrop election revocation. Employees are not required to elect the backdrop option.

c. All or a portion of the lump sum payment under the backdrop option may be rolled over to an eligible retirement plan or IRA in accordance with federal law.

d. If the backdrop option is ever terminated, for any reason, the rights of all persons then in the DROP shall not be diminished or impaired. Additionally, if the backdrop is ever terminated, all persons who are then eligible for the backdrop option will still be eligible for a seven year backdrop. The board of trustees of shall develop operational rules for the implementation of this provision.

(m) *Reemployment of retirees.* Except as expressly provided herein, should any retiree be reemployed by the city into a regular, permanent, full-time employment position as defined in section 40-241, the benefits payable under this Plan shall be suspended during the period of reemployment. Upon termination of the period of reemployment with the city, benefits shall be automatically restored, as provided for in this Plan, on the first day of the month following the termination of reemployment. No additional vesting period shall be required. Effective November 1, 2002, this section shall not apply to city commission and mayoral assistants and secretarial staff position, as described in Civil Service Rule 1, Sec. 1.2(a), authorized in the city budget for the offices of the mayor and members of the city commission, or to any employment other than with the city. Employees in the above job classifications may opt to continue collecting their pensions during their reemployment, but they may not accrue any further pension service credit. This section shall not apply to retirees who enter into legal agreement with the city either through written contracts or otherwise for services not defined as full-time, permanent employees of the city.

(n) *Limitation on benefits.* Effective September 30, 2010, for members who retire or separate from employment on or after October 1, 2010, member retirement allowances shall not exceed the lesser of 100 percent of the member's average final compensation or an annual retirement allowance of $100,000.00 as of retirement or DROP entry based on the normal form of benefit in effect on the date of retirement; provided, in no event shall the benefit limitation provided in this subsection be less than the lesser of 100 percent of the member's average final compensation or the member's accrued benefit on September 30, 2010, based on the normal form of benefit in effect on that date. Effective September 30, 2012, member retirement allowances shall not exceed an annual retirement allowance of $80,000.00 as of retirement or DROP entry based on the normal form of benefit in effect on the date of retirement; provided, any employee who has an accrued benefit in excess of $80,000.00 annually on the effective date shall retain that benefit, but shall not accrue any additional benefits after that date. Effective on or after October 1, 2021, for members retiring or entering DROP from that date on, member retirement allowance shall not exceed the lesser of 100 percent of the member's average final compensation or an annual allowance of $120,000.00 as of retirement of DROP entry based on the normal form of benefit in effect on the date of retirement for members eligible to retire as of October 1, 2012. Effective October 1, 2022, for members retiring or entering DROP from that date on, member retirement allowance shall not exceed the lesser of 100 percent of the member's average final compensation or $100,000.00 as of retirement or DROP entry based on the normal form of benefit in effect on the date of retirement for members who were not eligible to retire as of October 1, 2012. However, any member who has an accrued benefit in excess of these annual allowance caps shall retain that benefit but not accrue any additional benefits after that date.

(Ord. No. 12111, § 1, 9-25-01; Ord. No. 12185, § 2, 2-14-02; Ord. No. 12202, § 2, 3-27-02; Ord. No. 12249, § 1, 6-27-02; Ord. No. 12753, § 1, 1-26-06; Ord. No. 13099, § 1, 9-24-09; Ord. No. 13109, § 1, 10-22-09; Ord. No. 13154, § 1, 4-22-10; Ord. No. 13192, § 1, 8-31-10; Ord. No. 13203, § 2, 9-27-10; Ord. No. 13343, § 1, 9-27-12; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13887, § 2, 12-12-19; Ord. No. 14053, § 2, 3-10-22; Ord. No. 14161, § 2, 4-13-23; Ord. No. 14332, § 2, 11-21-24)

Sec. 40-256. Cost-of-living allowance.

A cost of living (COLA) allowance shall be paid to beneficiaries of the Plan as follows:

(1) Every October 1, there shall be calculated a four percent COLA benefit equal to

four percent of the benefit payable at that time. There shall be a minimum COLA benefit of $54.00 per year and a maximum COLA benefit increase of $400.00 per year provided the retiree's first anniversary of retirement has been reached.

(2) Retirees exercising the return of contributions and reduced pension option shall receive a minimum COLA benefit of $27.00 per year and a maximum COLA benefit of $200.00 per year, provided the retiree's first anniversary of retirement has been reached.

(3) *COLA participation for DROP members.* Eligibility for payments for cost of living adjustment (COLA) shall commence when a member has reached the first anniversary of retirement. When that occurs, the COLA shall be paid into the member's DROP account in monthly installments for the Forward DROP until a member has actually separated from employment from the city and in lump sum to the member's DROP account for the BACDROP member upon separation from employment. For the purpose of complying with Section H(2)(g) of the Second Amended Final Judgment in Gates, the employee's "Date of Retirement" shall be the date Forward DROP is entered or the date to which the member elects to BACDROP.

(4) The board shall administer COLA payments and COLA assets shall be deemed an integral part of the trust for which separate accounting is not required.

(Ord. No. 12111, § 1, 9-25-01; Ord. No. 12202, § 2, 3-27-02)

Sec. 40-257. Adjustment in benefits.

Members who belonged to the Miami City General Employees' Retirement Plan, presently known as the City of Miami General Employees' and Sanitation Employees' Retirement Trust, shall continue to be subject to the following adjustments in benefits:

Any member who, on or before May 23, 1985, had a vested right to receive an additional retirement allowance under the provisions of the Miami City General Employees' Retirement Plan, presently known as the City of Miami General Employees' and Sanitation Employees Retirement Trust, which benefit was previously set forth in former section 40-235(A)(3)(a) of this Code (repealed June 13, 1985), shall be entitled to such additional benefit upon service retirement, early service retirement or "rule of 75" or "rule of 70" retirement pursuant to this division. A member shall be deemed to have a vested right if said member, on or before May 23, 1985, was serving in any of the capacities enumerated in former section 40-235(A)(3)(a) and thereafter continued to serve in such capacity uninterruptedly for a total combined period of not less than three years. Those members having such vested right may only continue to earn credit for such allowance up to a combined period of ten years' service.

(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-258. Assignments and loans prohibited.

The present or future right of a person to moneys in the fund or to a retirement allowance, an optional allowance, a death benefit, the return of contributions, or any other right accrued or accruing to any person under the provisions of this division, shall be unassignable, and shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency law or any other process of law whatsoever, except with respect to alimony, child support, or medical payments to a former spouse. Loans to participants are prohibited.

(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-259. Protection against fraud.

Whoever, with intent to deceive, shall make any statements or reports required under this division which are untrue or shall falsify or permit to be falsified any record of this Plan, shall be punished as provided in section 1-13 of this Code.

(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-260. Errors.

Should any change or error in Plan records be discovered or result in any member or beneficiary receiving from the Plan more or less than he or she would have been entitled to receive had the records been correct, the board shall have the power to correct such error and, as far as possible, adjust the payments in such a manner that the actuarial equivalent of the benefit to which such member or beneficiary was correctly entitled shall be paid.
(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-261. Bonding; fiduciary insurance.

(a) Prior to exercising custody or control of any funds or property of the Plan, every fiduciary of the Plan and every person who handles funds or other property of the Plan shall be bonded. Such bond shall provide protection to the Plan against loss by reason of acts of fraud or dishonesty on the part of the bonded individual, directly or through connivance with others.

(b) The board shall purchase insurance for the Plan and for the members of the board of trustees to cover liability or losses occurring by reason of an act or omission of a fiduciary, providing, however, that such insurance permits recourse by the insurer against the fiduciary in case of a breach of a fiduciary obligation by such fiduciary.
(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-262. Compliance with the Internal Revenue Code.

(a) It is the intention of the city and of the board that the Plan remain at all times a qualified Plan, as that term is defined under the Internal Revenue Code.

(b) No member's annual benefit may exceed the amounts permitted under Section 415 of the Internal Revenue Code as amended, including cost of living adjustments under Section 415 (d).

(c) Compensation in excess of limitations set forth in section 401(a)(17) of the Internal Revenue Code shall be disregarded. The limitation on compensation for an eligible employee shall not be less than the amount which was allowed to be taken into account hereunder as in effect on July 1, 1993. The Term "eligible employee" means an individual who was a member before the first plan year beginning on or after January 1, 1996.

(d) In no event may a member's retirement benefit be delayed beyond the later of April 1st following the calendar year in which the member attains age 70½, or April 1st of the year following the calendar year in which the member retires.

When a distribution of the participant's entire interest is not made in a lump sum, the distribution will be made in one or more of the following ways: over the life of the participant; over the life of the participant and designated beneficiary; over a period certain not extending beyond the life expectancy of the participant; or over a period certain not extending beyond the joint life and last survivor expectancy of the participant and a designated beneficiary.

(e) If the distribution has commenced before the participant's death, the remaining interest will be distributed at least as rapidly as under the method of distribution being used as of the date of the participant's death.

The method of distribution, if the participant dies before distribution is commenced, must satisfy the following requirements:

(1) Any remaining portion of the participant's interest that is not payable to a beneficiary designated by the participant will be distributed within five years after the participant's death;

(2) Any portion of the participant's interest that is payable to a beneficiary designated by the participant will be distributed either: (i) within five years after the participant's death; or (ii) over the life of the beneficiary, or over a period certain not extending beyond the life expectancy of the beneficiary, commencing not later than the end of the calendar year following the calendar year in which the participant died (or, if a designated beneficiary is the participant's surviving spouse, commencing not later than the

end of the calendar year following the calendar year in which the participant would have attained age 70-½).

(f) This subsection applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the plan to the contrary that would otherwise limit a distributee's election under this subsection, a distributee may elect, at the time and in the manner prescribed by the Plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

(1) For the purposes of this section and section 40-266 of this Plan, the following words and phrases shall have the meanings indicated:

a. "Eligible rollover distribution" is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include:

1. Any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually), made for the life (or life expectancy) of the distributee, or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more;

2. Any distribution to the extent such distribution is required under Section 401(a)(9) of the Internal Revenue Code; and

3. The portion of any distribution that is not includable in gross income.

b. "Eligible retirement plan" is an individual retirement account described in Section 408(a) of the Internal Revenue Code, an individual retirement annuity described in Section 408(b) of the Internal Revenue Code, a qualified trust, an annuity plan described in Section 403(a) of the Internal Revenue Code, or an eligible defined compensation plan described in Section 457(b) of the Internal Revenue Code which is maintained by an eligible employer described in Section 457(e)(i)(A) of the Internal Revenue Code, or an annuity contract described in 403(b) of the Internal Revenue Code that accepts the distributee's eligible rollover distribution.

c. "Distributee" includes an employee or former employee. In addition, the employee's or former employee's surviving spouse is a distributee with regard to the interest of the spouse. Additionally, "distributee" includes a non-spouse beneficiary whose rollover options are limited to an individual retirement annuity.

d. "Direct rollover" is a payment by the Plan to the eligible Plan specified by the distributee.

(g) In the event of a mandatory distribution under this Plan in excess of $1,000.00 and the member does not elect to receive the distribution directly, then the board shall make a transfer to an individual retirement plan of the board's choosing and shall notify the members in writing of such transfer.
(Ord. No. 12111, § 1, 9-25-01; Ord. No. 12181, § 1, 1-24-02; Ord. No. 13679, § 1, 5-11-17)

Sec. 40-263. Distribution of marital interests in the plan; intervention in legal proceedings affecting the Plan.

(a) In the event that the board is served with a domestic relations order or other legal process purporting to require the payment of any portion of a member's benefit to another person as a result of a dissolution of marriage, the board shall cause such order to be reviewed to determine compliance with the provisions of the Plan.

(b) The board of trustees shall be authorized to intervene in any such dissolution of marriage proceeding to ensure that such domestic rela-

tions order is otherwise consistent with the distribution of an interest in a public employees retirement plan under state law.

(c) Any cost associated with the modification or correction of such domestic relations orders shall be the responsibility of the Plan member.

(d) The board shall be authorized to seek intervention as provided by law in any legal proceedings which, in the opinion of the board, affects the substantial interests of the Plan.

(e) The parties may consent to the entry of an order distributing benefits in a manner not otherwise inconsistent with the terms of the Plan.
(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-264. General conditions.

(a) The City of Miami General Employees' and Sanitation Employees' Retirement Trust may sue or be sued as an entity.

(b) The city commission shall have continuing power to amend or supplement this division, but no amendment shall be adopted which will reduce the then accrued benefits of members or beneficiaries covered by accumulated reserves, which reserves shall constitute a trust fund for the payment of such benefits.

(c) There shall be no reversion of trust funds or a return of employer contributions unless all liabilities have been satisfied.

(d) Upon plan termination or a complete discontinuance of contributions, a member's interest is non-forfeitable.
(Ord. No. 12111, § 1, 9-25-01; Ord. No. 13679, § 1, 5-11-17)

Sec. 40-265. Excess benefit plan.

(a) The excess retirement benefits above the limits permitted by the Internal Revenue Code shall be as follows:

(1) Funded from the City of Miami General Fund; and

(2) Paid annually concurrently with the city's annual contribution to normal pension costs, which shall cause the city to realize a reduction in normal pension costs in the same amount; and

(3) Be deposited in separate accounts for each respective plan to receive the city's excess retirement benefit contributions, which accounts shall be separate and apart from the accounts established to receive the city's normal pension contributions for each retirement trust;

(b) The board of trustees for General Employees' and Sanitation Employees' (GESE) is appointed as the committee to administer the Excess Benefit for the GESE retirees.

(c) The actuaries for the GESE Board of Trustees shall calculate the amounts necessary to fund the defined benefit plans giving effect to the reductions caused by implementation of Section 415 of the Internal Revenue Code.

(d) The excess benefits shall be paid to each eligible member of the Plans on a monthly basis in an amount equal to the difference between the allowable pension to be paid under the Internal Revenue Code and the amount of the defined benefit granted eligible members pursuant to the provisions set forth in the Code.

(e) Should additional retirements occur during the year where the eligible member's retirement benefit exceeds the Section 415 limits, the GESE Board of Trustees shall calculate the additional excess benefit amount required for the remainder of the fiscal year and should such amount exceed the amount available from the funds provided for the fiscal year, the GESE board of trustees shall notify the city of the additional funds required.

(f) Upon the city's receipt of notice of the additional funds required, the city shall forward the additional funds required. The requirement for additional funds paid by the city to fund the Excess Benefit Plan shall be reflected as a reduction in the city's annual contribution of normal pension costs for the following year.
(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-266. Transfer of accumulated leave.

(a) Members eligible to receive accumulated sick leave, accumulated vacation leave or any other accumulated leave payable upon retirement or separation (including DROP) may elect, not later than the year prior to retirement to have the leave transferred to the Plan in accordance with the respective collective-bargaining-agreement, if applicable. Members on whose behalf leave has been transferred may elect one of the following options within 30 days of retirement/separation. Members failing to elect a distribution option within 30 days of retirement/separation will be deemed to have elected Option 1 below:

(1) Receive a lump sum equal to the transferred leave balance, or

(2) Transfer the entire amount of the transferred leave balance directly to any eligible retirement plan, or

(3) Purchase additional service credit as may permitted by the Code (including subsection 40-254(6), purchase of additional service upon retirement). If the leave balance exceeds the cost of the service credit purchased, the balance shall be paid to the member in a lump sum.

(b) Members who fail to elect a transfer in the year prior to retirement or other separation will receive payment in a lump sum at time of separation with all attendant tax consequences.

(c) If a member on whose behalf the city makes a transferred leave balance to the Plan dies after retirement or other separation, but before making an election, as provided, or after making an election but before any distribution is made, the election option shall be void. In such an event, any person who would have received a death benefit had the member died in service immediately prior to the date of retirement or other separation, shall be entitled to receive an amount equal to the transferred leave balance in a lump sum. In the case of a surviving spouse or former spouse, an election may be made to transfer the leave balance to an eligible retirement plan in lieu of the lump sum payment. Failure to make such an election by the surviving spouse or former spouse within 60 days of the member's death, will be deemed an election to receive a lump sum payment.

(d) The board, by rule, shall prescribe the method for implementing the provisions of this section.

(Ord. No. 12111, § 1, 9-25-01; Ord. No. 13154, § 1, 4-22-10)

Secs. 40-267—40-290. Reserved.

DIVISION 4. CITY OF MIAMI ELECTED OFFICERS' RETIREMENT TRUST

Sec. 40-291. Definitions.

Unless a different meaning is plainly required by the context, the following words and phrases as used in this division shall have the following meaning:

Contribution shall mean the sum of all amounts contributed by the city on behalf of an elected officer of the city.

Beneficiary shall mean any person receiving a retirement allowance or other benefit from the retirement system for elected officials.

Benefit shall mean a retirement allowance or other payment provided by the retirement system.

Compensation shall mean salary and emoluments paid to the elected officer.

Elected officer shall mean the mayor or a commissioner as elected in accordance with section 4(b) of the Charter of the city as it now exists or as it may hereafter be amended.

Elected officers absent from service shall mean any member ceasing to be an elected officer during any term of office wherein said elected officer entered or enters and served or serves in the armed forces of the United States of America during any period which the United States of America was or shall be engaged in war and who thereafter was or shall be appointed or again elected to the same elected office prior to discharge from such service in the armed forces.

Pension shall mean a series of periodic payments for the life of the elected officer.

Retirement shall mean an individual who no longer serves in the capacity of an elected officer.

Service shall mean years served in the capacity of an elected officer.

Trustee shall be the director of finance.
(Ord. No. 11137, § 1, 4-14-94; Ord. No. 11191, § 1, 10-27-94; Code 1980, § 40-250; Ord. No. 11564, § 15, 10-28-97; Ord. No. 12274, § 1, 9-11-02)

Sec. 40-292. Retirement system established; purpose; name; effective date.

A retirement system is hereby established and placed under the administration and management of the trustee for the purpose of providing retirement benefits pursuant to the provisions of this division. The retirement system established herein shall be known as the "City of Miami elected officers' retirement trust" and shall be effective 30 days from the adoption of this ordinance.
(Ord. No. 11137, § 1, 4-14-94; Code 1980, § 40-251)

Sec. 40-293. Board of trustees.

(a) *Selection.* The trustee of this retirement system shall be the director of finance for the city.

(b) *Term of office.* The term of office for the trustee shall be the term during which he/she is the director of finance for the city.

(c) *Fiduciary responsibility.* The trustee shall be the named fiduciary of the retirement system. As named fiduciary, the trustee shall discharge his/her duties and responsibilities with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims; and in accordance with ordinances and other applicable law, documents and other instruments governing the retirement system.
(Ord. No. 11137, § 1, 4-14-94; Code 1980, § 40-252)

Sec. 40-294. Trust fund.

(a) *Nature of trust.*

(1) The city elected officers' retirement system trust is an irrevocable trust. The trustee shall be the director of finance.

(2) The trustee shall be vested with full legal title to the city elected officers' retirement trust fund and shall hold the fund as an irrevocable trust to be applied from time to time in accordance with the provisions of this division. All payments made to the fund by the city and all assets whatsoever of the fund and the income thereof, without distinction between principal and income, shall be held by the trustee in a single trust fund. The trustee may, however, segregate or invest separately any portion of the fund.

(3) The trustee shall be the named fiduciaries of the fund. As named fiduciary, the trustee shall hold, manage, control and safeguard the fund solely in the interest of beneficiaries of the retirement system:

a. For the exclusive purpose of providing benefits to beneficiaries and defraying reasonable expenses of administering the retirement system;

b. With the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims;

c. By diversifying the investments of the fund so as to minimize the risk of losses, unless under the circumstances it is clearly prudent not to do so;

d. In accordance with ordinances and other applicable law, documents and other instruments governing the fund.

(4) The trustee's attorney shall be the city attorney. The trustee's actuary shall be the city's actuary.

(b) *Trust property.*

(1) Trust property shall consist of all cash, securities and other property, together with such other cash, securities and other property as the trustee may at any time hold or acquire from or on behalf of the city pursuant to this division, and the accruals thereto.

(2) The trustee may buy, sell, convert, redeem, exchange or otherwise dispose of trust property at any public or private sale without notice or advertisement, for cash or upon credit with or without security, without obligation on the part of any person dealing with the board to see the application of the process of or inquire into the validity, expedience or propriety of any such disposition, and may make, execute, acknowledge and deliver contracts, assignments, waivers or other instruments.

(3) The trustee shall have the authority to vote upon any stocks, bonds or securities of any corporation, association or trust and to give general or specific proxies and powers of attorney with or without power of substitution; to participate in mergers, reorganizations, recapitalizations, consolidations, and similar transactions with respect to such securities; to deposit such stock or other securities in any voting trust or any protective or like committee or with depositories designated by the board, subject to the approval of the commission; to amortize or fail to amortize any part or all of the premium or discount resulting from the acquisition or disposition of assets; and generally, to exercise any of the powers of an owner with respect to stocks, bonds or other investments comprising the fund which the board may deem to be in the best interest of the fund to exercise.

(c) *Investments.*

(1) Trust funds may be invested in:

a. Bonds, notes or other obligations of the United States or any of its agencies or those guaranteed by the United States or for which the credit of the United States is pledged for the payment of the principal and interest or dividends thereof; any of the foregoing may be in the form of commingled accounts as long as the guidelines of this paragraph are met;

b. Accounts and certificates of deposit in any bank or other financial institution incorporated under the laws of this state or any national bank organized under the laws of the United States and authorized to do business and situated in this state, to the extent that such certificates of deposit are secured by the deposit of securities of the United States government; any of the foregoing may be in the form of commingled accounts as long as the guidelines of this paragraph are met;

c. Notes secured by first mortgages on real property insured or guaranteed by the Federal Housing Administration or the Veterans' Administration;

d. Interest-bearing obligations with a fixed maturity of any corporation organized under the laws of the United States, any state or organized territory of the United States and the District of Columbia; provided that such obligations are rated by at least two nationally recognized rating services in any one of the four highest classifications approved by the comptroller of the currency for the investment of funds of national banks or, if only one nationally recognized rating service shall rate such obligations, such rating service must have rated such obliga-

tions in any one of the three highest classifications heretofore mentioned;

e. Venture capital, private placements and letter stocks, which may be in the form of commingled ownership;

f. Real estate, which may be in the form of commingled ownership.

(Ord. No. 11137, § 1, 4-14-94; Code 1980, § 40-253; Ord. No. 13676, § 2, 4-27-17)

Sec. 40-295. Contributions.

This shall be a noncontributory system. The city shall make such contributions so as to provide for an actuarial sound pension trust for the benefit of elected officers.

(Ord. No. 11137, § 1, 4-14-94; Code 1980, § 40-254)

Sec. 40-296. Applicable benefits.

(a) Certain elected officers, who were elected officers for a period of ten years or more and who no longer serves as elected officers shall be entitled during the remainder of their natural lives to a sum equal to one-half of their W-2 wages for the highest of the last three years of service of their term of office and a single sum death benefit fully vested at date of death. Upon vesting and each year thereafter of service as an elected officer, the retirement allowance shall be five percent for each year of service to a maximum of 100 percent of the highest W-2 wages.

(b) Elected officers in office or elected from October 1, 2001, until October 22, 2009, who were elected officers for a period of seven years or more and who no longer serve as elected officers of the City of Miami shall be entitled, upon reaching age 55, during the remainder of their natural lives to a sum equal to one-half of their W-2 wages for the highest of the last three years of service of their term of office and a single sum death benefit fully vested at date of death. Upon vesting and each year thereafter of service as an elected officer, the retirement allowance shall increase by five percent for each year of service to a maximum of 100 percent of the highest W-2 wages.

(c) Any person elected to the office of mayor or commissioner after October 22, 2009, shall not be eligible to receive the benefits outlined herein; except those elected officers currently holding office who have not vested, but who serve for seven years or more in the office they currently hold, irrespective of whether they served successive terms.

(d) Notwithstanding the above, for the position of the mayor, the base rate of pay for the mayor shall replace W-2 wages in subsection (b).

(e) In the event of death before retirement, the elected officer's beneficiary will receive a lump sum death benefit equal to the present value of the vested benefit accrued to date of death based on actuarial assumptions in effect for the valuation of liabilities in the year of death.

(Ord. No. 11137, § 1, 4-14-94; Ord. No. 11191, § 1, 10-27-94; Code 1980, § 40-255; Ord. No. 11564, § 15, 10-28-97; Ord. No. 12111, § 1, 9-25-01; Ord. No. 12274, § 1, 9-11-02; Ord. No. 12275, § 1, 9-11-02; Ord. No. 12764, § 1, 2-9-06; Ord. No. 13111, § 2, 10-22-09)

Editor's note—Ord. No. 13111, § 2, adopted Oct. 22, 2009, changed the title of § 40-296 from "Benefits" to "Applicable benefits." The historical notation has been preserved for reference purposes.

Sec. 40-297. Assignments prohibited.

The present or future right of a person to moneys in the fund or to a retirement allowance, or any other right accrued or accruing to any person under the provisions of this division, shall be unassignable and shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency law or any other process of law whatsoever, except with respect to alimony, child support, or medical payments to a former spouse.

(Ord. No. 11137, § 1, 4-14-94; Code 1980, § 40-256)

Sec. 40-298. Bonding; fiduciary insurance.

Prior to exercising custody or control of any funds or property of the retirement system, the trustee of the retirement system shall be bonded.

Such bond shall provide protection to the retirement system against loss by reason of acts of fraud or dishonesty.
(Ord. No. 11137, § 1, 4-14-94; Code 1980, § 40-257)

Sec. 40-299. Elected officers' excess benefit plan.

(a) The excess retirement benefits above the limits permitted by the Internal Revenue Code shall be as follows:

(1) Funded from the City of Miami General Fund; and

(2) Paid annually; and

(3) Be deposited in a separate account to receive the city's excess retirement benefit contributions, such account shall be separate and apart from the account established to receive the city's normal pension contributions for the Elected Officers' Retirement Trust; and

(b) The city administration, shall select an administrator for the Elected Officers' Retirement Trust.

(c) The actuaries shall calculate the amounts necessary to fund the defined benefit plans giving the effect to the reductions caused by implementation of Section 415 of the Internal Revenue Code.

(d) The excess benefits shall be paid to each eligible member of the plan on a monthly basis in an amount equal to the difference between the allowable pension to be paid under the Internal Revenue Code and the amount of the defined benefit granted eligible members pursuant to the provisions set forth in the Code.

(e) Should additional retirements occur during the year where the eligible member's retirement benefit exceeds the Section 415 limits, the actuary shall calculate the additional excess benefit amount required for the remainder of the fiscal year and should such amount exceed the amount available from the funds provided for the fiscal year, the administrator shall notify the city of the additional funds required.

(f) Upon the city's receipt of notice of the additional funds required, the city shall forward the additional funds required.
(Ord. No. 12111, § 1, 9-25-01)

Sec. 40-300. Trust termination.

The trustee shall terminate the trust upon death of the final, eligible elected officer or payment of single-sum death benefit to the elected officer's beneficiary. Any remaining trust property consisting of either cash, securities, and other property, together with such other cash, securities and other property as the trustee may at any time hold or acquire from or on behalf of the city pursuant to this division, and the accruals thereto, shall be returned to the city upon termination of the trust.
(Ord. No. 13111, § 2, 10-22-09)

Secs. 40-301—40-320. Reserved.

DIVISION 5. PENSION STABILIZATION FUND FOR THE CITY OF MIAMI FIREFIGHTERS' AND POLICE OFFICERS' RETIREMENT TRUST

Sec. 40-321. Definitions.

Unless a different meaning is plainly required by the context, the following words and phrases as used in this trust document shall have the meanings set forth below:

Board or *the board of trustees* shall mean the board discussed in section 40-323.

City shall mean the City of Miami.

Member or *member in service* shall mean an employee for whom contributions to the retirement system are made as required by chapter 40, article IV, division 2, city firefighters' and police officers' retirement trust.

Retirement system shall mean the city firefighters' and police officers' retirement trust.

Trust shall mean the city firefighters' and police officers' retirement contribution stabilization fund trust.

Valuation payroll shall mean the covered payroll of members in service of the retirement system.
(Ord. No. 13037, § 2, 11-13-08)

Sec. 40-322. Purpose.

The purpose of the trust is to assist in stabilizing the city's annual contributions to the city firefighters' and police officers' retirement trust. All actions and interpretations of the board of trustees pursuant to this trust shall be done for and with the purpose of assisting with the stabilization of the city's annual contributions to the retirement system.
(Ord. No. 13037, § 2, 11-13-08)

Sec. 40-323. Board of trustees.

(a) *Composition.* The board of trustees of this trust shall be comprised of:

(1) The city manager;

(2) The chief financial officer; and

(3) The director or chief of employee relations.

(b) *Term of office.* The term of office for each trustee shall be as long as each individual is employed in his or her respective position with the city.

(c) *Fiduciary responsibility.* The board of trustees shall exercise its fiduciary responsibility in accordance with the law.

(d) *Conduct of business.*

(1) The city manager shall act as chair of the board of trustees.

(2) The affirmative votes of two trustees shall be necessary for any action taken by the board.

(3) The board of trustees shall meet at least quarterly.

(4) The city manager shall ensure that a record of all of proceedings of the board of trustees is maintained, which shall be open to public inspection in accordance with F.S. ch. 119. Such records shall reflect a complete account of the actions taken by the board.

(5) Subject to any limitation contained in this trust, the ordinance establishing this trust, and applicable trust law, the board may from time to time establish such rules and regulations as are necessary for efficient administration and management of the trust.

(6) The board of trustees or the city may purchase fiduciary insurance in order to provide protection to the trust against loss by reason of error or omission of the trustees.

(7) All expenses of administering this trust shall be paid by the city, not this trust.

(Ord. No. 13037, § 2, 11-13-08)

Sec. 40-324. Trust fund; investments.

(a) *Nature of the trust; fiduciary duties of trustees.*

(1) The board of trustees shall hold the trust to be applied in accordance with the provisions contained herein. All contributions made to the trust by the city and all assets whatsoever of the trust and any income derived therefrom, without distinction between principal and income, shall be held in a single fund. The board of trustees may, however, segregate or invest separately any portion of the trust.

(2) The board of trustees shall be the named fiduciary of the trust. As named fiduciary, the board shall hold, manage, control and safeguard the trust solely in the interest of assisting with the stabilization of the city's required contribution to the retirement system, as follows:

a. For the exclusive purpose of assisting with the stabilization of the city's required annual contributions to the retirement system;

b. With the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would

use in the conduct of an enterprise of a like character and with like aims;

c. By diversifying the investments of the trust so as to minimize the risk of losses, unless under the circumstances it is clearly prudent not to do so;

d. In accordance with ordinances and other applicable law, documents and other instruments governing the trust.

e. The attorney for the board of trustees shall be the city attorney.

(b) *Trust property.*

(1) Trust property shall consist of all cash, securities and other property, together with such other cash, securities and other property as the board may at any time hold or acquire from the city as herein provided, and any income or interest derived therefrom.

(2) The board may buy, sell, convert, redeem, exchange, or otherwise dispose of trust property at any public or private sale without notice or advertisement, for cash or upon credit with or without security, without obligation on the part of any person dealing with the board to see the application of the process of or inquire into the validity, expedience or propriety of any such disposition, and may make, execute, acknowledge and deliver contracts, assignments, waivers, or other instruments.

(3) The board shall have the authority to vote upon any stocks, bonds, or securities of any corporation, association, or trust and to give general or specific proxies and powers of attorney with or without power of substitution; to participate in mergers, reorganizations, recapitalizations, consolidations, and similar transactions with respect to such securities; to deposit such stock or other securities in any voting trust or any protective or like committee or with depositories designated by the board; to amortize or fail to amortize any part or all of the premium or discount resulting from the acquisition or disposition of assets; and generally, to exercise any of the powers of an owner with respect to stocks, bonds, or other investments comprising the trust which the board may deem to be in the best interest of the trust to exercise.

(c) *Investments.* The board shall have the power to invest the assets of the trust in real or personal property, wherever situated. The board shall invest and manage investment assets in accordance with an investment policy adopted and periodically revised by the board. The investment policy shall comply with F.S. § 112.661, including providing for a custodian, investment managers, and independent investment consultant.
(Ord. No. 13037, § 2, 11-13-08)

Sec. 40-325. Contributions to the trust.

(a) Beginning October 1, 2008, any time the city's contributions to normal costs fall below 37 percent, the difference between the contributions to normal costs and 37 percent will be deposited into this trust, forthwith.

(b) Payments to this trust are not required for any fiscal year in which the funding levels of this trust are equal to ten percent of the actuarial value of assets of the retirement system.
(Ord. No. 13037, § 2, 11-13-08)

Sec. 40-326. Distributions from the trust.

Distribution shall be made from the trust only to the retirement system and solely as provided in this subsection. Trust property shall be distributed to the retirement system whenever the city's annual contributions to the retirement system exceed 37 percent of valuation payroll, unless the city chooses to pay the annual contributions above 37 percent, or any portion thereof, in any particular fiscal year. Distributions from the trust shall be made solely to supplement the city's contributions to the retirement system, and the amount of such distributions in any fiscal year shall not exceed the difference between 37 percent of valuation of payroll (or any amended

amount as provided herein,) and the actual annual required city contribution to the retirement System in excess of 37 percent of valuation of payroll, (or any amended amount as provided herein.) (For example, if in a particular fiscal year the city is required to pay 40 percent of valuation payroll to the retirement system, the city shall pay a minimum of 37 percent of valuation payroll, and a distribution in the amount of three percent of valuation payroll shall be made from the trust to the retirement system. If in that year the city chooses to pay 39 percent of valuation payroll, then a distribution in the amount of one percent of valuation payroll shall be made from the trust to the retirement system. If, however, in a particular fiscal year the city is required to pay 37 percent or less of valuation payroll, then no distribution shall be made from the trust to the retirement system, and the city shall pay that entire amount). In no event may the city receive a distribution from the trust except as provided herein. No trust property, or income or interest derived therefrom, may be used for any purpose except to satisfy the city's obligation to make contributions to the retirement system as described above.
(Ord. No. 13037, § 2, 11-13-08)

Sec. 40-327. Spendthrift/non-assignment.

No interest in the principal or income of this trust shall be anticipated, assigned or encumbered, or be subject to any creditor's claim or to legal process prior to its actual distribution by the trustees. No person shall have the power to sell, assign, transfer, encumber, or in any other manner anticipate or dispose of any interest or potential interest in the trust or the income produced thereby, prior to its actual distribution by the trustees as provided herein. No party or person shall have any assignable interest in the trust or in the income therefrom. Neither the trust principal nor income shall be liable for the debts of any party or person.
(Ord. No. 13037, § 2, 11-13-08)

Sec. 40-328. Irrevocable trust.

This trust shall be irrevocable, provided however, it may be amended by mutual agreement through collective bargaining pursuant to F.S. ch. 447, part II, between the city and the Fraternal Order of Police (FOP), Lodge 20, for and as applicable to its bargaining unit members, or between the city and the International Association of Firefighters (IAFF), Local 587 for and as applicable to its bargaining unit members.
(Ord. No. 13037, § 2, 11-13-08)

Sec. 40-329. Termination.

This trust shall terminate upon termination of the retirement system, and all the retirement system's liabilities have been paid in full, if ever. If for any reason this trust cannot remain in existence until the retirement system terminates, this trust shall remain in existence for 360 years.
(Ord. No. 13037, § 2, 11-13-08)

Secs. 40-330—40-350. Reserved.

DIVISION 6. TRUST FUND FOR APPOINTED OFFICERS AND EMPLOYEES IN EXECUTIVE SERVICE

Sec. 40-351. Trust fund for appointed officers and employees in executive service.

(a) Effective October 1, 2018, the following positions shall be eligible for participation in the Plan or the trust fund: City attorney, chief deputy city attorney, deputy city attorney, senior assistant city attorney, assistant city attorney, and persons employed in these positions on or after June 1, 2019. The city attorney, chief deputy city attorney, deputy city attorney, senior assistant city attorney, assistant city attorney, and persons employed in these positions on or after June 1, 2019 may elect to participate in either plan. If such person elects to participate in the Plan, he or she may elect to purchase creditable service under the Plan for credit for prior non-membership service as an appointed officer or employee in accordance with subsections 40-254(2). An election to participate in the Plan shall be irrevocable.

(b) Effective October 1, 2021, the following positions shall be eligible for participation in the Plan or the trust fund: City manager, deputy city manager, assistant city managers, city clerk,

assistant city clerk, department directors, assistant directors and those employees identified by the city's administration as employed in the executive service of the city on or after October 1, 2021. Those employees identified in this subsection and employed in these positions on or after October 1, 2021 may elect to participate in either plan. If such person elects to participate in the Plan, he or she may elect to purchase creditable service under the Plan for credit for prior non-membership service as an appointed officer, executive officer, or employee in accordance with subsection 40-254(2) of the City Code. An election to participate in the Plan shall be irrevocable. Individuals selecting the trust plan shall participate in a trust plan as follows:

(1) As established and approved by the commission of a written trust agreement wherein provision is made for the city to contribute moneys on behalf of employees to a public trust fund designated by the executive employee and approved by the commission, such contribution to be made in lieu of the city's contribution on behalf of employees in the Plan.

a. The contribution to be made by the city under the terms of the above agreement shall be calculated at the rate of ten percent of the executive employee's annual compensation.

b. A contribution to the designated public trust fund must be made by the executive employee and such contribution by the employee shall be picked up by the city at a rate of not less than five percent of the executive employee's annual compensation.

c. An executive employee may, if so provided in the trust agreement, take actual or constructive receipt of his or her contribution, and those contributions made by the city on his or her behalf prior to reaching age 55 or upon becoming permanently and totally disabled by making a revocable election of distribution of accounts pursuant to the mode of distribution of benefits as provided in the trust agreement.

d. Additionally, the city manager may elect to participate in a public trust fund he or she designates and approved by the city commission. Contributions made to the designated public trust fund by the city shall be in accordance with the provisions of a resolution designating benefits for the city manager and approved by the city commission. Contributions, if any, by the city manager shall be picked up by the city as provided by the provisions of a resolution approved by the city commission. The city manager may, if so provided in the trust agreement, take actual or constructive receipt of their contributions, and those contributions made by the city on their behalf prior to reaching age 55 or upon becoming permanently and totally disabled, by making a revocable election of distribution of accounts pursuant to the mode of distribution of benefits as provided in the trust agreement.

e. The city attorney, assistant city managers, and assistants to the city manager may elect to participate in a public trust fund designated by the employee and approved by the city commission. Contributions shall be made to the designated public trust fund by the city at a rate of 20 percent of the city attorney's annual base salary, and ten percent of the annual base salary for each of the assistant city managers and assistants to the city manager. The city attorney, assistant city managers, and assistants to the city manager may, if so provided in the trust agreement, take actual or constructive receipt of their contributions, and those contributions made by the city on their behalf prior to reaching age 55 or disabled, by

making a revocable election of distribution of accounts pursuant to the mode of distribution of benefits as provided in the trust agreement.

(2) Employees who have elected to participate in a public trust fund in accordance with subsection (1) above may not participate in the Plan so long as, and during which, such employees hold a position eligible to participate in the trust fund.

(3) Notwithstanding the exclusions in section 40-351, those employees who are members of the Plan prior to the enactment of this ordinance shall continue to be eligible to participate in the Plan regardless of position title of those employees.

(Ord. No. 13112, 10-22-09; Ord. No. 13680, § 2, 5-11-17; Ord. No. 13887, § 3, 12-12-19; Ord. No. 14053, § 3, 3-10-22)

ARTICLE II. COMMERCIAL PHOTOGRAPHY ON CITY PROPERTY

Sec. 41-26. Permit required.

It is unlawful to do any still photography, motion picture photography, or electronic (television) photography for commercial purposes, on any public roadway, sidewalk, street, park, causeway, beach, lagoon or on any city-owned property or facility in the city without first having received a City of Miami commercial photographic permit from the city manager or his/her designee. The term "for commercial purposes" means for purposes other than pleasure; that is, for profit or as a profession.
(Ord. No. 8752, § 1, 1-24-78; Code 1980, § 41-21; Ord. No. 13676, § 2, 4-27-17)

Sec. 41-27. Evaluation of proposed venture.

The city manager or his/her designee shall be empowered to evaluate the value to the city and the economic benefits of commercial filming ventures proposed to take place within the city, to waive or reduce rental rates for the use of city facilities for commercial filming purposes in accordance with general policy criteria established by the city commission, and to resolve other areas of controversy which may arise between the city and commercial filming persons, firms, corporations, or associations.
(Ord. No. 8752, § 2, 1-24-78; Code 1980, § 41-22; Ord. No. 13676, § 2, 4-27-17)

Sec. 41-28. Exemptions.

The provisions of this article shall not apply to or affect reporters, photographers, or camera operators in the employ of a newspaper, news service, radio or television broadcasting station, or similar entity engaged in live broadcasting or on-the-spot reporting of sports events or news events concerning those persons, scenes, or occurrences which are in the news and of general public interest.
(Ord. No. 8752, § 3, 1-24-78; Code 1980, § 41-23; Ord. No. 13676, § 2, 4-27-17)

Sec. 41-29. Penalty.

Any person violating the provisions of this article shall be fined or imprisoned, or both fined and imprisoned in accordance with section 3(aa) of the Charter of the city (Laws of Fla., ch. 10847 (1925), as amended) and section 1-13 of this Code.

ARTICLE I. IN GENERAL

Sec. 42-1. Police department.

(a) *Created.* There is hereby created and established a department to be known as the police department.

(b) *Office of professional compliance.* The office of professional compliance shall function within the office of the chief of police. The director of the office of professional compliance shall be an unclassified, salaried civilian employee of the police department. The office of professional compliance shall perform all duties and functions as prescribed in article III of this chapter regarding complaints against police officers.
(Ord. No. 10071, § 4(c), 1-23-86; Ord. No. 10659, § 1, 10-12-89; Ord. No. 10744, § 3, 6-28-90; Code 1980, §§ 2-236.2, 42-1)

Sec. 42-2. Appointment of director of police department.

(a) The city manager is hereby authorized to appoint a director of the police department who shall serve subject to the supervision and the control of the city manager. The chief of police shall be the director of the police department, appointed in accordance with the provisions set forth in the city Charter.

(b) The city manager shall have the exclusive right to suspend the chief of police for incompetence, neglect of duty, immorality, drunkenness, failure to obey orders given by proper authority, or for any other just and reasonable cause. If such chief be so suspended, the city manager shall forthwith certify the fact, together with the cause of suspension, to the commission who, within five days from the date of receipt of such notice, shall proceed to hear such charges and render judgment thereon, which judgment shall be final.

(c) If the chief is arrested for a felony or for a misdemeanor related to the duties of office or is indicted or informed against for the commission of a federal felony or misdemeanor or state felony or misdemeanor, the provisions of F.S. § 112.51(2) shall apply.
(Ord. No. 10744, § 3, 6-28-90; Code 1980, § 42-2; Ord. No. 13676, § 2, 4-27-17)

Case law reference—Meetings of advisory group appointed by city manager to directly assist him/her in selection of candidates to be considered for appointment of chief of police held subject to government in the sunshine law. State v. Krause, 47 Fla. Supp. 36, *aff'd* Krause v. Reno, 366 So. 2d 1244.

Sec. 42-3. Powers and duties of director of police department.

Subject to the supervision and control of the city manager in all matters, the director of the police department shall administer the affairs of the department which shall include the immediate direction and control of the police force, and he/she is charged with responsibilities for the prevention, control and suppression of crime in the city. The responsibilities of the police department shall include, but not be limited to, the activities of police administration, traffic control, police patrols, training, criminal investigation, vehicle inspection, police property, police records and the complaint center.
(Ord. No. 10744, § 3, 6-28-90; Code 1980, § 42-3; Ord. No. 13676, § 2, 4-27-17)

Sec. 42-4. Removal or destruction of evidence at investigation; refusal to obey investigating officer.

It shall be unlawful for any person within the city, at the scene of any homicide or crime where such homicide or crime is being investigated and is in charge of any police officer, sheriff or deputy sheriff, or at such scene before the arrival of a police officer, sheriff or deputy sheriff to make such investigation, to tamper with, remove, obliterate or destroy any visible evidence whatsoever or, while such crime or homicide is being investigated by any such officers, to refuse to obey and carry out the reasonable instructions and directions of the officer in charge of such investigation.
(Code 1967, § 43-4; Code 1980, § 42-4)

State law references—Neglect or refusal to aid peace officers, F.S. § 843.06; tampering with or fabricating physical evidence, F.S. § 918.13.

Sec. 42-5. Designation of officer in charge of investigations.

The officer in charge of any investigation mentioned in section 42-4 shall be the officer first arriving at the scene of such crime or homicide, or, in the event of two or more officers arriving simultaneously, then the officer senior in rank. Such officer assuming charge shall continue in charge until;

(1) If the crime is that of a homicide, rape or wounding of another, the arrival on the scene of the sheriff of the county, the investigator of the state attorney's office, or a member of the homicide bureau (squad) of the city police department. Any one of such officers, upon arrival, shall assume charge of such investigation.

(2) In the event that such crime being investigated is other than a homicide, rape or wounding of another, until the arrival of the sheriff or his/her deputy or of a ranking detective officer of the city, who shall assume and take charge of the investigation.

(Code 1967, § 43-5; Code 1980, § 42-5; Ord. No. 13676, § 2, 4-27-17)

Sec. 42-6. Special departmental services; fees.

(a) *Record checks.* The police department may furnish, to any person upon request, a written statement certifying that the files of the department have been checked and fail to reveal any criminal record under the name of that person. The statement may be furnished for the sum of $10.00 for each such statement.

(b) *Accident reports and photographs.* The records unit of the police department shall furnish upon request:

(1) A certified copy of any accident or offense report which is on file with the records unit, for the sum of $1.00 per certified page.

(2) Photographic prints. The sum of $10.00 shall be collected for each eight-inch by ten-inch photographic print after such photograph or photographs have been declared releasable by the chief of police or his/her designated agent.

(3) Color photographic prints. The sum of $4.00 shall be collected for each 3½-inch by five-inch color photographic print and $12.50 for each eight-inch by ten-inch color photographic print after such photograph or photographs have been declared releasable by the chief of police or his/her designated agent.

(c) *Tape recordings.* The communications unit of the police department shall furnish upon request an original copy of any telephone or dispatch recording for the sum of $2.50 plus a special service charge of $18.00 an hour pursuant to F.S. § 119.07(1)(b).

(d) *Computer printouts.* The computer liaison unit of the police department shall furnish upon request a computer printout, per the requestor's instructions, for a sum of $205.00 for the first year and an additional $180.00 for each additional year requested.

(e) *Miscellaneous documents.* Miscellaneous documents not enumerated above shall be furnished for a sum of $0.15 for a one-sided page and $0.20 for a two-sided page for copies of a maximum size of 8½" by 14" or as otherwise provided in F.S. § 119.07(1).

(f) *Fees for exceptional services.* Where a service performed by an employee of the police department for a member of the public is deemed exceptional in that it requires the exclusive dedication of periods of employee time to the sole end of performing that service, a fee may be charged equal to the hourly rate of that employee or, for the purposes of standardization, to the average hourly rate of like employees, for the actual time spent in performing that service.

(g) *Fees for storing, transporting and publishing notice for lost/found property.* The property unit of the police department shall collect $100.00 from the rightful owner of lost/found property upon the return by the police department of lost/found property taken into custody pursuant to F.S. § 705.102. This fee covers the cost of transporting, storing and publishing the lost/

found property by the police department. In instances where the property is valued at $100.00 or under, such property may be redeemed by the owner by paying a fee equal to the value of the property returned. If the rightful owner does not pay such fees within 30 days of the claim, title to the property vests in the police department.

(h) *Administrative fee for police conducted inspections and for processing transaction forms by the pawn shop detail.* Each pawn shop/secondhand dealer, except antique dealers (secondhand dealers who sell works of art, furniture, decorative objects, and other items having special value because of its age), conducting business within the City of Miami shall pay a yearly fee of $250.00 for police inspections of pawn shops/secondhand dealers and other related functions by the police department's pawn shop detail. Antique dealers shall pay a yearly inspection fee of $100.00. In addition thereto, each pawn shop/secondhand dealer, including antique dealers, will pay a $1.50 fee per transaction form submitted to the police department for the review and processing of all forms submitted by the pawn shop detail. The finance department is hereby authorized, empowered and directed to establish the proper procedure for the handling of all monies collected.

(Code 1967, § 43-8; Ord. No. 9013, § 1, 10-31-79; Ord. No. 10570, § 1, 4-13-89; Code 1980, § 42-8; Ord. No. 11425, § 2, 12-12-96; Ord. No. 11539, § 2, 9-9-97; Ord. No. 13676, § 2, 4-27-17)

Sec. 42-7. Reserved.

Editor's note—Ord. No. 12203, § 3, adopted March 27, 2002, repealed § 42-7, which pertained to the presumption in favor of police officers concerning death or disability and derived from the Code of 1967, § 43-10.1, and the Code of 1980, § 42-11.

Sec. 42-8. Special off-duty police services; fees.

(a) *Evaluation of requests.* The chief of police or his/her designee shall cause the requests for off-duty police officers to provide services to persons or businesses requesting the same to be evaluated on the basis of the reasonableness thereof, including in such evaluation the factors of existing laws, ordinances, rules and regulations, personnel scheduling availability, risk of harm to personnel, and police department efficiency.

(b) *Administrative fee.* As a fee payable to the city to offset the administering of the herein off-duty police services program, the chief of police shall cause to be collected and shall establish procedures for the collection by the city of a fee of $4.00 per hour, per officer, per location. Said fee will require a three-hour $12.00 minimum per officer, per location. Effective June 1, 2017, the administrative fee shall be increased to $4.50 per hour, per officer, per location. Said fee will require a three-hour $13.50 minimum per officer, per location.

(1) Notwithstanding the above, assignments for residential off-duty patrol will be subject to a $10.00 administrative fee.

Multiple police officers, days or locations shall be assessed on a per-officer, per-job, per-hour basis for contractual employment of off-duty police officers by private persons or firms. (Each shall be subject to the three-hour minimum). This fee shall be in addition to any special assessments which may be required and shall also be in addition to the hourly compensation rate payable to the individual sworn police officer. Monies received hereunder by the city shall be placed in the general fund except that $5.00 of each administrative fee collected shall be placed in the city self-insurance and insurance trust fund.

(c) *Liability for claims.* The city expressly recognizes its ongoing responsibility to provide self-insurance coverage, subject to the maximum amounts provided in F.S. § 768.28, for tort liability and workers' compensation claims arising out of and in the course and scope of assigned off-duty police officers performing law enforcement duties during the period of such assignment. Nothing contained herein shall be deemed to limit the tort liability or subrogation of parties for or on behalf of whom off-duty police services are rendered, or upon whose property these services are performed. Further, nothing contained herein shall be deemed a waiver of any defense or denial of coverage permitted by law.

Liability for all civil actions and judgments (excluding individual punitive damages) arising out of claims resulting from the performance of duties unrelated to law enforcement during the period of said assigned off-duty police services shall be borne by the party requesting such off-duty police services. The party for or on behalf of whom such duties unrelated to law enforcement have been rendered shall hold the city, its officers, agents and employees, harmless for any and all claims, demands, actions, causes of action, suits, damages, loss and expenses, judgments, and attorney's fees and costs expended in defense of same.

(d) *Compensation of officers limited.* Parties receiving off-duty police services shall not offer, nor shall off-duty police officers accept, any compensation for such off-duty police services or other services above than specified by the chief of police.
(Ord. No. 8994, §§ 1—5, 9-27-79; Ord. No. 9059, § 1, 1-24-80; Ord. No. 10127, § 1, 7-10-96; Code 1980, § 42-8.1; Ord. No. 11423, § 2, 12-12-96; Ord. No. 13615, § 2, 12-8-16; Ord. No. 13676, § 2, 4-27-17)

Secs. 42-9—42-35. Reserved.

ARTICLE II. LOST, CAPTURED, ABANDONED, STOLEN OR WRECKED PERSONAL PROPERTY*

Sec. 42-36. Seizure by police.

The police department shall seize and reduce to the possession of the police department any lost, captured, abandoned, stolen or wrecked property, including vehicles, which may be found upon any of the public streets and highways of the city pursuant to the procedure as provided in F.S. § 705.101 et seq.
(Code 1967, § 43-20; Code 1980, § 42-40)

Secs. 42-37—42-65. Reserved.

*__City Code cross references—__Removal of abandoned property from private property, § 22-146; public sale of certain vessels as abandoned property, § 50-4.

__State law reference—__Lost, abandoned, wrecked or derelict property on public property, F.S. § 705.101 et seq.

ARTICLE III. COMPLAINTS AGAINST POLICE OFFICERS

Sec. 42-66. Definitions.

For the purposes of this article:

Police officer shall include all sworn police personnel.

Registered mail shall include mail sent by certified mail, return receipt requested, and shall also include personal delivery upon the addressee.
(Ord. No. 9127, § 6, 7-10-80; Code 1980, § 42-61)

Sec. 42-67. Office of professional compliance established; powers and duties generally.

(a) *Creation; organizational status.* There is hereby created an office of professional compliance (OPC), which shall monitor and observe the internal investigations of alleged abuses by police personnel. The office of professional compliance shall function within the city manager's office. The city shall provide the office of professional compliance with appropriately located office space, together with necessary office supplies, equipment, and furnishings.

(b) *Director of office; selection; authority.* Performance of the functions and duties of this office shall be under the direction of the city manager who is empowered to delegate the authority to control the office to any person selected by the city manager, said person to be known as the director. The director of the office of professional compliance shall be an unclassified salaried civilian employee of the city.

(c) *Personnel.*

(1) *Investigators.* The OPC director shall select for appointment such investigators as classified civilian employees of the city, who shall be selected from among candidates referred by the department of human resources consistent with civil service rules and regulations.

(2) *Clerical staff.* There shall also be one person selected by the OPC director as secretary who shall serve as a classified, salaried civilian employee of the city.

(d) *Powers and duties generally; operating procedures.*

(1) The office of professional compliance shall become involved in the investigations of alleged police abuse of citizens and in the investigations of complaints arising from police department shooting incidents, from the inception of the complaint to the submission of findings and conclusions of the investigations, as monitors and as observers. The limitations to be imposed upon the office of professional compliance shall only be such as to insure that the integrity of police department investigations is maintained in accordance with federal and state laws, including rules of evidence, prescribed police departmental procedures, and employees' rights.

(2) The office of professional compliance is hereby authorized to exercise, in accordance with law, the privilege of examining all records and evidence and is hereby encouraged to provide input into any investigation under this article conducted by the police department by expressing concern, comments, and recommendations to any police personnel.

(3) The office of professional compliance may demand, examine, and duplicate public records and documents in accordance with the provisions of F.S. ch. 119, as may be amended from time to time.

(4) The observation and monitoring activities of the office of professional compliance shall be subject to any limitations imposed by the office of the state attorney.

(e) *Legal counsel.* In all matters relating to the activity of the office of professional compliance, the office of the city attorney shall serve as legal counsel.

(Ord. No. 9127, §§ 1—4, 5(a), (b), (d), 7-10-80; Ord. No. 10071, § 7, 1-23-86; Ord. No. 10659, § 2, 10-12-89; Code 1980, § 42-62; Ord. No. 11823, § 2, 7-27-99)

Sec. 42-68. Filing and investigation of complaint; report of investigation.

(a) The activity of the office of professional compliance shall be conducted in substantial accordance with the procedure or process indicated as follows:

(1) Citizens may file complaints of violations of their civil rights and complaints of wrong-doing against police officers with the office of professional compliance.

(2) The complaint is to be recorded on the standard RF-121 form. A copy is to be maintained by the office of professional compliance and the original is to be forwarded to the internal affairs section.

(3) After the case has been assigned for investigation and review, a registered letter establishing a time for the completion of the investigation is to be sent to the complainant.

(4) A registered letter is to be sent to the complainant informing him/her of the conclusions of the investigation and review. Upon request, a report of the findings is to be prepared and submitted to the complainant, via proper public information release procedures.

(b) The results contained in the reports of the investigation may fall into one of the following categories: "cleared," "substantiated," "inconclusive," or "information only."

(1) "Cleared" means that an officer has been exonerated of wrongdoing.

(2) "Substantiated" means that an officer has been found guilty of wrongdoing.

(3) "Inconclusive" means that no conclusion can be reached that an officer has or has not been guilty of wrongdoing.

(4) "Information only" means that the information obtained is being used solely as intelligence information.

(Ord. No. 9127, § 6(a)(i)—(vi), 7-10-80; Ord. No. 10071, § 7, 1-23-86; Ord. No. 10659, § 3, 10-12-89; Code 1980, § 42-63; Ord. No. 11823, § 2, 7-27-99)

Sec. 42-69. Recommendation of disciplinary action.

If the complaint is sustained, disciplinary action is to be recommended by the officer's superiors and forwarded to the officer. The office of professional compliance is to be informed of the results of such consideration.
(Ord. No. 9127, § 6(a)(vii), 7-10-80; Code 1980, § 42-64; Ord. No. 11823, § 2, 7-27-99)

Sec. 42-70. Review on appeal by officer of disciplinary recommendation.

(a) *Departmental disciplinary review board.* Pursuant to any existing collective bargaining agreement, the said officer against whom disciplinary action is recommended pursuant to section 42-69 may request a hearing before the departmental disciplinary review board, which will make advisory determinations and nonbinding recommendations to the chief of police. The OPC shall be informed in writing of this decision.

(b) *Chief of police.* The chief of police has the option to concur with the departmental disciplinary review board's recommendation or take alternate action. The officer is to be informed of the chief's decision and may choose to appeal the decision to the civil service board. The OPC shall be informed in writing of this decision.

(c) *Civil service board.* Should the officer timely choose a civil service hearing, the civil service board shall review the case and provide its findings and recommendations to the city manager. The OPC shall be informed in writing of this decision.

(d) *City manager.* The city manager shall review the case and make a decision thereon. The city manager may decide to accept the recommendation of the civil service board or take alternate action. The OPC shall be informed in writing of this decision.
(Ord. No. 9127, § 6(a)(viii)—(xii), 7-10-80; Code 1980, § 42-65; Ord. No. 11823, § 2, 7-27-99)

Sec. 42-71. Reporting of incomplete, biased or otherwise deficient investigation.

If, after a case is closed, an office of professional compliance investigator is of the opinion that an investigation is incomplete, biased, or otherwise deficient, he or she shall report his or her opinion to the office of professional compliance director, who will have immediate access to the chief of police for resolution of the problems raised by such opinion. If the office of professional compliance director is not satisfied with the resolution of the problems at this level, he or she shall bring the matter to the attention of the city manager to resolve such problems.
(Ord. No. 9127, § 5(c), 7-10-80; Ord. No. 10071, § 7, 1-23-86; Ord. No. 10659, § 4, 10-12-89; Code 1980, § 42-66)

Sec. 42-72. Discussion of investigations with community groups.

The office of professional compliance and representatives of the police department designated by the chief of police shall make themselves available to discuss investigations hereunder of alleged police abuse or shooting incidents with community groups.
(Ord. No. 9127, § 6(a)(xiii), 7-10-80; Code 1980, § 42-67)

Secs. 42-73—42-100. Reserved.

ARTICLE IV. TOWING AND IMMOBILIZATION/BOOTING OF MOTOR VEHICLES*

DIVISION 1. GENERALLY

Sec. 42-101. Authority.

The provisions of this article are enacted pursuant to the statutory power of the city to establish and enforce business regulations necessary for the protection of the public and pursuant to F.S. §§ 715.07(2)(b) and 323.002.
(Ord. No. 9762, § 1(1), 12-8-83; Code 1980, § 42-71; Ord. No. 14071, § 2, 6-9-22)

*__Editor's note—__Ord. No. 13766, § 2, adopted May 10, 2018, changed the title of article IV from "Towing and Immobilization of motor vehicles" to "Towing and immobilization/booting of motor vehicles."

__City Code cross reference—__Local business taxes, ch. 31.

__County Code cross reference—__Towing, § 30-461 et seq.

Sec. 42-102. Short title.

This article shall be known and may be cited as the "towing company and immobilization contractor licensing and regulating ordinance of the City of Miami."
(Ord. No. 9762, § 1(2), 12-8-83; Code 1980, § 42-72; Ord. No. 11858, § 2, 11-16-99)

Sec. 42-103. Purpose.

(a) It is hereby declared that, in order to provide for and safeguard the life, health, safety, property and welfare of the people, the licensure and regulation of business enterprises engaged in the practice of recovering, towing, removing, storing and immobilization of motor vehicles are matters affecting the public interest; and any person desiring to conduct such a business enterprise shall be required to obtain a regulatory license and obey the regulations as hereinafter provided.

(b) The purpose of this article is to provide a uniform system for the licensure and regulation of business enterprises which are engaged in or which intend to engage in the practice of recovering, towing, removing, storing and immobilization of motor vehicles which are parked on private property without the permission of the owner of the private property.
(Ord. No. 9762, § 1(3), 12-8-83; Code 1980, § 42-73; Ord. No. 11858, § 2, 11-16-99)

Sec. 42-104. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Administration. The police department is the division of Miami city government or its successor responsible for administering all licenses pursuant to this article.

Authorized wrecker operator means any wrecker operator or business enterprise who has been designated as part of the city's wrecker operator system by entering into a valid and current agreement with the city and assigned a zone for the provision of such services.

Business enterprise means a unit of economic organization or activity in the form of an individual natural person, sole proprietorship, corporation, partnership, organization, joint venture, trust, foundation, firm, group, society, association or any combination thereof whose systemic purposeful activity is the recovering, towing, removing, storing and immobilization of parked vehicles from private real property at the express instruction of the owners of such real property. However, "business enterprise" shall not mean nor include in its meaning the "property owner."

Express instruction means a clear, definite and explicit written request by a property owner or agent to a business enterprise relating to a specific vehicle which calls for the removal of a specific and individual vehicle parked without permission of the property owner. Such agent shall not be an officer or employee of the business enterprise (as defined herein). The term "express instruction" shall not mean a general request unrelated to a specific and individual vehicle or which precedes in time the actual parking of a vehicle.

Immobilization shall mean the placing of a "boot" or other device which causes a vehicle to be immobile or otherwise disables a vehicle from operation.

Immobilization contractor shall mean any person or firm authorized by the owner, lessee, or controller of real property to engage in the business of immobilization of unauthorized vehicles parked on private property of such owner, lessee or controller, their agents, or employees. The immobilization contractor shall sometimes be referred to as the "contractor."

License means that certificate or document itself which permits a business enterprise to engage in the activity of recovering, towing, removing, storing and immobilization of parked vehicles from private real property at the express instruction of the owners of such real property. As used in this article, "license" shall not mean a municipal or county local business tax receipt.

Parked means the state of a vehicle being temporarily left and unattended by its owner or operator.

Premises shall mean the private property owned, controlled or used by a property owner for the parking of motor vehicles as its business or auxiliary to its business.

Property owner means that person who exercises dominion and control over private real property, including but not limited to the legal titleholder, lessee, designated representative of a condominium association or any person authorized to exercise or share dominion and control over private real property. However, "property owner" shall not mean nor be included in the term "business enterprise."

Recover means to take possession of a vehicle and its contents and to exercise control and supervision over the vehicle.

Regulation means a rule set forth within this article made applicable to business enterprises. The disobedience of a regulation shall be sufficient grounds for revocation of a license.

Removing means the act of changing by tow the location of a parked vehicle from its location on private property to the storage site of the business enterprise.

Revenue collection division means the treasury management division of the finance department or its successor which is responsible for issuing licenses and collecting license fees.

Revoke means the action of the city manager whereby a license is annulled and made void.

Storing means to place and to leave a towed vehicle at a site where the business enterprise exercises control and supervision over the vehicle.

Towing means to draw or pull along a vehicle behind by means of another vehicle equipped with booms, car carriers, winches, dollies or similar equipment and includes opening of vehicle, removal of linkage on the transmission, securing of steering wheel or any other labor required or necessary to complete the removal of the vehicle.

Unauthorized wrecker operator means any wrecker operator or business enterprise who has not been designated as part of the city's wrecker operator system and does not have a valid and current agreement with the city to provide such services.

Vehicle means a mobile item which normally uses wheels.

Wrecker class means the type of towing apparatus to be used to tow vehicles. The wrecker classes have minimum ratings and are as follows:

(1) Class A tow truck or car carrier minimum ratings:
   (a) Gross vehicle weight ratings, 10,000 pounds.
   (b) Boom capacity, 8,000 pounds.
   (c) Winching capacity, 8,000 pounds.
   (d) Cable size and length, three-eighths-inch by 100 feet
   (e) Under-reach retracted rating, 3,500 pounds.
   (f) Under-reach extended ratings, 2,000 pounds.
   (g) Tow sling safe lift rating, 3,500 pounds.
   (h) Safety chains (two each), three-eighths-inch high test.
   (i) Cab to axle dimension, fifty-six-inches.

(2) Class B tow truck or car carrier minimum ratings:
   (a) Gross vehicle weight ratings, 18,000 pounds.
   (b) Boom capacity, 6,000 pounds.
   (c) Winching capacity, 16,000 pounds.
   (d) Cable size and length, one-half-inch by 200 feet
   (e) Under-reach retracted rating, 6,000 pounds.
   (f) Under-reach extended ratings, 4,000 pounds.
   (g) Tow sling safe lift rating, 8,500 pounds.

(h) Safety chains (two each), five-sixteenths-inch alloy.

(i) Cab to axle dimension, eighty-four-inches.

(3) Class C tow truck or car carrier minimum ratings:

(a) Gross vehicle weight ratings, 30,000 pounds.

(b) Boom capacity, 50,000 pounds.

(c) Winching capacity, 50,000 pounds.

(d) Cable size and length, five-eighths-inch by 200 feet

(e) Under-reach retracted rating, 25,000 pounds.

(f) Under-reach extended ratings, 12,000 pounds.

(g) Tow sling safe lift rating, 12,000 pounds.

(h) Safety chains (two each), one-half-inch alloy.

(i) Cab to axle dimension, one hundred forty-four-inches.

(4) Class D tow truck or car carrier minimum ratings:

(a) Gross vehicle weight ratings, 52,000 pounds.

(b) Boom capacity, 70,000 pounds.

(c) Winching capacity, 50,000 pounds.

(d) Cable size and length, five-eighths-inch by 200 feet

(e) Under-reach retracted rating, 45,000 pounds.

(f) Under-reach extended ratings, 15,000 pounds.

(g) Tow sling safe lift rating, 12,000 pounds.

(h) Safety chains (two each), one-half-inch alloy.

(i) Cab to axle dimension, 180 feet.

Wrecker operator system means a system for the towing or removal of wrecked, disabled, or abandoned vehicles within the city's jurisdiction under which the city contracts with one or more wrecker operators for the towing or removal of wrecked, disabled, or abandoned vehicles from accident scenes, streets, or highways and includes a method for apportioning the towing assignments among the eligible wrecker operators through the creation of geographic zones.

(Ord. No. 9762, § 1(4), 12-8-83; Ord. No. 10537, § 1, 1-12-89; Ord. No. 10564, § 1, 3-23-89; Code 1980, § 42-74; Ord. No. 11382, § 2, 7-25-96; Ord. No. 11858, § 2, 11-16-99; Ord. No. 12885, § 1, 2-8-07; Ord. No. 14071, § 2, 6-9-22)

DIVISION 2. NONCONSENSUAL TOWING OF MOTOR VEHICLES FROM PRIVATE PROPERTY*

Sec. 42-105. License required; prohibition.

(a) No business enterprise shall engage in the business of recovering, towing, removing and storing of motor vehicles which are parked on private real property and parked without the permission of the owner of the private real property unless such business enterprise shall first apply for and obtain, and subsequently maintain in unrevoked status, a license.

(b) The requirement for a license hereinabove described is a requirement separate and apart from and in addition to any county or municipal requirements for local business tax receipts. The required license is a regulatory license and not a revenue license.

(c) Nothing herein shall be construed to mean that a natural person cannot work in or for such business enterprises without such license. There is no requirement that employees or agents of such business enterprises apply for and obtain the license provided for by this article. The practice of a business enterprise to consider persons as independent contractors or employees shall not be construed to permit avoidance of the requirement that the business enterprise itself apply for, obtain, and maintain a license.

(Ord. No. 9762, § 1(5), 12-8-83; Code 1980, § 42-75; Ord. No. 12885, § 1, 2-8-07)

*__Editor's note—__Ord. No. 12285, § 1, adopted October 10, 2002, changed the title of division 2 from "towing of motor vehicles" to "nonconsensual towing of motor vehicles from private property."

Sec. 42-106. Nature of and issuance of license and renewal.

(a) A license issued or renewed pursuant to the provisions of this article shall not be transferable from one business enterprise to another business enterprise. All licenses shall expire on September 30 of each year following the date of original issuance. Licenses shall be renewable annually.

(b) Licenses shall be issued in the name of the business enterprise meeting the standards and requirements for licensure.

(c) A business enterprise which has met the standards and requirements for licensure and which is otherwise qualified for licensure may be issued a license.

(d) The revenue collection division shall issue a license conditioned upon an indication of approval of the application by the chief of police and upon collection of a business tax as provided in chapter 31 of the City Code.
(Ord. No. 9762, § 1(6), 12-8-83; Ord. No. 10537, § 2, 1-12-89; Code 1980, § 42-76; Ord. No. 13142, § 11, 2-11-10; Ord. No. 13939, § 2, 11-19-20)

Sec. 42-107. Licensure procedure for business enterprises.

(a) *Application.* All business enterprises desiring to obtain an initial license or renew a previously issued and unrevoked license shall submit an application in writing to the revenue collection division on all prescribed forms. The application and all supporting documents shall be retained by the revenue collection division. All applications shall include:

(1) Name of the business enterprise.

(2) If the business enterprise is a corporation, the name, date and state under whose laws such corporation was organized, and if a foreign (out-of-state) corporation, whether authorized to do business in the State of Florida, the fictitious name under which the corporation may be doing business, the names of the principal officers, directors, resident agent and local representatives, and their business addresses.

(3) If the business enterprise is a partnership, the fictitious name under which the partnership may be doing business, the name, business address of each partner.

(4) If the business enterprise is a sole proprietorship, the fictitious name under which the sole proprietorship may be doing business, the name, business address of the natural person who owns, controls or directs the sole proprietorship.

(5) The signature of the president or vice-president of the applicant corporation, or the signature of a partner of the applicant partnership, or the signature of the natural person who owns, controls or directs the applicant sole proprietorship.

(6) Such other information and data as the chief of police may consider appropriate.

(b) *Standards for issuance of license.* The chief of police shall approve the application for issuance or renewal of a license hereunder where he/she finds:

(1) That the application has been fully completed and submitted;

(2) Reserved;

(3) That the application has been fully examined and considered by the police department;

(4) That the applicant business enterprise, if a corporation does not have as an officer or director a person who is or was an officer, director, partner or sole proprietor of a business enterprise which has a currently suspended license or has had its license revoked by action of the city manager as of the date of application;

(5) That the applicant business enterprise, if a partnership, does not have as a partner, a person who is or was an officer, director, partner or sole proprietor of a business enterprise which has a currently suspended license or has had its license revoked by action of the city manager within five years of the date of application;

(6) That the applicant business enterprise, if a sole proprietorship, does not have as the sole proprietor, a person who is or was an officer, director, partner or sole proprietor of a business enterprise which has a currently suspended license or has had its license revoked by the city manager within five years of the date of application; and

(7) That a license of the applicant is not currently under suspension.

(Ord. No. 9762, § 1(7), 12-8-83; Code 1980, § 42-77; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13939, § 2, 11-19-20)

Sec. 42-108. License revocation and regulations.

(a) *Revocation.* On its own motion or the written complaint of any person, the police department may investigate the action of a business enterprise licensed under this article and cause to be conducted a proceeding before the city manager, or his/her designated representative, to consider whether or not to revoke or suspend a license. Such license revocation or suspension proceeding shall be conducted substantially in accordance with the hearing provisions of the City Code. A finding of fact by the city manager, or his/her designee, that a licensed business enterprise has not complied with a regulation as hereinafter set forth shall be sufficient but not exclusive grounds for the city manager to revoke or suspend the license of a business enterprise. Revocation or suspension proceedings may be initiated on the basis of a recommendation from the towing review board, a body formed as a result of the city's cooperative effort with members of the towing industry engaged in removing vehicles from public property.

(b) *Regulations.* No business enterprise licensed under this article shall:

(1) Recover or tow a vehicle unless the business enterprise's tow truck or other vehicle used in towing shall clearly display, on the front of the tow truck or car carrier body, the towing license number in letters at least three inches high, and on the driver and passenger sides of the vehicle and/or doors, the licensee's name, in letters at least three inches high; and in letters at least one inch high, the licensee's principal address and telephone number; or

(2) Recover or tow or remove or store a vehicle unless the business enterprise shall file and keep on record with the city clerk and the police department a complete copy of the current rates charged for towing and storage of vehicles and copies of all written contracts or agreements between the business enterprise and property owners which relate to the towing and removal of vehicles;

(3) Pay or rebate money, or solicit or offer the payment or rebate of money, or other valuable consideration, to property owners from which vehicles may be towed or removed;

(4) a. Recover or tow or remove or store a vehicle unless notice is posted fulfilling the following requirements:

1. Notice, in the form of a sign structure, shall be prominently placed at each driveway access or curb cut allowing vehicular access to the property, within five feet from the public right-of-way line. If there are no curbs or access barriers, signs shall be posted not less than one sign for each 25 feet of lot frontage;

2. The notice shall clearly display:

i. In not less than two-inch-high, light-reflective letters on a contrasting background, that unauthorized vehicles will be towed away at the owner's expense;

ii. In not less than four-inch-high, light-reflective letters on a contrasting background, the words "tow-away zone";

iii. In not less than two-inch-high, light-reflective letters on a contrasting background, the days of the week and hours of the day during which vehicles will be towed away at the owner's expense where the property owner or business enterprise selectively causes the towing of vehicles dependent on the day of the week and hour of the day the vehicle is parked and if not on a 24-hour-a-day continuous basis;

iv. In not less than two-inch-high, light-reflective letters on a contrasting background, the name and telephone number of the towing business enterprise, if there exists a written contract between the property owner and business enterprise for the towing of vehicles;

v. In not less than one-inch-high, light-reflective letters on a contrasting background, an address or description of the location of the storage site; and

3. The sign structure displaying the required notices shall be permanently installed with the bottom of the sign not less than four feet above ground level and shall be continuously maintained on the property for not fewer than 24 hours before the towing or removal of vehicles;

b. The posting of notice requirements of subsection (b)(4)a above shall not be required where:

1. The private property on which a vehicle is parked is property appurtenant to and obviously a part of single-family type residences;

2. Notice is personally given to the owner or operator of the vehicle that the private property on which the vehicle is or will be parked is reserved or otherwise not available for unauthorized vehicles and the vehicle is subject to being removed at the owner's expense;

(5) Recover or tow or remove or store a vehicle except upon the express instruction and written authorization demonstrating a signature of the property owner or agent to the business enterprise requesting the tow or removal. Such agent shall not be an officer or employee of the business enterprise (as defined herein). No such instruction shall be considered to have been given by the mere posting of the notice requirement of subsection (b)(4)a of this section. No such instruction shall be considered to have been given by virtue of the mere terms of any contract or agreement between a business enterprise and a property owner. No such instruction shall be considered to have been given where the instruction occurs in advance of the actual unauthorized parking of the vehicle. No such instruction shall be considered to have been given where the instruction is general in nature and unrelated to specific, individual and identifiable vehicles which are already unauthorizedly parked. No such instruction shall be considered to have been given where the property owner or business owner has entered into an agreement with a third party, with or without compensation, for the purpose of providing such instruction;

(6) Tow or remove or store a vehicle where the registered owner or other legally authorized person in control of the vehicle

arrives at the scene of potential towing prior to towing or removal, except where:

a. The registered owner or other legally authorized person in control of the vehicle refuses to remove the vehicle;

b. The vehicle is connected to the towing or removal apparatus and the registered owner or other person in control of the vehicle refuses to pay a reasonable service fee of not more than one-half of the posted rate for such towing service as required by this article;

(7) Tow or remove a vehicle where there is a natural person occupying the vehicle;

(8) Recover or tow or remove or store a vehicle unless the business enterprise reports to the Miami Police Department, by an electronic towing reporting system which has been approved by the city manager, within 30 minutes of the completion of the recovery, towing, or removal. The electronic report shall include, but not be limited to, the following information related to the recovery, towing, or removal of the vehicle:

a. The name and address of the registered owner of the vehicle;

b. The location of the stored vehicle;

c. The date and time that the vehicle was towed, recovered, or removed;

d. A description of the stored vehicle, including the color, make, and model;

e. Vehicle license plate number and state;

f. Vehicle identification number (VIN); and

h. The location from where the vehicle was towed;

(9) Recover or tow or remove or store a vehicle unless the business enterprise shall maintain trip records relating to the previous calendar year. The trip records shall legibly indicate at a minimum:

a. The name of the business enterprise;

b. The date and times of the day in hours and minutes when a specific vehicle was recovered, towed, removed and stored;

c. The make, model, color, and license plate number of the specific vehicle;

d. The precise address or description of the location from which the specific vehicle was removed;

e. The full name of the property owner who expressly instructed the removal of the specific vehicle;

f. The precise address or description of the location of the storage site of the business enterprise to which the specific vehicle was removed and stored;

(10) Recover or tow or remove or store a vehicle unless the vehicle shall be towed directly to the business enterprise's storage site and the vehicle shall not be kept in any temporary holding area;

(11) Store or impound a towed vehicle at a distance that exceeds a ten-mile radius of the location from which the vehicle was recovered, towed and removed; however, notwithstanding the foregoing, where there is no business enterprise licensed under this article that is located within a ten-mile radius of the location from which the vehicle might be recovered, towed, and removed, then in that event, no business enterprise licensed under this article shall store or impound a towed vehicle at a distance that exceeds a 20-mile radius of the location from which the vehicle was recovered, towed, and removed;

(12) Recover or tow or remove or store a vehicle unless the business enterprise shall permit the registered owner to enter onto the storage site and remove and take into his/her possession and carry

away whatever goods, chattels, things, and documents are contained within the stored vehicle;

(13) Use physical force or violence, or threat of physical force or violence, in dealing with persons who have had or are about to have their vehicles recovered or towed or removed or stored; or

(14) Connect a vehicle to the towing or removal apparatus unless the yellow flashing light on the tow truck is in use as the vehicle is being connected.

(15) It shall be prohibited for a property owner or business enterprise to employ, with or without compensation, any individual, firm, company, or business, to serve as "spotters" who report the presence of unauthorized parked vehicles for purposes of towing.

(16) Prior to performing the tow or immobilization service, the business enterprise shall take a photograph of the front of the vehicle being towed, a photograph of the back of the vehicle being towed, a photograph of any existing damage that is readily seen on the vehicle being towed, and a photograph demonstrating the violation for which the vehicle is being towed. The photographs must be time and date stamped.

(17) It shall be unlawful for any unauthorized wrecker operator to respond to the scene of a traffic crash within the city for the purpose of directly or indirectly soliciting towing service for a disabled vehicle(s). Only authorized wrecker operators dispatched by the police department to a traffic crash scene involving a disabled vehicle(s) shall tow such vehicle(s). This subsection shall not preclude owners or operators of vehicles from requesting a specific business enterprise/wrecker operator of their choice.

(Ord. No. 9762, § 1(8), 12-8-83; Ord. No. 10537, § 3, 1-12-89; Ord. No. 10564, § 1, 3-23-89; Code 1980, § 42-78; Ord. No. 11382, § 2, 7-25-96; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13939, § 2, 11-19-20; Ord. No. 14071, § 2, 6-9-22)

Sec. 42-109. Penalties.

(a) A violation of any of the provisions of this chapter may be punished as provided in section 1-13. Violations of the prohibitions and regulations of this article shall additionally constitute offenses and violations of a city ordinance. Such violations may be punished by a fine not to exceed $500.00 for each successive violation as provided in chapter 2, article X of this Code.

(b) Any person who charges a vehicle owner a towing or storage charge in excess of the rate described herein is liable to the vehicle owner for three times the amount charged.

(c) Any owner or agent of the business enterprise in possession of any private property causing the removal of a vehicle parked on that property is liable to the vehicle owner for double the storage or towing charges whenever the owner or agent fails to comply with the regulations as set forth in section 42-108(b).

(d) Violations of the regulation or prohibition of this article shall result in suspension or revocation of the license of the business enterprise as set forth in section 42-108(a).
(Ord. No. 9762, § 1(9), 12-8-83; Ord. No. 10537, § 4, 1-12-89; Ord. No. 10564, § 1, 3-23-89; Code 1980, § 42-79; Ord. No. 13142, § 11, 2-11-10; Ord. No. 13939, § 2, 11-19-20)

Sec. 42-110. Maximum allowable rates for non-consensual towing, police towing and storage for providing tow services at the request of property owners or police agencies.

(a) The city hereby adopts and incorporates the maximum rates established by the Miami-Dade Board of County Commissioners pursuant to section 30-476 of the Miami-Dade County Code, as amended, for providing recovery, non-consent towing, removal and storage services at the request of a police agency, Miami Parking Authority or a property owner or authorized representative, with or without the prior consent of the vehicle owner or other authorized person in control of the vehicle. From time to time, the maximum rates may be altered, revised, increased

or decreased by the Miami-Dade Board of County Commissioners. Such increase or decrease by the Miami-Dade Board of County Commissioners shall also apply to the city.

(b) Business enterprises who provide nonconsensual towing services shall not charge in excess of the maximum allowable rates established by the Miami-Dade Board of County Commissioners. No person providing vehicle towing and storage services pursuant to this chapter shall charge any type of fee other than that which the Miami-Dade Board of County Commissioners has established as specific rates.

(c) In addition to the maximum rates that may be charged by business enterprises providing services pursuant to this section, the city shall impose an administrative fee on the registered owner or other legally authorized person in control of a vehicle in an amount not to exceed 25 percent of the maximum towing rate for each vehicle that is recovered, towed, removed, or stored within the city. The business enterprise shall collect the administrative fee from the registered owner or other legally authorized person in control of a vehicle and remit the fee upon receipt of a monthly invoice to the business enterprise for payment of the city's administrative charges. The administrative charges are due and payable upon receipt of such invoice. Failure to remit payment of the administrative charges within 15 days of the receipt of the invoice shall result in the suspension of the license and the city may seek additional recourse from the business enterprise as set forth in section 42-109.
(Ord. No. 13513, § 1, 4-9-15; Ord. No. 13939, § 2, 11-19-20)

Editor's note—Ord. No. 13513, § 1, adopted April 9, 2015, amended section 42-110 in its entirety to read as herein set out. Formerly, section 42-110 pertained to maximum towing and storage rates for nonconsensual towing of vehicles from private property, and derived from Ord. No. 10537, § 5, adopted January 12, 1989; Ord. No. 10564, § 1, adopted March 23, 1989; the Code of 1980, § 42-80; Ord. No. 11382, § 2, adopted July 25, 1996; Ord. No. 11426, § 2, adopted December 12, 1996; Ord. No. 12285, § 1, adopted October 10, 2002; and Ord. No. 13142, § 11, adopted February 11, 2010.

Sec. 42-111. Method of payment.

Persons operating or in charge of any storage facility where vehicles are stored pursuant to this article shall accept a valid bank credit card or cash for payment of towing and storage by a registered owner or the owner's agent claiming the vehicle. In addition, persons operating or in charge of the storage facility shall have sufficient moneys on the premises to accommodate and make change in, a reasonable monetary transaction.
(Ord. No. 10537, § 6, 1-12-89; Code 1980, § 42-81)

Sec. 42-112. Impoundment of a vehicle(s) by a law enforcement agency—Procedures for notice, hearing process and posting of cash or security bonds.

(a) *Notice.* The registered owner of a vehicle impounded by a law enforcement agency shall receive a notice by telephone or by mail from the towing company, pursuant to the time parameters contained herein, that a vehicle has been towed. The registered owner shall be advised of (i) the location of the vehicle, (ii) methods to redeem the vehicle, (iii) the registered owner's right to request

an adversarial hearing before an administrative hearing officer to contest the validity of the tow and the imposition of fees within seven working days of receipt of the notice, and (iv) the procedure for requesting such adversarial hearing.

(1) *By telephone.* If the registered owner was not present when the vehicle was towed, the towing company shall, within two business days of a tow, provide telephone notice to the registered owner, provided that the telephone number of the registered owner is readily available.

(2) *By mail.* If the telephone number is not readily available or the telephone call is unsuccessful, and to the extent allowable by law, tow companies shall make a good faith effort within three business days to mail the statutory lien notice letter as required by F.S. § 713.78, but in no case shall such notice be mailed any later than seven working days after the vehicle was towed.

(b) *Hearing process.* Following the city's receipt of the request for an adversarial hearing by the registered owner, the city shall schedule such hearing to take place before a hearing officer within 30 days. The hearing officer shall conduct a full adversarial hearing, and will render a decision in writing at the conclusion of the hearing. At the hearing, it shall be the city's burden to demonstrate the existence of probable cause as to the legality of recovery and the validity of the charges for the towing and impoundment of the vehicle. If no probable cause is found, the city is liable for the cost of the towing and associated charges. If the hearing officer finds that adequate notice by the tow company was not provided, the storage charges of the tow company cannot be collected and/or will be refunded for any charge caused by the inadequate notice. No vehicle shall be disposed of by the tow company or the city police prior to the conclusion of the hearing. Formal rules of evidence shall not apply at the hearing and hearsay and circumstantial evidence shall be admissible.

(c) *Bond procedure.* A registered owner may obtain the immediate release of an impounded vehicle by posting either a cash or security bond in an amount equal to the accrued towing and storage fee with the city police department.
(Ord. No. 12384, § 1, 7-17-03)

Editor's note—Ord. No. 12384, § 1, adopted July 17, 2003, enacted provisions intended for use as subsections (1)—(3). To preserve the style of this Code, and at the discretion of the editor, said provisions have been redesignated as subsections (a)—(c).

Secs. 42-113—42-115. Reserved.

DIVISION 3. IMMOBILIZATION/BOOTING OF MOTOR VEHICLES*

Sec. 42-116. Licenses required.

(a) *Local business tax receipt required.* It shall be unlawful for any property owner or immobilization/booting contractor to engage in the business of immobilization of motor vehicles parked on private property without permission or authority unless such property owner or immobilization/booting contractor first obtains a local business tax receipt in accordance with the provisions set forth in chapter 31, article II of this Code.

(b) *Immobilization/booting license required.* It shall be unlawful for any property owner or immobilization/booting contractor to engage in the business of immobilization/booting of motor vehicles parked on private property without permission or authority unless such property owner or immobilization/booting contractor first applies for and obtains an immobilization/booting license, hereinafter known as a "license".
(Ord. No. 13766, § 2, 5-10-18)

*__Editor's note—__Ord. No. 13766, § 2, adopted May 10, 2018, amended division 3 in its entirety to read as herein set out. Formerly, division 3 pertained to immobilization, and derived from Ord. No. 11858, § 2, adopted November 16, 1999; Ord. No. 12885, § 1, adopted February 8, 2007; Ord. No. 13142, § 11, adopted February 11, 2010.

Sec. 42-117. Requirements for issuance of license.

No property owner or immobilization/booting contractor shall be issued a license under this article unless there is proof of compliance with each of the following requirements:

(1) *Application.* All business enterprises desiring to obtain an initial license or renew a previously issued and unrevoked license shall submit an application in writing to the finance department on all prescribed forms. The application and all supporting documents shall be retained by the finance department. All applications shall include:

a. Name of the business enterprise.

b. If the business enterprise is a corporation, the name, date, and state under whose laws such corporation was organized, and if a foreign (out-of-state) corporation, whether authorized to do business in the State of Florida, the fictitious name under which the corporation may be doing business, the names of the principal officers, directors, resident agent, and local representatives, and the business address.

c. If the business enterprise is a partnership, the fictitious name under which the partnership may be doing business and the name and business address of each partner.

d. If the business enterprise is a sole proprietorship, the fictitious name under which the sole proprietorship may be doing business and the name and business address of the natural person who owns, controls, or directs the sole proprietorship.

e. The signature of the president or vice-president of the applicant corporation, the signature of a partner of the applicant partnership, or the signature of the natural person who owns, controls, or directs the applicant sole proprietorship, as applicable.

f. Such other information and data as the chief of police may consider appropriate.

(2) *Standards for issuance of license.* The chief of police shall approve the application for issuance or renewal of a license hereunder where the chief of police finds:

a. That the application has been fully completed and submitted;

b. That the application has been fully examined and considered by the Miami Police Department ("MPD");

c. That the applicant business enterprise, if a corporation, does not have as an officer or director a person who is or was an officer, director, partner, or sole proprietor of a business enterprise which has a currently suspended license or has had its license revoked by action of the city manager as of the date of the application;

d. That the applicant business enterprise, if a partnership, does not have as a partner a person who is or was an officer, director, partner, or sole proprietor of a business enterprise which has a currently suspended license or has had its license revoked by action of the city manager within five years of the date of the application;

e. That the applicant business enterprise, if a sole proprietorship, does not have as the sole proprietor, a person who is or was an officer, director, partner, or sole proprietor of a business enterprise which has a currently suspended license or has had its license revoked by the city manager within five years of the date of the application; and

f. That a license of the applicant is not currently under suspension.

(c) *Inspection of real property where immobilization/booting is used to enforce parking restrictions.* The property owner shall provide access to the city manager or designee for the city's representative to inspect the required signs on premises where immobilization/booting is used to enforce parking restrictions.
(Ord. No. 13766, § 2, 5-10-18)

Sec. 42-118. General requirements for vehicle immobilization/booting contractors; signage; unattended lots requirements; enforcement; exemptions; penalties.

(a) *General requirements.*

(1) It shall be unlawful for a vehicle immobilization/booting contractor to procure a license by fraudulent conduct or a false statement of a material fact.

(2) It shall be unlawful for a vehicle immobilization/booting contractor to pay in the form of a gratuity any person for information as to illegally parked vehicles.

(3) It shall be unlawful for a vehicle immobilization/booting contractor or property owner to pay or receive money, or solicit or accept the payment or receipt of money or other valuable consideration, for the right to engage in vehicle immobilization on a particular property. Any such payment shall be considered a kickback.

(4) It shall be unlawful for a vehicle immobilization/booting contractor to charge fees in excess of those set out in subsection 42-118(c).

(5) It shall be unlawful for a vehicle immobilization/booting contractor to immobilize any vehicle located on any portion of a public street within the city.

(6) Prior to immobilization/booting, the property owner's or immobilization/booting contractor's representative shall attempt to notify the owner, operator, or person legally in control of the vehicle to retrieve it promptly before any booting/immobilization. A verbal warning shall satisfy the requirements of this paragraph.

(7) Immobilization/booting shall be accomplished by placing one or more steel boots on the wheel(s) of the motor vehicle.

(8) Upon immobilization/booting, the booting/immobilization contractor shall immediately affix a warning notice in English, Spanish, and Creole on the driver's side window of the vehicle indicating that the vehicle is immobilized/booted, any attempt to move the steel boot will cause damage, providing the telephone number to contact for release of the immobilization/booting device, and the fee for the removal of the steel boot. The city shall provide the immobilization/booting contractor with a form copy of the warning sign simultaneously with the issuance of its license.

(9) An immobilized/booted vehicle that remains immobilized/booted on private property for more than 24 hours shall be assessed a fine of up to $25.00 per day that the vehicle remains on the lot and/or may be towed at the discretion of the owner of the premises.

(10) A vehicle immobilization/booting contractor must maintain a 24-hour a day, 365 days per year phone number that is staffed by a live operator to communicate immediately with the owner, operator, or person legally in control of the vehicle that has been immobilized/booted by the vehicle immobilization/booting service.

(11) It shall be unlawful for a vehicle immobilization/booting contractor to immobilize vehicles at any premises, off-street parking facility, vacant lot, or other private property without having a valid written contract specifically for such services entered into with the private property owner or lawful lessee thereof.

(12) It shall be unlawful for a vehicle immobilization/booting service or operator to fail to arrive on the site where it

has immobilized/booted a vehicle within 30 minutes of being contacted by the owner, driver, or person in charge of the vehicle. It shall also be unlawful for a vehicle immobilization/booting contractor to fail to release vehicles from immobilization/booting within 30 minutes after receipt of payment from the owner, operator, or person legally in control of the vehicle that has been immobilized/booted by a vehicle immobilization/booting device. Acceptable methods of payment shall include cash, credit cards, and debit cards.

(13) It shall be unlawful for a vehicle immobilization/booting contractor to fail to provide a receipt of payment of the booting fee to the owner, operator, or person legally in control of the vehicle. The receipt shall be sequentially numbered and have the name, address, and phone number of the vehicle immobilization/booting service or company and the name and signature of the person who applied/removed the boot or vehicle immobilization/booting device. The receipt shall also include a telephone number for the Miami Police Department Wrecker Detail which is responsible for receiving complaints with respect to immobilization/booting. Any such complaints shall be addressed by the city manager or designee, as provided in subsection 42-118(v). No charge shall be imposed for the booting of a vehicle unless and until the requirements of this section have been met. Any such unlawful charge shall be reimbursed by any person found to have violated this section.

(14) In the event that the application of a vehicle immobilization/booting device damages a vehicle, then the immobilization/booting contractor must pay the cost of repairs for that damage.

(15) In the event that the owner, operator, or person legally in control of the vehicle to which an immobilization/booting device has been applied attempts to operate said vehicle or remove the device, then the vehicle immobilization/booting contractor is not liable for any damage to that vehicle. Additionally, the owner, operator, or person legally in control of the vehicle will be liable to the vehicle immobilization/booting service for the cost of damage to the vehicle immobilization/booting device.

(16) The property owner or immobilization/booting contractor shall file with the city's risk management department and have in effect at all times an insurance policy or certificates of insurance in lieu thereof which shall indemnify or insure the property owner or immobilization/booting contractor for all claims of damage to property resulting from any action or operation in connection with the service performed, such amount to not be less than $20,000.00 for each incident.

(17) The property owner or immobilization/booting contractor shall file and maintain on record at all times with the city manager or designee a list of any and all current written contracts for immobilization/booting services on private real property within the city limits. The list shall be kept current and shall provide the city with (i) the address of the real property, (ii) the date of the agreement, (iii) the property owner's name, and (iv) contact information including a name and telephone number at the premises.

(18) The immobilization/booting contractor shall keep an immobilization/booting log with information including but not limited to date and time the vehicle was observed illegally parked; compliance with this article; date and time of immobilization/booting; location/address of the real property where the immobilization/booting took place; make, model, color, and license tag number of the vehicle immobilized/booted; and receipt number issued to the owner, operator, or person legally in control of the vehicle. In addition, the immobilization/booting contractor shall include in the log verification of vehicle ownership, the name of the person

removing the steel boot, and the name of the person requesting tow service, if applicable. All files, records, and logs shall be available for inspection on the subject premises during normal working hours by the city manager or designee. Said log shall be submitted to the city manager or designee on a bi-weekly basis along with the appropriate administrative fee as required by this article. Upon procurement by the city of an electronic centralized reporting system, the immobilization/booting contractor shall be required to submit such information in electronic format to the city's centralized reporting system.

(19) The immobilization/booting contractor shall call the MPD within 30 minutes after completion of immobilizing a vehicle and notify the MPD of the immobilization/booting; the site; the time the vehicle was immobilized/booted; and the make, model, color, and license plate number of the vehicle. The immobilization/booting contractor shall obtain the name of the person at the MPD to whom such information was reported and note it in its immobilization/booting log. Upon procurement by the city of an electronic centralized reporting system, the immobilization/booting contractor shall be required to submit such information in electronic format to the city's centralized reporting system.

(20) The immobilization/booting contractor shall conduct business in an orderly, ethical, and business-like manner at all times and shall use every means to obtain and keep the confidence of the motoring public. All public contact shall be in a courteous and orderly manner.

(21) The immobilization/booting contractor's employees or agents shall wear identification tags or uniforms with identification stating the full name of the contractor and the name of the employee or agent. No identification worn by a contractor's employees or agents shall use the words "enforcement", "department", "police", or "parking". Said identification shall be prominently displayed on the front left side of the employee's or agent's shirt. The contractor's employees or agents shall not wear uniforms that bear resemblance to police or off-street parking department officers. No badges may be worn by immobilization/booting contractors, employees, or staff. All vehicles used in connection with the immobilization/booting of vehicles shall be registered and insured in the name of the immobilization/booting contractor. All of the immobilization/booting contractor's vehicles shall display the contractor's name (or name of joint venture or individual owner or other entity ownership) on the driver's and passenger's side of the vehicle in letters at least three inches high. The contractor's address (or address of joint venture, individual owner, or other entity ownership) and telephone number shall be displayed on the driver's and passenger's side of the vehicle in letters at least one inch high. All such lettering required above shall be permanently affixed to the vehicle. Magnetic signs or lettering are not permissible. No contractor shall use the words "enforcement," "department," "police," or "parking" in its contractor name (or name of joint venture, fictitious name, or entity name).

(22) The immobilization/booting contractor shall respond in writing to any complaints received by the city manager or designee concerning misconduct on the part of the immobilization/booting contractor or its employees or agents, such as excessive charges, poor business practices, discourteous service, damage to vehicles, or failure to give notice as required by this article. The city manager or designee shall notify the immobilization/booting contractor of any complaints within five business days from receipt of the complaint. The immobilization/booting contractor shall provide any additional explanation or information with respect to the particular complaint within five days upon notifica-

tion. A written disposition of the complaint will be forwarded to the immobilization/booting contractor and the complainant upon completion of the investigation.

(23) It shall be unlawful for a property owner or an immobilization/booting contractor to employ, with or without compensation, any individual, firm, company, or business, to serve as "spotters" who report the presence of unauthorized parked vehicles for purposes of immobilization/booting.

(24) It shall be unlawful for an immobilization/booting contractor to immobilize/boot a vehicle except upon the express instruction and written authorization demonstrating a signature of the property owner or agent authorizing the immobilization/booting of the vehicle. For purposes of this subsection, the term "express instruction" shall mean a clear, definite, and explicit written request by a property owner or agent to a business enterprise relating to a specific vehicle which calls for the immobilization/booting of a specific and individual vehicle parked without permission of the property owner. Such agent shall not be an officer or employee of the immobilization/booting contractor. The term "express instruction" shall not mean a general request unrelated to a specific and individual vehicle or which precedes in time the actual parking of a vehicle. Express instruction shall not be deemed to have been given by the mere posting of the notice requirement set forth below. Express instruction shall not be deemed to have been given by virtue of the mere terms of any contract or agreement between an immobilization/booting contractor and a property owner. Express instruction shall not be deemed to have been given where the instruction occurs in advance of the actual unauthorized parking of the vehicle. Express instruction shall not be deemed to have been given where the instruction is general in nature and unrelated to specific, individual, and identifiable vehicles which are already parked without authorization.

(b) *Signage requirements.*

(1) Signs must be prominently placed at each driveway access or curb allowing vehicular access to the property within five feet from the public right-of-way line. The signs shall be light-reflective with lettering that is not less than two inches high. Where there is no designated entrance, such signs shall be clearly visible from each and every parking space.

(2) The signs must be affixed upon a sign structure which shall be permanently installed with the bottom of the signs not less than four feet above ground level and shall be continuously maintained on the property for not fewer than 24 hours before the immobilization/booting of vehicles. Where there is no designated entrance, such signs shall be six feet above site grade. There shall be two signs on the premises, sign "A" and sign "B". They may be mounted on the same pole with sign "A" on top. Sign "A" shall be a minimum of 18 inches tall and appear substantially as follows:

(3) Sign "B" shall contain the following information:

a. In letters at least two inches high, that unauthorized vehicles will be immobilized or towed away at the owner's expense;

b. In letter at least four inches high, the words immobilization/tow away zone;

c. In letters at least two inches high, the days of the week and hours of the day during which vehicles will be booted;

d. In letters at least one inch high, the fee and city administrative charge to remove a steel boot from a vehicle;

e. In letters at least one inch high, the name and address of the person performing the booting service;

f. In letters at least two inches high, the telephone number to call and the on-site location (if applicable) where a person can go to request a steel boot to be removed from a vehicle; and

g. In letters at least three-fourths of an inch high, MIAMI POLICE DEPARTMENT WRECKER DETAIL NUMBER: (insert current telephone number).

(4) All signage required by this article shall comply with all other applicable laws and regulations.

(c) *Maximum immobilization/booting rates.*

(1) The maximum rate for removal of an immobilization/booting or boot device on private property that may be collected from the vehicle owner/operator is $49.99.

(2) In addition to the maximum rates that may be charged by an immobilization/booting contractor providing services pursuant to this section, the city shall impose an administrative fee on the registered owner or other legally authorized person in control of a vehicle in an amount not to exceed 25 percent of the maximum immobilization rate for each vehicle that is immobilized/booted within the city. The immobilization/booting contractor shall collect the administrative fee from the registered owner or other legally authorized person in control of a vehicle and remit the fee upon receipt of a monthly invoice sent to the immobilization/booting contractor for payment of the city's administrative charges. The administrative charges are due and payable upon receipt of such invoice. Failure to remit payment of the administrative charges within 15 days of the receipt of the invoice may result in the suspension of the license and the city may seek additional recourse from the immobilization/booting contractor as set forth below.

(3) The maximum rate for removal of an immobilization/booting or boot device on private property when the immobilization/booting contractor is still at the scene that may be collected from the vehicle owner/operator is $25.00.

(d) *Unattended parking lot requirements.* For purposes of this section, the term "unattended parking lot" shall mean a privately-owned legally operating parking facility, whether a surface lot, garage, structure, or temporary parking lot whose parking inventory is made available to the general public in exchange for consideration, which is not secured by a parking access control system such as an arm barrier or like system, and which is not supervised by on-site parking lot attendant or security personnel.

No unattended parking lot owner or operator shall be permitted to utilize an immobilization/booting contractor unless they meet the following criteria:

(1) All unattended parking lots must use a pay by phone system as the exclusive payment system. No other payment systems are permitted.

(2) Prior to giving an immobilization/booting contractor express instruction to immobilize/boot a vehicle due to an expired parking session, the unattended parking lot owner or operator must first give users of the parking lot the option to extend the parking session by mobile application, mobile web, web page, or toll-free number at least 30 minutes before the parking session expires. It shall be unlawful for an immobilization/booting

contractor to immobilize/boot a vehicle for an expired parking session unless the unattended parking lot owner or operator first alerts the parking lot user via text message that the parking session will expire in 20 minutes.

(3) All unattended parking lot owners or operators must confirm on an application if a vehicle's license plate is paid in the operator's system prior to giving Express Instruction to immobilize/boot a vehicle.

(4) If the application is not operational, the unattended parking lot owner or operator must pull/print the paid vehicle report. The unattended parking lot owner or operator may then audit the lot and give express instruction to immobilize/boot vehicles whose tags are not on the paid list.

(5) The unattended parking lot must provide signage in addition to the requirements above that inform the motor vehicle owner or operator how to utilize the pay by phone system along with a toll-free number. The sign shall not instruct the motor vehicle owner or operator to display a parking receipt on the dash of any vehicle.

(6) A motor vehicle owner or operator who provides proof of payment shall not be subject to immobilization/booting. If such a vehicle is immobilized/booted, the immobilization/boot device must be released within 30 minutes by the immobilization/booting contractor at no charge to the owner, operator, or person legally in control of the vehicle.

(7) The unattended parking lot owner or operator must hold a valid permit, certificate of use and a business tax receipt in accordance with section 35-282 of this Code.

(e) *Enforcement; exemptions; penalties.*

(1) *Enforcement.* The city manager's designee shall enforce the provisions set forth in this division. This does not preclude other law enforcement agencies from any action as deemed necessary to assure compliance with all applicable laws. If an inspector finds a violation of this division, the inspector shall issue a notice of violation to the violator as provided in section 2-823 of this Code. The notice shall inform the violator of the nature of the violation, amount of fine for which the violator may be liable, instructions and due date for paying the fine, notice that the violation may be appealed by requesting an administrative hearing within ten days after service of the notice of violation, and that failure to do so shall constitute an admission of the violation and waiver of the right to a hearing.

If at any time a property owner or immobilization/booting contractor shall fail or refuse to comply with, or violates any of the provisions of this article, such property owner engaging the services of the immobilization/booting contractor shall be subject to prosecution under the city's code enforcement system, in accordance with the provisions set forth in chapter 2, article X, of this Code. Additionally, the city may seek injunctive relief and/or follow procedures to revoke and/or suspend the local business tax receipt in accordance with the provisions set forth in chapter 31, article II, of this Code, where there are repeated violations of this article.

(2) *Exemptions.* Nothing in this article shall affect the rules and regulations governing any person or firm engaged in the towing and removal of vehicles parked on private property within the city.

(3) *Penalties.* Penalties for violations of the provisions set forth in this division are hereby established as follows:

a. Fines for violations shall be as follows:

First offense.	$250.00
Repeat offense.	500.00

b. Revocation or suspension of immobilization/booting license. The city may revoke or suspend an

immobilization/booting license. On its own motion or the written complaint of any person, the police department may investigate the action of a immobilization/booting contractor licensed under this article and cause to be conducted a proceeding before the city manager, or his designated representative, to consider whether or not to revoke or suspend a license. Such license revocation or suspension proceeding shall be conducted substantially in accordance with the hearing provisions of the City Code. A finding of fact by the city manager or designee that a licensed business enterprise has not complied with a regulation as hereinafter set forth shall be sufficient but not exclusive grounds for the city manager to revoke or suspend the license of a business enterprise. In addition, the city may file a suit for injunctive relief to enjoin the operation of the contractor in violation of this division.

c. As an additional means for enforcement/collection and supplemental to the above, when a notice or record of any past due penalties which became due and payable to the city after the effective date of Ordinance No. 11858 is recorded in the public records of Miami-Dade County, said notice shall constitute a special assessment lien upon all real and personal property of the contractor owing such penalties, and shall remain a lien equal in rank and dignity with the lien of ad valorem taxes and shall be superior in rank and dignity to all other liens, encumbrances, titles and claims in to or against the property involved. Such liens may be foreclosed or levied upon in the manner provided by law.

d. In addition to the above, a violation of this article may be punished by imprisonment not to exceed 60 days or by imposition of a fine not to exceed $500.00, or both.

e. Revocation of business tax receipt. The city may also revoke the contractor's business tax receipt in accordance with the provisions set forth in chapter 31, article X, of this Code.

(Ord. No. 13766, § 2, 5-10-18; Ord. No. 13939, § 2, 11-19-20)

DIVISION 4. POLICE TOWS

Sec. 42-119. Police tows and Miami Parking Authority tows.

(a) The maximum tow rates for police and Miami Parking Authority tows shall be the same as provided in section 42-110.

(b) In addition to the maximum rates that may be charged by business enterprises providing services pursuant to this section, the city shall impose an administrative fee on the registered owner or other legally authorized person in control of a vehicle in an amount not to exceed 25 percent of the maximum towing rate for each vehicle that is recovered, towed, removed, or stored within the city. The business enterprise shall collect the administrative fee from the registered owner or other legally authorized person in control of a vehicle and remit the fee upon receipt of a monthly invoice to the business enterprise for collection of the city's administrative charges. The administrative charges are due and payable upon receipt of such invoice. Failure to remit payment of the administrative charges within 15 days of the receipt of the invoice shall result in the suspension of the license and the city may seek additional recourse from the business enterprise as set forth in section 42-109.

(Ord. No. 13513, § 1, 4-9-15; Ord. No. 13939, § 2, 11-19-20)

Editor's note—Ord. No. 13513, § 1, adopted April 9, 2015, amended section 42-119 in its entirety to read as herein set out. Formerly, section 42-119 pertained to maximum towing and storage rates for police department and department of off-street parking dispatched towing and wrecker service for private vehicles, and derived from Ord. No. 12285, § 1, adopted October 10, 2002; Ord. No. 12694, § 1,

adopted June 9, 2005; Ord. No. 12828, § 1, adopted July 13, 2006, and Ord. No. 13142, § 11, adopted February 11, 2010.

ARTICLE V. VEHICLE IMPOUNDMENT

Sec. 42-120. Definitions.

For the purpose of this article, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Commercial purpose. The words "commercial purpose" shall mean for the purpose of economic gain.

Commercial vehicle. The words "commercial vehicle" shall mean a vehicle that is owned or used by a business corporation, association, partnership or sole proprietorship or any other entity conducting business for a commercial purpose.

Dump. The word "dump" shall mean to dump, throw, discard, place, deposit, or dispose of.

Hazardous waste. The words "hazardous waste" shall mean solid waste, or a combination of solid waste, which because of its quantity, concentration, or physical, chemical, or infectious characteristics, may cause, or significantly contribute to an increase in mortality or an increase in serious irreversible or incapacitating reversible illness or may pose a substantial present or potential hazard to human health or the environment when improperly transported, disposed of, stored, treated, or otherwise managed.

Litter. The word "litter" shall mean any garbage, rubbish, trash, refuse, can, bottle, box, container, paper, tobacco products, tire, appliance, mechanical equipment or part, building or construction material, tool, machinery, wood, motor vehicle or motor vehicle part, vessel, farm machinery or equipment, sludge from a waste treatment facility, water supply treatment plant, or air pollution control facility, or substance in any form resulting from domestic, industrial, commercial, mining agricultural, or governmental operations.

Motor vehicle. The words "motor vehicle" shall mean an automobile, motorcycle, truck, trailer, semitrailer, truck, tractor, or semitrailer combination or any other vehicle that is powered by a motor.

Owner. The term owner shall have the same meaning as provided in F.S. § 316.003(26), as amended.

Person. The word "person" shall mean any individual, firm, sole proprietorship, partnership, corporation or unincorporated associations.

Vessel. The word "vessel" shall mean a boat, barge, or airboat or any other vehicle used for transportation on water.
(Ord. No. 11700, § 2, 9-28-98; Ord. No. 13088, § 2, 9-24-09)

Sec. 42-121. Impoundment of motor vehicles, controlled substances, prostitution, and illegal dumping of waste.

(a) A motor vehicle shall be subject to seizure and impoundment whenever a police officer has probable cause to believe that the vehicle:

(1) Contains any controlled substances or cannabis as defined in Chapter 893, Florida Statutes;

(2) Was used in the purchase, attempt to purchase, sale, or attempt to sell such controlled substances or cannabis;

(3) Was used to facilitate the commission of any act of prostitution, assignation or lewdness as defined in F.S. § 796.07; or

(4) Was used to dump litter in any manner as prohibited in F.S. § 403.413(4) (1997), in an amount exceeding 15 pounds in weight or 27 cubic feet in volume, but not exceeding 500 pounds in weight or 100 cubic feet in volume and not for commercial purposes; or

(5) Was used to dump litter as prohibited in F.S. § 403.413(4) (1997) in an amount exceeding 500 pounds in weight or 100 cubic feet in volume or in any quantity for commercial purposes, or dumps litter which is hazardous waste.

(b) Upon seizing the motor vehicle, the police officer shall:

(1) Provide for the towing of the vehicle pursuant to the city rotational wrecker system and all applicable towing procedures; and

(2) Provide written notice of such seizure and impoundment to all persons whom the city knows, or with reasonable investigation should know, have a legal interest in the subject property. The written notice shall advise the persons of the following:

a. The right to request a preliminary hearing pursuant to section 42-122 to contest the seizure and impoundment of the vehicle;

b. The right to request a preliminary hearing pursuant to section 42-122 to contest the seizure and impoundment of the vehicle and immediately retrieve the vehicle from the towing facility upon the posting with the city of a cash bond in the amount of $500.00, plus towing and storage costs; or

c. The right to waive the preliminary hearing and immediately retrieve the vehicle from the towing facility upon the payment of the $500.00 administrative penalty, plus towing and storage costs.

(c) The required notices to be given pursuant to this section shall be provided by hand delivery at the time of the seizure and impoundment of the vehicle to the person in control of the vehicle and all other persons whom the city knows, or with reasonable investigation should know, have a legal interest in the subject property by certified mail, return receipt requested, within 48 hours of the time of the impoundment excluding Saturdays, Sundays, and legal holidays.

(d) This section shall not apply and the vehicle shall not be seized or impounded if:

(1) The possession, use or sale of the controlled substance and/or cannabis is authorized by F.S. ch. 893 or ch. 499;

(2) The vehicle was reported stolen at the time that it is subject to seizure and impoundment;

(3) The vehicle was operating as a common carrier at the time it was subject to seizure and impoundment;

(4) A law enforcement agency has expressed its intent, in writing, to institute state forfeiture proceedings on the vehicle; or

(5) The vehicle is rented from a company engaged in the business of renting vehicles.

(Ord. No. 11445, § 2, 2-20-97; Ord. No. 11592, § 1, 1-13-97; Ord. No. 11621, § 2, 3-10-98; Ord. No. 11700, § 2, 9-28-98; Ord. No. 13088, § 2, 9-24-09; Ord. No. 13146, § 2, 3-11-10)

Sec. 42-122. Hearings, administrative civil penalty.

(a) The owner of the motor vehicle, or his/her agent or authorized representative shall make a written request for a preliminary hearing within five days from the date notice is received then:

(1) The city shall hold such hearings before a special master or alternate special master of the city within ten days of receipt of the written request, excluding Saturdays, Sundays, and legal holidays.

(2) At the hearing, the city shall have the burden to show that probable cause exists to believe that the motor vehicle is subject to impoundment and continued seizure under section 42-121. If the vehicle owner raises as a defense at the preliminary hearing that he/she was unaware that the vehicle was being used or was likely to be used in violation of this article, the city shall establish by a preponderance of the evidence that the owner either knew, or should have known after a reasonable inquiry, that the vehicle was being used or was likely to be used in criminal activity.

(3) The formal rules of evidence shall not apply at the hearing and hearsay and circumstantial evidence is admissible.

(4) If, after the hearing, the special master or alternate special master determines that probable cause exists to believe that the motor vehicle is subject to impoundment and continued seizure, he/she shall order the continued impoundment of the vehicle and set the date for a final hearing. The owner or his/her agent or authorized representative, if he/she has not already done so, may immediately retrieve the vehicle from the towing facility upon the posting with the city of a cash bond in the amount of $500.00, plus the accumulated costs of towing and storing the vehicle, without impairing the right to a final hearing.

(5) If, after the hearing, there is a finding of no probable cause, the vehicle shall be released forthwith to the owner or his/her agent or authorized representative without the imposition of the administrative civil penalty. If the owner, agent or authorized representative has already posted a bond for the immediate release of his/her vehicle, the bond shall be refunded to the owner, agent or authorized representative.

(b) The final hearing shall be scheduled and held, unless continued by order of the special master or alternate special master, no later than 30 days after the date that the vehicle was seized and impounded. At the final hearing, the city shall have the burden to show by clear and convincing evidence that the vehicle was used as set forth in subsections 42-121(a)(1) through (5). If the owner of the vehicle asserts as a defense that he/she was not aware that the vehicle was being used or was likely to be used in violation of this article, the city shall establish by a preponderance of the evidence that the owner either knew, or should have known after a reasonable inquiry, that the vehicle was being used or was likely to be used in violation of this article. If, after the hearing, a finding is made that the vehicle is subject to impoundment and seizure then the special master or alternate special master of the city shall enter an order finding the owner of record of the vehicle civilly liable to the city for an administrative civil penalty of up to $500.00, as outlined in subsection 42-121(b)(2), plus towing and storage costs. If, after the hearing, a finding is made that the city did not meet its burden of proof as set forth in this subsection or that one of the exceptions of subsection 42-121(d) applies, the vehicle shall be returned to the owner along with any cash bond posted.

(Ord. No. 11445, § 2, 2-20-97; Ord. No. 11592, § 1, 1-13-97; Ord. No. 11621, § 2, 3-10-98; Ord. No. 11700, § 2, 9-28-98; Ord. No. 13088, § 2, 9-24-09; Ord. No. 13142, § 11, 2-11-10; Ord. No. 13146, § 2, 3-11-10)

Sec. 42-123. Administrative civil penalty; payment.

If an administrative civil penalty is imposed pursuant to sections 42-121 and 42-122, such penalty shall constitute a debt due and owing the city and shall be independent of the city's return or release of the vehicle. If a cash bond has been posted pursuant to section 42-122, the bond shall be applied toward payment of the penalty.

(Ord. No. 11445, § 2, 2-20-97; Ord. No. 11592, § 1, 1-13-97)

Sec. 42-124. Return of vehicle; disposition of unclaimed vehicles.

Except as provided otherwise in section 42-122, an impounded vehicle shall be returned to its record owner, or to the person who is legally entitled to possess the vehicle, upon his/her payment of the administrative civil penalty to the city, plus towing and storage fees, unless the vehicle had been sold or otherwise disposed of to satisfy a judgment or enforce a lien as provided by law.

Vehicles which remain unclaimed after a final determination is made by a special master shall be disposed of pursuant to Florida Statutes and all other applicable laws.

(Ord. No. 11445, § 2, 2-20-97; Ord. No. 11592, § 1, 1-13-97; Ord. No. 11700, § 2, 9-28-98)

Sec. 42-125. Appeal.

The owner of the motor vehicle that has been the subject of a seizure and impoundment pursuant to sections 42-121 and 42-122 or the city may

appeal the final ruling and decisions of the special master or the alternate special master of the city, to the circuit of the 11th Judicial Circuit of Dade County, Florida, within 30 days of the date of the final order being appealed. The city may charge the appellant a reasonable fee for preparation of the record for purposes of making the appeal.
(Ord. No. 11445, § 2, 2-20-97)

Chapter 45

PUBLIC ORDER*

Sec. 45-1.	Definitions.
Sec. 45-2.	Declaration of state of emergency by the mayor.
Sec. 45-3.	Emergency measures—Effect of declaration of emergency.
Sec. 45-4.	Same—Designated.
Sec. 45-5.	Filing and publication of state of emergency and emergency measures.
Sec. 45-6.	Duration and termination of state of emergency.
Sec. 45-7.	Designation of public shelters.
Sec. 45-8.	Prohibition against unconscionable prices (price gouging) during a declared state of emergency

*__State law reference—__Preservation of public peace by local authority, F.S. § 870.041 et seq.

Sec. 45-1. Definitions.

For the purposes of this chapter, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Alcoholic beverage: Shall mean beverages including liquor, wine or beer containing more than one-half of one percent of alcohol by weight.

Firearm: Any revolver, pistol, automatic-loading pistol, shotgun or rifle, machine gun, submachine gun, machine pistol or any fully automatic weapon capable of firing more than one shot at each pull of the trigger.
(Code 1967, § 45A-1; Code 1980, § 45-1)

Sec. 45-2. Declaration of state of emergency by the mayor.

Whenever the mayor determines that there has been an act of violence or a flagrant and substantial defiance of or resistance to a lawful exercise of public authority, and that, partly on account thereof, there is reason to believe that there exists a clear and present danger of a riot or other general public disorder, widespread disobedience of the law, and substantial injury to persons or to health, safety, welfare or protection of persons, or damage to property, all of which constitutes a threat to public peace or order and to the general welfare of the city or a part or parts thereof, the mayor may declare that a state of emergency exists within the city or any part or parts thereof, in accordance with the provisions of the city Charter, even in the absence of a declaration of a state of emergency at the county, state, and/or federal level.
(Code 1967, § 45A-2; Code 1980, § 45-2; Ord. No. 11564, § 16, 10-28-97; Ord. No. 12585, § 2, 9-9-04)

Sec. 45-3. Emergency measures—Effect of declaration of emergency.

Whenever the mayor declares that a state of emergency exists, in accordance with the provisions of the city Charter, the emergency measures provided in section 45-4 shall thereupon be in effect during the period of such emergency and throughout the city, and the city manager may order and promulgate all or any of the emergency measures provided in section 45-4, in whole or in part, and with such limitations and conditions as he/she may deem appropriate, and any such emergency measure so ordered and promulgated shall thereupon be in effect during the period of such emergency, and in the area or areas for which the emergency has been declared. Upon the declaration of an emergency by the city manager, as soon as practicable, the commission shall immediately convene for the purpose of determining whether or not an emergency does exist. Their finding in the matter shall be conclusive. Upon finding that no emergency does in fact exist, this chapter shall not be operative.
(Code 1967, § 45A-3; Code 1980, § 45-3; Ord. No. 11564, § 16, 10-28-97; Ord. No. 13676, § 2, 4-27-17)

Sec. 45-4. Same—Designated.

The following are designated as emergency measures:

(1) The city manager shall establish curfews under such terms and conditions as he/she deems necessary for the preservation of peace, health, and safety for the citizenry, including, but not limited to, the prohibition of or restrictions on pedestrian and vehicular movement, standing and parking, and any person violating the terms of the curfew as established by the city manager shall be subject to the penalty set out in section 1-13. The city manager may make such exceptions to this curfew as may be necessary for the provision of designated essential services such as fire, police and hospital services, including the transportation of patients thereto, utility emergency repairs and emergency calls by physicians.

(2) The sale of any alcoholic beverage is prohibited.

(3) The possession on the person in a public place of any portable container containing any alcoholic beverage is prohibited.

(4) The city manager may, in his/her discretion, close places of public assemblage,

with designated exceptions, and assemblage by any person or persons in such closed place is prohibited.

(5) The sale or other transfer of possession, with or without consideration, of gasoline or any other flammable or combustible liquid or gas, except by delivery into a tank properly affixed to an operable motor-driven vehicle, bike, scooter, boat or airplane and necessary for the propulsion thereof, is prohibited.

(6) The possession in a public place of any portable container containing gasoline or any other flammable or combustible liquid or gas is prohibited.

(7) There will be a prohibition against unconscionable prices (price gouging) during a declared state of emergency. The declared state of emergency may be at the municipal, county, state, and/or federal level.

(Code 1967, § 45A-4; Code 1980, § 45-4; Ord. No. 12585, § 2, 9-9-04; Ord. No. 13293, § 3, 11-17-11; Ord. No. 13676, § 2, 4-27-17)

State law reference—Emergency measures, F.S. §§ 870.044, 870.045.

Sec. 45-5. Filing and publication of state of emergency and emergency measures.

Any state of emergency or emergency measure declared or ordered and promulgated by virtue of the terms of this chapter shall, as promptly as practicable, be filed in the office of the city clerk, and immediate notice thereof given to the chief of police, in writing. The city manager is authorized to give notice thereof to the appropriate news media for publication and for radio and television stations. The city manager shall forthwith cause to be published in a daily newspaper a notice of the state of emergency.
(Code 1967, § 45A-5; Code 1980, § 45-5)

Sec. 45-6. Duration and termination of state of emergency.

A state of emergency established under this chapter shall commence upon the declaration thereof by the mayor as set forth in section 45-2 and shall terminate at the end of 72 hours unless prior to the end of such 72-hour period the city commission shall, by resolution, terminate such state of emergency or shall declare an additional period of time for which the state of emergency shall exist. If the city commission fails to extend the state of emergency, the state of emergency is terminated.
(Code 1967, § 45A-6; Code 1980, § 45-6; Ord. No. 11564, § 16, 10-28-97)

State law reference—Similar provisions, F.S. § 870.047.

Sec. 45-7. Designation of public shelters.

The city manager is hereby authorized to designate public buildings and facilities as shelters in time of emergency. The interference by any person or persons in the operation of the shelters is prohibited.
(Code 1967, § 45A-7; Code 1980, § 45-7)

Sec. 45-8. Prohibition against unconscionable prices (price gouging) during a declared state of emergency.

(a) As used in this section:

Average retail price means the average price at which similar merchandise or services was sold during the 30 days immediately preceding the declaration of emergency.

Commodity means any goods, services, materials, merchandise, supplies, equipment, resources, other article of commerce, and includes, without limitation, food, water, ice, chemicals, petroleum products, and lumber necessary for consumption or use as a direct result of an emergency.

State of emergency means an occurrence or threat thereof, whether accidental, natural, or man-made, during times of war or in peace, which results or may result in substantial injury or harm to the population or substantial damage to or loss of property in the city, county, state, and/or nation. Declaration of a state of emergency may be made at the federal, state, county and/or municipal level.

(b) It is prima facie evidence that a price is unconscionable if:

(1) The amount charged represents a gross disparity between the price of the commodity or rental or lease of any dwelling unit or self-storage facility that is the subject of the offer or transaction and the average price at which that commodity or dwelling unit or self-storage facility was rented, leased, sold, or offered for rent or sale in the usual course of business during the 30 days immediately prior to a declaration of a state of emergency, and the increase in the amount charged is not attributable to additional costs incurred in connection with the rental or sale of the commodity or rental or lease of any dwelling unit or self-storage facility, or national or international market trends; or

(2) The amount charged grossly exceeds the average price at which the same or similar commodity was readily obtainable in the trade area during the 30 days immediately prior to a declaration of a state of emergency, and the increase in the amount charged is not attributable to additional costs incurred in connection with the rental or sale of the commodity or rental or lease of any dwelling unit or self-storage facility, or national or international market trends.

(c) Upon a declaration of a state of emergency applicable to any portion of the city by the President of the United States, the governor of the state, the mayor of Miami-Dade County, and/or the mayor of the city, it shall be unlawful for a person or business, or their agent or employee, to rent or sell or offer to rent or sell at an unconscionable price, within the area for which the state of emergency is declared, any essential commodity including, but not limited to: food, water, ice, chemicals, petroleum products, lumber, supplies, services, provisions, or equipment, or any dwelling unit or self-storage facility, that is necessary for consumption or use as a direct result of the emergency. This prohibition shall remain in effect until the declaration expires or is terminated.

(d) A price increase approved by an appropriate government agency shall not be a violation of this section.

(e) This section shall not apply to sales by growers, producers, or processors of raw or processed food products, except for retail sales of such products to the ultimate consumer within the area of the declared state of emergency.

(f) In addition to the remedies elsewhere provided in this section, the city manager or his or her designee shall have the authority to institute a civil action in a court of competent jurisdiction:

(1) To seek temporary or permanent, prohibitory or mandatory injunctive relief to enforce compliance with or prohibit the violation of this section;

(2) To impose and recover a civil penalty in an amount of not more than $10,500.00 for each violation of this section; and

(3) To recover any sums and costs expended by the city in tracing, investigating, preventing, controlling, abating or remedying violation of this section. Each day during which any portion of such violation occurs, constitutes a separate violation. In any such action in which the city prevails, the court shall award the city reasonable attorney's fees.

(g) The city manager or his or her designee shall have the power to investigate compliance with the requirements of this section and incident thereto may subpoena witnesses, administer oaths, and require the production of records.

(h) Any violation of this section may be enforced by the city in an administrative hearing before a code enforcement board or special master and by the Miami-Dade County state attorney's office. Each occurrence of unconscionable pricing (price gouging) shall constitute a separate violation and/or offense.

(i) In addition to the remedies elsewhere provided in this section, any person found guilty of violating any provision of this section may be punished by a fine not to exceed $500.00 for each

violation, or may be arrested and/or imprisoned in the county jail for a period not to exceed 60 days, or both.
(Ord. No. 12585, § 2, 9-9-04; Ord. No. 13142, § 12, 2-11-10)

Chapter 46

PUBLIC NUISANCES*

Sec. 46-1. Definitions.
Sec. 46-2. Nuisance abatement board.
Sec. 46-3. Procedures.
Sec. 46-4. Conduct of hearings.
Sec. 46-5. Post hearing.
Sec. 46-6. Enforcement of orders.
Sec. 46-7. Appeals.
Sec. 46-8. Enjoining of nuisances.
Sec. 46-9. Costs.
Sec. 46-10. Prostitution, sexual activity, assignation, lewdness, soliciting or manifesting an intent to solicit prostitution, sexual activity, assignation, or lewdness.

*__Charter reference—__Power of city to abate nuisances, § 3(p).
__State law reference—__Public nuisances, F.S. chs. 381—386.

Sec. 46-1. Definitions.

For the purpose of this chapter a "public nuisance" is defined as any place or premises that has been used:

(1) On more than two occasions within a six-month period, as the site of a violation of F.S. § 796.07 as amended, entitled "Prohibiting prostitution, etc.";

(2) On more than two occasions within a six-month period, as the site of the unlawful sale, delivery, manufacture, or cultivation of any controlled substance;

(3) On one occasion as the site of the unlawful possession of a controlled substance, where such possession constitutes a felony and that has been previously used on more than one occasion as the site of the unlawful sale, delivery, manufacture, or cultivation of any controlled substance;

(4) By a criminal street gang for the purpose of conducting a pattern of criminal street gang activity as defined by F.S. § 874.03 as amended; or

(5) On more than two occasions within a six-month period, as the site of a violation of F.S. § 812.019 as amended, relating to dealing in stolen property.

(6) On more than two occasions within a six-month period, as the site of a violation of any combination of the following:

a. F.S. § 782.04, relating to murder;

b. F.S. § 782.051, relating to attempted felony murder;

c. F.S. § 784.045(1)(a)2., relating to aggravated battery with a deadly weapon; or

d. F.S. § 784.021(1)(a), relating to aggravated assault with a deadly weapon without intent to kill.

Such property may be declared to be a public nuisance, and such nuisance may be abated pursuant to the procedures provided in this chapter.

For the purpose of this chapter "operator" means an owner or person having possession or charge of as agent or otherwise having interest in or control of the building, place or premises.

For the purpose of this chapter, "complaint" shall mean the official process by which cases are initiated and brought before the nuisance abatement board.

Notwithstanding any other law, a rental property that is declared a nuisance under this section may not be abated or subject to forfeiture under the Florida Contraband Forfeiture Act if the nuisance was committed by someone other than the property owner and the property owner commences rehabilitation of the property within 30 days after the property is declared a nuisance and completes the rehabilitation within a reasonable time thereafter.
(Ord. No. 12470, § 2, 1-8-04; Ord. No. 13988, § 2, 4-8-21)

Editor's note—Ord. No. 12470, § 2, adopted January 8, 2004, repealed and reenacted § 46-1 to read as herein set out. Formerly, § 46-4 pertained to similar subject matter and derived from Ord. No. 10883, § 1, adopted May 9, 1991; Ord. No. 10990, § 2, adopted June 11, 1992; the Code of 1980, § 45.5-1; and Ord. No. 11573, § 2, adopted November 26, 1997.

Sec. 46-2. Nuisance abatement board.

(a) *Created; membership; terms; compensation.*

(1) The code enforcement board is hereby designated and established as the nuisance abatement board (the "board").

(2) The terms of office of the board members shall coincide with the terms of office of the code enforcement board members.

(3) Members shall serve without compensation but may be reimbursed for such travel, mileage, and per diem expenses as may be authorized by the city manager.

(b) *Hearings; administrative staff support; board case files, documents.*

(1) The chairperson of the board may call hearings of the board. Hearings may also be called by written notice signed by at least three members of the board. The

clerk of the board may also set future hearing dates. The board shall attempt to convene no less than once every month but may meet more than once every month as the board may deem necessary as provided herein. Minutes shall be kept of all hearings and all hearings shall be open to the public. The board may rely on advice from independent legal counsel who shall be appointed by the city attorney. The city commission, by and through the city manager shall provide all necessary clerical and administrative staff support to the board, including space and necessary expenses which may be reasonably required by the board for the proper performance of its duties.

(2) The city manager shall designate clerical and administrative personnel as may be reasonably required for the proper performance of the board's duties. The clerk so designated in writing by the city manager shall be the custodian of all board case files and documents pertaining thereto and shall have the authority to certify orders and other documents issued by the board; the clerk shall adopt and use an official seal for this purpose; the clerk is also empowered to administer an oath to witnesses appearing before said board and to issue subpoenas in the name of the board for service of process by any city police officer.

(3) The city attorney or designee thereof shall represent the city as prosecutor and present cases before the board, and shall not therefore act as counsel for the board.

(4) In the event that the city owns or operates a building, place or premises which is the subject of a nuisance complaint, the law department shall prosecute the complaint and the city attorney must receive commission approval to retain independent counsel to defend in the city's defense.

(Ord. No. 10883, § 1, 5-9-91; Ord. No. 10990, § 2, 6-11-92; Ord. No. 11130, § 15, 3-24-94; Ord. No. 11189, § 5, 10-27-94; Code 1980, § 45.5-2; Ord. No. 11373, § 10, 6-27-96; Ord. No. 11564, § 17, 10-28-97; Ord. No. 13349, § 2, 11-15-12)

Sec. 46-3. Procedures.

(a) *Written complaint; reports.*

(1) Any employee, officer of the city or any resident of the city, may file a written complaint under oath with the department of police after giving not less than three days' notice of such complaint to the owner of the place or premises regarding a public nuisance as defined herein. Notice of the complaint shall be sent to the owner at his/her last known address. "Notice," as used in this subsection, shall be given to the operator at the operator's last known address by mailing through the use of certified mail of written material informing the operator of the complaint to be filed. The operator shall notice any tenant, lessee, and lessor of the complaint.

(2) The complaint shall state facts that reasonably tend to establish the existence of a public nuisance located within the city. Such complaint of a public nuisance shall only be for those as enumerated in section 46-1 and city Charter section 3(p).

(3) Any police officer making an arrest or substantiating an incident or occurrence of any statutory violation(s) or violations of section(s) set forth herein or any public service aide substantiating an incident or occurrence of a breach of any section(s) set forth herein and pursuant to information or independent observation shall submit a copy of every such report and/or offense incident report to the office of the chief of police or designee thereof who shall process all such reports and determine when the requisite number of occurrences or violations have taken place as set forth in section 46-1.

(b) *Processing; review of case.*

(1) In each case where such determination has been made in accordance with subsection (a) above, the case shall be processed through the office of the chief of police and forwarded to the city attorney for his/her determination that such case is sufficient for presentation to the board for its consideration and disposition as provided herein.

(2) The city attorney, or designee thereof, upon receipt of verification by the office of the chief of police that all administrative prerequisites have been satisfied shall direct the clerk of the board to prepare a case folder for a complaint related to the maintenance of the public nuisance as defined in section 46-1. The city attorney or designee thereof prior to presenting a case to the board shall review the case for legal sufficiency and, if applicable, shall promptly notify the clerk of the board of any legal insufficiencies in the case.

(c) *Hearings; hearing notices.*

(1) The clerk of the nuisance abatement board shall schedule all hearings and issue hearing notices servicing the same (a) by sending written notice of the hear-

ing by certified mail, return receipt requested, or (b) by hand delivering the written notice to the operator of the premises at the operator's last known address at least 15 calendar days prior to the scheduled hearing. If an attempt to serve notice upon the owner(s) and operator(s) by hand delivery or certified mail is unsuccessful, service of the notice of the hearing may be made by posting the premises as provided in F.S. ch. 48, such posting to take place not less than ten days before the scheduled hearing date. The operator shall be responsible for the notice, to any tenant, lessee or lessor, of a hearing.

(2) The notice of hearing shall include a:

a. Statement of the time, place, and nature of the hearing;

b. Statement of the legal authority and jurisdiction under which the hearing is to be held;

c. Reference to the particular sections of the statutes and/or ordinances involved; and

d. A short and plain statement of facts summarizing the incidents complained of.

(Ord. No. 10883, § 1, 5-9-91; Ord. No. 10990, § 2, 6-11-92; Code 1980, § 45.5-3; Ord. No. 11573, § 2, 11-26-97)

Sec. 46-4. Conduct of hearings.

(a) The city attorney, or designee thereof, shall present evidence before the board on behalf of the city. All parties shall have an opportunity to present evidence and argument on all issues involved, conduct cross examination and submit rebuttal evidence, and to be represented by counsel.

(b) The board may consider any evidence, including evidence of the general reputation of the place or premises. All testimony shall be given under oath and shall be recorded. Formal rules of evidence shall not apply, but fundamental due process shall govern the proceedings. Orders of the board shall be based upon competent and substantial evidence.

(c) The city attorney or his/her designee shall have the burden of proving the existence of an unlawful public nuisance by clear and convincing evidence.

(d) If the alleged violator(s) has been properly noticed in regard to the hearing before the board and fails to appear, the board may proceed with a hearing in absentia on the merits of the alleged violation. Any findings or orders resulting from such hearing are valid and binding upon the violator(s).

(Ord. No. 10883, § 1, 5-9-91; Ord. No. 10990, § 2, 6-11-92; Code 1980, § 45.5-4; Ord. No. 13676, § 2, 4-27-17)

Sec. 46-5. Post hearing.

(a) At the conclusion of the hearing and after considering all evidence presented at such hearing, the board is authorized to issue findings of fact based upon the evidence presented and made part of the record that a public nuisance does not exist or that an unlawful public nuisance does exist.

(b) Upon finding that an unlawful public nuisance does exist the board shall immediately order any one or all of the following:

(1) The discontinuance of the nuisance;

(2) The closing of the place or premises;

(3) The prohibition of conduct, operation, or maintenance of any business or activity on the premises, and/or business or activity which is conducive to the maintenance of such nuisance, which prohibition may include the suspension or revocation of any city local business tax receipt issued or renewed pursuant to the provisions of chapter 31;

(4) The payment to the city by the operator(s) of a fine of $250.00 for an initial finding by the board of the existence of a public nuisance and $500.00 for each

subsequent finding in, at or on the same premises pursuant to F.S. §§ 823.01 and 775.083(e); or

(5) The board may order any combination of subsection (b)(1), (2), (3) or (4) hereinabove.

(c) For purposes of subsection (b) above, the nuisance abatement board shall function as the designee of the city manager for consideration of nuisance-related suspension or revocation of any local business tax receipt and the board hearings shall be in lieu of section 31-48 hearing.

(d) The findings and orders shall be by motion approved by a majority of those present and voting. Any motion failing to obtain the required vote shall preclude the issuance of such findings and order.

(e) An order entered pursuant to this chapter shall expire after one year or at such earlier time as stated in the order. The board may retain jurisdiction to modify the orders prior to the expiration of the orders, where just cause is found to exist.

(f) The board may bring a complaint under F.S. § 60.05 seeking a permanent injunction against any nuisance described herein.
(Ord. No. 10883, § 1, 5-9-91; Ord. No. 10990, § 2, 6-11-92; Code 1980, § 45.5-5; Ord. No. 12885, § 1, 2-8-07)

Sec. 46-6. Enforcement of orders.

(a) The city attorney is authorized to initiate contempt proceedings in the circuit court of the 11th judicial circuit for willful disobedience or failure to comply with any order of the board.

(b) Further, the city attorney is authorized to initiate proceedings in any county, state or federal forum for the suspension or revocation of any permits, licenses, concessions or contracts held or awarded to the violator including contracts awarded under F.S. § 24.112 and including licenses for the sale of beverages issued under F.S. § 561.19 where the existence of such permits, licenses, concessions or contracts is conducive to the maintenance of such nuisance.

(c) Orders of the nuisance abatement board issued pursuant to this chapter shall be posted at the place, building, or premises where the public nuisance exists, existed or is occurring, in violation of the law and shall be sent by certified mail to the owner of record of such place, building, or premises within two business days of the posting.

(d) Five business days after the posting of an order issued pursuant to the nuisance abatement board, city police officers shall be authorized to act upon and enforce such orders in accordance with section 46-5 hereof.
(Ord. No. 10883, § 1, 5-9-91; Code 1980, § 45.5-6)

Sec. 46-7. Appeals.

An aggrieved party, including the city, may appeal a final order of the nuisance abatement board to the appellate division of the circuit court of the 11th judicial circuit. Such an appeal shall not be a hearing de novo but shall be limited to appellate review of the record created before the nuisance abatement board. An appeal shall be filed within 30 days of the date of the written order appealed from.
(Ord. No. 10883, § 1, 5-9-91; Code 1980, § 45.5-7)

Sec. 46-8. Enjoining of nuisances.

When any business person, party or entity is found to be erecting, establishing, continuing, maintaining ownership or to be leasing the use of any building, places or premises located in the city and in which the health of the community is threatened or the morals and welfare of the people are injured and in which any nuisance exists, as defined in F.S. chs. 823, 893, 796 or 849 or any of the Code sections as stated herein, such business persons, parties or entities may be sued by the city attorney in the name of the State of Florida or by any citizen of the city for such relief and damages as may be recognized by law.

(1) The nuisance abatement board may bring a complaint under F.S. § 60.05 and seek a permanent injunction against any public nuisance.

(2) All powers and rights conferred by this section shall be in addition to and supplemental to those conferred by any

other general or special laws governing public nuisances and shall be liberally construed to effectuate the purpose of this chapter.

(Ord. No. 10883, § 1, 5-9-91; Code 1980, § 45.5-8)

Sec. 46-9. Costs.

In the event that the board declares a place or premises to be a nuisance and issues an order pursuant to subsection 46-5(b) above, the board shall assess against the owner of the place or premises the costs which the city has incurred in the preparation, investigation, and presentation of the case. These costs shall be due and payable ten days after the written order of the board has been filed. A certified copy of an order imposing a fine and/or costs may be recorded in the public records and thereafter shall constitute a lien against the land on which the violation exists or, if the violator does not own the land, upon any other real or personal property owned by the violator; and it may be enforced in the same manner as a court judgment by the sheriffs of this state including levy against the personal property, but shall not be deemed to be a court judgment except for enforcement purposes. After one year from the filing of any such lien which remains unpaid, the city may foreclose or otherwise execute on the lien. Interest shall accrue on the unpaid costs at the legal rate of interest set forth in F.S. § 55.03, as may be amended from time to time.

(Ord. No. 11130, § 16, 3-24-94; Code 1980, § 45.5-9; Ord. No. 11573, § 2, 11-26-97)

Sec. 46-10. Prostitution, sexual activity, assignation, lewdness; soliciting or manifesting an intent to solicit prostitution, sexual activity, assignation, or lewdness.

(a) This section may be referred to as the "Prostitution Ordinance." Nothing herein shall be construed as prohibiting mere loitering in any public place.

(b) *Definitions.* The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

(1) *Prostitution* shall have the meaning as set forth in F.S. § 796.07(1), as the same may be amended from time to time.

(2) *Within public view* means within areas generally accessible by or visible to the public, including streets, sidewalks, bridges, alleys, plazas, parks, driveways, parking lots, unenclosed automobiles (whether moving or not), doorways and entrances to buildings or dwellings and the grounds surrounding them and buildings open to the general public, including those which serve food or drink or provide entertainment. The interior enclosed portion of a structure not open to the general public shall not be considered "within public view."

(3) *Sexual activity* shall have the meaning as set forth in F.S., § 796.07(1), as the same may be amended from time to time, and shall also include any act of lewdness or assignation as those terms are defined herein.

(4) *Assignation* means to make any appointment or engagement for prostitution or lewdness or any act in furtherance of such appointment or obscene act.

(5) *Lewdness* means to give or receive the body for hire for an indecent or obscene act.

(6) *Solicit* means inducing, asking, enticing, requesting or otherwise encouraging a person to commit a crime. The crime solicited need not be committed.

(7) *Previously verified pattern of solicitation activity* means the occurrence of a series of activities, in close temporal proximity to each other, three or more of which meet each of the following criteria:

a. The activities are those activities described in subsection (d).

b. The activities are the same activities that precede, in close temporal proximity, a prior solicitation for prostitution assignation or lewdness, for which the person engaging in the activities was convicted.

c. The activities occur within one year of the date of conviction required in subsection (b).

(c) It shall be unlawful for any person to exhibit, within public view, a previously verified pattern of solicitation activity.

(d) Activities which are part of a previously verified pattern of solicitation activity:

(1) The person repeatedly beckons to, stops or attempts to stop passersby or engages them in conversation.

(2) The person repeatedly stops or attempts to stop motor vehicle operators by hailing, waving of arms or by any other bodily gesture.

(3) The person approaches a passerby or motorist, leaves with that person for a short period of time and upon return to the same area, repeats this pattern with a different person.

(4) The person takes flight or tries to conceal himself or herself upon the appearance of a law enforcement officer.

(5) The person gestures to, touches or exposes his or her breast, groin or buttocks.

(6) The person inquires whether a potential patron, of procurer or a prostitute is a police officer or searches for articles that would identify a police officer.

(7) The person inquires of a potential patron or procurer of a prostitute about an act that would constitute sexual activity.

(8) The person requests the touching or exposure of his or her breast, groin, or buttocks.

(e) No police officer shall arrest an individual for a violation of this section for the mere act of loitering, soliciting a ride from a vehicle for hire, entering a motor vehicle or waving at a passing motor vehicle.

(f) A person who is convicted of a violation of this section may be required to pay a fine not to exceed $500.00, and may be sentenced to a definite term of imprisonment not to exceed 60 days.

(Ord. No. 11407, § 2, 10-10-96)

Chapter 47

RENTAL HOUSING

Article I. Termination of a Tenancy Without a Lease

Sec. 47-1. Written notice of termination of tenancy.

ARTICLE I. TERMINATION OF A TENANCY WITHOUT A LEASE

Sec. 47-1. Written notice of termination of tenancy.

(a) *Required.* A residential tenancy without a specific duration in which the rent is payable on a monthly basis may be terminated by either the landlord or tenant by giving not less than 30 days written notice prior to the end of any monthly period.

(b) *Applicability of state law.* Except for the notice provisions set forth in subsection (a) of this section, all other provisions set forth within Part II, F.S. ch. 83, governing "residential tenancies" shall apply to the rental of a residential dwelling unit within the city.

SANITARY SEWERS, STORMWATER MANAGEMENT SYSTEM, AND SEWAGE DISPOSAL*

Sec. 49-1.	"Human excreta" defined.
Sec. 49-2.	Liquid products of petroleum not to be allowed to escape into sewers.
Sec. 49-3.	Human excreta to be deposited in sanitary manner.
Sec. 49-4.	Discharge of wastewater or other non-potable fluids into city stormwater management system regulated and unlawful connection to the stormwater system prohibited.
Sec. 49-5.	Discharge, connection or dumping of septic tank contents into city stormwater management system prohibited.
Sec. 49-6.	Sinks and adequate facilities for disposal of human excreta required.
Sec. 49-7.	Enforcement/Penalties.

***Editor's note—**Ord. No. 13917, § 2, adopted September 24, 2020, changed the title of chapter 49 from "Sewers and sewage disposal" to "Sanitary sewers, stormwater management system, and sewage disposal."

Charter references—Authority of city relative to sewers, § 3(b), (o); water and sewer department, water and sewer board, § 22-A.

City Code cross references—Finance, ch. 18; marine sewage treatment, § 50-116 et seq.; sewers, conduits, etc., to be laid before city paves street, § 54-52.

County Code cross references—Miami-Dade Water and Sewer Advisory Board, § 2-340 et seq.; water and sewer regulations, ch. 32; connection to public water supply and public sewer disposal in abutting streets and easements required, § 32-78; notice to connect to water or sewer main, connection by county upon failure to connect, exceptions, § 32-79 et seq.

Law review reference—Comment on owner's right to exclusive use of private sewer under public street, 9 Fla. L. Rev. 225.

State law references—Supplemental and alternative method of making local municipal improvements, F.S. ch. 170; municipal public works, F.S. ch. 180; authority of municipality with respect to public health regulation, F.S. §§ 381.0014, 381.0016; pollution of waters, F.S. ch. 387; sewage disposal facilities, F.S. § 403.086; water pollution control and sewage treatment, F.S. § 403.1281 et seq.; trespass and larceny with respect to utility fixtures, F.S. § 812.14.

Sec. 49-1. "Human excreta" defined.

For the purposes of this chapter, "human excreta" shall be construed to mean the bowel and kidney discharge of human beings.
(Code 1967, § 49-1; Code 1980, § 49-1)

Sec. 49-2. Liquid products of petroleum not to be allowed to escape into sewers.

It shall be unlawful for any person to permit any liquid product of petroleum to escape into the city's stormwater management system or any sanitary sewer within the city.
(Code 1967, § 49-6; Code 1980, § 49-4; Ord. No. 13917, § 2, 9-24-20)

Sec. 49-3. Human excreta to be deposited in sanitary manner.

It shall be unlawful to dispose of any human excreta within the city except in a sanitary manner.
(Code 1967, § 49-8; Code 1980, § 49-6)

Editor's note—The South Florida Building Code contains plumbing regulations applicable within the city and is on file in the office of the building official.

Sec. 49-4. Discharge of wastewater or other non-potable fluids into city stormwater management system regulated and unlawful connection to the stormwater system prohibited.

(a) *Prohibited activities.*

(1) It shall be unlawful to discharge wastewater (including wastewater with a turbidity of 29 nephelometric turbidity units (NTUs) or greater), non-potable fluids, stormwater, or groundwater from a construction excavation or other non-natural sources into the city's stormwater management system unless the rules, regulations, and requirements of the resilience and public works department governing such discharge have been fulfilled and a permit has been obtained from such department allowing same for the city and is in the best interest of the public health, safety and welfare of the city.

(2) It shall be unlawful to discharge stormwater and non-potable fluids directly from private property to the city's right-of-way or to a municipal separate storm sewer system (MS4) that is not composed entirely of stormwater except discharges pursuant to the city's National Pollutant Discharge Elimination System permit.

(3) It shall be unlawful to connect any man-made conveyance, discharge pipe, or excavated trail to a municipal separate storm sewer system from private property. Any such connection to a city stormwater structure or pipe is strictly prohibited.

(Code 1967, § 49-11; Code 1980, § 49-8; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13917, § 2, 9-24-20; Ord. No. 14434, § 2, 1-8-26)

Editor's note—Ord. No. 14434, § 2, adopted Jan. 8, 2026, amended § 49-4 and in doing so changed the title of said section from "Discharge of wastewater or other non-potable fluids into city stormwater management system regulated" to "Discharge of wastewater or other non-potable fluids into city stormwater management system regulated and unlawful connection to the stormwater system prohibited," as set out herein.

Sec. 49-5. Discharge, connection or dumping of septic tank contents into city stormwater management system prohibited.

(a) *Prohibited activities.*

(1) It shall be unlawful to dump or discharge the contents of septic tanks and portable toilets into city sanitary sewer or stormwater management systems by any manner or means whatsoever.

(2) It shall be unlawful to connect any sanitary discharge pipe to a stormwater system. Sanitary sewer discharge to a stormwater system is strictly prohibited.

(Code 1967, § 49-12; Code 1980, § 49-9; Ord. No. 13917, § 2, 9-24-20; Ord. No. 14434, § 2, 1-8-26)

Editor's note—Ord. No. 14434, § 2, adopted Jan. 8, 2026, amended § 49-4 and in doing so changed the title of said section from "Discharge or dumping of septic tank contents into city stormwater management system prohibited"

to "Discharge, connection or dumping of septic tank contents into city stormwater management system prohibited," as set out herein.

Sec. 49-6. Sinks and adequate facilities for disposal of human excreta required.

Every residence, store, establishment, building or place in the city where human beings reside, stay, are employed or are congregated shall have a sink for wash water, and shall have adequate facilities, approved by the county health director, for the disposal of human excreta.
(Code 1967, § 49-7; Code 1980, § 49-5; Ord. No. 13917, § 2, 9-24-20)

Editor's note—Ord. No. 13917, § 2, adopted September 24, 2020, repealed the former sections 49-6 and 49-7 in their entirety, which pertained to resolution and notice requiring sewer connections, and sewer connections made by city upon failure of property owners to connect, respectively, and derived from the Code of 1967, §§ 49-2, 49-2; the Code of 1980, §§ 49-2, 49-3, and Ord. No. 13676, § 2, adopted April 27, 2017. Subsequently, the provisions of the former section 49-8 have been redesignated as section 49-6. The historical notation of the former section 49-8 has been preserved for reference purposes.

County Code cross reference—Minimum standards of hygiene for public food service establishments, § 14B-11 et seq.

Sec. 49-7. Enforcement/Penalties.

Any violation of the provisions of this chapter is subject to enforcement pursuant to chapter 2, article X, of the City Code, as amended, and may result in a citation in the amount of $500.00, which can be issued every 24 hours for the period the violation remains uncured or by notice of violation. No one method of enforcement shall preclude any other remedy available at law or in equity, including injunctive relief. Any costs incurred by the city are recoverable.
(Ord. No. 14434, § 2, 1-8-26)

Chapter 50

SHIPS, VESSELS, AND WATERWAYS*

Article I. In General

Sec. 50-1. Definitions.
Sec. 50-2. Obstructing channels; unlawful anchoring, mooring or docking; unlawful use of navigational aids.
Secs. 50-3—50-5. Reserved.
Sec. 50-6. Use of nets and traps.
Sec. 50-7. Operation of radios, phonographs or other sound-making devices—Generally; exemption.
Sec. 50-8. Live-aboard vessels and floating structures prohibited—Generally; exceptions.
Sec. 50-9. Trespassing dinghies and vessels; defined; penalties.
Sec. 50-10. Floating structures prohibited.
Sec. 50-11. Vessel inspections; boarding by law enforcement.
Sec. 50-12. Reporting of fuel/oil spills.
Sec. 50-13. Vessel cleaning.
Sec. 50-14. Misuse of amenities.
Sec. 50-15. Emergency repairs.
Sec. 50-16. Hurricanes and tropical storms; evacuation of vessels for storm events.
Sec. 50-17. Responsibility of licensee to file and maintain hurricane plan.
Sec. 50-18. Removal of sunken vessels and dinghies.
Sec. 50-19. Penalties.
Secs. 50-20—50-36. Reserved.

Article II. Operation of Vessels

Division 1. Generally

Sec. 50-37. Operation during and near, etc., regattas, pageants, races, etc.
Sec. 50-38. Safe operation of vessels within marinas and mooring fields.
Sec. 50-39. Vessels no longer exercising rights of navigation.
Sec. 50-40. Live-aboard vessels prohibited.
Sec. 50-41. Operation of vessels, boats, and other watercraft in marked swimming area, bathing area, or exclusion/safety zone of Dinner Key Spoil Island.
Sec. 50-42. Marine Stadium restricted area.
Sec. 50-43. Operation of vessels, boats, and other watercraft in marked motorized vessel exclusion zones in the Dinner Key North Mooring Field area.
Sec. 50-44. Lamar Lake/Jimbo's Lagoon "idle speed/no wake" zone.
Secs. 50-45—50-60. Reserved.

Division 2. Commercial Vessels

Sec. 50-61. Application for commercial dockage.
Sec. 50-62. Display, sale and disposal of fish prohibited.

***Charter reference—**Powers of the city relative to harbor and shipping facilities, § 3(m).

City Code cross references—Bulkheads, seawalls, piers, docks, etc., § 29-81 et seq.; local business tax receipt fees for occupations relating to boats, § 31-50; boating in parks, § 38-60.

County Code cross references—Boats, docks and waterways, ch. 7; Dade County vessel mooring code, § 7-31 et seq.

State law references—Florida boat registration and safety law, F.S. § 327.01; local regulation qualified, F.S. § 327.60; boat title certificates, F.S. § 328.01; removal of abandoned and derelict vessels, F.S. § 823.11.

Sec. 50-63. Compliance with law.
Secs. 50-64—50-95. Reserved.

Article III. Control of Marine Pollution

Division 1. Generally

Secs. 50-96—50-115. Reserved.

Division 2. Marine Sewage Treatment

Sec. 50-116. Purpose and intent of division.
Sec. 50-117. Effect of division on county regulations.
Sec. 50-118. Effect of division on federal regulations.
Sec. 50-119. Reserved.
Sec. 50-120. Prohibited discharges; required equipment on vessels; restrictions on dock rentals.
Sec. 50-121. Compliance date.
Sec. 50-122. Circumvention of provisions of division.
Secs. 50-123—50-150. Reserved.

Article IV. Miami Vessel Mooring Code

Sec. 50-151. Reserved.
Sec. 50-152. Legislative intent.
Sec. 50-153. Grounding of vessel; prohibition.
Sec. 50-154. Mooring to certain features or structures prohibited.
Sec. 50-155. Adequate mooring lines required.
Sec. 50-156. Mooring to city property, bridges, fender systems, public bank, etc. prohibited; emergency exception.
Sec. 50-157. Public property abutting water; use restricted.
Sec. 50-158. Overnight anchoring limitations; exemptions; enforcement; penalties.
Sec. 50-159. Water in bilges.
Secs. 50-160—50-220. Reserved.

Article V. City Marinas

Division 1. Generally

Sec. 50-221. Operation and regulation generally.
Sec. 50-222. Additional rules and regulations authorized.
Sec. 50-223. Limitations on city liability.
Sec. 50-224. Assignment of berths based on overall vessel length.
Sec. 50-225. Access to piers restricted.
Sec. 50-226. Soliciting prohibited.
Sec. 50-227. Motorized vehicles on piers limited.
Sec. 50-228. Swimming, diving or fishing in marina waters prohibited.
Sec. 50-229. Consumption of alcoholic beverages.
Sec. 50-230. Electrical power and fresh water exclusively for use of vessel occupying berth.
Sec. 50-231. Marina shower and toilet facilities—Access generally.
Sec. 50-232. Same—Shower-toilet keys.
Sec. 50-233. Same—Key deposits.
Sec. 50-234. Restriction on domestic pets.
Sec. 50-235. Maintaining vessel appearance.
Sec. 50-236. Orderly keeping of pier.

Sec. 50-237. Disposal of garbage, waste and refuse into marinas or yacht basins.
Sec. 50-238. Toilet and shower facilities on boats.
Sec. 50-239. Flame-producing equipment.
Sec. 50-240. Repairing, fitting out, etc., of vessels.
Sec. 50-241. Refueling vessels.
Sec. 50-242. Removal of vessels for cause.
Sec. 50-243. Dockage in certain locations not permitted.
Sec. 50-244. Illegal activities prohibited.
Secs. 50-245—50-270. Reserved.

Division 2. Noncommercial Vessels

Sec. 50-271. Vacant berths or moorings—Rerental by city.
Sec. 50-272. Same—Assignment or subletting by tenants.
Sec. 50-273. Restriction on use of private boat docked in noncommercial area primarily for business purposes.
Sec. 50-274. Living aboard—Generally.
Sec. 50-275. Same—Limitation at Miamarina.
Sec. 50-276. Dockage agreements, berthing of private vessels on first come, first served basis based on size.
Secs. 50-277—50-300. Reserved.

Division 3. Commercial Vessels

Sec. 50-301. License agreements, assignment of berths.
Sec. 50-302. Sale, assignment or sublicense of berths.
Sec. 50-303. Tickets—Sales restricted.
Sec. 50-304. Same—Number of booths permitted.
Sec. 50-305. Same—Solicitation of passengers.
Sec. 50-306. Same—Booth maintenance.
Sec. 50-307. Same—Booth damage or relocation.
Sec. 50-308. Living aboard by employees.
Sec. 50-309. Termination of dockage agreement.
Sec. 50-310. Standards for sightseeing boats at Miamarina.
Secs. 50-311—50-335. Reserved.

Division 4. Rates, Charges, Billing and Collection

Sec. 50-336. Dockage and mooring rates.
Sec. 50-337. Reserved.
Sec. 50-338. When dockage and mooring fees are due and payable; delinquency in payment.
Sec. 50-339. Responsibility for damage to city property.
Sec. 50-340. Vessel checkout procedure.
Sec. 50-341. Removal of vessels with delinquent charges prohibited.
Sec. 50-342. Lien for unpaid fees and nonjudicial sale.
Sec. 50-343. Reapplication for dockage after revocation.
Sec. 50-344. Capital improvement fund.
Secs. 50-345—50-400. Reserved.

Article VI. City Mooring Facilities

Division 1. Generally

Sec. 50-401. Purpose and intent.
Sec. 50-402. Authority to regulate.
Sec. 50-403. Authority of the harbormaster.
Sec. 50-404. Duties and responsibilities of the harbormaster.

Sec. 50-405. Public mooring fields and anchorages.
Sec. 50-406. Enforcement.
Sec. 50-407. Same—Assignment or subletting by licensees.
Sec. 50-408. Non-licensee vessels prohibited from entering mooring field.
Secs. 50-409—50-420. Reserved.

Division 2. Regulations

Sec. 50-421. Facility rules and regulations; purpose and intent.
Sec. 50-422. Operational vessels only.
Sec. 50-423. Vessel equipment requirements.
Sec. 50-424. Commercial use of moorings prohibited.
Sec. 50-425. Mooring of the vessel.
Sec. 50-426. Illegal activities prohibited.
Sec. 50-427. Waste management; marine pollution.
Sec. 50-428. Dinghy dock at Dinner Key mooring field; uses; permits.
Sec. 50-429. Fueling prohibited within mooring field.
Sec. 50-430. Unsightly or badly deteriorated vessels.
Sec. 50-431. Responsibilities of licensees; no liability on use of mooring facilities.
Sec. 50-432. Safe operation of vessels.
Sec. 50-433. Use of pumpout vessel; pumpout facilities.
Sec. 50-434. Major repairs prohibited.
Sec. 50-435. Discharge of waste; removal of trash.
Sec. 50-436. Prohibited activities.
Sec. 50-437. Manatees and protected species; feeding of wildlife.
Sec. 50-438. Non-licensee use of moorings prohibited.
Sec. 50-439. Unauthorized departure of vessels.
Sec. 50-440. Maritime liens and nonjudicial sale.
Sec. 50-441. Tying alongside of dinghies, kayaks, canoes.
Sec. 50-442. No motorized vessels within marked limited access area at Dinner Key mooring facility; exceptions.
Secs. 50-443—50-500. Reserved.

Article VII. Derelict Vessels

Sec. 50-501. Purpose and findings.
Sec. 50-502. Definitions.
Sec. 50-503. Procedure for removal or relocation.
Sec. 50-504. Administrative hearings to determine disposition of derelict vessels.
Sec. 50-505. Special assessment lien for costs of removal and disposition of derelict vessels.
Sec. 50-506. Appeal.
Sec. 50-507. Nonexclusivity of remedy.

ARTICLE I. IN GENERAL*

Sec. 50-1. Definitions.

For the purpose of this chapter, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Abandoned property is as defined in F.S. § 705.101, as amended.

Anchoring means the act of securing a vessel or dinghy in navigable waters within the city by means of an anchor or other device and associated tackle that is carried on board the vessel and cast or dropped overboard.

Applicant means every person who shall make application to the city for long term commercial vessel dockage.

Approved marine sanitation device means any equipment for installation on board a vessel which is designed to receive, retain, treat or discharge sewage, and which has been approved by the United States coast guard pursuant to PL 91-224.

Boat means every description of watercraft, barges and airboats, including a seaplane on the water, used or capable of being used as a means of transportation on water.

Booth means that structure utilized for the purpose of selling tickets, displaying signs and various advertising literature.

City manager shall include the city manager's designee.

Commercial vessel is as defined in F.S. § 327.02, as amended.

Contaminant means any substance which is harmful to plant, animal or human life.

County means Miami-Dade County.

Derelict vessel is as defined in F.S. § 823.11, as amended.

Dinghy means any vessel not exceeding 12 feet designed for and used primarily to serve a larger vessel by transporting persons and/or property to and from the larger vessel, from or to other vessels, piers, docks, or landing facilities.

Dinner Key Marina Area Yacht Basin means the area commencing at the southwest corner northwest ¼ section 22 township 54 south, range 41 east; thence south along the westerly line of said section 22 170.7+ feet to a point; thence west 25.0 feet to the point of beginning of the hereinafter described parcel of land and submerged land; thence south along a line parallel with and 25.0 feet westerly of the west line of said section 22 114.2+ feet to the mean high water line of Biscayne Bay; thence north 76°20' east 140+ feet along a line meandering the shoreline of Biscayne Bay to a point of intersection with a line which is 40 feet easterly of and parallel with the existing bulkhead around the Dinner Key area; thence south 13°40' east along the aforementioned line a distance of 170.5 feet; thence south 45°40' east a distance of 488.5 feet; thence continuing parallel to existing bulkhead run north 44°20' east 140 feet; thence north 45°40' west 40 feet; thence north 44°20' east 160 feet; thence south 45°40' east 40 feet; thence north 44°20' east 393 feet still parallel and 40 feet from said existing bulkhead; thence south 45°40' east 180 feet; thence north 44°20' east 318 feet; thence north 45°40' west 153 feet; thence north 62°20' east 942 feet to a point on the southwesterly line of the 300-foot wide coast guard seaplane channel as shown on city drawing DK-7; thence south 56°40' east along said southwesterly line of channel for a distance of 2,400 feet; thence south 33°20' west 2,370 feet; thence north 53°25' west 2,925 feet; thence north 39°25' west 885 feet; thence north 73°00' west 237 feet to a point on the shoreline of Biscayne Bay; thence north 40°32'30" west 62 feet; thence north 49°27'30" east 300 feet; thence north 86°27'30" east 163.6 feet, more or less to the point of beginning containing 307.66+ acres. All as shown on a sketch prepared by the city department of resilience and public works bearing file number miscellaneous 33-112, a copy of

*__Editor's note—__Ord. No. 12992, § 2, adopted May 8, 2008, amended article I in its entirety to read as herein set out. Formerly, article I pertained to similar subject matter, and derived from the Code of 1967, §§ 50-1, 50-41, 50-41.1, 50-41.2, 50-3, 50-4; the Code of 1980, §§ 50-1—50-7; Ord. No. 10870, § 1, adopted April 25, 1990; Ord. No. 11712, § 3, adopted October 13, 1998, and Ord. No. 12885, § 1, adopted February 8, 2007.

which is available for inspection at the Dinner Key Marina dockmaster's office and in the office of the city clerk.

Director means the director of the department of public facilities.

Discharge means any spilling, leaking, pumping, emitting, emptying or dumping.

Dockmaster means that person assigned to supervise the daily operations of the particular marina to which he/she is assigned. The dockmaster shall report to the marinas manager.

Facility means any or all of the city owned and operated marinas or managed mooring facilities.

Floating structure means a floating entity, with or without accommodations built thereon, which is not primarily used as a means of transportation on water but which serves purposes or provides services typically associated with a structure or other improvement to real property. The term "floating structure" includes, but is not limited to, each entity used as a residence, place of business or office with public access, hotel or motel, restaurant or lounge, clubhouse, meeting facility, storage or parking facility, mining platform, dredge, dragline, or similar facility or entity represented as such, floating structures are expressly excluded from the definition of the term "vessel" provided in this section. Incidental movement upon water or resting partially or entirely on the bottom shall not, in and of itself, preclude an entity from classification as a floating structure.

Harbormaster means the city employee assigned to manage the city's municipal mooring fields and anchorage areas, or the harbormaster's designee. The harbormaster shall report to the marinas manager, department of public facilities.

Holding tank means a receptacle on a vessel which is used to contain and store sewage.

Lamar Lake/Jimbo's Lagoon means the area located at approximately Latitude 25°44'50"N and Longitude 08°00'841"W, also described as Latitude 25.7471248 and Longitude -80.1448045 in Miami-Dade County Florida.

License agreement any transient dockage agreement, mooring and dockage agreement, commercial dockage agreement, or mooring agreement entered into between the city and a vessel owner for dockage at a city marina or mooring facility.

Licensee means the person or entity entering into or possessing a dockage or mooring license agreement with the city.

Live-aboard vessel is as defined in F.S. § 327.02, as amended.

Local business tax receipt refers to a city local business tax receipt.

Marinas manager means that person who shall be the division head supervising the operations of all city marinas and mooring facilities.

Marine sanitation device means the device as defined in F.S. § 327.02, as amended.

Marine Stadium prohibitive anchorage area means the area described in section 53-51.

Marker means any channel mark or other aid to navigation, information or regulatory mark, isolated danger mark, safe water mark, special mark, inland waters obstruction mark, or mooring buoy in, on, or over the village controlled waters or the shores thereof.

Miamarina-Bayfront prohibitive anchorage area means the area bounded on the west by the existing bulkhead along the east side of Bayfront Park and "bayside"; bounded on the south by the east-west portion of the Dade County bulkhead line as shown in plat book 74 at page 18 of the public records of Dade County, Florida, said line being at the approximate easterly extension of the south right-of-way (ROW) line of Chopin Plaza; bounded on the east by the Dade County bulkhead line (plat book 74-18); and bounded on the north by the Dade County bulkhead line (plat book 74-18); at the north side and entrance of "Miamarina," and the existing bulkhead along the south right-of-way (ROW) of Port Boulevard. All as shown on a sketch prepared by the city department of resilience and public works bearing file number miscellaneous 40-55a, a copy of which is available for inspection at the Miamarina dockmaster's office and in the office of the city clerk.

Mooring means the act of securing a vessel in navigable waters within the city by means of a permanent mooring system affixed to the bottom.

Mooring field means city-designated areas in and adjacent to city-installed mooring systems, which may include city and state-owned bay bottoms but which exclude privately owned bay bottom.

Mooring system means any weight, chain, rope, floating object, structure or appliance used for the purpose of holding a vessel in a particular place and which is not carried on board such vessel as regular equipment when the vessel is underway.

Motorboat means the same as that provided to it in F.S. § 327.02(23), as amended.

Officer means any law enforcement officer as defined in F.S. § 943.10, as amended, or a code inspector as defined in section 2-813.

Operate means the same as that provided to it in F.S. § 327.02(27), as amended.

Operator means every person who shall own, physically operate, navigate or control any vessel.

Owner is as defined in F.S. § 327.02, as amended.

Person means as defined in F.S. § 327.02, as amended.

Pier means any structure built out into the water with piles, for use as a landing place for vessels.

Pollution means the presence in the waters of the city of any one or more substances or contaminants which are harmful or injurious to human health or welfare, animal or plant life, or property.

Private vessel means any vessel used for pleasure by the owner or others, where no charge is made for fishing or riding upon or within such vessel.

Rafting means the act of tying or securing two or more vessels alongside each other while anchored or moored.

Recreational vessel is as defined in F.S. § 327.02, as amended.

Sewage means human body wastes from toilets and other receptacles intended to receive or retain body wastes, or laundry wastes collected from a laundry process, or waterborne solid wastes collected or received from food preparation or service.

Shoreline means that line of the tide at any given time.

Sightseeing boats means any boat engaged in transporting the public, for hire on the water, for sightseeing purposes.

Slow speed - minimum wake operation standard means that a motorboat must operate at a speed that is no greater than the speed which allows a motorboat to be fully off-plane and completely settled into the water. A motorboat shall not proceed at a speed greater than that speed which is reasonable and prudent to avoid the creation of an excessive wake or other hazardous condition under the circumstances.

Steerageway means the minimum rate of motion required for the helm of the vessel to have effect.

Vessel is as defined in F.S. § 327.02, as amended.

Wastes mean sewage, industrial wastes and all other liquid, gaseous, solid, radioactive or other substances which may pollute or tend to pollute any waters of this city, upon deposit therein.

Water(s) means all portions of those waters, up to and including the mean high water mark, located within the corporate limits of the city, including, but not limited to, all navigable and non-navigable waterways, rivers, lakes, streams, springs, impoundments, and all other bodies of water, including fresh, brackish, saline, tidal surface or underground. It does not include the Florida Intracoastal Waterway or any other area preempted by law.

(Ord. No. 12992, § 2, 5-8-08; Ord. No. 13448, § 2, 4-24-14; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14077, § 2, 7-28-22)

Sec. 50-2. Obstructing channels; unlawful anchoring, mooring or docking; unlawful use of navigational aids.

It shall be unlawful for any vessel within the city to tie up to or to discharge persons upon any navigational aid within the city; except in an emergency or with the approval of the city department director or designee thereof; to anchor or moor any live-aboard vessel or vessel not in navigation over city-owned bottomland or to anchor, moor or dock without the permission of the dockmaster, having jurisdiction within the marked boundaries of the mooring fields of either the Dinner Key Marina Area Yacht Basin or the Miamarina-Bayfront prohibitive anchorage area or the Miami Marine Stadium prohibitive anchorage area.
(Ord. No. 12992, § 2, 5-8-08)

Secs. 50-3—50-5. Reserved.

Sec. 50-6. Use of nets and traps.

It shall be unlawful for the owner or operator of any vessel to use fishing nets or set traps within the limits of any established channel, or within the protected area of any yacht basin as set forth in section 50-2.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-7. Operation of radios, phonographs or other sound-making devices—Generally; exemption.

(a) It shall be unlawful for any person owning, occupying or having charge of any vessel or any part thereof, in the city, at any time to cause or suffer or allow any loud, unnecessary, excessive or unusual noises in the operation of any radio, phonograph or other mechanical sound-making device or instrument, or reproducing device or instrument, where the noise or music is plainly audible at a distance of 100 feet from the vessel in which or from which it is produced. The fact that the noise or music is plainly audible at a distance of 100 feet from the vessel from which it originates constitutes prima facie evidence of a violation of this chapter.

(b) The city commission may declare an exemption from the prohibitions contained in subsection (a) and declare them inapplicable on special occasions by resolution.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-8. Live-aboard vessels and floating structures prohibited—Generally; exceptions.

Live-aboard vessels and floating structures are prohibited from mooring or anchoring in all waters of the city, except in marinas, licensed marine facilities, or mooring fields otherwise provided for in this Code.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-9. Trespassing dinghies and vessels; defined; penalties.

(a) *Trespassing vessels and dinghies defined.* Any vessel or dinghy shall be unlawfully trespassing when:

(1) The vessel or dinghy is placed, parked, or secured to any city marina slip, pier, bulkhead, city dinghy dock or within the boundaries of any municipal mooring field or secured to city property not specifically designated for that purpose without the permission or authorization of the marinas manager, harbormaster or their designees;

(2) The vessel or dinghy is secured to or parked at a city dinghy dock without proof of payment for a license agreement or dinghy permit;

(3) The vessel or dinghy remains on a city dinghy dock in excess of 12 hours without the authorization of the city;

(4) The vessel or dinghy is secured to city property not specifically designated for that purpose without prior authorization of the city.

(b) *Penalties for trespass violations.*

(1) A first violation of this section by a vessel or dinghy shall result in a written warning secured to the offending vessel, advising the owner/operator of the offense and

that if the same continues for more than 24 hours it shall constitute a second trespass under this section.

(2) A second trespass by the same offending vessel occurring within 30 days of the first violation shall be punishable by a fine in the amount of $50.00 providing that the same is paid within seven calendar days of the issuance of the notice of violation. Any person whether the owner or operator of the offending

vessel or dinghy who ignores a notice of violation and fails to pay the fine within seven calendar days, shall be subject to a fine of not less than $50.00 and not more than $300.00 including court costs as may be awarded or imprisonment not to exceed five days or the accumulation of fines, court costs, and imprisonment.

(3) A subsequent trespass by the same offending vessel within 180 days of the first violation shall result in the towing and impoundment of the offending vessel. The vessel may be reclaimed by the owner or his/her representative after presenting proof of ownership of the impounded vessel and payment of a reasonable towing and storage charge. Upon proof of ownership and payment of the reasonable charges, the vessel or dinghy shall be released to the owner or agent. If the owner of the vessel or his/her agent cannot be found, or elects not to pay in accordance with the provisions outlined in this section, then the vessel or dinghy shall be considered to be abandoned property and the city shall follow the appropriate steps to dispose of the property in accordance with state statutes.

(Ord. No. 12992, § 2, 5-8-08; Ord. No. 13676, § 2, 4-27-17)

Sec. 50-10. Floating structures prohibited.

Floating structures, as defined in this article, are prohibited from tying up at city marinas and from mooring at city mooring facilities and from anchoring in city waters unless expressly authorized by the city manager or his/her designee.
(Ord. No. 12992, § 2, 5-8-08; Ord. No. 13676, § 2, 4-27-17)

Sec. 50-11. Vessel inspections; boarding by law enforcement.

All vessels moored at city marinas and mooring facilities may be boarded by authorized city officers or marina staff if necessary to respond to an emergency, or as otherwise permitted by applicable law. It shall be a violation of this section for a licensee to refuse to allow, prevent, or interfere with such boarding. In order to ensure compliance with federal and state safety and marine sanitation regulations, the dockmaster and harbormaster shall be authorized to conduct periodic vessel inspections. Denial of an inspection shall be considered grounds for termination of the vessel owner's license agreement. The vessel owner shall fully comply with the directions of the dockmaster and harbormaster and law enforcement personnel, and shall allow access to their vessel by those personnel as necessary.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-12. Reporting of fuel/oil spills.

Vessel owner shall contact the dockmaster and/or harbormaster's office and Federal Oil Spill Hotline (800-424-8802) when an oil/fuel spill is discovered. Oil absorbent pads and containment boom are located at the dockmaster and/or harbormaster's office and are available for deployment in the event of a spill. Do not use detergents to break up spills.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-13. Vessel cleaning.

Cleaning or washing vessels with detergents containing phosphates, chlorine, or petroleum distillates is prohibited within any city marina or mooring facility.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-14. Misuse of amenities.

The misuse, vandalism, or destruction of any amenities at city marinas or mooring facilities is grounds for ejection. If any licensee, guest, or crew damages any property or equipment of a facility or it's amenities due to neglect, misuse, failure to follow stated directions, or vandalism, they shall be held responsible for the cost of repair and replacement, as well as any criminal or civil charges for the activity.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-15. Emergency repairs.

The licensee shall be required to grant consent to the dockmaster and/or harbormaster that in the event of an emergency, the dockmaster and/or

harbormaster has the authority to have necessary repairs made to the licensee's vessel, as economically as possible. Emergencies can include, but are not limited to: breakdown of bilge, fuel, or sewage pump or any other leak; chafed or broken lines, or any other emergency that may imperil the vessel and possibly lead to sinking. The cost of these repairs, parts, labor, and any other appropriate charges, shall be billed to the vessel owner and payable within 24 hours of the vessel owner's return or as provided by the dockmaster and/or harbormaster.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-16. Hurricanes and tropical storms; evacuation of vessels for storm events.

City mooring facilities are not safe locations for vessels during tropical storms or hurricanes, and the city believes that significant damage to the vessels and facility will likely occur in a major storm if vessels are left at the facility. The city warns vessel owners to exercise prudent and appropriate judgment on whether to remove their vessel from the facility in the event that a tropical storm or hurricane threatens the area. The city recommends that vessels evacuate the facility prior to the declaration of a hurricane watch or warning. Licensees are advised that mooring equipment provided in the facility may not be able to withstand the pending hurricane or tropical storm or associated wind or tidal surges. All facility licensees shall be solely and totally responsible for any and all damages to persons or property caused by their failure to remove their vessels from the facility in a timely fashion.

Notwithstanding anything to the contrary in state statutes or the provisions of this chapter, in the event that a vessel owner fails to remove his/her vessel from a municipal mooring facility prior to a tropical storm or hurricane the city may cause the removal of that vessel, if reasonable, and/or take whatever reasonable actions are deemed necessary by the Harbormaster to properly secure the vessel and minimize damage to the vessel and to protect city property. The city may charge the vessel owner a reasonable fee for any actions taken to secure the customer's vessel, and shall note held liable for any damage incurred to a customer's vessel from storms or hurricane and shall be held harmless result of such actions.
(Ord. No. 12992, § 2, 5-8-08; Ord. No. 13676, § 2, 4-27-17)

Sec. 50-17. Responsibility of licensee to file and maintain hurricane plan.

It shall be the responsibility of the licensee at all city marinas and mooring facilities to provide, maintain on file with the marina and harbormaster's office that shall contain the vessel owner's emergency contact information; the names of persons authorized to act on the vessel owner's behalf in securing the vessel in advance of a tropical storm or hurricane event, and any other pertinent information that may be requested by the city that would facilitate safeguarding the customer's vessel and protecting the facility.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-18. Removal of sunken vessels and dinghies.

In accordance with the provisions of this chapter, it shall be unlawful for vessel owners to permit a vessel or dinghy to remain sunken or grounded at any city marina, mooring facility or dinghy dock for more than seven days. Vessel owners are responsible for the refloating of any vessel sunk in a city facility. The dockmaster and/or harbormaster may require that any vessel which sinks at a city facility be removed from the facility until appropriate repairs are made. Upon oral or written request from the dockmaster and/or harbormaster, that vessel must be removed from the facility within 48 hours or the dockmaster and/or harbormaster may remove the vessel or cause the vessel to be removed and may recover the cost of removal and of storage or disposal of the vessel from the licensee or owner of the vessel. If the dockmaster and/or harbormaster determines that a sunken vessel is discharging pollutants into the water, creating a hazard to navigation or the safety of other vessels, or causing any other kind of emergency, then the dockmaster and/or harbormaster is authorized to take all necessary measures to stop the cause of pollution or eliminate the

hazard or mitigate the emergency, without prior notice to the licensee or vessel owner, and recover all costs associated with the corrective actions taken.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-19. Penalties.

A violation of any of the provisions of this chapter shall be punished as provided in section 1-13 or chapter 2, article X unless another penalty is provided.
(Ord. No. 12992, § 2, 5-8-08)

Secs. 50-20—50-36. Reserved.

ARTICLE II. OPERATION OF VESSELS*

DIVISION 1. GENERALLY

Sec. 50-37. Operation during and near, etc., regattas, pageants, races, etc.

It shall be unlawful during any regatta, pageant or marine parade upon any waters of the city, or upon any racecourse, a part of which is within the city, for any vessel of any type or description to pass up, down or across the course, or to move in waters immediately adjoining the course during the progress of such race, pageant or marine parade, in such a manner as to endanger participants in the regatta, pageant or marine parade, or the crews or passengers on board vessels attending such event. This prohibition shall not be applicable to racing craft, or craft engaged in such activity, or boats, properly identified, having on board officials of such activities.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-38. Safe operation of vessels within marinas and mooring fields.

Vessels within 500 feet (on waterways 300 feet in width or more) or 300 feet (on waterways not exceeding 300 feet in width) of a public marina or mooring field must be navigated at idle speed or at a speed which causes no wake to other vessels. Any person operating a vessel or dinghy within the boundaries of a public marina or mooring field shall comply with all federal, state, and local laws, rules, and regulations concerning the safe operation of vessels, including the Inland Navigation Rules.
(Ord. No. 12992, § 2, 5-8-08; Ord. No. 13496, § 1, 2-12-15)

Sec. 50-39. Vessels no longer exercising rights of navigation.

It shall be unlawful for any person to anchor or leave at anchor in the navigable waters of the city a non-live-aboard vessel no longer exercising its rights of navigation. Any nonliveaboard vessel that remains continuously anchored for more than seven days is presumptively no longer exercising rights of navigation.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-40. Live-aboard vessels prohibited.

Except as otherwise provided in this chapter, live-aboard vessels are prohibited in the city.

(1) Live-aboard vessels are permitted in private mooring or marina facilities;

(2) Live-aboard vessels may be permitted in designated City Marinas and mooring fields.

(Ord. No. 12992, § 2, 5-8-08)

Editor's note—Ord. No. 12992, § 2, adopted May 8, 2008, enacted provisions intended for use as subsections a. and b. To preserve the style of this Code, and at the discretion of the editor, said provisions have been redesignated as subsections (1) and (2).

Sec. 50-41. Operation of vessels, boats, and other watercraft in marked swimming area, bathing area, or exclusion/safety zone of Dinner Key Spoil Island.

(a) An exclusion/safety zone has been established for the designated waters of and near Dinner Key Spoil Island. The buoy line for the exclusion/safety zone off the waters of city-

*__Editor's note—__Ord. No. 12992, § 2, adopted May 8, 2008, amended article II in its entirety to read as herein set out. Formerly, article II pertained to similar subject matter, and derived from the Code of 1967, §§ 50-18(f), 50-19, 50-29(d), 50-40; the Code of 1980, §§ 50-18(f), 50-19, 50-34(d), 50-45; Ord. No. 11712, § 3, adopted October 13, 1998, and Ord. No. 12885, § 1, adopted February 8, 2007.

owned property near Dinner Key Spoil Island is hereby established as set forth in the legal description and the attendant sketch of the legal description attached hereto as "Composite Exhibit A", incorporated hereby.

(b) No person shall operate any motorized vessel, motorized boat, or other motorized watercraft within a swimming area, bathing area, or exclusion/safety zone area within the Dinner Key Spoil Island area which has been clearly marked by duly authorized buoys or other alternative permitted regulatory markers. Hand-propelled or foot-propelled vessels without motors and other hand-propelled or foot-propelled watercraft without motors, such as canoes, kayaks, surf boards, sail boards, kite boards, and wind-surfing boards, are permitted to be operated in a safe manner within such designated swimming area, bathing area or exclusion/safety zone within the Dinner Key Spoil Island area.
(Ord. No. 13263, § 3, 5-12-11)

Editor's note—The exhibit referred to in this section is not set out at length herein, but is on file in the offices of the city.

Sec. 50-42. Marine Stadium restricted area.

(a) The waters of the Marine Stadium, as described in section 53-51 of this Code, are hereby declared to be a slow speed-minimum wake restricted area. The city shall place regulatory markers in the restricted area pursuant to applicable Florida law.

(b) Prohibited activities. It shall be unlawful for any individual to operate a motorboat in violation of the slow speed-minimum wake operation standard.

(c) Exemptions. The following acts shall be exempt from the regulations contained in this section:

(1) A motorboat operating under emergency conditions during an emergency;

(2) Operation of a motorboat during a boat race, film productions for which a permit has been issued, or other public event that is authorized in writing by the city manager or designee; or

(3) Local, state and federal law enforcement and fire department motorboats while in the performance of their lawful duties and when such operation may be safely accomplished, including but not limited to any applicable trainings.

(d) Penalties. A violation of subsection (c) of this section may be enforced by issuance of a uniform boating citation by a duly authorized law enforcement officer pursuant to the procedures set forth in F.S. § 327.73.
(Ord. No. 13448, § 2, 4-24-14)

Sec. 50-43. Operation of vessels, boats, and other watercraft in marked motorized vessel exclusion zones in the Dinner Key North Mooring Field area.

(a) The following motorized vessel exclusion zones have been established in the vicinity of the Dinner Key North Mooring Field to provide safe areas for use by vessels under sail or oar or shallow draft vessels operating electric engines only:

(1) The area between the southwest shoreline of Spoil Island "A" and the northern Area "A" section of the Dinner Key North Mooring Field with the zone boundaries defined by buoys A through H, anchored at the following coordinates:

A 507868.63 910510.17

B 507975.07 910568.90

C 508260.17 910440.52

D 508565.05 910419.79

E 508803.59 910212.24

F 508672.61 910047.00

G 508372.72 909877.27

H 508061.65 910059.05; and

(2) The area between the northeast shoreline of Spoil Island "B" and the southern Area "B" section of the Dinner Key North Mooring Field with the zone boundaries defined by buoys I through O, anchored at the following coordinates:

I 507906.47 910262.39

J	507523.12	910028.12
K	507644.84	909413.26
L	507201.00	909460.03
M	507072.28	909801.74
N	507107.84	910090.36
O	507243.14	910165.02

(b) Prohibited activities.

(1) It shall be unlawful for any person to operate any motorized vessel, motorized boat, or other motorized watercraft within the Dinner Key North Mooring Field motorized vessel exclusion zones, which have been clearly marked by duly authorized buoys or other alternative permitted regulatory markers.

(2) It shall be unlawful for any person to tie-up to any regulatory marker that defines the boundary of, or is within, the Dinner Key North Mooring Field motorized vessel exclusion zones.

(c) Exemptions. The following shall be exempt from the regulations of this section:

(1) Hand-propelled or foot-propelled vessels without motors and other hand-propelled or foot-propelled watercraft without motors, such as canoes, kayaks, surf boards, sail boards, kite boards, and windsurfing boards may operate in a safe manner within such designated motorized vessel exclusion zones north and south of the Dinner Key North Mooring Field.

(2) Emergency vessels, law enforcement vessels, motorized vessels, motorized boats, or other motorized watercraft used solely for the purpose of affecting an emergency response or rescue or for the purpose of ensuring compliance with federal, state, or local laws are excluded from the applicability of this section. Nothing in this section should be construed to have the intent of obstructing access through the marked Dinner Key Seaplane Channel or through the main fairway between the west shoreline of Biscayne Bay and Spoil Islands "A" and "B".

(3) Motorized vessels that are used by sailing coaches while they are accompanying or coaching sailors through the motorized vessel exclusion zone or while the sailors are sailing in the motorized vessel exclusion zone and motorized vessels that are used to tow sailboats through the motorized vessel exclusion zone and motorized vessels that are accessing the nearby spoil islands for city-sanctioned clean-up events are excluded from the applicability of this section.

(4) Film productions that specifically request a waiver from the city manager on their film permit applications provided that such film productions:

a. Take adequate safety precautions;

b. Specify in their waiver requests such precautions to be taken; and

c. Indemnify the city and its officers, directors, and employees for such waiver.

(5) During approved "special events" as defined in section 38-74 and section 54-1 of the City Code for which a special events permit is obtained from the director of the parks and recreation department.

(Ord. No. 13982, § 2, 3-25-21)

Sec. 50-44. Lamar Lake/Jimbo's Lagoon "idle speed/no wake" zone.

(a) An "idle speed/no wake" zone ("zone") is hereby established within Lamar Lake ("lake"), also known as Jimbo's Lagoon. which is a confined embayment within Virginia Key. The zone is established extending out 500 feet waterward in all directions from the public dock (coordinates Latitude 25.74739. Longitude -80.14564) and kayak launch structures (coordinates Latitude 25.74691. Longitude -80.14607) within the lake. The zone is intended to improve public health and safety by requiring a vessel to proceed at a speed no greater than what is required to maintain steerage way/headway. The city shall place regulatory markers in the zone pursuant to applicable Florida law.

(b) Prohibited activities. It shall be unlawful for any individual to operate a motorboat in violation of the idle speed, no wake operation standard.

(c) Exemptions. The following acts shall be exempt from the regulations contained in this section:

(1) Emergency vessels, law enforcement vessels, motorized vessels, motorized boats, or other motorized watercraft used solely for the purpose of affecting an emergency response or rescue or for the purpose of ensuring compliance with federal, state or local laws are excluded from the operational prohibitions of this section.

(2) The provisions of this section shall not apply to film productions that specifically request a waiver from the city manager on their film permit applications provided that such film productions:

a. Take adequate safety precautions;

b. Specify in their waiver requests such precautions to be taken; and

c. Indemnify the city and its officers, directors, and employees for such waiver.

(3) The provisions of this section shall not apply to a "special event" (as defined in section 38-74 and section 54-1) for which a special events permit is obtained from the director of the department of parks and recreation.

(d) Penalties. A violation of subsection (b) of this section may be enforced by issuance of a uniform boating citation by a duly authorized law enforcement officer pursuant to the procedures set forth in F.S. § 327.73.
(Ord. No. 14077, § 2, 7-28-22)

Secs. 50-45—50-60. Reserved.

DIVISION 2. COMMERCIAL VESSELS

Sec. 50-61. Application for commercial dockage.

(a) Persons making application for commercial dockage of vessels at city marinas shall furnish the marinas manager with the following information:

(1) Business name, address, date of incorporation, vessel operator's years of experience.

(2) Proof of documentation/registration for commercial purposes.

(3) Local business tax receipt (or application copy).

(4) Proof of vessel/business liability insurance.

(5) Description of the vessel, including, but not limited to:

a. Vessel name/manufacturer/identification number.

b. Length/beam/draft.

c. Seating capacity.

d. Gross/net tonnage.

e. Description of commercial activity.

(b) If the application is for a sightseeing or excursion vessel, the applicant shall, in addition to the above, furnish the following information:

(1) United States Coast Guard captain's/master's license for all vessel operators.

(2) Three professional letters of reference.

(3) Current U.S.C.G. certificate of inspection or survey certificate.

(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-62. Display, sale and disposal of fish prohibited.

Fish caught on commercial vessels operating at a city marina may not be sold or displayed to the public at the marina unless otherwise authorized by the city manager. Fish may not be displayed at the berth of any vessel. It shall be unlawful under any circumstances to dispose of fish by dumping them into the waters of the yacht basin. In addition to any penalties provided in this Code, any person violating the provisions of this section shall, as it pertains to such person, have all berthing rights at city marinas terminated and his or her lease agreements, certificates or dockage agreements cancelled by the director.

(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-63. Compliance with law.

The owner, operator or other person responsible for either the operation, and/or maintenance of any vessel shall, upon demand, submit to the dockmaster a valid United States Coast Guard certificate of inspection or certification made by an independent qualified marine surveyor that the vessel is in seaworthy condition and in compliance with state and federal law.

(Ord. No. 12992, § 2, 5-8-08)

Secs. 50-64—50-95. Reserved.

ARTICLE III. CONTROL OF MARINE POLLUTION*

DIVISION 1. GENERALLY

Secs. 50-96—50-115. Reserved.

*__County Code cross references__—Environmental protection, ch. 24; prohibitions against water pollution, § 24-11.

DIVISION 2. MARINE SEWAGE TREATMENT

Sec. 50-116. Purpose and intent of division.

This division is promulgated by the city commission to eliminate, prevent and control water pollution by vessels and live-aboard vessels as defined herein in the waters of the city. It is the intent of the city commission that this division shall apply to existing water pollution sources as well as to future water pollution sources.

(Code 1967, § 63-1; Code 1980, § 50-63)

Sec. 50-117. Effect of division on county regulations.

The provisions of this division shall not supersede authority, rules or regulations adopted by the Dade County pollution control board in those areas of the county where now or hereafter a water control district has been created and maintained, but shall be concurrent in application unless otherwise directed by the board.

(Code 1967, § 63-2; Code 1980, § 50-64)

Sec. 50-118. Effect of division on federal regulations.

This division is not intended to supersede any standards promulgated by the United States government, but is to be enforced concurrent with them. Where any standard set by the United States government is more stringent than those set forth by this division, the United States government standard shall prevail.

(Code 1967, § 63-7; Code 1980, § 50-65)

Sec. 50-119. Reserved.

__Editor's note__—Ord. No. 12992, § 2, adopted May 8, 2008, repealed § 50-119 in its entirety, which pertained to definitions, and derived from the Code of 1967, § 63-3, and the Code of 1980, § 50-66.

Sec. 50-120. Prohibited discharges; required equipment on vessels; restrictions on dock rentals.

(a) The discharge of untreated sewage or sewage treated to less than 90 percent removal of organic matter from any vessel or live-aboard vessel into the waters of the city shall be, and is herewith expressly prohibited.

(b) All vessels that are equipped with an approved marine sanitation device, laundry equipment or other device or contrivance that produces or is capable of producing waterborne wastes from food preparation or service shall be equipped with a method for the prevention of the discharge of untreated sewage or sewage treated to less than 90 percent removal of organic matter into the waters of the city.

(c) Live-aboard vessels shall be required either to be equipped with the necessary device or devices to deliver all sewage to a shore facility collection system or equipped with treatment facilities capable of treating the sewage as specified in subsections (a) and (b).

(d) No individual, firm, corporation or any other person in the city may rent, lease or otherwise provide dock space for any vessel or live-aboard vessel required to be equipped with a marine sanitation device unless:

(1) Such vessel or live-aboard vessel is equipped with sewage treatment facilities as is specified in subsections (a) and (b) above; or

(2) Such dock space is equipped for the dockside collection of the sewage generated aboard such live-aboard vessel.

(e) Any vessel docked at a city-owned marina facility under a license agreement, in violation of this section, is subject to having the license agreement terminated by the city upon 24-hour notice.
(Code 1967, § 63-4; Code 1980, § 50-67; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-121. Compliance date.

Full compliance with this division shall be achieved concurrent with the federal standards established pursuant to 33 USC 1163 (PL 91-224), but no later than January 1, 1973.
(Code 1967, § 63-5; Code 1980, § 50-68)

Sec. 50-122. Circumvention of provisions of division.

No person shall build, erect, install or use any article, machine, equipment or other contrivance, the use of which will conceal an emission which would otherwise constitute a violation of any of the provisions of this division.
(Code 1967, § 63-6; Code 1980, § 50-69)

Secs. 50-123—50-150. Reserved.

ARTICLE IV. MIAMI VESSEL MOORING CODE*

Sec. 50-151. Reserved.

Sec. 50-152. Legislative intent.

The city commission hereby finds and determines that the insecure and improper mooring of vessels in city waters including but not limited to Biscayne Bay, the Miami River and their tributaries increases the danger of grounding and breaking loose of the said vessels and thereby endangers navigation, life and property; that insecurely and improperly moored vessels have broken loose in the past and damaged bridges, structures, and other valuable property; that scrap and derelict vessels occupy areas which could be developed as berths for economically active and attractive vessels; that scrap and derelict vessels moored or sunk in city waters, including but not limited to Biscayne Bay, Miami River and their tributaries, are unsightly, a danger to navigation, and a detriment to tourism and to property values; that the release of pollutants, the infestation of rats and the breeding of mosquitoes on derelict vessels moored upon city waters, including Biscayne Bay, the Miami River and their tributaries, constitute dangers to public health, and that derelict or sunken vessels often constitute attractive nuisances that endanger the lives and safety of children. The city hereby declares its intention that the provisions of this article are not intended and should not be construed as in any way superseding or attempting to conflict with applicable statutes, ordinances, rules or regula-

*__Editor's note—__Ord. No. 12992, § 2, adopted May 8, 2008, amended article IV in its entirety to read as herein set out. Formerly, article IV pertained to similar subject matter, and derived from the Code of 1967, § 38-5.1; the Code of 1980, §§ 37-8, 50-70—50-76, 50-80—50-84, and Ord. No. 10055, § 1, adopted November 26, 1985.

tions of the federal government or of the state but are intended to supplement any such enactments or provisions.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-153. Grounding of vessel; prohibition.

No vessel shall rest on the bottom, except as provided by the city manager.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-154. Mooring to certain features or structures prohibited.

No vessels shall be moored to trees, shrubs, houses or other buildings on shore, or to bridges, bridge approaches, bridge fenders, or piles driven or placed for the protection of bridges or their approaches, or any navigational aid within the city.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-155. Adequate mooring lines required.

All moored vessels shall be secured by an attachment with sufficient strength comparable to the lines required for the size and type of vessel hereinafter specified. Vessels moored to piles or vessels moored to structures which are separated from the shoreline must be secured by at least four lines each having a minimum working strength of the combined total of lines required for a vessel of its size as stated in the Miami-Dade County Code, section 7-36, as amended. Vessels moored or anchored in such a manner to allow the vessel to swing 360 degrees around the mooring shall only be required to have one line to the mooring, having the minimum working strength of one-half of the combined total of lines required for a vessel of its size as stated in the Miami-Dade County Code, section 7-36, as amended.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-156. Mooring to city property, bridges, fender systems, public bank, etc. prohibited; emergency exception.

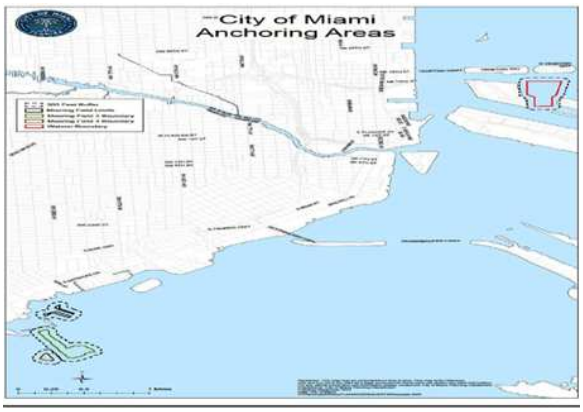
(a) The mooring of vessels to city-owned or city-controlled property shall be unlawful unless duly authorized by the city manager.

(b) The mooring of vessels in such manner as to encroach or obstruct any established channel within the city shall be unlawful.

(c) No vessel shall be moored to public bridges, bridge approaches, fender systems, or piles driven for the protection of bridges or their approaches, or to any city owned bank or shore, unless under a lease or permit issued by the governmental body having jurisdiction thereof.

(d) It is unlawful and a violation of this section to moor any vessel in the area between the bank or shore owned by the city and the bridge fender system.

(e) This section shall not be interpreted to prohibit temporary docking to any structure during an emergency. By temporary is meant a period of time not exceeding 24 hours. By emergency is meant any structural defect in the vessel, caused by either a normal breakdown or collision, which would render the vessel a hazard to navigation if not immediately moored to structures listed in subsection (a), or any weather condition which seriously endangers a vessel and which would render the vessel a hazard to navigation if not moored to any of the structures listed in subsection (a) or as so determined by the city manager or his/her designee.
(Ord. No. 12992, § 2, 5-8-08; Ord. No. 13676, § 2, 4-27-17)



Sec. 50-157. Public property abutting water; use restricted.

It is unlawful to use any city-owned property abutting water, except as permitted at city marinas, or as otherwise authorized by the city manager. The use of city-owned property prohibited by this section includes, but is not limited to, use for mooring, docking, typing up vessels or dinghies, or for landing operations of vessels, and use for storage, construction, repair or maintenance purposes. The term "city-owned property abutting water" includes, but is not limited to, the ends of any streets, roads or public ways; parkland, land where public buildings are located, or any city land whatsoever, whether or not it is leased to others by the city, which abuts, borders or is adjacent to water.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-158. Overnight anchoring limitations; exemptions; enforcement; penalties.

(a) *Intent.* Pursuant to the authority granted by the Florida Legislature, the City of Miami hereby designates the areas defined in subsection (b) and within its corporate boundaries to be part of the overnight anchoring limitation area as authorized in Ch. 2025-39, Laws of Florida.

(b) *Area defined.* The overnight anchoring limitation area is defined as:

(c) *Overnight anchoring.* No owner or operator of a vessel or floating structure:

(1) Shall anchor or moor such that the nearest approach of the anchored or moored vessel or floating structure is within 300 feet outward from the marked boundary of a public mooring field; and

(2) No vessel shall be anchored anywhere within the overnight limitation area for a period of one hour or more between one-half hour after sunset and one-half hour before sunrise for more than 30 days in any six-month period.

(d) *Exemptions.* Vessels not subject to the Overnight anchoring limitations are:

(1) Vessel anchored within the boundaries of a marked mooring field.

(2) Vessels anchored overnight for the purposes of completing permitted marine construction, installation or marine work.

(3) Vessels owned by a governmental entity or otherwise operated at the request of a governmental entity for a government purpose.

(4) Commercial fishing vessels as defines in F.S. § 327.02(6), as amended.

(5) A vessel actively engaged in recreational fishing if the persons onboard are actively tending hook and line fishing gear or nets.

(6) Imminent or existing weather conditions pose an unreasonable risk of harm to the vessel or persons aboard until such conditions have passed.

(e) *Enforcement.* This section shall be enforced by the City of Miami Police Department, code compliance department or any other law enforcement agency having jurisdiction in the overnight anchoring limitation area. It may be enforced as follows:

(1) *Warning notice.* A warning notice shall be affixed to the violating vessel. The warning notice shall include the date of violation, location of vessel, time of violation, section of the City Code and timeframe in which the violation is occurring. The warning shall also list future penalties and state the vessel needs to be removed in compliance with section 50-158 of the City Code.

(2) *Civil infraction.* The civil infraction shall contain all the relevant information provided for in section 50-158(e)(1) as well as comply with the requirements of chapter 2, article X of the City Code.

a. The civil infraction fine shall be $500.00, the maximum allowed by Florida Statutes.

b. A civil infraction may be issued for each day the violation remains in existence.

c. Notice affixed to the vessel shall constitute good notice and notice via certified mail to the vessel owner of record shall be accomplished if the information is obtainable.

d. Vessel owner may appeal any issued civil infraction as provided in section 2-825 of the City Code, as amended, and all appeals filed under this section shall be set on the next available appeal hearing date.

(3) *Alternate remedies.* The provisions of this section are not the exclusive remedy or means for enforcement of the Code of the city including the filing of injunctive relief for removal of vessel. The city's access to the courts of the state is neither precluded nor prohibited by the enactment of this section.

(Ord. No. 14413, § 2, 11-20-25)

Sec. 50-159. Water in bilges.

Not more than one foot of water shall be permitted to remain in the bilges of any vessel for a period of more than one week. The measurement to determine the depth of water in the bilges shall be at any point along the length of the vessel, but only at points one-half the distance from the amidship line to the outboard edge of the hull or hulls measured along the horizontal plane of the main deck.

(Ord. No. 12992, § 2, 5-8-08)

Secs. 50-160—50-220. Reserved.

ARTICLE V. CITY MARINAS

DIVISION 1. GENERALLY

Sec. 50-221. Operation and regulation generally.

City marinas have been designed and built by the city primarily in order to afford the local and cruising yacht operators appropriate facilities and accommodations, and secondarily to provide convenient and appropriate commercial vessel facilities for the pleasure and service of both citizens of Miami and tourists. The berthing, docking, anchoring or mooring of vessels, and other activities and operations at city marinas shall be in conformance with reasonable regulations of the city manager. Berths, docks, moorings and anchorages will be assigned only by the city manager or his/her duly authorized representative. Marina regulations shall be premised upon the maintenance of sanitary and sightly conditions, orderliness and the preservation of the public health, safety, peace, welfare and convenience in the use of the marina areas for the purposes for which established. Only vessels in good condition and under their own power (not paddle, oar or makeshift sail) will be permitted to berth, dock, moor or anchor. The owners or captains of all vessels desiring space at city marinas shall be required to execute either a dockage agreement or a lease agreement, as appropriate, prior to provision of such accommodation, and shall be bound to abide by the marina rules and regulations printed therein and which also appear herein, as well as those contained elsewhere in this Code. Failure to conform to the aforementioned rules and regulations shall constitute sufficient cause for city termination of the dockage agreement or lease agreement and, when appropriate, shall subject the signer of the agreement or any other party violating the provisions herein to the penalties provided for in section 1-13 of this Code. If the owner or captain refuses to remove his or her vessel after termination of his or her dockage agreement or lease agreement for cause, the city may remove the vessel from her berthing, docking, mooring or anchorage space at the owner's risk and expense and may take possession of the space, relet the same, and may retain any balance or prepaid rental as liquidated damages and not as a penalty.

(Code 1967, § 50-42; Code 1980, § 53-26; Ord. No. 11712, § 3, 10-13-98; Ord. No. 13676, § 2, 4-27-17)

Sec. 50-222. Additional rules and regulations authorized.

The city manager is hereby authorized and directed to make and enforce such reasonable rules and regulations as may be necessary to carry into effect those provisions of this article which govern the city marinas. Such rules and regulations shall first be posted or otherwise made public.

(Code 1967, § 50-14; Code 1980, § 53-27)

Sec. 50-223. Limitations on city liability.

The dockage agreement is for the use of pier space only, such space to be used at the sole risk of the owner, and the city shall not be liable for the care or protection of the vessel, her appurtenances or contents, or for any loss or damage of any kind or nature whatsoever to the vessel, her appurtenances or contents, however caused. There is no warranty of any kind as to the condition of the piers, walks, gangways, ramps or mooring gear, nor shall the city be

responsible for injuries to persons or property occurring upon city property not caused by the negligent acts of the city or its personnel.
(Code 1967, § 50-55; Code 1980, § 53-28)

Sec. 50-224. Assignment of berths based on overall vessel length.

Berths shall be assigned with respect to the overall length of a vessel, and a vessel may not be assigned to a berth where the vessel's overall length exceeds the berth's length by not more than two feet, except where the dockmaster determines that it is in the best interest of the city.
(Code 1967, § 50-43; Code 1980, § 53-29; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-225. Access to piers restricted.

It shall be unlawful for any person, except in the case of emergency or except for marina employees, licensees and their bona fide guests and commercial vessel customers, to gain access to city-owned and operated piers within the city.
(Code 1967, § 50-6; Code 1980, § 53-31; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-226. Soliciting prohibited.

It shall be unlawful to solicit for any purpose upon the marinas property of the city except as may be authorized by state law.
(Code 1967, § 50-5; Code 1980, § 53-32)

Sec. 50-227. Motorized vehicles on piers limited.

It shall be unlawful to ride, drive, store or otherwise permit any motorized vehicle other than a city vehicle on a city pier, except in the case of an emergency.
(Code 1967, § 50-8; Code 1980, § 53-33)

Sec. 50-228. Swimming, diving or fishing in marina waters prohibited.

It shall be unlawful for any person to swim, dive or fish in the waters of Dinner Key yacht basin, Miamarina or Watson Island Marina.
(Code 1967, § 50-7; Code 1980, § 53-34)

Sec. 50-229. Consumption of alcoholic beverages.

It shall be unlawful to consume in public on any marina piers or walkways any alcoholic beverages. It is not the intent of this section to prohibit social drinking aboard duly authorized vessels by guests and tenants of the marinas, or in establishments duly licensed by the city.
(Code 1967, § 50-12; Code 1980, § 53-35)

Sec. 50-230. Electrical power and fresh water exclusively for use of vessel occupying berth.

The electrical power and fresh water provided at city marina facilities shall be used exclusively by and for the vessel occupying that berth. It shall be unlawful for either the licensee or any other person to use either the electrical power or fresh water for any purpose other than to supply power and water to the vessel officially assigned to that berth by agreement on record at the dockmaster's office. Water siphons will n be used except in case of emergency. Fresh water provided by the city shall not be used as a cooling agent for equipment on vessels.
(Code 1967, § 50-50; Code 1980, § 53-36; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-231. Marina shower and toilet facilities—Access generally.

The unauthorized use of the tenant shower facilities at any city marina is prohibited, and it shall be unlawful for anyone who is not either a legitimate paying tenant or a bona fide guest of a paying tenant to make use of such shower facilities.
(Code 1967, § 50-13; Code 1980, § 53-37)

Sec. 50-232. Same—Shower-toilet keys.

Marina shower-toilet keys are issued for tenants and their guests only, and tenants found duplicating the keys for issuance to unauthorized persons, or otherwise providing them to unauthorized persons, shall have their dockage agreement cancelled.
(Code 1967, § 50-52; Code 1980, § 53-38)

Sec. 50-233. Same—Key deposits.

Keys to pier gates and marina toilet-shower facilities, as applicable, will be issued by the dockmaster to each qualified vessel on receipt by the dock office of a deposit. The key deposit at Miamarina shall be determined by the dockmaster. Such deposit shall be refunded upon return of such key or shall be forfeited if the key is not returned.
(Code 1967, § 50-53; Code 1980, § 53-39; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-234. Restriction on domestic pets.

Domestic pets are permitted, provided they are kept leashed when not confined aboard, do not disturb other guests, and do not create a nuisance. Tenants whose pets are not controlled in accordance with these restrictions shall be required to remove their vessel from the city marina.
(Code 1967, § 50-48; Code 1980, § 53-40)

Sec. 50-235. Maintaining vessel appearance.

It shall be unlawful for any person who owns, is in charge of, or is aboard any vessel located at city property to display any advertisement or exhibit any sign, or hang any washing or laundry upon any part of the vessel where it can be seen or is visible from any premises in the immediate vicinity. "For sale" signs, not to exceed one foot square, are excepted from the aforementioned prohibition and may be displayed on any boat. It shall also be the responsibility of tenants to keep their vessels in such condition that they do not become unsightly or dilapidated or reflect unfavorably on the appearance standards of city marina facilities. Decks of vessels berthed at city docks shall be kept free and clear of debris, bottles, papers, trash or other unsightly material at all times.
(Code 1967, § 50-46; Code 1980, § 53-41)

Sec. 50-236. Orderly keeping of pier.

It shall be the responsibility of licensees to keep the pier areas adjacent to their vessels in an orderly, clean and safe condition. Piers will be kept clear of all gear, including dinghies, skiffs or other equipment and may not hang such gear or other equipment from pilings. Customers are prohibited from making any modifications or alterations to piers, slips and pilings. Private stowage facilities may not be used on the walkways. Bicycles will be permitted on the piers at Dinner Key Marina if parked in a manner so as not to block passage on the pier. Non-compliance with any of the above provisions may be cause for removal and/or termination of their license agreement.
(Code 1967, § 50-47; Code 1980, § 53-42; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-237. Disposal of garbage, waste and refuse into marinas or yacht basins.

It shall be unlawful for any person to throw trash or garbage or waste oil into the waters of city marinas or yacht basins. Garbage and trash shall be placed in containers in a designated location at or near the city docks.
(Code 1967, § 50-84; Code 1980, § 53-43)

Sec. 50-238. Toilet and shower facilities on boats.

It shall be unlawful to utilize at any city marina any toilet or shower facilities on boats which are not equipped in accordance and compliance with federal regulations on waste disposal. Violation of this section shall result in termination of all contracts obtained pursuant to this article and shall result in the expulsion from all city-owned marinas.
(Code 1967, § 50-83; Code 1980, § 53-44)

Sec. 50-239. Flame-producing equipment.

In the interest of safety and fire prevention, the use or storage of grills and/or charcoal burners, burning and welding equipment, grilling equipment or any open-flame equipment is prohibited within marina areas, including but not limited to the marina piers and docks, except within the enclosed vessel and at the owner's own risk. Grills are not permitted to be stored on marina piers or docks.
(Code 1967, § 50-10; Code 1980, § 53-45; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-240. Repairing, fitting out, etc., of vessels.

Routine maintenance and minor repairs necessary for the preservation and seaworthiness of the vessel may be performed within the marina. Major repairs may not be performed at city marinas. Routine maintenance and minor repairs are considered to be those which:

(1) Do not disturb the public peace and tranquility of any person aboard any boat under the jurisdiction of the city manager.

(2) Do not contribute to a disorderly or unsightly appearance during the process of repair or maintenance.

(3) Are capable of accomplishment with hand tools or certain portable power tools normally carried aboard the vessel.

(4) Are confined to the vessel.

(Code 1967, § 50-49; Code 1980, § 53-47)

Sec. 50-241. Refueling vessels.

(a) It shall be unlawful to refuel any vessel at other than approved marine service facilities or other approved and permitted sites. For purposes of this section, such refueling facilities and sites shall be approved and/or permitted by the city manager using rules and standards promulgated by the city manager.

(b) It shall be unlawful to refuel any vessel with a fuel having a flashpoint lower than 100 degrees Fahrenheit (37.8 Celsius) from a mobile delivery vehicle or with a person aboard such vessel except such of the vessel's crew as are necessary to perform the refueling operation.

(c) Tank barges and fuel supply boats are expressly prohibited within city-owned marina areas.

(d) For purposes of this section, "mobile fuel delivery vehicle" means a wheeled land vehicle used for purposes of delivering motor fuel. The vehicle and appurtenant fuel delivery equipment shall be of a type currently approved for such use by the Florida department of transportation (FDOT), and shall comply with all regulations of the FDOT and the Florida department of agriculture and consumer services.

(e) All mobile delivery vehicles utilizing city-owned marina facilities to deliver motor fuel ("fuel") as defined in F.S. § 207.002, as amended, shall comply with the following requirements:

(1) Fuel delivery shall be limited to those liquids having flashpoints at or above 100 degrees Fahrenheit (37.8 Celsius).

(2) Fuel delivery shall only be made by those individuals or business enterprises possessing a valid city local business tax receipt.

(3) All fuels shall be dispensed in the presence of a city employee assigned by the dockmaster, or designee thereof, during hours specified by the dockmaster. The dockmaster may require fuel delivery operators to notify the dockmaster, or his/her designee, of the intent to utilize city-owned facilities at least two hours before such use. The employee shall record the beginning and ending pump reading for each mobile delivery vehicle making a delivery.

(4) The individual or enterprise making such deliveries shall pay to the city, as a user fee, the greater of ten percent of gross sales, or a fee, as established by the city manager, on each gallon dispensed at any approved location at a city-owned facility. The remittance shall be paid in accordance with procedures established by the dockmaster upon the conclusion of the daily delivery or deliveries, and shall be accounted for utilizing administrative procedures as developed and implemented by the dockmaster and the department of finance.

(5) All individuals or business enterprises utilizing mobile delivery vehicles to deliver fuel to vessels pursuant to this section shall obtain and present to the dockmaster evidence of an insurance policy approved by the city's insurance coordinator. The insurance policy shall consist of

a contractor's liability policy and a commercial owner's policy endorsed for such refueling, and naming the city as an additional insured. Additionally, such policies shall protect the city from liability for bodily injury, property damage, or environmental damage, including cleanup and restoration costs, resulting from spillage or any other incident on city-owned land involving the delivery of fuel by such vehicles.

(Code 1967, § 50-9; Ord. No. 10800, § 1, 10-18-90; Code 1980, § 53-48; Ord. No. 12885, § 1, 2-8-07; Ord. No. 12992, § 2, 5-8-08; Ord. No. 13676, § 2, 4-27-17)

Sec. 50-242. Removal of vessels for cause.

The city manager or his/her designee may cause the removal of any vessel from city marina property when it is necessary in order to repair the dock, because of a previous reservation, or for any good or reasonable cause; and should the owner or person in charge refuse to remove such a vessel, the city, through the city manager or his/her designee, may assess reasonable charges for the cost of having the vessel moved.

(Code 1967, § 50-44; Code 1980, § 53-49; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-243. Dockage in certain locations not permitted.

No more than three commercial vessels may berth at the South Quay Wall of the Miamarina, only one of which may be operated primarily as a motor vessel.

(Code 1967, § 50-78(d); Code 1980, § 53-30; Ord. No. 11343, § 1, 2-29-96)

Sec. 50-244. Illegal activities prohibited.

Any illegal activity within city marinas shall be grounds for immediate prosecution under the provisions of state law. It is the intent of the city to prosecute each violation to the fullest extent of the law. If there is a reasonable cause for suspicion of an illegal activity occurring within any city marina, the appropriate authorities will be called immediately. It is the policy of the city to not tolerate any illegal drug use or possession of illegal drugs within its jurisdiction or within any city marinas. Such use or possession shall be immediately prosecuted to the fullest extent of all applicable laws.

(Ord. No. 12992, § 2, 5-8-08)

Secs. 50-245—50-270. Reserved.

DIVISION 2. NONCOMMERCIAL VESSELS

Sec. 50-271. Vacant berths or moorings—Rerental by city.

If any noncommercial vessel leaves its assigned space for more than 72 hours, the city reserves the right to rerent this space while such space is known to be vacant. The owner vacating such space shall give the dockmaster adequate advance information concerning the vessel's expected return so that proper arrangements can be made to have his/her berth or mooring clear upon his/her return.

(Code 1967, § 50-56; Code 1980, § 53-61; Ord. No. 13676, § 2, 4-27-17)

Sec. 50-272. Same—Assignment or subletting by tenants.

Assignment of dockage agreements or sublicense of rental of boats, berths or moorings by licensees at city marinas is prohibited. Licensees shall not grant free use of their berths or moorings to other vessels during a period when their own vessel may be absent from the berth or mooring, inasmuch as the city reserves the right to re-license their berth or mooring during such periods of absence. The owner of a licensee vessel agrees to advise the city of any change of ownership, or of rental, of a vessel while subject to a city dockage agreement, not later than 24 hours following such change.

(Code 1967, § 50-57; Code 1980, § 53-62; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-273. Restriction on use of private boat docked in noncommercial area primarily for business purposes.

It is not the operating policy of city marinas to provide dockage in noncommercial areas for

vessels whose primary function is to conduct business, or to facilitate sales or promotional activities normally carried on in commercial areas. The use of any private boat berthed at a noncommercial slip or mooring primarily for business purposes is prohibited; furthermore, the use of the city marina facility address for business purposes by noncommercial vessels is prohibited. Violation of this section shall be immediate cause for the city manager to require removal of the vessel from city marinas.
(Code 1967, § 50-58; Code 1980, § 53-63)

Sec. 50-274. Living aboard—Generally.

The privilege of living aboard private boats is extended to professional captains, owners and bona fide guests only, and shall in other respects be governed by regulations applicable at individual city marinas.
(Code 1967, § 50-59; Code 1980, § 53-64)

Sec. 50-275. Same—Limitation at Miamarina.

Long-term living aboard at Miamarina shall be restricted by the city manager to whatever number of vessels is compatible with the city's intent to retain as much dockage as possible for transient vessels and at the same time produce the maximum possible revenue from the marina's operations.
(Code 1967, § 50-60; Code 1980, § 53-65)

Sec. 50-276. Dockage agreements, berthing of private vessels on first come, first served basis based on size.

Private vessels and those fishing vessels which neither transport passengers nor provide services to the public for compensation shall be assigned berths by execution of a dockage agreement on a first come, first served basis. All such private vessels at city-owned marinas shall be assigned berths on a first come, first served basis based on the size of vessel or berth.
(Code 1967, § 50-61; Code 1980, § 53-66; Ord. No. 11712, § 3, 10-13-98)

Secs. 50-277—50-300. Reserved.

DIVISION 3. COMMERCIAL VESSELS

Sec. 50-301. License agreements, assignment of berths.

(a) Dockage space in city marinas shall be rented for commercial vessel use only upon the execution of a license agreement between the city and the vessel owner. The license agreement form shall be available for inspection in advance by interested parties at the dockmaster's office.

(b) Berths in city dock facilities shall be assigned as it appears best for the interests of the city, taking into consideration the availability of berths, the size of the vessel, and the services to be rendered by the vessel. No changes in assignment shall be made except as approved by the city manager or his/her designee.
(Code 1967, § 50-62; Code 1980, § 53-72; Ord. No. 11712, § 3, 10-13-98; Ord. No. 12992, § 2, 5-8-08; Ord. No. 13676, § 2, 4-27-17)

Editor's note—Ord. No. 12992, § 2, adopted May 8, 2008, changed the title of § 50-301 from "Dockage agreements, assignment of berths" to "License agreements, assignment of berths."

Sec. 50-302. Sale, assignment or sublicense of berths.

No berth at a city marina may be sold, assigned or sublicensed by any licensee or otherwise transferred to another person.
(Code 1967, § 50-63; Code 1980, § 53-73; Ord. No. 12992, § 2, 5-8-08)

Editor's note—Ord. No. 12992, § 2, adopted May 8, 2008, changed the title of § 50-302 from "Sale or sublease of berths " to "Sale, assignment or sublicense of berths."

Sec. 50-303. Tickets—Sales restricted.

Passage tickets sold on the city docks shall be sold only at city-established booths or the rail of the boat.
(Code 1967, § 50-64; Code 1980, § 53-74)

Sec. 50-304. Same—Number of booths permitted.

A licensee under this division may not have more booths than he/she has vessels operating.
(Code 1967, § 50-65; Code 1980, § 53-75; Ord. No. 12992, § 2, 5-8-08; Ord. No. 13676, § 2, 4-27-17)

Sec. 50-305. Same—Solicitation of passengers.

The solicitation of passengers on any dockage facilities of the city may be made only from established booths. Solicitation of passengers may be made only by the owner, operator or representative of a licensed craft from assigned booths in an ordinary conversational tone of voice, and solicitation may not be made by the use of music or loud noises, either vocal, reproduced or amplified by mechanical means. No animals may be used or exhibited in order to gather crowds, attract attention or advertise any business or service offered to the public by licensees or any other person at city marina facilities.
(Code 1967, § 50-66; Code 1980, § 53-76; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-306. Same—Booth maintenance.

Booths operated by licensees and all adjacent areas shall be kept clean and free of all encumbrances, including display of marine life. It shall be the duty of the certificate holder to keep the booth and adjacent areas swept and clean and free of such encumbrances.
(Code 1967, § 50-67; Code 1980, § 53-77; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-307. Same—Booth damage or relocation.

It shall be unlawful for any person to overturn, damage or deface any booth under this division. No booth may be moved or relocated without written permission of the city manager or his/her designee.
(Code 1967, § 50-68; Code 1980, § 53-78; Ord. No. 13676, § 2, 4-27-17)

Sec. 50-308. Living aboard by employees.

No employee or any other person shall be permitted to utilize a bait or shrimp fishing vessel, or other similar type of vessel, or a certified vessel as a place of residence while the vessel is berthed at a city marina. These vessels shall be secured as soon as possible after the final trip of the day, and no person shall remain aboard overnight or while the vessel is not in use.
(Code 1967, § 50-69; Code 1980, § 53-79)

Sec. 50-309. Termination of dockage agreement.

Failure to comply or abide with the provisions of the dockage agreement or the terms of this chapter shall result in termination and cancellation of the dockage agreement, as well as subject to penalties as provided in section 1-13 or chapter 2, article X.
(Code 1967, § 50-70; Code 1980, § 53-80; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-310. Standards for sightseeing boats at Miamarina.

Notwithstanding anything in this article to the contrary, the city shall not issue a dockage agreement to a sightseeing boat at Miamarina unless the sightseeing boat meets the uniform design and operational criteria, established from time to time by the city manager or designee, and set forth in the dockage agreement for sightseeing boats operating from Miamarina.
(Ord. No. 11343, § 1(53-72), 2-29-96; Ord. No. 13351, § 2, 12-13-12)

Editor's note—Ord. No. 13351, § 2, adopted December 13, 2012, repealed the former section 50-310 in its entirety, which pertained to sightseeing boat limitation, and derived from Ord. No. 11343, § 1(53-81), adopted February 29, 1996; Ord. No. 11846, § 2, adopted October 26, 1999, and Ord. No. 12992, § 2, adopted May 8, 2008. Subsequently, Ord. No. 13351 redesignated the former section 50-311 as section 50-310 to read as herein set out. The historical notation has been preserved for reference purposes.

Secs. 50-311—50-335. Reserved.

DIVISION 4. RATES, CHARGES, BILLING AND COLLECTION

Sec. 50-336. Dockage and mooring rates.

The dockage rates at all city marinas shall be established from time to time by the city manager upon consideration of the following criteria:

(1) Current bond debt service requirements of no less than 150-percent coverage.

(2) Return on proposed or previously completed, nonbonded, capital improvement.

(3) Operating expenses.

(4) Management fees of any private management firm engaged in providing management services to the marina.

(5) Reserve for improvements and major maintenance.

(6) Other city financial needs.

(Ord. No. 9251, § 1, 3-17-81; Code 1980, § 53-86; Ord. No. 11433, § 1, 1-16-97; Ord. No. 12992, § 2, 5-8-08)

Editor's note—Ord. No. 12992, § 2, adopted May 8, 2008, changed the title of § 50-336 from "Dockage rates" to "Dockage and mooring rates."

Secs. 50-337. Reserved.

Editor's note—Ord. No. 12992, § 2, adopted May 5, 2008, repealed § 50-337 in its entirety, which pertained to courtesy dockage at Miamarina for customs clearance, and derived from the Code of 1967, § 50-54, and the Code of 1980, § 53-91.

Sec. 50-338. When dockage and mooring fees are due and payable; delinquency in payment.

Dockage and mooring fees at all city marinas are due and payable in advance. Monthly dockage and mooring fees, based on a 30-day month, are due and payable in advance on the first day of each month and shall be considered delinquent if not paid on or before the tenth of the month. A licensee who is delinquent for a period of 20 days shall be considered to be in breach of and have defaulted on his or her license agreement, and shall have 30 days to pay in full all outstanding dockage and mooring payments and late fees owed to the city. If payment in full is not made after this period, the city shall revoke his/her license agreement and reassign the berth.

(Code 1967, § 50-71(c); Code 1980, § 53-92; Ord. No. 11712, § 3, 10-13-98; Ord. No. 12992, § 2, 5-8-08)

Editor's note—Ord. No. 12992, § 2, adopted May 5, 2008, changed the title of § 50-338 from "When dockage due and payable; delinquency in payment" to "When dockage and mooring fees are due and payable; delinquency in payment."

Sec. 50-339. Responsibility for damage to city property.

Owners or operators of vessels shall be required to reimburse the city for any damage or defacement which they or their vessels may cause to city piers or other city property.

(Code 1967, § 50-51; Code 1980, § 53-95)

Sec. 50-340. Vessel checkout procedure.

Licensees checking out of the marina shall report to the dock office and pay their accounts prior to leaving. Checkout time shall be established by the dockmaster. Boats occupying a berth after checkout time shall be charged dockage for that night.

(Code 1967, § 50-75; Code 1980, § 53-96; Ord. No. 12992, § 2, 5-8-08)

Sec. 50-341. Removal of vessels with delinquent charges prohibited.

It shall be unlawful for the owner, operator or person in charge of any vessel to remove such vessel from city property without first making payment of all delinquent charges when such vessel has a delinquency in its dockage account. The owner, operator or person in charge of such vessel shall be responsible for compliance with this section.

(Code 1967, § 50-76; Code 1980, § 53-97)

Sec. 50-342. Lien for unpaid fees and nonjudicial sale.

The city shall acquire a maritime lien against the vessel, their appurtenances, and contents for all unpaid marina and docking fees, late charges, or any damage caused to any dock, pier or any other property of the facility. For undocumented vessels, pursuant to F.S. § 328.17, as amended, in the event of non-payment of storage or any other charges within the prescribed period, the facility is authorized to sell the owner's vessel at a nonjudicial sale.

(Code 1967, § 50-77; Code 1980, § 53-98; Ord. No. 12992, § 2, 5-8-08)

Editor's note—Ord. No. 12992, § 2, adopted May 8, 2008, changed the title of § 50-342 from "Lien for unpaid fees" to "Lien for unpaid fees and nonjudicial sale."

Sec. 50-343. Reapplication for dockage after revocation.

Any person or principal in a business or corporation listed as licensee for dockage at a city marina who has had that dockage agreement revoked by the city, may reapply for dockage after a period of 12 months. Any outstanding dockage payments, late fees, or other charges owed to the city must be paid in full prior to reapplication for dockage.
(Ord. No. 11712, § 3, 10-13-98)

Sec. 50-344. Capital improvement fund.

Recognizing that our city marinas serve as stewards of the environment and as family-friendly gateways to water based recreational and commercial activities, it is vital to the best interests of the city to provide a dedicated and sustainable source of funding for vital capital repair and improvement projects, and as a source of match funding for capital grant opportunities. Toward that end, ten percent of the gross dockage monies received each fiscal year shall be set aside into a special account that shall be dedicated to funding necessary capital repairs and capital related improvements to city marinas and mooring facilities and for the provision of matching funds for grant opportunities.
(Ord. No. 12937, § 2, 8-1-07)

Secs. 50-345—50-400. Reserved.

ARTICLE VI. CITY MOORING FACILITIES

DIVISION 1. GENERALLY

Sec. 50-401. Purpose and intent.

The purpose of this article is to promote the public health, safety, and general welfare of the citizens of the city and visiting boaters in city waters using our municipal mooring facilities. It is the intent of this article to provide for the primary management and operational functions of these facilities through the creation of rules, regulations, and procedures. These regulations are designed to provide for the safe harbor and use of vessels within municipal mooring facilities; mitigate hazardous navigational conditions created by unsafe vessel operations and anchoring practices; protect the rights of safe navigation within city waters; and to protect and preserve the city's environmentally sensitive aquatic resources.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-402. Authority to regulate.

The city shall possess all rights permitted by law to regulate the use and activities of municipal mooring facilities and anchorages within the city, and the conduct of persons using such.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-403. Authority of the harbormaster.

The harbormaster is responsible for the safe, lawful, and efficient operations of municipal mooring facilities within the city and shall be authorized to assign moorings. No vessel shall occupy any mooring slip without the approval of the harbormaster. Transfer of vessels from one mooring slip to another without the prior approval of the harbormaster is prohibited. Vessel owners desiring to transfer to a different mooring than the one assigned shall obtain the prior authorization of the harbormaster an complete all required paperwork to be obtained in the harbormaster's office. For safety, security, or other management considerations the harbormaster may move or relocate any vessel from the particular mooring space rented to any other mooring space in the sole discretion of the harbormaster, in addition to other penalties provided in this Code. Any violation of the provisions within this division may void the license agreement for use of the mooring space and result in the ejection of the vessel from the facility, as well as the forfeiture of any part or all of the security deposit, if deemed appropriate in the sole discretion of the harbormaster. The decision or interpretation of these rules and regulations shall be the responsibility of the harbormaster. Appeals thereof may be made to the marinas manager, the director of public facilities, and ultimately the city manager.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-404. Duties and responsibilities of the harbormaster.

The duties and responsibilities of the harbormaster, as carried out through the harbormaster's office and staff, shall include, but not be limited to:

(1) Enforcing the appropriate provisions of this chapter and any associated facility rules and regulations to ensure the safe, lawful, and efficient operations of city mooring facilities and anchorage areas;

(2) Providing administration for the daily operation, maintenance, and security of the facility;

(3) Assigning mooring spaces to customers, maintaining customer records, supervising the collection of mooring fees and related charges, as well as collection of delinquent accounts;

(4) Supervises personnel engaged in the daily operations of the facility, including inspection of customer vessels, moorings & related equipment; maintenance and repairs to property and equipment; operation of work and customer shuttle vessels; and other duties and responsibilities.

(5) Provides overall assistance and information to the general public regarding the city's municipal mooring fields and anchorage areas, i.e. weather and wind conditions, mooring fees, facility rules and regulations, safe boating practices, etc.

(6) Coordinates with authorities and regulatory agencies regarding fuel spills, hazards to navigation, storm cleanup, and declared emergencies.

(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-405. Public mooring fields and anchorages.

Public mooring fields and anchorages within the jurisdictional boundaries of the city may be established or designated only by the city manager.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-406. Enforcement.

Under the direction of the city manager, the harbormaster is authorized and directed to enforce the rules and regulations established for the safe operations of city mooring facilities and anchorages.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-407. Same—Assignment or subletting by licensees.

Assignment of dockage agreements or sublicense or rental of boats, berths or moorings by licensees at city mooring facilities is prohibited. Licensees shall not grant free use of their berths or moorings to other vessels during a period when their own vessel may be absent from the berth or mooring, inasmuch as the city reserves the right to re-license their berth or mooring during such periods of absence. The owner of a licensee vessel agrees to advise the city of any change of ownership, or of rental, of a vessel while subject to a city dockage agreement, not later than 24 hours following such change.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-408. Non-licensee vessels prohibited from entering mooring field.

Entry into mooring field areas is prohibited, except by those vessels and their dinghies assigned by the harbormaster to a mooring, dinghies visiting those vessels assigned to moorings, facility staff or other authorized work vessels, and enforcement vessels.
(Ord. No. 12992, § 2, 5-8-08)

Secs. 50-409—50-420. Reserved.

DIVISION 2. REGULATIONS

Sec. 50-421. Facility rules and regulations; purpose and intent.

The rules and regulations contained in this division are designed to safeguard boaters and their vessels, and to create and promote the safe, lawful, and efficient operations of municipal mooring facilities. The city manager or his/her designee is authorized to create, modify, or remove

such rules, regulations, and policies as deemed necessary for this purpose. The rules and regulations contained within the Dinner Key Mooring Facility mooring plan shall be adopted as the formal rules, regulations, and policies of that facility, and shall serve as guidelines for future municipal mooring facilities within the city.
(Ord. No. 12992, § 2, 5-8-08; Ord. No. 13676, § 2, 4-27-17)

Sec. 50-422. Operational vessels only.

Only vessels that are deemed to be in compliance with the United States Coast Guard regulations and safety standards and F.S. ch. 327, as amended, shall be allowed to moor within municipal mooring fields. Only vessels in good operational condition, capable of maneuvering under their own power and with current registration or documentation shall be allowed to moor in the facility. The determination of whether a vessel is considered to be in good operational condition, capable of maneuvering under their own power shall be the sole discretion of the harbormaster. Vessels without integral or functional power for propulsion are not allowed in the facility.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-423. Vessel equipment requirements.

All vessels within municipal mooring fields should have a dinghy or other small craft as an alternate means of conveyance to enable access to the dinghy dock and harbormaster's office. Absent this, the vessel owner shall communicate the absence of a dinghy to the harbormaster. The lack of such a dinghy shall not be cause to refuse rental of a mooring. It is the sole responsibility of vessel occupants to provide their own conveyance to the upland facilities. Under no circumstances is the city responsible for owning, operating, or maintaining a dinghy for the exclusive use of mooring patrons.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-424. Commercial use of moorings prohibited.

Commercial activities or vessels engaged in commercial activities are prohibited from mooring in municipal mooring fields. However, this would not prohibit commercial vessels from using such facilities. No advertising or soliciting shall be permitted on any vessel within any mooring facility, except two "for sale" signs, not exceeding one square foot in size, may be placed on a vessel. Use of moorings for brokerage purposes is prohibited, however this section will not preclude a licensee from utilizing a yacht broker to assist in the sale of their vessel.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-425. Mooring of the vessel.

All persons landing by vessel or dinghy must register at the harbormaster's office within 12 hours of landing. Vessels shall be moored in designated mooring areas only. The sole method of mooring of vessels at each slip shall be by tying the vessels at the bow only—no vessel shall be moored to the buoys at the stern. The use of anchors within the facility is prohibited—the use of additional anchors to supplement the mooring provided is prohibited. Dinghies shall be kept on board or alongside the vessel when not in use, and shall not impede or restrict access to fairways and channels. Rafting or mooring of more than one vessel to any buoy shall be prohibited, without the prior express approval of the harbormaster.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-426. Illegal activities prohibited.

Any illegal activity within municipal mooring facilities and anchorage areas shall be grounds for immediate prosecution under the provisions of state law. It is the intent of the city to prosecute each violation to the fullest extent of the law. If there is a reasonable cause for suspicion of an illegal activity occurring within any facility or anchorage area, the appropriate authorities will be called immediately. It is the policy of the city to not tolerate any illegal drug use or possession of illegal drugs within its jurisdiction or within any municipal mooring facilities or anchorage areas. Such use or possession shall be immediately prosecuted to the fullest extent of all applicable laws.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-427. Waste management; marine pollution.

Discharge of human or pet waste overboard in city waters is prohibited. Upon entering any municipal mooring field, all vessels shall secure their sewage holding tanks, which are to be emptied into the sewage pumpout facilities prior to mooring. Absolutely no pumping of any sewage into any area within the facility shall be permitted, except at the pumpout station or by a pumpout vessel. All vessels with live aboard occupants will be required to have their holding tanks pumped out not less than every three days without fail. Violation of this provision shall constitute immediate grounds for ejection from the facility and forfeiture of security deposit.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-428. Dinghy dock at Dinner Key mooring field; uses; permits.

The city shall provide a dinghy dock for the accommodation of dinghies (not vessels) of the Dinner Key mooring facility customers at no charge on a first come, first served basis. Dinghies of non-facility vessels shall pay a landing fee and shall be issued a use permit by the facility; which rate shall be established by the city manager or their designee. First priority for dinghy dock use and dinghy landing shall be given to dinghies of Dinner Key mooring facility customers over all other dinghies with regard to space availability. Proof of current license agreement is required at all times to use the dinghy dock. Use of the dinghy dock is restricted to such reasonable limits on time as may be established by the harbormaster and no dinghy shall be left at the dinghy dock for more than 24 continuous hours without the prior permission of the harbormaster. The tying of dinghies by facility customers or other non-facility vessel owners to the docks, piers, and sea walls of Dinner Key Marina is prohibited. Unattended dinghies found tied to city docks, piers, and sea walls shall be considered abandoned and may be seized and impounded.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-429. Fueling prohibited within mooring field.

Fueling of vessels within municipal mooring facilities is prohibited; vessel fueling is permitted at city designated fueling stations.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-430. Unsightly or badly deteriorated vessels.

No vessel of any kind which is of unsightly appearance, badly deteriorated, or unseaworthy condition, which is likely to damage other vessels or city facilities, or which might become a menace or hazard to navigation, shall be permitted to moor within municipal mooring fields.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-431. Responsibilities of licensees; no liability on use of mooring facilities.

The city assumes no responsibility for the use of city-provided moorings, dinghy dock, and upland amenities at any city facility by vessel owners, operators, guests, or other personnel. The city and its personnel assume absolutely no liability for personal possessions, any vessel, dinghy, or their contents or use while said vessels are located within any municipal mooring facility, dinghy dock, or upland amenities.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-432. Safe operation of vessels.

Reckless or negligent operation of any vessel, including any recreational vessel, small craft, or dinghy, when in the judgment of the harbormaster said operation is an endangerment to life, property, or other vessels, shall be grounds for immediate ejection from a municipal mooring facility or anchorage area.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-433. Use of pumpout vessel; pumpout facilities.

Vessels moored at municipal mooring facilities are required to utilize city-provided pumpout facilities or pumpout vessel. Those vessels utilizing a type I or II marine sanitation device as

defined in 33 C.F.R. Part 195 are required to provide proof of the specified functionality of their system to the harbormaster or to seal their tank. Any use of their system must be in strict accordance with USCG and state requirements. The harbormaster may, in their discretion, mandate the placement of trace dye tablets to be placed in the holding tank of any vessel moored within a facility.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-434. Major repairs prohibited.

Major repairs or refitting of vessels, including any activities which could result in a deposition of materials into the water or within the mooring field, is strictly prohibited. Minor repairs and maintenance work may only be conducted with the prior notification and approval of the harbormaster. The harbormaster's office shall be contacted in advance of any contemplated work to verify compliance. Additionally, only city staff shall undertake and accomplish any repairs to docks, piers, moorings, or any other common area structures or appurtenances. Any unauthorized activity in violation of the above may result in ejection from the facility and forfeiture of security deposit.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-435. Discharge of waste; removal of trash.

Discharge of any solid or liquid waste (human or pet) into the waters within municipal mooring facilities is prohibited. Violators are subject to immediate ejection from the facility, and notification by the harbormaster of said violation to the appropriate authorities, including the Florida Department of Environmental Protection (FDEP) for appropriate enforcement action. Litter must be deposited ashore to facility receptacles. Vessel owners shall contact the facility regarding the proper disposal procedures for waste oil, rags, bilge socks, absorbents, anti-freeze, used fuel, and batteries. The city's marinas and mooring facilities do not accept hazardous waste or materials for disposal.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-436. Prohibited activities.

Prohibited activities at municipal mooring facilities shall include, but not be limited to, the following:

Major repairs/refitting;

Charcoal, wood, or open flame burners (cooking stoves to be UL approved);

Swimming or diving within the mooring facility unless performing vessel maintenance or repairs commercial activities; advertising or soliciting;

Disorderly, rowdy, or boisterous conduct; excessive noise that impedes the quiet enjoyment of the facility by others;

Hanging laundry from the vessel in public view.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-437. Manatees and protected species; feeding of wildlife.

Vessel owners and their guests shall acquaint themselves with the publications and warnings available at the harbormaster's office regarding safe operation in waters frequented by manatees, and to abide by all laws, ordinances, rules and regulations governing the operation of vessels and watercraft in the presence of manatees. Harassment of protected species is illegal and will not be tolerated. It is prohibited for any vessel owner or guest to feed or leave food for wildlife, particularly birds or endangered species.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-438. Non-licensee use of moorings prohibited.

It is prohibited for any non-licensee vessel to anchor or tie to any mooring within any municipal mooring facility without the prior authorization of the harbormaster, except in demonstrated case of emergency.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-439. Unauthorized departure of vessels.

It shall be unlawful for the owner, operator, or person in charge of any vessel to remove such vessel from city property without first making payment in full of all due and delinquent charges owed the city.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-440. Maritime liens and nonjudicial sale.

The city shall acquire a maritime lien against the vessel, their appurtenances, and contents for all unpaid mooring fees, late charges, or any damage caused to any mooring or any other property of the facility. For undocumented vessels, pursuant to F.S. § 328.17, in the event of non-payment of storage or any other charges within the prescribed period, the facility is authorized to sell the owner's vessel at a nonjudicial sale.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-441. Tying alongside of dinghies, kayaks, canoes.

Dinghies and tenders shall be stored whenever possible on licensees' vessels, in order to maintain safe navigational passage through mooring fields and anchorage areas. A licensee may store one dinghy, kayak, or canoe under 14 feet in length onboard or alongside the licensed vessel without obtaining a separate license agreement. In all other cases, including but not limited to personal watercraft, a separate license agreement must be obtained for each vessel. Rafting of vessels other than dinghies, as determined by the harbormaster, is prohibited.
(Ord. No. 12992, § 2, 5-8-08)

Sec. 50-442. No motorized vessels within marked limited access area at Dinner Key mooring facility; exceptions.

All vessels equipped with internal combustion or electric motors in excess of ten horsepower are prohibited from entering the Dinner Key limited access area.
(Ord. No. 12992, § 2, 5-8-08)

Secs. 50-443—50-500. Reserved.

ARTICLE VII. DERELICT VESSELS

Sec. 50-501. Purpose and findings.

(a) There are currently a number of derelict vessels, as defined herein, in, on, and under the city's public waterways and on the adjoining shoreline.

(b) Such derelict vessels pose potential hazards to safe navigation and commercial and recreational use of city waters as well as to the environment.

(c) These derelict vessels are hazards to public safety and waterfront property during severe weather.

(d) Derelict vessels are sources of degradation of the aesthetic value of city waters and shoreline.

(e) The city has, by virtue of F.S. § 823.11, the authority to provide by ordinance for the removal and disposition, including destruction, of derelict vessels.

(f) The purpose of this article is to promote the public safety, health, and welfare of the residents of the city and the tourists and guests visiting or vacationing in the city by reducing or eliminating the threats posed by derelict vessels through the exercise of the authority granted to the city pursuant to F.S. § 823.11.
(Ord. No. 13797, § 2, 10-11-18)

Sec. 50-502. Definitions.

Unless otherwise expressly stated, the following terms shall, for the purpose of this article, have the meanings indicated in this article:

Derelict vessel means a vessel as defined in F.S. § 327.02, as amended from time to time, that is left, stored, or abandoned:

(1) In a wrecked, junked, or substantially dismantled condition upon any public waters of this state;

(2) At a port in this state without the consent of the agency having jurisdiction thereof; or

(3) Docked, grounded, or beached upon the property of another without the consent of the owner of the property.

Law enforcement officer means any person who is elected, appointed, or employed full time by any sheriff, any municipality, or the state or any political subdivision thereof who is vested with authority to bear arms and make arrests and whose primary responsibility is the prevention and detection of crime or the enforcement of the penal, criminal, traffic, or highway laws of the state. This definition includes all certified supervisory and command personnel whose duties include, in whole or in part, the supervision, training, guidance, and management responsibilities of full-time law enforcement officers or auxiliary law enforcement officers but does not include support personnel employed by the employing agency.
(Ord. No. 13797, § 2, 10-11-18)

Sec. 50-503. Procedure for removal or relocation.

(a) *Without prior notice.* Where a law enforcement officer determines that a vessel constitutes a navigational hazard or a hazard to public safety or is determined to interfere with another vessel or where a derelict vessel obstructs or threatens to obstruct navigation or in any way constitutes a danger to the environment, property, or persons, the Law enforcement officer may immediately remove or relocate, but not destroy, the vessel pursuant to F.S. §§ 327.44, 327.70, 376.15, and 823.11.

In the event a derelict vessel is removed or relocated prior to notice being given to the owner of the derelict vessel, the law enforcement officer shall make a reasonable effort to ascertain the name and address of the last registered owner(s) of the derelict vessel. The law enforcement officer shall also contact the department of highway safety and motor vehicles in order to determine the name and address of any person(s) who has filed a lien on the derelict vessel as provided in F.S. § 319.27(2) or (3) or F.S. § 328.15(1). On receipt of this information, the law enforcement officer shall mail a notice by certified mail, return receipt requested, to the owner(s) and lienholder(s), if any, advising of the location where the derelict vessel is being held, the reason for removal or relocation, that the owner(s) may request an administrative hearing in accordance with section 50-504 of this article, and that failure to request a hearing pursuant to section 50-504 of this article shall be deemed a waiver of the right to a hearing and an agreement to the remedy of removal, sale, destruction, or other disposition of the derelict vessel.

Notice given pursuant to this subsection is presumed to be delivered when it is deposited with the United States Postal Service, certified, and properly addressed with prepaid postage. Certified mail that is returned undeliverable or if delivery is refused shall be deemed as delivered for purposes of this section.

(b) *With prior notice.* Except where a derelict vessel constitutes an immediate hazard to navigation, the environment, or to public health, safety, and welfare, a law enforcement officer shall affix a notice upon the derelict vessel at least 21 days before removing or relocating it, in substantially the following form:

> NOTICE TO THE OWNER AND ALL PERSONS INTERESTED IN THE ATTACHED PROPERTY. This vessel, to wit: (setting forth brief description of location) has been determined to be (derelict or a public nuisance) and is unlawfully upon the waters of this state (setting forth brief description of location) and must be removed within 21 days; otherwise, it will be removed and disposed of pursuant to Chapter 705 Florida Statutes. The owner and other interested parties have the right to a hearing to challenge the determination that this vessel is derelict or otherwise in violation of the law. Please contact (contact information for person who can arrange for a hearing in accordance with this section). The owner or the party determined to be legally responsible for the vessel being upon the waters of this state in a derelict condition or as a public nuisance will be liable for the costs of removal, destruction, and disposal if this vessel is not removed by the owner. Dated this: (setting forth the date of posting of notice), signed: (setting forth name, title, address, and telephone number of the enforcement officer).

The notice may not be less than eight inches by ten inches and must be sufficiently weatherproof to withstand normal exposure to the elements. In addition to posting, the law enforcement officer shall contact the Department of Highway Safety and Motor Vehicles in order to determine the name and address of the owner and any person who has filed a lien on the vehicle or vessel as provided in F.S. § 319.27(2) or (3), or F.S. § 328.15. On receipt of this information, the law enforcement Officer shall mail a copy of the notice by certified mail, return receipt requested, to the owner and to the lienholder, if any, except that a law enforcement officer who has issued a citation for a violation of F.S. § 823.11, to the owner of a derelict vessel is not required to mail a copy of the notice by certified mail, return receipt requested, to the owner. For a derelict vessel or a vessel declared a public nuisance pursuant to F.S. § 327.73(1)(aa), the mailed notice must inform the owner or responsible party that he or she has a right to a hearing to dispute the determination that the vessel is derelict or otherwise in violation of the law. If a request for a hearing is made, the city shall follow the processes set forth in F.S. § 120.569, except that a magistrate, or code enforcement officer may be designated to conduct such a hearing. If, at the end of 21 days after posting the notice and mailing such notice, if required, the owner or any person interested in the derelict vessel or a vessel declared a public nuisance pursuant to F.S. § 327.73(1)(aa), has not requested a hearing in accordance with this section, the law enforcement officer may:

(1) Remove the vessel from the waters of this state and destroy and dispose of the vessel or authorize another governmental entity or its designee to do so; or

(2) Authorize the vessel's use as an artificial reef in accordance with F.S. § 379.249, if all necessary federal, state, and local authorizations are received.

A law enforcement officer may also take action as described above if, following a hearing pursuant to this section, the judge, magistrate, administrative law judge, or hearing officer has determined the vessel to be derelict as provided in F.S. § 823.11, or otherwise in violation of the law in accordance with F.S. § 327.73(1)(aa), and a final order has been entered or the case is otherwise closed.

(Ord. No. 13797, § 2, 10-11-18; Ord. No. 14267, § 2, 4-11-24)

Sec. 50-504. Administrative hearings to determine disposition of derelict vessels.

(a) *Request for an administrative hearing.* The owner(s) of a derelict vessel may request a hearing before the code enforcement board to show that the condition(s) alleged in the notice does not exist or that the derelict vessel is not derelict pursuant to F.S. § 823.11, by submitting a written request for hearing to the office of hearing boards within 21 days after the notice required by this section is given. The written request may be provided by facsimile, electronic mail, or other electronic means and must indicate if the owner contends that the vessel is not derelict, or indicate such other specific grounds on which impoundment, removal, or destruction of the derelict vessel is challenged. Failure to request a hearing pursuant to this section shall be deemed a waiver of the right to a hearing and an agreement to the remedy of removal, impoundment, sale, destruction, or other disposition of the derelict vessel.

(b) *Hearing notices.*

(1) Within 30 days of receipt of a derelict vessel owner's timely written request for an administrative hearing, the office of hearing boards shall schedule a hearing before the code enforcement board.

(2) The office of hearing boards shall send a written notice of hearing by certified mail, return receipt requested, to the derelict vessel owner(s) at his or her last known mailing address stating the time, date, and place of the hearing.

(3) The notice of hearing shall inform the owner(s) of the specific grounds for classification of the vessel as derelict, and his or her opportunity to demonstrate why the condition(s) alleged in the notice does not exist or that the vessel is not

derelict pursuant to F.S. § 823.11. The notice of hearing shall additionally advise that:

a. Failure of the owner(s) or person(s) entitled to possession of the derelict vessel to timely request or attend a scheduled hearing shall be deemed a waiver of the right to such hearing and creates a presumption that the vessel is derelict.

b. The person(s) demanding the hearing shall carry the burden of establishing by a preponderance of the evidence that the condition(s) alleged in the notice does not exist or that the vessel is not derelict.

c. The costs of impoundment, removal, sale, destruction, or other disposition of a derelict vessel shall be taxed to the registered owner(s).

d. Pursuant to F.S. § 705.103(4), any person who neglects or refuses to pay such amount shall not be entitled to be issued a certificate of registration for such derelict vessel or motor vehicle, or any other vessel or motor vehicle, until such costs have been paid.

No other notices are required. Unless the derelict vessel constitutes an immediate hazard to navigation or to public health, safety, and welfare, a timely written request for a hearing under this section stays all enforcement proceedings until an order of the code enforcement board is rendered.

(c) *Conduct of hearings.*

(1) Hearings pursuant to this article shall be conducted by the code enforcement board.

(2) The city manager shall provide all necessary clerical and administrative staff support to the code enforcement board, including space and necessary expenses which may be reasonably required by the code enforcement board for the proper performance of its duties. Among other duties, the office of hearing boards shall be custodian of all cases and documents pertaining thereto and shall have the authority to certify orders and other documents issued by the code enforcement board.

(3) All hearings before the code enforcement board shall be open to the public. All testimony shall be given under oath and shall be recorded electronically or by a stenographer. Such recording may be transcribed at the expense of the party requesting the transcript.

(4) The code enforcement board shall consider the evidence presented by the derelict vessel owner(s) and the city at the hearing. Formal rules of evidence shall not apply, but fundamental due process shall govern the proceedings. All parties shall have an opportunity to present evidence and argument on all issues involved, conduct cross examination, submit rebuttal evidence, and be represented by counsel.

(5) The code enforcement board shall proceed with a hearing in absentia on the merits of the alleged violation for all registered owner(s) whom have been properly noticed in regard to the hearing and fail to appear. Any findings or orders resulting from such hearing are valid and binding upon the registered owner(s).

(6) The code enforcement board shall determine whether a vessel is derelict in violation of this article. If the code enforcement board determines that a vessel is not derelict, then the vessel shall be returned to the owner(s) without payment of costs for removal and storage or the owner(s) shall be entitled to a refund or reimbursement of the reasonable costs of removal and storage if they were paid by the owner(s).

If the code enforcement board determines that a vessel is derelict, the city may proceed to dispose of the derelict vessel as provided in F.S. § 823.11. The costs of storage, removal, sale, destruction, or other disposition of a derelict vessel shall be taxed to the registered owner(s). If the

registered derelict vessel owner(s) does not pay the costs of removal, storage, and disposal (whether by destruction, sale, or otherwise) of a derelict vessel within 30 days of the date the city sends an invoice, then the city may lien the derelict vessel with such costs.

(7) Following a hearing, the code enforcement board shall make findings of fact and conclusions of law based upon the evidence presented and made part of the record determining whether a vessel is derelict. The decision of the code enforcement board is final.

(Ord. No. 13797, § 2, 10-11-18)

Sec. 50-505. Special assessment lien for costs of removal and disposition of derelict vessels.

All costs of removal, storage, and disposal (whether by destruction, sale, or otherwise) of a derelict vessel shall be charged to the owner of such derelict vessel to the full extent permitted by law. Any person who neglects or refuses to pay such amount shall not be entitled to be issued a certificate of registration for such derelict vessel or motor vehicle, or any other vessel or motor vehicle, until such costs have been paid.

If the registered derelict vessel owner(s) does not pay the costs of removal, storage, and disposal (whether by destruction, sale, or otherwise) of a derelict vessel within 30 days of the date the city sends an invoice, then the city may lien the derelict vessel with such costs. The lien created shall be considered a special assessment lien that may be recorded in the public records of Miami-Dade County. The lien shall accrue interest at the maximum legal rate allowed by law from the date of the city's invoice until the costs and administrative fee are paid. The city attorney is hereby authorized to file such instruments as are necessary to establish and enforce any lien upon such derelict vessel for such costs. The city may foreclose on such lien pursuant to section 2-827 of this City Code. Such lien shall have equal dignity with a tax lien.

(Ord. No. 13797, § 2, 10-11-18)

Sec. 50-506. Appeal.

An aggrieved party, including the city, may appeal a final decision of the code enforcement board to the circuit court of the Eleventh Judicial Circuit of Florida in accordance with the Florida Rules of Appellate Procedure. Such an appeal shall not be a hearing de novo but shall be limited to appellate review of the record created before the code enforcement board. An appeal shall be filed within 30 days of rendition of the order to be appealed.

(Ord. No. 13797, § 2, 10-11-18)

Sec. 50-507. Nonexclusivity of remedy.

The remedies referenced in this section are cumulative with other available remedies pursuant to state law, including but not limited to, arrest and prosecution pursuant to criminal statutes, civil remedies, and fines, and are not exclusive. The city's access to the courts of the state is neither precluded nor prohibited by the enactment of this article.

(Ord. No. 13797, § 2, 10-11-18)

Article II. Seasonal Sales Event Permits

Sec. 52-26. Seasonal sales event permit permits.
Sec. 52-27. Revocation.

Article III. Pop-Up Event Permits

Sec. 52-28. Pop-up event permits.
Sec. 52-29. Revocation.

ARTICLE I. SPECIAL EVENT PERMITS

It is the intent of this chapter to encompass the requirements for special events located on both public and private property in the city.

Sec. 52-1. Definitions.

The following words, terms and phrases, when used herein, shall have the meanings ascribed to them in this Code, except where the context clearly indicates a different meaning:

City-hosted event shall mean such events to include, but are not limited to, street naming ceremonies, food drives/giveaways, and holiday celebrations where the city, as host of the event, uses its own resources and services.

City-sponsored event shall mean a special event where the city provides sponsorship through monetary and/or in-kind contribution and where the city is recognized either through the permissible use of the city seal or other similar recognition for the event.

Large special event is a special event where it is reasonably expected that more than 1,001 persons will be in attendance at any given time.

Medium special event is a special event where it is reasonably expected that 251 to 1,000 persons will be in attendance at any given time.

Pop-up event means events for the temporary sale of goods and merchandise, advertising, or for a limited period of time.

Seasonal sales event means events for the temporary sale of seasonal items including, but not limited to, Christmas trees, pumpkins, fireworks and other items sold during holiday seasons.

Special event means events of limited duration, open to a designated number of people which involves the use of public parks; public rights-of-way; privately-owned property; publicly-owned property or any combination of the above, and:

(1) Which includes entertainment, dancing, music, dramatic productions, art exhibitions, or the sale of merchandise, food or alcohol, or any combination of the foregoing;

(2) Which requires the erection of stages, utility poles, booths, tents, or other temporary structures, or the use of parked vehicles or of permanent structures;

(3) Which of necessity requires for its successful execution the provision and coordination of municipal services to a degree significantly over and above that which the city routinely provides under ordinary everyday circumstances;

(4) Which is not one of the authorized uses of a property and is an event which is not included as a customary, primary, or ancillary use as identified in its certificate of use. For those properties that do not require certificates of use, such as one- or two-family homes, it is an event that is over 100 people and impacts traffic and access to the public right-of-way;

(5) Which involves any group of persons and/or vehicles moving on a street or streets of the city under permit as herein provided in accordance with a plan or common purpose for a celebration, display, exhibition, show, or advertisement, whether for public, semi-public, or private purposes, but does not include a parade as defined in chapter 54 of this Code.

(6) For a special event which shall occur in one of the city parks, the special event shall include the above as well as the sale of alcoholic beverages.

Small special event is a special event where it is reasonably expected that up to 250 persons will be in attendance at any given time.

Special event permit means a permit as required by sections 52-2 or 38-74 of this Code.

Street or *streets* shall have the same meaning as provided in section 54-1 of this Code.
(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-2. Special events in general; duration and limitations; city commission waiver.

(a) It shall be unlawful to conduct or engage in a special event without first obtaining an approved special event permit.

(b) A special event may occur on public, private or in a combination of public and private properties that would require special review by the city.

(c) Special event permits will delineate all other temporary uses included for the event, i.e., tents, temporary structures, barricades, fencing, and the like, necessary for the event.

(d) The special event location shall be restored to its original condition and all temporary structures shall be broken down after each special event period.

(e) Where a special event, including but not limited to, a carnival, parade, party, block party, neighborhood celebration event, festival, fair, outdoor sales, or similar type of event is permissible on privately owned property, the event shall be subject to the following:

(1) Special events, which include mechanical rides, are permissible only on Thursdays, Fridays, Saturdays, and Sundays and/or legal holidays, unless other days are approved by the city commission. Otherwise, on all other days, these events shall be Permitted only at Watson Island, Virginia Key and the facilities and parking lots of Miami Marine Stadium, and the Marlin's Stadium.

(2) Special events, which do not include mechanical rides, are permissible on any day of the week.

(f) Open air and outdoor music festivals, concerts or noise generating, except for Historic Virginia Key Beach and Park, special events shall only occur between the hours of 7:00 a.m. to 11:00 p.m. on city-owned properties or facilities.

(g) No more than four special events shall be permitted, each for a maximum duration of seven consecutive days, to be held on the same private property or portion thereof per calendar year. The above-referenced seven days shall not include days required to set up or break down the event.

(h) Special events on City of Miami Property:

(1) City of Miami owned, operated and maintained property, including public right-of-way, parks, Marine Stadium and street festivals, shall be permitted up to ten calendar days per organization, per year.

(2) City of Miami owned but leased property, such as "the Hanger" and "Watson Island," shall be permitted up to ten special events per year each for 14 days per location.

(i) The above limitations on special events may be waived by an affirmative vote of the city commission for the calendar year affected. Any such additional permit(s), however, will be limited to 14 consecutive days at a time.

(j) A special event hosted, not sponsored, by the city shall not be required to obtain a special event permit. Such events include, but are not limited to, street naming ceremonies, food drives/giveaways, and holiday celebrations.
(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-3. Application, time for filing.

A complete, written, and notarized application for a special event permit shall be timely filed with the city manager, or designee, on an approved form not fewer than the following corresponding days:

(1) *Small special events:* 30 days before the event.

(2) *Medium special events:* 30 days before the event.

(3) *Large special events:* 45 days before the event.

The above application period is intended to allow for adequate arrangements to be made for the provision of proper personnel, equipment and supplies, sanitation (litter, debris and human wastes), wastewater, utilities, building permitting and inspection, park maintenance and

restoration. Applications that do not comply with this requirement shall only be considered upon payment of double the application fee and availability of city staff to review.
(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-4. Application requirements.

(a) Applications for special event permits shall be submitted in application forms as provided by the city. The application fee shall be established by the city manager, or designee. The application will not be considered unless accompanied by such plans, reports, photos, exhibits, documents, or other information required below.

(b) The applicant shall provide all information as required based upon the permit sought as set forth by the city manager, or designee, which may include, security plan, fire safety plan, solid waste plan, noise attenuation plan, or other such information as needed.

(c) Proof of payment of a nonrefundable application fee.

(d) Payment of a security deposit. A refundable security deposit, as determined by the city manager, or designee, in the form of, cash, a cashier's check, or irrevocable letter of credit, may be required prior to the issuance of the permit. Based on the scope and location of the event, a pre- and post-event site inspection may be conducted, at the city's discretion, by the applicant and appropriate city personnel to determine existing conditions and evaluate potential damages, if any. Security deposits will be refunded approximately in three to four weeks after the event if all conditions are followed; public property is left in as good condition or better and without damage and all city invoices paid. Failure to comply with conditions imposed may result in forfeiture of the entire or part of deposit.

(e) Referrals. The city manager, or designee, shall make referrals as specified herein based on the nature of the application.

(1) Building;

(2) Fire;

(3) Office of film and entertainment;

(4) Police;

(5) Public works;

(6) Risk management;

(7) Solid waste;

(8) Zoning; and

(9) Other departments or agencies as needed.

(f) A fee of $0.25 per day per linear foot of street obstructed by the special event shall accompany each permit application to the department of resilience and public works for the use of the public right-of-way. The linear footage shall be calculated by the department of resilience and public works utilizing the city's officially established monument lines. The director of the department of resilience and public works shall have the authority to prorate the fee on an hourly basis for special events of less than 24-hour total duration.
(Ord. No. 14357, § 2, 3-13-25; Ord. No. 14368, § 2, 6-17-25)

Sec. 52-5. Criteria for issuance of special event permit.

The city manager, or designee, will issue a special event permit when, from a consideration of the application and from such other information as may otherwise be obtained, the following criteria, appear to be satisfied:

(1) For a special event to take place wholly or partially on the public right-of-way, the conduct of the special event will not substantially interrupt the safe and orderly movement of other traffic contiguous to the special event;

(2) For a special event to take place wholly or partially in a park, the conduct of the special event will not substantially interrupt the use of the park by other members of the public;

(3) The police department can provide police services adjacent to the Permit area to regulate vehicular and pedestrian traffic, with the availability of a sufficient contingent of on-duty personnel to provide such services without diminishing routine service levels to the entire community;

(4) The concentration of persons and vehicles at the special event will not unduly interfere with proper fire and police protection or ambulance service to areas contiguous to the special event;

(5) The special event will not interfere with the movement of firefighting equipment en route to a fire;

(6) Submittal of a complete application that includes all of the documentation and approvals set forth herein.

(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-6. Criterial for denial of special event permits.

The city manager, or designee, may deny a permit to an applicant when:

(1) The special event intended by the applicant would conflict with previously planned programs organized and conducted by the city and previously scheduled for the same time and place;

(2) The proposed special event is prohibited by, or inconsistent with, the classifications and uses of the park, or part thereof, designated pursuant this chapter;

(3) The special event would present an unreasonable danger to the health or safety of the applicant, or users of a park, or city employees, or the public;

(4) The special event is prohibited by law, or by this code, or is not in compliance with the Americans with Disabilities Act (ADA);

(5) The application for permit contains a material falsehood or misrepresentation;

(6) The applicant is legally incompetent to contract, or to sue and be sued;

(7) The applicant, or the person on whose behalf the application for permit was made, has on a prior occasion made material misrepresentations regarding the nature of scope of an event or activity previously permitted or has violated the terms of prior permits issued to or on behalf of the applicant;

(8) The application for permit is not fully completed and executed, or does not include all required permits, plans, and other required documentation within the required time period;

(9) The applicant or the person on whose behalf the applicant for permit was made, has on prior occasions damaged city property and has not paid in full for such damage;

(10) A state of federal, state or local emergency has been declared by lawful authority for the proposed time;

(11) An applicant has failed to complete payment of any sums required for a previously permitted special event until such time as payment is received, or may condition the granting of a new permit on the payment of amounts in arrears in connection with previous special events;

(12) An applicant has failed to substantially perform a cleanup plan which was made a condition of a previous permit, or who has defaulted on a previous sanitation bond or fee or supplemental user fee deposit in connection with a permitted special event until such time as restitution is made;

(13) The applicant has failed to pay any required fees or security deposits or submitted all of the required supporting documentation, or provided the required insurance;

(14) A fully executed and complete prior application for permit for the same time and place has been received, and a permit has been or will be granted to a prior applicant authorizing uses or activities which do not reasonably permit multiple occupancy of the particular public right-of-way, park, or part thereof; and

(15) The applicant or the venue has conducted a special event on a prior occasion without obtaining a special event permit.

No applicant for, or recipient of, a special event permit shall be required to provide for, or pay for the cost of, public safety personnel

necessary to provide for the protection of a festival and its attendees from hostile members of the public or counter-demonstrators or for general law enforcement in the vicinity of the special event. However, the holder of a permit shall be required to provide for a plan for internal security for the special event and shall be required to provide and pay for off-duty police officers and private security guards for such internal security purposes as required by the chief of police, or designee. In determining the adequacy and appropriateness of any internal security plan, the chief of police, or designee, shall be guided solely by considerations of the

number and qualifications of off-duty police and private security guards necessary to provide internal security within the boundaries of the special event, as indicated by experience with similar events

No permit shall be denied, nor shall the applicant for a permit be given less favorable treatment as to time, manner, or place on account of any message which may be conveyed at a festival, or on account of the identity or associational relationships of the applicant, nor to any assumptions as to the amount of hostility which may be aroused in the public by the content of speech or message conveyed by the special event. (Ord. No. 14357, § 2, 3-13-25)

Sec. 52-7. Insurance and indemnity.

Indemnity, hold harmless and insurance. It shall be a condition precedent to the issuance of any such permit that the applicant shall indemnify, defend and hold the city harmless from all claims, suits or actions of any kind whatsoever arising out of or resulting from the special event, the issuance of the permit, or the operations or activities of the permittee and shall, further, indemnify, defend and hold the city, its officials, and employees harmless for any injuries, losses, or damages arising or resulting from the special event including any injuries, losses, or damages resulting from alleged negligent acts or omissions on the part of the city. The applicant shall ensure that adequate safety precautions are in effect at all times during the term of the permit. It shall be a further condition precedent to the issuance of any such permit for the event that the permit holder(s) is/are jointly and severally responsible, at each permit holder's expense, for any damages regarding restoring the public right-of-way to its original condition before installation of facilities.

(1) *Non-governmental applicant(s).* Prior to the issuance of any such permit, the non-governmental applicant(s) shall provide the city with a certificate of insurance affording coverage for commercial general liability with limits of at least $1,000,000.00 per occurrence, $2,000,000.00 aggregate for bodily injury and property damage. The certificate must be endorsed to reflect primary and noncontributory, and further insure against contingent and contractual exposures, personal and advertising injury, underground hazards, if applicable and products and completed operations. At the request of the city, the applicant shall also furnish additional lines of coverage with limits acceptable to the city in connection with the scope of services contemplated under this permit. The city must be listed as additional insured on all applicable third-party liability policies. The insurance herein required shall remain in full force and effect during the entire term of the permit. Additionally, all such insurance for non-governmental applicant(s) shall be subject to annual review by the city's risk management department and the applicant shall be required to update as necessary to protect the city as set forth in this section.

(2) *Government applicant(s).* Prior to the issuance of any such permit, the governmental applicant(s) shall submit to the city a certificate of insurance or letter of self-insurance for each governmental applicant in accordance with and subject to the limitations as set forth in F.S. § 768.28.

(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-8. Application determination.

(a) Decisions of the city manager, or designee, regarding special event permits shall be amended by reports received on the referrals as provided in section 52-4. Approvals of special event permits for special events by the city manager, or designee, shall be based on the criteria utilized by the different departments or other governmental agencies upon which referrals were made. Such criteria shall be as determined by each of the city departments or agencies and as regulated by other applicable laws. The city manager, or designee, shall review comments as provided by each city department or agency to determine whether the proposed event complies with all of the individual criteria. A recommendation of denial by any department or agency shall be

accompanied by specific findings which enumerate how the request does not comply with their individual criteria. The duration of each special event shall be clearly stated within the approved Permit.

(b) Approvals of applications shall be issued when such application is complete and complies with all applicable criteria and requests.

(c) Conditional approvals of applications shall be issued when such applications require conditions to be satisfied in order to be found in compliance with applicable criteria.

(1) The city manager, or designee, shall have authority to attach to the grant of a special event permit such conditions and safeguards as may be necessary. Such conditions and safeguards shall be based upon, and consistent with, considerations and standards applicable to the special event permit. The requirement for any such conditions or safeguards shall be supported by stated reasons, based upon such considerations and standards, and no such condition or safeguard shall establish special limitations and/or requirements beyond those reasonably necessary for the accomplishment of the purpose for which the condition or safeguard is attached.

(2) Failure to comply with conditions and safeguards, when attached to the grant of a special event permit, shall be deemed a violation of this Code.

(d) Denials of applications shall be issued if after conditions and safeguards have been considered and the application still fails to comply with all applicable criteria; any provision of this Code will be violated by the special event; or for any other good cause determined by the city manager, or designee.
(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-9. Informal notice and hearing.

No formal public notice or hearing is required in connection with special event permits, however, the following may be required as directed by the city manager, or designee:

(1) Notice to adjacent property owners. When required, at the time of initial application, the applicant will notify all abutting property owners, including those abutting across the street or alley, on an approved city form via first class mail.

In the case of adjacent commercial buildings or condominiums or other multi-family housing, only one notice to the condominium association, or building owner will be sent.

(2) Courtesy notice to registered neighborhood and/or homeowner associations. All neighborhood and/or homeowner associations that wish to receive a courtesy notice of special event permit applications in their area, shall register with the city on a yearly basis. Such registration shall consist of a letter to the city, in which the association shall request such notification and shall specify the name, address, telephone number and electronic mail (E-mail) address of the official representative of the association, designated to receive said notice and a list of all the officers of said association.

(3) The applicant shall submit, with the application proof of mailing which may be accomplished by affidavit.

(4) At the city manager's, or designee's, discretion, only email notice, in lieu of email and mail notice, will be required to the registered neighborhood and/or homeowner associations based on the size and nature of the special event in question, if the special event does not impact the surrounding area at all.

(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-10. Withdrawal of application; effect of withdrawal.

An application for a special event permit may be withdrawn by the applicant at any time prior to a decision without restrictions as to a resubmittal. An applicant who withdraws an application shall not be entitled to any refund of the application fee.
(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-11. Approvals, approval with modifications, denials, and alternates times.

(a) The city manager, or designee, shall approve, approve with conditions, deny, or modify the permit. If the application is denied, such notice will state the reasons for denial.

(b) Alternate date, time, or location. The city manager, or designee, in denying an application for a special event permit, shall be empowered to authorize the conduct of the Special Event on a date, at a time or location different from that requested by the applicant. An applicant may propose and provide for the on-duty police officers to be supplemented by the number of off-duty officers providing special police service as required to maintain adequate routine service levels pursuant to chapter 42 of this Code. An applicant desiring to accept an alternate permit shall, within five days after notice of the action of the city manager, or designee, file a written notice of acceptance with the city manager, or designee. An alternate special event permit shall conform to the requirements of, and shall have the effect as, a special event permit under this article.
(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-12. Appeals.

Any applicant shall have the right to appeal the denial of a special event permit to the city manager. The appeal shall be filed with the city manager within seven days after the notice of denial is received. The city manager shall act in writing upon the appeal within seven days from receipt. Any applicant aggrieved by the decision of the city manager may seek immediate judicial review.
(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-13. Compliance; possession of permit.

(a) A permittee under this Code shall comply with all permit directions and conditions, and with all applicable laws, sections of this Code, and other ordinances; and

(b) The chair, or other person organizing or heading the special event, shall carry the special event permit personally at all times during the conduct of the special event and shall be produced upon demand by the city.
(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-14. Revocation.

The city manager, or designee, shall have the authority to revoke a special event permit issued under this section upon finding that the criteria for issuance as set forth in this section no longer exist. A permittee may seek judicial review of any decision to revoke a special event permit.
(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-15. Other public gatherings.

This section shall not prevent any person or persons from conducting a parade, assembling on the streets or sidewalks, in any park, or on public or private property, for the purpose of making any speech, engaging in spontaneous expression, or conveying any message to the public or government without holding a permit pursuant to this section. Should any such persons wish to assemble for such purpose and should they not be holding a special event permit under this section, they shall not be prevented from doing so, provided that they have complied with any other ordinance or law, if there be any, regulating such other event or gathering.
(Ord. No. 14357, § 2, 3-13-25)

Secs. 52-16—52-25. Reserved.

ARTICLE II. SEASONAL SALES EVENT PERMITS

Sec. 52-26. Seasonal sales event permit permits.

(a) Seasonal sales events shall be permitted subject to the applicable criteria listed herein on a vacant lot or portion of a lot not reserved for required parking purposes. Such uses may be Permitted in commercial and industrial transect zones and conditioned by a seasonal sales event permit for a period not to exceed five weeks. The

city manager may require notice be sent to immediately adjacent (including immediately across the street) property owners.

(b) Seasonal sales applicants shall submit the same application as a special event as set forth in section 52-4 of the City Code and shall be subject to the same review, approval, denial, appeal and notification processes as set forth in sections 52-3, 52-5, 52-6, 52-7, 52-8, 52-9, 52-11, and 52-12 of the City Code.
(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-27. Revocation.

The city manager, or designee, shall have the authority to revoke a seasonal sales event permit issued under this section upon finding that the criteria for issuance as set forth in this section no longer exist or items being sold are outside the scope of the seasonal sales permit issued.
(Ord. No. 14357, § 2, 3-13-25)

ARTICLE III. POP-UP EVENT PERMITS

Sec. 52-28. Pop-up event permits.

(a) Pop-up events shall be permitted subject to the applicable criteria listed herein on a vacant lot or portion of a lot not reserved for required parking purposes. Such uses may be permitted in commercial and industrial transect zones and conditioned by a pop-up event permit which shall be valid for no more than seven contiguous days. The city manager may require notice be sent to immediately adjacent (including immediately across the street) property owners.

(b) Pop-up applicants shall submit the same application as a special event as set forth in section 52-4 of the City Code and shall be subject to the same review, approval, denial, appeal and notification processes as set forth in sections 52-3, 52-5, 52-6, 52-7, 52-8, 52-9, 52-11, and 52-12 of this City Code.
(Ord. No. 14357, § 2, 3-13-25)

Sec. 52-29. Revocation.

The city manager, or designee, shall have the authority to revoke a pop-up event permit issued under this section upon finding that the criteria for issuance as set forth in this section no longer exist or the activity occurring is outside the scope of the pop-up event permit issued.
(Ord. No. 14357, § 2, 3-13-25)

Secs. 53-151—53-180. Reserved.

Article IV. Convention Center of the City of Miami/University of Miami, James L. Knight

Sec. 53-181. Schedule of fees.

***City Code cross references—**Investigation of applicants for use, lease, rental, etc., of city-owned facilities and other municipal property, § 2-777; discrimination by lessees of city property, § 18-188 et seq.; parks and recreation, ch. 38; fees for use of community centers, etc., §§ 38-7, 38-8; ships, vessels, and waterways, ch. 50; Coconut Grove special events district, § 54-341 et seq.

ARTICLE I. IN GENERAL

Sec. 53-1. Ticket surcharge on paid admissions to events.

(a) *Applicability.*

(1) *To certain facilities.* A ticket surcharge shall be imposed against all paid admissions to city-owned facilities, including, without limitation, the Marine Stadium, the Miami Convention Center, and the Bayfront Park Amphitheater, and on tour boats operating at Miamarina at Bayside. Said surcharge shall additionally apply where admission is charged for events conducted in city parks, facilities therein, and/or community centers. However, no ticket surcharge shall be imposed upon any event held at the Manuel Artime Community Center, regardless of paid admissions. Unless specifically exempted below, and for the purposes of this section, "events" shall include activities, programs, concerts, festivals, parties, meetings and other gatherings for whatever social, entertainment, cultural, sport or other purpose and for which attendees are expected to pay or make a donation in order to attend. The application of the ticket surcharge shall commence upon the effective date of this section, except for those events for which advance ticket sales have the prior approval of the city manager, or designee.

(2) *Exemptions.* The following activities as defined herein shall be exempted from the application of the ticket surcharge on paid admissions:

a. *Banquets:* Official celebratory or ceremonial dinners with speeches that honor or memorialize particular person(s) or occasion(s) and are held by organizations or groups for their members, delegates, representatives and invited guests.

b. *Conferences:* Participatory meetings designed for discussion, fact finding, problem solving, and/or consultation between members, representatives, delegates and/or other affected parties of organizations on related issues.

c. *Consumer shows:* Exhibitions of related products and/or services that are open to the public.

d. *Conventions:* Formal assemblies or meetings of members, delegates, and representatives of an organization or group, such as a political party, fraternal society or business/professional association, that are convened for a common purpose.

e. *Trade shows:* Exhibitions of products and/or services that are not open to the public but are open only to particular members, representatives, businesses and/or groups involved in a specific trade.

Additionally, said surcharge shall not apply to the International Boat Show.

(b) *Rate of surcharge.* Notwithstanding contractual agreements to the contrary, the rate of the ticket surcharge shall be dependent upon the price of admission charged to attendees of a given event, as established by the sponsor or promoter of said event, as follows:

Price of Admission (or suggested donation)	*Ticket Surcharge*
$1.00—14.99	$0.75
15.00—29.99	1.00
30.00—99.99	2.00
100.00—249.99	3.00
250.00—499.99	5.00
500.00—999.99	10.00
1,000.00 and up	12.00

The ticket surcharge shall apply in addition to the actual admission price and shall be exclusive of any applicable taxes and/or service charges. Each charge shall be itemized and shown separately on each ticket.

(c) *Collection, accounts and payment.* The sponsor or promoter of each event or tour operation shall be responsible for the collection of the ticket surcharge, which shall be recorded and

listed as a separate item in the statement of accounts for said event or tour operation. Such records and accounts shall be maintained and available in accordance with all applicable city requirements and Code provisions. Payment of the ticket surcharge to the proper city authorities shall be made as soon as reasonably possible after the conclusion of the event or tour operation along with any and all other sums which may be due the city, and in no case shall be permitted to remain unpaid longer than 60 calendar days after the event and in land facility venue cases, shall be paid prior to the holding of another subsequent event by the same sponsor. Receipts from said surcharge shall be retained by or used as subsidy for the facility, marina or park from which they are generated to augment its operating or capital budget.
(Ord. No. 10439, § 1, 5-19-88; Ord. No. 10509, § 1, 11-3-88; Code 1980, § 53-1; Ord. No. 11998, § 2, 11-16-00; Ord. No. 12184, § 2, 2-14-02; Ord. No. 12403, § 4, 9-11-03; Ord. No. 12715, § 2, 7-28-05; Ord. No. 13367, § 2, 3-14-13; Ord. No. 13705, § 2, 10-26-17; Ord. No. 13818, § 3, 1-10-19)

Note—Amendments to this Section [subsection (b)] made pursuant to Ordinance 13705, § 3, adopted on October 26, 2017, shall not apply to tickets sold pursuant to the March 6, 2014 Use Agreement with Event Entertainment Group, Inc., a Florida for-profit corporation d/b/a Ultra Music Festival ("Ultra").

Sec. 53-2. Right to establish special charges, terms and/or conditions.

Nothing contained in the provisions of this chapter shall limit or restrict the right of the city commission to establish and fix special charges or special terms and conditions for the use of city public facilities.
(Ord. No. 10509, § 2, 11-3-88; Code 1980, § 53-3)

Secs. 53-3—53-25. Reserved.

ARTICLE II. CITY STADIUMS

DIVISION 1. GENERALLY

Sec. 53-26. Bringing glass bottles or metal containers into stadiums.

It shall be unlawful to bring glass bottles or metal containers into the city stadiums, which are the Orange Bowl and Marine Stadium.
(Code 1967, § 39-16.3; Code 1980, § 53-104; Ord. No. 11998, § 2, 11-16-00)

Secs. 53-27—53-50. Reserved.

DIVISION 2. MARINE STADIUM

Sec. 53-51. Stadium area designated.

The following area is hereby designated as the Marine Stadium:

Commence at the southeast corner of section 17, township 54 south, range 42 east, thence run north 89 degrees 56 minutes 49 seconds west, along the southerly line of section 17 for a distance of 2,448.79 feet, more or less, to a point of intersection with a line which is 150 feet northwesterly of, and parallel with, the corporate boundaries of the city and its southwesterly prolongation thereof; thence run north 64 degrees 34 minutes 52 seconds east along such line for a distance of 62.64 feet to the point of beginning of the hereinafter-described tract; thence continue northeastwardly along the last-described course, being 150 feet northwestwardly of, and parallel with, the corporate boundaries of the city and its southwesterly prolongation thereof, for a distance of 2,308.54 feet more or less to the point of intersection with a line that is 2,370.00 feet northeasterly of and parallel with the centerline of the Rickenbacker Causeway; thence run north 45 degrees 22 minutes 07 seconds west along such line for a distance of 6,593.10 feet more or less to a point of intersection with the Metropolitan Dade County bulkhead line as shown in plat book 74, page 9, sheet 2 of the public records of Dade County, Florida; thence run south 44 degrees 06 minutes 48 seconds west along such bulkhead line for a

distance of 2,757.57 feet more or less to a point of intersection with a line that is 200 feet northerly of, and parallel with, the centerline of Rickenbacker Causeway; thence run north 89 degrees 06 minutes 48 seconds east, along such line for a distance of 138.57 feet to a point of curve; thence run eastwardly and southeastwardly along the arc of a tangential curve to the right, having a radius of 1,632.40 feet and a central angle of 45 degrees 31 minutes 05 seconds for a distance of 1,296.84 feet to a point of tangency on a line that is 200 feet northeasterly of, and parallel with, such centerline of Rickenbacker Causeway; thence run south 45 degrees 22 minutes 07 seconds east, along such line, being 200 feet northeasterly of, and parallel with, such centerline of Rickenbacker Causeway for a distance of 4,518.73 feet at the point of beginning; excepting, however, a 200-foot by 200-foot easement conveyed by the county to the Southern Bell Telephone and Telegraph Company, such easement being more particularly described as follows:

Commence at the southeast corner of section 17, township 54 south, range 42 east, thence run north 89 degrees 56 minutes 49 seconds west along the southerly line of section 17 for a distance of 2,565.05 feet more or less to the point of intersection with a line which is 200 feet northwesterly of, and parallel with, the corporate boundaries of the city and its southwesterly prolongation thereof, thence run north 64 degrees 34 minutes 52 seconds east along such line for a distance of 638.82 feet to a point, such point also lying on the corporate boundaries of the city; thence run north 45 degrees 22 minutes 07 seconds west along such corporate boundaries which is 660.00 feet northeasterly of, and parallel with, the centerline of the Rickenbacker Causeway for a distance of 1,697.97 feet to the point of beginning of the hereinafter-described tract; thence run south 44 degrees 37 minutes 53 seconds west for a distance of 200.00 feet to a point; thence run north 45 degrees 22 minutes 07 seconds west for a distance of 200.00 feet to a point; thence run north 44 degrees 37 minutes 53 seconds east for a distance of 200.00 feet to a point; such point lying on the corporate boundaries of the city which is 660.00 feet northeasterly of, and parallel with, the centerline of the Rickenbacker Causeway; thence run south 45 degrees 22 minutes 07 seconds east along such corporate boundaries for a distance of 200 feet to the point of beginning.

Above-described property contains 312.7 acres more or less.
(Code 1967, § 2-48.1; Code 1980, § 53-116)

Sec. 53-52. Regulations generally.

In addition to any other laws applicable to the operation of the Marine Stadium, the following regulations are hereby established:

(1) At times other than when public events are scheduled, it shall be unlawful to trespass on the water and land area comprising the city's Marine Stadium without written permission from the city or a properly designated representative thereof.

(2) It shall be unlawful to bring canned or bottled goods into the Marine Stadium grandstand.

(3) It shall be unlawful to build fires for any purpose at the Marine Stadium on land or in the boats.

(4) It shall be unlawful to have an animal or other pet in the grandstand.

(5) The following activities are unlawful on the land and water area comprising the Marine Stadium unless any of such activities has been specifically authorized: boat traffic, waterskiing, picnicking and fishing.

(6) Other than the area designated for use by self-contained camper trailers, it shall be unlawful to park a motor vehicle, or to anchor, moor or dock a boat overnight anywhere in the Marine Stadium area or to use any portion or facility of the Marine Stadium for overnight lodging.

(7) The public shall have access to the boat hoist and boatramp facilities at the Marine Stadium during daylight hours at times when events are not being conducted.

There is hereby established a fee of $5.00 as payment for the use of the boat hoist, but there shall be no charge for the use of the boatramp.

(8) A land area at the Marine Stadium shall be designated wherein self-contained camper trailers may be parked and utilized for overnight loading at a fee to be established by ordinance. The city manager shall establish such regulations necessary for the control and management of this operation.

(Code 1967, § 2-48.2; Ord. No. 9449, § 1, 6-17-82; Code 1980, § 53-117)

Sec. 53-53. Rental rates and associated charges and conditions.

(a) *Definitions.* For the purpose of this section, the following words and phrases shall have the meanings respectively ascribed to them by this subsection:

Aquatic event: An activity or gathering involving persons and equipment in the presentation of a show, stunt, demonstration, etc., on water.

Athletic event: An activity or gathering involving sports contests or games such as swimming, boxing or wrestling.

Boat racing event: An activity or gathering involving racing contests or boat games such as power boat racing, rowing championships or other boat races.

City manager: The city manager or his/her authorized designee.

Concert event: An activity or gathering involving the presentation of musicals, the philharmonic, rock concerts and stage shows.

Other events: An activity or gathering other than events previously, or elsewhere in this subsection (a), described, such as events sponsored by nonprofit entities or conventions. The examples herein are illustrative only and do not preclude other types of activities or gatherings.

Patrons: The person purchasing an admission ticket to an event or series of events in and/or outside the stadium.

Stadium: The Marine Stadium (Commodore Ralph E. Munroe Marine Stadium).

Trade shows: An activity or gathering involving the display or showing of new merchandise, equipment and other items of commerce.

User: The person or parties entering into a use agreement with the city for an event or series of events to be held in the Marine Stadium. Such person may also be referred to as the "sponsor."

(b) *Admission tax and minimum charges.*

(1) Except as otherwise provided in this section, charges by the city for the use of the stadium shall be assessed as follows:

a. For the use of the stadium premises for other events and trade shows, there shall be assessed a fee, payable in advance, which shall be the greater of $1,575.00 per show day and $525.00 per day for setup and/or breakdown, or a city tax on each admission to the stadium of ten percent of the gross price, as established by the sponsor, on each admission sold by the sponsor of the event to be held in and on the stadium premises, less any federal, state or locally imposed tax payable upon such admission price. The $1,575.00-per-day fee or ten percent of the gross price does not include any stadium costs except normal electricity, water and sewer service. All event costs, including but not limited to security, electricians, custodial personnel, restroom attendants, office attendants, cleanup costs, police department personnel required for traffic control and crowd control, etc., shall be paid by the sponsor.

b. For the use of the stadium premises for any concert or events including, but not limited to, athletic events, boat racing events and aquatic events, and concert events where no admission is charged, there shall be assessed a fee, payable in advance,

which shall be the greater or $2,625.00 per day or a city tax on each admission to the stadium of 12 percent of the gross price, as established by the sponsor, on each admission ticket sold by the sponsor of the event to be held in and on the stadium premises, less any federal, state or locally imposed tax payable upon such gross price. The $2,625.00 per day or 12 percent of the gross price shall include electricity, water and sewer but the sponsor shall pay all other event costs, including, but not limited to, security, crowd control, electricians, custodial personnel, office attendants, cleanup, police department personnel required for traffic control and crowd control, and other like expenses.

c. For the use of the parking lot only, for a commercial, video shoot or feature imagery, there shall be assessed a flat fee, payable in advance, of $750.00 per day. For all other uses, the flat fee shall be assessed at $2,500.00 per day up to five days. If set-up or teardown is required during use, there shall be a fee of $1,000.00 per day, which shall be limited to one day prior and one day after the event. Usage of the parking lot for longer than five days shall be assessed at fair market value. Fair market value is defined as the amount that would be paid for a similar property used in substantially the same manner as the subject property, in a competitive and open market, under similar conditions in an arms-length transaction. This fee does not include any stadium costs. All event costs, including but not limited to electricity used, security deposit, electricians, cleanup, police department personnel required for traffic control and crowd control, etc., shall be paid by the user.

d. The fee required under this section may be waived for governmental entities and agencies, or as approved by the city commission.

e. For the use of the stadium premises for a combination of several types of events, the user shall pay those rates which apply to the event having the larger of the fees quoted herein.

(2) Any person, company, corporation, or organization requesting to reserve a date (or dates) for the use of Marine Stadium shall be required, within ten calendar days of the initial request for date reservation, to make a payment in an amount equal to ten percent of the basic rental fee as a nonrefundable cash deposit. Additionally, not less than 60 days prior to the date reserved for the subject event the user must pay to the city an additional 40 percent of the basic rental fee, which will also serve as a nonrefundable deposit. The intent of the city in this regard is that the user must have made a total nonrefundable deposit to the city of 50 percent of the basic rental fee by at least 60 days prior to the date reserved. The 50-percent balance of the basic rental fee shall be paid to the city, as a nonrefundable cash deposit, not less than 30 days prior to the event date. All of the advance rental fees collected by the city will be forfeited if the user cancels the event.

(3) Federal, state and locally imposed taxes shall be separately shown and printed upon each and every ticket printed for an event, including complimentary tickets. Complimentary tickets shall be clearly overprinted as such. Users shall be permitted to issue complimentary tickets to their event in an amount equal to a maximum of three percent of the total tickets sold for the event, over and above those complimentary tickets designated by the use agreement, and, if the city's audit conducted subsequent to the event reveals that complimentary tickets were issued in an amount exceeding three percent of the total ticket sales, then the

user will be required to pay the 12-percent city tax on that number of complimentary tickets which exceed the three percent. The 12-percent city tax on the excess complimentary tickets shall be paid on the "average" ticket price charged by the user for that event.

(4) The user shall keep available in its office, or such other place approved by the city manager, true, accurate and complete records and accounts of all ticket sales transacted in connection with the stadium event and shall give access to the authorized representatives of the city, during reasonable business hours, to examine and audit such records and accounts. Final accounting and payment of all sums due hereunder shall be made to the proper city authorities as soon after the holding of each event as may be reasonably possible, and in no case shall be permitted to remain unpaid longer than three working days after the event, and in all cases shall be paid prior to the holding of another subsequent event by the same user.

(5) The user of the stadium, and the seller of the tickets, shall be responsible for the collection and payment of all tax monies required to be collected hereunder and shall hold in trust for the city all amounts due hereunder and shall account for and pay over to the city all such sums within the time periods required, or immediately upon written demand by the director of finance of the city. Failure to make full accounting and payment upon demand shall subject the user to a penalty of two percent per month or fraction thereof intervening between such demand and final accounting and payment, exclusive of the first 24 hours of such period, which penalty shall be additional to other penalties provided by this Code and the City Charter.

(6) The tax levied hereby and all sums paid to the city under this section shall be deposited by the city daily as received in the funds and accounts of the stadium.

(c) *Special charges, terms and conditions.*

(1) a. The user for any event shall obtain, at its own cost and expense, public liability insurance in the amount of not less than $1,000,000.00 per occurrence for bodily injury, and not less than $100,000.00 per occurrence for property damage. The user shall furnish certificates of insurance to the city at least ten days prior to any scheduled event, in the amount, type and classification as noted. No modification or change in said insurance shall be made without at least 20 days' advance written notice to the city. Insurance policies required above shall be issued by companies authorized to do business under the laws of the state, with the following qualifications as to management and financial strength: The company must be rated no less than A as to management, and no less than class X as to financial strength, in accordance with the latest edition of Best's Key Rating Guide, published by Alfred M. Best Company, Inc., 75 Fulton Street, New York, New York. All such policies to cover the scheduled events shall name the city as an additional insured.

b. The city may be able to obtain special-events insurance for events that meet certain prerequisites. The city, at its sole option, may determine that the event qualifies for said special-events insurance. If so qualified, the user may comply with this section by obtaining said insurance through the city.

(2) At any time when the flat-rate charge is imposed for the use of the stadium to stage an event, or when admission and entry to any event is not conditioned upon the purchase of a ticket or the payment of a fee by the patron, the charge to the user shall not be less than the cost of operating the stadium for said event.

(3) Uniformed police officers and/or other security personnel shall be provided by the event user in numbers acceptable to the facility manager as being sufficient to control the anticipated event crowd both within and outside the stadium, with payment therefor to be made by the user.

(4) User shall also provide, at its expense, all admission tickets to its event, as well as ticket takers, ticket sellers and ushers, as required, and in numbers acceptable to the facility manager as being sufficient to handle smooth entry of the public into the stadium and to provide efficient ushering and seating of the event crowd.

(5) Nothing contained in the provisions of this section shall limit or restrict the right of the city commission to establish and fix special charges or special terms and conditions for the use of the stadium.

(Code 1967, § 2-48.3; Ord. No. 9358, § 1, 12-10-81; Ord. No. 10926, § 1, 10-3-91; Code 1980, § 53-118; Ord. No. 13142, § 13, 2-11-10; Ord. No. 13197, § 2, 9-27-10; Ord. No. 13262, § 2, 4-14-11; Ord. No. 13676, § 2, 4-27-17)

Secs. 53-54—53-80. Reserved.

DIVISION 3. MIAMI ORANGE BOWL MEMORIAL STADIUM

Sec. 53-81. "Stadium" defined.

As used in this division, the word "stadium" shall mean the Miami Orange Bowl Memorial Stadium.

(Code 1967, § 39-17; Code 1980, § 53-129)

Sec. 53-82. Administration.

The administration of the stadium is hereby imposed upon the city manager who, after conferring with the stadium board, may, in his/her discretion, appoint an assistant to be known as "stadium supervisor." Subject to the supervision and the control of the city manager in all matters, the stadium supervisor shall manage and have charge of the maintenance and operation of all buildings, grounds, facilities and services of the stadium, including the parking areas. The establishment of the control of the stadium and its facilities by the stadium supervisor is not intended to relieve the resilience and public works department, the finance department or any other departments or divisions of the city of the responsibility for the proper maintenance of buildings and grounds, and the payment of all sums due to be paid into the city treasury, but such departments shall not be vested with any rights or responsibilities pertaining to supervision and management of events, except as may be provided for by direct instruction of the city manager.

(Code 1967, § 39-18; Code 1980, § 53-130; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Secs. 53-83, 53-84. Reserved.

Editor's note—Ord. No. 13142, § 13, adopted February 11, 2010, repealed the former sections 53-83 and 53-84 in their entirety, which pertained to admissions and charges for use, respectively, and derived from the Code of 1967, §§ 39-20, 39-21; Ord. No. 8779, § 1, adopted March 23, 1978; Ord. No. 9328, § 1, adopted September 24, 1981; Ord. No. 10439, § 2, adopted May 19, 1988; the Code of 1980, §§ 53-131, 53-132, and Ord. No. 11684, § 2, adopted July 14, 1998.

Sec. 53-85. Reservations.

(a) All requests for reservations for the use of the stadium shall be made in writing, and all reservation charges shall be paid in advance at the time the reservation is made; provided that the city manager may waive advance collections of reservation charges for regularly scheduled events by accredited schools or universities in the vicinity of the city. When the advance collection is so waived, all payments due the city shall be made within at least three working days after the date of the event and prior to a succeeding event, as provided in section 53-84. All reservation charges shall be paid to or retained by the city, whether or not the stadium is used or the events are held, and in all cases shall be applied toward the payment of the ten percent of the gross gate receipts or the minimum charge for the use of the stadium, as the case may be, unless the reservation is cancelled by the city as further provided for in this section. No reserva-

tion shall be made for any persons or organizations other than an authorized representative of the sponsor of the proposed event for which such reservation is made.

(b) The city reserves the right to be the sole judge of the character of the events or performances engaging or using the stadium and grounds, and any reservations may be cancelled in the discretion of the city, through its proper officials with the return of any fees paid in advance.
(Code 1967, § 39-23; Code 1980, § 53-134)

Sec. 53-86. Reserved.

Editor's note—Ord. No. 13142, § 13, adopted February 11, 2010, repealed the former section 53-86 in its entirety, which pertained to parking and special charges, and derived from the Code of 1967, § 39-24; Ord. No. 8784, § 1, adopted April 7, 1978; Ord. No. 8828, § 1, adopted July 27, 1978; Ord. No. 9121, § 1, adopted June 26, 1980; Ord. No. 9269, § 1, adopted May 28, 1981; Ord. No. 10439, § 2, adopted May 19, 1988; Ord. No. 10595, § 1, adopted June 7, 1989; Ord. No. 10889, § 1, June 20, 1991; Ord. No. 10899, § 1, adopted July 11, 1991; the Code of 1980, § 53-135; Ord. No. 11429, § 1, adopted December 12, 1996, and Ord. No. 11998, § 2, adopted November 16, 2000.

Sec. 53-87. Alcoholic beverages.

(a) *Prohibited generally.* Except as provided herein, it shall be unlawful for any person to bring alcoholic beverages into the stadium or to possess or to drink alcoholic beverages, as defined in F.S. § 561.01 et seq., inside the stadium.

(b) *When sale authorized.* Beer and/or malt beverages may be sold in the stadium by the city, provided that such beverages are not dispensed to the consumer in cans or bottles. The city manager may authorize the sale of said beverages in the stadium by licensed vendors. The aforesaid sale shall not be authorized:

(1) Before, during, or after any high school event, including, but not limited to, football, soccer, or any high school event held at the stadium;

(2) Before, during, or after any musical event of the type which historically requires extraordinary security measures, commonly referred to as "rock concerts," based upon prudent police protection.

The aforesaid sale by the city or by authorized vendors is subject to and conditioned upon such terms and conditions as are specified by the city manager. Such specification shall implement policy imposed by the city commission concerning such sale or authorization thereof.

(c) *Designation of areas for serving, dispensing.* Alcoholic beverages may be served or dispensed in those areas of the stadium specifically designated by the city manager, subject to and conditioned upon such terms and conditions as are specified by the city manager. Such specification shall implement policy imposed by the city commission concerning such serving or dispensing.

(d) *Effect on existing concession agreements.* There shall be no change in existing agreements between the city and the stadium concessionaires as a result of the passage of Ordinance No. 8735.
(Code 1967, § 39-25; Ord. No. 8692, § 1, 9-8-77; Ord. No. 8735, § 1, 1-11-78; Code 1980, § 53-136)

Case law reference—Where concession agreement existing at time of passage of Ordinance No. 8735 granted exclusive right to concessionaire to sell beverages at the stadium, and where said ordinance provides an exception to the prohibition against sale of beer and/or malt beverages, authorizing the city to permit sale of same by licensed vendors, concessionaire has the right to sell whatever beverages are to be sold in the stadium and the city does not have the right to permit sale of beer and/or malt beverages by anyone else. City of Miami v. Miami Dolphins, Ltd., 374 So. 2d 1156.

Sec. 53-88. Permit to construct stands, booths, etc.

No stands, booths, barriers or other facilities shall be constructed or erected at or about the stadium by any user or sponsor thereof unless written permission has been obtained from the city manager.
(Code 1967, § 39-26; Code 1980, § 53-137)

Sec. 53-89. Bond required before certain events can be held.

The city manager may require a bond for any event.
(Code 1967, § 39-27; Code 1980, § 53-138)

Sec. 53-90. Repairs and removal of stands, booths, etc.

The cost of repairing any damage to the stadium and the facilities thereof caused by the use of the same shall be payable by the sponsor of the event in connection with which the damage was suffered, and the sponsor shall remove, at his/her own expense, all stands, booths, barriers and other facilities constructed at or about the stadium by the sponsor.
(Code 1967, § 39-28; Code 1980, § 53-139; Ord. No. 13676, § 2, 4-27-17)

Sec. 53-91. Concession rights.

The city will control all concession rights at all events staged within the stadium and its grounds, including the parking areas.
(Code 1967, § 39-29; Code 1980, § 53-140)

Sec. 53-92. Use of complimentary tickets, etc.

All users shall pay for the use of the stadium and the services and facilities afforded thereby at the rates established in this article, and the stadium and the services and facilities afforded thereby shall not be used free of charge by any person or organization whatsoever until all of the outstanding stadium revenue bonds shall be paid and retired; provided that nothing contained in this section shall preclude all users of the Orange Bowl Stadium, except county high schools, from issuing up to but not more than 500 complimentary tickets, to any of its football games, or any county high school from issuing up to but not more than 200 complimentary tickets, free from city tax, to any of their football games.
(Code 1967, § 39-30; Code 1980, § 53-141)

Sec. 53-93. Advertising within stadium and grounds.

It shall be unlawful to place any commercial signs or advertisements within the Miami Orange Bowl Memorial Stadium complex or adjacent city-owned grounds without the prior written approval of the city manager.
(Code 1967, § 39-30.1; Code 1980, § 53-142)

ARTICLE IV. CONVENTION CENTER OF THE CITY OF MIAMI/UNIVERSITY OF MIAMI, JAMES L. KNIGHT*

Sec. 53-181. Schedule of fees.

The schedule of rents, rates, fees and charges for the use or occupancy of and for the services furnished or to be furnished in connection with the Convention Center of the City of Miami/University of Miami James L. Knight International Center, also known as the "Miami Convention Center," is established as listed below. Rental fees for space rental within the Miami Convention Center may be reduced, subject to the approval of the executive director of Miami Convention Center, to match or lower the amount charged by a competing facility if such change in charges causes an event to be booked at the Miami Convention Center.

(1) *Theater/auditorium rates.*

a. *Meetings or general sessions:*

Section	*Rental Rate Nonticketed Events*
Floor only	$ 2,000.00
Floor and first seating section	2,300.00
All space	3,000.00
	Per Event
Single portable food/beverage concession	$100.00
Single permanent food/beverage concession	200.00

b. *Exhibits:*

		Rental Rate (per net square foot)	
Section	*Capacity*	*Exhibit Days*	*Set-up/down Days*
Floor only	73 8-foot by 10-foot booths or 65 10-foot by 10-foot booths	$ 0.35	$ 0.03

*__City Code cross reference—__Conferences and conventions and public facilities department, § 2-356 et seq.

c. *Ticketed events:*

Section	*Number of Events*[1]	*Rental rate, greater of Percent of Gross Sales*		
		Fixed	*Mon.—Wed.*	*Thurs.—Sun.*
Floor, 1st Tier	1	$ 2,000.00	8	9
Floor, 1st, 2nd Tier	1	3,000.00	8	9
Floor, 1st Tier	2-3	2,000.00	7	8
Floor, 1st, 2nd Tier	2-3	3,000.00	7	8
Floor, 1st Tier	4-7	2,000.00	6	7
Floor, 1st, 2nd Tier	4-7	3,000.00	6	7
Floor, 1st, Tier	8 or more	2,000.00	5	6
Floor, 1st, 2nd Tier	8 or more	3,000.00	5	6

d. *Ancillary service:*

	Charge
Air conditioning and utilities[2]	$125.00 per hour for rehearsal time or production setup.
Rehearsal time[3]	$550.00 per four-hour session.
Event personnel	Current union wage rate.
Equipment rentals	Equipment, other than standard lighting or sound, will be contracted for and charged directly to the promoter.
Other services: Police; Stagehand	To be charged directly to the promoter based upon current union wage rates.

[1] Represents number of events contracted or held by one promoter, entity or other person during a fiscal year.
[2] Air conditioning and utilities are included in the rental rate established for a performance (ticketed or nonticketed). Additional charge applies only to rehearsal or other nonperformance usage where air conditioning and utilities are required.
[3] Use of the main theater/auditorium for rehearsal time at this rate is based on availability.

e. Rates for nonprofit entities for use of any area of the Knight Center may be discounted by 15 percent if the area is available for use.

(2) *Meeting and seminar space.*

Article XII. Reserved

ARTICLE I. IN GENERAL

Sec. 54-1. Definitions.

The following words, terms and phrases, when used herein, shall have the meanings ascribed to them in this Code, except where the context clearly indicates a different meaning:

Assembly means any organized: (i) company of persons that is collected together in one place, or (ii) demonstration or rally of persons that does not meet the definition of "parade" set forth herein. The term "assembly" does not include:

(1) A special event as defined in chapter 52 of this Code.

(2) Still photography, motion picture photography, or electronic (television) photography for commercial purposes, on any public roadway, sidewalk, street, park, causeway, beach, lagoon, or on any city-owned property or facility in the city for which a commercial photographic permit is required under section 41-26 of this Code.

Assembly permit means a permit as required by sections 54-6.2 or 38-74 of this Code.

Benefactor means the owner of the business advertised in the sign whose agent, employee, contractor, promoter, or other representative did or caused the posting, placing or affixing of any sign.

Business means any commercial or industrial activity, entity, or event in or for which any goods or services are made, sold or offered for sale or other consideration, pecuniary or otherwise.

Engineering standards means the minimum standards pertaining to the design and construction of all public works constructed in the right-of-way. These standards are in book form entitled "Engineering Standards for Design and Construction" and present the latest engineering standards as an aid to both design and construction and are deemed as being incorporated by reference herein.

Governmental applicants means the City of Miami or its agencies or instrumentality thereof, or as identified by the city manager or designee.

Law means all duly enacted and applicable federal, state, county and city laws, ordinances, codes, rules, regulations and orders.

Maintenance means the upkeep or preservation and acts of repair and other acts to prevent a decline, lapse or cessation from an existing state or condition; to keep from falling, declining or ceasing; to keep in good order; keep in proper condition; keep in repair, as it pertains to the private property and public right-of-way, as applicable, and as are encompassed by the provisions of this chapter.

Maintenance costs means any cost incurred for the purpose of performing maintenance within the public right-of-way. This includes costs of labor, materials, equipment and other public works operational costs.

Non-governmental applicants means any applicant who is not a governmental applicant as defined by this section.

One day means a 24-hour period from noon to noon.

Parade means any organized moving of three or more persons whose gathering is for the common design and purpose of travelling or marching from one location to any other location for spontaneous expression or to convey any message to the public or government, including, but not limited to, current political, religious, or social issues.

A "parade" does not include:

(1) Funeral processions;

(2) Students going to and from school classes or participating in educational activities, provided this conduct is under the immediate direction and supervision of the proper school authorities;

(3) Any governmental agency acting within the scope of its functions;

(4) A "special event" as defined in chapter 52 of this Code;

(5) A motor vehicle or motor vehicles operating in compliance with all applicable traffic laws, ordinances and regulations; and

(6) A pedestrian or pedestrians merely crossing a street, or traversing a sidewalk, while obeying all applicable traffic and pedestrian laws, ordinances and regulations, and which crossing or traversing does not obstruct other pedestrian traffic on a sidewalk.

Parade permit means a permit as required by sections 54-6 or 38-74 of this Code.

Person means any individual, corporation, partnership, limited liability company, association, joint venture, for-profit organization, contractor, subcontractor, affiliate, agent, representative, governmental institution, not-for-profit organization, or other legal entity of any kind, any lawful trustee, successor, assignee, transferee, heir, or personal representative thereof, but shall not mean the city.

Public right-of-way as used in this article shall mean any dedicated or undedicated public street, highway, sidewalk, parkway or alley, public ways, public space(s) and other public places within the city.

Sign means any poster, card, cardboard, advertisement, or paper device or any identification, description, illustration, or other device located on any portion of the public right-of-way, street, or side walk surface which directs attention to a product, place, activity, person, institution, business, message or solicitation.

Special event means an event as set forth in chapter 52 of this Code.

Street or *streets* means the surface, the air space above the surface and the area below the surface of any public street, highway, road, boulevard, concourse, driveway, freeway, thoroughfare, parkway, sidewalk, bridge, tunnel, park, waterway, dock, bulkhead, wharf, pier, court, lane, path, alley, way, drive, circle, easement, or any other public right-of-way or public place, including public utility easements dedicated for compatible uses, or any other property in which the city holds any kinds of property interest or over which the city exercises any type of lawful control, and any temporary or permanent fixtures or improvements located thereon, as may be ordinarily necessary and pertinent to a permit for construction in or excavation of or use of the public right-of-way, but shall not include city-owned buildings or city private property.

Visibility triangle means an area on private property and within the public right-of-way where any material obstruction to visibility is prohibited which would result in concealment of a child over two and one-half feet in height approaching an intersection, or would conceal an approaching automotive vehicle or cyclist from such a child. The visibility triangle shall be measured in accordance with section 3.8.4 of the Miami 21 zoning code and shall include the area bounded by the extension of the diagonal vision clearance line to the center line of the intersecting streets at all street intersections and the area perpendicular to the diagonal vision clearance line from the base building line to the centerline of the intersecting streets at all applicable intersections of driveways with streets.
(Ord. No. 12505, § 3, 3-25-04; Ord. No. 12545, § 2, 6-10-04; Ord. No. 12584, § 2, 9-9-04; Ord. No. 12639, § 2, 1-13-05; Ord. No. 12711, § 2, 7-7-05; Ord. No. 12928, § 3, 6-28-07; Ord. No. 12971, § 2, 2-14-08; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13467, § 2, 6-12-14; Ord. No. 14357, § 3, 3-13-25)

Sec. 54-2. Obstruction of free passage on sidewalks, etc.

(a) *Purpose.* It is the intent of this section to eliminate the obstruction of free passage over, on or along a street, sidewalk, or public right-of-way, whether such obstruction results from the manner in which a person or number of persons shall stand, loiter, walk, sit, lie or camp on said street, sidewalk or public right-of-way.

(b) *Definitions.* For purposes of this section, the following words shall be defined as provided herein:

(1) An "obstruction" within the meaning of this section shall be construed to mean to so occupy the sidewalk, street or public right-of-way that the free use and enjoyment thereof by the public is, in any way interrupted or interfered with, or the

free ingress or egress to or from any building fronting on any public right-of-way is impaired.

(2) The term "camp" or "camping" shall mean the use of a street, sidewalk or public right-of-way, including a public transit stop, bench or other public property on any street, sidewalk or public right-of-way, as a temporary or permanent place of dwelling, lodging, or residence, or as a living accommodation at anytime. Indicia of camping may include, but are not limited to, storage of personal belongings, using tents or other temporary structures for sleeping or storage of personal belongings, carrying on cooking activities or making any fire, or any of these activities in combination with one another or in combination with either sleeping or making preparations to sleep (including the laying down of bedding for the purpose of sleeping).

(c) *Prohibited behavior.* It is unlawful for any person or any number of persons:

(1) To so stand, loiter, walk, sit, lie, or camp upon any street, sidewalk or public right-of-way in the city so as to obstruct free passage over, on or along said street, sidewalk or public right-of-way, after a request by a law enforcement officer to move on so as to cease blocking or obstructing free passage thereon.

(2) By placing an object or objects on a street, sidewalk or public right-of-way in the city, to cause a condition of obstruction or blockage of a street, sidewalk or public right-of-way so as to obstruct free passage over, on or along said street, sidewalk or public right-of-way.

(d) *Applicability.* The provisions of subsection (c)(1) hereof apply only when a person or number of persons shall stand, loiter, walk, sit, lie, or camp on a street, sidewalk or public right-of-way so as to obstruct free passage thereon and shall refuse to obey a request by a law enforcement officer to move on; mere refusal to move on is not enough to support the offense - there must be an actual blocking of free passage over, on or along said street, sidewalk or public right-of-way. This section shall not apply to "assemblies" or "parades" as defined in section 54-1, taking place on a street, sidewalk or public right-of-way, unless any such assembly or parade creates and/or causes a hazardous condition or threatens public safety.

(Ord. No. 13392, § 1, 6-13-13)

Editor's note—Prior to the reenactment of section 54-2 by Ord. No. 13392, § 1, adopted June 13, 2013, Ord. No. 12505, § 2, adopted March 25, 2004, repealed § 54-2 in its entirety, which pertained to obstructions of free passage on sidewalks, etc., and derived from Ord. No. 9241, §§ 1, 2, adopted February 11, 1981, and the Code of 1980, § 37-53.1.

Sec. 54-3. Permit required for work that obstructs or closes a street, sidewalk, or impedes traffic; fees; waiver of fees.

(a) *Scope.* No person shall perform or conduct any work in the public right-of-way (any work including, but not limited to, digging, drilling, repaving, installing or maintaining utilities, etc.), which obstructs, closes, or causes to be obstructed or closed, any street, sidewalk, or any other part of the public right-of-way in this city, or which impedes the general movement of vehicular or pedestrian traffic, without first having obtained a permit approved by the police department, the department of resilience and public works, the off-street parking department, and the risk management department. After approval by the departments of police, resilience and public works, off-street parking, and risk management, the city manager, or designee, shall issue a permit. No person shall apply for a permit to perform or conduct work in the public right-of-way without disclosing in writing on the permit application form the person(s) on whose behalf such work in the public right-of-way is being performed or conducted. If such work is being performed by one or more person(s) on behalf of any other person(s) for using, constructing in, excavation of, maintenance of, owning and/or operating any type or manner of system, equipment, or device within the public rights-of-way, then all persons must comply with all application and permitting requirements of the city. Failure of any person(s) to fully disclose his/her/their interest/participation/representation in the permit application and/or

to fulfill all city requirements for issuance of the permit shall result in (1) immediate revocation by the city, without the necessity of any further action, hearing, or proceeding, of any permit previously granted resulting in such permit becoming null and void, or (2) issuance by the city of a written notice that such permit will not be granted, as the case may be, due to violation of this provision by the person(s) who applied for such permit. The city shall have the right to take all legal measures and seek all available remedies to enforce this disclosure provision. Except for applications for permits by non-revenue generating government entities, no person(s) or those performing the work on behalf of any other person(s) may apply for a permit if the person(s) or those performing the work on their behalf currently owe outstanding fines, debts, or delinquencies to the city related to prior permits issued by the department of resilience and public works, or due to performing un-permitted work in the public right-of-way. If such outstanding fines, debts, or delinquencies are owed by those performing the work on behalf of another, then the denial of the ability to apply for and/or receive a permit shall be accompanied by a notice, mailed to the person(s) applying for the permit, notifying them of the outstanding fines owed by those attempting to perform the work on their behalf and stating the amounts owed.

(b) *Conditions.* Such permit shall set forth minimal reasonable conditions, as permitted by law, necessary for the protection of property and personal safety, the restoration of the public right-of-way to a condition satisfactory to the city, and any on-going maintenance or reparations for un-repaired conditions or damages that may be required of the person(s) under the circumstances and extent of the work to be performed or conducted by such person(s) under such permit. Any violation of the conditions set forth and/or any violations under applicable law shall render such permit null and void, without the necessity of any further action, hearing, or proceeding. Such permit shall cover the length of time necessary and reasonable according to the type of activity involved.

(c) *Indemnity, hold harmless and insurance.* Applicant agrees to indemnify, defend, and hold harmless the city, its officials, employees, agents, and, if applicable, its instrumentalities and each of them from and against all loss, cost, penalties, fines, damages, claims of any nature, including expenses and attorneys' fees, and any and all liabilities by reason of injury to or death of any person, damage to, destruction, or loss to any property including the city, its instrumentalities, its officials, employees, and agents arising out of or in connection with the performance or non-performance of the services contemplated by this permit/agreement which is directly or indirectly caused, in whole or in part, by any act, omission, default, liability, or negligence, whether active or passive of the applicant, its employees, agents, servants, or contractors, unless such act or omission is solely caused by the city, its instrumentalities, officials, employees, and agents. The applicant further agrees to indemnify, defend, and hold harmless the city, its instrumentalities, officials, employees, and agents against all liabilities which may be asserted by an employee or former employee of the applicant, or any of its contractors as provided above, for which the applicant's liability to such employee or former employee would otherwise be limited to payments under workers' compensation or similar laws. In addition, the applicant understands and agrees that except where caused by the negligence or misconduct of the city, its instrumentalities, officials, employees, or agents, the city shall not be liable for any loss, injury, or damage to any personal property or equipment of the applicant, its employees, agents, contractors, business licensees, or invitees placed on city property and its instrumentalities and shall be at the risk of the applicant thereof. The applicant shall be solely responsible for all its activities and for the installation and maintenance of traffic-control devices, if applicable. The applicant shall ensure that adequate safety precautions are in effect at all times during the term of the permit. It shall be a further condition precedent to the issuance of any such permit for work to be performed in the public right-of-way that the permit holder(s) is/are jointly and severally responsible, at each permit holder's sole expense, for any damages regarding restoring the public right-of-way to its original condition before installation of facilities. The indemnification shall survive termination of this permit/agreement.

(1) *Non-governmental applicant(s).* Prior to the issuance of any such permit, the

non-governmental applicant(s) shall submit to the city a certificate of insurance for each non-governmental applicant in an amount not less than $1,000,000.00 per occurrence, $2,000,000.00 aggregate, and any endorsements thereto, including, but not limited to, premises and operations liability, contingent and contractual exposures, XCU hazards, personal and advertising injury, and products and completed operations In addition, the applicant hereby agrees to provide additional insurance requirements as required by the city, including but not limited to umbrella liability, or any additional requirements or endorsements as may be applicable, in connection with the scope of services contemplated by the permit/agreement. The certificate must reflect primary and noncontributory language and list the city as an additional insured. The certificate must also include coverage for all owned, hired, and non-owned vehicles with a combined single limit of $500,000.00 per accident, also listing the city as an additional insured, and must further afford coverage for worker's compensation including waiver of subrogation subject to the statutory limits of the State of Florida. The insurance herein required shall remain in full force and effect during the entire term of the permit. Additionally, all such insurance for non-governmental applicant(s) shall be subject to annual review by the city's risk management department and the applicant shall be required to update as necessary to protect the city as set forth in this section.

All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida with the following qualifications:

The company must be rated no less than "A-" as to management and no less than Class "V" as to financial strength by the latest edition of Best's Insurance Guide published by A.M. Best Company, Oldwick, New Jersey, or its equivalent subject to the approval of the city's department of risk management. Companies not meeting the above rating requirements shall submit proof of reinsurance from qualifying insurers having or exceeding the required rating criteria.

Certificates of insurance shall contain 30 days as to changes or modifications with notice to the certificate holder.

(2) *Government applicant(s).* Prior to the issuance of any such permit, the governmental applicant(s) shall submit to the city a certificate of insurance or letter of self-insurance for each governmental applicant in accordance with and subject to the limitations as set forth in F.S. § 768.28.

(d) *Temporary obstruction of streets and sidewalks.*

(1) Any permit issued pursuant to this chapter under this section may be revoked at any time for violation of the terms of the permit. The city manager or his/her designee may revoke this permit with justification.

(2) The permit holder shall not locate a temporary office, trailer, portable toilets, equipment or storage of materials, construction spoils, and/or supplies within the temporary obstructed right-of-way. Such temporary office, trailer, portable toilets, equipment or storage of materials, construction spoils, and/or supplies may be allowed by the department of resilience and public works subject to a separate fee, subsection (e)(5), in addition to the fee for a permit for the partial or full obstruction or closure listed in subsection (e)(4). A violation of this section shall result in a fine of $250.00 per day for each violation.

(3) If the dimensions of the obstruction exceed the dimensions allowed by the permit, the permittee and the building owner shall jointly be assessed a fine equal to

$250.00 per day for each violation, plus any appropriate additional fees for the obstruction.

(4) The permittee must provide a construction staging plan showing the location of lifting equipment, if applicable, ingress and exit points, and a signed and sealed statement from a State of Florida registered professional engineer stating that no other suitable, onsite alternative exists.

(5) For purposes of this section, the following definitions shall apply:

Construction fence screen is a light, flexible fabric bearing printed text and pictures to give information and with edge grommets to facilitate attachment to a rigid frame.

Construction windscreen is a visual/dust barrier composed of a flexible, woven fabric with edge grommets to facilitate attachment to a rigid frame.

Temporary construction fence is used when contracting or planning to construct improvements on the premises and which facilitates temporary security and surety for the premises.

(6) Subject to compliance by the permit holder with applicable provisions of the sign codes of Miami-Dade County and the city, the permit holder may affix a construction fence screen or construction windscreen containing onsite advertising to the temporary construction fence abutting or located in the public right-of-way subject to an additional fee listed in subsection (e)(6). The dimensions of the construction fence screen or construction windscreen shall not exceed the dimensions of the temporary construction fence, and shall comply with section 33-99 of the Miami-Dade County Code. The content of the onsite advertising shall be limited to pictorial and text information advertising the sale or rental of the premises, construction actually being done on the premises, or future construction to be done on the premises on which the onsite advertising is located. For purposes of this section, such advertising described in the preceding sentence shall only be onsite advertising. No advertising is allowed for goods, off-site products or services, alcoholic beverages, tobacco products or adult entertainment as defined by the city zoning code. Nothing in this section shall be interpreted to permit a sign where the sign copy does not pertain to the use of the property, units sold, or the sale or lease of the property on which sign is displayed and which does not identify the place of business as purveyor of the units advertised on the sign. A violation of this section shall be punishable by a fine of $250.00 per day for each offense under the provisions of chapter 2, article X of the City Code, and any other remedies as provided by law, jointly and severally, including, but not limited to, suspension or revocation of a CU, BTR, permit, or any other legal remedy as deemed appropriate by the city. The use of one remedy shall not preclude the use of another.

(e) *Fees.*

(1) A non-refundable fee of $120.00 shall accompany each permit application to the police department, to be retained by the city regardless of action taken in the granting or denial of the permit.

(2) An non-refundable application fee of $95.00 and a non-refundable initial inspection fee of $50.00 shall accompany each permit application to the department of resilience and public works, to be retained by the city regardless of action taken in the granting or denial of the permit.

(3) A non-refundable permit fee of $325.00 shall be paid prior to permit issuance for all right-of-way closures. Non-refundable plan review fees in accordance with section 2-272 of the City Code shall be paid upon completion of reviews and prior to issuance of all right-of-way closure permits. In the case of an applicant cancelling an application or the city cancel-

ling an application due to the applicant becoming non-responsive and ultimately abandoning a permit application after plan reviews are completed, these fees will be applied to an applicant's account and must be paid in order to avoid being in violation of sections 54-3 and 54-42 of the City Code.

a. A non-refundable permit fee of $775.00 shall be paid prior to permit issuance for all right-of-way closures for helicopter lifting.

(4) A non-refundable public right-of-way usage fee for the partial or full obstruction by construction or maintenance related activities shall be the greater of the following, $595.00 or as calculated below:

a. $0.30 per linear foot per day of sidewalk/curb/swale usage.

b. $0.40 per linear foot per day of parking lane usage.*

*This fee is in addition to fees payable under chapter 35 of this Code, as amended.

c. $0.45 per linear foot per day of lane closure or partial lane closure of traffic and auxiliary lane usage.

All fees shall be paid prior to permit issuance.

(5) A non-refundable fee for a temporary office, trailer, portable toilets, equipment or storage of materials, construction spoils, and/or supplies within the partial or full obstruction area shall be as follows:

a. $0.15 per linear foot per day of sidewalk/curb/swale usage.

b. $0.20 per linear foot per day of parking lane usage.

c. $0.25 per linear foot per day of lane closure or partial lane closure usage.

All fees shall be paid prior to permit issuance.

(6) A non-refundable fee of $0.10 per square foot per day of construction fence screen or construction windscreen containing advertising affixed to temporary construction fence located abutting the public right-of-way or in the public right-of-way. All fees shall be paid prior to permit issuance.

(7) A right-of-way closure final inspection shall be requested after completion of work and a fee of $95.00 shall accompany the inspection request to the department of resilience and public works.

(8) *Reinspection fees:* When additional inspection is required for work previously inspected and rejected by the department of resilience and public works, a reinspection fee of $95.00 will be required for each reinspection.

(9) Permit renewal fees prior to expiration and reactivation fees of original permit:

Processing fee per permit extension: $150.00

Reactivation fee shall be required for expired permits at a rate of 25 percent of the original permit fee, calculated based on the current fee schedule. In addition to the reactivation fee, any permit or permit fee that is required shall be processed with the reactivation.

(10) All fees collected by the department of resilience and public works, in accordance with subsection (e)(2), (e)(3), (e)(4), (e)(5), and (e)(6) shall be deposited in a rollover account to be known as the lane closure fund. This account shall be used for the department of resilience and public works for engineering support services, training, materials, and equipment related to right-of-way closures, and for public right-of-way maintenance and improvements.

(11) *Waiver of fees.*

a. The fees described in subsection (e)(4), (e)(5), and (e)(6) may not apply to the city or any other non-revenue generating government or school district entity, or while construction, excavation, and repair work is being actively performed within the public right-of-way.

b. The fees described in subsection (e)(1), (e)(2) and (e)(3) may not apply to single-family affordable housing projects developed on city-owned property.

c. The fees described in subsection (e)(1), (e)(3), (e)(4), (e)(5), and (e)(6) herein above may be waived or reduced by the city commission if the commission determines that such a waiver or reduction is in the city's best interest.

d. Waiver of fees does not apply to after-the-fact permits.

(12) After-the-fact permit fee. For any public street or alley closure described in section 54-3, performed without the required permits and inspections, quadruple the amount of all permit fees, application fees and inspection fees as described in subsections (e)(1) through (e)(6) herein.

(13) A non-refundable fee of $325.00 shall accompany a plans revision after approval of initial plans. If the permit has been issued, a revision request must be submitted through the department of resilience and public works permit system. Plans or supporting materials clearly showing the proposed modifications shall be submitted.

(14) A non-refundable fee of $120.00 shall accompany a change of contractor after a permit has been issued.

(f) All right-of-way closure permits shall be closed upon completion of work and after all required inspections have been approved.

(g) *[Special revenue fund.]* The revenues received will be placed in a special revenue fund. Ninety percent of this revenue will be used for public right-of-way improvements and repairs. Ten percent of special revenue will be used for public works department training, materials and equipment related to road closures. Expending these funds will be at the discretion of the city manager by recommendation of the public works or capital improvement directors.

(h) *Public gatherings.* This section shall not prevent any person or persons from assembling on the streets or sidewalks, or in any park, or on private property, for the purpose of making any speech, engaging in spontaneous expression, or conveying any message to the public or government without holding a permit pursuant to this section. In addition, this section shall not apply either to an "assembly," to a "parade" or to a "special event," as they are defined in section 54-1.

(Code 1967, § 54-3; Ord. No. 8995, 1, 10-17-79; Ord. No. 9532, § 1, 12-9-82; Ord. No. 10658, § 3, 10-12-89; Ord. No. 11045, § 4, 3-11-93; Code 1980, § 54-3; Ord. No. 11276, § 3, 7-13-95; Ord. No. 12505, § 3, 3-25-04; Ord. No. 12545, § 2, 6-10-04; Ord. No. 12584, § 2, 9-9-04; Ord. No. 12639, § 2, 1-13-05; Ord. No. 12919, § 1, 5-10-07; Ord. No. 12928, § 4, 6-28-07; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13142, § 14, 2-11-10; Ord. No. 13195, § 5, 9-27-10; Ord. No. 13276, § 2, 7-28-11; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13519, § 2, 5-14-15; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13798, § 4, 10-25-18; Ord. No. 13884, § 2, 12-12-19; Ord. No. 13915, § 5, 9-24-20; Ord. No. 14193, § 3, 7-27-23; Ord. No. 14370, § 2, 6-17-25; Ord. No. 14433, § 3, 1-8-26)

Editor's note—Ord. No. 12584, § 2, adopted September 9, 2004, changed the title of § 54-3 from "Permit required for work or special events that obstruct or close street or sidewalk or impede traffic; fees; waiver of fees" to "Permit required for work that obstructs or closes a street, or sidewalk or impedes traffic; fees; waiver of fees."

Sec. 54-4. Closing and vacating of streets.

(a) When any owner of property abutting any public street or alley located within the city wishes to close such street or alley or any portion thereof, he/she shall file in the office of the clerk of the circuit court in and for the county a record plat of the property through which passes the street or alley or portion thereof which is sought to be closed, such plat to show the alley or street or portion thereof as being closed and to include all property abutting thereon except as provided in subsection (b) below or in accordance with subsection 55-15(i) for the closure of public alleys and subsection 55-15(j) for the closure of private alleys which provide for alternate methods of

closing and vacating an alley which abut only parcels of land zoned T3-R or T3-L (single-family residential) and/or T3-O (two-family residential).

(b) The record plat required by this section shall be prepared and executed in accordance with the laws of the state and with the rules and regulations of the resilience and public works department, and shall be signed and executed by the owners of all the abutting property, including but not limited to, those property owners abutting streets or alleys sought to be vacated and closed. Provided, however, execution by property owners abutting streets or alleys sought to be vacated and closed is not required when the applicant: (a) provides suitable access easement(s), (b) provides an indemnification, hold harmless and agree to defend affidavit to the city, in a form acceptable to the city attorney (c) provides a bond acceptable to the city's risk manager to be effective throughout the applicable statute of limitations, (d) pays for the cost and expense of written notices, United States First Class Return Receipt Requested, and public hearings and (e) otherwise fully complies with the requirements of section 55-15 of this code. The record plat shall also be signed and executed by any persons holding any mortgage, lien, judgment or other interest in the street or alley. Notwithstanding the foregoing, governmental agencies may consent to, rather than execute the actual plat.

(c) From and after the filing of the plat required by this section, the alley, street or portion thereof shall be closed, abandoned and discontinued as a public street or alley, provided that such closing, abandonment, or discontinuance shall not in any manner affect utility equipment or services already installed in the alley, street or portion thereof, or the right to thereafter maintain and operate the equipment and services in the alley, street or portion thereof during the term of the franchise under which the equipment and services were installed in the alley, street or portion thereof.

(Code 1967, § 54-4; Code 1980, § 54-4; Ord. No. 12140, § 1, 10-25-01; Ord. No. 12453, § 2, 12-18-03; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-4.1. Public alleys.

(a) Public alleys that meet the following criteria (identified on Exhibit A [of Ord. No. 13492] and which by reference is made a part of this section), are closed, vacated, abandoned and discontinued for the purpose of which they were dedicated to public use subject to the terms and conditions as set forth in this section.

(1) The public alley is not paved in its entirety and is not utilized for vehicular access to a property abutting the public alley; or

(2) Access to the entire public alley is encumbered by encroachments such as fences, planted landscaped barriers, walls, or physical obstructions that prevent vehicular access by the public as of the date of the ordinance from which this section derives.

(b) Utility easement. An easement shall be reserved for the installation, maintenance and operation of any utility located in or to be located in the alleys vacated by this section, including the right of the utility to install, maintain, operate, repair and replace any poles, wires, pipes, conduits, sewer mains, water mains, or any other facility or equipment for the maintenance or operation of any utility. If the property owners whose land abuts the alley desire that an easement reservation be released, the property owners must petition the director of the resilience and public works department in writing to request the release of the easement reservation and, as part of the petition, the property owners are to submit release letters from all utility companies stating that said utility company will release any interest in an easement for the closed and vacated alley. Upon verification of the petition and release letters, the director of the resilience and public works department may release said easement reservation.

(c) The closure, vacation, abandonment and discontinuance of any alley, public or private, not identified in subsection (a) of this section, must comply with the requirements of section 54-4 of this chapter.

(Ord. No. 13492, § 2, 1-8-15; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-5. Removing material from streets.

No person shall dig up or scrape up and carry away any gravel, dirt, rocks or sand from any street, lane or alley in the city, without the permission of the proper authority of the city. (Code 1967, § 54-5; Code 1980, § 54-5)

Sec. 54-6. Permit required for parades.

(a) *Scope.* No parade of 50 or more persons, shall occupy, march or proceed along any public right-of-way, or within any park, and no parade of any number of persons shall occupy, march or proceed within any public street, except in accordance with a permit issued by the chief of police, after approval by the department of resilience and public works, parks and fire-rescue, and with such other applicable regulations as are set forth in this Code.

(b) *Application.* The written application for such permit shall be filed with the chief of police on an approved form not less than five business days nor more than 30 calendar days, before the proposed parade to allow adequate arrangements to be made for the proper policing of same. The application shall contain the following:

(1) The notification name, address and telephone number of the person seeking to conduct the parade;

(2) If the parade is proposed to be conducted for, on behalf of, or by an organization, the name, address and telephone number of the headquarters of the organization and of the authorized and responsible heads of this organization;

(3) The name, address and telephone number of the person who will be the parade organizer, and who will be responsible for its conduct;

(4) The date when the parade is to be conducted;

(5) The route to be traveled, the starting point and the termination point;

(6) The approximate number of persons who, and animals and vehicles which, will constitute the parade, the type of animals, and a description of the vehicles;

(7) The times when the parade will start and end;

(8) A statement whether the parade will occupy all or only a portion of the width of the public rights-of-way or areas proposed to be traversed or used;

(9) The location by streets, or name of park, of any areas where participants and units of the parade will assemble for the parade;

(10) The time at which units of the parade will begin to arrive at the area described in subsection (9);

(11) The interval of space to be maintained between units of the parade if applicable; and

(12) If the parade is designed to be held by and on behalf of, or for, any person, organization or other entity, other than the applicant, a communication in writing from the person proposing to hold the parade, authorizing the applicant to apply for the permit on such other person's, organization's, or other entity's behalf.

(c) *Criteria for issuance.* The police chief shall issue a parade permit when, from a consideration of the application and from such other information as may otherwise be obtained, the following criteria, appear to be satisfied. The police chief shall not have the discretion to consider any other matters or criteria, other than those listed herein, in determining whether a parade permit should be granted or denied.

(1) For a parade on the public right-of-way, the conduct of the parade will not substantially interrupt the safe and orderly movement of other traffic contiguous to its route.

(2) For a parade in a park, the conduct of the parade will not substantially interrupt the use of the park by other members of the public;

(3) The police department can provide police services adjacent to the permit area to regulate vehicular and pedestrian traffic, with the availability of a sufficient

contingent of on-duty personnel to provide such services without diminishing routine service levels to the entire community;

(4) The concentration of persons and vehicles at assembly points of the parade or assembly will not unduly interfere with proper fire and police protection or ambulance service to areas contiguous to the assembly areas;

(5) The conduct of the parade will not interfere with the movement of firefighting equipment en route to a fire;

(6) The parade is scheduled to move from its point of origin to its point of termination expeditiously and without unreasonable delays en route;

(7) A fully executed prior application for permit for the same time and place has been received, and a permit has been or will be granted to a prior applicant authorizing uses or activities which do not reasonably permit multiple occupancy of the particular public right-of-way, park, or part thereof;

(8) The parade intended by the applicant would conflict with previously planned programs organized and conducted by the city and previously scheduled for the same time and place;

(9) The proposed parade is prohibited by, or inconsistent with, the classifications and uses of the park, or part thereof designated pursuant this chapter;

(10) The parade would present an unreasonable danger to the health or safety of the applicant, or users of a park, or city employees, or the public; and

(11) The parade is prohibited by law, or by this Code;

(12) The application for permit contains a material falsehood or misrepresentation;

(13) The applicant is legally incompetent to contract or to sue and be sued; and

(14) The applicant, or the person on whose behalf the application for permit was made, has on prior occasions made material misrepresentations regarding the nature of scope of an event or activity previously permitted, or has violated the terms of prior permits issued to or on behalf of the applicant;

(15) The application for permit is not fully completed and executed;

(16) The applicant, or the person on whose behalf the applicant for permit was made, has on prior occasion damaged city property and has not paid in full for such damage.

(17) A state of federal, state or local emergency has been declared by lawful authority for the proposed time.

(d) *Conditions.* Permits shall set forth conditions reasonably necessary for the protection of the rights, property and personal safety based on the criteria set forth in subsection 54-6(c). Failure to substantially fulfill the conditions set forth in such permit shall render such permit null and void.

(e) *Compliance; possession of permit.*

(1) A permittee shall comply with all permit directions and conditions and with all applicable laws and sections of this Code and other ordinances.

(2) The chair or other person heading or leading the parade shall carry the parade permit personally, and be in possession thereof at all times, during the conduct of the parade.

(f) *Police services to adjacent areas.* Upon issuance of such permit, the police department shall provide police services adjacent to the permit area to regulate vehicular and pedestrian traffic, conditioned upon the availability of a sufficient contingent of on-duty personnel to provide such services without diminishing routine service levels to the entire community.

(g) *Compliance with conditions.* By applying for and being granted such permit, the applicant shall assume responsibility for compliance with the conditions, on the face of the permit.

(h) *Notice of approval, approval with modifications, or denial.* The police chief shall act upon the application for a parade permit and give the applicant notice of approval, approval with modification, or denial, within seven business days after the filing of the application. If the police chief denies the application, the notice will state the reasons for denial.

(i) *Fees.* No fee shall be required for the issuance of a parade permit.

(j) *Appeal of denial.* Any applicant shall have the right to appeal the denial of a parade permit to the city manager. The appeal shall be filed with the city manager within two business days after the notice of denial is received. The city manager shall act in writing upon the appeal within one business day. Any applicant aggrieved by the decision of the city manager may seek immediate judicial review.

(k) *Alternate date, time, location or route.* The police chief, in denying an application for a parade permit, shall be empowered to authorize the conduct of the parade on a date, at a time or over a route or location different from that proposed by the applicant. An applicant may propose and provide for on-duty police officers to be supplemented by the number of off-duty officers providing special police service as required to maintain adequate routine service levels pursuant to chapter 42 of this Code. An applicant desiring to accept an alternate permit shall, within five days after notice of the action of the police chief, file a written notice of acceptance with the police chief. An alternate date parade permit shall conform to the requirements of, and shall have the effect of, a parade permit under this article.

(l) *Revocation.* The police chief shall only have the authority to revoke a "parade permit" issued under this section upon finding that the criteria for issuance as set forth in this section no longer exist. A permittee may seek immediate judicial review of any decision to revoke a "parade permit."

(Code 1967, § 54-6; Ord. No. 8997, § 1, 10-17-79; Ord. No. 9533, § 1, 12-9-82; Code 1980, § 54-6; Ord. No. 12505, § 3, 3-25-04; Ord. No. 12545, § 2, 6-10-04; Ord. No. 12584, § 2, 9-9-04; Ord. No. 12639, § 2, 1-13-05; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13792, § 1, 10-11-18)

Editor's note—Ord. No. 12545, § 2, adopted June 10, 2004, changed the title of § 54-6 from "Permit required for parades and processions" to "Permit required for parades."

Sec. 54-6.1. Reserved.

Editor's note—Ord. No. 12501, § 1, adopted March 11, 2004, repealed § 54-6.1 in its entirety, which pertained to parade and assembly prohibitions and derived from Ord. No. 12430, § 2, adopted November 13, 2003.

Sec. 54-6.2. Permit required for assemblies.

(a) *Scope.* No "assembly" of 50 or more persons, shall occupy out-of-doors, any public right-of-way, any park, any government property, building or grounds, and no "assembly" of any number of persons shall occupy any street, except in accordance with a permit issued by the chief of police, after approval by the department of resilience and public works, parks and fire-rescue, and with such other applicable regulations as are set forth in this Code.

(b) *Application.* The written application for such permit shall be filed with the chief of police on an approved form not less than five calendar days, or as soon as practicable if the applicant certifies that the assembly is of a spontaneous or urgent nature, or more than 30 calendar days prior to the proposed assembly, so that the city can make any preparations necessary to provide personnel or other city services to minimize the interruption of city services and to otherwise protect the participants and the public. The application shall contain the following:

(1) The notification name, address and telephone number of the person seeking to conduct the assembly;

(2) If the assembly is proposed to be conducted for, on behalf of or by an organization, the name, address and telephone number

of the headquarters of the organization and of the authorized and responsible heads of this organization;

(3) The name, address and telephone number of the person who will be the assembly organizer and who will be responsible for its conduct;

(4) The date when the assembly will occur;

(5) The approximate number of persons who will constitute the assembly;

(6) The approximate number of animals and vehicles that will constitute the assembly, the type of animals and a description of the vehicles;

(7) The times when the assembly will start and end;

(8) A statement whether the assembly will occupy all or only a portion of the public right-of-way, park, government property, building or grounds, proposed to be used;

(9) The location of the assembly area;

(10) The physical boundaries of the assembly area; and

(11) Reserved.

(12) If the assembly is designed to be held by and on behalf of, or for, any person other than the applicant, a communication in writing from the person proposing to hold the assembly, authorizing the applicant to apply for the permit on such person's behalf.

(c) *Criteria for issuance.* The police chief shall issue a "assembly permit" when, from a consideration of the application and from such other information as may otherwise be obtained, the following criteria, appear to be satisfied. The police chief shall not have the discretion to consider any other matters or criteria, other than those listed herein, in determining whether a permit should be granted or denied.

(1) The assembly will not substantially interrupt the safe and orderly movement of traffic contiguous to its location;

(2) The police department can provide police services adjacent to the assembly area to regulate vehicular and pedestrian traffic, with the availability of a sufficient contingent of on-duty personnel to provide such services without diminishing routine service levels to the entire community;

(3) The concentration of persons and vehicles at the assembly area will not unduly interfere with proper fire and police protection of, or ambulance service to, areas contiguous to the assembly area;

(4) The assembly will not interfere with the movement of firefighting equipment en route to a fire;

(5) A fully executed prior application for the same time and place has been received, and a permit has been or will be granted to a prior applicant authorizing uses or activities which do not reasonably permit multiple occupancy of the proposed assembly location or part thereof;

(6) The assembly intended by the applicant would conflict with previously planned programs organized and conducted by the city and previously scheduled for the same time and place;

(7) The proposed use or activity is prohibited by, or inconsistent with, the classifications and uses of the park or part thereof designated pursuant this chapter;

(8) The use or activity intended by the applicant would present an unreasonable danger to the health or safety of the applicant, or other users of the park, or city employees, or the public;

(9) The use or activity intended by the applicant is prohibited by law, or by this Code;

(10) The application for permit contains a material falsehood or misrepresentation;

(11) The applicant is legally incompetent to contract or to sue and be sued; and

(12) The applicant, or the person on whose behalf the application for permit was made, has on prior occasions made mate-

rial misrepresentations regarding the nature or scope of a use or activity previously permitted, or has violated the terms of prior permits issued to or on behalf of the applicant;

(13) The applicant for permit is not fully completed and executed;

(14) The applicant, or the person on whose behalf the applicant for permit was made, has on prior occasion damaged city property and has not paid in full for such damage.

(15) A state of federal, state or local emergency has been declared by lawful authority for the proposed time.

(d) *Conditions.* Permits shall set forth conditions reasonably necessary for the protection of the rights, property and personal safety based on the criteria set forth in subsection 54-6.2(c). Failure to substantially fulfill the conditions set forth in such permit shall render such permit null and void.

(e) *Compliance; possession of permit.*

(1) A permittee shall comply with all applicable laws and sections of this Code and other ordinances.

(2) The assembly chair or other person heading or leading the assembly shall carry the assembly permit personally, and be in possession thereof at all times, during the conduct of the assembly.

(f) *Compliance with conditions.* By applying for and being granted such permit, the applicant shall assume responsibility for compliance with conditions on the face of the permit.

(g) *Notice of approval, approval with modifications, or denial.* The police chief shall act upon the application for a permit, and give the applicant notice of approval, approval with conditions, or denial, within three business days after the filing of the application, except that if the applicant has certified that the assembly is of a spontaneous or urgent nature, within four hours after the filing the application. If the police chief denies the application such notice will state the reasons for denial of the permit.

(h) *Fees.* No fee shall be required for the issuance of an assembly permit.

(i) *Appeal of denial.* Any applicant shall have the right to appeal the denial of an assembly permit to the city manager. The appeal shall be filed with the city manager within two business days after the notice of denial is received. The city manager, or designee, shall act in writing upon the appeal within one day after the filing of the appeal, except that if the applicant has certified that the assembly is of a spontaneous or urgent nature, within four hours after the filing of the appeal. Any applicant aggrieved by the decision of the city manager may seek immediate judicial review.

(j) *Alternate date, time, location or route.* The police chief, in denying an application for an assembly permit, shall be empowered to authorize the conduct of the assembly on a date, at a time or over a route or location different from that named by the applicant. An applicant may propose and provide for the on-duty police officers to be supplemented by the number of off-duty officers providing special police service as required to maintain adequate routine service levels pursuant to chapter 42 of this Code. An applicant desiring to accept an alternate permit shall, within five days after notice of the action of the police chief, file a written notice of acceptance with the police chief. An alternate date assembly permit shall conform to the requirements of and shall have the effect of a assembly permit under this article.

(k) *Revocation.* The police chief shall only have the authority to revoke an "assembly permit" issued under this section upon finding that the criteria for issuance as set forth in this section no longer exist. A permittee may seek immediate judicial review of any decision to revoke an "assembly permit."

(Ord. No. 12505, § 3, 3-25-04; Ord. No. 12545, § 2, 6-10-04; Ord. No. 12584, § 2, 9-9-04; Ord. No. 12639, § 2, 1-13-05; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-6.3. Reserved.

Editor's note—Ord. No. 14357, § 3, adopted March 13, 2025, repealed the former section 54-6.3 in its entirety, which

pertained to special events and derived from Ord. No. 12582, § 2, adopted September 9, 2004; Ord. No. 12640, § 2, adopted January 13, 2005; Ord. No. 12710, § 2, adopted July 7, 2005; Ord. No. 13467, § 2, adopted June 12, 2014; Ord. No. 13579, § 2, adopted December 10, 2015, and Ord. No. 13792, § 1, adopted October 11, 2018.

For current provisions pertaining to special events, the user's attention is directed to chapter 52 of this Code.

Sec. 54-7. Signs not to be placed on city property.

It shall be unlawful for any person, business, or benefactor to place or cause to be placed signs on city-owned property except signs authorized or required by the city, or by the laws of the united States, the state, or the city.
(Code 1967, § 38-42; Code 1980, § 37-56; Ord. No. 12971, § 2, 2-14-08)

Editor's note—Ord. No. 12971, § 2, adopted February 14, 2008, changed the title of § 54-7 from "Political or other advertisements not to be placed on city property or trash receptacles" to "Signs not to be placed on city property."

State law reference—Authority of local governments to establish sign ordinances, F.S. §§ 106.1435, 166.0425, 479.155.

Sec. 54-8. Using street or sidewalk for display purposes, exceptions; permit and fee.

It shall be unlawful to use any portion of a street, public right-of-way, or sidewalk in the city for display purposes, except as approved by the city commission or as hereinafter provided.

Displays/banners shall not contain any commercial advertisement.

(a) Except as provided in article III, displays approved by the city commission shall be no larger than 16 square feet, and no portion of any display or attachment thereto may be more than 84 inches from the ground.

(b) Overhead horizontal banners at locations designated by the city will require a permit from the department of resilience and public works before installation. The application for permit shall be submitted electronically by the applicant to the department of resilience and public works through the department's permitting system. A non-refundable application and inspection fee in the amount of $160.00 per banner shall accompany the application. Additionally, a permit fee of $100.00 per month applies to each banner for the use of the right-of-way. A supplemental banner fee and a limited display duration period shall apply for overhead horizontal banner locations within the Coconut Grove Special Events District pursuant to section 54-343. The number, location, and method of installations for overhead horizontal banners shall be subject to approval by the department of resilience and public works and shall conform to the following requirements:

(1) The banner shall not exceed three feet in height and 30 feet in length.

(2) The banner must be a minimum of 18 feet above the pavement elevation at the crown of road.

(3) The banner shall contain adequate perforations to reduce wind loading.

(4) Sponsors' names and/or logos may not constitute more than 15 percent of the banner's total area.

(5) The city reserves the right to remove the banner without notice.

(6) The installation of the banner shall not require the installation of poles or other support devices in the right-of-way.

(c) Vertical event banners on streetlight poles within city public rights-of-way require a permit from the department of resilience and public works before installation. The application for a permit shall be submitted electronically by the applicant to the department of resilience and public works through the department's permitting system. A non-refundable application fee of $95.00 per banner shall accompany the application. Additionally, a permit fee of $20.00 per pole per month applies to each banner for the use of the right-of-way. The number, location, and method of installations for vertical event banners shall be subject to approval by the depart-

ment of resilience and public works and shall conform to the following requirements:

(1) Restricted to being related to events of limited duration.

(2) Shall not exceed three feet in width by eight feet in length; shall have a minimum height clearance of ten feet above the pavement elevation; and shall be suspended lengthwise from a streetlight pole and attached to such pole at each end. Banners may be double-sided.

(3) Shall clear the face of curb by a minimum of two feet.

(4) Shall not contain product logos unless associated with the sponsorship of the event. The sponsors' names and or logo shall not exceed ten percent of the total banner area.

(5) May be erected up to 60 days prior to the event and shall be removed no later than seven days after such event.

(6) Applications shall include the name and date(s) of the event; a drawing identifying the streetlight pole to be used for displaying the banner; and a letter of permission from the owner(s) of the streetlight pole if other than the city.

(7) Prior to the issuance of the permit, the permittee shall provide the department a refundable security deposit, bond, or other surety as determined by the director of resilience and public works to guarantee the removal of the vertical streetlight pole event banner within the permitted timeframe, in case of advanced deterioration, or for any other legal reason. Said refundable security deposit, bond, or other surety amount shall be determined as follows:

Total Banners Proposed	*Total Refundable Security Deposit, Bond or Other Surety*
1—10	$ 5,000.00
11—20	10,000.00
21—30	15,000.00

(d) Construction fence screens or construction windscreens containing onsite advertising may be affixed to a permitted temporary construction fence located in the right-of-way or abutting the right-of-way pursuant to the regulations and fees in section 54-3.

(e) Applicant agrees in exchange for such permit(s) to indemnify, defend, and hold harmless the city, its officials, employees, agents, and, if applicable, its instrumentalities, and each of them from and against all loss, cost, penalties, fines damages, claims of any nature, including expenses and attorney's fees, and any and all liabilities by reason of injury to or death of any person, or damage to, destruction, or loss to any property including the city, its instrumentalities, officials, employees, and agents arising out of or in connection with the performance or non-performance of the activities contemplated by the permit(s) which is directly or indirectly caused, in whole or in part, by any act, omission, default, liability, or negligence whether active or passive of the applicant, its employees, agents, servants, or contractors, unless such act or omission is solely caused by the city, its instrumentalities, officials, employees, and agents. The applicant further agrees to indemnify, defend, and hold harmless the city, its instrumentalities, officials, employees, and agents against all liabilities which may be asserted by an employee or former employee of the applicant or any of its contractors as provided above, for which the applicant's liability to such employee or former employee would otherwise be limited to payments under workers' compensation or similar laws. In addi-

tion, the applicant understands and agrees that except where caused by the negligence or misconduct of the city, its instrumentalities, officials, employees, or agents, the city shall not be liable for any loss, injury, or damage to any personal property or equipment of the applicant, its employees, agents, contractors, or business licensees or invitees placed on city property and its instrumentalities, and shall be at the sole risk of the applicant thereof. The applicant shall be solely responsible for all activities and the installation and maintenance of traffic-control devices. The applicant shall ensure that adequate safety precautions are in effect at all times during the term of the permit. It shall be a further condition precedent to the issuance of any such permit for work to be performed in the public right-of-way that the permit holder(s) is/are jointly and severally responsible, at each permit holder's sole expense, for any damages regarding restoring the public right-of-way to its original condition before installation of facilities. The indemnification shall survive termination of the permit(s).

Prior to the issuance of any such permit, the applicant shall submit to the city a certificate of insurance in an amount not less than $1,000,000.00 per occurrence, $2,000,000.00 aggregate, and any endorsements thereto, including, but not limited to, premises and operations liability, contingent and contractual exposures, and underground hazards, if applicable, personal and advertising injury, products, and completed operations. In addition, the applicant hereby agrees to provide additional insurance requirements as required by the city, including but not limited to umbrella liability or any additional requirements or endorsements as may be applicable, in connection with the scope of services contemplated by the permit. The certificate must reflect primary and non-contributory language and list the city as an additional insured. The certificate must also include coverage for all owned, hired, and non-owned vehicles with a combined single limit of $500,000.00 per accident also listing the city as an additional insured and must further afford coverage for worker's compensation including waiver of subrogation subject to the statutory limits of the state. The insurance herein required shall remain in full force and effect during the entire term of the permit. Additionally, all such insurance shall be subject to review and approval by the city's risk management department.

All insurance policies required above shall be issued by companies authorized to do business under the laws of the state, with the following qualifications:

> The company must be rated no less than "A-" as to management and no less than Class "V" as to financial strength by the latest edition of Best's Insurance Guide, published by A.M. Best Company, Oldwick, New Jersey, or its equivalent subject to the approval of the city's department of risk management. Companies not meeting the above rating requirements shall submit proof of reinsurance from qualifying insurers having or exceeding the required rating criteria.
>
> Certificates of insurance shall contain 30 days as to changes or modifications with notice to the certificate holder.

(Ord. No. 12178, 1-10-02; Ord. No. 12971, § 2, 2-14-08; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13195, § 5, 9-27-10; Ord. No. 13519, § 2, 5-14-15; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13963, § 2, 2-11-21; Ord. No. 14433, § 3, 1-8-26)

Editor's note—Ord. No. 13087, § 2, adopted Sept. 10, 2009, changed the title of § 54-8 from "Using street or sidewalk for display purposes, exceptions" to "Using street or sidewalk for display purposes, exceptions; permit and fee." The historical notation has been preserved for reference purposes.

Sec. 54-9. Placing signs, advertisement, or displays on any portion of public right-of-way, street or sidewalk surface.

(a) Except as provided in this section, it shall be unlawful for any person to post, stick, stamp, stencil, write, paint, erect or place a sign upon any sidewalk, crosswalk, curb, or any portion of the public right-of-way, including but not limited to, any trash receptacles, lamp post, electric light, telegraph, telephone or utility line pole, hydrant, parking meter, bus bench or shelter, news rack, shade tree or tree box, any wall, fence or barricade, or upon the piers, columns, trusses, girders, railings, gates or other parts of any public bridge, overpass or viaduct, or any public structure or building except signs, advertisements, or displays authorized or required by the city, or by the laws or resolutions of the United States, the state, or the city. This subsection shall be enforced pursuant to the provisions of section 1-13.

(b) It shall be unlawful for any benefactor to cause to be posted, stuck, stamped, stenciled, written, painted, erected, or placed any sign to or upon any sidewalk, crosswalk, curb, or any portion of the public right-of-way, including but not limited to, any trash receptacles, lamp post, electric light telegraph, telephone or utility line pole, hydrant, parking meter, bus bench or shelter, news rack, shade tree or tree box, any wall, fence or barricade, or upon the piers, columns, trusses, girders, railings, gates or other parts of any public bridge, overpass or viaduct, or any public structure or building except signs authorized or required by the city, or by the laws of the United States, the state, or the city.

(c) No sign shall extend or project over any portion of any street, alley, waterway or any other public way or any public property except for marquee and projecting signs which shall only be permitted to extend over the right-of-way, in accordance with the Florida Building Code.

(d) A performance bond shall be required of any person or business who rents or leases any city for a special event to ensure the removal of any signs that may advertise such event. The city may at its sole discretion direct such signs to be removed at any time.

(e) Notwithstanding any language to the contrary in this chapter, a person, business, or other entity donating to the city trash receptacles meeting all city requirements and specifications, for the use and benefit of the general public, shall be authorized to place a sponsorship sign (which shall mean a sign that may include the following or any combination of: the name of a person, business or entity, a logo for a business or other entity), on the trash receptacle, after such sponsorship sign is approved at the discretion of the solid waste director or designee. The sponsorship sign will have a dimension of 12" x 6" and exclude alcohol, tobacco, firearms products and adult entertainment establishments. The sponsorship will be for the term the sponsored trash receptacle is in service. The placement of any donated trash receptacles shall be up to the discretion of the solid waste director or designee.

(f) (1) Notwithstanding any other prohibitions in this chapter to the contrary, the city may place, or contract for placement of advertisements or displays on city bicycle sharing and rental station located within the public right-of-way or on bicycles when such advertisements or displays are part of a city sponsored bicycle-rental and sharing program. Such advertisements or displays will be permitted only when the bicycle program is competitively procured and subject to compliance with all applicable permits, contract and competitive solicitation requirements, governmental reviews and approvals, codes, rules, regulations, ordinances, statutes, and contract provisions. All contracts for placement of advertisements under this section of the Code shall contain provisions for a portion of the revenue to accrue to the city.

(2) The following definitions will apply to this section of the Code:

Bicycle sharing and rental program means a bicycle sharing and rental program that is comprised of an automated system

in which bicycles are made available for shared use by individuals who do not own them.

Bicycle sharing and rental station means the following items located on a predetermined physical site: docking structure, payment kiosk, and bicycles.

Payment kiosk means the physical structure and housing for the electronic payment equipment that allows users to access the bicycle sharing and rental program with a membership card or credit card.

(3) The following requirements and limitations will apply to any advertisement(s) and display(s) authorized under this section:

a. Advertisements on the bicycle sharing and rental station payment kiosk may contain advertising on: (A) the rear panel of the Payment Kiosk opposite the keypad/screen display with a maximum dimension of 23"W x 81"H and/or (B) both side panels measuring 14"W x 48"H.

b. General advertising on bicycles that are part of a bicycle sharing and rental program shall be limited to basket surfaces, handlebar placard and fender covers of the bicycles.

(g) (1) Notwithstanding any other prohibitions in this chapter to the contrary, the department of off-street parking of the city ("DOSP"), which owns parking payment machines situated on property within the public right-of-way or in designated parking areas, shall be authorized to use such parking payment machines for advertising purposes. DOSP may enter into agreements with competitively procured licensees for these parking payment machines to be used for advertising. The agreements shall be in such form(s) acceptable to the city attorney, on terms acceptable to the director of resilience and public works, and may not be assigned, transferred or otherwise sold or conveyed. The agreements may not be exclusive, or have a fixed term, unless competitively procured. All agreements are subject to compliance with all applicable permits, governmental reviews and approvals, and all federal, state and local laws.

(2) The following requirements and limitations will apply to any advertisement(s) authorized under this section:

a. Advertisements shall contain public interest messages on a minimum of two-thirds of the display area.

b. Advertisements will exclude alcoholic beverage brands, tobacco brands, firearms products and adult entertainment products or establishments.

c. Advertisements shall be changed, at a minimum, on a quarterly basis.

d. Advertisements shall not contain additional lighting, specifically no back lighting, other than the lighting typically associated with the parking payment machines in their ordinary use.

(h) (1) Notwithstanding any other prohibitions in this chapter to the contrary, the city may place or contract for placement advertisements or displays on communication kiosks and newsracks as described in chapter 54, article VII, within the public right-of-way or on city-owned property when such advertisements or displays are part of a communication kiosk program or a newsrack as described in chapter 54, article VII. Such advertisements or displays will be permitted only when the communication kiosk program or newsrack as described in chapter 54, article VII, is procured in a non-exclusive manner and in accordance with chapter 18, article III of the City Code, titled "City of Miami Procurement Ordinance," and subject to compliance with all applicable permits, contracts, and competitive solicitation requirements, governmental reviews, approvals, codes, rules, regulations, ordinances, statutes,

and contract provisions. All contracts for placement of advertisements under this section shall contain provisions for a portion of the revenue to accrue to the city.

(2) The following definitions will apply to this section of the City Code:

Communication kiosk means a physical interactive device which disseminates information to the general public such as, but not limited to, emergency, transit, special event information, and advertisement information. Such device may be installed at a maximum of one per square as defined in chapter 54, article IV of the City Code.

Communication kiosk program means an approved program by which the city generates revenues and provides public services including but not limited to free wi-fi, resilience components such as air quality sensors, and security features such as panic functionality or a police panic button to protect the public welfare.

(3) The following requirements and limitations will apply to all advertisements and displays authorized under this section:

a. Advertisements shall contain public interest messages on a minimum of one of every eight intervals for the same time period as the advertisement posted.

b. Advertisements shall exclude tobacco products, firearm products, adult entertainment products, and adult entertainment service establishments as those terms are defined in Ordinance No. 13114, the Zoning Ordinance of the City of Miami, Florida, as amended ("Miami 21 Code"), or any successor zoning ordinance. Alcohol may not be displayed on communication kiosks nor on newsracks between the hours of 6:00 a.m. and 7:00 p.m. within 200 feet of any prior established school, public library, museum, house of worship/religious institution, cemetery, youth center, recreational center, youth organization, day care center, government office, public park (except for parks managed by the Bayfront Park Management Trust), playground, amusement park, hospital, medical clinic, senior or assisted living facility, or substance abuse/treatment program as measured from the applicable kiosk or newsrack face to the nearest property line of a property containing such a use.

(i) The city opts out of Chapter 33, Article VI of the Miami-Dade County Code of Ordinances, as amended, as it relates to signage in the public right-of-way within the city's urban core as defined in Section 33-84(31) of the Miami-Dade County Code of Ordinances, as amended, with the exception of the provisions governing illumination and murals, including but not limited to Sections 33-84, 33-86, 33-94, 33-95, 33-96, 33-96.1, and 33-107, and the provisions governing roof signs in Section 33-106.1 of the Miami-Dade County Code of Ordinances, as amended.

(Code 1967, § 54-9; Ord. No. 11144, § 1, 4-28-94; Code 1980, § 54-9; Ord. No. 12971, § 2, 2-14-08; Ord. No. 13188, § 2, 7-22-10; Ord. No. 13375, § 2, 4-11-13; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13900, § 2, 4-9-20; Ord. No. 14042, § 2, 1-13-22)

Editor's note—Ord. No. 13375, § 2, adopted April 11, 2013, changed the title of section 54-9 from "Placing signs on any portion of public right-of-way, street or sidewalk surface" to "Placing signs, advertisement, or displays on any portion of public right-of-way, street or sidewalk surface." The historical notation has been preserved for reference purposes.

Sec. 54-9.1. Enforcement, rebuttable presumption.

A violation of sections 54-7, 54-9(b) and (c) is a civil violation and will be enforced pursuant to the provisions of section 2-823 through 2-830 subject to the following conditions:

(1) At any prosecution for violation of this section where the circumstances relating to the placement and number of signs make it more likely than not that the signs were placed there, or caused to be

placed there, by an agent, employee, contractor, promoter, or other representative of the business or benefactor advertised on the face of the sign, the code enforcement board or special master shall apply a rebuttable presumption that the business or benefactor advertised on the face of the sign placed, posted or affixed the sign.

(2) If a person is found posting signs in violation of this Code, every code enforcement officer is authorized to seize, for use as evidence in the prosecution of the person, business or benefactor before the code enforcement board or special master, all signs in the possession of the person.

(3) When a sign is found to be located on public property and without a required permit, the city shall have the right to remove such sign. The owner may recover the sign by paying the removal costs within 60 days of the removal. If the sign is not recovered by the owner within 60 days then it shall be considered abandoned property in the hands of the city and shall be disposed of as permitted by law. The city shall recover all costs in conjunction with such removal of signs from the owner or the owner's property. Such recovery may be by way of personal action against the owner or an in rem lien against any property of the owner.

(Ord. No. 12971, § 2, 2-14-08)

Sec. 54-9.2. Civil fines.

The following civil fines shall be imposed for violations of sections 54-7, 54-9(b) and (c) herein:

(1) If the offense is the first offense, $105.00 fine plus $50.00 per sign;

(2) If the offense is the second offense within the preceding 12 months, $262.50 fine plus $50.00 per sign;

(3) If the offense is the third or subsequent offense within the preceding 12 months, $525.00 fine plus $50.00 per sign.

(4) Notwithstanding subsections (1)—(3), no person, business or benefactor shall receive more than one offense within any one-day period, however, the $50.00 per sign fine shall apply to all signs found during that one-day period.

(Ord. No. 12971, § 2, 2-14-08; Ord. No. 13142, § 14, 2-11-10)

Sec. 54-9.3. Recovery of unpaid fines; unpaid fines to constitute a lien; foreclosure.

(a) The city may institute proceedings in a court of competent jurisdiction to compel payment of civil fines.

(b) A certified copy of an order imposing a civil fine may be recorded in the public records and thereafter shall constitute a lien upon any real or personal property owned by the violator and it may be enforced in the same manner as a court judgment by the sheriffs of this state, including levy against the personal property, but shall not be deemed to be a court judgment except for enforcement purposes. After two months from the filing of any such lien which remains unpaid, the city may foreclose or otherwise execute upon the lien.

(Ord. No. 12971, § 2, 2-14-08)

Sec. 54-10. Advertising which obstructs streets or sidewalks.

It shall be unlawful to conduct any advertising or publicity business or activities pertaining thereto in a manner so as to produce an assemblage of spectators and listeners and thereby obstruct or cause the obstruction of any street, highway or sidewalk of this city. This restriction shall not apply to parades or advertising under the authority of a permit obtained as provided by this Code.

(Code 1967, § 54-10; Code 1980, § 54-10)

Sec. 54-11. Signs required on construction or installation work in public rights-of-way.

(a) All construction or installation work in the public rights-of-way shall have one or more signs readily and conveniently viewable and

easily read from a reasonable distance, which signs shall contain at least the following information:

(1) Identification of the project.

(2) The name of the utility company, governmental or other agency for whom the work is being done and the telephone number where a responsible representative can be reached who is conversant with the work.

(3) The name and telephone number of the contractor or agency who is performing the work. Subcontractors' names shall not be listed.

(4) The name and telephone number of the supervising architect or engineer, if there is one.

(b) The resilience and public works department shall determine the type, size, number and other features to be required in such signs, and shall prepare and publish a city engineering standard containing all such data. Such standard shall be made available at no cost to all affected persons. The department of fire-rescue shall inform all applicants for permits for work in the public rights-of-way of the requirement for the aforesaid signs.

(c) It shall be the responsibility of each utility, governmental or other agency to see that such signs are properly made, installed and maintained during the entire construction or installation period, and in the event such signs are not installed and maintained, the resilience and public works department may stop the work until signs are properly installed.
(Code 1967, § 54-10.1; Code 1980, § 54-11; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-12. Placing glass or other injurious substances on streets.

(a) It shall be unlawful for any person to place, drop or cause to be placed or dropped on any street in the city any glass or other substance which would tend to contribute to the injury of any person or animal or to damage any vehicle traveling thereon.

(b) Any person who places or drops or who causes to be placed or dropped on any street in the city any substance referred to in the preceding paragraph shall immediately remove such substance or cause the same to be removed.

(c) Any person, before moving a wrecked or damaged vehicle from the scene of any accident on any street in the city, shall gather and remove from such street all glass or other injurious substance from such wrecked or damaged vehicle.
(Code 1967, § 54-11; Code 1980, § 54-12)

City Code cross references—Dumping of trash on streets, § 22-6; spilling of waste, deposit of mud from tires, etc., in streets, § 22-7.

Sec. 54-13. Carrying or drinking from open glass or metal containers in certain areas during outdoor cultural or other types of, festivals; or from business establishments during same; use of glass or metal containers by vendors during same; restrictions on sale of alcoholic beverages during same; permit required for the sale or dispensing of beer and/or wine for special events or programs on public streets and sidewalks.

(a) The activity described in paragraphs (a)(1), (2) and (3) hereof shall be unlawful during the time period of events which are the subject of permits issued pursuant to section 54-6.3 and local business tax receipts issued pursuant to section 31-35:

(1) It shall be unlawful during any open air, outdoor cultural, art, folk or street festival described above for any person to carry, drink or eat from any open glass or open metal container, as defined below, in or on any public street, sidewalk, park, playground, square, or unenclosed public place in or within two blocks of the area authorized by permit or license for such event.

(2) a. It shall be unlawful for owners or operators of business establishments located in or within two blocks

of the area authorized for any such event described above knowingly to allow any person to leave the premises carrying an open glass or open metal container.

b. It shall be unlawful for operators of vending stands, as defined below, located in or within two blocks of the area authorized for any such event described above to dispense food or beverages in glass or metal containers.

(3) It shall be unlawful during any such event described above for anyone to sell or dispense alcoholic beverages, as defined in F.S. § 561.01, upon any public street, sidewalk, park, playground, square, or unenclosed public place, within the proscribed area, other than from a location specified for sale or dispensing of such alcoholic beverage and so identified in the application for such event or request for such license or permit.

(b) Notwithstanding any provisions in the City Code of the City of Miami, Florida, to the contrary, upon the issuance of a temporary permit by the Florida department of alcoholic beverages and tobacco to sell beer and wine, the city manager or his/her designee, on special occasions and for special events or programs, may permit by special permit the dispensing of wine or beer in soft containers on public streets and sidewalks within the city. Such special permit shall establish any special conditions which shall apply to said dispensing which shall be cumulative and in addition to all other conditions imposed by state and local laws and regulations.

(c) The sponsors of all open air, outdoor cultural, art, folk, or street festivals shall incorporate provisions in all their agreements with vendors for their respective events setting forth the requirements of this section.

(d) For purposes of this section, the following definitions shall apply:

Open glass container is any receptacle made of glass whose seal has been broken or whose contents are exposed to the air.

Open metal container is any receptacle made of metal whose seal has been broken or whose contents are exposed to the air.

Vending stand is any table, showcase, bench, rack, pushcart wagon, or any wheeled vehicle or device, motorized or not, used for displaying, storing, or transporting articles offered for sale by a vendor.

Vendor is any person engaged in the selling, or offering for sale, of food, beverages, services or merchandise from a stand or motor vehicle or from his/her person.

(e) The person, firm, organization or corporation obtaining a permit or license under sections 31-35 and/or 54-6.3 shall distribute to affected establishments at least two notices of this section describing the provisions hereof and the specific boundaries and time periods, for posting by such business establishments. These notices may be obtained from the office of the city clerk or such other location designated by the city manager, and shall read as follows:

NOTICE

Pursuant to Ordinance No. 9777 [Miami, Florida, Code § 54-13]:

It shall be unlawful to drink or eat from any open glass or open metal container during certain open air, outdoor cultural, art, park or street festivals in or within two blocks of the authorized area for such event.

It shall be unlawful for owners or operators of business establishments or vending stands located in or within two blocks of the area authorized for the event described below knowingly to allow any person to leave the premises carrying an open glass or open metal container in the case of a business establishment, or to sell or dispense food or beverages in glass or metal containers in the case of a vending stand.

"Open glass container" is defined in the ordinance as any receptacle made of glass whose seal has been broken, or whose contents are exposed to the air.

"Open metal container" is defined in the ordinance as any receptacle made of metal whose seal has been broken, or whose contents are exposed to the air.

EVENT, EFFECTIVE DATE(S), TIME(S) AND AFFECTED AREA

Event:

Day(s):

Time:

The provisions of this ordinance shall be effective during the above-described event and day(s) in the area bordered by:

North:

South:

East:

West:

(f) The owner of every business establishment which sells beverages in glass containers in or within two blocks of the area described in an application for a permit or licensed for any event, as described above, shall post two notices of this section in his/her business establishment in conspicuous locations visible to his/her patrons during such event. Failure to post such notices shall be unlawful.
(Ord. No. 9777, § 1, 1-26-84; Ord. No. 11045, § 3, 3-11-93; Code 1980, § 54-12.1; Ord. No. 12885, § 1, 2-8-07; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13676, § 2, 4-27-17)

Sec. 54-14. Removal of utility facilities to permit improvement of streets, etc.

Utility companies having facilities on, under or across public streets, alleys and highways of the city which are to be widened and improved shall be required to remove, at their own expense, such facilities as may be specified by the resilience and public works department to enable and permit such widening and improvement.
(Code 1967, § 54-13; Code 1980, § 54-14; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-15. Copying use, etc., of aerial photographs of city.

No person shall be permitted to copy, reproduce or use negatives of any aerial photograph owned by the city and on file in the resilience and public works department, without the authorization of the city manager. The city manager shall promulgate rules and regulations pertaining to the use of negatives, reproduction and copying of aerial photographs referred to in this section.
(Code 1967, § 54-15; Code 1980, § 54-16; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-16. Prohibition of vehicular access.

(a) The commission shall have the power, after a properly advertised public hearing, to recommend to the Miami-Dade County traffic director that vehicular access to a particular street be prohibited where such prohibition is found to be in the best interest of the public.

(b) The request for prohibited access shall be initiated by the department of resilience and public works or through said department by petition of property owners within 1,000 feet of the affected intersection.

(c) The request for prohibited access shall be subject to all requirements that may be imposed by the Miami-Dade County traffic director, including a traffic study. The decisions of the traffic director shall be final.

(d) Prior to the public hearing, the proposed prohibited access shall be reviewed by the departments of police, fire-rescue, and solid waste, which shall make recommendations to the commission at said public hearing.

(e) On streets where access is prohibited, a cul-de-sac or other turnaround shall be provided in conformance with the requirements of the department of resilience and public works.

(f) Except for those streets located within the neighborhoods known as Coral Gate and Shorecrest, all expenses resulting from requests for prohibited vehicular access to a particular street shall be borne by the applicant (i.e., property owner(s), homeowner association(s), etc.).

Expenses include, but are not limited to, newspaper advertising, posting of notification placards, postal notification to local residents, postal correspondence to the applicant and any traffic studies. Upon approval by the Miami-Dade County traffic director for a request to prohibit vehicular access to a particular street, the applicant shall pay all additional expenses related to the permits, construction of temporary and permanent barriers and other related improvements that may be required by the traffic director and/or the department of resilience and public works.

(g) The director of resilience and public works is authorized to place and erect a fence at city expense across Natoma Street, Ta-lu-ga Drive and Alatka Street at their intersection with South Dixie Highway in the city, for the enhancement of public safety by prohibiting pedestrian access at these locations. It is further provided that, as an alternative measure, a wall may be constructed by the city at any or all of such intersections, subject to the condition that construction of the wall(s) shall not commence until such time as neighbors have placed all funds necessary to pay for construction of the wall(s) on deposit with the city, with the deadline for such deposit(s) being hereby established as January 10, 1993.

(h) The commission shall have the power, after a properly advertised public hearing, to require that vehicular and pedestrian access to an unimproved public alley or partially unimproved public alley be prohibited where such prohibition is found to be in the best interest of the public. The request for prohibited access to an unimproved public alley or partially unimproved public alley shall be initiated by the department of resilience and public works or through said department by petition of all property owners abutting the alley, as determined by the director. Prior to the public hearing, the proposed prohibited access shall be reviewed by the departments of police, fire rescue and solid waste, and the departments shall make recommendations to the commission at said public hearing. The proposed vehicular access restriction shall be accomplished by the placement of an approved fence and gate across all entrances to the alley, ensuring no access and no private use thereon unless the property is vacated. All expenses resulting from requests for prohibited access shall be borne by the applicant, (i.e., property owner(s), homeowner association(s), etc.). Expenses include, but are not limited to, newspaper advertising, postal correspondence and, upon approval of the commission, all expenses related to the permits, installation of the fence and gates and other related improvements that may be required by the department of resilience and public works.

(i) The director of resilience and public works is authorized to place and erect a fence at city expense across Marler Avenue at its intersection with Douglas Road and its intersection with Plaza Street in the city, for the enhancement of public safety by prohibiting pedestrian access at these locations.

(Ord. No. 9860, § 1, 6-28-84; Ord. No. 10556, § 1, 2-23-89; Ord. No. 10868, § 1, 4-11-91; Ord. No. 11005, § 1, 10-8-92; Ord. No. 11132, § 2, 3-24-94; Code 1980, § 54-17; Ord. No. 11560, § 2, 10-28-97; Ord. No. 11630, § 2, 3-24-98; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-17. Waiver of fees.

The fees required under this chapter may be waived by the director of resilience and public works for entities and agencies of the City of Miami.

(Ord. No. 11795, § 3, 5-11-99; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-18. Conflicts.

In the event that there is a direct conflict between the provisions within the articles of this chapter, the provisions in the more specific article shall govern.

(Ord. No. 14150, § 2, 2-23-23)

Secs. 54-19—54-40. Reserved.

ARTICLE II. CONSTRUCTION, EXCAVATION, AND REPAIR*

Sec. 54-41. Lines and grades for sidewalk, curb, etc., construction.

(a) Lines and grades for the building of sidewalks, curbs and gutters shall be furnished by the director of resilience and public works. The contractor shall furnish all stakes or pins and such ordinary labor as may be necessary for setting grades. He/she shall also take the necessary steps to protect and care for the stakes after the grade is set, and if any one of the stakes is disturbed, the grade is to be reset at the contractor's expense.

(b) After grades are finished, at least 24 hours' notice shall be given the director of resilience and public works by the contractor before actual construction is begun, the contractor specifying, as nearly as practicable, the hour at which he/she expects to start work. The fact that a permit has been secured or grades given shall not constitute legal notice.
(Code 1967, § 54-16; Code 1980, § 54-26; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-42. Permit required for disturbing, cutting into, digging up, drilling, boring under, or excavating any public street, swale, or sidewalk; cost of restoration; obstruction of right-of-way.

(a) *Permit required.* Except as provided in subsection (b) when any person desires to disturb, cut into, dig up, drill into, bore under, or excavate any public street, swale, or sidewalk, whether the same is paved or unpaved, or to cause the same to be done, application shall be made to the director of the department of resilience and public works for permission therefore. No person shall apply for a permit to perform or conduct work in the public right-of-way without disclosing in writing on the permit application form the person(s) on whose behalf such work in the public right-of-way is being performed or conducted. If such work is being performed by one or more person(s) on behalf of any other person(s) for using, constructing, excavating, maintaining, owning or operating any type or manner of system, equipment, or device within the public right-of-way, then both/all persons must comply with all application and permitting requirements of the city. Failure of any person(s) to fully disclose his/her/their interest/participation/representation in the permit application or to fulfill all city requirements for issuance of the permit shall result in (1) an immediate revocation by the city of any excavation permit previously granted resulting in such permit becoming null and void (without the necessity of any further action, hearing or proceeding), or (2) issuance by the city of a written notice that such permit will not be granted, as the case may be, due to violation of this provision by the person(s) who applied for such permit. The city shall have the right to take all legal measures and seek all available remedies to enforce this disclosure provision. Except for applications for permits by non-revenue generating government entities, no person(s) or those performing the work on behalf of any other person(s) may apply for and/or receive a permit if the person(s) or those performing the work on their behalf currently owe outstanding fines, debts, or delinquencies to the city related to prior permits issued by the department of resilience and public works. If such outstanding fines, debts, or delinquencies are owed by those performing the work on behalf of another, then the denial of the ability to apply for and/or receive a permit shall be accompanied by a notice, mailed to the person(s) applying for the permit, notifying them of the outstanding fines owed by those attempting to perform the work on their behalf and stating the amounts owed. Such permit shall set forth minimal reasonable conditions, as permitted by law, necessary for the protection of property and personal safety, the restoration of the public right-of-way to a condition satisfactory to the city, and any on-going maintenance or reparations for un-repaired conditions or damages that may be required of the person(s) under the circumstances and extent of the work to be performed or conducted by such person(s) under such permit. Any violation of the conditions set forth or any violations under

*__Charter reference—__Authority of city to pave, close, open and widen streets, § 3(b).

applicable law shall render such permit automatically null and void, without the necessity of any further action or proceeding. Such permit shall cover the length of time necessary and reasonable according to the type of activity involved. Additionally, unless otherwise provided by general law, any continuing use of the public right-of-way by any such person(s) shall require such person(s) to also enter into a continuing maintenance and restoration agreement, registration, or a franchise agreement, as applicable by Florida Statutes or the City Code, with the city, and to provide such continuing insurance and such continuing surety that may be required by the agreement or registration relating to such continuing maintenance and potential restoration. A permit application form will not be required to be submitted for multiple sanitary sewer laterals, water service laterals or water meters installed by the Miami-Dade Water and Sewer Department, if such multiple installations are combined into a single written request for permit to the director of the department of resilience and public works. A request for multiple water and sewer installations shall be submitted to the director of the department of resilience and public works prior to construction work and shall not require submittal of a surety for restoring the street or sidewalk as described in subsection(c).

(b) *Underground utilities; underground facility.* All persons shall fully comply with F.S. ch. 556, entitled "The Underground Facility Damage Prevention and Safety Act" as amended ("Chapter 556"). No city permit will be required from operators of underground facilities in order to identify underground facilities. In other instances permits required by this section shall be required. F.S. ch. 556 is deemed as being incorporated by reference herein as though set forth in full. Excavators and member operators shall comply with low-impact marking practices, including, without limitation, a subsequent notice, as required by F.S. § 556.114, as amended. Markings required by F.S. ch. 556 shall be made with flags or stakes, or temporary, non-permanent paint or other industry-accepted low-impact marking practices. Failure to comply with these provisions or the provisions detailed in F.S. ch. 556 shall subject all persons including the persons on whose behalf such work in the public right-of-way is being performed or conducted to the procedures, violations, penalties prescribed in F.S. ch. 556, or code enforcement proceedings pursuant to chapter 2, article X of this Code, or both.

(c) *Calculation of cost of restoration.* Upon compliance with the terms of subsection (a) of this section, the director of the department of resilience and public works shall calculate the cost of fully restoring the street or sidewalk to the condition in which it is found upon the filing of such application. The cost shall be calculated on the basis of the following rates:

Clearing and grubbing (removal of sod, shrubs, ground cover plantings, trees less than 4" diameter, rocks up to 50lbs each, topsoil/gravel surface up to 3" deep, and other non-structural improvements in the right-of-way) . . . . . .$5.00/square foot ("SF")

Asphalt removal (2" thick average) . . . . .5.00/square yard ("SY")

Concrete removal (6" thick average) . .3.00/SF

Backfill . . . . . .15.00/cubic yard ("CY")

Eight-inch limerock base 25.00/SY

Permanent paving (asphalt concrete and rock base) 30.00/SY

1" Milling and resurfacing (Superpave asphalt) 14.50/SY

Superpave asphalt (only) 18.00/SF

Stamped/color asphalt concrete (only) . .18.00/SF

Six-inch driveway paving (plain concrete).8.00/SF

Decorative driveway paving (bricks, pavers, stamped/textured/color concrete, etc.) . .18.00/SF

Six-inch concrete sidewalk (plain concrete).8.00/SF

Decorative sidewalk (bricks, pavers, stamped/textured/color concrete, etc.) 8.50/SF

Six-inch reinforced concrete protective slab 20.00/SF

Decorative swale paving (bricks, pavers, lattice, concrete swale blocks, etc.).....15.00/SF

Sod (St. Augustine or Bahia) 4.50/SY

Curb.....15.00/linear foot ("LF")

Valley gutter 18.00/LF

Curb and gutter 20.00/LF

Swale trench 200.00/SY

Swale grading 8.00/SY

Exfiltration trench.....200.00/LF

Solid pipe up to 24" RCP, HP-PP, or dual wall HDPE with water-tight joints 150.00/LF

Solid pipe > 24": 200.00/LF minimum or at the discretion at of the director of resilience and public works

Drainage structure (inlet, manhole, etc.) 3,000.00/each

Decorative pedestrian lighting (fixture/pole/mounting) 6,000.00

Roadway lighting (fixture/pole/mounting).....12,000.00/each

Street furniture (benches, waste receptacles, bicycle racks, etc.).....500.00/each

(d) *Payment of amount of costs for restoration; issuance of permit; time for completion; consequences of failure to complete street restoration.*

(1) Whenever any individual, company, or agency applies for a permit for work requiring disturbing, cutting into, digging up, drilling, boring under, or excavating of a street, swale, sidewalk, or other public right-of-way, or easement, as required by subsection (a) of this section, the individual, company, or agency shall deliver to the director of the department of resilience and public works a bond or surety in the amount of one and one-half of the cost of the restoration as calculated by the director of the department of resilience and public works. The bond or surety shall be of one of the following types.

a. A site restoration bond written by an approved domestic surety. Except for bonds for a wireless service provider as defined in F.S. § 337.401(7)(b)(13), as amended, all bonds shall carry the name and address of a local representative, be for an initial period of one year, and shall be automatically extended in increments of one year until the permittee and the surety company are notified in writing of the acceptance of the street restoration and closure of the permit. A site restoration bond for a wireless service provider shall be time-limited to not more than 18 months after the construction to which the bond applies is completed and the department of resilience and public works shall accept the city's addition to any existing bond, insurance policy, or other relevant financial instrument without condition except as to consent to venue for litigation purposes (provided the same provides the required amount of coverage).

b. Cashier's check, drawn on a local bank, to be returned to the permittee on acceptance of the street restoration and closure of the permit.

c. Irrevocable letter of credit drawn on a local bank, valid for an initial period of one year, with automatic renewal in increments of one year until the permittee and the issuing bank are notified in writing of the acceptance of the street restoration and the closure of the permit.

(2) The director of the department of resilience and public works may establish written rules and procedures to accept a blanket surety in the form of a bond or letter of credit for cost of the restoration of the public right-of-way or easement for recurring permit applications for utility

companies and agencies that demonstrate a continuing large volume of permit applications. Additionally, any such blanket surety shall be subject to periodic review by the director of the department of resilience and public works and shall be required to be adjusted as necessary to sufficiently cover the costs of restoration assessed to each open permit and permit application.

(3) Upon receipt of the above-referenced surety, payment of the applicable permit fees, and completion of the appropriate application, the director of the department of resilience and public works shall deliver a permit for the work, and shall determine when the work is to be completed, including restoration of the street, right-of-way or easement in accordance with the standards and specifications of the department of resilience and public works. The individual, company, or agency shall thereafter, and not before, be authorized to proceed with the work and shall complete the same within the time prescribed by the permit and applicable permit conditions.

(4) Upon proper completion of the work by the permittee, as determined by the director of the department of resilience and public works in accordance with the requirements of this chapter and other applicable codes, including the above restoration, within the time prescribed by the permit, the director of the department of resilience and public works shall cause the amount of the surety to be returned to the person, company or agency to whom the permit was issued.

(5) In the event that the permitted person, company or agency fails or refuses to complete the work, including restoration, within the time specified by the permit and/or applicable permit conditions, all payments, including the above-referenced surety, shall be deemed forfeited. The director of the department of resilience and public works shall then be empowered to cause restoration to be done by contract, or by city forces, without regard to the status of the work sought to be done under the permit, and all costs thereof shall be payable by the permitted individual, company, or agency. If the required amount is not remitted within ten days of written notice by the director of the department of resilience and public works to the permitted individual, company, or agency, the forfeited monies shall be used to complete the work. Any costs in excess of the available forfeited monies shall constitute and become a lien against the private real property if owned by said permitted individual, company, or agency, which adjoins or abuts the street or right-of-way for which the permit was issued. Any forfeited monies remaining after restoration costs have been paid in full may be returned to the permittee if the reason for the delay has been due to causes beyond the control of the permittee. Additionally, the director of the department of resilience and public works may administratively establish and enforce written rules and procedures pertaining to the withholding of the issuance of new permits to any individual, company, or agency that fails or refuses to complete the restoration work and obtain from the department of resilience and public works a final inspection approval within the term of the previously issued excavation permit(s) to said individuals, company or agency.

(e) *Indemnity, hold harmless, and insurance.* It shall be a condition precedent to the issuance of any such permit that the applicant agree to indemnify, defend, and hold harmless the city, its officials, employees, agents, and, if applicable, its instrumentalities and each of them from and against all loss, cost, penalties, fines damages, claims of any nature, including expenses and attorneys' fees, and any and all liabilities by reason of injury to or death of any person, damage to, destruction, or loss to any property including the city, its instrumentalities, officials, employees, and agents arising out of or in con-

nection with the performance or non-performance of the services contemplated by this permit/agreement which is directly or indirectly caused, in whole or in part, by any act, omission, default, liability, or negligence, whether active or passive, of the applicant, its employees, agents, servants, or contractors, unless such act or omission is solely caused by the city, its instrumentalities, officials, employees, and agents. The applicant further agrees to indemnify, defend, and hold harmless the city, its instrumentalities, officials, employees, and agents against all liabilities which may be asserted by an employee or former employee of the applicant, or any of its contractors as provided above, for which the applicant's liability to such employee or former employee would otherwise be limited to payments under workers' compensation or similar laws. In addition, the applicant understands and agrees that except where caused by the negligence or misconduct of the city, its instrumentalities, officials, employees, or agents, the city shall not be liable for any loss, injury, or damage to any personal property or equipment of the applicant, its employees, agents, contractors, business licensees, or invitees placed on city property, and its instrumentalities, and shall be at the risk of the applicant thereof. The applicant shall be solely responsible for all activities and the installation and maintenance of traffic-control devices. The applicant shall ensure that adequate safety precautions are in effect at all times during the term of the permit. It shall be a further condition precedent to the issuance of any such permit for work to be performed in the public right-of-way that the permit holder(s) is/are jointly and severally responsible, at each permit holder's sole expense, for any damages regarding restoring the public right-of-way to its original condition before installation of facilities. The indemnification shall survive termination of this permit/agreement.

(1) *Non-governmental applicants:* Prior to the issuance of any such permit, the non-governmental applicant(s) shall submit to the city a certificate of insurance for each non-governmental applicant in an amount not less than $1,000,000.00 per occurrence, $2,000,000.00 aggregate, and any endorsements thereto, including, but not limited to, premises and operations liability, contingent and contractual exposures, XCU hazards, personal and advertising injury, products, and completed operations. In addition, the applicant hereby agrees to provide additional insurance requirements as required by the city, including but not limited to umbrella liability, or any additional requirements or endorsements as may be applicable, in connection with the scope of services contemplated by the permit/agreement. The certificate must reflect primary and noncontributory language and list the city as an additional insured. The certificate must also include coverage for all owned, hired, and non-owned vehicles with a combined single limit of $500,000.00 per accident also listing the city as an additional insured, and must further afford coverage for workers' compensation including waiver of subrogation subject to the statutory limits of the State of Florida. The insurance herein required shall remain in full force and effect during the entire term of the permit. Additionally, all such insurance for non-governmental applicant(s) shall be subject to annual review by the city's risk management department and the applicant shall be required to update as necessary to protect the city as set forth in this section.

All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida with the following qualifications:

The company must be rated no less than "A-" as to management and no less than Class "V" as to financial strength by the latest edition of Best's Insurance Guide published by A.M. Best Company, Oldwick New Jersey, or its equivalent subject to the approval of the city's department of risk management. Companies not meeting the above rating requirements shall submit proof of reinsurance from qualifying insurers having or exceeding the required rating criteria.

Certificates of insurance shall contain 30 days as to changes or modifications with notice to the certificate holder.

(2) *Governmental applicants:* Prior to the issuance of any permit, the governmental applicant(s) shall submit to the city a certificate of insurance or letter of self-insurance for each governmental applicant in accordance with and subject to the limitations as set forth in F.S. § 768.28.

(3) *Additional permit conditions:* It shall be a condition precedent to the issuance, to both governmental and non-governmental applicants, of any permit for work to be performed in the public right-of-way that the person(s) applying for such permit shall provide to the city's department of resilience and public works a surety in such amount(s) and such form(s) acceptable to the director of the department of resilience and public works to ensure that such work: (i) complies with applicable codes, (ii) is conducted and performed in a satisfactory, safe and professional manner, (iii) pertaining to the public right-of-way is restored or maintained as required by the circumstances and extent of the work under such permit and any continuing maintenance and restoration agreement. Furthermore, the permit holders are jointly and severally responsible, at each permit holder's expense, for any damages resulting from work performed or conducted under the permit and for any damages regarding restoring the public right-of-way to its original condition before installation of the facilities and for any damages regarding continuing maintenance of the public right-of-way.

(f) *Obstruction of the right-of-way.* A separate permit shall be required pursuant to section 54-3 for the permitted individual, company, or agency to obstruct or temporarily close any portion of the right-of-way. No person shall be allowed under a permit provided for in this section to excavate, dig up or obstruct more than two adjacent blocks at a time, and the work on one of such blocks shall be completed and the sidewalk and street pavement shall be placed in as good condition as existed prior to the work being commenced before such person to whom such permit has been granted by the city shall be allowed to begin work in a new block.

(g) *Supervision by the director of the department of resilience and public works.* All disturbances, digging up or excavation of streets, avenues, sidewalks, pavements, swales, or sidewalk pavements in the city shall be made under the supervision and direction of the director of the department of resilience and public works.

(Code 1967, §§ 54-27—54-31; Ord. No. 9740, § 1, 11-16-83; Code 1980, §§ 54-37—54-41; Ord. No. 12886, § 2, 2-8-07; Ord. No. 12977, § 3, 3-13-08; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13226, § 2, 11-18-10; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13884, § 2, 12-12-19; Ord. No. 13915, § 5, 9-24-20)

Editor's note—Ord. No. 13915, § 5, adopted September 24, 2020, changed the title of section 54-42 from "Excavations" to "Permit required for disturbing, cutting into, digging up, drilling, boring under, or excavating any public street, swale, or sidewalk; cost of restoration; obstruction of right-of-way." The historical notation has been preserved for reference purposes.

Sec. 54-43. Permit fees for right-of-way or street excavation, sidewalk repair, paving or resurfacing of roadway, parkway or shoulder area, building line and grade survey, sidewalk construction survey, driveway construction, utility placement; underground utility service connection excavation, groundwater monitoring wells; permit renewal; after-the-fact permit, and inspection/reinspection fees; waiver of fees.

(a) The permit fees to be charged by the department of resilience and public works for right-of-way or street excavation, sidewalk construction or repair, roadway/parkway/shoulder area paving or resurfacing, building line and grade or sidewalk construction survey, driveway construction, utility placement/replacement/repair/removal, underground utility service con-

nection excavation, groundwater monitoring wells installation/abandonment/reestablishment, permit renewals, after-the-fact permits, inspections or reinspections, and any other work that proposes to disturb, cut into, dig up, or excavate any public street, swale, or sidewalk, whether the same is paved or unpaved, or to cause the same to be done within the city are hereby fixed as follows, unless the requirement of obtaining a permit or the imposition of a fee is prohibited by F.S. § 337.401, as amended:

(1) A non-refundable application fee of $95.00 and a non-refundable right-of-way assessment inspection fee of $50.00 shall accompany each permit application to the department of resilience and public works to be retained by the city regardless of action taken in the granting or denial of the permit.

(2) Excavation permit:

a. 50 lineal feet or less . . $325.00

b. Each additional lineal foot $6.50

c. Point excavation, each excavation $295.00

(3) Sidewalk repair permit:

a. 50 linear feet or less . . $82.50

b. Each additional linear foot $1.65

(4) Sidewalk construction permit:

a. 50 linear feet or less . . $252.50

b. Each additional linear foot $5.05

(5) Paving or resurfacing of travel lanes, parkway, or shoulder area permit:

a. 50 linear feet or less . . $308.50

b. Each additional linear foot $6.10

(6) Line and grade (curb and gutter, sidewalk construction, and driveway approach) permit:

a. 50 linear feet or less . . $360.00

b. Each additional linear foot $7.20

(7) Driveway approach construction permit, each driveway . $115.00

(8) Utility permit:

a. Utility placement/replacement/repair/removal (poles, splice pits, bore pits, manholes, handholes, drainage catch basins/inlets, pedestals, vaults, cabinets, etc.):

1. First on a city block $295.00

2. Each additional on same block, same permit $29.50

b. Underground utility service connection from base building line to the utility located within the public right-of-way (water, sanitary sewer, gas, electric, telephone, cable television, communication):

1. Each connection . $295.00

c. Underground utility installation (watermain, sanitary sewer main, gas main, electric, telephone, cable television, communication, or stormwater):

1. 50 linear feet or less $325.00

2. Each additional linear foot $6.50

d. Soft dig utility locates, soil borings, soil/asphalt/concrete core samples, or any other minor point excavations or borings:

1. Each location $295.00

e. Groundwater monitoring well:

1. Each well $295.00

(9) Dewatering permit fees by days:

6 days or less $520.00

7—30 days $950.00

31—90 days $1,300.00

(10) Inspection fees:

a. Stormwater:

1. Stormwater inspection permit fee includes initial inspection, during the excavation process and final inspection of a proposed stormwater management system in the public right-of-way $395.00

2. Pipe/structure bedding and layout $190.00

3. SW System partial backfill and compaction .. $190.00

4. SW System final—Backfill, compaction, interior mud work, and pipe lamping $350.00

b. Dewatering:

1. Initial $320.00

2. Final $320.00

c. NPDES:

1. Field compliance check (proactive and reactive inspections)—0.5 up to 1 acre $2,500.00

2. Field compliance check (proactive and reactive inspections)—1 acre and above... $3,950.00

3. Final 0.5 up to 1 acre $625.00

4. Final 1 acre and above $875.00

d. Utility (water, gas, electric, telephone, communication, cable television, sanitary sewer):

1. Initial inspection $85.00

2. Utility structure placement $110.00

3. Utility installation temporary restoration $110.00

4. Utility restoration limits determination $110.00

5. Utility final restoration $300.00

e. Reinspection fees: When additional inspection is required for work previously inspected and rejected by the department of resilience and public works, a reinspection fee will be required for each reinspection: $195.00

(11) Permit renewal fees prior to expiration and reactivation fees of original permit:

Ninety-day extension of permit fee expiration date: $150.00

A new application and reactivation fee shall be required for expired permits at a

rate of 25 percent of the original permit fee, calculated based on the current fee schedule.

(12) *After-the-fact permit fee.* For any permit described in section 54-43, performed without the required permits and inspections, quadruple the amount of all permit fees, application fees and inspection fees as described in subsections (a)(1) through (a)(10) herein.

(13) A non-refundable fee of $425.00 shall accompany a plans revision after approval of initial plans. If the permit has been issued, a revision request must be submitted through the department of resilience and public works permit system. Plans or supporting materials clearly showing the proposed modifications shall be submitted.

(14) A non-refundable change of contractor fee of $120.00.

(15) All utility permits shall be closed upon completion of work and after all required inspections have been approved.

(b) Permit fees will be computed only for the primary item of work for which a permit is required. The fee collected will also cover items of work incidental to the primary item and all processing and inspection services rendered by the department of resilience and public works.

(c) Permit fees shall be paid in full upon completion of all reviews and prior to the issuance of the permit. The director of the department of resilience and public works may establish rules and procedures to allow billing for payment of permit fees on a monthly basis for recurring permit applications for utility companies and government agencies that demonstrate a continuing large volume of permit applications.

(d) With the exception of non-revenue generating government agencies, such as Miami-Dade County's Department of Transportation and Public Works, in accordance with sections 54-3 and 54-42 of the City Code, all permittees working in the public right-of-way must resolve all open violations, unpaid fines, and/or unpaid fees in order to apply for or receive any new permits, extensions or permit close-out.

(1) Any violation of this section shall be enforced pursuant to the provisions of chapter 2, article X of the City Code.

(e) Upon receipt of a written request from a non-revenue generating government agency, such as Miami-Dade County's Department of Transportation and Public Works, permit fees under this section may be waived, by the city manager or designee for roadway improvement projects that are not a component of, or ancillary to the construction, maintenance, repair, or restoration of revenue producing facilities in the public right-of-way.

(f) This section shall be annually reviewed by the city commission at the time of adoption of the budget.

(Code 1967, § 54-17; Ord. No. 9003, § 1, 10-17-79; Ord. No. 9513, § 1, 11-4-82; Ord. No. 10658, § 3, 10-12-89; Ord. No. 11112, § 2, 1-13-94; Code 1980, § 54-27; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13195, § 5, 9-27-10; Ord. No. 13267, § 2, 5-26-11; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13798, § 4, 10-25-18; Ord. No. 13915, § 5, 9-24-20; Ord. No. 14433, § 3, 1-8-26)

Sec. 54-44. Material for sidewalk construction.

All sidewalks constructed within the official base building and street lines in the city shall be constructed only of natural, uncolored, Portland cement concrete, in accordance with the standards and specifications; provided, however, that exception may be made as to the color or material used to construct sidewalks by the director of resilience and public works upon due consideration of all factors involved, and approval by such director of plans submitted by the owner or his/her representative.

(Code 1967, § 54-18; Code 1980, § 54-28; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-45. Type and specifications for street paving.

All future street paving on public rights-of-way in the city shall be of a long-life, hard-

surfaced type with sufficient base to insure lasting service and a minimum expense for maintenance. The resilience and public works department shall prepare specifications covering such types of long-life pavements and methods of constructing the same, and no permits shall be granted to anyone for street paving on public rights-of-way that will not fully comply with the latest specifications and methods of construction prescribed by the resilience and public works department.
(Code 1967, § 54-19; Code 1980, § 54-29; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-46. Agreement and bond as to right-of-way and subdivision improvements by persons submitting plats, replats, etc., to commission.

All persons submitting any proposed plat, replat, revised plat, amended plat, or resubdivision of any previous record plat or portion thereof of real estate in the city, to the city commission for its acceptance and conformation, are hereby required to accompany any such proposed plat with a suitable agreement entered into by such person with the director of the department of resilience and public works on behalf of the city, providing for the construction of any or all of the following improvements, as shall be specified by the department of resilience and public works in its engineering report on the proposed plat:

(1) The construction within the platted area of permanent-type street pavement, including grading and fill as required, sidewalk, curb and gutter, parkways, street lighting, stormwater systems, seawalls, permanent bulkheads, sanitary sewers, water mains and services in connection therewith, and other improvements where the proposed use and location make such improvements necessary.

(2) The construction of permanent-type bulkheads, seawalls, living shorelines, banks, berms, or any other appurtenant coastal infrastructure being constructed to protect the upland areas from tidal waters, storm surges, or any other sort of tidally-influenced water intrusion along the shoreline, canal, river embankment, or harbor line of any watercourse contiguous to the area platted, as follows:

a. Permanent-type bulkheads, seawalls, living shorelines, or other shoreline protection structures or elements as defined in section 29-81 of the City Code shall be constructed to a minimum elevation of six feet NAVD 88 along all tidally-influenced areas as the same is defined in section 29-81 of the City Code except for those waterfront properties fronting the Miami River and its tributaries which must be constructed to a minimum elevation of four feet NAVD 88. All such protective structures/elements must be designed and built in a substantially impermeable manner, certified/signed and sealed by a civil/structural engineer registered in the State of Florida, and provided with the appropriate modification details to be capable of being raised to a minimum of two feet above their initial designed and constructed

elevation to mitigate high tide flooding associated with realized and additional sea level rise through the year 2070 as well as appropriate modification details, to include load calculations, demonstrating the capability of being raised a minimum of two feet above the minimal elevations. All such structures must be designed and constructed in accordance with the department of resilience and public works' design and construction standards.

b. The filling of land within any platted area contiguous to Biscayne Bay and all new or future islands or enlarged existing islands in Biscayne Bay must be constructed to a minimum, settled elevation of six feet NAVD 88.

(3) Adequate drainage by grading or filling of the land within the platted area to the level of the street grades established by the department of resilience and public works or the flood grade established and recorded on maps of Miami-Dade County, whichever is higher; provided that swale areas shall be used at the rear of lots when the nature of drainage conditions make them necessary for proper seepage of water in the substrata. Where fill is required, the fill material shall not contain any rubbish, tree stumps, debris, muck or other objectionable material. In development projects where drainfields may be required, the fill material must also be sufficiently permeable to meet standard percolation test requirements.

Areas which will become public rights-of-way shall contain fill material which conforms to the standard specifications of the city for the construction of streets.

Upon completion of the improvements, the performance bond, irrevocable letter of credit, or cashier's check hereinafter provided for shall not be released unless the permanent reference monuments indicated on the plat have been placed on the ground at the expense of the owner of the platted land and verified by the department of resilience and public works.

Street improvements shall be constructed in all dedicated rights-of-way lying within or bordering on the platted area, in accordance with plans, specifications and grades approved by the director of resilience and public works, without regard to the fact that parts or all of the rights-of-way may have been dedicated heretofore but either have not been improved or contain improvements which do not conform with current standard specifications. For the purpose of determining the improvements to be made in dedicated street rights-of-way, all arterial streets, wherever located, and all other streets except those in T-3 transect zones, shall be considered primary streets. All improvements, except water mains and services in connection therewith, shall be constructed in accordance with the city's standard specifications and established street grades and at the expense of the owners of the land platted. Water mains and services in connection therewith shall be constructed in accordance with the approved plans and shall be paid for by the owner of the land platted, in accordance with the standards of the water and sewer department then in effect. The time for the performance of the agreement may be extended by the director of resilience and public works. Such agreement shall be accompanied by good and sufficient performance bond or irrevocable letter of credit in the amount of 115 percent of the total project cost of the improvements, which estimated cost shall have been first approved by the director of resilience and public works. Acceptance and confirmation of the plat by resolution of the commission shall constitute acceptance of the agreement and bond or irrevocable letter of credit. The conditions of the performance bond or irrevocable letter of credit shall be such that, if the principals thereto shall fully and faithfully perform the work in accordance with the terms of the agree-

ment therefor, then the performance bond or irrevocable letter of credit shall be considered complied with; otherwise, the surety thereon, within 30 days after receipt of written notice from the director of the resilience and public works department of the failure or neglect of the principals to perform the agreement, may construct or cause to be constructed the improvements set forth in the agreement; provided, further, that the director of resilience and public works may require the surety to pay to the city the sum estimated to construct or complete the improvements set forth in the agreement, such sum to be estimated by the resilience and public works department, and the surety shall pay to the city any engineering, indirect and inspection costs not to exceed 32 percent thereof, such 32 percent not to include attorneys' fees, such attorneys' fees to be in addition to the 32 percent, which the city may sustain on account of the failure of the principals to carry out and execute all of the provisions of the agreement; provided, further, that the city commission shall have the right to construct or cause to be constructed, after public advertisement and receipt of bids, the improvements provided for in the agreement, and in the event that the city commission exercises such right, the principals and the surety shall be jointly and severally liable to pay the city the final cost of the improvements, together with any engineering, indirect and inspection costs, not to exceed 32 percent thereof, such 32 percent not to include attorneys' fees, such attorneys' fees to be in addition to the 32 percent, which the city may sustain on account of the failure of the principals to carry out and execute the provisions of the agreement. Upon completion of construction of the improvements by the principals or the surety, or payment to the city of the estimated or actual cost thereof, the director of resilience and public works and the city manager shall release the performance bond or irrevocable letter of credit, provided that the permanent reference monuments have been properly placed as hereinabove provided.

A cashier's check in the amount of 115 percent of the total project cost of the improvements may be deposited with the city in lieu of the performance bond or irrevocable letter of credit, the conditions of the deposit thereof to be such that if the depositor shall fully and faithfully perform the work in accordance with the terms of the agreement, the amount of the check shall be returned to the depositor; otherwise, in the event of the failure or neglect of the depositor to perform the agreement, the check shall be applied by the city to the cost of constructing or completing the improvements, including any engineering, inspection, and/or direct and indirect costs, costs not to exceed 32 percent thereof, such percent not to include reasonable attorneys' fees, such attorneys' fees to be in addition to the 32 percent which the city may sustain on account of the failure of the depositor to carry out and execute all of the provisions of the agreement.

The city manager and the director of the department of resilience and public works are hereby authorized and directed to withhold from submission to the commission any proposed plat, replat, revised plat, amended plat, or resubdivision of any previous record plat or portion thereof, unless the hereinbefore-mentioned agreement and performance bond, irrevocable letter of credit or cashier's check accompany the proposed plat.

(5) In all dedicated rights-of-way, the acceptance of the plat or replat shall be conditioned upon adequate landscaping as may be required by the director of planning upon consultation and coordination with all departments concerned. The landscaping shall include, but not be limited to, lawn, shrubs, bushes, hedges and trees. The director of planning shall not recommend the acceptance of any plat or replat unless the bond referred to

herein contains the condition that such landscaping shall be provided for as required by the director of planning upon consultation and coordination with all departments concerned. Such landscaping will be designed to protect and preserve the appearance and character of the surrounding neighborhood through the screening effects and aesthetic quality of such landscaping.

(6) Any surety required herein shall be waived for governmental entities and agencies.

(Code 1967, § 54-20; Code 1980, § 54-30; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13919, § 2, 9-24-20; Ord. No. 13980, § 4, 3-25-21)

Sec. 54-47. Approval of location and construction of driveways, etc.

The director of resilience and public works is hereby authorized and empowered to approve the location and construction of driveways, driveins and any other means of vehicular ingress and egress to and from the public rights-of-way, prior to the issuance of permits for the construction of such facilities that will require such means of ingress and egress, such as banks, churches, factories, garages, hospitals, hotels, motels, parking lots, theaters and any other private or public commercial, educational, industrial or recreational buildings, establishments, areas and installations that may generate or cause to generate additional or hazardous traffic movements in the public rights-of-way.

(Code 1967, § 54-21; Code 1980, § 54-31; Ord. No. 13792, § 1, 10-11-18)

Case law reference—The city is justified in denying ingress and egress across a sidewalk to a parking lot located near a fire station, such parking lot having other means of ingress and egress, when the public safety and welfare require that traffic congestion be minimized near the fire station. City of Miami v. Girtman, 104 So. 2d 62.

Sec. 54-48. Inspection of work.

For the purposes of inspection of sidewalk, curb, or curb and gutter work, the director of resilience and public works shall have free access to materials and work at all times, and all work done or materials furnished are subject to his/her acceptance. An inspector shall be present at the work as far as practicable during its progress. The duties of the inspector are to see that the construction conforms to the provisions of this article and to the grades and lines given by the director of resilience and public works, but his/her decisions are subject to the approval of the director of resilience and public works. Whenever, in the judgment of the inspector, the work or materials are not in accordance with the provisions of this article, he/she shall have power to stop the work, which shall not be resumed until the director of resilience and public works has rendered his/her decision upon the matter in dispute. If, at any time before final acceptance or approval of the work by the director, defects are found, the contractor is forthwith to make good these defects, notwithstanding previous inspection of such work, whether such defects may have been overlooked by the director, or may have been caused by damage from any source.

(Code 1967, § 54-22; Code 1980, § 54-32; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-49. Obstructing street with materials.

Materials such as are to be used in the work or for construction purposes may be stored in the right-of-way by the contractor only upon approval of the resilience and public works department if no suitable alternative exists and obtaining a permit pursuant to section 54-3. All gutters, drains, fire hydrants, roadways and private driveways within the block in which work is being done are to be kept open by the contractor for their intended use. As soon as the work is finished or the permit expires, whichever occurs first, all accumulated rubbish or surplus materials, forms, tools and equipment shall be promptly removed from the right-of-way by the contractor.

(Code 1967, § 54-23; Code 1980, § 54-33; Ord. No. 12977, § 3, 3-13-08; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-50. Reports of approval.

After final acceptance of the work, a written report of approval shall be furnished by the director of resilience and public works to the effect that the work has been done in accordance

with the provisions of this article, and in conformity with the established city lines and grades, and no sidewalk, curb, or curb and gutter work shall be deemed to comply with this article unless such written report of approval has been furnished.
(Code 1967, § 54-24; Code 1980, § 54-34; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-51. Grades for street utilities, trees, etc.

Any person using the public streets or alleys for placing or changing any pipes, railways, hydrants, streetlamps, shade trees or other improvements, under any contract or agreement with the city or otherwise, shall first obtain the proper street grade and lines from the director of resilience and public works, at the expense of the person doing the work, and shall conform to such grades and lines when given.
(Code 1967, § 54-25; Code 1980, § 54-35; Ord. No. 13792, § 1, 10-11-18)

City Code cross reference—Preservation of trees on public property, § 17-71 et seq.

Sec. 54-52. Sewers, conduits, etc., to be laid before city paves street.

When any street, alley or public place within the city has been ordered paved and otherwise permanently improved, it shall be the duty of all individuals, organizations and public service corporations legally occupying such street, alley or public place to proceed without delay to order the necessary materials for the laying of sewers, water and gas mains, telephone or electrical conduits, with connections and services to the same, and to proceed with reasonable expedition to excavate and install the same.
(Code 1967, § 54-26; Code 1980, § 54-36)

Sec. 54-53. Closing of streets during progress of work.

When any work is being done or is to be done under the direction of the city authorities on any street, avenue or alley in the city, such street, avenue or alley, or any part thereof, may be closed to the passage of vehicles or pedestrians while such work is in progress only upon approval of the resilience and public works department and obtaining a permit pursuant to section 54-3.
(Code 1967, § 54-32; Code 1980, § 54-42; Ord. No. 12977, § 3, 3-13-08; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-54. Allowing sidewalks, swales and curbs to remain in dangerous condition.

(a) It shall be unlawful for any owner, occupant or agent of any property to which a sidewalk, swale or curb is contiguous, to place or remove any materials or allow overgrowth of trees, shrubs and plants upon such sidewalk, sale or curb as to be dangerous or detrimental to the general public as determined by the director of resilience and public works.

(b) It shall be unlawful for any owner, occupant or agent of any property to which a swale is contiguous, to pave or install any materials, trees, shrubs or plants, except sod, within the swale without first having obtained a permit from the resilience and public works department. The director of the resilience and public works department shall promulgate the rules and regulations establishing the standards pertaining to the construction, improvement and repair of swales.
(Code 1967, § 54-33; Code 1980, § 54-43; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13792, § 1, 10-11-18)

Editor's note—Ord. No. 13087, § 2, adopted Sept. 10, 2009, changed the title of § 54-54 from "Allowing sidewalks to remain in dangerous condition" to "Allowing sidewalks, swales and curbs to remain in dangerous condition." The historical notation has been preserved for reference purposes.

Sec. 54-55. Notice to repair sidewalks, driving lanes, parking lanes, swales and curbs.

(a) An abutting property owner is responsible for the repair or replacement of the existing sidewalk, driving lanes, parking lanes, swales, curbs, and gutter (hereinafter "street improvements") where damage is caused by the act or inaction of the abutting owner, its agent or contractor, or where the damage is the result of tree roots from trees located on the abutting private property.

(b) In case the surface of any walk or sidewalk in the city becomes so uneven as to make walking over it dangerous or detrimental, or if the driving lanes, parking lanes, swales or curbing becomes decayed, worn out or broken caused by the act or inaction of the abutting property owner, its agent or contractor, it shall be the duty of the director of resilience and public works to notify the owner, and if the owner cannot be served, to notify the occupant, and if there is no occupant, then to notify the agent of the owner of the property to which the street improvements are contiguous, to repair such street improvements. Notice to repair or replace such street improvements shall be in writing; shall allow such owner agent or occupant 30 days in which to repair such street improvements; shall describe the street improvements to be repaired; shall set forth that such street improvements shall be repaired, if surface work is to be done, with the same material as such street improvements were originally constructed; and shall be served, returned and filed in the office of the director of resilience and public works.

(c) Enforcement of this section shall be pursuant to chapter 2, article X, of the City Code. Nothing in this section shall be deemed to limit the city from enforcing its ordinance or Code by any other means authorized by law.

(Code 1967, § 54-34; Code 1980, § 54-44; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13360, § 2, 1-24-13; Ord. No. 13792, § 1, 10-11-18)

Editor's note—Ord. No. 13360, § 2, adopted January 24, 2013, changed the title of section 54-55 from "Notice to repair sidewalks and curbs" to "Notice to repair sidewalks, driving lanes, parking lanes, swales and curbs." The historical notation has been preserved for reference purposes.

Sec. 54-56. Construction, reconstruction or repair of street improvements required when adjacent property is improved by construction of $100,000.00 or more in value or exceeding 1,000 square feet in floor area; restriction.

(a) Sidewalks, curbs or gutters, pavement, modifications to existing drainage, sodding, and any other right-of-way improvements deemed necessary by the director of resilience and public works (hereinafter "street improvements") shall be constructed, reconstructed or repaired, except as provided below, when any adjacent property located within the corporate limits is improved, altered or modified by the construction, reconstruction, addition, or change of use of any type of building, structure or parking facility amounting to $100,000.00 or more in total value, or when such building, structure or parking facility to be constructed, reconstructed or when there is an addition or change of use which is 1,000 square feet or more in floor area, for which a permit is required.

(b) Except for properties adjacent to a right-of-way subject to a street master plan as defined in section 54-60 of the City Code for which payment into the enhanced right-of-way trust fund in lieu of construction of street improvements is required, the director of the resilience and public works department of the city shall notify the applicant/qualifier for the permit by noting on the approved plans that the street improvements adjacent to the lot or parcel to be improved, altered or modified shall be constructed, reconstructed or repaired. Said street improvements may extend to the centerline of the street and shall be constructed within or adjacent to the established base building lines to the proper line and grade as determined by the resilience and public works department on all roadways within the corporate limits. In the event that the surface of any existing street improvements is uneven, cracked, broken or marred, these portions of the street improvements shall be replaced by the applicant/qualifier.

(c) The magnitude of the required street improvements shall not exceed ten percent of the total value of the permitted improvements, alterations or modifications on said adjacent property. For existing single-family residences, the required street improvements shall not exceed five percent of the total value of the permitted improvements, alterations or modifications on said adjacent property. For properties adjacent to a right-of-way subject to a street master plan for which payment into the enhanced right-of-way trust fund in lieu of construction of street improvements is required, the cost of the improvements otherwise required to be constructed by the

property owner absent the property's inclusion in a street master plan shall be calculated by the department of resilience and public works. For the purposes of payment into the enhanced right-of-way trust fund, this amount may not exceed those limitations found in this subsection for the percentage of magnitude of street improvements. The amount to be paid into the trust fund shall be less any improvements required by the director of resilience and public works to be constructed by the property owner to remedy life-safety issues and comply with the Americans with Disabilities Act of 1990, as amended.

(d) The director of the resilience and public works department of the city is hereby directed to withhold or withdraw the certificates of occupancy or use until such street improvements are properly constructed, reconstructed or repaired as provided in subsections (a) and (b) of this section.

(e) The director of the resilience and public works department is hereby authorized to approve deferment of construction and allow variations and deviations from the above requirements of constructing, reconstructing or repairing said street improvements, as the director determines necessary, based on the conditions of the terrain and the existing sidewalk, curbs and/or gutters, and pavement immediately adjacent to the property involved; provided that the property owner furnishes the city with a properly executed covenant to run with the land in which the property owner agrees to construct or pay the cost of constructing the street improvements when such construction is required by the department of resilience and public works.

(f) In the event that the property owner fails to construct, reconstruct or repair the street improvements as required by the resilience and public works department, the director of the resilience and public works department shall notify the applicant in writing that the applicant has 30 days in which to construct said street improvements. If the street improvements are not constructed within the 30-day period, the director of the resilience and public works department is authorized to cause the construction of said street improvements by either city personnel or by award of a contract under the provisions of the City Code. An accounting of the total cost of said street improvements, certified by the director of the resilience and public works department, shall be recorded in the public records of Miami-Dade County and thereafter shall constitute a lien against the property involved. The total cost shall include the construction cost, a 16-percent fee for engineering services for the resilience and public works department, and any incidental expenses.

(g) The city manager may grant credits for certain fees required under chapter 2, chapter 54, chapter 55, and chapter 62 of the City Code for developments or improvements that were requested by the city, with review and approval from the applicable city departments, for completed and/or future street improvements beyond that required pursuant to section 54-56 of the City Code and for which a certificate of occupancy was issued on or after January 1, 2019. The maximum credit shall be the amount of actual costs for completed street improvements beyond the improvements required pursuant to section 54-56 of the City Code as determined by a general contractor and certified by professional engineer licensed under F.S. ch. 471, and submitted by the applicant and reviewed and approved by the city department that requested the work. The applicant who completed the additional street improvements beyond the requirements of section 54-56 of the City Code shall be granted a non-transferrable credit towards application and permit fees related to resilience and public works required or imposed pursuant to chapter 2, 54, 55, or 62 of the City Code for properties owned by the applicant or subsequent development(s) proposed by the applicant and/or its affiliated entity(s). Any credit(s) authorized by this subsection shall expire unless they are claimed and used within ten calendar years of issuance of a certificate of occupancy or temporary certificate of occupancy, whichever is earlier, for the development associated with the improvements.

(Code 1967, § 54-34; Ord. No. 9871, § 1, 7-31-84; Ord. No. 10279, § 1, 6-11-87; Code 1980, § 54-45; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13398, § 2, 7-11-13; Ord. No. 13792, § 1, 10-11-18; Ord.

No. 13798, § 4, 10-25-18; Ord. No. 13916, § 2, 9-24-20; Ord. No. 13948, § 2, 12-10-20; Ord. No. 14040, § 2, 12-9-21)

Editor's note—Ord. No. 13087, § 2, adopted Sept. 10, 2009, changed the title of § 54-56 from "Construction, reconstruction or repair of street improvements required when property is improved by construction of $25,000.00 or more in value or exceeding 650 square feet in floor area" to "Construction, reconstruction or repair of street improvements required when adjacent property is improved by construction of $100,000.00 or more in value or exceeding 1,000 square feet in floor area; restriction." The historical notation has been preserved for reference purposes.

Sec. 54-57. Obstructing streets or sidewalks with trash, lumber, etc.

No person shall place any trash, lumber, wood, glass or other obstruction in any public street, lane, alley or way, or on any sidewalk. Any person who shall place any such obstruction in any street, lane, alley or way, or on any sidewalk, and fail to remove the same within six hours after being notified by the chief of police or any police officer, or who, after having removed the obstruction, shall replace it or place similar obstructions shall, on conviction, be punished as provided in section 1-13. Any person actually building or about to build or repair any buildings, or construct or repair any sewer or line of water or gas piping, may be allowed by the resilience and public works department to temporarily store all such materials as may be necessary within the street or sidewalk adjoining the place where such building or repairing is to be done, if no suitable alternative exists and only upon obtaining a separate permit pursuant to section 54-3.

(Code 1967, § 54-35; Code 1980, § 54-46; Ord. No. 12977, § 3, 3-13-08; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-58. Right-of-way dedication required prior to issuance of permits.

(a) Whenever the owner(s) of the property within the city wishes to construct a new building or structure, or to change the use of an existing building or structure, or expand an existing structure, and the director of the department of resilience and public works determines that there is a rational and substantial connection between the burdens imposed by the proposed development or the change of use on the city services, including adjacent streets and the dedication of the portion of the applicant's lot, tract or parcel of land lying within the city's officially established right-of-way to the public for street purposes, and that the dedication of the officially established right-of-way is reasonably necessary to mitigate the burdens that the proposed development or change of use places on the adjacent streets, no permit for construction of a new building or structure or change of use or expansion of an existing structure shall be issued on any lot, tract or parcel of land until all portions of the applicant's lot, tract or parcel lying within the city's officially established right-of-way have been dedicated to the public for street purposes. Additionally, right-of-way lines at street intersections shall be rounded with a radius of 25 feet. The area external to the 25-foot radius shall also be dedicated to the public for street purposes prior to the issuance of permits described above.

(b) Upon written request by applicant for a determination that the proposed construction of a new building or structure or change of use, or expansion will not burden the city services, including adjacent streets, director shall have the authority to waive the required dedication or, if he/she does not so waive the dedication, director shall convene, within 30 days after receipt of written request from applicant, a meeting of a review committee which shall be comprised of the director of the department of resilience and public works, the director of the department of planning, building and zoning and an assistant city manager. The applicant shall have the right to present its position to the review committee which shall review director's refusal to grant the waiver of dedication. The committee, acting by majority vote, shall either affirm the director's refusal or reverse its refusal and grant the requested waiver of dedication. The committee shall, in determining whether director's refusal was reasonable, determine whether the proposed construction of a new building or structure or change of use or expansion will burden city services, including the adjacent street(s). The

decision of this committee, which shall be rendered within 30 days after conclusion of the hearing, shall be final.
(Ord. No. 9966, § 1, 3-21-85; Ord. No. 10279, § 2, 6-11-87; Ord. No. 10898, § 1, 7-11-91; Code 1980, § 54-47; Ord. No. 13308, § 2, 2-9-12; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13916, § 2, 9-24-20)

Sec. 54-59. Enhanced right-of-way improvement trust fund—Intent.

It is intended that the "Enhanced Right-of-Way Improvement Trust Fund" ("trust fund") be established to facilitate the implementation of approved street master plans, streetscape master plans as the term is defined in Miami 21, and other right-of-way improvements that may include non-standard materials by requiring those adjacent property owners required to make improvements pursuant to section 54-56 of the City Code pay the equivalent of such cost into the trust fund in lieu of construction in order to avoid the piecemeal reconstruction of those rights-of-way identified in such master plans. It is further intended that the cost of payment into the trust fund by the adjacent property owner not exceed the cost had the property owner undertaken such construction of required right-of-way improvements.
(Ord. No. 13948, § 2, 12-10-20)

Sec. 54-60. Established.

(a) The trust fund is hereby established into which funds shall be deposited and from which funds shall be withdrawn pursuant to this article to pay for the procurement of right-of-way construction or improvement of rights-of-way as identified within an area with an adopted street master plan or streetscape master plan, as the term is defined in Miami 21, in the following manner:

(1) Not less than 80 percent of the trust fund shall be expended on construction of new right-of-way improvements or maintenance of enhanced improvements constructed pursuant to a street master plan during each fiscal year within an adopted street master plan area and attributable to the properties that contributed to the trust fund from that street master plan area. However, if the city manager or his/her designee determines that there are insufficient reserves in the trust fund to implement right-of-way enhancements, funds may be carried over to the next fiscal year.

(2) Not more than 20 percent of the trust fund shall be expended on activities directly related to improvement of existing right-of-way in the street master plan area in which it was collected during each fiscal year, including, but not limited to, survey work, site inventory and analysis, civil engineering and landscape architectural design services, inspection services for new plantings, and other related project expenses.

(b) Expenditures undertaken pursuant to this article may be made by the city manager or his/her designee. All trust fund expenditures made by the city manager shall only be made after a recommendation is made by the directors of the departments of planning and resilience and public works as to such expenditures and any business improvement district in the area where the expenditure is being made, if applicable. Notwithstanding the foregoing, the city commission may, by unanimous vote, approve or expedite any expenditure permitted by this article.

No expenditure may be made for new right-of-way improvements until either (1) an executed covenant to run with the land in which the property owner(s) agrees to maintain the right-of-way is authorized by the director of resilience and public works, in a form acceptable to the city attorney, or (2) another governmental entity executes an agreement authorized by the director of resilience and public works, in a form acceptable to the city attorney, agreeing to maintain the non-standard improvements.

(c) It is the intent of this article that prior to the expenditure of funds for the above listed items by the city manager, that due consideration is given to written recommendations from the directors of the departments of planning and resilience and public works.

(d) Any unused monies in the trust fund may be returned to the property owner upon request if the proposed improvements are not constructed within ten years of contribution into the trust fund; provided, however, that for this purpose, the expenditure and appropriation of trust fund payments shall be deemed to occur in the same sequential order as the collection of the same on a first payment in, first payment out basis. For the purpose of such return of unused monies, the property owner shall mean the property owner at the time of the original payment regardless of current ownership of the property.
(Ord. No. 13948, § 2, 12-10-20)

Sec. 54-61. Trust fund payments.

Payments into the trust fund shall include, but shall not be limited to, monies collected pursuant to the following adopted street master plans:

Neighborhood Revitalization District-1 Wynwood
(Ord. No. 13948, § 2, 12-10-20)

Sec. 54-62. Financial report.

(a) Funds deposited in the trust fund shall be made available to the city manager for implementation purposes and all disbursals of trust fund monies shall be made by the city manager or his/her designee in accordance with this article and after due consideration is given to the written recommendations of the directors of the departments of planning and resilience and public works.

(b) A financial report on trust fund receipts and expenditures shall be prepared annually at the close of the fiscal year by the city manager or his/her designee and presented to the city commission.
(Ord. No. 13948, § 2, 12-10-20)

Sec. 54-63. Recovery agreement for construction of master planned street.

(a) Upon recommendation by the director of resilience and public works to the city manager, an agreement, in a form acceptable to the city attorney, may be entered into between the owner(s) of a property adjacent to a right-of-way subject to a street master plan and the city to provide for the complete reconstruction of such street by the property owner(s) with repayment from the trust fund and other legally available sources as provided herein and subject to the following:

(1) Payments from the trust fund shall be limited as follows:

a. That which is currently deposited in the trust fund and attributable to deposits from property owners within the same street master plan area where the property adjacent to such right-of-way lies; and

b. That which is deposited in the trust fund subsequent to the execution of the agreement from other property owners within the same street master plan area where the property adjacent to such right-of-way lies.

(2) Payments from all other legally available sources shall be limited as follows:

a. Those legally available funds currently budgeted and allocated for the specific right-of-way or a project that includes the right-of-way; and

b. No payment obligating the expenditure of such funds beyond the current budget year may be in such agreement unless the same is approved by the city commission.

(Ord. No. 13948, § 2, 12-10-20)

ARTICLE III. RESERVED*

Secs. 54-86—54-120. Reserved.

*__Editor's note—__Ord. No. 12888, § 2, adopted February 8, 2007, repealed article III in its entirety, which pertained to bus benches, and derived from the Code of 1967, §§ 54-36—54-37, 54-39, 54-41, 54-43—54-46; Ord. No. 8843, § 1, adopted September 14, 1978; Ord. No. 9190, § 1, adopted October 30, 1980; Ord. No. 10402, § 1, adopted March 24, 1988; the Code of 1980, § 54-56—54-59, 54-61—54-64, and Ord. No. 12178, § 1, adopted January 10, 2002.

ARTICLE IV. NAMING OF STREETS AND NUMBERING OF BUILDINGS

Sec. 54-121. Definitions.

For the purposes of this article, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Avenues: All through streets running north and south shall be designated as "avenues."

Base thoroughfares: Those certain streets named Miami Avenue and Flagler Street shall be deemed the "base thoroughfares," from which all street names and house numbers shall have their numerical beginning, running northerly and southerly, easterly and westerly.

Courts: All thoroughfares not deemed through streets and located and running next parallel to an avenue shall be designated as "courts."

Lanes: All thoroughfares not deemed through streets and located and running next parallel to a terrace shall be designated as "lanes."

Number unit: Each 12½ feet of every lot shall be deemed a "number unit."

Places: All thoroughfares not deemed through streets and located and running next parallel to a court shall be designated as "places."

Roads: All thoroughfares running diagonally and not a continuation of a north and south or east and west thoroughfare shall be designated as "roads."

Square: The side of a city block lying between two through streets shall be deemed a "square."

Streets: All through streets running east and west shall be designated as "streets."

Terraces: All thoroughfares not deemed through streets and located and running next parallel to a street shall be designated as "terraces."

Through streets: All thoroughfares making a continuous intersection across and extending for one or more squares on both sides of Flagler Street or Miami Avenue shall be deemed "through streets."

(Code 1967, § 54-50; Code 1980, § 54-75)

Sec. 54-122. Applicability of article.

All streets shall be named and designated and all buildings numbered as provided in this article. (Code 1967, § 54-51; Code 1980, § 54-76)

Sec. 54-123. Sectional divisions.

The base thoroughfares shall be deemed to divide the city into four sections—northeast, northwest, southeast and southwest:

(1) *Northeast.* That portion of the city lying north of Flagler Street and east of Miami Avenue shall be indicated as the northeast, and all thoroughfares in such section shall have added the letters "N.E." to their name and designation.

(2) *Northwest.* That portion of the city lying north of Flagler Street and west of Miami Avenue shall be indicated as the northwest, and all thoroughfares in such section shall have added the letters "N.W." to their name and designation.

(3) *Southeast.* That portion of the city lying south of Flagler Street and east of Miami Avenue shall be indicated as the southeast, and all thoroughfares in such section shall have added the letters "S.E." to their name and designation.

(4) *Southwest.* That portion of the city lying south of Flagler Street and west of Miami Avenue shall be indicated as the southwest, and all thoroughfares in such section shall have added the letters "S.W." to their names and designations.

(Code 1967, § 54-52; Code 1980, § 54-77)

Sec. 54-124. Names of avenues.

Avenues shall derive their names as follows:

(1) Each avenue lying east of the base thoroughfare, Miami Avenue, shall bear the numerical name indicating the number of squares easterly that it may be removed from such base thoroughfare. (Example: Old Avenue C, to be known as First Avenue East.)

(2) Each avenue lying west of the base thoroughfare, Miami Avenue, shall bear

the numerical name indicating the number of squares westerly that it may be removed from such base thoroughfare. (Example: Old Avenue E, to be known as First Avenue West.)

(3) The thoroughfare formerly known as Southwest 1 Avenue between Southwest 13 Street and Southwest 15 Road shall be called Brickell Way.

(4) The thoroughfare formerly known as Southeast 1st Avenue between Southeast 8th Street and Southeast 12th Street shall be called Brickell Plaza.

(Code 1967, § 54-53; Code 1980, § 54-78; Ord. No. 11720, § 2, 11-17-98; Ord. No. 12755, § 2, 2-9-06)

Sec. 54-125. Names of streets.

Streets shall derive their names as follows:

(1) Each street lying north of the base thoroughfare, Flagler Street, shall bear the name indicating the number of squares that such street may be removed from such base thoroughfare. (Example: Old 11th Street, to be known as First Street North.)

(2) Each street lying south of the base thoroughfare, Flagler Street, shall bear the numerical name indicating the number of squares that such street may be removed from such base thoroughfare. (Example: Old 13th Street, to be known as First Street South.)

(3) The thoroughfare formerly known as Southwest 23rd Avenue between Southwest 28th Street and South Dixie Highway shall be called Kirk Street.

(4) The thoroughfare formerly known as Southwest 24th Avenue between Southwest 28th Street and South Dixie Highway shall be called Calusa Street.

(5) The thoroughfare formerly known as Southwest 28th Street between Southwest 22nd Avenue and Southwest 26th Avenue shall be called Overbrook Street.

(6) The thoroughfare formerly known as Southwest 27th Way between Southwest 22nd Avenue and Southwest 23rd Avenue shall be called Tequesta Way.

(Code 1967, § 54-54; Code 1980, § 54-79; Ord. No. 13244, § 2, 1-13-11)

Sec. 54-126. Names of terraces.

Terraces shall derive their names as follows:

(1) Each terrace lying north of the base thoroughfare, Flagler Street, shall derive its name from the next southerly street.

(2) Each terrace lying south of the base thoroughfare, Flagler Street, shall derive its name from the next northerly street.

(3) The thoroughfare formerly known as Southwest 27th Terrace between Southwest 22nd Avenue and South Dixie Highway shall be called Secoffee Terrace.

(Code 1967, § 54-55; Code 1980, § 54-80; Ord. No. 13244, § 2, 1-13-11)

Sec. 54-127. Names of lanes.

Lanes shall derive their names as follows:

(1) Each lane lying north of the base thoroughfare, Flagler Street, shall derive its name from the next southerly street.

(2) Each lane lying south of the base thoroughfare, Flagler Street, shall derive its name from the next northerly street.

(3) The thoroughfare formerly known as Southwest 27th Lane between Southwest 22nd Avenue and Southwest 26th Avenue shall be called Tequesta Lane.

(Code 1967, § 54-56; Code 1980, § 54-81; Ord. No. 13244, § 2, 1-13-11)

Sec. 54-128. Names of courts.

Courts shall derive their names as follows:

(1) Each court lying east of the base thoroughfare, Miami Avenue, shall derive its name from the next westerly avenue.

(2) Each court lying west of the base thoroughfare, Miami Avenue, shall derive its name from the next easterly avenue.

(Code 1967, § 54-57; Code 1980, § 54-82)

Sec. 54-129. Names of places.

Places shall derive their names as follows:

(1) Each place lying east of the base thoroughfare, Miami Avenue, shall derive its name from the next westerly avenue.

(2) Each place lying west of the base thoroughfare, Miami Avenue, shall derive its name from the next easterly avenue.

(Code 1967, § 54-58; Code 1980, § 54-83)

Sec. 54-130. Names of drives and roads.

(a) The thoroughfares now known as North River Drive and South River Drive shall continue to be called North River Drive and South River Drive.

(b) The thoroughfares lying and being next adjoining Biscayne Bay between Southeast 8th Street and Southeast 15th Road shall be called Brickell Bay Drive.

(c) The thoroughfare formerly known as Southwest 15th Road between Southwest 11th Street and Brickell Avenue shall be called Broadway.

(d) All roads shall derive their names from the streets or avenues at which they shall commence, except as otherwise named in this section.

(Code 1967, § 54-59; Code 1980, § 54-84; Ord. No. 11404, § 2, 10-10-96; Ord. No. 12624, § 2, 12-9-04)

Sec. 54-131. Numbering system.

The numbering of all buildings shall be in conformity with the following system:

(1) The so-called Knowlton Plat of the city, recorded in plat book B at page 41 of the public records of the county and all subdivisions and additions to the city approved or recorded in the public records of the county shall constitute the basis for naming and numbering under this article.

(2) All numbering of number units shall begin from the base thoroughfares, the north and east sides of the streets having the odd numbers and the south and west sides having the even numbers.

(3) The numbers of each number unit in a square shall increase in arithmetical progression of two as the number units recede from the base thoroughfare.

(4) The numbers of the number units in the first squares adjoining a base thoroughfare shall begin with one on the north and east sides and two on the south and west sides and progress arithmetically by two's for each successive number-unit space from the base thoroughfare, to the next street or avenue.

(5) The numbering of number units in each square shall begin with that hundred number indicating the number of squares it may be removed from the base thoroughfare, and numbers shall advance by hundreds only by squares.

(Code 1967, § 54-60; Code 1980, § 54-85)

Sec. 54-132. Duty of building owners relative to numbering.

(a) It shall be the duty of the owner of any building facing, abutting, opening upon or having its main entrance from any street, avenue, court, terrace, lane or road in the city to have affixed to such building suitable numbers composed of figures not less than three inches in height, and made of, or paneled upon, glass or some metallic substance. Such numbering shall be done by the owner and the numbers thereof shall conform to and be in accordance with the plat referred to in the preceding section.

(b) It shall be the additional duty of the owner of any building facing, abutting, opening upon the Miami River to have affixed to such building suitable numbers composed of figures not less than three inches in height, and made of, or paneled upon, glass or some metallic substance.

Such numbering shall be done by the owner and the numbers thereof shall conform to and be in accordance with the plat referred to in the preceding section and be additional to those referred to subsection (a) above.

(c) All buildings constructed, erected or removed shall, upon completion of their construction, erection or removal, be numbered by the owner thereof.

(d) It shall be the duty of the owner to maintain numbers of his or her building as herein provided in good condition and in a conspicuous place where the same can be seen and read from the street and/or from the Miami River, if applicable.

(e) Should any owner fail to number or renumber or to maintain numbers of his or her building as required by the provisions of this article, the city commission may cause the same to be done and assess the cost thereof against the property or premises number and collect such amount in the same manner and with the same penalties as city taxes.

(f) The word "owner," as used in this section, shall include owner of the fee, lessee and agent in charge.
(Code 1967, § 54-61; Code 1980, § 54-86; Ord. No. 11470, § 2, 3-20-97)

Sec. 54-133. Reserved.

Editor's note—Ord. No. 13467, § 2, adopted June 12, 2014, repealed the former section 54-133 in its entirety, which pertained to the purchase of street signs and numbers, and derived from the Code of 1967, § 54-62, and the Code of 1980, § 54-87.

Sec. 54-134. Incorrect street signs.

No person shall put up or cause to be put up any sign designating a street, avenue or other public place by a different name than that by which it is generally and legally known, or refuse to move the same from his/her property when requested to do so by any officer of the city.
(Code 1967, § 54-63; Code 1980, § 54-88; Ord. No. 13676, § 2, 4-27-17)

Sec. 54-135. Injuring, defacing, etc., street signs.

No person shall willfully and maliciously injure, deface or remove any of the street signs posted in the city.
(Code 1967, § 54-64; Code 1980, § 54-89)

Sec. 54-136. Alternatives to renaming streets.

The city commission shall consider three alternatives to renaming streets as follows:

(1) Marker, by which a plaque or sign bearing a designation shall be mounted separately on a stone or post in the right-of-way.

(2) Plaza, by which only the intersection of two streets shall be designated. The designation shall be mounted on the post under the street signs at the intersection.

(3) Codesignation, by which a numbered street shall receive an additional designation over the numbered street designation on the street signs. The police department and department of fire-rescue and U.S. Postal Service shall be notified of codesignation.

(Ord. No. 10761, § 2, 7-12-90; Ord. No. 10839, § 2, 2-14-91; Code 1980, § 54-90)

Sec. 54-137. Street codesignation.

The city commission shall consider proposals for street codesignation using the following criteria:

(1) Named streets, e.g., as in Coconut Grove, shall not be changed where there is an historical tradition attached to the existing name.

(2) Named streets shall not be codesignated because of the resulting confusion.

(3) Numbered streets shall not be codesignated for merely commercial purposes.

(4) Numbered streets shall only be codesignated if there is significant historical, neighborhood or community benefit to the codesignation.

(5) Numbered street codesignations shall not exceed five blocks in length.

(6) There shall be a hiatus at least five blocks in length between consecutive codesignations in numbered streets.

(7) Numbered streets shall not be codesignated with the names of living individuals.

(8) Block numbers shall be added to any new street signs that reflect codesignations, markers or plazas.

Notwithstanding, the requirements of this section may be waived by a four-fifths affirmative vote of the city commissioners, or an unanimous vote of the quorum that exists because of either abstentions or vacancies resulting from resignation, death, suspension, or physical incapacitation.
(Ord. No. 10761, § 2, 7-12-90; Code 1980, § 54-91; Ord. No. 11405, § 1, 10-10-96; Ord. No. 13013, § 2, 7-24-08; Ord. No. 14317, § 2, 9-26-24)

Sec. 54-138. Expenses.

(a) Any and all expenses on the part of the city or any other governmental agency resulting from requests for street codesignations, markers or plazas shall be borne by the applicant.

(b) Upon approval by the city commission of a request for street codesignation or a marker or a plaza, the applicant shall pay any and all additional expenses related to the permits, manufacture and installation of the appropriate signs and related appurtenances. A nonrefundable deposit in the amount of $400.00 toward the initial expenses outlined in this section shall accompany any request for a street codesignation or for a designation of a marker or a plaza.
(Ord. No. 10761, § 2, 7-12-90; Ord. No. 10839, § 2, 2-14-91; Code 1980, § 54-92; Ord. No. 14111, § 2, 10-13-22)

Sec. 54-139. Schedule of fees.

Any request for a street codesignation or for a designation of a marker or a plaza shall also be accompanied by an application fee in the amount of $300.00.
(Ord. No. 10761, § 2, 7-12-90; Ord. No. 10839, § 2, 2-14-91; Code 1980, § 54-93)

Sec. 54-140. Reserved.

Editor's note—Ord. No. 12980, § 1, adopted April 10, 2008, repealed § 54-140, which pertained to the street codesignation review committee, and derived from Ord. No. 10761, § 2, adopted July 12, 1990; Ord. No. 11130, § 18, adopted March 24, 1994; Ord. No. 11189, § 6, adopted October 27, 1994; the Code of 1980, § 54-95; Ord. No. 11373, § 12, adopted June 27, 1996; Ord. No. 12179, § 2, adopted January 10, 1992.

Secs. 54-141—54-185. Reserved.

ARTICLE V. BASE BUILDING LINES

Sec. 54-186. Established.

Base building lines are hereby established for the purpose of assuring that sufficient space occurs between the street fronts of buildings and structures; to provide for natural light and circulation of air; to lessen the adverse effect resulting from fire, floods, tornadoes, and hurricanes; to provide for access for firefighting apparatus or rescue and salvage operations; to facilitate provisions for traffic, transportation and circulation; and to promote safety, health, amenity and general welfare within the city. No building, structure, or part thereof, shall be erected, structurally altered, enlarged or extended beyond the base building lines established by this article with the exception of encroachments or temporary structures which are specifically permitted by the Florida Building Code or this chapter. Restaurant arcades on Flagler Street between the Miami River and Biscayne Boulevard are allowed by revocable permits granted by the city commission after approval by the city manager and recommendations by the director of resilience and public works, the director of planning; the director of building, and the chief of fire-rescue. An aerial encroachment of a recreational facility at Jose Marti Park over and across S.W. 5th Street between S.W. 3rd Avenue and Interstate 95, is allowed by revocable permits granted by the city commission after approval by the city manager, and recommendations by the directors of resilience and public works, planning, building, and fire-rescue departments. Encroachments into Southeast 3rd Street and Southeast 3rd Avenue for the purpose of archaeological preservation and interpretation as well as

construction of structural elements in furtherance of that purpose, as contemplated by Resolution No. 14-0134, adopted March 27, 2014, are allowed pursuant to required permits approved by the department of planning and zoning and the department of resilience and public works. In addition, guardhouses are permitted by irrevocable permits granted by the city commission after approval by the city manager and recommendations by the director of resilience and public works, the director of planning, the director of building, the chief of fire-rescue, the chief of police, and the director of solid waste. All of the foregoing recommendations are to be based on factors of safety, liability protection, accessibility and maintenance of public and private property. All guardhouses to be located in the dedicated right-of-way shall not exceed 100 square feet and must conform to the city engineering standards for design and construction, adopted by the department of resilience and public works. Final design plans must be submitted to the required departments and the city commission for review and approval before a revocable permit will be granted for a guardhouse in the dedicated right-of-way. Commencing effective September 14, 1989, upon the granting of the above approvals, such governmental entities shall be authorized to install a guard gate which operates automatically and which does not completely hinder public access along the right-of-way when said installation is part of a governmentally operated project or an element of a special taxing district.
(Ord. No. 9583, § 1, 3-24-83; Ord. No. 9962, § 1, 2-28-85; Ord. No. 10582, § 1, 5-11-89; Ord. No. 10639, § 1, 9-14-89; Code 1980, § 54-100; Ord. No. 12673, § 2, 4-14-05; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-187. Standard street widths.

All public streets in the city not otherwise designated by this article shall be established at a minimum width of 50 feet, and the base building line shall be located 25 feet from the official centerline, said official centerline to be determined and established by the director of the department of resilience and public works of the city. The rounding of corners at street intersections shall not be considered as the base building line.
(Ord. No. 9583, § 1, 3-24-83; Ord. No. 10704, § 1, 2-7-90; Code 1980, § 54-101; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14070, § 2, 6-9-22)

City Code cross reference—Design standards for streets in subdivisions, § 55-11.

Sec. 54-188. Platted width greater.

Where the existing platted or dedicated street right-of-way lines are at a greater distance from the official centerline than established base building lines, then such existing right-of-way lines shall constitute the base building lines.
(Ord. No. 9583, § 1, 3-24-83; Code 1980, § 54-102)

Sec. 54-189. Centerline descriptions.

Centerline descriptions for the streets described herein are on file in the offices of the city clerk and the department of resilience and public works of the city and are hereby adopted by reference and are to be considered as being embodied in this chapter in the same manner as if hereinafter set forth.
(Ord. No. 9583, § 1, 3-24-83; Code 1980, § 54-103; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-190. Nonstandard street widths.

Base building lines shall be located from the centerline as specified for each of the following streets:

Streets, Avenues, Roads, Etc., in Alphabetical Order		*Distance in Feet from Centerline to Base Building Line*
(1)	1st Street, N.W., N.W. 17th Avenue to N.S. 22nd Avenue	20
(2)	1st Street, N.E., Miami Avenue to N.E. 1st Avenue.	27.5
(3)	1st Street, S.E. and S.W., Biscayne Boulevard to S.W. 1st Avenue.....	37.5*

*Exception—The base building line shall be located 25 feet north of the centerline on the north side of S.E. 1st Street between S.E. 1st Avenue and S.E. 2nd Avenue conditioned on the granting of a 12.5 foot wide perpetual public sidewalk easement in favor of the City of Miami behind the base building line, said easement shall extend to

Streets, Avenues, Roads, Etc., in Alphabetical Order	*Distance in Feet from Centerline to Base Building Line*
(4) 1st Street, S.W., north side, S.W. 1st Avenue to S.W. 1st Court	37.5
(5) 1st Street, S.W., south side, S.W. 1st Avenue to S.W. 1st Court	29.5
(6) 1st Street, S.W., S.W. 1st Court to S.W. North River Drive	37.5
(7) 1st Street, S.W., S.W. 5th Avenue to S.W. 17th Avenue	35
(8) 1st Street, S.W., S.W. 19th Avenue to S.W. 22nd Avenue	42.5
(9) 2nd Street, N.W., Miami Avenue to N.W. 1st Avenue	35
(10) 2nd Street, N.W., N.W. 8th Avenue to N.W. 17th Avenue	35
(11) 2nd Street, S.W., S.W. 2nd Avenue east to Florida East Coast Railway	35
(12) 3rd Street, N.W., N.W. 47th Avenue to N.W. 48th Avenue	20
(13) Reserved.	
(14) 3rd Street, N.W., N.W. 32nd Avenue to N.W. 34th Avenue	50
(15) 3rd Street, S.W., S.W. 2nd Avenue to S.W. North River Drive	30
(16) 3rd Terrace, N.W., N.W. 23rd Avenue to N.W. 23rd Court	16

Sec. 54-191. Temporary encroachments.

(a) Whenever an owner of property within the city wishes to install a temporary encroachment, i.e., fence, wall, or hedge, within the undedicated area between the platted or dedicated right-of-way line and the established base building line, the owner shall, before beginning any installation, construction or planting, make formal request for such an encroachment, in writing, to the director of the department of resilience and public works, said request to be evaluated as indicated in subsection (c) hereinbelow. The owner shall submit with his/her request a current survey of the property, and a sketch or drawing showing sufficient detail to accurately portray the nature and extent of the encroachment.

(b) If a fence, wall, hedge, or previously permitted accessory structure exists within the dedicated right-of-way, the city commission may permit said fence, wall, hedge, or previously permitted accessory structure to remain or be reinstalled, reconstructed or replanted within the dedicated right-of-way (if damaged, less than 50 percent of its area), if the owner of said fence, wall, hedge, or previously permitted accessory structure furnishes proof to the city commission that said fence, wall hedge, or previously permitted acces-

sory structure was built prior to March 24, 1983. Proof may consist of a building permit, a survey, an aerial photo, a recorded document prepared prior to March 24, 1983, a certificate of occupancy or completion issued prior to March 24, 1983, or a sworn document from a person or persons, other than the present owner, familiar with the property, attesting to the existence or construction of the wall, fence hedge, or previously permitted accessory structure prior to March 24, 1983. Any reinstallation, reconstruction or replanting of a fence, wall, hedge, or previously permitted accessory structure permitted pursuant to this section shall conform to the following requirements:

(1) The materials used shall be the same as or substantially similar to those of the fence, wall, hedge, or previously permitted accessory structure being reinstalled, reconstructed or replanted.

(2) Its height, length and width shall not exceed that of the fence, wall, hedge, or previously permitted accessory structure being reinstalled, reconstructed or replanted.

(3) It shall conform to the visibility triangle requirements of the zoning ordinance of the City of Miami in effect at the time the permit was issued.

The owner shall submit a formal request to the director of resilience and public works. The director shall transmit said request to the city commission, to be evaluated in accordance with the procedure outlined in subsection (c), hereinbelow. Upon consideration of the request, the city commission, at a public hearing, may approve or deny the request as submitted. Said public hearing shall be requested by and at the expense of the owner. The director shall establish a schedule of fees for such public hearings.

If the request is denied, the existing fence, wall hedge, or previously permitted accessory structure shall be removed at no cost to the city, within 30 days of notification by the director of the department of resilience and public works that said removal is required. In the event of failure by the owner to remove the encroachment when notified, the city may cause the removal of the encroachment and place a lien against the property for the cost of the removal.

(c) The director of the department of resilience and public works, or his/her designee, shall evaluate the request for encroachment within the undedicated right-of-way, or the city commission shall evaluate the request for encroachment within the dedicated right-of-way and the information supplied with regard to its effect on the health, welfare and safety of the community. In evaluating the request, or transmitting the request to the city commission, the director shall research city records to determine if there have been any complaints or reports of problems of impediment to travel by vehicles or pedestrians attributed to the wall, fence hedge, or previously permitted accessory structure. The director may also confer with representatives of other departments or agencies, as may be necessary.

If there is a negative effect on the health, welfare or safety of the community, the director shall deny the request for encroachment within the undedicated right-of-way, or the city commission shall deny the request for encroachment within the dedicated right-of-way.

If there is no negative effect on the health, welfare or safety of the community, the director of the department of resilience and public works may approve the request for encroachment within the undedicated right-of-way, or the city commission may approve the request for encroachment within the dedicated right-of-way, subject to the recording of a covenant to run with the land, executed by the owner with the payment by the owner of the requisite fees for preparation and recording of said covenant. The provisions of the covenant shall include, but not be limited to:

(1) Maintenance of the wall, fence, hedge, or previously permitted accessory structure by the property owner in accordance with the city's standards and specifications.

(2) Removal of the encroachment by the property owner within 30 days of notification by the director of the department of resilience and public works that said removal is required, and at no cost to the city.

(3) In the event of failure of the property owner to remove the encroachment, when notified, the city may cause the removal of the encroachment, and place a lien against the property for the cost of the removal.

(4) Dedication to the city of the necessary right-of-way upon removal of the encroachment.

(5) Provision of an insurance policy, in an amount not less than $1,000,000.00, naming the city as insured for public liability and property damage, or certificate of inclusion of the city as insured on an existing insurance policy for the property, subject to approval of the risk management department. This insurance shall be in effect as long as the encroachment exists in the public right-of-way. Failure to continue to provide the insurance coverage will result in the revocation by the city of the approval and the encroachment shall be removed in accordance with subsections (c)(2) and (3) of this section. A detached building used as a permanent residence by a single housekeeping unit, and two family housing which are two dwelling units sharing a detached building, each dwelling unit of which provides a residence for a single housekeeping unit, also known as a duplex, are exempted from the insurance requirements of this subsection only for the installation of a fence, wall or hedge in the undedicated portion of the right-of-way.

(6) Provision of a signed statement set forth in a covenant acceptable to the city that the property owner shall hold harmless and indemnify the city, its officers and employees for any claims for damage to property and injury to persons arising out of the grant of the permit or any activity carried on under the terms of the permit.

Upon recording of the above covenant, and not before, the director shall approve a permit for the construction or installation of the temporary encroachment, with the payment of the necessary permit fee by the property owner.
(Ord. No. 9583, § 1, 3-24-83; Code 1980, § 54-105; Ord. No. 11277, § 2(54-105), 7-13-85; Ord. No. 13266, § 2, 5-26-11; Ord. No. 13428, § 2, 1-23-14; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-192. Service road adjacent to Brickell Avenue.

(a) Except for Lot 1, Gifford and Highleyman, P.B. 3, Pg. 38; Lot 39, Block B, Mary and William Brickell Subdivision, P.B. B, Pg. 96; and Lot 9, Block G, Brickell Hammock Unit No. 1 Extension, P.B. 7, Pg. 87, it is required that a 70-foot-wide service road be provided along the southeasterly side of, and parallel to, Brickell Avenue, between Southeast 15th Road and Southeast 25th Road.

(b) If the owner(s) of property along this portion of Brickell Avenue wish to install a sign, for purposes of building identification, in the landscaped area between Brickell Avenue and the parallel service road, a request, in writing, must be addressed to the director of the department of resilience and public works, following the guidelines and procedures set forth in section 54-191, including the recording of a covenant to run with the land for the installation of said sign.

(c) The design for such a sign must comply with all applicable regulations concerning signs. In addition, the design and placement of this sign shall be approved by the director of the planning department and the director of the department of resilience and public works.
(Ord. No. 9583, § 1, 3-24-83; Code 1980, § 54-106; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-193. Illegal encroachment.

(a) When any owner of property within the city shall cause the construction or installation of an encroachment within the dedicated right-of-way, or when said property owner shall cause the construction or installation of an encroachment within the undedicated area between the

platted or dedicated right-of-way line and the base building line, and a covenant and permit have not been granted as set forth in section 54-191, the director of the department of resilience and public works, upon being notified of the encroachment, shall give notice to the property owner, by certified letter, of the encroachment, and shall require the removal of said encroachment within 30 days of the date of said certified letter.

(b) If the property owner shall fail or refuse to remove the encroachment within the specified time period, the director shall cause the encroachment to be removed, and a lien shall be placed against the property for the cost of said removal.

(c) No permit or covenant to run with the land shall be granted "after the fact" to allow any illegal encroachment in the dedicated right-of-way, except existing encroachments authorized pursuant to subsection 54-191(b).

(d) The director of resilience and public works may permit an owner of a property to legalize an existing illegal encroachment in the area between the dedicated right-of-way line and the base building line subject to the owner completing the procedure as set forth in subsections 54-191(a) and (c).
(Ord. No. 9583, § 1, 3-24-83; Code 1980, § 54-107; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13792, § 1, 10-11-18)

City Code cross reference—Encroachments on or in rights-of-way or easements, § 55-14.

Secs. 54-194—54-220. Reserved.

ARTICLE VI. SIDEWALK AND STREET CAFES*

Sec. 54-221. Statement of purpose.

(a) The primary function of sidewalks is for pedestrian movement and sidewalk cafes shall not interfere with their use.

(b) The primary functions of on-street parking are to provide access to destinations along a street, aid in speed reductions, and provide a buffer between the sidewalk edge and moving traffic.

(c) Sidewalk and street cafes must comply with all Americans with Disabilities Act ("ADA") requirements and regulations.

(d) A safe, secure and comfortable environment will be maintained for pedestrians using the public right-of-way.

(e) Sidewalk and street cafes shall enhance the vitality of the street environment.

(f) Sidewalk and street cafes shall be compatible with adjacent streetscape elements in terms of design and construction.
(Ord. No. 13123, § 2, 1-14-10; Ord. No. 14035, § 2, 11-18-21)

Sec. 54-222. Permit required.

Operating a sidewalk and/or street cafe on city rights-of-way shall be unlawful without a permit. No person shall conduct business as herein defined without first obtaining a permit from the director of the department of resilience and public works and paying the fee therefor to the director of finance or his/her designee and the department of off-street parking. It shall be unlawful for any person to operate a sidewalk and/or street cafe on any city right-of-way except as provided by this article.
(Ord. No. 9848, § 1, 6-14-84; Code 1980, § 54-108; Ord. No. 13123, § 2, 1-14-10; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14035, § 2, 11-18-21)

Sec. 54-223. Definitions.

As used in this article:

Cafe zones means any public sidewalk area within the city that complies with the requirements of article VI of this chapter.

Director means the director of the department of resilience and public works.

*__Editor's note—__Ord. No. 14035, § 2, adopted November 18, 2021, changed the title of article VI from "Sidewalk cafes" to "Sidewalk and street cafes."

Food establishment means an establishment serving prepared food to be consumed on or off premises.

Intervenor means a person whose interests in the proceeding are adversely affected in a manner greater than those of the general public. A person shall be entitled to the presumption of Intervenor status if the person owns the subject property or owns property abutting the subject property. Furthermore, a person shall be entitled to intervenor status if the person owns property within a 500-foot radius from the subject property but is not the property owner or abutting property owner and has a particular interest in the application that is different in kind and degree than the general public. Abutting shall mean to reach or touch; touch; touch at the end or be contiguous with; join at a border or boundary; or terminate on and includes properties across a street or alley. A person recognized by the decision-making body, including the planning, zoning, and appeals board and the city commission, as an intervenor may make a presentation, call and examine witnesses, conduct cross-examinations of witnesses, introduce exhibits, rebut evidence, and make final arguments in the order as decided by the chair of the body to effectuate orderly and efficient proceedings.

On-street parking/parking lane means that area within the public right-of-way designated for vehicular parking without obstructing the flow of travel lanes generally located between the edge of vehicular travel lanes and the front of sidewalks.

Permit means a grant of authority by the city to operate a sidewalk and/or street cafe, subject to compliance, as a condition precedent to the initial issuance of such permit and any renewals thereof with all requirements, conditions or criteria set forth in this article for the issuance and maintenance of a sidewalk and/or street cafe permit. A permit shall be valid for a maximum of one year in duration and shall be renewable on an annual basis upon full compliance with all application requirements.

Permittee means the recipient of a sidewalk cafe or street cafe permit under the terms and provisions of this article.

Sidewalk means that portion of the street between the curb lines or the lateral lines of a non-driving lane separated by curb or bollards and the adjacent property lines where a five-foot minimum clearance is available to and intended for use by pedestrians.

Sidewalk cafe means the placing, locating, or permitting of the placing or locating of outdoor furniture, including but not limited to, chairs and tables within the sidewalk area adjacent to a business licensed to operate as a restaurant or take-out food establishment.

State road shall mean those roadways that are part of the state highway system under the jurisdiction of the Florida Department of Transportation.

Street cafe means the permitted placing or locating of outdoor furniture, including but not limited to, chairs and tables within the on-street parking area adjacent to a business licensed to operate as a restaurant or take-out food establishment.

(Ord. No. 9848, § 1, 6-14-84; Ord. No. 10217, § 1, 1-8-87; Ord. No. 10693, § 1, 1-11-90; Ord. No. 10854, § 1, 3-14-91; Ord. No. 11053, § 2, 3-25-93; Code 1980, § 54-109; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13123, § 2, 1-14-10; Ord. No. 13585, § 2, 1-14-16; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14035, § 2, 11-18-21)

Sec. 54-224. Fees and security deposit.

(a) *Sidewalk cafe.*

(1) A non-refundable application fee and initial inspection fee of $450.00 shall accompany the sidewalk cafe application.

(2) The fee for an annual permit for establishing or maintaining a sidewalk cafe shall be $13.50 per square foot of usable right-of-way area, as determined by the department of resilience and public works. The sidewalk cafe permit year shall begin on October 1 and end on September 30. The fee for any sidewalk cafe permitted during the permit year shall be prorated on a monthly basis to the end of the current permit year. The full annual permit fee

shall be due and payable on or before October 1. Payment received more than ten calendar days after the due date shall be charged a late fee of ten percent of the payment amount due. Failure to make a required payment within 30 calendar days of the due date shall constitute a basis for and result in immediate license suspension and forfeiture to any right and interest to the security deposit or performance bond.

(3) Failed permit inspections are subject to a reinspection fee of $95.00.

(4) Security deposit. Upon issuance of the permit, the permittee shall provide a security deposit in an amount sufficient to secure one-quarter of the permit fee. All documentation, including the form of the security deposit, shall be subject to the approval of the city attorney as to form and correctness. In the event the permittee fails to make an annual payment within 30 days of the date due, the permittee shall forfeit any right and interest to the security deposit, whichever may be applicable, and the entire amount of the security deposit shall be retained by the city or its designee. The permittee shall have no recourse against this retention by the city when payment by the permittee is untimely.

(b) *Street cafe.*

(1) A non-refundable application fee and initial inspection fee of $450.00 shall accompany the street cafe application to be submitted to the city.

(2) In addition to the application fee required pursuant to subsection 54-224(b)(1), there shall also be an annual permit fee for maintaining a street cafe to be paid to the department of off-street parking, which shall be determined by the department of off-street parking. The street cafe permit shall begin on October 1 and end on an annual basis. The full amount for a permit fee shall be due and payable seven calendar days in advance of the effective term of the permit. Payment received more than ten calendar days after the due date shall be charged a late fee of ten percent of the payment amount due. Failure to make a required payment within 30 calendar days of the due date shall constitute a basis for and result in immediate suspension of the permit and forfeiture to any right and interest to the security deposit or performance bond.

(3) Failed permit inspections are subject to a reinspection fee of $95.00.

(4) Security deposit. Upon issuance of the permit, the permittee shall provide a security deposit in an amount sufficient to secure three times the amount of the permit fee. All documentation, including the form of the security deposit, shall be subject to the approval of the city attorney as to form and correctness. In the event the permittee fails to make an annual payment within 30 days of the date due, the permittee shall forfeit any right and interest to the security deposit, whichever may be applicable, and the entire amount of the security deposit shall be retained by the city or its designee. The permittee shall have no recourse against this retention by the city when payment by the permittee is untimely.

(c) *Waiver of fees.* The city commission may waive or reduce any or all fees described in subsections (a)(1), (a)(2), (a)(3), (a)(4), (b)(1), (b)(2), (b)(3), and (b)(4) by resolution upon a determination that it is in the best interests of the city.

(Ord. No. 9848, § 1, 6-14-84; Ord. No. 10217, § 1, 1-8-87; Ord. No. 10658, § 3, 10-12-89; Ord. No. 10693, § 1, 1-11-90; Ord. No. 10854, § 1, 3-14-91; Ord. No. 11053, § 2, 3-25-93; Code 1980, § 54-111; Ord. No. 11280, § 2, 7-13-95; Ord. No. 12228, § 1, 5-9-02; Ord. No. 13123, § 2, 1-14-10; Ord. No. 13195, § 5, 9-27-10; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13585, § 2, 1-14-16; Ord. No. 13682, §§ 2—5, 5-25-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14035, § 2, 11-18-21; Ord. No. 14433, § 3, 1-8-26)

Editor's note—Sections 2—5 of Ord. No. 13682, adopted May 25, 2017, state the following: "Section 2. The sidewalk

cafe permit fees imposed by Section 54-224(b) of the City Code, the annual permit of $11.50 per square foot of useable

sidewalk area, and Section 54-224(d) of the City Code, the required security deposit, are hereby waived for downtown sidewalk cafes located in the area bounded by the west side by Northwest/Southwest 1st Avenue on the west, by the north side of Northwest/Northeast 1st Street on the north, Biscayne Boulevard on the east, and by the south side of Southwest/Southeast 1st Street on the south, as further described in Exhibit "A".

Section 3. The waiver period for eligible sidewalk cafes, as described in Section 2 above, shall be during the remainder of the construction of the Project until the City and any other public agencies that have jurisdiction over the Project, as applicable, have determined that the Project has achieved substantial completion in the area described in Section 2. This Ordinance will automatically sunset once that date of substantial completion is confirmed by the Public Works Director.

Section 4. This waiver only applies to sidewalk cafe permit fees imposed by Sections 54-224(b) and Section 54-224(d) of the City Code.

Section 5. This Ordinance does not waive sidewalk cafe fees imposed by Section 54-224(a) of the City Code, the non-refundable application fee of $175.00 and the initial inspection fee of $10.00, the sidewalk cafe fees imposed by Section 54-224(c) of the City Code, the failed permit inspection fee, or any other fees including but not limited to payment of the BTR, payment of the CU, any related inspections, or any similar requirements, or fees."

Sections 2—6 of Ord. No. 13968, adopted February 25, 2021, state the following: "Section 2. The annual permit fee of $11.50 per square foot of usable sidewalk space for sidewalk cafes required by Section 54-224(b) of the City Code and the security deposit required by Section 54-224(d) of the City Code are hereby waived for all sidewalk cafes in the City.

Section 3. The waiver period for sidewalk cafes, as described in Section 2 above, shall be for the remainder of the COVID-19 Restaurant Recovery Program.

Section 4. This Ordinance does not waive sidewalk cafe fees imposed by Section 54-224(a) of the City Code, the non-refundable application fee of $175.00 and the initial inspection fee of $10.00, the sidewalk cafe fees imposed by Section 54-224(c) of the City Code, the failed permit inspection fee, or any other fees including but not limited to payment of the BTR, payment of the CU, any related inspections, or any similar requirements or fees.

Section 5. The credit granted to a sidewalk cafe permittee pursuant to this Ordinance shall be for 2021-2022 Fiscal Year and is limited to those fees imposed by Sections 54-224(b) and Section 54-224(d) of the City Code.

Section 6. This Ordinance will shall automatically sunset upon the termination of the COVID-19 Restaurant Recovery Program. At such time, all fees for sidewalk cafe permits shall be due and owing unless a credit as authorized by this Ordinance applies.

Sec. 54-225. Permit application.

Application for a permit to operate a sidewalk and/or street cafe shall be made at the department of resilience and public works in a form deemed appropriate by the director. Such application shall include, but not be limited, to the following information:

(1) Name and address of the applicant;

(2) A copy of a valid city business license to operate a restaurant or a take-out food establishment adjacent to the sidewalk area which is the subject of the application;

(3) A copy of current liability insurance;

(4) A current survey (certified if required by other agencies having jurisdiction over the area) of the sidewalk area including adjacent roadway and property lines;

(5) A drawing (minimum scale of one-fourth inch equals one foot) showing the layout and dimensions of the existing sidewalk area, parking lane, and adjacent private property, proposed location, size and number of all outdoor furniture, including but not limited to, tables, chairs, umbrellas, location of doorways, location of trees, parking meters, bus shelters, sidewalk benches, trash receptacles, glare screens, menu boards, heaters, fans, planters and any other sidewalk obstruction either existing or proposed within the pedestrian area;

(6) Photographs, drawings, or manufacturers' brochures fully describing the appearance of all proposed tables, chairs, umbrellas, or other objects related to the sidewalk and/or street cafe;

(7) Photograph of the subject right-of-way where sidewalk and/or street cafe is proposed;

(8) A right-of-way encroachment and removal agreement provided by the department of resilience and public works and executed by the permittee and the director in a form acceptable to the city attorney; and

(9) Proof that approval of any street cafe permit application will not subject the permittee to non-compliance in accordance

with the any and all of the city's requirements and regulations and any agreements or covenants governing the food establishment. In the event granting a street cafe permit would make the applicant not comply with parking requirements, the applicant may apply for a waiver pursuant to the Miami 21 Code and/or apply for a parking waiver pursuant to chapter 35 of the City Code and provide payment into the designated parking trust fund for the property or the transportation trust fund as established by chapter 35 of the City Code, whichever is applicable.

(b) Applications shall be reviewed by the following departments: resilience and public works, planning, zoning, risk management, and finance. For street cafe permit applications, the department of off-street parking shall be an additional department to review the application. Building department review is required for any installations, lighting, electrical connections, fans, and heaters.

(c) Within 30 days of receipt of a completed application, the director shall approve or deny the permit.

(d) The applicant shall provide proof of necessary insurance prior to receiving the permit.
(Ord. No. 9848, § 1, 6-14-84; Ord. No. 10854, § 1, 3-14-91; Code 1980, § 54-112; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13123, § 2, 1-14-10; Ord. No. 13195, § 5, 9-27-10; Ord. No. 13585, § 2, 1-14-16; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14035, § 2, 11-18-21)

Sec. 54-226. Permit requirements.

(a) No person shall establish a sidewalk and/or street cafe on any public street or sidewalk unless such person has obtained a valid permit to operate that sidewalk and/or street cafe in such a manner pursuant to this article.

(b) Permits shall be issued only to validly licensed restaurants or food establishments that wish to provide tables and chairs on the sidewalk(s) and/or on-street/parking lanes adjacent to their businesses for use by the general public.

(c) In the Coconut Grove central commercial district, permits shall be issued to sidewalk cafes in conjunction with "food establishments" and validly licensed restaurants, provided the establishment provides required off-street parking at a rate of one parking space per 100 square feet for the sidewalk cafe area or pays a mitigation fee in lieu thereof, as described in section 35-224 herein, in addition to other required off-street parking and the sidewalk cafe permit fee. For purposes of this article, references to specific districts are solely for purposes of delineating affected geographic areas subject to this section and shall not convey any rights under the Miami 21 Code, the zoning ordinance of the City of Miami, Florida ("Miami 21 Code"), as amended or superseded.

(d) No sidewalk and/or street cafe permit shall be issued by the city within any state road right-of-way in the absence of an approval from the Florida Department of Transportation.

(e) No street cafe permit shall be issued by the city within any roadway under Miami-Dade County's jurisdiction in the absence of an approval from the Miami-Dade County Department of Transportation and Public Works ("DTPW").

(f) No food establishment located in the Coconut Grove business improvement district except for on Fuller Street or located in the Midtown Community development district shall be eligible to receive a street cafe permit. Solely for the purposes of the street cafe permit, the Coconut Grove Business Improvement District shall mean all of the commercial properties consisting of an 18 block area of the central commercial core of Coconut Grove as more particularly described in Resolution No. R-08-0455 with the exception of the entirety of Fuller Street. Solely for the purposes of the street cafe permit, the Midtown Community development district shall mean the geographic area encompassing approximately 57 acres in an area bounded by the Florida east coast right-of-way on the east, Northeast 29th Street on the south, North Miami Avenue on the west, and Northeast

36th Street on the north, all as depicted in Exhibit "C" of Miami-Dade County Ordinance No. 03-271.
(Ord. No. 9848, § 1, 6-14-84; Ord. No. 11053, § 2, 3-25-93; Code 1980, § 54-113; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13123, § 2, 1-14-10; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13585, § 2, 1-14-16; Ord. No. 14035, § 2, 11-18-21)

Sec. 54-227. Standards and criteria for application review.

The following standards and criteria shall be used in reviewing the drawing required in subsection 54-225(a)(5):

(1) Sidewalk and/or street cafes are restricted to the frontage of the licensed restaurant or food service establishment to which the permit is issued; or within the contiguous frontage of the building where the licensed restaurant or food service establishment is located, provided that written approval is supplied by the building owner and any affected lessee.

(2) No tables and chairs will be permitted within five feet of a pedestrian crosswalk, fire hydrant, bus stop, taxistand, or counter service window.

(3) Sidewalks shall be a minimum of nine feet in width, not including the curb. Subject to written approval of the property owner, a warrant issued in accordance with the Miami 21 Code and approval of the director of the resilience and public works department, or his/her designee, a portion of the required nine feet of width may be provided on an Americans with Disabilities Act ("ADA") compliant sidewalk located on private property abutting the right-of-way line. All regulations stated in this article, except the permit fee, shall be applicable to any areas of private property included in the sidewalk permit application.

(4) Sidewalk cafes shall be located in such a manner that a minimum five-foot-wide clear pedestrian path is maintained at all times. In areas of congested pedestrian activity, the director is authorized to require a wider pedestrian path, as circumstances dictate. The pedestrian path zone surrounding the sidewalk cafe area shall not be encumbered in any way by the placement of menu boards, planters, or bicycles affixed or leaned against the sidewalk cafe enclosure. Menu boards will be allowed within the sidewalk cafe footprint and shall have no advertising other than the menu and restaurant information.

(5) Street cafes shall be protected and separated from traffic at all times with American Association of State Highway Transportation Officials' ("AASHTO") approved temporary water filled barriers, temporary concrete barrier systems, or other AASHTO approved traffic impact products to form a physical barrier around the street cafe perimeter to be paid for and maintained by the permittee. All physical barriers shall not be more than 36 inches in height. Items placed along the perimeter of a street cafe shall not be located within street intersection visibility triangle as defined in section 54-1 of the City Code and shall not reduce the existing travel lanes' width. Proposed material and design of screening shall be paid for and maintained by the permittee upon approval by the resilience and public works department. No rigid materials are permitted to be used along the traffic side of the temporary barriers. Glare screens shall not be permanently attached to the barrier walls and may require removal during non-business hours. Endorsements/advertising are not permitted on enclosures, umbrellas, tableware, and covers except for the name and/or logo of the restaurant and/or government, business improvement district, community development agency, or special district entity.

(6) Objects used to form a physical barrier around the sidewalk cafe perimeter shall be permitted upon approval by the resilience and public works department. All physical barriers shall have a two-

foot clear path every 25 feet and shall not be more than 36 inches in height. Items placed along the perimeter of a sidewalk cafe shall not be located within street intersection visibility triangles as defined in section 54-1 of the City Code. Proposed materials and design shall be approved by the resilience and public works department prior to placement by the permittee. No obstructions of stormwater structures or gutters are allowed at any time. Glare screens shall not be permanently attached to the sidewalk, shall not be more than 36 inches in height, and shall be removed during non-business hours. Endorsements/ advertising are not permitted on enclosures, umbrellas, tableware, and covers except for the name and/or logo of the restaurant and/or government, business improvement district, community development agency, or special district entity, as applicable.

(7) No portion of any object placed in the sidewalk cafe shall extend into the five-foot pedestrian path.

(8) Tables, chairs, umbrellas, decking, and any other objects provided with the sidewalk and/or street cafe shall be of quality design, materials, and technique; both to ensure the safety and convenience of users, and to enhance the visual and aesthetic quality of the urban environment. Design, materials, and colors shall be harmonious with an urban environment so as to reduce visual clutter and enhance aesthetics. Landscape maintenance must be done on a regular basis to ensure the health of plant materials.

(9) Awnings, umbrellas and other decorative material shall be fire retardant pressure treated, or manufactured of fire resistive material.

(10) In certain areas within city where streetscape enhancements have been installed changes are not permitted to the sidewalk paving and must not be damaged by enclosures, signage, etc. Sidewalk and/or street cafe owner shall preserve and protect all existing trees and plantings in the public right-of-way to the satisfaction of the resilience and public works department and replace, entirely at the permittee's expense, any trees that are damaged as a result of the sidewalk and/or street cafe. Trees shall not be used to support wires or to place any signs, screws, nails, staple, ropes, brackets, banding or other hardware.

(11) Sidewalk cafe furnishings and fixtures, including any required bar unit, servers' work station, or greeting stations shall be portable and shall not be permanently attached to the wall of the abutting building, the sidewalk, or screen. Bus stations shall not be permitted.

(12) Umbrella height must be 84 inches above the sidewalk (highest point of the sidewalk if not level).

(13) A greeting station can be located closer to the sidewalk, but shall remain within the confines of the sidewalk cafe footprint and a clear path maintained for an unobstructed access to the main entrance, and along the pedestrian clear path area.

(14) Planters may be placed within the sidewalk and/or street cafe but must be secured to ensure that they do not move. If planters are on wheels they must be locked.

(15) Umbrellas and screens may be supported by a socket in the sidewalk. The resilience and public works department must approve the coring and capping method in advance and holes must be filled or capped when not in use.

(16) Lighting, fans and heaters are optional items. Light levels shall be low and only directed towards the sidewalk cafe and not the street. Lighting, fans, and heaters shall comply with established standards and criteria and with all applicable codes.

(17) All portions of the sidewalk cafe that are located on private property not within the public right-of-way shall comply with city zoning regulations.

(Ord. No. 9848, § 1, 6-14-84; Ord. No. 10217, § 1, 1-8-87; Ord. No. 10693, § 1, 1-11-90; Ord. No. 10854, § 1, 3-14-91; Code 1980, § 54-114; Ord. No. 13123, § 2, 1-14-10; Ord. No. 13585, § 2, 1-14-16; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14035, § 2, 11-18-21)

Sec. 54-228. Indemnification and insurance.

(a) Applicant agrees to indemnify, defend, and hold harmless the city, its officials, employees, agents, and, if applicable, its instrumentalities and each of them from and against all loss, cost, penalties, fines, damages, claims of any nature, including expenses and attorney's fees, and any and all liabilities by reason of injury to or death of any person, damage to, destruction, or loss to any property including the city, its instrumentalities, officials, employees, and agents arising out of or in connection with the performance or nonperformance of the services contemplated by this permit/agreement which is directly or indirectly caused, in whole or in part, by any act, omission, default, liability, or negligence, whether active or passive of the applicant, its employees, agents, servants, or contractors, unless such act or omission is solely caused by the city, its instrumentalities, officials, employees, and agents. The applicant further agrees to indemnify, defend, and hold harmless the city, its instrumentalities, officials, employees, and agents against all liabilities which may be asserted by an employee or former employee of the applicant or any of its contractors as provided above for which the applicant's liability to such employee or former employee would otherwise be limited to payments under workers' compensation or similar laws. In addition, the applicant understands and agrees that except where caused by the negligence or misconduct of the city, its instrumentalities, officials, employees, or agents, the city shall not be liable for any loss, injury, or damage to any personal property or equipment of the applicant, its employees, agents, contractors, business licensees, or invitees placed on city property and its instrumentalities and shall be at the sole risk of the applicant thereof. The applicant shall ensure that adequate safety precautions are in effect at all times during the term of the permit. It shall be a further condition precedent to the issuance of any such permit for placement of such sidewalk or street cafe in the public right-of-way that the permittee is/are jointly and severally responsible, at each permittee's sole expense, for any damages regarding restoring the public right-of-way to its original condition before installation of facilities. The indemnification shall survive termination of the permit/agreement.

Prior to the issuance of any such permit, the applicant shall submit to the city a certificate of insurance with respect to commercial general liability with limits of at least $500,000.00 per occurrence, $1,000,000.00 policy aggregate, and any endorsements thereto, including, but not limited to, premises and operations liability, personal and advertising injury, products and completed operations, and liquor liability. The certificate must reflect primary and noncontributory language and list the city as an additional insured on all third-party liability policies including liquor. The insurance herein required shall remain in full force and effect at all times during the entire term of the permit. Additionally, all such insurance shall be subject to review and approval by the city's risk management department.

All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida with the following qualifications:

The company must be rated no less than "A-" as to management and no less than Class "V" as to financial strength by the latest edition of Best's Insurance Guide, published by A.M. Best Company, Oldwick New Jersey, or its equivalent subject to the approval of the city's risk management department. Companies not meeting the above rating requirements shall submit proof of reinsurance from qualifying insurers having or exceeding the required rating criteria.

The registrant/applicant shall provide 30 days prior written notice of cancellation to the city for any reason other than non-payment of premium in which ten days' notice shall apply.

(b) The permittee shall furnish the city with a certificate of insurance substantially in accordance to the insurance requirements contained in Exhibit A, available at the department of resilience and public works. It is understood and agreed that all coverage provided by the applicant shall be primary and non-contributory, and its insurance shall have no right of recovery or subrogation against the city and if applicable, any of its instrumentalities. The department of resilience and public works may modify the insurance requirements, if warranted.

(Ord. No. 9848, § 1, 6-14-84; Code 1980, § 54-115; Ord. No. 13123, § 2, 1-14-10; Ord. No. 13585, § 2, 1-14-16; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13918, § 2, 9-24-20; Ord. No. 14035, § 2, 11-18-21)

Sec. 54-229. Form and conditions of permit.

The permit shall be issued on a form deemed suitable by the director. In addition to naming the permittee and any other information deemed appropriate by the director, the permit shall contain the following conditions:

(1) Each permit shall be effective for one year, starting October 1st and ending September 30th, subject to annual renewal. Fees for the initial year shall be prorated on a monthly basis. Permits are subject to annual renewals and applications shall be received by the department prior to October 1st.

(2) The permit issued shall be personal to the permittee only and shall not be transferable in any manner.

(3) The permit may be suspended by the director when necessary to clear sidewalk and on-street parking areas for a "community or special event" authorized by a permit issued by the police department.

(4) The director may require the temporary removal of sidewalk and/or street cafes when street, sidewalk, or utility repairs necessitate such action.

(5) The department of resilience and public works or the police department may require the removal or relocation of all or parts of the sidewalk and/or street cafe in emergency situations.

(6) The city and its officers and employees shall not be responsible for sidewalk and/or street cafe components relocated during emergencies.

(7) The permit shall be specifically limited to the area shown on the "exhibit" attached to and made part of the permit.

(8) The permittee shall use positive action to assure that its use of the sidewalk in no way interferes with or embarrasses sidewalk users or limits their free unobstructed passage.

(9) The sidewalk and/or street cafe shall be opened for use by the general public and such use shall not be restricted to patrons of the permittee.

(10) Permittees holding a local business tax receipt or certificate of use limited to take-out food shall not be permitted to provide table service in the sidewalk and/or street cafe. However, this shall not relieve the permittee of the responsibility to maintain the sidewalk and/or street cafe as required in this section.

(11) Tables, chairs, umbrellas, and any other objects provided with a sidewalk and/or street cafe shall be maintained with a clean and attractive appearance and shall be in good repair at all times.

(12) The right-of-way covered by the permit shall be maintained in a neat and orderly appearance at all times and the area shall be cleared of all debris on a periodic basis during the day, and again at the close of each business day.

(13) No advertising signs or business identification signs shall be permitted in the public right-of-way; this shall not prohibit the use of umbrellas, glare screens, or menu boards carrying restaurant logotypes. Size and location of menu boards shall be approved by city.

(14) No tables and chairs nor any other parts of sidewalk cafes shall be attached, chained, or in any manner affixed to any tree, post, sign, or other fixtures, curb or sidewalk within or near the permitted area. No additional outdoor seating authorized herein shall be used for calculating seating requirements pertaining to location of, applications for, or issuance of a liquor license for any establishment or be used as the basis for computing required seating for restaurants and dining rooms or as grounds for claiming exemption from such requirements under the provisions of any city ordinance or state law.

(15) Except as provided in section 54-227, the permit covers only the public right-of-way. Tables and chairs on private property will be governed by other applicable regulations. The permit shall include a reference to the applicant complying with all requirements for sidewalk and/or street cafes set forth in in article VI of this Code. Where an applicant that is already legally operating a sidewalk and/or street cafe at a leased location submits a lease executed prior to March 1, 2016, the owner consent requirement stated herein shall not apply until such time as the current term of such lease ends.

(16) The permittee shall notify the director of resilience and public works, in writing, when operation of the sidewalk and/or street cafe begins. Said notice shall be delivered to the director within 24 hours of such commencement.

(17) The issuance of a sidewalk and/or street cafe permit does not grant or infer vested rights to use of the right-of-way by the permittee. The city retains the right to deny the issuance of a permit or the renewal of a permit.

(18) No entertainment or sound speakers shall be placed within or adjacent to the right-of-way in a manner which causes persons to accumulate and obstruct the pedestrian path. Entertainment and sound speakers shall comply with the city's noise regulations.

(Ord. No. 9848, § 1, 6-14-84; Ord. No. 10217, § 1, 1-8-87; Ord. No. 10693, § 1, 1-1-90; Code 1980, § 54-116; Ord. No. 12885, § 1, 2-8-07; Ord. No. 13123, § 2, 1-14-10; Ord. No. 13585, § 2, 1-14-16; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14035, § 2, 11-18-21)

Sec. 54-230. Denial, revocation, or suspension of permit; removal and storage fees; emergencies.

(a) The director may deny, revoke, or suspend a permit for any sidewalk and/or street cafe authorized in the city if it is found that:

(1) Any necessary business or health permit has been suspended, revoked, or cancelled.

(2) The permittee does not have insurance which is correct and effective in the minimum amount described in section 54-228, or has failed to make a quarterly permit fee payment when due.

(3) Changing conditions of pedestrian or vehicular traffic cause congestion necessitating removal of sidewalk and/or street cafe. Such decision shall be based upon findings of director that the minimum five-foot pedestrian path is insufficient under existing circumstances and represents a danger to the health, safety, or general welfare of pedestrians or vehicular traffic.

(4) The permittee has failed to correct violations of this article or conditions of his/her permit within three days of receipt of the director's notice of same delivered in writing to the permittee.

(5) The permittee has failed to take positive actions to prohibit violations from recurring.

(6) The permittee has failed to make modifications within three days of receipt of the director's notice of same delivered in writing to the permittee.

(7) Tables, chairs, and other vestiges of said sidewalk and/or street cafe in the right-of-way may be removed by the department of resilience and public works, and a reasonable fee charged for labor, transportation, and storage, should the permittee fail to remove said items within 24 hours of receipt of the director's final notice to do so for any reason provided for under this article. If the final notice is sent based on subsection (a)(2) or (3) of this section, the removal action shall become effective upon the receipt of such notice and the permittee shall have four hours to remove said items or to, within that time, request, in writing, a meeting with the department of resilience and public works director to contest the final notice. The fees incurred by the department of resilience and public works and/or other agents of the city who implement the removal shall be billed to the violator and if the fees remain unpaid for 30 days, shall be imposed as a municipal lien against the real and personal property of the violator and shall be recorded in the public records of Miami-Dade County, and may be foreclosed by the city as such, pursuant to F.S. § 166.021. In addition, the city may utilize the code enforcement procedures set forth in chapter 2, article X, to address any violations.

(b) Upon denial or revocation, the director shall give notice of such action to the applicant or the permittee in writing stating the action which has been taken and the reason thereof. If the action of the director is based on subsection (a)(2) or (3) of this section, the action shall be effective upon giving such notice to the permittee. Otherwise, such notice shall become effective within ten days unless appealed to the city commission.

(Ord. No. 9848, § 1, 6-14-84; Ord. No. 10693, § 1, 1-11-90; Code 1980, § 54-117; Ord. No. 11280, § 2, 7-13-95; Ord. No. 13123, § 2, 1-14-10; Ord. No. 13585, § 2, 1-14-16; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14035, § 2, 11-18-21)

Sec. 54-231. Appeals instituted by the permittee.

(a) Appeals shall be initiated within ten days of a permit denial or revocation by filing a written notice of appeal with the city manager, and a copy of same delivered the same day to the director. Any revocation effective immediately may also be appealed to the city commission by such filing within ten days.

(b) The city manager shall place the appeal on the first non-planning and zoning city commission agenda for which proper notice can be given and shall notify the director of resilience and public works thereof. At the hearing upon appeal, the city commission shall hear and determine the appeal, and the decision of the city commission shall be final and effective immediately.

(c) The filing of a notice of appeal by a permittee shall not stay an order by the director to remove a sidewalk and/or street cafe or parts thereof. Vestiges of the sidewalk and/or street cafe shall be removed immediately, as set out in section 54-230, pending disposition of the appeal and final decision of the city commission.

(d) A permit which has been suspended or revoked pursuant to subsections 54-230(a)(1), (2) or (4) may be reinstated by the director of the department of resilience and public works at such time as the permittee has demonstrated that the violation has been corrected to the satisfaction of the department of resilience and public works.

(e) A new permit shall not be issued or an existing permit shall not be reinstated for a minimum period of six months after said issu-

ance or reinstatement has been denied by the director of resilience and public works, or in the event of an appeal, by the city commission.
(Ord. No. 9848, § 1, 6-14-84; Ord. No. 10693, § 1, 1-11-90; Code 1980, § 54-118; Ord. No. 13123, § 2, 1-14-10; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14035, § 2, 11-18-21)

Editor's note—Ord. No. 14035, § 2, adopted November 18, 2021, changed the title of section 54-231 from "Appeals" to "Appeals instituted by the permittee." The historical notation has been preserved for reference purposes.

Sec. 54-232. Appeals for street cafe permit approval.

(a) *Notice.* Within 48 hours of issuing the intended decision to approve a street cafe permit, the director shall notify the permittee and post a notice of the intended decision on or adjacent to the subject property in a location where it is visible to the general public. The posting shall provide a general description and location of the proposed street cafe permit. The intended decision shall also be sent to the business improvement districts of the city in that area, as applicable.

(b) *Issuance of permit.* If no appeal is received within ten calendar days of the issuance of the intended decision pursuant to subsection 54-232(c) of the City Code, the street cafe permit shall be issued. The property owner shall ensure that the street cafe permit is displayed in the business's storefront which shall be visible to the public at all times.

(c) *Appeals to the Planning, Zoning, and Appeals Board ("PZAB").* Any aggrieved party having standing under state law may appeal to the PZAB any decision of the director on matters relating to the approval of a street cafe by filing a written notice of appeal to the director as established in chapter 54, article VI of the Code within ten calendar days after the date of the intended decision. The notice of appeal shall include the decision appealed from and the reasons or grounds for the appeal. A person or entity whose interests in the proceeding are adversely affected in a manner greater than those of the general public may request intervenor status as defined in this chapter. PZAB shall hear and consider all facts material to the appeal. PZAB may affirm, modify, or reverse the decision of the director.

All appeals to the PZAB in accordance with this article shall be accompanied by a fee of $315.00 except for appeals initiated by abutting property owners as defined in the Miami 21 Code for which a street cafe is sought. Appeals by a member who owns property within 500 feet of the subject property shall pay a reduced appeal fee of $157.50.

(d) *Appeals to the city commission.* Any aggrieved party having standing under state law, may appeal to the city commission any decision of the PZAB on matters relating to applications for street cafe permits by filing a written notice of appeal with the office of hearing boards within 15 calendar days after the date of the PZAB decision. The notice of appeal shall include the decision appealed from and the reasons or grounds for the appeal. The city commission shall conduct a hearing de novo as a body of original jurisdiction upon any appeal and/or review from an appealable decision under the terms of this article. A person whose interests in the proceeding are adversely affected in a manner greater than those of the general public may request intervenor status as defined in this chapter. New evidence or materials may be received by the city commission where such evidence or materials are pertinent to a determination of the appeal. The city commission may hear the testimony of witnesses and/or any other evidence offered by any person aggrieved or by any officer, board, or agency of the city affected thereby or by any interested party having an interest in the appeal under state law and may, in conformity with this article and other applicable laws, rules, and regulations, render its decision. The city commission shall hear and consider all facts material to the appeal and may affirm, modify, or reverse, in whole or in part, with or without conditions, PZAB's decision.

All appeals to the city commission in accordance with this section shall be accompanied by a fee of $525.00 plus $4.50 per mailed notice to the adjacent owners within a 500-foot radius. A certified list of said adjacent owners shall be

provided with all appeals. However, no fees shall be assessed for appeals initiated by abutting property owners defined by the Miami 21 Code for which a street cafe permit is sought. Appeals by an individual or entity that owns property within 500 feet of the subject property shall pay a reduced appeal fee of $262.50.

The decision of the city commission shall constitute final administrative review and no petition for rehearing or reconsideration shall be considered by the city. Appeals from decisions of the city commission may be made to a court of law as provided by the Florida Rules of Appellate Procedure.

(e) *Notice.* All public hearings on appeals shall include notice of the time and place of the public hearing mailed at least ten calendar days in advance of the hearing to the owner of the subject property and the owners of the adjacent properties. At least ten calendar days in advance of the hearing, a sign, in compliance with the provisions of section 62-19 of the City Code, shall also be posted on the subject property.

(f) *No street cafe permitted during an appeal.* Upon timely submission of an appeal made pursuant to the requirements of this section, no street cafe that is subject of an appeal is permitted until final disposition of the appeal. A violation of this subsection will automatically result in an additional $500.00 fine payable to the city's parking trust fund applicable to the property or, if not located within a designated parking trust fund district, payable to the city's transportation trust fund established in chapter 35 of the City Code, for each separate violation of this section. (Ord. No. 14035, § 2, 11-18-21)

Sec. 54-233. Enforcement.

Enforcement shall be as prescribed by chapter 2, article X, Code enforcement, and any other remedies as provided by law.
(Ord. No. 13123, § 2, 1-14-10; Ord. No. 14035, § 2, 11-18-21)

Editor's note—Ord. No. 14035, § 2, adopted November 18, 2021, renumbered the former section 54-232 as section 54-233. The historical notation has been preserved for reference purposes.

Secs. 54-234—54-260. Reserved.

ARTICLE VII. NEWSRACKS ON PUBLIC RIGHTS-OF-WAY*

Sec. 54-261. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Adoption date means the date the ordinance from which this article derives is adopted on second and final reading by the city commission.

Department means the department of resilience and public works.

Director means the director of the department of resilience and public works or designee.

Distributor means the person, individual, partnership, corporation, association, firm, company, organization or any other legal entity owning or responsible for placing and/or maintaining a newsrack in a public right-of-way.

Modular newsrack means a newsrack, as defined herein below, that is designed with multiple separate enclosed compartments and/or to accommodate at any one time the display, sale and distribution of multiple distinct and separate newspapers or other publications and is subject to all of the provisions of this article as a newsrack.

Newsracks means any self service, electronic, coin operated, or lockable box, container, storage unit or other dispenser installed, used, or maintained for the display, distribution, storage, or sale of written or electronic newspapers, periodicals, or other written or electronic publications which satisfies the requirements set forth in section 54-268 hereinbelow. Electronic newsracks may incorporate additional features such as air quality sensors and security features such as panic functionality or a police panic button to protect the public welfare.

*__Editor's note—__Ord. No. 12053, § 2, adopted April 26, 2001, repealed the former art. VII and enacted new provisions as herein set out. Formerly, art. VII pertained to similar subject matter and derived from Code 1980, §§ 54-131—54-139; Ord. No. 10044, §§ 1—9, adopted Sept. 26, 1985.

Public right-of-way means any dedicated or undedicated public street, highway, sidewalk, parkway or alley.
(Ord. No. 12053, § 2, 4-26-01; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14042, § 2, 1-13-22)

Sec. 54-262. Purpose and criteria.

(a) The purpose of the following is to promote the public health, safety and welfare through the regulation of placement, type, appearance, servicing, and insuring of newsracks on public rights-of-way so as to:

(1) Provide for pedestrian and driving safety and convenience.

(2) Restrict unreasonable interference with the flow of pedestrian or vehicular traffic including ingress into or egress from any residence or place of business, or from the street to the sidewalk by persons exiting or entering parked or standing vehicles.

(3) Provide for public and property safety during hurricane conditions.

(4) Provide reasonable access for the use and maintenance of poles, posts, traffic signs or signals, hydrants, mailboxes and access to locations used for public transportation purposes.

(5) Eliminate, relocate and/or replace newsracks which result in a visual blight. To avoid excessive space allocation for newsracks on the public rights-of-way and eliminate newsracks which unreasonably detract from the aesthetics of adjacent store window displays, landscaping and other improvements.

(6) Facilitate the removal of abandoned newsracks.

(7) Maintain and protect the values of surrounding properties.

(8) Eliminate and avoid unnecessary exposure of the public to personal injury or property damage.

(9) Treat all newspapers equally regardless of their size, content, circulation, or frequency of publication.

(10) Maintain and preserve freedom of the press.

(11) Cooperate to the maximum with distributors.

(12) Protect the city from related lawsuits by imposing insurance and indemnification requirements on persons placing newsracks on public rights-of-way.

(b) The director may initiate a modular newsrack pilot program, including appropriate standards, on a case by case basis provided the program is consistent with all of the provisions of this article for newsracks, unless otherwise noted, and other pertinent city rules, regulations and policies.
(Ord. No. 12053, § 2, 4-26-01)

Sec. 54-263. Permit required; expiration of existing permits and procedures to preserve locations.

(a) No distributor shall place, install, or maintain a newsrack on the public right-of-way without first obtaining a permit, to be renewed annually, for each newsrack in accordance with the provisions of this article.

(b) The permit year shall run from October 1 to September 30 of each year. All permit applications received by the director shall be awarded on a first come, first serve basis in accordance with the provisions of this article, except for those newsracks currently permitted or for which a completed application, as determined by the director, is pending on the adoption date and their existing locations which are preserved, retained and permitted in accordance with subsection 54-263(e).

(c) Failure to timely secure a permit in advance of placing a newsrack on the public right-of-way in accordance with the provisions of this article may result in the removal of the non-permitted newsrack(s) by the city as set forth in subsection 54-270(a). Alternatively, the city may pursue appropriate remedy by the code enforcement division under section 2-811 et seq. of this Code.

(d) Failure to timely secure and pay permit fees shall result in the imposition of a fine of double the permit fee per newsrack which if not paid within 30 calendar days of the original due date shall result in the newsrack(s) being deemed abandoned and subject to removal as set forth in section 54-270(a). Alternatively, the city may pursue appropriate remedy by the code enforcement division under section 2-811 et seq. of this Code.

(e) To ensure fair and impartial treatment of all distributors, all permits for currently permitted newsracks shall expire as of the adoption date. To preserve newsracks currently permitted, or for which a completed application (for existing locations only) is pending on the adoption date, as determined by the director, the distributor shall strictly comply with the following requirements within the established time frames:

(1) Each distributor shall submit in writing to the director, within 15 days of the adoption date, a letter setting forth the express intent to preserve, retain and permit in accordance with the provisions of this article, all newsracks currently permitted or for which a completed application (for existing locations only) is pending on the adoption date, as determined by the director. The letter shall also set forth specific newsracks and their existing locations, which the distributor does not intend to preserve, retain and permit.

(2) Each distributor shall submit to the director, within 30 days of the adoption date, applicable fees for each newsrack and locations specified in the above-mentioned letter, all in accordance with the provisions of this article.

(Ord. No. 12053, § 2, 4-26-01; Ord. No. 13467, § 2, 6-12-14)

Sec. 54-264. Application and issuance of permits.

(a) *Issuing and approving authority.* The issuing and approving authority and coordinator shall be the resilience and public works director. The director is responsible for objectively coordinating and administering the physical placement of newsracks of the type and in the locations and pursuant to the conditions herein specified, and upon compliance herewith is responsible for the issuance of permits.

(b) *Applications.* The applicant shall file with the director a written application for location and installation permit. The application shall contain the following information:

(1) The name, address and telephone number of the distributor who is the owner or principal in responsible charge of the newsrack.

(2) The name, address and telephone number of a responsible person whom the city may notify or contact at any time concerning the applicant's newsracks.

(3) The number of newsracks and the proposed location of each shown on a detailed, dimensional drawing, including measurements, and survey if requested must all be attached to the application by the applicant.

(4) Names of newspapers or periodicals to be contained in each newsrack.

(5) Type or brand of newsracks, including an illustration and description of the newsrack and mount.

(6) A global positioning system (GPS) coordinate, within ten feet accuracy, of each newsrack.

(c) *Procedure.*

(1) The department of resilience and public works and the department of neighborhood enhancement team shall review the application including the applicant's dimensional drawing, detailing the existing physical features surrounding the proposed newsrack location, to determine whether the proposed newsracks are in compliance with the provisions of this article.

(2) The director shall notify the applicant of the number of newsracks and locations of newsracks that have been approved.

Based on the approved newsrack locations, the applicant shall submit to the department an insurance certificate and bond and also the appropriate fee in accordance with sections 54-265 and 54-266 of this Code.

(3) The department shall mark approved placement locations with a template so that distributor's installation crews can easily identify location for newsracks.

(d) *Issuance of permit.* Upon a finding by the director that the applicant is in compliance with the provisions of this article, the director shall issue a permit for the installation of the newsrack by the distributor. Such issuance shall be made within 60 working days of the city's receipt of a completed application as determined by the department.

(1) The original/first permit sticker issued after adoption of this article shall be applied by the department and shall be externally visible when affixed to the upper right corner of the door of the newsrack. Thereafter, the annually issued permit sticker shall be applied by the distributor at the same location where the sticker was previously applied by the department.

(2) Upon payment of applicable fees the director shall issue new permit stickers each year within 30 days after receipt of payment, provided the distributor is otherwise in compliance with the provisions of this article. Failure to timely secure and properly display the issued permit sticker shall result in the imposition of a fine of double the permit fee per newsrack which if not paid within 30 calendar days of issue date shall result in the newsrack being deemed abandoned and subject to removal as set forth in subsection 54-270(a). Alternatively, the city may pursue appropriate remedy by the code enforcement division under section 2-811 et seq. of this Code.

(e) *Denial of permit.* If a permit for the newsrack location applied for is denied, the distributor shall be notified within 60 working days of the city's receipt of a completed application. The applicant shall be advised in writing of the specific cause for the denial. The applicant may apply for an equal number of alternative locations within 30 days of a denial at no additional permit fee.

(f) *Appeals.* Any distributor who has been denied a permit pursuant to the provisions of this article may appeal to the city commission by filing a written request with the city manager, copies to the director and the city attorney requesting an appearance before the city commission to review such denial. An appeal must be submitted in writing to the city manager within ten calendar days from the date of the denial by the director, and shall be scheduled for review by the city commission at the next available regularly scheduled city commission meeting. New information and material may be received and considered by the city commission where such information and material are pertinent to the determination of the appeal, and the city commission shall have the authority to override the decision of the director if the city commission finds that the requested installation of the subject newsrack will not result in danger to the public. If the city commission so determines, it shall direct that the application be granted and the permit issued. An appeal of the decision of the city commission is subject to judicial review as provided by the laws of the State of Florida.

(g) *Additional permits.* If at any time after initial application for a permit a distributor wishes to install additional Newsracks, then subsections (b) and (c) above are to be repeated in accordance with the provisions of this article. Under section 54-265, any additional required returnable bond deposit will be credited to any amount still on account. Additional permit fees shall be in accordance with section 54-266.
(Ord. No. 12053, § 2, 4-26-01; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-265. Insurance and bond requirements.

(a) *Insurance requirement.* Prior to the issuance of a permit by the director, the distributor shall furnish to the city the following:

(1) A certificate of insurance with respect to commercial general liability in an amount not less than $1,000,000.00 per occurrence, $2,000,000.00 policy aggregate, and any endorsements thereto, including, but not limited to, premises and operations liability, personal and advertising injury, products, and completed operations. For electronic newsracks, such insurance shall afford protection in an amount not less than $3,000,000.00 per occurrence. The certificates must reflect primary and non-contributory language and list the city as an additional insured. The certificate must also include coverage for all owned, hired, and non-owned vehicles, if applicable, with a combined single limit of $500,000.00 per accident also listing the city as an additional insured. The insurance herein required shall remain in full force and effect during the entire term of the permit. Additionally, all such insurance shall be subject to review and approval by the city's risk management department.

All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida with the following qualifications:

The company must be rated no less than "A-" as to management and no less than Class "V" as to financial strength by the latest edition of Best's Insurance Guide published by A.M. Best Company, Oldwick New Jersey, or its equivalent subject to the approval of the city's risk management department. Companies not meeting the above rating requirements shall submit proof of reinsurance from qualifying insurers having or exceeding the required rating criteria.

The registrant/applicant shall provide 30 days prior written notice of cancellation to the city for any reason other than non-payment of premium in which ten days' notice shall apply.

(2) Insurance under this section shall run continuously with the presence of the applicant's newsrack on city public rights-of-way, and any termination or lapse of such insurance shall be a violation of this article. Failure to timely continuously maintain the required insurance shall result in the imposition of a fine of double the permit fee per newsrack which if not paid within 30 calendar days of written notice from the city shall result in the newsrack being deemed abandoned and subject to removal as set forth in this article. Alternatively, the city may pursue appropriate remedy by the code enforcement division under section 2-811 et seq. of this Code. Applicant agrees to indemnify, defend, and hold harmless the city, its officials, employees, agents, and, if applicable, its instrumentalities and each of them from and against all loss, cost, penalties, fines, damages, claims of any nature (including but not limited to, libel, slander, invasion of privacy, and unauthorized use of any trademark, trade name, or service mark), including expenses and attorneys' fees, and any and all liabilities by reason of injury to or death of any person, damage to, destruction, or loss to any property including the city, its instrumentalities, officials, employees, and agents arising out of or in connection with the performance or non-performance of the services contemplated by this permit/agreement which is directly or indirectly caused, in whole or in part, by any act, omission, default, liability, or negligence, whether active or passive of the applicant, its employees, agents, servants, or contractors, unless such act or omission is solely caused by the city, its instrumentalities, officials, employees, and agents. The applicant further agrees to indemnify, defend, and hold harmless the city, its instrumentalities, officials, employees, and agents against all liabilities which may be asserted by an

employee or former employee of the applicant or any of its contractors as provided above for which the applicant's liability to such employee or former employee would otherwise be limited to payments under workers' compensation or similar laws. In addition, the applicant understands and agrees that except where caused by the negligence or misconduct of the city, its instrumentalities, officials, employees, or agents, the city shall not be liable for any loss, injury, or damage to any personal property or equipment of the applicant, its employees, agents, contractors, business licensees, or invitees placed on city property and its instrumentalities and shall be at the sole risk of the applicant thereof. The applicant shall ensure that adequate safety precautions are in effect at all times during the term of the permit. It shall be a further condition precedent to the issuance of any such permit for placement of such newsrack in the public right-of-way that the permit holder(s) is/are jointly and severally responsible, at each permit holder's sole expense, for any damages regarding restoring the public right-of-way to its original condition before installation of facilities. The indemnification shall survive termination of this permit/agreement.

(b) *Bond requirement.* No permit shall be issued to any distributor to perform work on, or cut into, the public right-of-way until a bond has been posted in sufficient amount to guarantee compliance with the terms of the permit and to be in force for at least six months after the approved completion of the work. Said bond amount shall be determined as follows:

Total Newsracks Proposed	*Total Returnable Bond*
1 to 25	$1,000.00
26 to 100	$2,500.00
101 and up	$5,000.00

(Ord. No. 12053, § 2, 4-26-01; Ord. No. 13918, § 2, 9-24-20; Ord. No. 14042, § 2, 1-13-22)

Sec. 54-266. Fees.

(a) An initial inspection of location fee of $11.50 per newsrack shall accompany the newsrack permit application. The annual permit fee is $11.50 per newsrack due October 1st and will expire the 30th day of September each year. Fees for the initial year shall be prorated on a monthly basis, and shall be calculated using the following formula:

(1) Initial fee = $0.96 per newsrack multiplied by the number of months remaining in the year.

(2) Failed permit inspections are subject to a re-inspection fee of $5.75.

All of the above fees will be used to defray administrative expenses relating to this article only.

(b) To renew a permit, the distributor shall submit payment for the upcoming full year in advance to the department prior to each October 1st.

(c) Non-conforming newsrack(s) may be subject to removal and if removed shall be subject to removal and storage costs and fees pursuant to subsection 54-270(b).

(d) If the newsrack contains advertising similar to the communication kiosk program, pursuant to the method described in this chapter, the minimum fees to the city will be 40 percent annual gross revenue. After the 50th newsrack provided by the provider, the minimum payment to the city shall be $100,000.00 per year or 40 percent of the gross revenue, whichever is greater. (Ord. No. 12053, § 2, 4-26-01; Ord. No. 13195, § 5, 9-27-10; Ord. No. 13467, § 2, 6-12-14; Ord. No. 14042, § 2, 1-13-22)

Sec. 54-267. Newsrack placement: permitted and specific prohibitions.

(a) Newsracks placement is generally permitted at the following locations only or at other locations approved by the director:

(1) *On sidewalks.* Newsracks shall be situated parallel to the edge of the sidewalk.

A minimum sidewalk space of three feet shall remain clear in front of the newsracks.

(2) *In a grass, dirt, gravel or like area.* Newsracks placed in a grass, dirt, gravel, or like area must be secured to concrete foundations, as required in this article. Notwithstanding the foregoing, newsracks may not be chained or otherwise tied to any poles, tree etc., under any circumstances.

(b) No newsrack shall be placed, installed, used or maintained at the following locations and/or shall be subject to the following restrictions:

(1) Within 60 inches of any roadway unless such placement interferes with safe and convenient use of the public right-of-way in which case the newsrack(s) shall be located to the front of the sidewalk if a swale exists or to the back of the sidewalk if there is no swale.

(2) Within five feet of any marked crosswalk.

(3) Within ten feet of any unmarked crosswalk.

(4) Within ten feet of any fire hydrant, fire call box, police call box or other emergency facility.

(5) Within five feet ahead of, and 15 feet to the rear of, any sign marking a designated bus stop, measured along the edge of pavement.

(6) Within two feet of any bus bench, or plaza bench.

(7) Within ten feet of any advertisement panel located on a transit shelter.

(8) At any location whereby the clear space for passageway of pedestrian is reduced to less than three feet.

(9) Where a protruding portion of the newsrack(s) is on or within 12 inches of any area improved with landscaping, lawn or hedges, or within a three-foot radius of flowers or trees.

(10) Within six inches of any building wall located on the property line.

(11) Within three feet of any display window of any building abutting the sidewalk or parkway or in such a manner as to impede or interfere with the reasonable use of such window display purpose, or within five feet of a building entrance.

(12) Within a three foot radius of mailboxes, signs, parking meters, streetlights or utility poles.

(13) Within visibility triangles at street intersections. Visibility triangles shall be maintained to include an area bounded by the first 25 feet along the intersecting edges of the right-of-way, projected where rounded, and a line running across the lot in connecting the ends of such 25 foot lines.

(14) Within visibility triangles at the intersection of driveways with streets. Visibility triangles shall be maintained to include an area bounded by the first ten feet along the intersecting area of the base building line and the driveway, projected where rounded, and a line running across any intervening right-of-way and the lot and connecting the end of such ten foot lines.

(15) No more than ten newsracks shall be placed at any intersection, with no more than five newsracks at any one corner.

(16) No more than five newsracks shall be placed side by side at any one location and there shall be a minimum 300-foot distance between newsracks or group of newsracks along the same sidewalk.

(17) Electronic newsracks may be installed at a maximum of one per square as defined in chapter 54, article IV of the City Code.

(Ord. No. 12053, § 2, 4-26-01; Ord. No. 14042, § 2, 1-13-22)

Sec. 54-268. Newsrack features and maintenance.

(a) The newsrack shall be constructed of galvanized steel with corrosive resistant hardware and door assembly. Manufacturer modifications

to the door, window and cabinetry for the above-described newsracks to accommodate vertically formatted, "tabloid-type" newspaper display and distribution are acceptable. The shape of all newsracks shall be hexahedron/rectangular (no pedestal newsracks) with a height of 36 inches, excluding coin box, width of not more than 20 inches and a depth of not more than 17 inches. Notwithstanding, electronic newsracks or advertising thereon pursuant to section 54-9 shall not exceed a height of 36 inches or a total advertising space of 44 square feet.

(b) The color of the entire newsrack including coin box and mounting hardware shall be painted a dark green or dark grey with a powder finish consistent with the paint sample provided by the director.

(c) Newsracks shall carry no card holders or advertising, but a cling-on sticker or equivalent may be placed within a four-inch square area of the inside lower left hand corner of the clear plastic viewing panel of the access door for the purpose of promoting particular features or offerings inside the current publication. Said sticker shall be applied only during the period of time that is relevant to the current publication distribution and it shall be the responsibility of the distributor to remove said sticker when no longer applicable. Furthermore, newsracks may display the name, with lettering of any colors, of the newspaper being dispensed, in spaces in the locations and sizes set forth below:

(1) On the front of the newsrack, the lettering size shall not exceed one and three-quarters inches in height. The lettering shall be placed within a clear or colored-band space not exceeding two and one-half inches in height above the door hinge.

(2) On the sides of the newsrack, the lettering size shall not exceed two and one-half inches in height. The lettering shall be placed within a clear or colored-band space not exceeding four inches in height and beginning one inch from the top of the newsrack.

(3) On the back of the newsrack, the lettering and/or copy of the front page of the publication shall not exceed 16 inches in height. The lettering and/or copy of the front page of the publication shall be placed with a clear or colored-band space beginning one inch from the top of the newsrack.

(d) Newsracks for free newspapers may omit the coin box and may have the pull bar welded to the door.

(e) Newsracks shall be maintained in good working order at all times including but not limited to the following: not faded or dull paint, no broken hoods, no graffiti, stickers, tape, advertising, posters or other unrelated materials unless same is specifically permitted in this article.

(f) Notwithstanding the limitations on advertising set forth in this section, modular newsracks may include advertising provided such newsracks are part of a pilot program, that the advertising consists only of a single advertising panel located on the back of the modular newsrack and that the single advertising panel does not exceed 18 square feet in area.

(g) Notwithstanding the limitations on advertising set forth in this section, advertisements or displays are allowed on newsracks when the newsracks are procured in a non-exclusive manner in accordance with chapter 18, article III of the City Code pursuant to section 54-9 of the City Code. Such newsracks may include two advertising panels provided that such advertising does not exceed 22 square feet in area per panel for a total of 44 square feet.
(Ord. No. 12053, § 2, 4-26-01; Ord. No. 14042, § 2, 1-13-22)

Sec. 54-269. Newsrack mounting standards.

(a) The following standards shall be applicable to the mounting of newsracks on concrete surfaces:

(1) Two "L" shaped steel brackets, seven sixty fourth inch thick, and one and a quarter inch high and wide, with a depth equal to the depth of the newsrack. One hole shall be at each corner of the steel bracket for anchor or bolt.

(2) Each steel bracket shall be attached to the sides of the newsrack with a minimum of two metal non-corrosive anchors.

(3) Four, three-eight inch diameter drop-in anchors, one and five-eight inch minimum embedment with tops flushed with the concrete surface.

(4) Four, three-eight inch diameter galvanized anchor bolts, one-inch minimum length. Bolts shall be used to firmly secure steel brackets to drop-in anchors.

(5) Steel brackets and bolt heads shall be painted to match newsrack color and finish.

(6) Installed newsracks shall be plumb.

(7) Subsections (1) through (4) of this section are not applicable to electronic newsracks.

(8) For electronic newsracks, plans must be submitted to the department for all installation work, including any and all work necessary to bring electrical service or fiber optic cables to the location. Such plans will be subject to approval by the city and all other required approvals. The installation work shall be in compliance with all applicable laws, regulations, and rules and subject to all required approvals.

(b) The following standards shall be applicable to the mounting of newsracks at grass, dirt, gravel, or like areas:

(1) Foundation. Concrete, minimum four-inches deep, 2500 psi (28-day strength), Class I cement, reinforced with welded wire mesh.

(2) Minimum distance from vertical side of the newsrack to the nearest concrete edge shall be three inches.

(3) One-half inch chamfer all concrete edges.

(4) Anchorage to concrete foundation as per subsection 54-269(a) required.

(5) Concrete base installed by distributor shall become the property of the City and remain in place notwithstanding the removal of the Newsrack(s) in accordance with the provisions of this article.

(c) The following standards shall be applicable to the mounting of newsracks at tiled or bricked areas:

(1) Tiles or bricks shall be removed at proposed location. Excavate or add soil if necessary.

(2) Concrete foundation in accordance with subsection 54-269(b) and anchorage in accordance with subsection 54-269(a) required. Top of concrete foundation shall be flushed with tiled or bricked surface.

(3) Gaps between concrete foundation and surrounding tiles or bricks shall be filled with concrete. Elevations of poured concrete shall match surrounding elevations. The director shall approve color of poured concrete.

(Ord. No. 12053, § 2, 4-26-01; Ord. No. 14042, § 2, 1-13-22)

Sec. 54-270. Enforcement procedures non-conforming newsracks; removal/storage.

(a) In the event newsrack(s) are found to violate section 54-263 (installed without a permit) the city may remove the newsracks immediately upon discovery of the violation and the distributor assessed for the cost of removal and storage as set forth below. In all other instances where newsracks are found to violate a provision of this article, they may be removed only after a notice of the violation is sent to the distributor by certified mail, return receipt requested, and the distributor fails within ten calendar days of receipt of the notice to correct or cure the violation, unless the city manager issues a written order stating that the newsrack(s) constitute a serious and imminent hazard to the public safety, in which case the newsrack(s) may be removed immediately. In the later event, a copy of the city manager's order, specifying the reason or reasons for the immediate removal of the newsrack(s) shall be sent by certified mail, return receipt requested, to the distributor.

(b) Any newsrack removed from the public right-of-way shall be stored at the cost of the distributor. The city shall be reimbursed by the distributor for all costs incurred in the removal and storage of all newsrack(s) removed from the public right-of-way by the city. A storage and removal fee is hereby established at $90.00 per newsrack, $200.00 per modular newsrack or $1,000.00 if the newsrack is electronic, whichever is applicable. The city is hereby authorized to sell said newsrack(s) at public sale if said newsrack(s) is not picked up by the distributor within a period of 90 calendar days from the date of removal. Ten days prior to sale, the city shall advertise notice of sale in a daily newspaper of general circulation in the city. Out of the proceeds of the sale of any newsrack, all unpaid removal and storage costs shall be paid after the payment of the advertisement cost and the remaining balance of the sale proceeds shall be retained by the city in a fund in the possession of the city for a period of one year unless claimed earlier by the distributor. After the expiration of one year, any sums remaining from the sale of newsracks in accordance with the provisions of this section, if unclaimed by the distributor of said newsrack, shall become the property of the city and be transferred to the department revenue account.
(Ord. No. 12053, § 2, 4-26-01; Ord. No. 12286, § 1, 10-10-02; Ord. No. 13467, § 2, 6-12-14; Ord. No. 14042, § 2, 1-13-22)

Sec. 54-271. Same—Abandoned newsracks.

(a) If any newsrack installed pursuant to this article does not contain the publication specified within a period of 48 hours after release of the current issue, or when no publication is in the newsrack for a period of more than seven consecutive calendar days the city may deem the newsrack abandoned and subject to removal as set forth in subsection 54-270(a). Alternatively the city may take appropriate action under section 2-811 et seq. of this Code.

(b) In the event a distributor desires to voluntarily abandon a newsrack, the distributor shall notify the director in writing, completely remove the newsrack and mount, and restore the public right-of-way to a safe condition, leaving no holes or projections in the mounting surface.
(Ord. No. 12053, § 2, 4-26-01; Ord. No. 13467, § 2, 6-12-14)

Secs. 54-272—54-295. Reserved.

ARTICLE VIII. USE OF PUBLIC RIGHTS-OF-WAY BY COMMUNICATION SYSTEMS*

Sec. 54-296. Statement of purpose and conflicts.

The city commission hereby finds and declares that it is necessary and reasonable for this article to:

(1) Establish a reasonable, nondiscriminatory, and competitively neutral policy for the use of public rights-of-way for the provision of communications services; and

(2) Manage the public rights-of-way to protect the public health, safety and welfare and minimize disruption of services in the public rights-of-way by establishing reasonable, nondiscriminatory, and competitively neutral regulations governing the placement or maintenance of communications facilities in the public rights-of-way by providers of communications services, which rules are generally applicable to all persons using the public rights-of-way for the provision of communications services.

In the event that there is a direct conflict between the provisions of this article with any other provisions of this chapter, the provisions in this article shall govern.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-297. Definitions.

For the purposes of this article and any permits issued in accordance herewith, the following

*__Editor's note—__Ord. No. 14150, § 2, adopted February 23, 2023, amended article VIII in its entirety to read as herein set out. Formerly, article VIII, sections 54-296—54-316 pertained to similar subject matter, and derived from Ord. No. 10438, § 1, adopted May 19, 1988; Ord. No. 11131, § 2, adopted March 24, 1994; the Code of 1980, §§ 54-140—54-143; Ord. No. 11690, § 1, adopted July 21, 1998; Ord. No. 12928, § 5, adopted June 28, 2007; Ord. No. 13467, § 2, adopted June 12, 2014; Ord. No. 13676, § 2, adopted April 27, 2017; Ord. No. 13792, § 1, adopted October 11, 2018; Ord. No. 13916, § 2, adopted September 24, 2020, and Ord. No. 13918, § 2, adopted September 24, 2020.

__Cross reference—__Cable television, ch. 11.

terms, phrases, words and their derivations shall have the meaning given herein unless otherwise specifically provided in this article, unless the context clearly indicates otherwise or unless such meaning would be inconsistent with the manifest intent of the city commission and/or with F.S. § 337.401, as amended:

Abandonment or *abandon* means the permanent cessation of all uses of a communications facility; provided that this term shall not include cessation of all use of a facility within a physical structure where the physical structure continues to be used. The terms abandonment or abandon are not intended to include a dropped line from a potential or existing customer in the event the communications service provider reasonably anticipates future use of the dropped line.

Antenna means communications equipment that transmits or receives electromagnetic radio frequency signals used in providing wireless services.

Applicable codes means uniform building, fire, electrical, plumbing, or mechanical codes adopted by a recognized national code organization and local amendments to those codes enacted solely to address threats of destruction of property or injury to persons, and includes the National Electric Safety Code and the 2017 edition of the Florida Department of Transportation Utility Accommodation Manual.

Applicant means a person who submits an application pursuant to this article.

Application means a request submitted by an applicant to the city for a permit to place communications facilities in the public rights-of-way, including but not limited to the collocation of small wireless facilities and the placement of new utility poles used to support small wireless facilities.

Collocate or *collocation* means to install, mount, maintain, modify, operate, or replace one or more wireless facilities on, under, within, or adjacent to a wireless support structure or utility pole. The term does not include the installation of a new utility pole or wireless support structure in the public rights-of-way.

Communications facility or *facility* or *system* shall mean any permanent or temporary plant, equipment or property, including but not limited to cables, wires, conduits, ducts, fiber optics, poles, antennae, converters, splice boxes, cabinets, handholes, manholes, vaults, drains, surface location markers, appurtenances, and other equipment or pathway placed or maintained or to be placed or maintained in the public rights-of-way of the city and used or capable of being used to transmit, convey, route, receive, distribute, provide, or offer communications services.

Communications services shall mean the transmission, conveyance, or routing of voice, data, audio, video, or any other information or signals to a point, or between or among points, by or through any electronic, radio, satellite, cable, optical, microwave, or other medium or method now in existence or hereafter devised, regardless of protocol used for such transmission or conveyance.

Communications service provider shall mean any person including a municipality or county providing communications services through the placement or maintenance of a communications facility in public rights-of-way. "Communication services provider" shall also include any person that places or maintains a communications facility in public rights-of-way but does not provide communications services.

Director shall mean the director of resilience and public works department or his or her designee.

FCC means the Federal Communications Commission or its legally appointed successor.

In public rights-of-way or *in the public rights-of-way* shall mean in, on, over, under or across the public rights-of-way.

Micro wireless facility means a small wireless facility having dimensions no larger than 24 inches in length, 15 inches in width, and 12 inches in height and an exterior antenna, if any, no longer than 11 inches.

Pass-through provider means the definition ascribed in F.S. § 337.401(6)(a)1.

Permit shall mean a construction permit issued by the resilience and public works department.

Person shall mean any individual, child, firm, association, joint venture, partnership, estate, trust, business trust, syndicate, fiduciary, corporation, organization or legal entity of any kind, successor, assignee, transferee, personal representative, and all other groups or combinations.

Place or *maintain* or *placement* or *maintenance* or *placing* or *maintaining* shall mean to erect, construct, install, maintain, place, repair, extend, expand, remove, occupy, locate or relocate. A communications services provider that owns or exercises physical control over communications facilities in public right-of-way, such as the physical control to maintain and repair, is "placing or maintaining" the facilities.

Public rights-of-way shall mean a public right-of-way, public utility easement, highway, street, bridge, tunnel or alley for which the city is the authority that has jurisdiction and control and may lawfully grant access to and issue permits pursuant to applicable law, and includes the surface, the air space over the surface and the area below the surface. "Public rights-of-way" shall not include private property. "Public rights-of-way" shall not include any real or personal city property except as described above and shall not include city buildings, fixtures, poles, conduits, facilities, or other structure or improvements, regardless of whether they are situated in the public right-of-way.

Registrant shall mean a communications services provider that has registered with the director in accordance with the provisions of this article.

Registration or *register* shall mean the process described in this chapter whereby a communications services provider provides the required information to the director.

Small wireless facility means a wireless facility that meets the following qualifications:

(1) Each antenna associated with the facility is located inside an enclosure of no more than six cubic feet in volume or, in the case of antennas that have exposed elements, each antenna and all of its exposed elements could fit within an enclosure of no more than six cubic feet in volume; and

(2) All other wireless equipment associated with the facility is cumulatively no more than 28 cubic feet in volume. The following types of associated ancillary equipment are not included in the calculation of equipment volume: electric meters, concealment elements, telecommunications demarcation boxes, ground-based enclosures, grounding equipment, power transfer switches, cutoff switches, vertical cable runs for the connection of power and other services, and Utility Poles or other support structures.

Utility pole means a pole or similar structure that is used in whole or in part to provide communication services or for electric distribution, lighting, traffic control, signage, or a similar function. The term includes the vertical support structure for traffic lights but does not include a horizontal structure to which signal lights or other traffic control devices are attached and does not include a pole or similar structure 15 feet in height or less unless the city grants a waiver for such pole.

Wireless facility means equipment at a fixed location which enables wireless communications between user equipment and a communications network including radio transceivers, antennas, wires, coaxial or fiber-optic cable or other cables, regular and backup power supplies, and comparable equipment, regardless of technological configuration, and equipment associated with wireless communications. The term includes small wireless facilities. The term does not include (a) the structure or improvements on, under, within, or adjacent to the structure on which the equipment is collocated; or (b) wireline backhaul facilities; or (c) coaxial or fiber-optic cable that is between wireless structures or utility poles or that is otherwise not immediately adjacent to or directly associated with a particular antenna.

Wireless infrastructure provider means a person who has been certificated under F.S. ch. 364, to provide telecommunications service or under

F.S. ch. 610, to provide cable or video services in this state, or that person's affiliate, and who builds or installs wireless communication transmission equipment, wireless facilities, or wireless support structures but is not a wireless services provider.

Wireless provider means a wireless infrastructure provider or a wireless services provider.

Wireless services means any services provided using licensed or unlicensed spectrum, whether at a fixed location or mobile, using wireless facilities.

Wireless services provider means a person who provides wireless services.

Wireless support structure means a freestanding structure, such as a monopole, a guyed or self-supporting tower, or another existing or proposed structure designed to support or capable of supporting wireless facilities. The term does not include a utility pole, pedestal, or other support structure for ground-based equipment not mounted on a utility pole and less than five feet in height.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-298. Service of notice.

All notices required to be given to the city under any provision of this article shall be deemed served when received through the U.S. mail or delivered by hand in writing to the city resilience and public works director or to any person in charge of the division during normal business hours. Any notice required to be given to a communications service provider under any provision of this article shall be deemed given, whether actually received or not, if sent by United States registered or certified mail, return receipt requested, postage prepaid, and addressed to the communications service provider at the address given in its most recently issued permit. When providing notice, the communications service provider and city will also provide such notice by electronic mail.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-299. No liability or warranty.

This article shall not be construed to create or hold the city responsible or liable for any damage to persons or property by reason of any inspection or reinspection authorized herein or failure to inspect or reinspect, nor shall the issuance of any permit nor the approval or disapproval of any installation authorized herein constitute any representation, guarantee or warranty of any kind by, nor create any liability upon the city or any official, agent or employee thereof.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-300. Registration required.

(a) A registration from the city is required to commence or engage in the construction, maintenance or occupation of the public right-of-way with a system designed to deliver communications services by utilizing the public rights-of-way. No public rights-of-way construction permits shall be issued to a communications service provider without a registration issued under this article.

(b) A registration shall not convey any title, equitable or legal, to the registrant in the public rights-of-way. Registration under this chapter governs only the placement or maintenance of communications facilities in public rights-of-way. Other ordinances, codes or regulations may apply to the placement or maintenance in the public rights-of-way of facilities that are not communications facilities. Registration does not excuse a communications services provider from obtaining appropriate access or utility pole attachment agreements before locating its facilities on the city's or another person's facilities. Registration does not excuse a communications services provider from complying with all applicable codes.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-301. Rights granted by registration.

(a) Subject to all existing permitting processes, the registrant is authorized to occupy, install, lay, erect, construct, remove, relocate and maintain in, on, over or upon any and all of the public right-of-way, as they now exist or may be hereafter constructed, opened, laid out or extended within

the present limits of the city or in such territory as may be hereafter added to, consolidated or annexed to the city, any and all such conduits, cables, fiber optic lines, utility poles, wires, supports and other structures and appurtenances as may be reasonably necessary for the construction, maintenance and operation of a communications system. Except as provided above, this registration does not convey the right to attach cable or conduit to utility poles or occupy or use real or personal property owned by the city.

(b) Any registration granted under this article shall be non-exclusive, and the issuance of a registration will not expressly or implicitly preclude the city from issuance of other registrations to communications services providers or affect the city's right to authorize use of public rights-of-way for other lawful purposes to other persons as it determines appropriate.

(c) This registration authorizes the registrant to use the public rights-of-way to provide communications services only. Use of the public rights-of-way for any other purpose requires separate authorization.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-302. Term and renewal.

A registrant shall renew its registration with the director by October 1 of every five years in accordance with the registration requirements in this chapter. Within 90 days of any change in the information required to be submitted pursuant to section 54-305, a registrant shall provide updated information to the director. If no information in the then-existing registration has changed, the renewal may state that no information has changed. Failure to renew a registration may result in the director restricting the issuance of additional permits until the communications services provider has complied with the registration requirements of this article.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-303. Communications services tax.

(a) Each registrant that provides communications services shall collect and remit to the Florida Department of Revenue the communications services tax pursuant to F.S. ch. 202.

(b) In the event that state law is amended to allow collection of license fees from communications services providers, or in the event that state law preempting the collection of such license fee is declared void by a court of competent jurisdiction, the provisions contained in this section shall automatically revert to those provisions contained in this section in effect on the date of adoption of this chapter to the extent those provisions are not inconsistent with state law.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-304. Registration application procedure; information required.

(a) To obtain a registration under this article, a person shall apply in writing to the director.

(b) Each request for an initial registration shall include the following:

(1) The name, street address and telephone number of the registrant or communications service provider.

(2) The name, street address and telephone number of the registrant's or communications service provider's primary contact person in connection with the registration, and the person to contact in case of an emergency.

(3) The number of the communications service provider's current certificate of authorization issued by the Florida Public Service Commission, the FCC, or the Department of State.

(4) Insurance and bonding documents as required by this article.

(5) A statement of whether the registrant is a pass-through provider.

(c) In the event any registration information provided in section 54-305 changes, registrant shall update applicable registration information with 90 days after such change(s) occur. Updates shall be sent to the director in writing or by electronic email.

(d) A registrant may cancel a registration upon written notice to the director stating that it will no longer place or maintain any communications facilities within the public rights-of-way and will no longer need to obtain permits to perform work in public rights-of-way. A registrant shall not cancel a registration if the registrant continues to place or maintain any communications facilities in any public rights-of-way.

(e) Registration does not in and of itself establish a right to place or maintain or priority for the placement or maintenance of a communications facility in public rights-of-way within the city but shall establish for the Registrant a right to apply for a permit. Registrations are expressly subject to any future amendment to or replacement of this article and further subject to any additional city ordinances, as well as any state or federal laws that may be enacted. In accordance with applicable codes, a permit may be required for a communications services provider that desires to place or maintain a communications facility in public rights-of-way. A registration shall be a condition of obtaining a permit. Notwithstanding a registration, permitting requirements shall apply. A permit may be obtained by or on behalf of a registrant having a registration if all permitting requirements are met.

(f) A communications services provider with an existing communications facility in the public rights-of-way of the city has 60 days from the effective date of this article to comply with the registration requirements of this article.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-305. Issuance and denial of registration.

The director has the authority to and shall grant a registration to a communications service provider who files a completed application and complies with the application requirements herein; provided, however, the director shall have the authority to deny a registration if the communications service provider fails to meet the registration requirements, the registrant is subject to pending code enforcement action or the proposed use of the public rights-of-way presents a danger to the general public and other users of the public rights-of-way. The director shall issue or deny the registration within 14 calendar days of communications service provider submitting a complete registration application.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-306. Notice of transfers, sales or assignments of assets in public rights-of-way.

If a registrant transfers, sells, or assigns its assets located in a public rights-of-way incident to a transfer, sale or assignment of the registrant's assets, the transferee, buyer or assignee shall be obligated to comply with the terms of this article. Written notice of any such transfer, sale or assignment shall be provided by such registrant to the director within 60 days after the effective date of the transfer, sale, or assignment. If the transferee, buyer or assignee is a current registrant, then the transferee, buyer or assignee is not required to re-register. If the transferee, buyer or assignee is not a current registrant, then the transferee, buyer or assignee shall register as provided in section 54-305 within 60 days of the transfer, sale or assignment. If permit applications are pending in the registrant's name, the transferee, buyer or assignee shall notify the resilience and public works department that the transferee, buyer or assignee is the new applicant.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-307. Termination of registration.

The city may declare a forfeiture and termination of, and revoke and cancel all rights granted under the registration if (a) a federal or state authority suspends, denies, or revokes a communications services provider's certification to provide communications services; (b) the registrant's use of the public rights-of-way presents a danger to the general public and other users of the public rights-of-way; (c) the registrant has abandoned its communications facilities in the public rights-of-way and has not complied with section 54-322; (d) the registrant is subject to code enforcement action; or (e) the registrant is in violation of any other ordinance, regulation, law, or statute. Prior to such termina-

tion by the city, the registrant shall be served by the city with a written notice setting forth all matters pertinent to the termination action, including which of (a) through (e) above is applicable as the reason therefore, and describing the action of the city with respect thereto. The registrant shall have 60 days after service of such notice within which to address or eliminate the reason, or within which to present a plan, satisfactory to the city, to accomplish the same. In the event of such termination, the registrant shall, within a reasonable time following demand by the city, remove or abandon the communications facilities and take such steps as are necessary to render every portion of the communications facilities remaining within the public rights-of-way of the city safe, and shall thereupon be deemed to have abandoned same in its entirety; and the same shall thereupon become the sole property of the city without payment to the registrant. If the city agrees to abandonment, the registrant shall incur, from that time forward, no future obligations with respect to the communications facilities.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-308. Failure to enforce registration.

The registrant shall not be excused from complying with any of the terms and conditions of this article by any failure of the city, upon any one or more occasions, to require the registrant's performance or compliance with any one or more of such terms or conditions.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-309. Bonds.

(a) Prior to issuing a permit under this article wherein the work under the permit may require restoration of the city's public rights-of-way, the city shall require from the applicant a construction bond by a surety duly authorized to do business in the State of Florida and having an A.M. Best A-VII rating or better in order to secure restoration to the preconstruction condition bond. The bond or letter of credit shall be in the amount of 115 percent of the estimated costs of restoration based upon the formula provided in subsection 54-42(c) and shall be time-limited to 18 months after the construction to which the bond or letter of credit applies is completed and the permit is closed. At the option of the applicant, the applicant may provide a single construction bond or irrevocable letter of credit covering multiple permits for work in the city's right(s)-of-way in lieu of any requirement that a separate construction bond or irrevocable letter of credit be provided for each individual permit every 18 months. In the event an applicant elects to provide a single construction bond or irrevocable letter of credit covering multiple permits, the amount shall be calculated using the formula herein for open permits at the time of providing the bond or irrevocable letter of credit and the bond or irrevocable letter of credit shall be renewed and the amount recalculated every 18 months. In any event, an applicant may reduce the bond or irrevocable letter of credit amount attributable to any particular permit 18 months after the construction related to such permit is completed and after the city has inspected and approved the construction and restoration and closed the permit.

(b) None of the provisions of this section nor any bond accepted by the city pursuant hereto, nor any damages recovered by the city hereunder, shall be construed to excuse the faithful performance by or limit the liability of the registrant under this article or any registration issued in accordance herewith or for damages either to the full amount of such bond or otherwise.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-310. Insurance and indemnity.

(a) *Insurance.*

(1) A communications service provider shall provide, pay for, and maintain with companies reasonably satisfactory to the city the types of insurance described in this section. All insurance shall be from responsible companies duly authorized to do business in the state and having a financial rating in Best's Insurance Guide of A-Class VI or better. All required liability policies, excluding workers compensation and employers liability shall list the city as an additional insured on all liability policies, including but not

limited to commercial general liability, auto, and umbrella and pollution as may be applicable to such communications service provider's operations in the public rights-of-way and shall include a severability of interest provision. The required coverages must be evidenced by properly executed certificates of insurance. Renewal certificates shall be provided to the director at least three days prior to the expiration of the current coverages. The certificates must be signed by the authorized representative of the insurance company. Thirty days written notice of cancellation by the insurer for any reason other than non-payment of premium must be given to the city for the required policy coverages.

(2) The limits and types of coverage of insurance required shall not be less than the following:

a. *Commercial general liability insurance.* Commercial general liability insurance shall be written on CG 00 01 04 13 or an equivalent substitute form affording coverage for bodily injury including death and property damage with limits of $1,000,000.00 per occurrence and $2,000,000.00 policy aggregate. Such policy shall include coverage for premises and operations, products and completed operations, and personal and advertising injury liability. The certificate or policies of insurance should further provide coverage for and against contingent and contractual exposures and XCU hazards, and must list the city as an additional insured on a primary and non contributory basis. Completed operations coverage shall also be maintained for a minimum of one year following the cessation of the placement of communications facilities in the public rights-of-way.

b. *Commercial automobile liability insurance.* Commercial automobile liability insurance shall be maintained insuring all owned autos, and including coverage for, non-owned, leased and hired vehicles. The combined bodily injury and property damage limit shall not be less than $500,000.00 each accident.

c. *Workers' compensation/employer's liability insurance.* Workers' compensation insurance shall cover all employees engaged in work for the communications service provider in accordance with the laws of the state. The employer's liability limit shall be in an amount not less than the statutory limit for workers' compensation in the State of Florida.

(3) Notwithstanding the foregoing, a communications service provider may provide such coverage through an actuarially sound and prudent self-insurance program that is reasonably satisfactory to the city.

(b) *Indemnification.* A communications service provider shall indemnify, defend and hold harmless the city and its officers, directors, agents, servants, employees, successors, and assigns of and from any and all claims for personal injury, death or property damage, any other losses, damages, charges or expenses, and any orders, judgments or decrees which may be entered, which arise out of, in connection with, or attributable to, such communications service provider's acts or omissions in connection with its activities in the public rights-of-way and the placement, maintenance, relocation or removal by such communications service provider of any portion of its communications facilities, except for liabilities not caused by the communications service provider, including liabilities arising directly and wholly from the city's negligence, gross negligence, or willful conduct. Such communications service provider shall undertake at its own expense the defense of any action which may be brought against the city for damages, injunctive relief or for any other cause of action or claim arising or alleged to have arisen out of, in connection with the operations of the communication service provider in connection with a permit. The communications service provider shall promptly pay the final judgment together with

all costs relating thereto; such communications service provider being allowed, however, an appeal or appeals to the appropriate court or courts from the judgment rendered in any such suit or action upon the filing of such bond as shall be required to prevent levy or judgment against the city during such appeal or appeals. Pursuant to F.S. § 337.401, this indemnification does not extend to liabilities not caused by the communications services provider, including liabilities arising from the city's negligence, gross negligence, or willful conduct.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-311. Police powers.

Nothing in this article or in any registration issued in accordance herewith shall be construed as an abrogation by the city of any of its police powers.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-312. Florida Consumer Choice Act of 2007.

This chapter 54 shall be construed in accordance with the Florida Consumer Choice Act of 2007 ("the Act") so that the city shall retain all rights and obligations permitted by the Act to be retained by the city as of June 30, 2007, and so that the obligations and rights of all persons which have previously obtained permits and previously entered into agreements with the city and all persons which shall obtain permits in the future and enter into agreements with the city in the future for work to be performed or conducted within and any related maintenance and restoration of the city's public right-of-way as defined in section 54-1, as amended, and for any other continuing obligation to the city as permitted by law, shall be construed as in force as of June 30, 2007, and so as to comply with the nondiscriminatory mandate of the Act.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-313. Technical standards.

(a) All technical standards governing construction, reconstruction, installation, operation, testing, use, maintenance, and dismantling of a communications system provided for herein shall be in accordance with all applicable FCC and other federal, state and local laws and regulations, including but not limited to the most recent editions of the Florida Building Code, National Electrical Code and the National Electrical Safety Code.

(b) Engineering plan. An engineering plan signed and sealed by a licensed engineer, or prepared by a person who is exempt from license requirements pursuant to F.S. § 471.003, that includes the following:

(1) For any application that seeks to collocate a small wireless facility on an existing utility pole or place at-grade facilities in the public rights-of-way, a site plan demonstrating that the proposed location is within the public rights-of-way and documenting the edge of pavement, sidewalks, driveways, ramps, trees, ground-mounted equipment, structures, or other at-grade facilities located in the public rights-of-way within 50 feet of the proposed facility, including the full width of the right-of-way with sufficient specificity to demonstrate compliance with applicable codes.

(2) For any application that seeks to replace or place a new utility pole in the public rights-of-way to support a communications facility, a site plan demonstrating that the proposed location is within the public rights-of-way and documenting the edge of pavement, sidewalks, driveways, ramps, trees, ground-mounted equipment, structures, or other above-grade and at-grade facilities located in the public rights-of-way within 50 feet of the proposed facility, including the full width of the right of way with sufficient specificity to demonstrate compliance with applicable codes;

(3) The type, location, dimensions, height, footprint, design, and concealment features (if applicable) of the proposed facility;

(4) A statement that the proposed facility will not materially interfere with the safe operation of traffic control equip-

ment, sight lines, clear zones, or result in the public rights-of-way being inconsistent with the Florida Department of Transportation Utility Accommodation Manual (current edition at the time of permit application); and

(5) A statement that the proposed facility will not materially interfere with compliance with the Americans with Disabilities Act or similar federal, state, or municipal standards regarding pedestrian access or movement.

(6) Trees or landscaping to be removed or impacted upon the placement or maintenance of the proposed facility.

(7) The method by which the facility will be installed and/or modified (i.e. anticipated construction methods or techniques) and timetable.

(8) A temporary sidewalk closure plan, traffic lane closure plan, and maintenance of traffic plan, if applicable, to accommodate placement or maintenance of the facility.

(9) A restoration plan and a good faith estimate of the cost of restoration of the public rights-of-way to its original condition.

(c) Indemnification. A statement shall be included with the permit application or request that by execution of the application or request for the permit, the registrant shall be bound to the city with respect to indemnification provisions set forth in this article, and specifically subsection 54-310(b).

(d) Airport airspace protection. If applicable, certification of compliance with F.S. ch. 333, and all city, state and federal laws and regulations pertaining to airport airspace protections.

(e) Attestation. For wireless infrastructure providers proposing placement of a new utility pole in the public rights-of-way, the application must include an attestation that small wireless facilities will be collocated on the new utility pole and will be used by a wireless services provider to provide service within nine months after the date the application is approved by the city or prior to the expiration date of the permit, whichever is later.

(f) For an application for a new utility pole to support the collocation of a small wireless facility, the applicant shall provide information regarding the height and location of the tallest utility pole located in the same public rights-of-way as of July 1, 2017, measured from grade in place within 500 feet of the proposed location of the utility pole. If there is no utility pole within 500 feet of the proposed utility pole as of July 1, 2017, the applicant shall state so in the application.

(g) In addition to the requirements herein, as part of any permit application for a small wireless facility, the applicant shall provide documentation from a licensed engineer, or a person who is exempt from license requirements pursuant to F.S. 471.003, that the structure and foundation of the utility pole intended to support the collocation of the small wireless facility can support the additional load of the proposed small wireless facility consistent with applicable codes. (Ord. No. 14150, § 2, 2-23-23)

Sec. 54-314. Objective design standards.

(a) A new communications/small wireless utility pole that replaces an existing utility pole or is a new installation utility pole must be of substantially similar design, material, and color to the existing streetlights or the streetlights in the master planned area for the work location; or a decorative, camouflage style, metal or concrete small wireless utility pole, powder coated in black or grey to blend with existing facilities in the area.

(b) Wires, cables, and equipment to be collocated on a communications/small wireless utility pole shall be within the utility pole or if not possible to be within the utility pole, covered with a shroud or conduit that is of the same color as the utility pole. No exposed wires or cables are permitted.

(c) The ground mounted component of a small wireless facility shall be located directly abutting the communications/small wireless utility

pole. In cases where this is not possible, the city may require the location of a ground mounted component of a small wireless facility to be located up to 15 feet from the associated wireless support structure within the public rights-of-way. If the area surrounding the ground mounted component is sufficient to allow for landscaping, then screening elements must be installed, as approved by the director of the department of resilience and public works.

(d) Such design standards under this section may be waived by the director upon a showing that the design standards are not reasonably compatible for the particular location of a small wireless facility or utility pole or are technically infeasible or that the design standards impose an excessive expense. The waiver must be granted or denied within 45 days after the date of the request.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-315. Permit procedures and timeframes.

(a) The city's action on applications to place or maintain communications facilities in the public right-of-way are subject to the requirements, standards, and time frames set out in F.S. § 337.401(7), as same may be amended from time to time; and 47 U.S.C. § 1455(a) and orders issued by the FCC, both as may be amended from time to time. Applications will be processed on a nondiscriminatory basis pursuant to F.S. § 337.401, as may be amended from time to time.

(b) A permit shall not be required for the following:

(1) Routine maintenance, the performance of service restoration work on existing facilities, or repair work, including but not limited to emergency repairs of existing facilities or extensions of such facilities for providing communications services to customers;

(2) Replacement of existing wireless facilities with wireless facilities that are substantially similar or of the same or smaller size; notwithstanding, the applicant must submit a letter to the city attesting that the micro wireless facility dimensions are the same, substantially similar, or smaller;

(3) Installation, placement, maintenance, or replacement of micro wireless facilities that are suspended on cables strung between existing utility poles in compliance with applicable codes by or for a communications service provider authorized to occupy the public rights-of-way and who is remitting taxes under [F.S.] ch. 202. The applicant must submit a letter to the city attesting that the micro wireless facility complies with the limits of F.S. § 337.401(7)(b)9; or

(4) Maintenance, repair, replacement, extension, or upgrade of existing aerial wireline communications facilities on utility poles or for aerial wireline facilities between existing wireline communications facility attachments on utility poles by a communications services provider.

(c) Notwithstanding the exceptions to permit requirements contained in subsection (b), a registrant shall obtain from the city any permit(s), if required, for work that involves excavation, closure of a sidewalk, or closure of a vehicular lane or parking lane, unless the communications service provider is performing service restoration on an existing communications facility and the work is done in compliance with the Florida Department of Transportation Utility Accommodation Manual. In the event excavation, closure of a sidewalk, vehicular or parking lane is required in connection with the service restoration of an existing communications facility, the communications services provider shall apply for an after-the-fact permit within 30 days following any restoration for work that would have otherwise required a permit. Prior to performing excavation work in the public rights-of-way, communications service providers are encouraged to obtain photographic or video documentation of the preconstruction condition of the public rights-of-way in the area to be affected by such work.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-316. Use of streets and utility pole attachments.

(a) Before commencing construction of its communications system in, above, over, under, across, through or in any way connected with the streets, public ways or public places of the city, the registrant shall first obtain the written approval of, and all other necessary permits from, all appropriate city agencies, including but not limited to the department of resilience and public works. Applications for such approval shall be made in the form prescribed by the director or his/her authorized designee.

(b) Upon obtaining such written approval, the registrant shall give the department of resilience and public works written notice within a reasonable time of proposed construction, but in no event shall such notice be given less than ten days or more than 30 days, before such commencement, except for emergency repairs of existing lines or cables.

(c) Any person who submits a request for a permit in accordance herewith shall include therein written consent for the use of existing utility poles and conduits, if applicable, from the owner(s) of such facilities to be used or affected by the construction of the proposed telecommunication system, which agreements shall become effective on the date of execution of the permit issued in accordance herewith in the event that such person is issued a permit.

(d) It shall be unlawful for the registrant or any other person to open or otherwise disturb the surface of any street, sidewalk, driveway, public way or other public place for any purpose whatsoever without obtaining approval to do so after proceeding in the manner prescribed in subsections (a) and (b) hereof. Violation of this section shall subject the registrant to all penalties and remedies prescribed therein and to all other remedies, legal or equitable, which are available to the city.

(e) The registrant shall restore any street or sidewalk it has disturbed in accordance with the provisions of the city's standard specifications for streets and sidewalks and shall, at its own cost and expense, restore and replace any other property disturbed, damaged or in any way injured by or on account of its activities to as good as the condition such property was in immediately prior to the disturbance, damage or injury or pay the fair market value of such property to its owner.

(f) The registrant shall, at its own cost and expense, protect, support, temporarily disconnect, relocate in the same street or other public place, or remove from such street or other public place, any of its property when required to do so by the city because of street or other public excavation, construction, repair, regrading, or grading; traffic conditions; installation of sewers, drains, water pipes, city-owned power or signal lines, tracts; vacation or relocation of streets or any other type of structure or improvement of a public agency, or any other type of improvement necessary for the public health, safety or welfare subject to F.S. chs. 403 and 404, or upon termination or expiration of the registration.

(g) The registrant shall obtain written approval from the department of resilience and public works and other appropriate city agencies before erecting any new poles or underground conduits where none exist. The city encourages the use of existing utility poles and discourages redundant utility poles.

(h) The registrant shall maintain all wires, conduits, cables, utility poles, handholes, and other real and personal property and facilities in good condition, order and repair.

(i) The registrant shall keep accurate, complete and current maps and records of its system and facilities which occupy the streets, public ways and public places within the city, detailed by linear foot.

(j) The registrant shall comply with all applicable codes governing the construction and installation of communications systems. In addition:

(1) All aerial cables and wires shall be installed parallel with existing telephone and electric utility wires.

(2) Multiple aerial configurations shall be in parallel arrangement and bundled, in accordance with engineering and safety considerations.

(3) All underground installations shall be in the appropriate size and type conduit or other enclosures approved by the resilience and public works director.

(4) The registrant upon reasonable notice by the city shall temporarily remove, adjust, raise or lower its facilities within the right-of-way when the city determines that such action is needed for public use of the right-of-way including, but not limited to, the passage of nonstandard vehicles. The costs associated with such raising or lowering of such facilities shall be borne by the requesting party.

(5) The registrant shall obtain the written permission of the owner including the city of any tree or other vegetation before it trims or prunes the same.

(k) The height of a small wireless facility is limited to ten feet above the utility pole or structure upon with the small wireless facility is to be collocated.

(l) The height for a new utility pole is limited to the tallest existing utility pole as of July 1, 2017, located in the same right of way, other than a utility pole for which a waiver has previously been granted, measured from grade in place within 500 feet of the proposed location of the small wireless facility. If there is no utility pole within 500 feet, the height of the utility pole shall not exceed 50 feet.
(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-317. Collocation of small wireless facilities on city utility poles.

Collocation of small wireless facilities on city utility poles is subject to the following requirements:

(1) The city shall not enter into an exclusive arrangement with any person for the right to attach equipment to city utility poles.

(2) The city hereby levies, establishes, and sets an annual rate to collocate small wireless facilities on city utility poles in the amount of $150.00 per utility pole annually per provider.

(3) Agreements between the city and wireless providers that were in effect on July 1, 2017, and that relate to the prior collocation of small wireless facilities on city utility poles, remain in effect, subject to applicable termination provisions. The wireless provider may accept the rates, fees, and terms established under this section for small wireless facilities and utility poles that are the subject of an application submitted after the rates, fees, and terms become effective.

(4) For a city utility pole that supports an aerial facility used to provide communications services or electric service by another, the parties shall comply with the process for make-ready work under 47 U.S.C. § 224 and implementing regulations. The good faith estimate of the person owning or controlling the utility pole for any make-ready work necessary to enable the utility pole to support the requested collocation must include utility pole replacement if necessary.

(5) For a city utility pole that does not support an aerial facility used to provide communications services or electric service by another, the city shall provide a good faith estimate for any make-ready work necessary to enable the city utility pole to support the requested collocation, including necessary utility pole replacement, within 60 days after receipt of a complete application. Make-ready work, including any utility pole replacement, must be completed within 60 days after written acceptance of the good faith estimate by the applicant. Alternatively, the city may require the applicant seeking to collocate a small wireless facility to provide a make-ready estimate at the applicant's expense for the work necessary to support the small wireless facility, including utility pole replacement,

and perform the make-ready work. If utility pole replacement is required, the scope of the make-ready estimate is limited to the design, fabrication, and installation of a utility pole that is substantially similar in color and composition. The city may not condition or restrict the manner in which the applicant obtains, develops, or provides the estimate or conducts the make-ready work subject to usual construction restoration standards for work in the public rights-of-way. The replaced or altered city utility pole shall remain the property of the city.

(6) The city may not require more make-ready work than is required to meet applicable codes or industry standards. Fees for make-ready work may not include costs related to preexisting damage or prior noncompliance. Fees for make-ready work, including any utility pole replacement, may not exceed actual costs or the amount charged to communications service providers other than wireless providers for similar work and may not include any consultant fee or expense.

(7) The city may reserve space on city utility poles for future public safety uses. However, a reservation of space may not preclude collocation of a small wireless facility. If replacement of a city utility pole is necessary to accommodate the collocation of the small wireless facility and the future public safety use, the utility pole replacement is subject to the make-ready provisions of this article and F.S. § 337.401(7), and the replaced utility pole shall accommodate the future public safety use.

(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-318. Undergrounding.

(a) In an area where the city has required all public utility lines in the public rights-of-way to be placed underground, a wireless provider must comply with written, objective, reasonable, and nondiscriminatory requirements that prohibit new utility poles used to support small wireless facilities if:

(1) The city, at least 90 days prior to the submission of an application, has required all public utility lines to be placed underground;

(2) Structures that the city allows to remain above ground are reasonably available to wireless providers for the collocation of small wireless facilities and may be replaced by a wireless provider to accommodate the collocation of small wireless facilities; and

(3) A wireless provider may install a new utility pole in the designated area in the public right-of-way that otherwise complies with this article and it is not reasonably able to provide wireless service by collocating on a remaining utility pole or other structure in the public right-of-way.

(b) For small wireless facilities installed before the city adopts requirements that public utility lines be placed underground, the wireless provider may:

(1) Maintain the small wireless facilities in place subject to any applicable utility pole attachment agreement with the utility pole owner; or

(2) Replace the associated pole within 50 feet of the prior location in accordance with section 54-314.

(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-319. Permit denials.

The city may deny an application to collocate a small wireless facility or place a new utility pole used to support a small wireless facility if the proposed small wireless facility or utility pole used to support a small wireless facility:

(1) Materially interferes with the safe operation of traffic control equipment.

(2) Materially interferes with sight lines or clear zones for transportation, pedestrians, or public safety purposes;

(3) Materially interferes with compliance with the Americans with Disability Act or similar federal, state, or municipal standards regarding pedestrian access or movement;

(4) Materially fails to comply with the Florida Department of Transportation Utility Accommodation Manual (current edition at the time of permit application);

(5) Fails to comply with applicable codes; or

(6) Fails to comply with the city's objective design standards.

(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-320. Redundant utility poles.

F.S. § 366.97, provides a process that utility pole owners and an attaching entity must abide by regarding removal of utility poles and attachments thereto.

(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-321. Future rules by the director.

The director reserves the right to promulgate rules, regulations, forms, and procedures to implement the intention of this article.

(Ord. No. 14150, § 2, 2-23-23)

Sec. 54-322. Abandonment of facilities.

(a) Upon abandonment of a facility owned by a registrant in the public rights-of-way, the registrant shall notify the director within 60 days. All facilities that are abandoned and no longer in use by a registrant must be removed from the public rights-of-way. The director may further direct the removal by delivering written notice to remove all or any portion of such abandoned facility at the registrant's sole expense if the city determines that the abandoned facility's presence interferes with the public health, safety or welfare, which shall include, but shall not be limited to, a determination that such facility:

(1) Compromises safety at any time for any public rights-of-way user or during construction or maintenance in public rights-of-way;

(2) Prevents another person from locating facilities in the area of public rights-of-way where the abandoned facility is located when other alternative locations are not reasonably available; or

(3) Creates a maintenance condition that is disruptive to the public rights-of-way's use.

(b) In the event that the city does not direct the removal of the abandoned facility, the registrant, by its notice of abandonment to the city, shall be deemed to consent to the alteration or removal of all or any portion of the facility by the city or a third party at such third party's cost.

(c) If the registrant fails to remove all or any portion of an abandoned facility as directed by the city within a reasonable time period as may be required by the city under the circumstances, the city may perform such removal and charge the cost of the removal against the registrant. Any fees incurred by the city for removal of the facility shall be attached to any business tax receipt maintained by such entity in the city, and payment of such penalties shall be required prior to renewal of any such business tax receipt.

(Ord. No. 14150, § 2, 2-23-23)

Secs. 54-323—54-340. Reserved.

ARTICLE IX. COCONUT GROVE SPECIAL EVENTS DISTRICT*

Sec. 54-341. Created, restrictions; application and approval required.

(a) *Boundaries of district.* There is hereby created a special events district bounded on the north by Oak Avenue, on the south by the shoreline of Biscayne Bay, on the east by Mary Street and Kenneth Meyers Park, and on the west by McDonald Street, Commodore Plaza and Peacock Park, and expanding in a linear capacity along the public right-of-way portions of South

*__City Code cross references—__Community development department, § 2-411 et seq.; amusements, ch. 5; Coconut Grove special vending district, § 39-34 et seq.; stadiums and convention centers, ch. 53.

Bayshore Drive from Mary Street to Aviation Avenue; Main Highway from Commodore Plaza to Franklin Avenue; and Pan American Drive from Biscayne Bay to South Bayshore Drive with the limitations set forth below in paragraph (b), such district to be known as the "Coconut Grove Special Events District."

(b) *Purpose and intent of district.* To ensure that "special events" occurring within public parks, right-of-way and other public places located within the district boundaries take place in accordance with prescribed rules and regulations to safeguard public resources and interests of the community and are designed to encourage and market the district for development of business, commerce and tourism.

(c) *Restrictions established.* The following restrictions shall apply to the district, excluding permitted activities undertaken on Pan American Drive:

(1) There shall only be two events per month. The term "event," for the purpose of this article, is hereby defined as an activity where any one of the following conditions occur within the special events district:

a. Any selling of alcoholic beverages in the public rights-of-way, or in city parks, other than in lawfully permitted sidewalk cafes;

b. Any pyrotechnics display;

c. Any temporary, partial use of, complete or partial obstruction of public streets or rights-of-way pursuant to section 54-6 or section 54-6.3 of this Code connected with an activity satisfying the criteria set forth in the other subsections herein;

d. Any parade or procession, other than funeral processions, of more than _____ vehicles*, floats, bands or marching units;

*__Note—__The city attorney advised that this number has been left off since it is to be determined by the police department.

e. Any temporary vending or concession permit conducted in the public rights-of-way or parks pursuant to sections 31-50 and 38-65 of this Code; or

f. Any use of mechanical rides or amusements.

(2) Only one of the two events may involve street closures.

(3) The two events shall not take place on successive weekends.

(4) Any annual event held in the Coconut Grove area prior to the adoption of this section is exempt from the above restrictions; however, no more than 24 events per year, inclusive of those events exempted pursuant to subsection (c)(1) herein shall be permitted. Further, if any of the preexisting events do not occur in a given year, for any reason other than an act of God, the event loses the exemption set forth in this section.

(d) *Application for special events; approval required.* Applications for special events in the district must be submitted to the city manager or its designated city department for the district who will coordinate and secure comments from other affected city departments and agencies. The completed application shall be submitted annually at least 120 days, but not earlier than 360 days prior to the event. Provided, however,

applications for events held in prior years shall be given preference for the same dates, week or weekend previously used.

(1) Upon acceptance of a completed application by the city manager or designee for review, the city manager or designee shall schedule the application for the next available Coconut Grove business improvement district board ("BID board") meeting for review and recommendation in accordance with the provisions of this article.

(2) The applicant shall be responsible for making a full presentation regarding the proposed special event to the BID board. At a minimum the presentation to the BID board shall include a copy of the completed application along with a discussion and presentation of the matters described in subsection (4)a.

(3) The BID board retains the right to reject an application, including but not limited to, whenever a city department makes an adverse recommendation due to failure of the proposed application to provide the necessary safeguards to the citizens and residents of the district and/or to district property/facilities. An applicant whose application has been rejected by the BID board, may make application to appeal the BID board's decision to the city commission if filed within five days after the BID board's decision is issued.

(4) At the time of application, each applicant is required at a minimum to submit the following information and documentation. Provided, however, additional information and documentation may be required as determined by the director or any city department.

A completed application for the requested special event, including but not limited to, the name of the event; proposed location for the event along with a site diagram reflecting location, parking, activities, security and emergency services; proposed parking area and/or arrangements with parking facilities for the event; a description of the elements or activities planned for the event; estimated audience (including counts from previous years if applicable); anticipated sponsors, television, radio, internet coverage for the event; identification and a description of the financial resources of producers, owners and the applicant for the event; name, address and contact numbers for the local contact and event operator, if different; event setup and teardown dates; event hours of operation; event staffing, employees and volunteers along with a description of their responsibilities in connection with the event; and tentative production schedule.

(5) At the time of application, each applicant is required to notify by first class U.S. Mail, return receipt requested, all owners of property within 375 feet of the proposed event area. For purposes of this requirement, the names and addresses of property owners shall be deemed those appearing on the latest tax rolls. In the case of condominiums, notice need only be sent to the condominium association. Applicant shall be solely responsible for complying with the foregoing notice requirement and at the time of application shall furnish an affidavit stating that the notice requirements of this section have been complied with and holding harmless the department of off-street parking ("DOSP"), the BID board, the city, and their respective officers and employees and shall indemnify DOSP, the BID board, the city, and their respective officers and employees for any claims of damages, liability or injuries which may be occasioned in connection with, as a direct or indirect result of, or relating to the notice requirement of this section. The foregoing notice requirement may be combined by the applicant with other City Code-required notices, as related to said event.

(e) *Waiver or modification of restrictions.* The city commission has the authority to waive or modify any of the above restrictions.

(Ord. No. 10764, § 1, 7-12-90; Code 1980, § 54-171; Ord. No. 11800, § 4, 6-8-99; Ord. No. 12221,

§ 1, 4-18-02; Ord. No. 12564, § 3, 7-22-04; Ord. No. 13059, § 4, 3-12-09; Ord. No. 13467, § 2, 6-12-14; Ord. No. 14138, § 13, 2-9-23)

City Code cross reference—Sidewalk cafes, § 54-221 et seq.

Sec. 54-342. Reserved.

Editor's note—Ord. No. 12564, § 3, adopted July 22, 2004, repealed § 54-342 in its entirety, which pertained to the Coconut Grove special events and marketing committee and derived from Ord. No. 10764, § 2, adopted July 12, 1990; Ord. No. 11130, § 19, adopted March 24, 1994; Ord. No. 11189, § 7, adopted October 27, 1994; the Code of 1980, § 54-172; Ord. No. 11373, § 13, adopted June 27, 1996; Ord. No. 11711, § 2, adopted October 13, 1998; Ord. No. 11800, § 4, adopted June 8, 1999; Ord. No. 12221, § 1, adopted April 18, 2002; Ord. No. 12364, § 2, adopted May 8, 2003; Ord. No. 12376, § 1, adopted June 12, 2003.

Sec. 54-343. Supplementary user fee established.

There shall be a fee required for special events occurring within the Coconut Grove special events district as follows:

(1) a. The promoter of the event shall pay to the city a supplementary user fee of 25 percent of the estimated cost of the city's services for the event. This supplementary fee is in addition to the monies paid for the city's services fee.

b. In the event that the city services fee is lower or higher than the estimated cost previously given, either the city shall refund certain monies or the promoter shall pay to the city additional monies within 30 days after the date of the event.

(2) The supplementary user fee shall not exceed the amount of $10,000.00.

(3) The supplementary fee shall be paid to DOSP for deposit into a separate account set forth herein below at least ten days prior to the approved special event.

(4) All revenues derived from said supplementary fee shall be deposited in an account known as the Coconut Grove special events district fund and shall be utilized for promotion, marketing, advertising of the district as well as administrative expenses of the Coconut Grove business improvement district board ("BID board"), and for the maintenance, improvement and beautification of Peacock Park and the Coconut Grove special events district, without reducing the otherwise normal allocation to the parks. Additionally, funds currently collected by the city department of resilience and public works from "sidewalk cafe and banner fees" in the Coconut Grove special events district shall also be placed into the Coconut Grove special events district fund following the adoption date of the ordinance from which this section derives.

(5) The city commission may waive all or part of the supplementary user fee.

(Ord. No. 10764, § 3, 7-12-90; Code 1980, § 54-1733; Ord. No. 12221, § 1, 4-18-02; Ord. No. 13059, § 4, 3-12-09; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-344. Supplementary banner fee established.

A supplementary banner fee is established for horizontal banners in the public right-of-way relating to special events occurring within the Coconut Grove special events district, and approved by the Coconut Grove business improvement district board ("BID board") pursuant to section 54-341, as follows:

(1) The promoter of the event requesting to display a horizontal banner within the Coconut Grove special events district shall pay to the BID board, a supplementary banner fee of $1,000.00 per banner when the event is promoted by a for profit organization, and $500.00 per banner when the event is promoted by a nonprofit organization. This

supplementary banner fee is in addition to the monies paid for any of the city's services regarding banners.

(2) The supplementary banner fee shall be paid to the BID board for deposit into a separate account set forth herein below at the time the promoter of the event submits a banner application to resilience and public works.

(3) Each banner in the Coconut Grove special events district shall be allowed to remain for no longer than 30 days.

(4) All revenues derived from said supplementary banner fee shall be deposited in an account known as the Coconut Grove special events district fund and shall be used for promotion, marketing, advertising of the district and administrative expenses of the BID board, and for the maintenance, improvement and beautification of Peacock Park and the Coconut Grove special events district, without reducing the otherwise normal allocation to the parks.

(5) The city commission may waive all or part of the supplementary banner fee.

(Ord. No. 12744, § 1, 11-17-05; Ord. No. 13059, § 4, 3-12-09; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13792, § 1, 10-11-18)

Secs. 54-345—54-370. Reserved.

ARTICLE X. PEDESTRIAN PRIORITY ZONES*

Sec. 54-371. Downtown pedestrian priority zone—Established; boundaries.

There is hereby created a Downtown Pedestrian Priority Zone ("DPPZ"), the boundaries of which shall be concurrent with the boundaries of the downtown development authority as described in section 14-27 of the City Code.

(Ord. No. 13949, § 3, 12-10-2020)

Sec. 54-372. Same—Standards.

DPPZ standards for pedestrian comfort and safety are hereby established to account for the exceptional urban context of downtown Miami; to safeguard its unique relationship between land use and multi-modal transportation infrastructure; and to promote safety, health, amenity, economic vitality, and general welfare within the DPPZ. All public rights-of-way within the DPPZ shall, subject to section 54-375 of the City Code:

(1) Provide a minimum six-foot unobstructed pedestrian path at all sidewalks;

(2) Provide perpendicular curb ramps at all intersections;

(3) Provide marked crosswalks at all intersections at all four corners and mid-block crosswalks at blocks greater than 400 feet;

(4) Provide pre-timed fixed signals at all traffic controlled intersections with a minimum of one second of crossing time for every two and eight-tenths feet of street width;

(5) Provide driving lane widths of no more than ten feet, turning lanes of no more than 12 feet, and sharrow lanes of no more than 12 feet;

(6) Provide sidewalk bulb-outs extending at least 20 feet from crosswalks in either direction at all street intersections and curb radii not exceeding 15 feet;

(7) Provide broad spectrum (white) mid-block street lighting that ensures a consistent and uniform distribution of illumination on all sidewalks;

(8) Provide continuous shade tree canopy on all sidewalks with widths ten feet or greater; where sidewalks are less than ten feet wide, require adjacent buildings

*__Editor's note—__Prior to the reenactment of article X by Ord. No. 13949, § 3, adopted December 12, 2020, Ord. No. 13467, § 2, adopted June 12, 2014, repealed the former article X, sections 54-371—54-382 in its entirety, which pertained to the use of public rights-of-way for installation of low level wind shear alter system(s), and derived from Ord. No. 10963, § 3, adopted April 2, 1992; the Code of 1980, §§ 54-180—54-191, and Ord. No. 13195, § 5, adopted September 27, 2010.

to have canopies, overhangs, and/or other architectural devices that provide shade onto the sidewalk area;

(9) Be designed to and posted at a maximum speed limit of 25 miles per hour ("25 mph"); and

(10) Prohibit "right turn on red" at all intersections.

(Ord. No. 13949, § 3, 12-10-2020)

Sec. 54-373. Little Havana pedestrian priority zone, subzones, and greenways—Established; boundaries.

(a) There is hereby created a Little Havana Pedestrian Priority Zone ("LHPPZ"), the subzones of which collectively comprise the LHPPZ as follows:

(1) Citrus Grove Subzone—An area bounded by Northwest 23rd Avenue to the west, Northwest 19th Avenue to the east, Northwest 6th Street to the north, and Northwest 1st Terrace to the south.

(2) Riverside Subzone—An area bounded by West Flagler Street to the north, Southwest 5th Street to the south, Southwest 14th Avenue to the west, and Southwest 9th Avenue to the east.

(3) Riverside Park/Jose Marti Park—An area bounded by Southwest 1st Street to the north, Southwest 6th Street to the south, Southwest 8th Avenue to the west, and Southwest 4th Avenue to the east.

(4) Miami Senior High School—An area bounded by Southwest 27th Avenue to the west, Southwest 22nd Avenue to the east, Southwest 3rd Street to the south, and West Flagler Street to the north.

(b) The following streets within the following respective LHPPZ subzone are designated as Little Havana Greenways:

(1) Citrus Grove: Northwest 19th Avenue, Northwest 3rd Street, and Northwest 6th Street.

(2) Riverside: Southwest 13th Avenue, Southwest 10th Avenue, Southwest 3rd Street, and Southwest 1st Street.

(3) Riverside Park/Jose Marti Park: Southwest 9th Avenue, Southwest 4th Avenue, Southwest 2nd Street, and Southwest 5th Street.

(4) Miami Senior High School: Southwest 25th Avenue, Southwest 22nd Avenue, Northwest 2nd Street, and Southwest 3rd Street.

(Ord. No. 13949, § 3, 12-10-2020)

Sec. 54-374. Little Havana pedestrian priority zone standards.

The following standards shall govern rights-of-way in the LHPPZ subject to section 54-375 of the City Code:

(1) Upon reconstruction of any Little Havana Greenway, as described above, include the following:

a. Crosswalks with perpendicular curb ramps and detectable warning strips at all four crossings.

b. Trees at least 30 feet on center.

c. Paint to change turning radii to 20 feet or 15 feet or build curb extensions.

d. Painted and striped parking lanes.

(2) Improve intersections for roadway collectors to include:

a. High-emphasis crosswalks at all four crossings if none exist.

b. Adding perpendicular curb ramps with detectable warning strips.

c. Using paint to change turning radii to 20 feet or 15 feet or build curb extensions for intersections with greenways only.

(3) Improve pedestrian signals at existing signalized intersections. All existing signalized intersections shall have:

a. Pedestrian signals.

b. Leading pedestrian intervals or adjusted signal timing for children.

c. Pedestrian countdowns on all signal heads.

(4) Initiate "no right turns on red" for turning movement towards schools at signalized intersections during school hours.

(5) Study opportunities for mid-block crossings on established routes to schools:

a. For roadway segments that are more than 300 feet from the nearest traffic signals.

b. To include pedestrian refuge islands.

c. On painted islands that can be converted to pedestrian refuge islands when not in conflict with driveways.

(6) Maintenance standards are:

a. Restriping crosswalks that are faded.

b. Restriping faded stop lines.

c. Replacing missing or faded school zone signs.

d. Replanting empty curb extension planters.

(7) Install 25 miles per hour speed limit signs on residential streets.

(Ord. No. 13949, § 3, 12-10-2020)

Sec. 54-375. Conflicts with other chapters and regulations.

Within any pedestrian priority zone, this article shall govern in the event of conflicts with:

(1) Other provisions of the City Code;

(2) The city's engineering standards as defined in section 54-1 of the City Code;

(3) To the extent allowed by law, the minimum standards for public works construction as promulgated in the Miami-Dade County Public Works Manual pursuant to Section 2-100 of the Miami-Dade County Code of Ordinances. Variances may be requested from the Miami-Dade County Transportation and Public Works Director;

(4) The Florida Greenbook; and

(5) To the extent allowed by law, any other guidelines or standards of any other entity having jurisdiction over public rights-of-way within any pedestrian priority zone.

(Ord. No. 13949, § 3, 12-10-2020)

Secs. 54-376—54-410. Reserved.

ARTICLE XI. USE OF THE PUBLIC RIGHTS-OF-WAY FOR INSTALLATION OF PAY TELEPHONES*

Sec. 54-411. Statement of purpose.

The city commission hereby finds and declares that it is necessary and reasonable for this article:

(1) To regulate the erection, construction, reconstruction, installation, operation, maintenance, dismantling, testing, repair and use of pay telephones in, upon, along, across, above, over, under or infringing upon the streets or sidewalks within the corporate limits of the city, as now or in the future may exist;

(2) To provide the city with compensation for occupation and use of the city's streets or sidewalks for pay telephones; and

(3) To provide the department of resilience and public works of the city with compensation for the cost of regulation imposed by this article on pay telephones.

(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-412. Definitions.

For the purposes of this article and any agreement in accordance herewith, the following terms, phrases, words and their derivations shall have the meaning given herein unless otherwise specifi-

*__Editor's note—__Ord. No. 11937, adopted June 29, 2000, repealed the former Art. XI §§ 54-411—54-429. Section 2 of said ordinance enacted new provisions as set out herein. The former Art. XI pertained to similar subject matter and derived from Code 1980, §§ 54-192—54-210; Ord. No. 11099, § 2, adopted Nov. 23, 1993; Ord. No. 11171, § 2, adopted July 26, 1994.

cally provided in this article, unless the context clearly indicates otherwise or unless such meaning would be inconsistent with the manifest intent of the city commission and/or with F.S. ch. 337, as amended:

City shall mean the City of Miami, Florida, its elected officials, agents and employees.

Department shall mean the director of the resilience and public works department of the City of Miami or his/her designee.

Pay telephone shall mean any self-service or coin or credit-card-operated telephone, including enclosures, or bank of such telephones placed adjacent to each other.

Pay telephone permit shall mean the document by which a privilege is granted by the city to authorize a person to erect, construct, reconstruct, install, operate, maintain, dismantle, test, repair and use pay telephones occupying the streets or sidewalks within the city. Any pay telephone permit issued in accordance herewith shall be nonexclusive.

Permittee shall mean any person issued a permit in accordance with the provisions of this article responsible for erection, construction, reconstruction, installation, operation, maintenance, dismantling, testing, repair and use of pay telephones occupying the streets or sidewalks within the city.

Person shall mean an individual, business, firm, corporation, association, partnership or other organization or group of persons.

Sidewalk shall mean that area reserved for the public use of pedestrian traffic within the city's zoned rights-of-way.

State road shall mean those roadways that are part of the state highway system under the jurisdiction of the Florida Department of Transportation.

Street shall mean all that area reserved for the public use for public rights-of-way purposes and shall include, but not be limited to: highways, avenues, roads, drives, lanes, boulevards, courts, concourses, bridges, cul-de-sacs, tunnels, waterways, parks, roadways, parkways, alleys and sidewalks.

(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-413. Pay telephone permit required; length of permit; fine and removal of pay telephone(s) for placement without permit or certification.

(a) No person may place or maintain any pay telephone on or above any street or sidewalk in the corporate limits of the city without having first obtained a pay telephone permit from the city as provided in this article.

(b) Any pay telephone permit issued by the city in accordance herewith shall be a nonexclusive permit for the use of the streets or sidewalks within the city for the erection, construction, reconstruction, installation, operation, maintenance, dismantling, testing, repair and use of pay telephones.

(c) Any pay telephone permit issued by the city shall continue in full force and effect so long as the permittee is in compliance with this article, and all applicable federal, state and local ordinances and regulations and the space occupied is not needed for a public purpose.

(d) In the event any pay telephone permit shall be revoked, the applicable pay telephones(s) shall be removed from the streets or sidewalks in accordance with the provisions of this article.

(e) Placement of pay telephone(s) on a street or sidewalk without timely securing a pay telephone permit as required by this article, or failure to have a current valid public service commission certification shall result in removal of the pay telephone(s) by the city. The owner shall be assessed a $230.00 fine per pay telephone and storage costs in accordance with subsection 54-422(c).

(f) No pay telephone permit shall be issued by the city within a state road right-of-way.
(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13195, § 5, 9-27-10)

Sec. 54-414. Pay telephone permit application.

(a) A written pay telephone permit application, along with the permit application fee, in accordance with section 54-418, shall be filed with the department of resilience and public works for each pay telephone requested.

(b) To be acceptable for filing, an application for the grant of a pay telephone permit shall contain, at minimum, the following information:

(1) Site plan, in accordance with section 54-420(h) and a copy of the applicant's public service commission certification.

(2) Bond, in accordance with section 54-423.

(3) Indemnification/hold harmless agreement, in accordance with section 54-424.

(4) Insurance, in accordance with section 54-424.

(5) Approval for provision of service from local service provider (i.e. AT&T) showing telephone number of proposed pay telephone (if available). The permittee shall notify the city in writing of any telephone number change for an approved/permitted pay telephone.

(6) A global positioning system (GPS) coordinate, within ten feet accuracy, of each pay phone.

Any application for a pay telephone permit shall not be considered until all of these requirements have been met. Additionally, the time for processing by the city of such application shall not begin until all requirements have been met.

(c) Each pay telephone provider may be required to install and maintain, at no charge to the city, a specified number of pay telephones in city-owned and operated facilities. The number and location of pay telephones in city-owned and operated facilities shall be determined by the city, but, in no case, shall exceed one pay telephone per ten pay telephones permitted in accordance with this article.

(d) All permit applications submitted under this section to the department of resilience and public works shall be awarded on a first come, first serve basis.

(e) Once the pay telephone permit is approved, a decal will be issued to the provider for placement on the pay telephone in a manner such that it is easily visible to code enforcement personnel.

(f) At any time during the three-year term of a specific permit, the pay telephone provider may voluntarily notify the director of resilience and public works, in writing, of an intent to remove the pay telephone and cause the permit to be revoked. Any pay telephone, for which voluntary revocation of the permit is requested by the provider, in accordance with this section, must be removed within 30 calendar days. If the pay telephone is not removed within 30 calendar days, the city shall remove the pay telephone in accordance with section 54-422.
(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13087, § 2, 9-10-09; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-415. Pay telephone permit locations.

(a) Any pay telephone permit issued in accordance herewith shall apply only to the location or locations stated on the pay telephone permit or permits.

(b) The location and means of installation of pay telephones shall be subject to the department's approval.

(c) Nothing in this article shall be construed as a representation, promise or guarantee by the city that any other permit or other authorization required under any city ordinance for the installation of pay telephone(s) shall be issued. The requirements for any and all other permits as may be required by any city ordinance, shall still apply and all other applicable permit fees shall still be due.
(Ord. No. 11937, § 2, 6-29-00)

Sec. 54-416. Technical standards.

All technical standards governing construction, reconstruction, installation, operation, maintenance, dismantling, testing, repair and use of pay telephones provided for herein shall be in accordance with all applicable federal, state and local laws and regulations, including but not limited to the most recent editions of the Florida Building Code, National Electrical Code and the National Electrical Safety Code.
(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13087, § 2, 9-10-09)

Sec. 54-417. Powers and duties of city resilience and public works director.

The resilience and public works director or his/her authorized designee shall have the following powers and duties:

(1) Receive and review applications for pay telephone permits;

(2) Review and cause to be audited all reports and filings submitted by the permittee to the city pursuant to this article; and

(3) Promulgate and regularly review, as needed, regulations regarding the construction, reconstruction, installation, operation, maintenance, dismantling, testing, repair and use of any pay telephone(s) established by pay telephone permit in accordance herewith.

(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-418. Compensation for permit; late fee, revocation and removal of pay telephone(s) for nonpayment.

(a) The initial nonrefundable fee payable by an applicant for a permit at the time of application for installation of pay telephones shall be $230.00 for each pay telephone requested to be installed pursuant to this article. An initial inspection fee of $10.00 per location shall accompany the pay telephone permit application.

(b) There shall also be an annual permit fee of $175.00 per year per pay telephone imposed for the administration and regulation of pay telephones in and the use or occupancy of the streets or sidewalks of the city.

The pay telephone permit year shall begin on October 1 and end on September 30. The fee for any pay telephone permitted during the permit year shall be prorated to the end of the current permit year. The annual permit fee shall be due and payable on or before October 1. Permittee shall pay a late fee at the rate of 18 percent per annum of the amount of the unpaid or underpaid fee provided, however, that such rate does not exceed the maximum amount allowed under applicable law. If said fee is not received in total by the city within 60 calendar days of the start of the permit year, the city shall notify the permittee and the permit shall be revoked and the pay telephone removed, in accordance with section 54-422.

(c) The acceptance of any payment required hereunder by the city shall not be construed as an acknowledgment that the amount paid is the correct amount due, nor shall such acceptance of payment be construed as a release of any claim which the city may have for additional sums due and payable.

(1) All fee payments shall be subject to audit by the city and assessment or refund if the payment is found to be in error.

(2) In the event that such audit results in an assessment by and an additional payment to the city, such additional payment shall be subject to interest at the rate of one percent per month from the date due until the date payment is made.

(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13195, § 5, 9-27-10)

Sec. 54-419. Use of streets or sidewalks.

(a) Before commencing installation of a pay telephone(s) in any way connected with the streets or sidewalks of the city, the permittee shall first obtain the written approval of, and all other necessary permits from, all appropriate city agencies, including but not limited to, the department of resilience and public works.

Applications for such approval shall be made in the form prescribed by the director of resilience and public works or his/her authorized designee. Approval or denial of pay telephone permits shall be issued by the director within 60 calendar days of application for such permits, unless time is tolled due to an incomplete application or failure of applicant to respond to a written request from the department.

(b) Upon obtaining such written approval, the permittee shall give the department of resilience and public works written notice of proposed installation within a reasonable time, but in no event shall such notice be given less than ten calendar days before such commencement except for emergency repairs of existing pay telephones, lines or cables.

(c) Any person who submits a request for a permit in accordance herewith shall include therein fully executed agreements for the use of adjacent private property, if applicable, with the owner(s) of such facilities to be used or affected by the installation of the proposed pay telephone(s).

(d) It shall be unlawful for the permittee or any other person to open or otherwise disturb the surface of any street or sidewalk for any purpose whatsoever without obtaining approval to do so after proceeding in the manner prescribed in subsections (a) and (b) hereof. Violation of this section shall subject the permittee to all penalties and remedies prescribed therein and to all other remedies, legal or equitable, which are available to the city.

(e) The permittee shall restore any street or sidewalk it has disturbed in accordance with the provisions of the city's standard specifications for streets or sidewalks or as directed by the city's engineer in the field and shall, at its own cost and expense, restore and replace any other property disturbed, damaged or in any way injured by or on account of its activities to as good a condition as such property was in immediately prior to the disturbance, damage or injury or pay the fair market value of such property to its owner.

(f) The permittee shall, at its own cost and expense, protect, support, temporarily disconnect, relocate in the same street or sidewalk, or remove from such street or sidewalk, any of its property when required to do so by the city because of street or other public excavation, construction, repair, regrading or grading; traffic conditions; installation of sewers, drains, water pipes, city-owned power or signal lines, tracts; vacation or relocation of streets or any other type of structure or improvement of a public agency, or any other type of improvement necessary for the public health, safety or welfare, or upon termination or expiration of the permit.

(g) Nothing in this article or any permit issued in accordance herewith shall be construed as authorizing the permittee to erect and maintain new poles in areas served by existing poles, if the poles are available for permittee's cable. The permittee shall obtain written approval from the department of resilience and public works and other appropriate city agencies before installing any underground conduits where none exist.

(h) The permittee shall keep accurate, complete and current maps and records of its facilities which occupy the streets or sidewalks within the city, detailed by linear foot and shall furnish, as soon as available, two complete and updated copies of such maps and records, including as-built drawings, to the department of resilience and public works on an annual basis.

(i) The permittee, upon 30 calendar days' notice by the city, shall temporarily or permanently remove, adjust, raise or lower its facilities within the rights-of-way when the city determines that such action is needed for public use of the rights-of-way.

(j) The permittee shall obtain the written permission of the owner, including the city, before it trims or prunes any tree or other vegetation.

(k) The permittee shall comply with all rules and regulations issued by the department of resilience and public works governing the construction and installation of pay telephones. In addition:

(1) All service drops to pay telephones shall be underground, unless otherwise determined by the department of resilience and public works.

(2) Any other pay telephone installations may be required to be serviced underground, in accordance with City Code and departmental policy.

(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-420. Location and placement of pay telephones.

(a) The installation of pay telephones in any manner connected with the streets or sidewalks within the city shall be subject to approval by the department of resilience and public works and shall conform to the following requirements:

(1) It shall be free of interference with the flow of pedestrians, wheelchairs or vehicular traffic.

(2) It shall allow ingress or egress from any residence or place of business.

(3) It shall be free of interference with the function of traffic signs or signals, hydrants or mailboxes.

(b) Pay telephones shall be placed or otherwise secured, so as to prevent being blown down or around the street or sidewalk, but shall not be chained or otherwise secured to any traffic or street signs, signals, hydrants, mailboxes or other street amenities.

(c) Pay telephones shall be placed, installed, used or maintained so as to be in compliance with chapter 54 of the Code and shall not be located within five feet of any pedestrian crosswalk, bus stop, taxistand or counter window or within 15 feet of any fire hydrant, fire callbox, police callbox, or other emergency facility.

(d) The total number of pay telephones in a bank of pay telephones shall not exceed two. Except for subsequent application by the same permittee for the placement of an additional pay telephone adjacent to such permittee's existing pay telephone, the following minimum distance requirement, measured along the route of ordinary pedestrian travel, shall apply: unless approved in writing by the director of resilience and public works, no pay telephone shall be placed on the streets or sidewalks within 500 feet of any other pay telephone on the same side of the street or sidewalk within 500 feet of another pay telephone.

(e) Pay telephones shall not be installed in T3 or T4-R transect zones, as described in Miami 21, the zoning code of the city, as amended.

(f) Upon receipt by the director of resilience and public works of a written complaint by a citizen or oral or written communication from a representative of the police department, department of fire-rescue, the department of resilience and public works, or other city code enforcement personnel that the location and use of a pay telephone constitutes a public nuisance, in accordance with chapter 46 of the Code, as amended, 30 calendar days after proper written notice is given to the permittee, the director may require that the pay telephone to be restricted to outgoing calls only. Permitted shall, within 30 calendar days after proper written request is given by the department, seek permission from the public service commission to restrict the pay telephone to outgoing calls only. Permittee shall restrict the calls to outgoing calls within ten calendar days after receiving permission from the public service commission to do so.

(g) In the event that a particular pay telephone does not meet the location and placement requirements set forth herein, an applicant who has otherwise met all the requirements of this article may appeal the decision of the department to the city manager within 30 calendar days of the date of the denial. It is the obligation of the applicant to submit all documentation in support of such appeal. The city retains the right to deny any such appeal if in the discretion of the city manager the supporting documentation submitted by the applicant does not alter the circumstances of the original denial. The city manager may order the issuance of the permit if it is shown that the issuance of such a permit is reasonable in light of all the information presented.

(h) A plan or sketch of the location of the proposed pay telephone shall be prepared by the applicant and furnished to the department at the time of application, showing all required distances as outlined under subsections (a)—(d) of this section and in sufficient detail to describe the

proposed size, location (referencing the zoned street and monument line), equipment and means of installation.
(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13467, § 2, 6-12-14; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14138, § 13, 2-9-23)

Sec. 54-421. Standards for maintenance, installation and operation of pay telephones.

Pay telephones shall comply with the requirements of all applicable federal, state and local laws, including the applicable provisions of the Americans with Disabilities Act of 1992 and the accessibility guidelines published in accordance thereto and with the following standards:

(1) Pay telephone enclosures surrounding pay telephones shall not exceed eight feet in height, four feet in width or four feet in depth.

(2) The design of all pay telephone enclosures, including signage, shall be subject to the approval of the department of resilience and public works.

(3) Pay telephones shall be maintained in a neat and clean condition and in good repair at all times.

(4) Any permittee who fails to maintain its pay telephone in working condition shall be given a 30-day written notice by the department to repair the pay telephone. If the pay telephone is not in working condition at the end of the 30-day period after proper notice is given, the department may revoke the permit and remove the pay telephone from the street or sidewalk, in accordance with section 54-422.

(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-422. Pay telephone permit revocation; removal generally and storage costs.

(a) Upon receipt by the director of resilience and public works of a written complaint by a citizen or oral or written communication from a representative of the police department, department of fire-rescue, department of resilience and public works, or other city code enforcement personnel that a pay telephone fails to comply with the terms of this article or other provision of the Code, as amended, including but not limited to, failure to obtain a pay telephone permit, the director shall conduct an investigation into the complaint.

(b) If the investigation referenced in (a) above finds substantial evidence that the pay telephone fails to comply with the terms of this article or other provision of the Code, as amended, or if the pay telephone provider fails to remit the annual permit fee within 60 calendar days of the start of the permit year, in accordance with section 54-418, the pay telephone provider shall be notified in writing that if the violation is not cured within 30 calendar days, any existing permit issued by the department for the installation of the pay telephone may be revoked and/or the pay telephone shall be removed by the city from the street or sidewalk.

(c) The pay telephone so removed shall be stored within a city facility. The city does not assume any liability for damage to the equipment removed and stored pursuant to this subsection. Any permittee whose pay telephone(s) has been removed and stored by the city pursuant to this subsection may reclaim said pay telephone(s) after payment to the city of an administrative fee of $75.00 plus storage costs, to compensate the city for costs incurred for its removal and storage.
(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14138, § 13, 2-9-23)

Sec. 54-423. Bonds.

(a) All persons submitting a request for a pay telephone permit shall file with their request bonds solely for the protection of the city with a surety company or trust company or companies as surety or sureties in the amount sufficient to protect the city from any and all damages or costs suffered or incurred by the city as a result thereof, including but not limited to attorney's fees and costs of any action or proceeding, and including the full amount of compensation,

indemnification, cost of removal or abandonment of any property or other costs which may be in default, up to the full principal amount of such bond, which shall not exceed the amount of $50,000.00; and the condition shall be a continuing obligation during the entire term of any pay telephone permit issued in accordance herewith and thereafter until the permittee shall have satisfied in full any and all obligations to the city which arise out of or pertain to the pay telephone permit.

(b) None of the provisions of this section nor any bond accepted by the city pursuant hereto, nor any damages recovered by the city thereunder, shall be construed to excuse the faithful performance by or limit the liability of the permittee under this article or any pay telephone permit issued in accordance herewith or for damages either to the full amount of such bond or otherwise.
(Ord. No. 11937, § 2, 6-29-00)

Sec. 54-424. Indemnity and insurance.

(a) The city shall not at any time be liable for any injury or damage occurring to any person or property from any cause whatsoever, arising from the use, operation or condition of the permittee's pay telephone(s).

(b) Applicant agrees to indemnify, defend, and hold harmless the city, its officials, employees, agents, and, if applicable, its instrumentalities and each of them from and against all loss, cost, penalties, fines, damages, claims of any nature (including but not limited to, libel, slander, invasion of privacy, and unauthorized use of any trademark, trade name, or service mark), including expenses and attorneys' fees, and any and all liabilities by reason of injury to or death of any person, damage to, destruction, or loss to any property including the city, its instrumentalities, officials, employees, and agents arising out of or in connection with the performance or nonperformance of the services contemplated by this permit/agreement which is directly or indirectly caused, in whole or in part, by any act, omission, default, liability, or negligence, whether active or passive, of the applicant, its employees, agents, servants, or contractors, unless such act or omission is solely caused by the city, its instrumentalities, officials, employees, and agents. The applicant further agrees to indemnify, defend, and hold harmless the city, its instrumentalities, officials, employees, and agents against all liabilities which may be asserted by an employee or former employee of the applicant, or any of its contractors as provided above, for which the applicant's liability to such employee or former employee would otherwise be limited to payments under workers' compensation or similar laws. In addition, the applicant understands and agrees that except where caused by the negligence or misconduct of the city, its instrumentalities, officials, employees, or agents, the city shall not be liable for any loss, injury, or damage to any personal property or equipment of the applicant, its employees, agents, contractors, business licensees, or invitees placed on city property and its instrumentalities, and shall be at the sole risk of the applicant thereof. The applicant shall ensure that adequate safety precautions are in effect at all times during the term of the permit. It shall be a further condition precedent to the issuance of any such permit for work to be performed in the public right-of-way that the permit holder(s) is/are jointly and severally responsible, at each permit holder's sole expense, for any damages regarding restoring the public right-of-way to its original condition before installation of facilities. The indemnification shall survive termination of this permit/agreement.

(c) Upon the granting of a pay telephone permit and at all times during the terms of the permit, including the time for removal of facilities as provided for herein, the applicant/permittee shall obtain, and provide to the city a certificate of insurance as follows:

A certificate of insurance with respect to commercial general liability in an amount not less than $1,000,000.00 per occurrence, $2,000,000.00 aggregate, and any endorsements thereto, including, but not limited to, premises and operations liability, personal and advertising injury, products, and completed operations. The certificate shall also afford coverage for contingent exposures and underground hazards, if applicable. The certificate must reflect primary

and noncontributory language and list the city as an additional insured. The certificate shall further include coverage for all owned, hired, and non-owned vehicles with a combined single limit of $500,000.00 per accident also listing the city as an additional insured along with workers' compensation including waiver of subrogation subject to the statutory limits of the State of Florida. The insurance herein required shall remain in full force and effect during the entire term of the permit. Additionally, all such insurance shall be subject to review and approval by the city's risk management department.

All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida with the following qualifications:

The company must be rated no less than "A-" as to management and no less than Class "V" as to financial strength by the latest edition of Best's Insurance Guide published by A.M. Best Company, Oldwick New Jersey, or its equivalent subject to the approval of the city's risk management department. Companies not meeting the above rating requirements shall submit proof of reinsurance from qualifying insurers having or exceeding the required rating criteria.

The registrant/applicant shall provide 30 days prior written notice of cancellation to the city for any reason other than non-payment of premium in which ten days' notice shall apply.
(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13918, § 2, 9-24-20)

Sec. 54-425. Police powers.

Nothing in this article or in any pay telephone permit issued in accordance herewith shall be construed as an abrogation by the city of any of its police powers.
(Ord. No. 11937, § 2, 6-29-00)

Sec. 54-426. Transfers; assignments; subleases.

(a) The permittee shall not transfer or assign its interest in any permit issued in accordance herewith, other than a general assignment of the permittee's entire assets or a pledge of the assets as collateral on a loan, without the prior written authorization of the director, department of resilience and public works. For the purposes of this section, a merger of consolidation of the permittee with another company shall not be deemed a transfer or assignment. However, written notice thereof shall be given to director of resilience and public works.

(b) The permittee shall, within ten calendar days, notify the city's resilience and public works director, in writing, of any sublease, license, or other agreement it enters into with any person authorized to use, lease or license any or all of the permittee's facilities and shall furnish the name, address and telephone number of such sublessee, licensee or other user.
(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-427. Service of notice.

All notices required to be given to the city under any provision of this article shall be deemed served when received through the U.S. Mail or delivered by hand in writing to the city's resilience and public works director or to any person in charge of the department during normal business hours. Any notice required to be given to a permittee under any provision of this article shall be deemed given, whether actually received or not, if sent by U.S. registered or certified mail, return receipt requested, postage prepaid, and addressed to the permittee at the address given in its most recently issued permit.
(Ord. No. 11937, § 2, 6-29-00; Ord. No. 13792, § 1, 10-11-18)

Sec. 54-428. No liability or warranty.

This article shall not be construed to create or hold the city responsible or liable for any damage to persons or property by reason of any inspection or reinspection authorized herein or failure to inspect or reinspect, nor shall the issuance of any pay telephone permit nor the approval or disapproval of any installation authorized herein constitute any representation, guarantee or war-

ranty of any kind by, nor create any liability upon, the city or any official, agent or employee thereof.
(Ord. No. 11937, § 2, 6-29-00)

Secs. 54-429—54-439. Reserved.

ARTICLE XII. RESERVED*

*__Editor's note—__Ord. No. 13467, § 2, adopted June 12, 2014, repealed the former article XII, sections 54-440 and 54-445, which pertained to the Little Havana special events district, and derived from Ord. No. 11797, § 3, adopted May 11, 1999.

__County Code cross references—__Powers and duties of county public works department concerning subdivisions and platting, § 2-100(c); subdivision regulations, ch. 28.

__State law reference—__Subdivisions, platting, F.S. §§ 177.011—177.151.

Sec. 55-1. Definitions.

For the purpose of this chapter, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Alley is any thoroughfare or passageway (not officially designated as a street) designated as an alley by a recorded plat, deed or recorded instrument, to be a secondary means of vehicular access to the rear or side of properties otherwise abutting on a street.

Block includes "tier" or "group" and means a group of lots existing within well-defined and fixed boundaries, usually being an area surrounded by streets or other physical barriers and having an assigned number, letter or other name through which it may be identified.

Cul-de-sac means a street terminated at the end by a vehicular turnaround.

Department of resilience and public works "Engineering Standards For Design And Construction" and "Standard Contract Documents and Specifications For Public Works Projects" are the comprehensive sets of standards and specifications covering the minimum requirements for the design and construction of subdivision improvements.

Easement means any strip of land created by a subdivider for public or private utilities, drainage, sanitation or other specified uses having limitations, the title to which shall remain in the name of the property owner, subject to the right of use designated in the reservation of the servitude described as follows:

(1) *Private easement(s)* means any easement granted to specified individuals or specified public or private entities.

(2) *Public easement(s)* means any easement granted for the use of nonspecified utilities or to the public in general. Any reference to easement(s) in this section shall refer to a public easement(s) unless otherwise specified as private easement(s).

(3) *Emergency access easement* is any easement designated and maintained specifically to provide access for emergency equipment, vehicles and/or personnel to provide protection for life, property, health, welfare and safety of individuals or the general public.

Engineer means a civil engineer registered under F.S. ch. 471 who is in good standing with the state board of professional engineers.

Final plat is the final tracing, map or drawing prepared by a professional surveyor and mapper, on which the subdivider's plan of subdivision is presented to the governing body for approval, and which, if approved, will be submitted to the clerk of the circuit court for recording.

Flood criteria is the minimum finished elevation required for all lands as established and shown on the flood criteria map recorded in plat book 120, page 13 of the public records of the county as the same may be modified from time to time.

Governmental agency, as the context requires, means an official, officer, commission, authority council, committee, department, division, bureau, board, section, or another unit or entity of government.

Lot includes any platted tract or platted parcel and means the least fractional part of subdivided lands having limited fixed boundaries, and an assigned number, letter or other name through which it may be identified, intended as a single building site or unit for transfer or ownership for development.

Lot of record means, and is defined, the same as the term "lot," above.

Mapped street is a proposed right-of-way through an unplatted parcel of land, as shown on those maps on file in the department of resilience and public works.

Phased project is a project(s) which, due to its magnitude, is to be developed in multiple phases. Such phased project shall contain a minimum of three acres of land and propose more than 499,000 square feet of gross floor area within the boundaries of a single plat. The project may occupy contiguous lands, separated only by streets

or alleys. The project may be developed under a single building permit or multiple building permits.

Plat and street committee is the technical committee that shall review all tentative plats before acceptance by the city commission. The composition of the committee shall be as follows:

(1) Department of resilience and public works; department of planning; department of building; office of zoning; department of police; department of fire-rescue; and department of solid waste.*

(2) Representatives from the various public utilities, and other governmental agencies or departments, as may be needed from time to time for additional input.

Professional surveyor and mapper means a professional surveyor and mapper registered under F.S. ch. 472 who is in good standing with the state board of professional surveyors and mappers.

Public utility includes any public or private utility, such as, but not limited to, storm drainage, sanitary sewers, electric power, water service, gas service, cable television or communications facility, whether underground or overhead.

Right-of-way means land dedicated, deeded, used or to be used for a street, alley, walkway, boulevard, drainage facility, access for ingress or egress, or other purpose by the public, certain designated individuals or governing bodies.

Street includes any primary accessway such as a street, road, lane, highway, avenue, boulevard, parkway, circle, court, terrace, place or cul-de-sac, and also includes all of the land lying between the right-of-way lines as delineated on a plat showing such streets, whether improved or unimproved, but shall not include those accessways such as alleys, easements and rights-of-way intended solely for limited utility purposes, and easements of ingress and egress.

Subdivider means the person or legal entity that applies for approval of a plat of a subdivision pursuant to this chapter.

Subdivision is the platting of real property to create one or more lots, tracts or parcels, and includes establishment of new streets and alleys, additions and resubdivisions and, when appropriate to the context, relates to the process of subdividing or to the lands or area subdivided.

Supervisor of plats is the director of resilience and public works, or his/her designee, with responsibilities and authority as defined in the City Charter.

Tentative plat is a survey drawing prepared by a professional surveyor and mapper, indicating existing conditions and the proposed layout of the subdivision submitted for approval.
(Ord. No. 9584, § 1, 3-24-83; Ord. No. 9961, § 1, 2-14-85; Ord. No. 10730, § 1, 5-24-90; Code 1980, § 54.5-1; Ord. No. 11609, § 2, 2-10-98; Ord. No. 13328, § 2, 7-12-12; Ord. No. 13467, § 3, 6-12-14; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13702, § 2, 10-26-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13919, § 3, 9-24-20)

Sec. 55-2. Intent of chapter.

The intent of this chapter is to regulate the subdivision, or resubdivision, of land within the corporate limits of the city, and to aid in the coordination of land development in the community in accordance with orderly physical patterns, and to implement such other regulations and other measures as may have been or may hereafter be adopted, for:

(1) The establishment of standards of subdivision design which will encourage the development of safe, sound and economically stable neighborhoods, and the creation of healthy living environments.

(2) The efficient, adequate and economic provision of utilities and service to land developments.

(3) The prevention of traffic hazards and the provision of safe and convenient vehicular and pedestrian traffic circulation.

*__City Code cross references__—Planning, building and zoning department, § 2-201 et seq.; fire-rescue department, § 2-231 et seq.; resilience and public works department, § 2-261 et seq.; general services administration department, § 2-326 et seq.; police department, § 42-1 et seq.

(4) The provision of public open spaces as may be necessary.

(Ord. No. 9584, § 1, 3-24-83; Code 1980, § 54.5-2)

Sec. 55-3. Application of chapter.

(a) This chapter shall apply to and be enforced within the entirety of the city.

(b) No person, firm, corporation or any other legal entity shall create a subdivision anywhere in the city except in conformity with this chapter.

(Ord. No. 9584, § 1, 3-24-83; Code 1980, § 54.5-3)

Sec. 55-4. Plats and platting—Recording required.

Whenever land within the corporate limits of the city is divided or subdivided, a plat must be recorded.

(Ord. No. 9584, § 1, 3-24-83; Code 1980, § 54.5-4)

Sec. 55-5. Same—Approval before recording.

No plat of any subdivision shall be entitled to be recorded in the office of the clerk of the circuit court until it shall have been approved in the manner prescribed herein. In the event any such unapproved plat is recorded, it shall be stricken from the record upon application of the city commission.

(Ord. No. 9584, § 1, 3-24-83; Code 1980, § 54.5-5)

State law reference—Similar provisions, F.S. § 71.071.

Sec. 55-6. Same—Revising plat after approval.

Any changes, erasures, modifications or revisions to an approved plat prior to recordation may only be made by the survey section with the approval of the supervisor of plats to correct scriveners' errors, reflect accurate legal descriptions and locate right-of-way dedications, drainage ways and easements.

No changes, erasures, modifications or revisions to an approved plat prior to recordation shall be made unless resubmitted for new approval provided, however, that the governing body may, after public hearing and based only upon a recommendation of the supervisor of plats, change, modify or revise dedicated road rights-of-way or drainage easements.

(Ord. No. 9584, § 1, 3-24-83; Code 1980, § 54.5-6; Ord. No. 12643, § 2, 1-13-05; Ord. No. 13467, § 3, 6-12-14)

Sec. 55-7. Same—Procedure—Conference and tentative plat.

(a) *Preliminary conference.* The subdivider or his/her engineer or professional surveyor and mapper, prior to the preparation of the tentative plat, may informally seek the advice of the supervisor of plats, or his/her designee, in order that he/she may become familiar with the subdivision requirements.

(b) *Tentative plat.* The tentative plat shall show all of the facts and data required by the supervisor of plats to determine whether the proposed layout of the land in the subdivision is satisfactory from the standpoint of public interest.

(1) The following information shall be a part of the tentative plat unless waived by the supervisor of plats:

a. Proposed subdivision name and identifying title and the name of the city, and the section, township and range.

b. Name and address of record owner, subdivider and the professional surveyor and mapper preparing the tentative plat.

c. Location of property lines, existing easements, buildings, watercourses and other essential and significant features.

d. The names of all subdivisions immediately adjacent.

e. The location of any existing sewers water mains, stormwater infrastructure, or any other underground or overhead utilities, culverts and drains on the property to be subdivided and within adjacent rights-of-way and easements.

f. Location, names and present widths of existing and proposed rights-of-way, easements, parks and other open public spaces immediately adjacent to the land being platted.

g. The location, names and widths of any existing or mapped streets or other public ways or places within the area to be subdivided, and the locations and widths of all rights-of-way and easements proposed by the subdivider.

h. Date of survey, north point and graphic scale.

i. Legal description and plan or proposed layout of lots made and certified by a professional surveyor and mapper.

j. Existing ground elevations of the property and adjacent rights-of-way on a 25 foot-grid pattern, and any other significant elevations and extending to the centerline of adjacent rights-of-way.

k. The proposed lot lines with accurate dimensions and, in the case of odd or irregularly shaped lots, suggested location of buildings.

l. Where there are two or more land use zoning districts within the area being platted, each district shall be shown as a separate block, tract or lot on the plat.

m. The boundaries of proposed permanent utility easements over or under private property which shall not be less than 12 feet in width, except as indicated elsewhere in the chapter. Such easements shall provide satisfactory access to an existing public right-of-way shown upon the layout or upon the official map. Permanent drainage easements shall also be shown.

n. Where the tentative plat submitted covers only a part of the subdivider's entire holding, a sketch of the prospective future street system of the unsubdivided part may be required, where justified because of unusual circumstances, and the street system of the unsubmitted part will be considered in the light of adjustments and connections with the street system of the part submitted.

o. A location map at the scale of one inch equals 300 feet showing adjacent subdivisions and existing and proposed streets.

p. A plat application signed by the owner, or owner's designee, and notarized on the form prescribed by the supervisor of plats.

q. All dimensions affecting public rights-of-way and proposed dedication of the public rights-of-way shall be shown as established by the supervisor of plats.

(2) The following information shall be submitted in addition to the tentative plat if requested by the supervisor of plats, or by the plat and street committee:

a. Any proposed changes in the use, height, area and density districts or other regulations under the Miami 21, the zoning code for the city, applicable to the area to be subdivided.

b. A preliminary site development plan.

(c) *Filing copies of tentative plat and plat application.* At least 15 days in advance of a plat and street committee meeting, the subdivider shall file such copies of the tentative plat as may be required by the supervisor of plats, together with the plat application. The subdivider shall also pay such fees as may be required by the city Code for filing the tentative plat. Copies of the tentative plat shall be distributed by the supervisor of plats to members of the plat and street committee.

(d) *Review of tentative plat.*

(1) All tentative plats filed shall be reviewed for compliance with the provisions of this chapter at the next available regular meeting of the plat and street committee. Notification of the committee's findings shall be sent to the subdivider.

(2) If the subdivider does not agree with the findings of the plat and street committee, he/she may request, in writing, from the supervisor of plats, a review of the findings of the plat and street committee. The supervisor of plats shall then convene a meeting of a committee composed of the directors, or their designees, of the departments represented on the plat and street committee to discuss the findings with the subdivider. Any determinations or agreements reached during this meeting shall be binding on both the subdivider and the city.

(e) *Approval of tentative plat.* Approval and recommendation of the tentative plat by the plat and street committee shall be valid for a period of one year and six months under the terms and conditions stipulated by the committee for said approval, except for governmental entities and agencies, for which the approval and recommendation of the plat and street committee, subject to the terms and conditions stipulated therein, shall be valid for a period of two years. In the event that the subdivider does not submit a final plat and receive commission approval within the above-specified time limit, the tentative plat shall be deemed abandoned, and to obtain commission approval of a final plat the subdivider shall resubmit the tentative plat or a new tentative plat with a new application and payment of the required fees. A subdivider may request an extension of time in which to file a final plat by submitting a written request, prior to the expiration of the tentative plat, to the director of the department of resilience and public works, stating that the subdivision is located in a "critical sewer area" as designated by Miami-Dade County department of environmental resources management and, due to the sanitary sewer connection moratorium in effect in the "critical sewer areas," that the subdivider cannot obtain required water and sewer agreements from the Miami-Dade County water and sewer department. Any extension granted pursuant to this section shall be for the duration of the sanitary sewer connection moratorium plus 90 days.
(Ord. No. 9584, § 1, 3-24-83; Ord. No. 10981, § 2, 4-30-92; Ord. No. 11047, § 2, 3-11-93; Code 1980, § 54.5-7; Ord. No. 12763, § 2, 2-9-06; Ord. No. 13467, § 3, 6-12-14; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13919, § 3, 9-24-20)

Sec. 55-8. Same—Same—Final plat.

(a) *Conformity to tentative plat.* The final plat shall have incorporated all changes, or modifications, as required by the plat and street committee, to make the tentative plat conform to the requirements of this chapter. Otherwise, it shall conform to the approved tentative plat.

(b) *Preparation.* The final plat shall be prepared by a professional surveyor and mapper. The final plat shall be clearly and legibly drawn in black ink on drafting linen or a Mylar base, to a sheet size of 30 inches by 36 inches and to a scale of sufficient size to be legible, with a minimum lettering size of one-eighth of an inch. The final plat, insofar as preparation is concerned, shall comply with all applicable regulations and state laws dealing with the preparation of plats.

(c) *Contents.*

(1) Name of subdivision. The plat shall have a title or name. The terms "town," "city" or "village" or any other terms suggesting a municipality shall not appear in the title or name of any plat which includes any property in the City of Miami. The supervisor of plats of the city and/or Miami-Dade County shall disapprove any name or title which may be found to be sufficiently similar to the name of any existing town, city or village or municipal corporation, or the name similar to any previously approved plat in the incorporated or unincorporated areas of the county which may cause confusion as to the status or the location of any platted property.

(2) Deed description. Description written on map or plat. There shall be written or printed upon the plat a full and detailed description of the land embraced in the map or plat showing the township and range in which such lands are situated and the section and part of sections platted and location sketch showing the plat's location in reference to the closest corner of the section in which the plat is located. The description must be so complete that from it, without reference to the plat, the starting point can be determined and the outlines run. If a subdivision of a part of a previously recorded plat is made, the previous lots and blocks to be resubdivided shall be given. If the plat is a resubdivision of the whole of a previously recorded plat, the fact shall be so stated.

(3) Names of adjacent subdivisions.

(4) Names or numbers and width of streets immediately adjoining plat.

(5) All plat boundaries.

(6) Bearings and distances to the nearest established street lines, section corners or other recognized permanent monuments which shall be accurately described on the plat.

(7) Municipal, township, county or section lines accurately tied to the lines of the subdivision by distance and bearing.

(8) Accurate location of all monuments.

(9) Length of all arcs, radii, internal angles, points of curvature and tangent bearings.

(10) When lots are located on a curve or when side lot lines are at angles less than 87 degrees or more than 93 degrees, the width of the lot at the front building setback line shall be shown in addition to the width of the lot at the right-of-way line.

(11) The name or numbering and right-of-way width of each street or other right-of-way shown on plat.

(12) The numbering of all lots and blocks shown on the plat. All lots shall be numbered either by progressive numbers, or in blocks progressively numbered, except that blocks in numbered additions, bearing the same name shall be numbered consecutively throughout the several additions. Excepted parcels must be marked "not part of this plat."

(13) All areas reserved or dedicated for public purposes. No strip or parcel of land shall be reserved by the owner, unless the same is sufficient in size and area to be some practical use or service.

(14) The dimensions of all lots and angles or bearings.

(15) Location, dimension and purpose of any easements.

(16) Certification by a professional surveyor and mapper to the effect that the plat represents a survey made by him/her, and that their location is correctly shown.

(17) An acknowledgment by the owner, or owners, of his/her adoption of the plat, and of the dedication of streets and other public areas and the consent of any mortgage holders to such adoption and dedication.

(18) Signature of the director and city surveyor of the city department of resilience and public works, certifying that the plat appears to conform to all of the provisions and requirements of this chapter.

(19) Signatures of the city manager and city clerk, and the impression of the city seal, certifying that the city commission has approved the plat and accepted the dedications thereon by resolution, and stating the number and date of said resolution.

(20) Signature of the director of Miami-Dade county department of regulatory and economic resources and, if applicable, the director and county engineer of the Miami-Dade County Department of Transportation and Public Works indicating that the plat also conforms to Chapter 28 of the County Code.

(d) *Other data required with plat.*

(1) Restrictive covenants desired by the developer so long as they do not violate existing ordinances. Restrictive covenants shall be required covering restrictions controlling building lines, establishment and maintenance of buffer strips and walls, and restrictions of similar nature.

(2) Current opinion of title from any attorney authorized to practice law in this state.

(3) Certification from the city and county that all taxes and assessments have been paid on the land within the proposed subdivision or receipted tax bills.

(4) Necessary fees as required by city Code for processing, checking and recording plat.

(5) Certification that all required improvements within the public right-of-way have been completed and/or that the city is holding sufficient bond for the completion of the improvements. The certification shall also state that the plat appears to conform to all of the requirements of this chapter.

(e) *Approval by city commission.*

(1) Upon submission of the final plat and the additional required data, the director of the department of resilience and public works shall cause the plat to be placed on the next available city commission agenda for approval. After approval by the city commission, certification of said approval by the city manager and city clerk, and, if applicable, proof of a cleared payment to the city in the amount indicated on the total expenditure, as defined in subsection 55-15(a), the owner of the property being platted shall be notified that the plat is ready for recordation. The city shall deliver the plat to the appropriate county agency for county review and approval and subsequent recordation in the public records of Miami-Dade County. The plat must be recorded within 180 calendar days of the approval by the city commission.

(2) If the property owner has not caused the recordation of the plat within the above-specified 180 days, the director of the department of resilience and public works shall notify the city commission that the plat is in default, and is deemed abandoned. The director shall submit to the city commission, at the earliest available meeting, a resolution for their approval rescinding their prior action and ordering the release and/or refund of any bond for subdivision improvements. The property owner shall be notified by registered letter, return receipt requested, that his/her plat is in default and shall be informed of the date of the city commission meeting at which recision of his/her plat will be considered. At that meeting, the property owner may petition the city commission for an extension of time, not to exceed 30 days, in which to complete the recordation of his/her plat. The city commission may grant or deny the petition of the property owner for extension of time. If the extension of time is granted and the plat has not been recorded within the above 30-day period, the city commission shall automatically rescind its original approval of the plat.

(Ord. No. 9584, § 1, 3-24-83; Ord. No. 10385, § 1, 2-18-88; Code 1980, § 54.5-8; Ord. No. 13467, § 3, 6-12-14; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13793, § 2, 10-11-18; Ord. No. 13919, § 3, 9-24-20)

Sec. 55-9. Bonds.

Any bond required by this chapter shall be one of the following types. No other type of bond or surety to insure the accomplishment of subdivision improvements will be acceptable.

(1) Any bond written by an approved domestic or foreign surety company shall comply with the appropriate section of the Florida Statutes. The bond shall also carry the name and address of a local representative. Said surety bond shall be for an initial period of one year, and shall be automatically extended in increments of one year until the subdivider and the

surety company are notified in writing of the completion and acceptance of the subdivision improvement by the supervisor of plats.

(2) Cashier's check, drawn on a local bank, to be returned to subdivider on certification of completion and acceptance of the subdivision improvement by the supervisor of plats.

(3) Irrevocable letter of credit drawn on a local bank, valid for a initial period of one year, with automatic renewal in increments of one year until the subdivider and the issuing bank are notified in writing of the completion and acceptance of the subdivision improvements by the supervisor of plats.

(Ord. No. 9584, § 1, 3-24-83; Code 1980, § 54.5-10)

Sec. 55-10. Building permits; issuance; restrictions; exceptions.

(a) No building, paving, remodeling or renovation permits shall be issued for any structure, or other on-site improvements, on any land for which a plat has not been recorded in the public records of the county or on a lot of record that has been divided into separate parcels, except as hereinafter expressly provided.

(b) No complete, partial or temporary certificate of occupancy shall be issued by the city for any structure on any lot in the subdivision unless or until all of the required subdivision improvements are completed, except that a partial or temporary certificate of occupancy may be issued for any structure on any lot in the subdivision of a phased project upon approval by the director of resilience and public works provided that such right-of-way improvements, as required by the director of resilience and public works, for that portion of the phased project in which that structure is located are satisfactorily completed and accepted by the director of resilience and public works in accordance with the subdivision improvements provided for in the City Code, including chapter 55. All subdivision improvements must be complete on the phase in which the structure is located before a temporary certificate of occupancy is issued for that structure. Any such partial or temporary certificate of occupancy shall be conditioned upon the property owner executing and recording an agreement with the city, acknowledging specific conditions, including but not limited to, an acknowledgement that a complete certificate of occupancy will not be issued prior to the completion of all required subdivision improvements in the entire phased project.

(c) A building, remodeling or renovation permit may be issued for constructing, remodeling or renovating a one-family detached dwelling and customary accessory buildings on a parcel of unplatted land or on a lot of record that has been divided into separate parcels, if proof is submitted that said unplatted parcel was described by deed prior to September 25, 1946, or said division of lot was approved under zoning regulations in effect prior to June 27, 1983.

For a lot of record that has been divided into separate parcels where approval under zoning regulations in effect prior to June 27, 1983 cannot be demonstrated, a building permit for the construction, remodeling, or renovation of a one-family detached dwelling and customary accessory buildings may be issued provided that:

(1) The divided lot(s) of record or a combination of lots of record and divided lots of record are reviewed by the plat and street committee and approved after demonstrating:

a. A one-family detached dwelling (and customary accessory structures, if any) exists or previously existed on the divided lot(s) of record or a combination of the divided lot(s) and lot(s) of record which the building permit is sought or on the remainder of the divided lot(s) of record or a combination of the divided lot(s) and lot(s) of record for which a building permit is not being sought;

b. Compliance with the lot area and width requirements of Miami 21 or any successor land development regulations related to the same;

c. That such approval will not cause a remainder of a divided lot of record or a remainder of a divided lot of record in combination with another lot of record or divided lot of record for which a building permit is not being sought to be a substandard building site in accordance with the provisions of Miami 21; and

d. The divided lot(s) of record was divided prior to October 22, 2009;

(2) Undedicated right-of-way required to be dedicated pursuant to section 54-58 of the City Code, as amended, is dedicated to the city; and

(3) Required street improvements in connection with the building permit, if applicable, are provided pursuant to section 54-56 of the City Code, as amended.

(d) A permit may be issued for the repair, remodeling or renovation of a conforming or nonconforming building (other than a one-family detached dwelling and customary accessory buildings), structure or parking lot on a parcel of unplatted land or on a lot of record that has been divided into separate parcels, if proof is submitted that said unplatted parcel was described by deed prior to September 25, 1946, or that said division of lot was approved under zoning regulations in effect prior to June 27, 1983. Said permit will be for ordinary repairs, remodeling or renovation, for repairs or replacement of nonbearing walls (or of bearing walls where necessary for structural safety), fixtures, wiring or plumbing to an extent not exceeding those applicable provisions of the Miami 21 Code, as amended, or the Florida Building Code, whichever is more restrictive.

(e) A building permit may be issued for construction of a building (other than a one-family detached dwelling and customary accessory building), structure or parking lot on a lot, or lots, of record that has been divided into separate parcels, if proof is submitted that said division was described by deed prior to September 25, 1946, or that said division was approved under zoning regulations in effect prior to June 27, 1983.

(f) A permit may be issued for the construction by the city, its agent or lessee on city-owned land, platted or unplatted, of a structure or other on-site improvements.

(g) A permit may be issued for the construction, renovation or repair of non-habitable on-site improvements on unplatted land when said improvements are mandated by the City Charter, City Code or city commission.

(h) A permit may be issued for the repair, remodeling, or renovation of an open-air structure, open-air parking lot, or open-air paving or construction of an open-air structure provided that the open-air structure does not exceed ten percent of the parcel on a parcel of unplatted land, excepting an open-air parking lot where the repair, remodeling, or renovation shall not exceed 50 percent of the parcel on a parcel of unplatted land. Said repair, remodeling, or renovation permit will be for ordinary repairs, remodeling, renovation, or replacement of nonbearing walls (or of bearing walls where necessary for structural safety), fixtures, wiring, or plumbing to an extent not exceeding those applicable provisions of the Miami 21 Code, as amended, the City Code, as amended, or the Florida Building Code, as amended, whichever is more restrictive. This subsection shall apply only if the unplatted parcel is ten contiguous acres or more in size and shall sunset upon one year of its effective date.

(i) Where a "covenant in-lieu of unity of title" is accepted for a project pursuant to Article 7 of the Miami 21 Zoning Code, as amended, and the combined property included in the "covenant in lieu of unity of title" is legally platted or meets an exception to platting provided in City Code section 55-10, replatting of existing and future internal divisions of the property will not be required for said project provided that the combined property is in compliance with the covenant in lieu of unity of title.

(j) A building permit may be issued for construction of improvements on private property or on governmental agency-owned land within the boundaries of an approved tentative plat prior to final plat approval and recordation thereof, with the exception of any land on any

private property of an approved tentative plat that is wholly or partially within a Neighborhood Conservation District ("NCD") as defined and provided for in Appendix A of the Miami 21 Code, the zoning ordinance of the city, as amended, or any successor zoning ordinance including a NCD, unless the property owner has obtained a tentative plat approval that does not diminish lot size or increase the number of lots, subject to: (1) completion and approval, by city commission resolution, of the rights-of-way and platted easements vacation and closure procedure as set forth in section 55-15, if applicable; (2) submittal of an opinion of title from an attorney member of the fund in a form acceptable to the city attorney; (3) execution of the subdivision improvements agreements and any development agreements warranted by the city; and (4) the recording of an agreement executed by the private property owner or the governmental agency, the developer and the city, at the private property owner's or the governmental agency's expense. The provisions of the agreement shall include, as applicable, but not be limited to the following:

(1) Payment of all actual or estimated permit and other applicable regulatory fees associated with the improvements to the city prior to issuance of any building permits.

(2) Acknowledge they are proceeding at their own risk and acknowledge that they will not make a vested/property rights claim or cause of action arising or accruing by virtue of these exceptions and agree to indemnify, defend, and hold harmless the city, and, when applicable, post a payment and performance bond for the city in connection with the improvements on the tentative plat.

(3) Agree to immediately cease all construction and relinquish any and all rights to improvements constructed on the property to the governmental agency in the event that the plat is not recorded within the recordation period, as defined in subsection (10), and thus allowing the city to withdraw from the payment and performance bond.

(4) Acknowledge that nothing in the agreement shall prejudice the city's right to impose conditions on approval of the plat which are required by state, county, and/or city plat ordinances and zoning regulations or are otherwise necessary to ensure the public health, safety and welfare of the citizens of the city; nor shall the city be stopped from enforcing the terms of the agreement by reason of its issuance of building permits.

(5) Agree that the issuance of building permits is not a grant of any vested right whatsoever to the governmental agency or developer to use to complete construction of the project within the boundaries of the plat.

(6) Acknowledge that a temporary certificate of occupancy or a certificate of occupancy shall not be issued, unless and until the governmental agency or developer obtains final plat approval and records the final plat in the official records of Miami-Dade County, Florida, within the recordation period, as defined in subsection (10).

(7) Acknowledge that the condition of subsection (6), shall appear on the face of any and all building permits issued by the city pursuant to the agreement.

(8) Acknowledge that any building permits issued by the city for construction of the improvements will be issued in accordance with all applicable laws and the terms and conditions set forth in the agreement.

(9) Acknowledge that the city reserves the right to evaluate all applications for building permits for compliance with all existing laws, ordinances and regulations controlling the issuance of building permits for construction within the city.

(10) Acknowledge that the date to obtain city final plat approval and recordation of the plat in the official records of Miami-Dade County, Florida, the "recordation period," is the same as the expiration date set forth in the tentative plat approval.

(11) In the event that the governmental agency or developer does not record the plat by the expiration of the recordation period, the governmental agency and developer agree to immediately cease all construction activities on the property and to relinquish any and all rights to any improvements constructed thereon to the governmental agency; or if requested by the city, to forthwith remove the improvements within three months of the expiration of the recordation period. The governmental agency and developer agree the city shall not be held financially responsible to the governmental agency, developer or any third parties in connection with any actions taken in accordance herewith. The city will also be able to withdraw from the payment and performance bond when applicable.

(12) The governmental agency and developer agree to indemnify, defend, save, and hold harmless the city from any claims, demands, liabilities, losses, causes of action of any nature whatsoever arising out of or in connection with the agreement, the granting of any building permits or any part thereof, from and against all costs, fees, expenses, liabilities, any orders, judgments or decrees which may be entered in from and against all costs, attorneys' fees, expenses and liabilities incurred in the defense of such claim or in the investigation thereof. The governmental agency and developer agree to also post a payment and performance bond in favor of the city for the amount of the project, when applicable.

(13) A joinder by any mortgagee or any other person or firm having encumbrance of record on the property.

(14) This subsection shall not be eligible for use on any private property located within any NCD. No construction shall ever occur pursuant to any tentative plat in any NCD. This prohibition cannot be circumvented by the use of any instrument including but not limited to a covenant or unity of title.

Notwithstanding the foregoing, as to development of private property within the city, a building permit may be issued only upon the director of the city department of resilience and public works, recommending the issuance of the building permit.

(k) A building permit may be issued for the construction, repair, remodeling, or renovation of any building on one or more former lots of record within the revoked Becker's Subdivision recorded in Book 16, Page 43 of the Public Records of Miami-Dade County provided that where one or more former lots of record have been divided into separate parcels, such divided lot(s) must meet another applicable exception to platting in this section. Such building permit may also be issued for properties within this revoked subdivision that have a metes and bounds or unplatted legal descriptions provided that the properties' boundaries coincide with the lot lines of former lot(s) of record of the revoked subdivision or if such boundaries would be coterminous with a division of a former lot of record, provided that the former divided lot(s) must meet another applicable exception to platting in this section.

Any building permit issued pursuant to this subsection for a property located on Northwest 37th Street shall ensure that one "T" type turning area for the Northwest 37th Street dead-end that permits public ingress/egress in a configuration acceptable to the director of the department of resilience and public works is provided.

No certificate of occupancy or temporary certificate of occupancy shall be issued on any building permits issued pursuant to this subsection until the completion and acceptance by the department of resilience and public works of the permitted right-of-way improvements adjacent to the property as well as the completion of any other improvements necessary to ensure sidewalk connectivity from the property to the next street intersection within the boundaries of the former Becker's Subdivision.

(l) A building permit and certificate of occupancy may be issued for construction of improvements for a temporary event, occupancy, structure, or use, including interim parking, authorized pursuant to City Code article XIII of

chapter 62 on unplatted land or platted land that has not been subdivided in accordance with this chapter.

(m) A building permit and certificate of occupancy may be issued for construction improvements on property owned by Miami-Dade County that is unplatted land if it meets a platting exception pursuant to Miami-Dade County Code chapter 28, as amended.

(n) A building permit may be issued for construction of a carport, covered entry, driveway, patio or pool. This exception will not be applicable for the construction of any other structures or detached units.
(Ord. No. 9584, § 1, 3-24-83; Ord. No. 9961, § 1, 2-14-85; Code 1980, § 54.5-11; Ord. No. 11361, § 2, 4-25-96; Ord. No. 11609, § 2, 2-10-98; Ord. No. 12180, § 1, 1-10-02; Ord. No. 12788, § 2, 4-6-06; Ord. No. 13277, § 2, 7-28-11; Ord. No. 13401, § 2, 7-25-13; Ord. No. 13467, § 3, 6-12-14; Ord. No. 13652, § 2, 12-8-16; Ord. No. 13702, § 2, 10-26-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13919, § 3, 9-24-20; Ord. No. 13940, § 2, 11-19-20; Ord. No. 14045, § 2, 2-10-22; Ord. No. 14391, § 2, 9-11-25; Ord. No. 14424, § 2, 12-11-25; Ord. No. 14441, § 2, 2-12-26)

Sec. 55-11. Design standards.

(a) *Streets.*

(1) *Conformance.* All streets shall conform to those standards established by the department of resilience and public works.

(2) *Relation to adjoining street system.* New streets in any subdivision shall continue the established grid system and shall be contiguous and coterminous.

(3) *Street jogs prohibited.* Street jogs shall be prohibited unless, because of unusual conditions, the supervisor of plats determines that a centerline offset is justified.

(4) *Dead-end streets or culs-de-sac.* Dead-end streets or culs-de-sac, designed to be so permanently, shall not be longer than 600 feet, and at the closed end, a turnaround having an outside roadway diameter of at least 84 feet, and a street property line diameter of at least 100 feet, shall be required. A "T" type turning area may be allowed on existing dead-end streets, if recommended by the supervisor of plats and approved by the plat and street committee, subject to compliance with landscaping requirements to be determined by city planning, building and zoning department. If a dead-end street is of a temporary nature, a similar turnaround may be required, and provision made for future extension of the street into adjoining property, as may be required by the supervisor of plats.

(5) *Angle of intersection.* Streets shall be laid out so as to intersect as nearly as possible at right angles.

(6) *Rounding of corners.* Property lines at street intersections shall be rounded with a radius of 25 feet, except, where existing buildings or structures occupy all or a portion of the external area of the 25-foot radius, the supervisor of plats may reduce or eliminate the requirements for a rounded corner radius in which case the property owner shall proffer a covenant to run with the land in accordance with the requirements of the city Code. Where the angle of the intersecting roadways is less than 87 degrees, the supervisor of plats may reduce the required corner radius. A greater radius may be prescribed by the supervisor of plats in special cases. The supervisor of plats may permit comparable cutoffs or chords in place of rounded corners.

(7) *Minimum width.* Minimum required right-of-way widths shall be as designated in chapter 54, "Streets and Sidewalks," of the Code of the city. In the event the historic and environmental preservation board finds that an existing wall located within the undedicated portion of the zoned street width has significant historical value and recommends that said wall be preserved, the supervisor of plats may waive all or a portion of the required dedication to allow the existing wall to

remain, in which case the property owner shall proffer a covenant to run with the land in accordance with the requirements in the city Code.

(8) *Half streets.* Creation of half streets shall be prohibited, except where essential to the reasonable development of the subdivision in conformity with other requirements of these regulations, and where the supervisor of plats finds it will be practical to require the dedication of the other half when adjoining property is subdivided. Whenever a half street is adjacent to a tract to be subdivided, the other half street shall be platted within such tracts.

(9) *Names and numbers.* No street names or numbers shall be used which will be confused with or duplicate the name of existing streets. Street names shall be subject to approval of the supervisor of plats, in accordance with chapter 54 of the Code of the city.

(b) *Alleys.*

(1) Alleys shall be dedicated in commercial and industrial districts, except that the plat and street committee may waive this requirement where other definite and assured provision is made for security and service access, such as off-street loading, unloading, and parking consistent and adequate for the uses proposed.

(2) The width of any alley shall not be less than 20 feet.

(c) *Easements.*

(1) Easements shall be provided for utilities where necessary.

(2) Where a subdivision is traversed by a watercourse, drainageway or canal, there shall be provided a canal maintenance easement or right-of-way conforming substantially with the lines of such watercourse, and of such width as shall be required by the city resilience and public works department and/or Miami-Dade public works/waste management department.

(d) *Lots.*

(1) The lot depth, shape and orientation, and the minimum building setback lines shall be appropriate for the location of the subdivision and the type of development and use contemplated.

(2) Lot dimensions, after dedication of necessary rights-of-way, shall conform to the requirements of Miami 21, the zoning code, as amended, for regular or irregular conforming lots. The provisions of subsection 7.2.7 of Miami 21, as amended, shall not apply to plats which subdivide unplatted land, or a combination of platted lots and unplatted land.

(3) Each lot within a subdivision shall be provided with satisfactory access to and frontage on an existing, or newly dedicated, public street or private road.

(4) Where lots are created, each lot may be provided with perpetual right of access by private street or roadway, intersecting with an existing public street, as set forth below:

a. A minimum width of 25 feet shall be dedicated to the abutting property owners by plat.

b. A minimum pavement width of 18 feet, with a 3½-foot swale area on each side.

c. A minimum pavement width of 22 feet is required at fire hydrant locations, for a distance of 20 feet on each side of the hydrant, with a 3½-foot-wide swale area on each side.

d. A minimum radius of 45 feet on culs-de-sac.

e. On private roads, 150 feet or less in length from the public right-of-way to the end of the private street, or roadway, a "T" type turning area may be substituted for the required

cul-de-sac, sufficient for the maneuvering of fire or other emergency vehicles.

f. The right-of-way may be divided to protect natural features. The minimum right-of-way for each section of divided road shall be 15 feet, with a minimum ten-foot pavement width and with a 3½-foot-wide swale area on each outer edge.

g. Curved rights-of-way shall have a minimum inside pavement radius of 30 feet.

h. A 25-foot radius shall be provided at the intersection of private roads and publicly dedicated rights-of-way.

i. A minimum vertical clearance of 16 feet shall be provided for the entire right-of-way.

j. Drainage shall be provided according to accepted engineering standards.

k. All construction shall meet the city minimum standards.

l. A restriction will be required on the record plat to the effect that:

1. The private road will be maintained by the subdivider and/or abutting property owners in perpetuity; and

2. No attempt shall be made to dedicate the private right-of-way to the public.

m. A one-way private street may be utilized for a single-family platted subdivision under the following conditions:

1. A minimum dedicated right-of-way width of 18 feet.

2. A minimum pavement width of 17 feet. A reduction of pavement width to 15 feet will be allowed for no more than ten percent of the overall length of the roadway in order to preserve archeological and landscaping features.

3. Curved rights-of-way shall have a minimum inside pavement radius of 30 feet.

4. No parking will be permitted within the 18 feet of dedicated right-of-way.

5. A site plan and storm drainage plan shall be submitted with the tentative plat wherein said storm drainage plan design shall be confirmed through the submission of calculations to accommodate the runoff of a storm event with a one- in five-year design return frequency without ponding. Said storm drainage plan and calculations shall be signed and sealed by an engineer of professional registry in the State of Florida.

(5) Side lot lines shall, where possible, be substantially at right angles or radial to street right-of-way lines.

(6) No lots shall be established which do not provide safe, convenient access for public service, police, fire and rescue vehicles.

(7) Double frontage or through lots shall be avoided.

(8) No plat be so designed as to create a parcel, or lot, which is "landlocked," i.e., one that has no direct access to and frontage on a publicly dedicated street or private road.

(9) No plat shall be so designed as to create a remainder of a previously platted lot, or an unplatted tract of land, which is a substandard building site in accordance with the provisions of Miami 21.

(e) *Acceptance of dedication.* The dedication of public spaces shall not constitute an acceptance of the dedication by the city. The acceptance of

the dedication shall be indicated by a resolution of the city commission and by an indication on the plat of such acceptance.

(f) *Adjustments to design standards.* The supervisor of plats may authorize an adjustment to the design standards when in his/her opinion undue hardship may result from strict compliance with such standards. The standards may be adjusted to prevent hardship; provided, such adjustment will not have the effect of nullifying the intent and purpose of the overall community plan. In granting an adjustment, the supervisor of plats may prescribe any conditions that he/she deems necessary and desirable in the public interest. In making his/her findings the supervisor of plats shall take into account, among other factors, (i) the nature of the proposed use of the land and the existing use of the land and buildings, and (ii) the number of persons to reside or work in the proposed subdivision and the probable effect of the proposed subdivision upon traffic conditions in the vicinity. No adjustments may be granted unless the supervisor of plats finds that all four of the following conditions exist in regard to the land concerned:

(1) That there are special circumstances or conditions affecting the property and that strict compliance of the design standards would deprive the applicant of reasonable use of his/her land;

(2) That the adjustment is necessary for the preservation and enjoyment of a substantial property right of the applicant;

(3) That the granting of an adjustment will not be detrimental to the public welfare or injurious to the other property in the vicinity in which the property is situated; and

(4) That the adjustment will not unreasonably burden city services, including adjacent streets.

(Ord. No. 9584, § 1, 3-24-83; Ord. No. 9961, § 1, 2-14-85; Ord. No. 10330, § 1, 10-22-87; Ord. No. 10704, § 1, 2-7-90; Ord. No. 10730, § 1, 5-24-90; Ord. No. 10742, § 1, 6-28-90; Code 1980, § 54.5-12; Ord. No. 13467, § 3, 6-12-14; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13919, § 3, 9-24-20)

City Code cross references—Street names and numbering, § 54-121 et seq.; standard street widths, § 54-187.

Sec. 55-12. Required improvements.

Prior to the granting of the final approval by the city commission, the subdivider shall have installed or shall have furnished adequate bond of 115 percent of the cost of improvements, as set forth in writing to the subdivider by the supervisor of plats, for the ultimate installation of the following:

(1) *Permanent reference monuments.* Monuments shall be constructed and placed in accordance with F.S. ch. 177. Certification that monuments are in place, by a surveyor, registered in the state, must be received by the supervisor of plats in writing before any bond or surety will be released.

(2) *Streets.*

a. *Construction; inspection; approval.* All streets shall be constructed and surfaced in accordance with applicable standards and specifications of the city department of resilience and public works. Such construction shall be subject to inspection by the department of resilience and public works and issuance of necessary permits prior to construction. Where street construction complies with specifications, such installation shall be approved.

b. *Curbs, gutters and drainage.* Curbs, gutters, drainage and drainage structures which are required by the city department of resilience and public works shall be constructed in accordance with standards and specifications of the department of resilience and public works. Such construction shall be subject to the inspection of the department of

resilience and public works and issuance of necessary permits prior to construction.

c. *Seawalls and bulkheads.* Permanent-type bulkheads along the entire water frontage of a waterfront property and right(s)-of-way shall be constructed/reconstructed to be in compliance with current standards and specifications as set forth by the department of resilience and public works.

d. *Sidewalks.* Sidewalks shall be required in all residential, multiple-family, commercial and industrial areas adjacent to existing and newly dedicated street rights-of-way. Construction of sidewalks shall be subject to the inspection of the department of resilience and public works and issuance of necessary permits prior to construction.

e. *Street lighting.* Permanent street lighting shall be required for all building permit applications. All fixtures and poles shall be installed on public right-of-way, shall be of a type approved by the department of resilience and public works, and shall comply with the department's standards and bulletins.

f. *[Minimum design standards.]* All new bridges (vehicular, pedestrian, and others) shall follow the minimum design standards set forth by the American Association of State Highway and Transportation Officials Load Resistance and Factor Design bridge design specifications and the Florida Department of Transportation's Structures Design Guidelines. Coordination and permitting shall be conducted with all agencies required, including but not limited to South Florida Water Management District (SFWMD), the US Army Corps of Engineers (USACE), the Coast Guard, and utility companies.

g. *Fill.* Fill shall be placed in the entire subdivision to the elevations, after settlement, required by the department of resilience and public works or as indicated on the flood criteria maps prepared by Miami-Dade County, whichever is higher. The filling of land within any platted area contiguous to Biscayne Bay and all new or future islands or enlarged existing islands in Biscayne Bay must be constructed to standards set forth in section 54-46. The type of fill shall meet with the approval of the department of resilience and public works. Soil tests of the fill and the underlying material, in areas in which streets or other public facilities are to be located, shall be required. The fill for the balance of the subdivision may be certified by a registered engineer as to type and method of placement, or the engineer shall submit a statement as to type of fill to be supplied, method of placement, and required compaction, the latter statement being for information, not certification, purposes.

h. *Street signs.* Street name signs shall be placed at all street intersections within or abutting the subdivision. Such signs shall be of a type approved by the county and shall be placed in accordance with the standards of the county and the county manual of public works construction. The type of street signs and their location shall meet with the approval and inspection of the county's director of public works/waste management department.

i. *Postponement of improvements.* Those required street improvements or portions thereof, enumerated within subsections (2)a "Construction; inspection; approval" through (2)e "Street signs," above, may be postponed by the department of

resilience and public works with the filing of a covenant to run with the land, executed by the subdivider, guaranteeing the construction of the postponed improvements when these become necessary in the future.

(3) *Water supply system.*

a. *Domestic water supply.* The subdivider shall contact and make the necessary arrangements with Miami-Dade water and sewer department for construction, extension and/or upgrading of the domestic water supply system necessary to serve the area being platted. The final plat shall not be forwarded to the city commission for approval until notification has been received in writing by the department of resilience and public works from Miami-Dade water and sewer department that satisfactory arrangements have been made.

b. *Individual wells.* Individual wells for domestic water supply shall not be permitted. Deep wells for the disposal of on-site drainage of stormwater shall be constructed in accordance with requirements of the Miami-Dade county department of environmental resources management and shall be approved by them. On-site stormwater must be accommodated on site. Drainage from on-site sources into the public right-of-way shall not be permitted.

c. *Fire hydrants.* Where required by the fire chief, fire hydrants or fire wells shall be installed in all subdivisions in accordance with the uniform standards established by the city department of fire-rescue.

(4) *Sewage disposal system.*

a. *Connection to existing sanitary sewer.* The subdivider shall contact and make the necessary arrangements with the Miami-Dade county water and sewer department for construction, extension, and/or upgrading of the domestic water supply system necessary to serve the area being platted. On streets with existing sanitary sewers, each new lot in a subdivision shall be provided with a sanitary lateral connection. When necessary, the existing sanitary sewer shall be extended, and new lots shall be provided with a sanitary lateral connection. All construction shall comply with standards and specifications of the department of resilience and public works and Miami-Dade water and sewer department and shall be subject to the inspection by the department and subject to issuance of the necessary permits prior to construction.

b. *Septic tanks.* Where there is no sanitary sewer available, septic tanks may be permitted upon approval by the Florida Department of Health and Miami-Dade county department of regulatory and economic resources in accordance with the provisions of Chapter 24 of the Miami-Dade County Code. Septic tanks shall be installed in compliance with all of the requirements, specifications and standards of the county and state governing their use.

(5) *Underground electric and telecommunication lines.*

a. Except as expressly provided hereinafter, all utility lines including but not limited to those required for electrical power distribution, telephone and telegraph communication, street lighting and television signal service shall be installed underground. This section shall apply to all cables, conduits or wires forming part of an electrical distribution system within a subdivision, including service lines to individual properties; provided that it shall not apply to wires, conductors or

associated apparatus and supporting structures whose exclusive function is in transmission of electrical energy between generating stations, substations and transmission lines or other utility systems. Appurtenances such as transformer boxes, pedestal-mounted terminal boxes, and meter cabinets may be placed aboveground but shall be located in conformance with the requirements of the respective utility company. In areas zoned for industrial use, all electrical and communication distribution systems may be installed overhead, but the service conductors from the utility pole to the building (structure) shall be an underground service lateral. Easements shall be provided for the installation of utilities, or relocating existing facilities, in conformance with the respective utility company's rules and regulations. The supervisor of plats may waive the requirements for underground installations if the service to the adjacent area is overhead and it does not appear that further development will occur.

b. Any new service which is allowed by the provisions herein to be supplied by overhead utilities shall be connected to a service panel that is convertible for underground utility service at a future date.

c. The subdivider or developer shall pay the necessary costs, and make other necessary arrangements, for such underground installations with each of the persons, firms or corporations furnishing utility services involved. The final plat shall not be forwarded to the city commission until notification has been received in writing by the department of resilience and public works from the various utilities involved that satisfactory arrangements have been made.

(6) *Waiver provisions.* Any bond required herein shall be waived for governmental entities and agencies.

(Ord. No. 9584, § 1, 3-24-83; Ord. No. 10981, § 2, 4-30-92; Code 1980, § 54.5-13; Ord. No. 13467, § 3, 6-12-14; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13919, § 3, 9-24-20)

City Code cross references—Cable television, ch. 11; sewers, ch. 49.

Sec. 55-13. Construction plan.

(a) *Signed and sealed construction plans.* Upon approval of a plat, a letter listing the required subdivision improvements will be provided to the subdivider and/or his/her engineer. The department of resilience and public works requires signed and sealed construction plans to be submitted for the required subdivision improvements. The plans shall be the basis for preparing the estimate for the required bond.

(b) *Preparation.* The subdivider, or his/her engineer, shall confer with the department of resilience and public works to determine the standards and specifications which will govern the proposed improvements. The subdivider shall submit complete construction plans prepared by an engineer for the development of streets adjacent to the area for which application to plat has been submitted to the department of resilience and public works for their review and approval. The construction plans shall include the complete design of required sanitary sewer system, storm drainage system and the street system for the entire area to be subdivided. The subdivider shall do no construction work until his/her completed construction plans have been approved for permit by the department of resilience and public works. Reasonable time must be allotted for the proper review of the plans submitted.

(c) *Construction of improvements; employing engineer.* After construction plans have been filed and approved, the subdivider may construct the required improvements, subject to obtaining the required permits from the city and other private or public agencies. The department of resilience and public works shall be notified at least one week in advance of the date that such construction shall be commenced. Construction shall be performed under the supervision of the

department and shall at all times be subject to inspection by the department. However, this in no way shall relieve the subdivider and his/her engineer of close field supervision and final compliance with the approved plans and specifications. Where deemed necessary, the department of resilience and public works may require the subdivider to employ an engineer for complete supervision of the construction or installation of the improvements involved and may require progress reports and final certificates of the construction or installation from such engineer. The department shall establish regulations governing the inspections to be furnished by the developer or his/her engineer and may refuse to accept work which has been done without proper inspection or which does not meet specifications. No construction work shall be undertaken prior to obtaining the required permits.

(d) *Acceptance of improvements.* When construction is completed in accordance with the approved plan and specifications, and complies with the provisions of these regulations, the subdivider shall submit to the department of resilience and public works "as-built" drawings of the required subdivision improvements for inclusion in the files of the department. These as-built drawings shall be signed and sealed by a professional engineer or professional surveyor and mapper. On acceptance and approval of these drawings by the department, the subdivider shall be given written notice of approval and acceptance of the construction by the department of resilience and public works.

(e) *Bond in lieu of immediate construction.* In lieu of immediate construction of improvements the subdivider may file with the city a bond as set forth in section 55-9 in an amount established by the supervisor of plats to insure the city the actual satisfactory completion of construction of proposed improvements within a period of not more than one year from the date of such bond. All requests for extension of this time limit shall be in writing to the supervisor of plats and shall be accompanied by the necessary fee(s) as required by the Code of the city. Provisions may be made for extension of all such bonds, such extension to be as set forth in section 55-9, and commensurate with the progress of the development. No provision shall be made for reduction of such bonds. This bond shall also include a maintenance provision for one year covering all improvements by the subdivider. Bonds shall be subject to cancellation or release, only by the city upon written certification of the supervisor of plats. (Ord. No. 9534, § 1, 3-24-83; Code 1980, § 54.5-14; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13919, § 3, 9-24-20)

Sec. 55-14. Encroachments onto, into, below, and/or above rights-of-way, public easements, private easements, private platted alley, or emergency access easements; exceptions.

(a) No building or any other type of structure shall be permitted onto, into, below and/or above any right-of-way, public easement, private easement, or emergency access easement, except required or approved utility installations, or as may be permitted under the Florida Building Code or chapter 54 of the City Code, or as stated herein.

(b) The city commission, by resolution, may permit an encroachment which does not unduly restrict use of the right-of-way or public easement area where such encroachment is a necessary essential element in the construction of an otherwise authorized pedestrian and/or vehicular overpass above or underpass below said right-of-way, public easement or emergency access easement area subject to payment of a one-time user fee in accordance with subsection (c) and (f) herein below and to the recording of a covenant to run with the land executed by the property owner in accordance with subsection (d) herein below, with the payment by the owner of the requisite user fee including, but not limited to, the preparation and recording of said covenant. Notwithstanding, the city commission, by resolution, may grant a perpetual, exclusive easement (or an easement conveying a lesser interest as stated in the resolution) on an underpass below or aerial easement above said right-of-way, public easement or emergency access easement area in favor of the abutting property owner provided such use does not unduly restrict the use of the right-of-way, public easement or emergency access

easement area; the abutting property owner owns both sides of the public right-of-way, public easement or emergency access easement area; and the easement underpass or aerial easement is necessary for a transit oriented development project of city-wide or regional importance, subject to payment of a one-time user fee in accordance with subsections (c), (f), and (g) herein below, and subject to the recording of an easement or aerial easement to run with the land executed by the abutting property owner in accordance with subsection (g) herein below, with the concurrent payment by the owner of the requisite user fee including, but not limited to, the preparation and recording of said easement.

(c) Calculation of user fee. The user fee shall be calculated as follows:

(1) Property owner must obtain a certified appraisal for the land value of the two properties from a certified general appraiser approved by the city. The land value per square foot of building shall be determined by dividing the total market value of the land comprising the entire project site by the maximum amount of building square footage that can be constructed by right as permitted by the applicable city zoning code.

(2) The estimated value of the aerial or subterranean rights shall be determined by multiplying the land value per square foot of building determined in subsection (c)(1), by the total square footage of the proposed passageway(s) including multiple levels, or with respect to subsection (g) below, easement area or encroachment area.

(d) Covenant to run with the land. The covenant to run with the land (covenant) shall be in a form acceptable to the city attorney. The provisions of the covenant shall include but not be limited to:

(1) Maintenance of the overpass or underpass by the property owner in accordance with the Florida Building Code and the City Charter and Code.

(2) Restoration or removal of the encroachment by the property owner within 30 days of written notification by the director of the department of resilience and public works to properly maintain, restore, or remove the overpass or underpass, as applicable.

(3) In the event of failure of the property owner to restore, maintain or remove the overpass or underpass, when notified, the city manager may contract for the restoration or removal of the overpass or underpass, and place a special assessment lien against the owner's abutting private property for the unpaid cost of the restoration or removal. These unpaid costs and expenses incurred by the city or its agents shall constitute, and are hereby imposed as, special assessment liens against the abutting private real property of the owner, and until fully paid and discharged, or barred by law, shall remain liens equal in rank and dignity with liens of city and county ad valorem taxes and superior in rank and dignity to all other liens, encumbrances, titles and claims in, to or against the real property involved. Such fees shall become delinquent if not fully paid within 60 days after their due date. The total outstanding balance of delinquent fees and related charges shall bear an interest charge of one percent per month, on any and all of the outstanding balance of the fees due, and if not fully paid with all accrued interest by the due date will continue to accrue interest at the rate of one percent per month. Unpaid and delinquent fees, together with accrued interest, shall remain and constitute special assessment liens against the private property owner's abutting real property involved which is deriving a benefit under this chapter. Such special assessment liens for the repair, maintenance, removal or restoration costs and interest and costs thereon may be enforced by any of the methods provided in F.S. ch. 85, or in the alternative, foreclosure proceedings may be instituted

and prosecuted under the provisions of F.S. ch. 173, or the collection and enforcement of payment thereof may be accomplished by any other method authorized by law. The owner shall pay all costs of collection, including reasonable attorney fees, court costs, and abstracting and related lien expenses imposed by this chapter.

(4) Provision of an insurance policy, in an amount determined by the city's risk manager, naming the city as an additional insured for public liability and property damage. This insurance shall be in effect as long as the encroachment exists in the right-of-way, public easement or emergency access easement. If the property owner fails to continue to provide the insurance coverage, the city shall have the right to secure a similar insurance policy in its name and place a special assessment lien against the owner's abutting private property as set forth above in subsection (c)(3), for the total cost of the premium.

(5) The property owner shall hold harmless and indemnify the city, its officials and employees from any claims for damage or loss to property and injury to persons of any nature whatsoever arising out of the use, construction, maintenance or removal of the overpass or underpass and from and against any claims which may arise out of the granting of permission for the encroachment or any activity performed under the terms of the covenant.

(e) The city manager or designee may permit an encroachment onto, into, below, and/or above a private easement, private platted alley, or emergency access easement, where said encroachment is not a safety hazard, and subject to the criteria in subsections (1), (2) and (3) below:

(1) *Emergency access easements; alternate method for encroachments onto, into, below and/or above emergency access easements.*

a. *Applicability.* For encroachments onto, into, below and/or above emergency access easements shall be permitted as described herein.

b. *Initiating a request for an emergency access easement encroachment.* The city manager, or designee, the city commission, or a private applicant may initiate the request for encroachments onto, into, below and/or above an emergency access easement.

c. *Procedures.*

1. *Pre-application review.* The application for encroachment onto, into, below and/or above an emergency access easement shall be submitted for review to the supervisor of plats prior to applying for the encroachment approval.

2. *Application procedures.* After the pre-application review, a completed emergency access easement encroachment application package shall be submitted to the supervisor of plats. The application package shall consist of the following:

A. Completed application form;

B. Non-refundable application and notice fees are due pursuant to sections 2-269, 55-14(c), 62-156, and 62-22 of the Code if the encroachment onto, into, below and/or above the emergency access easement is requested by an applicant, other than any governmental agencies;

C. Legal description of all parcels of land abutting the emergency access easement proposed to be encroached upon;

D. List of all owners, including addresses, that abut the emergency access easement to be encroached pursuant to the most cur-

rent Miami-Dade County tax roll and dated no later than ten days prior to submission of the application;

E. Proof of ownership by the owners of the properties which are subject to the emergency access easement to be encroached upon; and

3. *Review process.*

A. Publication requirement. Notice of the plat and street committee meeting shall be published with the city clerk prior to the plat and street committee meeting.

B. Notice to those listed in subsection 55-14(e)(1)c.2.D. by United States Postal Service mail and posting at each entrance/exit way of the emergency access easement.

C. Plat and street committee review. The application shall be submitted to the plat and street committee at least 15 days prior to the next meeting. The plat and street committee shall determine whether the city currently uses the emergency access easement, including the city's public service vehicles, such as police, fire-rescue, solid waste and resilience and public works, during the past 12 months, in making its decision. The plat and street committee may permit an encroachment onto, into, below and/or above an emergency access easement, where said encroachment is not a safety hazard. A private applicant requesting such an encroachment onto, into, below and/or above an emergency access easement shall provide an executed hold harmless and indemnification agreement for the benefit of the city in a form acceptable to the city attorney. The plat and street committee shall make written findings of whether it recommends to unconditionally approve, approve with conditions, or deny the requested encroachment onto, into, below and/or above the emergency access easement. After issuance of the findings of fact and recommendations by the plat and street committee, applications for the encroachment shall be submitted for approval by the city manager, or designee.

D. Recording of instrument in the public record. A document as adopted by the plat and street committee shall be recorded in the public records of Miami-Dade County, Florida.

E. Authorization for city manager to correct any typographical and/or non-substantial errors. In the instance when a certified opinion of title is received and reviewed by the city attorney demonstrating that a typographical and/or non-substantial

error has occurred in the legal description of an emergency access easement that was encroached upon pursuant to this section, the city manager, or designee, shall be authorized to execute documents, in a form acceptable to the city attorney, to correct any defects in the instrument.

(2) Encroachments onto, into, below, and/or above a private easement shall be permitted as set forth herein. The city manager or designee may permit an encroachment onto, into, below, and/or above a private easement where said encroachment is not a safety hazard, subject to receipt by the city of (i) written consent of the holder(s) of the private easement(s), (ii) written releases from all benefited specified individuals or public or private entities, or a certification that no such benefited individuals or public or private entities exist within the easement, (iii) recommendations of approval from the departments of police, resilience and public works, fire-rescue, general services administration, solid waste, planning, building and zoning, or alternatively approval by the plat and street committee and (iv) an executed hold harmless and indemnification agreement by both the requesting private parties and the holder of the private easement (unless the holder of the easement is a utility) for the benefit of the city in a form acceptable to the city attorney, with the herein exceptions being subject to compliance with all other requirements of law. Any application made under this section must be accompanied by a non-refundable fee of $2,500.00. The property owner making this application shall additionally pay any recording and copying fees as established by the state, county, or city.

(3) Encroachments onto, into, below, and/or above a private alley shall be permitted as set forth herein. The city manager or designee may permit an encroachment which does not unduly restrict or prevent the use of a platted private alley where such encroachment is a necessary essential element in the construction of an otherwise authorized pedestrian and/or vehicular overpass above or underpass below said platted private alley area subject to receipt by the city of (i) written request from the owner(s) abutting the portion of the platted private alley where the encroachment is proposed, (ii) recommendations of approval from the departments of police, resilience and public works, fire-rescue, general services administration, solid waste, planning, building and zoning, or alternatively approval by the plat and street committee and (iii) an executed covenant to run with the land for the benefit of the city which shall include insurance and indemnification as set forth in subsections (d)(4) and (5) herein in a form acceptable to the city attorney with all other requirements of law.

(f) The user fee required under this section shall not apply to governmental entities and agencies, including state, county and city departments or instrumentalities that are exempted from payment of this user fee. The user fee required under this section shall not apply to transportation projects that are of regional importance that serve a public purpose, as determined by the city commission, and which operate in the tri-county (Miami-Dade, Broward, and Palm Beach County) area or a larger area, or to public transit and public agencies or entities providing rail related projects. The city reserves its right to provide, impose and collect such other municipal fees, charges, costs, or impositions as provided by applicable laws, codes and regulations on the development project.

(g) The recording of a perpetual, exclusive easement or aerial easement in favor of the abutting property owner, with acknowledgement of reciprocal agreement by abutting property owners regarding maintenance, indemnification and insurance in accordance with the following:

(1) Maintenance of the improvements in the easement area by the abutting property

owner in accordance with the Florida Building Code, the City Charter, the City Code, and other applicable laws and regulations.

(2) In the event of loss, damage or destruction to the improvements in the easement area, or any part thereof, so that it becomes a hazard to the health, safety or welfare of the public, the owner of the abutting property shall repair as soon as reasonably practicable to a safe condition, but in no event later than 365 days from the date of loss, damage or destruction. In the event of the failure of the property owner to restore, maintain, or remove the improvements in the easement area, within this prescribed period of time, the city manager may contract for the restoration of the improvements in the easement area, and place a special assessment lien against the owner's abutting private property for the unpaid cost of the restoration. These unpaid costs and expenses incurred by the city or its agents shall constitute, and are hereby imposed as special assessment liens against the abutting private real property of the owner. Such special assessment liens for the repair, maintenance or restoration costs and interest and costs thereon may be enforced by any of the methods provided in F.S. ch. 85, or in the alternative, foreclosure proceedings may be instituted and prosecuted under the provisions of F.S. ch. 170 and ch. 173, or the collection and enforcement of payment thereof may be accomplished by any other method authorized by law. The owner shall pay all costs of collection, including reasonable attorneys' fees, court costs, and abstracting and related lien expenses imposed by this chapter.

(3) Provision of an insurance policy, or policies, with coverage limits reasonably determined by the city's risk manager, listing the city as an additional insured on all applicable liability policies. This insurance shall be primary and noncontributory, and must remain in effect as long as the encroachment exists in the right-of-way, public easement or emergency access easement. If the property owner fails to continue to provide the insurance coverage, the city shall have the right to secure a similar insurance policy in its name and place a special assessment lien against the owner's abutting private property as set forth above in subsection (b), for the total cost of the premium, after providing the owner with 30 days' written notice of such failure to maintain the insurance required.

(4) The abutting property owner shall hold harmless, defend, and indemnify the city, its officials and employees, at the property owner's own cost and expense, from any claims for damage, destruction, or loss to property and injury or wrongful death to persons or any other civil action in any way arising from the granting and allowance the easement, and any claims arising from matters addressed in the easement, of any nature whatsoever arising out of the use, construction, condition, maintenance, restoration or removal of the overpass or underpass.

(h) The city commission, by resolution, may permit an encroachment into a public easement, other than a pedestrian or vehicular overpass, which does not unduly restrict the use thereof subject to the following:

(1) A recommendation of approval by the plat and street committee upon a finding that the granting of the encroachment will not be detrimental to the public welfare or injurious to any other property in the vicinity in which the encroachment is situated. A recommendation of denial by the plat and street committee may be appealed to the review committee as described herein upon written request by the applicant within 30 days of the plat and street committee's decision. Such request shall state with specificity the reasons the plat and street committee's recommendation should be overturned. The review committee shall be comprised

of the director of the department of resilience and public works (or the supervisor of plats in lieu thereof), the director of the departments of zoning, the director of the department of planning, the director of the department of building, and an assistant city manager as designated by the city manager. The review committee, acting by majority vote, shall either affirm the plat and street committee's denial or reverse its denial and grant the requested encroachment.

The decision of the review committee, which shall be rendered within 30 days after conclusion of the hearing, shall be final.

(2) Furnishing of notice by the property owner(s) to all utility companies with facilities in the easement.

(3) The execution by the property owner(s) of a hold harmless and indemnification agreement for the benefit of the city, in a form acceptable to the city attorney, which provides the following:

a. Adherence to the applicable portions of the Miami 21 Code, or any successor land development regulations of the city, as to the placement, design, and construction of any encroachment.

b. That no certificate of occupancy or certificate of completion, including temporary or partial certificates of occupancy or certificates of completion, may be issued for the property until:

1. For platted public easements, a plat vacating and closing said public easement is accepted by the city commission and recorded in the public records of Miami-Dade County, Florida;

2. For public easements created by instrument, the easement is moved, released, abandoned, or otherwise reconfigured such that the approved encroachment no longer encroaches into the same; or

3. The encroachment is removed.

c. That the encroachment is limited to that which is substantially in accordance with a specified set of approved construction plans, which plans have been reviewed and approved by the department of resilience and public works.

(Ord. No. 9584, § 1, 3-24-83; Ord. No. 10367, § 1, 1-14-88; Ord. No. 10730, § 1, 5-24-90; Ord. No. 11008, § 2, 10-8-92; Code 1980, § 54.5-15; Ord. No. 13060, § 2, 3-12-09; Ord. No. 13467, § 3, 6-12-14; Ord. No. 13535, § 2, 7-23-15; Ord. No. 13761, § 2, 4-12-18; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13821, § 2, 1-10-19; Ord. No. 14239, § 2, 12-14-23; Ord. No. 14423, § 2, 12-11-25; Ord. No. 14433, § 4, 1-8-26)

Editor's note—Ord. No. 14423, § 2, adopted Dec. 11, 2025, amended § 55-14 and in doing so changed the title of said section from "Encroachments onto, into, below, and/or above rights-of-way, public easements, private easements, or emergency access easements; exceptions" to "Encroachments onto, into, below, and/or above rights-of-way, public easements, private easements, private platted alley, or emergency access easements; exceptions," as set out herein.

Sec. 55-15. Vacation and closure of rights-of-way, platted easements, and emergency access easements by plat.

(a) *Procedure.* The vacation and closure of any rights-of-way or platted easements, and the reversion thereof to abutting property owners shall be accomplished only through the platting procedure as set forth in section 55-7, subsections (a) "Preliminary conference" through (c) "Filing copies of tentative plat and plat application;" however, the closure or vacation of any alley abutting only parcels of land zoned T3-R or T3-L (single-family residential) or T3-O (two-family residential) may be accomplished by an alternative method as set forth herein below. Additionally, unimproved alleys (alleys which have never been improved and remain in their natural state) in any T3 transect abutting any more intense transect may be vacated by the alternate method as well, as set forth below.

Further, any subdivider or applicant requesting to vacate and close a right(s)-of-way shall research and obtain a confirmation from the city's office of capital improvements and the department of resilience and public works regarding whether the city expended any funds for improvements on the right(s)-of-way proposed to be vacated and closed within the prior 50 years, except as to restricted funds required to be repaid regardless of the timeframe ("confirmation"). If the confirmation indicates that funds were expended, the city's finance department and office of management and budget will determine the total amount of the city's expenditure, specifically including expenditure of restricted funds (bond funds, grant funds, or otherwise) for such improvements as a separate line item. The amount of funds expended on the area proposed for vacation and closure shall be calculated as the ratio of the total cost of the entire project to the total square footage of the entire project multiplied by the square footage of the area proposed to be vacated. The city manager or his or her designee will issue a total expenditure, which shall specify the amount that the subdivider must repay to the city ("total expenditure"). Said confirmation and, if applicable, total expenditure must be provided to the city before the scheduling of a public hearing before the city commission regarding the vacation and closure. No application for public hearing shall be scheduled for city commission consideration without a confirmation and, if applicable, the total expenditure. Payment to the city of the amount indicated on the total expenditure shall be paid to the city before recordation of the final plat in accordance with section 55-8 of the City Code. For those plats where a right-of-way is to be closed and vacated and such former right(s)-of-way is made a part of a lot owned and used by a non-revenue generating governmental agency and used for a public purpose, the subdivider shall be exempt from payment of the total expenditures for so long as the lot(s) containing said right(s)-of-way remain owned and used by a non-revenue generating governmental agency for a public purpose and shall be pro-rated based upon the square footage of the right(s)-of-way to be contained in a lot owned and used by a non-revenue generating governmental agency and used for a public purpose, relative to that which is not. The city attorney may take any and all steps necessary to require repayment of the total expenditure upon the exemption no longer being applicable in order to maintain compliance with restrictions related to tax-exempt bond, restricted grant, and other funds. Any governmental entity availing itself of this exemption shall repay the total expenditure in full with the maximum statutory interest should that entity be found to not be in compliance with restrictions related to tax-exempt bonds, restricted grants, and other funds as it relates to the use of the property containing said former right(s)-of-way.

(b) *Plat and street committee review of tentative plat.* All tentative plats involving vacation and closure shall be reviewed for compliance with all technical requirements of this chapter by the plat and street committee, and including the following criteria:

(1) No tentative plat will be considered by the plat and street committee which includes only rights-of-way or easements to be vacated and closed. The properties on each side of the rights-of-way or easements to be vacated and closed shall be included in the plat, and all abutting property owners shall join in the plat and the disposition of the rights-of-way or easements shown.

(2) Vacation and closure of half the width of the right-of-way or easement shall not be permitted.

(3) Where the subdivider requests the vacation and closure of a portion of the right-of-way connecting two streets, he/she shall provide a cul-de-sac specified in section 55-11 "Design standards." This cul-de-sac shall be fully within the property being platted. All property owners abutting the right-of-way between the two streets shall join in the plat abandoning and disclaiming all right, title and interest in the portion of the right-of-way being closed except as provided in section 54-4.

(4) Where the subdivider requests the vacation and closure of a portion of an alley,

he/she shall provide on his/her property suitable access from the closed end of the alley to the nearest public street, or streets, as required by the plat and street committee. All property owners abutting the alley shall join in the plat as required in subsection (b)(3), except as otherwise specifically provided in section 54-4.

(c) *Further consideration for vacations and closure.* In addition to review for technical compliance, the plat and street committee shall also consider the request for vacation and closure with respect to the following:

(1) Is it in the public interest, or would the general public benefit from the vacation of the rights-of-way or easements?

(2) Is the general public no longer using the rights-of-way or easement, including public service vehicles such as trash and garbage trucks, police, fire or other emergency vehicles?

(3) Would there be no adverse effect on the ability to provide police, fire or emergency services?

(4) Would the vacation and closure of the rights-of-way or easements have a beneficial effect on pedestrian and vehicular circulation in the area?

(d) *Findings of fact and recommendations.* After review of the tentative plat, and if the tentative plat complies with the technical requirements of this chapter, the plat and street committee shall forward to the planning, zoning and appeals board and the subdivider, in writing, its findings of fact that the tentative plat is in conformance with the technical requirements of this chapter, and shall also include its recommendations based on consideration of those items in subsection (c). If the tentative plat does not comply with the technical requirements, the subdivider shall be notified, and further action shall be withheld until the tentative plat is corrected.

(e) *Alternate method for vacation and closure of platted easements.* The vacation and closure of platted private easements; platted public easements and platted emergency access easements, shall be accomplished by replatting the property as set forth in this section. Public hearings by the planning, zoning and appeals board and city commission are required, except in cases where waived by the city manager or his/her designee. Before the requirement for such public hearings may be waived, the applicant shall have obtained (i) written consent to vacate and close the platted private easement(s), platted public easement(s) or platted emergency access easement(s) from the holder(s) of the easement(s), (ii) written releases from all benefited specified individuals or public or private entities, or a certification that no such benefited individuals or public or private entities exist within the easement(s); and (iii) recommendations of approval from the departments of police, resilience and public works, fire-rescue, solid waste, planning, building and office of zoning. The written consent that must be obtained from the holder(s) of the easement(s) must specify that the holder(s) of the easement(s) consent(s) to the vacation and closure of the easement(s) and must specify whether the holder(s) of the easement(s) has (have) granted any type of interest in the easement(s) to a third party, and shall specify the third party's identity. In the event that a third party does have an interest in the easement(s), the applicant must also obtain the third party's written approval to vacate and close the easement(s). In addition, the applicant must submit an ownership and encumbrance search report prepared by a title company of the area encompassed by the easement(s) that is (are) to be vacated and closed.

(f) *Planning, zoning and appeals board's public hearing for vacation and closure of rights-of-way and platted easements.* After issuance of the findings of fact and recommendations by the plat and street committee, the subdivider shall make application to the hearing boards section for a public hearing by the city planning, zoning and appeals board for the vacation and closure. The procedure for public notice and public hearing shall be as set forth in sections 62-19 et seq., including the payment of the necessary fees as required by the Code.

(g) *City commission's public hearing for vacation and closure of rights-of-way or easements.* After public hearing before the planning, zoning

and appeals board and a recommendation by the board for or against the vacation and closure, a public hearing shall be held before the commission of the city. The procedure for public notice and public hearing shall be as set forth in sections 62-19 et seq., including the payment of any necessary fees as required by the Code. If the city expended any funds on the right(s)-of-way proposed to be vacated and closed pursuant to the confirmation provided by the city, the total amount of funds shall be indicated in the total expenditure and those funds shall be repaid to the city in full, except for those properties meeting the non-revenue generating governmental agency exception as provided in subsection 55-15(a) of the City Code.

(h) *Determination by city commission.* If the city commission determines that it is not in the public interest, the rights-of-way or easements shall not be closed, and the plat shall be denied. If the city commission approves the requested vacation and closure, the subdivider may proceed with the plat as set forth in sections 55-8 through 55-14.

Approval of the requested vacation and closure shall be valid for a period of four years and shall remain independent of the referenced tentative plat during this period. The approved final plat must be recorded within the four-year approval period of the requested vacation and closure. Any revised tentative plat submitted for review subsequent to the approved vacation and closure must be compatible with the approved vacation and closure, as determined by the plat and street committee. The tentative plat most recently approved by the plat and street committee shall be the official tentative plat of reference when submitting documents for final plat approval by the city commission.

(i) *Public alleys; alternative method for closure and vacation of public alleys abutting parcels of land zoned T3-R or T3-L (single-family residential) or T3-O (two-family residential) and unimproved public alleys in T3 transect zones which abut any more intense transect zones.*

(1) *Applicability.* For public alleys which only abut parcels of land zoned T3-R or T3-L (single-family residential) or T3-O (two-family residential). Any public alley which has a parcel of land abutting any side which is zoned with greater intensity than T3 must follow the procedure established in subsection (a) herein. However, unimproved alleys (alleys which have never been improved and remain in their natural state) in any T3 transect zone abutting any more intense transect zone may be vacated by the alternate method stated in this section. An alley lying between two streets shall not be vacated unless the entire portion of the alley between such streets is vacated and closed.

(2) *Initiating a request for alley closure.*

a. The city manager independently or at the direction of the city commission, may initiate the closure of a public alley abutting parcels of land zoned T3 (single-family and two-family residential) or unimproved alleys in T3 which abut any more intense transect zone.

b. A property owner whose property is abutting parcels of land zoned T3 (single-family and two-family residential) or unimproved public alleys in T3 which abut any more intense transect zone, may file an application.

(3) *Procedures.*

a. *Pre-application meeting.* Any property owner making application to vacate and close a publicly dedicated alley must meet with the supervisor of plats, or designee, and the director of planning and zoning, or designee, prior to applying for the vacation and closure. The purpose of the pre-application meeting is to acquaint the applicant with the procedures for vacating and closing an alley and to acquaint the supervisor of plats or designee with the proposed vacation.

b. *Application procedures.* After the pre-application meeting, the

applicant shall submit to the supervisor of plats, or designee, a completed publicly dedicated alley application package. The application package shall consist of the following:

1. Completed application form;
2. Non-refundable application fee pursuant to section 2-269;
3. Legal description of all parcels of land abutting alley proposed to be vacated and closed;
4. List of all owners, including addresses, that abut the alley to be vacated and closed pursuant to the most current Miami-Dade County Tax Roll and dated no later than ten days prior to submission of the application;
5. Proof of ownership by the applicant of the property which abuts the alley to be vacated and closed; and
6. Statement from applicant as to whether the general public currently uses the alley, including public service vehicles such as trash and garbage trucks, police, fire or other emergency vehicles during the past 12 months.

c. *Review process.*

1. *Publication requirement.* Notice of the plat and street committee meeting shall be published with the clerk of the city prior to the plat and street committee meeting. Notice of the public hearing before the planning, zoning and appeals board shall be published one time, in a newspaper of general circulation in the municipality at least ten days prior to the date of the planning, zoning and appeals board hearing.
2. Notice to other property owners by U.S. Mail and posting at each entrance/exit way of alley. Notice shall be sent via U.S. Mail, certified return receipt requested to all property owners that abut the proposed alley to be vacated and closed. Additional notice may be required as specified on the instrument of dedication of the public alley. The city shall also post notice of the public hearing at each entrance/exit of the alley.
3. *Plat and street committee review.* The application shall be submitted to the plat and street committee 15 days prior to the next meeting. The plat and street committee shall make a recommendation to the planning, zoning and appeals board, in writing, of its findings of fact and whether the plat and street committee recommends to unconditionally approve, approve with conditions, or deny the requested vacation and closure. After issuance of the findings of fact and recommendations by the plat and street committee, the applicant shall make application for a public hearing with the planning, zoning and appeals board.
4. *Planning, zoning and appeals board authority.* The planning, zoning and appeals board or its successor is designated as the authority to render decisions pertaining to the closure and vacation of alleys pursuant to the provisions of this section.
5. *Planning, zoning and appeals board determination.* Upon receipt of the plat and street committee's recommendation, the planning, zoning and

appeals board shall determine whether the requested vacation and closure may be granted because it is in the best interest of the public. Determination of the closure shall be based on whether the alley provides the public services. The planning, zoning and appeals board shall then by resolution approve, deny or approve with conditions, the requested vacation and closure if such action is determined to be in the best interest of the public. The planning, zoning and appeals board shall deny the request if the evidence does not support the vacation and closure would be in the best interest of the public and the primary reason for the closure is to provide a benefit for the applicant or adjacent property owners. The planning, zoning and appeals board may attach conditions to an approval including, but not limited to, access and utility easements reservation, landscaping, and public access easement. Confirmation and, if applicable, total expenditure, both as defined in subsection 55-15(a) of the City Code, and payment to the city of the amount indicated on the total expenditure, must be provided to the city before the scheduling of a public hearing before the planning, zoning and appeals board regarding the vacation and closure. No application for public hearing shall be scheduled for planning, zoning and appeals board consideration without a confirmation and, if applicable, the total expenditure and payment, except as provided in subsection 55-15(a) of the City Code.

6. *Appeal to the city commission.* Decisions of the planning, zoning and appeals board are to be deemed final unless, within 15 calendar days of the date of the board decision, a request for review by the city commission is made in the manner set forth in the zoning ordinance and City Code.

7. *Receipt of fees for approved alley closures and vacations.* Upon receipt of notification of alley closure and vacation approval, the applicant will submit such fees that are required for the publication of closure and vacation and recording fees pursuant to section 2-269.

8. *Automatic reservation of easement and procedure for release thereof.* The city shall automatically reserve an easement over, across and under said lands for the installation, maintenance and operation of any utility located or to be located in the alleys or portions thereof vacated and closed pursuant to this section. If the applicant desires that no easement be reserved, then as part of the application package referred to in subsection 55-15(i)(3)b., the applicant is to submit release letters from all utility companies stating that said utility company will release any interest in an easement for the alley being vacated and closed.

9. *Zoning of vacated alley.* The district use and area regulations governing the property abutting upon each side of such

alley shall be automatically extended to the reversionary line of the alley included within the vacation and closure, unless otherwise specified.

10. *Recording of instrument in the public record.* The proof of publication of notice of public hearing and the resolution as adopted, shall be recorded in the public records of Miami-Dade County, Florida.

11. *Authorization for city manager to correct any typographical and/or non-substantial errors.* In the instance when a certified opinion of title is received and reviewed by the city attorney demonstrating that a typographical and/or non-substantial error has occurred in the legal description of an alley or abutting parcels of land that was closed pursuant to this section, the city manager is authorized to execute documents, in a form acceptable to the city attorney, to correct any defects in the instrument.

(j) *Private alleys; alternative method for closure and vacation of private alleys abutting parcels of land zoned T3-R or T3-L (single-family residential) or T3-O (two-family residential) or unimproved private alleys in T3 transect zones which abut any more intense transect zones.*

(1) *Applicability.* This section applies to the closure and vacation of any private alley, which only abut parcels of land zoned T3-R or T3-L (single-family residential) or T3-O (two-family residential). Any private alley which has a parcel of land abutting any side which is zoned with greater intensity than T3, must follow the procedure established in this section. However, unimproved alleys (alleys which have never been improved and remain in their natural state) in any T3 transect zone abutting any more intense transect zone may be vacated by the alternate method stated in this section, as well. An alley lying between two streets shall not be closed and vacated unless the entire portion of the alley between such streets is closed and vacated.

(2) *Initiation of a request for alley closure.* A property owner whose property is abutting a particular private alley as described in subsection (j)(1) and by following the procedure as stated in subsection (j)(3) may file an application.

(3) *Procedures.*

a. *Pre-application meeting.* Any person proposing to vacate a privately dedicated alley must meet with the supervisor of plats, or designee, and the director of planning and zoning, or designee, prior to applying for the closure and vacation. The purpose of the pre-application meeting is to acquaint the applicant with the procedures for closing and vacating an alley and to acquaint the supervisor of plats, or designee, with the proposed vacation.

b. *Application procedures.* After the pre-application meeting, the applicant shall submit to the supervisor of plats, or designee, a completed privately dedicated alley application package. The application package shall consist of the following information:

1. Complete application form; application must be executed by all property owners which abut the private alley;

2. Receipt of non-refundable application fee pursuant to section 2-269;

3. Survey of private alley to be closed and vacated including all abutting parcels of land with zoning designations, certified by a professional surveyor and mapper. Also, the survey must include the legal descrip-

tion and acreage of alley proposed to be closed and vacated;

4. Proof of ownership from all the property owners that abut the private alley to be closed and vacated;

5. Releases from all utility companies and statement from applicant as to whether the general public currently uses the alley, including public service vehicles such as trash and garbage trucks, police, fire or other emergency vehicles during the past 12 months.

c. *Review process.*

1. *Publication requirement.* Notice of the plat and street committee meeting shall be published with the clerk of the city prior to the plat and street committee meeting.

2. *Plat and street committee review.* The application shall be submitted to the plat and street committee 15 days prior to the next meeting. The plat and street committee shall make a recommendation to the planning, zoning and appeals board, in writing, of its findings of fact and whether the plat and street committee recommends to the planning, zoning and appeals board that the city does or does not have any interest in the private alley. After issuance of the findings of fact and recommendations by the plat and street committee, the applicant shall make application to the hearings boards section, for a public hearing by the city planning, zoning and appeals board for the vacation and closure.

3. *Planning, zoning and appeals board authority.* The planning, zoning and appeals board or its successor is designated as the authority to render decisions pertaining to the closure and vacation of alleys pursuant to the provisions of this section.

4. *Planning, zoning and appeals board determination.* Upon receipt of the plat and street committee's recommendation, the planning, zoning and appeals board shall determine whether the city has any interest in the closure of the platted private alley and whether it is in the interest of the public good to consent to the closure and vacation of the private alley. The planning, zoning and appeals board shall by resolution consent, consent with conditions or object to the requested closure and vacation. The condition of the approval of the closure and vacation may be in the form of a reservation of easement. Confirmation and, if applicable, total expenditure, both as defined in subsection 55-15(a) of the City Code, and payment to the city of the amount indicated on the total expenditure, must be provided to the city before the scheduling of a public hearing before the planning, zoning and appeals board regarding the vacation and closure. No application for public hearing shall be scheduled for planning, zoning and appeals board consideration without a confirmation and, if applicable, the total expenditure and payment, except for those properties meeting the non-revenue

generating governmental agency exception as provided in subsection 55-15(a) of the City Code.

5. *Appeals to the city commission.* Decisions of the planning, zoning and appeals board are to be deemed final unless, within 15 calendar days of the date of the board decision, a request for review by the city commission is made in the manner set forth in the zoning code and City Code.

6. *Final resolution*. The final resolution shall be provided to the applicants for proper recordation in the public records of Miami-Dade County, Florida.

7. *Zoning of vacated alley.* The district use and area regulations governing the property abutting upon each side of such alley shall be automatically extended to the reversionary line of the area included within the closure and vacation, unless otherwise specified.

(k) *Waiver of fees.* The city manager may waive the vacation and alley closure fee required pursuant to subsection 62-22(a)(11) in instances where the subdivider, by plat, is dedicating for public use, right-of-way that is equal to or greater in size than that which is being vacated.

(l) *Emergency access easements; alternate method for closure and vacation of emergency access easements.*

(1) *Applicability.* The closure and vacation of emergency access easements shall be permitted as described herein.

(2) *Initiating a request for closure and vacation of an emergency access easement.* The city manager, or designee, the city commission, or a private applicant may initiate the request the closure and vacation of an emergency access easement.

(3) *Procedures.*

a. *Pre-application review.* The application for closure and vacation of an emergency access easement shall be submitted for review to the supervisor of plats prior to applying for the closure and vacation approval.

b. *Application procedures.* After the pre-application review, a completed emergency access easement closure and vacation application package shall be submitted to the supervisor of plats. The application package shall consist of the following:

1. Completed application form;

2. Non-refundable application and notice fees are due pursuant to sections 2-269, 55-14(c), 62-156, and 62-22 of the Code if the closure and vacation is requested by an applicant, other than any governmental agencies;

3. Legal description of all parcels of land abutting the emergency access easement proposed to be closed and vacated;

4. List of all owners, including addresses, that abut the emergency access easement to be closed and vacated pursuant to the most current Miami-Dade County tax roll and dated no later than ten days prior to submission of the application; and

5. Proof of ownership by the owners of the properties which are subject to the emergency access easement to be closed and vacated.

c. *Review process.*

1. Publication requirement. Notice of the plat and street committee meeting shall be

published with the city clerk prior to the plat and street committee meeting.

2. Notice to those listed in subsection (l)(3)b.4.—5. by United States Postal Service mail and posting at each entrance/exit way of the emergency access easement.

3. Plat and street committee review. The application shall be submitted to the plat and street committee at least 15 days prior to the next meeting. Confirmation and, if applicable, total expenditure, both as defined in subsection 55-15(a) of the City Code, and payment to the city of the amount indicated on the total expenditure, must accompany the application for the vacation and closure, except for those properties meeting the non-revenue generating governmental agency exception as provided in subsection 55-15(a) of the City Code. The plat and street committee shall determine whether the city currently uses the emergency access easement, including the city's public's service vehicles, such as police, fire-rescue, solid waste, and public works, during the past 12 months, in making its decision. The plat and street committee may permit the requested closure and vacation of the emergency access easement, where said closure and vacation is not a safety hazard. A private applicant requesting such a closure and vacation of an emergency access easements shall provide an executed hold harmless and indemnification agreement for the benefit of the city in a form acceptable to the city attorney. The plat and street committee shall make written findings of whether it recommends to unconditionally approve, approve with conditions, or deny the requested closure and vacation of the emergency access easement. After issuance of the findings of fact and recommendations by the plat and street committee, applications for the closure and vacation shall be submitted for approval by the city manager, or designee.

4. Recording of instrument in the public record. A document as adopted by the plat and street committee shall be recorded in the public records of Miami-Dade County, Florida.

5. Authorization for city manager to correct any typographical and/or non-substantial errors. In the instance when a certified opinion of title is received and reviewed by the city attorney demonstrating that a typographical and/or non-substantial error has occurred in the legal description of an emergency access easement that was closed pursuant to this section, the city manager, or designee, shall be authorized to execute documents, in a form acceptable to the city attorney, to correct any defects in the instrument.

Ord. No. 13761, § 2, 4-12-18; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13793, § 2, 10-11-18; Ord. No. 13843, § 2, 6-13-19)

Sec. 55-16. Consideration of easements and alleys when alleged to be abandoned as a matter of law.

(a) *General application and requirements to deem an easement or alley as abandoned.* An easement or alley may be deemed abandoned as a matter of law, following a recommendation by the plat and street committee, if properly approved by the city commission, and if the expiration of the easement is not properly addressed in the easement instruments. In determining if an easement or alley is abandoned, the following shall be considered:

(1) The departments of the city, or other governmental agencies who have permitting authority, have not issued any permits for utilities, communications, or similar uses within the easement or alley area in the last 30 years.

(2) The general public has not used the easement or alley for a public purpose for an associated or incidental purpose in the last 30 years. The 30 years shall be substantiated by documentation including, without limitation, affidavits based on personal knowledge, photographic evidence, tax cards and other evidence such as surveys attesting that there has been no use by the public.

(3) There are no records or documents that require the easement or alley to be opened for access or use by the general public, or that require denial of any private use within the easement.

(4) The city, or other governmental agencies who have permitting authority, have issued building permits allowing construction on or within the easement or alley.

(5) All written evidence submitted by the property owner to the resilience and public works department indicates that any public service or public purpose use of the easement or alley has been abandoned by the city or the general public, as applicable.

(6) The city has, at all relevant times in the past 30 years, collected ad valorem taxes and similar assessments, levies or impositions on the lots inclusive of the portion of the lots where the easement or alley is located.

(7) Written evidence demonstrating that the intention of the parties was to abandon the easement or alley.

(8) Such other factors as are recognized by the laws of the State of Florida to deem an easement or alley abandoned under the general laws of this state.

(9) This section is supplemental to any other remedies provided by the laws of the State of Florida such as judicial declaration that an easement or alley is abandoned or a quiet title action.

(b) *Additional documentation.* The property owner may have additional documents to support his or her allegation that the easement or alley has been abandoned and recognized as vacated. These documents must be promptly submitted to the resilience and public works department. The property owner will bear the burden to produce any additional documents at the request of the resilience and public works department. The resilience and public works department will only schedule hearings once the application is complete. The resilience and public works department may establish required documents for such application and it shall only be processed when such documents are submitted.

(c) *Repayment of funds expended by the city for improvements on the easement or alley proposed to be abandoned.* The property owner requesting the abandonment under this section shall research and obtain a confirmation as referenced in subsection 55-15(a) from the city's office of capital improvements and the department of resilience and public works regarding whether the city expended any funds for improvements on the easement or alley proposed to be abandoned within the prior 50 years, except as to restricted

funds required to be repaid regardless of the timeframe ("confirmation"). If the confirmation indicates that funds were expended, the city's finance department and office of management and budget will determine the amount of the city's expenditure, specifically including expenditure of restricted funds (bond funds, grant funds, or otherwise) for such improvements as a separate line item. The city manager or his or her designee will issue a total expenditure, which shall specify the amount that the applicant must repay to the city ("total expenditure"). Said confirmation and, if applicable, total expenditure, as well as proof of a cleared payment to the city in the amount indicated on the total expenditure, must accompany the application for public hearing before the city commission regarding the abandonment. No application for public hearing shall be accepted without a confirmation and, if applicable, the total expenditure, as well as proof of a cleared payment to the city in the amount indicated on the total expenditure. For requests for abandonment by a property owner that is a non-revenue generating governmental agency which uses the property burdened by the easement or adjacent to the alley, as applicable, for a public purpose, the total expenditure shall be calculated but not owed to the city. In lieu of payment, the resolution by the city commission pursuant to subsection (f) shall contain the applicable total expenditure and require repayment of that portion expended by the city within the prior 50 years from the time when said portion of the lot, no longer burdened by the easement or adjacent to the alley, as applicable, is no longer owned by a non-revenue generating governmental agency or used for a public purpose. The city attorney may take any and all steps necessary to require repayment of the total expenditure upon the exemption no longer being applicable, in order to maintain compliance with restrictions related to tax-exempt bonds, restricted grants, or other funds. The total expenditure shall be paid in full to the city within ten days with the maximum statutory interest when the property ceases to be owned by a non-revenue generating governmental entity, used for a public purpose, or found to not be in compliance with restrictions related to any tax-exempt bonds, restricted grants, or other funds as it relates to the use of the property containing said former easement or alley.

(d) *Receipt of fees.* Any application made under this section must be accompanied by a non-refundable fee of $2,500.00. The property owner making this application shall additionally pay any recording and copying fees as established by the state, county, or city.

(e) *City commission's public hearing for deeming an easement or alley abandoned as a matter of law.* Once the required criteria have been met, a public hearing shall be held before the city commission. The procedure for public notice and public hearing shall be as is followed by the department of resilience and public works for their public hearing agenda items.

(f) *Determination by the city commission.* If the city commission determines that abandonment interferes with a public interest, the easements or alleys shall not be considered abandoned and the request shall be denied. If the city commission approves the request by passage of a resolution, the property owner may record a certified copy of this resolution.

Article V. Ad Valorem Tax Exemption For Enterprise Zone Businesses

Sec. 56-111. Definitions.
Sec. 56-112. Miami-Dade County's water and sewer department water and sewer connection charge exemption.

ARTICLE I. IN GENERAL

Secs. 56-1—56-25. Reserved.

ARTICLE II. PUBLIC SERVICE TAXES*

Sec. 56-26. Definitions.

For the purposes of this article the following words and phrases shall have the meanings respectively ascribed to them by this section:

Bottled gas: All types and kinds of natural, liquefied petroleum and manufactured gas for lighting, heating, cooking, power or any other purpose delivered to any purchaser thereof within the city.

Electricity: All electric current or energy for lighting, heating, cooking, power or any other purpose delivered to any purchaser thereof within the city.

Fuel oil: All bunker C oil, no. 1 and no. 2 fuel oil and kerosene or any combination thereof for lighting, heating, cooking, power or any other purpose delivered to any purchaser thereof within the corporate limits of the city.

Metered gas: All types and kinds of natural and manufactured gas for lighting, heating, cooking, power or any other purpose delivered to any purchaser thereof within the city.

Private communication service:

(1) A communication service furnished to a subscriber or user that entitles the subscriber or user to exclusive or priority use of a communication channel or groups of channels, or to the use of an intercommunication system for the subscriber's stations, regardless of whether such channel, groups of channels, or intercommunication system may be connected through switching with a local telephone service, a teletypewriter or computer exchange service or a toll telephone service;

(2) Switching capacity, extension lines, and stations or other associated services which are provided in connection with, and which are necessary or unique to the use of channels or systems described in subparagraph (1) of this definition; or

(3) The channel mileage which connects a telephone station located outside a local telephone system area with a central office in such local telephone system.

Purchase as to all public services except telecommunications services: Every act or transaction whereby possession of, utilization of, control over or title to electricity, water, metered gas, bottled gas, or fuel oil, and the duty and obligation to pay therefor, become vested in the purchaser within the city.

Purchase within the municipality as to telecommunications services:

(1) All local recurring service charges for services originating within the city; and

(2) All charges for Florida intrastate telecommunications services, which charges are paid within the city upon receipt of service within the city or are billed to a telephone number within the city or a telecommunications or other billing number or device within the city; or

(3) If the location of the telecommunications services provided cannot be determined, the total amount billed for such telecommunications services to a telephone or telephone number, a telecommunications number or device, or a customer's billing address located within the municipality.

Purchaser: Every person legally liable for the payment for electricity, metered gas, bottled gas or fuel oil delivered to him/her, or telecommunications service or water service rendered to him/her by a seller.

Seller: Every person delivering electricity, metered gas, bottled gas or fuel oil, or rendering telecommunications service or water service to any purchaser thereof.

*__State law reference__—Authority of city to levy public service tax, F.S. § 166.231.

Telecommunications service:

(1) Local telephone service, toll telephone service, telegram or telegraph service, teletypewriter or computer exchange service, or private communication service; or

(2) Cellular mobile telephone or telecommunications service, specialized mobile radio, and pagers and paging service, including but not limited to "beepers" and any other form of mobile and portable one-way or two-way communication, but does not include services or equipment incidental to telecommunications services enumerated in this paragraph such as maintenance of customer premises equipment, whether owned by the customer or not, or equipment sales or rental for which charges are separately stated, itemized, or described on the bill, invoice, or other tangible evidence of the provision of such service.

Teletypewriter or computer exchange service: The access from a teletypewriter, telephone, computer, or other data station of which such station is a part, and the privilege of intercommunication by such station with substantially all persons having teletypewriter, telephone, computer, or other data stations constituting a part of the same teletypewriter or computer exchange system, to which the subscriber or user is entitled upon payment of a charge or charges, whether such charge or charges are determined as a flat periodic amount, on the basis of distance and elapsed transmission time, or some other method. The term "teletypewriter or computer exchange service" does not include local telephone service or toll telephone service.

Toll telephone service:

(1) A telephonic-quality communication for which there is a toll charge which varies in amount with the distance and elapsed transmission time of each individual communication; or

(2) A service which entitles the subscriber or user, upon the payment of a periodic charge which is determined as a flat amount or upon the basis of total elapsed transmission time, to the privilege of an unlimited number of telephonic communications to or from all or a substantial portion of the persons having telephone or radio telephone stations in a specified area which is outside that local telephone system area in which the station provided with this service is located.

The term "toll telephone service" includes wide-area telephone service charges.

Water service: The water supply furnished to all consumers of the city by the Miami-Dade Water and Sewer Authority (or department) for retail use and not for resale.
(Ord. No. 10263, § 1, 4-30-87; Code 1980, § 55-11; Ord. No. 13676, § 2, 4-27-17)

Sec. 56-27. Rate and amount of public service tax on purchase of public utility services except telecommunications service; levy of tax.

There is hereby levied and imposed by the city upon every purchase of electricity, metered gas, bottled gas, fuel oil, and water service, included in or reflected by any bill rendered by the seller to the purchaser, a public service tax which shall be determined as follows:

(1) When the seller, in accordance with his/her rules and regulations, renders a bill to the purchaser to cover purchases made during the period of time to which the bill is applicable, the amount of public service tax shall be ten percent, exclusive of governmental charges and taxes, shown on any such bill, due and payable on account of such purchases, of such total amount; provided, however, that fuel oil shall be taxed at a rate not to exceed $0.04 per gallon.

(2) In the use and application set out in this section, purchases of electricity, metered gas, bottled gas, fuel oil, and water service shall be considered and treated as constituting and being distinct and unrelated classes of purchases, and in the event that more than one such class shall be shown upon the same bill, the

amount of public service tax payable under this article shall be determined and computed for each such class separately.

(Ord. No. 10263, § 1, 4-30-87; Code 1980, § 55-12; Ord. No. 13676, § 2, 4-27-17)

Sec. 56-28. Rate and amount of public service tax on purchase of telecommunications service; levy of tax.

There is hereby levied and imposed by the city upon every purchase within the municipality of telecommunications service which originates and terminates in this state a public service tax in the amount of seven percent of the total amount charged for any telecommunications service, exclusive of governmental charges and taxes, shown on any bill rendered by the seller.

(Ord. No. 10263, § 1, 4-30-87; Code 1980, § 55-13)

Sec. 56-29. Collection of tax.

(a) The seller is required and it shall be his/her duty to render to each purchaser bills covering all such purchases made, and the amount of such public service tax shall be entered and shown by the seller as a separate item on each such bill and shall become due and payable to the city whenever such bill becomes due and payable under the rules and regulations of the seller. Each such bill shall include purchases applicable to but one location, or to but one family or business where more than one family or business uses separate metered services at one location in the city.

(b) The purchaser is required and it shall be his/her duty to pay such public service tax to the seller, as agent to the city, at the time of the payment of each such bill, and in the event that the purchaser shall fail, neglect or refuse to pay such public service tax to the seller when such bill becomes due and payable, the seller is hereby empowered, to the extent permissible by state statute or regulatory agency with jurisdiction, to discontinue forthwith to make any further sales or to render any further service to the purchaser until the total amount, including such public service tax, shown upon such bill has been paid in full. The seller is hereby authorized and required and it shall be his/her duty to collect such public service tax from such purchaser at the time of the payment of each such bill and to remit the same to the finance department in accordance with the provisions of section 56-30; provided that the seller shall have the right and privilege of assuming and paying such public service tax himself/herself in lieu of collecting the same from the purchaser, and that whenever the seller shall fail or neglect to exert reasonable efforts to collect such public service tax from the purchaser within one year from the date of the bill on which such tax was or should have been imposed, the seller shall be deemed to have assumed such public service tax himself/herself and shall thereupon become liable for the payment of the amount thereof to the city to the same extent as if such public service tax had been collected from the purchaser, without further recourse to the purchaser therefor.

(c) This section shall be applicable to all bills for electricity, metered gas, bottled gas, fuel oil, telecommunications service and water service.

(d) For the purpose of compensating the seller of telecommunications services, the seller shall be allowed one percent of the amount of the tax collected and due to the municipality in the form of a deduction from the amount collected for remittance. The deduction shall be allowed as compensation for keeping of records and collection of tax and remitting the same.

(Ord. No. 10263, § 1, 4-30-87; Code 1980, § 55-14; Ord. No. 13676, § 2, 4-27-17)

Sec. 56-30. Remittance of tax to city by seller.

Every seller is hereby required to execute and file not later than the 20th day of each month at the office of the finance department a sworn statement, on a form prescribed by such department, setting forth the amount of such public service tax to which the city became entitled under the provisions of this article on account of bills paid by purchasers during the preceding fiscal month, and contemporaneously with the filing of such statement, shall pay the amount of

such public service tax to the finance department to be deposited to the credit of the general fund of the city for utilization for such legal purposes as the city commission may from time to time determine.
(Ord. No. 10263, § 1, 4-30-87; Code 1980, § 55-15)

Sec. 56-31. Records to be kept.

Every seller is hereby required to establish and maintain appropriate accounts and records showing in such detail as the director of finance may prescribe the amount of such public service tax payable to the city under the provisions of this article, and such accounts and records shall be open to inspection by the director of finance or his/her duly authorized agent at all reasonable times. Upon 60 days' notice, the city may require the seller to make all such records available for audit in the State of Florida, and the seller shall provide space and office facilities, including personnel, reasonably necessary to enable the city to perform such audit. Alternatively, the seller may choose, at its sole option, to pay travel expenses, meals and lodging and other reasonable expenses of the auditor chosen by the city to make such inspection and audit at the various offices within the United States and Canada, wherever such records are located. The director of finance is hereby authorized and empowered to promulgate from time to time such rules and regulations with respect to the establishment and maintenance of such accounts and records reasonably necessary to carry into effect the purpose and intent of the provisions of this article.
(Ord. No. 10263, § 1, 4-30-87; Code 1980, § 55-16; Ord. No. 13676, § 2, 4-27-17)

Sec. 56-32. Reports of deliveries for resale.

Every manufacturer, distributor, wholesaler or seller who shall deliver electricity, metered gas, bottled gas, fuel oil, or water service to any seller or other person having a place of business in the city, or licensed to do business therein, to be sold or resold to ultimate purchasers, shall report to the director of finance semiannually, as of June 30 and December 31, the names and addresses of such sellers or other persons, and the quantities received by each of them during the preceding six months, such reports to be filed not later than one month after the close of each semiannual period.
(Ord. No. 10263, § 1, 4-30-87; Code 1980, § 55-17)

Sec. 56-33. Recognition of expense in regulation of rates.

All reasonable expense incurred by a seller of public services other than telecommunications services and all reasonable expenses in excess of the compensation to the seller of telecommunications services set forth in subsection (d) of section 56-29 incurred by a seller of telecommunications service in making the collections and remittances and in fulfilling the duties prescribed by this article is hereby declared to be and to constitute an operating expense and shall be accorded full recognition as such in the establishment of rates and charges for rendering electricity, metered gas, bottled gas, fuel oil, telecommunications service or water service in the city.
(Ord. No. 10263, § 1, 4-30-87; Code 1980, § 55-18)

Sec. 56-34. Violations of article.

It shall be unlawful and a violation of this article for any purchaser to evade the payment of the public service tax provided for in this article, or any part thereof, or to fail or neglect to pay such public service tax within the 30 days after the same has become due and payable; or for any seller to fail or refuse to pay to the city all amounts of public service tax payable to the city by the seller, or to fail or refuse to file the monthly sworn statement or to set forth any erroneous or false information therein with intent to defraud the city, or to refuse to permit the director of finance or his/her duly authorized agent to examine the accounts and records to be kept as required by section 56-31.
(Ord. No. 10263, § 1, 4-30-87; Code 1980, § 55-19; Ord. No. 13676, § 2, 4-27-17)

Sec. 56-35. Exemptions and exceptions.

The provisions of this article shall not apply to:

(1) Purchases by any recognized church in this state for use exclusively for church purposes, an agency or instrumentality of the United States, the state, the county or the city. All exemptions pursuant to this paragraph (1) shall be specifically approved by the finance director on a tax exemption certificate which shall be initiated and completed by the purchaser and upon approval by the finance director, shall be provided to the seller indicating authorization of the exemption.

(2) Purchases of local telephone services or other telecommunications services for use in the conduct of a telecommunications service for hire or otherwise for resale. All exemptions pursuant to this paragraph (2) shall be specifically approved by the finance director on a tax exemption certificate which shall be initiated and completed by the purchaser and, upon approval by the finance director, shall be provided to the seller indicating authorization of the exemption.

(3) Any fuel adjustment charge, which charge shall be separately stated on each bill. The term "fuel adjustment charge" means all increases in the cost of utility services to the ultimate consumer resulting from an increase in the cost of fuel to the utility subsequent to October 1, 1973.

(4) Access charges, any customer access line charges paid to a local telephone company, public telephone charges collected on site and charges for any foreign exchange service or any private line service except when such services are used or sold as a substitute for any telephone company switched service or dedicated facility by which a telephone company provides a communication path.

(5) Any charges for telecommunications service as defined in subparagraph (2) of the definition of telecommunications service of section 56-26 except for monthly recurring customer service charges.

(6) Any bills for the purchase of 16 ounces or less of bottled gas in a container.

(7) Any bills for fuel oil sold for use in internal combustion engines or to a public or private utility, either for resale or for use as fuel in the generation of electricity.

(Ord. No. 10263, § 1, 4-30-87; Code 1980, § 55-20)

Secs. 56-36—56-60. Reserved.

ARTICLE III. EXCISE TAX ON INSURANCE PREMIUMS*

Sec. 56-61. Excise tax on casualty insurance premiums levied; when due and payable.

There is hereby assessed, imposed and levied on every insurance company, corporation or other insurer engaging in or carrying on the business of insuring with respect to casualty risks, as shown by the records of the state insurance commissioner, an excise or license tax in addition to any license tax or excise tax now levied by the city, which tax shall be in the amount of 0.85 percent of the gross amount of receipts of premiums from policy holders on all premiums collected on casualty insurance policies, covering property within the city. The license or excise tax levied by this section shall be due and payable annually on March 1 of each year.

(Code 1967, § 30-25; Code 1980, § 55-28)

State law reference—Insurance premium tax authorized, F.S. § 185.08.

***City Code cross reference—**Miami City Employees' Retirement System, special benefits and contributions on account of police officers, § 40-191 et seq.

Case law reference—Funds derived from the tax authorized under F.S. ch. 175 must be held, administered and used for the sole use and benefit of firefighters and their dependents, and may not be used for other purposes. City of Miami v. Carter, 105 So. 2d 5.

State law references—Insurance premium tax authorized, F.S. § 175.101; excise tax on casualty insurance premiums authorized, for payment to fund providing pension benefits to municipal police officers, F.S. § 185.08.

Sec. 56-62. Excise tax on property insurance premiums levied.

There is hereby assessed and imposed on every insurance company, corporation or other insurer in the city, engaged in or carrying on the business of insuring property against loss or damage by fire or tornado, an excise or license tax amounting to 1.85 percent of the gross amount of receipts of premiums from policy holders on all premiums collected on fire and tornado insurance policies covering property within the city.
(Code 1967, § 30-24; Code 1980, § 55-36)

Sec. 56-63. Collection and use of funds.

(a) All money derived from the taxes imposed by sections 56-61 and 56-62 is hereby appropriated to the city employees' retirement system for the benefit of the police and firefighters of the City of Miami.

(b) The excise tax provided for in this article shall be payable and collected in the manner provided for by state law providing for the creation and administration of a firefighter's and police officers' pension fund.

(c) The tax assessed and imposed under sections 56-61 and 56-62 shall be in addition to all other taxes now levied by the city, and is a tax collected by the state, which will hereafter be credited to the city under state law.
(Code 1967, § 30-24; Code 1980, § 55-36; Ord. No. 13676, § 2, 4-27-17)

City Code cross reference—Miami City Employees' Retirement System, special benefits and contributions on account of firefighters, § 40-191 et seq.

State law references—Excise tax on property insurance premiums authorized, for payment to fund providing pension benefits to municipal firefighters, F.S. § 175.101; excise tax on casualty insurance premiums, F.S. § 185.08.

Secs. 56-64—56-85. Reserved.

ARTICLE IV. HOMESTEAD EXEMPTION FOR SENIOR CITIZENS

Sec. 56-86. Additional homestead exemptions for persons 65 and older.

In accordance with Section 6(f), Article VII, of the Florida Constitution and F.S. § 196.075, as may be amended from time to time, any person 65 years or over who has legal or equitable title to real estate located within the city and maintains thereon his/her permanent residence, which residence qualifies for and receives homestead exemption pursuant to Section 6(a), Article VII, of the Florida Constitution, shall be entitled to make an application for the following additional homestead exemptions which if granted, shall apply to taxes levied by the city:

(1) $50,000.00 for any person whose household income does not exceed $20,000.00; or

(2) The amount of the assessed value of the property with a just value less than $250,000.00 for any person who has been the owner for at least 25 years, and whose household income does not exceed the income limitation set forth in F.S. § 196.075(3).

(Ord. No. 11847, § 2, 10-26-99; Ord. No. 12909, § 2, 4-12-07; Ord. No. 13361, § 2, 2-28-13)

Editor's note—Ord. No. 13361, § 2, adopted February 28, 2013, changed the title of section 56-86 from "Qualification" to "Additional homestead exemptions for persons 65 and older." The historical notation has been preserved for reference purposes.

Sec. 56-87. Application required; contents.

Every person claiming the additional homestead exemptions pursuant to this article must file an application therefore with the Miami-Dade County Property Appraiser not later than March 1 of each year for which such exemption is claimed. Such application shall include a sworn statement of household income for all members of the household and shall be filed on a form prescribed by the state department of revenue. On or before June 1 of each such year, every applicant must file supporting documentation with the property appraiser. Said documentation shall include copies of all federal income tax returns, wage and earning statements, and such other documentation as required by the property appraiser, including documentation necessary to verify the income received by all of the members of the household for the prior year.
(Ord. No. 11847, § 2, 10-26-99; Ord. No. 13361, § 2, 2-28-13)

Sec. 56-88. Filing date.

Failure to file the application and sworn statement by March 1 or failure to file the required supporting documentation by June 1 of any given year shall constitute a waiver of the additional exemption privilege for that year.
(Ord. No. 11847, § 2, 10-26-99)

Sec. 56-89. When available.

This additional exemption shall be available commencing with the year 2000 tax roll, and the property appraiser may begin accepting applications and sworn statements for the year 2000 tax roll as soon as the appropriate forms are available from the department of revenue.
(Ord. No. 11847, § 2, 10-26-99)

Sec. 56-90. Adjustment of annual income limitation.

Commencing January 1, 2001, and each January 1 thereafter, the $20,000.00 annual income limitation of this article shall be adjusted annually and applicable as of January 1 of that year. The annual income limitation shall be adjusted by the percentage of change in the average cost-of-living index for the calendar year immediately prior to that year. As used herein "index" shall be the average of the monthly consumer-price index figures for the stated period, for the United States as a whole, issued by the United States Department of Labor.
(Ord. No. 11847, § 2, 10-26-99)

Secs. 56-91—56-110. Reserved.

ARTICLE V. AD VALOREM TAX EXEMPTION FOR ENTERPRISE ZONE BUSINESSES*

Sec. 56-111. Definitions.

For the purposes of this article, the following terms are defined as follows:

City shall mean the City of Miami, Florida.

Enterprise zone shall mean the area located in the city which has been either designated as an enterprise zone pursuant to F.S. § 290.005, and approved by the secretary of commerce pursuant to F.S. § 290.0065, or has been authorized to be an enterprise zone pursuant to F.S. § 290.0065, and approved by the secretary of commerce pursuant to F.S. § 290.0065. The area comprising enterprise zones, as defined herein, is depicted on the map, as may be amended from time to time, maintained in the city clerk's office.

Expanding business shall mean any business, located in an enterprise zone, that increases operations on a site co-located with a commercial or industrial operation owned by the same business and which creates, or causes to be created, within the city, the number of new jobs required in section 56-113 to employ full-time employees at such location.

New business shall mean any business located in an enterprise zone, that begins operations on a site clearly separate from any other commercial or industrial operation owned by the same business and which creates, or causes to be created, within the city, the number of new jobs required under section 56-113, to employ additional full-time employees at such location.
(Ord. No. 13911, § 2, 7-9-20)

Sec. 56-112. Miami-Dade County's water and sewer department water and sewer connection charge exemption.

A new business or expanding business that otherwise meets all other eligibility requirements of sections 2-348 and 2-348.1 of the Miami-Dade County Code, as amended, shall be deemed to have received the ad valorem tax exemption authorized by this article for the sole purpose of applying to receive Miami-Dade County's water and sewer department water and sewer connection charge exemption pursuant to sections 2-348 and 2-348.1 of the Miami-Dade County Code, as amended. This is intended to satisfy the require-

*__Editor's note—__Ord. No. 13911, § 2, adopted July 9, 2020, amended article V in its entirety to read as herein set out. Formerly, article V, sections 56-110—56-122 pertained to similar subject matter, and derived from Ord. No. 12308, § 2, adopted December 12, 2002; Ord. No. 12814, § 2, adopted June 22, 2006; Ord. No. 12913, § 1, adopted May 10, 2007, and Ord. No. 13841, § 2, adopted May 23, 2019.

ment of subsection 2-348.1(b)(2) without requiring separate application by the new or expanding business to the city.

***Charter reference—**Authority of city to regulate vehicles for hire, § 3(b), (hh).

City Code cross references—Solicitation agreements by dancehalls, etc., with taxicab owners, drivers, etc., prohibited, § 5-41; bus benches, § 54-86 et seq.

County Code cross references—Metro-Dade transit agency, § 2-145 et seq.; vehicles for hire, ch. 31.

ARTICLE I. IN GENERAL

Secs. 57-1—57-25. Reserved.

ARTICLE II. NONMOTORIZED VEHICLES FOR HIRE*

Sec. 57-26. Definitions.

For the purpose of this article:

Chauffeur is defined as every individual who drives or propels a vehicle in the city.

Nonmotorized vehicle for hire is defined as an animal-powered vehicle carrying passengers for hire in the city. The reference herein to "vehicle" shall mean a nonmotorized vehicle for hire. The term "animal" includes humans, horses and fowl.

Operator is defined as any person engaged in business as the owner or proprietor of a vehicle requiring a license under this article.

Person is defined as a natural individual, firm, trust, partnership, association, or corporation, in his/her or its own capacity or as administrator, conservator, executor, trustee, receiver, or other representative appointed by a court. Whenever the word "person" is used in any section of this article prescribing a penalty or fine as applied to partnerships or associations, the word shall include the partners (both general and limited) or members or employees thereof who are responsible for any violation of said section, and such word as applied to corporations shall include the officers, agents, or employees thereof who are responsible for any violation of said section.

Street is defined as any public street, avenue, road, boulevard, alley, lane, highway, sidewalk, public park, viaduct or other public place located in the city and established for the use of vehicles. (Ord. No. 10100, § 1(1), 4-22-86; Code 1980, § 56-211)

*__City Code cross references—__Animals, ch. 6; bicycles, ch. 8; licenses and miscellaneous business regulations, ch. 31; motor vehicles and traffic, ch. 35; streets and sidewalks, ch. 54.

Sec. 57-27. Local business tax receipt.

(a) *Requirement; tag.* It shall be unlawful to operate any vehicle on any street, alley, sidewalk, or public park within the city until the proper local business tax receipt, as set forth in City Code chapter 31, has been issued by the city manager or designee, at which time a metal or plastic tag shall be furnished, upon which tag shall be the words describing the kind of local business tax receipt, and the year for which the local business tax receipt is paid. Such tag shall be, at all times during the period for which the local business tax receipt is paid, securely affixed and attached in a conspicuous place on the left rear of each vehicle covered under the local business tax receipt.

(b) *Application.* The local business tax receipt referred to in subsection (a) hereof shall be issued in accordance with chapter 31 of the City Code. The application for a local business tax receipt, which application may be received as early as June 1 prior to the commencement of a license year which extends from September 30 to October 1, shall include the following, in addition to information required by the City Code:

(1) Name, home and business address of the applicant and the name and address of the owner, if other than the applicant, of every vehicle to be used in the applicant's business.

(2) The name, address, telephone number and form of business. If the applicant is a corporation, it shall also state the names, addresses and occupations of its officers, directors and major stockholders, and the names and addresses of any parent or subsidiary companies, the date and place of incorporation, and, if incorporated outside of the State of Florida, whether or not it is qualified to do business within the State of Florida. If the applicant is a corporation controlled by another corporation, the names, addresses and occupations of the officers, directors and major stockholders of the controlling corporation shall also be stated. If the applicant is a partnership or other unincorporated association, the names and addresses of

each member, whether active or inactive, shall be set forth, and if one or more partners or members are corporations, the names and addresses and occupations of such corporations' officers, directors and major stockholders shall also be stated. Evidence of registration of a fictitious name or trade name, if any, under which the applicant proposes to do business.

(3) A description of the proposed service to be provided by the applicant including the area of the city to be covered and times of operation.

(4) A description and photograph of the type of vehicle to be used in the operation of the business. The photograph shall accurately represent the vehicle in an operational mode.

(5) A certificate of inspection as required by section 57-29 hereof.

(6) A certificate of insurance as required by subsection (h) hereof.

(7) The proposed location of the business office for the vehicle operation, the proposed location for storage of the vehicles and the proposed location for sheltering or stabling of the animals.

(c) *Issuance.*

(1) Not later than 60 days after the filing of a completed application, and obtaining all applicable approvals and certificates for a vehicle local business tax receipt, the city manager or designee shall issue the local business tax receipt. If the local business tax receipt is denied, the applicant shall be provided with a statement of the reasons therefor, which reasons shall be entered in writing on the application.

(2) Upon receipt and acceptance of a completed application for a local business tax receipt, the city manager or designee shall forward a copy of said application to the police department. For all local business tax receipts covering non-human-powered, nonmotorized vehicles, the city manager or designee shall also forward copies of said application to the resilience and public works department, and the director of the department of off-street parking. Each official shall evaluate the application for public health, safety and welfare concerns as pertains to his/her department. If the applicant's plan for service meets with the official's approval, he/she shall report said approval in writing to the city manager or designee. If said plan or application does not meet with the approval of the reviewing official, he/she shall report such disapproval to the applicant and to the city manager or designee with the reasons for disapproval listed in writing. Should the application be disapproved by the chief of police, the director of the department of resilience and public works, or the director of the department of off-street parking, the application for local business tax receipt shall be denied, and no local business tax receipt to operate the business shall be issued to the applicant.

(3) Any applicant whose application for a permit has been denied may, within 30 days after said denial, appeal in writing to the city commission, which shall schedule a hearing thereon within 45 days after receipt of said appeal.

(d) *Denial, suspension and revocation.* Any local business tax receipt issued hereunder may be denied, suspended or revoked in accordance with the procedures contained in City Code chapter 31 for the following reasons:

(1) Fraud or misrepresentation contained in the application for the local business tax receipt.

(2) Where any operator has failed to comply with any of the provisions of this article or has willfully or knowingly violated any such provision.

(3) Where any operator has conducted the licensed business in such manner so as to create a public nuisance, or endanger the

public health, safety or welfare or, knowingly and unnecessarily, impede the flow of vehicular or pedestrian traffic.

(e) *No unlicensed driver permitted.* No operator holding a business tax receipt under this article shall knowingly permit any vehicle operated under such local business tax receipt to be driven, or propelled, except by a chauffeur holding a current driver's license issued by the Florida department of highway safety and motor vehicles.

(f) *Compliance with laws required.* Every applicant shall comply fully with all ordinances, rules, and regulations of the city, Dade County, and all statutes of the State of Florida, applicable thereto during the local business tax receipt period.

(g) *Renewal; duplicates.*

(1) All local business tax receipts are valid for the entire licensing period unless revoked or suspended prior to expiration. Application to renew a local business tax receipt shall be made no later than 30 days before the expiration of the current local business tax receipt; said application shall comply with all provisions required for issuance of local business tax receipts.

(2) If a local business tax receipt issued under this section is lost or destroyed, the local business tax receipt holder may obtain a duplicate upon payment of a $10.00 service charge.

(h) *Insurance.* For each vehicle there shall be maintained a policy or policies of liability insurance applicable to the type of vehicle licensed with at least a combined single limit for bodily injury or property damage liability of $500,000.00 per occurrence. A certificate of insurance indicating the liability amounts and the policy period must be on file with the city manager or designee prior to issuance of a local business tax receipt. The certificate should indicate that coverage extends to or beyond the licensing period.

(Ord. No. 10100, § 1(2), 4-22-86; Ord. No. 10179, § 1, 11-13-86; Code 1980, § 56-212; Ord. No. 12885, § 1, 2-8-07; Ord. No. 13745, § 4, 2-22-18; Ord. No. 13792, § 1, 10-11-18)

Editor's note—Ord. No. 12885, § 1, adopted February 8, 2007, changed the title of § 57-27 from "Occupational license" to "Local business tax receipt." The historical notation has been preserved for reference purposes.

Sec. 57-28. Operations.

(a) *Restrictions.*

(1) Local business tax receipts covering non-human-powered, nonmotorized vehicles issued under the provisions of City Code chapter 31 to operators shall only be applicable within certain areas of the city during specific time periods. There shall be no operation of such vehicles between the hours of sundown and sunrise on both Fridays and Saturdays in the Central Coconut Grove District, an area bounded on the west by McDonald, on the east by Mary Street and South Bayshore Drive, on the north by Grand Avenue, and on the south by Main Highway. All approved areas, routes, hours and schedules of operation must be approved by the police department each time a local business tax receipt is issued or renewed. A thorough description, including maps, of the proposed route(s) to be served or utilized in transporting passengers, including a schedule of proposed rates and charges for each route or trip offered to passengers, must be submitted at time of local business tax receipt application and renewal, together with a thorough description, including maps, of the proposed route to be utilized in transporting the vehicles from the storage location to the passenger loading/unloading stations. The police department has the right to change, modify or revoke approved routes and/or hours at any time if in its determination the operation of a vehicle is unreasonably and negatively affecting the safety and

efficient flow of vehicular or pedestrian traffic; such action by the police department may be appealed, within 15 days from the date of such action, in writing to the city commission, which written appeal shall be filed in the office of the city clerk. The city commission shall schedule a hearing thereon within 45 days after receipt of said appeal by the city clerk.

The operator may, in writing, request the police department to change or modify the approved routes and/or hours, which requested change or modification shall be granted if the police department determines that such change is reasonable and has no negative effect upon the safety and efficient flow of vehicular and pedestrian traffic. Failure to grant the request within 15 days from the date such written request is filed in the office of the chief of police shall be subject to appeal. The appeal shall be to the city commission and must be in writing and filed in the office of the city clerk within 45 days from the date such original written request was filed in the office of the chief of police. The city commission shall schedule a hearing thereon within 45 days after receipt of said appeal by the city clerk.

(2) Local business tax receipts covering human-powered vehicles issued under the provisions of City Code chapter 31 to operators shall be applicable within certain areas of the city. All general areas, hours and schedules of operation must be approved by the police department each time a local business tax receipt is issued or renewed. A thorough description, including maps, if deemed necessary by the police department of the proposed areas to be served or utilized in transporting passengers, including a schedule of proposed rates and charges for each area or trip offered to passengers, must be submitted at time of local business tax receipt application and renewal. The city commission, after a public hearing which shall have been the subject of a published notice advertised in a newspaper of general circulation at least ten days in advance, has the right to change, modify or revoke approved areas and/or hours at any time if in its determination the operation of a vehicle is unreasonably and negatively affecting the safety and efficient flow of vehicular or pedestrian traffic.

The operator may, in writing, request the police department to change or modify the approved areas and hours, which requested change or modification shall be granted if the police department determines that such change is reasonable and has no negative effect upon the safety and efficient flow of vehicular and pedestrian traffic. Failure to grant the request within 15 days from the date such written request is filed in the office of the chief of police shall be subject to appeal. The appeal shall be to the city commission and must be in writing and filed in the office of the city clerk within 45 days from the date such original written request was filed in the office of the chief of police. The city commission shall schedule a hearing thereon within 45 days after receipt of said appeal by the city clerk.

(b) *Rates.* Vehicles shall be operated at rates which must be disclosed to passengers prior to departure on any trip or payments for said rates shall be subject to forfeiture.

(c) *Parking.*

(1) A vehicle, while waiting for customers, may be parked in any regularly marked parking and boarding zones. If the length of the vehicle is oversize, the use of two parking spaces is permitted, while waiting for passengers to board and exit the vehicle. All applicable meter charges must be paid. Parking on any sidewalk by non-human-powered vehicles is not permitted. Loading and unloading of human-powered vehicles on sidewalks is permitted, provided the sidewalk is wide

enough to accommodate said vehicles in addition to an unobstructed eight-foot pedestrian passageway.

(2) Public streets may be used during the process of loading and unloading vehicles from any truck or trailer, but said truck or trailer shall not be parked or stored except in regularly marked parking or storage areas.

(Ord. No. 10100, § 1(3), 4-22-86; Ord. No. 10179, § 1, 11-13-86; Code 1980, § 56-213; Ord. No. 12885, § 1, 2-8-07)

Sec. 57-29. Vehicles and animals.

(a) *Safety requirements generally.*

(1) All vehicles shall comply with the following requirements:

a. All equipment installed in any part of the vehicle shall be secured in order to prevent movement during transit and to prevent detachment in the event of a collision or overturn.

b. Vehicles must be operated in accordance with all provisions of state law regulating vehicles and their operation.

c. Passengers shall not be carried in excess of the vehicle's seating capacity, which is defined as the number of persons that can be seated on the seat of the carriage or vehicle. This definition is specifically intended to prohibit seating of passengers (except infants) on the laps of other passengers and/or on parts of the carriage not designated for use as passenger seating.

d. Safety equipment shall be required in accordance with F.S. ch. 316; such equipment shall be affixed to the vehicle.

(2) In the event any vehicle for which a local business tax receipt has been issued becomes unsafe for operation, or its body or seating facilities are so damaged, deteriorated or unclean as to render such vehicle unfit for public use, the said vehicle may be suspended for use by the chief of police until the said vehicle is made safe for operation and its body is repaired and painted and its seating facilities reconditioned or replaced as required by the police department.

(b) *Inspection certificate.*

(1) a. All vehicles shall be inspected and approved by the police department for operation prior to certification as being in compliance with the applicable provisions of subsection (a) hereof.

b. All inspection certificates shall be issued by the police department. The police department shall also furnish a decal to be affixed to the vehicle indicating the vehicle number and seating capacity.

c. During any period of vehicular repair not exceeding 72 hours, a substitute vehicle may be used without the necessity of the herein inspection or the presence of the accompanying decal.

(2) a. A certificate of soundness shall be required for each animal that will be pulling a vehicle. The certificate shall be issued by a veterinarian licensed in the State of Florida.

b. The certificate of soundness shall state that the animal, if a horse, has been tested within the past calendar year for the presence of equine infectious anemia and that the test results were negative; further said certificate shall state that the animal is free from infectious disease, in good health and fit for hack and vehicle service under this article.

c. Each animal shall thereafter be reexamined at intervals of no more than six months, and a certificate of soundness shall be issued by the examining veterinarian and filed with the city in order for such animal to remain in service. No animal

shall be used to draw an animal-drawn vehicle without such certificate of soundness certified and dated within any preceding six-month period.

(c) *Inspection and certificate fee.* An inspection fee of $25.00 per vehicle shall be paid to the city at the time of filing any local business tax receipt application; such fee is to be applied to the cost of administering the provisions of this article and is in addition to the local business tax receipt fee payable under the provisions of chapter 31 of the City Code.

(d) *Nonabuse of horses.*

(1) The driver of each horse-drawn vehicle shall make water available to every horse used to pull a vehicle at intervals not to exceed two hours.

(2) No vehicle being drawn by a horse shall be permitted to carry more than six passengers per horse, exclusive of the driver of said vehicle.

(3) No vehicle being drawn by a horse shall be permitted to operate upon the public streets of the city when the temperature is below 32 degrees Fahrenheit or above 90 degrees Fahrenheit as reported by the United States weather bureau.

(4) It shall be unlawful for any owner or driver to use whips, bits, or any other equipment which may cause injury to the horse being used to pull the vehicles.

(e) *Sanitation.* It shall be unlawful for the chauffeur of any non-human-powered vehicle to allow any excreta to be deposited and remain on any public street. The method of excreta control and disposition shall be by diaper, bucket and shovel, deodorizer, or other such means as approved by the resilience and public works department.

(Ord. No. 10100, § 1(4), 4-22-86; Code 1980, § 56-214; Ord. No. 12885, § 1, 2-8-07; Ord. No. 13792, § 1, 10-11-18)

Sec. 57-30. Chauffeurs.

(a) *Driver's permit required.*

(1) Any person desiring to drive or operate a vehicle upon the streets of the City of Miami shall submit to the chief of police a written application which shall contain the following information:

a. His/her name, address, telephone number, and age.

b. A statement that he/she is free of and does not have any disease or infirmity which might make him/her an unsafe or unsatisfactory driver.

c. A photocopy of a currently valid driver's license issued by the Florida department of highway safety and motor vehicles.

(2) An applicant for a driver's permit under this article, which shall be renewable annually upon the filing of an application as set forth in paragraph (a)(1) of this section, must not be less than 18 years of age, with no physical infirmities which might make the applicant an unsafe or unsatisfactory driver.

(3) In the event that any driver at any time ceases to meet the qualifications described above, or fails to satisfactorily correct any false statement made in the application, or fails to operate a vehicle in accordance with the provisions of this article, the chief of police shall be empowered to suspend the driver's permit until such time as the violations are corrected.

(b) *Prohibited conduct.* No vehicle chauffeur shall:

(1) Leave any non-human-powered vehicle unattended;

(2) Store, park or leave any vehicle overnight on any street or sidewalk, or park any vehicle other than in a regularly marked space, in conformance with the city, county and state parking regulations;

(3) Operate in an area or at a time other than the ones approved by the city;

(4) Use any noise-making device after 9:00 p.m., except during special events, and at no time shall such chauffeur use his/her traffic warning device on any vehicle, except to give necessary signals while in traffic; and any chauffeur who violates the provisions of this paragraph, upon written notice from the city manager or his/her authorized representative, shall remove said noise-making device from the vehicle or reduce the volume on such noise-making device so that the same shall not be in violation of this paragraph. Failure to comply with such notice shall also subject such chauffeur to other penalties as set forth in this article;

(5) Have his/her vehicle in motion while anyone is standing or while anyone is sitting anywhere other than in the passenger seats thereof;

(6) Collect fares, make change or take on or discharge passengers while the vehicle is in motion;

(7) Operate any vehicle in such a manner that would clearly jeopardize the safety of the passengers transported therein;

(8) Operate a vehicle in such a way as to intentionally impede automobile traffic or create a hazardous situation;

(9) Park the vehicle in a manner so as to disrupt the flow of automobile traffic on public streets, roads, and thoroughfares, or so as to impede the flow of pedestrian traffic;

(10) Operate a vehicle in disregard of any traffic control device;

(11) Operate a vehicle in disregard of applicable state traffic laws;

(12) Execute a turn at other than a street intersection;

(13) Obstruct vehicular and pedestrian traffic by unnecessarily weaving or changing lanes of travel;

(14) a. Operate, maneuver, incline, spin, tilt, tip, slope, or position a human-powered vehicle in any manner that would unnecessarily place passengers in any position other than seated upright;

b. Raise drawbars of rickshaws higher than the shoulders of the chauffeur at any time passengers are being carried in said human-powered vehicle;

(15) Operate vehicle upon the sidewalk portion of a public right-of-way; or

(16) Operate a vehicle in the wrong direction on a one-way street.

(Ord. No. 10100, § 1(5), 4-22-86; Ord. No. 10179, § 1, 11-13-86; Code 1980, § 56-215; Ord. No. 13676, § 2, 4-27-17)

Sec. 57-31. Penalties.

Any person violating the provisions of any section of this article shall, upon first conviction hereof, be fined not more than $500.00. Upon second conviction and subsequent convictions thereafter, any person violating the provisions hereof shall be fined not more than $500.00 or be imprisoned for not more than ten days, or shall be both fined and imprisoned. Each day that such violation shall continue shall constitute a separate offense.

(Ord. No. 10100, § 1(6), 4-22-86; Code 1980, § 56-216)

ARTICLE III. PEDICABS FOR HIRE

Sec. 57-32. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Darkness is defined as any time from one-half hour before sunset to one-half hour after sunrise and anytime when the visibility is not sufficient to render clearly discernible any person or vehicle on the public street at a distance of 1,000 feet.

Decal is defined as the numbered, limited business tax receipt issued by the city pursuant to Chapter 31 of the City Code to a pedicab owner that indicates that operation of the pedicab is permitted within the corporate city limits of the City of Miami. The decal shall be clearly displayed on the pedicab at all times.

Decal fee is defined as the business tax receipt fee which is commensurate with the personnel expense, records compilation, investigation, organization, verification and storage relative to the allowance and regulation of pedicabs within the city. The pedicab decal fee is set forth in Chapter 31 of the City Code and will be paid on an annual basis. The fee is a prerequisite to issuance of a decal to any eligible pedicab.

Director is defined as the director of resilience and public works unless otherwise specified.

Driver's license is defined as a license issued pursuant to the laws of the State of Florida to a chauffeur or driver which entitles a person to operate a nonmotorized vehicle for hire within the jurisdictional corporate city limits of the City of Miami.

Nonmotorized vehicle for hire as defined in section 57-26, is an animal-powered vehicle carrying passengers for hire in the city. The reference to "vehicle" in this article shall mean a pedicab.

Pedicab is defined as a device that has three or more wheels, that transports, or is capable of transporting passengers on seats attached to the device, that is propelled solely by human power, and that is used for transporting passengers "for hire," including for tips or any other forms of compensation or barter, regardless of whether a passenger is being transported.

Pedicab driver is defined as any person who operates, drives, or propels a pedicab within the city limits of the City of Miami. Every pedicab driver is required to have on their person a current driver's license issued by the State of Florida Department of Highway Safety and Motor Vehicles. The driver's license must be valid and in good standing anytime a pedicab driver operates a pedicab in the city.

Pedicab owner is defined as the person engaged in business as the owner, who may also be the pedicab driver, requiring a decal under this article.

Street is defined as any public street, avenue, road, boulevard, alley, lane, highway, sidewalk, public park, viaduct or other public place located in the city and established for the use of vehicles.
(Ord. No. 13102, § 1, 10-8-09; Ord. No. 13745, § 4, 2-22-18; Ord. No. 13792, § 1, 10-11-18)

Sec. 57-33. Prohibited streets.

Use of pedicabs will not be authorized on residential neighborhood streets. Use of pedicabs will not be authorized on state streets or county streets unless specifically approved by the respective agencies whose jurisdiction the streets fall. Proposed routes must be approved in writing by the resilience and public works director or designee.
(Ord. No. 13102, § 1, 10-8-09; Ord. No. 13792, § 1, 10-11-18)

Sec. 57-34. Annual pedicab decal; pedicab decal fee; required insurance.

(a) It shall be a violation for any person to operate a pedicab upon the streets of the city unless the pedicab owner has first obtained a decal as defined herein. This decal is issued upon a showing of compliance with this article and chapter 31 of the City Code.

(b) Such decal shall, at all times during the annual, one-year period for which it is valid, be securely attached to a clearly visible place on the left rear portion of the pedicab for which it was issued. Each decal shall be valid when issued by the city manager or designee and remain valid, regardless of issue date, until September 30th of the fiscal year in which it was issued. In addition to the decal fee, an applicant wishing to operate a pedicab without advertising shall submit an annual regulatory business fee of $250.00 per pedicab to defray the city's time, costs, process and expense necessary in administering the pedicab program under this article. An applicant wishing to operate a pedicab with advertising shall submit an annual regulatory business fee in the amount of $500.00 per pedicab for the cost

of administering the program, as well as the privilege of utilizing the streets for private advertising purposes. The fees imposed by this chapter are in addition to any additional business tax receipt(s) or decal fees that may be required by the city manager or designee for conducting any advertising activities. Fees shall not be prorated.

(c) Prior to obtaining a decal the pedicab owner shall submit a completed package with all applicable signatures to the city manager or designee. In addition to the above, the following information must be included with the submittal: Pedicab vehicular information, pedicab reference form provided by the city manager or designee, copy of a current and valid Florida driver's license for the applicant, list of all pedicab drivers, copy of current and valid Florida driver's license for each pedicab driver, decal fee, and a drawing detailing routes and other pertinent technical information required by the resilience and public works department.

(d) The pedicab owner shall maintain a commercial general liability policy in place with limits of at least $500,000.00 per occurrence, $1,000,000.00 aggregate with respect to bodily injury, including death, and property damage liability affording coverage for premises and operations liability, personal and advertising injury liability, and contractual and contingent liability exposures. The certificate of insurance must also include coverage for statutory workers' compensation coverage, if applicable, and shall further list the City of Miami as an additional insured with respect to general liability, and include 30 days on the cancellation provision, except for 10 days notice for non-payment of premium. Carriers providing this coverage must be authorized to transact business in the State of Florida and must possess a financial rating of at least (A-) with a financial strength of (V) or better in accordance to A.M. Best guidelines. Such certificate must be provided to the city risk management division/risk manager, or designee for approval prior to issuance or renewal of any decal. All certificates of insurance shall be kept in full force and effect at all times while any pedicab is operated within the city and must cover a period of not less than 12 months. Proof of this insurance (e.g. a declarations page or certificate of insurance) must be maintained within the pedicab at all times it is operated within the city.

(e) The pedicab owner will indemnify, defend, and hold harmless the City of Miami, its officials, employees and agents (collectively referred to as "indemnitees") and each of them from and against all losses, costs, claims, penalties, fines, expenses (including attorney's fees), liabilities (collectively referred to as "liabilities") by reason of any bodily injury to or death of any person or damage to or destruction or loss of any property arising out of, or resulting from, or in connection with this permit. The Pedicab owner further agrees to indemnify, defend and hold harmless the indemnitees from and against liability which may be asserted by an employee or former employee of the pedicab owner, or any of its subcontractors, for which liability to such employee or former employee would otherwise be limited to payments under workers' compensation or similar laws.

(Ord. No. 13102, § 1, 10-8-09; Ord. No. 13745, § 4, 2-22-18; Ord. No. 13792, § 1, 10-11-18)

Sec. 57-35. Rates to be displayed.

Each pedicab operated within the city shall prominently display, in an eight-inch by ten-inch frame covered with clear plastic, a card or sign, printed in plain, legible letters and numbers which shall state whether gratuities or donations are accepted and contain the schedule of rates for the transportation services offered by the pedicab driver; the decal number of such pedicab; and the name and work address of both the pedicab owner and the pedicab driver of such pedicab. No pedicab driver may charge a fee that is not so posted. A map showing the approved route shall also be displayed.

(Ord. No. 13102, § 1, 10-8-09)

Sec. 57-36. Vehicle safety and equipment standards.

(a) Pedicabs shall not be operated within the city except in compliance with all laws of the State of Florida, Miami-Dade County, and the City of Miami.

(b) Pedicabs shall be subject to Chapter 316, Florida Statutes, as amended.

(c) Any law enforcement officer of the city shall have the right to inspect or cause to be inspected any pedicab operating on any street in the city as often as may be necessary for the purposes of ascertaining and causing to be corrected any unsafe or unsanitary considerations or any violations of this article.

(d) No pedicab driver may operate a pedicab on any street unless the pedicab meets the following equipment and safety standards:

(1) *Pedicabs.* Pedicabs shall not exceed 120 inches in total length, and 52 inches in total width.

(2) *Tires.* Tires shall be of a size appropriate for the pedicab with no mismatched tires. There shall be no cuts to the tire or localized worn spots that expose the ply. No tire is permitted to be used when the tire has tread wear indicators that are visible.

(3) *Operational horn.* The pedicab shall be equipped with a fully operational horn or bell.

(4) *Brakes.* Each pedicab shall be equipped with an operational brake or brakes which enable the pedicab driver to stop the pedicab within 15 feet from a speed of ten miles per hour on dry, level, clean pavement. The brake systems shall demonstrate a reasonable total braking force when tested, using the "quick stop method".

(5) *Headlights, tail lights, mirrors, turn signals, and other requirements.* Every pedicab shall be equipped with the following operational equipment set forth in the subsections below:

a. A headlight capable of projecting a beam of white light for a distance at a minimum of 500 feet, which shall be clearly visible during darkness and which must be illuminated at all times during operation;

b. A red tail light affixed to the rear of the passenger compartment, which shall be clearly visible during darkness from a distance of at least 600 feet to the rear of the pedicab which must be illuminated at all times during operation;

c. A side mounted mirror affixed to the pedicab to reflect to the pedicab driver a view of the street for a distance of at least 200 feet from the rear of the pedicab;

d. A slow moving vehicle triangle on the rear of the pedicab or reflective tape which outlines the rear of the pedicab from edge to edge;

e. Turn signal lamps which indicators must be visible for a distance of at least 500 feet from the rear of the pedicab indicating right and left turns which must be utilized when turning.

(e) The company or trade name, individual or fictitious name of the pedicab owner shall be conspicuously displayed on the exterior of each pedicab. This will not be considered advertising.

(f) No more than one trailer or sidecar may be attached to any pedicab. Any such trailer or sidecar must be attached in a manner that meets the requirements of § 316.530(2), Florida Statutes, as amended.

(g) Ample storage areas for the pedicabs shall be provided at point of departure or arrival for any given route. Rental of metered parking spaces will require a separate permit from the Miami Parking Authority.
(Ord. No. 13102, § 1, 10-8-09)

Sec. 57-37. Advertising on pedicabs.

(a) Advertisements shall only be allowed on the manufactured body (e.g. transom) of the pedicab as permitted by this article and cannot exceed ten square feet of total area. Advertisements must be painted on or otherwise adhere as a coating to the body of the pedicab. No banners,

poles, flags, detached signs, panels, posters, boards, or any other addition of personality or object whatsoever will be permitted on a pedicab.

(b) The advertisements shall be presented, upon request, for inspection or viewing by the city at any time prior to the time the decal is applied for or during the decal period. Advertisements shall not be allowed to be added after the decal period, although it may be replaced with allowable advertisements subject to the same constraints and time limits as the advertising approved at the time the decal was issued. The regulatory annual business fee of $250.00 shall have been paid prior to the placement or replacement of any advertising, as applicable. A regulatory business fee as provided in this chapter must be applied for, approved and paid, prior to engaging in any advertising on the pedicab.

(c) No advertisement on a pedicab is allowed for alcoholic beverages, tobacco products, or adult entertainment as defined by the city zoning ordinance. The name, phone number, web address, and physical address of the pedicab owner and pedicab driver will not be considered advertisement that requires the additional city regulatory review and fee under this section.

(d) No advertisement (other than the company name as provided by this article) will be allowed on the trailer or sidecar.
(Ord. No. 13102, § 1, 10-8-09)

Sec. 57-38. Number of pedicabs permitted; restrictions on monopolies.

(a) No more than 100 decals will be issued and no more than 100 pedicabs, shall be permitted to operate within the city, on a city wide basis (excepting prohibited streets) at any time.

(b) Decals will be issued by the city manager or designee to eligible persons who meet all the requirements of this article and other applicable laws on a first come first serve basis.

(c) No one person as that word is defined in section 57-26 of this article may be the recipient of more than ten pedicab decals at any one time.

(d) No subsidiary, parent, or affiliated company (for purposes of this article meaning any company that has interlocking directors or officers, or any of the same person or directors or officers, or any person who owns five percent or more of the stock of the company) of any person who has current decals may operate a pedicab business in the city under this article.
(Ord. No. 13102, § 1, 10-8-09; Ord. No. 13745, § 4, 2-22-18)

Sec. 57-39. Driver's permit and related requirements.

(a) It shall be a violation for any person to operate a pedicab in or upon any street in the city unless such person has a valid Florida Driver's License in compliance with F.S. Chapter 322, as amended, and is at least 18 years of age.

(b) A copy of the driver's license of the pedicab driver shall be affixed to the pedicab in a location which is clearly visible from the passenger compartment of the pedicab.

(c) Each pedicab driver shall maintain, at all times, a current mailing address on file with the city manager or designee.

(d) The mere existence of a driver's license is not an allowance to operate a pedicab under this article. The decal must be active, current, in good standing and correct.
(Ord. No. 13102, § 1, 10-8-09; Ord. No. 13745, § 4, 2-22-18)

Sec. 57-40. Prohibited conduct.

The following acts by any pedicab driver are prohibited:

(a) Carrying more than four passengers, or while carrying a number of passengers that exceeds the number of passenger seats which such pedicab was designed to accommodate, or while any passenger is standing or while any passenger is sitting anywhere other than the passenger seat. Children under the age of five may be seated securely in the lap of another passenger and will not count as an additional passenger.

(b) While the pedicab is in motion, the pedicab driver shall not collect fares, make change, or embark or debark passengers.

(c) Any act that violates any city ordinance, county ordinance, or state law or disrupts the flow of vehicular traffic on public streets.

(d) Leaving the pedicab unattended.

(e) Operating, maneuvering, inclining, spinning, tilting, tipping, sloping or otherwise positioning a Pedicab in any manner that would unnecessarily place a passenger in other than an upright, seated position.

(f) Operating a pedicab upon a sidewalk portion of a public right-of-way, except at the direction of a law enforcement officer or when there are no visible pedestrians on that entire block.

(g) Operating a pedicab upon any street listed on the prohibited streets list established under this article.

(h) Operating a pedicab on any street with a posted speed limit of more than 30 miles per hour.

(i) Operating a pedicab with sound produced by radio, tape, CD, DVD, record player, or any other mechanical sound device or instrument from the pedicab so that the sound is plainly audible at a distance of 25 feet or more from the pedicab. The pedicab cannot have a loudspeaker or amplifier.

(j) Operating or riding more than two abreast, except when overtaking and passing a bicycle or vehicle proceeding in the same direction.

(k) Using indecent or profane language while operating a pedicab.

(l) Allowing any passenger or occupant of the pedicab to drink or consume alcoholic beverages or to possess an open container of alcoholic beverages.

(Ord. No. 13102, § 1, 10-8-09)

Sec. 57-41. Passenger receipt upon demand.

If requested by a passenger, the pedicab driver shall deliver to the person paying for the hiring of the same, at the time of such payment, a receipt therefore in legible writing containing the name of the pedicab driver, the decal number, the total amount paid, and the date of payment.
(Ord. No. 13102, § 1, 10-8-09)

Sec. 57-42. Appeals of director decisions.

All decisions of the director relative to this article are final and binding decisions. Decisions of the director may be appealed to the city manager. The appeal must be filed in writing within 30 days of the director's decision.
(Ord. No. 13102, § 1, 10-8-09)

Sec. 57-43. Enforcement.

(a) Pedicab drivers are subject to Chapters 316—322 of the Florida Statutes, as amended, and shall be issued traffic infractions for any violations.

(b) The decal shall be revoked for any violation of this article pursuant to the provisions of Chapter 31 of the City Code.
(Ord. No. 13102, § 1, 10-8-09)

Sec. 57-44. Impoundment fees.

Any pedicab operated in violation of this article may be seized and impounded by the city. The pedicab will be returned to the pedicab owner after direct personnel expense incurred by the city related to the pedicab impoundment, and any towing and storage fees have been satisfied. These items shall all constitute impoundment fees under this section. The pedicab shall be removed and will be returned only upon written confirmation by the impounding city agency or instrumentality that the pedicab is in compliance with this article and payment of all applicable fees.
(Ord. No. 13102, § 1, 10-8-09)

Sec. 57-45. Reserved.

Sec. 57-46. Special events operation.

The city commission may, by resolution, designate a particular event taking place in the

city as a special event. During a special event period, which shall not be longer than 15 days, pedicab owners within the particular area described in the resolution shall be subject to all of the requirements set forth in the Code for pedicab operations, except as follows:

(1) All pedicab drivers are required to have on their person a current driver's license issued by any state within the United State of America.

(2) Proposed routes must be approved in writing by the resilience and public works director or designee. If the proposed route is within the boundaries of the particular area described in the resolution, and the resilience and public works director or designee fails to approve the proposed route within five business days following receipt, the route shall be deemed approved.

(3) Any applicant wishing to operate a pedicab with advertising shall pay a regulatory business fee in the amount of $100.00 per pedicab for the cost of administering the program, as well as the privilege of utilizing the streets for private advertising purposes during the special event. This fee shall be in addition to any business tax receipt(s) or decal fees that may be required by the city manager or designee for conducting any advertising activities.

(4) Prior to obtaining a decal the pedicab owner shall submit a completed package with all applicable signatures to the city manager or designee. In addition to the above, the following information must be included with the submittal: Pedicab vehicular information, pedicab reference form provided by the city manager or designee, copy of a current and valid driver's license for the applicant, list of all pedicab drivers, copy of current and valid driver's license for each pedicab driver, decal fee, and a drawing detailing routes.

(5) Each pedicab operated within the special event area shall prominently display, in a five-inch by five-inch frame covered with clear plastic, a card or sign, printed in plain, legible letters and numbers which shall state whether gratuities or donations are accepted and contain the schedule of rates for the transportation services offered by the pedicab driver; the decal number of such pedicab; and the name and work address of both the pedicab owner and the pedicab driver of such pedicab. No pedicab driver may charge a fee that is not so posted. A map showing the approved route shall also be displayed.

(6) Pedicabs shall be exempt from the equipment requirements contained in subsections 57-36(5)(iii)—(v).

(7) Advertising, including wrap advertising, shall be allowed on a maximum of 26 square feet of the pedicab. No advertisement on a pedicab is allowed for tobacco products or adult entertainment products or establishments.

(8) No one person as that word is defined in section 57-26 may be the recipient of more than 20 pedicab decals at any one time.

(9) The city commission, by resolution, may modify the requirements set forth in this section as may be in the best interest of the city.

(Ord. No. 13231, § 1, 11-18-10; Ord. No. 13745, § 4, 2-22-18; Ord. No. 13792, § 1, 10-11-18)

*__State law reference—__Weapons and firearms, F.S. ch. 790.

ARTICLE I. IN GENERAL

Secs. 61-1—61-25. Reserved.

ARTICLE II. AIRGUNS*

Sec. 61-26. Definitions.

For the purposes of this article, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Airgun: Any gun, rifle or pistol by whatever name known which is designed to expel a projectile by the action of compressed air or gas, or by the action of a spring or elastic, but such term does not mean a firearm.

Dealer: Any person engaged in the business of selling at retail or renting airguns or projectiles therefor, and the term "licensed dealer" means any such person licensed under the provisions of this article, or any person regularly licensed to sell firearms.

Minor: Any person under the age of 18 years.
(Code 1967, § 61-14; Code 1980, § 61-24)

Sec. 61-27. Dealer's license—Required.

It shall be unlawful for any dealer, except a licensed dealer, to sell, lend, rent or otherwise transfer any airgun or projectile therefor. Dealers who are licensed to sell firearms shall not be required to obtain the special license to sell airguns, but shall comply with all other provisions of this article.
(Code 1967, § 61-15; Code 1980, § 61-25)

Sec. 61-28. Same—Application.

(a) Any dealer, other than a dealer licensed to sell firearms, desiring a license to sell, lend, rent or otherwise transfer airguns or projectiles therefor shall make application to the license division, which shall provide the necessary forms and shall prescribe by reasonable rules and regulations the information to be contained in such application.

(b) It shall be unlawful for any person to knowingly make any false statement in such an application.
(Code 1967, § 61-16; Code 1980, § 61-26)

Sec. 61-29. Same—Issuance; term.

Upon payment of the fee prescribed in chapter 31, the license division shall issue to the applicant a license to sell, lend, rent or otherwise transfer airguns or projectiles therefor, which license shall remain in force, subject to annual payment of the license fee, unless revoked in accordance with the provisions of this article. No license shall be issued to any applicant within two years after the revocation of a previous license.
(Code 1967, § 61-17; Code 1980, § 61-27)

Sec. 61-30. Same—Revocation.

(a) Violation by a dealer of any provisions of this article shall be sufficient cause for the revocation of the license issued under this article or his/her license to sell firearms, after written notice to the dealer by the license division and an opportunity to be heard. The dealer shall have the privilege of being represented by counsel at such hearing.

(b) Final conviction of a violation of any provision of this article shall automatically revoke and terminate any license issued under this article or any license to sell firearms. Upon a finding and judgment by a trial court against any dealer that he/she has been guilty of such a violation of any provision of this article, the license of such dealer shall be automatically suspended pending the final disposition of any appeal from such finding and judgment.
(Code 1967, § 61-18; Code 1980, § 61-28; Ord. No. 13676, § 2, 4-27-17)

Sec. 61-31. Sale or delivery to minors—Generally.

It shall be unlawful for any licensed dealer to sell, lend, rent or otherwise transfer an airgun or projectile therefor to any person whom the dealer

*__County Code cross reference—__Use of BB guns, etc., by child under 16, § 21-7.1.

__State law reference—__Use of BB guns, air- or gas-operated guns, etc., by child under 16, F.S. § 790.22.

knows or has reasonable cause to believe to be a minor, and it shall be unlawful for any other person to give, sell, rent, lend or otherwise transfer any airgun or projectile therefor to a minor, except where the relationship of parent and child, guardian and ward or adult instructor and pupil exists between such person and the minor.
(Code 1967, § 61-19; Code 1980, § 61-29)

Sec. 61-32. Same—False representation as to age.

It shall be unlawful for any person to falsely represent himself/herself as being over 18 years of age in order to purchase or otherwise obtain an airgun or projectile therefor.
(Code 1967, § 61-20; Code 1980, § 61-30; Ord. No. 13676, § 2, 4-27-17)

Sec. 61-33. Minors not to carry in public places; exception.

It shall be unlawful for any minor to carry any airgun on the streets, alleys, public roads or public lands of this city, unless accompanied by an adult.
(Code 1967, § 61-21; Code 1980, § 61-31)

Sec. 61-34. Discharging in public places.

It shall be unlawful for any person to discharge any airgun from or across any street, sidewalk, alley or public road of this city, or on or across any public land, except on a properly constructed target range.
(Code 1967, § 61-22; Code 1980, § 61-32)

Sec. 61-35. Seizure and sale of airgun used in violation of section 61-33 or 61-34.

Any officer making an arrest for a violation of section 61-33 or 61-34 shall take possession of the airgun found upon or in the possession of the person so arrested and shall retain the same until disposition of the offense. If the person is found guilty, the airgun shall be forfeited and the proper department shall sell, at public sale or otherwise, or dispose of the same and account for and pay over the proceeds as in case of fines collected. If such person is acquitted, the airgun shall be returned to the parent, guardian or instructor of the offender upon demand therefor.
(Code 1967, § 61-23; Code 1980, § 61-33)

Sec. 62-700. Intent.
Sec. 62-701. Prohibition on issuance of inconsistent development orders.
Sec. 62-702. Procedures for conversion of park land.
Sec. 62-703. Inventory of converted park land.

Article XX. Resilience Trust Fund

Sec. 62-704. Resilience Trust Fund; intent.
Sec. 62-705. Established.
Sec. 62-706. Resilience fund areas.
Sec. 62-707. Contribution schedule.
Sec. 62-708. Financial reports.

ARTICLE I. IN GENERAL

Sec. 62-1. Oath required when testifying on zoning matters.

Any person wishing to testify before the planning, zoning and appeals board, or city commission during its consideration of a matter arising from or under the provisions of Ordinance No. 11000, as amended, the prior zoning ordinance of the city, and Miami 21, the zoning ordinance effective May 20, 2010, before testifying shall declare that he or she will testify truthfully by taking an oath or making an affirmation to be administered by the city clerk or designee.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-2. Reconsideration of zoning and comprehensive plan amendments.

Notwithstanding any City Code provision to the contrary, actions of the city commission related to the denial or approval of applications pertaining to amendments to the zoning ordinance, comprehensive plan, or elements thereof shall not be the subject of a motion to reconsider which is made subsequent to the first regularly scheduled city commission meeting following the date such actions have been taken.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-2.1. Independent traffic and environmental impact studies.

The city requires independent traffic statements, traffic impact studies, and environmental impact studies performed by qualified independent providers registered and approved pursuant to the City Code and as indicated in this section below.

If a traffic statement or a traffic impact study is required by the city pursuant to the City Code or the city's zoning ordinance, it shall be performed by an independent provider pursuant to this section of the City Code. In addition, all developments and redevelopments that generate 20 or more peak hour trips based on the latest version of the ITE Trip Generation Manual will require a traffic statement by an independent provider pursuant to this section of the City Code. All independent traffic statements shall document the trip generation, site access, and provide a maneuverability diagram. Following a review of the traffic statement, the city reserves the right to require a traffic impact study to be performed by an independent provider pursuant to this section of the City Code. All traffic impact studies shall include, at a minimum, an estimation of the site-generated traffic, an assessment of its impact on the public street system and surrounding area, and identification of onsite and offsite improvements and/or mitigation efforts that may be needed as a result of the development.

If an environmental impact study is required by the city pursuant to the City Code or the city's zoning ordinance, it shall be performed by an independent provider pursuant to this section of the City Code. In addition, any acquisition, sale, or lease of city-owned property over $2,000,000.00 shall require an independent environmental impact study unless waived by four-fifths affirmative vote of the city commission.

Every development shall comply with this section of the City Code before a building permit is issued, including any phased permits. The city manager shall create a pool of qualified providers to conduct independent traffic statements, independent traffic impact studies, and independent environmental impact studies. The pool of providers shall be established through a competitive process which shall include pricing, when appropriate, pursuant to the city's procurement process as established by chapter 18 of the City Code; the Consultant's Competitive Negotiation Act ("CCNA"), F.S. § 287.055, as amended and as applicable; and subsequent approval by the city commission. The city manager or designee will assign such independent traffic statements and independent studies to members of the pool of providers on a rotating basis. All expenses incurred in the undertaking and conducting of the statements and independent studies shall solely be borne by the applicant of the proposed development. Prior to commencing a study, the applicant shall pay to the city an amount equal to 100 percent of the estimated expenses for the services of the provider set to perform the independent study. The applicant shall satisfy

any amount over and above the provider's estimated expenses prior to the issuance of the final report and the issuance of any building permit(s), including phased permits. No building permits, including phased permits, shall be issued on the development or any other property requested by the applicant until full payment is received. The applicant shall also show compliance with any traffic and environmental mitigation measures required by the city after review of any traffic statement, traffic impact study, or environmental impact study before a building permit is issued, including phased permits. Any provider that has participated within the preceding year in an application for any development for an applicant or is currently working for an applicant on any application is hereby prohibited from participating in the pool of providers conducting the statement or study for that applicant for one year after the completion of the engagement. (Ord. No. 13858, § 2, 9-12-19)

Sec. 62-2.2. Reserved.

Editor's note—Ord. No. 14396, § 2, adopted September 25, 2025, repealed the former section 62-2.2 in its entirety, which pertained to independent feasibility and economic impact studies, and derived from Ord. No. 13928, § 2, adopted October 8, 2020.

Section 3 of Ord. No. 14396 states the following: "After this repeal, the City shall not enforce the Economic Impact and Feasibility Studies requirement(s) of Section 62-2.2 of the City Code on any new entitlement or building applications nor any pending entitlement or building applications that have not already started the process; this repeal of Section 62-2.2 of the City Code shall apply, as applicable, to all applications pending at the time of the effective date of the repeal if such study(ies) have not yet been performed."

ARTICLE II. COMPREHENSIVE PLANNING

Sec. 62-3. Purpose and intent.

(a) Under authority conferred by the constitution and laws of Florida and of the City Charter it is the intent of the city to plan for the city's future development and, as an integral part of the total and continuing planning-process, to take such lawful actions as may be deemed necessary to implement the comprehensive planning program.

(b) The continuing comprehensive planning program contemplated by this chapter shall be a coordinated one, taking into account the factors and situations which bear on the course of present and future development and growth of the city, to the end that the present and future population of the city will be assured of a healthful, compatible and habitable living environment.

(c) The continuing comprehensive planning program and comprehensive plans that may be adopted may include, but are not to be deemed as limited to, principles and policies to be followed in:

(1) Future development of the city;

(2) Location, relocation and character of the various uses of land and water;

(3) Location, relocation and character of public and private open spaces and structures for recreation, amenity and cultural life;

(4) Modes and means of travel and transportation;

(5) Location and character of public buildings, services and facilities;

(6) Provision of necessary utilities;

(7) Development of standards for ecological and environmental quality;

(8) Planning for conservation, rehabilitation or replacement of housing;

(9) Treatment of areas, sites or structures of historical or archaeological import and significance;

(10) Density of population;

(11) Methods and policies for encouragement of cooperation of private persons and groups in the development, implementation and accomplishment of adopted comprehensive plans;

(12) Taxing and financial arrangements and long range capital improvement programs deemed necessary to implement the planning program; and

(13) Land use control and regulatory measures and other instruments deemed necessary to accomplish the aims and objectives of adopted comprehensive plans.

(d) Adopted plans may take the form of singular or multiple documents, maps, charts, graphs, statistical information, commentary, statements of purpose and intent or other forms recognizable as declaring the purpose and intent of the city in guiding the future growth and development of the city as a whole, a geographical classification thereof, or a functional classification thereof.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-4. Establishment of the planning, zoning and appeals board generally.

(a) To meet the-responsibilities under the continuous comprehensive planning program required by state statutes and this chapter, certain boards are established and given authority and responsibility as set out in this chapter and elsewhere in this Code. The board so established is the planning, zoning and appeals board.

(b) The city commission may by resolution create additional committees or instruments to serve in advisory or consultative capacities to the planning, zoning and appeals board.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-5. Administration generally.

Administrative authority and responsibility for the preparation, conduct and implementation of the continuing comprehensive planning program shall be as set out in state statutes, this chapter and elsewhere in this Code. Under the authority of the city manager, the planning and zoning department shall work in close coordination with the planning, zoning and appeals board and other appropriate city boards and departments in the preparation, conduct, review and implementation of the continuing comprehensive planning program.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-6. Effect of previously adopted comprehensive plan.

Any comprehensive plan or portion(s) thereof previously adopted by the city, shall remain in full force and effect until superseded by any plan(s), or portion thereof, adopted under this chapter.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-7. Preparation of the comprehensive plan.

(a) The planning and zoning department shall prepare comprehensive and coordinated plans for the development of the city, or a geographical or functional classification thereof, for review and recommendation by the planning, zoning and appeals board. Such plans, or substantial portions of plans as may relate to geographical or functional classifications thereof, shall be based on existing and anticipated needs, showing existing and proposed improvements and stating the principles according to which future development should proceed and the manner in which such development should be controlled. The plans, or portion thereof, shall be made with the general purpose of guiding and accomplishing a coordinated, adjusted and harmonious development of the city, or a geographical or functional classification thereof, which will, in accordance with existing and future needs, best promote public health, safety, comfort, order, appearance, convenience, morals and the general welfare and which will contribute to efficiency and economy in the process of development and future maintenance. The planning program shall include plans for future land use and may include plans for transportation, housing, recreation, utilities, community facilities, a long range financial program for public improvements, instruments for encouragement of cooperation between private groups and government, measures for implementation and such other matters as may be deemed necessary by the planning, zoning and appeals board and the city commission for the purpose of meeting the objectives of this chapter.

(b) The planning and zoning department shall keep the planning, zoning and appeals board informed of the progress and status of the work

involved in the continuous planning program and shall work closely with, consult with and seek the advice of the planning, zoning and appeals board and other appropriate city boards and departments in the preparation of plans or portion thereof under the continuing planning program.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-8. Procedures for amending the comprehensive plan.

(a) *Types of comprehensive plan amendments.* Comprehensive plan amendments may be any of the following:

(1) Comprehensive plan update or comprehensive amendment to a major portion thereof, pursuant to F.S. § 163.3161, as amended.

(2) A seven-year comprehensive plan amendment, resulting from and accompanied by an evaluation and appraisal letter, pursuant to F.S. § 163.3184(4) and 163.3191, as amended.

(3) A plan amendment, pursuant to F.S. § 163.3184(3), as amended, the expedited state review process. Data summaries and planning studies amplifying and clarifying policies that are consistent with the comprehensive plan are not amendments.

(4) Any small-scale plan amendments as described in F.S. § 163.3187, as amended.

(b) *Applications for plan amendments.* Applications may be made by:

(1) The city commission which may by motion, direct the planning and zoning departments to prepare an amendment for submissions and review by the planning, zoning and appeals board.

(2) The city manager.

(3) The planning and zoning department.

(4) The owner or agent or attorney for the owner of property, pursuant to subsection (a)(3) and based on the advice of the planning, and zoning department that a plan amendment is necessary.

Applications for plan amendments, as described in subsection (b)(3), and accompanied by a change of zoning to the same property can only be filed semiannually with the planning and zoning department up to, but no later than, 45 days before the first hearing of the planning zoning and appeals board in the month of March and up to, but no later than, 45 days before the first hearing of the planning zoning and appeals board in the month September. If accepted, the application will be scheduled for the planning, zoning and appeals board public hearing in the months of March and September, respectively, with the objective of utilizing the two plan amendment opportunities in a calendar year. For all other applications the planning and zoning department will schedule the amendment on an agenda of the planning, zoning and appeals board within 45 days of the acceptance of the application, except for the month of August. This procedural scheduling restriction shall not apply to applications by the city.

All applications for plan amendments shall be submitted in writing to the planning and zoning department's hearing boards section. Applications under subsection (b)(3) shall contain a notarized statement by the owner of the property, his/her agent or his/her attorney, that the facts as represented on the application are true and correct to the best of the owner's knowledge or that of his/her attorney or agent. Applications shall be accompanied by all pertinent information required by this article and which may be required for proper consideration of the matter, including an owner's affidavit, financial disclosure and a certified list of owners and their addresses of all properties within 500 feet of the subject property along with payment of all fees and advertising charges. Applications shall not be deemed as accepted by the planning and zoning departments unless all appropriate information is supplied to the satisfaction of the planning and zoning department, most particularly, the hearing boards section of the planning and zoning department.

No private application will be accepted unless, as required, a companion application for a change of zoning is also filed. Where companion applications are filed for both plan amendments and zoning amendments for the same property, pursuant to subsections (a)(3) and (4), only one set of owner affidavits, disclosure of ownership forms and property owners' list must be filed.

Where companion applications are filed for both plan amendments and zoning amendments pursuant to subsections (a)(3) and (4), the plan

amendment will be scheduled on an agenda of the planning, zoning and appeals board such that the public hearing occurs prior to the public hearing by the planning, zoning and appeals board on the zoning amendment.

(c) *Review and recommendation by the planning and zoning department.* All plan amendments shall be reviewed and recommended by the planning and zoning department. This finding will consider whether the land use, densities and intensities proposed are compatible with and further the objectives, policies, land uses, and densities and intensities in the comprehensive plan, provided further that the comprehensive plan shall be construed broadly to accomplish its stated purposes and objectives. Recommendations must be on file for public review ten days prior to public hearing. Applications will not be permitted to be revised within the ten-day period prior to the public hearing (and subsequently) unless the revision is made in public hearing with full disclosure.

(d) *Review and recommendation by the planning, zoning and appeals board.* The planning, zoning and appeals board, the local planning agency for the city, will conduct a public hearing. Notice shall be given of the public hearing as set out in subsections 62-20(1) and (4); in addition, the planning, zoning and appeals board may, for the particular hearing involved, give such additional notice as it may deem proper to the subject of the hearing and circumstances therein involved.

Upon completion of such hearing, the planning, zoning and appeals board may recommend to the city commission by a vote of not less than a supermajority of the board members present as defined in subsection 62-17(d), the adoption by the city commission of the plan update, or portion thereof or plan amendment, upon which the public hearing was held. The board resolution of recommendation shall refer expressly to the maps, descriptive material and other data intended by the planning, zoning and appeals board to form the whole or the part of the plans upon which the public hearing was held. Where the recommendation of the planning, zoning and appeals board is not in accord with earlier recommendations of the planning and zoning department, the planning and zoning department shall submit to the city commission its recommendation in the matter. When a plan update has been recommended, pursuant to subsections (a)(1) and (2), the action taken and the recommendation made by the planning, zoning and appeals board shall be recorded on the recommended plan, together with the signature of the executive secretary of the planning, zoning and appeals board, which shall be affixed thereto as certifying to the action taken and the recommendation made and the date of such action and recommendation; and the signature of the director of the department of planning and zoning, shall be affixed as certifying that the requisite hearing or hearings were held on the dates certified. The recommended copy of the plan update, or portion thereof or plan amendment, shall be a part of the permanent and public records of the planning, zoning and appeals board.

(e) *Adoption by the city commission.* The city commission shall hold at least two advertised public hearings on the proposed plan amendment. The first public hearing upon the updated plan or portion thereof or plan amendment shall be held within 60 days from the date of the planning, zoning and appeals board public hearing, unless the plan amendment is sponsored by the city. Notice of such public hearing by the city commission shall be given as set out in subsections 62-20(1) and (4) no less than ten days in advance of the public hearing. The first public hearing shall be held for the purpose of transmitting or not transmitting the plan amendment, as recommended by the city commission to the state land planning agency, allowing for review and written comment, as identified in F.S. ch. 163, except in the cases provided below where the first public hearing shall be held for the purpose of recommending approval or modifications to the amendment for the second public hearing, or rejecting the amendment. The city commission shall hold a second public hearing pursuant to procedures established in F.S. ch. 163 for adoption. The exceptions are:

(1) Comprehensive plan amendments directly related to proposed small scale development activities as defined by F.S. § 163.3187.

(2) Any other exceptions as may be defined by state law.

The city commission, upon receipt of written comments from the state land planning agency, shall hold a second public hearing for the purpose of adopting the plan amendment, and shall take legislative action within 180 days of receipt. The city commission shall review the written comments, if any, submitted by the state land planning agency and any other person, agency or government prior to taking legislative action. In the case of the exceptions listed above, upon an affirmative vote in the first public hearing the city commission shall hold a second public hearing for the purpose of adopting the plan amendment on a date scheduled by the planning and zoning department. In both cases the second public hearing shall be held on a weekday approximately ten days after the day that the second advertisement is published.

Upon such public hearing by the city commission, the plan amendments may be adopted, adopted with modifications, or rejected. Any comprehensive plan update, or portion thereof or plan amendment or modification thereto, shall become effective only upon adoption by ordinance by the affirmative vote of not less than three members of the city commission.

The city clerk shall transmit the comprehensive plan update or portion thereof or plan amendment, as adopted, to the state land planning agency within ten days of adoption.

The effective date of the adopting ordinance shall be the expiration date of the appeal period following the issuance of a notice of intent or other approval by the state land planning agency finding the amendment in compliance.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17)

Sec. 62-9. Periodic review of the adopted comprehensive plan.

(a) Periodically, but not less often than once in seven years or more often than once in two years, the comprehensive plan shall be reviewed, evaluated and appraised by the planning and zoning department to determine if plan amendments are necessary to reflect changes in state requirements since the last update of the comprehensive plan. The planning and zoning department will notify the state land planning agency by letter as to its determination by a date established by the state land planning agency pursuant to F.S. § 163.3191.

(b) If amendments to the comprehensive plan are determined necessary, such amendments shall be prepared and transmitted for review within one year from the due date of the evaluation and appraisal letter to the state land planning agency pursuant to F.S. § 163.3184.

(c) The city shall, at a minimum once every seven years, evaluate and, as necessary, update the comprehensive plan to reflect changes in local conditions as encouraged by F.S. § 163.3191(3) pursuant to the amendment procedures in F.S. § 163.3184.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-10. Applicability of comprehensive plans after adoption.

(a) After a comprehensive plan or element or portion thereof has been adopted in conformity with state statute, all development undertaken by and all actions taken in regard to development orders by city agencies in regard to land covered by such plan or element shall be consistent with such plan or element as adopted.

(b) All land development regulations enacted or amended shall be consistent with the adopted comprehensive plan or element or portion thereof, and any land development regulations existing at the time of adoption which are not consistent with the adopted comprehensive plan or element or portion thereof shall be amended so as to be consistent. If an existing land development regulation is inconsistent, the city commission shall adopt a schedule for bringing the land development regulation into conformity with the provisions of the most recently adopted comprehensive plan or element or portion thereof.

(c) A development order or land development regulation shall be consistent with the comprehensive plan if the land uses, densities and/or intensities, and/or other aspects of develop-

ment permitted by such order or regulation are compatible with and further the objectives, policies, land uses, and densities or intensities in the comprehensive plan and if it meets all other criteria.

(d) A development approved or undertaken by city agencies shall be consistent with the comprehensive plan if the land uses, densities or intensities, capacity or size, timing and other aspects of the development are compatible with and further the objectives, policies, land uses, and densities or intensities in the comprehensive plan and if it meets all other criteria.

(e) Whenever a comprehensive plan update for the city as a whole, or for geographical or functional classifications thereof, has been finally adopted as set out in section 62-8, then and thenceforth no public street or park, other public way, ground, place, or space, public building or public structure or activity, or quasi-public structure or activity not in conformity with the adopted comprehensive plans or portion thereof shall be constructed, altered or authorized in the city unless the location and extent thereof shall have been submitted to the planning, zoning and appeals board for a report and its statement of approval or disapproval and the reasons therefore. Within 30 days after the request for such report has been received by the planning, zoning and appeals board or within such other time limits as may be agreed upon, the report shall either be made or failure of the planning, zoning and appeals board to act shall be deemed an approval. The planning, zoning and appeals board's report under this section may be overruled by the vote of three members of the city commission. In the event of an emergency declared by the city manager, a matter in question under this section may be considered directly by the city commission without reference to the planning, zoning and appeals board.

(f) After comprehensive plans for the city or a portion of such plans corresponding generally with a geographic or functional classification of the city have been adopted in the manner herein set out, no zoning ordinance, subdivision regulation or other land use control regulation shall be adopted, repealed or amended until such question has been referred to the planning, zoning and appeals board acting as the local planning agency and local land development regulation commission, for review and recommendation to the city commission; provided that this recommendation shall be made in a reasonable time not to extend beyond two regularly scheduled meetings of the planning, zoning and appeals board, otherwise the city commission may act on adoption, and provided, however, that this provision shall not apply to those hearings required to be held by the planning, zoning and appeals board under other city ordinances.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-11. Land development regulations.

The land development regulations of the city are as follows:

(1) Subdivision regulations (chapter 55 of this Code);

(2) Zoning ordinance of the city, which regulates signage, the use of land and water, ensures compatibility of adjacent uses and provides for open space;

(3) Miami-Dade County comprehensive development master plan protects potable water well fields (reference: The Code of Miami-Dade County, Florida, as amended);

(4) Coastal management element of the Miami comprehensive neighborhood plan and by reference; the State of Florida coastal construction control line and the federal coastal construction control line and the Federal Emergency Management Agency (FEMA) flood criteria maps regulate areas subject to seasonal and periodic flooding;

(5) Stormwater element: Miami comprehensive neighborhood plan; stormwater utility, section 18-291 et seq., and the downtown development, chapter 14, article IV of this Code, providing for drainage and stormwater management;

(6) Section 3(mm) of the Charter of the City of Miami, Florida, as amended (Waterfront Charter Amendment); conservation element, Miami comprehensive neighbor-

hood plan and chapter 17, Environmental preservation of this Code ensure the protection of environmentally sensitive lands designated in the Miami comprehensive neighborhood plan;

(7) The capital improvement element, Miami comprehensive neighborhood plan; chapter 13, impact fees; and downtown development, chapter 14 article IV of this Code, provide that public facilities and services that meet or exceed the standards established in the capital improvements element of the Miami comprehensive neighborhood plan are available when needed or that permits are conditioned on the availability of these services; no development order or permit shall be issued which results in a reduction of the level of service for the affected public facility below the level of service provided in the Miami comprehensive neighborhood plan; and

(8) Chapter 2, section 2-265, off-street parking guides and standards and subsection 2-205(b)(8), parking guides and standards; chapter 14, downtown development; and section 35-121 et seq., public off-street parking of this Code and the zoning ordinance of the city provide for safe and convenient traffic flow considering needed vehicle parking.

(9) Signage is regulated in chapters 2, 10, 38, 54 and 62 of this Code and in the zoning ordinance of the city.

(10) Article XIX of this chapter, establishing policies and procedures to implement the no net loss provision for park land contained within the parks, recreation and open space element within the Miami Comprehensive Neighborhood Plan.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13321, § 3, 5-24-12; Ord. No. 14213, § 2, 10-12-23)

Sec. 62-12. Fee for inspections and examinations of plans for compliance with the provisions of the city zoning ordinance.

There is hereby established the following fee per square foot of the building to be charged at the time the application is made for the construction of a new building, change of use of building, or an addition (proportional part of land area), for the purpose of examination of the plans and site development and subsequent inspections of the building site prior to the issuance of the certificate of occupancy and subsequent thereto to assure original and continued compliance with the provisions of the city zoning ordinance:

Single-family and duplexes: $0.20 per square foot with a minimum of $100.00.

All other uses: $0.16 per square foot of the building with a minimum of $300.00.

This fee shall be in addition to the building permit fee.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13915, § 6, 9-24-20; Ord. No. 13981, § 2, 3-25-21; Ord. No. 14430, § 2, 1-8-26)

Sec. 62-13. Appropriations, fees and other expenses.

The city commission may provide appropriations for salaries, fees and expenses necessary in the conduct of the work of the boards established by this chapter and for the departments and employees necessary in the conduct of the continuing planning program. Such monies and any other sums which may be made available through fees, gifts, state or federal grants, state or federal loans or other sources shall be expended in accordance with the established budgetary and fiscal procedures and practices of the city.

(Ord. No. 13311, § 2, 2-23-12)

ARTICLE III. PLANNING, ZONING AND APPEALS BOARD

Sec. 62-14. Establishment.

There is hereby established a board, to be known as the city planning, zoning and appeals board.

(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-15. Functions, powers and duties generally.

(a) The planning, zoning and appeals board is an integral part of the total process of planning for the future development and growth of the

city. The board is to serve as an instrument of advice and recommendation in all phases and aspects of the comprehensive planning program authorized by Section 38 of the City Charter. With the assistance of the planning and zoning department, the functions, duties and powers of the planning, zoning and appeals board in the city's continuous comprehensive planning program shall be, in general:

(1) To acquire and maintain such information and materials as are necessary to an understanding of past trends, present conditions and forces at work to cause changes in these conditions. Such information and material may include, but is not to be limited to, maps and photographs of manmade and natural physical features of the city, statistics on past trends and present conditions with respect to population, property values, economic base, environmental factors, land use and such other information as is important or likely to be important in determining the amount, direction and kind of development and growth to be expected and planned for the city in the future.

(2) To review and to recommend to the city commission for adoption and from time to time recommend amendments and revisions to comprehensive and coordinated general plans, or portions thereof, for meeting present requirements and such future requirements as may be foreseen.

(3) To establish principles and policies for guiding action affecting future development in the city.

(4) To prepare and recommend to the city commission ordinances, regulations and other proposals promoting orderly development along the lines indicated as necessary and desirable by the comprehensive planning program.

(5) To conduct such public hearings as may be required to gather information and public reaction necessary for the drafting, establishment, maintenance and recommendation to the city commission for adoption of comprehensive plans or portions thereof and to conduct such public hearings as may be required on ordinances, codes and regulations related to plans made and their implementation; and to establish public committees or task forces when deemed necessary for the purpose of collecting and compiling information necessary to the planning program; or for the purpose of promoting and implementing the accomplishment of comprehensive plans in whole or in part.

(6) To make or cause to be made any necessary special studies on the location, adequacy and conditions of specific facilities in the city. These may include, but are not limited to, studies on housing, commercial and industrial conditions and public facilities, recreation, public and private utilities, conservation of natural resources, roads and traffic, transportation, parking and the like.

(7) When duly authorized by ordinance, to determine whether specific proposed developments conform to the principles and requirements of the planning program.

(8) To serve as an instrument for informing the city commission, other city departments and agencies and the public of the continuing comprehensive planning program and its purposes and status.

(9) To perform such other duties in connection with the comprehensive planning program as may lawfully be assigned to it.

(10) To review and make recommendations to the city commission on all developments of regional impact, in accordance with F.S. § 380.06.

(11) To act as the local planning agency pursuant to F.S. § 163.3174 and serve as the local land development regulation commission pursuant to F.S. § 163.3194(2).

(b) All city departments and employees shall, under the direction of city manager and upon request and within a reasonable time, furnish to

the planning zoning departments such available records or information as may be required in the

work. The planning, zoning and appeals board or representatives of the planning and zoning department may, in the performance of official duties, enter upon lands and make examinations or surveys in the same manner as other authorized city agents or employees and shall have other powers as are required for the performance of official functions in carrying out the purposes and responsibilities of the planning, zoning and appeals board and the comprehensive planning program.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-16. Appointments; qualifications.

(a) Nomination. Each city commissioner shall nominate candidates to serve the terms of two members of the planning, zoning and appeals board, taking into consideration the required qualifications for membership as provided herein.

(b) Terms of office. The terms of office shall be as provided under section 2-885.

(c) Qualifications. It is intended that members and alternate members of the planning, zoning and appeals board be persons of knowledge, experience, mature judgment, and background; having ability and desire to act in the public interest; and representing, insofar as may be possible, the various special professional training, experience, and interests required to make informed and equitable decisions concerning preservation and appropriate development of the physical environment. To that end, qualifications of members and the alternate member shall be as follows:

Eleven members and one alternate shall be from the electorate of the city with demonstrated knowledge and interest in the appropriate growth and development of the city.

(d) The city commission shall appoint the board members from the nominations made by each city commissioner, for ten members of the planning, zoning and appeals board. The mayor shall appoint one member and the alternate member. Appointees shall be persons in a position to represent the public interest, and no person shall be appointed having personal or private interests likely to conflict with the public interest. No person shall be appointed who:

(1) Has any interest in the profits or emoluments of any contract, job, work, or service for the city;

(2) Holds any elective office; or

(3) Is employed in a full-time capacity by any governmental authority in the county or the city, however a person so employed may be appointed if the city commission waives this restriction by a four-fifths affirmative vote of its membership.

Before making any appointment, the city commission shall determine that the person so appointed satisfies the requirements of sections 2-611 et seq., and no person shall be confirmed for any appointment who has not filed the statement required by section 2-615. In addition, the code of ethics of Miami-Dade County shall apply to members and the alternate member of the planning, zoning and appeals board.

(e) Persons appointed shall be electors of the city and otherwise meet the requirements of chapter 2, article XI.

(f) No member or alternate member of the planning, zoning and appeals board shall be confirmed in his/her appointment until he/she signs a statement agreeing to participate in at least one seminar on planning or zoning to be held in the state or elsewhere, and approved by the city, during the course of each calendar year he/she shall remain a member or alternate member of the board. Failure to meet this requirement each and every year after assuming board membership or alternate membership may be grounds for removal.

(g) Vacancies.

(1) Vacancies in the membership or alternate membership of the planning, zoning and appeals board shall be filled by the city commission and mayor by appointment in the manner herein set out and for the unexpired term of the member or alternate member affected, provided the city commission may appoint an alternate member

of the planning, zoning and appeals board to a vacancy as a full member of the board without resort to the procedural requirements of subsection (a).

(2) The executive secretary of the planning, zoning and appeals board shall notify the city clerk within ten days after a vacancy occurs, and the city clerk shall promptly transmit such information to the city commission for appropriate commission action as set out herein.

(h) Reserved.

(i) Removal. Members and alternate members of the planning, zoning and appeals board are removed if replaced by another member pursuant to this applicable sections of this section 62-16.

(j) Educational component. The city commission shall make provision for the payment of actual and necessary expenses, in accordance with city policy, for the attendance of each member and alternate member of the board at one local city-authorized planning or zoning seminar or conference each calendar year. The city manager, city attorney and city clerk shall coordinate and present or cause to be presented said seminar or conference and make such course available at least annually.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13340, § 1, 9-27-12; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13763, § 2, 4-12-18; Ord. No. 14130, § 2, 1-12-23)

Sec. 62-17. Proceedings of planning, zoning and appeals board.

(a) Officers and voting. The planning, zoning and appeals board shall select a chairperson and vice-chairperson from among its members and may create and fill such other offices as it may determine. All members, or the alternate member sitting in the place of a member, shall be required to vote on matters before the planning, zoning and appeals board, subject to the provisions of subsections (g) and (h) and applicable state statutes. The planning and zoning director shall attend all meetings of the board. The hearing boards section of the planning and zoning department, or its successor, shall be the executive secretary of the planning, zoning and appeals board.

(b) Rules of procedure. The planning, zoning and appeals board shall establish rules of procedure necessary to its governing and the conduct of its affairs, in keeping with the applicable provisions of state law, and the City Charter, ordinances and resolutions. Such rules of procedure shall be available in written form to persons appearing before the board and to the public upon request. Quasi-judicial procedures as provided in the zoning ordinance and as required by state law shall apply to its decisions and recommendations, including rezoning; special area plans; exceptions; variances; and appeal decisions by the board.

(c) Meetings. The planning, zoning and appeals board shall hold at least two regularly scheduled meetings each month, except the month of August, on days to be determined by the board. Other regularly scheduled meetings may be set by the board, and additional meetings may be held at the call of the chairperson and at such other times as the board may determine. Meetings that are not regularly scheduled shall not be held without at least ten days written notice to each member and the alternate member, provided that upon concurrence of the chairperson of the planning, zoning and appeals board and the city manager, an emergency meeting may be called at any time and with appropriate notice.

(d) Quorum; public records. Quorum requirements are governed by the provisions of section 2-887. However, no action to recommend adoption of amendments to the city comprehensive plan, or to recommend the amendment of the text of the Miami 21 Code, rezoning, or special area plan, or to approve an exception shall be taken without the concurring votes of a supermajority of board members present. Said supermajority consists of one more member than a simple majority. The executive secretary of the planning, zoning and appeals board shall keep minutes of board proceedings, showing the vote of each member or alternate member, if sitting for a member, or if absent or failing to vote under subsections (e) and (f), indicating such fact. It

shall be the responsibility of the executive secretary of the planning, zoning and appeals board to handle all procedural activities for all public hearings held by the board, including the preparation of minutes and official records of such hearings. The official records of such public hearings shall be filed with the city clerk.

(e) Status of alternate member. In the temporary absence or disability of a member, or in an instance where a member is otherwise disqualified to sit on a particular matter, the chairperson of the planning, zoning and appeals board, or the vice-chairperson in his/her absence, shall designate the alternate member to sit as a board member to obtain a full membership of 11 or, as nearly as possible, a full membership. When so acting, the alternate member shall have full rights of participation and voting as members; his/her vote shall be deemed that of a member in reaching a decision on a matter. In instances where the alternate member is not sitting as a member, he/she shall have the right to participate in board discussions and to ask questions, but he/she shall have no right to vote or make motions. Where the alternate member has been duly designated to sit as a member on a particular matter and consideration of that matter has begun, the alternate member shall continue to sit as a board member through disposition of the matter; and he/she shall not be replaced, should the member who was absent or unable to participate later be present.

(f) Disqualification of members or alternate. If any member of the planning, zoning and appeals board or the alternate member called on to sit in a particular matter shall find that his/her private or personal interests are involved in the matter coming before the board, he/she shall, prior to the opening of the hearing on the matter, disqualify himself/herself from all participation of whatsoever nature in the cause. Alternatively, he/she may be disqualified by the votes of not less than six members of the board, not including the member or alternate member about whom the question of disqualification has been raised. No member or alternate member of the planning, zoning and appeals board may appear before the city commission or planning, zoning and appeals board as agent or attorney for any other person.

(g) All city departments and employees shall, under the direction of city manager and upon request and within a reasonable time, furnish to the planning and zoning department such available records or information as may be required in the work of the planning, zoning and appeals board. The city manager shall assign a member of the resilience and public works department, planning and zoning department, neighborhood enhancement team, the code enforcement department and fire-rescue department, or their successors, to attend public hearings of the planning, zoning and appeals board and to advise the planning, zoning and appeals board when necessary, and to furnish information, reports and recommendations upon their request. The city attorney shall attend public hearings of the planning, zoning and appeals board to advise the board when necessary and to furnish information, reports and recommendations upon their request.

(h) The planning, zoning and appeals board or representative of the planning and zoning department may, in the performance of official duties, enter upon lands and make examinations or surveys in the same manner as other authorized city agents or employees and shall have other powers as are required for the performance of official functions in carrying out the purposes and responsibilities of the board.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 62-18. Powers and duties generally.

In furtherance of its quasi-judicial functions under section 62-15, the planning, zoning and appeals board shall have the following powers and duties:

(1) *Exceptions.* To grant exceptions with appropriate conditions and safeguards or to deny exceptions when not in harmony with the purpose and intent of the zoning ordinance of the city.

(2) *Variance.* To authorize upon application of such variance from the terms of the

zoning ordinance of the city as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the provisions of the zoning ordinance of the city would result in unnecessary and undue hardship.

(3) *Rescission.* The planning, zoning and appeals board, after public hearing, may rescind, modify or change any resolution heretofore or hereafter adopted granting a special permit, exception or variance, if, upon application filed at any time, after the granting of special permit, exception or variance, the planning and zoning director finds that there has been a violation of any conditions, restrictions or limitations in the subject resolution; provided, such a public hearing shall not be held until published notice (per section 62-20) has first been given; provided further, if the director, upon written request of any aggrieved party, refuses or fails to make such an application, such aggrieved party may request the city commission, through the city manager, to instruct the director to do so. Such decision of the planning, zoning and appeals board shall be final unless an appeal is instituted to the city commission within the time, and as prescribed for other appeals thereto.

(4) *Other matters.* To authorize and approve such other matters as shall be brought before the board pursuant to the zoning ordinance, City Charter and this Code.

(Ord. No. 13311, § 2, 2-23-12)

ARTICLE IV. NOTICE GENERALLY

Sec. 62-19. Public notice—Generally.

Where public notice is required, the type and the manner of public notice to be given shall be as set out in the zoning ordinance or section of the ordinance for the matter involved and as set out in section 62-20.

(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-20. Same—Types.

The requirements for the types of public notice are as follows:

(1) *Newspaper publication.*

a. Publication of public notice in a newspaper shall consist of publication in a newspaper of general paid circulation in the municipality and of general interest and readership in the community, not one of limited subject matter. Such publications shall be made not less than ten days in advance of the public hearing. The applicant shall be charged the appropriate fee for the advertisement for the specific property seeking action by the planning, zoning and appeals board and the city commission.

b. When the publication of public notice pertains to comprehensive plan update or portion thereof or plan amendment, the advertisement shall state the date, time and place of the meeting, the subject of the meeting, and the place or places within city boundaries where the proposed amendment may be inspected by the public. The advertisement shall also advise interested parties that they may appear at the meeting and be heard regarding the transmittal or adoption of the comprehensive plan update or portion thereof or plan amendment.

c. Except for the planning, zoning and appeals board hearings, if the proposed comprehensive plan update or portion thereof or plan amendment changes the existing permitted land uses or changes land-use categories, the required advertisements shall be no less than one-quarter page in a standard size or a tabloid size newspaper, and the headline in the advertisement shall be in a type no smaller than 18 point. The advertisement shall not

be placed in that portion of the newspaper where legal notices and classified advertisements appear. The advertisement shall be published in a newspaper pursuant to this section.

d. The advertisement shall be in substantially the following form:

NOTICE OF CHANGE OF LAND USE

The City of Miami purposes to change the use of land within the area shown in the map in this advertisement.

A public hearing on the proposal will be held on _____ (date and time) at _____ (meeting place)..."

e. The advertisement shall contain a geographic location map which clearly indicates the area covered by the proposal. The map shall include major street names as a means of identification of the area.

(2) *Posting.* Posting is not required when the city, or its designee, initiates (a) a comprehensive plan or zoning ordinance encompassing the entire city or (b) a comprehensive plan amendment, change of plan designation, zoning ordinance amendment or change of zoning classification of private property which deals with more than five percent of the total land area of the city.

a. Where posting of a property is required, it shall be done at least ten days in advance of the hearing and shall consist of a sign to be posted on the land which shall measure at least three square feet in area, shall be of a color distinguishable from the surrounding landscape, and shall contain substantially the following language:

"A PUBLIC HEARING CONCERNING THE _____ OF THIS PROPERTY FROM _____ TO _____ WILL BE HELD BY THE (CITY COMMISSION, THE PLANNING, ZONING AND APPEALS BOARD, OR THE HISTORIC AND ENVIRONMENTAL PRESERVATION BOARD) OF THE CITY OF MIAMI. CALL (phone number) FOR INFORMATION."

or

"A PUBLIC HEARING INVOLVING A VARIANCE ON THIS PROPERTY TO (short statement of nature of variance requested) WILL BE HELD BY THE (CITY COMMISSION OR THE PLANNING, ZONING AND APPEALS BOARD) OF THE CITY OF MIAMI. CALL (phone number) FOR INFORMATION."

or

"A PUBLIC HEARING INVOLVING AN EXCEPTION ON THIS PROPERTY FOR THE PURPOSE OF (short statement of nature of request) WILL BE HELD BY THE (CITY COMMISSION OR THE PLANNING, ZONING AND APPEALS BOARD) OF THE CITY OF MIAMI. CALL (phone number) FOR INFORMATION."

or

"A PUBLIC HEARING INVOLVING THE APPEAL OF A ON THIS PROPERTY FOR THE PURPOSE OF (short statement of nature of request) WILL BE HELD BY THE (CITY COMMISSION OR THE PLANNING, ZONING AND APPEALS BOARD) THE CITY OF MIAMI. CALL (phone number) FOR INFORMATION."

b. The sign shall be erected in full view of the public on each street side of such land. Where large parcels of property are involved with street frontages extending over considerable distances, as many

signs shall be erected on a street frontage as may be deemed adequate to inform the public.

c. It shall be a misdemeanor in the second degree, punishable pursuant to F.S. §§ 775.082 and 775.083 for any unauthorized person to tamper with or remove the signs posted pursuant to this section.

(3) *Mail notice.*

a. Mail notice is required for all public hearing items to be considered by the planning, zoning and appeals board or the city commission, as the case may be.

b. Mail notice communicating the date, time, and place of the public hearing by the planning, zoning and appeals board or city commission, as the case may be, shall be mailed at least ten days in advance of the hearing to:

1. The owner(s) of the subject property or his/her designated agent or attorney, if any;

2. The appellant, if the hearing is an appeal;

3. The persons and organizations registered with the city manager's office, or the designated department, as regularly updated. Appeals shall be exempt; and

4. All owners of property within 300 feet of the property lines of the land for which the hearing is being held. In the case of condominiums, only one notice will be sent to the condominium association. Appeals shall be exempt.

For the purpose of the requirement for mail notice to the property owners within 300 feet of the property lines of the land for which the hearing is being held, the names and addresses of the property owners shall be deemed those appearing on the latest tax rolls listed with the Miami-Dade County Tax Collector at the time the application is accepted, as shown on the City of Miami's Planning Department's Zoning Interactive Mapping Tool ("GIS") or its succeeding software. City of Miami staff shall affirm that mail notice was given to the persons required under this section. The affirmation shall be conclusive of the giving of the mail notice.

No action taken by the planning, zoning and appeals board, or the city commission, as the case may be, shall be voided by the failure of an individual property owner to receive such notice.

c. Mail notice shall not be required when the city, or its designee, initiates (1) a comprehensive plan amendment or zoning ordinance encompassing the entire city, or (2) a comprehensive plan amendment, change of plan designation, zoning ordinance amendment, or change of zoning classification of private property which deals with more than five percent of the city.

d. The applicant, or appellant as applicable, shall be charged the appropriate fee for the mailing for public hearing applications and appeals, as per the fee schedule adopted by the city commission.

e. While the city will make an effort to provide, mail notice shall not be required during a declared local state of emergency, unless otherwise required by state law.

(4) *Electronic notifications.* Electronic notifications shall be provided as a courtesy.

a. Courtesy notice shall mean any electronic method of communica-

tion through a digital platform implemented or procured by the city to provide notice.

b. The platform through which electronic notifications will be provided will be approved by the city manager, or his/her authorized designee, and the procurement department where applicable.

(5) *Additional notice.* Additional notifications may be required by either the planning, zoning and appeals board or the city commission, as the case may be. Additional notice shall be charged to the applicant, or the appellant, as applicable, as may be deemed proper for the circumstances involved for the particular hearing, but such additional notice shall not be deemed as legally required. Where such additional notice is given, failure of an individual property owner or groups of property owners or residents to receive or be aware of such notice shall not void any action taken by planning, zoning and appeals board, or the city commission, as the case may be.

(6) *Administrative notice.* Administrative notice may be required by the Miami 21 Code, the planning director, or the zoning administrator, as applicable, for special permits. An applicant, or appellant as applicable, may be directed to provide mail notice to all abutting property owners of the subject property, including across a street or alley, by mail. In the case of condominiums, only one notice will be sent to the condominium association. Issuance of a special permit will not be precluded by reason of the failure of an adjacent property owner to receive an administrative notice.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17; Ord. No. 14339, § 2, 12-12-24)

ARTICLE V. COVENANTS AND AGREEMENTS BEFORE THE PLANNING, ZONING AND APPEALS BOARD

Sec. 62-21. Covenants/agreements proffered by applicants.

The planning, zoning and appeals board is authorized to entertain voluntary covenants/agreements proffered by applicants. However, notwithstanding the foregoing, no applicant or applicant's representative seeking a recommendation for approval of a permit, zoning change, or approval of a future land use plan ("FLUM") amendment to the comprehensive plan shall be permitted to argue or represent to the planning, zoning and appeals board that the property which is the subject of the application will be put to a specific use or uses or to exclude a use or uses authorized by the proposed land use designation, unless the applicant has submitted a restrictive covenant committing to such representation which has been submitted to and approved by the planning and zoning department and has received approval as to legal form by the office of the city attorney prior to consideration by planning, zoning and appeals board. The planning, zoning and appeals board may recommend approval of such covenant/agreement to the city commission relative to its recommendation of the application. The applicant shall be bound to the terms of the covenant and shall record it in the public records after final acceptance by the city.

(Ord. No. 13311, § 2, 2-23-12)

ARTICLE VI. ZONING AND PLANNING FEES

Sec. 62-22. Schedule of fees.

(a) All fees are non-refundable and shall not be waived, unless otherwise provided in this chapter. All fees are due as indicated at all times.

(b) Fee caps.

(1) The maximum application fee to be charged any governmental agency other than the city for any public hearing shall be $1,000.00 per hearing.

(2) The maximum application fee to be charged any religious institution or any institution of an eleemosynary character for any change of zoning or variance public hearing shall be $1,000.00 per hearing; any institution so applying shall submit a copy of a recent affirmation letter from the Internal Revenue Service as well as a copy of its articles of incorporation to the director of the planning department or his/her authorized designee(s) for review prior to acceptance of the application.

(c) Hardship waivers for administrative permits and covenants for residential structures.

(1) The hardship waiver for administrative permits and covenants for residential structures waives the requirement to pay the following fees: pre-application meeting fees, administrative application fees, and covenant application fees.

(2) To be eligible for a hardship waiver, an applicant must be the owner-occupant of the residential structure to be improved with the administrative permit or to be subject to the covenant being applied for. As the owner-occupant, the applicant has a current homestead Exemption as defined by F.S. (2020) § 196.031, verifiable by Miami-Dade County Property Appraiser records.

(d) All fees shall be paid in accordance with the city's finance department's procedures.

(e) All applicants, persons, or organizations requesting a public hearing on any other item shall pay the advertisement fee and the notice fee pursuant to section 62-22.

(f) Pre-application.

(1) All fees for pre-application meetings shall be invoiced and collected by the planning department or the office of zoning, as applicable, from the applicant before any work is initiated by city staff.

(2) Fifty percent of the pre-application fees will be credited towards the application fee if applied for within the required timeline, if applicable, or within 90 days. After 90 days, a new pre-application meeting must be conducted and new fees must be paid.

(3) Fees shall be set by the city commission, by resolution, which may be amended from time to time. A certified copy of the resolution setting forth current permit fees shall be on file with the city clerk and the director of planning and the director of zoning. An updated fee schedule shall be maintained electronically and can be accessed at the city's website.

(g) Administrative permit.

(1) All administrative permit fees shall be invoiced and collected by the planning department or the office of zoning, as applicable, from the applicant before any work is initiated by city staff, unless exempted by subsection (c).

(2) Fees shall be set by the city commission, by resolution, which may be amended from time to time. A certified copy of the resolution setting forth current permit fees shall be on file with the city clerk and the director of planning and the director of zoning. An updated fee schedule shall be maintained electronically and can be accessed at the city's website.

(h) Staff review.

(1) All fees in staff review shall be invoiced and collected by the planning department or the office of zoning, as applicable, from the applicant before any work is initiated by city staff.

(2) Non-refundable plan review fees in accordance with this chapter shall be paid upon completion of reviews and prior to issuance of any permits. In the case of an applicant cancelling an application or the city cancelling an application due to the applicant becoming non-responsive and ultimately abandoning a permit application after plan reviews are completed, fees will be not be refundable.

(3) Projects not approved after the sixth review shall be terminated with no refund of fees.

(4) Reserved.

(5) Fees shall be set by the city commission, by resolution, which may be amended from time to time. A certified copy of the resolution setting forth current permit fees shall be on file with the city clerk and the director of planning and the director of zoning. An updated fee schedule shall be maintained electronically and can be accessed at the city's website.

(i) Covenants (also includes releases, modifications, unities of title, covenants in lieu of unity of title, and similar documents).

(1) All fees in staff review of covenants shall be invoiced and collected by the planning department or the office of zoning, as applicable, from the applicant before any work is initiated by city staff.

(2) Fees shall be set by the city commission, by resolution, which may be amended from time to time. A certified copy of the resolution setting forth current permit fees shall be on file with the city clerk and the director of planning and the director of zoning. An updated fee schedule shall be maintained electronically and can be accessed at the city's website.

(j) Other services. Fees for various services provided by the planning department and office of zoning shall be set by the city commission, by resolution, which may be amended from time to time. A certified copy of the resolution setting forth current permit fees shall be on file with the city clerk and the director of planning and the director of zoning. An updated fee schedule shall be maintained electronically and can be accessed at the city's website.

(k) (1) Application requiring public hearing.

a. No less than 50 percent of public hearing fees shall be invoiced and collected by the planning department or office of zoning, as applicable, from the applicant at the time of pre-application submittal. This fee shall not be refunded once payment has been remitted to the city.

b. The remaining balance due for a submission requiring public hearing shall be invoiced and collected by hearing boards from the applicant no later than ten business days from the date on which the application was referred to hearing boards with the appropriate stamp from the electronic plans review system. This fee shall not be refunded once payment has been remitted to the city.

c. Applicants who have not remitted all of the public hearing fees invoiced by hearing boards within 180 days from the date on which the application was batch-stamped in the electronic plans review system (or successor system) and referred to hearing boards shall have their application terminated and closed. Applicants who wish to have their projects reconsidered after an application has been terminated must submit new applications and pay all applicable fees for those new applications.

(2) Fees shall be set by the city commission, by resolution, which may be amended from time to time. A certified copy of the resolution setting forth current permit fees shall be on file with the city clerk and the director of planning and the director of zoning. An updated fee schedule shall be maintained electronically and can be accessed at the city's website.

(l) Noticing, advertising, property posting fees for public hearings.

(1) One hundred percent of application fees shall be invoiced and collected by hearing boards from the applicant no later than ten business days from the date on which the application was referred by the planning department or office of zoning, as applicable, to hearing boards.

(2) Applicants who have not remitted 100 percent of noticing, advertising, and property posting fees within 135 days from the date on which the application was referred to hearing boards shall have their application terminated and closed on the 136th day.

(3) Public hearing mail notice, newspaper advertising, and property posting fees must be paid before being scheduled on an agenda.

(4) For every instance in which a decision-making body indefinitely defers an item at the request of an applicant, whether solely or jointly, the applicant shall bear the cost of all noticing, advertising, and posting of properties, as applicable.

(5) For every instance in which a decision-making body makes a motion initiated by the city, at the request of one of its members or the city administration, to indefinitely defer an item, the clerk to the board shall read the following fiscal impact statement on the record before the board decision-making body takes its vote: "Pursuant to Section 62-22 of the City Code, an indefinite deferral on this item will cost the City mail noticing, advertising, and posting of properties, as applicable."

(6) Fees shall be set by the city commission, by resolution, which may be amended from time to time. A certified copy of the resolution setting forth current permit fees shall be on file with the city clerk and the director of planning and the director of zoning. An updated fee schedule shall be maintained electronically and can be accessed at the city's website.

(m) Permits shall not be issued for a property with any outstanding code compliance violations, building violations, or any relevant city lien or invoice due and owing to the city. Permits required to cure life safety issues, permits which are required to bring outstanding violations into compliance, or permits for any properties owned by a governmental entity are exempted from this prohibition.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13798, § 5, 10-25-18; Ord. No. 13872, § 2, 11-21-19; Ord. No. 13915, § 6, 9-24-20; Ord. No. 13927, § 2, 10-8-20; Ord. No. 13981, § 3, 3-25-21; Ord. No. 14120, § 2, 11-17-22; Ord. No. 14139, § 3, 2-9-23; Ord. No. 14337, § 2, 12-12-24)

City Code cross references—Zoning certificate of use; fees for inspection and issuance of certificates, § 2-207; fees for inspection and examination of plans for compliance with zoning ordinance, § 2-208.

Sec. 62-23. Request for review and appeal.

(a) The city commission may initiate a request for review and such request shall be initiated only by duly adopted resolution of the commission.

(b) Fees, plus advertisement fee and notice fee shall be paid by the applicant or appellant, as applicable, prior to the item being rescheduled.

(c) Fees shall be set by the city commission, by resolution, which may be amended from time to time. A certified copy of the resolution setting forth current permit fees shall be on file with the city clerk and the director of planning and the director of zoning. An updated fee schedule shall be maintained electronically and can be accessed at the city's website.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13717, § 2, 12-14-17; Ord. No. 13927, § 2, 10-8-20; Ord. No. 14120, § 2, 11-17-22; Ord. No. 14337, § 2, 12-12-24)

Sec. 62-24. Fee payment deferred.

Notwithstanding any provisions to the contrary contained in this Code or the zoning ordinance relative to development activity in a redevelopment district duly designated as such by the city commission pursuant to the Community Redevelopment Act of 1969, as set forth in F.S. ch. 163, except for the cost of required advertising, notices and postings, special area plan fees (including constituent elements of said process such as rezonings, variances, exceptions, warrants and waivers and special permits) may be partially deferred for any amount above the minimum application fee as specified in article VI, section 62-156, until such time as the initial building permit for the subject property is requested or for a period of one year from the approval of the applicable process, whichever

occurs first. In order for said fees to be deferred, the subject property owner(s) shall provide the city with a recordable document acceptable to the city attorney, evidencing said financial obligation and placing a lien on the subject property for the amount of such deferred fees, said document shall be recorded at the permittee's expense immediately upon issuance of the approval of the applicable process by the city commission.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-25. Waiver and refund of fees.

(a) *Waiver of fees.* The fees required under this chapter may be waived by the director of planning or the zoning administrator, as applicable, for entities and agencies of the city.

(b) *Refund of fees.* Application, appeal, advertising, and noticing fees authorized by section 62-22 and section 62-23 shall not be refunded once remitted to the city.

(c) *Invoicing errors.* In the event that the planning department or office of zoning issues an invoice that includes errors of calculation or itemization, an adjustment of fees paid shall be permitted with the authorization of the planning director. The city's finance director shall make payment to the payee within 30 days of the planning director's authorization.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13927, § 2, 10-8-20; Ord. No. 14120, § 2, 11-17-22)

Editor's note—Ord. No. 13927, § 2, adopted October 8, 2020, changed the title of section 62-25 from "Waiver of fees" to "Waiver and refund of fees." The historical notation has been preserved for reference purposes.

ARTICLE VII. HISTORIC AND ENVIRONMENTAL PRESERVATION BOARD*

Sec. 62-26. Establishment.

There is hereby established a board, to be known as the city historic and environmental preservation board, for the purpose of carrying out the provisions of chapters 17 and 23 of the City Code and article 7 Ordinance 13114, Miami 21, the zoning ordinance of the city, as amended.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-27. Membership.

(a) *Composition; appointment.* The historic and environmental preservation board (hereinafter referred to as the "board") shall consist of nine members and one alternate member, to be appointed by the city commission.

(b) *Qualifications; conflicts of interest.* All members of the board shall be from the electorate of the city. No member shall have a conflict of interest relative to any matter or application before the board as defined by F.S. ch. 112, pt. III, entitled "Code of Ethics for Public Officers and Employees," or Section 2-11.1 of the Miami-Dade County Code, entitled "Miami-Dade County Conflict of Interest and Code of Ethics Ordinance," or chapter 2, article V, sections 2-611—2-619, Miami Code, entitled "Conflicts of Interest," as amended. No member shall have a voting conflict of interest under F.S. § 286.012, as amended. Members of the board shall not be transacting business with the city. It is intended that members and alternate members of the board established by this article be persons of knowledge, experience, mature judgment, and background, having ability and desire to act in the public interest and representing, insofar as may be possible, the various special professional training, experience, and interests required to make informed and equitable decisions concerning preservation and protection of the physical environment. To that end, qualifications of members and alternate members shall be as follows:

(1) One member shall be an architect who is or has been registered in the state.

(2) One member shall be a landscape architect who is or has been registered in the state.

(3) One member shall be a historian or architectural historian qualified by means of education or experience and having demonstrated knowledge and interest in county history or architectural history.

*__City Code cross references—__Environmental preservation, ch. 17; historic and environmental preservation board, § 17-29; preservation officer, § 17-30; historic preservation, ch. 23.

(4) One member shall be an architect or architectural historian having demonstrated knowledge and experience in architectural restoration and historic preservation.

(5) One member shall be an experienced real estate broker who is or has been licensed by the state.

(6) One member shall be a person experienced in the field of business and finance or law.

(7) Three members shall be citizens with demonstrated knowledge and interest in the historic and architectural heritage of the city and/or conservation of the natural environment, and may also qualify under any of the above categories.

(8) One alternate member shall qualify under one of the above categories.

(c) *Procedure for appointment.* No appointment shall be made by the city commission to membership on the board until the city clerk shall have given notice of the vacancy in a newspaper of general circulation in the city at least 30 days prior to the making of an appointment, and the city commission shall have solicited and encouraged public, professional, and citizen organizations having interest in and knowledge of the purpose and intent of the board to submit names of persons and their qualifications as prospective appointees to the board. At least five days prior to the making of any appointment, the city clerk shall publicly make announcement that the list of names submitted, together with a short statement of the qualifications of each person, is prepared and available for public inspection and consideration. In addition, the city clerk shall, at least five days prior to the making of any appointment, publicly make announcement that the names and qualifications of prospective nominees submitted by members of the city commission are available for public inspection and consideration. No person shall be appointed to membership or alternate membership on the board whose name and qualifications have not been made publicly available in the manner set out. In reaching a decision on any appointment, the city commission shall give due consideration to the qualifications thus submitted.

(d) *Terms of office.* Members and alternate members of the board shall be appointed for one-year terms or until the nominating commissioner leaves office, whichever occurs first. Members and alternate members may be reappointed to consecutive terms, subject to the procedures set forth in subsection (c) above.

(e) *Vacancies.* Vacancies in membership or alternate membership of the board shall be filled by the city commission in the manner set forth in subsection (c) above, and shall be only for the unexpired term of the member or alternate member affected.

(f) *Removal.* Members and alternate members of the board may be removed with or without cause by vote of not less than three members of the city commission; however, any member or alternate member of the board who fails to comply with the attendance requirements contained in section 2-886 of this Code shall be automatically removed in the manner prescribed under section 2-889 of this Code. Following said removal, the city commission shall fill the vacancy pursuant to subsection (e) above.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13777, § 3, 7-26-18)

Sec. 62-28. Functions, powers and duties, generally.

In addition to such other powers, duties, and authority as may be set forth elsewhere in this Code and in the zoning ordinance, the board is hereby authorized to:

(1) Maintain and update files from the county historic survey within the city for the purpose of identifying and preserving those properties and neighborhoods of special historic, aesthetic, architectural, archeological, paleontological, cultural, social, or political value or interest. It shall endeavor to improve and expand the survey with additional sites, documentary information, oral histories, and other such materials as may become available; and to periodically reevaluate

the survey to determine whether changing times and values warrant recognition of new or different areas of significance.

(2) Serve as a quasijudicial instrument to designate historic sites, historic resources, historic districts, and archeological zones pursuant to chapter 23 of the City Code.

(3) Serve as a quasijudicial instrument to approve or deny certificates of appropriateness pursuant to chapter 23 of the City Code and article 7 of the zoning ordinance.

(4) Serve as a quasijudicial instrument to approve or deny certificates of approval pursuant to chapter 17 of the City Code.

(5) Recommend to the city commission, in reference to specific properties or general programs, the use of preservation incentives such as, but not limited to, transfer of development rights, facade easements, financial assistance, public acquisition, building code amendments, and special zoning regulations.

(6) Maintain a record of unique environmentally significant lands or sites within the city.

(7) Increase public awareness of the value of historic and environmental preservation by developing and participating in public information programs.

(8) Make recommendations to the city commission concerning the utilization of grants from federal and state agencies or private groups and individuals, and utilization of city funds to promote the preservation of environmentally, historically, and aesthetically significant properties and neighborhoods.

(9) Promulgate standards for architectural review in addition to those general standards contained in chapter 23 of the City Code.

(10) Evaluate and comment upon decisions of other public agencies affecting the physical development and appearance of environmentally, historically, and aesthetically significant properties and neighborhoods.

(11) Contact public and private organizations and individuals and endeavor to arrange intervening agreements to ensure preservation of environmentally, historically, or aesthetically significant properties for which demolition is proposed.

(12) Promote and encourage communication and exchange of ideas and information between the board and owners of historically and environmentally significant properties, potential developers, public officials, financial institutions, etc.

(13) In the name of the city and with the consent of the city commission, apply for, solicit, receive, or expend any federal, state, or private grant, gift, or bequest of any funding, property, or interest in property in furtherance of the purposes of historic and environmental preservation.

(14) Approve historic markers and issue recognition to historic properties within the city.

(15) Adopt and amend rules of procedure.

(16) Advise the city commission on all matters related to the use, administration, and maintenance of city-owned historic properties and environmental preservation districts.

(17) Any other function which may be designated by ordinance, resolution or motion of the city commission.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13777, § 3, 7-26-18)

Sec. 62-29. Proceedings.

(a) *Officers.* The board shall select a chairperson and vice-chairperson from among its members to serve for a one-year term and may create and fill such other offices as it may deem necessary or desirable.

(b) *Rules of procedure.* The board shall establish rules of procedure necessary to its governing and the conduct of its affairs, in keeping with the applicable provisions of the City Charter, ordinances, and resolutions. Such rules of procedure shall be available in written form to persons appearing before the board and to the public upon request.

(c) *Meetings.* The board shall meet at least once per month, except August, with all meetings open to the public.

(d) *Quorum; voting.* Four members shall constitute a quorum. All decisions of the board shall require a concurring vote of a majority of the members present; however, all actions on designations pursuant to chapter 23 of the City Code shall require a concurring vote of at least five members of the board, and tie votes shall be construed as a denial of the subject motion.

(e) *Status of alternate member.* In the temporary absence or disability of a member, or in an instance where a member is otherwise disqualified to sit on a particular matter, the chairperson of the board, or the vice-chairperson in his/her absence, shall designate the alternate member to sit as a board member to obtain a full membership of nine or, as nearly as possible, a full membership. When so acting, the alternate member shall have full rights of participation and voting as members, and his/her vote shall be deemed that of a member in reaching a decision on a matter. In instances where the alternate member is not sitting as a member, he/she shall have the right to participate in board discussions and to ask questions, but he/she shall have no right to vote or make motions. Where the alternate member has been duly designated to sit as a member on a particular matter and consideration of that matter has begun, the alternate shall continue to sit as a board member through disposition of the matter, and he/she shall not be replaced should the member in whose stead he/she is sitting later be present.

(f) *Disqualification of members or alternate member.* If any member of the board or the alternate member called on to sit in a particular matter shall find that his/her private or personal interests are involved in the matter coming before the board, he/she shall, prior to the opening of the discussion on the matter, disqualify himself/herself from all participation of whatsoever nature in the cause; or he/she may be disqualified by the votes of not less than a majority of total membership of the board, not including the member or alternate member about whom the question of disqualification has been raised.

(g) *Assignment of personnel.* The city manager shall assign adequate staff for the board to carry out its responsibilities and duties, including but limited to, representatives from the departments of planning and zoning and law.

(h) *Public record.* Minutes of each board meeting shall be prepared by staff representatives assigned by the city manager, under the supervision and direction of the board. Copies of the minutes and all certificates issued by the board shall be filed with the planning and zoning department.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17)

Sec. 62-30. Compensation.

Members and alternate members of the board shall serve without compensation, but shall be reimbursed for expenses necessarily incurred in the performance of their duties, subject to the prior approval of the director of the planning and zoning department.

(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-31. Preservation officer.

The city manager shall appoint a person from the planning and zoning department to serve as preservation officer to assist the board. The appointee shall be experienced and knowledgeable in respect to architectural history, urban design, local history, landscape materials, site planning, and land use control regulations. In addition to such duties as may be set forth in chapters 17 and 23 of the City Code and article 7 of the zoning ordinance, the preservation officer shall:

(1) Schedule meetings of the board, prepare agendas, and ensure that proper notice is carried out by persons or departments assigned to such duties.

(2) Provide applicable advice, standards, guidelines, and procedures to prospective applicants for certificates of appropriateness in historic sites, historic districts, and archeological zones and for certificates of approval in environmental preservation districts.

(3) Upon receipt of a complete application for a certificate of appropriateness or certificate of approval, review such application, which may include a field check of the site and referral to other departments or agencies as necessary, to determine any adverse effect upon the public welfare; and approve or deny standard certificates of appropriateness and standard certificates of approval.

(4) Provide recommendations to the board on all proposed designations, special certificates of appropriateness, and special certificates of approval, as well as any other item requested by the board.

(5) Prepare summary reports of all decisions on special certificates of appropriateness and special certificates of approval, including criteria and conditions for approval or denial.

(6) Issue all approved certificates of appropriateness and certificates of approval.

(7) Review and approve all final development plans for historic sites, historic districts, archeological zones, and environmental preservation districts for compliance with terms and conditions of applicable certificates of appropriateness or certificates of approval, prior to issuance of any building permit.

(8) Maintain and update the "Official Historic and Environmental Preservation Atlas of the City of Miami, Florida" delineating historic sites, historic districts, archeological zones, and environmental preservation districts.

(9) Work with other departments, public agencies, and private groups as required to provide a continuing effort to protect and preserve significant elements of the man-made and the natural environment through public education and encouragement of sound preservation policies.

(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-32. Schedule of fees.

(a) Public notice.

(1) Notice fees as set forth in subsection 62-22(l).

(2) Advertising fee for applications for homesteaded properties within T3 transects $0.00

(3) Advertising fee for applications within T4 transects or higher as set forth in subsection 62-22(l).

(b) All after-the-fact permits assessed at double normal rates.

(c) Standard certificate of appropriateness (COA) 0.00

(d) Special certificate of appropriateness (SCOA):

(1) Demolition 500.00

(2) New construction/relocation.

a. Single-family and duplex 200.00

b. Other and commercial 300.00

c. Plus $0.05 per square foot.

(3) Modifications.

a. Single-family and duplex 150.00

b. Other and commercial 250.00

c. Plus $0.05 per square foot.

(4) Waivers, exceptions, and exclusions.

a. Single-family and duplex 200.00

b. Other and commercial 300.00

c. Plus 65 percent of typical fee for permits otherwise requiring planning, zoning, and appeals board approval.

(e) Certificates of approval (CEA).

(1) Single-family and duplex... 75.00

(2) Other and commercial 150.00

(f) Special certificates of approval (SCEA).

(1) Single-family and duplex... 150.00

(2) Other and commercial 250.00

(g) Certificate to dig (CTD).

(1) Single-family and duplex... 75.00

(2) Other and commercial 150.00

(h) Archaeological monitoring.

First hour 100.00

Each additional hour 50.00

(1) Archaeological field work and excavation.

First hour 150.00

Each additional hour 65.00

(i) Special certificate to dig.

(1) Single-family and duplex... 150.00

(2) Other and commercial 250.00

(j) Time extensions.

(1) SCOA and COA: Max 12-month extension..... 75.00

(2) SCEA and CEA: Max 12-month extension..... 75.00

(3) SCTD and CTD: Max 12-month extension..... 75.00

(k) Designation report requests.

(1) Initial review of historic significance (preliminary evaluation)..... $150.00

Plus $0.05 per square foot of floor area under consideration.

(2) Individual property (final evaluation)..... 50.00

(l) Designation report requests: Districts.

(1) Up to 20 contributing resources 500.00

(2) Each additional contributing resource..... 50.00

(m) Transfer of development rights and density fees.

(1) Certificate of eligibility 200.00

(2) Conditional certificate of transfer: $300.00 plus $0.06 per square foot of floor lot area to be transferred.

(3) Plus $200.00 per unit of density to be transferred.

(n) Certificate of transfer if no conditional certificate of transfer issued..... 300.00

(1) Plus $0.06 per square foot of floor lot area to be transferred.

(2) Plus $200.00 per unit of density to be transferred.

(o) An additional amount equal to 15 percent of the value of the capital improvements pursuant to section 23-6 will be retained:

(1) Five percent for the historic preservation trust fund as per article XVII.

(2) Ten percent for the public benefits trust fund, particularly for affordable/workforce Housing as per article XIV, with priority of five percent for the city's senior rental assistance program, and five percent for the city's employee homeownership assistance program.

(p) Deferment or continuance of hearing.

(1) After the legal ad has been placed 150.00

(q) Appeals of designations for properties zoned T3-O to city commission 0.00

(r) Ad-valorem tax abatement application.

(1)	Residential.	
	a. Single-family and duplex	50.00
	b. Multi-family under 30 units	262.50
	c. More than 30 units	500.00
(2)	Commercial.	
	a. Under 10,000 sq. ft.	1,250.00.
	b. 10,001—50,000 sq. ft.	3,000.00
	c. 50,001—100,000 sq. ft.	6,000.00
	d. Over 100,000 sq. ft.	9,000.00
(3)	Mixed-use:	
	a. Combination of the above as applicable.	

(s) Any other permit requiring historic and environmental preservation board approval: $100.00 plus noticing pursuant to subsection 62-32(a), as applicable.

(t) Any other administrative permits: 50.00 plus noticing pursuant to subsection 62-32(a), as applicable.

ARTICLE VIII. RESERVED

Secs. 62-221—62-255. Reserved.

ARTICLE IX. URBAN DEVELOPMENT REVIEW BOARD

Sec. 62-256. Establishment.

There is hereby established a board, to be known as the city urban development review board (UDRB), for the purpose of recommending whether the design of developments and/or improvements pursuant to Miami 21 the zoning ordinance of the city, as amended or superseded, are in conformance with city guides and standards. (Ord. No. 13311, § 2, 2-23-12)

Sec. 62-257. Membership.

(a) *Composition; appointment.* The urban development review board shall consist of nine members and one alternate, to be appointed by the city commission.

(b) *Qualifications.* It is intended that members of the urban development review board shall be persons of knowledge, experience, mature judgment and background, having ability, special professional training and interest to act in the public interest in order to make informed and equitable decisions concerning architecture, urban, physical and site design. To that end, qualifications of board members shall be as follows:

(1) At least five members shall be architects registered in the state. Each member shall have had five years of experience after registration in the practice of his/her profession.

(2) Four other members shall be either architects or landscape architects registered in the state, and shall meet the same criteria as subsection (b)(1) above.

(3) The alternate member shall satisfy the qualifications set forth in subsection (b)(2) above.

(4) During the qualification process, professional organizations such as the American Society of Architects and the American Society of Landscape Architects shall be encouraged to submit names of persons and their qualifications to the city commission through the city manager.

(c) *Terms of office.* Members of the urban development review board shall be appointed to serve a term of one year or until the nominating commissioner leaves office, whichever occurs first. Notwithstanding the above, individual members may serve until their successor is appointed and qualified. After the initial term of appointment, no member of the board shall be reappointed to more than five consecutive terms thereafter.

(d) *Vacancies.* Vacancies in the membership of the urban development review board shall be filled by the city commission, and shall be only for the unexpired term of the member affected.

(e) *Removal.* Members of the urban development review board may be removed with or without cause by vote of not less than three members of the city commission; however, any member or alternate member of the board who fails to comply with the attendance requirements contained in section 2-886 of this Code shall be automatically removed in the manner prescribed under section 2-889 of this Code. Following said removal, the city commission shall fill the vacancy pursuant to subsection (d) above.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17)

Sec. 62-258. Functions, powers and duties generally.

In addition to such other powers, duties and authority as may be set forth elsewhere in this Code and in the zoning ordinance, the urban development review board is hereby authorized to:

(1) Review and recommend to the director of planning and zoning, for approval, approval with conditions or disapproval of applications for applications for special permits within certain zoning districts as per section 5.6.4, section 7.1.1.2, and appendix A of the Miami 21 Code and to the city manager or his/her designee on applications for omni media tower permits, pursuant to chapter 7 of the City Code. Said review shall be pursuant to city guides and standards for administrative review referenced in subsection 2-205(b)(8), or such design guides contained in the requirements of the applicable zoning district text.

(2) Require submission to the board of all information as may be reasonably necessary for the board to evaluate completely the proposed structure of improvement.

(3) To recommend, from time to time, to the director of the planning and zoning department modifications and/or amendments to the city guides and standards.

(4) Adopt and amend rules of procedure.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17)

Sec. 62-259. Proceedings.

(a) *Officers.* The urban development review board shall select a chairperson and vice-chairperson from among its members to serve for a one-year term commencing in January and may create and fill such other offices as it may deem necessary or desirable.

(b) *Rules of procedure.* The urban development review board shall establish rules of procedure necessary to its governing and the conduct of its affairs, in keeping with the applicable provisions of the City Charter, Code of Ordinances, and resolutions. Such rules of procedure shall be available in written form to persons appearing before the board and to the public upon request.

(c) *Meetings.* The urban development review board will meet once each month, except for August, unless the director of planning and zoning has no business to transact, in which instance there will be no regular meeting. The director of planning and zoning or the chairperson can call a special meeting upon five days' notice.

(d) *Voting; quorum.* All decisions and recommendations of the urban development review board shall require a concurring vote of a majority of the members present. Three members shall constitute a quorum. Tie votes shall result in the subject agenda item being continued to the next meeting of the board.

(e) *Public record.* Summary minutes of each urban development review board meeting shall be prepared by the urban development officer. The summary minutes shall be kept on file with the planning and zoning department.

(f) *Notice.* Notice of meetings will be posted five days in advance at the city administration building. No other advertisement or notification

is required, except as a courtesy as may be directed by the director of the planning and zoning department.

(g) *Assignment of staff.* The city manager shall assure that adequate staff is available from the planning department and, on an as-needed basis, from other departments such as law.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13578, § 2, 12-10-15)

Sec. 62-260. Urban development review board secretary.

(a) The city manager or his/her designee shall appoint a person from the planning and zoning department to serve as urban development review board secretary to assist the urban development review board. The appointee shall be experienced and knowledgeable in respect to architectural design, urban design, site planning and land use control regulations.

(b) In addition to such duties, the urban development secretary shall:

(1) Schedule meetings of the urban development review board, prepare agendas, and ensure that proper notice is given to applicants of board meetings.

(2) Provide appropriate information on projects, standards, guidelines, procedures and related materials to applicants for special permits which will be reviewed by the board.

(3) Prepare summary reports of board actions and transmit them to the director of planning as input to special permits.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17)

Secs. 62-261—62-300. Reserved.

ARTICLE X. TREE TRUST FUND

Sec. 62-301. Intent.

It is intended that the "Tree Trust Fund" be established in order to facilitate the compliance of tree replacement requirements according to chapter 17 of this Code, to facilitate the receipt of equitable contributions for replacement trees, to enhance the tree canopy coverage throughout the city and to restore the loss of tree canopy cover in the city. Expenditures from this trust fund shall require authorization by the city manager, or his/her designee, upon written recommendations from the directors of the departments of planning and zoning, code enforcement, and/or resilience and public works.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 62-302. Trust fund payments.

Payments into the trust funds shall include, but shall not be limited to, monies collected pursuant to this chapter and chapter 17 of this Code.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-303. Established.

(a) There is hereby established a trust fund to be entitled the "Tree Trust Fund" (the "trust fund") to be maintained and administered by the city, into which funds shall be deposited and from which funds shall be withdrawn pursuant to this article to pay the procurement of replacement trees to restore the loss of tree canopy cover in the city and to enhance tree canopy coverage and shrubs through means which may include, but are not limited to the following activities by the city or its authorized agents:

(1) Not less than 80 percent of the trust fund shall be expended on tree replacement and restoration and enhancement of tree canopy coverage throughout the city during each fiscal year. These funds may be used for periodic distribution of saplings and shrubs to the public to enhance tree canopy coverage in the city. However, if the city manager, or his/her designee, determines that there are insufficient reserves in the trust fund to implement a viable tree replacement program, funds may be carried over to the next fiscal year.

(2) Not more than ten percent of the trust fund shall be expended on activities directly related to three replacement and

restoration and enhancement of tree canopy coverage throughout the city during each fiscal year, including, but not limited to, survey work, site inventory and analysis, landscape architectural design services, inspection services for new plantings, and other related project expenses and incidentals.

(3) Not more than ten percent of the trust fund shall be expended during each fiscal year to provide training for code inspectors and for administrative costs directly related to the notice requirements of chapter 17 of this Code. Said training shall be directly related to the implementation of chapter 17 of this Code, including, but not limited to, training to properly identify the different tree and palm species and to properly grade the quality standards for new trees and palms, including the knowledge of proper planting, pruning, and landscape maintenance techniques.

(b) Allowable expenditures undertaken pursuant to this chapter may be made by the city manager, or his/her designee, except that any trust fund expenditures in excess of $50,000.00 will require approval by the city commission.

(c) It is the intent of this article that prior to the expenditure of funds for the above listed items by the city manager, that due consideration is given to written recommendations from the directors of the departments of planning and zoning and/or resilience and public works.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 62-304. Funds made available; financial report.

(a) Funds deposited in the trust fund shall be made available to the city manager for implementation purposes; all disbursals of trust fund monies shall be made by the city manager, or his/her designee, in accordance with this chapter and chapter 17 of this Code, and after due consideration is given to the written recommendations of the directors of the departments of planning and zoning, code enforcement, and/or resilience and public works.

(b) A financial report on trust fund receipts and expenditures shall be prepared annually at the close of the fiscal year by the city manager or his/her designee and presented to the city commission.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Secs. 62-305—62-320. Reserved.

ARTICLE XI. FEC CORRIDOR IMPROVEMENT TRUST FUND

Sec. 62-321. Intent.

It is intended that a "FEC Corridor Improvement Trust Fund" be established in order for additional funding to be made available for the development of an integrated transportation system, funding of civic spaces, implementation of certain economic development plans, and the development of streetscapes and increased housing opportunities within the FEC Corridor. Fees shall be paid into the trust fund as specified. Expenditures from this trust fund shall require authorization by the city commission upon written recommendations from the directors of the departments of planning and zoning, building, resilience and public works, capital improvements (CIP) and the office of transportation.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13792, § 1, 10-11-18)

Sec. 62-322. Established.

(a) There is established a trust fund to be entitled the "FEC Corridor Improvement Trust Fund" (the trust fund) to be maintained and administered by the city, into which funds shall be deposited and from which funds shall be withdrawn to facilitate the creation and implementation of programs to improve and develop an integrated public transportation system, current economic levels, housing

opportunities and streetscapes, through means which may include, but are not limited to, the following activities by the city administration:

(1) Implementation of a program for the development of a premium and connected transit system throughout the FEC Corridor, such as an electric/fuel cell trolley connecting the northern end of the FEC Corridor to the downtown Miami area, and for roadway improvements (including, but not limited to; remedying capacity and design issues of east-west connectors between Interstate 95 and Biscayne Boulevard) which can be utilized to promote revitalization and economic development.

(2) Implementation of a program providing for streetscape and public infrastructure improvement (including, but not limited to, landscaping, repaving of streets and sidewalks, development of street end pocket parks, bike paths, linear parks or trail systems, and planted medians) for those public rights-of-way in those areas where there is a need for improved pedestrian access and connectivity between neighborhoods and districts to the extent necessary as determined by the city commission with due consideration given to the recommendation of the directors of the departments of planning and zoning, building, resilience and public works, CIP and the office of transportation. Coordination of the implementation shall be processed through the city manager's office.

(3) Perform such other related activities as may be appropriate to carry out the intent of this article, including but not limited to, maintenance of streetscapes, funding for operations of civic spaces within Appendix C, SD-27 Midtown Miami Special District, of the Miami 21 Code, as may be deemed necessary by the city manager.

(b) It is the intent of this article that prior to expenditures pursuant to the above listed items by the city commission, that due consideration if given to written recommendations from the city manager, and directors of the departments of planning and zoning, building, resilience and public works, CIP and the office of transportation.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13792, § 1, 10-11-18)

Sec. 62-323. Prerequisite.

As a prerequisite to the purchase of bonus floor area ratio (FAR), as described in Zoning Ordinance 11000 or floor lot area (FLR) pursuant to the Miami 21 Code, the developer must improve its property with superior landscape and street furniture as described in the SD-27 design standards and as required by warrant.

(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-324. Funds made available; financial report.

(a) Funds deposited into the trust fund shall be made available to the city manager for implementation purposes for properties located within the FEC Corridor as depicted in the FEC Corridor map on file with the planning and zoning department, all disbursals of trust fund monies shall be made by the city commission, after due consideration is given to the written recommendations of the city manager and the directors of the departments of planning and zoning, building, resilience and public works, CIP and the office of transportation.

(b) A financial report on the trust fund receipts and expenditures shall be prepared annually at the close of the fiscal year by the city manager or his/her designee and presented to the city commission.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17; Ord. No. 13792, § 1, 10-11-18)

Sec. 62-325. Schedule of fees and charges.

The schedule of fees and charges to be assessed and paid into the trust fund is as follows:

Floor area ratio (FAR) bonus fees. Developers wishing to obtain bonus FAR area for properties located in the SD-27 district shall pay a one-time, nonrefundable fee of $12.40 per square foot of bonus floor area ratio (FAR) to

the city FEC Corridor Improvement Trust Fund as a prerequisite to obtaining a building permit.

(Ord. No. 13311, § 2, 2-23-12)

Secs. 62-326—62-400. Reserved.

ARTICLE XII. PARKS AND OPEN SPACE TRUST FUND

Sec. 62-401. Intent.

It is intended that the "Parks and Open Space Trust Fund" be established in order to facilitate the compliance of open space requirements according to Miami 21 as amended, the zoning ordinance of the city (the "zoning ordinance"), to facilitate the receipt of equitable contributions for mitigation of open space in the city. Expenditures from this trust fund shall require written authorization by the city manager, or his/her designee, upon written recommendations from the directors of the departments of planning and zoning and parks.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17)

Sec. 62-402. Trust fund payments.

Payments into the "Parks and Open Space Trust Fund" shall include, but shall not be limited to, monies collected pursuant to section 3.14 of the zoning ordinance.

(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-403. Established.

(a) There is hereby established a trust fund to be entitled the "Parks and Open Space Trust Fund" (the "trust fund") to be maintained and administered by the city, into which funds shall be deposited and from which funds shall be withdrawn pursuant to this article to pay the procurement of parks and open space or improvement of parks and open spaces in the city, through means which may include, but are not limited to the following activities by the city or its authorized agents:

(1) Not less than 80 percent of the trust fund shall be expended on acquisition of new parks and open space during each fiscal year. However, if the city manager, or his/her designee, determines that there are insufficient reserves in the trust fund to implement viable purchases of land, funds may be carried over to the next fiscal year.

(2) Not more than ten percent of the trust fund shall be expended on activities directly related to improvement of existing parks and open space during each fiscal year, including, but not limited to, survey work, site inventory and analysis, landscape architectural design services, inspection services for new plantings, and other related project expenses and incidentals.

(3) Not more than ten percent of the trust fund shall be expended during each fiscal year to provide for administrative costs directly related to the notice requirements of the zoning ordinance.

(b) Allowable expenditures undertaken pursuant to this chapter may be made by the city manager, or his/her designee, except that any trust fund expenditures in excess of $50,000.00 will require approval by the city commission. All trust fund expenditures made by the city manager or city commission, as applicable, shall only be made after a recommendation is made by the parks advisory board as to such expenditures. Notwithstanding the foregoing, the city commission may, by unanimous vote, approve or expedite any expenditure under this chapter.

(c) It is the intent of this article that prior to the expenditure of funds for the above listed items by the city manager, that due consideration is given to written recommendations from the parks advisory board and, if practicable, the directors of the departments of planning and zoning and parks.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17)

Sec. 62-404. Funds made available; financial report.

(a) Funds deposited in the trust fund shall be made available to the city manager for implementation purposes, all disbursals of trust

fund monies shall be made by the city manager, or his/her designee, in accordance with this chapter and the zoning ordinance, and after due consideration is given to the written recommendations of the directors of the departments of planning and zoning and parks.

(b) A financial report on trust fund receipts and expenditures shall be prepared annually at the close of the fiscal year by the city manager or his/her designee and presented to the city commission.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17)

Secs. 62-405—62-519. Reserved.

ARTICLE XIII. PLANNING AND ZONING APPROVAL FOR TEMPORARY USES AND OCCUPANCIES; PERMIT REQUIRED*

DIVISION 1. RESERVED†

Secs. 62-520—62-526. Reserved.

DIVISION 2. TEMPORARY OCCUPANCY

Sec. 62-527. Intent.

A temporary permit system is hereby established to assure special examination, review, and findings by appropriate agents, agencies, or bodies of the city related to proposed temporary uses and occupancies within the city.

A temporary permit system is hereby established, to be administered by the city manager or designee, in order to provide special examination and review of temporary uses and occupancies by the appropriate departments of the city or related agencies.

Enforcement of this Code shall be by chapter 2, article X, Code enforcement or any other remedies as provided by law.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-528. Temporary occupancies in general.

(a) Temporary occupancies are those uses and occupancies within the city of limited duration that occur on private property, public property, or in a combination of public and private properties, that would require special review by the city. Temporary occupancies are those that are not expected to remain on a property for more than two years. Such uses are associated with land development or ongoing construction. They include, but are not limited to, temporary office use in connection with land development or construction activity, i.e. construction offices or security guard quarters; temporary parking for construction crews in connection to land development, storage facilities for construction equipment and materials; sales or leasing offices for newly constructed projects; construction trailers, fences, temporary encroachments, etc.

(1) A temporary permit would not be required for a use or occupancy required by the city.

(2) Where a temporary permit use is associated with land development or construction activity, such temporary permits authorizing construction related activities may only be authorized in conjunction with an active building permit for the approved project. No temporary permits shall be issued for construction activity that is not associated with a building permit for an approved development project.

(b) The limitation of two-year duration may be waived by an affirmative vote of the city commission, to permit more time for an individual use.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17)

*__Note—__The exhibits referred to in this article are not set out at length herein, but may be found on file in the office of the city clerk.

†__Editor's note—__Ord. No. 14357, § 3, adopted March 13, 2025, repealed the former division 1, sections 62-520—62-525 in its entirety, which pertained to temporary event permits and derived from Ord. No. 13311, § 2, adopted February 23, 2012, and Ord. No. 13148, § 14, adopted February 9, 2023.

For current provisions pertaining to similar subject matter, the user's attention is directed to chapter 52 of this Code.

Sec. 62-529. Permit application process, possible determinations and referrals.

Applications shall for temporary occupancies shall be submitted and reviewed pursuant to the criteria and guidelines established in section 62-522 of this chapter.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-530. Informal notice and hearing.

No formal public notice and hearing are required in connection with temporary permits. However, the following is required:

(1) Notice required by applicant to adjacent property owners. At the time of initial application, the applicant shall notify all abutting property owners, including those abutting across the street or alley, in an approved city form, by certified mail, and shall submit the application with certified receipt(s).

In the case of adjacent condominiums, only one notice to the condominium association will be sent.

(2) Courtesy notice to registered neighborhood and/or homeowner associations. All neighborhood and/or homeowner associations that wish to receive a courtesy notice of temporary permit applications in their areas, shall register with the city manager's office or its designated city department on a yearly basis. Such registration shall consist of a letter to the city manager's office or its designated city department in which the association shall request such notification and shall specify the name, address, telephone number and electronic mail (E-mail) address of the official representative of the association, designated to receive said notice and a list of all the officers of said association.

(3) At the time of initial application, the applicant shall obtain the list of all registered neighborhood and/or homeowner associations from the city manager's office or its designated city department and shall notify the official representatives of all such registered associations in writing, by certified mail, of the application. The applicant shall submit with the application with said certified receipts.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 14138, § 14, 2-9-23)

Sec. 62-531. Withdrawal of application; effect of withdrawal.

An application for a temporary permit may be withdrawn by the applicant at any time prior to a decision without restrictions as to a resubmittal. But if withdrawn after the final decision has been issued, substantially the same application shall not be considered within 12 months of the date of withdrawal. An applicant who withdraws an application shall not be entitled to any refund of the application fee.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-532. Appeals.

Any person or persons, jointly or severally, aggrieved by the decision of the city manager or designee in granting, granting with conditions or safeguards, or denying a temporary permit, or any department or representative of the city, may seek review of decisions made by the planning, zoning and appeals board by filing such request with the office of hearing boards within 15 calendar days of the decision.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-533. Reserved.

DIVISION 3. TEMPORARY STRUCTURES IN CONJUNCTION WITH PERMANENT OUTDOOR RECREATIONAL USES OR RECREATIONAL FACILITIES

Sec. 62-534. Temporary structures.

(a) Intent. It is the intent of the city commission that the use of temporary structures be permissible on vacant land for the purposes of housing accessory office and restroom uses in conjunction with recreational uses on such land.

Recreational uses include uses for playgrounds, sports fields, passive park uses, recreation centers, and any other recreational purposes. Recreational facilities are facilities that support recreational uses or sporting and community uses.

(b) Permitted uses. Temporary mobile structures shall only be allowed for use as accessory office and restroom facilities in conjunction with outdoor recreational uses on vacant lands or vacant portions of land that allow such uses pursuant to the zoning ordinance of the city. In no event shall the temporary mobile structure(s), alone or combination with other temporary structures on the subject property, exceed 25 percent of the net lot area of the subject property.

(c) Procedures. The procedures established in division 2 for temporary permits will be followed in order to obtain permits for uses under this section.

(d) Irrespective of the limitations set forth in the zoning ordinance of the city, approvals for certificates of use shall be granted by the zoning administrator upon approval by the building official that such temporary structures have met all necessary criteria and have paid all fees for the use(s) being requested. These fees include, but are not limited to, payment of all applicable impact fees and solid waste fees in addition to all other applicable fees.

(e) The building official shall review all applications for temporary structures prior to their placement on any site. Such structures shall be certified as temporary mobile homes or manufactured homes structures by either the state department of motor vehicles (DMV) or the state department of community affairs (DCA).

(f) Renewals. The use of temporary structures shall require annual renewals by the building and zoning departments and shall only be in effect for one year at a time or until such time that the city commission repeals or sunsets these provisions. Failure to renew annually will result in code enforcement action.

(g) Enforcement. Enforcement of this Code shall be by chapter 2, article X, Code enforcement or any other remedies as provided by law. (Ord. No. 13311, § 2, 2-23-12)

Sec. 62-535. Temporary uses on vacant land.

(a) As provided for in section 62-529, temporary uses and occupancies are those uses and occupancies within the city of limited duration that occur on private property, public property, or in a combination of public and private properties, that would require special review by the city zoning administrator. Temporary uses and occupancies are those that are not expected to remain on a property for more than three consecutive years. For purposes of this section, temporary uses and occupancies on vacant land or unoccupied surface lots shall be limited to those uses and occupancies which contemplate temporary type structures, such as tents, kiosks, mobile or manufactured offices, temporary exhibition areas, and other similar structures and provide such things as food service establishments, arts, entertainment, cultural, civic, scientific, horticultural, recreational, vocational or educational uses. Any intensive commercial or industrial use or occupancy is strictly prohibited, unless expressly allowed by the zoning ordinance. Notwithstanding the provisions of section 62-529, uses and occupancies pursuant to this section shall have a limited duration of one year and can be extended annually administratively by the zoning administrator for a maximum of three years. Temporary uses on vacant land may be further extended beyond the three-year maximum by city commission. With the exception of such vacant parcels located within City Commission District 3 situated within the boundaries of Downtown Development Authority, as described in section 14-27 of the City Code, section 62-535 shall not apply in city commission district 3 due to the proximity of residential properties to vacant lands; however, temporary uses otherwise allowed in chapter 62, article XIII of the City Code, such as temporary event permits, may be granted in conformity with the applicable provisions of the City Code.

(b) A temporary permit must be obtained from the office of zoning for any property owner who wishes to have a temporary use on vacant land. Permit fees provided in article VI shall apply to all such permits and any extensions that may be granted.

(c) All uses shall be as set forth in the applicable transect zone as described in the zoning code of the city, as amended, and must comply with all local, state and federal laws. A temporary certificate of use must be obtained. A temporary permit that is issued allowing a temporary use shall replace the necessity of a waiver, warrant or exception that may be required for a permanent use pursuant to the zoning code.

(d) Any use that is allowed must provide sufficient parking on-site. If a temporary use abuts a T3 or T4-R transect zone, the applicant shall demonstrate, as part of the temporary permit application, where additional parking will be provided. Parking in a residential transect is strictly prohibited.

(e) As determined by the zoning administrator, a landscape plan to be approved by the department of planning shall be provided as part of the submittal for a temporary permit. The landscape plan shall substantially comply with the requirements of the Miami 21 zoning ordinance and shall include street tree plantings.

(f) Property owner permission. Any uses or occupancies pursuant to this section, shall require the applicant to obtain owner's permission, via notarized affidavit, in a form acceptable to the zoning administrator.

(g) The owner of any vacant land who wishes to avail him or herself of this section must be registered with the city pursuant to section 22-115.

(h) Review of applications shall be conducted in accordance with article XIII, division 2. Required documentation may include a survey, site plan, elevations, parking plan, and noise attenuation plan. Additional requirements, as deemed necessary, may be required.

(i) All violations shall be subject to enforcement via chapter 2, article X, Code enforcement and any other remedies as are provided by law, jointly and severally, including but not limited to the revocation of the permit, certificate of use, or business tax receipt.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13733, § 2, 1-11-18; Ord. No. 14366, § 2, 5-8-25)

Secs. 62-536—62-541. Reserved.

DIVISION 4. INTERIM PARKING

Sec. 62-542. Intent.

It is intended that this section allow for a mechanism which will enable conditionally, unimproved and partially improved lots in the city to be utilized, for accessory parking purposes in a temporary fashion or as a component of facilities which require parking on an event by event basis, without having to comply with permanent parking requirements on the proposed interim lots to accomplish this goal. As specified herein, proposals subject to this section shall also ensure that safety measures are implemented which will safeguard users of the subject facilities.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-543. Temporary permit required for approval.

An interim parking facility or interim parking shall be defined as a surface parking lot for which paving, drainage and marking of parking spaces as well as other improvements incidental to permanent parking lots shall not be required on a temporary basis. Notwithstanding the temporary nature of the parking, all interim parking must fully comply with the waterfront standards of the City Charter and the Miami 21 Code. Compliance timeframes as set forth herein or for any permit issued pursuant to this section shall begin to run from the date of issuance of the certificate of use or temporary certificate of use for the parking permit. Notwithstanding the temporary nature of any parking permit issued pursuant to this section, all properties wishing to avail themselves of this section shall be

unified by a unity of title or covenant in lieu of unity of title, as applicable and as more specifically set forth in the Miami 21 zoning code. All temporary parking lots approved pursuant to this section shall require noticing in the same manner as a warrant, as the same is defined in the Miami 21 zoning code.

There shall be five types of interim parking as follows:

Temporary special event parking;

Short-term event parking;

Interim special use parking;

Limited-term citywide parking program; and

Temporary parking—Urban central business district.

(1) *Temporary special event parking.* Temporary special event parking on unimproved interim parking lots, as defined herein, shall mean parking permitted pursuant to a temporary permit and only in conjunction with an approved special event that requires the additional parking to be accommodated on said lot(s).

(2) *Short-term event parking.* Short-term event parking means parking permitted as a conditional use on lots not zoned T3-R, T3-L, T3-O, T4-R, T5-R, or T6-R pursuant to the Miami 21 zoning code, within a 1,500-foot radius of the major public facility they are intended to serve, pursuant to a temporary permit subject to the applicable criteria in division 2, and only in conjunction with major public facilities such as major sports facilities, arenas, exhibition centers, performing arts centers and any other such major public facility whose scale and operation warrant the use of interim parking facilities on an event-by-event basis versus daily year-round use. However, no such short term event parking shall be located adjacent to, abutting or across the street from property zoned T3-R, T3-L, or T3-O.

Renewals may only be granted by the city manager or designee upon findings and recommendations by the director of the department of planning that such renewals are in the best interest of the city for reasons related to insufficient parking within proximity of a major public facility. At such time that renewals are granted, the city manager may include conditions to mitigate safety concerns that arise as reported by code enforcement or the city police department that pertain to the particular parking facility in question. Such mitigation requests of the applicant shall be limited to the following: (i) improvements to or addition of pavement and striping; (ii) erection of lighting to the site in compliance with applicable governing requirements; and (iii) the addition of aluminum or galvanized steel fencing around the parking lot's perimeter. Parking spaces provided as interim parking shall not be counted toward meeting required parking for any such major public facility, unless parking spaces are either owned, controlled, or under agreement for use by the major public facility it serves.

(3) *Interim special use parking.* Interim special use parking means parking permitted as a conditional use on a lot not zoned T3-R, T3-L, T3-O, T4-R, T5-R, or T6-R pursuant to the Miami 21 zoning code, within a 1,500-foot radius of the special uses they are intended to serve, pursuant to a temporary permit subject to the applicable criteria in division 2 above, and only in conjunction with uses such as special entertainment districts, historic districts which consist predominantly of properties with a zoning designation allowing for commercial uses as defined in the Miami 21 zoning code, government facilities or institutional uses whose scale and operation warrant the daily year round use of interim parking facilities rather than temporary special event uses. However, no such interim special use parking shall be located adjacent to, abutting or across the street from a property zoned T3-R, T3-L, or T3-O. Special use areas may also include other public or

private attractions and uses that are over ten acres in size that could benefit from interim parking such as a dog track, amusement park or flea market.

Yearly renewals for short-term event parking and interim special use parking may be issued annually by the city manager upon findings and recommendations by the director of the department of planning that such renewals are in the best interest of the city for reasons related to insufficient parking within proximity of the special uses. Renewals may include conditions to mitigate safety concerns that arise as reported by code enforcement or the city police department that pertain to the particular parking facility in question. Such mitigation requests of the applicant shall be limited to the following: (i) improvements to or addition of pavement and striping; (ii) erection of lighting to the site in compliance with applicable governing requirements; and (iii) the addition of aluminum or galvanized steel fencing around the parking lot's perimeter. Parking spaces provided under this type of interim parking facility shall not be counted toward meeting required parking for any such special use they serve, unless such parking facility is in full code compliance.

(4) *Limited-term citywide parking program.* The limited-term citywide parking program is a five-year temporary parking program that encourages the use of properties on a temporary basis to support parking needs of specific areas within the city. The limited-term citywide parking program permits parking as a conditional use on a lot not zoned T3-R, T3-L, T3-O, T4-R, T5-R, or T6-R pursuant to the Miami 21 zoning code and that has a minimum of 10,000 square feet in size pursuant to a temporary permit and subject to the applicable criteria in division 2. However, no such limited-term citywide parking program may be applied to property adjacent to, abutting, or across the street from property zoned T3-R, T3-L, or T3-O.

Parking spaces provided under this limited-term citywide parking program shall not be counted toward meeting required parking for any use they serve, unless such parking facility is in common ownership with the property it is intended to serve or unified with the property it is intended to serve by a covenant in lieu of unity of title or a unity of title.

Any parking lot participating in the limited-term citywide parking program shall be required to meet the requirements of Section 3(mm) of the City Charter and of Section 3.11 of the Miami 21 Code.

(5) *Temporary parking—Urban central business district.* Temporary commercial or non-commercial parking lots may be operated within the urban central business district, as depicted in Appendix LU-1 of the Miami Comprehensive Neighborhood Plan. Such lots may be operated independent of a primary use.

a. *Design requirements.* All temporary lots within the urban central business district shall adhere to the following minimum design requirements:

1. Parking lots shall be brought to grade with no less than one inch of asphalt over four-inch lime rock base; however, the resilience and public works director may require a six-inch lime rock base or thicker asphalt based upon the conditions at the site, the intensity at the site or, if trucks are intended to be parked on the site, that would require the additional support base.

2. Surface storm water shall not drain onto adjacent property or a public right-of-way. If the resilience and public works director determines that there

is insufficient area to accommodate drainage, additional measures may be required to adequately drain stormwater runoff.

3. A landscape plan that specifies and quantifies the existing and/or proposed plant material inclusive of mature shade trees, hedge material, ground cover and in-ground irrigation shall be submitted for review and approval by the planning director, according to the following criteria:
   A. At minimum, the plan shall indicate a three-foot wide, landscaped area bordering the surface area along a property line, street, alley or sidewalk.
   B. A hedge that is at least 36 inches in height at the time of planting shall be installed on the entire perimeter of the lot; hedges on street or alley frontages shall not exceed 42 inches in height at maturity.
   C. Landscaped areas shall require protection from vehicular encroachment. Car stops shall be placed at least two and one-half feet from the edge of the paved area.
   D. All landscaping that is placed on the lot shall be maintained in good condition so as to present a healthy, neat and orderly appearance.
4. Signs. One sign per street frontage is permitted. The maximum size of each sign shall be five square feet or 50 feet of street frontage. Such signs shall also include copy that indicates the name of the operator, the phone number of the operator to report complaints, and who can use the facility (i.e. whether it is open to the general public, private, valet or self-parking). Signage shall also comply with section 35-283 of the City Code.
5. All temporary parking lots shall comply with the lighting standards set forth in section 35-288 of the City Code.

Prior to the issuance of a building permit, the planning director shall approve the site and landscaping plans.

b. *Duration of temporary parking use; extensions.* Temporary parking lots shall not be permitted to exist for a period of greater than ten years from the date of certificate of occupancy or business tax receipt, whichever occurs first, regardless of ownership and approved in accordance with standards set forth herein, below, and in section 62-544 and the procedures utilized for the processing of a warrant in the Miami 21 Code. At the end of this period, or such extensions that may be granted as contemplated herein, if the lot continues to be used for the purposes of parking, a permanent lot shall be constructed in conformity with the governing regulations set forth in the City Code and land development regulations. However, prior to the expiration, or not later than 90 calendar days after the expiration of such approval, an applicant may request one initial extension of time for a period not to exceed three years by filing an application for a temporary parking use. In granting the initial extension of time, or considering an appeal from the planning director's decision regarding an extension of time, the planning director or planning,

zoning and appeals board, as the case may be, shall consider, among other things, whether the applicant has complied with all of the applicable requirements of these land development regulations, and any conditions imposed by the planning, zoning and appeals board, if any, during its period of operation.

After the first extension of time, and prior to expiration, or not later than 90 calendar days after the expiration of such approval, an applicant may request from the planning director not more than two extensions of time for periods not to exceed three years each. In considering such a request, the planning director shall consider the same criteria applied in his or her review of the initial request for approval of a temporary parking use.

At the end of all applicable extensions of time for a temporary parking lot, the lot shall cease to be used for parking and the asphalt and rock base shall be removed.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13427, § 3, 1-9-14; Ord. No. 13792, § 1, 10-11-18; Ord. No. 13854, § 3, 7-25-19; Ord. No. 14069, § 3, 6-9-22; Ord. No. 14138, § 14, 2-9-23)

Sec. 62-544. Considerations and standards.

In order to mitigate any potentially adverse effects that unimproved interim parking lots may have on adjacent areas, all such facilities intended to be utilized as described in sections this division, shall be required to maintain a park-like appearance to consist of fully sodded lots over an approved stabilized, below grade, pervious system or any other type of system which provides a honeycomb type stabilized base underneath the lot and therefore allows for parking on the sod while not impeding drainage.

In lieu of providing a park-like appearance as described above, a parking facility may be paved or consist of any combination of paving, gravel and grass upon approval by the city of a sufficient alternate drainage system. This requirement may also be met through the installation of porous asphalt, porous concrete, a plastic grid system or block pavers, only as approved by the zoning administrator and building director. Except for temporary special event parking (as defined above) associated with a temporary permit, all other interim parking shall comply with applicable ADA requirements as set forth in the Florida Building Code, as amended from time to time.

Interim parking may also be used for the temporary staging of miscellaneous equipment and/or vehicles necessary for any of the functions associated with an approved special event or an activity taking place in a major public facility subject to all applicable regulations and permits listed above.

All interim parking and staging activities permissible under this section shall be limited in duration to a time specified in the permit obtained. The duration shall run concurrently with the event or activity requiring said parking or staging, and may be expanded on a limited basis to allow for preparation, disassembly and activities related to that specific event or activity.

In addition to the considerations and standards listed generally in division 2, temporary permits for interim parking facilities shall also consider the following:

(1) Use of traffic monitors to facilitate vehicular flow into and out of such facilities during major events;

(2) Use of specialized lighting features to ensure safety when such facilities are proposed for evening use; and

(3) Use of perimeter fencing to assist in the control of access points and security of proposed lots while not in use.

(4) Surface interim parking lots, which are located within the areas general bounded in the formerly known SD-5, SD-6, SD-7, SD-20 areas or designated CRA areas of Southeast Overtown/Park West or Omni,

[The next page is CD62:47]

will be required to comply with the conditions and criteria set forth in division 2 as applicable as conditions to the permits required herein or as conditions of time extensions granted by the city manager.

(5) All such interim parking lots may also be required to comply with any design standards and guidelines that may be in place for the specified area in which the parking lot is located (i.e. uniform signage, fencing and attendant kiosk standards).

(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-545. Enforcement.

Enforcement of this Code shall be by chapter 2, article X, Code enforcement or any other remedies as provided by law.
(Ord. No. 13311, § 2, 2-23-12)

Secs. 62-546—62-600. Reserved.

DIVISION 5. MURALS

Sec. 62-601. Purpose of mural sign regulations; applicability; criteria.

Intent. It is the intent of the city commission that the display of art or graphics with minimal commercial message on buildings and walls be permitted within certain commercial and special districts of the city in order to aesthetically enhance otherwise blank walls and unoccupied buildings, and that the funds generated by permits issued with respect to such displays be utilized to ensure quality of life and prevention of visual clutter or blight. The display of art or graphics without a commercial message shall not be a mural pursuant to this article.

It is the intent of the city to comply with state and federal requirements as specified in the agreements executed with the Federal Highway Administration ("FHWA") and the State of Florida Department of Transportation ("FDOT") and to keep FDOT informed of issues pertaining to oversight of the mural ordinance to ensure effective control of the mural program within the city municipal boundaries in accordance with the agreement and determination of customary local use approved by City Commission Resolution Nos. 14-0024 and 14-0025, adopted January 23, 2014 (the "agreement").

The procedures established in this article will allow for the pre-qualification of applicants to display art or graphics on buildings and walls. Once qualified, such pre-qualified applicants will be allowed to file for a temporary permit (the "mural permit"), as further defined in this division.

Mural permits will be issued by the city manager or designee upon their determination that the applicant has complied with the criteria set forth in this division, including the payment of all required fees and contributions. To the extent permissible by law, all fees and contributions received by the city pursuant to the terms of this division shall be used to promote quality of life within the city and by regulating all murals to ensure that the city's residents are not exposed to visual blight or clutter.

Upon the award of a mural permit by the city manager or designee, the holder of such a mural permit shall be allowed to obtain all required building permits. Changes in art work or other relevant copy (including text or commercial messages) changes will only be permitted upon the approval of a subsequent copy change application for a change of copy.

Strict compliance with the provisions of this division must be maintained during the term of the mural permit. Failure of the qualified applicant to remain in compliance with the terms of this division shall result in the revocation of qualified applicant's entire mural permit inventory and the forfeiture of the right to apply for any subsequent mural permit(s).
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13486, § 2, 10-23-14)

Sec. 62-602. Definitions.

For the purpose of this article, the following definitions shall apply:

Affiliate of any person, is any other person that controls, is controlled by or is under common control with the first person including, but not limited to, any owner, shareholder, member,

partner, officer, director or employee of the first person. For these purposes the term "control" shall mean the possession, directly or indirectly, of the power to direct or cause the direction of management, policies or activities of any person, whether through ownership of voting securities, by contract or otherwise.

Applicant is any person or entity who, pursuant to section 62-69, is seeking to be qualified by the city manager or designee to apply for a mural permit pursuant to this division.

Building compliance with applicable laws, etc. Each building/structure for which a mural permit has been issued shall be at the time of permit issuance is in full compliance with all applicable federal, state, county and city laws and regulations including, without limitation, building, life/safety, electrical, and similar technical codes, minimum housing, land use and zoning, sanitary, solid waste, storm water, water and sewer, and such other applicable laws as further the public health, safety and general welfare.

Commercial message includes any text or logos or representation of the business name or commercial product, except for a trademark, commercially recognized display, copyright or service mark of the sponsor; such commercial message may be of offsite products or businesses as applicable to the sponsorship. Text or letters displayed in an artistic format that do not spell a business name or commercial message shall not be calculated as a component of the commercial message.

Copy change application is an application by the holder of a mural permit to change the mural face.

Gateway sign is a sign marking the entrance to a neighborhood, park, or other designated historic, public or geographical areas.

Geographical area is the mural area, as amended by the Miami-Dade County Ordinance No. 12-09 and more particularly described in "Exhibit A" attached hereto and incorporated herein by reference, as amended from time to time by the city commission, and kept on file in the city clerk's office and the office of zoning.

Government-owned building is any building owned by the United States Government, the State of Florida (the "state"), Miami-Dade County (the "county"), the Miami-Dade School Board, the city, any dependent or independent special tax district, or any agency of any of the foregoing governments.

Indemnity, and hold harmless. This indemnity, and hold harmless, will be included in each permit application and location change application, and each applicant/permittee shall sign the page on which it appears. It shall be a condition precedent to the issuance of any such mural permit that the applicant/permittee shall assume all civil liability for the applicant's acts, omissions or commissions, and from all claims, suits or actions of any kind whatsoever arising out of or resulting from the issuance of the mural permit, location change, compliance with applicable laws or regulations, or the operations or activities of the applicant/permittee and shall, further, hold the city, its officials and/or employees, harmless for, and defend the city, its officials and/or employees against, any civil actions, statutory or similar claims, injuries or damages arising or resulting from this mural permit or the permitted work, even if it is alleged that the city, its officials and/or employees were negligent, unless such injuries or damages are ultimately proven to be the result of grossly negligent or willful acts or omissions on the part of the city, its officials and/or employees. The applicant shall insure that adequate safety precautions are in effect at all times during the term of the mural permit. This required indemnification and hold harmless shall survive the revocation or expiration of the mural permit and shall be included in the permit application. The applicant/permittee voluntarily and knowingly acknowledges that the granting of any such mural permit is sufficient, independent and valuable consideration for the giving of such indemnity, and hold harmless.

Licensee is any person or entity who holds or obtains or has been issued a state license for outdoor advertising.

Location change application is an application by the holder of a mural permit to change the location of a previously approved mural permit.

Lottery is the process described in section 62-605 for the approval of mural permits. The initial lottery date was May 12, 2008. New lotteries will be held when new mural permits become available.

Lottery winner is a person or entity who has won the right to apply for a mural permit pursuant to the lottery.

Mural is a painting or artistic work (including collage effects) composed of pictures or arrangements of color which has a limited commercial sponsorship message, advertises a commercial product and which is made directly onto, projected onto or attached to a building or a wall.

Mural face is the entire face of the mural including all text, artwork, and commercial sponsorship messages incorporated into a mural.

Mural permit is the temporary permit allowed by this division once all criteria described herein has been met.

New location is an available location for a mural placement where there is not currently an active mural permit and otherwise complies with the criteria of this division.

Park West entertainment district is the area between State Road 836 to the north and Northwest 7th Street to the South; and North Miami Avenue to the West and Biscayne Boulevard to the east.

Permittee is a person or entity who is the holder of an approved mural permit.

Permit fee is the annual permit fee paid for a mural permit.

Permit fee period begins every September 1. Payments that are due concurrently with the permit fee period are also due September 1.

Qualified applicant is any person or entity who, pursuant to section 62-603, has been qualified by the city manager or designee to enter the lottery and if selected apply for a mural permit, and is not an affiliate of another qualified applicant. All applications for qualification shall be submitted 30 days prior to any lottery.

Quarters, for purposes of this division are the periods beginning September 1, December 1, March 1, and June 1 of each year.

Small business enterprise is a business enterprise that qualifies as a small business enterprise pursuant to applicable state and federal laws and the rules and regulations of Miami-Dade County, as amended from time to time.

Wall is the exterior surface of a building capable of being occupied, including surfaces free of windows or devoid of occupants behind the area where the mural is to be placed. Surfaces constructed on roof tops (other than a roof parapet) shall not be considered walls for purposes of this article.

Wrap or *wrapped mural* is a mural which is continuous on two sides of the building and connects or touches on one side and has the same sponsor. A wrap shall have related paintings, artistic works, or commercial messages on both sides of the mural.

Notwithstanding anything herein to the contrary, subject to the conditions listed below and the written permission of the city manager or designee, murals will be permitted to be placed on walls with windows of commercial buildings only, and on the exterior walls of a parking garage or a parking pedestal provided that such murals:

(1) Are not directly facing residential units;

(2) Are made of perforated vinyl mesh or adhesive backing and are transparent to the occupants of the commercial building;

(3) Do not prevent the opening of windows intended to be opened; and

(4) Do not prevent ingress and egress. In no event, may a mural be placed so as to cover any residential units, including residential liners.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13390, § 2, 6-13-13; Ord. No. 13486, § 2, 10-23-14)

Sec. 62-603. Qualified applicants; procedure for application; requirements.

In order to participate in a lottery to be held in accordance with the requirements of this division, each applicant must be approved as a qualified applicant. Once an applicant, is a qualified applicant, such applicant shall submit proof of status as a qualified applicant and information must be confirmed in order to allow them to participate in subsequent lotteries.

(a) An applicant shall submit an application to the city manager or designee for the purposes of qualifying said applicant as a qualified applicant 30 days prior to any lottery. Such application shall include the following:

(1) The name, address, phone number and other pertinent information of the applicant, and if the applicant is an entity, such as a corporation, limited liability company, or partnership, the names and business addresses of the principal officers, managers, and other persons who own more than five percent of the entity;

(2) Payment of a non-refundable, prequalification administrative fee in the amount of $500.00;

(3) Payment in full and delivery to the city finance director of a prequalification fee in the amount of $10,000.00 (the "qualification fee"). Payment must be made by cashier's check, certified check or United States Postal money order. The qualification fee shall be refunded to the applicant if the city manager or designee determines that the applicant does not qualify as a qualified applicant;

(4) Proof, reasonably satisfactory to the city risk management administrator, that the applicant has (and can maintain at all times) public liability insurance in the amount of $3,000,000.00;

(5) Proof in the form of a signed affidavit(s) stating that the applicant or in the case of an entity, that a majority of the applicant's principal officers or managers (each of whom shall submit a signed affidavit) has or have had experience in the outdoor advertising industry for a minimum of five years prior to the date of application;

(6) Proof in the form of copies of all required city and county business tax receipts, evidencing the fact that the applicant has an office or local presence within the city to ensure an immediate response in the event of an emergency;

(7) Proof in the form of copies of a memorandum of lease, sworn to by affidavit which indicates relevant information regarding control of the mural site and which shows that the applicant or its affiliate has executed and enforceable leases for a minimum of five mural sites within the geographic area;

(8) Proof that the applicant had gross revenue of at least $1,500,000.00 in the outdoor advertising industry during each of the two years preceding the date of the application;

(9) Proof that the applicant is in good standing with the city and the county for any pending code enforcement matters. No individual, business, building or property owner, or affiliate of an individual, business or building or property owner may apply for a mural permit if that person or entity has displayed an illegal mural, banner, sign or any type of outdoor advertising in the city by receiving a notice of violation, any summons to appear, or a ticket for any illegal mural, banner, sign, or any type of outdoor advertising in violation of chapter 62 or Miami 21 since, April 20, 2008, in

which event the site, building, or entity will be precluded from participating in the lottery;

(10) Proof that applicant will post a bond or letter or credit in the amount of $500,000.00 in a form reasonably acceptable to the city's department of risk management, at the time of issuance of the mural. The city shall be named as a beneficiary on the bond or letter of credit. The city shall be authorized to collect on the bond or letter of credit in the event the permittee is found to be in non-compliance with any provision of this article and any fines assessed in respect of such non-compliance are not paid within 30 days of the assessment or if the city is required to send personnel to ensure compliance with any provision of this article. The city shall be authorized to collect against the bond or letter of credit all fees, fines, and penalties; together with expenses incurred by it with respect to such personnel, including, but not limited to, the costs associated with the investigation and determination of the violation;

(11) Proof that the applicant has contracted with one or more small business enterprise(s) (as a consultant, joint-venture partner, vendor or otherwise) to which ten percent or more of the applicant's operating expenses would be paid in the event the applicant is approved as a qualified applicant and obtains a permit for a mural and that the applicant consents to submitting financial records demonstrating compliance with this provision; and

(12) Proof that the applicant is a licensee.

An individual, business, building owner, or affiliate of an individual, business, or building owner may not apply for a mural permit if that person or entity has failed to fully resolve and close any notice of violation or open code enforcement matter of any section of this Code or zoning ordinance as amended (the "zoning ordinance") prior to the submission of the application for participation in the lottery. Furthermore, if a prospective site or building has displayed a mural or outdoor advertising sign in violation of the zoning ordinance within five years prior to the date of the lottery, the qualified applicant shall tender, as a result of such non-compliance, a partially refundable fee in the amount of three times the qualification fee, of which $10,000.00 may be refunded, if the application is not approved.

Unless otherwise indicated, all proof required to be submitted by this section may be in the form of an affidavit signed by the applicant or a duly authorized representative of the applicant. Upon the submission of all items required to be submitted under this section 62-603, the city manager or designee shall review and approve or deny, no later than 30 days after its submission, the applicant's application for qualification as a qualified applicant. If the application is denied, the city manager or designee shall advise the applicant in writing of the reasons for the denial of the application. The applicant must cure all defects within 15 days of such notification.

(13) Proof that the applicant has no outstanding fees, fines, or liens for any amounts owed to the city, including, but not limited to, business tax receipt fees, certificate of use fees, code enforcement fines or liens, fire liens, unsafe structure fines or liens, or any other fee, fine, penalty, or lien due and owing to the city.

(b) Throughout the course of a year, any new applicant(s) can become a qualified applicant pursuant to subsection 62-603(a) above to be able to participate in a new lottery if a mural permit becomes available and a new lottery is announced. Once an applicant is certified as a qualified applicant, then that qualified applicant shall be permitted to participate in subsequent lottery(ies) without the need to reapply for qualification, but must show proof thereof as to the continued status as a qualified applicant.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13486, § 2, 10-23-14)

Sec. 62-604. Mural permit required; application for a mural permit by a qualified applicant.

Murals may not be erected, hung, placed, posted, painted, displayed, or maintained in the city except as provided by this division. The city shall issue no more than 45 mural permits at any one time; however, no more than 25 mural permits may be issued at any one time and in any one city commission district. An applicant shall submit to the city manager or designee a single permit application listing each and every site sought to be permitted at such time.

A qualified applicant's permit application shall contain the following for each site sought to be permitted:

(1) Dimensioned elevation drawing and photo of the wall where the mural is to be located.

(2) A colored drawing or colored computer simulation depicting the mural face.

(3) Two photographs or two computer simulations depicting the wall and the mural superimposed on the wall.

(4) A certified spacing survey showing compliance with this article, if applicable.

(5) Copy of the city's zoning atlas where the mural is to be located.

(6) Payment of a non-refundable administrative fee in the amount of $500.00.

(7) A memorandum of lease, sworn to by affidavit, of an executed and enforceable lease for the site sought to be permitted.

(8) The address and the folio number of the subject building and the specific wall on the building upon which the mural would be attached.

(9) Proof that the building where the mural is to be placed is in compliance with applicable laws, as defined herein, and does not have any outstanding civil violations of this Code or any liens due to the city.

(10) Completion by the applicant of the city indemnity and hold harmless agreement as defined in this division, in a form approved to by the city attorney.

(11) Mural permits shall require the applicant notify: the abutting property owner(s) of the new location, the homeowner and neighborhood associations registered with the neighborhood enhancement team responsible for the new location, and the city commissioner of the district where a mural is proposed.

(12) Proof that the property, the building, and each individual wall where the mural is to be placed has not displayed an illegal mural, banner, sign, or any type of outdoor advertising in the city by receiving a notice of violation, any summons to appear, or a ticket for any illegal mural, banner, sign, or any type of outdoor advertising in violation of chapter 62 or Miami 21 since April 20, 2008.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13390, § 2, 6-13-13; Ord. No. 13486, § 2, 10-23-14)

Sec. 62-605. Approval process for permit.

From time to time, as the need for a new lottery arises, the following shall be the procedure followed for the approval of a mural permit:

(1) The city manager or designee shall notify all qualified applicant(s) of the date and time of all lottery rounds. There shall be one lottery for each round of approvals commencing with the highest priority

site submitted by each qualified applicant. The number of rounds scheduled shall equal the greatest number of lease sites submitted in any single application.

(2) Each qualified applicant will receive one assigned number through the lottery process for each round.

(3) Each qualified applicant may only submit one application which shall include each distinct wall sought to be permitted. If more than one permit is sought, the qualified applicant shall list the walls sought to be permitted.

(4) An affiliate of a qualified applicant shall not be an affiliate of another qualified applicant.

(5) For each round, the city manager or designee shall review each qualified applicant's site in the order of assigned number pursuant to the lottery for each specific round. At the end of the selection made at each round, a qualified applicant may reprioritize the list of sites.

(6) In the numerical order assigned to each qualified applicant for a given round, the city manager or designee shall review the first priority site for each qualified applicant and shall conditionally approve sites meeting the required criteria. Thereafter, the city manager or designee shall, in the numerical order assigned to each qualified applicant for the immediate subsequent round, review for conditional approval a site listed by the qualified applicants and so on.

(7) In the event that a site is determined to not meet the required criteria, the next eligible site in the qualified applicant's list, if any, shall be reviewed for conditional approval.

(8) Locations will be approved until a maximum of 45 sites have been approved.

(9) Proof that each individual wall sought to be permitted exists and is fully built, and that the property, the building, and each individual wall where the mural is to be placed has not been used to display a illegal mural, banner, sign or any type of outdoor advertising in the city by receiving a notice of violation, any summons to appear, or a ticket for any illegal mural, banner, sign, or any type of outdoor advertising in violation of chapter 62 or Miami 21 since, April 20, 2008.

(10) The city manager or designee shall advise qualified applicants of the contingent approval of an application for a mural permit, and shall refer all such mural applications to the county for their determination of compliance with the county ordinance. Upon receipt by the city manager or designee of notice from the county confirming compliance with the county ordinance, and the payment of all applicable fees for each conditionally approved application, city manager or designee shall issue a mural permit for each approved site within 30 days from receipt of such notice from the county.

(11) Mural permits shall be granted to the qualified applicants only in accordance with the procedures set forth in this section 62-605.

(12) If a mural permit becomes available, a new lottery will be held during the first week of the following quarter.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13486, § 2, 10-23-14)

Sec. 62-606. Criteria for issuing a mural permit.

As part of the review and qualification process, the city manager or designee shall apply the following criteria:

(1) *Geographical area.* No more than 45 mural permits may be issued and outstanding at any one time. Murals permits shall only be issued within the geographical area, as defined in section 62-602 above.

(2) *Zoning districts.* Murals shall only be permitted within portions of the following zoning districts: T5-O, T6-8, T6-12,

T6-24, T6-36, T6-48, T6-60, T6-80, CI, CI-HD, D1, D2, and D3 as described in the zoning ordinance. Murals outside these zoning districts shall be in violation of this Code and ordinances.

(3) *Spacing between murals and number of murals allowed per building.* A mural shall not be located within 300 feet of another legally permitted mural oriented towards the same side of a street or the State Highway, as applicable. The distance shall be measured in accordance with Rule 14-10.006(4), Florida Administrative Code ("F.A.C.")(2012)(i.e. measured along the edge of pavement of the main traveled way). The spacing requirement provided herein shall be reduced to 150 feet within the City Park West entertainment district.

If two murals are permitted for any one building, they must be on different sides of the building and each such mural shall be required to obtain a separate mural permit for each street front. This section shall not preclude a mural on one building which is contiguous on two sides of the building, commonly referred to as a wrap-around mural. A wrap-around mural shall be counted as one mural for purposes of fees and the maximum number of mural permits which may be issued pursuant to this division.

(4) *Spacing from single family residential district.* The distance of a mural located on any building shall be calculated by measuring the distance of the mural at ground level to the property line of any parcel designated as T-3. A mural shall not be located on a Wall that is within 300 feet of any property zoned T-3.

(5) *Spacing from billboards.* A mural shall not be located within 300 feet of a legally permitted billboard oriented toward the same side of a street or State Highway, as applicable, within the Geographical Area. The distance shall be measured in accordance with Rule 14-10.006(4), F.A.C. (2012). The spacing from mural to a billboard shall be reduced to 150 feet within the boundaries of the Park West entertainment district.

(6) *Mural size.* Murals shall be allowed to cover up to 80 percent of a wall, or 33 percent of a wall if the mural covers windows. In any event, a mural may not be greater than 10,000 square feet.

(7) *Mural commercial message size.* The mural face shall be predominantly pictorial with text limited to no more than 15 percent of the mural face to be written copy. Corporate logos on the mural as a stand-alone emblem and/or product, shall not be considered part of the written copy to be limited to 15 percent.

(8) *Illumination.* The illumination of a mural shall only be by indirect lighting, and shall only be permitted from 6:00 p.m. to midnight Standard Time and 7:00 p.m. to midnight Day Light Savings Time, and only in accordance with Miami-Dade County Code Sections 33-46 and 33-107, as amended.

(9) *Location.* Murals shall be placed only on walls.

(10) *Public safety.* Mural faces shall not have any moving or animated parts, or any other electronic movements, and shall not be illuminated in such a manner so as to cause glare or to impair the vision of motorists or otherwise distract motorists and interfere with their ability to safely operate their vehicles. Murals shall also comply with all applicable laws, rules and regulations of the federal, state and county governments; and in addition, any proposed amendments to this division shall be consistent with applicable federal, state and county laws and ordinances in effect at the time of such amendment.

In the event the National Hurricane Center issues a hurricane warning to the county, the permittee shall remove all murals within 24 hours of the issuance of a hurricane warning. In the event a mural is not so removed, enforcement

proceedings shall immediately commence pursuant to section 62-612 and chapter 2 of the City Code.

(11) *Adult content.* Adult content, as defined in the zoning ordinance, shall be prohibited on mural.

(12) *Unoccupied buildings.* A mural shall be permitted on an unoccupied building only if the building possesses a valid city permanent certificate of occupancy, certificate of use, or a 40-year certification, if applicable. In order to promote the use of efficient building spaces, when commercially viable, the holder of the mural permit shall work with the building owner and the building, zoning and planning departments so that as soon as commercially reasonable, the mural will not be the primary permit active at the location. If the holder of the mural permit fails to comply with such requirements, the mural permit holder will be required to transfer its mural permit from such building to another qualified location.

(13) *Term and recertification of each qualified applicant.* Once the mural permit is issued and continuously is in compliance with the fee provisions of sections 62-607 and 62-609, and all other provisions of this division, the mural permit will be valid. In the event that the permittee fails to comply with any provision in this division and/or is determined to be in violation in accordance with section 62-612, the specific mural permit(s) in violation shall be forfeited and available to be included in a lottery. The issuance of a mural permit under this division does not create a vested right or proprietary or compensable interest in any permit for any permittee. Any and all costs and fees associated with the acquisition of mural permits, shall be deemed acceptable to the permittee.

(14) All qualified applicants shall be required by September 1 of the fifth permit year, to re-certify all requirements in this division. This shall include a re-qualification fee in the amount of $1,500.00; proof of valid public liability insurance; copies of all current business tax receipts; proof of gross revenues; proof of current bond or letter of credit and proof that the permittee is in good standing with the city and county, including, but not limited to, Code violations. In the event that the permittee, is not able to comply with this recertification provision, the permittee's mural permits shall be revoked and included in a lottery.

(15) No mural permit or relocation shall be approved unless the property, the building, and each individual wall where the mural is to be placed has not displayed an illegal mural, banner, sign or any type of outdoor advertising in the city by receiving a notice of violation, any summons to appear, or a ticket for any illegal mural, banner, sign, or any type of outdoor advertising in violation of chapter 62 or Miami 21 since April 20, 2008.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13390, § 2, 6-13-13; Ord. No. 13486, § 2, 10-23-14)

Sec. 62-607. Permit fees.

(1) *Permit fee.* The permittee shall pay an annual permit fee equal to $1.00 per square foot of mural face multiplied by 12 months per year for each mural permit which the fee shall, in no event, be less than the minimum $48,000.00 or greater than the maximum $120,000.00 per annum ("permit fee"). The initial mural permit fee shall be due in its entirety within ten business days of the approval of the mural permit. In the event any permit fee is not paid, the city shall immediately rescind the mural permit. The permit fee is in addition to any non-refundable fees charged pursuant to this article. When new mural permits are issued, the initial permit fee may be prorated accordingly by the city manager or designee in order to maintain conformity with the scheduled permit fee quarterly payments.

(2) *Renewal of permit fees.* The permittee shall pay an annual permit fee calculated in the following manner: The permit fee may be paid in quarterly installments, every three months, for a total of four payments per annum. Mural permits

shall be void if quarterly payments are not received within ten business days after each quarterly payment is due. First quarterly payment is due on September 1, then December 1, March 1 and June 1 of each year. The permit fee does not include copy change fees which are due in their entirety on September 1 of each year.

(3) *Annual administrative fee.* On September 1 of each year, permittees shall be required to pay an annual administrative fee for each mural permit equal to 1/24th of their annual permit fee.

Along with the first quarter permit fee due by September 1 of each year, each permittee shall submit demonstration of up to date documentation of public liability insurance as required in subsection 62-603(4), continued effectiveness of a bond or letter of credit in the amount of $500,000.00 as required in subsection 62-603(10) and affidavit of compliance with the subsection 62-603(9) requiring compliance with mural regulations. Late payments shall accrue interest at the rate of 18 percent for 45 days. If payment is not received by the 45th day, the city shall immediately rescind the mural permit.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13486, § 2, 10-23-14)

Sec. 62-608. Approval by the city manager or designee.

The city manager or designee shall be responsible for the approval of all mural permits. The city manager or designee may approve, approve with modifications, or deny a permit application upon a finding that the application does or does not meet the applicable criteria set forth in this division.

The city manager or designee shall keep an updated map and photos depicting the locations of all approved mural permits.

A lottery winner shall submit a mural permit application with the applicable fees within 30 days of winning the lottery. Failure to do so, shall result in the rescission of the lottery award by the city manager or designee.

A permittee shall have 60 days from the issuance a mural permit to install a mural at the approved site. Should the permittee fail to install the permitted mural within the 60-day period, the city manager or designee shall rescind the mural permit.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-609. Copy change and location change applications.

(a) *Copy change application.* An annual copy change fee of $6,000.00 shall be paid for each permit. Thereafter, a permittee may change the mural face by filing a copy change application and paying related fees. Such application shall be submitted to the city manager or designee and include the following:

(1) A colored drawing or colored computer simulation depicting the mural face.

(2) Two photographs or two computer simulations depicting the wall and the mural superimposed on the wall.

(3) An affidavit from the permittee affirming that (a) the change of copy will be limited to a single commercial message; (b) the mural will be fastened in the same manner as the original mural permit; and (c) the permittee will comply with all other conditions of the mural permit.

The city manager or designee shall, within five business days after receipt of the copy change application, have the opportunity to deny with written notice. A copy change application that is not denied in the time provided shall be deemed an approval. A written denial shall be provided to the permittee indicating the reasons for the denial. The city manager or designee shall not approve a change to the mural face if such approval results in an increase of any of the linear dimensions of the previously permitted mural face.

(b) *Location change application.* A mural permit shall be transferable to a new location only if the permittee submits a location change application and such application are approved by

the city manager or designee. The city manager or designee shall approve such application only if:

(1) The location change is for cause, which shall be limited to:

a. The lease for the location of the mural permit is cancelled due to circumstances not within the permittee's control or that were not reasonably foreseeable to the permittee when it submitted its permit application or the lease is not renewed upon the natural expiration of the term of the lease;

b. The building or structure where the mural is located is demolished, sold, destroyed, or renovated; or

c. An intervening building or structure is constructed which substantially diminishes the visibility of the mural.

(2) The new location for the mural is approved by the city manager or designee in accordance with the provisions of sections 62-604 and 62-606.

(3) The permittee pays a non-refundable administrative fee in the amount of $500.00, and a location change fee in the amount of $1,000.00, which location change fee shall be refunded if the application is denied.

The city manager or designee shall, within 20 days after receipt of the location change application, approve or deny the location change application in accordance with the provisions of this article. A written denial shall be provided to the permittee indicating the reasons for the denial and refunding the location change fee.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13486, § 2, 10-23-14)

Sec. 62-610. Assignment.

Upon the payment of a $2,500.00 assignment fee, a mural permit may be transferred to an entity found to be a qualified applicant by the city manager or designee. No applications for assignment will be received or processed if the assignor or assignee, or the mural proposed for transfer, has been issued a notice of violation, summons to appear, or ticket for any illegal mural, banner, sign, or any type of outdoor advertising in violation of chapter 62 or Miami 21.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13486, § 2, 10-23-14)

Sec. 62-611. Exemptions.

Temporary permits for signs, not governed under this division, placed on government-owned buildings may be granted by the city manager or designee and shall be exempt from the provisions of this article. A temporary permit may only be granted for signs depicting special events with citywide or countywide significance, and shall be granted for a period not to 14 days, except that the city manager or designee may, for good cause, grant one extension for a period not to exceed ten days.

Other than as exempted above in this section 62-611, there shall be no exemption from this article for a mural placed on government-owned buildings, and such mural shall be subject to the provisions of this article, including, but not limited to, the maximum number of mural permits that may be issued by the city manager or designee.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-612. Enforcement.

Enforcement of this division shall be by chapter 2, article X, Code enforcement or any other remedies as provided by law and as further stated herein.

In the event of a violation of the terms of this division, including the erection of a mural without a permit, a civil penalty may be assessed or enforcement proceedings may be instituted with the city's code enforcement special masters. Each violation shall carry a civil penalty of $1,000.00 per day or such greater penalties as are permitted by the law. The city may employ all penalties and remedies set forth in chapter 2, article X entitled "Code enforcement." This provision is supplemental to all other remedies and penalties provided by law. Decisions of the code enforcement special master shall be final and may be

appealed to a court of competent jurisdiction within the times and in the manner provided by the Florida Rules of Appellate Procedure, and the laws of the state and this Code.

The city shall be authorized to collect against the bond or letter of credit all fees, fines and penalties, as well as all expenses incurred by the enforcement of this article.

In the event a permittee is found to be in non-compliance by the code enforcement board or special master of the city or the county equivalent for any mural located outside of the city, any and all mural permits issued to such permittee pursuant to this article shall be immediately rescinded and the permittee shall forfeit the right to apply for any subsequent mural permits. A notice of rescission shall be provided to the permittee, and require the permittee to remove all murals permitted pursuant to this division within five days of receipt of such notice. If the permittee fails to remove the mural(s) after receipt of such notice, enforcement proceedings and fines shall be immediately initiated in accordance with section 62-612.

A mural that has been erected without a valid mural permit shall be removed within 24 hours of the building owner's receipt of notification from the city that the mural is in violation of the City Code. The violation will be scheduled on the next available code enforcement board or special master agenda within 30 days. If the mural erected without a valid mural permit poses a threat to the public health, safety, or welfare, the city, by and through its designee, shall be permitted to enter the building premises in violation and remove the mural. In the event the code enforcement board or special master finds that the mural was not in compliance with City Code at the time the citation was issued, any fines shall accrue from the date of notification of the violation and shall not be mitigated or reduced by the city, the code enforcement board, and/or the special master. Removal of the mural after issuance of a notice of violation, summons to appear, or a ticket shall not be a defense or deemed to be compliance with the Code, and the code enforcement board or special master shall find a violation of City Code if the mural was not in compliance with City Code at the time of issuance of the notice of violation, summons to appear, or a ticket. If any property, building, or individual wall has displayed an illegal mural, banner, sign, or any type of outdoor advertising in the city by receiving a notice of violation, any summons to appear, or a ticket for any illegal mural, banner, sign, or any type of outdoor advertising in violation of chapter 62 or Miami 21, the property shall not thereafter be an eligible mural location for five years from the date of the issuance of the notice of violation, summons to appear, or a ticket. No applications or requests by for a mural permit, assignment, or any other request pursuant to this division shall be accepted or processed for a qualified applicant from the date of issuance of notice of violation, any summons to appear, or a ticket for any illegal mural, banner, sign, or any type of outdoor advertising in violation of chapter 62 or Miami 21. No individual or entity that has displayed an illegal mural, banner, sign, or any type of outdoor advertising in the city by receiving a notice of violation, any summons to appear, or a ticket for any illegal mural, banner, sign, or any type of outdoor advertising in violation of chapter 62 or Miami 21 shall be eligible to apply for a mural permit, assignment, or any other authorization pursuant to this division for five years from the date of the notice of violation, summons to appear, or a ticket.

Any costs incurred pursuant to this division, separate from code enforcement liens, incurred in the removal of murals shall be a special assessment lien imposed pursuant to this division and shall be a lien greater in dignity to all liens, excepting IRS ta liens. Special assessment liens created pursuant to this division may be discharged and satisfied by paying to the city the amount specified in the notice of lien, together with interest thereon from the date of the filing of the lien computed at the maximum statutory interest rate, together with the administrative costs, filing and recording fees and fees paid to file a satisfaction of the lien in the public records.

The violation for a mural erected without a valid mural permit shall be enforceable against any one or more of the following: the individual or entity operating the mural, the individual or

entity that erected the mural, the owner of the property upon which the mural is erected, the commercial sponsor that is the subject of the mural, or the individual or entity that owns or licenses the product advertised in the mural. For any mural erected without a valid mural permit, the code enforcement board or code enforcement special master shall apply a rebuttable presumption that any of one or more of these entities had knowledge that the mural was erected without a valid mural permit in violation of City Code, and may determine that the violation shall be enforced as multiple individual violations against each entity, with each individually and jointly and severally liable for penalties and compliance. In the case of individuals or entities determined to be in violation that do not own the property where the violation is determined to have occurred, monetary penalties shall be attached to any business tax receipt maintained by such individual or entity in the city, and payment of such penalties shall be required prior to renewal of any such business tax receipt.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13486, § 2, 10-23-14)

Sec. 62-613. Maintenance.

In the event a city code enforcement inspector finds that any mural permitted pursuant to this article is not being maintained in good repair or appears faced, torn, or in similar condition of deterioration, the code enforcement inspector shall send written notification of their findings to the permittee and the city manager or designee and shall order the permittee to repair the mural within ten days after receipt of such written notice. In the event the permittee fails to repair the mural to the satisfaction of the code enforcement inspector, the city manager or designee shall initiate proceedings to rescind the mural permit under section 62-612. Notice shall be effectuated pursuant to chapter 2, article X, Code enforcement.

The building owners shall assure that each building/structure for which a mural permit has been issued shall be throughout the term of the permit in full compliance with all applicable federal, state, county and city laws and regulations including, without limitation, building, life/safety, electrical, and similar technical codes, minimum housing, land use and zoning, sanitary, solid waste, storm water, water and sewer, and such other applicable laws as further the public health, safety and general welfare.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-614. Conflict.

Notwithstanding any city ordinance to the contrary, this article shall exclusively control the legality, permitting, and approval process for murals in the city. Only murals authorized by this division shall be permitted in the city. Any murals not so authorized are hereby prohibited.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-615. Rescission.

In the event this division is rescinded by the city commission in its entirety, all murals approved pursuant to this article shall be removed within 60 days from the date of such rescission or within the time for removal set forth in the county ordinance, whichever is sooner.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-616. Appeals.

Any decisions of the city manager or designee pursuant to this article may be appealed to the city commission.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-617. Opt-out provision.

The city opts-out of chapter 33, article 6, division 5 of the Miami-Dade County Code of Ordinances, as amended, per section 33-121.11 as applicable to murals, but expressly retains and adopts such regulations relating to other types of off-site advertising. The city has adopted the rules contained in this article, to regulate murals within the urban core and in proximity to expressways.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-618. Compliance with agreement and this article for customary use for local zoning for murals under the Highway Beautification Act.

Subject to compliance with all other city requirements, all murals which will become non-

conforming pursuant to the agreement and this division are subject to the following conditions unless revoked or rescinded by the city.

(a) Existing murals as of February 19, 2014 within the Park West entertainment district. Existing murals within the Park West entertainment district are depicted on a map maintained on file in the city clerk's office and the office of zoning. Murals which are legally permitted yet not in compliance with the spacing requirements set forth in the agreement and this division shall continue to be recognized as permissible mural locations and are deemed legally non-conforming with respect to spacing requirements until the mural permit is revoked, rescinded, or transferred to a new location.

(b) The permit number, date of issuance, and current location for all existing murals as of February 19, 2014 outside the Park West entertainment district are listed on Exhibit B.

On or before February 19, 2024, all murals listed on Exhibit B shall be recertified to confirm compliance with spacing requirements. The permittee shall submit a signed and sealed survey to prove compliance with the spacing requirements set forth in the agreement and this division on or before January 9, 2024.

In the event of a conflict as to spacing requirements between murals listed on Exhibit B, on or before January 23, 2024, the city shall issue notices of rescission of mural permits in the order of most recently issued mural permit first.
(Ord. No. 13486, § 2, 10-23-14)

DIVISION 6. BILLBOARDS

Sec. 62-618.1. Controlling provisions.

The provisions of this division shall supersede and control over the provisions of any other law, ordinance, rule or regulation of the city.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-618.2. Definitions.

The following words, terms and phrases, when used in this division, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Billboard. A freestanding outdoor advertising sign, which is internally illuminated, externally illuminated or non-illuminated, is bulletin-size, poster-size, or any other size, and is supported by a sign structure; however, a media tower, as defined in section 10-2, shall not be considered a billboard.

Billboard, bulletin-size. An outdoor advertising sign 14 feet by 48 feet in dimension, not including embellishments.

Billboard, poster-size. An outdoor advertising sign 12 feet by 25 feet in dimension, not including embellishments.

Gateways. Those areas of the city designated on a map on file with the city clerk, incorporated herein by reference, where, irrespective of any other provision of law, billboards are not permitted. The gateways map is an attachment to City Commission Resolution No. 08-0258 and is labeled "08-00431-Exhibit 2."

LED or *light emitting diode.* A semiconductor diode that emits light when conducting current and is used in electronic equipment, especially for displaying readings on digital watches, calculators, displays, signs, etc.

Outdoor advertising sign. Sign where the sign copy does not pertain to the use of the property, a product sold on the property, or the sale or lease of the property on which the sign is displayed, and which does not identify the place of business operated on the property on which the sign is displayed as purveyor of the merchandise or services advertised on the sign.

Sign, internally (or directly) illuminated. A sign containing its own source of artificial light internally, and dependent primarily upon such source for visibility during periods of darkness.

Sign structure. A structure erected exclusively for the display or support of a billboard.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-618.3. New billboards prohibited.

Without exception, no new freestanding "billboards," as defined herein, shall be permitted anywhere within the territorial boundaries of the city.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-618.4. Relocation and reconstruction of existing billboards permitted.

Pursuant to the authority granted to the city by the Florida Legislature under F.S. § 70.20, to further the declared public goals of reducing the number of billboards within the city, including it's neighborhoods, to prevent the proliferation of illegally constructed billboards throughout the city, and to promote traffic safety, without the expenditure of public funds, unexpired permits for existing billboards, of any size, may be amended to authorize the relocation and reconstruction of a billboard, pursuant to a relocation and reconstruction agreement, on terms agreeable to the sign owner and the city.
(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-618.5. Relocation and reconstruction agreements—Requirements.

The following enumerated requirements must be contained in any relocation and reconstruction agreement authorized by this division. Except for the required terms, the city manager, or his/her designee, shall otherwise negotiate the terms of any relocation and reconstruction agreement deemed in the best interest of the city, and that reasonably advance the city's purposes and public goals as delineated in the preamble to this ordinance. No relocation and reconstruction agreement shall be effective without the prior approval of the city commission by resolution.

(1) An amended permit will only allow a relocated and reconstructed billboard along the following enumerated portions of the following interstate highways and state roadways:

a. North and south sides of State Road 836 between N.W. 7th Avenue and N.W. 45th Avenue;

b. North and south sides of State Road 112 West of Interstate I-95;

c. West and east side of Interstate I-95 between S.W. 1st Avenue and N.W. 81st Street;

d. North and south side of Interstate I-195 West of Biscayne Boulevard; and

e. North and south side of Interstate I-395 West of Biscayne Boulevard.

(2) Notwithstanding any provision of subsection (1) above, an amended permit shall not allow a billboard to be relocated and reconstructed: (a) along those portions of interstate highways and state roadways, which are located within those areas designated by the city as "gateways"; or (b) within the circular area defined by the 1,500-foot radius emanating from the point of intersection of the centerline of the Southbound lanes of Interstate 95 and the centerline of Coral Way.

(3) A permit may only be amended for a proposed relocated and reconstructed freestanding bulletin-size billboard, and then:

a. In the case of a proposed sign structure with one externally illuminated bulletin-size billboard sign face, in exchange for the removal of one existing, legal, and freestanding sign structure, with two bulletin-size billboard sign faces;

b. In the case of a proposed sign structure with two externally illuminated bulletin-size billboard sign faces, in exchange for the removal of two existing, legal, and freestanding sign structures, with two bulletin-size billboard sign faces each, and the corresponding surrender to the city, and the permanent cancellation of, the permit issued by the city for the billboards and sign structure not being amended;

c. In the case of a proposed sign structure with one LED or internally

illuminated bulletin-size billboard sign face, and one externally illuminated bulletin-size billboard sign face, in exchange for the removal of four existing, legal, and freestanding sign structures, with one or two bulletin-size billboard sign faces each, and the corresponding surrender to the city, and the permanent cancellation of, the permits issued by the city for the billboards and sign structure not being amended;

d. In the case of a proposed sign structure with two LED or internally illuminated bulletin-size billboard sign faces, in exchange for the removal of eight existing, legal, and freestanding sign structures, with one or two bulletin-size billboard sign faces each, and the corresponding surrender to the city, and the permanent cancellation of, the permits issued by the city for the billboards and sign structure not being amended;

(4) To satisfy the removal requirements in subsection (3) above, two poster-size billboards may be removed in place of each bulletin-size billboards required to be removed.

(5) Except for lands owned by any governmental entity, an amended permit shall not allow relocation and reconstruction of a billboard on land located in a zoning district more restrictive than T5-0.

(6) Billboards relocated and reconstructed pursuant to amended permits shall comply with all technical building codes and regulations, all setback requirements, all FDOT regulations, and all encroachment restrictions.

(7) All columns, foundations and overhangs for any billboard or sign structure relocated and reconstructed with an amended permit will be placed within the base building line, as provided in chapter 54, article V, for the property upon which it will be relocated and reconstructed.

(8) All billboards relocated and reconstructed with an amended permit shall be supported by sign structures of monopole construction and designed as per the example attached; I-beam construction is prohibited.

(9) During the existence of the pilot program authorized by F.S. § 479.07(9)(c), all billboards relocated and reconstructed with an amended permit shall be spaced no closer than 1,000 feet from the nearest billboard erected on the same side of the interstate, federal-aid primary or other highway, or road. Upon the expiration or repeal of the pilot program authorized by F.S. § 479.07(9)(c), all billboards thereafter relocated and reconstructed with an amended permit shall be spaced no closer than 1,500 feet from the nearest billboard erected on the same side of the interstate, federal-aid primary or other highway, or road.

(10) All billboards relocated and reconstructed with an amended permit shall require the written consent of the owner of the real property where it will be located. The sign owner shall bear the sole risk of finding, securing and maintaining the sites for billboards relocated and reconstructed pursuant to amended permits.

(11) Any and all rights acquired by the sign owner under an amended permit are not assignable, nor transferable, unless the assignee shall agree to be bound by the terms of the relocation and reconstruction agreement, and the assignment or other transfer is previously approved by resolution of the city commission.

(12) Any sign owner who, at the time of application, owns or operates an illegal billboard or an illegal sign structure within the city, shall not qualify for the amendment of a permit under this division.

(13) No billboard relocated and reconstructed by an amended permit shall have more than two billboard sign faces per sign structure.

(14) Embellishments to the size of a billboard relocated and reconstructed pursuant to an amended permit is prohibited.

(15) At the time the city is requested to sign-off on FDOT (Form 575), and prior to the city's execution of the aforesaid FDOT Form, the applicant must demonstrate site control of the signs to be removed under subsection (3) above.

(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17)

Sec. 62-618.6. Reconstruction of existing billboards.

Notwithstanding any provision herein to the contrary, a currently existing, legal, freestanding billboard, whether bulletin or poster size, may be reconstructed in its existing location, or on the same parcel of property, pursuant to a reconstruction agreement between the sign owner and the city, approved by resolution of the city commission.

(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-618.7. Relocation and reconstruction agreements—Previously existing agreements.

Prior to the effective date of Ord. No. 13181, pursuant to the powers granted the city under F.S. § 70.20, the city entered into relocation and reconstruction agreements, concerning billboards located within the city, on terms agreeable to the sign owners and the city, with the following sign owners: Carter Pritchett Hodges, Inc., d/b/a Carter Outdoor Advertising, Inc. ("Carter"); Clear Channel Outdoor, Inc. ("CCO"); and CBS Outdoor, Inc. ("CBS"). The terms of these preexisting relocation and reconstruction agreements between the city and Carter, the city and CCO, and the city and CBS, shall remain in full force and effect, the terms of which shall govern the billboard inventory enumerated in these agreements, and, furthermore, section 62-618.5 hereof shall not apply to those billboards.

(Ord. No. 13311, § 2, 2-23-12)

Secs. 62-618.8—62-618.20. Reserved.

DIVISION 7. RESERVED*

Secs. 62-618.21—62-618.33. Reserved.

DIVISION 8. TEMPORARY BANNERS

Sec. 62-619. Generally.

(a) A temporary banner shall be installed and maintained only as authorized by and in accordance with this division. A temporary banner includes any plaque, flag, piece of cloth, placard or the like, that is displayed for a period not to exceed 30 days and is related solely to an upcoming or currently occurring special event. A temporary banner not authorized pursuant to this division is strictly prohibited.

(b) Only one temporary banner is allowed per location per year.

(c) Any of the time limitations in this division may be waived by an affirmative vote of the city commission.

(d) A temporary banner related to an event, activity, exhibition, or performance at a not-for-profit or government owned building shall not be subject to the time limitation set forth in subsection (a) of this section.

(Ord. No. 13311, § 2, 2-23-12)

Sec. 62-620. Permitting process.

(a) Applications and permits. No temporary banner, unless exempted by the applicable provisions of the zoning ordinance, shall be erected, constructed, posted, painted, altered, maintained, or relocated, except as provided in this section

*__Editor's note—__Ord. No. 13553, § 1, adopted September 24, 2015, repealed the former division 7, sections 62-618.21—62-618.33 in its entirety, which pertained to omni media tower regulations, and derived from Ord. No. 13311, § 2, adopted February 23, 2012.

and until a temporary banner permit has been issued by the city manager or designee. Before any temporary banner permit is issued, an application for such permit shall be filed together with three sets of drawings or specifications (one to be returned to the applicant) as may be necessary to fully describe the location, method of construction, type of materials, manner of illumination, method of erection, securing or fastening, and duration of time the temporary banner will be displayed. As part of the review process for approval, the city manager or designee shall apply the following criteria:

(1) *Illumination.* A temporary banner which is illuminated shall only be allowed if the transect zone allows a permanent sign to be illuminated. Any temporary banner that is electrically illuminated shall require a separate building and electric permit and inspection. The illumination of a temporary banner shall occur only between the hours of 6:00 p.m. and midnight.

(2) *Size.* A temporary banner may cover up to 80 percent of a windowless wall, or 33 percent of a wall if the banner covers windows. No temporary banner shall exceed 5,000 square feet.

(3) *Location.* A temporary banner shall be erected solely at the location where the special event, which it is related to, is taking place or within 100 feet of such location.

(4) *Duration.* A temporary banner may be erected no more than 30 days prior to the commencement of the special event. However, in no event shall a temporary banner be erected more than 30 days.

(5) *Commercial message.* The temporary banner shall be predominantly pictorial with text limited to 25 percent of the banner face.

(6) *Public safety.* A temporary banner shall not have any moving or animated parts, electronic or otherwise, and shall not be illuminated so as to cause glare, impair the vision or distract motorists and may not interfere with motorists' ability to safely operate vehicles. In the event the National Hurricane Center issues a hurricane watch for Miami-Dade County, the permittee shall remove all temporary banners within 24 hours of the issuance of a hurricane watch. The city is authorized to remove a temporary banner in the event the permittee fails to do so. Should the city take such action, enforcement proceedings shall immediately commence pursuant to section 62-621 of this division.

(7) *Adult content.* Adult content, as defined in the zoning ordinance, shall be strictly prohibited on all temporary banners.

(b) Fees. An application fee payable to the city must be submitted at the time of application to cover the cost of reviewing the application and the implementation of these regulations based on the following schedule:

(1) $150.00 for any banner that is 100 square feet in size or less.

(2) $300.00 for any banner that is 101 square feet to 1,000 square feet.

(3) $500.00 for any banner that is 1,001 square feet to 2,000 square feet.

(4) $600.00 for any banner that is 2,001 square feet to 3,000 square feet.

(5) $700.00 for any banner that is 3,001 square feet to 4,000 square feet.

(6) $800.00 for any banner that is 4,001 square feet to 5,000 square feet.

(c) Notice. The applicant must send notice of the application in a form approved by the city, by certified mail, at the time of the initial application to the following parties:

(1) All adjacent property owners, including those abutting across the street or alley. In the case of adjacent condominiums, only one notice to the condominium association will be required.

(2) All neighborhood and homeowner associations which are registered with the city manager's office or its designated city

department on a yearly basis that wish to receive a courtesy notice of a temporary banner application in the area where the banner is to be placed.

(3) The district commissioner.

The applicant shall attach the certified mail receipts to the application upon submittal to the city manager or designee.

(d) Review of the application. The city manager or designee shall complete the review of a temporary banner permit application within 45 calendar days after filing, and shall render a decision for approval, approval with conditions, or denial within that time. The city manager or designee may refer the application to all appropriate departments and agencies for any recommendations. The city manager or designee shall review the comments and recommendations of the appropriate departments and agencies in rendering a decision. A determination of denial shall detail specific reasons for the denial. Failure by the city manager or designee to render a decision within 45 calendar days shall be deemed a denial, appealable as provided herein.

(e) The city may revoke the issuance of a temporary banner permit at any time and for any reason.

(f) If the temporary banner permit is denied or revoked, the applicant may file an appeal with the office of hearing boards within 15 days of the decision to deny or revoke said permit. Such appeal shall be heard at the next regular meeting of the planning, zoning and appeals board. Further appeal shall be as authorized pursuant to the Florida rules of court.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 14138, § 14, 2-9-23)

Sec. 62-621. Enforcement.

Failure to comply with the requirements of this division shall subject the violator to code enforcement pursuant chapter 2, article X, as amended, of the City Code as well as an immediate revocation of the temporary banner permit. This section is in addition to any and all other remedies and penalties as provided by law in order to compel compliance with the Code.
(Ord. No. 13311, § 2, 2-23-12)

DIVISION 9. FARMERS' MARKET PROGRAM

Sec. 62-622. Farmers' market program.

(a) *Intent.* In order to encourage economic and community development, promote the health of residents and provide access to nutritious substance, the following program is instituted.

(b) *Definitions.*

Electronic benefits transfer (EBT) is an electronic system that allows a recipient to authorize transfer of their government benefits from a federal account to a retailer account to pay for products received, such as SNAP benefits.

Farmer is a person who grows or has direction over a person who grows at least 75 percent of the products offered for sale at a farmers' market.

Farmers' market is an organized reoccurring operation at a designated location used by farmers of locally-grown products primarily for the distribution and sale of locally-grown agricultural products or a limited amount of non-agricultural locally-grown products. The sale of other food products at such markets shall not disqualify it as a farmers' market provided that such food products meet all applicable federal, state, and local health laws regulating the manufacture and sale of such food products. A farmers' market is not an event. The use of EBT/SNAP benefits at a farmers' market is encouraged.

Locally-grown is a product that is grown, raised, or cultivated within 100 miles of South Florida.

Temporary farmers' market permit is a permit as detailed by this division and in conjunction with division 2 and is valid for a period of six months.

Supplemental nutrition assistance program (SNAP) is a federal-assistance program, formerly

known as the Federal Food Stamp Program, which provides a means for low income individuals and families to buy nutritious food.

(c) *Permitting process.* Notwithstanding any contradictory language in the zoning ordinance, property owners who wish to host a farmers' market must submit an application for a temporary farmers' market permit to be approved by the city manager or designee at least 30 days prior to the date of the farmers' market pursuant to division 2. An applicant must submit a site plan detailing the location of all tables, booths, stands, onsite parking, landscaping, and restroom facilities. Spillover parking into any residential areas is strictly prohibited. Any temporary farmers' market permit may be extended for an additional six-month period for an additional fee as detailed below. No temporary farmers' market permit shall be issued to a property that has any outstanding code enforcement violations or city liens. An applicant who obtains a temporary farmers' market permit shall not be required to obtain a certificate of use or business tax receipt in order to operate pursuant to this section.

(d) *Location.* Farmers' markets shall only be authorized to operate on parcels of land with a minimum of 5,000 square feet.

(e) *Operation.* Farmers' markets shall only be authorized to operate between sunrise and sunset and shall not operate for more than three consecutive days in a week. Farmers' markets shall have to comply with all federal, state, and local regulations and requirements.

(f) *Fees.* Each temporary farmers' market permit for a farmers' market shall cost $500.00. If the farmers' market is hosted by a not-for-profit organization or an organization that accepts EBT/SNAP benefits, the fee shall be $250.00 per permit. The city shall request proof of status as a not-for-profit organization or acceptance of EBT/SNAP benefits. Any renewal of a temporary farmers' market permit shall cost the same as the original fee.

(g) *Enforcement.* All violations shall be subject to code enforcement pursuant to chapter 2, article X, and any other remedies as are provided by law, jointly and severally, including but not limited to the revocation of the permit.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13508, § 2, 3-26-15)

DIVISION 10. GARAGE SALES

Sec. 62-623. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Front yard means an open area extending the full width of the lot upon which the residence is located between the main residence and the front property line.

Garage sale means a sale at which tangible personal property is sold at a single family residence, multifamily residence, school, or place of worship. The term shall include, but not be limited to, "lawn sale," "attic sale," "rummage sale," or "yard sale."

Occurrence means the time-frame given in each individual permit for a period not to exceed two days.

Property owner means the person or entity having title to the real property in question, or the manager of the property when the property owner has authorized the manager to maintain and operate the property and has so informed the city manager's office or its designated city department in writing. For condominium buildings, the term "property owner" shall mean the condominium association.
(Ord. No. 13449, § 3, 4-24-14; Ord. No. 14138, § 14, 2-9-23)

Sec. 62-624. Permit.

(a) No property owner shall conduct a garage sale within the city without first obtaining a permit.

(b) All persons wishing to obtain a garage sale permit shall submit an application with the city manager's office or its designated city department. A permit may be obtained at no cost to the property owner.

(c) Applicants for garage sale permits must provide the following information to the city at the time of application:

(1) Name of the person conducting the garage sale or property owner at which the garage sale will be located if different from the person conducting the garage sale.

(2) Location where the garage sale is to be conducted.

(3) Number of days the garage sale is to be held.

(4) Dates of any garage sales at the subject location within the past 12 months.

(5) Length of time the applicant has resided at, or operated, the subject location.

(6) Owner(s) of the property to be sold if different from the person conducting the garage sale.

(7) Nature of the goods to be sold.

(8) Any previous violations of the City Code in the past 12 months and whether the fines were paid.

(d) Applications for garage sales to be located at multifamily residence buildings, schools, or places of worship must be accompanied by the written permission of the property owner.

(e) Applications for garage sales to be located at single family residences shall be accompanied by proof of residence, which may be a current driver's license, voter registration, or county tax assessor's bill.

(f) All garage sale permit requests must be made no later than 12:00 p.m. of the day prior to the requested date of the sale. Responses to the requests (i.e., permit approval or permit denial) will be issued to the applicant immediately upon review of the application.
(Ord. No. 13449, § 3, 4-24-14; Ord. No. 14138, § 14, 2-9-23)

Sec. 62-625. Conditions for issuance.

(a) A garage sale permit as required by section 62-624 shall be issued for a garage sale located in any one single-family residence, multifamily residence, school, or place of worship building on no more than two occurrences during any 12-month period.

(b) Each garage sale permit must be prominently displayed on the premises upon which the garage sale is held at all times while the sale is in progress.

(c) No garage sale permit shall be issued to a person who has conducted a garage sale without obtaining a permit within the preceding 12 months or who has outstanding unpaid fines imposed pursuant to chapter 2, article X, of the City Code, or to a person applying to conduct a garage sale from a premises where an unpermitted garage sale was conducted within the last 12 months.
(Ord. No. 13449, § 3, 4-24-14)

Sec. 62-626. Time of sale.

Garage sales shall be held only on weekends and holidays during daylight hours. Garage sale dates and time limitations may be waived by an affirmative vote of the city commission
(Ord. No. 13449, § 3, 4-24-14)

Sec. 62-627. Display of merchandise.

(a) All merchandise to be sold at a garage sale shall be displayed in an enclosed room, enclosed garage, or in a carport. At no time shall merchandise be displayed on a public right-of-way or swale area; however, if no enclosed garage or carport exists at the location, merchandise may be displayed on a private driveway, rear yard or portion of the front yard not to exceed 25 percent of the total front yard area. All items used or displayed at a garage sale shall be removed from unenclosed areas by the end of the last day of the sale.

(b) Notwithstanding the provisions of section 31-26 of the City Code, a local business tax receipt is not required in order to conduct a garage sale when a garage sale permit has been obtained.
(Ord. No. 13449, § 3, 4-24-14)

Sec. 62-628. Prohibited merchandise.

Merchandise to be sold at a garage sale shall be merchandise that has been previously used. It shall be prohibited to sell new merchandise or merchandise that is sold in bulk as from a carton, crate, bushel or other container commonly used in retail business. No garage sale permit shall be issued for the sale of merchandise prohibited by this section.
(Ord. No. 13449, § 3, 4-24-14)

Sec. 62-629. Signs.

(a) Signs advertising a garage sale shall not be displayed before 6:00 a.m. of the first day of the sale and shall be removed by 8:00 p.m. of the last day of the sale. A garage sale permit issued pursuant to section 62-624 shall be required in order to display any signs.

(b) No such signs shall be displayed on any public property or right-of-way, and all sign placement shall comply with the provisions set forth in section 54-9 of this Code.

(c) No more than two signs advertising a garage sale shall be permitted. Such signs shall not be larger than 12 inches by 18 inches each.

(d) Notwithstanding the provisions of Miami 21 or section 62-619 of this Code, up to two signs shall be allowed with a valid garage sale permit.
(Ord. No. 13449, § 3, 4-24-14)

Sec. 62-630. Enforcement.

Failure to comply with the requirements of this division shall subject the violator to code enforcement proceedings pursuant to chapter 2, article X, as amended, of the City Code as well as an immediate revocation of the garage sale permit. This section is in addition to any and all other remedies and penalties as provided by law in order to compel compliance with the Code.
(Ord. No. 13449, § 3, 4-24-14)

Secs. 62-631—62-640. Reserved.

ARTICLE XIV. PUBLIC BENEFITS TRUST FUND

Sec. 62-641. Public benefits trust fund; intent.

It is intended that the "Public Benefits Trust Fund" be established in order to collect the cash contributions made according to the Miami 21 Code, as amended, the zoning ordinance of the city, to supplement affordable/workforce housing, public parks and open space, and green building certification shortfalls.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13582, § 2, 12-10-15)

Sec. 62-642. Established.

(a) There is hereby established a trust fund to be entitled the "Public Benefits Trust Fund," into which funds shall be deposited pursuant to this article.

(b) The city commission, upon the manager's recommendation, shall annually allocate funds collected.

(c) All cash contributions allocated by the city commission to support affordable/workforce housing shall be deposited in the affordable housing trust fund for expenditures pursuant to the guidelines adopted by the city commission.

(d) All cash contributions allocated by the commission to support parks and open space shall be deposited in the parks and open space trust fund, as set forth herein, to be expended in accordance with the guidelines outlined therein.

(e) Ten percent of fees collected shall be allocated towards administrating the public benefits trust fund.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 14429, § 2, 1-8-26)

Sec. 62-643. Financial report.

Administration of and a financial report on trust fund receipts and expenditures shall be

prepared annually at the close of the fiscal year by the city manager or his/her designee and presented to the city commission.
(Ord. No. 13311, § 2, 2-23-12; Ord. No. 13676, § 2, 4-27-17)

Sec. 62-644. NRD-1 Public benefits trust fund; intent.

It is intended that the "NRD-1 Public Benefits Trust Fund" be established in order to collect cash contributions made according to the NRD-1 as established in the Miami 21 Code, as amended, the zoning ordinance of the city, to support reinvestment and supplement affordable housing, public parks and open space, and civic space or civil support space within the NRD-1 boundaries.
(Ord. No. 13582, § 2, 12-10-15; Ord. No. 14352, § 2, 2-13-25)

Sec. 62-645. Established.

(a) There is hereby established a trust fund to be entitled the "NRD-1 Public Benefits Trust Fund," into which funds shall be deposited pursuant to this article.

(b) Upon receipt of funds for any project within the NRD-1 boundaries, the city's department of finance shall transfer such funds into the NRD-1 public benefits trust fund. The NRD-1 public benefits trust fund shall be a qualified public depository held by the Business Improvement District ("BID"). The BID may invest surplus funds pursuant to the city's investment policy and F.S. § 218.415.

(c) The Wynwood BID shall, through a five-member committee of the BID, of which one member shall be directly appointed by the city commissioner from District 5, one member shall be directly appointed by the city commissioner from District 2, one member shall be appointed by the city commission, and two members shall be appointed by the BID Board and submitted to the city commission for confirmation, allocate within the NRD-1 boundaries funds collected for purposes consistent with section 62-644. The committee members shall serve three-year terms. Expenditure of funds and any actions in furtherance of the expenditure shall be consistent with the powers and duties of the BID, comply with city procedures for the acquisition of goods and services, and approved within the annual budget of the BID by the city commission.

(d) A minimum of 35 percent of funds collected in the NRD-1 public benefits trust fund shall be allocated towards affordable housing, and shall be expended pursuant to guidelines and procedures established by the city commission. At least 51 percent of the units provided by any affordable housing project awarded funds from the NRD-1 public benefits trust fund shall be restricted during the affordability period for a person or households with income at or below 80 percent of the median income for Miami-Dade County, Florida, as determined by the U.S. Department of Housing and Urban Development.

(e) The NRD-1 public benefits trust fund shall be established for a period of time commensurate with the Wynwood BID as set forth in section 2-1316, and thereafter shall be reviewed by the city commission every three years to determine whether the purposes of the NRD-1 public benefits trust fund have been satisfied, and upon such finding, the NRD-1 public benefits trust fund shall sunset and any funds to be collected and allocated, pursuant to this article and according to the Miami 21 Code, shall revert to the public benefits trust fund, as established in section 62-641 of the City Code.
(Ord. No. 13582, § 2, 12-10-15; Ord. No. 14352, § 2, 2-13-25)

Sec. 62-646. Financial report.

Administration of and a financial report on trust fund receipts and expenditures shall be prepared annually at the close of the fiscal year by the BID for review and approval by the city commission prior to filing with the city clerk.
(Ord. No. 13582, § 2, 12-10-15)

Sec. 62-647. NRD-2 public benefits trust fund—Intent.

It is intended that the "NRD-2 Public Benefits Trust Fund" ("NRD-2 trust fund") be established in order to collect cash contributions made according to the Wynwood Norte Neighborhood Revitalization District ("NRD-2") as established in Ordinance No. 13114, the Zoning Ordinance of the City of Miami, Florida, as amended ("Miami 21 Code"), to support community reinvestment, including infrastructure to support local busi-

nesses providing neighborhood-oriented goods and services; to address climate change adaptation and resiliency; and to maintain and supplement affordable/workforce housing, public parks and open space, and civic space or civil support space within the NRD-2 boundaries.
(Ord. No. 13984, § 2, 3-25-21)

Sec. 62-648. Same—Established.

(a) The NRD-2 trust fund is hereby established into which funds shall be deposited pursuant to this article.

(b) Upon receipt of funds for any project within the NRD-2 boundaries pursuant to the Miami 21 Code, the city's department of finance shall deposit such funds into the NRD-2 trust fund.

(c) There is hereby established an NRD-2 trust fund committee ("committee") which shall meet, at a minimum, on an annual basis each fiscal year commencing in the fiscal year following the adoption of the NRD-2 trust fund for the primary purpose of recommending allocations of funds received into the NRD-2 trust fund for qualifying reinvestment consistent with the intent set forth in section 62-647 and the criteria contained herein to the city commission for formal approval by resolution.

(1) The committee shall include seven members, each serving one year terms.

a. One member shall be directly appointed by the district commissioner without further action of the city commission;

b. One member shall be directly appointed by the city mayor without further action of the city commission;

c. One member shall be appointed by the city commission;

d. One member shall be appointed by the Miami-Dade County Public Schools without further action of the city commission;

e. One member shall be appointed by the Miami-Dade County Department of Public Housing and Community Development, or its successor agency, without further action by the city commission; and

f. Two members shall be appointed by the Wynwood Community Enhancement Association and submitted to the city commission for confirmation.

(2) Each member shall meet at least one of the following criteria to qualify to serve on the committee:

a. A permanent resident within the NRD-2 boundaries;

b. A property owner of record within the NRD-2 boundaries; or

c. An employee or representative of a business or non-profit community-based organization located within the NRD-2 boundaries authorized to serve on its behalf.

(3) Committee meetings shall be staffed and attended by the city manager or designee.

(d) Expenditure of funds and any actions in furtherance of the expenditure shall be consistent with this article, the NRD-2 standards incorporated in the corresponding appendix to the Miami 21 Code, and all applicable criteria and guidelines adopted from time to time; shall comply with city procedures and laws for the acquisition of goods and services; and shall be approved within the annual budget by the city commission.

(e) A minimum of 35 percent of funds in the NRD-2 trust fund shall be allocated towards existing and new housing on an annual basis and shall be expended pursuant to guidelines and procedures established by the city commission.

(f) The NRD-2 trust fund shall be established for a period of ten years and shall be reviewed by the city commission upon expiration of the ten years and every three years thereafter to determine whether the purposes of the NRD-2 trust fund have been satisfied and upon such finding, the NRD-2 trust fund shall sunset and any funds to be collected and allocated pursuant

to this article and according to the Miami 21 Code shall revert to the public benefits trust fund established in section 62-641 of the City Code.
(Ord. No. 13984, § 2, 3-25-21)

Sec. 62-649. Same—Financial report.

A financial report on NRD-2 trust fund receipts and expenditures shall be prepared annually at the close of the fiscal year by the city manager for review and approval by the city commission and filed with the city clerk.
(Ord. No. 13984, § 2, 3-25-21)

ARTICLE XV. GROUP HOMES

Sec. 62-650. Regulation of group homes pursuant to state law.

(a) The intent of this article is to process the responsible and orderly placement of group homes with 14 persons or less, within the city, pursuant to F.S. chs. 419 or 429, as amended. It is also the intent of this article to monitor initial and continuing compliance of these group homes, on a yearly basis, with regard to state licensing, distance requirements, and compliance with all local, state, and federal laws.

(b) The city will maintain an updated database, within the department of planning and zoning, of all group homes within its municipal boundaries, especially those affecting residential areas, to be updated monthly with the latest information from all participating state agencies.
(Ord. No. 13393, § 2, 6-13-13)

Sec. 62-651. Application for group homes.

(a) Group homes pursuant to this article are defined as those assisted living facilities, community residential homes, adult day care centers, adult family care homes, treatment facilities, or similar group homes, pursuant to F.S. chs. 419 or 429, as amended.

(b) Applicants pursuant to this article are defined as those persons requesting a reservation for a particular location or an application for a particular location in which to open or run or continue to run a group home within the city.

(c) Any reservations or applications shall be reviewed as follows:

(1) Reservations or applications for a group home within the city shall be processed per location for a 180-day period while the applicant submits to the city the required state licensing documents, sworn distance surveys pursuant to F.S. ch. 419, as amended, the city application forms and supporting documents, and any other information requested by the city.

(2) The planning and zoning department will review the information and conduct an independent review of the following:

a. Compliance with the uniform fire safety standards pursuant to F.S. § 633.022, as amended, including but not limited to, a fire marshal inspection of the proposed location.

b. Compliance with the provisions of the Florida Building Code and city zoning ordinance (i.e. Building and zoning verification of the site).

1. The planning and zoning department and the building department will send city inspectors to the location to verify the use of the property is in compliance with the application.

2. Such inspection will include a review as to the amount of residents, uses, and compliance with the building and zoning codes.

c. Compliance with the state licensing agency's requirements;

1. The planning and zoning department will send a city inspector to the location to verify state licensing is valid;

2. The city inspector will follow up with the state agency regarding licensing verification.

d. Compliance with overconcentration (distance review) pursuant to F.S. ch. 419, as amended.

1. The planning and zoning department will send a city inspector to the location to verify and confirm the distance survey complies with F.S. ch. 419, as amended.

2. The city inspector will independently measure the distance requirements.

e. If the applicant requires additional time to process and submit all the requested information above, the reservation or application must be renewed for an additional 180 days. If the process is not completed within the two 180-day periods provided above, the reservation or application will expire and a new reservation or application cannot be processed on that property for 30 days.

f. Such review cost shall be as stated by the Miami-Dade County Code, as amended.

(Ord. No. 13393, § 2, 6-13-13)

Sec. 62-652. Annual zoning renewal for group homes.

(a) Group homes pursuant to F.S. chs. 419 or 429, as amended, shall be reviewed annually for compliance with local, state and federal laws.

(b) They shall be reviewed as follows:

(1) Pursuant to this article, once established as a group home, pursuant to F.S. chs. 419 or 429, as amended, there shall be annual zoning renewals.

(2) These annual zoning renewals are defined as yearly reviews requiring city inspections to receive annual zoning renewal letters after the initial first inspection to establish a group home.

(3) These inspections will ensure the following:

a. Continued compliance with the uniform fire safety standards pursuant to F.S. § 633.022, as amended, including but not limited to, a fire marshal inspection of the established location.

b. Continued compliance with the provisions of the Florida Building Code and city zoning ordinance (i.e. building and zoning verification of the site).

1. The planning and zoning department and the building department will send city inspectors to the location to verify the use of the property is in compliance with the original application.

2. Such inspection will also include a review as to the amount of residents, uses, and continued compliance with the building and zoning codes.

c. Continued compliance with the state licensing agency's requirements;

1. The planning and zoning department will send a city inspector to the location to verify state licensing is valid;

2. The city inspector will follow up with the state agency regarding licensing verification.

d. Continued compliance with overconcentration (distance review) pursuant to F.S. ch. 419, as amended.

1. The planning and zoning department will send a city inspector to the location to verify and confirm the distance survey complies with F.S. ch. 419, as amended.

2. The city inspector will independently measure the distance requirements.

e. The annual uniform fire safety standards inspections, annual building and zoning verification, annual state licensing verification (submittal of annual state license renewal to the city and verification), and annual distance overconcentration review costs shall be as stated by the Miami-Dade County Code, as amended.

(Ord. No. 13393, § 2, 6-13-13)

Sec. 62-653. Name change.

Request for name change on a site will require a new application and review as stated in section 62-651.

(Ord. No. 13393, § 2, 6-13-13)

ARTICLE XVI. ART IN PUBLIC PLACES

Sec. 62-654. Purpose and intent.

(a) This article shall be known, cited, and referred to as the "Public Art Program."

(b) It is the intent and purpose of the public art program to promote the general welfare of the community by uniting citizens through shared cultural and artistic experiences; to enhance the aesthetic diversity of the city through art integrated in architecture, infrastructure, and landscape; to chronicle the city's heritage through the collection and preservation of monuments, artifacts, objects, and documents; to create a cultural legacy for future generations through the curation and exhibition of high quality art; and to develop educational and cultural programs that will further the intent and purpose of the public art program.

(c) The requirements found in this article are design standards based upon the aesthetic needs of the city and its communities and are not intended to be either an impact fee or a tax.

(d) This article shall constitute a land development regulation of the city and any amendment shall be subject to a review and recommendation of the planning, zoning appeals board ("PZAB") and the art in public places board established below.

(e) All terms specified herein shall be as defined in the Miami 21 Code.

(Ord. No. 13657, § 2, 1-12-17)

Sec. 62-655. Art in public places board.

(a) *Establishment.* There is hereby established a board to be known as the city's art in public places board ("AIPPB"). The AIPPB shall consist of nine voting members and two alternate members whose membership, meetings, duties, and other responsibilities are described below.

(b) *Appointments; qualifications.*

(1) No appointment shall be made by the city commission to membership or alternate membership on the AIPPB until the city clerk has given at least 30 days' notice of the vacancies on the city's website and/or in a newspaper of general circulation in the city. The city commission shall solicit and encourage the members of the public and professional and citizen organizations within the area having interest in and knowledge of the purpose and functions of the AIPPB to apply for appointment. At least five days prior to the making of any appointment, the city clerk shall publicly notice the list of names submitted and the names of candidates submitted by the city commission, together with a short statement of the qualifications of each person, prepared and available for public inspection and consideration. No person shall be appointed to the AIPPB whose name and qualifications have not been made publicly available in the manner set out herein. In reaching a decision on an appointment, the city commission shall give due consideration to the qualifications of the candidates.

(2) Nomination and appointment. Each city commissioner shall appoint one board member, the mayor shall appoint one member, and the city commission at-large shall appoint three at large members and two alternate members subject to the criteria established herein. Appointees shall be persons in a position to represent

the public interest, and no person shall be appointed having personal or private interests likely to conflict with the public interest. No person shall be appointed who has any interest in the profits or emoluments of any contract, job, work, or service for the city or is otherwise not qualified pursuant to the provisions of chapter 2 of this Code. Before making any appointment, the city commission shall confirm that the person to be appointed has filed the statement required by section 2-615 of this Code.

(3) Terms of appointment. The terms of appointment shall be the latter of those terms provided in section 2-885 of this Code.

(4) Qualifications. It is intended that members and alternate members of the AIPPB be persons of knowledge, experience, mature judgment, and background; having ability and desire to act in the public interest; and representing, insofar as may be possible, the various special professional training, experience, and interests required to make informed and equitable decisions concerning development of an artistic, culturally enriching, and visually diverse physical environment. To that end, qualifications of members and alternate members shall be as follows:

a. All members shall have an interest and knowledge of the visual and performing arts and the artistic development of the city.

b. Eight board members must be knowledgeable and have a bachelor's, master's, or doctorate degree from an accredited university or college in fine arts, art education, museum curation, architecture, art history, architectural history, urban planning, urban design, landscape architecture, interior design, graphic or product design, music, real estate development, construction management, or finance. Additionally, the following shall apply to the same eight members:

1. Five members shall be chosen from the following fields: fine arts, art education, museum curation, architecture, art history, architectural history, urban planning, urban design, landscape architecture, interior design, and/or graphic or product design;
2. One member shall be a professional artist; and
3. Two members shall be from the following fields: finance, real estate development, and/or construction management.

c. One member and two alternate members must have an interest in the visual and performing arts. Neither of these members is required to have a bachelor's, master's, or doctorate degree. One alternate member shall be a representative of Miami-Dade County Public Schools. The superintendent of schools shall make a recommendation to the city commission on the appointment of the alternate member.

(5) Vacancies.

a. Vacancies in the membership or alternate membership of the AIPPB shall be filled by the city commission and mayor by appointment, in the manner set forth herein and for the unexpired term of the member or alternate member affected. The city commission may appoint an alternate member of the board to a vacancy as a full member of the board without resorting to the procedural requirements of subsection (b)(1) so long as the alternate member meets the qualifications of subsection (b)(4)c.

b. The executive secretary of the AIPPB shall notify the city clerk within ten

days after a vacancy occurs and the city clerk shall promptly transmit such information to the city commission for nomination and appointment in accordance with subsection (b)(1).

(6) Removal.

a. Members and the alternate members of the AIPPB may be removed for cause by not less than three affirmative votes of the city commission.

b. There is hereby established a point system. Each member, including alternate members, of the AIPPB who arrive after the beginning of the first agenda item or leaves before the termination of the last agenda item, at a regularly scheduled meeting of the AIPPB, shall receive one point. Any member of the AIPPB who accumulates more than seven points in one calendar year shall be brought to the attention of the city commission for its consideration of removal of the member.

c. Notwithstanding subsection (b)(6)b. above, any member or alternate member of the AIPPB who is absent, for whatever reason, from more than three or more meetings in one calendar year shall be brought to the attention of the city commission for consideration of removal of the member.

(c) *Functions, powers and duties.* The AIPPB, with the assistance and recommendations of the planning department, public art division, and all other city departments, as necessary, shall have the functions, duties, and powers as follows:

(1) To recommend the public art program guidelines and amendments to the public art program guidelines thereto to the city commission;

(2) To recommend the public art master plan and amendments to the public art master plan thereto to the city commission;

(3) To approve expenditures of the public art fund as proposed by the city manager or his/her designee;

(4) To approve, approve with conditions, or deny proposed installations, dedications, or donations of art, based on the public art program guidelines and the public art master plan, unless the proposed installations, dedications, or donations of art are approved by the city commission pending the approval of a finalized public art master plan and public art program guidelines; and

(5) To act on any other art in public places related matter as assigned by the city commission.

(6) Notwithstanding section 18-115, the AIPPB shall have the authority to accept donations of art in excess of $25,000.00 in accordance with this article.

(d) *Proceedings of the art in public places board ("AIPPB").*

(1) Officers and voting. The AIPPB shall select a chairperson and a vice-chairperson for one-year terms from among its members and may create and fill such other officers as it may determine. The planning director or his/her designee shall attend all meetings of the AIPPB. The office of hearing boards, or its successor, shall be the executive secretary of the AIPPB.

(2) Rules of procedure. The AIPPB shall establish rules of procedure necessary for its governing and the conduct of its affairs, in keeping with the applicable provisions of state law, the City Charter, the City Code, and all applicable resolutions. Such rules of procedure shall be available in written form to persons appearing before the AIPPB and to the public upon request and should be on file with the city clerk. For any quasi-judicial procedures, the provisions established in the Miami 21 Code, the zoning ordinance of the City of Miami, Florida, as amended ("Miami 21 Code"), shall control.

(3) Meetings. The AIPPB shall hold at least one regularly scheduled meeting each month, except the month of August. Other meetings may be set by the AIPPB, and additional meetings may be held at the call of the chairperson and at such other times as the AIPPB may determine. Meetings that are not regularly scheduled shall not be held without at least ten days' written notice. If the agenda for a regularly scheduled meeting does not contain any items which require action by the AIPPB, the executive secretary for the AIPPB may cancel the meeting.

(4) Quorum; public records. A majority of the members who have been appointed shall constitute a quorum. The office of hearing boards shall keep minutes of board proceedings, showing the vote of each member or alternate member, if sitting for a member, or if absent or failing to vote under subsection (d)(5) below, indicating such fact. It shall be the responsibility of the office of hearing boards to handle all procedural activities for all public hearings held by the AIPPB, including the preparation of detailed minutes and official records of such hearings. The official records of such public hearings shall be filed with the city clerk.

(5) Disqualification of members or alternate members. The AIPPB members shall comply with F.S. ch. 112, the Miami-Dade County Code of Ethics, and the City Code.

(6) All city departments and employees shall, under the direction of the city manager, and upon request and within a reasonable time, furnish to the public art division such available records or information as may be required of the AIPPB. The city manager shall assign a member of the resilience and public works department, planning and zoning department, capital improvement projects office, parks and recreation department, and fire-rescue department, or their successors, to attend public hearings of the AIPPB and to advise the AIPPB when necessary, and to furnish information, reports, and recommendations upon request of the AIPPB.

(7) The city attorney, or his/her designee, shall act as counsel and provide legal services to the AIPPB.

(8) The alternate members shall only vote in the event of a vacancy or absence of a regular member.

(Ord. No. 13657, § 2, 1-12-17; Ord. No. 13792, § 1, 10-11-18; Ord. No. 14047, § 2, 2-10-22)

Sec. 62-656. City commission.

The city commission, in addition to its duties and obligations under the City Charter, the City Code, and other applicable laws, shall have the following duties specifically in regard to the public art program:

(1) To appoint members to the AIPPB, as set forth in this article;

(2) To approve the public art program guidelines and amendments to the public art program guidelines upon recommendation of the AIPPB;

(3) To approve the public art master plan and amendments to the public art master plan upon recommendation of the AIPPB; and

(4) To hear appeals of decisions of the AIPPB related to installation, dedication, and donation of art.

(Ord. No. 13657, § 2, 1-12-17)

Sec. 62-657. Conflicts of interest.

No member of the AIPPB shall have his/her work of art considered or approved by the AIPPB during his/her term of service on the AIPPB or for one year thereafter.

(Ord. No. 13657, § 2, 1-12-17)

Sec. 62-658. Selections of works of art.

The AIPPB shall establish procedures and criteria for the commissioning, selection, and acquisition of art to be acquired using the resources available within the public art fund, and in accordance with the criteria and standards

set forth in the adopted public art master plan and the public art program guidelines. The city manager, or his/her designee, may only acquire each piece of art upon affirmative vote of the majority of the AIPPB. The city manager, or his/her designee, will negotiate appropriate contracts to acquire, insure, and maintain the art using available resources within the public art fund and the contract will be executed by the city manager subject to review and approval of the city attorney.

(1) *Selection process.* The AIPPB shall establish procedures for selecting art works to be purchased from the resources of the city's public arts fund. Those procedures can include the following:

a. Open competition;

b. Limited competition;

c. Invitation;

d. Direct purchase;

e. Donation; or

f. Any combination of the above.

(2) *Selection criteria.* In the selection process, the AIPPB shall consider the following:

a. Permanent and temporary works of art shall be located in areas where residents and visitors live and congregate and shall be publicly accessible and/or visible from public property or right-of-way (maximum visual accessibility to pedestrian or vehicular traffic);

b. Location in areas used by tourists, including the waterfront, parks, thoroughfares, and at public or governmental facilities shall be preferred;

c. The inherently intrusive nature of public art on the lives of those frequenting a public place. Artworks reflecting enduring artistic concepts, not transitory ones, should be sought;

d. The cultural and ethnic diversity of the city and South Florida without deviation from a standard of excellence;

e. The appropriateness to the site, permanence of the work in light of environmental conditions at the site, maintenance requirements, quality of the work, likelihood that the artist can successfully complete the work within the available funding, diversity of works already acquired by the city, and diversity of the artists whose work has been acquired by the city;

f. If the artwork too closely resembles a business logo or sign, has any commercial message or purpose, contains adult content as defined in the Miami 21 Code, and should, therefore, be rejected;

g. Any other criteria set forth in the public art program guidelines as amended from time to time;

h. Exhibition and sales history of the artist, as well as works of art in public collections and previous public art purchases or commissions;

i. The maintenance and insurance expense of the art;

j. The public health, safety, and welfare:

k. The ability to safely secure the art against high wind, inclement weather, or other acts of God; and

l. Whether the art may be reasonably maintained to last for a minimum life cycle of 25 years.

(Ord. No. 13657, § 2, 1-12-17)

Secs. 62-659, 62-660. Reserved.

Sec. 62-661. Creation of public art fund.

There is hereby created within the city a trust fund to be known as the City of Miami Public Art Fund. This public art fund shall be maintained by the city and shall be used for the acquisition, installation, improvement, maintenance, and

insurance of art, arts education programming, grants, and administrative costs of the public art program as follows:

(1) All monies received by the city pursuant to the requirements of the public art program or from endowments, gifts, or donations to the city designated for public art shall be placed in the public art fund. All monies within the public art fund shall be deposited, invested, expended, and accounted for as follows:

a. All monies received shall be deposited into the public art fund and shall not be commingled with non-public art related revenues of the city. All monies within the public art fund shall be expended solely for the purpose and intent of the public art program. Any interest income earned by the public art fund shall be expended or invested only for the purpose for which the money was originally accepted, collected, or received.

b. The public art fund shall be used for expenses associated with the selection, commissioning, acquisition, transportation, maintenance, repair, restoration, rehabilitation, appraisal, removal, insurance of art, development of education programming, community outreach, or advocacy with an emphasis in the visual and performing arts, grants, and administrative costs for the public art program. Once monies intended for the purpose of satisfying this article are deposited into the public art fund, the monies from separate, different development projects may be comingled. Monies within the public art fund can be dispersed, expended, invested, or granted in accordance with this article.

c. Ten percent of the fees collected annually shall be allocated towards the historic preservation trust fund under article XVIII.

d. Five percent of the fees collected annually shall be allocated towards cultural, education, community outreach, or advocacy purposes and may include social practice art, all designed to promote the visual and performing arts such as but not limited to youth based programming involving the city's arts and entertainment council, public academic institutions, or non-profit organizations. Fees allocated but not expended within a fiscal year shall be rolled over to the next fiscal year and allocated for the same purposes. The city's arts and entertainment council, public academic institutions, or non-profit organizations shall be allocated monies from the public art fund through a grant application process as described in the public art master plan. The public art division will review all grant applications and shall have the discretion to recommend approval or denial of grant applications to the AIPPB for expenditure of funds in accordance with the program guidelines.

e. Fifteen percent of the fees collected annually shall be allocated towards operating and administrative costs associated with the public art program, including but not limited to, staffing, marketing, programming, training, and outside consulting. Training shall be directly related to the implementation of this article and Article 11 of the Miami 21 Code. Fees allocated but not expended within a fiscal year shall be rolled over to the next fiscal year and allocated for the same purposes. The city manager or his/her designee shall have the authority to allocate and expend funds in accordance with this subsection e.

f. Seventy percent of the fees collected annually shall be allocated towards

the commissioning, selection, acquisition, display, maintenance, repair, restoration, rehabilitation, insurance of city-owned art, transportation, installation, removal, appraisal, collection, and exhibition of high-quality art in accordance with the public art master plan and the public art program guidelines. Fees allocated but not expended within a fiscal year shall be rolled over to the next fiscal year and allocated for the same purposes. For all expenditures in excess of $25,000.00 pursuant to this subsection f., the city manager or his/her designee shall be the applicant to the AIPPB in accordance with this article.

g. If tangible property purchased with monies from the public art fund is subsequently sold, the proceeds from the sale shall be returned to the public art fund.

(2) All funds shall be expended for public and municipal purposes in accordance with the terms of this article and Article 11 of the Miami 21 Code.

(Ord. No. 13657, § 2, 1-12-17; Ord. No. 13872, § 2, 11-21-19)

Sec. 62-662. Ownership and maintenance of artwork placed on site.

(a) Ownership of all art acquired by the city pursuant to the requirements of this article shall be vested in the city, which shall retain title to each work of art.

(b) Ownership of all art donated to the city pursuant to the requirements of this article shall be donated and titled to the city upon approval of the AIPPB.

(c) Stolen or illegally removed art, or art that is deemed destroyed by the public art division in consultation with an independent art appraiser, must be either:

(1) Replaced by the property owner within 120 days. Replaced Art shall be reviewed and approved by the AIPPB subject to the criteria set forth in this article, or

(2) The public art fee required under this article and the Miami 21 Code, based upon the current fee schedule and the current fair market value of the building, structure or improvement for which the art was required, as determined by an appraiser, must be paid within 30 days.

(Ord. No. 13657, § 2, 1-12-17)

ARTICLE XVII. COVENANTS FOR AFFORDABLE OR WORKFORCE HOUSING

Sec. 62-663. Requirements, enforcement provisions, and penalties for restrictive covenants associated with affordable or workforce housing related to development incentives, benefits, or bonuses.

Enforcement of this article shall be by chapter 2, article X of the City Code or any other remedies as provided by law and as further stated herein.

All covenants for affordable or workforce housing that may be associated with development incentives, benefits, or bonuses, shall be subject to the following requirements, enforcement procedures, and penalties. This includes any covenants associated with providing affordable or workforce housing voluntarily proffered with a request for a change of zoning.

(1) All such covenants shall only be released after the initial required term, according to the City Code or the Miami 21 Code, as applicable, by the city commission at a publicly noticed hearing, unless otherwise specified in the covenant. All costs, expenses, and fees associated with releasing the covenant at the publicly noticed hearing, shall be the sole responsibility of the party requesting the release unless the covenant being released is an individual covenant as defined herein.

(2) All such covenants shall include a provision that requires each affordable or workforce housing unit that is sold to

include a deed restriction, that the unit shall only be sold with a purchase cost equal to or less than the standards for those individuals whose income is at or below the area median income ("AMI"), as established in the covenant and shall further indicate that the unit shall only be rented to individuals whose income is at or below the AMI as established in the covenant. The deed restriction must specify the specific applicable AMI. All covenants shall also reference the requirements as stated in this section.

(3) Any violation or noncompliance of the covenant for affordable or workforce housing shall be immediately referred to code compliance department for enforcement proceedings, lien placement, and citations pursuant to chapter 2, article X of the City Code.

(4) Any violation or noncompliance of the covenant for affordable or workforce housing shall result in a monetary penalty to be deposited into the affordable housing trust fund. Such monetary penalty shall be assessed as a daily fine of $250.00 per day per violation until proof of compliance has been provided to the city. The monetary penalty shall not be subject to mitigation or otherwise modified by any body including, but not limited to the code enforcement board.

(5) Any violation or noncompliance of the covenant for affordable or workforce housing shall be referred to the city attorney's office for enforcement, including but not limited to injunctive relief and/or any other remedies in law or equity.

(6) The use of one remedy shall not preclude the use of another.

(7) All such covenants for affordable or workforce rental housing must include a provision that requires the covenantor to receive written authorization from the city manager prior to converting any rental housing units to homeownership units. In the event that the conversion is authorized, the city shall record covenants on individual units ("individual covenants") in a manner that creates the same amount of affordable or workforce homeownership units specified in the covenant for affordable or workforce housing. Each individual covenant must (i) specify the applicable AMI for any purchaser during the term of the individual covenant and (ii) expire on the same date as the covenant for affordable or workforce housing.

(8) Any modification of a covenant shall require approval of the city commission at a publicly noticed hearing, unless otherwise specified in the covenant. All costs, expenses, and fees associated with modifying the covenant at the publicly noticed hearing shall be the sole responsibility of the party requesting the modification unless the covenant being modified is an individual covenant as defined herein.

(9) Notwithstanding any language contained in this article or any language in the covenant, the city may administratively perform the following related to a document required by a United States Housing and Urban Development (HUD), Florida Housing Finance Corporation, Federal Housing Agency, Fannie Mae, Freddie Mac, any Miami-Dade County affordable housing program, or any other government-backed program financing or refinancing for a development where such document does not adversely impact the city's affordability requirements within the city's covenant, including but not limited to the area median income of the affordable units and the number of affordable units:

a. Authorize a partial release of a covenant as described herein, or

b. Approve a subordination of a covenant as described herein

Any such partial release or subordination as described in this section shall require a recommendation of approval and signature from the director of the

department of housing and community development, the planning director, the zoning administrator, and the city manager, or their designees, and be approved by the city attorney, or designee, as to legal form or correctness. The city manager shall provide written notice to the members of the city commission when such covenant is administratively released or subordinated. In the event that the partial release or subordination does not receive approval from all departments listed herein, such request may be placed on a city commission agenda.

(Ord. No. 13826, § 2, 3-14-19; Ord. No. 14113, § 2, 10-13-22)

Secs. 62-664—62-670. Reserved.

ARTICLE XVIII. HISTORIC PRESERVATION TRUST FUND*

Sec. 62-671. Purpose and intent.

It is intended that the "Historic Preservation Trust Fund" be established for funding to be made available for improvements to qualifying homes in T3 transects and historically designated resources.

(Ord. No. 13872, § 2, 11-21-19)

Sec. 62-672. Trust fund payments.

Payments into the trust fund shall include, but not be limited to, monies collected pursuant to chapter 62, article XVI, Art in public places, and chapter 23, Historic preservation.

(Ord. No. 13872, § 2, 11-21-19)

Sec. 62-673. Established.

(a) There is hereby established a trust fund titled "historic preservation trust fund" into which funds shall be deposited and disbursed pursuant to this article.

(b) Fees allocated and interest collected but not expended within a fiscal year shall be rolled over to the next fiscal year and allocated for the same purposes.

(c) Eighty percent or more of funds will be allocated towards improvements for qualifying homes in T3 transects and locally designated historic Resources pursuant to chapter 23.

(1) Funds to be allocated to private property shall be managed through a grant process administered by the planning department and the department of housing and community development in consultation with all other relevant city departments and any required external experts.

a. Grant funds shall be allocated based on the following criteria in order of importance:

1. Properties in T3 transects that are unable to sell development rights or density.
2. Economic hardship as measured by the income of property owner.
3. Age of the property owner with priority given to property owners over 60 years of age or older.
4. Ownership status with priority given:
   - First, to homesteaded property owners;
   - Second, to not-for-profit entities, organizations, or institutions providing affordable housing;
   - Third, for-profit entities, organizations, or institutions providing affordable housing;
   - Fourth, non-profit organizations;
   - Fifth, all other applicants;
5. Historic significance of the historic resource;

*__Editor's note—__Ord. No. 13872, § 2, adopted November 21, 2019, enacted provisions intended for use as article XVII, §§ 62-663—62-665. Inasmuch as there are already provisions so designated, and at the discretion of the editor, said provisions have been redesignated as article XVIII, §§ 62-671—62-673.

6. Ability to complete work within a reasonable time frame.

b. The planning department will make recommendations to the director of the city's department of housing and community development, who will make a final determination for disbursement of funds.

c. Grant funds not expended within a reasonable time frame must be promptly returned to the city.

(2) Funds to be allocated to publicly-owned resources will be approved by the historic and environmental preservation board ("HEPB"). Publicly owned for this subsection shall mean owned by a governmental or public agency.

(d) Up to 20 percent of the fees collected annually may be allocated towards administrative costs and staffing associated with historic preservation.
(Ord. No. 13872, § 2, 11-21-19)

Secs. 62-674—62-699. Reserved.

ARTICLE XIX. PROCEDURES FOR NO NET LOSS POLICY FOR PARK LAND

Sec. 62-700. Intent.

It is intended that the following regulations be established to create procedures and more detailed standards for the conversion of park land within the city as required by Policy PR-2.1.1 of the Miami Comprehensive Neighborhood Plan. Furthermore, the conversion of park land will be subject to public procedures. It is intended that the city receive park lands of suitable park, recreational, or conservation value in terms of usefulness and location in accordance with the time frames set forth in subsection 62-702(4) of this Code simultaneous with the conversion or elimination of any existing park land.
(Ord. No. 14213, § 3, 10-23-23)

Sec. 62-701. Prohibition on issuance of inconsistent development orders.

No development order, as defined in F.S. § 163.3164(15), as amended, may be issued if such development order is inconsistent with this section, however a development order may be issued when consistent with the procedures in this section.
(Ord. No. 14213, § 3, 10-23-23)

Sec. 62-702. Procedures for conversion of park land.

In construing these provisions, the city manager or designee, is authorized to determine whether the converted park land and the replacement park land constitutes a park without regard to a property's zoning designation in Miami 21. No existing park land in the city may be converted to another use, rezoned out of civic space (CS) transect zone, or have its FLUM changed from the public parks and recreation category except upon compliance with the below procedures:

(1) Park land must be replaced by land of the same or greater area: may be calculated in the aggregate, and: provided in various locations and sizes provided that replacement properties for park land must be replaced with land a minimum of 20,000 square feet or 200 linear feet of street frontage or it shall not be utilized towards compliance with this division.

(2) Replacement park land must be dedicated or conveyed to the city, provided that replacement park land may be privately owned or owned by another governmental entity. In the event of a private property owner, a restrictive park use covenant, in a form approved by the city attorney, between the city and such private property owner shall be made that ensures the public's continued present and future usage of the property in a manner similar to other city parks. City-owned land located outside of the city limits that abuts an existing city park within the city limits may be utilized towards compliance with this section. No city-owned land may be used as replacement park land for purposes of this policy, with the exception of the replacement park land being used for a city-owned public facility;

(3) Replacement park land must meet the same or higher standard as the park land it is replacing with similar park, recreation, or conservation value in terms of usefulness and location, as recommended by the city manager or designee and approved by the city commission at a public hearing. For purposes of this section, replacement park land shall not be located on a roof top of a building. In determining the level of improvement needed, the city manager or designee may consider the appropriate replacement park type (urban, suburban, regional, etc.) and the types of improvements that are needed for such replacement park land to provide a similar or improved level of service to that neighborhood of the converted park land, including, but not limited to, access to city residents and its ability to provide new or improved passive or active recreation services; and

(4) Development orders or other agreements approved by the city commission which include conditions detailing steps to be taken for the conversion of the park land use to another use consistent with this Section shall be permitted. Permitting and construction of the park improvements to approved replacement park land shall commence within one year of approval of the development order and be available for use by the general public within three years of the conversion of the park land it replaces, unless extended by the city manager.

(Ord. No. 14213, § 3, 10-23-23)

Sec. 62-703. Inventory of converted park land.

It shall be the duty of the city manager or designee to maintain an inventory of converted park land and its corresponding replacement land which shall be kept on file with the department of planning and department of parks and recreation.

(Ord. No. 14213, § 3, 10-23-23)

ARTICLE XX. RESILIENCE TRUST FUND

Sec. 62-704. Resilience Trust Fund; intent.

It is intended that the "Resilience Trust Fund" be established in order to facilitate the increase of density as allowed under the Interpretation of the Future Land Use Map of the Miami Comprehensive Neighborhood Plan; to facilitate the receipt of contributions to offset impacts to public facilities, services, and infrastructure associated with development in the Coastal High Hazard Area ("CHHA") as defined by F.S. § 163.3178(2)(h); and to enhance overall resilience and resilient infrastructure throughout the city. Expenditures from this trust fund shall require authorization by the city manager, or his/her designee, upon written recommendations from the directors of the department of planning, office of zoning, office of capital improvements, department of resilience and public works, and/or the office of resilience and sustainability, or successor department.

(Ord. No. 14435, § 2, 1-8-26)

Sec. 62-705. Established.

(a) There is hereby established a trust fund to be entitled the "Resilience Trust Fund," to be maintained and administered by the city, into which funds shall be deposited and from which funds shall be withdrawn pursuant to this article to pay for infrastructure projects that result in reducing flooding, storm surge, or urban heat island effect.

(1) Examples of projects include, but are not limited to, pump stations, raising roadways, seawalls, bioswales, living shorelines, native shade tree plantings, native groundcover, green roofs, permeable pavements, rain gardens, parks and open spaces, and green walls. This list is not exhaustive.

(b) Funds must be spent within the same geographic area they are collected, which will be known as "resilience fund areas." Some exceptions are allowed. See section 62-706.

(c) Allowable expenditures undertaken pursuant to this chapter may be made by the city manager, or his/her designee, except that any trust fund expenditure in excess of $100,000.00 will require city commission approval.
(Ord. No. 14435, § 2, 1-8-26)

Sec. 62-706. Resilience fund areas.

(a) In order to ensure funds collected are spent in a rational and proportional nexus, the city hereby creates "resilience fund areas" ("RFAs").

(b) RFAs are sub-city geographies where funds collected must be spent.

(1) Money may be spent in adjacent RFAs when the scope of certain capital improvements projects spans multiple RFAs.

(2) Money may be spent outside of an RFA when the scope of certain capital improvements projects extends beyond the boundaries of the RFA in which the project originates. In these instances, at least 51 percent of the capital improvement project's footprint must be within an RFA.

(3) The following data points were used to create the RFAs: CHHA, Storm surge planning zones, future land use map, zoning atlas, watersheds, and population.

(4) Only properties that meet the criteria set out in the Miami 21 Zoning Code and located within an RFA can participate.

(c) A map of the resilience fund areas can be seen in on file with the planning department.

(1) RFAs can be added, combined, divided, expanded, or dissolved in the future by ordinance provided any of the data points used to create the RFAs have changed or the needs of the program change.
(Ord. No. 14435, § 2, 1-8-26)

Sec. 62-707. Contribution schedule.

Contribution amounts are calculated by deriving the average and median costs of recent stormwater and other relevant resilience projects per every property benefited per each project. Contributions are to be made using a multiplier of US dollars per residential unit. The contribution amount shall be published on the planning department's website as a memorandum signed by the planning director or his/her designee. The contribution amount shall be updated every five years to account for inflation/market changes.

(1) Applicants may qualify for a 15 percent discount on cash contributions through infrastructure contributions as specified below:

a. Infrastructure contributions must exceed the minimum requirements already established by the Zoning Code, City Code, State Statutes, building codes, and requirements specified by the department of resilience and public works, office of capital improvements, building department, planning department, and office of zoning.

b. Infrastructure contributions must not create conditions that can result in flooding or other stormwater deficiencies for neighboring properties.

c. The applicant must enter into an agreement with the City of Miami stipulating the details of the infrastructure provisions, in a form acceptable to the city attorney. The details of the agreement must include relevant and applicable documentation including, but not limited to, the scope of work, cost of work, boundary survey, and legal description of the area of work. This agreement is subject to approval by the city manager, and all relevant department directors, and be in a form acceptable to the city attorney, and must be recorded with Miami-Dade County and the city clerk. The recorded agreement is required to qualify for the cash contribution discount.

(2) Applicants may qualify for a 15 percent discount on cash contributions with the provision of affordable and workforce housing described below. To qualify for this discount, applicants must submit to the office of zoning a recorded covenant running with the land acceptable to the City of Miami confirming the property will meet the criteria outlined below for a period of no less than 30 years from the date of issuance of a final certificate of occupancy or temporary certificate of occupancy, whichever is first, and a certification from the city's department of housing and community development, or successor department, that the proposed development will provide:

a. A minimum of three percent of the dwelling units serving residents at or below 60 percent of the "AMI" as published by the United States Department of Housing and Urban Development annually;

b. A minimum of five percent of the dwelling units serving residents at or below 100 percent of the "AMI" as published by the United States Department of Housing and Urban Development annually; and

c. A minimum of two percent of the dwelling units serving residents at or below 120 percent of the "AMI" as published by the United States Department of Housing and Urban Development annually.

(Ord. No. 14435, § 2, 1-8-26)

Sec. 62-708. Financial reports.

Administration of and a financial report on trust fund receipts and expenditures shall be prepared annually at the close of fiscal year by the city manager or his/her designee and presented to the city commission.

(Ord. No. 14435, § 2, 1-8-26)

APPENDIX A

RESERVED*

*__Editor's note—__Ord. No. 11936, § 2, adopted June 8, 2000, repealed App. A, which pertained to Cable Television Licensing, and derived from Ord. No. 9567, § 1, Feb. 10, 1983; Ord. No. 9915, § 1, Oct. 10, 1984; Ord. No. 10035, § 1, Sept. 9, 1985; Ord. No. 10146, § 1, Sept. 11, 1986; Ord. No. 10678, § 1, Dec. 7, 1989.

APPENDIX B

FRANCHISES*

*__Editor's note—__At the city's direction, the Cable Television License, Ord. No. 9332, adopted Oct. 19, 1981, effective Nov. 19, 1981, has been set out separately, and in its entirety as amended, as appendix A of this Code.

Charter reference—Franchises and public utilities (including approval by voters, powers and rights of city retained, franchise subject to terms of charter and exclusive franchises prohibited), § 39.

City Code cross references—Streets and sidewalks, ch. 54.

The following franchises have been granted by the City of Miami.

Ord. No.	*Adoption Date*	*Description*
8309	9-10-74	City Gas Company of Florida granted a limited franchise for permission to erect, install, extend, maintain and operate a system of works, pipes, pipelines, etc. in the area bounded on the east by 27th Avenue as the same is extended north and south to the city limits and from 27th Avenue west to the western boundaries of the city, for the purpose of transporting, distributing and selling manufactured or natural gas to the city; effective date Nov. 5, 1974; 30-year term.
9064	1-24-80	Southern Bell Telephone and Telegraph Co. granted a franchise for permission to construct, operate and maintain necessary telephone equipment on public rights-of-way; in effect from and after Aug. 12, 1976, and expiring at midnight on Aug. 11, 2006.
9472	9- 9-82	Florida Power & Light Co. granted a franchise for permission to construct, maintain and operate electric light and power facilities on public rights-of-way, for the purpose of providing electricity to the city; effective date March 28, 1983; 30-year term.
10935	12- 5-91	Peoples Gas System, Inc., granted a franchise for permission to erect, install, extend, maintain, and operate a system of pipes, pipelines, etc., on public rights-of-way for the purpose of transporting, distributing and selling manufactured or natural gas to the city; effective date Jan. 5, 1992; 15-year term.
11662	5-26-98	FPL Energy Services, Inc. granted a franchise for permission to construct, operate and maintain a distribution system on public rights-of-way, for the purpose of delivering chilled water and steam to provide energy efficient heating and cooling to the city; effective date May 26, 1998; 37-year term.

CODE CASE LAW TABLE

This table of code case annotations shows the chapter titles, article titles, and sections at which appeal case annotations to the Code of Ordinances are set forth in part II of this volume.

Case Name	Location of Annotation
Berman v. *City of Miami,* 17 Fla. Supp. 72; *aff'd* 127 So.2d 683	31-49
Bratley v. *Nelson,* 67 F. Supp. 272	6-1
City of Miami v. *Bus Benches Co.,* 174 So.2d 49	Ch. 54, Art. III
City of Miami v. *Carter,* 105 So.2d 5	Ch. 56, Art. III
City of Miami v. *Clay,* 14 Fla. Supp. 117	Ch. 35
City of Miami v. *Cuban Vill-Age,* 147 So.2d 326	4-42
City of Miami v. *Florida Retail Federation, Inc.,* 423 So.2d 991	31-50
City of Miami v. *Gates,* 393 So.2d 586	Ch. 56
City of Miami v. *Girtman,* 104 So.2d 62	54-31
City of Miami v. *Kayfetz,* 92 So.2d 798	4-4
City of Miami v. *Kinchinko,* 156 Fla. 128, 22 So.2d 627	Ch. 4
City of Miami v. *Kory,* 394 So.2d 494	40-98
City of Miami v. *Miami Dolphins, Ltd,* 374 So.2d 1156	53-87
City of Miami v. *Penley,* 21 Fla. Supp. 42; *aff'd* 21 Fla. Supp. 170	4-4

CODE COMPARATIVE TABLE

ORDINANCES

This table gives the location within this Code of those ordinances adopted since the 1967 Code, as recodified in 1980 and as updated through November 17, 1994, which are included herein. Ordinances adopted prior to such date were incorporated into the 1967 Code, as recodified in 1980 and as supplemented. This table contains some ordinances which precede November 17, 1994, but which were never included in the 1967 Code, as recodified in 1980 and as supplemented, for various reasons. Ordinances adopted since November 17, 1994, and not listed herein, have been omitted as repealed, superseded or not of a general and permanent nature.
