The date that the business is considered to have actually begun shall be contingent upon one of the following conditions:

a. The date on which sales and/or services facilities are fully operational and available to the customer, or

b. The date on which loans are made, if in the business of lending or dealing in notes, or

c. The date on which commissions or fees are earned, if in the business as a broker or commission agent, or

d. The date on which contracts were entered into, if in business as a contractor.

(Code 1956, § 70-7; Ord. No. 19,937, § I, 12-1-00)

State law reference—Similar provisions, R.S. 47:348.

Sec. 150-958. Taxpayers required to keep records; confidentiality.

(a) In general, each person shall keep a reasonable record of his gross receipts, gross fees or commissions, or loans made. This record shall be kept separately for each place of business, and shall be subject to examination and inspection by the collector or his duly authorized assistants.

(b) (1) Except as otherwise provided by law, the records and files of the collector or the records and files maintained pursuant to a tax ordinance, excluding ad valorem property taxes and ad valorem property tax assessment rolls, are confidential and privileged, and no person shall divulge or disclose any information obtained from such records and files except in the administration and enforcement of the tax laws of this state or of the city.

(2) No person shall divulge or disclose any information obtained from any examination or inspection of the premises or property of any person in connection with the administration and enforcement of the tax laws of this state or the city except to the taxing jurisdiction of his employment or, in the case of an already existing independent contractor arrangement, to the city.

(3) Neither the collector nor any employee engaged in the administration or charged with the custody of any such records or files shall be required to produce any of them for inspection or use in any action or proceeding, except in an action or

proceeding in the administration or enforcement of the tax laws of this state or of the city.

(4) Any officer, employee, or agent or any former officer, employee, or agent of the city who unlawfully discloses any information obtained from a return of a taxpayer or records and files of the collector, contrary to the provisions of this section, shall be guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than $10,000.00 or be imprisoned for not more than two years, or both.

(5) Nothing contained in this section shall be construed to prevent such persons from disclosing a return of a taxpayer or the records of the secretary as authorized by law in any judicial proceeding in which the state or the city thereof is a party.

(Code 1956, § 70-8; Ord. No. 19,937, § I, 12-1-00)

State law reference—Similar provisions, R.S. 47:349.

Sec. 150-959. Application for licenses.

(a) Every person subject to a license tax levied by this article shall apply to the collector for a license before the same becomes delinquent, as provided in this article. The application shall state all facts necessary to determine the amount of taxes due under this article.

(b) If the collector is not satisfied with the facts set forth in the application or for any reason desires to audit the books and records of the taxpayer, the collector or any of his authorized assistants may audit and inspect all records of the taxpayer that would have any bearing upon the amount of taxes due under this article.

(c) If an individual is an applicant for a license required by this article, the applications must be signed by him; if a partnership or an association of persons, by a member of the firm; and if a corporation, by the proper officer thereof.

(d) Any intentional false statement as to any material facts in the application for a license under this article shall constitute a misdemeanor, and any person convicted thereof shall be fined not more than $200.00, or imprisoned for not more than six months, or both.

(Code 1956, § 70-9; Ord. No. 19,937, § I, 12-1-00)

State law reference—Similar provisions, R.S. 47:349.1.

Sec. 150-960. Failure to pay tax; judgment prohibiting further pursuit of business.

Failure to pay the tax levied by this article shall ipso facto, without demand or putting in default, cause the tax, interest, penalties, and costs to become immediately delinquent, and the collector is hereby vested with authority, on motion in a court of competent jurisdiction, to take a rule on the delinquent taxpayer to show cause in not less than two or more than ten days, exclusive of holidays, why the delinquent taxpayer should not be ordered to pay the total amount due and owing under this article. This rule may be tried out of term and in chambers and shall always be tried by preference. If the rule is made absolute, the order therein rendered shall be considered a judgment in favor of the city.

(Code 1956, § 70-10; Ord. No. 19,937, § I, 12-1-00)

State law reference—Similar provisions, R.S. 47:351.

Sec. 150-961. Collector authorized to make rules and regulations.

(a) The collector shall make and enforce all rules and regulations necessary for the proper, complete, and equitable collection of the tax levied by this article. He may adopt different rules and regulations and forms for different classes or kinds of businesses, uniform as to each class, if by so doing the collection of the full amount of taxes due under this article may be simplified and made more certain.

(b) The collector may make and publish reasonable rules and regulations, not inconsistent with law, for the enforcement of the provisions of this article and collection of the revenue hereunder.

(Code 1956, § 70-11; Ord. No. 19,937, § I, 12-1-00)

State law reference—Similar provisions, R.S. 47:351.

Sec. 150-962. Records to be kept by collector.

The collector shall keep an accurate record showing the names of every person paying taxes under this article, together with the business pursued, the amount of the license, the date of the collection, and the payment thereof.
(Code 1956, § 70-12; Ord. No. 19,937, § I, 12-1-00)

5,000,000.00	6,000,000.00	6,100.00

Regulation 150-963(b).

(1) Boat dealers and repair shops.

It has been interpreted that the words "other motor-propelled equipment" and "other motor-propelled land vehicles" mean any other motor-vehicular related items or things not specifically mentioned and not that the specified items must be self-propelled or land vehicles per se. The legislature obviously knew that trailers and semi-trailers are not self-propelled and that aircraft are not land vehicles.

This situation is not analogous to automobile dealers as their license under section 150-963 also covers repairs to automobiles.

(2) Business schools, commercial colleges, beauty schools, and employment agencies.

All business schools, commercial colleges, beauty schools, barber schools, employment agencies and other educational institutions operated to yield a profit to owners or shareholders are subject to the occupational license tax. The tax is payable at the rates specified at section 150-963 from Table 1.

(3) Operation of office building.

An occupational license tax is owed where the whole or a substantial portion of a building is leased to third parties as offices and where the proprietor of the building renders such service or performs such acts that would indicate that he was in the office building business, such as furnishing janitor service, or utilities or employing a manager of the building. Both of the above conditions must be present. If the second is not present then the owner of the building can only be said to be renting his own property and not to be engaged in the office building business. The facts in each case must determine the tax liability.

(4) Gasoline service station.

For every fixed location gasoline service station whose sales of gasoline and motor fuels constitute at least 80 percent of total business activity, the license shall be based on the total business activity and shall be based on Table 1A.

(c) For every dealer in merchandise, service, and rentals not otherwise provided for by this article or by special laws, whether conducted as a principal, agent, or commission, or otherwise, the license tax shall be based on the amount of gross sales and receipts, at the rate set in Table 1 above. After a business has operated for at least one full calendar year, if the annual gross sales and receipts for the previous year are less than $2,500.00, no license tax shall be due under this section for the current year.

(d) (1) For every pawnbroker, or person keeping a loan office and engaged in lending money on articles pawned or pledged, and for each and every money broker, money lender, or person lending money on, or purchasing time, wages, or salaries of laborers, clerks, or other wage earners or other persons, whether the same be earned or unearned, and whether the business is conducted in an office or

otherwise, the license tax shall be based on the amount of gross sales and receipts from any retail sales plus the amount of loans made by the business. However, the minimum license tax paid by pawnbrokers licensed under the provisions of this subsection shall be $300.00.

a. No license shall be granted to any pawnbroker whose designated place of business is situated within 300 feet or less of any official gaming establishment or designated docking facility of a riverboat licensed to conduct gaming activities or gaming operations pursuant to Chapter 9 or 10 of Title 4 of the Louisiana Revised Statutes of 1950. As to official gaming establishments, this distance shall be measured as a person walks using the sidewalk from the nearest point of the property line of the official gaming establishment to the nearest point of the designated place of business. As to docking facilities, this distance shall be measured in a straight line from the nearest point of the docking facility to the nearest point of the designated place of business.

b. The subsequent construction, erection, development, or movement of an official gaming establishment or designated docking facility which causes a licensee's occupied designated place of business to be located within the prohibited distance shall not be cause for the revocation, withholding, denial, or nonrenewal of a license.

(2) The "amount of loans made," for the purposes of this subsection, shall mean the total of all amounts of funds or goods advanced to borrowers and the amounts paid for notes or other similar evidences of indebtedness purchased or otherwise acquired from others.

(3) In the case of a new business, the basis for the first year's license shall be provided for in section 150-953 and 150-957 of this article, except that the "amount of the loans made" shall be substituted for "gross revenue".

(4) Notwithstanding the provisions of subsection (b), the maximum license tax paid by dealers in mobile home sales, rentals, or mobile home repairs licensed under the provisions of this section shall be $800.00.

State law reference—Similar provisions, R.S. 47:354, 47:355.

Sec. 150-964. Fees for Vieux Carré.

Upon application to the bureau of revenue for an occupational license for a new use or for a use that constitutes a change of ownership only (excluding yearly renewals of existing licenses) in the Vieux Carré section of the city, the Vieux Carré Commission will charge a $25.00 nonrefundable processing fee on each such application received by the bureau of revenue and reviewed by the commission. Upon issuance of a valid occupational license by the bureau of revenue, an additional $50.00 will be charged by the Vieux Carré Commission. All such fees will be collected by the bureau of revenue. In accordance with sections 166-1 and 166-2, the Vieux Carré section of the city is hereby defined to comprise all that area within the city limits within the following boundaries: The river, uptown side of Esplanade Avenue, the riverside of Rampart Street and the lower side of Iberville Street.

(Code 1956, § 70-13.1; Ord. No. 19,937, § I, 12-1-00)

Sec. 150-965. Wholesale dealers in merchandise, service and rentals; retail dealers to institutional consumers; shipbuilders; and contractors.

(a) For every fixed location wholesale dealer in merchandise, service and rentals, retail dealers to institutional consumers, shipbuilders, and contractors, including, but not limited to, all businesses enumerated in this section, the license

shall be based on the total business activity and the amount of said license shall be as shown in Table 2 below:

(b) This schedule includes, but is not limited to: Brokerages in money, produce, or sugar; cotton compress businesses; cotton factor and commission businesses; cotton future brokerages; cotton pickeries; distillers of alcohol; grain and product commission houses; businesses engaged in leasing, renting, or licensing the use of immovable property; livestock auctions; manufacturer's agents; operators of office buildings; owners or lessees of toll bridges or ferries;

real estate brokers; slaughter houses; steamboat or steamship agencies; stock or bonds brokerages; sugar factories.

Regulation 150-967(b). Manufacturer's agents and real estate brokers' basis of tax.

(1) Manufacturer's agents' basis of tax.

The liability of manufacturer's agents for occupational license taxes under section 150-967 is based on gross commission earned for services performed by the broker or agent in New Orleans regardless of whether the principal or party solicited is within or outside the city.

The shipment or filling of the orders is not a factor. Also, a license is required for the privilege of operating each business, and the number of manufacturers represented by the agent is not a factor.

Accordingly, section 150-967 requires a manufacturer's agent to include all commissions earned for services performed by the agent in Louisiana regardless of circumstances surrounding the shipment or filling of the orders, and the representing of one manufacturer by the agent is sufficient to require a license.

Manufacturer's agents are engaged in the business of accepting and placing orders for equipment or merchandise to be shipped and invoiced by the manufacturer.

Manufacturer's agents do not take title to the equipment and/or merchandise ordered.

Manufacturer's agents who either take title to or independently invoice for the equipment or merchandise shall be considered retail or wholesale dealers. (See also section 150-951)

(2) Real estate brokers' basis of tax.

Real estate brokers may not deduct commissions paid to persons in their employ or operating as a broker from the same real estate office. (See also section 150-951)

(c) For carrying on each business of dealing in or buying and selling stocks or bonds, as principal, the license shall be based on gross annual profits; however, where no gross annual profit is realized, the minimum tax under the above schedule shall be paid.

Sec. 150-969. Businesses where licenses are based on flat fees.

The following types of business shall obtain an annual license based on the flat fee designated hereafter. For purposes of this section, the minimum tax noted in section 150-953 for most of new businesses for the first year of commencement or fractional part thereof does not apply.

(a) *Private banking or investment banking business.*

(1) For each business of carrying on a private banking house, business or agency, investment banking house, business or agency, a license based on a flat fee of $500.00 shall be required.

(2) The term "investment banking" means a business that is carried on through the purchase or underwriting of security issues and their subsequent sale to investors.

Regulation 150-969(a). Private banking or investment banking business.

A private banker is defined as one who carries on the business of banking without being incorporated. One carries on the business of banking by receiving money on deposit with or without interest, by buying and selling bills of exchange, promissory notes, gold or silver coin, bullion, uncurrent money, bond or stock or other securities, and by loaning money without being incorporated.

(b) *Vendors at trade shows.* For each person engaging in the display of goods, wares, or merchandise in association with a trade show, a license fee of $50.00 shall be required. The provisions of this subsection shall not apply to persons engaging in the sale of goods, wares, merchandise and services in conjunction with an association meeting where admission to the event is not open to the general public but is restricted by membership or invitation to a limited class of persons, or the sale of merchandise is secondary or accessory to the primary purpose for the trade show, convention or a professional or association meeting; and such persons shall not be deemed transient vendors for the purpose of this subsection.

(c) *Peddlers and itinerant vendors.*

(1) All peddlers, hawkers, and itinerant vendors selling merchandise on the streets of this city during the Mardi Gras season, which is defined as those days and nights commencing 11 days before Mardi Gras and continuing until 12:00 midnight on Mardi Gras Day, shall obtain a license based on a fee of $150.00. All other peddlers, hawkers, itinerant vendors and every person who displays samples, models, goods, wares or merchandise on a temporary basis in any hotel, motel, store, storehouse, house, vehicle, or any other place for the purpose of securing orders for the retail sales of such goods, wares or the like kind or quality, either for immediate or future delivery, shall obtain a license based on a fee of $150.00; provided, further, that persons aged 65 or over who manually paint, sketch or draw on plain surfaces only in the vicinity of Jackson Square or in or on the perimeter of Edison Park and persons aged 65 or over who sell handmade artifacts on the public sidewalks shall be exempt from the tax levied by this part.

(2) This section does not apply to the following classes: Those persons making house-to-house or personal calls displaying samples and taking orders for shipment directly from the manufacturer; those persons making a business call or visit

upon the verbal or written invitation of the inhabitant of the premises; those persons, or their representatives, engaged in the business of selling at wholesale, from a fixed place of business in this state, to licensed retail dealers; and vendors, or their agents or vendors, or their agents or representatives, in the sale or delivery of petroleum products when drawn, conveyed, and distributed from a stock maintained at a warehouse, distributing station, or established place of business.

(3) Parochial and municipal officers shall require all peddlers to exhibit their occupational license. The license shall indicate thereon the motor vehicle license number. They shall seize the merchandise and any vehicle or other conveyance used by the peddler to peddle the same, if the peddler fails or refuses to exhibit his license. All property seized shall be turned over to a court of competent jurisdiction, to be sold according to law, to satisfy the license due and enforce the privilege therefor. The rights of the holder of a chattel mortgage note or any vehicle seized shall not be affected or prejudiced as a result of the seizure.

(4) Whoever shall sell goods, wares, and merchandise as a peddler without first obtaining the license herein required shall be guilty of a misdemeanor and upon conviction shall be fined not less than $300.00 or shall be imprisoned not more than 60 days, or both.

(5) All food pop-up vendors operating pursuant to division 5.4 of chapter 110 of this Code shall obtain a license based on a fee of $50.00.

Regulation 150-969(c). Peddlers and itinerant vendors.

(1) Business where licenses are based on flat fees.

(2) This section does not apply to those persons who make house to house or personal calls displaying samples and taking orders for shipments of goods directly from the manufacturer. It includes, but is not limited to those persons taking orders for cosmetics, food and food supplements and home decorating articles. In order for this section not to apply, the sales person must not have a fixed location within the taxing jurisdiction from which the orders are filled and must not provide immediate delivery of goods. The shipment of goods from the manufacturer must take place after the order is written, but may be shipped to either the sales person or the customer.

(d) *Mechanical or electronic amusement machines or devices*

(1) Every person engaged in the business of operating any coin-operated mechanical or electronic device shall pay a license fee of $15.00 for each such device; provided, however, that operators of coin-operated mechanical or electronic devices commonly known as flippers or video games or video draw poker devices shall pay a license fee of $50.00 for each such device.

Any machine or other device, on which taxes are imposed by this subsection (d), which shall be found in possession or custody or within the control of any person for the purpose of being operated or permitted to be operated without having a certificate of tax payment, or stamp or similar evidence of tax payment, issued by the collector, affixed or attached thereto, or prominently posted in the place in which the machine or device is located and near to such machine or device, may be sealed and immobilized by the collector or his agent in order to secure the same for a trial. The machine or device thus sealed or immobilized may not be removed from the premises except by order or judgment of a court of competent jurisdiction.

(2) The provisions of this subsection shall not apply in cases where the person

engaged in the business of operating such mechanical devices are operating same under a written contract with and are solely sponsored by a nonprofit corporation for the purpose of conducting a fair, festival, or trade show which has as one of its objectives the promotion of agricultural and agri-industrial products. For the purposes of this subsection, the term "nonprofit corporation" shall be construed to mean only a nonprofit corporation which:

a. Was organized under the provisions of Chapter 2 of Title 12 of the Louisiana Revised Statutes of 1950 prior to January 1, 1969; and,

b. Holds membership in good standing in an association organized for the purpose of promoting fairs, festivals, and trade shows in the state.

(3) For the purpose of this subsection, a "coin-operated mechanical amusement device" is any machine or device operated by depositing a coin, token, slug, or similar object for the placing of the device in readiness of play. This definition includes, but is not limited to the following devices: Video draw poker devices, video games, merry-go-rounds, mechanical hobby horses, juke boxes, pool tables, domino tables, bowling alleys, blood pressure monitors, and pulse rate monitors.

(4) All such mechanical amusement devices subject to tax under this subsection and which do not return to the operator or player thereof anything but free additional games or plays or, through the exercise of the skill of the operator or player, a merchandise prize, shall not be deemed to be classed as gambling devices, and neither this section nor any other section shall be construed to prohibit same. Payment of the tax imposed by this subsection shall not be held to legalize the operation of any machine or device defined herein which is prohibited by law. This subsection shall not be held to repeal any provisions of any ordinance prohibiting the operation, possession, or use of any such machine or device.

(e) *Evidence of payment.* The payment of the taxes levied by this section shall be evidenced by a certificate of tax payment, or a stamp, or similar evidence of tax payment, which shall be issued by the collector. The tax payment shall be on such form as prescribed by the collector and shall include the name, address, and telephone number of the owner of such machine or other device. The certificate of payment shall be securely affixed or attached to each machine or other device with respect to which a tax has been paid, or if such certificate cannot be affixed, shall be prominently posted in the place in which the machine or device is located and near to such machine or device. If a machine or device is replaced by another, such other machine or device shall not be considered an additional device service. Certificates of tax payment or stamps are not transferable from one taxing jurisdiction to another.

(f) *Forfeitures.*

(1) Any machine or other device, on which taxes are imposed by subsection (d), which shall be found in possession or custody or within the control of any person for the purpose of being operated or permitted to be operated without having a certificate of tax payment, or a stamp or similar evidence of tax payment, issued by the collector, affixed or attached thereto, or prominently posted in the place in which the machine or device is located and near to such machine or device, may be seized by the collector of revenue, or his agent, in order to secure the same for trial, and the same shall be forfeited to the collector. The collector or his agent making the seizure shall appraise the value of the machine or other device according to his best judgment and shall deliver to the person, association of persons, firm or corporation if any, found in possession of the machine or other device, a receipt showing the fact of seizure stating from whom seized, the place of seizure, and description of the machine or the device,

and appraised value and a duplicate of said receipt shall be filed in the office of the collector and shall be open to public inspection.

(2) a. The proceeding to enforce such forfeiture shall be by rule and be in the nature of a proceeding in a court of competent jurisdiction where such seizure is made. The proceeding shall be filed by the collector, or his assistant or attorney on behalf of the municipality or parish, and the same shall be summary, and it may be tried out of term time and in chambers, and shall always be tried by preference. Whenever the petition for rule shall be sworn to by the collector of revenue, or his assistant or his attorney, that the facts contained in said petition are true, and accompanied with a duplicate copy of notice of the seizure, the same shall constitute a prima facie case, but may be rebutted by the defendant.

b. The proceeding shall be directed against the person operating or permitting the operation of the article seized, demanding the forfeiture and sale of said property, as a penalty for the violation of this section. Service of said proceeding shall be made upon the persons operating or permitting the operation of the articles seized, demanding the forfeiture and sale of said property, as a penalty for the violation of this section. Service of said proceeding shall be made upon the person operating or permitting the operation of the seized articles if he is a resident of this state, or his residence is known to the plaintiff in rule. In all cases where it is made to appear by affidavit that the residence of the person operating or permitting the operation of the seized articles is out of the state or is unknown to the collector or his assistants or his attorney, an attorney-at-law shall be appointed by the courts, which has jurisdiction of the proceedings, to represent the said person operating and permitting the operations, against whom the said rule shall be tried contradictorily within ten days from the date of the filing of same. The said affidavit may be made by the collector, or one of his assistants, or by the attorney representing the collector, if it be not convenient to obtain the affidavit of the collector. The attorney so appointed to represent the person operating or permitting the operation of the seized articles may waive service and citation of the petition or rule, but he shall not waive time nor any legal defense.

c. Upon the trial of said proceedings if it is established by satisfactory proof that with respect to the articles under seizure that this section has been violated in any respect, then the court shall render judgment accordingly, maintaining the seizure, declaring the forfeiture of said seized property other than cash after ten days notice of advertisement at least twice in the official parish where the seizure is made of the machine or other device, in the parish of Orleans by the civil sheriff at public auctions; it being the intent and purpose of this proceeding to afford the person operating or permitting the operation of said seized article a fair opportunity of hearing in a court of competent jurisdiction. It is further the intent and purpose of this proceeding that the forfeiture and sale of said seized property shall be and operate as a penalty for the violation of this section as aforesaid, and payment of the tax due on said seized articles at the moment of seizure or thereafter shall not operate to prevent, abate, or

discontinue, or defeat the said forfeiture and sale of said property. The court may fix the fee of the attorney appointed by the court to represent the owner of the seized articles at a nominal sum to be taxed as costs and to be paid out of the proceeds of the sale of said property.

(3) In cases where, in the opinion of the trial judge, the value of the seized machine or other device is so small as not to justify the expense of advertising and selling at public auction the seized commodities as hereinabove provided, the court may in any such case, in rendering judgment maintaining the seizure and declaring the forfeiture of the seized property, direct that the seized property be sold by the collector at private sale, without advertisement, but shall direct that the seized property be not thus sold for a price less than a minimum figure to be fixed by the court in its judgment.

(4) Forfeiture of the machine or the other device and its contents to the collector, as herein provided, shall not prevent any action by the collector to recover from the persons liable any taxes incurred.

(g) *Professional sports.*

(1) For each person owning or operating a business known as "professional sports" in which individual participants are paid for their services as members of a team, a license based on a flat fee of $1,000.00 shall be required. By way of extension and not of limitation, the business of "professional sports" shall include football, basketball, and baseball games.

(2) For each person sponsoring or promoting professional wrestling and boxing contests or competitions in which individual competitors receive a percentage of gross receipts, a license based on a flat fee of $100.00 shall be required. Sporting events that are provided for by special laws are exempt under this section.

(h) *Circuses, concerts, carnivals, and special events.* For each person operating a circus, carnival, or other traveling show, and for each person or organization sponsoring a concert or other special event, including but not limited to gun shows, arts and crafts fairs, and antique shows, a license based on a flat fee of $250.00, or $125.00 if the sponsoring person or organization is a nonprofit, shall be required. This license shall be issued by the city and shall be good for a period of ten days. These fees shall be nonrefundable and shall not be waived. For purposes of this section, the term "nonprofit" shall mean an organization that is exempt from federal income tax under Section 501(c) of the Internal Revenue Code, is a Louisiana nonprofit corporation in good standing with an Employer Identification Number issued by the Internal Revenue Service, or is a school operated by the Orleans Parish School Board or Recovery School District.

(i) *Hotels, motels, rooming houses, boarding houses, and nursing homes.* Any person operating a hotel, motel, rooming house, boarding house, or nursing home shall pay an annual license tax of $2.00 for each sleeping room contained in it; provided that any person operating a nursing home shall pay, in lieu of the additional license tax required of hotels in section 150-955, a license tax in accordance with the provisions of section 150-963 based on one-third of the total gross receipts of the nursing home. For the purposes of this section, "hotel" means and includes any establishment or person engaged in the business of furnishing sleeping rooms, cottages, or cabins to transient guests, where such establishment consist of sleeping rooms, cottages, or cabins at any of the following: (1) a single business location; (2) a residential location, including but not limited to a house, apartment, condominium, camp, cabin, or other building structure used as a residence. This shall not include accommodations provided on an occasional basis but not more than three times in a calendar year by a person participating in a fund-raising program conducted by a nonprofit organization provided that payment for the accommodation shall be made to the sponsoring nonprofit organization and that payment to the individual providing the accommodation, if any, shall be

limited to reimbursement for direct expenses. For the purposes of this section, a nonprofit organization shall be one organized as a nonprofit corporation under the laws of the state or tax exempt under Section 501C of the Internal Revenue Code.

(j) *All other businesses.* For all businesses not otherwise covered by or specifically exempted under this article, including, but not limited, to printers, lithographers, attorneys-at-law, accountants, oculists, physicians, osteopaths, dentists, chiropodists, bacteriologists, veterinarians, chemists, architects, and civil, mechanical, chemical, or electrical engineers engaged in the practice of their profession as an individual, or as a firm, partnership, or corporation, the license shall be 0.10 percent of the annual gross receipts for professional fees for services rendered by the taxpayer, with a minimum tax of $50.00 and a maximum tax of $2,000.00. The tax levied herein shall be levied only on the business and not separately on any individual who is employed by or is a member of the taxpayer which conducts its business as a firm, partnership, or corporation.

(Code 1956, § 70-18; Ord. No. 19,937, § I, 12-1-00; M.C.S., Ord. No. 26972, § 1, 7-14-16; M.C.S., Ord. No. 27266, § 1, 1-26-17; M.C.S., Ord. No. 29188, § 3, 10-6-22)

State law reference—Similar provisions, R.S. 47:359.

Sec. 150-970. Exemptions.

(a) *Blind persons and their widows or orphans.* License taxes levied by this article shall not apply to blind persons, who are exempted from license taxes by R.S. 46:371 through 46:373. The exemption provided by this subpart shall apply only where the business is conducted by any blind person exclusively for his own support or the support of his family.

(b) *Artists and craftsmen.* Any occupational license tax imposed on retail dealers not having a fixed place of business shall not apply to state artists and craftsmen who display their own original art and handicraft for sale at functions sponsored by nonprofit organizations.

(c) *Nonprofit organizations.*

(1) The occupational license tax required by this article shall not apply to those qualified nonprofit organizations which are exempt from the collection of sales and use taxes under the provisions of R.S. 47:305.14 or from the payment of federal income taxes under the applicable provisions of the Internal Revenue Code.

(2) This subsection shall not be construed to exempt museums, menageries, circuses, or other traveling shows from the license required by section 150-969(h).

Regulation 150-970(c)(1). Nonprofit organizations.

Any organization which has been organized for bona fide nonprofit purposes (including political subdivisions of the State of Louisiana) shall be deemed to be exempt from the occupational license tax imposed by chapter 150, article VII of the Code of the City of New Orleans. Any corporation organized pursuant to the provisions of the Louisiana Nonprofit Corporation Law, Louisiana R.S. 12:201, et seq., shall be presumed to be exempt from such tax.

(d) *Wholesale dealers in certain alcoholic beverages.* There shall be no license tax imposed, assessed, or collected under the provisions of this article on any person engaged in the business of selling at wholesale, malt, vinous, spirituous, alcoholic, or intoxicating liquor containing more than six percentum of alcohol by volume, and beer, porter, ale, fruit juices, and wine containing more than one-half percentum of alcohol by volume.

(e) *Other exempted businesses.* Banks, homestead and building and loan associations, editors, over-the-air broadcasters, as defined by Federal Communications Commission, publishers, clerks, laborers, ministers of religion, school teachers, graduated trained nurses, those engaged in agricultural or horticultural pursuits, those operating saw-mills, and corporations organized and operated for the purpose of lending money to farmers for production purposes, the stock of

which is owned by farmer members and employees of such corporations, shall be exempted from any provisions of this article.

(f) *Manufacturers.* Manufacturers shall be exempted from any provisions of this article; however, manufacturers who sell their manufactured articles at retail shall be subject to the payment of a license tax on such retail sales as fixed by this article.

(g) *Disabled persons.* There shall be no license tax imposed, assessed, or collected under the provisions of this article on any person who is disabled to the extent that he is home-bound, confined to a bed or wheelchair, requires the aid and attendance of another person, and is unable to enter the normal work force.

(Code 1956, § 70-19; Ord. No. 19,937, § I, 12-1-00; M.C.S., Ord. No. 27266, § 1, 1-26-17)

State law reference—Similar provisions, R.S. 47:360.

Sec. 150-971. Deductions.

(a) *Petroleum taxes.* In calculating the gross sales at retail gasoline filling and service stations or at bulk or distributing plants engaged in the storage and sale of petroleum products, the taxpayer shall exclude therefrom the part of the purchase price paid by him for gasoline and motor fuels or lubrication oils as shall equal the manufacturer's or dealer's license, privilege, or excise tax levied by federal or state statutes on the manufacturing, handling, storing, selling, or consuming of gasoline, motor fuels, or lubricating oils.

(b) *Undertaking and funeral directing.* The term "gross annual receipts", as used in this article, shall cover all of the receipts of the person carrying on the business of undertaking and funeral directing, except that deduction shall be allowed for collections made by one undertaker and funeral director, for the account of another undertaker and funeral director, as shown by the books of both parties at interest.

(c) *Stocks and bonds; interstate sales.* In determining the amount of gross annual commissions and brokerage to be subject to the tax, each commission business operating on exchanges located outside the state shall deduct therefrom 40 percent in the case of purchases and sale of stocks and bonds consummated on exchanges located outside the state and 55 percent of purchases and sales of commodities consummated on exchanges located outside the state.

(d) *Retail or wholesale sales of motor vehicles and boats.* In determining the amount of gross sales and receipts to be subject to the tax for retail or wholesale dealers in motor vehicles, automobiles, motor trucks, motor buses, motorcycles, motor bicycles, motor scooters, motor tractors, motor-propelled road machinery farm implements, and equipment designed for use with tractors and other motor-propelled equipment, trailers, semitrailers, aircraft, or other motor-propelled land vehicles, and pleasure or commercial boats, the license shall be computed on the total gross sales from all sales, including, but not limited to, sales of parts and accessories, receipts from repair shops, and sales and rental of motor vehicles; however, the gross sales and receipts of the above listed dealers shall not exceed $700,000.00.

(e) *Architects.* In calculating the "annual gross receipts for professional fees for services rendered" in the practice of architecture, the taxpayer shall exclude and deduct therefrom all fees owed and/or paid by the taxpayer to any independent consultant or subconsultant, hired by the taxpayer to perform part of work undertaken by the architect provided, however, that such consultant or subconsultant has paid an occupational license tax levied by an ordinance authorized by R.S. 47:341 et seq. Such independent consultants shall include, but not be limited to, other architects, professional engineers, interior designers or decorators, lighting, optical or acoustical experts, independent estimators, building specialty consultants, landscape architects, and surveyors.

(f) *Engineers.* In calculating the "annual gross receipts for professional fees for services rendered" in the practice of engineering, the taxpayer shall exclude and deduct therefrom all fees owed and/or paid by the taxpayer to any independent consultant or subconsultant, hired by the taxpayer to perform part of work undertaken by the engineer provided, however, that such consultant

or subconsultant has paid an occupational license tax levied by an ordinance authorized by R.S. 47:341 et seq.
(Code 1956, § 70-20; Ord. No. 19,937, § I, 12-1-00)

State law reference—Similar provisions, R.S. 47:361.

Sec. 150-972. Special provisions.

(a) The maximum license tax paid by licensed contractors shall not exceed $750.00 and shall be in compliance with R.S. 47:362.

(b) The tax shall be computed on the basis of the schedule contained in this article according to the physical location of each place of business without regard to the location where the actual sale takes place or where a product or service is delivered or performed.

(c) For lessors with a place of business in this state, the tax shall be computed on the basis of the schedule contained in this article according to the physical location of such business without regard to the location where the leased property is situated within this state.

(d) A person engaged in the business of operating a railroad for the transportation of freight or passengers shall be deemed to be carrying on but one business, and to have only one place of business which shall be the place where the general office within the state as designated by such person is located.

(e) Nothing in this article is intended to levy a tax on those receipts subject to the tax under the provisions of R.S. 22:1076, which shall be provided for in article X of this chapter.

(f) Under the provisions of this article, no occupational license tax totaling more than $50.00 levied against a small business will increase more than 25 percent in the first year over the occupational license tax it paid under the schedules or classifications used in 1985. Small business shall be defined as any person who employs 15 full-time persons or less per business establishment and which has $2,000,000.00 or less in gross annual sales or receipts. Any person not paying an occupational license tax in 1985 shall pay according to the appropriate schedule or classification in this article.

ARTICLE VIII. HOTEL OCCUPANCY PRIVILEGE TAX*

Sec. 150-1001. Reserved.

Editor's note—M.C.S., Ord. No. 23817, § 1, adopted Dec. 1, 2009, repealed § 150-1001, which pertained to definitions and derived from Code 1956, § 63B-2.

Sec. 150-1002. Tax levied.

There is hereby levied a tax upon persons for the privilege of occupying hotel rooms within the parish which shall be known as the hotel occupancy privilege tax. The tax shall only be due by the person or persons who pay for the room and shall be levied on the basis of hotel guest room capacity, in accordance with the following schedule and in accordance with the following rates:

Hotel Guest Room Capacity	*Amount of Tax Per 24-Hour Period*
300 or more	$1.00
1 to 299	0.50

Sec. 150-1003. Effective date; repeal under certain circumstances.

(a) This article shall become effective on November 1, 1990.

(b) The imposition and collection of the hotel occupancy privilege tax shall be repealed and discontinued upon the occurrence of any of the following events:

(1) The dissolution or liquidation of the New Orleans Tourism and Cultural Fund as a duly authorized nonprofit corporation; or

(2) The specific decertification of the New Orleans Tourism and Cultural Fund as a nonprofit economic development corporation by the city council.

(c) If the hotel occupancy privilege tax is repealed as provided in subsection (b) of this section, the tax imposed by this article shall not be levied or due the remainder of the year in which it is repealed or for any subsequent year.
(Code 1956, § 63B-12; M.C.S., Ord. No. 28340, § 1, 5-7-20)

Sec. 150-1004. Tourist and convention promotion fund.

(a) In accordance with the provisions of section 6-215 of the Charter, the mayor is authorized to create the New Orleans Tourist and Convention Promotion and Support Fund (the fund) into which fund the revenues from the base funding and the net proceeds of the special hotel occupancy privilege tax imposed pursuant to M.C.S. Ordinance Number 14,138 shall be placed.

(b) The base funding and the net revenues from the special hotel occupancy privilege tax shall be placed in this fund. Net revenues to be paid into the fund as provided herein shall be all gross revenues received by the city from the hotel occupancy privilege tax less costs actually incurred by the city relative to the imposition and collection of the tax or for management or financial audits or reviews related to the tax or the fund or expenditures from the fund or the New Orleans Tourism and Cultural Fund.

(c) The fund hereby established shall be kept in an interest-bearing account with interest earnings thereon to become a part of the fund and shall be administered by the director of the department of finance pursuant to a tourism and cultural economy program approved by the city as provided in section 150-1005.

(d) Revenues placed into the fund may only be used to pay the New Orleans Tourism and Cultural Fund for services provided under a cooperative endeavor agreement or other duly authorized contract with the city, which contract shall incorporate the provisions of the most recent tourism and cultural economy program which has become final and conclusive according to the process established by section 150-1005 and the provisions of the economic development plan of the New Orleans Tourism and Cultural Fund, as required by La. R.S. 33:9020 et seq.

(e) This fund shall be included in the annual audit by the city's independent certified public accountants, and an examination of the accounts and operations of the New Orleans Tourism and Cultural Fund shall be included in the city's annual audit.
(Code 1956, § 63B-3; M.C.S., Ord. No. 28340, § 1, 5-7-20)

Sec. 150-1005. Tourism and cultural economy program.

(a) The New Orleans Tourism and Cultural Fund approved for formation, incorporation and operations as a nonprofit economic development corporation by Ordinance Number 14,118 M.C.S., as amended by Ordinance Number ____ M.C.S., shall annually submit to the mayor and to the city council, in conjunction with the city's operating budget, a detailed tourism and cultural economy program (hereinafter the program) which shall be in addition to and distinct from the submission of a plan as required by La. R.S. 33:9020 et seq. Each annual program shall be consistent with, and in furtherance of, the economic development plan approved by the city council in accordance with the Cooperative Economic Development Law. The program shall set forth the proposed allocations and uses of the fund for the upcoming fiscal year and shall

include information relative to anticipated tax revenues, funds from all other sources, investments, reserves, and any fund balance from prior years. The program shall specify the proposed activities and expenditure allocations of the corporation, as well as information regarding the prior year's expenditures and progress toward the prior year's proposed activities. The city council shall receive, review and consider the program together with such written comments and recommendations as the mayor may provide. Submission of the program and consideration of the program shall be in accordance with the schedule established for submission and consideration of the city's annual budget.

(b) The city council may by a majority vote of its members adopt or reject an ordinance setting forth the recommended program as originally submitted by the corporation, or it may alter or modify the program or any portion or detail thereof but only by a majority vote of all of its members. If the program as originally submitted by the corporation is adopted by the majority vote of the city council, it shall become final and conclusive and may thereafter be implemented. If, however, the city council alters or modifies the program by a majority vote of its members, the program as so altered or modified shall be resubmitted to the corporation for its concurrence or rejection. The corporation may concur in such modified program by a majority vote of all of its board members. If the corporation so votes to concur in the program as modified by the city council, the program shall become final and conclusive and may thereafter be implemented. If, however, the corporation does not concur in the program as modified by the city council, it shall notify the city council in writing of its actions. The corporation may then submit one or more alternate programs to the council which must be submitted serially for its adoption, modification or rejection in the same manner as provided above until such time as a program is adopted by the council and has become final and conclusive. The director of the department of finance shall not approve any expenditure from the New Orleans Tourist and Convention Promotion and Support Fund until a tourism and cultural economy program has become final and conclusive in the manner set forth hereinabove. Following the implementation of the program, the corporation may, if it deems necessary, propose an amendment to the program to the city council but only if the decision to propose such amendment is adopted by a vote of not less than two-thirds of the board members of the corporation, and no such amendment shall become effective until adopted by the council.
(Code 1956, § 63B-4; M.C.S., Ord. No. 28340, § 1, 5-7-20)

Sec. 150-1006. When due and payable.

The tax levied by this article shall be due and payable at the time when the guest pays for the occupancy of the hotel room. The hotel operator is hereby charged with the duty and obligation to collect and remit the tax to the department of finance.
(Code 1956, § 63B-5)

Sec. 150-1007. Collection by hotel operator.

The tax authorized in this article shall not be assumed by the hotel operator, and it shall be mandatory on the hotel operator to collect such tax from the guest for remittance to the department of finance of the city.
(Code 1956, § 63B-6)

Sec. 150-1008. Collection of excess tax prohibited.

Whoever advertises or collects in the guise of a hotel occupancy privilege tax a sum in excess of the tax actually due is guilty of a misdemeanor.
(Code 1956, § 63B-7)

Sec. 150-1009. Report and remittance.

Every hotel operator subject to the terms of this article shall make reports of the previous month's business on or before the 20th day of the following month. However, whenever the taxes due hereunder from a hotel operator average less than $100.00 per month and the hotel operator's annual gross sales are less than $250,000.00, the taxes hereunder shall be due and payable quarterly by the hotel operator, and the return required from the hotel operator for the quarter

shall be filed on or before the 20th day of the first month of the next succeeding quarter. Any hotel operator who is required to file tax returns on a quarterly basis, as provided above, may file his returns and pay the tax on a monthly basis after first having received written approval from the director to do so. Application to file monthly must be furnished to the director in writing and will set forth complete justification for the shorter reporting period. Such reports, whether filed monthly or quarterly, must be accompanied by a certified check, post-office or express money order or cash for the amount of tax due as indicated by the report. The daily, monthly or quarterly report rendered to the department of finance shall be on forms prescribed by the department and shall be signed by the person or hotel operator remitting the tax or his duly authorized representative. Such signature shall constitute a warranty on the part of the hotel operator and the person signing the report that he has read and examined it and that, to the best of his knowledge and belief, the statement and figures therein contained are true, correct and complete.
(Code 1956, § 63B-8; M.C.S., Ord. No. 17,094, § 1, 6-15-95)

Sec. 150-1010. Inspections.

In order that the department of finance may have additional means of checking and verifying the accuracy of such reports, all the records, books and other documents of hotel operators and those making such reports as required by the preceding section shall be open for inspection by the department of finance agent at all reasonable hours for a period of four years commencing with the calendar year in which the tax becomes due and continuing for a period of the three subsequent consecutive calendar years thereafter.
(Code 1956, § 63B-9)

Sec. 150-1011. Penalties—Civil.

To further enforce the collection of the taxes due under this article independent of and in addition to the enforcement of the criminal penalties herein provided for under this section, the department of finance and/or the department of law are hereby vested with authority, on motion in court of competent jurisdiction, to invoke and include in a rule or summary proceeding against a hotel operator and/or the person responsible for the remittance of the tax requiring them to show cause in not less than two nor more than ten days after service thereof, exclusive of holidays, which matter may be tried out of term and in chambers, and shall always be tried by preference, when such hotel operator should not be enjoined and restrained from further pursuit of the business; and in case such rule is made absolute, the order thereon rendered shall be considered a judgment in favor of the city prohibiting, restraining and enjoining such hotel operator from further pursuit of the business until such time as he has paid the delinquent tax, penalties, interest, attorney's fees and costs due; and every violation of the injunction shall be considered as a contempt of court and punishable as such according to law.
(Code 1956, § 63B-10)

Sec. 150-1012. Same—Criminal.

If any tax due under this article is not collected and remitted within the time prescribed herein, it shall become delinquent, and the hotel operator, in addition to being liable for the tax due plus interest, shall be subject to a penalty of:

(1) Twenty percent of the amount of the tax and interest when the hotel guest room capacity is nine or less, or

(2) Twenty percent on the amount of the tax and interest or $500.00, whichever is greater, when the hotel guest room capacity is ten or more.

Further, the hotel operator shall be liable for ten percent of the attorney's fees on the tax, interest, and penalty in all cases wherein an attorney is required to assist in the collection. Any person signing and filing a daily or monthly report subsequently found to be grossly incorrect, false, fraudulent, or in violation of any of the other provisions of this article, shall be, upon conviction, guilty of a misdemeanor.
(Code 1956, § 63B-11; M.C.S., Ord. No. 25126, § 2, 12-20-12)

ARTICLE IX. CHAIN STORE TAX*

Sec. 150-1056. Imposition of tax.

Because of the advantages accruing from the operation of multiple stores wherever situated and of the basic difference inherent in such character of operations, there is hereby levied an annual license tax for the year 1976 and for each subsequent year upon each person engaged in the business of operating, or maintaining as part of a group or chain, any store or stores in this city where goods, wares, merchandise or commodities of every description whatsoever are sold or offered for sale at retail under the same general management, supervision, ownership and/or control, commonly known as branch or chain stores. The license tax herein prescribed shall be in addition to ad valorem taxes and any other licenses and/or taxes prescribed or authorized under the laws of the city.
(Code 1956, § 69-1)

Sec. 150-1057. Basis and rates of tax.

The license tax for the business described in this article, levied upon the stores operated in the city, shall be based on the number of stores or mercantile establishments included under the same general management, supervision, ownership or control, whether operated in the city or not; and whether within the state or not; and shall be fixed and graded as follows:

(1) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of not more than ten stores, the annual license shall be $10.00 for each store operated in this city.

(2) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than ten stores, but not more than 35 stores, the annual license shall be $15.00 for each such store operated in this city.

(3) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 35 stores but not more than 50 stores, the annual license shall be $20.00 for each such store operated in this city.

(4) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 50 stores but not more than 75 stores, the annual license shall be $25.00 for each such store operated in this city.

(5) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 75 stores but not more than 100 stores, the annual license shall be $30.00 for each such store operated in this city.

(6) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 100 stores but not more than 125 stores, the annual license shall be $50.00 for each such store operated in this city.

(7) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 125 stores but not more than 150 stores, the annual license shall be $100.00 for each such store operated in this city.

(8) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 150 stores but not more than 175 stores, the annual license shall be $150.00 for each such store operated in this city.

(9) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 175 stores but not more than 200 stores, the annual license shall be $200.00 for each such store operated in this city.

(10) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 200 stores, but not more than 225 stores, the annual license shall be $250.00 for each such store operated in this city.

(11) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 225 stores but not more than 250 stores, the annual license shall be $300.00 for each such store operated in this city.

(12) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 250 stores but not more than 275 stores, the annual license shall be $350.00 for each such store operated in this city.

(13) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 275 stores but not more than 300 stores, the annual license shall be $400.00 for each such store operated in this city.

(14) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 300 stores but not more than 400 stores, the annual license shall be $450.00 for each such store operated in this city.

(15) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 400 stores but not more than 500 stores, the annual license shall be $500.00 for each such store operated in this city.

(16) Upon stores or mercantile establishments operated in this city and belonging to a chain or group having a total of more than 500 stores, the annual license shall be $550.00 for each such store operated in this city.

(Code 1956, § 69-2)

Sec. 150-1058. Newly opened stores.

The tax bases and rates set forth in section 150-1057 shall apply with respect to stores in existence on January 1 of each year. The tax rate applicable to stores opened in the city after January 1 of any year shall be based on a determination made as though the newly opened store or stores had existed on the preceding January 1. If a store is opened in the city after June 30 of any year, the rate applicable to such store for the first year shall be one-half of the rate determined as hereinabove provided.

(Code 1956, § 69-3)

Sec. 150-1059. Reports.

Every person engaged in the business under this article and doing business in this city shall, on or before February 1 of each year, render to the collector a report signed and sworn to by the person in interest, or his duly authorized agent or officer, containing a true and complete statement showing the number of stores or mercantile establishments operated or maintained in this city on the preceding January 1, the name, location and street address of each such store or mercantile establishment, and containing such other information as the collector may require. When additional stores are opened during the year, the operator shall file a supplemental report disclosing the aforementioned information with respect to each such newly opened store, within 30 days after the date of opening.

(Code 1956, § 69-4)

Sec. 150-1060. Payment of tax; issuance of license; penalties and interest.

(a) The license taxes under this article with respect to stores in existence on January 1 of each year shall be payable to the collector of revenue before February 1 of each year and shall accompany the report described in section 150-1059, and with respect to newly opened stores shall be paid within 30 days after the respective stores are opened.

(b) If the amount of tax due by any person under this article is not paid on or before the date prescribed for its payment, there shall be collected, with such tax, interest at the rate of 12 percent per annum from the due date until paid.

(c) If the term for which interest is to be charged exceeds four years, the rate of interest for the period beyond four years shall be reduced to six percent per annum, and in addition to the interest that may be so due, there shall also be collected a penalty of five percent of the tax if the failure is for not more than 30 days, with an additional five percent for each additional 30 days or fraction thereof during which the failure continues not to

exceed 25 percent of the tax on the aggregate and, upon suit attorneys' fees, at the rate of ten percent on the aggregate amount of tax, interest and penalty.

(d) All penalties and interest imposed by this article shall be payable to and recoverable by the director in the same manner as if they were part of the tax imposed.

(e) If the failure to pay any tax when due is explained to the satisfaction of the director, he may remit or waive payment of the whole or any part of any such penalty and/or interest.

(f) If any person shall fail to make return or report, as required by this article, the director, within three years from December 31 of the year in which such return or report was required to be filed under this article may make an estimate of the amount of taxes such person is liable to pay under the terms of this article, from any information he is able conveniently to obtain, and, according to such estimate so made by him, assess the taxes, fees, penalties and interest due this city from such person, give notice of such assessment to such person, and make demand upon him for payment.

(g) A separate license shall be issued for each store operated or maintained by the licensee, and it shall be the duty of the licensee to post the license in a conspicuous place in each store.
(Code 1956, § 69-5)

Sec. 150-1061. Violations.

Any person violating any of the provisions of this article, shall be fined not more than $100.00 nor less than $50.00, or imprisoned for not more than 90 days nor less than 60 days, or both.
(Code 1956, § 69-6)

Secs. 150-1062—150-1100. Reserved.

ARTICLE X. INSURANCE TAX*

Sec. 150-1101. Annual levy.

There is hereby levied an annual license tax for the calendar year 1957 and for each and every calendar year thereafter on each company, society, association, corporation, firm or individual engaged in the business of issuing life, accident or health insurance policies or other forms of contracts or obligations covering such risks, or issuing endowment or annuity policies, or contract obligations in consideration of the payment of a premium or other consideration for the issuance of such policies, contracts or obligations, whether such insurance company, society, association, corporation, firm or individual is domiciled in this state or city or operating through an agent or other representative or otherwise; such annual license tax is based on the gross amount of annual premium on all such risks located in this city as herein fixed and graded as follows:

(1) On any company, society, association, corporation, firm or individual engaged in the business of issuing life, accident or health insurance policies or other forms of contracts or obligations covering such risks, or issuing endowment or annuity policies or contracts, or other similar form of contract obligations in consideration of the payment of a premium or other consideration for the issuance of such policies, contracts, or obligations, whether such insurance company, society, association, corporation, firm or individual be domiciled in this state or city or operating through an agent or other representative, or otherwise, not more than $10.00 on gross annual premiums up to $2,000.00 and the additional license thereafter shall not be more than $70.00 on each $10,000.00 or fraction thereof of gross annual premiums in excess of $2,000.00. Provided that the maximum license on such business payable to the city by any one company, society, association, corporation, firm or individual, shall not exceed $21,000.00.

(2) On any company, society, association, corporation, firm or individual engaged in the business of issuing policies, contracts, or other forms of obligation covering the risks of fire, or marine, or river insurance, or surety, or fidelity, or indemnity, of guaranty, or workmen's compensation or employers' liability or property damage, or

livestock, or tornado, or automobile, or automatic sprinkler, or burglary or insurance business of any kind whatsoever in this state, whether such insurance company, society, association, corporation, firm or individual, is domiciled in this state or operating through agents or other representatives or otherwise, not more than the following:

a. *First class.* On premiums of less than $2,000.00 the license fee shall be based on two percent of gross receipts, provided that no license shall be issued for less than $5.00, nor shall exceed $40.00.

b. *Second class.* On premiums in excess of $2,000.00 and not exceeding $4,000.00, the license fee shall be $60.00.

c. *Third class.* On premiums in excess of $4,000.00 and not exceeding $6,000.00, the license fee shall be $80.00.

The license fee shall be $70.00 additional for each $10,000.00 or fraction thereof of gross annual premiums in excess of $6,000.00.

(Code 1956, § 70-22)

State law reference—Imposition of tax, R.S. 22:1061.

Sec. 150-1102. Maximum tax.

The maximum license tax on such businesses, payable to the city by any company, society, association, corporation, firm or individual shall not exceed $9,000.00. Provided that plateglass and steam boiler inspection companies, societies, associations, corporations, firms or individuals, shall pay only one-third of the rates provided in this section; provided, further, that the amount of license fee payable to the city as fixed in subsections 150-1101(1) and (2), shall be one-third of the amount so fixed if the payer shall file a sworn statement with the annual report required by this article, showing that at least one-sixth of the total admitted assets of the payer is invested and maintained either in bonds of this state, or in bonds of municipal, school, road or levee district, or other political subdivisions of this state, or in mortgages on property located in this state, or in policy loans, or other loans to residents of this state, or to corporations organized under the laws of this state, and domiciled in this state, or in stock of homesteads, building or loan association organized and operating under the laws of this state, to the extent such stock is guaranteed or insured by the Federal Deposit Insurance Corporation or other federal or state agency.

(Code 1956, § 70-22)

Sec. 150-1103. Basis for tax.

(a) The annual premiums above referred to shall be the gross amount of premiums on risks located in the city for the preceding year without any deductions for dividends paid or otherwise credited to policy holders.

(b) If the company, society, association, corporation, firm or individual is new, then the premiums for the first two months shall be the basis of the license tax, and six times that amount shall be estimated as the gross amount of premiums of such business; provided that any company, society, association, corporation, firm or individual commencing business after July 1, shall pay one-half of the license taxes graded as above, but the license shall never be less than the minimum above provided.

(Code 1956, § 70-22)

Sec. 150-1104. Annual report.

Each company, society, association, corporation, firm, partnership, or individual coming under this article, shall, before the first day of June of each year, render to the director of the department of finance a report signed by its president and its secretary, or if an alien insurer, by its United States resident manager, or other officer in charge of its affairs in the United States, which shall certify to the amount of gross annual premiums on risks located within this city for the preceding year. No credit shall be taken for reinsurance. The blanks for making such report shall be furnished by the director of the department of finance.

(Code 1956, § 70-22; Ord. No. 19,938, § I, 12-1-00)

State law reference—Similar provisions, R.S. 22:1070.

Sec. 150-1105. Payment of tax.

The full amount of license taxes levied under this article shall be paid to the director of the department of finance of the city before the first day of June of each year, and the director of the department of finance shall issue to the company, society, association, corporation, firm, partnership, or individual making the payment a license certificate on a printed or lithographed form, showing the amount of such payment and the license class under which such license is paid, which certificates shall be kept on display at the principal office or place of business in the city of such company, society, association, corporation, firm, partnership, or individual making such payment.
(Code 1956, § 70-22; Ord. No. 19,939, § I, 12-1-00)

Sec. 150-1106. Delinquency.

(a) In case of any failure to make a report or to make payment of the license tax in full as required by this article, before June first of any year in which the report or license tax is due, a penalty of five percent per month shall be added to the amount of tax due and payable to the director of the department of finance along with the tax due. The director of finance may waive the payment of the penalty if he finds that failure to pay was due to some unforeseen or unavoidable reason, other than mere neglect.

(1) The amount of any monetary penalty assessment pursuant to this section shall not be greater than 25 percent of the total amount of the tax due.

(2) When a payment is more than six months delinquent, the director of the department of finance may revoke the authority of the delinquent taxpayer and all of the taxpayer's agents to do business in this city.

(Code 1956, § 70-22; Ord. No. 19,940, § I, 12-1-00)

Sec. 150-1107. Investigation and enforcement by the director of the department of finance.

The director of the department of finance shall have authority to review and examine any sworn statements or accounts that may be rendered or furnished in pursuance of the provisions of this article; and the director of the department of finance shall have authority to demand and examine the books, statements, or accounts of any insurer from whom a license tax may be due and to take such proceedings before any court of competent jurisdiction by rule or otherwise, against any insurer from whom a license tax may be due as may be necessary to enforce a full and fair compliance with the provisions of this article.

ARTICLE XI. TRANSIENT OR FOREIGN BUSINESSES*

Sec. 150-1141. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Foreign or transient business means any person or entity transacting or engaging in any business or profession who does not have a place of business within a state local governmental subdivision which imposes an occupational license tax, but who, if such person or entity had a place of business in the parish, would be required to obtain a license and pay an occupational license tax under any other provision of this article.
(Code 1956, § 70-30(b))

Cross reference—Definitions generally, § 1-2.

Sec. 150-1142. License required, fee.

No transient or foreign business shall transact or engage in any business or profession in the parish unless and until the foreign business shall have obtained a special annual operating license, in lieu of an occupational license, from the department of finance. The fee paid for such a special annual operating license shall be in the same amount as the person or entity would pay if the same were required to obtain an occupational license, provided that only receipts attributable to

Secs. 150-1143—150-1190. Reserved.

ARTICLE XII. PARKING/BERTHING TAX*

Sec. 150-1191. Levy of tax.

A tax is hereby levied on the acquisition of the right or privilege of using immovable property for the purpose of parking or storage or berthing motor vehicles and watercraft. The tax shall be three percent of the value of the right to use the immovable property for each particular purpose, time, duration, and place, which value shall be determined by the price actually paid by the user or on his behalf, if such a price is paid, or as provided in section 150-1193, if not paid or to be paid. The tax imposed by this chapter, however, shall never be less than $0.01 for each occasion or period of use of a right to park, store, or berth. The tax imposed by this chapter shall not apply to parking, storing, or berthing of vehicles or watercraft engaged, at the time the tax would otherwise apply, in interstate or maritime commerce; nor shall the tax apply to parking, storing, or berthing of agricultural vehicles or the parking or storing or berthing of one or two vehicles or one or two watercraft as a right incident to the rental or use of the permanent dwelling of the person acquiring the right to park, store or berth. The tax levied by this chapter shall apply even when the right to such use acquired is contingent or subject to availability or is shared by two or more persons.
(Code 1956, § 56A-1)

*__Cross reference—__Businesses, ch. 30.

Sec. 150-1192. Payment of tax.

The parking tax levied by this article shall not be assumed by the owner or manager of the immovable property to be used for parking, storing, or berthing but shall be paid by the person who acquires, for a price, the right to park, store or berth vehicles or watercraft. The owner or manager of the immovable property shall collect the tax from the payer of the price and shall remit the same to the department of finance.
(Code 1956, § 56A-2)

Sec. 150-1193. Gratuitous parking.

(a) In the case of persons permitted to park or store motor vehicles or to berth watercraft free of charge, in any place at a time when and under circumstances in which a charge is made to other persons an equivalent tax shall be due, payable and collected based upon the lowest price due, payable and charged to such other persons for the same or similar parking, storing, or berthing, to be paid by the person charged with the duty to collect and remit the tax levied and imposed under this article. The person shall keep accurate books and records of all gratuitous parking, storage, or berthing and shall collect and remit the tax due as is the case when full payment is made. Each failure to collect the tax due on each and every separate transaction under this section shall be a separate offense and a misdemeanor. The provisions of this section shall apply only to cases where no sum of money has been paid by the person acquiring the right to park, store or berth, or by some other person on his behalf, but where economic benefit directly or indirectly inures to the benefit of the owner or operator of the immovable property for the privilege of parking or berthing and shall not apply to reduced rate parking, early-bird parking, or validated parking.

(b) For the purposes of this section, reduced-rate parking shall refer to a right to park, store, or berth acquired for a price less than the highest price charged to any other person for the same or similar parking, storage, or berthing in the same place, at the same time, and under substantially the same place and circumstances; early bird parking shall refer to a right to park, store, or berth where the price is discounted because the

person acquiring the right is required to commence parking, storing, or berthing before a certain time and continue parking, storing, or berthing without interruption until after another certain time; and validated parking shall mean a right to park, store, or berth paid for by a merchant or other person other than the person parking, storing, or berthing.
(Code 1956, § 56A-3)

Sec. 150-1194. Exemptions.

No tax shall be levied under this article with respect to any parking, storage and berthing at or on the premises of or at:

(1) Any church, provided that all the proceeds of any parking, storage or berthing transaction inure to the benefit of a religious institution.

(2) At any charitable benefit, provided that all the proceeds of the parking, storage or berthing transaction inure exclusively to the benefit of a charitable institution.

(3) A school or university with respect exclusively to parking, storage or berthing by the students, members of the faculty, or others directly affiliated with the activities of such school or university which charges a parking, storage, or berthing fee in connection with the activities of such school or university; nor shall any tax to be levied with respect to a school or university which acquires a right to park, store, or berth for a period of at least one month, vehicles or watercraft owned or operated by the school or university, its students, members of its faculty or others directly affiliated with the activities of such school or university, at or on the premises of immovable property not otherwise exempt by this article, and such school or university shall supply the owner or manager of the immovable property, at the time of each payment, with a copy forwarded to the department of finance, a certificate approved by the department indicating that the school is specifically exempt from the tax imposed and levied by this chapter; such certificate should be attached to the owner or manager's daily or monthly report to the department as required under the provisions of this article. It being the express intent of this provision to exclude schools and universities, their students, members of their faculties, or others directly affiliated with the activities of such school or university from the tax imposed and levied by this article.

(4) Any symphony, concert, opera, theatrical production or any other cultural event produced or staged by a nonprofit organization which has qualified for a tax exemption under section 501(c)(3) of Title 26 of the United States Code; provided that this exemption shall apply only to charges or payments, the proceeds of which inure solely to the benefit of such nonprofit organization.

(5) The taxpayer's place of employment, when gratuitous parking during working hours is provided to employees.

(6) At any public park-and-ride facility operated by a governmental agency or by a transit franchisee of the city, as a convenience to users of or as an adjunct to a mass transit system.

(7) Notwithstanding the above, if any part of the proceeds derived from any of the transactions exempt by the provisions of this section inure to the benefit of any promoter, producer, or any other individual connected with the event other than the public, religious, charitable, educational, or cultural organization itself, the exemptions granted by this section shall not apply to such part of such proceeds to which the promoter, producer or individual may be entitled or shall receive, but rather such exemptions shall apply, in all cases, solely to proceeds received directly by the public, religious, charitable, educational or cultural nonprofit organization.

(8) Any parking lot or other location open without charge to the public or to all of the patrons, customers, or invitees of the owner or operator.

(Code 1956, § 56A-4)

Sec. 150-1195. Campgrounds or travel parks.

For the purposes of this article, parking, storage or berthing motor vehicles and watercraft shall not include motor vehicles that are parked, stored or berthed at a campground or travel park which is a facility used primarily to provide overnight camping accommodations with ancillary facilities, such as showers, barbecue grills, water and/or electricity; provided that such ancillary services are actually used by the person then in control of the motor vehicle.

(Code 1956, § 56A-4.1)

Sec. 150-1196. Collection mandatory.

The tax imposed and levied by this article shall not be assumed by the payee of the price or the owner or operator of the immovable property and it shall be mandatory on the payee or the owner or operator of the immovable property, in a case where no price is paid to collect such tax from the

payer or the user, in the case where no price is paid for remittance to the department of finance.
(Code 1956, § 56A-5)

Sec. 150-1197. Permit required.

Every person engaged in any of the businesses described in this article is required to obtain from the city through the department of finance a permit to conduct such business. This permit shall issue of right and without charge and shall be continuous and shall remain in force and effect unless and until surrendered or revoked and such permits shall be revoked only for failure to collect and remit the tax within the time stipulated herein or after the holder has been convicted of violating any of the other provisions of this article, or has had judgment rendered against him in a civil action for violating any of the provisions of this article.
(Code 1956, § 56A-6)

Sec. 150-1198. Violations declared misdemeanor.

Any person who collects anything of value or advertises in the guise of a parking tax a sum in excess of the parking tax due shall, upon conviction, be guilty of a misdemeanor.
(Code 1956, § 56A-7)

Sec. 150-1199. When due; reports and remittances.

(a) The taxpayer shall pay the tax not later than the last hour or day of any period of parking, storing, or berthing for which a tax is due, to the person as the owner or operator of the immovable property charged with the duty to collect the tax under this article, who shall be deemed the dealer and who shall, subject to his fiduciary duty to the city, segregate the tax funds and shall, at the end of each business day, report to the department of finance an account of the day's business together with a remittance of the tax due the city, except that the person engaged in a permanently established business in the city operated at least five days of each week shall as the dealer make reports of the previous month's business on or before the 20th day of the following month, such reports to be accompanied by the remittance for the amount of tax due as indicated by the report. The daily or monthly report rendered to the department of finance shall be on forms prescribed and furnished by the department of finance and shall be signed by the dealer remitting the tax or his duly authorized representative. Such signature shall constitute a warranty on the part of the dealer signing the report that he has read and examined it and that, to the best of his knowledge and belief, the statement and figures therein contained are true, correct and complete.

(b) The provisions of subsection (a) of this section notwithstanding, the department of finance may require that the reports and remittances required by this section be made at the same time and in conjunction with the reporting and remittance of any sales and use taxes due to the city.
(Code 1956, § 56A-8)

Sec. 150-1200. Inspection of records.

In order that the department of finance may have additional means of checking and verifying the accuracy of such reports, all the records, books and other documents of dealers making such reports as required by section 150-1199 shall be open for inspection by the department of finance at all reasonable hours for a period consisting of the calendar year in which the tax becomes due and of the three subsequent calendar years.
(Code 1956, § 56A-9)

Sec. 150-1201. Enforcement authority.

To further enforce the collections of the taxes due under this article, independent of and in addition to the enforcement of any criminal penalties provided by law, the department of finance and/or the department of law are hereby vested with authority, on motion in a court of competent jurisdiction, to include in a rule against a dealer, to show cause is not less than two nor more than ten days, exclusive of holidays, after service thereof, which rule may be tried out of term and in chambers, and shall always be tried by preference why such dealer should not be enjoined and restrained from further pursuit of the business engaged in offering a right to use immovable property for the purpose of parking, storing or berthing of motor vehicles or watercraft; and in case such

rule is made absolute, the order therein rendered shall be considered a judgment in favor of the city, prohibiting, restraining and enjoining such dealer from further pursuit of the subject business until such time as the dealer has paid the delinquent tax, penalties, interest, attorney's fees and costs due, and every violation of the injunction shall be considered as a contempt of court and punishable as such according to law. For the purpose of this section the term "dealer" is defined to mean any person engaged, as a business, in offering to anyone the right to use immovable property for the purpose of parking, storing, or berthing motor vehicles or watercraft and subject to the duty to collect the tax imposed by this article on behalf of the city.
(Code 1956, § 56A-10)

Sec. 150-1202. Delinquent or fraudulent taxes; penalties; waiver.

(a) If any tax under this article is not collected and remitted within the time prescribed herein it shall become delinquent and the delinquent dealer in addition to being liable for the tax due plus interest, shall be subject to a penalty of 20 percent on the amount of the tax and interest, and penalty in all cases wherein an attorney is required to assist in the collection. As a further penalty, any dealer filing a daily or monthly report subsequently found to be grossly incorrect, false or fraudulent shall be guilty of a misdemeanor.

(b) The director of the department of finance, with the approval of the city attorney and that of the mayor or chief administrative officer upon written application of any person, after notice to the tax debtor and an opportunity for the same to be heard, may waiver all or a portion of any interest and penalty due, upon finding that such a waiver will, in the long-term, enhance the anticipatable revenues to the city or that such a waiver will avoid unfairness or undue hardship to the applicant.

ARTICLE XIII. TELECOMMUNICATIONS SERVICES*

Sec. 150-1251. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Gross receipts means the total amount of billings for telecommunications services rendered of whatever nature and all receipts from a business beginning or ending within the city.

Telecommunications services means:

(1) Local telephone service, private communication service, toll telephone service, including such service provided by alternate operator service providers, and teletypewriter or computer exchange service.

(2) Cellular mobile telephone or telecommunications services, specialized mobile radio or paging service and any other form of mobile or portable one-way or two-way communication.

(3) Charges for the connection of or change to any of the services described in subsections (1) or (2) of this definition.

Telecommunications services does not mean:

(1) Any excise, franchise or similar tax or like fee or assessment levied by the United States, by the state or by any political subdivision as defined in article VI, section 44(2), of the state constitution upon the purchase, sale, use or consumption of any telecommunications services, which tax fee or assessment is collected by the seller from the purchaser.

(2) Any interstate telecommunications services or any telecommunications services for which rates are approved by or subject to approval by the Federal Communications Commission, including interstate subscriber charges.

*Cross references—Franchises, § 30-36 et seq.; utilities, ch. 158.

(3) The furnishing of any telecommunications services for resale, including charges from the use of intercompany facilities pursuant to shared network facility arrangement, access charges paid by intrastate or interstate interexchange telecommunications carriers and interconnection charges paid by providers of cellular, mobile and paging telecommunications services provided that any dealer making a sale of telecommunications services for resale shall obtain a certificate from the purchaser of such services certifying that such services are purchased for the purpose of resale, the form of the certification to be determined by the director of the department of finance.

(4) Services or transactions defined as telecommunications services among entities classified as members of an affiliated group as provided by federal law in 26 U.S.C. § 1504.

(5) Information and data services, including storage of data or information for subsequent retrieval, the retrieval of data or information or the processing or reception and processing of data or information intended to change its form or content.

(6) Cable television.

Telecommunications services provider means any person who furnishes telecommunications services for compensation.
(Code 1956, § 52-200)

Cross reference—Definitions generally, § 1-2.

Sec. 150-1252. Reserved.

Editor's note—M.C.S., Ord. No. 18,721, § 1, adopted May 21, 1998, repealed § 150-1252, which pertained to gross receipts tax and derived from § 52-201 of the 1956 Code.

Sec. 150-1253. Municipal subscriber charge.

Beginning with the billing periods of January 1, 1991, there is hereby levied on all telephone subscribers for the rental of telephones, cellular mobile telephones, teletypewriter local service, local private line services, local telephone service and cellular mobile telephone or telecommunications service, all such services being located within the city, a municipal charge of one percent paid by subscribers for such services.
(Code 1956, § 52-202)

Sec. 150-1254. Impact on other taxes.

(a) The amount of the tax on gross revenues provided for in section 150-1252 and the amount of municipal subscriber charge provided for in section 150-1253 shall be in addition to and shall in no way count as a credit against any fees or charges owed by telecommunications services providers for the privilege of constructing, maintaining and operating communications systems in, upon, along, across, above, over, under or in any manner connected with the streets, public ways or public places within the corporate limits of the city as now or in the future may exist.

(b) Notwithstanding the above, any amounts paid pursuant to M.C.S., Ordinance Number 1,972 after January 1, 1991, shall be considered a credit against any amounts due under this article.
(Code 1956, § 52-203)

Sec. 150-1255. Collection of tax and charge.

(a) Beginning with the quarter ending March 31, 1991, for the purpose of ascertaining the amount of tax payable, all persons subject to the tax on gross receipts derived from the furnishing of telecommunications services for compensation provided for in section 150-1252 shall transmit not later than 30 days after the end of each quarter to the director of the department of finance, upon forms prescribed, prepared and furnished by him, returns showing the gross sales, gross proceeds from lease or rental and gross proceeds derived from sales of services arising from all taxable transactions during the proceeding quarter. These returns shall show any further information the director may require to enable him to correctly compute and collect the tax desired. Every telecommunications provider at the time of making the return herein required shall compute and remit to the director of the department of finance the required tax due for the proceeding quarter,

and failure to remit such tax shall cause such tax to become delinquent.

(b) The amount of the municipal charge provided for in section 150-1253 shall be added to and constitute a part of the bill sent to each such subscriber by the telecommunications services provider who shall collect such charge as agent for the city and remit the amount of such municipal charge to the director of the department of finance in quarterly installments not later than 30 days after the end of each quarter beginning with the quarter ending March 31, 1991.
(Code 1956, § 52-204)

Sec. 150-1256. Annual report.

Any person who shall provide telecommunications services for compensation within the city shall file with the director of the department of utilities an annual report which shall be certified by an independent certified public accountant. Such report shall at least show the amount of gross revenue collected or received or in any manner derived by such person and the source thereof during the tax year. Such annual report shall be filed with the director not later than 60 days after the end of the tax year.
(Code 1956, § 52-205)

Sec. 150-1257. Audit; examination of records.

(a) For the purpose of administering the provisions of this article, the director of the department of finance may annually cause to be made by any of his authorized assistants an examination of the books, records, papers, vouchers, accounts and documents of any person subject to the provisions of this article. Every telecommunications provider shall exhibit to the director or his authorized assistant all of the books, records, papers, vouchers, accounts and documents of the taxpayer to facilitate any such examination. The costs of any such examination shall be shared by the city and the taxpayer equally. A copy of any examination of the books, records, papers, vouchers, accounts and documents of taxpayers subject to this article shall be furnished to the director of the department of utilities of the city.

(b) As soon as practicable after each return is filed under the provision of sections 150-1252 and 150-1255, the director of the department of finance shall cause it to be examined to determine its correctness.
(Code 1956, § 52-206)

Sec. 150-1258. Disposition of revenue.

The director of the department of finance shall deposit all proceeds of the municipal charge and tax on gross receipts in the general fund of the city, and the same shall be used for general municipal purposes.
(Code 1956, § 52-207)

Sec. 150-1259. Penalties.

Any person liable for the taxes and charges provided for in this article who shall fail or refuse to pay the same shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than $300.00 or imprisonment for not more than 90 days or both.
(Code 1956, § 52-208)

Sec. 150-1260. Revival of M.C.S., Ordinance Number 1,972.

Section 2 of M.C.S., Ordinance Number 14,211 is hereby repealed, and M.C.S., Ordinance Number 1,972 is hereby revived.
(M.C.S., Ord. No. 14,884, § 1, 11-26-91)

ARTICLE XIV. SHORT TERM RENTALS OCCUPANCY TAX

Sec. 150-1261. Tax levied.

There is hereby levied a tax upon the paid occupancy of short term rentals located within the City of New Orleans. The occupancy tax is levied at the rate of six and three-quarters percent of the rent or fee charged for such occupancy. The occupancy tax shall be in addition to all other taxes levied upon the occupancy of short term rentals in the city.
(M.C.S., Ord. No. 28422, § 1, 8-6-20, eff. 9-1-20)

Sec. 150-1262. Definitions.

Except as otherwise expressly provided in this article, the following terms and their variant forms shall mean the following:

Booking transaction means any contractual agreement relative to occupancy of a short term rental unit.

Guest means any person who occupies a dwelling unit pursuant to a short term rental.

Operator means a natural person who is required to possess a short term rental operator's permit pursuant to Article XI of Chapter 26 of the City Code.

Owner means a person who owns at least a 50 percent interest in a dwelling unit used for short term rentals and who is required to possess a short term rental owner permit pursuant to Article XI of Chapter 26 of the City Code.

Person means and shall have the same definition as that contained in R.S. 47:301(8).

Platform means one or more portals, listing services, or websites under common ownership or control through which a person, other than an owner of the short term rental unit, collects or receives a fee, directly or indirectly, for facilitating booking transactions. A platform shall not include a service that merely posts advertisements for short term rentals.

Short term rental means the use and enjoyment of a dwelling unit, or any portion thereof, as defined in section 26-614, by a guest or guests for a period of less than 30 consecutive days, in exchange for money, commodities, fruits, services, or other performances. Hotels, motels, bed and breakfasts, and other land uses explicitly defined and regulated separately from short term rentals are not considered to be short term rentals.
(M.C.S., Ord. No. 28422, § 1, 8-6-20, eff. 9-1-20)

Sec. 150-1263. When due and payable.

(a) Every guest or person who occupies a short term rental unit shall be responsible for the payment of the occupancy tax levied herein, which shall be due and payable at the time of payment in connection with a booking transaction, regardless if collected directly by the owner or on behalf of an owner by a platform.

(b) Except as provided in section 150-1264, an owner shall collect and shall timely remit to the department of finance all applicable local taxes and city fees owed in connection with any booking transaction, including without limitation the tax imposed by this article.
(M.C.S., Ord. No. 28422, § 1, 8-6-20, eff. 9-1-20)

Sec. 150-1264. Collection by a platform.

If payment in connection with a booking transaction is facilitated by or through a platform, the platform shall collect and timely remit to the department of finance all applicable local taxes and city fees owed in connection with the booking transaction, including without limitation the tax imposed by this article. The failure of a platform to properly collect and remit taxes as required by this section shall not relieve an owner of the obligation to pay taxes and fees owed in connection with the booking transaction, including without limitation the tax imposed by this article.
(M.C.S., Ord. No. 28422, § 1, 8-6-20, eff. 9-1-20)

Sec. 150-1265. Collection of excess tax prohibited.

Whoever advertises or collects a short term rental occupancy tax in excess of the tax actually due shall be guilty of a misdemeanor.
(M.C.S., Ord. No. 28422, § 1, 8-6-20, eff. 9-1-20)

Sec. 150-1266. Distribution of tax proceeds.

Except for a reasonable collection fee, if any, the proceeds of the tax shall be distributed as follows:

(a) Seventy-five percent of the proceeds shall be dedicated to the infrastructure maintenance fund, created pursuant to Ordinance No. 27,986 M.C.S. and codified at section 70-415.278, et seq. of the Code of the City of New Orleans.

(b) Twenty-five percent of the proceeds shall be allocated to New Orleans & Company

pursuant to a multi-year cooperative endeavor agreement approved by the city council and used to promote tourism in the city.

(M.C.S., Ord. No. 28422, § 1, 8-6-20, eff. 9-1-20)

Sec. 150-1267. Report and remittance.

(a) On or before the 20th day of each month, each platform responsible for remitting the short term rental occupancy tax imposed by this article shall remit all taxes and fees collected in connection with a short term rental unit during the previous month to the department of finance.

(b) On or before the 20th day of each month, each owner responsible for remitting the short term rental occupancy tax imposed by this article shall remit all taxes and fees collected in connection with a short term rental unit during the previous month to the department of finance.

(c) Such remittance shall be accompanied by a report on forms prepared by the department of finance that reasonably details the basis for calculating and collecting the remittance and reasonably enables the department to determine which portions of the remittance consist of the tax imposed by this article, short term rental fees, or other sales and uses taxes. Such reports must be accompanied by a certified check, post office or express money order, electronic payment, or cash for the amount of the tax due as indicated in the report.

(d) The tax report required by this section shall be signed by the person responsible for the remittance of the tax or a duly authorized representative. Such signature shall constitute a warranty that the report has been read, examined, and to the best of the person signing's knowledge and belief, the statement and figures therein contained are true, correct and complete.

(M.C.S., Ord. No. 28422, § 1, 8-6-20, eff. 9-1-20)

Sec. 150-1268. Inspections.

In order that the department of finance may have additional means of checking and verifying the accuracy of such reports, all the records, books, and other documents utilized to make such reports as required by the preceding section, shall be open for inspection by the department of finance at all reasonable hours for a period of four years commencing with the calendar year in which the tax becomes due and continuing for a period of the three subsequent consecutive calendar years thereafter. Submitted reports and correlating records shall be and shall remain confidential as required by state law.

(M.C.S., Ord. No. 28422, § 1, 8-6-20, eff. 9-1-20)

Sec. 150-1269. Penalties—Civil.

To further enforce the collection of the taxes due under this article independent of and in addition to the enforcement of the criminal penalties herein provided for under this section, the department of finance and/or the department of law are hereby vested with authority, on motion in court of competent jurisdiction, to invoke and include in a rule or summary proceeding against any person responsible for the remittance of the tax, including a platform, requiring them to show cause in not less than two or more than ten days after service thereof, exclusive of holidays, which matter may be tried out of term and in chambers, and shall always be tried by preference, why such person should not be enjoined and restrained from further pursuit of the business; and in case such rule is made absolute, the order thereon rendered shall be considered a judgment in favor of the city prohibiting, restraining, and enjoining from further pursuit of the business until such time as the delinquent tax, penalties, interest, attorney's fees, and costs due have been paid pursuant to section 150-702; and every violation of the injunction shall be considered as a contempt of court and punishable as such according to law.

(M.C.S., Ord. No. 28422, § 1, 8-6-20, eff. 9-1-20)

Sec. 150-1270. Penalties—Criminal.

(a) When any taxpayer fails to pay a tax or any portion thereof on or before the date prescribed for its payment, interest at the rate of 1¼ percent per month shall be added to the amount of tax due from the due date until paid. In addition to the interest that may be so due, there shall also be collected a penalty of five percent of the tax if the failure is for not more than 30 days

with an additional five percent for each additional 30 days or fraction thereof during which the failure continued.

(b) Any person responsible for the remittance of the tax shall be liable for attorney's fees in the amount of ten percent of the tax, interest, and penalty in all cases wherein an attorney is required to assist in the collection.

(c) Any person signing and filing a daily or monthly report subsequently found to be grossly incorrect, false, fraudulent, or in violation of any of the other provisions of this article, shall be, upon conviction, guilty of a misdemeanor.

ARTICLE I. IN GENERAL

Sec. 154-1. Short title.

This chapter may be known and cited as "The Traffic Ordinance."
(Code 1956, § 38-1)

Sec. 154-2. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Abandoned vehicle on the highway means a vehicle that is determined, by the enforcing department, to be unused or unoccupied at the time of discovery and also to be causing a threat or hazard to public health and safety.

Abandoned vehicle on the street means a vehicle which for a period of at least five days following the date when the notice as set forth in this chapter has been affixed thereto, is or has been unused or unoccupied as such, or situated at the same location.

Alley, common, means property the use of which is common, but restricted to those owners of the lots abutting thereon who originally received the servitude in their title of use for such alley for the benefit of their lots.

Alley, public, means common property, to the use of which all the inhabitants of a city and even strangers are entitled in common, such as streets, public ways, quays and alleys.

Authorized emergency vehicle means vehicles of the fire department, police vehicles and such ambulances and emergency vehicles of municipal departments or public service corporations, as are designated or authorized by the superintendent of police.

Automated traffic enforcement system shall mean a system that:

(1) Consists of a digital still camera system and digital full motion video camera system installed to work in conjunction with an electronically operated traffic control signal, and

(2) Is capable of producing at least two recorded scene images and one image that depict the license plate attached to the rear of a motor vehicle that is not operated in compliance with the instructions of the traffic control signal or, in the case of a vehicle that violates the legal speed limit, is capable of producing at least one recorded scene image and one image that depicts the license plate attached to the rear of a motor vehicle.

Automated traffic enforcement system location ;means an intersection or segment of roadway towards which an automated traffic enforcement system is directed and in operation.

Axle means a common axis of rotation of one or more wheels, whether power-driven or freely rotating, and whether in one or more segments, and regardless of the number of wheels carried thereon.

Bicycle means every device upon which any person may ride, propelled exclusively by human power, having two tandem wheels, either of which is 16 inches or more in diameter, or three wheels, any of which is 20 inches or more in diameter.

Bicycle facility means any physical facility provided for the exclusive or semi-exclusive use of bicycles. This includes but is not limited to unmarked shared roadways, marked shared roadways, bicycle lanes, shared use trails, and end of trip facilities.

Bicycle lane means the part of the roadway adjacent to the travel lane, designated by official signs or markings for the preferential or exclusive use by bicycles and electric mobility aid users.

Bicycle parking means any facility for the storage of bicycles to protect against theft and damage.

Bicycle path or *trail* means a public way separated by open space, grade, or other physical barrier from motor traffic, either within the highway right-of-way or within an independent right-of-way, that is designated for use by persons riding bicycles.

Boulevard means a street with a neutral ground or median and a roadway on each side thereof.

Bus means every motor-propelled vehicle designed for carrying more than ten persons, other than a taxicab constructed and designed for transporting persons for commercial purposes.

Business district means the territory contiguous to and including a roadway, when within any 600 feet along such roadway there are buildings in use for business or industrial purposes, including but not limited to hotels, banks, office buildings, railroad stations and public buildings which occupy at least 300 feet of frontage on one side or 300 feet collectively on both sides of the roadway.

Central business district means all streets and portions of streets within the area described as follows: All that area bounded by the river on the west, Claiborne Avenue on the east, Esplanade Avenue on the north and Howard Avenue on the south.

Freight-carrying vehicle means every motor vehicle designed for and used primarily as a carrier of freight, transported for commercial purposes, which vehicle is licensed for 6,000 pounds or more. This shall not include pickup or panel trucks unless they are so heavily loaded with such freight as to exceed 6,000 pounds gross weight, and shall never include any passenger-carrying vehicles.

Freight curb loading zone means a space adjacent to a curb for the exclusive use of vehicles during the loading or unloading of freight or passengers.

Freight-handling and service truck zone means a space adjacent to a curb to be used by loading vehicles to facilitate the loading and unloading of merchandise and/or to be used for service and equipment vehicles to facilitate repair and service work.

Freight only or freight zone means a space adjacent to a curb to be used by loading vehicles to facilitate the loading and unloading of merchandise.

High-pressure pneumatic tire means a pneumatic tire designed for use and used when inflated with air to 120 pounds per square inch pressure or more.

Highway means the entire width between the boundary lines of every way or place of whatever nature publicly maintained and open to the use of the public for the purpose of vehicular travel, including bridges, causeways, tunnels and ferries; synonymous with the word "street". The term "highway" shall also mean any portion of the state or federal highway system that lies within the boundaries of the parish.

House trailer means:

(1) A trailer or semitrailer which is designed, constructed and equipped as a dwelling place, living abode or sleeping place, whether permanently or temporarily, and is equipped for use as a conveyance on highways; or

(2) A trailer or semitrailer whose chassis and exterior shell is designed and constructed for use as a house trailer, as defined in subsection (1) of this definition, but which is used instead permanently or temporarily for the advertising, sales, display or promotion of merchandise or services, or for any other commercial purpose except the transportation of property for hire or the transportation of property for distribution by a private carrier.

Intersection means:

(1) The area embraced within the prolongation or connection of the lateral curblines, or if none, then the lateral boundary lines of the roadways of two highways which join one another at, or approximately at, right angles, or the area within which vehicles traveling upon different highways joining at any other angle may come in conflict.

(2) Where a highway includes two highways joining at any other angle may come in conflict.

(3) Where a highway includes two highways 30 feet or more apart, then every crossing of each highway of such divided highway by an intersecting highway shall be regarded as a separate intersection. If such intersecting highway also includes two highways 30 feet or more apart, then every crossing of two highways of such highways shall be regarded as a separate intersection.

(4) The junction of an alley or driveway with a street or highway shall not constitute an intersection unless the roadway or highway at said junction is controlled by a traffic control device.

(5) (a) Where a highway includes a stop line, yield line, or crosswalk that has not been designated on the roadway within the median between the separate intersections, the two intersections and the roadway median between them shall be considered as one intersection.

(b) Where a highway with a stop line, yield line, or crosswalk is designated on the roadway on the intersection approach, the area within the crosswalk or beyond the designated stop line or yield line shall be part of the intersection.

(c) Where a crosswalk is designated on a roadway on the departure from the intersection, the intersection shall include the area extending to the far side of such crosswalk.

Junked vehicle means a motor vehicle that has been so damaged, deteriorated, stripped, or dismantled as to be a total loss.

Laned roadway or highway means a roadway or highway which is divided into two or more clearly marked lanes for vehicular traffic.

Sec. 154-4. Clinging to moving vehicles.

No person riding upon any bicycle, coaster, sled, roller skates or vehicle shall attach it or himself to any streetcar or moving vehicle upon any roadway.

(Code 1956, § 38-128)

Sec. 154-5. Persons boarding or alighting from streetcars, buses, vehicles.

No person shall board or alight from any streetcar or bus or vehicle while such streetcar, bus, or vehicle is in motion.

(Code 1956, § 38-135)

Sec. 154-6. Passengers riding on prohibited portions of vehicles.

No person shall ride on any streetcar or vehicle upon any portion thereof not designed or intended for the use of passengers. This provision shall not apply to employees engaged in the necessary discharge of a duty or to persons riding within truck bodies in space intended for merchandise.

(Code 1956, § 38-136)

State law reference—Riding on prohibited portions of vehicles, R.S. 32:284.

Sec. 154-7. Persons propelling pushcarts, riding animals or operating streetcars to obey traffic regulations.

Every person propelling any pushcart or riding any animal upon a roadway and every person driving any animal-drawn vehicle, and the operator of every streetcar, shall be subject to the provisions of this chapter applicable to the driver of any vehicle except those, which by their very nature, can have no application.
(Code 1956, § 38-20)

State law reference—Persons riding animals or driving animal-drawn vehicles, R.S. 32:22.

Sec. 154-8. Horses and cattle; riding or driving on neutral grounds or squares prohibited.

It shall be unlawful for any person to ride on horseback, to drive any horse or to turn out any cattle, or in any manner to exercise them in the center or neutral ground of any street or any public square.
(Code 1956, § 38-115)

Sec. 154-9. Fraudulent marking of vehicles.

It shall be unlawful for any person to use the words "Consular Corps" or "Diplomatic Service" on any automobile or other vehicles operating on the streets of this city unless such automobiles or other vehicles are owned by the consulates of various nations or are the personal property of consuls or vice-consuls duly accredited as such to the United States of America by their countries and having exequaturs from their governments to the United States government.
(Code 1956, § 38-139)

Sec. 154-10. Public employees to obey the traffic regulations.

The provisions of this chapter shall apply to the driver of any vehicle owned or used in the services of the United States government, the state, parish or city. It shall be unlawful for such driver to violate any of the provisions of this article except as otherwise permitted in this chapter or by state statute.
(Code 1956, § 38-19)

Sec. 154-11. Exemptions to authorized emergency vehicles.

(a) The driver of an authorized emergency vehicle, when responding to an emergency call, or when in pursuit of an actual or suspected violator of the law, or when responding to, but not upon returning from, a fire alarm, may exercise the privileges set forth in this section, but subject to the conditions herein stated.

(b) The driver of an authorized emergency vehicle may:

(1) Park or stand irrespective of the provisions of this chapter;

(2) Proceed past a red or stop signal or stop sign, but only after slowing down or stopping as may be necessary for safe operation;

(3) Exceed the stated speed limit so long as he does not endanger life or property;

(4) Disregard regulations governing the direction of movement or turning in specified directions.

(c) The exceptions herein granted to an authorized emergency vehicle shall apply only when such vehicle is making use of audible or visual signals sufficient to warn motorists of their approach, except that a police vehicle need not be equipped with or display a red light visible from the front of the vehicle.

(d) The foregoing provision shall not relieve the driver of an authorized vehicle from the duty to drive with due regard for the safety of all persons, nor shall such provision protect the driver from the consequences of his reckless disregard for the safety of others.

Sec. 154-13. Personal delivery devices prohibited.

In the interest of public safety and in accordance with La. R.S. 32:210.6, personal delivery devices are hereby prohibited on the public right-of-way throughout the city. Any device that is improperly operating on the right-of-way is deemed an encumbrance or obstruction pursuant to section 146-493, and subject to immediate removal by the department of police. The city shall hold unclaimed, unidentified, or abandoned personal delivery devices for a period of up to 45 days. Thereafter, the city may assess storage fees at a rate of up to $100.00 per day or dispose of such personal delivery devices as permitted by law.
(M.C.S., Ord. No. 29245, § 1, 11-3-22, eff. 5-1-23; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-14. Exception.

(a) Nothing in this chapter shall prohibit public or private universities or colleges from operating personal delivery devices within the contiguous boundaries of their respective campuses.

(b) When public rights-of-way are within otherwise contiguous boundaries of a university or college campus and the university or college wishes to operate personal delivery devices along or across these rights-of-way, the university or college shall enter into a cooperative endeavor agreement with the City of New Orleans defining the campus boundaries, operations and responsibilities of the university or college.

(c) Any personal delivery devices operating on university or college campuses shall operate pursuant to La. R.S. 32:210 et seq.

(d) Each university or college shall be solely responsible for the use and storage of personal delivery devices.

ARTICLE II. ADMINISTRATION*

Sec. 154-51. Traffic bureau—Establishment, duties.

(a) There is hereby established in the department of police of the city, a traffic bureau to be under the control of an officer of the police.

(b) The traffic bureau, with such aid as may be rendered by other members of the department of police, are responsible for:

(1) Enforcing the street traffic regulations of the city and all of the state vehicle laws applicable to street traffic in the city;

(2) Investigating traffic accidents;

(3) Co-operating with the city traffic engineer and other officers of the city in the administration of the traffic laws and in developing ways and means to improve traffic conditions; and

(4) Carrying out those duties specially imposed upon the bureau by this chapter.
(Code 1956, § 38-10; M.C.S., Ord. No. 27816, § 1, 7-26-18)

*__Cross reference—__Administration, ch. 2.

Sec. 154-52. Same—Investigate accidents and conduct accident studies, analyses and evaluations.

(a) The traffic bureau, assisted by other police officers of the department of police, shall investigate traffic accidents and arrest and assist in the prosecution of those persons charged with violations of law causing or contributing to such accidents.

(b) There shall be established in the traffic bureau's alcoholic and accident research unit a statistical office which should be directed by an evaluation specialist with at least a master's degree in urban studies or a related field or equivalent qualifications as determined by the civil service commission, whose primary duties will be to:

(1) Conduct accident studies, analyses and evaluations with the assistance of the traffic engineer and other traffic related agencies, and determine remedial measures.

(2) Coordinate and exchange traffic statistics and related information with other public and private agencies.

(3) Seek funding for traffic related activities and coordinate these activities with other agencies.

(Code 1956, § 38-11)

Sec. 154-53. Same—Annual traffic safety record.

The traffic bureau shall annually prepare a traffic report which shall be filed with the mayor. Such report shall contain information on traffic matters in the city as follows:

(1) The number of traffic accidents, the number of persons killed, the number of persons injured and other pertinent traffic accident data;

(2) The number of traffic accidents investigated and other pertinent traffic accident data on the safety activities of the police; and

(3) The plans and recommendations of the bureau for future traffic safety activities.

(Code 1956, § 38-14)

Sec. 154-54. Records of traffic violations and traffic accident reports.

(a) The department of police and/or the traffic court shall keep a record of all violations of traffic ordinances of the city or state vehicle laws of which any person has been charged together with a record of the final disposition of all such alleged offenses. Such records shall be so maintained as to show all types of violations and the total of each. The records shall accumulate during at least a five-year period and from that time on the records shall be maintained complete for at least the most recent five-year period.

(b) All forms for records of violations and notices of violations shall be serially numbered. For each month and year a written record shall be kept available to the public showing the disposal of such forms.

(c) All such records and reports shall be public records.

(d) The department of police shall maintain a suitable system of filing traffic accident reports. Accident reports or cards referring to them shall be filed alphabetically by location. Such reports shall be available for the use and information of the city traffic engineer. The department of police shall receive and properly file all accident reports made to it under the state law or under any law of the city, and all such accident reports shall be for the use of the department of police, the city traffic engineer, and traffic court prosecutors.

(Code 1956, § 38-12)

Sec. 154-55. Drivers' files to be maintained.

(a) The department of police and/or the traffic court shall maintain a suitable record of all traffic accidents, arrests, convictions and affidavits which shall be filed alphabetically under the name of the driver concerned.

(b) Such records shall accumulate during at least a five-year period and from that time on such records shall be maintained complete for at least the most recent five-year period.
(Code 1956, § 38-13)

Sec. 154-56. Division of city traffic engineering and duties thereof.

(a) There is hereby created and established within the department of public works, under the supervision and direction of the director thereof, a division to be known and designated as the division of traffic engineering. The city traffic engineer shall be head of this division and shall be appointed by the director of the department of public works in accordance with civil service law. He shall be a graduate engineer and duly registered under the state.

(b) The city traffic engineer shall exercise such powers and duties as are provided in this chapter or in state laws. In particular, the city traffic engineer shall:

(1) Determine the installation and proper timing and maintenance of traffic control devices;

(2) Conduct engineering analyses of traffic accidents and devise remedial measures;

(3) Conduct engineering investigations of traffic conditions;

(4) Determine the locations of loading zones, metered spaces and designate all other on-street parking spaces;

(5) Cooperate with other city officials in ways and means to improve traffic and parking conditions; and

(6) Carry out additional powers and duties imposed upon him by laws of the city.

(Code 1956, § 38-15; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-57. Emergency and experimental regulations.

(a) The city traffic engineer may make regulations necessary to make effective the provisions of this article and make temporary or experimental regulations to cover emergencies or special conditions. He may further test traffic control devices under actual conditions of traffic.

(b) The superintendent of police may make regulations necessary to make effective the provisions of the traffic laws of the city and make and enforce temporary or experimental regulations to cover emergencies or special conditions.

(c) No emergency experimental regulations shall remain in effect for more than 190 days.

(d) The superintendent of police shall have the authority to suspend any traffic regulations for a period not to exceed 24 hours. Official notice of any such suspension shall be given through the police communications system. Such notification shall specify the geographic areas affected and exact regulations suspended, and shall further specify the emergency regulations (if any) which will replace such suspended regulations.
(Code 1956, § 38-16)

Sec. 154-58. Power, authority of police and fire department officials.

(a) The officers of the department of police or such officers as are assigned by the superintendent of police to do so shall enforce all street ordinances of the city and all of the state vehicle and traffic laws applicable to street traffic in the city. Officers of the department or such officers as are assigned may direct all traffic by voice, hand or signal in conformance with traffic laws and in the event of a fire or other emergency or to expedite traffic or safeguard pedestrians, such officers may direct traffic as conditions may require notwithstanding the provisions of the traffic laws.

(b) Officers of the fire department, when entering or leaving a fire station, or when at a scene of a fire, may direct or assist the police in directing traffic thereat or in the immediate vicinity.

(c) It is a violation of this chapter for any person to do any act forbidden or to fail to perform any act required herein.

(d) No person shall willfully fail or refuse to comply with any lawful order or direction of a police officer or fire department official.

DIVISION 2. PROCEDURE

Sec. 154-136. Citation for certain traffic violations; arrest for certain traffic violations, possession of license; notification to vehicle owner; and surrender of license.

(a) In the enforcement of street traffic regulations, as permitted by law, an arrest is not required for street traffic violations if the person lawfully possesses a driver's license issued to him by either:

(1) The department of public safety and corrections; or

(2) The appropriate agency of another state if such person resides in this state and either is:

a. On active duty with the armed forces of the United States;

b. A dependent of any person described in subsection (a) above; or

c. Enrolled in a state college or university;

In these instances, a citation (summons and release) is the appropriate mechanism if the operator signs the citation as a guarantee that he/she will appear in court in lieu of physical arrest. This subsection does not apply when the officer has probable cause to believe that the operator has committed an offense as defined in title 14 of the Louisiana Revised Statutes of 1950, including but not limited to: driving while intoxicated, reckless operation of a vehicle, and hit and run driving. In these instances, the operator shall be arrested as required by law.

(b) A licensee shall have his license in his immediate possession at all times when driving a motor vehicle and shall display it upon demand of any officer or agent of the department or any police officer of the city.

(c) When a person is arrested for a violation of R.S. 14:98, [DWI] the arresting officer shall determine whether the person is the owner of the vehicle used. If the person is not the owner, the arresting officer, his agency of employment, or the department of public safety and corrections shall take all reasonable measures to identify and locate the registered owner and notify him of the arrest. Such notification may be oral or written. A record shall be kept of whether or not such notification was given.

(d) When a fine is levied against a person convicted of any offense as described in subsection (a) of this section, and the defendant is granted an extension of time to pay the fine, the judge of the court having jurisdiction may order the driver's license to be surrendered to the official of the court collecting fines for a period of time not to exceed 180 days. If, after expiration of 180 days, the defendant has not paid the fine, the official of the court designated to collect fines shall forward the license to the department of public safety and corrections. Upon receipt of a surrendered driver's license, the court official responsible for collection of such fines shall issue a temporary permit for a period not to exceed 180 days or for a period of time set forth by the judge having jurisdiction. The department shall not return, reissue, or renew a driver's license in its possession pursuant to this section until payment of the fine and any additional administrative cost, fee, or penalty required by the judge having the jurisdiction and any other cost, fee, or penalty required by the department.
(Code 1956, § 38-23; M.C.S., Ord. No. 27816, § 1, 7-26-18)

State law reference—Procedure upon arrest, R.S. 32:411.

Sec. 154-137. Drivers licensed by certain other states.

(a) A driver licensed by a state of the United States cited for violation of any law, ordinance, rule or regulation relating to the operation or actual physical control of a motor vehicle shall be

permitted to remain at liberty and proceed about his business without being required to furnish bond if:

(1) He furnishes the officer or court issuing the citation with a written promise to comply and his driver's license, for which he shall receive a receipt and which license shall be returned to him upon compliance.

(2) The charge or charges are not based on alleged acts or omissions constituting one or more of the following:

a. Homicide resulting from the operation of a motor vehicle.

b. Driving a motor vehicle while under the influence of intoxicating liquor, narcotic drug or under the influence of any other drug to a degree which renders the driver incapable of safely driving a motor vehicle.

c. A felony in the commission of which a motor vehicle is used.

d. Failure to stop or render aid in the event of a motor vehicle accident resulting in the death or personal injury of another or damage to property.

e. Driving a motor vehicle without a license or while the license is under suspension or revocation.

(3) Pursuant to law, the driver is not taken forthwith before an appropriate court, and the charge or charges or violation adjudicated without adjournment or continuance.

(b) The violating driver shall have the option of remaining in custody pending her or his furnishing bail as fixed by the judges of the traffic court, or depositing her or his operator's license with the officer under the conditions contained in paragraph (a) of this section and signing a citation, summons, or other written notice agreeing to appear within five days after the violation, in which case the driver shall be permitted to remain at liberty and proceed about her or his business.

(c) Notwithstanding any provision to the contrary, however, the driver may demand an immediate hearing or a hearing within 24 hours, at a convenient hour, before a judge of the traffic court. If the driver opts to surrender her or his operator's license, the officer shall deliver to her or him a receipt or duplicated copy of the citation, summons or other written notice, which shall become a permit to continue driving on the streets of the city. The officer shall deposit the citation with the clerk of the traffic court.

(d) Upon the failure of a driver from a state covered by the provisions of this section to fulfill a promise to comply, the traffic court shall issue or obtain a warrant for arrest of the driver and shall inform the licensing authority in the state where the driver is licensed that the warrant is outstanding and that the driver's license is in the possession of the traffic court. The communication of the court to the licensing authority shall be in writing and shall be accompanied by a certified copy of the citation and promise to comply.

(e) This section does not apply when the office charging the driver has probable cause to believe that the person charged has committed an offense as defined in title 14 of the Louisiana Revised Statutes of 1950. The arresting officer shall take these persons forthwith before the nearest or most accessible magistrate having jurisdiction.
(Code 1956, § 38-24; M.C.S., Ord. No. 17,128, § 1, 7-20-95)

Sec. 154-138. Procedure in traffic court.

The trials and all procedure in all cases within the jurisdiction of the traffic court shall be the same as now in effect governing the municipal court, except as further amended by the provisions of this division which shall apply to both municipal and traffic courts.

State law reference—Conduct of trials, R.S. 13:2513.

Sec. 154-140. Parties defendant.

All persons concerned in the commission of a violation of a city ordinance, whether present or absent, and whether they directly commit the act constituting the offense, aid and abet in its commission, or directly or indirectly counsel or procure another to commit a crime are principals and may be held responsible for the violation of any police ordinance of this city and penalized as provided by such ordinance.
(Code 1956, § 38-32)

State law reference—Conduct of trials, R.S. 13:2513.

Sec. 154-141. Attempts and penalties therefor.

(a) Any person who, having a specific intent to commit a crime, does or omits an act for the purpose of, and aiming directly toward the accomplishment of his objective, is guilty of an attempt to commit the offense intended; and it shall be immaterial whether, under the circumstances, he would have actually accomplished his purpose.

(b) An attempt is a separate but lesser grade of the intended crime; and any person may be convicted of an attempt to commit a crime although it appears on the trial that the crime intended or attempted was actually perpetrated by such person in pursuance of such attempt.

(c) Whoever attempts to violate a police ordinance of the city shall, upon conviction, be fined or imprisoned, or both, in the same manner as for the offense committed; but such fine or imprisonment shall not exceed one-half of the largest fine or one-half of the longest term of imprisonment prescribed for the offense so intended.
(Code 1956, § 38-33)

State law reference—Conduct of trials, R.S. 13:2513.

Sec. 154-142. Initiation of proceedings by affidavits in municipal and traffic courts.

All proceedings in the municipal and traffic courts shall be initiated by affidavit, which shall consist of the sworn statement of the complainant, police officer, or employee of the department of police authorized to issue parking violations notices, filed with the court on a form provided by the respective court. The city attorney's office may also initiate prosecutions by affidavit on information and belief in the municipal and traffic courts.
(Code 1956, § 38-34; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

State law reference—Initiation of proceedings, R.S. 13:2512.

Sec. 154-143. Conduct of trials; rules of evidence; prescription.

The trial of all cases in the municipal and traffic courts, and the rules of evidence applicable thereto, shall be the same as govern the trials of misdemeanors under title 15 of the Louisiana Revised Statutes of 1950, and under the Louisiana Code of Criminal Procedure, as they presently exist or as they may be hereinafter amended. No person shall be prosecuted, tried, or punished for an offense committed in violation of the traffic ordinance unless the prosecution is instituted within two years after the offense has been committed. This prescriptive period shall include all offenses chargeable under the traffic ordinance, including parking offenses.
(Code 1956, § 38-35)

State law references—Similar provisions, R.S. 13:2513; limitation of prosecution of noncapital offenses, C.Cr.P. art. 572.

Sec. 154-144. Procedure on appeal.

There shall be a right of appeal in all cases from the traffic court to the criminal district court for the parish. All procedures now provided for in this Code relative to appeals taken from the municipal court to the criminal district court for the parish shall be applicable to appeals taken by defendants in matters tried before the traffic court. Sections 50-141 through 50-147 shall apply with equal force and legal effect to all

appeals taken from convictions in the traffic court. Whenever there is a mention in such sections on appeal of the clerk of municipal court, it shall be deemed that the section refers also to the clerk of the traffic court, provided further, that the return date on appeals shall be as now provided by law, and such return date may be extended by the judges of the municipal or traffic courts.
(Code 1956, § 38-36)

Sec. 154-145. Direct and constructive contempt of court; penalty.

(a) The traffic court shall have the power and authority to punish for direct and constructive contempt of court in the same manner and for the same reasons as is now provided in chapter 3 of title 15 of the Code of Criminal Procedure of Louisiana, excepting that the penalties for such contempt shall not exceed the constitutional limitations imposed by article VII, section 94 of the Louisiana Constitution.

(b) It shall further be a violation of this chapter for any person to fail to answer to a charge against him for a violation of the traffic laws at the time and at the place designated in the traffic citation which was issued to him at the time of the alleged violation regardless of the ultimate disposition of the charge for which he was originally cited.
(Code 1956, § 38-37)

Sec. 154-146. Issuance of summons for outstanding traffic attachment.

When a law enforcement officer stops a person for a traffic offense and determines that the person has an outstanding traffic attachment issued by Traffic Court for the City of New Orleans, the officer shall issue a summons requiring the person to appear in the Traffic Court of New Orleans within seven days. The provisions of this section shall not apply to traffic attachments issued for violation of section 154-381 of this.
(M.C.S., Ord. No. 23129, § 2, 6-19-08)

Sec. 154-147. Failure to appear.

Failure to appear within seven days creates the rebuttable presumption that the defendant is guilty of this article (sic) and will result in the issuance of a subsequent traffic attachment that will result in arrest if a law enforcement officer stops the person for a subsequent traffic offense. Whoever commits the crime of failure to appear shall be fined not more than $500.00, or imprisoned for not more than six months, or both.
(M.C.S., Ord. No. 23129, § 2, 6-19-08)

DIVISION 3. TRAFFIC COURT VIOLATIONS BUREAU

Sec. 154-176. Maintenance of bureau in traffic court.

The traffic court shall maintain a department known as the traffic court violations bureau, which shall be established for the easy payments of fines and convenience of the public. As far as is practicable, the traffic court violations bureau shall maintain office hours for the conduct of its business between 9:00 a.m. and 6:00 p.m. on all working days when the court is operating.
(Code 1956, § 38-26)

Sec. 154-177. Schedule of fines and payments.

(a) Any person charged with a traffic violation or traffic offense may appear at the traffic court violations bureau at any time prior to date of trial specified on the complaint or summons and may enter a waiver of trial, sign a written plea of guilty to the offense charged and may pay the fine. The clerk of the violations bureau of the traffic court shall have authority to accept the written plea of guilty to the offense charged, and issue receipts for the fine paid by the offender.

(b) The following is a minimum schedule of fines which may be paid in the violations bureau for a first offense, provided that the offense does not require a mandatory court appearance as set out in section 154-178 or in the schedule of fines;

and that violations occurring simultaneously shall be considered as a single offense for the purpose of assessing fines.

(c) The foregoing penalty fees shall be applied to the first offense of which a person has been convicted or to which the person has, in effect, pleaded guilty by payment of a fine at the violations bureau within a period of one year. The second or any others after the second such violation within that period must be heard in court and may not be disposed of at the violations bureau. The fine for a second or more violations shall be greater than for a first offense. Any violation not listed in the above schedule must be paid in court and the penalty shall not be in excess of $500.00 and five months; where there is a conflict between any fine set out in the body of this chapter and that provided in this fine schedule, the fine or requirement for mandatory court appearances in the fine schedule, shall prevail.

(Code 1956, § 38-27; M.C.S., Ord. No. 18,185, § 1, 4-3-97; M.C.S., Ord. No. 18,724, § 1, 6-4-98; Ord. No. 19,264, § 1, 4-19-00; Ord. No. 20,261, § 2, 8-2-01; M.C.S., Ord. No. 20,904, § 2, 10-17-02; M.C.S, Ord. No. 24629, § 1, 10-20-11)

Sec. 154-178. Mandatory court appearances and fines.

(a) Persons charged with the following offenses must appear in court and cannot pay their fines in the traffic court violations bureau:

(1) All persons involved in serious traffic accidents must appear in court, if in connection with that accident or growing

out of it he is charged with a moving violation. As herein used, the term "serious traffic accident" is understood to mean all traffic accidents in which any one or more persons receives a fatal, severe or noticeable injury. (Police Injury Codes 1, 2, and 3.)

(2) Whenever a person is charged with exceeding the speed limit by more than 20 miles per hour.

(3) When charged with having no license in possession or chauffeur's or driver's license.

(4) When charged with improper chauffeur's or driver's license, improper use of or driving on a suspended driver's or chauffeur's license.

(5) When charged with fraudulent use of a license plate, or fraudulent registrations.

(6) When charged with parading without a permit.

(7) When charged with failing to report an accident.

(8) When charged with interfering with official traffic control devices.

(9) When charged with hit and run driving.

(10) When charged with reckless driving in any manner.

(11) When charged with driving while intoxicated.

(12) When defendant is charged with a moving violation and the records of the court reveal that he has been three times convicted previously of a moving violation, within the previous 13-month period, or when otherwise required by the provisions of the fine schedule.

(13) When charged with fraudulent or unsafe use of a safety inspection certificate (brake tag), or use or possession of a fake brake tag.

(14) When a defendant has failed to appear as provided in section 154-145(b).

(15) When charged with failure to operate or equip vehicle so as to prevent the spillage of dirt, garbage, trash, etc., as required by section 154-402.

(16) Reserved. [see § 154-403, editor's note.]

(17) When charged with unsummoned tow truck response in violation of section 162-1585.

(18) When charged with unlawful operation of a motor vehicle on flooded streets in violation of section 154-404. Upon conviction of or a plea of guilty or nolo contendere to a violation of section 154-404, the court shall impose a fine of not less than $200.00 nor more than $500.00 for a first violation.

(b) Whenever appearance in court is mandatory under this article or where the person elects to appear in court to contest the case, the court may impose any sentence within its jurisdiction not to exceed $500.00, five months, or both in its discretion. Provided however, that where any defendant enters a plea of guilty in open court upon a charge that could have been paid in the violations bureau, the same fine must be imposed as he could have paid previously without a trail in the violations bureau.

(c) Notwithstanding anything contained herein to the contrary, upon conviction for the following offenses the court shall impose a fine in accordance with the schedule of fines in section 154-177. Nothing contained in this subsection shall be construed as to require a mandatory court appearance except as provided for elsewhere in the chapter.

(1) Illegal parking upon a neutral ground (154-1031).

(2) Unsummoned tow truck response (162-1585).

(d) When a defendant is charged with a violation of the prohibition of certain buses in the Vieux Carré as provided in section 122-54, a violation of Vieux Carré bus limitations as provided in section 162-942, or a violation on the restriction on stopping by buses as provided in section 154-983, the court shall impose a fine of

not less than $200.00 nor more than $500.00 for a first violation; a second violation shall result in a fine of not less than $400.00 nor more than $500.00 and imprisonment for not more than three months; a third violation shall result in a fine of not less than $500.00 and imprisonment of not less than 30 days, the court may substitute 30 days or more of public service in the Vieux Carré and adjacent areas instead of imprisonment; and four or more violations shall result in a fine of not less than $500.00 and imprisonment for not less than 60 days for each violation, the court may substitute 60 days or more of public service in the Vieux Carré and adjacent areas instead of imprisonment for each violation. The court shall submit information on any offenses to the department of utilities within 30 days.

(e) When a defendant is charged with using or possessing a fake, false or fraudulent safety inspection certificate as provided in section 154-1298, the court shall impose a fine of not less than $300.00 nor more than $500.00 and up to three months imprisonment for a first violation; a second violation shall result in a fine of not less than $400.00 nor more than $500.00 and up to four months imprisonment; a third or more violations shall result in a fine of not less than $500.00 and imprisonment of not less than 30 days nor more than five months for each violation. The court may substitute community service hours at a rate of seven hours for each $50.00 imposed and seven hours for each day of imprisonment. The community service hours shall include cleaning and picking up litter in public parks, recreational facilities, cemeteries or public rights-of-way.

(Code 1956, § 38-28; M.C.S., Ord. No. 18,185, § 2, 4-3-97; Ord. No. 19,264, § 1, 4-19-00; Ord. No. 20,261, § 2, 8-2-01; M.C.S., Ord. No. 20,904, § 3, 10-17-02)

Sec. 154-179. Cost of preparing conviction notice.

There shall be an additional charge of $0.50 added to the total of each fine excepting parking imposed by the traffic court for the purpose of defraying the cost of preparation of conviction notices to the state in accordance with state law. No specific order shall be necessary for the collection of these costs, and the same shall be collected by the appropriate clerk-cashier of the traffic court on each ticket paid in the court or in the violations bureau of the court.

ARTICLE IV. TRAFFIC CONTROL DEVICES

Sec. 154-231. Authority to install.

The city traffic engineer shall place and maintain traffic control signs, signals and devices when and as required under the traffic laws of the city to make effective the provisions of such laws, and may place and maintain such additional traffic control devices as he may deem necessary to regulate traffic under the traffic laws of the city or under state law, or to guide or warn traffic.

(Code 1956, § 38-38)

State law references—Powers of local authorities, R.S. 32:41; uniform highway marking system, R.S. 32:235.

Sec. 154-232. Engineer to designate crosswalks, establish safety zones, school zones, and mark traffic lanes.

The city traffic engineer may:

(1) Designate and maintain, by appropriate traffic control devices, crosswalks at intersections where, in their engineering judgment, there is a particular danger to pedestrians crossing the roadway and at such other places engineering studies and engineering judgement deems.

(2) Establish and maintain, by appropriate traffic control devices, safety zones of such kind and character and at such places engineering studies or engineering judgement deems necessary for the protection of pedestrians.

(3) Mark lanes for traffic on street pavements at such places engineering studies or engineering judgement deems necessary.

(4) Designate and maintain, by appropriate traffic control devices, mid-block marked crosswalks and other pedestrian treatments engineering studies or engineering judgement deems necessary.

(5) Designate and maintain, by appropriate traffic control devices, as school zones those streets or portions thereof adjacent to any public or private school, where children of any grades between and inclusive of kindergarten and twelfth attend on a regular basis. The city traffic engineer may designate and maintain, by appropriate traffic control devices, as school crossings those intersections which, although not directly adjacent to such a school, are used regularly by such children as pedestrians on their way to and from school. Additionally, the city traffic engineer may designate and maintain, by appropriate traffic control devices, such other portions of streets or intersections as school zones or school crossings where engineering studies or engineering judgment deems necessary.

(Code 1956, § 38-45; M.C.S., Ord. No. 29440, § 1, 5-11-23)

Sec. 154-233. Placement, maintenance of devices; specifications.

The city shall place and maintain such traffic control devices upon highways under its jurisdiction as deemed necessary to indicate and to carry out the provisions of this chapter, and traffic ordinances adopted pursuant to the authority granted by R.S. 32:41 and R.S. 32:42. All such traffic control devices erected shall conform to the state department of transportation and development's manual or specifications.

(Code 1956, § 38-39)

State law reference—Uniform highway marking system, R.S. 32:235.

Sec. 154-234. Obedience to devices.

The driver of any vehicle and the operator of any streetcar shall obey the instructions of any official traffic control device applicable thereto placed in accordance with the traffic laws of the city, unless otherwise directed by a police officer, subject to the exceptions granted to the driver of an authorized emergency vehicle in this chapter. This shall include special parking regulation signs.

(Code 1956, § 38-40)

State law reference—Obedience to traffic-control devices, R.S. 32:231(A).

Sec. 154-235. Obedience to signs not properly placed not required.

No provision of this article for which signs are required shall be enforced against an alleged violator if, at the time and place of the alleged violation, an official sign was not in proper position and where it can be seen by an ordinarily observant person. Whenever a particular section does not state that signs are required, such section shall be effective even though no signs are erected or in place.

(Code 1956, § 38-41)

State law reference—Obedience to signs not properly placed not required, R.S. 32:231(B).

Sec. 154-236. Meaning of signals.

(a) Whenever traffic is controlled by traffic control signals exhibiting different colored lights or colored lighted arrows successively one at a time or in combination, the following colors only shall be used except for special pedestrian signals carrying a word legend, and such terms and light shall indicate and apply to drivers of vehicles and pedestrians as follows:

(1) *Green indication.*

a. Vehicular traffic facing such signal may proceed straight through or turn right or left unless a sign at such place prohibits either such turn. But vehicular traffic, including vehicles turning right or left shall stop and yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time such signal is exhibited.

b. Vehicular traffic facing a green arrow signal, shown alone or in combination with another indication, may cautiously enter the intersection only

to make the movement indicated by such arrow, or such other movement as is permitted by other indications shown at the same time. Such vehicular traffic shall stop and yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

c. Unless otherwise directed by a pedestrian control signal as provided in section 154-238, pedestrians facing any green signal, except when the sole green signal is a turn arrow, may proceed across the roadway within any marked or unmarked crosswalk.

(2) *Steady yellow indication.*

a. When shown following the green signal, vehicular traffic facing such signal is thereby warned that the red signal will be exhibited immediately thereafter and such vehicular traffic shall not enter the intersection when the red signal is exhibited.

b. Unless otherwise directed by a pedestrian control signal as provided in section. 154-238 a pedestrian facing a steady yellow signal is thereby advised that there is insufficient time to cross the roadway before a red signal is exhibited and no pedestrian shall then start to cross the roadway.

(3) *Steady red indication.*

a. Vehicular traffic facing such signal alone shall stop at a clearly marked stop line, or if none, then before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection and shall remain standing until an indication to proceed is shown except as provided in subsection c. of this subsection.

b. Vehicular traffic facing a steady red arrow signal shall not enter the intersection to make the movement indicated by the arrow and, unless entering the intersection to make a movement permitted by another signal, shall stop at a clearly marked stop line, or if none, then before entering the crosswalk on the near side of the intersection, or if none, then before entering the intersection, and shall remain standing until an indication permitting the movement indicated by such red arrow is shown except as provided in subsection c. of this subsection.

c. Except when a sign prohibits a turn, vehicular traffic facing any steady red signal may cautiously enter the intersection to turn right, or to turn left from a one-way street into a one-way street, or to U-turn at a signalized U-turn after stopping as required by subsections a. or b. of this subsection. Such vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

d. Unless otherwise directed by a pedestrian control signal as provided in section 154-238, a pedestrian facing a steady circular red or red arrow signal shall not enter the roadway.

(4) *Flashing yellow indication.*

a. Vehicular traffic facing such signal, shown alone or in combination with another indication, may cautiously enter the intersection only to make the movement indicated by such arrow. Such vehicular traffic shall stop and yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

(b) If an official traffic control signal is erected and maintained at a place other than an intersection, the provisions of this section shall be

applicable except as to those provisions which by their nature have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of such sign or marking, the stop shall be made at the signal.
(Code 1956, § 38-42; M.C.S., Ord. No. 27364, § 1, 4-20-17)

State law reference—Traffic-control signals, R.S. 32:232.

Sec. 154-237. Obedience by streetcars.

The operator of any streetcar shall obey the signals as provided in section 154-236 as applicable to vehicles unless special streetcar signal indications are provided.
(Code 1956, § 38-42)

Sec. 154-238. Pedestrian control signals.

Whenever special pedestrian control signals exhibiting the words "Walk," or "Don't Walk" or other approved symbol are in place such signals shall indicate as follows:

(1) *Flashing or steady "Walk" or approved "Walking Person" symbol.* Pedestrians facing such signal may proceed across the roadway in the direction of the signal and shall be given the right-of-way by the drivers of all vehicles.

(2) *Flashing or steady "Don't Walk" or approved "Upraised Hand" symbol.* No pedestrian shall start to cross the roadway in the direction of such signal, but any pedestrian who has partially completed the crossing on the "Walk" signal shall proceed to the nearest sidewalk, neutral ground or safety zone while the "Don't Walk" or approved "Upraised Hand" signal is showing.

(Code 1956, § 38-43; M.C.S., Ord. No. 27364, § 1, 4-20-17)

State law reference—Pedestrian-control signals, R.S. 32:233.

Sec. 154-239. Flashing signals.

(a) Whenever an illuminated flashing red or yellow signal is used in a traffic sign or signal, it shall require obedience by vehicular traffic as follows:

(1) *Flashing red (Stop signal).* When a red lens is illuminated with rapid intermittent flashes, drivers of vehicles shall stop before entering the nearest crosswalk at an intersection or at a limit line when marked or, if none, then before entering the intersection, and the right to proceed shall be subject to the rules applicable after making a stop at a stop sign.

(2) *Flashing yellow or amber (Caution signal).* When a yellow lens is illuminated with rapid intermittent flashes, drivers of vehicles may proceed through the intersection or past such signal only with caution.

(b) This section shall not apply at railroad grade crossings. Conduct of drivers of vehicles approaching railroad grade crossing shall be governed by the rules set forth in R.S. 32:171 through 32:174.
(Code 1956, § 38-44)

State law reference—Flashing signals, R.S. 32:234.

Sec. 154-240. Driving on roadway laned for traffic.

Whenever any roadway has been divided into two or more clearly marked lanes for traffic, the following rules, in addition to all others consistent herewith, shall apply:

(1) A vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

(2) The city may erect signs directing slow moving traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction, and drivers of vehicles shall obey the directions of such signs.

(Code 1956, § 38-46)

Sec. 154-241. Driving on divided highways.

(a) Whenever any highway has been divided into two roadways by a median, physical barrier, or clearly indicated dividing section so constructed as to impede vehicular traffic, every vehicle shall be driven only upon the right hand roadway and

no vehicle shall be driven over, across or within the median, barrier or section, except through an improved opening or at a cross over or intersection established under authority of this chapter.

(b) No vehicle shall cross the painted centerline of any multiple lane highway, except for the purpose of making a turn.
(Code 1956, § 38-46)

State law references—Driving on roadway laned for traffic, R.S. 32:79; driving on divided highways, R.S. 32:82.

Sec. 154-242. Display of unauthorized signs, signals, or markings.

(a) No person shall place, maintain or display upon or in view of any highway any unauthorized sign, marking or device which:

(1) Purports to be or is an imitation of or resembles an official traffic control device or railroad sign or signal;

(2) Attempts to direct or restrict the movement or parking of vehicles;

(3) Hides from view or interferes with the effectiveness of any traffic control device or railroad sign or signal; or

(4) Creates a sight obstruction or in any other manner interferes with the safe movement of traffic.

(5) Is mobile in nature and contains lights, advertising, or other images directed at any portion of the traveled roadways and which cause glare or impair the vision of the driver of any motor vehicle or any pedestrian, or which otherwise interfere with any driver's operation of a motor vehicle are prohibited.

(b) No person shall place or maintain, nor shall any public authority permit upon any highway any sign or signal bearing thereon any commercial advertising, with the exception of:

(1) Any and all advertising signs located on any transit waiting station approved by the council;

(2) Name and logo of owner and any sponsors of a public self-service bicycle rental service on its public self-service bicycle rental stations.

(c) This section shall not prohibit the erection upon private property adjacent to highways of signs giving useful directional information and of a type that cannot be mistaken for official signs.

(d) Every prohibited sign, signal or marking is hereby declared to be a public nuisance and the superintendent of police may remove it or cause it to be removed without notice.
(Code 1956, § 38-47; M.C.S., Ord. No. 27596, § 2, 11-16-17; M.C.S., Ord. No. 27748, § 1, 5-3-18)

State law reference—Prohibited signs, R.S. 32:236.

Sec. 154-243. Interference with devices or railroad signs or signals.

No person shall, without lawful authority, attempt to or in fact alter, deface, injure, knock down, or remove any official traffic control device or any railroad sign or signal or any inscription, shield or insignia thereon or any part thereof.
(Code 1956, § 38-48)

State law reference—Prohibition against tampering with barricades, signs and signals, R.S. 32:237.

Sec. 154-244. Directional signs.

(a) *Definition.* In this section, "directional signs" are those signs that direct, point, guide or show persons to a particular area or destination within the city.

(b) *Prohibition.* Directional signs are prohibited except as specifically provided by this section.

(c) *Signs allowed.* Directional signs may be erected on streets located on the city's major street plan only after the location and design of such signs are reviewed and approved by the executive director of the city planning commission in consultation with the director of the department of streets. The department of streets shall coordinate the installation of all such signs.

(d) *Design of signs.* The size, shape and format of directional signs shall be uniform so as to differentiate such signs from regulatory traffic control signs, signals and devices.

(e) *Content of signs.* Directional signs:

(1) Shall uniformly contain the city logo or seal, except as provided in paragraphs (f) and (g) of this section;

(2) May indicate a particular geographic section of the city (including, but not limited to, "French Quarter" or "Vieux Carré," "Central Business District," "Riverfront," "Warehouse District," "Uptown" and "Lakefront");

(3) May indicate a general type of attraction or destination (including, but not limited to, "Aquarium," "Casino," "Convention Center," "City Park," "Riverboats," "Superdome" or "Zoo");

(4) May indicate the location of parking facilities;

(5) May contain directional arrows and distances; and

(6) Shall not contain the name or logo of an individual private business or entity except as provided in paragraphs (f) and (g) of this section.

(f) *Port signs.* Directional signs to port facilities may be utilized for the purpose of directing traffic:

(1) To use the city's official truck route; and

(2) To the public cruise terminal.

The content of these signs shall contain only the name of the wharf or port area being served and "Port of New Orleans."

(g) *Other signs.* The department of streets may erect directional signs indicating the location of medical, fire, police and other emergency service facilities, colleges and universities, public parks, and judicial and governmental buildings.

(h) The department of streets shall remove any directional sign that does not conform to this section.

State law references—Driver must be licensed, R.S. 32:52; all drivers must secure license, R.S. 32:402.

Sec. 154-302. Change of address of licensee.

Whenever any person after applying for or receiving a driver's license shall move permanently from the address or place of residence named in the application he shall, within ten days thereafter, have his address changed in accordance with the provisions of the state driver's license bureau.
(Code 1956, § 38-146)

State law reference—Licensee must give notice of change of address, R.S. 32:406.

Sec. 154-303. License in immediate possession of driver.

The licensee shall have his driver's license in his immediate possession at all times when operating a motor vehicle, and shall display it upon demand of any police officer of the city, or any police officer of the state, or any agent of the department of public safety of the state; except that where the licensee has previously deposited his license with an arresting officer or the traffic court, as provided in section 154-136, and has received a temporary operator's license, as provided in subsection (b) of such section, the licensee shall display the temporary operator's license upon demand of such police officer, or any agent of the department of public safety of the

state, the same to serve as a substitute for the license until the date and time shown on the traffic ticket and affidavit.
(Code 1956, § 38-147)

State law reference—Licensee to have license or receipt in immediate possession, R.S. 32:411(D).

Sec. 154-304. Unlawful use of license.

It is prohibited for any person to:

(1) Display or cause or permit to be displayed or have in his possession any cancelled, revoked, suspended, fictitious, defaced, mutilated or fraudulently altered driver's license or temporary driver's license;

(2) Lend his driver's license, or temporary driver's license to any other person or knowingly permit the use thereof by another;

(3) Display or represent as one's own any driver's license, or temporary driver's license, not issued to him;

(4) Permit any unlawful use of a driver's license, or temporary driver's license issued to him;

(5) Operate a motor vehicle on any public street of the city when his driver's license, or temporary driver's license, has been cancelled, suspended or revoked;

(6) Operate a motor vehicle with a restricted license when not abiding by such restrictions; or

(7) Operate a motor vehicle when his driver's license, or temporary driver's license, has expired.

(Code 1956, § 38-148)

State law reference—Unlawful use of license, R.S. 32:414.1.

Sec. 154-305. Signature of licensee.

Every person licensed shall maintain a facsimile of his usual signature in the space provided for that purpose on the driver's license.
(Code 1956, § 38-149)

State law reference—Signature of licensee, R.S. 32:410(A).

Sec. 154-306. Exemptions from driver's license requirements.

The following persons shall be exempt from state driver's license requirements:

(1) Any employee of the United States government while operating a motor vehicle owned or leased by the United States government and being operated on official business when such person has in his immediate possession a valid license issued to him by the United States government.

(2) Any person on active duty with the armed forces of the United States and any dependent of such person, provided any such person has a valid and current driver's license from a foreign state.

(3) A nonresident who has in his immediate possession a valid license issued to him in his home state or country, for a period not to exceed 90 days.

(4) A nonresident whose home state or country does not require a driver's license, for a period not to exceed 90 days.

(5) A nonresident who is in possession of a valid driver's license from the state of his residence who is not required to obtain a state driver's license by virtue of a reciprocal agreement between his state and this state sanctioned by law.

(Code 1956, § 38-150)

State law reference—Exemptions from driver's license requirements, R.S. 32:420.

Sec. 154-307. License plates.

(a) Every person who is a resident of the state and owns a motor vehicle of any description must first obtain an appropriate, current, valid license plate from the state before driving his motor vehicle upon any public streets of the city, except that a 20-day temporary registration marker may be used for new cars when lawfully issued by a dealer.

(b) No vehicle shall be driven on the streets of this city with any vehicle license plate which is mutilated, defaced, damaged, or obscured in such a manner as to make the letters and numerals thereon illegible.

(c) A license plate shall be placed and positioned to be clearly visible and securely fastened. At night, the plate must be so illuminated as to be visible from a distance of 50 feet.

(d) It shall further be a violation of this section for any person to operate upon the streets of the city a motor vehicle not bearing a current license plate from this state or from the state where the owner resides, if he is a nonresident.

(e) Owners of self-propelled motor cranes and similar equipment used exclusively for heavy construction by the building and utility industries in off-road construction are exempt from the foregoing provisions of this section.

(f) Owners of vehicles who are on active duty with the armed forces of the United States and any owner of a vehicle who is a dependent of such a person are exempt from the foregoing provisions of this section provided the vehicle has a valid license plate and valid registration documents from a foreign state. This shall not exempt any such person from complying with the applicable laws requiring a valid brake and safety inspection sticker.
(Code 1956, § 38-151)

State law references—License plates, R.S. 47:505; display of plate, R.S. 47:507.

Sec. 154-308. Registration required.

Every owner of a motor vehicle who is a resident of the state and whose vehicle is subject to registration under state law shall make application to the state motor vehicle registration division for a registration certificate.
(Code 1956, § 38-152)

State law references—Owner to secure registration, R.S. 47:501; register of applicants to be kept by secretary, R.S. 47:504.

Sec. 154-309. Registration certificate to be carried and exhibited on demand.

Every registration certificate shall at all times be carried in the vehicle to which it refers or shall be carried by the person driving or in control of such vehicle who shall display same upon demand of any police officer of the city or any police officer of the state.
(Code 1956, § 38-153)

State law reference—Registration certificates, R.S. 47:506.

Sec. 154-310. Transfer of registration by owner.

Whenever the owner of a registered vehicle transfers or assigns his title or interest thereto, the registration plate issued for such vehicle shall remain attached thereto.
(Code 1956, § 38-154)

State law reference—Transfer of registration certificates, R.S. 47:509.

Sec. 154-311. Assignment and transfer of vehicles; prohibitions.

(a) Any person purchasing a motor vehicle from another in the city shall promptly apply for transfer of registration.

(b) Whoever shall, except as otherwise provided for by state law, purport to sell or transfer a vehicle without delivery to the purchaser or transferee thereof a certificate of title thereto duly endorsed and assigned to such purchaser as provided for by state law; or being the owner thereof shall operate on any public road, highway or bridge of this city a vehicle for which a certificate of title is required by the provisions of state law without such certificate having been applied for in accordance with the provisions of state law, or upon which the certificate of title has been cancelled; or any person other than the owner thereof who shall operate on any public road, highway or bridge in this state a vehicle for which a certificate of title is required by the provisions of state law without such certificate having been applied for in accordance with the provisions of state law, or upon which the certificate of title has been cancelled; or any person other than the owner thereof, who shall operate on any public road, or highway or bridge in this state a vehicle for which the certificate of title is required by the provisions of state law, knowing or having reason to believe that the

owner has failed to obtain a certificate of title therefor, or that same has been canceled, shall be guilty of a violation of this section.
(Code 1956, § 38-155)

State law reference—Transfer of registration certificates, R.S. 47:509.

Sec. 154-312. Unlawful use of registration certificate or license plate.

(a) No person shall sell or lend a registration certificate or license plate to any other person for use on a vehicle other than that for which it was issued.

(b) No person shall attach a license plate to any other vehicle other than that for which it was issued.

(c) No person shall display or represent as his own registration certificate or license plate not issued or lawfully transferred to him, or drive a vehicle to which same is attached.

(d) No person shall permit the unlawful use of a registration certificate or license plate.
(Code 1956, § 38-156)

State law reference—Violations of registration provisions, R.S. 47:536.

Sec. 154-313. Possession of vehicles with defaced numbers.

No person shall have in his possession any motor vehicle, motorcycle, or bicycle from which the manufacturer's serial number or any other manufacturer's trade or distinguishing number or identification mark has been removed, defaced, covered or destroyed, for the purpose of concealing or destroying the identification of such motor vehicle, motorcycle, or bicycle.
(Code 1956, § 38-157)

State law references—Concealing or misrepresenting identity of motor vehicle or engine, R.S. 32:725; destruction or alteration of distinguishing number or mark, R.S. 32:726.

Sec. 154-314. Driving through certain areas prohibited.

(1) No vehicle shall at any time be driven through or within a safety zone, or within any sidewalk area, except at a permanent or temporary driveway. The operation of motorcycles is hereby prohibited within the Vieux Carré (as defined in the state Constitution) between the hours of 12:00 midnight to 6:00 a.m. Enforcement vehicles of any city, state or federal agency are hereby exempted from the prohibitions of this section while engaged in the official business of their respective agency. Bona fide residents of the Vieux Carré or bona fide employers or employees employed within the Vieux Carré shall be allowed the right of ingress and egress to their place of residence or their place of employment during the prohibited times as stated herein.

(2) All motorcycles shall be equipped with an exhaust muffler bearing the federally required Environmental Protection Agency (EPA) label and/or certificate applicable to the model's year as set out in 40 Code of Federal Regulations (CFR) § 205.169.
(Code 1956, § 38-114; M.C.S., Ord. No. 24588, § 1, 9-1-11)

Sec. 154-315. Loading of vehicles.

(a) No vehicle shall be driven or moved on any highway of this state or streets of the city unless such vehicle is so constructed or loaded as to prevent any of its load from dropping, shifting, leaking or otherwise escaping therefrom, except that sand may be dropped for the purpose of securing traction, or water substance on the highway to clean or maintain such highway.

(b) No person shall operate on any highway of this city any vehicle with any load unless such load and any covering thereon is securely fastened so as to prevent such covering or load from becoming loose, detached or in any manner a hazard to other users of the highway.
(Code 1956, § 38-170)

Secs. 154-316—154-370. Reserved.

DIVISION 2. RULES OF THE ROAD

Sec. 154-371. Driving on right side of roadway; exceptions.

(a) Upon all roadways of sufficient width, a vehicle shall be driven upon the right half of the roadway, except as follows:

(1) When overtaking and passing another vehicle proceeding in the same direction under the rules governing such movements;

(2) When the right half of a roadway is closed to vehicular traffic while under construction or repair;

(3) Upon a roadway designated and sign-posted for one-way traffic, or upon a divided roadway.

(b) Upon all multiple lane highways or roadways any vehicle proceeding at less than the normal speed of traffic at the time and place and under the circumstances then existing shall be driven in the right-hand lane then available for traffic, except when preparing for a left turn at an intersection or into a private road or driveway, or passing or overtaking a vehicle proceeding in the same direction, if passing on the left side of it.

(Code 1956, § 38-83)

State law references—Driving on right side of road; exceptions, R.S. 32:71.

Sec. 154-372. Passing vehicles proceeding in opposite directions.

Drivers of vehicles proceeding in opposite directions shall pass each other to the right, and upon roadways having width for not more than one line of traffic in each direction each driver shall give to the other at least one-half of the main travelled portion of the roadway as nearly as possible.

(Code 1956, § 38-84)

State law reference—Passing vehicles proceeding in opposite direction, R.S. 32:72.

Sec. 154-373. Passing a vehicle on the left.

The following rules shall govern the overtaking and passing of vehicles proceeding in the same direction, subject to those limitations, exceptions, and special rules hereinafter stated:

(1) Except when overtaking and passing on the right is permitted, the driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left thereof at a safe distance, and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle.

(2) Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle on audible signal, and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle.

(Code 1956, § 38-85)

State law reference—Passing a vehicle on the left, R.S. 32:73.

Sec. 154-374. When passing on the right is permitted.

(a) The driver of a vehicle may overtake and pass upon the right of another vehicle only under the following conditions:

(1) When the vehicle overtaken is making or about to make a left turn;

(2) Upon a one-way street, or upon a highway on which traffic is restricted to one direction of movement, where the highway is free from obstructions and of sufficient width for two or more lines of moving vehicles;

(3) Upon multiple-lane highways and divided highways.

(b) The driver of a vehicle may overtake and pass another vehicle upon the right only under conditions permitting such movement in safety. In no event shall such movement be made by driving off the pavement or main travelled portion of the highway.

(c) This section does not prohibit the use of a bicycle in a bicycle lane or on a shoulder.

(Code 1956, § 38-86; M.C.S., Ord. No. 27365, § 2, 4-20-17)

State law reference—When passing on the right is permitted, R.S. 32:74.

Sec. 154-375. Limitations on overtaking on the left on a two-way roadway.

No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left side of roadway is clearly visible and free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without

interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to the right-hand side of the roadway before coming within 100 feet of any vehicle approaching from the opposite direction.
(Code 1956, § 38-87)

State law reference—Limitations on passing on the left, R.S. 32:76.

Sec. 154-376. Further limitations on passing on the left.

(a) No vehicle shall at any time be driven to the left side of the highway under the following conditions:

(1) When approaching the crest of a grade or upon a curve in the highway, where the driver's view is obstructed within such distance as to create a hazard if another vehicle might approach from the opposite direction.

(2) When approaching within 50 feet of or traversing any intersection or railroad grade crossing.

(3) When the view is obstructed upon approaching within 100 feet of any bridge, viaduct, or tunnel.

(4) When traffic ahead is stopped, whether or not the reason is apparent, unless directed to do so by a police officer.

(b) The foregoing limitations shall not apply upon a one-way roadway or a multiple-lane highway.
(Code 1956, § 38-88)

State law reference—Limitations on passing on the left, R.S. 32:76.

Sec. 154-377. No-passing zones.

(a) The city traffic engineer is hereby authorized to determine those portions of any highway where overtaking and passing or driving to the left of the roadway would be especially hazardous, and may, when appropriate signs or markings on the roadway indicate the beginning and end of such zones, and when such signs or markings are in place and clearly visible to an ordinarily observant person every driver of a vehicle shall obey the directions thereof.

(b) Where signs or markings are in place to define a no-passing zone as set forth in subsection (a) of this section no driver shall at any time drive on the left side of the roadway within such no-passing zone or on the left side of any pavement striping designated to mark such no-passing zones throughout its length.
(Code 1956, § 38-89)

State law reference—No passing zones, R.S. 32:77.

Sec. 154-378. Driving on roadways laned for traffic.

Whenever any roadway has been divided into two or more clearly marked lanes for traffic, the following rules, in addition to all others consistent herewith, shall apply:

(1) A vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

(2) Official signs may be erected directing slow-moving traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction, regardless of the center of the roadway, and drivers of vehicles shall obey the directions on every such sign.

(3) Lane usage for trucks on U.S. Highway 90 Business. It shall be unlawful for the driver of any multi-axle vehicle or a vehicle of a gross weight per load carrying axle in pounds in excess of 3,500 pounds, except passenger buses and school buses, to drive in the left-hand lane on that section of U.S. Highway 90 Business (Greater New Orleans Mississippi River Bridge) between Camp Street and the West Bank Toll Plaza.

(4) Lane usage for trucks on Louisiana Avenue. It shall be unlawful for the driver of any multi-axle vehicle or a vehicle of a gross weight per load carrying axle in pounds in excess of 3,500

pounds, including passenger buses and school buses, to drive in the left-hand lane on that section of Louisiana Avenue between the Mississippi River and South Claiborne Avenue except when such vehicles are executing a left-hand turn.

(Code 1956, § 38-90)

State law reference—Driving on roadway laned for traffic, R.S. 32:79.

Sec. 154-379. Driving in parking lane not permitted.

Where parking is permitted in a lane of traffic immediately adjacent to the curb, no vehicle shall travel in such lane of traffic except for the purpose of stopping or parking, or for the purpose of making a turn, and when making a turn, only within 50 feet from the intersection where the turn is to be made.

(Code 1956, § 38-91)

Sec. 154-380. Driving on divided streets.

(a) Whenever any highway has been divided into two roadways by a median, physical barrier, or clearly indicated dividing section so constructed as to impede vehicular traffic, every vehicle shall be driven only upon the right-hand roadway and no vehicle shall be driven over, across or within the median, barrier or section, except through an improved opening or at a cross-over or intersection established under authority of this chapter.

(b) No vehicle shall cross the painted centerline of any multiple-lane highway or street except for the purpose of making a turn.

(Code 1956, § 38-92)

State law reference—Driving on roadway laned for traffic, R.S. 32:79.

Sec. 154-381. Operating a vehicle while intoxicated.

(a) The crime of operating a vehicle while intoxicated is the operation of any motor vehicle, aircraft, watercraft, vessel, or other means of motorized conveyance when:

(1) The operator is under the influence of alcoholic beverages; or

(2) The operator's blood alcohol concentration is 0.08 percent or more by weight based on grams of alcohol per 100 cubic centimeters of blood; or

(3) The operator is under the influence of any controlled dangerous substance listed in Schedule I, II, III, IV, or V as set forth in La. R.S. 40:964; or

(4) The operator is under the influence of a combination of alcohol and one or more drugs, which are not controlled dangerous substances and which are legally obtainable with or without a prescription, and the label on the container of the prescription drug or the manufacturer's package of the drug contains a warning against combining the medication with alcohol; or

(5) The operator is under the influence of one or more drugs which are not controlled dangerous substances and which are legally obtainable with or without a prescription, and the influence is caused by the operator knowingly consuming quantities of the drug or drugs which substantially exceed the dosage prescribed by the physician or the dosage recommended by the manufacturer of the drug.

(b) On a first conviction, notwithstanding any other provision of law to the contrary, the offender shall be fined not less than $300.00 nor more than $1,000.00, and shall be imprisoned for not less than ten days nor more than six months. Imposition or execution of the sentence shall not be suspended unless:

(1) The offender is placed on probation with a minimum condition that he serve 48 hours in jail, participate in a court-approved substance abuse program, and participate in a court-approved driver improvement program; or

(2) The offender is placed on probation with a minimum condition that he perform four eight-hour days of court-approved community service activities, at least one-half of which shall consist of participation in a litter abatement or collection

program; participate in a court-approved substance abuse program; and participate in a court-approved driver improvement program. An offender who participates in a litter abatement or collection program pursuant to this subparagraph shall have no cause of action for damages against the entity conducting the program or supervising his participation therein, including a municipality, parish, sheriff, or other entity, nor against any official, employee, or agent of such entity, for any injury or loss as a direct result of lack of supervision or act or omission of the supervisor, unless the injury or loss was caused by the intentional or grossly negligent act or omission of the entity or its official, employee, or agent.

The court may order that the offender not operate a motor vehicle during the period of probation, or such longer time as permitted by state law, or such shorter time as set by the court, unless any vehicle, while being operated by the offender, is equipped with a functioning ignition interlock device in compliance with the requirements of R.S. 14:98.5(C) and R.S. 32:378.2.

(c) If the offender had a blood alcohol concentration of 0.15 percent or more by weight based on grams of alcohol per 100 cubic centimeters of blood, at least 48 hours of the sentence imposed pursuant to paragraph (b) of this section shall be served without the benefit of parole, probation, or suspension of sentence. Imposition or execution of the remainder of the sentence shall not be suspended unless the offender complies with paragraph (b)(1) or (b)(2) of this section.

(d) On a second conviction, notwithstanding any other provision of law to the contrary, regardless of whether the second conviction occurred before or after the first conviction, the offender shall be fined not less than $750.00 nor more than $1,000.00, and imprisoned for not less than 30 days nor more than six months. At least 48 hours of the sentence imposed shall be served without the benefit of parole, probation, or suspension of sentence.

Nothing herein shall prohibit a court from sentencing a defendant to home incarceration, if otherwise allowed under the provisions of Article 894.2 of the Code of Criminal Procedure. Imposition or execution of the remainder of the sentence shall not be suspended unless:

(1) The offender is placed on probation with a minimum condition that he serve 15 days in jail, participate in a court-approved substance abuse program, and participate in a court-approved driver improvement program; or

(2) The offender is placed on probation with a minimum condition that he performs 30 eight-hour days of court-approved community service activities, at least one-half of which shall consist of participation in a litter abatement or collection program; participate in a court-approved substance abuse program; and participate in a court-approved driver improvement program. An offender who participates in a litter abatement or collection program pursuant to this subparagraph shall have no cause of action for damages against the entity conducting the program or supervising his participation therein, including a municipality, parish, sheriff, or other entity, nor against any official, employee, or agent of such entity, for any injury or loss as a direct result of lack of supervision or act or omission of the supervisor, unless the injury or loss was caused by the intentional or grossly negligent act or omission of the entity or its official, employee, or agent.

The court shall order that the offender not operate a motor vehicle during the period of probation, or such longer time as permitted by state law, or such shorter time as set by the court, unless any vehicle, while being operated by the offender, is equipped with a functioning ignition interlock device in compliance with the requirements of R.S. 14:98.5(C) and R.S. 32:378.2.

(e) If the offender had a blood alcohol concentration of 0.15 percent or more by weight based on grams of alcohol per 100 cubic centimeters of blood, at least 96 hours of the sentence imposed pursuant to paragraph (d) of this section shall be served without the benefit of

parole, probation, or suspension of sentence. Imposition or execution of the remainder of the sentence shall not be suspended unless the offender complies with paragraph (d)(1) or (d)(2) of this section.

(f) Any offense under this section committed more than ten years prior to the commission of the crime for which the defendant is being tried shall not be considered in the assessment of penalties hereunder.

(g) Court-approved substance abuse programs provided for herein shall include a screening procedure to determine the portions of the program which may be applicable and appropriate for individual offenders.

(h) This subsection shall be cited as the "Child Endangerment Law." When, in addition to the elements of the crime as set forth in subsection (a) of this section, a minor child 12 years of age or younger was a passenger in the motor vehicle, aircraft, watercraft, vessel, or other means of motorized conveyance at the time of the commission of the offense, the execution of the appropriate minimum mandatory sentences provided herein shall not be suspended.

(i) For the purposes of determining whether a defendant has a prior conviction for violation of this section, the following shall constitute a prior conviction and determination of such shall be made by the court as a matter of law: a conviction under La. R.S. 14:98, vehicular homicide, vehicular negligent injuring, or a conviction under the laws of any state or an ordinance of any municipality, town, or similar political subdivision of another state, which prohibits the operation of any motor vehicle, aircraft, watercraft, vessel, or other means of motorized conveyance while intoxicated, while impaired, or while under the influence of alcohol, drugs, or any controlled dangerous substance.

Sec. 154-382. Reckless operation of a vehicle.

(a) Reckless operation of a vehicle is the operation of any motor vehicle, aircraft, watercraft, or other means of conveyance in a criminally negligent or reckless manner.

(b) Whoever commits the offense of reckless operation of a vehicle shall be fined not less than $50.00 or imprisoned for not less than ten days or both.

(Code 1956, § 38-111)

State law reference—Reckless operation of a vehicle, R.S. 14:99.

Sec. 154-383. Careless operation of a vehicle.

Any person who operates any vehicle upon a highway or operates a streetcar upon a highway or neutral ground carelessly, and in disregard to the rights and safety of themselves or others, shall be guilty of careless driving.

(Code 1956, § 38-111.1)

State law reference—Careless operation of a vehicle, R.S. 32:58.

Sec. 154-384. Hit and run driving.

(a) Hit and run driving is the intentional failure of the operator of a vehicle involved in or causing any accident to stop such vehicle at the scene of the accident to give his identity and to render reasonable aid.

(b) To give his identity, for the purpose of this section, shall mean that the operator of any vehicle involved in any accident shall provide his name, address, and the license number of his vehicle to witnesses present at the accident or shall report the accident to the police immediately.

(c) Whoever is convicted of hit and run driving shall be fined not less than $50.00 nor more than $300.00 or imprisoned for not less than ten days, or both.

(Code 1956, § 38-112)

State law reference—Hit and run driving, R.S. 14:100.

Sec. 154-385. Reporting accidents.

(a) Any person who, as a principal as defined in this chapter, is involved in a traffic accident occurring on a street of the city, must report such accident to the police department immediately, by the quickest means of communication; provided, however, the accident need not be reported to the police department, where:

(1) There is no injury or death;

(2) Total property damage appears not to exceed $500.00;

(3) Where all vehicles are capable of being driven away from the scene of the accident; and

(4) Where all principals agree not to call the police department.

(b) This section shall not waive the provisions of section 154-384.
(Code 1956, § 38-113; M.C.S., Ord. No. 19,275, § 1, 6-17-99)

State law reference—Accident reports, R.S. 32:398.

Sec. 154-386. Mandatory movement of vehicles.

(a) In all accidents, regardless of the amount of damage sustained by either vehicle, where:

(1) Traffic flow is being impeded by the accident vehicles remaining in position;

(2) Either or all vehicles are capable of being moved under its own power;

(3) There is no death or serious injury;

the principals involved whose vehicles are capable of being moved are required to move same to the nearest available parking, emergency or no-traffic lane, provided, said move can be made in safety and without the aggravation of any injuries.

(b) By this section the principals are directed to remove their vehicles off any bridge, expressway or interstate highway where there is no available parking, emergency or no-traffic lane, or off the exit or entrance ramps of any bridge, expressway or interstate highway to the nearest available parking emergency or no-traffic lane. Any violation of the provisions of this section shall constitute obstruction of traffic.

(c) In every event, the principals must remain on the scene until the provisions of sections 154-384 and 154-385 have been complied with.
(Code 1956, § 38-113.1)

Sec. 154-387. Driving on curbs or on neutral grounds prohibited.

Whoever shall drive a vehicle of any description over curbs or upon or over a neutral ground shall be guilty of a misdemeanor.
(Code 1956, § 38-116)

Sec. 154-388. Off road operation.

(a) No person shall operate any motor vehicle within 5,000 feet of a residential zoning district and off of a public right-of-way.

(b) Nothing in this section shall be deemed or construed to prohibit the operation of a motor vehicle off of a public right-of-way as required for ingress to or egress from a public right-of-way or in conjunction with the parking, storing or servicing of such motor vehicle, in a manner not otherwise prohibited by law.
(Code 1956, § 38-117)

Sec. 154-389. Driving on streetcar tracks.

(a) The driver of any vehicle proceeding upon any streetcar tracks in front of a streetcar upon such a street shall remove such vehicle from the tracks as soon as practical after a signal from the operator of such streetcar.

(b) When a streetcar has lawfully entered and is crossing an intersection, no driver of a vehicle shall drive upon or across the car tracks within the intersection in front of such streetcar.

(c) The driver of a vehicle upon overtaking and passing a streetcar shall not turn in front of such streetcar so as to interfere with or impede its movement.
(Code 1956, § 38-118)

Sec. 154-390. Following authorized emergency vehicle.

The driver of any vehicle, other than one on official business, shall not follow any authorized emergency vehicle responding to an emergency closer than 500 feet. In the event the authorized emergency vehicle is a piece of firefighting

apparatus, no vehicle shall park or be driven into the block wherein the fire apparatus has stopped in answer to a fire alarm.
(Code 1956, § 38-119)

Sec. 154-391. Crossing fire hose prohibited.

No streetcar or vehicle shall be driven over any unprotected hose of the fire department when laid down on any street, private driveway or streetcar track to be used at any fire or alarm of fire without the consent of the fire department official in command.
(Code 1956, § 38-120)

Sec. 154-392. Drivers in a procession.

Each driver in a funeral or other procession shall drive as near to the right-hand edge of the roadway as practical and shall follow the vehicle ahead as closely as is practical and safe, and shall obey all traffic laws.
(Code 1956, § 38-121)

Sec. 154-393. Funeral procession to be identified.

A funeral procession composed of a procession of vehicles shall be identified by the display of an approved pennant by the funeral director in charge on the lead vehicle, and the display of lighted headlights by all vehicles comprising the funeral procession. The pennant device shall be approved by the superintendent of police.
(Code 1956, § 38-122)

Sec. 154-394. Driving through funeral or other procession.

No driver of a vehicle or motorman of a streetcar shall drive between the vehicles comprising a funeral or other authorized procession while they are in motion and when such vehicles are conspicuously designated as required in this chapter. This provision shall not apply at intersections where traffic is controlled by traffic control devices, signs or police officers.

State law reference—Following vehicles, R.S. 32:81.

Sec. 154-395. Restricted access.

No person shall drive a vehicle onto or from any limited-access roadway except at such entrances and exits as are established by public authority.
(Code 1956, § 38-125)

Sec. 154-396. Objects projecting from rear; red flag or light.

(a) Any vehicle carrying a pole or other object or material which projects more than four feet from the rear end of such vehicle shall, during the period from sunset to sunrise, display a red light at or near the end of the pole or other object or material so projecting. During the period from sunrise to sunset such vehicle shall display a red flag, the dimensions of which shall not be less than 12 inches square, at or near the end of such pole or other object or material so projecting.

(b) When one vehicle is towing another, the drawbar or other connection shall be of sufficient strength to pull all weight towed thereby, and such drawbar or other connection shall not exceed 15 feet from one vehicle to the other, except the connection between any two vehicles transporting poles, pipe, machinery or other objects of a structural nature which cannot readily be dismembered.

(c) No vehicle shall push another vehicle at a speed in excess of 15 miles per hour.
(Code 1956, § 38-129)

State law reference—Projecting loads on vehicles, R.S. 32:380.

Sec. 154-397. Opening and closing vehicle doors.

(a) No person shall open any door of a motor vehicle located on a highway without first taking due precaution to ensure that his act shall not interfere with the movement of traffic or endanger any other person or vehicle.

(b) No person shall leave any door of a motor vehicle located on a highway open on the side adjacent to moving traffic for a period of time longer than necessary to load or unload passengers.

(c) No person shall load or unload merchandise or freight from that side of a motor vehicle available to moving traffic in such a manner as to impede the right-of-way of any vehicle travelling in such adjacent moving traffic lane.
(Code 1956, § 38-130; M.C.S., Ord. No. 27365, § 3, 4-20-17)

State law reference—Opening and closing vehicle doors, R.S. 32:283.

Sec. 154-398. Unattended or disabled motor vehicle.

(a) No person driving or in charge of any motor vehicle shall permit it to stand unattended without complying with the following requirements:

(1) Stopping the motor, locking the ignition, and removing the key.

(2) Setting the brake.

(3) Turning the front wheels to the curb or side of the highway when standing on any grade, hill or slope. Failure to comply with any of the above requirements in subsections (1), (2), or (3) of this section when necessary shall constitute a violation of this section.

(b) If a vehicle is disabled, the person in charge of such vehicle shall not leave it for any length of time longer than necessary to procure aid and repair and shall warn other traffic of the traffic impediment.

State law references—Stopping, standing or parking outside business or residence districts, R.S. 32:141(B); unattended motor vehicles, R.S. 32:145.

Sec. 154-399. Obstruction to driver's view or driving mechanism.

(a) No person shall drive a vehicle when it is so loaded, or when there are in the front seat such a number of persons exceeding three, as to obstruct the view of the driver to the front, sides or rear of the vehicle or as to interfere with the driver's control of the driving mechanism of the vehicle.

(b) No passenger in a vehicle shall ride in such a position as to interfere with the view of the driver to the front, side or rear of the vehicle or to interfere with his control over the driving mechanism of the vehicle.

(c) No person shall drive any vehicle with any nontransparent material upon the windshield, side wings, side or rear windows, other than a certificate or other paper required to be so displayed by law, or permitted by regulation of the state department of highways.
(Code 1956, § 38-132)

State law reference—Obstruction to driver's view or driving mechanism, R.S. 32:282.

Sec. 154-400. Drivers to use reasonable vigilance.

The operator of any vehicle in this city shall maintain a reasonable vigilance at all times while driving, sufficient to avoid collision with another vehicle, pedestrian, or other private or public property.
(Code 1956, § 38-137)

State law reference—Careless operation of a vehicle, R.S. 32:58.

Sec. 154-401. Following too closely.

The driver of a motor vehicle shall not follow another vehicle too closely than is reasonable and prudent, having due regard for the speed of such vehicles and the traffic upon and the condition of the highway.
(Code 1956, § 38-138)

State law reference—Following vehicles, R.S. 32:81.

Sec. 154-402. Spillage of dirt, garbage, trash, etc.

(a) It shall be unlawful for any person to operate or cause to be operated any vehicle or other mobile equipment being used for the hauling of earth, waste materials, garbage, trash, or other loose materials, in such manner as to cause or permit the spillage, dropping or casting of any portion thereof upon the streets, sidewalks, or public ways, or in any other manner which would create a nuisance.

(b) It shall be unlawful for any person to operate or cause to be operated any vehicle or other mobile equipment being used for the hauling of garbage, or trash, unless such garbage or trash is completely covered by a securely fastened tarpaulin, or other similar covering, and unless the tailgate of such vehicle is secured in such manner as to prevent spillage of any portion of the garbage or trash being transported upon the streets, sidewalks, or other public ways.
(Code 1956, § 38-140)

State law references—Loads on vehicles; care required thereto, R.S. 32:383.

Sec. 154-403. Reserved.

Editor's note—§ 154-403 was deleted pursuant to § 2 of Ord. No. 20,261, adopted August 2, 2001, which deleted certain provisions relating to littering of public streets and public property. § 1 of this ordinance amended § 66-282, which pertains to littering, dumping, and dumping of specific materials. Formerly, § 154-403 pertained to the prohibition of littering from motor vehicles, and derived from the 1956 Code, § 38-141.

Sec. 154-404. Operation on flooded or closed streets.

(a) It shall be unlawful for any person to operate any motor vehicle or boat on the streets, roads, highways or bridges which are flooded or inundated within this city either (i) in excess of a speed of five miles per hour or (ii) in such a manner as to cause water, waves or wakes to damage property alongside of or adjacent to such streets, roads, highways or bridges at any speed.

(b) No person shall in any way tamper with, move, damage or destroy any barricades, signs or signals placed upon any streets, roads, highways or bridges within the city by any department of the city government or any other governmental agency in connection with any such street, road, highway or bridge being flooded or inundated, nor shall any person disobey the instructions, signals, warnings or markings of any warning sign, signal, city employee, or barricade so placed on any such street, road, highway or bridge which is flooded or inundated, unless at the time having been expressly so directed by a police officer of the state or city.

(c) It shall be unlawful for any person to operate any motor vehicle on the streets, roadways, highways, or bridges within the city when signage, signals, warnings, or markings are in place that indicate or designate that such street, roadway, highway, or bridge is closed. Such signage, signals, warnings, or markings are intended to notify and warn such operators of an impaired or flooded street, roadway, highway, or bridge, and that passage thereon is prohibited.

(d) Any person may file an affidavit with the Traffic Court of New Orleans complaining of a violation of this section in accordance with City Code section 154-142 and R.S. 13:2512.
(Code 1956, § 38-144; M.C.S., Ord. No. 20,904, § 1, 10-17-02; M.C.S., Ord. No. 28186, § 1, 9-5-19)

Sec. 154-405. Motor vehicles operating in bicycle lanes.

(a) No person shall operate a motor vehicle in a bicycle lane except as follows:

(1) To prepare for a turn within a distance of 200 feet from the intersection.

(2) To enter or leave the roadway onto an alley, private road, or driveway.

(3) To enter or leave a parking space when parking is permitted adjacent to the bicycle lane.

(b) Any person operating a motor vehicle upon a bicycle lane in accordance with subsection (a) of this section shall yield the right-of-way to all bicycles and electric mobility aids within the bicycle lane.

(c) This section shall not prohibit the use of a motorized bicycle in a bicycle lane when the operator travels at no speed greater than what is reasonable or prudent, has due regard for visibility, traffic conditions, and the condition of the roadway surface of the bicycle lane and in a manner which does not endanger the safety of bicyclists.

(d) In case of an emergency, the driver of a motor vehicle may lawfully operate the vehicle in a bicycle lane in accordance with the normal standards of prudent conduct to protect the

driver and others from harm. When the emergency ends, the motor vehicle shall not be operated in the bicycle lane.

(e) Any person found in violation of this section shall be fined not less than $300.00, nor more than $500.00.
(M.C.S., Ord. No. 27363, § 1, 4-20-17; M.C.S., Ord. No. 28047, § 1, 3-28-19)

Sec. 154-406. Limitations on passing bicycles.

The operator of a motor vehicle, when overtaking and passing a bicycle proceeding in the same direction on the roadway, shall exercise due care while the motor vehicle is passing the bicycle and shall leave a safe distance between the motor vehicle and the bicycle of not less than three feet and shall maintain such clearance until safely past the overtaken bicycle. An operator of a motor vehicle may pass a bicycle traveling in the same direction in a no-passing zone only when it is safe to do so.
(M.C.S., Ord. No. 27363, § 1, 4-20-17)

Sec. 154-407. Harassment of bicyclists prohibited.

It shall be unlawful to harass, taunt, or maliciously throw objects at or in the direction of any person riding a bicycle.
(M.C.S., Ord. No. 27363, § 1, 4-20-17)

Secs. 154-408—154-435. Reserved.

DIVISION 3. TURNING AND STOPPING RULES

Sec. 154-436. Required position and method of turning at intersections.

The driver of a vehicle intending to turn at any intersection shall proceed as follows:

(1) *Right turns.* Both the approach for a right turn and a right turn shall be made as close as practicable to the right-hand curb or the edge of the roadway.

(2) *Left turns on two-way roadways.* At any intersection where traffic is permitted to move in both directions on each roadway entering the intersection, an approach for a left turn shall be made in that portion of the right half of the roadway nearest the centerline thereof and by passing to the right of such centerline where it enters the intersection and after entering the intersection, the left turn shall be made so as to leave the intersection to the right of the centerline of the roadway being entered. Whenever practicable, the left turn shall be made in that portion of the intersection to the left of the center of the intersection.

(3) *Left turns on other than two-way roadways.* At any intersection where traffic is restricted to one direction on one or more of the roadways, the driver of a vehicle intending to turn left at any such intersection shall approach the intersection in the extreme left-hand lane lawfully available to traffic moving in the direction of travel of such vehicle and after entering the intersection the left turn shall be made so as to leave the intersection in the safest lane lawfully available to traffic moving in such direction upon the roadway being entered.

For the purpose of this section, each roadway of a boulevard shall be considered as an independent one-way street.
(Code 1956, § 38-75)

State law reference—Required position and method of turning at intersections, R.S. 32:101.

Sec. 154-437. Position, signal for change of direction, starting and stopping.

(a) No person shall turn a vehicle at an intersection, unless the vehicle is in proper position upon the roadway as required in section 154-436 or turn a vehicle to enter a private roadway or road or to otherwise turn a vehicle from a direct course or move right or left upon a roadway unless and until such movement can be made with reasonable safety, or without interfering with the right-of-way of the vehicles traveling lawfully in their proper lanes on the same street, or on intersecting streets.

(b) A signal of intention to turn right or left from the roadway shall be given continuously during not less than the last 100 feet travelled by the vehicle before turning.

(c) No person shall stop or suddenly decrease the speed of a vehicle without first giving the signal provided by law to the driver of any vehicle immediately to the rear when there is an opportunity to give such signal.
(Code 1956, § 38-76)

State law reference—Turning movements and required signals, R.S. 32:104.

Sec. 154-438. Improper starting or backing.

(a) No person shall start a vehicle which is stopped, standing or parked unless and until such movement can be made with reasonable safety, or without interfering with the right-of-way of other vehicles travelling lawfully in adjacent or intersecting lanes of traffic.

(b) The driver of a vehicle shall not back it unless such movement can be made with reasonable safety or without interfering with the right-of-way of other vehicles travelling lawfully on the same street or intersecting streets, nor for a distance of over 60 feet, nor at a speed in excess of ten miles per hour.
(Code 1956, § 38-77)

State law references—Moving parked vehicles, R.S. 32:103; limitations on backing, R.S. 32:281.

Sec. 154-439. Signals by hand or arm or signal device.

Any stop or turn signal when required in this division shall be given either by means of the hand and arm or by a signal lamp or mechanical device of the type as approved by the director of the state department of highways, but when a vehicle is so constructed or loaded that a hand and arm signal would not be visible both to the front and rear of such vehicle then such signal must be given by a lamp or signal device.
(Code 1956, § 38-78)

State law reference—Signals by hand or arm or signal device, R.S. 32:105.

Sec. 154-440. Method of giving hand and arm signals.

(a) All signals required to be given by hand and arm shall be given from the left side of the vehicle in the following manner, and such signals shall indicate as follows:

(1) *Left turn.* Hand and arm extended horizontally, with the hand open and the back of the hand to the rear.

(2) *Right turn.* Hand and arm extended upward at an angle of 95 degrees from shoulder or elbow, with the hand open and the back of the hand to the rear. A bicyclist may also extend the right hand and arm horizontally with the hand open and back of the hand to the rear.

(3) *Stop, decrease speed or start.* Hand and arm extended downward at an angle of 45 degrees from shoulder or elbow, with the hand open and the back of hand to the rear.

(4) *Pulling from curb or side of highway.* The same as for left turn.

(b) A bicyclist is not required to continuously give the signals required by subsection (a) of this section if the hand or arm is needed to control the bicycle.
(Code 1956, § 38-79; M.C.S., Ord. No. 27365, § 4, 4-20-17)

State law reference—Methods of giving hand and arm signals, R.S. 32:106.

Sec. 154-441. Authority to place and obedience to turning markers.

The city traffic engineer is hereby authorized to place markers, buttons or signs within or adjacent to intersections indicating the course to be travelled by vehicles turning at intersections and such course to be travelled as so indicated may conform to or be other than as prescribed by ordinance. When authorized markers, buttons or other indications are placed within an intersection indicating the course to be travelled by vehicles executing such turns, no driver of a vehicle shall disobey such indications.
(Code 1956, § 38-80)

Sec. 154-442. Authority to place restricted turn signs, obedience.

(a) The city traffic engineer may determine those locations at which drivers of vehicles shall not make a right, left or "U" turn and shall place proper signs at such locations. The making of turns may be prohibited between certain hours of any day and permitted at other hours, in which event, such hours shall be plainly indicated on the signs or they may be removed when such turns are permitted.

(b) Whenever authorized signs are erected indicating that no right, left or "U" turn is permitted, no driver of a vehicle shall disobey the directions of any such sign.
(Code 1956, § 38-81)

Sec. 154-443. Limitations on turning around; use of storage lanes while turning.

(a) The driver of any vehicle shall not turn such vehicle so as to proceed in the opposite direction upon any through street or upon any street in a business district other than a boulevard and shall not, upon any other street, so turn a vehicle unless such movement can be made in safety and without interfering with the right-of-way of approaching traffic either in opposing lanes or intersecting lanes of traffic.

(b) No vehicle shall be turned so as to proceed in the opposite direction upon any curve or upon the approach to or near the crest of a grade where such vehicle cannot be seen by the driver of any other vehicle approaching from either direction within 300 feet.

(c) At those intersections having storage lanes for turning movements, it shall be unlawful for the driver of any vehicle to turn any place other than through such storage lanes.
(Code 1956, § 38-82)

State law reference—Turning on curve or crest of grade prohibited, R.S. 32:102.

Secs. 154-444—154-480. Reserved.

DIVISION 4. RIGHT-OF-WAY RULES

Sec. 154-481. Vehicle obedience to yield signs.

The driver or operator of a vehicle approaching a yield sign shall slow down to a speed reasonable for the existing conditions, or shall stop if necessary before entering the crosswalk on the near side of the intersection, or if there is no crosswalk, at a clearly marked stop line, but if none, then at a point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway. Having stopped or slowed in this manner, the driver shall yield the right-of-way to any pedestrian legally crossing the roadway on which he is driving, and to any vehicle in the intersection or approaching on another highway so closely as to constitute an immediate hazard.
(Code 1956, § 38-98)

State law reference—Stop signs and yield signs, R.S. 32:123.

Sec. 154-482. Vehicles entitled to right-of-way on certain intersecting streets.

(a) Upon entering or crossing a boulevard from any street on which no traffic control sign or signal is erected, the driver of a vehicle or operator of a streetcar shall proceed cautiously, yielding to vehicles which are within the intersection or approaching so closely as to constitute an immediate hazard.

(b) The driver of a vehicle approaching an intersection shall yield the right-of-way to a vehicle which has entered the intersection from a different highway.

(c) When two vehicles enter an intersection from different highways at approximately the same time, the driver of the vehicle on the left shall yield the right-of-way to the vehicle on the right.

(d) The right-of-way rules declared in subsections (b) and (c) of this section are modified at through streets and otherwise as stated in this chapter.
(Code 1956, § 38-99)

State law reference—Vehicles approaching or entering intersection, R.S. 32:121.

Sec. 154-483. Vehicle emerging from an alley or private driveway to yield right-of-way.

The driver of a vehicle emerging from any alley, driveway or building shall stop such vehicle immediately prior to driving onto a sidewalk or the sidewalk area extending across any alleyway, yielding the right-of-way to any pedestrian, and upon entering the roadway shall yield the right-of-way to all vehicles approaching on such roadway.
(Code 1956, § 38-100)

State law reference—Similar provisions, R.S. 32:124.

Sec. 154-484. Stop when traffic obstructed.

No driver of a vehicle or operator of a streetcar shall enter an intersection or a crosswalk unless there is sufficient space on the other side of the intersection or crosswalk to accommodate the vehicle he is operating without obstructing the passage of other vehicles or pedestrians, notwithstanding any traffic control signal indication to proceed.
(Code 1956, § 38-101)

State law reference—Stopping, standing or parking prohibited in specified areas, R.S. 32:143(3).

Sec. 154-485. Overtaking and passing school bus.

(a) The driver of a vehicle, upon meeting or overtaking from either direction, any school bus which has stopped on the roadway for the purpose of receiving or discharging any school children shall stop the vehicle before reaching such school bus, when there is in operation on such school bus a visual signal denoting same, and such driver shall not proceed until such school bus resumes motion or is signalled by the school bus driver to proceed, or the visual signals are no longer actuated.

(b) The driver of a vehicle upon a highway with separate roadways need not stop upon meeting or passing a school bus which is on a different roadway or when upon a controlled access highway and the school bus is stopped in a loading zone which is a part of or adjacent to such highway and where pedestrians are not permitted to cross the roadway.

(c) It shall be a violation of this section for any school bus driver to stop such bus for the purpose of receiving or discharging passengers without first actuating a visual signal denoting same.
(Code 1956, § 38-102)

State law reference—Similar provisions, R.S. 32:80.

Sec. 154-486. Obedience to signal indicating approach of railroad train.

(a) Whenever any person driving a vehicle approaches a railroad grade crossing under any of the circumstances stated in this section, the driver of such vehicle shall stop not less than 15 feet from the nearest rail of such railroad and shall not proceed until he can do so safely. The foregoing requirements shall apply when:

(1) A clearly visible electrical or mechanical signal device gives warning of the immediate approach of a railroad train;

(2) A crossing gate is lowered or a human flagman gives or continues to give a signal of the approach or passage of a railroad train;

(3) A railroad train approaching within approximately 1,500 feet of the highway crossing emits a signal audible from such distance and such railroad train by reason of its speed or nearness to such crossing is an immediate hazard; or

(4) An approaching railroad train is plainly visible and is in hazardous proximity of such crossing.

(b) No person shall drive any vehicle through, around or under any crossing gate or barrier at a railroad grade crossing while such gate or barrier is closed or is being opened or closed.
(Code 1956, § 38-103)

State law reference—Similar provisions, R.S. 32:171.

Sec. 154-487. Operation of vehicles and streetcars on approach of authorized emergency vehicle.

(a) Upon the immediate approach of an authorized emergency vehicle giving audible or visible signals, or in the case of a police vehicle, with an audible signal only:

(1) The driver of every other vehicle shall yield the right-of-way and shall immediately drive to a position parallel to, and as close as possible to, the right-hand edge or curb of the roadway clear of any intersection and shall stop and remain in such position until the authorized emergency vehicle has passed, except when otherwise directed by a police officer; and

(2) The operator of every streetcar shall immediately stop such streetcar clear of any intersection and keep it in such a position until the authorized emergency vehicle has passed except when otherwise directed by a police officer.

(b) This section shall not operate to relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for safety of all persons using the highway.
(Code 1956, § 38-22)

State law reference—Similar provisions, R.S. 32:125.

ARTICLE VI. SPEED REGULATIONS

Sec. 154-531. General limit.

It shall be unlawful for the driver of any vehicle to exceed a speed limit of 25 miles per hour upon the streets of the city, except as provided in this article on through streets or upon boulevards or upon those streets or parts designated in section 154-533.
(Code 1956, § 38-73(a))

Sec. 154-532. Thirty, 35 mph speed zones.

It shall be unlawful for the driver of any vehicle to exceed a speed limit of 30 miles per hour upon any through street designated in schedule II, section 154-1193, or for the driver of any vehicle to exceed a speed limit of 35 miles per hour upon any boulevard of the city except upon the streets or parts of streets designated in section 154-533.
(Code 1956, § 38-73(b))

Sec. 154-533. When not operative.

The speed limits set out in sections 154-531 and 154-532 shall not be operative where otherwise posted by the traffic engineering division of the city and set out in schedule III, section 154-1194. Such speed limits shall also not be operative on all urban extensions and state maintained highways within the city, where they shall be the same as the speeds posted and designated by the state department of highways.
(Code 1956, § 38-73(c))

Sec. 154-534. School zones.

(a) Within the limits of all school zones where authorized signs designating them as school zones are posted at the entrance and exit of the school zone, and within 100 feet upon every designated approach to and within those intersections designated as "School Crossings" and where authorized signs designating such "School Crossings" are posted, it shall be unlawful for the driver of any vehicle to exceed a speed limit of 20 miles per hour one hour before and one hour after the beginning of a school day and one hour before and one hour after the end of a school day.

(b) When and where so designated by a traffic engineer, motorists shall be given proper warning by flashing beacons or other appropriate systems that the speed limit described in subsection (a) is being enforced.

(c) A traffic engineer shall ensure operability of all authorized flashing beacons erected as described in subsection (b), including that such beacons flash during the hours required by this section. If such flashing beacons are inoperable, or do not flash as intended, violations of this section shall not be enforced.

(d) This regulation shall only apply on school days during the specified time periods when children are in school.
(Code 1956, § 38-73(d); M.C.S., Ord. No. 24948, § 1, 7-12-12; M.C.S., Ord. No. 29369, § 1, 3-9-23; M.C.S., Ord. No. 30250, § 1, 3-13-25)

Sec. 154-535. Playground zones.

The city traffic engineer shall erect caution signs in the vicinity of all playgrounds; he shall also mark whatever crosswalks in playground zones that he may deem necessary. Notwithstanding any other speed regulations of this article, no person shall drive a vehicle, while in a playground zone, at a speed greater than is reasonable and prudent under the conditions and having regard to the actual and potential hazards then existing. In every event, speed shall be so controlled as may be necessary to avoid colliding with any person, vehicle or other conveyance upon or entering a roadway.
(Code 1956, § 38-73(e))

Sec. 154-536. Alleys.

It shall be unlawful for the driver of any vehicle to exceed the speed of ten miles per hour in all public alleys.
(Code 1956, § 38-73(g))

Sec. 154-537. Parks.

It shall be unlawful for the driver of any vehicle to exceed the speed of 20 miles per hour on any roadway within the boundaries of any park in the city unless otherwise posted.
(Code 1956, § 38-73(i))

Sec. 154-538. Lake Forest Boulevard.

It shall be unlawful for the drivers of any vehicle to exceed a speed limit of 20 miles per hour upon Lake Forest Boulevard from Read Boulevard to Deer Park.
(Code 1956, § 38-73(l))

Sec. 154-539. Minimum speed regulations—Generally.

No person shall drive a motor vehicle at such a speed as to impede the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law. Where feasible and necessary the city traffic engineer may determine minimum speed limits applicable to certain streets, or portions of streets and such limits shall be binding on all drivers on such streets when signs are posted specifying such minimum speed limits.
(Code 1956, § 38-73(f))

Sec. 154-540. Same—U.S. Highway 90 Business, hours.

(a) It shall be unlawful for the driver of any vehicle to drive slower than 25 miles per hour on that section of U.S. Highway 90 Business (Greater New Orleans Mississippi River Bridge) between Camp Street and the West Bank Toll Plaza.

(b) This minimum speed limit shall apply only between the hours of 6:30 a.m. and 8:30 a.m. for east-bound traffic and only between the hours of 4:30 p.m. and 6:30 p.m. for west-bound traffic, excluding Saturdays and Sundays and those holidays which are specified elsewhere in this Code.
(Code 1956, § 38-73(j))

Sec. 154-541. Trucks, tractors or trailers—Generally.

It shall be unlawful for the driver of any truck, tractor or trailer, whose combined weight of body and load exceeds five tons, to exceed a speed limit of 15 miles per hour upon any undivided street or upon any divided street which has only one moving lane of traffic on each side of the median, provided that said 15 mile per hour speed limit shall not apply to any truck route designation in section 154-1561, nor shall it apply to any street over which regularly scheduled transit passenger service is provided, nor to any street on which prima facie speed limits exist in accordance with section 154-1194, schedule III, nor to any state and federal highway, nor to the driver of any vehicle on an emergency call involving public safety and welfare.
(Code 1956, § 38-73(h))

Sec. 154-542. Same—Lake Forest Boulevard.

It shall be unlawful for the drivers of any bus, truck, tractor or trailer, whose combined weight of body and load exceeds five tons, to exceed a speed limit of 20 miles per hour upon Lake Forest Boulevard, from Read Boulevard to Bullard Avenue.
(Code 1956, § 38-73(k))

Sec. 154-543. Same—Berkley Drive.

It shall be unlawful for the drivers of any bus, truck, tractor or trailer to exceed 20 miles per hour on that section of Berkley Drive between Kabel Drive and Simpson Place.
(Code 1956, § 38-73(m))

Sec. 154-544. Prohibiting the use of radar detection units on certain city streets.

(a) It shall be unlawful for any person to operate any device or mechanism to detect the emission of radio microwaves which are employed by police to measure the speed of motor vehicles for law enforcement purposes upon Louisiana Avenue between Tchoupitoulas Street and South Claiborne Avenue.

(b) It is unlawful to use such device or mechanism commonly known as "fuzz busters" upon any such motor vehicle on Louisiana Avenue between Tchoupitoulas Street and South Claiborne Avenue.

(c) The provisions of this section shall not apply to any receiver of radio waves utilized for lawful purposes to receive any signal from a frequency lawfully licensed by any state or federal agency.
(Code 1956, § 38-73.1)

State law references—Power of local municipal authorities, R.S. 32:41; powers of local parish authorities, R.S. 32:42.

Sec. 154-545. Regulation of speed by traffic signals.

The city traffic engineer may regulate the timing of traffic signals on any street so as to permit the movement of traffic in an orderly and safe manner at speeds slightly at variance from the speeds otherwise applicable on the streets or intersections and may erect appropriate signs giving notice thereof.
(Code 1956, § 38-74)

Sec. 154-546. Maximum speed regulation; Warbler Street.

It shall be unlawful for the driver of any vehicle to exceed a speed limit of 20 miles per hour upon Warbler Street.
(M.C.S., Ord. No. 19,149, § 1, 3-31-99)

Sec. 154-547. Neighborhood slow zones.

(a) The city traffic engineer may establish neighborhood slow zones in which it shall be unlawful for the driver of any vehicle to exceed the speed limits posted by the traffic engineering division of the city and set out in schedule XII, section 154-1203.

(b) The traffic engineering division of the city shall erect signage at all entry points to a neighborhood slow zone with the zone's posted speed limit.
(M.C.S., Ord. No. 28495, § 1, 9-17-20)

ARTICLE VII. SPECIFIC STREET REGULATIONS*

Sec. 154-601. Authority to designate one-way streets and alleys.

(a) Whenever any law of the city designates any one-way street or alley, the city traffic engineer shall place and maintain signs giving notice thereof, and no such regulations shall be effective unless such signs are in place. Signs indicating the direction of lawful traffic movements shall be placed at every intersection where movement of traffic in the opposite direction is prohibited.

*__Cross reference—__Restrictions on stopping by buses, § 122-51.

(b) The city traffic engineer is hereby authorized to, on the basis of engineering studies, and after notifying the superintendent of police, designate any street or portion thereof upon which vehicular traffic shall proceed in one direction during one period and the opposite direction during another period of the day, and shall place and maintain appropriate markings, signs, barriers or other devices as is necessary to give notice thereof. The city traffic engineer, after notifying the superintendent of police, may erect signs temporarily designating lanes to be used by traffic moving in a particular direction, regardless of the centerline of the roadway. It shall be unlawful for any person to operate any vehicle in violation of such markings, signs, barriers or other devices so placed in accordance with this section.
(Code 1956, § 38-93)

State law reference—One-way roadways, R.S. 32:78.

Sec. 154-602. Effect of designation of one-way streets on movement of vehicles.

Upon those streets and parts of streets and in those alleys described in schedule I, section 154-1191, vehicular traffic shall move only in the indicated direction when signs indicating the direction of traffic movement are erected and maintained at every intersection where movement in the opposite direction is prohibited.
(Code 1956, § 38-94)

State law reference—One-way roadways, R.S. 32:78.

Sec. 154-603. Through streets designated.

Those streets and parts of streets described in schedule II, section 154-1193, and made a part hereof, are hereby declared to be through streets for the purpose of this section.
(Code 1956, § 38-95)

Sec. 154-604. Erection of traffic control devices.

(a) Whenever any law of the city designates and describes a through street, the city traffic engineer shall place and maintain a traffic signal, stop sign or yield sign on each and every street intersecting such through street or intersecting that portion thereof described and designated as such by any law of the city.

(b) The city traffic engineer may determine and designate intersections where particular hazards exist upon other than through streets and determine whether vehicles shall stop or yield at one or more entrances to any such intersection and shall erect the appropriate traffic control device at every such place.

(c) Every sign erected pursuant to this section relating to required stopping of vehicular traffic shall bear the word "Stop" in letters not less than six inches in height, and such signs shall at nighttime be rendered luminous by:

(1) Steady or flashing internal illumination;

(2) Fixed floodlight projected on the face of the sign; or

(3) Efficient reflecting elements on the face of the sign.

(d) Every stop sign shall be located as near as practicable to the nearest line of the crosswalk on the near side of the intersection or, if none, at the nearest line of the roadway.
(Code 1956, § 38-96)

State law references—Stop signs and yield signs, R.S. 32:123; uniform highway marking system, R.S. 32:235; designating through highways, R.S. 32:265.

Sec. 154-605. Access to Canal Boulevard.

Whenever the Orleans Levee Board Police finds it necessary to close the entrance to Lakeshore Drive at Canal Boulevard due to traffic congestion, the levee board police is hereby authorized to limit access to Canal Boulevard between Robert E. Lee Boulevard and Lakeshore Drive to local residents and to New Orleans Public Service buses by either placing a barricade which leaves one lane open for local traffic or by stationing an officer at this intersection to control said traffic.
(Code 1956, § 38-96.1)

Sec. 154-606. Vehicles and streetcars to stop at stop signs.

When stop signs are erected at or near the entrance of any intersection, every driver of a

vehicle and every operator of a streetcar shall stop such vehicle or streetcar before entering the crosswalk on the near side at a clearly marked stop line, but if none, then at the point nearest the intersecting roadway where the driver or operator has a view of approaching traffic on the intersecting roadway before entering the intersection. After having stopped, the driver or operator shall yield the right-of-way to all vehicles which have entered the intersection from another highway, or which are approaching so closely on such highway as to constitute an immediate hazard.
(Code 1956, § 38-97)

State law reference—Similar provisions, R.S. 32:123.

Sec. 154-607. Operation of miniature vehicles in Vieux Carré prohibited.

(a) It shall be unlawful to rent or lease to operate in the Vieux Carré of the city any vehicle which is considered to be a "minivehicle" under the provisions of this section.

(b) A minivehicle for the purpose of this section is defined as follows:

(1) Any three-or four-wheeled vehicle which is or may be powered by gasoline, diesel or electric motor which has been constructed on a scale smaller than the size of the vehicle as originally manufactured and of which it is a miniature reproduction capable of transporting passengers;

(2) Any vehicles, having three or more wheels, bearing a seat, saddle or bench which is propelled or may be propelled by any variety of electromechanical or internal combustion powered means, excluding public utility vehicles and three- or more wheeled vehicles operated by ice cream vendors.

(c) For the purpose of this section, the Vieux Carré is that area bounded by Iberville Street, North Rampart Street, Esplanade Avenue and the Mississippi River.

(d) Whoever violates this section shall be guilty of a misdemeanor and shall be fined no more than $100.00, or imprisoned for not more than 30 days.
(Code 1956, § 38-114.1; M.C.S., Ord. No. 24115, § 1, 9-2-10)

Sec. 154-608. Vieux Carré malls.

The portions of Royal and Bourbon Streets listed in this section shall be closed to vehicular traffic in accordance with the following provisions:

(1) *Royal Street Mall.* Royal Street shall be closed to vehicular traffic from the northern curb of Bienville Street to the southern curb of Orleans Street between the hours of 11:00 a.m. and 4:00 p.m. weekdays and 11:00 a.m. and 7:00 p.m. on Saturdays and Sundays.

(2) *Bourbon Street Mall.*

a. Bourbon Street, from the northern curb of Iberville Street to the southern curb of St. Ann Street, shall be closed to all vehicular traffic except delivery, freight, and service vehicles, as defined in this chapter, and taxicabs, as provided for in subsection c., during the hours commencing at 8:00 p.m. and continuing until 11:00 a.m. of each day, with the exception of New Year's Day, Mardi Gras, and all other occasions declared by resolution of the city council. At those times, all vehicular traffic shall be prohibited at all hours of each day or as otherwise provided by resolution of the city council.

b. During the hours commencing at 6:00 a.m. and continuing until 4:00 p.m. of each day, delivery, freight, and service vehicles, as defined in this chapter, shall be permitted to exclusively park within the areas designated by appropriate signage erected and/or installed by the department of streets, consisting of the riverside curbs of the Bourbon

Street Mall, as defined hereinabove. During these hours, all other vehicles shall be prohibited from parking or stopping in the Bourbon Street Mall.

c. Taxicabs that are either picking up or dropping off passengers in the 300 block of Bourbon Street will be permitted to enter the Bourbon Street Mall from 6:00 a.m. to 4:00 p.m.

DIVISION 2. ADMINISTRATION AND ENFORCEMENT

Sec. 154-681. Division of parking—Created.

There is hereby created and established within the department of police, under the supervision and direction of the superintendent of police, a division to be known and designated as the "division of parking" headed by the public park-

*__Cross references—__Administration, ch. 2; minimum requirements for parking lots, § 26-481 et seq.; parking for jurors, § 154-877.1.

ing administrator who shall be appointed by the superintendent of police, in accordance with civil service law.
(Code 1956, § 38-15.1; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-682. Same—Powers, duties.

The public parking administrator shall exercise such powers and duties as are provided in this chapter or in state laws. In particular, the public parking administrator shall:

(1) Enforce regulations involving parking as described in this chapter;

(2) Cooperate with other city officials, private citizens and commercial agencies in ways to improve parking conditions;

(3) Carry out additional powers and duties imposed by the laws of the city.

(Code 1956, § 38-15.1; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-683. Parking violations.

The public parking administrator shall establish and maintain the parking violations branch for the processing of parking tickets and for the convenient payment of fines, penalties and cash bonds relating to parking violations.
(Code 1956, § 38-26)

Sec. 154-684. Parking adjudication bureau—Creation.

There is hereby created and established within the chief administrative office of the city, under the supervision of the chief administrative officer, a parking adjudication bureau which shall have jurisdiction of violations of any civil regulations of parking which is provided for in this article. Pursuant to section 4-302(5) of the home rule charter of the city, the chief administrative office may prescribe that the parking adjudication bureau be administered by another department of the city. The chief administrative officer, with the approval of the council, shall contract for the services of a chief hearing examiner and other such hearing examiners who shall preside at hearings for the adjudication of parking violations in this article. The chief administrative officer shall give consideration to persons with Spanish surnames, females, blacks and other minorities in the appointment of the chief hearing examiner and other hearing examiners required by the provisions of this chapter. Each hearing examiner shall be a resident of the parish and shall have been admitted to the practice of law in this state for a period of at least four years immediately preceding his selection. A hearing examiner may be selected from a list of qualified candidates who have satisfied the standards to be established by a duly constituted committee of parish attorneys. Such hearing examiners shall not be considered to be employees of the city.
(Code 1956, § 38-286.2; M.C.S., Ord. No. 16,687, 10-6-94)

Sec. 154-685. Same—Functions, powers and duties.

The parking adjudication bureau, organized, supervised, and headed by a chief hearing examiner, shall have the following functions, powers and duties:

(1) To accept admissions to, and to hear and determine contests of parking violations under this article;

(2) To issue subpoenas to compel the attendance of a person to give testimony at hearings and to compel the production of relevant books, papers and other things;

(3) To adjudicate all parking violations for which a parking citation has been issued under this article;

(4) To compile and maintain complete and accurate records relating to all citations, violations and/or dispositions of parking violations and citations and upon request to prepare complete and accurate transcripts of all hearings conducted by the bureau and to furnish such transcripts to the violator at such violator's expense;

(5) To answer within a reasonable period of time all relevant and reasonable inquiries made by a person charged with a parking violation or his attorney concerning the notice of violation served on that person.

The bureau must also furnish at the scheduled administrative hearing, to the person charged on his request, a copy of the original notice of violation including all information contained thereon. This shall be the bureau's only obligation under this subsection to provide a copy of the original notice of violation to the person charged. Failure by the bureau to comply with the provisions of this subsection or any part of the provisions of this subsection, within 45 days of such inquiry, forwarded to the bureau by certified or registered mail, return receipt requested, will result, upon the request of the person charged, in an automatic dismissal of all charges relating to and only to that notice of violation to which the inquiry was made.

(Code 1956, § 38-286.3)

Sec. 154-686. Civil nature of parking and stopping violations.

The civil regulation of parking and stopping (hereinafter sometimes referred to as "parking") shall be governed by this article. Any parking violation prohibited in this article shall be a civil violation only and no criminal penalty will be imposed for its commission. For purposes of this article, a parking violation is the violation of any provision of this article providing for or regulating the parking or stopping of a vehicle. Nothing contained in this article shall be construed to repeal, restrict or amend any other section of this chapter which other section shall continue to remain and remain in full force and effect as if this article had not been adopted.

(Code 1956, § 38-286)

Sec. 154-687. Parking citation forms.

(a) The parking citation shall be the notice of violation for purposes of this article.

(b) The parking citation shall contain information concerning the nature, date, time, location of the alleged violation, the state vehicle license plate number, and make of car. In those cases where a license plate is not visible and/or legible, either the vehicle identification number or the brake inspection tag number shall be in lieu of the state vehicle plate number. In the case of livery vehicles the certificates of public necessity and convenience number (CPNC) shall be in lieu of the state vehicle license plate number. In the case of overparking in a space regulated by a multispace pay station or single/double space parking meter, the parking citation shall contain the number of the meter at which the vehicle is overparked. The parking citation shall also contain information advising the person charged of the manner and time in which he may contest the violation charged in the notice. The parking citation shall also provide that a failure to timely answer or appear before a hearing examiner shall be considered a prima facie admission of the violation set forth in the parking citation, in which event the hearing examiner may assess the appropriate fine or fines and all penalties incidental thereto.

(Code 1956, § 38-286.4; M.C.S., Ord. No. 22035, § 2, 8-4-05)

Sec. 154-688. Service of parking citations.

(a) A parking citation shall be served personally upon the operator of a vehicle who is present at the time of service. If the operator is not so served, or is not present, the parking citation shall be served upon the registered owner of the vehicle by affixing the parking citation to the vehicle in a conspicuous place thereon. The original parking citation shall be signed by the issuing officer who shall affirm the truth of the facts set forth therein. An operator of a vehicle who is not the owner thereof, but who uses or operates the vehicle with permission of the owner, express or implied, shall be considered the agent of the owner to receive a parking citation required to be served upon the operator or registered owner of a vehicle in accordance with the provisions of this section.

(b) If the registered owner or operator of a vehicle drives the vehicle away from or in any manner leaves the site of the violation while the issuing officer is preparing the parking citation, or refuses service of the parking citation and drives away from or in any manner leaves the site of the violation, this fact shall be duly noted on the original and all copies of the parking

citation. This original and all copies of a parking citation shall constitute a business record of the city and shall constitute prima facie evidence that the parking citation was issued and that an attempt at service thereof was made in accordance with the provisions of this section.
(Code 1956, § 38-286.5)

Sec. 154-689. Disposition of parking citations.

(a) The original parking citation shall be signed by the issuing officer, and shall be processed in accordance with this article and such other procedures as may be established and promulgated by the chief administrative officer.

(b) A parking citation may be dismissed by a hearing examiner prior to an adjudication hearing only upon his written statement for good cause shown, which statement shall be made a part of the disposition record thereof.

(c) Any person who has received a civil parking citation issued under the authority of this article and a parking ticket charging a criminal violation arising out of the same set of facts as the civil parking citation, may either:

(1) Present the civil parking citation and the parking ticket charging a criminal violation to the city attorney or an assistant city attorney designated by him, who shall enter a nolle prosequi of the parking ticket charging a criminal violation; or

(2) Present the civil parking citation and the parking ticket charging a criminal violation to the parking adjudication bureau which shall dismiss the civil parking citation.

(d) Any person who has received a parking citation charging a criminal violation prior to May 19, 1986, may present such citation to the parking adjudication bureau and elect to contest such citation under the procedures set forth herein for the contesting of civil parking citations.

(e) The public parking administrator shall be an ex-officio deputy clerk of the traffic court but only for the limited purpose of accepting custody of parking citations and civil parking citations filed under the authority of this chapter. Notwithstanding anything continued herein or in this chapter to the contrary, the public parking administrator shall not be an employee of the clerk of the traffic court entitled to any benefits of an employee in the classified or unclassified system of the city except as public parking administrator of the parking adjudication bureau.
(Code 1956, § 38-286.6)

Sec. 154-690. Citation as legal demand and prima facie evidence.

The original parking citation or any true copy thereof shall constitute an ordinary business record of the city and prima facie evidence of the facts contained therein.
(Code 1956, § 38-286.7)

Sec. 154-691. Responsibility of owner and operator.

(a) Except as provided in subsection (b) of this section, the owner and the operator, when not the same, shall be solidarily liable to the city for parking violations, unless the owner can prove that the vehicle was operated without his consent, express or implied. An owner who pays any parking fine, costs, or administrative fees pursuant to this article shall have the right to recover the same from the operator.

(b) An owner of a vehicle who is engaged in the business of renting or leasing vehicles under written rental or leasing agreements ("lessor") shall not be liable for parking fines and penalties imposed by a local authority on the lessor of such rented or leased vehicles, if within 30 days after receiving written notice of the parking violation, the lessor provides, in affidavit form, the true name, address and driver's license number and state of issuance of the person in possession of the vehicle ("lessee") at the time of the issuance of the citation, or provides a true copy of the lease or rental agreement.

(c) A lessor who fails to comply with the foregoing provisions shall be treated as any other owner and shall be solidarily liable with the operator.

(d) If any owner of a motor vehicle receives a notice of violation for a period during which the illegally parked vehicle was reported to any police department as having been stolen, it shall be a valid defense to any charge of a parking violation that the motor vehicle has been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time.
(Code 1956, § 38-286.8)

Sec. 154-692. Answering parking citation.

(a) A person to whom a parking citation has been issued under this article may answer to the same in the manner and within the delays indicated on the citation. An answer may take the form of:

(1) Admission of the violation with payment of the scheduled civil penalty;

(2) A written denial of liability and promise to appear at an adjudicatory hearing date; or

(3) A written admission of liability with explanation and promise to appear at an adjudicatory hearing.

(b) Payment of the civil penalty may be made by mailing to the agent designated by the city the parking citation accompanied by a payment of the fine provided therein. Such payment may be made only by money order or check made out to the city. Payment of the civil penalty established herein shall operate as a final disposition of the case.
(Code 1956, § 38-286.9)

Sec. 154-693. Failure to answer parking citation, additional delinquent penalties.

If the owner, his agent or the operator fails to appear on or prior to the administrative hearing date, there shall be assessed additional delinquent penalties, as listed in section 154-699.
(Code 1956, § 38-286.10)

Sec. 154-694. Notice of hearing.

The parking citation shall provide information as to the time and place of a hearing. Whenever a person charged with a parking violation denies liability with explanation, the parking administration bureau shall advise such person, personally or by U.S. mail postage prepaid, of the date of which he must appear to answer the charge at a hearing. The form and content of such hearing shall be prescribed by the chief administrative officer, and shall contain a warning to advise the person that failure to appear on the date designated, or on any subsequent date, to which the hearing is adjourned, shall be deemed an admission of liability.
(Code 1956, § 38-286.11)

Sec. 154-695. Adjudication by mail.

(a) In cases where a person charged with a parking violation shows good cause for not attending a hearing, either personally or through a representative, the hearing officer may permit the matter to be adjudicated by mail which adjudication shall be made within 60 days of the date of the citation. Letters, memoranda, affidavits, photographs or other documentary materials shall be admissible as evidence for the purposes of adjudications by mail. The hearing officer may exclude from consideration any material which is not relevant to the adjudication of the alleged violation. Failure of the person charged to proceed with an adjudication by mail after requesting and receiving permission to adjudicate by mail shall constitute an admission by the person charged of liability of the parking violation and shall subject the person who requested the adjudication by mail to the appropriate fines and costs assessed by the parking adjudication bureau.

(b) If a hearing examiner determines that an adjudication cannot proceed by mail, the parking adjudication bureau shall advise the person charged by first class mail that he must appear to answer the charge at a hearing.
(Code 1956, § 38-286.12)

Sec. 154-696. Hearings for disposition of parking citations.

(a) Every hearing for the adjudication of a charge of parking violation under the authority of this article shall be held before a hearing examiner.

(b) The conduct of hearings of parking violations charged under this article shall be governed by the provisions of the Administrative Procedures Act, R.S. 49:951 et seq.

(c) The city shall have the burden of proving the violation by a preponderance of evidence; however, proof that a particular vehicle described in the parking citation was in violation of any law or ordinance, together with proof that the person was, at the time of the violation the registered owner of such vehicle as shown in the latest records of the motor vehicle department of safety and corrections (which may be in the form of a computer printout and shall constitute an ordinary business record of the city), shall constitute a prima facie presumption that the registered owner of such vehicle or his authorized agent was the person who parked or placed such vehicle at the point where, and for the time during which, the violation occurred.

(d) The officer or other duly authorized person who issued the parking citation shall not be required to appear at the hearing unless the person charged with a violation herein has denied that the offense occurred by his commission and the hearing officer determines that the officer's or duly authorized person's presence is required. The hearing officer may grant one postponement if the officer or duly authorized person is not available at the time of the hearing.

(e) At the conclusion of the contradictory hearing the hearing examiner shall immediately render a decision, either finding a person cited liable and assessing the fine and/or penalty or declaring the violation unproven and/or invalid pursuant to R.S. 49:958.
(Code 1956, § 38-286.13)

Sec. 154-697. Failure to appear at hearing, consequences.

Failure to appear at a hearing other than the original hearing when required to appear shall constitute an admission of liability of the parking violation and shall subject the person charged with the violation herein to the appropriate fines and costs assessed by the parking adjudication bureau acting through a hearing examiner.
(Code 1956, § 38-286.14)

Sec. 154-698. Acceptance of pleas, fines.

In cases of parking violations, an agent designated by the city shall have the authority to accept the written plea of guilty to the offense charged, and issue receipts for the fine paid by the offender.
(Code 1956, § 38-27)

Sec. 154-699. Schedule of fines.

The following is the schedule of fines which may be paid to the parking adjudication bureau or such other agent as may be designated by the chief administrative officer:

Violation	*Initial Fine*	*After 30 Days*	*After 60 Days*

No. 26785, § 1, 2-4-16; M.C.S., Ord. No. 28047, § 1, 3-28-19)

Sec. 154-700. Rehearing.

(a) There shall be a review board within the parking adjudication bureau which shall consist of three hearing examiners, but in no event shall the hearing examiner whose decision is being reviewed be included in the panel determining such rehearing.

(b) A request for rehearing following an original responsible disposition rendered by any hearing examiner shall be received within 30 days of such a disposition. After making such a request for a rehearing, and prior to the scheduling of the rehearing, the person shall be obligated to post a cash bond in the amount of the fines and/or fees for which the hearing examiner rendered a responsible disposition. If the original responsible disposition is reversed by the review board such bond shall be returned to the depositor.

(c) A request for a rehearing shall not be accepted until such a cash bond has been deposited with the city. Any bond posted shall equal the amount due on the date the bond is received.

(d) The review board shall have the power to review the fact and the law and shall have the power to affirm or reverse any original responsible deposition for error of fact or law.
(Code 1956, § 38-286.16)

Sec. 154-701. Judicial review.

The decision of the review board shall be the final decision by the city. Any person aggrieved by any decision may file a petition for judicial review in the civil district court of the parish, within 30 days after the date of entry of the decision, pursuant to the provisions of R.S. 49:964.
(Code 1956, § 38-286.17)

Sec. 154-702. Method of notice.

Any notice permitted or required to be given under this article shall be considered given when mailed by United States mail, postage prepaid, to the operator, if known, or to the registered owner at the address appearing on the registry of the office of motor vehicles of the department of safety and corrections, or to a lessee at the address provided by the lessor, or in the case of an out of state owner or operator, to such address as may be shown at the appropriate registration office.
(Code 1956, § 38-286.18)

Sec. 154-703. Disposition of monetary penalties.

The monies collected pursuant to this article shall be forwarded to the director of the department of finance who shall deposit the same to the credit of the general fund of the city.
(Code 1956, §§ 38-27(3), 38-286.19)

Sec. 154-704. Towing fees.

In cases of parking violations whereby the vehicle has been towed to the auto pound, theperson designated for the collection of fines shall also be responsible for the collection of towing fees, and shall collect such towing fees at the same time as collecting the fines for parking violations.
(Code 1956, § 38-27(2))

Sec. 154-705. Fines and fees imposed on vehicles involved in certain criminal offenses.

All fines and fees assessed pursuant to this division shall be waived in circumstances where the violation occurs as a result of any of the following crimes delineated in the Louisiana Criminal Code, as amended: R.S. 14:64 (armed robbery); R.S. 14:64.1 (first-degree robbery); R.S. 14:64.2 (carjacking); R.S. 14:64.4 (second-degree robbery); R.S. 14:67 (theft); R.S. 14:67.26 (theft of a motor vehicle); R.S. 14:68 (unauthorized use of a movable); or R.S. 14:69(B) (illegal possession of stolen things); and the Code of the City of New Orleans: section 54-186 (theft); section 54-187 (unauthorized use of movables); or section 54-188 (illegal possession of stolen things). A person seeking a waiver under this subsection shall present evidence that the alleged crime was timely reported to the New Orleans Police Department or other appropriate law enforcement agency. The perpetrator or alleged perpetrator of a crime delineated in this section shall not be entitled to any abatement of fines or fees.
(M.C.S., Ord. No. 28948, § 1, 2-17-22)

Secs. 154-706—154-775. Reserved.

DIVISION 3. SEIZURE OR IMMOBILIZATION OF CERTAIN VEHICLES*

Sec. 154-776. Impounding of unsafe vehicle.

When a vehicle is found to be in unsafe operating condition, the department of police shall impound such vehicle. The operating condition of such vehicle shall be determined by a brake inspector of the department of police. The vehicle will only be released on authority of a recognized mechanic that such vehicle will be placed in safe operating condition before being returned to the owner. Storage fees on such impounded unsafe vehicle will commence 72 hours after the vehicle has been impounded, such storage fees to be the same as for any other impounded vehicle. There will be no towing fee charge for such impounding.
(Code 1956, § 38-273)

Sec. 154-777. Unoccupied vehicle in violation of law.

(a) Any unoccupied vehicle found on a street or highway against which there is a recorded and unpaid delinquent parking citation issued under the authority of this article shall be immediately immobilized or towed and impounded, or both, by any police officer or other person duly authorized.

(b) Such vehicle shall be surrendered or released only to the duly registered owner of such vehicle or his agent thereof upon:

(1) Such person depositing a cash bond in the amount of the fines and penalties for any unpaid parking citations (including the citation, if any, for which the vehicle was towed) recorded against such vehicle plus any towing, immobilization or storage fees; or

(2) Such person (but only if he is the same person charged with the parking citation) signing and executing a form prepared by the department of law for

*__State law references—__Impounding of vehicles authorized, R.S. 32:392; seizure of parked vehicles, R.S. 32:471 et seq.

the purpose of waiving his right to a hearing, admitting liability for the parking offense charged, agreeing to and paying the parking fines, towing fee and storage fees or immobilization fee incurred for the period of impoundment or immobilization. The person duly authorized to collect parking fines, towing, immobilization, and storage fees is hereby authorized to accept such waivers of hearing and pleas of guilty to the offenses charged for entering of same in the proper court of competent jurisdiction, and such person shall be authorized to collect all such fines and fees and issue receipts therefore to the person making payment of same.

(c) If the person whose vehicle has been immobilized or impounded deposits a bond as provided in subsection (b)(1), such person shall be issued a notice to appear for hearing in accordance with the provisions of this article in the same manner and under the same procedures employed for any violation. Any person whose vehicle has been impounded or immobilized under the provisions of this section and desires an expedited hearing shall be afforded such a hearing within three business days of his written request therefore.

(d) [Forfeiture of bond.] If a person whose vehicle has been immobilized or impounded deposits a bond as provided in subsection (b)(1), such a bond will be subject to forfeiture if he fails to pay the fines and/or penalties assessed by the parking adjudication bureau within six months after such assessment. If such fee is deposited in the form of a bond and the responsible person is found not liable for all parking citations for which the vehicle was immobilized or impounded, such bond will be returned to the depositor or his agent.

(e) [Violations.] The purpose of this section is to provide for immobilization, impoundment by immobilization, and removal and/or impoundment of unoccupied vehicles when in violation of the following sections of chapter 34 and this chapter: section 34-19; section 34-20; section 154-861; section 154-864; section 154-866; section 154-868; section 154-869; section 154-870; section 154-874; section 154-875; section 154-876; section 154-877.1; section 154-878; section 154-923; section 154-925; section 154-973; section 154-975; section 154-976; section 154-977; section 154-978; section 154-979; section 154-1031; section 154-1032; section 154-1035; section 154-1036; and section 154-1043.

(f) Towing, storage, and immobilization rates. The department shall collect fees for towing and storage, including, but not limited to, administrative fees and gate fees, at the rates established annually by the Louisiana Public Service Commission and published in its Schedule of Prescribed Rates and Requirements for Non-Consensual Towing and Recovery Services. The department shall collect an immobilization fee of 75% of the minimum non-consensual towing rate for the applicable vehicle weight rating as published in the Schedule named in this section, rounded up to the nearest dollar.

(g) If any vehicle, other than truck tractors, semitrailers, boats, buses, school buses, freight-carrying vehicles, trailers, tow trucks or dump trucks, dual-axle or tandem-axle is impounded, such vehicle shall be assessed a towing fee in accordance with this section and, after the first 24 hours, a storage fee shall be incurred in accordance with this section, together with such fine as may be imposed in accordance with the law.

(h) If a truck tractor, semitrailer, boat, bus, school bus, freight-carrying vehicle, trailer, tow truck or dump truck, dual-axle or tandem-axle is impounded, such vehicle shall be assessed a towing fee in accordance with this section and, after the first 24 hours, a storage fee shall be incurred in accordance with this section, together with such fine as may be imposed in accordance with law.

(i) The purpose of this section is to provide for the impoundment through immobilization of unoccupied oversized vehicles when in violation of the following sections of [chapter 34 and] this chapter: Section 34-19; section 34-20; section 154-861; section 154-866; section 154-868; section 154-869; section 154-870; section 154-874; section 154-875; section 154-877.1; section 154-

923; section 154-925; section 154-973; section 154-975; section 154-976; section 154-977; section 154-978; section 154-979; section 154-1031; section 154-1035; and section 154-1043.

(j) If any vehicle, other than truck tractors, semitrailers, boats over 18 feet, buses, school buses, freight-carrying vehicles, trailers, tow trucks or dump trucks, is impounded through immobilization, such vehicle shall be assessed a towing fee in accordance with this section and, after the first 24 hours, a storage fee shall be incurred in accordance with this section, together with such fine as may be imposed in accordance with law. If a truck tractor, semitrailer, boat, bus, school bus, freight-carrying vehicle, trailer, tow truck or dump truck is impounded through immobilization as provided for in subsection (i), such vehicle shall be assessed a towing fee in accordance with this section and, after the first 24 hours, a storage fee shall be incurred in accordance with this section, together with such fine as may be imposed in accordance with law. (Code 1956, § 38-286.70; Ord. No. 19,584, § 1, 3-2-00; M.C.S., Ord. No. 21354, § 1, 12-1-03; Ord. No. 21355, § 1, 12-1-03; M.C.S., Ord. No. 21876, § 3, 3-17-05; M.C.S., Ord. No. 23469, § 1, 4-2-09; M.C.S., Ord. No. 23906, § 1, 3-11-10; M.C.S., Ord. No. 24328, § 1, 3-3-11; M.C.S., Ord. No. 30544, § 1, 12-18-25; M.C.S., Ord. No. 30676, § 1, 6-24-26)

Sec. 154-778. Immobilization for unpaid parking fines and penalties; impoundment; procedure for release; hearing.

(a) The parking division or other duly authorized agency may immobilize, tow, or impound any vehicle with three or more adjudicated parking citations if any assessed fees, fines, or penalties related to the adjudicated parking citations remain unpaid.

(b) The parking division, or other duly authorized agency shall release a vehicle immobilized or impounded pursuant to this section only to the vehicle's registered owner or his authorized agent if all outstanding fines and penalties assessed by the parking adjudication bureau and recorded against the vehicle and any towing, immobilization or storage fees are paid in full or covered by a cash or surety bond.

(c) For a vehicle immobilized by means of a self-releasing boot, the parking division shall provide the authorized combination code to remove the boot only to the vehicle's owner or his authorized agent if all unpaid parking fines and penalties and the boot fee are paid in full. The parking division shall assist upon the request of the vehicle owner or his authorized agent with removal of the self-releasing boot.

If the self-releasing boot is not returned to the parking division within one business day following removal, the parking division shall assess the vehicle owner a fine of $25.00 per day up to a maximum fine of $500.00.

(d) If the person whose vehicle has been immobilized or impounded deposits a bond as provided in subsection (b)(2), such person shall be issued a notice to appear for a hearing. The scope of the hearing provided under this section shall be limited to the determination as to whether the vehicle immobilized or booted belongs to the owner or the owner's agent and the owner or the owner's agent (i) failed to appear at a hearing when required to do so, or (ii) having admitted liability for a parking offense, failed to pay the fines and penalties assessed by the parking adjudication bureau, or (iii) having been found liable for the parking offense, failed to pay the fines and penalties assessed by the parking adjudication bureau. The parking division shall provide an expedited hearing within three business days of written request therefor from the owner, or his authorized agent, of the impounded or immobilized vehicle.

(e) If a vehicle is immobilized for unpaid parking fines and penalties as provided in subsection (a), an immobilization fee as set forth in section 154-777 shall be assessed. If such fee is deposited in the form of a cash bond and the responsible person is found not liable for all parking fines and penalties for which the vehicle was immobilized, such bond will be returned to the depositor or the depositor's agent.

(f) If the vehicle impounded has not been reclaimed within 24 hours of the time of impoundment, the department of police shall notify the vehicle's last owner of record (as determined by the license tag or VIN thereof) of the place of impoundment of the vehicle.

(g) If a person whose vehicle has been impounded or immobilized deposits a bond as provided in subsection (b)(2), such a bond will be subject to forfeiture if such person fails to pay fines and/or penalties assessed by the parking adjudication bureau within six months after assessment.

(Code 1956, § 38-286.71; M.C.S., Ord. No. 21356, § I, 12-1-03; M.C.S., Ord. No. 21358, § 1, 12-1-03; M.C.S., Ord. No. 23144, § 1, 7-10-08; M.C.S., Ord. No. 24044, § 1, 7-15-10; M.C.S., Ord. No. 27740, § 1, 4-19-18; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-779. Damaging or removal of immobilization devices prohibited.

It shall be unlawful and an offense for any person to release, deface, injure, tamper with, break, destroy, remove or impair the usefulness of or cause any person to release, deface, injure, tamper with, break, destroy, remove or impair the usefulness of any immobilization device which has been attached to a vehicle in accordance with the provisions of this chapter, with the exception of the authorized removal of a "self releasing boot" as provided in section 154-778.
(Code 1956, § 38-276; M.C.S., Ord. No. 23144, § 1, 7-10-08)

Sec. 154-780. Removal of immobilized vehicles prohibited.

It shall be unlawful and an offense for any person to move or cause any person to move any vehicle, wherever immobilized, which has an immobilization device attached to it in accordance with the provisions of this chapter, with the exception of the authorized removal of a "self releasing boot" as provided in section 154-778.
(Code 1956, § 38-276.1; M.C.S., Ord. No. 23144, § 1, 7-10-08)

Sec. 154-781. Fines and fees imposed on vehicles involved in certain criminal offenses.

All fines and fees assessed pursuant to this division, or otherwise imposed pursuant to section 162-1016 of this Code, shall be waived in circumstances where the immobilization, towing, or impoundment of a vehicle occurs as a result of any of the following crimes delineated in the Louisiana Criminal Code, as amended: R.S. 14:64 (armed robbery); R.S. 14:64.1 (first-degree robbery); R.S. 14:64.2 (carjacking); R.S. 14:64.4 (second-degree robbery); R.S. 14:67 (theft); R.S. 14:67.26 (theft of a motor vehicle); R.S. 14:68 (unauthorized use of a movable); or R.S. 14:69(B) (illegal possession of stolen things); and the Code of the City of New Orleans: section 54-186 (theft); section 54-187 (unauthorized use of movables); or section 54-188 (illegal possession of stolen things). A person seeking a waiver under this Section shall present evidence that the alleged crime was timely reported to the New Orleans Police Department or other appropriate law enforcement agency. The perpetrator or alleged perpetrator of a crime delineated in this section shall not be entitled to any abatement of fines or fees.
(M.C.S., Ord. No. 28948, § 2, 2-17-22)

Secs. 154-782—154-810. Reserved.

DIVISION 4. DISPOSITION OF UNCLAIMED VEHICLES

Sec. 154-811. Abandoned vehicles—Sale or use.

(a) Any motor vehicle seized or otherwise held by the police department pursuant to this chapter for a period of three months or more without being claimed is deemed abandoned to the city.

(b) Upon the approval of the chief administrative officer and the superintendent of police, any department may use an abandoned vehicle held by the police department for at least six months. The department head shall make a written request to the chief administrative officer and the superintendent of police, identifying the vehicle by VIN, make, and model, and its intended use.

(c) The department of police shall comply with the provision of La. R.S. 32:476, the Louisiana Towing and Storage Act, and the Louisiana Department of Public Safety, Office of Motor Vehicles policies regarding abandoned vehicles for sale or use by municipalities and parochial authorities.
(Code 1956, § 38-300; M.C.S., Ord. No. 21353, § 1, 12-1-03; M.C.S., Ord. No. 23427, § 1, 3-19-09; M.C.S., Ord. No. 24311, § 1, 2-17-11; M.C.S., Ord. No. 24311, § 1, 2-17-11; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-812. Storage fee after sale.

(a) Within six days after the consummation of the sale of unclaimed vehicles, the purchasers shall remove such vehicles from city property, or shall be subject to storage fees as set forth in section 154-777.

(b) For the purpose of this section, the six-day period shall commence at 8:00 a.m. on the day after the consummation of the sale, and the storage fee shall commence at 4:00 p.m. on the sixth calendar day thereafter provided the sixth day does not fall on a Sunday or a holiday, in which case the storage fee shall not commence until the next legal day following.

(c) For the purpose of this section, the storage fee shall be imposed for any fraction of a day in excess of six days.
(M.C.S., Ord. No. 23427, § 1, 3-19-09; M.C.S., Ord. No. 24312, § 1, 2-17-11; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-813. Liability for storage fees.

The purchaser of any unclaimed vehicle shall not be liable for any storage fees accumulated prior to the date of purchase of the vehicle.
(Code 1956, § 38-301; M.C.S., Ord. No. 24313, § 1, 2-17-11)

Sec. 154-814. Sale to city employee prohibited.

Employees of the city and relatives of any employee of the city shall not purchase either directly or through interposed parties, any vehicle sold in accordance with the provision of this division.
(Code 1956, § 38-301.1; M.C.S., Ord. No. 24314, § 1, 2-17-11)

Sec. 154-815. Record of charges and sales.

The department of police shall keep a complete record of all monies collected by it for storage and towing charges with details as to the date, the amount, and the name of the person making such payment, and shall also keep a true and correct record of all unclaimed or unidentified vehicles sold at public auction by virtue of this division. Such record shall be, at all times, open to public inspection.
(Code 1956, § 38-302; M.C.S., Ord. No. 23427, § 1, 3-19-09; M.C.S., Ord. No. 24315, § 1, 2-17-11; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-816. Penalty for false or fraudulent bidding.

Any person, directly or through a third person, found guilty of furnishing false information or submitting one or more bids on vehicles sold at public auction by the city who does not have the funds to purchase such vehicle or made such bid for the purpose of delaying or disrupting such sales, shall be guilty of a misdemeanor and sentenced to serve no more than 90 days in jail, or fined $100.00, or both; provided further that each separate bid found to be false or fraudulent shall constitute a separate offense.
(Code 1956, § 38-303; M.C.S., Ord. No. 24316, § 1, 2-17-11)

Sec. 154-817. Sale to city employees prohibited.

Employees of the city and relatives of any employee of the city shall not purchase either directly or through interposed parties, any vehicle sold in accordance with the provisions of this division.
(Code 1956, § 38-304)

Editor's note—M.C.S., Ord. No. 24317, § 1, adopted Feb. 17, 2011, repealed §§ 154-818 and 154-819, which pertained to record of charges and sales and penalty for false or fraudulent bidding and derived from Code 1956, §§ 38-305 and 38-306, respectively.

Secs. 154-818—154-860. Reserved.

DIVISION 5. PARKING GENERALLY

Sec. 154-861. Normal parking on roadway.

(a) No person shall stand or park a vehicle on a roadway, other than parallel with the edge of the roadway, headed in the direction of lawful traffic movement and with the right hand wheels of the vehicle within 18 inches of the curb or edge of the roadway, except as otherwise provided in this article.

(b) Notwithstanding subsection (a), a person may stand or park a vehicle on a roadway parallel with the edge of the roadway headed in the opposite direction of lawful traffic movement and with the left hand wheels of the vehicle within 18 inches of the curb or edge of the

roadway solely when a section of the roadway is officially closed to traffic such that there is only one ingress and egress to the roadway where the vehicle is stood or parked. This subsection shall apply only to the section of the roadway between the point that it is officially closed to traffic and the point of the next traversable intersection. A roadway shall be deemed officially closed to traffic only if the closure is one properly permitted by the city. This subsection shall not apply to any roadways that have been permanently designated as one-way.

(c) The city council may, after special engineering study, affirmation and recommendation by the city traffic engineer, designate locations where angular parking will be allowed. Such locations will be so signed, and no other type of parking will be permitted. The following locations are designated by the city council for angular parking:

State law reference—Additional parking regulations, R.S. 32:144.

Sec. 154-862. Parking signs required.

Whenever by this article or any other ordinance of the city any parking time limit is imposed on designated streets, or parking is prohibited on designated streets the city traffic engineer shall erect appropriate signs giving notice thereof and no such regulations shall be effective unless such signs are erected and in place at the time of any alleged offense.
(Code 1956, § 38-238)

Sec. 154-863. Lights on parked vehicles.

(a) Whenever a vehicle is lawfully parked upon a street or highway during the hours between a half hour after sunset and a half hour before sunrise and if there is sufficient light to reveal any person or object within a distance of 1,000 feet upon such street or highway, no lights need be displayed upon such parked vehicle.

(b) Whenever a vehicle is parked or stopped upon a roadway or shoulder adjacent thereto, whether attended or unattended, during the hours between a half hour after sunset and a half hour before sunrise and there is not sufficient light to reveal any person or object within a distance of 1,000 feet upon such highway, such vehicle so parked or stopped shall be equipped with one or more lamps meeting the following requirements:

(1) At least one lamp shall display a white or amber light visible from a distance of 1,000 feet to the front of the vehicle;

(2) The same lamp or at least one other lamp shall display a red light visible from a distance of 1,000 feet to the rear of the vehicle; and

(3) The location of such lamp or lamps shall always be such that at least one lamp or combination of lamps meeting the requirements of this section is installed as near as practicable to the side of the vehicle which is closest to passing traffic.

The foregoing provisions shall not apply to motorcycles or motor-driven cycles.

(c) Any lighted headlamps upon a parked vehicle shall be depressed or dimmed.

(d) When the parking lamps are activated, the tail lamps, license plate lamps, and side marker lamps shall also be activated.
(Code 1956, § 38-221)

State law reference—Lamps on parked vehicles, R.S. 32:314.

Sec. 154-864. Parking prohibited on narrow streets.

The city traffic engineer may erect signs indicating no parking upon any street when the width of the roadway does not exceed 20 feet or upon one side of a street as indicated by such signs when the width of the roadway does not exceed 30 feet, and when such signs are erected, no person shall park a vehicle upon any street in violation of any such sign.
(Code 1956, § 38-243)

Sec. 154-865. Parking time limited on certain street.

When signs are erected in each block giving notice thereof, no person shall park a vehicle for longer than the time specified on the signs. Parking shall only be regulated on those days specified on the signs, except public holidays. No person shall park a vehicle of more than 28 feet in length during the times and days on that portion of any block where such signs are erected.
(Code 1956, § 38-286.75)

Sec. 154-866. Parking of motor vehicles without license plates.

(a) No person shall park or stop a motor vehicle upon any public street or place within the parish without such vehicle displaying a valid and current motor vehicle license plate.

(b) No motor vehicle shall be parked upon any public street or place within the parish with any license plate that is mutilated, defaced, damaged, or obscured in such a manner as to make the letters and numerals thereon illegible.

(c) A license plate shall be placed and positioned so as to be clearly visible and securely fastened.
(Code 1956, § 38-286.74)

Sec. 154-867. Short-term parking during early voting period.

(a) For purpose of this section, the following terms shall have the following meanings:

(1) *"Short-term parking"* means one hour or less.

(2) *"Early voting period"* means the period beginning 14 days before any election and ending seven days before any election and includes any other day on which early voting is permitted.

(b) Short-term parking shall be permitted during early voting periods, without charge, on Lasalle Street from Poydras Street to Gravier Street and Perdido Street from Lasalle Street to Loyola Street to facilitate early voting at the polling place within City Hall. The department of public works shall erect and maintain the appropriate corresponding signage notating free parking is for early voters only during early voting periods in the areas where free short-term parking is permitted by this section.
(M.C.S., Ord. No. 30004, § 1, 7-25-24)

Editor's note—Prior to reenactment by M.C.S., Ord. No. 30004, Ord. No. 19,612, § 1, adopted April 6, 2000, repealed § 154-867, which pertained to parking or stopping in passenger curb loading zones, and derived from the Code of 1956, § 38-286.21; M.C.S., Ord. No. 19,357, § 1, adopted Sept. 2, 1999.

Sec. 154-868. Parking in a loading zone, freight only, or freight zone.

(a) No person shall stop or park a vehicle for any purpose or period of time, other than for the expeditious loading and unloading of merchandise, or necessary equipment, in any place signed as a loading, freight only, or freight zone (hereafter, loading zone). No vehicle shall remain in a loading zone when not actively loading or unloading unless the vehicle meets the definition of a delivery vehicle; and any vehicle that utilizes a loading zone shall do so for the primary purpose of transporting and delivering merchandise or necessary equipment.

(b) If a vehicle meets the definition of a delivery vehicle, it will be allowed to remain in the loading zone for 45 minutes. Taxicabs, when actually engaged in the transportation of

merchandise, not passengers, will be allowed 25 minutes for the completion of the loading or unloading. This allotted time shall be used to complete the delivery of merchandise.

(c) Loading zones may be used for the expeditious receiving or discharging of passengers when such stopping does not interfere with a vehicle waiting to enter, entering or using such zones for the loading or unloading of merchandise. Freight handling and service truck zones shall be used as loading zones, freight only, or freight zones when loading or unloading merchandise or as a service zone when performing repair of service work.

(d) If a non-delivery vehicle is being utilized to deliver musical equipment in connection with a musical performance, the vehicle can utilize a loading zone with prior city authorization.

(1) City authorization shall be in the form of a "musician loading/unloading parking permit", and the permit shall be issued to a location only if the business is permitted by the CZO to have live music on-site. Permits will be issued at the request of the business to the department of safety and permits.

a. The "musician loading/unloading parking permit" shall provide the business' name and address, the location of the loading zone that is authorized for use, and permit number.

b. The permit shall be displayed on the windshield of the vehicle utilizing the loading zone during the loading and unloading of musical equipment.

c. The vehicle can utilize the loading zone for up to one hour before and after the scheduled musical performance, but in no event shall any such vehicle remain in a loading zone for more than 15 minutes.

(2) Each approved business location shall be issued two "musician loading/unloading parking permits". "Musician loading/unloading parking permits" are non-transferable and shall become void if the business location ceases musical performances.

(Code 1956, § 38-286.22; M.C.S., Ord. No. 28091, § 1, 5-23-19)

Sec. 154-869. Parking in a passenger zone.

No person shall park a vehicle in a passenger zone for any purpose or period of time other than for the expeditious receiving or discharging of passengers in any place marked as a passenger zone at any time, and then only for a period not to exceed ten minutes.

(Code 1956, § 38-286.24; M.C.S., Ord. No. 17,722, § 1, 8-15-96; Ord. No. 19,582, § 1, 3-2-00)

Sec. 154-870. Parking in a service zone.

(a) No person shall stop or park a vehicle for any purpose or period of time, other than for the expeditious completion of repair or service work in any place signed as a service zone. No vehicle shall use a service zone unless it meets the definition of a service or equipment vehicle.

(b) If a vehicle meets the definition of a service vehicle, it will be allowed to remain in a service zone for a maximum of one hour.

(c) If a vehicle meets the definition of an equipment vehicle, it will be allowed to remain in the service zone until the repair work is completed.

(d) At the discretion of the parking administrator, service zones may be in effect on a limited basis as indicated by signs.

(e) A service zone may be used for the expeditious receiving or discharging of passengers when such stopping does not interfere with a vehicle waiting to enter, entering or using such zone for the performance of repair or service work.

(Code 1956, § 38-286.23)

Sec. 154-871. Designation of emergency ambulance parking zones.

(a) The parking division may, upon request, install signs for emergency ambulance parking zones at hospitals. These zones shall be occupied by emergency treatment vehicles. The vehicles

shall be designed with the equipment necessary to care for patients requiring nonambulatory transport. These vehicles shall have either public or commercial license plates, as well as the name and/or emblem of the department or company providing such service.

(b) Vehicles designed for nonambulatory transport will be allowed to remain in such zone for the period of time necessary to attend to the details of the patient's treatment and/or admission to the hospital.
(Code 1956, § 38-286.25)

Sec. 154-872. Parking of buses, livery vehicles and taxicabs.

(a) The driver of a sightseeing bus, livery vehicle or taxicab shall not park upon any street during the hours of 8:00 a.m. to 6:00 p.m. in the central business district at any place other than a bus stand, a livery stand or a taxicab stand, respectively, except that these provisions shall not prevent the driver of any such vehicle from temporarily parking in accordance with other parking regulations at any place for the purpose of and while actually engaged in loading or unloading passengers. It shall be unlawful for the driver of any taxicab to park in any designated taxicab stand for a period of more than one hour. It shall be unlawful for the operator of any bus to park in any designated bus stand for a period of more than one-half hour.

(b) It shall be lawful for the driver of any taxicab to park in any metered space upon any street during the hours of 8:00 a.m. to 6:00 p.m. in the central business district and Vieux Carré, defined for the purposes of this section as the area from the Mississippi River to Claiborne Avenue and from Howard Avenue to Esplanade Avenue. Upon entering such parking space, the driver shall immediately make a payment for the use of the space by depositing the specified amount of legal tender of the United States or by using a credit card, debit card, smart card or token; as acceptable to the particular regulating device, in the multispace pay station or single/double space parking meter used to regulate the space being used, and such parking space may then be used by such taxicab for the period of time during which it is not occupied by the driver or any passenger, during the parking limit provided, for the part of the street in which the parking space is located. No taxicab shall park within 60 feet of any hotel taxi stand or zone when the legal parking spaces are metered spaces. A copy of this section be (sic) given to all old and new drivers by each company.
(Code 1956, § 38-286.26; M.C.S., Ord. No. 22035, § 2, 8-4-05)

Sec. 154-873. Restricted use of veterinary parking zones.

No person shall stop or park a vehicle in a veterinary parking zone for any purpose or period of time, other than the time required for the emergency treatment of any animal within the veterinary hospital or clinic. Such allowed parking time shall not exceed 30 minutes.
(Code 1956, § 38-286.27)

Sec. 154-874. Restricted areas of parking spaces for registered individuals with disabilities.

(a) No person may stop or park a vehicle in an appropriately signed parking space for persons with disabilities except those vehicles bearing (i) a handicapped license plate, a disabled veteran license plate, handicapped parking card issued by the state, or parking card bearing the international symbol of accessibility prominently displayed on the dashboard of the driver's side of the vehicle issued pursuant to La. R.S. 47:463.4 or 467.463.4.1, or; (ii) a vehicle registered in another state and bearing that state's official designation for the handicapped, or; (iii) removable windshield placards, temporary removable windshield placards and special license plates which have been issued by issuing authorities of other countries, for the purpose of identifying vehicles permitted to utilize parking spaces reserved for persons with disabilities for any person with disabilities who is temporarily in this state and who is not required to obtain Louisiana license plates. This will include appropriately signed parking spaces on any street, publicly owned and operated parking facilities, public facilities or public facilities for accommodation, and privately owned parking facilities subject

to the provisions of the Americans with Disabilities Act. For the purpose of this section, a "public facility" and "public facility for accommodation" include parking spaces belonging to privately owned parking areas covered by the Americans with Disabilities Act.

(b) Any person who uses any appropriately signed parking spaces for persons with disabilities shall be in violation of this section if the vehicle was not used for the transportation of the person for whom the license plate or parking card specified in paragraph (a) of this section was issued.

(c) When a motor vehicle bearing plates or displaying a hang tag issued to a mobility-impaired person or person with disabilities is being operated for the transport of the mobility-impaired person or person with disabilities, the motor vehicle may be parked for up to a maximum of three hours without payment, regardless of meter fares otherwise applicable to the parking space. This provision shall apply except where ordinances or police regulations prohibit parking on a highway for the purpose of creating a fire lane or where the ordinances or police regulations provide for the accommodation of heavy traffic during morning, afternoon, or evening hours or where the motor vehicle is parked in such a manner as to clearly be a traffic hazard.

(d) This section may be enforced by any person, duly authorized by the superintendent of police.

(e) Any person who violates the provisions of this section shall be fined $500.00. In addition to such fine, the offender shall be required to pay all court costs plus all towing fees and storage costs, if any.
(Code 1956, § 38-286.28; M.C.S., Ord. No. 18,534, § 1, 11-25-97; M.C.S., Ord. No. 21876, § 1, 3-17-05; M.C.S., Ord. No. 26070, § 1, 10-2-14; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-875. Restricted use of a bus stop, livery and taxicab stands.

No person shall stop or park a vehicle other than a bus in a bus stop, other than a livery vehicle in a livery stand or other than a taxi in a taxicab stand, when any such stop or stand has been officially designated and appropriately signed, except that the driver of a passenger vehicle may temporarily stop therein for the purpose of and when actually engaged in loading or unloading passengers, when such stopping does not interfere with any bus, livery vehicle, or taxicab waiting to enter or about to enter such zone. All such vehicles when parking or stopping shall be parallel and adjacent to the curb.
(Code 1956, § 38-286.29)

Sec. 154-876. Vehicles parked in enforcement zones.

(a) Any person stopping or parking a vehicle or other conveyance in a designated vehicle parking area without the vehicle properly identified as being allowed in this zone shall be subject to a fine, as set forth in section 154-699.

(b) Unoccupied vehicles of whatever kind or description may be immediately removed or impounded by any police officer or other person duly authorized when found stopped or parked in a designated enforcement vehicle parking area without the vehicle properly identified.
(Code 1956, § 38-286.32; M.C.S., Ord. No. 21352, § 1, 12-1-03; M.C.S., Ord. No. 23423, § 1, 3-19-09)

Sec. 154-877. Parking reserved for governmental agencies.

(b) Any person stopping or parking a vehicle or other conveyance without an official juror parking permit within a juror designated zone shall be subject to a fine as set forth in section 154-699.

(c) Unoccupied vehicles of whatever kind or description may be immediately removed or impounded by any police officer or other person duly authorized when found stopped or parked without an official juror parking permit within a juror designated zone.

(d) These permits for jurors shall be issued by the judges only to jurors who are on duty in the respective section, and shall bear an expiration date coincident with the juror's term of service.
(Code 1956, §§ 38-21.1, 38-286.31, 38-286.65(e); M.C.S., Ord. No. 23423, § 1, 3-19-09)

Cross reference—Stopping, standing and parking regulations, § 154-651 et seq.

Sec. 154-878. Parking not to obstruct traffic.

No person shall stop or park any vehicle upon a street in such manner or under such conditions as to leave available less than ten feet of the width of the roadway for free movement of vehicular traffic.
(Code 1956, § 38-286.54)

Sec. 154-879. Parking for certain purposes prohibited.

No person shall park a vehicle upon any roadway for the principal purpose of:

(1) Displaying such vehicle for sale;

(2) Washing, greasing or repairing such vehicle commercially;

(3) For any commercial advertising purposes; or

(4) Making major repairs to vehicle.
(Code 1956, § 38-286.55)

Sec. 154-880. Parking prohibited within five feet of railroad spur or service track.

No person shall park any vehicle upon any street within five feet of the nearest rail of any railroad spur or service track. The city council may by resolution, after special engineering study, and affirmation and recommendation by the city traffic engineer, designate locations where parking within five feet of the nearest rail of any railroad spur or service track will be restricted only from 6:00 p.m. to 6:00 a.m. Such locations will be signed and parking will be permitted at other hours.
(Code 1956, § 38-286.53)

Sec. 154-881. Parking for more than 24 hours prohibited.

No person shall park a vehicle on any street for a period of time longer than 24 hours consecutively.
(Code 1956, § 38-286.56)

Sec. 154-882. Median/angular parking.

(a) The neutral ground area of LaSalle from First Street to Third Street shall be converted into median/angular parking. Furthermore, the developer of this parking area shall have the option to convert Simon Bolivar from Felicity Street to Jackson Avenue to median/angular parking. Such parking shall be designed to pose no hazard. Construction of this parking area shall be according to the specifications of the streets department and subject to inspection and approval by the same.

(b) All costs incurred as it relates to the parking area will be the responsibility of Greater St. Stephen Full Gospel Baptist Church. Greater St. Stephen Full Gospel Baptist Church shall adhere to the permit and all procedures required by all entities of the city.

(c) The parking area shall be open and accessible to the entire community and shall not be considered a private facility.

(d) Greater St. Stephen Full Gospel Baptist Church shall work with the parkway and parks commission and the city planning commission to ensure that the proper landscaping is done. Greater St. Stephen Full Gospel Baptist Church shall not proceed without the approval of the parkway and parks commission and the city planning commission.

(e) The neutral ground area of Martin Luther King, Jr. Boulevard between South Norman C Francis Parkway and South Rendon Street shall be converted into median/angular parking. Construction specifications of this parking area shall be according to the approval of the department of public works. The city planning commission staff and the parks and parkways department shall approve the landscaping of this area. The

parking area shall be signed for use by the employees and the general public using the services of Total Community Action, Inc.

DIVISION 6. STOPPING FOR LOADING OR UNLOADING

Sec. 154-921. Designation of loading zones, freight only, freight zones, passenger zones, freight handling and service truck zones, and service zones.

(a) The city traffic engineer shall determine the location of loading zones, freight only, freight zones, passenger zones, freight handling and service truck zones, and service zones and shall designate, modify and sign, indicating them as such for the use of all appropriate vehicles as specified in this chapter.

(b) The zones authorized in subsection (a) of this section shall be established when it is deemed necessary to facilitate an overall parking program, to promote safety, or to improve the flow of traffic at a particular location. These zones shall be enforced according to the signage installed at the location, and the policies and regulations set forth by the parking division of the police department, in accordance with this Code.

(c) At the discretion of the city traffic engineer, loading zones, freight only, and freight zones may be in effect on a limited basis as indicated by signage.
(Code 1956, §§ 38-222, 38-226; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-922. Designation of public carrier stands.

The director of the department of streets with concurrence of the director of utilities shall establish bus stops, livery stands, taxicab stands and stands for other passenger common carrier vehicles and horse-drawn vehicles on such public streets in such places and in such number as he shall determine to be of the greatest benefit and convenience to the public, and every such bus stop, taxicab stand or other stand shall be designated by appropriate signs. If such directors cannot agree as to the establishment of such stops and stands, either of them may submit such recommendations for the consideration and action of the city council.
(Code 1956, § 38-227)

Sec. 154-923. Places where stopping or parking is prohibited; no signs required.

(a) No person shall stop or park a vehicle or other conveyance, except when necessary to avoid conflict with other traffic or in compliance with the law or directions of a police officer or traffic-control device, at any of the following places:

(1) On a sidewalk, except as otherwise permitted in this article;

(2) In front of or within three feet of the curb return in a public or private driveway, wheelchair ramp or bicycle ramp unless authorized to do so by the owner or lessee of the property to which the driveway, wheelchair ramp or bicycle ramp leads. Upon registry of a complaint with the parking division of the streets department by the owner or lessee of the property to which the driveway, wheelchair ramp or bicycle ramp leads, any authorization deemed to have been given shall be deemed revoked and upon election of the qualified complainant, parking tickets shall be issued or vehicles towed by the parking division of the streets department or the police department for violating this subsection;

(3) Within an intersection;

(4) Within 15 feet of a fire hydrant;

(5) On a crosswalk;

(6) Within 20 feet of a crosswalk or an intersection, or between a crosswalk or an intersection and a marked stop line or

yield line; the 20-feet measurement from an intersection is to be measured from the point closest to the intersection at which a 90-degree angle can be drawn. For purposes of this section, the term "stop line" shall mean a solid white pavement marking line extending across the approach lanes to indicate the point at which a stop is intended or required to be made, and the term "yield line" shall mean a row of solid white isosceles triangles pointing towards approaching vehicles extending across approach lanes to indicate the point at which the yield is intended or required to be made;

(7) Within 20 feet upon the approach to any flashing beacon, stop sign, yield sign, or traffic control signal located at the side of a roadway;

(8) Within 50 feet of the nearest rail of a railroad crossing;

(9) Within 20 feet of the driveway entrance to any fire station;

(10) Alongside or opposite any street excavation when stopping, standing or parking would obstruct traffic;

(11) On the roadway side of any vehicle stopped or parked at the edge or curb of a street or any on-street bicycle parking area;

(12) Upon a bridge or other elevated structure upon a highway;

(13) Within a highway tunnel or underpass;

(14) Alongside a neutral ground curb. The provisions of this subsection shall not apply to the north curb face of the center of Dublin Street between Hampson and Maple Streets in the seventh municipal district of the city, including the east and west curb face of the center of Terpsichore Street between Prytania and Coliseum Streets in the First Municipal District. However, these provisions shall only apply to the east and west curbs of Eton Street between MacArthur Boulevard and Berkley Drive in the Fifth Municipal District on Mondays through Fridays during the hours of 7:00 a.m. through 5:00 p.m.;

(15) Any place where parking will obscure or obstruct visibility of any traffic control device;

(16) Upon the travelled portion of any roadway except to yield to other traffic, or as directed by a signal or sign, or as directed by a police officer;

(17) Within a bicycle lane; or

(18) Upon a shared-use trail or upon or within 20 feet of a shared-use trail crossing of a roadway.

(b) No person shall move a vehicle not lawfully under his control into any such prohibited area or away from a curb such distance as is prohibited.

(Code 1956, §§ 38-239(14), 38-286.47; M.C.S., Ord. No. 17,392, § 1, 2-1-96; M.C.S., Ord. No. 18,492, § 1, 11-6-97; M.C.S., Ord. No. 27367, § 1, 4-20-17)

Sec. 154-924. Exceptions to section 154-923.

(a) The provisions of section 154-923 shall not apply:

(1) To parking on the sidewalk in the 500 block of Soraparu Street on sidewalks installed by the Turnbull Cone Baking Company of Louisiana by delivery vehicles engaged in loading or unloading in connection with the operations of the Turnbull Cone Baking Company.

(2) In the 200 block of Royal Street, the 200 block of Chartres Street or the 1000 block of Toulouse Street by delivery vehicles engaged in loading or unloading merchandise on sidewalk areas specially constructed to accommodate parking by trucks.

(b) Such sidewalk areas shall be designated by the director of streets and the department of streets shall cause informational signs to be posted on any area so designated.

(Code 1956, §§ 38-286.47.1, 38-286.50)

Sec. 154-925. Parking of truck tractors, semitrailers, boats, buses, school buses, freight-carrying vehicles, tow trucks or dump trucks in certain areas prohibited.

(a) The council finds and determines that the parking of large or oversize vehicles on and immediately adjacent to the public streets, sidewalks, or public rights of way , or on private property in certain instances, constitutes a potential threat to the public health, safety, and welfare. Such parking may contribute to traffic accidents on the public streets or private property, impede the movement of emergency vehicles, serve to facilitate potential terrorist acts, and degrade the quality of life in certain neighborhoods.

(b) It shall be unlawful to park or store any truck recreational vehicle/camper, storage container, utility trailer, tractor, semitrailer, boat, bus, school bus, freight-carrying vehicle, trailer, tow truck, dump truck, or similar vehicle in the following areas, unless actively engaged in loading or unloading:

(1) In any RD, RM or RS residential district or any B-1, B-1A or B-2 neighborhood business district as defined by the comprehensive zoning ordinance of the city.

(2) In the Vieux Carré, as defined as the upriver side of Iberville Street, the lake side of North Rampart Street, the downriver side of Esplanade Avenue and the Mississippi River.

(3) On St. Charles Avenue from the downriver side of Interstate 10 to the Mississippi River.

(c) It shall be unlawful to leave any of the vehicles listed in subsection (b) of this section upon immediately adjacent to any street, sidewalk, or public right of way unattended for longer than two hours, regardless of the parking regulations or district as defined by the comprehensive zoning ordinance. For the purposes of this section unattended shall mean not occupied by an individual properly licensed to and otherwise capable of operating the vehicle.

(d) (1) Except as otherwise provided by this paragraph, it shall be unlawful to leave any of the vehicles listed in subsection (b) of this section unattended for longer than two hours upon restricted parking areas available to the general public for business on private property, regardless of the parking regulations or district as defined by the comprehensive zoning ordinance.

(2) The city traffic engineer or owner or lessee of the property may erect signs restricting stopping, standing, or parking of vehicles upon specific areas of private property to two hours at the expense of and upon the of the owner or operator or the public area. Such signs placed on the property or public areas shall be approved by or meet requirements issued by the city traffic engineer of public works.

(3) The provisions of this paragraph shall not apply to parking, storage, or service areas of businesses or facilities permitted by the zoning ordinance that are provided for the use of the vehicles listed in subsection (b) of this section. Such facilities may include, but are not limited to, permitted truck stops, truck wash facilities, RTA storage facilities, vehicle repair facilities, or similar uses.

(e) It shall be unlawful for any commercial bus to stop, stand, or park, even momentarily, on St. Charles Avenue between Jackson Avenue and Louisiana Avenue except when necessary to avoid conflict with other traffic, in compliance with a law enforcement officer's direction, or in compliance with a law enforcement officer's direction, or in compliance with a traffic control sign or device. This restriction will not apply to areas specifically signed as bus loading and bus zone. It shall be a violation of this section for any commercial bus to stop in a bus loading area when not actively engaged in passenger loading

and unloading. Passenger loading and unloading shall not exceed the time indicated on the signs.

(f) Enforcement.

(1) Law enforcement or parking control officer or other duly authorized person shall be authorized to issue a citation or take whatever law enforcement action is deemed necessary or both. Furthermore, when an individual found to be in violation of these provisions refuses a request by a duly authorized person to move the vehicle found in violation, the officer shall be authorized to have such vehicle towed or booted.

(2) The citation shall contain information concerning the nature, date, time, and location of the alleged violation, the state vehicle license plate number, and the make of vehicle. In those cases where a license plate is not visible or legible, the vehicle identification number shall be used in lieu of the state vehicle plate number. The citation shall also contain information advising the person charged of the manner and the time in which he may contest the violation charged in the citation. The citation shall also provide that a failure to timely answer or appear before a court of competent jurisdiction shall be considered a prima facie admission of the violation set forth in the citation, in which the court may assess the appropriate fine or fines and all penalties incidental thereto.

(3) The citation issued pursuant to the provisions of this section shall be personally served upon the operator of the vehicle by affixing the parking citation to the vehicle in a conspicuous place thereon. The original parking citation shall bear the name or initials and identification number of the issuing officer who shall affirm the truth of the facts set forth therein. An operator of a vehicle who is not the owner, but who uses or operates the vehicle with permission of the owner, expressed or implied, shall be considered the agent of the owner to receive the citation required to be served upon the operator or registered owner of a vehicle in accordance with the provisions of this subsection. When a citation is issued for an alleged violation of this section, there shall be a rebuttable presumption that a person in whose name the vehicle is registered was the operator of the vehicle when the alleged violation was committed.

(4) In the event that the registered owner or operator of a vehicle drives the vehicle away from or in any manner leaves the site of the violation while the issuing officer is preparing the citation, or refuses service of the parking citation and drives away from or in any manner leaves the site of the violation, this fact shall be duly noted on the original and all copies of the parking citation. This original and all copies of a parking citation shall constitute a business record of the law enforcement agency issuing the citation and shall constitute prima facie evidence that the citation was issued and that an attempt at service was made in accordance with the provisions of this section.

(5) Any vehicle listed in subsection (b) of this section against which there are three or more recorded and unpaid parking citations issued under the authority of this article shall be immediately immobilized or towed and impounded, or both, by any police officer or other person duly authorized in accordance with section 154-777 of this chapter.

(Code 1956, § 38-286.57; M.C.S., Ord. No. 21822, § 1, 1-20-05; M.C.S., Ord. No. 21953, § 1, 5-5-05)

Sec. 154.925.1. Storage and transportation of hazardous materials.

(a) *[Purpose.]* The purpose of this section is to prohibit and/or restrict the transportation by roadway, storage, and use of certain hazardous materials as defined by the United States Department of Transportation within the city limits of New Orleans.

(b) *Definitions—Generally.* The following definitions have been abstracted in order to aid and clarify wording used throughout this section:

Alley. A narrow street; especially a thoroughfare through the middle of a block giving access to the rear of lots or buildings.

Assembly. A building used, in whole or in part, for the gathering together of persons for such purposes as deliberation, worship, entertainment, amusement, or awaiting transportation.

Avenue. The principal walk or driveway to a house situated off a main road. A broad passageway bordered by trees. An often-broad street or road.

Institution. A building in which persons are harbored to receive medical, charitable, or other care or treatment, or in which persons are held or detained by reasons of public or civic duty, or for correctional purposes.

Parking lot. An area used for the parking of motor vehicles (public or parking area).

Pressure vessel. When used in connection with liquefied petroleum gases shall mean any tank or vessel in which liquefied petroleum gases are stored or transported or in which liquefied petroleum gases are placed for utilization through a liquefied petroleum gas system.

Residential. A detached part of whole of a building occupied exclusively as a family dwelling place and the usual accessory occupancies.

Street. A thoroughfare, especially in a city, town, or village that is wider than an alley or lane and that usually includes sidewalks. The part of a street reserved for vehicles. A thoroughfare with abutting property.

Tanker, containerized vehicle and *container.* Any vehicle other than railroad tank cars and boats, with cargo tank mounted thereon or built as an integral part thereof, used for the transportation of hazardous material/flammable liquids. Tank vehicles include self-propelled vehicles, full trailers and semitrailers without motor power and with wheels carrying either part or all of the load.

(c) *Classes of hazardous material.* The following definitions have been abstracted from the Code of Federal Regulations, Title 49—Transportation, and shall apply to the eight classes of hazardous material as defined by the United States Department of Transportation mentioned herewith:

Class I.

Class A explosive. Detonating or otherwise of maximum hazard. The nine of (sic) class A explosives are defined in section 173.53.

Class B explosive. In general, functions by rapid combustion rather than detonation and includes some explosive devices such as special fireworks, flash powders, etc. Flammable hazard. (Section 173.88)

Class C explosive. Certain types of manufactured articles containing class A or class B explosives, or both, as components but in restricted quantities, and certain types of fireworks. Minimum hazard. (Section 173.100)

Blasting agent. A material designed for blasting which has been tested in accordance with section 173.114a(b) and found to be so insensitive that there is very little probability of accidental initiation to explosion or of transition from deflagration to detonation. (Section 173.144a(a))

Class II.

Flammable gas. Any compressed gas meeting the requirements for lower flammability limit, flammability limit range, flame projection, or flame propagation criterial gas specified in section 173.300(b).

Nonflammable gas. Any compressed gas other than a flammable compressed gas.

Poison A—Extremely dangerous poisons. Poisonous gases or liquids of such nature that a very small amount of the gas, or vapor of the liquid, mixed with air, is dangerous to life. (Section 173.326)

Class III.

Combustible liquid. Any liquid having a flash point above 100 degrees Fahrenheit and below 200 degrees Fahrenheit as determined by tests listed in section 173.115(d). Exceptions are found in section 173.115(b).

Flammable liquid. Any liquid having a flash point below 100 degrees Fahrenheit as determined by tests listed in section 173.115(d). For exceptions see section 173.115(a).

Class IV.

Flammable solid. Any solid material, other than an explosive, which is liable to cause fires through friction, retained heat from manufacturing or processing, or which can be ignited readily and when ignited burns so vigorously and persistently as to create a serious transportation hazard. (Section 173.150)

Class V.

Organic peroxide. An organic compound containing the bivalent-0-0 structure and which may be considered a derivative of hydrogen peroxide where one or more of the hydrogen atoms have been replaced by organic radicals must be classed as an organic peroxide unless—(See Section 173.151(a) for details).

Oxidizer. A substance such as chlorate, permanganate, inorganic peroxide, or a nitrate, that yields oxygen readily to stimulate the combustion of organic matter. (See Section 173.151)

Class VI.

Poison A—Extremely dangerous poisons. Poisonous gases or liquids of such nature that a very small amount of the gas, or vapor of the liquid, mixed with air, is dangerous to life. (Section 173.326)

Poison B—Less dangerous poisons. Substances, liquids, solids (including pastes and semisolids), other than class A or irritating materials, which are known to be so toxic to man as to afford a hazard to health during transportation; or which, in the absence of adequate data on human toxicity, are presumed to be toxic to man. (Section 173.343)

Irritating material. A liquid or solid substance, which upon contact with fire or when exposed to air gives off dangerous or intensely irritating fumes, but not including any poisonous material, Class A.

Class VII.

Radioactive material. Any material, or combination of materials, that spontaneously emits ionizing radiation, and having a specific activity greater than 0.002 microcuries per gram. (Section 173.389) Note: See Section 173.389(a) through (1) for details.

Class VIII.

Corrosive material. Any liquid or solid that causes visible destruction of human skin tissue or a liquid that has a severe corrosion rate on steel. (See Section 173.240(a) and (b) for details).

(d) *Regulations governing transportation, storage and use of hazardous material.* It shall be unlawful for any tank motor vehicle or containerized motor carrier to park in any residential zoning district. It shall be unlawful for any tank motor vehicle or containerized motor carrier to be left unattended on any street, highway, from necessary absence from a vehicle or the vehicle is in connection with delivery of materials, except during the actual discharge of any liquid, bulk, gas, or those eight hazardous materials as defined by the United States Department of Transportation. A representative or responsible person shall be present with the vehicle. This provision shall not prevent stops for meals during the day or night, provided that streets or parking area is well lighted at the point of parking.

(1) No tank motor vehicle, containerized motor carrier or pressure vessel containing any of the eight classes of hazardous material as defined by the United States

Department of Transportation shall be parked out of doors at any point longer than one hour.

(2) No tank motor vehicle, containerized motor carrier or pressure vessel containing any of the eight classes of hazardous material as defined by the United States Department of Transportation shall at any time be parked within 100 feet of any building used for assembly, institutional, or residential occupancy.

(3) No tank motor vehicle, containerized motor carrier or pressure vessel containing any of the eight classes of hazardous material as defined by the United States Department of Transportation shall be parked or garaged in any area not specifically zoned and approved by the New Orleans City Council, Department of Public Works, Fire Department, Police Department, and hazardous material personnel.

(4) All roadway vehicles shall use only established and designated authorized routes within the city limits. No carrier shall enter or drive in a residential zoning district except on an established and designated authorized route.

(5) Parking lots as defined by this section shall mean parking areas.

(6) Carriers shall adequately maintain vehicles to provide maximum safety and efficiency level for travel.

(7) Carriers shall provide notice to the fire department and police department whenever a hazardous material is released into the atmosphere, when there is an accident of any kind, or a potential problem which may bring about problems throughout the area.

(8) Carriers shall provide prior and advance notice to the fire department and police department whenever explosives are transported or stored throughout the city.

(9) Carriers will reduce speed in areas of hazardous roadway or congested areas when carrying any of the eight classes of hazardous material as defined by the United States Department of Transportation within the corporate limits of the city and 2,000 feet beyond in either direction.

(10) Carriers containing any of the eight classes of hazardous material as defined by the United States Department of Transportation shall be properly marked when traveling through, stored in, or involved within the city limits.

(11) The cost [of] cleanup, restoration, and any other cost incurred by the government relative to any of the eight classes of hazardous material as defined by the United States Department of Transportation within the city limits, and which are brought about by accidents or any other malfunction of the carrier vessel, shall be borne by the applicable carrier.

(12) The responsible company which owns or operates any vehicle or container which must be repaired, towed, altered, removed or stored in order to correct a situation which is deemed unsafe or is in violation of this section by the police department, fire department, or the public works department, shall be required to reimburse the city for the cost of said action.

(13) All violators of this section shall be required to appear in person at traffic court, and shall not be permitted to pay any fines or other penalty before any court appearances are made.

(e) *Enforcement; penalties.* The enforcement of this section shall be the responsibility of the department of public works, the fire department, or the police department. The penalty for violation of this section shall carry with it a minimum of 30 days' confinement and/or a minimum of $500.00 per day and/or incident.
(M.C.S., Ord. No. 22104, § 1, 12-15-05)

Sec. 154-926. Parking or stopping prohibited at all times; license plate and brake tag requirements.

(a) No person shall stop or park a motor vehicle on any street, sidewalk or neutral ground unless the motor vehicle is visibly equipped with a current, valid license plate or temporary registration from the state or a foreign state.

(b) No person shall stop or park a motor vehicle on any street, sidewalk, neutral ground, or any other public place if the motor vehicle is equipped with a license plate which is mutilated, defaced, damaged, or obscured in such a manner that the letters, numerals, and expiration dates are not legible.

(c) If a motor vehicle bears a license plate from the state, no person shall stop or park the motor vehicle on any street, sidewalk or neutral ground, unless the vehicle displays a current safety inspection certificate (brake tag) issued by a municipality or parish of the state or by the state or its agents. The lack of a safety inspection certificate (brake tag) on a motor vehicle equipped with a current, valid, temporary registration from the state shall not constitute a violation of this section.

(d) Self-propelled motor cranes, bulldozers, tractors, and similar equipment used for construction are exempt from the provisions of this section.

(e) Any ticket, summons, citation, or affidavit issued pursuant to this section shall be dismissed by the parking adjudication bureau if the owner of the vehicle submits to the parking adjudication bureau a valid motor vehicle registration for the vehicle to which the ticket, summons, citation, or affidavit was issued indicating that there existed a valid license plate or temporary registration as of the date of issuance of the ticket, summons, citation or affidavit, that the license plate or temporary registration was reported stolen and a police item number obtained, and that application for a new temporary registration or license plate has been submitted to the appropriate licensing authority, and if applicable, a valid receipt for a safety inspection sticker indicating that the vehicle possessed a current inspection sticker on the date of the issuance of the ticket, summons, citation, or affidavit.

(f) Any ticket, summons, citation, or affidavit issued pursuant to this section shall be dismissed by the parking adjudication bureau if the owner of the vehicle submits to the parking adjudication bureau adequate proof indicating that the vehicle to which the ticket, summons, citation or affidavit was issued was parked on the street within the boundaries of the property line (extended to the street) of the residence of the owner of the vehicle and on the same side of the street as the residence of the owner of the vehicle.

(g) For the purposes of this section, a vehicle is "equipped with" or "displays" a license plate, temporary registration, or safety inspection certificate (brake tag) only if the license plate, temporary registration, or safety inspection certificate is readily visible to a person standing outside the vehicle and only if the placement of the license plate, temporary registration, or inspection certificate complies with all applicable requirements of law.

(h) Nothing contained in this section shall be construed to authorize or permit parking or stopping on any street, sidewalk, neutral ground, or other public place if such parking or stopping is otherwise prohibited by law or ordinance.

(i) No person shall be fined or punished for a first offense violation of this section and no person shall be fined or punished for a second or subsequent violation of this section unless a period of at least 30 days shall have passed between receipt of the citation for a first offense and receipt of a citation for a second or subsequent violation of this section.
(M.C.S., Ord. No. 17,433, § 1, 3-7-96)

Secs. 154-927—154-970. Reserved.

DIVISION 7. PARKING PROHIBITED OR RESTRICTED

Sec. 154-971. Time of application of division.

The provisions of this division prohibiting the parking of a vehicle shall apply at all times or at

those times herein specified or as indicated on official signs except when it is necessary to avoid conflict with other traffic or in compliance with the directions of a police officer or official traffic control device.
(Code 1956, § 38-286.33)

Sec. 154-972. Regulations not exclusive.

The provisions of this division imposing a time limit on parking shall not relieve any person from the duty to observe other and more restrictive provisions prohibiting or limiting the stopping or parking of vehicles in specified places or at specified times.
(Code 1956, § 38-286.34)

Sec. 154-973. Parking prohibited at all times on certain streets.

When signs are erected giving notice thereof, no person shall park a vehicle at any time upon any of the streets where such signs are posted.
(Code 1956, § 38-286.35; M.C.S., Ord. No. 19,357, § 1, 9-2-99)

Sec. 154-974. Parking prohibited in priority dumping prevention areas.

When signs are erected giving notice thereof, no person shall park a vehicle at any time upon the street listed below, which street is hereby declared to be a priority dumping prevention zone:

(1) Almonaster Avenue Extension, from Jourdan Road to Old Gentilly Highway.

(Code 1956, § 38-286.36)

Sec. 154-975. Parking prohibited during certain hours on certain streets.

When signs are erected in each block giving notice that parking is prohibited during certain hours or certain streets, no person shall stop, or park a vehicle during the certain hours on any of the streets where such signs are posted.
(Code 1956, § 38-286.37; M.C.S., Ord. No. 19,357, § 1, 9-2-99)

Sec. 154-976. Stopping or parking prohibited during certain hours on certain streets.

When signs are erected in each block giving notice thereof, no person shall park a vehicle between the hours specified on the signs, upon any of the streets where such signs are posted.
(Code 1956, § 38-286.38; M.C.S., Ord. No. 19,357, § 1, 9-2-99)

Sec. 154-977. Stopping or parking prohibited at all times on certain streets.

When signs are erected in each block giving notice thereof, no person shall stop or park a vehicle between the times specified upon any of the streets where such signs are posted.
(Code 1956, § 38-286.39; M.C.S., Ord. No. 19,357, § 1, 9-2-99)

Sec. 154-978. Stopping or parking prohibited during certain hours on certain days on certain streets.

When signs are erected in each block giving notice thereof, no person shall stop or park a vehicle during certain hours on certain days upon any of the streets where which such signs are posted.
(Code 1956, § 38-286.40; M.C.S., Ord. No. 19,357, § 1, 9-2-99)

Sec. 154-979. Stopping or parking prohibited on certain dates during certain hours.

When signs are erected in each block giving notice that stopping or parking is prohibited on certain dates, during certain hours, no person shall stop or park a vehicle on the streets of the city during the certain hours, on the certain dates set forth on the sign.
(Code 1956, § 38-286.41)

Sec. 154-980. Parking time limited on certain streets.

When signs are erected on each block giving notice thereof, no person shall park a vehicle for

longer than the time specified, at any time between the hours specified, upon any of the streets where such signs are posted. The conditions expressed herein are to become effective 45 days after the ordinance from which this section is derived is signed in to law.
(Code 1956, § 38-286.42; M.C.S., Ord. No. 19,357, § 1, 9-2-99)

Sec. 154-981. Stopping or parking prohibited in Audubon Park, City Park and in Brechtel Memorial Park.

No person shall stop or park a vehicle within the boundaries of Audubon Park or in Brechtel Memorial Park where signs are erected giving notice thereof, or between the hours of 11:00 p.m. and 6:00 a.m. nor shall any person stop or park a vehicle within the boundaries of City Park between the hours of 11:00 p.m. and 5:00 a.m., provided that this prohibition shall not apply to the west bank of Bayou St. John; provided that this provision shall not apply to authorized employees of the Audubon Park Commission, the city park improvement association or the parkway and park commission while acting in connection with the performance of their official duties, nor shall this apply to vehicles of the police or fire departments when on official duty. The parking restriction applicable between the hours of 11:00 p.m. and 6:00 a.m. or of 11:00 p.m. and 5:00 a.m., shall not apply during the hours when athletic events or other functions are being conducted as authorized by the Audubon Park Commission, the city park improvement association or the parkway and park commission.
(Code 1956, § 38-286.43)

Sec. 154-982. Stopping or parking prohibited on the west bank of Bayou St. John between 8:00 p.m. and 6:00 a.m.

No person shall stop or park a vehicle on the west bank of Bayou St. John between the Bayou and Wisner Boulevard from Filmore Avenue to Robert E. Lee Boulevard where signs are erected giving notice thereof between the hours of 8:00 p.m. and 6:00 a.m.
(Code 1956, § 38-286.44)

Sec. 154-983. Restriction on stopping by buses.

(a) No bus shall be allowed to stop in one place for a period in excess of 15 minutes within the Vieux Carré. Stopping in excess of 15 minutes shall be allowed on the Vieux Carré side of Canal Street only as permitted within the zones signed and established by the department of public works and the department of utilities. No bus shall be allowed to stop at any time for the purpose of loading or discharging passengers on Decatur Street, from Canal Street to Esplanade Avenue, or on North Peters Street, from Canal Street to Elysian Fields Avenue, except as provided by zones signed and established by the department of public works and the department of utilities.

(b) For the purposes of this section, a bus shall be defined as any motor vehicle, excluding limousines, having an overall length in excess of 20 feet used for the purpose of transportation of passengers.

(c) For the purposes of this section, Vieux Carré shall mean the area within the lake side of Decatur Street, the downriver side of Esplanade Avenue, the river side of North Rampart Street and the downriver side of Canal Street.
(Code 1956, § 38-286.45; M.C.S., Ord. No. 17,558, § 3, 6-6-96; M.C.S., Ord. No. 17,823, § 3, 10-17-96)

Sec. 154-984. Stopping or parking prohibited on Napoleon Avenue and St. Charles Avenue at certain times.

(a) No person shall stop or park a vehicle on either side of Napoleon Avenue between Tchoupitoulas Street and Claiborne Avenue between two hours before and two hours after any Mardi Gras Parade whose route includes that portion of Napoleon Avenue.

(b) No person shall stop or park a vehicle on either side of St. Charles Avenue between Napoleon Avenue and Canal Street between two hours before and two hours after any Mardi Gras Parade whose route includes that portion of St. Charles Avenue.
(M.C.S., Ord. No. 25659, § 1, 1-23-14)

Sec. 154-985. Parking of certain vehicles near parades prohibited.

No person shall park a box truck, cargo van, truck with a port-a-let, camper, recreational vehicle, or trailer within two blocks of a parade route between four hours before and four hours after a parade.
(M.C.S., Ord. No. 28303, § 1, 1-30-20)

Secs. 154-986—154-1030. Reserved.

DIVISION 8. STOPPING OR PARKING PROHIBITED IN CERTAIN PLACES

Sec. 154-1031. Illegal parking upon neutral ground, public playground, pedestrian mall or Lafitte Greenway.

(a) No person shall stop or park a vehicle or other conveyance, except when necessary to avoid conflict with other traffic or in compliance with the law or directions of a police officer or traffic control device, at any of the following places:

(1) Upon a neutral ground other than those designated and operated as parking facilities.

(2) Upon any area of city-owned property formally dedicated, recognized and maintained as a playground by the city recreation department, not specifically designated for parking and interfering with the designed purpose of the playground.

(3) Upon any area of city-owned property formally dedicated or recognized and maintained as a pedestrian mall, not specifically designated for parking and interfering with the designed purpose of the pedestrian mall.

(b) No person shall move a vehicle not lawfully under his control into any such prohibited area or away from a curb such distance as is prohibited.

(c) No person shall park or leave standing any vehicle or other conveyance, whether attended or unattended, upon the Lafitte Greenway, the 2.6-mile trail and green corridor spanning from the intersection of North Alexander and St. Louis Streets to Basin Street and Lafitte Avenue.
(Code 1956, §§ 38-239.1, 38-286.48; M.C.S., Ord. No. 27429, § 1, 6-15-17)

Sec. 154-1032. Parking prohibited on sidewalks in Vieux Carré area.

(a) No person shall stop or park a vehicle or other conveyance, except when necessary to avoid conflict with other traffic or in compliance with the law or directions of a police officer or traffic control device, on a sidewalk in that portion of the Vieux Carré bounded by the Mississippi River, the downriver side of Canal Street, the lake side of Bourbon Street, and the downriver side of St. Ann Street, or at any location within the 300 block of Exchange Place, except as otherwise permitted in this article.

(b) Stopping, standing or parking within the 300 block of Exchange Place shall be permitted only for delivery vehicles for a short-term period not greater than 30 minutes and only while such vehicles are being used for the loading or unloading of merchandise. A violation of the prohibition against stopping, standing or parking within the 300 block of Exchange Place for other vehicles shall carry the same penalty as that for other violations of this section.
(Code 1956, §§ 38-239.3, 38-286.49; M.C.S., Ord. No. 23426, § 1, 3-19-09)

Sec. 154-1033. Exception to section 154-1032.

Notwithstanding any other ordinance to the contrary, the provisions of section 154-1032 shall not apply in the 200 block of Royal Street, the 200 block of Chartres Street or the 1000 block of Toulouse Street by delivery vehicles engaged in loading or unloading merchandise on sidewalk areas specially constructed to accommodate parking by trucks. Such sidewalk areas shall be designated by the director of streets and the department of streets shall cause informational signs to be posted on any area so designated.
(Code 1956, § 38-286.50)

Sec. 154-1034. Facilities required for loading, freight zones.

Loading zones, freight only, and freight zones utilizing the sidewalk will be limited to those locations where an existing loading dock of a building abuts the sidewalk and where the proper approaches across such sidewalks exist.
(Code 1956, § 38-226)

Sec. 154-1035. Parking prohibited on certain sidewalks in the central business district.

No person shall stop, stand or park a vehicle or other conveyance, except when necessary to avoid conflict with other traffic or in compliance with the law or directions of a police officer or traffic control device, on a sidewalk in that portion of the central business district bounded by the Mississippi River, the downriver side of Canal Street, the lake side of South Claiborne Avenue and the upriver side of Howard Avenue. The provisions of this section shall not apply to parking, stopping, or standing on sidewalks in those areas within these boundaries which are signed as "Loading Zones—Sidewalk Only."
(Code 1956, §§ 38-239.4, 38-286.51; M.C.S., Ord. No. 23426, § 1, 3-19-09)

Sec. 154-1036. Parking in violation of Mardi Gras traffic plan is prohibited.

(a) No person shall stop or park a vehicle or other conveyance upon any street in the area of the Vieux Carré determined by the superintendent of police to be restricted as part of the Mardi Gras traffic plan between 6:00 p.m. on the Friday prior to Mardi Gras Day and 6:00 a.m. on the Wednesday after Mardi Gras Day. This violation shall be enforced only after the following conditions are met by the superintendent of police: Barricades shall be erected at intersections entering the restricted area; due notice shall be published in the city's official journal; any flyers outlining the Mardi Gras traffic plan, its boundaries, and restrictions shall be distributed to the public.

(b) Any person stopping or parking a vehicle or other conveyance on-street in violation of the Mardi Gras traffic plan shall be subject to a fine, as set forth in section 154-699.

(c) Unoccupied vehicles of whatever kind or description may be immediately removed or impounded by any police officer or other person duly authorized when found stopped or parked in violation of the Mardi Gras traffic plan, as set forth in section 154-777.
(Code 1956, §§ 38-239.5, 38-286.52; M.C.S., Ord. No. 23426, § 1, 3-19-09)

Sec. 154-1037. Parking of vehicles equipped with living accommodations prohibited during certain hours.

(a) No person may park a vehicle which is equipped with living accommodations with an overall length in excess of 22 feet on any street between the hours of 7:00 p.m. and 7:00 a.m. Any citations issued under this section and resulting administrative proceedings shall be dismissed upon receipt of written notification from the vehicle's owner or lessee and verification by the parking division of the department of police that the vehicle was legally registered or leased to an individual who resides on the same block on which the vehicle was parked when the citation was issued for apparent violation of this section.

(b) For the purpose of this section, a vehicle with living accommodations is defined as any motor vehicle that contains any one or more of the following things that are capable of being used for their originally intended purpose:

(1) Sinks.

(2) Wash facilities.

(3) Lavatories.

(4) Mattresses.

(5) Stoves.

(6) Tables.

(7) Refrigerators.

(Code 1956, § 38-286.58; M.C.S., Ord. No. 18,191, § 1, 4-3-97; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1038. Parking on one-way streets.

The city traffic engineer may erect signs upon the left-hand side of any one-way street to prohibit the parking of vehicles, and when such signs are in place, no person shall park a vehicle upon such left-hand side in violation of any such sign.
(Code 1956, § 38-286.59)

Sec. 154-1039. Parking on one-way roadways.

If a highway includes two or more physically separate roadways and traffic is restricted to one direction upon any such roadway, no person shall park a vehicle upon the left-hand side of any such one-way roadway unless signs are erected to permit such parking. The city traffic engineer may determine when parking may be permitted upon the left-hand side of any such one-way roadway and erect signs giving notice thereof.
(Code 1956, § 38-286.60)

Sec. 154-1040. No stopping or parking near hazardous or congested places.

The city traffic engineer may determine and designate, by proper signs, places not exceeding 150 feet in length in which the stopping or parking of vehicles would create an especially hazardous condition or would cause unusual delay to traffic, and when such signs are erected no person shall stop or park a vehicle in any such designated place.
(Code 1956, § 38-286.61; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1041. Parking next to schools.

The city traffic engineer may erect signs indicating no parking upon that side of any street adjacent to any school property when parking would, in his opinion, interfere with traffic or create a hazardous situation, and when such signs are erected no persons shall park a vehicle in any such designated place.
(Code 1956, § 38-286.62; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1042. Parking next to construction.

(a) The city traffic engineer shall have the authority to erect signs restricting parking on either side of any street adjacent to any construction site, when parking would, in his opinion, interfere with traffic or create a hazardous situation, and when appropriate signs are erected, no person shall park a vehicle in any such designated place.

(b) The city traffic engineer shall have the authority to install those parking restrictions he deems necessary until such construction is complete.
(Code 1956, § 38-286.63)

Sec. 154-1043. Unauthorized parking prohibited on municipal property.

When signs are erected giving notice thereof, no person shall park a vehicle at any time upon any property owned or leased by the city, its boards, commissions or any political subdivision thereof unless that person is authorized by the department of property management to park a vehicle on that particular property. This section shall not apply to any streets, sidewalks, public playgrounds, pedestrian malls or neutral grounds the regulation and protection of which are covered by other sections of this chapter.

double space parking meter, or via online payment systems (the "OPS"), which includes, but is not limited to, transactions conducted by phone, mobile phone, SMS text message, web browser or other electronic means, except as otherwise set forth in this chapter.
(M.C.S., Ord. No. 23215, § 1, 9-11-08)

Sec. 154-1082. Enforcement.

The regulations pertaining to multispace pay stations, single/double space parking meters and OPS, as set forth by this article, shall be enforced by the division of parking within the department of police, and such other officers as are authorized by the superintendent of police.
(M.C.S., Ord. No. 23215, § 1, 9-11-08; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1083. Designation of metered spaces.

(a) On public streets zoned for residential use under the comprehensive zoning ordinance of the city, the council shall approve the designation of any parking space as a metered space after a public hearing to be held 15 days after posting placards in the area being proposed for such designation, notifying the residents in the area of the proposal and of the public meeting thereon. The method or means of regulating any space so designated shall be at the discretion of the director of the department of public works.

(b) On public streets zoned for commercial use under the comprehensive zoning ordinance of the city, the director of the department of public works shall cause to be installed, operated and maintained, metered spaces at such locations as designated by the director of the department of public works, without prior approval of the city council.

(c) Any regulated parking space designated as a metered space under [subsection] (a) or (b) above, prior to January 1, 2005, shall continue and remain a metered space unless such designation is specifically altered by the council or the director of the department of public works in accordance with [subsection] (a) or (b) above.
(M.C.S., Ord. No. 23215, § 1, 9-11-08)

Sec. 154-1084. Installation of single/double parking meters, multispace pay stations, or OPS.

Single/double-space parking meters shall be placed upon the curb, sidewalk or neutral ground alongside of or next to individual parking places to be determined and designated by the director of the department of public works. Each single/double parking meter shall so set as to show or display a signal that the metered space alongside of it is or is not in use.

Multispace pay stations shall be installed upon the curb or adjacent sidewalk in city blocks where metered spaces are to be regulated, in such specific locations as determined and designated by the director of the department of public works.

OPS shall have installations that vary with service type. For pay-by-phone parking, signage shall be installed at two locations within each half block, in a manner and of sufficient size such that the pay-by-phone access phone number, SMS short code and/or payment URL and unique location number are visible and readable by drivers from any vantage point within the half block. Additionally, where multispace or single/double-space parking meters are present, decals denoting the pay-by-phone phone number, SMS short code and/or payment URL and unique location number shall be installed on both street and sidewalk facing sides.
(M.C.S., Ord. No; 23215, § 1, 9-11-08)

Sec. 154-1085. Single/double-space parking meter, multispace pay station or OPS operation.

(a) Each single/double-space parking meter or multispace pay station shall be so set as to display a signal to indicate the parking time allowed upon the payment for use of the space by depositing the specified amount of legal tender of the United States or by using a credit card, debit card, smart card or token; as acceptable to the particular regulating device, in such single/double-space parking meter or multispace pay station, as the case may be, for the part of the street upon which the single/double-space parking meter or multispace pay station is placed.

(b) Each single/double-space parking meter or multispace pay station shall be so arranged that upon the expiration of such parking limit, it will indicate at what time the lawful parking period expires.

(c) The OPS shall indicate to the customer by voice, text message, email, web or other online means the parking time allowed for the selected location upon payment for use of the space. Payment for OPS transactions shall be made by credit card, debit card, prepaid account or other electronic payment mechanism.

(d) The OPS shall provide data for enforcement in real time, via wired or wireless networks, such that parking operations staff may identify separately those locations that are currently paid by OPS means and those that are not.
(M.C.S., Ord. No. 23215, § 1, 9-11-08)

Sec. 154-1086. When use required; prohibited.

(a) On those sections of city streets where parking is regulated at metered spaces, parking is permitted on the days and between the hours of operation posted for the intervals of time as indicated by the single/double space parking meters, multispace pay stations, on-line parking services (OPS), or on signs installed by the authority of the director of the department of public works in conjunction with such single/double space parking meters, multispace pay stations, or OPS meter spaces.

(b) It shall be unlawful for a vehicle to be parked in a metered space on the days and between the hours of operation indicated in paragraph (a) above, when the specified payment has not been made for use of the metered space and the single/double space parking meter, multispace pay station or OPS indicates that such payment has not been made, or when signage indicates that such space is not a legal parking space at that time. It shall be lawful to park in such legal parking spaces on public holidays, as defined in section 154-2, without payment of the specified amount, regardless of the presence of single/double space parking meters, multispace pay stations or OPS which might at other times regulate such space.

(c) It shall be unlawful for a vehicle to be parked at any time in a metered space when a locked bag or hood has been placed upon such single/double space parking meter.
(M.C.S., Ord. No. 23215, § 1, 9-11-08; M.C.S., Ord. No. 23428, § 1, 3-19-09)

Sec. 154-1087. Meter rates.

(a) The rate for metered parking on public streets shall be $2.00 per hour, except as otherwise provided in this section. The parking administrator may charge an additional fee up to $0.50 per metered parking transaction for payments made through the online payment system per section 154-1081. The minimum time increment charged in a single metered parking transaction shall be six minutes. The maximum time increment that may be purchased in a single meter transaction shall be four hours. A vehicle may remain parked in one location for successive four-hour periods, not to exceed 24 hours, provided that required payments are maintained continuously during periods of meter operation.

(b) The rate for metered parking within the area bounded by and including the following street blocks shall be $3.00 per hour:

0 block through 1800 block of Calliope Street

1900 block through 2900 block of Earhart Boulevard

100 block through 1000 block of South Claiborne Avenue

100 block of North Claiborne Avenue

1200 block through 1600 block of Iberville Street

200 block through 500 block of Basin Street

1100 block through 1300 block of Saint Peter Street

700 block through 1400 block of North Rampart Street

1700 block through 1800 block of Joseph Guillaume Place

1900 block through 2100 block of Saint Claude Avenue

400 block through 1000 block of Elysian Fields Avenue

2100 block of North Peters Street

900 block through 1300 block of North Peters Street

500 block through 900 block of Decatur Street

400 block of North Peters Street

100 block of Conti Street

300 block of North Front Street

200 block of Bienville Street

200 block of North Peters Street

0 block through 200 block of Iberville Street

100 block through 200 block of Badine Street East

100 block of Convention Center Boulevard

0 block through 100 block of Poydras Street

500 block through 1200 block of Convention Center Boulevard

(M.C.S., Ord. No. 23215, § 1, 9-11-08; M.C.S., Ord. No. 23428, § 1, 3-19-09; M.C.S., Ord. No. 30545, § 1, 12-18-25)

Sec. 154-1088. Use of substitute payment prohibited.

It shall be unlawful and an offense to deposit or cause to be deposited in any single/double-space parking meter or multispace pay station or OPS anything other than legal tender of the United States, a valid credit card, a valid debit card, a valid smart card, or token as is indicated as acceptable on the particular regulating device.
(M.C.S., Ord. No. 23215, § 1, 9-11-08)

Sec. 154-1089. Damaging single/double-space parking meters, multispace pay stations or ops signage prohibited.

It shall be unlawful and an offense for any reason to deface, injure, tamper with, open or willingly break, destroy or impair the usefulness of any single/double-space parking meters or multispace pay station or any signage or decals related to OPS services.
(M.C.S., Ord. No. 23215, § 1, 9-11-08)

Sec. 154-1090. Fixed fees and rental rates for use of curb space controlled by single/double space parking meters and multispace pay stations.

A charge of $30.00, or $15.00 for an event sponsored by a nonprofit, per diem in addition to a fixed fee of $45.00 shall be charged against all contractors, builders, and others requiring the temporary use of curb space controlled by single/double-space parking meter and/or multispace pay station or OPS services in order to facilitate work conducted by them in the immediate vicinity of the single/double space parking meters, multispace pay stations or OPS, except in the downtown area from the Pontchartrain Expressway to S. Claiborne Avenue to N. Claiborne Avenue to Elysian Fields to the River, including both sides of all streets listed, where the charge shall be $70.00, or $35.00 for an event sponsored by a nonprofit, per diem, in addition to the $45.00 fixed fee. Temporary use is defined as the time period posted on the single/double-space parking meter, multispace pay stations, or OPS. Temporary use of curb space controlled by single/double space parking meters or multispace pay stations or OPS shall not permit a user to disregard other regulations posted in the area. For purposes of this section, the term "nonprofit" shall mean an organization that is exempt from federal income tax under Section 501(c) of the Internal Revenue Code, is a Louisiana nonprofit corporation in good standing with an Employer Identification Number issued by the Internal Revenue Service, or is a school operated by the Orleans Parish School Board or Recovery School District. These fees shall be nonrefundable and shall not be waived.

Upon receipt of an application and payment for such rentals the department of public works, or its representative, will appropriately display notice of such rental. In the case of a space(s) regulated by a multispace pay station, single/double space parking meters or OPS, the department of public works, or its representative, will appropriately display a notice of such rental on the physical barriers used to indicate the space(s) being rented. If the department of public works determines that the single/double space parking

meter(s) or the multispace pay station(s), or installed OPS signs will hamper the work to be performed by the user or the possibility of damage to the single/double space parking meter, multispace pay station or OPS signs exists, then the department of public works, or its representative will remove the applicable single/double space parking meter(s), multispace pay station(s) and OPS signage and install "no parking" signs to indicate the space(s) have been rented. For this service a fee of $305.00 will be imposed, in addition to the per diem rates.

Acceptance of an application for the use of curb space occupied by single/double-space parking meters, multispace pay stations or OPS signage shall be limited to a maximum of 90 days. If this period is not sufficient, the user must request renewal of the application at least five working days before the expiration date of the original application. If an extension is requested within less than five working days of the expiration of the original application, a new application must be initiated, and payment of the fixed fees of $45.00 and $305.00 will be required.
(M.C.S., Ord. No. 23215, § 1, 9-11-08; M.C.S., Ord. No. 23428, § 1, 3-19-09; M.C.S., Ord. No. 23818, § 1, 12-1-09; M.C.S., Ord. No. 26786, § 1, 2-4-16; M.C.S., Ord. No. 27266, § 1, 1-26-17)

Sec. 154-1091. Duty to make payment prerequisite to use of space.

When any vehicle is parked in any legal parking space which is a metered space, the owner, operator, manager or driver of such vehicle shall, upon entering such parking space, immediately make the specified payment in the single/double-space parking meter or multispace pay station, or by use of an OPS, as is applicable, by using either legal tender of the United States or by using a credit card, debit card, smart card or token, prepaid account or other electronic means as is acceptable to the particular device being used to regulate such parking space. Upon making such payment, the metered space regulated by the device to which payment was made may be used by such vehicle during the parking limit provided, for the part of the street in which the parking space is located.
(M.C.S., Ord. No. 23215, § 1, 9-11-08)

Sec. 154-1092. Use by city field representatives.

(a) Any field representative of a department of city government when engaged in official business who displays a valid field representative parking permit on the inside of the vehicle on the right side of the rear windshield (rear windshield of the passenger side), or whose vehicle license plate is registered as a valid field representative in the OPS, while parking in any metered zone described below, shall not be required to deposit a coin or be charged via OPS for the use of the parking space for that period of time when actually on official duty; provided, however, that no such vehicle shall be parked in the same space for more than four consecutive hours. Any metered parking space within the city with the exception of the off-street metered parking spots located adjacent to city hall on LaSalle Street and on Poydras Street shall be available for a maximum of four consecutive hours for approved use by properly authorized employees who are field representatives of a department of city government.

(b) Employees described in subsection (a) may obtain a serially numbered parking permit decal from the superintendent of police or have the vehicle registered as a valid field representative vehicle in the OPS.

(c) These permits may be issued by the superintendent of police only to appropriate employees described in subsection (a) and shall bear an expiration date of December 31 of each calendar year. These permits may be renewed by the superintendent on January 1 of each year and shall be valid for 12 consecutive months.
(M.C.S., Ord. No. 23215, § 1, 9-11-08; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1093. Use by mobility-impaired/disabilities.

When a motor vehicle bearing a plate or displaying a hang tag or a special parking card

issued to a mobility-impaired person or person with disabilities in conformance with state regulations is being operated for the transport of the mobility-impaired person or person with disabilities, the motor vehicle may be parked for a period of up to a maximum of three hours without payment, regardless of meter fares otherwise applicable to the parking space. This provision shall apply except as restricted or prohibited by ordinance, or where parking is prohibited by ordinance or police on a roadway for the purpose of creating a fire lane or for the accommodation of heavy traffic during morning, afternoon, or evening hours or where the motor vehicle is parked in such a manner as to clearly be a traffic hazard.

The city shall recognize hang tags, special parking cards, or other removable windshield placards and special license plates which have been issued by authorities of other states and countries for the purpose of identifying vehicles transporting a mobility-impaired person or person with disabilities. Additionally, special registration of the vehicle license shall be recognized in the OPS.
(M.C.S., Ord. No. 23215, § 1, 9-11-08; M.C.S., Ord. No. 26070, § 2, 10-2-14)

Sec. 154-1094. Direction of parking.

Any vehicle parked in any parking space regulated by a single/double-space parking meter shall be parked with the bumper of such vehicle alongside of or next to the single/double-space parking meter alongside of or adjacent to the parking space in parallel parking spaces, and with the center and front of the vehicle directed at the single/double space parking meter in diagonal parking spaces.
(M.C.S., Ord. No. 23215, § 1, 9-11-08)

Sec. 154-1095. Marking of spaces to be observed.

The director of the department of public works may cause to be placed lines or marks on the curb or on the street to designate the physical limits of a metered space. Each vehicle parked in any metered space so demarcated shall park within the lines or markings so established. No person shall park any vehicle across any such line or mark or park a vehicle in such a way that it shall not be within the area so designated by such lines or markings, except in the event a vehicle may be longer than the space allotted, and in such case, the driver of any vehicle occupying more than one space or any part of an additional space shall make a payment for each metered space, or any portion of a metered space, being occupied, and such driver shall be deemed to be in violation of any one of the single/double space parking meters whose space is occupied shows a violation.
(M.C.S., Ord. No. 23215, § 1, 9-11-08)

Sec. 154-1096. Use of proceeds.

The payment made by depositing the specified amount of legal tender of the United States or by using an OPS, a credit card, debit card, smart card or token as is acceptable to the particular regulating device as provided in this division are hereby levied as policy regulations and inspection fees to cover the cost of inspection and regulation involved in inspection, installation, operation, control and use of the parking spaces and single/double space parking meters, multispace pay stations and OPS described herein, and involved in checking and regulating the parking of vehicles in the parking spaces regulated by such single/double space parking meters or multispace pay stations.
(M.C.S., Ord. No. 23215, § 1, 9-11-08)

Sec. 154-1097. Use by vehicles bearing a musician loading/unloading parking permit.

Within one hour of a scheduled musical performance, a motor vehicle bearing a musician loading/unloading parking permit, issued and displayed in accordance with section 154-868(d), may park for up to 15 minutes without charge in a metered parking space for the purpose of loading or unloading musical equipment. This section does not authorize any person to park in a metered space to the extent parking has been restricted by law or by order of the city.

DIVISION 10. RESIDENTIAL PERMIT PARKING PROGRAM

Sec. 154-1136. Definitions.

The following words, terms and phrases, when used in this division, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Motor vehicle means an auto, truck, motorcycle or other motor-driven form of transportation with a gross weight of less than 6,000 pounds.

Primarily residential means 50 percent of the ground level space is residential property.

Resident means an individual(s) domiciled and living in a residential property. For purposes of this definition domiciled means (1) a fixed residence in a residential permit parking zone, (2) which is the resident's primary and habitual residence (whereby the resident lives the majority of the year) and (3) the resident has the intention to remain there permanently or indefinitely.

Resident motor vehicle means a registered motor vehicle owned or leased by a resident of the residential permit parking area and registered at his or her address within the residential parking permit area.

Residential area means the contiguous or nearly contiguous area containing public streets and highways or parts thereof, the zoning of which is residential as provided in the Comprehensive Zoning Ordinance.

Residential permit parking zone means a residential area designated as herein provided where resident motor vehicles displaying a valid permit as described herein shall be exempt from parking time restrictions established pursuant to this division.

Residential property means a building or portion thereof, designed or used exclusively for residential occupancy, but not including trailers, hotels, motels, motor lodges, dormitories, boarding and lodging homes, or time share buildings.

Residential property owner means the individual(s) that have at least a 51 percent ownership interest in a residential property as reflected on the property tax records for real property address. The residential property owner may or may not be a resident.

Special area means a primarily residential contiguous or nearly contiguous area containing public streets and highways or parts thereof that necessitates specific parking regulations to accommodate the residents therein.

Special permit parking zone means a special area ordained by the city council upon the recommendation of the director of the department of public works or their designee that provides specific permit requirements and applicable permit fees that supersede these specific requirements as provided herein.

(Code 1956, § 38-313; M.C.S., Ord. No. 26477, § 1, 7-9-15)

Cross reference—Definitions generally, § 1-2.

Sec. 154-1137. Penalties for violation.

(a) Any person parking a motor vehicle not displaying a valid permit in a residential permit parking zone for a period exceeding the time limitation established shall be subjected to a fine, as set forth in section 154-699.

(b) The parking administrator may temporarily suspend enforcement of the regulations and/or limitations of a residential permit parking zone at the direction of the superintendent of police when needed to safeguard the public or for good cause shown.

(Code 1956, § 38-286.30; M.C.S., Ord. No. 23425, § 1, 3-19-09; M.C.S., Ord. No. 26477, § 1, 7-9-15; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1138. Permit parking zones authorized.

The parking administrator is hereby authorized to restrict by order, subject to approval by the council, parking on public streets in a residential or special area, designated by the council as provided

herein, to vehicles bearing a valid parking permit issued pursuant to this division. Sec. 154-1139. Eligibility requirements.

(a) A residential area is eligible for residential permit parking if, based on objective criteria established by the city traffic engineer, parking therein is impacted by commuter vehicles.

(b) In determining the appropriate designation of an area identified as eligible for residential permit parking or special permit parking zone, the city traffic engineer shall take into consideration the following factors:

(1) The extent of the desire and need of the residents for appropriate designations and their willingness to bear the administrative costs in connection therewith.

(2) Proximity of the neighborhood to major parking attractors, including employment centers, retail stores, restaurants, universities, hospitals, and tourist attractions.

(3) Proximity of the neighborhood to transit service.

(4) Scarcity of convenient off-street parking for residents.

(5) The extent to which motor vehicles registered to persons residing in the residential area cannot be accommodated by the number of available off-street parking spaces.

(6) Substantial use of neighborhood curb space by commuters and other nonresidents for parking. Substantial use is defined as 25 percent or more of nonresident vehicles in the area under consideration during peak parking space usage times.

(7) Traffic, noise and safety problems caused by vehicles cruising for parking.

(Code 1956, § 38-314; M.C.S., Ord. No. 26477, § 1, 7-9-15; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1140. Designation procedures.

(a) In order to determine whether a particular area should be designated as a residential permit parking zone or special permit parking zone, the city traffic engineer or his designee shall conduct, upon his own initiative or upon request of the city council, a public forum prior to the designation or removal of the designation of a parking permit zone, or prior to the withdrawal of such designation once it is established. Such forum shall be held only after due notice has been published in the city's official journal. The notice shall clearly state the purpose of the forum, the boundaries of the permit parking zone under consideration, the reasons why such area is being proposed for designation, and, if applicable, the proposed parking fee that would be charged. During such forum any interested person shall be entitled to appear and be heard.

(b) Within 15 days following the close of the public forum, the city traffic engineer shall recommend by report to the city council whether to designate the area under consideration as a residential permit parking zone or special permit parking zone, specifying the times or limitations recommended and proposed fees, or whether to remove the designation in the case of an established residential permit parking zone or special permit parking zone. Within 30 days following the receipt of the report, the council shall approve or disapprove the recommendation of the city traffic engineer, except special permit parking zones may be modified as deemed necessary by the council, as provided herein.

(Code 1956, § 38-315; M.C.S., Ord. No. 26477, § 1, 7-9-15; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1141. Implementation; application for permit.

(a) Once a residential permit parking zone or special permit parking zone is approved by the city council, implementation on a particular street shall be contingent on the following criteria:

(1) The street is primarily residential.

(2) A majority of the households signed a petition seeking residential or special parking status for their block.

(3) At least 75 percent of the legal on-street parking spaces must be occupied during

the period proposed for parking restrictions, as determined by the city traffic engineer.

(b) The city traffic engineer or his designee shall install parking signs indicating times, locations and conditions under which parking is by permit only on the streets designated as the residential permit parking zone or special parking zone.

(c) The application fee pursuant to section 146-108 shall apply for both residential permit parking zone applications and special permit parking zone applications.

(d) For residential permit parking zones, a permit for parking shall be issued only to residents within a designated residential permit parking zone upon application and payment of the applicable fee. A person is eligible to apply for a residential parking permit if they are a resident within a designated residential permit parking area and do not have adequate off-street parking available at their property, as determined by the parking administrator. Eligibility for a residential parking permit is ultimately at the discretion of the parking administrator. No more than one permit shall be issued to each vehicle for which application is made.

(e) For residential permit parking zones, each application for a permit or renewal of a permit shall contain information sufficient to identify the applicant, provide proof of residency, identify the location of the resident's real property address or residence within the residential parking permit area, and identify the license number and provide proof of current registration of the resident motor vehicle for which the permit would be issued. The owner or operator of any motor vehicle applying for a residential parking permit shall have a valid state motor vehicle license except when the car is titled in a company's name and assigned to the resident for personal use. A letter from the company (on company stationery) must be presented identifying the resident, residential permit parking address, make and model and license plate number of the car along with the motor vehicle registration.

(f) For residential permit parking zones, a resident shall provide proof of residency in the residential permit parking zone on a block designated for implementation at the time application is made. Adequate proof of residency may include: the resident's tax bill providing a "homestead exemption" for the municipal address of the eligible property or an executed, current lease or other agreement for the municipal address of the eligible property.

(g) For residential permit parking zones, the application for a permit shall contain the name of the owner or operator of the motor vehicle; residential address, the make, model, registration and plate numbers of the motor vehicle; and the applicant's driver's license number. The motor vehicle registration and the driver's license of the applicant must be presented at the time of making such application in order to verify the contents thereof. The owner or operator of any motor vehicle applying for a residential parking permit shall have a valid state motor vehicle license.

(h) For special permit parking zones, the applicable permits, application and evaluation criteria, and permit fee shall be dictated by council ordinance, as provided herein.
(Code 1956, § 38-316; M.C.S., Ord. No. 26477, § 1, 7-9-15; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1142. Permit fee.

(a) The parking administrator is authorized to establish by order an annual residential permit parking fee for each residential parking zone to cover the administrative costs of permits issued pursuant to this section. The annual fee for each such permit shall be $30.00, unless otherwise provided herein. Upon presentation of adequate proof, persons 65 years of age or older who otherwise qualify for the permit shall pay a permit fee of not more than $20.00.

(b) The annual fee special parking zone shall be as fixed by the council, but in no event shall the fee be less than $30.00, except persons 65

years of age or older who otherwise qualify for the permit, said fee shall be no less than $20.00.
(Code 1956, § 38-321; M.C.S., Ord. No. 26477, § 1, 7-9-15)

Sec. 154-1143. Use of permit.

(a) Use notwithstanding any provisions of this chapter to the contrary, the holder of a residential or special parking permit shall be permitted to stand or park a motor vehicle for which a permit has been issued in the residential or special permit parking zone designated on the permit without being subject to the limitations imposed on vehicles lacking the permit, provided however that parking is permitted. While a vehicle for which a residential or special parking decal has been issued is so parked, such permit decal shall be displayed so as to be clearly visible through the windshield of the vehicle.

(b) A residential or special parking permit shall not authorize the holder thereof to stand or park a motor vehicle in such places or during such times as the stopping, standing, or parking of motor vehicles is prohibited or set aside for specified types of vehicles, and shall not exempt the holder from the observance of any traffic regulation other than the parking limit.

(c) A residential or special parking permit shall not guarantee or reserve to the holder thereof an on-street parking space within the designated permit parking area.
(Code 1956, § 38-317; M.C.S., Ord. No. 26477, § 1, 7-9-15)

Sec. 154-1144. Exemption.

Service vehicles parked in residential or special parking zones while making service calls to residential dwellings within the zone shall be exempt from holding a residential parking zone permit and exempt from the posted time limits. Such service vehicles shall display in the windshield on the passenger side of the vehicle a work slip showing the name and address of the residence being serviced.
(Code 1956, § 38-318; M.C.S., Ord. No. 26477, § 1, 7-9-15)

Sec. 154-1145. Eligibility of temporary residents.

(a) *Temporary residents.* Temporary residents of a residential or special permit parking zone whose motor vehicles are registered in another state may apply for a temporary visitor's permit valid for the duration of the 30-day reciprocity period allowed under state law. Applicants must present a valid driver's license and motor vehicle registration from their home state, as well as a rental or lease agreement, utility bill receipt, or some other adequate proof of residence in the designated residential permit parking zone. The fee for issuance of such permit shall be $15.00 and may be, within 30 days, applied towards a resident sticker valid for the balance of a twelve-month period from the date of issuance when the registration of the vehicle is matched to the local address in the residential or special parking zone.

(b) *Student residents.* Students of local universities who temporarily reside, semester-by-semester, on a block designated as part a residential or special permit parking zone shall be allowed to apply for a semester-long residential parking permit for each semester attended. Such permit shall be issued only after such individual presents a valid student identification card, current vehicle registration, license plate number and operator's license as well as a rental agreement or utility bill showing the applicant as a bona fide resident of the address in question for the semester. The permit fee for shall be $20.00 per semester for each permit issued. No more than one permit per vehicle shall be issued. Students are not eligible to receive a visitor permit.
(Code 1956, § 38-319; Ord. No. 20,004, § 1, 1-18-01; M.C.S., Ord. No. 26477, § 1, 7-9-15)

Sec. 154-1146. Visitor and non-resident permits.

(a) *Annual residential parking visitor permit.*

(1) In a residential permit parking zone where parking spaces for visitors are not set aside on-street, the holder of a permanent valid residential parking permit or a resident without a vehicle

who would otherwise qualify for a residential parking permit, may apply for one annual residential parking visitor's permit.

(2) The annual residential parking visitor permit shall identify the resident's permanent permit number, as applicable, and zone, and shall be signed by the permit-holder host attesting that the temporary pass shall be used by a bona fide visitor.

(3) The fee for issuance of such permit shall be in accordance with section 154-1142.

(4) Such permit shall not be duplicated, but may be transferrable to different visitors at the discretion of the permit-holder host.

(b) *Daily visitor permit.*

(1) In parking zones where parking spaces for visitors are not set aside on-street, the holder of a valid annual residential parking permit or valid student permit or residential property owner subject to restrictions contained herein, may apply for a daily visitor's permit, which shall not be transferable.

(2) The daily visitor permit shall identify the permanent residential permit number, as applicable, and zone, and shall be signed by the permit-holder host or residential property owner attesting that the temporary permit shall be used by a bona fide visitor.

(3) Each daily visitor permit shall be $4.00 per pass. Upon presentation of adequate proof, persons 65 years of age or older who otherwise qualify for the permit shall pay a fee of $2.00 for each permit issued. An application fee shall not be charged for issuance of a daily visitor permit.

(4) No single residential parking permit or valid student permit holder shall be permitted to be issued or possess more than one daily visitor permit at any one time. A waiver of this limitation may be granted by the parking administrator subject to approval by the superintendent of police or their designee.

(c) *Residential property owner permit.*

(1) The parking administrator is authorized to issue an annual non-transferrable property owner permit to a residential property owner that is not a resident provided that they provide proof that they have at least a 51 percent ownership interest in a residential property as reflected on the property tax records for a real property address, current vehicle registration, license plate number and valid driver's license.

(2) The fee for issuance of such permit shall be in accordance with section 154-1142.

(3) No single real property address shall be permitted to be issued or possess more than one residential property owner permit. A waiver of this limitation may be granted by the parking administrator subject to approval by the superintendent of police or their designee.

(4) The holder of a residential property owner permit shall not be authorized to apply for a daily visitor permit.

(Code 1956, § 38-322; M.C.S., Ord. No. 23818, § 2, 12-1-09; M.C.S., Ord. No. 26477, § 1, 7-9-15; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1147. Misrepresentation by applicant; illegal use of transfer of permit.

(a) It shall constitute a violation of this division for any person to falsely represent himself as eligible for a residential or special parking permit or to furnish any false information in an application to the parking administrator in order to obtain a residential or special parking permit.

(b) No person other than the permittee named thereon shall use a residential or special parking permit or display it on a vehicle operated or parked, and any such use or display by a person other than the permittee shall constitute a viola-

tion of this section by the permittee and by the person who so used or displayed such parking permit.
(Code 1956, § 38-323; M.C.S., Ord. No. 26477, § 1, 7-9-15)

Sec. 154-1148. Penalties for misrepresentation, illegal use.

(a) The parking administrator is authorized to revoke the residential or special parking permit of any permittee found to be in violation of section 154-1147 and upon written notification thereof the permittee shall surrender such permit to the parking administrator.

(b) Any person who shall violate any provision of section 154-1147 shall, upon conviction, be subject to punishment by a fine of not more than $500.00.
(Code 1956, § 38-324; M.C.S., Ord. No. 26477, § 1, 7-9-15)

Sec. 154-1149. Parking penalties.

Any person parking a motor vehicle not displaying a valid residential or special parking permit that has been issued in accordance with the provisions of this article, and who parks such vehicle in a residential or special permit parking zone where signs are erected giving notice thereof for more than a maximum of two hours cumulatively anywhere within the boundaries of the zone and at any time during the posted hours of operation of the zone, shall be subject to receipt of a notice of violation and imposition of monetary fine, in accordance with the provisions of this chapter. Any vehicle parked in a residential or special permit parking zone in violation of any provision of this chapter requiring immediate removal and impoundment, or which is found to be causing a severe hazard to traffic or public safety, shall be subject to such action without regard to display of valid residential or special parking zone permit.
(Code 1956, § 38-325; M.C.S., Ord. No. 26477, § 1, 7-9-15)

Secs. 154-1204—154-1250. Reserved.

ARTICLE X. EQUIPMENT

Sec. 154-1251. General requirements.

(a) Every vehicle operated in this parish shall comply with all equipment requirements of state law and involving vehicles traveling on state highways, and particularly requirements of Title 32, known as the Louisiana Highway Regulatory Act, relative to driver responsibility for maintaining on the vehicle adequate headlights, backup lights, stop lights, braking equipment, taillamps, reflectors, electric turn signals, horns, windshield wipers, mirrors, safety glass, tires, fuel tank caps, fenders, mud guards, and all other equipment required by state law at the time and in the manner provided for by such statutes, in addition to requirements now imposed by this chapter.

(b) All trucks, tractors, or trailers used to haul oversized vehicles and overlength loads between dusk and dawn are to be equipped with portable lights and barricades. These lights are to be red or amber in color and are to be placed on the truck, tractor, or trailer, or on the overlength load, in a position which will enable it to be seen from any direction. They should also be equipped with portable barricades containing fixtures for the attachment of portable lights. These lights or barricades are to be used in case of a breakdown or in time of trouble.

(c) Every school bus operated in the parish shall be equipped with an exterior convex mirror at least 7½ inches in diameter mounted on either the left or right front fender in such a manner that the seated driver may observe, through its use, areas to the immediate front and side of the bus when direct observation is not possible.

(d) Should there be any conflict between the requirements of state law and the equipment standards set forth in this chapter, state law will govern.

(Code 1956, § 38-166)

State law reference—Equipment of vehicles, R.S. 32:301 et seq.

Sec. 154-1252. Trailers and towed vehicles.

(a) When one vehicle is towed by another, the drawbar or other connection shall be of sufficient strength to pull all weight towed thereby, and such drawbar or such connection shall not exceed 15 feet from one vehicle to the other except the connection between any two vehicles transporting poles, pipes, machinery, or other objects of structure or nature which cannot be readily dismembered.

(b) When one vehicle is towed by another and the connection between them consists of a chain, rope or cable, there shall be displayed upon such connection a red flag or cloth not less than 12 inches square; from sunset to sunrise, this signal shall be a red light, plainly visible under ordinary atmospheric conditions for a distance of at least 500 feet.
(Code 1956, § 38-171)

Sec. 154-1253. Unauthorized vehicle equipment prohibited.

(a) No person shall operate any vehicle in the parish which shall display, have attached to it, or use any equipment prohibited by state law and particularly the Louisiana Highway Regulatory Act.

(b) It shall be a violation for any vehicle, except authorized emergency vehicles, to display a blinking red light, visible from the front of the vehicle, while such vehicle is in operation.

(c) It shall be a violation for any vehicle, except authorized vehicles of the New Orleans Police Department and Department of Public Works vehicles operating under the direction of the New Orleans Police Department to display a blinking blue light, visible from the front of the vehicle, while such vehicle is in operation.
(Code 1956, § 38-167; M.C.S., Ord. No. 27621, § 1, 12-14-17)

Sec. 154-1254. Headlight requirements.

Every vehicle upon a street or highway within this city at any time between sunset and sunrise and at any other time when, due to insufficient light or unfavorable atmospheric conditions, persons and vehicles on the highway are not clearly discernible at a distance of 500 feet ahead shall display lighted lamps and illuminating devices as required by state law and this chapter for the different classes of vehicles regulated by state law, subject to exception with respect to parked vehicles.
(Code 1956, § 38-165)

State law reference—Similar provisions, R.S. 32:301.

Sec. 154-1255. Child passenger restraint system.

(a) Any driver who transports a child or children under the age of five years in a motor vehicle which is equipped with safety belts at the time of manufacture or assembly or is currently equipped with safety belts shall have the child properly secured in accordance with the manufacturer's instructions in a child passenger restraint system which meets the applicable federal motor vehicles safety standards in effect on the effective date of the ordinance from which this section was derived, except as provided in subsections (c), (d) and (e) of this section.

(b) The terms "motor vehicles" as used in this section shall not mean the following: bicycles; farm tractor; motorcycle or motor-driven cycle; truck of manufacturer's rating carrying capacity of over 2,000 pounds; ambulance or other emergency vehicle; school bus as defined in R.S. 32:1(62)(a) and (b); church bus, private bus or recreational vehicle which has a passenger capacity of over ten persons; or commercial truck, van or taxi.

(c) If such child is three to five years of age, securing the child in a lap belt or safety belt in a rear seat shall be sufficient to meet the requirements of this section. If there are no rear seats, a child passenger restraint system shall be used.

(d) Where the number of children under the age of five in the motor vehicle exceeds the number of child passenger restraint systems and seat belts available in the motor vehicle, the unrestrained children shall be seated in a rear seat.

(e) The provisions of this section shall not apply when one of the following conditions exists:

(1) The motor vehicle is being used as an ambulance or other emergency vehicle.

(2) An emergency exists which threatens the life of any person operating a motor vehicle to whom this section otherwise would apply or the life of any child who otherwise would be required to be restrained under this section.

(3) Any child who would otherwise be required to be restrained under this section who is physically unable because of medical reasons to use a child passenger safety system or safety belt.

(f) In no event shall failure to wear a child passenger safety seat system be considered as comparative negligence, nor shall such failure be admissible as evidence in the trail of any civil action with regard to negligence, nor shall such failure be considered a moving violation.

(g) Any operator of a motor vehicle stopped for a violation of this section and against whom enforcement action has been taken shall not be guilty of a subsequent violation of this section until 24 hours have elapsed from the date and time of the violation as indicated on the traffic ticket.
(Code 1956, § 38-162.3)

State law reference—Similar provisions, R.S. 32:295.

Sec. 154-1256. Penalties.

All vehicles registered in the parish shall be inspected at 12-month intervals, and any vehicle presented for inspection with an inspection certificate which had been issued in excess of three months previously shall be delinquent and subject to a delinquency fee according to the following schedule:

Months	*Fees*
From 1.1 to 3 months	$ 2.00
From 3.1 to 6 months	4.00
From 6.1 to 9 months	6.00
From 9.1 to 12 months	8.00
From 12 and over	10.00

ARTICLE XI. INSPECTION OF VEHICLE*

DIVISION 1. GENERALLY

Secs. 154-1296—154-1300. Reserved.

DIVISION 2. MOTOR VEHICLE INSPECTION

Sec. 154-1301. Established.

(a) There is hereby established in the department of police a motor vehicle inspection bureau.

(b) The superintendent of police or a designated representative is authorized to make such administrative rules and regulations as may become necessary to carry out and make effective the provisions of this article.
(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 28640, § 1, 3-25-21; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1302. General authority.

(a) The department of police shall inspect or cause to be inspected all vehicles registered within the City of New Orleans to determine whether such vehicles are in safe operating condition and are equipped with functioning safety devices required by the laws of the city and state and are adequately covered by liability insurance as required by La. R.S. 32:861 et seq.

(b) The department of police shall maintain or authorize operation of one or more motor vehicle inspection stations within the City of New Orleans.

***Editor's note—**M.C.S., Ord. No. 26599, § 1, adopted Oct. 1, 2015, amended Art. XI in its entirety to read as herein set out. Former Art. XI, §§ 154-1296—154-1300, 154-1301—154-1352, pertained to similar subject matter, and derived from Code 1956, §§ 38-160, 38-161, 38-161.1—38-161.5, 38-163, 38-164; Ord. No. 19,264, § 1, adopted April 19, 2000; M.C.S., Ord. No. 23816, § 3, adopted Dec. 1, 2009.

State law reference—Motor vehicle inspection, R.S. 32:1301 et seq.

(c) Subject to the discretion of the superintendent, the department of police may authorize satellite inspection stations to perform motor vehicle inspections on its behalf.

(d) For purposes of this chapter, a "satellite inspection station" is defined as a facility authorized by the motor vehicle inspection bureau to conduct motor vehicle inspections on behalf of the department of police, subject to the inspection standards outlined in this chapter.

(e) For the purposes of this chapter, a "commercial vehicle" is defined as any self-propelled or towed vehicle used on public roads and highways in commerce to transport passengers or property when:

(1) The vehicle has a gross vehicle weight rating or gross combination weight of 10,001 pounds or more;

(2) The vehicle is designed to transport more than ten passengers, including the driver.

(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 27962, § 1, 12-20-18; M.C.S., Ord. No. 28640, § 1, 3-25-21; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1303. Vehicle inspection required.

(a) No person shall operate a vehicle owned by a resident of this state upon the streets of the City of New Orleans unless it bears a current safety inspection certificate (brake tag) from the municipality where the vehicle is registered, or if such municipality does not require such safety inspection certificate, then from the state. All vehicles registered in the City of New Orleans shall be presented to the department of police or an authorized inspection station at least once every other year, except as may be otherwise provided in this section. Such an inspection shall be performed within 60 days after the month the vehicle was acquired or newly registered in the State of Louisiana after being transferred from another state.

(b) Vehicles with a gross vehicle weight rating of 10,000 pounds or less are eligible for a two-year inspection certificate only if the vehicle age is ten years or less. For purposes of this article, the term "vehicle age" shall be determined based on the vehicle's model year, and a "year" shall be measured through the last day of that respective calendar year (for example, a vehicle with a model year of 2000 shall have a vehicle age of one year as of January 1, 2001).

(c) Vehicles with a gross vehicle weight rating of 10,001 pounds or greater shall be presented to the department of police or an authorized inspection station on an annual basis and shall not be entitled to a two-year inspection certificate.

(d) The annual inspection period shall begin on January 1 of each year; the reinspection month shall be determined by the month and year indicated on each particular vehicle's previous inspection certificate.

(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 27962, § 1, 12-20-18; M.C.S., Ord. No. 28640, § 1, 3-25-21; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1304. Vehicles exempt from inspection.

The following categories of vehicles are exempt from inspection under this chapter:

(a) Farm tractors, self-propelled farm equipment, rubber-tired farm wagons and carts, drawn rubber-tired farm equipment, and implements of animal husbandry which are designed primarily for field use and which are operated or moved only incidentally on the streets or highways of the city or state, and which are used for farm purposes only.

(b) Motor vehicles which are 25 years old or older and which are used primarily for exhibition in shows, parades, tours, and other special uses and not for general transportation and which are registered and licensed as antique as provided in R.S. 32:707(L) of the Louisiana Revised Statutes.

(c) Single-axle two-wheel trailers, tandem trailers, and all boat trailers unless these trailers are used in commerce and are subject to Code of Federal Regulations (49 CFR 396.17).

(d) Commercial vehicles with an apportioned plate provided that the vehicle has complied with the requirements of Code of Federal Regulations (49 CFR 396.17).

(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 27962, § 1, 12-20-18)

Sec. 154-1305. Motor vehicle inspection standards.

(a) The superintendent of police is authorized to promulgate administrative rules and regulations for the inspection of motor vehicles to further the purpose and intent of this article. Rules and regulations so promulgated shall supersede and take precedence over standards of the Louisiana Department of Public Safety and Corrections.

(b) In the absence of administrative rules and regulations established by the superintendent of police, motor vehicle inspections within the City of New Orleans will be conducted in compliance with the standards promulgated by the Secretary of the Louisiana Department of Public Safety and Corrections, unless such standards conflict with the provisions of this article, in which case this article shall govern.

(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 28640, § 1, 3-25-21; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1306. Issuance of certificate.

(a) Upon determining that a vehicle is equipped with functioning safety devices, as required by the laws of the city and state, and is adequately covered by liability insurance as required by state law, and upon collection of fees for such inspection as set forth in section 154-1307 of this chapter, the department of police shall attach or cause to be attached an inspection certificate to the lower left side of the windshield of such vehicle. Inspection certificates shall expire on the last day of the month indicated on the face of the certificate.

(b) Vehicles which fail to pass inspection shall be issued a card showing the mechanical faults or indicating that proof of liability insurance as required by law has not been provided. A period of not more than 30 days shall be allowed in which to make necessary repairs or to provide proof of liability insurance as required by law, and such rejection card shall be a substitute for the inspection certificate during such period. Vehicles that pose a specific road safety hazard are restricted to driving no more than 20 miles within a 30-day period in order to make necessary repairs.

(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 27962, § 1, 12-20-18; M.C.S., Ord. No. 28640, § 1, 3-25-21; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1307. Fees.

(a) Inspection stickers:

(1) The fees to be paid by the owner or operator of a vehicle for an annual inspection certificate under this chapter shall be as follows:

i. Commercial vehicles shall pay a fee of $60.00.

ii. All other vehicles shall pay a fee of $25.00.

(2) The department of police shall collect from the operator of permitted satellite inspection stations the following amount per annual inspection certificate issued:

i. All inspection certificates for commercial vehicles, as defined in this chapter: $20.00.

ii. Inspection certificates for all other vehicles: $12.50.

(b) Late fees shall be assessed at a rate of $2.00 per month beginning on the first day of the calendar month following expiration, or 60 days after the month the vehicle is acquired or newly registered in the state of Louisiana after being transferred from another state. Late fees shall not exceed the price of an annual inspection certificate.

(c) All fees for inspection certificates and late fees shall be collected by an approved inspector and remitted to the department to be deposited into the general fund of the city. Payment for late fees shall be submitted no more than 15 days after being collected.

(d) For inspection certificates providing two years of validity as set forth in this chapter; the fee for such certificates shall be equivalent to the fee required for two annual inspections.

(e) Fees for satellite inspection stations:

(1) Permitted satellite inspection stations shall remit an annual fee of $25.00 to the department of police plus an annual fee of $5.00 for each inspector named on the permit application.

(2) If additional inspectors are added subsequent to the new or renewal application, the satellite inspection station shall remit the $5.00 fee when that inspector is submitted to the department of police for approval.

(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 27962, § 1, 12-20-18; M.C.S., Ord. No. 28640, § 1, 3-25-21; M.C.S., Ord. No. 29874, § 1, 3-21-24; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1308. Motor vehicle inspection stations, generally.

(a) Motor vehicle inspection stations shall conduct vehicle inspections throughout the calendar year.

(b) Inspection stations shall display signage as proscribed by the superintendent providing information including, but not limited to, hours of motor vehicle inspections, types of vehicle inspections performed, and standards for inspections.

(c) Restrooms must be available within the facility for use of customers.

(d) All motor vehicle inspections must be conducted on the premises of the approved inspection station and must be conducted on a hard surface (concrete or asphalt). Notwithstanding any law, rule or administrative policy to the contrary, inspection stations are not required to reserve a service bay or stall for the exclusive purpose of conducting motor vehicle inspections.

(e) For inspecting vehicles with a gross weight rating below 10,001 pounds, inspection stations must have available space to conduct a 20 mile per hour road test approved by the department of police. Alternatively, a properly installed and calibrated brake testing machine may be utilized in lieu of the road test. For inspecting commercial vehicles, as defined in this chapter, stations shall meet all standards outlined in Title 55 of the Louisiana Administrative Code.

(f) Inspection stations are required to maintain telephone service to the place of business and ensure that the telephone number is published in the local telephone directory and is made available on the internet.

(g) The following equipment shall be present at all inspection stations at all times during inspection hours:

(1) Windshield scraper (for removal of expired certificates).

(2) Standard single hole punch.

(3) Tire depth gauge.

(4) Measuring tape at least six feet in length.

(5) Flashlight.

(6) Tint meter (two-piece type).

(7) Adjustable mirror.

(8) Numerical stamps, numbered 1 through 12, and an "X" stamp, 1" size, and a black indelible ink stamp pad.

(9) The motor vehicle inspection bureau may require additional or alternate equipment for the proper operation of a satellite inspection station in the interest of ensuring public safety. Any additional or alternate equipment requirements will be provided to inspection stations in writing after which the station will have 30 days to obtain such equipment.

(h) The following equipment shall be present at all satellite inspection stations performing inspections on vehicles with a gross vehicle weight rating in excess of 10,001 pounds:

(1) Mechanic's creeper.

(2) Soapstone marker.

(3) Floor jack or lift or two jack stands, required only for stations which will perform inspections on school buses.

(4) Two wheel chocks

(5) Brake chamber tool

(6) A current Federal Motor Carrier Safety regulation handbook (updated within one calendar year) as prescribed by the U.S. Department of Transportation, Federal Motor Carrier Safety Administration Regulations, 49 CFR Parts 40, 303, 325, 350-399.

(i) Inspection stations shall give priority to customers seeking motor vehicle inspections.

(j) Inspection stations may inspect vehicles for good condition and proper adjustment during rain if the conditions are safe and the vehicle can be accurately inspected.

(k) Inspection stations shall offer certificates of inspection which are valid for both one year and two year periods. The owner of the vehicle shall have the option of purchasing a one year or a two year certificate, if such vehicle is eligible for a two-year certificate under this chapter.

(l) Inspection stations shall maintain an inventory of certificates of inspection adequate to satisfy the needs of the public, subject to the determination and standards of the department of police.

(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 27962, § 1, 12-20-18; M.C.S., Ord. No. 28640, § 1, 3-25-21; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1309. Satellite inspection stations, specifically.

(a) For the purpose of making inspections and issuing official inspection certificates, as provided within this article, the superintendent of police may issue permits for and furnish instructions to satellite inspection stations for the inspection of vehicles as required by this chapter.

(b) Application for a satellite inspection station permit shall be made upon an official form provided by the superintendent for that purpose, and may be granted when the superintendent is satisfied that the station is properly equipped, has adequately trained personnel to perform such inspections, and that inspections will be conducted in accordance with the laws of the city and state.

(c) The superintendent shall supervise and cause inspections to be made of such satellite inspection stations and shall suspend and/or revoke and require surrender of any permit issued to a station which is not properly equipped or where inspections are not properly conducted.

(d) The superintendent shall suspend and/or revoke and require surrender of any permit issued to a station when such station issues an inspection certificate in violation of this article, the Code of the City of New Orleans, or state law.

(e) Satellite inspection stations permits shall not be assigned, transferred, or used at any location other than therein designated and every permit shall be posted in a conspicuous place at the location designated.

(f) Satellite inspection station operators are responsible for the safekeeping of motor vehicle inspection certificates purchased for use by that station from the department of police. If inspection certificates are lost, stolen, destroyed, or otherwise rendered unusable, no refund of fees or replacement certificates shall be issued by the superintendent.

(g) Qualification for satellite inspection stations:

(1) Any business seeking approval as a satellite inspection station must guarantee inspections will be conducted in accordance with this article for a minimum of 40 hours per week.

i. Subject to the determination of the superintendent of police, approval of a satellite inspection station may be conditioned upon a guarantee of operation on specific days or during specific times to ensure adequate service to the public.

(2) Satellite inspection stations shall only be approved at locations operating under the use classification of "gas station,"

"motor vehicle service and repair, major", "motor vehicle service and repair," or "car wash" with permanent structures and sewerage and water board approved drainage in compliance with the standards of the Comprehensive Zoning Ordinance.

(3) Businesses applying for approval as a satellite inspection station must have been in operation for a minimum of 90 days at the time of application, as evidenced by the business's occupational license issued by the department of finance.

(4) Satellite inspection stations are required to submit and maintain a surety bond for the amount of $5,000.00 to provide for any damages which may occur to private vehicles during inspection due to negligence on the part of the satellite inspection station or its employees.

(5) Satellite inspection stations shall have a minimum of two approved motor vehicle inspectors on staff and registered with the department of police, with at least one approved motor vehicle inspector on duty during all inspection hours to perform motor vehicle inspections.

(6) Permitted satellite inspection stations shall inspect and issue inspection certificates to the owner or operator of private motor vehicles in accordance with the fees outlined in section 154-1307(a)(1) of this chapter.

(h) Satellite stations are required to record each inspection performed, along with all inspection certificate serial numbers and late fees collected, in the format required and frequency specified by the department of police.
(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 27962, § 1, 12-20-18; M.C.S., Ord. No. 28640, § 1, 3-25-21; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1310. Approved motor vehicle inspectors.

(a) All personnel employed by the satellite inspection station for the purpose of conducting motor vehicle inspections shall be approved and licensed by the department of police.

(b) No person shall be approved as a motor vehicle inspector that has not completed motor vehicle inspection training approved by the Louisiana Department of Public Safety. Evidence of completion shall be submitted to the department of police. Any inspector that has been unlicensed for a year or more must be retrained before inspecting any vehicle.

(c) Persons performing inspections on commercial vehicles, as defined in this chapter, shall be a current ASE (Automotive Service Excellence) Certified Diesel Mechanic or have an equivalent accreditation. Proof shall be provided to the department each time an inspector's application is submitted for review.
(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 27962, § 1, 12-20-18; M.C.S., Ord. No. 28640, § 1, 3-25-21; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1311. Fleet inspection stations.

(a) Any person, corporation, partnership, or other business entity owning or holding leases for more than ten motor vehicles registered in New Orleans and operating at least one vehicle repair and maintenance shop, may, upon request, have one or more of their vehicle repair and maintenance shops designated as fleet inspection stations for the purpose of inspecting and certifying those motor vehicles which are owned or leased by him.

(b) Such fleet inspection stations are required to maintain compliance with all applicable provisions of sections 154-1308, 154-1309, and 154-1310.

(c) Permitted fleet inspection stations shall remit an annual fee of $25.00 to the department of police plus an annual fee of $5.00 for each inspector named on the permit application.

(1) If additional inspectors are added subsequent to the new or renewal application, the fleet inspection station shall remit the $5.00 fee when that inspector is submitted to the department of police for approval.

(d) The department of police shall collect from the operator of permitted fleet inspection stations the full amount of inspection certificates as provided in section 154-1307(a)(1).
(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 28640, § 1, 3-25-21; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1312. Misrepresentation and false certificates.

(a) No person shall, in any manner, represent any place or business as a satellite or fleet inspection station unless such station is operating pursuant to a valid permit issued by the department of police.

(b) No person other than an approved motor vehicle inspector shall issue an inspection certificate on behalf of the department of police or a permitted satellite or fleet inspection station.

(c) No person shall use, possess, display or cause to be displayed upon any vehicle any inspection certificate knowing same to be fictitious, fraudulent, issued to a vehicle other than the one to which it was recorded, or issued without a complete inspection having been made.
(M.C.S., Ord. No. 26599, § 1, 10-1-15; M.C.S., Ord. No. 27962, § 1, 12-20-18; M.C.S., Ord. No. 28640, § 1, 3-25-21; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Secs. 154-1313—154-1400. Reserved.

ARTICLE XII. BICYCLES

Sec. 154-1401. Purpose and effect of regulations.

The purpose of this article is to facilitate the recovery of lost and stolen bicycles through a system of identification numbers and also to govern the rental and use of bicycles.
(Code 1956, § 38-190; M.C.S., Ord. No. 27900, § 1, 10-18-18; M.C.S., Ord. No. 29169, § 2, 10-6-22)

Sec. 154-1402. Responsibility of parent or guardian.

No parent of a child or tutor or curator of a minor or incompetent person shall authorize or knowingly permit any such child, minor or incompetent person to violate any of the provisions of this article.
(Code 1956, § 38-191)

Sec. 154-1403. Registration permitted.

Any person who resides in the City of New Orleans and who owns a bicycle and rides it upon a public right-of-way may register the bicycle with the department of safety and permits to receive a specific identification number for each bicycle he or she owns. The director of the department of safety and permits and his or her designee (hereafter department) is authorized to promulgate rules and regulations as may be required to carry out the purpose of this article.
(Code 1956, § 38-192; M.C.S., Ord. No. 27900, § 1, 10-18-18)

Sec. 154-1404. Registration application and fee.

(a) Applications to register bicycles shall be made upon a form provided by the department. There shall be a $5.00 application fee for each registered bicycle.

(b) It shall be a violation of this article for any person to register a bicycle when they know or have reasonable grounds to believe that they are not the owner or authorized by the owner to possess and register the bicycle.
(Code 1956, § 38-193; M.C.S., Ord. No. 27900, § 1, 10-18-18)

Sec. 154-1405. Issuance of registration; record.

(a) Upon the department's receipt of a proper application and fee, the department shall register the bicycle, assign it a registration number, and issue to the applicant a bicycle certificate sticker, as provided in section 154-1406.

(b) The department shall keep a record of each issued registration number, the date issued, the name and address of the person to whom a

bicycle certificate sticker was issued, the manufacturer's identification number that is printed on the frame of the bicycle, if applicable, and all fees collected relative thereto.

(c) Upon the department's receipt of a written request, it shall be the duty of the department to provide the superintendent of police and/or the superintendent of fire with a copy of the record of each registration.
(Code 1956, § 38-194; M.C.S., Ord. No. 27900, § 1, 10-18-18)

Sec. 154-1406. Attachment of registration certificate.

The department upon registering a bicycle shall issue to the applicant a bicycle certificate sticker bearing a unique city registration number, specifically assigned to the bicycle. The department shall instruct the applicant to firmly attach the bicycle certificate sticker on the frame of the bicycle in such a position that it is plainly visible. It shall be a violation of this article for any person to remove a bicycle certificate sticker from a bicycle without express permission of the owner.
(Code 1956, § 38-195; M.C.S., Ord. No. 27900, § 1, 10-18-18)

Sec. 154-1407. Inspection of bicycles.

The department shall receive from each applicant a written and signed certification that their bicycle is in a safe, sound condition as required by law, prior to any issuance of a bicycle certificate sticker. Nothing contained herein shall preclude the department from requesting to inspect the condition of a bicycle prior to issuance if deemed necessary by the department. The department may authorize satellite inspection stations to perform bicycle inspection and issue bicycle certificate stickers on behalf of the department, subject to the rules outlined in this chapter.
(Code 1956, § 38-196; M.C.S., Ord. No. 27900, § 1, 10-18-18)

Sec. 154-1408. Transfer of ownership.

Upon the sale or other transfer of a bicycle, the new owner may obtain a new registration as provided herein, or may continue to use the existing registration number, but should update contact information with the department.
(Code 1956, § 38-197; M.C.S., Ord. No. 27900, § 1, 10-18-18)

Sec. 154-1409. Rental of bicycles.

Any person, natural or juridical, that offers for rent bicycles shall not rent or offer for rent any bicycle unless each bicycle is registered with the department and has received a correlating bicycle certificate sticker, which shall be prominently attached to each individual bicycle.
(Code 1956, § 38-198; M.C.S., Ord. No. 27900, § 1, 10-18-18; M.C.S., Ord. No. 29169, § 2, 10-6-22)

Sec. 154-1410. Reserved.

Editor's note—M.C.S., Ord. No. 27900, § 1, adopted Oct. 18, 2018, repealed § 154-1410, which pertained to reports of bicycle dealers, and requiring of bills of sale and derived from Code 1956, § 38-199.

Sec. 154-1411. Traffic laws applicable to persons riding bicycles.

Every person riding a bicycle upon a roadway shall be granted all of the rights and shall be subject to all of the duties applicable to the driver of a vehicle by the laws of this state declaring rules of the road applicable to vehicles or by the traffic laws of the city applicable to the driver of a vehicle, except as otherwise provided in this article and except as to those provisions of law which by their nature, can have no application.
(Code 1956, § 38-200)

State law reference—Similar provisions, R.S. 32:194.

Sec. 154-1412. Obedience to traffic control devices.

Any person operating a bicycle shall obey the instructions of official traffic control signals, signs, and other traffic control devices applicable to vehicles, unless otherwise directed by a police officer. Whenever authorized signs are erected indicating that no right, left, or "U" turn is permitted, no person operating a bicycle shall disobey the direction of any such signs, except

when such person dismounts from the bicycle to make any such turn, such person shall then obey the regulations applicable to pedestrians.
(Code 1956, § 38-201)

Sec. 154-1413. Failure to stop in event of accident.

Any person who, while riding or propelling a bicycle or other vehicle or instrument of that general character, shall run against, upon or over any person upon the public highways or the property of any person in his personal possession or use in such a manner as might do an injury or cause damage to such person or property and shall not stop at once to ascertain the extent of such injury and to render such assistance as may be needed or shall refuse to give his name and residence when asked for by the person so injured or by any other person in his behalf shall be guilty of an offense.
(Code 1956, § 38-202)

Sec. 154-1414. One-handed steering.

Every rider of a bicycle, tricycle or other vehicle propelled by hand or foot must keep at least one hand on the handlebars of his machine when riding it.
(Code 1956, § 38-203)

State law reference—Similar provisions, R.S. 32:195.

Sec. 154-1415. Riding on roadways and bicycle paths.

(a) Every person operating a bicycle upon a roadway shall ride as near to the right side of the roadway as practicable, exercising due care when passing a standing vehicle or one proceeding in the same direction, except under any of the following circumstances:

(1) When overtaking and passing another bicycle or vehicle proceeding in the same direction.

(2) When preparing for a left turn at an intersection or into a private road or driveway.

(3) When reasonably necessary to avoid fixed or moving objects, vehicles, bicycles, pedestrians, animals, surface hazards, or substandard width lane or any other conditions that make it unsafe to continue along the right-hand curb or edge of the roadway. For the purposes of this paragraph, a "substandard width lane" is a lane that is too narrow for a bicycle and a vehicle to travel safely side by side within the lane.

(4) When approaching a place where a right turn is authorized.

(b) Persons riding bicycles upon a roadway shall not ride more than two abreast except on paths or parts of roadways set aside for the exclusive use of bicycles.

(c) Persons riding bicycles shall be allowed to operate on the shoulder of a roadway.

(d) Any person operating a bicycle upon a roadway or a highway, where there are two or more marked traffic lanes and traffic travels in only one direction, may ride as near the left-hand curb or shoulder of that roadway as practicable when preparing for a left turn.
(Code 1956, § 38-204; M.C.S., Ord. No. 27365, § 5, 4-20-17)

State law reference—Similar provisions, R.S. 32:197.

Sec. 154-1416. Riding on sidewalks.

No person 15 or more years of age shall ride a bicycle upon any sidewalk in the city nor will bicycles be allowed on sidewalks in the business district.
(Code 1956, § 38-205)

Sec. 154-1417. Speeding.

No person shall operate a bicycle at a speed greater than is reasonable and prudent under the conditions then existing.
(Code 1956, § 38-206)

Sec. 154-1418. Right-of-way at alley or driveway.

The operator of a bicycle emerging from an alley, driveway or building shall, upon approaching a sidewalk or the sidewalk extending across any alleyway, stop and yield the right-of-way to all pedestrians approaching upon such sidewalk

area and upon entering the roadway shall yield the right-of-way to all vehicles approaching on such roadway.
(Code 1956, § 38-207; M.C.S., Ord. No. 27365, § 6, 4-20-17)

Sec. 154-1419. Manner of riding.

A person propelling a bicycle shall not ride other than astride a permanent and regular seat attached thereto. No bicycle shall be used to carry more persons at one time than the number for which it is designed and equipped.
(Code 1956, § 38-208)

State law reference—Similar provisions, R.S. 32:195.

Sec. 154-1420. Carrying articles.

No person operating a bicycle shall carry any package, bundle or article which prevents the rider from keeping at least one hand upon the handlebars or which interferes with the stability of the bicycle or the rider's vision.
(Code 1956, § 38-209)

State law reference—Similar provisions, R.S. 32:195.

Sec. 154-1421. Parking of bicycles.

No person shall deposit, place, or store a bicycle or similar device upon the right-of-way other than at or on a proper bike rack or other designated storage area. Any bicycle or similar device that is improperly deposited, placed, or stored on the right-of-way shall be deemed an encumbrance or obstruction, pursuant to section 146-493, and subject to immediate removal.
(Code 1956, § 38-210; M.C.S., Ord. No. 27849, § 1, 9-6-18; M.C.S., Ord. No. 29169, § 2, 10-6-22)

Cross reference—Obstruction of public rights-of-way, public places prohibited, § 146-493.

Sec. 154-1422. Necessary bicycle equipment.

(a) Every bicycle when in use between sunrise and sunset or when persons and vehicles on the street are not clearly discernable at a distance of 500 feet ahead shall be equipped with the following:

(1) A lamp mounted on the front that shall emit a white light visible from a distance of at least 500 feet to the front. A generator-powered lamp that emits light only when the bicycle is moving may be used to meet this requirement.

(2) A lamp mounted on the rear that shall emit either a flashing or steady red light visible from a distance of 500 feet to the rear.

(3) A red reflector mounted on the rear and a reflector on each side facing outward at a right angle to the bicycle frame that shall be visible from all distances from 100 feet to 600 feet to the rear when directly in front of lawful lower beams of head lamps on a motor vehicle.

(b) A bicycle or its operator may be equipped with lights or reflectors in addition to those required by subsection (a) of this section, except that red lamps and red reflectors shall not be used on the front of the bicycle and white lamps and white reflectors shall not be used on the rear of the bicycle.

(c) A lamp or lamps worn by the operator of a bicycle shall comply with the requirements of subsection (a) of this section, if the lamp or lamps can be seen at the distances specified.

(d) No person shall operate a bicycle unless it is equipped with a bell or other device capable of giving a signal audible for a distance of at least 100 feet, except that a bicycle shall not be equipped with nor shall any person use upon a bicycle any siren or whistle.

(e) Every bicycle shall be equipped with a brake which will enable the operator to make the braked wheels skid on dry, level, clean pavement.
(Code 1956, § 38-211; M.C.S., Ord. No. 27365, § 7, 4-20-17)

State law reference—Similar provisions, R.S. 32:329.

Sec. 154-1423. Disposition of unclaimed bicycles.

All unclaimed, unidentified, or abandoned bicycles in the possession or custody of the department shall be held for a period of not less than 45 days. Storage fees may be assessed at a rate of up to $100.00 per day. Thereafter, such bicycles may be sold at a fair price or may be

donated to a nonprofit organization or agency serving the children of the parish, as permitted by law.
(Code 1956, § 38-212; M.C.S., Ord. No. 27900, § 1, 10-18-18; M.C.S., Ord. No. 29169, § 2, 10-6-22)

Sec. 154-1424. Penalties.

Penalties for violations of this article shall be as provided in section 1-13 of the City Code.
(Code 1956, § 38-213; M.C.S., Ord. No. 27900, § 1, 10-18-18)

Sec. 154-1425. Rights and duties of electric-assisted bicycles.

Except as otherwise provided in this Article, an electric-assisted bicycle or an operator of an electric-assisted bicycle shall be afforded all the rights and privileges, and be subject to all of the duties, of a bicycle or the operator of a bicycle. An electric-assisted bicycle is a vehicle to the same extent as a bicycle.
(M.C.S., Ord. No. 28180, § 2, 9-5-19)

Sec. 154-1426. Insurance, licensing, and registration.

An electric-assisted bicycle or a person operating an electric-assisted bicycle is not subject to the provisions of this Code relating to financial responsibility, driver's licenses, registration, certificates of title, off-highway vehicles and license plates. An electric-assisted bicycle is not a motor vehicle.
(M.C.S., Ord. No. 28180, § 2, 9-5-19)

Sec. 154-1427. Reserved.

Sec. 154-1428. Tampering restriction.

A person shall not tamper with or modify an electric-assisted bicycle so as to change the classification of an electric-assisted bicycle, unless they appropriately replace the manufacturer's label indicating the classification.
(M.C.S., Ord. No. 28180, § 2, 9-5-19)

Sec. 154-1429. CPSC compliance.

An electric-assisted bicycle shall comply with the equipment and manufacturing requirements for bicycles adopted by the United States Consumer Product Safety Commission (16 C.F.R. part 1512).
(M.C.S., Ord. No. 28180, § 2, 9-5-19)

Sec. 154-1430. Motor disengagement.

An electric-assisted bicycle shall operate in a manner so that the electric motor is disengaged or ceases to function when the rider stops pedaling or when the brakes are applied.
(M.C.S., Ord. No. 28180, § 2, 9-5-19)

Sec. 154-1431. Trail use by class 1 electric-assisted bicycles.

A class 1 electric-assisted bicycle may be ridden on a bicycle or shared use trail where bicycles are permitted.
(M.C.S., Ord. No. 28180, § 2, 9-5-19)

Sec. 154-1432. Trail use by class 3 electric-assisted bicycles.

A class 3 electric-assisted bicycle shall not be ridden on a bicycle or shared use trail.
(M.C.S., Ord. No. 28180, § 2, 9-5-19)

Sec. 154-1433. Age restriction.

No person under the age of 16 may operate a class 3 electric-assisted bicycle. A person under the age of 16 may ride as a passenger on a class 3 electric-assisted bicycle that is designed to accommodate passengers.
(M.C.S., Ord. No. 28180, § 2, 9-5-19)

Sec. 154-1434. Helmet requirement.

All operators and passengers of class 3 electric-assisted bicycles shall wear a properly fitted and fastened bicycle helmet that meets the standards provided by either the United States Consumer Product Safety Commission or the American Society for Testing and Materials, or standards subsequently established by those entities.
(M.C.S., Ord. No. 28180, § 2, 9-5-19)

Sec. 154-1435. Speedometer requirement.

All class 3 electric-assisted bicycles must be equipped with a speedometer that displays the speed the bicycle is traveling in miles per hour.

(8) The total gross weight of any trailer shall not exceed 40,000 pounds, regardless of the number or type of axles under it.

(9) No vehicle with more than two axles shall be permitted on any of the streets within the city other than those listed as truck routes, except that travel to or from points of origin or destination shall be permissible via the shortest practicable route between such point of origin or destination, and the nearest street listed as a truck route.

(b) When traveling on such designated streets, every motor truck, tractor, or trailer shall be driven as near to the right-hand curb of the roadway as is practicable under existing conditions.

(Code 1956, § 38-169; M.C.S., Ord. No. 26379, § 1, 4-23-15)

Sec. 154-1524. Permits for excess weight, width, height, and length; reporting requirements.

(a) Whenever it shall be necessary to transport a single article which cannot be divided and which exceeds the total weight, width, height, or length allowable by this article, it may be done only after the issuance of a special permit by the director of the department of public works. When application for a permit is made, the director is authorized to impose conditions upon the issuance of such permits and to make requirements upon their use, such as the date, time of day, routes, and speed limit, the furnishing of a bond with good and solvent surety to protect the city from all liability and damage resulting from the use of such permits, and accompaniment of the shipment by proper escort, police or otherwise, all at the expense of the user, and such other conditions or requirements as the director of the department of public works deems necessary and proper. In addition, the director of the department of public works, prior to the issuance of a permit, shall collect from the applicant $125.00 for an annual permit or $10.00 for a single-trip permit. In considering whether to issue a permit in the Vieux Carré, the director of public works shall consider the physical impact upon the historic streets and sidewalks of the Vieux Carré.

(b) The department of public works shall report on all permits issued pursuant to these provisions to indicate applicants' compliance with the applicable provisions of this Code and all conditions imposed by the permits. The department shall annually provide a copy of this report to the clerk of council for formal receipt by the city council, no later than April 1 for the previous calendar year.

(Code 1956, § 38-169.1; M.C.S., Ord. No. 23818, § 1, 12-1-09; M.C.S., Ord. No. 26376, § 1, 4-23-15; M.C.S., Ord. No. 28500, § 1, 9-17-20)

Sec. 154-1525. Certain equipment required.

No motor truck, tractor or trailer shall be operated on any street unless equipped with tires of rubber or of some material of equal resiliency and of the widths required to conform with the load carried. In no case shall a solid rubber tire be used in which the rubber portion is less than one inch in thickness. No motor truck or tractor shall be operated on any street unless equipped with a speedometer of standard make and in good working order; or in lieu thereof, a governor properly sealed and so adjusted as to limit the speed to the maximum rate allowed for motor trucks or tractors in accordance with the provisions of this article. All trucks, tractors or trailers used to haul oversized vehicles and overlength loads between dusk and dawn are to be equipped with portable lights and barricades. These lights are to be red or amber in color and are to be placed on the truck, tractor or trailer, or on the overlength load, in a position which will enable it to be seen from any direction. They should also be equipped with portable barricades containing fixtures for the attachment of portable lights. These lights and barricades are to be used in case of a breakdown or in time of trouble.

DIVISION 3. [ENFORCEMENT AND PENALTIES]

Sec. 154-1562. Enforcement.

(1) The traffic bureau of the police department in accordance with section 154-58 of the Code of the City of New Orleans, NOLA Patrol, and the fire department shall have the power to enforce the provisions of this article.

(2) Notice of the provisions of this article shall be given to the owner or operator of vehicles covered by this article at the time of the yearly inspection pursuant to Chapter 154 Article XI.

(3) Any person who desires to register a complaint under this article may do so by contacting the City's 311 Service Center.

(4) The French Quarter Management District may seek to obtain voluntary compliance with this article by means of publicity and education programs where appropriate.

(5) The department of public works shall develop and install signs at entry points to the Vieux Carré that indicate the limitations on the operation of trucks within the Vieux Carré and the penalty for failure to comply with the limitations.
(M.C.S., Ord. No. 26376, § 2, 4-23-15)

Sec. 154-1563. Violations and penalties.

(1) Proceedings for violations of this article shall be initiated by affidavit and will be heard in traffic court, pursuant to Chapter 154 Article III of the Code of the City of New Orleans.

(2) The penalty for a violation of this section shall be $500.00 for the first offense and $1,000.00 for the second or subsequent offense.

(3) The penalties provided by this section shall be in addition to any other penalty imposed by any other provision of law or regulation thereunder.

(4) In addition to the fines established by this section, violation of this article by a person who owns, manages, operates, or otherwise controls a vehicle covered by this article may result in the suspension or revocation of any permit or license issued to the person by the department of police for the vehicle in violation.

(5) Lack of a sign or signage shall not be a defense for a citation or other penalty issued for a violation of any section of this article.
(M.C.S., Ord. No. 26376, § 2, 4-23-15; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Secs. 154-1564—154-1600. Reserved.

ARTICLE XV. PEDESTRIANS*

Sec. 154-1601. Subject to traffic control.

Pedestrians shall be subject to traffic control signals as declared in sections 154-236 and 154-238, but at all other places pedestrians shall be granted those rights and be subject to the restrictions stated in this article.
(Code 1956, § 38-175)

Sec. 154-1602. Right-of-way in crosswalk.

(a) When traffic control signals are not in place or not in operation, the driver of a vehicle shall stop and yield the right-of-way to a pedestrian crossing the roadway within a crosswalk when the pedestrian is upon the roadway upon which the vehicle is traveling or the roadway onto which the vehicle is turning.

(b) No pedestrian shall suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield.

(c) Whenever any vehicle is stopped at a marked crosswalk or at any unmarked crosswalk at an intersection to permit a pedestrian to cross the roadway, the driver of any other vehicle approaching from the rear shall not overtake and pass such stopped vehicle.
(Code 1956, § 38-176; M.C.S., Ord. No. 27366, § 1, 4-20-17)

Sec. 154-1603. Use right half of crosswalk.

Pedestrians shall move, whenever practicable, upon the right half of crosswalks.
(Code 1956, § 38-177)

Sec. 154-1604. Crossing at right angles.

No pedestrian shall cross a roadway at any place other than by a route at right angles to the curb or by the shortest route to the opposite curb except in a crosswalk.
(Code 1956, § 38-178)

Sec. 154-1605. When to yield the right-of-way.

(a) Every pedestrian crossing a roadway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right-of-way to all vehicles upon the roadway. Any pedestrian crossing a roadway at a point where a pedestrian tunnel or

*__State law reference—__Pedestrians subject to traffic regulations, R.S. 32:211 et seq.

overhead pedestrian crossing has been provided shall yield the right-of-way to all vehicles upon the roadway.

(b) The foregoing rules in this section have no application under the conditions stated in section 154-1606, when pedestrians are prohibited from crossing at certain designated places.
(Code 1956, § 38-179)

Sec. 154-1606. Prohibited crossing.

Between adjacent intersections at which traffic-control signals are in operation, pedestrians shall not cross at any place other than a crosswalk. No pedestrian shall cross a roadway other than in a crosswalk in any business district.
(Code 1956, § 38-180)

Sec. 154-1607. Walking along roadways.

(a) Where a sidewalk is provided, it shall be unlawful for any pedestrian to walk along and upon an adjacent roadway.

(b) Where a sidewalk is not provided, any pedestrian walking along and upon a highway shall, when practicable, walk only on the left side of the roadway or its shoulder, facing traffic which may approach from the opposite direction.
(Code 1956, § 38-181)

Sec. 154-1608. Drivers to exercise due care.

Notwithstanding the foregoing provisions of this article, every driver of a vehicle shall exercise reasonable caution to avoid colliding with any pedestrian on any roadway, and shall give warning by sounding his horn when necessary, besides taking proper precautions by slowing his vehicle when observing any child or any confused or incapacitated person upon the roadway on which he is traveling.
(Code 1956, § 38-183)

Secs. 154-1609—154-1650. Reserved.

ARTICLE XVI. PARADES*

Sec. 154-1651. Permit required.

Any person desiring to stage, present or conduct a parade, motorcade, procession, march or any other planned movement of persons, vehicles or animals on the streets of the city, except road races as set forth in section 146-3, shall first secure from the department of finance a permit to engage in such activity.
(Code 1956, § 38-124.1(a))

Sec. 154-1652. Penalty for violations.

Any person who shall stage, present or conduct or attempt to stage, present, conduct or participate in a parade on the city streets without first having obtained a permit therefor (except Mardi Gras or Carnival parades or road races) or who shall otherwise violate any of the provisions of this article shall be guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than $100.00 or imprisoned for not more than 90 days, or both, at the discretion of the court.
(Code 1956, § 38-124.1(b))

Sec. 154-1653. Exceptions.

(a) The provisions of this article shall not be applicable to funeral processions or to parades by forces of the United States Armed Services, the military forces of this state or forces of the departments of police and fire of the city.

(b) No part of this article shall be construed to interfere with lawful picketing.
(Code 1956, § 38-124.1)

Sec. 154-1654. Application for permit.

(a) Any person desiring to conduct or manage a parade shall, no later than 15 days before the date on which it is proposed to conduct such a parade, file with the superintendent of police a verified application for a written route clearance on a form furnished by the superintendent of police setting forth the following information:

(1) The name of the person or organization wishing to conduct such parade;

*__Cross references—__Circuses, § 14-66 et seq.; parade permits for Mardi Gras, § 34-36 et seq.

(2) If the parade is proposed to be conducted for, on behalf of or by an organization, the name, address and telephone number of the headquarters of the organization and the authorized and responsible head of such organization;

(3) The name, address and telephone number of the person who will be the parade chairman and will be responsible for its conduct;

(4) The name, address and telephone number of the person or organization to whom the permit is desired to be issued;

(5) The date when such parade is to be conducted;

(6) The route to be traveled, the starting point and the termination point;

(7) The approximate number of persons who and animals and vehicles which will constitute such parades; the type of animals and a description of the vehicles;

(8) The hour when such parade will start and terminate;

(9) The total number of hours between the starting time and termination time, not to exceed four hours; an exception may be allowed for an organization holding a convention of 10,000 participants or more in the city on the proposed permit date;

(10) Whether such parade will occupy all or only one-half of the width of the streets proposed to be traversed;

(11) A description of assembly and disassembly areas and streets to be used by such parades;

(12) The time at which units of the parade will begin to assemble at any such assembly area; total time of assembly not to exceed one hour;

(13) The interval of space to be maintained between units of such parade, not to exceed 30 feet.

(b) If such parade is designed to be held by and on behalf of or for any organization other than the applicant, the applicant for such permit shall file with the superintendent of police a communication in writing from such organization, authorizing the applicant to apply for such permit on its behalf.
(Code 1956, § 38-124.1(a)(2))

Sec. 154-1655. Route clearance.

Any applicant for a permit under this article except applicants for Mardi Gras or Carnival parade permits or road race permits, must present to the department of finance, at the time of filing of the application, written route clearance from the superintendent of police.
(Code 1956, § 38-124.1(a)(1))

Sec. 154-1656. Consideration of application.

After the application for a written route clearance has been filed, the superintendent of police shall consider the application and such other information as he may otherwise obtain and shall assign the number of police officers as he determines necessary to accompany the parade from the time of assembly of the parade until such time that the parade shall terminate.
(Code 1956, § 38-124.1(a)(3))

Sec. 154-1657. Waiver of time limitations.

The time limitations prescribed for the filing of an application for a written route clearance and/or a parade permit may be waived by the superintendent of police and the department of finance in those instances where the applicant can show that, because of unusual circumstances, it was impossible to have made such application within such time limitations; and upon such showing the superintendent of police shall issue a written route clearance, and the department of finance may issue a parade permit to such applicant.
(Code 1956, § 38-124.1(a)(11))

Sec. 154-1658. Compensation of police.

(a) The police officers shall be compensated at the city's overtime rate, provided that no more than ten police officers be compensated with funds provided by the person or organization who is named as applicant on the application.

Notwithstanding the provisions of this section, no funds for compensation of police officers shall be required from an organization which will be holding a convention of 10,000 participants or more in the city on the proposed permit date.

(b) When the superintendent of police determines that the parade organizers shall provide the compensation for the assigned police officers, the organizers shall be notified of the amount to be paid. The amount shall be paid to the department of finance at the time that parade organizers obtain the permit. No permit shall be issued until such amount has been paid.
(Code 1956, § 38-124.1(a)(3), (4))

Sec. 154-1659. Standards for issuance.

The superintendent of police shall issue a written route clearance for a parade if, from a consideration of the application or such other information as the superintendent of police may otherwise obtain, or both, the superintendent of police finds that:

(1) The conduct of such parade will not substantially interrupt the safe and orderly movement of other traffic contiguous to its route;

(2) The conduct of such parade will not require the diversion of so great a number of police officers to properly police the line of movement and the areas contiguous thereto as to prevent normal police protection to the rest of the city;

(3) The concentration of persons, animals and vehicles at the assembly areas of the parade will not unduly interfere with proper fire and police protection of or ambulance service to areas contiguous to such assembly areas;

(4) The conduct of such parade will not interfere with the movement of firefighting equipment en route to a fire;

(5) The conduct of such parade is not reasonably likely to cause injury to persons or property;

(6) Such parade will move from its point of termination in four hours or less; the superintendent of police may establish a specific time limitation in excess of four hours for an organization holding a convention of 10,000 or more participants in the city on the proposed permit date;

(7) The conduct of such parade will not obstruct any construction or maintenance work scheduled to take place upon the public streets;

(8) The applicant meets with all the requirements of this section.

(Code 1956, § 38-124.1(a)(5))

Sec. 154-1660. Alternative date, time, route.

If the conduct of the parade on the proposed date, time and route is found by the superintendent of police to conflict with any of the requirements of this section, he may suggest an alternate date, time and route. If the applicant desires to accept such alternate date, time and route, he may, within five days but no less than seven days prior to the parade, file a notice of acceptance with the superintendent of police; and the superintendent of police shall proceed to issue the written route clearance.
(Code 1956, § 38-124.1(a)(6))

Sec. 154-1661. Action upon application.

The superintendent of police shall, after the filing of such application for a written route clearance, act thereon. If the superintendent of police finds that such written route clearance should be issued, he shall proceed to issue the same; and upon presentation of the written route clearance from the superintendent of police, the department of finance shall issue a permit for a parade.
(Code 1956, § 38-124.1(a)(7))

Sec. 154-1662. Contents of permit.

Parade permits issued under this article shall prescribe:

(1) Starting time;

(2) Termination time;

(3) Minimum speed;

(4) Maximum speed;

(5) Maximum interval of space to be maintained between the units of such parade;

(6) What portion of the streets to be traversed may be occupied by such parade; and

(7) The actual distance of such parade route in miles or fractions thereof.

(Code 1956, § 38-124.1)

Sec. 154-1663. Denial of permit.

If the superintendent of police finds that such written route clearance should not be issued, he shall mail notice of his action denying the written route clearance to the applicant, stating in general terms the reasons for the denial thereof.
(Code 1956, § 38-124.1(a)(9))

Sec. 154-1664. Notice to city departments.

Upon approval of a written route clearance, the superintendent of police shall be responsible for notifying the superintendent of fire and the directors of the departments of streets, utilities, health and any other departments of the city as the superintendent of police deems should be notified of the proposed parade as well as all public utilities to be affected by the proposed parade.
(Code 1956, § 38-124.1(a)(10))

Sec. 154-1665. Authority of police to conduct tests.

(a) The driver of any vehicle participating in a parade shall be subject to random sobriety and drug testing by the police department.

(b) The police department shall have the authority to conduct random sobriety and drug tests of the driver of any vehicle participating in a parade. If any driver fails to pass a sobriety and/or drug test, such driver shall be prohibited from driving any vehicle in the parade.

ARTICLE XVII. AUTOMATED TRAFFIC ENFORCEMENT SYSTEM

Sec. 154-1701. Enforcement procedure.

The New Orleans Police Department is responsible for the enforcement and administration of sections 154-1701 through 154-1704. The city and the department may enforce and administer sections 154-1701 through 154-1704, or any parts thereof, directly and/or through one or more contractors selected in accordance with applicable law, with the exception made for subsection 154-1703(c) regarding the penalty for a school bus stop sign violation. Subsection 154-1703(c) will be administered by the New Orleans Police Department in conjunction and with the explicit consent, oversight, and discretion of the Recovery School District (RSD) and/or Orleans Parish School Board (OPSB) and/or Louisiana Board of Elementary and Secondary Education authorized charter operators. RSD and/or OPSB and/or Louisiana Board of Elementary and Secondary Education authorized charter operators will retain the right to use school buses under their control to administer subsection 154-1703(c) through cooperative endeavor agreement with the city.

Upon the receipt of photographic evidence by the New Orleans Police Department and/or its designee that a vehicle has violated applicable traffic ordinances, the department shall forward all necessary information to the parking adjudication bureau of the city for civil administrative and collection actions. The department and/or its designee is responsible for the administration of notification and collection of the fines paid by the vehicle owner.

Notwithstanding the foregoing, neither the city nor any person or entity acting on its behalf shall use an automated traffic enforcement device to enforce speed regulations in a school zone pursuant to this article unless there exists in effect a cooperative endeavor agreement between the city and the governing authority of any school located within the school zone, pursuant to which the city has agreed to share with the school not less than 40 percent of the revenue generated from the device, less a proportionate

allocation of costs associated with the enforcement and administration of the automated traffic enforcement system and related services.

In order to impose a civil penalty under this section, the city shall mail a notice of the violation to the owner of the motor vehicle no later than the 30th day after the date the violation is alleged to have occurred or identification of the registered owner, whichever is later, but in no event more than 60 days after the date the violation is alleged to have occurred.

(1) *Notice of violation.* A notice of violation issued under this article shall contain at least the following:

a. A description of the violation;

b. The date, time, and location of the violation;

c. The name and address of the registered owner of the vehicle that was involved in the violation;

d. The license plate number displayed on the license plate attached to the vehicle involved in the violation;

e. A copy of recorded images of the vehicle involved in the violation;

f. The amount of the civil penalty to be imposed for the violation;

g. The date by which the civil penalty must be paid or the date by which a challenge to the violation must be submitted;

h. A statement that the recorded image is evidence for use in a proceeding for the imposition of a civil penalty;

i. Information that informs the person or entity named in the notice of violation:

1. Of the right to contest the imposition of a civil penalty in an administrative hearing;

2. Of the manner and time in which to challenge the imposition of the civil penalty; and

3. That failure to timely pay the civil penalty or to challenge liability is an admission of liability and failure to appear on or before the scheduled hearing date is an admission of liability and a waiver of the right to appeal.

A notice of violation under this article is presumed to have been received on the fifth business day after the date the notice of violation is mailed. Nonetheless, a second courtesy notice will be issued to vehicle owners who fail to respond to the first notice of violation.

This section does not infringe upon the police powers of the state in accordance with article VI, section 9(B) of the Louisiana Constitution.

(2) *Responsibility of vehicle owner and operator.*

a. Except as provided in subsection b. of this section, the owner and operator, when not the same, shall be solidarily liable to the city for violations of sections 154-1701 through 154-1704, unless the owner can prove that the vehicle was operated without his consent, express or implied. An owner who pays any fine, costs, or administrative fees pursuant to this article shall have the right to recover the same from the operator.

b. An owner of a vehicle who is engaged in the business of renting or leasing vehicles under written rental or leasing agreements ("lessor") shall not be liable for fines and penalties imposed by a local authority of the lessor of such rented or leased vehicles, if within 30 days after receiving written notice of the violation, the lessor provides, in affidavit form, the true name, address and driver's license number and state of issuance of the person in possession of the vehicle ("lessee") at the time of the issuance of the citation, or provides a true copy of the lease or rental agreement.

c. A lessor who fails to comply with the foregoing provisions shall be treated as any other owner and shall be solidarily liable with the operator.

d. If any owner of a motor vehicle receives a notice of violation for a period during which the vehicle was reported to any police department as having been stolen prior to the time the violation occurred and had not been recovered by such time said owner shall not be liable.

Sec. 154-1702. Administrative adjudication procedure; appeals; fees.

(a) A person who receives a notice of violation may contest the imposition of the civil penalty by appearing before the administrative adjudication bureau on or before the scheduled hearing date.

(b) Administrative adjudications of violations of this section shall be conducted by the parking adjudication bureau established by sections 154-681 through 154-685. In conducting administrative adjudication hearings of violations of this section, the parking adjudication bureau shall have the powers and duties conferred by section 154-685.

(c) Failure to pay a civil penalty or to challenge liability in a timely manner is a waiver of the right to appeal under subsection 154-1702(h).

(d) The civil penalty shall not be assessed if, after a hearing, the hearing officer enters a finding of no liability.

(e) In an administrative adjudication hearing, the issues must be proved at the hearing by a preponderance of the evidence. The reliability of the automated traffic enforcement system used to produce the recorded image of the violation may be attested to in an administrative adjudication hearing by affidavit of a sworn law enforcement officer or the department of police. An affidavit of a sworn law enforcement officer or from the department of police that alleges a violation based on an inspection of the pertinent recorded image is admissible in a proceeding under this article and is evidence of the facts contained in the affidavit.

(f) A vehicle owner may prove by a preponderance of the evidence at the hearing that any of the following circumstances apply and thereby qualifies as an affirmative defense to the imposition of civil liability.

(1) The operator of the motor vehicle was acting in compliance with the lawful order or direction of a law enforcement or public safety officer;

(2) The operator of the motor vehicle violated the instructions of the speed limit sign in an effort to move out of the way of an immediately approaching authorized emergency vehicle;

(3) The motor vehicle was being operated as an authorized emergency vehicle under La. R.S. 32:24, and the operator was acting in compliance with La. R.S. 32:24;

(4) The motor vehicle was being operated by a person other than the owner of the vehicle without the consent of the owner, express or implied.

(5) The license plate depicted in the recorded image of the violation was a stolen plate and being displayed on a motor vehicle other than the motor vehicle for which the plate had been issued, if at the time of the violation the motor vehicle displayed a stolen plate, which must include proof acceptable to the hearing officer to prove that the theft of the vehicle or license plate had been timely reported to the appropriate law enforcement agency.

(6) The person who received the notice of violation was not the owner of the motor vehicle at the time of the violation; or

(g) Notwithstanding anything in this article to the contrary, a person who fails to pay the amount of a civil penalty or to challenge liability in a timely manner is entitled to a new administrative adjudication hearing date on the violation if:

(1) The person files an affidavit with the hearing officer stating the date on which the person actually received the notice of violation mailed to the person with an explanation and necessary documentation that the failure to receive actual notice before the initial hearing date was beyond the vehicle owner's control; and

(2) The person files a request for an administrative hearing within 30 days from the date of receipt of the notice of violation, as stated in the affidavit.

(h) (1) The decision of the hearing officer shall be the final decision on behalf of the city. A person or persons aggrieved by such a decision may appeal such a decision to the traffic court, which shall have exclusive appellate jurisdiction of all such appeals. Any such appeal shall be filed within 30 days after the date of such decision. The traffic court shall have de novo review over such appeals.

(2) The traffic court may require a reasonable fee not to exceed $50.00, from any person or persons lodging any such appeal with the traffic court to defray the cost of record preparation, transcription of evidence, and other related costs of the appeal. No such appeal shall be processed until due proof has been furnished indicating that the appeal fee has been paid.

(3) Any appellant who pleads that because of appellant's poverty appellant is unable to pay the fee authorized in section 154-1702(h)(2) may take a pauper's oath in open court and if the judge, after querying the appellant, is satisfied that such is the case, the appellant shall allow the appeal to be taken in forma pauperis.

(4) The clerk of court shall deposit any fee(s) collected under this article in the traffic court judicial expense fund.

(i) In cases where a person charged with a violation shows good cause for not attending a hearing, either personally or through a representative, the hearing officer may permit the matter to be adjudicated by mail which adjudication shall be made within 60 days of the date of the citation. Letters, memoranda, affidavits, photographs or other documentary materials shall be admissible as evidence for the purposes of adjudications by mail. The hearing officer may exclude from consideration any material which is not relevant to the adjudication of the alleged violation. Failure of the person charged to proceed with an adjudication by mail after requesting and receiving permission to adjudicate by mail shall constitute an admission by the person charged of liability of the violation and shall subject the person who requested the adjudication by mail to the appropriate fines and costs assessed by the adjudication bureau.

(j) If a hearing examiner determines that an adjudication cannot proceed by mail, the adjudication bureau shall advise the person charged by first class mail that such person must appear to answer the charge at a hearing.
(M.C.S., Ord. No. 22526, § 1, 2-15-07; M.C.S., Ord. No. 22978, § 3, 1-24-08; M.C.S., Ord. No. 25017, § 1, 9-20-12; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1703. Imposition of civil penalty for violations.

Except as provided in section 154-1702, the owner of the vehicle is liable for a civil penalty, plus cost of enforcement, plus any applicable late payment penalties.

(a) The civil penalty for traffic control signal violations shall be $105.00.

(b) The civil penalty for legal speed limit violations shall be as shown in the following table, when the vehicle owner is found to be liable for a vehicle being operated at a speed in miles per hour (mph) greater than the legal speed limit at an automated traffic enforcement system location.

Speed Over Authorized Speed Limit	*Civil Penalty*
1 through 9 mph	$ 45.00
10 through 14 mph	80.00
15 through 20 mph	130.00
Greater than 20 mph	205.00

(c) The civil penalty for school bus stop sign violations shall be $300.00. Violation of this article means the driver of a vehicle upon a highway meeting or overtaking from any direction any school bus that has stopped for the purpose of receiving or discharging any passengers shall stop the vehicle not less than 30 feet from the school bus before reaching such school bus when there are in operation on said school bus visual signals as required by law, and said driver shall not proceed until such school bus resumes motion or the visual signals are no longer activated. The penalty referenced herein will be forwarded to the school district (Recovery School District and/or Orleans Parish School Board), based on the terms of cooperative endeavor agreement with the city.

(d) Enforcement costs shall include, but are not limited to, the administrative hearing costs, payment processing and collection costs, violation review processing costs, and other administrative costs; but shall not exceed $80.00 per violation. Five dollars of the penalty amount for each violation listed above shall be paid to the indigent defender fund maintained by the Orleans Public Defenders Office.

(e) An owner who fails to timely pay a civil penalty or timely challenge liability shall be subject to an additional late payment penalty of $75.00 in addition to the original violation penalty.
(M.C.S., Ord. No. 22526, § 1, 2-15-07; M.C.S., Ord. No. 22978, § 4, 1-24-08; M.C.S., Ord. No. 23402, § 1, 3-3-09; M.C.S., Ord. No. 23910, § 1, 3-11-10)

Sec. 154-1704. Effect of liability; exclusion of civil remedy.

(a) The imposition of a civil penalty under this article shall not be considered a criminal conviction.

(b) A civil penalty may not be imposed under this article upon the owner of a motor vehicle, if the operator of the vehicle was arrested or was issued a speeding citation and notice to appear by a law or public safety officer as a violation of La. R.S. 32:232, even if such violation was captured by the automated traffic enforcement system. The imposition of a civil penalty under this article is an alternative method of detecting and deterring red-light violations and speeding.

(c) An owner who fails to pay the civil penalty or to timely challenge liability for the penalty is considered to admit liability for the full amount of the civil penalty stated in the notice of violation mailed to the vehicle owner, and the matter will be transmitted to the parking adjudication bureau of the city. The city attorney is authorized to file suit to enforce collection of unpaid fines and/or related fees and penalties imposed under section 154-1703 to secure such payments.

(d) If the owner fails to timely respond to the second notice, the department of police is authorized to enforce the payment of this civil penalty and related fees by use of the following methods: immobilization of vehicles (booting), towing and impounding, reporting the debt to collection agencies/credit reporting agencies, and/or initiating actions through the court.
(M.C.S., Ord. No. 22526, § 1, 2-15-07; M.C.S., Ord. No. 22978, § 5, 1-14-08; M.C.S., Ord. No. 30653, § 2, 5-7-26, eff. 5-31-26)

Sec. 154-1705. Revenue accounting; reporting.

The chief administrative office shall provide quarterly reports showing the revenue generated by each automated traffic enforcement system device in the city and the costs associated with the enforcement and administration of the automated traffic enforcement system and related services, per month during the reporting period. Reports shall be provided in comma-separated values or similar spreadsheet format to the city council and to any entity entitled to share in revenue generated by the automated traffic enforcement system program.

Secs. 154-1706—154-1750. Reserved.

ARTICLE XVIII. ELECTRIC SCOOTERS

Sec. 154-1751. Rental of electric scooters.

(a) No person shall rent, offer for rent, or otherwise facilitate the rental of electric scooters, including through an electric scooter sharing application, for use on public property or within public streets or the public right-of-way, except as provided in subsection (b).

(b) The preceding subsection shall not prohibit the rental of an electric scooter from a scooter rental facility that:

i. Registered and annually renews their occupational license with the department of finance-bureau of revenue.

ii. Maintains a physical office location from which the electric scooter is retrieved at the commencement of any rental and to which the electric scooter is returned to the same physical location at the conclusion of any rental.

iii. Stores the electric scooters inside the physical office location at all times the electric scooters are not rented.

(M.C.S., Ord. No. 29169, § 3, 10-6-22)

Sec. 154-1752. Parking of electric scooters.

No person shall deposit, place, or store any electric scooter or other similar device upon the right-of-way other than at or on a proper bike rack or other designated storage area. Any such device that is improperly deposited, placed, or stored on the right-of-way shall be deemed an encumbrance or obstruction, pursuant to section 146-493, and subject to immediate removal.
(M.C.S., Ord. No. 29169, § 3, 10-6-22)

Sec. 154-1753. Disposition of unclaimed electric scooters.

All unclaimed, unidentified, or abandoned electric scooters and similar devices in the possession or custody of the department shall be held for a period of not less than 45 days. Storage fees may be assessed at a rate of up to $250.00 per scooter for an initial violation and $500.00 for each subsequent violation. Thereafter, such electric scooters and similar devices may be sold at a fair price or may be donated to a nonprofit organization or agency serving the children of the parish, as permitted by law.

ARTICLE I. IN GENERAL

DIVISION 1. GENERALLY

Sec. 158-1. Purpose.

The purpose of this chapter is to establish an efficient and uniform system by which the New Orleans city council ("council") may institute, oversee, and/or participate in any proceeding affecting the council's supervision, regulation, and control over utilities or that affect the interests of ratepayers in the City of New Orleans. For the purpose of this chapter, the term "utilities" refers to electric and natural gas service providers.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-2. Amendments to this chapter.

Any amendments to this chapter may be conducted pursuant to section 3-114 of the Home Rule Charter.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-3. Utility regulatory manual.

The council shall adopt by resolution the Utility Regulatory Manual ("URM") in connection with this chapter. The purpose of the URM is to provide a single common reference document to provide detailed rules, procedures, descriptions, and specifications for filing requirements and procedures related to this chapter. A copy of the URM shall be made available on the council's website. The URM may be amended by resolution of the council.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-4. Utility designated representative.

Each utility regulated by the council shall designate and maintain the designation of a natural person responsible for the performance of acts required under this chapter including notice of service in other forums. The utility shall file notice of the original designation and of any changes to the designation with the clerk of council with copy to the Council Utilities Regulatory Office ("CURO") within two business days of the designation. Such designation shall be signed by both the designee and a registered officer of the utility.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-5. Successor entities.

Should an entity cease to exist, responsibilities under this article shall be assumed by the entity's successor or functional successor under applicable law and/or practice.

Sec. 158-6. Computing time.

Unless otherwise stated in this chapter, the URM, or ordered by the council, the Louisiana Code of Civil Procedure shall determine the amount of time allowed or prescribed.

(a) In computing time allowed or prescribed, the period of time shall begin the day after a filing is received by the service list or the day after an instrument is adopted by the council.

(b) A holiday is any day on which city hall is closed to the public. In computing time, holidays and weekends are to be included in the computation of time, except when:

(1) It is expressly excluded,

(2) It would otherwise be the last day of the period, or

(3) The period is less than seven days.

In the event time allowed or prescribed falls on a weekend or holiday, the deadline for action shall move the next day on which City Hall is open to the public.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

ARTICLE II. CUSTOMER PROTECTIONS

DIVISION 1. IN GENERAL

Sec. 158-7. Purpose.

The purpose of this article is to establish a customer bill of rights which includes a process

for addressing certain customer complaints filed against utilities providing utility services in the city.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-8. Bill of rights.

Among the rights that are more fully set forth in the council-approved customer service regulations governing the provision of utility services in New Orleans, customers shall have the following rights:

(a) The right to safe and reliable service in accordance with industry standards.

(b) For residential customers, the right to choose to pay a deposit, obtain a satisfactory credit score in lieu of a deposit, or otherwise demonstrate the ability to pay on a nondiscriminatory basis. For commercial and industrial customers, the right to choose to pay a deposit or to obtain an irrevocable bank letter of credit or surety bond from a bank or surety company acceptable to the utility.

(c) The right to earn interest on any deposit at a rate ordered from time to time by the council.

(d) For residential customers, the right to have any deposit returned after 24 months if the customer has paid their bills on time for the preceding 12 months or, at any time, if customer discontinues receiving service from the utility and does not have an outstanding balance with the utility.

(e) Upon discontinuing utility service, the right to have their deposit returned less any outstanding balance.

(f) The right to have a deposit requirement waived if an existing customer with no outstanding balance transfers service to a new location within the city.

(g) The right to have customer information, including payment history and consumption patterns, kept confidential, unless the customer provides written consent or voluntarily discloses the information to the public.

(h) The right to receive written notice from the utility at least five business days prior to the disconnection of service due to nonpayment. During the five-day period, the customer may either make payment or request alternate payment arrangements to avoid disconnection.

(i) The right not to have service disconnected for non-payment when:

(1) the low temperature for the day is forecast to remain below 40 degrees Fahrenheit or the following night is forecast to be 32 degrees F or lower; or

(2) the high temperature for a day is forecast to reach 100 degrees F or higher; or

(3) the National Weather Service issues an "Excessive Heat Warning" (or such other term that reflects a heat index of 105 degrees F or higher) that includes Orleans Parish. (For any day during which an excessive heat warning is issued, the utility is prohibited from reinstating normal disconnect policies for the remainder of the day); or

(4) a storm or weather event affecting any portion of the city for which: the president of the United States issues an emergency or major disaster declaration, declares the city as a Federal Disaster Area, or makes a similar declaration affecting the city; or the mayor of New Orleans or governor of Louisiana declares a state of emergency for all or part of the city, issues a disaster or emergency declaration, declares a state of emergency, or makes a similar declaration for Orleans Parish. In the event a state of emergency is declared, the utility shall not resume service disconnects for nonpayment until the day after an emergency declaration expires.

(j) The right to have a special medical designation which prohibits service from being disconnected for nonpayment for 30 days if customer is on life support or has another life-sustaining medical treatment system that requires electricity or natural gas. The customer has the right and obligation to provide each affected utility with written medical certification from a licensed physician as to the customer's condition to receive this special designation.

(k) The right not to have service disconnected on a weekend, holiday, day before a holiday, or Friday after 1:00 p.m.

(l) The right to have same-day service for reconnection for electric customers with smart meters provided payment is received by the utility or one of its authorized pay centers before 7:00 p.m. on the day of the requested reconnection. For electric customers with legacy meters and gas customers that require an on-site restoration of utility service by a technician, reconnection shall be established within 48 hours of payment being received by the utility unless the utility establishes just cause why additional time is necessary to restore services.

(m) The right to have a meter that is regularly maintained and accurate. The maintenance and accuracy of a meter is the responsibility of the utility.

(n) The right to have the utility test the customer's meter as provided for in the customer service regulations.

(o) The right to be charged only for actual usage of electricity and natural gas and in accordance with rate schedules approved by the council based on an accurate metering process consistent with prudent utility practices as defined in the customer service regulations.

(p) The right to have complaints regarding meter accuracy resolved prior to disconnection. In the time between raising the complaint and its resolution, the customer shall pay the amount calculated by the utility using the criteria set forth in this paragraph. The amount charged to a customer shall be based on the customer's usage for the corresponding monthly or seasonal periods during the prior year, or, in the event such usage data is not available, the average usage for the customer class for the corresponding monthly or seasonal periods while the complaint is pending under Division II, unless the customer and the utility mutually agree to an alternative payment arrangement.

(q) The right not to have late fees charged on the portion of a bill that is the subject of a complaint as provided for in the customer service regulations.

(r) The right to participate in the customer complaint and dispute resolution process set forth in this chapter.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

DIVISION 2. CUSTOMER COMPLAINTS

Sec. 158-9. Purpose.

The purpose of this division is to set forth a procedure to address certain customer complaints regarding utility service. The process described herein is intended to be easy, inexpensive, and result in an independent, neutral assessment of whether there has been a violation of the customer bill of rights or service regulations by the utility. (M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-10. Applicability.

The customer complaint resolution process established in this division is applicable to complaints between a customer and a utility where the subject of the complaint is under the jurisdiction of the council. The subject of complaints reviewed under this article include, but are not limited to the following:

(a) violation of the council-approved customer service regulations,

(b) violation of the customer bill of rights enumerated in section 158-8,

(c) inaccurately reading a customer's meter, the failure of a meter to correctly record consumption within the range of accuracy established in the customer service regulations due to mechanical damage or defect, failure to manually read customer's meter after receiving communication of that damage or defect, and failure to properly record a meter reading,

(d) misapplication of credit scoring procedures and information,

(e) failure to keep scheduled appointments with the customer or their representative, and

(f) unauthorized release of confidential customer information, payment history, or consumption patterns.

Certain issues are more appropriately resolved in other forums, either by the council itself, judicially, or in another proceeding designed specifically for their resolution.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-11. Complaint process.

(a) *Summary of customer complaint resolution process.* The customer complaint and dispute resolution process begins with the filing of an initial complaint with the utility. The utility shall review the complaint in a manner consistent with the procedures set forth in the utility's service regulations. If a customer is dissatisfied with the disposition of the complaint, the customer may request an appeal with CURO. CURO shall review appeal applications for eligibility and dismiss those that are ineligible. Unresolved property loss claims resulting from a loss of service or defect in service shall be regulated by council-approved customer service regulations of the respective utility, subject to the jurisdiction of the courts, and thus ineligible for the Council's administrative appeal process.

(b) *Utility complaint reporting.* To ensure claims are being resolved efficiently and fairly, the utility providing service shall submit a quarterly Claim Resolution Report to the council within 30 days of the end of each quarter. This report shall include an anonymous list of customer complaints/claims, a brief description of said complaint/claim, the utility's response to the claim, and the time to resolve each complaint from initiation.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-12. Appeals filed with the council utilities regulatory office.

(a) *Right to appeal.* A customer may appeal a proposed complaint resolution made pursuant to the customer service regulations if the customer believes the proposed disposition is unsatisfactory and the matter is eligible for appeal under this section. A customer may appeal the outcome of an initial complaint by submitting an appeal request form electronically or in writing within ten business days of the date the customer receives a notice of disposition. The form for filing an appeal shall be made available online via the council's website, at the council utilities regulatory office, and each of the utility's customer care centers.

(b) *Appeal form.* The appeal request form shall include:

(1) a written acknowledgement by the customer authorizing the utility to release any confidential customer information relevant to the complaint to CURO and the appeal officer;

(2) a clear statement of the dispute and, if known, identification of the customer service regulation(s) the customer alleges the utility has violated;

(3) a simple statement of the relief sought; and

(4) any other appropriate supplemental information the customer believes is relevant to the complaint.

(c) *Determination of eligibility.* CURO has five business days to review the appeal request for eligibility and to assign an appeal officer to oversee the appeal.

(d) *Notice of appeal.* Within five business days of determining an appeal is eligible for review pursuant to this article, CURO shall advise the affected utility that an eligible appeal has been submitted and provide a copy to the utility's designee(s).

(e) *Utility answer.* Within five business days of receiving the notice of appeal, the utility shall respond to CURO with any reports produced by the utility in connection with any investigation of the complaint, a copy of the complaint disposition, its position with respect to the allegations contained in the complaint, and any grounds that exist which constitute the grounds for the immediate dismissal of the appeal.

(f) *Appeal officer.*

(1) Appeals shall be heard by an appeal officer who may be an employee of CURO or a designee of the council. The appeal officer shall review the appeal request and related materials and arrange for a hearing, if necessary. The appeal officer shall make a finding as to whether the utility has violated the customer service regulations, including any of the customer's enumerated rights and, if necessary, recommend an appropriate remedy.

(2) The appeal officer shall have the authority to resolve appeals through settlement on terms that are mutually agreeable to all parties. Such settlements are encouraged and can occur at any time.

(3) The appeal officer shall also have the authority to dismiss summarily, and without hearing, appeal requests that are deemed frivolous or that are otherwise ineligible for hearing as set forth in section 158-16. Where eligibility for hearing is raised by the utility as an issue, the determination of whether an appeal request is eligible for hearing shall be made by the appeal officer and a decision on the eligibility for hearing shall be made and issued within five business days of CURO issuing a notice of appeal.

(4) Where appropriate, the appeal officer may request technical assistance from the council's utility advisors.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-13. Timing and notice of appeal hearing.

Unless otherwise ordered by the appeal officer, hearings shall be held within 30 business days of CURO receiving the appeal. The appeal officer shall notify the customer and the utility of the date of the hearing. The notice shall state the potential consequences of any failure to appear for the hearing. Notice shall be given via the customer's preferred method of communication as provided on the complaint form, at least five business days prior to the hearing date, unless the parties agree to a shorter period. The hearing shall be held between 9:00 a.m. to 5:00 p.m. on a business day at a location in the city or virtually, if both the customer and utility consent.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-14. Failure to attend hearing.

If the customer does not attend a hearing, the appeal officer may dismiss the complaint. If the utility fails to attend the hearing, the appeal officer may find in favor of the customer.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-15. Appeal hearing procedure.

Customers may represent themselves or be represented by counsel or any other person of their choosing. A customer and the utility shall have the right to present evidence, call witnesses, question any witness, and present written materials and a summary of their positions. The appeal officer shall have the right to question any witness. The appeal officer shall have the discretion to limit any line of questioning to the relevant issues in dispute and to set an amount of time for the utility and the customer to summarize their positions. The formal rules of evidence shall not apply; however, the appeal officer may exclude irrelevant or unduly repetitious evidence.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-16. Restriction on appeal.

Grounds upon which CURO will dismiss an appeal include, but are not limited to:

(a) The customer did not initiate a complaint that follows the procedures required for initial complaints as provided for in section 158-12.

(b) The customer is disputing:

(1) the terms or denial of a deferred payment agreement voluntarily offered to the customer by the utility;

(2) the customer's financial ability to pay for utility services provided by the respective utility;

(3) a council-approved rate schedule, fuel adjustment clause, or purchased gas adjustment clause;

(4) an unlawful use of service, damage to utility equipment, unauthorized sale of utility service, or related violation of law;

(5) the right of the utility to collect for undercharged costs or charges assessed for unlawful use of service, or for damage to utility equipment;

(6) customer consumption and

A. as part of the initial complaint process, the customer's meter has been tested and has been determined to be accurate, or

B. the customer has refused a meter test on the basis that they, in accordance with the service regulations, may be required to bear the cost of such test if the meter is found to be accurate;

(7) the denial or termination of utility service at issue based on a danger to public health or safety;

(8) a matter subject to a court's decision;

(9) a claim for property damage made against the utility; or

(10) the application or amount of a security deposit, provided that the security deposit amount is in accordance with the customer service regulations.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-17. Results of an appeal.

(a) Within 15 business days after the hearing or review period concludes, the appeal officer shall issue written findings which set forth whether the utility has violated the customer service regulations or the customer's enumerated rights, the basis for that conclusion, a remedy, or the terms of any settlement reached between the customer and the utility while the appeal was under review.

(b) If a settlement is agreed to by the utility and customer, the appeal officer shall indicate that the dispute was resolved without hearing and that the customer's right to a hearing and the appeal officer's finding was waived.

(c) In appeals involving a billing dispute in which the appeal officer determines that all or part of the amount in dispute is owed by the customer, the appeal officer may, for good cause stated in the finding, propose that the amount found outstanding be paid in installments, which installments over a period not to exceed 12 months.

(d) In appeals involving a billing dispute in which the appeal officer determines that all or part of the amount in dispute is owed by the utility, the appeal officer may, for good cause stated in the finding, propose a credit be applied to the customer's next bill. If the credit amount exceeds the next monthly bill amount, the remainder of the credit shall be applied for the subsequent month(s) until the credit is exhausted.

(e) Copies of the appeal officer's decision and the executed settlement agreement shall be sent to the customer, the utility, and CURO.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-18. Effect of appeal officer's decision.

Following the issuance of the appeal officer's decision, the utility and customer may exercise any other rights or remedies they may have under the law.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

ARTICLE III. RULES OF PRACTICE AND PROCEDURE FOR REGULATORY PROCEEDINGS

Sec. 158-19. Purpose.

The purpose of this article is to establish a system of practices and procedures to govern utility dockets and other proceedings before the council related to the regulation of utilities beyond the complaints covered by section 158-10. These rules govern the general practice and procedure for the institution, conduct, and determination of regulatory proceedings before the council. It is intended that such practices and procedures shall be construed liberally to permit the council to perform a thorough analysis of all filings and shall be construed to promote the maximum public disclosure of all information relevant to any proceeding governed by this article. Information is subject to a valid protective order governing the disclosure of highly sensitive protected materials ("HSPM") approved by the council.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

DIVISION 1. GENERAL RULES

Sec. 158-20. Administrative hearing officer.

(a) The council may appoint an administrative hearing officer to conduct all or any portion of a regulatory proceeding. The administrative hearing officer shall have full authority to make all rulings on jurisdiction or the admissibility of evidence, subject to the right of all parties to include in the record any objection to such ruling and subject to review by the council.

(b) If the administrative hearing officer becomes disabled, withdraws, is removed from employment, or from the regulatory proceeding at any time before the conclusion of the discharge of his duties, the council may appoint another administrative hearing officer who may perform any function remaining to be performed without the necessity of repeating any proceedings previously conducted in the case. If the entire council is acting as examiner, then the presence of a quorum shall be sufficient to continue hearings into purely factual matters.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-21. Conduct and decorum.

Every party, witness, attorney or other representative, and member of the public shall participate in all proceedings with proper dignity, courtesy and respect for the council, the clerk, and all other parties present. Disorderly conduct will not be tolerated. Attorneys and other representatives of parties shall observe and practice the standards of ethical behavior prescribed for attorneys by the Louisiana State Bar Association, the Louisiana Supreme Court, and the Louisiana Code of Civil Procedure. Violation of this rule may subject any party, witness, attorney, or other representative to just, reasonable, and lawful disciplinary action as the council may lawfully prescribe including, but not limited to, exclusion from any proceeding.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-22. Penalties for false or misleading representations.

It shall be unlawful for any person to make, or cause to be made, any false or misleading representations of fact, whether intentionally or through negligence, in any filing in a regulatory proceeding under this article or in any proceeding before the council. Demonstrated violation of this section may result in a monetary penalty being assessed by the council against the offending party or parties.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-23. Ex-parte communications prohibited.

While a matter is the subject of a utility docket under this article, ex-parte written com-

munications between the council and parties to the utility docket regarding any aspect of the subject utility docket are strictly prohibited. An ex-parte written communication is any substantive information provided in writing to a councilmember or staff member serving in an individual councilmember's office, transmitted outside of an electronic communication to the docket's service list, and includes information pertaining to a utility docket on which the council has not issued a final order if the information is not contained in or derived from information that is part of the evidentiary record of the docket. Any such written ex-parte communication shall promptly be submitted either electronically to the appropriate service list, during an appropriate public meeting or technical conference to maintain transparency and fairness in the regulatory process. Written ex-parte communications by a party may result in penalties as determined by the council or the administrative hearing officer including disqualification of the communication and changes to the procedural schedule to allow parties to provide comment on the prohibited communication.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-24. General communications.

Any comments, letters, or filings that are not part of a utility docket shall be treated as general communications, unless otherwise ordered by the council or the administrative hearing officer.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

DIVISION 2. UTILITY DOCKETS

Sec. 158-25. Establishing a utility docket.

A utility docket may be established by the council via a resolution in response to a request from a utility, a third-party, a governmental department, agency, or office ("applicant"), or as an independent action taken by the council. Whenever a utility docket is instituted, the initiating resolution shall assign a number to the utility docket, which shall consist of the letters "UD" followed by the last two numerals of the year in which the proceeding is instituted, followed by a hyphen and the number indicating the place the particular matter holds in the sequence of utility dockets instituted in that particular year, e.g., UD-25-01. Further, the initiating resolution shall assign an administrative hearing officer and establish a procedural schedule with deadlines by which participants must act.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-26. Show cause orders and contempt in regulatory proceedings.

(a) The council, either on its own motion or upon receipt of sufficient written complaints, may, in its sound discretion, at any time after legal notice to all interested parties, cite any person or entity operating under its jurisdiction to appear before it in a public hearing and require the person or entity to show cause why its franchise or operating authority should not be revoked, suspended or amended, or why some other action available to the council should not be taken, for failure to comply with any applicable statute, order or the rules, rates, regulations or general order of the council.

(b) All hearings of such proceedings shall be conducted in accordance with the provisions of this article; provided that in any proceeding wherein the public interest may be seriously and adversely affected, or service to the public discontinued, the council may issue on its own motion a restraining order for purpose of protecting the public interest until the matter may be orderly heard and a decision rendered thereon.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-27. Filings.

(a) All applications, petitions, complaints, motions, protests, replies, answers, notices, and other pleadings (referred to herein collectively as "filings") relating to any proceeding pending before the council under this article, shall be transmitted electronically to the clerk of council with a cover letter as provided for by council rules with a copy to the service list. All such filings shall be deemed filed only when submit-

ted with a cover letter to the clerk and service list for the relevant utility docket in accordance with council rules.

(b) In the event a filing relates to an undocketed matter, the party should submit the filing electronically to the clerk as provided in council rules with a copy to CURO.

(c) Filings related to undocketed regulatory matters shall be received by the council as a general communication.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-28. Archives.

The clerk shall keep electronic copies of documents filed in proceedings governed under this article filed and organized according to the docket number, if applicable, and in accordance with Title 44 of Louisiana Revised Statutes or its successor statute governing public records.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-29. Parties and service list.

A service list, including all participants in a utility docket, shall be maintained by CURO. When making a filing the submitting party shall provide an electronic copy to each member of the most current service list. A party requesting a change to the service list must submit the request in writing to CURO.

(a) Classification of participants.

(1) Participants in a regulatory proceeding are subject to classification or reclassification as a party or a stakeholder by CURO, regardless of errors in a party's self-designation in their filing.

(2) Parties. A party to a utility docket is a participant with a justiciable or administratively cognizable interest in the matter at issue in the docket. Parties may request to participate in a utility docket by submitting a motion to intervene which includes the party's interest in the docket's subject matter and otherwise meets the requirements set forth in this section. The following entities are parties to every utility docket unless otherwise ordered by the council:

i. the utility,

ii. the city attorney,

iii. the applicant,

iv. a designee of the mayor, whose name and contact information shall be submitted electronically to CURO.

All parties are subject to discovery and any testimony or evidence submitted by the party or their representative is subject to cross examination.

(3) The council, as regulator, may designate legal or technical advisor(s), or otherwise necessary agents, to participate in utility dockets and to represent the council's interest as the utility regulatory body.

(4) Stakeholders. A stakeholder to utility docket, other than a party, is a person or entity desiring to receive information filed in the docket but does not wish to be treated as a party or does not have a justiciable or administratively cognizable interest in the matter at issue in the utility docket. As such, a stakeholder may not submit evidence or testimony nor are they subject to discovery requests. Further, a stakeholder may not view highly sensitive protected materials. A stakeholder may request to be included on the service list for a utility docket by submitting a motion to intervene which denotes that the entity wishes to participate as a stakeholder and otherwise meets the requirements set forth in this section.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-30. Appearances personally or by representative.

Any party may appear on their own or through a representative. The party's intervention shall

identify the designated representative and a statement signed by the representative and the represented person or a registered agent of the represented organization.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-31. Form and content of filings.

(a) *Classification of filings.* Filings submitted to the council under this article shall be subject to appropriate re-classification, including as applications, protests, petitions, complaints, answers, prehearing orders, replies, or motions, and redesignation to the appropriate docket(s) as deemed necessary by CURO.

(b) *Format.* All filings in any proceeding shall, unless the council otherwise orders or permits, be double spaced, typed, and submitted electronically. Except as otherwise ordered or permitted by the council, all filings shall be formatted so as not to exceed a width of 8½ inches and a length of 14 inches and shall have inside margins not less than one inch wide. Whenever practical, all documentary exhibits shall conform to such requirements of size and margin. All filings shall contain the address and telephone number of the party submitting the document. If a party is represented by an attorney or other representative, the filing shall also include the name, business address and telephone number of such attorney or other representative. Attorneys shall also attach their state bar association number. A private or United States Post Office Box or drawer shall not constitute a sufficient address for the purposes of this section.

(c) *Subject matter.* The subject matter of all filings in any proceeding shall be limited to the scope of that proceeding. Any filing may be amended at any time upon motion, provided that the amendment does not broaden the scope of the subject filing.

(d) *Content.* All filings shall contain:

(1) a cover letter to the clerk as provided in the council rules,

(2) the docket number, if applicable,

(3) the name(s) of the filing party,

(4) a concise description of the ultimate facts relied upon by the filing party,

(5) a concise description of the type of relief, action or order desired by the filing party, and

(6) a copy of the most recent service list and a certificate of service on each party on the list.

(e) *Incorporation by reference of council records.* Any filing may adopt and incorporate any part of any document or entry in the official files and council records by clear and specific reference to the document to be incorporated. The incorporated document must be readily available for review. This provision shall not relieve any party of the necessity of alleging and providing in detail such facts as the council may deem necessary for the proper determination of a regulatory matter.

(f) *Examination of filings for compliance.* Upon submitting a filing to the clerk of council, as provided in section 158-27, CURO shall examine the filing and determine if it complies with this article. If the filing does not comply with this article, CURO may return it to the party, with the reason(s) the filing was rejected. The party shall thereafter have the right to submit a corrected filing, provided that the time required to correct the filing does not result in the corrected filing being submitted after the deadline. If the time required to correct a filing would result in its submission after the deadline, the administrative hearing officer may determine that such delay is necessary to prevent injustice or to protect the public interest and welfare. Failure of CURO to return a filing shall not constitute a waiver by the council or any other party to object at a later time to the sufficiency of the filing.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-32. Procedural schedule filing deadlines.

(a) Any filings related to an ongoing utility docket submitted after a procedural schedule deadline may be accepted or rejected subject to the discretion of the administrative hearing officer.

Any filing rejected by the hearing officer shall be treated as general communication and not included as part of the record.

(b) Unless otherwise provided, the time for submitting a filing, may be extended by order of the administrative hearing officer upon written motion duly filed with the clerk of council prior to the expiration of the applicable period of time for the filing, showing that there is good cause for such extension of time and that the need therefore is not caused by the inexcusable neglect, indifference, or lack of diligence of the party making such motion. A copy of any such motion shall be transmitted contemporaneously to all other parties of record to the proceeding and any additional recipients of service specifically designated by law.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

DIVISION 3. ADMINISTRATIVE PROCEEDINGS

Sec. 158-33. Discovery.

(a) Unless otherwise directed by the council or agreed to by the parties to the relevant proceeding, responses to data requests, interrogatories, requests for production of documents, or any other discovery requests ("discovery") shall be made on a rolling basis and shall be due in hand within 10 business days of receipt of a discovery request. Discovery requests shall be deemed received when transmitted by the requestor during hours of operation of the clerk.

(b) Any party of record shall avail himself of any discovery method authorized by the Louisiana Code of Civil Procedure.

(c) All objections to discovery requests shall be made in writing prior to the date on which a response is due. The hearing officer shall dismiss any objection made on or after the date on which a response is due unless sustaining the objection is necessary to prevent injustice or to protect the public interest and welfare.

(d) The council may publish general instructions for the production of responses to discovery requests in the URM.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-34. Evidence.

(a) *Admissibility.* Any evidence which would be admissible under the general statutes of the state, or under the rules of evidence governing proceedings in matters not involving a trial by jury in the courts of the state, shall be admissible. Other evidence may be admitted by the council or the hearing officer if it is at all probative and relevant provided that the substantive rights of all parties are protected. The rules of evidence shall be applied liberally in any proceeding to the end that all probative and competent relevant evidence shall be conveniently, inexpensively, and speedily heard while preserving the substantive rights of the parties to the proceeding.

(b) *Testimony.* In all proceedings, testimony of a witness upon direct examination shall be prepared under oath and include a sworn attestation; identify the witness, including their name, business or personal address, place of employment and position held, reason for appearing, educational background, professional background and qualifications of the witness; and the purpose of the testimony and a summary of the conclusions in the testimony. When the testimony exceeds five pages in length, it should be submitted in question-and-answer form. When testimony is five pages or less, it may be presented in narrative form, using clear headers, which identify sections by subject matter. Testifying witnesses shall be subject to cross-examination and the testimony may be subject to a motion to strike in whole or in part for ruling by the hearing officer.

(c) *Exhibits.*

(1) *Form.* Exhibits in documentary form shall be submitted electronically and attached to a brief statement of what the exhibit purports to show. Exhibits shall be limited to factual material relevant to the issue involved in a particular proceeding.

(2) *Service.* All exhibits shall be provided to the service list electronically as described in section 158-29.

(3) *Excluded exhibits.* If an exhibit has been submitted, objected to and excluded, the hearing officer shall determine whether

the party offering the exhibit will withdraw the offer, and if so, permit the return of the exhibit to the party. If the excluded exhibit is not withdrawn, it shall be given an exhibit number for identification and shall be included in the record as a proffer, together with the ruling of the hearing officer for the purpose of preserving the objection.

(4) *After hearing.* Unless specifically directed by the council, no exhibit will be permitted to be filed in any proceeding after the conclusion of the hearing.

(d) *Briefs.* Briefs shall be filed only when requested or permitted by the council or by the hearing officer in a proceeding. They shall conform, as nearly as possible, to the rules herein provided for form. The points involved shall be concisely stated, the evidence in support of each point shall be briefly summarized, and the argument and authorities shall be organized and directed to each point in a concise and logical manner. To the greatest extent possible, the general format and content of each brief shall be arranged and shall include such elements as are required by the Rules of the Louisiana Supreme Court.

(e) *Offer of proof.* If evidence is excluded by the administrative hearing officer, the party offering such evidence may be permitted to make an offer of proof by dictating or submitting in writing the substance of the proposed evidence prior to the conclusion of the hearing. Such offer of proof shall be sufficient to preserve the point for review by the council or on appeal. The hearing officer may ask such questions of the party offering the evidence as is necessary to determine that the evidence is as represented in the offer of proof. An alleged error in sustaining an objection to questions asked on cross-examination may be preserved without making an offer of proof.

(f) *Oral argument.* Any party may request oral argument at any time prior to the certification of the administrative record, but oral argument shall be allowed only in the sound discretion of the administrative hearing officer or upon the agreement of the parties. A request for oral argument shall be submitted to the service list as described in section 158-26.

(g) *Orders.* All rulings and/or orders made by the administrative hearing officer shall be made in writing and dated and signed by the hearing officer. All such rulings and orders shall be distributed to the service list and made a part of the administrative record.

(h) *Reconsideration.* In the event a hearing officer makes a ruling on the admissibility of evidence or any other procedural matter, any aggrieved party or the council on its own motion, may request reconsideration within ten days after the electronic mailing of the order on the admissibility of evidence or other procedural matter. Any opposition to the request for reconsideration shall be filed within ten days after the filing of the request. The council will evaluate the request for reconsideration, any timely filed opposition, the evidence, and the hearing officer's reasons for the ruling. Upon conclusion of the council's reconsideration the council may modify, reverse, reverse in part, affirm, or affirm in part, the hearing officer's ruling subject to any objections stated for the record.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-35. Confidential materials.

The council may adopt and from time-to-time modify protective orders relative to information that is deemed confidential and/or HSPM. The HSPM designation shall be the only confidential designation utilized in any proceeding unless the party requesting multiple designations can show good cause to either the council or the administrative hearing officer.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-36. Technical conference.

In the discretion of the council or the administrative hearing officer, the procedural schedule for a utility docket may include or be amended to include one or more technical conferences. A technical conference is a meeting of the parties to clarify and address the issues included within the scope of the docket. The agenda for a

technical conference, including the order of presentations and the time allocated to each matter, shall be determined by CURO. The agenda shall be circulated to the service list no less than 48 hours prior to the technical conference. Materials presented and statements made during a technical conference are illustrative and shall not be included as part of either the evidentiary or administrative records of a docket unless expressly ordered by the council or the hearing officer.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-37. Depositions.

The taking of depositions is allowed in any proceeding subject to any objections, which would be considered by the hearing officer or the council. Depositions shall be governed by the Louisiana Code of Civil Procedure.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-38. Hearings.

Hearings as part of a utility docket or regulatory proceeding governed by this chapter are encouraged to occur as an exchange of documents ("paper hearing") rather than in-person. However, if a party objects to a paper hearing and an agreement cannot otherwise be reached, an in-person hearing shall be conducted.

(a) *Prehearing conference.* In any regulatory proceeding, the council or the administrative hearing officer may direct parties to meet prior to a scheduled hearing for the purpose of formulating issues and considering:

(1) how to simplify issues,

(2) the possibility of making any admissions or stipulations regarding matters of public record to avoid the unnecessary introduction of proof,

(3) hearing procedures,

(4) limiting the number of witnesses,

(5) time limits for presentations, and

(6) other matters to simplify the proceedings.

The decisions made by the parties during a prehearing conference shall be reduced to writings and circulated to all parties. Once all parties agree the document reflects the agreement of the parties, the agreement should be presented to the hearing officer.

(b) *Place and nature of hearings.*

(1) *Open to the public.* In the event the council or the hearing officer determine that an in-person hearing is necessary as part of a utility docket or regulatory proceeding governed by this chapter, the hearing shall be open to the public. The hearing shall be held in the council chamber unless the council permits the hearing to be held in another location. If the hearing is not held in the council chamber, the space designated should be accessible to the public.

A. *Closed to public only for cause.* Hearings shall be closed to the public when HSPM materials are being discussed. Hearings may be closed to the public upon motion of a party where the hearing officer determines good cause has been shown to close the proceeding. Such closure of the shall be limited to the minimum period determined necessary by the hearing officer to serve the purpose for which the closure was granted.

(2) *Recorded.* Whenever possible, hearings shall be broadcast on television and made available to stream live online. In the event a hearing cannot be broadcast live or live streamed, CURO shall make every effort to record the hearing and make it available for rebroadcast and streaming within 72 hours of the hearing.

(3) *Notice.* Hearings shall be noticed as a public meeting as described in state law governing open meetings.

(4) *Reporters and transcripts.* In-person hearings shall be transcribed by a court reporter. The parties shall coordinate and arrange for a court reporter to be present at the hearing. If after reasonably diligent efforts to secure a court reporter for the hearing a court reported cannot be procured, a transcribing entity will be permitted to create a transcript from a recording of the proceeding.

(c) *Order of procedure.* At the start of a hearing the hearing officer shall direct all parties to enter their appearances on the record. The council or hearing officer shall determine at what stage intervenors shall be permitted to offer evidence.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-39. Evidentiary and administrative records.

At the conclusion of every procedural schedule for a utility docket the hearing officer shall certify an evidentiary record and an administrative record of the proceeding. The evidentiary record shall consist of all filings accepted, including but not limited to, all testimony and evidence provided, and shall serve as the basis upon which the council issues any order in the docket proceedings. The administrative record shall consist of all other filings accepted by the hearing officer that do not form a part of the evidence presented. Public comments provided during a meeting of the council shall not be included as part of either the evidentiary or administrative records unless expressly stated in the procedural schedule.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-40. Form and content of orders.

(a) All orders of the council shall be in writing and adopted by the affirmative vote of the council.

(b) After an order has been passed, certified copies shall be distributed to the service list as soon as possible.

(c) The dispositions may be incorporated either in the body of the order or by reference to the official record.

(d) All orders shall go into effect upon adoption by the council unless otherwise stated.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-41. Agreements to be in writing.

No stipulation or agreement between the parties regarding any matter involved in any proceeding before the council under this article shall be enforced unless it shall have been reduced to writing and signed by the parties or the representatives authorized hereunder to appear for them and approved by the council.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-42. Notice of service of filings in other forums.

Whenever a public utility regulated by the council files, or participates in the preparation of a document or report, or causes a document, report, or application to be filed with a state public service or public utility commission, the Federal Energy Regulatory Commission ("FERC"), the Securities and Exchange Commission of the United States ("SEC"), the Nuclear Regulatory Commission of the United States ("NRC") or any other body, which regulates in whole or part the utility or utility-related activities and operations of utilities, or which regulates in whole or part companies which own or operate such utilities, the owner or operator or such public utility shall, within one day of filing such document, report, or application, electronically submit a copy of such filing and written notice to the clerk with a copy to CURO and the council's utility advisors.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

DIVISION 4. APPLICATIONS FOR A CHANGE OF RATES, TARIFFS, OR SERVICES

Subdivision I. In General

Sec. 158-43. Purpose.

Rate cases are proceedings used to address the costs of operating and maintaining a utility system, the allocation of those costs among customer classes, and the recovery of the allocated costs through changes in tariffs and/or rates.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-44. Applicability.

The standard filing requirements shall apply to all utilities under the supervision, regulation and control of the council and to all applications made by them.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-45. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Affiliate(s) means any entity that directly or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with a utility. As used herein, "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a company, whether such power is exercised through one or more intermediary companies, or alone, or in conjunction with, or pursuant to an agreement, and whether such power is established through a majority or minority ownership or voting of securities, common directors, officers or stockholders, voting trusts, holding trusts, associated companies, contracts or any other direct or indirect means.

Control means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a company, whether such power is exercised through one or more intermediary companies, or alone, or in conjunction with, or pursuant to an agreement, and whether such power is established through a majority or minority ownership or voting of securities, common directors, officers or stockholders, voting trusts, holding trusts, associated companies, contracts or any other direct or indirect means. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing five percent or more of the aggregate number of the issued and outstanding voting securities of any domestic public utility.

Cost allocation manual means the manual that sets out a utility's costs allocation policies and related procedures and provides an accurate account of the methods used to allocate the utility's investments and expenses, and non-retail sales revenues that flow between the utility and its affiliate(s).

Cost of service means the total cost of providing service to jurisdictional customers, defined by customer class, as determined by a cost-of-service study which allocates the utility's total costs, representing the utility's revenue requirement, to customer classes.

Effective date means the date on which a rate application filed pursuant to this article is proposed to become effective as an approved rate schedule.

Formula rate plan means a procedure by which rate schedules for a utility may be periodically adjusted based on an established evaluation of the utility's current revenue requirement relative to current revenues.

Gross revenue conversion factor means the factor which, when multiplied times a dollar of operating income, yields the amount of revenue needed to produce that dollar of income after allowing for state and federal income tax and revenue tax.

Period I means the most recent 12 consecutive months, or the most recent calendar year, for which actual data is available, the last day of which is no more than nine months prior to the date of the filing of the application.

Period II means the 12 consecutive months immediately following the end of Period I.

Pro-forma adjustments means adjustments made to identify and illustrate the impact of known and measurable changes made to Period I and Period II based upon actual data during the year.

Projections means estimated results of operations based only upon known facts or reasonable assumptions that can be quantified concerning future events.

Rate schedule means a schedule of rates and conditions for a specific classification or for other specific service.

Rate case means a proceeding related to a change in electric and gas rates, new services, and new rate schedules applicable to electric and gas service.

Tax expansion factor means the value that when multiplied by a specified value for operating income, yields the tax expense correlated to the revenue needed to produce that dollar of operating income.

Test period means a twelve-month period consisting of Period I or Period II used to demonstrate the need for additional revenue and to evaluate the effects of the proposed change in rates.

Uniform system of accounts means the uniform system of accounts as promulgated by the FERC as of the date the filing is served.

Working capital means an allowance for cash, materials and supplies, fuel stock, and prepayments.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-46. Filing of application to change rates or services.

(a) The filing requirements established in this division shall govern applications to change rates or services ("applications").

(b) A utility may request to change rates or service by submitting its application electronically to the clerk of council with copy to CURO and in accordance with filing requirements under this article. The application shall include a summary of the utility's requested change to rates or services, including potential bill impacts for typical usage customers in each rate class.

(c) All statements, schedules, spreadsheets, and working papers included in the filing and used in support of the application(s), or contained in discovery responses, shall be provided in an operable electronic format, i.e. models and spreadsheets are to be provided with formulae intact and source data included. To the extent electronic data is provided in PDF format, the PDF shall not contain any security settings that limit the usability or the extraction of data.

(d) Electronic data shall include any work sheets that will either include formulae intact or at a minimum a note as to how a number was calculated. The related and relevant data must be provided in a format usable by the council.

(e) All information required by these standard filing requirements, or any other applicable law, ordinance, or order and/or rule of the council shall be included in and/or attached to the application at the time it is filed and served. The fact that any information or data is required by this article shall not be construed as a statement of or evidence of regulatory policy or as an endorsement of any concept, principle, methodology, or allowance, hitherto, presently, or in the future employed or proposed to be employed in this or any other jurisdiction in the calculation of rate base, rate of return, revenue requirements, rate design, or any other aspect of regulation of rates and services.

(f) An application for a waiver under section 158-52 shall be included with any application for a change in rates.

(g) Acceptance of applications.

(1) *Deficient applications.* Where deficiencies are noted by the council, its designees, or CURO, the filing shall be deemed as accepted on the dates that such deficiencies are cured and approved by the council or when the council has granted a waiver to the standard filing requirements. When filing deficiencies have been noted by the council, its designees, or CURO, and the

utility has corrected the deficiencies, the council, its designees, or CURO shall notify the utility at the earliest practicable date that the filing has been accepted.

(2) *Accepted applications.* Where no deficiency is noted by the council, its advisors, or CURO, within 14 days of the date the filing is served, the filing shall automatically be deemed as accepted beginning on the 15th day following such date.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-47. Council review of applications.

Upon acceptance, the council shall have 12 months in which to review the filing and to render a determination as to the proper rates to be charged by the utility. If the council has not made this determination by 12 months plus one day after the date of acceptance, the rates as submitted by the utility in the accepted filing shall become effective subject to refund. During the period when the rates are collected subject to refund, the utility shall keep an accurate account of all amounts received under the change in rates, including:

(a) the monthly billing determinants of gas, heat, electricity, and power sold and delivered to each purchaser; and

(b) the amount of revenue collected from each customer class that is in excess of, or less than the amount that would have been collected using the rates in effect immediately prior.

If after the utility has implemented rate relief, the council determines that the utility is entitled to a different amount of relief, the utility shall compute the amount of revenue to be refunded or collected and shall present to the council within 60 days of such council determination a plan to make the customers and the utility whole. The council shall then authorize refunds or surcharges or both so that the level of revenue collected equals that determined by the council to be appropriate. Interest on the revenue to be refunded or collected shall be charged at an average prime rate for each calendar quarter. The applicable average prime rate for each calendar quarter shall be the arithmetic mean, to the nearest 0.01 percent, of the prime rate values published in the Federal Reserve Bulletin, or in the Federal Reserve's Selected Interest Rates (Statistical Release G. 13), for the fourth, third, and second months preceding the first month of the calendar quarter. Interest shall be compounded quarterly. The costs of effecting the refunds shall not be deducted from the amounts refunded.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Subdivision II. Technical Procedure and Requirements

Sec. 158-48. Filing standards.

All applications filed pursuant to this article shall provide the information necessary to permit a thorough analysis of the utility's application. If the utility believes that additional information is necessary to support its application or is proposing a position that requires a departure from the basic exhibits, the utility shall provide supplemental information as considered necessary. Each utility shall provide the required information on appropriate schedules and provide an index and references to these schedules. Any additional exhibits submitted by the utility shall be clearly identified and filed according to the appropriate section as established herein.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-49. Supplemental information.

In addition to the information required by the filing requirements described in Subdivision I, the council has the authority to require supplemental information necessary to fulfill and/or satisfy the purposes of this article. If any supplemental information requests are considered necessary, the utility shall respond to such requests within 30 days after receiving such a written request, or within such additional period as the council, for good cause shown, may allow. Unless otherwise ordered by the council, the filing of supplemental information shall comply with the requirements of section 158-48.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-50. Work papers.

A utility shall submit all work papers related to data which support the test period. The utility shall provide a full explanation of the bases for all adjustments. Upon request by the council's utility advisors or CURO, the utility shall provide a full explanation for any estimates and, if such adjustments or estimates are based on a regularly prepared corporate budget, shall include relevant excerpts from such budget. Where applicable, work papers and documents containing additional explanatory material shall be cut or folded to letter size, shall be assigned page numbers, and shall be marked, organized and indexed according to subject matter, the cost-of-service statements to which they apply, and the witness sponsoring the statement. Said work papers shall be submitted in an electronic format in accordance with the requirements of section 158-48.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-51. Uniform system of accounts.

Where applicable, exhibits, schedules and work papers shall be prepared in accordance with the uniform system of accounts as prescribed by the federal regulatory agency responsible for that type of utility. In the case of electric and gas utilities, the uniform system of accounts used shall be that prescribed by the FERC, or its functional successor in the United States Government, except as otherwise specifically permitted or requested by the council, the council's utility advisors, or CURO.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-52. Waiver of requirements.

(a) If any information required by the filing requirements cannot be provided or is not applicable to a particular utility, such utility shall submit electronically to the clerk of council, with a copy to CURO, a written application for a waiver of the requirement(s) with which it cannot comply or which is not applicable, at the time of filing the application. The waiver shall include specific reasons for the inapplicability of such information, or the inability of the utility to provide this information and shall be filed in accordance with the requirements of section 158-48.

(b) The council may approve or deny the request for waiver by resolution. If the council denies the request, the utility shall file the information, which is the subject of the denied waiver request, to the clerk with a copy to CURO within 15 days unless the council designates a longer time.

(c) If the utility fails to cure the deficiency, which was the subject of a denied waiver application in the period allowed, the application shall be deemed rejected.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-53. Suspension of filing requirements.

In its sound discretion, the council may suspend the operation of any provisions of this article or modify them instanter to the extent authorized by law, or after such proceedings and upon such conditions as it finds to be just and practicable, provided that any such suspension and modification shall be consistent with provisions of the home rule charter of the city.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-54. Public notice.

(a) When a utility files an application, the clerk of council shall publish the summary provided with the application in the official journal. The utility shall pay the cost of publication.

(b) The utility shall make the application available on the utility's website.

(c) The provisions of this section are mandatory. Nonetheless, compliance with the provisions of this section by a utility shall not be deemed a procedural prerequisite to the consideration or final disposition of any application filed under this article. No deficiency in the language of any cover sheet, advertisement or summary required by this section shall create a right in favor of any person to delay the progress of any proceeding initiated by an application filed under this article, nor shall any such

deficiency create a basis for the invalidation or setting aside of any order issued by the council to dispose of the proceeding.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-55. Technical filing requirements.

Each application for a change in rates or service under this division shall satisfy the requirements enumerated in this section. Specifications for these requirements can be found in the URM available on the council's website.

(a) General utility data:
  (1) Charter or other business organization document.
  (2) Most recent balance sheet.
  (3) Utility property.
  (4) Retained earnings analysis.
  (5) Construction program statement.

(b) Revenue related data.

(c) Rate-base related data.

(d) Income statement data.

(e) Data related to the cost of capital.

(f) Financial statements and statistical data.

(g) Data related to cost of service.

(h) Allocation of affiliate costs.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Subdivision III. Formula Rate Plans

Sec. 158-56. Purpose.

The formula rate plan ("FRP") is an intermediary mechanism by which the utility can implement rate adjustments more frequently under council review based on a predetermined formula during the period between utility rate change application filings.
(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-57. Formula rate plans.

As part of a general rate case, the council may approve a request from a utility to implement a FRP in connection with setting new rates for the requesting utility. Subject to the council's approval, a procedure to conduct the FRP shall be included in the utility's electric or gas formula rate plan rider schedule as applicable.

(a) *Procedural schedule.* The procedural schedule governing proceedings related to formula rate plans, including deadlines for filing the evaluation report and proposed rate adjustments and for the review period, shall be determined as part of the rate case and included in the utility's electric or gas formula rate plan rider schedule approved by the council.

(b) *Procedural schedule amendment.* When applicable and for good cause shown and as required by the circumstances of the proceedings, the council or an administrative hearing officer may change or amend the dates established in the schedule set.

(c) *Deficiencies in applications.* In the event of one or more disputes regarding deficiencies in an evaluation report, the dispute may be referred to a hearing officer for an administrative hearing and a subsequent decision by the council.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

DIVISION 5. GENERATION RESOURCE PROGRAMS

Sec. 158-58. Integrated resource plan.

The integrated resource plan ("IRP") is a triennial process that assesses the energy resources available to meet the electric service needs of the City of New Orleans and ensures that changes in customer demands and environmental conditions are addressed effectively and presented in a final IRP report filed by the utility. The goal of the IRP is to identify the optimal set of resources to meet the current and future electric service needs of the city, at the lowest total cost to customers and utility, in a manner consistent with the public interest and

the council's energy policy goals. The expected combination of costs, reliability, risks, and uncertainty are all considered in this process.

(a) *Procedural overview.* The minimum procedural schedule requirements for an IRP shall be as follows:

(1) Initiating resolution. The council adopts an initiating resolution outlining the IRP process, intervenor and public participation, policy objectives, procedural schedule, and any other matters deemed necessary by the council. The IRP process shall include an opportunity for intervenors to participate in the concurrent development of inputs and assumptions for the major components of the IRP in collaboration with the utility within the confines of the IRP timeline and procedural schedule.

(2) Public meetings. CURO shall schedule at least three public engagement meetings. The meetings will be advertised at least 30 days prior to the public technical conferences. A description of the meetings to be scheduled are as follows:

A. *Public meeting 1:* An initial meeting that describes the IRP process including the purpose of the IRP and procedural timelines.

B. *Public meeting 2:* The utility presents its IRP as filed.

C. *Public meeting 3:* Dedicated to public comment on the utility's IRP report.

(3) Technical meetings. CURO shall schedule at least four technical meetings in which parties will be able to discuss the major IRP components, including present inputs and assumptions, provide comments, and attempt to reach consensus.

(4) Additional information related to this division is contained in the IRP rules section of the URM.

(b) *Policy objectives for IRP consideration.* In addition to the analysis components described above, the IRP incorporates policy objectives as determined by the council including, but not limited to:

(1) The renewable and clean portfolio standard ("RCPS") program. To pursue reductions to carbon emissions, improve the health and quality of life of the citizens of New Orleans, and to reduce the city's impact on climate change, compliance with the council's RCPS should be incorporated into the planning strategy reflecting known utility regulatory policy goals of the council.

(2) Energy Smart Program kW and kWh reduction goals. Upon the conclusion of the utility's IRP report filing, the utility should include, for evaluation by CURO, council advisors, and intervenors, Energy Smart Program goals of increasing the projected annual kWh savings at a rate equal to a percentage of kWh sales and reducing the utility system peak load.

(3) Transmission and distribution planning. Transmission and distribution planning should be more fully integrated into the IRP process to ensure that transmission and distribution solutions are considered as alternatives to supply-side and demand-side resources are evaluated, and that any reliability concerns and customer-owned distributed energy resources are addressed.

(4) Optimization software. To ensure that demand-side resources are compared equally with supply-side resources in all IRPs, all supply-side and demand-side resource alternatives should be made avail-

able to the utility's select optimization engine concurrently such that the optimization software can choose an optimal combination of resources.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-59. Authority to construct or implement resource options.

Any utility proposing to either construct or acquire an interest in a generation or transmission facility or implement a full-scale demand-side program, the rate base value of which exceeds two percent of the rate making value of the utility's property, or enter into a long-term firm power purchase contract, the present value of the fixed cost of which exceeds two percent of the rate making value of the utility's property, shall file an application and receive council approval for authority prior to taking such action.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-60. Renewable and clean portfolio standard.

The goal of the renewable and clean portfolio standard ("RCPS") as established by the council requires the electric utility to reach "net-zero" emissions in its generation facilities in 2040 and to eliminate the use of all carbon-emitting generation resources by 2050. In addition, RCPS seeks to ensure that the city has a safe and reliable power supply at a reasonable cost while retaining as much flexibility as possible to employ a wide range of currently known and yet to be developed zero carbon-emissions energy technologies.

(a) *Periodic review.* The council's RCPS rules and procedures are set forth more fully in the URM and are formulated to ensure that the RCPS continues to meet the council's review process in the RCPS rules at least every five years. Such review shall consider a wide array of relevant factors, including, but not limited to:

(1) Progress made toward ultimate and interim goals.

(2) Developments in climate science.

(3) Impacts on customers.

(4) Technological developments, market developments, and progress on actual emissions reductions of the utility's portfolio.

At the conclusion of each such review, the council will decide whether the RCPS remains appropriate for the city or whether it requires modification. Any modification may be made by resolution by the council revising, changing, or updating the RCPS rules to implement the findings and conclusions of the council's periodic review.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-61. Community solar program.

(a) *Overview.* The council's community solar program ("CSP") provides the method by which subscribing customers may utilize large-scale solar facilities to offset their energy usage. The rules governing CSP are detailed in the URM.

(b) *Policy objectives and enforcement.* The CSP is intended to provide access to the benefits of solar generating facilities to customers, especially those who otherwise would not be able to utilize these facilities.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

DIVISION 6. MERGERS, SALES, AND ACQUISITIONS

Sec. 158-62. In general.

In addition to the rules of practice and procedure for regulatory proceedings set forth in this article, the procedures set out in this division shall apply to proceedings initiated in connection with mergers, sales, and acquisitions of utilities regulated by the council.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-63. Procedural overview.

Each merger, sale, and acquisition shall commence with an initiating resolution establishing the procedural schedule, policy objectives, and any other matters deemed necessary by the council.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

Sec. 158-64. Minimum filing requirements.

In determining whether a merger, sale, or acquisition is in the best interest of the ratepayers, the council will review the following and decide based on a set of enumerated factors. As such, in addition to the requirements set forth above in Article II, a utility requesting approval of a merger, sale, or acquisition, shall address each of the elements listed below in its request:

(a) whether the transfer is in the public interest;

(b) whether the purchaser is ready, willing, and able to continue providing safe, reliable, and adequate service to the utility's ratepayers;

(c) whether the transfer will maintain or improve the financial condition of the resulting utility;

(d) whether the proposed transfer will maintain or improve the quality of service to utility ratepayers;

(e) whether the transfer will provide net benefits to ratepayers in both the short and long term as well as provide a ratemaking method that will ensure — to the fullest extent possible —that the ratepayers will receive the forecasted short and long term benefit;

(f) whether the transfer will adversely affect competition;

(g) whether the transfer will maintain or improve the management of the resulting utility doing business in the city;

(h) whether the transfer will be fair and reasonable to the affected utility employees;

(i) whether the transfer would be fair and reasonable to the majority of all affected utility shareholders;

(j) whether the transfer will be beneficial on an overall basis to city and local economies and to the communities in the area served by the utility;

(k) whether the transfer will preserve the jurisdiction of the council and the ability of the council to effectively regulate and audit the utility's operations in the city;

(l) whether conditions are necessary to prevent adverse consequences which may result from the transfer;

(m) the history of compliance or noncompliance that the proposed acquiring entity or principals or affiliates have had with regulatory authorities in this city or other jurisdictions;

(n) whether the acquiring entity, persons, or corporations have the financial ability to operate the utility system and maintain or upgrade the quality of the physical system;

(o) whether any repairs and/or improvements are required and the ability of the acquiring entity to make those repairs and/or improvements;

(p) the ability of the acquiring entity to obtain all necessary health, safety and other permits;

(q) the manner of financing the transfer and any impact that may have on encumbering the assets of the entity and the potential impact on rates; and

(r) whether there are any conditions which should be attached to the proposed acquisition.

(M.C.S., Ord. No. 30645, § 1, 4-23-26)

***Editor's note—**M.C.S., Ord. No. 30724, § 1, adopted August 6, 2026, amended Ch. 159 in its entirety to read as herein set out. Former Ch. 159, §§ 159-1—159-6, pertained to similar subject matter, and derived from M.C.S., Ord. No. 30050, § 1, adopted Sept. 5, 2024.

ARTICLE I. IN GENERAL

Sec. 159-1. Purpose.

The purpose and intent of this chapter is to provide a uniform and comprehensive set of regulations and standards for the Sewerage and Water Board of New Orleans.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-2. Definitions.

The following words, terms, phrases, and their derivations shall have the meanings given herein. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto throughout this Code of the City of New Orleans. When not inconsistent with the context, words used in the present tense include the future tense, words in the plural number include the singular number, and words in the singular number include the plural number. The word "shall" is always mandatory and not merely directory. The word "including" is not exclusive and shall be construed as "including but not limited to".

Actual bill means a SWBNO bill on which the billed amount is the result of a physical reading of the customer's meter for the billing cycle.

Bill in dispute or *disputed bill* means a SWBNO bill in which the Customer has contested the amount due to SWBNO and as further defined in section 159-12.

Billing cycle means an interval of not less than 25 days nor more than 35 days between successive billing dates.

Collections or *collection agency* means an entity secured to recover unpaid amounts related to a customer's account.

Commercial customer means any customer that is not a residential customer.

Customer means a person or entity with a SWBNO account.

Extreme weather conditions means a period during which the following conditions exist: (1) the temperature for the day is forecast to remain at or below 40 degrees Fahrenheit or the nighttime temperature is forecast to be 32 degrees Fahrenheit or lower, (2) the high temperature for the day is forecast to be 100 degrees Fahrenheit or higher, or (3) the National Weather Service issues an excessive heat warning or heat advisory for Orleans Parish for a day or portion of a day.

Fixed rate means a monthly bill amount calculated as the customer's average, undisputed monthly actual bill amount for the previous calendar year.

Residential customer means a metered customer who uses their premise as a home or dwelling and has less than three living units supplied water.

Service disconnect means deliberately suspending water or sewer services to a customer. This does not include interruptions in service caused by necessary repairs or maintenance.

Sewerage and Water Board of New Orleans or *SWBNO* means the organization established by City Charter section 5-301 and La. Rev. Stat. § 33:4071 responsible for the public water, sewer, and drainage systems of the City of New Orleans.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-3. Board of directors.

(a) *Role and responsibilities.* Subject to the rules and regulations established by the city council, the board of directors are responsible for reviewing actions and utility operations of SWBNO; administering procurement and approving agreements between SWBNO and other entities, except those subject to approval by the city council; selection or removal of the executive director and general superintendent subject to approval by the city council; and other actions necessary for the functionality of the organization. Nothing in this section delegates powers held by the city council or authorizes the board of directors to enact bylaws or to act in any manner inconsistent with the city council's authority as described in this chapter and in statute.

(b) *Composition.* The board of directors for SWBNO shall be composed as set forth in Home Rule Charter section 5-301, subject to confirmation by the council. Any ex officio member of the board may designate a representative to attend

and participate in any meeting of the board or its committees. A designee shall have all rights and powers granted to the ex officio member, including the right to vote and to be counted for purposes of a quorum.

(c) *Officers.* The board shall elect by a majority vote a president and president pro tempore from its non-ex-officio members.

(d) *Term.* The term for the directors shall be four years. A director appointed to fill a vacancy on the board shall serve for the remainder of the unexpired term. The term limit for a director shall be two full consecutive terms. However, a director appointed to fill a vacancy shall be permitted to serve the remainder of the initial term and two full consecutive terms.

(e) *Removal.* Members appointed to the board of directors shall serve at the pleasure of the mayor and may be removed by the mayor via written letter sent to the member with copy to the council, SWBNO executive director, and the board of directors.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-4. Meetings of the board of directors.

The board of directors shall meet not less than quarterly at a location within the city, accessible to the public. All board meetings and meetings of its committees shall be conducted in accordance with Open Meetings Law and broadcast live via the internet with recordings made available on the SWBNO website.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-5. Regulation by the city council.

In accordance with its authority to regulate and oversee SWBNO and its board of directors, including the power to mandate council approval of certain SWBNO matters, the city council shall approve the following in lieu of the board:

(a) Billing policies and procedures;

(b) Rates, fees, and charges imposed by SWBNO;

(c) Debt issuance, borrowing, and financial obligations;

(d) Finance, operations, and governance policies, including review and approval of operating budgets, capital budgets, and the capital improvement plan;

(e) Professional service agreements for consulting services including those related to government relations, legal services, and lobbying; and

(f) Confirmation of the executive director and general superintendent, including any employment agreement between SWBNO and its executive director or general superintendent and any amendment or extension thereof.

The council may direct representatives of SWBNO or the board of directors to appear at any meeting of the council or council committee. If a council approval requirement imposed herein could impair an existing obligation of the board or conflict with applicable state law in a particular case or instance, the council may, by motion, waive the provisions of this section as necessary to avoid the impairment or conflict.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-6. Permitting.

SWBNO is required to receive the proper permits and pay the associated fees prior to commencing work in the public right-of-way. Pursuant to section 146-439, the director of the department of public works may issue SWBNO a blanket permit.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-7. Reporting.

Pursuant to Revised Statutes Sections 33:4091, 33:4159.2, and the council's regulatory authority and oversight responsibilities, SWBNO is directed to include the following information in its quarterly operations reports:

(a) Status of drainage pump stations and drainage system capacity;

(b) Status of water and sewer system operations;

(c) Status of power and related facilities and a description of unplanned electric service disruptions during the reporting period;

(d) Progress on major infrastructure repairs and high-priority capital improvement projects outlined in the annual capital budget;

(e) Description of the cause, conditions, and corrective actions in response to a triggering event detailed in section 159-8 or other system failures since the previous report;

(f) Upcoming infrastructure milestones or major maintenance activities;

(g) A procurement forecast identifying all capital projects anticipated for advertisement during the subsequent six months, including the anticipated advertisement date, procurement method, engineer's estimate or anticipated contract value, funding source, current design completion status, permitting status, and any anticipated procurement, regulatory, or funding risks that may materially impact the advertisement or award schedule;

(h) Updates regarding compliance with the federal consent decree governing sewer and drainage system improvements;

(i) Reports of sewer discharges, sanitary sewer overflows, or other environmental incidents as well as findings from investigations related to sewer discharges or environmental incidents and the corrective actions being taken;

(j) Reports submitted to the Louisiana Department of Health, Louisiana Department of Environmental Quality, the Environmental Protection Agency, and any other agency similarly tasked with ensuring the safety of drinking water and water quality in Orleans Parish; and

(k) Industry standards for best practices regarding safe levels for contaminants in canals, the corresponding levels for canals in the city, and the schedule of water testing for canals;

(l) Operational barriers, infrastructure challenges, funding constraints, or regulatory issues impacting system performance or project timelines; and

(1) Infrastructure challenges shall include, but not be limited to, project delays resulting in an anticipated or actual schedule impact of 30 days or more, major utility conflicts, contractor performance issues, material budget overruns or funding shortfalls affecting project delivery, significant change orders or claims, critical equipment or material procurement delays, and other conditions that materially affect the timely completion, cost, or performance of capital projects or utility infrastructure.

(m) Actions or coordination needed from the city council, administration, or partner agencies to help resolve those challenges.

The city council may direct SWBNO to provide any information described in the section at a greater frequency and may require any additional information necessary to fulfill its regulatory responsibilities.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-8. Emergency notifications.

In the event of a condition that creates a risk to public health and safety, SWBNO is required to notify all impacted customers, councilmembers, the mayor, designated council and administration staff, and local news media. Such conditions include but are not limited to:

(a) Unplanned disruption of water service impacting an estimated 50 or more customers, any daycare, school, healthcare facility, apartment complex, or assisted living facility;

(b) Water main break resulting in a drop in water pressure resulting in a boil water advisory;

(c) Major drainage pump failure during a rain event that results in diminished capacity to provide drainage services;

(d) Electric service disruption or failure to any SWBNO facility, including pumping station or substation, that results in a diminished ability to provide water, drainage, or sewer services;

(e) Any issue with a component of water treatment facilities that could impact SWBNO's ability to provide potable water; or

(f) Catastrophic failure, defined as an impact to SWBNO equipment or assets that result in diminished level of service to more than 10,000 customers or an emergency declaration by the SWBNO executive director or general superintendent.

In accordance with protocols established by the office of coordination and emergency management (NOCEM), SWBNO shall notify the NOCEM duty officer as soon as practicable that an event described in this section has occurred.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-9. Emergency preparedness plan.

No later than May 1 of each year, SWBNO shall submit its emergency preparedness plan to the director of the NOCEM, the director of the department of public works, and the city council. The plan shall include a designated point of contact for the administration and the city council, a list of personnel designated as essential and required to report to work during a declared emergency, a detailed communication plan detailing notification strategies to comply with section 159-8, a report detailing the training, reporting locations for personnel, and protocols for inspecting equipment. SWBNO shall make any modifications deemed necessary by the directors or the council.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

ARTICLE II. CUSTOMER PROTECTIONS AND BILLING

DIVISION 1. CUSTOMER PROTECTIONS

Sec. 159-10. Customer protections.

Customers shall have the following rights related to the provision of sewer and water utility services. Prohibitions to disconnect service do not extend to suspension of service that is necessary to perform a critical repair.

(a) The right to safe and reliable water service.

(b) The right to opt-in to paying a fixed monthly rate for water services, which shall be determined by calculating the average monthly cost of the customer's service based on his recent water readings.

(c) The right to dispute any amount SWBNO asserts is owed, including the right to an investigation, arbitration and appeal, as described in this chapter.

(d) The right to not have late fees charged on the disputed amount during the bill dispute process described in this chapter.

(e) The right to receive written notice from SWBNO at least ten days, exclusive of weekends and holidays, prior to the disconnection of service due to nonpayment. During the ten-day period, the Customer may either make payment or request a deferred payment arrangement.

(f) The right to not have service disconnected during extreme weather conditions. If the National Weather Service issues an excessive heat warning or heat advisory, SWBNO is prohibited from disconnecting service for the entire day, even if the excessive heat warning or heat advisory is lifted during the day.

(g) The right not to have service disconnected on a weekend, federal, state, or local holiday, day before a federal, state, or local holiday, or Friday after 1:00 p.m.

(h) The right to have same-day service to restore service if the customer pays, or causes to be paid, the outstanding balance or an alternative amount agreed to by the customer and SWBNO before 4:00 p.m.

(i) The right to have a meter that is regularly maintained and accurate by SWBNO.

(j) The right to receive notice from SWBNO when there is a scheduled repair that may disrupt service to customers. SWBNO shall notify customers no later than five days, exclusive of weekends and holidays, prior to the scheduled repair.

(k) The right to have any outstanding balance due discharged upon the death of the account holder.

(l) The right not to have interest, fees, or penalties assessed on an amount in dispute while a customer has a bill in dispute.

(m) The right not to have their account referred to collections while the customer has a bill in dispute.

(n) The right not to have service disconnected while the customer has a bill in dispute.

(M.C.S., Ord. No. 30724, § 1, 8-6-26)

DIVISION 2. BILLING

Sec. 159-11. Billing procedures.

(a) *Meter readings:*

(1) SWBNO shall conduct meter readings monthly as necessary to bill customers in accordance with the prescribed billing cycles.

(2) When SWBNO conducts a meter reading, the meter reader shall take a picture of the meter at the time of the reading. Such picture shall include the date and time stamp of the reading as well as clear images of the numbers indicating water usage and the meter number. SWBNO shall include a copy of the picture with the customer's bill.

(b) *Monthly billing:*

(1) SWBNO shall bill customers in accordance with monthly billing cycles. Should SWBNO fail to send a customer a monthly bill, after three consecutive billing cycles, SWBNO forfeits its right to collect payment for the unbilled amount.

(2) In the event a customer receives a billed amount 20 percent higher than the customer's last actual bill, SWBNO shall allow the customer to enter into a deferred payment arrangement for the difference in billed amounts through which SWBNO will collect the balance due over a period not to exceed 24 billing cycles.

(c) *Fixed rate billing:*

(1) On all bills for residential customers, SWBNO shall include the method by which the residential customer may elect to receive fixed rate bills, including via email, phone call, in person at a SWBNO customer service center, or postal service.

(2) At any time, a residential customer may opt-in to fixed rate billing by utilizing any of the methods provided by SWBNO. If a customer opts-in to fixed rate billing, SWBNO shall take all necessary steps to ensure that the customer's bills reflect the fixed rate no later than the second billing cycle after the customer submits their request.

(d) *Estimated billing.* SWBNO is prohibited from sending estimated bills.

(e) *Third-party manager.* The council has the right to select a third party to oversee, supplement, manage, or otherwise participate in the billing procedures described herein. The third party shall be selected in accordance with all applicable procurement policies and laws.

(M.C.S., Ord. No. 30724, § 1, 8-6-26)

DIVISION 3. CUSTOMER COMPLAINTS

Sec. 159-12. Bill dispute process.

(a) The city council shall designate a person or firm to respond to customer complaints regarding monthly bills (referred to herein as "firm"). The firm shall operate under the supervision of the council utilities regulatory office.

(b) A customer who disagrees with the billed amount due may dispute a bill according to the following process:

(1) *Contact the firm.* The customer shall have 30 days from receipt of a monthly bill to contact the firm to dispute a bill. The firm shall either have access to emails, phone calls, or post received by SWBNO or shall establish an email address, phone number, or mailing address to receive customer complaints. The contact information shall be published on the SWBNO webpage and on customer bills.

(2) *Complaint review.* After receiving the customer's complaint, the firm shall review the customer's disputed bill and any relevant information, including but not limited to billing history, past meter readings, maintenance records, etc.

A. SWBNO shall take all steps necessary to ensure that the firm has access to all systems necessary to review the relevant information.

B. The firm shall take all necessary steps to protect a customer's personal information.

C. The firm shall provide a list of all customers who have a complaint under review to SWBNO with copy to the council utilities regulatory office on a weekly basis. All listed customers shall be deemed to have a bill in dispute.

(3) *Bill adjustments.* The firm shall have the authority to make any necessary adjustments to a customer's billed amount. The firm shall submit its decision regarding any adjustments to SWBNO and the customer within two weeks of a customer submitting their complaint. If the firm requires additional time to make a decision regarding a customer's complaint, they shall inform the customer and SWBNO in writing.

A. In the event the firm finds that an error in the billed amount is the result of a malfunctioning water meter, the firm shall offer the customer the opportunity to opt-in to fixed rate billing until the meter can be replaced.

B. The firm shall submit a monthly report to the council summarizing the number of complaints reviewed and the total amount of adjustments ordered.

(4) *Arbitration.* In the event the customer elects to dispute the firm's decision, they may submit a request for arbitration within 14 days, exclusive of weekends and holidays, of receipt of the firm's decision.

(c) Bill in dispute. After contacting the firm to dispute a bill, a customer is deemed to have a bill in dispute until either:

(1) 14 days, exclusive of weekends and holidays, have lapsed since the customer received the firm's decision; or

(2) 14 days, exclusive of weekends and holidays, have lapsed since the customer and SWBNO received the arbiter's decision.

(d) Payment during dispute process. During the bill dispute process, SWBNO shall bill the customer as follows:

(1) Prior to the firm's decision regarding an adjustment, the customer's monthly bill shall be the fixed bill rate.

(2) After the firm renders a decision, but prior to a decision for the arbiter, SWBNO shall bill the customer in accordance with the adjustment ordered by the firm.

(3) Upon receipt of the arbiter's decision, SWBNO shall make the ordered adjustments within two billing cycles.

(e) While a customer has a bill in dispute, SWBNO shall not assess interest, fees, or penalties on the amount in dispute, submit a customer's account to a collection agency, or execute a service disconnect.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-13. Arbitration.

(a) *Arbitration team.* The legislative auditor and the New Orleans inspector general shall, acting together, appoint the two arbiters for each councilmanic district, subject to confirmation by the council. The arbiters shall be divided into two teams: the residential arbitration team and the commercial arbitration team.

(1) One arbiter from each district shall be appointed to serve on the residential arbitration team. The other arbiter from the district shall be appointed to serve on the commercial arbitration team.

(b) *Arbitration hearings.* Each arbitration team shall hold at least two regularly scheduled appointment days per month in each councilmanic district at a public facility, with an option for parties to participate virtually. At least one member of the team shall meet with each customer and a representative from SWBNO to evaluate any evidence related to the disputed bill(s).

(c) *Arbitration decision.* Based on a review of the materials and arguments presented, and in consultation with other members of the arbitration team as needed, the arbiter shall determine whether the bill amount ordered by the firm is appropriate. The arbitration team shall communicate all decisions to SWBNO and the customer no later than the last day of the month after the arbitration is held.

(d) *Standard of review.* Arbiters shall review evidence utilizing a clearly erroneous standard of review, meaning the arbiters shall only vacate the firm's decision if, based on a review of the record and evidence available, a mistake has been made.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

ARTICLE III. BUDGET AND CAPITAL IMPROVEMENT PLAN

DIVISION 1. BUDGET

Sec. 159-14. Operating and capital budgets.

Annually and in accordance with the council's rules and directives, SWBNO shall submit and present to the city council its proposed operating budget. The capital and operating budgets shall be prepared in consultation with the city's chief administrative office. The operating budget shall include any related SWBNO revenues and expenditures. Additionally, the operating budget shall include details related to satisfying financial obligations to the city, including expenses related to utility regulation as described in section 3-130 of the Home Rule Charter. The capital budget shall be prepared and reflect the annual expenditures of projects, programs, and improvements as detailed in the capital improvement plan.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-15. Budget format.

SWBNO shall submit its budget template and presentation in accordance with the council's rules and procedures.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-16. Budget approval process.

SWBNO shall submit its budgets to the council in the appropriate format no later than October 1 of each year. SWBNO shall submit its budgets and presentation as directed by the council. The council shall act to approve or amend the operating and capital budgets for SWBNO no later than December 1. The approved budgets shall be sufficient to ensure SWBNO's ability to provide safe and reliable water, sewer, and drainage services.
(M.C.S., Ord. No. 30724, § 1, 8-6-26)

DIVISION 2. CAPITAL IMPROVEMENT PLAN

Sec. 159-17. Capital improvement plan.

SWBNO shall develop a capital improvement plan annually. The capital improvement plan shall include projects and programs designed to protect, enhance, and repair the water, sewer and drainage infrastructure systems. Beginning in 2027, the capital improvement plan shall include a five-year plan of projects and programs. SWBNO shall develop the capital improvement plan in consultation with the department of

public works and any other office or department designated by the mayor so that proposed capital investments are planned and prioritized in a manner consistent with the city's adopted Climate Action Plan, resilience strategies, sustainability objectives, and other related initiatives. The capital improvement plan shall include but not be limited to the following:

(a) Current projects. A list of projects in process of construction or acquisition, their present status, the amounts spent or estimated to be spent each year over the planned five years, a schedule including the work required to complete the project, the funding source(s) for each project, the amount and funding source(s) required to complete each project, method of financing, estimated operations and maintenance costs, any budgetary shortfall, and a justification of the project, including social, geographic, economic, engineering, and public welfare reasons;

(b) Planned projects. A list of proposed projects including a schedule, funding source(s), method of financing, the estimated budget to be spent each year over the planned five years, the estimated operation and maintenance costs, the proposed dates of initiation and completion of the project, and a justification of the project, including social, geographic, economic, engineering, and public welfare reasons; and

(c) Actions required or included in the scope of a project which requires coordination with or completion by an outside entity, including any state or city department, office, or agency.

(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-18. Public engagement.

For the five-year capital plan, SWBNO shall conduct not less than five public meetings, one per councilmanic district, to solicit feedback on priorities and to educate the public on proposed projects and priorities. SWBNO shall coordinate with the district councilmember to schedule each public meeting and notify the designated representatives of the administration the date, times, and locations of each public meeting. SWBNO shall submit to the council a summary of the feedback received no more than 48 hours after each public meeting.

(M.C.S., Ord. No. 30724, § 1, 8-6-26)

Sec. 159-19. Approval.

SWBNO shall submit its capital improvement plan to the council as directed. The city council shall approve or amend the plan submitted via motion. Prior to acting, the council shall conduct at least one public meeting before the council or a council committee to consider the proposed plan and receive public comment.

ARTICLE I. IN GENERAL

Sec. 162-1. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Accessible taxicab (AT) means any vehicle that accommodates a passenger using a wheelchair or other personal mobility device who needs a ramp or lift to enter or exit the vehicle. Such vehicle must comply with the provisions in 49 CFR Part 38.1—38.39. Such vehicle shall be of a single distinctive color as set forth by the ground transportation bureau and operate at rates-per-mile or on a waiting-time basis, or both. ATs are identified as a minivan or similar vehicle specially adapted with rear or side access ramps for wheelchair users, which is also equipped with a taximeter, and which prioritizes requests for service from people with disabilities and/or wheelchair users for purposes of transportation over and along the public streets, not over a defined route but, as to the route and destination, in accordance with and under the direction of the passenger or person hiring such vehicle.

Airport contract limousine means any vehicle operated exclusively by a ground transportation company under the terms of a written contract with the city, through the city aviation board, for the purpose of providing transportation to and from the New Orleans International Airport (Moisant Airport).

Airport delivery limousine service means any limousine except an airport contract limousine.

Alternative fuel vehicle means any vehicle as so defined by the Environmental Protection Agency (EPA) and includes vehicles powered by natural gas, electricity, hydrogen, bio-diesel, or propane.

Certificate of public necessity and convenience, also known as a *CPNC,* is issued by the director of the department of public works permitting an individual or company to engage in a particular type of for hire vehicular transportation.

Charter vehicle means any for-hire vehicle for which the passengers have control over the routes taken and/or the destination visited.

Commuter shuttle vehicle means any vehicle operated by or on behalf of individuals or a commercial entity in such a manner so that a passenger of such vehicle is or is not charged a fee for provision of transportation, or is allowed to pay for a portion of the fuel and other operating expenses for such a trip.

Courtesy transportation or *courtesy vehicles in the tour industry* means any motor vehicle designed or used for the transportation of passengers in the tour industry where no direct fee is charged to the passengers.

Courtesy vehicle means any vehicle operated by or on behalf of a commercial entity in such a manner that a passenger of such a vehicle is not charged a fee for the provision of transportation.

Disabled friendly taxi or *DFT* means any motor vehicle built on a truck type frame or body and which is equipped with an automatic lift for entry/exit and multiple tie-downs for a secure ride. These vehicles shall be used for the transportation of physically challenged persons using mobile devices and persons accompanying such physically handicapped persons over a route or to a destination that is controlled by the passenger.

Driver includes every person in actual operation of a vehicle licensed for operation as a for-hire vehicle under this chapter, whether as owner or agent, bailiff, lessee, servant or employee of the owner.

Driver's permit is the license granted by the department of public works authorizing an individual to drive a vehicle that bears a valid certificate of public necessity and convenience number.

For-hire vehicle means any vehicle designed or used for the transportation of passengers for hire, the charges for the use of which are determined by agreement, by the length of time the vehicle is engaged, or by distance traveled, or a permissible combination thereof as provided herein.

For-hire vehicle inspection station means the location of the required examination of the vehicles to be operated as for-hire vehicles to determine that such vehicles are safe and in satisfactory condition.

Local general manager is the highest-ranking local officer of a hotel or overnight lodging entity located in the city and is the person responsible for its day-to-day operations.

Narcotic drugs means coca leaves, opium, cannabis, marijuana, isonipecaine and every synthetic substance known to have narcotic action and including all drugs controlled under R.S. 40:961 et seq., the Uniform Controlled Dangerous Substances Law, being further defined as follows:

(1) *Barbiturate* or *barbiturates* includes all hypnotic or somnifacient drugs, whether or not derivatives of barbituric acid.

(2) *Barbituric acid derivative* means each of the salts and derivatives of barbituric acid, also known as malonyl urea, and derivatives, compounds, mixtures or preparations thereof.

(3) *Cannabis* includes all parts of the plant Cannabis Sativa L., whether growing or not; the seeds thereof; the resin extracted from any part of such plant; and every compound, manufacture, salt, derivative, mixture or preparation of such plant, its seeds or resin; but shall not include the mature stalks of such plant, fiber produced from such stalks, oil or cake made from the seeds of such plant, or any other compound, manufacture, derivative, mixture, or preparation of such mature stalks (except the resin extracted therefrom), fiber, oil or cake or the sterilized seed of such plant which is capable of germination.

(4) *Central nervous system stimulant* means amphetamine and desocyephedrine, and any derivative, compound, mixture or preparation thereof.

(5) *Coca leaves* includes cocaines and any compound, manufacture, salt, derivative, mixture, or preparation of coca leaves, except derivatives of coca leaves which do not contain cocaine, ecgonine, or substances from which cocaine or ecgonine may be synthesized or made.

(6) *Isonipecaine* means the substance identified chemically as 1-methyo-4-phenylpiperidene-4-carboxylic acid ethyl ester, or any sale thereof by whatever trade name identified.

(7) *Marijuana* includes the plant known as marijuana, or any of its derivatives, either dried, or in any cigarettes, tobacco, other smoking or chewing or snuffing article, or in any other form whatsoever, which either in whole or in part contains, either in the dried form or otherwise any quantity of the Mexican plant known as marijuana.

(8) *Opium* includes morphine, codeine, and heroin, and any compound, manufacture, salt, derivative, mixture, or preparation of opium, but does not include apomorphine or any of its salts.

(9) *Synthetic substance known to have narcotic action* includes, but is not limited to, such substances as dilaudid, methodon and similar substances.

(10) *Use,* in relation to the drugs described herein, applies to any person who uses one or more of the narcotic drugs or barbituric acid derivatives or central nervous system stimulants to any extent with or without medical need, authority or prescription.

Owner means any person who is the actual legally registered owner of the vehicles defined and described in this chapter.

Per capita fixed-route continuous-loop sightseeing tour vehicle is a tour vehicle within a fleet of no less than six vehicles that seat no less than 30 passengers on a vehicle. Such vehicles operate on a fixed route with a continuous loop allowing multiple stops and points of boarding and exiting with passengers able to utilize any vehicle operating on the loop. During hours of operation, at least three buses shall be operating on the fixed route.

Person means any individual, corporation, partnership, company or association owning, driving, controlling or operating any for-hire vehicle as defined in this article and regulated by this chapter.

Road bus means any motor vehicle with a seating capacity in excess of 16 passengers, used for the purpose of transporting one or more persons for hire over a route or to a destination that is controlled by the passenger.

School bus means any motor vehicle with a seating capacity in excess of ten passengers built and primarily used for the purpose of transporting preprimary, primary, or secondary students to or from school or related events.

Street means any public street, avenue, road, boulevard, alley, lane, highway, sidewalk, public park, airport, railroad station or depot, steamship landing, ferry landing, viaduct or other public place under control of the city and established by it for the use of vehicles and not otherwise controlled by law or ordinance. It shall also mean all vehicular roads, driveways, or areas outside of and adjacent to or in all railroad stations, steamship, steamboat or ferry landings and bus stations owned by the city, which are used regularly or may be so used by for-hire vehicles to pick up and discharge passengers which places shall hereafter be and remain open to and used by all such duly licensed vehicles, without charge and without discrimination as to the ownership of such vehicles or the licensed operators thereof, and subject to the other provisions of this chapter.

Taxicab or *taxi* means any motor vehicle duly licensed to be operated as such by the department of public works which is used for the transportation of passengers or packages for hire over a route or to a destination that is controlled by the passenger.

Taxicab stand is construed to mean a place where taxicabs are permitted to park as well as to pick up and to discharge passengers.

Taxicab zone means a place designated by the city where taxicabs shall be permitted to pick up and discharge passengers, but not to park.

Taximeter means a mechanical or electronic instrument or device by which the charge for hire is mechanically or electronically calculated either for waiting time, for the distance traveled, or for both, and upon which such charge shall be indicated by means of figures. The taximeter must not be adjusted or programmed in any way to record any charge other than that established by ordinance. The taximeter shall be adjusted or programmed only by meter repair personnel authorized by the department of public works.

Tour bus or *sightseeing bus* means any motor vehicle with a seating capacity of 16 or more passengers used for the purpose of transporting six or more persons on a sightseeing trip to any of the city's points of interest and/or historic buildings, parks or sites.

Tour vehicle means any for hire motor vehicle and/or taxicab used for the purpose of transporting one or more persons on a sightseeing trip to any of the city's points of interest and/or historic buildings, parks, or sites, and for which the route is controlled by the operator. A tour vehicle may be a bus, van, limousine or taxi.

Van means any for hire motor vehicle built on a truck type frame or body with a seating capacity of at least seven but no more than 15 passengers.

The term "tour bus," "tour vehicle," "taxicab," "taxi," "for hire," or "livery car" shall not include any vehicle which is used primarily in the rendition of regular local transit service over a definite and fixed route in accordance with a prescribed schedule operated solely by a governmental agency, local education agency private college or university, or political subdivision of the City of New Orleans or the State of Louisiana.

Sec. 162-3. Reserved.

Editor's note—Section 1, M.C.S., Ord. No. 16,895, adopted Feb. 16, 1995, repealed § 162-3, which pertained to exemptions from provisions of this chapter for interstate carriers and derived from § 12-23 of the 1956 Code.

Sec. 162-4. Corporate officers subject to penal provisions.

Whenever a corporation, partnership or association shall violate any of the penal provisions of this chapter, such violation shall also be deemed to be that of the individual officers, directors, partners or agents of such corporation who had personally authorized, ordered or perpetrated such violation. Any such officer, director, partner or agent shall be punished in the same manner and to the same extent as herein provided for an individual.

(Code 1956, § 12-59)

Sec. 162-5. General or attempted noncompliance; penal provisions.

The noncompliance with any mandatory or prohibitory provision of this chapter shall constitute an offense and a violation of the chapter. Any person charged with a violation of this chapter and found guilty of an offense thereof shall be subject to punishment by a fine and/or imprisonment at the discretion of the judge of municipal court not to exceed the maximum penalty provisions as defined in section 54-25. Any person convicted of an attempt to violate the provisions of this chapter shall be sentenced to not more than one-half the maximum fine and/or imprisonment as defined in section 54-25.

(Code 1956, § 12-60)

Sec. 162-6. Enforcement.

In accordance with section 4-502(2) of the charter, the superintendent of police is hereby authorized to grant enforcement and citation powers to employees of the ground transportation bureau for the purposes of enforcing the provisions of this chapter. Such powers, which may be granted by the superintendent of police, shall be in addition to the normal enforcement and citation powers of the police.

ARTICLE II. ADMINISTRATION*

DIVISION 1. GENERALLY

Sec. 162-46. Administration, enforcement generally.

The department of public works shall be responsible for the administration and enforcement of the provisions of this chapter. The director of the department of public works shall make such administrative regulations as may be necessary to implement or administer the provisions of this chapter.

(Code 1956, §§ 12-22, 12-31; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-47. Bureau created.

There is hereby created a ground transportation bureau, which shall consist of a supervisor appointed by the director of the department of

*__Cross reference—__Administration, ch. 2.

public works and such other employees as may be necessary to carry out the functions and duties of the bureau.
(Code 1956, § 12-32; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. 27992, § 1, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-48. Duties and responsibilities.

(a) It shall be the duty of the department of public works, to see that all applications to own or operate taxicabs or other for hire CPNC licensed vehicles or transportation network company vehicles conform to all requirements established by this article and other articles of this chapter where applicable; and to certify that such requirements have been met; to execute all policies established; and carry out duties as may be assigned from time to time by the director of the department of public works.

(b) It shall be the primary responsibility of the department of public works to enforce all of the provisions of this chapter relative to taxicabs,

other for-hire vehicles, and transportation network companies by instituting appropriate administrative actions and/or filing proper charges against the offender.
(Code 1956, § 12-33; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 26339, § 1, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-49. Department to maintain records of CPNCs and TNCs.

(a) A record of the issuance of certificates of public necessity and convenience and driver's permits is to be maintained by the department of public works to be available to the public at all times. The record shall include the names and addresses of the certificate holders or permittees and the number of the certificates or permits. A description of the vehicles, the motor numbers thereof, the trade name of the vehicle (except for horse-drawn vehicles) and a complete list of the certificates or permits issued shall be available to the director of the department of public works by the supervisor of the ground transportation bureau at all times.

(b) A record of the issuance of transportation network company permits is to be maintained by the department of public works to be available to the public at all times. The record shall include the names and addresses of the permittees and the number of transportation network company vehicles associated with each permit. A description of the vehicles, the trade name of the transportation network company and a complete list of the permits issued shall be available to the director of the department of public works by the supervisor of the ground transportation bureau at all times.
(Code 1956, § 12-34; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 26339, § 1, 4-9-15; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-50. Police, municipal courts to assist.

All officers and members of the department of police and the municipal and criminal court personnel shall assist the ground transportation bureau or enforcement agents in the necessary performance of their duty when so requested. The superintendent of police shall furnish the taxicab and for hire bureau with a monthly report of all arrests of persons engaged in the taxicab or transportation for hire business. The clerk of the municipal court shall promptly report daily in writing all convictions for violations in such court.
(Code 1956, § 12-35; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-51. Owners/driver to report change of employment of driver.

All owners/drivers of taxicabs or other for-hire vehicles shall notify the ground transportation bureau in writing of the names, addresses and driver's permit numbers of all persons permitted by them by agreement of any nature to drive any such vehicle within five working days after each such occurrence, and they shall also furnish such information in writing to the ground transportation bureau relative to the termination of every driver's employment or agreement within five working days after the termination of such employment or agreement. The date of termination of the driver shall be provided by such notice.
(Code 1956, § 12-48; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-52. Designation of routes.

The director of the department of public works may designate routes over which CPNC vehicles may operate and may prohibit the operation of certain classes of vehicles in specified areas and at specified times upon the approval of the city council.
(Code 1956, § 12-76; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-53. Unlawful use of vehicles for hire by businesses and their employees.

(a) It shall be unlawful for any agent or employee of any entity required to have an occupation tax license pursuant to section 150-951, et seq., to direct patrons to any unlicensed and/or un-permitted vehicle for hire, or for any

entity required to have an occupation tax license pursuant to section 150-951, et seq., to knowingly permit or allow any of its agents or employees to direct patrons to any unlicensed and/or un-permitted vehicle for hire.

(b) In addition, it shall be unlawful for any agent or employee of any entity required to have an occupation tax license pursuant to section 150-951, et seq., to allow a vehicle, which is not pre-arranged, to stage. For purposes of this section, stage shall mean to stop, park, or otherwise place a vehicle for hire, other than a taxicab, in the loading or curbside area of any business required to have an occupation tax license pursuant to section 150-951, et seq., when the vehicle is not engaged in a pre-arranged round trip or one-way fare. Prearrangement, as required by this subsection, shall be via a communicated contract prior to pick-up, evidenced by a properly completed trip sheet. The trip sheet shall include, but not be limited to, the guest's name, number of passengers to be picked up, time of pick up, final destination, hotel room number, if applicable, and a valid contact phone number. Vehicle for hire operators shall make said trip sheets available for verification by employees of the pickup location, as well as all law enforcement agencies. In addition, said trip sheets shall be completed prior to arrival at the pickup location.

(c) It shall be unlawful for any agent or employee of any entity required to have an occupational tax license pursuant to [section] 150-951, et seq., to request, demand, or accept any gratuity from a for hire operator in order to procure a fare, whether pre-arranged or not.

(d) It shall be unlawful for any taxicab or for hire operator to offer a gratuity, tip, or any other compensation, in order to procure a fare, whether pre-arranged or not.
(M.C.S., Ord. No. 24840, § 1, 4-19-12)

Secs. 162-54, 162-55. Reserved.

Sec. 162-56. Not provide the bureau with any material false or misleading information.

In order to obtain or maintain a driver permit, company permit, or CPNC, the applicant, driver, company, or CPNC holder shall not provide the bureau with any material false or misleading information. A violation of this article shall constitute cause for denial of the application or suspension or revocation of the driver permit, company permit, or CPNC. False or misleading information is considered "material" if the driver's permit or CPNC may have been denied had an accurate response been given.
(M.C.S., Ord. No. 24841, § 1, 4-19-12)

Sec. 162-57. Evidence of attempt to bribe.

(a) In order to obtain or maintain a driver permit, company permit, or CPNC, the applicant, driver, company, or CPNC holder (or someone acting on his/her behalf) must not offer or give any gift or gratuity to any employee, representative, public servant, or member of the bureau.

(b) An applicant must immediately report to the director of the department of public works if any employee, representative, public servant, or member of the bureau makes a request or demand for any gift of gratuity.

(c) Denial of an application/revocation of a permit or CPNC. The director may deny or revoke a driver permit, company permit, or CPNC for the reasons specified in this section. If the director identifies that the applicant meets the criteria in this section, the director will deny or revoke the driver's permit, company permit, and/or CPNC and no application fees will be refunded.

(d) Any person violating this section will be banned from reapplying for a CPNC or driver's permit for a period of ten years.
(M.C.S., Ord. No. 24842, § 1, 4-19-12; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-58. Prohibited vehicles.

(a) Any vehicle which has ever been issued the title class of either "salvage", "rebuilt", "junk", "total loss", "reconditioned" or any equivalent classification in any jurisdiction is not eligible for operation as a for-hire vehicle and shall not be issued a CPNC.

(b) It is the affirmative duty of the CPNC holder to ascertain that the for-hire vehicle is in compliance with this section. Any vehicle placed in operation by a CPNC holder as a for-hire vehicle in violation of this subsection is unsafe, and subject to immediate CPNC suspension and/or revocation.

(c) The director may require CPNC holders to submit a car history report at the CPNC holder's expense.
(M.C.S., Ord. No. 24854, § 1, 4-19-12; M.C.S., Ord. No. 27151, § 1, 11-3-16; M.C.S., Ord. No. 28241, § 1, 11-21-19)

Sec. 162-59. Driver's permits and CPNCs are privileges.

Driver's permits and CPNCs are privileges and not rights. The director of public works or his designee has full discretion in determining whether a driver's permit or CPNC shall be issued.
(M.C.S., Ord. No. 24843, § 1, 4-19-12; M.C.S., Ord. No. 28624, § 2, 3-11-21)

DIVISION 2. DRIVER'S PERMIT

Sec. 162-81. Required.

It shall be unlawful for any person to drive any vehicle regulated by this chapter without possessing a current driver's permit or a duplicate thereof should the same be lost or destroyed.

(a) CPNC holders are authorized to designate an employee or employees to operate a vehicle regulated by this chapter for the sole purpose of delivering such vehicle to the bureau's inspection station for the semi-annual mechanical inspections required pursuant to sections 162-377 and 162-379 of this Code.

(b) CPNC holders are required to notify the Bureau of the name(s) of such designee(s) and their position within the entity holding CPNCs. The bureau shall maintain a listing of those individuals authorized to deliver vehicles to the inspection station and the CPNC holder with which they are affiliated.

(Code 1956, § 12-105; M.C.S., Ord. No. 26289, § 1, 3-12-15)

Sec. 162-82. Application.

An applicant for a driver's permit shall submit an application to the ground transportation bureau. The applicant must comply with all of the requirements set forth for drivers as provided in this chapter.
(Code 1956, § 12-106; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-83. Photographs and fingerprints.

Each applicant for a driver's permit shall submit photographs according to the requirements for identification established by the ground transportation bureau and shall submit to being fingerprinted.
(Code 1956, § 12-108; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-84. Reserved.

Editor's note—M.C.S., Ord. No. 27303, § 1, adopted Feb. 23, 2017, repealed § 162-84, which pertained to for-hire vehicle driver application and derived from Code 1956, § 12-107; M.C.S., Ord. No. 21480, § 5, adopted April 1, 2004.

Sec. 162-85. Chauffeur's license; letters of employment agreement.

The application for a permit to operate a for-hire vehicle solely as a driver shall, in addition to the requirements set out in this article, be accompanied by a valid chauffeur's license and a letter in duplicate from the employer CPNC owner or lessor for whom the applicant expects to work immediately upon the issuance of such permit. This provision shall not apply to operators of animal-drawn vehicles.
(Code 1956, § 12-109)

Sec. 162-86. Reserved.

Editor's note—M.C.S., Ord. No. 27303, § 1, adopted Feb. 23, 2017, repealed § 162-86, which pertained to training for new applicants and derived from Code 1956, § 12-107.1(b); M.C.S., Ord. No. 21480, § 5, adopted April 1, 2004.

Sec. 162-87. Issuance of permit.

Whenever an applicant for a permit to operate a for-hire vehicle as a driver has met all of the requirements provided under this article and the supervisor of the ground transportation bureau has so reported to the director of the department of public works, if the director finds the report to be correct, a driver's permit shall be issued of a size, color and form to be determined by the director.
(Code 1956, § 12-110; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-88. Term.

A driver's permit shall be valid for a period of two years.
(Code 1956, § 12-111)

Sec. 162-89. Possession of valid permit.

The driver's permit shall be carried by the driver at all times when the driver is operating the vehicle. For the purpose of this article, every permit which is under suspension or which has been revoked as provided in this chapter shall be considered invalid unless and until the same is reinstated.
(Code 1956, § 12-114)

Sec. 162-90. Photo identification.

Every driver shall wear a photo identification designed according to specifications of the director of the department of public works. Such identification shall be worn on the chest of the driver during all hours of duty and in such a position that it is plainly visible at all times.
(Code 1956, § 12-117; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-91. Driver's record.

The ground transportation bureau shall compile and maintain a complete and up-to-date record of the drivers and discontinuance of all such drivers, showing pertinent data required in this chapter according to the discretion of the director of the department of public works.
(Code 1956, § 12-116; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-92. Notification of change of address.

It shall be the responsibility of each driver to notify the ground transportation bureau and trade name holder of each change of address within 14 days after such change is made and to have such change indicated on the driver's permit.
(Code 1956, § 12-115; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28241, § 1, 11-21-19)

Sec. 162-93. Renewal.

Every driver's permit in good standing shall be renewable on or three months before its expiration date upon application and payment of the fee as required in section 162-195 to the ground transportation bureau. The renewal of the driver's permit within ten business days following the date of expiration of the permit shall be considered timely renewal of the permit.
(Code 1956, § 12-112; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28241, § 1, 11-21-19)

Sec. 162-94. Reserved.

Editor's note—M.C.S., Ord. No. 27303, § 1, adopted Feb. 23, 2017, repealed § 162-94, which pertained to training course for renewals and derived from Code 1956, § 12-107.1(e).

Editor's note—M.C.S., Ord. No. 27303, § 1, adopted Feb. 23, 2017, repealed § 162-95, which pertained to continuing education and derived from Code 1956, § 12-107.1(c); M.C.S., Ord. No. 21480, § 5, adopted April 1, 2004.

Sec. 162-96. Reserved.

Editor's note—M.C.S., Ord. No. 27303, § 1, adopted Feb. 23, 2017, repealed § 162-96, which pertained to approval of institutions and training courses and derived from Code 1956, § 12-107.1(d); M.C.S., Ord. No. 21480, § 5, adopted April 1, 2004; M.C.S., Ord. No. 26332, § 1, adopted April 9, 2015.

Sec. 162-97. Expired driver's permit.

(a) Failure to make timely application for renewal of the driver's permit shall result in a delinquent fee of $40.00.

(b) Permit holders who have allowed their permits to expire for a period of three months shall be considered to be a new applicant for a permit and shall be considered to be a new applicant for a permit and shall conform to all requirements pertaining to such applicant in obtaining such permit.
(Code 1956, § 12-113; M.C.S., Ord. No. 24875, § 1, 6-7-12; M.C.S., Ord. No. 24961, § 1, 7-26-12; M.C.S., Ord. No. 28241, § 1, 11-21-19)

Sec. 162-98. Provisions for hearing and appeal of denial or revocation of driver's permit.

(a) The director of the department of public works or a duly designated agent may deny or revoke the issuance of a driver's permit and/or a CPNC whenever, in the exercise of reasonable and sound discretion and after giving notice and affording the applicant or holding [holder] a hearing thereon, the director shall determine that the applicant or holder is in violation of this chapter. The director shall conduct a hearing in accordance with the provisions of R.S. 49:951 et seq.

(b) If the hearing results in the denial or revocation of a driver's permit, then the party involved may thereafter appeal to the Civil District Court for the Parish of Orleans within 30 working days of the decision.
(Code 1956, § 12-56; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 24724, § 1, 1-5-12; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-153. Display of certificate.

It shall be unlawful for any person to transport or offer to transport passengers for hire in any vehicle regulated by this article which does not have affixed to the windshield thereof a valid certificate of public necessity and convenience issued by the director of the department of public works unless the for-hire vehicle is used exclusively to transport passengers for weddings and funerals.
(Code 1956, § 12-69; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-154. Penalties for violation.

The penalty for a first offense under this article shall be a fine of not less than $300.00 and may include a term of imprisonment for not more than five months. A term of imprisonment of up to 30 days may be imposed for nonpayment of the fine. For second and subsequent offenses the penalty shall be a fine of not less than $300.00 and a term of imprisonment for not less than ten days nor more than five months. An additional term of imprisonment of not more than 30 days may be imposed for nonpayment of the fine.
(Code 1956, § 12-69)

Sec. 162-155. Extended renewal period and fee.

The renewal period for a CPNC that expired between December 31, 2019 and April 1, 2023, is extended until December 31, 2023, provided that the renewal complies with the applicable provisions or this chapter. The fee for a renewal pursuant to this section is $250.00 for reinstatement of the CPNC, plus $150.00 for each delinquent renewal year. This shall be a one-time reinstatement. Additionally, any CPNC revoked for nonrenewal between April 1, 2020 and May 1, 2023 may reissued under this section.

DIVISION 2. APPLICATION

Sec. 162-181. Generally.

Each person who shall make application to the director of the department of public works for a CPNC, shall meet the requirements as established by law, and shall certify that all of the requirements have been properly satisfied. No license shall be granted if the applicant fails to meet the requirements of this chapter or if the applicant provides the department of public works with false, misleading or incomplete information. Licenses issued on the basis of false, misleading or incomplete information furnished by the applicant may be revoked by the director of the department of public works.
(Code 1956, § 12-42; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-182. Age and literacy.

Applicants for CPNCs or driver's permits must be 18 years of age and must be able to read, write and fluently speak English. In the case of a partnership or a corporation, such provisions shall be satisfied by the qualification of a principal partner or duly registered officer respectively.
(Code 1956, § 12-43; M.C.S., Ord. No. 24596, § 1, 9-22-11)

Sec. 162-183. Citizenship and residency.

(a) *Citizenship.* An applicant for any CPNC license must be a citizen or permanent resident of the United States. Proof of citizenship or permanent residency shall be submitted by the applicant at the time application is made.

(b) *Residency.* An applicant for a CPNC must currently reside in this parish and/or in the contiguous parishes of Jefferson, St. Bernard, St. Tammany, Plaquemines, or in the noncontiguous parishes of St. Charles, St. John the Baptist, or St. James. Should the applicant reside in one of the listed contiguous or noncontiguous parishes, a duly designated agent for service of process must be provided to the supervisor of the ground transportation bureau.

(c) *Organizations.* If the applicant is a corporation or partnership, the above requirements for a CPNC shall be satisfied by the qualification of all duly registered officers of the corporation or principal partners of the partnership. If the organization or partnership is an out-of-state business entity, the above requirements for a CPNC may be satisfied by the qualification of a designated local general manager of the organization.
(Code 1956, § 12-44; M.C.S., Ord. No. 22860, § 1, 10-18-07; M.C.S., Ord. No. 23506, § 1, 4-23-09; M.C.S., Ord. No. 24673, § 2, 11-17-11; M.C.S., Ord. No. 26332, § 2, 4-9-15; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28241, § 1, 11-21-19)

Sec. 162-184. Investigation.

(a) The supervisor of the ground transportation bureau shall investigate all applicants for certificates of public necessity and convenience (CPNC) and the merits of each application. A written report of the findings and recommendations from the investigation shall be submitted to the director of the department of public works. Not less than twice annually, at a time to be designated by the supervisor, such director or a duly designated agent subject to the director's final authority shall determine whether or not any CPNC will be granted or denied, provided such director shall not deny any application without a hearing being held thereon in accordance with R.S. 49:951 et seq., unless the granting of a CPNC would cause the number of taxicabs to exceed the limit specified in section 162-186. Existing CPNC holders and other interested parties may appear as intervenors in such hearings.

(b) In the event that applications exceed the number of CPNCs necessary to satisfy public necessity, the director of the department of public works may utilize a lottery to determine the issuance of CPNCs to qualified and eligible applicants.
(Code 1956, § 12-45; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 26257, § 1, 2-26-15; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-185. Factors for consideration.

In determining whether a CPNC should be issued, the director of the department of public works shall consider the following:

(1) Whether the requirements of the certificate of public necessity and convenience can be met and complied with only by the issuance of additional certificates of public necessity and convenience;

(2) The resulting effect of an issuance upon the business of existing certificate holders and upon the existing agencies of mass transportation;

(3) The effect upon traffic congestion and the safety of the public using the streets;

(4) The effect upon working conditions, wages or other compensation paid to drivers of taxicabs or other motor vehicles being operated under existing CPNC's;

(5) In the case of a new CPNC company, the applicant must establish the fact that the service to be provided is not and/or cannot be adequately provided by existing CPNC companies; or

(6) Any other facts which the director may deem relevant.

(Code 1956, § 12-45(a); M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-186. Taxicabs.

(a) *Delinquency penalty.* A certificate of public necessity and convenience (CPNC) expires on December 31 of each year and must be renewed within the month following expiration (January)

for a fee of $150.00. A CPNC renewal that is submitted in the month of February is subject to a delinquency penalty of $75.00 in addition to the renewal fee of $150.00. A CPNC renewal that is submitted in the month of March is subject to a delinquency penalty of $75.00 in addition to the renewal fee and the February delinquency penalty. A CPNC shall not be renewed after March 31; however, the director of the department of public works (or his designee) at his discretion may make an exception for good cause shown by the CPNC holder. The request for an exception must be in writing before April 1 and if granted is subject to a delinquency penalty of $50.00 per month beginning in the month of April. This delinquency penalty shall be in addition to the fees and penalties outlined above.

(b) *Revocation of certificates of public necessity and convenience (CPNC).* A certificate of public necessity and convenience (CPNC) that is not renewed by March 31 is suspended. A CPNC shall be revoked if a renewal is not submitted in January, February, or March or within the extended time period granted by the director or the designee.

(c) *Extension for acquiring a vehicle and fee.* Compliance with the requirement that a certificate of public necessity and convenience (CPNC) holder must have a vehicle in service may be extended for a period of time by the director of the department of public works (or his designee) for good cause. The first extended time period is limited to a maximum of 90 days. Additional extensions may be granted but the aggregate of such extensions is limited to a maximum of three years. There is no fee for the first extension. Additional extensions are subject to a fee of $50.00 per month. If a vehicle is not placed in service within the extended time period granted by the director or the designee, the CPNC shall be revoked.

(Code 1956, § 12-45(b); M.C.S., Ord. No. 18,475, § 1, 10-16-97; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 23493, § 1, 4-23-09; M.C.S., Ord. No. 27963, § 1, 12-20-18; M.C.S., Ord. No. 28241, § 1, 11-21-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-187. Animal-drawn vehicles.

The director of the department of public works is hereby authorized to issue no more than a total of 30 certificates of public necessity and convenience for animal-drawn vehicles. The fees charged by the department of public works for certificates of public necessity and convenience for animal-drawn vehicles are as follows:

(1) *Initial license* $250.00

(2) *Annual renewal* 300.00

(3) *Delinquency penalty.* A certificate of public necessity and convenience (CPNC) for animal drawn vehicles expires on March 31 of each year and must be renewed within the month following expiration (April) for a fee of $300.00. A CPNC renewal that is submitted in the month of May is subject to a delinquency penalty of $150.00 in addition to the renewal fee of $300.00. A CPNC renewal that is submitted in the month of June is subject to a delinquency penalty of $150.00 in addition to the renewal fee and the May delinquency penalty. A CPNC shall not be renewed after June 30; however, the director of the department of public works (or his designee) at his discretion may make an exception for good cause shown by the CPNC holder. The request for an exception must be in writing before July 1 and if granted is subject to a delinquency penalty of $50.00 per month beginning in the month of July. This delinquency penalty shall be in addition to the fees and penalties outlined above.

(4) *Revocation of certificates of public necessity and convenience (CPNC).* A certificate of public necessity and convenience (CPNC) that is not renewed by June 30 is suspended. A CPNC shall be revoked if a renewal is not submitted in April, May, or June, or within the extended time period granted by the director or the designee.

(5) *Extension for acquiring a vehicle and fee.* Compliance with the requirement that a certificate of public necessity and

convenience (CPNC) holder must have a vehicle in service may be extended for a period of time by the director of the department of public works (or his designee) for good cause. The first extended time period is limited to a maximum of 90 days. Additional extensions may be granted but the aggregate of such extensions is limited to a maximum of one year. There is no fee for the first extension. Additional extensions are subject to a fee of $50.00 per month. If a vehicle is not placed into service within the extended time period granted by the director or the designee, the CPNC shall be revoked.

(Code 1956, § 12-45(c); M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 24962, § 1, 7-26-12; M.C.S., Ord. No. 26306, § 1, 3-26-15; M.C.S., Ord. No. 27638, § 1, 1-11-18; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-187.5. Courtesy vehicles.

(a) The director of public works is hereby authorized, subject to the conditions of this section, to issue not more than 75 courtesy vehicle certificates of public necessity and convenience. Such courtesy vehicle certificates of public necessity and convenience shall not be issued for passenger buses as defined in subsection (i) below, except as provided therein. A vehicle or operator using a courtesy vehicle certificate of public necessity and convenience shall not in any manner provide transportation for hire. All courtesy vehicle CPNC's shall be nontransferable. Any courtesy vehicle CPNC which is refused renewal and/or revoked shall be returned to the director of public works.

(b) (1) Any entity providing overnight lodging may provide courtesy vehicles for the benefit of its patrons and employees only upon application for and receipt of a courtesy vehicle CPNC, according to the schedule set forth below, provided:

a. Courtesy vehicle passengers are patrons of the CPNC holder's business, as operating under the current occupational license as disclosed in the courtesy vehicle CPNC application;

b. The point of origin of any trip by a courtesy vehicle is located within Orleans Parish, except that the point of origin of any trip by a luxury sedan courtesy vehicle is located in Orleans Parish or at the New Orleans International Airport;

c. The courtesy vehicle driver is an employee of the entity offering the service and is properly licensed by the director of public works; and

d. Entity providing the courtesy vehicle service does not receive remuneration from any entity or source for the provisions of such service.

(2) Any licensed gaming entity, as defined herein, shall not own or operate any CPNC or be granted any courtesy vehicle certificates of public necessity. For purposes of this section, "licensed gaming entity" is defined as an entity licensed to conduct gaming operations pursuant to R.S. 27:1, et seq., or chapter 10 of title 4 of the Louisiana Revised Statutes of 1950, as amended. Notwithstanding the foregoing or any other law to the contrary, the casino operator of the "official gaming establishment", as defined in R.S. 205(26) and further described in R.S. 27:241, may obtain courtesy vehicle certificates of public necessity for the operation of a total of two courtesy limousines and one courtesy bus in the aggregate.

(3) Any commercial entity not included in subsections (1) and (2) above may apply to the director of the department of public works for a waiver from the provisions of this section. The director of the department of public works shall provide the applicant with a decision, within five calendar days, as to whether or not the waiver from the provision of this section should be granted in the best interest of providing safe and reliable public transportation in the city. The director of

the department of public works shall provide a written report to the city council every seven calendar days, relative to the disposition of all requests for such a waiver. The city council shall approve, modify or deny, within 30 calendar days, the director of public works' decision on each waiver.

(c) All courtesy vehicles operating under a courtesy vehicle CPNC issued pursuant to this section shall bear an external sign which clearly and conspicuously provides the name, address and telephone number of the entity providing the courtesy vehicle service.

(d) The driver of each courtesy vehicle operating under a courtesy vehicle CPNC issued pursuant to this section shall keep a trip report, showing on the upper part the CPNC and vehicle registrations certificate number, driver's permit number, name of driver, time on duty, time off duty and the date. Such trip report shall be filled out for each engagement including the time and point of destination. All entries shall be made legibly, and the trip report shall be signed by the driver, who shall preserve them for a period of not less than 90 days.

(e) All courtesy vehicle CPNCs shall be issued in accordance with the following schedule:

Entity	*Maximum Certificates*
Hotel, motel, bed and breakfast, time-share solicitation and any other entity providing overnight lodging for the public having a capacity of 400 rooms or less	One
Hotel, motel, bed and breakfast, time-share solicitation and any other entity providing overnight lodging for the public having a capacity greater than 400 rooms	Two

(f) Each applicant for a courtesy vehicle CPNC must provide to the director of the department of public works proof of ownership of the vehicle to be operated as a courtesy vehicle.

(g) Each applicant for a courtesy vehicle CPNC must provide to the director of the department of public works a copy of the most current occupational license held by the applicant.

(h) The fees charged by the department of public works for courtesy vehicle CPNC's are as follows:

(1) *Initial license* $300.00

(2) *Annual renewal* 300.00

(3) *Delinquency penalty.* A certificate of public necessity and convenience (CPNC) for courtesy vehicles expires on March 31 of each year and must be renewed within the month following expiration (April) for a fee of $300.00. A CPNC renewal that is submitted in the month of May is subject to a delinquency penalty of $150.00 in addition to the renewal fee of $300.00. A CPNC renewal that is submitted in the month of June is subject to a delinquency penalty of $150.00 in addition to the renewal fee and the May delinquency penalty. A CPNC shall not be renewed after June 30; however, the director of the department of public works (or his designee) at his discretion may make an exception for good cause shown by the CPNC holder. The request for an exception must be in writing before July 1 and if granted is subject to a delinquency penalty of $50.00 per month beginning in the month of July. This delinquency penalty shall be in addition to the fees and penalties outlined above.

(4) *Revocation of certificates of public necessity and convenience (CPNC).* A certificate of public necessity and convenience (CPNC) that is not renewed by June 30 is suspended. A CPNC shall be revoked if a renewal is not submitted in April, May, or June, or within the extended time period granted by the director or the designee.

(5) *Extension for acquiring a vehicle and fee.* Compliance with the requirement that a certificate of public necessity and convenience (CPNC) holder must have a vehicle in service may be extended for a period of time by the director of the department of public works (or his designee) for good cause. The first extended time period is limited to a

maximum of 90 days. Additional extensions may be granted but the aggregate of such extensions is limited to a maximum of one year. There is no fee for the first extension. Additional extensions are subject to a fee of $50.00 per month. If a vehicle is not placed into service within the extended time period granted by the director or the designee, the CPNC shall be revoked.

(i) Any passenger bus, as defined herein, being operated as a courtesy vehicle for a continuous period of six months immediately prior to the effective date of this section by the Hyatt Regency or The Radisson (formerly the Clarion) Hotels shall not be subject to the limitations contained in the provisions of subsections (a) and (e), provided that the respective entity applies for a courtesy vehicle CPNC for such vehicle under this exception within 15 days of the effective date of this section. The courtesy vehicle CPNC holder shall be bound by all other provisions of this chapter. For purposes of this section, a passenger bus is defined as any vehicle with a capacity of not less than 12 passengers and not more than 52 passengers. The passenger buses provided for in this section may only transport passengers from one point of origin to two points of destination, provided that one of the three points is the CPNC holder's place of business listed under the current occupation license provided to the director of public works in its courtesy vehicle CPNC application and each of the designated points of destination have been filed with the director of the department of public works.

(j) Any vehicle, other than a passenger bus as defined in subsection (i) being operated as a courtesy vehicle by the hotel/motel industry for a continuous period of six months immediately prior to the effective date of this section shall not be subject to the limitations of subsection (e), provided that the owner apply for a courtesy vehicle CPNC for such vehicle(s) under this exception within 15 days of the effective date of this section. If any entity receiving courtesy vehicles CPNC's pursuant to this section exceeds the maximum number allowed by subsection (e), such entity shall not be eligible for additional courtesy vehicle CPNC. The CPNC issued pursuant to this part shall be included in the limitation contained in subsection (a) and shall be subject to all other provisions of this chapter.

(k) The director of the department of public works may submit a review and further recommendations to the ground transportation committee after 90 days from the effective date of this section.

(M.C.S., Ord. No. 17,164, § 1, 9-7-95; Ord. No. 20,515, § 5, 1-17-02; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 26306, § 1, 3-26-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-188. Bus and limousine.

A CPNC shall be issued for buses or limousines only after a written application is filed with the department of public works, a public hearing is convened, due notice is given to the applicant as well as to all competing companies stating that they might appear as intervenors, and a finding is reached by the director of the department of public works that public convenience and necessity require the issuance of a certificate to the applicant. This section shall not apply to an applicant for a CPNC for a school bus.

(Code 1956, § 12-72; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. 27992, § 1, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-189. Limousines.

(a) All applicants for certificates of public necessity and convenience for limousines shall serve and maintain a fidelity bond in the amount of $10,000.00, and evidence of such bond shall be provided upon application or renewal of such certificate.

(b) Stretch limousines are luxurious for-hire vehicles that meet the manufacturer's specifications for luxury limousines designed with a capacity for six to nine passengers or less, including the driver, whereby all passengers are seated behind the driver, and no door exists at the rear of the vehicle that is designed to allow passenger entry or exit. Luxurious is considered a high-end, quality, spacious vehicle, as determined by the director. Generally, limousines may include luxury sedans, luxury Sports Utility Vehicles

(SUV), luxury Sprinter Passenger Vans and luxury mini-buses, but in no event shall a luxury sedan, luxury SUV, luxury Sprinter Passenger Van or luxury mini-bus be considered a stretch limousine for purposes of initial CPNC issuance and maintenance thereof.

(1) Luxury sedans shall mean any of the four-door-sedan-type automobiles with a seating capacity of not more than six, including the driver (e.g., - Lincoln Town Car). The model year of such luxury sedan limousine shall be no more than two years older than the calendar year of the initial application.

(2) Luxury sport utility vehicles shall mean any of the four-door-SUV-type automobiles, with a seating capacity of not more than eight, including the driver (e.g., - Cadillac Escalade and Lincoln Navigator). The model year of such luxury SUV limousine shall be no more than two years older than the calendar year of the initial application.

(3) Luxury sprinter vans shall have a seating capacity of not more than 12, including the driver (e.g., Mercedes-Benz Sprinter Van).

(4) Luxury mini-bus shall have a seating capacity of greater than 16, including the driver.

(c) The director of the department of public works shall have the administrative authority to approve the type of limousine, and the colors shall be restricted to white, black, gray or dark blue.

(d) (1) *Delinquency penalty.* A certificate of public necessity and convenience (CPNC) for limousines, sightseeing, airport shuttle, general charter, or special charter vehicles expires on June 30 of each year and must be renewed within the month following expiration (July) for a fee of $150.00. A CPNC renewal that is submitted in the month of August is subject to a delinquency penalty of $150.00 in addition to the renewal fee of $150.00. A CPNC renewal that is submitted in the month of September is subject to a delinquency penalty of $150.00 in addition to the renewal fee and the August delinquency penalty. A CPNC shall not be renewed after August 31; however, the director of the department of public works (or his designee) at his discretion may make an exception for good cause shown by the CPNC holder. The request for an exception must be in writing before October 1 and if granted is subject to a delinquency penalty of $50.00 per month beginning in the month of October. This delinquency penalty shall be in addition to the fees and penalties outlined above.

(2) *Revocation of certificates of public necessity and convenience (CPNC).* A certificate of public necessity and convenience (CPNC) that is not renewed by September 30 is suspended. A CPNC shall be revoked if a renewal is not submitted in July, August, or September, or within the extended time period granted by the director or the designee.

(3) *Extension for acquiring a vehicle and fee.* Compliance with the requirement that a certificate of public necessity and convenience (CPNC) holder must have a vehicle in service may be extended for a period of time by the director of the department of public works (or his designee) for good cause. The first extended time period is limited to a maximum of 90 days. Additional extensions may be granted but the aggregate of such extensions is limited to a maximum of one year. There is no fee for the first extension. Additional extensions are subject to a fee of $50.00 per month. If a vehicle is not placed into service within the

extended time period granted by the director or the designee, the CPNC shall be revoked.

(Code 1956, § 12-45(d); M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 23076, § 1, 4-17-08; M.C.S., Ord. No. 24963, § 1, 7-26-12; M.C.S., Ord. No. 26003, § 1, 9-4-14; M.C.S. Ord. No. 26168, § 1, 12-4-14; M.C.S., Ord. No. 26306, § 1, 3-26-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-190. Types for buses and limousines.

A certificate of public necessity and convenience will be issued for buses, limousines or other for-hire vehicles, except taxicabs, school buses, vehicles not operated on fixed rails, vehicles upon specified routes or between fixed terminals, vehicles under one or more of the following categories:

(1) *Group tours and special sightseeing.* Includes general charter, group tours and special services of various types specifically identified by the terms of the CPNC (i.e., transportation for the handicapped, foreign language tours, etc.).

(2) *Per capita sightseeing.* Includes all services defined under subsection (1) of this section, but in addition permits sightseeing tours to be sold on an individual or per capita basis.

(3) *Limousine service.* Includes all vehicles defined pursuant to section 162-189 that are operating for prearranged hire pursuant to a limousine CPNC. Prearranged shall be arrangement directly with the livery service or through a third party (e.g., internet-based software application, guest service desk, or concierge desk), prior to pick-up, and evidenced by a properly completed trip sheet as provided in section 162-53. This provision shall not apply to wedding and funeral services. Limousine drivers shall be prohibited from picking up any passenger who attempts to hail a limousine from the public right-of-way. A violation of this provision shall subject the limousine driver to a fine of $500.00, and a driver's permit shall be subject to suspension or revocation for three or more offenses.

(4) *Airport contract limousines.* Permits service from the airport to points within the city. The number of airport CPNC's to be issued will be determined jointly by the department of public works and the aviation board considering the number of vehicles required to provide the base level of service specified in the ground transportation contract with the aviation board. Airport CPNC's will be valid for the life of the ground transportation contract and will revert to the city upon termination of that contract.

(5) *Airport delivery limousine service.* Includes limousines, except airport contract limousines which may transport passengers to but not from the New Orleans International Airport.

(6) *Special charter.* Public service commission and Interstate Commerce Commission certified bus companies are eligible for a special charter CPNC. Holders of a special charter CPNC may lease buses to tour planners and holders of per capita sightseeing CPNC's. ICC and PSC companies licensed under this section must be in full compliance with all relevant rules, regulations and requirements contained herein.

(7) *Per capita continuous loop, fixed-route sightseeing.* Includes all services defined under subsections (1) and (2) of this section, but in addition permits sightseeing tours to operate on a fixed-route with a continuous loop allowing multiple stops and points of boarding and exiting.

(Code 1956, § 12-70; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 26003, § 1, 9-4-14; M.C.S., Ord. No. 27735, § 1, 4-19-18; M.C.S., Ord. 27992, § 1, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21; M.C.S., Ord. No. 30194, § 1, 12-19-24)

Sec. 162-191. Existing CPNC may apply for other type of license.

All existing tour bus CPNC holders (not currently conducting per capita sightseeing tours)

and van CPNC holders shall be eligible for per capita sightseeing tours (upon successful application with the department of public works); a licensed tour guide must be on board to conduct tours. Conducting transportation services (exclusive of tour) are strictly prohibited. And the penalty for violating any of the provisions of this section shall be a suspension of the per capita CPNC for a duration of 90 days for the first offense, and revocation of the CPNC for the second offense.
(Code 1956, § 12-74; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21; M.C.S., Ord. No. 30194, § 1, 12-19-24)

Sec. 162-192. Existing CPNC holders.

All existing holders of CPNC's at the time of the enactment of the ordinance from which this chapter was derived will be issued new CPNC's in accordance with the type of business they were presently conducting.
(Code 1956, § 12-73)

Sec. 162-193. Applications by business entities.

If the applicant is a corporation, association or partnership, all of the partners or the principal officers of the organization and the person actually exercising the executive direction of the organization shall be required to submit applications individually. All of the provisions applicable to individuals shall apply to and be required of such principal partners or officers, and the failure of any of them to meet such requirements shall be grounds to deny the application of such corporation, association or partnership. When the applicant for a CPNC is an out-of-state corporation, association, or partnership, a designated local general manager responsible for the day-to-day operations of the organization shall be required to submit an application personally. Failure of the designated local general manager to meet such requirements shall be grounds to deny the application of such out-of-state corporation, association, or partnership.
(Code 1956, § 12-46; M.C.S., Ord. No. 24673, § 3, 11-17-11; M.C.S., Ord. No. 28241, § 1, 11-21-19)

Sec. 162-194. Report of change of officers.

All changes of officers who have submitted applications for a taxicab or for-hire vehicle certificate shall be reported to the ground transportation bureau within ten working days of such change, and such new officers, partners or other executive managing personnel shall individually file applications within that time. The failure to certify within such time or to possess the qualifications required of individuals under this article shall be cause for the suspension of all permits held by such corporation, association or partnership.
(Code 1956, § 12-47; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-195. Fees.

The department of public works shall charge the following fees for taxicab and for-hire vehicle CPNC and driver's permits. The fees shall be assessed in addition to any other fees charged in any other provision of this chapter.

(1)	All inspection, re-inspection, and change of equipment fees for CPNC vehicles are		$50.00
(2)	Special charter fees.		
	a.	Daily	10.00
	b.	Weekly	50.00
(3)	Temporary special event and special need CPNCs, daily		20.00
(4)	Driver's permit fees.		
	a.	Initial permit	40.00
	b.	Renewal permit	40.00
	c.	Change of company affiliation/duplicate permit	20.00

(Code 1956, § 12-98; M.C.S., Ord. No. 24844, § 1, 4-19-12; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-196. Per capita continuous loop sightseeing CPNC.

A minimum of six buses, each capable of holding no less than 30 passengers, are required

for the issuance of a continuous loop sightseeing CPNC with no less than three busses operating on the loop at all times.

(M.C.S., Ord. No. 27735, § 1, 4-19-18)

Editor's note—Prior to reenactment by M.C.S., Ord. No. 27735, § 1, adopted April 19, 2018, M.C.S., Ord. No. 24960, adopted July 26, 2012, repealed § 162-196, which pertained to fee exemptions and derived from Code 1956, § 12-99; M.C.S., Ord. No. 21480, § 5, adopted April 1, 2004.

Sec. 162-197. Temporary certificates for special events.

The director of the department of public works is hereby authorized to issue temporary CPNC's for special events and special needs declared by the city council or for special needs declared by the mayor or the mayor's authorized designee subject to the following restrictions:

(1) The temporary CPNC will be valid beginning at 12:00 noon on the day prior to the declared special event or special need and will end at 12:00 noon the day following the special event or special need.

(2) Certificates shall only be issued for vehicles that are properly licensed, registered, insured, in compliance with all applicable inspections standards, and any other standards that the bureau may require.

(3) Operators of such licensed vehicles shall themselves be properly licensed to drive such vehicles.

(4) All fees and charges for temporary certificates issued under this section shall be as outlined in section 162-195.

(Code 1956, § 12-71; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 24845, § 1, 4-19-12; M.C.S., Ord. No. 26288, § 1, 3-12-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-198. Emergency zone certificate.

The director of the department of public works is hereby authorized and requested to issue emergency zone certificates of public necessity and convenience (CPNC) for the operation of taxicabs upon designated zone routes.

(1) Emergency zone routes are as follows: Broad Street, Broadway Street, Canal Street, Carrollton Avenue, Chef Menteur Highway, Desire Street, Downman Road, Elysian Fields Avenue, Esplanade Avenue, Franklin Avenue, Freret Street, Galvez Street, Gentilly Boulevard, Haynes Boulevard, Jackson Avenue, Louisa Street, Louisiana Avenue, Magazine Street, Melpomene Street, Morrison Road, Napoleon Avenue, Nashville Avenue, North Claiborne Avenue, Orleans Avenue, Palmetto Street, Rampart Street, Read Boulevard, Robert E. Lee Boulevard, St. Bernard Street, St. Charles Street, St. Charles Avenue, St. Claude Street, St. Claude Avenue, South Claiborne Avenue, State Street, Tchoupitoulas Street, Tulane Avenue, and Washington Avenue, and on such other public streets as shall be designated in writing by the director of the department of public works.

(2) Permits shall be issued only to valid CPNC holders.

(3) Permits shall be issued free of charge.

(4) The fare along each emergency zone shall be $0.50 per person to any intersecting emergency zone.

(5) All applicable provisions of this chapter shall be complied with prior to the issuance of the emergency zone certificate and after the recall of the certificate.

(Code 1956, § 12-90.2; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-199. Business office; agent for service.

All CPNC holders, except special charter CPNC holders, must maintain a business office with a telephone number in the parish. All holders shall notify the department of public works of the name and address of its representative to receive service of process. If the holder is a corporation, the corporation shall inform the

department of public works of its registered agent for service of process in conformity with the provisions in La. C.C.P. Article 1261.
(Code 1956, § 12-77; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-200. Accessible taxicab (AT).

(1) The director of public works is hereby authorized to issue nontransferable certificates of public necessity and convenience for accessible taxis (AT). The AT Certificates of Public Necessity and Convenience (CPNC) shall not be transferred, leased, sold, or donated. In the event of a sale of a company possessing an AT CPNC, the purchaser must apply for the applicable permits as set forth in this article.

(2) All accessible taxicabs must comply with guidelines set forth in the ADA (Americans with Disabilities Act).

(3) Any vehicle which has been modified or custom-built must be fully compliant with all relevant FMVSS (Federal Motor Vehicle Safety Standards) requirements. The manufacturer or modifier will provide, upon request, certified engineering test reports to show compliance with FMVSS.

(4) The City of New Orleans may revoke an AT CPNC for cause. Cause for revocation of an AT CPNC includes, but is not limited to, citizen complaints, a substandard level of service, or unauthorized or excessive billing. Also, an AT CPNC may be revoked should the vehicle for which the AT CPNC was issued cease operation as an ADA compliant accessible taxicab. Furthermore, AT drivers shall grant priority to requests for service from people with disabilities, and wheelchair or mobility scooter users. Each AT driver shall maintain verifiable trip sheets documenting the response to each request for AT transportation and shall maintain said trip sheets in accordance with section 162-609(b).

(5) All AT CPNCs shall have an operating two-way radio. All AT CPNC vehicles shall be painted a distinct color as set forth by the ground transportation bureau and have ground transportation bureau approved labels on its exterior identifying the vehicle as wheelchair accessible. The model year of vehicles for which a new AT CPNC will be issued must be of the same year as the AT CPNC. No vehicle for which an AT CPNC has been issued may be operated when the model year of said vehicle is greater than eight model years old. An additional three model years may be granted for alternative fuel vehicles.

(6) All AT CPNC companies shall have 24 hour central dispatch. Such companies shall provide service to customers at any location in the City of New Orleans within 30 minutes from the customer's call for service.

(7) The fees charged by the department of public works for certificates of public necessity and convenience for AT CPNCs are as follows:

(a) *Initial license:* $100.00.

(b) *Annual renewal:* $100.00.

(c) *Delinquency penalty.* A certificate of public necessity and convenience (CPNC) for accessible taxicabs expires on December 31 of each year and must be renewed within the month following expiration (January) for a fee of $100.00. A CPNC renewal that is submitted in the month of February is subject to a delinquency penalty of $50.00 in addition to the renewal fee of $100.00. A CPNC renewal that is submitted in the month of March is subject to a delinquency penalty of $50.00 in addition to the renewal fee and the February delinquency penalty. A CPNC shall not be renewed after March 31; however, the director of the department of public works (or his designee) at his discretion may make an exception for good cause shown by the CPNC holder. The request for an exception must be in writing before April 1 and if granted is subject to a delinquency penalty of $50.00 per month beginning in the month of April. This delinquency penalty shall be in addition to the fees and penalties outlined above.

(d) *Revocation of certificates of public necessity and convenience (CPNC).* A certificate of public necessity and convenience

(CPNC) that is not renewed by March 31 is suspended. A CPNC shall be revoked if a renewal is not submitted in January, February, or March, or within the extended time period granted by the director or the designee.

(e) *Extension for acquiring a vehicle and fee.* Compliance with the requirement that a certificate of public necessity and convenience (CPNC) holder must have a vehicle in service may be extended for a period of time by the director of the department of public works (or his designee) for good cause. The first extended time period is limited to a maximum of 90 days. Additional extensions may be granted but the aggregate of such extensions is limited to a maximum of three years. There is no fee for the first extension. Additional extensions are subject to a fee of $25.00 per month. If a vehicle is not placed into service within the extended time period granted by the director or the designee, the CPNC shall be revoked.

(M.C.S., Ord. No. 16,880, § 1(12-45f), 2-2-95; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 24665, § 2, 11-3-11; M.C.S., Ord. No. 24876, § 2, 6-7-12; M.C.S., Ord. No. 26306, § 1, 3-26-15; M.C.S., Ord. No. 26591, § 1, 9-17-15; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28241, § 1, 11-21-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-201. AT CPNC holder and driver requirements.

(a) AT CPNC holders and vehicle operators shall provide service to passengers with disabilities or in wheelchairs before any other passengers and shall not accept any other fare while in route to a service call by a customer who is a person with disabilities or in a wheelchair.

(b) AT CPNC holders and vehicle operators must successfully complete a department of public works approved training program for the needs of passengers in wheelchairs and other persons with disabilities. Such training shall include, but not be limited to, loading and tie-down procedures and door-to-door service. AT vehicle operators shall also be certified in First Aid and CPR.

(c) Eligibility for AT CPNC Holders.

(1) Each application shall be investigated by the bureau to determine the applicant's eligibility pursuant to the factors listed herein. In determining whether the permit should be granted the department may consider such facts as it deems pertinent, but shall at least consider the following factors:

i. The applicant's compliance with all applicable statutes, ordinances, and regulations. If, during the five years prior to application, an applicant has violated any statute, ordinance or regulation which would be a basis for revocation of the AT CPNC or driver's permit, the department may, in its discretion, refuse to issue the permit.

ii. The record of the applicant regarding any other permits issued for the commercial operation of a motor vehicle for the transport of passengers in the city or elsewhere.

(2) The AT CPNC holder shall require any vehicle operator of such AT CPNC vehicle to satisfactorily complete training for operation of an accessible taxi in compliance with department requirements.

(3) No individual or entity may have any financial or beneficial interest in more than ten AT CPNCs.

(d) Minimum qualifications for AT CPNC operators.

(1) All applicants for an AT CPNC operator's permit must have satisfactorily completed training for operation of an accessible taxi in compliance with department requirements.

(2) All applicants for AT CPNC operator's permits must meet or exceed both the moving accident and driver violation conviction standards described below.

i. Applicants shall not have more than two moving traffic accidents, in

which the applicant was at fault, within the five years preceding the date of his application for an AT CPNC operator's permit. Applicants shall not have more than one vehicle moving traffic accident within two years preceding the date of the application for an AT CPNC operator's permit. However, any moving traffic accidents within the five years immediately preceding the date of application that result in a serious injury or fatality shall disqualify an individual applicant.

ii. Applicants shall not have more than two moving traffic violation convictions within five years preceding the date of his application for an AT CPNC operator's permit. Applicants shall not have more than one moving traffic violation conviction within two years preceding the date of the application for an AT CPNC operator's permit.

(3) All applicants for an AT CPNC operator's permit must meet or exceed both the following "notice of violation" and "passenger complaint" standards.

i. Applicants shall not have more than two sustained violations of the municipal code relative to operation of a taxicab or for-hire vehicle within the five years preceding the date of the application for an AT CPNC operator's permit. Applicants shall not have more than one violation of the municipal code relative to operation of a taxicab or for-hire vehicle within the two years preceding the date of the application for an AT CPNC operator's permit. A notice of violation that is appealed at a taxicab hearing and withdrawn will not be counted.

ii. Applicants shall not have more than two passenger complaints within the five years preceding the date of the application for an AT CPNC operator's permit. Applicants shall not have more than one passenger complaint within the two years preceding the date of the application for an AT CPNC operator's permit. Passenger complaints will be counted if they are determined to be credible after investigation by department.

(e) Narcotics tests and mandatory revocation for use of narcotics. Each applicant for an AT CPNC and/or AT CPNC operator's permit shall be drug tested in the manner set forth in section 162-247 of this chapter.
(M.C.S., Ord. No. 24859, § 1, 4-19-12; M.C.S., Ord. No. 26392, § 1, 5-7-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-202. AT vehicle requirements.

(a) The vehicle model of an AT CPNC shall be approved after a review by the Mayor's Advisory Council for Citizens with Disabilities.

(b) Any vehicle which has been modified or custom-built must be fully compliant with all applicable FMVSS requirements. The manufacturer or modifier shall provide, upon request, certified engineering test reports to demonstrate compliance with FMVSS.

(c) All AT vehicles shall be equipped with credit/debit card acceptance machines. Further, such credit/debit card acceptance machines are subject to the following regulations.

(1) The passenger shall have the ability to swipe his/her own credit or debit card.

(2) A Payment Card Industry Data Security Standard (PCI DSS) compliant Passenger Information Monitor (PIM) must be installed in all accessible taxicabs, and shall be integrated directly to the taximeter by means of a hard wire connection.

a. The PIM must communicate wirelessly to obtain approvals for credit and debit card transactions. The system shall provide communication back to the taxicab within ten seconds.

(3) All PIMS must be bolted to the head rest or in an area approved by the bureau in the passenger compartment.

(4) The system must provide a printed receipt for every credit or debit card transaction. Hand written receipts not allowed.

(5) Taximeters shall dispense a receipt with following information:

a. CPNC number;

b. Driver ID;

c. Trip ID;

d. Distance of trip;

e. Date of trip;

f. Time of trip;

g. Fare charges;

h. Extra charges;

i. Total charges;

j. Taxicab Company Name and Phone Number; and

k. The words "Ground Transportation Bureau. For compliments or concerns, please call 504-658-7176."

(6) The bureau shall prescribe the requirements for the use of an electronic version of a daily trip sheet and be granted unlimited access to all electronic information contained therein.

(7) A GPS receiver is required for the credit card system.

(8) Drivers must be able to sign into the taxicab meter using either a unique identifying number or biometrics.

(d) All AT vehicles shall be equipped with a security camera system.

(1) Any security system installed in an AT vehicle must meet or exceed the technical specifications set forth below.

a. Be 100 percent solid state design;

b. Be tamperproof and not operate with an "on/off" switch;

c. Have system protections to ensure against voltage irregularities and power failures;

d. Use non-volatile flash memory and record images using a first-in, first-out methodology, with an overwrite-protected memory for emergency events that cannot be overwritten;

e. Be impact and shock resistant;

f. Clearly record images in all lighting conditions, including bright sunshine, shade, darkness, total darkness, and when strong backlighting is present;

g. Mark each image with the date, time, and vehicle number, and serial number of the camera;

h. Be stored as or convertible to standard digital image formats;

i. Must have a field of vision to capture all of the occupants of the vehicle;

j. Be installed so that it will not interfere with the driver's field of vision or impede the use of any of the vehicle's mirrors;

k. Must have all lead-free components.

l. Must have 1 GB memory;

m. Must record images at a resolution of at least 640 × 368 pixels;

n. Must have image recording triggers:

i. Still image recording must by triggered by any vehicle door opening. Upon the trigger, still images must be recorded a rate of one image every five seconds for 60 seconds, followed by one image every 15 seconds.

ii. Video images must be recorded on a looping basis, and image storage must by triggered by any vehicle door opening. Upon the trigger, video images must be recorded for 60 seconds prior to the door opening and 60 seconds after the door is closed;

iii. In an emergency-trigger event, system must be able to store 2.5 minutes worth of images prior to the trigger and 2.5 minutes after the trigger in an overwrite-protected format. Still image cameras must be equipped with an emergency trigger that will record images at the rate of one image per second for 60 seconds.

(2) Signage. All vehicles equipped with a security camera system must have a decal on the passenger and driver side rear windows stating, "This vehicle is equipped with a security camera."

(3) Use of digital still or video images. Access to any recorded image of persons in a taxicab is prohibited except by the taxicabs and for-hire vehicles bureau or the New Orleans Police Department. Violation of access to images shall result in revocation of AT CPNC.

(4) Inspections. Camera systems must have the capability for inspection of the equipment that will indicate the system is functioning properly. The serial number of the camera must be readily accessible. The bureau may also inspect the viewing facilities of the owner or licensed manager and may ask for verification of viewing logs and/or all other documentation and equipment.

(5) Driver behavior modification features. For the purposes of driver education and modification of driver behavior, security camera systems shall be equipped with driver behavior modification features which collect and store data created by vehicle movement triggers such as sharp turns, sharp stops, or quick accelerations.

a. A CPNC holders or company owners may view images from outward facing cameras only.

b. Cameras recording for driver modification purposes should be positioned such that the perspective is outward and over the vehicle's hood.

c. All images must be logged electronically and the electronic log provided on a quarterly basis to the bureau.

d. The bureau may view any reports and images associated with driver behavior upon request.

(6) Procedures for security camera systems approval. Only camera systems meeting the minimum requirements and approved by the bureau may be installed.

a. Applicants must submit a request in writing and provide written technical specification of the system; and

b. Provide a demonstration of the system and all of its features to the bureau. After reviewing the technical specifications and viewing the demonstration, the bureau will respond directly to the vendor in writing within 30 days of the demonstration stating if the system meets the minimum qualifications set forth for security cameras and has been approved for use in the City of New Orleans.

(7) The equipment required by this rule shall be maintained in good working order at all times. If an AT CPNC holder changes the security camera equipment, he or she must notify the bureau within 24 hours and the vehicle will be re-inspected to ensure compliance with this section.

(8) Every AT CPNC holder shall file, on a form designated by the bureau, a detailed description of the safety features to be installed in each AT vehicle. This form shall be submitted at the time of licensing, renewal of licensing, and whenever there is a change of the safety features to be used in the cab

(9) If bureau personnel or a New Orleans Police Department official requests access

to any record produced by the digital security camera systems to assist in the investigation of any complaint or crime, the taxicab company must provide access to the record within 24 hours. Records may only be accessed by bureau personnel or a New Orleans Police Department official, and only when a bureau complaint number or police complaint number has been generated.

(10) It shall be unlawful for any AT CPNC holder, taxicab company, or driver to allow any person to intentionally access any records produced by the security camera systems. Violation of this section shall be grounds for revocation of driver's permit and AT CPNC.

(11) It shall be unlawful for any AT vehicle driver to cover, tamper with, damage, disturb, remove or disable a digital security camera system in a taxicab. Violation of this section shall be grounds for revocation of driver's permit and AT CPNC.

(12) All AT vehicles shall be equipped with silent alarm feature to notify dispatch of danger.

(e) Insurance. The holder of an AT CPNC shall maintain liability insurance in accordance with section 162-287.

(f) Radio. Any AT vehicle must be equipped with a mobile radio or computerized communication system. Such systems must be in contact with a central dispatching facility at all times.

(g) Trips sheets.

(1) At the beginning of each period of duty the driver shall record on the driver's trip sheet:

a. The driver's name and the number of the taxicab;

b. The time at which the driver began the period of duty by means of a time clock provided by the certificate holder;

c. The meter readings for total miles, paid miles, trips, units, extra passengers and extra charges; and

d. The odometer reading of the taxicab.

(2) During each period of duty the driver shall record on the driver's trip sheet:

a. The time, place of origin and destination of each trip; and

b. The number of passengers and amount of fare for each trip.

(3) At the end of each period of duty the driver shall record on the driver's trip sheet:

a. The time at which the driver ended the period of duty.

b. The meter readings for total miles, paid miles, trips, units and extra passengers; and

c. The odometer reading of the taxicab. A certificate holder shall furnish a trip sheet form for each taxicab operated by a driver during the driver's period of duty.

(4) AT CPNC holder shall retain all trip sheets of all drivers in a safe place for a period of three years immediately succeeding December 31st of the year to which they respectively pertain and shall make such manifests available for inspection by the Bureau upon reasonable demand.

(5) Falsifying trip sheets shall be grounds for revocation of an AT driver's permit and an AT CPNC.

(h) Information to be displayed on AT vehicles. All AT vehicles shall have affixed to the following:

(1) AT CPNC number, affixed by means of permanent, nonmagnetic decals to the front left hood, the rear right trunk lid and each front fender, at least five inches in height, news gothic bold in style, with a width of at least three-eighths of an inch in a color that is most prominent against the background color. Name of

the AT CPNC holder in the correct area on each front fender at least two inches in height, in a bureau approved font with a width of at least three-eighths of an inch in a color that is most prominent against the background color.

(2) Name of company, painted or permanently affixed by decal, according to specifications provided by the director, to the right and left front doors.

(3) Schedule of rates, painted or permanently affixed by decal to the left and right rear doors.

(4) Schedule of rates; identifying information. Each taxicab shall have a schedule of passenger rights, [section] 162-455, affixed to the rear of both front seats a device, approved by the bureau, which shall hold a color photocopy of the driver's permit and the passenger's rights information.

(5) Logo and identification scheme. Each company shall submit to the bureau a company logo and identification scheme which shall not be the same or similar to any other and which within ten days shall be approved or rejected. Upon approval, the company logo and identification scheme shall be affixed to each AT vehicle. The logo and identification scheme shall be affixed to the left and right front doors and any other part of the vehicle, if applicable, and shall not be less than 12 inches in height, but not greater than 24 inches in height.

(6) Top lights.

a. Except for vehicles that have received an exterior advertising permit for a roof-top advertising display device, all AT vehicles shall be equipped with a top light permanently affixed to the exterior roof of the taxicab. The top light shall consist of three sections. The central section shall be inscripted in plain block numbers indicating the CPNC number of the accessible taxicab to which the top light is affixed. The left and right sections shall be identical to each other and shall display the words "off duty".

b. The top light, when lit, must be visible at 300 feet in normal sunlight.

c. The top light shall be installed and maintained in such manner that the top light will automatically be lit when the taximeter is not activated and the top light will automatically be unlit when the taximeter is activated. Each taxicab must be equipped with a driver-operable switch that will enable the driver to manually turn on and off the top light to display "off duty".

d. Prohibited items. No bumper stickers, or stickers other than those identifying markings approved by the bureau, shall be placed on the body of an AT vehicle. No advertising shall be allowed on the body of any AT vehicles.

(7) All AT vehicles will have an accessibility symbol affixed to them as prescribed by the bureau.

DIVISION 3. DENIAL, REVOCATION OR SUSPENSION

Sec. 162-241. Permanent disqualification for certain offenses.

(a) Applicants for a driver's permit, or a renewal thereof shall never have been convicted of, or plead guilty to, anywhere under the laws of this state or any other state or of the United States any aggravated offense defined in R.S. 15:541 or murder.

(b) If an applicant for a new or renewal of a driver's permit has been arrested or charged with any offense enumerated in this section, consideration of the application shall be suspended until a conviction or dismissal is rendered. If after being charged, there is a judicial determination of no probable cause for the arrest, the suspension shall immediately cease. Upon conviction of an enumerated offense, the driver's permit shall be revoked.

(c) An arrest for any of the offenses listed in paragraph (a) above shall be grounds for an immediate interim suspension of an existing driver's permit. If after being charged, there is a judicial determination of no probable cause for the arrest, the suspension shall immediately cease. Upon conviction of an enumerated offense, the driver's permit shall be revoked.

(d) Any holder of a driver's permit or applicant for a new or renewed driver's permit or must notify the bureau in writing of any arrest, charge, or conviction of a crime within 15 days of receiving any such arrest, charge, or conviction. If the applicant or permit holder is incarcerated during this period, they shall notify the bureau

immediately upon release. Subsequently, they shall deliver to the bureau a certified copy of any order, judgment, or certificate of disposition issued by the clerk of the court within 15 days of disposition or sentencing.
(Code 1956, § 12-49; M.C.S., Ord. No. 25357, § 1, 6-20-13, eff. 6-30-13; M.C.S., Ord. No. 26596, § 1, 10-1-15; M.C.S., Ord. No. 27757, § 1, 5-3-18)

Sec. 162-242. Prescription for certain offenses.

(a) Applicants for a driver's permit or renewal thereof shall not have been convicted of, or plead guilty to, any felony other than those listed in section 162-241, within five years of the date of filing an application.

(b) Applicants for a driver's permit or renewal thereof shall not have been convicted of, or plead guilty to, any offense or equivalent offense of pandering, prostitution, soliciting for prostitution, or distribution of a controlled dangerous substance, as set forth in R.S. 40:961, et seq., within three years of the date of filing an application.

(c) Applicants for a driver's permit or renewal thereof shall not have been convicted of, or plead guilty to, the offense or equivalent offense of illegal possession or use of a controlled dangerous substance, as set forth in R.S. 40:961, et seq., within one year of the date of filing an application..

(d) Applicants for a driver's permit or renewal thereof shall not have been convicted of, or plead guilty to, any offense under the laws of this state or any other state or of the United States for the offense or equivalent offense of operating a vehicle while intoxicated within five years of the date of filing the application, or have more than three moving violations within a single calendar year.

(e) An applicant for a driver's permit shall not have been convicted of two or more felony offenses, in the last ten years, which stem from separate incidents.

(f) If an applicant for a new driver's permit has been arrested or charged with any offense enumerated in this section, consideration of the application shall be suspended until a conviction or dismissal is rendered. If after being charged, there is a judicial determination of no probable cause for the arrest, the suspension shall immediately cease. Upon conviction, the driver's permit shall be revoked.

(g) An arrest for any of the offenses listed in sections (a), (b), or (d) of this section shall be grounds for an immediate interim suspension or non-renewal of an existing driver's permit. If after being charged, there is a judicial determination of no probable cause for the arrest, the suspension shall immediately cease.

(1) Upon conviction for any of the offenses listed in this section the driver's permit shall be revoked.

(h) Any holder of a driver's permit or applicant for a new or renewed driver's permits must notify the bureau in writing of any arrest, charge, or conviction for any of the offenses listed in sections (a), (b), or (d) of this section within 15 days of receiving any such arrest, charge or conviction. If the applicant or permit holder is incarcerated during this period, they shall notify the bureau immediately upon release. Subsequently, they shall deliver to the bureau a certified copy of any order, judgment, or certificate of disposition issued by the clerk of the court within 15 days of disposition or sentencing.

(i) Any holder of a driver's permit or applicant for a new or renewed driver's permit or who was convicted of or plead guilty to any of the offenses listed herein whose record has been officially expunged for said offense(s) is eligible for a drivers permit.
(Code 1956, § 12-50; M.C.S., Ord. No. 24747, § 1, 2-16-12; M.C.S., Ord. No. 25356, § 1, 6-20-13, eff. 6-30-13; M.C.S., Ord. No. 26596, § 1, 10-1-15; M.C.S., Ord. No. 27757, § 1, 5-3-18)

Sec. 162-243. Specific causes for suspension or revocation.

(a) The director of the department of public works or a duly designated agent is hereby given authority to suspend for a period not exceeding 90 days or revoke, pursuant to the applicable

procedure, any driver's permit or CPNC for due cause whenever such party has to his discredit one of the following:

(1) Conviction in any court for violating any of the disqualifying provisions of this article;

(2) Finding by the director of the department of public works, after administrative hearings as set out hereinafter, that the holder of the permit or CPNC has failed to comply with the provisions of this chapter;

(3) A combination of convictions in any court and/or suspensions totaling five within one year;

(4) Operation of a vehicle regulated by the provisions of this article when the operator's permit is under suspension;

(5) Investigation by the supervisor of the ground transportation bureau revealing that the permit holder falsified or concealed information which would have disqualified such applicant as a recipient of a permit under this chapter.

(b) A driver's permit shall also be suspended or revoked for due cause whenever the party has to his discredit one of the following:

(1) Conviction in any court for drunken driving; or

(2) Five or more moving violation convictions of the traffic division of this Code or three or more convictions of moving violations within a period of 12 months.

(Code 1956, § 12-52; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-244. Exception provided for honorable discharge from military.

Where an applicant for a driver's permit or CPNC has been honorably discharged from the armed forces of the United States with a minimum of not less than one year's service, the disqualifications set forth in section 162-242 shall not apply to the period prior to such service, but offenses or convictions occurring subsequent to such discharge shall be applicable.

(Code 1956, § 12-51)

Sec. 162-245. Law enforcement to check applicant's record.

(a) The name, photograph, and fingerprints of all applicants for driver permits shall be submitted to a law enforcement agency, as authorized by the department of public works, for investigation, and a copy of the report shall be attached to the application and kept on file by the ground transportation bureau.

(b) Law enforcement agency/department investigating all applicants for driver's permits shall utilize all reasonably available federal, state and local crime enforcement networks.

(Code 1956, § 12-55; M.C.S., Ord. No. 18,700, § 2, 4-16-98; M.C.S., Ord. No. 24847, § 1, 4-19-12; M.C.S., Ord. No. 26596, § 1, 10-1-15; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-246. No addiction to intoxicating drugs.

The applicant for a driver's permit shall not be addicted to the use of intoxicating liquors and shall not use any controlled dangerous substance as set forth in R.S. 40:961, et seq., or any combination thereof, except under the supervision of a licensed physician for medical purposes and in the manner as set forth in section 162-247(e) of this article.

(Code 1956, § 12-53; M.C.S., Ord. No. 26595, § 1, 10-1-15)

Sec. 162-247. Drug tests and mandatory revocation for positive results.

(a) All applicants for a new or renewed driver's permit shall be required to take a drug test, at his or her expense, at a drug testing facility approved by the department of public works.

(b) The director of the department of public works may periodically require the holder of any driver's permit issued under this article to take

additional random drug tests to determine if such holder or driver uses any controlled dangerous substance as set forth in R.S. 40:961, et seq.

(c) Upon being involved in an accident in a vehicle for hire, the operator of the vehicle for hire at the time of the accident must submit to drug testing within 48-hours of the accident.

(d) Should any drug test prove positive for a controlled dangerous substance as set forth in R.S. 40:961, et seq., or any combination thereof, the driver's permit shall be summarily suspended pending a full revocation hearing. Proof of a positive test at such hearing shall result in a mandatory denial of an application for or renewal of a driver's permit or revocation of an existing driver's permit, unless he is able to assert an affirmative defense under section 162-247(e) below.

(e) If a person testing positive has a valid and legal prescription for the medication for which he tested positive, such person may have an affirmative defense to revocation under the following limited circumstances. The prescription must be issued by a licensed physician, in compliance with the laws of the State of Louisiana. Further, the prescription must be accompanied by a written certification from the physician that he prescribed the medication, that the physician is familiar with the person's medical history (including drug and alcohol use and other medications), that the person has not been diagnosed with any substance abuse issue, and that the prescribed drug will not adversely affect that applicant's ability to operate a motor vehicle safely. Such affirmative defense is not applicable to any person who was issued a prescription under R.S. 40:1046.

(f) If a person testing positive has a valid and legal prescription for the medication for which he tested positive, such person may have an affirmative defense to revocation under the following limited circumstances. The prescription must be issued by a licensed physician, in compliance with the laws of the State of Louisiana. Further, the prescription must be accompanied by a written certification from the physician that he prescribed the medication, that the physician is familiar with the person's medical history (including drug and alcohol use and other medications), that the person has not been diagnosed with any substance abuse issue, and that the prescribed drug will not adversely affect that applicant's ability to operate a motor vehicle safely.

Sec. 162-248. Provisions for hearing and appeal of denial or revocation of driver's permit or CPNC.

(a) The director of the department of public works or a duly designated agent may deny or revoke the issuance of a CPNC whenever, in the exercise of reasonable and sound discretion and after giving notice and affording the applicant or holder a hearing thereon, the director shall determine that the applicant or holder is in violation of this chapter. The director shall conduct a hearing in accordance with the provisions of R.S. 49:951 et seq.

(b) If the hearing results in the denial or revocation of a CPNC, then the party involved may thereafter appeal to the Civil District Court for the Parish of Orleans within 30 working days of the decision.

(Code 1956, § 12-56; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 24724, § 2, 1-5-12; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-249. Suspension hearing.

(a) The director of the department of public works or a duly designated agent shall have the authority to suspend for not more than 90 days the CPNC or driver's permit of a holder in violation of any section of this chapter, provided that the party shall be first afforded notice of a hearing at which the holder will be permitted to present a defense, the convocation of such a hearing at the ground transportation bureau , and the written reasons for the suspension by

the supervisor of the ground transportation bureau of the department of public works in the event of a decision of suspension.

(b) If the hearing results in the suspension of a CPNC or driver's permit, the party involved may appeal to the civil district court.
(Code 1956, § 12-57; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-250. One-year prohibition against application after revocation.

No person whose CPNC or permit has been revoked, pursuant to the procedure required by this article, shall be permitted to file an application for a new permit or CPNC under this chapter within a period of 12 months after such revocation. If after such period application is made, the applicant shall have met all the requirements and qualifications provided in this chapter for original applicants. The director of the department of public works has the discretion to issue a probationary license or permit at an established fee for a period of 12 months. Such probationary license or permit shall be revocable by the director of the department of public works in the exercise of sound discretion, for any violation of the law.
(Code 1956, § 12-58; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

DIVISION 4. INSURANCE

Sec. 162-281. Liability for certificate holders.

Persons to whom CPNC's have been issued in accordance with the provisions of this article shall be liable and answerable in damages for all injuries or damages whatsoever caused directly or indirectly by the use or operation of the CPNC holder's for-hire vehicles, whether at the time of the injury or damages such for hire passenger vehicles were being used or operated by the owner, agent, servant or employee or other persons not agents, servants or employees of the holder, unless proof is shown that the vehicle was stolen.
(Code 1956, § 12-61)

Sec. 162-282. Liability coverage required.

No for-hire vehicle subject to the provisions of this chapter shall be permitted to operate on the streets of the city by any owner and/or operator until such party shall have first provided personal injury and property damage liability coverage for each such vehicle in the manner and in the amount specified hereinafter in this article. The ground transportation bureau shall maintain a continuous check of the liability coverage of each taxicab and for-hire vehicle specified in this chapter and shall not permit any such vehicle to operate without the required coverage.
(Code 1956, § 12-62; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-283. Coverage by insurance policy.

No insurance policy submitted to the ground transportation bureau to provide coverage provided by this division shall be accepted unless the same shall be written by a public insurance company authorized to do business in the state, shall be issued to such person, shall be in the amounts specified in and shall conform to all the requirements of this division, and shall not stipulate that any person who may sustain damage to their person or property resulting from such negligent operation of such vehicles, shall have their right of action on such policy as fully and to the same extent as if such policy were made and executed directly in favor of the claimant for such damages, and shall contain a clause providing ten days' notice by certified mail of expiration or cancellation to be given to the ground transportation bureau as well as to the policyholder, provided that no policy will be accepted for a shorter period than six months nor shall any policy be accepted that has an expiration date in advance of the expiration date of the CPNC applicable to the vehicle for which coverage is being provided. Such insurance written under this section may be in either an admitted company or a surplus line company certified to do business in the state, provided

that if same be written in a surplus line company, such company shall have a minimum rating with A.M. Best Company of A, Class V.
(Code 1956, § 12-63; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-284. Effectiveness of certificate.

The certificate for any and all for-hire vehicles of an owner thereof shall be effective and operation shall be permitted thereunder only so long as the insurance requirements as to such vehicle shall remain in force as therein provided.
(Code 1956, § 12-64)

Sec. 162-285. Enforcement.

The provisions of this division may be enforced by appropriate civil remedy in any court of competent jurisdiction by governmental authority or by any person having an interest affected, directly or indirectly, by any violation thereof.
(Code 1956, § 12-65)

Sec. 162-286. Revocation of vehicle license for failure to provide liability coverage.

Unless the certificate of public necessity and convenience holder furnishes the ground transportation bureau with satisfactory evidence of required legal liability coverage prior to the expiration of the first seven days of the ten-days' notice specified in this chapter, or upon the third notice of cancellation within a 12-month period, the certificate of public necessity and convenience shall be subject to revocation after a hearing held by the director of the department of public works as set forth in section 162-248.
(Code 1956, § 12-66; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-287. Coverage amounts.

Each for-hire vehicle subject to the provisions of this chapter shall be represented by a policy of liability insurance issued by an insurance company licensed to do business in the State of Louisiana. At a minimum, and in accordance with state and/or federal requirements, the policy must provide the following coverage:

(a) *Taxicabs and accessible taxicabs:* $25,000.00 to satisfy all claims for damages by reason of bodily injury to, or death of, any one person resulting from any one accident; $50,000.00 to satisfy all claims for damages by reason of body injury to, or death of, two or more persons resulting from any one accident; and $25,000.00 to satisfy all claims for damage to property resulting from any one accident, by reason of the ownership, operation, maintenance or use of such vehicle upon any street.

(b) *Non-taxicabs licensed to carry under 9 passengers:* $250,000.00 to satisfy all claims for damages by reason of bodily injury to, or death of, any one person resulting from any one accident; $500,000.00 to satisfy all claims for damages by reason of body injury to, or death of, two or more persons resulting from any one accident; and $10,000.00 to satisfy all claims for damage to property resulting from any one accident, by reason of the ownership, operation, maintenance or use of such vehicle upon any street.

(c) *Non-emergency medical transport (NEMT):* At a minimum, automobile liability insurance in the amount of $25,000.00 per person, $50,000.00 per accident, and $25,000.00 property damage is required. The liability policy shall cover any and all autos; hired autos; and non-owned autos; *or* scheduled autos; hired autos; and non-owned autos. In addition, general commercial liability insurance in the amount of $100,000.00 on the business entity is required.

(d) *Non-taxicabs licensed to carry 9 to 15 passengers:* $1,000,000.00 combined single limit for any combination of bodily injury, death, and property damage liability claims resulting from any one accident, by reason of the ownership, operation, maintenance, or use of such vehicle upon any street.

(e) *Non-taxicabs licensed to carry over 15 passengers:* $1,000,000.00 combined single limit for any combination of bodily injury, death, and property damage liability claims resulting from any one accident, by reason of the ownership, operation, maintenance, or use of such vehicle upon any street.

DIVISION 5. TRANSFER OF FOR-HIRE VEHICLE

Sec. 162-321. Prerequisites generally.

Upon the sale or transfer of any taxicab or for-hire vehicle, except for accessible taxicabs which cannot be transferred under any circumstances, consideration may be received by the vendor or transferor or other person or paid thereto by the vendee or transferee for the transfer of the permit governing such vehicle. The CPNC may be transferred provided that the following requirements are met:

(1) A written statement is submitted to the ground transportation bureau including the following information:

a. The name and address of the transferor;

b. The CPNC number and the date the vendor or transferor received same;

c. A description of the vehicle transferred to include make, body type and year the new vehicle was placed on the market;

d. The price for which the permit and the vehicle were transferred.

(2) Payment of to the bureau of transfer fees and non-refundable processing fees as described in [section] 162-324.

(3) The transferee shall submit an application for a CPNC to the bureau and shall meet all requirements for same in this chapter.

(4) The ground transportation bureau shall be provided a certified copy of a binding agreement to transfer the CPNC which shall be due and eligible upon demand by either the transferor or the transferee, on the condition that the qualifications of the transferee as a permit holder are approved by the bureau.

(5) The vehicle of the transferee shall have been inspected for approval and approved for issuance of a for-hire vehicle inspection certificate, and otherwise comply with all of the requirements of this chapter.

(6) Before any transfer may become effective, the transferor and the transferee shall apply to the director who shall approve the transfer upon the determination that the transferee meets the qualifications of a CPNC holder under this chapter. In determining whether a proposed transferee is qualified to obtain a CPNC, the director shall apply the same standards and requirements as a new applicant. No CPNC may be transferred if suspension or revocation proceedings are pending with the bureau.

(Code 1956, § 12-78; M.C.S, Ord. No. 16,880, § 2(b), 2-2-95; M.C.S., Ord. No. 24848, § 1, 4-19-12; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-322. False statements.

Any false statement made pursuant to the requirements for transfer by either party for the purpose of obtaining a CPNC or transferring a CPNC shall constitute a violation of this article and shall constitute cause for rejection of the application for transfer and may constitute cause for suspension or revocation of the CPNC.

(Code 1956, § 12-79)

Sec. 162-323. Denial.

The director of the department of public works shall not approve the transfer or reissuance of the certificate of public necessity and convenience if the vehicle fails to meet the requirements for issuance of the for-hire vehicle inspection certificate by the for-hire vehicle inspection station. Such vehicle must have satisfactorily passed inspection by the station within 15 days of the date of application for transfer of the CPNC.
(Code 1956, § 12-80; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-324. Processing fee.

Upon application for transfer or reissuance of a certificate under this division, the applicant shall pay a fee of $350.00 for the transfer to cover the administrative cost of transferring such certificate.
(Code 1956, § 12-81; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28241, § 1, 11-21-19)

ARTICLE IV. FOR-HIRE VEHICLE INSPECTIONS*

Sec. 162-376. Required.

The director of the department of public works shall cause each vehicle for which a certificate of public necessity and convenience has been issued to be inspected as prescribed in this article, unless otherwise provided in this chapter. The director of the department of public works shall make available a list of the items which shall be inspected when a vehicle is subject to inspection. When the vehicle has met all of the requirements of this article and of the for-hire vehicle inspection station, and the required fees have been paid by the licensee, the director of the department of public works shall issue a for-hire vehicle inspection certificate of such size, color and form as may be determined by the aforesaid director and shall cause same to be affixed to the windshield of the vehicle. The for-hire vehicle inspection certificate shall be identified by number. If it becomes damaged or destroyed, a duplicate shall be issued by the director of the department of public works after application has been made.
(Code 1956, § 12-83; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-377. Schedule for inspections.

(a) Every taxicab, for-hire vehicle, or courtesy vehicle for which a CPNC has been issued pursuant to the provisions of this chapter shall be submitted to the for-hire vehicle inspection station by the CPNC holder, or their authorized designee, for mechanical inspection annually.

(b) With respect to the annual inspection requirement of section (a), above, any vehicle operating as a taxicab in or after its ninth year, as provided by section 162-613, shall be subject to an annual inspection by a mechanic certified by the National Institute for Automotive Service Excellence (ASE) or by the State of Louisiana to certify that engine and transmission meet the state or ASE standards. The vehicle must pass inspection favorably each year and submit such proof to the city.
(Code 1956, § 12-85; M.C.S., Ord. No. 17,164, § 1, 9-7-95; M.C.S., Ord. No. 26289, § 2, 3-12-15; M.C.S., Ord. No. 27148, § 1, 11-3-16, eff. 1-1-17; M.C.S., Ord. No. 27180, § 1, 11-3-16; M.C.S., Ord. No. 27980, § 1, 1-10-19)

Sec. 162-378. Nonscheduled inspections.

All motor vehicles operated in accordance with the provisions of this chapter engaged in transporting passengers for hire shall at all times be subject to inspection and be maintained in a condition of mechanical fitness with respect to each element of safety as is required by the laws of this state and all regulations as may be enacted by the city council. The supervisor of the ground transportation bureau of the department of public works shall have the power and authority to require inspections from time to time, other than those herein prescribed, when same through reason and sound judgment are deemed necessary.
(Code 1956, § 12-86; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

*__Cross reference—__Certificates of public necessity and convenience, § 162-151 et seq.

Sec. 162-379. Special inspections.

(a) Every taxicab and for-hire vehicle shall be submitted by the CPNC holder, or their authorized designee, for mechanical inspection as follows:

(1) Upon initial issuance of the certificate of public necessity and convenience and before placing the vehicle in service;

(2) Whenever there is a transfer of the vehicle from one person to another;

(3) Whenever the vehicle has been involved in an accident requiring repairs; or

(4) Whenever there has been a change of taximeters in taxicabs or the installation of an advertising card holder in a licensed vehicle.

(b) The CPNC vehicle shall not be operated and the CPNC tag removed but not replaced when:

(1) The vehicle fails to meet the requirements of the inspection as provided in this chapter; or

(2) The vehicle has failed to pass an inspection by the for-hire vehicle inspection station to determine that the vehicle is safe and in satisfactory mechanical condition, including inside and outside appearance.

(Code 1956, § 12-87; M.C.S., Ord. No. 26289, § 3, 3-12-15)

Sec. 162-380. Criteria and regulation of inspection standards.

Sec. 162-381. Renewal certificate required.

It shall be unlawful for any owner or driver, as defined herein, to operate any taxicab, for-hire vehicle, or courtesy vehicle for which a permit has been issued under this article without a valid for-hire vehicle renewal certificate pasted on the windshield, as provided herein.

(Code 1956, § 12-84; M.C.S., Ord. No. 17,164, § 1, 9-7-95)

Sec. 162-382. Suspension for failure to renew certificate.

Failure of a CPNC holder to submit a vehicle for inspection at the time required by the department of public works, pursuant to the provisions of this chapter, or whenever requested by the department of public works, and to have at all times the required for-hire vehicle renewal certificate affixed on the windshield thereof or a duplicate should same be destroyed shall, in addition to the penalties provided therefor, be subject to the suspension of a holder's CPNC in the discretion of the director of the department of public works or a duly designated agent of the director.

(Code 1956, § 12-91; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-383. Expiration and renewal of inspection certificate.

Each for-hire vehicle renewal certificate issued by the for-hire vehicle inspection station pursuant to the provisions of this article, unless sooner removed for cause, shall expire at the end of the month of the next scheduled inspection by the department of public works; shall be renewable on the first of such month; and shall show by numeral on the face thereof the subsequent month scheduled for its expiration and renewal.

(Code 1956, § 12-88; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-384. Expired inspection certificate.

Unless the for-hire vehicle renewal certificate is renewed prior to ineligibility, each such certificate shall become invalid for operation on the applicable expiration date as set forth in a schedule determined by the director of the department of public works.

(Code 1956, § 12-89; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-385. Renewal of certificate.

Each renewal certificate in good standing shall be renewable by the director of the department of public works semiannually provided that:

(1) The vehicle has been inspected by the for-hire vehicle inspection station and has been issued a for-hire vehicle renewal certificate by the department of public works.

(2) The holder meets the requirements set forth in this chapter and by the director of the department of public works.

(Code 1956, § 12-92; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-386. Delinquency penalty.

There shall be a penalty of $2.00 per day of delinquency whenever a vehicle is not submitted to the department of public works during the months listed in the schedule contained in this chapter. There shall be a charge of $5.00 for each duplicate vehicle inspection certificate issued for each substituted vehicle.
(Code 1956, § 12-90; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-387. Removal of renewal certificate.

Upon completion of the vehicular inspection, the department of public works shall, if necessary, replace any for-hire vehicle renewal certificate previously issued for such vehicle with the proper for-hire vehicle renewal certificate, which shall be affixed to the windshield of the vehicle. If any vehicle is found defective at any time, the current for-hire vehicle renewal certificate shall be removed and a new for-hire vehicle renewal certificate shall not be issued until all defects found to exist have been corrected.
(Code 1956, § 12-94; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-388. Liability coverage requirement.

If the liability coverage of any vehicle does not meet the requirements of this chapter at the time of its inspection and/or at any other time, the current for-hire vehicle renewal certificate shall be removed, and a new for-hire vehicle renewal certificate shall not be issued until such liability coverage shall properly meet the requirements of this article.
(Code 1956, § 12-95)

Sec. 162-389. Correction slips for temporary use.

If a vehicle for hire fails to pass the requirements of the Bureau's inspection, a correction slip shall be issued to the driver listing the items that need correction and showing the status of the inspection. The vehicle shall not be operated as a vehicle for hire until it successfully passes inspection. The director of public works may allow the temporary use of a vehicle which substantially complies with the inspection requirements for a period of time as set forth in the chart below. However, in no instance may the temporary use of a vehicle pending full compliance exceed 15 days.

ARTICLE V. DRIVER REGULATIONS

Sec. 162-441. Rules and regulations generally.

The department of public works shall provide each driver with a valid driver's permit and a copy of the general rules and regulations set forth in this chapter and established by the director of the department of public works applicable to drivers as licensed under this chapter.
(Code 1956, § 12-130; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-442. Operation of unsafe vehicle prohibited.

It shall be a violation of this article for any owner or any driver to transport or offer to transport for pay any passenger or to drive any vehicle for which a permit has been issued under this article while such vehicle is unsafe and in an unsuitable condition for such use, whether or not such vehicle bears a current for-hire vehicle renewal certificate.
(Code 1956, § 12-93)

Sec. 162-443. Safe and legal operation of vehicle.

Every for hire passenger motor vehicle shall be operated in accordance with the laws of the state and the laws of this city and with due regard for the safety, comfort and convenience of passengers and for the safe and careful transportation of property and for the safety of the general public.
(Code 1956, § 12-119)

Sec. 162-444. Speed of vehicle.

No for hire passenger motor vehicle shall be operated at a rate of speed greater than that established by state laws or by this Code; nor, in any event, without proper regard for the traffic surface and width of the highway and the hazards at intersections and any other conditions then existing; nor in such manner or condition as to endanger or to be likely to endanger the safety of passengers, pedestrians, vehicles or the persons and property of others.
(Code 1956, § 12-120)

Sec. 162-445. Operation of vehicle while under influence of liquor or drugs prohibited.

It shall be unlawful for any person to drive or operate any vehicle regulated by this chapter with or without passengers while under the influence of intoxicating liquor or narcotic drugs or any barbituric acid derivative or any central nervous system stimulant, or to sell, use or to possess any such narcotic drugs or any barbituric acid derivative or central nervous system stimulant except while under treatment of a licensed physician with the medication in a prescription bottle.
(Code 1956, § 12-121)

Sec. 162-446. Driver's good conduct.

No person to whom a driver's permit has been issued under the provisions of this article shall interfere with, impede, obstruct the legal operation of or intentionally damage any vehicle or its equipment authorized to operate under the provisions of this chapter; nor shall any person threaten, abuse, insult, provoke, interfere with,

impede or obstruct any passenger, prospective passenger or any other person in connection with operations under this chapter.
(Code 1956, § 12-122)

Sec. 162-447. Driver not to smoke.

No driver of a for hire passenger vehicle shall smoke a cigarette, cigar or pipe, nor shall the driver possess a lighted cigarette, cigar or pipe, while the vehicle is occupied by a passenger.
(Code 1956, § 12-126)

Sec. 162-448. Driver's personal appearance.

Every driver while operating a for-hire vehicle shall be neat and clean in appearance at all times.
(Code 1956, § 12-129)

Sec. 162-449. Taxicab driver's dress code.

(a) In addition to the requirements provided in this chapter, every owner, and/or operator of any for-hire vehicle who possesses a CPNC and/or a valid chauffeur's license shall wear the following apparel and maintain the following grooming standards while transporting passengers for hire:

(1) Male taxi drivers shall wear long pants, shirts with collars and sleeves, and shoes. Shoes shall be clean, closed-in and worn with socks. Hair, beards and/or moustaches shall be neat, trimmed and present a groomed appearance. Chauffeur's style caps may be worn.

(2) Female taxi drivers shall wear long pants or skirts, shirts with collars and sleeves, and shoes. Shoes shall be clean, closed-in and worn with socks or stockings. Hair shall be neat, trimmed, and present a groomed appearance. Chauffeur's style caps may be worn.

(3) Taxicab and carriage drivers may wear knee-length walking style shorts with a short sleeve or a polo shirt, white socks and a leather top shoe with a rubber sole with the approval of the line or company, during seasonal periods designated by the director of the department of public works. Low cut, sleeveless shirts and tank tops shall not be worn. Cut-off jeans shall not be used. Sheer, transparent or fish net materials shall not be used for any apparel.

(b) No owner and/or operator of any for-hire vehicle who possesses a CPNC and/or valid chauffeur's license shall, while transporting passengers for hire, wear sleeveless shirts, tennis shoes, sandals, slippers, jumpsuits or coveralls/overalls.

(c) Failure to comply with the provisions of this section shall subject the owner and/or operator of the vehicle for hire to the penalties provided for in this chapter.
(Code 1956, § 12-132; M.C.S., Ord. No. 18,747, § 1, 6-4-98; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-450. Solicitation for prostitution, violation of law.

(a) No driver of any for-hire vehicle licensed to operate on the streets of the city pursuant to this article shall solicit any person, either in or out of the vehicle, to transport such person to any place in the city or elsewhere in the state for the purpose of participation in prostitution, sexual lewdness or obscenity, or for the purpose of participation in the violation of any law of the state.

(b) It shall be unlawful for any driver of any vehicle licensed to operate under this chapter to permit any person to occupy or use such vehicle for the purpose of prostitution or pandering, or the violation of any other law of this state or ordinance of this city. It shall be unlawful for any driver, as mentioned in this section, to allow or permit the use of the vehicle for any of the purposes prohibited in this entire section where the driver has knowledge or reasonable cause to believe that the vehicle is to be used, or is being used for such unlawful purpose.
(Code 1956, § 12-123)

Sec. 162-451. Public utilities solicitation.

No person operating a motor vehicle described in this chapter, nor their agents, servants or

employees, shall solicit the patronage of any person at the terminus of any public utility engaged in the transportation of passengers under a franchise or an indeterminate permit issued by the city; nor shall they solicit the patronage of any person at intermediate points along any established route of such public utility, which persons are not at such terminus or along such routes for the purpose of using the services of such public utility. This provision shall not prohibit or interfere with the response to any call for a public vehicle made by telephone or by signal from a pedestrian without such solicitations; provided, however, that this section shall not apply to solicitations at railroad or bus stations, depots, ferry landings or steamship landings.
(Code 1956, § 12-124)

Sec. 162-452. Diversion of passenger from designated destination.

It shall be unlawful for the operator of any for-hire vehicle governed by this article to divert or attempt to divert a passenger in any such vehicle from a legitimate destination designated by such passenger. It shall likewise be unlawful for any and all parties concerned to enter into an agreement between such operator and the owner, agent or employee of a commercial enterprise whereby any such passenger would be diverted or attempted to be diverted from the destination of the passenger to another destination of to offer, ask, give or receive any remuneration for such diversion or attempted diversion of a passenger or passengers.
(Code 1956, § 12-125)

Sec. 162-453. Lost articles in taxicabs.

(a) Taxicab drivers are required to notify the ground transportation bureau when lost items are recovered. Such notice shall be provided by the driver within one working day of the discovery of the article and should contain the following information:

(1) Description of the article; and

(2) Location where the article was found.

(b) All such recovered articles must be deposited with the ground transportation bureau within two working days of their discovery. The driver shall receive a receipt for each article deposited with the ground transportation bureau and may claim such article six months after deposit by surrendering the receipt to the bureau. If the article has been recovered by the owner, the bureau shall provide the driver with the name and the address of such owner.
(Code 1956, § 12-127; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-454. Vehicle to be kept clean.

Every driver of a for hire passenger vehicle shall keep the interior of such vehicle clean and in a sanitary condition at all times. The exterior of each vehicle shall at all times be kept in a presentable condition.
(Code 1956, § 12-128)

(c) The special officers shall direct the inspection of such animals at least once every three months.
(Code 1956, § 12-206)

Sec. 162-497. Violation of standards.

(a) Upon discovery of a violation of this article, the special officer may issue an order to the person or persons responsible for the violation requiring the immediate removal of the subject animal from service.

(b) No animal which has been removed from service for violation of this section shall be returned to service until the animal has been inspected by an SPCA veterinarian and approved for return.
(Code 1956, § 12-207)

*__Cross references—__Franchises, § 30-36 et seq.; certificates of public necessity and convenience, § 162-151 et seq.

Sec. 162-498. Refusal to comply.

Any person who refuses to comply with the order of the SPCA or who complies with such order and returns the subject animal to service before being inspected and approved by the SPCA shall be guilty of the offense of refusing to obey an order of the SPCA.
(Code 1956, § 12-208)

Sec. 162-499. Penalty.

The fine for all offenses under this article shall be $100.00 or 90 days in jail, or both. Upon commission of such offense, the special officer shall issue a summons to the offender.
(Code 1956, § 12-209)

Sec. 162-500. Summons.

A summons may be served on the offender by the person issuing the summons or by anyone authorized by the law to do so. The summons need not be served at the time of the offense. The summons shall recite the offense charged and the fine specified above. The summons shall also apprise the offender that he has ten days from the date of the issuance of the summons to pay the fine to the office of the SPCA.
(Code 1956, § 12-210)

Sec. 162-501. Trial date.

The summons shall further contain a trial date and recite that, if after the expiration of ten days the fine has not been paid, a copy of the summons will be forwarded to the clerk of the municipal court and a hearing will be held on the trial date.
(Code 1956, § 12-211)

Sec. 162-502. Powers of arrest.

The special officers shall have the power to arrest and charge the driver, as well as the owner, with any violation of this article.

DIVISION 2. OPERATING REQUIREMENTS

Sec. 162-541. Identifying number and current veterinary health certificate.

(a) Each animal must have a tattooed identifying number on the inside of its lip or ear, or on the left rump.

(b) A current veterinary health certificate for each animal showing the tattoo number shall be furnished to the Louisiana SPCA office when such animal is placed in service, and no more than 12 months thereafter. The certificate will show that a veterinarian licensed in the state has given the animal a coggins test with negative results as required by state law and declares this animal to be fit for carriage service.
(Code 1956, § 12-213)

Sec. 162-542. Health of the animal.

No animal shall be permitted to pull any carriage unless the animal is in good health and meets at least the following requirements:

(1) All animals purchased subsequent to the effective date of the ordinance from which this section was derived shall be mules and must weigh at least 1,000 pounds.

(2) The animal has no open sores or wounds, is not lame nor has any other ailment. Any animal found to have an ailment shall not be used without the approval of a veterinarian.

(3) The hoofs of the animal must be properly shod and trimmed.

(4) The animal must be groomed daily and not have fungus, dandruff or a poor or dirty coat.

(5) The animal must have adequate flesh and muscle tones.

(Code 1956, § 12-214)

Sec. 162-543. Animal working conditions.

(a) No animal shall be worked under any of the following conditions, and any owner that allows such conditions to exist will be found in violation of this article:

(1) The carriage the animal is pulling is holding more than nine people, including the driver.

(2) The animal works more than seven hours in any 24-hour period with 15-minute rest periods between each trip.

(3) The animal pulling a carriage is moved at a speed faster than a slow trot.

(4) The animal is worked with equipment causing an impairment of vision other than normal blinders.

(5) The animal is subject to any condition or treatment which will impair the good health and physical condition of the animal.

(6) Between the dates of June 1 and August 31, only mules may be used in the daytime before 5:00 p.m., and total hours worked shall not exceed six hours in a 24-hour period with 30-minute rest periods between each trip.

(b) Should the director of the department of public works determine that special circumstances exist which would jeopardize the safety of the animal, such as bad weather or other environmental problems, he may order the temporary suspension of the operation of all animal-drawn vehicles until such time as the special circumstances abate.
(Code 1956, § 12-215; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-544. Harness.

(a) No animal will be worked with a harness or bit that is not approved by the Louisiana SPCA.

(b) The harness must be oiled and cleaned so as to be soft at all times.

(c) The harness will be properly fitted and maintained and kept free of makeshift like wire, sisal rope, and rusty chain.
(Code 1956, § 12-216)

Sec. 162-545. Carriages.

Carriages must be properly lubricated, and wheels must spin freely.
(Code 1956, § 12-217)

Sec. 162-546. Whip.

No driver may whip an animal with more than a light touch by a light whip approved by the Louisiana SPCA.
(Code 1956, § 12-218)

Sec. 162-547. Water.

Adequate water will be provided in the working area and stables at all times.
(Code 1956, § 12-219)

Sec. 162-548. Stalls and stables.

(a) Ventilation will be provided for stalls with animals in hot weather.

(b) Ceilings in stalls and stables must be at least nine feet high from bedding and flooring. Future construction will provide for ceilings at least ten feet high from bedding flooring.

(c) Bedding in stalls and stables must be at least six inches deep and dry enough so as not to show wetness under the pressure of the animal's hoofs.

(d) Foot hazards and sharp surfaces will not be permitted in any area or building where they may come in contact with the animals.

(e) Roofs must be kept free of leaks where animals are kept.

(f) Each animal must have a stall large enough for the animal to turn around.

(g) Food must be kept free of contamination.

(h) Animal areas must be treated to destroy and repel insects.
(Code 1956, § 12-220)

Sec. 162-549. Drivers to maintain stands in sanitary condition; diapering of animals required.

(a) Driver of CPNC-licensed horse-drawn vehicles operated under this article shall maintain stands in a sanitary condition at all times. Any failure on part of such driver to conform to the

requirements of this section shall be unlawful and shall subject such drivers to the penalties provided by this article.

(b) It shall be unlawful for any person, firm, corporation or other entity to utilize any animal for the purpose of pulling any CPNC-licensed vehicle on city streets unless such animal is equipped with diapering apparatus that prevents the droppings of such animal from being deposited or otherwise left on city streets. It shall be the responsibility of the driver of a CPNC-licensed animal-drawn vehicle to see that the diapering apparatus is maintained in working order. The penalty for violation of this section committed within one year as follows:

First offense: $50.00

Second offense: $100.00

Third offense: $200.00 and a temporary suspension of the driver's permit for a minimum of five days. On a subsequent violation within one year from the date of the first offense the fine is $200.00 and the suspension of the driver's permit may be a maximum of 30 days.

Each company operating vehicles [is] responsible for immediate removal of the droppings.
(Code 1956, § 12-221; M.C.S., Ord. No. 20970, § 1, 1-9-03)

Sec. 162-550. Identification.

Each company operating carriages must identify each carriage with the name of the company prominently displayed on each side or the rear of each vehicle.
(Code 1956, § 12-222)

Sec. 162-551. Company telephone numbers.

Each company will have its listed telephone number printed on the vehicle to assign responsibility for complaints.
(Code 1956, § 12-223)

Sec. 162-552. In-lieu provision.

In lieu of utilizing an animal drawn carriage, a holder of an animal drawn carriage CPNC may provide the same service without the use of an animal and instead use an electronic or e-carriage that adheres to all the following standards:

(1) The department of public works must certify that the vehicle is an electric carriage; and

(2) The vehicle must be powered by electricity or battery and not utilize a combustion engine and may not be gasoline powered; and

(3) The vehicle must not be able to seat over 16 passengers in addition to a driver; and

(4) The vehicle shall be no longer than 20 feet; and

(5) The vehicle must not be able to exceed a speed of 25 miles per hour; and

(6) To be certified as an electric carriage, the vehicle's design must be inspired by a vintage horse-drawn carriage.

ARTICLE VII. TAXICABS*

DIVISION 1. GENERALLY

Sec. 162-601. Special regulations.

In addition to the other applicable provisions of this chapter, all taxicab CPNC holders and taxicab drivers shall comply with the applicable provisions of this article.
(Code 1956, § 12-142)

*__Cross references—__Public transportation at the New Orleans International Airport, § 22-81 et seq.; taxicab airport use permit required for all taxicabs operated at the airport, § 22-85; franchises, § 30-36 et seq.; certificates of public necessity and convenience, § 162-151 et seq.

Sec. 162-602. Renewal certificate required.

(a) No taxicab shall be operated on the streets of the city unless the owner of such vehicle has first applied for and received a CPNC qualifying a taxicab in the manner provided in this chapter; however, any person holding a CPNC issued by the city to transport passengers may transport passengers on an organized sightseeing tour into and within the city from any point beyond the boundaries of any parish contiguous to the city when such vehicle is accompanied by and under the direction of a guide holding a valid tour guide license.

(b) It shall be unlawful for any person to transport or offer to transport passengers for hire in any taxicab which does not have affixed to the windshield thereof a valid for-hire vehicle renewal certificate issued at the for-hire vehicle inspection station under the auspices of the director of the department of public works.
(Code 1956, § 12-143; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-603. Interparish operation of taxicabs.

Taxicabs of the type subject to regulation under this chapter in the parish authorized to operate in any other parish or in any political subdivision thereof may transport passengers from such parish or subdivision thereof to a

destination within or beyond the parish. No owner or operator of such taxicab for-hire vehicle, not licensed with a certificate of public necessity and convenience, shall accept a fare or transport a passenger for hire commencing within the parish.
(Code 1956, § 12-144)

Sec. 162-604. Reserved.

Editor's note—M.C.S., Ord. No. 28241, § 1, adopted Nov. 21, 2019, repealed § 162-604, which pertained to taxicab liability coverage and derived from Code 1956, § 12-145. The user's attention is directed to § 162-287.

Sec. 162-605. Maintenance and appearance of vehicle.

Each driver of a taxicab shall be fully responsible for the exterior and interior physical appearance of the taxicab. Each driver shall be required to maintain the taxicab and his or her person in a neat and clean condition at all times. Interiors of all cabs must be kept free of all debris. Dashboards must be maintained free and clear of all paraphernalia and other items not necessary for the operation of such taxicab. Each taxicab must be air conditioned and operating in a first-class condition. A sign stating that no smoking, drinking or eating are permitted in the taxicab shall be installed in the passenger portion of the vehicle. The minimum penalty for one violation of this section within a one-year period shall be $50.00. The penalty for two violations within one year of the first violation shall be a minimum $75.00 fine plus a minimum ten-day suspension from operating any for-hire vehicle. The penalty for three or more violations within a one-year period of the first violation shall be a minimum $100.00 fine plus a minimum 90-day suspension from operating any for-hire vehicle.
(M.C.S., Ord. No. 20638, § 1, 4-18-02)

Sec. 162-606. Vehicle requirements.

(a) No application for a permit to own and/or operate a taxicab under this chapter shall be approved unless the vehicle is a mini-van (having gross vehicle weight rating of 5,500 pounds or less, has a wheel base of not less than a minimum of 112 inches, or a maximum of not more than 120 inches, has a running board affixed to the passenger side of the vehicle for access and discharge of passengers, and does not seat more than six passengers including the driver), a sports utility vehicle (SUV), or a four-door sedan. Each of the foregoing vehicles must meet the following minimum specifications:

(1) *Head room:* Front 33 inches, rear 32 inches.

(2) *Leg room:* Front 40 inches, rear 35 inches.

(3) *Shoulder room:* Front 55 inches (taxis with bucket front seats, 15 inches per seat), rear 49 inches.

(4) *Hip room:* Front 51 inches (taxis with bucket front seats, 20 inches per seat), rear 51 inches.

(5) *Entrance height:* Front 30 inches, rear 29 inches.

(6) *Tire size:* 13 inches.

(7) *Wheel base:* 103 inches (four-door sedans only).

(8) *Air conditioning:* Standard system which meets manufacturer's specifications for the specific type of vehicle.

(b) Official interior dimensions from the manufacturer must be submitted by applicant to the ground transportation bureau upon request at the time of application.

(c) No wheelchair accessible vehicle shall be approved for use as a taxicab under this chapter unless that vehicle and all necessary retrofitting have been approved by the mayor's advisory council for citizens with disabilities.
(Code 1956, § 12-147; M.C.S., Ord. No. 16,480, 4-21-94; M.C.S., Ord. No. 22861, § 1, 10-18-07; M.C.S., Ord. No. 26589, § 1, 9-17-15; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-607. Additional requirements.

After the application for a permit to obtain a CPNC for a taxicab has been approved and before the vehicle shall be eligible for operation as a for-hire vehicle, the party shall, in addition

to other requirements of the director of the department of public works, perform the following:

(1) Supply in writing the following information relative to each vehicle to be covered by such permit:

a. The model and make of such vehicle, motor number and seating capacity;

b. Type, make and number of taximeter meeting the requirements of this chapter;

c. A certificate that the applicant is the actual sole and registered owner of the vehicle or vehicles to be used, including certificate of title number.

(2) Pay the fee as required by this chapter;

(3) Submit the vehicle for inspection to obtain a vehicle inspection certificate which shall be affixed to vehicle after same has been certified as being free from mechanical defects.

(Code 1956, § 12-148; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-608. Taxicab driver photo identification.

All drivers are required to wear a photo identification containing the driver's name and the affiliated company, of a design specified by the director of the department of public works. This identification should be worn during all duty hours and should be worn so as to be plainly visible at all times.

(Code 1956, § 12-149; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-609. Trip sheets and records.

(a) Every business entity or individual operating a for hire company shall keep daily records including dispatch records, complaints, all accepted telephone calls, daily vehicle sign out logs, vehicle collision reports, service response time reports, reports of crime against for hire drivers, lost property reports, CPNC numbers, and drivers of each vehicle for which a CPNC has been issued. Such records shall be preserved for a period of two years and be available for examination by the director of public works.

(b) Trip sheets reflecting all trips provided by a driver of a taxicab shall be maintained by the vehicle operator. These trip sheets may be maintained in digital or paper format, and shall contain the following information for each trip or shift as applicable:

(1) Driver's name;

(2) Driver's identification number;

(3) CPNC number of vehicle being operated;

(4) Start and end time of each trip;

(5) Pick-up and drop-off location of each trip;

(6) Total length of trip in time and distance;

(7) Number of passengers and total fare of each trip;

(8) Method of payment and total amount paid for each trip.

(c) Trip sheets shall reflect all fares regardless of payment method.

(d) Falsifying trip sheets shall be grounds for revocation of an AT driver's permit and an AT CPNC.

(Code 1956, § 12-150; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 24851, § 1, 4-19-12; M.C.S., Ord. No. 27149, § 1, 11-3-16; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-610. Passenger as controller of cab.

It shall be unlawful for a taxicab driver to cause a passenger to wait without the passenger's consent or to pick up additional passengers en route without the passenger's consent; except, that ride sharing is permitted in the following cases:

(1) Trips to and from New Orleans International Airport;

(2) Trips between central business district hotels and the Rivergate and the Superdome;

(3) Other major events at the Fairgrounds, etc., declared as special events by the director of the department of public works.

(Code 1956, § 12-151; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-611. Number of passengers per vehicle.

It shall be unlawful to load more passengers in a taxicab beyond the vehicle's capacity as set forth by the vehicle's manufacturer. Seat belts must be available for each passenger. No taxicab shall be loaded with passengers in such a manner as to obstruct the view of the driver or otherwise interfere with the safe operation of the vehicle.

(Code 1956, § 12-152; M.C.S., Ord. No. 24852, § 1, 4-19-12)

Sec. 162-612. Refusal to carry passengers.

No operator of any taxicab shall refuse to take any passenger to a destination within ten miles outside of the city limits or to a municipal airport operated by the city; provided, however, that the driver shall be required to take only the class of passengers the taxicab is registered to accommodate.

(Code 1956, § 12-153)

Sec. 162-613. Maximum age of taxicabs.

A vehicle for which a CPNC is obtained may be operated as a taxicab until the vehicle is fifteen years old. For purposes of this section, the vehicle's age shall be determined based on the vehicle's model year, such that a vehicle with a model year of 2000 shall have a vehicle age of one year as of January 1, 2001.

DIVISION 2. TAXICAB ZONES AND STANDS

Sec. 162-651. Taxicab and for-hire vehicle stands.

(a) The director of the department of public works is hereby authorized, as a police measure, to designate the location of taxicab and other for-hire vehicle stands on the streets and other public places in the city. Such stands shall be marked by appropriate signs and shall be reserved exclusively for the parking of taxicabs or other for-hire vehicles as specified by such signs, while waiting to pick up passengers for hire.

(b) Additionally, the director of the department of public works is hereby authorized to designate the location of temporary taxicab and for-hire vehicle stands on the streets and other public places in the city for use of taxicabs and for-hire vehicles in support of large special events or other temporary activities.

i. The director of public works is authorized to assess the impact of a proposed special event or temporary activity to determine if a temporary taxicab or for-hire vehicle stand is required in support of convenience to the general public.

ii. Subject to the discretion of the director of public works or upon request of a special event or temporary activity organizer, a special event taxicab/for-hire vehicle stand permit may be issued in conjunction with other required special event permits. This permit will designate the location of the temporary stand and authorizes the assignment of public works investigator(s) to regulate the flow of for-hire vehicle traffic at that location.

iii. Subject to the discretion of the director or upon request by a special event or temporary activity organizer, additional time or personnel may be provided by the department of public works to monitor and regulate the flow of for-hire vehicle traffic a permitted special event taxicab/for-hire vehicle stand.

iv. Fees for special event taxicab/for-hire vehicle stand permits and staffing are established as follows:

a. The fee for the special event taxicab/for-hire vehicle stand permit shall be $150.00.

b. The fee for additional time (beyond the first three hours) and additional personnel shall be $30.00 per hour.

c. The director of public works is to collect all required fees at the time of permitting and shall give receipts for same. All fees collected under this section shall be deposited to the bureau of the treasury, to the account of the general fund.

(Code 1956, § 12-154; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 26305, § 1, 3-26-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-652. Priority of service at taxicab stands.

Taxicabs located in any officially designated stand shall be loaded in their order of occupancy of the stand, i.e., first-in, first-out, and only the taxicab first out may move into a passenger zone ahead of such stand for the purpose of loading; provided, however, that each prospective taxicab passenger shall have the right, unless otherwise prohibited, to approach, engage and occupy any taxicab at its location within such stand, and it shall be unlawful for the operator of any taxicab or any other person to interfere, prevent or impede the movement of a loaded taxicab from such stand. It shall likewise be unlawful for the operator of any cruising or other taxicab to usurp the priority of any stand, or to enter, stop or stand any taxicab in a passenger zone ahead of such stand, except for the purpose of and while actually engaged in the discharge of passengers. It shall also be unlawful for the operator of any taxicab who has unloaded passengers at such loading zone to accept any passenger at that time unless such taxicab is first out, in accordance with the priority established above.

(Code 1956, § 12-155)

Sec. 162-653. Driver restrictions in stands.

The driver of any taxicab or other for-hire vehicle parked in any stand designated for use of this type of vehicle shall remain within the limits of the stand, which shall be interpreted to be the parking strip and adjacent sidewalk between the signs designating the stands; provided that from 6:00 p.m. to 6:00 a.m. the driver of any taxicab or other for-hire vehicle parked in any stand in the restricted area, as specified in the following section, shall remain within the immediate vicinity of or in the front seat of his vehicle at all times except when it is necessary to assist passengers to board or alight from his cab.

(Code 1956, § 12-156)

Sec. 162-654. Restricted area defined.

It shall be unlawful for the driver of a taxicab to park at any time upon any portion other than metered zones of any street except in properly designated taxicab stands, beginning at the intersection of Canal Street and the Mississippi River; thence on Canal Street to North Rampart Street; thence on North Rampart Street to Toulouse Street; and thence on Toulouse Street and the projection thereof to its intersection with the Mississippi River.

(Code 1956, § 12-157)

Sec. 162-655. Parking in vicinity of residence.

Subject to the provisions of laws and regulations applicable to the parking, stopping or standing of private vehicles, no owner or driver of a taxicab shall be prohibited by the provisions of this section from parking his taxicab within the immediate vicinity of his residence of record as long as he continues to reside thereat; provided, that such vehicle is not then being used or offered for use as a taxicab; and provided further, that no taxicab shall be parked at any place or time when such parking of taxicabs is prohibited by any applicable law or regulation other than the provisions of this section.

(Code 1956, § 12-158)

Sec. 162-656. Nonparish licensed operators.

No owner or operator of any vehicle authorized to operate in any parish other than the parish or in any political subdivision thereof shall stop or park anywhere on the city's streets where such stopping or parking is prohibited to any taxicab or other for-hire vehicle operating under a permit from the city, or stop or park anywhere in the city with intent to violate this Code. No such owner or operator of any such vehicle shall operate such vehicle in any manner contrary to the provisions of any law of this state or this

Code. No such owner or operator of any such vehicle at any time shall utilize taxicab stands established for the use of taxicabs authorized and licensed to operate in the parish.
(Code 1956, § 12-159)

Sec. 162-657. Taximeter required; location.

(a) Unless otherwise specifically provided herein, no owner or operator of any taxicab shall operate such vehicle unless it is equipped with a taximeter which shall automatically compute and register the amount of the fare on a basis of the miles traveled or the time elapsed (the fare reflecting the elapsed time if it occurs first or the mileage if it is traveled before the applicable time has elapsed). Each taximeter must show the amount of the fare on its face and shall be located in the cab in such position that the fare may be continuously seen both day and night by each and every passenger seated in the rear compartment of the vehicle. Each taximeter shall be placed in the taxicab in such a position that the flag will be visible from the street when in the for hire position. It shall be unlawful to transport passengers in a pay status in such vehicle unless such meter is in operation.

(b) Taximeters shall be either hardwired or connected via an encrypted and secured wireless connection to a passenger information monitor and dispense a receipt with the following information:

i. CPNC number;

ii. Driver ID;

iii. Trip ID;

iv. Distance of trip;

v. Date of trip;

vi. Time of trip;

vii. Fare charges;

viii. Extra charges;

ix. Total charges;

x. Taxicab company name and phone number; and

xi. The words "Ground Transportation Bureau. For compliments or concerns, please call 504-658-7176."

(c) This provisions of this section shall become effective on August 1, 2012.

Sec. 162-658. Unlawful to alter taximeter.

It shall be unlawful for any person to tamper with or alter in any manner the taximeter of such vehicle except as by the department of public works.
(Code 1956, § 12-161; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-659. Credit/debit card acceptance machines; alternative systems.

(a) All taxicabs shall be equipped with a bureau-approved and fully functioning credit/debit card acceptance machine. Further, such credit/debit card acceptance machines are subject to the following regulations.

(1) The passenger shall have the ability to swipe his own credit or debit card.

(2) A payment card industry data security standard (PCI DSS) compliant passenger information monitor (PIM) must be installed in all taxicabs, and shall be integrated directly to the taximeter by means of a hard wire connection.

i. The PIM must communicate wirelessly to obtain approvals for credit and debit card transactions. The system shall provide communication back to the taxicab within ten seconds.

ii. All PIMS must be bolted to the head rest or in an area approved by the bureau in the passenger compartment.

iii. The system must provide a printed or digital receipt for every credit or debit card transaction. Handwritten receipts are not allowed.

(3) A GPS receiver is required for the credit/debit card system.

(4) Drivers must be able to sign into the PIM using either a unique identifying number or biometrics.

(5) No surcharge may be imposed for the use of a credit/debit card so that the total charge exceeds the legal rate of fare.

(6) No minimum charge may be imposed for the use of a credit/debit card.

(7) No service may be refused to any person desiring to use a credit/debit card.

(8) The bureau shall have unlimited online access to all information collected by the PIM.

(b) Any licensed CPNC holder may also petition the bureau for approval of any alternative credit/debit card acceptance systems. The ground transportation bureau shall adopt rules establishing evaluation criteria for approval or denial; and procedures relative thereto.

(c) If the bureau denies approval of the proposed alternative system, it shall prepare a report within 30 days of the date of the petition that states the reasons for said denial. This report shall be mailed to the petitioner.

(d) Any licensed CPNC holder whose petition is denied shall have a right to apply in writing to the city council for reversal or modification thereof. Any such appeal shall be taken within 15 days from the date the decision is mailed. The appeal shall be docketed at the next regular meeting after receipt of communication. The city council has the right to reverse, change, or modify any decision of the bureau only by a majority vote of all its members.

Sec. 162-660. Security systems.

(a) All taxicabs shall be equipped with a security camera system.

(1) Any security camera system installed in a taxicab must meet or exceed the technical specifications set forth below:

a. Be 100 percent solid state design;

b. Be tamperproof and not operate with an "on/off" switch;

c. Have system protections to ensure against voltage irregularities and power failures;

d. Use non-volatile flash memory and record images using a first-in, first-out methodology;

e. Be impact and shock resistant;

f. Clearly record images in all lighting conditions, including bright sunshine, shade, darkness, total darkness, and when strong backlighting is present;

g. Mark each image with the date, time, and vehicle number, and serial number of the camera;

h. Be stored as or convertible to standard digital image formats;

i. Must have a field of vision to capture all of the occupants of the vehicle;

j. Be installed so that it will not interfere with the driver's field of vision or impede the use of any of the vehicle's mirrors;

k. Must have all lead-free components;

l. Must have 1 GB memory;

m. Must record images at a resolution of at least 640 × 368 pixels;

n. Must have image recording triggers;

i. Still image recording must by triggered by any vehicle door opening. Upon the trigger, still images must be recorded at a rate of one image every five

seconds for 60 seconds, followed by one image every 15 seconds.

ii. Video images must be recorded on a looping basis, and image storage must by triggered by any vehicle door opening. Upon the trigger, video images must be recorded for 60 seconds prior to the door opening and 60 seconds after the door is closed;

iii. In an emergency-trigger event, system must be able to store 2.5 minutes worth of images prior to the trigger and 2.5 minutes after the trigger in an overwrite-protected format. Still image cameras must be equipped with an emergency trigger that will record images at the rate of one image per second for 60 seconds.

(2) Signage. All vehicles equipped with a security camera system must have a decal on the passenger and driver side rear windows stating, "This vehicle is equipped with a security camera."

(3) Use of digital still or video images. Access to any recorded image of persons in a taxicab is prohibited except by the ground transportation bureau or the New Orleans Police Department. Violation of access to images shall result in revocation of a CPNC and/or driver's permit.

(4) Inspections. Camera systems must have the capability for inspection of the equipment that will indicate the system is functioning properly. The serial number of the camera must be readily accessible. The bureau may also inspect the viewing facilities of the owner or licensed manager and may ask for verification of viewing logs and/or all other documentation and equipment.

(5) Driver behavior modification features. For the purposes of driver education and modification of driver behavior, security camera systems shall be equipped with driver behavior modification features which collect and store data created by vehicle movement triggers such as sharp turns, sharp stops, or quick accelerations.

a. A CPNC holder or company owners may view images from outward facing cameras only.

b. Cameras recording for driver modification purposes should be positioned such that the perspective is outward and over the vehicle's hood.

c. All images must be logged electronically and the electronic log provided on a quarterly basis to the bureau.

d. The bureau may view any reports and images associated with driver behavior upon request.

(6) Procedures for security camera systems approval. Only camera systems meeting the minimum requirements and approved by the bureau may be installed.

a. Applicants must submit a request for approval in writing and provide written technical specifications of the system; and

b. Provide a demonstration of the system and all of its features to the bureau. After reviewing the technical specifications and viewing the demonstration, the bureau will respond directly to the vendor in writing within 30 days of the demonstration stating if the system meets the minimum qualifications set forth for security cameras and has been approved for use in the City of New Orleans.

(7) The equipment required by this rule shall be maintained in good working order at all times. If a CPNC holder changes the security camera equipment, he or she must notify the bureau within 24 hours and the vehicle will be re-inspected to ensure compliance with this section.

(8) Every CPNC holder shall file on a form designated by the bureau, a detailed description of the safety features to be installed in each taxicab. This form shall be submitted at the time of licensing, renewal of licensing, and whenever there is a change of the safety features to be used in the cab.

(9) If bureau personnel or a New Orleans Police Department official requests access to any record produced by the digital security camera systems to assist in the investigation of any complaint or crime, the taxicab company must provide access to the record within 24 hours. Records may only be accessed by bureau personnel or a New Orleans Police Department official, and only when a bureau complaint number or police complaint number has been generated.

(10) It shall be unlawful for any CPNC holder, taxicab company, or driver to allow any person to intentionally access any records produced by the security camera systems. Violation of this section shall be grounds for revocation of driver's permit and/or CPNC.

(11) It shall be unlawful for any taxicab driver to cover, tamper with, damage, disturb, remove, or disable a digital security camera system in a taxicab or to tamper with, remove, or erase data stored on the camera system. Violation of this section shall be grounds for immediate suspension of the CPNC license and may result in permanent revocation of driver's permit and/or CPNC.

(b) All taxicabs shall be equipped with silent alarm feature to notify dispatch of danger.
(M.C.S., Ord. No. 24865, § 1, 4-19-12, eff. 8-1-12; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 30241, § 1, 3-13-25; M.C.S., Ord. No. 30356, § 1, 6-12-25)

Sec. 162-661. Global positioning systems (GPS).

All taxicabs shall be equipped with a bureau-approved global positioning system (GPS) to provide efficient navigation to passenger destinations. If GPS is utilized through an approved cell phone application, the phone must be mounted for driver viewing and available for the driver's use throughout the duration of each trip.

DIVISION 3. TRADE NAMES AND NEW LINES

Sec. 162-691. Trade name to be registered.

The trade name applicable to each vehicle operated under the provisions of this article shall be registered with and approved by the ground transportation bureau. Such registration shall set forth the full name and address of the lawful owner or owners of such trade name and shall specify the color scheme of vehicles to be operated under such trade name. The owner or owners of such trade name shall furnish to the ground transportation bureau a to-scale model of the vehicle, which shall be painted in conformity with the trade name applicable and lettered as required by this chapter. Each change in color scheme or of lettering of such vehicle shall likewise be registered and a modified scale model of the vehicle shall be furnished. No new trade name or color schemes which are identical or deceptively similar to any trade name or color scheme already registered with the ground transportation bureau shall be approved by the ground transportation bureau.
(Code 1956, § 12-162; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-692. Number of taxicabs required to form new line.

(a) Any individual or group of individuals holding 25 or more CPNCs may form a new taxicab line. Such taxicab line is required to maintain an office and

(b) telephone service and must meet all the requirements of a corporation or partnership applying for a CPNC.

(c) Any taxicab line must maintain a minimum of 25 vehicles in its fleet.
(Code 1956, § 12-163; M.C.S., Ord. No. 24853, § 1, 4-19-12)

Sec. 162-693. Identification of vehicles.

(a) A taxicab operated under the provisions of this article shall conform in all respects to the color scheme as set forth for the registered trade name under which it is to be operated. In addition, the vehicle's registered certificate number assigned by the ground transportation bureau shall be permanently painted on the vehicle as prescribed by the ground transportation bureau. The owner of such taxicab or for-hire vehicle must present to the ground transportation bureau written approval by the owner of the trade name and color scheme.

(b) The full name of the owner of each for hire carrier vehicle operated as a taxicab and the number of the vehicle's certificate shall be painted conspicuously on the front fender of each side closest to the front door of the vehicle in letters and figures at least two inches high. The for-hire vehicle renewal certificate number shall appear inside the taxicab in the lower right-hand side of the windshield above the for-hire vehicle renewal certificate, conspicuously visible to the riding public.
(Code 1956, § 12-164; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-694. Current record; complaints; notices.

All taxicab line operators shall:

(1) Maintain a current record of taxicab CPNC numbers and each driver per vehicle that is on the line;

(2) Refer any and all complaints by passengers of taxicabs to the ground transportation bureau; and

(3) Distribute any and all notices issued by the director of the department of public works to each and all drivers of the line. Such distribution shall be in written form within five days of receipt of such notice by the line owner.

(Code 1956, § 12-165; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-695. Violation; penalty.

A violation by a taxicab line of any regulations set forth in this article shall result in a fine to the violator of not more than $100.00 per violation, to be determined by the director of the department of public works pursuant to a hearing in accordance with R.S. 49:951 et seq.
(Code 1956, § 12-166; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Secs. 162-696—162-740. Reserved.

DIVISION 4. FARES

Sec. 162-741. Legal fares and payment thereof required.

(a) It shall be unlawful for any person to ask, demand or collect any rates of fare other than as specified herein for use of any for hire passenger vehicle including vehicles for hire for the physically challenged, or "Disabled Friendly Taxi" (DFT), regulated by this chapter.

(b) It shall be unlawful for any passenger of any such vehicle to refuse to pay the operator thereof the legal rate charged pursuant to the provisions of this article.

(c) The department of public works shall review all ground transportation fares each consecutive odd year, and shall submit a report in a national peer city comparative analysis format to the mayor and the city council.
(Code 1956, § 12-176; M.C.S., Ord. No. 16,996, § 1, 4-20-95; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-742. Maximum rate per trip.

No driver of any taxicab or for-hire vehicle shall charge any passenger more than the amount allowed such driver for the trip under this chapter.
(Code 1956, § 12-177)

Sec. 162-743. Taxicab information and rates to be posted.

(a) Each taxicab or disabled friendly taxi (DFT) shall have a plaque displaying the following information:

(1) Name of driver and CPNC number;

(2) Information on rates as approved by the director of the department of public works;

(3) Information for filing complaints, including the address and phone number for the ground transportation bureau.

(b) Specifications on the design of the plaque and its mounting will be determined by the director of the department of public works.

(Code 1956, § 12-178; M.C.S., Ord. No. 16,880, § 2(d), 2-2-95; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. 27992, § 3, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-744. For-hire vehicle pricing information.

Each applicant for a certificate of public necessity and convenience, except applicants for CPNC services having the rates of fare established in this chapter, shall provide information to the department of public works on rates to be charged and pricing policies including minimum duration during special events. The information provided must be updated at such times as rates and/or pricing policies are changed by CPNC holders.

(Code 1956, § 12-181; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-745. Meter fare for taxicabs and DFTs.

The taxicab or DFT meter fare shall be $3.50, which shall entitle the passenger to be transported the first one-eighth mile, and the total meter fare shall include an additional $0.30 for each additional one-eighth mile, or incompleted fraction thereof that the passenger is transported; provided that whatever [whenever] the speed of the taxicab or DFT is less than the rate of one-eighth mile per 40 seconds, an additional $0.30 shall accrue for each 40 second interval therein. There shall be an additional charge of $1.00 per passenger after one passenger on all regular taxi or DFT trips.

(a) An additional gasoline surcharge of $1.00 per each completed trip shall be authorized until December 31, 2027.

(b) All taxicabs and DFTs are required to post in plain sight in the interior of the vehicle notice to passengers of a $1.00 gasoline surcharge for each completed trip subject to design specifications approved by the director of the department of public works pursuant to section 162-743.

(Code 1956, § 12-182; M.C.S., Ord. No. 16,880, § 2(e), 2-2-95; M.C.S., Ord. No. 16,996, § 1, 4-20-95; Ord. No. 19,598, § 1, 4-6-00; M.C.S., Ord. No. 20638, § 1, 4-18-02; M.C.S., Ord. No. 21810, § 1, 12-16-04; M.C.S., Ord. No. 21928, § 1, 5-5-05; M.C.S., Ord. 22150, § 1, 3-2-06; M.C.S., Ord. No. 22567, § 1, 4-5-07; M.C.S., Ord. No. 23148, § 1, 7-10-08; M.C.S., Ord. No. 23233, § 1, 9-18-08; M.C.S., Ord. No. 23507, § 1, 4-23-09; M.C.S., Ord. No. 23579, § 1, 6-18-09; M.C.S., Ord. No. 23639, § 1, 7-23-09; M.C.S., Ord. No. 26505, § 1, 7-9-15, eff. 9-1-15; M.C.S., Ord. No. 26584, § 1, 9-17-15, eff. 9-1-15; M.C.S., Ord. No. 29154, § 1, 9-1-22; M.C.S., Ord. No. 30698, § 1, 7-9-26)

Sec. 162-746. Taxicab hourly rate.

Whenever a taxicab or DFT is chartered by the hour, such arrangements shall be made between the driver and the passengers at the start of such chartered trip. The rate charged shall be $35.00 per hour with a two-hour minimum.

(Code 1956, § 12-183; M.C.S., Ord. No. 16,880, § 2(f), 2-2-95; M.C.S., Ord. No. 16,996, § 1, 4-20-95; Ord. No. 19,598, § 1, 4-6-00; M.C.S., Ord. No. 23580, § 1, 6-18-09; M.C.S., Ord. No. 26505, § 1, 7-9-15, eff. 9-1-15)

Sec. 162-747. Rates for special events.

(a) For transporting passengers to or from any place or point within the city to or from Fogelman Arena of Tulane University, Superdome, Nat Keifer UNO Lakefront Arena, Southern University of New Orleans Gymnasium, Xavier

Field House, Saenger Theatre, City Park Stadium, Pan American Stadium, or the fair grounds to attend regularly scheduled sporting events and/or concerts, taxicabs may charge the special event fare, which shall consist of $7.00 per person or the metered fare, whichever is greater. The meter shall be in operation to determine the greater fare. The boundaries of the Superdome as used hereinabove are an area bounded from Loyola Avenue to Claiborne Avenue and Poydras Street to Girod Street; provided that the special event rate shall not be applicable to passengers arriving at or departing from the main entrance of the Hyatt Regency Hotel located within the boundaries specified herein unless the passengers' point of origin or destination is a site otherwise covered by the provisions of this section.

(b) The special event fare, when authorized, may be charged for trips to and from the special event site, beginning two hours before and until two hours after the special event.

(c) Except as specified above for taxicabs, it shall be unlawful for any person to charge or collect the special event fare, or to charge or collect any other fare or remuneration on a per person basis for transportation of passengers in vehicles subject to the provisions of this chapter. However, any holder of a valid CPNC issued pursuant to the provisions of this chapter shall be permitted to hire or rent the taxicab, bus or other certificated for-hire vehicle under his control on a charter basis for a specific sum for the use of such vehicle as a complete unit.

(d) For unusual, other than regularly scheduled sporting events and/or concerts, the director of the department of public works can permit the charging of the special event fare.

(e) (1) Increase rates for airport shuttle bus special event fare from $13.00 per passenger to $15.00 per passenger per completed trip as authorized for a period not to exceed one year subject to review and further consideration by the city council and the New Orleans Aviation Board.

(Code 1956, § 12-184; M.C.S., Ord. No. 16,996, § 1, 4-20-95; M.C.S., Ord. No. 17,071, § 1, 6-1-95; M.C.S., Ord. No. 20638, § 1, 4-18-02; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 22151, § 1, 3-2-06; M.C.S., Ord. No. 22568, § 1, 4-5-07; M.C.S., Ord. No. 23079, § 1, 5-1-08; M.C.S., Ord. No. 23581, § 1, 6-18-09; M.C.S., Ord. No. 24574, § 1, 9-1-11; M.C.S., Ord. No. 26505, § 1, 7-9-15, eff. 9-1-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-748. Bridges and ferriage charges.

All ferriage and bridge tolls shall be in addition to regular meter or flat rate charges. Such tolls shall be computed on a round-trip basis.
(Code 1956, § 12-185)

Sec. 162-749. Rate to Kenner and Westbank.

The rate to or from Kenner to the parish shall be the same as the rates to and from the New Orleans International Airport as set out in section 162-753. The rate to and from the Westbank shall be metered fare plus $1.00.
(Code 1956, § 12-186)

Sec. 162-750. Fare receipt to be furnished on request.

Upon request, the driver of any taxicab shall furnish the passenger with a receipt showing the date, origin and destination of a trip, the amount of fare, the CPNC number of the vehicle and the driver's name.
(Code 1956, § 12-187)

Sec. 162-751. Charge for articles.

There shall be no additional charge for seeing-eye dogs or normal luggage such as suitcases, overnight bags, garment bags and attaché cases. A charge for the handling of other articles shall be agreed upon between the parties prior to the commencement of the trip. If the particular charges are not discussed prior to the trip, there shall be no additional charge to the passenger.
(Code 1956, § 12-188)

Sec. 162-752. Personalized service.

Whenever a driver of a taxicab or vehicle for hire, including those for the physically challenged, is called upon to render a time-consuming personalized service beyond the normal transportation of passengers, the minimum fare shall be $5.00 or the meter fare, whichever is greater. Unless an agreement to this charge has been reached between the parties prior to the trip, there shall be no additional charge to the passenger.
(Code 1956, § 12-189; M.C.S., Ord. No. 16,996, § 1, 4-20-95)

Sec. 162-753. Taxicab rates for airports.

(a) Except as provided hereinafter, taxicab fare to or from the Louis Armstrong New Orleans International Airport (Moisant Field) to or from the same destination in New Orleans shall be $36.00 for one to two passengers; and for three or more passengers to or from the same destination, the taxicab fare shall be $15.00 per passenger. Meter rate shall be charged after an initial stop in cases of additional stops from the airport, and vice versa to the airport. To or from any location east of Elysian Fields boundary line the fare shall be the metered fare from such boundary to the destination or point of origin plus the fare stated above. The fare to or from the Louis Armstrong New Orleans International Airport to or from any Westbank location shall be $36.00 plus the meter rate to or from the toll plaza.

(b) The taxicab fare to or from the New Orleans Lakefront Airport to any location in an area bounded by Galvez Street, Esplanade Avenue, the Mississippi River and Jackson Avenue for one to two passengers shall be $25.00 total fare; for more than two passengers the fare shall be $10.00 per passenger.

(c) The taxicab fare to or from Alvin Calendar Field shall be the New Orleans International Airport rate to or from the toll plaza plus the Westbank meter fare, or the meter fare for the entire trip, whichever is greater. Airport tolls and other applicable charges as specified in this chapter shall be in addition to the fares specified in this section.

(d) An additional gasoline surcharge of $1.00 per completed trip shall be authorized until December 31, 2022.

(e) All taxicabs and DFTs are required to post in plain sight in the interior of the vehicle notice to passengers of a $1.00 gasoline surcharge for each completed trip subject to design specifications approved by the director of the department of public works pursuant to 162-74.
(Code 1956, § 12-190; Ord. No. 19,598, § 1, 4-6-00; M.C.S., Ord. No. 20638, § 1, 4-18-02; M.C.S., Ord. No. 23582, § 1, 6-18-09; M.C.S., Ord. No. 23640, § 1, 7-23-09; M.C.S., Ord. No. 26505, § 1, 7-9-15, eff. 9-1-15; M.C.S., Ord. No. 29275, § 1, 12-1-22)

Sec. 162-754. Additional passengers.

(a) When all passengers are members of the same group or party and originate from the same point and go to the same destination, or when the original passenger directs the driver to pick up or discharge others in the same group or party, all passengers shall be transported for the recorded meter fare, plus applicable bridge and ferriage charges, except as provided otherwise in this article.

(b) When one or more additional groups consisting of one or more passengers share the same taxicab, the fare charged shall be metered fare. The chauffeur shall rewind the meter upon the discharging of each group. Additional passengers may be picked up at the beginning of any trip or in route only if such pick up is agreeable to the initial passenger or group employing the taxicab.
(Code 1956, § 12-191)

Sec. 162-755. Special trips.

(a) The taxicab fare to or from the Nat Keifer UNO Lakefront Arena to any location in an area bounded by Galvez Street, Esplanade Avenue, the Mississippi River and Jackson Avenue shall be $9.00 per person or the meter fare, whichever is greater.

(b) The taxicab fare from any grocery store, with one or more grocery bags, including all passengers shall be $6.00 or the meter fare, whichever is greater.

(c) The taxicab fare to and from the Union Passenger Terminal (U.P.T.), including all passengers and luggage shall be $12.00 or the meter fare, whichever is greater.

(d) The taxicab fare for the transfer of luggage between hotels or motels, including all passengers, shall be $12.00 or the meter fare, whichever is greater.

(e) The taxicab fare to and from cruise ships, including all luggage, shall be $14.00 for one person or $8.00 per person or the meter fare, whichever is greater.
(M.C.S., Ord. No. 20638, § 1, 4-18-02; M.C.S., Ord. No. 26505, § 1, 7-9-15, eff. 9-1-15)

DIVISION 5. ADVERTISING

Sec. 162-791. Generally.

No sign, device or poster, whether permanent or temporary, whether for advertising or other purposes, shall be placed or carried on or inside any vehicle regulated by this article without the approval of the director of the department of public works. However, prior approval is not required for a person licensed under this chapter to affix one sticker of not more than two inches by three inches in size to the right front windvent window of his certified vehicle, indicating that such owner is a member of a recognized transportation organization or association composed of persons licensed under this article.
(Code 1956, § 12-192; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28241, § 1, 11-21-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-792. Director to authorize advertising.

(a) The director of the department of public works is hereby authorized to permit the installation of advertising cards in the passenger compartment or the top or roof area of taxicabs, on the exterior or interior of general charter vehicles, and on the exterior of sightseeing vehicles, animal drawn vehicles, and pedicabs. The director shall permit such advertisement only where the conditions set forth in this article are met. Advertising wraps are expressly prohibited on for-hire motor vehicles.

(b) With respect to the general prohibition of advertising wraps provided in subsection (a), the director is authorized to permit temporary advertising wraps or signage as may be appropriate for vehicles contracted for service to the organizer of a special event as declared by the city council, mayor, or the mayor's designee in accordance with section 162-197 of this chapter. Such temporary advertising shall be permissible only for the duration of the declared special event. Fees for such temporary advertisements shall be $25.00 per vehicle.

(c) The director of the department of public works is authorized to permit the installation of advertisement decals which promote third-party dispatch or hailing services for taxicabs, provided that such advertisements do not obstruct the CPNC numbers, CPNC holder name, or other livery as may be approved for the operation of a taxicab line. No fee shall be assessed for advertising of such third-party services on the body of the taxicab vehicle.

Sec. 162-793. Misleading advertising prohibited.

Advertising of such a nature as to either make false or unsubstantiated claims or to create a misleading impression shall be unlawful.
(Code 1956, § 12-194)

Sec. 162-794. Indecent advertising prohibited.

It shall be unlawful for any advertisement to carry pictures or designs of an indecent, lewd, immoral, salacious or lascivious nature, or to be

worded in such a sense as to be suggestive in an immoral manner. No advertisement that would adversely affect the morals of youth and small children or in any way be contrary to the interests and welfare of the public shall be permitted at any time.
(Code 1956, § 12-195)

Sec. 162-795. Advertisement holder required.

All advertisements shall be enclosed only in a shatter-proof, splinter-proof card holder covered by a shatter-proof, fire resistant transparent material which shall be constructed in such a manner as to provide no safety hazard to either driver or passenger, the measurements, design and location to be determined by the director of the department of public works.
(Code 1956, § 12-196; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-796. Holder not to interfere with passengers.

No advertising sign, poster or advertising card holder, official notice, identification card or sticker required by any other provisions of this article, although otherwise complying with the provisions of this article, shall be placed in such a position within the vehicle as to interfere with the full use of the vehicle by passengers or with any equipment of such vehicle.
(Code 1956, § 12-197)

Sec. 162-797. Maintenance of advertising material.

Advertising, when placed in or on a vehicle, shall be maintained in a clean, neat and uniform manner. Soiled, torn or otherwise defaced advertisements shall be removed immediately from the advertising card holder.
(Code 1956, § 12-198)

Sec. 162-798. Inspection of advertising posters.

Each licensed vehicle owner who has installed an approved advertising card holder in or on the vehicle pursuant to the provisions contained herein shall submit such vehicle for inspection prior to placing such vehicle in operation. Vehicles shall be subject to inspection at all times, and such vehicles that fail to pass such inspection shall be subject to such penalties as are provided by this chapter.
(Code 1956, § 12-199)

Sec. 162-799. Advertising holder inspection fee.

There shall be an annual fee of $25.00 for advertising devices, payable in semiannual installments of $12.50 at the time of inspection. This fee shall be collected by the for-hire vehicle inspection station and shall be deposited with the department of finance. This fee shall not be charged for an animal-drawn vehicle advertisement.
(Code 1956, § 12-200)

Sec. 162-800. Penalties for violation of advertising privileges.

Failure to comply in any manner with the provisions of this division by any advertising firm, agent, owner or operator of any vehicle governed by this article, or any other person, shall subject the offender to such fines and penalties as are provided by this chapter as well as to the temporary or permanent removal of all advertising material from the vehicle of such owner or operator. The privilege to advertise in the vehicles covered by this division may be suspended or revoked by the director of the department of public works following due notice and a hearing in accordance with R.S. 49:951 et seq. at the ground transportation bureau.

ARTICLE VIII. LIMOUSINES*

Sec. 162-841. Limousine rates.

(a) Rates for limousines may be calculated on the basis of time and distance, on an hourly basis, or for service to or from the airport to points within the city.

*__Cross reference—__Certificates of public necessity and convenience, § 162-151 et seq.

(b) For-hire limousine service to or from the New Orleans International Airport shall charge no less than $75.00 per trip for a luxury sedan or $90.00 for a luxury SUV and all other limousines defined by section 162-189. A for-hire limousine service to the New Orleans Lakefront Airport shall charge no less than $75.00 per trip for a luxury sedan or $90.00 for a luxury SUV and all other limousines defined by section 162-189. Nothing contained herein shall impair the obligation of any contract between the city and any airport lessee, or any per trip fee from the airport that may be assessed by the New Orleans Aviation Board.

(c) Fares to other locations can be determined on a flat fee, time usage, distance, or mileage basis. In no event shall the total charge be less than $15.00 for luxury sedans, $25.00 for luxury SUV's, and $45.00 for all other limousines defined by section 162-189 of the Municipal Code.

(1) Prior to booking a limousine, the fare calculation method, the applicable rates being charged, and the estimated fare shall be available to the customer.

(2) In addition, if reserving via internet-based software application (app), the driver's photo, ground transportation bureau driver's permit ID #, and limousine CPNC number shall be available to the customer prior to booking. Any limousine CPNC holder providing drivers to customers via an app shall verify that drivers maintain a valid driver's permit from the city's ground transportation bureau. Limousine companies shall provide a digital, searchable, database of its registered drivers to the ground transportation bureau upon request, and once per year, at a date determined and provided by the ground transportation bureau. A limousine company shall remove any individual from its list of registered drivers within 48 hours of receiving notice from the ground transportation bureau that a driver does not have a valid driver's permit.

(3) Within 24 hours of completing a trip, the customer shall receive a receipt that lists the:

a. Limousine CPNC number;

b. Driver ID;

c. Trip ID;

d. Distance of trip, including the point of origin and ultimate destination;

e. Date of trip;

f. Time of trip;

g. Fare charges;

h. Extra charges;

i. Total charges;

j. Limousine company name and phone number;

k. Words "Ground Transportation Bureau. For compliments or concerns, please call 504-658-7176."; and

l. The third party provider's name and phone number that arranged the trip, if applicable. All receipts shall be provided to the ground transportation bureau upon request, and once per year, at a date determined and provided by the ground transportation bureau.

ARTICLE IX. TOUR VEHICLES AND BUSES*

DIVISION 1. GENERALLY

Sec. 162-896. Display of rates.

Per capita tour vehicles must post the rates for each tour offered to the public or provide to the prospective passenger in advance of such tour an information sheet or folder outlining the points of interest to be visited and the cost of such tour.
(Code 1956, § 12-180)
Cross reference—Vieux Carré, ch. 166.

Sec. 162-897. Administrative regulations.

The director of the department of public works shall make such administrative regulations which may be necessary to implement the provisions of this article.
(Code 1956, § 12-251; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-898. Tour bus service.

All buses operating as tour buses within the city must have a driver or a tour guide who has been issued a tour guide license by the city. All tour buses shall be operated in accordance with all provisions applicable to tour buses in this chapter.
(Code 1956, § 12-75)

Sec. 162-899. Identification of buses.

The for-hire vehicle number of each for-hire vehicle bus shall be painted on each side of such vehicle in letters and figures at least two inches high. The CPNC number shall also appear in the lower inside right-hand side of the windshield conspicuously visible to the riding public in numerals at least two inches high, the color of the background to coincide with the numerals on the outside of the bus.
(Code 1956, § 12-97)

Sec. 162-900. Relinquishment of certain seats on wheelchair lift-equipped buses; exemption.

(a) Passengers on any wheelchair lift-equipped bus under the provisions of this article shall, when requested by the operator of that bus, relinquish their seats above the bus's wheelchair lock mechanism to enable the operator to secure a handicapped passenger's wheelchair to the bus floor. Failure to relinquish a seat under these circumstances shall constitute a misdemeanor.

(b) The provisions of this section shall not apply to buses operating under a franchise from the Louisiana Public Service Commission or to chartered buses.

DIVISION 2. REGULATIONS

Sec. 162-941. Garden District tour bus route limitations.

(a) *Authorized zones.* Except as otherwise provided by this section, no buses with a seating capacity of more than 20 passengers shall be permitted to travel on any street within the area known as the Garden District, which is bounded by St. Charles Avenue, Jackson Avenue, Louisiana Avenue and Magazine Street. Tour buses may be stopped for the purpose of receiving and discharging passengers for the Garden District at authorized zones that are marked and bear signs indicating that tour buses may stop for the purpose of receiving and discharging passengers. Tour buses may be parked while pedestrian Garden District Tours are in progress at authorized zones within nonresidential areas. The authorized zones shall be designated by the director of the department of public works.

*__Cross references—__Public transportation at the New Orleans International Airport, § 22-81 et seq.; franchises, § 30-36 et seq.; certificates of public necessity and convenience, § 162-151 et seq.

(b) *Exceptions.*

(1) The bus route limitation of this section shall not be applicable to school buses transporting students in the Garden District.

(2) The director of the department of public works may authorize up to 22 buses per month having a seating capacity of more than 20 passengers to travel on Prytania Street and Washington Avenue within the Garden District for the sole purpose of receiving and discharging passengers from commercial establishments if customers were transported to the establishments by bus on a regular basis on or before July 1, 1979. A permit shall be issued by the director of the department of public works to each bus authorized to travel on Prytania Street and Washington Avenue under the provisions of this subsection. The permit shall be displayed in a conspicuous place on the bus so as to be visible to police or other law enforcement officers in accordance with regulations established by the director of the department of public works. Buses permitted under this subsection shall park only in authorized zones marked and bearing signs permitting such parking, such zones to be designated by the director of the department of public works and the director of the department of public works.

(c) *Penalty.* In addition to any other penalty that may be imposed in accordance with the laws of this city and state, the director of the department of public works may suspend a permit issued pursuant to this section for any violation of this section for not less than one nor more than five days. The director may revoke a permit issued to this section for repeated violations of this section.

(d) *Parking.* Except as otherwise provided by this section, it shall be unlawful to park any bus with a seating capacity of more than 20 passengers in the Garden District.

(e) *Operation at idle.* It shall be unlawful for the operator of a bus to allow the bus to operate at idle for a period longer than ten minutes in the Garden District, except for situations beyond the operator's control.

(f) *Violations.* It shall be unlawful for the operator of any bus to violate the provisions of this section. Any person cited for violation of this section shall be subject to arrest or to the issuance of a summons or citation.
(Code 1956, § 12-249; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-942. Vieux Carré bus limitations.

(a) It shall be unlawful for any bus having an overall length longer than 31 feet to use any street within the Vieux Carré, except as provided for in the rules and regulations promulgated under subsection (d) of this section.

(b) Those buses with an overall length in excess of 20 feet and not greater than 31 feet may use the streets of the Vieux Carré as provided for in this section. For the purposes of this section a bus shall be defined as any road bus, tour bus or tour vehicle, excluding limousines and taxicabs.

(c) For the purposes of this section, Vieux Carré shall mean the area within the lake side of North Peters Street, the center line of Decatur Street between Conti Street and St. Philip Street, the downriver side of Esplanade Avenue, the river side of North Rampart Street and the downriver side of Canal Street. Therefore, all buses, regardless of the overall length, shall be permitted to use North Rampart Street, Canal Street, North Peters Street, and the river side of Decatur Street between Conti Street and St. Philip Street.

(d) A properly licensed CPNC bus having an overall length in excess of 20 feet and not greater than 31 feet shall be permitted to use routes in the Vieux Carré as recommended by the director of the department of public works and approved by the city council. The director of public works shall, within 135 days of the adoption of this ordinance (Ordinance Number 17,558 M.C.S., as amended by Ordinance Number 17,727 M.C.S.), promulgate such rules and regulations, in compliance with section 2-1000 of the City Code, as enacted by Ordinance Number 17,611 M.C.S., necessary to enforce the provisions of this section. Such rules and regulations shall become effective, in accordance with section 4-107(3)(d) of the Home Rule Charter, only after approval by the city council, after review and recommendation by the council's ground transportation committee or its successor. No bus operator while loading or unloading passengers shall be permitted to idle the bus engine longer than ten minutes. Further, no bus shall be allowed to stop in one place for a period in excess of 15 minutes.

(e) A violation by a CPNC holder or its driver of any of the regulations set forth in this section shall result in a fine and/or suspension or revocation of the CPNC according to the following:

(1) First violation in any 12-month period shall result in a fine of not less than $200.00 nor more than $500.00, to be determined by a duly authorized hearing examiner following a hearing on the matter.

(2) Second violation in any 12-month period shall result in a fine of $500.00 and/or suspension of the CPNC for a minimum period of one month and a maximum period of six months, to be determined by a duly authorized hearing examiner following a hearing on the matter.

(3) Third violation in any 12-month period shall result in a fine of $500.00 and suspension of the CPNC for a minimum period of three months and a maximum

period of 12 months, to be determined by a duly authorized hearing examiner following a hearing on the matter.

(4) Fourth violation in any 12-month period shall result in the revocation of the CPNC. If another violation takes place during the revocation period, an additional period of 12 months shall be added to the revocation period for each violation. Prior to such revocation, the CPNC holder shall be entitled to a hearing on the matter before a duly authorized hearing examiner.

(f) A violation by a bus driver or company who is not a CPNC holder of any of the regulations set forth in this section shall result in a fine and/or imprisonment and additional actions by the city according to the following:

(1) First violation shall result in a fine of not less than $200.00 and the department of public works' nonapproval of any CPNC application made by the offending driver or the offending company for a three-month period from the date of the violation.

(2) Second violation shall result in a fine of not less than $400.00 and imprisonment for not more than three months and the department of public works' nonapproval of any CPNC application made by the offending driver or the offending company for a six-month period from the date of the violation.

(3) Third violation shall result in a fine of not less than $500.00 and imprisonment for not less than 30 days. Thirty days or more of public service in the Vieux Carré and adjacent areas may be substituted for the days of imprisonment. Further, the department of public works shall not consider any CPNC application or issue any CPNC to the offending driver or the offending company for a period of nine months from the date of the violation.

(4) Four or more violations shall result in a fine of not less than $500.00 and imprisonment for not less than 60 days for each violation. Sixty days or more of public service in the Vieux Carré and adjacent areas may be substituted for the days of imprisonment. Further, the department of public works shall not consider any CPNC application or issue any CPNC to the offending company for a period of 12 months from the date of the violation. Further, if more than four violations take place, an additional 12-month nonapproval period shall be added for each violation to the original period during which time no CPNC application shall be considered or issued.

(g) The director of the department of public works shall make such administrative regulations which may be necessary to implement the provisions of this section; such regulations shall become effective upon approval of the city council after review and recommendation by the council's ground transportation committee or its successor.

Sec. 162-946. Prohibition on noisemakers and amplified sound in the operation of any tour or sightseeing vehicle including vehicles capable of amphibious transportation.

The operators and employees of any tour bus or sightseeing bus including vehicles capable of amphibious transportation shall not use noisemakers, permit the use of noisemakers, or distribute noisemakers to passengers. Amplified sound, other than sounds produced for the legal operation of the vehicle, shall not be plainly audible from the public-right-of-way or private property while operating any tour bus or sightseeing bus including vehicles capable of amphibious transportation in the City of New Orleans in order to minimize the intrusion of amplified sound.
(M.C.S., Ord. No. 25794, § 1, 4-24-14)

Sec. 162-947. Regulation of per capita continuous loop, fixed-route sightseeing tour vehicles.

(a) Per capita continuous loop, fixed-route sightseeing tour vehicle stops located on city-owned streets or other city-owned property require approval by the director of public works.

(b) Signage located on city-owned streets or other city-owned property identifying the location of per capita continuous loop, fixed-route sightseeing tour vehicle stops is required, the design and placement of which requires approval by the director of public works.

(c) Stops on city-owned streets shall be for active passenger loading and unloading only and not used for staging.

(d) Per capita continuous loop sightseeing stops on city-owned streets that are co-located with regional transit authority stops are permitted, subject to the approval of the director of public works.

(e) The executive director of the regional transit authority shall be notified of the locations of the continuous loop, fixed-route sightseeing tour vehicle stops.

(f) The regional transit authority shall be notified by the department of public works of any application for a vehicle stop at the same location where an regional transit authority has a stop.

(g) The director of the department of public works is hereby authorized, as a police measure, to designate the location of continuous loop sightseeing stops on the streets and other public places in the city. Such stands shall be marked by appropriate signs and shall be reserved exclusively for the parking of taxicabs or other for-hire vehicles as specified by such signs, while waiting to pick up passengers for hire.

Recovered stolen vehicle shall mean any vehicle which has been previously reported stolen, recovered by a police officer, and no longer has any evidentiary value.

Tow means pull, winch, carry, or otherwise move a vehicle or equipment other than by its own power with the use of a tow truck.

Tow truck means any motor vehicle equipped with a boom or booms, winches, slings, tilt beds, and/or similar equipment designed for the towing and/or recovery of vehicles and other objects which cannot operate under their own power or for some reason must be transported by means of towing.

Towing allocation approval means a letter issued by the NOPD which authorizes a towing company to perform towing and provide for storage of vehicles established by this article.

Towing allocation decal means a sticker issued by the NOPD for each tow truck to be used in the performance of towing allocation list responsibilities which certifies that such truck has been inspected and meets all vehicle, boom and winch, and accessory specifications and requirements as are mandated by law.

Towing service business/towing company means the business by an individual, partnership, corporation, or other entity of providing tow service which may include transportation and storage of a vehicle to a storage lot.

Vehicle owner shall mean the actual owner of the vehicle towed or transported or any driver of the vehicle who reasonably appears to have authority to operate the vehicle.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-997. Operational requirements.

Every towing service business operating within the City of New Orleans shall comply with the following operational requirements: Each tow truck and towing service business shall possess all necessary federal, state, and city certificates, licenses and permits to operate as designated.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

DIVISION 2. TOWING ALLOCATION LIST/QUALIFICATION CRITERIA AND TOWING REQUIREMENTS

Sec. 162-998. Administration, enforcement.

It shall be the duty of the NOPD, under the direction of the superintendent of police (superintendent), to implement, administer, and enforce the provisions of this article. The duties shall include, but not be limited to the following: the proper advertisement requesting applications for the towing allocation list; the evaluation of applications for the towing allocation list and determination of towing companies which qualify; the issuance of towing allocation decals;

the request for dispatch of tow trucks to the scene of a wrecked or a disabled vehicle; to ensure that towing companies within the approved list perform in accordance with the requirements of their agreement and city ordinance.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-999. NOPD towing allocation list.

The NOPD is authorized to prescribe and promulgate rules, regulations and minimum requirements for towing service businesses to be included on a towing allocation list to provide emergency tow truck response and storage for nonconsensual tows in order to increase public safety and in conformance with R.S. 32:1711 through R.S. 32:1731. Any such rules, regulations, and requirements not already contained in this article shall be subject to the procedure for the promulgation of regulations established in section 2-1000. The towing allocation list shall include only towing businesses located within the city and ownership or contractual access to business and storage lot facilities within the city. Such authorization shall remain current for one calendar year unless terminated by an action of the NOPD. Qualification for the towing allocation system list shall be on an annual basis only.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

DIVISION 3. APPLICATION AND FEES

Sec. 162-1000. Application.

Each applicant for the towing allocation list shall submit an application with the NOPD, shall meet the requirements established herein, and shall certify the same in writing. No participation shall be granted if the applicant fails to meet the requirements of this article or if the applicant provides the NOPD with false, misleading, or incomplete information. Towing allocation decals issued based on false, misleading, or incomplete information furnished by the applicant shall be revoked by the superintendent, or their designee, and towing allocation privileges shall be permanently revoked for any company found providing false, misleading, or incomplete information on their application. Applicants shall agree to release vehicles immediately upon retrieval by the owner and bill the City of New Orleans directly for fees associated with towing, recovery, and/or storage of vehicles that have been previously reported as stolen, provided that the City of New Orleans is not billed for more than 90 days of storage fees, except in instances of extenuating circumstances when agreed upon by the chief administrative officer. Under no circumstances shall an applicant require vehicle owners to provide a copy of a police report as a condition of releasing their vehicle.
(M.C.S., Ord. No. 28755, § 1, 8-5-21; M.C.S., Ord. No. 29085, § 1, 7-7-22)

Sec. 162-1001. Owners and operators

(a) No officer, owner, partner, person, employee, or other individual with a financial interest in the licensed towing company making an application for the towing allocation list, shall have ever been convicted of a violation of any of the provisions of R.S. 32:521 pertaining to stored motor vehicles or R.S. 32:701 et seq., the Louisiana Certificate of Title Law, R.S. 14:67.26 pertaining to auto theft, R.S. 14:68.4 pertaining to unauthorized use of a motor vehicle, or R.S. 14:69 pertaining to possession of stolen property concerning anything vehicle related.

(b) Additionally, any company, which has an officer, principle or employee who has been convicted of a felony within the last ten years, or is under indictment at the time of application, shall not be considered for participation on the towing allocation list.

i. The superintendent may establish such rules and regulations as are necessary to enforce the provisions of this section including criminal history investigations of company personnel for the last ten years.

(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1002. Insurance.

Certificates of insurance issued by an insurer licensed to do business in the State of Louisiana and attesting to carriage with coverage in the

amounts hereinbelow listed shall be submitted with the application. Required coverage includes:

(1) Liability coverage in an amount of not less than $300,000.00 personal injury coverage for one person, $500,000.00 personal injury coverage for one accident or incident, or a combined single limits coverage in a single policy of $300,000.00 and $50,000.00 property damage coverage.

(2) Garage keeper's legal liability insurance, insuring the perils of fire and collision in an amount of $50,000.00 and showing the types, amounts and classes of operation covered.

(3) On-hook coverage in an amount of not less than $25,000.00.

(4) An umbrella policy with coverage in an amount not less than $1,000,000.00 extending to coverages required herein. All certificates shall contain the initial and the expiration dates of carriage and coverage and the following statement:

"The insurance covered by this certificate shall not be canceled or materially altered except after ten days' prior written notice of such cancellation or alteration has been given to the NOPD and acknowledged in writing."

If the liability coverage of any vehicle does not meet the requirements of this article, the towing allocation decal shall be removed.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1003. Application fee.

The NOPD shall charge a $20.00 processing fee for each application for the towing allocation list. This fee shall cover the inspection of the applicant's storage facility and tow truck. Additionally, there shall be a $10.00 surcharge for each towing truck inspected which shall be utilized in performance of towing allocation list duties. Such fees are due when the application is presented to the NOPD and are non-refundable regardless of the applicant's eligibility, approval/disapproval, or removal from the towing allocation list.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

DIVISION 4. TOW TRUCK INSPECTION

Sec. 162-1004. Required.

The superintendent, or their designee, shall inspect each tow truck which shall be used in the performance of towing allocation list responsibilities for conformance with the tow truck requirements established in this article. The superintendent, or their designee, shall make available all inspection requirements in advanced of an inspection.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1005. Re-inspections; suspension, revocation of license.

Any towing company whose tow truck fails to meet the requirements of inspection outlined in city or state law shall have ten days to bring such vehicle into compliance with the requirements. Failure to bring the vehicle into compliance within ten calendar days of the date of the inspection failure shall result in a temporary suspension of the towing allocation privileges and removal of the towing allocation decal until compliance is reached.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1006. Annual re-inspections.

Every tow truck used in the performance of towing allocation list responsibilities shall be submitted for, and pass inspection not less than once every 12 months following initial date of certification on a schedule to be determined and published by the superintendent, or their designee.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1007. Spot inspections.

All tow trucks operated in the performance of towing allocation responsibilities shall be subject to inspection at any time while certified under this article and shall be maintained in a state of mechanical fitness as required by city and state law. The superintendent, or their designee, shall have the authority to require periodic inspections, other than those regularly scheduled under section 162-1288, when such inspections through reason and sound judgment are deemed necessary.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1008. Special inspections.

In addition to the annual inspections required, every tow truck shall be inspected by NOPD:

(a) Prior to issuance of the towing allocation decal;

(b) Whenever there is a transfer of the vehicle from one licensed towing company to another; or

(c) Whenever the vehicle has been involved in a crash requiring repairs.

(M.C.S., Ord. No. 28755, § 1, 8-5-21)

DIVISION 5. TOWING ALLOCATION DECAL

Sec. 162-1009. Inspection decal.

(a) When the towing vehicle has met all of the requirements established in this article and paid the required fees, the superintendent, or their designee, shall issue a towing allocation decal of such size, color and form as the superintendent, or their designee may determine, and shall cause the same to be affixed to the windshield of the vehicle. The towing allocation decal shall be identified by number. If it becomes damaged or destroyed, a duplicate shall be issued by the superintendent, or their designee, after application has been made, at the same cost as the original decal.

(b) The operation of a tow truck by a towing allocation list operator which has not received a towing allocation decal shall result in their revocation from the towing allocation list.

(c) No towing allocation decal shall be issued until proof of liability coverage that meets the requirements of this article is confirmed by the city.

(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1010. Expiration and renewal of certificate.

(a) Each tow truck certificate issued by the superintendent, or their designee, pursuant to the provisions of this article, unless removed for cause, shall expire at the end of each calendar year; shall be renewable on the first of the following calendar year; and shall show, by numeral on the face thereof, the year of its expiration.

(b) Unless the towing allocation decal/certificate is renewed prior to its expiration, each such decal/certificate shall expire on the applicable expiration date as set forth in a schedule determined and posted by the superintendent, or their designee.

(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1011. Removal of towing allocation privileges.

Upon completion of the towing vehicle inspection, the NOPD shall, if necessary, remove from the approved list any towing allocation company operating a tow truck found defective or is not able to pass inspection at any time. The current decal shall be removed from the vehicle by the NOPD and a new towing allocation decal shall not be issued until all defects have been corrected and the towing vehicle passes inspection. Additionally, any towing company, towing vehicle or driver that violates this article or the rules set forth by the superintendent, or their designee, shall have their towing allocation privileges revoked until the case is adjudicated in court.

(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1012. Towing allocation list qualification criteria.

Each applicant shall maintain their towing and recovery business "storage facility" in Orleans Parish. The applicant must maintain all records pertaining to calls made under the towing allocation list at the storage facility, titled for this towing, recovery, and storage business and staffed Monday through Friday 8:00 a.m. to 5:00 p.m., excluding legal holidays. The towing service must make these records available for inspection by the NOPD. A representative of the towing and recovery business shall be on call for emergencies, and an owner of a towed vehicle shall not be charged a storage fee for the days that the owner could not retrieve his or her vehicle as a result of an action or omission from which the tow business would benefit. Each applicant shall maintain all insurance coverage required by Louisiana law, including worker's compensation insurance and sufficient liability insurance to indemnify the City of New Orleans against any losses. A certificate of insurance shall be required as proof of insurance at the submission of an application or renewal. There shall be an annual fee of $20.00 paid to the City of New Orleans for the NOPD to inspect and verify that a towing business and single tow truck meet the criteria as herein established for the towing allocation list at a particular location in the city. There shall be an annual fee of $10.00 paid to the City of New

Orleans by the tow truck owner for the NOPD to inspect and verify that each additional tow truck meets the criteria as herein established for the towing allocation list.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1013. Equipment requirements/ personnel standards.

Tow trucks and operators shall meet all City of New Orleans equipment requirements and personnel standards as follows:

(1) Each towing business shall use a unique name as designated on the state towing license, which shall be clearly distinguishable from the trade name of any other licensee.

(2) No tow truck owner shall operate or permit anyone to operate a tow truck until the following requirements are fulfilled:

a. Tow truck operators shall have valid licenses as required by state and municipal law.

b. Every operator shall be competent by reason of experience or training to safely operate the type of tow truck or tow trucks authorized by the state towing license.

c. Every operator shall possess the knowledge and ability to rig, move, pick up, and transport vehicles without causing or increasing existing damage insofar as possible.

d. Every operator shall be free from impairment of alcoholic beverages, narcotics, or dangerous drugs when operating a towing service or tow truck.

e. No tow truck company or individual shall operate a tow truck without having in his possession proof of current insurance in accordance with state law.

(3) Every owner and operator shall be familiar with the laws, rules, and regulations pertaining to tow trucks.

(4) Drivers are to wear clothing sufficient to identify the towing company and driver.

(5) Any person operating a tow truck will have the necessary experience and qualifications to operate a tow truck in the manner required by this article.

(6) All tow truck drivers will develop, for each vehicle towed or serviced, an itemized statement, bill, or invoice of the towing and storage charges incurred.

(7) Drivers must be 18 years of age or older. Only those duly licensed to drive in the State of Louisiana shall be permitted to drive and operate a tow truck. The class of operator's license must be compatible to the equipment operated.

(8) Tow trucks shall comply with all applicable lighting and equipment requirements in accordance with state law.

(9) All tow trucks, except slide back recovery vehicles while they are transporting a vehicle on their beds, shall be equipped with at least one amber rotating or flashing beacon visible for 360 degrees at a distance of 1,000 feet under normal atmospheric conditions at night. While at the scene of an accident, recovered stolen vehicle, or disabled vehicle, or when actually towing a vehicle, a tow truck operator shall illuminate or cause to be illuminated the amber rotating or flashing beacon.

(10) All tow trucks shall be equipped with the following required equipment:

a. *Oil-absorbent material:* All tow trucks shall have at least the following: Sand, clean dirt, or a commercial oil and grease absorbent in an amount of at least 1,155 cubic inches or the equivalent of a five-gallon can of material which is carried in a weatherproof container.

b. *Electric lantern or flashlight:* All tow trucks shall have at all times, in good working condition, a battery

powered electric lantern, or two-cell flashlight in lieu of an electric lantern.

c. *Fire extinguishers:* Each tow truck shall be equipped with either:

1. A fire extinguisher having an Underwriters Laboratories rating of 5 B:C or more; or

2. Two fire extinguishers, each of which has an Underwriters Laboratories rating of 4 B:C or more.

d. *Steering wheel clamp:* A steering wheel clamp, rope, or its equivalent shall be of sufficient strength to adequately lock the steering mechanism of a towed vehicle in a straightforward position.

e. *Tow sling or tow plate:*

1. Every tow truck shall be equipped with a tow sling, plate, bar, or equivalent that is structurally adequate for any weight drawn. Slings or plates shall be properly and securely mounted on the tow truck without excessive slack.

2. The tow plates, slings, and tow-bars shall be securely attached to the towed vehicle by means of chains, hooks, straps, or equivalent. Attachment chains will have a capacity equal to the weight of the towed vehicle. At least two chains, hooks, straps, or equivalent shall be used.

f. *Attachments:*

1. Every towed vehicle shall be coupled to the tow truck with attachments of a structural strength adequate to safely tow the vehicle.

2. Attachments shall be securely attached to the towing and towed vehicle with no more slack left in the attachment than is necessary to permit proper turning.

(11) Each tow truck shall display on the door or side panel the trade name to their respective business, as registered with the NOPD. The letters are to be at least 2½ inches in height and shall be permanently affixed to the tow truck.

(12) Capacities and specifications of towing equipment:

a. The minimum standards of each tow truck license shall be determined solely by the manufacturer's specifications for the capabilities and capacities of the tow trucks and all towing equipment.

b. Each tow truck shall be equipped with only those winches and cranes that have been produced and constructed by a manufacturer of such equipment who carries product liability insurance, and which regularly produces winches and cranes of guaranteed quality.

1. A winch or crane will not be prohibited by this subsection if the tow truck owner possesses certification from a reputable testing laboratory, regularly engaged in the testing of such equipment or similar equipment, indicating that the capacity of the winch or crane is not less than the weight for which application has been made.

2. All costs of such testing and certification shall be borne by the tow truck owner/applicant.

(13) No tow truck shall tow another vehicle, unless the tow truck has a manufacturer's rating of 10,000 gross vehicle weight rating (GVWR) or higher, and the tow truck has been issued the appropriate towing license plate required by the State of Louisiana. Tow trucks with a manufacturer's rating of less than 10,000 GVWR shall not be permitted.

(14) All tow truck components (i.e., winches, booms, cables, cable clamps, thimbles, sheaves, guides, controls, blocks, slings, chains, hooks, and hydraulic components) are to be maintained in good condition at all times. Cable fittings for hooks, slings, etc., shall be assembled by factory recommendations and specifications. All portable equipment (i.e., shovel, broom, reflectors, flashlights, fire extinguisher, etc.) shall be permanent accessories and be available on the truck at all times.

(15) It is required that the owner/operator carry on board the towing vehicle the following: Proof of all required insurance including a hazardous material policy, if applicable.

(16) Tow truck equipment specifications:

a. At no time shall any tow truck exceed its manufacturer's gross vehicle weight rating or the manufacturer's rated capacity for the towing assembly.

b. At no time will a tow truck attach to a vehicle which, by its size and/or weight, would make towing such vehicle an unsafe movement. That is, a tow truck and its load should never exceed the capabilities of the towing vehicle to safely accelerate, stop, or maneuver.

(17) Towing services shall determine the method and manner of removing vehicles; provided, however, that they shall exercise due care in removal operations and shall follow the lawful direction of any law enforcement officer directing the removal so as not to impede traffic or endanger the general public and property.

(18) Each tow truck authorized on the City of New Orleans towing allocation list shall display on the left front window above the brake tag the NOPD decal, recognizing their approved participation on the towing allocation list.

(19) Towing services and operators on the towing allocation list, in accordance with the provisions of this article, shall be liable and answerable for damages for all injuries or damages whatsoever caused directly or indirectly by the use or operation of the towing allocation list tow truck, whether at the time of the injury or damages such tow truck was being used or operated by the owner, agent, servant or employee or other persons not agents, servants or employees of the holder, unless proof is shown that the vehicle was stolen.

(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1014. Storage facilities.

Storage facilities shall meet all City of New Orleans requirements as follows:

(1) *Towing / storage facility business practices.*

a. Storage facility business hours for purposes of inspection of records, place of business, and towing equipment shall be Monday through Friday, 8:00 a.m. to 5:00 p.m., excluding holidays.

b. When an operator is not open for business and does not have personnel present at the place of business, the operator shall post a clearly visible telephone number at the business location to advise the public how to make contact for the release of vehicles or personal property.

c. All billing invoices that are provided to the redeemer of the vehicle shall be consecutively numbered and shall contain the following information:

1. Date of service and tow truck operator's name.

2. The name of any police agency requesting the tow, if applicable.

3. If the call for service is for a private individual, then an invoice must contain the full name, address, driver's license

number or some form of permanent identification of the person requesting the tow.

4. Itemized fees for service; and
5. The date the vehicle was released.

d. Any invoice, bill, statement, authorization or other form utilized by a towing company, which is to be signed by the owner (or agent) of a vehicle to be towed, must be of a format approved by the NOPD. This form must clearly denote what service is being authorized by signature. That is, there will be a separate signature line which merely authorizes the towing of the vehicle and another signature line to authorize any repairs to the vehicle.

e. No repairs shall be performed upon any vehicle unless there is an explicit signed written agreement authorizing such repairs.

f. Towing companies must submit a sample copy of their invoices to the NOPD towing and recovery unit to be kept on file there. Any invoice which does not meet the criteria outlined above will be in violation of these regulations and any charges for services on an unauthorized invoice will be forfeited. Towing companies shall furnish copies of invoices required herein with their application to the towing allocation list.

g. A copy of the invoice shall be filed by invoice number at the business location and a copy of any voided invoices shall be retained in this same file.

h. The address that the towing service lists on its application shall be the business location where its business records are kept. The application shall also list the locations of all storage areas for vehicle redemption.

i. The owner of a storage facility will be required to maintain a suitable office to transact business and to accommodate the public. It shall be staffed from at least 8:00 a.m. to 5:00 p.m., Monday through Friday, except holidays, throughout the year. Such facilities must be maintained properly, be clean, be presentable at all times and shall be subject to inspection by the NOPD towing and recovery unit.

j. Towing services must make business records available for inspection upon request by law enforcement officers, which information shall be confidential and shall not be released or deemed a public record.

(2) *Storage procedures:*

a. All vehicles shall be handled and returned in substantially the same condition as they existed before being towed.

b. All storage facilities shall employ reasonable safeguards and procedures so that all personal belongings and contents in the vehicle are intact and returned to the vehicle's owner or agent upon release of the vehicle. Reasonable requests for the return of essential property to the owner or agent of the property prior to the release of the vehicle shall be considered and honored wherever possible.

c. All personal property left in a vehicle and not claimed prior to a towing company obtaining a permit to sell such vehicle will be handled in accordance with existing applicable civil law. Reasonable requests for the return of essential property shall be honored whenever possible.

d. Any person who shows proof of ownership or written authorization from the impounded vehicle's

registered or legal owner may inspect and view the vehicle without charge during normal business hours.

(3) *Storage facility:*

a. Storage areas must be secured against unauthorized entry in such a way as to give security to the property contained therein.

b. Storage lots shall be designed to be adequate in size for the individual towing service's need for storing vehicles. The storage facility shall be of sufficient size to accommodate a minimum of 20 stored vehicles. Shared use of a storage facility by more than one towing and recovery business is prohibited, unless authorized by the Louisiana Department of Public Safety and Corrections.

c. If a facility uses outdoor storage, fence material shall be of wood or metal design or of no less quality wire than 14½ gauge hog wire.

1. The fence must not be less than six feet in height.

2. All lots shall have at least one gate of the same quality material as the fence.

3. If such construction upon existing lot(s) is in violation of municipal zoning ordinances or other laws, the operator may file a petition for an alternate means of compliance and a proposed security plan with the NOPD towing and recovery unit.

d. If the storage is an open area, it shall be adequately lighted as described herein.

1. Such storage area must have security with reasonable human attendance.

2. Such open area must be paved or have a sufficiently hard or gravel surface to prevent problems in entry or exit during inclement weather.

3. A conspicuous sign shall be maintained at all times at the entrance to the impound lot and at the impound lot office stating the name of business, telephone number, after hours telephone number, and hours of operation.

4. All impound lots will be lighted during all hours of darkness.

5. The gate to the impound lot(s) shall be locked during the hours of darkness except to provide reasonable ingress and egress in connection with towing service operations.

6. All storage facilities are subject to inspection by the NOPD and must meet the applicable standards defined herein.

(4) *[Minimum security requirements.]* The foregoing shall be considered minimum security requirements.

a. The towing allocation list operator shall, at all times, keep the NOPD advised of the address of the storage facility furnished by it under this requirement. Each vehicle storage facility as provided herein must be approved by the NOPD. Each storage facility shall be inspected by the NOPD and shall contain a minimum of 7,200 square feet of storage area. This is inclusive of a separate and secure area where vehicles towed due to towing allocation duties are properly separately stored.

b. Nothing contained in this section shall be considered to supersede or otherwise affect applicable provisions of the zoning ordinance of the city.

c. Whenever any vehicle has been towed (other than by owner's request)

to a storage facility where fees are charged for such storage or parking, the owner or operator of the storage facility shall, within 24 hours of the time such vehicle is towed to that storage facility, notify the NOPD towing and recovery unit that the vehicle has been towed for storage. The storage operator shall provide to the law enforcement authorities or their designees:

1. The police item number;
2. The location from which the vehicle was towed;
3. A description of the vehicle;
4. The license plate number and vehicle identification number of the vehicle;
5. The name and address of the location to which the vehicle was towed; and
6. An official report of stored vehicle card must be filed with the department of public safety, office of motor vehicles, dealer support section or its agent.

d. Each towing service shall be licensed as a separate legal entity.

e. Towing operators intending to lease or rent storage facilities from established business firms shall file such plan of lease or rent with the NOPD for approval. Such plan must include specific terms delineating the responsibility of the operator relating to compliance with these regulations and assurance that accountability is maintained.

f. Towing operators will maintain all records dealing with the towing and storage of vehicles for a minimum of five years. The NOPD shall have the right to enter and inspect all towing/storage facilities during normal working hours and these documents will be made available upon request.

g. All towing services shall maintain impoundment records which shall include the following information:

1. The date and time the call for service was received and from whom it was received, when applicable.
2. The police item number.
3. A description of the vehicle including make, model, color, vehicle identification number, and license plate number.
4. The date, time, and place at which the operator began the towing operation.
5. The date at which the impounded vehicle was released to the owner.
6. The name of the driver of the tow truck.
7. Letters of notification as required by these rules.
8. Proof of administrative costs.
9. Records of release of vehicle(s).

(5) *Storage rates.* All storage facility operators shall charge rates as set forth in the rules and regulations of the Louisiana Public Service Commission.

(6) *Owner notification of a stored vehicle.*

a. Within seven days of the time that a vehicle is placed in a storage facility, the operator of the storage facility shall notify in writing, by certified letter, return receipt requested, the last registered owner of the vehicle (at the owner's last known address) and the lien holder, should there be any.

b. The storage operator shall provide to the owner:

1. The police item number.
2. The location and name of the storage facility.
3. The vehicle identification number.

4. The vehicle license plate number.
5. A description of the vehicle.
6. The name of the person or agency that had the vehicle towed and/or placed in storage.
7. The date that the vehicle was placed in storage.
8. The condition of the vehicle.
9. The notice of the owner's right to an administrative hearing.
10. The address to which the request for a hearing must be sent.
11. The date by which the request for a hearing must be mailed, by certified letter, return receipt requested, which shall be ten days from the date that the owner's notification is postmarked.

c. Administrative fees:

1. Towing services may charge the registered owner/lienholder those administrative costs incurred by the filing of the official report of stored vehicle card with the office of motor vehicles along with any postal charges related to the mailing of the official report of stored vehicle card or certified letters to the registered owner/lienholder.
2. All costs must be documented with receipts which shall be made available to the registered owner/lienholder upon demand. Failure to comply will result in the forfeiture of all administrative costs, towing, and storage fees.
3. At no time will administrative costs exceed $25.00 for in-state notifications and $30.00 for out-of-state notifications.

(M.C.S., Ord. No. 28755, § 1, 8-5-21)

DIVISION 6. TOWING ALLOCATION LIST PROCEDURE

Sec. 162-1015. NOPD towing allocation list dispatch—Accident scenes, recovered stolen vehicles, police emergencies, and compulsory liability insurance/security impoundment.

(a) Accident scenes, police emergencies. Whenever a motor vehicle has been involved in an accident or collision within the limits of the City of New Orleans and is unable to proceed safely, or the driver is physically unable to drive the motor vehicle, the investigating officer shall request of the driver that the driver designate a towing business to tow the motor vehicle. In the event that the driver is physically unable to designate a towing business, or expresses no preference for a towing business, the towing business next on the towing allocation list maintained by the NOPD shall be dispatched to the scene of the accident to tow the motor vehicle. For any other emergency requirements for a towing service by the NOPD, this same procedure and rotation shall be followed.

(b) For towing and impoundment of vehicles as required for violation of state law regarding compulsory liability insurance/security, a separate towing allocation list for this purpose shall be utilized. The towing business next on the towing allocation list maintained by the NOPD shall be dispatched to the scene of an impoundment to tow the motor vehicle.

(c) For towing and impoundment of recovered stolen vehicles, a separate towing allocation list shall be utilized. Whenever the police locates a vehicle which has been reported stolen and the owner of the vehicle cannot be located or is unwilling or unable to remove the vehicle from the recovery location, and the vehicle no longer has any evidentiary value to the police, the towing business next on the towing allocation list maintained by the NOPD shall be dispatched to tow the vehicle.

(d) For towing and impoundment of abandoned and nuisance motor vehicles, the NOPD shall use its allocation lists. Whenever the parking enforcement division notifies the NOPD that is cannot tow or store an abandoned or nuisance vehicle, the towing business next on a towing allocation list maintained by the NOPD shall be dispatched to tow the vehicle. The towing business shall not lose its place in the towing allocation list from which it was chosen when picking up an abandoned and nuisance motor vehicle.

(e) The NOPD shall log the following information:

(1) Police item number;

(2) Time and date of the dispatch;

(3) Description of the vehicle to be towed;

(4) Purpose of the tow request for services;

(5) Name(s) of the dispatching officer(s); and

(6) Name(s) of the towing business(es) called.

(f) If tow truck operators are unable to respond when summoned by special request or through the NOPD towing allocation list, they must immediately notify the NOPD and shall not summon a substitute. Multiple failures to respond when summoned will subject the towing service business to review and possible removal from the NOPD towing allocation list.

(g) For towing and impoundment of vehicles as required for violation of this Code regarding illegal dumping, a separate towing allocation list for this purpose shall be utilized. The towing business next on the towing allocation list maintained by the NOPD shall be dispatched to the scene of an impoundment to tow the motor vehicle.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1016. Schedule of fees; charge or fee increases.

Whenever a motor vehicle has been towed through a towing service business obtained from the NOPD towing allocation list, the owner/operator of the vehicle being towed shall be responsible for the payment of fees associated with the towing and recovery, and storage, if applicable. The maximum charges or fees for emergency towing by a vehicle owner or operator using the towing allocation list, and for towing performed without the knowledge and consent of the owner or operator of a vehicle, shall be set in accordance with the mandatory tariff schedule set forth by the Louisiana Public Service Commission Schedule of Prescribed Rates and Requirements for Non-Consensual Towing and Recovery Services. Notwithstanding the foregoing, in no instance shall victims of certain crimes be responsible for the payment of fees associated with the towing, recovery, and/or storage of a stolen vehicle in accordance with section 154-705 and section 154-781 of the Code.
(M.C.S., Ord. No. 28755, § 1, 8-5-21; M.C.S., Ord. No. 29085, § 1, 7-7-22)

Sec. 162-1017. Administrative hearing.

The owner of any vehicle towed through a towing service obtained from the NOPD towing allocation list without the knowledge and consent of the owner or operator shall have the right to an administrative hearing pursuant to the Louisiana Administrative Procedures Act, R.S. 45:95 et seq. to determine if the towing and storage of such vehicle was proper. The purpose of the hearing is to determine the validity of the tow and storage. Request for hearing shall be submitted in writing to the NOPD towing and recovery unit. The owner of the vehicle must make a request for such hearing within ten calendar days of the date the owner receives notification by the towing business/storage facility.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1018. Response to towing allocation list, response time.

(a) In any case where public safety considerations permit, and where the vehicle operator specifically requests that a particular licensed tow company provide for the removal, towing and/or storage of his vehicle, the vehicle operator's request shall be honored even if the towing company requested is not a listed towing allocation operator; provided, however, where the public health, safety and welfare dictate an

allocation operator be used, it shall be the duty of law enforcement officials to direct the removal by listed towing allocation operator.

(b) The maximum allowable response time by a licensed towing company requested by the vehicle operator, other than a listed towing

allocation operator, shall be 45 minutes from notification by the vehicle owner or the law enforcement officer. Upon the expiration of such 45 minutes and the dispatching of a listed towing allocation operator, the towing allocation list operator shall have sole authority for removal of vehicles.

(c) All towing businesses must be able to respond in accordance with all traffic laws and safe driving practices to the scene within a 45-minute time period on a 24-hour, 365-day basis.

(d) Towing businesses shall ensure that all operators possess the knowledge and skills to determine the proper sizing, weight requirements, and type of equipment necessary to handle each towing assignment on a damage free basis. In those instances where a towing business representative determines that a different type of equipment is necessary, that business shall be allowed to summon its own equipment, such delivery within a time period not to exceed an additional 30 minutes. If the towing business does not possess the equipment necessary to relocate or clear an accident safely, or to handle the towing and recovery of a recovered stolen vehicle, an immediate notification to the on-scene police officer is required so that the next towing business on the towing allocation list may be officially notified to respond by the NOPD.

(e) Towing businesses designated to respond on the towing allocation list for towing and impoundment of vehicles in violation of state compulsory liability insurance/security shall respond and utilize damage-free towing equipment only.

(f) Towing businesses shall have communication equipment at their facility to provide direct contact between the tow representative and their tow wagons. Citizen band radios and pagers are not sufficient equipment for this purpose.

(g) The allocation of multiple vehicle accident scenes shall be assigned on a "one car - one tow" system. The investigating police officer shall notify the police communications dispatcher of the vehicle license numbers of those vehicles requiring towing support. The sequence of the license plates submitted shall determine the assignment of the towing business in that order of towing allocation list. The towing business shall be notified of their assigned vehicle by license plate at dispatch.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1019. Licensee requirements.

(a) It shall be the duty of the driver of each tow truck that picks up wrecked or disabled vehicles for the purposes of towing the same away to clear the street or highway of all debris, parts, glass, and automotive fluids.

(b) The licensee shall be responsible and liable for any damages or losses inflicted to vehicles lifted, hauled, or transported, or subjected to any other activity performed which is the subject of the licensee's responsibilities and shall be responsible for maintaining the safety and security of contents of the vehicle in his care and custody.

(c) A vehicle removed from the scene shall be transported to its point of destination or storage by the most direct route practical.

(d) Towing companies which are also engaged in the automotive body repair service shall have clearly printed on the front of all invoices or receipts for towing services the following:

(1) A statement which informs the owner or operator of a vehicle towed pursuant to towing allocation list responsibilities that the owner or operator is under no obligation to have body repair or any other work performed on the towed vehicle by the business which towed the vehicle;

(2) The maximum daily vehicle storage charge;

(3) The right of the owner or operator to remove a vehicle upon payment of the accrued daily storage fee and towing fee.

(e) All towing companies shall be party to a reciprocal assistance agreement under which requests for assistance in the performance of allocation responsibilities shall be honored by

any other allocation list operator when feasible. Assistance by a company other than an approved towing allocation business is prohibited.

(f) Towing companies shall immediately inform the NOPD whenever a vehicle to which it has been dispatched is placarded as a carrier of hazardous material. The towing company shall not move a placarded vehicle except under the on-site supervision of department of fire officials (NOFD). However, the NOPD after consultation with NOFD officials may direct the removal of the placarded vehicle without such on-site supervision.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

DIVISION 7. HEAVY DUTY VEHICLES

Sec. 162-1020. Applicant qualifications.

(a) An applicant for a heavy-duty tow truck allocation shall comply or present substantial evidence of his intention and ability to comply with the minimum qualifications herein listed. In any event, an applicant who has been determined by the superintendent, or their designee, to be eligible for heavy duty tows shall, within four days of such determination, provide the superintendent, or their designee, with copies of purchase orders for any equipment which must be purchased to meet equipment qualifications established herein. Any such equipment to be ordered must be available for service by the licensee within 90 days of a determination of heavy-duty towing allocation eligibility. Failure to meet these deadlines may result in the loss of the applicant's eligibility. Every towing company making application shall have operated a heavy-duty tow truck service domiciled in the parish for at least two continuous years immediately prior to submission of a towing allocation application. The city council may approve the application of a towing company not domiciled in the parish to provide service to the 15th Ward (Algiers) after having received a recommendation thereon from the superintendent and upon a determination that such area would otherwise receive inadequate or delayed service.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1021. Equipment.

Each applicant for heavy-duty tow truck allocation under this article shall own and have in operable condition, not less than two heavy-duty tow trucks conforming to the following specifications:

(1) *Heavy-duty tow truck minimum specifications:*

- (a) Gross vehicle weight rating of not less than 33,000 pounds as rated by the manufacturer or certifying laboratories; normally 3½ tons.
- (b) A minimum of 102 inches from the rear of passenger cab to center of rear axle for single-axle trucks or 102 inches to the center of bogie on tandem trucks.
- (c) Single or tandem rear axles equipped with dual rear wheels and tires.
- (d) Five-speed manual or automatic transmission.
- (e) A service brake system, air only, capable of controlling the movement of or stopping and holding the combination of vehicles under normal and adverse conditions. The air brake system shall be equipped to provide for the transfer of air from the wrecker's brake system to that of the towed vehicle.
- (f) A parking brake system separate from the service brake which shall be maintained in proper working order.

(2) *Boom and winch minimum specifications (bare drums):*

- (a) Minimum rated boom capacity of 25 tons.
- (b) Mechanical or hydraulic power winches with a total rated capacity of not less than 25 tons or as per manufacturer rating.
- (c) Minimum of 200 feet of wire rope per winch at least 9/16-inch in diameter of rated breaking strength of 27,000 pounds.

(3) *Required accessories.*

(a) Chain equipped with hooks at least three-eighths inch in diameter.

(b) At least 75 feet of auxiliary air lines equipped with necessary transfer fittings.

(c) Heavy-duty truck towing hitch.

(d) Flashing system with two revolving amber lights mounted on each towing vehicle, body clearance lights, reflectors and at least one work light mounted which has the capacity to light the scene of an accident under darkened or foggy conditions.

(e) One or more brooms, a shovel and 50 pounds of chemical fire extinguisher.

(f) Power up and power down winch operating from the rear of the tow truck. All winches must be operational. Electrical and hand winches shall not be used.

(g) Tow trucks must have throttle control and hydraulic, air or manual brakes on rear wheels. A front push bumper may be provided on trucks that are so designed.

(h) All tow trucks must be equipped with a two-way radio or other telecommunications device enabling communication with a base station having telephone service or with telephone service direct. Radios must be equipped with a business frequency; no citizen band radios will be permitted. Applicable F.C.C. licenses must be maintained and displayed upon request by any law enforcement agency.

(i) Lock-out tools for entry into locked vehicles or vehicles wherein occupants have no ready and suitable means of egress.

(j) Four low-pressure air recovery cushions for use in righting trailers and tractor trailers or in lieu thereof a notarized agreement between the towing allocation list operator and a firm located in the parish or within five miles of the city boundaries which provides for air recovery cushions service upon request of the towing company at a cost to the vehicle owner or operator not in excess of the maximum allowable cost stipulated in the towing allocation application.

(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1022. Transportation of vehicles from scenes.

(a) Towing operators are required to transport the vehicle from the accident scene or the scene of a recovered stolen vehicle only to a location specified by the vehicle owner/driver or to the towing business storage facility.

(b) Subsequent relocation towing, retrieval, and/or repair of the vehicle may only be authorized through the signing of an order of repair by the owner at this storage location only. No repair orders shall be signed on the scene of an accident or stolen vehicle recovery.

(c) Towing operators transporting vehicles impounded for violation of state compulsory liability insurance shall transport these vehicles only to the designated storage facility.

(d) Towing invoices shall contain standard language that must be approved by the NOPD to clearly indicate that the approval signature for the towing of a vehicle as required by the towing allocation system does not include any authorization or involvement in any repair service decision.

(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1023. Exclusion from tow allocation program.

(a) The NOPD may deny participation in the tow allocation program to any towing service company that fails to comply with any rule, regulation, criterion or standard imposed pursuant to this article, or for any other good cause. Participation in the tow allocation program is a privilege, not a right.

(b) The NOPD shall provide each towing service company excluded from participation in the towing allocation program with a written notice setting forth the reasons for exclusion. This notice shall be mailed to the business address identified on the most recent application on file and shall set forth the manner in which the company may request reconsideration.

(c) A towing service company excluded from participation in the tow allocation program may, within ten days of the notice of exclusion, request reconsideration by submitting a written request via certified letter to the NOPD, along with any documentation supporting the request.

(d) Within 30 days of a request for reconsideration, the superintendent, or an authorized designee, shall hold an informal, in-person hearing to discuss the applicant's request for reconsideration. The superintendent shall notify the applicant in writing of the disposition of a request for reconsideration within ten days of this meeting.

(e) Any towing company aggrieved by a decision of the superintendent may appeal to the city council. Any such appeal shall be made in writing through the clerk of council within ten calendar days from the date of the decision.

(f) A towing service company excluded from participation under this section may apply for participation in the tow allocation program in subsequent years.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1024. Relationship to other laws/ regulations.

Nothing in this article or in the NOPD towing allocation list requirements exempts any towing business or towing vehicle from any other state or federal laws or regulations dealing with towing, recovery and storage.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

DIVISION 8. TOWING REQUIREMENTS FOR ALL ACCIDENT SCENE/EMERGENCY RESPONSES

Sec. 162-1025. Accident scene and stolen vehicle recovery scene requirements.

Owners and/or operators of motor vehicles involved in an accident or stolen vehicle recoveries shall cause the damaged or recovered stolen vehicle to be removed from the public roadways, adjacent service lanes, or other city and state property within one hour after completion of the police investigation of the incident or accident. Any vehicle remaining in such areas will be considered as abandoned and hazardous and shall be subject to removal on the order of the NOPD. The NOPD is responsible for conducting all such follow-up after proper investigation of an accident or stolen vehicle recovery to cause such vehicle to be removed within this time limit. The NOPD reserves the right to remove a vehicle which remains in any hazardous position or obstructs the free flow of traffic through a towing service from the towing allocation list if the owner/operator's towing service cannot respond to clear the accident scene, other hazardous condition, or stolen vehicle recovery location within a one-hour response time upon notification. Towing service businesses, whether called from the NOPD towing allocation list or by the owner/operator of the accident vehicle(s) or recovered stolen vehicle(s), shall be responsible for the clearing of all debris, including, but not limited to automotive parts and fluid from an accident or stolen vehicle recovery scene, per each vehicle assigned by the tow truck driver, other towing business employee, or the towing business assignee. The investigating police officer shall monitor the clean-up of an accident or stolen vehicle recovery scene, prohibiting the towing and removal of the vehicle until all such debris, including, but not limited to automotive parts and fluid has been cleared. If a tow truck summoned from the towing allocation list arrives at the scene and is unable to provide the necessary services, they must immediately notify the NOPD and shall not summon a substitute unless

the other tow truck is from the same company and such delivery must be within a time period not exceeding an additional 30 minutes.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

DIVISION 9. PROHIBITED ACTS

Sec. 162-1026. Prohibited response to an accident scene, police investigation or disabled vehicle.

Tow truck operators shall not respond to the scene of a police investigation unless called by the police or by the owner or operator of a disabled vehicle. No person, including, but not limited to, the tow truck owner, or his agent, employee or operator, shall stop at the scene of an accident, at the scene of a stolen vehicle recovery, or at or near a disabled vehicle, for the purpose of soliciting an engagement for towing service. No tow truck owner, or his agent, employee or operator shall stop at the scene of an accident, at the scene of a stolen vehicle recovery, or at or near a disabled vehicle unless he has been summoned to such scene by the owner or operator of a disabled vehicle or has been requested to perform such services by the NOPD or other police agency.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1027. Prohibited use of emergency equipment.

Rotating or strobe beacon lights shall not be used except while at the scene of the accident/emergency or while towing a vehicle. No towing service company or tow truck operator may operate or utilize a police radio monitoring device to obtain information regarding police emergencies, recovered stolen vehicles, or vehicular accident scene for the purpose of soliciting towing service. The possession of radios and/or scanning devices which access police radio frequencies, in any vehicle or tow truck assigned to the towing business is prohibited.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1028. Removal of vehicle.

(a) No towing service business shall tow or remove any vehicle from the scene of any accident, stolen vehicle recovery, or other towing emergency unless summoned to the scene by the owner or operator of the vehicle or the NOPD.

(b) No towing service business shall be allowed to tow or remove any vehicle from the scene of an accident, stolen vehicle recovery, or other towing emergency unless the towing service business complies with state law and this article.

(c) No towing service business shall remove any wrecked, disabled, or recovered stolen vehicle from the scene where an accident has occurred or a stolen vehicle has been recovered or attach a tow truck to such wrecked, disabled, or recovered stolen vehicle until the investigating police officers have completed their investigation. Operators may in emergency cases move a vehicle involved in an accident, if the movement is necessary to extricate a person from a wreckage or to remove an immediate hazard to life and/or property. In no event shall the movement be more than is reasonable and necessary.

(d) Tow truck operators shall not, without the express authorization of the responsible investigating agency, move any vehicle from a public highway or street, or from any public property with such vehicle is abandoned, stolen, or damaged.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1029. Repairs, alterations limited.

No towing service business shall require the performance of repair work on a disabled, wrecked, or recovered stolen vehicle in connection with providing towing service for the vehicle. No towing service shall make repairs or alterations to a disabled, wrecked, or recovered stolen vehicle without first having been authorized by the owner of such vehicle, except for emergency alterations necessary to permit the towing of such disabled, wrecked, or recovered stolen vehicle by the towing service or its agents.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1030. Written statement of services.

No operator shall charge for services which are not itemized and documented on an invoice and/or written statement detailing the charges for any towing services, the location to which the vehicle will be towed and/or stored, and a listing of any services to be performed in addition to the

towing services as well as the charges for these services. The tow truck driver shall not remove any disabled vehicle without signing such written statement and obtaining the signature of the customer on such statement. The only exception to this requirement is when the tow truck has been dispatched from the NOPD towing allocation list and the owner or operator/driver is not present or is incapable of making or declines to make arrangements for the removal of the vehicle.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1031. Unauthorized removal.

No towing service shall tow or remove any vehicle to any location other than to the towing service's approved storage facility unless authorized by the registered owner of the vehicle, the operator, or the NOPD.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

DIVISION 10. PENALTIES

Sec. 162-1032. Termination of towing allocation privilege.

(a) Failure to comply with the provisions of this article by a towing company approved to perform towing allocation responsibilities, unless otherwise indicated herein, shall result in the revocation of their privilege by the superintendent.

(b) If a towing allocation permit is terminated during the calendar year, the business may follow the appellate process outlined in section 162-1023.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1033. Criminal penalties for noncompliance.

Any person who fails to comply with sections 162-1010 through 162-1016 contained in this article shall be in violation of this article, subject to prosecution in municipal court, and such person shall be fined, upon conviction, not less than $100.00 nor more than $500.00 for the first violation during a one-year period. The second violation during a one-year period shall require a fine of not less than $250.00 nor more than $500.00, and a mandatory total of 60 community service hours performed within a 30-day period collecting and picking up litter and trash on the public roads, streets, and highways, and up to six months in jail. Three or more violations during a one-year period shall require a fine of not less than $400.00 nor more than $500.00 for each violation, and a mandatory total of 90 community service hours performed within a 45-day period collecting and picking up litter and trash on the public roads, streets, and highways for each violation, and up to six months in jail for each violation. A conviction for any provision of this article shall also be grounds for removal from the NOPD towing allocation list for a period of one year from the date of such conviction.
(M.C.S., Ord. No. 28755, § 1, 8-5-21)

Sec. 162-1034. Towing zones.

The NOPD may establish no more than four geographic zones based upon existing police district boundaries to assist in the prompt service delivery requirement. Each towing business shall be allowed to participate in the towing allocation list for accidents/police emergencies, the list for stolen vehicles, and the list for impoundment of vehicles in violation of state law regarding compulsory liability insurance/security, in one or more of these zones. The four towing zones identified by police districts are: Zone 1 (4th), Zone 2 (2nd and 6th), Zone 3 (1st, 3rd, and 8th), and Zone 4 (5th and 7th). However, should NOPD determine that four zones are not needed, it may establish separate city-wide call allocation lists for accidents/police emergencies, recovered stolen vehicles, and impoundment of vehicles in violation of state law regarding compulsory liability insurance/security.

XII, §§ 162-1281, 162-1282, 162-1331—162-1333, 162-1376—162-1382, 162-1431—162-1441, 162-1486—162-1488, 162-1531—162-1538, 162-1581—162-1585, which pertained to tow zones established by city and derived from Code 1956, §§ 12-270—12-300. The user's attention is directed to § 162-1034.

ARTICLE XIII. COURTESY VEHICLES

Sec. 162-1631. Contract courtesy vehicle service.

(a) Any CPNC holder may, within the limitations and restrictions of the CPNC held with notice to the director of the department of public works, contract with a person or entity for the provision of courtesy vehicle service. A CPNC holder contracting with a person or entity for the provision of courtesy transportation is prohibited from soliciting the general public as customers of the contracting person or entity or as users of such transportation service. A CPNC holder contracting with a person or entity for the provision of courtesy transportation shall specifically identify, in a contemporaneously maintained transportation log, produced on request of any representative of the city, the contracting party, the person, entity or groups for which such transportation service is provided and the point of origin and destination of the transportation.

(b) A CPNC holder contracting with a person or entity for the provision of courtesy transportation may only transport passengers from point of origin to one point of destination, provided that one of the two points is the place of business of the person or entity contracting for the provision of courtesy vehicle service, with the following two exceptions:

(1) The CPNC holder has filed with the director of the department of public works a written plan detailing the various points of destination. The plan may be disapproved by the director of public works. If approval is not granted within five calendar days, or if the request is denied, the applicant shall have the right to appeal to the Civil District Court for the Parish of Orleans within 30 working days of the denial; or

(2) The courtesy transportation is a charter where the passenger has the absolute discretion as to destination, route and time of departure and return.

(M.C.S., Ord. No. 17,164, § 1, 9-7-95; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 24724, § 3, 1-5-12; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1632. Off-street loading and unloading.

A courtesy vehicle CPNC holder must provide off-street parking for the vehicle when not in use. Loading and unloading of passengers at the CPNC holder's place of business, stated in the current occupational license provided to the director of the department of public works in the courtesy vehicle CPNC application, shall only take place in appropriate passenger or loading zones.

(M.C.S., Ord. No. 17,164, § 1, 9-7-95; M.C.S., Ord. No. 21480, § 5, 4-1-04; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1633. Violation; penalty.

(a) A violation by a courtesy vehicle CPNC holder or its driver of any of the regulations set forth in this article shall result in a fine and/or suspension or revocation of the CPNC according to the following:

(1) First violation shall result in a fine of not less than $50.00 nor more than $200.00, to be determined by a duly authorized hearing examiner following a hearing on the matter.

(2) Second violation shall result in a fine of not less than $250.00 nor more than $500.00, to be determined by a duly authorized hearing examiner following a hearing on the matter.

(3) Third violation shall result in an automatic suspension of the courtesy vehicle CPNC for a length of time to be determined by a duly authorized hearing examiner following a hearing on the matter.

(4) Fourth violation shall result in the revocation of the courtesy vehicle CPNC. Prior to such revocation, the CPNC holder shall be entitled to a hearing on the matter before a duly authorized hearing examiner.

(b) Any violation of any of the regulations set forth in this article may result in the suspension or revocation of the courtesy vehicle CPNC, to be determined by a duly authorized hearing examiner following a hearing on the matter.

ARTICLE XIV. PEDICAB SERVICE*

DIVISION 1. GENERALLY

Sec. 162-1634. Definitions.

The following words and terms, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Bureau shall be the ground transportation bureau of the department of public works.

Operator includes every person in actual operation of the pedicab licensed for operation as a for-hire vehicle under this chapter. This person may share additional, company-related titles, such as owner, employee of the owner, or independent contractor.

Owner shall mean any person who is the actual legally registered owner of the company and the vehicles defined and described in this chapter.

Pedal carriage shall mean a pedal pub, pedal bar, or any other manually powered or motor-assisted quadricycle-type vehicle designed to transport two or more passengers in seats arrayed alongside the vehicle.

Pedicab shall mean any bicycle-like vehicle duly licensed to be operated as such by the department of public works and used primarily for the purpose of providing for-hire transportation over a route or to a destination and upon which one or more persons may ride as passenger(s) while being propelled exclusively by the manual strength of a company hired person.
(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 28624, § 2, 3-11-21; M.C.S., Ord. No. 28678, § 1, 5-20-21)

Sec. 162-1635. Special regulations.

In addition to the other applicable provisions of this chapter, all holders of a pedicab certificate of public necessity and convenience (CPNC holders) and pedicab operators shall comply with the applicable provisions of this article.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

*__Editor's note—__M.C.S., Ord. No. 24156, § 1, adopted Oct. 21, 2010, amended art. XIV in its entirety and enacted similar provisions as set out herein. The former art. XIV derived from M.C.S., Ord. No. 24111, § 1, adopted Sept. 2, 2010.

[The next page is CD162:103]

Sec. 162-1636. Certificate required.

(a) No pedicab shall be operated on the streets of the city unless the owner of such vehicle has first applied for and received a certificate of public necessity and convenience (CPNC) qualifying a pedicab in the manner provided in this chapter.

(b) It shall be unlawful for any person to transport or offer to transport passengers for hire in any pedicab which does not have affixed to vehicle thereof a valid for-hire vehicle registration number issued along with a valid CPNC as set forth by the director of the ground transportation bureau.

(c) All CPNC registration numbers and/or vehicle registration plates shall remain as the property of the city.

(d) CPNCs and/or and registration plates shall not be transferred, sold or given from one owner to another including the sale of one pedicab company in its entirety to another.

(e) All unused CPNCs shall be returned to the ground transportation bureau of the department of public works.

(f) The director of the ground transportation bureau shall track all CPNCs and after the renewal period if the CPNC has not been renewed it shall be determined to be unused.
(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1637. Inter-parish operation of pedicabs prohibited.

Pedicabs of the type subject to regulation under this chapter in the Parish of Orleans shall be bound to operating within the boundaries of the Parish of Orleans and shall not accept a fare or transport passenger going to or coming from a parish outside of Orleans. Inter-parish operation is prohibited.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1638. Nonparish-licensed operators.

No owner or operator of any pedicab authorized to operate in any parish other than the Parish of Orleans or in any political subdivision thereof shall stop or park anywhere on the city's streets where such stopping or parking is prohibited to any pedicab or other for-hire vehicle operating under a permit from the city, or stop or park anywhere in the city with intent to violate this Code. No such owner or operator of any such vehicle shall operate such vehicle in any manner contrary to the provisions of any law of this state or this Code. No such owner or operator of any such vehicle at any time shall transport passengers for hire within the parish of Orleans without meeting the provisions herein.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1639. Pedicab liability coverage.

All pedicabs operating in the parish shall have current liability coverage for each vehicle. The liability coverage for a pedicab shall be represented by a policy of liability insurance issued by an insurance company authorized to do business in the state, either as an admitted company or a surplus line company certified to do business in the state, provided that if same is written in a surplus line company, and such policy shall provide for payment of a sum of not less than $100,000.00 to satisfy all claims for damages by reason of bodily injury to or death of any one person resulting from any one accident, and subject to such limit for one person; for payment of a sum not less than $300,000.00 to satisfy all claims for damages by reason of bodily injury to or death of two or more persons resulting from any one accident; and for payment of a sum not less than $50,000.00 to satisfy all claims for damage to property resulting from any one accident by reason of the ownership, operation, maintenance or use of such vehicle upon any street.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1640. Maintenance and appearance of vehicle.

Each operator of a pedicab, or driver, shall be fully responsible for the exterior and interior physical appearance of the pedicab. Each driver shall be required to maintain the pedicab and his or her person in a neat and clean condition at all times. Interiors of all pedicabs must be kept free

of all debris. They must be maintained free and clear of all paraphernalia and other items not necessary for the operation of such pedicab. The minimum penalty for one violation of this section within a one-year period shall be $50.00. The penalty for two violations within one year of the first violation shall be a minimum $100.00 fine plus up to a ten-day suspension from operating any for-hire vehicle. The penalty for three or more violations within a one-year period of the first violation shall be a minimum fine of $150.00 fine, and/or suspension for a defined period of time from operating any for-hire vehicle, or revocation of the license to operate any for-hire vehicle.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1641. Vehicle requirements.

Each pedicab in operation must meet the following minimum specifications:

(a) Unibody frame construction;

(b) Three wheels;

(c) Rubber on all wheels;

(d) A width of no more than 55 inches and length of no more than ten feet;

(e) Absent of electric or gasoline-powered engine;

(f) Headlights that have a beam of at least 300 feet;

(g) Flashing taillights that are visible from at least 500 feet;

(h) Reflectors on the spokes of all three wheels;

(i) Hydraulic, mechanical disk, or drum brakes that are unaffected by wet conditions;

(j) Body painted with bright, reflective paint.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1642. Pedicab driver photo identification and uniform.

All drivers are required to wear a photo identification and uniform clothing containing the operator's name and the affiliated company, of a design specified by the director of the ground transportation bureau of the department of public works. This identification shall be worn during all duty hours and shall be worn to be plainly visible at all times. Every driver must wear a uniform T-shirt, jacket, collared shirt, or sweater with the pedicab company's logo.
(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1643. Passenger as controller of cab.

It shall be unlawful for a pedicab operator to cause a passenger to wait without the passenger's consent or to pick up additional passengers en route without the passenger's consent.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1644. Number of passengers per vehicle.

It shall be unlawful to load more passengers in a pedicab than there is seating space available, except that children who are two years of age or younger and held in the arms of an adult may be carried in excess of the above. No pedicab shall be loaded with passengers in such a manner as to obstruct the view of the operator or otherwise interfere with the safe operation of the vehicle.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

DIVISION 2. TRAFFIC LAWS AND WAITING AREAS

Sec. 162-1645. Pedicab traffic laws.

All pedicab operators must obey all the same traffic laws as described in article XII, sections 154-1401 to 154-1424, which will be enforced by the ground transportation bureau investigators, police, or any commissioned policing authority.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1646. Pedicab and for-hire vehicle waiting areas.

Pedicabs shall be prohibited from parking on sidewalks and all street parking of pedicabs shall be in adherence to current parking laws. While waiting for a fare, the operator of a pedicab shall not restrict the free movement of

pedestrians. All loading and unloading of passengers from a roadway must be from a curb lane. The pedicab should be as close as possible to the curb and in no circumstances more than three feet from the curb while parked and while loading and unloading a passenger.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1647. Restricted areas defined.

(a) It shall be unlawful for any pedicab to inhabit, stand or park in neutral grounds of the city with their vehicles while waiting to obtain a passenger.

(b) It shall be unlawful for a pedicab to transport passengers on city streets with a posted speed limit which exceeds a rate of 35 miles per hour except where noted below.

(c) Pedicabs shall be permitted to transport passengers on any city thoroughfare dedicated as a bicycle lane or corridor which is clearly marked for said use irrespective of posted speed limit for motor vehicle traffic.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1648. Unlawful to alter rates.

It shall be unlawful for any person to alter in any manner the established rates of hire for such vehicle except as by the Council of the City of New Orleans.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

DIVISION 3. TRADE NAMES AND NEW LINES

Sec. 162-1649. Trade name to be registered.

The trade name applicable to each vehicle operated under the provisions of this article shall be registered with and approved by the ground transportation bureau. Such registration shall set forth the full name and address of the lawful owner or owners of such trade name and shall specify the color scheme of vehicles to be operated under such trade name. Each change in color scheme or of lettering of such vehicle shall likewise notify and be approved by the ground transportation bureau. No new trade name or color schemes which are identical or deceptively similar to any trade name or color scheme already registered with the ground transportation bureau shall be approved by the ground transportation bureau.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1650. Identification of vehicles.

(a) A pedicab operated under the provisions of this article shall conform in all respects to the color scheme as set forth for the registered trade name under which it is to be operated. In addition, the vehicle's registered certificate number assigned by the ground transportation bureau and the telephone number of the pedicab company shall be permanently affixed to the vehicle as prescribed by the bureau.

(b) The full name of the owner of each for-hire carrier vehicle operated as a pedicab and the number of the vehicle's certificate shall be conspicuously affixed to the vehicle in letters and figures at least two inches high in a location to be determined by the bureau. Proof of the for-hire vehicle renewal certificate shall appear inside the pedicab in a manner also to be determined by the bureau in accordance to the provisions herein.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1651. Current record; complaints; notices.

All pedicab line operators shall:

(a) Maintain a current record of pedicab CPNC numbers and each operator per vehicle that is on the line;

(b) Refer any and all complaints by passengers of pedicabs to the ground transportation bureau; and

(c) Distribute any and all notices issued by the director of the department of public works to each and all operators of the line. Such distribution shall be in written form within five days of receipt of such notice by the line owner.

(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1652. Violation; penalty.

A violation by a pedicab line of any regulations set forth in this article shall result in a fine to the violator of not more than $500.00 per violation, to be determined by the director of the department of public works pursuant to a hearing in accordance with R.S. 49:951 et seq.
(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 28624, § 2, 3-11-21)

DIVISION 4. FARES

Sec. 162-1653. Legal fares and payment thereof required.

(a) It shall be unlawful for any pedicab operator to ask, demand or collect any rates of fare other than as specified herein.

(b) It shall be unlawful for any passenger of any such vehicle to refuse to pay the operator thereof the legal rate charged pursuant to the provisions of this article.

(c) The department of public works shall review all ground transportation fares each consecutive odd year, and submit a report in a national peer city comparative analysis format to the mayor and the city council.

(d) An individual pedicab operator may, upon the collection of a fare from a passenger, accept a gratuity for the provision of transport services if the passenger deems appropriate to do so.

(e) It shall be unlawful for a pedicab operator to force payment of gratuity or to attempt to coerce, intimidate or cajole a passenger into paying a gratuity beyond that which the passenger deems appropriate.

(f) Fare rates must be posted and permanently affixed in a location on the pedicab that is visible to passengers.
(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1654. Maximum rate per trip.

No operator of any pedicab shall charge any passenger more than the amount allowed such operator for the trip under this chapter.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1655. Established fares.

For distances up to and including six city blocks, each pedicab company shall set its fare schedule at a rate not to exceed $5.00 per passenger transported; each subsequent city block of transport may incur an additional fare of up to $1.00 per passenger. After having exceeded the first six city blocks, and in the event that a portion equal to roughly one-half of one city block is traveled, the operator shall be permitted to charge an additional $0.50 based upon his/her discretion.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

DIVISION 5. PUBLIC NECESSITY

Sec. 162-1656. Number of pedicabs.

(a) No individual may be an owner, partner, minority holder, or otherwise associated in a manner of ownership capacity with more than one pedicab company.

(b) No one owner or company may operate with more than 15 pedicabs and no more than half of the total pedicab CPNCs issued citywide, except when authorized to operate with a temporary certificate per section 162-1665 herein.

(c) The maximum total number of pedicabs CPNCs to be issued citywide shall not exceed 65. This number may only be raised following a market analysis recommending such an increase. Any increase of pedicab CPNCs shall only be considered after completion of a petty cab market analysis report, which, upon completion, shall be transmitted as a communication to the city council public works, sanitation and environment committee.

(1) A pedicab market analysis must be initiated by the chair of the city council public works, sanitation and environment committee and the director of the ground transportation bureau, who shall transmit as a communication to the city council a joint letter documenting initiation of the analysis. Prior to submitting the letter, the parties shall consult with relevant stakeholder groups, including

French Quarter residents, business groups, and economic development entities.

(2) Only third party entities outside of the City of New Orleans executive branch, as defined in Home Rule Charter section 4-101, are eligible to complete a pedicab market analysis.

(3) A completed market analysis shall include an examination of the geographic proliferation and impact of pedicabs, particularly in French Quarter, along with all other modes of transit. It shall also consider economic development opportunities and additional needed enforcement that would result from enhanced pedicab use in other neighborhoods, as well as broader sustainable tourism model practices applicable citywide. The study must be done in consultation with relevant stakeholder groups, including neighborhood associations, business and economic development entities, the pedicab industry, and pedicab operators.

(d) The surplus of pedicab CPNCs, which shall be defined as the difference between the number of pedicab CPNCs issued and the maximum permitted citywide, shall be maintained by the ground transportation bureau. The director of the ground transportation bureau shall use best efforts to ensure that at least 35 percent of the approved surplus pedicab CPNCs are allocated to registered disadvantaged business enterprises, consistent with Chapter 70, Article IV, Division 2 of the City Code.

(e) Any pedicab company or individual operator shall be free to operate uninhibited in all parts of the city except in those areas restricted within the provisions set forth in this article.

(f) No pedicab company shall have a favored territory or zone of operation over another pedicab company, but an owner may deploy operators as needed.

CPNCs shall not be transferred, sold or given from one owner to another. In the event of a sale of a pedicab company, and its assets, in its entirety to another, the purchaser must apply for applicable permits as set forth in this article. (M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 28912, § 1, 1-6-22; M.C.S., Ord. No. 29345, § 1, 2-16-23)

Sec. 162-1657. Reserved.

Editor's note—M.C.S., Ord. No. 28912, § 1, adopted Jan. 6, 2022, repealed § 162-1657, which pertained to pilot period and derived from M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 25056, § 1, 10-18-12; M.C.S., Ord. No. 25156, § 1, 1-10-13; M.C.S., Ord. No. 25284, § 1, 4-11-13; M.C.S., Ord. No. 25485, § 1, 9-12-13; M.C.S., Ord. No. 25627, § 1, 12-5-13; M.C.S., Ord. No. 25712, § 1, 2-20-14; M.C.S., Ord. No. 25816, § 1, 4-24-14.

DIVISION 6. PEDICAB BUSINESS AND OPERATOR APPLICATIONS

Sec. 162-1658. Pedicab business application procedures.

(a) To obtain operating authority for a pedicab service, a person must make written application to the ground transportation bureau on a form prescribed by the bureau. The application must be sworn or affirmed.

(b) All applicants prior to consideration for certificates of public necessity and convenience for pedicabs must give proof of title or leasing agreements for passenger bicycle taxis which conform to the specifications herein within 30 days of initial application. If more time is required, the applicant may request in writing one extension, which shall be awarded at the discretion of the director of the ground transportation bureau.

(c) All applicants must show proof of commercial address within Orleans Parish, and must show ability to lease or own a warehouse facility sufficient to house their fleet of vehicles within the Parish of Orleans.

(d) The applications must include:

(1) A detailed description of the proposed service, or business plan, the viable implementation of which shall be determined by the director of the ground transportation bureau.

(2) The name, address, telephone number, and Louisiana driver's license number of the applicant and each officer, director, partner, and any other person who will participate in the business decisions of or who has the authority to enter contracts on behalf of the ground transportation service.

(3) Certified copies of any documents required by state law to be filed for the business entity to legally exist, and a statement from the Louisiana Secretary of State certifying that the business is in good standing if state law requires the entity to file documents with the Louisiana Secretary of State.

(4) A description of the applicant's ground transportation service experience, if applicable.

(5) Proof of insurance coverage or commitment letter for such required under this chapter.

(6) An affidavit that there are no outstanding judgments that arise out of circumstances related to ground transportation service against a person.

(7) Additional information required on the application form prescribed by the department.

(e) A person may apply for multiple CPNCs on a single application form, provided that the application complies with this article.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1659. Application fee required.

(a) An application for operating authority must be accompanied by an application fee of $50.00 for administrative expenses.

(b) A person who applies for multiple CPNCs on one application shall pay only one application fee.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1660. Annual licensing fee required

The fees charged by the department of public works for each certificate of public necessity and convenience for pedicabs are as follows:

(1) Initial license $100.00

(2) Annual renewal 100.00
(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1661. CPNC hearing.

(a) The ground transportation bureau shall hear publicly all applicants seeking certificates of public necessity and convenience for pedicabs on at least a biannual basis.

(b) All applicants must submit a completed application at least ten days prior to said publicly noticed hearing; failing to meet this deadline, the applicant must defer public hearing to the next biannual meeting.

(c) Final selection of an applicant shall be made by the director of the ground transportation bureau who shall notify all applicants, successful or otherwise, of the status of their application in writing within ten days of the selection.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1662. Standards for issuing and denying certificate.

In a decision and recommendation to approve or deny an initial or renewal application for operating authority, the bureau shall consider whether:

(1) All applicable requirements of this chapter have been met;

(2) A certificate of necessity and convenience for any type of for-hire vehicle has previously been revoked;

(3) The applicant advertised, offered, or provided pedicab service before the application was approved.
(M.C.S., Ord. No. 24156, § 1, 10-21-10)

Sec. 162-1663. Appeal of application denials.

(a) The department shall notify an applicant in writing of the denial of an application and the reason for the denial. The notice must include a statement of the applicant's right to appeal.

(b) An applicant may appeal a denial of the application to the Civil District Court for the Parish of Orleans no later than thirty (30) working days after the notice of denial is mailed to the applicant.

(c) The city council shall issue a decision on the appeal no later than 30 days after receipt of the written appeal.
(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 24724, § 4, 1-5-12)

Sec. 162-1664. Pedicab renewal application.

(a) *[Annual renewal.]* An owner that maintains a fleet of pedicabs must annually apply for a renewal for each certificate of public necessity and public convenience on a form prescribed by the bureau.

(b) *[Good standing.]* No owner in good standing shall be denied an annual renewal.

(c) *Delinquency penalty.* A certificate of public necessity and convenience (CPNC) for pedicab vehicles expires on March 31 of each year and must be renewed within the month following expiration (April) for a fee of $100.00. A CPNC renewal that is submitted in the month of May is subject to a delinquency penalty of $100.00 in addition to the renewal fee of $100.00. A CPNC renewal that is submitted in the month of June is subject to a delinquency penalty of $100.00 in addition to the renewal fee and the May delinquency penalty. A CPNC shall not be renewed after June 30; however, the director of the department of public works (or his designee) at his discretion may make an exception for good cause shown by the CPNC holder. The request for an exception must be in writing before July 1 and if granted is subject to a delinquency penalty of $50.00 per month beginning in the month of July. This delinquency penalty shall be in addition to the fees and penalties outlined above.

(d) *Revocation of certificates of public necessity and convenience (CPNC).* A certificate of public necessity and convenience (CPNC) that is not renewed by June 30 is suspended. A CPNC shall be revoked if a renewal is not submitted in April, May, or June, or within the extended time period granted by the director or the designee.
(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 26306, § 1, 3-26-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1665. Temporary operating permits.

During special or other events that attract a large number of visitors to the city, if a pedicab for-hire service experiences periods which demonstrably require more pedicabs than are currently registered with the city, the owner may request supplemental temporary pedicab permits by submitting a written application which shall state the reason why supplemental pedicabs are needed and identify the pedicabs to be used. Supplemental pedicabs authorized by a supplemental operating permit are temporary and:

(a) Are subject to fees for daily or weekly use which shall be set at a level of half of those levels assessed for special charter fees in subsection 162-195(2) of the Municipal Code of Ordinances.

(b) Shall be issued no sooner than noon of the day before the event; and shall be valid until no later than noon of the day after the event.

(c) Must comply with the pedicab requirements of this article.

(d) Must comply with the insurance requirements of this article.

(e) Are subject to inspection by the department of public works, who may at any time order unsafe vehicles to be removed from service.

(f) Must be operated by a New Orleans licensed pedicab company.

(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1666. Operator's license application.

Prior to operating a pedicab for hire, the operator must obtain an operating permit. In order to obtain the permit, the following must be provided:

(a) A valid driver's license issued in the United States;

(b) Proof that the applicant is at least 18 years old (the driver's license is acceptable).

(c) A completed application determining whether the applicant:

(1) Has ever been convicted of a felony or a misdemeanor and, if so, the details thereof;

(2) Has ever been licensed as a driver or chauffeur and, if so, whether such license has ever been revoked and for what cause;

(3) The driver is physically qualified to drive a pedicab safely and the driver's hearing and eyesight are unimpaired;

(4) Has sufficient knowledge of the traffic laws and rules of the city.

(d) $40.00 processing fee.

(M.C.S., Ord. No. 24156, § 1, 10-21-10)

DIVISION 7. PEDICAB INSPECTIONS

Sec. 162-1667. Pedicab vehicle inspections.

It shall be unlawful for any person to operate a pedicab without it passing an annual inspection.

(a) The holder of each pedicab vehicle grant shall annually obtain from the department of public works an inspection receipt that indicates that the pedicab vehicle has passed inspection. A copy of said receipt shall be maintained with the vehicle at all times in a manner prescribed by the bureau.

(b) Any pedicab vehicle found not to conform to the standards and tolerances provided for in this article shall not be approved by the department of public works and shall be ordered out of service. The department of public works shall make or cause to be made, at least every 12 months, inspections of pedicab vehicles to ensure their compliance with this article. The department of public works shall maintain a record of each inspection and shall provide the owner a copy of same. Once a pedicab vehicle is inspected and found to be in compliance with this article, the department of public works shall furnish an inspection receipt to the company representative undergoing the inspection. Such inspection receipt shall be maintained with the vehicle at all times in a manner prescribed by the bureau.

(c) Annually, the owner shall pay $20.00 inspection fee per pedicab vehicle.

(d) If a pedicab is involved in an accident or collision during the term of the operating authority, the owner shall notify the ground transportation bureau within five days after the accident or collision. Before operating the pedicab again under the operating authority, an owner shall have the vehicle reinspected for safety and shall send to the department of public works a sworn affidavit that the vehicle has been restored to its previous condition.

(e) All new approved pedicab companies in the year of inaction of this article shall be issued an inspection gratis by the department of public works.

(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1668. Advertising authorized.

(a) The placement of placards, signs, images, insignias or logos shall be permitted on the body of a pedicab as approved by the director of the department of public works.

(b) Advertisement images shall not obscure the visibility of the registration number or plate.

(c) Advertisements shall be limited to exclude the following:

(1) Lewd, crass, vulgar or sexually explicit content or images.

(2) Political slogans or propaganda.

(3) Advertisements which emit their own source of illumination.

Bumper stickers shall be prohibited.
(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1669. Disadvantaged business enterprise.

In approving pedicab certificate of public necessity and convenience (CPNC) holders, the director of the ground transportation bureau shall be required to make every reasonable effort to ensure that a minimum 35 percent of the approved pedicab businesses are registered disadvantaged business entrepreneurs in accordance with chapter 70, article IV, division 2 of the City Code.
(M.C.S., Ord. No. 24156, § 1, 10-21-10; M.C.S., Ord. No. 29345, § 2, 2-16-23)

DIVISION 8. PEDAL CARRIAGES

Sec. 162-1670. Prohibited acts.

It shall be unlawful for any person to operate a pedal carriage or to offer to transport passengers for hire in any pedal carriage within the City of New Orleans.
(M.C.S., Ord. No. 28678, § 1, 5-20-21)

Sec. 162-1700. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Transportation network company (TNC) means a person or organization, whether a corporation, partnership, sole proprietorship, or other entity that connects passengers with drivers using their personal vehicle for purposes of for-hire transportation services by means of a TNC digital network.

Transportation network company digital network (TNC digital network) means any online-enabled application, software, website, or system offered or utilized by a TNC that enables the prearrangement of rides with TNC drivers.

Transportation network company driver (TNC driver) means a person who uses his or her personal vehicle to provide for-hire transportation services for passengers matched through a TNC digital network. A TNC driver need not be an employee of a TNC.

Transportation network company services (TNC services) means the transportation of a passenger between points chosen by the passenger and is prearranged by a TNC using a TNC digital network. TNC services commence from the moment a TNC driver logs onto a TNC digital network and ceases when the driver logs off the TNC digital network.

Transportation network company vehicle (TNC vehicle) means any motor vehicle being used to provide TNC services through a TNC digital network that is:

(1) Owned or leased by the TNC driver, or otherwise authorized for use by the TNC driver to provide TNC services, and is not owned or leased by a TNC;

(2) Not licensed as a limousine, horse-drawn carriage, pedicab, general charter tour vehicle, sightseeing tour vehicle, courtesy vehicle, non-emergency medical vehicle, airport shuttle, or any other classification of for-hire vehicle, excluding taxi cabs with Certificates of Public Necessity and Convenience registered in Orleans Parish, as provided under Article III of this chapter or licensed by any other political subdivision or the Louisiana Public Service Commission; and

(3) For one year from the effective date of this article, a TNC may not enable a passenger to request service from a specific type of vehicle which if granted a CPNC would conform to the definition of a limousine or otherwise is able to be classified or typed as a limousine under this chapter, notwithstanding vehicle color.

(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 27485, § 1, 8-10-17)

Sec. 162-1701. TNC permit required.

No TNCs shall operate without first having applied for and received a TNC permit in the manner provided in this article. Any person or entity found operating a TNC without a TNC permit shall be subject to a fine of no less than $500.00 for the first offense and shall be prohibited from obtaining a TNC permit for one calendar year from the date of the offense. For second or subsequent offenses violators shall be subject to the maximum fine allowed by law and shall be permanently prohibited from obtaining a TNC permit.

(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1702. Occupational license required.

No applicant shall receive a TNC permit without first having applied for and received an occupational license from the department of revenue. The occupational license application shall include proof of registration to conduct business in the state and the name, address, and contact information of an agent for service of process within the state, and the address of an

office located within Orleans Parish. A physical office must be maintained in the parish; a P.O. Box is not sufficient.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1703. TNC permits are privileges.

TNC permits are privileges and not rights. The director of public works or his designee has full discretion in determining whether a TNC permit shall be issued. TNC permits are not transferrable.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1704. TNC permit application.

An application for a TNC permit shall be submitted to the department of public works on forms to be furnished by the director of the department of public works, and the applicant shall furnish the following information with each application:

(1) The name and form of business under which the service will be operated;

(2) The name, phone number, mailing address, and street address (if different from the mailing address) of the applicant's agent for service of process;

(3) Proof of current coverage of insurance as required by this article;

(4) A general description of the means and methodology used to charge passengers and the standard rates for for-hire vehicle transportation services rendered; and

(5) Any additional information as requested by the director of the department of public works for administration of this section.

(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1705. TNC permit fees.

The department of public works shall charge an annual TNC permit fee of $15,000.00. The TNC shall also remit quarterly payments to the department of public works in an amount equal to $0.50 per trip originating in Orleans Parish each quarter. These fees shall be assessed in addition to any other fees charged in any other provision of this chapter. Six months after the effective date of this article, the department of public works shall evaluate the fees and assessments established herein as to whether they are sufficient to offset the cost of the enforcement of this article.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1706. Reserved.

Sec. 162-1707. Accessibility.

(a) TNC drivers shall comply with all applicable laws relating to accommodation of service animals.

(b) A TNC shall not impose additional charges for providing services to persons with physical disabilities because of those disabilities

(c) As of January 1, 2016, any TNC that has at least 50 vehicles operating on its TNC digital network shall provide that:

(1) No less than three percent of all TNC vehicles in its network shall comply with vehicle guidelines set forth in the Americans with Disabilities Act (ADA) with the average time available per week for such vehicles being reasonably within the average time available per week of all TNC vehicles on its TNC digital network;

(2) No less than three percent of the total time available per week of all TNC vehicles in its network shall be achieved by TNC vehicles that comply with vehicle guidelines set forth in the Americans with Disabilities Act (ADA); or

(3) The TNC shall make its TNC digital network available to all accessible taxicab CPNC holders to allow passengers to book rides on the TNC digital network with accessible taxicabs. The TNC shall make available the same or substantially the same software TNC digital network functionality as it provides for TNC vehicles, but is not required to accept payment through the TNC digital

network. The TNC shall provide this service to accessible taxicabs at its own expense.

(d) Prior to January 1, 2016, TNCs shall make reasonable efforts to provide accessibility options to passengers.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1708. TNC website requirements

A TNC shall provide the following information on its website:

(a) TNC's customer service telephone number and/or email address;

(b) TNC's zero tolerance policy and how to report TNC drivers whom the passenger(s) suspect have violated the zero tolerance policy as set forth in section 162-1739 of this chapter;

(c) TNC's method and rate calculation formula

(d) Procedures for reporting a complaint about a TNC driver; and

(e) Complaint telephone and/or email address for the ground transportation bureau.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. 27992, § 3, 2-7-19)

DIVISION 2. TRANSPORTATION NETWORK COMPANY DRIVERS

Sec. 162-1709. TNC driver registry

(a) A TNC shall maintain a registry of all employed or contracted TNC drivers. The registry shall include the following information for every employed or contracted TNC driver:

(1) Full name;

(2) Date of birth;

(3) Louisiana driver's license number;

(4) Louisiana motor vehicle registration number of vehicle that will be used to provide TNC services or Louisiana license plate number of vehicle that will be used to provide TNC services; and

(5) Active dates of employment or contracts.

(b) A TNC shall electronically update its registry with the department of public works on the first day of each month and upon request. Registries must be furnished to the department of public works within 24 hours of such request. Failure to provide such information or update its TNC driver registry shall be grounds for the suspension or revocation of a TNC permit.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1710. TNC driver background checks.

(1) A TNC shall not allow a TNC driver to perform TNC services unless or until the TNC has performed or caused to be performed background checks on TNC driver applicants and TNC drivers that comply with the standards pursuant to sections 162-241 and 162-242 and are in accord with the policies and regulations of the department of public works implementing such standards.

(2) The methodology shall include a local and national criminal background check for each applicant which shall include:

(a) Multi-State/Jurisdictional Criminal Records Locator or other similar nationwide database criminal history record check to determine if a person has been arrested for and/or convicted of a crime with validation (primary source search), which shall include a social security trace or other similar identification check to identify additional relevant information about applicants, including first name, last name, middle name or initial, aliases, maiden name, alternate spellings, and nicknames, date of birth, Social Security Number, any known addresses; and

(b) Any records search which bases jurisdictional criminal record searches on identified places of residence shall additionally require identical records searches for Orleans, Jefferson, St. Bernard, St. Tammany, Tangipahoa, Plaquemines, and St. Charles Parishes; and,

(c) Results or findings of such a search must be confirmed with the jurisdiction or court system to determine disposition of proceedings; and

(d) National Sex Offender Registry database; and

(e) A driving record check to verify compliance with section 162-243(b) of this chapter.

(3) The details of the background check methodology to be used by a TNC in the certification of their TNC drivers shall be provided to the department of public works at the time of application to operate as a TNC within the city of New Orleans. This detailed methodology must be presented in writing and shall meet or exceed the standards provided in subsection (1), above. Further, the TNC must notify the department of public works of any changes to its methodology and receive prior approval before implementing such changes.

(4) These background checks shall be conducted at least once every two years for the duration of individuals operating under the TNC.

(5) Criteria used in evaluating criminal records shall be consistent across all individuals operating under the TNC. Differing criteria may not be applied to evaluation of background check results based upon race, color, religion, sex (including pregnancy), national origin, age, disability, or sexual orientation.

(6) A TNC shall maintain records of all criminal background and driving record checks performed on all employed or contracted TNC drivers operating in the City of New Orleans for a period of no less than two years. If the director of public works or a New Orleans Police Department official requests access to such records, the TNC, or its designee, must provide the records to either entity within 24 hours of the request. Such records may only be accessed when a complaint number has been generated by the department of public works or the New Orleans Police Department. Failure to conduct criminal background and driving record checks or failure to maintain such criminal background check and driving records check records or provide them upon request shall be grounds for the suspension and/or revocation of a TNC permit.

(7) A TNC may also satisfy the background check requirement by following the requirements applicable to CPNC for-hire vehicle operators under this chapter.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

[Secs. 162-1711, 162-1712. Reserved.]

Sec. 162-1713. TNC driver drug testing.

(a) Every quarter, the department of public works is authorized to send to any TNC a list of up to 25 TNC drivers for random drug testing. Within five days of receiving the list, the TNC shall advise such drivers they must obtain a drug test from a department of public works-approved testing facility within ten days.

(b) A TNC shall require a TNC driver to submit a drug test within 24 hours upon being involved in a traffic accident while providing TNC services.

(c) TNC drivers must sign a waiver to allow approved facilities to send results directly to the TNC and department of public works.

(d) Any TNC driver who fails to timely submit to drug testing or refuses to comply with the instructions and/or testing protocol of the drug testing facility shall be prohibited from operating as a TNC driver for a period of one year. Further, the TNC shall prevent the driver from accessing the TNC's digital network for a period of one year.

(e) Any TNC driver whose test results indicate that the TNC driver tested positive for any controlled substance listed in R.S. 40:961, et seq., or any combination thereof, shall be prohibited from operating as a TNC driver for a period of one year. Further, the TNC shall prevent the driver from accessing the TNC's digital network for a period of one year.

(f) If a person testing positive for a controlled dangerous substance has a valid and legal prescription for the medication for which he tested positive, such person may continue as a TNC driver under the following circumstances:

(1) The prescription must be issued by a licensed physician;

(2) The prescription must be accompanied by a written certification from the physician that:

a. The medication was prescribed prior to the drug test;

b. The physician is familiar with the person's medical history including drug and alcohol use and other medications;

c. The person has not been diagnosed with any substance abuse issue, and that the prescribed drug will not adversely affect that applicant's ability to operate a motor vehicle safely; and

d. The medication was not prescribed as permitted by R.S. 40:1046.

(g) Failure of the TNC to comply with these provisions shall be grounds for suspension or revocation of a TNC permit.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

DIVISION 3. TRANSPORTATION NETWORK COMPANY DRIVER VEHICLES

Sec. 162-1714. Maximum age of TNC vehicles.

No vehicle having a vehicle age greater than eight years may be used to provide TNC services in the City of New Orleans. For purposes of this article, the term "vehicle age" shall be determined based on the vehicle's model year, and a "year" shall be measured through the last day of that respective calendar year. (For example, a vehicle with a model year of 2000 shall have a vehicle age of one year as of January 1, 2001). If a vehicle owner can demonstrate that the odometer had less than 600 miles on it at the time of purchase, the vehicle age shall be measured from the date the vehicle was purchased.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 26590, § 1, 9-17-15)

Sec. 162-1715. TNC vehicle inspection.

A TNC shall certify that all motor vehicles providing TNC services through its TNC digital network have been inspected by a state-certified mechanic or garage prior to allowing them provide such services in the City of New Orleans. A TNC shall require and certify that an annual re-inspection has been performed on all motor vehicles providing TNC services through its TNC digital network. TNCs must keep all vehicle services records for a period of no less than two years and make them available to the department of public works upon request. Failure to have a TNC vehicle inspected or failure to maintain vehicle inspection records or provide them upon request shall be grounds for the suspension and/or revocation of a TNC permit.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1716. Criteria and regulation of TNC vehicle inspection standards.

(a) The TNC safety inspection shall cover brakes, windshield, lights, turn signals, steering, pollution control devices, tires, and suspension.

(b) There shall be no unrepaired body damage or any body condition that would create a safety problem or interfere with the operation of the vehicle.

(c) The TNC general appearance inspection shall include an interior inspection of each vehicle to ensure the vehicle interior is maintained in a reasonable condition, including door panels, arm rest, floor covering and seats that are free of holes, snags and soiled spots.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1717. Nonscheduled TNC vehicle inspections.

Notwithstanding any other provisions in this article, the department of public works shall have the power and authority to require periodic inspections of any motor vehicles currently registered as TNC vehicles while providing TNC services.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1718. TNC vehicle identification.

All TNC vehicles shall be identified by consistent trade dress (i.e. distinctive signage or display on the vehicle) when providing TNC services that is sufficiently large and color contrasted as to be readable during daylight hours at a distance of at least 50 feet. The trade dress shall be sufficient to allow a passenger, government official, or member of the public to associate a vehicle with a particular TNC. Acceptable forms of trade dress include, but are not limited to, symbols or signs on vehicle doors, roofs, or grills. Magnetic or removable trade dress is acceptable. TNCs shall file a photograph or digital image of their trade dress with the department of public works. A TNC permit holder shall be liable for violations of this section upon a showing that the TNC knew or should have known about such violations. Such a showing shall be grounds for the suspension and/or revocation of a TNC permit.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

DIVISION 4. TRANSPORTATION NETWORK COMPANY INSURANCE

Sec. 162-1719. TNC services time periods.

For purposes of this article, TNC services shall have two distinct time periods:

(a) Period One runs from the time a TNC driver logs onto the TNC digital network until he or she accepts a passenger match, and from the time the driver has completed the transaction, or the last passenger exits the vehicle, whichever is later, until the driver accepts another passenger match or logs off the TNC digital network.

(b) Period Two runs from the time a TNC driver accepts a passenger match until the driver has completed the transaction, or the last passenger exits the vehicle, whichever is later.

(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1720. TNC duty to inform drivers.

A TNC shall disclose in writing to TNC drivers, as part of its written agreement with those drivers and before allowing TNC drivers to accept a request for TNC services, the insurance coverage and limits of liability that the TNC provides while a driver makes himself or herself available for TNC services, and shall advise a TNC driver in writing :

(a) That the driver's personal automobile insurance policy may not provide any liability or other related coverage, including, but not limited to uninsured or underinsured motorist, comprehensive, or collision coverage while the driver makes himself or herself available for TNC services or is performing TNC services;

(b) That if the vehicle used to provide TNC services has any security interest, privilege, or lien, that the TNC driver must notify the entity possessing that security interest, privilege, or lien that they are using the vehicle to perform TNC services.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1721. TNC insurance coverage.

A TNC shall maintain insurance coverage placed with an insurer authorized to provide coverage in the state or with a surplus line insurer eligible under R.S. 22:431, et seq., that provides primary liability coverage and other coverages for TNC services during TNC service periods as provided below. The requirement for a TNC to maintain insurance coverage as described by this division may be satisfied by any of the following:

(a) An insurance policy obtained by a TNC.

(b) An insurance policy obtained by a TNC driver that is specifically written to cover TNC services.

(c) Any combination of insurance policies obtained by the TNC and an insurance policy obtained by a TNC driver that is specifically written to cover TNC services.

A TNC may meet its obligations to maintain insurance coverage under this article with a policy obtained by the TNC driver pursuant to subsections (b) or (c), only if the TNC verifies that the policy or policies in question are specifically written to cover TNC services and that any policy obtained by a TNC driver in that regard is maintained. If an insurance policy obtained by a TNC driver to meet the requirements of subsections (b) or (c) ceases to exist at any time for any reason, including, but not limited to, lapse or cancellation, or does not provide coverage for any reason the TNC's insurance policy shall provide all required coverage under this article beginning with the first dollar of a claim and shall have the duty to defend such claim.

Any insurance policy obtained to comply with this section shall add the City of New Orleans as an insured and be filed annually with the Louisiana Public Service Commission. The policy shall provide for notification to the City Attorney of the City of New Orleans of non-renewal or cancellation of such policy.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1722. TNC insurance coverage limits.

(a) A TNC shall ensure that TNC services are covered by an insurance policy or policies subject to the following coverage requirements:

(1) During TNC service Period One, TNC services shall be covered by a policy or policies of primary liability insurance in the amount of at least $50,000.00 for death or personal injury of any one person, at least $100,000.00 for death or personal injury of two or more persons, and at least $25,000.00 for property damage per incident.

(2) During TNC service Period Two, TNC services shall be covered by a policy or policies of primary liability insurance in the amount of at least $1,000,000.00 for death, personal injury and property damage. The policy or policies shall also provide uninsured or underinsured motorist coverage in the amount of at least $1,000,000.00.

(3) In addition to the coverage limits provided for in this section, a TNC shall also provide all other state-mandated coverages for motor vehicles as required by the state motor vehicle safety responsibility law, R.S. 32:851, et seq.

(b) This section shall not limit the liability of a TNC arising out of an automobile accident involving a TNC driver in any action for damages against a TNC for an amount above the required insurance. Coverage under this section shall not be dependent on a personal automobile insurance policy first denying a claim, nor shall a personal automobile insurer be required to first deny a claim.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1723. Reserved.

Sec. 162-1724. Duty to comply with claims coverage investigation.

A TNC and any insurer potentially providing coverage under this division shall cooperate to facilitate the exchange of relevant information with directly-involved parties and their insurers and any insurer of the TNC driver, if applicable, including, but not limited to, the precise times that a TNC driver logged on and off of the TNC's digital network in the 12-hour period immediately preceding and in the 12-hour period immediately following the accident and a clear description of the coverage, exclusions and limits under any automobile insurance policy maintained under this division.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1725. Proof of insurance.

TNC drivers shall carry with them at all times during the provision of TNC services proof of

insurance coverage, including any coverage from the driver's own policy that is specifically written to cover the provision of TNC services, or coverage from a policy obtained by the TNC, or both, as applicable. In the event of an accident, a TNC driver shall provide this insurance coverage information to any other party involved in the accident, and to a police officer and ground transportation bureau inspector, upon request.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. 27992, § 3, 2-7-19)

Sec. 162-1726. Failure to maintain required insurance.

Failure to maintain all required insurance at any time for any reason shall be grounds for the suspension and/or revocation of a TNC permit.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1727. TNC driver notification of insurance companies and lienholders.

Any terms or conditions in the agreement between the TNC permit holder and TNC driver, or between the TNC permit holder and any passenger, that would act as a waiver of the TNC permit holder's liability to the passenger or the public, are declared contrary to public policy, null, void, and unenforceable.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

DIVISION 5. RATES

Sec. 162-1728. Rates.

(a) TNCs may charge rates based upon a calculation of time and/or distance. Passengers shall be provided the method by which the rates will be calculated and the option to obtain an estimated total fare prior to pick-up based upon information provided when requesting service. At a minimum, a TNC vehicle fare shall be no less than the charge for activation of a taximeter pursuant to this chapter. A TNC shall not apply any surcharge to passengers for use except as authorized by this chapter.

(b) Any time there is a temporary or permanent increase in rates or change in rate calculation which will or may result in a temporary or permanent increase in rates, prior to passenger acceptance of the fare and completion of the order, the TNC shall clearly and without prompting display the increase of the fare in the form of a mathematical multiple and total cost estimation.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1729. Rates to or from Louis Armstrong International Airport.

The minimum charge for trips to or from the Louis Armstrong International Airport shall be no less than $33.00 per trip.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1730. Rates during emergencies.

TNCs and TNC drivers may not increase rates during a state of emergency as declared by the governor or parish governing body, except as permissible according to La. R.S. 29:732.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1731. Passenger receipts.

(a) Upon completion of a trip, a TNC shall provide customers with a receipt that lists the:

(1) TNC driver name;

(2) TNC vehicle description and license plate number;

(3) Trip ID;

(4) Date of trip;

(5) Distance of trip, including the point of origin and ultimate destination;

(6) Time of trip;

(7) Fare charges;

(8) Extra charge;

(9) Total charges;

(10) TNC name and contact information; and

(11) Words "Ground Transportation Bureau and For-Hire Vehicle Bureau. For compliments or concerns, please call 504-658-7176."

(b) A TNC shall maintain such receipts for a period of at least two years. Such records may only be accessed when a department of public works complaint number or New Orleans Police Department complaint number has been generated. Upon request of the department of public works or New Orleans Police Department, such receipts shall be made available within 72 hours.

(c) On an annual basis, a TNC shall provide aggregated, not personally identifiable passenger and trip data to the department of public works.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

DIVISION 6. OPERATING REQUIREMENTS

Sec. 162-1732. Reserved.

Sec. 162-1733. TNC driver operating hours.

TNC drivers shall not provide TNC services for more than 12 consecutive hours in any 24-hour period.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1734. Prohibition against street hailing.

TNC drivers shall not provide TNC services unless a TNC has matched the driver to a passenger through a TNC digital network. A TNC driver shall not accept on-demand rides from persons on the street. TNC drivers shall provide immediate electronic proof that any ride in progress has been prearranged through a TNC upon demand by the department of public works or law enforcement personnel.
(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1735. Prohibition against use of taxicab stands.

TNC drivers shall not pick up or discharge a passenger in any designated taxicab stand areas.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1736. Refusal to carry passengers.

(a) No TNC driver shall refuse to take any passenger who has requested service via TNC digital network to a destination within ten miles outside of the city limits, once the request has been accepted. This section shall also apply for trips to or from any municipal airport operated by the city for TNC drivers authorized to perform such trips.

(b) Transportation network companies shall reasonably ensure adequate and non-discriminatory pick up and drop off service to and from all areas in the geographic boundaries of the City of New Orleans.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1737. Operating at Louis Armstrong International Airport.

No TNC or TNC driver shall pick up passengers at the Louis Armstrong International Airport unless specifically authorized to do so by the New Orleans Aviation Board. The New Orleans Aviation Board may impose fees and costs for the permission to pick up passengers at the Louis Armstrong International Airport in addition to any other fees and costs set forth in this chapter.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1738. Passenger match information.

Prior to passenger entering a TNC vehicle, the TNC shall provide a passenger with the following information:

(1) TNC driver's first name;

(2) A photograph clearly identifying the TNC driver; and

(3) Make, model, and license plate number of the TNC driver's vehicle.

(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1739. Zero tolerance policy.

Every TNC shall establish and maintain a zero tolerance policy on the use of drugs or alcohol by its TNC drivers while providing TNC services. Immediately upon receiving a passenger credible complaint, the TNC shall suspend the TNC driver and conduct an investigation into the allegation. The suspension shall remain in place throughout the duration of the investigation. Within 24 hours, a TNC shall notify the department of public works of any credible passenger complaints lodged against any TNC driver accused of violating its zero tolerance policy, as well as the results of such investigation. Any TNC driver found to have violated the TNC's zero tolerance policy shall be prohibited from operating as a TNC driver or as a for-hire operator within the City of New Orleans for a period of no less than one year from the date of the violation.

(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

DIVISION 7. RECORDKEEPING REQUIREMENTS

Sec. 162-1740. Trip sheets and records.

(a) Every TNC shall keep daily records including all trip requests, complaints, accepted trip requests, daily application sign-in and sign-out logs, vehicle collision reports, service response time reports, reports of crime against TNC drivers and passengers, lost property reports, and TNC vehicle identification information. Such records may be maintained electronically and shall be preserved for a period of not less than two years and be available for examination by the director of public works within 24 hours of request. Failure to maintain such records or to timely provide them shall be grounds for the suspension and/or revocation of a TNC permit.

(b) Falsifying any records outlined in this article shall be grounds for suspension and/or revocation of a TNC permit.

(M.C.S., Ord. No. 26339, § 2, 4-9-15; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1741. Privacy protections.

A TNC shall not disclose to a third party any personally identifiable information concerning a user of the TNC digital network unless:

(a) The TNC obtains the user's consent for release of such information;

(b) The disclosure is necessary to comply with a legal obligation; or

(c) The disclosure is necessary to protect or defend the terms and conditions for use of the service or to investigate violations of the terms and conditions.

This limitation of disclosure does not apply to the disclosure of aggregated user data and other information about the user that is not personally identifiable. Violations of this section shall be grounds for the suspension and/or revocation of a TNC permit. The city attorney shall have the right to file suit in a court of competent jurisdiction to seek appropriate remedies for any violations of this provision.

(M.C.S., Ord. No. 26339, § 2, 4-9-15)

DIVISION 8. PENALTIES

Sec. 162-1742. Penalties for violations by TNCs.

Unless otherwise provided for in this article, for violations of this chapter, a TNC shall be subject to a fine of up to $500.00 for a first offense and/or possible suspension or revocation of its TNC permit; for subsequent offenses a TNC shall be subject to a fine up to the maximum amount allowable in the Municipal Court of Orleans Parish and/or possible suspension or revocation of its TNC permit.

(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1743. Penalties for violations by TNC drivers.

Unless otherwise provided for in this article, for violations of this chapter, a TNC driver shall be subject to immobilization and/or impoundment of the TNC vehicle and a fine of up to $500.00 for a first offense; for subsequent offenses drivers shall be subject to immobilization and/or

impoundment of the TNC vehicle and a fine of up to the maximum amount allowable in the Municipal Court of Orleans Parish.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1744. TNC permit holder liability.

A TNC shall be liable for violations of this chapter or those committed by a TNC driver using a TNC digital network upon a showing that the TNC knew or should have known about such violations. Such a showing shall be grounds for the suspension and/or revocation of a TNC permit.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1745. Denial, revocation, or suspension of TNC permit.

Unless contrary to the provisions of this article, a TNC shall be subject to the permit denial, revocation, and suspension regulations outlined in sections 162-241—162-250.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1746. Mandatory alternative dispute resolution, jurisdiction, and choice of law provisions.

For any services rendered pursuant to this article:

(a) Any provision in a contract between a TNC, TNC driver, or a TNC passenger requiring alternative dispute resolution including, but not limited to, mediation or arbitration, prior to or instead of accessing the court system, shall not be enforceable.

(b) Any provision in a contract between a TNC, TNC driver, or a TNC passenger which seeks to prevent a litigant from filing suit in a court of competent jurisdiction in the State of Louisiana shall not be enforceable.

(c) Any provision in a contract between a TNC, TNC driver, or a TNC passenger which seeks to mandate or limit choice of law rules shall not be enforceable.

(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Sec. 162-1747. Prohibition against waiver or limitation of liability.

For any services rendered pursuant to this article, any terms or conditions in the agreement between the TNC and TNC driver, or between the TNC and any passenger that would act as a waiver or limitation of the TNC's liability to a TNC driver, a passenger or the public, or of the TNC driver's liability to the passenger or the public, shall not be enforceable.
(M.C.S., Ord. No. 26339, § 2, 4-9-15)

Secs. 162-1748—162-1799. Reserved.

ARTICLE XVI. SCHOOL BUSES

DIVISION 1. GENERALLY

Sec. 162-1800. Certificate required.

(a) No school bus shall be operated on the streets of the city unless the owner of such vehicle has first applied for and received a certificate of public necessity and convenience (CPNC) in the manner provided in this chapter.

(b) It shall be unlawful for any person to transport or offer to transport passengers in any school bus which does not have affixed to the windshield thereof a valid for-hire vehicle inspection certificate issued along with a valid CPNC as set forth by the director of public works.

(c) All certificates of public necessity and convenience shall remain as the property of the city.

(d) Notwithstanding section 162-321, school bus CPNCs shall not be transferred, sold, or given from one holder to another including the sale of one company in its entirety to another.

(e) Delinquency penalty. A CPNC expires on April 30 of each year and must be renewed within the month following expiration (May) for a fee of $150.00. A CPNC renewal that is submitted in the month of June is subject to a delinquency penalty of $150.00 in addition to the renewal fee of $150.00. A CPNC renewal that is submitted in the month of July is subject to a delinquency penalty of $150.00 in addition to the

renewal fee and the June delinquency penalty. A CPNC shall not be renewed after July 31; however, the director of the department of public works (or his designee) at his discretion may make an exception for good cause shown by the CPNC holder. The request for an exception must be made in writing before August 1 and if granted is subject to a delinquency penalty of $50.00 per month beginning in the month of August. This delinquency penalty shall be in addition to the fees and penalties outlined above.

(f) Revocation of CPNC. A CPNC that is not renewed by July 31 is suspended. A CPNC shall be revoked if a renewal is not submitted in May, June, July or within the extended time period granted by the director or the designee.

(g) Extension for acquiring a vehicle and fee. Compliance with the requirement that a CPNC holder must have a vehicle in service may be extended for a period of time by the director of the department of public works (or his designee) for good cause. The first extended time period is limited to a maximum of 90 days. Additional extensions may be granted but the aggregate of such extensions is limited to a maximum of one year. There is no fee for the first extension. Additional extensions are subject to a fee of $50.00 per month. If a vehicle is not placed into service within the extended time period granted by the director or the designee, the CPNC shall be revoked.

(M.C.S., Ord. 27992, § 2, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1801. Special regulations for school buses.

In addition to the other applicable provisions of this chapter, all holders of a school bus certificate of public necessity and convenience and school bus operators shall comply with the applicable provisions of this article.

(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1802. School bus liability insurance coverage.

All school buses operating in the city shall have current liability coverage for each vehicle.

(a) The liability coverage for a school bus engaged exclusively in the transport of children to and from school and related activities shall be represented by a policy of liability insurance issued by an insurance company authorized to do business in the state, either as an admitted company or a surplus line company certified to do business in the state eligible under R.S. 22:431 et seq., and such policy shall provide for payment of a sum of not less than $1,000,000.00 to satisfy all claims for damages by reason of death, personal injury, and property damage from any one accident by reason of the ownership, operation, maintenance, or use of such vehicle union and street.

(b) The liability coverage for a school bus that is additionally engaged in transport for hire to parties other than schools or traveling more than ten miles outside of the city shall be represented by a policy of liability insurance issued by an insurance company authorized to do business in the state, either as an admitted company or a surplus line company certified to do business in the state eligible under R.S. 22:431 et seq., and such policy shall provide for payment of a sum of not less than $5,000,000.00 to satisfy all claims for damages by reason of death, personal injury, and property damage from any one accident by reason of the ownership, operation, maintenance, or use of such vehicle upon any street.

(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1803. School bus parking and waiting areas.

School buses shall be prohibited from parking, waiting, or being stored in areas which are prohibited or restricted by Chapter 154 of this Code or the Comprehensive Zoning Ordinance. Vehicles found to be parked, stored, or otherwise not actively operating in any such area shall be subject to administrative action by the ground transportation bureau under the provisions of this chapter in addition to action by any other enforcement agency of the city.

(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1804. CPNC pre-requisite for contracting for service.

(a) The owner, operator, or any other person in possession of a school bus as defined by this Chapter shall not contract with the owner, operator, institution, or entity responsible for the students who will be transported in said vehicle without the issuance of a CPNC and presence of a valid inspection certificate.

(b) Owners, operators, institutions, and/or entities responsible for the students for whom transportation is being provided shall ensure potential vendors possess the requisite documentation from the City of New Orleans prior to allowing such vendor to transport children.
(M.C.S., Ord. 27992, § 2, 2-7-19)

Secs. 162-1805—162-1809. Reserved.

DIVISION 2. SCHOOL BUS DRIVER REGULATIONS

Sec. 162-1810. School bus driver permit required.

It shall be unlawful for any person to operate a school bus, or other for-hire vehicle utilized in the transportation of preprimary, primary, or secondary students to or from school or related events within the city without possessing a current school bus driver's permit.
(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1811. Identification and uniform.

All school bus drivers are required to wear photo identification containing the operator's name and the affiliated company. This identification shall be worn during all duty hours and shall be worn to be plainly visible at all times.
(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1812. School bus driver background checks.

(a) Applicants must be 21 years of age or older.

(b) Applicants for a school bus driver's permit, or a renewal thereof, must undergo a criminal background investigation as described in R.S. 17:15 and 15:587.1.

(c) Applicants must have a current and acceptable driving record verified as required by R.S. 17:491.1.

(1) Drivers must report moving violation convictions in accordance with CDL requirements.

(2) No driver or applicant shall be employed as a school bus driver if within the past five years, he/she has been convicted of, or has forfeited a bond on, any charge of:

A. DUI, possession, distribution, or use of a controlled dangerous substance, as defined by R.S. 40:963 et seq.;

B. Leaving the scene of an accident involving an injury or fatality; or

C. Any felony involving the use of a motor vehicle.

(d) Drivers must have a commercial driver's license (CDL) issued by the state of Louisiana, which includes a Passenger (P) and School Bus (S) endorsement. Airbrake authorization shall also be required for operators of vehicles equipped with airbrakes

(e) Drivers must pass a physical and eye examination meeting current CDL requirements annually. A copy of the examination record must be filed with the bureau before the beginning of each school year.
(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1813. Drug screenings.

Applicants for a school bus driver permit must pass initial drug and alcohol screening requirements and United States Department of Transportation-directed random testing, as specified by the Federal Motor Carrier Safety Administration.
(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1814. Training certificate and line letter.

(a) Initial applicants for a school bus driver permit must submit a letter of employment from a school bus company operating within the city and documentation of completed training as required by the State of Louisiana Department of Education.

(b) Renewal applicants must submit documentation of completing continued certification to include a minimum of eight hours biannually.
(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1815. School bus attendants (aides).

It shall be unlawful for any individual to be employed as a school bus attendant on any school bus which has been issued a CPNC under this article without first having been issued a school bus attendant permit. This section shall not apply to a school bus attendant employed directly by a school. The application criteria for a school bus attendant shall be the same as an applicant for a school bus driver's permit except for the driving requirements as outlined in section 162-1812(c) through (e), and section 162-1814.
(M.C.S., Ord. 27992, § 2, 2-7-19)

Secs. 162-1816—162-1819. Reserved.

DIVISION 3. SCHOOL BUS VEHICLE REQUIREMENTS

Sec. 162-1820. Maintenance and appearance of school buses.

Each school bus driver shall be fully responsible for the exterior and interior physical appearance of the vehicle. Interiors of all school buses must be kept free of debris. Dashboards must be maintained free and clear of paraphernalia and other items not necessary for the operation of such vehicle. The penalty for one violation of this section within a one-year period shall be $50.00. The penalty for a second violation within a one-year period shall be a minimum $75.00 fine plus a minimum ten-day suspension from operating any school bus. The penalty for a third or subsequent violation within a one-year period shall be a minimum $100.00 fine plus a minimum 90-day suspension from operating any school bus.
(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1821. School bus vehicle requirements.

No vehicle shall be approved to operate as a school bus under this chapter unless the vehicle is manufactured specifically to transport students and meets the specifications outlined in this chapter.
(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1822. School bus age requirements.

(a) Any used school bus purchased for use in the city by or for a school system shall meet current state legal requirements for motor vehicles and shall meet state specifications for school buses that were in effect on the date the vehicle was manufactured. No vehicle with rated capacity of more than ten passengers shall be classified as a school bus and thereby used to transport students to and from school and school-related activities unless said vehicle originally was manufactured and certified as a school bus and maintained the certification as a school bus all in accordance with federal and state requirements throughout the life of the vehicle.

(b) All replacement school buses used on daily routes, at the time they are acquired by the owner, shall be no more than ten model years old for all owners/operators and school districts. The number of years shall be determined from the date of the model year.

(c) Any school bus used as an activity or backup bus, at the time it is acquired by the owner and placed in service, shall be no more than 15 model years old. The number of years shall be determined from the date of the model year.

(d) Any school bus used as an activity or backup bus that is older than 15 model years shall not be used more than 60 consecutive school days in a school year.

(e) School buses shall not exceed the age of 25 model years.

(f) For purposes of this section, the vehicle's age shall be determined based on the vehicle's model year, such that a vehicle with a model year of 2000 shall have a vehicle age of one year as of January 1, 2001.
(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1823. Inspection required.

(a) Every school bus for which a CPNC has been issued pursuant to the provisions of this chapter shall be submitted to the for-hire vehicle inspection station by the CPNC holder, or their authorized designee, for mechanical inspection semi-annually.

(b) One of the two required inspections must be conducted in the months of June, July, or August prior to the beginning of the school year.

(c) Other inspections may be required pursuant to the provisions of this chapter.
(M.C.S., Ord. 27992, § 2, 2-7-19)

Sec. 162-1824. Nonscheduled inspections.

All school buses shall at all times be subject to inspection by personnel of the ground transportation bureau and be maintained in a condition of mechanical fitness with respect to each element of safety as required by law. The department of public works shall have the power and authority to require inspections from time to time, other than those herein prescribed, when same through reason and sound judgment are deemed necessary.
(M.C.S., Ord. 27992, § 2, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1825. Criteria and regulation of inspection of school buses.

(1) General inspection requirements:

(a) Notwithstanding any other provision of this chapter to the contrary, the director of the department of public works, or his designee, shall have the authority to inspect school buses where they are customarily housed or at inspection locations deemed appropriate by the director.

(b) Every school bus shall be painted National School Bus Glossy Yellow except that the hood shall be painted the same color or lusterless black and its roof may be painted white. Bumpers shall be painted glossy black, except that for increased night visibility they may be covered with a retroreflective material.

(c) Investigators shall issue a "do not operate" for vehicles with improper emergency safety equipment, non-functioning stop arms or signals, no brake lights, broken door handles, balding tires, or for safety hazards.

(d) Each school bus shall be maintained in a clean condition. There shall be no tears or rust holes in the vehicle body and no loose pieces such as fenders, bumpers or trim hanging from the vehicle body. There shall be no unrepaired body damage or any condition that would create a safety problem or interfere with the operation of the vehicle. Failure to maintain a vehicle in such a condition may result in a "do not operate."

(e) The time frame that deficient vehicles may operate with minor deficiencies, such as no hubcaps and deficiencies with signage, is set at three days or the next inspection date, whichever is sooner.

(2) School buses shall be inspected in accordance with the following criteria:

(a) Proof of insurance;

(b) CPNC certificate;

(c) Vehicle registration;

(d) License plate;

(e) Proof of insurance;

(f) A current and valid motor vehicle inspection certificate (brake tag).

(b) Lighting systems;

(c) Stop arms;

(d) Crossing control arm;

(e) Audible backing alarm;

(f) Mirrors;

(g) Service door;

(h) Emergency exit door;

(i) Bumpers;

(j) Tires;

(k) Mud flaps;

(l) Windshield, windows, glass;

(m) Exhaust system;

(n) Battery;

(o) Paint.

(4) Interior checklist:

(a) Stepwell, aisle and floor covering;

(b) Emergency equipment (first aid kit, fire extinguisher, warning devices);

(c) Defrosters;

(d) Sun shield;

(e) Instrument panel;

(f) Seat belts, as required by manufacturer specifications;

(g) Seats and guard rails.

(5) Information to be displayed:

(a) The words "School Bus" must be on the front and rear of the vehicle in plain, black letters at least eight inches in height.

(b) CPNC identification number on the sides between the rear wheel and bumper, rear and front;

(c) CPNC holder name displayed on the sides at the bottom center of the bus,

(d) Bus company name displayed at the beltline;

(e) The location of the battery identified by the word "battery" or "batteries" on the battery compartment door in two-inch lettering;

(f) "Handicap" symbol, identifying the bus as equipped for or transporting student with disabilities; however, the symbol shall not be placed on the glass of the rear emergency exit;

(g) The stop arms shall be painted red with the word "Stop" in white letters, or the stop arms may be covered by a manufactured decal with the same color combination.

(M.C.S., Ord. 27992, § 2, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Secs. 162-1826—162-1829. Reserved.

DIVISION 4. OPERATING REQUIREMENTS

Sec. 162-1830. School bus trip sheets and records.

(a) Pre-trip and post-trip inspection checklists, which shall be subject to the approval of the director of public works, must be completed by drivers each day and maintained by the CPNC holder for a period of no less than two years and be available for examination by the director of public works, or his designee.

(b) Every business entity or individual operating a school bus shall keep daily records including dispatch records, vehicle safety complaints, all accepted telephone calls, daily vehicle sign out logs, vehicle collision reports, service response time reports, reports of crime against for hire drivers, lost property reports, CPNC numbers, and drivers of each vehicle for which a CPNC has been issued. Such records shall be preserved for a period of two years and be available for examination by the director of public works, or his designee.

(M.C.S., Ord. 27992, § 2, 2-7-19; M.C.S., Ord. No. 28624, § 2, 3-11-21)

Sec. 162-1831. School bus locations.

Prior to the start of each school year, the storage location of all school buses as well as the schools generally serviced by such buses must be filed with the bureau. Any changes or alterations must be submitted in writing to the bureau within five business days of changing the locations.

Sec. 166-1. Purpose.

The Vieux Carre shall have for its purpose the preservation of such buildings in the Vieux Carre section of the city as, in the opinion of the Vieux Carre Commission, shall have architectural and historical value and which should be preserved for the benefit of the people of the city and state.
(Code 1956, § 65-6)

Sec. 166-2. Boundaries.

The Vieux Carre section of the city is hereby defined to comprise all that area within the city limits within the following boundaries: the river, uptown side of Esplanade Avenue, the riverside of Rampart Street and the lower side of Iberville Street.
(Code 1956, § 65-6)

Sec. 166-3. Private floodlights prohibited.

The public sidewalks, places and alleys, exteriors, roofs, outer walls and fences of buildings and other constructions and signs visible from any public street, place or position in the Vieux Carre section shall not be illuminated by privately-controlled floodlights or other illumination except as permitted by this chapter.
(Code 1956, § 65-11)

Sec. 166-4. Show case regulations.

(a) All show cases existing on June 13, 1940, erected upon public property shall be allowed to remain, be repaired or be duplicated if they do not project farther than 18 inches beyond the property line.

(b) In the renovation or remodeling of any structure in the Vieux Carre of this city which on June 13, 1940 had a show case or show cases on public property, there may be additional show cases similar to those existing on June 13, 1940 erected on such property subject to the written approval of the Vieux Carre Commission.
(Code 1956, § 65-12)

Cross reference—Standards for storefront and show windows, § 26-511 et seq.

Sec. 166-5. Overhanging balconies.

No overhanging balconies or galleries of wrought or cast iron may be removed, but other new or additional balconies may be erected if:

(1) Supported by brackets or iron columns;

(2) At least nine feet above the level of the sidewalk; and

(3) Conform to the quaint and distinctive architecture of the Vieux Carre.

Permits for all such new construction or any renovation shall be subject to the requirements of this article.
(Code 1956, § 65-13)

Sec. 166-6. Conflicts.

The provisions of this chapter shall govern and take precedence over any other provisions of this Code.

ARTICLE II. ADMINISTRATION

DIVISION 1. GENERALLY

Sec. 166-21. Stopping work commenced without permit.

The director of the Vieux Carre Commission shall promptly stop any work attempted to be done without or contrary to a permit issued under this chapter and shall promptly prosecute any person responsible for such a violation of this chapter or engaged in such violation. Any officer or authorized agent of the commission shall exercise concurrent or independent powers with the director in prosecuting violations of this chapter and stopping any work attempted to be done without or contrary to the permits required by this chapter.
(Code 1956, § 65-15)

Secs. 166-22—166-30. Reserved.

DIVISION 2. VIEUX CARRE COMMISSION*

Sec. 166-31. Created; appointment; terms; vacancies.

(a) *Established.* There is hereby created a commission to be known as the Vieux Carre Commission of the city.

(b) *Recommendation and appointment of members.* The Vieux Carre Commission shall consist of nine members, all of whom shall be citizens of the city. They shall be appointed by the mayor with the advice and consent of the council. The members of the commission shall be appointed by the mayor as follows: one from a list of two persons recommended by the Louisiana Historical Society; one from a list of two persons recommended by the Louisiana State Museum Board; one from a list of two persons recommended by the chamber of commerce of the city; three qualified architects from a list of six qualified architects recommended by the New Orleans Chapter of the American Institute of Architects and three at large.

(c) *Term; vacancies.* Each of the members of the Vieux Carre Commission shall be appointed for a term of four years. Whenever the term of a member of the commission expires the mayor shall appoint his successor from a list selected by the body which made the original selection from which the vacancy has occurred.
(Code 1956, §§ 65-1—65-3)

Sec. 166-32. Employees and committees.

The Vieux Carre Commission may select and employ such persons as may be necessary to carry out the purposes for which it is created. The city attorney shall be ex officio the attorney for the commission. The commission may designate and appoint various committees with such powers and duties as the commission may have and prescribe.
(Code 1956, § 65-4)

Sec. 166-33. Rules and regulations; meetings; reports and recommendations.

The Vieux Carre Commission shall make such rules and regulations as it may deem advisable and necessary for the conduct of its affairs not inconsistent with the laws of the city and state. The commission shall meet at least quarterly, but meetings may be held at any time by the commission on the written request of any of the nine members or on the call of the chairman or the mayor. The commission shall make annual reports to the mayor and council containing a statement of its activities. It shall make its recommendations for the future, but recommendations may be made by the council to the commission at any time.
(Code 1956, § 65-5)

Sec. 166-34. Special commissions for the Vieux Carre Commission.

The director and employees of the Vieux Carre Commission, upon the Vieux Carre director's request and consent and with the approval of the city attorney, the chief administrative officer, and the head of any other agency of the city shall be authorized to assist such other agency in the enforcement of any city ordinance, pursuant to an agreement between the agencies, whenever such enforcement would serve to promote the preservation of the historic character of the Vieux Carre district; any such agreements shall not limit or restrict any other powers of the commission or of its staff conferred by other provision of this Code or any other city ordinance or law or conferred by any special law or any special law enforcement commissions the Vieux Carre Commission or its staff may receive from the superintendent of police for enforcement of such city ordinances, as agreed upon by the superintendent and the director of the Vieux Carre Commission.

Sec. 166-35. Submission of plans for exterior changes to commission.

Before the commencement of any work in the erection of any new building or in the alteration or addition to, or painting or repainting or demolishing of any existing building, where any portion of the exterior of the building is in the Vieux Carre section, application by the owner for a permit therefor shall be made to the Vieux Carre Commission, accompanied by the full plans and specifications thereof so far as they relate to the proposed appearance, color, texture of materials and architectural design of the exterior, including the

front, sides, rear and roof of such building, alteration or addition or of any out building, party wall, courtyard, fence or other dependency thereof.
(Code 1956, § 65-8)

Sec. 166-36. Commission recommendations and action thereon.

The Vieux Carre Commission shall upon due consideration report thereon promptly its recommendations, including such changes, if any, as in its judgment are reasonably necessary to comply with the requirements of this chapter, by sending them, in writing, to the director of the department of safety and permits with the application and documents referred to in this article and, if they are found by the director to comply reasonably with the requirements of this article and if such application and intended work shall conform also to all other regulations, ordinances and laws of the city, the director shall issue promptly a permit for such work and indicate on such permit the extent and nature of the work to be performed thereunder.
(Code 1956, § 65-9)

Sec. 166-37. Procedure for appeal of commission action to council.

If the applicant for a permit shall refuse to accede to reasonable changes or decisions by the Vieux Carre Commission, according to its guidelines, the applicant may then appeal such decision or recommendation to the council. The appeal shall be filed within 30 days of the date that the Vieux Carre Commission notifies, in writing, the applicant of its changes or decision. The notice shall be by ordinary mail sent to the address of record of the applicant.
(Code 1956, § 65-10)

Sec. 166-38. Citation procedures.

Pursuant to the enforcement of the restrictions of this article, the department of police is hereby authorized to grant enforcement and citation powers to the inspectors of the Vieux Carre Commission for the purposes of obtaining compliances with this article only. Such powers of the Vieux Carre Commission inspectors shall be in addition to the normal enforcement and citation powers of the department of police.
(Code 1956, § 65-39.1)

Secs. 166-39—166-50. Reserved.

DIVISION 3. FEES

Sec. 166-51. Review and processing fees.

(a) The Vieux Carre Commission shall charge review and processing fees according to the following: On all buildings, structures or alterations which fall within the Vieux Carre and which require a permit from the Vieux Carre Commission in addition to requiring a building permit under this Code, an additional 50 percent surcharge is added to the permit fee and plan checking fee charged by the director of the department of safety and permits. Such fees will be collected by the director of the department of safety and permits as delineated in M.C.S., Ordinance No. 11,625, § 103.6.5.1, as amended, known as the building code of the city.

(b) On all new applications for occupational licenses as well as those applications involving a change of ownership only within the Vieux Carre and which require review by the Vieux Carre Commission, the following fees will be assessed in addition to the licensing fees as set forth in section 150-963:

(1) Nonrefundable application processing fee, $25.00.

(2) Additional licensing fee, $50.00.

Such fees will be collected by the bureau of revenue in accordance with section 150-964.

(c) On all new applications for alcoholic beverage outlet permits as well as those applications involving a change of ownership only within the Vieux Carre and which require review by the Vieux Carre Commission, the following fees will be assessed in accordance with the permit and processing fees as set forth in section 10-122:

(1) Nonrefundable application processing fee, $25.00.

(2) Additional permit fee, $100.00.

Such fees will be collected by the bureau of revenue in accordance with section 10-122.
(Code 1956, § 65-16.2)

Sec. 166-52. Fees for facade donations.

A $2,000.00 charge for nonrevenue-producing property and a $3,500.00 charge for revenue-producing property are required for the acceptance of a facade within the Vieux Carre by the mayor and council. Five hundred dollars is due at the time of the application to the Vieux Carre Commission and is nonrefundable. The remainder of the charge is due upon the execution of the act of donation.

ARTICLE III. SIGNS*

Sec. 166-76. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Display includes erect, paint, repaint, place, replace, hang, rehang, repair, maintain, paint directly upon a building or other structure, inlay, imbed in or otherwise exhibit in public view.

Sign includes any symbol, device, image, poster, flag, banner, billboard, design or directional sign used for advertising purposes, whether painted upon, attached to, erected on or otherwise maintained on any premises, containing any words, letters or parts of letters, figures, numerals, phrases, sentences, emblems, devices, trade names or trade marks by which anything is made known, such as are used to designate an individual, a firm, an association, a corporation, a profession, a business or a commodity or product, which is visible from any public highway and is used to attract attention.
(Code 1956, § 65-17)

Cross reference—Definitions generally, § 1-2.

*__Cross reference__—Signs, ch. 134.

Sec. 166-77. General prohibition of miscellaneous signs.

The display of signs of a miscellaneous character visible from the public streets, highways and alleys within the Vieux Carre section of the city, except as otherwise provided in this article, and according to the rules and regulations herein provided for, is prohibited.
(Code 1956, § 65-18)

Sec. 166-78. No signs to be displayed in certain places.

No sign shall be displayed from the parapet or roofs of any buildings along either Decatur Street or French Market Place, both sides, from Esplanade Avenue to Ursuline Street or facing Ursuline Street from Decatur Street to the Mississippi River.
(Code 1956, § 65-19)

Sec. 166-79. Signs must conform to character of section.

In addition to the prohibitions contained in this article, approval of the display of a sign in the Vieux Carre section of the city shall be granted by the Vieux Carre Commission only when such signs and the plans therefor, so far as they relate to the appearance, color, size, position, method of attachment, texture of materials and design, conform to the quaint and distinctive character of the section or do not injuriously affect it or impair the value to the community of those buildings having architectural or historical worth.
(Code 1956, § 65-20)

Sec. 166-80. Permit required for signs in certain area; exceptions.

No sign shall be displayed in the Vieux Carre unless a permit therefor shall first have been applied for to the Vieux Carre Commission and issued in accordance with section 166-36, but no permit shall be required in case of a theatre or commercial establishment changing the bill of its acts and features or the nature of its commodities and wares and the prices thereof on established and approved frames, commonly known as "menu boards" or "menu boxes."
(Code 1956, § 65-21)

Sec. 166-81. What signs may advertise.

No sign of any character shall be displayed in the Vieux Carre unless such sign advertises a bona fide business conducted in or on the premises and, if it does do so, not exceeding 50 percent of the area of such sign may be used to advertise products or commodities actually sold on the premises.
(Code 1956, § 65-22)

Sec. 166-82. Signs no longer complying as to advertisements to be taken down.

Any sign displayed which no longer advertises a bona fide business conducted upon the premises shall, upon notification by the Vieux Carre Commission or its agent (who is hereby specifically authorized to so proceed), be taken down, removed or obliterated within five days after such notification and failure so to comply on the part of the owner, occupant, agent or person having the beneficial use of any building or premises upon which such sign may be found shall subject such person to the penalty provided in section 1-13.
(Code 1956, § 65-23)

Sec. 166-83. Only one sign per shop, etc.

One sign only shall be allowed per street face for each store, shop or bona fide place of business, and this sign shall be no larger than the maximum stipulated in this article, regardless of the amount of front footage.
(Code 1956, § 65-24)

Sec. 166-84. Signs not to be placed on balcony, fence, etc.

No sign shall be placed upon a balcony, gallery, canopy, shed, roof, door or window or placed in any manner whatsoever so as to disfigure or conceal any architectural feature or detail of any building. No sign shall be displayed from any fence, wall or open lot unless it conforms in proportion to the allowable area and does not exceed the maximum.
(Code 1956, § 65-25)

Sec. 166-85. Length of permitted projection of signs.

No sign shall project more than 48 inches beyond the building line, except that for the purpose of illumination a hood may be used with not to exceed six inches additional projection.
(Code 1956, § 65-26)

Sec. 166-86. Surface area of signs.

Except in the Vieux Carre Entertainment District (see section 166-92), the surface area of any sign shall be in direct proportion to the amount of front footage of each store, shop or bona fide business and shall be as follows:

(1) For single-faced or painted wall signs, attached flat against the wall, there shall be allowed 30 square inches of sign surface area to each foot of lot frontage.

(2) For double-faced signs, suspended by brackets or arms perpendicularly from the wall of a building there shall be allowed 60 square inches of sign surface area to each running foot of lot frontage. The area of such a double-faced sign shall be taken to mean the sum of the areas of each face.

(3) In no case shall the area of any one single-faced or painted wall sign exceed eight square feet, the maximum allowable size for such a sign.

(4) In no case shall the area of any one single-faced or painted wall sign be less than two square feet, unless by special permission of the Vieux Carre Commission.

(5) In no case shall the area of any one double-faced sign exceed a total for both sides of 16 square feet, the maximum allowable size for such sign.

(6) In no case shall the area of any one double-faced sign be less than four square feet, unless by special permission of the commission.

(7) In the case where two or more businesses are conducted on the premises of a single ownership having a front footage of 25

feet or less, the allowable sign area shall be increased by one and one-half times except in a specialty urban marketplace.

(Code 1956, § 65-27; M.C.S., Ord. No. 18,389, § 1, 8-21-97)

Sec. 166-87. Illuminated signs generally.

Illuminated signs may be illuminated only by steady incandescent floodlight, one per sign face, with a maximum wattage of 75 watts, and all such light sources shall be concealed:

(1) By hoods; or

(2) By any acceptable method of indirect lighting approved by the Vieux Carre Commission.

(Code 1956, § 65-28)

Sec. 166-88. Building code applicable to signs.

All signs under this article shall be further governed by the existing regulations of the building code of the city which are not in conflict with this article.

(Code 1956, § 65-30)

Sec. 166-89. Applications for signs to be submitted to commission.

All applications for permits to display signs within the Vieux Carre Section of the city shall be submitted to the Vieux Carre Commission for approval before a permit therefor may be issued in conformity with section 166-36.

(Code 1956, § 65-31)

Sec. 166-90. Form of application to display signs; accompanying drawings.

Application for a permit to display signs in the Vieux Carre Section of the city shall be made to the commission upon forms furnished by the commission. Such an application shall also be accompanied by sketches and drawings showing details of construction and foundation when required by the building code of the city and shall delineate the size, shape, design, coloring, lighting and position in relation to the building from or upon which it shall be displayed.

(Code 1956, § 65-32)

Sec. 166-91. Violating signs, etc., to be removed.

Any sign or exterior illumination of walls, exteriors, roofs or appurtenances of buildings displayed contrary to the provision of this article shall be removed.

(Code 1956, § 65-33)

Sec. 166-92. Bourbon Street, Vieux Carre Entertainment District; special sign regulations.

All provisions of this chapter not in conflict with this section shall apply to the Bourbon Street, Vieux Carre Entertainment District which is defined as those buildings which are situated on property fronting on Bourbon Street from the downtown side of Iberville Street to the uptown side of St. Ann Street. The following special provisions shall also apply to this district only and shall take precedence over any other conflicting provisions of this Code. In no case should the size of any sign interfere with the integrity of the buildings to which the sign is attached. Location and size of all signs are subject to prior approval by the Vieux Carre Commission.

(1) *Permitted signs.*

a. Each place of business shall be allowed to erect one category sign and one inventory sign.

b. One category sign, identifying the category of business being advertised, may be erected for each business operated on the premises where public space is provided immediately behind the facade of the premises.

1. Category signs which are single-faced flat signs must be attached to, erected parallel to the face of, or painted on the facade of the building. Such sign shall not cover any window, door or other architectural detail.

2. Category signs may be double-faced signs with two faces back-to-back the angle between which

is no greater than 90 degrees and the space between which is no greater than 18 inches.

c. Each business shall be allowed one inventory sign which shall be a single-faced flat sign no greater than two square feet which shall advertise the products, services, and/or prices of the business. No more than 30 square inches may be used to identify the name or type of the business.

(2) *Allowable sign area.* The formula specified below describes the maximum sign areas which may be permitted for category signs provided such sign areas are not deemed inappropriate for specific applications by the Vieux Carre Commission:

a. The allowable sign area shall be computed at eight percent of the public space area of the Bourbon Street facade defined as the height times the base. Height is defined as the distance between the floor and ceiling where they intersect the Bourbon Street facade. Base is defined as the linear footage fronting on Bourbon Street. Thus, height times base times eight percent equals the allowable sign area.

b. The only portion of the Bourbon Street facade of any building that may be used to calculate the sign area is that portion immediately behind the front facade used to invite the occupancy of the public customer. The warehouse, storage, office and similar ancillary uses of space as well as halls, stairways, and other common passages may not be used to calculate the Bourbon Street facade.

c. Business operations at upper floors shall not consider any doorway or other access at the street level as part of the area of the Bourbon Street facade.

d. The area of double-faced signs shall be calculated as provided for in section 166-86. However in no case shall the category sign for any business be greater than 50 square feet if a double-faced sign or 25 square feet if a single-faced flat sign.

(3) *Limitations of display.* No signs whatsoever shall be erected above the first floor level of any building. Category and inventory signs of businesses other than those operated on the first floor fronting on Bourbon Street may erect allowable signs at the doorway, carriageway or other ground floor access to the business premises.

(4) *Termination of legally nonconforming signs.* Any sign is legally nonconforming which was lawful under the provisions of any prior zoning ordinance or lawful by operation of law, such as prescription, but does not conform to the limitations of this section. Such signs may be displayed and maintained for no longer than three years after the effective date of this section, provided that the burden of establishing a sign to be legally nonconforming rests entirely with the person claiming such status for a sign except that the right to display and maintain any legal nonconforming sign shall terminate and the sign shall be subject to removal by the Vieux Carre Commission if any of the following conditions occur:

a. Discontinuance of the business that a sign pertains to; or

b. If sign is damaged, destroyed or becomes obsolete for any cause whatsoever including acts of God.

(5) *Allowable illumination.* Self-illuminating nonflashing neon shall are permitted when such signs meet all the additional requirements of this section.

(Code 1956, § 65-34)

Sec. 166-93. Sign violations.

Any operator of a building or business displaying a sign in violation of this chapter is guilty of a misdemeanor. The operator of a building or busi-

ness shall be deemed to be any person on the premises who has the responsibility for conducting or operating the business or who has responsibility for the sale of goods or services within the building.

Secs. 166-94—166-120. Reserved.

ARTICLE IV. PRESERVATION OF EXISTING BUILDINGS AND STRUCTURES

Sec. 166-121. Preservation of existing structures by owner or person having legal custody thereof.

All buildings and structures in that section of the city known as the Vieux Carre section and so defined generally in section 166-1 and section 166-2 under the jurisdiction of the Vieux Carre Commission, as provided by article 14 of section 22A of the Louisiana Constitution, shall be preserved against decay and deterioration and free from certain structural defects in the following manner, by the owner thereof or such other person or persons who may have legal custody and control thereof. The owner or other person having legal custody and control thereof shall repair such building if it is found to have any of the following defects:

(1) Those which have parts thereof which are so attached that they may fall and injure members of the public or property.

(2) Deteriorated or inadequate foundation.

(3) Members of exterior walls, partitions or other vertical supports that split, lean, list or buckle due to defective material or deterioration.

(4) Members of exterior walls, partitions or other vertical supports that are of insufficient size to carry imposed loads with safety.

(5) Members of exterior ceilings, roofs, ceiling and roof supports, balconies, galleries, porches or steps (stairs, stairways) or other exterior horizontal members which sag, split or buckle due to defective material or deterioration.

(6) Members of exterior ceilings, roofs, ceiling and roof supports, balconies, galleries, porches or steps (stairs, stairways) or other exterior horizontal members that are of insufficient size to carry imposed loads with safety.

(7) Exterior fireplaces or chimneys which list, bulge or settle due to defective material or deterioration.

(8) Exterior fireplaces or chimneys which are of insufficient size or strength to carry imposed loads with safety.

(9) Deteriorated, crumbling or loose plaster on the exterior.

(10) Deteriorated or ineffective waterproofing of exterior walls, roofs, foundations or floors, including broken windows or doors.

(11) Defective or lack of weather protection for exterior wall coverings, including lack of paint, or weathering due to lack of paint or other protective covering.

(12) Any fault or defect in the building which renders the same structurally unsafe or not properly watertight.

(13) Defective or deteriorated exterior or floor supports; or exterior flooring or floor supports of insufficient size to carry imposed loads with safety.

(Code 1956, § 65-36; M.C.S., Ord. No. 18,391, § 1, 8-21-97)

Sec. 166-122. Enforcement of article; powers and duties of inspectors.

Upon request, the department of safety and permits shall aid the Vieux Carre Commission in making all necessary inspections in connection with the enforcement of this article, and furnish the Vieux Carre Commission with copies of the reports of their inspections to aid in such enforcement. Employees of the department of safety and permits shall have the same right to inspect premises in connection with the enforcement of

this article as they now have in relation to zoning and other violations under the jurisdiction of such department.
(Code 1956, § 65-38)

Sec. 166-123. Duty of commission to assist in enforcement of article.

It shall be the duty of the Vieux Carré Commission, through its director or other proper officer, to send notices to all persons who may be guilty of a violation of this article and inform them of defects in their buildings or structures which must be remedied, in compliance with this article. If such notice has not been complied with after 30 days shall elapse from the giving of such notice, then it shall be the duty of the director of the Vieux Carré Commission to prosecute or to cause to have prosecuted such violations of this article in the municipal courts of the city, or such other court of competent jurisdiction as may be proper, either civil or criminal. This duty shall not be mandatory where the director believes or has good reason to believe that the person to whom notice has been sent is complying or attempting to comply with the provisions of this article.
(Code 1956, § 65-39)

Sec. 166-123.1. Failure to correct defects after knowledge thereof.

Failure of the owner, or the other proper person having legal custody of the structure or building, to correct the defects as outlined in section 166-121 after knowledge of the existence of such defects has been brought to their attention, shall constitute a violation of this article and shall be punishable as provided in section 1-13.
(M.C.S., Ord. No. 17,535, § 1, 5-2-96)

Sec. 166-124. Construction with existing laws.

This article shall not be construed to repeal the provisions of any existing laws and ordinances establishing building and zoning requirements for the city generally or any other section of this chapter, except such as may directly conflict herewith.
(Code 1956, § 65-40)

Sec. 166-125. Merchandising of certain items prohibited—Vieux Carré.

(a) It shall be a violation of this section for any person to place, hang or otherwise attach any poster, printed material, work of art, T-shirt or parts of T-shirts or any other articles of clothing, or parts of articles or any facsimiles of T-shirts or articles of clothing or any representation or message which may be imprinted on an aforementioned article or facsimile of clothing or any other merchandise on the facade of any building in the Vieux Carré, which is that area of the city bounded by Esplanade Avenue, North Rampart Street, Canal Street and the Mississippi River. Facade shall include but not be limited to any door, window or shutter whether permanently attached to the building or not, even when such door, window, or shutter opens to the interior of the building.

(b) In no instance shall any person place any such articles or signs so that they lean against the facade of the building, or occupy the space defined by the outermost frame of any open door or window for a depth of 36 inches into the establishment.

(c) The restrictions contained herein may be enforced as provided in chapter 6 of the Code of the City of New Orleans.

(d) The penalty for each violation of this section shall be in accordance with section 6-37 of the Code of the City of New Orleans. Each poster, piece of printed material or other merchandise, work of art, T-shirt, article of clothing or part thereof, facsimile or representation or message shall constitute a separate violation.

Cross reference—Definitions generally, § 1-2.

Sec. 166-152. Unlawful activities.

It shall be unlawful for any person in the public way of Bourbon Street or on any parcel of property fronting on or designated by a municipal number on Bourbon Street between St. Ann and Canal Streets to engage in tattooing, adult activity, massage or the sale of souvenirs, gifts, novelties or T-shirts.
(Code 1956, § 65-42)

Sec. 166-153. Grandfather exemption.

Persons who are found to be in violation of sections 102-111 through 102-115 which is consistent with R.S. 40:1031 through 40:1036 et seq., are excluded from grandfather provisions of this article. Any person who, on the effective date of the ordinance from which this article was derived, is conducting and operating and who possesses all applicable city licenses and permits to operate a business or retail sales activity which has included activities prohibited by that ordinance on such effective date shall be entitled to continue such activities as a part of such business or retail sales activity, but only at the specific location where the person now conducts and operates the business or retail sales activity; provided however, that the right to continue such activity shall terminate at such location upon the occurrence of any of the following events:

(1) The person so operating the business or retail sales activity ceases to do business for 90 consecutive days for reasons other than acts of God, storm, flood, hurricane, fire, riot or insurrection, property damage not caused by his own intentional act, or repairs thereof.

(2) The person operating the business or retail sales activity is found guilty of a criminal violation of failure to pay city or state sales taxes; provided that the activities prohibited by this article may continue to be conducted under the grandfa-

ther exemption of this section on the parcels of property used for the business or retail sales activity, if and only if:

a. The activities are continued by an owner or assignee of the owner of the parcels who is neither the same person or a partner, joint venturer, agent, nor business associate of the convicted person;

b. The council, after an application advertised at least twice in the official journal and after a public hearing held not less than 24 hours nor more than one month after the second advertisement, declares by resolution that the owner and assignees, if any, have made all reasonable and lawful efforts within his or their power to ensure compliance with city and state sales tax laws by all businesses operating on such parcels.

(Code 1956, § 65-43)

Sec. 166-154. Violations and penalties.

The first violation of any such provision of this article shall be punishable by a fine not to exceed $1,000.00 or by imprisonment for not more than six months, or both. The second or any subsequent offense of any such provision of this chapter shall be punishable by a fine not to exceed $2,000.00 or by imprisonment for not more than six months, or both. Each day that any violation of this article shall continue shall constitute a separate offense.

ARTICLE I. IN GENERAL

Sec. 170-1. Pollution of waters prohibited.

The dumping, pumping or discharging of waste and/or fuel oils into the Mississippi River or any other river or bayou situated within the parish or flowing through or adjoining the parish boundaries and the dumping, pumping or discharging of waste and fuel oils into Lake Pontchartrain or any other lake situated within or adjoining the boundaries of the parish is hereby strictly prohibited.
(Code 1956, § 66-1)

Sec. 170-2. Responsibility of officers in charge of vessels.

The captain or other person in command of a vessel from which fuel oil or waste is dumped, pumped or discharged into the Mississippi River or any other river or bayou situated in the parish or flowing through or adjoining the parish boundaries or into Lake Pontchartrain or any other lake situated within or adjoining the boundaries of the parish shall be responsible for such dumping, pumping or discharging of waste or fuel oil and shall be guilty of violating the provisions of section 170-1.
(Code 1956, § 66-2)

Sec. 170-3. Structures not to be erected, etc., in or on Bayou St. John.

No building permit shall be issued for the construction, structural alteration, reconstruction or repair of any building or structure designed for or used for any purposes, residential or otherwise, which shall be located in the bed of or on the banks of Bayou St. John or designed to float in the waters of the Bayou from its head at Hagan Avenue to its mouth at Lake Pontchartrain, except for structures granted conditional uses in an OS-R District as provided in the Comprehensive Zoning Ordinance.
(Code 1956, § 66-4; M.C.S., Ord. No. 30431, § 1, 8-21-25)

Sec. 170-4. Enforcement; penalty.

In case any building, structure or house boat of a permanent residential character is erected, structurally altered, reconstructed, repaired, maintained or used in violation of the terms of section 170-3, the proper city official, in addition to other remedies, may institute appropriate proceedings to prevent such unlawful erection, alteration, repair, maintenance or use and to restrain, correct or abate such violation or to prevent any other unlawful act prohibited by such section. The director of the department of safety and permits. shall enforce the regulations of section 170-3.
(Code 1956, § 66-5)

Secs. 170-5—170-50. Reserved.

ARTICLE II. BOAT AND WATER SAFETY*

Sec. 170-51. Rights of city, landowners protected.

This article shall not be construed as waiving or prejudicing any rights of the city, the public or any private landowners.
(Code 1956, § 66-12.2)

Sec. 170-52. Safety requirements for non-navigable waterways.

Children ages 12 and under, shall be required to have a life preserver before boarding paddle boats, canoes, and skiffs within the boundaries of Audubon and City Park. The vendor who rents or leases such equipment to the public within the parks must supply the life preservers.
(Code 1956, § 66-18)

Sec. 170-53. Information as to renters of skiffs, etc.

Owners of skiffs and other pleasure craft at West End and other lake resorts who rent such skiffs and pleasure craft to persons shall compel all persons to whom such skiffs or pleasure crafts are rented to give the name, occupation, place of business and residence of each occupant of such skiff or pleasure craft. Such information

*__Cross reference—__Use of private watercraft prohibited in City Park, § 106-3.

shall be kept in a substantial and durable book to be subject at all times to the inspection of the police authorities.
(Code 1956, § 66-3)

Sec. 170-54. Speed limit—In parts of Lake Pontchartrain.

The operation of any vessel or watercraft powered by a motor, whether then operating under motor power or otherwise, in Lake Pontchartrain at a rate of speed in excess of five miles per hour within 100 yards of the seawall and within 200 yards of the water's edge of the bathing beach from the entrance of the New Basin Canal to Little Woods is hereby forbidden.
(Code 1956, § 66-11)

Sec. 170-55. Same—In parts of Bayou Sauvage, Venetian Waterway, Irish Bayou, Chef Menteur Pass and connecting waterways.

The operation of any vessel or watercraft powered by a motor in excess of five miles per hour is forbidden as follows:

(1) In Bayou Sauvage or Venetian Waterway from the entrance of Bayou Sauvage or Venetian Waterway at Chef Menteur Pass to the point of crossing of the borrow pit of the protective levee.

(2) In Irish Bayou from the east entrance of Irish Bayou to the point of crossing of the borrow pit of U.S. Highway No. 11.

(3) In the borrow pit of U.S. Highway No. 11 from the intersection with the protective levee to its northern termination point near Lake Pontchartrain.

(4) In Chef Menteur Pass from its entrance at Lake Pontchartrain to its point of intersection with the Gulf Intracoastal Waterway.

(5) The entirety of the Marquez Canal from its entrance at Lake Saint Catherine to its point of intersection with the Chef Menteur Pass.

(Code 1956, § 66-11.1; M.C.S., Ord. No. 29804, § 1, 2-1-24)

Sec. 170-56. Same—Entering or leaving Lake Ponchartrain channel.

No vessel or watercraft while traveling in any channel, whether entering or leaving any of the tributaries of the south shore of Lake Pontchartrain within the control of the city, shall be permitted to operate at a speed in excess of five miles per hour.
(Code 1956, § 66-12)

Sec. 170-57. Same—Entering or leaving of Bayou Sauvage, Venetian Waterway or Irish Bayou channels.

No vessel or watercraft while traveling in any channel whether entering or leaving any of the tributaries of Bayou Sauvage or Venetian Waterway or Irish Bayou and connecting waterways shall be permitted to operate at a speed in excess of five miles per hour.
(Code 1956, § 66-12.1)

Sec. 170-58. Owner presumed operator.

The registered owner of a boat who is on the craft at the time of the arrest for a violation of sections 170-54 or 170-56 shall be presumed to be the operator of the boat.
(Code 1956, § 66-13)

Sec. 170-59. No swimming in certain areas in or near Lake Pontchartrain.

There shall be no swimming or bathing in:

(1) The New Basin Canal from the Lake Avenue Bridge to its entrance into Lake Pontchartrain;

(2) Those parts of Lake Pontchartrain known as the New Yacht Club Pen and the Old Yacht Club Pen; or

(3) The channel which is formed by the confluence or merger of the entrance to the Yacht Club Pens and the entrance to the New Orleans Canal into Lake Pontchartrain from the Coast Guard Station to the North Jetty.

(Code 1956, § 66-14)

Sec. 170-60. Swimming, fishing or scuba diving prohibited in skiing or armed scuba diving areas.

(a) It shall be unlawful to swim or bathe or fish or scuba dive in the following areas of Lake Pontchartrain wherein water skiing is practiced:

(1) That portion of the lake from the east breakwater of Lake Pontchartrain Beach to Franklin Avenue, extending from the shoreline into the lake a distance of 200 yards.

(2) That portion of the lake from the west breakwater of Lake Pontchartrain Beach to London Avenue Canal and extending from the shoreline into the lake a distance of 200 yards.

(3) That portion of the lake between the extension of Canal Boulevard and the extension of the Orleans Canal for a distance of 200 yards from the shoreline.

(b) It shall be unlawful to swim or bathe or fish at any time in the following areas of Lake Pontchartrain wherein armed scuba diving shall be confined:

(1) The first 50 yards from the north shoreline of the Municipal Yacht Harbor breakwater, extending from the Orleans-Jefferson Parish line to 50 feet from the east end of such breakwater, to be measured westward 50 feet from such east end.

(2) The first 50 yards along the entire length of the east side of the New Orleans Airport seawall.

(c) Scuba diving without weapons, fishing, swimming and bathing shall be lawful in all other areas of the lake not prohibited by this section and by section 170-59, which shall remain in full force and effect.
(Code 1956, § 66-16)

Sec. 170-61. Swimming prohibited in Bayou St. John.

It shall be unlawful to swim or bathe in Bayou St. John, from its head at Hagan Avenue to Robert E. Lee Boulevard.
(Code 1956, § 66-17)

Sec. 170-62. Abandoning or long-term mooring of boats prohibited along Bayou St. John.

It shall be unlawful to abandon or moor boats for longer than 24 hours along Bayou St. John or along the bridges that cross Bayou St. John. For purposes of this division, "Bayou St. John" includes its head at Hagan Avenue to Desaix Boulevard. Boats found to be in violation of this division shall be subject to impoundment.
(M.C.S., Ord. No. 26025, § 1, 9-4-14)

Sec. 170-63. Notice requirement.

The department of police may impound a boat under this section only after prior notice has been given. Notice shall be given by affixing printed information in a conspicuous place on the boat stating that the boat shall be subject to impoundment unless the boat is removed by the owner or legal possessor within 48 hours after the notice is affixed. The affixed notice shall indicate the date the notice was attached, the date upon which the boat is subject to impoundment, and contact information for retrieval purposes.
(M.C.S., Ord. No. 26025, § 1, 9-4-14)

Sec. 170-64. Impoundment.

Impounded boats shall be held by the department of police until claimed by the owner or legal possessor or disposed of in accordance with state law governing disposition of lawfully seized movable property. Any owner or legal possessor who seeks to recover an impounded boat shall be required to demonstrate proof of ownership and pay all related fees at the time of recovery.
(M.C.S., Ord. No. 26025, § 1, 9-4-14)

Sec. 170-65. Fees.

If any boat is impounded, an impoundment fee of $150.00 and, after the first 24 hours, a storage fee of $10.00 per day for each day that the boat is impounded shall be assessed upon recovery. Total fees, excluding impoundment fee, shall not exceed $250.00 per boat.
(M.C.S., Ord. No. 26025, § 1, 9-4-14)

Sec. 170-66. Disposition.

The department of police shall retain custody and possession of impounded boats for a period of not less than five months from the date of impoundment, unless recovered by the owner or legal possessor. After such time, the impounded boat may be disposed of pursuant to state law governing disposition of lawfully seized property. The purchaser of any unclaimed boat shall not be liable for the impoundment fee or any storage fees accumulated prior to the date of purchase.
(M.C.S., Ord. No. 26025, § 1, 9-4-14)

Secs. 170-67—170-109. Reserved.

ARTICLE III. COASTAL ZONE MANAGEMENT PROGRAM*

DIVISION 1. GENERALLY

Sec. 170-110. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Act means the state and local Coastal Resources Management Act of 1978, as amended, R.S. 49:214.21—49:214.40.

Administrator means the administrator or his designee of the local coastal program within as provided for in R.S. 49:214.26, as amended.

After-the-fact permits means a coastal use permit which is issued after the commencement of a use. Such a permit may only be issued after all legal issues resulting from the commencement of a use without a coastal use permit have been resolved.

Alterations of waters draining in coastal water means those uses or activities that would alter, change, or introduce polluting substances into runoff and thereby modify the quality of coastal waters. Examples include water-control impoundments, upland and water-management programs, and drainage projects from urban, agricultural and industrial developments and removal of toxic or other waste products.

Approved local program means a local coastal-management program which has been and continues to be approved by the secretary pursuant to R.S. 49:214.28, also referred to as "local program."

Best practical techniques means those methods or techniques which would result in the greatest possible minimization of the adverse impacts listed in guideline 1.7 and in specific guidelines applicable to the proposed use. Those methods or techniques shall be the best methods or techniques which are in use in the industry or trade or among practitioners of the use, and which are feasible and practical for utilization.

City planning commission means the city planning commission.

Coastal use permit means a permit required by R.S. 49:214.30, but does not mean or refer to, and is in addition to, any other permit or approval required or established pursuant to any other constitutional provision or statute.

Coastal water dependent uses means those which must be carried out on, in or adjacent to coastal water areas or wetlands because the use requires access to the water body or wetland or requires the consumption, harvesting or other direct use of coastal resources, or requires the use of coastal water in the manufacturing or transporting of goods. Examples include surface and subsurface mineral extraction, fishing, ports and necessary supporting commercial and industrial facilities, facilities for the construction, repair and maintenance of vessels, navigation projects, and fishery processing plants.

Coastal waters means those bays, lakes, inlets, estuaries, rivers, bayous, and other bodies of water within the boundaries of the coastal zone which have measurable seawater content under normal weather conditions over a period of years.

Coastal zone means the coastal waters and adjacent shore lands within the boundaries of the coastal zone established in R.S. 49:214.24, which are strongly influenced by each other, and in proximity to the shorelines, and uses of which have a direct and significant impact on coastal waters.

Commission means the Louisiana Coastal Commission.

Compensatory mitigation means replacement, substitution, enhancement, or protection of ecological values to offset anticipated losses of those values caused by a permitted activity.

Contact means contact for the local coastal program and is designated by the administrator.

Department means the state department of natural resources.

*__Cross reference—__Planning, ch. 118.

State law reference—Coastal zone management act, R.S. 49:213.1 et seq.

Department of environmental quality means the state department of environmental quality as created by the Environmental Quality Act 449 of 1983.

Development levees means those levees and associated water-control structures whose purpose is to allow control of water levels within the area enclosed by the levees to facilitate drainage or development within the leveed areas. Such levee systems also commonly serve for hurricane or flood protection, but are not so defined for purposes of these guidelines.

Direct and significant impact means a modification or alteration in the physical or biological characteristics of coastal waters which results from an action or series of actions caused by man.

Director means the director of a city department or his designated representative responsible for overseeing the permitting process.

Evaluating body means either the state department of natural resources, coastal management section, or the local coastal program represented by an appropriate city department.

Ecological value means the ability of an area to support vegetation and fish and wildlife populations.

Exempt means activities not requiring a local coastal use permit.

Fastlands means lands surrounded by publicly owned, maintained or otherwise validly existing levees or natural formations as of January 1, 1979, or as may be lawfully constructed in the future, which levees or natural formations would normally prevent activities, not to include the pumping of water for drainage purposes, within the surrounded area from having direct and significant impacts on coastal waters. Wetlands may be found within the boundaries of fastlands.

Feasible and practical means those locations, methods and/or practices which are of established usefulness and efficiency and allow the use or activity to be carried out successfully.

Guidelines means those rules and regulations adopted pursuant to R.S. 49:214.27.

Hurricane or *flood-protection levees* means those levees and associated water-control structures whose primary purpose is to prevent occasional surges of flood- or storm-generated high water. Such levee systems do not include those built to permit drainage or development of enclosed wetland areas.

Hydrologic and sediment transport modifications means those uses and activities intended to change water circulation, direction of flow, velocity, level, or quality or quantity of transported sediment. Examples include locks, water gates, impoundments, jetties, groins, fixed and variable weirs, dams, diversion pipes, siphons, canals, and surface water and groundwater withdrawals.

Impoundment levees means those levees and associated water-control structures whose primary purpose is to contain water within the levee system either for the prevention of the release of pollutants, to create freshwater reservoirs, or for management of fish or wildlife resources.

Levees means any use or activity which creates an embankment to control or prevent water movement, to retain water or other material, or to raise a road or other lineal use above normal or flood water levels. Examples include levees, dikes and embankments of any sort.

Linear facilities means those uses and activities which result in creation of structures or works which are primarily linear in nature. Examples include pipelines, roads, canals, channels, and power lines.

Local government means the city council and its authorized agencies.

Minerals means oil, gas, sulfur, geothermal, geopressured, salt, or other naturally occurring energy or chemical resources which are produced from below the surface in the coastal zone. Not included are such surface resources as clam or oyster shells, dirt, sand, or gravel.

Mitigation means all actions taken by an applicant to avoid, minimize, restore and compensate for loss of an area's ability to support vegetation, fish and wildlife populations due to a permitted activity.

Office of environmental affairs means the City of New Orleans Office of Environmental Affairs

Oil, gas and other mineral activities means those uses and activities which are directly involved in the exploration, production, and refining of oil, gas and other minerals. Examples include geophysical surveying, establishment of drill sites and access to them, drilling, on-site storage of supplies, products and waste materials, production, refining, and spill cleanup.

Permitting body means either the state department of natural resources (coastal management section) or the city department(s) implementing the local coastal program.

Radioactive wastes means wastes containing source, special nuclear, or by-product material as defined by the Atomic Energy Act of 1954, as amended (68 U.S.C. § 923).

Secretary means the secretary of the state department of natural resources.

Sediment deposition systems means controlled diversions of sediment-laden water in order to initiate land building or sediment nourishment or to minimize undesirable deposition of sediment in navigation channels or habitat areas. Typical activities include diversion channels, jetties, groins, or sediment pumps.

Shoreline modifications means those uses and activities planned or constructed with the intention of directly or indirectly changing or preventing change of a shoreline. Examples include bulkheading, piers, docks, wharves, slips and short canals, and jetties.

Spoil deposition means the deposition of any excavated or dredged material.

Surface alterations means those uses and activities which change the surface or usability of a land area or water bottom. Examples include fill deposition, land reclamation, beach nourishment, dredging (primarily aerial), clearing, draining, surface mining, construction and operation of transportation, mineral, energy and industrial facilities, and industrial, commercial and urban developments.

Use means any use or activity within the coastal zone which has a direct and significant impact on coastal waters.

Waste disposal means those uses and activities which involve the collection, storage and discarding or disposing of any solid or liquid material. Examples include littering; landfill; open dumping; incineration; industrial waste treatment facilities; sewerage treatment; storage in pits, ponds or lagoons; ocean dumping and subsurface disposal.

Water or *marsh management plan* means a systematic development and control plan to improve and increase biological productivity, or to minimize land loss, saltwater intrusion, erosion or other such environmental problems, or to enhance recreation.

(Code 1956, § 15A-2; M.C.S., Ord. No. 22577, § 1, 4-5-07)

Cross reference—Definitions generally, § 1-2.

State law reference—Definitions, R.S. 49:214.23(11).

Sec. 170-111. Purpose.

The principal purpose of this article is to provide the authorities and procedures for implementing a unified coastal use permitting process. This regulation is based on the policies, guidelines and procedures set forth in R.S. 49:214.21 et seq. in the Final Environmental Impact Statement of the Louisiana Coastal Resources Program, and the Orleans Parish Coastal Zone Management Plan. This regulation provides procedures for local government determination of what activities require a coastal use permit, whether the activity is a use of state or local concern, and the process for the issuance, denial, modification, suspension and/or revocation of coastal use permits and general coastal use permits for uses of local concern in the parish.

State law reference—Local coastal management programs authorized, R.S. 49:213.9.

Sec. 170-112. Priority of article.

The principal purpose of this article is to provide the authorities and procedures for implementing a unified coastal use permitting process. This regulation is based on the policies, guidelines and

procedures set forth in R.S. 49:214.21 et seq. in the final environmental impact statement of the Louisiana Coastal Resources Program, and the Orleans Parish Coastal Zone Management Plan. This regulation provides procedures for local government determination of what activities require a coastal use permit, whether the activity is a use of state or local concern, if the activities require a coastal use permit, and the process for the issuance, denial, modification, mitigation, suspension and/or revocation of coastal use permits and general coastal use permits for uses of local concern in the parish.

State law references—Local coastal management programs, R.S. 49:214.28(c); existing authority of certain state departments and local governments retained, R.S. 49:214.31(D).

Sec. 170-113. Scope of article.

Local coastal program objectives, policies and performance standards which directly or indirectly affect uses of state concern shall not be construed as being regulatory or binding on either the permit applicant or the coastal management division (CMD) of the department of natural resources but are for the purpose of submitting the parish environmental review comments to the state on applications for uses of state concern. Local policies which contain prohibitions, restrictions or performance standards beyond the scope of the coastal use guidelines (CUG) shall be considered as advisory by the parish, the CMD, and permit applicants (i.e., mandatory policies with "shalls" are modified such that "should" is the operative verb). Parish comments to CMD on proposed uses of state concern shall be based on the policies of the LCP and may recommend specific project alternatives and conditions. CMD consideration of parish recommendations shall be based on the conformance of the recommendation with the CUG's. Recommendations which reflect further detailing of the CUG's as they apply to the parish shall be given substantial consideration by the CMD with the objective of ensuring consistency with the goals of the parish local coastal zone management program. Recommendations which are not in conformance with the CUG shall not be considered by the CMD.

State law reference—Enforcement, R.S. 49:214.36(B), (C).

Sec. 170-114. Invalidity of any provisions.

If any provision or item of this article, or the application thereof, is held invalid, such invalidity shall not affect other provisions, items or applications of this article which can be given effect without the invalidated provisions, items or applications. To this end the provisions of this article are hereby declared severable.
(Code 1956, § 15A-40)

Sec. 170-115. Status of conflicting ordinances.

All ordinances or parts of ordinances in conflict herewith are hereby repealed, except as set forth in section 170-112.
(Code 1956, § 15A-41)

Sec. 170-116. Public hearing.

Whenever a hearing is required in this article such hearing shall be announced to the public at least 30 days in advance. All interested persons shall be afforded a reasonable opportunity to submit data, views or arguments, orally or in writing at such hearing. At the time of the announcement of the public hearing all materials pertinent to the hearing, including documents, studies, and other data, in the possession of the party calling the hearing, must be made available to the public for review and study. As similar materials are subsequently developed, they shall be made available to the public as they become available to the party which conducted the hearing.

DIVISION 2. WETLAND UNITS

Sec. 170-161. Management Unit V: Viavant.

The Viavant Management Unit is bounded by Florida Avenue and Bayou Bienvenue on the south, the Mississippi River Gulf Outlet on the north, and Paris Road on the east. Due to significant modification, this unit has been designated as a transitional area.

(1) *Goal:* To provide, where appropriate, land in Viavant as an industrial development reserve to meet long-range industrial needs.

(2) *Objectives:*

a. To resist the extension of public facilities into the area until other available industrial land is absorbed, except in unusual circumstances.

b. Support efforts of the board of commissioners of the Port of New Orleans and the coastal management section, department of natural resources to establish a Port of New Orleans Special Area, to include Viavant, which would allow the necessary expansion of the Port of New Orleans and port-related industry without causing undue deterioration to the coastal zone.

(3) *Policies:* To require coastal use permits in conformance with the LCRP for any activities which will result in modifications to coastal wetlands, until such time as this area is placed under special management.

(Code 1956, § 15A-2.1)

Sec. 170-162. Management Unit VII: New Orleans East/Special.

This management unit is bounded on the south by the Orleans Parish/St. Bernard Parish line, on the north by the Gulf Intracoastal for points west of its intersection with the Lake Pontchartrain and Vicinity Hurricane Protection Levee, on the west by Paris Road, on the west (north of the GIWW) by the hurricane protection levee, on the north and east by the shore of Lake Pontchartrain and on the east by Chef Menteur Pass. While limited areas of this unit bordering the GIWW, MRGO and Chef Menteur Pass have been modified by dredge spoil deposition the unmodified land area in this unit is mostly vacant wetlands. The majority of wetlands in this unit is included in the Bayou Sauvage National Wildlife Refuge. Two potential particular areas have been identified in this unit. One is Point-aux-Herbes in the northernmost section and the other is the Venetian Isles Marsh between Bayou Sauvage and the GIWW.

(1) *Goal:* To preserve viable wetlands in recognition of their ecological and recreational value.

(2) *Objectives:*

a. To establish land use and control measures that would allow uses that are compatible with and would minimally impact wetland areas, while prohibiting inappropriate and environmentally damaging uses.

b. To allow coastal landowners some reasonable use of their land so as not to cause an unconstitutional taking.

c. To establish performance standards for any use permitted in wetland areas.

d. To control erosion.

(3) *Policies:*

a. To create a zoning district within the city comprehensive zoning ordinance of the city that would be applied to coastal wetlands. This district would have the following purpose: to protect and preserve appropriate wetland areas and to permit minimal negative impact from man.

b. To apply this zoning district to appropriate areas as identified in the comprehensive land use plan and this document.

c. To strictly enforce existing housing, building code and floodplain performance standards.

d. To incorporate the state coastal resources program's Guidelines for Uses into the local coastal management program to ensure that these performance standards are applied to uses of local concern.

e. To minimize new canal development where possible and to minimize envi-

ronmental impacts of canal and slip construction.

f. In order to minimize the impacts of board road construction to access oil well sites in wetland, recommendations shall be made to the state in accordance with parish coastal management guidelines.

g. Mitigation or compensation should be required for areas to be adversely impacted.

h. Shorelines should be established by methods other than bulkheading (i.e., rip-rap, matting material or natural vegetation).

(4) *Goal:* To allow limited port and marine-oriented industrial development in appropriate areas.

(5) *Objectives:*

a. To create a zoning district within the city's comprehensive zoning ordinance whose purpose is to permit an appropriate use for limited port and marine-oriented industrial development requiring access to and utilization of coastal waters.

b. To establish special development requirements to ensure that such marine-oriented industrial development will not significantly degrade the coastal environment.

(6) *Policies:*

a. To apply the special port and marine-oriented industrial zoning district to appropriate areas as identified in the land use plan and in the parish coastal management plan.

b. To require that significant industrial developments permitted in this district include adequate mitigating features to compensate for wetlands modified by development.

c. To strictly enforce building code and floodplain performance standards.

d. To incorporate the state coastal resources program's Guidelines for Uses into the local program to ensure that these performance standards are applied to uses of local concerns.

(7) *Goal:* To increase recreational access to and expand water-oriented recreational opportunities in the coastal zone for residents and visitors.

(8) *Objectives:*

a. To create a zoning district within the city's comprehensive zoning ordinance that would have the following purpose: to allow the orderly and systematic development of particular areas suited to marine-oriented recreational facilities.

b. To establish special development requirements to ensure that such marine-oriented recreational development will not significantly degrade the coastal environment.

(9) *Policies:*

a. To apply the special marine-oriented recreational zoning district to appropriate areas as the parish coastal management plan.

b. To require that significant recreational developments permitted in this district include adequate mitigating features to offset environmental damages caused by the development.

c. To strictly enforce building code and floodplain performance standards.

d. To incorporate the state coastal resources program's Guidelines for Uses into the local program to ensure that these performance standards are applied to uses of local concern.

(Code 1956, § 15A-2.2)

Sec. 170-163. Management Unit VIII: Chef Menteur/Rigolets.

This management unit is bounded by Lake Borgne on the south, the Rigolets on the north and east and Lake Pontchartrain on the north. The Chef Menteur/Rigolets Management Unit is characterized by viable wetlands, approximately 27,000 acres, and is an important fish and wildlife habitat. This management unit also contains a potential "particular area": the Chef Menteur

Highway Corridor. This corridor has traditionally been the site of fishing camps.

(1) *Goal:* To conserve renewable natural resources.

(2) *Objectives:*

a. To establish land use and control measures that would allow uses that are compatible with and would minimally impact wetland areas, while prohibiting uses that are inappropriate and environmentally damaging.
b. To allow coastal landowners some reasonable use of their land so as not to cause an unconstitutional taking.
c. To establish minimum performance standards for any use permitted in wetland areas.
d. To control erosion.

(3) *Policies:*

a. To create a zoning district within the city's comprehensive zoning ordinance that would apply to coastal wetlands wherein limited uses would be allowed which would maintain the nearby wetlands in a near pristine state. This district would have the following purposes: to protect and preserve coastal wetland areas minimally impacted by man.
b. To apply this zoning district to appropriate areas as identified in the land use plan and this document.
c. To strictly enforce existing housing, building code and floodplain performance standards.
d. To incorporate the state coastal resource program's Guidelines for Uses into the local program to ensure that these performance standards are applied to uses of local concern.
e. To minimize new canal dredging where possible, and to minimize detrimental impacts of new canals and slip construction, in accordance with the parish coastal management guidelines.
f. To minimize the impacts of broad road construction to access oil well sites in wetlands, in accordance with the parish coastal management guidelines.
g. Mitigation, the improving of one area of marsh or swamp to replace another area destroyed by a use, should be required as a condition of the permit, depending on the magnitude of the permitted use and the destruction associated with it.
h. Shorelines should be stabilized by methods other than bulkheading (i.e. rip-rap, matting material or natural vegetation).

(4) *Goal:* To allow orderly recreational and residential development in areas of higher elevations near existing access roads and development.

(5) *Objectives:*

a. To apply the recreation and residential zoning district to the Chef Menteur Highway Corridor as identified in the coastal zone plan.
b. To strictly enforce existing housing, building code and floodplain performance standards.
c. To incorporate the state coastal resources program's Guidelines for Uses into the local program to ensure that these performance standards are applied to uses of local concern.

(6) *Goal:* To eliminate or reduce pollution of lakes and other water bodies.

(7) *Objectives:*

a. To determine which camps can be served by existing sewers and into which areas sewers can reasonably be extended.
b. To seek state participation in financial provisions for extension of sewer services.
c. To establish specifications for state-of-the-art disposal systems in areas where sewers cannot be extended.

(8) *Goal:* To minimize the cumulative impacts of camp development and construction.

(9) *Objectives:*

a. To ensure that adequate open space is maintained between structures.

b. To allow sunlight to penetrate beneath structures.
c. To limit the disturbance of wetlands during and after construction.

(10) *Policies:*

a. To limit lot development to a predetermined percentage of total lot or tract area.
b. To elevate all construction above flood elevations to prohibit major restrictions on water flow and allow sunlight to penetrate underneath the structures.

(11) *Goal:* To control shoreline erosion.

(12) *Objectives:*

a. To reduce destruction of wetlands.
b. To abate the reduction of land area dimensions.
c. To prevent the loss of archaeological sites.

(13) *Policies:*

a. To construct artificial barrier islands to prevent shoreline erosion.
b. To place rip-rap or matting material along shorelines of rapidly eroding waterways.
c. To divert water from the Mississippi River to restore eroding marsh areas.

DIVISION 3. COASTAL USE PERMITS

Subdivision I. Generally

Sec. 170-221. Required.

It shall be unlawful to proceed with any use of state or local concern within the coastal zone of the parish without a valid coastal use permit unless the activity is exempted from permitting by the Act or by provisions within this article.
(Code 1956, § 15A-3)

Secs. 170-222—170-280. Reserved.

*Subdivision II. Uses Requiring Coastal Use Permit**

Sec. 170-281. Specific uses requiring coastal use permits.

The following shall be considered as uses of state or local concern subject to the requirements of section 170-221:

(1) Dredging or filling and discharges of dredged or fill material.

(2) Levee siting, construction, operation and maintenance.

(3) Hurricane and flood protection facilities, including the siting, construction, operation and maintenance of such facilities.

(4) Urban developments, including the siting, construction or operation of residential, commercial, industrial, and governmental structures and transportation facilities.

(5) Energy development activities, including any siting, construction, or operation of generating, processing and transmission facilities, pipeline facilities, and exploration for and production of oil, natural gas and geothermal energy.

(6) Mining activities, including surface, subsurface, and underground mining, sand or gravel mining and shell dredging.

(7) Wastewater discharge, including point and nonpoint sources.

(8) Surface water control or consumption, including marsh management projects.

(9) Shoreline modification projects and harbor structures.

(10) Waste disposal activities.

(11) Recreational developments, including siting, construction and operation of public and private recreational facilities and marinas.

(12) Industrial development, including siting, construction, or operation of such facilities.

(13) Any other activities or projects that would require a permit or other form of consent or authorization from the U.S. Army Corps of

Engineers, the Environmental Protection Agency or the state department of natural resources.

(14) Activities which impact barrier islands, salt domes, chenniers and beaches.

(15) Drainage projects.

Sec. 170-282. Coastal use permits requiring wetland mitigation.

The Orleans Parish Coastal Zone Management Program will require mitigation for coastal wetland losses, caused by permitted activities, consistent with the requirement of the Louisiana Coastal Resources Program (LCRP) and attendant regulations and guidelines.

The Orleans Parish Coastal Zone Management Program will require that the determination of mitigation requirements for permitted activities, as well as the appropriateness of mitigation proposals to offset losses, be based on losses/gains of wetland habitat values, measured by the same method utilized by the DNR.

Secs. 170-283—170-320. Reserved.

Subdivision III. Uses Not Requiring Coastal Use Permit

Sec. 170-321. Activities not requiring coastal use permits.

The following activities normally do not have direct and significant impacts on coastal waters; hence, a coastal use permit is not required:

(1) Agricultural, forestry, and aquaculture activities on land consistently used in the past for such activities.

(2) Hunting, fishing, trapping, where permitted.

(3) Normal maintenance or repair of existing structures including emergency repairs of damage caused by accident, fire, or the elements, not to exceed 50 percent of the total value of the original structure, or as indicated in the floodplain performance requirements.

(4) The preservation of scenic, historic, and scientific areas and wildlife preserves.

(5) Construction and modification of navigational aids such as channel markers and anchor buoys.

(6) Activities which do not have a direct and significant impact on coastal waters.

(Code 1956, § 15A-7)

State law reference—Activities not requiring a coastal use permit, R.S. 49:214.34.

Sec. 170-322. Permits issued in lieu of coastal use permits.

Coastal use permits shall not be required for the location, drilling, exploration and production of oil, gas, sulphur and other minerals subject to regulation by the office of conservation of the department of natural resources as of January 1, 1979. The parameters and procedures of the inlieu permit process are as provided for under existing Memorandum of Understanding between the Coastal Management Section and the Office of Conservation and the rules and procedures of the Office of Conservation.

(Code 1956, § 15A-6)

State law reference—Existing authority of certain state departments and local governments retained, R.S. 49:214.31(B).

Sec. 170-323. Activities on lands five feet or more above sea level or within fastlands.

(a) Activities occurring wholly on lands five feet or more above sea level or within fastlands do not normally have direct and significant impacts on coastal waters. Consequently, a coastal use permit for such uses generally need not be applied for.

(b) However, if a proposed activity exempted from permitting in subsection (a) is determined by the secretary of DNR or the director to have a direct and significant impact on coastal waters or will result in discharges into coastal waters, or significantly change existing water flow into coastal waters, then the person proposing the activity shall notify the director and provide such infor-

mation regarding the proposed activity as may be required by the director in deciding whether the activity is a use subject to a coastal permit.

(c) Should it be found that a particular activity exempted by subsection (a) may have a direct and significant impact on coastal waters, the director may conduct such investigation as may be appropriate to ascertain the facts and may require the persons conducting such activity to provide appropriate factual information regarding the activity so that a determination may be made as to whether the activity is a use subject to a permit.

(d) The director or the secretary shall determine whether a coastal use permit is required for a particular activity. A coastal use permit will be required only for those elements of the activity which have direct and significant impacts on coastal waters.

(e) The secretary's decision whether an activity subject to this section requires a coastal use permit shall be appealable to the secretary pursuant to the provisions of section 213.11(D) of the Act and the regulations adopted pursuant thereto. Provided, however, that upon an appeal to the secretary by the person conducting or proposing to conduct the activity, the burden of proof shall be on the secretary. Upon an appeal by any other person, the burden of proof shall be on the appellant. The director's decision whether an activity subject to this section requires a coastal use permit shall be appealable to Civil District Court for the Parish of Orleans. Provided, however, that upon an appeal to the director by the person conducting or proposing to conduct the activity, the burden of proof shall be on the director. Upon an appeal by any other person, the burden of proof shall be on the appellant.

(f) The exemption described in this section shall not refer to activities occurring on cheniers, salt domes, barrier islands, beaches and similar isolated, raised land forms in the coastal zone. It does refer to natural ridges and levees.
(Code 1956, § 15A-8; M.C.S., Ord. No. 22577, § 1, 4-5-07)

Sec. 170-324. Emergency uses.

(a) Coastal use permits are not required in advance for conducting uses necessary to correct emergency situations.

(1) Emergency situations are those brought about by natural or manmade causes such as storms, floods, fires, wrecks, explosions spills, which would result in hazard to life, loss of property, or damage to the environment if immediate corrective action were not taken.

(2) This exemption applies only to those corrective actions which are immediately required for the protection of lives, property or the environment necessitated by the emergency situation.

(b) Prior to undertaking such emergency uses, or as soon as possible thereafter, the person carrying out the use shall notify the directors and give a brief description of the emergency use and the necessity for carrying it out without a coastal use permit. A verbal or written authorization from the directors shall be sufficient to carry out the emergency use.

(c) As soon as possible after the emergency situation arises any person who has conducted an emergency use shall report on the emergency use to the directors. A determination shall be made as to whether the emergency use will continue to have direct and significant impacts on coastal waters. If so, the person shall apply for an after-the-fact permit. The removal of any structure or works occasioned by the emergency and the restoration of the condition existing prior to the emergency use may be ordered if the permit is denied in whole or in part.
(Code 1956, § 15A-9)

State law reference—Coastal use permit exemption for emergencies, R.S. 49:213.11(F).

Sec. 170-325. Normal maintenance and repair.

(a) Normal repairs and the rehabilitation, replacement or maintenance of existing structures shall not require a coastal use permit provided that:

(1) The structure or work was lawfully in existence, currently serviceable, and in active use during the year preceding the repair, replacement or maintenance.

(2) The repair or maintenance does not result in an additional encroachment into a wetland area.

(3) The repair or maintenance does not involve dredge or fill activities.

(4) The repair or maintenance does not result in a structure or facility that is significantly different in magnitude or function from the original.

(5) The repair or maintenance does not violate the building code or floodplain performance standards.

(b) This exemption shall not apply to the repair or maintenance of any structure or facility built or maintained in violation of the coastal management program.

(c) Coastal use permits will normally authorize periodic maintenance, including maintenance dredging. All maintenance activities authorized by coastal use permits shall be conducted pursuant to the conditions established for that permit. Where maintenance is performed which is not described in an applicable coastal use permit, it shall conform to this section.
(Code 1956, § 15A-10)

State law reference—Enforcement, R.S. 49:214.36(B), (C).

Sec. 170-326. Construction of a residence or camp.

(a) The construction of a residence or a camp shall require a coastal use permit. Only those structures adhering to the building code, development standards of the comprehensive zoning ordinance, and floodplain performance standards will be permitted. Construction of a residence or camp will be permitted provided that:

(1) The terms shall refer solely to structures used for noncommercial and nonprofit purposes and which are commonly referred to as single-family and not multiple-family dwellings.

(2) The terms shall refer solely to the construction of one such structure by or for the owner of the land for the owner's use and not to practices involving the building of more than one such structure as in subdividing, tract development, speculative building, or recreational community development.

(b) A coastal use permit shall also apply to the construction of the structure and appurtenances such as septic fields, out-buildings, walkways, gazebos, small wharves, landings, boathouses, private driveways, and similar works, but not for the installation and maintenance of septic or sewerage facilities.
(Code 1956, § 15A-11; M.C.S., Ord. No. 22577, § 1, 4-5-07)

Sec. 170-327. Navigational aids.

(a) The construction and modification of navigational aids shall not require a coastal use permit.

(b) The term shall include channel markers, buoys, marker piles, dolphins, piling, pile clusters, etc.; provided that the exemption does not apply to associated dredge or fill uses or the construction of mooring structures, advertising signs, platforms, or similar structures associated with such facilities. All navigational aids constructed pursuant to this section shall conform to United States Coast Guard standards and requirements.
(Code 1956, § 15A-12)

Sec. 170-328. Agricultural, forestry and aquaculture activities.

(a) Agricultural, forestry and aquacultural activities on lands consistently used in the past for such use permit shall not require a coastal use permit provided that:

(1) The activity is located on lands or in waters which have been used on an ongoing basis for such purposes, consistent with normal practices, prior to the effective date of the Act;

(2) The activity does not require a permit from the U.S. Army Corps of Engineers and meets federal requirements for such exempted activities; and

(3) The activity is not intended to, nor will it result in, changing the agricultural, for-

estry, or aquacultural use for which the land has been consistently used in the past to another use.

(b) The exemption includes but is not limited to normal agricultural, forestry and aquacultural activities such as plowing; seeding; grazing; cultivating; insect control; fence building and repair; thinning; harvesting for the production of food, fiber and forest products; maintenance and drainage of existing farm, stock or fish ponds; digging of small drainage ditches; or maintenance of existing drainage ditches and farm or forest roads carried out in accordance with good management practices.
(Code 1956, § 15A-13)

Sec. 170-329. Blanket exemption.

No use or activity shall require a coastal use permit if:

(1) The use or activity was lawfully commenced or established prior to the implementation of the coastal use permit process, as per the requirements of the zoning ordinance;

(2) The secretary determines that a use within a fastland or above five feet mean sea level (MSL) does not have a direct or significant impact on coastal waters; or

(3) The director or administrator determines one is not required pursuant to section 170-321.

(Code 1956, § 15A-14)

Subdivision IV. Uses of State Concern and Uses of Local Concern

Sec. 170-361. Criteria for determination.

The following are the criteria for determination as to whether uses are of state or local concern:

(1) The specific terms of the uses as classified in the Act;

(2) The relationship of a proposed use to a particular use classified in the Act;

(3) If a use is not predominantly classified as either state or local by the Act or the use overlaps the two classifications, it shall be of local concern unless it:

a. Is being carried out with state or federal funds;

b. Involves the use of or has significant impacts on state or federal lands, water bottoms or works;

c. Is mineral or energy development, production or transportation related;

d. Involves the use of, or has significant impacts on, barrier islands or beaches or any other shoreline which forms part of the baseline for the state's offshore jurisdiction;

e. Will result in major changes in the quantity or quality of water flow and circulation or in salinity or sediment transport regimens; or

f. Has significant interparish or interstate impacts.

(Code 1956, § 15A-16)

State law references—Types of uses, R.S. 49:214.25; local coastal management programs, R.S. 49:214.28(c)(3).

Sec. 170-362. Uses of state concern.

Those uses which directly and significantly affect coastal waters and which are in need of coastal management and which have impacts of greater than local significance or which significantly affect interests of regional, state, or national concern, shall be considered uses of state concern. Uses of state concern shall include, but not be limited to:

(1) Any dredge or fill activity which intersects with more than one water body.

(2) Projects involving use of state-owned lands or water bottoms.

(3) State publicly funded projects.

(4) National interest projects.

(5) Projects occurring in more than one parish.

(6) All mineral activities, including exploration for, and production of, oil, gas and other minerals, all dredge and fill uses associated therewith, and all other associated uses.

(7) All pipelines for the gathering, transportation or transmission of oil, gas and other minerals.

(8) Energy facility siting and development.

(9) Uses of local concern which may significantly affect interests of regional, state or national concern.

(Code 1956, § 15A-17)

Sec. 170-363. Uses of local concern.

Those uses which directly and significantly affect coastal waters and are in need of coastal management, but are not uses of state concern, should be regulated primarily at the local level if the local government has an approved program. Uses of local concern shall include, but not be limited to:

(1) Privately funded projects which are not uses of state concern.

(2) Publicly funded projects which are not uses of state concern.

(3) Maintenance of uses of local concern.

(4) Jetties or breakwaters.

(5) Dredge or fill projects not intersecting more than one water body.

(6) Bulkheads.

(7) Piers.

(8) Camps and cattlewalks.

(9) Maintenance dredging.

(10) Private water control structures of less than $15,000.00 in cost.

(11) Uses on cheniers, salt domes, or similar land forms.

(Code 1956, § 15A-18)

Sec. 170-364. Appeals.

Within 30 days after public notice of the decision, the applicant, the secretary of DNR, any affected local government or affected local, state or federal agency, an aggrieved person or any person adversely affected by a decision may file an appeal of this decision to Civil District Court for the Parish of Orleans. The courts must give the case "preference and priority" and allow trial de novo at the request of the party.

Subdivision V. Coastal Use Guidelines

Sec. 170-401. Applicable to all uses.

(a) *Guideline 1.1.* The guidelines in this subdivision must be read in their entirety. Any proposed use may be subject to the requirements of more than one guideline or section of guidelines and all applicable guidelines must be complied with.

(b) *Guideline 1.2.* Conformance with applicable water and air quality laws, standards and regulations, and with those other laws, standards and regulations which have been incorporated into the coastal resources program shall be deemed in conformance with the program except to the extent that these guidelines would impose additional requirements.

(c) *Guideline 1.3.* The guidelines include both general provisions applicable to all uses and specific provisions applicable only to certain types of uses. The general guidelines apply in all situations. The specific guidelines apply only to the situations they address. Specific and general guidelines should be interpreted to be consistent with each other. In the event there is an inconsistency, the specific shall prevail.

(d) *Guideline 1.4.* These guidelines are not intended to nor shall they be interpreted so as to result in an involuntary acquisition or taking of property.

(e) *Guideline 1.5.* No use or activity shall be carried out or conducted in such a manner as to constitute a violation of the terms of a grant or

donation of any lands or water bottoms to the state or any subdivision thereof. Revocations of such grants and donations shall be avoided.

(f) *Guideline 1.6.* Information regarding the following general factors shall be utilized by the permitting authority in evaluating whether the proposed use is in compliance with the guidelines:

(1) Type, nature and location of use.

(2) Elevation, soil and water conditions and flood and storm hazard characteristics of site.

(3) Techniques and materials used in construction, operation and maintenance of use.

(4) Existing drainage patterns and water regimes of surrounding area, including flow, circulation, quality, quantity and salinity, and impacts on them.

(5) Availability of feasible alternative sites or methods for implementing the use.

(6) Designation of the area for certain uses as part of a local program.

(7) Economic need for use and extent of impacts of use on economy of locality.

(8) Extent of resulting public and private benefits.

(9) Extent of coastal water dependency of the use.

(10) Existence of necessary infrastructure to support the use and public costs resulting from use.

(11) Extent of impacts on existing and traditional uses of the area and on future uses for which the area is suited.

(12) Proximity to and extent of impacts on important natural features such as beaches, barrier islands, tidal passes, wildlife and aquatic habitats, and forest lands.

(13) The extent to which regional, state and national interests are served, including the national interest in resources and the siting of facilities in the coastal zone as identified in the coastal resources program.

(14) Proximity to, and extent of impacts on, special areas, particular areas, or other areas of particular concern of the state program or local programs.

(15) Likelihood of, and extent of impacts on, resulting secondary impacts and cumulative impacts.

(16) Proximity to, and extent of impacts on, public lands or works, or historic, recreational or cultural resources.

(17) Extent of impacts on navigation, fishing, public access, and recreational opportunities.

(18) Extent of compatibility with natural and cultural setting.

(19) Extent of long-term benefits or adverse impacts.

(g) *Guideline 1.7.* It is the policy of the coastal resources program to avoid the following adverse impacts. To this end, all uses and activities shall be planned, sited, designed, constructed, operated and maintained to avoid to the maximum extent practicable significant:

(1) Reductions in the natural supply of sediment and nutrients to the coastal system by alterations of freshwater flow.

(2) Adverse economic impacts on the locality of the use and affected governmental bodies.

(3) Detrimental discharges of inorganic nutrient compounds and coastal waters.

(4) Alterations in the natural concentration of oxygen in coastal waters.

(5) Destruction or adverse alterations of streams, wetlands, tidal passes, inshore waters and water bottoms, beaches, dunes, barrier islands, and other natural biologically valuable areas or protective coastal features.

(6) Adverse disruption of existing social patterns.

(7) Alterations of the natural temperature regime of coastal waters.

(8) Detrimental changes in existing salinity regimes.

(9) Detrimental changes in littoral and sediment transport processes.

(10) Adverse effects of cumulative impacts.

(11) Detrimental discharges of suspended solids into coastal waters, including turbidity resulting from dredging.

(12) Reductions or blockage of water flow or natural circulation patterns within or into an estuarine system or a wetland forest.

(13) Discharges of pathogens or toxic substances into coastal waters.

(14) Adverse alteration or destruction of archaeological, historical or other cultural resources.

(15) Fostering of detrimental secondary impacts in undisturbed or biologically highly productive wetland areas.

(16) Adverse alteration or destruction of unique or valuable habitats, critical habitat for endangered species, important wildlife or fishery breeding or nursery areas, designated wildlife management or sanctuary areas, or forest lands.

(17) Adverse alteration or destruction of public parks, shoreline access points, public works, designated recreation areas, scenic rivers, or other areas of public use and concern.

(18) Adverse disruptions of coastal wildlife and fishery migratory patterns.

(19) Land loss, erosion and subsidence.

(20) Increases in the potential for flood, hurricane or other storm damage, or increases in the likelihood that damage will occur from such hazards.

(21) Reductions in the long-term biological productivity of the coastal ecosystem.

(h) *Guideline 1.8.* In those guidelines in which the modifier maximum extent practicable is used, the proposed use is in compliance with the guideline if the standard modified by the term is complied with. If the modified standard is not complied with, the use will be in compliance with the guideline if the permitting authority finds, after a systematic consideration of all pertinent information regarding the use, the site and the impacts of the use as set forth in guideline 1.6, subsection (f) of this section, and a balancing of their relative significance, that the benefits resulting from the proposed use would clearly outweigh the adverse impacts resulting from noncompliance with the modified standard and there are no feasible and practical alternative locations, methods and practices for the use that are in compliance with the modified standard and:

(1) Significant public benefits will result from the use;

(2) The use would serve important regional, state or national interests, including the national interest in resources and the siting of facilities in the coastal zone identified in the coastal resources program; or

(3) The use is coastal water dependent.

The systematic consideration process shall also result in a determination of those conditions necessary for the use to be in compliance with the guideline. Those conditions shall assure the use is carried out utilizing those locations, methods and practices which maximize conformance to the modified standard; are technically, economically, environmentally, socially and legally feasible and practical and maximize or offset those adverse impacts listed in guideline 1.7, subsection (g) of this section, and in the guideline at issue.

(i) *Guideline 1.9.* Uses shall to the maximum extent practicable be designed and carried out to permit multiple concurrent uses which are appropriate for the location and to avoid unnecessary conflicts with other uses of the vicinity.

(j) *Guideline 1.10.* These guidelines are not intended to be, nor shall they be, interpreted to allow expansion of governmental authority beyond that established by R.S. 49:213.1 through 49:213.21, as amended; nor shall these guidelines be interpreted so as to require permits for specific uses legally commenced or established prior to the effective date of the coastal use permit program nor to normal maintenance or repair of such uses. (Code 1956, § 15A-28(a))

Sec. 170-402. Levees.

(a) *Guideline 2.1.* The leveeing of unmodified or biologically productive wetlands shall be avoided to the maximum extent practicable.

(b) *Guideline 2.2.* Levees shall be planned and sited to avoid segmentation of wetland areas and systems to the maximum extent practicable.

(c) *Guideline 2.3.* Levees constructed for the purpose of developing or otherwise changing the use of a wetland area shall be avoided to the maximum extent practicable.

(d) *Guideline 2.4.* Hurricane and flood protection levees shall be located at the nonwetland/wetland interface or landward to the maximum extent practicable.

(e) *Guideline 2.5.* Impoundment levees shall only be constructed in wetland areas as part of approved water or marsh management projects or to prevent release of pollutants.

(f) *Guideline 2.6.* Hurricane or flood protection levee systems shall be designed, built and thereafter operated and maintained utilizing best practical techniques to minimize disruptions of existing hydrologic patterns, and the interchange of water, beneficial nutrients and aquatic organ-

isms between enclosed wetlands and those outside the levee system.
(Code 1956, § 15A-28(b))

Sec. 170-403. Linear facilities.

(a) *Guideline 3.1.* Linear use alignments shall be planned to avoid adverse impacts on areas of high biological productivity or irreplaceable resource areas.

(b) *Guideline 3.2.* Linear facilities involving the use of dredging or filling shall be avoided in wetland and estuarine areas to the maximum extent practicable.

(c) *Guideline 3.3.* Linear facilities involving dredging shall be of the minimum practical size and length.

(d) *Guideline 3.4.* To the maximum extent practicable, pipelines shall be installed through the push ditch method and the ditch backfilled.

(e) *Guideline 3.5.* Existing corridors, rights-of-way, canals, and streams shall be utilized to the maximum extent practicable for linear facilities.

(f) *Guideline 3.6.* Linear facilities and alignments shall be, to the maximum extent practicable, designed and constructed to permit multiple uses consistent with the nature of the facility.

(g) *Guideline 3.7.* Linear facilities involving dredging shall not traverse or adversely affect any barrier island.

(h) *Guideline 3.8.* Linear facilities involving dredging shall not traverse beaches, tidal passes, protective reefs or other natural gulf shorelines unless no other alternative exists. If a beach, tidal pass, reef or other natural gulf shoreline must be traversed for a nonnavigation canal, they shall be restored at least to their natural condition immediately upon completion of construction. Tidal passes shall not be permanently widened or deepened except when necessary to conduct the use. The best available restoration techniques which improve the traversed area's ability to serve as a shoreline shall be used.

(i) *Guideline 3.9.* Linear facilities shall be planned, designed, located and built using the best practical techniques to minimize disruption of natural hydrologic and sediment transport patterns, sheet flow, and water quality, and to minimize adverse impacts on wetlands.

(j) *Guideline 3.10.* Linear facilities shall be planned, designed, and built using the best practical techniques to prevent bank slumping and erosion, saltwater intrusion, and to minimize the potential for inland movement of storm-generated surges. Consideration shall be given to the use of locks in navigation canals and channels which connect more saline areas with fresher areas.

(k) *Guideline 3.11.* All nonnavigation canals, channels and ditches which connect more saline areas with fresher areas shall be plugged at all waterway crossings and at intervals between crossings in order to compartmentalize them. The plugs shall be properly maintained.

(l) *Guideline 3.12.* The multiple use of existing canals, directional drilling and other practical techniques shall be utilized to the maximum extent practicable to minimize the number or size of access canals, to minimize changes of natural systems and to minimize adverse impacts on natural areas and wildlife and fisheries habitat.

(m) *Guideline 3.13.* All pipelines shall be constructed in accordance with parts 191, 192, and 195 of title 49 of the Code of Federal Regulations, as amended, and in conformance with the commissioner of conservation's Pipeline Safety Rules and Regulations and those safety requirements established by R.S. 45:408, whichever would require higher standards.

(n) *Guideline 3.14.* Areas dredged for linear facilities shall be backfilled or otherwise restored to the preexisting conditions upon cessation of use for navigation purposes to the maximum extent practicable.

(o) *Guideline 3.15.* The best practicable techniques for site restoration and revegetation shall be utilized for all linear facilities through on-site and/or off-site mitigation activities.

(p) *Guideline 3.16.* Confined and dead-end canals shall be avoided to the maximum extent practicable. Approved canals must be designed and constructed using the best practical techniques to avoid water stagnation and eutrophication.
(Code 1956, § 15A-28(c))

Sec. 170-404. Dredged spoil deposition.

(a) *Guideline 4.1.* Spoil shall be deposited utilizing the best practical techniques to avoid disruption of water movement, flow, circulation and quality.

(b) *Guideline 4.2.* Spoil shall be used beneficially to the maximum extent practicable to improve productivity or create new habitat, reduce or compensate for environmental damage done by dredging activities, or prevent environmental damage. Otherwise, existing spoil disposal areas or upland disposal shall be utilized to the maximum extent practicable rather than creating new disposal areas.

(c) *Guideline 4.3.* Spoil shall not be disposed of in a manner which could result in the impounding or draining of wetlands or the creation of development sites unless the spoil deposition is part of an approved levee or land surface alteration project.

(d) *Guideline 4.4.* Spoil shall not be disposed of on marsh, known oyster or clam reefs, or in areas of submersed vegetation to the maximum extent practicable.

(e) *Guideline 4.5.* Spoil shall not be disposed of in such a manner as to create a hindrance to navigation or fishing, or hinder timber growth.

(f) *Guideline 4.6.* Spoil disposal areas shall be designed and constructed and maintained using the best practicable techniques to retain the spoil at the site, reduce turbidity, and reduce shoreline erosion when appropriate.

(g) *Guideline 4.7.* The alienation of state-owned property shall not result from spoil deposition activities without the consent of the department of natural resources.
(Code 1956, § 15A-28(d))

Sec. 170-405. Shoreline modification.

(a) *Guideline 5.1.* Nonstructural methods of shoreline protection shall be utilized to the maximum extent practicable.

(b) *Guideline 5.2.* Shoreline modification structures shall be designed and built using best practical techniques to minimize adverse environmental impacts.

(c) *Guideline 5.3.* Shoreline modification structures shall be lighted or marked in accordance with U.S. Coast Guard regulations, not interfere with navigation, and should foster fishing, other recreational opportunities, and public access.

(d) *Guideline 5.4.* Shoreline modification structures shall be built using best practical materials and techniques to avoid the introduction of pollutants and toxic substances into coastal waters.

(e) *Guideline 5.5.* Piers and docks and other harbor structures shall be designed and built using best practical techniques to avoid obstruction of water circulation.

(f) *Guideline 5.6.* Marinas and similar commercial and recreational developments shall to the maximum extent practicable not be located so as to result in adverse impacts on open productive oyster beds, or submersed grass beds.

(g) *Guideline 5.7.* Neglected or abandoned shoreline modification structures, piers, docks, mooring and other harbor structures shall be removed at the owner's expense, when appropriate.

(h) *Guideline 5.8.* Shoreline stabilization structures shall not be built for the purpose of creating fill areas for development unless part of an approved surface alteration use.

(i) *Guideline 5.9.* Jetties, groins, breakwaters and similar structures shall be planned, designed and constructed so as to avoid to the maximum extent practicable downstream land loss and erosion.
(Code 1956, § 15A-28(e))

Sec. 170-406. Surface alterations.

(a) *Guideline 6.1.* Industrial, commercial, urban, residential, and recreational uses are necessary to provide adequate economic growth and development. To this end, such uses will be permitted in those areas of the coastal zone that are suitable and acceptable for such development. Those uses shall be consistent with the other guidelines and

shall, to the maximum extent practicable, take place only:

(1) On lands five feet or more above sea level or within fastlands; or

(2) On lands which have foundation conditions sufficiently stable to support the use, and where flood and storm hazards are minimal or where protection from these hazards can be reasonably well achieved, and where the public safety would not be unreasonably endangered; and

a. The land is already in high intensity of development use;
b. There is adequate supporting infrastructure; or
c. The vicinity has a tradition of use for similar habitation or development.

(b) *Guideline 6.2.* Public and private works projects such as levees, drainage improvements, roads, ports, and public utilities are necessary to protect and support needed development and shall be encouraged where applicable. Such projects shall, to the maximum extent practicable, take place only when:

(1) They protect or serve those areas suitable for development pursuant to guideline 6.1, subsection (a) of this section;

(2) They are consistent with the other guidelines; and

(3) They are consistent with all relevant adopted state, local and regional plans.

(c) *Guideline 6.3.* Reserved.

(d) *Guideline 6.4.* To the maximum extent practicable, wetland areas shall not be drained or filled. Any approved drain or fill project shall be designed and constructed using best practicable techniques to minimize present and future property damage and adverse environmental impacts. Only areas used to build or drive on will be filled.

(e) *Guideline 6.5.* Coastal water-dependent uses shall be given special consideration in permitting because of their reduced choice of alternatives.

(f) *Guideline 6.6.* Areas modified by surface alterations activities shall, to the maximum extent practicable, be revegetated, refilled, cleaned and restored to their predevelopment condition upon termination of the use.

(g) *Guideline 6.7.* Site clearing shall to the maximum extent practicable be limited to those areas immediately required for physical development. Only areas used to build on or drive on will be cleared.

(h) *Guideline 6.8.* Surface alterations shall, to the maximum extent practicable, be located away from critical wildlife areas and vegetation areas. Alterations in wildlife preserves and management areas shall be conducted in strict accord with the requirements of the wildlife management body.

(i) *Guideline 6.9.* Surface alterations which have high adverse impacts on natural functions shall not occur, to the maximum extent practicable, on barrier islands and beaches, isolated cheniers, isolated natural ridges or levees, or in wildlife and aquatic species or spawning areas, or in important migratory routes.

(j) *Guidelines 6.10.* The creation of low dissolved oxygen conditions in the water or traps for heavy metals shall be avoided to the maximum extent practicable.

(k) *Guideline 6.11.* Surface mining shall be carried out utilizing the best practical techniques to minimize adverse environment impacts.

(l) *Guideline 6.12.* The creation of underwater obstructions which adversely affect fishing or navigation shall be avoided to the maximum extent practicable.

(m) *Guideline 6.13.* Surface alteration sites and facilities shall be designed, constructed, and operated using the best practicable techniques to prevent the release of pollutants or toxic substances into the environment and minimize other adverse impacts.

(n) *Guideline 6.14.* To the maximum extent practicable only material that is free of contaminants and compatible with the environmental setting shall be used as fill.
(Code 1956, § 15A-28(f))

Sec. 170-407. Hydrologic and sediment transport modifications.

(a) *Guideline 7.1.* The controlled diversion of sediment-laden waters to initiate new cycles of marsh building and sediment nourishment shall

be encouraged and utilized whenever such diversions will enhance the viability and productivity of the outfall area. Such diversions shall incorporate a plan for monitoring and reduction and/or amelioration of the effects of pollutants in the freshwater source.

(b) *Guideline 7.2.* Sediment deposition systems may be used to offset land loss, to create or restore wetland areas or enhance building characteristics of a development site. Such systems shall only be utilized as part of an approved plan. Sediment from these systems shall only be discharged in the area in which the proposed use is to be accomplished.

(c) *Guideline 7.3.* Undesirable deposition of sediments in sensitive habitat or navigation areas shall be avoided through the use of the best preventive techniques.

(d) *Guideline 7.4.* The diversion of fresh water through siphons and controlled conduits and channels, and overland flow to offset saltwater intrusion and to introduce nutrients into wetlands shall be encouraged and utilized whenever such diversion will enhance the viability and productivity of the outfall area. Such diversions shall incorporate a plan for monitoring and reduction and/or amelioration of the effects of pollutants present in the freshwater source.

(e) *Guideline 7.5.* Water or marsh management plans shall result in an overall benefit to the productivity of the area.

(f) *Guideline 7.6.* Water control structures shall be assessed separately based on their individual merits and impacts and in relation to their overall water or marsh management plan of which they are a part.

(g) *Guideline 7.7.* Weirs and similar water control structures shall be designed and built using the best practical techniques to prevent cut arounds, permit tidal exchange in tidal areas, and minimize obstruction of the migration of aquatic organisms.

(h) *Guideline 7.8.* Impoundments which prevent normal tidal exchange and/or the migration of aquatic organisms shall not be constructed in brackish and saline areas to the maximum extent practicable.

(i) *Guideline 7.9.* Withdrawal of surface water and groundwater shall not result in saltwater intrusion or land subsidence to the maximum extent practicable.
(Code 1956, § 15A-28(g))

Sec. 170-408. Disposal of wastes.

(a) *Guideline 8.1.* The location and operation of waste storage, treatment, and disposal facilities shall be avoided in wetlands to the maximum extent practicable, and best practical techniques as approved by the state department of environmental quality shall be used.

(b) *Guideline 8.2.* The generation, transportation, treatment, storage and disposal of hazardous wastes shall be pursuant to the substantive requirements of the department of natural resources adopted pursuant to Act 334 of 1978 and approved pursuant to the Resource Conservation and Recovery Act of 1976 P.L. 94-580, and pursuant to the substantive requirements of the department of environmental quality adopted pursuant to Act 449 of 1979 and Act 97 of 1983, as amended.

(c) *Guideline 8.3.* Waste facilities located in wetlands shall be designed and built to withstand all expectable adverse conditions without releasing pollutants as approved by the department of environmental quality.

(d) *Guideline 8.4.* Waste facilities shall be designed and constructed using best practical techniques to prevent leaching, control leachate production, and prevent the movement of leachate away from the facility as approved by the department of environmental quality.

(e) *Guideline 8.5.* The use of overland flow systems for nontoxic, biodegradable wastes, and the use of sump lagoons and reservoirs utilizing aquatic vegetation to remove pollutants and nutrients shall be permitted after proper review by the department of environmental quality.

(f) *Guideline 8.6.* All waste disposal sites shall be marked and recorded with the department of environmental quality and all components of waste shall be identified and approved by same.

(g) *Guideline 8.7.* Waste facilities in wetlands with identifiable pollution problems that are not feasible and practical to correct shall be closed and either removed or sealed, and shall be properly revegetated using the best practical techniques as approved by the department of environmental quality.

(h) *Guideline 8.8.* Waste shall be disposed of only at approved disposal sites as approved by the department of environmental quality.

(i) *Guideline 8.9.* Radioactive or hazardous wastes shall not be temporarily or permanently disposed of in the coastal zone.
(Code 1956, § 15A-28(h))

Sec. 170-409. Uses that result in the alteration of waters draining into coastal waters.

(a) *Guideline 9.1.* Upland and upstream water management programs which affect coastal waters and wetlands shall be designed and constructed to preserve or enhance existing water quality, volume, and rate of flow to the maximum extent practicable.

(b) *Guideline 9.2.* Runoff from developed areas shall to the maximum extent practicable be managed to stimulate natural water patterns, quantity, quality and rate of flow as approved by the department of environmental quality.

(c) *Guideline 9.3.* Runoff and erosion from agricultural lands shall be minimized through the best practical techniques.
(Code 1956, § 15A-28(i))

Sec. 170-410. Oil, gas and other mineral activities.

(a) *Guideline 10.1.* Geophysical surveying shall utilize the best practical techniques to minimize disturbance or damage to wetlands, fish and wildlife and other coastal resources.

(b) *Guideline 10.2.* To the maximum extent practicable, the number of mineral exploration and production sites in wetland areas requiring flotation access shall be held to the minimum number, consistent with good recovery and conservation practices and the need for energy development, by directional drilling, multiple use of existing access canals and other practical techniques.

(c) *Guideline 10.3.* Exploration, production and refining activities shall, to the maximum extent practicable, be located away from critical wildlife areas and vegetation areas. Mineral operations in wildlife preserves and management areas shall be conducted, in strict accordance with the requirements of the wildlife management body.

(d) *Guideline 10.4.* Mineral exploration and production facilities shall be to the maximum extent practicable designed, constructed and maintained in such a manner to maintain natural water flow regimes, avoid blocking surface drainage, and avoid erosion.

(e) *Guideline 10.5.* Access routes to mineral exploration, production and refining sites shall be designed and aligned so as to avoid adverse impacts on critical wildlife and vegetation areas to the maximum extent practicable. Once access routes are no longer needed, the site, to the extent possible, will be restored to its original condition.

(f) *Guideline 10.6.* Drilling and production sites shall be prepared, constructed, and operated using the best practical techniques to prevent the release of pollutants or toxic substances into the environment.

(g) *Guideline 10.7.* All drilling activities, supplies, and equipment shall be kept on barges, on drilling rigs, within ring levees, or on the well site.

(h) *Guideline 10.8.* Drilling ring levees shall to the maximum extent practicable be replaced with smaller production levees or removed entirely.

(i) *Guideline 10.9.* All drilling and production equipment, structures, and storage facilities shall be designed and constructed utilizing best practical techniques to withstand all expectable adverse conditions without releasing pollutants.

(j) *Guideline 10.10.* Mineral exploration, production and refining facilities shall be designed and constructed using best practical techniques to minimize adverse environmental impacts.

(k) *Guideline 10.11.* Effective environmental protection and emergency or contingency plans shall be developed and complied with for all mineral operations.

(l) *Guideline 10.12.* The use of dispersants, emulsifiers and other similar chemical agents on oil spills is prohibited without the prior approval of the Coast Guard or Environmental Protection Agency On-Scene Coordinator, in accordance with the National Oil and Hazardous Substances Pollution Contingency Plan.

(m) *Guideline 10.13.* Mineral exploration and production sites shall be cleared, revegetated, detoxified and otherwise restored as near as practicable to their original condition upon termination of operations to the maximum extent practicable.

(n) *Guideline 10.14.* The creation of underwater obstructions which adversely affect fishing or navigation shall be avoided to the maximum extent practicable.

Secs. 170-411—170-445. Reserved.

Subdivision VI. Permit Applications

Sec. 170-446. Review agent.

The city office of environmental affairs has been designated as the review agency for coastal use permits in the parish and applications for such permits can be obtained from those offices.

(Code 1956, § 15A-4; M.C.S., Ord. No. 22577, § 1, 4-5-07)

Sec. 170-447. General requirements.

(a) Any person seeking to obtain a coastal use permit is required to file a completed application to the state or to the office of environmental affairs. The state and the office of environmental affairs can provide the application forms and instructions, including example plats and interpretive assistance, to any interested party. The office of environmental affairs will conduct the required environmental review/assessment and make appropriate recommendations to the state department of natural resources, and the applicant. The staff of the office of environmental affairs shall be available for consultation prior to submission of an application and such consultation is strongly recommended. Application forms may be periodically revised to obtain all information necessary for review of the proposed project.

(b) Separate applications shall be made for unrelated projects or projects involving noncontiguous parcels of property. Joint applications may be made in cases of related construction involving contiguous parcels of property.

(Code 1956, § 15A-20; M.C.S., Ord. No. 22577, § 1, 4-5-07)

Sec. 170-448. Content of application.

The application submitted shall contain the same information required for a permit from the U.S. Army Corps of Engineers and such additional information as the directors determine to be reasonably necessary for proper evaluation of an application.

(Code 1956, § 15A-21)

Sec. 170-449. Processing the application.

(a) When an apparently complete application for a coastal zone permit is received, the permitting agent shall immediately assign it a number for identification, acknowledge receipt thereof, and advise the applicant of the number assigned to it.

(b) Application processing will begin when an application that is apparently complete is accepted by the permitting agent.

(c) Within two working days of receipt of an apparently complete application by the state or office of environmental affairs, a copy of the application and all attachments and the local decision as to whether the use is one of state or local concern shall be sent to the administrator and/or secretary.

(d) Public notice as described in section 170-452 will be issued within ten days of receipt of an apparently complete application by the administrator.

(e) The director shall evaluate the proposed application pursuant to section 170-453, to determine the need for a public hearing.

(f) The director, pursuant to section 170-454, shall either send a draft permit to the applicant for acceptance and signature or send notice of denial to the applicant within 30 days of the giving of public notice or within 15 days after the closing of the record of a public hearing, if held, whichever is later.

(g) Public notice of permit decisions shall be given pursuant to section 170-452.

(h) The applicant, the secretary, any affected local government or affected federal, state, or local agency, any aggrieved person, or any other person adversely affected by a coastal use permit decision may file an appeal of this decision to civil district court of the Parish of Orleans.

Sec. 170-450. Determination of use; review.

(a) The director shall make the initial determination as to whether the use is one of state concern or local concern on all applications filed with the local government. This determination shall be based on the criteria set forth in sections 170-361 through 170-363.

(b) The determination and a brief explanation of the rationale behind the determination shall be forwarded to the administrator within two working days of receipt of the apparently complete application.

(c) The administrator shall review the decision and rationale and shall let it stand or reverse it. If the administrator reverses the local decision, notice, including a brief explanation of the rationale for the reversal, shall be sent to the local government within two working days of the application from the local government.

(d) The appropriate permitting body for the use, as determined by the administrator, shall thereafter be responsible for the coastal use permit review process. The administrator's determination is binding unless reconsidered and reversed by the secretary.

Sec. 170-451. Additional information.

(a) If an application is found to be incomplete or inaccurate after processing has begun, or if it is determined that additional information from the applicant is necessary to assess the application adequately, processing will be stopped pending receipt of the necessary changes or information from the applicant and the processing periods provided for in section 170-449(d) will be interrupted. Upon receipt of the required changes or information, a new processing period will begin.

(b) If the applicant fails to respond within 30 days to any request or inquiry of the permitting body, the permitting agent may advise the applicant that his application will be considered as having been withdrawn unless and until the applicant responds within 15 days of the date of the letter.

(Code 1956, § 15A-26)

State law reference—Enforcement, R.S. 49:214.36(B), (C).

Sec. 170-452. Public notice and consideration of public comment.

(a) Public notice of the receipt of all apparently complete applications for coastal use permits shall be given by causing the publication of notice of the application once in the official journal of the parish. Notice shall be considered given upon publication in the official parish journal. The notice shall set forth that any comments on the proposed activity shall be submitted to the office of environmental affairs within 25 days from the date of official journal publication of the notice.

(b) The director shall consider comments received in response to the public notice in its subsequent actions on the permit application. Comments received will be made a part of the official file on the application. If comments received relate to matters within the special expertise of another governmental body, the permitting

body may seek advice of that agency. If necessary, the applicant will be given the opportunity to furnish his proposed resolution or rebuttal to all objections from government agencies and other substantive adverse comments before a final decision is made on the application.

State law reference—Enforcement, R.S. 49:214.36(B), (C).

Sec. 170-453. Public hearings on applications.

(a) A public hearing may be held in connection with the consideration of an application for a new coastal use permit and when it is proposed that an existing permit be modified or revoked.

(b) Any person may request in writing within the comment period specified in the public notice that a public hearing be held to consider material matters at issue in a coastal use permit application. Upon receipt of any such request, the director shall determine whether the issues raised are substantial and there is a valid public interest to be served by holding a public hearing.

(c) Public hearings are appropriate when there is significant public opposition to a proposed use, or there have been requests from legislators or from local governments or other local authorities or in controversial cases involving significant economic, social, or environmental issues. The director has the discretion to require hearings in any particular case. Failure of the director to hold a hearing on an application may not be appealed to the secretary.

(d) If the determination is made to hold a public hearing, such hearings shall be held by the city planning commission, and such hearing shall be placed on the calendar of a regularly scheduled meeting of the planning commission, allowing 30 days for public notice.

(e) If a request for a public hearing has been received, and the decision is made that no hearing will be held, public notice of the decision shall be given.
(Code 1956, § 15A-25)

Sec. 170-454. Decisions on permits.

(a) The permitting body will determine whether or not the coastal use permit should be issued. Permits shall be issued only for those uses found to be consistent with policies enumerated in division 2, the city building code (Ordinance No. 17,525 C.C.S., as amended), the coastal use guidelines enumerated in sections 170-401 through 170-410 and the state program. Permit decisions will be made only after a full and fair consideration of all information before the permitting body, and shall represent an appropriate balancing of social, environmental and economic factors. The permitting body shall prepare a short and plain statement explaining the basis for his decision on all applications. This statement shall include the director's conclusions on the conformity of the proposed use with the guidelines of the state and local program. The statement shall be dated, signed, and included in the record prior to final action on the application.

(b) If the final decision is to issue the coastal use permit, the permitting body will forward two copies of the draft permit to the applicant for his signature accepting the conditions on the permit, along with its findings on the application. The applicant will return one signed copy to the permitting body. If the final decision is to deny the permit, the applicant shall be sent a copy of the statement prepared pursuant to subsection (a), setting forth the reason for denial.

(c) Final action on the coastal use permit application is the signature of the issuing official on the permit or the mailing of the letter notifying the applicant of the denial.
(Code 1956, § 15A-27; M.C.S., Ord. No. 22577, § 1, 4-5-07)

State law reference—Enforcement, R.S. 49:214.36(B), (C).

Sec. 170-455. Conditions of permit.

(a) By accepting the coastal use permit, the applicant agrees to:

(1) Carry out or perform the use in accordance with the plans and specifications approved by the director.

(2) Comply with any conditions imposed by the director.

(3) Adjust, alter, or remove any structure or other physical evidence of the permitted use if, in the opinion of the director, it proves to be beyond the scope of the use as approved or is abandoned.

(4) Provide, if required by the director, an acceptable surety bond in an appropriate amount to ensure adjustment, alteration, or removal should the director determine it necessary.

(5) Hold and save the state, the city, the department, and their officers and employees harmless from any damage to persons or property which might result from the work activity, or structure permitted.

(6) Certify that any permitted construction has been completed in an acceptable and satisfactory manner and in accordance with the plans and specifications approved by the directors. The director may, when appropriate, require such certification be given by a registered professional engineer.

(b) The director shall place such other conditions on the permit as are appropriate to ensure compliance with the coastal management program.
(Code 1956, § 15A-29; M.C.S., Ord. No. 22577, § 1, 4-5-07)

State law reference—Enforcement, R.S. 49:214.36(B), (C).

Sec. 170-456. Fee schedule.

(a) All fees for coastal use permits or requests for determination required under this article shall be paid as set forth below except that no fee for an application that is determined to be a use of state concern shall be collected, or if collected shall be returned after such a determination has been made:

(1) All uses whose total cost is $100,000.00 or less will be assessed a fee of $100.00.

(2) All uses whose total cost will exceed $100,000.00 will be assessed a fee of $300.00.

(b) Where work for which a coastal use permit is required by this article is started or proceeded with prior to obtaining such permit, the fees above specified shall be increased 100 percent, but the payment of such fee shall not relieve any persons from fully complying with the requirements of this article in the execution of their work, nor from any other penalties prescribed herein.
(Code 1956, § 15A-22; M.C.S., Ord. No. 22577, § 1, 4-5-07)

Sec. 170-457. Appeals.

Within 30 days after public notice of the decision, the applicant, the secretary of DNR, any affected local government or affected local, state or federal agency, an aggrieved person or any person adversely affected by a decision under this subdivision may petition for reconsideration to Civil District Court of Orleans Parish. The courts must give the case preference and priority and allow trial de novo at the request of the party.

Subdivision VII. Modification, Suspension or Revocation of Permits

Sec. 170-491. Modifications and variances.

(a) The terms and conditions of a coastal use permit may be modified to allow changes in the permitted use, in the plans and specifications for that use, in the methods by which the use is being implemented, or to assure that the permitted use will be in conformity with the coastal management program. Changes which would significantly increase the impacts of a permitted activity shall be processed as new applications for permits pursuant to sections 170-361 through 170-364 and 170-450, not as a modification.

(b) A coastal use permit may be modified upon request of the permittee:

(1) If mutual agreement can be reached on a modification, written notice of the modification will be given to the permittee.

(2) If mutual agreement cannot be reached, a permittee's request for a modification shall be considered denied.

(Code 1956, § 15A-31)

State law reference—Enforcement, R.S. 49:214.36(B), (C).

Sec. 170-492. Suspensions.

(a) The director may suspend a coastal use permit upon finding that:

(1) The permittee has failed or refuses to comply with the terms and conditions of the permit or any modifications thereof;

(2) The permittee has submitted false or incomplete information in his application or otherwise; or

(3) The permittee has failed or refused to comply with any lawful order or request of the director.

(b) The director shall notify the permittee in writing that the permit will be suspended and the reasons therefor and order the permittee to cease immediately all previously authorized activities. The notice shall also advise the permittee that he will be given, upon request made within ten days of receipt of the notice, an opportunity to respond to the reasons given for the suspension.

(c) After consideration of the permittee's response, or, if none, within 30 days after issuance of the notice, the director shall take action to reinstate, modify or revoke the coastal use permit and shall notify the permittee of the action taken.

(Code 1956, § 15A-32; M.C.S., Ord. No. 22577, § 1, 4-5-07)

Sec. 170-493. Revocations.

If, after compliance with the suspension procedures in section 170-492, the director determines that revocation or modification of the coastal use permit is warranted, written notice of the revocation or modification shall be given to the permittee.

(Code 1956, § 15A-33; M.C.S., Ord. No. 22577, § 1, 4-5-07)

Sec. 170-494. Enforcement.

If the permittee fails to comply with a cease and desist order or the suspension or revocation of a coastal use permit, the director shall seek appropriate civil and criminal relief as provided by section 213.17 of the Act.

DIVISION 4. GENERAL PERMITS

Sec. 170-531. Issuance.

(a) The directors may, after compliance with the procedures set forth in sections 170-449 and 170-452, issue general permits for certain clearly described categories of uses requiring coastal use permits. After a general permit has been issued, individual uses falling within those categories will not require full individual permit processing unless the directors determine, on a case-by-case basis, that the public interest requires full review.

(b) General permits may be issued only for those uses that are substantially similar in nature, that cause only minimal adverse impacts when performed separately, that will have only minimal adverse cumulative impacts and that otherwise do not impair the fulfillment of the objectives and policies of the coastal management program.

(Code 1956, § 15A-35)

State law reference—Enforcement, R.S. 49:214.36(B), (C).

Sec. 170-532. Reporting.

(a) Each person desiring to commence work on a use subject to a general permit must give notice to the directors and receive written authorization prior to commencing work. Such authorization shall be issued within 30 days of receipt of the notice.

(b) Such notice shall include:

(1) The name and address of the person conducting the use.

(2) Such descriptive material, maps and plans as may be required by the directors for that general permit.

(Code 1956, § 15A-36)

Sec. 170-533. Conditions of general permits.

(a) The directors shall prescribe such conditions for each general permit as may be appropriate.

(b) A general permit may be revoked if the directors determine that such revocation is in the public interest and consistent with the coastal management program.

(Code 1956, § 15A-37)

State law reference—Enforcement, R.S. 49:214.36(B), (C).

Sec. 170-534. Appeals.

Appeals shall be as provided in section 170-457.

ARTICLE IV. GARBAGE FROM VESSELS IN PORT*

Sec. 170-596. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Authorized garbage collector means any person holding an unsuspended and unrevoked authorization from the department of health to collect garbage from vessels within the Port of New Orleans.

Department of health means the department of health for the city.

Garbage means waste material, such as food scraps, table refuse, galley refuse, refuse from stores of vessels, spoiled fruits, vegetables and animal products, including such waste material in passengers' and crews' quarters, derived, in whole or in part, from fruits, vegetables or animal products.

Land means not only that part of the earth's surface usually indicated by that term, but includes any building, platform or other structure affixed to land, whether permanent or temporary, and any pier, dock, wharf or bridge extending into or across the Mississippi River within the Port of New Orleans.

Port of New Orleans means the area presently encompassed within such port by existing law within the parish or which may be hereafter restricted or extended by valid legislation.

Vessel means every description of craft or other contrivance used, or capable of being used, as a means of transportation on or in water.

(Code 1956, § 28-22)

Cross reference—Definitions generally, § 1-2.

State law reference—Similar provisions of state law, R.S. 40:1131.

Sec. 170-597. Discharging, etc., garbage from vessels or keeping it thereon.

For the purposes of protecting the public welfare, health and safety, the following acts are hereby prohibited and made unlawful:

(1) Throwing, emptying, discharging or depositing garbage from any vessel into the Mississippi River within the Port of New Orleans;

(2) Throwing, emptying, discharging, carrying or depositing garbage or causing, suffering or procuring garbage to be thrown, emptied, discharged, carried or deposited from any vessel onto land within the Port of New Orleans; and

(3) The retention or maintenance of garbage on vessels within the Port of New Orleans except in tightly closed containers and under such method or treatment and for such duration as may be prescribed by the department of health.

(Code 1956, § 28-23)

*__Cross reference—__Solid waste, ch. 138.

Sec. 170-598. Removal of garbage from vessels.

Garbage accumulated on board any vessel within the Port of New Orleans shall only be removed from such vessel and disposed of by authorized garbage collectors and then by such methods, in such manner and under such conditions as the department of health may direct.

(Code 1956, § 28-24)

State law reference—Similar provision of state law, R.S. 40:1132, 40:1133A, 40:1133B.

Sec. 170-599. License and bond of garbage collector.

No person shall engage in the business of collecting garbage from any vessel within the Port of New Orleans unless he is approved and licensed as an authorized garbage collector by the department of health and until, as a condition precedent to being so licensed, he shall have furnished in favor of the city his bond, with good and solvent security, in the sum of $500.00, conditioned that he shall faithfully comply with the provisions of this article and all orders, rules and regulations promulgated by the department of health pursuant to the provisions hereof.
(Code 1956, § 28-25)

Sec. 170-600. Rules and regulations; enforcement.

The department of health shall adopt and promulgate all such orders, rules and regulations as may be necessary to carry out the provisions of this article, and shall administer and enforce such orders, rules and regulations and the provisions of this article.
(Code 1956, § 28-26)

Sec. 170-601. Inspections and investigations.

The department of health shall make such inspections and investigations as it, from time to time, may deem necessary to carry out the provisions of this article.
(Code 1956, § 28-27)

Sec. 170-602. Authority for inspections; refusal to permit.

Any officer, representative or agent of the department of health may inspect any vessel within the Port of New Orleans, upon presentation of proper appointment from the department of health, in order to enforce the provisions of this article and any officer in charge of such vessel who refuses such inspection shall be subject to the penal provisions hereof.
(Code 1956, § 28-28)

Sec. 170-603. Costs of disposal.

All costs incurred in the disposal of garbage by vessels within the Port of New Orleans shall be paid by the owners or operators thereof, except the cost of inspection and supervision by the department of health.

ARTICLE V. MUNICIPAL YACHT HARBOR*

Sec. 170-641. Purpose.

This article shall provide procedures, restrictions and conditions applicable to the leasing of the property upon which boathouses in the Municipal Yacht Harbor are situated.
(M.C.S., Ord. No. 22155, § 1, 3-2-06; M.C.S., Ord. No. 23805, § 1, 11-19-09)

Sec. 170-642. Lease terms and requirements.

The leases on the property upon which boathouses in the Municipal Yacht Harbor are located shall have a term of 60 years, running between specific dates to be set forth in the lease term provision of said lease. Upon the transfer of a lease on the property upon which boathouses in the Municipal Yacht Harbor are located by a current lessee, the new lessee shall be issued a new lease incorporating the then current lease conditions as may have been established by the New Orleans Municipal Yacht Harbor Management Corporation, a public benefit corporation, at that time.
(M.C.S., Ord. No. 22155, § 1, 3-2-06; M.C.S., Ord. No. 23108, § 1, 5-15-08; M.C.S., Ord. No. 23805, § 1, 11-19-09)

*__Editor's note—__M.C.S., Ord. No. 22155, § 1, adopted March 2, 2006, amended art. V in its entirety and enacted similar provisions to read as herein set out. The former art. V derived from Code 1856, §§ 2D-2—2D-4, 43-65; M.C.S., Ord. No. 17,245, § 1, adopted Nov. 2, 1995; M.C.S., Ord. No. 19,202, § 1, adopted April 8, 1999; and M.C.S., Ord. No. 19981, § 1, adopted Dec. 14, 2000.

Sec. 170-643. Authorization to enter into leases.

The New Orleans Municipal Yacht Harbor Management Corporation is hereby authorized to enter into subleases in accordance with subsection 2-926(2) of this Code.
(M.C.S., Ord. No. 22155, § 1, 3-2-06; M.C.S., Ord. No. 23108, § 1, 5-15-08)

Sec. 170-644. Trespass at public boat launch.

(a) Trespass upon the premises of the New Orleans Public Boat Launch is the intentional, unauthorized entry upon the premises of the public boat launch or remaining upon the premises of the boat launch by a person when he knows his entry or remaining upon the premises is unauthorized or under circumstances where he reasonably should know his entry or remaining upon the premises is unauthorized. The New Orleans Municipal Yacht Harbor Corporation shall cause the premises of the public boat launch to be posted in areas of ingress and egress with signs indicating at what hours of the day or night that entry to or remaining upon the premises is prohibited without authorization. Except for special events specifically authorized by the New Orleans Municipal Yacht Harbor Corporation, the premises of the public boat launch shall be closed to the public between the hours of 9:00 p.m. and 5:00 a.m. on the following day. Entry to and use of the premises is permitted for the purpose of actively launching or retrieving a motor or sailing vessel of at least six feet in length. Active launching or retrieving as stated above is authorized 24 hours per day.

(b) For the purposes of this article, the premises of the public boat launch is the area bounded by Lake Pontchartrain, the Jefferson Parish line and the lake side of Breakwater Drive in the seventh municipal district.

(c) It shall be unlawful for any person to commit the crime of trespass upon the premises of the public boat launch.
(M.C.S., Ord. No. 22155, § 1, 3-2-06)

Sec. 170-645. Construction, alteration and remodeling of boathouses.

(1) *Definitions.* As used herein these terms shall have the following meanings:

1.1 *Boathouse:* Each of the boathouses located at Municipal Yacht Harbor and erected over and in the waters of Lake Pontchartrain and that is leased by MYHMC to a lessee; more particularly the leased premises, as defined and described in the applicable boathouse lease. As used here, a boathouse is distinct and separate from an adjacent boathouse even though it might be leased or occupied or used as one structure by the same lessee. Also as used here, a boathouse is considered a boathouse regardless of the condition of the structure or the absence of all or a portion of the structure.

1.2 *Boathouse group:* There are five boathouse groups. They are defined as boathouses 1 through 36, boathouses 37 through 37a, boathouses 38 through 77, boathouses 78 through 96, and boathouses 100 through 137.

1.3 *Boathouse lease:* The lease between MYHMC and any lessee with respect to a boathouse.

1.4 *Lessee:* Any person or entity that leases a boathouse at Municipal Yacht Harbor from MYHMC.

1.5 *MYHMC:* Municipal Yacht Harbor Management Corporation.

1.6 *Original front wall of the boathouse:* The street side of the wall, as originally constructed, between the boathouse and the adjacent street, being either North Roadway or Breakwater Drive. This wall is consistent from boathouse to boathouse within each boathouse group.

1.7 *First floor:* The level of a boathouse that is the first full or partial level above the water.

1.8 *Second floor:* The level of a boathouse that is the first full or partial level above the first floor.

1.9 *Third floor:* The level of a boathouse that is the first full or partial level above the second floor.

1.10 *Front of the boathouse:* The end of the boathouse closest to the adjacent street, being either North Roadway or Breakwater Drive.

1.11 *Rear of the boathouse:* The end of the boathouse closest to the marina.

(2) *General provisions.*

2.1 Before the commencement of any work for the construction, alteration, addition to or modification of any existing boathouse, application by the lessee for a permit therefore shall be made to the New Orleans Municipal Yacht Harbor Management Corporation ("MYHMC"), a public benefit corporation of the city. If MYHMC issues a certificate, in such form as MYHMC shall from time to time approve, stating that the work complies with the design criteria of MYHMC (a compliance certificate) pursuant to its design criteria, or is deemed to have done so by passage of time (where such is provided for in MYHMC's design criteria and boathouse work compliance procedures), then and only then, a boathouse lessee may submit an application for a permit to the director of the department of safety and permits or his designee, accompanied by the MYHMC compliance certificate and drawings and specifications therefore. Said drawings and specifications must comply with all applicable building code requirements subject to all waivers that each such applicant shall have been eligible for prior to August 29, 2005. If the drawings and specifications are found by the director of the department of safety and permits to comply reasonably with all regulations, ordinances and laws of the city, a permit for such work shall be issued promptly.

2.2 The subject boathouse structures, situated completely within and upon city property and which boathouses are or may become the property of the city upon the termination of the boathouse leases, shall not be altered or added to in any manner which shall interfere with or reduce the capability of such boathouse to serve its original and prime purpose, which is to house medium- to large-size motor yachts in boat slips with a minimum 40-foot length.

2.3 No construction, alteration, addition to or modification of any boathouse shall interfere with the structural integrity, drainage or functioning of adjoining boathouses or interfere with such adjacent boathouses' lessees' peaceful enjoyment of their boathouses by impeding the view from or access to the boathouses they lease.

2.4 In order to avoid a hazard to navigation, no vessel shall be moored in such a manner as to project beyond the end of a boathouse, nor shall any vessel be moored across the end of and outside of a boathouse.

2.5 Any permit issued by the department of safety and permits pursuant to this section is predicated upon the compliance certificate issued by MYHMC. Accordingly, any violation of the terms and conditions of the MYHMC compliance certificate, as determined by MYHMC, shall also constitute a violation of the permit issued by the department of safety and permits pursuant to plans and specifications submitted to the department of safety and permits pursuant to subsection 2.1 hereof.

2.6 For boathouses that suffered less than 50 percent damage in Hurricane Katrina on August 29, 2005, as determined by the department of safety and permits, boathouse lessees shall be permitted to repair and restore their boathouse improvements without being required to elevate the second floor above the level at which it existed on August 28, 2005, regardless of any provision contained herein or in any other regulation, law or ordinance.

(3) *Requirements.* Figures A through G are included to illustrate the practical application of requirements set forth in the text of sections (1) through (3) and their subsections. In case of conflict between the text and a figure, the text shall govern.

Subject to the foregoing, the following uniform standards are established:

3.1 *Katrina damage less than 50 percent.* Each applicant, unless he or she intends to elevate in accordance with chapter 78 regardless, must obtain and submit to MYHMC a written finding by the department of safety and permits that the damage occasioned by Hurricane Katrina was not so substantial as to trigger a requirement that the second floor be raised in accordance with chapter 78 of the New Orleans City Code, with MYHMC having no obligation to commence review of applicant's plans and specifications prior to its receipt of a valid certificate or finding by the department of safety and permits on that issue.

3.2 *Foundation.* Foundations must be designed to comply with all applicable codes, rules and regulations. MYHMC makes no representations as to the capacity of existing pilings to support loads imposed on them, new or existing. However, all boathouse modifications that include a third floor must include the installation of new pilings to support all loads imposed on them by the boathouse being constructed, altered, added on to or modified, and by neighboring boathouses, all as determined by the registered design professional in responsible charge.

3.3 *Structural system.* Structural systems must be designed to comply with all applicable codes, rules and regulations. MYHMC makes no representations as to the capacity of existing structural systems to support loads imposed on them.

Structural systems must support all loads imposed on them by the boathouse being constructed, altered, added on to or modified, and by neighboring boathouses, all as determined by the registered design professional in responsible charge.

All construction must be permanently fixed to the foundation. Manufactured homes such as trailers or homes that maintain their integral delivery chassis are not permitted.

3.4 *Common walls.* If a boathouse is separated from all adjacent boathouses not owned or occupied by the boathouse lessee, by means of walls having a fire-resistance rating of not less than two hours as provided for in the Louisiana State Uniform Construction Code, the director of the department of safety and permits shall deem the boathouse to qualify as having an occupancy classification of R-3 in accordance with the Louisiana State Uniform Construction Code, thus qualifying the boathouse for review under the Louisiana State Construction Code as a one-family dwelling.

3.5 *Flood-resistant materials below the base flood elevation.* All materials utilized below the base flood elevation must be flood-damage resistant, as defined in FEMA Technical Fact Sheet No. 1.7, "Coastal Building Materials" (12/10).

3.6 *Dimensions and exteriors.* The dimensions and exteriors of the boathouses shall be maintained so as to present a uniform appearance with those in the same boathouse group.

3.7 *Boat slip.* Each boathouse must contain a boat slip of at least 40 feet in length. Where lessee leases and/or occupies adjacent boathouses, the required slip must be provided within each boathouse.

3.8 *First floor improvements.*

(See Figure A)

3.8.1 First floor construction and uses are limited to those permitted in FEMA Technical Fact Sheet No. 1.4, "Lowest Floor Elevation" (12/10) or subsequent rules on revisions on that topic, subject to such discretion as

the department of safety and permits has and chooses, in its sole discretion, to exercise.

3.8.2 An open deck shall be constructed on the first floor and to the rear of the original front wall of the boathouse. This open deck must be constructed between the slip and the original front wall or any enclosed area that exists. The deck must be constructed across the entire width of the boathouse and shall be a minimum of 48 inches in width.

3.8.3 Catwalks which are parallel to the long dimension of the boathouse shall be constructed on at least one side of every boathouse and extend from the open deck required by subsection 3.7.2 [3.8.2] to the rear end of the boathouse. Catwalks shall not exceed 30 inches in width within each boathouse.

3.8.4 No wall, screen, fence or similar construction may be erected to divide the open decks required by subsection 3.7.2 [3.8.2] or the catwalks required by subsection 3.7.3 [3.8.3]. However, railings may be placed along the edges of the open decks and catwalks immediately adjacent to the slip.

3.8.5 At the first floor level only, a boathouse lessee may enclose or screen an area that extends a maximum of 6 feet from the original front wall of the boathouse toward the street for storage or to conceal garbage/trash receptacles.

3.9 *Second floor improvements.*

(See Figures B, C, D and E)

3.9.1 Unless exempted by the department of safety and permits pursuant to section 3.1 hereof, the second floor shall be constructed so that the bottom of the lowest horizontal structural member supporting the second floor shall be a minimum of one foot above the city base flood elevation and the top of the second floor is no higher than three feet above the city base flood elevation.

3.9.2 A second floor of a boathouse may be constructed from the original front wall of the boathouse to the rear of the boathouse. The first 40 feet from the original front wall of the boathouse may be enclosed. All or part of the next 20 feet toward the rear of the boathouse may be enclosed and incorporated into the first 40 feet of enclosed area if the boathouse lessee obtains the written consent of the boathouse lessees of the nearest boathouses in each direction that are not owned or occupied by the boathouse lessee. In no event may this enclosed area of a second floor extend beyond 60 feet from the original front wall of the boathouse. (See Figures D and E)

3.9.3 An open deck may be constructed at the second floor in all or part of the remaining length of the boathouse toward its rear. No fence, wall, screen or similar construction may be erected on any side of an open deck. (See Figures D and E)

3.9.4 At the second floor only, the boathouse lessee may erect a deck that extends toward the street as provided in the following subsections:

3.9.4.1 For boathouses on Breakwater Drive with second floors at the level which existed on August 28, 2005, the front deck may extend up to 24 feet from the original front wall of the boathouse or to a minimum of five feet from, Breakwater Drive, whichever is greater. A roof may be constructed over such decks but the roof may not extend more than 12 feet beyond the original front wall of the boathouse. No fence, wall, screen or similar construction may be erected on any side of such decks except that, the first 12 feet extending from the original front wall of the boat-

house may be enclosed and incorporated into the living area if the boathouse lessee obtains the written consent of the boathouse lessees of the nearest boathouses in each direction that are not owned or occupied by the boathouse lessee. In no event may a roof or an enclosed area of a second floor extend beyond the first 12 feet from the original front wall of the boathouse. (See Figures B and D)

3.9.4.2 For boathouses on Breakwater Drive with second floors above the city base flood elevation, the front deck may extend up to 12 feet from the original front wall of the boathouse. A roof may be constructed over such decks but the roof may not extend past the edge of the deck. No fence, wall, screen or similar construction may be erected on any side of such decks. (See Figures C and E)

3.9.4.3 For boathouses on North Roadway with second floors at the level which existed on August 28, 2005, the front deck may extend to the seawall between the boathouse and North Roadway. A roof may be constructed over such decks but the roof may not extend past the edge of the deck. No fence, wall, screen or similar construction may be erected on any side of such decks except that the first eight feet extending from the original front wall of the boathouse may be enclosed and incorporated into the living area if the boathouse lessee obtains the written consent of the boathouse lessees of the nearest boathouses in each direction that are not owned or occupied by the boathouse lessee. In no event may an enclosed area of a second floor extend beyond the first eight feet from the original front wall of the boathouse. (See Figures B and D)

3.9.4.4 For boathouses on North Roadway with second floors above the city base flood elevation, the front deck may extend up to eight feet from the original front wall of the boathouse. A roof may be constructed over such decks but the roof may not extend past the edge of the deck. No fence, wall, screen or similar construction may be erected on any side of such decks. (See Figures C and E)

3.9.5 he minimum height of any railing shall be governed by applicable codes and rules administered by the department of safety and permits and/or other government authorities with jurisdiction. Regardless of any of the foregoing provisions, all second floor decks shall have a railing at the edges which does not exceed 44 inches in height.

3.10 *Third floor improvements.*

(See Figure F)

3.10.1 A third floor may be constructed toward the rear of the boathouse as an enclosed area, a deck with or without a roof, or a combination thereof. It must be set back ten feet from the original front wall of the boathouse and may not extend more than 60 feet from the original front wall of the boathouse. The third floor may not be constructed closer than three feet to the nearest boathouse in each direction which is not owned or occupied by the boathouse lessee.

3.10.2 The top of a third floor may not be higher than 11 feet, six inches above the top of the second floor.

3.11 *Stairs.* Stairs from the first floor to either the second floor or the open deck level which existed on August 28, 2005 may not be constructed forward of the original front wall of the boathouse. Stairs and a landing not to exceed a width of four feet, or as required by code, may be constructed forward of, and parallel to, the original front wall of the boathouse from

the open deck level which existed on August 28, 2005 to the second floor when the second floor is required to be constructed above the City of New Orleans Base Flood Elevation. Such stairs are subject to the approval of MYHMC on a finding of MHYHC in its sole discretion that stairs are architecturally appropriate and consistent with the goal of maintaining a consistent appearance. Stairs to the third floor may not be constructed within ten feet from the original front wall of the boathouse.

3.12 *Height.*

(See Figure G)

3.12.1 The highest point of a boathouse roof over a second floor may be no higher than 30 feet above the highest level of the public street immediately adjacent to the boathouse. The highest point of a boathouse roof over a third floor may be no higher than 42 feet above the highest level of the public street immediately adjacent to the boathouse.

3.12.2 No floor level above the third floor is permitted.

3.13 *Roof slope.*:

(See Figure G)

The slope of all boathouse roofs must be three inches of rise for every 12 inches of run, to match the predominant slope of existing boathouses. Roofs must slope uniformly towards adjacent boathouses, except that all or part of roofs located above a third floor may slope toward the front and/or rear of the boathouse.

3.14 *Roof size.*

(See Figure H)

No horizontal distance between a roof valley and a roof ridge may exceed 15 feet or half of the width of a single boathouse, whichever is less.

3.15 *Roof drainage.* Boathouses are required to have gutter and downspout systems that collect rainfall runoff from the roof. The system shall discharge the collected water into the marina. It is the responsibility of the lessee constructing, altering, adding on to or modifying its boathouse to provide a gutter and downspout system adequate for its boathouse and any adjoining boathouses that shared a storm drainage system at the time that construction commenced.

3.16 *Roof overhangs.* No roof overhang may extend closer than two feet to the nearest adjacent boathouse not leased or occupied by the lessee.

Figures A through G on the following pages are included within and form a part of Section 170-645, as amended and reordained by virtue of M.C.S., Ordinance No. 24590.

3.17 *Breakwater Drive parking spaces.* On Breakwater Drive, boathouses shall provide parking for a minimum of two vehicles between the original front wall of the boathouse and Breakwater Drive. Such parking spaces shall be a minimum of eight feet, six inches wide by 18 feet long by seven feet, six inches high. Parking spaces and driveways shall be paved with concrete or similar approved hard-paved surface materials, extending from the edge of the street continuously to the bulkhead. Parking spaces and driveways are to be used for parking of motor vehicles on a day-to-day basis; no boats, vessels, watercraft, recreational vehicles, campers or trailers of any kind shall be kept overnight in the driveway or parking spaces.

CODE COMPARATIVE TABLE

ORDINANCES

This table gives the location within this Code of those ordinances adopted since the 1956 Code, as updated through April 7, 1994, which are included herein. Ordinances adopted prior to such date were incorporated into the 1956 Code, as supplemented. This table contains some ordinances which precede April 7, 1994, but which were never included in the 1956 Code, as supplemented, for various reasons. Ordinances adopted since April 7, 1994, and not listed herein, have been omitted as repealed, superseded or not of a general and permanent nature.
