## CODE OF ORDINANCES

### Looseleaf Supplement

This copy of the Tulsa Code of Ordinances is issued as a "replacement" copy and contains all ordinances deemed advisable to be included at this time through Ordinance No. 25330, passed June 5, 2024. See the Code Comparative Table—Volume IV for further information.

This copy replaces all existing copies of the Code as published through Supplement No. 33. Future supplements will commence with "Supplement No. 1."

## PREFACE

This Code is organized by subject matter under an expandable three-factor decimal numbering system which is designed to facilitate supplementation without disturbing the numbering of existing provisions. Each section number designates, in sequence, the numbers of the Title, chapter, and section. Thus, Section 2.12.040 is Section .040, located in Chapter 2.12 of Title 2. In most instances, sections are numbered by tens (.010, .020, .030, etc.), leaving nine vacant positions between original sections to accommodate future provisions. Similarly, chapters and titles are numbered to provide for internal expansion.

In parentheses following each section is a legislative history identifying the specific sources for the provisions of that section. This legislative history is complemented by an ordinance disposition table, following the text of the Code, listing by number all ordinances, their subjects, and where they appear in the codification; and beginning with the 2011 Republication, legislation can be tracked using the "Code Comparative Table."

A subject-matter index, with complete cross-referencing, locates specific code provisions by individual section numbers.

**This supplement brings the Code up to date through Ordinance 25614, adopted June 25, 2025.**

## HOW TO USE YOUR CODE

This code is organized to make the laws of the city as accessible as possible to city officials, city employees and private citizens. Please take a moment to familiarize yourself with some of the important elements of this code.

### Numbering System.

The numbering system is the backbone of a Code of Ordinances; Municipal Code Corporation uses a unique and versatile numbering structure that allows for easy expansion and amendment of this Code. It is based on three tiers, beginning with title, then chapter, and ending with section. Each part is represented in the code section number. For example, Section 2.04.010 is Section .010, in Chapter 2.04 of Title 2.

### Title.

A title is a broad category under which ordinances on a related subject are compiled. This code contains about 15 to 20 titles. For example, the first title is Title 1, General Provisions, which may contain ordinances about the general penalty, code adoption and definitions. The titles in this code are separated by tabbed divider pages for quick reference. Some titles are Reserved for later use.

### Chapter.

Chapters deal with more specific subjects, and are often derived from one ordinance. All of the chapters on a related subject are grouped in one title. The chapters are numbered so that new chapters which should logically be placed near certain existing chapters can be added at a later time without renumbering existing material. For example, Chapter 2.06, City Manager, can be added between 2.04, City Council, and Chapter 2.08, City Attorney.

### Section.

Each section of the code contains substantive ordinance material. The sections are numbered by "tens" to allow for expansion of the code without renumbering.

### Tables of Contents.

There are many tables of contents in this code to assist in locating specific information. At the beginning of the code is the main table of contents listing each title. In addition, each title and chapter has its own table of contents listing the chapters and sections, respectively.

### Ordinance History Note.

At the end of each code section, you will find an "ordinance history note," which lists the underlying ordinances for that section. The ordinances are listed by number, section (if applicable) and year. (Example: (Ord. 272 § 1, 1992).)

Beginning with the 2011 Republication, a secondary ordinance history note will be appended to affected sections. Ordinance history notes will be amended with the most

recent ordinance added to the end. These history notes can be cross referenced to the code comparative table and disposition list appearing at the back of the volume preceding the index.

### Code Comparative Table and Disposition List.

Beginning with the 2011 Republication, a Code Comparative Table has been added for use in tracking legislative history. Located in the back of this volume, this table is a chronological listing of each ordinance considered for codification. The Code Comparative Table specifies the ordinance number, adoption date, description of the ordinance and the disposition within the code of each ordinance. By use of the Code Comparative Table, the reader can locate any section of the code as supplemented, and any subsequent ordinance included herein.

### Index.

If you are not certain where to look for a particular subject in this code, start with the index. This is an alphabetical multi-tier subject index which uses section numbers as the reference, and cross-references where necessary. Look for the main heading of the subject you need, then the appropriate subheadings:

BUSINESS LICENSE

See also BUSINESS TAX
Fee 5.04.030
Required when 5.04.010

The index will be updated as necessary when the code text is amended.

### Instruction Sheet.

Each supplement to the new code will be accompanied by an Instruction Sheet. This guide will tell the code user the date of the most recent supplement and the last ordinance contained in that supplement. It will then list the pages that must be pulled from the code and the new pages that must be inserted. Following these instructions carefully will assure that the code is kept accurate and current. Removed pages should be kept for future reference.

### Electronic Submission.

In the interests of accuracy and speed, we encourage you to submit your ordinances electronically if at all possible. We can accept most any file format, including Word, WordPerfect or text files. If you have a choice, we prefer Word, any version. You can send files to us as an e-mail attachment, by FTP, on a diskette or CD-ROM. Electronic files enable us not only to get you your code more quickly but also ensure that it is error-free. Our e-mail address is: ords@municode.com.

For hard copy, send two copies of all ordinances passed to:

Municipal Code Corporation
P.O. Box 2235
Tallahassee, FL 32316

**Customer Service.**

If you have any questions about this code or our services, please contact Municipal Code Corporation at 1-800-262-2633 or:

**ORDINANCE NO. 25598**

AN ORDINANCE ADOPTING THE FIRST SUPPLEMENT TO THE EIGHTH REVISION OF THE TULSA REVISED ORDINANCES, CODIFYING ORDINANCES ENACTED BETWEEN JUNE 12, 2024, AND OCTOBER 16, 2024; PROVIDING CERTAIN EXCEPTIONS FOR ORDINANCES EXCLUDED; PROVIDING FOR THE REPEAL OF CERTAIN ORDINANCES; PROTECTING PREEXISTING RIGHTS; PROVIDING FOR COPIES TO BE DEPOSITED WITH THE CITY CLERK; PROVIDING FOR DISTRIBUTION OF COPIES TO CITY DEPARTMENTS AND OTHERS; PROVIDING FOR THE SALE OF COPIES; AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY OF TULSA:

**SECTION 1. ADOPTION OF SUPPLEMENT NUMBER 1.** This ordinance shall adopt the First Supplement ("Supplement No. 1") dated November 1, 2024, to the Eighth Edition of the Tulsa Revised Ordinances.

**SECTION 2. EXCEPTIONS.** Ordinance No. 25428, enacted November 3, 2024, and all ordinances enacted subsequent thereto, are not included in Supplement No. 1 to the Tulsa Revised Ordinances; and it is hereby provided that all such subsequently enacted ordinances, and all temporary and special ordinances containing subject matters not subject to codification, shall continue in full force and effect from and after the date hereof until hereafter repealed.

**SECTION 3. REPEAL.** All ordinances or parts of ordinances in effect as of the date of the passage of this ordinance and which are not contained in the Seventh Revision of the Tulsa Revised Ordinances, or as amended by Supplement No. 1, adopted herein, or which are not herein expressly stated to be continued in full force and effect shall be and the same are hereby repealed.

**SECTION 4. SAVING CLAUSE.** Neither the repeal of any ordinances nor any of the provisions herein contained shall be deemed or construed to impair, modify, alter or affect any rights, rights of action or causes of action, whether now pending in any court or not, which are now existing or which may arise or come into existence, before the date when Supplement No. 1, above described, shall take effect.

**SECTION 5. COPIES TO BE DEPOSITED WITH CITY CLERK.** Three (3) printed copies of Supplement No. 1 to the Tulsa Revised Ordinances shall be deposited with the City Clerk of the City of Tulsa.

**SECTION 6. COPIES TO EACH HOLDER OF TULSA REVISED ORDINANCES.** The City Clerk is authorized to transmit to each City employee who has been assigned a set of the Tulsa Revised Ordinances, and to each person and each library which have been presented a complimentary set of the Tulsa Revised Ordinances, copies of Supplement No. 1 to the Tulsa Revised Ordinances at no charge.

**SECTION 7. COPIES AVAILABLE FOR SALE.** The City Clerk is authorized to deliver by U.S. Mail to each person, firm or organization purchasing a set of Tulsa Revised Ordinances, one copy each of Supplement No. 1 to the Tulsa Revised Ordinances with an invoice requiring payment of $102.15 for said supplement.

**SECTION 8. EMERGENCY.** That an emergency is hereby declared to exist for the preservation of the public peace, health and safety, by reason whereof this ordinance shall take effect immediately from and after its passage, approval and publication.

ADOPTED by the Tulsa City Council, this 11th Day of June 2025

ADOPTED as an emergency measure, this 11th Day of June 2025

Phil Lakin, Jr., Chair of the City Council

APPROVED by the Mayor of the City of Tulsa, Oklahoma, this 18th Day of June 2025

Monroe Nichols IV, Mayor

ATTEST: Christina Chappell, City Clerk

APPROVED: Jack Blair, City Attorney

## Checklist of Up-to-Date Pages

**(This checklist will be updated with the printing of each Supplement)**

From our experience in publishing Looseleaf Supplements on a page-for-page substitution basis, it has become evident that through usage and supplementation many pages can be inserted and removed in error.

The following listing is included in this Code as a ready guide for the user to determine whether the Code volume properly reflects the latest printing of each page.

In the first column all page numbers are listed in sequence. The second column reflects the latest printing of the pages as they should appear in an up-to-date volume. The letters "OC" indicate the pages have not been reprinted in the Supplement Service and appear as published for the original Code. When a page has been reprinted or printed in the Supplement Service, this column reflects the identification number or Supplement Number printed on the bottom of the page.

In addition to assisting existing holders of the Code, this list may be used in compiling an up-to-date copy from the original Code and subsequent Supplements.

| Page No. | Supp. No. | Page No. | Supp. No. |
|---|---|---|---|

# CODE OF ORDINANCES

# 1989 AMENDED CHARTER

## Article I. Corporate Powers

Section 1. Incorporation and powers.
Section 2. Enumerated powers not exclusive.
Section 3. General grant of power.

## Article II. The Council

Section 1. Creation and functions.
Section 2. Salaries.
Section 3.1. Meetings.
Section 3.2. Civil emergency.
Section 3.3. Open meetings.
Section 4. Rules.
Section 5. Chairman.
Section 6.1. Judge of qualifications.
Section 6.2. Quorum and voting.
Section 6.3. Voting on zoning changes involving protests.
Section 7.1. Budgets.
Section 7.2. Action on budgets.
Section 7.3. Additional procedures.
Section 7.4. Economic stabilization reserve created.
Section 7.5. Allocations to the economic stabilization reserve.
Section 7.6. Use of monies allocated to capital or other one-time expenditures.
Section 7.7. Use of monies allocated for general purposes.
Section 7.8. Withdrawals from the economic stabilization reserve.
Section 7.9. Adjustments to allocations to the economic stabilization reserve, capital, other one-time expenditures, or the operating reserve.
Section 7.10. Transition and implementation.
Section 8. Procedures on ordinances and resolutions.
Section 9. Approval or veto of ordinances and resolutions.
Section 10. Effective date of ordinances and resolutions.
Section 11. Recording and publication of ordinances and resolutions.
Section 12. Codification of ordinances.
Section 13. Penalties for violation of ordinances.
Section 14. Charter review.
Section 15. Initiative and referendum.
Section 16. Review of administrative actions.
Section 17. Investigations and hearings.
Section 18. Delegation of authority to make rules.
Section 19. Interference with appointments or removals.
Section 20. Settlement of claims of $1 million or more.

## Article III. The Mayor

Section 1.1. Mayor.
Section 1.2. Salary.
Section 1.3. Absence, temporary disability, or vacancy.
Section 1.4. Executive and administrative powers and duties.
Section 1.5. Powers with respect to council.
Section 1.6. Organization of the city.
Section 2. City clerk.
Section 3. City treasurer.
Section 4. City attorney.

## Article IV. The City Auditor

Section 1. Office of city auditor created.
Section 2. Salary.
Section 3. Duties.
Section 4. Budget.
Section 5. Production of records and accounts.

## Article V. Boards and Authorities

Section 1.1. Tulsa airport authority created.
Section 1.2. Appointment.
Section 1.3. Representative of the mayor.
Section 1.4. Vacancies.
Section 1.5. Removal from office.
Section 1.6. Organization.
Section 1.7. Meetings.
Section 1.8. Airport funds.
Section 1.9. Powers.
Section 1.10. Reports.
Section 2.1. Tulsa utility board created.
Section 2.2. Qualifications.
Section 2.3. Representative of the mayor.
Section 2.4. Removal from office.
Section 2.5. Organization.
Section 2.6. Meetings.
Section 2.7. Term of office.
Section 2.8. Vacancies.
Section 2.9. Powers and duties.
Section 2.10. Bond proceeds and appropriations.
Section 2.11. Compensation.
Section 2.12. Budgets.
Section 2.13. Sinking fund requirements from the operation of the waterworks system and system of sanitary sewers and sewage disposal plants.
Section 2.14. Penalty.
Section 3.1. Park and recreation board created.

Section 3.2. Appointment.
Section 3.3. Representative of the mayor.
Section 3.4. Vacancies.
Section 3.5. Removal from office.
Section 3.6. Organization.
Section 3.7. Duties.

## Article VI. Election and Qualification of Officers

Section 1.1. Mayor and councilors—Election.
Section 1.2. Terms.
Section 1.3. General elections.
Section 1.4. Qualification of electors.
Section 2.1. Elections to be non-partisan.
Section 2.2. Election procedure.
Section 3.1. Filing for office.
Section 3.2. Campaigning for office.
Section 3.3. Refund of filing fee.
Section 3.4. Time of filing.
Section 4. Calling elections.
Section 5. State laws apply to all elections.
Section 6.1. Election districts.
Section 6.2. Annexations.
Section 6.3. Precinct boundaries.
Section 7. Qualification of officers.
Section 8. Filling vacancies in elective offices.
Section 9. Implementation.
Section 10.1. Election district commission.
Section 10.2. Adjustment of election district boundaries.
Section 10.3. Adoption of election district plan.
Section 10.4. Duties ministerial.
Section 10.5. Judicial review.

## Article VII. Removal and Recall of Elective Officers

Section 1.1. Removal and recall.
Section 1.2. Grounds for recall.
Section 2.1. Procedure for recall.
Section 2.2. Form of supporting petition.
Section 3. Sufficiency of supporting petitions.
Section 4. Examination of petitions.
Section 5. Election.
Section 6. Canvass of election.

## Article VIII. Use of Public Property

Section 1. Public property inalienable.
Section 2. Franchises authorized.

Section 3. Prohibitions.
Section 4. All franchises to be submitted to people.
Section 5. Initiative procedure for franchise.
Section 6. Compensation for franchises.
Section 7. Ascertainment of compensation.
Section 8. Exercise of power of public utility regulation.
Section 9. Right to purchase to be reserved.
Section 10. Termination for violation.
Section 11. Common use of tracks, poles, and wires.
Section 12. Railway and transit permits.
Section 13. Permits.
Section 14. Conveyance of aerial and subsurface spaces.

**Article IX. Public Improvements**

Section 1.1. Street improvement districts.
Section 1.2. Change of grade—compensation for.
Section 1.3. Resolution to allocate costs—railroads.
Section 1.4. Contract procedure.
Section 1.5. Assessment procedure.
Section 1.6. Notice to property owners—hearing.
Section 1.7. Power to exclude property not subject to assessment.
Section 1.8. Petitions for improvements.
Section 1.9. Tax bills.
Section 1.10. Delinquent installments.
Section 2.1. Sidewalk improvement districts.
Section 2.2. Resolution of necessity.
Section 2.3. Notice to property owners.
Section 2.4. Contract procedure.
Section 2.5. Hearing on assessments.
Section 2.6. Payment of contractor.
Section 2.7. Delinquent assessments.
Section 2.8. Foreclosure.
Section 2.9. Emergency procedure.
Section 3.1. Sanitary sewer districts.
Section 3.2. Payment for public sewers.
Section 3.3. Construction of district sewers.
Section 3.4. Assessments and hearing.
Section 3.5. Tax bills.
Section 3.6. Payment of contractor.
Section 3.7. Assessments a lien—delinquencies.
Section 3.8. Foreclosure.
Section 4. Resort to courts.

**Article X. Civil Service Commission and Merit System**

Section 1.1. Purpose.
Section 1.2. Removals.

Section 1.3. Firefighters excluded.
Section 2.1. Civil service commission.
Section 2.2. Chairman and vice chairman.
Section 3. Rules and regulations.
Section 4. Personnel director.
Section 4.1. City Attorney appointment.
Section 5. Classified and unclassified service.
Section 6.1. Appointments and promotions.
Section 6.2. Probationary periods.
Section 6.3. Veterans.
Section 6.4. Promotions.
Section 6.5. Police officer promotions.
Section 7. Reduction for economy or abolition of position.
Section 8.1. Suspension, removal, and demotion.
Section 8.2. Notice.
Section 8.3. Hearing.
Section 8.4. Action.
Section 8.5. Discrimination prohibited.
Section 9. Compensation.
Section 10.1. Political activities permitted.
Section 10.2. Solicitations prohibited.
Section 10.3. Voting threats prohibited.

**Article XI. Fire Department**

Section 1. Fire department created.
Section 2. Fire chief—How appointed—Qualifications.
Section 3. Firefighters—How appointed.
Section 4.1. Tenure of office and retention of rank.
Section 4.2. Trial.
Section 4.3. Decision.
Section 4.4. Transfers.
Section 4.5. Appeals.
Section 5.1. Political activities permitted.
Section 5.2. Political contributions.
Section 5.3. Voting.
Section 6. Reduction of force, curtailment of expenditures.
Section 7. Promotion.
Section 8. Applicants.
Section 9. Personnel committee.
Section 10. Discrimination prohibited.

**Article XII. Miscellaneous Provisions**

Section 1. Definition of officer and qualified elector.
Section 2. All property subject to special assessment.
Section 3. Execution of instruments.
Section 4. Creation of advisory boards and commissions.

Section 5. Exemption of city property from execution or assignment.
Section 6. Bonds of officers and employees.
Section 7. Waiver of fines, penalties, fees, and charges.
Section 8. Bonds required from contractors.
Section 9. Applicability of state law.
Section 10. Oaths of office.
Section 11. Expiration of terms and appointments.
Section 12.1. Public safety officers.
Section 12.2. Service pay.
Section 12.3. Amount of service pay.
Section 13. Conflicts of interest.
Section 14. Contracts and purchases—Competitive bids and procedures.
Section 15. Vacation of office.
Section 16. Records open to inspection.
Section 17. Powers granted by state.
Section 18. Charter powers cumulative.
Section 19. Administration of oaths.
Section 20. Amendments.
Section 21. Continuance of officers and employees.
Section 22. Continuance of ordinances.
Section 23. Continuance of contracts.
Section 24. Continuance of municipal criminal court.
Section 25. Superior law—Provisions to be severable.
Section 26. Repeal.
Section 27. Continuance of government.

## 1989 AMENDED CHARTER

The City of Tulsa was established as a town in 1898 under territorial law while Oklahoma was designated as Indian Territory of the United States. After Oklahoma became the 46th state in 1907, the City of Tulsa adopted its first city charter on July 3, 1908, which was approved by Oklahoma Governor Charles Haskell on January 5, 1909.

The City was governed by a Board of Commissioners comprised of a Mayor and four Commissioners - Police and Fire, Streets and Public Property, Waterworks and Sewerage, and Finance and Revenue. This form of government prevailed until May 8, 1990, when it changed to a Mayor and City Council form.

Under and by the authority of Section 3 of Article XVIII of the Constitution of the State of Oklahoma and pursuant to the laws of the state (11 O.S.1981, §§ 13-111, 13-106, and 13-107; 26 O.S.Supp.1987 § 13-102), a special election (provided by City of Tulsa Ordinance No. 17090) was held on February 14, 1989, and the qualified voters of the City of Tulsa approved the 1989 amended Charter, which was later approved by Oklahoma Governor Henry Bellmon to become effective on May 8, 1990.

An original signed copy was filed with the Oklahoma Secretary of State on March 8, 1989, and with the Tulsa County Clerk on March 15, 1989.

AN AMENDMENT TO THE EXISTING CHARTER OF THE CITY OF TULSA, AS AMENDED, CHANGING FROM A COMMISSION FORM TO A MAYOR-COUNCIL FORM OF GOVERNMENT; PROVIDING, AMONG OTHER THINGS, FOR THE CONTINUATION OF THE CITY OF TULSA AS A BODY POLITIC AND CORPORATE; PRESCRIBING THE POWERS OF THE CITY; PROVIDING FOR A COUNCIL OF NINE (9) MEMBERS NOMINATED AND ELECTED FOR TWO (2) YEAR TERMS FROM NINE (9) ELECTION DISTRICTS; ESTABLISHING THE ELECTION DISTRICTS; PROVIDING FOR THE ADJUSTMENT OF ELECTION DISTRICT BOUNDARIES; PRESCRIBING THE QUALIFICATIONS, POWERS, AND DUTIES OF THE COUNCIL; PROVIDING FOR A MAYOR NOMINATED AND ELECTED AT LARGE FOR A FOUR (4) YEAR TERM, PRESCRIBING THE QUALIFICATIONS, POWERS, AND DUTIES OF THE MAYOR, AND PROVIDING FOR THE MAYOR TO BE THE CHIEF EXECUTIVE AND ADMINISTRATIVE OFFICER OF THE CITY; PROVIDING FOR A CITY AUDITOR NOMINATED AND ELECTED AT LARGE FOR A TWO (2) YEAR TERM; PRESCRIBING THE QUALIFICATIONS, POWERS, AND DUTIES OF THE CITY AUDITOR; PROVIDING FOR A CITY CLERK, A CITY TREASURER, AND A CITY ATTORNEY, AND PRESCRIBING QUALIFICATIONS, POWERS, AND DUTIES FOR EACH; CREATING AN AIRPORT AUTHORITY, PRESCRIBING THE POWERS, FUNCTIONS, AND DUTIES THEREOF, AND PRESCRIBING THE QUALIFICATIONS OF MEMBERS THEREOF; CREATING A UTILITY BOARD, PRESCRIBING THE POWERS, FUNCTIONS, AND DUTIES THEREOF, AND PRESCRIBING THE QUALIFICATIONS OF MEMBERS THEREOF; CREATING A PARK AND RECREATION BOARD, PRESCRIBING THE POWERS, FUNCTIONS, AND DUTIES THEREOF, AND PROVIDING THE QUALIFICATIONS OF MEMBERS THEREOF; PROVIDING FOR THE ELECTION AND REMOVAL OF OFFICERS, AND THE PROCEDURES THEREFOR; PROVIDING FOR THE FILING OF VACANCIES IN OFFICE; PROVIDING FOR THE GRANTING AND REVOCATION OF FRANCHISES AND PERMITS, AND CONVEYANCE OF AERIAL AND SUBSURFACE SPACES; PROVIDING FOR THE OWNERSHIP RIGHT OF CONTROL, AND USE OF STREETS, HIGHWAYS, ALLEYS,

AND OTHER PUBLIC WAYS, PARKS, PUBLIC PLACES, OR OTHER REAL PROPERTY OF THE CITY; PROVIDING FOR THE CONSTRUCTION, MAINTENANCE, AND REPAIR OF STREETS, SIDEWALKS, AND SANITARY SEWERS, AND FOR THE ASSESSMENT OF PROPERTY BENEFITTED THEREBY AND OTHER METHODS OF FINANCING AND RAISING REVENUE THEREFOR; PROVIDING A MERIT SYSTEM FOR OFFICERS AND EMPLOYEES; CREATING A CIVIL SERVICE COMMISSION, AND PRESCRIBING THE POWERS, FUNCTIONS, AND DUTIES THEREOF, AND PRESCRIBING THE QUALIFICATIONS OF MEMBERS THEREOF; CREATING A FIRE DEPARTMENT, AND A PERSONNEL COMMITTEE THEREFOR, PRESCRIBING THE POWERS, FUNCTIONS, AND DUTIES OF THE PERSONNEL COMMITTEE, AND PRESCRIBING THE QUALIFICATIONS OF MEMBERS THEREOF; AND CONTAINING OTHER PROVISIONS PERTAINING TO THE ADMINISTRATION OF CITY GOVERNMENT; PROVIDING FOR THE CONTINUANCE OF ORDINANCES AND CONTRACTS; AND REPEALING ALL PORTIONS OF THE EXISTING CHARTER OF THE CITY OF TULSA NOT INCORPORATED HEREIN NOR CONTINUED IN EFFECT.

The Charter of the City of Tulsa, Oklahoma, as heretofore amended shall be and it is hereby further amended to read as follows:

## PREAMBLE

We, the people of the City of Tulsa, exercising the power of home rule granted to us by the Constitution and laws of Oklahoma, in order to provide for a more representative, efficient, and economical administration of municipal government, do ordain and establish this amended Charter of the City of Tulsa.

## ARTICLE I. CORPORATE POWERS

### Section 1. Incorporation and powers.

All people residing within the corporate limits of the City of Tulsa, as they exist upon the effective date of this amended Charter, or as they may be established hereafter, shall continue to be a body politic and corporate known as the "CITY OF TULSA," and under that name shall have perpetual succession, may use a common corporate seal, may sue and be sued, may enter into contracts, may acquire property within or without the corporate limits of the City of Tulsa for any corporate purpose, in fee simple or lesser interest or estate, by purchase, gift, devise, lease, or by the exercise of the power of eminent domain, and may sell, lease, hold, manage, and control such property as the interests of the City of Tulsa may require. Except as prohibited by this amended Charter, the City of Tulsa shall have and may exercise all powers, functions, rights, privileges, and immunities of every nature to the fullest extent permitted by and subject only to such limitations imposed by the Constitution of Oklahoma, by such laws of Oklahoma binding upon cities adopting charters for their own government under the authority granted by Article XVIII, Section 3, of the Constitution of Oklahoma, and by the Constitution and laws of the United States of America.

### Section 2. Enumerated powers not exclusive.

The enumeration of particular powers by this amended Charter shall not be held or deemed to be exclusive. In addition to the powers enumerated herein, implied hereby, or appropriate to the exercise hereof, the City of Tulsa shall have, and may exercise, all powers which, under the Constitution and laws of Oklahoma, it would be competent for this amended Charter to enumerate, it being the object and purpose of this amended Charter to grant to and bestow upon the City of Tulsa full and complete power of self-government. All powers of the City of Tulsa, whether expressed or implied, shall be exercised as provided by this amended Charter, or if not provided herein, as provided by ordinance or resolution.

### Section 3. General grant of power.

Subject only to such limitations imposed by the Constitution and laws of the United States of America, by the Constitution and such laws of Oklahoma binding upon cities adopting charters for their own government under the authority granted by Article XVIII, Section 3, of the Constitution of Oklahoma, and by the provisions of this amended Charter, the City of Tulsa shall have the power:

**A.** To adopt and enforce all ordinances necessary or proper to protect the public peace, health, order, morals, and safety, and to promote the general welfare of the City of Tulsa and its inhabitants;

**B.** To purchase, construct, maintain, and operate, within or without the city, public utilities, public works, and other facilities of every kind;

**C.** To engage in any public business, enterprise, or activity and to provide any service or facility for the common benefit or in the furtherance of any function performed by the city;

**D.** To provide, levy, assess, and collect taxes and fees of every kind for the support and operation of the city government and its activities; provided, that no sales tax, gross receipts tax, payroll tax, or income tax shall be levied or assessed until such tax shall

have been approved by a majority of the qualified electors of the City of Tulsa voting on the question at an election for the purpose of approving or disapproving of a proposed tax;

**E.** To impose license fees for the purposes of revenue or regulation;

**F.** To levy and collect special assessments for benefits conferred;

**G.** To incur indebtedness and to provide for the payment thereof;

**H.** To make public improvements of every kind;

**I.** To adopt and enforce ordinances and exercise jurisdiction over lands or property owned, leased, controlled, or supervised by the City of Tulsa outside the corporate limits as exercised over lands or property within the corporate limits;

**J.** To exercise jurisdiction over property outside the corporate limits as authorized by the laws of Oklahoma;

**K.** To cooperate and enter into agreements with the State of Oklahoma; with another state or municipality; with any subdivision or agency thereof; with the federal government or any agency thereof; with private corporations, partnerships or individuals, or any combination thereof; and to exercise jointly all powers, privileges, and authority conferred upon the City of Tulsa by this amended Charter or by the laws of Oklahoma;

**L.** To acquire, plan, establish, develop, construct, enlarge, improve, maintain, manage, equip, operate, regulate, and protect waterports, airports, and air navigation facilities within or without the corporate limits;

**M.** To appropriate and expend money for any public purpose;

**N.** To restrict and regulate the use and subdivision of land, to perform planning and zoning, and to establish by ordinance the procedures therefor;

**O.** To abate nuisances of any kind, and summarily to abate any nuisance re-occurring on the same property under the same ownership, within twenty-four (24) months of a previous nuisance abatement on that property, and to assess the expense thereof as a special tax against the land upon which the nuisance is located; and

**P.** To perform all acts or do any other thing necessary or proper to exercise the powers granted in this amended Charter or by law.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017, and approved by the Governor on February 21, 2018. There were 8,291 votes in favor of the amendment and 2,123 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article I, Section 3, "General Grant of Power," paragraph "O" be amended to clarify that the City of Tulsa may summarily abate a nuisance re-occurring on the same property under the same ownership within twenty-four (24) months of a previous nuisance abatement on that property?*

*Prior to this amendment, this section read as follows:*

**Section 3. General grant of power.**

*Subject only to such limitations imposed by the Constitution and laws of the United States of America, by the Constitution and such laws of Oklahoma binding upon cities adopting*

*charters for their own government under the authority granted by Article XVIII, Section 3, of the Constitution of Oklahoma, and by the provisions of this amended Charter, the City of Tulsa shall have the power:*

*A. To adopt and enforce all ordinances necessary or proper to protect the public peace, health, order, morals, and safety, and to promote the general welfare of the City of Tulsa and its inhabitants;*

*B. To purchase, construct, maintain, and operate, within or without the city, public utilities, public works, and other facilities of every kind;*

*C. To engage in any public business, enterprise, or activity and to provide any service or facility for the common benefit or in the furtherance of any function performed by the city;*

*D. To provide, levy, assess, and collect taxes and fees of every kind for the support and operation of the city government and its activities; provided, that no sales tax, gross receipts tax, payroll tax, or income tax shall be levied or assessed until such tax shall have been approved by a majority of the qualified electors of the City of Tulsa voting on the question at an election for the purpose of approving or disapproving of a proposed tax;*

*E. To impose license fees for the purposes of revenue or regulation;*

*F. To levy and collect special assessments for benefits conferred;*

*G. To incur indebtedness and to provide for the payment thereof;*

*H. To make public improvements of every kind;*

*I. To adopt and enforce ordinances and exercise jurisdiction over lands or property owned, leased, controlled, or supervised by the City of Tulsa outside the corporate limits as exercised over lands or property within the corporate limits;*

*J. To exercise jurisdiction over property outside the corporate limits as authorized by the laws of Oklahoma;*

*K. To cooperate and enter into agreements with the State of Oklahoma; with another state or municipality; with any subdivision or agency thereof; with the federal government or any agency thereof; with private corporations, partnerships or individuals, or any combination thereof; and to exercise jointly all powers, privileges, and authority conferred upon the City of Tulsa by this amended Charter or by the laws of Oklahoma;*

*L. To acquire, plan, establish, develop, construct, enlarge, improve, maintain, manage, equip, operate, regulate, and protect waterports, airports, and air navigation facilities within or without the corporate limits;*

*M. To appropriate and expend money for any public purpose;*

*N. To restrict and regulate the use and subdivision of land, to perform planning and zoning, and to establish by ordinance the procedures therefor;*

*O. To abate nuisances of any kind and to assess the expense thereof as a special tax against the land upon which the nuisance is located; and*

*P. To perform all acts or do any other thing necessary or proper to exercise the powers granted in this amended Charter or by law.*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## ARTICLE II. THE COUNCIL

### Section 1. Creation and functions.

All legislative powers of the City of Tulsa, except for the rights of initiative and referendum reserved to the people of the City of Tulsa by Article XVIII, Section 4, of the Constitution of Oklahoma, shall be vested in and exercised by a Council composed of nine (9) Councilors elected by districts as provided in Article VI of this amended Charter. The Council shall exercise such other powers delegated to the Council by this amended Charter or delegated to the legislative body of a municipality by the Constitution or the laws of Oklahoma.

### Section 2. Salaries.

Each member of the Council shall receive a salary of twenty-four thousand dollars ($24,000.00) per year, commencing December 1, 2014, payable as employees of the city are paid. The City Council shall have no power to change its salary by its own vote. Councilors may be reimbursed for expenses incurred in the performance of their duties.

*NOTE: This section was amended to read as above by an amendment voted November 12, 2013. There were 39,642 votes in favor of the amendment and 31,744 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa be amended to set the salary for members of the City Council at twenty-four thousand dollars ($24,000.00) per year, commencing December 1, 2014; and repealing the Council's power to change its salary by its own vote?*

*Prior to this amendment, this section read as follows:*

**Section 2. Salaries.**

*During the first term of office under this amended Charter, each member of the Council shall receive a salary of twelve thousand dollars ($12,000.00) per year payable as employees of the city are paid; thereafter, the salary to be received by each member of the Council and the Chairman may be changed by a majority vote of the entire membership of the Council; provided, no change in salary shall become effective prior to the commencement of the term of office next succeeding the term in which the change is made and then only in the event such change was approved prior to the general election for the next succeeding term. Councilors may be reimbursed for expenses incurred in the performance of their duties.*

### Section 3.1. Meetings.

The Council shall meet regularly at such times and places as the Council shall fix by ordinance; provided, that the Council shall hold not less than two (2) regular meetings each month at the City Hall. The Mayor, the Chairman of the Council, or one-third (⅓) of the members of the Council may call special meetings of the Council upon written notice electronically transmitted to each member of the Council or served personally on or left at the usual place of residence of each member of the Council, at least twenty-four (24) hours prior to such meeting, and upon such further notice as is required by the laws of Oklahoma. The notice shall state the date, time and place of the meeting and the subjects to be considered. No subjects other than those stated in the notice shall be considered at the special meeting.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017, and approved by the Governor on February 21, 2018. There were 8,829 votes in favor of the amendment and 1,638 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article II, Section 3.1, "Meetings", be amended to allow the required notice of special meetings of the City Council to be delivered to councilors electronically?*

*Prior to this amendment, this section read as follows:*

**Section 3.1. Meetings.**

*The Council shall meet regularly at such times and places as the Council shall fix by ordinance; provided, that the Council shall hold not less than two (2) regular meetings each month at the City Hall. The Mayor, the Chairman of the Council, or one-third (1/3) of the members of the Council may call special meetings of the Council upon written notice served personally on or left at the usual place of residence of each member of the Council at least twenty-four (24) hours prior to such meeting, and upon such further notice as is required by the laws of Oklahoma. The notice shall state the time and place of the meeting and the subjects to be considered. No subjects other than those stated in the notice shall be considered at the special meeting.*

**Section 3.2. Civil emergency.**

After proclamation by the Mayor of a civil emergency by virtue of an armed conflict, civil disorder, or natural disaster, the Council may meet at any place within the corporate limits of the city in special session and without notice and consider such matters as necessary for the preservation of the public health, safety, and welfare during the period of the emergency.

**Section 3.3. Open meetings.**

All meetings of the Council shall be open to the public as provided by the laws of Oklahoma.

**Section 4. Rules.**

The Council shall determine and establish its own rules and order of business. The Council shall employ a Secretary of the Council and may employ such persons as are necessary to assist the Council in the performance of its duties. The Secretary of the Council shall keep a journal of the proceedings of the Council. The Council may punish by fine its members or other persons for disorderly conduct at a Council meeting or for violation of Council rules. Any fine imposed by the Council for a single offense shall not exceed the sum of one hundred dollars ($100.00) and shall be collected in the same manner provided for the collection of other debts owed the city. The vote of two-thirds (2/3) of the entire membership of the Council shall be required to impose a fine on a Councilor.

**Section 5. Chairman.**

The Council shall elect a Chairman and Vice Chairman. The terms of the Chairman and Vice Chairman shall be determined by the Council. The Chairman shall preside at the

meetings of the Council and perform such other duties as provided in this amended Charter, by ordinance, or by rule of the Council. In the absence of the Chairman, the Vice Chairman shall perform the duties of the Chairman.

**Section 6.1. Judge of qualifications.**

The Council shall be the judge of the qualifications of its members and for such purposes shall have the power to subpoena witnesses and require the production of records. The decisions of the Council in such cases shall be subject to review by appropriate actions in courts of competent jurisdiction which shall be commenced within ten (10) days after a final decision by the Council.

**Section 6.2. Quorum and voting.**

A majority of the entire membership of the Council shall constitute a quorum for a meeting of the Council; less than a majority may continue a meeting to a specific date and time. The affirmative vote of a majority of the entire membership of the Council shall be necessary to adopt an ordinance or resolution. All other actions of the Council, unless otherwise specified in this amended Charter, shall be effective upon an affirmative vote of a majority of the quorum.

**Section 6.3. Voting on zoning changes involving protests.**

In the event a protest against a proposed zoning change is filed at least three (3) days prior to the hearing of the Council by the owners of twenty percent (20%) or more of the area of the lots included in such proposed change, or by the owners of fifty percent (50%) or more of the area of the lots within a three hundred foot (300') radius of the exterior boundary of the territory included in a proposed change, such zoning change shall not become effective except by the affirmative vote of three fourths (¾) of the entire membership of the Council. The Council shall establish by ordinance the procedures to be followed in the filing, validation, and acceptance of a protest authorized by this Section.

*NOTE: This section was added by an amendment voted March 7, 2006, and approved by the Governor on June 6, 2006. There were 37,103 votes in favor of the amendment and 21,976 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide the requirement of an affirmative vote of three-fourths (3/4) of the entire membership of the City Council to effect a change of zoning in the event a sufficient protest is filed?*

**Section 7.1. Budgets.**

Prior to the expenditure of general funds, or funds from the sale or issuance of an obligation of the city, or from any other source, the Mayor shall submit to the Council a budget for the expenditure of such funds or amendments to previously adopted budgets. The Council shall adopt budgets or amendments and make appropriations by ordinance, provided, that no revenue derived from the 2017 Public Safety Sales Tax, as set forth in detail in Title 43-I Tulsa Revised Ordinances, shall ever be budgeted, spent or used for any purpose other than public safety as described therein.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017. There were 6,602 votes in favor of the amendment and 3,640 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article II, "The Council" Section 7.1, "Budgets" and Article III, "The Mayor," Section 1.4, "Executive and Administrative Powers and Duties", Sub-Section C, be amended to prohibit any revenues derived from the 2017 Public Safety Sales Tax from ever being used for any purpose other than public safety as described therein, and to revoke the ability to amend any portion of Title 43-I Tulsa Revised Ordinances which could permit such other use?*

*Prior to this amendment, this section read as follows:*

**Section 7.1. Budgets.**

*Prior to the expenditure of general funds, or funds from the sale or issuance of an obligation of the city, or from any other source, the Mayor shall submit to the Council a budget for the expenditure of such funds or amendments to previously adopted budgets. The Council shall adopt budgets or amendments and make appropriations by ordinance.*

**Section 7.2. Action on budgets.**

Upon receipt of budgets from the Mayor, the Council shall hold at least one (1) public hearing thereon, at which time any citizen of the city shall be given an opportunity to be heard on the budgets or any item or program recommended therein. After public hearing, the Council may adopt a budget or amendments. The Council may add, delete, increase, or decrease programs or amounts, except expenditures required by law.

**Section 7.3. Additional procedures.**

The Council may establish by ordinance additional procedures for the preparation, adoption, and amendment of budgets, for the transfer of appropriations, and for supplemental and emergency appropriations which are not in conflict with the provisions of this amended Charter or with the laws of Oklahoma.

**Section 7.4. Economic stabilization reserve created.**

There is hereby created an Economic Stabilization Reserve for the City of Tulsa, Oklahoma. The purpose of the Economic Stabilization Reserve shall be to assist in limiting the amount of reduction required in the general fund budget during times of declining revenues.

*See note following Section 7.10.*

**Section 7.5. Allocations to the economic stabilization reserve.**

If the City Treasurer projects that total General Fund revenues for the upcoming budget year will exceed the total General Fund revenues for the current budget year by more than four percent (4%), the budget submitted by the Mayor and approved by the City Council shall allocate the excess General Fund revenues as follows:

**A.** Fifty percent (50%) of the excess General Fund revenues to the Economic Stabilization Reserve;

**B.** Twenty-five percent (25%) of the excess General Fund revenues may be allocated in whole or in part to capital, other one-time expenditures, or the operating reserve; and,

**C.** Twenty-five percent (25%) of the excess General Fund revenues may be allocated for general use consistent with lawful municipal purposes.

The Mayor and the City Council may, at any time, authorize any other available monies to be added to the Economic Stabilization Reserve; however, total monies in the Economic Stabilization Reserve shall not exceed thirty percent (30%) of actual total General Fund revenues, as stated in the City's most recent independent annual audit. The budget submitted by the Mayor and approved by the City Council shall allocate excess revenues that would otherwise be allocated to the Economic Stabilization Reserve above the thirty percent (30%) cap instead to capital, other one-time expenditures, or the operating reserve in accordance with the provisions of Section 7.5(B).

*See note following Section 7.10.*

**Section 7.6. Use of monies allocated to capital or other one-time expenditures.**

The Mayor and the City Council may, at any time, appropriate monies from the capital and/or other one-time expenditures allocation for capital projects or for expenditures such as, but not limited to, acquisition of equipment or information systems.

*See note following Section 7.10.*

**Section 7.7. Use of monies allocated for general purposes.**

The Mayor and the City Council may, at any time, appropriate monies from the general purpose allocation for any lawful municipal purpose.

*See note following Section 7.10.*

**Section 7.8. Withdrawals from the economic stabilization reserve.**

If the City Treasurer projects that total General Fund revenues for the upcoming budget year will either (a) be less than the current budget year's total General Fund revenues, or (b) be less than the highest of any other previous year's total General Fund revenues, the budget submitted by the Mayor and approved by the Council may appropriate up to fifty percent (50%) of the current balance in the Economic Stabilization Reserve, but no more than the shortfall in total General Fund revenues as determined above, to be used for any lawful municipal purpose in the upcoming budget year. For purposes of calculating any shortfall:

**A.** If the trigger for withdrawals from the reserve was not met in the current budget year, the City Treasurer shall calculate the shortfall for the upcoming budget year by subtracting the total projected General Fund revenues for the upcoming budget year from the total projected General Fund revenues for the current budget year.

**B.** If the trigger for withdrawals from the Economic Stabilization Reserve was met in the current budget year, the shortfall shall be calculated by subtracting the total projected General Fund revenues for the upcoming budget year from the highest of any previous year's total General Fund revenues.

*See note following Section 7.10.*

**Section 7.9. Adjustments to allocations to the economic stabilization reserve, capital, other one-time expenditures, or the operating reserve.**

Adjustments to allocations to the Economic Stabilization Reserve, Capital, Other One-Time Expenditures, or Operating Reserve may be made as follows:

**A.** If the City made appropriations from the Economic Stabilization Reserve in the current budget year and in the immediately preceding budget year pursuant to Section 7.8, the City is not required to allocate any anticipated excess revenues as set forth in Section 7.5 for the upcoming budget year.

**B.** If the City Treasurer projects that the Consumer Price Index for the upcoming budget year will exceed the index for the current budget year by more than five percent (5%), the trigger for as set forth in Section 7.5 above shall instead be the percentage of growth in the index plus two percent (2%). If the City Treasurer projects that the Consumer Price Index for the upcoming budget year will be less than the index for the current budget year, the trigger for withdrawals from the Economic Stabilization Reserve as set forth in Section 7.9 above shall instead be the percentage of negative growth in the index. The City Treasurer shall use for these purposes the All Items Consumer Price Index for All Urban Consumers (CPI-U), or its successor, as reported by the U.S. Department of Labor's Bureau of Labor Statistics.

**C.** If the City Council or the voters take any action that changes the amount of total General Fund revenues in any material manner, including but not limited to reducing a tax or imposing a new fee, the revenue changes caused by that action shall not be counted as part of the trigger for allocations as set forth in Section 7.5 or for withdrawals as set forth in Section 7.8 during the year or years in which the action is first implemented.

**D.** In conjunction with the annual year-end close of the budget, the City Treasurer shall reconcile the revenue projections triggering any budgeted allocations as set forth in Section 7.5 or withdrawals as set forth in Section 7.8 with actual revenue results, as stated in the City's independent annual audit for the budget year(s) in question, and shall, to the extent practicable, rebalance the allocations accordingly.

*See note following Section 7.10.*

**Section 7.10. Transition and implementation.**

For purposes of initial implementation of the provisions found in Sections 7.4 through 7.9, the City shall not be required to make allocations of any anticipated excess revenues under Section 7.5 until the projected revenues initially exceed $250 million.

*Note: Sections 7.4 through 7.10 were added to read as set out above by a special election voted November 2, 2010 and approved by the Governor on March 18, 2011. There were 67,314 votes in favor of the addition and 33,780 against the addition. The title to this addition read:*

*Shall the existing Charter of the City of Tulsa, as heretofore amended, be further amended to provide for the creation and maintenance of an Economic Stabilization Reserve Fund for the City of Tulsa, Oklahoma?*

**Section 8. Procedures on ordinances and resolutions.**

Ordinances and resolutions shall be introduced in the Council in written or printed form. All ordinances or resolutions, except those adopting budgets, making appropriations,

or adopting a code of ordinances, shall be confined to one subject, which shall be clearly expressed in the title. Ordinances adopting budgets and making appropriations shall be confined to budgets and appropriations. No ordinance shall be adopted until the subject thereof has been on the agenda of the Council for two (2) meetings; provided, this requirement may be waived by a vote of not less than two-thirds (⅔) of the entire membership of the Council. A copy of each proposed ordinance shall be furnished to each Councilor or left at the usual place of residence of each Councilor prior to final consideration. The vote of each Councilor shall be taken upon all matters before the Council and entered in the journal of the proceedings of the Council. The enacting clause of all ordinances shall be, "Be it Ordained by the City of Tulsa."

**Section 9. Approval or veto of ordinances and resolutions.**

Every ordinance and resolution adopted by the Council shall be signed by the Chairman and delivered forthwith by the City Clerk to the office of the Mayor for approval. Within fifteen (15) working days following such delivery, the Mayor shall either approve or veto the ordinance or resolution. If vetoed, the ordinance or resolution shall be returned to the Council with a written statement of the objections of the Mayor. If neither approved nor vetoed by the Mayor in the time specified, the ordinance or resolution shall take effect as though approved by the Mayor. A veto by the Mayor shall suspend further action of the Council upon the ordinance or resolution for a period of seven (7) days, after which the Council may override the veto by a vote of two-thirds (⅔) of its entire membership, and the ordinance or resolution shall take effect as though approved by the Mayor. If the veto of the Mayor is sustained, the subject of the ordinance or resolution, except ordinances adopting budgets or making appropriations, shall not be further considered by the Council for a period of ninety (90) days; provided, that the Council by a vote of two-thirds (⅔) of its entire membership may waive the ninety (90) day period. The Mayor may veto or reduce any item of ordinances adopting budgets or making appropriations, except as otherwise provided in this amended Charter, which veto or reduction may be sustained or overridden by the Council as provided in this Section.

**Section 10. Effective date of ordinances and resolutions.**

Ordinances adopting budgets, making appropriations, pertaining to local improvements and assessments, and any ordinance or resolution adopted as an emergency measure shall take effect at the time stated therein. All other ordinances and resolutions shall take effect at the time stated therein, but not less than thirty (30) days from the date of first publication. Ordinances adopted by vote of the electors shall take effect at the time stated therein or, if no time be stated, thirty (30) days after the election. An ordinance or resolution adopted as an emergency measure to provide for the immediate preservation of the public peace, health, welfare, or safety shall describe the emergency in a separate section. The vote of at least two-thirds (⅔) of the entire membership of the Council shall be required to adopt any ordinance or resolution as an emergency measure.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017, and approved by the Governor on February 21, 2018. There were 7,409 votes in favor of the amendment and 2,981 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article II, Section 10, "Effective Date of Ordinances and Resolutions", be amended to clarify that the City of Tulsa may adopt resolutions as emergency measures, and state the effective time thereof, in the same manner as it does ordinances?*

*Prior to this amendment, this section read as follows:*

**Section 10. Effective date of ordinances and resolutions.**

*Ordinances adopting budgets, making appropriations, pertaining to local improvements and assessments, or adopted as an emergency measure shall take effect at the time stated therein. All other ordinances and resolutions shall take effect at the time stated therein, but not less than thirty (30) days from the date of first publication. Ordinances adopted by vote of the electors shall take effect at the time stated therein or, if no time be stated, thirty (30) days after the election. An ordinance or resolution adopted as an emergency measure to provide for the immediate preservation of the public peace, health, welfare, or safety shall describe the emergency in a separate section. The vote of at least two-thirds (⅔) of the entire membership of the Council shall be required to adopt any ordinance or resolution as an emergency measure.*

**Section 11. Recording and publication of ordinances and resolutions.**

Ordinances and resolutions adopted by the Council shall be attested and recorded by the City Clerk. Ordinances and resolutions shall be published in a newspaper of general circulation within the city within ten (10) days after approval. Codifications of ordinances and codes of law adopted by reference need not be published in full unless otherwise provided by the Council.

*NOTE: This section was amended to read as above by an amendment voted April 4, 2006, and approved by the Governor on June 6, 2006. There were 59,513 votes in favor of the amendment and 13,796 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide resolutions approved by the city shall be published?*

*Prior to this amendment, this section read as follows:*

*Section 11. Recording and publication of ordinances and resolutions.*

*Ordinances and resolutions adopted by the Council shall be attested and recorded by the City Clerk. Ordinances shall be published in a newspaper of general circulation within the city within ten (10) days after approval. Codifications of ordinances and codes of law adopted by reference need not be published in full unless otherwise provided by the Council.*

**Section 12. Codification of ordinances.**

The Council shall cause the ordinances to be revised and codified and maintained on a continuing basis. Titles, enacting clauses, emergency sections, and temporary and special ordinances may be omitted from the code. Ordinances and parts of ordinances which are to

be repealed by the adoption of a revised code may be omitted. A revised code may contain new matter. The Council shall cause the code, revisions, and supplements to be printed and the City Clerk shall keep copies of each for sale to the public.

**Section 13. Penalties for violation of ordinances.**

The Council may, subject to the limitations of the Constitution and the laws of Oklahoma, prescribe penalties for the violation of ordinances, including fines and imprisonment.

**Section 14. Charter review.**

The Council shall provide by ordinance for the periodic review of this amended Charter and shall submit to the qualified electors of the city amendments necessary to provide for representative, efficient, and economical administration of city government.

**Section 15. Initiative and referendum.**

All legislative powers vested by this amended Charter in the Council are subordinate and subject to the rights of initiative and referendum reserved to the people by the Constitution of Oklahoma.

**Section 16. Review of administrative actions.**

The Council shall provide by ordinance for the grant, issuance, modification, amendment, or revocation of orders, licenses, permits, certificates, and approvals by the divisions, departments, and agencies of the city. Except when otherwise provided by the laws of Oklahoma, the grant, issuance, modification, amendment, or revocation of orders, licenses, permits, certificates, and approvals shall be subject to review by the Council, upon petition by an aggrieved person, in accord with procedures which the Council shall establish by ordinance. The Council may not abrogate any right of review by a court of competent jurisdiction.

**Section 17. Investigations and hearings.**

The Council may investigate the conduct of the city government and may make appraisals, comments, and recommendations to the Mayor on the efficiency, economy, and effectiveness of administrative practices, methods, systems, and controls. The Council shall hear complaints made by citizens concerning the administration of the city government. The Council may subpoena witnesses, administer oaths, and compel testimony, the production of books, papers, or other evidence necessary for the discharge of the duties of the Council. The Mayor shall designate police officers to serve orders and subpoenas issued by the Council. The Council shall provide by ordinance the penalties for the contempt by any person who refuses to obey a Council order or subpoena.

**Section 18. Delegation of authority to make rules.**

The Council may delegate to the Mayor the authority to make rules, regulations, and orders necessary and proper to implement and administer ordinances.

**Section 19. Interference with appointments or removals.**

Except as authorized by Article X of this amended Charter, or by regulation promulgated by the Civil Service Commission, neither the Council nor Councilors shall

directly or indirectly attempt to dictate, demand, or influence the appointment or removal of any person to or from the classified service; provided, the Council or Councilors may furnish the Mayor information upon the qualification and fitness of any person for office, position, or employment with the city. Except for the purpose of investigation under Article II, Section 17, of this amended Charter, the Council and Councilors shall communicate on matters of city business with the executive and administrative service solely through the Mayor, the heads of each division and department of the City, as well as such other persons as the Mayor shall designate. The Council and Councilors shall not give orders to any subordinate of the Mayor, either publicly or privately; provided, the prohibitions of this sentence shall not apply to the City Clerk and the City Attorney. Violation of this Section by any Councilor shall constitute willful maladministration and be sufficient grounds for removal from office as provided by the laws of Oklahoma.

*NOTE: This section was amended to read as above by an amendment voted March 10, 1998, and approved by the Governor on June 16, 1998. There were 57,059 votes in favor of the amendment and 13,932 votes against the amendment. The title to this amendment read:*

*Shall the existing Charter of the City of Tulsa, as heretofore amended, be further amended to allow the Council and Councilors to communicate on matters of city business with the heads of each division and department of the city?*

*Prior to this amendment, this section read as follows:*

*Section 19. Interference with appointments or removals.*

*Except as authorized by Article X of this amended Charter, or by regulation promulgated by the Civil Service Commission, neither the Council nor Councilors shall directly or indirectly attempt to dictate, demand, or influence the appointment or removal of any person to or from the classified service; provided, the Council or Councilors may furnish the Mayor information upon the qualification and fitness of any person for office, position, or employment with the city. Except for the purpose of investigation under Article II, Section 17, of this amended Charter, the Council and Councilors shall communicate with the executive and administrative service solely through the Mayor and such other persons as the Mayor shall designate. The Council and Councilors shall not give orders to any subordinate of the Mayor, either publicly or privately; provided, the prohibitions of this sentence shall not apply to the City Clerk and the City Attorney. Violation of this Section by any Councilor shall constitute willful maladministration and be sufficient grounds for removal from office as provided by the laws of Oklahoma.*

**Section 20. Settlement of claims of $1 million or more.**

Where a claim is asserted against the City of Tulsa seeking to recover $1 million or more, prior to any settlement of such claim occurring, whether the total dollar amount claimed is comprised of a single claim or multiple claims arising out of a single act, accident, or the same transaction or occurrence, the settlement shall be approved by both the Mayor and by a majority vote of the entire membership of the Council.

*NOTE: This section was added by an amendment voted November 10, 2009, and approved by the Governor on January 5, 2010. There were 41,432 votes in favor of the amendment and 22,727 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to require that before any claim or lawsuit where the demand is equal to or greater than $1 million ($1,000,000) may be settled both the Mayor and City Council must agree to the settlement?*

## ARTICLE III. THE MAYOR

### Section 1.1. Mayor.

The executive and administrative powers of the City of Tulsa and any executive and administrative powers which may be conferred on the city by the Constitution or the laws of Oklahoma shall be vested in and exercised by the Mayor.

### Section 1.2. Salary.

The Mayor shall receive a salary payable as employees of the city are paid. The annual salary received by the mayor shall be as provided by ordinance adopted by a majority vote of the entire membership of the council; provided, no change in salary shall become effective prior to the commencement of the term of office next succeeding the term in which the change is made and then only in the event such change was approved prior to the general election for the next succeeding term.

*(Res. No. 20171, § 2, 3-23-2022, election of 8-23-2022)*

### Section 1.3. Absence, temporary disability, or vacancy.

The Mayor shall file with the City Clerk, from time to time, a designation of one or more officers or employees of the city, other than members of the Council, who shall in the order specified act as Temporary Mayor and perform the duties and exercise the powers of the Mayor during the absence or temporary disability of the Mayor or in the event of a vacancy in the office of the Mayor. The designation by the Mayor shall be subject to confirmation by a majority vote of the entire membership of the Council. Should the Mayor fail to file such designation, the Council shall designate one or more officers or employees of the city, other than members of the Council, who shall in the order specified act as Temporary Mayor.

### Section 1.4. Executive and administrative powers and duties.

The Mayor shall be the chief executive and administrative officer of the city and shall:

**A.** Identify the needs and establish the objectives and priorities of the city and make recommendations to the Council for meeting the needs and achieving the objectives;

**B.** Prepare and file with the Council annually, on or before the 1st day of May, except in the year 1990, a plan of organization for all boards, commissions, authorities, agencies, divisions, and departments created by this amended Charter, ordinance, agreement, executive order, or pursuant to law; in the year 1990 the plan of organization shall be filed with the Council on or before the 1st day of September;

**C.** Prepare and submit to the Council annually, on or before the first day of May, an operating budget, a capital program, and a capital budget; submit recommendations for amending adopted budgets, provided, that no revenue derived from the 2017 Public Safety Sales Tax, as set forth in detail in Title 43-I Tulsa Revised Ordinances, shall ever be budgeted, spent or used for any purpose other than public safety as described therein.

**D.** Expend as provided by law the funds of the city in accord with the adopted operating and capital budgets of the city;

**E.** Preserve the peace and enforce the provisions of this amended Charter and all ordinances, rules, and regulations;

**F.** Appoint, supervise, and remove all officers and employees of the city, except the employees of the City Auditor, who shall be appointed, supervised, and may be removed by the City Auditor, and the employees of the Council, who shall be appointed, supervised, and may be removed by the Council, all subject to the provisions of Articles X and XI of this amended Charter;

**G.** Appoint, subject to confirmation by a majority vote of the entire membership of the Council, the members of all boards, commissions, authorities, and agencies created by this amended Charter, ordinance, agreement, or pursuant to law, and exercise general control and supervision thereof, provided, all appointees shall, as a condition of their appointment and continued service, be qualified electors and maintain their principal residence within the city limits of the City of Tulsa;

**H.** Establish standards of administration and coordinate all administrative services;

**I.** Adopt and implement classification plans, pay plans and agreements, pension plans, and rules and regulations for vacation, sick and other leaves for the different classes, ranks, and grades of officers and employees in the classified and unclassified service; pay plans and agreements, and pension plans shall be subject to the appropriation of funds by the Council;

**J.** Administer and enforce the terms and conditions of all contracts;

**K.** Collect, deposit, invest, and maintain accounts of all revenues, fines, licenses, fees, and funds of the city;

**L.** Establish and supervise a system of general and cost accounting and maintain inventories of the property of the city.

**M.** Purchase equipment, materials, supplies, and services and construct, operate, maintain, and repair public improvements, buildings, and facilities;

**N.** Establish, construct, and maintain streets, sidewalks, alleys, public ways, waterworks, sanitary sewers, sewage disposal systems, storm sewers, storm water drainage systems, waterports, airports, solid waste management systems, transportation systems, and other public improvements and facilities;

**O.** Provide, administer, maintain, and operate all police, fire protection, civil defense, and emergency services and functions;

**P.** Employ, subject to the approval of the Council, independent auditors which are required by law; and

**Q.** Exercise such other powers and perform such other duties as prescribed by this amended Charter, by ordinance, or by law.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017. There were 6,602 votes in favor of the amendment and 3,640 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article II, "The Council" Section 7.1, "Budgets" and Article III, "The Mayor," Section 1.4, "Executive and Administrative Powers and Duties", Sub-Section C, be amended to prohibit any revenues derived from the 2017 Public Safety*

*Sales Tax from ever being used for any purpose other than public safety as described therein, and to revoke the ability to amend any portion of Title 43-I Tulsa Revised Ordinances which could permit such other use?*

*Prior to this amendment, subsection C. read as follows:*

**C.** *Prepare and submit to the Council annually, on or before the first day of May, an operating budget, a capital program, and a capital budget; submit recommendations for amending adopted budgets;*

*NOTE: Subsection G of this section was amended to read as above by an amendment voted April 4, 2006, and approved by the Governor on June 6, 2006. There were 61,864 votes in favor of the amendment and 11,757 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide members of city boards, commissions, authorities, and agencies shall be residents and qualified electors of the City of Tulsa?*

*Prior to this amendment, subsection G read as follows:*

**G.** *Appoint, subject to confirmation by a majority vote of the entire membership of the Council, the members of all boards, commissions, authorities, and agencies created by this amended Charter, ordinance, agreement, or pursuant to law, and exercise general control and supervision thereof;*

**Section 1.5. Powers with respect to council.**

The Mayor may:

**A.** Send messages and recommendations to the Council;

**B.** Attend Council meetings and address the Council;

**C.** Call special sessions of the Council;

**D.** Request the purpose of any decision or action of the Council; and

**E.** Veto ordinances and resolutions as provided in Article II of this amended Charter.

**Section 1.6. Organization of the city.**

The Mayor may by executive order:

**A.** Create or abolish divisions for the management of the departments of the city;

**B.** Create or abolish departments;

**C.** Transfer and assign functions and duties or any part thereof from one division or department to another; and

**D.** Assign new functions or duties to any division or department.

Executive orders creating or abolishing divisions shall be presented to the Council at the next regular meeting for approval or disapproval. Such executive orders shall become effective upon approval of the Council by a majority vote of its entire membership or upon the failure of the Council to act thereon for a period of thirty (30) days following the date of first presentation to the Council.

**Section 2. City clerk.**

There is hereby created the office of the City Clerk. The City Clerk shall:

**A.** Attest and affix the seal of the city to all documents as required;

**B.** Maintain a record of all ordinances and resolutions adopted by the Council;

**C.** Have custody of the seal of the city and of documents, records, and archives as provided by law, ordinance, or order of the Mayor; and

**D.** Perform such other duties as assigned by the Mayor or as prescribed by this amended Charter, by ordinance, or by the laws of Oklahoma.

**Section 3. City treasurer.**

There is hereby created the office of City Treasurer. The City Treasurer shall:

**A.** Deposit and maintain the funds of the city in depositories approved by the Council;

**B.** Invest the funds of the city; and

**C.** Perform such other duties as assigned by the Mayor or as prescribed by this amended Charter, by ordinance, or by the laws of Oklahoma.

**Section 4. City attorney.**

There is hereby created the office of City Attorney. The City Attorney shall be licensed to practice law in Oklahoma. The City Attorney shall be the chief legal advisor and attorney for the city and all offices, divisions, departments, boards, authorities, commissions, and agencies of the city. The City Attorney shall:

**A.** Provide, supervise, and manage all legal services;

**B.** Attend all meetings of the Council and provide legal services and advice;

**C.** Assist and advise the Mayor, the City Auditor, the Council, and Councilors;

**D.** Approve as to form and legality all ordinances and resolutions, or inform the Mayor and Council, in writing if requested, the reasons for not approving them, provided that the absence of any such approval shall not prevent the Mayor and Council from adopting and approving any such ordinance or resolution;

**E.** Initiate with the approval of the Mayor actions, suits, and applications in the name of the city;

**F.** Prosecute or defend all actions, suits, cases, or proceedings to which the city is a party;

**G.** Prosecute violators of the ordinances and of the laws of Oklahoma as is proper or required by law;

**H.** Approve as to form all contracts, bonds, and other instruments to which the city is a party or which are required by the city;

**I.** Perform such other legal duties and services as the Mayor may direct or as the Council may require by ordinance or resolution; and

**J.** Perform any duties imposed by law upon the chief legal officer of a city.

*(Res. No. 20047, Prop. No. 5, 5-20-20/Elec. of 8-25-20)*

## ARTICLE IV. THE CITY AUDITOR

### Section 1. Office of city auditor created.

There is hereby created the office of City Auditor which shall consist of the City Auditor, a Deputy City Auditor, and such assistants as the Council may provide. The City Auditor shall be elected as provided in Article VI of this amended Charter and shall be a Certified Public Accountant or a Certified Internal Auditor at the time of filing for the office of City Auditor and this certification shall be a necessary qualification for the office of City Auditor.

*NOTE: This section was amended to read as above by an amendment voted November 10, 2009, and approved by the Governor on January 5, 2010. There were 54,224 votes in favor of the amendment and 10,442 votes against the amendment. The title to this amendment read:*

*Shall the existing charter of the City of Tulsa, as heretofore amended, be further amended to require that any person filing for an holding the office of City Auditor must be a Certified Public Accountant or Certified Internal Auditor?*

*Prior to this amendment, this section read as follows:*

*Section 1. Office of City Auditor created. There is hereby created the office of City Auditor which shall consist of the City Auditor, a Deputy City Auditor, and such assistants as the Council may provide. The City Auditor shall be elected as provided in Article VI of this amended Charter.*

### Section 2. Salary.

The salary of the City Auditor shall be seventy percent (70%) of the salary of the Mayor payable as employees of the city are paid.

### Section 3. Duties.

The City Auditor shall:

**A.** Examine periodically the accounts of all offices, divisions, departments, boards, authorities, commissions, and agencies of the city charged with the receipt, disbursement, management, or custody of funds of the city and report in writing the results of such examinations to the Mayor and Council;

**B.** Make such other examinations and audits of the financial records, accounts, and inventories of properties of the city at such times as the City Auditor may deem necessary or as the Council shall direct to determine whether the financial records, accounts, and inventories of properties of the city are being kept and maintained in accord with applicable laws and in accord with generally accepted governmental accounting principles;

**C.** Make appraisals, comments, and recommendations to the Mayor and the Council on the systems and procedures for keeping and maintaining the financial records, accounts, and inventories;

**D.** Report to the Mayor and the Council the action taken by any office, employee, division, department, board, authority, commission, or agency on the recommendations of the City Auditor with respect to the systems and procedures for keeping and maintaining the financial records, accounts, and inventories;

**E.** Make available to the appropriate prosecuting attorney the results of any regular or special examination or audit which reveals irregularities or dereliction in the receipt, disbursement, management, or custody of funds or properties of the city which may be grounds for prosecution;

**F.** Conduct such internal audits of city programs, activities, and functions as the Council may require by ordinance or resolution and report in writing the results of such audits to the Mayor and Council; and

**G.** Perform such other duties and services as the Council may require by ordinance or resolution.

*NOTE: This section was amended by adding a new paragraph F to read as above and re-lettering the existing paragraph F as paragraph G by an amendment voted March 1, 1994, and approved by the Governor on May 2, 1994. There were 59,401 votes in favor of the amendment and 8,238 votes against the amendment. The title to this amendment read:*

*Shall the existing Charter of the City of Tulsa, as heretofore amended, be further amended to provide for the City Auditor to conduct such internal audits of city programs, activities, and functions as the Council may require by ordinance or resolution and report in writing the results of such audits to the Mayor and Council?*

**Section 4. Budget.**

The budget as adopted by the Council shall provide sufficient funds for the performance of the duties of the City Auditor. Appropriations for the office of the City Auditor shall not be subject to item veto or reduction by the Mayor.

**Section 5. Production of records and accounts.**

All officers, employees, divisions, departments, boards, authorities, commissions, and agencies of the city shall produce and make available to the City Auditor any records, accounts, personnel, facilities, and inventories which the City Auditor may request or require.

*NOTE: This section was amended to read as above by an amendment voted February 13, 1996, and approved by the Governor on June 21, 1996. There were 49,766 votes in favor of the amendment and 7,834 votes against the amendment. The title to this amendment read:*

*Shall the existing charter of the City of Tulsa, as heretofore amended, be further amended to require all officers, employees, divisions, departments, boards, authorities, commissions, and agencies of the city to produce and make available to the City Auditor any records, accounts, personnel, facilities, and inventories which the City Auditor may request or require?*

*Prior to this amendment, this section read as follows:*

**Section 5. Production of records and accounts.**

*All officers, employees, divisions, departments, boards, authorities, commissions, and agencies of the city shall produce and make available to the City Auditor any records, accounts, and inventories which the City Auditor may request or require.*

## ARTICLE V. BOARDS AND AUTHORITIES

### Section 1.1. Tulsa airport authority created.

There is hereby created an agency of the City of Tulsa to be known as the Tulsa Airport Authority which shall consist of the Mayor and four (4) members appointed by the Mayor, subject to confirmation by a majority vote of the entire membership of the Council.

### Section 1.2. Appointment.

Members of the Tulsa Airport Authority serving as of the effective date of this amended Charter shall continue to serve until the expiration of their respective terms. Upon the expiration of the terms of such members, appointments shall be made for terms of four (4) years. Appointed members of the Tulsa Airport Authority shall be qualified electors of the city, shall serve without compensation, and shall not hold or be candidates for an elective public office.

### Section 1.3. Representative of the mayor.

The Mayor may authorize an officer or employee of the city to attend meetings of the Tulsa Airport Authority as the representative of the Mayor and such officer or employee shall be empowered to act and vote as a member of the Tulsa Airport Authority.

### Section 1.4. Vacancies.

In the event of the death, resignation, or removal from office of a member of the Tulsa Airport Authority other than the Mayor, the Mayor shall appoint a qualified elector of the city to fill the unexpired term of such member, subject to the confirmation by a majority vote of the entire membership of the Council.

### Section 1.5. Removal from office.

Members of the Tulsa Airport Authority shall be removed only for cause as provided in the Constitution and laws of Oklahoma for the removal of municipal elective officers.

### Section 1.6. Organization.

The Tulsa Airport Authority shall adopt rules for conducting its affairs and shall elect a Chairman and Vice Chairman from among its members.

### Section 1.7. Meetings.

The Tulsa Airport Authority shall hold at least one (1) regularly scheduled meeting each month. All meetings shall be open to the public as provided by the laws of Oklahoma.

### Section 1.8. Airport funds.

The Tulsa Airport Authority shall operate any and all airports as a separate utility and may accept funds from any source for or in aid of the acquisition, operation, maintenance, development, and improvement of the airports and air navigation facilities of the city. All such funds and all income and revenue derived from the operation of airports and airport facilities and from property acquired for airport purposes shall be deposited with the City Treasurer to the credit of the Airport Fund and shall be paid out only upon the order of the Tulsa Airport Authority; provided, that nothing herein shall be deemed to prohibit

compliance with requirements made prior or subsequent to the effective date of this amended Charter for airport bond retirement purposes. No funds shall be paid out of the Airport Fund and no funds shall be paid from accounts now or hereafter created from the proceeds of the sale of bonds for airport purposes except on warrants signed by the Chairman or Vice Chairman of the Tulsa Airport Authority and countersigned by the Mayor.

**Section 1.9. Powers.**

The Tulsa Airport Authority may adopt, amend, or repeal rules and regulations for the maintenance and operation of any and all airports belonging to the city and may enter into contracts for the acquisition, establishment, operation, improvement, maintenance, leasing, or other disposition of the airports of the city; provided, all such rules and regulations shall be subject to the approval of the Council and all of such contracts shall be subject to the approval of the Mayor. The Tulsa Airport Authority may employ, engage, or contract for the services of an attorney, auditors, and other special qualification personnel, subject to the approval of the Mayor.

**Section 1.10. Reports.**

The Tulsa Airport Authority shall submit to the Mayor and Council quarterly reports for the calendar quarters of the transactions of the Tulsa Airport Authority.

**Section 2.1. Tulsa utility board created.**

There is hereby created an agency of the City of Tulsa to be known as the Tulsa Utility Board which shall consist of the Mayor and six (6) members appointed by the Mayor, subject to confirmation by a majority vote of the entire membership of the Council.

**Section 2.2. Qualifications.**

Each appointed member of the Tulsa Utility Board shall be a qualified elector of the city. Not more than three (3) of the appointed members of the Tulsa Utility Board shall be members of or affiliated with the same political party. Appointed members of the Tulsa Utility Board shall not hold or be candidates for an elective public office.

**Section 2.3. Representative of the mayor.**

The Mayor may authorize an officer or employee of the city to attend meetings of the Tulsa Utility Board as the representative of the Mayor and such officer or employee shall be empowered to act and vote as a member of the Tulsa Utility Board.

**Section 2.4. Removal from office.**

Members of the Tulsa Utility Board shall be removed only for cause as provided in the Constitution and laws of Oklahoma for the removal of municipal elective officers.

**Section 2.5. Organization.**

The Tulsa Utility Board shall elect a Chairman and Vice Chairman from among its members and shall adopt rules for conducting its meetings.

**Section 2.6. Meetings.**

The Tulsa Utility Board shall hold such regular and special meetings as are necessary; provided, the Tulsa Utility Board shall hold at least one (1) regular meeting each month.

All meetings shall be open to the public as provided by the laws of Oklahoma. No act of the Tulsa Utility Board shall be valid unless such act shall have received the affirmative vote of a majority of all the members of the Tulsa Utility Board.

**Section 2.7. Term of office.**

Members of the Tulsa Utility Board serving as of the effective date of this amended Charter shall continue to serve until the expiration of their respective terms. Upon the expiration of the terms of such members of the Tulsa Utility Board, appointments shall be made for terms of four (4) years.

**Section 2.8. Vacancies.**

In the event of the death, resignation, or removal from office of an appointed member of the Tulsa Utility Board, the Mayor shall appoint a qualified elector of the city to fill the unexpired term of such member, subject to confirmation by a majority vote of the entire membership of the Council.

**Section 2.9. Powers and duties.**

The Tulsa Utility Board may exercise full, complete and exclusive rights, powers, and duties in performing each and all and every of the things to be done and performed in the construction, extension, improvement, operation, management, and maintenance of the waterworks system and system of sanitary sewers and sewage disposal plants of the city. It shall be the mandatory duty of the Tulsa Utility Board to fix and establish rates and prices for services rendered and commodities sold sufficient to meet the mandatory provisions elsewhere provided in this Article and it shall be the mandatory duty of the Council to approve all such rates and prices herein authorized to be fixed and established by the Tulsa Utility Board. The Tulsa Utility Board may enter into such contracts necessary for the performance of its duties and may appoint, employ, and contract for the services of superintendents, attorneys, managers, hydraulic, civil and management engineers, and such employees necessary for the performance of its duties, all subject to the approval of the Mayor.

**Section 2.10. Bond proceeds and appropriations.**

The Tulsa Utility Board shall administer the proceeds of all waterworks, sanitary sewer, and sewage disposal system bonds voted, issued, and sold and over all funds appropriated by the Council for the construction, reconstruction, extension, improvement, repair, maintenance, and operation of the waterworks system and system of sanitary sewers and sewage disposal plants, all subject to the approval of the Mayor.

**Section 2.11. Compensation.**

The appointed members of the Tulsa Utility Board shall receive no salary or other compensation for their services; provided, members of the Tulsa Utility Board may be reimbursed for actual and necessary travel and other expenses incurred in the performance of their duties.

**Section 2.12. Budgets.**

The Tulsa Utility Board, on or before a date specified by the Mayor, shall prepare and recommend to the Mayor an estimate of the needs of the waterworks, sanitary sewers and sewage disposal systems for the next fiscal year.

**Section 2.13. Sinking fund requirements from the operation of the waterworks system and system of sanitary sewers and sewage disposal plants.**

It shall be the mandatory duty of the Council each year to apportion and have credited to the Sinking Fund of the city from the income and earnings of the waterworks, sanitary sewers and sewage disposal systems a sum equal to not less than fifty percent (50%) of the annual amounts required by law and necessary to pay the principal and interest on any waterworks, sanitary sewers or sewage disposal systems bonds voted, issued, and sold on or after January 1, 1948. Such apportionments shall be made monthly in a sum equal to not less than one-twelfth (1/12) of the amount required to be apportioned hereunder during each year and such apportionments shall continue to be made until all of the interest and principal of any such bonds shall have been fully paid or provided for. The provisions of this section shall not be construed as a pledge of the revenues referred to or as authorizing the pledge of the revenues for the payment of the interest and principal of any bonds, but shall be construed as an adopted policy of the city government providing for the apportionment of revenues derived from the operation of the waterworks, sanitary sewers and sewage disposal systems of the city and shall be subject to amendment or repeal as any other provision of this amended Charter.

**Section 2.14. Penalty.**

Failure on the part of any official of the city to perform the mandatory duties required in this Article shall constitute willful maladministration and be sufficient grounds for removal from office as provided by the laws of Oklahoma.

**Section 3.1. Park and recreation board created.**

There is hereby created an agency of the city to be known as the Tulsa Park and Recreation Board which shall consist of the Mayor and four (4) members appointed by the Mayor, subject to confirmation by a majority vote of the entire membership of the Council.

**Section 3.2. Appointment.**

Members of the Tulsa Park and Recreation Board serving as of the effective date of this amended Charter shall continue to serve until the expiration of their respective terms. Upon the expiration of the terms of such members of the Tulsa Park and Recreation Board, appointments shall be made for terms of four (4) years. Appointed members of the Tulsa Park and Recreation Board shall be qualified electors of the city, shall serve without compensation, and shall not hold or be candidates for an elective public office.

**Section 3.3. Representative of the mayor.**

The Mayor may authorize an officer or employee of the city to attend meetings of the Tulsa Park and Recreation Board as the representative of the Mayor and such officer or employee shall be empowered to act and vote as a member of the Tulsa Park and Recreation Board.

**Section 3.4. Vacancies.**

In the event of the death, resignation, or removal from office of a member of the Tulsa Park and Recreation Board, other than the Mayor, the Mayor shall appoint a qualified elector of the city to fill the unexpired term of such member, subject to confirmation by a majority vote of the entire membership of the Council.

**Section 3.5. Removal from office.**

Members of the Tulsa Park and Recreation Board shall be removed only for cause as provided in the Constitution and laws of Oklahoma for the removal of municipal elective officers.

**Section 3.6. Organization.**

The Tulsa Park and Recreation Board shall adopt rules for conducting its meetings and shall elect a Chairman and Vice Chairman from among its members. The Tulsa Park and Recreation Board shall hold at least one (1) regularly scheduled meeting each month. All meetings shall be open to the public as provided by the laws of Oklahoma.

**Section 3.7. Duties.**

The Tulsa Park and Recreation Board shall:

**A.** Advise the Mayor and the Council on the establishment, control, management, operation, improvement, and maintenance of the public parks, playgrounds, museums, boulevards, forests, and other public recreational facilities of the city, herein referred to as the "park and recreational facilities;"

**B.** Adopt rules and regulations for the operation of the park and recreational facilities, subject to the approval of the Council;

**C.** Fix fees and charges for the use of the park and recreational facilities, subject to the approval of the Council;

**D.** Recommend to the Mayor, on or before a date specified by the Mayor, an operating budget, a capital budget, and a capital program for the park and recreational facilities;

**E.** Review and recommend to the Mayor the approval or modification of plans for the construction or improvement of park and recreational facilities;

**F.** Recommend to the Mayor the acceptance of donations for the benefit or improvement of the park and recreational facilities and any restrictions thereon; and

**G.** Perform such other duties as established by ordinance.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## ARTICLE VI. ELECTION AND QUALIFICATION OF OFFICERS

### Section 1.1. Mayor and councilors—Election.

On the first Tuesday in April in the year 1990, there shall be elected by the qualified electors of the city at a general election a Mayor, a City Auditor, and nine (9) Councilors. The Councilors to be elected from each of the nine (9) election districts shall be designated as Councilor, Election Districts One (1) through Nine (9), respectively.

### Section 1.2. Terms.

**A. Mayor.** The term of office of the Mayor elected in the year 2009 shall commence on the first Monday in December in the year 2009, and shall expire on the first Monday in December in the year 2013; the term of office of the Mayor elected in the year 2013 shall commence on the first Monday in December in the year 2013 and shall expire on the first Monday in December in the year 2016. Thereafter, the Mayor shall serve for a term of four (4) years.

**B. City Auditor.** The City Auditor shall serve a term of two (2) years until the election year 2026. Commencing with the election year 2026 and ever after, the City Auditor shall serve for a term of four (4) years, beginning on the first Monday in December, in the year 2026.

**C. Councilors.** The term of office of the Councilors elected in the year 2009 shall expire on the first Monday in December in the year 2011. The term of office of the Councilors elected in the year 2011 shall commence on the first Monday in December in the year 2011 and shall expire as follows: the term of office for Councilors in Election Districts 1, 4, and 7 shall serve for a term of one (1) year and shall expire on the first Monday in December 2012; thereafter the Councilors in Election Districts 1, 4, and 7 shall serve for a term of two (2) years. The term of office for Councilors in Election Districts 2, 5, and 8 shall be for a term of two (2) years and shall expire on the first Monday in December in the year 2013; thereafter the Councilors in Election Districts 2, 5, and 8 shall serve for a term of one (1) year, expiring on the first Monday in December in the year 2014, and thereafter the Councilors in Election Districts 2, 5 and 8 shall serve for a term of two (2) years. The term of office for Councilors in Election Districts 3, 6, and 9 shall be for a term of three (3) years and shall expire on the first Monday in December in the year 2014; thereafter the Councilors in Election Districts 3, 6, and 9 shall be for a term of two (2) years. All terms of office shall commence and expire at 2:00 o'clock p.m.

**D. Election Year Cycles.** Except as expressly provided herein, all elected officials of the City of Tulsa shall be elected for terms of two (2) years in even-numbered years.

*(Res. No. 20171, § 6, 3-23-2022, election of 8-23-2022)*

*NOTE: This Section was amended to read as above by an amendment voted November 8, 2011, and approved by the Governor on February 21, 2012. There were 18,772 votes in favor of the amendment and 13,491 votes against the amendment. The title to the amendment read:*

*Shall the Tulsa Charter be amended to provide for general elections in November and primary elections in August in even-numbered years; to provide that the term of the Office of the Mayor elected in 2013 shall be for a term of three years and thereafter the term shall be*

*four years; that the term of Office of the Auditor elected in 2013 shall be for a term of one year and thereafter the term shall be two years; and that the term of office for Councilors in Districts 1, 4 and 7 elected in 2012 shall be for a term of two years; for Councilors in Districts 2, 5 and 8 elected in 2013 shall be for a term of one year and thereafter shall be a term of two years and for Councilors in Districts 3, 6 and 9 elected in 2014 shall be a term of two years?*

*Prior to this amendment, this Section read as follows:*

**Section 1.2. Terms.**

*The term of office of the Mayor elected in the year 2009 shall commence on the first Monday in December in the year 2009, and shall expire on the first Monday in December in the year 2009, and shall expire on the first Monday in December in the year 2013; thereafter the Mayor shall serve for a term of four (4) years. The terms of office of the Councilors and the City Auditor elected in the year 2009 shall commence on the first Monday in December in the year 2009, and shall expire on the first Monday in December in the year 2011; thereafter, the City Auditor shall serve for a term of two (2) years. The term of office of the Councilors elected in the year 2009 shall expire on the first Monday in December in the year 2011. The term of office of the Councilors elected in the year 2011 shall commence on the first Monday in December in the year 2011 and shall expire as follows: the term of office for Councilors in Election Districts 1, 4, and 7 shall serve for a term of one (1) year and shall expire on the first Monday in December 2012; thereafter the Councilors in Election Districts 1, 4, and 7 shall serve for a term of three (3) years. The term of office for Councilors in Election Districts 2, 5, and 8 shall be for a term of two (2) years and shall expire on the first Monday in December in the year 2013; thereafter the Councilors in Election District 2, 5, and 8 shall serve for a term of three (3) years. The term of office for Councilors in Election Districts 3, 6, and 9 and shall be for a term of three (3) years and shall expire on the first Monday in December in the year 2014; thereafter the Councilors in Election Districts 3, 6, and 9 shall be for a term of three (3) years. All terms of office shall commence and expire at 2:00 o'clock p.m.*

*NOTE: This Section was amended to read as above by an amendment voted November 10, 2009, and approved by the Governor on January 5, 2010. There were 35,719 votes in favor of the amendment and 28,607 votes against the amendment. The title to the amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide that City Councilors will serve for three-year terms, which shall be staggered so that no more than three council districts will have an election in any one year?*

*Prior to this amendment, this Section read as follows:*

**Section 1.2. Terms.**

*The term of office of the Mayor elected in 2006 shall expire on the first Monday in December 2009. The term of office of the Mayor elected in the year 2009 shall commence on the first Monday in December in the year 2009, and shall expire on the first Monday in December in the year 2013; thereafter, the Mayor shall serve for a term of four (4) years. The terms of office of the Councilors and the City Auditor elected in the year 2008 shall commence on the Monday in April immediately following the general election in the year*

*2008, and shall expire on the first Monday in December in the year 2009; thereafter, the City Auditor and the Councilors shall serve for terms of two (2) years. All terms of office shall commence and expire at 2:00 o'clock p.m.*

*NOTE: This Section was amended to read as above by an amendment voted April 1, 2008, and approved by the Governor on May 1, 2008. There were 10,142 votes in favor of the amendment and 2,843 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide for fall elections in years where an elected officer's term expires by establishing that the declaration of candidacy will be filed starting the second Monday through the next succeeding Wednesday in July 2009 and during the same period every year thereafter that an elected official's term expires; for primary elections to be held in September 2009 on the date established by state law, and every year thereafter that an elected official's term expires; and for general elections to be held in November 2009 on the date established by state law, and every year thereafter that an elected official's term expires?*

*Prior to this amendment, this Section read as follows:*

**Section 1.2. Terms.**

*The term of office of the Mayor elected in the year 2010 shall commence on the Monday in April immediately following the general election in the year 2010 and shall expire on the Monday in April immediately following the general election in the year 2014; thereafter, the Mayor shall serve for a term of four (4) years. The terms of office of the Councilors and the City Auditor elected in the year 2008 shall commence on the Monday in April immediately following the general election in the year 2008 and shall expire on the Monday in April immediately following the general election in the year 2010; thereafter, the City Auditor and the Councilors shall serve for terms of two (2) years. All terms of office shall commence and expire at 2:00 o'clock p.m.*

*NOTE: This Section was amended to read as above by an amendment voted April 4, 2006, and approved by the Governor on June 6, 2006. There were 61,443 votes in favor of the amendment and 10,778 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to establish election dates and terms of office to correspond with state law providing for the conduct of elections by county election boards?*

*Prior to this amendment, this Section read as follows:*

**Section 1.2. Terms.**

*The term of office of the Mayor elected in the year 1990 shall commence on the first Tuesday after the first Monday in May in the year 1990 and shall expire on the first Monday in April in the year 1994; thereafter, the Mayor shall serve for a term of four (4) years. The terms of office of the Councilors and the City Auditor elected in the year 1990 shall commence on the first Tuesday after the first Monday in May in the year 1990 and shall expire on the first Monday in April in the year 1992; thereafter, the City Auditor and the Councilors shall serve for terms of two (2) years. All terms of office shall commence and expire at 2:00 o'clock p.m.*

**Section 1.3. General elections.**

In August in the year 2018, and in August each year thereafter in which an elected officer's term expires, a general election shall be held on the day specified by the laws of Oklahoma for the election of those officers whose terms expire.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017, and approved by the Governor on February 21, 2018. There were 8,179 votes in favor of the amendment and 2,246 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article VI, "Election and Qualification of Officers", be amended to hold elections for city offices in August of an election year, require candidates for city offices to file their candidacy in June, and provide for run-off elections, whenever necessary, in November?*

*Prior to this amendment, this section read as follows:*

**Section 1.3. General elections.**

*In November in the year 2011, and in November each year thereafter in which an elected officer's term expires, a general election shall be held on the day specified by the laws of Oklahoma for the election of those officers whose terms expire*

*NOTE: This section was amended to read as above by an amendment voted November 10, 2009, and approved by the Governor on January 5, 2010. There were 35,719 votes in favor of the amendment and 28,607 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide that City Councilors will serve for three-year terms, which shall be staggered so that no more than three council districts will have an election in any one year?*

*Prior to this amendment, this section read as follows:*

*Section 1.3. General elections.*

*In November in the year 2009, and in November every year thereafter in which an elected officer's term expires, a general election shall be held on the day specified by the laws of Oklahoma for the election of those officers whose terms expire.*

*NOTE: This section was amended to read as above by an amendment voted April 1, 2008, and approved by the Governor on May 1, 2008. There were 10,142 votes in favor of the amendment and 2,843 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide for fall elections in years where an elected officer's term expires by establishing that the declaration of candidacy will be filed starting the second Monday through the next succeeding Wednesday in July 2009 and during the same period every year thereafter that an elected official's term expires; for primary elections to be held in September 2009 on the date established by state law, and every year thereafter that an elected official's term expires; and for general elections to be held in November 2009 on the date established by state law, and every year thereafter that an elected official's term expires?*

*Prior to this amendment, this section read as follows:*

**Section 1.3. General elections.**

*In April in the year 2008 and in April each two (2) years thereafter on the day specified by the laws of Oklahoma, a general election shall be held for the election of those officers whose terms expire.*

*NOTE: This section was amended to read as above by an amendment voted April 4, 2006, and approved by the Governor on June 6, 2006. There were 61,443 votes in favor of the amendment and 10,778 votes against the amendment. The title to this amendment read:*

*Shall the charter of the City of Tulsa be amended to establish election dates and terms of office to correspond with state law providing for the conduct of elections by county election boards?*

*Prior to this amendment, this section read as follows:*

**Section 1.3. General elections.**

*On the second Tuesday in March in the year 1996, and on the same day each two (2) years thereafter, a general election shall be held for the election of those officers whose terms expire.*

*NOTE: This section was amended to read as above by an amendment voted March 1, 1994, and approved by the Governor on May 2, 1994. There were 47,564 votes in favor of the amendment and 19,802 votes against the amendment. The title to this amendment read:*

*Shall the existing Charter of the City of Tulsa, as heretofore amended, be further amended to change the General Elections from the first Tuesday in March to the second Tuesday in March in the year 1996, and on the same day each two (2) years thereafter?*

*Prior to this amendment, this section read as follows:*

**Section 1.3. General elections.**

*On the first Tuesday in March in the year 1992 and each two (2) years thereafter, a general election shall be held for the election of those officers whose terms expire.*

**Section 1.4. Qualification of electors.**

All qualified electors of the city, as determined by Oklahoma law and the rules of the State Election Board, may vote in the election of the Mayor and the City Auditor. Only qualified electors of the city residing in an election district, as determined by Oklahoma law and the rules of the State Election Board, or those who have changed their residency in the city within a period of time which would prevent valid registration to vote in their new election district prior to the current election, may vote in the election of the Councilor for that election district.

*NOTE: This section was amended to read as above by an amendment voted April 1, 2008, and approved by the Governor on May 1, 2008. There were 9,710 votes in favor of the amendment and 3,355 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide that a qualified elector of an election district, as determined by Oklahoma law and the rules of the State Election Board, will still be eligible to vote in an election district if the qualified elector's change in residence is within the period of time which would prevent valid registration in their new election district prior to the current election?*

*Prior to this amendment, this section read as follows:*

**Section 1.4. Qualification of electors.**

*All qualified electors of the city may vote in the election of the Mayor and the City Auditor. Only qualified electors of the city residing in an election district may vote in the election of the Councilor for that election district.*

**Section 2.1. Elections to be non-partisan.**

Beginning in the calendar year following the adoption of this amendment of the Charter, the election of City officers shall be non-partisan, and all candidates shall file without their political party affiliation.

*NOTE: This Section was amended to read as above by an amendment voted November 8, 2011, and approved by the Governor on February 21, 2012. There were 17,795 votes in favor of the amendment and 14,594 votes against the amendment. The title to the amendment read:*

*Shall the Charter of the City of Tulsa, Oklahoma, be amended to provide for the non-partisan election of City Officers?"*

**Section 2.2. Election procedure.**

In the calendar year 2018, and in each year thereafter in which an elected officer's term expires, a general election shall be held in August on the day specified by the laws of Oklahoma, at which time the qualified electors of the city shall fill the the offices of those whose terms expire. Only qualified electors residing in an election district may vote in the election for candidates for the office of Councilor for such election district. All qualified electors residing in the city may vote in the election for candidates for a city-wide office such as Mayor or City Auditor. If a candidate for office is unopposed at the election or becomes unopposed by death, disqualification or withdrawal, such candidate shall be deemed elected. If a candidate for an office receives more than fifty percent (50%) of all votes cast for that office at the election, such candidate shall be deemed elected. If more than two (2) candidates file for an office and no candidate receives more than fifty percent (50%) of all votes cast at the election for that office, the names of the several candidates for the office receiving the greatest number of votes totaling fifty percent (50%) at such elections shall be placed on the ballot at a run-off election in November, on the day specified by the laws of Oklahoma, and the candidate receiving the greatest number of votes cast at said run-off election shall be deemed elected. In the event of a tied vote among the said candidates, the election shall be decided by lot.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017, and approved by the Governor on February 21, 2018. There were 8,179 votes in favor of the amendment and 2,246 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article VI, "Election and Qualification of Officers", be amended to hold elections for city offices in August of an election year, require candidates for city offices to file their candidacy in June, and provide for run-off elections, whenever necessary, in November?*

*Prior to this amendment, this section read as follows:*

**Section 2.2. Primary elections.**

*In the calendar year of the adoption of this amendment of the Charter, and in each year thereafter in which an elected officer's term expires, a primary election shall be held on the day specified by the laws of Oklahoma, at which time the qualified electors of the city shall nominate candidates for the office of those whose terms expire. Only qualified electors residing in an election district may vote in the primary election for candidates for the office of Councilor for such election district. All qualified electors residing in the city may vote in the primary election for candidates for a city-wide office such as Mayor or City Auditor. If a candidate for office is unopposed at the primary election or becomes unopposed by death, disqualification or withdrawal, such candidate shall be deemed elected. If a candidate for an office receives more than fifty percent (50%) of all votes cast for that office at the primary election, such candidate shall be deemed elected. If only two (2) candidates file for an office, there shall be no primary election, and the names of the two (2) candidates shall be placed on the ballot at the general election. If more than two (2) candidates file for an office and no candidate receives more than fifty percent (50%) of all votes cast at the primary election for that office, the two (2) candidates for each office receiving the greatest number of votes at such primary elections shall be deemed nominated and placed on the ballot at the general election, unless the number of votes for such two (2) candidates does not exceed fifty percent (50%) of all votes cast for that office; in that event the several candidates receiving the greatest number of votes and for whom the votes cast at the primary election total at least fifty percent (50%) of all votes cast for that office shall participate in a run-off primary election in which the two (2) candidates for each office receiving the greatest number of votes at such run-off primary election shall be deemed nominated and placed on the ballot at the general election.*

*NOTE: This Section was amended to read as above by an amendment voted June 26, 2012, and approved by the Governor on October 22, 2012. There were 27,134 votes in favor of the amendment and 4,558 votes against the amendment. The title to the amendment read:*

*Shall the Charter of the City of Tulsa, Oklahoma, be amended to conform the schedule for the City's primary elections and the filing of declarations of candidacy to the requirements of state law, and to make the amendment effective in the year adopted?*

*Prior to this amendment, this section read as follows:*

**Section 2.2. Primary elections.**

*In the calendar year following the adoption of this amendment of the Charter, and in September each year thereafter in which an elected officer's term expires, a primary election shall be held on the day specified by the laws of Oklahoma, at which time the qualified electors of the City shall nominate candidates for the office of those whose terms expire. Only qualified electors residing in an election district may vote in the primary election for candidates for the office of Councilor for such election district. All qualified electors residing in the City may vote in the primary election for candidates for a City-wide office such as Mayor or City Auditor. If a candidate for office is unopposed at the primary election or becomes unopposed by death, disqualification or withdrawal, such candidate shall be deemed elected. If a candidate for an office receives more than fifty percent (50%) of all votes cast for that office at the primary election, such candidate shall be deemed elected. If only two (2) candidates file for an office, there shall be no primary election, and the names of the two (2) candidates shall be placed on the ballot at the general election. If more than two (2) candidates file for an office and no candidate receives more than fifty percent (50%) of all*

*votes cast at the primary election for that office, the two (2) candidates for each office receiving the greatest number of votes at such primary elections shall be deemed nominated and placed on the ballot at the general election, unless the number of votes for such two (2) candidates does not exceed fifty percent (50%) of all votes cast for that office; in that event the several candidates receiving the greatest number of votes and for whom the votes cast at the primary election total at least fifty percent (50%) of all votes cast for that office shall participate in a run-off primary election in which the two (2) candidates for each office receiving the greatest number of votes at such run-off primary election shall be deemed nominated and placed on the ballot at the general election.*

*NOTE: This Section was amended to read as above by an amendment voted November 8, 2011, and approved by the Governor on February 21, 2012. There were 18,772 votes in favor of the amendment and 13,491 votes against the amendment. The title to the amendment read:*

*Shall the Charter of the City of Tulsa, Oklahoma, be amended to provide for the non-partisan election of City Officers?"*

**Section 2. Primary elections.**

*In September in odd-numbered years and in August in even-numbered years in each year in which an elected officer's term expires, a primary election shall be held on the day specified by the laws of Oklahoma, at which time the several political parties shall nominate candidates for the office of those whose terms expire. Only qualified electors residing in an election district may vote in the primary election of their political party for candidates for the office of Councilor for such election district. All qualified electors residing in the City may vote in the primary election of their political party for candidates for the office of Mayor and City Auditor. The candidate for each office receiving the greatest number of votes at such primary election shall be deemed nominated.*

*NOTE: This Section was amended to read as above by an amendment voted November 2, 2010, and approved by the Governor on March 18, 2011. There were 56,782 votes in favor of the amendment and 43,087 against the amendment. The title to this amendment read:*

*Shall the existing Charter of the City of Tulsa, as heretofore amended, be further amended to provide for Primary Elections in the City of Tulsa to be held in September in odd-numbered years and in August in even-numbered years, on the dates provided by Oklahoma Law for County Election Boards to conduct elections, in each year in which an elected officer's term expires?*

*Prior to this amendment, this Section read as follows:*

**Section 2. Primary elections.**

*In September in the year 2011, and in September each year thereafter in which on elected officer's term expires, a primary election shall be held on the day specified by the laws of Oklahoma, at which time the several political parties shall nominate candidates for the office of those whose terms expire. Only qualified electors residing in an election district may vote in the primary election of their political party for candidates for the office of Councilor for such election district. All qualified electors residing in the City may vote in the primary*

*election of their political party for candidates for the office of Mayor and City Auditor. The candidate for each office receiving the greatest number of votes at such primary elections shall be deemed nominated.*

*NOTE: This Section was amended to read as above by an amendment voted November 10, 2009, and approved by the Governor on January 5, 2010. There were 35,719 votes in favor of the amendment and 28,607 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide that City Councilors will serve for three-year terms, which shall be staggered so that no more than three council districts will have an election in any one year?*

*Prior to this amendment, this Section read as follows:*

**Section 2. Primary elections.**

*In September in the year 2009, and in September every year thereafter in which an elected officer's term expires, a primary election shall be held on the day specified by the laws of Oklahoma, at which time the several political parties shall nominate candidates for the office of those whose terms expire. Only qualified electors residing in an election district may vote in the primary election of their political party for candidates for the office of Councilor for such election district. All qualified electors residing in the City may vote in the primary election of their political party for candidates for the office of Mayor and City Auditor. The candidate for each office receiving the greatest number of votes at such primary election shall be deemed nominated.*

*NOTE: This Section was amended to read as above by an amendment voted April 1, 2008, and approved by the Governor on May 1, 2008. There were 10,142 votes in favor of the amendment and 2,843 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide for fall elections in years where an elected officer's term expires by establishing that the declaration of candidacy will be filed starting the second Monday through the next succeeding Wednesday in July 2009 and during the same period every year thereafter that an elected official's term expires; for primary elections to be held in September 2009 on the date established by state law, and every year thereafter that an elected official's term expires; and for general elections to be held in November 2009 on the date established by state law, and every year thereafter that an elected official's term expires?*

*Prior to this amendment, this Section read as follows:*

**Section 2. Primary elections.**

*In February in the year 2008 and in February each two (2) years thereafter on the day specified by the laws of Oklahoma, there shall be held in the City a primary election at which time the several political parties shall nominate candidates to fill the office of those whose terms expired. Only qualified electors of an election district may vote in the primary election of their political party for candidates for the office of Councilor for that election district. All qualified electors residing in the City may vote in the primary election of their political party for candidates for the office of Mayor and City Auditor. The candidate for each office receiving the greatest number of votes at such primary election shall be deemed nominated.*

*NOTE: This Section was amended to read as above by an amendment voted April 1, 2008, and approved by the Governor on May 1, 2008. There were 9,710 votes in favor of the amendment and 3,355 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide that a qualified elector of an election district, as determined by Oklahoma law and the rules of the State Election Board, will still be eligible to vote in an election district if the qualified elector's change in residence is within the period of time which would prevent valid registration in their new election district prior to the current election?*

*Prior to this amendment, this Section read as follows:*

**Section 2. Primary elections.**

*In February in the year 2008 and in February each two (2) years thereafter on the day specified by the laws of Oklahoma, there shall be held in the City a primary election at which time the several political parties shall nominate candidates to fill the office of those whose terms expire. Only qualified electors residing in an election district may vote in the primary election of their political party for candidates for the office of Councilor for such election district. All qualified electors residing in the City may vote in the primary election of their political party for candidates for the office of Mayor and City Auditor. The candidate for each office receiving the greatest number of votes at such primary election shall be deemed nominated.*

*NOTE: This Section was amended to read as above by an amendment voted April 4, 2006, and approved by the Governor on June 6, 2006. There were 61,443 votes in favor of the amendment and 10,778 votes against the amendment. The title to this amendment read:*

*Shall the charter of the City of Tulsa be amended to establish election dates and terms of office to correspond with state law providing for the conduct of elections by county election boards?*

*Prior to this amendment, this Section read as follows:*

**Section 2. Primary elections.**

*On the first Tuesday in February in the year 1990, there shall be held in the City a primary election at which time the several political parties shall nominate candidates for the offices of Mayor, City Auditor, and Councilor; thereafter, a primary election for election of candidates to fill the office of those whose terms expire shall be held each two (2) years on the first Tuesday in February. Only qualified electors residing in an election district may vote in the primary election of their political party for candidates for the office of Councilor for such election district. All qualified electors residing in the City may vote in the primary election of their political party for candidates for the office of Mayor and City Auditor. The candidate for each office receiving the greatest number of votes at such primary election shall be deemed nominated.*

**Section 3.1. Filing for office.**

Any person who desires to be a candidate for a City office shall file with the Election Board of Tulsa County or its successor a Declaration of Candidacy which shall contain:

**A.** The name and residence street address of the person as it appears on the voter registration records;

**B.** The name of the office sought; and

**C.** A filing fee in the form of a cashier's check or certified check made payable to the City of Tulsa in the amount of Fifty Dollars ($50.00) for candidates filing for the office of Mayor, Councilor or City Auditor; or, in lieu of the filing fee, a petition supporting a candidate's filing signed by at least three hundred (300) qualified electors from the City at large if the candidate seeks a City-wide office of such as Mayor or City Auditor or from the election district if the candidate seeks the office of Councilor from an election district.

*NOTE: This Section was amended to read as above by an amendment voted November 8, 2011, and approved by the Governor on February 21, 2012. There were 18,772 votes in favor of the amendment and 13,491 votes against the amendment. The title to the amendment read:*

*Shall the Charter of the City of Tulsa, Oklahoma, be amended to provide for the non-partisan election of City Officers?"*

*Prior to this amendment, this Section read as follows:*

**Section 3.1. Filing for office—Political parties.**

*Any person who desires to be nominated by a political party as its candidate for a City office shall file with the Election Board of Tulsa County or its successor a Declaration of Candidacy which shall contain:*

**A.** *The name and residence street address of the person as it appears on the voter registration records;*

**B.** *The name of the office sought;*

**C.** *The name of the political party of which the person desires to become the nominee, which shall be the political party to which the person belongs as shown on the voter registration records; and*

**D.** *A filing fee in the form of a cashier's check or certified check made payable to the City of Tulsa in the amount of Fifty Dollars ($50.00) for candidates filing for the office of Mayor, Councilor or City Auditor; or, in lieu of the filing fee, a petition supporting a candidate's filing signed by at least three hundred (300) qualified electors from the City at large if the candidate seeks the office of Mayor or City Auditor or from the election district if the candidate seeks the office of Councilor from an election district.*

*NOTE: This Section was amended to read as above by an amendment voted March 10, 1998, and approved by the Governor on June 16, 1998. There were 50,460 votes in favor of the amendment and 20,232 votes against the amendment. The title to this amendment read:*

*Shall the existing charter of the City of Tulsa, as heretofore amended, be further amended to require candidates for elected City offices to either pay a filing fee or file an election petition in specified form, with provision for refund of filing fee in certain circumstances?*

*Prior to this amendment, this Section read as follows:*

**Section 3.1. Filing for office—political parties.**

*Any person who desires to be nominated by a political party as its candidate for a City office shall file with the Election Board of Tulsa County or its successor a Declaration of Candidacy which shall state:*

**A.** *The name and residence street address of the person as it appears on the voter registration records;*

**B.** *The name of the office sought; and*

**C.** *The name of the political party of which the person desires to become the nominee, which shall be the political party to which the person belongs as shown on the voter registration records.*

**Section 3.2. Campaigning for office.**

Although all City elections shall be non-partisan, candidates shall not be prohibited from advising voters of their political affiliation and may include their political party affiliation in campaign materials, including without limitation signs, mailers, fliers and brochures.

*NOTE: This Section was amended to read as above by an amendment voted November 8, 2011, and approved by the Governor on February 21, 2012. There were 18,772 votes in favor of the amendment and 13,491 votes against the amendment. The title to the amendment read:*

*Shall the Charter of the City of Tulsa, Oklahoma, be amended to provide for the non-partisan election of City Officers?"*

*Prior to this amendment, this Section read as follows:*

**Section 3.2. Filing for office—independent candidates.**

*Any person who desires to be an independent candidate for a City office shall file with the Election Board of Tulsa County or its successor a Declaration of Candidacy which shall state:*

**A.** *The name and residence street address of the person as it appears on the voter registration records; and*

**B.** *The name of the office sought.*

*The Declaration of Candidacy of the independent candidate shall have attached a supporting petition which shall be signed by at least three hundred (300) qualified electors from the City at large if the independent candidate seeks the office of Mayor or City Auditor or from the election district if the independent candidate seeks the office of Councilor from an election district.*

**Section 3.3. Refund of filing fee.**

A filing fee paid by a candidate who is unopposed at the election, or who receives at the first election wherein their name appears on a ballot more than fifteen percent (15%) of the votes cast for that office, shall be refunded. Otherwise, the filing fee shall be forfeited to the City of Tulsa.

*(Res. No. 20044, Prop. Nos. 1, 2, 5-20-20/Elec. of 8-25-20)*

**Section 3.4. Time of filing.**

Beginning in the calendar year 2018, Declarations of Candidacy shall be filed with the Secretary of the appropriate Election Board no earlier than 8:00 o'clock a.m. on the second Monday in June and no later than 5:00 o'clock p.m. on the next succeeding Wednesday of any year in which an elected officer's term expires.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017, and approved by the Governor on February 21, 2018. There were 8,179 votes in favor of the amendment and 2,246 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article VI, "Election and Qualification of Officers", be amended to hold elections for city offices in August of an election year, require candidates for city offices to file their candidacy in June, and provide for run-off elections, whenever necessary, in November?*

*Prior to this amendment, this section read as follows:*

**Section 3.4. Time of filing.**

*Beginning in the calendar year of the adoption of this amendment of the Charter. Declarations of Candidacy shall be filed with the Secretary of the appropriate Election Board no earlier than 8:00 o'clock a.m. on the second Monday in April and no later than 5:00 o'clock p.m. on the next succeeding Wednesday of any year in which an elected officer's term expires.*

*NOTE: This Section was amended to read as above by an amendment voted June 26, 2012, and approved by the Governor on October 22, 2012. There were 27,134 votes in favor of the amendment and 4,558 votes against the amendment. The title to the amendment read:*

*Shall the Charter of the City of Tulsa, Oklahoma, be amended to conform the schedule for the City's primary elections and the filing of declarations of candidacy to the requirements of state law, and to make the amendment effective in the year adopted?*

*Prior to this amendment, this section read as follows:*

**Section 3.4. Time of filing.**

*Declarations of Candidacy shall be filed no earlier than 8:00 o'clock a.m. on the second Monday in July 2011 and no later than 5:00 o'clock p.m. on the succeeding Wednesday and during the same period each year thereafter in which an elected officer's term expires.*

*NOTE: This section was amended to read as above by an amendment voted November 10, 2009, and approved by the Governor on January 5, 2010. There were 35,719 votes in favor of the amendment and 28,607 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide that City Councilors will serve for three-year terms, which shall be staggered so that no more than three council districts will have an election in any one year?*

**Section 3.4. Time of filing.**

*Declarations of Candidacy shall be filed no earlier than 8:00 o'clock a.m. on the second Monday in July 2009 and no later than 5:00 o'clock p.m. on the next succeeding Wednesday and during the same period every year thereafter in which an elected officer's term expires.*

*NOTE: This section was amended to read as above by an amendment voted April 1, 2008, and approved by the Governor on May 1, 2008. There were 10,142 votes in favor of the amendment and 2,843 votes against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to provide for fall elections in years where an elected officer's term expires by establishing that the declaration of candidacy will be filed starting the second Monday through the next succeeding Wednesday in July 2009 and during the same period every year thereafter that an elected official's term expires; for primary elections to be held in September 2009 on the date established by state law, and every year thereafter that an elected official's term expires; and for general elections to be held in November 2009 on the date established by state law, and every year thereafter that an elected official's term expires?*

*Prior to this amendment, this section read as follows:*

**Section 3.4. Time of filing.**

*Declarations of Candidacy shall be filed no earlier than 8:00 o'clock a.m. on the second Monday in January 1990 and no later than 5:00 o'clock p.m. on the next succeeding Wednesday and during the same period each two (2) years thereafter.*

*NOTE: This section was renumbered from Section 3.3 to Section 3.4 by an amendment voted March 10, 1998, and approved by the Governor on June 16, 1998. There were 50,460 votes in favor of the amendment and 20,232 votes against the amendment. The title to this amendment read:*

*Shall the existing charter of the City of Tulsa, as heretofore amended, be further amended to require candidates for elected city offices to either pay a filing fee or file an election petition in specified form, with provision for refund of filing fee in certain circumstances?*

**Section 4. Calling elections.**

The Mayor shall issue proclamations and notices calling all elections in the city. Election proclamations, notices, and a list of polling places shall be published in a newspaper of general circulation in the city at least ten (10) days prior to the date of each election.

**Section 5. State laws apply to all elections.**

Except as otherwise provided in this amended Charter, all City elections and recounts of votes shall be conducted and the qualifications of electors determined in accord with the laws of Oklahoma, except that election returns shall be canvassed by the Council. In addition to the dates specified by the laws of Oklahoma, any special election of the City of Tulsa may also be called and held on General Election and Run-Off Eelction dates. The Council may by ordinance authorize the casting of absentee ballots in city elections and establish the procedure therefor.

*(Res. No. 20044, Prop. No. 1, 5-20-20/Elec. of 8-25-20)*

**Section 6.1. Election districts.**

The city is hereby divided into nine (9) election districts for the purpose of nominating and electing a Councilor from each election district. The election districts shall be numbered, bounded, and described as set forth in Schedule I, attached to and made a part of this amended Charter.

**Section 6.2. Annexations.**

Upon the annexation of additional territory to the city, the annexing ordinance shall assign the annexed territory to an adjacent election district or districts so as to maintain as nearly as possible equality of population between election districts.

**Section 6.3. Precinct boundaries.**

The Council by ordinance may make minor adjustments in the boundaries of an election district to conform the election district boundaries to changes in precinct boundary lines made pursuant to the laws of Oklahoma.

**Section 7. Qualification of officers.**

No person shall be eligible to hold the office of Mayor or City Auditor unless such person shall have been a qualified elector and resident of the city at least three hundred sixty-five (365) days at the time of filing for the office. In addition, no person shall be eligible to hold the office of City Auditor unless such person is a Certified Public Accountant or Certified Internal Auditor and maintains such certification in good standing during their term of office. No person shall be eligible to hold the office of Councilor for an election district unless such person shall have been a qualified elector and resident of the election district for at least three hundred sixty-five (365) days at the time of filing for the office of Councilor for that election district. The requirement that a person shall have been a qualified elector and resident of an election district for at least three hundred sixty-five (365) days at the time of filing for the office of Councilor for that election district shall not apply to an election or an election district adjusted immediately following the adoption of an Election District Plan which changed a candidate's residency to a different election district; provided persons desiring to become a candidate for the office of Councilor for an election district shall be qualified electors of the election district at the time of filing for the office of Councilor for that district and shall have been a qualified elector and resident within the boundaries of their preexisting election district for at least three hundred sixty-five (365) days at the time of filing.

*(Res. No. 20044, Prop. No. 2, 5-20-20/Elec. of 8-25-20; Res. No. 20171, § 4, 3-23-2022, election of 8-23-2022)*

**Section 8. Filling vacancies in elective offices.**

Vacancies in elective offices whether by death, resignation, removal, or recall shall be filled as follows:

**A.** If a vacancy shall occur in the office of Mayor, City Auditor, or a Councilor more than one (1) year prior to the next general election, the Council shall provide for the calling of a special election at the earliest time allowed under the laws of Oklahoma applicable to special elections to fill the vacancy for the remainder of the unexpired term; the candidate receiving the greatest number of votes at the special election shall be deemed elected;

**B.** If a vacancy shall occur in the office of Mayor less than one (1) year prior to the next general election, the Temporary Mayor shall serve as Mayor for the remainder of the unexpired term;

**C.** If a vacancy shall occur in the office of City Auditor less than one (1) year prior to the next general election, the Mayor shall appoint a qualified elector of the city to fill the vacancy for the remainder of the unexpired term, subject to confirmation by a majority vote of the entire membership of the Council; and

**D.** If a vacancy shall occur in the office of a Councilor less than one (1) year prior to the next general election, the Council, by a majority vote of the remaining membership of the Council shall appoint a qualified elector of the election district in which the vacancy exists to fill the vacancy for the remainder of the unexpired term.

**Section 9. Implementation.**

The Council may adopt ordinances to provide for the holding of special elections and to establish procedures for conducting elections not inconsistent with the provisions of this amended Charter or the laws of Oklahoma.

**Section 10.1. Election district commission.**

There is hereby created an Election District Commission which shall consist of five (5) members, to be appointed by the Mayor subject to confirmation by a majority vote of the entire membership of the Council. Of the five (5) said members, two (2) shall be affiliated with the political party having the largest number of registered voters within the city as of the date of the preceding general election, two (2) shall be affiliated with the political party having the second largest number of such voters, and one (1) shall be an independent voter. Said members shall not have changed their political party affiliation within the last year. All members shall be registered voters and residents of the City of Tulsa. No two (2) of the members shall be residents of the same Council district at the time of their appointment. The appointments shall be made and the Election District Commission shall be organized no later than the 1st day of July, 2021, and no later than the 1st day of July of each tenth year thereafter. In the event the members of the Election District Commission are not appointed within the times herein provided, such appointments shall be made by the Presiding Judge of the District Court of Tulsa County. No City of Tulsa employee, contractor or elected official shall be appointed to serve on the Election District Commission. If a vacancy shall occur in the Election District Commission, a qualified successor shall be appointed within twenty (20) days after the date the vacancy occurs as provided for original appointments.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017, and approved by the Governor on February 21, 2018. There were 6,916 votes in favor of the amendment and 3,493 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article VI, "Election and Qualification of Officers", Section 10.1, "Election District Commission", and Section 10.2, "Adjustment of Election District Boundaries" be amended to provide that the Election District Commission shall consist of five (5) members, to be appointed by the Mayor and confirmed by the City Council; that two (2) members shall be affiliated with the political party having the largest*

*number of registered voters in the city, two (2) members shall be affiliated with the political party having the second largest number of such voters, and one (1) member shall be a registered independent voter; stating the duties of the Election District Commission, namely, to adjust the boundaries of the city's election districts following completion of the Federal Decennial Census?*

*Prior to this amendment, this section read as follows:*

**Section 10.1. Election district commission.**

*There is hereby created an Election District Commission which shall consist of three (3) members. The governing body of the two (2) political parties having the largest number of registered voters within the city as of the date of the preceding general election shall each appoint one (1) member of the Election District Commission. The Mayor shall appoint one (1) member, subject to confirmation by a majority vote of the entire membership of the Council. The appointments shall be made and the Election District Commission shall be organized no later than the 31st day of January, 1991, and no later than the 31st day of January of each tenth year thereafter. In the event the members of the Election District Commission are not appointed within the times herein provided, such appointments shall be made by the Presiding Judge of the District Court of Tulsa County. Persons holding an elected office shall be ineligible for appointment to the Election District Commission. If a vacancy shall occur in the Election District Commission, a qualified successor shall be appointed within twenty (20) days after the date the vacancy occurs as provided for original appointments.*

**Section 10.2. Adjustment of election district boundaries.**

The Election District Commission shall adjust the boundaries of Election Districts each ten (10) years after the completion of the Federal Decennial Census. The Election District Commission shall determine the population of the city and each existing election district according to the preceding Federal Decennial Census and shall prepare a proposed Election District Plan. Each Election District Commission shall consider natural and neighborhood boundaries, shall disregard partisan considerations, and shall avoid diluting minority votes. Each district shall consist of contiguous, compact territory and be as nearly equal in population as possible. The district boundary lines shall conform with precinct boundary lines. The election District Plan shall establish the population and boundaries of each election district. The proposed Election District Plan shall include a map and description of the districts. The election District Commission shall hold at least one (1) public hearing on the proposed Election District Plan. Notice of the hearing shall be published in a newspaper of general circulation in the city at least ten (10) days prior to the date of the hearing. All meetings of the Election District commission shall be open meetings as regulated by the Oklahoma Open Meeting Act, Title 25, Oklahoma Statutes, Section 301 and following.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017, and approved by the Governor on February 21, 2018. There were 6,916 votes in favor of the amendment and 3,493 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article VI, "Election and Qualification of Officers", Section 10.1, "Election District Commission", and Section 10.2, "Adjustment of*

*Election District Boundaries" be amended to provide that the Election District Commission shall consist of five (5) members, to be appointed by the Mayor and confirmed by the City Council; that two (2) members shall be affiliated with the political party having the largest number of registered voters in the city, two (2) members shall be affiliated with the political party having the second largest number of such voters, and one (1) member shall be a registered independent voter; stating the duties of the Election District Commission, namely, to adjust the boundaries of the city's election districts following completion of the Federal Decennial Census?*

*Prior to this amendment, this section read as follows:*

**Section 10.2. Adjustment of election district boundaries.**

*The Election District Commission shall adjust the boundaries of Election Districts each ten (10) years after the completion of the Federal Decennial Census. The Election District Commission shall determine the population of the city and each existing election district according to the preceding Federal Decennial Census and shall prepare a proposed Election District Plan. Each district shall consist of contiguous, compact territory and be as nearly equal in population as possible. The district boundary lines shall conform with precinct boundary lines. The Election District Plan shall establish the population and boundaries of each election district. The proposed Election District Plan shall include a map and description of the districts. The Election District Commission shall hold at least one (1) public hearing on the proposed Election District Plan. Notice of the hearing shall be published in a newspaper of general circulation in the city at least ten (10) days prior to the date of the hearing.*

**Section 10.3. Adoption of election district plan.**

Within six (6) months after the appointment of its members, the Election District Commission shall adopt and file with the City Clerk an Election District Plan which shall supersede Schedule I attached to this amended Charter and subsequently adopted Election District Plans. All members of the Council shall thereafter be elected in accord with the Election District Plan.

**Section 10.4. Duties ministerial.**

The duties of the Election District Commission shall be ministerial and the performance thereof may be compelled by appropriate action. The terms of the office of the members of the Election District Commission shall expire when each Election District Plan becomes final.

**Section 10.5. Judicial review.**

Any qualified elector of the city may seek a review of an adopted Election District Plan by filing a petition for review in the District Court of Tulsa County within thirty (30) days after the filing of the Election District Plan with the City Clerk. If a petition for review is not filed within such time, the Election District Plan shall become final. The District Court shall determine whether the Election District Plan complies with the provisions of this amended Charter. In the event the District Court shall determine that the Election District Plan does not comply, the District Court shall modify the Election District Plan to comply with the provisions of this amended Charter. Appeals from the final decision of the District Court may be taken as provided by law.

## ARTICLE VII. REMOVAL AND RECALL OF ELECTIVE OFFICERS

### Section 1.1. Removal and recall.

Any elected officer may be removed from office for cause as provided by the laws of Oklahoma. Any elected officer may be recalled by the qualified electors of the city as herein provided.

### Section 1.2. Grounds for recall.

Any elected officer may be recalled as provided in this article for any of the following reasons:

**A.** Willful failure or neglect to diligently and faithfully perform any duty enjoined upon such officer by law;

**B.** Intoxication in any public place within the city produced by any substance or combination of substances voluntarily taken;

**C.** Commission of any act constituting a violation of any penal statute involving moral turpitude. Such an act has been committed, within the meaning of this Section, when the officer involved has been convicted thereof by a court of record;

**D.** Habitual or willful neglect of duty;

**E.** Gross partiality in office;

**F.** Oppression in office;

**G.** Corruption in office;

**H.** Extortion or willful overcharge of fees in office;

**I.** Willful maladministration;

**J.** Habitual drunkenness; or

**K.** Failure to produce and account for all public funds and property in their hands, at any settlement or inspection authorized or required by law.

*(Res. No. 20044, Prop. No. 2, 5-20-20/Elec. of 8-25-20)*

### Section 2.1. Procedure for recall.

If the officer sought to be recalled was elected from the city at large, a preliminary petition for recall of the elected officer must contain the signatures of qualified electors residing in the city equal in number to five percent (5%) of all those voting for the affected office in the last preceding general election. If the officer sought to be recalled was elected from an election district, a preliminary petition for recall of the elected officer must contain the signatures of qualified electors residing in the election district involved equal in number to ten percent (10%) of all those voting in that election district for the affected office in the preceding general election. Preliminary petitions for recall shall be filed with the City Clerk and shall state the reasons for the proposed recall in not more than two hundred (200) words so that the officer sought to be recalled may be informed of the grounds upon which recall is sought. No petition for recall shall include more than one (1) elected officer. The City Clerk shall serve a copy of the preliminary petition by personal service upon the officer sought to be recalled, who shall have five (5) days thereafter within which to file with

the City Clerk an answer to the preliminary petition for recall in not more than two hundred (200) words. If such officer does not file an answer in the time specified, no answer of the officer shall appear upon the supporting petition.

**Section 2.2. Form of supporting petition.**

Within fifteen (15) days after the expiration of the time for filing an answer, the City Clerk shall prepare and issue a form of a supporting petition, which shall be approved by the City Attorney, reciting the filing of a preliminary petition for the recall of the officer sought to be recalled, stating the reasons for the recall of the officer exactly as they appeared in the preliminary petition, together with the exact answer, if any, of the officer sought to be recalled, and if no answer thereto was filed stating such fact. The supporting petition shall further state:

"We, the undersigned qualified electors of the City of Tulsa, hereby petition that an election be called on the following question:

"Shall (name of person) be recalled from the office of (name of office)?"

The form of the supporting petition shall provide for no more than fifty (50) signatures and shall contain a form for verification of the signatures by the circulator and for verification that the circulator is a qualified elector residing in the election district.

*NOTE: This section was amended to read as above by an amendment voted April 4, 2006, and approved by the Governor on June 6, 2006. There were 49,638 in favor of the amendment and 22,480 against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to specify grounds for which elected officers may be recalled; to require that only qualified electors residing in an election district may circulate a supporting petition for recall; to provide that the signature of each petitioner on a supporting petition for recall shall correspond with the name of the petitioner appearing in the voter registration books; and to provide that a valid contact telephone number of each petitioner shall be specified on the supporting petition; and to provide that supporting petitions for recall must contain the signatures equal in number to twenty-five percent (25%) of those voting in the election district for the affected office in the preceding mayoral general election?*

*Prior to this amendment, this section read as follows:*

**Section 2.2. Form of supporting petition.**

*Within fifteen (15) days after the expiration of the time for filing an answer, the City Clerk shall prepare and issue a form of a supporting petition, which shall be approved by the City Attorney, reciting the filing of a preliminary petition for the recall of the officer sought to be recalled, stating the reasons for the recall of the officer exactly as they appeared in the preliminary petition, together with the exact answer, if any, of the officer sought to be recalled, and if no answer thereto was filed stating such fact. The supporting petition shall further state:*

*"We, the undersigned qualified electors of the City of Tulsa, hereby petition that an election be called on the following question:*

*"Shall (name of person) be recalled from the office of (name of office)?"*

*The form of the supporting petition shall provide for no more than fifty (50) signatures and shall contain a form for verification of the signatures by the circulator.*

**Section 3. Sufficiency of supporting petitions.**

Supporting petitions shall be filed with the City Clerk within sixty (60) days after issuance of the form. If the officer sought to be recalled was elected from the city at large, supporting petitions to be sufficient must contain the signatures of qualified electors residing in the city equal in number to twenty-five percent (25%) of all those voting for the affected office in the preceding general election. If the officer sought to be recalled was elected from an election district, supporting petitions to be sufficient must contain the signatures of qualified electors residing in the election district involved equal in number to twenty-five percent (25%) of all those voting in that election district for the affected office in the preceding mayoral general election. Each circulator shall verify that they are a qualified elector residing in the election district.

The signature of each petitioner on the supporting petitions shall correspond with the name of each petitioner appearing on the official voter registration books applicable to the city. The residence street address and a valid contact telephone number of each petitioner and the date on which the petition was signed shall be specified on the supporting petitions. Each petition shall be verified by the circulator.

*NOTE: This section was amended to read as above by an amendment voted April 4, 2006, and approved by the Governor on June 6, 2006. There were 49,638 in favor of the amendment and 22,480 against the amendment. The title to this amendment read:*

*Shall the Charter of the City of Tulsa be amended to specify grounds for which elected officers may be recalled; to require that only qualified electors residing in an election district may circulate a supporting petition for recall; to provide that the signature of each petitioner on a supporting petition for recall shall correspond with the name of the petitioner appearing in the voter registration books; and to provide that a valid contact telephone number of each petitioner shall be specified on the supporting petition; and to provide that supporting petitions for recall must contain the signatures equal in number to twenty-five percent (25%) of those voting in the election district for the affected office in the preceding mayoral general election?*

*Prior to this amendment, this section read as follows:*

**Section 3. Sufficiency of supporting petitions.**

*Supporting petitions shall be filed with the City Clerk within sixty (60) days after issuance of the form. If the officer sought to be recalled was elected from the city at large, supporting petitions to be sufficient must contain the signatures of qualified electors residing in the city equal in number to twenty-five percent (25%) of all those voting for the affected office in the preceding general election. If the officer sought to be recalled was elected from an election district, supporting petitions to be sufficient must contain the signatures of qualified electors residing in the election district involved equal in number to twenty-five percent (25%) of all those voting in that election district for the affected office in the preceding general election.*

*The signature of each petitioner on the supporting petitions shall correspond with that appearing on the official voter registration books applicable to the city. The residence street address of each petitioner and the date on which the petition was signed shall be specified on the supporting petitions. Each petition shall be verified by the circulator.*

**Section 4. Examination of petitions.**

Within twenty (20) days after the expiration of the time for filing supporting petitions, the City Clerk shall examine the filed supporting petitions and determine whether each petition and the signatures thereon comply with the requirements of this Article. If the number of valid signatures is not equal to the number required, the City Clerk shall submit to the Council the reasons for such finding and the circulators of the supporting petitions shall have ten (10) days within which to file additional supporting petitions. Within five (5) days thereafter, the City Clerk shall determine and submit to the Council a written report as to whether the requirements of this Article have been met. If the City Clerk finds the petitions are insufficient, the reasons for such finding shall be specified. If the City Clerk finds the petitions are sufficient and the requirements of this Article have been met, and such finding is affirmed by the Council, or if the Council shall reverse the finding of the City Clerk that the petitions are insufficient, or that the requirements of this Article have been met, then the Council shall call an election at the earliest time allowed under the laws of Oklahoma. If the City Clerk shall find the supporting petitions are insufficient and such finding is affirmed by the Council, no election shall be called and the elected officer sought to be recalled shall remain in office.

**Section 5. Election.**

If the officer sought to be removed was elected from the city at large, any qualified elector of the city may vote at the recall election. If the officer sought to be removed was elected from an election district, only qualified electors of that election district may vote at the recall election. The ballot at a recall election, with respect to each person whose recall is sought, shall be in the following form:

"Shall (name of person) be recalled from the office of (name of office)?

For
Against."

If a majority of the votes cast at a recall election be against the recall of the elected officer, such elected officer shall remain in office. If a majority of the votes cast at a recall election shall be for the recall of the officer, such officer shall be deemed removed from office regardless of any technical defects in the preliminary or supporting petitions which might thereafter be determined to exist.

**Section 6. Canvass of election.**

The Council shall canvass the returns of the recall elections and declare the results. If the canvass of a recall election shows a majority of votes cast to be for recall, the affected office shall be declared vacant, the recalled officer shall be deemed removed from office, and shall be entitled to no further salary or benefits of office.

## ARTICLE VIII. USE OF PUBLIC PROPERTY

### Section 1. Public property inalienable.

The ownership, right of control, and use of the streets, highways, alleys, public ways, public places, or other real property of the city shall be inalienable by the city, except as provided by this amended Charter. No right to use the streets, highways, alleys, public ways, public places, or other real property of the city, either along, across, over, or under the same shall be valid unless granted and exercised as provided by this amended Charter. No act or omission of the Council, officers, or agents of the city shall be construed to confer or extend any right not expressly granted.

### Section 2. Franchises authorized.

The Council by ordinance may grant to a person or corporation the franchise to use the property of the city for the purpose of furnishing to the public for compensation to be paid to the grantee any general public service, including heat, light, power, refrigeration, steam, cable television, or transportation when the right to use the streets, highways or other property of the city for a term of years is necessary or proper for the general public service or purpose of the grantee.

### Section 3. Prohibitions.

No exclusive franchise shall be granted. No franchise shall be granted to commence more than six (6) months after the adoption of the ordinance granting it. No franchise shall be extended directly or indirectly beyond the term originally fixed by the ordinance granting it. No franchise shall authorize the grantee to acquire the physical property, rights, or franchise of another person or corporation holding a franchise granted by the city, so that the rights and properties held under an earlier franchise are assigned to the holder of a franchise extending beyond the expiration of the earlier franchise.

### Section 4. All franchises to be submitted to people.

No franchise shall be granted, extended, or renewed without the approval of a majority of the qualified electors of the city who vote thereon at a special or general election. No franchise shall be granted, extended, or renewed for a term longer than twenty-five (25) years. All election expenses attributable to the submission of a franchise shall be borne by the proposed grantee.

### Section 5. Initiative procedure for franchise.

Whenever a petition signed by a number of qualified electors of the city equal to twenty-five percent (25%) of the total number of votes cast for the office of Mayor at the preceding general election demanding that a franchise be granted, extended, or renewed shall be filed with the City Clerk, and is determined by the City Clerk to meet the requirements of this Section, the Mayor shall within ten (10) days thereafter call a special election at which the question of whether such franchise shall be granted, extended, or renewed shall be submitted to the qualified electors of the city.

### Section 6. Compensation for franchises.

The grantee of a franchise approved after the effective date of this amended Charter shall, as compensation for the rights and privileges enjoyed thereunder, pay monthly to the

City a sum of not less than one percent (1%) and not more than four percent (4%) of the gross receipts from the service provided by the grantee within the corporate limits of the city. Such compensation shall be exclusive of and in addition to ad valorem taxes upon the property of the grantee and assessments for special improvements made upon real property. Such compensation shall be in lieu of all city occupation taxes imposed upon the occupation or business of the grantee and in lieu of any vehicle or license tax. The franchise may provide that no compensation shall be payable for not more than the first five (5) years thereof. If the ordinance granting a franchise provides for the waiver of compensation, the city may further waive the requirement for compensation for the remaining period of the franchise by amending the ordinance granting the franchise, subject to the approval thereof by a majority of the qualified electors of the city who shall vote thereon at a general or special election. For all sums due as such compensation, the city shall have a lien which may be enforced by appropriate action against the property of the grantee within the city.

**Section 7. Ascertainment of compensation.**

In order to ascertain the amount of the gross receipts of the grantee of a franchise and to determine the amount of the compensation due the city and for any other purpose relating to the business of the city, the Council may examine the books, papers, and records of franchise holders. The Council may hear testimony and compel the attendance of witnesses under such rules and regulations as the Council may adopt. Should any franchise holder refuse to permit the inspection of its books, papers, or records when lawfully required by the Council or should any officer, agent, or employee of a franchise holder refuse to give testimony before the Council, the Council may by ordinance terminate the franchise.

**Section 8. Exercise of power of public utility regulation.**

Subject to the provisions of the Constitution of the United States of America, and the Constitution and laws of Oklahoma, the Council may regulate and fix the charges, fares, or rates of the grantee of a franchise and prescribe the services to be furnished by such grantee and the manner in which services shall be rendered. No rules, regulations, fares, or rates shall be adopted or changed except after notice to the public and to the grantee of the franchise and after a public hearing. The Council may inspect books and records and compel attendance of witnesses and may by ordinance terminate the franchise for a failure or refusal of a franchise holder or any officer, employee, or agent thereof to testify or to produce books or records.

**Section 9. Right to purchase to be reserved.**

No franchise shall be granted except upon condition that the city shall have the right at anytime after fifteen (15) years after the granting thereof to purchase the physical property of the franchise holder and to terminate the franchise, if approved by a majority of the qualified electors of the city voting thereon at a special or general election. At any time when a purchase option shall have accrued under the terms of a franchise, the question of the purchase of such property may be submitted by the Council to the qualified electors for approval. The question of the purchase of such property shall be submitted at the next succeeding election in the city upon the petition to the city of twenty-five percent (25%) of the qualified electors of the city. The franchise holder shall be compensated for the value of the property with such value to be determined by the majority of three (3) appraisers, one

(1) to be selected by the Mayor, one (1) by the franchise holder and the third by the first two appraisers. If the franchise holder shall refuse for thirty (30) days to select an appraiser, the value of such property shall be fixed by the vote of a majority of the Council.

**Section 10. Termination for violation.**

Ordinances granting franchises shall be subject to the terms of this amended Charter and may contain further terms and conditions imposed by the Council. All franchises shall be exercised in compliance with the terms of this amended Charter and of the franchise ordinance. If a franchise shall not be exercised in substantial compliance with the terms of this amended Charter and of the franchise ordinance, the franchise may be terminated by the Council after notice to the franchise holder and a public hearing.

**Section 11. Common use of tracks, poles, and wires.**

The Council may require any permit or franchise holder to allow the use of its tracks, poles, conduits, and wires by any other permit or franchise holder upon the payment of a reasonable rental therefor to be fixed by the Council. The Council may regulate, locate, and prohibit the placing of telegraph, telephone, cable television, electric or other wires, systems, and facilities within the property of the city and may require and regulate the placing of any such wires, systems, and facilities underground.

**Section 12. Railway and transit permits.**

The Council may authorize railways and other transit facilities operating from the city to other cities to lay tracks and facilities on and over the streets and other property of the city, subject to conditions imposed by the Council.

**Section 13. Permits.**

The Council may grant a permit to any person or corporation to occupy or use portions of the streets, highways, alleys, public ways, public places, or any other real property of the city under such terms and conditions as the Council shall impose; provided, such use does not unreasonably interfere with the public use thereof. Permits may be revoked by the Council at will. Upon the revocation of a permit, the holder of such permit shall remove within a reasonable time any encroachment on the property of the city and pay the cost thereof.

**Section 14. Conveyance of aerial and subsurface spaces.**

The Council may vacate and close streets, alleys, and easements and sell, lease, or otherwise convey any areas or spaces above or below the surface of any street, highway, alley, public place, or any other real property of the city for buildings, structures, or for other uses and purposes and such appurtenant surface rights necessary or desirable for such buildings or structures; provided, the Council shall first determine that any such areas or spaces are not necessary for public use or purposes.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## ARTICLE IX. PUBLIC IMPROVEMENTS

### Section 1.1. Street improvement districts.

When the Council shall deem it necessary to grade, pave, curb, gutter, drain, or otherwise improve any street, sidewalk, alley, or public right-of-way, or any part thereof, within the corporate limits of the city, for which a special tax is to be levied, the Council shall by resolution declare such work or improvement necessary to be done which resolution shall be adopted by a majority vote of the entire membership of the Council. The passage of a resolution shall be conclusive of the public necessity for the improvement and the benefit thereof. Such resolution shall describe the nature and extent of the improvements to be made; the sections of the public street, sidewalk, alley, or public right-of-way to be improved; the materials which are to be used; and the method of payment of the costs. Upon the passage of a resolution, the Mayor shall prepare and submit to the Council for approval specifications for the improvements.

### Section 1.2. Change of grade—compensation for.

The Council may establish and change the grade of a street, sidewalk, alley, or other rights-of-way in the city; provided, that no material change of a legally established grade shall be made without due compensation to the owners of abutting property with permanent improvements erected with reference to the established grade. The Council shall prescribe by ordinance the method of ascertaining the compensation due to a property owner.

### Section 1.3. Resolution to allocate costs—railroads.

The costs of grading, paving, curbing, guttering, draining, or otherwise improving any street, sidewalk, alley, or public right-of-way may be paid in part by the city and in part by the owners of the property benefited by such improvement. The resolution adopted by the Council declaring the necessity for such construction shall provide what part, if any, of the costs of the improvements shall be paid by the city and the part of the costs that shall be paid by the owners of the property abutting on such street, sidewalk, alley, or right-of-way. The owner of a railroad in or crossing a street shall pay the whole costs of the improvement between the rails and tracks and for two (2) feet on each side of the rails, except as ordered by the Council. The share of the costs of such improvements payable by the owner of a railroad, together with all costs of collecting the same, shall be assessed by the Council as a special tax against and secured by a lien upon the property of the railroad within the city.

The owner of a railroad shall bear the entire expense of laying sidewalks across the full width of the railroad right-of-way when a sidewalk is ordered improved hereunder.

### Section 1.4. Contract procedure.

When specifications for improvements have been approved by the Council, the City Clerk shall advertise in a daily paper of general circulation in the City for bids for the construction of such improvements. The advertisement shall state the time for submitting bids, which shall be not less than ten (10) days from the date of the advertisement. Bids shall be filed with the City Clerk and shall be opened and read at a meeting of the Council. The Council shall award the contract to the most advantageous and the lowest secure bidder, or the Council may reject all bids. No bid shall be amended, revised, or changed

after having been filed. All bids shall be secured in the amount of five percent (5%) of the bid as a penalty if the successful bidder fails to enter into a contract and furnish bonds as required.

### Section 1.5. Assessment procedure.

After assessing the share of the costs of an improvement payable by a railroad, the Council shall assess the remaining costs of construction, reconstruction, and repairing any sidewalk, curbing, guttering, and paving any street, sidewalk, alley, or right-of-way, or making any other improvements ordered hereunder against the property abutting upon the street, sidewalk, alley, or right-of-way upon which the improvements are to be constructed. The Council shall impose a lien against the property to secure the payment of the share of the costs assessed against the property. In apportioning the costs of improvements against abutting property, the lots and parcels in each quarter block shall be charged with a due share of the cost of paving the front and side streets on such quarter block, the alleys therein, and the area of the street intersection, according to the benefit to each lot or parcel. If any part of the abutting property is not platted, the Council shall include such part in proper quarter block districts for the purpose of assessment. The costs assessed against property shall be in proportion to the frontage of the property to the whole frontage of property in the quarter block. The Council shall assess and apportion the costs so as to produce a substantial equality of benefits received by and burdens imposed upon each property.

### Section 1.6. Notice to property owners—hearing.

The Mayor shall prepare and submit to the Council a statement which shall contain the names of the owners of property abutting upon the streets, sidewalks, or alleys to be improved and the description of the property and number of front feet owned by each. The statement shall include an estimate of the total costs of the improvements, and amount of such costs proposed to be assessed against abutting property. The Council shall hold a hearing on the proposed assessments. Notices of the hearing on assessments shall be given by publication for five (5) consecutive issues in a daily newspaper of general circulation in the city and by registered or certified mail to the owners at their last known address. The notice shall be published and mailed ten (10) days or more prior to the date set for the assessment hearing. The notice shall state the time and place of the assessment hearing, the general character of the improvements approved by the Council, the streets, sidewalks, or alleys to be improved, and the part of the total cost of the improvements proposed to be assessed against the abutting property. At the assessment hearing, the Council shall hear the objections of any owner of property which is proposed to be assessed for a part of the cost of the improvements. The Council shall determine the special benefits to the property from the improvements and shall by ordinance assess against each property or railroad within or abutting upon the street, sidewalk, or alley ordered improved, a part of the cost of the improvements as provided herein. The ordinance shall impose a lien upon each property for the amounts assessed and shall state the time and manner of payment of the assessment. The Council may order that the assessments shall be payable in installments and prescribe the amount, time, and manner of payment of installments, which shall not exceed ten (10) years from the completion and acceptance of the improvements. The Council shall prescribe the rate of interest to be paid upon deferred installments, the penalty upon delinquent installments, and provide for collection of delinquent installments, with the

reasonable cost of collection including attorney fees. Any owner of property assessed may pay the full assessment without interest within thirty (30) days from date of adoption of the assessing ordinance and may pay any unmatured installment by paying the installment together with interest to the next installment due date.

**Section 1.7. Power to exclude property not subject to assessment.**

When the Council determines that any property is exempt from special assessment, the Council may order that the improvements shall not be made in front of or abutting upon such property unless the owner shall pay the part of the cost which would be assessed against such property.

**Section 1.8. Petitions for improvements.**

When the owners of two-thirds (⅔) of the front feet of property abutting upon any street, sidewalk, alley, or right-of-way petition the Council for the improvement thereof pursuant to the provisions of this Article, the Council shall order the improvements to be made as provided herein. The petition may specify the materials to be used and the maximum cost per front foot, and no contract shall be awarded at a cost greater than specified. When improvements are ordered to be made upon a petition, the improvements shall be made and the full cost thereof shall be assessed against abutting property and railroads in accord with the provisions of this Article.

**Section 1.9. Tax bills.**

The assessments and liens imposed by the Council against property abutting upon any street, sidewalk, alley, or right-of-way shall be evidenced by assignable tax bills to be issued to the contractor by the city in payment of the cost of the improvements. The Council shall prescribe the form and terms of the tax bills. A recital in the tax bill that the proceedings with reference to making the improvements and imposing the assessments and liens have been in accord with the provisions of this Article shall be prima facie evidence of the facts, and such proceedings shall be presumed to have been in accord with the provisions hereof. The adoption by the Council of an ordinance making an assessment and imposing a lien against property shall operate as notice of the assessment and lien to all creditors of the owners of the property and any purchaser thereof.

**Section 1.10. Delinquent installments.**

The cost of improvements assessed against property, together with reasonable cost of collection including reasonable attorney fees shall be a lien upon the property superior to all other liens, claims, or title, except city, school, county, and state taxes and as to city, school, county, and state taxes, the lien shall be coequal.

When the payment of an installment of an assessment is delinquent under the terms of the assessing ordinance, the Mayor shall, upon request of the holder of the tax bill, certify the delinquent installment, interest, and penalty then due to the County Treasurer of the county in which the property is located. The delinquent installment and interest shall be placed by the County Treasurer upon the delinquent tax list of the county for the current year and collected as other delinquent taxes are collected and upon collection be paid to the city for disbursement to the holder of the tax bill. If the property subject to such assessment is sold by the County Treasurer, the certificate or deed therefor shall be executed and

delivered as provided by law for the sale of property for unpaid ad valorem taxes. Such liens may be enforced by the holder of the tax bill by action in any court of competent jurisdiction. Upon the filing of an action for foreclosure of an installment of an assessment, all remaining installments of an assessment shall become due and payable and the lien thereof may be foreclosed in such action. The Council may by ordinance make other rules and regulations, not inconsistent with this Article, for the collection of assessments for improvements. Any error or omission in selling property or designating the names of owners or any other error or omission may be corrected at any time by the Council or by the County Treasurer as provided by law for the correction of mistakes in sales of property for unpaid ad valorem taxes.

**Section 2.1. Sidewalk improvement districts.**

The Council may construct, reconstruct, or repair any sidewalk, driveway return, or curb in the city when the public necessity requires such improvements. No change of grade previously established by the city shall be made without the payment of compensation to the owner of abutting property for any damage caused to permanent improvements erected with reference to the established grade; provided, the failure to pay such compensation shall not prevent the construction, repair, or improvement of sidewalks, driveway returns, or curbs, or invalidate any assessment against the property for the cost of such construction, reconstruction, or repair.

**Section 2.2. Resolution of necessity.**

When the Council shall deem it necessary to construct, reconstruct, or repair any sidewalk, driveway return, or curb fronting on or along any street, alley, or right-of-way, the Council shall declare by resolution the necessity for such improvements and direct the Mayor to prepare specifications and estimates of the cost of such improvements. Any number of sidewalks, driveway returns, or curbs may be included in a resolution. The Mayor shall prepare and submit to the Council specifications, estimates of cost, and a statement of the names of the owners and the description of the property liable to assessment for the cost of the improvements.

**Section 2.3. Notice to property owners.**

The Council shall approve the specifications and the statement. The Council shall notify the owners of the property liable to assessment for the cost of the improvements that the improvements have been ordered, constructed, reconstructed, or repaired and that specifications and estimates of cost have been approved by the Council and filed with the City Clerk. The Council shall notify the owners of the property liable to assessment to construct, reconstruct, or repair the improvements in accord with the approved specifications within thirty (30) days after the publication of the notice, or the city shall contract for the construction, reconstruction, or repair thereof. The notice shall be published in a daily newspaper of general circulation in the city for three (3) consecutive issues and shall be mailed to the owners of the property liable to assessment at their last known address.

**Section 2.4. Contract procedure.**

If the improvements have not been constructed within thirty (30) days by the owners of the property liable to assessment, the Council shall declare by resolution that the improvements shall be constructed, reconstructed, or repaired, and advertise in a daily

newspaper of general circulation in the city for bids for the construction, reconstruction, or repair in accord with the approved specifications. The resolution shall provide that payment for the cost of the construction, reconstruction, or repairs, an engineering fee of not to exceed five percent (5%) of the cost of construction, and other expenses incurred by the city will be made by the issuance of tax bills. The advertisement shall state the time for submitting bids which shall be not less than ten (10) days from the date of the advertisement. The Council shall award the contract to the most advantageous and the lowest secure bidder, or the Council may reject all bids.

**Section 2.5. Hearing on assessments.**

After the execution of a contract, the Mayor shall submit to the Council a statement of the cost of such improvements, including the engineering fee of not to exceed five percent (5%) of the cost of construction and the other expenses incurred by the city, together with the proposed assessments of those costs against abutting property.

The Council shall hold a hearing on the proposed assessments. Notice of the hearing on assessments shall be given by publication in a daily newspaper of general circulation in the city for three (3) consecutive issues and by registered or certified mail to the owners of the property liable to assessment at their last known address. The notice of assessment hearing shall be mailed and published not less than ten (10) days before the date of the hearing.

The Council shall hear objections of any owner of property liable to assessment and may raise or lower proposed assessments and shall assess by ordinance the total cost of the improvements against the property liable therefor.

**Section 2.6. Payment of contractor.**

The ordinance assessing the cost of the improvements against the property benefited by the improvements shall provide that the assessments shall be payable in three (3) equal annual installments with interest at the rate established by the Council from the date of the adoption of the assessing ordinance. The owner of property assessed with the cost of improvements may pay the full assessment without interest within thirty (30) days from the date of the adoption of the assessing ordinance, or may pay any unmatured installment of an assessment by paying the same together with interest to the next installment due date. Such assessments shall constitute liens against the property until paid.

After the completion and acceptance of the improvements, the Council shall deliver to the contractor any payments of assessments and shall issue and deliver to the contractor in payment of the balance of the total cost of the improvements special sidewalk, driveway return, and curb tax bills. The contractor shall pay to the city the engineering fee and other expenses incurred by the city. The form of the tax bill shall be established by the Council.

**Section 2.7. Delinquent assessments.**

The Mayor after twenty (20) days from the due date of an installment of an assessment shall, upon the request of the holder of an unpaid and delinquent sidewalk, driveway return, or curb tax bill, certify to the County Treasurer of the county in which the property is located, the delinquent installment, interest, and penalty. The County Treasurer shall place the delinquent installment, interest and penalty upon the delinquent tax list of the

county to be collected as other delinquent taxes are collected. Delinquent installment assessments shall bear the penalty established by the Council from the due date of each installment until paid. The County Treasurer shall advertise such delinquent assessments upon the delinquent tax list and sell the property liable for the assessment as provided by law for the sale of property for unpaid ad valorem taxes. Collected delinquent assessments shall be paid to the city for disbursement to the holder of the tax bill.

**Section 2.8. Foreclosure.**

The holder of a special sidewalk, driveway return, and curb tax bill may foreclose the lien of the tax bill when any assessment shall remain delinquent for a period of one (1) year by an action in a court of competent jurisdiction. Upon the filing of an action for foreclosure of an installment of an assessment, all remaining installments of an assessment shall become due and payable and the lien thereof may be foreclosed in such action.

**Section 2.9. Emergency procedure.**

When the Council shall determine it necessary for the public safety to immediately repair any sidewalk, driveway return, or curb, the Council may declare by resolution an emergency and make such repairs. The Council shall order the owner or occupant of the property abutting the sidewalk, driveway, or curb to make such emergency repairs within three (3) days after the service of the order. If the owner or occupant cannot be found, the order may be served by posting a copy thereof upon the property abutting the sidewalk, driveway, or curb to be repaired. If the repairs are not made in accord with the order, the city may repair the sidewalk, driveway return, or curb or award a contract for the repair without advertisement. The cost of the repairs shall be assessed against the abutting property as provided by this Article for sidewalk assessments; provided, assessments of three hundred dollars ($300.00) or less shall be payable in one (1) installment.

**Section 3.1. Sanitary sewer districts.**

The Council may establish by ordinance districts for the construction, reconstruction, repair, or extension of sanitary sewers. The Council shall establish a district when the owners of more than one-half (½) the area of the land liable to assessment for a sanitary sewer shall petition therefor. Sewer districts may be changed, enlarged, or extended and shall include all necessary sewers, laterals, inlets, catch-basins, manholes, and other appurtenances necessary to serve the property within the district.

**Section 3.2. Payment for public sewers.**

Except as herein otherwise provided, the cost of construction, reconstruction, repair, and extension of public sanitary sewers shall be paid as follows:

**A.** The cost of mains and submains shall be paid by the city; except, upon a petition signed by the owners of more than one-half (½) in area of the land that will be drained or benefited by the construction of mains or submains, the Council may create a district and order the construction of mains and submains and assess the cost of construction against property included within the district and benefited by the mains and submains as provided in Section 3.4 of this Article; and

**B.** The cost of district sewers and laterals shall be paid by the owners of the property abutting on and served by the district sewers and laterals; provided, where a main

or submain serves the purpose of a district sewer or a lateral for the property abutting thereon, the abutting property shall be assessed an amount equal to the assessment which would have been made for a district sewer or lateral.

**Section 3.3. Construction of district sewers.**

The Mayor shall prepare and submit to the Council plans and specifications for the construction of sanitary sewers within a sewer district and an estimate of the cost of construction. Upon approval by the Council, the City Clerk shall advertise in a daily newspaper of general circulation in the city for bids for the construction of the sewers. The advertisement shall state the time for submitting bids which shall not be less than ten (10) days from the date of the advertisement. Bids shall be filed with the City Clerk and shall be opened at a meeting of the Council. The Council shall award the contract to the most advantageous and lowest secure bidder, or the council may reject all bids.

**Section 3.4. Assessments and hearing.**

After the execution of a contract, the Mayor shall submit to the Council a statement of the cost of construction which shall include an engineering fee not exceeding five percent (5%) of the cost of construction and other expenses incurred by the city, together with the proposed assessments of those costs against property included within the sewer district and benefited by the construction of the sewers. The cost shall be assessed against each property in the sewer district in the proportion of the area of each property to the area of the entire district, excluding public streets. The Council shall hold a hearing on the proposed assessments. Notice of the hearing on assessments shall be given by publication in a daily newspaper of general circulation in the city for three (3) consecutive issues and by registered or certified mail to the owners of the property liable to assessment at their last known address. The notice of the assessment hearing shall be mailed and published not less than ten (10) days before the date of the hearing. The Council shall hear the objections of any owner of property liable to assessment and correct the assessments to conform to the provisions of this Section.

**Section 3.5. Tax bills.**

The Council shall assess by ordinance the total cost of construction against the property within the district. The assessing ordinance shall state the assessment against each lot or parcel within the district, the time and manner of payment, the rate of interest to be charged upon deferred installments, the penalty upon delinquent installments, and that each assessment shall be payable in five (5) equal annual installments commencing one (l) year after the date of the adoption of the assessing ordinance. The owner of property assessed with the cost of improvements may pay the full assessment without interest within thirty (30) days from the date of the adoption of the assessing ordinance, or may pay any unmatured installment of an assessment by paying the same together with interest to the next installment due date. Such assessments shall constitute liens against the property until paid.

**Section 3.6. Payment of contractor.**

After completion and acceptance of the sewers, the Council shall deliver to the contractor any payments of assessments and shall issue and deliver to the contractor sewer

tax bills in payment of the balance of the total costs. The contractor shall pay to the city the engineering fee and other expenses incurred by the city. The form of the sewer tax bill shall be established by the Council.

**Section 3.7. Assessments a lien—delinquencies.**

Sewer tax bills, and the interest and penalty thereon, shall be a lien until paid against the lots and parcels of land assessed from the date of the adoption of the assessing ordinance coequal with the lien of ad valorem taxes and all other taxes and special assessments and prior and superior to all other titles and liens against such lots or parcels of land. The Mayor after twenty (20) days from the due date of an installment of an assessment shall, upon the request of the holder of an unpaid and delinquent sewer tax bill, certify to the County Treasurer of the county in which the property is located the delinquent installment, interest, and penalty. The County Treasurer shall place the delinquent installment, interest, and penalty upon the delinquent tax list of the county to be collected as other delinquent taxes are collected. Delinquent assessments shall bear the penalty established by the Council from the due date of each installment until paid. The County Treasurer shall advertise such delinquent assessments upon the delinquent tax list and sell the property liable for the assessment as provided by law for the sale of property for unpaid ad valorem taxes. Collected delinquent assessments shall be paid to the city for disbursement to the holder of the sewer tax bill.

**Section 3.8. Foreclosure.**

The holder of a sewer tax bill may foreclose the lien of the tax bill when any assessment shall remain delinquent for a period of one (1) year by an action in a court of competent jurisdiction. Upon the filing of an action for foreclosure of an installment of an assessment, all remaining installments of an assessment shall become due and payable and the lien thereof may be foreclosed in such action.

**Section 4. Resort to courts.**

No action shall be commenced or maintained to set aside a tax bill issued pursuant to this Article, or to enjoin the Council from making improvements under this Article unless commenced within twenty (20) days after the adoption of the ordinance making such assessments; provided, that if a tax bill or assessment shall be declared invalid in whole or in part, the Council may make a new assessment as provided herein for original assessments.

# ARTICLE X. CIVIL SERVICE COMMISSION AND MERIT SYSTEM

## Section 1.1. Purpose.

A merit system is hereby created. Appointments and promotions in the classified service of the city shall be made solely on the basis of merit and fitness, determined by competitive procedures.

## Section 1.2. Removals.

Suspensions, removals, and demotions shall be made solely for cause and the good of the service.

## Section 1.3. Firefighters excluded.

The provisions of this Article shall not apply to sworn firefighters of the city.

## Section 2.1. Civil service commission.

There is hereby created a Civil Service Commission which shall consist of five (5) members appointed for five (5) year terms by the Mayor, subject to confirmation by a majority vote of the entire membership of the Council. Members of the Civil Service Commission serving as of the effective date of this amended Charter shall continue to serve until the expiration of their respective terms. In the event of death, resignation, or removal from office of a member of the Civil Service Commission, the Mayor shall appoint a successor to fill the unexpired term of such member, subject to confirmation by a majority vote of the entire membership of the Council. Members shall be qualified electors of the city and shall not be or become candidates for any public office or hold any public or political office during their tenure as members of the Civil Service Commission. Any member may be removed for cause after a public hearing by an affirmative vote of two-thirds (2/3) of the entire membership of the Council.

## Section 2.2. Chairman and vice chairman.

The Civil Service Commission shall elect a Chairman and Vice Chairman and shall hold a minimum of one (1) regular meeting each month. The Chairman or any two (2) Commission members may call special meetings of the Civil Service Commission. Members shall serve without compensation. The Civil Service Commission may summon and compel the attendance and testimony of witnesses, the production of books, papers, or other evidence, and may impose penalties established by rule for refusal to obey an order or a subpoena. All meetings shall be open to the public as provided by the laws of Oklahoma.

## Section 3. Rules and regulations.

The Civil Service Commission shall adopt rules and regulations governing the merit system which shall be submitted to the Council for approval or disapproval. The personnel rules and regulations shall become effective upon approval by the Council, or if the Council fails to act, the rules and regulations shall become effective twenty-one (21) days after the date of submission to the Council. The personnel rules and regulations shall be made available to any employee upon request. The personnel rules and regulations shall particularly provide for:

**A.** The classification of all positions in the classified service;

**B.** The qualifications, standards, and procedures for entrance and promotion procedures, and methods of certification of eligibility to the appointing authority;

**C.** The preparation of reemployment, promotion and seniority lists;

**D.** Transfers, promotions, demotions, and dismissals;

**E.** The grounds for disciplinary action;

**F.** Appeals of classified personnel;

**G.** Procedures for the Civil Service Commission to hear appeals, grievances, and recommendations of employees pertaining to the merit system; and

**H.** Probationary periods not exceeding one (1) year for original appointees and promotees.

The Civil Service Commission shall recommend to the Mayor a pay plan for the different classes, ranks, and grades and rules for vacation, sick, and other leaves for all officers and employees in the classified service which may be approved, disapproved, or revised by the Mayor.

### Section 4. Personnel director.

There is hereby created the position of Personnel Director. The Personnel Director shall be recommended by the Civil Service Commission and shall be appointed by the Mayor, subject to confirmation by a majority vote of the entire membership of the Council. The Personnel Director, under the direction of the Civil Service Commission, shall administer the merit system established by this Article. The Personnel Director shall be a person experienced in personnel administration and familiar with its principles and methods. The Personnel Director shall be subject to dismissal for cause by the Civil Service Commission.

### Section 4.1. City Attorney appointment.

The person appointed to the office of City Attorney created by Article III, Section 4 of this amended City Charter shall be appointed to the classified service of the City of Tulsa; notwithstanding the provisions of Article II, Section 19, the Mayor's appointment of the City Attorney shall be subject to confirmation by a majority vote of the entire membership of the Council.

*(Res. No. 20046, Prop. No. 4, 5-20-20/Elec. of 8-25-20)*

### Section 5. Classified and unclassified service.

All officers and employees whose salaries are wholly paid by the city shall be in the classified service, except the following:

**A.** Elective officers;

**B.** Not more than sixteen (16) positions on the staff of the Mayor to be designated by the Mayor, which positions shall include the heads of any divisions;

**C.** One (1) position on the staff of the City Auditor to be designated by the City Auditor;

**D.** Members of boards and authorities;

**E.** Temporary, emergency, and special qualification personnel employed or under contract for temporary periods, as defined by the Civil Service Commission; and

**F.** Municipal judges.

No officers and employees other than those listed above as exceptions shall be in the unclassified service.

**Section 6.1. Appointments and promotions.**

All original appointments and promotions to positions in the classified service shall be based upon competitive procedures. The Personnel Director shall certify to the appointing authority for original appointment or promotion the names of at least three (3) persons making passing grades and scoring highest, if at least three (3) apply and are qualified.

**Section 6.2. Probationary periods.**

Probationary periods as established by rule shall be served by original appointees and promotees during which the appointing authority may terminate the service of an original appointee or restore the former position of a promotee.

**Section 6.3. Veterans.**

Every honorably discharged veteran of the Armed Services of the United States, with six (6) months or more of active duty service during a period of war or armed conflict, passing the examination shall have five percent (5%) added to the grade for an original appointment examination.

**Section 6.4. Promotions.**

Qualified persons in the classified service may take promotion examinations in any department, except for sworn police officer positions; provided, if no classified person qualifies, then other qualified persons shall be eligible to take the examination.

**Section 6.5. Police officer promotions.**

Only sworn police officers of the City may take promotion examinations for sworn police officer positions.

**Section 7. Reduction for economy or abolition of position.**

Whenever the number of employees in any department is reduced for economy reasons, when a position is abolished, or when a position on the staff of the Mayor is removed from the classified service by designation of the Mayor, the persons with the least seniority in the affected classifications shall be reduced to the next lower classification for which qualified in that department and in like manner with the persons of least seniority in the lowest classification in that department being removed. Any person removed who makes written request to the Personnel Director within thirty (30) days shall be placed upon a reemployment list with priority for reemployment in their classification in any department of the city according to their seniority.

**Section 8.1. Suspension, removal, and demotion.**

All officers and employees in the classified service shall hold their respective positions regardless of changes of city officials or city administrations and shall be suspended without pay, demoted, or removed only for good and sufficient cause.

**Section 8.2. Notice.**

Persons in the classified service who are suspended without pay, removed, or demoted shall be notified in writing of the specific cause thereof within five (5) days following such action. A copy of such statement of cause shall be filed with the Personnel Director. Within ten (10) days from the receipt of such notice, the person affected may file a written request with the Personnel Director for a hearing before the Civil Service Commission. If such person shall fail to request a hearing before the Civil Service Commission as provided herein, the suspension without pay, removal, or demotion shall be final. The Civil Service Commission shall hold a public hearing within sixty (60) days after the filing of the request.

*NOTE: This section was amended to read as above by an amendment voted February 13, 1996, and approved by the Governor on June 21, 1996. There were 47,394 votes in favor of the amendment and 9,530 votes against the amendment. The title to this amendment read:*

*Shall the existing charter of the City of Tulsa, as heretofore amended, be further amended to provide that employees must file appeals of a suspension, demotion, or termination within ten (10) days of notification and to provide hearings may be held within sixty (60) days of the notice of appeal?*

*Prior to this amendment, this section read as follows:*

**Section 8.2. Notice.**

*Persons in the classified service who are suspended without pay, removed, or demoted shall be notified in writing of the specific cause thereof within five (5) days following such action. A copy of such statement of cause shall be filed with the Personnel Director. Within ten (10) days from the receipt of such notice, the person affected may file a written request with the Personnel Director for a hearing before the Civil Service Commission. The Civil Service Commission shall hold a public hearing within thirty (30) days after the filing of the request. If such person shall fail to request a hearing before the Civil Service Commission as provided herein, the suspension without pay, removal, or demotion shall be final.*

**Section 8.3. Hearing.**

Not less than three (3) members of the Civil Service Commission shall be required to hold a hearing on a suspension, removal, or demotion. A majority vote of the members holding the hearing shall be required for a decision. The City Attorney shall present the charges upon which the suspension, removal, or demotion is based. The Civil Service Commission shall rule upon the question of admissibility of evidence, competency of witnesses, and any other question of law. The employee may be represented by counsel or another person. The hearing shall be informal and shall be conducted in accord with the rules of evidence generally followed before administrative tribunals and without formal or technical adherence to those rules which prevail in a court of law. The burden of proof shall be upon the appointing authority whose action is the subject of the hearing. No suspension, removal, or demotion shall be affirmed unless sustained by a preponderance of the evidence.

*NOTE: This section was amended to read as above by an amendment voted February 13, 1996, and approved by the Governor on June 21, 1996. There were 40,464 votes in favor of the amendment and 13,924 votes against the amendment. The title to this amendment read:*

*Shall the existing Charter of the City of Tulsa, as heretofore amended, be further amended to allow Civil Service Commission appeals to be heard by three commissioners?*

*Prior to this amendment, this section read as follows:*

**Section 8.3. Hearing.**

*Not less than four (4) members of the Civil Service Commission shall be required to hold a hearing on a suspension, removal, or demotion. A vote of three (3) members shall be required for a decision. The City Attorney shall present the charges upon which the suspension, removal, or demotion is based. The Civil Service Commission shall rule upon the question of admissibility of evidence, competency of witnesses, and any other question of law. The employee may be represented by counsel or another person. The hearing shall be informal and shall be conducted in accord with the rules of evidence generally followed before administrative tribunals and without formal or technical adherence to those rules which prevail in a court of law. The burden of proof shall be upon the appointing authority whose action is the subject of the hearing. No suspension, removal, or demotion shall be affirmed unless sustained by a preponderance of the evidence.*

**Section 8.4. Action.**

If after the hearing before the Civil Service Commission the employee is found to be suspended, removed, or demoted without adequate cause, the position of the employee shall be restored without loss of pay. If the Civil Service Commission shall find cause, it may approve or modify the action taken by the appointing authority; provided, any right of appeal to the courts shall not be abrogated. The Civil Service Commission shall make written decisions with findings of fact.

**Section 8.5. Discrimination prohibited.**

No person in the classified service shall be suspended, removed, or demoted because of race, creed, color, sex, age, national origin, religion, political beliefs or affiliations, except when such person advocates the overthrow of the government by force or violence.

**Section 9. Compensation.**

All persons having the same classification in the classified service shall receive a rate of pay within the limits of compensation for that classification. The Personnel Director shall certify to the Mayor the pay rate of each employee entering the classified service of the city.

**Section 10.1. Political activities permitted.**

Municipal employees in the classified service may attend and express their views at city council meetings, or any other public meetings of municipal entities.

Any municipal employee in the classified service may actively participate in partisan and nonpartisan political activities. Provided, the political activity in which the employee participates shall be exercised only during off-duty hours and while not in uniform. Any federal statutes restricting the political activities of certain municipal employees shall supersede the provisions of this section as to such employees.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017. There were 6,968 votes in favor of the amendment and 3,312 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article X, "Civil Service Commission and Merit System", Section 10.1, "Political Activities Prohibited", and Article XI, "Fire Department",*

*Section 5.1 "Political Activities Prohibited", be amended to permit municipal employees, including firefighters, to attend public meetings and express their views, and to permit political activities by municipal employees, including firefighters, when off duty and not in uniform?*

*Prior to this amendment, this section read as follows:*

**Section 10.1. Political activities prohibited.**

*No person in the classified service shall take an active part in any campaign for the election of officers of the city, except to vote and privately state a personal opinion.*

**Section 10.2. Solicitations prohibited.**

No contributions for a candidate for a city office shall be solicited by or from persons in the classified service.

**Section 10.3. Voting threats prohibited.**

A Mayor, Councilor, City Auditor, officer, or employee of the city who threatens, intimidates, or coerces, or attempts to threaten, intimidate, or coerce, an employee in the classified service in the exercise of a vote shall be guilty of willful maladministration and shall be subject to removal from office or position as provided in this Article or by the laws of Oklahoma.

## ARTICLE XI. FIRE DEPARTMENT

### Section 1. Fire department created.

The Fire Department of the city is hereby created.

### Section 2. Fire chief—How appointed—Qualifications.

The Chief of the Fire Department shall be appointed by the Mayor. The Chief shall have had at least ten (10) years of experience as a firefighter in the city.

### Section 3. Firefighters—How appointed.

The sworn members of the Fire Department shall, upon the approval and recommendation of the Fire Chief, be appointed by the Mayor; provided, all persons so appointed shall serve on probation for a period of twelve (12) months from the time of such appointment, during which time the Personnel Committee of the Fire Department may terminate the appointment of such probationary firefighter if upon observation, investigation, or consideration of the performance of duty they deem that probationary firefighter unsatisfactory or unfit for the service.

*(Res. No. 20044, Prop. No. 2, 5-20-20/Elec. of 8-25-20)*

### Section 4.1. Tenure of office and retention of rank.

The sworn members of the Fire Department, including the Chief of the Fire Department, shall hold their respective positions during good behavior regardless of changes of city officials or city administrations, unless removed for good and sufficient cause. No sworn member of the Fire Department shall be removed, suspended, demoted, or discharged except for good and sufficient cause and then only upon written charges filed by the Mayor or the Chief of the Fire Department. A written statement of charges in clear and concise language shall be served upon the person charged, and such person shall be summarily demoted or suspended from service, as requested in such charges, pending trial thereon.

### Section 4.2. Trial.

Any person against whom written charges are filed, requesting removal, suspension, demotion, or discharge, may within ten (10) days from the date of service of the charges upon the person file with the City Clerk a demand for an open trial before the Council. At the trial the person charged shall have the right to be represented by legal counsel. The Council shall, within ten (10) days after demand, give the person charged an open hearing upon the charges.

### Section 4.3. Decision.

If after hearing the Council shall find that good and sufficient cause has not been shown for the removal, suspension, demotion, or discharge, the Council shall order the person charged to be reinstated and shall compensate them for the time of such removal, demotion, or suspension. If the Council by a majority vote shall find that good and sufficient cause has been shown by a preponderance of evidence, the Council may order the

removal, suspension, demotion, or discharge of such person, or may discipline such person by suspension for a period of not more than ninety (90) days or by fine in an amount not to exceed fifty dollars ($50.00), or both.

*(Res. No. 20044, Prop. No. 1, 5-20-20/Elec. of 8-25-20)*

**Section 4.4. Transfers.**

No sworn member of the Fire Department shall be transferred out of the Fire Department without the written consent of the firefighter.

**Section 4.5. Appeals.**

No act of the Council shall be construed to deny a sworn member of the Fire Department the right to file an action for hearing before any court of general jurisdiction.

**Section 5.1. Political activities permitted.**

Any chief, officer, or sworn members of the Fire Department may attend and express their views at city council meetings, or any other public meetings of municipal entities.

Any chief, officer, or sworn member of the Fire Department may actively participate in partisan and nonpartisan political activities. Provided, the political activity in which the employee participates shall be exercised only during off-duty hours and while not in uniform. Any federal statutes restricting the political activities of certain municipal employees shall supersede the provisions of this section as to such employees.

*NOTE: This section was amended to read as above by an amendment voted November 14, 2017. There were 6,968 votes in favor of the amendment and 3,312 votes against the amendment. The title to this amendment read:*

*Shall the City Charter of the City of Tulsa, Article X, "Civil Service Commission and Merit System", Section 10.1, "Political Activities Prohibited", and Article XI, "Fire Department", Section 5.1 "Political Activities Prohibited", be amended to permit municipal employees, including firefighters, to attend public meetings and express their views, and to permit political activities by municipal employees, including firefighters, when off duty and not in uniform?*

*Prior to this amendment, this section read as follows:*

**Section 5.1. Political activities prohibited.**

*No chief, officer, or sworn member of the Fire Department shall take an active part in any campaign for the election of officers of the city, except to vote and privately state a personal opinion.*

**Section 5.2. Political contributions.**

No contributions for a candidate for a city office shall be solicited by or from a sworn member of the Fire Department.

**Section 5.3. Voting.**

A Mayor, Councilor, City Auditor, officer, or employee of the city, or chief or sworn member of the Fire Department who threatens, intimidates, or coerces, or attempts to

threaten, intimidate, or coerce, a sworn member of the Fire Department in the exercise of a vote shall be guilty of willful maladministration and be subject to removal from office or position as provided by this Article or by the laws of Oklahoma.

**Section 6. Reduction of force, curtailment of expenditures.**

Nothing herein shall be construed to prohibit the Mayor from reducing the number of the force of the Fire Department because of curtailment of expenditures or like causes; provided, the persons discharged for such reasons shall be those of least seniority in period of time of service in the Fire Department; and provided further, each person so discharged for such causes shall be at the head of the list of eligibles for appointment and first employed in the order of such seniority.

**Section 7. Promotion.**

All promotions shall be made by the Mayor upon the written recommendation of the Personnel Committee. All promotions shall be made solely on merit, efficiency, and fitness, which shall be ascertained by competitive examination and impartial investigation by the Personnel Committee.

**Section 8. Applicants.**

An applicant for initial appointment or reappointment on the Fire Department shall meet the qualifications established by the rules and regulations of the Fire Department and by the laws of Oklahoma. Such rules and regulations shall be approved by the Council.

**Section 9. Personnel committee.**

The Personnel Committee of the Fire Department shall be composed of seven (7) members as follows:

**A.** The Chief of the Fire Department;

**B.** One (1) Chief Officer selected by the Mayor;

**C.** The Chief Officer in charge of training;

**D.** One (1) Chief Officer selected by the Fire Chief;

**E.** One (1) Fire Captain elected by the Fire Captains;

**F.** One (1) Fire Equipment Operator elected by the Fire Equipment Operators; and

**G.** One (1) firefighter elected by the firefighters below the rank of Fire Equipment Operator.

Four (4) members of the Personnel Committee shall constitute a majority and have power to act. The elected members of the Personnel Committee shall be elected only by the sworn members of the Fire Department who are of the classes designated in subsections E., F., and G. of this Section.

**Section 10. Discrimination prohibited.**

No chief, officer, or sworn member of the Fire Department shall be suspended, removed, or demoted because of race, creed, color, sex, national origin, religion, political beliefs or affiliations, except when such person advocates the overthrow of the government by force or violence.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## ARTICLE XII. MISCELLANEOUS PROVISIONS

### Section 1. Definition of officer and qualified elector.

The term "officer" as used in this amended Charter shall apply only to those officers who are elected, appointed by the Mayor and confirmed by the Council, or who hold an office created by this amended Charter. The term "qualified elector" as used in this amended Charter shall mean a registered voter of the City of Tulsa, registered to vote as provided by the laws of Oklahoma.

*NOTE: This section was amended to read as above by an amendment voted March 1, 1994, and approved by the Governor on May 2, 1994. There were 59,574 votes in favor of the amendment and 7,964 votes against the amendment. The title to this amendment read:*

*Shall the existing Charter of the City of Tulsa, as heretofore amended, be further amended to define the term "qualified elector" to mean a registered voter of the City of Tulsa, registered to vote as provided by the laws of Oklahoma?*

*Prior to this amendment, this section read as follows:*

**Section 1. Definition of officer.**

*The term "officer" as used in this amended Charter shall apply only to those officers who are elected, appointed by the Mayor and confirmed by the Council, or who hold an office created by this amended Charter.*

### Section 2. All property subject to special assessment.

No property of any kind in the city shall be exempt from any of the special taxes and assessments authorized by this amended Charter for local improvements.

### Section 3. Execution of instruments.

All bonds, contracts, or other instruments requiring the approval of the city shall, unless otherwise provided by ordinance, by signed by the Mayor, or the Temporary Mayor and attested by the City Clerk; provided, however, that those contracts evidencing a settlement of claims where $1 million or more is claimed, whether a single claim or multiple claims arising out of a single act, accident, or the same transaction or occurrence, such contracts shall be signed by the Mayor, or the Temporary Mayor, and by the Chairman of the Council and attested by the City Clerk.

*NOTE: This section was amended to read as above by an amendments voted November 10, 2009, and approved by the Governor on January 5, 2010. There were 41,432 votes in favor of the amendment and 22,727 votes against the amendment. The title to this amendments read:*

*Shall the Charter of the City of Tulsa be amended to require that before any claim or lawsuit where the demand is equal to or greater than $1 million ($1,000,000) may be settled both the Mayor and the City Council must agree to the settlement?*

*Prior to the amendment, this section read as follows:*

**Section 3. Execution of instruments.**

*All bonds, contracts, or other instruments requiring the approval of the city shall, unless otherwise provided by ordinance, be signed by the Mayor, or the Temporary Mayor and attested by the City Clerk.*

**Section 4. Creation of advisory boards and commissions.**

Boards and commissions may be created by ordinance to serve and function in an advisory capacity. Members of boards and commissions created by ordinance shall serve until the expiration of their terms, unless disqualified and removed by the Mayor and City Council, prior to the expiration of their terms, as prescribed by ordinance. The members of boards and commissions shall serve without compensation.

*(Res. No. 20045, Prop. No. 3, 5-20-20/Elec. of 8-25-20)*

**Section 5. Exemption of city property from execution or assignment.**

The property, real and personal, of the city shall not be subject to sale or appropriation under any writ of execution. The city shall not accept or honor an assignment of the wages of any officer or employee of the city, whether earned or unearned, except as specifically provided by the laws of Oklahoma. No lien of any kind shall exist against any property of the city.

**Section 6. Bonds of officers and employees.**

City officers and employees shall enter into bonds for the faithful performance of their duties as required by ordinance.

**Section 7. Waiver of fines, penalties, fees, and charges.**

The Council, for good cause shown, may waive, in whole or in part, any fine, penalty, fee, or charge imposed under any ordinance.

**Section 8. Bonds required from contractors.**

Prior to commencement of performance of a contract for a public improvement, good and sufficient corporate surety bonds shall be given as required by the laws of Oklahoma.

**Section 9. Applicability of state law.**

The provisions of this amended Charter, and the provisions of any ordinance adopted by the Council in the exercise of a power granted, conferred, or reserved by the people of the city shall prevail over the provisions of a conflicting law of Oklahoma with respect to matters of purely local concern. Any matter pertaining to the government of the city not provided for in this amended Charter or by ordinance shall be governed by the laws of Oklahoma.

**Section 10. Oaths of office.**

Every person elected or appointed to an office in the city shall take the oath prescribed by the Constitution of Oklahoma.

**Section 11. Expiration of terms and appointments.**

**A.** All elected and appointed officers, and members of boards, commissions, authorities, and agencies created by this amended Charter, ordinance, agreement, or pursuant to law shall serve until the expiration of their terms and until their successors are elected and qualified or appointed as provided in this amended Charter.

**B.** All mayoral appointments to boards, commissions, authorities, and agencies created by this amended Charter, ordinance, agreement, or pursuant to law and requiring Council confirmation shall be made within sixty (60) days from the creation of the vacancy or expiration of an existing term, or within such additional time as may be authorized by the Council, for good cause shown. Upon omission of the Mayor to timely appoint any such member, such appointment shall be made by the Council.

**C.** Members of boards, commissions, authorities, and agencies created by this amended Charter, ordinance, agreement, or pursuant to law may be disqualified and removed by the Mayor and City Council prior to the expiration of their terms, as prescribed by ordinance.

*(Res. No. 20045, Prop. No. 3, 5-20-20/Elec. of 8-25-20)*

**Section 12.1. Public safety officers.**

All regularly employed sworn police officers and sworn firefighters are hereby designated collectively as Public Safety Officers.

**Section 12.2. Service pay.**

In order to provide continuity of service and to induce Public Safety Officers to remain in the service of the city and thereby improve the proficiency of those departments of the city charged with the responsibility of the public safety and in recognition of the hazardous nature of the duties performed by such Public Safety Officers and the special training and experience required and the peculiar working conditions of such officers, there is hereby established a longevity service pay allowance to be paid to such officers meeting the requirements herein set out. Such longevity service pay allowance shall be in addition to their regular salaries, merit raises, allowances, and other benefits established by proper authority.

**Section 12.3. Amount of service pay.**

Each Public Safety Officer who has completed three (3) years of service as a Public Safety Officer employee of the City shall receive seven and 50/100 dollars ($7.50) per month as a longevity pay allowance to commence the first day of the month following the month in which the third anniversary of employment occurs; and in like manner thereafter an additional two and 50/100 dollars ($2.50) per month for each successive year of regular employment as a Public Safety Officer until a Public Safety Officer shall have completed twenty (20) years of service. The longevity pay allowance shall not be increased after twenty (20) years of service.

**Section 13. Conflicts of interest.**

A violation of this Section shall render vacant the position held by the person in violation hereof. In the event the Mayor, a Councilor, the City Auditor, an officer, or employee of the city has a financial interest, directly or indirectly, in a proposed ordinance or resolution, or in any work, business, or contract, the cost of which is paid by the city or by any assessment levied by ordinance or resolution of the Council, such person shall disclose the interest to the Council and shall not participate in proceedings or vote thereon; provided, after a disclosure of an interest by the Mayor, contracts may be awarded upon

competitive bids with the approval of the Council by a majority vote of its entire membership. Contracts awarded or executed in violation of this Section shall be voidable by the Council.

*NOTE: This section was amended to read as above by an amendment voted February 13, 1996, and approved by the Governor on June 21, 1996. There were 30,419 votes in favor of the amendment and 24,985 votes against the amendment. The title to this amendment read:*

*Shall the existing Charter of the City of Tulsa, as heretofore amended, be further amended to delete the prohibition that the Mayor, Councilors, City Auditor, officers, employees, and members of boards and commissions shall not be in the employ of a person, company or corporation holding a franchise of the City of Tulsa?*

*Prior to this amendment, this section read as follows:*

**Section 13. Conflicts of interest.**

*The Mayor, Councilors, City Auditor, officers, employees, and members of boards and commissions shall not be in the employ of any person, company, or corporation holding or seeking any franchise of the city. A violation of this Section shall render vacant the position held by the person in violation hereof. In the event the Mayor, a Councilor, the City Auditor, an officer, or employee of the city has a financial interest, directly or indirectly, in a proposed ordinance or resolution, or in any work, business, or contract, the cost of which is paid by the city or by any assessment levied by ordinance or resolution of the Council, such person shall disclose the interest to the Council and shall not participate in proceedings or vote thereon; provided, after a disclosure of an interest by the Mayor, contracts may be awarded upon competitive bids with the approval of the Council by a majority vote of its entire membership. Contracts awarded or executed in violation of this Section shall be voidable by the Council.*

**Section 14. Contracts and purchases—competitive bids and procedures.**

Except as otherwise provided in this amended Charter, all contracts of whatever character pertaining to public improvements or the maintenance of property of the city requiring an expenditure of more than seven thousand five hundred dollars ($7,500.00), unless such amount is established otherwise by ordinance, shall be based upon specifications approved by the Mayor. An advertisement for the proposed contract inviting competitive bids shall be published in a daily newspaper of general circulation in the city not less than five (5) times. Specifications for the contract shall be filed with the City Clerk for inspection by parties desiring to bid. All bids shall be sealed and be opened publicly at the time and place specified in the notice. All bids shall be open to the public for inspection for at least forty-eight (48) hours before the award of the contract is made. The Mayor shall:

**A.** Accept and enter into a contract with the party submitting the lowest secure bid; or

**B.** Enter into a contract with a party other than the lowest secure bidder, with the approval of the Council, if the Mayor determines such bid to be the most advantageous bid for the city; or

**C.** Reject all bids, if the Mayor determines that none of the bids are satisfactory, in which event the Mayor may readvertise for bids or, with the approval of the Council, enter into a negotiated contract for the performance of the work.

All expenditures for supplies, materials, equipment, or services, other than those of a professional nature, requiring an expenditure of more than seven thousand five hundred

dollars ($7,500.00), unless such amount is established otherwise by ordinance, shall be made upon written contract after such competition prescribed by ordinance. The provisions of this Section may be waived by a majority vote of the entire membership of the Council upon the declaration of an emergency, whereby the immediate award of a contract is determined by the Council to be necessary for the preservation or protection of the public peace, health, safety, or welfare.

**Section 15. Vacation of office.**

When any officer, employee, or member of a board or commission ceases to possess any required qualification for election, appointment, or service, the Council after public hearing may declare such office or position vacant and the vacancy shall be filled as provided by this amended Charter. When an elected officer or an officer appointed by the Mayor and confirmed by the Council is charged with the commission of a felony, such officer shall be deemed suspended pending the trial or other disposition of the charge and shall receive no compensation from the city for the time of the suspension unless found innocent of such charge. Upon conviction of the officer in the trial court, the office or position held by such officer shall be deemed vacated as of the date of the indictment or filing of the charge and the vacancy shall be filled as provided in this amended Charter.

**Section 16. Records open to inspection.**

All records of the city and of boards, authorities, and commissions shall be open to inspection by citizens as provided by the laws of Oklahoma.

**Section 17. Powers granted by state.**

When the Constitution or the laws of Oklahoma applicable to cities which have adopted a charter impose a duty or confer a power upon a commission, city council, board of trustees, governing body, or other legislative body of a city, such duty imposed or power conferred shall be performed or exercised by the Council. When the Constitution or the laws of Oklahoma applicable to cities which have adopted a charter impose a duty or confer a power upon a mayor, chief executive or administrative officer of a city, such duty imposed or power conferred shall be performed or exercised by the Mayor.

**Section 18. Charter powers cumulative.**

When a power, authority, or right is conferred upon the city or upon the Council and different provisions are incorporated herein for the exercise thereof, each of such provisions shall be held and construed to be cumulative of the other pertaining to the same subject and the Council shall determine which of such powers it shall exercise.

**Section 19. Administration of oaths.**

The Mayor, Councilors, the City Clerk, and the City Attorney may administer oaths in the performance of their duties.

**Section 20. Amendments.**

Amendments to this amended Charter shall be submitted to the qualified electors of the city in the manner prescribed by the Constitution and by the laws of Oklahoma.

**Section 21. Continuance of officers and employees.**

All members of boards, commissions, authorities, and agencies created by ordinance at the effective date of this amended Charter shall continue to hold their offices and shall continue to perform their duties until their terms expire or until other provisions are made by ordinance. All employees of the city at the effective date of this amended Charter shall continue to hold their positions, subject to the provisions of Articles X and XI hereof.

**Section 22. Continuance of ordinances.**

All ordinances, resolutions, rules, and regulations of the city adopted prior to the effective date of this amended Charter shall remain in full force and effect until repealed or amended as provided in this amended Charter or by ordinance, or resolution.

**Section 23. Continuance of contracts.**

No existing right, action, suit, proceeding, or contract shall be affected by this amended Charter. All debts, claims, penalties, and forfeitures which have accrued or which may hereafter accrue to the city by virtue of anything heretofore done or existing shall inure to the benefit of the city and may be sued for and recovered as though this amended Charter had not been adopted. Nothing herein shall affect the collection of special assessments or levies of any kind or proceedings to enforce the payment thereof. All contracts heretofore entered into by the city shall remain in full force and effect and be completed under the Charter provision or ordinance existing prior to the adoption of this amended Charter.

**Section 24. Continuance of municipal criminal court.**

The Municipal Criminal Court of Record of the City of Tulsa is hereby continued as a court of record pursuant to the provisions of the laws of Oklahoma.

**Section 25. Superior law—Provisions to be severable.**

The provisions of this amended Charter and of any ordinance shall be construed not to conflict with any provisions of the Constitution of the United States of America or of the Constitution of Oklahoma or of the laws of Oklahoma which are applicable to cities which have adopted a charter in accord with Article XVIII, Section 3, of the Constitution of Oklahoma.

If any article, section, or part of this amended Charter shall be held unconstitutional or invalid for any reason by the Attorney General of Oklahoma in the review of this amended Charter as required by Article XVIII, Section 3, of the Constitution of Oklahoma or by a court of competent jurisdiction, such holding shall not be construed to invalidate or impair the remainder of this amended Charter which shall continue in full force and effect. If any article, section, or part of this amended Charter shall be unconstitutional or invalid in its application to a particular person or matter, such article, section, or part shall continue in full force and effect as to all other persons or matters to which it may be constitutionally or legally applied. Should any constitutional provision or law which may operate to bar the effectiveness of any provision of this amended Charter cease to operate by repeal, amendment, or otherwise, such Charter provision shall become fully effective and operative without re-enactment or subsequent adoption.

**Section 26. Repeal.**

All portions of the Charter of the City of Tulsa, as amended, in effect prior to the adoption of this amended Charter, not incorporated herein nor continued in effect, are hereby repealed.

**Section 27. Continuance of government.**

This amended Charter shall take effect at twelve o'clock noon on the 8th day of May, 1990, except Article VI pertaining to elections hereunder shall take effect on the 2nd day of January, 1990, and after approval by the Governor of the State of Oklahoma. The Board of Commissioners under the government existing in the City prior to the 8th day of May, 1990, shall take such acts and adopt such ordinances as are necessary to provide for the election of officers as provided in Article VI of this amended Charter and to provide for the implementation of the provisions of this amended Charter and the orderly transition to the form of government provided herein.

We, the undersigned, constituting a majority of the legislative body of the City of Tulsa, to wit: The Mayor and Board of Commissioners of the City of Tulsa, duly and regularly elected, qualified, and acting, do hereby subscribe our names to the above and foregoing amended Charter of the City of Tulsa, as proposed by Ordinance No. 17090 for submission to the qualified electors of the City of Tulsa for approval or rejection at a special election to be held February 14, 1989, and do hereby submit the proposed amended Charter to the City Auditor of the City of Tulsa for filing more than sixty (60) days prior to the date of the election and for publication for twenty-one (21) consecutive times in the Tulsa Daily Business Journal & Legal Record, Tulsa, Oklahoma.

City Attorney

## SCHEDULE I

### CHARTER ELECTION DISTRICT NO. 1

Charter Election District No. 1 being described by metes and bounds as follows, to wit:

Beginning at the centerline of South Utica Avenue and the centerline of I-244 in Section 6, Township 19 North, Range 13 East, Tulsa County, Oklahoma; thence west along the centerline of I-244 to the interchange with the Inner Dispersal Loop; thence west along the centerline of the North leg of the Inner Dispersal Loop (I-244) to the interchange with the West leg of the Inner Dispersal Loop (I-244); thence in a southerly direction along the centerline of the West leg of said Inner Dispersal Loop to the interchange of said Inner Dispersal Loop and the Red Fork Expressway; thence southwest along the centerline of the southbound lanes of the Red Fork Expressway to the center of the Arkansas River; thence in a northwesterly direction along the center of the Arkansas River to the West line of said Section 11; thence north along the West line of Sections 11 and 2, Township 19 North, Range 12 East, Tulsa County, Oklahoma, to the Meander Line on the East bank of the Arkansas River; thence in a northwesterly direction along said Meander Line and across Sections 3, 4, and 9, Township 19 North, Range 12 East, Tulsa County, Oklahoma, to a point on the East line of said Section 8, Township 19 North, Range 12 East, Tulsa County, Oklahoma; thence south along said East line and continuing south along the East line of Vern Subdivision No. 2 to the Southeast Corner of said Addition; thence west along the South line of said Addition to the Southwest Corner thereof; thence north along the West line of said Vern Subdivision No. 2 to its intersection with the South line of Cunningham Addition to the County of Tulsa, Oklahoma; thence southwest along the South line of said Cunningham Addition to the Southwest Corner of Block 2, of said Addition; thence south along the projected West line of Blocks 5 and 2 of said Cunningham Addition to a point on the Meander Line of the North bank of the Arkansas River; thence Southwest along the said Meander Line to the Southeast Corner of Government Lot 3 in Section 8, Township 19 North, Range 12 East; thence North along the East line of said Government Lot 3 to the Northeast Corner thereof; thence west along the North line of said Government Lot 3 to a point on the West line of said Section 8; thence north along the West line of said Section 8 to a point 340.00 feet south of the North line of said Section 8; thence east parallel with the North line of said Section 8 to the Southwest Corner of Lot 12, Block 2, Lawnwood Addition to Tulsa, Oklahoma; thence north along the West line of Lots 12 and 11 of said Block 2 to a point on the North line of said Section 8; thence east along the North line of said Section 8 to a point 325.00 feet west of the East line of the SW/4 SW/4 of Section 5, Township 19 North, Range 12 East, Tulsa County, Oklahoma; thence north parallel to the East line of the said SW/4 SW/4 to its intersection with the South right-of-way line of the Old M.K.&T. Railroad; thence east along said right-of-way to its intersection with the West line of Ownwell Addition to Tulsa County, Oklahoma; thence north along the northerly projection of the West line of said Ownwell Addition to the north right-of-way of the Old M.K.&T. Railroad; thence east along said right-of-way line to a point on the South line of Mayfair Addition to Tulsa County, Oklahoma, said point being a point of curvature of a curve located 18.20 feet easterly of the Southwest Corner of Lot 3, Block 3 of said Mayfair Addition; thence Northwesterly along the South and West lines of said Mayfair Addition and continuing north along the West line of Lot 19, Block 2, Orf's Tracts Addition to Tulsa County, Oklahoma, to the North line of said

Orf's Tracts Addition; thence east along the said North line of Orf's Tracts Addition to a point 60.00 feet west of the East line of Section 5, Township 19 North, Range 12 East, Tulsa County, Oklahoma; thence north parallel with and 60.00 feet west of the East line of said Section 5 to a point on the North line of said Section 5; thence north 40.00 feet to a point; thence continuing west parallel with the South line of Sections 32 and 31 to a point 16.50 feet east of the West line of said Section 31, Township 20 North, Range 12 East, Osage County, Oklahoma; thence north parallel with and 16.50 feet east of the West line of Sections 31, 30, and 19 to a point 16.50 feet east of the Northwest Corner of the SW/4 of said Section 19; thence east to the Northeast Corner of the SE/4 of Section 19; thence continuing east to the Southeast Corner of the SW/4 NW/4 of Section 20, Township 20 North, Range 12 East; thence north along the East line of said SW/4 NW/4 to the Northeast Corner thereof; thence west along the North line of said SW/4 NW/4 to the Northwest Corner thereof; thence north to the North line of said Section 20; thence east along the North line of Section 20, Township 20 North, Range 12 East, Osage County, Oklahoma, to a point 16.50 feet east of the Northeast Corner thereof; thence south parallel with the West line of Section 21 to a point on the South line of the N/2 NW/4; thence east along said South line a distance of 2,623.50 feet to the Southeast Corner of said N/2 NW/4; thence north along the East line of said N/2 NW/4 a distance of 1,320.00 feet to the Northeast Corner of said N/2 NW/4 of Section 21; thence east along the North line of Sections 21 and 22, Township 20 North, Range 12 East, Osage County, Oklahoma, to a point, said point being the Northwest Corner of the NE/4 of said Section 22; thence north along the West line of the SE/4 of Section 15, Township 20 North, Range 12 East, Osage County, Oklahoma, a distance of 200.00 feet to a point; thence east parallel with the South line of said Section 15 to a point 1,000.00 feet west of the East line of said Section 15; thence northeast along a straight line to a point on the East line of said Section 15, 660.00 feet north of the Southeast Corner thereof; thence north along the East line of Section 15 to a point, said point being 100.00 feet north of the Westerly projection of the South line of Lot 8 of Section 14; thence east parallel with said Westerly projection of the South line of Lot 8 to a point on the West line of said Lot 8, said point being the 96 Meridian and also being the Osage—Tulsa County boundary; thence north along the 96 Meridian to a point 300.00 feet north of the Southwest Corner of Lot 6, Section 14; thence southeast along a straight line to a point 600.00 feet north and 623.00 feet west of the Southeast Corner of said Section 14; thence east and parallel with the South line of said Section 14 a distance of 573.00 feet to a point 50.00 feet west of the East line of said Section 14; thence north parallel with the East line of said Section 14 a distance of 603.00 feet; thence north parallel with the centerline of North Cincinnati Avenue and 50.00 feet perpendicular distance to said centerline to its intersection with the Easterly projection of the South line of Lot 1, Block 30, Valley View Acres Addition to Tulsa County, Oklahoma; thence west along the South line of Blocks 30 and 28 of said Addition to the Southwest Corner of said Block 28; thence north along the West line of Block 28 to a point 30.00 feet north of the North line of said Section 14; thence west and parallel to the North line of said Section 14 to a point on the West line of Section 11, said point also being the 96 Meridian; thence north along the 96 Meridian also being the West line of Valley View Acres Addition to Tulsa County, Oklahoma, to a point 25.00 feet west of the Northwest Corner of Lot 13, Block 12 of said Addition; thence east along the North line of Lots 13 through 9, Block 12 of said Addition to the Northeast Corner of said Lot 9;

thence north along the West line of Blocks 12 and 7 of said Addition to the Northwest Corner of said Block 7; thence east along the North line of Blocks 7 and 2 of said Valley View Acres Addition to a point 40.00 feet west of the East line of Section 11; thence north parallel with and 40.00 feet west of the East line of Section 11, Township 20 North, Range 12 East, Tulsa County, Oklahoma, a distance of 724.71 feet; thence west a distance of 710.0 feet; thence north a distance of 1,908.00 feet to the North line thereof; thence east along said North line a distance of 700.00 fee to a point 50.00 feet west of the East line of Section 11; thence continuing north parallel with and 50.00 feet west of the East line of Section 2, Township 20 North, Range 12 East, Tulsa County, Oklahoma, to the Southeast Corner of Block 1, Northgate Center Addition to Tulsa County, Oklahoma; thence west along the South Line of said Block 1, and continuing west along the South line of Block 1, Northgate Addition to the County of Tulsa and the South line of Blocks 6 and 8, Northgate Third Addition to Tulsa County, Oklahoma, to a point 5.00 feet east of the West line of said Block 8; thence north parallel with and 5.00 feet east of the West line of Blocks 8, 5, and 4 of said Northgate Third Addition to a point 16.50 feet south of the North line of said Block 4; thence east parallel with and 16.50 feet south of the North line of Blocks 4 and 1, and continuing east parallel with and 16.50 feet south of the North line of Blocks 2 and 1 of Northgate Second Addition to the County of Tulsa, Oklahoma, to the East line of said Block 1; thence south along the East line of Blocks 1 and 3 of said Northgate Second Addition to the Northeast Corner of Lot 1, Block 4 of said Addition; thence east to a point on the West line of Section 1, Township 20 North, Range 12 East, said point being 627.59 feet south of the Northwest Corner of said Section 1; thence continuing east a distance of 40.00 feet; thence south and parallel with and 40.00 feet east of the West line of said Section 1, to a point 30.00 feet south of the North line of the SW/4 of said Section 1; thence east parallel with and 30.00 feet south of the North line of said SW/4 to the East line thereof; thence continuing east 70.00 feet to a point; thence south parallel with and 70.00 feet east of the West line of the SE/4 of said Section 1 to a point 16.50 feet north of the South line of said Section 1; thence east parallel with and 16.50 feet north of the South line of said Section 1 to its intersection with the West line of the right-of-way of the Midland Valley Railroad; thence southwest along said right-of-way to a point 50.00 feet perpendicular distance from the North line of Section 12, Township 20 North, Range 12 East, Tulsa County, Oklahoma; thence east parallel with and 50.00 feet south of the North line of said Section 12 to the East Section Line thereof; thence continuing east and parallel with and 50.00 feet south of the North lines of Sections 7 and 8, Township 20 North, Range 13 East, Tulsa County, Oklahoma, to a point that intersects with the centerline of the Cherokee Expressway; thence south along the centerline of said Expressway to the centerline of East 36th Street North; thence west along the centerline of East 36th Street North to the centerline of North Lewis Avenue; thence south along the centerline of North Lewis Avenue to the centerline of Mohawk Boulevard; thence southwest along the centerline of Mohawk Boulevard to the centerline of North Peoria Avenue; thence south along the centerline of North Peoria Avenue to the centerline of East Pine Street; thence east along the centerline of East Pine Street to the centerline of North Utica Avenue; thence south along the center of North Utica Avenue to the point of beginning;

Less the following four (4) described parcels of land, to wit:

**A.** Beginning at a point on the North line of Hale Subdivision in the S/2 of Section 3, Township 19 North, Range 12 East to the City of Tulsa, Tulsa County, Oklahoma,

according to the official recorded plat thereof, said point of beginning being 25.00 feet east of the Northwest Corner of said Hale Subdivision; thence east along the North line of said Subdivision a distance of 2,609.20 feet to a point marking the Northeast Corner of said Subdivision; thence south along the East line of said Subdivision a distance of 970.80 feet to a point marking the intersection of the northeasterly prolongation of the North line of the alley in Block 13, of said Subdivision, with the East line of said Subdivision; thence southwesterly along a line coincident with the North line of the alley in Blocks 13, 12, and 11, a distance of 2,191.40 feet to a point marking the Southeasterly Corner of Lot 9, Block 11 in said Subdivision; thence northwesterly along a line coincident with the East lines of Lot 9, Block 11, Lots 23 and 9, Block 10, and Lot 21, Block 5, all in said Subdivision, a distance of 700.00 feet to a point marking the Southeasterly Corner of Lot 9, Block 5, of said Subdivision; thence southwesterly along the North line of the alley in Block 5, of said Subdivision, a distance of 330.00 feet to a point on the East line of South 33rd West Avenue in the City of Tulsa; thence north along the East line of said South 33rd West Avenue a distance of 744.50 feet to the point of beginning; and

**B.** Beginning at a point marking the intersection of the West line of South 33rd West Avenue in the City of Tulsa, with the South line of West Fifth Street; thence south along said West line of South 33rd West Avenue to a point on the North line of the Sand Springs Railroad; thence southwesterly along said North line to the East line of Shell Place, a Subdivision in the SW/4 SE/4 of Section 4, Township 19 North, Range 12 East, Tulsa County, Oklahoma; thence north along said East line to a point on the South line of East Fifth Street to the East; thence along said South line of Fifth Street northeasterly to the point of beginning; and

**C.** Beginning at a point 177.50 feet south and 335.00 feet S 79° 08' 00" W of the Northeast Corner of Lot 6, Section 3, Township 19 North, Range 12 East, Tulsa County, Oklahoma, said point being a point on the Southerly right-of-way line of the Sand Springs Railway Company; thence S 79° 08' 00" W on said Southerly right-of-way line a distance of 781.00 feet; thence southeasterly at right angles to said Southerly right-of-way line a distance of 115.40 feet to a point on a line parallel with and 8.50 feet perpendicularly distant in a northerly direction from the centerline of Tulsa Sand Company Track of Sand Springs Railway Company; thence northeasterly on a line parallel to the centerline of said Tulsa Sand Company Track a distance of 786.70 feet; thence northwesterly on a line perpendicular to the Southerly right-of-way line of said Railway Company a distance of 98.30 feet to the point of beginning; and

**D.** Beginning at a point 567.60 feet north and 418.18 feet N 79° 10' 00" E of the Meander Corner of the Left bank of the Arkansas River between Sections 3 and 4, Township 19 North, Range 12 East, Tulsa County, Oklahoma; thence N 79° 10' 00" E along the Southerly line of Charles Page Boulevard a distance of 870.50 feet; thence south a distance 216.00 feet to a point on the Northerly right-of-way line of Sand Springs Railway Company; thence southwesterly along said Northerly right-of-way line a distance of 871.36 feet; thence north a distance 223.20 feet to the point of beginning.

## FENCE LINE

Together with the east 70.00 feet of the west 86.50 feet of the N/2 of Section 19, Township 20 North, Range 12 East in Osage County, Oklahoma; and together with the east 70.00 feet of the west 86.50 feet of Sections 18, 7, and 6, Township 20 North, Range 12 East, Osage County, Oklahoma; together with the south 70.00 feet of the north 86.50 feet of Section 6 less the west 16.50 feet thereof; together with the south 70.00 feet of the north 86.50 feet of Sections 5, 4, 3, and 2, Township 20 North, Range 12 East, Osage County, Oklahoma; together with the south 70.00 feet of the north 86.50 feet of Section 2, Township 20 North, Range 12 East, Tulsa County, Oklahoma, beginning at the East line of Northgate Second Addition and continuing to the East line of said Section 2; together with the south 70.00 feet of the north 86.50 feet of Section 1, Township 20 North, Range 12 East; together with the south 70.00 feet of the north 86.50 feet of Sections 6 and 5, Township 20 North, Range 13 East, Tulsa County, Oklahoma; together with the south 70.00 feet of the north 86.50 feet of the west 904.90 feet of Section 4, Township 20 North, Range 13 East, Tulsa County, Oklahoma; together with the east 70.00 feet of the west 86.50 feet of Sections 33, 28, 21, 16, 9, and 4, Township 21 North, Range 13 East, Tulsa County, Oklahoma; together with the south 70.00 feet of the north 86.50 feet, less the west 16.50 feet thereof, of said Section 4 lying west of the centerline of Cherokee Expressway (U.S. Hwy. 75); together with the south 70.00 feet of the north 86.50 feet of the E/2 of Section 7, Township 19 North, Range 12 East, and the west 70.00 feet of the north 16.50 feet of the E/2 of said Section 7; the west 70.00 feet of the E/2 of Section 6, Township 19 North, Range 12 East; and the north 70.00 feet of the west 254.14 feet of the E/2 of said Section 6.

## CHARTER ELECTION DISTRICT NO. 2

Charter Election District No. 2 being entirely in Tulsa County, Oklahoma, and further described by metes and bounds as follows, to wit:

Beginning at a point on the centerline of the West 21st Street Bridge and the center of the Arkansas River; thence south along the center of the Arkansas River to the centerline of East 61st Street South; thence east along the centerline of East 61st Street South to the centerline of South Harvard Avenue; thence south along the centerline of South Harvard Avenue to the centerline of East 91st Street South, said point also being the Northwest Corner of Section 21, Township 18 North, Range 13 East; thence continuing south along the centerline of South Harvard Avenue and extending south along the West line of said Section 21 to the center of the Vensel Creek Channel; thence south along the center of the Vensel Creek Channel to a point on the Meander Line on the East bank of the Arkansas River; thence northwest along said Meander Line across Sections 32, 29, 20, and 17, Township 18 North, Range 13 East, to a point 24.75 feet north of the South line of said Section 17; thence west parallel with and 24.75 feet north of the South line of said Sections 17 and 18 to the Meander Line on the West bank of the Arkansas River; thence north and west along said Meander Line to its intersection with the North line of the S/2 NW/4 of said Section 18; thence west along said North line and continuing west along the North line of the S/2 NE/4 of Section 13, Township 18 North, Range 12 East, a distance of 24.75 feet to a point; thence south parallel with and 24.75 feet west of the East line of Section 13, Township 18 North, Range 12 East, to a point 24.75 feet north of the South line of said Section 13; thence west parallel with and 24.75 feet north of the South line of Sections 13, 14, and

15 to a point 24.75 feet east of the West line of said Section 15; thence north parallel with and 24.75 feet east of the West line of Sections 15, 10, and 3, Township 18 North, Range 12 East, to a point on the North line of said Section 3; thence west 24.75 feet to the Southeast Corner of Section 33, Township 19 North, Range 12 East; thence west along the South line of Section 33, also being the centerline of West 61st Street South, a distance of 222.50 feet to a point; thence north 35.00 feet; thence east parallel with the centerline of West 61st Street South a distance of 62.50 feet; thence north parallel with the East line of said Section 33 a distance of 670.00 feet to a point; thence west 210.00 feet to a point; thence north parallel with the East line of said Section 33 a distance of 568.50 feet to a point; thence east 34.20 feet to a point; thence north 25.00 feet to the Southwest Corner of 33rd Self Storage, a resubdivision of Campbell Hills Addition; thence north along the West line of AREAS "B" AND "C", BLOCK 1 of said 33rd Self Storage and continuing north along the Northerly projection of the West line of said AREA "B" a distance of 50.00 feet to a point on the South line of Country Oaks, a Resubdivision of said Campbell Hills; thence west 25.00 feet to the Southwest Corner of Lot 1, Block 1, Country Oaks; thence north along the West line of Lot 1, Block 1, Country Oaks to the Northwest Corner thereof; thence west along the North line of said Campbell Hills Addition to the Northwest Corner of Lot 1; thence south along the West line of Lots 1 and 8 to the Southwest Corner of Lot 8 of said Addition; thence continuing South a distance of 25.00 feet; thence west a distance of 25.00 feet to the Southeast Corner of the N/2 N/2 NW/4 SE/4 of said Section 33; thence west along the South line of said N/2 N/2 NW/4 SE/4 to a point 40.00 feet west of the East line of the NE/4 SW/4; thence south a distance of 25.00 feet to the Northeast Corner of Block 7, Doctor Carver Addition; thence south along the East line of Blocks 7 and 12 of said Addition to the Southeast Corner of Block 12; thence west along the South line of Blocks 12, 11, and 10 of said Addition to the Southwest Corner of Block 10; thence north along the West line of said Block 10 a distance of 227.15 feet to the East line of the right-of-way of the Oklahoma Union Railway; thence northeast along said right-of-way to its intersection with the North line of Block 16 of the Amended Plat of South Haven Addition; thence east along the North line of Blocks 16 and 3 of said Addition to the Northeast Corner of Block 3; thence east 25.00 feet to the West line of the E/2 NE/4 of Section 33, Township 19 North, Range 12 East; thence north along the West line to the South line of the NE/4 of Section 28, said point being the Southeast Corner of Allyn Faye Addition; thence west along the South line of said Block 3 to the Southwest Corner of Lot 15 of Block 3, of said Allyn Faye Addition; thence north along the West line of said Lot 15 and continuing north along the Northerly projection thereof a distance of 663.20 feet to a point 50.00 feet west of the Northwest Corner of Block 1 of said Allyn Faye Addition; thence west along the Westerly projection of the North line of said Block 1 and the North line of Block 1, Vera Faye Addition, to a point on the West line of the NE/4 of said Section 28; thence west 25.00 feet to a point; thence north parallel with the East line of the NW/4 of said Section 28 to a point on the North line thereof; thence continuing north 24.75 feet to a point, said point being 24.75 feet north and 25.00 feet west of the Southeast Corner of the SW/4 of Section 21, Township 19 North, Range 12 East; thence east parallel with the South line of said Section 21 to the West line of the E/2 W/2 SW/4 SE/4 of said Section 21; thence north along said West line to the Northwest Corner of said E/2 W/2 SW/4 SE/4; thence east along the North line of the SW/4 SE/4 a distance of 660.00 feet; thence south to a point 24.75 feet north of the South line of said Section

21; thence east parallel and 24.75 feet north of said South line of Section 21 a distance of 330.00 feet; thence north to the Northwest Corner of Block 3 of the Yargee Addition; thence continuing east along the North line of Blocks 3, 2, and 1 of said Addition to the Northeast Corner of Block 1 of said Addition; thence north parallel to and 30.00 feet west of the East line of said Section 21 to a point 900.00 feet south and 30.00 feet west of the Northeast Corner of the SE/4 of said Section; thence west parallel to the North boundary of said SE/4 a distance of 940.00 feet; thence north parallel with the East line of said Section 21 a distance of 600.00 feet; thence east parallel with the North boundary of said SE/4 a distance of 303.47 feet to a point on the West line of the NE/4 NE/4 SE/4; thence north along the West line of said NE/4 NE/4 SE/4 a distance of 300.00 feet to the Northwest Corner thereof; thence east along the North line of the SE/4 a distance of 666.53 feet to the Northeast Corner of the SE/4; thence continuing east along the North line of the original Townsite of Red Fork Addition to the Northeast Corner thereof; thence south along the East line of said Addition to its intersection with the North line of the right-of-way to the St. Louis and San Francisco Railroad; thence northeast along said Railroad right-of-way to its intersection with the West line of Interurban Addition; thence north along said Addition line to the Northwest Corner of said Addition; thence east along the North line of said Interurban Addition to its intersection with the East line of the right-of-way of the St. Louis and San Francisco Railroad; thence north along said right-of-way to its intersection with the North line of Section 22, Township 19 North, Range 12 East; thence east along said North line to the Northeast Corner of said Section 22; thence continuing east along the South line of Section 14, Township 19 North, Range 12 East, to the West line of the right-of-way of the Red Fork Expressway; thence north along said West right-of-way to its intersection with the North line of the SW/4 of said Section 14; thence west along said North line to its intersection with the East line of the right-of-way of the St. Louis and San Francisco Railroad; thence north along said right-of-way to a point 25.00 feet south of the North line of said Section 14; thence west parallel with and 25.00 feet south of the North line of said Section 14 to a point 50.00 feet west of the East line of the NW/4 NE/4 of Section 15, Township 19 North, Range 12 East; thence south parallel with said East line 875.00 feet; thence west parallel with the North line of said Section 15 a distance of 1,035.00 feet; thence north parallel with the East line of said Section 15 a distance of 900.00 feet to a point on the North line of said Section 15; thence continuing north to a point 25.00 feet north of the South line of Section 10, Township 19 North, Range 12 East; thence east parallel with and 25.00 feet north of said South line a distance of 2,410.21 feet to a point on the East line of said Section 10; thence north along the East line of said Section 10 to a point 220.00 feet north of the Southeast Corner of the NE/4 SE/4 of said Section 10; thence east along the North line of the right-of-way of West 17th Street South 635.00 feet; thence north 300.00 feet; thence east 25.00 feet; thence north 30.00 feet; thence east 150.50 feet to the West right-of-way line of the St. Louis and San Francisco Railroad; thence northeast along said Railroad right-of-way approximately 714.91 feet to a point, said point being 1,000.00 feet east and 81.00 feet south of the Northwest Corner of the SW/4 of said Section 11; thence west 60.00 feet; thence northeast and parallel to said Railroad right-of-way approximately 438.00 feet to a point, said point being 100.00 feet southwest and perpendicular to the Meander Line of the Arkansas River; thence northwest and parallel with said Meander Line a distance of 125.00 feet; thence northeast and perpendicular to the last described course 100.00

feet; thence north 57° 0' 00" west along said Meander Line a distance of 494.50 feet; thence north 80° 0' 00" west along said Meander Line approximately 693.00 feet to the intersection of the West line of said Section 11, Township 19 North, Range 12 East; thence north along the West line of said Section 11, Township 19 North, Range 12 East, to the center of the Arkansas River; thence southeast along the center of said Arkansas River to its intersection with the Southwest Leg of the I-244 Inner Dispersal Loop; thence continuing in a southeasterly direction to the centerline of the West 21st Street Bridge to the point of beginning;

Less the following described parcel of land, to wit:

Beginning at the Northwest Corner of the E/2 SW/4 of Section 14, Township 19 North, Range 12 East; thence south along the West line of the E/2 SW/4 and continuing south along the West line of the E/2 NW/4 of Section 23, Township 19 North, Range 12 East, to a point on the South line of the NW/4 of Section 23; thence east along the South line of the NE/4 of said Section 23 to the East line thereof; thence south along the East line of the SE/4 of Section 23 to the Southeast Corner of the NE/4 SE/4; thence east along the South line of the NW/4 SW/4 to the Meander Line on the West bank of the Arkansas River; thence northwest along said Meander Line across said Sections 24 and 13 to the North line of the SW/4 of Section 13, Township 19 North, Range 12 East; thence west along the North line of the S/2 of said Sections 13 and 14 to the Northwest Corner of the E/2 SW/4 of Section 14, which is the point of beginning.

## CHARTER ELECTION DISTRICT NO. 3

Charter Election District No. 3 being entirely in Tulsa County, Oklahoma, and further described by metes and bounds as follows, to wit:

Beginning at the centerline of South Utica Avenue and the centerline of East 1st Street South, in Section 6, Township 19 North, Range 13 East; thence north along the centerline of South Utica Avenue to the centerline of East Pine Street; thence west along the centerline of East Pine Street to the centerline of North Peoria Avenue; thence north along the centerline of North Peoria Avenue to the centerline of Mohawk Boulevard; thence northeast along the centerline of Mohawk Boulevard to the centerline of North Lewis Avenue; thence north along the centerline of North Lewis Avenue to the centerline of East 36th Street North; thence east along the centerline of East 36th Street North to the centerline of the Cherokee Expressway; thence north along the centerline of the Cherokee Expressway to a point 50.00 feet south of the centerline of East 56th Street North; thence east parallel with and 50.00 feet south of the North line of Sections 8, 9, 10, 11, and 12, Township 20 North, Range 13 East, and Sections 7, 8, and 9, Township 20 North, Range 14 East, to the East line of Section 9; thence south along the East line of Sections 9 and 16, said line also being the centerline of North 145th East Avenue, to the South line of Section 16, said line also being the centerline of East 36th Street North; thence west along the South line of Sections 16, 17, and 18 to the Southwest Corner of Section 18, said point also being the intersection of the centerlines of North Mingo Road and East 36th Street North; thence south along the centerline of North Mingo Road and the East line of Sections 24, 25, and 36, Township 20 North, Range 13 East, to the centerline of I-244; thence west along the centerline of I-244 to the centerline of North Memorial Drive; thence south along the centerline of North Memorial Drive to the Southeast Corner of Section 2, Township 19

North, Range 13 East, said point also being the centerline of East 11th Street South; thence west along the centerline of East 11th Street South to the centerline of South Sheridan Road, said point also being the Southwest Corner of Section 2, Township 19 North, Range 13 East; thence north along the centerline of South Sheridan Road to the centerline of I-244; thence west along the centerline of I-244, across Section 3, Township 19 North, Range 13 East, to the centerline of South Yale Avenue; thence north along the centerline of South Yale Avenue to the centerline of East Admiral Place; thence west along the centerline of East Admiral Place to the centerline of South Harvard Avenue; thence south along the centerline of South Harvard Avenue to the centerline of East 1st Street South; thence west along the centerline of East 1st Street South to the centerline of East Admiral Boulevard; thence west along the centerline of East Admiral Boulevard to the centerline of South Delaware Avenue; thence north along the centerline of South Delaware Avenue to the centerline of East Admiral Boulevard; thence west along the centerline of East Admiral Boulevard to the centerline of South Zunis Avenue; thence south along the centerline of South Zunis Avenue to the centerline of East 1st Street South; thence west along the centerline of East 1st Street South to the centerline of South Utica Avenue, which is the point of beginning;

Less the following parcels being more particularly described as follows, to wit:

**A.** That portion of Section 25, Township 20 North, Range 13 East, lying north of the North line of the St. Louis and San Francisco Railroad less the west and east 50.00 feet thereof; Section 23, Township 20 North, Range 13 East, less the north, south, and west 50.00 feet thereof; Section 24, Township 20 North, Range 13 East, less the east 50.00 feet thereof; and the S/2 of Section 13, Township 20 North, Range 13 East, less the north, west, and east 50.00 feet thereof; and

**B.** Beginning at a point 50.00 feet west and 35.00 feet north of the Southeast Corner of Section 28, Township 20 North, Range 13 East; thence north parallel with the East line of said Section 28 to a point on the North line of the SE/4 NE/4 of said Section 28; thence west along said North line to the Northeast Corner of Lot 1, Block 13, Amended Plat of BLOCKS 10 THRU 16 Oak Ridge Addition; thence south along the East line of said Block 13 and continuing south along the East line of Blocks 15 and 16 of said Addition to the Southeast Corner of said Block 16; thence west along the South line of Block 16 of the Oak Ridge Addition continuing west along the South line of Blocks 14, 7, and 8 of said Addition to a point on the East line of the SW/4 SW/4 NE/4 of said Section 28; thence south along said East line and continuing south along the East line of the NW/4 NW/4 SE/4 to the Southeast Corner thereof; thence west along the South line of said NW/4 NW/4 SE/4 to the West line of the SE/4 of said Section 28; thence south along said West line to the Southeast Corner of Lot 2, Block 28, Louisville Heights Addition; thence west along the South line of Lot 2, Block 28 of said Addition to the Northeast Corner of Lot 3 of said Block 28; thence south along the East line of Lot 3 of said Block 28, to the Southeast Corner thereof; thence west along the South line of Lots 4 and 5 of said Block 28, to its intersection with the East line of Lot 8 of said Block 28; thence south along the East line of Lots 8 through 17, both inclusive, to the Southeast Corner of Lot 17 of said Block 28; thence continuing south along the Southerly projection of the East line of Lots 8 through 17, both inclusive, of said Block 28, of

said Addition to a point 35.00 feet north of the South line of said Section 28; thence east parallel with and 35.00 feet north of the South line of said Section 28 to a point on the intersection with the centerline of North Vandalia Avenue; thence north along the centerline of North Vandalia Avenue to a point of intersection with the Westerly projection of the North line of Lot 3, Block 3 of Wee Rancho Addition; thence east along the North line of Lot 3 to the Northeast Corner thereof; thence south along the East line of said Lot 3 to the Northwest Corner of Lot 2 of said Addition; thence east along the North line of Lots 2 and 1 of said Block 3 a distance of 310.00 feet to a point; thence south along the East line of Wee Rancho Addition to a point 35.00 feet north of the South line of Section 28; thence east parallel with the South line of said Section 28 a distance of 293.16 feet to the point of beginning.

**FENCE LINE**

Together with a 70.00 feet Fence Line in Tulsa and Rogers Counties and being more particularly described as follows, to wit:

Tulsa County, Oklahoma, only; The south 70.00 feet of the north 86.50 feet of Section 4, Township 21 North, Range 13 East, lying east of the centerline of the Cherokee Expressway (U.S. Hwy. 75); and the south 70.00 feet of the north 86.50 feet of Sections 2 and 3, Township 21 North, Range 13 East, less the east 50.00 feet of said Section 2; the west 70.00 feet of the east 120.00 feet of Sections 2, 11, 14, and 23, Township 21 North, Range 13 East, less the north 50.00 feet of said Section 2, and less the south 50.00 feet of said Section 23; the north 70.00 feet of the south 120.00 feet, less the east 50.00 feet of said Section 23; the north 70.00 feet of the south 120.00 feet of the east 120.00 feet of Section 22, Township 21 North, Range 13 East, and the south 50.00 feet of the west 70.00 feet of the east 120.00 feet of said Section 22; the west 70.00 feet of the east 120.00 feet of Section 27; the west 70.00 feet of the east 120.00 feet of the north 50.00 feet of Section 34, Township 21 North, Range 13 East, and the south 70.00 feet of the north 120.00 feet of the east 120.00 feet of said Section 34; the south 70.00 feet of the north 120.00 feet of Section 35, Township 21 North, Range 13 East; the south 70.00 feet of the north 120.00 feet of the west 662.26 feet of Section 36, Township 21 North, Range 13 East; and the East 70.00 feet of the West 662.26 feet of said Section 36, Township 21 North, Range 13 East; the south 70.00 feet of the north 120.00 feet of Section 1, Township 20 North, Range 13 East, less the west 592.26 feet thereof;

Tulsa County, Oklahoma, only to wit: Together with the south 70.00 feet of the north 120.00 feet of Section 6, Township 20 North, Range 14 East; the south 70.00 feet of the north 120.00 feet of the NW/4 NW/4 of Section 5, Township 20 North, Range 14 East; and the east 70.00 feet of said NW/4 NW/4, less the north 50.00 feet thereof; the north 70.00 feet of the east 70.00 feet of the SW/4 NW/4 of said Section 5; the north 70.00 feet of the SE/4 NW/4 and the north 70.00 feet of the west 70.00 feet of the SW/4 NE/4 and the west 70.00 feet of the NW/4 NE/4, less the north 50.00 feet thereof; and the south 70.00 feet of the north 120.00 feet of the NE/4, all being a part of said Section 5; the west 70.00 feet of the N/2 NW/4 of Section 4, Township 20 North, Range 14 East, less the north 50.00 feet thereof; the south 70.00 feet of the N/2 NW/4 of said Section 4; the east 70.00 feet of the N/2 NW/4 of said Section 4, less the north 50.00 feet thereof; the south 70.00 feet of the north 120.00 feet of the NE/4 of said Section 4; and the east 24.75 feet of Sections 4 and 9, Township 20 North, Range 14 East;

Tulsa County, Oklahoma, or Rogers County, Oklahoma, as indicated: The north 70.00 feet of the north 245.00 feet of the W/2 SW/4 of Section 10 lying parallel with and on the north side of the centerline of the right-of-way of the Port Road in Township 20 North, Range 14 East, Rogers County, Oklahoma; together with the west 70.00 feet of the E/2 SW/4 of said Section 10, lying between a line 245.00 feet north and 245.00 feet south of the centerline of the right-of-way of the Port Road; together with the south 70.00 feet of a strip of land 245.00 feet in width being adjacent to and on the south side of the centerline of the right-of-way of the Port Road in and across Sections 10, 11, and 12, Township 20 North, Range 14 East, Rogers County, Oklahoma, to a point on the East line of the W/2 E/2 NE/4 of said Section 12; together with the east 70.00 feet of the said W/2 E/2 NE/4, lying between a line 175.00 feet south a perpendicular distance from the centerline of the right-of-way of the Port Road and the North line of said Section 12; together with the south 70.00 feet of the east 70.00 feet of the W/2 E/2 SE/4 of Section 1, Township 20 North, Range 14 East, Rogers County, Oklahoma; together with the south 70.00 feet of the E/2 E/2 SE/4 of said Section 1; together with the south 70.00 feet of Section 6, Township 20 North, Range 15 East, Rogers County, Oklahoma, lying west of a line 70.00 feet east of the East right-of-way of the County Road; together with the west 70.00 feet of the Port of Catoosa Industrial Park lying in the W/2 of Section 7, Township 20 North, Range 15 East, Rogers County, Oklahoma; together with the east 70.00 feet of the west 620.20 feet of the north 171.10 feet of the NW/4 of Section 18, Township 20 North, Range 15 East, Rogers County, Oklahoma, and the south 70.00 feet of the north 171.10 feet of the east 200.00 feet of the west 752.20 feet of said Section 18, and the east 70.00 feet of the south 170.00 feet of the north 271.10 feet of the west 752.20 feet of said Section 18, and the south 70.00 feet of the north 441.10 feet of the east 130.00 feet of the west 682.20 feet in said Section 18; together with the west 70.00 feet of the east 330.00 feet of Lot 1, lying East of the County Road in said Section 18, less the north 341.10 feet thereof; together with the west 70.00 feet of the east 330.00 feet of Lots 2 and 3, lying East of the County Road in said Section 18; together with the south 70.00 feet of the East 330.00 feet of said Lot 3 of said Section 18; together with the south 70.00 feet of the west 79.92 feet of the NE/4 SW/4 of said Section 18; together with the west 70.00 feet lying adjacent to the East right-of-way of the Port Road in the SE/4 SW/4 of said Section 18, less the south 16.50 feet thereof; together with the north 70.00 feet of the south 86.50 feet of the said SE/4 SW/4 lying east of the East right-of-way of the Port Road; together with the north 70.00 feet of the south 86.50 feet of the SW/4 SE/4 of said Section 18; and the north 70.00 feet of the south 86.50 feet of the SW/4 SE/4 SE/4 of said Section 18, less the south 16.50 feet thereof; together with the south 70.00 feet of the east 70.00 feet of the NW/4 SE/4 SE/4 of said Section 18; together with the south 70.00 feet of the NE/4 SE/4 SE/4 of said Section 18, lying west of the center of Bird Creek; together with the east 70.00 feet of that part of the said NE/4 SE/4 SE/4 lying west of the center of Bird Creek in said Section 18; together with the south 70.00 feet of the east 70.00 feet of the NE/4 SE/4 of said Section 18 lying west of the center of Bird Creek; together with the south 70.00 feet of that part of the NE/4 SE/4 lying east of the center of Bird Creek in said Section 18; together with the south 70.00 feet of the west 70.00 feet of the NW/4 SW/4 of Section 17, Township 20 North, Range 15 East, Rogers County, Oklahoma; together with the west 70.00 feet of the SW/4 of said Section 17, less the south 16.50 feet thereof; together with the north 70.00 feet of the south 86.50 feet of the SW/4 SW/4 SW/4 of said Section 17; together with the

east 70.00 feet of said SW/4 SW/4 SW/4, less the south 16.50 feet thereof; together with the south 70.00 feet of the east 70.00 feet of the NW/4 SW/4 SW/4 of said Section 17; together with the south 70.00 feet of the NE/4 SW/4 SW/4 of said Section 17; together with the south 70.00 feet of the west 70.00 feet of the NW/4 SE/4 SW/4 of said Section 17; together with the west 70.00 feet of the SW/4 SE/4 SW/4, less the south 16.50 feet thereof of said Section 17; together with the north 70.00 feet of the south 86.50 feet of the SE/4 SW/4 of said Section 17; together with the west 70.00 feet of the said SE/4 SW/4, less the south 16.50 feet thereof; together with the east 70.00 feet of the said SE/4 SW/4, less the south 16.50 feet thereof; together with the east 70.00 feet of the SE/4 NE/4 SW/4, and the south 70.00 feet of the east 70.00 feet of the NE/4 NE/4 SW/4 of said Section 17; together with the south and east 70.00 feet of the N/2 NW/4 SE/4 of said Section 17; together with the south 70.00 feet of the east 70.00 feet of the SW/4 NE/4 of said Section 17; together with the south 70.00 feet of Lot 3 lying west of the East bank of the Verdigris River in said Section 17; together with the east 70.00 feet of Lots 3 and 2 lying adjacent to the East bank of the Verdigris River in said Section 17; together with the 70.00 feet lying adjacent to the East bank of the Verdigris River located in Sections 8, 9, 4, and 5, Township 20 North, Range 15 East, Rogers County, Oklahoma, less the north 50.00 feet lying adjacent to the said Section 5; together with the south 70.00 feet of the north 120.00 feet of said Section 5 lying west of the East bank of the Verdigris River; together with the south 70.00 feet of the north 120.00 feet of Section 6, Township 20 North, Range 15 East, Rogers County, Oklahoma, lying east of the East right-of-way line of the Port Road; together with a strip of land 70.00 feet in width lying adjacent to the East right-of-way line of said Port Road, and between a line 50.00 feet south of the North line of said Section 6, and a point 70.00 feet south of the North line of the SW/4 NE/4 of said Section 6, together with the north 70.00 feet of said SW/4 NE/4 lying west of the East right-of-way of said Port Road; together with the west 70.00 feet of the N/2 NW/4 SW/4 NE/4, and the north 70.00 feet of the west 70.00 feet of the S/2 NW/4 SW/4 NE/4 of said Section 6; together with the north 70.00 feet of the S/2 NE/4 SE/4 NW/4 of said Section 6; together with the north 70.00 feet of the east 70.00 feet of the S/2 NW/4 SE/4 NW/4 of said Section 6; together with the east 70.00 feet of the N/2 NW/4 SE/4 NW/4 of said Section 6; together with the north 70.00 feet of the NW/4 SE/4 NW/4 and the north 70.00 feet of the E/2 NE/4 SW/4 NW/4 of said Section 6; together with the north 70.00 feet of the east 70.00 feet of the W/2 NE/4 SW/4 NW/4 of said Section 6, together with the east 70.00 feet of the W/2 E/2 NW/4 NW/4 of said Section 6, less the north 50.00 feet thereof; together with the south 70.00 feet of the north 120.00 feet of the W/2 E/2 NW/4 NW/4, and the south 70.00 feet of the north 120.00 feet of the W/2 NW/4 NW/4 of said Section 6; together with the west 70.00 feet of the south 100.00 feet of the north 220.00 feet of said Section 6; together with the south 70.00 feet of the north 220.00 feet of Sections 1, 2, and 3, Township 20 North, Range 14 East, Rogers County, Oklahoma; together with the south 100.00 feet of the north 220.00 feet of the west 70.00 feet of said Section 3.

## CHARTER ELECTION DISTRICT NO. 4

Charter Election District No. 4 being entirely in Tulsa County, Oklahoma, and further described by metes and bounds as follows, to wit:

Beginning at the Southeast Corner of Section 3, Township 19 North, Range 13 East, also being the intersection of the centerlines of East 11th Street South and South

Sheridan Road; thence south along the centerline of South Sheridan Road to the centerline of East 25th Place South; thence west along the centerline of East 25th Place South to the centerline of South Hudson Avenue; thence south along the centerline of South Hudson Avenue to the centerline of East 27th Street South; thence east along the centerline of East 27th Street South to the centerline of South Hudson Place; thence south along the centerline of South Hudson Place to the centerline of East 30th Street South; thence west along the centerline of East 30th Street South to the centerline of South Hudson Avenue; thence south along the centerline of South Hudson Avenue to the centerline of East 31st Street South; thence west along the centerline of East 31st Street South to the centerline of the westbound lanes of the Broken Arrow Expressway; thence northwest along the centerline of the westbound lanes of the Broken Arrow Expressway to the centerline of South Harvard Avenue; thence north along the centerline of South Harvard Avenue to the Southwest Corner of Section 9, Township 19 North, Range 13 East, also being the centerline of East 21st Street South; thence west along the centerline of East 21st Street South to the centerline of South Boulder Park Drive; thence southwest along the centerline of the West 21st Street Bridge to the center of the Arkansas River; thence northwest along the center of the Arkansas River to the centerline of the southbound lanes of the Red Fork Expressway; thence northeast along the centerline of the southbound lanes of the Red Fork Expressway to the interchange of Red Fork Expressway and the Inner Dispersal Loop; thence in a northerly direction along the centerline of the West leg of the Inner Dispersal Loop (I-244) to the interchange with the North leg of the Inner Dispersal Loop (I-244); thence east along the centerline of the North leg of the Inner Dispersal Loop (I-244); thence continuing east along the centerline of I-244 to the centerline of South Utica Avenue; thence south along the centerline of South Utica Avenue to the centerline of East 1st Street South; thence east along the centerline of East 1st Street South to the centerline of South Zunis Avenue; thence north along the centerline of South Zunis Avenue to the centerline of East Admiral Boulevard; thence east along the centerline of East Admiral Boulevard to the centerline of South Delaware Avenue; thence south along the centerline of South Delaware Avenue to the centerline of East 1st Street South; thence east along the centerline of East 1st Street South to the centerline of South Harvard Avenue; thence north along the centerline of South Harvard Avenue to the centerline of East Admiral Place; thence east along the centerline of East Admiral Place to the centerline of South Yale Avenue; thence south along the centerline of South Yale Avenue to the centerline of I-244; thence east along the centerline of I-244 to the centerline of South Sheridan Road; thence south along the centerline of South Sheridan Road to the centerline of East 11th Street South, which is the point of beginning;

Less the following parcel being more particularly described as follows, to wit:

Beginning at a point 30.00 feet north and 50.00 feet west of the Southeast Corner of Section 9, Township 19 North, Range 13 East; thence west parallel with and 30.00 feet north of the South line of said Section 9 to a point 230.00 feet east of the West line of the E/2 SW/4; thence north 5.00 feet to a point; thence east 25.00 feet; thence along a curve to the left having a radius of 270.00 feet a distance of 283.14 feet to a point; thence northeast 74.60 feet to a point 526.23 feet east and 235.00 feet north of the Southwest Corner of said E/2 SW/4; thence west parallel with the South line of said E/2 SW/4 a distance of 491.23 feet to a point 35.00 feet east of the West line of the E/2 SW/4 of said Section 9; thence north parallel with and 35.00 feet east of the West line of said

E/2 SW/4 to a point 30.00 feet south of the North line of said E/2 SW/4; thence east parallel with and 30.00 feet south of the North line of the S/2 of Section 9 to a point 50.00 feet west of the East line thereof; thence south parallel with the East line of said Section 9 to a point 30.00 feet north of the South line thereof which is the point of beginning.

## CHARTER ELECTION DISTRICT NO. 5

Charter Election District No. 5 being entirely in Tulsa County, Oklahoma, and further described by metes and bounds as follows, to wit:

Beginning at the Southeast Corner of Section 19, Township 19 North, Range 14 East, said point also being the intersection of the centerlines of East 41st Street South and South Garnett Road; thence west along the centerline of East 41st Street South to the centerline of South 104th East Avenue; thence south along the centerline of South 104th East Avenue to the centerline of the Mingo Creek Channel; thence southeasterly along the centerline of the Mingo Creek Channel to the centerline of the Broken Arrow Expressway (SH51); thence northwest along the centerline of the Broken Arrow Expressway (SH51) to the centerline of South Mingo Road; thence south along the centerline of South Mingo Road to the centerline of East 51st Street South; thence west along the centerline of East 51st Street South to the centerline of South Sheridan Road; thence north along the centerline of South Sheridan Road to the centerline of I-44; thence southwest along the centerline of I-44 to the centerline of South Yale Avenue; thence north along the centerline of South Yale Avenue to the centerline of East 31st Street South; thence east along the centerline of East 31st Street South to the centerline of South Hudson Avenue; thence north along the centerline of South Hudson Avenue to the centerline of East 30th Street South; thence east along the centerline of East 30th Street South to the centerline of South Hudson Place; thence north along the centerline of South Hudson Place to the centerline of East 27th Street South; thence west along the centerline of East 27th Street South to the centerline of South Hudson Avenue; thence north along the centerline of South Hudson Avenue to the centerline of East 25th Place South; thence east along the centerline of East 25th Place South to the centerline of South Sheridan Road; thence north along the centerline of South Sheridan Road to the centerline of East 11th Street South, said point also being the Northwest Corner of Section 11, Township 19 North, Range 13 East; thence east along the centerline of East 11th Street South to the centerline of South Memorial Drive; thence north along the centerline of South Memorial Drive to the centerline of I-244; thence east along the centerline of I-244 to the centerline of South Mingo Road; thence south along the centerline of South Mingo Road to the centerline of East 11th Street South; thence east along the centerline of East 11th Street South to the centerline of South Garnett Road; thence south along the centerline of South Garnett Road to the centerline of East 41st Street South which is the point of beginning.

## CHARTER ELECTION DISTRICT NO. 6

Charter Election District No. 6 being described by metes and bounds as follows to wit:

Beginning at the Southwest Corner of Section 33, Township 19 North, Range 14 East, Tulsa County, Oklahoma, also being the intersection of the centerlines of East 61st Street South and South 129th East Avenue; thence west along the centerline of East 61st Street South to the centerline of South Mingo Road; thence north along the

centerline of South Mingo Road to the centerline of East 41st Street South; thence east along the centerline of East 41st Street South to the centerline of the Broken Arrow Expressway (SH51); thence southeast along the centerline of the Broken Arrow Expressway (SH51) to the centerline of the Mingo Creek Channel; thence northwesterly to the centerline of South 104th East Avenue; thence north along the centerline of South 104th East Avenue to the centerline of East 41st Street South; thence east along the centerline of East 41st Street South to the centerline of South Garnett Road; thence north along the centerline of South Garnett Road to the centerline of East 11th Street South; thence west along the centerline of East 11th Street South to the centerline of South Mingo Road, also being the Southwest Corner of Section 6, Township 19 North, Range 14 East, Tulsa County, Oklahoma; thence north along the West line of Section 6, Township 19 North, Range 14 East in Tulsa County, Oklahoma, and continuing north along the West line of Sections 31, 30, and 19 (North Mingo Road), Township 20 North, Range 14 East in Tulsa County, Oklahoma, to the Northwest Corner of said Section 19, being the intersection of the centerlines of North Mingo Road and 36th Street North; thence east along the centerline of 36th Street North to a point 24.75 feet west of the East line of Section 21, Township 20 North, Range 14 East, Tulsa County, Oklahoma; thence south parallel with the East line of Sections 21, 28, and 33, Township 20 North, Range 14 East, Tulsa County, Oklahoma; thence continuing south 24.75 feet west of the East line of Section 4, Township 19 North, Range 14 East, Tulsa County, Oklahoma, to a point on the South line of the right-of-way of I-44; thence east along the South right-of-way of I-44 across Sections 4, 3, 2, and 1, Township 19 North, Range 14 East, Tulsa County, Oklahoma, to a point 100.00 feet west of the East line of said Section 1; thence south parallel with the East line of said Section 1 to the South line of the NE/4 NE/4 SE/4 of said Section 1; thence east along said South line across the Tulsa County - Wagoner County Line and continuing east along the South line of the N/2 N/2 SW/4 of Section 6, Township 19 North, Range 15 East, Wagoner County, Oklahoma, to the East line of the SW/4 of said Section 6; thence north along said East line of the SW/4 to the Northeast Corner of the SW/4 of said Section 6; thence east along the South line of the NE/4 of said Section 6 to the Southeast Corner of the NE/4 of said Section 6; thence north along the East line of the NE/4 of said Section 6 to the Southeast Corner of the NE/4 NE/4 NE/4 of said Section 6; thence east along the South line of the N/2 N/2 NW/4 of Section 5, Township 19 North, Range 15 East, Wagoner County, Oklahoma, and continuing east along the South line of the N/2 N/2 NE/4 to the Southwest Corner of the NE/4 NW/4 NE/4 of said Section 5; thence north along the West line of said NE/4 NW/4 NE/4 to the North line of Section 5, said Section line also being the Wagoner County - Rogers County Line; thence east along said North Section line and continuing east along the North Section line of Sections 5, 4, and 3, Township 19 North, Range 15 East, Wagoner County, Oklahoma, to a point 70.00 feet west of the Northeast Corner of said Section 3; thence south and parallel with the East line of said Section 3 to a point on the South line of the N/2 of said Section 3; thence east along the South line of the N/2 of said Section 3 to the East line of said Section 3; thence south along the East line of said Section 3 to a point 70.00 feet north of the Southeast Corner of said Section 3; thence west and parallel with the South line of said Section 3 to a point 70.00 feet west and 70.00 feet north of Southeast Corner of the SW/4 of said Section 3; thence south and parallel with the East line of the SW/4 of said Section 3 and continuing south and parallel with the East line of the NW/4 of Section 10, Township 19 North, Range 15

East, Wagoner County, Oklahoma, to a point 70.00 feet south and 70.00 feet west of the Northeast Corner of the SW/4 of said Section 10; thence east and parallel with the North line of the said SW/4 and continuing east and parallel with the North line of the SE/4 of said Section 10 to a point 70.00 feet west of the East line of said Section 10; thence south and parallel with the East line of said Section 10 to the South line of said Section 10 and continuing south and parallel with the East line of Section 15, Township 19 North, Range 15 East, Wagoner County, Oklahoma, to a point 70.00 feet west and 70.00 feet south of the Northeast Corner of the SE/4 of said Section 15; thence east and parallel with the North line of the SE/4 of said Section 15 and continuing east and parallel with the North line of the SW/4 of Section 14, Township 19 North, Range 15 East, Wagoner County, Oklahoma, to a point 70.00 feet west and 70.00 feet south of the Northeast Corner of the SW/4 of said Section 14; thence south and parallel with the East line of the SW/4 of said Section 14 to the South line of Section 14 and continuing south and parallel with the East line of the NW/4 of Section 23, Township 19 North, Range 15 East, Wagoner County, Oklahoma, to a point 50.00 feet north and 70.00 feet west of the Southeast Corner of the NW/4 of said Section 23; thence west and parallel with the South line of the NW/4 of said Section 23 a distance of 55.00 feet; thence south and parallel with the East line of the NW/4 of said Section 23 to the South line of the NW/4 of said Section 23 and continuing south and parallel with the East line of the SW/4 of said Section 23 to a point 125.00 feet north of the South line of said Section 23; thence west and parallel with the South line of Section 23 to the West line of Section 23 and continuing west and parallel with the South line of Section 22, Township 19 North, Range 15 East, Wagoner County, Oklahoma, to a point 125.00 feet west and 125.00 feet north of the Southeast Corner of said Section 22; thence south and parallel with the East line of said Section 22 to the South line of said Section 22; thence west along the South line of said Section 22 and continuing west along the South line of Section 21, Township 19 North, Range 15 East, Wagoner County, Oklahoma, to the Southwest Corner of said Section 21; thence north along the West line of said Section 21 to the Southeast Corner of the NE/4 of Section 20, Township 19 North, Range 15 East, Wagoner County, Oklahoma; thence west along the South line of the NE/4 of said Section 20 to the Southwest Corner of the NE/4 of said Section 20; thence north along the West line of the NE/4 of said Section 20 to the North line of said Section 20; thence west along the North line of said Section 20 to the Northwest Corner of said Section 20 and continuing west along the North line of Section 19, Township 19 North, Range 15 East, Wagoner County, Oklahoma, and continuing west along the North line of Section 24, Township 19 North, Range 14 East, Tulsa County, Oklahoma, to a point 100.00 feet west of the East line of said Section 24; thence south parallel with the East line of Sections 24 and 25, Township 19 North, Range 14 East, Tulsa County, Oklahoma, to a point 24.75 feet north of the South line of said Section 25; thence west parallel with the South line of Sections 25 and 26, to a point on the East line of Section 27; thence north along the East line of Section 27 to the Northeast Corner of the S/2 of said Section; thence west along the North line of the S/2 of said Section to the Southeast Corner of the NW/4; thence north along the East line of the NW/4 of said Section to the Northeast Corner thereof; thence west along the North line of the NW/4 of said Section to a point 24.75 feet west of the Northwest Corner thereof; thence south parallel with and 24.75 feet west of the East line of said Section 28 to a point on the South line of said Section 28, being the North line of Section 33, Township 19 North, Range 14 East; thence west

along said North line to the Northwest Corner of the E/2 NE/4; thence south along the West line of the E/2 NE/4 to the South line thereof; thence west along said South line to the South right-of-way line of the Broken Arrow Expressway; thence northwest along said right-of-way line to the West line of said NE/4; thence south along the said West line of the NE/4 and continuing south along the West line of the SE/4 to the South line of said Section 33, said line also being the centerline of East 61st Street South; thence west along the South line of said Section 33 to the Southwest Corner which is the point of beginning;

Less and except the following described two (2) tracts, to wit:

**A.** The N/2 SW/4 and the SE/4 SW/4 of Section 5, Township 19 North, Range 15 East, Wagoner County, Oklahoma.

**B.** The south 10.00 feet of the N/2 and the north 10.00 feet of the S/2 less the east 70.00 feet of Section 15, Township 19 North, Range 15 East, Wagoner County, Oklahoma; together with the south 10.00 feet of the NE/4 and the north 10.00 feet of the SE/4 of Section 16, Township 19 North, Range 15 East, Wagoner County, Oklahoma; together with the south 10.00 feet of the east 10.00 feet of the NW/4 of said Section 16; together with the west 10.00 feet of the W/2 NW/4 SE/4 and the NW/4 SW4 of said Section 16; together with the east 10.00 feet of the E/2 NE/4 SW/4 and the NE/4 SW/4 of said Section 16; together with the S/2 SW/4 SE/4 and the S/2 SW/4 SW/4 of Section 16, Township 19 North, Range 15 East, Wagoner County, Oklahoma; together with the N/2 NE/4 SW/4 and the N/2 NW/4 of Section 21, Township 19 North, Range 15 East, Wagoner County, Oklahoma.

## CHARTER ELECTION DISTRICT NO. 7

Charter Election District No. 7 being entirely in Tulsa County, Oklahoma, and further described by metes and bounds as follows, to wit:

Beginning at the Northeast Corner of Section 1, Township 18 North, Range 13 East, said point also being the intersection of the centerlines of East 61st Street South and South Mingo Road; thence east along the centerline of East 61st Street South to the centerline of South Garnett Road; thence south along the centerline of South Garnett Road to the centerline of East 81st Street South; thence west along the centerline of East 81st Street South to the centerline of South Memorial Drive; thence north along the centerline of South Memorial Drive to the centerline of East 71st Street South; thence west along the centerline of East 71st Street South to the centerline of South Sheridan Road; thence south along the centerline of South Sheridan Road to the centerline of East 77th Street South; thence west along the centerline of East 77th Street South to the centerline of South Norwood Avenue; thence north along the centerline of South Norwood Avenue curving northwest and changing into the centerline of East 76th Street South; thence continuing northwest along the centerline of East 76th Street South to the intersection of the centerline of South Kingston Avenue; thence southwest along the centerline of East 76th Street South to the centerline of South Hudson Avenue; thence continuing in a northwest direction along the centerline of East 76th Street South to the centerline of South Erie Avenue; thence southwest along the centerline of South Erie Avenue to the South line of the N/2 of Section 10, Township 18 North, Range 13 East; thence west along said South line of the N/2 of Section 10 to the centerline of South Yale Avenue; thence north along the

centerline of South Yale Avenue to the centerline of East 71st Street South; thence west along the centerline of East 71st Street South to the centerline of South Oswego Avenue; thence north along the centerline of South Oswego Avenue to the intersection of the centerline of East 67th Street South; thence northwest along the centerline of East 67th Street South to the centerline of South New Haven Avenue; thence northerly along the centerline of South New Haven Avenue to the centerline of East 66th Street South; thence west along the centerline of East 66th Street South to the centerline of South Harvard Avenue; thence north along the centerline of South Harvard Avenue to the centerline of the East 61st Street South; thence west along the centerline of East 61st Street South to the centerline of South Evanston Avenue; thence north along the centerline of South Evanston Avenue to the centerline of East 58th Street South; thence east along the centerline of East 58th Street South to the centerline of South Evanston Place; thence north along the centerline of South Evanston Place to the centerline of East 57th Street South; thence east along the centerline of East 57th Street South to the centerline of South Harvard Avenue; thence north along the centerline of South Harvard Avenue to the centerline of East 47th Place South; thence east along the centerline of East 47th Place South to the centerline of South Pittsburg Avenue; thence north along the centerline of South Pittsburg Avenue to the centerline of East 45th Street South; thence east along the centerline of East 45th Street South to the centerline of South Yale Avenue; thence south along the centerline of South Yale Avenue to the centerline of I-44; thence east along the centerline of I-44 to the centerline of South Sheridan Road; thence south along the centerline of South Sheridan Road to the centerline of East 51st Street South; thence east along the centerline of East 51st Street South to the centerline of South Mingo Road; thence south along the centerline of South Mingo Road to the centerline of East 61st Street South which is the point of beginning.

## CHARTER ELECTION DISTRICT NO. 8

Charter Election District No. 8 being entirely in Tulsa County, Oklahoma, and further described by metes and bounds as follows, to wit:

Beginning at a point on the Meander Line on the East bank of the Arkansas River, 24.75 feet west of the East line of Section 10, Township 17 North, Range 13 East; thence north parallel with and 24.75 feet west of the East line of Sections 10 and 3, Township 17 North, Range 13 East, to the North line of said Section 3; thence continuing north parallel with the East line of Sections 34 and 27, Township 18 North, Range 13 East, to a point 24.75 feet north of the South line of said Section 27; thence east parallel with and 24.75 feet north of the South line of Sections 27 and 26, Township 18 North, Range 13 East, to a point 24.75 feet west of the East line of said Section 26; thence north parallel with and 24.75 feet west of the East line of Sections 26 and 23, Township 18 North, Range 13 East, to a point 24.75 feet north of the South line of said Section 23; thence east parallel with and 24.75 feet north of the South line of Sections 23 and 24, Township 18 North, Range 13 East, and continuing east parallel with and 24.75 feet north of the South line of Section 19, Township 18 North, Range 14 East, to a point 24.75 feet west of the East line of said Section 19; thence north parallel with and 24.75 feet west of the East line of Sections 19 and 18, Township 18 North, Range 14 East, to a point on the North line of said Section 18, said point also being the centerline of East 81st Street South; thence west along the centerline of East 81st Street South to the

centerline of South Memorial Drive; thence north along the centerline of South Memorial Drive to the centerline of East 71st Street South; thence west along the centerline of East 71st Street South to the centerline of South Sheridan Road; thence south along the centerline of South Sheridan Road to the centerline of East 77th Street South; thence west along the centerline of East 77th Street South to the centerline of South Norwood Avenue; thence north along the centerline of South Norwood Avenue curving northwest and changing to the centerline of East 76th Street South; thence continuing northwest along the centerline of East 76th Street South to the intersection of the centerline of South Kingston Avenue; thence southwest along the centerline of East 76th Street South to the centerline of South Hudson Avenue; thence continuing in a northwest direction along the centerline of East 76th Street South to the centerline of South Erie Avenue; thence southwest along the centerline of South Erie Avenue to the South line of the N/2 of Section 10, Township 18 North, Range 13 East; thence west along said South line of the N/2 of Section 10 to the centerline of South Yale Avenue; thence north along the centerline of South Yale Avenue to the centerline of East 71st Street South; thence west along the centerline of East 71st Street South to the centerline of South Oswego Avenue; thence north along the centerline of South Oswego Avenue to the intersection of the centerline of East 67th Street South; thence northwest along the centerline of East 67th Street South to the centerline of South New Haven Avenue; thence northerly along the centerline of South New Haven Avenue to the centerline of East 66th Street South; thence west along the centerline of East 66th Street South to the centerline of South Harvard Avenue; thence south along the centerline of South Harvard Avenue to the centerline of East 91st Street South, said point also being the Northwest Corner of Section 21, Township 18 North, Range 13 East; thence continuing south along the centerline of South Harvard Avenue and extending south along the West line of said Sections 21 and 28, Township 18 North, Range 13 East, to the center of the Vensel Creek Channel; thence south along the center of the Vensel Creek Channel to a point on the Meander Line on the East bank of the Arkansas River; thence southeast along said Meander Line to a point 24.75 feet west of the East line of Section 10, Township 17 North, Range 13 East, Tulsa County, Oklahoma, which is the point of beginning.

## CHARTER ELECTION DISTRICT NO. 9

Charter Election District No. 9 being entirely in Tulsa County, Oklahoma, and further described by metes and bounds as follows, to wit:

Beginning at the Northeast Corner of Section 17, Township 19 North, Range 13 East, said Corner also being the intersection of the centerlines of South Harvard Avenue and East 21st Street South; thence south along the centerline of South Harvard Avenue to the centerline of the westbound lanes of the Broken Arrow Expressway; thence southeast along the centerline of the westbound lanes of the Broken Arrow Expressway to the centerline of East 31st Street South; thence west along the centerline of East 31st Street South to the centerline of South Yale Avenue; thence south along the centerline of South Yale Avenue to the centerline of East 45th Street South; thence west along the centerline of East 45th Street South to the centerline of South Pittsburg Avenue; thence south along the centerline of South Pittsburg Avenue to the centerline of East 47th Place South; thence west along the centerline of East 47th Place South to the centerline of South Harvard Avenue; thence south along the centerline of South

Harvard Avenue to the centerline of East 57th Street South; thence west along the centerline of East 57th Street South to the centerline of South Evanston Place; thence south along the centerline of South Evanston Place to the centerline of East 58th Street South; thence west along the centerline of East 58th Street South to the centerline of South Evanston Avenue; thence south along the centerline of South Evanston Avenue to the centerline of East 61st Street South; thence west along the centerline of East 61st Street South to the center of the Arkansas River; thence north along the center of the Arkansas River to the centerline of the West 21st Street Bridge; thence northeast along the centerline of the West 21st Street Bridge to the centerline of East 21st Street South, also being the North line of Section 13, Township 19 North, Range 12 East; thence east along the centerline of East 21st Street South to the centerline of South Harvard Avenue which is the point of beginning.

## SCHEDULE II. LIST OF ELECTION DISTRICT PLAN AMENDMENTS

The following is a list of the various changes made to the original Election District Plan of May 8, 1990, by reason of annexation, disannexation, other minor adjustments in the boundaries of Election Districts, and operation of the Election District Commission to adjust the boundaries of Election Districts each ten years after the completion of the Federal Decennial Census.

| Date | Document | Summary |
|---|---|---|
| May 8, 1990 | Amended Charter | Original Election District Plan for Nine Council Districts |
| July 29, 1991 | Amended Election District Plan of 1991 | Election District Commission filed its Election District Plan with the City Clerk, which became final on August 28, 1991 |
| July 24, 1992 | Ordinance No. 17749 | Amended the Election District Plan filed on July 29, 1991, by making minor adjustments in the boundary line between Election District No. 2 and Election District No. 8 to conform to the precinct and Senate boundary; and in Election District No. 1, Election District No. 3, and Election District No. 6 to avoid split precincts |
| June 1, 1994 | Ordinance No. 18208 | Disannexed property in Election District No. 6 |
| November 1, 1999 | Ordinance No. 19668 | Annexed property in Election District No. 7 |
| July 20, 2001 | Amended Election District Plan of 2001 | Election District Commission filed its Election District Plan with the City Clerk, which became final on August 19, 2001 |
| December 20, 2001 | Ordinance No. 20244 | Annexed property in Election District No. 6 |
| January 4, 2002 | Ordinance No. 20267 | Amended and corrected legal description as contained in Ordinance No. 20244 |
| August 22, 2003 | Ordinance No. 20652 | Amendment of Amended Election District Plan 2001 as authorized by Article VI, Section 6.3, of the Amended Charter |
| April 6, 2022 | Ordinance No. 24801 | Amendment of Election District Nos. 1—9 as authorized by Article VI, Section 6.3 of the amended Charter |

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## SCHEDULE III. LIST OF CHARTER AMENDMENTS

All amendments to this amended Charter are set forth in the text according to the section or article amended. The amendments, as presented to the voters, were numbered for that particular Charter election, but all amendments herein are listed showing sequential numbers for purposes of reference, only. Also listed is the date of approval by the Governor of the State of Oklahoma, substance, and the place in the text where the amendment is quoted.

| No. | Date | Substance | Art. | Sec. | Par. |
|---|---|---|---|---|---|
| 1. | May 2, 1994 | General Election Dates | VI | 1.3 | |
| 2. | May 2, 1994 | Qualified Elector | XII | 1 | |
| 3. | May 2, 1994 | Internal Audits | IV | 3 | F, G |
| 4. | June 21, 1996 | Records, Accounts, Personnel, Facilities, and Inventories Available to City Auditor | IV | 5 | |
| 5. | June 21, 1996 | Civil Service Appeal Time Frames | X | 8.2 | |
| 6. | June 21, 1996 | Civil Service Appeals | X | 8.3 | |
| 7. | June 21, 1996 | Firefighters' Probation Period | XI | 3 | |
| 8. | June 21, 1996 | Elected Officials in the Employ of Franchise Holders | XII | 13 | |
| 9. | June 21, 1996 | Special Election Dates | VI | 5 | |
| 10. | June 16, 1998 | Candidates for Elected City Offices to Either Pay a Filing Fee or File an Election Petition | VI | 3.1, 3.3 3.4 | D |
| 11. | June 16, 1998 | Council and Councilors May Communicate with Heads of Each Division and Department of the City | II | 19 | |
| 12. | June 6, 2006 | Affirmative Vote of Three-fourths of Entire Council Membership Required to Effect a Protested Change of Zoning | II | 6.3 | |
| 13. | June 6, 2006 | Resolutions Approved by the City Shall be Published | II | 11 | |
| 14. | June 6, 2006 | Residency Requirements for Members of City Boards, Commissions, Authorities, and Agencies | III | 1.4 | G |
| 15. | June 6, 2006 | Election Dates and Terms of Office to Correspond with State Law | VI | 1.2, 1.3, & 2 | |
| 16. | June 6, 2006 | Grounds for Recall of Elected Officers; Provisions for Petitions for Recall | VII | 1.1, 1.2, 2.2, & 3 | |
| 17. | June 6, 2006 | Mayor to Make Appointments Within Sixty Days or Council May Make Appointments, Should the Mayor Fail to do so | XII | 11 | |

# TITLE 1 AIRPORTS AND AIRCRAFT*

**Chapter 1. Definitions**
**Chapter 2. General Regulations**
**Chapter 3. Operational Rules and Regulations**
**Chapter 4. Aviation Fuel Flow Fee**
**Chapter 5. Airport Commercial Business Exterior Sign Policy**
**Chapter 6. Fine Schedule**

*__Editor's note—__Ord. No. 22550, § 1, adopted October 20, 2011, amended Title 1, in its entirety, to read as herein set out in Chapters 1 through 6. Prior to inclusion of said ordinance, Title 1 pertained to similar subject matter. See also the Code Comparative Table and Disposition List.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. DEFINITIONS

Section 100. Purpose.
Section 101. Words and phrases defined.
Section 102. Words and phrases not defined.
Section 103. Present and future tense, singular and plural references.
Section 104. Gender.

### Section 100. Purpose.

As authorized by the Amended Charter of the City of Tulsa, Oklahoma, the Tulsa Airport Authority may adopt, amend or repeal rules and regulations for the maintenance and operation of any and all airports belonging to the City, subject to the approval of the City Council. This title shall be known, and may be cited as, the "Airports Ordinance" or "Title 1."

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 101. Words and phrases defined.

Words relating to aeronautical practices, processes and equipment, which are not otherwise defined herein, shall be construed according to their general usage in the aviation industry. The following words and phrases when used in this title shall, for the purpose of this title, have the meanings respectively ascribed to them in this chapter:

**A.** **Accident** shall mean a collision or similar incident involving a motor vehicle or an unplanned and unfortunate event, resulting in property damage, personal injury, or death.

**B.** **Aircraft** shall mean any contrivance used or designed for navigation or flight in the air.

**C.** **Airport and Airport Property** shall mean any and all real property held by the City and/or the Tulsa Airports Improvement Trust which is used, or intended to be used, for aircraft loading, unloading, landing, and taking off, together with all buildings, facilities and improvements thereto within the exterior boundaries of such airport as it now exists on the Airport Layout Plan or as it may hereafter be extended, enlarged or modified.

**D.** **Airport Operations Area (AOA)** shall mean that portion of the airport designed and used primarily for landing, taking off, and taxiing, including a runway, taxiway, ramp, apron, and the airport grounds enclosed by security fencing.

**E.** **Airport Operations Division** shall mean the law enforcement organization established by the Tulsa Airport Authority and the City of Tulsa to provide operational oversight, safety and security for the Tulsa International Airport.

**F.** **Airport Rules and Regulations** shall mean the provisions of this title, as may be amended from time to time.

**G.** **Air Traffic Control Tower (ATCT)** shall mean the facility operated by the FAA for air/ground communications, which provides air traffic control services to aircraft operations on or in the vicinity of the airport.

**H.** **Apron** or **Ramp** shall mean those areas of the airport within the airport operations area designated for the maneuvering, loading, unloading, servicing or parking of aircraft while on the ground.

**I.** **Authority** shall mean the Tulsa Airport Authority (TAA), a charter agency of the City of Tulsa.

**J.** **Authorized Representative of the Director** shall mean a person or persons who is an employee of the Authority and designated by the Airports Director to act on his behalf.

**K.** **City** shall mean the City of Tulsa, a municipal corporation of the state of Oklahoma.

**L.** **Commercial Activity** shall mean the conduct of any aspect of a business or concession on an airport for revenue.

**M.** **Cruise** shall mean the operation of any taxicab or paratransit vehicle on the roadways of the passenger terminal complex without a valid reservation from a pre-reserved customer for the time and place of said operation.

**N.** **Director** shall mean the individual appointed by the Mayor to serve as the chief administrative officer of the airport.

**O.** **Motor Vehicle** shall mean any ground vehicle propelled by an internal combustion or electric motor.

**P.** **Movement Area** shall mean the runways, taxiways, and other areas of the airport which are used for taxiing or hover-taxiing, air taxiing, takeoff, and landing of aircraft and under direct control of the ATCT.

**Q.** **Object-Free Area (OFA)** shall mean the area on the ground centered on a runway, taxiway, or taxilane centerline provided to enhance the safety of aircraft operations by having the area free of objects, except for objects that need to be located in the OFA for air navigation or aircraft ground maneuvering purposes.

**R.** **Offense.** The doing of any of the acts or things which are prohibited by any provisions of this Title 1, or the failure or refusal to do any act which is commanded to be done as more fully specified and set forth in this Title 1, is hereby declared to be an offense against the good order, public peace, morals, public justice, health and safety of the City of Tulsa, Oklahoma. Every act which is declared to be unlawful is also hereby declared to be an offense.

**S.** **Owner,** when referring to vehicles or aircraft, shall mean:

**1.** A person who holds the registration to an aircraft;

**2.** A person who holds the title to a motor vehicle;

**3.** A person who owns improvements on a leasehold at the airport.

**4.** A conditional vendee or lessee, in the event the motor vehicle or aircraft is the subject of an agreement for the conditional sale or lease thereof with a right of purchase upon performance of the conditions stated in the agreement and with immediate right of possession; or

**5.** A mortgagor of a motor vehicle or aircraft vested with an immediate right of possession of the motor vehicle or aircraft.

**T.** **Park** shall mean the standing of a motor vehicle or aircraft whether occupied or not, otherwise than temporarily for the purpose of, and while actually engaged in, loading or unloading merchandise or passengers.

**U.** **Passenger Terminal Complex** shall mean the passenger terminal facilities at Tulsa International Airport, including all levels of the landside buildings and the airport operations area buildings, the parking garage, service buildings, surface parking facilities and all streets and non-public roads associated therewith.

**V.** **Pedestrian** shall mean any person traveling afoot within the borders of the airport.

**W.** **Person** or **Entity** shall mean any individual, firm, partnership, corporation, company, association, joint stock association, limited liability company or body politic; and includes any trustee, receiver, committee, assignee or other representative or employee thereof.

**X.** **Picketing** shall mean participating in a picket line as a picket or taking part in any labor or other form of demonstration or protest.

**Y.** **Public Areas** shall include the areas of the passenger terminal complex to which access is not restricted by governmental regulations.

**Z.** **Secured Area** shall mean any area of the airport which requires security access procedures consistent with the Transportation Security Administration's security requirements.

**AA.** **Service Animals** shall mean animals that are individually trained to perform tasks for people with disabilities as defined by the Americans with Disabilities Act, or to perform other special tasks which are certified by the Transportation Security Administration. For the purposes of this section, service animals are working animals and are not considered domestic pets.

**BB.** **Solicit** or **Solicitation** shall mean to request an immediate donation of money or other thing of value from another person, regardless of the solicitor's purpose or intended use of the money or other thing of value. The solicitation may be, without limitation, by the spoken, written or printed word, or by other means of communication.

**CC.** **Street** shall mean the whole width between boundary lines of every way publicly maintained when any part thereof is open to the use of the public for purposes of vehicular traffic.

**DD.** **Taxilane** shall mean the portion of the aircraft parking area used for access between taxiways and aircraft parking positions.

**EE.** **Taxiway** shall mean a defined path established for the taxiing of aircraft from one part of an airport to another.

**FF.** **Transportation Security Administration (TSA)** shall mean the agency of the United States Department of Homeland Security that regulates airport and aircraft security or its successor agency.

**GG.** **Tulsa Airports Improvement Trust (TAIT)** shall mean the trust created and established for the benefit of the City of Tulsa, Oklahoma, under the authority of, and pursuant to 60 O.S. § 176, *et seq.,* as amended from time to time.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 102. Words and phrases not defined.

Other than as set forth in Section 100, terms not defined in this title shall have their ordinarily accepted meanings or such as the context may imply.

*(Ord. No. 22550, § 1, 10-20-2011)*

## Section 103. Present and future tense, singular and plural references.

**A.** Words used in the present tense include the future; the singular number includes the plural, and the plural the singular when used in this title.

**B.** Shall when used in this title is always mandatory and never permissive.

*(Ord. No. 22550, § 1, 10-20-2011)*

## Section 104. Gender.

Words used in the masculine gender comprehend, as well, the feminine gender and neuter.

*(Ord. No. 22550, § 1, 10-20-2011)*

## CHAPTER 2. GENERAL REGULATIONS

Section 200. Accident reports.
Section 201. Advertising and display of commercial speech.
Section 202. Airport administration.
Section 203. Animals.
Section 204. Compliance with rules and regulations.
Section 205. Damage to airport property.
Section 206. Disposition of waste material.
Section 207. Firearms and archery equipment.
Section 208. Lost and abandoned property.
Section 209. Maintenance and usage.
Section 210. Public use of airport premises.
Section 211. Penalty.

### Section 200. Accident reports.

At the request of the Airports Director, witnesses of, and participants in, accidents on or within the Airports shall make a full report thereof to the Airport Operations Division at Tulsa International Airport (TUL) or to the authorized representative of the Director at Richard L. Jones, Jr. Airport (RVS) as soon after the accident as possible. The report shall include a statement of the accident and names, addresses, and appropriate contact information.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 201. Advertising and display of commercial speech.

No person shall post, distribute, or display signs, advertisements, circulars, pictures, sketches, or drawings, or engage in any commercial speech at the airport or on airport property without first complying with Section 210.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 202. Airport administration.

**A.** When an emergency exists, the Director or his authorized representative(s) shall, as authorized by the laws of the state of Oklahoma and Title 14, Code of Federal Regulations, take action as necessary, in his discretion and judgment, to protect the health, welfare and safety of persons and property and to facilitate operations of the airport including the authority to suspend or restrict any or all aeronautical, vehicular and pedestrian operations at the airport.

**B.** In the event the Director, or his authorized representative, determines the condition of the airport or any part thereof is unsafe for taxiing, landings or takeoffs, the Director shall issue, or cause to be issued, a Notice to Airmen (NOTAM) closing the airport or any part thereof.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 203. Animals.

**A.** No person other than a disabled person with a service animal or a law enforcement officer with a specially trained animal or dog used for law enforcement purposes shall enter the airport terminal building or adjacent areas within the airport boundaries at

Tulsa International Airport with a domestic animal unless such animal is confined within a cage, carried in a person's arms, or restrained by a leash so that such person retains complete control of the animal.

**B.** No person shall, either willfully or through failure to exercise due care, permit any animal to urinate or defecate upon the sidewalks at Tulsa International Airport or within the airport terminal building, parking facility or roadways within the jurisdiction of the airport without removing evidence of the event.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 204. Compliance with rules and regulations.

**A.** All activities at the airports shall be conducted in conformity with the current pertinent provisions of regulations and advisory circulars issued by the Federal Aviation Administration, authorized orders issued by the Director, and the provisions of the Airport Rules and Regulations which are not in conflict with the Federal Aviation Regulations or advisory circulars.

**B.** Any permission granted by the Director, Authority or TAIT, expressed or by implication, to any person to enter or to use the airport(s) or any improvements, facilities or equipment is conditioned upon compliance by that person with all pertinent federal, state and local laws.

**C.** The Authority may prohibit any conduct that violates any requirement for, or condition of, the receipt of federal grant-in-aid funds, the approval of the imposition of passenger facility charges, or any other governmental program in which the Authority participates to obtain funds for use at an airport.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 205. Damage to airport property.

Any person damaging, injuring or destroying airport property, either by accident or otherwise, shall be liable for the reasonable value of the property so damaged or destroyed.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 206. Disposition of waste material.

Garbage, trash, paper, refuse and other waste material at the airports shall be placed in receptacles provided for that purpose.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 207. Firearms and archery equipment.

**A.** The prohibitions and offenses set forth in Title 27, Chapter 15, Tulsa Revised Ordinances as may be amended from time to time, are specifically applicable to Airport Property including but not limited to Tulsa International Airport and R.L. Jones, Jr. (RVS) Airport.

**B.** In addition thereto, it shall be unlawful and an offense for any person to engage in archery target practice or any other active use of archery equipment consisting of bows or crossbows and arrows on airport property.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 208. Lost and abandoned property.

Any person finding lost, mislaid, or abandoned personal property on or in the airport or airport-sponsored ground transportation shall immediately deliver such property to the Airport Operations Division, if found at Tulsa International Airport, or to an employee of the Authority at the maintenance building if found at Richard L. Jones, Jr. Airport, subject to the provisions of Oklahoma Statutes, Title 11, § 34-104G, as the same may be amended from time to time. Nothing in this section shall be construed to prohibit scheduled air carriers or other tenants from maintaining "lost and found" services for the property of patrons, invitees or employees of such air carriers or tenants.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 209. Maintenance and usage.

**A.** No person (who leases airport property from TAIT) shall:

**1.** Permit grass or ground cover vegetation on leased airport property to reach a height in excess of six (6) inches;

**2.** Allow trees or shrubbery on leased airport property to limit visibility for motor vehicle or aircraft movement;

**3.** Deposit, store, keep or permit to be deposited, stored or kept, in the open on leased airport property any aircraft service vehicles, tugs, fuel trucks, fork lifts, mobile equipment, cargo, trailers, motor homes, boats, or other items of personal property unless such property is in common use in a business activity licensed by TAIT;

**4.** Deposit, store, keep or permit to be deposited, stored or kept on open areas of leased airport property, aircraft in non-airworthy condition or disabled, disassembled, or partially assembled aircraft, parts, or other aircraft components;

**5.** Allow the accumulation of rubbish, trash or other waste material on airport property.

**B.** No person shall use or permit others to use hangars on leased airport property for non-aeronautical commercial activity.

**C.** No person shall use or permit others to use hangars for storage of non-aeronautical personal property or vehicles except such storage as may be strictly incidental to the primary aeronautical use of the hangar.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 210. Public use of airport premises.

**A.** The airport is not a public forum.

**B.** Picketing or the distribution of printed or written materials ("leafletting") shall only be conducted in designated areas of the airport and only after receipt of written authorization from the Director or his designee.

**C.** No person shall solicit on the airport.

**D.** No person shall conduct any polls or surveys on the airport without first obtaining written permission from the Director.

**E.** No person shall take still, video or motion pictures and/or sound recordings of voices or people on the airport for commercial purposes without written permission from, and as authorized by, the Authority or TAIT; provided, however, the Director may deny

permission to any person to take pictures of any nature where such denial is in the interest of public safety or national security. This section does not apply to bona fide coverage by the news media conducting business in areas authorized by the Director.

*(Ord. No. 22550, § 1, 10-20-2011)*

## Section 211. Penalty.

**A.** Unless otherwise provided for in this chapter, every person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments. Each day shall constitute a separate offense.

*(Ord. No. 22550, § 1, 10-20-2011)*

## CHAPTER 3. OPERATIONAL RULES AND REGULATIONS

Section 300. Airport operations area, movement area, and secured area restrictions.
Section 301. Vehicle operations in public areas.
Section 302. Unattended aircraft; disabled aircraft and aircraft parts.
Section 303. Adoption of Section 42.10, *et seq.*, of the NFPA1, Fire Code, 2009 Edition.
Section 304. Penalty.

### Section 300. Airport operations area, movement area, and secured area restrictions.

**A. Restrictions on persons.**

**1.** No person may, without an airport security badge issued in accordance with TSA Regulations, enter the air operations area, movement area, or any secured area(s) at Tulsa International Airport except persons escorted by a person displaying an appropriately-issued airport security badge and passengers who, under appropriate supervision, enter upon the apron for the purpose of enplaning or deplaning an aircraft.

**2.** No person (including a person operating a motor vehicle or an aircraft) shall enter a movement area at the airport during the hours of operation of the air traffic control tower unless the person is in direct communication with the ATCT or is being directly escorted by authorized airport personnel.

**3.** A person towing an aircraft from non-movement areas through movement areas at an airport shall establish, gain approval, and maintain contact with the ATCT and comply with the ATCT's directions.

**4.** Operators of motor vehicles and aircraft shall not park motor vehicles or aircraft within the boundaries of a movement area, unless approved by ATCT.

**5.** Parking of motor vehicles and aircraft on taxiways, taxilanes or object-free areas at the airport for loading or unloading activities shall be considered a secondary usage of such taxiways, taxilanes and object-free areas. Persons shall conduct such activities so that primary usage as a taxiway, taxilane or object-free area shall remain unimpaired and only for such period of time as is absolutely required to accomplish such activities.

**B. Operation of aircraft and helicopter engines.**

**1.** No aircraft engine shall be operated unless a licensed pilot or aircraft mechanic is attending the controls.

**2.** Aircraft shall be started and run up to full power at an airport only in places designated for such purposes by the Director or as expressly authorized by the ATCT.

**3.** While running up aircraft engines, pilots/mechanics shall not allow the propeller wash or jet stream to come into contact with buildings, airplanes, parking areas, or areas reserved for spectators.

**4.** No person shall start the engine of any aircraft when there is gasoline or other flammable material on the ground under such aircraft.

**5.** Helicopters operated at the airport shall have braking devices or rotor mooring blocks applied to the rotor blades.

**C. Taxiing aircraft or helicopter.**

**1.** No person shall taxi an aircraft except on areas designated for taxiing.

**2.** Taxiing aircraft shall have the right-of-way at an airport over all self-propelled ground vehicles.

**3.** Helicopters shall not be taxied, towed or otherwise moved at the airport, with rotors turning, unless there is a clear area of at least fifty (50) feet from the outer tip of each rotor and any other aircraft, movable object, or structure.

**D. Operation of motor vehicles.**

**1.** All operators of motor vehicles and all pedestrians shall obey traffic-control devices located on airport property which shall include all signs, all curbing, all mechanical signage, all paint marks placed on the surface of streets, ramps, aprons, taxiways, taxilanes, object-free areas, and all electrically controlled traffic signals or gates.

**2.** The Director is authorized to establish motor vehicle speed limits and place traffic-control devices on areas of airport property other than streets which are dedicated for public use.

**3.** Motor vehicles shall only be operated in designated streets, taxiways, taxilanes and marked ramp areas at the airport.

**4.** No person shall drive any motor vehicle on airport property in excess of posted speed limits.

**5.** All operators of motor vehicles operating within an object-free area shall give right-of-way to oncoming aircraft by either maintaining a safe distance ahead or behind the aircraft or by exiting the object-free area to let the aircraft pass.

*(Ord. No. 22550, § 1, 10-20-2011)*

## Section 301. Vehicle operations in public areas.

**A.** No person shall cruise the passenger terminal complex for the purpose of soliciting business or fares.

**B.** No person shall make repairs to a vehicle in the passenger terminal complex unless such repairs are for an emergency, i.e. flat tire or dead battery.

**C.** No person shall park to load or unload passengers in the passenger terminal complex in any areas other than those designated by appropriately installed signage.

**D.** No person shall fail to obey promptly any lawful command by any Airport Officer, Airport Parking Inspector, City Police Officer, or other duly authorized representative of the Director or the City, when so identified.

**E.** No person shall operate a commercial ground transportation service vehicle within the boundaries of the Tulsa International Airport without holding a current and valid permit issued by TAIT in accordance with TAIT's Ground Transportation Services Policy, as it may be amended and in effect from time to time, and agreeing to comply with such policy.

*(Ord. No. 22550, § 1, 10-20-2011; Ord. No. 23891, § 1, 4-4-2018)*

## Section 302. Unattended aircraft; disabled aircraft and aircraft parts.

**A.** No aircraft shall be left unattended on the airport unless properly secured or within a hangar. Owners of aircraft shall be held responsible for any damage resulting from failure to comply with this section.

**B.** Aircraft owners, their pilots or agents, shall be responsible for the prompt removal of disabled aircraft and parts thereof located on airport property, unless required or directed by the FAA or National Transportation Safety Board to delay such action pending an investigation of an accident.

**C.** Authority is authorized to remove to the nearest location designated or maintained by authority or the City of Tulsa, or cause to be removed by reasonable means, any motor vehicle or aircraft in violation of the provisions of this title; provided that such impounded motor vehicle or aircraft shall be surrendered to the duly registered owner or lessee upon payment to the City of Tulsa of all reasonable costs of removal and storage which shall have accrued to such vehicle or aircraft in compliance with Section 305, Title 24 of the Tulsa Revised Ordinances.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 303. Adoption of Section 42.10, *et seq.*, of the NFPA1, Fire Code, 2009 Edition.

A certain document, three (3) copies of which are on file in each of the offices of the City Clerk of the City of Tulsa, Oklahoma, the Tulsa Airport Authority and the Superintendent of R.L. Jones, Jr. Airport, being marked and designated as NFPA1, *Fire Code,* 2009 Edition or as prescribed in the most current revision thereof, *Aircraft Fuel Servicing,* Section 42.10, *et seq.*, which applies to the fuel servicing of all types of aircraft using liquid petroleum fuel in accordance with NFPA 407, *Standard for Aircraft Fuel Servicing,* 2007 Edition or as prescribed in the most current revision thereof, as published by the National Fire Protection Association, hereinafter the *"Aircraft Fuel Servicing Code,"* is hereby adopted for the purpose of safeguarding life and property at the airports from fire and explosion hazards by regulating aircraft fuel service, as herein provided. Each and all of the regulations, provisions, penalties, terms and conditions of the NFPA1, *Fire Code,* 2009 Edition or as prescribed in the most current revision thereof, Section 42.10, *et seq.*, and NFPA 407, *Standard for Aircraft Fuel Servicing,* 2007 Edition or as prescribed in the most current revision thereof, are hereby referred to, adopted and made a part hereof as if fully set out in this chapter.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 304. Penalty.

Unless otherwise provided for in this chapter, every person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments. Each violation shall constitute a separate offense.

*(Ord. No. 22550, § 1, 10-20-2011)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 4. AVIATION FUEL FLOW FEE

Section 400. Purpose.
Section 401. Fuel flow fee established.
Section 402. Exemption from fuel flow fee.
Section 403. Accounting and reporting.
Section 404. Payment.
Section 405. Auditing.

### Section 400. Purpose.

The Tulsa Airport Authority, as a charter agency of the City of Tulsa with responsibility for the operation, administration, maintenance and improvement of Tulsa International Airport and Richard Lloyd Jones, Jr. Airport (collectively called "airport"), shall assess a fuel flow fee ("fuel flow fee") on all aviation fuel, jet fuel, propellant, or any other fuel used for aircraft operation ("fuel") sold, consumed or dispensed at the airport as hereinafter described except as otherwise provided in Section 402.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 401. Fuel flow fee established.

Subject to the exception provided herein, every person at the airport (including but not limited to fixed base operators [as defined by the Schedule of Minimum Standards for Commercial Operators approved by the Tulsa Airports Improvement Trust from time to time], lessees and licensees at the airport) which sells, consumes or dispenses fuel directly or indirectly for consumption, shall pay to the Authority, for the use and benefit of the Authority, a fuel flow fee for each gallon of fuel sold, consumed or dispensed during any calendar month. The amount of the fuel flow fee shall be established by the Authority and may be changed at any time as shall be in the best interests of the airport. Current fuel flow fees will be published and available in the Airport Director's office.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 402. Exemption from fuel flow fee.

The fuel flow fee shall not apply to fuel delivered to be sold or dispensed to, or consumed by, air carriers or cargo carriers with scheduled service and a license to operate at the airport.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 403. Accounting and reporting.

Every person described herein shall provide to the Authority, on or before the last day of the calendar month, a verified report ("fuel flow report") in a form provided by Authority of all fuel received from a fuel supplier, as well as fuel consumed, sold or dispensed by the person at the airport, including fuel which is exempt from the fuel flow fee, during the preceding calendar month. A late fee of Fifty Dollars ($50.00) will be assessed for fuel flow reports not received by Authority by the due date.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 404. Payment.

Every person described herein shall provide, with the monthly verified fuel flow report required by Section 403, a payment to the Authority of the fuel flow fee for each gallon of

fuel sold, consumed or dispensed on the airport during the preceding calendar month at the rate and in the amount then currently approved in the airport schedule of rates and charges. Fuel flow fee payments received by the Authority after the due date will be charged (assessed) interest equal to eighteen percent (18%) per annum (one and one-half percent (1½%) per month) of the amount due (or the amount allowed by Oklahoma law if less than eighteen percent (18%)), accruing monthly until full payment is made to Authority.

*(Ord. No. 22550, § 1, 10-20-2011)*

## Section 405. Auditing.

Each person described herein shall maintain an acceptable cost accounting system in accordance with generally accepted accounting practices and principles and shall maintain all books, records and fuel flow reports required under this section within the City of Tulsa for a period of three (3) years from the due date of a fuel flow report. Authority and/or the City of Tulsa, the FAA, the Comptroller General of the United States, and any of their duly authorized representatives (including a firm of certified public accountants satisfactory to the Authority and City) shall have the right, during ordinary business hours, to access any books, documents, papers and/or records which are directly pertinent to fuel transactions and reporting requirements hereunder for the purpose of making audit examination of such records and books of account.

*(Ord. No. 22550, § 1, 10-20-2011)*

## CHAPTER 5. AIRPORT COMMERCIAL BUSINESS EXTERIOR SIGN POLICY

Section 500. Purpose.
Section 501. Interpretation.
Section 502. General requirements.
Section 503. Display surface area.
Section 504. Fuel facilities.
Section 505. Flags, banners, pennants and other advertising.
Section 506. Variances and exceptions.
Section 507. Conflict with ordinances or statutes.
Section 508. Penalty.

### Section 500. Purpose.

As authorized by the Amended Charter of the City of Tulsa, Oklahoma, the Tulsa Airport Authority may adopt, amend or repeal rules and regulations for the maintenance and operation of any and all airports belonging to the City, subject to the approval of the City Council. The following Airport Commercial Business Exterior Sign Policy, Tulsa International Airport and R.L. Jones, Jr. Airport, was approved by the Tulsa Airports Improvement Trust and the Tulsa Airport Authority on August 11, 2005, and approved by the Tulsa City Council on September 29, 2005.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 501. Interpretation.

The provisions of Tulsa Revised Ordinances, Title 42, § 1221, Use Unit 21, Business Signs and Outdoor Advertising, Section C, "General Use Conditions for Business Signs;" and Section E, "CG, CH, CBD, IL, IM and IH Use Conditions for Business Signs;" and Tulsa Revised Ordinances, Title 42, § 1800, "Definitions," are hereby incorporated by this reference. The more restrictive provisions of the Tulsa International Airport and R.L. Jones Jr. Airport Commercial Business Exterior Sign Policy shall control in case of a conflict.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 502. General requirements.

**A.** Before any business sign is erected on Tulsa International Airport or R.L. Jones Jr. Airport, a tenant or subtenant shall obtain a City of Tulsa Sign Permit and approval from the Tulsa Airport Authority ("Authority"). Authority will only grant approval to businesses licensed with the Tulsa Airports Improvement Trust. Off-leasehold signage or advertising on other airport land by a tenant or subtenant is prohibited. Signs shall meet all local and state building and zoning codes and all federal requirements.

**B.** An airport "tenant construction or alteration application" form shall be completed with tenant's or subtenant's business name, contact person and phone number, and submitted to the Director along with a copy of the City of Tulsa Sign Permit; one (1) set of plans showing the type of sign with dimensions; whether the sign is illuminated; a plot plan showing sign location; structural details; and means of permanent attachment. All signs shall be permanently affixed to a building, fuel dispensing facility, fuel truck or the ground within the boundaries of a leasehold area. If the sign is a ground

sign, the application must also show footing plans and height of the sign. If the sign is a projecting sign, the application must also show means of attachment and height of the sign.

**C.** Wall signs are signs affixed to a building wall; canopy, awning, marquee or parapet wall, or a sign displayed in or on a window or door which does not extend horizontally more than fifteen (15) inches from the wall, canopy, awning, marquee, parapet wall, window or door, nor extend above the parapet wall. A sign attached to the wall of a building that extends more than fifteen (15) inches from the wall is a projecting sign. Ground signs are any sign which is part of a self-supporting structure, other than a building or part of a building, and may include various types of pole signs or monument signs. Roof signs are prohibited.

**D.** All permanent signs shall be made from metals or polymers; no wooden signs, fabric or vinyl banners, and no paper or cardboard signs will be allowed. All electrical signs must comply with the National Electric Code.

**E.** Illuminated signs must be internally lit in a manner that creates no hazard or distraction to air traffic. Flashing signs, external lighting (flood lights), signs with movement, and brilliantly lit signs are prohibited.

**F.** Ground signs and projecting signs shall be installed so that their maximum height is no greater than thirty-five (35) feet. Ground signs and projecting signs shall not restrict line of sight from the air traffic control tower to any taxiway or runway; interfere with aircraft traffic, service vehicle traffic, or existing utilities; and shall meet the requirements of Federal Aviation Regulations, Part 77 (Objects Affecting Navigable Airspace).

**G.** Installation and maintenance of all signs, including but not limited to painted finishes, lettering and electrical service is the sole responsibility of the tenant or subtenant who shall be responsible for maintenance of the sign and upkeep of the immediate premises occupied by the sign in a clean, sanitary, and healthful condition. Obsolete messages are to be removed by tenant within thirty (30) days of obsolescence. Damaged signs are to be repaired or removed by tenant within thirty (30) days of occurrence.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 503. Display surface area.

**A.** The aggregate display surface area of wall signs shall not exceed three (3) square feet, for each lineal foot of building wall to which the sign or signs are affixed, including doors and windows. Signs are not permitted to extend above or beyond the ends of the wall of any building.

**B.** The aggregate display surface area of a ground sign or projecting sign shall not exceed fifty (50) square feet per side, back to back per building. Tenants (including subtenants) leasing an aggregate leasehold area of at least two (2) acres are permitted a total of three (3) ground signs or projecting signs, or any combination thereof, on tenant's total leased premises per airport (TUL or RVS).

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 504. Fuel facilities.

**A. Fuel pump facilities.** Signs on fuel pump facility areas (installed pumps and adjacent area) are limited to signs painted on fuel pumps plus a permanently mounted sign with

an aggregate (total) display surface not to exceed four (4) square feet per side on two (2) sides of the fuel pump facility area. The additional, permanently mounted sign may be constructed to allow messages that are easily changeable.

**B. Fuel trucks.** Signs on fuel trucks are limited to signs painted on truck tanks and cab doors plus an additional sign that is permanently mounted on any two (2) sides, which could include the front or back of the truck not to extend beyond the normal fuel truck tank and chassis. The additional, permanently mounted sign shall not exceed four (4) square feet per sign and may be constructed to allow messages that are easily changeable.

**C. Fuel storage facilities.** Signs on fuel storage facilities shall be limited to one (1) sign not exceeding one (1) square foot.

**D. Safety markings.** Standardized safety markings for fuel pump facilities, fuel trucks and fuel storage facilities shall be displayed in accordance with the NFPA standards and shall not be measured in the aggregate (total) display surface allowed.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 505. Flags, banners, pennants and other advertising.

**A.** Tenant or subtenant may display any combination of one (1) corporate flag, one (1) City of Tulsa flag, one (1) Oklahoma State flag, and one (1) American flag on either the public side or the air side of one (1) of its buildings. For aggregate leasehold areas up to thirty (30) acres, flag size (per flag) may not exceed sixty (60) square feet and flagpoles may not exceed thirty-five (35) feet in height. Flagpoles may not restrict the line of sight from the air traffic control tower to any taxiway or runway; may not interfere with aircraft traffic, service vehicle traffic or existing utilities; and must meet the requirements of Federal Aviation Regulations, Part 77 (Objects Affecting Navigable Airspace).

**B.** Any other type of permanent exterior signage not included in this policy (including promotional business signs, banners, pennants, flags, streamers or similar promotional devices) is not allowed; provided, however this shall not restrict placement of any signs of warning, directive, or instructional nature erected by a public utility, franchised transportation company or governmental agency; signs, not exceeding three (3) square feet of display surface area of a warning, directive, or instructional nature, including entrance, exit and restroom signs; or legal notices and street numbers.

**C.** Temporary promotional banners will be allowed twice a year for ten (10) days, requiring a six-month space between the two (2) ten-day periods. No City permit will be required for a single banner up to thirty-two (32) square feet, subject to approval by the Authority.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 506. Variances and exceptions.

**A.** Requests for variances (exceptions) to this sign policy shall be submitted in writing to the Director and shall state the reasons for the requested variance along with detailed drawings identifying the variance, if appropriate. Requests for variances will be considered for approval by the Authority.

**B.** Any permanent wall sign, projecting sign, or ground sign installed before January 1, 2005, shall be considered to meet the size requirements of previously approved sign policy guidelines and will be allowed until any modification of any type, occurs, i.e. changed wording or logo; different tenant; color change; etc., at which time a new tenant construction alteration application must be approved by the Authority and a City of Tulsa Sign Permit secured, if applicable. Repainting an existing painted sign to the original lettering, logo, and colors does not require Authority approval.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 507. Conflict with ordinances or statutes.

No provision herein shall be held to deprive any federal, state or municipal agency having jurisdiction of any power or authority which it had on the effective date hereof or of any remedy then existing for enforcement of its orders.

*(Ord. No. 22550, § 1, 10-20-2011)*

### Section 508. Penalty.

Unless otherwise provided for in this chapter, every person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments. Each day shall constitute a separate offense.

*(Ord. No. 22550, § 1, 10-20-2011)*

## CHAPTER 6. FINE SCHEDULE

Section 600. Fine schedule.

### Section 600. Fine schedule.

In lieu of an appearance before the Municipal Court, the City may designate, by ordinance, the penalties to be paid for the offenses which may be satisfied by payment at the Court. Bail, in the form of a "preset fine," is authorized by 11 O.S. 2010, § 28-113(c). The amount of bail for the designated offenses hereinafter described shall be the amount of fines and costs, including any penalty assessments and/or fees, provided for in Oklahoma Statutes and City Ordinances. This section establishes preset fines only for those offenses where the violator signs a written promise to appear and no court appearance is scheduled by the issuing officer. This section shall not apply to those offenses that cause the violator to be arrested.

**VIOLATION**
**GENERAL REGULATIONS**

| § Ref | | Fine/ Penalty |
|---|---|---|
| | | |
| 203.A | Unrestrained Animal | $ 75.00 |
| 203.B | Failure to Clean Up After Animal | $ 75.00 |
| 206 | Failure to Properly Dispose of Waste Material | $ 75.00 |
| 207.B. | Active Use of Archery Equipment on Airport Property | $150.00 |
| 209.A.1-5 | Failure to Properly Maintain Airport Property | $150.00 |
| 209.B. | Use of Hangar for Non-Aeronautical Commercial Activity | $150.00 |
| 209.C | Storage of Non-Aeronautical Property | $150.00 |
| 210.B | Picketing or Material Distribution without Authorization | $150.00 |
| 210.C | Solicitation on Airport Property | $150.00 |
| 210.D | Conduct of Poll or Survey | $150.00 |
| 210.E | Taking Pictures for Commercial Purposes | $150.00 |
| | | |
| **OPERATIONAL RULES AND REGULATIONS** | | |
| | | |
| 300.A.1 | Unauthorized Entry into Secure Area | $150.00 |
| 300.A.2 | Unauthorized Entry into Movement Area | $150.00 |
| 300.A.3 | Failure to Properly Tow Aircraft | $150.00 |
| 300.A.4 | Unauthorized Parking in Movement Area | $150.00 |
| 300.A.5 | Excessive Time for Loading & Unloading Activities | $150.00 |
| 300.B.1 | Operation of Engine without Attendant | $150.00 |
| 300.B.2 | Improper Location or No Authorization for Full Power Runup | $150.00 |
| 300.B.3 | Failure to Restrict Propeller Wash or Jet Stream | $150.00 |
| 300.B.4 | Flammable Material in Proximity When Starting Engine | $150.00 |
| 300.B.5 | Failure to Comply with Helicopter Braking Requirements | $150.00 |
| 300.C.1 | Taxiing Aircraft in Undesignated Area | $150.00 |
| 300.C.2 | Failure to Yield to Taxiing Aircraft | $150.00 |
| 300.C.3 | Movement of Helicopter without Appropriate Clear Area | $150.00 |

| § Ref | | Fine/ Penalty |
|---|---|---|
| 300.D.1 | Failure to Obey Traffic Control Devices | $150.00 |
| 300.D.3 | Operation of Motor Vehicle Outside Designated Areas | $150.00 |

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. DEFINITIONS; REGULATION GENERALLY

Section 100. Definitions.
Section 101. Offenses.
Section 102. Rabies and inoculation.
Section 103. Veterinarian records and reports; reporting animal bites; animal under quarantine; rabies suspected.
Section 104. License fees.
Section 105. Proclamation of rabies.
Section 106. Rabies suspect.
Section 107. Dangerous animal.
Section 108. Animal nuisance.
Section 109. Notice of impoundment; reclaiming; disposal of animals; and fees.
Section 110. Commercial animal establishments.
Section 111. Issuance of citations; collection of fines.
Section 112. Police dogs and dogs trained to guide the blind and hearing impaired and support service dogs for people with disabilities.
Section 113. Outside agencies and nonresidents; euthanasia services prohibited—Mayoral exception.
Section 114. Records; funds.
Section 115. Unlawful removal.
Section 116. Entering property.
Section 117. Exemption permits.
Section 118. Penalty.

### Section 100. Definitions.

For purposes of this title, each word and phrase shall have the following meaning:

**Abandon** or **Abandoned** shall mean the leaving of an animal without making reasonable arrangements for assumption of custody by another person.

**Animal** shall mean any living creature, except human beings, and include (without limiting the generality) mammals, birds, reptiles, fish, amphibians and invertebrates, except in Section 106 of this chapter the word "animal" shall mean only mammals when referring specifically to the control of rabies and rabies-suspected animals.

**A.** A large animal is any agricultural animal, excluding poultry and rabbits. It includes but is not limited to horses; dwarf, miniature, or dwarf variety horses; cattle; goats; donkeys; mules; sheep; and swine. It also includes reptiles over fifty (50) pounds.

**B.** A small animal is any non-agricultural animal, including but not limited to dogs, cats, and ferrets, and the following agricultural animals: poultry and rabbits.

**Animal bite** shall mean any penetration of the skin by the teeth of an animal but shall exclude scratches by the claws of dogs or cats.

**Animal Welfare Authority** means a local government entity acting alone or in concert with other local governmental units for enforcement of the animal welfare laws of the city, county and state and the shelter and welfare of animals.

**Animal Welfare Center** means the shelter at 3031 North Erie Avenue in Tulsa, Oklahoma.

**Animal Welfare Officer** means any individual employed, contracted with, or appointed by Animal Welfare Authority for the purpose of aiding the enforcement of any law or ordinance relating to the licensure of animals, control of animals, or seizure and impoundment of animals, and includes any state or local law enforcement officer or other employee whose duties in whole or in part include assignments that involve the seizure and impoundment of any animal

**Animal Wild by Nature** shall mean and include any animal, except reptiles defined in Chapter 7, which, because of its potentially dangerous physical features, or its great size, or its potentially dangerous nature presents a clear and proven danger to human beings, and shall include:

**A.** The following members of the Class Aves: Order Falconiformes (hawks, eagles, falcons and vultures) which are not kept pursuant to federal or state permit, and Order Ratites (ostriches, rheas, cassowaries and emus); or birds native to the continental United States and Alaska and all birds covered under the Lacey Act and Migratory Bird Act.

**B.** The following members of the Class Mammalia: Order Carnivora, Family Felidae (ocelots, margays, tigers, lions, panthers, jaguars, leopards and cougars, bobcat, lynx, cheetah, serval), except commonly accepted domesticated cats; the Family Canidae (wolves, foxes, dingoes, coyotes and jackals), except domesticated dogs; Family Mustelidae (weasels, martins, minks and badgers); Family Procyonidae (raccoon); Family Ursidae (bears); Order Chiroptera (bats); Order Edentata (sloths, anteaters and armadillos); Order Marsupialia (kangaroos and common opossums); Order Proboscidea (elephants); Order Primate (monkeys, chimpanzees and gorillas); Order Rodentia (beaver, muskrat and porcupines); Order Artiodactyla (antelope, deer, bison and camels); and Order Perissodactyla (horse-like animals); and any hybrid or cross-breed of any of the above-listed animals.

**C.** Any species of animal which is venomous to human beings, whether its venom is transmitted by bite, sting, touch or other means, except for venomous aquarium specimens. Venomous aquarium specimens which cannot survive outside the confines of an aquarium and which cannot survive in the lakes, ponds, rivers or streams of northeast Oklahoma shall not be prohibited.

**D.** Any species of animal when kept, maintained or harbored in such numbers or in such manner as to constitute the likelihood of danger to the animals themselves, to human beings or to the property of human beings.

**E.** Except as expressly provided in this title, the term "animal wild by nature" shall not include nonpoisonous aquatic or amphibious animals, gerbils, hedgehogs, hamsters, guinea pigs, mice, rabbits, birds except for those listed in this section, domestic rats, chinchillas, domestic honey bees, ferrets, and those reptiles described in Chapter 7 as not prohibited.

**At Large** shall mean:

**A.** An animal not confined on the premises of its Owner; or

**B.** A dog not under leash or not in the physical control of its owner.

**C.** A cat not in the physical control of its owner.

**Cat** shall mean a member of the species Felis domesticus.

**Cattle** shall mean large domesticated ungulates of the subfamily Bovinae, a species of the genus Bos, commonly classified collectively as Bos Taurus.

**Chief of Police** shall mean the duly appointed, qualified or acting Chief of Police of Tulsa or the Chief's authorized representative.

**Commercial Animal Establishment (Type A)** shall mean any stable or boarding facility, grooming or bathing facility, veterinarian clinic or boarding facility, carriage horse or pony service, or sentry or guard dog service.

**Commercial Animal Establishment (Type B)** shall mean any business keeping animals in stock for retail or wholesale trade, excluding Type A Commercial Animal Establishments, which shall include, but not limited to, wholesale distributors, pet stores, stockyards, slaughterhouses and hatcheries.

**Confined on the Premises** shall mean that condition in which an animal is securely and physically confined and restrained on and within the premises of the owner by means of walls, fences or leash. Confinement shall be of such strength and size as to prevent such animal from leaving the premise. Confinement shall keep the animal from extending its head through an enclosure so as to constitute a threat to any person or animal in the areas adjoining the enclosure. A leash used to confine an animal shall not be of a length that would allow the dog access to public property or to sidewalks or rights-of-way or to adjacent property owned or leased by persons other than the owner of the animal.

**Dangerous Animal** shall mean any animal which, without provocation, has:

**A.** Killed or inflicted serious bodily injury upon any person, requiring hospitalization, medical treatment at medical facility, or rehabilitative treatment; or

**B.** Bitten two (2) or more human beings during one (1) or more encounters; or

**C.** Bitten one (1) human being two (2) or more times during two (2) or more encounters; or

**D.** Evidenced a propensity, tendency or disposition to:

**1.** Attack without provocation; or

**2.** Cause injury to, or otherwise endanger the safety of human beings or domestic animals.

**Dangerous Dog** means any dog that has:

**A.** Inflicted severe injury on a human being without provocation on public or private property,

**B.** Been previously found to be potentially dangerous, the owner having received notice of such by an animal welfare authority in writing and the dog thereafter aggressively bites, attacks, or endangers the safety of humans, dogs or domestic animals.

**C.** Been previously found to be potentially dangerous, the owner having received notice of such by an animal welfare authority in writing and the dog thereafter attacks a dog or domestic animal, which results in the death of said dog or domestic animal either on public of private property.

**Director of Finance** shall mean the duly appointed Director of the Finance Department of the City of Tulsa or the Director of Finance's authorized representative.

**Director of TCCHD** shall mean the Director of the Tulsa City-County Health Department or the Director's authorized representative.

**Director of WIN** shall mean the Director of the Working in Neighborhoods Department of the City of Tulsa or the Director's authorized representative or designee.

**Dog** shall mean and include any animal of the species canis familaris.

**Domestic Animal** shall mean all domestic animals including, but not limited to, cattle, bison, hogs, sheep, goats, equidae, chickens or other poultry and exotic livestock. The term "domestic animal" shall not include dogs and cats.

**Exemption Permit** shall mean a permit issued under Section 117 allowing the ownership of animals which are exempt from animal count and/or spay/neuter ordinances.

**Foster** shall mean the providing of care or rehabilitation for dogs or cats through an affiliation with a Rescuer Organization.

**Hive** shall mean a manmade home for bees which includes one (1) or more boxes containing removable frames for rearing young bees, a queen excluder, one (1) or more boxes with removable frames for honey storage, an inner cover and a top cover, all of which are set on a hive stand.

**Hobbyist** shall mean any person so registered with the Director of Finance as having met the requirements for the hobbyist exemption in Section 117 of this title.

**Immediate Family** shall mean a spouse, mother, father, sibling or child, including stepchildren.

**Intact Animal** shall mean an animal that has not been sexually sterilized.

**Leash**, when used to confine an animal, shall mean any rope, cable, chain or other material attached to a permanent object used to confine a dog to its owner's property.

**Mammal** shall mean any of the class Mammalia or any subclass of all animals that nourish their young with milk secreted by mammary glands and have their skin more or less covered with hair.

**Miniature Pig** shall mean a pig which, at maturity, is less than twenty-two (22) inches high at the shoulder, less than thirty-two (32) inches long, weighing less than one hundred twenty-five (125) pounds, and which is registered with the North American Pot-Bellied Pig Association.

**Nuisance** shall mean any animal, which habitually commits any one (1) or a combination of the following acts:

**A.** Scratches or digs into any flower bed, garden, tilled soil, vines, shrubbery or small plants and in so doing injures the same;

**B.** Overturns any garbage can or other vessel for waste products or scatters the contents of same;

**C.** Kills any domestic animal;

**D.** Barks, howls, brays, crows, or makes any other loud or offensive noise common to its species or peculiar to itself, so as to disturb the inhabitants of the community;

**E.** Is at large.

**Owner** shall mean any person, firm or corporation having the care or maintenance of, keeping or harboring, or in possession and control or custody of any dog, cat, animal or domestic animal.

**Pigeon** or **Dove** shall mean any bird in the family Columbidae, and shall include any exotic dove (ringneck, white, diamond, fruit, cape, laceneck, etc.) and any fancy pigeon, racing pigeon, or common pigeon.

**Potentially Dangerous Dog** means any dog that when unprovoked:

**A.** Inflicts bites on a human either on public or private property, or

**B.** Attacks a dog, cat or domestic animal which results in the death of said dog, cat or domestic animal either on public or private property;

**Poultry** shall mean any bird of the species Gallus or Meleagris gallipavo (domestic turkey), generally, any type of chicken.

**Proof of ownership** means adoption contract, bill of sale, veterinary records or photographs (including digital) which shows ownership. Animals without a bill of sale or identifiable marking (tattoo, microchip, brand, etc.) shall be released only after the WIN Director or the WIN Director's designee is satisfied the person is the rightful owner of the animal.

**Proper Enclosure of a Dangerous Dog** means, while on the owner's property, a dangerous dog shall be securely confined indoors or in a securely enclosed and locked pen or structure with at least one hundred fifty (150) square feet of space for each dog kept therein which is over six (6) months of age, and which is suitable to prevent the entry of children and designed to prevent the animal from escaping. Such pen or structure shall have secure sides and a secure top and shall also provide protection from the elements for the dog.

**Rabies-Suspected Animal** shall mean any animal which has bitten a human being, or which has been bitten by any animal suspected of having rabies.

**Releasing Agency** shall mean any municipal shelter, humane society organization, or any other agency or group that has an ongoing adoption program and/or rescues animals for placement, whether to the public or private.

**Rescue Organization** means an organization that regularly harbors dogs or cats which have no readily identifiable owner. A rescue organization shall be incorporated as a non-profit corporation in the United States.

**Rescuer** shall mean an individual who regularly harbors dogs or cats which have no readily identifiable owner. An individual rescuer shall be named as such on a roster of recognized rescuers furnished by a Rescue Organization or animal welfare organization to the Director of Finance and to the Director of WIN.

**Severe Injury** means any physical injury that results in broken bones or lacerations requiring multiple sutures or cosmetic surgery.

**Under Leash** shall mean and include the condition of a dog being securely held, restrained and confined by its owner, member of family or agent by means of a strap, chain, rope, cord or other material, and in such manner as to prevent the dog from attacking any person or animal.

**WIN** shall mean the City of Tulsa Working in Neighborhoods Department, any authorized representative thereof, or any City department designated by the Mayor to succeed to or share the responsibilities of WIN as provided in this title.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 101. Offenses.

**A.** It shall be unlawful and an offense under the terms of this title for any person within the corporate limits of the City of Tulsa to:

**1.** Own, keep, possess, harbor or allow to remain on premises under that person's control any dog or cat over four (4) months old, unless such dog or cat has a current license and a current vaccination against rabies as required in this title.

**2.** Fail to prevent any dog or cat owned, possessed, kept or harbored by that person from running or being at large, whether such dog or cat is licensed or unlicensed; provided, however, that it shall be permissible for:

**a.** A dog to be led off the premises of its owner when under leash;

**b.** For a police dog not to be under leash while being utilized as a police dog in the performance of police duties and when accompanied by a police officer; or

**c.** For a dog to not be under leash within an Off-Leash Park Area designated by the Park and Recreation Board of the City of Tulsa.

**3.** Deposit any live dog, cat or domestic animal along any private or public roadway or in any other private or public place with the intention of abandoning the dog, cat or domestic animal.

**4.** Harbor, keep or have possession of any dangerous animal, except as provided in Chapter 6 of this title. Every person violating subparagraph 101.A.4 shall be guilty of an offense and, upon conviction, shall be punished by imprisonment in the City Jail for a period of not exceeding six (6) months or by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00) excluding costs, fees and assessments, or both such fine and imprisonment.

**5.** Harbor, keep or have possession of any animal which is a nuisance. Every person violating subparagraph 101.A.5 shall be guilty of an offense and, upon conviction, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments. Provided that, if at the trial of a case it is proven that the defendant has been once before convicted of this same offense, the defendant shall, upon the defendant's second or subsequent conviction, be punished by imprisonment in the City Jail for a period not exceeding six (6) months or by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00), excluding costs, fees and assessments, or by both such fine and imprisonment.

**6.** Fail or refuse to deliver to WIN or to the Chief of Police upon demand any unlicensed dog or cat, dangerous animal, animal which is a nuisance, rabies-suspected animal, dog or cat found at large, or any animal the keeping or harboring of which is declared to be an offense. Every person violating subparagraph 101.A.6 shall be guilty of an offense and, upon conviction, shall be punished by imprisonment in the City Jail for a period of not exceeding six (6) months or by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00), excluding costs, fees and assessments, or both such fine and imprisonment.

**7.** Remove or fail to affix or attach to collars or harnesses worn by dogs or cats a current license tag as provided in this chapter, unless the dog or cat is permanently and uniquely identified with a microchip implant or tattoo.

**8.** Keep, possess, own, harbor or exhibit any animal wild by nature except as an exhibition complying with all aspects of federal laws and regulations and Oklahoma laws and regulations applicable to exhibition of animals wild by nature.

**9.** Fail or refuse to keep every female dog or cat "in heat" confined in a building or secure enclosure or in a veterinary hospital or boarding kennel in such a manner that another dog or cat cannot come into contact with it except for controlled breeding purposes.

**10.** Interfere or hinder WIN, the Director of Finance, Chief of Police, or Director of Health from performing their official duties as set forth herein. Every person violating subparagraph 101.A.10 shall be guilty of an offense and, upon conviction, shall be punished by imprisonment in the City Jail for a period of not exceeding six (6) months or by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00) excluding costs, fees and assessments, or both such fine and imprisonment.

**11.** Release, other than by the Owner, any animal from its confinement at any exhibition or sporting event; or release any animal from their home housing or yard.

**12.** Allow an animal to defecate (without the Owner, keeper or harborer removing the excreta deposited) on public or private property other than that of the owner.

**13.** Permit an animal to destroy or damage property of any kind, other than the Owner's property, or to commit a similar prohibited act on the private property of another person or the property of the City, including its parks and playgrounds. Every person violating subparagraph 101.A.13 shall be guilty of an offense and, upon conviction, shall be punished by imprisonment in the City Jail for a period of not exceeding six (6) months or by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00) excluding costs, fees and assessments, or both such fine and imprisonment.

**14.** Own or harbor any animal or poultry primarily or in part for the purpose of fighting, or any animal or poultry trained for such; or any person to place or attempt to place an animal or poultry in an enclosure or in any other place for the purpose of fighting or combat; or any person to promote, stage, hold, manage, conduct, be umpire, judge or spectator at any game, exhibition, contest or fight in which an animal or poultry is used for the purpose of fighting, injuring, killing, maiming or destroying any other animal or poultry. Every person violating subparagraph 101.A.14 shall be guilty of an offense and, upon conviction, shall be punished by imprisonment in the City Jail for a period of not exceeding six (6) months or by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00) excluding costs, fees and assessments, or both such fine and imprisonment.

**15.** Harbor, keep or possess in any one household more than a combined total of five (5) dogs and cats over the age of four (4) months. It is specifically provided a household

may keep or possess more dogs and/or cats than permitted by this subparagraph so long as the household or an individual in the household has secured a Hobbyist Exemption permit as required by this title.

**16.** Harbor, keep or possess domestic honeybees otherwise permitted by this chapter unless the bees are maintained as follows:

**a.** No more than four (4) hives shall be maintained for each one-quarter (¼) acre or less of lot size on any lot; and

**b.** No hive shall be maintained within twenty (20) feet of any lot line of the lot on which said hive is located; and

**c.** Between each hive and the neighboring lot in the direction of the hive entrance the hive owner shall maintain a hedge or a screening fence of at least six (6) feet in height, to be located within twenty (20) feet of such lot line, and to extend the entire length of such lot line; and

**d.** A supply of clean water must be furnished within twenty (20) feet of each hive between March 1 and October 31 of each year; and

**e.** Hive owners shall inspect each hive not less than four (4) times between March 1 and October 31 of each year. A written record including the date of each such inspection shall be maintained by the owner and shall be made available to WIN upon request.

**f.** Any commercial use of the property on which bees are maintained shall be conducted in accordance with Title 42.

**17.** Violate any of the provisions of Section 110 of this title.

**18.** Harbor, keep or possess a dog or cat over the age of six (6) months, other than a dog owned and used by the Police Department of the City as a police dog, which has not been spayed or neutered, unless the owner has secured a Hobbyist Exemption Permit as required in this title, and has continuously maintained such license. In the event an owner of a dog or cat over the age of six (6) months is unable to produce a current license or license tag for that owner's dog or cat as required by this chapter, a rebuttable presumption is created that the dog or cat has not been spayed or neutered.

**19.** Harbor, keep or possess any animal which, while not confined on the premises of its Owner, does bite, chase, or attack any person or animal without provocation. Provided, this section shall not apply to any police dog while being utilized in the performance of police duties and accompanied by a police officer. Every person violating subparagraph 101.A.19 shall be guilty of an offense and, upon conviction, shall be punished by imprisonment in the City Jail for a period of not exceeding six (6) months or by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00) excluding costs, fees and assessments, or both such fine and imprisonment.

**B.** It further shall be unlawful and an offense under the terms of this chapter for a Releasing Agency within the corporate limits of the City of Tulsa to release for adoption an animal that has not been surgically spayed or neutered, unless the adopting party signs an agreement to have the animal sterilized, and deposits funds with the Releasing Agency to ensure that the adopted animal will be spayed or neutered.

*(Ord. No. 24607, § 3, 4-28-2021)*

## Section 102. Rabies and inoculation.

**A.** It shall be the duty of every resident owning or having in that resident's charge or possession within the corporate limits of the City of Tulsa any dog or cat four (4) months or more of age to cause such dog or cat to be registered with the Director of Finance and pay the license fees herein required; provided, however, that the requirements for a license fee for registration shall not apply to any dog or cat which may follow or be led by any nonresident or traveler through the City while the dog or cat is with its owner or keeper.

**B.** It shall be the further duty of every person owning or having in that person's charge or possession within the corporate limits of the City of Tulsa any dog or cat four (4) months or more of age to cause such dog or cat within thirty (30) days after the dog or cat, reaches the age of four (4) months, to be inoculated as set forth below.

**1.** Inoculation must be by a person licensed to practice veterinary medicine in the state of Oklahoma or other states.

**2.** Inoculation must be with a prophylactic vaccine approved by the United States Department of Agriculture to prevent rabies. Rabies vaccine currently licensed by the United States Department of Agriculture will be recognized in the City of Tulsa for either a one (1) year or a three (3) year immunization period as follows:

**a. Three-year immunity.** Modified live virus Flury strain rabies vaccine or killed strain vaccine, as licensed by the United States Department of Agriculture (USDA), will be recognized for three (3) years in dogs, provided that the dog is at least one (1) year of age at the time of the vaccination; if dogs under one (1) year of age are vaccinated with this type of vaccine, immunity will be recognized for a period of one (1) year; or

**b. One-year immunity.** All other rabies vaccines currently licensed by the United States Department of Agriculture are recognized for a one (1) year period.

**3.** Cats must be inoculated with vaccines specifically for cats. The vaccines must be recognized by the United States Department of Agriculture.

**C.** Thirty (30) days shall be permitted for an owner to secure revaccination of that owner's dog, cat or ferret after the duration of immunity has lapsed.

**D.** Every veterinarian, after vaccinating a dog or cat, for rabies, shall complete in triplicate a computer-generated certificate or a legible certificate furnished by the Director of Finance. Two (2) copies shall be retained by the veterinarian, one (1) as a permanent record and one as an expiration notice, and the third copy shall be retained by the animal owner to be shown to WIN upon request, and to be used to secure the license tag. Such certificate shall include the following information:

**1.** Owner's full name, address, zip code, home telephone number, daytime and/or emergency contact telephone number.

**2.** Breed, date of birth, sex and color or marking of the dog or cat.

**3.** Type of vaccine and duration of immunity.

**4.** Signature of the veterinarian administering the vaccine.

**5.** Name of the animal, if applicable; and

**6.** Permanent ID information, if any; and

**7.** Whether the animal is spayed, neutered or unaltered.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 103. Veterinarian records and reports; reporting animal bites; animal under quarantine; rabies suspected.

**A.** It shall be the duty of every veterinarian practicing in the City of Tulsa to keep a record of every dog or cat vaccinated, which record shall be made available to WIN, the Chief of Police, Director of Finance, or their designated agents at any reasonable time and upon proper demand.

**B.** It shall be the duty of every physician or other medical practitioner to report to WIN or the Chief of Police the names and addresses of persons treated for bites inflicted by animals, together with such information as is pertinent to rabies control. It shall be the duty of any person having the knowledge of an animal bite to notify WIN or the Chief of Police of the incident and to provide such information upon request of the Director of WIN as is pertinent to rabies control.

**C.** It shall be the duty of every veterinarian having an animal quarantined for a biting incident to submit a written report to WIN, in the event the animal shows positive signs of rabies, dies or is disposed of for any reason. The veterinarian shall report to WIN on the tenth day of observation as to the condition of any rabies-suspected animal and when the veterinarian has released any animal quarantined for a biting incident.

**D.** It shall be the duty of every veterinarian to report immediately to WIN the veterinarian's diagnosis of any animal observed by the veterinarian as a rabies suspect.

**E.** WIN shall notify the Director of TCCHD of all animal bites.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 104. License fees.

The annual license fee for each dog or cat shall be recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council. The owner of a dog or cat permanently identified by tattoo or microchip may license the animal for a period of three (3) years upon payment of a license fee recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council. No fee will be required for the registration of a dog that is used as a guide for the blind, used as a guide for the auditory impaired, used as a support service dog for persons with disabilities, or actively involved in law enforcement activities.

Except in cases in which three-year immunization has been performed, licenses for one-year rabies vaccinations shall expire and must be renewed on the last day of the twelfth month from when the rabies vaccination was administered as specified in this chapter. In cases of a three-year immunity, the license shall expire and must be renewed on the last day of the thirty-sixth ($36^{th}$) month as specified in this chapter. No dog or cat may be licensed without a current valid rabies immunization certificate and, unless the owner has secured an Intact Animal exemption permit as required in this chapter, proof of sterilization.

Individuals may remit to the administering veterinarian licensing fees required by this title at the time the dog or cat is vaccinated for rabies; or individuals may obtain a license directly from and pay the required fee directly to the Director of Finance upon demonstra-

tion that the animal has been properly vaccinated against rabies and, unless the Owner has secured an Intact Animal exemption permit as required in this chapter, has been spayed or neutered. There shall be no prorating for partial years.

Veterinarians who voluntarily collect the licensing fee at the time of administering the rabies vaccine shall be required to remit to the Director of Finance on a monthly basis all fees collected, along with a copy of the registration certificate furnished by the Director of Finance for the animals licensed. Veterinarians shall be permitted to keep twenty-five percent (25%) of the licensing fees collected as a handling fee. No special reporting requirements of those clients choosing to license directly with the Director of Finance shall be placed upon the veterinarians.

Animals permanently identified by means of tattoo or microchip implant may be licensed for a three-year period in conjunction with a three-year vaccination for the price of one (1) annual fee, provided that the tattoo number or the microchip code is recorded on the rabies certificate completed by the veterinarian at the time of vaccination.

Upon registration, there shall be delivered to the owner metallic tags, stamped with the license number. Such tags shall at all times be attached to the collar or harness worn by the dog or cat for which the certificate was issued. If such tag is lost or destroyed, the owner shall apply in writing or in person for a new tag by presentation of the applicable registration ticket, accompanied by a fee recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council.

*(Ord. No. 24607, § 3, 4-28-2021)*

**Section 105. Proclamation of rabies.**

If at any time the Director of WIN shall find that there is an epidemic of rabies among the dogs within the City of Tulsa, or any part thereof, then the Director of WIN shall certify that fact to the Mayor and specifically recommend a period, fixing the dates thereof, during which period all dogs in the City of Tulsa shall be confined on the premises of their owners or under leash as herein defined. Upon the receipt by the Mayor of written recommendation from the Director of WIN certifying the existence of any epidemic of rabies, the Mayor shall issue a proclamation, based upon recommendation of the Director of WIN, proclaiming the existence of an epidemic of rabies and fixing the dates and duration of the epidemic, which proclamation shall be published one (1) time in a newspaper of general circulation and printed and published in the City of Tulsa.

During the time of the epidemic, all dogs and cats within the City of Tulsa shall be confined on the premises of the owners or kept under leash as herein defined. The existence of an unusual number of rabid dogs and cats in the City of Tulsa shall be deemed an epidemic of rabies under this chapter, and the finding as to an epidemic of rabies by the Director of WIN shall be *prima facie* evidence of that fact.

*(Ord. No. 24607, § 3, 4-28-2021)*

**Section 106. Rabies suspect.**

**A.** Any rabies-suspected animal shall be securely and separately confined for observation for a period of ten (10) days from the date of the bite. The Owner shall immediately

surrender the rabies-suspected animal to the Director of Animal Welfare, or his or her designee, for confinement and observation at the Tulsa Animal Welfare Center, except in the following circumstances:

**1.** At the discretion of the Owner, the animal may be confined in a veterinary hospital at the Owner's expense, provided that boarding kennels shall not be considered proper confinement facilities. In the event the Owner wishes to have the animal held for observation at a veterinary hospital, the animal will be transported to the veterinary hospital of the Owner's choice (provided the hospital is within the city limits of the City of Tulsa) by a representative of Tulsa Animal Welfare. The veterinarian must regularly examine the biting animal and immediately report any changes in condition of the animal to the Tulsa City-County Health Department and Tulsa Animal Welfare.

**2.** If the animal is currently vaccinated against rabies, the animal has not inflicted a severe injury, and the Owner was not present at the time of the bite, the animal shall be placed in a home quarantine until the end of the ten-day period from inflicting the bite. In the event of a home quarantine, the Owner shall notify a licensed veterinarian and follow all veterinarian care recommendations at the Owner's sole expense and liability. The Owner must regularly examine the biting animal and immediately report any changes in condition of the animal to the Tulsa City-County Health Department and Tulsa Animal Welfare.

**B.** Any person failing to surrender a rabies-suspect animal, except when home quarantine is permitted under Section 106(A)(2), or any person removing the rabies-suspect animal from the city limits of Tulsa, is guilty of an offense, and upon conviction thereof, shall be punished by a fine of not more than One Thousand, Two Hundred Dollars and No Cents ($1,200.00), excluding costs, fees, and assessments, or by imprisonment in the City jail for a period of not more than one hundred eighty (180) days, or both.

**C.** Regardless of where the confinement takes place, the rabies-suspect animal must be examined by a licensed veterinarian on the tenth day. If, upon examination by a veterinarian, the animal has no signs of rabies at the end of the confinement period, it may be released to the Owner or, in case of a stray, it shall be disposed of in accordance with applicable laws. In either event, the veterinarian shall make a written report of the disposition of the animal to the Director of Animal Welfare. At the end of the ten-day observation period, the Director of Animal Welfare shall notify any person bitten by a rabies-suspect animal whether such animal exhibited symptoms or indications of rabies; such notice shall be in the same manner as provided for service of notice under Section 109 of this chapter.

**D.** Any person failing to abide by the home quarantine requirements in this Section, including but not limited to the requirement to have the rabies-suspect animal examined by a licensed veterinarian at the end of the confinement period, shall be guilty of an offense, and upon conviction thereof, shall be punished by a fine of not more than One Thousand, Two Hundred Dollars and No Cents ($1,200.00), excluding costs, fees, and assessments, or by imprisonment in the City jail for a period of not more than one hundred eighty (180) days, or both.

**E.** If within the period of confinement, the animal dies or exhibits symptoms or indications of rabies, it shall be examined by a veterinarian for clinical diagnosis and then properly euthanized by a veterinarian. The head of any rabies-suspected animal

which dies shall be submitted to the State Health Department Laboratory for confirmation of diagnosis. In this event, the Department of City Experience shall immediately notify any person bitten of the diagnosis; such notice shall be in the same manner as provided for service of notice under Section 109 of this chapter.

**F.** Dogs owned and used by the Police Department that bite a person during the course of duty shall be under the supervision of a licensed veterinarian. The type and amount of supervision is left to the professional opinion of the supervising veterinarian who assumes responsibility for the biting animal.

**1.** The dog must be under the control of an authorized agent of the Police Department or the veterinarian at all times during the observation period.

**G.** In the case of a bite inflicted by a non-immunized animal upon the head, face, neck or upper extremities, resulting in deep lacerations or multiple wounds, the Director of Animal Welfare may require immediate euthanasia of the animal in order to perform tests for diagnosis of rabies.

**H.** Any dog or cat which is not effectively immunized against rabies virus encephalitis and is exposed to rabies through a rabid animal shall be euthanized immediately by the veterinarian in charge, an animal welfare officer or a designated agent in a manner which will preserve the head for analysis; or such non-immunized, rabies-exposed dog or cat shall be strictly quarantined and observed in a veterinary hospital for a period of not less than six (6) months, and such animal shall be immunized against rabies at least thirty (30) days prior to release. Expenses for quarantine and immunization shall be borne by the Owner or other person responsible for the animal.

**I.** The Owner of any non-immunized domestic animal other than a dog or cat which has been exposed to a rabid animal shall immediately report with such domestic animal to the Director of Animal Welfare for instruction concerning the disposition of that animal.

**J.** Any effectively immunized domestic animal, dog or cat which is exposed to a rabid animal shall be immediately re-immunized and restrained by leashing and/or confined on the premises of its Owner or in a veterinary hospital for a period of forty-five (45) days.

*(Ord. No. 24607, § 3, 4-28-2021; Ord. No. 25219, § 1, 1-24-2024)*

## Section 107. Dangerous animal.

**A.** It shall be the duty of WIN and the Chief of Police to investigate any proper claim that an animal is dangerous within the meaning of this chapter. Should the investigating official determine that a dangerous animal poses an immediate threat to the public health or safety, that official shall immediately seize and impound the animal, or otherwise seek an order from the court that the animal be impounded. The official shall also refer the matter to the City Attorney for approval of a verified complaint requesting a finding by the court that the impounded animal is dangerous and aid in the proceedings instituted in the Municipal Criminal Court against any person for harboring a dangerous animal.

**B.** If the court shall fail to find, upon a preponderance of the evidence presented in an evidentiary hearing, that the animal seized and impounded is a dangerous animal,

then the court shall order WIN to return the animal to its Owner. If such animal is found by the court to be a dangerous animal, the court shall order WIN to euthanize the animal.

**C.** At the option of the Owner, but subject to the approval of WIN, an animal impounded pursuant to this section may be confined in a private kennel or veterinary clinic during the pendency of the dangerous animal action. The operators of the facility shall then assume full liability for the confinement and maintenance of such animal and shall not release it without first being authorized by WIN or the court. All fees for such impoundment shall be the responsibility of the Owner. In no event shall the City of Tulsa be liable for costs or fees charged by the private facility. Further, the City may assess to the Owner the cost of transporting the animal to the privately-operated impoundment facility.

*(Ord. No. 24607, § 3, 4-28-2021)*

**Section 108. Animal nuisance.**

**A.** It shall be the duty of WIN and the Chief of Police to investigate any proper claim that an animal is a nuisance within the meaning of this chapter. Should the investigating official determine that a nuisance exists and it is necessary to abate the nuisance or should the official have reason to believe a threat to public health or safety exists, that official shall refer the matter to the City Attorney for approval of a verified complaint and an order from the court that the animal be impounded. Following the filing of such verified complaint and an evidentiary hearing, if the court finds upon a preponderance of the evidence that a nuisance existed, the court may order the animal euthanized as in the case of a dangerous animal. In lieu of ordering the animal euthanized, the court shall, at the request of the animal Owner, require that the Owner abate and prevent such nuisance and give a good and sufficient bond within three (3) days, in an amount not greater than Five Hundred Dollars ($500.00), satisfactory for a period not exceeding one (1) year. In this event, the court may order the return of such animal to the Owner. However, during the pendency of such bond, upon a finding of the court that the nuisance has recurred, the court shall order the animal be impounded, euthanized and the Owner's bond be forfeited. If the court shall find that no nuisance existed, the court shall order the animal be surrendered to the Owner.

**B.** At the option of the Owner, but subject to the approval of WIN, an animal impounded pursuant to this section may be confined in a private kennel or veterinary clinic during the pendency of the nuisance action. The operators of the facility shall then assume full liability for the confinement and maintenance of such animal and shall not release it without first being authorized by WIN or the court. All fees for such impoundment shall be the responsibility of the Owner. In no event shall the City of Tulsa be liable for costs or fees charged by the private facility. Further, the City may assess to the Owner the cost of transporting the animal to the privately-operated impoundment facility.

**C.** Nothing in this section shall be construed to permit the release from impoundment of any animal not properly licensed and vaccinated, or a threat to public health or safety.

*(Ord. No. 24607, § 3, 4-28-2021)*

**Section 109. Notice of impoundment; reclaiming; disposal of animals; and fees.**

**A.** *Notice of impoundment.* WIN is authorized to impound any animal which is in violation of any section of this chapter or which may be donated to the Tulsa Animal Welfare

Center for disposition. When the Owner of the animal is known, they shall be notified of the impoundment. Notice shall be attempted by telephone within a forty-eight-hour period from the initiation of the impoundment. Without regard to the success in giving notice by telephone, a certified letter is to be mailed to the Owner's or keeper's address within the same forty-eight-hour period. Licensing records, including the Owner's name, address, telephone number and daytime telephone number or an emergency telephone number shall be readily accessible to the official responsible for such notifications.

**B. Time for reclaiming animals.** An animal may be reclaimed within the following times: Within five (5) days from the initial impoundment, if the animal is licensed and the Owner is readily identifiable, or three (3) days from notice of impoundment, whichever is longer. If the Owner is not known, the animal shall be held for three (3) days before it becomes the property of the City of Tulsa and is disposed of as provided herein.

**C. Requirements for reclaiming animals.** An animal may be reclaimed by meeting the following requirements:

**1.** If an animal is not licensed and this chapter requires licensing, after the payment of the licensing fees and penalties as set forth herein and satisfying all other requirements of this section;

**2.** If the animal is licensed, or if a license is not required by this chapter, by paying the impoundment fees and satisfying all other requirements as set forth herein; and

**3.** If the animal is not spayed or neutered and this chapter requires spaying or neutering, after signing an agreement to spay or neuter the animal within sixty (60) days or forfeit a deposit in an amount recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council, payable at the time of reclaiming; and

**4.** If the animal must be vaccinated for rabies before release, the person reclaiming the animal shall pay all fees for the vaccination.

**D. Fees.** Fees to reclaim an animal shall be recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council.

No animal shall be released without the payment of the fees and charges listed above and without satisfactory proof of ownership. The payment of these fees and charges shall not constitute a defense to any prosecution that may be instituted for the violations of the terms of this title.

Provided, however, no fees shall be charged for any licensed animal surrendered to the Owner on acquittal or dismissal of charges of keeping, possessing, owning or harboring such animal as a nuisance or as a dangerous animal.

Provided, further, no person shall be entitled to reclaim any animal found to be a nuisance, rabid, rabies suspected, or dangerous, except as provided herein.

**E. Animals not reclaimed within time limits.** Animals not reclaimed within the time limits set forth in this section shall, at the option of WIN, be euthanized or disposed of in one of the following manners.

**1. Animals reclaimed by Owners.** Animals may be reclaimed by the Owner upon payment of all fees and charges established by this section.

2. **Adoption of dogs and cats.** Dogs and cats may be released for adoption, provided that the adopting party pays required fees and charges as set forth herein, and further provided that:
   a. There shall be established at the City Animal Welfare Center an on-site facility for the purpose of spaying and neutering all animals adopted through the Center which have not previously been surgically spayed or neutered; this facility will be staffed by a licensed veterinarian and be under WIN; if the City of Tulsa staff does not include a licensed veterinarian and if WIN determines it is not feasible to staff the facility through donated service, a bid process shall be used to select veterinary professionals to perform the on-site sterilizations of the adopted animals;
   b. If the licensed veterinarian described in subparagraph 109.E.2.a. or, in the absence of such veterinarian, WIN determines that the animal cannot be sterilized at the time of adoption, the adopting party shall sign an agreement to have the animal sterilized pursuant to the Dog and Cat Sterilization Act, 4 O.S. 2011, Sections 499, *et seq.*, or as the same may be amended, and shall deposit with WIN an amount recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council, to ensure that the animal will be sterilized. The adopting party shall provide the Animal Welfare Center documentation from a licensed veterinarian of the animal's sterilization within one hundred twenty (120) days of adoption.
3. **Fees and charges.** Before an animal may be adopted, all required fees and charges must be paid according to a schedule recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council, in addition to the following costs:

| | |
|---|---|
| Rabies vaccination, required for all dogs and cats over four (4) months of age | Actual Reasonable Cost |
| Rabies vaccination and sterilization, if provided by the City of Tulsa | Actual Reasonable Cost |

   WIN, subject to City Council approval, shall establish policies and implement administration procedures for either the refund of adoption fees or an exchange for adopted animals which are returned.
4. **Animals wild by nature.** All animals wild by nature and not authorized by subparagraph 101.A.8 of this title shall be euthanized or donated to a zoo or a museum, except that, at the discretion of WIN, certain animals wild by nature which are native to Oklahoma and which in their natural habitats do not present a danger to human beings or to property may be released to their natural habitats.
5. **Public sale.** At the option of WIN, animals, other than dogs, cats, puppies, kittens and animals wild by nature, may be sold at a public sale pursuant to procedures set forth in this section, or donated to a zoo or museum.
6. **Release to veterinarian.** WIN may, at its discretion, release animals to a licensed veterinarian if the animal is in need of veterinary care. The veterinarian must agree in writing to accept responsibility for the animal and give the animal proper veterinary care in lieu of paying fees to receive the animal. If the animal is a dog or cat, the veterinarian must sterilize the animal before releasing the animal to any subsequent Owner.

7. **Release to Animal Welfare Organizations.** WIN may, at its discretion, release animals to a Rescue Organization or nonprofit animal welfare organization incorporated as such in the United States. If an animal so released is a dog or cat, an authorized representative of the organization must agree in writing to have the animal sterilized before releasing it to a subsequent Owner and provide the Animal Welfare Center documentation from a licensed veterinarian of the animal's sterilization within one hundred twenty (120) days of the animal's release.
8. **Release for experiments or research.** No animal shall be released for experimental or research purposes.

**F. Procedures for public sale of animals.** If an animal is to be sold at public sale, WIN shall give ten (10) days' notice of the time and place of such sale by causing notices to be posted in at least three (3) public places in the City; by publishing in a newspaper of record in the City; by serving a copy of such notice upon the Owner, if known; and by providing such other notice as the Mayor may direct. The notices shall be substantially in the following form:

"The following animals (describing them), having been taken up and impounded in the Animal Shelter of the City of Tulsa for violations of the provisions of the ordinances of the City of Tulsa, will, unless reclaimed within ten (10) days from this date, be sold for cash to the highest bidder at public auction at the Animal Shelter at _____o'clock, _____.m. on the _____ day of_____, A.D._____ (giving hour and date of sale).

Dated this _____ day of_____, A.D.

/s/_____
Director of WIN
City of Tulsa, Oklahoma"

The Owner may reclaim any animal prior to the sale by payment of all fees and charges set forth in this section.

**G. Fees for treatment of sick animals.** In addition to all other fees, the Owner of a sick or injured animal impounded by WIN shall reimburse the City of Tulsa or a veterinarian for any fees incurred in treating the animal.

**H. Destruction of animals.** WIN may euthanize any animal if it has been surrendered to the Animal Welfare Center or if the animal is so sick or injured that its cure is considered by WIN to be impracticable or if death is imminent, and in either of such events, such destruction may be done immediately without notice or any waiting period. Anyone surrendering an animal shall provide proof of that person's identity before the animal will be accepted.

**I. Disposal fee.** For Each animal disposed of by WIN, a disposal fee recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council may be charged.

*(Ord. No. 24607, § 3, 4-28-2021)*

## Section 110. Commercial animal establishments.

**A.** Each commercial animal establishment, of any type, shall keep and maintain its animals and all pens, cages, tanks or other holding facilities in which animals are kept

in such a manner as to prevent a nuisance or health hazard to humans and to avoid injury and minimize illness to such animals. All holding areas shall be disinfected periodically to reduce disease pathogens.

**B.** All animals housed in any commercial animal establishment shall have a wholesome, adequate diet and potable water consistent with the requirements and habits of the animal's species, type, size, age and condition and available shelter with adequate ventilation and protection from the elements. Such animal showing evidence of disease or injury shall be immediately isolated and shall receive treatment by a licensed veterinarian or euthanized by same. Euthanasia of any dog, cat or domestic animal shall be performed by a licensed veterinarian. The reason and the procedure used for such euthanasia shall be documented. Upon receipt of a signed report or complaint alleging animal abuse or other conditions not in compliance with this section at any commercial animal establishment, an investigation shall be made by the City's Animal Welfare Authority. Its findings shall be documented, and appropriate action taken.

**C. Commercial animal establishments (Type B).** No registration papers for animals not on the premises may be kept on the premises, except those when attached to a contract of sale. Vaccination and other medical care of such animals shall be current, and the purchaser shall receive complete health records. The establishment shall provide written documentation of each animal's origin, including the breeder's name and the state where the animal was born, to the purchaser at the time of sale. All operators of a Type B commercial animal establishment shall apply to the Director of Finance for a permit to operate such establishment in the City of Tulsa. No Type B commercial animal establishment shall sell animals in the City without the permit. The Director of Finance shall perform a background check encompassing the past ten (10) years, to ascertain if the applicant has been convicted of animal abuse or cruelty charges in that time. Conviction of animal abuse or cruelty shall be grounds for denial or revocation of a commercial animal establishment permit. The permit fee shall be recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council. An application processing fee recommended by the Animal Welfare Commission, subject to the discretion approval of the City Council shall be assessed for the first application.

*(Ord. No. 24607, § 3, 4-28-2021)*

## Section 111. Issuance of citations; collection of fines.

**A. Municipal Court Clerk to assist.** The Municipal Court Clerk of the City of Tulsa is hereby authorized to work in conjunction with WIN and the Chief of Police and to assist the Municipal Criminal Court in the clerical work involved in the expedient disposition of violations.

**B. Penalties established by judge.** The judge of the Municipal Criminal Court shall designate the penalties to be paid for the violations of this chapter which may be satisfied by payment at the Office of the Municipal Court Clerk, provided that penalties are within the limits herein established for such violations.

**C. Citations.** There shall be authorized by the Municipal Judge and provided by the Municipal Court Clerk suitable serially-numbered forms for the notification of

violators to appear and answer charges for violating this title, which forms shall be issued and receipted by the Clerk of the Municipal Criminal Court or by duly authorized persons acting for the Clerk.

Upon the commission of any violation of this title, WIN shall take the violator's name, address, and place of employment and issue to the violator in writing a notice on the form authorized by the Municipal Judge and provided by the Clerk of Municipal Criminal Court, commanding the violator to answer the charge against them within ten (10) days at the place specified in the notice. The notice shall contain a description of the animal found in violation and shall specify the fine for the violation in accordance with the order issued by the Judge of the Municipal Criminal Court. The issuance of a citation may be in addition to or in lieu of impoundment of the offending animal.

**D. Failure to answer.** Failure to give the required information or answer the notice provided for in this section shall authorize the Chief of Police to immediately place the violator under arrest and in custody. Whenever WIN or the Chief of Police deems it necessary, they may follow the procedure set out herein.

*(Ord. No. 24607, § 3, 4-28-2021)*

## Section 112. Police dogs and dogs trained to guide the blind and hearing impaired and support service dogs for people with disabilities.

If the dog is vaccinated as herein provided, it shall be lawful for any dog trained to guide any blind or hearing-impaired person, or for any support service dog for people with disabilities, or for any police dog owned and used by the Police Department of the City as a police dog to be admitted to any public place or vehicle when actually accompanying a blind or hearing-impaired person or person with a disability, or when utilized as a police dog, when the blind, hearing-impaired or disabled person, or the officer accompanying the dog might have the lawful right to entry.

*(Ord. No. 24607, § 3, 4-28-2021)*

## Section 113. Outside agencies and nonresidents; euthanasia services prohibited—Mayoral exception.

**A.** Outside agency shall be defined as:

**1.** Any municipality or other political subdivision of the state of Oklahoma.

**2.** Any animal welfare service (shelter, rescue organization, etc.), public or private, which operates solely outside the corporate limits of the City of Tulsa.

**B.** The City's Animal Welfare Center may not accept from a nonresident nor from any outside agency any animal for the purpose of euthanasia unless upon the express, written authorization of the Mayor or Mayor Pro Tem.

**1.** If authorized as provided in Subsection B hereof, a fee per animal, recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council, shall be charged a nonresident or an outside agency for euthanasia, unless otherwise established by contract.

**2.** In negotiating any contract relating to a charge for euthanizing animals from outside agencies or nonresidents, consideration shall be given to the above-stated fee, but in no event shall the fee established by contract be lower than the City's actual direct cost for euthanizing the animal.

*(Ord. No. 24607, § 3, 4-28-2021)*

## Section 114. Records; funds.

It shall be the duty of WIN to maintain records at the Animal Welfare Center containing the description and date of the seizure of all animals taken under the provisions of this title, the place where impounded, the name of the Owner if known, and if unknown, the date of the notice given, and all subsequent proceedings relating to the sale of the animal and the amount realized. All fees collected by WIN and the proceeds of all sales shall be paid to the Director of Finance. Any amount in excess of the fees due shall be held subject to the claim of the person entitled to them who may apply in writing to the Director of Finance within six (6) months. If such excess is unclaimed after six (6) months, it shall be paid into the General Fund.

*(Ord. No. 24607, § 3, 4-28-2021)*

## Section 115. Unlawful removal.

Every person who shall take out or attempt to take out of the Animal Shelter or any Animal Shelter property any animals located therein without paying the fees prescribed by this chapter shall be deemed guilty of an offense.

*(Ord. No. 24607, § 3, 4-28-2021)*

## Section 116. Entering property.

**A.** WIN may impound animals which are deemed to be at large within the meaning of this title, and which are found off the immediate premises of their Owners.

**B.** In multi-family residential complexes, when the property manager or agent grants access to an Animal Welfare Officer or Tulsa Police Officer, at large animals may be removed from common areas, including but is not limited to playgrounds, parking lots and walkways.

**C. Impoundment by judicial order.**

**1.** If an animal subject to impoundment has not been impounded, a Judge of the Municipal Court, upon the presentment of a complaint verified by an Animal Welfare Officer or any law enforcement officer, shall determine whether probable cause exists to believe a violation of the provisions of this title has occurred.

**2.** If the Municipal Judge determines that probable cause exists, the Judge may issue an order of the Municipal Court describing the animal with particularity, setting forth the approximate date, time, place and actions giving rise to the alleged violation of the provisions of this title, and specifying with particularity the location of the animal in the City of Tulsa.

**3.** The Judge may direct the Animal Welfare Officer or law enforcement officer to serve a certified copy of the order upon a person age eighteen (18) or older who is a resident at the property where such animal is located. Any such person, upon the service of a certified copy of the court's order, shall immediately deliver the animal to the Animal Welfare Officer or law enforcement officer.

**4.** A copy of the order shall be posted at the property in a manner easily discovered by the Owner, occupant, or tenant and a copy shall be sent to the Owner, occupant, or tenant by certified mail, return receipt requested.

*(Ord. No. 24607, § 3, 4-28-2021)*

## Section 117. Exemption permits.

**Exemption Permits.** The Director of Finance shall maintain a register of qualified Exemption Permit holders. Applications shall be submitted in writing to the Director of Finance, who shall notify the applicant in writing of the acceptance or denial within thirty (30) days of the application date. Upon approval of any Exemption Permit, the Director of Finance or the Finance Director's designee shall issue an Exemption Permit only upon payment of all required fees, recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council. If an Exemption Permit is approved, the holder of the permit shall be deemed to consent to and give permission for an Animal Welfare Officer to enter the property at any reasonable time after the holder of an Exemption Permit is given written notice by certified mail.

If an Exemption Permit is denied, the applicant shall be notified in writing of the reason(s) for the denial. Upon receipt of a signed report or complaint against an Exemption Permit holder alleging animal abuse or other conditions not in compliance with this title, an investigation shall be made by Tulsa's Animal Welfare Authority.

**A. Hobbyist Exemption Permit.** The Director of Finance shall maintain a register of qualified Hobbyist Exemption Permit holders. Application shall be submitted in writing to the Director of Finance, who shall notify the applicant of the acceptance or denial within thirty (30) days of the application date. If the exemption permit is denied, the applicant shall be notified of the reason for the denial. A fee recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council will be charged for the first animal with an additional fee for each subsequent animal.

The holder of a Hobbyist Exemption Permit will be permitted to own and keep, at a single-family dwelling, a number of dogs and cats that would otherwise constitute an offense under paragraph 101.A.15. of this chapter; provided, that a permit holder other than an Owner of hunting dogs shall allow outside the residence at any one time no more than the number of cats and dogs permitted by paragraph 101.A.15. A holder of a Hobbyist Exemption Permit shall not be required to comply with paragraph 101.A.18. of this chapter.

**1. Permit qualifications.** Any individual or organization, not a commercial breeder, that:

**a.** Is actively involved in any nationally recognized, organized animal sport or hobby for a period of at least one (1) year prior to making application for a hobbyist exemption; or

**b.** A one (1) year temporary Exemption Permit may be issued for a fee while an animal is in training for approved activities;

**c.** Participates in field trials, owns nationally recognized breeds used specifically as hunting dogs, participates in hunting activities, and has held and continues to hold a current, valid state of Oklahoma hunting license for a period of at least one (1) year prior to making application for a hobbyist exemption;

**d.** Is training animals to be actively involved in one of the activities referenced in subparagraphs 117.A.1.a. and 117.A.1.b.; and

**e.** Has not been convicted in the past ten (10) years of any offense related to: illegal commercial breeding, brokering, dog fighting, a nuisance offense under

this chapter, a cruelty offense or a neglect offense under applicable law, a violation of the Oklahoma Wildlife Conservation Code or regulations, or two (2) or more violations of paragraph 101.A.2. of this chapter prohibiting at-large dogs and cats shall qualify for a Hobbyist Exemption Permit.

2. **Application documents.** An applicant for a hobbyist exemption permit shall submit to the Director of Finance one (1) of the following:

   **a.** Certificates of completion of at least two (2) training classes, dated within the twelve (12) months immediately preceding the date of application; or

   **b.** A show catalog including the applicant's name as an exhibitor dated within the twelve (12) months immediately preceding the date of application, or a medical statement for Owner or animal restricting participation, dated within the twelve (12) months immediately preceding the date of application; or

   **c.** Proof of Military deployment for renewal only of a previously issued permit;

   **d.** A certificate of title(s), not a certificate of registration, from a national registry for a dog or cat owned by the applicant; or

   **e.** For an Owner of hunting dogs, proof that the Owner holds or is exempt from holding a current and valid state of Oklahoma hunting license.

   Any activity involving the fighting or physical contact between animals or any activity otherwise illegal or dangerous to animals shall not be considered an organized sport or hobby for purposes of this section.

3. **Renewal.** A permit holder must reapply for the exemption permit every year. To make application, the permit holder must furnish to the Director of Finance one (1) or more of the items listed in Subsection 117.C. that are dated within the previous year.

4. **Revocation.** A permit holder shall have the holder's Hobbyist Exemption Permit or the right to serve as a rescuer under an organization's permit revoked if the holder has been convicted of an offense of: illegal commercial breeding; brokering; dog fighting; a nuisance under this chapter; cruelty or neglect under applicable law; violation of the Oklahoma Wildlife Conservation Code or regulations; or two (2) or more violations of paragraph 101.A.2. of this chapter prohibiting at-large dogs and cats.

**B. Animal count exemption permit.** A holder of an Animal Count Exemption permit will be permitted to own and keep, at a single-family dwelling, a number of dogs and cats in excess of the number that would otherwise constitute an offense under subparagraph 101.A.15. of this title; provided that the maximum number of dogs and cats allowed under the Animal Count Exemption permit shall not exceed a total of ten (10) animals per one (1) acre (forty-three thousand five hundred sixty (43,560) square feet) of land including the space covered by the single-family dwelling. Holders of an Animal Count Exemption Permit shall be subject to requirements imposed under subparagraph 101.A.18 of this title.

An Animal Count Exemption permit is only for the household listed on the permit and the permit holder shall not allow more than the number of cats and dogs permitted by subparagraph 101.A.15. outside the residence at any one time.

A fee recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council will be charged for the first animal with an additional fee, recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council for each subsequent animal.

1. **Permit qualifications.** An individual, not a commercial breeder, who:

   **a.** Except as provided in subparagraph 117(A)(2)(c), takes on the care of a cat or dog owned by an immediate family member who is unable to care for the animal because of military deployment, admission to a facility that does not permit animals (e.g., jail, nursing home), physical or mental illness or infirmity, or has died, and

   **b.** Has not been convicted in the past ten (10) years of any offense related to illegal commercial breeding, dog fighting, a nuisance offense under this title, a cruelty offense or a neglect offense under applicable law, a violation of the Oklahoma Wildlife Conservation Code or regulations, or two (2) or more violations of subparagraph 101A.2. of this title, or two (2) or more violations of Title 27, Chapter 14 of the Tulsa Revised Ordinances governing Disturbing the Peace.

2. **Application Documents.** An applicant for an Animal Count Exemption permit shall submit to the Director of Finance the Exemption Permit application form, the name(s), descriptions and photo(s) of each animal at the residence for which the application is being made, and for the immediate family member exemption under subparagraph 117.A.1.c, copies of military deployment orders, official record of incarceration, or death certificate. For mental or physical illness or infirmity exemption under subparagraph 117.B.1.a, a letter from the family member's physician or case worker stating why the family member is no longer able to care for the animal. The letter shall be signed by a physician or case worker.

**C. Intact animal exemption permit.** A holder of an Intact Animal Exemption permit may be permitted to own and keep at a single-family dwelling dogs and cats that have not been spayed or neutered but shall not be allowed to own or keep more than a combined total of five (5) dogs and cats as prohibited by subparagraph 101.A.15. This exemption shall not permit breeding.

A fee recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council will be charged for the first animal and for each subsequent animal.

1. **Permit qualifications.** An individual, not a commercial breeder, who:

   **a.** Has a veterinarian statement for a medical exemption related to the health of the dog or cat dated within the previous six (6) months; and

   **b.** Has not been convicted in the past ten (10) years of any offense related to illegal commercial breeding, dog fighting, a nuisance offense under this title, a cruelty offense or a neglect offense under applicable law, a violation of the Oklahoma Wildlife Conservation Code or regulations, or two (2) or more violations of subparagraph 101A.2. of this chapter prohibiting at-large dogs and cats, or two (2) or more violations of Title 27 Chapter 14 of the Tulsa Revised Ordinances governing disturbing the peace.

2. **Application documents.** An applicant for an Intact Animal Exemption permit shall submit to the Director of Finance a statement from an Oklahoma board certified veterinarian stating the nature of the health issue as it relates to the dog or cat, the name(s) and no less than photo(s), one front view, and one for each side view, of each animal at the residence for which the application is being made.
3. **Renewal.** A permit holder must reapply for the exemption permit every year for any ongoing health issue. To make application, the permit holder must furnish to the Director of Finance the items listed in Subsection 117.C.2 that are dated within the previous six (6) months.

**D. Animal rescuer permit.** An Animal Rescuer Permit may be granted to a non-profit animal welfare organization. To qualify to receive an Animal Rescuer permit, a person must be an authorized rescuer or foster home for a recognized, non-profit animal welfare organization.

A holder of an Animal Rescuer permit may be permitted to own and keep, at a single family dwelling, more than a combined total of five (5) dogs and cats as prohibited by subparagraph 101.A.15, provided the maximum number of dogs and cats allowed under the Animal Rescuer exemption permit shall not exceed a combined total of ten (10) dogs or cats over the age of six (6) months per one (1) acre (forty-three thousand five hundred sixty (43,560) square feet) of land including the space covered by the single family dwelling.

A holder of an Animal Rescuer permit may be permitted to own and keep Intact Animals at a single-family residence. However, an individual rescuer must comply with subparagraphs 101.A.15 and 101.A.18. as to those dogs and cats owned by the rescuer on a permanent basis.

A fee recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council will be charged for each Animal Rescuer permit.

1. **Permit qualifications.** An organization, not a commercial breeder, that is incorporated as a non-profit organization and utilizes private homes to care for unowned animals that are available for adoption.
2. **Application documents.** An applicant for an Animal Rescuer permit shall submit to the WIN/Animal Welfare Center the completed Animal Rescuer permit application and the following:
   - **a.** Copy of the organization's Articles of Incorporation signed by the Secretary of State;
   - **b.** List of the organization's Board of Directors;
   - **c.** Proof that animals in their care are being presented to the public for adoption;
   - **d.** Letter of recommendation from a licensed veterinarian with whom the organization has a professional relationship; and
   - **e.** List with the name(s) and address(s) of each residence which houses and cares for animals in its program. This list shall be updated quarterly and provided to WIN.
3. **Limitations.** An Animal Rescuer may harbor dogs and cats in accordance with Section 117. Provided, however, that cats and dogs may be kept or harbored for no longer than one hundred twenty (120) days each while the Animal Rescuer

attempts to locate the animal's home or a new home. If an Animal Rescuer needs to keep or harbor an animal for longer than one hundred twenty (120) days because of an animal's medical condition or behavior, the Animal Rescuer shall so notify the Director of WIN of the need for an extension.

4. **Revocation.** An Animal Rescue permit holder shall have that holder's Exemption Permit or the right to serve as an Animal Rescuer under an organization's Exemption Permit revoked if the holder has been convicted of: illegal commercial breeding; dog fighting; a nuisance under this chapter; cruelty or neglect under applicable law; violating the Oklahoma Wildlife Conservation Code or regulations; or two (2) or more violations of subparagraph 101A.2. of this title, or two (2) or more violations of Title 27, Chapter 14 of the Tulsa Revised Ordinances governing disturbing the peace.

**E. Renewal.** A permit holder must reapply for the exemption permit every year. The annual fee for each renewal permit shall be the same as the original permit. To make application, the permit holder must furnish to the Director of Finance one (1) or more of the items listed in subparagraphs 117.A.l.b or 117A.2.b. which are dated within the twelve (12) months immediately preceding the date of the application.

**F. Inspections.** Any holder of any Exemption Permit shall be subject to inspection, consistent with Subsection 117(A), at any reasonable time by an Animal Welfare Officer to determine compliance with the provisions of this title. It shall be unlawful and an offense, and grounds for suspension or revocation of the permit, for any person to refuse to allow such inspections.

*(Ord. No. 24607, § 3, 4-28-2021)*

## Section 118. Penalty.

Unless otherwise provided, every person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments.

*(Ord. No. 24607, § 3, 4-28-2021)*

## CHAPTER 2. AGRICULTURAL ANIMALS

Section 200. Agricultural animals—Cattle, goats, sheep, hogs, horses, poultry and rabbits.
Section 201. Pigeons and doves.
Section 202. Keeping of miniature pigs as pets.
Section 203. Offense.
Section 204. Animals running at large.
Section 205. Penalty.

### Section 200. Agricultural animals—Cattle, goats, sheep, hogs, horses, poultry and rabbits.

It shall be unlawful and an offense for any person to keep, maintain or permit any cattle, goats, sheep, hogs, horses, poultry, rabbits or any miniature or dwarf variety of agricultural animal upon any property or premises within the corporate limits of the City of Tulsa, except under the supervision of the City of Tulsa's Animal Welfare or as otherwise provided by law. The keeping of agricultural animals, including miniature or dwarf varieties, in violation of the terms of this section is hereby declared to be a nuisance against the public health of the City of Tulsa and such nuisance shall be subject to abatement as provided by law.

**A.** Cattle shall be kept in areas zoned for agriculture (AG) use. Cattle must be kept in a pen, lot or enclosure that is maintained in sanitary condition not offensive or dangerous to the public. The pen, lot or enclosure must provide an area of at least one (1) acre (forty-three thousand five hundred sixty (43,560) square feet)) for each animal kept therein, including the space covered by a barn, but excluding any residential building and its adjacent yard.

**B.** Horses shall be kept in areas zoned for agriculture (AG), or agricultural residential (AG-R) use, subject to the following conditions:

**1.** The enclosure in which such animal is kept shall be maintained in a sanitary condition and shall not be offensive or dangerous to the public health;

**2.** The enclosure where such animal is kept shall not be less than one (1) acre (forty-three thousand five hundred sixty (43,560) square feet) in area for each such animal maintained, including the space covered by a barn, but excluding any residential building and its adjacent yard;

**3.** The enclosure where such animal is kept shall not be, at its nearest point, closer than fifty (50) feet to any building used or occupied for human habitation, and the barn shall not be closer than seventy-five (75) feet, at its nearest point, to any building used or occupied for human habitation;

**4.** The enclosure where such an animal is kept fenced shall be maintained in good repair;

**5.** Horses may be kept on properties not zoned for agriculture (AG) or agricultural residential (AG-R) use, provided that:

**a.** Immediately prior to effective date of this subsection, the horse(s) were kept on the property, and

**b.** The horse(s) are registered with WIN, or the Owner can show proof of Ownership at the time of effective date of this subsection.

**C.** Poultry kept in areas zoned for agriculture (AG) must be in pens or buildings located at least one hundred (100) feet from an adjoining property line.

**D.** Poultry kept in areas not zoned for agriculture shall not exceed six (6) adults and fourteen (14) chicks under the age of eight (8) weeks, and must be kept under the following conditions:

**1.** The fowl must be kept in a building which at its nearest point is no closer than fifty (50) feet to any adjoining residence;

**2.** The floors of such building shall be of easily cleanable construction, and shall be maintained in a sanitary condition not offensive or dangerous to the public health by routinely cleaning and properly disposing of the droppings; and

**3.** The outside openings of the building shall be screened to prevent the spread of disease by flies and vermin.

**E.** Rabbits.

**1.** Rabbits kept in areas zoned for agriculture (AG) or agricultural residential (AG-R) use must be in pens or buildings located at least one hundred (100) feet from an adjoining property line.

**2.** Rabbits kept in areas not zoned for agriculture (AG) or agricultural residential (AG-R) shall not exceed six (6) adults and fourteen (14) young under the age of eight (8) weeks and shall be kept under the following minimum standards:

**a.** The rabbits must be kept in a building which at its nearest point is no closer than fifty (50) feet to any adjoining residence;

**b.** The floors of such building shall be of easily cleanable construction, and shall be maintained in a sanitary condition not offensive or dangerous to the public health by routinely cleaning and properly disposing of the droppings; and

**c.** The outside openings of the building shall be screened to prevent the spread of disease by flies and vermin.

**F.** Except as otherwise set forth in this Section 200, agricultural animals may be kept only in areas zoned for agriculture (AG). The enclosure where such an animal is kept fenced shall be maintained in good repair.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 201. Pigeons and doves.

**A.** Housing shall be sized to allow one (1) square foot of floor space and a minimum of one (1) cubic foot of volume per animal housed with a maximum of twenty-five (25) birds allowed.

**B.** The structure shall not be located nearer than fifty (50) feet from any adjoining residence.

**C.** Pigeons shall be confined to the loft except for limited periods for exercise. At no time shall pigeons be allowed to perch on property other than that on which they are maintained pursuant to this chapter.

**D. Racing pigeons exemption permit.**

**1. Racing pigeons exemption permit.** The Director of Finance shall maintain a register of qualified racing pigeon exemption permit holders and shall make this register available to WIN and the Chief of Police and the Director of the Tulsa

City-County Health Department. Application shall be submitted in writing to the Director of Finance, who shall notify the applicant of the acceptance or denial within thirty (30) days of the application date. If the exemption permit is denied, the applicant shall be notified of the reason for denial. A fee recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council shall be charged for the initial permit. Each subsequent renewal shall be charged a fee recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council.

A holder of a racing pigeons exemption permit will be permitted to own and keep a maximum of two hundred (200) racing pigeons on the holder's property provided the Owner meets all other provisions and conditions imposed by law. A racing pigeons exemption permit holder shall not be permitted to own and keep or house any other pigeons or doves on the holder's property.

A conviction for a violation of this Section 201 or noncompliance with the provisions of the racing pigeons exemption permit shall be grounds for a denial of an application for a racing pigeons exemption permit.

2. **Racing pigeons defined.** A racing pigeon (also, commonly known as Racing Homer, Homing Pigeon or Carrier Pigeon) means a pigeon which, through selective past breeding, has developed the distinctive physical and mental characteristics as to enable it to return to its home after having been released a considerable distance therefrom, and which is accepted as such by the American racing pigeon Union, Inc., or the International Federation of American Homing Pigeon Fanciers, Inc. Racing pigeons shall be banded and registered with one of the national pigeon associations/registries identified above.
3. **Application documents.** An applicant for a racing pigeons exemption permit shall submit to the Director of Finance:
   - **a.** A full and complete application using the form supplied by the Director of Finance;
   - **b.** Appropriate certificates and documentation evidencing the racing pigeons have been banded and registered with the American racing pigeon Union, Inc., or the International Federation of American Homing Pigeon Fanciers, Inc.;
   - **c.** Appropriate certificates and documentation evidencing the applicant's membership in a local racing pigeons club chartered by either the American racing pigeon Union, Inc., or the International Federation of American Homing Pigeon Fanciers, Inc.; and
   - **d.** Any required application fees.
4. **Renewal.** A racing pigeons exemption permit holder must reapply for the exemption permit every year on or before the anniversary date of the issuance of the initial permit.
5. **Conditions of racing pigeons exemption permit.** The keeping, breeding, maintenance and flying of racing pigeons under the racing pigeons exemption permit shall be permitted on the following conditions:
   - **a.** The housing shall be sized to allow one (1) square foot of floor space and a minimum of one (1) cubic foot of volume per bird housed with a maximum of two hundred (200) birds allowed.

**b.** The housing shall be of such size and design, and constructed of such material, that it can be maintained in a clean and sanitary condition. The structure shall be constructed of building materials compatible with the neighborhood. It shall have a roof and be enclosed on all sides. The floor, bird's roost and nesting cubicles shall be constructed of a nonporous material or plywood covered with a nonporous covering that is impermeable to fluids. The structure shall have sufficient crossflow ventilation to control odors and humidity, with the ventilation openings covered in screening to prevent the entry of flies. The structure shall be constructed on piers or concrete blocks to allow a minimum of eighteen (18) inches between the floor and the ground. The ground area beneath the structure shall be covered with a concrete pad and apron that extends past the building edges a minimum of twenty-four (24) inches.

**c.** The construction and location of the housing shall not conflict with the requirements of any Building Code or Zoning Code of the City of Tulsa.

**d.** The housing structure shall not be located nearer than fifty (50) feet from any adjoining residence.

**e.** All feed and other edible substances for the pigeons shall be stored in steel galvanized containers with tightly securing lids to protect against intrusion by rodents and other vermin.

**f.** The housing shall be maintained in a sanitary condition, in compliance with all applicable health regulations of the City of Tulsa and in a manner which does not unlawfully annoy, injure or endanger the environment or the health, safety, comfort or repose of any person or animal. All bird droppings shall be removed from the floor, bird's roost and nesting cubicles frequently enough to prevent an accumulation of droppings (recommended a minimum of every other day). The droppings shall be bagged in plastic garbage bags and deposited in the next trash pickup.

**g.** All pigeons shall be confined to the housing except for limited periods necessary for exercise, training and competition; and at no time shall pigeons be allowed to perch or linger on the buildings or property of others.

**h.** All pigeons shall be fed within the confines of the housing.

**i.** No one shall release pigeons to fly for exercise, training or competition except in compliance with the following rule: Pigeons shall not be released for flying if they have been fed within the previous four (4) hours.

**6. Right of entry for inspections.** The Director of WIN, the Chief of Police or the Director of the Tulsa City/County Health Department may enter and inspect any property or housing at any reasonable time for the purpose of investigating either an actual or suspected violation or to ascertain compliance or noncompliance with this section.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 202. Keeping of miniature pigs as pets.

**A.** It shall be unlawful and an offense to harbor, keep or possess a miniature pig, except has provided in this section.

**B.** A miniature pig may be kept as normal merchandise in commercially zoned property, or may be kept as a household pet in single-family residential property under the following conditions:

**1.** Each such miniature pig shall be a pet which is kept for personal enjoyment, and not raised for human consumption;

**2.** There shall not be more than one (1) miniature pig in excess of six (6) months of age at any residence;

**3.** The miniature pig shall be kept by its Owner in a manner which does not violate other ordinances of the city nor create a nuisance to the neighborhood;

**4.** A miniature pig shall be kept confined within the building in which it is housed or within any associated fenced yards or held by a harness and leash under the control of the Owner or the Owner's representative; and

**5.** Every miniature pig shall be vaccinated for rabies at four (4) months of age, with a booster in one (1) year. Thereafter, it shall be re-vaccinated every three (3) years.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 203. Offense.

It shall be unlawful and an offense for any person to keep or maintain or permit to be kept or maintained any cattle, horse, poultry, pigeons, doves, rabbits, or miniature pigs except as herein provided. It shall be unlawful and an offense for any person to maintain such animals or poultry in a manner as to trespass upon the premises of another.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 204. Animals running at large.

No horse, mule, donkey, cattle, swine, sheep or goats of any kind shall be permitted to run at large within the limits of this City or to be staked out in any public place in the City at any time; and it is declared to be unlawful and an offense for the Owner or person in charge of any such animals to permit them to run at large or to be staked in any public place within the limits of this City contrary to the provisions of this title.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 205. Penalty.

Unless otherwise provided, every person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments.

*(Ord. No. 24607, § 3, 4-28-2021)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 3. ANIMALS IN STREETS

Section 300. Training animals.
Section 301. Animals unhitched.
Section 302. Racing animals.
Section 303. Hitching.
Section 304. Turning animals loose.
Section 305. Penalty.

### Section 300. Training animals.

It shall be unlawful and an offense for any person to break or train any dog, cat, horse, mule, donkey or other domestic animal, upon any public highway, street or alley within the City.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 301. Animals unhitched.

It shall be unlawful and an offense for any person to leave any horse, mule, donkey or other animal attached to any vehicle or conveyance in any place within the City without being securely held or tied to an object of sufficient size to prevent such animal from straying or running away.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 302. Racing animals.

It shall be unlawful and an offense for any person to engage in any fast or reckless driving, riding or racing of any horse or mule on or across any street, alley or other public grounds in the City. Any rate of speed faster than twelve (12) miles per hour shall be held to be reckless driving, riding or racing under this section.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 303. Hitching.

It shall be unlawful and an offense for any person to hitch, tie or place any horse, donkey, mule, sheep, goat, cattle or any animal of bovine kind or any domestic animal to any light, telephone or telegraph pole within the City or on a sidewalk or parking area in the City except at the regular street, avenue, alley or driveway crossings.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 304. Turning animals loose.

It shall be unlawful and an offense for any person to turn any animal loose on any street or public place in the City of Tulsa.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 305. Penalty.

Unless otherwise provided, every person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments.

*(Ord. No. 24607, § 3, 4-28-2021)*

## CHAPTER 4. MISCELLANEOUS PROVISIONS

Section 400. Diseased animals and sale of diseased animals.
Section 401. Standards of humane care and treatment.
Section 402. Destruction of animals.
Section 403. Euthanasia.
Section 404. Locking or tying wings of poultry prohibited.
Section 405. Distribution of baby poultry or rabbits as pets or novelties prohibited.
Section 406. Reserved.
Section 407. Penalty.

### Section 400. Diseased animals and sale of diseased animals.

It shall be unlawful and an offense for any person to procure or knowingly distribute diseased animals without complete disclosure for the purpose of transferring Ownership, whether such animal is sold or given away.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 401. Standards of humane care and treatment.

It shall be unlawful and an offense under the terms of this section, Section 401, for any person within the corporate limits of the City of Tulsa to own, keep, possess, harbor or allow to remain on premises under that person's control any animal, and fail under circumstances not amounting to animal cruelty, to provide humane care and treatment of said animal evidenced by violation of any of the following:

**A.** Every owner or keeper of an animal kept within the corporate limits of the City of Tulsa shall see that such animal:

**1.** Is kept in a clean, sanitary and healthy manner and is not confined so as to be forced to stand, sit or lie in its own excrement or waste; the person(s) responsible for animal(s) shall regularly and as often as necessary to prevent odor or health and sanitation problems, maintain all animal areas or areas of animal contact;

**2.** Has food that is appropriate for the species in adequate amounts to maintain good health, fresh potable drinking water where appropriate, shelter and ventilation, including quarters that are protected from excessive heat and cold and are of sufficient size to permit the animal to exercise and move about freely;

**3.** Is maintained in compliance with all applicable federal, state and local laws and all regulations respecting animal care and control as are adopted by the enforcing department and in effect at the time.

**B.** It shall be unlawful to tether any animal by use of a choke collar, or on any collar too small for the size and age of the animal, or by any rope, chain, or cord directly attached to the animal's neck, or by a leash less than twelve (12) feet in length, or by any tether or leash without swivels on both ends, or of such unreasonable weight as to prevent the animal from moving about freely.

**C.** It shall be unlawful for any animal to be tethered between the hours of 11:00 p.m. and 6:00 a.m.; or to tether any un-sterilized dog for any period of time or to tether or confine an animal at a vacant structure or premises for any purpose or time when it is not monitored by a competent adult who is present at the property for the duration of such tethering or confinement.

**D.** In addition to the general requirements for animal care and treatment in this article, every owner or keeper of a dog kept within the corporate limits of the City of Tulsa shall see that such dog when confined outside:

**1.** Has access to a shelter constructed of solid wood or other weather resistant material, consisting of a structure with solid walls on all sides, a dry floor raised above the ground, and a solid roof sloped away from the entrance to protect the dog from weather and extreme cold. During winter and any day when the temperature is at or below 40°F, the shelter must be just large enough for the dog to stand up and turn around, the entrance covered by a flexible wind-proofing material or self-closing door, and must contain clean, dry bedding, which must consist of an insulating material that does not retain moisture, such as straw, of sufficient depth for the dog to burrow. On any day when the temperature is at or above 85°F or a heat advisory or more severe heat-related warning has been issued by a local, state or national authority, the shelter must be shaded by trees, a tarp, or a tarp-like device and provided with natural ventilation or supplemental ventilation or cooling device including but not limited to a fan, mister or like device.

**2.** Must be provided access to a temperature controlled facility when the temperature is at or below 25°F or when a wind chill warning has been issued by local, state or national authority. When under a tornado warning issued by a local, state or national authority all animals must be brought into a building anchored to a foundation.

**3.** Has adequate space for exercise when confined in an enclosure or pen, which shall consist of no less than one hundred (100) square feet. A dog over eighty (80) pounds must be provided with an additional fifty (50) square feet. For each additional dog inside the enclosure, fifty (50) square feet of space for exercise must be added per dog.

**4.** Is treated so that there are no open lesions on the dog's skin due to insect bites or other parasitic infections.

**5.** Shall not be tethered except when all of the following conditions are met:

**a.** The tether is not attached to a motorized vehicle, such as an automobile, truck, or motorcycle;

*Exception - Motorized wheelchair is exempt from this requirement as long as the wheelchair is actively being used and in motion.*

**b.** The dog is at least six (6) months of age and is not sick or injured;

**c.** The tethered dog has access to water, shelter, and dry ground. If there are multiple tethered dogs, each dog must be tethered separately in a manner that prevents the tethers from becoming entangled with each other or any other object, and each dog must have separate water and shelter;

**d.** The tether is attached to the dog by a properly fitting buckle-type collar, or a collar that will not break under pressure, with a rotating toggle or attachment. Pinch, prong, or choke collars shall not be used. The tether shall not wrap directly around the dog's neck.

**e.** The tether is not of such unreasonable weight as to prevent the dog from moving about freely, is free of tangles, cannot be entangled with another animal or object, and is at least twelve (12) feet in length.

**f.** If the dog is attached to a trolley system, the running line must be at least twelve (12) feet in length and the tether length must be greater than the height of the running line.

**g.** The tether is located so as not to allow the dog to trespass on public or private property nor in such a manner as to cause harm or danger to persons or other animals.

**E.** In the discretion of an enforcement officer, a person who violates any provision of this section for the first time may be given written notice of the practices or conditions which constitute the violation, and the enforcement officer shall in such instance direct remedies to such person where appropriate and provide a time period of no longer than thirty (30) days within which to correct the violation(s). Failure of the person to correct the violations within the specified time period shall constitute a violation of this section and result in impoundment of the animal for protective care.

**F.** Whenever an enforcement officer finds any animal is without humane care or treatment as evidenced by a violation of this section, they may, at the owner's expense, impound the animal for protective care due to the exigent circumstance. In the event of sickness or injury of the animal and upon the advice of a licensed veterinarian or veterinarian technician, the enforcement officer may take appropriate action to relieve pain and suffering; this shall include the option of immediate humane euthanasia of the animal. Upon impoundment of an animal for protective care, the enforcement officer shall refer the matter to the City Attorney for approval of a verified complaint and an order from the court that the animal be impounded indefinitely pending an evidentiary hearing. Following the filing of such verified complaint and an evidentiary hearing, if the court finds upon a preponderance of the evidence that an animal was kept without humane care or treatment as evidenced by a violation of this section, the court shall order the animal to be surrendered to the City of Tulsa. In such an event, the owner shall be required to pay all costs of impounding the animal. If the court does not find upon a preponderance of the evidence that an animal was kept without humane care or treatment, then the animal shall be released to its owner. In such an event, the owner may not be required to pay the costs of impoundment.

**G.** The enforcement officer may issue a citation to the owner for a violation of this section, and/or may specify the terms and conditions under which the owner may regain or maintain custody of the animal, which terms and conditions statement shall be signed by the owner. Violation of the terms and conditions by the owner is an offense against the City and shall be cause for the issuance of a citation and may result in the impoundment of the animal. If the owner refuses to sign the terms and conditions statement, then the enforcement officer shall refer the matter to the City Attorney for approval of a verified complaint and an order from the court that the animal be impounded indefinitely pending an evidentiary hearing and the procedure in Section F. shall be followed.

**H.** Every person violating any provision of this section, shall be guilty of an offense and, upon conviction, shall be punished by a graduated schedule for which the maximum punishment is imprisonment in the city jail for a period of not more than six (6) months and/or a fine of not more than One Thousand, Two Hundred Dollars ($1,200.00), excluding costs, fees, and assessments. The punishment imposed for any such violation shall be as follows:

**1.** For the first violation, a fine not less than One Hundred Dollars ($100.00); and

**2.** For the second violation, a fine not less than Five Hundred Dollars ($500.00), and the court upon request shall order forfeiture or other disposition of the animal involved. A judgment by the court which orders forfeiture or other disposition of the animal by the city or any third party shall include as a part of such judgment adequate provisions for the collection of costs of forfeiture or impoundment from the person found in violation.

**3.** For the third, or subsequent violation, imprisonment in the city jail for a period of not more than six (6) months and/or a fine of not more than One Thousand, Two Hundred Dollars ($1,200.00), and the court upon request shall order forfeiture or other disposition of the animal involved. A judgment by the court which orders forfeiture or other disposition of the animal by the city or any third party shall include as a part of such judgment adequate provisions for the collection of costs of forfeiture or impoundment from the person found in violation.

**I.** For purposes of this section, the following terms have the following meanings:

**1.** *"Confined outside"* means confined outside the house, mobile home, apartment or other structure where the owner is living. Confined outside would include in the yard, or in a garage, shed, or barn without heating or air-conditioning. Access to a garage, shed, or barn maintained between 40°F and 80°F would not be considered confined outside.

**2.** *"Temperature controlled facility"* means a structure capable of being maintained between 40°F and 80°F.

*(Ord. No. 25186, § 3, 11-29-2023)*

### Section 402. Destruction of animals.

When any animal within the corporate limits of the City of Tulsa shall be so wounded, maimed, sick, diseased or injured as to render its recovery hopeless in the opinion of WIN or a licensed veterinarian, then it shall become the duty of WIN to kill or euthanize or cause to be killed or euthanized such animal as soon as practicable, in such manner as deemed the least painful and shall then cause the carcass to be removed and disposed of as provided in this title.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 403. Euthanasia.

**A.** It shall be unlawful and an offense for any person, except a licensed veterinarian, or a person trained to euthanize and who is approved and supervised by a licensed veterinarian, or a person certified by the Oklahoma State Board of Veterinary Medical Examiners as a euthanasia technician, to euthanize any animal.

**B.** Any dog, cat or any other animal which is kept for pleasure rather than utility in or about a household, held by or in the custody of a private or public animal shelter or agency and not reclaimed by the Owner, may be disposed of only by adoption as a pet in a suitable home, or euthanized by any method approved by the Veterinary Division of the State Department of Agriculture, with the exception of curariform derivative drugs and provided that the following requirements are met to ensure the euthanasia agent is humane:

**1.** The method should be as painless as possible to the animal as determined by the best available medical and scientific knowledge and technology.

**2.** The animal should be kept as free from anxiety and fear as possible.

**3.** The technique should be simple enough to be used by relatively unskilled personnel and be legally available to animal shelters and humane societies. It should be mechanically simple and maintenance free as possible within reasonable cost.

**4.** It should be physically safe for personnel using it.

**5.** It should conform with all other requirements set forth for euthanasia in 4 O.S. 2011, Sections 501, *et seq*.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 404. Locking or tying wings of poultry prohibited.

It shall be unlawful and an offense for any person to lock or tie the wings of any chicken, turkey, goose, duck or other domestic poultry for the purpose of weighing or handling, or cause the same to be done.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 405. Distribution of baby poultry or rabbits as pets or novelties prohibited.

It shall be unlawful and an offense for any person, firm or corporation to sell, or offer for sale, barter or give away baby chicks, ducklings or other poultry less than four (4) weeks old in groups of less than twelve (12) each, or rabbits less than six (6) weeks old as pets or novelties, whether or not dyed, colored or otherwise artificially treated. This section shall not be construed to prohibit the sale or display of natural chicks or ducklings in proper brood facilities by hatcheries or stores engaged in the business of selling them to be raised for commercial purposes. Every person violating this section shall be guilty of an offense and, upon conviction, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 406. Reserved.

**Editor's note—**Ord. No. 25186, §§ 1, 2, adopted November 29, 2023, repealed § 406, which pertained to outdoor shelter requirements and derived from Ord. No. 24607, § 3, 4-28-2021.

### Section 407. Penalty.

Unless otherwise provided, every person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments.

*(Ord. No. 24607, § 3, 4-28-2021)*

## CHAPTER 5. DEAD ANIMALS

Section 500. Dead animals—Unlawful disposal; burial in AG-zoned land.
Section 501. Dead animals—Lawful disposal.
Section 502. Dead animals—Strays.
Section 503. Dead animals—Residential fees.
Section 504. Dead animals collected for disposal from commercial animal establishments of any type.
Section 505. Retrieving I.D. from dead animals.
Section 506. Penalty.

### Section 500. Dead animals—Unlawful disposal; burial in AG-zoned land.

It shall be unlawful and an offense for any person to throw any dead animal or poultry in or upon any street, alley or public place within the City of Tulsa or to bury any dead animal or poultry within the City of Tulsa; provided, a dead large agricultural animal, as defined in Section 100 of this Title, may be buried on an AG-zoned parcel of land eighty (80) acres or larger, if in compliance with the Carcass Disposal Options published by the Oklahoma Department of Agriculture, Food and Forestry (https://ag.ok.gov/divisions/agricultural-environmental-management/ and https://ag.ok.gov/wp-content/uploads/2020/11/carcassdisposaloptions.pdf).

*(Ord. No. 24607, § 3, 4-28-2021; Ord. No. 25151, § 1, 10-25-2023)*

### Section 501. Dead animals—Lawful disposal.

**A.** It shall be the duty of the owner of any dead animal, or the person in lawful possession of any dead animal, to notify the Director of Public Works or the Director's designee, who shall dispose of it in a sanitary manner; provided that private persons may operate services for the removal and disposal of dead animals subject to the approval of the Director of Public Works or the Director's designee. The Director of Public Works or the Director's designee may prescribe appropriate rules and regulations for the operation of private services involved in the removal and disposition of dead animals.

**B.** It shall be the duty of the Owner or person in lawful possession of a dead dog, cat, poultry or other small animal to put such animal in a box, sack or other receptacle before collection by the Director of Public Works or the Director's designee, or by an operator of a private animal removal and disposal service.

*(Ord. No. 24607, § 3, 4-28-2021; Ord. No. 25151, § 2, 10-25-2023)*

### Section 502. Dead animals—Strays.

It shall be the duty of any person upon whose premises a stray dead animal is found to notify the Director of Public Works or the Director's designee. Such person shall not be liable for any fees for removal.

*(Ord. No. 24607, § 3, 4-28-2021; Ord. No. 25151, § 2, 10-25-2023)*

### Section 503. Dead animals—Residential fees.

The Owner or person in lawful possession of any dead animal or poultry shall pay to the Director of Finance a fee to cover the costs of removing the same.

Fees for the removal of dead animals shall be recommended by the Animal Welfare Commission and approved by the City Council for domestic farm animals such as horses, cattle, hogs, sheep, goats or animals of like or larger size. There shall be no charge for the removal of dogs, cats, poultry or other similarly sized animals.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 504. Dead animals collected for disposal from commercial animal establishments of any type.

Notwithstanding Section 503, any dead animal collected for disposal from commercial animal establishments of any type shall be disposed of in the manner prescribed in this title and upon payment of fees recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 505. Retrieving I.D. from dead animals.

A good faith attempt shall be made by the Director of Streets and Stormwater or the Director's designee to retrieve any City license pet tags and/or any microchip information on every dead dog and cat picked up by the City of Tulsa.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 506. Penalty.

Unless otherwise provided, every person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments.

*(Ord. No. 24607, § 3, 4-28-2021)*

## CHAPTER 6. DANGEROUS DOGS

Section 600. Certificate of registration for certain dogs required—Exemptions—Fee.
Section 601. Muzzle and restraint of certain dogs.
Section 602. Dogs not to be declared dangerous.
Section 603. Confiscation of a dangerous dog.
Section 604. Fines.
Section 605. Purpose.
Section 606. Penalty.

### Section 600. Certificate of registration for certain dogs required—Exemptions—Fee.

**A.** Certificate of registration for certain dogs required. It shall be unlawful and an offense for an Owner to have a dangerous dog without a certificate of registration issued according to this chapter. This chapter shall not apply to dogs used by law enforcement officials for police work.

**B. Exemptions.** WIN shall issue a certificate of registration to the Owner of such animal if the Owner presents to the animal control unit sufficient evidence of:

**1.** A proper enclosure to confine a dangerous dog and the posting of the premises with a clearly visible warning sign that there is a dangerous dog on the property. In addition, the Owner shall conspicuously display a sign with a warning symbol that informs children of the presence of a dangerous dog; and

**2.** A policy of liability insurance, such as homeOwner's insurance, or surety bond used by an insurer qualified under Title 36 of the Oklahoma Statutes in the amount of not less than Fifty Thousand Dollars ($50,000.00) insuring the Owner for any personal injuries inflicted by the dangerous dog.

**C. Fee.** A fee as recommended by the Animal Welfare Commission, subject to the discretion and approval of the City Council shall be remitted to the Director of Finance for the certificate of registration.

*(Ord. No. 24607, §§ 1, 3, 4-28-2021)*

### Section 601. Muzzle and restraint of certain dogs.

It shall be unlawful and an offense for an Owner of a dangerous dog to permit the dog to be outside the proper enclosure unless the dog is muzzled and restrained by a substantial chain or leash and under physical restraining of a responsible person over sixteen (16) years of age. The muzzle shall be made in a manner that will not cause injury to the dog or interfere with its vision or respiration but shall prevent it from biting any person or animal.

*(Ord. No. 24607, §§ 1, 3, 4-28-2021)*

### Section 602. Dogs not to be declared dangerous.

Dogs shall not be declared dangerous if the threat, injury or damage was sustained by a person who, at the time, was committing a willful trespass or other tort upon the premises occupied by the Owner of the dog, or was tormenting, abusing or assaulting the dog or has, in the past, been observed or reported to have tormented, abused or assaulted the dog or was committing or attempting to commit a crime.

*(Ord. No. 24607, §§ 1, 3, 4-28-2021)*

### Section 603. Confiscation of a dangerous dog.

Any dangerous dog shall be immediately confiscated by WIN's Animal Welfare Center if:

**A.** The dog is not validly registered according to this chapter;

**B.** The Owner does not secure the liability insurance coverage or surety bond required by this chapter;

**C.** The dog is not maintained in the proper enclosure; and

**D.** The dog is outside of the dwelling of the Owner or outside the proper enclosure and not under physical restraint of the responsible person.

Any dangerous dog confiscated pursuant to this section and not reclaimed by its Owner under the requirements of this chapter within thirty (30) days from the date of notice of confiscation shall be deemed abandoned and, at the discretion of WIN's Animal Welfare Center, euthanized pursuant to procedures provided in Section 109 of this title.

*(Ord. No. 24607, §§ 1, 3, 4-28-2021)*

### Section 604. Fines.

Any fine imposed as a result of a violation of this chapter, at the discretion of the court, may be offset by payments made by the dog Owner to any victim of an attack by the dog. However, insurance payments may not be considered as an offset.

*(Ord. No. 24607, §§ 1, 3, 4-28-2021)*

### Section 605. Purpose.

It is the purpose of this chapter to provide additional and cumulative remedies to control dangerous and potentially dangerous dogs. Nothing in this chapter shall be construed to abridge or alter rights of action or remedies of victims under the common law or statutory law, criminal or civil.

*(Ord. No. 24607, §§ 1, 3, 4-28-2021)*

### Section 606. Penalty.

Unless otherwise provided, every person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction, shall be punished by imprisonment in the City jail for a period of not exceeding six (6) months or by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00), excluding costs, fees and assessments or both such fine and imprisonment.

*(Ord. No. 24607, §§ 1, 3, 4-28-2021)*

## CHAPTER 7. REPTILES

Section 700. Habitat.
Section 701. Transport and handling.
Section 702. Release of reptiles.
Section 703. Prohibited reptiles.
Section 704. Zoo excluded.
Section 705. Penalty.

### Section 700. Habitat.

All reptiles held as pets or specimens must be contained within secure habitats designed to prevent escape.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 701. Transport and handling.

**A.** Reptiles being transported shall be contained within escape-proof containers.

**B.** Reptiles shall not be handled openly in public places unless the handler is conducting an educational meeting or is demonstrating a reptile for sale within a commercial animal establishment.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 702. Release of reptiles.

**A.** Reptiles not indigenous to Oklahoma shall not be released or abandoned.

**B.** Any species of reptile not indigenous to Oklahoma that is secured by or forfeited to Animal Welfare shall be released to the Tulsa Zoo or to a reptile rescue organization for proper disposition or euthanized if deemed necessary by Animal Welfare.

**C.** Any species of reptile indigenous to Oklahoma that is secured by or forfeited to Animal Welfare may be released to the wild within the discretion of Animal Welfare.

*(Ord. No. 24607, § 3, 4-28-2021)*

### Section 703. Prohibited reptiles.

The families and species of reptiles listed in this paragraph are prohibited, as they pose distinct hazards to humans:

**A.** The following families of the Order Crocodylia (all families).

**B.** Order Squamata; suborder Sauria, Family Helodermatidae (beaded lizards and gila monsters); Order Squamata, suborder Ophidia; Family Elapidae (Cobras); Family Hydrophiidae (sea snakes); Family Viperidae (vipers and pit vipers); species in the Family Colubridae, sub family Disadomorphinae (rear-fang-snakes), Dispholidus typus (the Boomslang); Thelotornis kirklandi (African bird eating snake); and Boiga dendrophilia (the Mangrove snake).

*(Ord. No. 24607, §§ 2, 3, 4-28-2021)*

### Section 704. Zoo excluded.

The City of Tulsa Zoo shall not be subject to any of the provisions in this chapter.

*(Ord. No. 24607, §§ 2, 3, 4-28-2021)*

## Section 705. Penalty.

Unless otherwise provided, every person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments.

*(Ord. No. 24607, §§ 2, 3, 4-28-2021)*

## CHAPTER 8. PENALTY

Section 800. Penalty.

### Section 800. Penalty.

Unless otherwise provided, every person violating any of the provisions of this title shall be guilty of an offense and, upon conviction, thereof shall be punished by imprisonment in the City jail for a period of not more than ninety (90) days and/or by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments provided that no violation of any provision of Chapter 4 shall carry a fine of less than One Hundred Dollars ($100.00).

*(Ord. Nos. 19038, 19143; Ord. No. 21979, § 1, 12-18-2008)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

# TITLE 3 PUBLIC PROPERTY, RECORDS, FLAG, SEAL

**Chapter 1. Public Property and Records**
**Chapter 2. Corporate Seal, Council Seal and City Flag**
**Chapter 3. Facsimile Signatures Authorized**

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. PUBLIC PROPERTY AND RECORDS

Section 100. Use of public property.
Section 101. Cemetery register.
Section 102. Certified copies.
Section 103. Correspondence file.
Section 104. Depository of public records.
Section 105. Employee records.
Section 106. Termination and leave records for employees of Police and Fire Department.
Section 107. Date of filing and index.
Section 108. Notice records.
Section 109. Ordinance records.
Section 110. Petition records.
Section 111. Withdrawal of records.
Section 112. City Clerk to sell copies of criminal code.
Section 113. City Clerk and Municipal Court Clerk to sell copies of traffic code.
Section 114. Correspondence files.
Section 115. Permit records.
Section 116. Motor vehicle records.
Section 117. Motor vehicle identification and numbering.
Section 118. Motor vehicle use.
Section 119. Vehicle transfers.
Section 120. The City Council of the City of Tulsa and all boards, commissions, trusts and authorities of the City of Tulsa must file copies of their agendas and minutes with Tulsa City-County Library.

### Section 100. Use of public property.

No City official or employee shall lend or rent any City property to any person, corporation or individual and all such property shall remain in the possession of the official or employee charged with it until the property is returned to the proper municipal authority.

### Section 101. Cemetery register.

The City Clerk shall keep and maintain a cemetery register in which shall be entered in a systematic method, the number of each and every lot and the block in which it is located. The cemetery register shall show the name of the owner of each lot, by whom purchased, the date of purchase, the amount charged for the lot and the amount paid.

### Section 102. Certified copies.

It shall be the duty of the City Clerk to furnish certified copies of any ordinance or other public document or any official act of the City to any person upon application. For such services, the City Clerk shall charge and collect the fees established in accordance with the Open Records Act Fee Schedule as established by the Mayor through Executive Order and in compliance with the Oklahoma Open Records Act, Title 51, Oklahoma Statutes, Sections 24A.1 and following.

*(Ord. No. 23985, § 1, 8-29-2018)*

### Section 103. Correspondence file.

The City Clerk shall keep a suitable file for all correspondence and communications on matters pertaining to the City's affairs coming into his possession.

### Section 104. Depository of public records.

The City Clerk shall be the depository for surety bonds, insurance policies, deeds, contracts, franchises and all records which are the property of the City and for which no other provision is made by charter or ordinance. The City Clerk shall, upon receipt of any notice or process asserting that ad valorem taxes are due on any real property of the City, forward a copy thereof to the Mayor and to the Chairman of the Council in addition to such other parties as may be now or hereafter required to receive such copies.

*(Ord. No. 17659)*

### Section 105. Employee records.

The Mayor shall cause to be prepared, kept, preserved and maintained records showing the name, address, department, salary or wage paid to each and every employee of the City of Tulsa. Such records shall show any and all deductions from the amount paid or to be paid to the employee, together with a statement showing the purpose of such deduction and the date thereof.

*(Ord. No. 4780)*

### Section 106. Termination and leave records for employees of Police and Fire Department.

In the event of the termination of employment of any members of the Fire or Police Departments of the City of Tulsa or the granting of a leave of absence to any member of the Fire or Police Departments, the condition and circumstances of such termination or leave of absence shall be stated on the records provided in Section 105 herein.

*(Ord. No. 4780)*

### Section 107. Date of filing and index.

The City Clerk shall endorse the date of filing upon every paper or document filed in his office. All books and records kept by him shall be fully and properly indexed.

### Section 108. Notice records.

The City Clerk shall keep a copy of all notices required to be published or posted by the City Clerk, by order of the Council or under the general ordinances of the City. Attached to such notices shall be the printer's affidavit of publication for notices which are required to be published or the City Clerk's certificate under seal of the City for notices which are required to be posted, mailed or served in any other manner. Such certificate shall show that the document is a true and correct copy of the notices posted, published or delivered by him, the number of the notice issued, the date of issuance, whether done by special order of the Council or by general ordinance, and that the fact of publication shall be a matter of record. Such attachments shall be kept in connection with the documents to which they refer.

### Section 109. Ordinance records.

The City Clerk shall keep all enacted ordinances in their original form in a manner prescribed by the Council. He shall keep printed copies of all ordinances, resolutions, notices and other publications with the printer's certificate of publication attached thereto. He shall index the ordinances under their respective numbers or titles. All old ordinances, records or other documents shall be carefully preserved in a manner approved by the Council.

**Section 110. Petition records.**

The City Clerk shall keep a complete record of all petitions and communications under which the Council shall order public work to be done at the expense of property fronting thereon, together with all resolutions and ordinances relating to the same, and they shall be filed with the other documents to which they pertain.

**Section 111. Withdrawal of records.**

Any officer or employee of the City of Tulsa may withdraw for a period not to exceed fifteen (15) days any papers, files, records, property, matters and things belonging to the City which are public in their nature by leaving with the City Clerk an itemized receipt therefor; provided, however, that if any such document, instrument or other property is or shall be withdrawn to be used as evidence in any action or proceedings in which the City of Tulsa is interested as a party or in which any of its officers, agents or employees in their official capacity are interested as parties or otherwise, such records or other property shall be returned within fifteen (15) days from the final termination of such action or proceeding.

**Section 112. City Clerk to sell copies of criminal code.**

Upon presentation of a receipt for payment from the Department of Finance, the City Clerk is authorized to provide and distribute to the public copies of the amended criminal code at a cost of Four Dollars ($4.00) per copy.

*(Ord. Nos. 13086, 18654)*

**Section 113. City Clerk and Municipal Court Clerk to sell copies of traffic code.**

Upon presentation of a receipt for payment from the Department of Finance, the City Clerk and the Municipal Court Clerk are authorized to provide and distribute to the public copies of the amended traffic code at a cost of Four Dollars ($4.00) each.

*(Ord. Nos. 13560, 18654)*

**Section 114. Correspondence files.**

Each head of a department and other officer whose duties involve correspondence, the filing of documents and the maintaining of records shall preserve a complete file of all correspondence, documents and records pertaining to the affairs of the City and shall, upon termination of his employment or retirement, deliver such correspondence, files and documents to his successor.

**Section 115. Permit records.**

It shall be the duty of each officer issuing permits to maintain a file of duplicate permits.

**Section 116. Motor vehicle records.**

It shall be the duty of the Mayor to compile records concerning each motor vehicle used by employees of the City, which records shall show the make and type of each motor vehicle, the engine number, factory or serial number, number of the official certificate of title and the state registration or license number for the current year, the person from whom the

vehicle was purchased, the original cost and the purpose for which the motor vehicle is used. Such records shall be filed in the Office of the City Clerk. All certificates of title shall be deposited with the City Clerk.

*(Ord. No. 3964)*

### Section 117. Motor vehicle identification and numbering.

It shall be the duty of the Mayor to cause to be clearly identified, as provided in this section, all motor vehicles currently owned and operated by the City of Tulsa, its agencies, authorities, boards, and commissions, within thirty (30) days of the effective date of this ordinance or within thirty (30) days of receipt of a vehicle.

**A. Logo, Seal and Entity Name.**

1. On each side of the vehicle shall be placed a logo or seal at least nine and three-fourths (9¾) inches in height, with a design and wording approved in writing by the Mayor, with the words, "City of Tulsa," in letters at least one-half (½) inch in height, and the name of the City entity in letters at least one (1) inch in height.
2. In lieu of a logo or seal as specified above, the words "City of Tulsa," along with the name of the City entity may be placed on each side of a vehicle in letters of at least two (2) inches in height.

**B. Asset Number.** The vehicle asset number shall be affixed to the vehicle, using two (2) inch or larger figures; the placement of the City asset number must ensure that the number is clearly visible. A separate vehicle asset number shall be assigned to each motor vehicle.

**C. Exceptions.**

1. A vehicle may be operated without identification markings as provided in this section, if approved in writing, for a valid reason, by the Mayor.
2. Vehicles operated by the Tulsa Police Department and the Tulsa Fire Department may be marked or left unmarked in a manner as approved in writing by the Mayor.
3. Vehicles operated by the Park Department may be marked in a manner as approved in writing by the Mayor.
4. Vehicles owned by public trusts created pursuant to Title 60, Section 176, of the Oklahoma Statutes are exempt from this ordinance.

*(Ord. No. 20438)*

### Section 118. Motor vehicle use.

Policies and procedures governing the use of motor vehicles shall be developed by the Mayor.

### Section 119. Vehicle transfers.

When any new or additional motor vehicles are provided for any department of the City of Tulsa and when any motor vehicle is disposed of or ceases to be the property of the City of Tulsa, a full report and record as above mentioned shall be made thereof, and a copy of such report delivered to the Office of the City Clerk to become a permanent record. Such report shall also show the disposition made of the motor vehicle and the amount of money or credit received therefor.

*(Ord. No. 3964)*

## Section 120. The City Council of the City of Tulsa and all boards, commissions, trusts and authorities of the City of Tulsa must file copies of their agendas and minutes with Tulsa City-County Library.

**A. General provision.** The City Council of the City of Tulsa shall file copies of its meeting agendas and minutes of meetings, posted or kept in compliance with the Oklahoma "Open Meeting Act," with the Tulsa City-County Library. All boards, commissions, trusts and authorities of the City of Tulsa, whether created by the City Charter, by ordinance, by trust indenture or by other legal instrument, shall file with the Tulsa City-County Library copies of all meeting agendas and minutes of meetings of the respective board, commission, trust or authority, which are posted and kept in compliance with the Oklahoma "Open Meeting Act."

**B. Time requirements for filing.** All agendas of the City Council or of a board, commission, trust or authority of the City of Tulsa shall be filed with the Tulsa City-County Library within twenty-four (24) hours of the posting of the agenda pursuant to the Oklahoma "Open Meeting Act." All minutes of meetings kept by the City Council or by a board, commission, trust or authority of the City of Tulsa in compliance with the Oklahoma "Open Meeting Act" shall be filed with the Tulsa City-County Library within five (5) days (excluding Saturdays and Sundays and holidays legally declared by the State of Oklahoma) after approval of the minutes by the Council or by the respective board, commission, trust or authority.

**C. Filing defined.** An agenda or minutes of meeting shall be deemed filed when the Council or the respective board, commission, trust or authority of the City of Tulsa has mailed, by first class United States mail, delivered or faxed a copy of the agenda or minutes to the Government Documents Librarian, Tulsa City-County Library, 400 Civic Center, Tulsa, Oklahoma, 74103-3830.

*(Ord. No. 18149)*

## CHAPTER 2. CORPORATE SEAL, COUNCIL SEAL AND CITY FLAG

Section 200. Corporate seal.
Section 201. Clerk as custodian.
Section 202. Seal of the Tulsa City Council.
Section 203. Authorized use of City and Council seals—Penalty.
Section 204. City flag.

### Section 200. Corporate seal.

The Corporate Seal of the City of Tulsa is the official seal of the City of Tulsa. It shall be in the shape of a modified vertical ellipse. The ellipse is defined by the blue (Pantone 289C or CMYK/RGB equivalent) curved border that circumscribes the three (3) color divided sections of the seal. Superimposed upon the upper half of the curved border there shall appear two (2) rows of five-pointed white stars, forty-six (46) in number. Superimposed and circumscribing the lower half of the seal in sans-serif type shall be the words "CITY OF TULSA OKLAHOMA" in white capital letters.

The upper one-third (⅓) of this ellipse shall be a gold field (Pantone 130C or CMYK/RGB equivalent). Superimposed on this field, in the optical center and pointing upward shall be a Native American projectile point (arrowhead) of the Snyder variety composed of the numbers 1836, denoting Tulsa's founding year and Native American heritage. To the left of this arrowhead there shall be the numerals "1" and "8". To the right of this arrowhead there shall be the numerals "9" and "8", together representing the year 1898, the year the City of Tulsa was incorporated.

The lower left one-third (⅓) of the seal shall be a black field with a stylized white oil derrick superimposed upon and centered in the field.

The lower right one-third (⅓) of the seal shall be a light blue field (Pantone 653C or CMYK/RGB equivalent) with parallel horizontal white lines. Each line shall be composed of a series of arcs to suggest a wave form.

The upper gold field, the lower left black one-third (⅓) and the lower right blue one-third (⅓) shall be separated from each other to form the letter "T" in white.

Any reproduction of the corporate seal shall be substantially as described herein.

*(Ord. Nos. 11022, 21025; Ord. No. 22311, § 1, 9-16-2010; Ord. No. 25190, § 1, 11-29-2023)*

### Section 201. Clerk as custodian.

The City Clerk shall be the lawful custodian of the Corporate Seal for the City of Tulsa, and he shall affix the same to all documents requiring the seal.

*(Ord. No. 21025)*

### Section 202. Seal of the Tulsa City Council.

The Seal of the Tulsa City Council shall be in the shape of a modified vertical ellipse. The upper one-third (⅓) of this ellipse shall be a field. Superimposed on the upper one-third (⅓), in the optical center and pointing upward shall be an Indian projectile point (arrowhead) of the Snyder variety. To the left and adjacent to the base of this arrowhead there shall be the numerals "1" and "9". To the right and adjacent to the base of this

arrowhead there shall be the numerals "9" and "0", together representing the year 1990. Superimposed upon and circumscribing the curved edge of the upper one-third (⅓) there shall appear one (1) row of five-pointed stars, nine (9) in number.

The lower left quadrant of the seal shall be a field with a stylized oil derrick superimposed upon and centered in the field.

The lower right quadrant of the seal shall be a field with parallel horizontal lines. Each line shall be composed of a series of arcs to suggest a wave form.

The upper field, the lower left quadrant and the lower right quadrant shall be separated from each other to form the letter "T". Circumscribing the lower half of the seal shall be the words "TULSA CITY COUNCIL" in capital letters.

Any reproduction of the Seal of the Tulsa City Council shall be substantially as described herein.

*(Ord. No. 21025)*

**Section 203. Authorized use of City and Council seals—Penalty.**

**A. Seal deemed property of City; authorized use.** The Corporate Seal of the City of Tulsa, as described in Section 200, and the Seal of the Tulsa City Council, as described in Section 202, are the property of the City of Tulsa. The Corporate Seal of the City of Tulsa, the Seal of the Tulsa City Council, and/or any other depiction of such substantial similarity so as to create a likelihood a reasonable individual could construe the depiction as either seal shall only be used in furtherance of a governmental purpose by employees of the City of Tulsa, the state of Oklahoma, any political subdivision of the state of Oklahoma, or the federal government.

**B.** Any use of the Corporate Seal of the City of Tulsa, the Seal of the Tulsa City Council, or any other depiction of such substantial similarity so as to create a likelihood a reasonable individual could construe the depiction as either seal, not allowed under this section or otherwise allowed by law, shall be deemed an unauthorized use and a misdemeanor offense.

**C.** It shall be a defense to Subsection 203.B, if the use of the Corporate Seal of the City of Tulsa, or any facsimile or representation of the Corporate Seal of the City of Tulsa is authorized by law or the Mayor or his designee.

**D.** It shall be a defense to Subsection 203.B, if the use of the Seal of the Tulsa City Council or any facsimile or representation of the Seal of the Tulsa City Council is authorized by law, City Council Rules, or by the City Council of the City of Tulsa.

**E. Penalty.** Any person convicted of a violation of any of the provisions of this section shall be guilty of a misdemeanor offense and, upon conviction, thereof shall be punished by imprisonment in the City jail for a period not exceeding thirty (30) days or by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees, and assessments, or by both such fine and imprisonment.

*(Ord. No. 21025)*

**Section 204. City flag.**

**A.** The flag design described herein is hereby accepted as the official flag of the City of Tulsa, Oklahoma.

**B.** The flag design shall be as follows: It shall be in a 2 x 3 aspect ratio. The flag shall contain the following features:

**1.** The top half of the flag shall be a blue field.

**2.** The bottom half of the flag shall be a beige field.

**3.** The flag is divided in half with a gold bar, running horizontally the full length of the flag with its height sized to 3/40$^{th}$ of the flag height.

**4.** Superimposed on the horizontal gold dividing bar, one-third (⅓) the width of the flag from the left, is a gold circle, representing a Native American shield. The circle of the shield shall be sized to 13/20$^{th}$ of the flag height; the width of the circle's outline shall be the same width as the gold dividing bar. Hanging from the shield's circle are three pointed gold bars representing three gold feathers, sized to the same width as the gold dividing bar. These are spaced out equally and align to every other one-seventh of the flag. The outer feathers will hang below the circle the same length as the width of the outline, with the center feather hanging below at twice the length of the width of the outline.

**5.** At the center of the shield emblem shall be a red circle, sized to 3/8$^{th}$ of the flag height.

**6.** Centered inside the red circle shall be a beige six-pointed, Art Deco star, sized to half the height of the circle.

**C.** The colors used in production of the Tulsa flag shall be:

**1.** Upper field: National Flag Blue
PMS: 289 C
Hex: #162B49
CMYK: 96/83/44/43
RGB: 22/43/73

**2.** Gold line, shield: Mustard
PMS: 130 C
Hex: #EBAD21
CMYK: 7/33/100/0
RGB: 235/173/33

**3.** Lower field, star: Bone
PMS: 468 C
Hex: #F8F1E0
CMYK: 2/3/11/0
RGB: 248/241/224

**4.** Circle: Bright Red
PMS: 032 C
Hex: #C6202E
CMYK: 15/100/91/5
RGB: 198/32/46

**D.** Any reproduction of the flag shall be substantially as described above.
*(Ord. Nos. 12916, 21025; Ord. No. 24012, § 1, 10-3-2018)*

## CHAPTER 3. FACSIMILE SIGNATURES AUTHORIZED

Section 300. Use of facsimile signatures authorized.
Section 301. Certificates as to compliance with this chapter authorized.
Section 302. Certificate of compliance to be included in transcript.

### Section 300. Use of facsimile signatures authorized.

Subject to the restrictions hereinafter provided, the Mayor and City Clerk are authorized to use facsimile signatures in signing all tax bills, paving certificates, street improvement bonds, special sidewalk warrants and district sewer bonds, and other documents as authorized by law.

*(Ord. No. 7215)*

### Section 301. Certificates as to compliance with this chapter authorized.

The Mayor and City Clerk are directed to execute certificates under their own signatures certifying that the tax bills, street improvement bonds, paving certificates, special sidewalk warrants and district sewer bonds specified in the transcript of the proceedings were duly executed.

*(Ord. No. 7215)*

### Section 302. Certificate of compliance to be included in transcript.

A duly executed duplicate of such certificates shall be included in each transcript covering the proceedings had by the Council.

*(Ord. No. 7215)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

# TITLE 4 MAYOR, AUDITOR AND COUNCIL

**Chapter 1. Mayor**
**Chapter 2. Auditor**
**Chapter 3. Council**
**Chapter 4. Capital Improvement Plan and Capital Budget**

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. MAYOR

Section 100. Salary of mayor and participation in deferred compensation plan.
Section 101. Absence, temporary disability or vacancy.
Section 102. Appointment of officers.

### Section 100. Salary of Mayor and participation in deferred compensation plan.

**A. Salary.** The Mayor of the City of Tulsa shall be paid, effective with the term of office commencing December 2, 2024, at 2:00 p.m., an annual salary of One Hundred Ninety Thousand Dollars ($190,000.00), payable as employees of the City are paid. Thereafter any adjustment to the Mayor's salary shall be as certified by the City Treasurer to the City Council. Any adjustment, up or down, if any, certified by the Treasurer shall be approved by the Council as adopted by ordinance every four (4) years, to coincide with the start of a new mayoral term. The salary certified by the Treasurer shall be commensurate with the most local consumer price index for all urban consumers (CPI-U) published by the U.S. Department of Labor, Bureau of Labor Statistics, over immediately preceding four-year period. No change in the Mayor's salary shall become effective prior to the commencement of the term of office next succeeding term in which the change is made and then only in the event such change was approved by ordinance prior to the general election for the next succeeding term.

**B. Deferred compensation.** The Mayor shall be eligible to participate in any deferred compensation plan offered to City employees by the City of Tulsa. In lieu of pension plan contributions, the City shall contribute to the Mayor's deferred compensation account a percentage of the Mayor's salary to equal to one-half (½) of the Employer contributions to the Municipal Employees' Retirement Plan, as provided in Title 28 of Tulsa's Revised Ordinances, Section 300.

*(Ord. No. 20190; Ord. No. 25276, § 1, 4-17-2024)*

### Section 101. Absence, temporary disability or vacancy.

The Mayor shall file with the City Clerk, from time to time, a designation of one or more officers or employees of the City, other than members of the Council, who shall in the order specified act as Temporary Mayor and perform the duties and exercise the powers of the Mayor during the absence or temporary disability of the Mayor or in the event of a vacancy in the office of the Mayor. The designation by the Mayor shall be subject to confirmation by a majority vote of the entire membership of the Council. Should the Mayor fail to file such designation, the Council shall designate one or more officers or employees of the City, other than members of the Council, who shall in the order specified act as Temporary Mayor.

*(Amended Charter, Article III, Section 1.3)*

### Section 102. Appointment of officers.

**A.** The Mayor shall appoint, as required under Article III, Section 1.4(G), of the Tulsa City Charter, an individual to a position where the existing officer's term has expired or a vacant position of a board, commission, authority or agency created by the Tulsa City Charter, ordinance, agreement or pursuant to law, within sixty (60) days from the creation of the vacancy or expiration of the existing officer's term.

**B.** The Mayor shall appoint, as required under Article III, Section 1.4(G), of the Tulsa City Charter, an individual to a position where the existing officer's term has expired or a

vacant position of a board, commission, authority or agency created by the Tulsa City Charter, ordinance, agreement or pursuant to law, within sixty (60) days from the failure of a Council motion to confirm the Mayor's previous appointment or the passage of a Council motion to deny confirmation to the Mayor's previous appointment.

**C.** Prior to the expiration of the time period for appointment, and for good cause shown, the Mayor may request the Council for an extension of the time period within which to make an appointment.

*(Ord. No. 20964)*

## CHAPTER 2. AUDITOR

Section 200. Salary of Auditor and participation in deferred compensation plan.
Section 201. Auditing Department.
Section 202. Duties of the Auditor.
Section 203. Responding to City Auditor requests.
Section 204. Officials to assist.
Section 205. Failure to comply.
Section 206. Disclosure statement to accompany.
Section 207. Additional duties.

### Section 200. Salary of Auditor and participation in deferred compensation plan.

**A. Salary.** The Auditor of the City of Tulsa shall receive an annual salary as prescribed in Tulsa Charter Article IV, Section 2, payable as employees of the City are paid.

**B. Deferred compensation.** The Auditor shall be eligible to participate in any deferred compensation plan offered to City employees by the City of Tulsa. In lieu of pension plan contributions, the City shall contribute to the Auditor's deferred compensation account a percentage of the Auditor's salary to equal to one-half (½) of the Employer contributions to the Municipal Employees' Retirement Plan, as provided in Title 28 of Tulsa's Revised Ordinances, Section 300.

*(Ord. No. 25276, § 2, 4-17-2024)*

### Section 201. Auditing Department.

The Auditing Department shall consist of the City Auditor, Deputy City Auditor and such assistants as the Council may provide.

### Section 202. Duties of the Auditor.

The City Auditor shall perform the duties as set forth in Article IV, Section 3, of the Charter of the City of Tulsa.

### Section 203. Responding to City Auditor requests.

It is the policy of the City of Tulsa that every City of Tulsa elected official, officer or employee; member appointed by the City of Tulsa to a board, authority, commission or committee; or Trustee appointed by the City to a public trust with the City of Tulsa as a beneficiary; or member appointed by the City of Tulsa to the Tulsa Development Authority (collectively referred to as "official") shall respond fully and truthfully to lawful inquiries made in the course of an official investigation, audit, or inquiry of the City Auditor, or his office, when such investigation, audit or inquiry is conducted within the scope of his duties.

*(Ord. No. 22156, § 1, 10-15-2009)*

### Section 204. Officials to assist.

It is the policy of the City of Tulsa that every City of Tulsa elected official, officer or employee; member appointed by the City of Tulsa to a board, authority, commission or committee; or Trustee appointed by the City to a public trust with the City of Tulsa as a beneficiary; or member appointed by the City of Tulsa to the Tulsa Development Authority (collectively referred to as "official") shall provide documents or records, or acceptable

copies thereof, pursuant to any lawful request made in the course of an official investigation, audit or inquiry of the City Auditor, or his office, when such investigation, audit or inquiry is conducted within the scope of his duties.

*(Ord. No. 22156, § 2, 10-15-2009)*

### Section 205. Failure to comply.

Any unjustified failure to comply with a lawful request from the City Auditor's Office as provided in this chapter shall constitute a breach of the official City policy herein established, and may constitute sufficient grounds for the discipline of such official, up to and including termination or removal from office.

The City Auditor's Office shall advise the appropriate appointing authority of the failure of any employee to comply with such a request, and shall advise the Mayor of the failure of a member of any board, authority, commission, trust or the Tulsa Development Authority to comply with such a request, and shall provide as much information as necessary for the appointing authority to determine appropriate action. Any action taken shall be consistent with applicable law, where such law prescribes the manner and reasons for removal as a member of a board, authority, commission, trust or Tulsa Development Authority.

*(Ord. No. 22156, § 3, 10-15-2009)*

### Section 206. Disclosure statement to accompany.

Any summary or other record of the response of an official, whether recorded by print, electronic or other means, given as part of an investigation by the City Auditor's Office as provided for herein shall include a statement disclosing that the response was given pursuant to this chapter.

*(Ord. No. 22156, § 4, 10-15-2009)*

### Section 207. Additional duties.

The City Auditor shall examine periodically the City of Tulsa's performance, governance processes, risk management processes and systems of internal controls, and report in writing the results of such examinations to the Mayor and the City Council.

*(Ord. No. 23162, § 1, 8-21-2014)*

## CHAPTER 3. COUNCIL

Section 300. Council meetings.
Section 301. Presiding officer.
Section 302. Rules for the transaction of business.
Section 303. Ordinances—Subject.
Section 304. Ordinances—On agenda for two meetings.
Section 305. Effective date of ordinances; resolutions.
Section 306. Journal of proceedings.
Section 307. Certification of minutes.
Section 308. Charter review.
Section 309. Salary of councilors and participation in deferred compensation plan.
Section 310. Disorderly conduct in Council or Committee, or violation of Council Rules.
Section 311. Contempt of Council.
Section 312. Ordinance and resolution delivery by City Clerk.
Section 313. Donations.

### Section 300. Council meetings.

**A. Regularly scheduled meetings.** The Council of the City of Tulsa shall have no less than two (2) regularly scheduled meetings each month at City Hall and such other regularly scheduled meetings as the Council shall deem necessary.

**B. Special meetings.** The Council, the Mayor or one-third (1/3) of the members of the Council may call special meetings of the Council according to the provisions of the Amended Charter of the City of Tulsa.

**C. Open Meeting Act.** All meetings of the Council, both regularly scheduled and special, shall be in conformance with the Oklahoma Open Meeting Act.

*(Ord. No. 17581)*

### Section 301. Presiding officer.

The Chairman shall preside over the sessions of the Council, preserve order and decorum and officially proclaim the will of the Council in all matters in which any action has been taken.

### Section 302. Rules for the transaction of business.

The Council shall adopt and file with the City Clerk rules for the transaction of its business. In the absence of a rule to the contrary, the Council shall be guided by Robert's Rules of Order.

### Section 303. Ordinances—Subject.

Ordinances and resolutions shall be introduced in the Council in written or printed form. All ordinances or resolutions, except those adopting budgets, making appropriations or adopting a code of ordinances, shall be confined to one (1) subject, which shall be clearly expressed in the title. Ordinances adopting budgets and making appropriations shall be confined to budgets and appropriations.

### Section 304. Ordinances—On agenda for two meetings.

No ordinance shall be adopted until the subject thereof has been on the agenda of the Council for two (2) meetings; provided, this requirement may be waived by a vote of not less than two-thirds (2/3) of the entire membership of the Council.

## Section 305. Effective date of ordinances; resolutions.

Ordinances adopting budgets, making appropriations, pertaining to local improvements and assessments or adopted as an emergency measure shall take effect at the time stated therein. All other ordinances and resolutions shall take effect at the time stated therein, but not less than thirty (30) days from the date of first publication. Ordinances adopted by a vote of the electors shall take effect at the time stated therein or, if no time be stated, thirty (30) days after the election. An ordinance or resolution adopted as an emergency measure to provide for the immediate preservation of the public peace, health, welfare or safety shall describe the emergency in a separate section. The vote of at least two-thirds (2/3) of the entire membership of the Council shall be required to adopt any ordinance or resolution as an emergency measure.

*(Amended Charter, Article III, Section 10)*

## Section 306. Journal of proceedings.

The final action of the Council in each and every matter brought to its attention shall appear in a Journal of Proceedings of the Council. All motions together with seconds, postponements and other action taken which affect the progress, status or the final action taken on any matter presented to the Council for its consideration shall be recorded in the Journal of Proceedings kept by the Secretary of the Council.

## Section 307. Certification of minutes.

It shall be the duty of the Secretary of the Council to certify that the minutes of the previous meeting as they thus appear are true and correct entries on any and all acts taken by the Council at its previous meeting.

## Section 308. Charter review.

Pursuant to Article II, Amended Charter, Section 14, the Council shall provide for the periodic review of the amended Charter of the City of Tulsa and for the submission to the qualified electors of the City such amendments as are necessary to provide for representative, efficient and economical administration of City government as follows:

**A. City Attorney to provide schedule.** On or before October 15 of every odd-numbered year, the City Attorney shall provide to the Council a schedule for soliciting and considering proposed amendments to the amended Charter of the City of Tulsa. The Council may adopt, amend or reject the schedule. Any schedule adopted by the Council shall be filed in the Office of the City Clerk and shall be available for public inspection on or before November 15 of each odd-numbered year.

**B. Council to submit necessary amendments to qualified electors.** The City Council shall submit to the qualified voters of the City proposed Charter amendments necessary to provide for representative, efficient and economical administration of city government. Proposed Charter amendments shall be submitted for approval or rejection by the qualified voters of the City as provided by the Oklahoma Constitution and laws of Oklahoma.

*(Ord. Nos. 17476, 18054, 21900; Ord. No. 21900, § 1, 7-31-2008; Ord. No. 23831, § 1, 12-13-2017)*

## Section 309. Salary of Councilors and participation in deferred compensation plan.

**A. Salary.** Each of the nine (9) City Councilors of the City of Tulsa, shall receive an annual salary as prescribed in Tulsa Charter Article II, Section 2, payable as employees of the City are paid.

**B. Deferred compensation.** City Councilors shall be eligible to participate in any deferred compensation plan offered to City employees by the City of Tulsa. In lieu of pension plan contributions, the City shall contribute to a City Councilor's deferred compensation account a percentage of the City Councilor's salary to equal to one-half (½) of the Employer contributions to the Municipal Employees' Retirement Plan, as provided in Title 28 of Tulsa's Revised Ordinances, Section 300.

*(Ord. No. 20191; Ord. No. 24776, § 1, 2-9-22; Ord. No. 25276, § 3, 4-17-2024)*

## Section 310. Disorderly conduct in Council or Committee, or violation of Council Rules.

**A. Definition.** "Disorderly Conduct in Council or Committee" shall mean and include:

**1.** Disruptive, obstructive or insolent behavior that is unruly, tumultuous, insulting or disrespectful, committed during any meeting of the City Council or any meeting of a duly created committee of the City Council;

**2.** Any breach of the peace, noise or disturbance, so near to the Council or committee as to interrupt proceedings;

**3.** Wilful refusal to be sworn as a witness; or

**4.** Wilful refusal to answer any legal or proper question after being sworn as a witness.

**B. Finding.** A finding of disorderly conduct in Council or Committee, or of a violation of Council Rules, shall be made upon an affirmative vote of the majority of the quorum of the Council, except that a vote of two-thirds (⅔) of the entire membership of the Council shall be required to impose a fine on a Council member.

**C. Disorderly conduct—observation and intent.** The Council may impose a sanction for disorderly conduct in Council or Committee only if the conduct at issue occurred in the immediate view and presence of the Council or Committee, or so near to it as to interrupt its proceedings; and

**1.** It is clear from the identity of the offender and the character of his or her acts that the disorderly conduct is wilfully contemptuous; or

**2.** The conduct warranting sanction is preceded by a clear warning that the conduct is impermissible and that specified sanctions may be imposed for its repetition.

**D. Notice and hearing.** Before imposing any punishment for disorderly conduct or violation of Council Rules, the Council shall give the alleged offender notice of the charges and an opportunity to present evidence or argument relevant to guilt or punishment.

**E. Penalties.** Every person found guilty of disorderly conduct in Council or Committee, or of a violation of Council Rules, shall be punished by a fine of not more than One Hundred Dollars ($100.00) for each offense, which shall be collected in the same

manner provided for the collection of other debts owed to the City, and/or removal from the Council or Committee meeting or from the area so near to it as to allow interruption of its proceedings.

*(Ord. No. 20891)*

### Section 311. Contempt of Council.

**A. Definition.** Contempt of Council shall mean and include:

**1.** Wilful disobedience of any process or order lawfully issued or made by the City Council, or

**2.** Wilful resistance to the execution of a lawful process or order of the City Council, in the course or scope of an investigation or hearing conducted under Article II, Section 17 of the Tulsa City Charter.

**B. Finding and referral.** Upon an affirmative vote of a majority of the quorum of the Council, allegations of contempt of Council shall be referred to the City Attorney for review and, if appropriate, the filing of a charge of contempt of Council in the Municipal Criminal Court of the City of Tulsa.

**C. Penalties.** Every person found in contempt of Council is guilty of a misdemeanor offense and shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments, or by imprisonment in the City jail for a period of not more than six (6) months, or by both such fine and imprisonment.

*(Ord. No. 20890)*

### Section 312. Ordinance and resolution delivery by City Clerk.

The City Clerk shall, unless otherwise directed by the Council or law, deliver an ordinance or resolution adopted by the Council by 5:00 p.m. of the second full business day after the City Clerk receives the adopted ordinance or resolution to the office of the Mayor in a manner sufficient to begin the time frame for the Mayor to either approve or veto the ordinance or resolution as set forth in the City Charter.

*(Ord. No. 21540)*

### Section 313. Donations.

**A.** The City Council is the sole authority of the City of Tulsa authorized to accept upon behalf of the City of Tulsa, any gift, testamentary or otherwise, whether unconditional or conditional, of any property, whether real or personal or both, or service to the City of Tulsa or any of its boards, commissions, or agencies thereof; and, in such instances, the property, or, in the case of real property or intangible personal property, the muniments of title thereto, shall be delivered to, and any necessary receipts therefor shall be executed by the City Council. Any such gifts not expressly accepted by the City Council shall not be deemed accepted through any action or inaction by the City of Tulsa, its officers, employees, authorities, boards, or commissions.

**B.** The City Council may approve such rules and regulations necessary to carry out the purposes and intents of this section, including authorizations of acceptance within defined parameters.

*(Ord. No. 22304, § 1, 8-19-2010)*

## CHAPTER 4. CAPITAL IMPROVEMENT PLAN AND CAPITAL BUDGET

Section 400. Definitions.
Section 401. Preparation and submission of Capital Improvements Plan to Council.
Section 402. Preparation and submission of Capital Budget to Council.
Section 403. Approval of Capital Improvement Plan and Capital Budget.

### Section 400. Definitions.

For the purposes of this chapter, each of the following words and phrases shall have the meanings given herein:

**A. Capital Improvement** shall mean any significant physical acquisition, construction, replacement or improvement to a city service delivery system that has a minimum useful life of five (5) years.

**B. Capital Improvements Plan** shall mean the adopted five-year schedule of specific capital improvement projects and accompanying revenue allocations which shall be updated annually.

**C. Capital budget** shall mean the first year of the capital plan, i.e., the budget for capital projects in the upcoming fiscal year.

*(Ord. No. 18148)*

### Section 401. Preparation and submission of Capital Improvements Plan to Council.

The Mayor shall prepare and submit to the Council annually, on or before the first day of May, a Capital Improvements Plan ("Plan") for the City of Tulsa. In addition to the form and content requirements imposed by the statutes of the state of Oklahoma, the City Charter and the Revised Ordinances of the City of Tulsa, the Plan shall specifically list each capital improvement project for the next five (5) fiscal years by City department. The Plan shall include specifically: the estimated cost of each capital improvement project in dollars rounded to the nearest thousand, the Council District or Council Districts served by each capital improvement project, the priority of each capital improvement project in relationship to the City's overall Capital Improvements Plan, a statement as to whether there has been a change in priority with respect to the listed project since the adoption of the last Capital Improvements Plan, a brief explanation supporting the priority given to each listed project and a brief explanation supporting any designated change in priority given to a particular listed project.

*(Ord. No. 18148)*

### Section 402. Preparation and submission of Capital Budget to Council.

The Mayor shall prepare and submit to the Council annually, on or before the first day of May, a Capital Budget. The Capital Budget shall be submitted to the Council in the form as required by the statutes of the state of Oklahoma, the City Charter and the Revised Ordinances of the City of Tulsa.

*(Ord. No. 18148)*

## Section 403. Approval of Capital Improvement Plan and Capital Budget.

The Capital Improvement Plan and Capital Budget shall be approved in compliance with the procedure established by the statutes of the state of Oklahoma, the City Charter and the Revised Ordinances of the City of Tulsa.

*(Ord. No. 18148)*

Section 108. Notices.
Section 109. Penalties.
Section 110. Nondiscriminatory employment requirements for persons who contract with the City.
Section 111. Discrimination against qualified persons with disabilities prohibited.
Section 112. Municipal offices, personnel and agencies to assist.

### Section 100. Declaration of policy.

**A.** It is the policy of the City of Tulsa that all persons shall have an equal opportunity commensurate with their economic capacity to purchase, rent, lease or occupy housing and that all persons shall have an equal opportunity to avail themselves of public accommodations without regard to race, color, religion, sex, national origin, ancestry, marital status, familial status, sexual orientation, gender identity or disability;

**B.** It is the policy of the City of Tulsa that all persons shall have an equal opportunity for employment and to participate in the social and economic life of the City without regard to race, color, religion, sex, national origin, ancestry, age, disability or medical condition due to pregnancy;

**C.** It is the policy of the City of Tulsa that all programs, services and activities of the City or any of its instrumentalities or agencies shall be accessible to individuals with disabilities as required by law;

**D.** It is the policy of the City of Tulsa to encourage the utilization of small business enterprises by persons who contract with the City;

**E.** It is the policy of the City of Tulsa to not grant preferential treatment to, or discriminate against, any individual or group who contracts with the City on the basis of race, color, sex, ethnicity, or national origin; and

**F.** It is the policy of the City of Tulsa to encourage the employment of residents of the City and the Metropolitan Statistical Area ("MSA") in public improvement contracts.

*(Ord. No. 23280, § 1, 4-16-2015)*

***Editor's note—**Ord. 23160, § 1, adopted August 14, 2014, Chapter 1 in its entirety to read as herein set out. Prior to inclusion of said ordinance, Chapter 1 pertained to similar subject matter and derived from Ord. Nos. 16963, 16986, 17132, 17807, Ord. 22325, §§ 1—3, 10-28-2010, Ord. 22650, § 1, 4-12-2012. See also the Code Comparative Table and Disposition List.

## Section 101. Definitions.

Unless otherwise provided, for the purposes of this chapter, the following words and phrases shall have the meanings given herein:

**A.** **City** shall mean the City of Tulsa, Oklahoma, a municipal corporation.

**B.** **Commission** shall mean the Human Rights Commission of the City of Tulsa.

**C.** **Compliance Official** shall mean the Mayor of the City of Tulsa or the person or persons designated by the Mayor to enforce the provisions of this chapter.

**D.** **Council** shall mean the legislative body of the City of Tulsa.

**E.** **Disability** shall refer to an individual who has a physical or mental impairment which substantially limits one (1) or more of his major life activities, who has a record of having such an impairment or who is regarded as having such an impairment. Disability shall not mean or include the current illegal use of a controlled substance as defined in Section 102 of the United States Controlled Substance Act, 21 U.S.C. § 812, transvestism, transsexualism, pedophilia, exhibitionism, voyeurism, gender identity disorders not resulting from physical impairment, other sexual behavior disorders, compulsive gambling, kleptomania, pyromania and psychoactive substance use disorders resulting from the illegal use of drugs.

**F.** **Discriminate** or **discrimination** shall mean segregation or difference in treatment.

**G.** **Mayor** shall mean the Mayor of the City of Tulsa or his designated representative.

**H.** **Person** shall mean any individual, firm, company, association, partnership or group, their agents, servants or employees. As applied to partnerships or other associations, person shall include their members, officers and directors. As applied to corporations, person shall include their officers and directors. The term person shall also include a fiduciary, whether or not appointed by the court, and shall include owner.

## Section 102. Human Rights Commission.

**A.** **Membership.** The Human Rights Commission of the City of Tulsa shall consist of no more than fifteen (15) nor fewer than twelve (12) members appointed by the Mayor, subject to confirmation by a majority vote of the entire membership of the Council. All members shall, as a condition of their appointment and continued service, be qualified electors and maintain their principal residence within the city limits of the City of Tulsa. The membership shall be constituted as follows: one (1) member who is serving on the African-American Affairs Commission; one (1) member who is serving on the Hispanic Affairs Commission; one (1) member who is serving on the Indian Affairs Commission; one (1) member who is serving on the Tulsa Women's Commission; one (1) member who is an advocate for the rights of individuals with disabilities or the provision of services to them, but it is not necessary that this member have a disability as defined in Subsection 101.E. herein; one (1) member who is an advocate for the rights of the lesbian, gay, bisexual, transgender, and queer communities; one (1) member who is an advocate for issues uniquely impacting Tulsa's community of veterans; and the remaining members at large. All members shall serve without compensation.

**B.** **Vacancies.** In the event of the death, resignation, or disqualification of a member, or if a member ceases to be a member of a represented commission or council listed in Subparagraph A. of this section, or if a member is otherwise unable to serve, the

position becomes immediately vacant, and the Mayor shall appoint, subject to confirmation by the Council, a qualifying individual to fill the unexpired membership term provided in Subparagraph C. of this section.

**C. Terms.** The terms of all four (4) members representing a commission or council listed in Subparagraph A. of this section shall be calculated as beginning on and from July 1, 2019, regardless of their date of appointment and confirmation, and such members shall serve one-year terms. The remaining members, each of whom are currently serving terms on the Human Rights Commission, shall continue serving the remainder of their appointed terms. Thereafter, the terms of such members shall be three (3) years commencing from July 1 of the year the prior term expired. All appointees, except those who create a vacancy pursuant to Paragraph B. of this section, shall hold their offices until their successors have been appointed and confirmed.

**D. Meetings, quorum, voting.** All meetings of the Commission shall be open to the public as provided by the laws of Oklahoma. Not less than one-half of the duly appointed members of the Commission shall constitute a quorum. All decisions of the Commission shall require a majority vote of those present and shall be made only at meetings at which at least a quorum of its members is in attendance.

**E. Powers, duties, responsibilities.** The Commission shall:

**1.** Promulgate rules and regulations governing the conduct of its meetings;

**2.** Conduct such activities or hearings necessary to implement the provisions of this chapter;

**3.** Plan annually to set priorities and objectives for accomplishing the policies stated herein;

**4.** Develop an annual budget;

**5.** Plan and conduct meetings, surveys, educational and other programs concerning human and civil rights;

**6.** Utilize the resources of individuals and groups within the community to improve intergroup relations;

**7.** Identify and enlist community resources to secure and extend democratic rights, opportunities and practices and to encourage community support for human and civil rights programs;

**8.** Issue such publications and reports which will tend to promote good will and reduce discrimination;

**9.** Cooperate with local, state and federal agencies to effect equal opportunity in the social and economic life of the community; and

**10.** Report to the Mayor and Council annually on the disposition of all complaints referred to the Commission and on other matters appropriate to be brought before the Council, including recommendations necessary or desirable to carry out the purposes of this chapter.

*(Ord. No. 24196, § 1, 7-31-2019; Ord. No. 25114, § 4, 8-23-2023)*

## Section 103. Mayor to provide staff to assist the Commission and to implement the provisions of this chapter.

**A.** The Mayor shall designate such City employees as may be necessary to assist the Commission and to accomplish the duties set forth in this chapter or hereafter assigned. The persons so designated shall:

**1.** Conduct compliance reviews to determine whether or not persons who contract with the City are complying with the terms of Section 110 herein;

**2.** Conduct such other compliance reviews as are required for the acceptance of grants from the state or federal governments; and

**3.** Receive or initiate and investigate complaints of discrimination and other acts and practices prohibited by this chapter, enter into conciliation agreements when appropriate, and refer complaints to the Manager of the Criminal Division of the Legal Department when appropriate.

**B.** The compliance official shall have the right, power and authority subject to the approval of the Commission, the Mayor and the Council, to promulgate rules and regulations necessary for the implementation and administration of this chapter. A copy of such rules and regulations, if promulgated and approved, shall be on file in the Office of the City Clerk.

**C.** In conducting investigations pursuant to the provisions of this chapter, the compliance official shall have access at all reasonable times to premises, records, documents and other possible sources of evidence. The compliance official may examine and copy records and may take testimony or statements from such persons as may be reasonably necessary in conducting such investigations.

**D.** The Mayor may direct, from time to time, such other activities as may be necessary to implement the provisions of this chapter.

## Section 104. Discrimination in housing prohibited.

**A. Definitions.** For the purposes of this section, the following words and phrases shall have the meanings given herein:

**1. Familial status** shall refer to one (1) or more individuals who have not attained the age of eighteen (18) years who are domiciled with (a) a parent or other person having legal custody of such individual or individuals, or (b) the designee of a parent or other person having legal custody with the written permission of such parent or person having legal custody.

**2. Gender identity** shall mean a person's identity, expression, or physical characteristics, whether or not traditionally associated with one's biological sex or one's sex at birth, including transsexual, transvestite, and transgendered, and including a person's attitudes, preferences, beliefs, and practices pertaining thereto.

**3. Housing unit** shall mean any single-family or multi-family dwelling located in the City of Tulsa, including a mobile home trailer, which is designed to be used and is used or occupied as the home, homesite, residence or sleeping place of one (1) or more human beings.

4. **Lending institution** shall mean any bank, mortgage company, insurance company, savings and loan association, credit union or any other person or organization regularly engaged in the business of lending money or guaranteeing loans.
5. **Owner** shall mean owner, lessee, sublessee, assignee, agent or any other person having the right of ownership or possession or the right to sell, rent or lease any real property.
6. **Real property** shall mean any parcel or parcels of land, whether or not contiguous, owned or otherwise subject to the control of one (1) or more persons, containing or available for the building of one (1) or more housing units.
7. **Sexual orientation** shall mean the actual or perceived state of heterosexuality, homosexuality or bisexuality.

**B. Prohibited acts.** The following acts shall be unlawful and an offense:

1. For any person to discriminate in publishing, circulating, displaying, issuing or posting any written or printed communication or advertisement, lease or sublease, assignment, transfer or listing of real property which indicates any preference, limitation, specification or discrimination based on race, color, religion, disability, national origin, ancestry, sex, marital status, familial status, sexual orientation, or gender identity;
2. For any person to induce or solicit or attempt to induce or solicit any real property listings, sale or transaction by representing that the presence or anticipated presence of persons of any race, color, religion, disability, national origin, ancestry, sex, marital status, familial status, sexual orientation, or gender identity in the block, neighborhood or area in which the property is located will or may have results such as the following:
   a. Lowering property values,
   b. A change in the racial, religious or ethnic composition of the block, neighborhood or area,
   c. Increase in criminal or anti-social behavior in the area, or
   d. Decline in the quality of schools in the area;
3. For any person to fail or refuse to sell, rent, lease, sublease, assign or offer for inspection any real property because a person associates with persons of a particular race, color, religion, disability, national origin, ancestry, sex, marital status, familial status, sexual orientation or gender identity;
4. For any lending institution to discriminate against any person because of race, color, religion, disability, national origin, ancestry, sex, marital status, sexual orientation or gender identity in lending, appraising, guaranteeing loans, accepting mortgages or otherwise making available funds for the purchase, acquisition, construction, rehabilitation, repair or maintenance of any real property; or
5. For any lending institution to fail or refuse to lend, guarantee loans, accept mortgages or otherwise make available funds for the purchase, acquisition, construction, rehabilitation, repair or maintenance of any real or personal property in an area because the area is composed of members of a particular race, color, religion, disability, national origin, ancestry, sex, marital status, sexual orientation or gender identity or to give less favorable loan terms for the purchase, acquisition,

construction, rehabilitation, repair or maintenance of real or personal property in an area if such practices have a discriminatory effect against a particular class, the members of which consist of persons of a particular race, color, religion, disability, national origin, ancestry, sex, marital status, sexual orientation or gender identity.

**C. Exempt practices and acts.** Nothing in this section shall:

**1.** Apply to the rental of rooms or units in any owner-occupied house or dwelling used exclusively as a rooming house; or

**2.** Bar any religious institution or organization, or any charitable or educational organization which is operated, supervised or controlled by a religious organization from limiting admission to or giving preference in housing accommodations to persons of the same religion.

*(Ord. No. 23280, § 1, 4-16-2015)*

## Section 105. Discrimination in public accommodations prohibited.

**A. Place of public accommodation defined.** For the purposes of this section, place of public accommodation shall mean any place, either licensed or unlicensed, which is open to or accepts or solicits the patronage of the general public, which supplies goods or services to the general public, and shall include but not be limited to the following types of services or facilities: hotels, inns or other establishments which provide lodging to transient guests; restaurants, cafeterias, lunchrooms, lunch counters, soda fountains or other facilities principally engaged in selling or offering for sale food for consumption on the premises; child care facilities; motion picture houses, theaters, concert halls, sports arenas, stadiums or other places of exhibition or entertainment; bowling alleys and amusement parks; retail establishments; lending institutions; learning institutions; transportation carriers, mobile home parks; barber shops; beauty shops, bars, clubs, taverns or other facilities engaged in selling or offering for sale alcoholic beverages for consumption upon the premises; and public burial facilities when such facilities are owned or operated by any cemetery corporation or burial association; except that a private club is not a place of public accommodation if its policies are determined by its members and its facilities or services are available only to its members and their bona fide guests.

**B. Prohibited acts.**

**1.** It shall be unlawful and an offense for any owner, manager, proprietor, concessionaire, custodian, lessee, agent, employee or association of a place of public accommodation, because of a person's race, color, religion, ancestry, national origin, sex, age or disability:

**a.** To deny or refuse any privilege, facility, goods, services, merchandise, commodity or accommodation; or

**b.** To segregate or require the placing of any person in any separate section or area of the premises or facility of a place of public accommodation.

**2.** It shall be unlawful and an offense for any person to print, circulate, post, maintain or display or cause to be printed, circulated, posted, maintained or displayed any advertisement, notice or sign to the effect that any of the accommodations,

facilities, privileges, goods, services or merchandise of a place of public accommodation will be withheld from or refused or denied to any person based on race, color, religion, national origin, ancestry, disability, sex or age.

**C. Exemptions.** Nothing in this section shall be construed to:

**1.** Grant any person a right to enter upon the premises of a place of public accommodation for any purpose other than the express and obvious purpose or purposes for which the place of public accommodation typically provides to the general public;

**2.** Grant any person a right to enter upon the premises of a place of public accommodations except during its normal hours of operation;

**3.** Grant a right to enter upon the premises of a place of public accommodation to any person who is intoxicated, disorderly, vagrant, loitering, begging. disturbing the peace, soliciting, selling, advertising, vending goods or presenting himself in any manner, state, dress, demeanor or condition for which the general public, regardless of race, color, religion, disability, national origin, ancestry, sex or age, would be excluded; or

**4.** Grant a right to enter upon the premises of a place of public accommodation to any person who is excluded by law because such person is under the legal age.

**5.** Prevent any place of public accommodation from maintaining separate restrooms or dressing rooms for men and women.

### Section 106. Other prohibited acts.

It shall be unlawful and an offense for any person:

**A.** To retaliate or discriminate in any manner against a person because he has opposed a practice declared an offense by this chapter or because he has filed a complaint, made a charge, testified, assisted or participated in any investigation, proceeding or hearing authorized by this chapter;

**B.** To aid, abet, incite, compel or coerce or attempt to aid, abet, incite, compel or coerce a person to engage in any of the acts or practices declared an offense by this chapter;

**C.** To obstruct or prevent or attempt to obstruct or prevent a person from complying with the provisions of this chapter or any conciliation agreement issued under the provisions of this chapter;

**D.** To resist, prevent, impede or interfere with the Commission or any of its members, the compliance official or any City employee in the lawful performance of his or her duties under this chapter;

**E.** As a party to any conciliation agreement made pursuant to the provisions of this chapter, to violate the terms of such agreement; or

**F.** To conspire with any other person or persons to perform any of the acts declared unlawful by this section.

### Section 107. Enforcement procedures.

**A. Complaint.** Any person claiming to be aggrieved by any act declared unlawful and an offense by Sections l04, l05 and l06 (hereinafter "complainant") or the compliance official may file a verified complaint, setting forth the particulars of the alleged offense

and such other information as may be required by the compliance official. Such complaints must be filed with the City Clerk and the compliance official within one hundred eighty (180) days after the alleged offense has been committed.

**B. Notice and answer.** The person against whom a complaint has been filed (hereinafter "respondent") shall be notified and served with a copy of the complaint. Such notice shall advise that the respondent may file a verified answer to the complaint with the compliance official within ten (10) days of receiving such notification.

**C. Investigation and resolution.** Within sixty (60) days after the filing of any complaint, the compliance official shall make an investigation of the complaint.

**1.** If, after investigation, the compliance official determines that an offense has not been committed, the compliance official shall issue an order setting forth the findings of the investigation and dismissing the complaint. The order shall be sent to the complainant and respondent.

**2. Probable cause, notice, conciliation.** If, after investigation, the compliance official determines that there is probable cause to believe that an offense has occurred, the compliance official shall notify both the complainant and respondent, and shall attempt to negotiate a conciliation agreement between the parties.

**3. Conciliation agreement.** The terms of any conciliation agreement shall require the respondent to refrain from committing the unlawful discriminatory act in the future and may include damages to the complainant and such other provisions as may be agreed upon by the complainant, the respondent and compliance official. A conciliation agreement must be in writing, signed by the complainant, respondent and compliance official.

**4. Referral of complaints to state or federal agencies or to Manager of Criminal Division of the Legal Department.** If the compliance official determines that a conciliation agreement cannot be reached, he may refer the findings of the investigation to appropriate state or federal agencies or he may transmit his findings to the Manager of the Criminal Division of the Legal Department.

## Section 108. Notices.

Unless otherwise specifically provided herein, all notices required by the provisions of this chapter shall be served by mailing each notice to the addressee's last known address, by United States mail, certified, return receipt requested.

## Section 109. Penalties.

Unless otherwise provided herein, any person violating any of the provisions of Sections 104, 105 and 106 herein shall be guilty of an offense and, upon conviction thereof, shall be punished by a fine of not more than Five Hundred Dollars ($500.00) excluding costs, and each day such a violation occurs shall be deemed a separate offense.

## Section 110. Nondiscriminatory employment requirements for persons who contract with the City.

**A. Definitions.** For the purposes of this section, the following words and phrases shall have the meanings given herein:

**1. Age** shall mean the age of individuals who are over forty (40) years of age.

2. **Contractor** shall mean any person, including a depository, who bids or supplies labor, materials, goods or services, including professional services, to the City of Tulsa or any subcontractor of a contractor.

3. **Disability** shall mean an individual who has a physical or mental impairment which substantially limits one (1) or more of his major life activities, who has a record of such an impairment, or who is regarded as having such an impairment. Disability shall not mean or include the current illegal use of a controlled substance as defined in Section 102 of the United States Controlled Substance Act, 21 U.S.C. § 812, transvestism, transsexualism, pedophilia, exhibitionism, voyeurism, gender identity disorders not resulting from physical impairment, other sexual behavior disorders, compulsive gambling, kleptomania, pyromania and psychoactive substance use disorders resulting from the illegal use of drugs.

4. **Person** shall mean an individual, partnership, association, corporation, legal representative or a combination thereof and any labor organization furnishing or referring employee applicants to any employer or contractor doing business with the City of Tulsa.

5. **Subcontractor** shall mean any person who undertakes, by a separate agreement with a contractor, to fulfill all or a part of the latter's contractual obligation with the City of Tulsa.

6. **Unlawful employment practice** shall mean, because of race, religion, color, national origin, ancestry, sex, age, disability or medical condition due to pregnancy:

   **a.** To fail or refuse to hire, discharge or otherwise to discriminate against any individual with respect to compensation, terms conditions or privileges of employment;

   **b.** To fail or refuse to admit or employ any individual in an organization, apprenticeship, joint labor management or other training or retraining program;

   **c.** To limit, segregate or classify employees or applicants for employment in a way which deprives the individual of employment opportunities; or

   **d.** To retaliate or discriminate against an individual because the individual has made a charge, testified, assisted or participated in an investigation, proceeding or hearing pursuant to this section; provided, however, it shall not be an unlawful employment practice to do any of the foregoing if the act is based upon a bona fide occupational qualification, reasonably necessary to the normal operation of the particular business or enterprise, or, in the event of disability, if a reasonable accommodation cannot be accomplished without undue hardship. "Reasonable accommodation" and "undue hardship" shall have the meanings given in Title 5, Section 111, Tulsa Revised Ordinances.

**B. Requirements of City contractor.**

1. No contractor shall engage in any unlawful employment practices.

2. No bid proposals shall be considered, no purchase order issued, no contract awarded nor payment made by the City of Tulsa unless the contractor agrees:

   **a.** That he shall not engage in any unlawful employment practice;

**b.** That he shall post notices of nondiscrimination in conspicuous places open to employees and applicants, such notices to be obtained from the compliance official;

**c.** That he shall state, in solicitations or advertisements for employees, that applicants will receive consideration for employment without regard to race, color, religion, national origin, ancestry, sex, age or disability;

**d.** That he shall obtain from any labor union or organization furnishing labor or services to the contractor a written statement that the union or organization will not engage in an unlawful employment practice;

**e.** That he shall cooperate with the City of Tulsa and the compliance official in any investigation, compliance review or conciliation effort made to insure that no unlawful employment practice occurs;

**f.** That he shall require any subcontractor to comply with this section;

**g.** That he shall refrain from knowingly contracting with any person declared by the City of Tulsa to be ineligible to do business with it;

**h.** That he shall indemnify the City for any liability incurred by the City as a result of the contractor's discriminatory acts;

**i.** That in the performance of any contract with the City of Tulsa, he shall be in compliance with the Americans with Disabilities Act, 42 U.S.C. § 12101, et seq.; and

**j.** That he shall comply with the terms of any conciliation agreement made with the compliance official of the City of Tulsa.

**k.** That he shall comply with any additional requirements imposed on a particular contract or project as the result of State or federal funding.

**3.** A contractor shall furnish, within ten (10) working days, information required by the compliance official to determine compliance with this section, and shall permit reasonable access by the compliance official to contractor's facilities, employees and to books, papers, records, reports or accounts in the possession or under control of the contractor which are necessary to determine compliance.

**C. Jurisdiction and powers of the Compliance Official and Human Rights Commission.**

**1.** The compliance official shall receive, review, investigate and, whenever possible, conciliate complaints of any unlawful employment practice or any other violation of this section.

**2.** The compliance official shall have the power to initiate and conduct investigations and compliance reviews of contractors and potential contractors. The compliance official and Commission shall have the power to take such action with respect thereto as will, in their judgment, ensure compliance with the provisions of this section and with its rules and regulations.

**D. Complaint and conciliation procedure.**

**1.** Any person claiming to be aggrieved by an unlawful employment practice or other violation of this section (hereinafter "complainant") shall, within one hundred eighty (180) days of the alleged act of discrimination, file with the compliance official a verified complaint setting forth the particulars of the alleged act of

discrimination or other violation of this section and containing such other information as may be required by the compliance official. The compliance official may also initiate a complaint alleging a violation of this section.

**2.** Within sixty (60) days after the filing of such complaint, the compliance official shall initiate or cause to be initiated an investigation of the complaint.

**3.** If, after investigation the compliance official determines that an offense has not been committed, the compliance official shall issue an order setting forth the findings of the investigation, dismissing the complaint and so notifying the complainant and the respondent.

**4.** If, after investigation, the compliance official determines that there is probable cause to believe that there has been a violation of this section, the compliance official shall immediately endeavor to eliminate or correct the practice or the violation by conciliation.

**E. Public hearings.**

**1.** In the event a conciliation attempt fails to correct or eliminate the complained of practice or violation, or if a conciliation agreement is violated, the Commission shall, upon reasonable notice to the parties, hold a public hearing. A hearing panel, comprised of no fewer than three (3) members of the Commission, may be appointed to conduct the hearing.

**2.** If a hearing panel is appointed and, after hearing, determines that there has been a violation of this section, it shall make written findings of fact and conclusions of law and shall forward them, together with its recommendations, to the parties involved and to the Commission.

**3.** If the Commission determines that there has been a violation of this section, it shall make written findings of fact and conclusions of law and forward them, together with its recommendations, to the parties and to the Mayor.

**F. Cancellation, termination, suspension, ineligibility and appeal.**

**1.** Upon receiving recommendations from the Commission, the Mayor may cancel, terminate or suspend all or a part of a contract and/or may declare the contractor ineligible for further business with the City of Tulsa for a period not to exceed one (1) year.

**2.** After the expiration of the period of ineligibility, a contractor may be reinstated upon written application to the Commission and completion of a compliance review. The Commission may recommend approval or denial of reinstatement to the Mayor who may adopt or reject the Commission's recommendation.

**G. Appeal.** Within ten (10) days following the Mayor's action, any party adversely affected by the Mayor's action may appeal to the City Council by filing a notice of appeal in the office of the City Clerk and providing notice to the other party and the compliance official. The appeal shall be heard by the City Council at its next available meeting after the filing of the notice of appeal.

**H. Council action.** The Council may uphold, reverse or modify the action of the Mayor.

## Section 111. Discrimination against qualified persons with disabilities prohibited.

**A. Policy.** It is the policy of the City of Tulsa to be in full compliance with the Americans with Disabilities Act (ADA), 42 U.S.C. § 12101, et seq.

**B. Definitions.** For the purposes of this section, the following words and phrases shall have the meanings given herein.

**1. Qualified individual with a disability** shall mean:

**a.** With respect to hiring practices: anyone who, with or without reasonable accommodation, can perform the essential functions of the job for which a person is applying; and

**b.** With respect to participation in or receiving benefits of the services, programs or activities of the City of Tulsa: an individual with a disability who, with or without reasonable modifications to rules, policies or practices, the removal of architectural, communication or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a City.

**2. Disability** shall mean a physical or mental impairment that substantially limits one (1) or more of the major life activities of such individual, a record of such an impairment or being regarded as having such an impairment.

**3. Major use activity** shall include but not be limited to functions, such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

**4. Facility** shall mean all or any portion of buildings, structures, sites, complexes, equipment, rolling stock or other conveyances, roads, walks, passageways, parking lots or other real or personal property, including the site where the building, property, structure or equipment is located.

**5. Discriminate, discrimination** or **discriminatory act or practice** shall mean and include:

**a.** Limiting, classifying or segregating an applicant in a manner which adversely impacts his opportunities because of a disability;

**b.** Entering into a contract which subjects a qualified individual with a disability to prohibited discrimination, including but not limited to labor contracts, benefits contracts and training and apprenticeship programs;

**c.** Utilizing standards, criteria or methods of administration which have the effect of discriminating or perpetuate the discrimination of co-workers on the basis of a disability;

**d.** Denying equal job and benefit opportunities to a qualified individual who is a friend or associate of a person with a disability;

**e.** Not making a reasonable accommodation, unless it creates an undue hardship;

**f.** Using any job description or employment test or qualification standard to screen out a qualified individual with a disability; or

**g.** Failure to select and administer employment tests which reflect skills and abilities rather than reflecting a qualified individual's disability.

**6. Reasonable accommodation** shall include:

**a.** Making existing facilities accessible to and usable by individuals with disabilities; and

**b.** Restructuring of jobs, modifying work schedules, reassignment, acquisition or modification of equipment, modification or training and examinations, provisions of qualified readers and interpreters or similar accommodations.

**7. Undue hardship** shall mean a significant difficulty or expense in light of the following factors:

**a.** The nature and cost of accommodation;

**b.** The financial resources of City; and

**c.** The type of operation or operations of the City.

**8. Physical or mental impairment** shall mean:

**a.** Any physiological disorder or condition, cosmetic disfigurement or anatomical loss affecting one (1) or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or

**b.** Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness and specific learning disabilities. The term physical or mental impairment includes but is not limited to such diseases and conditions as orthopedic, visual, speech and hearing impairment, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness and drug addiction and alcoholism.

**9. Qualified mediator** shall mean a recognized trained mediator independent of control by any officer or employee of the City of Tulsa.

**10. Employee** shall mean and include any individual employed by the City, whether full-time, part-time, temporary or pursuant to contract.

**11. Applicant for employment with the City of Tulsa** shall mean anyone seeking information about applying for employment or actually applying for employment with the City.

**12. Americus with Disabilities Act (ADA)** shall mean the provisions of 42 U.S.C. § 12101, et seq., or as it may be amended.

**13. ADA Compliance Official** shall mean the Mayor of the City of Tulsa or the person or persons designated by the Mayor to enforce the provisions of the ADA or the provisions of this section.

**14. Respondent** shall be the director of the department or departments within the City of Tulsa against whom a complaint has been filed under the provisions of this section or his designated representative.

**C. Scope.** The provisions of this section shall apply to any qualified individual with a disability who is an applicant for employment with the City of Tulsa or who, with or without reasonable modifications to rules, policies or practices, the removal of architectural, communication or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a City.

**D. Discriminatory act or practice prohibited.**

1. **In hiring practices.** No officer or employee of the City of Tulsa shall discriminate against a qualified individual with a disability because of such disability in job application or hiring procedures.
2. **In City services, programs, activities.** No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Tulsa or be subjected to discrimination by the City or any of its boards, authorities, agencies or instrumentalities, officers or employees.

**E. Grievance procedure.**

1. **Complaint.** Any person claiming to be aggrieved by a discriminatory act or practice prohibited or the provisions of this section (hereinafter "complainant") may within ten (10) days following the discriminatory act or practice file with the ADA compliance official a written complaint setting forth with particularity the complainant's disability, the alleged discriminatory act or practice, and such other information as the ADA compliance official may reasonably require.
2. **Answer.** Within five (5) days of receipt of any complaint alleging discrimination prohibited by this section, the ADA compliance official shall notify the respondent and shall attach a copy of the complaint with the notice. Within five (5) days after the receipt of the notice and complaint, the respondent shall file a written answer with the ADA compliance official.
3. **ADA compliance official's recommendation.** Within seven (7) days after the receipt of the respondent's answer, the ADA compliance official shall issue a written recommendation to both the complainant and respondent. If, within five (5) days after the receipt of the ADA compliance official's recommendation, neither party requests mediation, the ADA compliance official's recommendation shall be deemed to be agreed upon by all parties and the matter settled. If the ADA compliance official's recommendation requires action by the respondent, such recommendation shall be implemented with due diligence and the respondent shall notify the ADA compliance official when the implementation is complete.
4. **Mediation.** If, within five (5) days of the receipt of the ADA compliance official's recommendation, either party feels aggrieved by the recommendation, that party may, by written notice to the ADA compliance official, request that the matter be referred to a qualified mediator. Within five (5) days of receipt of the request for mediation, the ADA compliance official shall request a conference with a qualified mediator. Notice of the date, time and place of the mediation conference shall be provided to the complainant, respondent and ADA compliance official. If the parties to the mediation reach an agreement which requires action by the respondent, such recommendation shall be implemented with all diligence and the respondent shall notify the ADA compliance official when the implementation is complete.
5. **ADA compliance official's post mediation recommendation.** If the parties to the mediation are unable to reach agreement, the ADA compliance official may either affirm, modify or revise his recommendation and shall notify both parties in writing of his recommendation. If neither party appeals the ADA compliance

official's post-mediation recommendation, the recommendation shall be deemed to have been agreed upon by all parties and the matter settled. If the ADA compliance official's recommendation requires action by the respondent, such recommendation shall be implemented with all diligence and the respondent shall notify the ADA compliance official when the implementation is complete.

6. **Appeal to the Council.** If either party feels aggrieved by the ADA compliance official's post-mediation recommendation, that party may, within five (5) days of receipt of such recommendation, appeal to the Council by filing a notice of appeal in the office of the City Clerk and providing written notice to the other party and to the ADA compliance official. The Council shall, within ten (10) days of the receipt of the notice of appeal, set the matter for hearing. The Council's decision shall be final.
7. **Notices.** All notices under this section shall be by U.S. mail, certified, return receipt requested.

## Section 112. Municipal offices, personnel and agencies to assist.

The facilities, personnel, elected officials and agencies of the municipal government are directed to be available and to cooperate with the Department of Human Rights and Human Rights Commission to accomplish the objectives and purposes herein set forth.

*__Editor's note—__Ord. No. 22649, § 1, adopted February 2, 2012 and Ord. No. 22650, § 2, adopted April 12, 2012, repealed Ch. 2, §§ 200—202, which pertained to Commission on Concerns of the Disabled. Ord. No. 22650, § 2, adopted April 12, 2012, also repealed Ch. 2, §§ 200—202. See also the Code Comparative Table and Disposition List.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 3. ARTS COMMISSION OF THE CITY OF TULSA

Section 300. Arts Commission created.
Section 301. Membership.
Section 302. Duties.
Section 303. Cooperation with others.
Section 304. Time for review.
Section 305. Expenditures.
Section 306. Offices, meetings.
Section 307. Municipal personnel and agencies to assist.
Section 308. Budget policy.

### Section 300. Arts Commission created.

The Arts Commission of the City of Tulsa is created for the purposes of:

**A.** Providing for the government of the City of Tulsa and for its citizens a continuing source of respected and talented opinion and advice concerning public matters having aesthetic implications in order to ensure that the City of Tulsa will grow more beautiful as it expands;

**B.** Emphasizing positive measures for the pursuit of beauty and thus avoiding undue reliance upon prohibitions and restrictions;

**C.** Stimulating superior aesthetic quality in all phases of the physical development of the community; and

**D.** Assuming such other duties as the Mayor and Council may from time to time assign.

*(Ord. No. 16527)*

### Section 301. Membership.

The Commission shall be composed of thirteen (13) members appointed by the Mayor, subject to the approval of the Council. Four (4) members shall be a broad representation of professionals, artists, or adjacent professionals with experience in a variety of fields including, but not limited to, technical or digital art, curation, sculpture, finance, or law. These members may also include individuals with demonstrated affinity for the arts, and/or with experience in any of the fields listed for the remaining members in this section. The remaining members shall include at least one (1) musician, one (1) performing artist, two (2) architects, one (1) landscape architect, two (2) visual artists, one (1) arts educator or arts administrator, and one (1) representative of an arts and cultural organization serving and situated within the City of Tulsa. The Chairperson of the Tulsa Metropolitan Area Planning Commission, the City-County Library Board, and the Tulsa Park and Recreation Board or their designees shall be advisory members of the Commission. In instances where matters within the purview of the Commission fall within the jurisdiction of any governmental entity or agency not a part of the government of the City of Tulsa, such as an Independent School District, the chief administrative officer of the affected entity or agency shall be added to the membership of the Commission during consideration of the individual project in which his agency is concerned. Such temporary membership shall not entitle the member to vote. Members shall be appointed for three (3) year terms; provided, however, that all members shall hold office until their successors are appointed and qualified.

Members of the Commission shall serve without compensation and no member shall receive any compensation from the City or from any trust, donation or legacy for any service relating to membership on the Commission.

*(Ord. No. 24299, § 1, 2-5-2020; Ord. No. 25385, § 1, 8-21-2024)*

**Section 302. Duties.**

**A.** No work of art shall be contracted for, commissioned, placed or erected on property of the City, or become the property of the City by purchase, gift or otherwise, except for any museum or gallery, unless such work of art, or a design or model of the same as required by the Arts Commission, together with proposed location of such work of art, shall first have been submitted to the Arts Commission, and the written recommendations and comments of the Arts Commission shall have been received and considered by the Mayor. The term "work of art" as used in this instance shall include paintings, mural decorations, stained glass, statues, bas-reliefs or other sculptures, monuments, fountains, arches or other structures of a permanent or temporary character intended for ornament or commemoration. No existing work of art in the possession of the City shall be removed, relocated or altered in any way without the approval of the Arts Commission, except as otherwise provided herein.

Nothing herein contained shall be construed to limit or abridge the legal powers and duties of the governing body of the Gilcrease Institute of American History and Art.

**B.** The aesthetic design of any new buildings or revisions or renovations to existing buildings or any new or renovated elements of the City's infrastructures or amenities to be erected upon lands belonging to the City of Tulsa and costing in excess of Five Hundred Thousand Dollars ($500,000.00) shall be reviewed by the Arts Commission within sixty (60) days of submittal, and the written recommendations of the Commission shall be received and considered by the board or agency responsible for such design.

**C.** All monuments, sculpture and paintings belonging to the City may periodically be examined by the Arts Commission, and detailed recommendations for their cleaning, maintenance and repair shall be made to the Mayor; provided, however, this provision shall not apply to the Gilcrease Institute of American History and Art.

**D.** No permanent commercial enterprise shall be placed or erected in any building owned by the City or on property of the City unless such commercial enterprise, or a design or model of the same as required by the Arts Commission, together with a proposed location of such commercial enterprise, has been submitted to the Arts Commission, and the written recommendations and comments of the Arts Commission shall have been received and considered by the Mayor. In the event a policy for the location and design of commercial enterprises for a specific building or property has been reviewed by the Arts Commission and approved by the Mayor, review and approval by the Arts Commission and Mayor of individual commercial enterprises shall not be required. The term "commercial enterprise" as used in this instance shall include concessions, refreshment and gift stands, book stands, advertising promotions, displays and exhibits of any kind.

**E.** The Arts Commission shall review, at least once a year, allocations made pursuant to this chapter and shall make recommendations on whether or not to expend appropriations and for which projects.

**F.** The Commission shall design a Program for the budgeted Tulsa Arts Commission funding identified in Ordinance No. 23425, hereinafter "Vision Arts funds". Program is defined as the application, application process, selection and weighted score criteria, and award distribution structure. The Program must include eligibility requirements, a competitive application process, and establish selection criteria that ensures a broad distribution of funds to various sizes of arts organizations based on the organization's prior fiscal year donations received. Eligible program applicants must be local (i.e. principally located or residing within the Tulsa city limits) and propose discrete projects that initiate, encourage or expand economic development opportunities in the City of Tulsa.

On or before July 31 of each year, the Commission shall submit to the City Council the proposed Program for Vision Arts funds. The Council, on or before September 15, shall by an affirmative vote of the Council either: (i) approve the Program, or (ii) amend and approve the Program and cause its decision to be delivered to the Chair of the Arts Commission. Upon receipt of an approved unamended Program the Commission shall solicit applications. In the event the Council approves the Program with amendments, the Commission may proceed in soliciting applications in accordance with the Council's amendments or submit a revised Program for Council consideration within thirty (30) days of the Commission Chair receiving notice of the Council's vote. In any event, revised Programs must be submitted no later than December 15. The Council shall consider and vote on timely submitted revised Programs within thirty (30) days of receipt in accordance with the approval procedures set forth in this paragraph. The Council, for good cause, may by affirmative vote of the Council, amend the listed deadlines in this subsection. The Council shall state its justification for good cause in its motion.

The Commission shall utilize an Independent Review Panel consisting of two (2) City Councilors approved by the City Council, one (1) member selected by the Tulsa Authority for Economic Opportunity, two (2) community members selected by the Arts Commission with skills or experience in the fields listed as qualifications for Arts Commission members outlined in Section 301, and one (1) representative of the Tulsa Office of Film, Music, Arts and Culture (FMAC) or similar entity with tourism or marketing experience that is serving and situated within the City of Tulsa. The Independent Review Panel shall evaluate and score the proposals submitted by program applicants according to Program criteria agreed on by the Arts Commission and approved by the City Council. Members must be selected by each respective organization within thirty (30) days of the Program's approval by the Council. Arts Commissioners are not eligible to serve on the Independent Review Panel. However, the Arts Commission shall designate from its membership one (1) Chair to serve as a non-voting facilitator for the Independent Review Panel.

The Arts Commission shall evaluate and give due consideration to the recommendations of the Independent Review Panel pursuant to the established Program and shall make formal recommendations to the Mayor for the award of such funding, the amounts of such funding, and other necessary details for the Mayor's review and recommendation. In the event there is a tie vote of the Arts Commission, the final scores shall be submitted to the Mayor for review and recommendation.

Annually, the Arts Commission shall evaluate the expenditure of the previous year's awarded monies to ensure that expenditures have advanced a public purpose by benefitting the citizens of Tulsa and growing Tulsa's economy. The Arts Commission shall report their annual assessment to the Mayor and City Council.

*(Ord. No. 16527; Ord. No. 24299; Ord. No. 24351, § 1, 4-29-2020; Ord. No. 24639, § 1, 7-21-2021; Ord. No. 25385, § 2, 8-21-2024)*

### Section 303. Cooperation with others.

The Arts Commission shall:

**A.** Work with public boards, agencies and authorities in establishing environmental goals for projects and shall assist the City of Tulsa in the evaluation of redevelopment proposals;

**B.** Work closely with the Tulsa Metropolitan Area Planning Commission in ensuring aesthetic quality and design in Planning Commission projects, and in developing high quality visual environment; the periphery of publicly-owned property shall receive the particular attention of the Arts Commission;

**C.** Work closely with the Tulsa Park and Recreation Department in developing a program of beautification along public thoroughfares with appropriate landscape treatment, plantings maintenance and design of amenities, all intended to promote beauty, to preserve and enhance property values on existing streets and public spaces and to stimulate similar private efforts;

**D.** Offer advice or suggestions to the owners of private property in relation to the beautification of the property; any person planning to erect any building or make any improvement may submit the plans and designs or sketches thereof to the Arts Commission for advice and suggestions, for which no charge shall be made by the Arts Commission;

**E.** Advise the Mayor of such other proposals for the use and preservation of buildings and objects of historical, architectural or cultural significance;

**F.** Make to the Mayor such other proposals as it deems constructive toward the preservation and improvement of the physical beauty of the City;

**G.** Make application for grants in the name of the City of Tulsa, as appropriate and with the approval of the Mayor, for art-related purposes in keeping with the purposes of the Arts Commission; and

**H.** Offer advice and suggestions to any City department, agency or trust which requests advice and counsel.

*(Ord. No. 16527)*

### Section 304. Time for review.

The Arts Commission shall develop its comments and recommendations upon any matter submitted to it involving an expenditure of less than One Thousand Dollars ($1,000.00) within fifteen (15) days after submission and upon any other matter within thirty (30) days after submission. If such comments and recommendations are not completed within the times herein established, consideration thereof shall be unnecessary.

### Section 305. Expenditures.

Unless otherwise restricted, appropriations designated for expenditures on the recommendation of the Arts Commission shall be integrated and held in escrow by the City until expended. The Arts Commission shall oversee the expenditure of all appropriations made by the Council to the Commission for the advancement of visual and performing arts. Any interest accrued on unexpended funds may be used by the City upon recommendation by the Arts Commission for art-related purposes. "Art-related purposes" shall be construed so as to include such items other than those listed in Subsection 302.A. of this chapter.

*(Ord. No. 16527)*

### Section 306. Offices, meetings.

The Arts Commission shall create and fill such offices as it may determine are necessary for the performance of its functions. It shall hold at least one (1) regular meeting in each month. It shall adopt rules for the transaction of business and shall keep a record of its resolutions, transactions, findings and determinations.

### Section 307. Municipal personnel and agencies to assist.

The facilities, personnel and agencies of the municipal government are directed to be made available to the Commission, and at all times such personnel, agencies and officers shall cooperate with the Arts Commission to accomplish the objectives and purposes herein set forth.

### Section 308. Budget policy.

**A.** No less than one percent (1%) of the total cost of any new buildings or major revisions to existing buildings to be constructed or erected on property owned by the City, utilizing public funds, shall be budgeted and expended for works of art as defined in Subsection 302.A., above. Such works of art shall be reviewed and approved by the Arts Commission as provided herein.

**B.** Consideration shall be given to the location, quality and character of works of art to be utilized in connection with new buildings or major revisions to existing buildings used for the proposed juvenile detention facility at 315 South Gilcrease Museum Road or the adult detention facility at 1727 Charles Page Boulevard, in such a way as to lessen the negative impact such facilities may have to the neighborhoods in which they are located. Nothing herein, however, shall require that said work of art be located at the facility.

*(Ord. Nos. 16527, 17691)*

# CHAPTER 4. ECONOMIC DEVELOPMENT COMMISSION OF THE CITY OF TULSA (REPEALED)*

*__Editor's note—__Ord. No. 24642, § 1, adopted July 21, 2021, repealed chapter 4, §§ 400—403, which pertained to Economic Development Commission of the City of Tulsa and derived from Ord. No. 13289; Ord. No. 16943; Ord. No. 16990; Ord. No. 22618, §§ 1, 2, 1-5-2012; Ord. No. 22798, § 1, 12-20-2012.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 5. GREATER TULSA AREA INDIAN AFFAIRS COMMISSION

Section 500. Membership.
Section 501. Powers, duties and responsibilities.
Section 502. Municipal personnel and agencies to assist.

### Section 500. Membership.

There is hereby created the Greater Tulsa Area Indian Affairs Commission ("Commission") which shall consist of eight (8) individual members and fifteen (15) member organizations.

**A. Individual members.** Individual members shall be of American Indian ancestry. Five (5) individual members, residents of the City of Tulsa, shall be appointed by the Mayor of the City of Tulsa, subject to confirmation of the City Council, and three (3) may be appointed by the Board of County Commissioners.

1. **City of Tulsa appointees.** On or before January 15, 1991, one (1) City of Tulsa appointment shall be made for a term of one (1) year, two (2) for terms of two (2) years and two (2) for terms of three (3) years. Thereafter, all City of Tulsa appointments shall be for terms of three (3) years; provided, however, that all such appointees shall hold their offices until their successors have been appointed and approved.

   In the event of the death or resignation of a City of Tulsa appointee or if such appointee is otherwise unable to serve, the Commission may recommend to the Mayor one (1) or several individuals to fill the unexpired term and the Mayor shall appoint, subject to confirmation of the City Council, an individual to fill the unexpired term.

2. **Tulsa County appointees.** Tulsa County appointees may be appointed pursuant to a resolution adopted by the Board of County Commissioners.

**B. Member organizations.** The fifteen (15) member organizations shall be organizations whose primary missions are the advancement of American Indian culture and heritage and/or the provision of services to American Indians. Ten (10) member organizations shall be appointed by the Mayor of the City of Tulsa, subject to the confirmation by the City Council, and five (5) may be appointed by the Board of County Commissioners. Existing Indian organizations within the Greater Tulsa Area, including new organizations, may request membership on the Commission by letter addressed to the Chairman of the Commission.

1. **City of Tulsa appointees.** On or before February 1, 1991, the individual members of the Commission may recommend to the Mayor in writing Indian organizations for membership to the Commission. On or before March 1, 1991, the Mayor shall appoint, subject to confirmation by the City Council, ten (10) Indian organizations for membership to the Commission. In making such appointments the Mayor shall consider Indian organizations which represent the greatest number of Native Americans within the Greater Tulsa Area or bring greater diversity to the Commission. The Mayor shall further consider and give preference to the Indian organizations which are represented on the Commission at the time such appointments are made.

2. **Tulsa County appointees.** Five (5) organizations may be appointed by Tulsa County pursuant to a resolution adopted by the Board of County Commissioners.

3. **Representatives and alternate representatives from the member organizations.** Prior to April 1 of each year, the governing body of each member organization shall appoint one (1) representative and one (1) alternate representative to the Commission and shall certify such appointments in writing to the Chairman of the Commission.

4. **Vacancies among member organizations.** No member organization in good standing shall be displaced by another Indian organization. A member organization shall be in good standing so long as the member organization continues to function in the community for the purposes for which it was organized, so long as it appoints and certifies its representative and alternate representative to the Commission as herein provided so long as its representative or alternate representative attends at least nine (9) meetings of the Commission within each calendar year.

   In the event a vacancy occurs among the member organizations, the Chairman of the Commission shall notify the Mayor, if the vacancy has occurred among the mayoral appointments, or the Board of County Commissioners, if the vacancy has occurred among the Tulsa County appointees. An appointment of an Indian organization to fill such vacancy shall be made by the appointing authority which made the initial appointment in accordance with the provisions covering initial appointments of member organizations.

**C. Chairman of the Commission.** The Chairman of the Commission shall be chosen by the members of the Commission, from among the eight (8) individual members and the representatives of the member organizations.

*(Ord. Nos. 17467, 18851, 20909)*

**Section 501. Powers, duties and responsibilities.**

**A.** The Commission shall have power to promulgate rules and regulations governing the conduct of its meetings and the performances of its duties and shall elect a chairman from among its members. The Commission shall hold at least one (1) regular meeting in each month. A majority vote of the members present, who must constitute a quorum as determined by the bylaws of the Commission, shall be required for official action by the Commission.

**B.** The Commission shall act in an advisory capacity to the City of Tulsa and Tulsa County to encourage and promote unity, purpose and understanding among the Indian people of the Greater Tulsa Area; to encourage and promote cooperation between Indian people, governmental agencies and committees of the City of Tulsa, Tulsa County and the state of Oklahoma; to assist Indian people to develop their talents and abilities to the fullest; to aid in the Indian community's fullest realization of its human resources; to encourage a better understanding and appreciation of Indian people and the Indian community; to aid in the preservation of the cultures of Indian people; to assist in the enhancement and promotion of educational opportunities among Indian people; and otherwise to promote the general welfare of Indian people in the Greater Tulsa Area.

**C.** In order to accomplish the objectives enumerated herein, the Commission shall advise the Mayor, the City Council and the County Commissioners. It shall make and conduct studies and surveys to provide accurate and pertinent data for orderly and constructive community development and for the advancement of the Indian people. It shall

formulate and conduct comprehensive educational programs. It shall consult and cooperate with allied and member organizations and agencies, both public and private. It shall utilize the resources of individuals and groups in the community in the improvement of intergroup relations and in an effort to secure and extend democratic, educational and cultural rights and opportunities. It shall encourage community support and involvement in the pursuit of the goals and objectives set forth herein for the benefit of the Indian people and the public at large.

**D.** The Commission shall submit an annual report and such interim reports as it may desire to the Mayor, the City Council and the Board of County Commissioners. The Commission may make recommendations for policies or legislation which may be necessary to effect the goals stated herein. The Commission shall cooperate fully with the officers of the City and County of Tulsa when it is called upon to do so.

*(Ord. No. 17467)*

### Section 502. Municipal personnel and agencies to assist.

The facilities of the municipal government shall be made available to the Commission; and city officers, personnel and agencies shall cooperate with the Commission in accomplishing the purposes and objectives set forth herein.

*(Ord. No. 17467)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

# CHAPTER 6. GREATER TULSA AREA HISPANIC/LATINX AFFAIRS COMMISSION

Section 600. Membership.
Section 601. Powers, duties and responsibilities.
Section 602. Municipal personnel and agencies to assist.

## Section 600. Membership.

The Greater Tulsa Area Hispanic/Latinx Affairs Commission (the "Commission") shall consist of fifteen (15) members of Hispanic/Latinx extraction, nine (9) of whom shall be appointed by the Mayor, subject to the confirmation of the Council, and six (6) of whom shall be appointed by the Board of Tulsa County Commissioners.

**A. Additional members.** Additional representatives may be added to the Commission by the Mayor upon recommendation by the Commission when the Mayor determines that an increase in the Hispanic/Latinx population warrants additional representation.

**B. Terms.** Mayoral appointments shall serve until December 31, 1990. Subsequently, three (3) of such appointments shall be for terms of one (1) year, three (3) for terms of two (2) years and three (3) for terms of three (3) years. Thereafter, Mayoral appointments shall be for terms of three (3) years; provided, however, that all members shall hold office until their successors are appointed and qualified.

**C. Removal from office.** The appointing authorities may each remove members of the Commission appointed by them who have more than three (3) consecutive unexcused absences.

*(Ord. No. 16410; Ord. No. 24477, § 2, 11-4-2020)*

## Section 601. Powers, duties and responsibilities.

**A.** The Commission shall have power to promulgate rules and regulations governing the conduct of its meetings and the performance of its duties and shall elect a chairman from among its members. The Commission shall hold at least one (1) regular meeting in each month and a majority of members of the Commission shall constitute a quorum for the transaction of business. A majority vote of the quorum shall be required for official action by the Commission.

**B.** The Commission shall act in an advisory and advocacy capacity to the greater Tulsa area to encourage and promote unity, purpose and understanding among the Hispanic/Latinx people of the greater Tulsa area; to encourage and promote cooperation between the Hispanic/Latinx people of the greater Tulsa area and the local, state and federal governments for the general benefit and welfare of the Hispanic/Latinx people of the greater Tulsa area; to assist in making it possible for the Hispanic/Latinx people of the greater Tulsa area to develop their talents and abilities without limitations; to make recommendations of Hispanic/Latinx persons for appointment to boards, councils and commissions of the local, state and federal governments; to aid in permitting the Hispanic/Latinx community to benefit from the fullest realization of its human resources; to encourage a better understanding of the Hispanic/Latinx people and the Hispanic/Latinx community; to aid in the preservation of the cultures of the Hispanic/Latinx people; to assist in the enhancement and promotion of education and opportunity among the Hispanic/Latinx people; and, otherwise, to promote the general welfare of the Hispanic/Latinx people of the greater Tulsa area.

**C.** In order to accomplish these objectives, the Commission shall advise the elected officials of the City of Tulsa and Tulsa County; make and conduct studies, surveys and investigations to provide accurate and pertinent data for orderly and constructive community development and advancement of the Hispanic/Latinx people; formulate and conduct comprehensive educational, advisory and other programs; consult and cooperate with allied organizations and agencies, both public and private; utilize the resources of individuals and groups toward improvement of intergroup relations; use all potential community forces in an effort to make more secure and extend democratic educational and cultural rights, opportunities and practices; and influence and encourage community support and involvement in pursuit of the goals and objectives as set forth herein for the benefit of the Hispanic/Latinx people of the greater Tulsa area and the general public.

**D.** The Commission shall submit an annual report and such interim reports as it may desire to the Mayor and County Commission. The Commission shall make recommendations for improvements or legislation which may be necessary to effect the policies of the participating governmental units. It shall cooperate fully with the elected officials and officers of the City of Tulsa and Tulsa County when it is called upon to do so.

*(Ord. No. 24477, § 2, 11-4-2020)*

### Section 602. Municipal personnel and agencies to assist.

The facilities of the participating governmental units shall be made available to the Commission; and at all times the personnel, agencies and elected officials shall cooperate with the Commission to accomplish the purposes and objectives set forth herein.

*(Ord. No. 14439; Ord. No. 24477, § 2, 11-4-2020)*

## CHAPTER 7. TULSA WOMEN'S COMMISSION

Section 700. Membership.
Section 701. Powers, duties and responsibilities.
Section 702. Appointments and representation.
Section 703. Rules, regulations and meetings.
Section 704. Cooperation with citizens and agencies.
Section 705. Staff support.

### Section 700. Membership.

The Tulsa Women's Commission shall consist of no more than fifteen (15) nor fewer than twelve (12) members. Members shall be appointed for terms of three (3) years; provided, however, that all members shall hold office until their successors are appointed and qualified. All members shall serve without compensation. Decisions of the Commission shall be made only at meetings or hearings at which a quorum is in attendance and by a majority vote of the quorum. A quorum shall consist of a majority of the then-existing membership of the Commission.

*(Ord. No. 16834; Ord. No. 25114, § 2, 8-23-2023)*

### Section 701. Powers, duties and responsibilities.

**A.** The Commission shall serve as an advisory body to the Mayor concerning the needs and problems of women in the Tulsa area, and it shall recommend programs and policies designed to alleviate inequities confronting women in social, economic and vocational pursuits. It shall develop goals and shall coordinate research, planning and programming relating to opportunities, needs, problems and contributions of women in Tulsa.

**B.** The Commission shall act as the central clearing house and coordinating agency for activities and information relating to the status of women in the Tulsa community. It shall stimulate research in the area of women's legal rights. It shall educate the community on the status of women by publicizing, in all appropriate ways, information on women's rights and obligations. It shall review the range of services available to women to enable them to fully contribute to society through their homes and participation in community life. It shall take responsibility for strengthening existing services, and it shall assist public, commercial, cooperative or voluntary agencies in pursuing needed services.

**C.** The Commission shall stimulate an awareness, among men and women in the public and private sectors, of women's full potential and of the importance of the contribution of women to the development of the community. It shall establish and maintain a human resource file of women's organizations and individual women.

**D.** The Commission shall prepare for the Mayor a report of its stated goals and objectives no later than the first of September of each year and shall submit an annual report to the Mayor no later than the first of May, describing the accomplishment of its stated goals and objectives.

*(Ord. No. 16834)*

### Section 702. Appointments and representation.

All members of the Commission shall be appointed by the Mayor, subject to approval of the Council. The Mayor shall appoint a member from each of the fields of medicine, law,

education, the media, corporations, homemaking and retired workers. The remaining members shall be appointed at large. The members of the Commission shall elect a chairperson and vice-chairperson from their membership and may elect such other officers and committees as they may, from time to time, deem necessary for the proper performance of their duties. The chairperson shall appoint standing committees to deal with the concerns of education, families, day care and community resources.

*(Ord. No. 16834)*

### Section 703. Rules, regulations and meetings.

The Commission shall adopt and file with the City Clerk such rules, regulations and bylaws as it deems best to govern its actions, subject to the general laws of the city, state and nation. The Commission shall meet no less often than once each month.

*(Ord. No. 16834)*

### Section 704. Cooperation with citizens and agencies.

The Commission shall at all times seek to promote close cooperation between the City of Tulsa and all private citizens, institutions and agencies interested in or conducting programs which aid women, to the end that all such activities within Tulsa may be coordinated to secure the greatest public welfare.

*(Ord. No. 16834)*

### Section 705. Staff support.

The Mayor may designate City Personnel assigned the responsibility of furthering the goals and objectives of the Tulsa Women's Commission, and who shall provide staff support to the Commission.

*(Ord. No. 16834; Ord. No. 25114, § 3, 8-23-2023)*

## CHAPTER 8. ASIAN AFFAIRS COMMISSION

Section 800. Asian Affairs Commission created.
Section 801. Membership.
Section 802. Powers, duties and responsibilities.

### Section 800. Asian Affairs Commission created.

The Asian Affairs Commission is created as an advisory commission to the Mayor and Council of the City of Tulsa pursuant to Article XII, Section 4 of the Amended Charter of the City of Tulsa.

*(Ord. No. 25145, § 1, 9-27-2023)*

### Section 801. Membership.

**A.** Asian Affairs Commission shall be composed of fifteen (15) members of Asian American ancestry appointed by the Mayor and confirmed by a majority vote of the entire membership of the Council. One (1) member shall be a member of the largest Asian American community in the City of Tulsa at the time of appointment. One (1) member shall be a member of the second largest Asian American community in the City of Tulsa at the time of appointment. One (1) member shall be a member of the third largest Asian American community in the City of Tulsa at the time of appointment. One (1) member shall have extensive experience in K-12 or higher educational institutions. One (1) member shall be a Tulsa area community leader. One (1) member shall own a majority interest in a business enterprise or hold a position as a Tulsa area business leader. One (1) member shall have extensive experience in the field of public policy or immigration law. One (1) member shall be a public health advocate. Seven (7) members shall be members at large appointed at the Mayor's sole discretion.

**B.** Pursuant to the Amended Charter of the City of Tulsa, Article III, Section 1.4(G), each of the fifteen members of the Commission shall, as a condition of their appointment, and continued service, be qualified electors and maintain their principal residence within the city limits of the City of Tulsa.

**C.** In the event of the death or resignation of a member or if a member is otherwise unable to serve or disqualified from serving, the member's position immediately becomes vacant and the Mayor shall appoint, subject to confirmation of the City Council, an individual to fill the unexpired term.

**D.** The terms of the initial fifteen (15) members of the Commission shall be calculated as beginning on and from January 1, 2024, regardless of their date of appointment and confirmation. The three (3) members representing the three largest Asian American communities shall serve two-year terms. The five (5) members having other special qualifications shall serve four-year-terms. The seven (7) at large members shall serve three-year terms. Thereafter all appointments shall be for terms of three years. Unless an appointment is created by a vacancy under subsection B., appointees shall serve until the expiration of their terms or until their successors have been confirmed.

*(Ord. No. 25145, § 1, 9-27-2023)*

### Section 802. Powers, duties and responsibilities.

**A.** The Commission shall have the power to promulgate rules governing the conduct of its meetings and the performance of its duties and shall elect a person to serve as

chairperson from among its members. Only members of the Commission shall serve as chairs on any subcommittees created by the Commission, but nonmembers may serve as non-voting members when needed. The Commission shall schedule one (1) regular meeting each month and shall conduct at least ten (10) regular meetings a year at which a majority of the then serving members of the Commission shall constitute a quorum for the transaction of business. A majority of the quorum shall be required for official action by the Commission. All meetings of the Commission shall be conducted in compliance with the Oklahoma Open Meeting Act, Title 25 Oklahoma Statutes, Sections 301—314.

**B.** The Commission shall act in an advisory capacity to the Mayor, City Council, and City Officials on matters of: (1) advocating for the employment needs of and professional opportunities for Tulsa's Asian American communities; (2) preservation of the culture and traditions of Asian American communities through culturally relevant programs, events, recognitions, and services; (3) building bridges between City, State, and Federal government leadership and Asian American communities; (4) monitoring the status of education, partnering with educational institutions, and recommendations concerning best educational practices; and (5) collaboration between public and private entities to stimulate research to benefit Asian American communities.

**C.** The Commission shall submit an annual report, as well as such interim reports as the Mayor or City Council shall request, at regularly scheduled Council Committee meetings. The Commission shall cooperate fully with the elected officials of the City of Tulsa.

*(Ord. No. 25145, § 1, 9-27-2023)*

## CHAPTER 9. DISQUALIFICATION AND REMOVAL OF APPOINTEES

Section 900. Purpose.
Section 901. Conditions for disqualification and removal.
Section 902. Procedures for disqualification and removal.
Section 903. Exemptions and limitations.

### Section 900. Purpose.

Authorities, boards, commissions, and committees of the City of Tulsa, whether created by Charter, ordinance, agreement or pursuant to law are established to provide for representative, efficient, economical, just, and honest administration of City Government. Failure to maintain the standards prescribed in this chapter shall be grounds for removal, as authorized by Tulsa Amended Charter, Article XII, Section 4 and Subsection 11.C. "Appointing authority", as used in this chapter, shall mean either the Mayor or the City Council, which by Charter, ordinance, agreement, or pursuant to law has the power and duty to appoint an individual to serve as a member of any authority, board, commission, or committee.

*(Ord. No. 24882, § 1, 8-10-2022)*

### Section 901. Conditions for disqualification and removal.

Any appointed member of a City of Tulsa authority, board, commission, or committee may be disqualified and removed from the member's appointed position for cause upon the occurrence of any of the following conditions:

**A.** If such member has failed to attend three (3) consecutive meetings or has failed to attend more than fifty percent (50%) of the meetings held during any twelve (12) consecutive months during their current term, unless such failure is excused by the appointing authority, or the appointing authority's designee, for good cause shown.

**B.** If the member shall cease to be a qualified elector and maintain their principal residence within the City limits of the City of Tulsa, as required in Tulsa Amended Charter, Article III, Subsection I.4.G.

**C.** Upon a finding that the member, upon a preponderance of the evidence, has committed any of the following:

**1.** Habitual or willful failure or neglect to diligently and faithfully perform any duty required by law of such member;

**2.** Extortion, oppression, corruption, or maladministration in the performance of the responsibilities of their appointed position;

**3.** Failure to produce and account for all public funds or property in their possession or under their control;

**4.** Commission of any public offense constituting a felony or in which an element of such offense includes fraud, deceit, trickery, an unlawful taking, or embezzlement, regardless of whether it is prosecuted, or a conviction is obtained;

**5.** Willful partiality in the performance of the responsibilities of their appointed position, or acting in violation of the City's Ethics Code, Title 12, Tulsa Revised Ordinances, Chapter 6;

**6.** Discrimination against or harassment of anyone on the basis of race, color, sex, age, religion, national origin, disability, political beliefs, sexual orientation, gender identity, or gender expression, or conduct which would constitute a violation of the City's Respectful Workplace Policy, Personnel Policies and Procedures, Section 822, as amended from time to time; or

**7.** Intoxication in any public place produced by any substance or combination of substances voluntarily taken.

**D.** Upon the appointed member's:

**1.** Death;

**2.** Inability to perform the responsibilities of their appointed position; or

**3.** Written resignation submitted to the appointing authority; provided that such a resignation may be withdrawn in writing at any time prior to the effective date stated in the resignation, but if no effective date is stated, the resignation shall be effective immediately. Acceptance by the appointing authority shall not be required for the resignation to be effective.

*(Ord. No. 24882, § 1, 8-10-2022)*

### Section 902. Procedures for disqualification and removal.

**A.** Except in the event of death or receipt of an unsolicited written resignation, upon an appointing authority's receipt of credible information that a City member of an authority, board, commission, or committee meets any condition of disqualification prescribed in this chapter for removal from their appointed position, the appointing authority or their designee shall contact that member to inquire as to the alleged condition and, if appropriate, ask if they wish to resign. The purpose of this contact with an appointee is to provide the appointee an opportunity to present any reason why they should not be disqualified from serving in their appointed position.

**B.** If an appointing authority or their designee is unable to make person-to-person contact with the appointed member within three (3) working days of the initial effort to make contact, they shall transmit a written statement to the appointee, inquiring as to the alleged condition, requiring that they contact them within twenty-four (24) hours of receipt, and asking if they wish to resign their position, if they deem it appropriate, or desire an opportunity to present to the appointing authority or their designee any reason why they should not be disqualified from serving in their appointed position. This communication shall also state a time when the appointing authority or their designee intends to decide on the appointee's disqualification and removal, regardless of whether the appointee responds to their communication. Receipt of this statement to the appointee shall be deemed to have been achieved at the end of three (3) working days following the date of transmission, either by U.S. mail, via electronic mail, or other electronic means.

**C.** An appointee may resign from their appointed position effective immediately upon receipt by submitting it in writing to the appointee's appointing authority at any time prior to an appointing authority's decision to remove them becomes final. Upon receipt of a written resignation by the appointing authority, that person's appointed position shall be deemed vacant.

**D.** Once an appointing authority determines that an appointed member is disqualified from serving in their appointed position and should be removed, if the appointing authority is the Mayor, the Mayor shall transmit that determination to the City Council for its confirmation or denial. If the City Council is the appointing authority, it shall transmit its determination to the Mayor for confirmation or denial. After confirmation of a disqualification and removal, or if the appointing authority's determination is not acted upon by the Mayor or Council within fifteen (15) working days of receipt, then the appointee's removal shall be final, and the appointed position shall immediately be deemed vacant. If the appointing authority's determination is denied, the appointee shall continue to serve.

*(Ord. No. 24882, § 1, 8-10-2022)*

## Section 903. Exemptions and limitations.

Application of the provisions of this chapter shall be subject to the following exemptions and limitations:

**A.** Members of the following authorities, boards, commissions, and committees shall be exempt from the provisions of this chapter:

**1.** Public trusts created pursuant to Title 60, Oklahoma Statutes, Section 176, et seq. in which the City of Tulsa is identified as a beneficiary;

**2.** The Tulsa Airport Authority, the Tulsa Utility Board, and the Tulsa Park and Recreation Board which are created within Tulsa Amended Charter, Article V;

**3.** The Tulsa Fire Department Personnel Committee;

**4.** Members of the City Council appointed to fill a vacancy on the Council, and members of City Council committees and subcommittees; and

**5.** Ex officio members of any authority, board, commission, or committee who serve as a result of their membership, office, status, or another position which they hold.

**B.** Certain disqualifications and removals from an appointed position shall be subject to the following limitations:

**1.** Only members of City of Tulsa-Rogers County Port Authority Board of Directors appointed by the Mayor pursuant to Title 82, Oklahoma Statutes, Section 1103 and Title 22, Tulsa Revised Ordinance, Chapter 1, Appendix A, shall be subject to the provisions of this chapter; provided that their removal may only be for misfeasance, nonfeasance, or malfeasance and if removed a director shall have the right of appeal to the district court of the county from which they were appointed.

**2.** Only members of the Tulsa Metropolitan Area Planning Commission, appointed by the Mayor pursuant to Title 19, Oklahoma Statutes, Section 863.5 shall be subject to the provisions of this chapter; provided that their removal shall only be after a hearing held before the City Council.

**3.** Only members of the Tulsa City-County Board of Health appointed by the City of Tulsa pursuant to Title 63, Oklahoma Statutes, Section 1-210, shall be subject to the provisions of this chapter.

**4.** Only members of the Tulsa City-County Library Commission, appointed by the Mayor pursuant to the Oklahoma City-County Library Act, Title 65, Oklahoma Statutes, Section 151, et seq., shall be subject to the provisions of this chapter.

**5.** Members of the Tulsa Development Authority appointed by the Mayor pursuant to Title 11, Oklahoma Statutes, Section 38-107, shall be removed only for inefficiency or neglect of duty or misconduct in office by a two-thirds (⅔) majority vote of the City Council after a hearing based on written charges, a copy of which must be delivered to such Commission member at least ten (10) days before such hearing.

**6.** Appointed members of any other authority, board, commission, or committee established pursuant to law, who are authorized to be appointed by the Mayor or the City Council, provided that their disqualification and removal shall be subject to any requirements imposed by laws authorizing their appointment.

*(Ord. No. 24882, § 1, 8-10-2022)*

## CHAPTER 10. TULSA YOUTH COUNCIL*

Section 1000. Tulsa Youth Council created.
Section 1001. Membership.
Section 1002. Powers, duties, and responsibilities.
Section 1003. Offices, meetings and review.
Section 1004. Municipal personnel and agencies to assist.

### Section 1000. Tulsa Youth Council created.

A commission on the concerns of Tulsa youth (the "Tulsa Youth Council") is hereby created for the purposes of:

**A.** Establishing a youth council to foster youth participation in public service; and

**B.** Providing an identity and voice for Tulsa's diverse youth to positively influence the municipal government and local community.

*(Ord. No. 19818; Ord. No. 22067, § 1, 2-5-2009)*

### Section 1001. Membership.

**A.** The Tulsa Youth Council shall consist of twenty-one (21) members, two (2) members from each City Council district within the City and three (3) members from the City at-large to be appointed by the Mayor, subject to confirmation by a majority vote of the entire membership of the Council. Youth Councilors must be legal residents of the Council District for which he or she is appointed, or if at-large, a legal resident of the City of Tulsa. All members shall serve without compensation, and no members shall receive any form of payment from the City or from any trust, donation or legacy for any service relating to membership on the Tulsa Youth Council. Members shall neither hold nor be candidates for a City of Tulsa public office.

**B.** A City Council Staff Liaison shall be an ex-officio member of the Tulsa Youth Council. Members of the Tulsa Youth Council shall be appointed for terms of one (1) year; however, all members shall hold office until their successors are appointed and qualified.

*(Ord. Nos. 19818, 20604, 20700; Ord. No. 22067, § 1, 2-5-2009)*

### Section 1002. Powers, duties, and responsibilities.

The powers, duties, and responsibilities of the Tulsa Youth Council shall be as follows:

**A.** The Tulsa Youth Council shall have the power to draft legislation and ordinance amendments for the Tulsa City Council to consider. The Tulsa Youth Council shall draft legislation only under the sponsorship and mentorship of a City Councilor. No proposed legislation shall have effect until approved as an ordinance as provided in the Tulsa City Charter.

**B.** The Tulsa Youth Council shall serve in an advisory capacity to the Tulsa City Council and the City of Tulsa administration concerning the needs of youth in the City of Tulsa. It shall recommend programs and policies designed to alleviate the concerns and promote the beneficial ideas of today's youth.

---

***Editor's note—**Ord. No. 22067, § 1, adopted February 5, 2009, amended Ch. 10, in its entirety, to read as herein set out. See also the Code Comparative Table and Disposition List.

**C.** The Tulsa Youth Council shall respond to all requests for comment and recommendation on matters referred to them by the Office of the Mayor, the City Council and all City agencies, boards and commissions.

**D.** The Tulsa Youth Council shall sponsor and hold an annual Youth Summit, focusing upon access to political officials, professional opportunities and positive development of Tulsa's youth.

**E.** The Tulsa Youth Council shall ensure a strong and diverse organization composed of a representative cross-section of the Tulsa community; to develop a public profile and increase awareness of the Tulsa Youth Council within Tulsa and surrounding areas; and to leverage the efforts of other youth organizations where appropriate through collaboration and partnering.

**F.** The Tulsa Youth Council shall report quarterly to the Tulsa City Council at a regularly scheduled Council committee meeting on the goals, accomplishments, activities and developments of the Tulsa Youth Council.

*(Ord. Nos. 19818, 20604; Ord. No. 22067, § 1, 2-5-2009)*

### Section 1003. Offices, meetings and review.

**A.** The Tulsa Youth Council shall elect a chairperson and a vice-chairperson from its membership, and shall create such other offices or committees as it may determine are necessary. The Tulsa Youth Council shall hold at least two (2) meetings per month, in accordance with the Oklahoma Open Meetings Law. It shall make quarterly reports to the Tulsa City Council of its activities and business at a regularly scheduled meeting of the City Council. It shall maintain and file with the City Clerk such rules, regulations and bylaws as it deems best to govern its actions, subject to local, state and federal law; and a record of its resolutions, transactions, findings and determinations.

**B.** The Tulsa Youth Council shall hold a strategic planning session every three (3) years to revise its vision statement and establish new goals and objectives, beginning in September 2011. The strategic plan shall be officially presented to and reviewed by the Tulsa City Council.

*(Ord. Nos. 19818, 20604; Ord. No. 22067, § 1, 2-5-2009)*

### Section 1004. Municipal personnel and agencies to assist.

The facilities of the municipal government shall be made available to the Tulsa Youth Council; and City officers, personnel and agencies shall cooperate with the Tulsa Youth Council in accomplishing the objectives and purposes set forth herein to the fullest extent allowed by City ordinance and state and federal law.

*(Ord. No. 19818; Ord. No. 22067, § 1, 2-5-2009)*

## CHAPTER 11. AUDIT COMMITTEE

Section 1100. Audit Committee created.
Section 1101. Membership.
Section 1102. Duties.
Section 1103. Offices, meetings.
Section 1104. Report.

### Section 1100. Audit Committee created.

An Audit Committee is hereby created for the purposes of:

**A.** Providing advice on financial, accounting, and auditing matters to the Mayor, the City Auditor and the City Council.

**B.** Providing review of, and recommendations concerning, City audit activities.

**C.** Monitoring corrective action taken on audit recommendations.

*(Ord. 23163, § 1, 8-21-2014)*

### Section 1101. Membership.

**A.** The Audit Committee shall consist of seven (7) members, to-wit: the Mayor, or his or her designee, the City Auditor, or his or her designee, the current Chair of the City Council, or his or her designee, and four (4) citizens at-large who shall be appointed by the Mayor, subject to the approval of the Council. Of the four (4) citizen appointees, the Mayor shall select individuals who are qualified due to experience with financial or auditing matters and who are not employees of the City of Tulsa. No members shall receive any form of payment from the City or from any trust, donation or legacy for any service relating to membership on the Committee.

**B.** The Mayor, the City Auditor, and the current Chair of the City Council shall be *ex officio* members of the Audit Committee.

**C.** The at-large committee members shall be appointed for terms of three (3) years ending December thirty-first (31st) of the third year following, provided, however, that all members shall hold office until their successors are appointed and qualified.

*(Ord. 23163, § 1, 8-21-2014)*

### Section 1102. Duties.

The duties of the Audit Committee shall be as follows:

**A.** Advise the Mayor and City Council on selection of the independent external auditors to conduct the annual financial statement audits of the City.

**B.** Meet with independent external auditors to discuss the scope of the annual financial statement audits of the City, and other matters related to such audits.

**C.** Review, and advise the City Auditor on, the annual internal audit plan.

**D.** Review, and advise the Mayor and City Council on, all internal audit reports issued by the City Auditor.

**E.** Review, and advise the Mayor and City Council on, the annual financial statement audit reports, regulatory audit reports, and other types of audit reports.

**F.** Advise the Mayor and City Council on significant matters and trends reported in internal, external, regulatory, and other types of audits.

**G.** Advise the Mayor and City Council on other financial or auditing matters.

*(Ord. 23163, § 1, 8-21-2014)*

### Section 1103. Offices, meetings.

**A.** The members of the Audit Committee shall elect a chairperson by majority vote.

**B.** The Audit Committee shall maintain and file with the City Clerk a record of its rules, resolutions, transactions, determinations, and minutes of meetings.

**C.** The Audit Committee shall be subject to the provisions of the Oklahoma Open Meeting Act, Title 25, Oklahoma Statutes Sections 301 through 314.

**D.** The facilities of the municipal government shall be made available to the Audit Committee; and City officers, personnel and agencies shall cooperate with the Audit Committee in accomplishing the objectives and purposes set forth herein to the fullest extent allowed by City ordinance and state and federal law.

*(Ord. 23163, § 1, 8-21-2014)*

### Section 1104. Report.

The Audit Committee shall make a report to the Mayor and City Council annually of its activities for the preceding year.

*(Ord. 23163, § 1, 8-21-2014)*

## CHAPTER 12. GREATER TULSA AREA AFRICAN-AMERICAN AFFAIRS COMMISSION*

Section 1200. Membership.
Section 1201. Powers, duties and responsibilities.

### Section 1200. Membership.

**A.** Pursuant to the Amended Charter of the City of Tulsa Article XII, Section 4, there is hereby created an advisory commission to the Mayor and City Council of the City of Tulsa, a municipal corporation, to be known as the Greater Tulsa Area African-American Affairs Commission, which shall be composed of twenty-three (23) members appointed by the Mayor and confirmed by a majority vote of the entire membership of the Council. Twelve (12) of the twenty-three (23) members shall each be the sole member representative of twelve (12) separate organizations, such organizations to be determined by the Mayor and submitted to, and approved by majority vote of the entire membership of the Council. Such twelve (12) organizations must have as their primary mission either the advancement of African-American culture and heritage, or the provision of services to the African-American community in Tulsa County. If the duly appointed member representative of an approved organization ceases to be an active member in good standing of such organization, the member position immediately becomes vacant and the vacancy shall be filled for completion of the term of the vacating member, all as provided in this Section.

**B.** In the event of the death or resignation of a member or if such member is otherwise unable to serve, the position immediately becomes vacant and the Mayor shall appoint, subject to confirmation of the City Council, an individual to fill the unexpired term, all as provided in this Section.

1. **Charter requirement.** Pursuant to the Amended Charter of the City of Tulsa, Article III, Section 1.4 (G), each of the twenty-three members of the Commission shall, as a condition of their appointment, and continued service, be qualified electors and maintain their principal residence within the city limits of the City of Tulsa.

2. **Members recommended by Tulsa County.** The Board of Tulsa County Commissioners may, by adoption of a resolution, recommend to the Mayor four (4) candidates for membership, such members not to be among the members representing organizations and, the appointment to be determined and made by the Mayor and subsequently confirmed by the Council as provided in the Amended City Charter and this Section.

3. **Terms of Members.** The terms of the initial twenty-three (23) members of the Commission shall be calculated as beginning on and from May 1, 2017, regardless of their date of appointment and confirmation. All members representing organizations shall serve two-year terms, and the remaining eleven (11) members shall serve terms, as follows: Three (3) member appointments, including one (1) appointment arising from County Commission recommendation, shall serve for

*__Editor's note—__Ord. No. 23639, § 1, adopted February 22, 2017, set out provisions intended for use as chapter 11. As there were already provisions so designated, the provisions have been redesignated as chapter 12, at the editor's discretion.

terms of one (1) year; three (3) member appointments, including one (1) appointment arising from County Commission recommendation, shall serve terms of two (2) years and five (5) member appointments, including two (2) appointments arising from County Commission recommendation, shall serve terms of three (3) years. Thereafter, all appointments shall be for terms of three (3) years, all terms expiring on the anniversary date of their initial appointments; provided, however, that all such appointees, except those appointees who create a vacancy pursuant to this Section, shall hold their offices until their successors have been appointed and confirmed.

4. **Represented organizations.** No represented organization duly determined and approved, and in good standing, shall be displaced by another African-American organization. A represented organization shall be in good standing so long as that organization continues to function in the community for the purposes for which it was organized, and its representative attends at least eight (8) meetings of the Commission within each calendar year.

   If a represented organization is no longer in good standing, the position of appointed member of that represented organization shall be declared vacant and the Chair of the Commission shall notify the Mayor and a determination and approval of another African-American organization to fill such vacancy shall be made as provided herein for organizations. Any question as to an organization's good standing shall be decided by the Mayor.

5. **Mayoral Appointment of Members Representing Organizations.** Each organization to be represented by a member appointed by the Mayor and confirmed by the Council, shall recommend to the Mayor at least three (3) candidates for mayoral appointment from the official roll of such organization's membership. The Mayor, in his sole discretion, may choose to appoint from such candidates so recommended, or may determine to appoint any qualified member of such organization from its official membership roll, as a Commission member, all subject to Council confirmation.

*(Ord. No. 23639, § 1, 2-22-2017)*

**Section 1201. Powers, duties and responsibilities.**

**A.** The Commission shall have power to promulgate rules and regulations governing the conduct of its meetings and the performance of its duties, and shall elect a chairman from among its members. Only members of the Commission shall serve on any Sub-committee created by the Commission. Non-members are not qualified to serve on a Sub-committee, other than as non-voting consultants, when needed. The Commission shall schedule at least one (1) regular meeting in each month and shall conduct at least eight (8) regular meetings a year at which a majority of the then serving members of the Commission shall constitute a quorum for the transaction of business. A majority vote of the quorum shall be required for official action by the Commission. All meetings of the Commission shall be conducted in compliance with the Oklahoma Open Meeting Act, Title 25 Oklahoma Statutes, Sections 301—314.

**B.** The Commission shall act in an advisory capacity to the Mayor and the City Council on matters of: 1) encouraging and promoting unity, purpose and understanding among the African-American people of the greater Tulsa area; 2) encouraging and promoting

cooperation between the African-American people of the greater Tulsa area and the local, state and federal governments for the general benefit and welfare of African-American people residing in or visiting the City and County of Tulsa; 3) identifying means to assist the African-American residents of the City and County of Tulsa to develop their talents and abilities without limitations; 4) assisting the African-American community to benefit from the fullest realization of its human resources; 5) ensuring a better understanding of the African-American people and the African-American community; 6) aiding the preservation of the cultures of the African-American people; 7) developing programs and initiatives promoting and enhancing education and employment opportunity among the African-American people; and, 8) protecting the general welfare of the African-American people of the City and County of Tulsa.

**C.** In order to advance these objectives, the Commission shall identify, advise and recommend to the elected officials of the City of Tulsa and Tulsa County: 1) to conduct specifically-identified targeted studies, surveys and inquiries to provide accurate and pertinent data for orderly and constructive community development and advancement of the African-American population; 2) to consult and cooperate with organizations represented on the Commission, as well as other organizations and agencies, both public and private, 3) regarding the utilization of the resources of certain individuals and groups to fund such specifically targeted studies, surveys and inquiries; 4) regarding means of improving intergroup relations; 5) potential community resources that would secure and extend democratic, educational, and cultural rights, opportunities and practices; and 6) regarding means of encouraging and mobilizing community support and involvement in pursuit of the goals and objectives as set forth herein for the benefit of the African-American residents and visitors and the general public in the City and County of Tulsa.

**D.** The Commission shall submit an annual report, as well as such interim reports as the Mayor and/or the City Council shall request. Such reports shall be made at a regularly scheduled Council Committee meeting. The Commission in its advisory capacity may make recommendations for improvements and legislation which the Commission finds necessary to affect the policies of the participating governmental units. It shall cooperate fully with the elected officials and officers of the City of Tulsa and Tulsa County.

*(Ord. No. 23639, § 1, 2-22-2017)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 13. ANIMAL WELFARE COMMISSION

Section 1300. Membership.
Section 1301. Powers and duties.
Section 1302. Municipal personnel and agencies to assist.

### Section 1300. Membership.

There is hereby created an Animal Welfare Commission (the "Commission"), which shall consist of five (5) members appointed by the Mayor, subject to the confirmation of the City Council. The Mayor shall designate one (1) initial appointee as Chair of the Commission, subject to City Council confirmation. Subsequent to the initial term described in Section 1300(A), below, the Commission shall elect a Chair from among its members.

**A. Terms.** Initial Mayoral appointments shall serve until December 31,2020. Subsequently, one (1) of such appointments shall be for a term of one (1) year, two (2) for terms of two (2) years and two (2) for terms of three (3) years. Thereafter, Mayoral appointments shall be for terms of three (3) years; provided, however, that all members shall hold office until their successors are appointed and qualified.

**B. Removal from office.** The appointing authority may remove members of the Commission who have three (3) or more consecutive absences.

*(Ord. No. 24045, § 1, 11-28-2018)*

### Section 1301. Powers and duties.

**A.** The Commission shall have power to promulgate rules and regulations governing the conduct of its meetings and the performance of its duties. The Commission shall hold at least two (2) regular meetings in each calendar quarter and a majority of members of the Commission shall constitute a quorum for the transaction of business. A majority vote of the quorum shall be required for official action by the Commission.

**B.** The Commission shall provide advice and advocacy to improve the care of animals at Tulsa Animal Welfare facilities; support animal control efforts; increase opportunities for animal adoption; address pet overpopulation; educate the public on the obligations of responsible pet ownership and the importance of spaying and neutering; and advise the public and City staff to ensure that neighborhoods and residents are safe from the dangers and nuisances of stray animals.

**C.** To accomplish these objectives, the Commission shall advise and recommend to the Mayor and City Council programs and best practices designed to promote public safety and protect animals and citizens; make and conduct studies, surveys, and investigations to ensure that Animal Welfare facilities are operated humanely and effectively; consult and cooperate with allied organizations and agencies, both public and private; and utilize the resources of individuals and groups in pursuit of the purposes and objectives as set forth herein.

**D.** The Commission shall submit an annual report and such interim reports as it may desire to the Mayor and City Council.

*(Ord. No. 24045, § 1, 11-28-2018)*

## Section 1302. Municipal personnel and agencies to assist.

The facilities of the participating governmental units shall be made available to the Commission; and at all times the personnel and agencies of the City of Tulsa shall cooperate with and assist the Commission to accomplish the purposes and objectives set forth herein, as directed by the Mayor.

*(Ord. No. 24045, § 1, 11-28-2018)*

## CHAPTER 14. TULSA ROUTE 66 COMMISSION

Section 1400. Tulsa Route 66 Commission created.
Section 1401. Membership.
Section 1402. Duties.
Section 1403. Cooperation with others.
Section 1404. Offices, meetings.

### Section 1400. Tulsa Route 66 Commission created.

The Tulsa Route 66 Commission is created for the purposes of advising the Mayor and Council:

**A.** On research and identification of best practices or examples of successful community revitalization and building effective strategies for leveraging tourism for economic development along historic Route 66 in the City of Tulsa.

**B.** On ideas and proposals to develop a comprehensive marketing and communications strategy to promote the road that leverages social media and provides a cohesive website and a clearinghouse for information.

**C.** On ideas and proposals on strategies to educate the public, tour operators, communities, entrepreneurs, governments and the next generation about the history, cultural importance, economic value, attractions, and business opportunities along historic Route 66 in the City of Tulsa.

**D.** As to the Commission's identification of efforts and case studies that demonstrate the effectiveness of leveraging Route 66 tourism for economic development purposes to draw support and increase involvement of Route 66 stakeholders.

**E.** Providing for the government of the City of Tulsa and for its citizens a continuing source of respected and talented opinion and advice regarding that portion of historic U.S. Route 66 which is in or around the city limits, including but not limited to public efforts to maintain, redevelop, beautify and enhance it as an economic development engine for the City of Tulsa.

*(Ord. No. 25321, § 1, 5-22-2024)*

### Section 1401. Membership.

The Commission shall be composed of nineteen (19) members appointed by the Mayor and confirmed by the Council. The members shall be thirteen members representing a diverse array of Route 66 street alignments, Council districts, and industries, and the following individuals or their designees: the Tulsa City Councilors for Districts 1, 2, 3, 4, 5 and 6. However, no more than four (4) individuals holding the office of City Councilor shall personally hold the Commission seat at any time.

Beginning July 1, 2024, one-third (⅓) of the members shall be appointed for terms of one (1) year; one-third (⅓) for terms of two (2) years; and one-third (⅓) for terms of three (3) years. Thereafter, members shall be appointed for three (3) year terms; provided, however, that all members shall hold office until their successors are appointed and qualified. Members of the Commission shall serve without compensation and no member shall receive any compensation from the City or from any trust, donation or legacy for any service relating to membership on the Commission.

*(Ord. No. 25321, § 1, 5-22-2024)*

## Section 1402. Duties.

The duties of the Route 66 Commission shall be as follows:

**A.** Pursue accomplishment of the purposes of the Commission set forth in Section 1400, herein.

**B.** Support and assist the efforts of the City of Tulsa, state of Oklahoma, local development corporations, industrial committees, chambers of commerce and other similar public and private agencies in promoting Route 66 in and around the City of Tulsa;

**C.** Maintain a continuing evaluation of sources available for formulating advice and recommendations as to financing the development and expansion of facilities in and around Route 66;

**D.** Develop and recommend the adoption and implementation of plans, policies and programs to encourage the economic development of the City of Tulsa;

**E.** Provide oversight for the Roadside Attraction Program, the Neon Sign Grant Program, the Special Events Grant Program, the Façade Grant Program, or any other Route 66 initiative assigned by the City.

**F.** Provide advice as to strategies for encouraging and promoting, through advertising and the use of Route 66, develop the City of Tulsa as a convention and tourist center; and

**G.** Prepare and submit to the Mayor an annual budget and performance report.

**H.** The Commission shall also provide an annual report to the Mayor and City Council on or before December 31 of each year. The Commission shall also provide updates to the Mayor and City Council as requested; and

**I.** Assume such other duties regarding Route 66 matters as the Mayor may from time to time assign.

*(Ord. No. 25321, § 1, 5-22-2024)*

## Section 1403. Cooperation with others.

The Tulsa Route 66 Commission shall:

**A.** Work with public boards, agencies and authorities in establishing goals for projects and shall assist the City of Tulsa in the evaluation of redevelopment proposals;

**B.** Work closely with the Tulsa Metropolitan Area Planning Commission in ensuring future development, rezoning and/or planning decisions are consistent with the City's vision of Route 66 development;

**C.** Work closely with the Department of City Experience and other City departments in developing a program of beautification along public thoroughfares with appropriate landscape treatment, plantings maintenance and design of amenities, all intended to promote beauty, to preserve and enhance property values on existing streets and public spaces and to stimulate similar private efforts;

**D.** Advise the Mayor and Council of such other proposals for the use and preservation of buildings and objects of historical, architectural or cultural significance;

**E.** Identify and advise the Mayor and Council of potential grants to provide funding for related purposes in keeping with the purposes of the Route 66 Commission;

**F.** Upon specific request from the owners of private property in relation to their property or to any person, group or entity planning to erect any building or make any improvement to private property, provide advice or suggestions regarding matters solely related to Route 66 and the Commission's purposes or duties.

**G.** Upon specific request from any department or agency of the City, or public trust having the City of Tulsa as a beneficiary, provide advice and suggestions regarding matters related to Route 66 and the Commission's purposes or duties.

*(Ord. No. 25321, § 1, 5-22-2024)*

### Section 1404. Offices, meetings.

The Tulsa Route 66 Commission shall create and fill such offices as it may determine are necessary for the performance of its functions. It shall hold at least one (1) regular meeting in each month. It shall adopt rules for the transaction of business such as election of officers and subcommittee structure and shall keep a record of its resolutions, transactions, findings and determinations.

*(Ord. No. 25321, § 1, 5-22-2024)*

# TITLE 6 FINANCE DEPARTMENT

**Chapter 1. Organization and Duties**
**Chapter 2. Budget**
**Chapter 3. Treasury**
**Chapter 4. Purchasing**
**Chapter 5. Accounting**
**Chapter 6. Revenue Collection**

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. ORGANIZATION AND DUTIES

Section 100. Finance Department.
Section 101. Director of Finance.

### Section 100. Finance Department.

The Finance Department shall include Budget, Treasury, Purchasing, Accounting and Revenue Collection.

### Section 101. Director of Finance.

The Director of Finance shall be the executive head of the Finance Department. Under the direction of the Mayor, he shall be responsible for the direction, operation and administration of the various activities within the Finance Department and shall perform such other duties as may be assigned by the Mayor.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 2. BUDGET

Section 200. Budget requests—Filing.
Section 201. Itemization of budget requests.
Section 202. Approval of budget.
Section 203. Emergency operations reserve.
Section 204. Reserved.
Section 205. Annual transfer from enterprise utilities to general fund.
Section 206. Economic Development Incentive Policy.

### Section 200. Budget requests—Filing.

It shall be the duty of all departments, agencies, boards and commissions of the City of Tulsa to annually file with the Mayor the budget requests for each such department, agency, board or commission in accordance with the statutes of the state of Oklahoma, the Charter and Revised Ordinances of the City of Tulsa on forms designed and approved by the Mayor.

### Section 201. Itemization of budget requests.

The classification of proposed expenditures included within the budget requests shall be uniform for all departments, agencies, boards and commissions of the City of Tulsa, shall be reviewed by the Finance Department, and shall include such information as required by the Department, which may include the following:

**A.** An itemized estimate of the total expenditures for the next fiscal year, segregated according to basic objects of expenditures;

**B.** An itemized estimate of the expenditures for the remainder of the current fiscal year, segregated according to basic objects of expenditures;

**C.** A schedule in detail of positions and compensation, showing any increase or decrease in any department or office;

**D.** The reason for proposed increase or decrease of positions, if any, as compared with the current fiscal year; and

**E.** A detailed schedule of new equipment or other items involving capital outlay, including a justification of the same.

### Section 202. Approval of budget.

The annual budget appropriation shall be approved in compliance with the procedure established by the statutes of the state of Oklahoma, the Charter and Revised Ordinances of the City of Tulsa.

### Section 203. Emergency operations reserve.

There is hereby created, within the General Fund, an Emergency Operations Reserve, to be maintained for the purpose of sustaining General Fund operations in the case of natural or man-made disaster.

**A.** It is the objective of this ordinance that the Emergency Operations Reserve shall be maintained at a minimum of ten percent (10%) of the total General Fund budget

unless, during the annual budget process, the Mayor declares to the satisfaction of the City Council the reasons that the Emergency Operations Reserve cannot prudently be maintained at said ten percent (10%).

**B.** Funds in the Emergency Operations Reserve may be appropriated to respond to a natural or man-made disaster. If the response results in the need for additional appropriations, a budget amendment shall be submitted to the City Council as soon as total costs are determined.

**C.** Whenever funds from the Emergency Operations Reserve are used to respond to such a disaster, an effort will be made to replenish the shortfall within a reasonable time. Disaster relief reimbursements and grants received from other sources shall be used to replenish the Emergency Operations Reserve.

**D.** The Emergency Operations Reserve funds shall not be used to fund new programs, wage increases or new personnel costs.

*(Ord. No. 23062, § 1, 3-6-2014)*

### Section 204. Reserved.

**Editor's note—**Ord. No. 24392, § 1, adopted June 17, 2020, repealed § 204, which pertained to post-employment healthcare benefit reserve and derived from Ord. No. 23062, § 1, 3-6-2014.

### Section 205. Annual transfer from enterprise utilities to general fund.

**A.** In lieu of fees and taxes assessed on other public service utilities, a portion of the income derived from water service, sanitary sewer user charges, stormwater drainage system service charges, and refuse collection, shall be transferred to the City General Fund.

**B.** The amount of said portion shall be calculated thus: the average rate of all franchise fees paid by public utilities as of July 1 of a given year PLUS the City of Tulsa sales tax as of July 1 of said year.

**C.** In lieu of the provision of water and sewer services for municipal purposes described in Article III(B) of the Water System Lease Agreement and Operation and Maintenance Contract, dated February 1, 1984, and the Wastewater System Lease Agreement and Operation and Maintenance Contract, dated July 1, 1989, by and between the City of Tulsa, the Tulsa Utility Board, and the Tulsa Metropolitan Utility Authority, as those agreements may be amended or extended from time to time, an additional increment of seventy-five one hundredths of one percent (0.75%) of water service income will be transferred from the TMUA-Water Operating Fund to the General Fund.

*(Ord. No. 23742, § 1, 7-26-2017; Ord. No. 24106, § 1, 4-3-2019)*

### Section 206. Economic Development Incentive Policy.

**A. Scope.** This section shall apply to the appropriation of funds derived from sales tax ordinances and offered to third parties for the purpose of incentivizing economic development. This includes but is not limited to the Downtown Development and Redevelopment Fund, Economic Development Infrastructure Fund, Retail Incentive Policy, Retail Revolving Loan Fund, Affordable Housing Trust Fund, and any changes thereto, as well as any new economic incentive programs developed for the purpose of incentivizing economic development or similar purposes that are supported in whole or

in part by City of Tulsa funds. This section shall apply regardless of whether the economic incentive policies are administered by the City of Tulsa or contracted through an outside entity. Economic incentive programs facilitated by the Route 66 Commission or governed by a more specific ordinance are not within the scope of this section.

**B. Procedure.**

**1.** Prior to the expiration of ninety days after the effective date of this ordinance, the City shall adopt by Resolution an Economic Development Incentive Policy for the funds described in Subsection 206.A of this section.

**2.** The Economic Development Incentive Policy shall include the policies, processes, and review procedures for economic development incentives.

**3.** Any subsequent amendments to the policies, processes, and review procedures shall be approved by the Mayor and Council through Resolution.

*(Ord. No. 25080, § 1, 6-28-2023)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 3. TREASURY

Section 300. City Treasurer.
Section 301. Treasurer's bond.
Section 302. Bond records.
Section 303. Deposits and collateral.
Section 304. Designation of fiscal agent for the City.
Section 305. Disbursement of funds.
Section 306. Registration of warrants.
Section 307. Cancellation and storage of warrants and checks.

### Section 300. City Treasurer.

The City Treasurer shall:

**A.** Deposit and maintain the funds of the City in depositories approved by the Council;

**B.** Invest the funds of the City; and

**C.** Perform such other duties as assigned by the Mayor or as prescribed by the Charter, the Revised Ordinances of the City of Tulsa or by the laws of Oklahoma.

### Section 301. Treasurer's bond.

The City Treasurer shall be required to execute and file with the City Clerk a good and sufficient bond in a sum not less than One Hundred Thousand Dollars ($100,000.00) to be fixed by resolution of the Council; and the Council may from time to time, when deemed necessary, require him to give a new bond or additional bond, or may increase or decrease the amount of the bond.

### Section 302. Bond records.

The Treasurer shall keep or cause to be kept separate records for each issue of bonds outstanding against the City, whether such bonds are registered, in bearer form or in book entry form. Nothing herein shall prevent the appointment and compensation by the City of a registrar and/or a transfer and paying agent to effect the transfer of ownership or change of payee of any bonds issued by the City and to maintain books and records relating thereto.

### Section 303. Deposits and collateral.

The City Treasurer shall deposit all monies of the City of Tulsa with such institutions in the City as shall have been named as City depositories by the Council of the City of Tulsa. It shall be the responsibility of the City Treasurer to make certain that all such deposits, as well as all surety bonds, are fully collateralized as required by the City Charter, the Revised Ordinances of the City of Tulsa, the statutes of the state of Oklahoma, and/or by policies adopted by the City Council.

### Section 304. Designation of fiscal agent for the City.

Upon recommendation by the Director of Finance, following the request for and receipt of competitive bids, the Mayor shall designate a financial institution to serve as registrar or transfer and paying agent for City of Tulsa bond issues. Such designation shall be subject to any requirements as set forth in the Charter of the City of Tulsa and the statutes of the state of Oklahoma.

*(Ord. No. 17605)*

### Section 305. Disbursement of funds.

Monies may be drawn from the municipal treasury only upon a proper warrant or check as provided by law, the Charter or Revised Ordinances of the City of Tulsa; provided, however, that the Director of Finance may also authorize payments from the municipal treasury by wire transfer, direct payroll deposit or other instrument or method of disbursement through the Federal Reserve System.

*(Ord. No. 17605)*

### Section 306. Registration of warrants.

In the event that the City issues "no-fund" warrants, the Director of Finance shall keep a record of such warrants in numerical order and shall note thereon the number of the warrant, the date of its issuance, to whom issued, the date of registration, the amount of warrant and the date of payment.

*(Ord. No. 17605)*

### Section 307. Cancellation and storage of warrants and checks.

All warrants and checks paid by the City shall be canceled and stored for reproduction purposes by the Finance Department in a method deemed reliable by the Director of Finance and industry standards for a period of five (5) years.

*(Ord. Nos. 17605, 20249)*

## CHAPTER 4. PURCHASING*

Section 400. Definitions.
Section 401. City Purchasing Agent.
Section 402. Requisitions and estimates.
Section 403. Encumbrance of funds.
Section 404. Prohibition of financial interest.
Section 405. Petty expenditures.
Section 406. Competitive process required.
Section 407. Formal contract and purchase order; general requirements for competitive process.
Section 408. Central warehousing.
Section 409. Emergency purchases.
Section 410. Inspection and testing.
Section 411. Surplus supplies.
Section 412. Cooperative purchasing.
Section 413. Performance-based efficiency contracts.
Section 414. Sole source and sole brand acquisitions.
Section 415. Auction and reverse auction.
Section 416. Penalty.

### Section 400. Definitions.

**A.** Unless otherwise provided herein, for the purpose of this chapter, the following terms, phrases, words and their derivations shall have the meanings given herein.

**1.** **Architectural and Engineering Services** means professional services of an architectural or engineering nature which require professional training and/or licensing. This may include services related to landscape architecture and surveying, mapping, testing, value engineering, construction project management, and the creation of plans and specifications related to public construction projects.

**2.** **Auction** means a public sale in which items are sold to the highest bidder.

**3.** **Bid** means a response to a competitive process.

**4.** **Bidder** means a company or individual submitting a response to a competitive process.

**5.** **City** refers to the City of Tulsa, Oklahoma, and means the City government in all its forms, including not only all City departments but also any commission or board of the City acting for or on behalf of the City of Tulsa provided, however, that any improvement district created pursuant to 11 O.S. 1991 §§ 39-101, *et seq.*, or any public trust created pursuant to 60 O.S. § 176, *et seq.*, shall not be included in this definition thereby exempting such improvement districts or trusts from the provisions of this chapter.

**6.** **City's Objectives** include: a) procuring supplies, services, and information technology systems that meet the needs of the using departments, at the least

*__Editor's note—__Ord. No. 22529, § 1, adopted September 29, 2011, amended Ch. 4, in its entirety, to read as herein set out in Sections 400 through 416. Prior to inclusion of said ordinance, Ch. 4 pertained to similar subject matter. See also the Code Comparative Table and Disposition List.

expense to the City by utilizing as full and open a competitive process as practical; and b) obtaining the greatest benefit to the City in the disposition of surplus supplies by utilizing as full and open a competitive process as practical.

7. **City Purchasing Agent,** or **Agent,** is the employee holding the position of Purchasing Agent of the City of Tulsa, Oklahoma.
8. **Competitive Process** means the process by which offers are solicited, and includes: Request for quote, invitation for sealed bid, two-step sealed bid, competitive sealed proposal, request for proposal, auction, and reverse auction.
9. **Contractual Services** means services which are predominantly physical or manual in nature, and involve the furnishing of labor, any materials or supplies necessary to perform the service, time, and effort by a supplier to perform an identifiable task, not typically involving delivery of a specific end product, and includes but is not limited to: landscaping, mowing, cleaning, sweeping, hauling, pest control, security, wrecker services, and repairs and maintenance of equipment, machinery, and other City-owned property or facilities; and communication services including but not limited to telephone, long distance, cell phone, internet, and video services. The term shall not include: Professional services; insurance; employee benefit plans; financial services; architectural and engineering services; services involved in public construction projects; nor shall it include services or maintenance authorized and provided for an improvement district pursuant to 11 O.S.1991, § 39-103.1.
10. **Cooperative Purchasing Plan** shall mean an arrangement entered into between two (2) or more entities of government for acquisitions pursuant to a cooperative agreement obtained through competition.
11. **Council** is the legislative body of the City of Tulsa, Oklahoma.
12. **Electronic** means in digital, electrical, or optical form, as utilized in computer and document processing equipment.
13. **Financial Interest** means ownership by the Agent, an officer or employee of the City, or members of the immediate family of such Agent, officer or employee, individually or in combination, of five percent (5%) or more of a company or business when the value of such ownership interest exceeds Five Thousand Dollars ($5,000.00).
14. **Financial Services** means and includes, but is not limited to, banking, credit card processing, collection, auditing, debt management, investment, and arbitrage services.
15. **Immediate Family** has the meaning set forth in the City's Ethics Ordinance, 12 TRO Section 601.
16. **Information Technology System** means and includes computer equipment, software, and services necessary to provide an integrated system for communicating, processing, storing, and retrieving information electronically, the acquisition of which is governed by this chapter.
17. **Mayor** shall mean the chief executive officer of the City of Tulsa or his designee.
18. **Online** means utilizing the Internet.

19. **Performance-Based Efficiency Contracts** shall have the meaning as set forth in Title 62 Section 318 of the Oklahoma Statutes, as amended from time to time.
20. **Price** means the individual price(s) of an item, or group of items, submitted by the bidder.
21. **Professional Services** means services which are predominantly mental or intellectual in nature, rather than physical or manual, and which do not typically involve the supply of products. Professional services include: Consulting; computer programming and consulting; services to support decision making, policy development, management, administration, or the operation of management systems; and do not include architectural and engineering services, or legal services.
22. **Public** means available to and accessible by the general population. Activities conducted online are generally considered public, so long as reasonable electronic access is available to all interested parties.
23. **Public Construction Project** means construction, alteration, repair, improvement, moving, wrecking or demolition of property owned by the City. Public construction project does not include the routine maintenance of City facilities or property, the repair or improvement of personal property, or the direct purchase or lease by City of materials, equipment, supplies or other personal property. Public construction project also does not include the following personal property as set forth in paragraphs 1 through 4 of section 430.1B of Title 62 of the Oklahoma Statutes:
    **a.** Portable, or otherwise moveable, buildings and structures;
    **b.** Prefabricated metal buildings and structures, along with necessary utility services for such buildings or structures;
    **c.** Roofs placed over existing roof structures where total payments, including total payments of principal and interest under lease-purchase contracts, are not expected to exceed Twenty-Five Thousand Dollars ($25,000.00);
    **d.** Other structures or property that can be disassembled after installation and removed without permanent physical damage to existing property.
24. **Purchasing** means the functional area governed by this chapter within the Finance Department.
25. **Purchasing Card** means and includes the commercial credit card issued to authorized City employees for the purchase of supplies and services.
26. **Reverse Auction** means a public offer to buy supplies, services, and information technology systems from the lowest secure bidder.
27. **Services** means and includes contractual, professional, and financial services, the acquisition of which is governed by this chapter.
28. **Sole Brand Acquisition** means an acquisition which, by specification, restricts the acquisition to one (1) manufacturer or brand of product which can be acquired through a competitive process.
29. **Solicitation** means the document(s) used to solicit offers in a competitive process.
30. **Sole Source Acquisition** means an acquisition which, by specification, restricts the acquisition to one (1) manufacturer, or brand, of product which can only be provided by one (1) source.

31. **Supplies** means and includes, but is not limited to, all office supplies, cleaning supplies, safety supplies, materials, commodities, parts, fuel, equipment, and standard computer hardware, standard communications equipment, and standard software.

32. **Using Department** is any department, board, commission, department subdivision, section, or other unit in the City government using supplies, services, or information technology systems as herein provided, except as otherwise exempted by 11 O.S. 1991 §§ 39-101, *et seq.*, or 60 O.S. § 176, *et seq*.

**B.** When not inconsistent with the context, the masculine, feminine, and neuter genders may be used interchangeably, words used in the present tense include the future, words in the plural number include the singular number, and words in the singular number include the plural number. The word "shall" is always mandatory.

*(Ord. No. 22529, § 1, 9-29-2011)*

## Section 401. City Purchasing Agent.

The Agent shall have the powers and duties prescribed herein.

**A. Bond.** The Agent shall be bonded in the sum of One Hundred Thousand Dollars ($100,000.00).

**B. Scope of Purchasing Authority.**

1. The Agent shall have the power and it shall be the Agent's duty to purchase or contract for all supplies, services, and information technology systems needed by any using department of the City in accordance with:

   **a.** This chapter;

   **b.** Such written rules and regulations as the Agent shall adopt for the internal management and operation of purchasing, including rules and regulations concerning the receipt and disposal of supplies determined to be surplus in accordance with Section 411 of this chapter; and,

   **c.** Such other written rules and regulations as shall be prescribed by the Charter and Revised Ordinances of the City of Tulsa.

2. **Rules and Regulations.** All rules and regulations for the internal management and operation of purchasing, including rules and regulations concerning the receipt and disposal of supplies determined to be surplus in accordance with Section 411 of this chapter, shall be formulated, adopted and revised by the Agent and shall be approved by the Council and filed in the office of the City Clerk.

3. **Exception Prohibited.** The Agent when using his authority to procure supplies, services, and information technology systems for all using departments shall not exclude any particular using department.

4. **Unlawful Purchases.** Except as herein provided, it shall be unlawful for any City officer or employee to order the purchase of any supplies, services, and information technology systems or make any contract within the purview of this chapter, other than through the Agent, or his designee, and any such purchase ordered or any contract made contrary to the provisions herein shall not be approved by City officers, and the City shall not be bound thereby.

**C. Additional Powers and Duties.** In addition to the purchasing authority conferred in Subsection B. above and in addition to any other powers and duties conferred by this chapter, the Agent, or his designee, shall perform the following duties:

1. **Minimum Expenditure.** The Agent shall act to procure for the City supplies, services, and information technology systems that meet the needs of the using departments at least expense to the City.
2. **Encourage Competition.** The Agent shall endeavor to obtain as full and open competition as possible on all purchases and sales.
3. **Purchasing Analysis.** The Agent shall keep informed of current developments in purchasing, prices, market conditions and new products, and shall secure for the City the benefits of research done in the field of purchasing by other governmental jurisdictions, national technical societies, trade associations having national recognition and by private businesses and organizations.
4. **Bidder Database.** The Agent shall maintain a database of interested bidders with information including, but not limited to, the supplies, services, and information technology systems potential bidders are interested in providing to the City and the surplus supplies they may be interested in purchasing from the City.
5. **Bulk Purchases.** The Agent shall explore opportunities for buying in bulk so as to take full advantage of discounts.
6. **Federal and State Tax Exemptions.** The Agent shall act so as to procure for the City all federal and state tax exemptions to which it is entitled.
7. **Disqualification of Bidders.** The Agent shall have the authority to declare that bidders who default on their bids, purchase orders, or contracts are not secure bidders, as defined in Section 407.D., and to disqualify them from submitting bids or being awarded contracts or purchase orders from the City for a stated period of time.
8. **Written Specifications.** The Agent shall adopt and enforce written specifications as required to procure all supplies, services, and information technology systems.
9. **Standardization.** The Agent shall adopt a minimum number of standard qualities, sizes and varieties of supplies consistent with the successful operation of the City government.
10. **Effects of Adoption.** After its adoption, each standard specification shall, until revised or rescinded, apply to every future purchase and contract for the supply described in such specification.
11. **Laboratory Facilities.** The Agent shall have the authority to make use of the laboratory and engineering facilities of the City and the technical staffs thereof in preparing and adopting standards and written specifications and evaluating bids for compliance with standards and specifications.
12. **Pre-Bid Conference.** The Agent shall have the authority to conduct pre-bid conferences and make attendance mandatory for bidders wishing to submit a bid.
13. The Agent shall have the authority to establish committees to assist, as needed, in the development of specifications and requirements for bids, the development of evaluation criteria and in the evaluation of bids submitted.

*(Ord. No. 22529, § 1, 9-29-2011)*

## Section 402. Requisitions and estimates.

All using departments, with the authorization of the head of that department, shall file with the Agent, or his designee, detailed requisitions or estimates of their requirements for supplies, services, and information technology systems in such manner as the Agent shall prescribe.

**A. Unforeseen Requirements.** A using department shall not be prevented from filing with the Agent, or his designee, in the same manner, at any time, a requisition or estimate for any supplies, services, and information technology systems, the need for which was not foreseen when the detailed estimates were filed.

**B. Revisory Power in Agent.** The Agent, or his designee, shall examine such requisition or estimate and shall have the authority to revise it as to quantity, quality or estimated cost; but revision as to quality shall be in accordance with the standards and specifications established pursuant to this chapter.

**C.** The Agent, or his designee, shall have the authority to consolidate requisitions from two (2) or more using departments to take full advantage of bulk purchasing discounts.

*(Ord. No. 22529, § 1, 9-29-2011)*

## Section 403. Encumbrance of funds.

Except in cases of emergency, the Agent, or his designee, shall not issue a purchase order or present a contract for approval until the Director of Finance certifies that there is to the credit of the using department a sufficient unencumbered appropriation balance to cover the amount of such purchase order or contract.

*(Ord. No. 22529, § 1, 9-29-2011)*

## Section 404. Prohibition of financial interest.

**A. Disclosure.** The Agent, or any officer or employee of the City shall disclose in writing a financial interest in any company or business submitting a bid for a purchase order or contract within the purview of this chapter. Such disclosure shall be filed with the City Clerk immediately upon the Agent, employee or officer having knowledge that a bid will be or has been submitted to the City. Such disclosure shall reference the company or business in which the financial interest exists and shall identify the bid submitted or to be submitted. Upon receipt, the City Clerk shall forward copies of all such disclosures to the Agent, or if the disclosure is from the Agent, the City Clerk shall forward copies of all such disclosures to the Director of Finance.

**B. Prohibition.** No award shall be made to an individual, company or business in which the Agent, or any officer or employee of the City has a financial interest; provided, however, that, subject to the provisions of the Charter of the City of Tulsa, the Mayor, in any case where such disclosure has been filed, may after examination of all the facts and circumstances, award a purchase order or contract to such individual, company or business where the City will receive extraordinary benefits by virtue of such purchase order or contract. Under no circumstance shall an award be made to a company or business in which the Agent has a financial interest. Any contract or purchase order entered into in violation of this section is voidable by the City.

*(Ord. No. 22529, § 1, 9-29-2011)*

**Section 405. Petty expenditures.**

**A. Cash.** There is hereby created an account maintained, supervised, and controlled by the Director of Finance of the City for the purpose of making purchases or expenditures in cash by City officers or employees in any City department for supplies and services related to City business, which do not exceed the sum of One Hundred Dollars ($100.00). Such expenditures may be reimbursed from the account upon a signed request from the department head authorizing such purchases or expenditures.

**B. Purchasing Card.** Any City officer or employee in any City department who is an authorized user of a purchasing card may utilize the purchasing card to access the account for supplies and services related to City business, the total cost of which does not exceed the sum of Two Thousand Four Hundred Ninety-Nine Dollars and Ninety-Nine Cents ($2,499.99).

**C. Amount of Fund.** The amount to be placed in the account and the allocation of the account among the various City departments shall be determined by the Mayor or his designee.

**D. Rules and Regulations.** The Director of Finance shall promulgate written rules and regulations for the use of the account, which shall be approved by the Council and filed with the City Clerk.

*(Ord. No. 22529, § 1, 9-29-2011)*

**Section 406. Competitive process required.**

All purchases of and contracts for supplies, services, and information technology systems, except for petty expenditures covered by Section 405 and sole source acquisitions covered by Section 414, shall be made using a competitive process as defined herein. The most stringent competitive process that will achieve the City's objectives shall be used as determined by the Purchasing Agent. For all competitive processes except for the request for quote, a written statement of the reasons for not using a more stringent competitive process in a particular acquisition shall be approved by the Agent, and filed with the office of the City Clerk.

**A. Request for Quote.** The request for quote process may be used for the acquisition of supplies or services when the City's objectives will be achieved by use of such process.

**1. Criteria.** The value of the supplies or services to be obtained through this process must have an estimated cost of less than Twenty-Five Thousand Dollars ($25,000.00).

**2. Procedure.** A request for quote shall be based on competitive quotations as set forth below, and shall be awarded to the lowest secure bidder, as defined herein. The request for quote is informal, and can be made without newspaper advertisement and without the requirement for the execution of a formal contract. Upon approval by the Agent, or his designee, a purchase order shall be issued for these purchases.

**a. Minimum Number of Bids.** The Agent, or his designee, shall make at least four (4) requests by e-mail, fax, telephone or online inquiry for competitive quotations with at least one (1) such request to be made to an individual or company in the bidder database that is registered with the City as a minority owned, women owned, or disadvantaged business enterprise for the commodity code or item being purchased, if such individual or company exists in the database.

**b. Recording.** The Agent, or his designee, shall keep a record of all requests for quotes and the quotes submitted in response thereto, and such records shall be open to public inspection at all reasonable times.

**B. Invitation for Sealed Bid.** The invitation for sealed bid process shall be used for each acquisition in which the City's objectives will be achieved by such process. Supplies and contractual services are generally acquired through the sealed bid process.

**1. Criteria.** The following conditions typically warrant utilization of an invitation for sealed bid.

**a.** Specifications for the supplies and contractual services can be adequately detailed in advance, in the invitation for bid.

**b.** A satisfactory number of potential bidders exist in the market which can comply with these specifications.

**c.** It is not necessary to negotiate with a selected bidder in order for the City's objectives to be met.

**2. Procedure.** Competitive sealed bids shall be solicited from all prospective bidders who have registered in the bidder database for the items included in the acquisition. The requirements for competitive processes set forth in Section 407 shall apply to invitations for sealed bid.

**a.** The following restrictions shall apply to an invitation for sealed bid:

(1) No negotiation of material aspects of a bid is allowed.

(2) Except in the case where a valid basis for such correction is evident from the bid submitted, no alteration or correction of the bid shall be allowed.

(3) Bids shall be evaluated based on the specifications set forth in the invitation for sealed bids.

**C. Two-Step Sealed Bid.** If the City's objectives will not be achieved through an invitation for sealed bid process, then a two-step sealed bid process shall be used for the acquisition, if the use of such process will achieve the City's objectives. The two-step sealed bid process may be used for acquisitions including, but not limited to, information technology systems and contractual services.

**1. Criteria.** The following conditions typically warrant utilization of a two-step sealed bid process:

**a.** It is advantageous to the City to prequalify potential bidders and/or it is difficult for the City to develop adequate specifications for the acquisition or to specify the best method for achieving the desired result without the input of potential bidders.

**b.** It is advantageous to the City to evaluate technical offers to determine their acceptability to fulfill the procurement specifications before soliciting sealed priced bids.

**c.** It is advantageous to the City to conduct discussions for the purpose of facilitating understanding of the technical offers and procurement specifications and, where appropriate, to obtain supplemental information, permit amendments to technical offers and/or to amend the procurement specifications.

2. **Procedure.** Except as provided herein, the requirements for competitive processes set forth in Section 407 shall apply to the two-step sealed bidding process:

   **a.** The two-step invitation for bid shall state:

   (1) That unpriced technical offers are requested;

   (2) That it is a two-step sealed bid procurement, and priced bids will be considered only in the second step and only from those bidders whose unpriced technical offers are found acceptable in the first step;

   (3) The criteria to be used in the evaluation of the unpriced technical offers;

   (4) That the City may conduct oral or written discussions with bidders; and

   (5) That priced bids must be submitted at the time they are requested by the Agent, or his designee.

   **b.** After receipt of the unpriced technical offers, amendments to the invitation for bids shall be distributed only to bidders who submitted acceptable unpriced technical offers, and they shall be permitted to submit new unpriced offers or to amend those unpriced offers previously submitted.

   **c.** Unpriced technical offers shall not be disclosed publicly but shall be opened in front of at least two (2) City employees, one (1) of whom shall be the Agent, or his designee. Notwithstanding the foregoing, bidders names may be announced at a public bid opening meeting.

   **d.** The unpriced technical offers submitted by bidders shall be evaluated solely in accordance with the criteria set forth in the invitation for bids.

   **e.** The Agent, or his designee, may initiate step two of the process if, in the Agent's opinion, there are sufficient acceptable unpriced technical offers to assure effective price competition in the second step without technical discussions. If not, the Agent, or his designee, may issue an amendment to the invitation for bids or may conduct discussions, including requesting supplemental information, with any bidder submitting an acceptable technical offer.

   **f.** Upon completion of the technical discussions, if any, the evaluation of any supplemental information submitted and the final determination of the acceptable bidders, the Agent, or his designee, shall invite each acceptable bidder to submit a priced bid. No public notice of this invitation to submit bids shall be required because notice was previously given.

**D. Competitive Sealed Proposal.** If the City's objectives will not be achieved through an invitation for sealed bid or a two-step sealed bid process, then a competitive sealed proposal process shall be used for the acquisition, if the use of such process will achieve the City's objectives. The competitive sealed proposal process may be used for acquisitions including, but not limited to, information technology systems, professional services, and financial services.

1. **Criteria.** The following conditions typically warrant utilization of a competitive sealed proposal:

   **a.** It is advantageous to the City to conduct oral or written discussions with bidders, after proposals are received, concerning technical and price aspects of the proposals and/or to allow bidders to revise their proposals, including price;

**b.** It is advantageous to the City to evaluate, after proposals are received, the relative abilities of bidders to perform, including their technical or professional experience and/or expertise;

**c.** It is advantageous to the City to conduct a comparative evaluation, after proposals are received, of the differing price, service, quality, contractual factors, technical content and/or technical and performance capability of the proposals;

**d.** It is advantageous to the City to negotiate mutually agreeable terms in a contract;

**e.** It is advantageous to the City to conduct a comparative evaluation of the artistic and aesthetic merits of the proposals with price being a secondary consideration.

**2. Procedure.** Except as provided herein, the requirements for competitive processes set forth in Section 407 shall apply.

**a.** In addition to describing the specifications of the proposal, the solicitation shall state the relative importance of price and other evaluation factors.

**b.** The solicitation shall notify potential bidders that discussion may, or may not, be conducted with responsible bidders who submit proposals determined to have a reasonable probability of being selected for award for the purpose of clarification to assure full understanding of, and responsiveness to, the solicitation requirements.

**c.** Revisions to the proposals may be permitted after submissions and prior to the award for the purpose of obtaining best and final offers.

**d.** There shall be no disclosure of any information derived from proposals submitted by competing bidders until an award has been made and a contract executed.

**e.** Negotiation with the selected bidder to arrive at mutually agreeable contract terms, except for price, is allowed.

**E. Request for Proposal.** If the City's objectives will not be achieved through an invitation for sealed bid, a two-step sealed bid, or a competitive sealed proposal process, then a request for proposal process shall be used for the acquisition, if the use of such process will achieve the City's objectives. The request for proposal process may be used for acquisitions including, but not limited to professional services and financial services.

**1. Criteria.** The following conditions typically warrant utilization of a request for proposal:

**a.** If the ability to consider proposals with a variety of different proposed solutions and pricing models is the most likely way to meet the City's objectives.

**b.** Where qualitative factors overall outweigh cost in terms of importance. Qualitative factors include but are not limited to: Bidder qualifications and experience; creativity of the approach proposed; and availability of resources and capabilities to meet the specifications of the request for proposal.

**c.** Where the ability to select a bidder based on these qualitative factors, and then to negotiate contract terms including price with the selected bidder is necessary to meet the City's objectives.

**2. Procedure.** Except as provided herein, the requirements for competitive processes set forth in Section 407 shall apply.

**a.** The content of proposals shall not be disclosed until a contract with the selected bidder is executed.

**b.** The Agent, or his designee, may negotiate with the selected bidder on price and other contract terms, in order to meet the City's objectives.

**F. Auction and Reverse Auction.** Each competitive process set forth herein may include an auction, or reverse auction, as a step in the process.

*(Ord. No. 22529, § 1, 9-29-2011)*

## Section 407. Formal contract and purchase order; general requirements for competitive process.

**A.** Supplies, services, and information technology systems shall be purchased by formal written contract when: 1. the expected cost of the acquisition is greater than One Hundred Thousand Dollars ($100,000.00); and 2. the best interests of the City will be served and the City's objectives will be met by requiring contractual provisions which address critical issues including, but not limited to: detailed performance requirements; insurance requirements; bonding requirements; warranty requirements; indemnity obligations, compliance with law requirements; contract renewal options; awards to primary and secondary suppliers; price escalation; audit rights; and termination.

**B.** Supplies, services, and information technology systems may be purchased by formal written contract when: 1. the expected cost of the acquisition is less than One Hundred Thousand Dollars ($100,000.00); and 2. the best interests of the City will be served and the City's objectives will be met by requiring contractual provisions which address critical issues including, but not limited to: detailed performance requirements; insurance requirements; bonding requirements; warranty requirements; indemnity obligations, compliance with law requirements; contract renewal options; awards to primary and secondary suppliers; price escalation; audit rights; and termination.

**C.** When a contract is not required as detailed herein, a purchase order may be used in lieu of, or in addition to, a formal written contract, when the best interests of the City will be met.

**D.** General requirements for a competitive process are as follows.

**1. Notice Inviting Bids.**

**a. Advertisement.** For all competitive processes, except the request for quote, the Agent, or his designee, shall cause to be published notice inviting bids in at least one (1) newspaper or publication of general circulation in the City of Tulsa, and shall post such notice online at least five (5) days preceding the last day set for the receipt of bids or the auction. Nothing in this section shall be a limitation on advertising through additional methods, including but not limited to other relevant publications or websites, when the Agent, or his designee, determines that it is advantageous to do so. The notice required herein shall include a general description of the services required or the

articles to be purchased or sold and shall state where bid forms and specifications may be obtained and the time and place for opening bids or the public auction.

**b. Bidder Database.** The Agent, or his designee, shall also notify all prospective bidders who have requested their names to be added to the bidder database, and who have expressed interest in the commodity code(s) or items being purchased by sending a copy of such notice to acquaint them with the proposed purchase or sale.

**2. Bid Deposits.** When deemed necessary by the Agent, or his designee. Bid deposits shall be prescribed in the public notices inviting bids. Unsuccessful bidders shall be entitled to return of surety where it has been required; provided, that City may hold the bid deposit of the second lowest bidder for up to ten (10) days after the contract award to the lowest bidder.

**3. Bid Opening Procedures.** The procedures in this section apply to all competitive processes except for the informal request for quote.

**a. Sealed.** Except in the case of public auctions or competitive processes conducted online, bids shall be submitted sealed to the office of the City Clerk and shall be identified as bids. Bids submitted online shall be kept confidential, secure, and "unopened" until the time and date of the public bid opening, at which time the contents of such bids will be revealed as if they were hard-copy bids.

**b. Opening.** Bids for supplies, services, and information technology systems shall be opened in public at the time and place stated in the public notices.

**c. Tabulation.** A tabulation of all bids received shall be made by the Agent, or his designee, and the tabulation shall be available for public inspection in the office of the City Clerk, or online, at all reasonable times. For invitations for sealed bid, these tabulations shall include price information from each bid. For other competitive processes, tabulations shall only be required to include the bidders' company names.

**4. Rejection of Bids.** The Mayor shall have the authority to reject any and all bids and parts of any or all bids when in the best interest of the City.

**5. Nonresponsive Bid.** Bids which are nonresponsive to the specifications shall not be considered for recommendation of award of a contract. Reasons for a bid to be nonresponsive to the specifications include, but are not limited to:

**a.** Bid is not signed;

**b.** Bid does not include a bid deposit, if required;

**c.** Bid does not include an executed non-collusion affidavit; or

**d.** Bid does not meet specifications and requirements in some material way.

**6. Award of Contract.**

**a. Authority in the Mayor.** The Mayor shall have the authority to award contracts and/or purchase orders within the purview of this chapter. No award shall be made to a bidder if:

(1) Bidder is currently disqualified from awards by the Agent;

(2) Bidder is in default on a contract and/or purchase order with the City;

(3) Bidder is in default on the payment of taxes, assessments, license fees or other monies due the City;

(4) Bidder did not attend a mandatory pre-bid conference;

**b. Revocation of Award.** The Mayor may revoke the award of a bid for reasons including but not limited to:

(1) A properly signed contract is not submitted to the City within the time specified in the notice of recommendation of award by the Agent, or his designee;

(2) Bonds, proof of insurance, affidavits or other documents as required by the written specifications are not submitted to the City within the time specified in the notice of recommendation of award by the Agent, or his designee;

(3) Bidder fails to submit, upon request, written agreement to comply with the provisions of Title 5 of the Tulsa Revised Ordinances relating to equal employment opportunity and the utilization of minority owned, female owned, and disadvantaged business enterprises.

**c. Forfeit of Bid Deposit.** The bid deposit, if required, shall be forfeited when an award is revoked by the Mayor pursuant to this section.

**d. Lowest Secure Bidder.** Contracts or purchase orders by competitive process shall be awarded to the lowest secure bidder meeting specifications. Bid specifications may include a point system for evaluating the lowest secure bid. In determining "lowest secure bidder," in addition to price, the following factors may be considered:

(1) The ability, capacity and skill of the bidder to perform the contract or provide the service required,

(2) Whether the bidder can perform the contract or provide the service promptly or within the time specified, without delay or interference,

(3) The character, integrity, reputation, judgment, experience and efficiency of the bidder,

(4) The quality of performance by bidder of previous contracts or services,

(5) The previous and existing compliance by the bidder with laws and ordinances relating to the contract or service,

(6) The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service,

(7) The quality, availability and adaptability of the supplies, services, and information technology systems offered by bidder to the particular use required,

(8) The ability of the bidder to provide future maintenance, support and service related to bidder's offer,

(9) Where an earlier delivery date would be of great benefit to the using department, the date and terms of delivery may be considered in the bid award,

(10) The degree to which the bid submitted is complete, clear, and addresses the requirements in the bid specifications,

(11) If a point system has been utilized in the bid specifications, the number of points earned by the bidder.

(12) The total cost of ownership, including the costs of supplies, materials, maintenance, and support necessary to perform the item's intended function.

(13) If an evaluation committee performs the evaluation, the recommendation of such committee.

**e. Award to Other than Lowest Secure Bidder.** For all competitive processes except for the informal request for quote, when the bid award is not given to the lowest secure bidder meeting specifications, such award must be approved by the Council and a full and complete statement of reasons for awarding to one (1) other than the lowest secure bidder shall be entered in the minutes of the Council.

**f. Tie Bids.** If two (2) or more bids are received which are equal in the amount bid, quality and service, the contract shall be awarded to one (1) of the equal bidders as follows:

(1) To the bidder with an office within the City limits of the City of Tulsa if only one (1) bidder maintains an office within the City limits of the City of Tulsa;

(2) If no bidder maintains an office within the City limits of the City of Tulsa, to the bidder with an office in the state of Oklahoma if only one (1) bidder maintains an office in the state of Oklahoma;

(3) If neither section above is determinative, by the drawing of lots in a public meeting.

**g. Bonds.** The Agent, or his designee, shall have the authority to require that the successful bidder provide a performance bond, and/or other types of bonds, in such amount as he shall find reasonably necessary to protect the best interests of the City which requirement, if any, shall be included in the written specifications.

**h. Insurance.** The Agent, or his designee, shall have the authority to require that the successful bidder submit proof of insurance in such amount as he shall find reasonably necessary to protect the best interest of the City, which requirement, if any, shall be included in the written specifications.

**i. Splitting Acquisitions.** No acquisition shall be made upon a requisition, or petty expenditure, which divides a known quantity or fails to consolidate a known quantity for the purpose of evading the requirement of a competitive process.

*(Ord. No. 22529, § 1, 9-29-2011)*

## Section 408. Central warehousing.

The Agent may, in his discretion, establish central storerooms and warehouses for the safe storage of all supplies common to more than one (1) using department. The Agent, or his

designee, shall be responsible for the supervision and control of such storerooms and warehouses and the supplies contained therein, and shall keep at all times a current inventory of such supplies along with complete records as to the acquisition and disposition of such supplies. With respect to supplies of a type peculiar to a using department, the Agent may permit them to be stored in storerooms or warehouses under the supervision of the head of that department, provided that such individual shall be required to maintain a current inventory of all such supplies and shall furnish the Agent, or his designee, with periodic reports showing the current inventory acquisition and disposition of all such supplies. The Agent, or his designee, shall be empowered to inspect such storerooms or warehouses at any time for the purpose of verifying the correctness of the inventory furnished, and for all other purposes connected with the performance of his duties under the terms of this chapter.

*(Ord. No. 22529, § 1, 9-29-2011)*

**Section 409. Emergency purchases.**

**A. By Agent.** In case of an emergency which requires the immediate purchase of supplies or services, the Mayor shall be empowered to grant written authorization to the Agent, or his designee, to secure by an informal request for quotes procedure, as herein set forth, at the lowest obtainable price, any supplies or services, regardless of the amount of the expenditure, subject to all the terms and provisions of the Charter of the City of Tulsa. A full report of the circumstances of the emergency purchase shall be filed by the Agent, or his designee, with the City Clerk and shall be open to public inspection.

**B. By Department Head.** In case of an emergency occurring outside normal office hours, or where a disaster event has been declared by the Mayor, the head of any using department may, with the consent of the Agent and the approval of the Mayor, purchase directly any supplies or services whose immediate procurement is essential to prevent delays in the work of the using department which may vitally affect the life, health or convenience of the citizens.

*(Ord. No. 22529, § 1, 9-29-2011)*

**Section 410. Inspection and testing.**

The Agent, or his designee, shall inspect or supervise the inspection of all deliveries of supplies, services, and information technology systems to determine their conformance with the specifications set forth in the order or contract.

**A. Inspection by Using Department.** The Agent shall have the authority to authorize using departments having the staff and facilities for adequate inspection to inspect all deliveries made to such departments under rules and regulations which the Agent shall prescribe.

**B. Tests.** The Agent shall have the authority to require chemical and physical tests of samples submitted with bids and samples of deliveries which are necessary to determine their quality and conformance with the specifications. In the performance of such tests, the Agent, or his designee, shall have the authority to make use of laboratory facilities of any department of the City or of any outside laboratory.

*(Ord. No. 22529, § 1, 9-29-2011)*

## Section 411. Surplus supplies.

All using departments shall submit to the Agent, or his designee, at such times and in such form as he shall prescribe, reports showing stocks of all supplies which are no longer used or which have become obsolete, worn out or scrapped. All sales of supplies which are no longer needed for a public purpose, and personal property which has become obsolete and unusable shall, when the estimated value exceeds One Thousand Dollars ($1,000.00), be sold by a competitive process to the highest secure bidder, after due notice inviting bids.

Dispositions of any structures, fixtures and other improvements on real property, other than dispositions by sale, are excluded from the provisions of this chapter and shall be handled as a matter of site clearance under policies and procedures to be adopted by the Mayor.

**A. Transfers.** The Agent shall have the authority to transfer surplus supplies to other using departments.

**B. Sales.** The Agent, or his designee, shall have the authority to:

**1.** Sell by a competitive process all City supplies which are no longer needed, have become unusable or obsolete; or

**2.** Upon approval of the Mayor, to exchange or trade such supplies for new or reconditioned supplies which have an equal or greater market value, or to exchange such supplies for services which have an equal or greater market value and that will have a direct benefit to the City. A statement of the reasons for such exchange shall be recorded with the office of the City Clerk.

*(Ord. No. 22529, § 1, 9-29-2011)*

## Section 412. Cooperative purchasing.

Notwithstanding the foregoing limitations, a competitive process shall not be required and the Agent shall have the authority, instead, to make purchases from a cooperative purchasing plan or under contracts let by the state of Oklahoma, where such cooperative purchasing plans or state of Oklahoma contracts were obtained through prior competition, when the best interests of the City would be served.

*(Ord. No. 22529, § 1, 9-29-2011)*

## Section 413. Performance-based efficiency contracts.

**A. Criteria.** The performance-based energy efficiency contract procedure may be utilized when the best interest of the City will be served, and the City's objectives will be met.

**B.** *Procedure.* All performance-based efficiency contracts pertaining to supplies, materials, equipment or services shall be governed by Title 62 Section 318 of the Oklahoma Statutes, as may be amended from time to time, including limitations, if any, on the expenditures for such supplies, materials, equipment or services.

*(Ord. No. 22529, § 1, 9-29-2011)*

## Section 414. Sole source and sole brand acquisitions.

**A. Sole Source.**

**1. Criteria.** The Mayor may waive the requirement for a competitive process for the purchase of supplies or services when some material feature or characteristic of the

supply or service sought to be purchased is unique and the Agent has certified that to the best of his knowledge, after diligent inquiry, the supply or service is available from only one (1) source. The Agent may also waive this requirement for a competitive process but only where the expected cost for the supply or service is less than Twenty-Five Thousand Dollars ($25,000.00).

2. **Procedure.** The Agent may require the department head or official requesting the bid waiver to submit an affidavit identifying the unique and material features or characteristics of the supply or service. A full and complete statement of the reasons for approving each waiver of the competitive process shall be filed with the City Clerk.

**B. Sole Brand.**

1. **Criteria.** Where some material feature of one (1) manufacturer, or brand, of supply or service is unique, but the supply or service is available from more than one (1) supplier, a sole brand competitive process limiting bids to that manufacturer, or brand, can be approved.

2. **Procedure.** The Agent may require the department head or official requesting the sole brand to submit an affidavit identifying the unique and material features or characteristics of the brand, or manufacturer, of the supply or service. A competitive process which limits, by specification, acceptable bids to one (1) manufacturer or brand of item, shall be used. Except as provided herein, the requirements for competitive processes set forth in Section 407 shall apply.

*(Ord. No. 22529, § 1, 9-29-2011)*

### Section 415. Auction and reverse auction.

**A. Criteria.** When it is practicable and advantageous for the City to utilize an auction to sell surplus supplies, or a reverse auction to buy supplies, services, or information technology systems, and when it meets the City's objectives to do so, the Agent, or his designee, may employ an auction or reverse auction process.

**B. Procedure.** Auctions or reverse auctions may be conducted online, in-person, or both at the same time. Auctions or reverse auctions may be conducted live, with bidders competing in real time. Bidders' participation in an auction or a reverse auction may be required as a step in another competitive process.

*(Ord. No. 22529, § 1, 9-29-2011)*

### Section 416. Penalty.

All City officers and employees shall comply with the provisions of this chapter. Noncompliance shall be sufficient grounds for dismissal from the service of the City, whether the offender be in the classified or unclassified service.

*(Ord. No. 22529, § 1, 9-29-2011)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 5. ACCOUNTING

Section 500. Duties of Director.
Section 501. Payment for salaries, purchases and claims against the City.
Section 502. Director to report fee schedule.

### Section 500. Duties of Director.

The Director of Finance shall maintain accounts of all revenues, fines, licenses, fees and funds of the City, shall establish and supervise a system of general and cost accounting and shall maintain inventories of the property of the City.

### Section 501. Payment for salaries, purchases and claims against the City.

**A. Payment.** All payments for salaries, purchases and claims against the City may be made by proper warrant or check signed by the Mayor, countersigned by the Director of Finance, drawn upon the City Treasury and charged to the proper account; provided, however, that the Director of Finance may also direct payments from the municipal treasury by wire transfer, direct payroll deposit or other instrument or method of disbursement through the Federal Reserve System. No disbursement shall be made unless proper funds are available for the payment of same.

**B. Internal control structure established.** Warrants, checks or other instruments of disbursement from the municipal treasury shall be prepared and issued strictly in accordance with an internal control structure developed and maintained by the Director of Finance which, at a minimum, shall include the following requirements.

**1. Segregation of duties and responsibilities.**

**a.** Responsibilities for requisitioning, purchasing and receiving functions shall be segregated from those for invoice processing, accounts payable and general ledger functions.

**b.** Responsibilities for the purchasing function shall be segregated from those for requisitioning and receiving functions.

**c.** Responsibilities for invoice processing and accounts payable functions shall be segregated from those for the general ledger functions.

**d.** Responsibilities for the disbursement preparation and approval functions shall be segregated from those for the recording of cash disbursements and general ledger entries.

**e.** Responsibilities for entries in the cash disbursement records shall be segregated from those for general ledger entries.

**2. Procedural controls - requisitioning.**

**a.** Purchases of goods and services shall be initiated only by properly authorized requisitions bearing the approval of officials designated to authorize requisitions.

**b.** The person requesting the purchase shall indicate the particular appropriation to be charged on each purchase requisition.

**c.** Before issuance of a purchase order or contract, the Director of Finance or his designee shall verify that there are sufficient unobligated funds remaining under the designated appropriation to meet the proposed expenditure.

**d.** Competitive bidding procedures shall be utilized in accordance with state statutes, the Charter and Revised Ordinances of the City of Tulsa.

**e.** Policies regarding conflicts of interest and business practice shall be established and distributed.

**f.** The awarding of personal service or construction contracts shall be in accordance with predetermined selection criteria and shall require adequate documentation of the award process.

**g.** Changes to contracts or purchase orders shall be subjected to the same controls and approvals as the original agreement.

**h.** Receiving reports for all purchased goods shall be prepared and transmitted to the Purchasing and Accounting Divisions of the Finance Department.

**3. Procedural controls - invoice processing.**

**a.** Invoice processing procedures established by the Director of Finance shall provide for:

(1) Obtaining copies of purchase orders and receiving reports,

(2) Comparison of invoice quantities, prices and terms with those indicated on the purchase order,

(3) Comparison of invoice quantities with those indicated on the receiving reports, and

(4) Checking the accuracy of calculations.

**b.** Procedures shall be developed and maintained ensuring accurate account distribution of all entries resulting from invoice processing.

**c.** Changes to the electronic data processing master vendor file shall be made only by employees authorized by the Director of Finance to make such changes.

**d.** The Accounting Division of the Finance Department shall maintain a current list of those authorized to approve expenditures.

**e.** Procedures shall be developed and maintained for the submission and approval of reimbursements to employees for travel and other expenses.

**f.** Steps shall be taken to ensure a new supplier actually exists if an invoice is received from a supplier not previously dealt with.

**g.** Payments shall be made on the basis of original invoices which have been approved by the individual (or his designee) responsible for the appropriation to which the expenditure will be charged.

**h.** Differences in invoice and purchase order prices, terms, shipping arrangements or quantities shall be referred to the Purchasing Agent for review and approval.

**4. Disbursements - procedural controls.**

**a.** Both the Mayor and the Director of Finance shall be required to sign checks and warrants approved to be issued.

**b.** Banks will be promptly notified when a new signer is authorized or a previous signer leaves the employ of the City of Tulsa.

**c.** Signature plates, when not in use, shall be maintained in the custody of the City Controller.

**d.** Signature plates shall be used only under the signer's control and the signer or his designee shall record all machine readings to ensure that all signed checks and warrants are properly accounted for.

**e.** Signed checks and warrants shall be delivered directly to the mail room, to the individual designated for payment, or to an individual approved by the Director of Finance.

**f.** Procedures shall be established and maintained for control of and accounting for all checks and warrants with specific safeguards over unused and voided checks and warrants.

**g.** Responsibilities for preparation of checks and warrants shall be separated within the Finance Department from the distribution of checks and warrants.

*(Ord. No. 17605)*

## Section 502. Director to report fee schedule.

Beginning in the year 2015 and every five (5) years thereafter, the Director of Finance in his or her capacity as City Clerk, or his or her designee, shall report to the City Council the current fee schedule for permits, licenses and accounts, and all other fees and charges made by the City.

*(Ord. No. 22816, § 1, 2-7-2013)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 6. REVENUE COLLECTION

Section 600. Collection of revenues.
Section 601. Demand for money.
Section 602. Receipt of revenues.
Section 603. Record of collections.
Section 604. Collection of an administrative service charge on dishonored and returned checks or other payments.
Section 605. Additional fee for a debt which is referred for collection pursuant to contract.
Section 606. Contracts with persons having delinquent accounts.

### Section 600. Collection of revenues.

It shall be the duty of the Director of Finance ("Director") to collect all taxes, assessments, permit and license fees as provided by ordinances in addition to all revenues which are required by the Charter to be collected by the City.

### Section 601. Demand for money.

The Director shall make demands and receive from the County Treasurer or other persons all monies received by them for the use of the City. Whenever any person is indebted to the City in any manner, and the means of collection of the debt is not otherwise provided for by law or ordinance, the Director shall be authorized and it shall be his duty to demand and receive payment. When any claim is not collected, he shall report this fact to the City Attorney. He shall maintain a continuous inspection of all taxes, assessments, licenses and fees and other revenues due the City in order to effectuate their collection.

### Section 602. Receipt of revenues.

It shall be the duty of the Director to give receipts for all moneys collected by him on behalf of the City, copies of which shall be retained in the Finance Department for the time required by law. The receipt shall show the date of issue, to whom issued, the amount collected, the nature of the collection and the fund and account to be credited.

### Section 603. Record of collections.

It shall be the duty of the Director to keep records of all monies received by him, the source of the monies, the funds and accounts to which they are applied and the date of collection.

### Section 604. Collection of an administrative service charge on dishonored and returned checks or other payments.

The Director shall levy and collect an administrative service charge for each payment issued to and received on account by the City of Tulsa, regardless of the method or form of payment, e.g., check, credit card, debit card, electronic transfer or any other attempted payment of value, whenever the payment fails or is dishonored and returned for any reason. The administrative service charge shall be Twenty-five Dollars ($25.00); provided, however, that the charge may be waived by the Director upon the drawer's showing of reasonable and extenuating circumstances beyond the drawer's control.

*(Ord. Nos. 17703, 20591)*

## Section 605. Additional fee for a debt which is referred for collection pursuant to contract.

**A.** Subject to the provisions of the Amended Charter and the Tulsa Revised Ordinances, and as provided in 11 O.S. Section 22-138.A.1., the Mayor, on behalf of the City, shall be authorized to enter into a contract with a collection agency for the provision of collection services for debts and accounts receivable including but not limited to unpaid charges, fees, penalties, interest and other sums due the City.

**B.** Upon the City entering into a contract with a collection agency as authorized in Subsection A. of this section, an additional sum may be added to the original amount of the indebtedness to reimburse the City the actual and contracted collection fee arising from the contract with the collection agency in an amount not to exceed thirty-five percent (35%) of the original indebtedness.

*(Ord. No. 22157, § 1, 11-12-2009)*

## Section 606. Contracts with persons having delinquent accounts.

The Mayor shall not execute any new contract with, or issue any new permit or license to, any person against whom there is an unsatisfied claim for previous services or any unpaid, past due fees, assessments, or charges of any kind; provided, however, that the Mayor may execute a new contract or issue a new permit or license, in unusual circumstances, upon agreement to pay such claim by installments. For the purposes of this section, a "Person" is defined as a human being, a corporation, limited liability company, partnership, unincorporated association, trust, trustee, legal representative, or any other entity or organization.

*(Ord. No. 25049, § 1, 5-24-2023)*

# TITLE 7 CEMETERIES

**Chapter 1. Cemeteries**
**Chapter 2. Unclaimed Bodies**

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. CEMETERIES

Section 100. Oak Lawn Cemetery.
Section 101. Supervision.
Section 102. Cemetery Sexton.
Section 103. Sale of lots.
Section 104. Grave regulations.
Section 105. Shrubbery regulations.
Section 106. Monuments.
Section 107. Dogs prohibited.
Section 108. Potter's Field.
Section 109. Previous acts ratified.
Section 110. Penalty.

### Section 100. Oak Lawn Cemetery.

The following tract of real estate owned by the City of Tulsa, as successor to the Incorporated Town of Tulsa, Indian Territory, Oklahoma, to-wit:

The South half of the Southeast Quarter of the Southeast Quarter of Section One (1), Township Nineteen (19) North, Range Twelve (12) East, and all of Block Four (4) except lots One (1) and Two (2); all in Oak Lawn Addition to the City of Tulsa as shown by the recorded plat thereof, shall be known as Oak Lawn Cemetery.

### Section 101. Supervision.

Oak Lawn Cemetery and any other cemeteries now owned or hereafter acquired by the City shall be under the supervision and control of the Mayor who shall have the power to adopt and enforce such rules and regulations for the maintenance and care of those cemeteries as to him shall seem necessary and proper and not in conflict with the Revised Ordinances of the City of Tulsa. The subdividing of lots and the laying out, defining and establishing of drives, walks and public ways in the City shall be by the City Engineer.

### Section 102. Cemetery Sexton.

The Cemetery Sexton shall keep City cemeteries in a good state of repair, shall keep the weeds mowed in the cemeteries and in a space of three (3) feet on the outside of cemetery fences. He shall dig all graves and fill them at the time of burials.

*(Ord. Nos. 113, 4503)*

### Section 103. Sale of lots.

All lots sold in City cemeteries shall be sold, subject to the provisions of this section.

**A. Paid in full before interment.** Persons desiring to acquire lots in cemeteries or to have interments made upon lots already owned shall obtain from the City Clerk the correct description and cost of such lot or grave, and shall pay the entire amount of the cost of such lot or grave into the Office of the Director of Finance. It shall be the duty of the Director of Finance to issue receipts in triplicate for such payment. The original receipt shall be delivered to the purchaser of the lot, the duplicate of the receipt shall be given to the City Clerk, and the triplicate of the receipt shall be retained by the Director of Finance. No lot or parcel of lot or any interest therein shall be sold to any

person other than the City until the provisions of this section shall have been complied with, and no interment shall be made by any person until the lot wherein the interment is to be made shall have been paid for in full, in cash. The price of lots shall be prescribed by ordinance.

**B. Mayor executes deed.** Any person holding a receipt for the payment of any lot in City cemeteries shall be entitled to a deed for the lot, and it shall be the duty of the Mayor to execute the deed and have it attested by the City Clerk; provided that all deeds, when executed, shall be construed as granting the right only to use the lot or lots for burial purposes for the interment of the grantee, or his relatives, descendants and such other persons as may be permitted by the grantee. Such burial right shall not be transferable by either voluntary or involuntary conveyance without the express consent of the Mayor.

**C. City may repurchase - other sales invalid.** No owner of any lot or parcel of lot shall sell the whole or any part thereof, except that the City of Tulsa may repurchase the lot or parcel of lot whenever the Mayor shall, after investigation of a particular case, agree to repurchase a lot formerly sold. No money, except One Dollar ($1.00), shall be repaid to the original purchaser until the lot has been resold by the City, and the original purchaser shall receive, upon reconveyance by him of the lot or lots, only the amount of money which shall be received from such resale, less One Dollar ($1.00). No interment shall be allowed until full payment for the lot or lots or any part thereof has been made.

*(Ord. Nos. 1500, 4503)*

### Section 104. Grave regulations.

All graves shall be dug by employees of the City. A reasonable charge will be made in an amount to be prescribed by ordinance, and shall be uniform in all cases. The graves of adults must be at least four and one-half (4½) feet deep, and those of children under the age of fifteen (15) years of age, not less than four (4) feet deep. In case of contagious diseases, the Mayor shall have the power to prescribe the kind of casket and depth of grave. All graves shall be sodded over by the City at its own expense with mounds not to exceed four (4) inches of elevation in the center with rounded sides and ends. The graves shall be cared for by the City. No curbing or fence shall be allowed or upon any grave or lot; nor shall any lot or grave be raised except as provided in this section.

*(Ord. No. 669)*

### Section 105. Shrubbery regulations.

No person shall plant any trees, shrubbery, flowers or plants of any description within City cemeteries except by direction of the Mayor.

*(Ord. No. 1500)*

### Section 106. Monuments.

The proprietor of each lot shall have the right to erect stone markers or monuments lying flush with the ground, so as not to interfere with proper care of the grass. He shall have no right to erect any mausoleum, stone monuments or other structure not lying flush with the surface; provided, however, that the Mayor, upon application particularly describing the mausoleum, monument or other structure desired to be erected, may grant a special permit

in writing, particularly describing the structure to be erected, if the Mayor finds that the structure will be in harmony with structures already in the cemetery and will not interfere with the care thereof.

### Section 107. Dogs prohibited.

No dogs shall be allowed within cemetery grounds.

*(Ord No. 669)*

### Section 108. Potter's Field.

It shall be the duty of the Mayor to set apart a certain portion of the cemetery grounds for the use and benefit of the poor, which shall be known as the "Potter's Field," where all persons who are unable to purchase lots shall have the right to inter their dead free of charge; provided, however, that all persons who wish to inter their dead in the Potter's Field shall first procure a permit from the Director of the Tulsa City-County Health Department, which permit shall give them the right to bury in the Potter's Field only.

*(Ord. No. 113)*

### Section 109. Previous acts ratified.

All acts of any nature or kind which have been performed by any Cemetery Board, heretofore appointed by the Mayor of the Incorporated City or its governing body, pertaining to the selection, purchase, surveying, fencing and platting of the cemetery ground, or in any other way appertaining to the same, is hereby ratified.

*(Ord. No. 113)*

### Section 110. Penalty.

Any person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction thereof, shall be punished by a fine of not more than One Hundred Dollars ($100.00), including costs.

*(Ord. No. 16530)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 2. UNCLAIMED BODIES

Section 200. Dead on arrival procedure.
Section 201. Rotation schedule among funeral establishments for bodies with no placement instructions.

### Section 200. Dead on arrival procedure.

All operators and certified personnel shall comply with the provisions of 63 O.S. § 931, *et seq.*, when the subject of the call is dead upon the arrival of emergency or medical personnel at the scene. Determination of one's death shall be made in accordance with applicable state statutes and established protocols, referenced in part in Title 37-A, Tulsa Revised Ordinances.

*(Ord. No. 21932, § 1, 10-23-2008)*

### Section 201. Rotation schedule among funeral establishments for bodies with no placement instructions.

In the event of a "dead on arrival" or a body which is available to be released under State law and is located at a hospital or other medical facility, if the next of kin, or other responsible person, gives no instruction to the facility operator and/or individual providing ambulance service directing the place where the body shall be taken, the body shall be delivered to the funeral establishment of a licensed funeral director of the City on a rotational basis established as follows:

**A.** Each interested funeral establishment certified by the Oklahoma State Funeral Board as doing business in the City shall notify the City Clerk of the City of Tulsa of its intent to participate in the rotation schedule. Such participation may be withdrawn with at least thirty (30) days' written notice to the City Clerk for the City of Tulsa, otherwise, it remains effective as long as the funeral establishment legally remains in business in the City. If the license to do business in the City of Tulsa is suspended or revoked, the funeral establishment shall immediately notify the City Clerk, and the funeral establishment shall be removed from the rotation schedule for the period of the suspension or revocation.

**B.** The City Clerk shall list the participating funeral establishments on a schedule in the order of receipt of their notification. This schedule shall be distributed to the Emergency Medical Services Authority (EMSA), the Telecommunications/Dispatch department of the City of Tulsa, each funeral establishment participating in the rotation and any other person or entity requesting a copy of the schedule.

**C.** Each funeral establishment listed on the schedule shall receive bodies under their rotation schedule for a period of one (1) week, after which, the next funeral establishment so listed shall receive all such bodies for one (1) week, until all funeral establishments comprising the total list have participated, at which time the rotation schedule shall repeat itself. Each week shall start at 6:00 a.m. on Monday morning and continue until 6:00 a.m. the following Monday morning. The date and time of the call shall be determined as of the date and time the body has been released by all appropriate authorities as determined by the entity then in possession of the body.

**D.** If a funeral establishment cannot take possession of the body, as soon as practicable, it shall notify and explain the situation to the City, either orally or in writing, and request another funeral establishment be authorized to take possession of the body.

If a funeral establishment does not take possession of a body within twenty-four (24) hours after the call requesting transport service is made and has not notified the City as provided herein, the City may authorize the next funeral establishment in the rotation to take possession of the body. In such event, the funeral establishment shall submit a written explanation for the failure to the City Clerk within ten (10) calendar days.

**E.** The City Clerk shall review participation requests, conduct hearings and make the determinations required for the proper and efficient implementation and enforcement of the requirements of this chapter.

*(Ord. No. 21932; Ord. No. 21932, § 1, 10-23-2008)*

# TITLE 7-A DEPARTMENT OF CITY DEVELOPMENT (REPEALED)*

*__Editor's note—__Executive Order 92-03, dated January 24, 1992, abolished the Department of City Development, thereby effectively repealing Title 7-A.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

# TITLE 8 CIVIL DEFENSE AND CIVIL EMERGENCY

**Chapter 1. Definitions**
**Chapter 2. Civil Emergency**
**Chapter 3. Penalty and Severability**

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. DEFINITIONS

Section 100. Definitions.

### Section 100. Definitions.

**A. Civil emergency.** A civil emergency is:

**1.** A riot or unlawful assembly characterized by the use of actual force or violence or any threat to use force if accompanied by immediate power to execute by three (3) or more persons acting together without authority of law; or

**2.** Any natural disaster or man-made calamity including flood, conflagration, cyclone, tornado, earthquake or explosion within the corporate limits of the City of Tulsa resulting in the death or injury of persons or the destruction of property to such an extent that extraordinary measures must be taken to protect the public health, safety and welfare.

**B. Curfew.** A curfew is a prohibition against any person or persons walking, running, loitering, standing or motoring upon any alley, street, highway, public property or vacant premises within the corporate limits of the City of Tulsa, except persons officially designated to duty with reference to a civil emergency.

*(Ord. No. 10889)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 2. CIVIL EMERGENCY

Section 200. Proclamation by Mayor.
Section 201. Curfew.
Section 202. Powers of Mayor.

### Section 200. Proclamation by Mayor.

When, in the judgment of the Mayor, a civil emergency as defined herein is deemed to exist, he shall proclaim in writing the existence of a civil emergency.

*(Ord. No. 10889)*

### Section 201. Curfew.

After proclaiming a civil emergency, the Mayor may order a general curfew applicable to such geographical areas of the City or to the City as a whole as he deems advisable and applicable during such hours of the day or night as he deems necessary in the interest of the public safety and welfare.

*(Ord. No. 10889)*

### Section 202. Powers of Mayor.

After proclaiming a civil emergency, the Mayor may also, in the interest of public safety and welfare, make any or all of the following orders:

**A.** The closing of all retail liquor stores;

**B.** The closing of all beer taverns;

**C.** The closing of all private clubs or portions thereof wherein the consumption of intoxicating liquor or beer is permitted;

**D.** The discontinuance of the sale of beer;

**E.** The discontinuance of selling, distributing or giving away gasoline or other liquid, flammable or combustible products in any container other than a gasoline tank properly affixed to a motor vehicle;

**F.** The closing of gasoline stations and other establishments, the chief activity of which is the sale, distribution or dispensing of liquid, flammable or combustible products;

**G.** Such other orders as are imminently necessary for the protection of life and property.

*(Ord. No. 10889; Ord. No. 23101, § 2, 5-1-2014)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 3. PENALTY AND SEVERABILITY

Section 300. Penalty.

### Section 300. Penalty.

Any person violating the provisions of this title or of an Executive Order issued pursuant to it shall be guilty of an offense, and upon conviction thereof, shall be punished by imprisonment in the City jail for a period not to exceed ninety (90) days and/or by a fine of not more than One Hundred Dollars ($100.00), excluding costs.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

# Title 8-A TULSA NINE-ONE-ONE EMERGENCY NUMBER

## Chapter 1. Tulsa Nine-One-One Emergency Number

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. TULSA NINE-ONE-ONE EMERGENCY NUMBER

Section 100. Short title.
Section 101. Emergency telephone service.
Section 102. Emergency telephone number.
Section 103. Definitions.
Section 104. Emergency telephone fee.
Section 105. Collection of fee.
Section 106. Failure to remit fee.
Section 107. False reporting.
Section 108. Fee for excessive nonemergency use.

### Section 100. Short title.

This chapter shall be known and may be cited as the Tulsa Nine-One-One Emergency Number Ordinance.

*(Ord. No. 22025, § 3, 3-5-2009)*

### Section 101. Emergency telephone service.

The City shall provide for the operation of emergency telephone services and enhanced 9-1-1 emergency services including services for 9-1-1 calls received from interconnected Voice over Internet Protocol (VoIP) service users.

*(Ord. No. 22025, § 3, 3-5-2009)*

### Section 102. Emergency telephone number.

The number 9-1-1 is hereby established as the primary emergency telephone number for use throughout the City in order to expedite the response of law enforcement, fire, medical, rescue, and other emergency services to any person requiring such assistance.

*(Ord. No. 22025, § 3, 3-5-2009)*

### Section 103. Definitions.

As used in this chapter, the following words and phrases shall have the meanings given herein.

**City** shall mean the City of Tulsa, Oklahoma, a municipal corporation.

**Emergency telephone fee** shall mean a fee used to finance the operation of the emergency telephone service.

**Emergency telephone service** shall mean any telephone or other communication system utilizing a three-digit number, nine-one-one (9-1-1), for reporting an emergency to the appropriate public agency providing law enforcement, fire, medical, rescue, or other emergency services, including ancillary communications systems and personnel necessary to pass a reported emergency to the appropriate emergency service personnel.

**Governing body** shall mean the Council of the City of Tulsa.

**Local exchange telephone company** shall mean any person providing exchange telephone service to any service user within the corporate limits of the City of Tulsa.

**Person** shall include, but not be limited to, any individual, firm, partnership, copartnership, joint venture, association, cooperative organization, private corporation, whether organized for profit or not, fraternal organization, nonprofit organization, estate, trust, business or common law trust, receiver, assignee for the benefit of creditors, trustee or trustee in bankruptcy, the United States of America, the state, political subdivisions of the state, or any federal or state agencies, departments, commissions, boards or bureaus within the corporate limits of the City of Tulsa.

**Service user** shall mean any person who is provided emergency telephone service within the corporate limits of the City of Tulsa.

**Tariff rate** shall mean the rate or rates billed by the local exchange telephone company and stated in tariffs applicable to such company as approved by the Oklahoma Corporation Commission, which represents the recurring charges of the local exchange telephone company for exchange telephone service or its equivalent, exclusive of all taxes, fees, licenses or other similar charges.

**Telephone company** shall mean any person providing telephone service or other communications service capable of accessing the emergency telephone system to any service user.

**VoIP** shall mean voice over internet protocol.

**VoIP carrier** shall mean a person who offers a dial tone telephone service to a customer under authority of the Federal Communications Commission and who is required to collect a fee for funding of emergency telephone service.

**Wireless carrier** shall mean a person who offers a wireless telephone service and who is required to collect a fee for funding of emergency telephone service.

*(Ord. No. 22025, § 3, 3-5-2009)*

## Section 104. Emergency telephone fee.

**A. Emergency Telephone Fee 1989—1991.** Pursuant to the Nine-One-One Emergency Number Act, 63 O.S.1991, §§ 2811, *et seq.*, and the enactment of City of Tulsa Ordinance No. 17058, which became operative January 1, 1989, there was levied upon all service users subject to the jurisdiction of the City of Tulsa for whom emergency telephone service was contracted, an emergency telephone fee in the amount of five percent (5%) of the tariff rate in the first year of the fee and in the amount of three percent (3%) of the tariff rate for the following two (2) years, expiring at midnight on December 31, 1991.

**B. Emergency Telephone Fee 1992—1994.** Pursuant to the Nine-One-One Emergency Number Act, 63 O.S.1991, §§ 2811, *et seq.*, to be operative from January 1, 1992, through midnight, December 31, 1994, there is hereby levied upon all service users subject to the jurisdiction of the City of Tulsa for whom emergency telephone service has been contracted, an emergency telephone fee in the amount of three percent (3%) of the tariff rate; provided, however, that the electors of the City may impose a fee not to exceed five percent (5%) of the tariff rate according to the provisions of 63 O.S. Supp. 1996, § 2814. Amounts collected in excess of those necessary for operation of the emergency telephone service within any given year shall be carried forward to subsequent years. No such fee shall be imposed upon more than one hundred (100)

exchange access lines or their equivalent per person per location. The governing body of the City may renew the levy of the emergency telephone fee, by amendment hereto, for periods no longer than three (3) years at a time.

**C. Emergency Telephone Fee Effective May 1, 1994, to the Effective Date of this Ordinance.** Pursuant to the Nine-One-One Emergency Number Act, 63 O.S.Supp.1991, §§ 2811 *et seq.*, the governing body of the City finds that there exists a need for ancillary communications systems, inclusive of mobile data communications systems, necessary to pass a reported emergency to the appropriate emergency service and personnel. In fulfillment of this need, unless made subject to an election as provided in 63 O.S.Supp.1996, § 2814, effective May 1, 1994 and for such additional time as is needed to purchase said ancillary communications systems and equipment, there is hereby levied upon all service users subject to the jurisdiction of the City of Tulsa for whom emergency telephone service has been contracted, an emergency telephone fee in the amount of five percent (5%) of the tariff rate. This five percent (5%) emergency telephone fee shall be in lieu of the three percent (3%) emergency telephone fee provided in Subsection B herein. The continued need to purchase said ancillary communications systems and equipment shall be reviewed at least once each calendar year as provided in Subsection D herein.

**D. Emergency Telephone Fees Effective upon the Effective Date of this Ordinance.**

**1.** Pursuant to the Nine-One-One Emergency Number Act, 63 O.S. Supp. 2007, §§ 2811 *et seq.*, the governing body of the City finds that a need continues to exist for ancillary communications systems, inclusive of mobile data communications systems, necessary to pass a reported emergency to the appropriate emergency service and personnel. In fulfillment of this need, unless made subject to an election as provided in 63 O.S.Supp.1996, § 2814, effective upon the effective date of this ordinance and for such additional time as is needed to purchase said ancillary communications systems and equipment, there is hereby levied upon all local exchange telephone company service users subject to the jurisdiction of the City of Tulsa for whom emergency telephone service has been contracted, an emergency telephone fee in the amount of five percent (5%) of the tariff rate. This five percent (5%) emergency telephone fee shall be in lieu of the three percent (3%) emergency telephone fee provided in Subsection B herein. The continued need to purchase said ancillary communications systems and equipment shall be reviewed at least once each calendar year as provided in Subsection D.1.a. herein.

**a. Annual Review of Fee Rate.** Notwithstanding the provisions in Subsection D.1 herein, at least once each calendar year before September 1 of each year, the governing body of the City shall review and, if necessary, adjust the fee rate set forth in Subsection D.1 so that, together with any surplus revenues carried forward from previous years, the fee rate shall not exceed an amount necessary to fund authorized expenditures for operation of the emergency telephone service; provided, however, that the fee rate so adjusted shall not exceed an amount authorized by state law. Any such adjustment in the fee rate shall take effect commencing with the first billing period of each service user on or after the following January 1.

**b. Notice.** At least ninety (90) days before any new rate shall become effective, the City shall provide notice of the new rates by certified mail to each Local exchange telephone company providing emergency telephone service to areas within the jurisdiction of the City of Tulsa.

**2.** Pursuant to the Nine-One-One Voice over Internet Protocol (VoIP) Emergency Service Act, 63 O.S. §§ 2851 *et seq.*, a fee is hereby levied upon VoIP service users whose businesses or residences are located within the City at the rate of Fifty Cents ($0.50) per month per endpoint Internet Protocol Device.

*(Ord. No. 22025, § 3, 3-5-2009)*

**Section 105. Collection of fee.**

**A. Collection.** The emergency telephone fee shall be collected monthly by each telephone company at the same time charges for telephone services are collected and in accordance with the regular billing practices of the company. In the event any service user tenders a payment in an amount insufficient to satisfy all charges, tariffs, fees and taxes, the amount tendered shall be first credited to the emergency telephone fee.

**B. Remittance.** Unless required by state law to remit otherwise, all fees collected by a telephone company pursuant to this chapter shall be remitted to the City, together with any accumulated interest, no later than thirty (30) days after the end of the month in which the fees were collected. Such remittance shall be submitted with a return on a form acceptable to the City.

**C. Administrative Fee.** For every remittance of the collected fee to City on or before the date same becomes due, the local exchange telephone company and the VoIP carrier required to remit the fee shall be entitled to deduct and retain for administrative costs, two percent (2%) of the emergency telephone fee. No administrative fee shall be deducted and retained by the local exchange telephone company and the VoIP carrier for collected fees which are not remitted to the City by the due date as set forth in Subsection B, above.

**D. Records.**

**1.** The telephone company shall maintain a complete and accurate set of records on the amount of all fees collected. Such records shall be maintained for a period of three (3) years from the end of any fiscal year in which such fees were collected unless a shorter holding period is authorized by state law. The City may, at its own expense, conduct an annual audit of such records.

**2.** All telephone companies having customers within the City shall provide an annual census of customers to the City no later than sixty (60) days after the first day of each calendar year unless such companies are required by state law to provide such annual census to another entity.

*(Ord. No. 22025, § 3, 3-5-2009)*

**Section 106. Failure to remit fee.**

Any service user willfully failing or refusing to remit or pay any emergency telephone fee or portion thereof duly authorized in this chapter shall be guilty of an offense and, upon conviction thereof, shall be punished by a fine not to exceed Five Hundred Dollars ($500.00) excluding costs, fees and assessments. Each separate failure or refusal to remit or pay the emergency telephone fee hereof shall be deemed a separate offense.

*(Ord. No. 17058; Ord. No. 22025, § 3, 3-5-2009)*

**Section 107. False reporting.**

No person shall call the number nine-one-one (9-1-1) for the purpose of making a false alarm or complaint or reporting false information which could result in the dispatching of

emergency services from any public agency. Any person violating the provisions of this section shall be guilty of an offense and, upon conviction thereof, shall be punished by a fine of not more than Five Hundred Dollars ($500.00) excluding costs, fees and assessments.

*(Ord. No. 22025, § 3, 3-5-2009)*

## Section 108. Fee for excessive nonemergency use.

Any person who owns a telephone or who is charged line or rental charges from a telephone utility and who uses the nine-one-one (9-1-1) number for nonemergency calls or who allows minor children to use the nine-one-one (9-1-1) number for nonemergency purposes, after notification, may be assessed a fee of Fifteen Dollars ($15.00) for the eleventh and each subsequent abuse. Such fee shall be used for maintenance and any other expense of the emergency telephone service system.

*(Ord. No. 17058; Ord. No. 22025, § 3, 3-5-2009)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

# TITLE 9 CORPORATION LIMITS

**Chapter 1. City Boundaries**
**Chapter 2. Annexation Procedure**

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. CITY BOUNDARIES

Section 100. City boundaries.
Section 101. Ordinances continued in effect.
Section 102. Records and maps.

### Section 100. City boundaries.

The boundaries of the City of Tulsa shall be as heretofore established by the enactment of ordinances annexing and disannexing territory, and shall be hereafter extended or limited only by ordinances duly enacted by the Council of the City of Tulsa.

### Section 101. Ordinances continued in effect.

All ordinances heretofore passed by the City of Tulsa annexing or disannexing any additions, parts of additions or tracts of land and in force and effect upon the date of the adoption of these Revised Ordinances are continued in full force and effect the same as if these Revised Ordinances had never been adopted.

### Section 102. Records and maps.

Annexation and disannexation records are available in the Office of the City Clerk. Maps are available in the Office of the Director of Public Works.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 2. ANNEXATION PROCEDURE

Section 200. Application.
Section 201. Minimum requirements.
Section 202. Studies, surveys, investigation, relevant factors.
Section 203. Water lines.
Section 204. Annexation by City.

### Section 200. Application.

Whenever any subdivision, unplatted tract or parcel of land is proposed to be annexed to the City of Tulsa, the owner or owners petitioning for annexation shall file with the Clerk of the City of Tulsa three (3) copies of the plat of the subdivision, unplatted tract or parcel of land proposed to be annexed, which plat shall be at a scale of one (1) inch equivalent to one hundred (100) feet, and upon which the contours of the natural ground are delineated in five (5) foot intervals. There shall also be filed with the Clerk of the City of Tulsa profiles of all streets in and along the area to be annexed, showing the existing ground elevations along each block line and the center lines of the streets. Profiles shall be drawn on tracing cloth, shall have a vertical scale of one (1) inch equal to four (4) feet and a horizontal scale of one (1) inch equal to forty (40) feet, and shall designate the proposed street grades as approved by the City Engineer.

*(Ord. No. 4482)*

### Section 201. Minimum requirements.

The Clerk of the City of Tulsa shall refer the petition to the Mayor for his examination and recommendations in writing to the Council, which recommendation shall affirmatively determine the following minimum requirements for annexation:

**A.** That the area contains a minimum of approximately fifty percent (50%) development;

**B.** That all streets in the area have been graded to within at least six (6) inches of the proposed grade line of the street, and that such grading extends over the entire width of the dedicated street; that is, from property line to property line;

**C.** That all streets have been well oiled or graveled;

**D.** That permanent culverts or other drainage structures of sufficient capacity and conforming to the standards and requirements of the City of Tulsa have been installed under and across all streets; that all creeks, ditches or waterways across private property shall have been opened, straightened, cleaned and otherwise improved; and that proper easements have been submitted covering the location of all creeks, ditches or waterways and granting to the City of Tulsa or to the public ingress and egress for the maintenance and operation of the creeks, ditches or waterways; and

**E.** That all sanitary sewers have been installed or that a proper petition for their installation has accompanied the petition for annexation, unless the installation of sanitary sewers is not feasible.

*(Ord. No. 4482)*

### Section 202. Studies, surveys, investigation, relevant factors.

The Mayor may make studies, surveys and investigations, and hold public hearings to provide accurate data for orderly and constructive community annexation programs.

In addition to the minimum standards contained in Section 201 herein, the Mayor and Council shall consider other factors which are relevant to the acquisition of land areas by the City through the process of annexation, including police protection, fire protection, water and sewer services, street maintenance, traffic control, land development, schools, transportation facilities, economic impact, taxation, parks and recreational areas, refuse collection and disposal, utility location and relocation services, drainage facilities, and public lands and zoning so that the public health, welfare and safety may be properly served and benefited.

### Section 203. Water lines.

In no event shall the Public Works Department be required to extend mains in excess of one hundred (100) feet per service into the area, unless the costs of the extension are paid by the owners in advance of construction. When water services have been previously made to properties in the area and the services and meters do not conform to City specifications, the owners shall make application to the City to procure water services which shall meet City specifications, and the owners shall pay for such work.

*(Ord. No. 4482)*

### Section 204. Annexation by City.

Nothing contained in this chapter shall deprive the City of Tulsa of any of its rights under existing or future general laws or statutes of the state of Oklahoma, or ordinances of the City of Tulsa to initiate proceedings for the annexation to the City of Tulsa of any subdivision, platted or unplatted land, or parcel of land, whether improved or not, without conforming to the requirements herein contained for annexation by petition.

*(Ord. No. 4482)*

# TITLE 10 ELECTIONS

**Chapter 1. Absentee Ballots and Expenses**
**Chapter 2. Filling Vacancies in Elective Offices**
**Chapter 3. Elections on Funding of Riverside Drive and/or Houston Avenue Improvements**

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. ABSENTEE BALLOTS AND EXPENSES

Section 100. Absentee ballots.
Section 101. Expenses.

### Section 100. Absentee ballots.

Absentee ballots shall be provided in all primary, general or special elections conducted in the City of Tulsa in the manner and in accordance with the provisions now established or hereinafter established by the laws of the state of Oklahoma.

*(Ord. No. 15169)*

### Section 101. Expenses.

All expenses incurred in the conduct of any election for the City of Tulsa shall be paid by the City. Expenses shall include, but shall not be limited to compensation for members of each precinct election board, per diem and mileage for the chairman and vice chairman of the county election boards, the cost of supplies and ballots and the rental of polling places.

*(Ord. No. 15169)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 2. FILLING VACANCIES IN ELECTIVE OFFICES

Section 200. Filling vacancies in elective offices.
Section 201. Conduct of special election.
Section 202. Partisan election.
Section 203. Filing declaration of candidacy.
Section 204. Filing as a partisan candidate.
Section 205. Filing as an independent candidate.
Section 206. Resolution directing the calling of special election.
Section 207. Election and taking office.

### Section 200. Filling vacancies in elective offices.

If a vacancy shall occur in the office of Mayor, City Auditor or a Councilor more than one (1) year prior to the next general election for City offices, the Council shall by resolution direct the calling of a special municipal election at the earliest time allowed under the laws of Oklahoma applicable to special municipal elections to fill the vacancy for the remainder of the unexpired term.

*(Ord. No. 17729)*

### Section 201. Conduct of special election.

When the office of a municipal elected official is to be filled under the provisions of this Chapter, the resolution directing the calling of the special election shall specify:

**A.** A filing period of three (3) days, on a Monday, Tuesday and Wednesday, which shall not be less than fifteen (15) days from the date of the resolution; and

**B.** The date of the special municipal election, which shall not be less than thirty (30) days after the close of the filing period.

*(Ord. No. 17729)*

### Section 202. Partisan election.

The election shall be partisan by placing on the ballot the name of the political party to which the candidate belongs next to the name of the candidate, as shown on the voter registration records, or by placing the name "Independent" next to the name of the candidate who files as independent under Article VI, Section 3.2, of the Amended Charter of the City of Tulsa.

*(Ord. No. 17729)*

### Section 203. Filing declaration of candidacy.

When the office of a municipal elected official is to be filled under the provisions of this chapter, any person who desires to be a candidate for such office shall file with the Election Board of Tulsa County a Declaration of Candidacy within the time period for filing as specified by the Council in its resolution directing the calling of the special municipal election.

*(Ord. No. 17729)*

### Section 204. Filing as a partisan candidate.

Any person who desires to be a partisan candidate under the provisions of this chapter shall state in the Declaration of Candidacy:

**A.** The name and residence street address of the person as it appears on the voter registration records;

**B.** The name of the office sought; and

**C.** The name of the political party to which the candidate belongs as shown by the voter registration records.

*(Ord. No. 17729)*

### Section 205. Filing as an independent candidate.

Any person who desires to be an independent candidate under the provisions of this chapter shall comply with all requirements contained in Article VI, Section 3.2, of the Amended Charter of the City of Tulsa, Oklahoma.

*(Ord. No. 17729)*

### Section 206. Resolution directing the calling of special election.

The resolution directing the calling of the special election under this chapter shall contain the following facts:

**A.** The date of the special municipal election;

**B.** The offices to be filled at the special municipal election;

**C.** Qualifications for the offices;

**D.** Designation of which offices shall be filled by voting by district and which offices shall be filled by voting at large;

**E.** That the election will be partisan by placing on the ballot the name of the political party to which the candidate belongs next to the name of the candidate, as shown by the voter registration records, or by placing the name "Independent" next to the name of the candidate who files as independent under Article VI, Section 3.2, of the Amended Charter of the City of Tulsa;

**F.** A statement that the special municipal election shall be conducted according to the laws of Oklahoma, unless specifically otherwise provided by the Charter or ordinances of the City of Tulsa, Oklahoma; and

**G.** Any other information necessary for conducting said election.

*(Ord. No. 17729)*

### Section 207. Election and taking office.

The candidate receiving the greatest number of votes at the special municipal election held under this chapter shall be deemed elected and shall take office at 2:00 o'clock p.m., the next business day following the filing with the City Clerk of a Certificate of Election by the County Election Board.

*(Ord. No. 17729)*

## CHAPTER 3. ELECTIONS ON FUNDING OF RIVERSIDE DRIVE AND/OR HOUSTON AVENUE IMPROVEMENTS

Section 300. Elections on funding of Riverside Drive and/or Houston Avenue Improvements.

### Section 300. Elections on funding of Riverside Drive and/or Houston Avenue Improvements.

**A.** Subject to the provisions of Subsection B of this Section, at any election upon the question of financing, in whole or in part, any improvements to Riverside Drive and/or Houston Avenue as contemplated by the "1993 Conceptual Plan for Riverside Drive and Houston Avenue," the Resolutions amending Districts 6, 7, and 18 Plans and the Resolution amending the Major Street and Highway Plan, approved by the Council on November 9, 1993, the ordinance authorizing and directing the calling of such an election shall set forth such project as a separate proposition to be voted upon separately by the voters of the City.

**B.** The provisions of Subsection A of this Section shall not apply to any election upon the question of financing the following:

**1.** Acquisition of any right-of-way which has been identified in the "1993 Conceptual Plan for Riverside Drive and Houston Avenue" as necessary for the future improvement of Riverside Drive and/or Houston Avenue;

**2.** The engineering design and construction of all side street tie-offs and culs-de-sac as identified in the "1993 Conceptual Plan for Riverside Drive and Houston Avenue";

**3.** The necessary relocation of all utility lines associated with the side street tie-offs and construction of the culs-de-sac as identified in the "1993 Conceptual Plan for Riverside Drive and Houston Avenue";

**4.** The improvements to the Midland Valley Pedestrian overpass and River Parks at approximately 29th Street and Riverside Drive and the related realignment of the roadway underneath as identified in the "1993 Conceptual Plan for Riverside Drive and Houston Avenue"; or

**5.** The improvements to Riverside Drive between the 2300 and 3400 Blocks South, associated with the development referred to as "The Gathering Place" as conceptually represented on the drawing marked Exhibit A and attached.

*(Ord. No. 18117; Ord. No. 22923, § 1, 8-8-2013)*

## CHAPTER 1. PUBLIC WORKS DEPARTMENT AND DUTIES

Section 100. Definitions.
Section 101. Public Works Department.
Section 102. Office of Director of Public Works.
Section 103. Duties of the Director of Public Works.
Section 104. Records.
Section 105. Monuments and bench marks.
Section 106. Interference with public works functions.
Section 107. Duties in laying tracks.
Section 108. Right of entry.
Section 109. Penalty.

### Section 100. Definitions.

**A. Director.** Unless otherwise specified, for purposes of this title "Director" shall mean the duly appointed Director of Public Works and/or his designated representative.

**B. City Engineer.** For all purposes of the Revised Ordinances of the City of Tulsa, "City Engineer" shall mean the duly appointed Director of Public Works and/or his designated representative; and the Director of Public Works or his designated representative shall perform the duties assigned to the City Engineer in the Revised Ordinances of the City of Tulsa and in the statutes of the state of Oklahoma.

*(Ord. No. 17285)*

### Section 101. Public Works Department.

There is hereby created a Public Works Department of the City of Tulsa whose responsibilities shall include engineering, management of waterworks and sewerage, stormwater management, solid waste management, transportation, street maintenance, traffic engineering, protective inspections, facilities maintenance and such other responsibilities as may be assigned to the department.

*(Ord. No. 17285)*

### Section 102. Office of Director of Public Works.

The Director of Public Works shall be a registered professional engineer under the laws of the state of Oklahoma and qualified to practice the profession of engineering within the state. The Director shall be appointed by the Mayor and shall be in charge of the Public Works Department with the power and authority to hire such assistants as he may deem necessary for the efficient operation of the Department and to suspend or discharge any such assistants, all subject to the provisions of the Charter of the City of Tulsa.

*(Ord. Nos. 3967, 17285)*

### Section 103. Duties of the Director of Public Works.

The Director of Public Works shall perform such duties as may be required of him by the laws of the state of Oklahoma and the Charter and Revised Ordinances of the City of Tulsa, and he shall perform such other duties in the various departments of the City government as may be assigned to him. It shall be the duty of the Director to inform himself concerning all provisions of the Charter and Revised Ordinances of the City of Tulsa directly affecting

the operation and duties of the Public Works Department; the repair and improvement of all streets, alleys and public grounds; the maintenance and operation of public buildings and grounds; the building, electrical, plumbing, boiler, mechanical and other codes and regulations governing private construction and operation; the street lighting system; the design and construction of storm sewers; the design, construction, extension, improvement, management, maintenance and operation of the waterworks and sewerage systems; the management of solid waste; and the management of stormwater drainage, as specified in the Revised Ordinances of the City of Tulsa.

It shall be the duty of the Director of Public Works to establish all street, sidewalk and alley grades; to prepare the plans, estimates and specifications for all public improvements and to supervise their construction, except where such duties are otherwise designated by Charter or Ordinance; to inspect the installation of all sidewalks, driveways and other improvements upon public streets and alleys and property; to supervise the management of stormwater drainage, solid waste and the waterworks and sewerage systems of the City as specified in the Revised Ordinances of the City of Tulsa; to make such investigations, studies and reports as may be authorized; to give technical advice and assistance to all departments of the City government; and to make records in his office available for information to the public.

*(Ord. Nos. 5735, 17285)*

### Section 104. Records.

It shall be the duty of the Director to provide in his office and make available for public information the following records:

**A.** A map or maps with supporting documents showing the location, size, elevations and other pertinent data relative to the existing storm sewer system of the City;

**B.** Copies of the survey, plans, profiles, specifications and estimates of all public improvements under his jurisdiction; and

**C.** The record of all datum planes, street grades, sidewalk grades, elevations and the surveys of all streets, alleys, avenues and other real estate belonging to the City.

*(Ord. Nos. 5735, 17285)*

### Section 105. Monuments and bench marks.

In the course of establishing land lines and elevations in the construction of public works, and at such other times as he may deem advisable, the Director shall install permanent monuments accurately marking or referencing the location of land lines and intersections thereof, construct permanent bench marks accurately determining the elevations thereof, and record and make available in his office for information to the public all data relative to such monuments and bench marks.

*(Ord. No. 17285)*

### Section 106. Interference with public works functions.

It shall be unlawful for any person or persons to interfere or to permit any person or thing to interfere in any way whatsoever with the Director or his assistants while they are engaged in work pertaining to their offices, or to remove, tear down, obliterate or permit the

removal, tearing down or obliteration of any stakes, markers, corner stones, bench marks, monuments or other things placed within the corporate limits of the City by the Director or his representatives.

*(Ord. Nos. 204, 17285)*

### Section 107. Duties in laying tracks.

No street car, interurban or railway track shall be laid upon, over or across any street, alley or public place in the City, and no portion of any street, alley or public place, which is traversed or crossed by any track or tracks which is required by law, franchise or grant to be paved by the owner or owners of such track or tracks, shall be paved, except under the supervision and direction of the Director and in accordance with plans and specifications of the City.

*(Ord. No. 17285)*

### Section 108. Right of entry.

The Director and his assistants shall have the right, as allowed by law, to enter in and upon any grounds or premises within the City for the purpose of investigating any matter within the scope of the duties of the department.

*(Ord. Nos. 47, 17285)*

### Section 109. Penalty.

Unless otherwise provided herein, any person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction thereof, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), including costs, for each and every separate offense. Each day a violation is continued shall constitute a separate offense.

*(Ord. Nos. 16530, 17285)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 2. PROTECTIVE INSPECTIONS

Section 200. Duties of the Director of Public Works.
Section 201. Waiver of permit and inspection fees.

### Section 200. Duties of the Director of Public Works.

The Director of Public Works shall discharge the duties imposed by the provisions of the protective codes and Revised Ordinances of the City of Tulsa, including those duties enumerated herein. He shall:

**A.** Supervise and direct the protective inspections programs of the City;

**B.** Supervise and direct the administration of the building, property maintenance, plumbing, electrical, mechanical and sign codes of the City;

**C.** Supervise, coordinate and direct inspectors and their assistants in the enforcement of the codes which relate to protective inspections;

**D.** Supervise and direct the interpretation by the inspectors of the protective codes and the Revised Ordinances of the City of Tulsa;

**E.** Recommend, from time to time, revisions of and amendments to the protective codes which are necessary and desirable for protection of the public health and safety; and

**F.** Develop and administer public information programs to inform citizens of the provisions of the protective codes of the City of Tulsa.

*(Ord. No. 17285)*

### Section 201. Waiver of permit and inspection fees.

Fees for zoning clearance, building, electrical, mechanical or plumbing permits or inspections on any building or construction done in accordance with the provisions of the Home Investment Partnership Act ("HOME"), 42 U.S.C. §§ 12701, *et seq.*, shall not be collected if:

**A.** The building or construction is performed by certified Community Housing Development Organizations ("CHDOs"); and

**B.** Urban Development Department ("UDD") certifies:

**1.** The applicant for fee waiver is a City designated CHDO; and

**2.** The waiver of fees will generate matches under the provisions of HOME; and

**3.** The building or construction is a HOME-assisted project in conformance with the City's Consolidated Plan.

Waiver of fees as described above shall not constitute a waiver of any provision in these Revised Ordinances which requires the issuance of such permits or the performance of specified inspections.

*(Ord. No. 18847)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 3. TRAFFIC ENGINEERING

Section 300. Traffic Engineering duties.
Section 301. Appeals.
Section 302. Parking investigators.
Section 303. Temporary restricted parking.

### Section 300. Traffic Engineering duties.

The Director of Public Works is authorized and empowered to:

**A.** Place and maintain traffic control devices;

**B.** Designate cross-walks, safety zones and traffic lanes as may be deemed necessary to protect the safety and welfare of the citizens of the City;

**C.** Determine those intersections at which drivers of vehicles shall not make a right or left turn, place proper signs at such intersections and, when appropriate, place marks, buttons or signs within or adjacent to intersections indicating the course to be traveled by vehicles turning at such intersections;

**D.** Determine the location of passenger zones and freight-loading zones, and place and maintain appropriate signs or markings indicating such zones and stating the hours during which the provisions of this section are applicable;

**E.** Determine the necessity for and the most feasible location of taxicab stands;

**F.** Determine the necessity for and the most feasible location for bus stops;

**G.** Determine and establish passenger common carrier stands in such places and in such numbers as shall be of the greatest benefit and convenience to the public;

**H.** Determine and establish "No Parking Zones" upon any street adjacent to school property when parking in such zones would interfere with traffic or create a hazardous situation;

**I.** Determine, designate and establish one-way streets, avenues and roadways within the City and erect appropriate signs providing notice thereof;

**J.** Administer all phases of a comprehensive program of street lighting;

**K.** Make regulations necessary to enforce the provisions of the Revised Ordinances of the City of Tulsa pertaining to traffic control, and make and enforce temporary regulations to cover emergency or special conditions;

**L.** Make temporary experimental rules regulating traffic or testing traffic control devices under actual conditions of traffic; provided, however, that no such experimental rule regulating traffic shall remain in effect for more than ninety (90) days; and

**M.** Enforce the provisions of Stopping, Standing and Parking Regulations of the Traffic Code of the City.

*(Ord. Nos. 14297, 17285)*

### Section 301. Appeals.

Any person, firm or corporation aggrieved by any regulation, rule or order issued under authority of the Director may appeal to the governing body of the City, and upon proper hearing the governing body of the City, as it deems necessary and for good cause, may nullify or modify any regulation, rule or order issued by the Director.

*(Ord. Nos. 6181, 17285)*

## Section 302. Parking investigators.

**A.** Traffic citations for violations of the penal provisions of the Stopping, Standing and Parking Regulations of the Traffic Code of the City may be issued by those employees of the Public Works Department classified as Parking Investigators. Police power is conferred upon Parking Investigators subject to the limitations herein prescribed.

**B.** The citations shall be of such form and substance to be acceptable to invoke the jurisdiction of the Municipal Court, and shall contain sufficient information to advise the person so charged of the title and section of the Revised Ordinances of the City of Tulsa which is alleged to have been violated and how the alleged violation may be contested.

**C.** Parking Investigators shall carry, at all times during the performance of their duties, identification of their authority; and they shall exhibit such identification upon request when conducting their duties of code enforcement.

**D.** Parking Investigators shall wear such uniforms as may be approved by the Director.

**E.** Parking Investigators are not authorized to physically subdue nor take into custody any alleged violator unless accompanied by a regular police officer or peace officer.

**F.** Parking Investigators are not authorized to carry any type of firearm in the performance of their duties.

**G.** Parking Investigators are not authorized, under any circumstances, to accept money, cash, checks, money orders or anything of value in payment of a fine.

**H.** Nothing contained in this section shall in any way detract from nor diminish the powers and authority of the Tulsa Police Department to enforce the provisions of the Tulsa Revised Ordinances.

*(Ord. Nos. 14298, 17285)*

## Section 303. Temporary restricted parking.

Any person, firm or corporation desiring to have a regulated on-street parking space temporarily restricted shall submit the Temporary Restricted Parking form to the Parking Manager or their designee stating the location of the parking spaces requested, the purpose and the duration of the request. If the Director of Public Works Parking Manager or Special Events Coordinator determines that the requested restriction is justified, he/she shall temporarily restrict the requested parking spaces upon payment of the fee in advance by the applicant. The fee to restrict a regulated parking space is based on the rates pursuant to Title 37, Chapter 5, Section 503B.

The Director of Public Works, Special Events Coordinator or Parking Manager shall consider the following factors in determining whether restricting a regulated parking space is justified:

**A.** Whether the restriction will benefit the orderly control of traffic on the public streets;

**B.** Whether the restriction is required to temporarily provide increased access to adjacent property; and

**C.** Whether the restriction is required to temporarily accommodate special uses of the public right-of-way which are of general benefit to the public at large.

Any person who objects to the grant or denial by the Director of Public Works, Special Events Coordinator or Parking Manager of an application for restricting a parking space may file a written protest with the governing body of the City setting forth the reasons for the objection. Each protest will be promptly reviewed by the governing body of the City at its next available meeting to determine whether restricting the parking space is justified.

Nothing in this Section shall be construed to prohibit the Director of Public Works, Special Events Coordinator or Parking Manager from restricting a parking space when he/she determines that such restriction is in the best interest of the public safety or convenience, nor shall it prevent the restriction of a parking space by licensed funeral directors in accordance with Title 37, Chapter 9, Section 910.

*(Ord. No. 24089, § 1, 3-6-2019)*

**Editor's note—**Ord. No. 24089, § 1, adopted March 6, 2019, amended § 303 in its entirety to read as herein set out. Former § 303, pertained to meter hoods, and derived from Ord. Nos. 14571, 16103, 17285; Ord. No. 23584, § 1, 10-26-2016.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 4. PUBLIC IMPROVEMENTS

Section 400. Fees and charges included in estimates.
Section 401. Payment to contractor.
Section 402. Obtaining plans.
Section 403. Permit and inspection fees waived.

### Section 400. Fees and charges included in estimates.

The Director of Public Works shall include in all estimates of cost for public improvements all charges in connection therewith, including but not limited to the costs of advertising, printing, easement, legal, abstracting and engineering. The construction cost, together with these additional fees and charges, shall constitute the total cost of the project or contract.

*(Ord. Nos. 5319, 17285)*

### Section 401. Payment to contractor.

When the cost of a public improvement contract is to be paid in special tax bills, improvement bonds or tax warrants, the contractor shall be paid the total amount of the cost of the contract by the delivery of the tax bills, improvement bonds or tax warrants to the contractor; provided, however, that before the delivery of such bills, bonds or warrants, the contractor shall pay to the City, in cash, an amount equal to the sum of the costs and fees paid or to be paid by the City which are chargeable to that improvement.

*(Ord. No. 17285)*

### Section 402. Obtaining plans.

The Director shall supply to any person requesting them copies of the plans, estimates, specifications, form of contract and bond and proposals for all public improvement projects assigned to his jurisdiction, provided that the person requesting such copies deposits with the City the estimated cost of reproduction, which deposit shall be refunded to the depositor upon the return of all plans, estimates and specifications.

*(Ord. No. 17285)*

### Section 403. Permit and inspection fees waived.

No fee for zoning clearance, building, electrical, mechanical or plumbing permit or inspection shall be collected by the City on any public work or improvement performed by or for any city, county, state or federal governmental entity; provided, however, that this exemption shall apply only to such permits or certificates issued directly to the governmental entity involved, and it shall not constitute a waiver of any provision in these Revised Ordinances which requires the issuance of such permits or the performance of specified inspections.

*(Ord. Nos. 13639, 17285)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 5. STREET, BLOCK AND HOUSE NUMBERING

Section 500. Block numbering.
Section 501. House and building numbering.
Section 502. Assignment of building numbers.
Section 503. Use of numbers.
Section 504. Naming of streets.
Section 505. Maps and records.
Section 506. Penalty.

### Section 500. Block numbering.

**A. North-south streets.** Main Street in the City of Tulsa, and its northerly and southerly projections, shall be the dividing line between the eastern and western portions of the City. The blocks east and west of Main Street, starting with the Main Street dividing line as zero, shall be numbered as follows:

Each of the basic streets west of Main Street shall be designated as Avenues, and the hundred number assigned to each shall designate the block number of the succeeding block, and such numbers shall be designated as numbers "West"; and each of the basic streets east of Main Street shall be designated as Avenues and the hundred number assigned to each shall designate the block number of the succeeding block, and such numbers shall be designated as numbers "East." *(Ord. No. 2065)*

**B. East-west streets.** The dividing line between the northern and southern portions of the City shall be along Admiral Boulevard running east from the western limits of the City to its intersection with the St. Louis and San Francisco Railroad; then in an easterly direction along that railroad to the intersection with Admiral Boulevard; and then east along Admiral Boulevard to the eastern limits of the City. The blocks north and south of such dividing line, starting with the dividing line as zero, shall be numbered as follows:

Each of the basic streets north of the dividing line, whether designated by name or number, shall be numbered successively by hundreds and the number designated shall determine the succeeding block number, such as Cameron Street, 300 Block, and Davenport Street, 400 Block, and such numbers shall be designated as numbers "North"; and each basic street south of the dividing line shall be numbered successively by hundreds and the numbers, likewise, shall determine the succeeding block numbers, and such numbers shall be designated as numbers "South."

**C. Intermediate streets.** Streets intervening between basic streets, by reason of platting or topography, shall be designated as "Places," "Courts," "Drives," "Boulevards" or "Roads," and shall bear the same hundred number as the basic street or avenue, such as Columbia Avenue, 2700 Block; Columbia Place, 2700 Block; provided that winding intermediate streets which change alignment and direction at intervals may, at the Director's discretion, be assigned proper hundred numbers in order to conform to the system of block numbering as established.

The Director of Public Works shall determine which streets shall be the dividing line between numbered blocks. He shall assign proper block numbers to blocks and shall see that the block numbering system is systematically followed as outlined above.

*(Ord. Nos. 2065, 17285)*

## Section 501. House and building numbering.

All houses and buildings on the south side of all streets running in an easterly or westerly direction and on the west side of all streets running in a northerly or southerly direction shall be given even numbers; and all houses and buildings on the north side of all streets running in an easterly or westerly direction and on the east side of all streets running in a northerly or southerly direction shall be given odd numbers.

*(Ord. No. 17285)*

## Section 502. Assignment of building numbers.

Each twenty-five (25) feet of frontage on each block of each street or avenue shall be entitled to a separate number, except where the lots or parcels of land have less than twenty-five (25) feet of frontage, in which case each separate lot or parcel of land shall be entitled to a separate number. It shall be the duty of the Director to assign a separate number to each twenty-five (25) feet of frontage on any street, or to a separate lot of less width. Where any building is placed on a lot larger than twenty-five (25) feet in width, the Director shall designate the proper number to be used. A building on the rear of a lot shall bear the same number as the building on the front except that the suffix "R" shall be added. Upstairs entrances shall use the number assigned for the frontage with the suffix "½" added.

Apartments, offices and rooms having a common building entrance shall use the assigned entrance number. No person other than the Director, or his assistants, shall undertake to furnish house numbers or numbers for any premise.

*(Ord. No. 17285)*

## Section 503. Use of numbers.

The block and building numbers assigned by the Director shall be the official numbers, and it shall be unlawful for any person to use any building or block numbers except those assigned by the Director. It shall be the duty of all persons owning, occupying or using any building to place the number assigned by the Director in a conspicuous place at the front of the building. No fees shall be charged by the Director for such assignment. When a number is once assigned to any place or building, it shall not be changed without the consent of the Director.

It shall be the duty of all persons owning, occupying or using any building having more than one (1) business therein to place in a conspicuous place on the rear of the building a building number or numbers corresponding to the building number or numbers assigned by the Director for use on the front of the building.

It shall be the duty of all persons owning, occupying or using any building which does not have side yards providing access to the rear of the building, to place in a conspicuous place on the rear of the building a building number or numbers corresponding to the number or numbers assigned by the Director for use on the front of the building.

*(Ord. Nos. 8611, 17285)*

## Section 504. Naming of streets.

The names of any streets opened or established shall be designated by the Director in conformity with the existing street naming system. The names of existing streets shall be

changed only by ordinance; provided, however, that whenever any territory is annexed to the City of Tulsa, the Director shall change any names of streets in the territory so annexed which do not conform to the existing street naming system.

*(Ord. No. 17285)*

### Section 505. Maps and records.

The Director shall maintain and make available for public use an official map and record showing all officially designated names of streets and all assigned street, building and house numbers.

*(Ord. No. 17285)*

### Section 506. Penalty.

Any person who uses any house, building or block number other than the official number designated by the Director or who refuses to use the official number designated by the Director after ten (10) days written notice, or who changes any number without the permission of the Director shall be guilty of an offense and, upon conviction thereof, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs.

*(Ord. Nos. 16530, 17285)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 6. GRADES OF STREETS AND ALLEYS

Section 600. Streets previously paved.
Section 601. Adoption of profiles.
Section 602. Records.

### Section 600. Streets previously paved.

In particular instances when no ordinances establishing grades have been passed and approved by the governing body of the City, but when particular streets, avenues or alleys have been previously paved, the grades shall be deemed to have been established on the plane indicated by the profiles of the Director which have been adopted and approved for the purpose of the paving of the particular streets, avenues or alleys.

*(Ord. No. 17285)*

### Section 601. Adoption of profiles.

The grade on any street, avenue or alley indicated on any profile prepared by the Director of Public Works for the purpose of paving the street, avenue or alley shall be deemed to be established by the profile when it shall have been duly approved even without a specific ordinance approving the grade; provided, however, that the City shall not be precluded by the provisions herein from re-establishing grades either by ordinance or by the adoption and approval of an amended profile, subject to such liability for the re-establishing of any grade as may be provided by the laws of the state of Oklahoma and the Charter of the City of Tulsa.

*(Ord. No. 17285)*

### Section 602. Records.

The Director shall prepare on linen in ink all profiles of any street, avenue or alley where paving is to be constructed, clearly indicating the grade of such street, avenue or alley. After such profiles are adopted and marked so as to designate the portion of street, avenue or alley on which the grade is approved, the Director shall keep such profiles on record in his office, labeled and indexed so that they may be readily found.

*(Ord. Nos. 1784, 17285)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 7. CLOSING OF PUBLIC WAYS AND EASEMENTS

Section 700. Definitions.
Section 701. Application for closing easements or public ways.
Section 702. Processing applications.
Section 703. Reservation of rights upon closing.
Section 704. Fees.

### Section 700. Definitions.

**A.** **Close** means a legislative act of the City discontinuing the public use of a public way or easement without affecting title to such real property.

**B.** **Public way** means a street, avenue, boulevard, alley, lane or thoroughfare established or open for public use.

**C.** **Easement** means a right in real property as established by the laws of the state of Oklahoma.

*(Ord. No. 17285)*

### Section 701. Application for closing easements or public ways.

All applications for closing easements or public ways located within the corporate limits of the City shall be filed with the Director of Public Works on forms furnished by the Director; and the applicant shall furnish the following information:

**A.** A plot, plan or other representative sketch or drawing depicting distances and points of the compass and showing the location and area of the public way or easement;

**B.** The legal description of the public way or easement to be closed;

**C.** If an easement is being closed, the purpose for which the easement was originally given;

**D.** If the easement or public way was established by any instrument (other than a subdivision plat) filed in the Office of the County Clerk, a copy of such instrument duly certified by the County Clerk;

**E.** If the easement or public way was established by statutory dedication pursuant to a recorded subdivision plat, the name of the subdivision and plat number;

**F.** If the applicant seeks to close a public way, the application shall state whether or not such public way has been open for public use within the five (5) year period immediately preceding the date of the filing of such application; if such public way has been open for public use within that period of time, the applicant shall furnish a list, certified by a bonded abstractor, containing the names and addresses of all owners of record, as shown by the current year's tax rolls in the Office of the County Treasurer, of property abutting the public way and such other owners of record whose property is within three hundred (300) feet in any direction from the public way sought to be closed; and

**G.** Such additional information as may be determined by the Director to be necessary for evaluating the application.

*(Ord. No. 17285)*

## Section 702. Processing applications.

Upon receipt of a properly completed application and the payment of all required fees, the application for the closing of easements or public ways shall be processed as set forth herein.

**A.** The Director shall give written notice of the pending application to all City departments who use public ways or easements and to all companies whose franchises with the City entitle them to the use of public ways or easements, as applicable to such application. Such notice shall require that all comments on the application shall be made in writing to the Director within thirty (30) days from the date of the written notice.

**B.** Within a reasonable period of time after the expiration of the thirty (30) day notice period, the Director shall recommend to the governing body of the City action to be taken upon the application.

**C.** Upon receipt of the report and recommendation of the Director, the governing body of the City may, without giving further notice to any third party, approve or deny, either in whole or in part, any application seeking to vacate an easement or close a public way which has not been open for public use for more than five (5) years immediately preceding the date of the filing of such application. If the application seeks to close a public way which has been open for public use within the five (5) year period immediately preceding the date of the filing such application, the governing body of the City shall set a date for public hearing thereon and direct notice to be given by certified mail to all property owners shown on the list furnished by the applicant. Such notice shall be given at least ten (10) calendar days prior to the scheduled public hearing, shall identify the nature of the pending proceeding and shall direct that any person having an objection to the pending application must appear at the public hearing to advise the governing body of the City of the nature of his objection. On the date of the scheduled public hearing, the governing body of the City shall inquire into the merits of the application and, upon determination of all issues, shall approve or deny, either in whole or in part, the proposed closing.

**D.** Upon approval of any application, the City Attorney shall be directed to prepare a proper ordinance closing the public way or easement; upon its adoption, the costs for publication of such ordinance shall be determined and, upon the payment of such costs to the City of Tulsa by the applicant, the City shall have the ordinance published.

*(Ord. No. 17285)*

## Section 703. Reservation of rights upon closing.

The City shall retain the absolute right to reopen any closed public way or easement without expense to the City. The closing of any public way or easement shall not affect the right to maintain, repair, reconstruct, operate or remove utility, public service corporation or transmission company facilities existing therein, nor shall such closing affect private ways existing by operation of law.

*(Ord. No. 17285)*

## Section 704. Fees.

A non-refundable filing fee of One Thousand Dollars ($1,000.00) shall accompany each application to close a public way or easement. In addition to such filing fee, if the

application seeks to close a public way which has been open to public use within the five (5) years preceding the date of the application, the applicant at time of filing shall pay an additional mailing fee of the actual cost of a registered letter deposited in the U.S. Mail for each property owner who is entitled to receive notice of the proceeding. In the event the application is withdrawn prior to the mailing of notices, the mailing fee shall be refunded to the applicant.

*(Ord. Nos. 17285, 17304; Ord. No. 24599, § 1, 4-14-2021)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 8. CONSTRUCTION ON OR OVER STORM SEWER EASEMENTS

Section 800. Construction permitted over storm sewer easements.
Section 801. Permit required.
Section 802. Agreement required.
Section 803. Application for permit.
Section 804. Restrictions and conditions.
Section 805. Fee.

### Section 800. Construction permitted over storm sewer easements.

The construction of buildings or structures shall be permitted over, upon and in storm sewer easements inuring to the benefit of the City or within the corporate limits of the City and inuring to the benefit of the public.

*(Ord. Nos. 10913, 17285)*

### Section 801. Permit required.

Any person desiring to construct a building or structure over, upon or in a storm sewer easement, or a portion thereof, shall, prior to construction, obtain a permit from the Director of Public Works, the issuance of which shall be the condition precedent to such construction.

*(Ord. Nos. 10913, 17285)*

### Section 802. Agreement required.

Any person desiring to construct a building or structure upon a storm sewer easement inuring to the benefit of the City, and located within the City limits of the City of Tulsa, shall execute an agreement with the City, subject to approval by the Mayor, setting forth such terms, conditions and provisions as may be prescribed by the Mayor to whom authority is delegated to execute such agreements in behalf of the City. The agreement shall be in writing and shall restrict the use of the storm sewer easement substantially in accordance with the restrictions and conditions as herein set forth; and the agreement shall, upon execution, be recorded in the Office of the County Clerk of the County in which that property is located, with the recording cost to be paid by the property owner.

*(Ord. Nos. 10913, 17285)*

### Section 803. Application for permit.

Any person desiring to construct a building or structure upon, over or in a storm sewer easement, inuring to the benefit of the City and located within the City limits of the City of Tulsa, may make application to the Director. All applications shall be accompanied by the fee required herein for processing and handling and shall include such information, data, surveys, engineering drawings, sketches, plans, as required by the Director, including, but not limited to the following:

**A.** A plat plan or other representative sketch or drawing, showing lineal measurements and directions of the compass, which depicts the area proposed for use; and

**B.** The legal description of the area proposed for use.

*(Ord. Nos. 10913, 17285)*

## Section 804. Restrictions and conditions.

The following restrictions and conditions shall be made a part of the grant of use of the storm sewer easement inuring to the benefit of the City for construction of a building or structure over, upon or in a storm sewer easement:

**A.** No building or structure shall be constructed upon a storm sewer easement so as to interfere with pedestrian or vehicular traffic along public rights-of-way, streets, alleys or sidewalks;

**B.** No maintenance costs shall be paid by the City of Tulsa; and the City shall bear no cost of future maintenance of that portion of the storm sewer easement upon which a building or structure is constructed; such maintenance shall be the exclusive responsibility of the property owner;

**C.** No liability for property damage or personal injury arising out of the construction, installation or maintenance of the building or structure constructed upon, over or in the storm sewer easement shall attach to the City as a municipal corporation;

**D.** Permission for the construction of a building or structure shall be authorized as herein provided without waiving any privileges or rights in favor of the City in, to or under the storm sewer easement land, nor shall there be a waiver of any privileges or rights previously acquired by any of the agents, servants or employees of the City, including utility companies;

**E.** In the event it becomes necessary for any public purpose, including construction, installation, maintenance, repair or discontinuance of utilities over, upon or in the storm sewer easement land occupied by a building or structure, to remove the building or structure for the reason that it interferes with the private privileges or rights of the City, its agents, servants and employees, including utility companies, the building or structure shall be removed by the owner of the building or structure; in the event the removal is not accomplished as herein provided, the building or structure may be removed by the City, its agents, servants or employees, including utility companies or independent contractors, at the expense of the person who is the owner of the building or structure;

**F.** The owner of the building or structure shall agree to defend any and all claims, liabilities, suits at law or equity brought against the City of Tulsa resulting from the operation, construction, installation or maintenance of such building or structure by the property owner or third parties, and shall further agree to indemnify the City for any damages suffered as a result thereof;

**G.** Any agreement entered into by the Director, as herein provided, for the construction of a building or structure over a public storm sewer easement, shall run with the land and be binding on the grantees, assigns, successors and heirs, and shall be recorded in the Office of the County Clerk of the county in which the property is located, with all recording costs to be borne by the property owner; and

**H.** The Director shall, as a condition of any such agreement, make such reasonable requirements as will protect the safety, health and welfare of the public, including requirements relating to the construction, installation, maintenance or discontinuance of any existing or contemplated storm sewers to be located in the area to be used and further including any and all requirements established by ordinance.

*(Ord. Nos. 10913, 17285)*

## Section 805. Fee.

The fee for processing and handling of all applications for construction of a building or structure upon a public storm sewer easement shall be Twenty-Five Dollars ($25.00) to reimburse the City for any necessary legal or engineering services or for other costs. Fifteen Dollars ($15.00) of the fee shall be refunded to the applicant in the event of the refusal by the Director of the applicant's request or in the event of abandonment by the applicant prior to the construction of any building or structure.

*(Ord. Nos. 10913, 17285)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 9. STREET MAINTENANCE

Section 900. Duties of the Director of Public Works.
Section 901. Special revenue fund for maintenance and repair of public ways.

### Section 900. Duties of the Director of Public Works.

The Director of Public Works is authorized and empowered to:

**A.** Administer all phases of a comprehensive program of street maintenance;

**B.** Analyze the maintenance and construction needs for City streets;

**C.** Develop effective plans for the efficient utilization of personnel, equipment and materials in connection with the maintenance and construction of City streets;

**D.** Determine priorities for street maintenance and construction projects;

**E.** Administer a preventive maintenance program for heavy equipment and rolling stock used in street maintenance and construction;

**F.** Develop specifications for equipment and materials used in street maintenance and construction;

**G.** Make recommendations for new and improved methods and materials used in street maintenance and construction; and

**H.** Perform such other duties as may be assigned.

*(Ord. Nos. 13085, 17285)*

### Section 901. Special revenue fund for maintenance and repair of public ways.

**A.** There is hereby created a Special Revenue Fund for the Maintenance and Repair of Public Ways, to be financed by the one percent (1%) of gross revenues to be paid to City of Tulsa by Public Service Company of Oklahoma (PSO) pursuant to Section 411.B. of Franchise Ordinance No. 24695 approved by the voters of the City of Tulsa at a special election on February 8, 2022.

**B.** As described in the Franchise Ordinance, this Special Revenue Fund may be expended by the City of Tulsa only for the maintenance and repair of public ways, including but not limited to right-of-way and median maintenance and enhancement; street and highway lighting maintenance, repair, and replacement; and underground installation cost reimbursement as provided for in Subsections 406.C and 408.H of the PSO franchise ordinance.

**C.** It is estimated that the Special Revenue Fund will receive approximately $76,404,000 over the course of the fifteen (15) year term of the Franchise. The programs and purposes for which expenditures of proceeds from the Special Revenue Fund for the Maintenance and Repair of Public Ways may lawfully be made are as follows:

| | |
|---|---|
| Citywide Utility Line Burial Program | $45,492,000 |
| Street and Highway Lighting and Corridor Enhancement | $16,500,000 |
| Medians and Rights-of-Way Rehabilitation and Maintenance | $7,621,000 |
| Inspector-Manager and Inspector-Crew Workers | $5,876,000 |
| Vehicles, Equipment, Materials, and Supplies | $915,000 |
| Estimated 15-Year Total | $76,404,000 |

**D.** While the cost estimates shown above are believed to be accurate, the exact cost of each program may vary from the estimate shown.

**E.** The Mayor and the City Council shall determine program priority on an annual basis through the budget process.

**F.** The City of Tulsa, having made a solemn pledge to the citizens of Tulsa regarding the expenditures of the revenue from the Special Revenue Fund for the Maintenance and Repair of Public Ways, and having enacted this section to establish the official City policy with regard to such revenue, hereby pledges that this section shall remain in force during the entire period of collection and expenditure of the revenues generated by the Special Revenue Fund for the programs herein enumerated.

Any attempt to amend or repeal this section can lawfully occur only by placing such proposal on the official agenda of the City Council which agenda is prepared by the office of the Secretary of the Council ("Secretary").

In the event a request is ever made by any party to place the issue of the amendment or repeal of this section on any agenda of the City Council, the Secretary is hereby specifically prohibited from placing such issue on any such agenda until full compliance with the following requirements has been made.

**1.** The Secretary shall forthwith (within twenty-four (24) hours) notify all major newspapers, all major television stations and all major radio stations then located within the City of Tulsa of the request for amendment or repeal of this section.

**2.** The Secretary shall forthwith notify the general public of such request by a press conference officially called by the Secretary and held at City Hall, to which local newspapers, radio and television stations shall be invited.

**3.** The Secretary shall forthwith cause a public notice to be published in one newspaper maintaining a general subscription in the City of Tulsa, specifically setting forth fully the nature, purpose and extent of the request and the date the matter will first be placed on the agenda for public hearing before the City Council, which date shall be a date more than fifteen (15) days from the date of first publication requested for such notice. The Secretary shall request that the notice be published once a week for two (2) consecutive weeks.

**4.** The Secretary shall, upon performance of all of the above acts, execute and deliver to the Council of the City of Tulsa written certification as to the time and manner of the performance of the foregoing duties herein assigned, which certification shall be filed as a part of the permanent records of the City in the office of the City Clerk, and shall be available for inspection or copying at all reasonable times.

**G.** No official action shall be taken by the Council of the City of Tulsa upon any request to amend or repeal this section until the following acts and procedures have been complied with:

**1.** The Council shall have examined the written certification of the Secretary concerning the acts required to be performed by Subsection 103.A above, and shall have satisfied itself that all such acts have been duly and timely performed; and

**2.** The Council shall have held at least two (2) public hearings on the proposal (one (1) of which shall be held at night), which hearings shall be at least seven (7) days

apart, and the first of which shall have been more than fifteen (15) days from the date of first publication of the notice given by the Secretary setting forth the nature of the request to amend or repeal this section as above provided.

*(Ord. No. 24721, § 1, 11-17-2021)*

# CHAPTER 10. STANDARD SPECIFICATIONS FOR HIGHWAY CONSTRUCTION

Section 1000. Adoption of state standard specifications.
Section 1001. Additions, revisions, deletions and exceptions.

## Section 1000. Adoption of state standard specifications.

That certain document, a bound copy and electronic copy of which has been filed in the Office of the City Clerk of the City of Tulsa, being marked and designated as Standard Specifications for Highway Construction, 2019 Edition, as published by the Oklahoma Department of Transportation, is hereby adopted as the standard specifications for public improvement projects for the City of Tulsa with the additions, revisions, deletions and exceptions as set forth in Section 1001 of this chapter.

*(Ord. Nos. 17285, 17472, 19955; Ord. No. 22597, § 1, 1-5-2012; Ord. No. 23427, § 1, 1-14-2016; Ord. No. 24616, § 1, 6-2-2021)*

## Section 1001. Additions, revisions, deletions and exceptions.

**1001.A.** The following definitions, listed as numbered in the 2019 Edition of the Standard Specifications for Highway Construction, are hereby revised and amended for all sections of this chapter as follows:

**101.03. Abbreviations and Acronyms.** In Table 101:1, add the following abbreviations and expressions:

- ADA American with Disabilities Act, excluding Chapter 500
- ADA Adjusted Daily Average, when used in Chapter 500
- ADAAG American with Disability Act Accessibility Guidelines
- COT City of Tulsa
- PROWAG Public Rights-of-Way Accessibility Guidelines

**101.05. Definitions.** Add the following subsections:

- "**101.05.CY. City of Tulsa (COT).** The City of Tulsa, Oklahoma, a municipal corporation acting by and through its duly authorized officers and agents."
- "**101.05.CZ. Non-Collusive Bidding Certificate.** Replace all references to 'Non-Collusive Bidding Certificate' with 'Non-Collusion Affidavit'."
- "**101.05.DA. Qualified Products List (QPL).** All references to 'ODOT Traffic Engineering Division Qualified Products List (QPL)' or 'QPL' shall mean 'the City of Tulsa, Traffic Engineering Division Approved Products List'."
- "**101.05.DB. State Construction Engineer.** The City Engineer of the City of Tulsa or authorized designee."

**101.05.A. Acceptance Date.** Delete section.

**101.05.V. Commission.** Replace definition with "The City of Tulsa, Oklahoma, a municipal corporation acting by and through its duly authorized officers and agents."

**101.05.Y. Contract.** Replace definition with "The written agreement between the City of Tulsa and the Contractor setting forth obligations of the parties thereunder, including, but not limited to, the performance of the work, the furnishing of labor and materials, and the basis of payment.

The Contract includes the Notice to Bidders, Proposal, Contract Form, all Contract Bonds, Specifications, Special Specifications, Special Provisions, all Plans, Work Orders and Change Orders that are required to complete the construction of the work in an acceptable manner, including authorized extensions."

**101.05.AG. Department.** Replace definition with "The City of Tulsa, Oklahoma, a municipal corporation acting by and through its duly authorized officers and agents."

**101.05.AI. Director.** Replace definition with "The Director of the Engineering Services Department or the Director of any successor department which has the responsibility for general engineering services for the City of Tulsa."

**101.05.AL. Engineer.** Replace definition with "The City Engineer of the City of Tulsa or authorized designee."

**101.05.AO. FAST Guide.** Replace definition and all references to "FAST Guide" with "City of Tulsa Acceptance Sampling/Testing Standard Specifications."

**101.05. AT. Holiday.** Replace definition with "Days declared to be holidays for regular Civil Service employees of the City of Tulsa."

**101.05.AV. Inspector.** Replace definition with "The City of Tulsa's authorized representative assigned to inspect the work."

**101.05.BF. Materials Division.** Replace definition with "The Director of the Engineering Services Department or the Director of any successor department which has the responsibility for general engineering services for the City of Tulsa."

**101.05.BG. Materials Engineer.** Replace definition with "The City Engineer of the City of Tulsa or authorized designee."

**101.05.CC. Right-of-Way.** Replace definition with "Right-of-Way or ROW shall mean the surface, the airspace above ground, and the area below the surface of any public street, highway, parkway, lane, path, alley, sidewalk, boulevard, drive, bridge, tunnel, stormwater drainage system, easement, park, or similar property in which the City of Tulsa now or hereafter holds a property interest and/or a maintenance responsibility which, consistent with the purposes for which it was granted or dedicated, may be used to install, operate and maintain facilities."

**101.05.CD.(16). Sidewalk/Bicycle Path.** Add the following sentence to the existing definition: "Refer to the Revised Ordinances of the City of Tulsa, Title 37 - Tulsa Traffic Code, Chapter 1 and Chapter 10 for definition of bicycle."

**101.05.CH. State.** Replace definition with "The City of Tulsa, Oklahoma, a municipal corporation acting by and through its duly authorized officers and agents."

**101.05.CS. Traffic Engineering Division.** Replace definition with "The City of Tulsa Traffic Engineering Division or any successor division which has the responsibility for traffic engineering services for the City of Tulsa."

**1001.B.** City of Tulsa exceptions and amendments to the following provisions, listed as numbered in the 2019 Edition of the Standard Specifications for Highway Construction, are hereby revised, amended and described as follows:

**102.01. Pre-Qualification.** Delete text of section, and replace with "The City of Tulsa requires General/Prime Contractors to be Prequalified according to Title 11, Chapter 11 of the Revised Ordinances of the City of Tulsa."

**102.04. Refusal of Proposals.** At the end of the bulleted list, add the following bulleted list item: "The bidder has failed to comply with Small Business Enterprise requirements of a previous City of Tulsa contract."

**102.06. Examination of Plans, Specifications, Special Provisions, and the Work Site.** Replace the fourth paragraph with "The City of Tulsa may have boring logs and subsurface reports used in determining design criteria. Bidders may request to inspect these documents, relevant to the currently advertised project, by contacting the Contract Administrator at the following address during normal business hours:

City of Tulsa
Engineering Services Department
2317 S Jackson Ave
Tulsa, OK 74107

**102.08. Nonresponsive Proposals.** At the end of the bulleted list, add the following bulleted statement: "The bidder does not properly comply with Small Business Enterprise requirements in accordance with the Proposal Forms."

**102.10. Delivery of Proposal.** Delete text of section, and replace with the following:

"Each bid Proposal shall be completed electronically on the electronic media provided, then printed, signed and submitted along with the electronic media and the complete bound copy of the contract documents or as instructed in the Notice to Bidders. In the event of a discrepancy between the pricing on the electronic media and the hard copy of a Proposal, the hard copy pricing will govern. If an electronic media is not provided, and the bid Proposal is manual, the bid Proposal shall be submitted in ink. The written words shall govern over the figures. Erroneous entries shall be lined out, initialed by the bidder, and the correct entry inserted. The unit price bid must cover all expense for furnishing the labor, materials, tools, equipment, and apparatus of every description to construct, erect, and furnish all work required by and in conformance with the Plans and Specifications.

Each bid shall be enclosed in a sealed envelope addressed to

City Clerk's Office
The City of Tulsa
One Technology Center
175 E. 2nd Street, Suite 260
Tulsa, Oklahoma 74103

or as otherwise instructed in the Notice to Bidders, and identified on the outside with the words:

'PROJECT NO. _____,

Pre-qualification Certificate Number _____,'

All addenda to the contract documents shall accompany the bid when submitted.

Any bid received more than ninety-six (96) hours excluding Saturdays, Sundays and holidays before the time set for the opening of bids, or any bid received after the time set for opening of bids, shall be considered "non-responsive" and shall be returned unopened to the bidder."

**102.13. Public Opening of Proposals.** Delete text of section, and replace with "Proposals shall be publicly opened and read on the date and at the hour and place set forth in the advertisement and Notice to Bidders in the manner established by the City of Tulsa."

**102.16. Non-Collusive Bidding Certification.**

- Replace the Non-Collusion Bidding Certification form with the following City of Tulsa Non-Collusion Affidavit form:

**NON-COLLUSION AFFIDAVIT**

STATE OF )
) ss:
COUNTY OF )

_____, of lawful age, being first duly sworn, says that:

1. I am the duly authorized agent of the bidder submitting the competitive bid associated with this sworn statement for the purpose of certifying facts pertaining to the existence of collusion among bidders and between bidders and municipal officers or employees, as well as facts pertaining to the giving or offering of things of value to governmental personnel in return for special consideration in the letting of any contract pursuant to the bid;

2. I am fully aware of the facts and circumstances surrounding the making of the bid and have been personally and directly involved in the proceedings leading to the submission of such bid;

3. Neither the bidder nor anyone subject to the bidder's direction or control has been a party:
   a. to any collusion among bidders in restraint of freedom of competition by agreement to bid at a fixed price or to refrain from bidding;
   b. to any collusion with any municipal official or employee as to quantity, quality or price in the prospective contract, or as to any other terms of such prospective contract; nor
   c. in any discussions between bidders and any municipal official concerning exchange of money or other things of value for special consideration in the letting of a contract.

4. If awarded the contract, neither the bidder nor anyone subject to the bidder's direction or control has paid, given or donated or agreed to pay, give or donate to any officer or employee of the City of Tulsa or of any public trust where the City of Tulsa is a beneficiary, any money or other thing of value, either directly or indirectly, in procuring the contract for which the bid is submitted.

COMMISSION NO.:
_____

- In the fourth paragraph, revise the phrase proceeding the bulleted list to recite, "The following do not constitute collusion within the scope of the Non-Collusion Affidavit:"

**103.07. Execution of Contract.** Revise the first paragraph as follows:

- Revise the first sentence to recite "The Contract shall be signed in black or blue ink

by the individual, all members/partners of a general partnership or joint venture, a general partner of a limited partnership, a duly authorized officer of the corporation, or a duly authorized manager, managing member or authorized officer of the limited liability company, to whom the Contract was awarded.

- In the last sentence delete "The Department will execute the Contract", and replace with "The Department will endeavor to execute the Contract, in proper form,".

**103.08. Approval of Contract.** Delete text of section, and replace with "The Contract shall not be binding upon the City of Tulsa until it has been executed and approved in the manner set forth in the Tulsa City Charter."

**104.01. Purpose of Contract.** After the first two (2) sentences, delete the rest of the section.

**104.07. Maintenance of Traffic.** Revise the first sentence to recite "Keep all roads, sidewalks, and bicycle paths open to all traffic as shown on the plans."

**105.17. Project Completion and Acceptance.** At the beginning of the section add, "This section does not apply to Infrastructure Development Projects (IPDs). For IDPs, refer to Title 35 of the Revised Ordinances of the City of Tulsa."

**105.17.B. Project Completion.** In the first sentence of the last paragraph, replace "The Resident Engineer will" with "The Resident Engineer may".

**105.17.C. Final Acceptance.** Delete text of section, and replace with "Final Acceptance is the date on which the Request for Action (RFA) for final payment has been signed by the Mayor of the City of Tulsa."

**106.01.A. Material Acceptance.** At the end of this section, add the following paragraph: "For conflicts among ODOT Standard Specifications, ODOT Standard Materials Test Methods, and City of Tulsa Acceptance Sampling/Testing Standard Specifications, the City of Tulsa Acceptance Sampling/Testing Standard Specifications shall take precedence."

**106.01.B. Buy America.** Delete Section.

**106.04.D. Distribution of Certifications.** Delete text of section, and replace with "The Contractor shall submit certifications to the Engineer with another copy mailed to:

Field Engineering
City of Tulsa
Engineering Services Department
2317 S Jackson Ave
Tulsa, OK 74107"

**106.05. Plant Inspection.** In this section, replace all references to "Oklahoma City" with "Tulsa."

**106.11. Guarantees and Warranties.** In the first paragraph replace "six months" with "twelve months" and "six-month" with "twelve-month".

**107.01. Laws, Rules, and Regulations to be Observed.** At the end of this section add the following:

"The contractor shall certify that it and all of its Subcontractors to be used in the performance of the Contract are in compliance with 25 O.S. Sec. 1313 and participate

in the Status Verification System. The Status Verification System is defined in 25 O.S. Sec. 1312 and includes but is not limited to the free Employee Verification Program (E-Verify) available at https://www.e-verify.gov/.

The Contractor shall take the necessary actions to ensure its facilities are in compliance with the requirements of the Americans With Disabilities Act (ADA). It is understood that the Contractor's internal ADA program is not a program or activity of the City of Tulsa. The Contractor agrees that its program or activity will comply with the requirements of the ADA. Any costs of such compliance will be the responsibility of the Contractor. Under no circumstances will Contractor conduct any activity which is not in compliance with the ADA."

**107.06. Barriers, Barricades, and Warning Signs.** Before the first paragraph, add "In this section, the term "traffic" includes vehicular, pedestrian and bicycle traffic."

**107.14. No Waiver of Legal Rights.** Delete section.

**107.19. Regulated Floodways.** At the end of the section, add "The Contractor shall also follow the requirements of Title 11A of the Revised Ordinances of the City of Tulsa."

**107.20. Stormwater Management.** After the first sentence, add "The Contractor shall also follow the requirements of Title 11A of the Revised Ordinances of the City of Tulsa."

**108.01. Subletting of Contract.** Delete the last sentence of the first paragraph.

**108.02. Notice to Proceed and Preconstruction Conference.** Delete the first sentence in the second paragraph, and replace with "After the Contractor and Resident Engineer hold a preconstruction conference, the Contractor shall receive a Notice to Proceed before the start of construction."

**108.07.B.(1) Extensions for Adverse Weather.** After the first sentence in the second paragraph, add "Extensions of Contract Time will not be granted if conditions exist such that the Contractor could work at least 4 hours."

**108.07.B.(3). Winter Time Suspension.** Delete section.

**108.08. Incentive/Disincentive for Early/Late Completion.** Delete section.

**108.09. Failure to Complete on Time.**

- In the first sentence, delete "in accordance with Table 108:1, 'Schedule of Liquidated Damages.'"
- Delete Table 108:1.

**109.04.B.(3). Equipment.**

- In first paragraph, delete the last two sentences, and replace with the following:

  "The Department will determine the maximum allowable rate as listed in the most current edition of the Heavy Construction Costs with RSMeans data, published by The Gordian Group. The Department will calculate the hourly rental rate in accordance with the following equation:

  H = [(M x R)/176] + O

  Where:

  H = Hourly rental rate,

M = Monthly rental rate,

R = City cost index/100, and

O = Hourly operating cost.

- In the second paragraph, delete the last two sentences.

**109.04.B.(4)(f). Employee Fringe Benefits.** Delete text of section, and replace with "The City of Tulsa will not pay for the additional costs of employee fringe benefits incurred by the Contractor for labor during the period the disputed work was in progress."

**109.06. Progress Payments.** Revise the first sentence of the second paragraph to recite "The Resident Engineer will make monthly progressive estimates."

**109.08. Final Payment.** Delete last paragraph, and replace with "If the Contractor does not sign and return the Final Estimate within 90 days of receipt, the Engineer may start action to administratively close the project."

**109.10.A. Recoverable Costs.** Delete section.

**201.04.A. Clearing.** Delete the fourth sentence of the first paragraph, and replace with "Remove branches that overhang the roadway to at least 20 ft [6 m] above the road surface and at least 35 ft [11 m] above the road surface at traffic signals."

**201.06. Basis of Payment.** In this section, delete all references to "Lump Sum", and replace with "Square Yard [Square Meter]".

**202.04. Construction Methods.** In the second paragraph delete, "If the contract requires ground disturbance greater than one acre total."

**202.04.D.(2). Mandatory Sources Designated on the Plans.** Delete sentence, and replace with "If the Plans show the source of selective subgrade topping, excavate the material at the specified source, haul to the specified location, and place."

**202.05.A. Unclassified Excavation.** Delete the second sentence of the first paragraph.

**209.04. Construction Methods.** At the end of the second paragraph, add the following: "Clean inlet and outlet channels within the right-of-way."

**220.04.C. Contractor Responsibilities for SWPPP.** In the first sentence of the second paragraph, replace "recommended" with "required".

**220.04.H.(3). Earthwork Operations.** Delete first paragraph, and replace with "Protect excavation or embankment slopes as construction progresses with placement of temporary (e.g. seeding, mulching, soil retention blankets, or other approved soil stability), or permanent (e.g. seeding, sprigging, or sodding) erosion control measures. Obtain approval from the Resident Engineer in the preconstruction schedule for any increase or decrease in the amount of the area exposed by construction operations. No exposed area shall remain unprotected without being stabilized. Install temporary or permanent erosion or sediment control measures on excavation or embankment slopes as work progresses in vertical increments of not more than 10 ft [3 m] unless otherwise directed by the Resident Engineer."

**220.05. Method of Measurement.** In the bulleted list, delete the sixth bulleted item.

**221.01. Description.** In the last sentence, replace "OOPDES" with "OPDES".

**221.02.D. Temporary Sediment Filter.** Revise the first sentence to recite "Provide fiber log for Type I-A and I-B sediment filter in accordance with Subsection 221.02.H, 'Temporary Fiber Log.' Provide material for Type I-C sediment filter in accordance with Subsection 221.02.C, 'Temporary Silt Fence.'"

**228.02. Materials.** For the first item listed in the table, delete "Nylon".

**230.01. Description.** Delete "Bermuda".

**230.02. Materials.** Delete all references to "Bermuda" from this section.

**231.04.C.(1). Planting Seasons and Weather Restrictions.** In the first sentence of the second paragraph, replace "suspend" with "Suspend".

**317.04.A. Mix Design and Proportioning.** In the bulleted list, insert "•" before "Compressive strength at 7 days".

**317.04.F. Acceptance.**

- Delete the first paragraph.
- At the end of the second paragraph add "Failure to reach strength between 600 psi [4,150 kPa] and 2,000 psi [13,800 kPa] will result in rejection of the work."

**317.06. Basis of Payment.** Delete the third and fourth paragraphs and Table 317:1. Replace with the following: "ODOT Acceptance and Strength Pay Factors shall not be used. Failure to meet criteria in Subsection 317.04.F will result in rejection of the work."

**401.04.A.(1). Surface Elevation and Smoothness.** Delete paragraph, and replace with "Refer to the City of Tulsa Standard Specifications for Pavement and Bridge Deck Smoothness."

**403.04.A.(2). Seasonal Limitations.** Delete paragraph and Table 403:1, and replace with "The Department will evaluate claims for extension of Contract Time in accordance with Subsection 108.07, when temperature and weather limitations in Table 403:2 are not met."

**405.04.G. Spreading and Finishing.** In the last paragraph, replace "ODOT Bridge Division" with "Department".

**406.04.F. Weather and Seasonal Limitations.** Delete the second paragraph.

**410.04.E. Aggregate Application Rate.** Delete the third and fourth sentences, and replace with "The Contractor shall overlay the deficient area at no additional cost to the Department."

**410.05. Method of Measurement.** Delete text of section, and replace with "The Resident Engineer will measure completed Micro Surfacing by the square yard [square meter]."

**410.06. Basis of Payment.** Delete all Pay Items and Pay Units in the table and replace with the following Pay Item and Pay Unit: "MICRO SURFACING, Square Yard [Square Meter]".

**411.03.C. Pavers.** After the first paragraph add the following paragraph and Table 411.03.C:1. "Pavers shall be capable of placing a minimum paving width in one (1) lift as shown in Table 411.03.C:1. Longitudinal joints in the surface layer shall correspond with the locations indicated in Table 411.03.C:1."

| Table 411.03.C:1 Minimum Paving Widths | | |
|---|---|---|
| **Roadway Classification** | **Minimum Paving Width** | **Location of Longitudinal Joints** |
| Arterials | one (1) full lane width | At edges of traffic lanes |
| Non-Arterials | one-half (½) road width | At centerline of road |
| Trails and bike lanes | full width of trail/bike lane | At edges of trail/bike lane |

**411.03.F. Material Transfer Vehicle.**

- In the fourth paragraph, replace "Bridge Division" with "Department".
- In the seventh paragraph, replace "500 ton [450 metric ton]" with "100 ton [90 metric ton]".

**411.04. Construction Methods.** At the beginning of this section, add the following:

"Prior to paving operations, submit a paving plan indicating the sequence of paving passes, pass widths, pass thicknesses, and requested temporary street closures.

The contractor shall not drive empty or loaded trucks or equipment across newly paved areas for the construction period."

**411.04.D. Control Strip Requirements.**

- Delete the first paragraph.
- In the second paragraph, replace "500 ton [450 metric ton]" with "100 ton [90 metric ton]".
- Delete the last paragraph, and replace with "If the initial asphalt control strip produces failing results, make adjustments to production and placement procedures, and repeat the test process for a second control strip. If required, create additional asphalt control strips on the shoulder until an acceptable mixture is produced."

**411.04.1. Spreading and Finishing.**

- After the second sentence in the fourth paragraph, add "Once paving begins the Contractor should have sufficient trucks available to deliver asphalt materials in a continuous operation."
- After the fourth paragraph, add the following paragraph: "A leveling or "wedge" course may be required to establish the required cross-slope for the finished overlay. Adequate transitions to side streets and driveways must be provided. Paving shall extend to the returns of all side streets. Special consideration should be given to prevent ponding at side street intersections."

**411.04.J.(1). General.**

- Delete the second paragraph, and replace with the following:

  "Ensure longitudinal joints in the surface layer correspond with locations indicated in Table 411.03.C:1.

  Transverse joints shall be kept to a minimum. At a minimum, each lane shall be continuously laid without cold joints either from intersection to intersection or a length of 500 ft."
- Delete the last sentence in the last paragraph.

**411.04.K.(2). Acceptance.** Delete the second sentence in the third paragraph.

**411.04.K.(2).(a). Layers At Least 1½ in [38 mm] Thick.**

- In the second paragraph, delete the first sentence, and replace with "Asphalt density tests for each lot will be performed at random sample locations."
- Delete Table 411:2 and the last paragraph in the section, and replace with the following:

  "ODOT Pay Adjustments for Lot Density shall not be used. Failure of any sample within the lot to reach density within 92.0 to 97.0 percent of the Maximum Theoretical Density will result in rejection of the entire lot. The Contractor shall remove and replace unacceptable lots at no additional cost to the Department."

**411.04.K.(2).(b). Layers Less Than 1½ in [40mm] Thick.** In the second paragraph, replace "500 $yd^2$ [500 $m^2$]" with "400 $yd^2$ [330 $m^2$]".

**411.04.N.(2).(a). Basis of Acceptance and Payment.**

- In the first paragraph,
  - In the first sentence, delete "and payment";
  - After the first sentence, add the following: "The Resident Engineer may also consider other characteristics, including but not limited to, pavement smoothness."
- In the second paragraph, delete the second through the last sentence.
- Delete the fifth through the last paragraph, and replace with "ODOT pay factors for density, asphalt cement content, and air voids shall not be used. Failure to reach density of 92.0 to 97.0 percent of the Maximum Theoretical Density, asphalt cement content of +/- 0.40 of job mix formula, air voids greater than 1.5 deviation from target, or specified thickness of asphalt will result in rejection of the entire lot. The Contractor shall remove and replace unacceptable lots at no additional cost to the Department.

**411.04.N.(2).(b). Resident Engineer's Acceptance Procedures.** Delete the second paragraph, the bulleted list, and Table 411:4; replace with "The Resident Engineer may perform varying amounts of sampling and testing per lot in accordance with the City of Tulsa Acceptance Sampling/Testing Standard Specifications."

**411.06.B.(2). Asphalt Binder Price Adjustment (ABPA).** Delete the last paragraph, and replace with "ODOT will establish the Monthly Asphalt Binder Price Index each month and post the information to the ODOT website at http://www.okladot.state.ok.us/contractadmin/pdfs/binder-index.pdf."

**414.02. Materials.**

- Delete "Fly Ash" from Table.
- At the end of the section, add the following:

  "Fly Ash is not allowed in any concrete mixture unless otherwise specified in the Plans or Special Provisions."

**414.03.B. Placing and Finishing Equipment.** After the first sentence, add the following: "If paving is not performed by a slip form paver, a hand vibrator shall be required."

**414.04.R. Acceptance of Pavement.** Delete text of section, and replace with the following: "ODOT pay factors shall not be used. Failure to reach the gradation specified, air content of 4.5% to 7.5%, or target strength of the mix design will result in rejection of the entire lot. Failure to provide pavement thickness equal to or greater than what is specified will result in rejection of the entire lot."

**414.04.R.(a). Engineer's Acceptance Procedures.** Delete text of section and Table 414:2. Replace with "Refer to City of Tulsa Acceptance Sampling/Testing Standard Specifications."

**414.06. Basis of Payment.** Delete the last sentence in this section.

**509.06. Basis of Payment.**

- Delete the second through the fifth paragraph and Table 509:7. Replace with the following: "ODOT pay factors for strength and air content shall not be used. Failure to reach the specified strength or the target air content within a deviation of 1.5% will result in rejection of the work. Check any outlying concrete cylinder breaks and air entrainment tests in accordance with ASTM E 178 Table 1, Upper 10% Significance Level."
- In the sixth paragraph, revise the first sentence to recite "If the concrete is rejected by the Engineer, the Contractor may elect to core the represented concrete at no additional cost to the Department."

**515.04.C. Sampling and Testing of Bridge Decks and Approaches.** Delete the first paragraph and bulleted list. Replace with "Refer to City of Tulsa Acceptance Sampling/ Testing Standard Specifications for lot size."

**515.04.D.(2). Bridge Decks and Approach Slab Surfaces.**

- In the first paragraph, delete the third sentence.
- Delete sections (a), (b) and (c).
- Add the following:
  "The percentage of absorption (using test results from OHD L39 shall be less than or equal to 1.0. The depth of penetration (using test results from OHD L 40) shall be greater than or equal to 0.15 inches. If absorption and penetration requirements are not met, reapply penetrating water repellent at no additional cost to the Department until requirements are met."

**516.02.C. Casings.**

- In the first sentence of the third paragraph, add the word "licensed" after "Registered Professional Engineer".
- In the fourth paragraph, delete the second sentence, and replace with "Use permanent interior casings in accordance with ASTM A760 and AASHTO M36."

**516.04.C.(7). Concrete Acceptance.** Delete the second and third sentence. Replace with the following: "ODOT pay factors for concrete strength shall not be used. Failure to reach the specified strength will result in rejection of the work."

**610.04.F. Tactile Warning Device.** Delete text of section, and replace with the following:
"Install tactile warning devices in accordance with the manufacturer's specifications and the City of Tulsa Standard Drawings. Tactile Warning Devices shall consist of Cast-In-Place Tactile Panels in accordance with 733.1, "Tactile Warning Device Material".

Tactile panels shall be cast into the wet concrete. Surface applied products shall not be allowed. The panels shall extend the full width of the ramp or landing area and shall extend a minimum of two (2) feet in the direction of pedestrian travel. Panels shall be placed perpendicular to the direction of travel unless specifically noted otherwise or approved by the Engineer prior to installation.

All construction shall meet current ADAAG and PROWAG Guidelines."

**611.01. Description.** In the first sentence, delete ", brick masonry,".

**611.02.A. General.**

- Delete "Clay Brick" and "Concrete Brick" from the table of materials.
- In the second paragraph, delete "brick masonry or".

**611.04.B. Clay Brick or Concrete Brick.** Delete section.

**615. Sanitary Sewer Pipe Conduits.** Delete section.

**616. Water Pipe and Fittings.** Delete section.

**623. Guardrail and End Treatments.** Revise the section title to recite "Guardrail, End Treatments, and Impact Attenuators".

**623.01. Description.**

- In bulleted list, add the item, "Guardrail Impact Attenuators".
- In the last sentence of the last paragraph, after "Ensure the GETs", add "and Guardrail Impact Attenuators".

**623.04. Construction Methods.** Add the following subsection:

"**623.04 H. Guardrail Impact Attenuators**

Ensure experienced workers fabricate and install guardrail impact attenuators as shown on the Plans.

Construct guardrail impact attenuators with certified, crash tested hardware. Ensure NCHRP 350 TL-3 certification for substituted hardware and that the product appears on the Traffic Engineering Division's Qualified Product List (QPL). Obtain the Resident Engineer's approval of substitutions before installation."

**623.06. Basis of Payment.** Add Pay Item "(J) Guardrail Impact Attenuator" with a Pay Unit of "Each".

**624.01. Description.** In the bulleted list, add the bulleted item, "Fence, Other (Like Kind),".

**624.02. Materials.** In the table, add the Material, "Fence, Other (Like Kind)" with Section or Subsection of "732.10".

**624.06. Basis of Payment.** Add Pay Item, "(H) Fence, Other (Like Kind)" with a Pay Unit of "Linear Foot [Meter]".

**642.06. Basis of Payment.** In the table, for both Pay Items, delete the Pay Unit of "Lump Sum", and replace with "Each".

**701.01.B. Cement Substitution.** Delete text of section, Table 701:2, and Table 701:3. Replace with "Cement substitutions shall not be used in concrete mixtures."

**701.19.A. General.** Controlled Low-Strength Material (CLSM). In the first sentence, delete "fly ash,".

**701.19.B. Mix Design.** In the table, delete the Material, "Fly Ash".

**702.01.A. General.** In the second paragraph

- Delete the first sentence, and
- In the last sentence, delete "PCC from one source (power plant) and".

**702.01.B. Requirements for Portland Cement Concrete Use.** Delete section.

**702.02. Slag Cement.** Delete section.

**702.03. Cement Kiln Dust.** Delete section.

**702.04. Silica Fume.** Delete section.

**708.04. Composition of Mixtures.** In Table 708:6, under "Other Mixture Requirements", add a row as follows:

| | S2 | S3 | S4 | S5/RIL | S6 |
|---|---|---|---|---|---|
| Asphalt Cement (for Non-Arterial pavements only) % of mix mass | | ≥ 5.0 | ≥ 6.0 | ≥ 6.0/NA | |

**711.06.D.(1). Acrylic Emulsion Polymer.** In the second sentence, after "44 percent by", delete "weight [mass]", and replace with "total weight of the acrylic emulsion polymer."

**719.04.A. Description.** In the second sentence, after "Type III" add ", Type IV, or Type IX".

**719.05.C. Material and Application.** In the first sentence, delete "baking screen enamel or".

**719.05.E. Tests.** In the first sentence revise "Ensure screening enamel, stencil pastes, and process inks" to recite "Ensure stencil pastes and process inks".

**726.02. Flexible Conduits.** In Table 726:3, under Nonmetallic conduits—culverts, for Corrugated Polypropylene Pipe, delete the requirement for "AASHTO M330", and replace with "COT 215".

**732. Materials for Guardrail, Guide Posts, Bridge Rail, Miscellaneous Railing, and Fences.** Add the following subsection:

"**732.10 Fence, Other (Like Kind)**

Provide fence, other (like kind), in accordance with contract documents."

**733. Miscellaneous Materials.** Add the following subsection:

"**733.1 Tactile Warning Device Material**

Provide cast-in-place tactile panels to be embedded into wet concrete. Surface applied products are not allowed. The panels shall meet the size and spacing requirements shown in the plans or the City of Tulsa Standard Drawings.

The tactile panels shall be composed of cast iron or vitrified polymer composite material. The color of the tactile panels shall comply with ADAAG and PROWAG color

contrast requirements. Vitrified polymer composite panels shall be yellow and conform to Federal Color No. 33538. The color shall be homogeneous throughout the product. Any variations in color shall be approved by the Engineer prior to installation.

Tactile panels shall meet current ADAAG and PROWAG Guidelines."

**735.01. Sodding and Sprigging Materials.** Within subsections A, B and C, delete the word "Bermuda".

**735.01.B.(1). Solid Slab Sod.** At the end of the first paragraph add "Nylon mesh shall not be allowed in solid slab sod."

**740.01. Materials.**

- Delete the first three paragraphs.
- In fourth paragraph, delete "aluminum sheet material". Replace with "louvered aluminum backplates".
- At the end of the fifth paragraph, add "Retroreflective sheeting shall be 2 inches wide and attached to the front perimeter of the backplate. Retroreflective sheeting shall be fluorescent yellow."

**740.02. Finish.** After "Ensure the backplate is" add "flat".

**801.01. Description.** Delete the second paragraph. Replace with the following:

"The contractor shall obtain the necessary permits for electrical inspection on all signal and lighting work. Electrical inspections shall include all electrical equipment, enclosures, devices, cables, conductors and raceways as defined by the NEC. High or low voltage shall be installed, maintained, connected or removed by a State of Oklahoma licensed Electrical contractor. All work shall meet the requirements of the NEC. The City of Tulsa shall reserve the right to define workmanlike manner. Proof of license shall be carried on person at all times and be available to City of Tulsa personnel upon request per Title 158- Construction Industries Board Chapter -40 Subchapter 11-2(a)(9). The Contractor shall contact City of Tulsa Traffic Operations to obtain the address needed to obtain the permit."

**801.04.A. General.** Replace all references to "60-cycle" with "60 hertz".

**802. Electrical Conduit.** Delete section.

**803. Pull Boxes and Ground Boxes.** Delete section.

**804. Concrete Footings.** Delete section.

**805. Removal of Traffic Items.** Delete section.

**806. Poles and Mast Arms.** Delete section.

**807.02. Materials.** In the second sentence of the second paragraph, replace "plastic" with "hardened, tamper-proof".

**807.06. Basis of Payment.** In the last paragraph, replace "plastic" with "hardened, tamper-proof".

**809. Luminaires.** Delete section.

**810. Power Supplies.** Delete section.

**811. Electrical Conductors Highway Lighting.** Delete section.

**813.02. Materials.** In the first two sentences of the first paragraph, after "(2) hardcopies" add "and one (1) electronic (pdf) copy".

**813.02.A. Structural Design.**

- In the second sentence of the first paragraph, delete "corrosion-resistant (stainless or galvanized steel, or aluminum)". Replace with "galvanized steel".
- In the eighth paragraph, after "Provide the following luminaire ring suspensions as required by the Contract:", add "(Only top latching systems are allowed.)".

**813.04. Construction Methods.** In the first paragraph, delete the third sentence and replace with "Submit to the Resident Engineer one (1) electronic (pdf) copy and at least five (5) hardcopies per project or one (1) copy per device."

**825. Traffic Signal Controller Assembly.** Delete section.

**827. Solid-State Flashing Controller.** Delete section.

**828. Vehicle Loop Detector and Loop Detector Wire.** Delete section.

**830. Pedestrian Push Button.** Delete section.

**831. Traffic Signal Heads.** Delete section.

**832. Optically Programmed Adjustable Traffic Signal Heads.** Delete section.

**833. Traffic Signal Backplates.** Delete section.

**834. Electrical Conductors for Traffic Signals.** Delete section.

**850. Signs.** Delete section.

**851. Galvanized Steel Sign Posts.** Delete section.

**855.04.B. Application of Markings.** At the end of the first paragraph, add "Remove temporary markings and reflective tabs prior to installing permanent markings."

**856. Traffic Stripe (Multi-Polymer).** Delete section.

**858.04. Construction Methods.** At the end of the second sentence of the first paragraph, delete "maker", and replace with "marker".

**880.02.B.(5). Warning Lights.** In the first sentence, delete "6F-7OF", and replace with "6F.83".

**880.05.B. Lump Sum Pay Item.** At the beginning of the second paragraph, revise "If additional and compensation" to recite "If additional compensation".

*(Ord. Nos. 17285, 17472, 19955; Ord. No. 22597, § 1, 1-5-2012; Ord. No. 23427, § I, 1-14-2016; Ord. No. 24616, § 1, 6-2-2021)*

## CHAPTER 11. PREQUALIFICATION OF CONTRACTORS

Section 1100. Definitions.
Section 1101. Powers and duties of the Director.
Section 1102. Certificates of prequalification.
Section 1103. Rejection of bids.
Section 1104. Re-examination of qualifications.
Section 1105. Prior certificates.

### Section 1100. Definitions.

Unless otherwise expressly stated, the following terms shall, for the purposes of this chapter be defined as set forth in this section.

**A. Public Improvement** shall mean any building, street, alley, pavement, sanitary sewer, storm sewer, water line or any other improvement or structure which is constructed under contract with the City of Tulsa, Oklahoma, or as a part of a privately funded public improvement.

**B. Director** shall mean the Director of the Public Works Department, his authorized representative or any person, board or committee assigned the duties prescribed herein by executive order of the Mayor of the City of Tulsa.

**C. Person** shall mean any individual, firm, corporation, association, partnership, joint venture or other contracting entity.

**D. Contractor** shall mean any person who submits a bid for the construction of a public improvement.

*(Ord. No. 17285)*

### Section 1101. Powers and duties of the Director.

**A.** It shall be the duty of the Director to investigate and examine the qualifications of all contractors applying for a prequalification certificate and, upon determining that an applicant meets the requirements of this chapter and is in all respects responsible, qualified and competent for the class, character and magnitude of the work which the applicant proposes or intends to perform under contract with the City of Tulsa, to issue a certificate of prequalification to such contractor.

In determining the acceptability of an applicant for the purpose of prequalifications, the Director shall, among other things, investigate and consider the following:

**1.** Financial responsibility;

**2.** The character, quality and availability of the contractor's equipment, machinery and experienced personnel;

**3.** The performance record of the applicant in the performance of other contracts for public or private improvements;

**4.** The nature and extent of other contract commitments involving the use of the applicant's machinery, equipment and personnel;

**5.** Reputation for reliability and integrity;

**6.** The recommendation of the construction manager for the public improvement when the City is the general contractor and has contracted with a construction manager for the public improvement; and

**7.** Any other fact which would materially affect the ability of the applicant to properly, adequately, expeditiously and satisfactorily perform such work as might be awarded to such contractor.

**B.** If the Director, after investigation and examination of the applicant, determines that the applicant is qualified to perform contracts with the City of Tulsa, he shall issue a certificate of prequalification for the class and type of work which the applicant proposes or intends to perform under contracts with the City of Tulsa.

**C.** Such prequalification certificate shall certify that the applicant is qualified to bid upon one (1) or more of the following classes or categories of public improvements.

**1. Class A - General.** The Class A General Certificate shall entitle the holder to bid upon any and all contracts, without limitations.

**2. Class B - Building Construction.** The Class B Building Construction Certificate shall entitle the holder to bid upon all proposed contracts for the construction, erection and installation of buildings, warehouses and all other public improvements and public structures, except those described as Class C and Class D.

**3. Class C - Paving and Bridge Construction.** The Class C Paving and Bridge Construction Certificate shall entitle the holder to bid upon the grading, paving, surfacing, resurfacing, draining, guttering, bridging and other work involved in the construction or reconstruction of streets, alleys and private ways.

**4. Class D - Utility Construction.** The Class D Utility Construction Certificate shall entitle the holder to bid upon the installation and construction of all public utilities, such as waterworks, water lines, sanitary sewers, storm sewers and related facilities.

**5. Class E - Prime Contractor Construction.** The Class E Prime Contractor Construction Certificate shall entitle the holder to bid upon proposed contracts involved in the construction of a public building improvement, except those described as Class A, Class C and Class D, when the City is the general contractor and has contracted with a construction manager to oversee the public building improvement. The certificate shall identify one (1) of the following subclasses representing the maximum amount of a proposed contract upon which the holder will be entitled to bid, based upon the estimated cost of the proposed contract, as determined by the Director:

| | | |
|---|---|---|
| E1 | - | Proposed contracts with an estimated cost not exceeding One Million Dollars ($1,000,000.00) |
| E2 | - | Proposed contracts with an estimated cost not exceeding Five Million Dollars ($5,000,000.00) |
| E3 | - | Proposed contracts with an estimated cost not exceeding Ten Million Dollars ($10,000,000.00) |
| E4 | - | Proposed contracts in any amount. |

**6. Class S - General/Specialty Construction.** The Class S Construction Certificate shall entitle the holder to bid upon any public improvement not classified above, the estimated cost of which exceeds the sum of Six Hundred Thousand Dollars ($600,000.00).

**D.** The Director shall have the power to revoke or temporarily suspend a prequalification certificate of any contractor, subject to express conditions for reinstatement, when such contractor has:

**1.** Misrepresented any material fact in his application for prequalification certificate;

**2.** Defaulted in the performance of a contract with the City of Tulsa;

**3.** Failed to complete satisfactorily the performance of a contract with the City of Tulsa;

**4.** Failed to execute a contract awarded by the City of Tulsa; or

**5.** Ceased to possess any of the qualifications necessary hereunder for issuance of a prequalification certificate.

*(Ord. Nos. 17285, 21207)*

**Section 1102. Certificates of prequalification.**

**A. Application.** All applications for prequalification shall be filed with the City Clerk. Such application shall be upon forms containing the information prescribed by the Director and shall be verified before a notary public. Such application shall be accompanied by the following:

**1.** An audited financial statement by new applicants, except when application is for a Class E Prime Contractor Construction Certificate, in which case a reviewed financial statement from a Certified Public Account indicating a current asset-to-debt ratio of not less than 1.5 may be substituted for an audited financial statement;

**2.** A statement from a surety that the applicant is qualified and, if the applicant is the successful bidder, that the surety will furnish bonds as required by the contracting agency; and

**3.** Authorization for applicant's bank to release credit history to the Director.

The City Clerk shall immediately transmit, upon receiving and filing, such application and information to the Director for consideration as provided herein.

**B. Application Fees.** At the time of filing, each applicant shall pay to the City a filing fee according to the following schedule for an original application and for the filing of renewal or reinstatement applications.

| Filing Fee | | |
|---|---|---|
| Class | Original Application | Renewal Or Reinstatement |
| A | $225.00 | $25.00 |
| B | $225.00 | $25.00 |
| C | $225.00 | $25.00 |
| D | $225.00 | $25.00 |
| E | $225.00 | $25.00 |
| S | $225.00 | $25.00 |

In the event an applicant applies for or is qualified to bid upon one (1) or more of the above classes or categories of public improvements, only one (1) fee for the original

application or renewal or reinstatement shall be paid, which fee shall be that provided for the highest classification or category for which application is made or prequalification certificate issued.

**C. Issuance and Recordation.** Upon the receipt of an application and the completion of the investigation called for in Section 1101, the Director shall approve or disapprove the application. Such approval or disapproval shall be entered by the City Clerk in a prequalification record to be kept as part of the public records of the City of Tulsa. If the application is approved, the City Clerk shall issue or cause to be issued to the applicant a certificate setting forth the fact of prequalification and the class of certificate for which such applicant has been approved. The contractor's prequalification record kept by the City Clerk shall contain the name and business address of the applicant, the date of issuance of the certificate of prequalification and the class of certificate issued, together with any change, modification, revocation or suspension of such certificate.

**D. Revocation or Suspension of Prequalifications.** In the event the Director determines that a Contractor's certificate of prequalification should be revoked or temporarily suspended as herein provided, the Director shall notify the Contractor and shall afford the Contractor an opportunity to be heard. Such notice of revocation or suspension shall give the reasons therefore and shall state the date, time and place of the hearing before the Director. After the hearing, or in the event the Contractor fails to appear at such hearing, the Director shall, within five (5) days, issue his order revoking or temporarily suspending the certificate of prequalification, allowing the certificate to remain in effect or amending the certificate. In the event that the Contractor's certificate of prequalification is revoked or temporarily suspended, such revocation or suspension shall be subject to express conditions for reinstatement.

**E. Appeal.** An appeal from the Director's decision to revoke, suspend or modify a prequalification certificate may be taken to the Council by the filing of a notice of appeal with the City Clerk within ten (10) days of date of the order of revocation, suspension or modification of the certificate.

**F. Expiration.** All certificates of prequalification shall expire on the 90th day following the end of the fiscal year of the certificate holder except that a certificate shall be automatically extended pending approval by the Director of a timely filed renewal application. All certificates of prequalification must be renewed annually by filing an application for renewal on forms containing the information prescribed by the Director, and by paying the renewal application fees as above provided. All such renewals shall be for a period of one (1) year from the expiration date. If the renewal application is not received within ten (10) days after the expiration date of a certificate, the applicant must file an original application. An extension of ninety (90) days in which to file a renewal application shall be granted upon the filing of a request with the City Clerk within ten (10) days of the expiration of the current certificate of prequalification.

**G. Special Requirements for Certification.** No certification of prequalification shall be issued to any applicant unless and until, in addition to establishing qualification to the satisfaction of the Director in accordance with the provisions contained herein, the applicant establishes:

**1.** If an individual, that he has been actively engaged in supervising construction work in the category and classification for which certification is required, continuously for an uninterrupted period of at least two (2) years within the five (5) years next preceding the date of application; or

**2.** If a partnership, individual, joint venture or other bidding entity except a corporation, that at least one (1) of the partners, joint venturers, members or employees of such association or bidding entity has been engaged in a supervisory capacity in the category and classification for which certification is requested, continuously for an uninterrupted period of at least two (2) of the five (5) years immediately preceding the date of application; providing that such partner, joint venturer, member or employee shall remain in the employ of the Contractor during the period of the prequalification certificate and during the performance of any contract with the City of Tulsa; or

**3.** If a corporation, that either the chief executive officer or the officer having the responsibility for the management, supervision, control and conduct of any work to be done by the corporation under the certificate of prequalification, has been actively engaged in a supervisory capacity in the category or classification of work for which the certificate is requested, continuously for an uninterrupted period of at least two (2) of the five (5) years immediately preceding the date of application; provided, however, that a certificate of prequalification may be awarded upon establishing that the employee, servant or agent who shall be named in the application as having direct personal supervision and control over any work to be performed under the certificate of prequalification has had the experience above required, and provided that such person shall remain in the employ of the corporation during the period of the prequalification certificate and during the performance of any contract with the City of Tulsa.

**H. Service Agent Required for Nonresident Applicants.** In the case of applicants who are not residents of Tulsa County, Oklahoma, or who do not have their principal place of business in Tulsa County, Oklahoma, no certificates of prequalification shall be issued unless such applicant shall designate, as a part of its application, an individual resident of Tulsa County, Oklahoma, as a service agent upon whom service of process may be made by the City of Tulsa in any action against the applicant arising from the performance of or involving any contract that may be awarded to the applicant under a certificate of prequalification.

**I. Construction Manager Recommendation.** The recommendation of the construction manager for Class E applications will be based on the construction manager's investigation and evaluation of the applicant's capabilities, past experience, safety record, current work load, bonding capacity and other criteria set forth in this chapter.

*(Ord. Nos. 17106, 17285, 17473, 17990, 21207; Ord. No. 22910, § 1, 7-18-2013)*

**Section 1103. Rejection of bids.**

**A.** No bid for the construction of any public improvement, the estimated cost of which exceeds Two Hundred Fifty Thousand Dollars ($250,000.00), or in the case of Class S construction, Six Hundred Thousand Dollars ($600,000.00), shall be received and filed by the City Clerk of the City of Tulsa unless the person submitting the bid has prequalified as provided herein and is the holder of a current certificate of prequalification in full force and effect on the date such bid is submitted and filed in a Certificate Class required by the bid documents.

**B.** The City Clerk shall return unopened all bids of any bidder who is not shown by the records of the City Clerk to be the holder of a current prequalification certificate, and unless the certificate number and the statement of no change of condition as herein provided are endorsed upon and accompanied by the submission of such bid.

*(Ord. Nos. 17285, 17990, 21207)*

### Section 1104. Re-examination of qualifications.

The Director, the Mayor and the administrative departments of the City of Tulsa are hereby authorized to reexamine the qualifications of any Contractor whose qualifications have changed in any way since this issuance of a prequalification certificate, and to take into consideration any change of qualifications in determining the lowest and most secure bid for the construction of any public improvement.

*(Ord. No. 17285)*

### Section 1105. Prior certificates.

After the effective date of this ordinance, the holder of any valid certificate of prequalification, granted pursuant to a prior ordinance, shall be deemed to be prequalified for all work within that class without regard to any limitations as to the estimated construction cost of a project through and including the 90th day following the end of the fiscal year for which the certificate holder has been issued a prequalification certificate.

*(Ord. Nos. 17285, 17990)*

## CHAPTER 12. RIGHTS-OF-WAY OCCUPANCY MANAGEMENT

Section 1200. Intent and purpose.
Section 1201. Name and scope.
Section 1202. Definitions.
Section 1203. Administration.
Section 1204. Authority to occupy the rights-of-way.
Section 1205. Occupancy permits.
Section 1206. Occupancy fees or inspection fee and service charge.
Section 1207. Emergency telephone service requirements.
Section 1208. Rights-of-way construction permits.
Section 1209. Appeals.
Section 1210. Engineering standards.
Section 1211. Insurance.
Section 1212. Indemnification.
Section 1213. No limits on liability.
Section 1214. Record maintenance.
Section 1215. Relocation of equipment and facilities.
Section 1216. Pre-excavation location of equipment.
Section 1217. Damage to other facilities.
Section 1218. Abandoned and unusable facilities.
Section 1219. Rights-of-way vacation.
Section 1220. Cable and open video system provisions.
Section 1221. Thermal service row usage fee.
Section 1222. Reservation of regulatory and police powers.
Section 1223. Severability.
Section 1224. Revocation.
Section 1225. Transfers.
Section 1226. Exemptions.
Section 1227. Enforcement.
Section 1228. Penalties.
Schedule A.

### Section 1200. Intent and purpose.

**A.** In order to provide for the public health, safety and welfare of the citizens of the City of Tulsa, as well as to ensure the structural integrity of the City's streets and related infrastructures; to minimize the disruption to the traveling public; and to ensure costs incurred by the City to acquire, maintain and manage the rights-of-way are properly allocated among the various users of the rights-of-way, the City hereby establishes standards for authorizing and managing the placement of facilities in rights-of-way; performing installation, maintenance and other work in the rights-of-way; and appropriately recovering costs incurred by the City related to such activities.

**B.** It is the intent of this chapter to charge those persons that own, manage, operate or control the facilities located in the rights-of-way a fee based upon the proportion of facilities they have in the rights-of-way to the amount of costs the City of Tulsa incurs in acquiring and maintaining the rights-of-way. It is not the intent of this chapter to collect fees from resellers, even though they may use facilities in the rights-of-way. It is

not the intent of this chapter to prohibit those persons that own, manage, operate or control the facilities in the rights-of-way from passing the fees they pay pursuant to this chapter along to their customers and others, including resellers.

**C.** It is the intent of this chapter that all trunk, mainline, area or system-wide facilities, unless otherwise authorized by a special use permit, franchise or otherwise, shall only be located within arterial rights-of-way as defined by this chapter. It is intended that local or individual distribution lines directly attaching to individual customer service lines shall usually be located in a rights-of-way which is not an arterial rights-of-way. In any instance where the classification of a line as a trunk or local line is not clear due to specific fact circumstances pertaining to said line, the classification determination shall be made by the rights-of-way occupant with due regard to the primary function and purpose being served by the line.

*(Ord. No. 19945)*

### Section 1201. Name and scope.

**A.** Title 11, Tulsa Revised Ordinances, Chapter 12, shall be known and may be cited as, "The Rights-of-Way Occupancy Management Ordinance." Except as otherwise provided herein or prohibited by applicable law, this chapter shall apply to all rights-of-way occupants, whether under the authority of a franchise, permit, license or any other type of grant.

**B.** This chapter shall not apply to any ownership, installation, operation or maintenance of the plants and systems of Public Service Company of Oklahoma (PSO) or Oklahoma Natural Gas Company, a division of ONEOK, Inc. (ONG) on, in or upon the rights-of-way of the City which is performed and carried out in accordance with the terms and provisions of the grant or franchises between the City and PSO (Title 15, Chapter 4, Tulsa Revised Ordinances) and ONG (Title 15, Chapter 3, Tulsa Revised Ordinances), and their successors and assigns.

**C.** This chapter shall not apply to the transportation, distribution or sale of natural gas or electricity.

*(Ord. Nos. 19945, 21393)*

### Section 1202. Definitions.

For the purposes of this chapter, the following terms, phrases, words and abbreviations shall have the meanings given herein, unless otherwise expressly stated. When not inconsistent with the context, words used in the present tense include the future tense; words in the plural number include the singular number; words in the singular number include the plural number; and words defined in upper and lower case shall have the same meaning as words in all lower case. Words used in the masculine gender comprehend, as well, the feminine gender and neuter. The words "and" and "or" may be read conjunctively or disjunctively. The words "shall" and "will" are mandatory, and "may" is permissive. Unless otherwise expressly stated, words not defined in this chapter shall be given the meaning set forth in Title 47 of the United States Code, and, if not defined therein, their common and ordinary meaning. References to governmental entities (whether persons or entities) refer to those entities or their successors in authority. References to laws, ordinances or regulations shall be interpreted broadly to cover government actions, however nominated, and include laws, ordinances and regulations now in force or hereinafter enacted or amended.

**Affiliate** means a person that directly or indirectly, or through one or more intermediaries, owns or controls, is owned or controlled by (in whole or in part), or is under common ownership or control of, another person.

**Arterial rights-of-way** means the vehicle traffic lanes under the control and maintenance jurisdiction of the City of Tulsa, including the strips of land on each side thereof, on freeways, parkways, special traffic ways primary, secondary and urban arterial streets, all as defined and established by the adopted and currently effective Tulsa City-County Major Street and Highway Plan. The term shall also apply and have reference to the street system within Tulsa's Central Business District, as defined in the City of Tulsa's adopted Comprehensive Plan, and more particularly described as the street network bounded on the east by the east leg of the inner dispersal loop, the west by I-244, north by I-244 and on the south by the Broken Arrow Expressway. The rights-of-way administrator shall maintain copies of the referenced plan maps for the convenient reference by rights-of way occupants.

**Basic local service** means a terrestrial telecommunications service that employs an access line and dial tone (or the equivalent thereof) to provide access from the premises of residential or business customers to other lines for the transmission of, among other things, two-way switched or voice or data communication in the local calling area without additional, usage-sensitive charges, including:

**A.** Voice grade access to the public switched network, with the ability to place or receive calls;

**B.** A primary directory listing;

**C.** Dual-tone multi-frequency (DTMF) signaling or its functional equivalent, also known as touch tone service;

**D.** Single-party service;

**E.** Access to operator services;

**F.** Access to directory assistance services;

**G.** Access to telecommunications relay services for the deaf or hard-of-hearing;

**H.** Access to nine-one-one service where provided by a local governmental authority or multi-jurisdictional authority;

**I.** Access to interexchange long distance services;

**J.** Data communications via a modern attached to a voice line with access to the public switched telephone network; and

**K.** Provision of services or facilities to resellers of any of these services.

This definition does not include the resale of services to subscribers, or the provision of wireless telephone service.

**Cable service.** The one-way transmission to subscribers of video and audio programming or other programming services and subscriber interaction, if any, which is required for the selection or use of video and audio programming or other programming services provided through electric or electronic signals, or which utilizes a cable system, an open video system or any other facility designed to provided video and audio programming services to subscribers, but excluding IP video service. By the exclusion of IP video service from this definition of cable service, the City shall not be deemed to have waived any of its rights to assert that any ROW occupant providing IP video service is providing cable service.

**Cable television system** or **cable system** or **system.** Facilities consisting of antennae, coaxial cables, fiber optic cables, wave guides, conductors or other closed transmission paths and associated signal generation, reception and control equipment, and other equipment designed to provide cable service or cable service and communications service to subscribers and users.

**Channel** means a portion of the electromagnetic frequency spectrum which is used to provide cable service and which is capable of transmitting a television channel as defined by the Federal Communications Commission.

**City** means the City of Tulsa.

**Communications service** means the offering of telecommunications for a fee directly to the public, or to such classes of users as to the effectively available directly to the public, regardless of the facilities used. Communication service shall also include, but not necessarily be limited to, basic local service, enhanced service, digital transmission service and non digital point to point or private line service. Communication service does not include cable service.

**Communications service gross revenues** means all revenues received from or in respect of subscribers to or users of communication services exclusive of revenues received from the imposition of City, state or federal taxes or fees.

**Digital transmission service** means digital transmission services, including but not limited to the following:

**A.** Digital subscriber line (DSL);

**B.** Asynchronous transfer mode (ATM);

**C.** Packet switched data;

**D.** Frame relay;

**E.** Integrated services digital network (ISDN);

**F.** Dedicated digital or switched digital connections, including but not limited to fractional T-I, T-1 and higher capacity offerings (i.e., OC-3); and

**G.** Virtual private networks provided by LEC's within the City of Tulsa.

**Emergency** means a condition that poses a clear and immediate danger to life or health, of a significant loss of property, or requires immediate repair or replacement in order to restore service to the public or a customer.

**Elevation view** means the product of the equipment's maximum height and width utilizing the largest side of the equipment. (For example, an equipment cabinet with exterior dimensions of three (3) feet × four (4) feet × two (2) feet would have an elevation view of twelve (12) square feet; a generator with exterior dimensions of four (4) feet × four (4) feet × five (5) feet would have an elevation view of twenty (20) square feet; and, a traffic control box with exterior dimensions of seven (7) feet × two (2) feet × four (4) feet would have an elevation view of twenty-eight (28) square feet.

**Enhanced service** means a service that is delivered over communications transmission facilities (whether owned or leased), including but not limited to:

**A.** That which changes the content, format, code or protocol of transmitted information;

**B.** Provides the customer new or restructured information;

**C.** Involves end-user interaction with information stored in a computer;

**D.** Service enhancements and features, including but not limited to call forwarding, call waiting, caller ID, automatic call back, call return, three-way calling, speed dialing or assisted dialing; and

**E.** Provision of services or facilities to resellers of any of these services.

This definition does not include the resale of services to subscribers, or the provision of wireless telephone service.

**Excavate** means to dig into, around or under, or in any way remove or physically disturb or penetrate any part of the rights-of-way, including but not limited to boring, blasting, pushing and drilling holes for the installation of poles or conduit.

**Facility** or **facilities** means all or any part of a collective system of tangible things, including but not limited to pipelines, conduits, copper or fiber optic cabling, pedestals, guy wires, anchors, vaults, junction boxes, utility poles and electrical wiring, that is partly or entirely located in the rights-of-way and is used for the transmission of goods or services, including but not limited to natural gas, steam, chilled or potable water, electricity, video service or telecommunications service, regardless of whether the services are provided for a fee, or provided to the general public, to a limited group of private users, or solely for the benefit of the owner of the system.

**Franchise holder** means a holder of an approved public service franchise.

**IP video service, internet protocol video service** or **internet protocol (IP)-enabled video service** means the provision of video programming over an IP video system. This term shall not include any video programming provided as part of a service that enables users to access content, information, e-mail or other services offered over the public Internet. By identifying itself as a provider of IP video service as provided in this definition, a ROW occupant shall not be deemed to have waived any of its rights to assert that the provision of IP video service is not subject to regulations provided in this chapter.

**IP video system** means any facility using a switched (point-to-point) network architecture and using an internet protocol (IP) platform to provide IP video service to multiple subscribers within the City.

**Local exchange carrier (LEC)** means any person that is engaged in the provision of telephone exchange service or exchange access over facilities located in the rights-of-way. This definition includes incumbent carriers, competitive access carriers, alternative carriers and integrated telecommunications service providers. This definition also includes subsidiaries of LEC's and carriers providing only or mainly specialized and broadband telecommunications services.

If an LEC employs a mix of terrestrial or guided media and wireless technologies, such as last mile radio or optical access, that LEC is not considered a wireless telephone service provider.

**Major project** means projects that exceed five hundred (500) feet in length, or require boring under an arterial rights-of-way, or the cutting of any pavement in an arterial rights-of-way, or involve the installation of an additional transmission pole, or the blockage of any traveling lane in any arterial rights-of-way, for any amount of time.

**Mayor** means the Mayor of the City of Tulsa as established by the Charter of the City of Tulsa.

**Non-digital point to point or private line service** means service over facilities dedicated for the use of a particular subscriber or carrying transmissions solely between specified points on behalf of such a subscriber, including but not limited to the following:

**A.** E and M tie trunks; and

**B.** Other lines or circuits for telemetry, signaling or other uses.

This definition does not include the resale of services to subscribers, or the provision of wireless telephone service.

**Obstruct** means to place any tangible object or material in the rights-of-way in a manner that stops, hinders, disrupts or otherwise interferes with free and open passage over a specific area or part of the rights-of-way. The term does not include the otherwise legal parking of a vehicle subject to all the current parking regulations of Title 37, Tulsa Revised Ordinances.

**Occupancy permit** means a grant of authority from the City to occupy the rights-of-way for the purposes of placing, owning, operating or managing facilities in the rights-of-way.

**Occupancy permit holder** means any person holding an occupancy permit.

**Open video system (OVS)** means any facility consisting of a set of transmission paths and associated signal generation, reception and control equipment that is designed to provide cable service which includes video programming and which is provided to multiple subscribers within the City, provided that the Federal Communications Commission (FCC) has certified that such system complies with Title 47 United States Code, Section 573 and Title 47 Code of Federal Regulations, Subpart S, as amended.

**Permittee** means any person to whom a ROW construction permit has been issued.

**Person** means any natural or corporate person, business association or other business entity, including, but not limited to, a partnership, a sole proprietorship, a corporation, a limited liability company, a political subdivision, a public or private agency or authority of any kind, a utility, or a successor or assign of any of the foregoing or any other legal entity, but not the City.

**Professional liability insurance** means liability insurance including those requirements commonly defined as malpractice insurance, which provides protection from loss sustained because of error or oversight in advice given or expertise relied upon as integral to the project.

**Public service franchise** means the authorization granted by the City, and approved by a vote of the people, giving the grantee the nonexclusive right to provide, through public facilities maintained or operated upon, across, beneath or over any rights-of-way in the City, any general public service, including heat, light, power, refrigeration or steam, but not including telecommunications services or cable television service, within a defined franchise area.

**Rights-of-way occupancy fee** means an annual charge that recovers an apportioned share of the actual costs to the City of acquiring and maintaining the arterial rights-of-way.

**Rights-of-way construction permit** or **ROW construction permit** means an authorization to excavate in or obstruct rights-of-way at a specific place and time, for the purposes of installing, constructing or maintaining facilities within a specified portion of rights-of-way.

**Rights-of-way occupant** or **ROW occupant** means a person that owns, manages, operates, controls or has the ability to directly affect the facilities located in the rights-of-way.

**Rights-of-way** or **ROW** means the surface, the airspace above ground and the area below the surface of any public street, highway, parkway, lane, path, alley, sidewalk, boulevard, drive, bridge, tunnel, adjacent easement or similar property in which the City now or hereafter holds a property interest and/or a maintenance responsibility which, consistent with the purposes for which it was dedicated, may be used for the purpose of constructing, installing, operating and maintaining facilities of any kind, including but not limited to conduits, pipelines, cables, utility poles, junction boxes and duct banks. Rights-of-way does not include buildings, parks or other property owned or leased by the City, its trusts or authorities, but does include all arterial rights-of-way as defined by this chapter. No reference herein, or in any franchise agreement or occupancy permit yet to be negotiated, to any rights-of-way, shall be deemed to be a representation or guarantee by the City that its interest or other right to control the use of such property is sufficient to permit its use for such purposes, and a franchise holder or occupancy permit holder shall be deemed to gain only those rights to use as are properly in the City and as the City may have the right and power to give.

Should the ROW occupant desire the City to investigate whether the City can make a representation or guarantee that its interest or other right to control the use of such property is sufficient to permit the ROW occupant's use for such purposes, then the ROW occupant shall submit, in advance, sufficient funds to cover all costs associated with such an investigation by the City including but not limited to, attorney fees, surveyor fees, title examination fees and title insurance fees.

**Telecommunications** means the transmission, between or among points specified by the user, of information of the user's choosing, without change in the form or content of the information as sent and received, as defined in the Communications Act of 1934, as amended.

**Thermal service** means the sale of chilled water and steam.

**Thermal service gross revenues** means all revenues received from or in respect of thermal service exclusive of revenues received form the imposition of City, state or federal taxes or fees.

**Transfer** means any transaction in which:

**A.** All or a portion of a ROW occupant's facilities is sold or assigned;

**B.** There is any change, acquisition, direct or indirect transfer of control of the ROW occupant; or

**C.** The rights or obligations held by the ROW occupant are transferred, sold, assigned, or leased, in whole or in part, directly or indirectly, to another party.

**Traveling surface** means that portion of the arterial rights-of-way, paved with either asphalt or concrete, or other material designed to support vehicular traffic, lying between those portions of the arterial rights-of-way that are unpaved.

**Video programming** means programming provided by, or generally considered comparable to programming provided by, a television broadcast station, as set forth in Section 522(20) of Title 47 of the United States Code.

**Video service** means any cable service, IP video service, internet protocol video service or internet protocol (IP)-enabled video programming service provided through facilities that are partly or entirely located in the rights-of-way, without regard to delivery technology.

**Video service gross revenue** means all revenues derived by a ROW occupant, its affiliates, and its successors or assigns, that are attributable to, or are in any way derived from, the operations of the ROW occupant's facilities to provide video services within the City, including but not limited to recurring charges for video services; event based charges for video services, including but not limited to pay-per-view and video on demand charges; rental of set top boxes and other video services equipment; service charges related to the provision of video services, including, but not limited to, activation, installation, and repair; administrative charges related to the provision of video services, including, but not limited to, service order and service termination charges; late fees, insufficient fund fees (NSF), FCC regulatory fees, and amounts billed to video service subscribers to recover the franchise fees and capital contribution fees authorized by this chapter; a pro rata portion of all revenue collected by the video service provider pursuant to compensation arrangements for advertising (less any commissions received from any third parties for advertising) and home-shopping sales derived from the operation of the video service within the City. Advertising commissions paid to third parties (excluding any refunds, rebates or discounts the video services provider may make to advertisers) shall not be deducted from advertising revenue included in gross revenue. The allocation of advertising and home-shopping revenue referred to above shall be based on the number of subscribers within the City, divided by the total number of subscribers in relation to the relevant regional or national compensation arrangement associated with each ad campaign. Service charges shall not be deducted from the gross revenue reported to the City when the ROW occupant chooses to issue subscriber credits for those services. Video service gross revenues shall not include:

**A.** Uncollectible fees, provided that all or part of uncollectible fees which is written off as bad debt but subsequently collected, less expenses of collection, shall be included in gross revenues in the period collected;

**B.** Revenues from contracts for in-home maintenance service unless they relate solely to maintenance on equipment used only for the provisioning of video services and not for the provisioning of any other service;

**C.** Amounts billed to video service subscribers to recover taxes, fees or surcharges imposed upon video service subscribers in connection with the provision of video services, other than the video services provider fee authorized by this chapter;

**D.** Revenue from the sale of capital assets or surplus equipment; or

**E.** Charges, other than those described in the opening paragraph of this definition, that are non-video-related but are aggregated or bundled with amounts billed to video service subscribers.

*(Ord. Nos. 19945, 20956, 21282, 21393; Ord. No. 22146, § 1, 10-15-2009; Ord. No. 25464, §§ 1—3, 11-6-2024)*

**Section 1203. Administration.**

**A. General.** Under the direction of the Mayor, the ROW Administrator of the Telecommunications/ISD Department, the Public Works Director and the Director of Finance shall be jointly responsible for the administration and enforcement of this chapter.

**B. ROW Administrator.** The ROW Administrator shall be the principal City official responsible for the administration of the registration of ROW occupants, issuance of occupancy permits, calculation of and invoicing for ROW occupancy fees, maintenance of facilities information, administration records and all other duties related to the maintenance of records on ROW occupants.

**C. Public Works Director.** The Public Works Director shall be the principal City official responsible for administration and enforcement of matters related to rights-of-way construction permits and the enforcement of engineering standards as outlined in this chapter.

**D. Director of Finance.** The Director of Finance (or designee of the Mayor) shall be the primary City official responsible for administration and enforcement of all insurance requirements and collection activities provided for in this chapter.

*(Ord. No. 19945)*

**Section 1204. Authority to occupy the rights-of-way.**

**A. General.** Any person subject to this chapter wishing to construct, install, operate or maintain any facilities in the rights-of-way shall first obtain proper authorization, as described in this section.

**B. Occupancy Permit.** Every ROW occupant with more than one hundred (100) linear feet of facilities, including any City department and any City trust or authority, regardless of the authority under which the person occupies the rights-of-way, must register with the Public Works Director, and apply for an occupancy permit, no later than January 3, 2001, pursuant to Section 1205. Thereafter, all new ROW occupants with more than one hundred (100) linear feet of facilities shall register and apply for an occupancy permit, upon completion of a new facility installation, or April 15, whichever is sooner.

**C. Rights-of-Way Construction Permits.** No person shall obstruct the traveling surface or construct more than one hundred (100) linear feet of new facilities or do maintenance work on more than five hundred (500) feet of facilities or cut the pavement or put facilities under the pavement or any new pole installation of any defined rights-of-way without first obtaining a rights-of-way construction permit pursuant to Section 1208. This section does not apply to any governmental unit or entity engaged in the official act of maintaining any element of its transportation system, including but not limited to the state of Oklahoma, the City of Tulsa, or the U.S. Government.

*(Ord. No. 19945)*

## Section 1205. Occupancy permits.

**A. Application for Occupancy Permit.** Each ROW occupant with more than one hundred (100) linear feet of facilities shall apply for an occupancy permit. The Public Works Director shall provide an application and may require, in the Public Works Director's sole discretion, any of the following information:

**1.** The name, address, telephone number and form of business of the applicant, and the names and addresses of all persons authorized to act on behalf of the applicant with respect to the application;

**2.** The name, address and telephone number of a responsible person whom the City may notify or contact at any time concerning the applicant's facilities;

**3.** Evidence of compliance with the provisions of 63 O.S. 1991, §§ 142.1, *et seq.*, "Oklahoma Underground Facilities Damage Prevention Act," as amended;

**4.** Identification of the ROW occupant's authority to occupy the rights-of-way, if already obtained, or evidence that the ROW occupant has applied for such authority; documentation of the location of existing facilities owned, operated, managed or leased by the ROW occupant, including as-built maps and all other information required by Section 1214;

**5.** Demonstration of the applicant's technical ability to construct and operate the proposed or existing facilities, including identification of key personnel;

**6.** A demonstration of the applicant's legal qualifications to construct and operate any proposed or existing facilities, including but not limited to a demonstration that the applicant has the necessary authority under Oklahoma law to construct a facility. The applicant shall not be issued an occupancy permit if it files materially misleading information in its application or intentionally withholds information that the applicant lawfully is required to provide;

**7.** A demonstration of the financial qualifications of the applicant, including but not limited to a certified statement prepared by a certified public accountant regarding the applicant's financial ability to complete any construction proposed, and to meet any time frame proposed. If an applicant is a joint venture or partnership, the same information shall be provided for each participant in the joint venture or partnership;

**8.** A description of the applicant's prior experience in facility ownership and construction, and an identification of each locality in which the applicant or any of its principals have, or have had, a license, franchise or other authorization or any interest therein, including the name, address and phone number of each local authority, and references from each authority;

**9.** To the extent an applicant is in any respect relying on the financial or technical resources of another person, including an affiliate, the proofs required under paragraphs 5 and 7 above, shall be provided for that person;

**10.** Copies of any agreements which the applicant has entered into or proposes to enter into with any other person relating to any facilities installed, to be owned, operated, managed or leased by the applicant;

Applicant may present a copy of a "Certificate of Convenience and Necessity" issued pursuant to OAC 165:55, in lieu of paragraphs 1 through 10 above;

**11.** A declaration that the applicant agrees to comply with this chapter, as it may be amended from time to time;

**12.** A statement of the number of linear feet of the arterial rights-of way occupied by facilities owned, operated, managed or leased by the ROW occupant as of the end of the City's most recent fiscal year, including the total linear feet of arterial rights-of-way occupied and the number of linear feet of rights-of-way occupied;

**13.** The technical standards that the applicant proposes to follow in constructing the facilities;

**14.** A detailed description of the physical facilities proposed to be installed within the City, including but not limited to an engineering site plan showing the proposed locations of the applicant's facilities, including any manholes or overhead poles, the size, type and proposed depth of any conduit or other enclosures, and the relationship of the system to all existing poles, utilities, sidewalks, pavement, telecommunication facilities and other improvements within the rights-of-way;

**15.** An affidavit or declaration of the applicant or an authorized officer certifying the truth and accuracy of the information in the application, acknowledging the enforceability of application commitments and certifying that the application meets all federal and state law requirements, in as much as the information exceeds that which is required by OAC 165:55;

**16.** For those ROW occupants who are eligible to make inspection fee and service charge payments as set forth in Subsection 1206.B, an election of whether to make inspection fee and service charge payments as set forth in Subsection 1206.B or occupancy fee payments as set forth in Subsection 1206.A; and

**17.** Any additional information the City may require, which is reasonably necessary for ROW management.

Applications for occupancy permits shall be submitted in writing to the Public Works Director. To be accepted, a fully completed, signed and original application shall be submitted as provided for in this section. If the application is incomplete, the application shall be returned within three (3) working days as unacceptable. To the extent permitted by law, an application for an occupancy permit shall be accompanied by the required fee, the amount of which shall be fixed from time to time by ordinance.

**B. Review of Application.** If the information provided in an application for occupancy permit is complete and meets all the requirements of this chapter, the Public Works Director shall evaluate the application within fifteen (15) working days of submission. In evaluating an application, the Public Works Director shall consider:

**1.** The applicant's technical, financial and legal qualifications to construct or operate the proposed facilities;

**2.** The nature of the proposed facilities and equipment; and

**3.** The effects of a grant of an occupancy permit on the present and future public use of the rights-of-way, including any foreclosure of future uses of the rights-of-way.

**C. Review by Council.** After the Public Works Director has evaluated the application pursuant to Subsection 1205.B, the Director shall present the application and the Director's recommendation regarding approval to the City Council. The City Council, after reviewing any information the Council deems appropriate, shall either approve or deny the application.

**D. Term and Renewal.** Pursuant to Article VIII, Section 13, of the Charter of the City of Tulsa, the Council may revoke any occupancy permit at will. In addition to any other provision in the Charter, the City of Tulsa ordinances, or this chapter revoking or rendering invalid an occupancy permit, an occupancy permit shall be rendered invalid and revoked by the Public Works Director if:

**1.** ROW occupant fails to timely pay any fees due to the City, including but not limited to fees required to be paid under this chapter; or

**2.** ROW occupant fails to provide the City with the name, address and telephone number of a responsible person whom the City may notify or contact at any time concerning the occupant's facilities.

*(Ord. No. 19945)*

**Section 1206. Occupancy fees or inspection fee and service charge.**

**A. Occupancy Fees.** Except as provided in this section, every occupancy permit holder shall pay an occupancy fee to reimburse the City for the cost of acquiring, maintaining and managing the arterial rights-of-way. The occupancy fee shall be computed in accordance with this section.

**1.** No later than February 15th of each year, each occupancy permit holder shall submit to the ROW administrator a certified statement of the number of linear feet of arterial rights-of-way occupied by facilities by the ROW occupant as of January 1st of that same year.

**2.** No later than February 15th of each year, those ROW occupants who are eligible to make inspection fee and service charge payments as set forth in Subsection 1206.B. May select by filing a written statement of selection with the City Clerk whether to make inspection fee and service charge payments as set forth in Subsection 1206.B. or occupancy fee payments as set forth below. A ROW occupant who does not file a written statement during that time period, and who has not previously filed a written statement with the City Clerk during that time period in a previous year electing a computation method, shall be deemed to have chosen to make occupancy fee payments. A ROW occupant who, in a previous year, has chosen a particular method and has not filed a written statement of selection with the City Clerk in the current year, shall be deemed to have chosen to continue to utilize that computation method utilized in the previous year.

**3.** Each occupancy permit holder shall be notified of the amount of the fee and the basis on which it was calculated no later than ten (10) working days from the date the statement of linear feet is received by the ROW administrator. Unless otherwise authorized by the Director of Finance, one-twelfth (1/12) of the occupancy fee shall be due and payable monthly, on or before the 25th day of each month, commencing on the first day of the calendar month commencing after the date this chapter goes into effect. The payment shall be made to the Director of Finance when due and shall be paid into and appropriated and expended from the General Revenue Fund of the City of Tulsa. Upon failure or refusal to pay such fee, the City may, in addition to any other remedies provided herein, maintain an action against

such person, firm or corporation for the amount of such fee and all expenses of collecting same, including reasonable attorney's fees. That occupancy fee is set out as follows:

**a.** The Occupancy Fee shall be computed by multiplying the Occupancy Permit Holder's pro rata share of the burden on the Arterial Rights-of-Way by the applicable recovery rate. This pro rata share shall be equivalent to the linear feet occupied in the Arterial Rights-of-Way, and shall be calculated as follows: For each linear foot of space less than one (1) foot wide, the recovery rate shall be Three and 69/100 Dollars ($3.69). For each linear foot of space more than one (1) foot but less than two (2) feet wide, the recovery rate shall be Seven and 38/100 Dollars ($7.38). For each linear foot of space two (2) feet wide or more, the recovery rate shall be Eleven and 07/100 Dollars ($11.07). This Occupancy Fee does not include manholes or junction boxes.

**b.** The recovery rate per linear foot amount of the occupancy fee will be reviewed by the Mayor at least annually using a floating five-year average of the City's cost to provide rights-of-way, and adjusted based on the CPI-U index. The purpose of this review is to examine whether the occupancy fee is under or over recovering costs associated with ROW use. The Mayor shall file the review with the City Clerk. In addition to any material the Mayor deems relevant in establishing the recovery rate per linear foot amount of the occupancy fee, the Mayor shall file a calculation of the recovery rate per linear foot amount of the occupancy fee in the form set forth in "Exhibit A."

**B. Inspection Fee and Service Charge.** Those ROW occupants which provide Thermal service and/or communications service may, in lieu of the occupancy fee set forth in Subsection 1206.A, pay an inspection fee and service charge as follows:

**1.** An amount equal to two percent (2%) of the thermal service gross revenues from within the corporate limits of the City of Tulsa, Oklahoma, for each current year, if any; and

**2.** An amount equal to two percent (2%) of the communications service gross revenues from within the corporate limits of the City of Tulsa, Oklahoma, for each current year, if any.

This inspection fee and service charge is to compensate the City for the expenses incurred and services rendered incident to the exercise of its power, supervision, police regulation and police control of the construction and maintenance of lines and equipment in the City of Tulsa. Unless otherwise authorized by the Director of Finance, this inspection fee and charge shall be due and payable monthly, on or before the 25th day of each month, on the gross revenues of the preceding month, commencing on the first day of the calendar month commencing after the date this chapter goes into effect, and shall include a complete and accurate verified statement of all gross receipts from sales, for thermal service and/or communications service, as applicable, within the City of Tulsa during the period for which the monthly payment is made. The statement and payment shall be made to the Director of Finance when due and shall be paid into and appropriated and expended from the General Revenue Fund of the City of Tulsa. Upon failure or refusal to pay such fee, the City may, in addition to any other remedies

provided herein, maintain an action against such person, firm or corporation for the amount of such fee and all expenses of collecting same, including reasonable attorney's fees.

**C. Inspection Fee and Service Charge Between January 1, 2001, and March 31, 2001.** [The text of Subsection 1206.C was repealed because it was no longer applicable after March 31, 2001.]

**D. Records Inspection.** The City shall have the right to audit the ROW occupant's records required to be kept by this chapter. The City shall also have the right to audit and to recompute any amounts determined to be payable under this section. If it is determined that the occupancy permit holder has paid less than ninety-five percent (95%) of the amount due to the City, then the City's expenses related to such audit shall be borne by the occupancy permit holder. Any additional amounts due to the City as a result of the audit shall be paid within thirty (30) days following written notice, which shall include a copy of the audit report, to the occupancy permit holder by the City of the underpayment. If recomputation results in additional revenue to be paid to the City, such amount shall be subject to the interest charge described in Subsection E, below. If the audit determines that there has been an overpayment by the occupancy permit holder, the occupancy permit holder shall credit any overpayment against its next quarterly payment.

**E. Late Fees and Interest on Late Payments.**

**1.** If any occupancy fee payment is not made on or before the required date, the occupancy permit holder shall pay interest computed from such due date at an annual rate equal to one and one-half percent (1½%) interest per month on the total amount of fees due from the last day of the month such was due, plus a penalty of ten percent (10%) of the total amount of the fee due.

**2.** If any monthly inspection fee and service charge for thermal service or communications service within the City of Tulsa is not made on or before the required date, the ROW occupant will be charged a penalty of ten percent (10%) of the total amount of the fee due. In addition, the ROW occupant shall pay interest computed from such due date at an annual rate equal to one and one-half percent (1½%) interest per month on the total amount of fees due from the last day of the month such was due.

**a.** If a complete and accurate verified statement of all gross receipts from sales for thermal service or communications service within the City of Tulsa during the period for which the monthly payment was due is provided within thirty (30) days of the original due date, the interest and penalty will be computed based on that actual amount.

**b.** If a complete and accurate verified statement of all gross receipts from sales for thermal service or communications service within the City of Tulsa during the period for which the monthly payment was due is NOT provided within thirty (30) days of the original due date, the amount of the monthly inspection fee and charge will be estimated and billed.

**c.** Adjustments to estimates after receipt of complete and accurate verified statements of all gross receipts will be made at the discretion of the Director of Finance.

**F. No Deduction or Credit Against Taxes.** The payments required by this section shall be in addition to any and all taxes of a general nature or other fees or charges which an occupancy permit holder shall be required to pay to the City or to any local, state, or federal agency or authority, as required herein or by law, all of which shall be separate and distinct obligations of the occupancy permit holder. The occupancy permit holder shall neither apply nor seek to apply all or any part of the amount of these payments as a deduction or other credit from or against any City taxes or other fees or charges, except as expressly permitted by law. The occupancy permit holder shall not apply or seek to apply all or any part of the amount of any taxes or other fees or charges as a deduction or other credit from or against any of its fee obligations herein, except as expressly permitted by law.

*(Ord. Nos. 19945, 20170, 20233, 20381, 20382, 20392, 20597, 20855, 21270; Ord. No. 22146, § 2, 10-15-2009; Ord. No. 22154, § 1, 11-5-2009; Ord. No. 22741, § 1, 8-30-2012; Ord. No. 23116, § 1, 5-8-2014; Ord. No. 23286, § 1, 5-7-2015; Ord. No. 23487, § 1, 5-19-2016; Ord. No. 23681, § 1, 4-26-2017; Ord. No. 23931, § 1, 6-6-2018; Ord. No. 24266, § 1, 11-20-2019; Ord. ## Section 1207. Emergency telephone service requirements.

All Local Exchange Carriers and resellers of the offerings of the LEC, who provide voice services that can be completed in the Public Switched Network, shall comply with the provisions of the Oklahoma Nine-One-One Emergency Number Act, 63 O.S.1991, § 2811 (State 911 Act), and Title 29, Chapter 9, Section 902, Tulsa Revised Ordinances, (Tulsa Nine-One-One Emergency Number Ordinance). A separate 911 agreement with the City of Tulsa is required to provide for the delivery of E-911 calls to the Public Safety Answering Point, collection and remittance of the E-911 fee, delivery of location and number identification and master street address guide information.

*(Ord. No. 19945)*

## Section 1208. Rights-of-way construction permits.

**A. Permit Requirement.** To apply for a rights-of-way construction permit, an applicant shall furnish the following:

**1.** Name of the owner or operator of the facility; and

**2.** A sketch or drawing of the project; and

**3.** Dates of the construction activity, the proposed start and stop times and any proposal to temporarily reopen any roadway for any "peak hour" period; and

**4.** The names of any known subcontractors working on the proposed project under the applicant's responsibility and authority; and

**5.** Proof of payment of all money due the City for occupancy fees, rights-of-way construction permit fees, cable service fee, thermal service ROW usage fee and any invoiced cost, loss, damage or expense suffered by the City as a result of the applicant's prior construction activity, including but not limited to any emergency action taken by the City; and

**6.** Evidence that the applicant has obtained the insurance coverage required by Section 1211 of this title; and

**7.** A traffic control plan in compliance with Subsection 1210.F of this title; and

**8.** A list of the applicant's emergency providers, including name of company, local contact person, mailing and e-mail address, 24-hour emergency phone number and pager or fax number. This information shall be kept current by written notice to the Public Works Director; and

**9.** For Major Projects, as defined by Section 1202 of this title, the following may be required:

**a.** *Detailed engineering plans.* The plans shall show the location and area of the proposed project, the locations of all existing and proposed equipment and facilities, the height and/or depth of the proposed equipment and existing facilities and the spatial relationship with any adjacent infrastructure, rights-of-way line, easement, utility and/or other physical features. The plans shall be prepared under the direction of and signed by a registered professional engineer, and shall meet the size and scale as set forth in the Department of Public Works' Standard Design Criteria Manual; and

**b.** A copy of the engineering plans in an electronic format acceptable to the Public Works Director; and

**c.** The applicant shall meet with the Public Works Director for a pre-work conference prior to issuance of rights-of-way permits.

**B. Application and Permit Fees.** Rights-of-way occupants shall be required to pay both application and/or permit fees, as applicable, unless otherwise exempted. Upon submission of a permit application, an application fee as specified in Title 49 TRO, Chapter 9, Section 906.A shall be paid to the Public Works Director. This fee is nonrefundable and must be collected before review of the application begins. Upon approval of the rights-of-way construction permit, the applicant shall remit to the Public Works Director a permit fee. This fee shall be calculated based on the following components:

**1. Traffic Disruption Fee.** An arterial street traffic disruption fee shall be charged whenever either the time estimated for project completion indicates a planned arterial street traffic disruption more than five (5) consecutive calendar days in duration or the actual project time has exceeded five (5) consecutive calendar days, as determined by the date from when an arterial street roadway excavation is commenced until the date when the Public Works Director is notified that the ROW excavation has been closed. In the event a disruption fee is payable, its amount shall be determined by multiplying the estimated or actual number of days in excess of five (5) by the traffic count number of vehicles, calculated at eighteen cents ($0.18) per vehicle, and the length of the obstruction measured in one thousand (1,000) foot increments. (Fee = days x length x # of vehicles x .18). The number of vehicles shall be equal to the number of same lane direction vehicles as measured closest to the excavation location and on the same arterial roadway by the current traffic count map published by the City Traffic Engineer.

**2. Parking Meter Fee.** A parking meter fee, if applicable, shall be charged and shall be computed as set forth in Title 37, Chapter 5, Section 503.B.

3. **Degradation Cost.** The permit fee for any project, whether a major project or not, that involves excavation shall also include:

   A degradation cost that is calculated as follows:

   Area of construction + 1' around perimeter of site,

   multiplied by City's actual cost per square foot to restore pavement,

   multiplied by Depreciation Value (20%),

   multiplied by Degradation Percentage as shown in the Pavement Condition Index (PCI), which is kept and updated by the Engineering Services Department of the City of Tulsa.

   ROW occupants which do not have an occupancy permit shall have the following components added to the application and permit fees:

4. **Permit and Licensing System Maintenance Fee.** A surcharge as specified in Title 49 TRO Section 103 shall be charged for each permit to maintain the permit and licensing system; and

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

5. **Record Retention Fee.** A surcharge per page as specified in Title 49 TRO, Section 111 shall be charged for each permit for retention of permits and associated data by microfilming, computer imaging or other method of storage of records; and
6. **Inspection Fee.** A charge as specified in Title 49 TRO, Section 108 shall be charged as an inspection fee; and
7. **Project Plans Review Fee.** A permit fee for a major project shall also consist of a plans review fee of Fifty Dollars ($50.00) per sheet. The minimum plan review fee is One Hundred Fifty Dollars ($150.00).

**C. Permit Terms and Conditions.** Each rights-of-way construction permit shall describe the general location of the permitted project, the size of the obstructed area, the duration of the permit, which shall be based on the amount of time estimated for completion of the permitted activity and any special conditions or other information deemed relevant by the Public Works Director. A rights-of-way construction permit shall be issued or denied within fifteen (15) days of submission of a completed application and payment of all required fees. In the event of denial, the Public Works Director shall advise the applicant of all steps necessary to secure approval of the permit.

**D. Emergency Permits.**

1. An emergency rights-of-way construction permit is available for projects. Any emergency excavation required to maintain the safety and well being of the general public should be commenced without delay. Notification must be provided to the Public Works Director within two (2) hours of the commencement of the project. This notification shall consist of the following:
   - **a.** Anticipated date, duration, start and stop time, location (site address if possible), including nearest cross street; and
   - **b.** Size of the obstruction and work area less any normal traffic control in advance; and
   - **c.** Applicant's company name; and
   - **d.** Facility owner's name; and
   - **e.** Local contact information; and
   - **f.** General description of the type of construction activity and/or facilities installed.
2. Holders of emergency ROW construction permits shall notify the Public Works Director upon the completion of the project. All persons, including franchisees, engaged in an activity within the arterial rights-of-way not specifically exempt in this section, must notify the Public Works Director that an obstruction will occur.
3. In order to qualify for an emergency ROW construction permit, a permittee must possess a current occupancy permit.

**E. Permit Conditions.** A permittee shall adhere to the following requirements:

1. All current engineering requirements and construction standards as described in Section 1210 of this chapter; and
2. All current rights-of-way construction permits shall be maintained on each work site. All rights-of-way construction permits shall be presented upon request to any representative of the Public Works Director; and

3. Excavation projects are subject to the requirements of Section 1210 of this chapter; and

4. All restoration work required of any roadway pavement by any permit holder shall be performed by the City's Public Works paving cut contractor unless exempted by the Public Works Director. Upon completion of the work and the subsequent removal of the obstruction, the permittee shall be obligated to notify the Public Works Director that the obstruction has been removed.

**F. Failure to Apply.** Any person failing to comply with this section shall be precluded from obtaining any rights-of-way construction permit or performing any further construction within the City's arterial rights-of-way for up to twelve (12) months from the date of notification, in addition to any monetary penalty imposed pursuant to Section 1226 of this chapter.

**G. Renewal.** In the event that a permitted project does not conclude prior to expiration of the rights-of-way construction permit under which it is being performed, the permittee shall apply to the Director for an extension of the permit. The following information shall be submitted:

1. Statement from the permittee indicating the reason for the delay in completion of the project; and

2. Date that the permittee anticipated the project to be completed; and

3. Any applicable permit fees established at the time of issuance of the original permit.

*(Ord. No. 19945; Ord. No. 25069, § 1, 6-14-2023; Ord. No. 25307, § 1, 5-8-2024)*

## Section 1209. Appeals.

An appeal may be taken to the Mayor, or his/her designee, by any person aggrieved, where it is alleged there is an error in any order, requirement, decision or determination made by any person in the enforcement of this chapter. The appeal must be presented upon written request to the Mayor, or his/her designee. The Mayor, or his/her designee, shall render a decision within ten (10) working days. A response from the Mayor, or his/her designee, shall be made in writing, and shall be supported by written findings establishing the reasonableness of the decision. Appeal of any decisions made by the Mayor, or his/her designee, shall be made to the City Council.

*(Ord. No. 19945)*

## Section 1210. Engineering standards.

**A. Allocation of Space in the Rights-of-Way.** The Public Works Director shall have the power to establish reasonable limitations on the placement of new or additional facilities within specific congested segments of the rights-of-way if there is insufficient space to accommodate all of the requests of ROW occupants. In making such decisions, the Public Works Director shall strive to the extent possible to accommodate all existing and potential users of the rights-of-way, but shall be guided primarily by considerations of the public interest, the public's needs for the particular utility service, the width and physical condition of the rights-of-way, the protection of existing facilities in the rights-of-way and future City plans for public improvements and development projects which have been determined to be in the public's interest.

**B. Underground Policy.** Facilities may be installed above ground in areas where existing utility facilities are above ground and shall, unless otherwise approved by the Public Works Director, be installed underground in areas where existing facilities are installed underground, subject to all applicable safety codes. The City encourages the sharing of underground and overhead facilities. Leasing of excess space in ducts, conduits and on poles is a matter between interested parties; however, lessees of such physical facilities must still comply with the terms of this chapter, unless otherwise expressly exempted by the Director of Public Works. Underground facilities shall be placed in such a manner so they can be located by the owner of the facilities or his representative.

**C. Location Criteria.**

1. **Corridors.** The Director of Public Works shall assign specific corridors within the rights-of-way, or any particular segment thereof as may be necessary, for each type of facility that is now or as the Director of Public Works concludes may in the future be located within the rights-of-way. The Director of Public Works shall establish an ideal cross section identifying the lateral and vertical position of each class of potential user. ROW occupants shall have the right to occupy only one corridor or section of each rights-of-way within the vertical zone established for the applicable class of user, as established by the Public Works Department. Additional corridors in the same portion of the rights-of-way may be granted only upon consideration of future utility uses and a demonstration by the requesting party that its current corridor does not afford sufficient space to install its facilities. All permits issued by the ROW Administrator involving the installation or replacement of equipment shall be reviewed as to the proper corridor for the facility.
2. **Variance.** Any ROW occupant whose facility is located in the rights-of-way in a position at variance with the corridors established by the Director of Public Works shall move said facility at its own expense to its assigned position within the arterial rights-of-way no later than at the time of the next reconstruction of the facility or roadway reconstruction which requires utility relocation by the Department of Public Works of the area where the facility is located. This requirement may be waived by the Director of Public Works for good cause shown, upon a written request submitted through the ROW Administrator giving due consideration of such factors as the remaining economic life of the facilities, public safety, customer service needs or hardship to the ROW occupant.
3. **Interference.** A ROW occupant shall not place any fixtures or equipment where the same will interfere with any existing facility. A ROW occupant shall locate its lines and equipment in such a manner as not to interfere unnecessarily with the usual traffic patterns (vehicular or pedestrian) or with the rights or reasonable convenience of owners of property that abuts any rights-of-way.
4. **Utility Pole Location Standards.** New utility poles requested to be placed within rights-of-way, whether in areas where existing utility facilities are located above ground or underground, including, but not limited to, utility poles installed for the purpose of supporting small wireless facilities, shall not be installed if there is an existing utility pole in proximity to the requested utility pole location, where collocation of facilities is possible. New or replacement utility pole installations shall, at a minimum, be consistent visually and as constructed, with existing

utility poles within the immediate vicinity (within three hundred (300) feet) of the planned installation, including pole material, color and location as approved by the Director of the Streets and Stormwater Department or other person designated by the Mayor to enforce the provisions of this chapter. Pole material shall be equivalent to, or of better quality or durability than, existing utility poles (when installed as new poles) in the immediate vicinity of the planned installation. Such poles shall blend into the surrounding environment to the greatest extent practicable. Permitted utility pole installations within rights-of-way shall be located on side lot lines (extended), unless otherwise approved by the Director of the Streets and Stormwater Department or other person designated by the Mayor to enforce the provisions of this chapter, and shall not be located within the perpendicular extension of the primary street-facing wall plane of any single-family residence or duplex. For the purposes of this Section, the definition of "side lot line" shall be as set forth in the Zoning Code of the City of Tulsa, as amended from time to time.

**D. Construction Standards.**

1. **Depth.** Unless agreed to in writing in advance by the Director of Public Works, the depth of installed facilities shall be, at a minimum, as follows:
   - **a.** Twenty-four (24) inches in soil,
   - **b.** Twenty-four (24) inches below a projected slope from the flowline of a ditch at a three (3) horizontal and one (1) vertical slope,
   - **c.** Forty-eight (48) inches under a roadway measured from the surface of said roadway to the top of the installation,
   - **d.** Forty-eight (48) inches under a stormwater or creek channel design flowline, and
   - **e.** Cross under all water and natural gas lines at a depth of twenty-four (24) inches.
2. **Backfilling/Testing.** Excavations shall be promptly backfilled according to standards on file with the Director of Public Works and the earth shall be restored to original grade to assure no hazard to vehicular, animal or pedestrian traffic. The permittee shall perform all necessary compaction tests in accordance with the latest design and construction specifications approved and disseminated by the Director of Public Works setting forth requirements for backfill and paving cut repairs (e.g., standard concrete pavement cut and repair; standard asphalt pavement cut and repair, etc.). All test reports shall be submitted to the Public Works Director.
3. **Pavement Cutting.** All ROW occupants shall comply with the terms and conditions of Title 35, Chapter 3, Tulsa Revised Ordinances prior to cutting any pavement.
4. **Replacement.** The replacement of any sidewalk, any driving surface and the base of any roadway shall comply with Public Works Engineering Standards, pursuant to engineering plans on file with the Public Works Department and may require additional removal to the nearest joint in all directions. Unless a privately financed public improvement application is filed complying with all the requirements of Title 35, Chapter 4, Tulsa Revised Ordinances, this removal and all

pavement restoration shall be the responsibility of the Public Works Department or its assigned contractor at the expense of the ROW occupant as set forth in Title 35, Chapter 3, Tulsa Revised Ordinances.

5. **Trenching.** A permittee shall not proceed with additional trench work exceeding a maximum of five hundred (500) feet of open trench without the approval of a City inspector.

6. **Crossings.** All underground crossings of paved roadways and stormwater and creek channels shall be made by a bore method approved by the Director of Public Works. Any alternate method shall be approved by Field Engineering, then submitted to the ROW administrator and Traffic Operations. Voids and all holes shall be properly grouted. Crossings shall be at approximately right angles to the roadway and in no case shall any facility be placed in any culvert or drainage pipe or within ten (10) feet of a culvert or storm sewer.

7. **Erosion.** Erosion prevention measures shall be incorporated into all work within the public way as described in the Stormwater Management Manual. All gutters, ditches and other drainage features shall be maintained free and unobstructed of sediment, dirt and debris. The handling, grading, excavating or moving of excess construction materials or the movement or cleaning of construction vehicles or equipment shall be conducted in such a manner that materials and washout will not be deposited into catch basins, gutters, ditches or areas where runoff may carry materials into any public or private stormwater system.

8. **Utility Pole, Equipment, and Antenna Concealment Standards.** For new utility poles permitted to be installed within non-arterial rights-of-way and in areas where existing facilities are located underground, including, but not limited to, utility poles installed for the purpose of supporting small wireless facilities, and for collocation of facilities on existing utility poles, all equipment and antennas, except for the electric meter, shall be mounted at least twelve (12) feet above the ground level, as measured to the lowest point of installation. To the extent technically feasible, antennas shall be designed and installed to appear hidden within the utility pole or appear to be an original part of the utility pole. Unless otherwise approved by the Director of the Streets and Stormwater Department or other person designated by the Mayor to enforce the provisions of this chapter, antennas not hidden within a utility pole shall be located entirely within a shroud enclosure not more than six (6) cubic feet in volume, which is capable of accepting paint to match the approved color of the utility pole. Top-mounted antennas, equipment and their enclosures shall be mounted directly above the utility pole and shall not extend beyond the diameter of the utility pole at the level of the antenna attachment, unless otherwise approved by the Director of the Streets and Stormwater Department or other person designated by the Mayor to enforce the provisions of this chapter. The use of stealth technology in the location and construction of utility poles is required whenever and wherever possible. "Stealth technology" means the least visually and physically intrusive design, equipment, and installation methods that are not technologically or commercially impractical, and which blend into the surrounding environment to the greatest extent possible. All antennas and shrouds, mounting brackets and hardware, shall be of a color identical to the utility pole. The Director of the Streets and Stormwater Depart-

ment or other person designated by the Mayor to enforce the provisions of this chapter, shall adopt design guidelines for new utility poles consistent with this chapter, subject to City Council approval.

9. **Utility Pole Sizing Standards.** Unless otherwise approved by the Director of the Streets and Stormwater Department or other person designated by the Mayor to enforce the provisions of this chapter, new or replacement utility poles, including utility poles to be installed for the purpose of providing small wireless communications facilities, which are permitted to be installed within non-arterial rights-of-way shall not exceed eighteen (18) inches in diameter at the base thereof, the "base" being the diameter of the utility pole measured at twelve (12) inches above ground level, not including any structural components necessary to support the utility pole, such as a pier, footing, or other approved structural element. Applicants requesting approval to install a utility pole with a diameter larger than permitted herein shall provide documentation evidencing that a larger pole diameter is necessary to support the pole, all attachments, equipment, and antennae, as applicable.

**E. Dimension and Location Criteria.** Maximum dimensions and location of associated, aboveground equipment, including but not limited to junction boxes, duct banks, electric generators, repeaters, antennas, satellite dishes or equipment cabinets, shall meet the following criteria:

1. The "elevation view" shall not exceed thirty (30) square feet without written approval of the Public Works Director.

2. Associated equipment shall not be installed in such a manner so as to obstruct the view of drivers upon or entering a public street. Equipment, excluding poles, exceeding a height of twenty-four (24) inches shall not be placed within any intersection "sight-distance triangle" as defined in Title 24, Section 103, Tulsa Revised Ordinances.

3. No equipment, including poles, cables and guy wires, shall be placed so as to obstruct, block, obscure or otherwise interfere with any traffic-control device, fire hydrant, wheelchair ramp or other safety device. Locations with existing or potential traffic signals shall have the overhead vehicle signal face display zones kept clear from wires and cables below a height of twenty-two (22) feet above the pavement grade. Power lines which require a ten (10) foot separation from other facilities shall be suspended no lower that thirty-two (32) feet above the pavement grade around intersections with existing or potential traffic signals. This minimum clearance shall not be violated by sagging due to cable elongation.

4. No equipment, including poles and guy wires, shall be placed so as to obstruct the flow of pedestrian traffic, and in no case result in less than four (4) feet of clear sidewalk, without the approval of the Director of Public Works.

**F. Traffic Control and Safety.**

1. Any permittee occupying any portion of rights-of-way shall erect a barrier around the perimeter of any excavation and provide any and all traffic-control devices, signs and lights appropriate to the level of complexity of the activity in order to protect, warn and guide the public (vehicular and pedestrian) through the work

zone. The manner and use of these devices shall be described within a traffic-control plan in accordance with the Uniform Manual of Traffic Control Devices and approved by the Traffic Engineer as provided for in this chapter.

**2.** Permittees shall implement each traffic-control plan. All permittees shall be in compliance at all times with all applicable city, state and federal requirements and maintain all devices in good repair. Permittees with open excavations awaiting final restoration shall maintain all devices until the Public Works Department notifies the permittee in writing that the City or the City's designated contractor is assuming responsibility for traffic control for the paving cut restoration or the permittee has completed his City-approved PFPI and it has been accepted by the City.

**3.** Each ROW occupant shall designate a safety officer. The safety officer shall be responsible for safety-related issues affecting both the public and the ROW occupant's field employees and contractors for all job sites within the rights-of-way.

**G. Miscellaneous Standards.**

**1. Nuisance.** Two (2) years after the passage of this chapter, any equipment found in the arterial rights-of-way that has not been registered shall be deemed to be a nuisance. If the owner can be ascertained by the appearance of the equipment, then upon thirty (30) days' notice to the owner, or, where the owner cannot be ascertained by markings on the equipment, upon thirty (30) days' public notice published in a newspaper of general circulation, the City may exercise any remedies or rights it has at law or in equity, including but not limited to abating the nuisance by taking possession of the facilities and restoring the rights-of-way.

**2. Notice to the Public of an Approved Utility Pole Installation Location.** An applicant or ROW occupant approved for the installation of a utility pole within a non-arterial right-of-way, including a utility pole to be installed for the purpose of providing small wireless communications facilities, shall post a sign with minimum dimensions of twenty-four (24) inches wide (horizontal orientation) by thirty-six (36) inches in height (vertical orientation), providing notice to the public at the location of the approved installation. The required notice to the public shall be placed no fewer than twenty (20) continuous days prior to the anticipated date of the commencement of installation of the utility pole, shall be placed parallel to the street abutting the approved utility pole location, shall be plainly legible to passers-by and shall provide, at a minimum, the following information:

**a.** The type(s) of facilities and utility or other services to be provided by the utility pole installation.

**b.** The height of the utility pole as measured from the ground level at the location of the installation to the top of the pole and any attachments, and the diameter of the base of the utility pole measured at twelve (12) inches above ground level.

**c.** The non-abbreviated name of the person, entity or entities installing the utility pole and a telephone number for each such entity.

**d.** The non-abbreviated name of each person or entity which will initially utilize the utility pole to install facilities and/or provide services.

**e.** The anticipated date of the commencement of installation of the utility pole.

**f.** A website address and/or e-mail address, and telephone number for each person or entity which will be utilizing the utility pole to install facilities and/or provide services so that the public may obtain additional information about the planned installation.

**g.** Each sign shall contain the words "Public Notice" at the top of the sign with lettering in a larger size than the rest of the text of the sign.

**3. Identification.** The ROW administrator, at his discretion, may require any new facility (aerial or underground) installed, replaced or repaired by or for a ROW occupant, after the effective date of this chapter be permanently identified with the name or logo of the ROW occupant on but not limited to manhole covers, tags, poles, posts and signs. The maximum spacing shall be no less than five hundred (500) feet for paved roadways and walkways. All ROW occupants shall make all reasonable efforts to ensure that all existing facilities shall be marked during the normal course of business.

**4. Construction Zone Identification.** Any permittee excavating or obstructing any portion of the ROW shall erect a temporary sign displaying either:

**a.** The names of the ROW occupant, any contractors and/or subcontractors involved in the project and the City permit number authorizing said activity; or

**b.** The names of the ROW occupant and a local telephone number or tollfree number manned during regular business hours by a person who is knowledgeable about the construction project.

The sign shall be visible from any adjacent traffic lane and shall be maintained throughout the duration of the project.

**5. Vehicle Identification.** All vehicles used, parked or stored by or on behalf of a ROW occupant or permittee within a permitted construction zone shall be clearly marked, providing the name of the facility's owner, the permittee, the contractor or subcontractor. Any unmarked vehicles shall be subject to all moving and parking ordinances. Private vehicles shall not be permitted to be parked or stored within any permitted work zone at any time.

**6. Permit.** A current rights-of-way construction permit shall be maintained on each work site. The rights-of-way construction permit shall be presented upon request to any City of Tulsa representative.

**7. Tree Trimming.** A ROW occupant shall have the authority to trim trees upon or overhanging streets, alleys, sidewalks and arterial rights-of-way so as to prevent the branches of such trees from coming into contact with the wires and cables of the ROW occupant in compliance with Title 35, Chapter 9, Tulsa Revised Ordinances, Trees; and Title 24, Nuisances (regulating trees).

**8. Moving Permit.** A ROW occupant shall, at the request of any person holding a City or state moving permit, temporarily raise or lower its aerial wires to permit the moving of an over-height vehicle. The expense of such temporary removal or raising and lowering of wires shall be paid by the person requesting same and the ROW occupant shall have the authority to require such payment in advance. A ROW occupant shall be given not less than forty-eight (48) hours' advance notice to arrange for such temporary wire changes.

**9. Due Care.** A ROW occupant shall at all times employ due care during the installation and maintenance process and use commonly accepted standards, methods and devices including but not limited to safety standards of OSHA, NEC, FCC and the City of Tulsa for preventing failures and accidents which are likely to cause damages, injuries or nuisances to the public. All structures and all lines, equipment and connections in, over, under and upon the streets of the City, wherever situated or located, shall at all times be kept and maintained in a safe, suitable and substantial condition, and in good order and repair.

*(Ord. No. 19945; Ord. No. 24950, §§ 1—3, 11-2-2022)*

**Section 1211. Insurance.**

**A. Insurance Required.** Each ROW occupant and permittee shall carry and furnish proof of insurance of such kinds and with such limits of liability as set forth below:

**1. Owner's and Contractor's Protective Insurance.**

**a.** An owner's and contractor's protective policy shall be carried, with the City as the named insured and issued by the same insurance company which provides the ROW occupant's or permittee's liability coverage in amounts not less than:

| | |
|---|---|
| Each occurrence (combined single limit for bodily injury and property damage) | $1,000,000.00 |
| Annual aggregate | $1,000,000.00 |

**b. Statutory Liability Limits.** It shall be permissible to endorse limits of liability to conform to the limits of the City's statutory liability as provided in 51 O.S.2001, § 154, as amended, but in no event be less than: (a) Twenty-five Thousand Dollars ($25,000.00) for any claim or to any claimant who has more than one claim for loss of property arising out of a single act, accident or occurrence; b) One Hundred Twenty-Five Thousand Dollars ($125,000.00) to any claimant for a claim for any other loss arising out of a single act, accident or occurrence; and c) One Million Dollars ($1,000,000.00) for any number of claims arising out of a single occurrence or accident.

**c. Punitive or Exemplary Damages.** It shall be permissible to exclude coverage for punitive or exemplary damages as pertains to the liability of the City.

**d. Same Insurance Company Requirement.** An exception to the "same insurance company requirement" above may be made only if both the owner's and contractor's protective policy and the ROW occupant's or permittee's commercial general liability policy are endorsed with "Waiver of Transfer of Rights of Recovery Against Others to Us," or equivalent, endorsements. Waiver under the ROW occupant's or Permittee's policy shall be in favor of the City and waiver under the owner's and contractor's protective policy shall be in favor of the ROW occupant or permittee.

**e. Coverage for Multiple Projects.** It shall be permissible for a ROW occupant or permittee with more than one (1) permit or project to provide a single owner's and contractor's protective policy to the City of Tulsa that contains wording confirming it is applicable to all projects performed by the ROW occupant or permittee in the City's rights-of-way. However, if the amount of the

annual aggregate of the owner's and contractor's protective policy is reduced for any reason below One Million Dollars ($1,000,000.00), the City may require an additional owner's and contractor's protective policy or an increase in coverage to any existing policy to supplement coverage to the City in reasonable response to the City's exposure created or influenced by the activities of the ROW occupant or permittee.

**f. Coverage in Lieu of Owner's and Contractor's Protective Policy.** In lieu of the requirements of the owner's and contractor's protective policy above, the ROW occupant or permittee shall carry total liability limits of Three Million Dollars ($3,000,000.00) per occurrence and Three Million Dollars ($3,000,000.00) annual aggregate through any combination of primary liability policies and excess liability or umbrella liability policies. All liability policies, except workers' compensation, shall provide that the City's elected and appointed officials, officers, boards, commissions, commissioners, agents and employees shall be additional insureds. Insurance limits required herein shall satisfy the limits of insurance required under subsection A.2, below.

**2. Commercial General Liability Insurance:**

| | **Limits** |
|---|---|
| Each occurrence (combined bodily injury and property damage) | $1,000,000.00 |
| Fire damage (any one (1) fire) | No requirement |
| Medical expense (any one (1) person) | No requirement |
| Personal and advertising injury | No requirement |
| General aggregate | $1,000,000.00 |
| Products-completed operations aggregate | No requirement |

**3. Automobile Liability Insurance (Owned, Hired and Non-owned Vehicles).**

| | |
|---|---|
| Each Occurrence (combined single limit for bodily injury and property damage) | $1,000,000.00 |

**4. Professional Liability Insurance.** A ROW occupant or permittee shall furnish proof of a professional liability insurance policy for its architects, engineers, consultants and other contractors with professional liability exposure and in such kinds and with such limits of liability as set forth below:

| **Project Category** | **Minimum Insurance Coverage** |
|---|---|
| *Studies and reports* | *$100,000.00 each claim* |
| | $100,000.00 annual aggregate |
| Construction projects | |
| Less than $500,000 cost | $100,000.00 each claim |
| | $100,000.00 annual aggregate |
| $500,000 to $1,000,000 cost | $250,000.00 each claim |
| | $250,000.00 annual aggregate |
| More than $1,000,000 cost | $500,000.00 each claim |
| | $500,000.00 annual aggregate |

Insurance written on a "Claims Made" policy form shall be carried for a minimum of two (2) years after the completion of ROW work or for such additional period as may be required by the permit granted. "Tail" coverage may be carried in lieu of ongoing policies.

**5.** Workers' Compensation Insurance shall be carried of such kinds and with such limits as required by law.

**B. Self Insurance.** A certificate of self-insurance may be presented to the City in lieu of the foregoing insurance requirements. A certificate of self-insurance may be in lieu of a particular insurance requirement or for the insurance requirements as a whole. Self-insurance for workers' compensation obligations must have been approved by the Oklahoma Workers' Compensation Court and self-insurance for automobile liability obligations must have been approved by the Oklahoma Department of Public Safety, Financial Responsibility Division.

**C. Endorsement.** All insurance policies and certificates maintained pursuant to this chapter shall contain the following endorsement:

"It is hereby understood and agreed that this insurance coverage may not be canceled by the insurance company nor the intention not to renew be stated by the insurance company until thirty (30) days after receipt by the ROW administrator, by certified mail, return receipt requested, of a written notice of such intention to cancel or not to renew. If cancellation is for nonpayment of premium, then such notice shall not be less than ten (10) days, or as otherwise required by law."

For those companies that do not comply with the "Endorsement" requirement set forth above, the City shall require a valid certificate of insurance be delivered to the ROW administrator every thirty (30) days to prove that the required insurance has not been canceled.

**D. Qualifications of Insurance Companies.** All insurance policies required to be maintained by a ROW occupant or permittee shall be with an insurance company qualified to do business in the state of Oklahoma, with a B++VII or better rating of insurance by Best's Key Rating Guide, Property/Casualty Edition.

**E. Approval.** All certificates of insurance, indemnification agreements and bonds executed to the City shall be provided to the ROW administrator, who shall ascertain whether the insurance company or surety is authorized to do business in the state of Oklahoma, then submitted to the City Attorney for approval as to form, then submitted to the Mayor for approval.

**F. Additional Insured.** All liability insurance policies, except workers' compensation, shall name the City, its elected and appointed officials, officers, boards, commissions, commissioners, agents and employees as additional insured. The owner's and contractor's protective liability insurance shall insure the City of Tulsa against any and all actions, claims, judgments or demands arising from damages and/or injuries of any kind and character sustained by any person or persons because of work performed by the contractor.

**G. Cancellation and Penalty.** No ROW occupant or permittee shall cancel or reduce coverage of any insurance required herein without first delivering proof to the ROW administrator of alternative insurance which complies with this chapter. Failure to

satisfy the insurance requirements herein shall subject the ROW occupant or permittee to an administrative penalty not to exceed Five Hundred Dollars ($500.00) per each uninsured day.

*(Ord. Nos. 19945, 20956)*

**Section 1212. Indemnification.**

**A.** Each ROW occupant and permittee shall, at their sole cost and expense, indemnify, hold harmless and defend the City, its elected and appointed officials, officers, boards, commissions, commissioners, agents, employees and volunteers against any and all claims, suits, causes of action (whether frivolous or otherwise), proceedings and judgments for damages or equitable relief arising out of the installation, construction, maintenance or operation of facilities by the ROW occupant or permittee; the conduct of the ROW occupant's business in the City; or in any way arising out of the ROW occupant's enjoyment or exercise of the privileges granted by the City or applicable law, regardless of whether the act or omission complained of is authorized, allowed or prohibited by the City, other applicable law, or the terms of any grant to occupy the arterial rights-of-way.

**B.** Each ROW occupant and permittee shall indemnify and hold harmless the City and its elected and appointed officers, officials, boards, commissions, commissioners, employees, agents and volunteers from and against any and all claims, demands, suits or causes of action (whether frivolous or otherwise) of any kind or nature, and the resulting losses, costs, expenses, reasonable attorneys' fees, liabilities, damages, orders, judgments or decrees sustained by the City arising out of, or by reason of, or resulting from or of the acts, errors or omissions of the ROW occupant or permittee, or its agents, independent contractors or employees related to or in any way arising out of the construction, operation or repair of the facilities in question.

**C.** The indemnity provision of this Section 1212 includes, but is not limited to, the City's reasonable attorneys' fees incurred in defending against any such action, claim, suit (whether frivolous or otherwise) or proceeding, as well as the reasonable value of any services rendered by the City Attorney or City staff or employees.

**D.** Nothing in this chapter shall be construed to waive any immunity the City enjoys under applicable law or the Oklahoma Constitution.

**E.** Acceptance of the provisions of this section shall be a condition of all occupancy permits and rights-of-way construction permits.

*(Ord. No. 19945)*

**Section 1213. No limits on liability.**

Neither the provisions of this chapter nor any damages recovered by the City shall be construed to limit the liability of a ROW occupant or permittee for damages to the City, its elected and appointed officials, officers, boards, commissions, commissioners, agents, employees, volunteers and/or any other person or persons.

*(Ord. No. 19945)*

**Section 1214. Record maintenance.**

**A. Access to Records.** ROW occupants shall keep books and records for periods of time reasonably established by the City to determine compliance with this chapter. City,

after reasonable notice, shall have the right to review the books and records, including any complaints, of ROW occupants during normal business hours as is reasonably necessary to monitor compliance with this chapter. Such records shall include, but shall not be limited to, any public records required to be kept by ROW occupants pursuant to the rules and regulations of the FCC or any other federal or state regulatory commission or agency having jurisdiction over the ROW occupant. ROW occupants shall not be required to disclose information which it reasonably deems to be proprietary or confidential in nature; provided this exception shall not be construed to include financial records necessary to enable the City to determine compliance with ROW occupants' fee payment obligations; provided further this exception shall not be construed to include system maps as set forth in Section 1214.B, below. Subject to open meeting and record disclosure laws of the state of Oklahoma, City agrees to treat any information disclosed by ROW occupants to it on a confidential basis and only to disclose it to employees, representatives and agents thereof that have a need to know or in order to enforce the provisions hereof. The Council may inspect the books and records of ROW occupants as necessary to determine compliance with the terms of this chapter and may compel attendance of witnesses.

Copies of all petitions, applications and communications submitted by ROW occupants to the FCC or any other federal or state regulatory commission or agency having jurisdiction in respect to any matters affecting the ROW occupants operations shall be submitted to the City Clerk upon request.

**B. System Mapping.** Each ROW occupant shall maintain accurate maps and improvement plans showing the location, size and a general description of all facilities, equipment and service drops installed in the arterial rights-of-way and any power supply sources (including voltages and connections). Facilities and equipment shown shall include, but not be limited to, cables, conduits, electric lines, pipelines, fiber optic cables, electric transformers, gas meters and junction boxes. The ROW occupant shall provide a system map to the ROW administrator showing the approximate location of its facilities located along the arterial rights-of-way. Maps shall be submitted in a digital format acceptable to the City, unless otherwise exempted.

**C. As-Built Plans.** Preliminary plans shall be submitted for each new construction project at the time of application for a rights-of-way construction permit. After completion of construction on each project, final as-built construction and acquisition facility maps shall be submitted to the Public Works Department. Such as-built maps shall be based upon post-construction inspections to verify location. Copies of as-built maps in a digital format acceptable to the City shall be submitted to the ROW administrator, unless otherwise exempted.

**D. Initial Plan Submittal.** Each person occupying the rights-of-way as of the effective date of this chapter shall submit a plan to the ROW administrator as part of its initial registration pursuant to Section 1205.A, specifying in detail the steps it will take to comply with the requirements of this section to document existing facilities. The plan shall provide for the submission of all mapping data for existing facilities along or within:

**1.** The downtown business district (within the Inner Dispersal Loop) within six (6) months after the effective date of this chapter; and

**2.** The major arterial street system within twelve (12) months after the effective date of this chapter; and

**3.** The remainder of the City within twenty-four (24) months after the effective date of this chapter.

The City may grant extensions of the time periods described above for good cause shown. Notwithstanding the foregoing, new facility mapping submissions shall commence for all new projects immediately after the effective date of this chapter. In lieu of submitting a plan, anyone occupying the arterial rights-of-way that already has the required mapping information may submit such information at the time of initial registration.

**E. New ROW Occupants.** New ROW occupants shall submit complete accurate mapping data for all their equipment at the earlier of initial registration or the time any rights-of-way construction permits are sought under this chapter.

*(Ord. No. 19945)*

## Section 1215. Relocation of equipment and facilities.

A ROW occupant or permittee must promptly and at its own expense, with due regard for seasonal working conditions, permanently relocate its equipment and facilities in the arterial rights-of-way upon written notification by the Director of Public Works. The ROW administrator shall forward a recommendation upon careful determination of the best interest of the health, safety and welfare of the public regarding any such relocation. Such relocation shall include restoring the arterial rights-of-way to the same condition it was in prior to said relocation, in accordance with the terms of this chapter. A ROW occupant shall, within six (6) months, at its own expense, protect or modify any part of its facility when required by the City by reason of traffic safety, public safety, road construction, change of street grade, installation of water, stormwater or sanitary pipes, traffic-signal devices or any other types of City improvement projects. The ROW administrator may recommend such actions in order to prevent interference by the ROW occupant's facilities with: a present or future City use of the arterial rights-of-way; or a capital improvement project funded and scheduled to be undertaken by the City; or an economic development project in which the City has an interest or investment. The ROW administrator may also recommend such actions: when the public health, safety and welfare require it; or when necessary to prevent interference with the safety and convenience of ordinary travel over the arterial rights-of-way, both vehicular and pedestrian; or when aboveground equipment is located in such a manner as to create an obstruction to a driver's line of sight. The ROW occupant may for due cause make application to the Public Works Director for an extension to complete such relocation as required by this section.

The foregoing does not alter a ROW occupant's prior rights or obligations within an existing easement established prior to the dedication of rights-of-way in establishing the party responsible for the expense of any required relocation of equipment.

*(Ord. No. 19945)*

## Section 1216. Pre-excavation location of equipment.

Before a ROW occupant or permittee shall commence to excavate in a roadway, street, alley or other rights-of-way as defined in this chapter, such ROW occupant or permittee, unless

otherwise exempt by state statute, shall first notify all operators in the City who are on file with the county clerk as to having underground facilities within the county, pursuant to the Underground Facilities Damage Prevention Act, 63 O.S.1991, §§ 142.1, *et seq.*, as supplemented; said notice shall be either directly or by notice to the statutory "Okie" One-call notification center. Each ROW occupant served with notice in accordance with 63 O.S.1991, § 142.6, shall locate and mark or otherwise provide the location of the underground facilities of the operator in such a manner as to enable the excavator to determine the precise location of the underground facilities in advance of excavation. In any event, should the excavator in the course of excavation discover and damage an unmarked utility, the City of Tulsa shall be indemnified from liability for any damage that should occur due to the failure on the part of either the excavator or the ROW occupant.

*(Ord. No. 19945)*

**Section 1217. Damage to other facilities.**

Each ROW occupant shall comply fully with the Underground Facilities Damage Prevention Act, 63 O.S.1991, §§ 142.1, *et seq.*, as amended.

*(Ord. No. 19945)*

**Section 1218. Abandoned and unusable facilities.**

**A. Discontinuing operations.** A ROW occupant that has determined to discontinue its operations in the City must either:

**1.** Obtain the consent of the City to transfer ownership control of its facilities pursuant to Section 1223 and ensure that the new owner or controlling entity has applied for registration prior to closing; or

**2.** Submit to the City, within ninety (90) days of the planned date for discontinuance of operation, a proposal and instruments for transferring ownership of its facilities to the City. If a ROW occupant proceeds under this clause, the City may at its option:

**a.** Purchase the facilities; or

**b.** Require the ROW occupant, at its own expense, to remove the facilities.

**B. Abandonment.** Facilities of a ROW occupant who fails to comply with the preceding paragraph and which for twelve (12) months remain unused, shall be deemed to be abandoned. Abandoned facilities are deemed to be a nuisance. Upon thirty (30) days' notice to the occupant, the City may exercise any remedies or rights it has at law or in equity, including but not limited to:

**1.** Abating the nuisance;

**2.** Taking possession of the facilities and restoring them to a useable condition;

**3.** Requiring removal of the facilities at the expense of the ROW occupant; or

**4.** Removing abandoned facilities in any arterial rights-of-way in conjunction with a proposed construction project.

*(Ord. No. 19945)*

## Section 1219. Rights-of-way vacation.

In the event that application of any provision of this chapter requires the vacation of a street or other public way, such vacation shall be accomplished in accordance with 11 O.S.1991, §§ 42-101, *et seq.*, as amended, and Title 11, Chapter 7, Tulsa Revised Ordinances, as amended.

*(Ord. No. 19945)*

## Section 1220. Cable and open video system provisions.

ROW occupants who provide video service shall abide by the following provisions:

**A. Video Service Fee.**

**1.** A video service fee shall be paid in an amount equal to five percent (5%) of the video service gross revenues from within the corporate limits of the City of Tulsa, Oklahoma, for each current year. This video service fee shall be in lieu of any applicable occupancy fee or the inspection fee and service charge paid for the provision of video service pursuant to Subsection 1206.A. or 1206.B. of this chapter. The video service fee, together with any accumulated interest, shall be payable monthly on or before the 25th day after the end of each month on video service gross operating revenues received for that month, beginning no later than August 2009. If the payment is not timely made, interest upon any unpaid portion shall accrue at the rate of one and one-half percent (1½%) per month until paid. ROW occupants shall file a complete and accurate verified statement of all video service gross operating revenues within the corporate limits of the City of Tulsa, Oklahoma, during the period for which the monthly payment is made and an annual statement of such video service gross operating revenues, verified by the ROW occupant's external certified public accountant, within sixty (60) days after the end of each calendar year. ROW occupant's first annual statement shall include the months of the calendar year that preceded the first month in which the occupancy permit is effective. If ROW occupant fails or refuses to pay such fee, City may maintain an action against ROW occupant for the amount of such fee and interest and all expenses of collecting same, including reasonable attorney's fees.

**2.** Any person leasing video service capacity from a ROW occupant, other than a person whose revenues are included in the payment made under paragraph A.1. of this section, shall pay the City a fee in lieu of the occupancy permit fee of five percent (5%) of the video service gross revenues of such person. Such payment shall be subject to the terms and be made in the same manner as prescribed in paragraph A.1. of this section. Notwithstanding the foregoing, where a ROW occupant charges any person, other than an affiliate, to use its system and that person recovers those use payments through charges to its subscribers that are included in that person's video service gross revenues and that person fully recovers its use payments through charges to its subscribers and pays a fee on those charges pursuant to paragraph A.1. of this section, then the ROW occupant may deduct from its video service gross revenues the use payments it receives from that person.

**3.** In addition to the fees payable hereunder, consistent with 47 U.S.C. § 542(g)(2)(C), City may, at any time, by action of a majority of the City Council, establish a capital

contribution fee for educational and governmental access channels, video streams and facilities. ROW occupants providing video and audio originations pursuant to paragraphs 1220.G.3.a.—c. shall pay the City a capital contribution fee for educational and governmental programming support. The amount of the capital contribution fee shall be determined by City Council, but in no event shall exceed one-half of one percent (0.5%) of the ROW occupant's video service gross revenues within the City. The City shall determine the amount of the capital contribution fee in its sole discretion, but may use it only as allowed by federal law to support educational and governmental access channel facilities. The City shall provide the ROW occupant written notice at least forty-five (45) days in advance of the date on which the City seeks to start collecting the capital contribution fee, setting forth the percentage it seeks to collect. The capital contribution fee shall not be offset, deducted or chargeable as a credit against the video service fee required by this section. The capital contribution fee shall be administered, collected and paid in the same manner as prescribed in this Subsection 1220.A. and may be added by a ROW occupant as a separate line item on each regular bill of each subscriber.

The payment of the capital contribution fee shall be in lieu of any other monetary payment, or in-kind compensation or grants, to the City for educational and governmental support. Examples of educational and governmental support include providing and maintaining of transmitter encoders and any data transport necessary to transport educational and governmental signals from any video or audio origination point identified in paragraphs 1220.G.3.a.—c. to the ROW occupant's network, as well as providing technical assistance required for the use of channels or video streams for governmental and educational use. At the ROW occupant's option, however, the ROW occupant may provide "in-kind" educational and governmental support to the City in lieu of paying the capital contribution fee or a portion thereof to the City. Any ROW occupant that elects to provide "in-kind" educational and governmental support in lieu of all or a portion of the capital contribution fee shall, upon written request, advise the City of the estimated fair value of such in-kind support. The City shall have the right to challenge such estimate.

**4.** The provisions of this chapter contained in Subsection 1206.D., titled "Records Inspection"; Subsection 1206.E., titled "Late Fees and Interest on Late Payments"; and Subsection 1206.F., titled "No Deduction or Credit Against Taxes", which are applicable to ROW occupants paying occupancy fees or inspection fee and services charges shall also be applicable to ROW occupants required to pay video service fees.

**B. Service standards.** ROW occupants shall maintain and operate their facilities and render efficient video service in accordance with such rules and regulations as shall be promulgated by the FCC. Wherever it is necessary to interrupt video service for the purpose of making repairs, adjustments or installments, ROW occupants shall do so at such time as will cause the least inconvenience to subscribers, and unless such interruption is unforeseen and immediately necessary, ROW occupants shall give reasonable notice to subscribers.

**C. Regulation by City.**

**1.** ROW occupants in the installation, maintenance and operation of facilities providing video service shall, at all times, be subject to the terms and provisions of the general ordinances of the City and to the lawful exercise of the police power of the City.

**2.** ROW occupants shall be subject to the lawful exercise by City of all other powers, functions, rights, privileges and immunities of regulation of video service, or any other service granted or delegated to City by the Charter, by the Constitution and laws of Oklahoma or the laws and regulations of the United States of America.

**D. Provision of video service.** City council reserves the right to require ROW occupants to provide for video service, or services substantially similar thereto, to all residences and properties in developed areas within the corporate limits of the City, subject to limitations related to distance from current facilities or other technical limitations. In the event that the City Council exercises this right, ROW occupants may charge for extension of video service facilities based upon the cost of labor, materials, acquisition of property rights, as well as for the services provided.

**E. Operational standards.**

**1.** ROW occupants shall maintain and operate facilities so as to provide video, audio and other signals to be delivered with signal strength and quality levels which meet the parameters specified by the FCC and any other normally accepted industry standards. ROW occupants shall construct facilities providing video service and operate and maintain them in a manner consistent with all ordinary care and all applicable laws, ordinances, construction standards and FCC technical standards. Upon request, ROW occupants shall provide City a report of the results of any FCC required proof of performance test conducted by ROW occupants.

**2.** City shall notify ROW occupants in writing of any complaint from subscribers or of any failure of ROW occupants to comply with the terms and conditions of this permit. ROW occupants, upon receipt of such notice, shall promptly investigate the complaint and take such action as is necessary to provide video service to subscribers and to operate as required.

**F. Services to subscribers.** ROW occupants shall provide to subscribers as a part of its video service local television broadcast signals as required by federal law and FCC regulations subject to obtaining the consent of the local broadcast stations as required by law, and educational and public affairs programming including local educational and governmental programs.

**G. Governmental and educational uses.**

**1. Governmental and educational channels or video streams.** Within one hundred twenty (120) days of a request from the City, ROW occupants offering video service shall provide for governmental and educational use only, at no cost to such users, the following:

**a.** One (1) channel or video stream on any facility providing video service, for the exclusive use of Independent School District Number One of Tulsa County, Oklahoma (Tulsa Public Schools), provided Tulsa Public Schools develops, staffs and operates facilities and other equipment to provide educational and similar public service programming on such channel or video stream on a continuing basis and cooperates with other public elementary and secondary schools intending to provide such programming within the ROW occupant's video service area, within the City;

**b.** One (1) channel or video stream on any facility providing video service, for the exclusive use of Tulsa Community College, in cooperation with other institu-

tions of higher learning within the service area and service areas of other video service facilities owned by a ROW occupant and interconnected with a video service facility within the City, which develop, staff and operate facilities and equipment to provide educational programming on a continuing basis; and

**c.** One (1) channel or video stream on any facility providing video service, for the exclusive use of the City.

**d.** Each channel or video stream referenced in subparagraphs G.1(a), (b) and (c), above, may be made available via a single channel, video stream or tier which serves as a gateway to multiple governmental and educational channels or video streams.

If potential users are unable to agree on the allocation of channels or video streams provided in these subparagraphs G.1.a., b. and c. of this section, the Council may promulgate rules, regulations and procedures governing the use of governmental and educational channels or video streams. The Council shall resolve any disputes between any user of the channels or video streams and shall approve all allocations of educational and governmental channels provided in these subparagraphs G.1.a., b. and c.

Any content to be carried on such channel or video stream must be delivered to the ROW occupant at a point of presence agreed to by the ROW occupant and the user, in a format compatible with that ROW occupant's technology. The user will be solely and individually responsible for its own programming content.

**2. Service Outlets.** Upon request:

**a.** Subject to the provisions of paragraph G.2.b.:

(1) ROW occupants which provide video services within two hundred fifty (250) feet of a state accredited elementary and secondary school, including but not limited to all buildings and other facilities designated by the named public schools, or an institution of higher learning, in coordination with the City and all other video service providers, shall be obligated to provide one (1) free installation and monthly video service package, not including services offered on a premium or pay per view basis, to each state accredited school site and to each campus of each institution of higher learning.

(2) ROW occupants which provide video services within two hundred fifty (250) feet of City Hall, the Jack Purdie Police/Municipal Courts Building, the Tulsa Regional Convention and Event Center, the Fire Department Training Center, fire stations, the Performing Arts Center, the City-County Health Department, International Airport, Police Detention Center, Police Training Center, Police Stations, recreation centers and maintenance facilities, in coordination with the City and all other video service providers, shall be obligated to provide one (1) free installation and monthly video service package, not including services offered on a premium or pay per view basis, to each location listed above.

**b.** After any such request, unless the entity requesting service specifies the ROW occupant that is to provide service, the City will confer with all ROW occupants obligated to provide service pursuant to subparagraph G.2.a., to determine

assignments in a reasonable manner. No more than one (1) ROW occupant shall be required to provide the service required by this paragraph G.2. to any given location. If another ROW occupant is providing such service as of May 31, 2009, an entity covered by this paragraph G.2. may request service at no cost, as provided in subparagraph G.2.a., but shall be required to bear all installation costs. Additional installations as at any particular location set forth in subparagraph G.2.a. shall be at the cost of labor and installation to the entity receiving the service.

**c.** In compliance with this paragraph G.2.:

(1) No ROW occupant shall be required to provide inside wiring.

(2) No ROW occupant shall seek to offset recurring costs associated with the requirements of this paragraph G.2. against fees payable pursuant to this chapter, nor shall a ROW occupant impose such costs on the City, accredited school or institution of higher learning receiving such free installations and service.

(3) No ROW occupant shall offset any nonrecurring installation and nonrecurring repair of service costs provided pursuant to this paragraph G.2. against any fees payable under this chapter.

**d.** After a service outlet or connection is provided to any governmental or educational facility pursuant to this paragraph G.2., the services and connection shall not be discontinued or removed by a ROW occupant without the prior, express consent of the City Council.

**3. Video and audio originations.** Upon request:

**a.** ROW occupants providing video services within two hundred fifty (250) feet of the Tulsa Education Service Center shall work with the proper authorities to provide, at no cost, connections for video and audio originations from the Tulsa Education Service Center;

**b.** ROW occupants providing video services within two hundred fifty (250) feet of the Tulsa Community College Metro Campus shall work with the proper authorities to provide, at no cost, connections for video and audio originations from the Tulsa Community College Metro Campus; and

**c.** ROW occupants providing video services within two hundred fifty (250) feet of one (1) location designated by the City shall work with the proper authorities to provide, at no cost, connections for governmental video and audio originations from that location.

Upon request from a governmental or educational user, ROW occupants shall provide, at the direct cost to the ROW occupants of labor and materials, additional connections for video and audio originations from other points. ROW occupants providing "in-kind" educational and governmental support pursuant to paragraph 1220.A.3. of this title shall, at no cost, provide technical assistance required for the use of channels or video streams for governmental and educational use.

If potential users are unable to agree upon the use of the channels or video streams for video and audio originations from the locations to serve state accredited elementary and secondary schools and institutions of higher learning provided in subparagraphs G.3.a. and b., the Council may promulgate rules, regulations and

procedures governing the use of the channels or video streams for video and audio originations for state accredited elementary and secondary schools and institutions of higher learning. The Council shall resolve any disputes between any user of the educational channels or video streams.

**4.** ROW occupants shall not make any separate or premium charge to a subscriber for access to educational or governmental channels or video streams.

**5.** All channels or video streams allocated for governmental and educational use shall be of the same quality as any other channel or video stream for video service. All channels or video streams allocated for educational use shall be available to subscribers in the service area and the service areas of other video service facilities interconnected with it.

**6.** When a channel or video stream allocated for governmental or educational use has been assigned a channel number or position by the ROW occupants, such channel number or position shall not be changed until at least six (6) months' written notice has been given to the user of such channel.

**H. Emergency alert services to City.** If requested by the City, ROW occupants providing video service shall carry all federal, state and local alerts provided over the "Federal Emergency Alert System" in the event of a public safety emergency.

**I. Nondiscrimination.**

**1.** ROW occupants shall not deny any person or group of potential video service subscribers access to video service because of race, color, religion, national origin, age, gender, physical handicap or the income of residents in the local area in which a person or group resides.

**2.** ROW occupants shall not discriminate in the rates or charges for video services or in making available video services or facilities of the system. ROW occupants shall not extend any preference or advantage to any subscriber or potential subscriber to the system or to any user or potential user of the system.

**3.** ROW occupants shall not discriminate against any employee or applicant for employment because of race, color, religion, age, gender or national origin. ROW occupants shall comply with all applicable laws and regulations of the United States and of Oklahoma with respect to employment and personnel practices.

**J. Certain rights regarding IP video and cable service not waived.** In the enactment of provisions in this section that are applicable to IP video service, the City acknowledges that certain ROW occupants providing IP video service have asserted and may assert that they are not required to obtain a ROW occupant permit from the City in order to provide IP video service. Regardless of this position, in consideration of the forbearance of litigation by the City in relation to the provision of IP video service by such ROW occupants within the City and the City's adherence to permitting practices with respect to the installation of facilities that may be used to provide IP video services, certain ROW occupants are willing to operate within the regulations provided in this section and to pay the IP video service fee specified in this section. The City, by enactment of provisions in this section applicable to IP video service and any ROW occupant providing IP video services pursuant to this chapter agree that neither shall be deemed to have waived any of it rights, which may be contrary to the definitions, regulations and actions established in this chapter.

**K. Change or clarification of law.** In the event a court or federal agency or any governmental legislative body with jurisdiction rules or declares that IP video service is a cable service, or that IP video service is subject to the same laws and regulations as a cable service provider or cable television system, and if the ruling or declaration is effective and binding upon either the City or the ROW occupant providing IP Video service within the City of Tulsa, then the ROW occupant shall be subject to the provisions of section.

*(Ord. Nos. 19945, 21282, 21393; Ord. No. 22146, § 3, 10-15-2009; Ord. No. 22169, §§ 1, 2, 12-10-2009)*

## Section 1221. Thermal service row usage fee.

All providers of thermal service shall pay a thermal service ROW usage fee in the amount of three percent (3%) of the gross revenues from the sale of chilled water and steam. The thermal service ROW usage fee shall be in addition to the occupancy fee. The thermal service ROW usage fee shall be payable monthly on or before the 25th day of each month, on the cash receipts of the preceding calendar month. If the monthly payment is not timely made, interest upon any unpaid portion shall accrue at the rate of one and one-half percent (1.5%) per month until paid. Those providing thermal service shall furnish with each monthly payment a complete and accurate, verified statement of all gross revenues from sales within the City of Tulsa during the month for which said payment is made. Such statement and payment shall be made to the Director of Finance. If the provider of thermal service fails or refuses to pay such fee, the City may maintain an action against the thermal service provider for the amount of such fee and interest and all expenses of collecting same, including reasonable attorneys' fees. The fee and interest imposed hereunder shall constitute a first and prior lien upon all of the assets of the thermal service provider located within the City of Tulsa, Oklahoma.

*(Ord. No. 19945)*

## Section 1222. Reservation of regulatory and police powers.

No provision of this chapter, nor any action taken by the City pursuant to this chapter, shall be deemed to surrender, waive, impair, or lessen the lawful powers and rights to regulate the use or occupancy of the rights-of-way that now or may be hereafter vested in the City under the Constitution and statutes of the state of Oklahoma or under the Amended Charter of the City of Tulsa. By accepting an occupancy permit or a rights-of-way construction permit, a permittee or ROW occupant is deemed to acknowledge that its rights are subject to the regulatory and police powers of the City as exist under applicable law to adopt and enforce general ordinances necessary for the safety and welfare of the public and is deemed to agree to comply with all applicable general laws and ordinances enacted by the City pursuant to such powers. Unless otherwise expressly provided in an occupancy permit or rights-of-way construction permit, any conflict between the provisions of any such authorization and any other present or future lawful exercise of the City's regulatory or police powers shall be resolved in favor of the City.

*(Ord. No. 19945)*

**Section 1223. Severability.**

If any section, sentence, clause or phrase of this Ordinance or any part thereof is for any reason found to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remainder of this Ordinance or any part thereof.

*(Ord. No. 19945)*

**Section 1224. Revocation.**

If a regulatory body or a court of competent jurisdiction should determine by a final, nonappealable order that any franchise, permit, right or registration issued under this chapter or any portion of this chapter is illegal or unenforceable, then any such franchise, permit, right or registration granted or deemed to exist hereunder shall be considered as a revocable permit with a mutual right of either party to terminate without cause upon giving sixty (60) days' written notice to the other. The requirements and conditions of such a revocable permit shall be the same requirements and conditions as set forth in the franchise, permit, right or registration, respectively, except for conditions relating to the term of the permit and the right of termination. If a franchise, permit, right or registration shall be considered a revocable permit as provided herein, the permittee must acknowledge the authority of the City Council to issue such revocable permit and the power to revoke it.

*(Ord. No. 19945)*

**Section 1225. Transfers.**

**A. Notification required.** No transfer shall occur without prior notice to the Public Works Director. Notice of the transfer must meet the requirements of Section 1205, as applicable, and provide complete information on the proposed transaction, including the legal, financial, technical and other pertinent qualifications of the transferee as deemed necessary by the Public Works Director.

**B. No waiver or release.** A transfer of an occupancy permit or a rights-of-way construction permit shall not constitute a waiver or release of any of the rights of the City.

**C. Recovery of costs.** The City may impose a charge, in addition to any occupancy fee or other compensation authorized by this chapter or applicable law, to cover the City's costs in excess of the filing fee in considering an application for a transfer of an occupancy permit or a rights-of-way construction permit.

*(Ord. No. 19945)*

**Section 1226. Exemptions.**

This chapter applies, to the greatest extent permissible under applicable law, to all ROW occupants. If, on the effective date of this chapter, a person holds a franchise, or has prior rights under a contract, and the terms of this chapter conflict with or impose additional requirements or obligations not contained in the franchise or contract, that person is exempted from such terms of this chapter and the terms of the franchise shall control, to the extent required by the franchise or contract and applicable law.

*(Ord. No. 19945)*

## Section 1227. Enforcement.

**A. Remedies for violations.** If a ROW occupant violates any provision of this chapter, the Director of Finance may, after providing notice to the ROW occupant at the address provided in the occupancy permit and a hearing in which the ROW occupant may appear and be heard, take one (1) or more of the following actions:

**1.** Impose liquidated damages in the amount, if any, provided in the occupancy permit or rights-of-way construction permit, whether per day, incident or other measure of violation. Payment of liquidated damages by the ROW occupant does not relieve the ROW occupant of its obligation to meet the requirements of this chapter;

**2.** Impose penalties pursuant to Section 1228;

**3.** Reduce the duration of the occupancy permit or rights-of-way construction permit on any basis the City determines is reasonable and affords the ROW occupant reasonable due process; and/or

**4.** Revoke the occupancy permit or rights-of-way construction permit pursuant to its terms or applicable law.

**B. Director of Finance's discretion.** In determining which remedy or remedies are appropriate under Subsection 1227.A, the Director of Finance shall consider the nature of the violation, the person or persons bearing the impact of the violation, the nature of the remedy required in order to prevent further violations and any other matters the Director of Finance determines are appropriate. In addition to or instead of these remedies, the Director of Finance may seek legal or equitable relief from any court of competent jurisdiction.

**C. Opportunity to cure.** Before initiating a remedy under this section, other than revocation of the occupancy permit or rights-of-way construction permit, the City shall give the ROW occupant written notice of the violations claimed and at least twenty (20) working days to correct the violations.

*(Ord. No. 19945)*

## Section 1228. Penalties.

The Director of Finance shall have the authority to assess penalties against a ROW occupant for failure to comply with the terms of its occupancy permit or rights-of-way construction permit or any other portions of this chapter. Any such assessment must be provided to the ROW occupant in writing with a notice of violation and provide for a reasonable opportunity to cure the violation, provided that the violation is not a result of inclement weather. If the ROW occupant fails to remedy the deficiency by the end of the twenty (20) day period provided in Section 1227.C, the penalty amounts shall begin to accrue and shall continue to accrue until the date that the deficiency is corrected.

**A.** For effecting or attempting to effect a transfer without approval: Two Thousand Dollars ($2,000.00) a day for each violation for each day the violation continues;

**B.** For failure to supply information, reports or filings lawfully required under the terms of an occupancy permit or ROW construction permit or applicable law or by the City: Five Hundred Dollars ($500.00) a day for each violation for each day the violation continues;

**C.** For failure to pay occupancy fees, inspection fees, service charges or other fees imposed by this chapter: One Thousand Dollars ($1,000.00) per day;

**D.** For failure to restore or repair damages to private property: Two Hundred Dollars ($200.00) per day, in addition to the cost of the restoration;

**E.** For any other violations of the City code, occupancy permit, rights-of-way construction permit or other applicable law: Five Hundred Dollars ($500.00) a day for each violation for each day the violation continues.

*(Ord. No. 19945)*

## SCHEDULE A.

**PART 1.** Refer to Title 35, Tulsa Revised Ordinances, Section 302, for fee schedule currently in effect.

**PART 2.** Schedule of Degradation Values

| PC Concrete | | (Design life = 30 years) |
|---|---|---|
| | Years | Depreciation Value |
| New Concrete | 0—5 | 98% |
| Good Concrete | 5—1<br>5 | 78% |
| Fair Concrete | 1—2<br>5 5 | 44% |
| Poor Concrete | > 2<br>5 | 15% |

| Asphalt Concrete | (Design life = 20 years) | |
|---|---|---|
| | Years | Depreciation Value |
| New Asphalt | 0—3 | 99% |
| Good Asphalt | 3—1<br>1 | 78% |
| Fair Asphalt | 1—2<br>1 0 | 34% |
| Poor Asphalt | > 2<br>0 | 11% |

| Asphalt Over PCC | (Design life = 20 years) | |
|---|---|---|
| | Years | Depreciation Value |
| New APC | 0—2 | 99% |
| Good APC | 2—7 | 77% |
| Fair APC | 7—1<br>2 | 33% |
| Poor APC | > 1<br>2 | 11% |

Degradation percentage:

Paving Cut = 20%

The following formula shall be used to calculate the degradation cost:

Area of construction + 1' around perimeter of site; times

Cost $10.00 per square foot of paving; times

Depreciation Value; times

Degradation Percentage

## CHAPTER 13. BLASTING REGULATIONS

Section 1300. Purpose.
Section 1301. Definitions.
Section 1302. Scope.
Section 1303. Blasting permits.
Section 1304. Administrative procedures.
Section 1305. Standards for blasting permits.
Section 1306. Permit suspension and revocation.
Section 1307. Appeals and variances.
Section 1308. Penalties.
Section 1309. Warning and disclaimer of liability.

### Section 1300. Purpose.

To protect the general health, safety and welfare of residents of the City of Tulsa from unnecessary and excessive air blasts, ground vibrations and dust which are physically harmful and otherwise detrimental to individuals and the community in the enjoyment of life, property and conduct of business, the City shall:

**A.** Regulate the detonation of explosives used to demolish structures, fragment rock and excavate for development within the City; and

**B.** Inform those who are reasonably calculated to be affected by any blasting.

Development shall not create a public hazard upon any property within the City due to the use of explosives. The detonation of explosives shall not result in identifiable damage to property other than the blasting site.

*(Ord. No. 19947)*

### Section 1301. Definitions.

For purposes of this chapter, the following words and phrases shall have the meanings given herein.

**Appeal** shall mean a request for a review of the Director's interpretation of any provision of this chapter or a request for a variance.

**Blasting Area** shall mean the area within three hundred (300) feet of the proposed blasting site as described by the most applicable blasting project scenario listed below:

**A.** Three hundred (300) feet perpendicular and on each side of the line of the proposed blasting, i.e., blasting performed down the center of a street; or

**B.** Three hundred (300) feet from each exterior boundary or property line, whichever is greater, of the proposed blasting.

The Director may require a larger area than that described herein if he finds that strict adherence to the distance requirements does not result in a logical boundary. Consideration should be given to proximity of structures to each other, geology or topography of the area, density of development and sensitivity of structures.

**Certified Blaster** shall mean a person who has certified blaster status pursuant to the State of Oklahoma Explosives and Blasting Regulation Act and implementing regulations thereof.

**Department** shall mean the Public Works Department of the City of Tulsa.

**Department of Mines** shall mean the state of Oklahoma agency responsible for the administration, regulation and enforcement of the state of Oklahoma laws and regulations regarding blasting operations.

**Development** shall mean any manmade changes to improved or unimproved real estate, including but not limited to buildings or other structures, mining, excavation and construction.

**Director** shall mean the duly appointed Director of the Public Works Department of the City of Tulsa or his designated representative.

**Explosives** shall mean any substance, chemical compound or mechanical mixture that is commonly used for the purpose of producing an explosion to demolish a structure or to fragment rock for excavation or construction, including initiating devices.

**Flyrock** shall mean any dirt, mud, stone, fragmented rock or other material that is displaced from the blasting area by being thrown in the air or cast along the ground.

**Oklahoma Mining Commission** shall mean the state of Oklahoma commission having jurisdiction over mining operations in Oklahoma.

**Person** shall mean any individual, partnership, firm, association, public or private corporation or institution, municipal corporation, any trust estate or any other legal entity, and any successor, representative, agent or agency of the foregoing.

**Underground facility** shall mean any underground line, facility, system and appurtenances thereto, for producing, storing, conveying, transmitting or distributing communication, electricity, power, light, heat, gas, oil, petroleum products, water (including storm water), steam, sewage and other commodities.

**Variance** shall mean a grant of relief to a person from the requirements herein when specific enforcement would result in unnecessary hardship, permitting the use of explosives in a manner otherwise prohibited by this chapter.

**Violation** shall mean the failure to be in full compliance with any of the provisions of this chapter.

*(Ord. No. 19947)*

## Section 1302. Scope.

The provisions of this chapter shall apply to and be binding upon every person who seeks to use explosives on lands within the City unless exempted herein. The provisions of this chapter are intended to be consistent with the requirements pertaining to explosives in the most current BOCA National Fire Prevention Code ("Fire Prevention Code"), published by the Building Officials and Code Administrators International, Inc.; the State of Oklahoma Explosives and Blasting Regulation Act, 63 O.S.Supp.1999, §§ 122.1, *et seq.*, amendments thereto, and implementing regulations thereof; and the Oklahoma Underground Facilities Damage Prevention Act, 63 O.S.1991, §§ 142.1, *et seq.*, and amendments thereto.

Unless specifically exempted, a blasting permit as required by this chapter shall be obtained prior to any person detonating explosives within the City. A blasting permit shall not be required for bona fide quarries or mining operations which constitute the principal

use of any lot or tract of ground in the City and which meet the requirements of the Oklahoma Mining Commission and the Zoning Code of the City of Tulsa. Additionally, entities exempt from state of Oklahoma regulation pursuant to Section 123.8 of the Oklahoma Explosives and Blasting Regulation Act are exempt from the requirements of this chapter; provided, however, that all contractors using explosives in the performance of work for the City must obtain a blasting permit and comply with the provisions of this chapter.

*(Ord. No. 19947)*

**Section 1303. Blasting permits.**

**A. General Requirements.** Application for a blasting permit required under this chapter shall be submitted to the Director of Public Works. The application shall be on a form furnished by the Director, and shall include the following information:

**1.** A written description of the purpose of the proposed blasting; and

**2.** Current blasting permit issued by the Oklahoma Department of Mines and applicable to the project for which application is being made; and

**3.** A copy of the blasting plan submitted with the current blasting permit issued by the Oklahoma Department of Mines; and

**4.** A current copy of the state of Oklahoma blaster's certification which discloses the blaster's certification number and date of expiration for the blaster who will supervise all blasting operations; and

**5.** A development site plan consisting of the following:

**a.** A project map or aerial photo to scale which depicts the site to be blasted and all real property within seven hundred (700) feet of the blasting area as calculated pursuant to the requirements of this chapter; and

**b.** Proposed location of seismographic instruments. Two seismographic instruments are required. Their proposed location shall be shown on the project map. The seismographs shall have a frequency response from 2 to 250 hertz, within -3 dB at 2 hertz. The accuracy shall be +/-5 or +/-0.02 in./sec., whichever is larger, between 4 and 125 hertz; and

**6.** Proposed blasting schedule; and

**7.** A copy of the City Fire Marshal permit issued for the blasting project for which application is being made, together with the proof of insurance required in support of such permit; and

**8.** A certificate of blasting liability insurance coverage as required by the Oklahoma Explosives and Blasting Regulation Act and implementing regulations thereof. The amount shall not be less than One Million Dollars ($1,000,000.00) per occurrence to become available for the payment of all damages to persons or property which may arise from, or be caused by, the conduct of any act of blasting. The insurance certificate must be executed by a company licensed to do business in the state of Oklahoma and name the City of Tulsa as an additional insured; and

**9.** A Fifty Dollar ($50.00) non-refundable application fee. This requirement shall be waived for a contractor who is performing blasting work pursuant to a contract with the City.

**10.** A statement that the applicant has complied with the Oklahoma Underground Facilities Damage Prevention Act, 63 O.S.1991, §§ 142.1, *et seq.*, and amendments thereto. This statement shall specifically verify that any notice required by Section 142.6 of that Act has been mailed to all operators of Underground Facilities having Underground Facilities located within three hundred (300) feet of the blasting site at least three (3) days before the permit application was submitted to the Director.

**B. Inactive Permit Application Denial.** Failure of an applicant to provide all the information required by this section within sixty (60) days of beginning the application process shall result in denial of the application unless an extension is granted in writing by the Director.

**C. Permit Issuance.** Once the application has been approved and the permit fee paid, the Director shall issue the blasting permit. The permit shall be signed by the Director and shall expire thirty (30) days after the projected completion date.

**D. Denial.** Denial of a blasting permit shall be accompanied by a statement of the reasons for the denial.

**E. Transfer.** A blasting permit shall not be transferable either from one location to another, or from one person to another.

*(Ord. No. 19947)*

**Section 1304. Administrative procedures.**

**A. Permit Fees.** Permits authorized by the provisions of this chapter shall be effective only upon payment of a fee of Fifty Dollars ($50.00) for each day of blasting projected in the permit application. This requirement shall be waived for a contractor who is performing blasting work pursuant to a contract with the City.

**B. Blasting Permit Duration.** The blasting permit shall show on its face the expiration date, which shall be thirty (30) days after the estimated time of completion provided by the permittee in his application. A blasting permit shall automatically expire if the authorized work is not commenced within six (6) months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six (6) months after the time of commencing the work, unless an extension has been granted in writing by the Director. One six (6) month extension will be routinely granted upon written application by the permittee.

*(Ord. No. 19947)*

**Section 1305. Standards for blasting permits.**

The requirements established within this section apply to the blasting area as depicted in the site plan submitted by the permittee as part of his application. A permittee shall perform both pre-blast and post-blast surveys upon request. A holder of a blasting permit shall adhere to the following:

**A.** Permittees shall perform pre-blast surveys upon the request of the affected property owner or his representative. The pre-blast survey shall consist of conducting or providing for inspections on structures within the blasting area. The pre-blast survey shall document any damage to and other physical factors of the structure that could reasonably be affected by the blasting.

**B.** The post-blast survey shall consist of conducting or providing for inspections of structures within the pre-blast survey area. The post-blast survey shall document any changes to or differences in the surveyed structure from the pre-blast survey. Permittees shall perform post-blast surveys when requested by persons previously having had a pre-blast survey performed under the same blasting permit. The post-blast survey shall be requested within thirty (30) days after blasting has been completed.

**C.** The cost of the pre-blast and post-blast surveys shall be paid by the permittee directly to the individual or organization which is hired to perform the surveys. Pre-blast and post-blast surveys shall be performed by an individual or organization who has expertise in the assessment of the impact of blasting on structures. The Director shall develop administrative regulations for the approval of inspectors and maintain a list of all such approved inspectors.

**D.** At the beginning of each blasting project the permittee shall perform test blasting to determine the amount of blasting charge required to limit the peak particle velocity to two (2.0) inches per second at the closest structure.

**E.** The permittee shall abide by the standards required in the most current BOCA National Fire Prevention Code ("Fire Prevention Code") published by the Building Officials and Code Administrators International, Inc.

**F.** The permittee shall abide by the State of Oklahoma Explosives and Blasting Regulation Act and implementing regulations thereof.

**G.** Except as otherwise authorized herein, the allowable ground vibration and airblast levels resulting from the detonation of explosives are:

1. **Ground Vibration.** Maximum peak particle velocity for ground vibration shall not exceed two (2.0) inches per second at the closest structure. A seismograph record shall be required for each blast. The maximum peak particle velocity shall be the largest peak particle velocity exhibited by three (3) mutually perpendicular components.

2. **Airblast.** Levels shall not exceed, at anytime, the prescribed limits of the Oklahoma Explosives and Blasting Regulation Act and implementing regulations thereof.

**H. Flyrock.** When blasting operations are performed pursuant to a permit issued under this chapter within three hundred (300) feet of any structure, railway or highway, the blast shall be designed to prevent flyrock from being thrown onto the structure, railway or highway. The blaster shall comply with the Oklahoma Explosives and Blasting Regulation Act and implementing regulations thereof regarding flyrock.

**I.** A certified blaster and the Director shall be present during the firing of all blasts.

**J.** The permittee shall notify all property owners in the blasting area that a pre-blast survey is available to them. This notice shall be sent by certified mail, return receipt requested, at least ten (10) working days prior to the anticipated start of the blasting. The notice shall explain that a pre-blast survey is available, and give instructions for scheduling the survey. The notice shall state the anticipated dates of the blasting and specify the blasting location. The certified mail receipts stamped by the U.S. Postal Service or an affidavit wherein the permittee swears that the notification required by

this section has been made and the list of property owners in the blasting area from County tax records shall be furnished to the Director as proof of compliance with this requirement.

**1.** If the dates of blasting are changed following the notice required by this section, then a notice which specifies the revised dates of blasting shall be mailed to property owners in the blasting area in sufficient time to provide them forty-eight (48) hours notice of the blasting.

**2.** The permittee shall also give notice of his intent to blast by posting a notice at the blasting site at least seven (7) calendar days before the date of the proposed blasting. The notice shall state:

**a.** The dates and anticipated duration of blasting, and place of the proposed blasting; and

**b.** Who will conduct the proposed blasting, identified by the name of a contact person, a physical address and a telephone number; and

**c.** Instructions on how the reader can contact the blaster and the Director, including a physical address and a telephone number.

**K.** Except as otherwise authorized by the Director for good cause shown, all blasting activities shall be limited to daylight hours, but no later than 7:00 p.m., Monday through Saturday.

**L.** The permittee shall monitor any blasting that occurs within the blasting area. Such monitoring must be overseen by a certified blaster and shall measure blast-induced vibration by means of an instrument that senses and records particle velocity in three (3) mutually perpendicular axes. Sound levels shall also be recorded. Violation of the ground vibrations or airblast levels shall be reported to the Director immediately.

**M.** The Director may conduct tests and shall observe any authorized blasting operations.

**N.** The permittee shall maintain a record of each blast. All records shall be maintained in conformance with the Oklahoma Explosives and Blasting Regulation Act and implementing regulations thereof. In addition, the permittee shall maintain evidence of the notifications required by this section. These records shall be available for inspection by the Director for a period of three (3) years following expiration of the blasting permit.

**O.** The permittee shall keep the blasting permit under file at the site or on display at all times where the blasting operation is located and shall make such permit readily available for inspection by the Director.

*(Ord. No. 19947)*

### Section 1306. Permit suspension and revocation.

A blasting permit may be revoked or suspended immediately upon occurrence of any of the following events:

**A.** A violation of any condition of the permit; or

**B.** A violation of any provision of this chapter or any other applicable law, ordinance, rule or regulation pertaining to the blasting project for which the permit is issued; or

**C.** The existence of any condition or doing of any act constituting fraud, or creating a nuisance or hazard, or endangering human life or the property of others.

**D. Notice and Order of Revocation or Suspension.** Upon the occurrence of any of the events above listed, the Director may cause to be served upon the permit holder a notice and order immediately suspending or revoking the permit, specifying the grounds for the suspension or revocation, and advising the holder that he is entitled to a hearing before the Director at a time, place and date specified in the notice and order, and further advising the holder that if the holder fails to appear at the time, place and date therein specified, the Director's order for suspension or revocation of the holder's permit shall be final. The date of the hearing shall be no later than five (5) working days from the date of suspension or revocation.

**E. Hearing Before the Director.** At the hearing before the Director, the permit holder shall be afforded the opportunity to respond to the charges of the Director and to present information to show why his permit should not be revoked or suspended. After such hearing, the Director may either affirm, modify or reverse his order for suspension or revocation of the holder's permit, and shall notify the holder in writing of his decision within five (5) working days of the date of the hearing. The Director's decision shall be final unless the permit holder appeals the decision to the City Council as provided herein.

**F. Appeals.** An appeal shall be made by written notice filed with the City Clerk within ten (10) days of the decision of the Director. If no appeal is taken to the City Council as herein provided, the decision of the Director shall be final.

**G. Service.** Notices and orders required by this subsection shall be served upon each party concerned, either personally or by certified mail, addressed to the individual contracting party or permit holder at the address given on the permit application filed with the Director.

**H. Stop Work Order.** Upon the suspension or revocation of a blasting permit by the Director, the Director may issue a stop work order on all construction activity on the subject property which is related to the blasting and which is being performed pursuant to the suspended or revoked blasting permit.

**I. Future Eligibility.** Any permittee who has had his blasting permit revoked pursuant to this chapter shall not be eligible for another blasting permit for a period of one (1) year following such revocation.

*(Ord. No. 19947)*

## Section 1307. Appeals and variances.

**A. Appeals.** Any person who is aggrieved by a decision, requirement, ruling or interpretation of this chapter may request review thereof by the Director. The determination of the Director may be appealed to the City Council by written notice of appeal filed with the Office of the City Clerk within ten (10) days of decision by the Director.

**B. Variances.** The Director may grant one (1) or more variances from the terms of this chapter upon application and good cause shown by an applicant or permittee. A variance will only be granted if it will not cause detriment to the public good, safety or welfare, nor be contrary to the spirit, purposes and intent of this chapter where by

reason of unique and exceptional physical circumstance or condition of a particular property, the literal enforcement of the requirements of this chapter will result in an unreasonable hardship.

**1.** Application for a variance shall be made by the filing of a written request with the Director. Variances shall be granted only upon:

**a.** Showing of good and sufficient cause; and

**b.** A finding that failure to grant the variance would result in unreasonable hardship to the applicant or permittee; and

**c.** A finding that the granting of a variance would not result in additional threats to public safety, extraordinary public expense, creation of a nuisance, fraud or victimization of the public or conflict with existing local laws or ordinances.

Upon consideration of these factors, the Director may attach such conditions to the granting of a variance as he deems necessary to ensure compliance with the purpose and objectives of this chapter.

**C. Appeal and Variance Process.** Upon accepting a notice of appeal or an application for a variance, the Director shall:

**1.** Require the appellant or applicant to furnish the names and mailing addresses of all owners of the blasting site property and of all owners of the property within the blasting area as shown by County tax records; and

**2.** Schedule a hearing date before the Director within thirty (30) days of the application; and

**3.** Mail written notices to all owners of the blasting site property and to all owners of the property within the blasting area indicating that an appeal or variance has been requested and when a hearing will be held.

*(Ord. No. 19947)*

### Section 1308. Penalties.

**A. Penalty.** Unless otherwise provided herein, every person, firm, corporation or other legal entity violating any of the provisions of this chapter or conditions made pursuant thereto shall be guilty of an offense and, upon conviction, thereof shall be punished by imprisonment in the City jail for a period of not more than ninety (90) days and/or by a fine of not more than Five Hundred Dollars ($500.00), excluding costs.

**B. Fine or Imprisonment not Exclusive Remedies.** In addition to fine or imprisonment, the City may institute appropriate actions or proceedings at law or equity to enforce the provisions of this chapter to correct violations thereof. The conviction and punishment of any person hereunder shall not relieve the person of the responsibility to correct prohibited conditions or to remove prohibited buildings, structures, obstructions or improvements nor prevent the enforcement, correction or removal thereof.

*(Ord. No. 19947)*

### Section 1309. Warning and disclaimer of liability.

The City recognizes that, although the degree of control on explosive detonation required by this chapter is considered reasonable for regulatory purposes and is based on scientific and engineering considerations, on rare occasions excessive airblast overpressures, ground

vibrations and dust can and will occur. These provisions do not imply that land outside the blasting areas or that uses permitted within such areas will be free from damages. These provisions shall not create liability on the part of the City or any officer or employee thereof for any blasting damages that result from reliance on this chapter or any administrative decision lawfully made thereunder.

*(Ord. No. 19947)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

# CHAPTER 14. LICENSING OF SIGNS WITHIN THE CENTRAL BUSINESS DISTRICT RIGHTS-OF-WAY

Section 1400. Grant of license for signs within Central Business District rights-of-way.
Section 1401. Definitions.
Section 1402. Application.
Section 1403. Restrictions and conditions.

## Section 1400. Grant of license for signs within Central Business District rights-of-way.

Any sign as defined in this chapter shall, subject to the provisions of this chapter, be licensed and permitted by the City to be installed, used and maintained within public rights-of-way located in the Central Business District, without entering into a separate license and removal agreement with the City. The provisions of this chapter are enacted by the City Council consistent with the authority granted by the City's 1989 Amended Charter and Amendments, Article VIII, Section 13, "Permits". As such, the license issued pursuant to this ordinance shall be revocable by the Council at will.

*(Ord. No. 22419, § 1, 4-21-2011)*

## Section 1401. Definitions.

As used in this chapter:

**Central Business District:** Central Business District shall mean that area of land lying within the Inner Dispersal Loop (IDL), Tulsa, Oklahoma, bounded by a street network on the east by the east leg of the IDL, part of U.S. Highway 75 South/ Interstate Highway 444 (I-444); on the west by U.S. Highway 64 West/ Oklahoma State Highway 51 West/ Interstate Highway 244 (I-244); on the north by U.S. Highway 412 East/ I-244; and on the south by the Broken Arrow Expressway, U.S. Highway 64 West/U.S. Highway 75 South/ Oklahoma State Highway 51 West, part of I-444.

**Rights-of-way:** Rights-of-way shall mean the surface, the airspace above ground, and the area below the surface of any public street, highway, parkway, lane, path, alley, sidewalk, boulevard, drive, bridge, tunnel, adjacent easement, or similar property in which the city now or hereafter holds a property interest or a maintenance responsibility.

**Sign:** Sign shall mean only a "projecting sign", a "roof sign", or a "wall sign" as defined in Title 42 Tulsa Revised Ordinances, "Zoning and Property Restrictions".

*(Ord. No. 22419, § 1, 4-21-2011)*

## Section 1402. Application.

Any person requiring a license to permit a sign in rights-of-way located within the Central Business District shall make application for a sign permit as required in Title 51 Tulsa Revised Ordinances, "Building Code", Section 3107 *et seq*.

*(Ord. No. 22419, § 1, 4-21-2011)*

## Section 1403. Restrictions and conditions.

The following restrictions and conditions shall apply and be made a part of the permit authorizing the use of Central Business District rights-of-way for placement of a sign:

**A.** No sign shall be placed so as to interfere with pedestrian or vehicular traffic along any rights-of-way;

**B.** No maintenance costs associated with the sign shall be paid by the City;

**C.** The City shall bear no cost of future maintenance of that portion of the rights-of-way impacted by the placement of a sign and such maintenance shall be the exclusive responsibility of the owner of the land to which the sign is attached, or on which the sign is located;

**D.** No liability for property damage or personal injury arising out of the installation or maintenance of the sign placed in the rights-of-way shall attach to the City, but shall be the exclusive responsibility of the owner of the land to which the sign is attached, or on which the sign is located;

**E.** Permission for the placement of a sign as authorized in this chapter does not waive any privileges or rights in favor of the City, public utilities or franchise holders, their agents, servants and employees in, to or under the subject rights-of-way;

**F.** In the event it becomes necessary for any public purpose, including but not limited to construction, installation, maintenance, repair or discontinuance of utilities over, upon or in the rights-of-way occupied or impacted by a sign, in whole or in part, to remove the sign for the reason that it interferes with the privileges or rights of the City, its agents, servants and employees, including public utilities companies or franchise holders, the sign shall be timely removed by the owner of the land to which the sign is attached, or on which the sign is located. In the event the removal is not accomplished as required in this subsection, the sign may be removed by the City, its agents, servants or employees, including public utility companies, franchise holders, or their independent contractors, at the expense of the person who is the owner of the land to which the sign is attached, or on which the sign is located;

**G.** The owner of the land to which the sign is attached, or on which the sign is located, shall defend any and all claims, liabilities, suits at law or equity brought against the City, its agents, servants or employees, including public utility companies or franchise holders, resulting from the operation, construction, installation or maintenance of such sign by the owner or third parties, and shall further indemnify the City, its agents, servants or employees, including public utility companies and franchise holders, for any damages suffered as a result thereof.

*(Ord. No. 22419, § 1, 4-21-2011)*

## CHAPTER 15. SIDEWALK CAFE AND TABLE AND CHAIR PERMITS IN THE RIGHT-OF-WAY

Section 1500. Purpose and intent of this chapter.
Section 1501. Delegation of authority to grant licenses for sidewalk cafes and table and chair area seating.
Section 1502. Definitions.
Section 1503. Permit required.
Section 1504. Permit application.
Section 1505. Site plan requirements.
Section 1506. Operations.
Section 1507. Proof of insurance and indemnity.
Section 1508. Permit administration and issuance.
Section 1509. Appeal.
Section 1510. Temporary sidewalk café.

### Section 1500. Purpose and intent of this chapter.

It is the purpose and intent of this chapter to protect public safety, to maintain safe and ready availability of City rights-of-way to the general public, and to permit local eating and drinking establishments to provide sidewalk seating for their customers and others, thereby contributing to a vital, walkable, healthy city, while setting policies, articulating safeguards, and streamlining procedures for the issuance of permits by Staff.

*(Ord. No. 23920, § 1, 5-23-2018; Ord. No. 24436, § 1, 9-2-2020)*

### Section 1501. Delegation of authority to grant licenses for sidewalk cafes and table and chair area seating.

The City Council hereby delegates to staff the authority to permit a sidewalk café, or table and chair area to be installed, used and maintained within a public right-of-way, as provided in City Charter, Article VIII, Section 13, "Permits", without the need for a prolonged separate license and removal contract with the City, so long as it conforms to policies and safeguards established by this chapter, and does not unreasonably interfere with the public's use of the public right-of-way. Any license issued pursuant to this chapter shall be revocable by the City at will.

*(Ord. No. 23920, § 1, 5-23-2018; Ord. No. 24436, § 1, 9-2-2020)*

### Section 1502. Definitions.

**A. ABLE Commission** means the Alcoholic Beverage Laws Enforcement Commission, an agency of the State of Oklahoma.

**B. Health Department** means the Tulsa Health Department.

**C. Manual** is a booklet of policies, specifications and requirements, prepared by staff, which must be complied with before a sidewalk café or table and chair permit can be issued.

**D. Permit (also known as a license)** is written authorization by the Tulsa Planning Office, or its successor, to a business or individual, to occupy or use portions of the right-of-way for a private purpose; provided such use does not unreasonably interfere with the public use thereof. Permits shall be revocable at the will of the City.

**E. Right-of-way (or rights-of-way)** means the surface, the airspace above ground, and the area below the surface of any public street, highway, parkway, lane, path, alley, sidewalk, boulevard, drive, bridge, tunnel, adjacent easement, public place or similar property which is open for public use and in which the City of Tulsa now or hereafter holds a property interest or a maintenance responsibility.

**F. Sidewalk café** means an open-air seating area located on a sidewalk directly adjacent to a business. A sidewalk café is operated by the adjacent business and allows for food and beverages to be served outside of the establishment through seating that is restricted to patrons of the establishment exclusively. A sidewalk café can be surrounded by a fence or other perimeter to define and separate it from the pedestrian zone as permitted or required by ordinance, state law and the regulations of the ABLE Commission. A sidewalk cafe operator that desires to serve alcohol must be in compliance with all ABLE requirements. The sidewalk café and its furnishings are maintained by the establishment.

**G. Staff:** Personnel of the Tulsa Planning Office and/or City of Tulsa whose duties include reviewing sidewalk café and table and chair permit applications and all required documentation to ensure compliance with the programs.

**H. Table and chair (or table and chair area)** means a type of outdoor seating located on the City's right-of-way and permitted by the City of Tulsa. Table and chair area does not offer table service to users, it is not separated by a fence or other perimeter from the pedestrian zone, and the furniture is available for use by the general public. The furniture comprising the table and chair area is maintained by the establishment.

**I. Temporary sidewalk café** means open-air seating located on a sidewalk directly adjacent to a business on a short-term basis. A temporary sidewalk café is operated by the adjacent business and allows for food and beverages to be served outside of the establishment through seating that is restricted to patrons of the establishment exclusively. Temporary sidewalk café permits shall not be issued for more than a one hundred twenty-day period per applicant. In the event the Mayor declares a civil emergency, the Council may waive or extend the one hundred twenty-day time limitation only for the duration of the civil emergency declaration.

**J. Tulsa Planning Office** means department of the Indian Nations Council of Governments (INCOG) which administers the zoning and land-use planning processes for the City of Tulsa and staffs the Tulsa Metropolitan Area Planning Commission and the City of Tulsa Board of Adjustment. The Tulsa Planning Office is located within the offices of INCOG.

*(Ord. No. 23920, § 1, 5-23-2018; Ord. No. 24436, § 1, 9-2-2020)*

## Section 1503. Permit required.

No person shall operate or maintain a sidewalk café, or table and chair area, without first obtaining a permit from the Tulsa Planning Office, or through the self-certification process for a temporary sidewalk café. Staff shall produce, and shall distribute to permit applicants, a manual of parameters, terms and conditions which must be satisfied by applicants before a permit may issue. Sidewalk café permits and table and chair permits may not be transferred or assigned.

*(Ord. No. 23920, § 1, 5-23-2018; Ord. No. 24436, § 1, 9-2-2020)*

## Section 1504. Permit application.

An individual or business seeking a sidewalk café permit or table and chair permit shall submit to the Tulsa Planning Office the following documents, as determined by staff:

**A.** Application form.

**B.** Responsible party agreement.

**C.** Property owner consent.

**D.** Site plan (per Section 1505, below), with photographs (three (3) minimum).

**E.** Current certificate of insurance and endorsement.

**F.** Authorization from the Health Department (for outdoor food service).

**G.** Application fee, as provided in Title 49 Tulsa Revised Ordinances (see Fee Chart in Manual).

**H.** Extension of premises drawing to ABLE (if serving alcohol).

**I.** Pictures or brochures of proposed furniture.

An individual or business seeking a temporary sidewalk café permit shall complete a self-certification form and submit items C., E., F., G., and H. of Section 1504, as well as at least three (3) photographs of the proposed temporary sidewalk café location, with at least one (1) photograph showing the view from the street directly in front of the proposed location, and one (1) photograph from each side of the proposed temporary sidewalk café location showing the sidewalk view each direction.

*(Ord. No. 23920, § 1, 5-23-2018; Ord. No. 24436, § 1, 9-2-2020)*

## Section 1505. Site plan requirements.

Each application, with the exception of temporary sidewalk cafés, shall be accompanied by a site plan, containing the information below. The purpose of the site plan is to demonstrate compliance with all layout requirements. All standards must be met, for an application to be approved. The site plan must show:

**A.** Location of existing street fixtures and utilities (e.g., utility poles, vaults, manholes, parking pay stations, bus shelters, sign posts, tree pits) and their distance from the nearest edge of the proposed area of operation. Contact with OKIE811 or other underground utility location service may be necessary.

**B.** Width of the adjacent sidewalk (from face of building to back of curb).

**C.** Distance from the proposed area of operation to the nearest intersection. Area must be in compliance with "sight-distance triangle" requirements found in Title 24 TRO, "Nuisances" Section 103.

**D.** Name and location of adjoining streets and alleys.

**E.** North arrow and scale.

**F.** Proposed location of all associated elements including tables, fencing, umbrellas, planters, chairs and signage, and shall demonstrate that such elements do not impair pedestrian passage.

**G.** An unobstructed corner-curb-radius area, unless the Traffic Engineer determines that the area outside of the pedestrian zone is not required to facilitate pedestrian movement.

**H.** A pedestrian zone at least five (5) feet wide is required. Staff may require a larger pedestrian zone as conditions warrant.

**I.** Distances, which shall provide: Five (5) feet from bus stop, handicapped parking, commercial loading zone, parking meter, pay station, traffic sign, utility pole, bike rack, and other street fixture, and curb ramp. Fire hydrants must comply with Title 13 TRO, "Fire Department" Section 202.

**J.** Area of operation (shown with dashed line around sidewalk cafe or table and chair area).

**K.** Adjacent building façade and door swing (including name labels and dimensions for both).

**L.** The clear path of travel from a building exit, which shall be at least three (3) feet wide or the width of the building exit door, whichever is wider. The path of travel from the building exit door to the sidewalk shall be free of obstructions.

**M.** ABLE requirements, if applicable (sidewalk café only).

**N.** Pictures or brochures of proposed furniture.

**O.** Seating platforms are not encouraged. Sidewalk sites that require leveling due to site topography shall be considered on a case-by-case basis, and additional permitting may be required. Any platform must comply with Federal ADA Design Standards.

*(Ord. No. 23920, § 1, 5-23-2018; Ord. No. 24436, § 1, 9-2-2020)*

**Section 1506. Operations.**

**A.** The proposed sidewalk café or table and chair area activity shall not violate the Americans with Disabilities Act.

**B.** Amplified sound may not exceed sixty-five (65) decibels within the area of operation. Sound equipment must be installed temporarily within the area of operation and may not encroach into any path of travel.

**C.** The permittee shall not locate electrical lines overhead or on the ground surface where the public has access to the public place.

**D.** Staff may, as deemed appropriate, condition the sidewalk café permit or table and chair permit to address the:

**1.** Fencing and/or furniture, which shall be kept in good repair, and in a clean and safe condition.

**2.** Hours of operation and days of use.

**3.** Impacts associated with the sidewalk café or table and chair area activity from: Lighting, noise, or the placement of signage, furniture, or equipment.

**4.** Need for repairs or improvements to the public place in order to accommodate the sidewalk café or table and chair area to ensure access to the use complies with the Americans with Disabilities Act; or

**E.** Unless expressly authorized by the staff, no public place surface shall be broken or disturbed, and no permanent fixture of any kind shall be installed in or on the public place in connection with a sidewalk café or table and chair area.

*(Ord. No. 23920, § 1, 5-23-2018; Ord. No. 24436, § 1, 9-2-2020)*

## Section 1507. Proof of insurance and indemnity.

The applicant shall provide a certificate of insurance evidencing at least One Million Dollars ($1,000,000.00) of commercial general liability insurance coverage, per occurrence, while the permit is in effect, including potential claims for bodily injury, death, or disability and property damage which could occur at or be related to either the sidewalk café or table and chair area. The insurance policy shall be issued by an insurance company licensed to do business in the State of Oklahoma. Each policy shall provide by endorsement that thirty (30) days' prior written notice of cancellation shall be delivered by the insurer to the City of Tulsa, except that ten (10) days' prior written notice of cancellation shall be provided by the insurer to the City of Tulsa for nonpayment of premium. All certificates of insurance submitted must be approved by the Tulsa Planning Office. Any deficient certificates of insurance must be corrected as required by the Tulsa Planning Office. If any issue arises as to insurance coverage submitted which cannot be resolved by the Tulsa Planning Office, the matter shall be referred to the Office of the City Attorney for review and further requirements.

The applicant shall agree to indemnify and hold the City of Tulsa, its officials, officers, employees, and agents harmless against any liability, claims, causes of action, judgments, or expenses, including reasonable attorney fees, resulting directly or indirectly from any act or omission of the permittee, its subcontractors, anyone directly or indirectly employed by them, and anyone for whose acts or omissions they may be liable, arising out of the applicant's use or occupancy of the public place.

*(Ord. No. 23920, § 1, 5-23-2018; Ord. No. 24436, § 1, 9-2-2020)*

## Section 1508. Permit administration and issuance.

Staff shall review the application and may request correction, clarification or further information. Staff shall visit the site to ensure the layout meets standards. After review is complete, Staff will either:

Approve the application;

Approve the application with modifications. Modifications could include dimensional changes or repair of existing sidewalks in advance of café installation; or

Deny the application.

The sidewalk café or table and chair area cannot be installed until all applicable fees have been collected and an approved sidewalk café permit or table and chair permit has been issued, or until a temporary sidewalk café self-certification form has been submitted to the Tulsa Planning Office together with all other documentation required by Section 1504 of this chapter. Businesses applying for a temporary sidewalk café permit may commence operations on a provisional basis upon submission of a complete self-certification form to the Tulsa Planning Office and all other documentation required by this chapter or the manual, including insurance certificate. Upon staff review and approval of the self-certification form, insurance certificate, photographs of the proposed temporary sidewalk cafe location, payment of required fees, and any other requirements set forth in this chapter or the manual, staff may issue a temporary sidewalk cafe permit. The applicant shall also submit photographs of the temporary sidewalk cafe location from each side of the sidewalk cafe to the Tulsa Planning Office within five (5) calendar days after installation of the same. A temporary sidewalk cafe permit may be suspended or revoked by the Tulsa Planning

Office if a temporary sidewalk cafe is not in compliance with this chapter or the manual, and such compliance is not achieved within twenty-four (24) hours after notice of such deficiency is delivered by the Tulsa Planning Office to the operator of the temporary sidewalk cafe. Staff will make a visit to the self-certified temporary sidewalk cafe site to view existing site conditions and can require changes to ensure compliance with program requirements.

A decision will be made no later than thirty (30) days after application submission for a sidewalk café and/or table and chair area annual permit. Upon approval, a post-approval inspection will be made by staff within sixty (60) days after approval. The permit must be kept on-site and made available to be viewed upon request.

A sidewalk café permit or table and chair permit expires if: The business changes ownership; if the permit duration expires; any terms or conditions of the permit are violated, or permit fees are not paid as required. All permit-related furniture shall be removed from the public right-of-way when the permit expires.

All sidewalk café permits or table and chair permits authorized by this chapter are of a temporary nature, vest no permanent rights, and are revocable as provided for in Article VIII, Section 13 of the City Charter. Staff may suspend any sidewalk café permit or table and chair permit for transportation mobility or public safety purposes; or to coordinate with: Permitted special events, parade permits or any other permitted activity.

*(Ord. No. 23920, § 1, 5-23-2018; Ord. No. 24436, § 1, 9-2-2020)*

**Section 1509. Appeal.**

Any aggrieved party ("aggrieved party" being an adjacent business or property owner within three hundred (300) feet of the proposed sidewalk café or table and chair location, or an applicant whose sidewalk café or table and chair application was denied and referred to in this subsection as "appellant") may request a review or reconsideration of a permit decision. A request for reconsideration of a permit decision shall be made to the Tulsa Planning Office, by submitting a reconsideration application in such form as approved by the Tulsa Planning Office within ten (10) calendar days after the date of the original permit decision or the appeal will not be acted upon. The appellant must: (1) identify the Permit application that is requested for reconsideration by the Permit number and the address of the sidewalk café or table and chair area as set forth in the permit application; (2) the specific objections to the original decision of the Tulsa Planning Office; and (3) the specific actions being proposed by the applicant/appellant that could change the permit decision. A decision concerning the reconsideration of a permit decision shall be made within fifteen (15) business days by the Director of the Tulsa Planning Office, or their designee, after the application for reconsideration is received. The Director of the Tulsa Planning Office, or their designee, shall either affirm the original permit decision or shall reverse the original permit decision. If the original permit decision is affirmed after reconsideration, the appellant may appeal the permit decision to the City Council by submitting a complete appeal application in such form as is approved by the City of Tulsa to both the Tulsa Planning Office and the Office of the City Clerk. The appeal of reconsideration of a permit decision must be submitted in writing within ten (10) calendar days of the date of the reconsideration decision, or such appeal will not be heard by the City Council. The appellant must: (1) identify the permit application that is the subject of the appeal by the

permit number and the address of the sidewalk café/table and chair area as set forth in the permit application; (2) the specific objections to the original decision of the Tulsa Planning Office; and (3) if applicable, the specific actions being proposed by the applicant/appellant that could change the permit decision. The City Council will schedule the appeal within thirty (30) calendar days after the appeal is received by the City Clerk.

*(Ord. No. 23920, § 1, 5-23-2018; Ord. No. 24436, § 1, 9-2-2020)*

## Section 1510. Temporary sidewalk café.

Temporary sidewalk cafés shall be in strict compliance with the requirements set forth for temporary sidewalk cafés in this chapter, as well as other requirements or restrictions set forth in the manual. An Applicant shall prepare and submit a complete temporary sidewalk café self-certification form and shall attest and affirm that the applicant meets all requirements and is responsible for and will adhere to these requirements for the duration of the temporary sidewalk café permit. Staff will make a visit to the self-certified temporary sidewalk cafe to view existing site conditions and can require changes to ensure compliance with this chapter and the manual. A temporary sidewalk café permit may be suspended or revoked by the Tulsa Planning Office if a temporary sidewalk café is not in compliance with this chapter and the manual, and such compliance is not achieved within twenty-four (24) hours after notice of such deficiency is delivered to the applicant or permit holder by the Tulsa Planning Office.

*(Ord. No. 23920, § 1, 5-23-2018; Ord. No. 24436, § 1, 9-2-2020)*

## CHAPTER 16. SMALL WIRELESS COMMUNICATIONS FACILITIES*

Section 1600. Purpose.
Section 1601. Definitions; equivalent terms.
Section 1602. State law governs; City of Tulsa Permitting Authority.
Section 1603. Fees.
Section 1604. City of Tulsa's right-of-way occupancy.
Section 1605. Small wireless communications facilities mounted on City of Tulsa poles.
Section 1606. Small wireless communications facilities subject to City Zoning, when.
Section 1607. Underground placement.
Section 1608. Underground damage prevention.
Section 1609. Repair and restore.
Section 1610. Historic districts.
Section 1611. Processing of permit; time limits.
Section 1612. Denial of permit; reasons for denial.
Section 1613. Rescission after approval.
Section 1614. Emergency.
Section 1615. Duty to indemnify, defend and hold harmless.
Section 1616. Insurance.
Section 1617. Identification on pole or other structure.
Section 1618. Abandoned facilities.
Section 1619. Change in ownership.
Section 1620. Reference not exclusive.
Section 1621. Waiver of underground requirements.
Section 1622. Appeal to the City Council.

### Section 1600. Purpose.

The purpose of this chapter is to provide for the efficient, fair and safe placement and regulation of small wireless communications facilities within the City of Tulsa, in accordance with the Oklahoma Small Wireless Facilities Deployment Act, Title 11 Oklahoma Statutes, Sections 36-501 through 36-512, as amended from time to time (herein referred to as the "State Act"), and Final Rules of the Federal Communications Commission ("FCC"), adopted September 26, 2018.

*(Ord. No. 24060, § 1, 12-5-2018)*

### Section 1601. Definitions; equivalent terms.

The City of Tulsa adopts the definitions as set forth in Section 36-502 of the State Act, with the following exceptions: the term "small wireless communications", when used herein, shall have equivalent meaning to "small wireless" used in the State Act. The terms "locate", "attach" and "install", when used in this chapter, shall have equivalent meaning to "collocate" used in the State Act.

*(Ord. No. 24060, § 1, 12-5-2018)*

### Section 1602. State law governs; City of Tulsa Permitting Authority.

The City of Tulsa hereby adopts the State Act as governing small wireless communications facilities within the City of Tulsa. The City of Tulsa reserves the right to require providers

***Editor's note—**Ordinance No. 24060, § 1, adopted December 5, 2018, added a new chapter 15. However, such chapter has been designated as herein set out in this Title 11. Therefore, such ordinance has been redesignated as chapter 16.

of small wireless communications (that is, infrastructure providers and services providers) to obtain all applicable permits, including, but not limited to, zoning approval per Section 36-509, and building, right-of-way occupancy, and electrical permits, as authorized in subsections D. and E. of Section 36-504 and elsewhere in the State Act.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1603. Fees.**

As provided in Section 36-506 of the State Act, the application and permit fees for attachment of small wireless communications facilities to an existing or replacement City-owned pole shall be Two Hundred Dollars ($200.00) each for the first five small wireless communications facilities on the same application and One Hundred Dollars ($100.00) for each additional small wireless communications facility on the same application. The application and permit fees for the installation, modification or replacement of a utility pole and the attachment of an associated small wireless communications facility thereto shall be Three Hundred Fifty Dollars ($350.00) per pole for access to the right-of-way. The annual rate for occupancy of the right-of-way, including attachment of small wireless communications facilities to City-owned poles, shall be Twenty Dollars ($20.00) per small wireless communications facility. There shall be no rate charged for the installation, placement, maintenance, operation or replacement of micro wireless communications facilities that are strung on cables between existing utility poles, in compliance with the National Electrical Safety Code. Rates provided in this Section do not include any applicable charges for electric power; a wireless communications provider must pay separately for such services. The City may adjust the fees and rates it adopts under this Section by not more than ten percent (10%) every five (5) years, rounded to the nearest dollar.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1604. City of Tulsa's right-of-way occupancy.**

Any construction, installation, maintenance and/or replacement of facilities, as defined in Title 11 TRO Chapter 12, in City of Tulsa rights-of-way, including any damage to infrastructure, or disruption of traffic, shall require a Right-of-Way Occupancy Permit pursuant to Title 11 TRO Chapter 12, and the payment of all associated fees. This includes, but is not limited to, above- and below-ground structures and the stringing, hanging or burying of wires, cables, fiber optic cables, wireless communications facilities and micro wireless communications facilities, in or above the City of Tulsa's rights-of-way. The said Right-of-Way Occupancy Permit shall be in addition to any other permit required by this chapter or other law.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1605. Small wireless communications facilities mounted on City of Tulsa poles.**

Every small wireless communications provider wishing to install its facilities on a City of Tulsa-owned pole or "Authority pole" as defined in paragraph 6 of Section 36-502 of the State act, shall apply for the appropriate permit from the City of Tulsa, pursuant to Section 36-505 of the State Act. Said provider shall at its own expense obtain, and tender to the City of Tulsa as part of its application, a certificate from a professional engineer, stating

that the pole is ready to accept the increased loads caused by said facilities, or, in the alternative, that the pole can be made ready to accept such loads with modification or replacement, as determined by the engineer. The engineer shall also certify that the facilities will cause no interference with City of Tulsa traffic or systems. Said provider shall make ready the said pole and install said facilities at its own expense, and said engineer shall certify that the installation is acceptable. Any pole replacing a City of Tulsa-owned pole shall become the property of the City of Tulsa. The engineer shall be licensed to practice in the State of Oklahoma. See subsection D. of Section 36-504 of the State Act.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1606. Small wireless communications facilities subject to City Zoning, when.**

As provided in Sections 36-503, 36-504 and 36-509 of the State Act, proposed small wireless communications facilities and utility poles shall be subject to City of Tulsa's zoning ordinance review and approval/disapproval if they do not comply with the height restrictions in subsection E. of Section 36-503, or if they are proposed to be located on private property, zoned exclusively for residential single-family or duplex use.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1607. Underground placement.**

The City of Tulsa reserves the right to require small wireless communications providers to install their facilities underground, in accord with subsection H. of Section 36-503 of the State Act, and as further determined by Title 11 TRO Chapter 12, "Rights-of-Way Occupancy Management".

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1608. Underground damage prevention.**

All small wireless communications providers shall register and comply with the Oklahoma Underground Facilities Damage Prevention Act, Title 63 Oklahoma Statutes, Section 142.1 et seq., as applicable.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1609. Repair and restore.**

Pursuant to subsection K. of Section 36-503 of the State Act, small wireless communications providers shall repair all damage caused by their activities in the right-of-way, and shall restore the right-of-way to its previous state. If such a provider fails to make such repairs within a reasonable time, the City of Tulsa may perform said repairs and charge the provider the reasonable, documented cost of such repairs.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1610. Historic districts.**

Placement of small wireless communications facilities, wireless support structures or utility poles in designated City of Tulsa historic districts shall comply with subsection I. of Section 36-503 of the State Act.

*(Ord. No. 24060, § 1, 12-5-2018)*

## Section 1611. Processing of permit; time limits.

As found in FCC Final Rule Part 1, Subpart U, Section 1.6003 (d), City staff shall review for completeness any permit application to deploy small wireless communications facilities, and shall notify the applicant on or before the tenth ($10^{th}$) day after submission if the application is materially incomplete, and shall clearly and specifically identify the missing document or information, and the specific rule or regulation requiring such document or information. The ten-day limit (above) shall restart at zero on the date on which the applicant submits all the documents and information identified by City staff to render the application complete. As required by Section 36-504.D.7. of the State Act, an application shall be processed on a nondiscriminatory basis and deemed approved if the City fails to approve or deny the application within seventy-five (75) days of receipt of the application. Upon issuance of a City permit, a small wireless communications provider shall install its facilities and commence operation within one (1) year, as explained in subsection D. of Section 36-504, paragraphs 5 and 11.

*(Ord. No. 24060, § 1, 12-5-2018)*

## Section 1612. Denial of permit; reasons for denial.

As provided in Section 36-504 of the State Act, the City of Tulsa may deny a proposed installation/location of a small wireless communications facility or installation, modification or replacement of a utility pole that meets the height requirements in subsection E. of Section 36-503 of the State Act if the proposed installation/location:

**A.** Materially interferes with the safe operation of traffic control equipment or emergency management systems or devices;

**B.** Materially interferes with sight lines or clear zones for transportation or pedestrians;

**C.** Materially interferes with compliance with the Americans with Disabilities Act or similar federal or state standards regarding pedestrian access or movement;

**D.** Materially interferes with Federal Aviation Administration requirements or the operation of an airport or air traffic;

**E.** Fails to comply with reasonable and nondiscriminatory spacing requirements of general application adopted by ordinance that concern the location of new utility poles. Such spacing requirements shall not prevent a wireless provider from serving any location;

**F.** With respect to ground-mounted equipment, fails to comply with reasonable and nondiscriminatory requirements of general application adopted by ordinance that concern spacing of the ground-mounted equipment; interference with sight lines, clear zones or pedestrian access or movement; unhindered use of the right-of-way by other right-of-way occupants, including the authority; or design or concealment measures in a historic district;

**G.** Fails to comply with applicable codes, including without limitation the most recent version of the National Electrical Safety Code;

**H.** Causes the utility pole or wireless support structure to become structurally unsound, unless the applicant demonstrates that it will address the problem adequately, such as by modifying or replacing the structure; or

**I.** Materially interferes with the intended use of a City of Tulsa-owned pole.

**J.** Fails to comply with existing underground policy codified in Chapter 12, Section 1210 of this Title, which requires that facilities shall be installed underground in locations where existing utility facilities are installed underground, unless a waiver is approved by the Streets and Stormwater Director or other person designated by the Mayor to enforce the provisions of this chapter, as provided in Section 1621 of this chapter.

The City of Tulsa shall process any denial, and the provider's cure of any deficiency, as stated in subsection D.9. of Section 36-504 of the State Act. Deadlines shall be tolled as provided in subsections D.6. and D.7. of Section 36-504 of the State Act.

*(Ord. No. 24060, § 1, 12-5-2018; Ord. No. 24949, § 1, 11-2-2022)*

**Section 1613. Rescission after approval.**

The City of Tulsa reserves the right to rescind a duly issued permit, and/or order relocation of a small wireless communications facility or structure at the sole expense of the provider, for any of the reasons listed in Section 1612 (above) if discovered after the issuance of the permit, or if other unforeseen conditions occur which affect public safety or City of Tulsa operations. The City of Tulsa shall give reasonable notice to a provider, of any such rescission or order.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1614. Emergency.**

In an emergency, the City of Tulsa shall take action necessary to protect life, property, public safety and public services, and shall notify a wireless communications provider of such action at the earliest opportunity. "Emergency" as used herein shall mean a condition that poses a clear and immediate danger to life or health, or of a significant loss of property, or requires immediate repair or replacement in order to restore service to the public or a customer.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1615. Duty to indemnify, defend and hold harmless.**

As allowed by Section 36-512 of the State Act, the City of Tulsa shall require a small wireless communications provider to defend, indemnify and hold harmless the City of Tulsa and its officers, agents and employees against any claims, demands, damages, lawsuits, judgments, costs, liens, losses, expenses and attorney fees resulting from the installation, construction, repair, replacement, operation or maintenance of small wireless communications facilities, wireless support structures or utility poles to the extent caused by the provider, its contractors, subcontractors and their officers, employees or agents. The provider shall have no obligation to defend, indemnify or hold harmless the City of Tulsa, its officers, agents or employees against any liabilities or losses due to or caused by the sole negligence of the City of Tulsa or its employees or agents.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1616. Insurance.**

Providers shall obtain insurance coverage, and shall maintain same during the term of any permit authorized herein. Said insurance policy shall be issued by an insurer licensed to do business in the State of Oklahoma, and shall name the City of Tulsa as additional insured. The amount of such insurance coverage shall be as set forth in Titles 35 and 49 TRO.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1617. Identification on pole or other structure.**

Every small wireless communications provider within the City of Tulsa shall identify itself on any pole or other structure used in its small wireless communications business, including said provider's full legal name and emergency contact information. Such identification shall be placed in a conspicuous place on the pole or other structure, in a permanent, all-weather medium and readily visible to the naked eye. Any small wireless communications provider who purchases or leases, or otherwise succeeds to ownership or control of, such a pole or other structure, shall keep said identification accurate and current. Placement of the required identification on a pole or other structure shall be at a height of five (5) feet, measured from ground level. Any deviation from the required height of identification must be approved by the City of Tulsa.

*(Ord. No. 24060, § 1, 12-5-2018; Ord. No. 24949, § 2, 11-2-2022)*

**Section 1618. Abandoned facilities.**

Pursuant to subsection L. of Section 36-503 of the State Act, any small wireless communications provider, owning a utility pole or wireless support structure located in the City of Tulsa, shall remove said utility pole or wireless support structure, and any associated equipment, upon abandonment or discontinuance of use, and shall notify the City of Tulsa of said discontinuance and removal. The City of Tulsa may notify the small wireless communications provider of suspected abandonment, and may demand such removal. If the small wireless communications provider neither removes the utility pole or wireless support structure, nor notifies the City of Tulsa that the utility pole or wireless support structure has not been abandoned, the City of Tulsa may remove the utility pole or wireless support structure, take ownership of the small wireless facility and assess the cost of removal to the provider.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1619. Change in ownership.**

Any small wireless communications provider who sells or leases out any small wireless communications facility, utility pole or wireless support structure, and any person or entity who purchases, or otherwise succeeds to ownership or control of, such facility, pole or other structure, shall forthwith notify the City of Tulsa of said sale, purchase or other transaction.

*(Ord. No. 24060, § 1, 12-5-2018)*

**Section 1620. Reference not exclusive.**

In any section of this chapter, a citation to one or more provisions of the State Act shall not be construed as to exclude any other applicable provisions of the State Act.

*(Ord. No. 24060, § 1, 12-5-2018)*

## Section 1621. Waiver of underground requirements.

Small wireless communications facilities providers may seek a waiver of the underground requirements, if applicable, for the placement and installation of a new utility pole to support small wireless communications facilities, by submitting to the Director of the Streets and Stormwater Department, or other person designated by the Mayor to enforce the provisions of this chapter, a properly-completed application for waiver of underground requirements for a specific location, together the following documentation:

**A.** A report from a professional engineer licensed in the State of Oklahoma, demonstrating or evidencing the following:

**1.** That installation of the small wireless communications facilities at the specified location is necessary to provide wireless communications service in that area, and that moving the small wireless communications facilities to a different location would materially prohibit wireless communications services to that area;

**2.** The specific conditions that would make an underground small wireless communications facility at the specified location unsafe, impractical, or technically infeasible; and

**3.** That collocation of small wireless communications facilities on any other utility poles in the area would be technically infeasible, even with replacing an existing utility pole, or that collocation is not possible; and

**B.** A design or plan prepared by a professional engineer licensed in the State of Oklahoma evidencing that the installation of a new utility pole to support small wireless communications facilities is in compliance with location, material, design and concealment criteria applicable to utility poles as set forth in Section 1210, Titled "Engineering Standards" of Chapter 12, in Title 11, TRO.

Upon review of the waiver application and all supporting documentation submitted by the small wireless communications provider, the Director of the Streets and Stormwater Department or other person designated by the Mayor to enforce the provisions of this chapter shall determine if a waiver of the requirement to install facilities underground for the specified location should be granted or denied. If a waiver is to be granted, the Director shall specify design, setback, concealment, notification, and any other required conditions of the waiver. Written notice of the Director's decision shall be provided to the applicant. If the waiver application is denied, the applicant may within ten (10) business days after the date of denial submit a written Notice of Appeal to the City Council. The written Notice of Appeal must state the basis of the appeal.

*(Ord. No. 24949, § 3, 11-2-2022)*

## Section 1622. Appeal to the City Council.

**A.** An applicant whose request for a waiver of the underground requirement has been denied by the Director of the Streets and Stormwater Department or other person designated by the Mayor to enforce the provisions of this chapter may appeal such denial to the City Council by filing two (2) copies of a written Notice of Appeal with the City Clerk, stating the basis of the appeal. A hearing on the appeal shall be heard by the City Council no later than thirty (30) calendar days from the date of filing of the appeal unless such later date is agreed to by the appellant. Notice of the date, time, and place of the hearing of the appeal shall be mailed to the appellant at the address listed

in the Notice of Appeal. Only the issues raised as the basis of the appeal and the documents submitted to and considered by the Director of the Streets and Stormwater Department or other person designated by the Mayor to enforce the provisions of this chapter shall be reviewed and heard by the City Council.

**B.** The Council shall hold a hearing on the applicant's appeal and may then affirm the denial or grant the waiver requested, subject to any lawful conditions the Council may require.

*(Ord. No. 24949, § 4, 11-2-2022)*

## CHAPTER 17. PARKLET PERMITS IN THE RIGHT-OF-WAY

Section 1700. Title; overview and purpose.
Section 1701. Delegation of authority to grant permits for the construction and use of parklets.
Section 1702. Definitions.
Section 1703. Parklet permit required.

### Section 1700. Title; overview and purpose.

**A. Title.** This chapter may be cited as the "Parklet Permit Program."

**B. Overview and purpose.** The purpose and intent of this chapter is to protect public safety, to maintain safe and ready availability of City rights-of-way to the general public, and to permit local establishments to provide additional seating for their customers and others by way of the construction of platforms in one or more on-street parking spaces, where appropriate, which extend to the sidewalk (a "Parklet") to provide additional space for tables, seats and other public amenities. The utilization of parklets will offer residents and visitors to Tulsa the opportunity to stop, sit and enjoy the surrounding neighborhood street life, thereby contributing to a vibrant, active and walkable City as well as to encourage economic development. The Parklet Permit Program (the "Parklet Program") is hereby implemented to allow the use of parklets, both public and private, while setting policies and requirements, providing safeguards, and a procedure for the issuance of parklet permits by staff.

*(Ord. No. 24399, § 1, 6-17-2020; Ord. No. 24437, § 1, 9-2-2020)*

### Section 1701. Delegation of authority to grant permits for the construction and use of parklets.

The City Council hereby delegates to staff the authority to issue permits for parklets to be constructed, installed, used and maintained within a public right-of-way, as provided in Article VIII, Section 13 of the Tulsa City Charter, so long as the proposed parklet conforms to the policies and safeguards established by this chapter, and does not unreasonably interfere with the public's use of the public right-of-way. Any permit issued pursuant to the Parklet Program shall be revocable by the City at will.

*(Ord. No. 24399, § 1, 6-17-2020; Ord. No. 24437, § 1, 9-2-2020)*

### Section 1702. Definitions.

For the purposes of this chapter, the following words and terms have the meanings ascribed to them by this section; words and terms not defined here have the meanings given to them, first in Tulsa Revised Ordinances, next, the applicable laws of the State of Oklahoma, and lastly, by common and ordinary usage and understanding:

**A. Applicant:** A person, firm, corporation, or other legal entity who is requesting formal approval to construct, install, use and maintain a parklet.

**B. Director:** The Director of the Tulsa Planning Office, or the successor to such Director.

**C. Fee:** The charge to applicants for a parklet permit or other authorizations issued by the City of Tulsa as provided in the Revised Ordinances of the City of Tulsa.

**D. Manual:** The document approved by the Tulsa Planning Office and the Tulsa City Council detailing the processes, duties, responsibilities and compliance requirements related to the Parklet Program.

**E. Ordinance:** A legislative act of the City Council of the City of Tulsa which has become effective in accordance with the Amended Charter of the City of Tulsa.

**F. Owner:** The owner of the real property which is adjacent to the location of a parklet.

**G. Parklet:** A small platform which occupies one or more on-street parking spaces, and which extends from the edge of the sidewalk to provide space for seating, tables, or other amenities. A parklet may also act as a sidewalk extension beyond the curb line to be used as a pedestrian thoroughfare. Parklets must be located adjacent to an operating business and cannot operate as a stand-alone business.

**H. Parklet permit program:** The processes outlined in Chapter 17 of Title 11 and the manual for the purposes of issuance of a permit for the construction, installation, operation and maintenance of a parklet.

**I. Permit:** Written authorization from the Tulsa Planning Office, or its successor, approving the construction, installation, operation and maintenance of a parklet in accordance with this chapter and the manual. A permit is effective from the date of approval through March 31st of the year of issuance of the permit or the next year, whichever is first, unless earlier revoked by the City of Tulsa. A permit may be issued for either a private parklet or a public parklet.

**J. Permit holder:** A person or entity who has been issued a valid permit.

**K. Private parklet:** A parklet which is solely utilized by a business during its operating hours and is open to the public during its non-operating hours. A private parklet permit allows the holder to provide table service of food, non-alcoholic beverages, and alcoholic beverages as permitted by ordinance, state law and the regulations of the Alcoholic Beverage Laws Enforcement Commission (ABLE Commission). Cooking and preparation of food or beverages within a private parklet is not permitted.

**L. Public parklet:** A parklet that is a public space at all times and cannot be utilized by an adjacent business. Table service of food or beverage is not permitted within a public parklet. Any parklet that is used as a pedestrian thoroughfare must be a public parklet.

**M. Staff:** Personnel of the Tulsa Planning Office and/or the City of Tulsa whose duties include reviewing parklet permit applications and all required documentation, reviewing site conditions, parklet design review, and ensuring compliance with the Parklet Permit Program.

**N. Temporary parklet:** One or more on-street parking spaces which provide space for seating, tables, or other amenities on a short-term basis. Temporary parklets must be located adjacent to an operating business and cannot operate as a stand-alone business. Temporary parklet permits shall not be issued for more than a 120-day period, and only one temporary parklet permit may be issued to an applicant for each location. In the event the Mayor declares a civil emergency, the City Council may waive or extend this time restriction only for the duration of the civil emergency declaration.

**O. TRO:** The Revised Ordinances of the City of Tulsa.

**P. Tulsa Planning Office:** The department of the Indian Nations Council of Governments (INCOG) which administers the zoning and land-use planning processes for the City of Tulsa and staffs the Tulsa Metropolitan Area Planning Commission and the City of Tulsa Board of Adjustment. The Tulsa Planning Office is located within the offices of INCOG.

*(Ord. No. 24399, § 1, 6-17-2020; Ord. No. 24437, § 1, 9-2-2020)*

## Section 1703. Parklet permit required.

No person shall construct, install, operate or maintain a parklet without first obtaining a permit from the City of Tulsa, through the Tulsa Planning Office at the Indian Nations Council of Governments (INCOG) or through the self-certification process for temporary parklets set forth herein. The Tulsa Planning Office shall receive, review, consult with applicable departments of the City of Tulsa and either approve or deny all parklet permit applications. The Tulsa Planning Office shall develop and distribute to parklet permit applicants, a Parklet Permit Manual which shall set forth the terms and conditions which must be satisfied by applicants before a permit may be issued.

**A. Parklet requirements.** A person or entity seeking to construct, install, operate and maintain a parklet within the City of Tulsa, as well as a permit holder shall comply with the following:

**1.** An applicant requesting approval for the placement of a parklet shall complete an application form or self-certification form in the case of a temporary parklet and shall provide all information and other forms required as set forth in the manual, and as may be reasonably required by the Tulsa Planning Office.

**2.** A parklet may only be located within the following zoning districts: MX1, MX2, MX3, CS, CG, CH, CBD, IMX, and MPD.

**3.** The proposed location of a parklet must be within a City of Tulsa street which has a speed limit of twenty-five (25) miles per hour or less.

**4.** A parklet must be placed directly in front of and adjacent to an applicant's business or property.

**5.** The parklet must have at least four (4) linear feet of unobstructed horizontal clearance from any parklet edge to above-ground utilities, including pedestals, transformers and other surface-mounted facilities, loading zones or handicapped parking spaces.

**6.** Maintain unobstructed clearance to any overhead power line as required by the National Electric Safety Code (NESC), Table 234-1.

**7.** A parklet must be located within an on-street, full-time legal parallel or angled parking space. A parklet may be located within more than one (1) parking space.

**8.** A parklet must be located at least fifteen (15) feet from any fire hydrant and shall not be located within a fire lane.

**9.** A parklet must be located at least twenty (20) feet from any marked crosswalk, or thirty-five (35) feet from any block corner at any intersection without a marked crosswalk.

**10.** A parklet shall not block access to any above-ground or surface-mounted utility facilities, including, but not limited to, manholes, sewer grates, storm drains, gas meters, valve boxes, electric meters, signal boxes, or other fixtures and appurtenances necessary for the operation of a utility system, unless prompt access can be provided without removal of the parklet (e.g., a hatch or access door).

**11.** A parklet cannot be located within a travel lane.

**12.** A parklet must allow for a two-foot space between the outside edge of the parklet and any adjacent parallel parking space. A parklet must allow for two (2) feet of space between the outside edge of the parklet and any adjacent angled parking space.

**13.** A maximum horizontal gap of one-half (½) inch is permitted between the sidewalk and the parklet platform.

**14.** The outer edge of a parklet, being the street-side edge, must be set back a minimum of twelve (12) inches from the travel lane.

**15.** The parklet platform must be designed and constructed so that the parklet becomes an extension of the sidewalk.

**16.** The parklet platform must be designed and constructed to support one hundred (100) pounds per square foot.

**17.** The weight of the parklet platform should weigh no more than two hundred (200) pounds per square foot.

**18.** The parklet platform cannot exceed a two percent (2%) cross-slope.

**19.** All walking surfaces within a parklet and the entrance into a parklet must be a non-slip surface and must be weather-resistant to ensure pedestrian safety and accessibility.

**20.** The parklet platform and frame must be designed to allow rainwater to flow along the curb without obstruction. A minimum six-inch horizontal gap between the curb and the base of the parklet frame and a minimum two-inch vertical gap between the street surface and the bottom of the parklet decking material is required.

**21.** Parklets must be designed to provide access under the platform to allow for maintenance, repairs, and debris removal, by means of access panels, removable decking, or other means as approved by staff.

**22.** A three-foot wheel stop as approved by the Planning Office must be installed one foot from the curb at the edge of the front and back of the parklet in a parallel parking space.

**23.** The outside edge of the parklet closest to the street is required to contain a beam with a minimum cross section of 6" × 6", or equivalent.

**24.** The parklet is required to have reflective elements at all outside corners.

**25.** Parklets may be utilized year-round, but must be kept clean and clear of all leaves, snow, ice, trash, and debris.

**26.** Only the sidewalk-facing side of a parklet can be open to pedestrian access.

**27.** A parklet must have some form of a buffer on all non-sidewalk facing edges. Buffers must be between thirty-six (36) and forty-two (42) inches in height, measured from the adjacent sidewalk grade, and must be able to withstand a two hundred-pound horizontal force. A buffer cannot substantially impede the visibility of the street from the parklet. The buffer type and installation must be approved by the Tulsa Planning Office before installation, and may be planters, railings, cabling, or other approved structure.

**28.** Heating elements are allowed within a parklet but must not encroach on the street or sidewalk. Heating elements must be of the type permitted by the City of Tulsa Fire Marshal and must be temporary in nature and able to be quickly removed.

**29.** Free-standing umbrellas are permitted within a parklet and above the sidewalk if the opened portion of the umbrella is located at least eight (8) feet above sidewalk grade, the use of the umbrella is within the parklet area, the umbrella does not

impede or impair the visibility of all traffic control devices, and the umbrella meets the sight triangle requirements of intersections required by ordinance. The base of the umbrella must be located within the parklet unless otherwise approved by the Tulsa Planning Office.

**30.** Overhead design elements are permitted only when there are no overhead facilities in proximity to the parklet and may require additional review and compliance with all applicable building codes.

**31.** The use of corded speakers or other amplified sound equipment is prohibited within parklets. The use of wireless speakers and amplified sound from an adjacent building are permitted, but the volume may not exceed sixty-five (65) decibels within the parklet. All parklets are subject to all applicable noise ordinances of the City of Tulsa, including Section 1400 of Chapter 14, Title 27, TRO.

**32.** Alcoholic beverages are not permitted within private or public parklets, except as permitted by local ordinance, state law, and the regulations of the Alcoholic Beverage Laws Enforcement Commission (ABLE Commission).

**33.** A parklet, including a sidewalk extension, must comply with the Americans with Disabilities Act of 1990, as amended ("ADA") as well as the ADA accessibility requirements set forth in the Manual.

**34.** If a parklet is used as a sidewalk extension, at no point may the parklet be less than five (5) feet wide.

**35.** If for any reason a parklet which is serving as a sidewalk extension is taken out of use, the adjacent sidewalk shall immediately be cleared by the permit holder to accommodate pedestrian traffic.

**36.** An applicant shall provide an initial site plan as required in the manual.

**37.** An applicant shall provide documentation of community support from property owners adjacent on each side of the applicant's property and two (2) letters of support from property owners or business owners on the same or an adjacent block, whether a new permit application or a permit renewal.

**38.** An applicant shall provide a certificate of insurance evidencing current insurance general liability coverages provided by an insurer authorized to transact insurance business in Oklahoma, at the time of submission of a new application or at the time of submission of a renewal application, with the following requirements:

**a.** Commercial General Liability Insurance with policy limits of not less than One Million Dollars ($1,000,000.00) of coverage, per occurrence, covering claims for bodily injury, death, or property damage, including claims related to the parklet area and the operation and use thereof.

**b.** Each required insurance policy shall provide by endorsement that thirty (30) days' prior written notice of cancellation shall be delivered by the insurer to the City, except that ten (10) days' written notice of cancellation shall be provided by the insurer due to non-payment of premium.

**c.** Permit holders shall furnish a replacement Certificate of Insurance to the Tulsa Planning Office when any required insurance policy expires or is canceled, so that insurance coverage is continuous.

**d.** All Certificates of Insurance submitted must be approved by the Tulsa Planning Office. Any deficient Certificates of Insurance must be corrected as required by the Tulsa Planning Office. If any issue arises as to insurance coverage submitted by an applicant or permit holder which cannot be resolved by the Tulsa Planning Office, the matter shall be referred to the Office of the City Attorney for review and further requirements.

**e.** The holder of a permit shall not cause or allow the required insurance policy to be canceled or to lapse without securing replacement insurance coverage so that there is no gap in coverage, and a parklet permit holder shall notify the Tulsa Planning Office of any change in insurance coverage within fifteen (15) days of such change. Failure by a parklet permit holder to maintain the required insurance coverage(s) is a violation of the conditions of approval of the parklet permit and may result in consequences up to and including revocation of the parklet permit.

**39.** An applicant shall indemnify and hold the City of Tulsa, its officials, officers, employees and agents harmless as to any liability, claims, causes of action, judgments or expenses, including reasonable attorney's fees, resulting directly or indirectly from any act or omission of the permit holder, its subcontractors, any person or entity directly or indirectly employed by them, and any person or entity for whose acts or omissions they may be liable, arising out of the permit holder's use or occupancy of the public place.

**40.** An applicant/permit holder must comply with any other requirements or restrictions set forth in the manual, including payment of required fees.

**B. Initial parklet permit application.** An applicant, with the exception of an applicant utilizing the self-certification process for a temporary parklet, shall prepare and submit an initial parklet application, together with the documentation required in the manual, including an initial site plan and applicable fees. Staff will review the application and will make a visit to the location of the proposed parklet to view existing site conditions.

**C. Parklet design development.** Upon review of a completed initial parklet permit application by the staff of the Tulsa Planning Office and the City of Tulsa and written approval of the application, the applicant may begin the design development of the parklet. The applicant is required to submit sealed and stamped drawings and plans for the parklet from an engineer licensed in the State of Oklahoma. Compliance with all technical standards, including, but not limited to, structural integrity, design requirements imposed by this chapter or the manual, ADA compliance, and stormwater requirements are the responsibility of the designing professional. In addition, the applicant must provide all documents and information required by the manual concerning parklet design development, including required final site design documents. The applicant must display a written notice to the public in a window or other conspicuous place facing the location of the proposed parklet for at least ten (10) days after the design review by staff has been initiated, and within five (5) days after being directed to do so. The form of the notice must be approved by the Director of the Tulsa Planning Office, or their designee. Staff will provide notification to the Mayor and the City Councilor for the City Council district where the parklet is proposed to be located. Staff will review the application and all required information, plans, drawings and

design documents to ensure compliance with applicable standards required by this chapter and the manual. If the application is in compliance with the standards required by this chapter and the manual, the application shall be approved. If the application is not in compliance with the standards required by this chapter and the manual, the application shall be denied. If the parklet application is approved, the applicant may begin construction, fabrication and installation of the parklet in accordance with subsection "D" below. A decision will be made within thirty (30) days after submission of a complete permit application and all required plans, drawings, documents and information. A permit must be kept and displayed on permit holder's premises at all times.

**D. Fabrication and installation.** The fabrication and installation of the parklet shall be in strict compliance with the approved design and the requirements and standards as set forth in this chapter and the manual. The parklet must have the ability to be installed and removed in one twenty-four-hour period. In addition, a parklet shall not be attached to or damage the street. Any repair or restoration to the street right-of-way due to the installation or removal of a parklet shall be made by the City of Tulsa at the sole expense of the parklet permit holder. The City of Tulsa will inspect the completed parklet for compliance with submitted and approved plans, structural integrity and compliance with all other applicable requirements, regulations and restrictions. All deficiencies noted during an inspection must be corrected prior to use of the parklet or the permit may be revoked. The permit holder must also obtain any required City permits that may be required to allow for construction of the parklet.

**E. Renewal applications.** A person or entity that was issued a permit in the preceding year and is in good standing as a permit holder shall submit a renewal application in such form as is approved by the Tulsa Planning Office together with the renewal fee. Each permit expires at 12:00 a.m. on April 1 of each year. A permit cannot be assigned or transferred. In the event of a change of ownership of the parklet, a new permit must be obtained. Written evidence of a transfer of parklet ownership shall be required for the issuance of a new permit.

**F. Temporary parklets.** An Applicant may prepare and submit a temporary parklet self-certification form to attest they meet all requirements as set forth in this chapter and the Manual and are responsible for and will adhere to these requirements for the duration of the temporary parklet authorization. Businesses applying for a temporary parklet permit may commence operations on a provisional basis upon submission of the self-certification form to the Tulsa Planning Office, submission of photographs of the proposed temporary parklet location from the street facing the proposed temporary parklet location as well as each side of the proposed temporary parklet location parallel to the street, and the required valid certificate of insurance. Staff will make a visit to the self-certified temporary parklet site to view existing site conditions and can require changes to ensure compliance with program requirements. Temporary parklets shall be in strict compliance with the approved design and the requirements and standards as set forth in Section 1704(A), numerical paragraphs 1—12, 14, 24—35 and 37—40 of this chapter, as well as all other requirements or restrictions as set forth in the Manual. Upon Staff review and approval of the self-certification form, insurance certificate, photographs of the proposed temporary parklet location as required, payment of required fees, and any other requirements set forth in this chapter or the Manual, Staff

may issue a temporary parklet permit. The Applicant shall also submit photographs of the temporary parklet location from each side of the parklet to the Tulsa Planning Office within five (5) calendar days after installation of the same. A temporary parklet permit may be suspended or revoked by the Tulsa Planning Office if a temporary parklet is not in compliance with this chapter and the Manual, and such compliance is not achieved within twenty-four (24) hours after notice of such deficiency is delivered to the Applicant/Permit Holder by the Tulsa Planning Office.

**G. Permit Conditions and Revocation.** The issuance of a Permit does not create a property right in the Permit Holder beyond what is specified in this chapter. A Permit is temporary in nature and can be revoked by the City of Tulsa at will, for any reason. Parklets must be maintained within the confines of the parklet location shown on the approved plans at all times. The City of Tulsa may deny, restrict, or revoke a Permit at any time for a violation of this chapter in the event that the issuance or continuation of a Permit does not provide a public benefit, or the parklet is impeding or blocking access to public facilities, including utilities. The Fire Marshal, City personnel, utility franchise holders and right-of-way occupants my request the revocation of a Permit due to instances where the parklet is a hazard or fire danger or interferes with utilities. An encroachment placed, allowed or maintained within the public right-of-way by a Permit Holder which is contrary to the terms of the Permit, this chapter or the Manual shall constitute a public nuisance, to be enforced in accordance with Title 24, TRO. Upon notice, the Permit Holder shall remove the encroachment or the Permit may be revoked. In the event of a revocation of a Permit, the parklet must be removed by the Permit Holder within twenty-four (24) hours after receipt of the notice of such revocation, at the sole expense of the Permit Holder. If a Permit Holder desires to make any changes to a parklet after a Permit has issued, a Parklet Amendment form must be submitted with applicable fees. Approval of the requested amendment must be obtained before any alteration or modification of the parklet.

**H. Removal of parklet.** The City of Tulsa will endeavor to provide advance notice to Permit Holders when possible in the event that a parklet must be removed from the right-of-way for an event, construction, utility maintenance or access, or any other reason. A date for removal of the parklet will be provided, and if the parklet is not removed by the stated date, the City of Tulsa will remove the parklet at the expense of the Permit Holder. If the event of an emergency, the City of Tulsa may move or remove the parklet to preserve public health and safety. If the City of Tulsa moves or removes a parklet in the event of an emergency or if the Permit Holder fails to remove the parklet after notice to do so, the City of Tulsa will incur no liability for damage to the parklet, loss of revenue or liability for any other reason.

**I. Request for Reconsideration; Appeal.** An aggrieved party ("aggrieved party" being an adjacent business or property owner within three hundred (300) feet of the proposed parklet, or an Applicant whose parklet application was denied, and referred to in this subsection as "appellant") may request a reconsideration of a Permit decision. A request for reconsideration of a Permit decision shall be made to the Tulsa Planning Office, by submitting a reconsideration application in such form as approved by the Tulsa Planning Office within ten (10) calendar days after the date of the original Permit decision or the appeal will not be acted upon. The appellant must: (1) identify the Permit application that is requested for reconsideration by the Permit number and

the address of the parklet as set forth in the Permit application; (2) the specific objections to the original decision of the City of Tulsa; and (3) the specific actions being proposed by the applicant/appellant that could change the Permit decision. A decision concerning the reconsideration of a Permit decision shall be made within fifteen (15) business days by the Director of the Tulsa Planning Office, or their designee, after the application for reconsideration is received. The Director of the Tulsa Planning Office, or their designee, shall either affirm the original Permit decision or shall reverse the original Permit decision. If the original Permit Decision is affirmed after reconsideration, the appellant may appeal the Permit Decision to the City Council by submitting a complete appeal application in such form as is approved by the City of Tulsa to both the Tulsa Planning Office and the Office of the City Clerk. The appeal of reconsideration of a Permit decision must be submitted in writing within ten (10) calendar days of the date of the reconsideration decision, or such appeal will not be heard by the City Council. The appellant must: (1) identify the Permit application that is the subject of the Appeal by the Permit number and the address of the parklet as set forth in the Permit application; (2) the specific objections to the original decision of the City of Tulsa; and (3) if applicable, the specific actions being proposed by the applicant/appellant that could change the Permit decision. The City Council will schedule the appeal within thirty (30) calendar days after the appeal is received by the City Clerk.

**J. Approval of the Manual and Amendments.** The Parklet Permit Program Manual, dated June 2020, is hereby approved. The Director of the Tulsa Planning Office is authorized to revise the Manual to ensure compliance with amendments to this chapter and to make such amendments to the Manual that the Director deems is beneficial to the administration of the Parklet Permit Program which do not conflict with this chapter, without amending this chapter by ordinance. The Manual shall be re-dated as of the date of any amendments, and a current copy of the Manual shall be maintained by the Director in the Tulsa Planning Office and in the Office of the Tulsa City Clerk.

# TITLE 11-A STORMWATER MANAGEMENT AND HAZARD MITIGATION PROGRAM

**Chapter 1. Stormwater Management and Hazard Mitigation Program**
**Chapter 2. Stormwater Drainage System Service Charge**
**Chapter 3. Watershed Development Regulations**
**Chapter 4. Public Involvement Process**
**Chapter 5. Pollution**

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. STORMWATER MANAGEMENT AND HAZARD MITIGATION PROGRAM

Section 100. Findings of fact.
Section 101. Purpose.
Section 102. Definitions.
Section 103. Duties of the Director of Public Works.
Section 104. Stormwater Drainage and Hazard Mitigation Advisory Board.
Section 105. Purposes and duties of Stormwater Drainage and Hazard Mitigation Advisory Board.
Section 106. Meetings of Stormwater Drainage and Hazard Mitigation Advisory Board.
Section 107. Hazards to be considered.
Section 108. Municipal personnel and agencies to assist.
Section 109. Cooperation with others.
Section 110. Stormwater drainage and hazard mitigation funds.

### Section 100. Findings of fact.

The City of Tulsa makes the following findings of fact:

**A.** Because of its physical terrain and geographical location, the City is particularly subject to damage from stormwaters which, from time to time, overflow from existing watercourses and drainage facilities;

**B.** The presently existing stormwater drainage facilities of the City require continuous operation, maintenance, renewal and replacement;

**C.** A comprehensive approach to managing stormwater runoff is required to address existing and future needs;

**D.** Previous regulations addressing drainage requirements for new land development must be replaced by a comprehensive approach; and

**E.** Natural and manmade hazards exist and present a threat to the City.

*(Ord. Nos. 17285, 21661)*

### Section 101. Purpose.

It is the purpose of this chapter to promote public health, safety and welfare by providing for operating, constructing, equipping, maintaining, acquiring and owning within the City a stormwater drainage system and hazard mitigation program. The establishment of a stormwater drainage system and hazard mitigation program will:

**A.** Minimize flood and storm losses and inconveniences from uncontrolled stormwater run-off in the City;

**B.** Assure that the movement of emergency vehicles is not prohibited nor inhibited during storm or flood periods;

**C.** Preserve the City's watercourses, improve and preserve purity of water, minimize water quality degradation and otherwise facilitate urban water resource management techniques, including both the reduction of pollution and the enhancement of the urban environment; and

**D.** Mitigate other natural and manmade hazards.

*(Ord. Nos. 17285, 21661)*

## Section 102. Definitions.

Unless otherwise provided in this title, for the purposes of this title, the following words and phrases shall have the meanings given herein.

**A.** **Department** means the Public Works Department of the City of Tulsa.

**B.** **Director** means the duly appointed Director of the Public Works Department of the City of Tulsa and/or his designated representative.

**C.** **Stormwater management and hazard mitigation program** means the overall strategy and framework for the stormwater management and hazard mitigation activities of the City.

**D.** **Stormwater run-off** means that portion of the rainfall that is drained into the stormwater drainage system.

**E.** **Stormwater drainage system** means any facility, structure, improvement, development, equipment, property or interest therein, or other structural or nonstructural element made, constructed, used or acquired for the purpose of collecting, containing, storing, conveying and controlling stormwater wherever located including, but not limited to, storm sewers, conduits, natural and manmade channels, pipes, culverts and detention ponds whether public or private.

*(Ord. Nos. 17285, 21661)*

## Section 103. Duties of the Director of Public Works.

The Director shall exercise all lawful powers necessary and appropriate to administer the City of Tulsa's Stormwater Management and Hazard Mitigation Program.

The Director shall have the authority to:

**A.** Develop and administer all phases of a comprehensive program of stormwater management and hazard mitigation, including planning, designing, establishing, acquiring, constructing, developing, installing, administering, maintaining, operating, improving, repairing, replacing and reconstructing the stormwater drainage system of the City; and planning for the mitigation of natural and manmade hazards;

**B.** Administer the accounting, budgeting, record keeping and support personnel necessary for the efficient operation of the stormwater management and hazard mitigation program;

**C.** Administer the regulations contained in this title;

**D.** Perform studies and analyses required to establish or modify the stormwater management and hazard mitigation program;

**E.** Provide for public information and awareness that will improve stormwater management and hazard mitigation and reduce hazards to life and property;

**F.** Establish a flood alert and early warning system as a joint effort with emergency response agencies;

**G.** Coordinate enforcement of the regulations contained in this title with other City departments; and

**H.** Seek the cooperation of counties and municipalities within the area in minimizing the contribution of all storm drainage systems to flooding and, in particular, cooperate with other affected political jurisdictions in preparing and implementing master drainage plans and hazard mitigation plans.

*(Ord. Nos. 17285, 21661)*

### Section 104. Stormwater Drainage and Hazard Mitigation Advisory Board.

The City of Tulsa's current Stormwater Drainage Advisory Board is hereby reconstituted and renamed the Stormwater Drainage and Hazard Mitigation Advisory Board (the "Board"), with the same members, and additional duties as set forth below. The Board shall comprise five (5) members appointed by the Mayor, subject to confirmation by the Council, for terms of five (5) years from and after their appointment. If a vacancy shall occur otherwise than by expiration of a term, it shall be filled by the Mayor by appointment for the unexpired term, subject to confirmation by the Council. The Board shall elect its officers from its membership.

*(Ord. Nos. 17285, 21661)*

### Section 105. Purposes and duties of Stormwater Drainage and Hazard Mitigation Advisory Board.

The purposes and duties of the City of Tulsa Stormwater Drainage and Hazard Mitigation Advisory Board are:

**A.** To provide policy guidance to the Mayor, to City departments, to associated entities and to the public;

**B.** To coordinate and share information between the public, City departments and other entities on flooding, stormwater drainage and other hazards in the City;

**C.** To cause studies to be made of matters concerning stormwater drainage and other hazards; and to recommend to the Mayor, City departments, associated entities and the public a comprehensive stormwater management and hazard mitigation program;

**D.** To propose cooperative studies and plans for coordinated stormwater drainage and hazard mitigation services in the City and surrounding areas;

**E.** To recommend from time to time to the Mayor, City departments, associated entities and the public, policies for establishing new kinds of stormwater drainage and hazard mitigation services, preserving and expanding existing services and making changes in services for the benefit of the public;

**F.** To hear and consider applications for variances and appeals from decisions of the Director as provided herein; and

**G.** To review the City of Tulsa's plans for hazard and disaster preparedness, mitigation, response and recovery, for both natural and manmade hazards and disasters.

*(Ord. No. 21661)*

## Section 106. Meetings of Stormwater Drainage and Hazard Mitigation Advisory Board.

The Stormwater Drainage and Hazard Mitigation Advisory Board shall hold regular meetings, in accordance with the Oklahoma Open Meeting Act (25 O.S., §§301, *et seq.*). The Board may establish convenient rules for the conduct of its meetings.

*(Ord. No. 21661)*

## Section 107. Hazards to be considered.

The Stormwater Drainage and Hazard Mitigation Advisory Board's attentions shall include, but not be limited to:

dam failure
drought
earthquake
expansive soils
extreme heat
floods
hail storm
hazardous material event
high winds
levee failure
lightning
severe winter storm
terrorism
tornado
transportation event
urban fires
wildfire
other natural or man-made disasters.

*(Ord. No. 21661)*

## Section 108. Municipal personnel and agencies to assist.

The facilities, personnel and agencies of the municipal government are directed to be made available to the Stormwater Drainage and Hazard Mitigation Advisory Board, and at all times such personnel, agencies and officers shall cooperate with the Board to accomplish the objectives and purposes herein set forth. The Board shall, at its first meeting, prepare a list of needed personnel and agencies, and shall from time to time review and update the list and add or delete personnel and agencies.

*(Ord. No. 21661)*

## Section 109. Cooperation with others.

The Stormwater Drainage and Hazard Mitigation Advisory Board shall:

**A.** Work closely with the Mayor and City Council, and with City staff and other boards, commissions, authorities and committees of the City of Tulsa;

**B.** Coordinate efforts and communicate with public safety officials; emergency responders; and federal, state, regional, county and local public health and safety and law enforcement authorities;

**C.** Stay apprised of, and share appropriate public safety information with, members of the public, civic organizations, news media, and neighborhood groups.

*(Ord. No. 21661)*

## Section 110. Stormwater drainage and hazard mitigation funds.

**A.** A special fund or funds, shall be maintained for the purpose of identifying and controlling all revenues and expenses attributable to stormwater drainage or hazard mitigation services. All loans, grants or funds received for the administration, operation, construction and improvement of stormwater drainage or hazard mitigation services shall be deposited into such fund or funds. Disbursements for costs of data collection, planning, maintaining, operating and improving drainage or hazard mitigation services and facilities shall be made from the appropriate fund or funds.

**B.** A special stormwater management enterprise fund shall be established to receive all service charges for the use of the City's stormwater drainage system.

**C.** A special hazard mitigation fund shall be established to receive all monies for hazard mitigation.

*(Ord. Nos. 17285, 21661)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 2. STORMWATER DRAINAGE SYSTEM SERVICE CHARGE

Section 200. Definitions.
Section 201. Service charge and exemptions.
Section 202. Rate schedule.
Section 203. Collection of service charge.
Section 204. Adjustments of charge, appeal.

### Section 200. Definitions.

For the purposes of this chapter, the following words and phrases shall have the meanings given herein:

**A.** **City** shall mean the City of Tulsa.

**B.** **Developed real estate** shall mean real property altered from its natural state by the addition to or construction of any impervious surface such that the hydrology of the property is affected.

**C.** **Equivalent service unit** shall mean two thousand six hundred fifty (2,650) square feet of impervious surface.

**D.** **Impervious surface** shall mean any hard surfaced area which prevents or retards the entry of water into the soil in the manner and to the extent that such water entered the soil under natural conditions, causing water to run off the surface in greater quantities or at an increased rate of flow than was present under natural conditions, such as but not limited to rooftops, asphalt or concrete sidewalks, paving, driveways and parking lots, walkways, patio areas, storage areas, and oiled macadam or other surfaces which similarly affect the natural infiltration or run-off patterns of real property in its natural state.

**E.** **Drainage basin plan** shall mean the plan adopted by the City for managing surface and stormwater facilities and features within an individual drainage basin.

**F.** **Service charge** shall mean the fee levied within the boundaries of the City for the use of the City's stormwater drainage facilities.

**G.** **Undeveloped real estate** shall mean real estate unaltered by the construction or addition of any impervious surface which would change the hydrology of the property from its natural state.

**H.** **Retention** or **detention facilities** shall mean facilities designed to hold stormwater for a short period and then to release it to the natural watercourse or to hold stormwater for a sufficient length of time to provide for it to be consumed by evaporation, infiltration into the soil or other natural means.

**I.** **Residential property** shall mean any property designed and used principally for residential single-family or duplex purposes and developed according to and meeting the bulk and area requirements for residential single-family or duplex zoned property as set forth in the Tulsa Zoning Code at the time of development of such property.

**J.** **Gravel** shall mean aggregate, or a mix of rock fragments and granular material, used as surfacing.

*(Ord. Nos. 16589, 17285; Ord. No. 22917, § 1, 8-1-2013)*

## Section 201. Service charge and exemptions.

**A.** There is hereby established a service charge for the use of the City's stormwater drainage system at rates hereinafter established; provided, however, that the service charge shall not be imposed on the following types of property:

**1.** City streets, rights-of-way, parks and open space;

**2.** State of Oklahoma highway rights-of-way;

**3.** Railroad rights-of-way; or

**4.** Undeveloped parcels of land.

**B.** All proceeds from the service charge established herein shall be deposited to the Stormwater Management Enterprises Fund established in Chapter 1 of this title.

*(Ord. Nos. 16589, 17285)*

## Section 202. Rate schedule.

The monthly service charge rate shall be established at Thirteen and 69/100 Dollars ($13.69) for each equivalent service unit assigned to a lot, tract or parcel of real estate as provided in this section.

**A. Residential property.** Residential property within the corporate limits of the City shall be assigned one (1) equivalent service unit for each developed lot, tract, or parcel of record with the county clerk. However, in the case of duplex development with two (2) dwelling units on the same lot, tract or parcel, a service charge of two (2) equivalent service units shall be charged.

**B. All Other Real Estate.** The impervious surface and gravel surface of all other lots, tracts, or parcels of developed real estate within the corporate limits of the City shall be measured to determine the number of equivalent service units to be assigned to such lots, tracts, or parcels.

**C. Effective Date.** The rates established in this section shall become effective on October 1, 2025, for all billing areas provided for in Title 11-C, Tulsa Revised Ordinances, Chapter 9, Section 900.

**D. Gravel Surfaces.** Any non-residential property that has gravel surfaces may apply for and receive an adjustment in the equivalent service unit for that portion of the property covered by gravel. The Director shall adjust the service charge by an amount equal to a forty percent (40%) reduction in equivalent service units applied to the surface area covered by gravel.

**E. Applicability.** The adjustment provided in subsection D (above) shall apply only to the Stormwater Drainage Utility Fee; for hydraulic & hydrologic studies, Fee in Lieu of Detention and all other design purposes, gravel surface shall be considered one hundred percent (100%) impervious. The above credit is not retroactive.

*(Ord. Nos. 16589, 17285, 17737, 17957, 18220, 18728, 19291, 19869, 20606, 21316, 21575; Ord. No. 21857, § 1, 6-17-2008; Ord. No. 22087, § 1, 6-18-2009; Ord. No. 22917, § 2, 8-1-2013; Ord. No. 23132, § 1, 6-19-2014; Ord. No. 23314, § 1, 6-18-2015; Ord. No. 23740, § 1, 7-26-2017; Ord. No. 23938, § 1, 6-13-2018; Ord. No. 24149, § 1, 6-19-2019; Ord. No. 24391, § 1, 6-17-2020; Ord. No. 24630, § 1, 6-16-2021; Ord. No. 24847, § 1, 6-15-2022; Ord. No. 25067, § 1, 6-14-2023; Ord. No. 25341, § 1, 6-12-2024; Ord. No. 25590, § 1, 6-11-2025)*

## Section 203. Collection of service charge.

The service charges herein established for the use of the City's stormwater drainage system shall be billed to each user monthly, along with a bill for water or other utility services and such penalties as are now or may hereafter be established for water service bills, and shall carry the same due date as now or may hereafter be established for water service bills. In the event any person, firm or corporation shall tender as payment of water service, Medical Service Program, sanitary sewer nuisance abatement fees, sanitary sewer service, collection of solid waste service and/or service charge for the use of the City's stormwater drainage system an amount insufficient to pay in full all of the charges so billed, credit shall be given first to the charges for deposit, second to the service charge for the use of the City's stormwater drainage system, third to the charges for collection of solid waste, fourth to the charge for sanitary sewer service, fifth to any sanitary sewer nuisance abatement fees, sixth to the charge for the Medical Service Program, seventh to the charges for water service and lastly to fees and penalties, except that any subsidies received by the City from another governmental entity, pursuant to an agreement with such entity for payment of specific utility service charges for benefit of a "residential service unit," as that term is defined in Section 101 of Chapter 1 of Title 11-B, Tulsa Revised Ordinances, or a residential utility customer of the City shall be accepted by the City and applied to the utility service charges so designated. In addition, any funds of the City applied to specific utility service charges for a residential service unit or residential utility customer of the City pursuant to an approved program for payment of such charges shall be applied to the utility service charges so designated.

The City shall have the right and privilege of discontinuing water service to any premises for insufficient payment.

In the event any utility account shall become delinquent, water service may be terminated by the City until all delinquent charges shall be paid in full. The provisions for collection of charges provided herein shall be in addition to any rights or remedies which the City may have under the laws of the State of Oklahoma.

In the case of users of real estate who are not billed for water, sanitary sewer or collection of solid waste, the owner of the real estate or agent of the owner shall be billed monthly for the service charges herein established.

The invalidity of any provision, clause or portion of this section or the invalidity of the application thereof to any person or circumstance shall not affect the validity of the remainder of this section or the validity of its application to other persons or circumstances.

*(Ord. Nos. 16589, 17285, 20386, 21525; Ord. No. 25090, § 1, 7-26-2023)*

## Section 204. Adjustments of charge, appeal.

Any person who considers the charges applicable to his parcel to be inaccurate or erroneous may request review thereof by the Director. The determination by the Director may be appealed to the Stormwater Drainage Advisory Board by written notice of appeal filed with the Director within ten (10) days of the Director's determination. The decision of the Board may be appealed to the governing body of the City by such person or by the Director by written notice of appeal filed with the City Clerk within ten (10) days of decision by the Board.

*(Ord. Nos. 16589, 17285)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 3. WATERSHED DEVELOPMENT REGULATIONS

Section 300. Purpose.
Section 301. Scope and definitions.
Section 302. Watershed development permits.
Section 303. Subdivision plats, re-plats, lot-splits and building permit approval.
Section 304. Policies and standards for approval of watershed development permits, subdivision plats, lot-splits and building permits.
Section 305. Responsibilities of the Director of Public Works.
Section 306. Administrative procedures.
Section 307. Enforcement and penalties.
Section 308. Warning and disclaimer of liability.

### Section 300. Purpose.

To protect the general health, safety and welfare of the residents of the City of Tulsa from the hazards and danger of stormwater run-off, the City shall:

**A.** Regulate the methods for handling and disposing of stormwater run-off in the watersheds of the jurisdictional area of the City and further regulate the design, construction and maintenance of the stormwater drainage system;

**B.** Regulate the development, excavation, grading, regrading, paving, landfilling, berming and diking of land within the watersheds of the City;

**C.** Regulate development within flood plains in order to assure that development is not dangerous to health, safety or property due to stormwater run-off, and does not increase flood heights or velocities, and to comply with the regulations of the National Flood Insurance Program;

**D.** Inform individuals of lands which are identified as subject to hazard from the regulatory flood; and

**E.** Regulate the connection to and use of the stormwater drainage system.

*(Ord. Nos. 16959, 17285)*

### Section 301. Scope and definitions.

**A. Scope.** The provisions of this chapter shall apply to and be binding upon every person, firm, agency, institution or corporation, and every entity which seeks to develop, redevelop, grade, regrade, excavate, landfill, berm or dike land subject to the jurisdiction of the City.

**B. Definitions.** For purposes of this chapter, the following words and phrases shall have the meanings given herein:

1. **Alter or alteration of a watercourse** means any change to the stormwater drainage system or to the land surface which changes the conveyance capacity of the stormwater drainage system.
2. **Appeal** means a request for a review of the Director's interpretation of any provision of this chapter or a request for a variance.
3. **Area of shallow flooding** means a designated AO, AH or VO zone on the City's Flood Insurance Rate Map (FIRM) with a one percent (1%) or greater annual chance of flooding to an average depth of one (1) to three (3) feet where a clearly

defined channel does not exist, where the path of flooding is unpredictable and where velocity flow may be evident. Such flooding is characterized by ponding or sheet flow.

4. **Area of special flood hazard** is the land in the floodplain within the City subject to a one percent (1%) or greater chance of flooding in any given year. The area may be designated as Zone A on the Flood Hazard Boundary Map (FHBM). After detailed rate making has been completed in preparation for publication of the FIRM, Zone A usually is refined into Zones A, AE, AH, AO, A1-99, VO, V1-30, VE or V. (See Flood Hazard Area)
5. **Base flood** means the flood having a one percent (1%) chance of being equaled or exceeded in any given year and is the regulatory flood.
6. **Base flood elevation** means the elevation shown on the Flood Insurance Rate Map (FIRM) and found in the accompanying Flood Insurance Study (FIS) for Zones A, AE, AH, A1-30 and AR that indicates the water surface elevation resulting from the flood that has a one percent (1%) chance of equaling or exceeding in any given year - also called the base flood.
7. **City Drainage Standards** are the criteria, standards and specifications for stormwater drainage, earth change and floodplain development adopted by the City by resolution.
8. **Critical feature** means an integral and readily identifiable part of a flood protection system, without which the flood protection provided by the entire system would be compromised.
9. **Detention** means the temporary storage and controlled release of stormwater run-off.
10. **Detention facility** means a facility that provides temporary storage of stormwater run-off and controlled release of this run-off.
11. **Development** means any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, berming, diking, excavating or drilling operations.
12. **Drainage Sensitive Area (DSA)** is the area outside the designated FEMA Special Flood Hazard Area and outside the designated regulatory floodplain which is subject to flooding during the one percent (1%) or greater annual chance storm to calculated depth of six (6) inches or greater where a clearly defined channel does not exist, where the path of overland flow is unpredictable and where velocity flow may not be evident. Such areas are characterized by ponding and sheet flow.
13. **Earth change** means excavating, grading, regrading, landfilling, berming or diking of land within the City.
14. **Elevated building** means a non-basement building:
    a. Built, in the case of a building in Zones A1-30, AE, A, A99, AO, AH, B, C, X and D, to have the top of the elevated floor, or in the case of a building in Zones V1-30, VE or V, to have the bottom of the lowest horizontal structure member of the elevated floor elevated above the ground level by means of pilings, columns (posts and piers) or shear walls parallel to the flow of the water, and

**b.** Adequately anchored so as not to impair the structural integrity of the building during a flood of up to the magnitude of the base flood.

In the case of Zones A1-30, AE, A, A99, AO, AH, B, C, X, D, "elevated building" also includes a building elevated by means of fill or solid foundation perimeter walls with openings sufficient to facilitate the unimpeded movement of floodwaters. In the case of Zones V1-30, VE or V, "elevated building" also includes a building otherwise meeting the definition of "elevated building," even though the lower area is enclosed by means of breakaway walls if the breakaway walls meet the standards of Section 60.3(e)(5) of the National Flood Insurance Program regulations.

15. **Existing construction** or **existing structures** means, for the purpose of determining flood insurance rates, structures for which the "start of construction" commenced before the effective date of the FIRM or before January 1, 1975, for FIRMs effective before that date.
16. **Existing manufactured home park or subdivision** means a manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including, at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) is completed before the effective date of the floodplain management regulations adopted by a community.
17. **Expansion to an existing manufactured home park or subdivision** means the preparation of additional sites by the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads).
18. **Federal Emergency Management Agency (FEMA)** means the federal agency responsible for administering the National Flood Insurance Program.
19. **Flood** or **flooding** means a general and temporary condition for partial or complete inundation of normally dry land areas from:
    **a.** The overflow of inland waters, or
    **b.** The unusual and rapid accumulation or run-off of surface waters from any source.
20. **Flood hazard area** means an area of special flood hazard.
21. **Flood Insurance Rate Map (FIRM)** means an official map of a community on which the Federal Emergency Management Agency has delineated both the areas of special flood hazards and the risk premium zones applicable to the community.
22. **Flood Insurance Study** is the official report provided by the Federal Emergency Management Agency. The report contains flood profiles, water surface elevation of the base flood and the Flood Boundary-Floodway Map.
23. **Floodplain** means any land area susceptible to being inundated by water from any source. (See definition of flooding.)
24. **Flood proofing** means any combination of structural and non-structural additions, changes, or adjustments to structures that reduce or eliminate flood damage to real estate or improve real property, water, and sanitary facilities, structures, and their contents.

25. **Flood protection system** means those physical structural works for which funds have been authorized, appropriated and expended and which have been constructed specifically to modify flooding in order to reduce the extent of the areas within a community subject to a "special flood hazard" and the extent of the depths of associated flooding. Such a system typically includes hurricane tidal barriers, dams, reservoirs, levees or dikes. These specialized flood-modifying works are those constructed in conformance with sound engineering standards.
26. **Floodway** is that portion of the flood hazard area identified by the Federal Emergency Management Agency as the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the regulatory flood without cumulatively increasing the water surface elevation more than one (1) foot.
27. **Full development/full urbanization** is full potential urbanization of the contributing watershed considering the Comprehensive Plan and land use regulations.
28. **Full development flood fringe** is that portion of the floodplain area between the outer boundary of the floodplain and the outer boundary of the flood hazard area. This area reflects the effects of full development of the watershed and extends to where the contributory drainage area is forty (40) acres or more.
29. **Functionally dependent use** means a use which cannot perform its intended purpose unless it is located or carried out in close proximity to water. The term includes only docking facilities, port facilities that are necessary for the loading and unloading of cargo or passengers, and ship building and ship repair facilities, but does not include long-term storage or related manufacturing facilities.
30. **Highest adjacent grade** means the highest natural elevation of the ground surface prior to construction next to the proposed walls of a structure.
31. **Historic structure** means any structure that is:
    - **a.** Listed individually in the National Register of Historic Places (a listing maintained by the Department of Interior) or preliminarily determined by the Secretary of the Interior as meeting the requirements for individual listing on the National Register;
    - **b.** Certified or preliminarily determined by the Secretary of the Interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the Secretary to qualify as a registered historic district;
    - **c.** Individually listed on a state inventory of historic places in states with historic preservation programs that have been approved by the Secretary of the Interior; or
    - **d.** Individually listed on a local inventory or historic places in communities with historic preservation programs that have been certified either:
        - (1) By an approved state program as determined by the Secretary of the Interior; or
        - (2) Directly by the Secretary of the Interior in states without approved programs.

32. **Levee** means a man-made structure, usually an earthen embankment, designed and constructed in accordance with sound engineering practices to contain, control or divert the flow of water so as to provide protection from temporary flooding.
33. **Levee system** means a flood protection system which consists of a levee, or levees, and associated structures, such as closure and drainage devices, which are constructed and operated in accordance with sound engineering practices.
34. **Lowest floor** means the lowest floor of the lowest enclosed area (including basement). An unfinished or flood-resistant enclosure, usable solely for parking of vehicles, building access or storage in an area other than a basement area is not considered a building's lowest floor, provided that such enclosure is not built so as to render the structure in violation of the applicable non-elevation design requirement of Section 60.3 of the National Flood Insurance Program regulations.
35. **Manufactured home** means a structure transportable in one (1) or more sections, which is built on a permanent chassis and is designed for use with or without a permanent foundation when connected to the required utilities. For floodplain management purposes, the term "manufactured home" also includes park trailers, travel trailers and other similar vehicles placed on a site for greater than one hundred eighty (180) consecutive days. For insurance purposes, the term "manufactured home" does not include park trailers, travel trailers or other similar vehicles.
36. **Manufactured home park or subdivision** means a parcel (or contiguous parcels) of land divided into two (2) or more manufactured home lots for rent or sale.
37. **New manufactured home park or subdivision** means a manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) is completed on or after the effective date of floodplain management regulations adopted by a community.
38. **Mean sea level** means the National Geodetic Vertical Datum (NGVD) of 1929, or other datum, to which base flood elevations are shown.
39. **Natural state** means the cover and topography of land before any development or, in areas where there has already been development, the state of the area and topography of land on the date of December 22, 1977.
40. **New construction** means, for floodplain management purposes, structures for which the "start of construction" commenced on or after the effective date of a floodplain management regulation adopted by the City.
41. **One hundred year frequency rainstorm** is the rainstorm having an average statistical frequency of occurrence in the order of once in one hundred (100) years, although the rainstorm may actually occur in any year.
42. **Recreational vehicle** means a vehicle which is: (i) built on a single chassis; (ii) 400 square feet or less when measured at the largest horizontal projections; (iii) designed to be self-propelled or permanently towable by a light duty truck; and (iv) designed primarily not for use as a permanent dwelling but as temporary living quarters for recreational, camping, travel, or seasonal use.

43. **Regulatory flood** is the flood having a one percent (1%) chance of being equaled or exceeded in any given year.
44. **Regulatory floodplain** is the area subject to flooding by the regulatory flood based on the full development of the watershed and where the contributing drainage area is forty (40) acres or more as designated by the City.
45. **Sedimentation facilities** include debris basins, sedimentation traps, berms, interceptor ditches, land terraces, hay bales and vegetation ground cover.
46. **Special flood hazard area.** See "area of special flood hazard."
47. **Start of construction** includes substantial improvement and means the date the building permit was issued, provided that the actual start of construction, repair, reconstruction, placement or other improvement was within one hundred eighty (180) days of the permit date. The actual start means either the first placement of permanent construction or a structure on a site, such as the pouring of slab or footings, the installation of piles, the construction of columns or any work beyond the stage of excavation; or the placement of a manufactured home on a foundation. Permanent construction does not include land preparation, such as clearing, grading and filling; nor does it include the installation of streets or walkways; nor does it include excavation for basement, footing, piers or foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or not part of the main structure.
48. **Stormwater Drainage and Hazard Mitigation Advisory Board** is the Advisory Board established in Chapter 1, Section 104 of this title.
49. **Stormwater Technical Advisory Group** is the Technical Advisory Group established by the Stormwater Drainage and Hazard Mitigation Advisory Board (SDHMAB) for the purpose of reviewing and recommending to the SDHMAB on issues pertaining to drainage standards, Watershed Development Permit appeals and requests for variances.
50. **Stormwater run-off** is that portion of the rainfall that is drained into the stormwater drainage system.
51. **Structure** means a walled and roofed building that is principally above ground, including a gas or liquid storage tank, as well as a manufactured home.
52. **Substantial damage** means damage of any origin sustained by a structure whereby the cost of restoring the structure to its before damaged condition would equal or exceed fifty percent (50%) of the market value of the structure before the damage occurred.
53. **Substantial improvement** means any repair, reconstruction or improvement of a structure, the cost of which equals or exceeds fifty percent (50%) of the market value of the structure, either before the improvement or repair is started or, if the structure has been damaged and is being restored, before the damage occurred. For purposes of this definition, "substantial improvement" is considered to occur when the first alteration of any wall, ceiling, floor or other structural part of the building commences, whether or not that alteration affects the external dimensions of the structure. The term does not, however, include any projects for improvement of a structure to comply with existing state or local health, sanitary or safety code

specifications which are solely necessary to assure safe living conditions, or any alterations of a structure listed on the National Register of Historic Places or State Inventory of Historic Places.

54. **Variance** means a grant of relief to a person from the requirements herein when specific enforcement would result in unnecessary hardship. A variance, therefore, permits construction or development in a manner otherwise prohibited by this chapter. (For full requirements, see Section 60.6 of the National Flood Insurance Program regulation.)

55. **Violation** means the failure of a structure or other development to be in full compliance with the City's floodplain management regulations. A structure or other development without the elevation certificate, other certifications or other evidence of the compliance required in Section 60.3(b)(5), (c)(4), (c)(10), (d)(3), (e)(2), (e)(4) or (e)(5) of the National Flood Program regulations is presumed to be in violation until such time as that documentation is provided.

56. **Watercourse** means any depression serving to give direction to a current of stormwater where the drainage area above the same is five (5) acres or more.

57. **Watershed** means the physical area from which water drains into a creek.

58. **Water surface elevation** means the height, in relation to the National Geodetic Vertical Datum (NGVD) of 1929 (or other datum, where specified) of floods of various magnitudes and frequencies in the floodplains of coastal or riverine areas.

*(Ord. Nos. 16959, 17285; Ord. No. 25244, § 1, 1-31-2024; Ord. No. 25399, § 1, 9-18-2024)*

**Section 302. Watershed development permits.**

**A. Watershed Development Permits.** Unless specifically exempted, a Watershed Development Permit, as required by this chapter, shall be obtained prior to the commencement of any development, redevelopment, building, excavating, grading, regrading, paving, landfilling, berming or diking of any property within the City.

**B. Permit Classification and Requirements.** Watershed Development Permit requirements shall be determined by the magnitude of the effects the proposed development could have on the stormwater drainage system in accordance with the following classifications.

1. **Floodway Watershed Development Permit (FW).** A Floodway Watershed Development Permit shall be obtained prior to any development or earth change where the same is located in the floodway.

2. **Flood Plain Watershed Development Permit (FP).** A Flood Plain Watershed Development Permit shall be obtained prior to any development or earth change where the same is located in the regulatory flood plain.

3. **Stormwater Drainage Watershed Development Permit (SD).** A Stormwater Drainage Watershed Development Permit shall be obtained prior to any development whose discharge at the point it leaves the site is greater than that which can be conveyed in a fifteen (15) inch diameter conduit.

4. **Stormwater Connection Watershed Development Permit (SC).** All other development being more than an earth change and not exempted herein shall be required to obtain a Stormwater Connection Watershed Development Permit.

**5. Earth Change Watershed Development Permit (EC).** An Earth Change Watershed Development Permit shall be obtained prior to any earth change.

**C. Exemptions.** A Watershed Development Permit shall not be required for the following activities:

**1.** Bona fide agricultural and farming operations which constitute the principal use of any lot or tract of ground in the City and which meet the requirement of the Zoning Code of the City of Tulsa;

**2.** Customary and incidental routine grounds maintenance, landscaping, and home gardening which does not require a special exception or a variance under the Zoning Code, or a building permit, and which does not affect stormwater drainage entering or leaving any public right-of-way;

**3.** Emergency repairs of a temporary nature made on public or private property which are necessary for the preservation of life, health or property, and which are made under such circumstances where it would be impossible or impracticable to obtain a Watershed Development Permit;

**4.** Temporary excavation for the purpose of repairing or maintaining any public street, public utility facility or any service lines related thereto; and

**5.** Routine maintenance of the stormwater drainage system that does not alter the initial design capacity of an improved drainage system or does not alter the conveyance capacity of a natural channel that is in a well-maintained condition.

**D. Application for Watershed Development Permit.**

**1. General Requirements.** Applications for a development permit required under this section shall be submitted to the Development Services Division of the Economic Development Department and shall be accompanied by a development site plan. The Director of Development Services shall review the information furnished by the applicant and determine whether a Floodway Watershed Development Permit (FW), Flood Plain Watershed Development Permit (FP), Stormwater Drainage Watershed Development Permit (SD), Stormwater Connection Watershed Development Permit (SC) or an Earth Change Watershed Development Permit (EC) is required or whether the activity is exempt.

**2. Permit Application.** The application and development site plan shall contain such information as required in City Drainage Standards.

**3. Inactive Permit Application Denial.** Failure of an applicant to provide all the information required by the Development Services Division of the Economic Development Department within sixty (60) days of receipt by the applicant of the request for the information shall result in the application's being denied unless an extension is granted in writing by the Development Services Division of the Economic Development Department.

*(Ord. Nos. 16959, 17285; Ord. No. 22250, § 1, 6-10-2010)*

## Section 303. Subdivision plats, re-plats, lot-splits and building permit approval.

All subdivision plats, re-plats, lot-splits and building permits shall be approved by the Public Works Department. The review and approval of any plat, re-plat, lot-split or building permit by the Public Works Department shall require the submittal and acceptance of drainage plans as required in City drainage standards or in the Plumbing Code.

*(Ord. Nos. 16959, 17285)*

## Section 304. Policies and standards for approval of watershed development permits, subdivision plats, lot-splits and building permits.

**A. General policies.** The issuance of watershed development permits and approval of subdivision plats, lot-splits and building permits shall be governed by the following general policies of the City:

**1.** The development shall not create a public hazard upon any property within the City or in immediately adjacent areas through the obstruction, impairment, sedimentation, blockage or alteration of the stormwater drainage system;

**2.** The development shall provide a sufficient stormwater drainage system for the conveyance of stormwater run-off received from upstream and from the subject property in a one hundred (100) year frequency rainstorm with due allowance having been made for full urbanization of the watershed when the quantity of stormwater may be increased; and

**3.** The development shall not result in additional identifiable adverse flooding of other property.

**B. Specific policies and standards.** The decision to deny a watershed development permit or to reject drainage plans for a subdivision plat, lot-split or building permit shall be accompanied by a statement of the reasons for such action. A development permit shall be issued if, upon review of the application therefor, it is found that the development meets and complies with the policies and standards hereinafter set out and duly adopted by the City by resolution.

**C. Drainage policies and standards.**

**1. Policies.**

**a.** The stormwater drainage system shall be designed to pass the stormwater run-off received from upstream and from the subject property in a one hundred (100) year frequency rainstorm under full urbanization.

**b.** Development shall be constructed so that it will not increase the frequency of flooding or the depth of inundation of structures.

**c.** Peak flows shall not be increased at any location for any storm, up to and including the one hundred (100) year storm, which will result in the inundation of unprotected structures not previously subject to inundation as a result of that same frequency storm.

**d.** Regulation of peak flows to allowable levels, as determined by subparagraphs (b) and (c) herein, shall be achieved by on-site or off-site storage as provided in the City drainage standards.

**e.** Subject to requirements for watershed development permits and of the City drainage standards, downstream conveyance may be improved to compensate for increased flows if such improvements comply with the policies of this chapter.

**f.** Dumping of any material into the stormwater drainage system is prohibited.

**2. Standards.**

**a.** The Director shall prepare standards for stormwater drainage facilities which shall become City drainage standards after approval by resolution by the governing body of the City.

**b.** All roofs, paved areas, yards, courts and courtyards, other than for one-family or two-family residential structures, shall drain into a separate storm sewer system or to an approved place of disposal.

**c.** In the case of one-family and two-family residential structures, stormwater may be discharged onto flat areas such as streets or lawns if drainage is provided so that the stormwater will flow away from the building.

**D. Erosion and sediment control policies and standards.**

**1. Policies.**

**a.** All developments shall be designed, constructed and completed in a manner which minimizes the exposure of bare earth to precipitation.

**b.** Development shall be constructed only if appropriate sedimentation facilities are installed and maintained throughout the construction period.

**2. Standards.** The policies governing watershed development, as it affects erosion and sediment control, shall be implemented by City drainage standards which shall specifically regulate the design, installation, maintenance and removal of sedimentation and erosion control facilities and structures and shall establish acceptable methods and practices for controlling soil sedimentation and erosion.

**E. Regulatory flood plain area policies and standards.** The Director shall, from time to time, prepare maps defining the one hundred (100) year, fully urbanized flood plains within the City. When adopted as official Regulatory Flood Plain Maps by the governing body of the City, the maps shall be made available to the public.

The provisions of this subsection shall apply to development within the identified regulatory flood plain areas graphically shown by the maps adopted by the City of Tulsa Resolution No. 13729, dated December 22, 1977, and amendments thereto.

**1. Regulatory flood plain area policies.**

**a.** Development which is dangerous to health, safety or property in times of flood or which would cause excessive increases in flood heights or velocities shall be restricted or prohibited.

**b.** Uses vulnerable to floods, including facilities which serve such uses, shall be protected against flood damage at the time of initial construction.

**c.** The alteration of natural flood plains, stream channels and watercourses shall be controlled.

**d.** Filling, grading, dredging and other development which may increase flood damage shall be controlled.

**e.** The construction of flood barriers which will unnaturally divert flood waters or which may increase flood hazards to other lands in and outside the City shall be prevented or regulated.

**f.** The approval or denial of a Floodway Watershed Development Permit or a Flood Plain Watershed Development Permit by the Director shall be based on the provisions of this chapter and the following relevant factors:

(1) the danger to life and property due to flooding or erosion damage;

(2) the susceptibility of the proposed facility and its contents to flood damage and the effect of such damage on the individual owner;

(3) the danger that materials may be swept onto other lands to the injury of others;

(4) the compatibility of the proposed use with existing and anticipated development;

(5) the safety of access to the property in times of flood for ordinary and emergency vehicles;

(6) the costs of providing governmental services during and after flood conditions, including maintenance and repair of streets and bridges, and public utilities and facilities such as sewer, gas, electrical and water systems;

(7) the expected heights, velocity, duration, rate of rise and sediment transport of the floodwaters expected at the site;

(8) the availability of alternative locations not subject to flooding or erosion damage for the proposed use; and

(9) the relationship of the proposed use to the comprehensive plan for that area.

**2. Regulatory flood plain area standards.**

**a. General requirements within regulatory flood plain areas.**

(1) All new construction and substantial improvements including placement of prefabricated buildings and manufactured homes shall be designed (or modified) and adequately elevated and anchored to prevent flotation, collapse or lateral movement of the structure.

(2) All new construction or substantial improvements shall be by methods and practices that minimize or eliminate flood damage.

(3) All new construction or substantial improvements shall utilize materials and utility equipment resistant to flood damage.

(4) All new and replacement water supply systems shall be floodproofed.

(5) New and replacement sanitary sewage systems shall be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters.

(6) On-site waste disposal systems shall be located to avoid impairment to them or contamination from them during flooding.

(7) New structures shall be placed with their longitudinal axis parallel to the predicted direction of flow of flood waters or be placed so that their longitudinal axis are on lines parallel to those of adjoining structures.

(8) Filling or development which diminishes the flood storage capacity of any regulatory flood plain area shall be compensated for as specified in the City drainage standards.

**b. Development requirements in the regulatory flood plain areas.**

(1) All new construction and substantial improvements of any residential structure shall have the lowest floor, including basement, all electrical and mechanical equipment and ductwork, elevated at least one (1) foot above the regulatory flood elevation with full urbanization. A registered professional engineer or land surveyor shall submit a certification to the Director that the elevation requirement has been met.

(2) All new construction and substantial improvements of any commercial, industrial or other non-residential structure shall either have the lowest floor, including basement, all electrical and mechanical equipment and ductwork, elevated at least one (1) foot above the regulatory flood

elevation with full urbanization, or together with attendant utility and sanitary facilities, be floodproofed so that at least below one (1) foot above the regulatory flood level with full urbanization, the structure is watertight with walls substantially impermeable to the passage of water and with structural components having the capability of resisting hydrostatic and hydrodynamic loads and effects of buoyancy. A registered professional engineer shall submit certification to the Director that this standard regarding floodproofing has been satisfied. A registered professional engineer or land surveyor shall submit a certification to the Director that the elevation requirement has been met.

(3) All new construction and substantial improvements of any structures that contain essential facilities and services necessary for emergency response and recovery, or that pose a substantial risk to the community at large in the event of failure, disruption of function, or damage by flooding, as defined in ASCE 24-14, shall have the lowest floor, including basement, all electrical and mechanical equipment and ductwork, elevated at least two (2) feet above the regulatory flood elevation with full urbanization or to the 0.2% (500-year) level of flooding whichever is higher. Alternatively the structure together with attendant utility and sanitary facilities, can be flood proofed so that at least below two (2) feet above the regulatory flood level with full urbanization or to the 0.2% (500-year) level of flooding whichever is higher, the structure is watertight with walls substantially impermeable to the passage of water. All structural components shall have the capability of resisting hydrostatic and hydrodynamic loads and effects of buoyancy. A registered professional engineer shall submit certification to the Director that this standard regarding floodproofing has been satisfied. A registered professional engineer or land surveyor shall submit a certification to the Director that the elevation requirement has been met

(4) All manufactured homes shall be elevated and anchored to prevent flotation, collapse or lateral movement from the regulatory flood with full urbanization. Acceptable methods of elevating and anchoring shall be set out in the City drainage standards. Methods of anchoring may include but are not limited to use of over-the-top or frame ties to ground anchors. This requirement is in addition to applicable state and local anchoring requirements for resisting wind forces.

(5) All manufactured homes to be placed in the regulatory flood plain shall have the bottom of the lowest horizontal framing member, all ductwork, electrical and mechanical equipment, elevated at least one (1) foot above the regulatory flood with full urbanization. A registered professional engineer land surveyor shall submit a certification to the Director that the elevation requirement has been met.

(6) An evacuation plan indicating vehicular access and escape routes for manufactured home parks and subdivisions located in or surrounded by regulatory flood plain areas shall be filed with the Public Works Department and the Tulsa Area Emergency Management Agency. The owner of the manufactured home park or subdivision shall be responsible for filing

vehicular access and escape routes with the Public Works Department and the Tulsa Area Emergency Management Agency and shall see that each tenant thereof has received an evacuation plan prior to the tenant's moving into the manufactured home park or subdivision.

(7) Placement of manufactured homes within the adopted regulatory floodway is prohibited except in a legally pre-existing manufactured home park or subdivision.

(8) All new construction and substantial improvements, with fully enclosed areas below the lowest floor that are subject to flooding, shall be designed to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwaters. Designs for meeting this requirement must either be certified by a registered professional engineer or meet or exceed the following minimum criteria:

(a) A minimum of two (2) openings having a total net area of not less than one (1) square inch for every square foot of enclosed area subject to flooding shall be provided,

(b) The bottom of all openings shall be no higher than one (1) foot above grade; and

(c) Openings may be equipped with screens, louvers, valves or other coverings or devices, provided that they permit the automatic entry and exit of flood waters.

**c. Standards for subdivision proposals in regulatory flood plain areas.**

(1) All subdivision proposals shall have adequate drainage provided to reduce exposure to flood effects and shall comply with the provisions of this chapter and the City drainage standards.

(2) All subdivision proposals shall have public utilities and facilities such as sewer, gas, electrical and water systems located and constructed to minimize flood damage.

(3) Regulatory Flood Plain area delineation shall be clearly shown on all preliminary plats and final plats submitted for approval.

(4) All subdivision proposals, including manufactured home parks greater than fifty (50) lots or five (5) acres, whichever is lesser, shall show the water surface elevation of the base flood with full urbanization. When the fully urbanized base flood elevation data has not been provided, the Director shall obtain, review and reasonably utilize any base flood elevation data and floodway data available from a federal, state or other source in order to administer this provision.

**d. Standards for areas of shallow flooding (AO/AH Zones).**

(1) All new construction and substantial improvements of residential structures shall have the lowest floor (including basement, all electrical, mechanical, and ductwork equipment) elevated at least one (1) foot above the City determined Base Flood Elevation (BFE) or one (1) foot above the City regulatory elevation whichever is higher. Alternatively the structure together with attendant utility and sanitary facilities be designed so that

below the base flood elevation the structure is watertight with walls substantially impermeable to the passage of water and with structural components having the capability of resisting hydrostatic and hydrodynamic loads and effects of buoyancy. A registered professional engineer shall submit a certification to the Director that the standards are satisfied. There shall be adequate drainage paths around structures on slopes to guide flood waters around and away from the proposed structures.

(2) The foregoing requirements of this subparagraph are minimal requirements and shall not relieve any new construction or substantial improvements from meeting and complying with additional requirements and provisions of this chapter.

**3. Area of special flood hazard, policies, and standards.** In all special flood hazard areas, the following policies and standards shall apply.

**a.** New construction, substantial improvements, or other development (including fill) shall not be approved in a special flood hazard area if it:

(1) Adversely affects the capacity of channels or floodways of any watercourse in the floodplain area to convey the regulatory flood or any flood of more frequent occurrence,

(2) Would measurably increase flood flows or flood heights or increase flood damage upon off-site properties during the occurrence of the regulatory flood or any flood of more frequent occurrence,

(3) Would individually or cumulatively, when combined with all other existing and anticipated development assuming an equal degree of encroachment for a significant reach on both sides of the stream or watercourse, increase flood levels or expose additional upstream, downstream or adjacent properties to adverse flood effects that would otherwise not be exposed to such effects due to flooding during the regulatory flood or any flood of more frequent occurrence,

(4) Increases velocities or volumes of flood waters to the extent that significant erosion of floodplain soils would occur either on the subject property or on some other property upstream or downstream, or

(5) Does not provide compensatory storage for any measurable loss of flood storage capacity.

**b.** Encroachments in all special flood hazard areas including fill, new construction, substantial improvements, and other development are prohibited unless the encroachments will not result in any increase of flood levels for the regulatory flood or any flood of more frequent occurrence.

**c.** Encroachments in the floodways including fill, new construction, substantial improvements and other development are prohibited unless the encroachments will not result in any increase of flood levels for the regulatory flood or any flood of more frequent occurrence, and certification demonstrating that the encroachments will not result in such increase in flood levels is provided by a professional registered engineer or architect.

**4. Special flood hazard area notice.**

**a.** Every owner of real property, any part of which is located in a special flood hazard area as depicted and shown on a Flood Insurance Rate Map adopted by the City, is hereby required to notify in writing every tenant of the real property of the location of the property in a designated special flood hazard area and to obtain and keep for inspection upon request by the Director or his authorized representative written acknowledgment of the receipt of the notice signed by each of the tenants.

The notice shall be given and the acknowledgment thereof obtained prior to any of the tenants taking possession of or occupying the real property or, in the case of property already rented or leased prior to the effective date of this provision, within sixty (60) days after its adoption and publication. The notice and acknowledgment shall be in a separate document and not a part of any other document, such as a lease, and it shall be substantially in the following form:

**NOTICE TO TENANT OF LOCATION IN FLOOD HAZARD AREA**

Notice is hereby given that the following-described real property is located within a flood hazard area as graphically shown on flood insurance rate maps as reviewed and adopted by the City of Tulsa:

(Put in legal description and address of property being leased or rented.)

Further information may be obtained from the Public Works Department of the City of Tulsa.

Dated this _____ day of _____, A.D._____.

_____
(Signature of Owner or Agent of Owner)

**ACKNOWLEDGMENT OF TENANT**

The undersigned tenants of the above-described real property hereby acknowledge receipt of notice that such property is located within a flood hazard area, as graphically shown on the Flood Insurance Rate Maps adopted by the City of Tulsa.

Dated this _____ day of _____, A.D._____.
(Signature of all tenants required)

I, _____ (name) the tenant _____ (address) acknowledge that I have received an Evacuation Plan for _____ manufactured home park.

_____
(Signature of Tenant)

**b.** All departments, agencies, boards, commissions and employees of the City, charged with the responsibilities of issuing permits for manufactured homes or modular homes in a special flood hazard area, including the issuance of permits for hook-up of utilities to the same, shall refrain and be prohibited from issuing any such permit unless the applicant for such permit provides a copy of the notice and acknowledgment properly signed by an owner and all tenants as required herein.

**c.** Every owner of real property, any part of which is located in a special flood hazard area as shown on Flood Insurance Rate Maps as reviewed and adopted by the City, is required to notify in writing every purchaser of the real property of the location of the property in a designated special flood hazard area. The notice shall be given at least ten (10) days prior to closing of sale and prior to any purchaser taking possession of or occupying the real property.

**5. Special flood hazard maps.**

**a. Establishing the areas of special flood hazard.** The areas of special flood hazard identified by the Federal Emergency Management Agency in a scientific and engineering report entitled "The Flood Insurance Study for City of Tulsa, Oklahoma," dated April 15, 1982, with accompanying Flood Insurance Rate Maps and Flood Boundary-Floodway Maps (FIRM and FBFM) and any revisions thereto are adopted by reference and declared to be a part of this chapter.

(NOTE: FEMA has designated flood hazard areas [A Zones] for the City of Tulsa by the publication of Flood Boundary and Floodway Maps and by publishing a notice of final flood elevations for flood hazard areas on Flood Insurance Rate Maps. The City must adopt regulations meeting the FEMA minimum requirements for adequate flood plain management for these flood hazard areas in order to qualify for the sale of federally-subsidized flood insurance. Risk premium rates for flood insurance are charged based on the FEMA flood hazard area and flood elevation determinations. Banks, savings and loan associations, or similar institutions regulated, supervised or insured by a federal instrumentality are required by Federal law as a condition of making a loan in a flood hazard area to notify the purchaser of such flood hazards, in writing, a reasonable period of time in advance of the signing of the purchase agreement, lease or other documents involved in the transaction.)

**b. FEMA map corrections and amendments.**

(NOTE: The Flood Boundary and Floodway Maps and Flood Insurance Rate Maps are revised by FEMA when there is a change of community regulatory flood elevations due to changed physical conditions or where the flood elevations are technically incorrect. FEMA also issues letters of map amendment to owners or lessees of property which have been inadvertently included in a flood hazard area [A Zone].)

The Public Works Department shall review and comment on all proposed revisions to FEMA flood hazard areas and flood elevations within the City of Tulsa prior to action by FEMA on those proposals.

The Public Works Department shall submit technical data to FEMA in order to maintain the Flood Boundary and Floodway Maps and Flood Insurance Rate Maps with current data.

The revised FEMA Flood Insurance Rate Maps shall be adopted biannually after public notice by the City. Subsequent to such adoption, the Clerk shall cause copies of the FEMA maps to be delivered to and acknowledgment of receipt of such delivery to be obtained from the Mayor's Office, the Public Works Department, the Tulsa Metropolitan Area Planning Commission, the

Indian Nations Council of Governments, the City-County Library, and its branches and to County Clerks in Tulsa, Osage and Rogers counties. Additional copies of the maps shall be provided to these County Clerks for distribution as information to County Engineers and Hydrologists and County Tax Assessors.

Notice shall be sent by the Public Works Department to appraisers, surveyors, realtors and lending institutions informing them that revised maps have been adopted and explaining where copies of the revised FEMA maps are located or where they may be obtained.

**6. Flood plain area notice.** The Public Works Department shall mail annually a notice to owners or occupants of structures within or touched by the regulatory flood plain areas, to provide information as to the status of the flood hazard for each property.

**F. Drainage Sensitive Area (DSA) policies and standards.** The Director shall, from time to time, prepare maps defining the one hundred (100) year, fully urbanized Drainage Sensitive Areas (DSAs) within the City. When DSAs are mapped and adopted by the governing body of the City, the maps shall be made available to the public for risk information in existing developed areas and elevation requirements for new developments.

The provisions of this subsection shall apply to development within the identified DSAs graphically shown by the maps adopted by the City of Tulsa.

**1. Drainage Sensitive Area policies.**

**a.** Development which is dangerous to health, safety or property in times of flooding or which would cause excessive increases in DSA elevations shall be restricted or prohibited.

**b.** Uses vulnerable to floods, including facilities which serve such uses, shall be protected against flood damage at the time of initial construction.

**c.** The alteration of natural DSAs and any overland flow paths shall be controlled.

**d.** Filling, grading, dredging and other development which may increase flood damage shall be controlled.

**e.** The construction of barriers which will unnaturally divert runoff waters or which may increase flood hazards to other lands in and outside the City shall be prevented or regulated.

**f.** The approval or denial of a Drainage Sensitive Area Watershed Development Permit by the Director shall be based on the provisions of this chapter and the following relevant factors:

(1) The danger to life and property due to flooding damage;

(2) The susceptibility of the proposed facility and its contents to flood and the effect of such damage on the individual owner;

(3) The compatibility of the proposed use with existing and anticipated development;

(4) The safety of access to the property in times of flooding for ordinary and emergency vehicles;

(5) The costs of providing governmental services during and after flood conditions, including maintenance and repair of streets and bridges, and public utilities and facilities such as sewer, gas, electrical and water systems;

(6) The expected heights, duration, and rate of rise of the floodwaters within the DSA expected at the site;

(7) The availability of alternative locations not subject to flooding damage for the proposed use; and

(8) The relationship of the proposed use to the comprehensive plan for that area.

**2. Drainage Sensitive Areas standards.**

**a. General requirements within Drainage Sensitive Areas.**

(1) All new construction including placement of prefabricated buildings and manufactured homes shall be designed (or modified) and adequately elevated and anchored to prevent flotation, collapse or lateral movement of the structure.

(2) All new construction shall be by methods and practices that minimize or eliminate flood damage.

(3) All new construction shall utilize materials and utility equipment resistant to flood damage.

(4) All new and replacement water supply systems shall be floodproofed.

(5) New and replacement sanitary sewage systems shall be designed to minimize or eliminate infiltration of stormwater into the systems and discharges from the systems into the DSA.

(6) On-site waste disposal systems shall be located to avoid impairment to them or contamination from them during flooding.

(7) Filling or development which diminishes the flood storage capacity of any DSA shall be compensated for as specified in the City drainage standards.

Compensatory storage calculations for DSAs shall be determined for all flood depths.

**b. Development requirements in the Drainage Sensitive Areas.**

(1) All new construction of any residential structure shall have the lowest floor, including basement, all electrical and mechanical equipment and ductwork, elevated at least one (1) foot above the DSA elevation with full urbanization. A registered professional engineer or land surveyor shall submit a certification to the Director that the elevation requirement has been met.

(2) All new construction of any commercial, industrial or other non-residential structure shall either have the lowest floor, including basement, all electrical and mechanical equipment and ductwork, elevated at least one (1) foot above the DSA elevation with full urbanization, or together with attendant utility and sanitary facilities, be floodproofed so that at least below one (1) foot above the DSA elevation with full

urbanization, the structure is watertight with walls substantially impermeable to the passage of water and with structural components having the capability of resisting hydrostatic and hydrodynamic loads and effects of buoyancy. A registered professional engineer shall submit certification to the Director that this standard regarding floodproofing has been satisfied. A registered professional engineer or land surveyor shall submit a certification to the Director that the elevation requirement has been met.

(3) All new construction of any structures that contain essential facilities and services necessary for emergency response and recovery, or that pose a substantial risk to the community at large in the event of failure, disruption of function, or damage by flooding, as defined in ASCE 24-14, shall have the lowest floor, including basement, all electrical and mechanical equipment and ductwork, elevated at least two (2) feet above the DSA elevation with full urbanization. Alternatively the structure together with attendant utility and sanitary facilities, can be flood proofed so that at least below two (2) feet above the regulatory flood DSA elevation with full urbanization, the structure is watertight with walls substantially impermeable to the passage of water. All structural components shall have the capability of resisting hydrostatic and hydrodynamic loads and effects of buoyancy. A registered professional engineer shall submit certification to the Director that this standard regarding floodproofing has been satisfied. A registered professional engineer or land surveyor shall submit a certification to the Director that the elevation requirement has been met.

(4) All manufactured homes shall be elevated and anchored to prevent flotation, collapse or lateral movement from the DSA elevation with full urbanization. Acceptable methods of elevating and anchoring shall be set out in the City drainage standards. Methods of anchoring may include but are not limited to use of over-the-top or frame ties to ground anchors. This requirement is in addition to applicable state and local anchoring requirements for resisting wind forces.

(5) All manufactured homes to be placed in the DSA shall have the bottom of the lowest horizontal framing member, all ductwork, electrical and mechanical equipment, elevated at least one (1) foot above the DSA elevation with full urbanization. A registered professional engineer or land surveyor shall submit a certification to the Director that the elevation requirement has been met.

(6) Placement of manufactured homes within the DSA is prohibited except in a legally pre-existing manufactured home park or subdivision.

(7) All new construction and substantial improvements, with fully enclosed areas below the lowest floor that are subject to flooding, shall be designed to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwaters. Designs for meeting this requirement must either be certified by a registered professional engineer or meet or exceed the following minimum criteria:

(a) A minimum of two (2) openings having a total net area of not less than one (1) square inch for every square foot of enclosed area subject to flooding shall be provided,

(b) The bottom of all openings shall be no higher than one (1) foot above grade; and

(c) Openings may be equipped with screens, louvers, valves or other coverings or devices, provided that they permit the automatic entry and exit of floodwaters.

**c. Standards for subdivision proposals in Drainage Sensitive Areas.**

(1) All subdivision proposals shall have adequate drainage provided to reduce exposure to flood effects and shall comply with the provisions of this chapter and the City drainage standards.

(2) All subdivision proposals shall have public utilities and facilities such as sewer, gas, electrical and water systems located and constructed to minimize flood.

(3) DSA delineation shall be clearly shown on all preliminary plats and final plats submitted for approval.

(4) All subdivision proposals, including manufactured home parks greater than fifty (50) lots or five (5) acres, whichever is lesser, shall show the water surface elevation of the DSA with full urbanization.

**3. Drainage Sensitive Area notice.**

**a.** Every owner of real property, any part of which is located in a DSA as depicted and shown on the City of Tulsa regulatory flood map adopted by the City, is hereby required to notify in writing every tenant of the real property of the location of the property in a designated DSA and to obtain and keep for inspection upon request by the Director or his authorized representative written acknowledgment of the receipt of the notice signed by each of the tenants.

The notice shall be given, and the acknowledgment thereof obtained prior to any of the tenants taking possession of or occupying the real property or, in the case of property already rented or leased prior to the effective date of this provision, within sixty (60) days after its adoption and publication. The notice and acknowledgment shall be in a separate document and not a part of any other document, such as a lease, and it shall be substantially in the form described in Section 304.E.4:

*(Ord. Nos. 16959, 17173, 17285, 17466, 18838; Ord. No. 23924, § 1, 6-6-2018; Ord. No. 25244, § 2, 1-31-2024; Ord. No. 25399, §§ 2, 3, 9-18-2024)*

## Section 305. Responsibilities of the Director of Public Works.

The responsibilities of the Director in administering the requirements of Subsection 304.E, Regulatory Flood Plain Area Policies and Standards, shall include:

**A.** Maintaining and holding open for public inspection all records pertaining to the provisions of this chapter, including the actual elevation of the lowest floor (including basement) of all new and substantially improved structures in the regulatory flood plain and, for structures that have been floodproofed, the elevation to which the structure was floodproofed;

**B.** Reviewing, approving or denying all applications for development permits required by Section 302 of this chapter;

**C.** Reviewing permits for proposed development to assure that all necessary permits have been obtained from those federal, state or local government agencies from which prior approval is required;

**D.** Making the necessary interpretation where interpretation is needed as to the exact location of the boundaries of the special flood hazard area (for example, where there appears to be a conflict between a mapped boundary and actual field conditions);

**E.** Notifying, in riverine situations, adjacent communities and the Oklahoma Water Resources Board prior to any alteration or relocation of a watercourse, and submitting evidence of such notification to the Federal Emergency Management Agency;

**F.** Assuring that the flood-carrying capacity within the altered or relocated portion of any watercourse is maintained;

**G.** When regulatory flood elevation data has not been provided by the Federal Emergency Management Agency, obtaining, reviewing and reasonably utilizing any base flood elevation data available from a federal, state, city or other source; and

**H.** Redefining within one hundred-eighty (180) days prior to the expected completion date of construction of any flood control protective works, the regulatory flood plain area as altered by the works; and submitting the new special flood hazard area definition and new regulatory flood elevation to FEMA for revision of the Flood Insurance Rate Maps.

*(Ord. Nos. 16959, 17285)*

### Section 306. Administrative procedures.

**A. Watershed development permit administrative criteria.**

1. **Permit fees.** Permits authorized by the provisions of this chapter shall be effective only upon payment of the appropriate fee as set out in the duly adopted drainage standards. Fees are payable:
   - **a.** Prior to the time the permit is issued by the Public Works Department if the watershed development permit is applied for through direct application to the Public Works Department, or
   - **b.** Prior to the time the building permit is issued if the watershed development permit application was made in connection with a building permit application.
2. **Effective date and expiration of watershed development permit.** The watershed development permit effective date shall be the date as stamped in the approval box of the permit and permits shall be valid only when signed by an authorized representative of the City.

   Any watershed development permit issued shall become invalid if the authorized work is not commenced within six (6) months after issuance of the permit or, if the authorized work is suspended or abandoned, for a period of six (6) months after the time of commencing the work, unless an extension has been granted in writing by the Public Works Department. One six (6) month extension will be routinely granted by the Public Works Department if requested by the applicant in writing.

**B. Appeals.** Any person who is aggrieved by a decision, requirement, ruling or interpretation of this chapter or of the City drainage standards may request review thereof by the

Director. The determination of the Director may be appealed by such person to the Stormwater Drainage Advisory Board by written notice of appeal filed with the Director within ten (10) days of his determination. The decision of the Stormwater Drainage Advisory Board may be appealed to the governing body of the City of Tulsa by such person or by the Director by written notice of appeal filed with the Office of the City Clerk within ten (10) days of decision by the Stormwater Drainage Advisory Board.

**C. Variances.** The Stormwater Drainage Advisory Board upon application, after hearing and subject to the procedural and substantive standards hereinafter set forth, may grant such variances from the terms of this chapter as will not cause detriment to the public good, safety or welfare nor be contrary to the spirit, purposes and intent of this chapter where by reason of unique and exceptional physical circumstance or condition of a particular property, the literal enforcement of the requirements of this chapter will result in an unreasonable hardship.

**1.** Applications for variance from the provisions of the Flood Plain Area Standards shall be made by the filing of a written request with the Public Works Department.

**2.** The following additional prerequisites are required for variances as to requirements of Subsection 304.E, Regulatory Flood Plain Area Policies and Standards:

**a.** A variance shall be granted only upon a determination that the variance is the minimum necessary to afford relief, considering the flood hazard;

**b.** Variances shall be granted only upon (1) showing of good and sufficient cause, (2) a finding that failure to grant the variance would result in exceptional hardship to the applicant, and (3) a finding that the granting of a variance would not result in increased flood heights, additional threats to public safety or extraordinary public expense, nor create nuisances, cause fraud on or victimization of the public nor conflict with existing local laws or ordinances;

**c.** Any applicant to whom a variance is granted shall be given written notice that the structure will be permitted to be built with a lowest floor elevation no more than a specified number of feet below the regulatory flood elevation and that the cost of flood insurance will be commensurate with the increased risk resulting from the reduced lowest floor elevation;

**d.** A variance may be granted for the reconstruction, rehabilitation or restoration of structures listed on the National Register of Historic Places or the State Inventory of Historic Places without regard to the procedures set forth in Section 304 of this chapter;

**e.** Upon consideration of the factors noted above and the intent of this chapter, the Stormwater Drainage Advisory Board may attach such conditions to the granting of variances as it deems necessary to further the purpose and objectives herein; and

**f.** A variance shall not be granted within any designated floodway if any increase in flood levels during the regulatory flood discharge would result.

**D. Appeal and variance process.** Upon accepting a notice of appeal or an application for a variance, the Public Works Department shall:

**1.** Require the appellant or applicant to furnish the names and mailing addresses of all owners of the subject property and of all owners of property within a three-hundred (300) foot radius of the exterior boundary of the property as shown by County tax records;

**2.** Schedule a hearing date before the Stormwater Drainage Advisory Board;

**3.** Mail written notice to all owners of the subject property and to all owners of property within a three-hundred (300) foot radius of the exterior boundary of the subject property indicating that an appeal or variance has been requested and when a hearing will be held; and

**4.** Refer the notice of appeal or application for variance to the Stormwater Technical Advisory Group for review and recommendation to the Stormwater Drainage Advisory Board.

*(Ord. Nos. 16959, 17285, 17303)*

## Section 307. Enforcement and penalties.

**A. Notification of noncompliance.** If, at any time, a development occurs which is not in accordance with the provisions of this chapter or a watershed development permit, including conditions and approved modifications thereof, a written notice to comply shall be given by the City which shall state the nature and location of the alleged noncompliance, and shall specify remedial steps necessary to bring the project into compliance. The responsible parties shall have such time as may be allowed in the written notice to correct all noted deficiencies. The time allowed shall be reasonable and shall be determined by the nature of the deficiency and whether or not it creates a nuisance or hazard.

**B. Revocation or suspension of watershed development permit.** A watershed development permit may be revoked or suspended according to the provisions given herein.

**1. Grounds for revocation or suspension.** A watershed development permit may be revoked or suspended upon the occurrence of any one of the following events:

**a.** A violation of any condition of the permit;

**b.** A violation of any provision of this chapter or any other applicable law, ordinance, rule or regulation pertaining to the watershed development permit; or

**c.** The existence of any condition or the doing of any act constituting fraud, or creating a nuisance or hazard, or endangering human life or the property of others.

**2. Notice and order of revocation or suspension.** Upon the occurrence of any of the events above listed, the Director may cause to be served upon the permit holder a notice and order suspending or revoking the permit, specifying the grounds for the suspension or revocation and advising the holder that he is entitled to a hearing before the Director at a time, place and date specified in the notice and order, and further advising the holder that if the holder fails to appear at the time, place and date therein specified, the Director's order for suspension or revocation of the holder's permit shall be final.

**3. Hearing before the Director.** At the hearing before the Director, the permit holder shall be afforded the opportunity to respond to the charges of the Director and to present information to show why his permit should not be revoked or suspended. After such hearing, the Director may either affirm, modify or reverse his order for suspension or revocation of the holder's permit, and shall notify the

holder in writing of his decision within five (5) days of the date of the hearing. The Director's decision shall be final, unless the permit holder appeals the decision to the Stormwater Drainage Advisory Board as provided herein.

4. **Appeals.** An appeal from the Director's decision to the Stormwater Drainage Advisory Board ("Board") shall be by written notice of appeal filed with the Director within ten (10) days of the receipt of the Director's decision. The Director shall place the appeal on the agenda of the next regular or special meeting of the Board and shall notify the permit holder of the time, place and date of such meeting. The decision of the Board may be appealed to the governing body of the City by the permit holder or the Director by written notice of appeal filed with the City Clerk within ten (10) days of the decision of the Board. If no appeal is taken to the governing body as herein provided, the decision of the Board shall be final.

5. **Service.** Notices and orders required by this subsection shall be served upon each party concerned, either personally or by certified mail, addressed to the individual contracting party or permit holder at the address given on the contract document or permit application filed with the City.

6. **Stop work order.** Upon the suspension or revocation of a watershed development permit by the Director, the Director may issue a stop work order on all construction activity on the subject property which may be directly or indirectly related to site drainage and which is being performed pursuant to any permits, licenses, franchises or contracts issued or approved by the City. Such stop work order may order a work stoppage on all construction activity on buildings or structures and appurtenances thereto, including building, electrical, plumbing, mechanical and street work, storm sewers, sanitary sewers, gas lines and all utilities including gas, electric, telephone and cable television.

**C. Penalty.** Unless otherwise provided herein, every person, firm, corporation or other legal entity violating any of the provisions of this chapter or conditions made pursuant thereto shall be guilty of an offense and, upon conviction thereof, shall be punished by imprisonment in the City jail for a period of not more than ninety (90) days and/or by a fine of not more than Five Hundred Dollars ($500.00), excluding costs.

**D. Fine or imprisonment not exclusive remedies.** In addition to fine or imprisonment, the City may institute appropriate actions or proceedings at law or equity to enforce the provisions of this chapter or City drainage standards or to correct violations thereof. The conviction and punishment of any person hereunder shall not relieve the person of the responsibility to correct prohibited conditions or to remove prohibited buildings, structures, obstructions or improvements nor prevent the enforcement, correction or removal thereof.

## Section 308. Warning and disclaimer of liability.

The City recognizes that, although the degree of flood protection required by this chapter is considered reasonable for regulatory purposes and is based on scientific and engineering considerations, on rare occasions greater floods can and will occur, and flood heights may be increased by man-made or natural causes. These provisions do not imply that land outside the flood plain areas or that uses permitted within such areas will be free from flooding or

flood damages. These provisions shall not create liability on the part of the City of Tulsa or any officer or employee thereof for any flood damages that result from reliance on this chapter or any administrative decision lawfully made thereunder.

*(Ord. Nos. 16959, 17285)*

## CHAPTER 4. PUBLIC INVOLVEMENT PROCESS

Section 400. Adoption of Stormwater Drainage Advisory Board public involvement process.
Section 401. Effective date.

### Section 400. Adoption of Stormwater Drainage Advisory Board public involvement process.

The recommended public involvement process for stormwater capital plans and major projects adopted by the Stormwater Advisory Board on August 13, 1990, as amended, and attached hereto as "Attachment A" be and the same is hereby adopted as the policy for public involvement for stormwater capital plans and major projects for the City of Tulsa.

*(Ord. Nos. 17285, 17387)*

### Section 401. Effective date.

The effective date of this ordinance shall be upon is passage, approval and publication and shall not apply to funded capital plans and major projects in existence on the effective date of this ordinance.

*(Ord. Nos. 17285, 17387)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## ATTACHMENT A

## RECOMMENDED PUBLIC INVOLVEMENT PROCESS FOR STORMWATER CAPITAL PLANS AND MAJOR PROJECTS

**I** BASIN DRAINAGE PLANS

- Notification of public meetings.
- Initial public meeting to inform residents and interested parties of the study and solicit input on problems and concerns.
- One or more interim meetings to discuss options and proposed solutions.
- Final meeting to present recommended plan and answer questions.

**II** CITYWIDE MASTER DRAINAGE PLAN

- Stormwater Drainage Advisory Board hosts meetings, as requested, with interested groups, including district councilors and affected boards and authorities.
- Public hearing(s) by Tulsa Metropolitan Area Planning Commission.
- Public hearing(s) by City Council, before adoption as part of Tulsa Comprehensive Plan.

**III** FUNDING OF CAPITAL PROJECTS

- Meetings throughout city to discuss citywide service and capital needs and options such as bond issues and sales tax proposals—hosted by Mayor and City Council, who develop recommended list to submit to voters.
- Meetings with interested groups, including district councilors, to discuss proposals and specific projects, upon requests.
- Voter approval.

**IV** DESIGN OF CAPITAL PROJECTS

- Public workshop with interested individuals and groups, including district councilor, boards and authorities, interested neighbors, etc., to address design issues and concerns, for projects costing One Million Dollars ($1,000,000.00) or more.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 5. POLLUTION

Section 500. Scope.
Section 501. Definitions and abbreviations.
Section 502. Discharge requirements.
Section 503. Spills.
Section 504. Pavement wash waters.
Section 505. Construction activities.
Section 506. Record keeping.
Section 507. Reporting requirements.
Section 508. Compliance monitoring requirements.
Section 509. Requirements for best management practices.
Section 510. Inspections and sampling.
Section 511. Administrative enforcement remedies.
Section 512. Violations, injunction and criminal prosecution.
Section 513. Confidential information.

### Section 500. Scope.

This chapter establishes methods to regulate the introduction of pollutants to the City of Tulsa's municipal separate storm sewer system and enables the City to comply with all applicable state and federal laws and regulations, including the federal Clean Water Act, 33 U.S.C. §§ 1251, *et seq.*, the Oklahoma Environmental Quality Act, 27A O.S.2001, §§ 1-1-101, *et seq.*, and stormwater regulations contained in 40 CFR Part 122, EPA Administered Permit Programs: the National Pollutant Discharge Elimination System (NPDES). The objectives of this chapter shall permit the City of Tulsa to:

**A.** Regulate the contribution of pollutants into the municipal separate storm sewer system through the stormwater discharges of any user;

**B.** Control the introduction into the municipal separate storm sewer system of spills, dumping or the disposal of materials other than stormwater;

**C.** Prohibit illicit discharges into the municipal separate storm sewer system;

**D.** Carry out inspections, surveillance and monitoring procedures necessary to determine compliance and noncompliance with this chapter; and

**E.** Comply with its OPDES Municipal Storm Water Discharge Permit conditions and any other federal or state law or regulation pertaining to stormwater quality.

*(Ord. Nos. 18588, 21383)*

### Section 501. Definitions and abbreviations.

**A.** As used in this chapter, the following terms, phrases and words shall have the meanings given below:

**Act or "the Act"** shall mean the Federal Water Pollution Control Act, also known as the Clean Water Act, as amended, 33 U.S.C. §§ 1251, *et seq*.

**Best management practice** or **BMP** shall mean the best available practices or devices that, when used singly or in combination, eliminate or reduce the contamination of surface waters, ground waters or both. BMPs shall be divided into the following categories:

**1. Nonstructural best management practices,** which shall mean those which require modified or additional operational or behavior practices, such as sweeping a parking lot or having spill response equipment on site; and

2. **Structural best management practices,** which shall mean those which require the construction of a structure or other physical modification on the site.

**City** shall mean the City of Tulsa, Oklahoma, a municipal corporation, and its duly authorized officers, agents and employees.

**Composite sample** shall mean a sample of stormwater run-off, resulting from the combination of individual samples taken at selected intervals, based on an increment of either flow or time.

**Director** shall mean the Director of Public Works and Development, or the person succeeding to this person's duties and functions, by whatever name known, or this person's duly authorized representative.

**Discharge** shall mean any addition or introduction of any pollutant, stormwater or any other substance whatsoever into the municipal separate storm sewer system (MS4) or into waters of the United States.

**Environmental Protection Agency** or **EPA** shall mean the United States Environmental Protection Agency or, where appropriate, the term may also be used as a designation for the Regional Water Management Division Director or other duly authorized official of the EPA.

**Floatable** shall mean any buoyant or semi-buoyant, organic or inorganic, water-borne waste material such as litter, paper, Styrofoam, grass, leaf litter, cigarette butts and other debris.

**Garbage** shall mean trash, with reference to collections of pollutants at floatable collection sites.

**Grab sample** shall mean a sample of stormwater run-off which is taken on a one-time basis, without regard to the flow and consideration of time.

**Illicit discharge** shall mean any intentional discharge to the municipal separate storm sewer system (MS4) that is not composed entirely of stormwater, except discharges pursuant to Subsection 502.A. of this chapter, or discharges resulting from fire fighting activities.

**Industrial activity** shall mean any activity which is directly related to manufacturing, processing or raw materials storage areas at an industrial facility. The term includes, but is not limited to, industrial plant yards; immediate access roads and rail lines used or traveled by carriers of raw materials, manufactured products, waste material or by-products used or created by the industrial facility; sites where material handling activities are performed; refuse sites; sites used for the applications or disposal of process waste waters; sites used for the storage and maintenance of material handling equipment; sites used for residual treatment, storage or disposal; shipping and receiving areas; manufacturing buildings; storage areas, including tank farms, for raw materials, and intermediate and finished products.

**Industrial facility or industry** shall mean any premises whose function is classified in the latest edition of the Standard Industrial Classification Manual, also known as the SIC code manual, prepared by the Executive Office of the President, Office of Management and Budget.

**Material handling activities** shall mean the storage, loading and unloading, transportation or conveyance of any raw material, intermediate product, finished product, by-product or waste product.

**Monitoring** shall mean the performance of stormwater flow measurements, stormwater sampling, sample analysis and like procedures necessary to determine compliance with stormwater discharge activity.

**Municipal separate storm sewer system or MS4** shall mean a conveyance or system of conveyances, including roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, man-made channels and storm drains that are owned or operated by the City and are designed or used for collecting or conveying stormwater.

**OPDES Storm Water Discharge Permit** shall mean the most current "Multi-Sector General Permit for Storm Water Discharge Associated with Industrial Activities for the State of Oklahoma," or the most current "General Permit for Storm Water Discharge Associates with Construction Activities within the State of Oklahoma," with provisions under the Oklahoma Administrative Code (OAC), § 252:606, incorporating by reference 40 CFR Part 122.26, as issued by the Oklahoma Department of Environmental Quality (ODEQ).

**Outfall** shall mean a point source as defined in this chapter.

**Person** shall mean an individual, partnership, co-partnership, firm, company, corporation, association, joint stock company, trust, estate, governmental entity or any other legal entity, or their lawful representatives, agents or assignees. This definition shall include all federal, state and local governments.

**Point source** shall mean any discernible, confined and discrete conveyance, including but not limited to any pipe, ditch, channel, tunnel, conduit, well, discrete fissure, container, rolling stock, concentrated animal feeding operation, landfill leachate collection system, vessel or other floating craft from which pollutants are or may be discharged.

**Pollutant** shall mean any dredge spoil, solid waste, incinerator residue, oil, grease, sewage, garbage, sewage sludge, munitions, medical waste, chemical waste, industrial waste, biological materials, radioactive materials, heat, wrecked or discharged equipment, rock, sand, cellar dirt, agriculture waste, industrial waste, municipal waste and the characteristics of the wastewater including but not limited to, pH, temperature, TSS, turbidity, color, BOD, COD, toxicity and odor.

**Premises** shall mean any plot or tract of ground, regardless of size or plat, owned by a person or used by a person and any contiguous plots.

**Significant materials** shall mean any raw materials, fuels, materials such as solvents, detergents and plastic pellets, finished materials such as metallic products, raw materials used in food processing or production, hazardous substances.

**Spills** shall mean any release that has negatively or has the potential to negatively impact the quality of water within, or discharges from the City's municipal separate storm sewer system (MS4) or causes damaging or deleterious effects to the City's MS4, including all structures or appurtenances, or creates any violation of this chapter.

**Stormwater** shall mean any rainwater run-off, surface run-off and drainage related to storm events or snow melt.

**Stormwater discharge associated with industrial activity** shall mean stormwater from areas of industrial activity or areas where industrial activity has taken place in the past and significant materials remain and are exposed to stormwater.

**User** shall mean any source of direct or indirect discharge into the City's municipal separate storm sewer system (MS4).

**B.** As used in this chapter the following abbreviations shall have the meanings given below:

| | | |
|---|---|---|
| BMP | - | Best Management Practices |
| BOD | - | Biochemical Oxygen Demand |
| CFR | - | Code of Federal Regulations |
| COD | - | Chemical Oxygen Demand |
| EPA | - | United States Environmental Protection Agency |
| gpd | - | Gallons per Day |
| l | - | Liter |
| mg | - | Milligrams |
| mg/l | - | Milligrams per Liter |
| MS4 | - | Municipal Separate Storm Sewer System |
| OAC | - | Oklahoma Administrative Code |
| NOI | - | Notice of Intent |
| NOV | - | Notice of Violation |
| NPDES | - | National Pollutant Discharge Elimination System |
| ODEQ | - | Oklahoma Department of Environmental Quality |
| OPDES | - | Oklahoma Pollutant Discharge Elimination Discharge System (See Oklahoma Administrative Code (OAC), Title 252, Chapter 606, §§ 252:606-1-1 *et seq.*, as amended) |
| RCRA | - | Resource Conservation and Recovery Act of 1976 (Pub.L. 94-580, Oct. 21, 1976, 90 Stat. 2795, as amended) |
| SARA | - | Superfund Amendments and Reauthorization Act of 1986 (Pub.L. 99-499, Oct. 17, 1986, 100 Stat. 1613, as amended) |
| SWDA | - | Solid Waste Disposal Act (Pub.L. 89-272, Title II, Oct. 20, 1965, 79 Stat. 997, 42 U.S.C. §§ 6901, *et seq.* as amended) |
| TSD | - | Treatment, Storage and Disposal Facilities |
| TSS | - | Total Suspended Solids |
| USC | - | United States Code |

*(Ord. Nos. 18588, 21383)*

**Section 502. Discharge requirements.**

**A. Allowable discharges.**

**1.** The following types of discharges shall not be prohibited discharges unless the Director determines that the type of discharge, whether singly or in combination with others, causes contamination of surface water, stormwater or groundwater; causes overload or damage to the MS4 or has the potential to endanger public health and safety; or causes the City to violate its OPDES Municipal Storm Water Discharge Permit:

**a.** Potable water discharges;

**b.** Potable water line flushing;

**c.** Diverted stream flows;

**d.** Rising groundwater;

**e.** Uncontaminated groundwater infiltration;

**f.** Uncontaminated pumped groundwater;

**g.** Uncontaminated water from crawl space and footing drains;

**h.** Air conditioner condensations;

**i.** Irrigation water;

**j.** Springs;

**k.** Residential car washing (including charity car washes);

**l.** Flows from riparian habitats and wetlands;

**m.** Swimming pool discharges (e.g. discharges without significant amounts of chlorine); or

**n.** Municipal street washing waters.

**2.** Dye testing shall be an allowable discharge, but shall require verbal notification to the Director prior to testing. The City shall be exempt from this requirement.

**3.** Any discharge that has a current NPDES discharge permit with the EPA or has a current OPDES discharge permit with the ODEQ shall be an allowable discharge, with the following exceptions:

**a.** A discharge that results in the City violating its OPDES Municipal Storm Water Discharge Permit;

**b.** A discharge the Director determines causes contamination of surface water, stormwater or groundwater within the City; or

**c.** A discharge that could block or damage the MS4.

**4.** Stormwater that is not commingled with stormwater associated with industrial activity and required to obtain an OPDES Storm Water Discharge Permit before it may lawfully create a point source discharge into the MS4.

**5.** Any stormwater that is associated with industrial activity and has had pollutants removed by structural or nonstructural BMPs, to a level considered satisfactory by the Director shall be an allowable discharge.

**6.** Other types of discharges determined allowable by the Director.

**B. Prohibited discharges.**

**1.** It shall be unlawful and a misdemeanor offense to discharge or allow the discharge of any of the following into the City's MS4:

**a.** All non-stormwater except those classified as an allowable discharge in Subsection 502.A. of this chapter;

**b.** Any stormwater from any activity required to obtain an OPDES Storm Water Discharge Permit, unless the discharge is authorized by a valid OPDES Storm Water Discharge Permit;

**c.** Any spilled pollutants, unless it can be demonstrated that failure to allow the discharge will result in a greater imminent peril or hazard to the life, health, welfare or safety of the public; or

**d.** Any material that is disposed of or dumped in such a manner that causes pollutants to be discharged.

**2.** It shall be unlawful and a misdemeanor offense for any person to place, store or locate any material in such a manner that causes pollutants to be transported by wind, rain or other atmospheric conditions into the City's MS4.

**3.** Any point source discharge into the City's MS4 that either singly or in conjunction with other discharges causes the City to violate its OPDES Municipal Storm Water Discharge Permit shall be prohibited.

**4.** It shall be unlawful and a misdemeanor offense for any person to dispose of grass, dirt, leaves, trash or other pollutants into the City's MS4.

**5.** Any illicit discharge, except those allowable pursuant to Subsection 502.A. of this chapter, shall be prohibited.

*(Ord. Nos. 18588, 21383)*

## Section 503. Spills.

Spills that have the potential to enter or have entered the City's MS4 shall be contained, and remediation activity shall be commenced, as soon as possible. Any person identified as the source of any spill into the City's MS4 shall be required to remediate, remove and properly dispose of spilled materials. Remediation activities shall only be considered complete when the clean-up is deemed satisfactory by the Director. The required reporting or notification for such spills shall be completed as specified in Subsection 507.C of this chapter.

*(Ord. Nos. 18588, 21383)*

## Section 504. Pavement wash waters.

Discharges to the City's MS4, resulting from the cleaning of driveways, parking lots and other paved surfaces shall be deemed allowable upon the fulfillment of the following requirements:

**A.** The person conducting the cleaning shall employ BMPs, including but not limited to absorbent materials, which prevent the discharge of pollutants into the City's storm sewer;

**B.** Prior to any washing, floatables shall be removed from the surface that is about to be cleaned.

**C.** The discharge shall not result in a violation of the City's OPDES Municipal Storm Water Discharge Permit; and

**D.** The discharge, based upon the determination of the Director, shall not cause contamination of surface water, stormwater or groundwater within the City.

*(Ord. Nos. 18588, 21383)*

**Section 505. Construction activities.**

**A. Construction.** All construction activities, including the development, excavation, grading, regrading, paving, landfilling, berming and diking of land shall be conducted in such a manner as to minimize erosion and prevent the discharge of pollutants, including but not limited to rock, sand and soil into the City's MS4. Persons conducting the construction shall implement and maintain adequate structural and/or nonstructural BMPs for controlling the discharge of pollutants. The adequacy of any BMP shall be based upon the fulfillment of the following requirements:

**1.** The discharge shall not result in a violation of the City's OPDES Municipal Storm Water Discharge Permit;

**2.** The discharge, based upon the determination of the Director, shall not cause contamination of surface water, stormwater or groundwater within the City; and

**3.** The discharge, based upon the determination of the Director, does not transport sediment into the City's MS4.

**B. Responsible person.**

**1.** Any person with overall responsibility for the construction, such as the general contractor, shall be jointly responsible with the person at whose direction the construction is conducted, for purpose of compliance with Subsection 505.A of this chapter.

**2.** If construction on a particular site requires that a "Notice of Intent (NOI) for Storm Water Discharges Associated with Construction Activity Under the OPDES General Permit" be filed with the ODEQ, then the Facility Operator listed on the notice shall be responsible for compliance with Subsection 505.A of this chapter.

*(Ord. Nos. 18588, 21383)*

**Section 506. Record keeping.**

**A. Duration.** Every person and industry shall retain and make available to the Director for inspection and copying, all records and information required to be retained under this chapter, or order issued hereunder. The person or industry shall retain these records for a period of no less than five (5) years after an initial request by the Director. This retention period shall be automatically extended for the duration of any litigation concerning compliance with this chapter, or where the industry or person has been specifically notified of a longer retention period by the Director.

**B. Fraud and false statements.** Reports and other documents required to be submitted or maintained under this chapter, or order issued hereunder, shall be subject to the provisions of 18 U.S.C. § 1001, regarding fraud or false statements and the provisions of § 309c(4) of the Act, as amended, governing false statements, representations or certification.

*(Ord. Nos. 18588, 21383)*

## Section 507. Reporting requirements.

**A. Submission of correspondence.** Any industry that performs an industrial activity that is required under OPDES, OAC 252:606, to obtain an OPDES Storm Water Discharge Permit from ODEQ or to obtain an NPDES Storm Water Discharge Permit from the EPA, under 40 CFR Part 122.26, shall submit a copy of that application and permit, as well as any written correspondence with any federal, state or local agency regarding the permit, to the Director within fifteen (15) days of a request.

**B. Availability.** Any permits, pollution prevention plans or other documents regarding an industry's or construction site's OPDES Storm Water Discharge Permit shall be made available to the Director upon request.

**C. Spills.** Any person or industry shall, at the earliest possible time but, in any case, no later than one (1) hour from discovery, orally report to the Director a spill, release, dumping or other situation that has contributed or is likely to contribute pollutants into the MS4. This notification shall include the location, type, concentration and volume, if known, and corrective actions taken. Written notification shall also be made to the Quality Assurance Section of the Public Works and Development Department of the City within five (5) days of the discovery of the spill. This notification shall include all the notification requirements specified within this section. These reporting requirements shall be in addition to and not in lieu of any other reporting requirements imposed under federal, state and local laws or regulations.

**D.** All persons or industrial facilities may be required to provide other reports deemed necessary by the Director to monitor, maintain and ensure compliance with this chapter.

**E. Timing.** Reports required to be submitted pursuant to this chapter, or orders issued by the Director, shall be deemed to have been submitted on the date postmarked. For reports that are not deposited, postage prepaid, into a mail facility serviced by the United States Postal Service, or reports whose postmark is illegible, the actual date of receipt shall govern.

*(Ord. Nos. 18588, 21383)*

## Section 508. Compliance monitoring requirements.

**A. Stormwater sampling event criteria.** When the Director requires that a sample of a storm event shall be obtained, the following criteria shall be met:

**1.** The depth of the rainfall shall be greater than one-tenth (0.1) inch or its equivalent;

**2.** The sample storm event shall be preceded by at least seventy-two (72) hours of less than one-tenth (0.1) inch of rainfall; and

**3.** All point sources from the premises or industry required to sample must be sampled, unless otherwise specified, in accord with Subsection 508.E. of this chapter.

**B. Sampling.** When the Director has cause to believe that any person or industrial facility is violating the provisions of this chapter or in order to comply with the City's MS4 permit, a person or industrial facility may be required to obtain either a grab or composite sample and analyze any discharge, stormwater, groundwater or sediment and provide a copy of the analysis to the Director for review.

**C. Illicit discharge sampling.** When the Director has cause to believe that any discharge is an illicit discharge, the Director may obtain either a grab or composite sample and analyze the discharge. If the Director determines that the discharge is an illicit discharge, then the Director may fully recover all cost of the sampling and analysis from the person or industrial facility. When the discharge is likely to contain illicit discharges on a recurring basis, the person or industrial facility may be required by the Director to conduct monitoring activities at its expense.

**D. Chain-of-custody.** Upon completion of sample collections and documentation, a written record of the chain-of-custody shall be completed. The chain-of-custody record shall be an accurate step-by-step documentation of the sampling path, from origin through analysis. It shall contain the following information:

**1.** Name of the person(s) collecting the sample;

**2.** Sample ID numbers;

**3.** Date and time of sample collection;

**4.** Location of sample collection;

**5.** Name(s) and signature(s) of all persons handling the sample in the field and in the laboratory;

**6.** Type of sampling equipment used;

**7.** Type of preservation; and

**8.** Certification of sample authenticity.

A copy of the chain-of-custody shall remain with all sample analyses sent to the City for review.

**E. Substitution of substantially identical effluents.** When a person or industry is required to sample a storm event and that person or industry has two (2) or more outfalls, with substantially identical effluents, based on similarities of the industrial activities, significant materials and storm water management practices occurring within the outfalls' drainage areas, examination of only one (1) of the outfalls shall be required, provided the report shall state the examination applies to substantially identical outfall(s). For this to be permissible, the person or industry shall petition the Director to allow the sampling of only one (1) outfall and report that the data applies to substantially identical outfall(s). This petition shall include: locations of outfalls, why the outfalls are expected to discharge substantially identical effluents and estimates of the size of the drainage area of each outfall, in square feet.

**F. Monitoring methods.** Monitoring shall be conducted according to test procedures approved under 40 CFR Part 136. If 40 CFR Part 136 does not contain test procedures for the pollutant in question, analyses shall be conducted in accordance with procedures approved by the EPA.

*(Ord. Nos. 18588, 21383)*

## Section 509. Requirements for best management practices.

**A. Implementation.** If the Director determines that a stormwater discharge into the MS4 is, or has the potential of, contributing to water quality degradation, has potential to cause any violation of this chapter or, causes a violation of the City's OPDES Municipal Storm Water Discharge Permit, a BMP shall be implemented. The type and

number of BMPs shall be addressed individually, with the initial implementation of nonstructural BMPs, followed by structural BMPs. The Director may require additional BMPs to be implemented for any discharge from a commercial, residential and industrial source.

**B. Spill BMPs.** All persons and industrial facilities shall take measures to prevent spills or any other accidental introduction of pollutants into the MS4. These measures shall take the form of BMPs.

*(Ord. Nos. 18588, 21383)*

### Section 510. Inspections and sampling.

**A. Right of access.** The Director or the Director's authorized representative bearing credentials, shall be permitted to gain access to such premises as may be necessary for the purpose of inspecting, observing, measuring, sampling and testing, as often as may be necessary, to determine compliance with the provisions of this chapter.

**B. Inspections.** The Director or the Director's authorized representative bearing credentials, retains the right to perform inspections at any industrial facility or any other premises that discharges or has the potential to discharge stormwater into the MS4. Whenever an inspection of such premises is made, the findings shall be recorded and a copy of the inspection report made available to the owner or person in charge of such premises, after finalization of the inspection report.

*(Ord. Nos. 18588, 21383)*

### Section 511. Administrative enforcement remedies.

The following enforcement provisions are intended to encourage compliance with this chapter.

**A. Notice of violations.** Whenever the Director determines that a violation of this chapter has occurred or is occurring, the Director may issue a notice of violation (NOV) to the person or industry. This NOV shall include the nature of the violation and provide a reasonable time for correction. The Director may require, within fifteen (15) days of the receipt of this NOV, an explanation of the violation and a plan for the satisfactory correction and prevention, including specific required actions. The explanation and plan shall be submitted by the violator to the Director in writing. Submission of this plan shall in no way relieve the person or industry of liability for any violation(s) occurring before or after receipt of the NOV. Issuance of a NOV shall not preclude any other enforcement action.

**B. Administrative orders.**

1. **Consent orders.** The Director is empowered to enter consent orders, assurances of voluntary compliance or other similar documents establishing a consensus with any person or industry for noncompliance. Such an order shall include specific action to be taken by the violator to correct the noncompliance within a time period specified in the order. Consent orders shall be judicially enforceable.

2. **Compliance orders.** When the Director finds that a person or industry has violated or continues to violate this, chapter or orders issued hereunder, the Director may issue an order to the violator directing that compliance be obtained within a specified time period. If compliance is not achieved within the time period,

water service or sewer service, or both services may be discontinued, unless adequate BMPs or other related appurtenances are installed and properly operated. Compliance orders may also contain other requirements addressing noncompliance, including additional self-monitoring. A compliance order shall not extend the deadline for compliance established by a federal standard or requirement, nor shall a compliance order release the violator from liability for any violation, including any continuing violation. Issuance of a compliance order shall not preclude any other enforcement action.

3. **Cease and desist orders.** When the Director finds that a person or industry is violating provisions of this chapter, or any order issued hereunder, or that past violations are likely to recur, the Director may issue an order directing the violator to cease and desist all such violations or activities likely to cause a recurrence, and to:

   **a.** Immediately comply with all requirements, and

   **b.** Take such appropriate remedial or preventive actions as may be necessary to properly address a continuing or threatened violation, including halting operations or terminating the discharge.

4. Issuance of a cease and desist order shall not preclude other action against the violator.

5. Administrative orders may be revised by the Director at anytime in order to insure compliance with this chapter.

**C. Administrative fines.**

1. When the Director finds that a user has violated or continues to violate any provision of the chapter, or order issued hereunder, the Director, upon good cause shown, may impose an administrative fine against such user in an amount not to exceed One Thousand Dollars ($1,000.00). Such fines may be assessed on a per violation, per day basis.

2. Notice of an administrative fine shall be served personally on the user or by certified mail, return receipt requested. Payment of the fine shall be received by the Director within fifteen (15) days after such notice is served.

3. Failure to submit payment for an administrative fine within fifteen (15) days shall be considered a violation of this chapter.

4. Issuance of an administrative fine shall not preclude any other action against the user.

**D. Cost recovery of expenses incurred for violation of this chapter.** Notwithstanding any other provision of this chapter, the Director may require any person and or industry found to have violated any provision of this chapter, or orders issued hereunder, to reimburse the City for any goods or services used to remove pollutants from the City's MS4, prevent further discharge of pollutants into the MS4, and shall become liable to the City for any expense, loss or damages experienced by the City as a result of a violation. The City may pursue its right of action to recover all such costs, by utilizing any and all reasonable methods, including installment payment administered by the Finance Department. The City may recover the costs incurred by adding them to the utility bill of the violator or filing a lien on the subject property.

**E. Mitigation of pollutant discharge to the MS4.** Whenever it has been determined or in the opinion of the Director, a discharge of pollutants(s) to the MS4 has the potential to negatively impact water quality or public safety, the person responsible for the discharge may be required by the Director to mitigate and or remove such pollutants from the MS4. Removal and or mitigation of the pollutant must occur with in a reasonable time period, as determined by the Director. Removal and or mitigation shall be considered complete at the discretion of the Director. Failure to comply with this requirement shall be a violation of this chapter.

**F. Water supply severance.** Whenever a person has violated, or continues to violate any provision of this chapter, or orders issued hereunder, water service may be severed. Service shall only recommence at the violator's expense, after the violator has satisfactorily demonstrated an ability to comply, and actual compliance.

**G. Appeals.** Any person aggrieved by any NOV, administrative fine or order issued by the Director pursuant to Section 511 of this chapter may appeal the action as provided in this subsection.

**1.** The initiation of an appeal shall be in writing and filed with the Director no later than fifteen (15) days after service of notice of the action appealed from. The written notice of appeal shall specify the action appealed, detail why the action is in error and specify provision of ordinances or statutes supporting the person's appeal.

**2.** Upon receipt of a notice of appeal by the Director, the Director shall conduct any necessary investigation into the basis of the appeal and hold a hearing within thirty (30) days of receipt. However, upon review of the notice of appeal, if the Director determines that the basis of the appeal is patently frivolous or filed only for purposes of delay, then the Director may deny the appeal without a hearing. Upon the Director's denial without a hearing, the appellant shall be notified in writing of the denial and the grounds for denial.

**3.** At the conclusion of a hearing on an appeal, if the appeal is sustained in favor of the appellant, the Director may modify or withdraw the notice, fine or order.

If the Director fails to act on the appeal within thirty (30) days of concluding the hearing, the appeal shall be deemed denied. Any ruling, requirements, decisions or actions of the Director on appeal shall be final and binding, unless appealed to the City Council.

**4.** Any person aggrieved by an appeal decision of the Director may perfect an appeal to the City Council by filing a written notice of appeal with the City Clerk and the Director within fifteen (15) days from the date of the action by the Director. Such notice shall specify grounds for the appeal. A hearing on the appeal shall be commenced by the Council no later that thirty (30) days from the date the notice of appeal was filed with the City Clerk. The City Council shall have jurisdiction to affirm, modify, reverse or remand the action of the Director upon good cause shown. Any rulings, requirements or decision of the Council shall be final and binding, provided that any right of appeal to the courts shall not be abrogated.

*(Ord. Nos. 18588, 21383)*

## Section 512. Violations, injunction and criminal prosecution.

**A. Injunctive relief.** Whenever a person or industrial facility has violated or continues to violate the provisions of this chapter, or orders issued hereunder, the Director, with the

advice and counsel of the City Attorney and the approval of the Mayor, may petition the district court for the issuance of an injunction, which restrains or compels the activities on the part of the person or industry. A petition for injunctive relief shall not preclude any other action against a person or industrial facility.

**B. Criminal prosecution.** It shall be unlawful and a misdemeanor offense for any person to violate any of the provisions of this chapter, or any order issued hereunder. Any person convicted of a violation of this chapter, or any order issued pursuant to this chapter, shall be guilty of a misdemeanor offense and shall be punished by a fine of not more than One Thousand Dollars ($1,000.00), excluding costs, fees and assessments, or by imprisonment in the City jail for a period not exceeding six (6) months, or by both such fine and imprisonment. Each day, or portion thereof, during which a violation is committed, continued or permitted shall be deemed a separate offense.

**C. Remedies nonexclusive.**

**1.** The provisions of Sections 511 and 512 of this chapter shall not be exclusive remedies. The City reserves the right to take any combination of actions against a violator of this chapter. These actions may be taken concurrently.

**2.** The City may recover reasonable attorney's fees, court costs and other expenses associated with enforcement activities, including sampling and monitoring expenses, and the cost of any actual damages incurred by the City.

*(Ord. Nos. 18588, 21383)*

## Section 513. Confidential information.

Information and data regarding a person, industrial facility or industrial activity obtained from reports, surveys, OPDES stormwater discharge permit applications or permits, monitoring programs, inspections and sampling activities may be available to the public in accordance with the Oklahoma Open Records Act, (51 O.S.2001, §§ 24.A.1, *et seq.*) or to other government agencies unless the industrial facility or industrial activity can demonstrate to the Director's satisfaction that the release of such information would divulge information regarding trade secrets which is entitled to protection under applicable state law. If, in the opinion of the Director, that information and data requested may disclose trade secrets or secret processes, then the information or data will not be made available.

*__Editor's note—__Ord. No. 24035, § 1, adopted November 7, 2018, amended Title 11-B in its entirety to read as herein set out. Former Title 11-B, Chs. 1—8, pertained to similar subject matter. See Code Comparative Table for complete derivation.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. GENERAL

Section 100. Purpose.
Section 101. Definitions.
Section 102. Duties of Mayor or designee.
Section 103. Delegation of powers to the authority.
Section 104. Rules and regulations.
Section 105. Unlawful dumping.
Section 106. Unlawful storage of solid waste.
Section 107. Presumptions.
Section 108. Scavenging prohibited.

### Section 100. Purpose.

Pursuant to the provisions of the Oklahoma Solid Waste Management Act, 63 O.S., §§ 2251 et seq., as amended and renumbered to 27A O.S. §§ 2-10-101 et seq., the City of Tulsa, Oklahoma, does hereby adopt the ordinances governing the system for the management of solid waste within the municipal corporate limits of the City.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 101. Definitions.

Unless otherwise provided herein, for the purposes of this title and any rules or regulations adopted pursuant to its provisions, the following terms shall have the meanings given herein.

**Acceptable solid waste** shall mean solid waste which is not unacceptable waste and which is collected within the City of Tulsa.

**Authority** shall mean the Tulsa Authority for the Recovery of Energy, an Oklahoma public trust, and shall include the Tulsa Authority for the Recovery of Energy's appointed officials, officers, employees, and agents.

**Backyard collection service** shall mean collection of all residential solid waste and program recyclable materials at the following location:

**A.** A location at the front, side or rear of a residential service unit;

**B.** A location greater than four (4) feet but not in excess of one hundred (100) feet from the curb of such residential service unit or traveled portion of any roadway;

**C.** A location acceptable to both the resident and contractor for collection of residential solid waste and program recyclable materials; and

**D.** Bulky waste and/or curbside yard waste are not collected from a backyard location.

**Bag** shall mean a container of flexible material designed or intended to store acceptable solid waste with sufficient wall strength to maintain physical integrity when lifted at the top. Bags placed outside of the cart shall not exceed forty (40) pounds in weight. All bags must be closed or sealed.

**Bulky waste** shall mean acceptable solid waste composed of materials not easily fitting into a cart such as, but not limited to, green waste, furniture, large electronics, and large appliances. Bulky waste includes:

**A.** Items such as appliances including washers, dryers or stoves; furniture including couches, recliners, mattresses, or box springs; other large household items including pianos, grills, televisions and computers.

**B.** Residential solid waste in a bag but without an extra refuse sticker.

**C.** Bags or bundles of curbside yard waste.

**D.** Tree limbs and brush that are larger in size than curbside yard waste.

**E.** Refrigerators, freezers, dehumidifiers, air-conditioning units and other appliances which contain chlorofluorocarbons (CFCs) or hydrochlorofluorocarbons (HCFCs).

As respects green waste, the term "bulky waste" shall include tree stumps having a diameter at two (2) feet or more.

**Cart** shall mean a receptacle provided by the authority, equipped with wheels, a bar, and a radio frequency identification (RFID) tag (UHF), with a capacity of approximately ninety-six (96) gallons, sixty-four (64) gallons, forty-eight (48) gallons or thirty-two (32) gallons, designed to be dumped into a loader-packer type truck.

**City** shall mean the City of Tulsa, Oklahoma in its capacity as a duly constituted and organized municipality under and pursuant to its Charter and the laws of the State and shall include City's officers, elected officials, employees and agents.

**Collections contractor** shall mean a person contracted by the authority to collect residential solid waste, program recyclable materials and/or curbside yard waste.

**Commercial establishment** shall mean an establishment which is not a residential service unit where the operation or establishment may be characterized as commercial, industrial or institutional in nature. Commercial establishments include mobile home parks and other multifamily structures or complexes having four (4) or more units where the solid waste collection container or containers are used jointly by the occupants of such structures so that no single occupant has exclusive use thereof and/or where no individual family unit within the multifamily structure or complex is serviced or billed directly through an individual water meter.

**Commercial solid waste** shall mean all solid waste resulting from any operation or generated within or emanating from any commercial establishment.

**Commercial waste container** shall mean any receptacle from which or in which commercial solid waste is collected by commercial waste collectors.

**Construction and demolition waste** shall mean wastes from construction and demolition operations and shall include, but shall not be limited to concrete, bricks, plumbing fixtures, plastics, lumber, trees and tree trimmings.

**Contract administrator** shall mean the City's refuse and recycling systems manager, or designee, or such other person(s) designated by the authority, which shall represent the authority in the administration and supervision of the authority's agreements with its vendors, contractors and suppliers.

**Curb** shall mean the edge of a traversable roadway marked or understood as such.

**Curbside** shall mean a location within four (4) feet of the curb or traveled portion of any roadway and outside any fence.

**Curbside collection service** shall mean collection at curbside of all residential solid waste, program recyclable materials, curbside yard waste and bulky waste.

**Curbside yard waste** shall mean grass clippings, vegetation trimmings, leaves, branches and limbs collected from residential service units and placed in clear bags or tied in bundles placed curbside for collection. Bags or bundles shall not exceed forty (40) pounds in weight per item and tied bundles shall not exceed four (4) feet in length and two (2) feet in diameter.

**Director** shall mean the director of the streets and stormwater department of the city.

**Disposal site** shall mean the location where any final treatment, utilization, processing or developing of solid waste occurs, but does not include incineration.

**Extended backyard collection service** shall mean collection of all residential solid waste and program recyclable materials at the following location:

**A.** A location at the front, side or rear of a residential service unit;

**B.** A location greater than one hundred (100) feet from the curb of such residential service unit or traveled portion of any roadway;

**C.** A location acceptable to both the resident and collections contractor for collection of residential solid waste and program recyclable materials; and

**D.** Bulky waste and/or curbside yard waste are not collected from an extended backyard location.

**Extra acceptable solid waste** shall mean residential solid waste exceeding the quantity that can be contained in solid waste cart(s) at the residential service unit which must be placed in bags with an extra refuse sticker affixed.

**Extra refuse sticker** shall mean a self-adhesive sticker purchased from the city, the authority, or authorized agents which must be affixed to all bags outside the cart which contain extra acceptable solid waste.

**Garbage** shall mean all putrescible wastes from any place where meats, fish, fowl, fruits or vegetables are prepared for food for immediate consumption and shall include all household waste containing organic matter that has been prepared for or was intended to be used as food or has resulted from the preparation of food. Garbage shall include cigarette butts, ashes, dead animals, animal excreta or any article or substances soiled by human or animal excreta or any other bodily fluid.

**Green waste** shall mean burnable debris as defined by the Federal Emergency Management Agency, including, but not limited to, grass clippings; leaves; damaged and disturbed trees, bushes and shrubs; broken, partially broken, and severed tree limbs, processed or unprocessed; tree stumps (limited to those less than two (2) feet in diameter), and bushes. Burnable debris consists predominately of trees and vegetation.

**Green waste disposal site** shall mean any City-operated land reclamation site(s).

**Hazardous waste** shall have the meaning set forth in 27A O.S. § 2-7-103, as amended from time to time.

**Health department** shall mean the Tulsa City-County Health Department, sometimes referred to as the "Tulsa Health Department;" should it cease to exist, the term shall mean the Oklahoma State Department of Health or any other governmental agency having jurisdiction over public health in the City of Tulsa.

**Household pollutants** shall mean residential solid waste that consists of substances and materials that are identified as "household hazardous waste" as defined in the regulations of the Oklahoma Department of Environmental Quality at Section 252:515-1-2 of the Oklahoma Administrative Code.

**Once per week collection service** shall mean collection of residential solid waste, program recyclable materials, and curbside yard waste once per week at a residential service unit.

**Person** shall mean any individual, firm, corporation, organization, government or governmental subdivision or agency, business trust, partnership, association, or any other legal entity, where appropriate in the context.

**Physically limited services** shall mean once per week backyard collection service or extended backyard collection service at any residence where the person responsible for the payment of the utility services and every person residing at the residence suffers from certain infirmities of health, or physical limitations which make them unable to place their residential solid waste and program recyclable materials at the curb as certified by a licensed physician or, if appropriate, a doctor of optometry.

**Program recyclable materials** shall mean materials determined by the authority to be accepted for collection as recyclable material to be collected in the City's voluntary residential recycling program and processed for recycling pursuant to this title. A current list of program recyclable materials is published by the City and available online at http://www.tulsarecycles.com.

**Recyclable material** shall mean material that has reached the end of its useful life which can be processed into material utilized in the production of new products.

**Recycling** shall mean a series of activities by which material that has reached the end of its useful life is processed into materials utilized in the production of new products.

**Residential service unit** shall mean the following occupied dwellings within the City of Tulsa:

**A.** Single family houses;

**B.** Duplexes;

**C.** Triplexes; and

**D.** Other residential establishments utilizing carts for collection of residential solid waste and designated as a residential service unit by the contract administrator.

A residential service unit shall be deemed occupied when either water or domestic light and power services are being supplied thereto.

**Residential services** shall mean collection of residential solid waste, program recyclable materials, curbside yard waste, and bulky waste from residential service units.

**Residential solid waste** shall mean all acceptable solid waste resulting from any operation or generated within or from any residential service unit.

**Roadway** shall mean that portion of a street improved, designed and ordinarily used for vehicular travel.

**Solid waste** shall mean all putrescible and non-putrescible refuse in solid, semisolid, or liquid form including, but not limited to, garbage, rubbish, ashes or incinerator residue, street refuse, dead animals, construction and demolition waste, solid or semisolid commercial and industrial wastes including explosives, biomedical wastes, chemical wastes, herbicide and pesticide wastes. The term "solid waste" shall not include:

**A.** Scrap materials which are source separated for collection and processing as industrial raw materials, except when contained in the waste collected by or on behalf of a solid waste management system;

**B.** Used motor oil, which shall not be considered to be a solid waste but shall be considered a deleterious substance.

**State** shall mean the State of Oklahoma.

**Twice per week collection service** shall mean once per week collection service plus one additional residential solid waste collection per week.

**Unacceptable waste** shall mean disaster debris; hazardous waste; construction and demolition waste; poisons; acids; caustics; explosives; medical wastes; body wastes; bio-hazardous wastes; automobile frames; petroleum products and materials which may cause damage to collection equipment or personal injury to collectors; animal excreta or any article or substances soiled by human or animal excreta that has not been tightly sealed in a plastic bag prior to placement for collection; refuse which has been combined or mixed with any of the above-mentioned items; and any materials which would have a reasonable possibility of causing injury to health, safety, or property, which is collected from residential service units.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 102. Duties of Mayor or designee.

Pursuant to the provisions of the Charter and Revised Ordinances of the City of Tulsa, the Mayor or designee shall exercise all lawful powers necessary and appropriate for the management of all Solid Waste within the jurisdiction and control of the City.

The unauthorized or unlawful collection, transportation and disposal of Solid Wastes within the City of Tulsa are hereby declared to be a nuisance and a violation of this title.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 103. Delegation of powers to the authority.

The authority is hereby directed to take such steps as are necessary to assure the collection, removal, transportation, and disposal of all solid waste, program recyclable materials, curbside yard waste, bulky waste, household pollutants, and green waste. The authority shall operate or cause to be operated a collection, recycling, processing and disposal system for the City and for neighboring areas in the event an appropriate contractual relationship can be developed with those neighboring areas for the equitable sharing of costs.

**A.** Residential services shall at all times be in compliance with all provisions of this title and the rules and regulation established pursuant thereto.

**B.** No billing or collection of fees or charges or any functions connected with billing or collection of fees or charges may be performed by any contractor supplying labor and management services to the authority for the operation of any portion of the system. This prohibition shall not apply to the City.

**C.** The authority may solicit contractors licensed under the provision of this title for supplying labor and equipment for the operation of residential services. Such solicitations shall be made using good procurement techniques, consistent with sound business procedure and in compliance with all applicable laws. In addition, the authority may contract with the City on such terms as it deems best for the operation of all or any part of the system; provided however, that in an emergency wherein the public health or safety is threatened from a sudden, unexpected happening or an unforeseen occurrence, condition or situation, the authority may operate the residential services, cause the system to be operated by the City, or contract with such persons as it deems appropriate, using funds supplied by the authority from revenues provided for in Chapter 5.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 104. Rules and regulations.

The Director shall formulate operational rules and regulations applicable to solid waste service providers and may adopt or amend such rules and regulations not inconsistent with this title as needed for the management of all solid waste within the jurisdiction and control of the City. Such operational rules and regulations thereafter shall be kept on file in the Office of the City Clerk.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 105. Unlawful dumping.

It shall be unlawful and an offense for any person to deliberately place, drop, dump, deposit, throw, or discard any garbage, trash, waste, rubbish, refuse, debris or other deleterious substance on any public property or private property owned by another, including but not limited to any street, road, or park, without the consent of the property owner. This does not apply to the lawful deposit of solid waste in facilities that have permits issued by the State to accept such waste. In addition to the penalty as prescribed in the ordinance, the court may direct the person to make restitution to the property owner affected.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 106. Unlawful storage of solid waste.

It shall be unlawful and an offense for any person to store or to accumulate solid waste in a manner which allows the solid waste to be carried by wind, rain, or other atmospheric condition from property owned or controlled by that person onto the property of another person or onto public property.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 107. Presumptions.

The discovery of two (2) or more items of solid waste which have been dropped, dumped, deposited, discarded, placed, or thrown at one location and which bear a common address in a form which tends to identify the latest owner of the items shall create a rebuttable presumption that any competent person residing at such address committed the unlawful act.

*(Ord. No. 24035, § 1, 11-7-2018)*

## Section 108. Scavenging prohibited.

It shall be unlawful for any person not authorized by the City or the authority to remove, collect or disturb the solid waste, program recyclable materials or bulky waste set out for collection and disposal by the authority. This prohibition does not apply to law enforcement officers acting within the scope of their official duties.

*(Ord. No. 24035, § 1, 11-7-2018)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 2. RESIDENTIAL SOLID WASTE

Section 200. Residential solid waste collection.
Section 201. Residential carts required.
Section 202. Maintenance and storage of carts.
Section 203. Preparation of residential solid waste for collection.
Section 204. Preparation of program recyclable materials for collection.
Section 205. Preparation of curbside yard waste for collection.
Section 206. Preparation of bulky waste for collection.
Section 207. Curbside collection service.
Section 208. Backyard collection service.
Section 209. Extended backyard collection service.
Section 210. Physically limited services.
Section 211. Missed collection.
Section 212. Household pollutants collection facility.
Section 213. Pilot collection programs.

### Section 200. Residential solid waste collection.

**A.** All residential solid waste shall be removed, transported and/or disposed of under the exclusive control and regulation of the authority subject to the provisions of this title and to such rules and regulations adopted pursuant to the provisions of this title.

**B.** Residential solid waste shall be collected, removed, transported, and disposed of only by the authority, its agents, employees, or persons with whom it shall contract. All other persons are prohibited from all such activities except as may be provided in the rules and regulations adopted pursuant to the provisions of this title. Every person occupying or having control of the occupancy of any residential service unit shall be deemed to have entered into an implied contract with the authority providing for the payment by such person for residential solid waste collection, recycling, processing and disposal service at the rate and manner specified in this title. The charges for the first and last billing for such service shall be prorated according to the number of calendar days within the billing periods, based on a thirty (30) day billing period for one month's service. The contract shall give the name and the official address of the person to whom the service is to be rendered and shall reserve to the authority the rate to be charged and collected for the collection, processing and disposal of residential solid waste. The contract shall provide that rates may be changed at any time by ordinance and shall specify that the contract is subject to all provisions of this title, rules and regulations adopted pursuant thereto, and any City ordinance relating to this subject hereinafter enacted.

**C.** Subject to TARE's existing collection and disposal contracts with its contractors and to rules and regulations promulgated by the Director, each residential service unit may choose between curbside, backyard collection service, extended backyard collection service, and physically limited services for collection of residential solid waste and program recyclable materials. Subject to TARE's existing collection and disposal contracts with its contractors, rules and regulations promulgated by the Director, and other applicable restrictions, the residential service unit may also choose between once per week or twice per week collection service and may choose to receive a solid waste cart with a capacity of ninety-six (96) gallons, sixty-four (64) gallons, or thirty-two (32)

gallons. Residential service units choosing a solid waste cart with a capacity of ninety-six (96) gallons may elect to receive additional ninety-six (96) gallon solid waste carts. The authority shall have the authority to designate the location for collection, with consideration for such factors as: convenience for the collector; convenience for customers; hazardous condition such as cables, utility poles, equipment clearance, animals; and collection costs.

**D.** The authority shall charge a fee for each service or level of service in an amount fixed by the authority and approved by the City Council.

**E.** A person requesting physically limited services shall submit an application to the authority for approval. Such application shall be in a form prescribed by the Director or designee. The application shall be certified by a licensed physician, or licensed physicians, stating that the applicant suffers from certain infirmities of health, physical disability or age which makes him or her unable to place residential solid waste and program recyclable materials at curbside. A certification may also be made by a doctor of optometry where an applicant's disability is eye-related. The applicant shall certify that each person residing at the residence suffers from certain infirmities of health, physical disability or age which make them unable to place residential solid waste and program recyclable materials at curbside. Approved applicants will be reviewed through field verifications on an annual basis.

**F.** In the event a multi-family structure or complex is comprised of individually metered family units and that structure or complex is located on roads or streets not owned or maintained by the City and the individual family units or owners are parties to acceptable covenants of common maintenance, upon application, the structure or complex may be designated as commercial by the Director.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 201. Residential carts required.

**A.** Every occupant of a residential service unit shall only use solid waste cart(s) provided by the authority of sufficient number and size to hold the residential solid waste that accumulates at the residential service unit between regular collection days. Every occupant of a residential service unit shall only use recycling cart(s) provided by the authority to hold program recyclable materials. This requirement does not prohibit temporary containers larger than two (2) cubic yards in size utilized for cleanouts, construction and special projects in accordance with the Director's rules and regulations. Carts shall be maintained in good condition by the customer in control of the residential service unit allowing for normal wear and tear.

**B.** Residential solid waste carts and recycling carts shall be kept secure with lids closed or covers in place when stored or placed for collection to prevent access to their contents by insects, rodents, and other animals, to minimize fire hazard, and to prevent accumulation of water and scattering of litter. When carts deteriorate so as to become non-leakproof or otherwise hazardous to persons or property, they shall be replaced. The owner or person in control of a residential service unit may request a replacement cart by contacting the City.

**C.** Carts placed for collection shall not exceed the following weights when loaded:

32-gallon cart—80 pounds.

48-gallon cart—120 pounds.

64-gallon cart—160 pounds.

96-gallon Cart—240 pounds.

*(Ord. No. 24035, § 1, 11-7-2018)*

**Section 202. Maintenance and storage of carts.**

**A.** A solid waste or recycling cart supplied to a residential service unit by the authority remains the property of the authority. It is assigned to a specific address and must not be removed from the residential service unit unless authorized by the Director or the collections contractor.

**B.** The customer in control of the residential service unit shall keep each cart clean.

**C.** The customer in control of the residential service unit shall not alter, mark, decorate or modify a cart.

**D.** Carts must not be abused or mutilated. A fee is charged for replacement of a cart damaged by negligence or abuse.

**E.** The customer in control of the residential service unit shall promptly notify the City of the theft of a solid waste or recycling cart or of a need for repair or replacement of a solid waste or recycling cart.

**F.** When not placed for collection, carts shall be stored by the residential service unit in a secure place at that residential service unit. The carts shall be stored behind the front building line of the residential service unit (for corner properties, behind the front and side building lines) and either: (1) on the side of the residential service unit within three feet of the residential service unit; or (2) hidden from sight so as not to be visible to a person standing in front of the residential service unit. Residents who use physically limited services are not required to store their carts behind the front building line of the residential service unit.

*(Ord. No. 24035, § 1, 11-7-2018)*

**Section 203. Preparation of residential solid waste for collection.**

**A.** Except as provided in subsection (B), residential solid waste shall be placed for collection only in carts provided by the authority and in a manner that does not impede the free flow of materials from the cart when it is being emptied. In order to keep carts clean, substantially all residential solid waste shall be contained in bags as defined in Chapter 1 of this title. Residential solid waste placed for collection at a residential service unit shall consist only of residential solid waste generated at the location of such residential service unit.

**B.** Residential solid waste may be placed outside of a cart for collection only under the following circumstances:

**1.** Residential solid waste must be contained in a bag and the bag must be securely tied.

**2.** The bag and contents of the bag weigh no more than forty (40) pounds.

**3.** Adhered to the bag is an extra refuse sticker issued by the authority.

**4.** A maximum of fifteen (15) items placed outside the cart(s) shall be set out for collection each week. The collection limit applies to any combination of bags affixed with an extra refuse sticker, clear bags containing curbside yard waste and/or bundles of curbside yard waste.

**C.** Materials which would have a reasonable possibility of causing injury to the health, safety or property of the collectors or others such as broken glass, hypodermic needles, sawdust, animal excrement, shall only be placed for collection as permitted by, and prepared in accordance with, the standards set forth in the rules and regulations adopted pursuant to the provisions of this title.

**D.** All containers of liquids and all residential solid waste that is mixed with liquids shall be drained before being placed in carts for collection.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 204. Preparation of program recyclable materials for collection.

**A.** Program recyclable materials shall be placed loosely in recycling carts provided by the authority and in a manner that does not impede the free flow of materials from the cart when it is being emptied.

**B.** Program recyclable materials placed outside of a recycling cart will not be serviced. The lid to the cart must close completely.

**C.** Placing any item or substance that is not a program recyclable material in a recycling cart is prohibited. The collections contractor will not collect anything from a recycling cart in which a non-program recyclable material has been placed.

**D.** Recycling carts that are continuously or repeatedly contaminated by items or substances that are not program recyclable materials will be removed from the residential service unit according to standards established by the director's rules and regulations.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 205. Preparation of curbside yard waste for collection.

**A.** Curbside yard waste may be placed in the solid waste cart only when it fits in the primary solid waste cart, on the primary service day, with the lid closed and does not impede the free flow of materials from the cart when it is being emptied. Grass clippings, weeds and leaves must be placed in a bag before being placed in the solid waste cart. All other curbside yard waste may be placed loosely in the solid waste cart. Curbside yard waste shall not be placed in the recycling cart. Curbside yard waste placed for collection at a residential service unit shall consist only of curbside yard waste generated at the location of such residential service unit.

**B.** Curbside yard waste bags or bundles shall be placed for collection curbside under the following circumstances:

**1.** Bags are clear and are securely tied. The bag and contents of the bag must weigh no more than forty (40) pounds.

**2.** Each bundle must not exceed four (4) feet in length by two (2) feet in diameter and must be securely tied with twine or string. Each bundle must weigh no more than forty (40) pounds.

**3.** A maximum of fifteen (15) items placed outside the cart(s) shall be set out for collection each week. The collection limit applies to any combination of bags affixed with an extra refuse sticker, clear bags containing curbside yard waste and/or bundles of curbside yard waste.

*(Ord. No. 24035, § 1, 11-7-2018)*

**Section 206. Preparation of bulky waste for collection.**

**A.** A person must contact the city to request that a bulky waste collection be scheduled for a residential service unit. A fee is charged for a bulky waste collection.

**B.** Bulky waste placed for collection shall not exceed eight (8) cubic yards in volume.

**C.** Bulky waste must be separated and placed a minimum of three (3) feet away from carts and extra acceptable solid waste bag(s) and curbside yard waste bag(s).

**D.** Bulky waste placed for collection at a residential service unit shall consist only of bulky waste generated at the location of such residential service unit. Bulky waste shall be placed for collection as follows:

**1.** Materials shall be placed neatly and tightly stacked at a point adjacent to the curb. Materials shall be stacked a minimum of three (3) feet away from utility poles, water and gas meters, fences, mail boxes, fire hydrants, trees, parked cars, power lines, and other obstructions to prevent damage by collection equipment and to allow the safe collection of the materials. Small items must be properly contained. Materials strewn about or not neatly or tightly placed or stacked will not be picked up.

**2.** Materials shall not be placed in the street, in an alley, on a sidewalk, or on a vacant lot, unless approved by the Director.

*(Ord. No. 24035, § 1, 11-7-2018)*

**Section 207. Curbside collection service.**

**A.** Solid waste carts, recycling carts, bags with an extra refuse sticker, curbside yard waste and bulky waste shall be placed curbside no earlier than 5:00 p.m. on the day preceding the scheduled collection day, and no later than 6:00 a.m. on the scheduled collection day.

All carts and bags shall be removed from curbside by 6:00 a.m. of the following day unless a missed collection is reported to the City in accordance with Section 211.

**B.** Solid waste carts, recycling carts, bags with an extra refuse sticker, curbside yard waste, and bulky waste shall not be placed in the street, in an alley, on a sidewalk, or on a vacant lot, unless approved by the Director.

**C.** Carts shall be placed curbside for collection:

**1.** With the lids securely closed;

**2.** With the hinges facing away from the street;

**3.** With a minimum clearance of three (3) feet on all sides of the cart from any fence, gas or water meter, fire hydrant, utility pole, utility box, container, bulky waste item, or other obstruction; and

**4.** Where trees or other vegetation overhang the curbside area, carts shall not be placed underneath such overhanging trees or other vegetation.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 208. Backyard collection service.

**A.** Cart(s) containing residential solid waste and bag(s) outside the cart(s) each with an extra refuse sticker shall be placed adjacent to the residential service unit. The lid of each cart shall be securely closed. A maximum of three (3) bags each with an extra refuse sticker may be set out for collection.

**B.** Cart(s) containing program recyclable materials shall be placed adjacent to the residential service unit. The lid of each cart shall be securely closed.

**C.** On the day of collection, backyard customers may place their cart(s) and bags tagged with an extra refuse sticker up to one hundred (100) feet from the traveled part of the roadway.

**D.** Curbside yard waste is not collected from a backyard location. Bags or bundles of curbside yard waste shall be placed within four (4) feet of the curb or traveled portion of any roadway and outside any fence.

**E.** Bulky waste is not collected from a backyard location. Bulky waste shall be placed within four (4) feet of the curb or traveled portion of any roadway and outside any fence.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 209. Extended backyard collection service.

**A.** Cart(s) containing residential solid waste and bag(s) outside the cart(s) each with an extra refuse sticker shall be placed adjacent to the residential service unit. The lid of each cart shall be securely closed. A maximum of three (3) bags each with an extra refuse sticker may be set out for collection.

**B.** Cart(s) containing program recyclable materials shall be placed adjacent to the residential service unit. The lid of each cart shall be securely closed.

**C.** On the day of collection, extended backyard customers may place their cart(s) and bag(s) tagged with an extra refuse sticker more than one hundred (100) feet from the traveled portion of the roadway.

**D.** Curbside yard waste is not collected from an extended backyard location. Bags or bundles of curbside yard waste shall be placed within four (4) feet of the curb or traveled portion of any roadway and outside any fence.

**E.** Bulky waste is not collected from an extended backyard location. Bulky waste shall be placed within four (4) feet of the curb or traveled portion of any roadway and outside any fence.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 210. Physically limited services.

**A.** Cart(s) containing residential solid waste and bag(s) outside the cart(s) each with an extra refuse sticker shall be placed adjacent to the residential service unit. The lid of each cart shall be securely closed. A maximum of three (3) bags each with an extra refuse sticker may be set out for collection.

**B.** Cart(s) containing program recyclable materials shall be placed adjacent to the residential service unit. The lid of each cart shall be securely closed.

**C.** Physically limited services customers may place their cart(s) and bag(s) tagged with an extra refuse sticker more than one hundred (100) feet from the traveled portion of the roadway.

**D.** Curbside yard waste is not collected from a backyard location. Bags or bundles of curbside yard waste shall be placed within four (4) feet of the curb or traveled portion of any roadway and outside any fence.

**E.** Bulky waste is not collected from a backyard location. Bulky waste shall be placed within four (4) feet of the curb or traveled portion of any roadway and outside any fence.

**F.** Physically limited services are available only upon application to and approval by the authority. Such application shall be in a form prescribed by the Director or designee. The application shall be certified by a licensed physician, or licensed physicians, stating that the applicant suffers from certain infirmities of health, physical disability or age which makes him or her unable to place residential solid waste and program recyclable materials at curbside. A certification may also be made by a doctor of optometry where an applicant's disability is eye-related. The applicant shall certify that each person residing at the residence suffers from certain infirmities of health, physical disability or age which make them unable to place residential solid waste and program recyclable materials at curbside. Approved applicants will be reviewed through field verifications on an annual basis.

*(Ord. No. 24035, § 1, 11-7-2018)*

**Section 211. Missed collection.**

In the event the collections contractor fails to perform a regularly scheduled collection of residential solid waste, program recyclable materials, curbside yard waste, or bulky waste, the owner and/or person in control of a residential service unit must call the City to report such missed pick-up after 8:00 p.m. on their service day and before 5:00 p.m. of the working day following the collection day.

An owner or person in control of a residential service unit who fails to report a missed collection by the time stated above must properly store all carts or bags until the next regularly scheduled collection day for that residential service unit.

*(Ord. No. 24035, § 1, 11-7-2018)*

**Section 212. Household pollutants collection facility.**

The City shall administer, maintain and operate a facility for the collection and disposal of household pollutants delivered by residents of the City of Tulsa and by residents of surrounding municipalities and unincorporated areas, all in accordance with the Director's rules and regulations. The City shall provide TARE regular periodic reports on the operation of such facility.

*(Ord. No. 24035, § 1, 11-7-2018)*

**Section 213. Pilot collection programs.**

Pilot programs to test and evaluate the advisability and customer acceptance of revised service levels in the City of Tulsa may from time to time be executed as recommended by authority and implemented by Director. Such an alternative service level program may not include participation by customers in excess of three percent (3%) of authority's total customer base, nor extend for a period of time greater than twelve (12) months from the first date the pilot program provides the alternative service level. A pilot program may include adjusting charges to reflect the scheduled service selected by individual customers.

Any neighborhood which has participated in the initial pilot program for a period of not less than six (6) months may elect to terminate its participation in the program. Such election shall be deemed to have occurred when twenty-four and three-quarters percent (24¾%) of the residences in the neighborhood submit to the City Clerk a signed statement declaring their desire for the program to terminate. When an election to terminate a program has occurred, the program will terminate on the last day of the month next following the month in which the election is submitted to the City Clerk.

*(Ord. No. 24035, § 1, 11-7-2018)*

## CHAPTER 3. SOLID WASTE DISPOSAL FACILITIES

Section 300. Scope of regulations.
Section 301. Definitions.
Section 302. Sanitary landfill permit required.
Section 303. Requirements for sanitary landfill permit.
Section 304. Maintenance bond for sanitary landfill permit.
Section 305. Sanitary landfill permit restrictions and fees.
Section 306. Construction and demolition landfill permit required.
Section 307. Requirements for construction and demolition landfill permit.
Section 308. Maintenance bond for construction and demolition landfill permit.
Section 309. Construction and demolition landfill permit restriction and fees.
Section 310. Exemption.
Section 311. Construction, operation, closure.
Section 312. Conflict with other ordinances or statutes.
Section 313. Validity of other laws.

### Section 300. Scope of regulations.

For the protection of public safety, health and welfare of the residents of the City of Tulsa, the operation of Construction and Demolition Landfills and Sanitary Landfills shall be regulated in accordance with provisions of this chapter.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 301. Definitions.

In addition to the definitions in Section 101, for the purpose of this chapter, the following terms, phrases, words and their derivations shall have the meanings given herein:

**A.** **Construction and demolition landfill** shall mean a landfill that accepts construction and demolition waste.

**B.** **Salvage** shall mean reclaimable solid waste such as paper, metal, bottles or other similar objects saved for the purpose of sale, in addition to electronic waste such as televisions, computers, monitors, etc., and items constituting bulky waste such as white goods and other household appliances, and furniture.

**C.** **Sanitary landfill** shall mean the method of disposing of solid waste on land without creating nuisances or hazards to public health or safety, utilizing the principles of engineering to confine the solid waste to the smallest practical area, to reduce it to the smallest practical volume and to cover it with an adequate layer of approved daily cover at the end of each day's operation or at such more frequent intervals as may be necessary.

**E.** **Fifty (50)-year flood plain** shall mean the area inundated by a flood or rain storm having an average statistical frequency of occurrence in the order of once every fifty (50) years, although the flood or rain storm may actually occur in any year.

**F.** **One hundred (100)-year flood plain** shall mean the area inundated by a flood or rain storm having an average statistical frequency of occurrence in the order of once in one hundred (100) years, although the flood or rain storm may actually occur in any year.

*(Ord. No. 24035, § 1, 11-7-2018)*

**Section 302. Sanitary landfill permit required.**

**A.** It shall be unlawful for any person to operate a sanitary landfill unless that person possesses a valid sanitary landfill permit from the City.

**B.** No permit shall be issued until the applicant has published the fact that he has made application for a sanitary landfill site in a manner reasonably calculated to inform that portion of the public which is most likely to be affected by the operation of the proposed landfill, provided, however, that this requirement is not necessary for permit renewals. At a minimum, publication shall be made at least once by advertisement in a daily or weekly newspaper of general circulation in the locality where the proposed site is to be located. The contents of the public notice of an application for a sanitary landfill shall include the following:

**1.** The name and address of the applicant;

**2.** A brief description of the activity for which the permit is being sought;

**3.** A description of the proposed location;

**4.** The name and address of the Health Department; and

**5.** The statement, "Any person who may be aggrieved by the issuance of a permit for this proposed landfill may file with the Health Department a verified petition which sets forth the grounds whereby he may be injured and requests that a hearing be held."

**C.** No permit shall be issued until at least thirty (30) days have expired following publication of the notice of application. The applicant for a permit must establish the date of publication by a verified affidavit from the newspaper which published the notice. If a hearing is held, no permit shall be issued prior to that hearing.

**D.** The permittee shall submit a written request to the Health Department for approval of changes to the original plans, specifications, reports and method of operation submitted with the original engineering report. No such change shall be initiated until the written approval of the Director has been obtained.

*(Ord. No. 24035, § 1, 11-7-2018)*

**Section 303. Requirements for sanitary landfill permit.**

**A.** Each applicant for a sanitary landfill permit as required herein, shall submit a written application to the Director of the Health Department. If the Health Department approves the application, the Health Department's certification of such approval of the application shall be provided to the Department of Finance of the City of Tulsa for issuance of a license.

**B.** An amended engineering report may be required, if a permit is revoked or suspended or if permit renewal is refused, before a landfill may be allowed to reopen.

**C.** Each application shall contain four (4) copies of the engineering report prepared, signed and sealed by a registered professional engineer licensed in the State, and such engineering report shall set forth the plan of operation, design, method and the type and amount of equipment for operation of a sanitary landfill. A copy of the engineering report shall be submitted to the Director for review.

**D.** The engineering report shall include, but not be limited to, the following information:

**1.** The location, zoning and boundaries of the site; the proposed location of all utilities and appurtenances for the landfill, including access, Roadways and fencing; a topographical map of the area on vertical contour intervals of three (3) feet or less;

**2.** An aerial photograph showing land use and a description of all structures, including dwellings, schools, churches, commercial buildings and parks, and of all zoning within one-half (½) mile of such installation, and airports and airfields within two (2) miles; a map may be submitted in addition to the aerial photograph for the purpose of describing the land use; the map or aerial photograph shall be of sufficient scale to show all applicable details; and the boundaries of the site shall be clearly indicated on the aerial photograph;

**3.** An engineering evaluation describing the proposed method of operation, including cross-sections and the progression of filling the site; an estimate of the duration of the landfill site; a topographic map showing the contours of the completed site; the methods of compaction of Solid Waste, types and sources of daily, intermediate and final cover to be used;

**4.** An engineering report which shall include types of waste to be received and an estimate of the daily quantity of waste to be received;

**5.** The proposed ultimate use of the site;

**6.** The design, which shall provide for the diversion of surface runoff from the active areas where wastes are being deposited; as filling continues to completion, the surface shall be sloped so that water is diverted away from the area where solid waste has been or is being deposited; the design shall include methods of keeping surface water out of the area where solid waste is deposited;

**7.** If salvaging is proposed on the site, a detailed method of the salvage operation, including types of material to be salvaged, as well as the method of storage;

**8.** A soil report with borings extending at least three (3) feet below the lowest level of the proposed excavation and other geological data locating all strata and water tables and accompanied by a soil classification; when borings are drilled to obtain data, information showing the number of plugging or sealing of such holes;

**9.** An engineering report which includes a flow diagram of any groundwater which may be potentially contaminated; and

**10.** Such additional information as deemed necessary by the Director.

**E.** The requirements set out in this section, where appropriate, may be waived by the Director of the Health Department.

**F.** The Health Department may require the landfill manager and equipment operators to complete a course of instruction and/or to make a passing grade on an examination offered by the Health Department in the principles of sanitary landfill operation.

*(Ord. No. 24035, § 1, 11-7-2018)*

## Section 304. Maintenance bond for sanitary landfill permit.

Prior to the issuance of a permit for a sanitary landfill, an applicant shall submit to the Department of Finance of the City of Tulsa a maintenance bond in the basic sum of Two Thousand Dollars ($2,000.00) per acre of landfill site. Such bond shall be conditioned on the landfill site's being operated in compliance with the provisions of this chapter and shall be kept in full force and effect during the term of the permit and for three (3) years following the completion of operation of the landfill. The bond shall inure to the benefit of the City. Surety on a maintenance bond shall be a company authorized to do business in the State.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 305. Sanitary landfill permit restrictions and fees.

**A.** Any person approved to operate a sanitary landfill shall pay a permit fee of One Hundred Dollars ($100.00) per year for each and every site to be operated.

**B.** A permit shall be granted only to the person in whose name it is issued and shall not be transferrable to any other person or location other than the original permittee or location.

**C.** No permit shall be reissued where open burning, uncontrolled dumping or uncontrolled burial is performed or where water may be polluted.

**D.** Applications for permit renewal shall be made at least thirty (30) days prior to the expiration date of an existing permit.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 306. Construction and demolition landfill permit required.

Any person operating a construction and demolition landfill shall possess a valid permit to operate such landfill.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 307. Requirements for construction and demolition landfill permit.

**A.** Each applicant for a construction and demolition landfill permit as required herein shall submit a written application to the Health Department. If the Health Department approves the application, the Health Department's certification of such approval of the application shall be provided to the Department of Finance of the City of Tulsa for issuance of a license.

**B.** Each application shall contain four (4) copies of an engineering report prepared, signed and sealed by a registered professional engineer licensed in the State, and such engineering report shall set forth the plan of operation, the design, the method for operations and the amount and type of equipment for operating a construction and demolition Landfill, along with an aerial photograph of the proposed site. A copy of the engineering report shall be submitted to the Director for review.

**C.** The engineering report shall include the following:

**1.** The location, zoning and boundaries of the site; the proposed location of all utilities and appurtenances for the landfill, including access, Roadways and fencing; a topographical map of the area on vertical contour intervals of two (2) feet; and the location and description of all structures including dwellings, schools, churches, commercial buildings, parks within six hundred (600) feet; and airports and airfields within two (2) miles;

**2.** An engineering evaluation covering the proposed method of operation; a pertinent cross-section and plans for the progressive filling the site; an estimate of the duration of the operations of the landfill site; an indication of the contours when the landfill is completed and the proposed ultimate use of the site; if salvaging is proposed on the site, a detailed method of the salvage operation, including types of materials to be salvaged, as well as the method of storage; a soil report with borings extending at least three (3) feet below the lowest level of the proposed excavation and other geological data locating all strata and water tables and accompanied by a soil classification;

**3.** A map of the flood plain; and

**4.** Such additional information as shall be deemed necessary by the Health Department.

**D.** If a construction and demolition landfill is located in the one hundred (100)-year flood plain, it shall be protected to at least the one hundred (100)-year flood design by impervious dikes and other appropriate means to prevent the flood waters from contacting solid waste. An evaluation must be provided of the potential problems created by restrictions of the flood flow due to the location of the construction and demolition landfill. No construction and demolition landfill shall be allowed within the fifty (50)-year flood plain.

**E.** The requirements set out in this section, where appropriate, may be waived by the Health Department.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 308. Maintenance bond for construction and demolition landfill permit.

Prior to the issuance of a construction and demolition landfill permit, the applicant shall submit to the Department of Finance of the City of Tulsa a maintenance bond in the basic sum of One Thousand Dollars ($1,000.00) per acre of the landfill site. Such bond shall be conditioned on the landfill site's being operated in compliance with the provisions of this chapter. It shall be kept in full force and effect during the term of the permit and for two (2) years following the completion of the operation of the construction and demolition landfill site. It shall inure to the benefit of the City. Surety on the maintenance bond shall be a company authorized to do business in the State.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 309. Construction and demolition landfill permit restriction and fees.

**A.** Any person approved to operate a construction and demolition landfill site shall pay a permit fee of One Hundred Dollars ($100.00) per year for each and every site to be operated.

**B.** A permit shall be granted only to the person in whose name it is issued and shall not be transferrable to any other person or location.

**C.** No permit shall be issued for a construction and demolition landfill where open burning, uncontrolled dumping or uncontrolled burial is performed or where water may be polluted.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 310. Exemption.

**A. Governmental units.** A county or municipal government, agency of the State or agency of the federal government shall not be required to pay a permit fee or to obtain a maintenance bond.

**B. City or town lot.** A small area covering less than seven thousand five hundred (7,500) square feet, commonly known as a city or town lot, shall not be required to secure a permit or maintenance bond. However, such area shall be subject to the standards of these regulations and shall be governed thereby.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 311. Construction, operation, closure.

The construction, operation and closure requirements for all landfill operations shall be governed by state law, specifically the Oklahoma Solid Waste Management Act, found at 27A O.S. §§ 2-10-101 et seq., as amended, and those rules and regulations promulgated by the State Board of Health in furtherance of the enforcement of the Act.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 312. Conflict with other ordinances or statutes.

No provisions of this chapter shall be held to deprive any Federal or State agency or any municipal authority having jurisdiction, of any power or authority which it had on the effective date of this chapter or of any remedy then existing for the enforcement of its orders.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 313. Validity of other laws.

Nothing in this chapter shall be construed to prevent the enforcement of other laws which prescribe more restrictive limitations.

*(Ord. No. 24035, § 1, 11-7-2018)*

## CHAPTER 4. COMMERCIAL SOLID WASTE

Section 400. Collection of commercial solid waste.
Section 401. Receptacles to be provided for the public.
Section 402. Receptacles to be provided for employees and for vendors, suppliers and contractors.
Section 403. Commercial waste containers required.

### Section 400. Collection of commercial solid waste.

Every person occupying or having control of the occupancy of any commercial establishment shall either obtain a waste collector license or enter into a contract with a waste collector licensed pursuant to the provisions of this title, providing for sufficient solid waste collection service to remove from such premises the solid waste generated thereby and to prevent any premises from becoming a hazard or nuisance to the health, safety and welfare of the citizens of Tulsa.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 401. Receptacles to be provided for the public.

It shall be unlawful and an offense for any person owning, operating, managing or having supervisory control of any commercial establishment or place of business open to the public, or any operation, to fail to provide in the area of the establishment or operation open to the public sufficient receptacles for the deposit and containment of the solid waste generated in connection with the operation of the establishment.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 402. Receptacles to be provided for employees and for vendors, suppliers and contractors.

**A.** It shall be unlawful and an offense for any person serving in the capacity of an employer to fail to provide such person's employees, at any location within the City of Tulsa where such person carries on any portion of a business through employees, with sufficient receptacles for the deposit and containment of the solid waste generated by the employees incidental to the employment.

**B.** It shall be unlawful and an offense for any person owning, operating, managing or having supervisory control of any commercial establishment or place of business or any operation to fail to provide in the area of the establishment or operation sufficient receptacles for the deposit and containment of the solid waste generated by vendors, suppliers or contractors of the establishment.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 403. Commercial waste containers required.

Every owner, occupant or tenant occupying or using any commercial establishment shall utilize commercial waste containers of sufficient number and size to hold the solid waste that accumulates at the commercial establishment between regular collection days. Commercial waste containers shall be leakproof, constructed of substantial material, have a tight-fitting lid or cover, and be maintained in good condition. If stored outdoors, they shall also be weatherproof.

Commercial waste containers shall be kept secure with lids closed or covers in place when stored or placed for collection to prevent access to their contents by insects, rodents, and other animals, to minimize fire hazard, and to prevent accumulation of water and scattering of litter. When containers deteriorate so as to become non-leakproof or otherwise hazardous to persons or property, they shall be replaced.

*(Ord. No. 24035, § 1, 11-7-2018)*

## CHAPTER 5. SOLID WASTE RATES AND DEPOSITS

Section 500. Residential services rate structure.
Section 501. Commercial solid waste rate structure.
Section 502. Green waste disposal and rate.
Section 503. Allocation of insufficient payment.
Section 504. Adjustments to charge.

### Section 500. Residential services rate structure.

**A. Scope and purpose.** This section includes the rates of charges per month for collection and disposal of residential solid waste, the procedure for the determination of such charges and the allocation of insufficient payments. The purpose of this section is to provide for the protection of the health, safety and welfare of the residents of the City and to prevent the unlawful collection and disposal of solid waste contrary to the statutes of the State and the Charter and Revised Ordinances of the City. This section includes the rates of charges per month for collection of residential solid waste, the procedure for the determination of such charges and the allocation of insufficient payments. The purpose for the charges established by this section is to provide funds for the operation of that portion of a system of solid waste management developed under the provisions of 63 O.S. § 2251 et seq., as amended and renumbered to 27A O.S. § 2-10-101 et seq., providing for regulation, collection and disposal of acceptable residential solid waste.

**B. Rates for Collection and Disposal.** For the purpose of providing funds for the operation of the system of solid waste management providing for collection of residential solid waste and its disposal, program recyclable materials and their processing and marketing, curbside yard waste and its processing, and bulky waste and its disposal, and for the acquisition, construction, equipping, operation and maintenance of solid waste disposal sites or facilities and for the provisions of other services, the need for which the City shall from time to time determine, there is hereby levied, imposed and established the following monthly collection service charges ("user fees"):

| **Standard Services (Once per week)** | |
|---|---|
| Curbside - 96 gallon | $24.33 |
| Curbside - 64 gallon | $21.97 |
| Curbside - 32 gallon | $19.60 |

**Premium services**

Backyard collection: Add $10.26 monthly to standard services.

Extended backyard: Add $20.51 monthly to standard services.

Twice a week collection: Add $15.78 monthly to standard services.

Additional 96-gallon cart: Add $9.47 monthly to standard services.

**Example calculation of premium services**

- 96-gallon cart ($24.33) plus backyard ($10.26) = $34.59
- 96-gallon cart ($24.33) plus backyard ($10.26) plus additional cart ($9.47) = $44.06

- 96-gallon cart ($24.33) plus backyard ($10.26) plus additional cart ($9.47) plus twice per week ($15.78) = $59.84
- 64-gallon cart ($21.97) plus extended backyard ($20.51) = $42.48
- 64-gallon cart ($21.97) plus twice per week ($15.78) = $37.75

| **Physically limited services (includes backyard or extended backyard)** | |
|---|---|
| 96 gallon—Once per week | $24.33 |
| 64 gallon—Once per week | $21.97 |
| 32 gallon—Once per week | $19.60 |
| Other charges: | |
| Cart replacement (each instance) | $71.00 |
| Change cart size (each instance) | $13.92 |
| Bulky waste collection fee (per eight (8) cubic yards) | $10.00 |
| Extra refuse sticker (1 per bag) | $0.50 |
| Recycling cart | No charge |

If in any fiscal year, the revenues collected are not sufficient to provide for needs, as determined by the authority, the Mayor shall submit recommendations as to the revision of the schedule of user fees and other rates, fees and charges then in effect, and upon receipt of such recommendations, such schedule of user fees, rates, fees and charges shall be revised and enacted to the extent recommended by the Mayor and approved by the Authority and the City Council of the City of Tulsa and permitted by law; and thereafter user fees, rates, fees and charges shall be charged and collected in accordance with such schedule or any subsequent revision of such schedule as shall thereafter be recommended or approved by the Mayor with such revisions as the Authority and the City Council of the City of Tulsa deem appropriate.

*(Ord. No. 24899, § 1, 9-21-2022; Ord. No. 25068, § 1, 6-14-2023; Ord. No. 25342, § 1, 6-12-2024; Ord. No. 25591, § 1, 6-11-2025)*

## Section 501. Commercial solid waste rate structure.

**A. Scope and purpose.** This section includes the definitions of certain terms, the rates per month attributable to acceptable commercial solid waste, the procedure for the determination of such rates and the allocation of insufficient payments. The purpose of this section is to provide for the protection of the health, safety and welfare of the citizens of the City of Tulsa and to prevent the unlawful disposal of solid waste contrary to the statutes of the State and the Charter and Revised Ordinances of the City of Tulsa. The purpose of the rates established by this section is to provide funds for the operation of that portion of a system of solid waste management developed under the provisions of 63 O.S. § 2251 et seq., as amended and renumbered to 27A O.S. § 2-10-101 et seq., providing for the regulation, collection, and disposal of acceptable solid waste.

**B. Definitions.** In addition to the definitions in Sections 101 and 301, for the purpose of this section, the following terms, phrases, words and their derivations shall have the meanings given herein:

**Compaction factor (CF)** shall mean an empirical multiplier applied to those accounts serviced by mechanical compactor type containers. The purpose of this factor

is to equate the yards of compacted material to yards of non-compacted material. The compaction factor for loose or non-compacted material is equal to one (1), the compaction factor for stationary compacted material is three (3) and the compaction factor for self-contained compacted material is four (4).

**Container yard** shall mean one (1) cubic yard of commercial waste container capacity.

**Disposal service unit (DSU)** shall mean a unit equal to one (1) container yard.

**DSU rate** shall mean that rate per DSU utilized in calculating non-residential fees.

**Serviced Container Yards (SCY)** shall mean the actual monthly container yards serviced by a licensed commercial hauler.

SCY for a container with no weekly collection frequency shall equal:

$V \times CF \times N$

Where:

V = Container volume in cubic yards

CF = Compaction Factor

N = Number of times container is serviced in the billing period

SCY for a container with a weekly collection frequency shall equal:

$(V \times CF \times WCF \times 4.33) + (V \times CF \times NES)$

Where:

V = Container volume in cubic yards

CF = Compaction Factor

WCF = Weekly collection frequency

4.33 = Monthly conversion factor

NES = Number of extra services in the billing period

**C. Rates for commercial solid waste.**

1. **Serviced billing rates.** Commercial establishments serviced by licensed commercial waste collectors shall be billed a monthly solid waste fee calculated in accordance with the following formula:

   SCY × DSU Rate = Charge

2. **DSU Rate.** Effective July 1, 2007 and until such time as it may be amended, the DSU rate for the monthly solid waste fee shall be Fifty-Five Cents ($.55).

*(Ord. No. 24035, § 1, 11-7-2018)*

## Section 502. Green waste disposal and rate.

**A. Scope and purpose.** This section includes the definitions of certain terms and charges for disposal of green waste at City owned and operated green waste disposal sites. The purpose of this section is to provide for environmentally efficient disposal of green waste and to prevent the unlawful collection and disposal of green waste contrary to the statutes of the State and the Charter and Revised Ordinances of the City. The purpose of the rates established by this section is to provide funds for the operation of that portion of a system of solid waste management developed under the provisions of 63 O.S. §§ 2251 et seq., as amended and renumbered to 27A O.S. §§ 2-10-101 et seq., providing for the regulation, collection and disposal of acceptable solid waste.

**B. Green waste disposal site rate.** For the purpose of providing funds for the acquisition, construction, equipping, operation, and maintenance of such other green waste disposal sites or facilities and for the provision of other services, the need for which the City shall from time to time determine, there is hereby levied, imposed, and established the following green waste disposal fee for non-residents and commercial customers, and other governmental agencies or entities: Five Dollars and Twenty-Eight Cents ($5.28) per cubic yard of green waste disposed of at any City owned or operated green waste disposal site.

*(Ord. No. 24035, § 1, 11-7-2018; Ord. No. 25342, § 2, 6-12-2024; Ord. No. 25557, § 1, 4-2-2025)*

**Section 503. Allocation of insufficient payment.**

**A.** The charges established herein for residential services or the monthly commercial solid waste fee, respectively, shall be billed to each residential service unit or commercial establishment monthly, along with the bill for water and other City services, and shall be subject to those penalties as may be established for City utility service bills. No charges shall be made for residential services during periods when premises which normally receive water service are turned off or disconnected from water service due to a vacancy of the premise longer than one (1) full billing period. Charges shall be made for services during periods when the premises which normally receive water service are turned off or disconnected due to credit delinquency or health or safety reasons. In those cases where water service is obtained from a source other than directly from the City, no allowance shall be made for vacancy or non-use until after sworn notification of such vacancy on forms prescribed by the City shall have been received by the Director, and then only when such vacancy is longer than one (1) full billing period.

**B.** In the event any residential service unit shall tender as payment of water service, medical service program, sanitary sewer nuisance abatement fees, sanitary sewer service, residential services under this title and/or service charge for the use of the City's stormwater drainage system an amount insufficient to pay in full all of the charges so billed, credit shall be given first to the charges for deposit, second to the service charge for the use of the City's stormwater drainage system, third to the charges for residential services under this title, fourth to the charge for sanitary sewer service, fifth to any sanitary sewer nuisance abatement fees, sixth to the charge for the medical service program, seventh to the charges for water service and lastly to fees and penalties, except that any subsidies received by the City from another governmental entity, pursuant to an agreement with such entity for payment of specific utility service charges for benefit of a residential service unit or residential utility customer of the City shall be accepted by the City and applied to the utility service charges so designated. In addition, any funds of the City applied to specific utility service charges for a residential service unit or residential utility customer of the City pursuant to an approved program for payment of such charges shall be applied to the utility service charges so designated.

**C.** If a commercial establishment has no existing City water and sanitary sewer account, a commercial refuse only account shall be established for such generator. If such established account becomes over sixty (60) days in arrears, the City may pursue any and all lawful and appropriate collection remedies, including but not be limited to a civil action against the delinquent generator seeking monetary relief for the amounts owed.

**D.** In the event of the failure of any residential service unit to make payment in full for the amount of charges assessed against it on or before the due date indicated on the bill, there shall be mailed to such unit within ten (10) days after such due date a notice of delinquency. The notice shall inform the customer that, unless payment is received by the City by the date indicated on the notice which shall be not less than ten (10) days from the date of the notice, water service may be terminated without further notice until all delinquent charges shall be paid in full. If water service is not present at the property, provision of residential services will be terminated.

**E.** The provisions for collection of charges provided herein shall be in addition to any rights or remedies which the City or the authority may have under the laws of the State.

*(Ord. No. 24035, § 1, 11-7-2018; Ord. No. 25090, § 2, 7-26-2023)*

**Section 504. Adjustments to charge.**

**A.** Any person, firm or corporation who is billed for charges outlined in this chapter and who, after contacting City of Tulsa Customer Care and Utility Services Division for review and explanation, considers such charges to be inaccurate, erroneous or inconsistent with the provisions of this chapter, shall have the right to appeal the disputed charges by making a formal verbal or written request to the refuse and recycling systems manager who will, within ten (10) days, provide to the appellant a written decision on the appeal which contains the reasons for the decision. Initiating and pursuing the appeal process shall not excuse the appellant from making full payment of the disputed billing. Credit or a refund of the overpayment will be provided the appellant where overcharges are determined.

**B.** The appellant may appeal the decision of the refuse and recycling systems manager by filing a written request with the Director within ten (10) days of the date of mailing of the refuse and recycling systems manager's decision. Within ten (10) days following receipt of the request for the review, the Director shall provide the appellant a written decision on the appeal which contains the reasons for the decision.

**C.** The appellant may appeal the Director's decision to the authority by filing a written request with the authority within ten (10) days of the date of mailing of the Director's decision. The authority shall conduct a hearing on the appellant's request for review of the Director's decision not less than ten (10) days and not more than fifteen (15) days from the date of receipt of the appellant's request, unless the authority, at its discretion, finds that the hearing should be deferred. The hearing before the authority shall be held in an informal manner and shall be restricted to a review of the decision made by the Director. At the conclusion of the hearing, the authority, by motion, shall render its decision upholding or modifying the Director's decision, or remanding the issue to the Director for further consideration.

## CHAPTER 6. LICENSING SOLID WASTE COLLECTORS

Section 600. Waste collectors license required, penalty.
Section 601. Exemptions from license requirement.
Section 602. License expirations.
Section 603. Impoundment and confiscation of vehicles and commercial waste containers.
Section 604. Reporting requirements.
Section 605. Licensing requirements.
Section 606. Solid waste management requirements.

### Section 600. Waste collectors license required, penalty.

**A.** No person, except as otherwise provided in this chapter, shall be granted the privilege of collecting, removing or transporting solid waste within the jurisdiction and control of the City unless such person possesses a valid waste collector's license issued pursuant to the provisions of this chapter. Waste collector licenses are not transferrable.

**B.** Except as provided in Section 601, it shall be unlawful and an offense for any person or entity to collect, remove or transport solid waste collected within the City without first being in possession of a valid waste collector's license issued by the City. Collecting, transporting and disposing of solid waste with any vehicle used temporarily or any newly-acquired or loaned vehicles for which the waste collector has no license will be allowed only if prior approval is obtained from the refuse and recycling systems manager in accordance with the rules and regulations.

**C.** Every person convicted of a violation of this section shall be subject to the penalty provisions in Chapter 7.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 601. Exemptions from license requirement.

**A.** The following are hereby exempted from the licensing requirements of this chapter:

**1.** The United States, the State, political subdivisions of the State and the City, including their employees while acting in their official capacity;

**2.** The authority, including its employees while acting in their official capacity;

**3.** Natural persons who, in an individual and private capacity, collect, remove, transport or dispose of solid waste not for hire, profit, consideration or advantage; and

**4.** Satellite vehicles listed as satellite vehicles on the application of the licensed vehicle(s) with which they are associated and insured as provided in the rules and regulations.

**B.** Certain satellite vehicles, specifically defined as self-propelled or motor-driven cycles modified for the purpose of waste collection and used in conjunction with a vehicle licensed to a waste collector, are exempt from the provisions of Title 37, Tulsa Revised Ordinances, Chapter 4, Sections 409 and 410, and Chapter 7.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 602. License expirations.

Every waste collector's license shall be issued for a period not to exceed one (1) year and shall expire at midnight each year on the 31st day of March. All completed applications

with payment must be received prior to the first day of March of each calendar year. Each license may be renewable upon application and the payment of the required fees. The City shall act on applications for renewal or the initial issuance of a license within twenty (20) calendar days of the date of application. There is no pro-ration for partial year licensing.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 603. Impoundment and confiscation of vehicles and commercial waste containers.

**A.** It shall be unlawful and a public nuisance for any person to park, drive or permit to be parked or driven any vehicle on any public way, street, avenue, alley, road or other public property while engaging in the collection, removal, transportation or disposal of solid waste without first having been issued a waste collector's license or while such a waste collector's license is suspended or revoked. Any vehicle used in violation of the provisions of this section is hereby declared to be a public nuisance and may be immediately impounded or caused to be impounded by any police officer pursuant to this section. It shall be unlawful for a waste collector to allow any commercial waste container to be placed at a collection site without first being issued a waste collector's license or to allow a commercial waste container to remain at a collection site while such a waste collector's license is suspended or revoked. Commercial waste containers used in violation of the provisions of this section are hereby declared to be a public nuisance and may be immediately impounded or caused to be impounded by any police officer or authorized personnel in the Streets and Stormwater Department.

**B.** Any vehicle or commercial waste container impounded under this section shall be taken to a garage or storage facility which has been designated or is maintained by the City for the storage of impounded vehicles or commercial waste containers. Before taking the impounded vehicle or commercial waste container to the garage or facility, the police officer, with the assistance of authorized personnel in the Streets and Stormwater Department, Refuse and Recycling section, shall drive the vehicle or have the vehicle or container towed to an appropriate site for disposal of the Solid Waste in the vehicle or container.

**C.** The charge for towing or removal of any vehicle or commercial waste container under this section, including storage charges, shall be based upon the actual expenses incurred in such towing and storage. The charge for disposing of the solid waste under this section shall be based upon the actual incurred expenses.

**D.** Any vehicle or commercial waste container impounded pursuant to this section shall be released if the waste collector license required by this title is obtained or upon the execution of a written assurance that the vehicle or container will not be used in violation of this title and upon the payment of all towing and storage charges and all solid waste disposal charges.

**E.** Any vehicle or commercial waste container impounded and stored under the terms of this chapter which is not claimed and removed by the owner thereof within sixty (60) days of impoundment may be sold at public auction and the proceeds applied to towing, storage and the solid waste disposal costs. Such sale shall be conducted in a manner described by 42 O.S. § 91.

**F.** Upon a second violation and conviction of any person under this section, the vehicle used in violation of this section may be ordered by a Judge of the Municipal Court to be

held pending a hearing on a date set by the Judge to determine whether such vehicle has been used in violation of the Tulsa Revised Ordinances and should be confiscated. Any vehicle used in violation of this section is hereby declared to be contraband, subject to seizure and confiscation. Any person known to the Refuse and Recycling Systems Manager to be claiming an interest in such vehicle shall be notified in writing of the hearing at least five (5) days prior to the sale; provided that notice given in open court to the person operating the vehicle shall be sufficient to serve as notice to such person. Upon such hearing, the Court may order the vehicle sold unless it appears to the Court that the owner thereof did not participate in or have knowledge of such violation or of the intended use of the vehicle. The vehicle, if ordered sold, shall be sold at a public auction to the highest bidder for cash by the City and the proceeds shall be disposed of as provided by law.

*(Ord. No. 24035, § 1, 11-7-2018; Ord. No. 24589, § 1, 3-24-2021)*

### Section 604. Reporting requirements.

Commercial solid waste collectors shall submit information to the Refuse and Recycling Systems Manager regarding solid waste collections and recyclable materials collections in accordance with the rules and regulations.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 605. Licensing requirements.

The following license requirements shall be in accordance with and governed by the Director's rules and regulations authorized by this title:

**A.** License application;

**B.** Approval for license issuance, insurance required;

**C.** License types and fees;

**D.** License denial, cancellation, suspension or revocation; and

**E.** Procedure for license denial, cancellation, suspension or revocation and appeal.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 606. Solid waste management requirements.

Other miscellaneous waste collector requirements covered in the Director's rules and regulations authorized by this title shall include but not be limited to:

**A.** Container identification;

**B.** Hours of collection;

**C.** Commingling of solid waste;

**D.** Vehicle requirements;

**E.** Maintenance of customer records;

**F.** Vehicle inspections;

**G.** Waste spills;

**H.** Removal of commercial solid waste collector's containers;

**I.** Dual generation of solid waste;

**J.** Types of waste required to be reported.

*(Ord. No. 24035, § 1, 11-7-2018)*

## CHAPTER 7. PENALTY

Section 700. Violation, penalty.
Section 701. Fine not exclusive penalty.

### Section 700. Violation, penalty.

Unless otherwise provided herein, any person violating any of the provisions of this title or any provisions of the rules and regulations promulgated by the Director hereunder, shall be guilty of an offense and, upon conviction thereof, shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, and/or by imprisonment in the City jail for a period of not more than ninety (90) days. Each day of such violation shall constitute a separate offense.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 701. Fine not exclusive penalty.

The penalties herein prescribed shall not be construed as exclusive and shall not prevent the City or its authorized officials from taking other action authorized by law to remedy the violation.

*(Ord. No. 24035, § 1, 11-7-2018)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 8. ENFORCEMENT AND PENALTIES

Section 800. Scope.
Section 801. Citation authority.
Section 802. Penalty system.
Section 803. License denial, cancellation, suspension or revocation.

### Section 800. Scope.

Duly authorized inspectors of the City's Department of Streets and Stormwater shall have the authority to enforce the provisions of this title, the rules and regulations authorized by this title, and in addition, the provisions of Title 24 (Nuisances) which are pertinent to the proper management of solid waste.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 801. Citation authority.

With respect to the enforcement of the above provisions, titles and rules and regulations, the duly authorized inspectors shall be empowered with Code Citation Authority under and in accordance with the provisions of Title 29, Sections 500 through 514, inclusive, of the Tulsa Revised Ordinances.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 802. Penalty system.

A penalty system shall be established in the Director's rules and regulations authorized by this title. Assessment of a specified penalty to a hauler as provided in the rules and regulations may result in license denial, cancellation, suspension or revocation.

*(Ord. No. 24035, § 1, 11-7-2018)*

### Section 803. License denial, cancellation, suspension or revocation.

Provisions for the Director to deny, cancel, suspend or revoke a hauler's license and provisions for hauler appeals of such actions shall be established in the rules and regulations authorized by this title.

*(Ord. No. 24035, § 1, 11-7-2018)*

## CHAPTER 1. DIRECTOR OF PUBLIC WORKS

Section 100. Definitions.
Section 101. Duties of the Director of Public Works.
Section 102. Right to enter.
Section 103. Fluoridation of water supply authorized.
Section 104. Approval of State Health Department.
Section 105. Testing standards.

### Section 100. Definitions.

**A. Director.** Unless otherwise specified, for purposes of this title, "Director" shall mean the duly appointed Director of Public Works and/or his designated representative.

**B. Superintendent of waterworks and sewerage.** For all purposes of the Revised Ordinances of the City of Tulsa, "Superintendent of Waterworks and Sewerage," "Director of Water and Sewer" and other terms of similar import, shall mean the duly appointed Director of Public Works or his designated representative. The Director of Public Works or his designated representative shall perform the duties assigned to the Superintendent of Waterworks and Sewerage or Director of Water and Sewer in the Revised Ordinances of the City of Tulsa or the statutes of the State of Oklahoma.

*(Ord. No. 17301)*

### Section 101. Duties of the Director of Public Works.

The Director shall be responsible for the supervision and control of the construction, extension, improvement, management, maintenance and operation of the waterworks and sewerage systems of the City of Tulsa. Pursuant to the Charter of the City of Tulsa, the Director shall discharge such duties under the supervision, authority and control of the Utility Board, subject to the approval of the Mayor. He shall inspect all water system installations, all sanitary sewers and all sewage disposal plants to insure that they are properly maintained and operated. He shall keep a record of all inspection reports in connection with the construction, operation and maintenance of the water and sanitary sewer systems and the sewage disposal plants of the City of Tulsa.

It shall be the duty of the Director to supervise all construction work and to inspect all sanitary sewer work installed or to be installed in the City of Tulsa. He shall exercise a general supervision over all connections made to the sanitary sewerage system. He shall inspect all sanitary sewer connections to private or public property, up to and including the place where such sanitary sewer work connects with the soil pipe; and the use of such connection shall not be allowed without his approval. It shall be his duty to see that all excavations are properly restored to a safe condition and usage. He shall, upon completion of any new sanitary sewer mains, branches or laterals, make final inspection and report to the Utility Board and Mayor as to whether or not they conform in all respects with any contract relating thereto.

It shall be the duty of the Director to keep a plat book upon which shall be shown the district number, size and location of all sanitary sewer mains, wye connections, manholes and other appurtenances.

It shall be the duty of the Director to make reports to the Mayor of any sanitary sewers which are inadequate to supply proper drainage for their respective areas.

The Director is hereby empowered to make rules, regulations and specifications necessary to make effective the provisions of this title, which rules, regulations and specifications when approved by the Council and placed on file in the office of the City Clerk, shall have the force and effect of law. In making such rules, regulations and specifications and in applying them to particular cases, the Director shall consider the future needs and requirements, topography, present and future population, changes in population densities within the City's corporate limits, economy of operation and maintenance and all things necessary, convenient or expedient for the preservation of health and safety of the City of Tulsa as related to the facilities under his jurisdiction. In addition to this general authority, he shall have the authority to create, designate and determine all things dealing with the supply of water and the provisions for sewage disposal from the City of Tulsa not in conflict with the Charter or Revised Ordinances of the City of Tulsa.

**Section 102. Right to enter.**

As provided by law, the Director, or any designated employee, shall have the right to enter in and upon any grounds or premises served by the waterworks system and sanitary sewer system of the City of Tulsa for the purpose of maintaining and operating the waterworks system, the sanitary sewerage system and the sewage treatment plants.

**Section 103. Fluoridation of water supply authorized.**

The Director is hereby authorized and directed to institute fluoridation of the water supply of the City of Tulsa, the maximum content of fluoride to be not more than seven-tenths (0.7) parts per million.

*(Ord. No. 6565; Ord. No. 23291, § 1, 5-14-2015)*

**Section 104. Approval of State Health Department.**

The application of fluorides to the City water supply shall be started only after the Oklahoma State Health Department has:

**A.** Received plans and specifications as required by law;

**B.** Approved the type of chemical feeding equipment to be installed and used;

**C.** Approved the installation of equipment, plant layout and methods of handling the fluoride compounds to assure the safety of employees;

**D.** Approved the methods of analysis and control to be used in determining the fluoride content of the water before and after the addition of fluorides; and

**E.** Appraised and approved the qualifications of the personnel who will make the necessary analyses to control the application of fluorides.

*(Ord. No. 6565)*

**Section 105. Testing standards.**

The control and testing of the water before and after fluoridation, the method of determining the fluoride content of the water and the test for the purity of the fluoride chemical shall, in all respects, comply with the rules and standards set up by the Oklahoma State Department of Health.

*(Ord. No. 6565)*

## CHAPTER 2. REQUIREMENTS FOR WATER SERVICES

Section 200. Scope.
Section 201. Definitions.
Section 202. Application.
Section 203. Service contract.
Section 204. Service connections.
Section 205. Abandoned connections.
Section 206. Unlawful connections, operation or tampering.
Section 207. Meter rules.
Section 208. Meter changes.
Section 209. Fire protection service.
Section 210. Duct meters and irrigation meters.
Section 211. Owner's duty to repair.

### Section 200. Scope.

This chapter shall include all general requirements and restrictions in respect to the connection, use, protection and maintenance of all water lines forming a part of the waterworks system of the City of Tulsa.

### Section 201. Definitions.

As used in this title, the following terms shall have the meanings given herein.

**A.** **Premise** shall mean any plat or tract of ground, regardless of size or plat, under individual ownership and/or individual use and occupancy where the water service is metered independently of any other use.

**B.** **Service connection** shall include the following:

1. **House service or house service line** shall include all water lines receiving water from any meter, regardless of size, supplied by mains of the City of Tulsa to a single premise; and
2. **Fire protection service** shall mean any water line constructed with the objective of furnishing an auxiliary supply of water for fire fighting purposes within a single premise.

**C.** **Meter** shall mean an apparatus installed between the main and the service connection for measuring and recording the quantity of water used by any premise during any interval of time.

**D.** **Master meter** shall mean an apparatus installed at the point of supply for more than one (1) premise as defined by contract for measuring and recording the quantity of water used during any interval of time by the party contracting with the City.

**E.** **City** shall mean the City of Tulsa, Oklahoma, a municipal corporation acting through the Utility Board and the City's duly authorized officers or agents.

**F.** **City's service** shall mean that part of the waterworks system extending from the water main to the meter, including the meter and appurtenances, for the purpose of supplying any water from any main of the City of Tulsa.

**G.** **City main** shall mean any water line of whatever size or extent for which the City of Tulsa is responsible for the operation, repair and maintenance.

**H. Deduct irrigation meter** shall mean an apparatus installed on the service connection for measuring and recording the quantity of water used by a lawn irrigation system.

**I. Irrigation meter** shall mean an apparatus installed between the main and service connection for measuring and recording the quantity of water used by a lawn irrigation system.

*(Ord. No. 19501)*

### Section 202. Application.

Any person desiring to have premises connected with the water supply of the City of Tulsa shall present at the office of the Director an application on a form to be provided by the Director containing the name of the applicant, a description of the lot, block and addition, and the official house number of the premises on which the water is desired. The application shall be signed by the applicant or his duly authorized agent and shall be filed with the Director. At the time of filing, the applicant shall pay to the Director the fees for installation of water service as hereinafter provided, and the applicant shall be issued a receipt therefor.

### Section 203. Service contract.

The application required herein shall contain a contract requiring the applicant to pay for the water supplied at the rate and in the manner specified in such contract and shall reserve to the City of Tulsa the right to charge and collect the rates and enforce the penalties provided for in this title in the manner herein provided, to change the rates at any time by ordinance, to temporarily discontinue the service at any time without notice to the consumer and to install a meter or meters to register the water consumed. The contract shall recite that it is subject to all the provisions of this title and of any ordinance of the City of Tulsa relating to the subject, hereafter passed, and shall provide that the City of Tulsa shall not be held responsible for any damages, by water or other cause, resulting from defective plumbing or appliances on the premises installed by the owner or occupants of the premises; and that the fact that agents of the City have inspected the plumbing and appliances shall not be pleaded as a basis of recovery in case of damage to premises from defective plumbing or appliances installed by the owner or occupant of such premises. The contract shall further provide that, in case the supply of water shall be interrupted or shall fail by reason of accident or any other causes whatsoever, the City shall not be liable for damages for such interruption or failure, nor shall such failure or interruption for any reasonable period be held to constitute a breach of contract on the part of the City or in any way relieve the consumer from performing the obligations of his contract.

No contract shall be entered into which will render or continue to render any service to any person against whom there is any unsatisfied claim for previous services or any unpaid charges of any kind; provided, however, that the City may for good cause shown enter into agreement with such person to render service upon the payment of such claim in installments.

### Section 204. Service connections.

No premise shall be allowed to have more than one (1) service connection unless a special permit therefor is given by the Director. The granting of such permit shall be subject to such conditions as the Director shall impose, and such permit may be revoked at any time

the Director may elect. Every separate premise supplied by City mains shall have its own separate service connection with the City main, and the premise so supplied will not be allowed to supply water to any other premise. The Director shall keep a record of the date when water is turned on for each premise.

**A. Connection within or outside the corporate limits.**

1. **Permanent service connection.** When application is made for water service for a premise abutting upon a street upon which there is a main, after payment of the connection fees and execution of a contract, the owner shall employ a City certified service installation contractor for the service installation. The service shall be connected to the main by extending the piping at right angles from the main toward the property line to a point designated by the Director. The City's service installation contractor shall be responsible for workmanship and materials associated with the service installation for a period of one (1) year, after which it shall be maintained by the City of Tulsa.
2. **Temporary service connection.** When application is made for water service to property not abutting upon a street upon which there is a main, the owner shall pay the connection fee and all other applicable City fees, shall execute a contract, and shall employ a City certified service installation contractor to install the City's service. A temporary service connection shall be permitted only for an existing house or building or where a City of Tulsa building permit has been issued for the location. Such service shall be subject to all the restrictions imposed upon any other service, whether permanent or temporary. From the point of service connection, any temporary house service shall be extended at the applicant's expense to serve the property described in the application; provided, however, that the applicant shall obtain all necessary rights-of-way and easements for the house service in such manner that the house service shall not be in conflict with the physical extension of a future main, shall be responsible at all times for the operation, repair and maintenance of the house service and shall hold the City of Tulsa harmless against any and all claims for damage by reason of the construction, removal, operation or repair of the house service.

**B. Adjustments in service and service connections.**

1. **Adjustments due to street paving or grading.** All service pipe shall be laid not less than thirty (30) inches from the surface of the ground where the street grade is already established. In the event that the street grade has not been established, all service pipe shall be laid, insofar as can be determined, in such manner as to avoid its being damaged or displaced upon the grading and paving of the street. The Director shall readjust all service connections in conflict with such future grading and paving and shall have such access on private property as shall be necessary to maintain such pipe during construction. Owners of premises shall readjust their house service from the end of the City's service or meter.
2. **Cutting pavement.** Where it becomes necessary within the corporate limits to excavate or cut any paved street or road to install a service connection, the water service installation contractor shall secure a permit for such cut as required by the Revised Ordinances of the City of Tulsa. If such cut is made outside the corporate limits, then the water service installation contractor shall secure such a permit as required by the jurisdiction having authority.

3. **Transferring temporary service connections.** When a main is subsequently constructed in front of any premise served by a temporary service connection, the Director shall, after notifying the owner or tenant thereof, transfer the service connection to the new main without charge and, at the same time, shall eliminate the temporary service connection, and the owner shall arrange his house service pipes and connect same to the permanent service at his own expense.
4. **Transferring service connections from master meter contracts.** Whenever a new main is laid in any street, owners of premises on such street or within one-half (½) block on side streets, who are being supplied with City water from a master meter contract, shall make application for a tap and, with a separate service connection, shall connect to the main in front of the premises at the applicant's own expense. Should the applicant fail to make application and payment for the service connection within thirty (30) days after written notice, the Director may notify the owner of the master meter to discontinue water service to any such premise. Should the owner of the master meter fail to discontinue water service to any such premise after thirty (30) days' notice in writing, the Director may discontinue water service to such master meter and cause the same to be disconnected from the City main.

**Section 205. Abandoned connections.**

Whenever a service connection is to be abandoned or no longer used, the Director may cut out or remove such service connection. Thereafter, should a service connection be required to the premises, a new service shall be placed only if the owner makes an application and pays for a new service connection in the manner specified herein.

**Section 206. Unlawful connections, operation or tampering.**

**A. Unlawful connections.** It shall be unlawful for any person to make any connections with any service, or to make any repairs, additions or alterations of any pipe, stop cock, stop and waste cock or any other fixture connected with or designed to be connected with the waterworks system, except in compliance with this title, and all such work must pass inspection by the plumbing inspector before being covered. A licensed plumber may have a service key which he shall keep in his possession with which he may shut off the water at the curb cock for the purpose of making repairs within the premises. No person other than licensed plumbers shall use such key, and plumbers doing work thereon shall leave the water shut off at the curb cock on all premises which are newly connected. On all other premises, the plumber shall leave the curb cock in the condition in which it was found when such work was commenced.

**B. Permission to connect.** It shall be unlawful for any person to make any connection with any fixture or to connect any pipe with any main or water pipe of the City's waterworks system without first obtaining permission to do so from the Director.

**C. Hydrant offense.** It shall be unlawful for any person, except a member of the Fire Department of the City of Tulsa or a person authorized by the Director or by the provisions of this title, to open, operate, close, turn on, turn off, interfere with, attach any pipe or hose to or connect anything to any gate valve, stop cock or fire hydrant belonging to the City of Tulsa, whether on private property or not.

**D. Obstructing fire hydrants.** It shall be unlawful for any person to obstruct the access to any fire hydrant by placing around or upon such fire hydrant any stone, brick, lumber, dirt or other material.

**E. Damage to system.** It shall be unlawful for any person, unless duly authorized by the Director or the provisions of this title, to disturb, displace, interfere with, cover up, damage or destroy any water mains, water pipe, meter, meter box, machinery, tools, building, fire hydrants, curb cocks, curb box or any other property belonging to, or under the control of the City of Tulsa. It shall be unlawful to enclose by fencing, a water meter or fire hydrant which is located within the public right-of-way.

## Section 207. Meter rules.

All water meters connected to the City's service shall be furnished by the City of Tulsa. All such meters shall be under the exclusive control of the City and shall not be removed or tampered with except by duly authorized representatives of the City of Tulsa. In all cases where meters are lost, injured, destroyed or damaged by the negligence of the occupant of the premises served through such meters or by his agents or contractors, such meters shall be replaced or repaired by or under the direction of the Director, and the cost shall be charged against the occupant of the premises. If the cost of making such repairs is not paid upon the date next following for the payment of water service, the service to such premises shall be discontinued.

The size of the water meter to be used on any service connection shall be designated by the Director. If at any time a meter is found to be of unsuitable size for the quantity of water to be measured, the Director may so notify the water customer who shall then make application for a meter of the proper size and pay for the new water meter and connection as provided herein. In the event any meter shall fail to register properly, the consumer shall be charged by an estimate made by the Director on the basis of the average monthly consumption during the three (3) month period immediately preceding, or otherwise from the most reliable and accurate data available.

Premises shall be metered as follows:

**A.** Each single family residence shall be considered a premise and shall be separately metered;

**B.** Each tenant space of a duplex shall be considered a premise and shall be separately metered;

**C.** Each apartment building shall be considered a premise and shall be separately metered, provided however that a cluster of apartment buildings on the same tract of land and not separated by a street, alley or parking lot may be metered with a common meter. Each tenant space of an apartment building may be separately metered;

**D.** Each condominium building shall be considered a premise and shall be separately metered, provided however that a cluster of condominium buildings on the same tract of land and not separated by a street, alley or parking lot may be metered with a common meter. Each tenant space of a condominium building may be separately metered;

**E.** Each mobile home in a mobile home subdivision shall be considered a premise and shall be separately metered;

**F.** Each shopping center building or other commercial development building shall be considered a premise and shall be separately metered; provided, however, that a cluster

of buildings on the same tract of land and not separated by a street, alley or parking lot may be metered with a common meter. Each tenant space of a shopping center or other commercial development may be separately metered;

**G.** Each school or campus shall be considered a premise and shall be metered separately, provided, however, that each building may be separately metered;

**H.** Each hotel or motel building shall be separately metered; provided, however, that a cluster of buildings on the same tract of land may be metered with a common meter if the buildings are not separated by a street, alley or parking lot. If the hotel or motel restaurant is housed in a separate building, it shall be metered separately;

**I.** Each industrial facility shall be considered a premise and shall be separately metered; provided, however, that each separate building may be separately metered; and

**J.** Each rental mobile home park shall be considered a premise and shall be separately metered; provided, however, that each separate building may be separately metered.

*(Ord. Nos. 19405, 21481)*

### Section 208. Meter changes.

Whenever the occupant of any premise requests any alteration to, change in or removal of meter, service connections or any appurtenances attached to the waterworks system not otherwise provided for herein, such applicant shall pay to the Director the cost of such change, plus twenty-five percent (25%) for overhead.

*(Ord. No. 21481)*

### Section 209. Fire protection service.

From and after the effective date of this chapter, no connection for a private fire line system or service shall be permitted without a backflow preventer with bypass meter in accordance with the Plumbing Code of the City of Tulsa, Title 56, Tulsa Revised Ordinances; provided, however, that this provision shall not apply to combination service to facilities served by a fire flow or fire service meter installed in accordance with the provisions contained herein.

Persons desiring such fire service connection shall apply to the Director as for other service connections. Installation shall be accomplished by a qualified contractor on behalf of the owner and the City of Tulsa. No meter security deposit shall be required for such fire services. Such fire service connections shall serve no more than one (1) building. In no instance shall any connection be made with any sprinkler or fire service without the prior written consent of the Director. In the event that any unauthorized connection has been made, that any water has been used from a sprinkler or fire service for any other purpose than extinguishing a fire, or that waste of water is permitted from such connection through leaks in the pipes or fixtures, or should seals be willfully broken on previously constructed water service, the Director shall notify the owner or lessee of the premises so served to install a fire flow or fire service water meter on such fire lines or hydrants at the expense of the owner or lessee. Should the owner or lessee of any such premises refuse or fail to make proper application for the installation of such meter within forty-eight (48) hours after notice has been given, or refuse to pay the fees required therefor, the Director shall have the water serving the fire lines or hydrants turned off at the main until such application shall have been made and fees paid.

All valves and hydrants required to be sealed under the provisions of this title shall be frequently inspected under the direction of the Director, who shall have access on private property as shall be necessary to inspect services and hydrants. In the event that any such seal shall be broken, displaced or removed for any cause, either inadvertently or for firefighting purposes, it shall be the duty of the owner and occupant of the premises where such valve or hydrant is located to notify the Director, without delay, so that the same may be resealed.

*(Ord. Nos. 18163, 21481)*

**Section 210. Duct meters and irrigation meters.**

**A.** For all irrigation systems on accounts installed prior to March 16, 1999, other than a single residential living unit served by a single water service connection, the installation of a deduct irrigation meter is permissible. The location of the deduct irrigation meter shall be determined by the Public Works Director or his authorized representative.

**B.** On and after March 16, 1999, no water connection to a commercial lawn irrigation system shall be permitted unless it has an irrigation meter and a backflow preventer in accordance with the Plumbing Code of the City of Tulsa, Title 56, Tulsa Revised Ordinances. Residential irrigation water connections may connect to the water system after the service meter or may connect with a new service connection with an irrigation meter. All residential irrigation systems must have a backflow preventer in accordance with the Plumbing Code of the City of Tulsa, Title 56, Tulsa Revised Ordinances. Deduct irrigation meters shall not be allowed off of residential water services.

*(Ord. Nos. 19501, 20406, 21481)*

**Section 211. Owner's duty to repair.**

The service pipes, connections and other appurtenances within any private premises shall be kept in good repair and protected from freezing by the owner at his expense, or by his occupant in cases where service is contracted for by the occupant; and such owner or occupant shall be responsible for all damages resulting from leaks and breaks. In case such owner or occupant of such premises neglects to promptly repair any such service or fixture or neglects to make any changes or alterations which are required by this title, the Director shall have authority to shut off the water from such premises or, when deemed necessary, to go on the premises and make or cause to be made such changes, alterations or repairs, and to charge the same against the premises and the owner thereof, which charge shall be collected as are other charges.

*(Ord. Nos. 19501, 21481)*

## CHAPTER 3. WATER RATES

Section 300. Scope.
Section 301. Definitions.
Section 302. Treated water rates inside City.
Section 303. Treated water rates for out-of-City water sales.
Section 304. Private fire protection service charges.
Section 305. Sale of treated water to municipal corporations, nonprofit water corporations, water improvement districts, public trusts, public utilities, and persons engaged in the water business.
Section 306. Untreated water sales from Spavinaw Flow Lines and Oologah Lake, Outlet Structure, and Flow Line.
Section 307. Untreated water sales directly from Lake Eucha and Lake Spavinaw.
Section 308. Operative date of rates.

### Section 300. Scope.

This chapter includes the rates per month for water, either treated or untreated, whether within or outside the corporate limits; master meter water rates; and private fire protection service.

### Section 301. Definitions.

For the purposes of this chapter, the following terms, phrases, words and their derivations shall have the meanings given herein:

**A.** **Single-family residential** shall mean one (1) residential living unit served solely by one (1) water service connection.

**B.** **Multi-family residential** shall mean two (2) or more residential living units contained within one (1) building or structure and served solely by one (1) service connection.

**C.** **Commercial** shall mean general business, school, church, governmental office, medical facility or other type or kind of nonresidential user of water not otherwise classified.

**D.** **Industrial** shall mean light industrial and warehousing, and heavy industrial, as established by Class Codes of the Tulsa County Assessor, which are given herein.

**1.** **Light industrial and warehousing** shall mean:

**a.** Light manufacturing, assembly and storage,

**b.** Industrial and wholesale warehouses,

**c.** Refrigerated warehousing,

**d.** Mini-storage,

**e.** Truck terminals,

**f.** Research labs, and

**g.** Lumber companies.

**2.** **Heavy industrial** shall mean:

**a.** Conventional production and assembly facilities,

**b.** Special use heavy duty facilities,

**c.** Foundries, and

**d.** Refineries.

**E. Large industrial** shall mean heavy industrial customers, using two hundred fifty million (250,000,000) or more gallons of water per year for industrial purposes at one geographically contiguous location, documented by water billing records for the prior twelve (12) consecutive calendar month period.

**F. Night watering** shall mean the use of water by parks, cemeteries and golf courses between the hours of 10:00 p.m. and 5:00 a.m. for common outdoor areas of lawn and landscape. To be eligible for night watering rates, parks, cemeteries and golf courses shall use a verifiable, automatic pre-set water irrigation system for outdoor night watering; and night watering rates shall apply only to such outdoor irrigation systems.

**G. Parks, cemeteries and golf courses** shall mean those customers who use water for common areas of lawn and landscape, for irrigation and/or for other outdoor activities. Such customers may also use water in separately-metered buildings and structures, which use shall not be considered night watering.

### Section 302. Treated water rates inside City.

**A. Monthly Meter Service Charge.** The minimum monthly charge for all metered, treated water service to single-family residential, multi-family residential, commercial, industrial, large industrial, parks, cemeteries, golf course, and night watering customers, including irrigation meters and deduct irrigation meters, which are either within the corporate limits of the City of Tulsa or on property owned by the City of Tulsa shall be as follows:

| | |
|---|---|
| Meters of ¾ inch or less in size and all deduct irrigation meters | $7.36 |
| Meters of 1 inch in size | $10.57 |
| Meters of 1½ inches in size | $16.68 |
| Meters of 2 inches in size | $32.49 |
| Meters of 3 inches in size | $66.43 |
| Meters of 4 inches in size | $91.06 |
| Meters of 6 inches in size | $137.63 |
| Meters of 8 inches in size | $189.59 |
| Meters of 10 inches in size | $251.72 |
| Meters of 20 or more inches in size | $263.88 |

**B. Monthly Quantity Charge.** The rates per month for treated water supplied to single-family residential, multi-family residential, commercial, industrial, large industrial, parks, cemeteries, golf course, and night watering customers, including irrigation meters and deduct irrigation meters, through meters to locations either within the corporate limits of the City of Tulsa or on property owned by the City of Tulsa shall be as follows:

| | Rate Per Thousand Gallons |
|---|---|
| Single-Family Residential | $4.57 |
| Multi-Family Residential | $4.00 |

| | |
|---|---|
| Commercial | $4.17 |
| Industrial | $3.32 |
| Large Industrial | $2.21 |
| Parks/Cemeteries/Golf Courses | $6.47 |
| Night Watering | $5.50 |
| Special Contract | $1.58 |

*(Ord. Nos. 17738, 17958, 18221, 18485, 18720, 19501, 19842, 19867, 20622, 20670, 21317; Ord. No. 21843, § 1, 6-26-2008; Ord. No. 22085, § 1, 6-18-2009; Ord. No. 22263, § 1, 6-17-2010; Ord. No. 22461, § 1, 6-23-2011, eff. 10-1-2011; Ord. No. 22699, § 1, 6-14-2012, eff. 10-1-2012; Ord. No. 22895, § 1, 6-20-2013, eff. 10-1-2013; Ord. No. 23124, § 1, 6-12-2014, eff. 10-1-2014; Ord. No. 23306, § 1, 6-11-2015, eff. 10-1-2015; Ord. No. 23499, § 1, 6-9-2016, eff. 10-1-2016; Ord. No. 23704, § 1, 6-7-2017; Ord. No. 23942, § 1, 6-13-2018, eff. 10-1-2018; Ord. No. 24150, § 1, 6-19-2019, eff. 10-1-2019; Ord. No. 25074, § 1, 6-14-2023, eff. 10-1-2023; Ord. No. 25348, § 1, 6-12-2024; Ord. No. 25600, § 1, 6-11-2025)*

## Section 303. Treated water rates for out-of-City water sales.

**A.** The Tulsa Utility Board, upon the recommendation of the Director, is authorized to enter into contracts, subject to the approval of the Mayor, for the sale of treated water to be supplied through meters to persons, firms, or corporations for consumption outside the corporate limits of the City of Tulsa and not for redistribution or resale. The charges per month for such water shall be the charges set out in the following schedules:

**1. Monthly Meter Service Charge.** The minimum monthly charge for all metered, treated water service to single-family residential, multi-family residential, commercial, industrial, large industrial, parks, cemeteries, golf course and night watering customers through meters to locations outside the corporate limits of the City of Tulsa, but excluding property owned by the City of Tulsa, shall be as follows:

| | |
|---|---|
| Meters of ¾ inch or less in size and all deduct irrigation meters | $9.17 |
| Meters of 1 inch in size | $11.34 |
| Meters of 1½ inches in size | $17.25 |
| Meters of 2 inches in size | $35.08 |
| Meters of 3 inches in size | $76.06 |
| Meters of 4 inches in size | $99.35 |
| Meters of 6 inches in size | $147.27 |
| Meters of 8 inches in size | $205.25 |
| Meters of 10 or more inches in size | $279.50 |

**2. Monthly Quantity Charge.** The rates per month for treated water supplied to single-family residential, multi-family residential, commercial, industrial, large industrial, parks, cemeteries, golf course and night watering customers through meters to locations outside the corporate limits of the City of Tulsa, but excluding property owned by the City of Tulsa, shall be as follows:

| Rate Per Thousand Gallons | |
|---|---|
| Single-Family Residential | $5.61 |
| Multi-Family Residential | $5.06 |
| Commercial | $5.31 |
| Industrial | $3.96 |
| Large Industrial | $2.70 |
| Parks/Cemeteries/Golf Courses | $8.08 |
| Night Watering | $6.87 |

**B.** The Director is authorized and directed to estimate and establish the amount of probable use of water by a large industrial customer by the size of meter requested, the type of use and amount of water requested, the number of persons proposed to be served, and other appropriate information where the amount is not established by prior use.

**C.** All sales of water outside the corporate limits of the City of Tulsa shall be by separate contracts with each customer. Each contract shall expressly reserve to the City the right to discontinue or suspend such service at any time if one of the following events occurs:

**1.** The failure of the customer to pay charges when they shall become due and owing;

**2.** The failure of the customer to curtail water use in the same manner and method as required of customers within the corporate limits of the City in the event of a drought or an emergency requiring water conservation; or

**3.** The customer's breach of any of the terms or conditions of the contract.

*(Ord. Nos. 17738, 17958, 18221, 18485, 18720, 19867, 20359, 20670, 21317; Ord. No. 21843, § 1, 6-26-2008; Ord. No. 22085, § 1, 6-18-2009; Ord. No. 22263, § 2, 6-17-2010; Ord. No. 22461, § 2, 6-23-2011, eff. 10-1-2011; Ord. No. 22699, § 2, 6-14-2012, eff. 10-1-2012; Ord. No. 22895, § 2, 6-20-2013, eff. 10-1-2013; Ord. No. 23124, § 2, 6-12-2014, eff. 10-1-2014; Ord. No. 23306, § 2, 6-11-2015, eff. 10-1-2015; Ord. No. 23499, § 1, 6-9-2016, eff. 10-1-2016; Ord. No. 23704, § 2, 6-7-2017; Ord. No. 23942, § 2, 6-13-2018, eff. 10-1-2018; Ord. No. 24150, § 2, 6-19-2019, eff. 10-1-2019; Ord. No. 25074, § 2, 6-14-2023, eff. 10-1-2023; Ord. No. 25348, § 2, 6-12-2024; Ord. No. 25600, § 2, 6-11-2025)*

## Section 304. Private fire protection service charges.

The rates for water supplied for private fire protection service, within or outside the corporate limits of the City, shall be as provided in this section.

**Private Fire Protection.** The charge to customers with installed private fire protection service, within or outside the corporate limits of the City of Tulsa, shall be as follows:

| Private Fire Protection Service Within the City Limits or on City-Owned Property | |
|---|---|
| Meters of 4 inches or less in size, per month | $9.51 |
| Meters of 6 inches in size, per month | $27.63 |
| Meters of 8 inches in size, per month | $58.87 |
| Meters of 10 or more inches in size, per month | $105.87 |

**Private Fire Protection Service Outside City Limits, Excluding City-Owned Property**

| | |
|---|---|
| Meters of 4 inches or less in size, per month | $12.79 |
| Meters of 6 inches in size, per month | $37.13 |
| Meters of 8 inches in size, per month | $79.14 |
| Meters of 10 or more inches in size, per month | $142.31 |

If any water delivered from a system pursuant to this section is used for any purpose other than for the purpose specified here, the charge for such water shall be billed at the appropriate inside or outside treated water rate based upon the quantity used as determined by the Director.

*(Ord. Nos. 17738, 17958, 18221, 18485, 18720, 20670, 21317; Ord. No. 22085, § 1, 6-18-2009; Ord. No. 22263, § 3, 6-17-2010; Ord. No. 22699, § 3, 6-14-2012, eff. 10-1-2012; Ord. No. 22895, § 3, 6-20-2013, eff. 10-1-2013; Ord. No. 23124, § 3, 6-12-2014, eff. 10-1-2014; Ord. No. 23306, § 3, 6-11-2015, eff. 10-1-2015; Ord. No. 23499, § 1, 6-9-2016, eff. 10-1-2016; Ord. No. 23704, § 3, 6-7-2017; Ord. No. 23942, § 3, 6-13-2018, eff. 10-1-2018; Ord. No. 24150, § 3, 6-19-2019, eff. 10-1-2019; Ord. No. 25074, § 3, 6-14-2023, eff. 10-1-2023; Ord. No. 25348, § 3, 6-12-2024; Ord. No. 25600, § 3, 6-11-2025)*

## Section 305. Sale of treated water to municipal corporations, nonprofit water corporations, water improvement districts, public trusts, public utilities, and persons engaged in the water business.

**A.** No water shall be sold or delivered to any municipal corporation; nonprofit water corporation; water improvement district; public trust; public utility; or person, firm or corporation engaged in the water business, except under current written contract as required by law. The City, upon the recommendation of the Utility Board, is authorized to enter into contracts, subject to the approval of the Mayor, for the sale of treated water to be supplied through master meters for redistribution or resale to municipal corporations, nonprofit water corporations, water improvement districts, public trusts, public utilities, persons, firms, or corporations for consumption outside the corporate limits of the City of Tulsa. The charges per month for such water shall be the charges set out herein.

**1. Monthly Meter Service Charge.** The minimum monthly charge for all metered, treated water service provided on a permanent, limited term, or emergency basis shall be as follows:

| | |
|---|---|
| Meters of ¾ inch or less in size | $9.17 |
| Meters of 1 inch in size | $11.34 |
| Meters of 1½ inches in size | $17.25 |
| Meters of 2 inches in size | $35.08 |
| Meters of 3 inches in size | $76.06 |
| Meters of 4 inches in size | $99.35 |
| Meters of 6 inches in size | $147.27 |
| Meters of 8 inches in size | $205.25 |
| Meters of 10 or more inches in size | $279.50 |

**2. Monthly Quantity Charge.** Additional rates per month for treated water supplied on a permanent, limited term, or emergency basis shall be as follows:

| | Rate per Thousand Gallons |
|---|---|
| Permanent Service | $3.50 |
| Limited Term Service | $6.50 |
| Emergency Service | $11.53 |

**B. Discontinuance or Suspension of Service.** Each contract shall expressly reserve to the City the right to discontinue or suspend water service at any time if one (1) of the following occurs:

**1.** The failure of the customer to pay charges when they shall become due and owing;

**2.** The failure of the customer to curtail water use in the same manner and method as required of customers within the corporate limits of the City in the event of a drought or an emergency requiring water conservation; or

**3.** The customer's breach of any of the terms or conditions of the contract.

**C. Protection Against Contamination.** Each contract required under this section shall contain such provisions as the Director may require to protect the water and the water supply of the City against contamination. No water shall be furnished under any such contract except upon the express condition that all plumbing and connections shall be installed in accordance with the requirements of the Plumbing Code of the City. Such contract shall reserve to the City the right to make house-to-house inspections of all plumbing connections, with the cost of such inspections to be borne by such municipal corporations, nonprofit water corporations, water improvement districts, public trusts, public utilities, and persons engaged in the water business, or by their individual customers.

**D. Right to Acquire.** Each contract under this section shall expressly provide to the City the right to acquire any of the water lines of the customers that are or shall become within the corporate limits of the City. When the City takes or acquires a customer's water system or portions of a customer's water system, the purchase price to be paid by the City shall be the unpaid portion of the indebtedness of such customer, if any, allocable to that portion of the customer's water lines and appurtenances taken by the City, in the same proportion as the water lines and appurtenances taken by the City bear to the entire system of such customer and shall not include any anticipated revenue or profit.

**E. Right to Furnish Water.** Each contract under this section shall expressly provide to the City the right to furnish water within the customer's area of service or boundaries, whether within or outside the corporate limits of the City of Tulsa. The remuneration or other considerations which the customer may receive, if any, when the City furnishes water within the customer's area of service or boundaries shall be mutually agreed upon by the customer and the City prior to the City's furnishing such water.

**F. Master Meters Prohibited—Exceptions.** Water shall not be sold or delivered through any master meter or under any contract providing for a master meter or upon the payment for water on the measurements thereof, with the following exceptions:

**1.** Incorporated municipalities;

**2.** Areas served through master meters on September 1, 1947;

**3.** Public trusts, wherein an incorporated municipality is the sole beneficiary;

**4.** Rural Water Improvement Districts; and

**5.** Nonprofit water corporations.

**G. Conflicts.** In event of any conflict or inconsistency between the provisions of this section and other provisions of this chapter, the provisions of this section shall control as to all contracts for sale of water to municipal corporations, nonprofit water corporations, water improvement districts, public trusts, public utilities, and persons engaged in the water business.

**H. General.** Nothing herein contained shall be construed to impose any duty or obligation upon the City to sell or furnish water to any municipal corporation, nonprofit water corporation, water improvement district, public trust, public utility, or person engaged in the water business outside the City of Tulsa corporate limits, except as the City may expressly undertake by the terms of a written contract. All water sold and furnished to persons or to public or private entities outside the corporate limits of the City shall be sold and furnished upon written contracts, expressly stating that the contract may be abrogated by the City at any time the governing body thereof or the board, commission, or public trust operating and controlling the waterworks shall declare by resolution that the water being furnished pursuant to the contract is required by the City for its own use or the use of its inhabitants. This provision pertaining to abrogation of contracts may be waived upon the express written agreement of the contracting parties.

*(Ord. Nos. 17738, 17958, 18221, 18485, 18720, 19867, 20359, 21317; Ord. No. 22085, § 1, 6-18-2009; Ord. No. 22263, § 4, 6-17-2010; Ord. No. 22461, § 3, 6-23-2011, eff. 10-1-2011; Ord. No. 22699, § 4, 6-14-2012, eff. 10-1-2012; Ord. No. 22895, § 4, 6-20-2013, eff. 10-1-2013; Ord. No. 23124, § 4, 6-12-2014, eff. 10-1-2014; Ord. No. 23306, § 4, 6-11-2015, eff. 10-1-2015; Ord. No. 23499, § 1, 6-9-2016, eff. 10-1-2016; Ord. No. 23704, § 4, 6-7-2017; Ord. No. 23942, § 4, 6-13-2018, eff. 10-1-2018; Ord. No. 24150, § 4, 6-19-2019, eff. 10-1-2019; Ord. No. 25074, § 4, 6-14-2023, eff. 10-1-2023; Ord. No. 25348, § 4, 6-12-2024; Ord. No. 25600, § 4, 6-11-2025)*

## Section 306. Untreated water sales from Spavinaw Flow Lines and Oologah Lake, Outlet Structure, and Flow Line.

**A. Water from Spavinaw Flow Lines.** Water shall not be sold or delivered from the Spavinaw Flow Lines, except through service connections that were in place on August 1, 1981. No existing service shall be enlarged or increased to provide additional water through such service. In the event that use of any service is abandoned or discontinued for a period of one (1) year, such service shall be disconnected from the flow lines; and no new service shall be made available at any point on the flow lines. The charges per month for untreated water shall be as set out in the schedule given herein.

**1. Monthly Meter Service Charge.** The minimum monthly charge for all metered, untreated water service from the Spavinaw Flow Lines shall be as follows:

| | |
|---|---|
| Meters of ¾ inch or less in size and all deduct irrigation meters | $9.17 |
| Meters of 1 inch in size | $11.34 |
| Meters of 1½ inches in size | $17.25 |

| | |
|---|---|
| Meters of 2 inches in size | $35.08 |
| Meters of 3 inches in size | $76.06 |
| Meters of 4 inches in size | $99.35 |
| Meters of 6 inches in size | $147.27 |
| Meters of 8 inches in size | $205.25 |
| Meters of 10 or more inches in size | $279.50 |

2. **Monthly Quantity Charge.** Additional rates per month for untreated water supplied through meters to all places from the Spavinaw Flow Lines shall be as follows:

| | |
|---|---|
| All usage, per thousand gallons | $0.69 |

**B. Water from Oologah Lake, Outlet Structure or Flow Line.** The City of Tulsa, upon recommendation of the Utility Board, is authorized to enter into contracts, subject to the approval of the Mayor, for the sale of untreated water to be supplied from Oologah Lake, the Oologah outlet structure or the Oologah flow line to persons, firms, or corporations for use outside the corporate limits of the City of Tulsa. The charges per month for such untreated water shall be as set out in the schedule given herein.

1. **Monthly Meter Service Charge.** The minimum monthly charge for all metered, untreated water service from the Oologah Lake or the Oologah flow line shall be as follows:

| | |
|---|---|
| Meters of ¾ inch or less in size and all deduct irrigation meters | $9.17 |
| Meters of 1 inch in size | $11.34 |
| Meters of 1½ inches in size | $17.25 |
| Meters of 2 inches in size | $35.08 |
| Meters of 3 inches in size | $76.06 |
| Meters of 4 inches in size | $99.35 |
| Meters of 6 inches in size | $147.27 |
| Meters of 8 inches in size | $205.25 |
| Meters of 10 or more inches in size | $279.50 |

2. **Monthly Quantity Charge.** Additional rates per month for untreated water supplied through meters to all places from the Oologah Lake or the Oologah flow line shall be as follows:

| | |
|---|---|
| All usage, per thousand gallons | $0.69 |

3. **Monthly Quantity Charge.** Rates per month for untreated water supplied to all places, where the City does not provide a meter, from Oologah Lake or the Oologah outlet structure shall be as follows:

| | |
|---|---|
| All usage, per thousand gallons | $0.69 |

**C. General.** Nothing herein contained shall be construed to impose any duty or obligation upon the City of Tulsa to sell or furnish water to any municipal corporation, nonprofit water corporation, water improvement district, public trust, public utility or person engaged in the water business within or outside the City of Tulsa corporate limits, except as the City of Tulsa may expressly undertake by the terms of a written contract. All water sold and furnished to persons or to public or private entities outside the

corporate limits of the City shall be sold and furnished upon written contracts expressly stating that the contract may be abrogated by the City at any time the governing body thereof, or the board, commission or public trust operating and controlling the waterworks shall declare, by resolution, that the water being furnished pursuant to the contract is required by the City for its own use and the use of its inhabitants. This provision pertaining to abrogation of contracts may be waived upon the express written agreement of the contracting parties.

## Section 307. Untreated water sales directly from Lake Eucha and Lake Spavinaw.

**A.** No water shall be sold or delivered directly from Lake Eucha or Lake Spavinaw to any municipal corporation; nonprofit water corporation; water improvement district; public trust; public utility; or person, firm, or corporation engaged in the water business, except under current written contract as required by law. The City, upon the recommendation of the Utility Board, is authorized to enter into contracts, subject to the approval of the Mayor, for the sale of untreated water to be supplied through meters for treatment and redistribution or resale to municipal corporations, nonprofit water corporations, water improvement districts, public trusts, public utilities, persons, firms, or corporations for use outside the corporate limits of the City of Tulsa. The charges per month for such untreated water shall be set out in the following schedules:

**1. Monthly Meter Service Charge.** The minimum monthly charge for all metered, untreated water service outside the corporate limits of the City of Tulsa from Lake Eucha or Lake Spavinaw shall be as follows:

| | |
|---|---|
| Meters of ¾ inch or less in size and all deduct irrigation meters | $9.17 |
| Meters of 1 inch in size | $11.34 |
| Meters of 1½ inches in size | $17.25 |
| Meters of 2 inches in size | $35.08 |
| Meters of 3 inches in size | $76.06 |
| Meters of 4 inches in size | $99.35 |
| Meters of 6 inches in size | $147.27 |
| Meters of 8 inches in size | $205.25 |
| Meters of 10 or more inches in size | $279.50 |

**2. Monthly Quantity Charge.** Additional rates per month for untreated water supplied through meters to all places outside the corporate limits of the City of Tulsa from Lake Eucha or Lake Spavinaw shall be as follows:

| | |
|---|---|
| All usage, per thousand gallons | $0.12 |

**B. General.** Nothing herein contained shall be construed to impose any duty or obligation upon the City of Tulsa to sell or furnish water to any municipal corporation, nonprofit water corporation, water improvement district, public trust, public utility, or person engaged in the water business outside the City of Tulsa corporate limits, except as the City of Tulsa may expressly undertake by the terms of a written contract. All water sold and furnished to persons or to public or private entities outside the corporate limits of the City shall be sold and furnished upon written contracts expressly stating that the contract may be abrogated by the City at any time the governing body thereof, or the board, commission, or public trust operating and controlling the waterworks shall declare by resolution that the water being furnished pursuant to the contract is required by the City for its own use or the use of its inhabitants. This provision pertaining to abrogation of contracts may be waived upon express written agreement of the contracting parties.

## CHAPTER 4. SPAVINAW WATER DISTRICT

Section 400. District created.
Section 401. Health rules.
Section 402. Spavinaw Dam and Lake.
Section 403. Eucha Dam and Lake.
Section 404. Spavinaw Reservoir Area.
Section 405. Authority and responsibility for reservoir area.
Section 406. Prohibited acts.
Section 407. Activities permitted.
Section 408. Restricted areas.
Section 409. Fishing.
Section 410. Boats.
Section 411. Waiver of fees.
Section 412. Boating rules.
Section 413. Boat storage.
Section 414. Hunting.
Section 415. Swimming and diving.
Section 416. Camping.
Section 417. Hiking and inspections.
Section 418. Contamination of reservoir area.
Section 419. Regulations.
Section 420. Penalty.
Section 421. Arrest.
Section 422. Arrest by warrant.

### Section 400. District created.

Whereas the City of Tulsa, Oklahoma, has constructed a certain storage reservoir in Mayes and Delaware Counties, Oklahoma, by building a dam across Spavinaw Creek at a point where Spavinaw Creek crosses or traverses Section 15, Township 22 North, Range 21 East, Mayes County, Oklahoma, such Reservoir to be used by the City of Tulsa as a source of water supply for the inhabitants of the City; and

Whereas, it is necessary for the protection of the public health and safety that a water district be established, created and designated, such district to embrace certain lands in Mayes and Delaware Counties, Oklahoma, draining, flowing or shedding water directly or indirectly into such reservoir; and

Whereas, it is necessary that the waters impounded in such reservoir be protected from contamination and pollution, in order that the public health be protected and conserved;

Now, there is hereby created and established in Mayes and Delaware Counties, Oklahoma, a water district to be known and designated as the "Spavinaw Water District," such district to cover and include the lands draining, flowing or shedding water directly or indirectly into the Spavinaw Lake or reservoir and to include the following described lands, to-wit:

> Beginning at a point on the north boundary of the SE¼ of NE¼ of Sec. 15, Twn. 22, R 21, approximately 825' W of the NE corner of SE¼ of NE¼ of Sec. 15, Twn. 22, R 21; thence in a northeasterly direction approximately 1560' to the NE corner of Sec. 15, Twn. 22, R 21; thence E ¼ mile to the SW corner of the SE¼ of SW¼ of Sec. 11, Twn. 22, R 21;

Thence N ¼ mile to the NW corner of the SE¼ of SW¼ of Sec. 11, Twn. 22, R 21;

Thence E ¼ mile to the NE corner of the SE¼ of SW¼ of Sec. 11, Twn. 22, R 21;

Thence N ¼ mile to the center of Sec. 11, Twn. 22, R 21;

Thence E ½ mile to the E¼ corner of Sec. 11, Twn. 22, R 21;

Thence N along section line to the NW corner of the S½ of SW¼ of NW¼ of Sec. 12, Twn. 22, R 21;

Thence E ¼ mile to the NE corner of the S½ of SW¼ of NW¼ of Sec. 12, Twn. 22, R. 21;

Thence N ¼ mile to the NW corner of the SE¼ of NW¼ of Sec. 12, Twn. 22, R 21;

Thence E ¼ mile to the NE corner of the SE¼ of NW¼ of Sec. 12, Twn. 22, R 21;

Thence N along quarter line to the N¼ corner of Sec. 12, Twn. 22, R 21;

Thence E ¼ mile to the SW corner of the SE¼ of SE¼ of Sec. 1, Twn. 22, R 21;

Thence N ¼ mile to the NW corner of the SE¼ of SE¼ of Sec. 1, Twn. 22, R 21;

Thence E ¾ mile to the NE corner of the SE¼ of SW¼ of Sec. 6, Twn. 22, R 22;

Thence N ¼ mile to the center of Sec. 6, Twn. 22, R 22;

Thence E ¼ mile to the SW corner of the SE¼ of NE¼ of Sec. 6, Twn. 22, R 22;

Thence N ¼ mile to the NW corner of the SE¼ of NE¼ of Sec. 6, Twn. 22, R 22;

Thence E ½ mile to the NE corner of the SE¼ of NW¼ of Sec. 5, Twn. 22, R 22;

Thence S ¼ mile to the SE corner of the SW¼ of NW¼ of Sec. 5, Twn. 22, R 22;

Thence E ½ mile to the SW corner of the SE¼ of NE¼ of Sec. 5, Twn. 22, R 22;

Thence N ¼ mile to the NW corner of the SE¼ of NE¼ of Sec. 5, Twn. 22, R 22;

Thence E ½ mile to the SW corner of the NE¼ of NW¼ of Sec. 4, Twn. 22, R 22;

Thence N ¼ mile to the NW corner of the NE¼ of NW¼ of Sec. 4, Twn. 22, R 22;

Thence E ¾ mile to the NE corner of Sec. 4, Twn. 22, R 22; thence S ½ mile to the E ¼ corner of Sec. 4, Twn. 22, R 22;

Thence E ¾ mile to the NE corner of the NW¼ of SE¼ of Sec. 3, Twn. 22, R 22;

Thence S ¼ mile to the SE corner of the NW¼ of SE¼ of Sec. 3, Twn. 22, R 22;

Thence E ½ mile to the NE corner of the SW¼ of SW¼ of Sec. 2, Twn. 22, R 22;

Thence S ¾ mile to the SW corner of the SE¼ of NW¼ of Sec. 11, Twn. 22, R 22;

Thence E ½ mile to the NE corner of the NW¼ of SE¼ of Sec. 11, Twn. 22, R 22;

Thence S ¼ mile to the SW corner of the NE¼ of SE¼ of Sec. 11, Twn. 22, R 22;

Thence E ¾ mile to the NE corner of the SE¼ of SW¼ of Sec. 12, Twn. 22, R 22;

Thence S ½ mile to the SW corner of the NW¼ of NE¼ of Sec. 12, Twn. 22, R 22;

Thence E ¾ mile to the NE corner of the SW¼ of NW¼ of Sec. 18, Twn. 22, R 23;

Thence S ¼ mile to the SE corner of the SW¼ of NW¼ of Sec. 18, Twn. 22, R 23;

Thence E ½ mile to the SW corner of the SE¼ of NE¼ of Sec. 18, Twn. 22, R 23;

Thence N ¼ mile to the NW corner of the SE¼ of NE¼ of Sec. 18, Twn. 22, R 23;

Thence E 1 mile to the SW corner of the NE¼ of NE¼ of Sec. 17, Twn. 22, R 23;

Thence N 1 mile to the NW corner of the SE¼ of NE¼ of Sec. 8, Twn. 22, R 23;

Thence E 1¼ miles to the NE corner of the SE¼ of NE¼ of Sec. 9, Twn. 22, R 23;
Thence S 5¾ miles to the SE corner of Sec. 4, Twn. 21, R 23;
Thence W 2 miles to the SW corner of Sec. 5, Twn. 21, R 23;
Thence N ½ mile to the W¼ corner of Sec. 5, Twn. 21, R 23;
Thence W 1 mile to the W¼ corner of Sec. 6, Twn. 21, R 23;
Thence N along township line ½ mile to the NW corner of Sec. 6, Twn. 21, R 23;
Thence W along township line 2 miles to the SW corner of Sec. 35, Twn. 22, R 22;
Thence N 1 mile to the NW corner of Sec. 35, Twn. 22, R 22;
Thence W 1 mile to the SW corner of Sec. 27, Twn. 22, R 22;
Thence N ½ mile to the E¼ corner of Sec. 28, Twn. 22, R 22;
Thence W ½ mile to the center of Sec. 28, Twn. 22, R 22;
Thence S ½ mile to the S¼ corner of Sec. 28, Twn. 22, R 22;
Thence W 2¾ miles to the NW corner of the NE¼ of NE¼ of Sec. 36, Twn. 22, R 21;
Thence S ½ mile to the SE corner of the SW¼ of NE¼ of Sec. 36, Twn. 22, R 21;
Thence W ½ mile to the SW corner of the SE¼ of NW¼ of Sec. 36, Twn. 22, R 21;
Thence N 1 mile to the NW corner of the NE¼ of SW¼ of Sec. 25, Twn. 22, R 21;
Thence W ¾ mile to the center of Sec. 26, Twn. 22, R 21;
Thence S ¼ mile to the SE corner of the NE¼ of SW¼ of Sec. 26, Twn. 22, R 21;
Thence W ¼ mile to the NE corner of the SW¼ of SW¼ of Sec. 26, Twn. 22, R 21;
Thence S ¼ mile to the SE corner of the SW¼ of SW¼ of Sec. 26, Twn. 22, R 21;
Thence W ¼ mile to the SW corner of Sec. 26, Twn. 22, R 21;
Thence S ¼ mile to the SE corner of the NE¼ of NE¼ of Sec. 34, Twn. 22, R 21;
Thence W ½ mile to the SW corner of the NW¼ of NE¼ of Sec. 34, Twn. 22, R 21;
Thence N ¼ mile to the N¼ corner of Sec. 34, Twn. 22, R 21; thence W½ mile to the SW corner of Sec. 27, Twn. 22, R 21;
Thence N ¼ mile to the SE corner of the NE¼ of SE¼ of Sec. 28, Twn. 22, R 21;
Thence W ¼ mile to the SW corner of the NE¼ of SE¼ of Sec. 28, Twn. 22, R 21;
Thence N 1 mile to the NW corner of the SE¼ of SE¼ of Sec. 21, Twn. 22, R 21;
Thence E ½ mile to the NE corner of the SW¼ of SW¼ of Sec. 22, Twn. 22, R 21;
Thence N ¼ mile to the NW corner of the NE¼ of SW¼ of Sec. 22, Twn. 22, R 21;
Thence E 315' to a point on the E and W¼ line of Sec. 22, Twn. 22, R 21;
Thence N 21°, 20 minutes E 1330';
Thence N 44°, 26 minutes E, 680';
Thence N no degrees, 36 minutes W, 720';
Thence N 54°, 53 minutes E, 400';
Thence N 34°, 22 minutes E, 450';

Thence N 65°, 11 minutes E, 150' to a point on the center line of the dam as constructed; thence N 6°, 28 minutes W, 98' to the zero station of the center line of the dam as constructed; thence along the center line of the dam as it meanders to the point of beginning.

*(Ord. No. 2585; Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

**Section 401. Health rules.**

(Note: On February 14, 1989, the citizens of Tulsa approved an Amended Charter of the City of Tulsa to take effect at twelve o'clock noon on the 8th day of May, 1990. Pursuant to the provisions of the Amended Charter, references in this section to Water Commissioner shall mean Mayor of the City of Tulsa and references to Water Department shall mean Water and Sewer Department of the City of Tulsa.)

Whereas the Commissioner of Health of the State of Oklahoma has, for the preservation of the public health, promulgated, adopted and put in force and effect in the Spavinaw Water District, the rules and regulations given herein.

**A. Definition of reservoir.** That the term "reservoir," heretofore used in these regulations, is intended to mean and refer to the Spavinaw Lake or Reservoir or to any tributary which serves as a source of the Spavinaw Reservoir.

**B. Definition of the water course.** That wherever the term "Water Course" is used in these rules and regulations it is intended to mean and include every spring, pond, stream, ditch, gutter or other channel of every kind, the waters of which when running, whether continuously or occasionally, eventually flow or may flow into the said Spavinaw Reservoir.

**C. Meaning of linear distance.** Whenever a linear distance of a structure or object from the reservoir, or from a water course, is mentioned in these regulations, it is intended to mean the shortest horizontal distance from the nearest water line of said reservoir or water course.

**D. High water line.** Whenever the term "high water line" is used in these rules and regulations, it shall be taken and construed to mean elevation, in feet above sea level, of six hundred ninety (690) for margin of said Spavinaw Reservoir, and seven hundred eighty (780) feet for margin of said Lake Eucha, according to the United States government plat thereof.

**E. Refuse matters not to be discharged in Spavinaw Reservoir.**

**1.** No human excrement shall be deposited or discharged into the Spavinaw Reservoir or into any watercourse, as hereinbefore defined in Paragraph B; and no cesspool, privy or other receptacle for the deposit of human excrement shall be located, constructed or maintained within said Spavinaw Water District, unless such cesspool, privy or other receptacle be so constructed that no portion of its contents can escape or be washed into such waters, and shall not be located closer than six hundred sixty (660) feet to water's edge.

**2.** No human excrement, or compost containing human excrement or contents of any privy, cesspool, sewer or other receptacle for the reception or storage of human excrement shall be deposited or discharged within said Spavinaw Water District or

upon or into the ground at a place from which any such excrement, compost or contents or particles thereof, may flow or be washed or carried into the Spavinaw Reservoir, or into any water course as hereinabove defined in Paragraph B.

**3.** No house slops, sink waste, water which has been used for washing or cooking or other polluted water shall be discharged into the said Spavinaw Reservoir, or into any water course within said Spavinaw Water District; and no house slops, sink waste, water which has been used for washing or cooking or other polluted water shall be discharged into or upon any ground in said Spavinaw Water District within six hundred sixty (660) feet of the high water line of said Spavinaw Reservoir, or of any water course as hereinabove described in Paragraph B.

**4.** No garbage, manure or putrescible matter whatsoever shall be put into the said Spavinaw Reservoir, or into any water course as hereinabove described in Paragraph B; and no garbage, manure or putrescible matter whatsoever shall be put upon the ground in said Spavinaw Water District within six hundred sixty (660) feet of the high water line of said Spavinaw Reservoir or of the high water line of any watercourse, as herein above defined in Paragraph B; or within any such greater distance as may from time to time be established either by the State Health Department or by the City of Tulsa.

**5.** No stable, pigsty, henhouse, barnyard, hog yard, hitching or standing place for horses, cattle or other animals, or other place where animal manure is deposited or accumulated, shall be located, constructed or maintained in said Spavinaw Water District, any part of which is within six hundred sixty (660) feet of the high water line of any water course, as hereinabove defined in Paragraph B.

**6.** No refuse, industrial wastes or other waste products or polluting liquids or other substance of a nature poisonous or injurious either to human beings or animals, or of such nature as would impart an objectionable taste or odor to any water into which it might be discharged, and no putrescible matter whatsoever shall be discharged directly into or at any place from which it may flow or be washed or carried into such Spavinaw Reservoir or into any water course, as hereinabove defined in Paragraph B.

**F. Approval State Department of Health; when.** No system of sewers or other works for the collection, conveyance, disposal or purification of domestic or manufacturing sewage, wastes or drainage, or any other putrescible matters whatsoever shall, except in accordance with plans first approved in writing by the State Department of Health, be constructed or maintained at any place within the Spavinaw Water District so called. No private or separate sewer shall be constructed or maintained in said Spavinaw Water District having an outlet upon or in the ground within six hundred sixty (660) feet of the high water line of such Spavinaw Reservoir or of the high water line of any water course, as hereinabove defined in Paragraph B.

**G. Hospitals prohibited unless approved by the State Board of Health.** No public or private hospital, or other place intended for the reception or treatment of persons afflicted with a contagious or infectious disease, shall, until the location and construction thereof have been approved in writing by the State Board of Health, be located or constructed at any place within the Spavinaw Water District. No public or private hospital, or other place intended for the reception or treatment of persons afflicted with a contagious or infectious disease, shall be maintained at any place within such water

district unless all the provisions required by the State Board of Health for the purification or disposal of sewage, drainage or other polluting or organic matter which may be discharged therefrom, are fully complied with.

**H. Permits required.** No person shall bathe in and no person shall, unless permitted by a special regulation or by written permit of the Mayor of the City of Tulsa, fish in or send, drive or put any animal into said Spavinaw lake or reservoir, or bathe or fish in, or send, drive or put any animal into any water course as hereinabove defined in Paragraph B. No person other than a member of said Water Department of the City of Tulsa, its officers, agents or employees, or public officer, whose duties may so require, shall, unless so permitted by regulations or permit of said Mayor enter or go in any boat, motor boat, skiff, raft or other contrivance, on or upon water of said Spavinaw Reservoir, or on or upon the water of any water course as hereinabove defined in Paragraph B.

**I. No buildings permitted.** No human habitation, cottage, tent, camp site or residence of any kind, either temporary or permanent, shall be hereafter built, set up or constructed upon any lands within six hundred sixty (660) feet of the high water line of the Spavinaw Reservoir or of any water course in said Spavinaw Water District, except upon such or any part of such lands the natural drainage of which is not into such reservoir or water courses; provided, however, that the City of Tulsa may construct and maintain such structure within such prohibited territory as may be necessary in the furtherance of the protection of such reservoir from contamination and pollution.

**J. Reports of contagious or infectious diseases.** All reports which may be made to any board of health, or to any health officer of any town or county, of cases of contagious or infectious diseases occurring within the water shed of said Spavinaw Water District, shall be open to the inspection of the Mayor of the City of Tulsa, his officers or agents, at all reasonable times.

**K. Physicians to give notice.** It shall be the duty of all physicians practicing their profession in said Spavinaw Water District to give notice immediately to the Mayor of the City of Tulsa, Oklahoma and to the Commissioner of Health of the State of Oklahoma of any case of contagious or infectious disease in said Spavinaw Water District coming to the knowledge of such physician, or known or suspected by such physician to exist within such Spavinaw Water District; such notices shall be upon such forms as the Mayor shall provide, and said physician shall be entitled to receive for such services a reasonable compensation to be fixed by resolution by the Mayor.

**L.** That from and after this date, no more burials or interments shall be made in the Spavinaw cemetery or at any other place within such Spavinaw Water District.

(Note: Promulgated by the Commissioner of Health of Oklahoma, Apr. 2, 1924)

Therefore, these Rules and Regulations are hereby adopted and made a part of this chapter.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013; Ord. No. 24254, §§ 1—3, 10-30-19)*

### Section 402. Spavinaw Dam and Lake.

The dam across Spavinaw Creek in Section 15, Township 22 North, Range 21 East in Mayes County is hereby designated and shall be known as "Spavinaw Dam." The waters impounded thereby are hereby designated and shall be known as "Lake Spavinaw."

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

## Section 403. Eucha Dam and Lake.

The dam across Spavinaw Creek in Sections 22 and 23, Township 22 North, Range 22 East in Delaware County is hereby designated and shall be known as "Eucha Dam." The water impounded thereby are hereby designated and shall be known as "Lake Eucha."

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

## Section 404. Spavinaw Reservoir Area.

The lands upon which Lake Spavinaw, Spavinaw Dam, Lake Eucha and Eucha Dam and the adjacent grounds owned or controlled by the City of Tulsa, Oklahoma, all of which are more particularly described as:

The NW¼ NW¼ NE¼, S½ NW¼ NE¼, S½ SW¼, NW¼ SW¼, S½ NE¼ SW¼ NW¼ NE¼ SW¼, in Section 30 and N½ N½ NW¼, E½ SE¼ NW¼, SE¼ NE¼ NW¼ in Section 31, all in Township 22 North, Range 24 East, Delaware County, Oklahoma.

AND

The S½ SW¼ SW¼ in Section 24 and W½ NW¼, W½ SE¼ NW¼ SW¼ SE¼ in Section 25 and N½ N½ NE¼, N½ NW¼ in Section 36 and all of Section 26 except N½ NW¼ SE¼ and N½ NW¼, N½ NE¼, N½ SW¼ NW¼ N½ N½ SE¼ NW¼ in Section 35 and S½ SE¼, S½ N½ SE¼, S½ S½ SW¼ in Section 27 and NW¼, NE¼ except SE¼ SE¼ NE¼; N½ NW¼ SE¼, NW¼ NE¼ SE¼, SW¼, in Section 34 and SW¼, SE¼ NE¼ except W 660 feet of N 990 feet, NE¼ NW¼ except N 900 feet S½ NW¼, S½ NW¼ NW¼ in Section 33 and S½ NW¼, NW¼ N½ SW¼ in Section 28 and all of Section 32 and SW¼, S½ SE¼, NE¼ SE¼, S½ NW¼ SE¼, E 165 feet of N 495 feet of NE¼ NW¼ SE¼, E 165 feet of North 330 feet of NE¼ NW¼ SE¼, S 165 feet NE¼ NW¼ SE¼ W½ NW¼ less E½ E½ SE¼ SW¼ NW¼ and less 2 acres in SE corner NW¼ NW¼, S½ SE¼ NE¼ in Section 29 and S½ SE¼ SW¼, W½ SW¼ SW¼, S½ NW¼ SW¼, NE¼, SW¼, SE¼ NW¼ in Section 20 and S½, SW¼ NW¼, SW¼, N½ SW¼ SE¼, SW¼ SW¼ SE¼, E 990 feet of SE¼ SE¼, S½ SE¼ NE¼ SE¼ in Section 19 and NW¼, SW¼ except SW¼ SE¼ SW¼, SE¼ NE¼ except the N 330 feet of E 990 feet of W 1650 feet in Section 30 and W½ NW¼ except NE¼ NW¼ NW¼, S½ NE¼ NW¼, NE¼ NE¼ NW¼, S½ NW¼ NE¼, NW¼ NW¼ NE¼, N½ NE¼ NE¼, E 990 feet of S½ NE¼ NE¼, SW¼ NW¼ SW¼ in Section 31, all in Township 22 North, Range 23 East, Delaware County, Oklahoma.

AND

The NW¼ NW¼, N½ NE¼ NW¼, NW¼ NW¼, NW¼ SE¼ NW¼ SE¼ SE¼ NW¼, SW¼ SE¼ NW¼ except SW¼ SW¼ SE¼ NW¼, W½ SW¼ W½ NE¼ SW¼, NW¼ SW¼ SE¼ in Section 3, NE¼ Section 5, all of Section 4, all in Township 21 North, Range 23 East, Delaware County, Oklahoma.

AND

The SW¼, SE¼, SW¼ NW¼, E½ NW¼, SW¼ NE¼, SW¼ SE¼ NE¼ in Section 24 and NW¼, NE¼, NW¼ SW¼, W½ NE¼ SW¼, NE¼ NE¼ SW¼, N½ SE¼, SE¼ SE¼, E½ SW¼ SE¼ in Section 25 and W½ NW¼ NW¼, NW¼ SW¼ NW¼ in Section 36 and N½ NW¼ NE¼, N½ S½ NW¼ NE¼, NE¼ NE¼, NE¼ SE¼ NE¼, NE diagonal 5 acres NW¼ SE¼ NE¼, in Section 35 and SE¼, NE¼ SW¼, NE diagonal 20 acres of SE¼ SW¼, NE¼ except NW¼ SW¼ NE¼, N½ NE¼ NW¼, SE¼ NE¼ NW¼ in Section 26 and SW¼ except SW diagonal 5 acres, SE¼, NW¼, W½ SW¼ NE¼, SE¼

SW¼ NE¼, SE¼ SE¼ NE¼, SW¼ NW¼ NE¼ in Section 23 and N½ NE¼ SE¼, SE¼ NE¼ SE¼, NE diagonal 5 acres of SW¼ NE¼ SE¼, NE diagonal 5 acres of NE¼ SE¼ SE¼, SE¼ NE¼, all that part of the NE¼ NE¼ described as follows: Beginning at the Southeast corner of said Northeast Quarter (NE¼) of the Northeast Quarter (NE¼), thence in a Westerly direction along the South boundary of said NE¼ of the NE¼ a distance of 870 feet; thence in a Northwesterly direction a distance of 1,058.3 feet to a point 1,055.2 feet North and 950 feet West of said Southeast corner; thence on a curve to the right with a radius of 409.3 feet a distance of 121.9 feet to a point 1,086.1 feet North and 832.5 feet West of said Southeast corner; thence in a Northeasterly direction a distance of 559.9 feet to a point 1,146.5 feet North and 275.8 feet West of such Southeast corner; thence on a curve to the left with a radius of 309.3 feet a distance of 315.8 feet to a point in the North boundary of said NE¼ of the NE¼ 29.6 feet West of the Northeast corner thereof; thence in an Easterly direction along such North boundary a distance of 29.6 feet to said Northeast corner; thence in a Southerly direction along the East boundary of said NE¼ of the NE¼ to the point of beginning, containing 23.6 acres, more or less in Section 22, all in Township 22 North, Range 22 East, Delaware County, Oklahoma.

AND

S½ S½, S½ NW¼ SE¼, S½ N½ SW¼ in Section 5 and SE¼ NE¼ SE¼, S½ SE¼ less NW 10 acres N½ SW¼ SE¼, South 630 feet SE¼ SW¼ in Section 6 and N½, N½ SW¼, SW¼ SW¼, S½ SE¼ SW¼, NW¼ SE¼ SW¼, NW¼ SE¼, N½ N½ NE¼ SE¼ Section 7 and N½ NE¼, N½ S½ NE¼, N½ NW¼, SW¼ NW¼, N½ SE¼ NW¼, NW¼ S½ SE¼ NW¼, NW¼ NW¼ SW¼ Section 8 and W½ SE¼, NE¼, E½ NW¼ SW¼, S½ SE¼ NW¼ NW¼ SE¼ NW¼, SW¼ NE¼ SE¼ NW¼, E½ SW¼ NW¼ NE¼ S½ SW¼ SW¼ NW¼, N½ SW¼ SW¼ NW¼, S½ NW¼ NW¼, NW¼ NW¼ NW¼, SW½ NE¼ NW¼ NW¼, SW½ SW¼ NE¼ NW¼ Section 9 and NE¼ NE¼ Section 16, and SW¼ NW¼, W½ NW¼ NW¼, SE¼ NW¼ NW¼ Section 19 all in Township 22 North, Range 22 East, Delaware County, Oklahoma.

AND

S½ SE¼, E½ SW¼ SW¼, SW¼ SW¼ SW¼ SW¼ Section 11 and E½, SW¼, SE¼ NW¼, SW¼ NE¼ NW¼, S½ SW¼ NW¼ Section 12 and NE¼, NW¼, SE¼, N½ SW¼, E½ SE¼ SW¼, NW¼ SE¼ SW¼, NE½ SW¼ SE¼ SW¼, NE½ NE¼ SW¼ SW¼ Section 13 and N½, N½ S½, SE¼ SE¼, E½ SW¼ SE¼, NW¼ SW¼ SE¼, SW¼ SW¼, W½ SE¼ SW¼, NE¼ SE¼ SW¼, N½ SE¼ SE¼ SW¼ Section 14 and E½ SE¼, NW¼ SE¼, N½ SW¼ SE¼, beginning at NE corner of the S½ SW¼ SE¼ thence E 1320 feet thence S 260 feet thence NW to point of beginning, NE¼ NE¼ SW¼, S½ SW¼ NE¼, E½ SE¼ NE¼, SW¼ SE¼ NE¼, SE½ NW¼ SE¼ NE¼ Section 15 and E½ W½ NE¼, E½ NW¼ SE¼, NE¼ NE¼, W½ SE¼ NE¼, NW½ S 920 feet E½ SE¼ NE¼, N 400 feet NE¼ SE¼ NE¼ Section 22 and S½ SE¼ NE¼ Section 23 and E½ NE¼, NW¼ NE¼ Section 24 all in Township 22 North, Range 21 East, Mayes County, Oklahoma; in Mayes and Delaware Counties, State of Oklahoma, are hereby designated and may be collectively referred to as the Spavinaw Reservoir Area.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

### Section 405. Authority and responsibility for reservoir area.

The operation, management, supervision and control of the Spavinaw Reservoir Area shall be the authority and responsibility of the Mayor, the Tulsa Utility Board and the duly

appointed employees and agents of the City of Tulsa acting by, through and under them. Whenever, in this chapter, reference is made to "the Mayor," such term shall mean the Mayor of the City of Tulsa or his duly authorized subordinates.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013; Ord. No. 24254, § 4, 10-30-19)*

**Section 406. Prohibited acts.**

No person, except officers, employees, agents, contractors and their employees, concessionaires or franchisees of the City of Tulsa in the performance of their duties, shall enter upon any part of the Spavinaw Reservoir Area, except as may be expressly authorized by the provisions of this chapter.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

**Section 407. Activities permitted.**

Fishing, boating, hiking, camping, underwater diving and the patronizing of authorized concessions shall be permitted in the Spavinaw Reservoir Area in accordance with the provisions of this chapter. It shall be unlawful and an offense for any person to enter the reservoir area for such purposes without complying with the provisions of this chapter, or for any purpose not herein expressly authorized.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

**Section 408. Restricted areas.**

**A.** The Mayor shall, for the purpose of public health or safety, the security of the City's dams and other works, the propagation of fish, the privacy of the City's employees required to reside in residences furnished them, the efficient management of the City's reservoirs, and other lawful purposes, have the authority to designate, within the reservoir area, restricted areas. When an area has been so designated and signs erected bearing the words "No Trespassing," "Keep Out," "Restricted Area - Do Not Enter" or words of like import, it shall be unlawful and an offense for any person, except duly authorized officials, employees or agents of the City, to enter such restricted area for any purpose.

**B.** The operation of off-road vehicles, including, but not limited to motorcycles, minibikes, trail bikes, dune buggies, all-terrain vehicles, and other motor vehicles designed for or capable of cross-country travel on natural terrain, when operated off the roadways of area, is prohibited at locations and at times designated by the Mayor and marked by the posting of appropriate signs.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013; Ord. No. 24254, § 5, 10-30-19)*

**Section 409. Fishing.**

**A.** Fishing shall be permitted in the reservoir area, except in restricted areas, in accordance with the laws of the State of Oklahoma and upon obtaining a City of Tulsa fishing permit and paying a fee therefore as follows:

| Per Day | Per Year |
|---|---|
| $1.00 | $10.00 |
| Purchased after June 30 - $5.00 | |

All permits shall be issued for the current calendar year and shall expire on December 31st of the year issued.

**B.** No person over the age of fifteen (15) years shall fish in the reservoir area without first obtaining and having in his possession the required permit; provided, however, that double permit fees shall be charged and collected for failure to obtain a permit in advance of the use of the facilities.

**C.** All persons fishing in the waters of the Spavinaw Reservoir Area shall at all times comply with other laws of the State of Oklahoma and the Rules and Regulations of the Oklahoma Wildlife Conservation Commission. Netting of any kind, with the exception of landing nets, shall be prohibited in the Spavinaw Reservoir Area except by duly authorized City of Tulsa employees.

*(Ord. No. 16160; Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013; Ord. No. 24254, § 6, 10-30-19)*

## Section 410. Boats.

**A.** Boats may be placed on the waters of the reservoir area; and the operation of boats shall be permitted in accordance with the provisions of this chapter and upon the payment of a fee for each boat, whether a motorboat, rowboat or other craft, of:

One Dollar ($1.00) per day, (any 24-hour period), or

Ten Dollars ($10.00) per year.

**B.** No person shall place any boat upon the Spavinaw Reservoir Area without first obtaining a permit therefore and paying the fee required by this section; provided, however, that double permit fees shall be charged and collected for failure to obtain a permit in advance of the use of the facilities.

*(Ord. Nos. 15754, 16160; Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013; Ord. No. 24254, § 7, 10-30-19)*

## Section 411. Waiver of fees.

**A.** Retired and current City of Tulsa personnel and their immediate family members, upon exhibiting a certificate from the personnel office of the City of Tulsa or City ID, shall be permitted to fish and operate his/her private boat in the reservoir area without paying the permit fees required by this chapter. Persons exhibiting such certificates to the Water Supply Section Permit Office personnel (Spavinaw Lake or Lake Eucha) shall be issued fishing and boating permits for each trip, and such permits shall be marked "City Employees" and shall be deducted from the total value of permit books.

**B.** Persons 65 years and older, and disabled veterans of the Armed Forces of the United States, certified by the Veterans Administration to be at least sixty percent (60%) disabled, and active members of the Armed Forces of the United States, upon exhibiting a disability certification or an armed forces military identification card indicating current active service, will be permitted to fish and operate their boats without paying the permit fee as required by this chapter.

*(Ord. No. 16160; Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013; Ord. No. 24254, § 8, 10-30-19)*

## Section 412. Boating rules.

In addition to any rules of the road or other regulations provided by the laws of the State of Oklahoma, the following rules shall apply to all boats operated upon the waters of the Spavinaw Reservoir Area:

**A.** No boat, except as herein otherwise expressly provided, shall be permitted upon the waters of the reservoir area unless it is not less than twelve (12) feet in length, fifteen (15) inches in depth and with a beam of forty-four (44) inches, having flotation compartments, and is, in the opinion of the Mayor, seaworthy.

**B.** No boat shall be powered by an outboard motor of greater horsepower than is recommended by the manufacturer of the boat; if the manufacturer's specification in such regard is not set forth on a boat, the Director shall assign a maximum horsepower rating for such boat;

**C.** All boats shall be equipped with all the safety equipment required by the laws of the State of Oklahoma;

**D.** No boat or craft equipped with a toilet with overboard discharge shall be permitted;

**E.** No person under sixteen (16) years of age shall operate any boat except under the direct supervision of a qualified operator over the age of sixteen (16) years;

**F.** No person who is under the influence of any intoxicating beverage or drug shall operate any boat;

**G.** No person shall operate any boat in a reckless or careless manner;

**H.** No person shall be towed behind any boat on water skis, aquaplane, surfboard or other similar device;

**I.** No sailboat or jet ski shall be permitted;

**J.** Kayaks, canoes and punts may be permitted by the Mayor in the shallow areas of the lakes, provided that they are in his opinion seaworthy, and the persons operating such boats are skilled in the operation thereof;

**K.** Rowboats shall have the right of way at all times, and motor propelled boats shall keep a safe distance from them; motorboats, while cruising, shall stay not less than three hundred (300) feet from any bank or anchored fisherman; in all hollows of the lakes, travel by motor-propelled boats shall be as near to the middle of the hollow as practicable and at a speed not to exceed five (5) miles per hour;

**L.** No motor-propelled boats shall travel at a speed greater than eighteen (18) miles per hour within a distance of one thousand (1,000) feet from any shore line; in all cases the lighter and slower craft shall have the right of way, and speedboats shall be operated at the owner's risk; and

**M.** Special caution shall be used while trolling with a motor-propelled boat in any hollow or cove or around points to show proper consideration to the rights of anchored fishermen, bank fishermen or boat fishermen fishing toward the bank.

**N.** No boat shall be permitted upon the waters of the reservoir area that has evidence of zebra or quagga mussels present.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013; Ord. No. 24254, § 9, 10-30-19)*

## Section 413. Boat storage.

**A.** The City of Tulsa may provide for storage of private boats and other water craft, and shall charge the following fees:

**1.** Open dockage, per month ..... $35.00

**2.** Boathouse stall rental without electric boat lift, per month ..... $40.00

**3.** Boathouse stall rental with electric boat lift, per month..... $45.00

**B.** Only privately owned boathouses, which are physically in existence and located on the Spavinaw Reservoir Area, pursuant to a valid permit, held by the original permitees or their assigns, as of July 5, 1983, are authorized to be located thereon. The owner of each such privately owned boathouse shall pay to the City of Tulsa, as rental, a fee of Twenty-Four Dollars ($24.00) per year, per stall, which shall be due on or before January 1 of each year. An annual boathouse permit shall be issued by the City upon payment of such fee. No privately owned boathouse shall be placed or erected upon such waters after July 5, 1983, except as provided in subparagraph C. of this section.

**C.** In addition to those existing privately owned boathouses identified in subparagraph B. of this section, owners or assigns of an existing valid boathouse permit, who do not presently have an existing boathouse, may, construct a boathouse on the Spavinaw Reservoir Area that meets the applicable written standards established by the City of Tulsa, on or before, but no later than June 1, 2020. If owners or assigns of an existing boathouse permit, who do not have an existing boathouse, fail to construct a boathouse on the Spavinaw Reservoir Area that meets the applicable written standards established by the City of Tulsa, by June 1, 2020, that permit will lapse, will be revoked, will not be renewed, and cannot be transferred. No other privately owned boathouses shall be constructed on the Spavinaw Reservoir Area.

**D.** All privately owned docks and boathouses shall be maintained in good condition in accordance with the written standards established by the City. The Director is authorized and empowered to make, adopt and amend written rules, regulations and standards to carry out the purposes of this section, subject to the approval of the Mayor. Any dock or boathouse which becomes dilapidated or fails to meet the written standards established by the City, or for which the annual fee for boathouses has not been paid, may, upon sixty (60) days' written notice to the owner by registered mail, be removed from the lake area by the City and the costs thereof shall be assessed against the owner after sixty (60) days from the date a Notice to Cure is sent to the owner by registered mail. Further, such permit will lapse, will be revoked, will not be renewed and cannot be transferred.

**E.** All privately owned boathouse permits are revocable licenses not existing in perpetuity, irrespective of whether such license or permit existed as of July 1983. The City of Tulsa maintains the right, by action of the TMUA, upon sixty (60) days written notice to all persons subject to this section, to revoke Title 11 C TRO Section 413 in its entirety, and thus, revoke the permit program and all privately owned boathouse permits. Should the City of Tulsa revoke this section, all privately owned boathouses shall be immediately and permanently removed from the Spavinaw Reservoir Area, at each owner's expense.

**F.** No privately owned boathouse, except those permitted as of July 5, 1983, shall be kept, offered for rent or rented.

*(Ord. No. 15754; Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013; Ord. No. 23906, § 1, 4-11-2018)*

## Section 414. Hunting.

Hunting, in accordance with all State of Oklahoma hunting regulations, may be permitted in the Spavinaw Reservoir Area, except in restricted areas, parks, campgrounds, picnic areas, developed areas and other public use areas.

*(Ord. No. 16160; Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013; Ord. No. 24254, § 10, 10-30-19)*

## Section 415. Swimming and diving.

**A.** No person shall swim, bathe, wade or dive in the waters of the reservoir area, except as permitted by the express terms of this section.

**B.** Underwater diving in Lakes Spavinaw and Eucha shall be permitted for the recovery of lost property.

**C.** The Mayor may make such rules and regulations as may be required to insure safety of persons and property in connection with such diving, and may issue diving permits subject to such rules and regulations.

**D.** All persons requesting permission to dive in such lakes shall first satisfy the Mayor of their skill and qualifications and show proof of SCUBA certification.

**E.** All persons requesting permission to dive in such lakes shall first execute a full and unconditional release of all liability for injury and damages. Such release shall run to the City of Tulsa, its agents and employees.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013; Ord. No. 24254, § 11, 10-30-19)*

## Section 416. Camping.

**A.** No person shall camp or place a tent, trailer or other form of mobile residence within the Spavinaw Reservoir Area, except in a camping area designated by the City of Tulsa.

**B.** The rental fee for each tent, trailer, campsite or shelter house utilizing electricity furnished by the City of Tulsa shall be as follows:

**Developed Campground**

Full day rental (any twenty-four-hour period)..... $18.00

**Undeveloped Campground**

Full day rental (any twenty-four-hour period)..... $6.00

**C.** Camping equipment or other property left unattended at a camp site for purpose of holding the site for future occupancy is prohibited and such equipment or other property may be removed and impounded by authorized agents of the Mayor.

**Shelter Houses**

Full day rental (any twelve-hour period)..... $25.00

**D.** Senior Citizens, sixty-five (65) years or older, shall be charged two-thirds (⅔) the rate of the established "site" rental fee and shall be present during the stay.

**E.** Totally disabled veterans shall be charged two-thirds (⅔) the rate of the established "site" rental fee and shall be present during the stay.

**F.** The maximum length of stay within any designated camping area in the Spavinaw Reservoir Area (Spavinaw Water District) shall be fourteen (14) consecutive days, provided the campgrounds are near full.

**G.** The developed campground at Lake Eucha will open April 15 of each season and close November 1 of each season.

**H.** All pets shall be restrained in any of the designated camping, park or picnic areas within the Spavinaw Water District. Persons with pets shall be responsible for proper removal and disposal of any waste produced by animals.

*(Ord. No. 16586; Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013; Ord. No. 24254, § 12, 10-30-19)*

**Section 417. Hiking and inspections.**

**A.** The grounds of the Spavinaw Reservoir Area shall be available to all persons for the purpose of hiking and inspecting the lakes, dams and other works of the reservoir area, provided that no person shall enter upon or remain in any restricted area without the express permission of the officer, agent or employee of the City of Tulsa in charge of such area.

**B.** No officer, agent or employee of the City of Tulsa shall permit any person to enter any restricted area in the Spavinaw Reservoir Area, except in accordance with the express provisions of the regulations promulgated by the Mayor with respect to such area.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

**Section 418. Contamination of reservoir area.**

No person shall place, throw or otherwise discharge any human excrement, animal excrement, trash, waste or garbage into the waters of or upon the grounds of the Spavinaw Reservoir Area, except in such places or containers as may be expressly provided and designated for such purposes by the City of Tulsa or any duly authorized franchisee or concessionaire.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

**Section 419. Regulations.**

The Mayor is authorized to promulgate such additional regulations not inconsistent with this chapter for the purpose of carrying the provisions herein into force and effect. When such regulations have been so promulgated and approved by the Tulsa Utility Board and the City Council, they shall have the same force and effect as the provisions of this chapter.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

**Section 420. Penalty.**

Any person violating any of the provisions of this chapter shall be guilty of an offense and, upon conviction thereof, shall be punished by a fine not to exceed Three Hundred Dollars ($300.00), excluding costs.

*(Ord. No. 15754; Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

**Section 421. Arrest.**

Any police officer of the City of Tulsa is authorized to arrest any person committing any act hereby prohibited in his presence, and to transport him to the Municipal Criminal Court of

the City of Tulsa or any other court of proper jurisdiction, where such person shall be informed against, arraigned, tried, and, if found guilty, punished as by law in such cases made and provided.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

**Section 422. Arrest by warrant.**

Any person duly informed against for the commission of any act prohibited by this chapter may be arrested by any police officer of the City of Tulsa, Oklahoma, upon a warrant issued by a judge of the Municipal Criminal Court of the City of Tulsa, or other judge duly authorized to issue such warrant, whereupon he shall be transported to the Municipal Criminal Court of the City of Tulsa or any other court of proper jurisdiction, where such person shall be informed against, arraigned, tried, and, if found guilty, punished as by law in such cases made and provided.

*(Ord. No. 22850, § 1, 3-28-2013, eff. 4-1-2013)*

## CHAPTER 5. REQUIREMENTS FOR USE OF SANITARY SEWERAGE SYSTEM

Section 500. Scope.
Section 501. Definitions.
Section 502. License and revocation.
Section 503. Bond and deposit.
Section 504. Permit to connect house sewer.
Section 505. Use of other name.
Section 506. Inspection required.
Section 507. Inspection fees.
Section 508. Report of work—Approval.
Section 509. Time of inspection.
Section 510. Altering after inspection.
Section 511. Sanitary sewer—Plumbing connections.
Section 512. Private repairs.
Section 513. Separate sanitary sewers—Each premise.
Section 514. Connections outside of district.
Section 515. Property not assessed.
Section 516. Mobile home parks.
Section 517. Approval of plans for all sanitary sewer service lines eight inches in diameter or over.
Section 518. Miscellaneous rules.
Section 519. Plugging of abandoned building sewers, house sewers or house sewer line connections to public sanitary sewers.
Section 520. Reconstruction of public sanitary sewers.

### Section 500. Scope.

This chapter shall include all general requirements, prohibitions and regulations with respect to the connection, use, protection and maintenance of all sewers forming a part of the sanitary sewerage system of the City of Tulsa and limiting the discharge of all wastes into the sanitary sewer system which could or would cause damage or obstruction of the sewage collection system, damage or interfere with the operation of the sewage treatment plants or be detrimental to the quality of the effluent or sludge, or cause unreasonable maintenance, attention and expense to either the collection system or the treatment facilities, and shall provide penalties for violations.

### Section 501. Definitions.

For the purposes of this chapter, the following terms, phrases, words and their derivations shall have the meaning given herein.

**A. B.O.D. (biochemical oxygen demand)** shall mean the quantity of oxygen expressed in milligrams per liter, utilized in the biochemical oxidation of organic matter under standard laboratory conditions for five (5) days at a temperature of twenty degrees (20°) centigrade. The laboratory determinations of B.O.D. shall be made in accordance with procedures set forth in Standard Methods.

**B. Building drain** shall mean that part of the lowest horizontal piping of a drainage system which receives the discharge from soil, waste and other drainage pipes of the building and conveys such discharge to the building sewer, beginning five (5) feet outside the inner face of the building wall.

**C. Building sewer, house sewer or house sewer line** shall mean the extension from the building drain to the sanitary sewer or other place of disposal.

**D. City** shall mean the City of Tulsa, Oklahoma, a municipal corporation, acting through the Tulsa Utility Board and the City's duly authorized officers or agents.

**E. Director** shall mean the Director of Public Works, or the person succeeding to his duties and functions by whatever name known, or his duly authorized deputy, agent or representative.

**F. Domestic sewage** shall mean water-carried wastes normally discharging into the sanitary sewers of dwellings (including apartment houses and hotels), office buildings, factories and institutions, free from storm surface water and industrial wastes.

**G. Garbage** shall mean solid wastes and residue from the preparation, cooking and dispensing of food, and from the handling, storage and sale of food products and produce.

**H. Industrial user or industry** shall mean:

**1.** Any user of a publicly owned treatment works which discharges more than the equivalent of twenty-five thousand (25,000) gallons per day (gpd) of sanitary wastes and which is identified in the latest edition of Standard Industrial Classification Manual, Office of Management and Budget, as amended and supplemented, under one of the following divisions:

| | |
|---|---|
| Division A. | Agriculture, Forestry and Fishing, |
| Division B. | Mining, |
| Division D. | Manufacturing, |
| Division E. | Transportation, Communications, Electric, Gas and Sanitary Services, or |
| Division I. | Services; |

provided, however, that a user in the divisions listed shall be excluded if it is determined by the Tulsa Utility Board that it will introduce only segregated domestic wastes or wastes from sanitary conveniences;

**2.** Any user of a publicly owned treatment works which discharges wastewater to the treatment works which contains toxic pollutants or poisonous solids, liquids or gases in sufficient quantity, either singly or by interaction with other wastes, to contaminate the sludge of any municipal systems, or to interfere with any sewage treatment process, or which constitutes a hazard to humans or animals, creates a public nuisance, or creates any hazard in or has an adverse effect on the waters receiving any discharge from the treatment works; and

**3.** Any user for which Federal Categorical Standards apply.

**I. Industrial waste** shall mean all water-carried solids, liquids and gaseous wastes resulting from any industrial, manufacturing or food processing operation or process, or from the development of any natural resource, or any mixture of these with water or domestic sewage and which is distinct from normal domestic sewage.

**J. Milligrams per liter (mg/l)** shall mean a weight to volume ratio; the milligrams per liter value multiplied by the factor 8.34 shall be equivalent to pounds per million gallons of water.

**K. Normal domestic sewage** shall mean sewage of the City of Tulsa in which the average concentration of suspended materials and five-day B.O.D. is established at two hundred fifty milligrams per liter (250 mg/l).

**L. Person, establishment or owner** shall mean any individual, firm, company, association, society, corporation, partnership or group, their agents, servants or employees.

**M. pH** shall mean the logarithm (Base 10) of the reciprocal of the hydrogen ion concentration expressed in moles per liter. It shall be determined by one (1) of the procedures outlined in Standard Methods.

**N. Premise** shall mean any plot or tract of ground, regardless of size or plat, under individual ownership and/or individual use and occupancy where the water service is metered independently of any other use.

**O. Properly shredded garbage** shall mean the wastes from the preparation, cooking and dispensing of foods, exclusive of egg shells, bones and like objects, that have been shredded to such degree that all particles will be carried freely under the flow conditions normally prevailing in public Sanitary sewers, with no particles greater than one-half (½) inch in any dimension.

**P. Public sanitary sewer** shall mean:

**1.** All sanitary sewers, of whatever size or extent, for which the City of Tulsa is responsible for operation, repair and maintenance;

**2.** Any sanitary sewer, of whatever size or extent, the construction cost of which has been paid from public funds in accordance with the City Charter or Title 11, Oklahoma Statutes;

**3.** An Assessment District Sewer, which is any sanitary sewer constructed within a legally constituted district as provided in the City Charter or Title 11, Oklahoma Statutes;

**4.** A Nonassessment District Sewer, which is any sanitary sewer constructed within a legally constituted district as provided by special ordinance wherein the property owners petition to construct same by cash as provided in the City Charter or Title 11, Oklahoma Statutes; and

**5.** An Outside Sewer District, which is any system of one (1) or more sanitary sewers other than house sewers constructed outside the corporate limits of the City of Tulsa, and connected to the sewerage system of the City of Tulsa, the physical boundaries of which shall be established and defined by legal description, setting forth the actual tracts of land served thereby, whether platted or unplatted; upon annexation to the City of Tulsa, such tracts of land as described shall be exempt from subsequent assessment for sanitary sewer construction, except as may be provided by the City Charter or the Oklahoma Statutes.

**Q. Sanitary sewer** shall mean a sewer that conveys sewage or wastewater, and into which storm, surface and ground waters or unpolluted industrial wastes are not intentionally admitted.

**R. Sewer service charge** shall mean the charge made on all users of the sanitary sewer system whose wastes do not exceed in strength the concentration values established in this chapter.

**S.** **Sewer system** shall mean all facilities for collecting, pumping, treating and disposing of wastewaters and shall include wastewater treatment facilities.

**T.** **Slug** shall mean any discharge of water, sewage or industrial waste, other than toxic materials, which, in concentration of any given constituent or in quantity or flow, exceeds for any period of duration longer than fifteen (15) minutes more than five (5) times the average twenty-four (24) hour concentration or flows during normal operation.

**U.** **Standard Methods** shall mean the examination and analytical procedures set forth in the latest edition at the time of analysis of Standard Methods for the Examination of Water and Wastewater as prepared, approved and published jointly by the American Water Works Association, the American Public Health Association and the Water Pollution Control Federation.

**V.** **Storm water runoff** shall mean that portion of the rainfall that is drained into the storm sewers.

**W.** **Surcharge** shall mean the charge in addition to the sewer service charge which is made on those persons whose wastes are greater in strength than the concentration values established as representative of normal discharges.

**X.** **Suspended solids** shall mean solids that either float on the surface of, or are in suspension in water, sewage or other liquids, and which are removable by a laboratory filtration device. Quantitative determination of suspended solids shall be made in accordance with procedures set forth in Standard Methods.

**Y.** **Wastewater or sewage** shall mean a combination of the water-carried waste from residences, business establishments, institutions and industrial establishments, together with such ground, surface and storm water as may be present.

**Z.** **Wastewater plant** shall mean any City-owned facility, device and structure used for receiving and treating wastewater from the City sanitary sewer system.

**AA.** **Act** or **the Act** shall mean the Federal Water Pollution Control Act, also known as the Clean Water Act or 1977, as amended, 33 U.S.C. 1251, *et seq*.

**BB.** **Authorized representative of industrial user** may be:

**1.** A principal executive officer of at least the level of vice-president, if the industrial user is a corporation;

**2.** A general partner or proprietor if the industrial user is a partnership or proprietorship respectively; or

**3.** A duly authorized representative of the individual designated above if such representative is responsible for the overall operation of the facilities from which the indirect discharge originates.

**CC.** **Code of Federal Regulations (CFR)** refers to documents published by the Office of Federal Register, National Archives and Records Service, General Services Administration, codifying general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government.

**DD.** **Composite sample** shall mean a sample of wastewater composed of samples collected at equal intervals, not exceeding one (1) hour, throughout the operational day of a user which are representative of the discharge of the facility.

**EE. Federal Categorical Pretreatment or Categorical Standard** shall mean any regulation containing pollutant discharge limits promulgated by the Environmental Protection Agency in accordance with Section 307(b) and (c) of the Act (33 U.S.C. 1317) which applies to specific industrial users.

**FF. Grab samples** shall mean a sample which is taken from a waste stream on a one-time basis with no regard to the flow in the waste stream and without consideration of time.

**GG. Interference** shall mean the inhibition or disruption of the City of Tulsa treatment process or operations which contributes to a violation of any requirement of the City's NPDES Permit. The term includes prevention of sewage sludge use or disposal by the City of Tulsa in accordance with Section 405 of Act, (33 U.S.C. 1345) or any criteria, guidelines or regulations developed pursuant to the Solid Waste Disposal Act (SWDA), the Clean Water Act, the Toxic Substance Control Act or more stringent State of Oklahoma criteria (including those contained in any State of Oklahoma Sludge Management Plan prepared pursuant to Title VI of SWDA) applicable to the method of disposal or use employed by the City.

**HH. Monitoring** shall mean the performance of wastewater flow measurements, wastewater sampling, sample analysis and like procedures necessary to determine wastewater discharge compliance and/or to verify the flow or strength of wastewater.

**II. New source** shall mean any source, the construction of which is commenced after the publication of proposed regulations prescribing a Section 307(c) (33 U.S.C. 1317) Federal Categorical Pretreatment Standard which will be applicable to such source, if such standard is thereafter promulgated within one hundred twenty (120) days of proposal in the Federal Register. Where the standard is promulgated later than one hundred twenty (120) days after proposal, a new source shall mean any source the construction of which is commenced after the date of promulgation of the standard.

**JJ. Operational day** shall mean that period of time during a twenty-four (24) hour period during which the facility is operating and consequently discharging wastewater.

**KK. Pretreatment** shall mean the reduction of the amount of pollutants, the elimination of pollutants or the alteration of the nature of pollutant properties in wastewater to a less harmful state prior to or in lieu of discharging or otherwise introducing such pollutants into the public sanitary sewer. The reduction or alteration can be obtained by physical, chemical or biological processes or process changes or other means, except as prohibited herein.

### Section 502. License and revocation.

**A. License.** No person shall engage in the construction, repair or cleansing of house sewers, or in making house sewer connections to the sanitary sewer system of the City of Tulsa unless such person shall have been licensed by the State Board of Health as a plumbing contractor or journeyman plumber.

**B. License revocation.** Any license required under this section shall be subject to revocation in accordance with the general provisions of the Revised Ordinances of the City of Tulsa for the revocation or suspension of licenses.

### Section 503. Bond and deposit.

Every person engaging in sanitary sewer work of any kind as defined in this chapter shall maintain such bonds and deposits as required by either the Plumbing Code of the City of

Tulsa or the standard specifications of the City of Tulsa for the construction, reconstruction or relocation of public or district sanitary sewers. All sanitary sewer bonds or deposits shall be conditioned to cover all obligations of the principal as incurred in connection with all specific work undertaken under this title, and shall indemnify and save harmless the City of Tulsa from any expense or liability of any kind that may be imposed by law from any act of the principal. Such bonds or deposits shall have prior approval of the Director.

**Section 504. Permit to connect house sewer.**

It shall be unlawful for any person to proceed with any house sewer connected with or to be connected with any public sanitary sewer system, until a permit for such work shall have been obtained from the Director; provided however, that no permit shall be required for the making of minor repairs, unless a portion or a section of the house sewer line is removed or replaced, or a hole is made in any section of the house sewer line.

**Section 505. Use of other name.**

No person shall allow his name or his license to be used by any other person to obtain any permit or certificate of inspection required by this chapter. The penalty for violating this provision shall be the suspension of the person's license.

**Section 506. Inspection required.**

All sanitary sewer work from the building line installed under the Plumbing Code outward to the public sanitary sewer shall be done in accordance with the provisions of this chapter and the standard specifications for house sewers and shall be inspected by the Director and a certificate of inspection issued therefor before such work may be used as a connection to any public sanitary sewer line or to any sanitary sewer line connected with a public sanitary sewer line.

**Section 507. Inspection fees.**

The Director shall charge inspection fees for house sewers based on the following schedule:

**A. Inside corporate limits of City.**

1. **Minimum fee.** A minimum fee of Forty-two Dollars ($42.00) shall apply to any permit for which the fee charged would otherwise be less than Forty-two Dollars ($42.00).
2. **Sewer work.** The inspection fee for any sewer work conducted shall be Thirty-two Dollars ($32.00).
3. **Concealment fee.** Work that is covered or concealed without the approval of the code official is in violation of the code and shall be subject to a civil penalty in an amount not exceeding Fifty-two and 50/100 Dollars ($52.50) for each occurrence. The assessment or payment of this penalty shall not relieve any person from fully complying with all the requirements of this title nor shall such payment exempt the person from further penalty provided by law.
4. **Failed inspections fee.** Failed inspections due to faulty work, work not completed or otherwise not ready for inspection when the code official, Plumbing Inspector or Assistant Plumbing Inspector is notified to make such inspection, shall be assessed

an additional fee or fees at a rate of Thirty-Two Dollars ($32.00) per inspection, unless otherwise provided for in this chapter. All failed inspection fees shall be paid prior to the commencement of any reinspection.

**B. Outside corporate limits of City.**

1. **Sewer work.** The inspection fee for any sewer work conducted shall be Forty-five Dollars ($45.00).
2. **Outside of City inspection fee.** All inspections requiring a Plumbing Inspector to travel outside the corporate limits of the City of Tulsa to perform an inspection shall be subject to an inspection fee equal to one and one-half (1½) times the regular inspection fee (Thirty-two Dollars [$32.00]), Forty-eight Dollars ($48.00).
3. **Failed inspections fee.** Failed inspections due to faulty work, work not completed or otherwise not ready for inspection when the code official, Plumbing Inspector or Assistant Plumbing Inspector is notified to make such inspection, shall be assessed an additional fee or fees at a rate of Thirty-two Dollars ($32.00) per inspection, unless otherwise provided for in this chapter. All failed inspection fees shall be paid prior to the commencement of any reinspection.

**C. Additional fees to be charged.** In addition to the inspection fees, the following fees shall be charged:

1. **Permit and licensing system maintenance fee.** A surcharge of Four Dollars ($4.00) shall be charged for each initial inspection to maintain the Permit and Licensing System.
2. **Record retention fee.** A surcharge of One and 30/100 Dollars ($1.30) per page shall be charged for each initial inspection for retention of permits and associated data by microfilming, computer imaging or other method of storage of records.

**D. Temporary sanitary sewer plug security deposit.** Before the owner of any house or structure shall be issued a temporary, sanitary sewer plug permit, as provided for in Section 519 of this title, the owner shall deposit with the City of Tulsa the sum of Ten Thousand Dollars ($10,000.00) as a security deposit. This security deposit shall be expended by the City to permanently plug the connection, if the sanitary sewer connection is not used or permanently plugged within ninety (90) days from the date a temporary, sanitary sewer plug permit is issued.

*(Ord. Nos. 16868, 18857, 20624)*

### Section 508. Report of work—Approval.

Any person doing any sanitary sewer work must notify the Director as soon as the pipe work has been completed and is ready for inspection, and must keep the trench open and the pipe fully exposed for inspection until the inspection is completed. If such work is approved, a certificate of satisfactory inspection shall be issued to the contractor.

### Section 509. Time of inspection.

It shall be the duty of the Director, in all cases when notified, to inspect all house sewers within forty-eight (48) hours after receipt of notice from the licensed contractor, licensed plumber or person in charge that such work is ready for inspection. Holidays and Sundays shall not be computed in the forty-eight (48) hours.

### Section 510. Altering after inspection.

It is hereby declared to be unlawful for any person to alter or change any sewer pipe or to remove any material after inspection has been made without obtaining a permit from the Director to do so. The Director shall reinspect all work altered or changed and the same fee shall be charged as for the original inspection.

### Section 511. Sanitary sewer—Plumbing connections.

The connection outside of buildings and underground between soil and waste pipes and the concrete or vitrified tile sanitary sewer shall be made with such jointing material as may be approved by the Director. However, these connections shall not be made until the work in the building has been tested and approved by the Plumbing Inspector.

### Section 512. Private repairs.

It shall be the duty of all persons owning any property upon which there is a house sewer line connecting with the public sanitary sewer system, to keep such house sewer line in a sufficiently good State of repair that it does not constitute a health nuisance nor interfere with the operation and maintenance of the public sanitary sewer system. It shall be the duty of such owner to have the proper repairs made by a licensed contractor or licensed plumber to such house sewer line within five (5) days after written notice to make such repairs is given by the Director.

### Section 513. Separate sanitary sewers—Each premise.

Each premise shall have a separate sanitary sewer connection. If, after the public sanitary sewer has been constructed, the adjacent property has been platted, replatted or if buildings have been relocated in such a manner that one or more are separated from the public sanitary sewer, the Director may require an extension of the main or lateral of the public sanitary sewer system so that the public sanitary sewer can serve directly any building that has been separated from the existing public sanitary sewer, provided that such other requirements are met as to size of pipe, construction and use as the Director may deem necessary, and that easements are granted to the public, covering the location of the extended public sanitary sewers across intervening lots or tracts of ground.

### Section 514. Connections outside of district.

If any person owning or in charge of property within the City limits which is not included in any duly established public sanitary sewer district desires to connect such property with the nearest public sanitary sewer, and the public sanitary sewer to which the connection will be made has not been constructed from the public funds, and the sanitary sewer is neither directly abutting nor located directly upon such property, and a sufficient public sanitary sewer can ultimately be constructed to serve the property in a normal manner, such person shall file a written application with the Director who shall investigate the same and make his recommendation to the Utility Board and the Mayor. If such application is approved by the Utility Board and the Mayor, then the City shall enter into an agreement with such applicant for a connection into the existing public sanitary sewer system. The applicant, as consideration for the connection, shall agree to waive any protest against the levying of any assessments thereafter made against the property for the installation of any public sanitary sewers in any district in which the property may be included, and to pay a

Sixty Dollar ($60.00) connection fee, plus the fee for filing such agreement. In the event the property covered by this agreement is subsequently subdivided into additional premises, new agreements shall be entered into covering each of the new premises, and each premise shall have a separate connection with the public sanitary sewer.

*(Ord. No. 16868)*

**Section 515. Property not assessed.**

Whenever publicly financed sanitary sewers shall be constructed in any alley or other place where otherwise a district sanitary sewer would have been constructed, and whenever such publicly financed sanitary sewer served the purpose of a district sanitary sewer for the abutting property or crosses the property, and the owner of such abutting property or property being crossed makes application for a permit to connect with such sanitary sewer, no permit shall be issued unless the owner shall have entered into a written agreement with the City of Tulsa and paid to the City of Tulsa an amount equal to that which he would have been required to pay for a sufficient district lateral sanitary sewer so constructed. The amounts to be charged for connections with publicly financed sanitary sewers shall be ascertained by the Director and approved by the Utility Board and the Mayor. In the event the property covered by the agreement is subsequently subdivided into additional premises, new agreements shall be entered into covering each of the new premises, and each of the premises shall have a separate connection with the public sanitary sewer.

**Section 516. Mobile home parks.**

Before any permit shall be issued allowing connection to the public sanitary sewer system for any space to be occupied by one (1) or more mobile homes, a plan of the area showing the proposed layout of water service pipes, house sewers and a profile of the water and sanitary sewer system shall be approved by the Director.

**Section 517. Approval of plans for all sanitary sewer service lines eight inches in diameter or over.**

Plans for all sanitary sewer service lines eight (8) inches or larger in diameter shall be designed in accordance with Oklahoma State Department of Health standards and shall be approved by the Director before the initiation of any construction.

*(Ord. No. 17549)*

**Section 518. Miscellaneous rules.**

**A.** No permit shall be issued nor a connection permitted to a public sanitary sewer under construction until such sanitary sewer has been approved by the Director.

**B.** The City of Tulsa shall be under no obligation to maintain or repair any house sewer as defined in this chapter.

**Section 519. Plugging of abandoned building sewers, house sewers or house sewer line connections to public sanitary sewers.**

**A.** Any person, firm, company, partnership or corporation owning any house or other structure connected to any public sanitary sewer shall, before demolition of such house or other structure or before removal of such house or other structure from its situs, cause such line connection to any public sanitary sewer to be adequately and properly plugged.

**B.** Such plugging shall be done only by a licensed plumber or a licensed contractor.

**C.** Before any line connection to the public sanitary sewer shall be plugged, the licensed plumber or licensed contractor who is to perform such work shall secure a permit from the Director for the plugging of such line connection to the public sanitary sewer.

**D.** After the permit has been obtained and the plugging has been completed, it shall be the responsibility of the Director to inspect such sanitary sewer plug to ascertain that it is proper and adequate.

**E.** No permit shall be issued for the removal or demolition of any such structure until the Director shall have approved the sewer plug.

## Section 520. Reconstruction of public sanitary sewers.

No building, structure, wall or other above-ground obstruction, including additional fill material, shall be placed, erected, installed or permitted directly over any public sanitary sewer. In the event any such obstructions are to occupy the ground immediately above a public sanitary sewer, it shall be necessary to first re-route the public sanitary sewer at the property owner's expense in order to comply with this provision; provided, however, that if there is not sufficient grade available to perform the re-routing, the property owner shall present a proposed plan to the Director for his approval, setting forth the necessary construction to safeguard the public sanitary sewer. Either the re-routing of the sanitary sewer or the reconstruction, as approved by the Director, shall be carried out through proper contracts and bonds with the City of Tulsa.

## CHAPTER 6. PRIVATE SEWER DISTRICTS

Section 600. Definitions.
Section 601. Private sewerage systems connecting to sewerage systems of the City.
Section 602. Outside connections.
Section 603. Records.
Section 604. Disclosure of facts.
Section 605. Refusal to furnish information.
Section 606. Other sewers.

### Section 600. Definitions.

As used in this chapter, the following words and phrases shall have the meanings given herein:

**A.** **House sewer** shall include all sewer lines carrying sewage from individual dwellings or places of business to the lateral lines.

**B.** **Lateral sewer** shall include all gathering sewer lines carrying sewage from the house sewer lines to the sub-main or main sewer lines. No lateral sewer shall be less than eight (8) inches in diameter, except as approved by the Director.

**C.** **Adequate lateral** shall mean any sewer constructed as an "excess capacity main" when it is utilized as a lateral by the property abutting thereon. The value of the benefit to such abutting property shall be defined as the amount equal to the proportionate cost of an eight (8) inch sewer to that of the sewer constructed as an "excess capacity main." This amount shall be equal to four (4) times the cost of the "excess capacity sewer" per inch of diameter per foot of length that it abuts the property along either side of the sewer, and shall be in addition to the "allowable recovery per thousand gallons per day capacity" for each thousand gallons of capacity utilized by the abutting property.

**D.** **Sub-main sewer** shall include all sewers eight (8) inches, ten (10) inches or twelve (12) inches in diameter, which serve to convey sewage from lateral sewers to a main sewer.

**E.** **Main sewer** shall include all sewers carrying sewage gathered from a number of lateral sewers or sub-main sewers to a central plant for treatment.

**F.** **Entire drainage area** shall mean that area as determined by the City of Tulsa and as established from any point on any existing sewer of the sewerage system of the City of Tulsa such that sewers flowing by gravity may be extended from such point to collect sewage originating from each and every tract of land within such area.

**G.** **Required capacity** shall mean the millions of gallons per day capacity required for any sewer to serve the entire drainage area as determined by the City of Tulsa. The required capacity in millions of gallons per day shall be equal to the product of the drainage area in acres raised to the exponent 0.8169 multiplied by the constant number 0.01467. ($Qm = A^{0.8169} \times 0.01467$), where Qm equals capacity in millions of gallons per day and A equals area in acres.

**H.** **Sewer capacity** shall mean the quantity of sewage in thousands of gallons per day that can be conveyed through a given sewer flowing full on a predetermined grade. This capacity shall be equal to the product of the constant number 23,000 multiplied by the diameter of the sewer in feet raised to the exponent 2.667, and that product multiplied by the square root of the grade of the sewer in feet per thousand feet.

**I.** **Excess capacity main sewer** shall include any privately financed sewer, larger than twelve (12) inches in diameter, required to serve an entire drainage area and having capacity in excess of the capacity actually required to meet the needs of the owner.

**J.** **Excess capacity system** shall include any system of sewers containing one (1) or more excess capacity mains whose network of sewers corresponds roughly but not necessarily coincidental with the natural surface drainage area.

**K.** **Excess capacity contract** shall include any contract covering the construction, use and reimbursement of excess capacity mains.

**L.** **Excess capacity fee** shall mean the amount of money to be paid by the user of any excess capacity main to the City of Tulsa for the use and benefit of the owner of an excess capacity main. Such fee shall be based upon the cost of providing within the excess capacity sewer the thousands of gallons per day capacity required by any user and shall be equal to the amount as determined by the "allowable recovery per thousand gallons per day capacity" for each and every one thousand (1,000) gallons per day capacity required by the following:

**1.** Each lot or parcel of land on which a single residence is located or is to be located shall require one thousand two hundred (1,200) gallons per day capacity;

**2.** Each motel unit, hotel unit or other transient living unit shall require six hundred (600) gallons per day capacity;

**3.** Each trailer space or apartment living unit shall require eight hundred (800) gallons per day capacity;

**4.** Each school shall require a capacity equal to four hundred (400) gallons per day for each student;

**5.** Each church shall require a capacity equal to two hundred (200) gallons per person, per day, based on the number of persons its main assembly hall will accommodate;

**6.** Each hospital shall require a capacity of seven hundred fifty (750) gallons per day for each bed; and

**7.** Any other use not specified herein shall require a sewer capacity equal to five and two tenths (5.2) times its average water use for sewage disposal purposes.

**M.** **Allowable cost** shall mean the aggregate cost of any excess capacity main in accordance with the following:

**1.** The owner's actual cost of construction as determined in the manner of any public contract providing for the advertisement of bids, award of contracts and compliance with the terms of contract as required by the City of Tulsa, but, if not awarded to the low bidder, limited to the amount of cost as calculated according to the bid of the low bidder;

**2.** Engineering fees of five percent (5%) of construction costs;

**3.** City inspection and flushing fees; and

**4.** The actual cost of advertising and recording.

**N.** **Allowable cost per thousand gallons per day capacity** shall mean that unit cost as determined by dividing the "allowable cost" by the "required capacity."

**O.** **Theoretical collection factor** shall mean the percentage that the theoretically required capacity of any sewer bears to the volume of sewage which would result if each

acre within the entire drainage area served by the sewer contributed four thousand (4,000) gallons per day simultaneously. The "theoretical collection factor" shall equal 0.8005 - 0.2164 Log 10X expressed as a percentage, wherein X is the drainage area in thousand of acres.

**P. Actual collection factor** shall have the same meaning as the "theoretical collection factor," except that the actual capacity of the sewer as constructed may vary within limits of acceptable tolerance as approved and as predicated by available grades, pipe sizes and other considerations.

**Q. Recovery factor** shall mean the factor to be applied to the allowable cost on any "excess capacity contract" of the capacity to be utilized by users other than the owner. The "recovery factor" shall be equal to the following: R equals 1.5790454 - 0.5790454 C, wherein R equals Recovery Factor and C equals Theoretical Collection Factor.

**R. Allowable recovery** shall mean that amount of money established by the product of the "allowable cost" multiplied by the "recovery factor."

**S. Allowable recovery per thousand gallons per day capacity** shall mean that unit cost as determined by dividing the "allowable recovery" by the "required capacity," and that quotient multiplied by the "actual collection factor." The "actual collection factor" may not exceed the "theoretical collection factor" in any computation.

**T. Private sewer districts** shall mean any system of one (1) or more sanitary sewers, other than house sewers, constructed within or outside the corporate limits of the City of Tulsa, which includes any excess capacity sewer and is connected to the sewerage system of the City of Tulsa. The physical boundaries of such "private sewer district" shall be as established and defined by legal description, setting forth the actual tracts of land served thereby, whether platted or unplatted. Such tracts of land as described shall be exempt from subsequent assessment for sewer construction. Off-site excess capacity sewers shall not be included within the boundaries of the district.

*(Ord. Nos. 10629, 20623)*

## Section 601. Private sewerage systems connecting to sewerage systems of the City.

**A. Private districts.** Whenever it is the desire of the owner or owners of properties within or outside the corporate limits of the City of Tulsa to install a sewerage system, which may or may not require the construction of an excess capacity sewer, and to connect such sewerage system to the City's system of sanitary sewers, the owner or owners shall first apply to the City of Tulsa, through its duly authorized representatives for permission in the form to be prescribed, setting forth the legal description and the record owners of the property to be sewered. If such petition is approved, the applicant shall have prepared by a registered engineer, plans, specifications and estimates of cost which shall be submitted to the City for its approval. Upon approval of the application, the owner and the City shall enter into a contract covering the construction, operation and maintenance of such sewers, which contract shall provide in substance the following provisions.

**1.** Upon completion and acceptance of such sewers, the sewage collecting system therein, with the exception of "excess capacity mains" as herein defined, shall become the property of the City. Excess capacity mains shall remain the property

of the owner until the owner shall have received his full allowable recovery or until the excess capacity contract has expired, whichever occurs first; thereafter the excess capacity mains shall become the property of the City.

**2.** The owner shall deposit with the City a sum equal to the engineering inspection fee and other amounts which may be due the City, including an administrative charge of two and one-half percent (2½%) of any sums paid to the City for the benefit of the owner of any excess capacity main; provided, however, that upon completion of the work, the amount finally paid to the City shall be adjusted in accordance with actual City expenditures.

**3.** The owner shall pay to the City, for the benefit of the owner of any excess capacity main through which sewage emanating within the proposed system must flow to reach a treatment plant, an amount equal to the "excess capacity fee" for such connection, the aggregate of which shall, in no event, be less than the allowable recovery for four thousand (4,000) gallons per day capacity for each acre served.

**4.** The owner shall pay to the City, for the benefit of the owner of any excess capacity main, an amount equal to the equivalent cost of an adequate lateral in the event any excess capacity main is so utilized.

**5.** All sanitary sewer and plumbing work upon the properties involved shall be done in accordance with the Revised Ordinances of the City of Tulsa governing properties within its corporate limits.

**6.** The contractor for such work shall file with the City of Tulsa a performance bond in the amount of one hundred percent (100%) of the contract, guaranteeing completion of the work and a maintenance bond in the amount of fifty percent (50%) of the amount of the contract, guaranteeing the work for a period of one (1) year after its completion and approval by the City.

**7.** The City shall be at no expense in the construction, repairing or cleaning of any excess capacity sewer for so long as it remains private property.

**B. Excess capacity contracts.** The City of Tulsa may require any sewers so situated as to subsequently serve an entire drainage area to be constructed with a capacity and at such depths as to permit future extensions thereto throughout the entire natural contributing drainage area, without subsequently exceeding the capacity available. The capacity required under the circumstances is defined herein. Whenever and wherever any sewer larger than twelve (12) inches in internal diameter is required, the owner may be reimbursed for the costs of providing such capacity over and above the capacity utilized by himself and over and above the use he makes of the sewer as an adequate lateral, subject to the following conditions.

**1.** The owner shall enter into a standard form of contract with the City of Tulsa in accordance with the procedures and in a manner prescribed for public contracts.

**2.** The City's determination of the entire drainage area, amounts of allowable cost, collection factor and recovery factor to establish the total allowable recovery and the allowable recovery per thousand gallons per day as defined herein shall be final and binding upon all parties; and the City shall not be liable for errors made therein.

**3.** After completion and acceptance of the owner's sewers, constructed pursuant hereto, and payment to City and to other owners all amounts required herein, and

upon connection of owner's sewers to the sewerage system of the City of Tulsa, the owner's sewers shall be and become a part of the sewerage system of the City, under its exclusive control and operation, subject only to the specific rights reserved to the owner as herein set forth. The City shall have the right to make such connection and cross-connection as it may deem necessary for the proper management and utilization of owner's sewers as an integrated part of the sewerage system of the City of Tulsa.

**4.** Unless sooner terminated by the provisions of the contract, the term of any excess capacity contract shall run from the date of acceptance by the City of the owner's sewer for a period of twenty (20) years.

**5.** The owner shall not be entitled to receive any payment from persons utilizing the excess capacity of any sewer he may construct until the owners of all excess capacity of elevations lower than his in the drainage area have recovered that proportionate part of the full amount of their allowable cost applicable to that segment served by himself.

**6.** The sole and only obligation of City to the owner hereunder, after the sewers have been constructed and have become a part of City's system, shall be to require the payment of the sums to be paid by others.

**7.** The City of Tulsa shall, during the term of any excess capacity contract, require any persons who desire to connect to or to extend any excess capacity system to pay to the City, for the benefit of the owners of all excess capacity mains within the system, that portion of the allowable recovery for each excess capacity main within the system applicable to the property to be served, including the use made of any excess capacity main as an adequate lateral.

**8.** The City of Tulsa shall make all reimbursements for multiple excess capacity contracts within any excess capacity system only in the order and sequence constructed so that contracts for excess capacity sewers of higher elevation in the drainage area shall not be entitled to reimbursement until the contracts of excess capacity sewers of lower elevation have been reimbursed the full amount of the allowable recovery applicable to that particular contributing segment. Subsequent reimbursements shall be made for the next succeeding contract in order until all contributing areas are developed.

**C. Restrictions and reservations.** The following restrictions and reservations are placed upon all connections to the sewerage system of the City of Tulsa:

**1.** Diversion of sewage flow from one drainage area or excess capacity system to another by gravity shall be limited to such minor areas as may be approved; but in no event shall such diversion cause the capacity of any eight (8) inch sewer under gravity flow to exceed four hundred sixty thousand (460,000) gallons per day. In the event an excess capacity main is under contract within the drainage area or excess capacity system from which diversion is made and such drainage area or excess capacity system is defined by public land description, the excess capacity fee shall be paid to the excess capacity system from which diverted. Correspondingly, the size requirement for subsequent sewers within the system from which diverted shall be reduced to provide for the reduction in capacity required.

**2.** Diversion of sewage flow from one drainage area or excess capacity system to another by pumping shall be limited to the City's unobligated available capacity within any excess capacity main receiving the pumped sewage, and then only with the concurrence in writing from the owners of all excess capacity contracts then in force within the receiving excess capacity system. Reimbursement shall be made for all excess capacity contracts then in force within both systems, including the system pumped from and the system pumped into, on the basis of the allowable recovery per thousand gallons per day for each thousand gallons capacity required. In addition to the above, a sum shall be escrowed with the City of Tulsa by any person, persons, firm, corporation or trust desiring to pump sewage from one drainage area to another or to pump downstream within the same drainage area. Such sum shall be sufficient to cover the estimated proportionate cost, based on thousands of gallons capacity, to subsequently eliminate the pump station. The escrow shall be conditioned that it shall be payable to and to the extent that any qualified builder, including the City of Tulsa, contributes to the elimination of the pump station.

**3.** Nothing herein shall be construed to obligate the City to give or continue to give sewer service to any person, firm or corporation, or to any particular tract of land, other than pursuant to its ordinances, regulations and sewer service charges as are now in effect or may hereafter be adopted.

*(Ord. No. 10629)*

### Section 602. Outside connections.

Any person owning property or in charge of property outside of the corporate limits of the City of Tulsa, who desires to connect a house sewer to serve such property with the nearest sanitary sewer, shall file a written application with the City. If such application is approved, the City shall enter into an agreement with such applicant to supply sanitary sewage collection and disposal services. The applicant, as consideration thereof, shall agree to pay, in addition to all filing fees, a connection fee of Forty-Five Dollars ($45.00) plus the following:

**A.** Fifteen Dollars ($15.00) for each lot or parcel of land on which a single residence is located;

**B.** Nine Dollars ($9.00) for each motel unit, hotel unit or other transient living unit;

**C.** Twelve Dollars ($12.00) for each trailer space or apartment living unit;

**D.** Sixty cents ($.60) per student for designed enrollment at each school;

**E.** Thirty cents ($.30) for each member of the congregation of each church (to be based upon the seating capacity of the main assembly hall);

**F.** Twelve Dollars ($12.00) for each hospital bed; and

**G.** Sixty Dollars ($60.00) for each one thousand (1,000) gallons per day of any anticipated average water use for sewage disposal purposes which are not specified herein.

*(Ord. No. 16868)*

### Section 603. Records.

The Director shall prepare a record of all users, as herein defined, whose property outside of the corporate limits of the City of Tulsa is served by any sanitary sewer. Such record

shall describe the location of each such property, the name and address of the user, the number of persons employed or housed on such premises and such other pertinent information as the Utility Board may from time to time require. The Director shall classify each user as required by the terms of this chapter and shall indicate in his records the connection charge or amount due to the City of Tulsa from such user under the terms of this chapter.

**Section 604. Disclosure of facts.**

It shall be the duty of each user, as herein defined, to disclose to the Director all facts necessary to properly determine the sewage load to be imposed from any connection and to correctly classify the type of use in computing connection charges and fees under the terms of this chapter.

**Section 605. Refusal to furnish information.**

In the event of the refusal of any such user on demand to furnish all required information to the Director or to permit access to the plumbing system on his property, the Director shall certify such fact to the Mayor through the Utility Board. Upon any such certificate, the Mayor, at his option, may order such sanitary sewer service disconnected and discontinued until the necessary information is submitted for proper classification and the correct connection charges and fees are paid by the user.

**Section 606. Other sewers.**

Nothing herein provided shall be construed to take away the jurisdiction, control and supervision of the Director of Public Works over the operation, construction and maintenance of storm sewers or sewers other than sanitary sewers of the City of Tulsa.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 7. SANITARY SEWER USER CHARGE SYSTEM

Section 700. Scope.
Section 701. Definitions.
Section 702. Rates of user charge.
Section 703. Determination of sewer service charge.
Section 704. Determination of industrial user waste charge.
Section 705. Collection.
Section 706. Annual review of user charge system and record retention.
Section 707. Adoption of the Standard Industrial Classification Manual 1972.
Section 708. Rate for dumping septic waste.

### Section 700. Scope.

This chapter includes the rates of user charge per month for sanitary sewer services rendered, whether within or outside the corporate limits of the City, and the methods of determination and collection of sewer service charges and industrial user waste charges.

### Section 701. Definitions.

For the purposes of this chapter, the following terms, phrases, words and their derivations shall have the meanings given herein.

**A. Base use** shall mean either:

**1.** The actual water use for the period to be billed; or

**2.** Where the user has established water service for the premises during the prior sixty (60) billing periods and the user is not an industrial user, the average monthly gallons of water billed to the user for either the previous billing periods ending in December, January and February, or the prior sixty (60) billing periods, whichever is lower. Fractional parts of the billing period shall not be considered.

**B. B.O.D. (biochemical oxygen demand)** shall mean the quantity of oxygen utilized in the biochemical oxidation of organic matter under standard laboratory conditions for five (5) days at a temperature of twenty degrees (20°) centigrade. The laboratory determinations of B.O.D. shall be made in accordance with procedures set forth in Standard Methods.

**C. Building sewer, house sewer or house sewer line** shall mean the extension from the building drain to the sanitary sewer or other place of disposal.

**D. City** shall mean the City of Tulsa, Oklahoma, a municipal corporation, acting through the Tulsa Utility Board ("Utility Board") and the City's duly authorized officers or agents.

**E. C.O.D. (chemical oxygen demand)** shall mean a measure of oxygen use equivalent to the portion of organic matter that is susceptible to oxidation by a strong chemical oxidizing agent utilizing procedures approved by 40 CFR 136.

**F. Director** shall mean the Director of Public Works or the person succeeding to his duties and functions by whatever name known and his duly authorized deputy, agent or representative.

**G. Domestic sewage** shall mean water-carried wastes normally discharging into the sanitary sewers of dwellings (including apartment houses and hotels), office buildings, factories and institutions, free from storm surface water and industrial wastes.

**H. Industrial user** shall mean:

**1.** Any user of publicly owned treatment works which discharges more than the equivalent of twenty-five thousand (25,000) gallons per day (gpd) of sanitary wastes and which is identified in the Standard Industrial Classification Manual, 1972, Office of Management and Budget, as amended and supplemented, under one (1) of the following divisions:

| | |
|---|---|
| Division A. | Agriculture, Forestry and Fishing |
| Division B. | Mining |
| Division D. | Manufacturing |
| Division E. | Transportation, Communications, Electric, Gas and Sanitary Services |
| Division I. | Services; |

provided, however, that a user in the divisions listed shall be excluded if it is determined by the Utility Board that such user will introduce only segregated domestic wastes or wastes from sanitary conveniences;

**2.** Any user of a publicly owned treatment works which discharges wastewater to such treatment works which contains toxic pollutants or poisonous solids, liquids or gases in sufficient quantity, either singly or by interaction with other wastes, to contaminate the sludge of any municipal systems, or to interfere with any sewage treatment process, or which constitutes a hazard to humans or animals, creates a public nuisance or creates any hazard in or has an adverse effect on the waters receiving any discharge from such treatment works; and

**3.** Any user for which Federal Categorical Standards apply.

**I. Industrial waste** shall mean all water-carried solids, liquids and gaseous wastes resulting from any industrial, manufacturing or food processing operation or process, or from the development of any natural resource, or any mixture of these with water or domestic sewage, and distinct from normal domestic sewage.

**J. Milligrams per liter (mg/l)** shall mean a weight to volume ratio. The milligrams per liter value multiplied by the factor 8.34 shall be equivalent to pounds per million gallons of water.

**K. Normal domestic sewage** shall mean sewage of the City of Tulsa in which the average concentration of suspended materials and five (5) -day B.O.D. is established at two hundred fifty milligrams per liter (250 mg/l).

**L. Person, establishment or owner** shall mean any individual, firm, company, association, society, corporation, partnership or group, or their agents, servants or employees.

**M. Premise** shall mean any plat or tract of ground, regardless of size or plat, under individual ownership and/or individual use and occupancy where the water service is metered independently of any other use.

**N. Public sanitary sewer** shall include the following:

**1.** All sanitary sewers, of whatever size or extent, the operation, repair and maintenance of which the City of Tulsa is responsible;

**2.** Any sanitary sewer, of whatever size or extent, the construction cost of which has been paid from public funds in accordance with the City Charter or the statutes of the State of Oklahoma;

**3.** An assessment district sewer, which is any sanitary sewer constructed within a legally constituted district as provided under the City Charter or the statutes of the State of Oklahoma;

**4.** A nonassessment district sewer, which is any sanitary sewer constructed within a legally constituted district as provided by special ordinance wherein the property owners petition to construct same by cash, as provided under the City Charter or the statutes of the State of Oklahoma; and

**5.** An outside sewer district, which is any system of one (1) or more sanitary sewers, other than house sewers, constructed outside the corporate limits of the City of Tulsa, and connected to the sewerage system of the City of Tulsa. The physical boundaries of the outside sewer district shall be as established and defined by legal description, setting forth the actual tracts of land served thereby, whether platted or unplatted. Upon annexation to the City of Tulsa, such tracts of land as described shall be exempt from subsequent assessment for sanitary sewer construction, except as may be provided by the City Charter or the statutes of the State of Oklahoma.

**O. Sanitary sewer** shall mean a sewer that conveys sewage or wastewater, and into which storm, surface and ground waters or unpolluted industrial wastes are not intentionally admitted.

**P. Sanitary sewer service available** shall mean that a public sanitary sewer is adjacent to or abuts a premise.

**Q. Sewer service charge** shall mean the charge made on all users of the sanitary sewer system who are not industrial users and whose wastes do not exceed in strength the concentration values established in this title.

**R. Industrial user waste charge** shall mean the charge made on all industrial users of the sanitary sewer system.

**S. Sewer system** shall mean all facilities for collecting, pumping, treating and disposing of wastewaters and shall include the wastewater treatment facilities.

**T. Standard Methods** shall mean the examination and analytical procedures set forth in the latest edition at the time of analysis of Standard Methods for the Examination of Water and Wastewater as prepared, approved and published jointly by the American Water Works Association, the American Public Health Association, and the Water Pollution Control Federation.

**U. Suspended solids** shall mean solids that either float on the surface of, or are in suspension in water, sewage or other liquids, and which are removable by a laboratory filtration device. Quantitative determination of suspended solids shall be made in accordance with procedures set forth in Standard Methods.

**V. User or sanitary sewer user** shall mean any person, establishment or owner who discharges any domestic sewage or industrial waste into the sanitary sewer system of the City or into any sanitary sewer system connected thereto which ultimately reaches and discharges into the sanitary sewer system of the City.

**W. User charge** shall mean a charge levied on users of treatment works for the cost of improvements, extensions, operation, maintenance and replacement of such works.

**X. Wastewater** shall mean a combination of the water-carried waste from residences, business establishments, institutions and industrial establishments, together with such ground, surface and storm water as may be present.

**Y. Wastewater plant** shall mean any device or structure used for receiving and testing wastewater from the City sanitary sewer system.

**Z. Operational day** shall mean that period of time during a twenty-four (24) hour period during which a facility is operating and consequently discharging wastewater.

**AA. Composite sample** shall mean a sample of wastewater composed of samples collected at equal intervals, not exceeding one (1) hour, throughout the operational day of a user, and representative of the discharge of the facility.

**BB. Monitoring** shall mean the performance of procedures (wastewater flow measurements, wastewater sampling, sample analysis, etc.) necessary to determine wastewater discharge compliance and/or to verify the flow and/or the strength of wastewater.

*(Ord. Nos. 18721, 21584; Ord. No. 22698, § 1, 6-14-2012, eff. 10-1-2012)*

## Section 702. Rates of user charge.

For the purpose of providing funds for the maintenance, repair, operation, expansion, replacement, or reconstruction of the sanitary sewer system of the City or other sanitary sewer systems of which the City has accepted or shall accept a beneficial interest and for other purposes, sewer service charges and industrial user waste charges shall be established as provided in this section. The rates so established shall become operative on October 1, 2025, for all billing cycles provided in this title with "service from date" on or after October 1, 2025.

**A. Inside the Corporate Limits of City or on City-Owned Property, Per Monthly Billing Period:**

**1. Sewer Service Charge.**

**Monthly Service Charge**

| Water Meter Size | Charge |
|---|---|
| ¾ inch or less in size | $12.00 |
| 1 inch in size | $14.25 |
| 1½ inches in size | $18.50 |
| 2 inches in size | $37.00 |
| 3 inches in size | $50.00 |
| 4 inches in size | $61.00 |
| 6 inches in size | $77.00 |
| 8 inches in size | $103.00 |
| 10 or more inches in size | $121.00 |

**Quantity Charge**

| Monthly Quantity | Charge |
|---|---|
| All Use-Each thousand gallons | $10.82 |

**2. Industrial User Waste Charge.**

**Monthly Service Charge**

| Water Meter Size | Charge |
|---|---|
| ¾ inch or less in size | $12.00 |
| 1 inch in size | $14.25 |
| 1½ inches in size | $18.50 |
| 2 inches in size | $37.00 |
| 3 inches in size | $50.00 |
| 4 inches in size | $61.00 |
| 6 inches in size | $77.00 |
| 8 inches in size | $103.00 |
| 10 or more inches in size | $121.00 |

**Additional Quantity Charge**

| Monthly Quantity | Charge |
|---|---|
| Volume per thousand gallons | $7.48 |
| COD/BOD per pound | $0.8525 |
| Suspended solids per pound | $0.4375 |
| Monitoring | Actual Cost to the City |

**B. Outside the Corporate Limits of City, but Excluding City-Owned Property, Per Monthly Billing Period:**

**1. Sewer Service Charge.**

**Monthly Service Charge**

| Water Meter Size | Charge |
|---|---|
| ¾ inch or less in size | $19.86 |
| 1 inch in size | $20.10 |
| 1½ inches in size | $20.95 |
| 2 inches in size | $42.78 |
| 3 inches in size | $56.00 |
| 4 inches in size | $61.00 |
| 6 inches in size | $78.00 |
| 8 inches in size | $104.00 |
| 10 or more inches in size | $122.50 |

**Quantity Charge**

| Monthly Quantity | Charge |
|---|---|
| All Use-Each thousand gallons | $13.38 |

**2. Industrial User Waste Charge.**

**Monthly Service Charge**

| Water Meter Size | Charge |
|---|---|
| ¾ inch or less in size | $19.86 |
| 1 inch in size | $20.10 |
| 1½ inches in size | $20.95 |
| 2 inches in size | $42.78 |
| 3 inches in size | $56.00 |
| 4 inches in size | $61.00 |
| 6 inches in size | $78.00 |
| 8 inches in size | $104.00 |
| 10 or more inches in size | $122.50 |

**Additional Quantity Charge**

| Monthly Quantity | Charge |
|---|---|
| Volume per thousand gallons | $9.10 |
| COD/BOD per pound | $1.2798 |
| Suspended solids per pound | $0.6380 |
| Monitoring | Actual Cost to the City |

**3. Wholesale User Waste Charge.**

| Monthly Quantity | Charge |
|---|---|
| Transportation and Treatment-Each thousand gallons | $9.10 |
| Treatment Only-Each thousand gallons | $6.38 |

*(Ord. Nos. 17739, 17959, 18222, 18483, 18721, 19292, 19863, 20606, 20670, 21317, 21573; Ord. No. 21842, § 1, 6-26-2008; Ord. No. 22086, § 1, 6-18-2009; Ord. No. 22264, § 1, 6-17-2010; Ord. No. 22462, § 1, 6-23-2011; Ord. No. 22698, § 2, 6-14-2012, eff. 10-1-2012; Ord. No. 22896, § 2, 6-20-2013, eff. 10-1-2013; Ord. No. 23124, § 8, 6-12-2014, eff. 10-1-2014; Ord. No. 23306, § 8, 6-11-2015, eff. 10-1-2015; Ord. No. 23499, § 2, 6-9-2016, eff. 10-1-2016; Ord. No. 23704, § 8, 6-7-2017; Ord. No. 23942, § 8, 6-13-2018; Ord. No. 24150, § 8, 6-19-2019; Ord. No. 24402, § 1, 6-17-2020; Ord. No. 24624, § 1, 6-9-2021; Ord. No. 24853, § 1, 6-15-2022; Ord. No. 25074, § 8, 6-14-2023, eff. 10-1-2023; Ord. No. 25348, § 8, 6-12-2024; Ord. No. 25600, § 8, 6-11-2025)*

## Section 703. Determination of sewer service charge.

The City of Tulsa finds that in most instances it is impractical to measure the volume of domestic sewage discharged into the sanitary sewer system for the purpose of billing under this chapter. Therefore, the volume of domestic sewage, upon which the sewer service charges shall be calculated, shall prima facie be the amount of water which is metered to the user of both water service and sanitary sewer service, except in cases where treatment facilities are furnished by others in which cases sanitary sewer service and sewer service charges therefor shall be rendered pursuant to contract. The following provisions shall

apply to the determination of sewer service charges, and the rates established in this section shall become operative on October 1, 2022, for all billing cycles provided in this title with "service from date" on or after October 1, 2022.

**A.** All sanitary sewer service billing periods shall coincide with the billing periods of water service to the same user or premises.

**B.** The monthly sewer service charge or industrial user waste charge to each user shall be calculated by applying the rates of user charge as established by the applicable provisions of this chapter, to the base use for each user.

**C.** In the event sanitary sewer service is commenced to a new user after annual sewer base uses have been established and such user was a water customer of the City for more than twelve (12) months, but less than sixty (60) months, the base use shall be calculated on the average monthly gallons of water billed to the user for all periods ending in December, January and February.

**D.** In the event sanitary sewer service is commenced to a new user after annual sewer base uses have been established and such user was not a water customer of the City during the previous twelve (12) months, the Director shall establish a temporary base use for such customer which shall be predicated upon actual use, adjusted for seasonal variation, and shall remain in effect until a new base use is established.

**E.** In the event a customer transfers from one service address to another, the base use of such customer at the billing address from which transferred may be the base use for the customer at the new location until a new base use is established.

**F.** If in the opinion of the Director the base use established in accordance with the applicable provisions of this chapter does not reasonably approximate the actual discharge of wastewater into the public sanitary sewer system by such user, the Director shall determine the average monthly discharge of such user based upon actual consumption of water, less the water consumed but not discharged into the sanitary sewer system. The average so established shall be reviewed by the Director at least annually.

**G.** Any sanitary sewer user who is not also a water customer of the City shall pay a flat charge of Sixty-Nine and 07/100$^{th}$ Dollars ($69.07) per month if the user is within the City limits, and Eighty-One and 41/100$^{th}$ Dollars ($81.41) per month if the user is outside the City limits. However, if such charge does not, in the opinion of the Director, fully compensate the City for the transporting and treating of sewage discharged by such user at the rates of user charges established by applicable provisions of this chapter, the Director shall determine, from such information as may be available to him, the average monthly discharge from such user. The average so established shall be the base use for such customer. The base use so established shall be reviewed by the Director at least annually.

**H.** The determination of base use made in accordance with the provisions of this chapter shall be final and binding upon all users, provided, that any user may, at the user's own expense, install metering or measuring devices of a type and installed in a manner approved by the Director. Billings after installation of a meter or measuring device shall be based upon actual usage measured in accordance with the schedule or rates of user charges set forth in the applicable provisions of this chapter.

**I.** Every water customer of the City to whom sanitary sewer service is available, except purchasers of water for resale, shall be deemed a user or sanitary sewer user unless the water customer produces evidence to the contrary.

**J.** The user charges provided in this section shall take precedence over any terms or conditions of agreements or contracts between the City and users (including industrial users, special districts, other municipalities, or federal agencies or installations) which are inconsistent with this chapter.

*(Ord. Nos. 17739, 17959, 18721, 19292, 19863, 20606, 21317, 21573, 21584; Ord. No. 21842, § 1, 6-26-2008; Ord. No. 22086, § 1, 6-18-2009; Ord. No. 22264, § 2, 6-17-2010; Ord. No. 22462, § 2, 6-23-2011; Ord. No. 22698, § 3, 6-14-2012, eff. 10-1-2012; Ord. No. 22896, § 3, 6-20-2013, eff. 10-1-2013; Ord. No. 23124, § 9, 6-12-2014, eff. 10-1-2014; Ord. No. 23306, § 9, 6-11-2015, eff. 10-1-2015; Ord. No. 23499, § 2, 6-9-2016, eff. 10-1-2016; Ord. No. 23704, § 9, 6-7-2017; Ord. No. 23942, § 9, 6-13-2018; Ord. No. 24402, § 2, 6-17-2020; Ord. No. 24853, § 2, 6-15-2022; Ord. No. 25074, § 9, 6-14-2023, eff. 10-1-2023; Ord. No. 25348, § 9, 6-12-2024; Ord. No. 25600, § 9, 6-11-2025)*

## Section 704. Determination of industrial user waste charge.

**A.** Persons, establishments or owners discharging industrial wastes which exhibit none of the characteristics of wastes prohibited in Chapter 5 of this title, other than excessive B.O.D. or suspended solids, and which have, during a twenty-four (24) hour period, an average concentration of B.O.D. or suspended solids content in excess of normal domestic sewage, shall be required to pretreat the industrial wastes to meet the requirements of normal domestic sewage, provided, however, that such wastes may be accepted for treatment if all the following requirements are met:

**1.** The wastes will not cause damage to the collection system;

**2.** The wastes will not impair the treatment process; and

**3.** The discharger of the wastes enters into a contract with the City of Tulsa providing for an industrial user waste charge rate.

**B.** The volume of wastes shall be determined by the same methods used to calculate the regular sewer service charge. For establishments discharging less than twenty thousand (20,000) gallons per day, the B.O.D. and suspended solids values may be determined from standard values for various industries established by the Director. As a minimum, industrial user waste charges shall be established utilizing B.O.D. and suspended solids concentrations of normal domestic waste, unless otherwise approved. In cases where the discharger desires to determine accurate values of B.O.D. and suspended solids, the discharger shall install, at his own expense, a sampling point at a location near the outlet of each building drain or connection with any sanitary sewer of the City, as approved by the Director. B.O.D. and suspended solids values, determined from samples collected from any establishment, shall be established by certification of an independent testing laboratory employed by the discharger and approved by the Director. Such report shall contain a statement that the samples collected and values determined are based on a twenty-four (24) hour composite sample which is representative of the establishment's flow. Each sampling point shall be installed and shall be maintained by the discharger so that any authorized representative of the City may readily and safely obtain samples of the flow at any time.

**C.** All flow rates, B.O.D. and suspended solids values used in determination of the industrial user waste charge shall be reevaluated on an annual basis; provided however, that if there is a major change in the operation to cause changes in value, the values may be increased or decreased based on a study of changes or actual measurements. The basis for determining the charge shall be reviewed annually and shall be adjusted to reflect any increase or decrease in wastewater treatment costs based on the previous year's experience. Each industrial user is subject to being monitored annually, at a minimum, and subsequently assessed a monitoring charge.

**D.** Each user which discharges any toxic pollutants which cause an increase in the cost of managing the effluent, the sludge or the City's treatment works shall pay for such increased cost and shall become liable to the City for any expense, loss or damage experienced by the City by reason of such discharge.

## Section 705. Collection.

**A.** The charges established herein for the use of the sanitary sewer system of the City shall be billed to each user monthly, along with the bill for water and other utility services, and shall carry the same due date as now or may hereafter be established for water service bills. No charge shall be made for sanitary sewer service during periods when the premises is disconnected from water service; except that, in those cases where water service is obtained from a source other than directly from the City of Tulsa, no allowance shall be made for vacancy or nonuse until sworn notification of such vacancy, on forms prescribed by the City, shall have been received by the authorized agent of the City and then only when such vacancy is longer than one (1) full billing period.

**B.** In the event any person, firm or corporation shall tender as payment of water service, medical service program, sanitary sewer nuisance abatement fees, sanitary sewer service, collection of solid waste service and/or service charge for the use of the City's stormwater drainage system an amount insufficient to pay in full all of the charges so billed, credit shall be given first to the charges for deposit, second to the service charge for the use of the City's stormwater drainage system, third to the charges for collection of solid waste, fourth to the charge for sanitary sewer service, fifth to any sanitary sewer nuisance abatement fees, sixth to the charge for the medical service program, seventh to the charges for water service and lastly to fees and penalties, except that any subsidies received by the City from another governmental entity, pursuant to an agreement with such entity for payment of specific utility service charges for benefit of a "residential service unit", as that term is defined in Section 101 of Chapter 1 of Title 11-B, Tulsa Revised Ordinances, or a residential utility customer of the City shall be accepted by the City and applied to the utility service charges so designated. In addition, any funds of the City applied to specific utility service charges for a residential service unit or residential utility customer of the City pursuant to an approved program for payment of such charges shall be applied to the utility service charges so designated.

**C.** In the event of nonpayment of the sewer service charges or industrial user waste charges established herein, the City shall have the right to make an actual physical disconnection of the house sewer from the public sanitary sewer or other sanitary sewer connecting to the public sanitary sewers, and the costs of disconnecting and reconnecting shall be paid by the customer then using or thereafter desiring to use such sanitary sewer for such premises.

**D.** In the event that any utility account shall become delinquent, water services may be terminated by the City until all delinquent charges shall be paid in full.

**E.** No sanitary sewer service connection shall be made to any premises not receiving water service directly from the City until and unless the lawful owner or agent of the premises to be furnished sanitary sewer service has executed a sanitary sewer service contract, wherein the owner of the premises to be served agrees to pay all user charges made and provided by the Revised Ordinances of the City of Tulsa and grants to the City a right-of-way and easement over, under and across the premises to be served for the purpose of inspecting the construction of the house sewer or sewers and for disconnecting the same in the event the user charges imposed herein are not paid.

**F.** Each user shall be notified, at least annually, in conjunction with a regular bill, of the rate and that portion of the user charges which are attributable to operation and maintenance of the wastewater treatment services.

*(Ord. Nos. 20384, 21527; Ord. No. 25090, § 3, 7-26-2023)*

### Section 706. Annual review of user charge system and record retention.

**A.** The Director shall review not less often than every one (1) year the wastewater contribution of users and user classes and the total costs of operation and maintenance of the treatment works and the user charge system, and shall recommend to the Utility Board revisions in the charges for users or user classes to accomplish the following:

**1.** To maintain the proportionate distribution of operation and maintenance costs among users and user classes;

**2.** To generate sufficient revenue to pay the total operation and maintenance costs necessary for the proper operation and maintenance (including replacement) of the treatment works and pretreatment program; and

**3.** To apply excess revenues collected from a class of users to the costs of operation and maintenance attributable to that class for the next year and to adjust the rates of that class of users accordingly.

**B.** The City shall maintain such records as are necessary to document compliance with federal regulations for such period as required by Oklahoma Statutes.

*(Ord. No. 17649)*

### Section 707. Adoption of the Standard Industrial Classification Manual 1972.

That certain document, three (3) copies of which are on file in the office of the City Clerk of the City of Tulsa, and one (1) copy of which is on file in the office of the Director, being marked and designated as the Standard Industrial Classification Manual, 1972, prepared by the Statistical Policy Division of the Executive Office of the President, Office of Management and Budget, is hereby adopted as a part of this chapter for the purpose of defining industrial users as found herein.

### Section 708. Rate for dumping septic waste.

**A.** The rate for dumping or discharging septic waste, Monday through Friday, 7:00 a.m. to 7:00 p.m., originating from inside or outside the corporate limits of the City of Tulsa shall be One Hundred Sixty and 00/100 Dollars ($160.00) for each one thousand (1,000) gallons and each overage or fraction less than one thousand (1,000) gallons. The rate

for dumping or discharging septic waste at all other times shall be Two Hundred Six and 34/100 Dollars ($206.34) for each one thousand (1,000) gallons and each overage or fraction less than one thousand (1,000) gallons.

**B.** Septic waste shall be discharged only at facilities designated and approved by the Utility Board and the Mayor. No septic waste shall be discharged in the sanitary sewer system of the City except as provided in this title.

*(Ord. Nos. 16861, 17739, 17959, 18721, 19292, 19863, 20606, 21317, 21573; Ord. No. 21842, § 2, 6-26-2008; Ord. No. 22086, § 2, 6-18-2009; Ord. No. 22264, § 3, 6-17-2010; Ord. No. 22462, § 3, 6-23-2011, eff. 10-1-2011; Ord. No. 22698, § 4, 6-14-2012, eff. 10-1-2012; Ord. No. 22896, § 4, 6-20-2013; Ord. No. 22896, § 4, 6-20-2013, eff. 10-1-2013; Ord. No. 23124, § 10, 6-12-2014, eff. 10-1-2014; Ord. No. 23306, § 10, 6-11-2015, eff. 10-1-2015; Ord. No. 23499, § 2, 6-9-2016, eff. 10-1-2016; Ord. No. 23704, § 10, 6-7-2017; Ord. No. 23942, § 10, 6-13-2018; Ord. No. 24402, § 3, 6-17-2020; Ord. No. 25427, § 1, 10-16-2024; Ord. No. 25600, § 10, 6-11-2025)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 8. SPECIAL FUNDS AND TRUST FUNDS

Section 800. Pump Stations Trust Fund.

### Section 800. Pump Stations Trust Fund.

**A.** The Mayor of the City of Tulsa is hereby authorized and directed to establish a special trust fund, which shall be nonfiscal and known as the Pump Stations Trust Fund ("the Fund"), and to record therein sums of money to be held in escrow by the City of Tulsa for construction or elimination of pump stations in accordance with contracts between the City and third persons concerning such pump stations.

**B.** The money recorded in the fund shall be disbursed by warrant only for expenditures authorized by the Mayor and the Utility Board for the purposes set forth in this title. The Treasurer is authorized and directed to invest such funds in accordance with and to the extent permitted by the laws of the State of Oklahoma, and to credit the interest received therefrom to the fund.

*(Ord. No. 14169)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 9. BILLING AND COLLECTIONS

Section 900. Billing of utility customers; cycles; reading of meters.
Section 901. Collection and deposit of funds.
Section 902. Time of payment; procedure for disputing charges; discontinuance of service; fees for customer service.
Section 903. Deposits for utility service.
Section 904. Additional fee for delinquent accounts.
Section 905. Contracts with persons having delinquent accounts.
Section 906. Utility deposits upon termination of service.
Section 907. Change of rates upon annexation.

### Section 900. Billing of utility customers; cycles; reading of meters.

For the purpose of fixing the date and regulating the payment of all service charges and water bills, the Mayor shall divide the City into billing areas and shall assign billing cycles to such areas. Such billing cycles shall be designated by letters of the alphabet.

All meters shall be read monthly and all service charges and water bills shall be due and payable monthly at the Utilities Collection Office in the City of Tulsa not later than the date specified in the water bill.

The Mayor shall prescribe a date for the payment of the service charges and water bills in each cycle, and all the bills in a cycle shall be due on the same date. The water bills in each cycle shall be mailed or delivered to the customers therein not later than ten (10) days prior to the due date of the water bills in that cycle.

A schedule showing the division of the City into billing areas and cycles shall be available in the office of the Director.

*(Ord. No. 15584)*

### Section 901. Collection and deposit of funds.

In accordance with the provisions of the Charter of the City of Tulsa, the Mayor is hereby authorized and directed to cause to be collected and deposited all funds due the City of Tulsa for water and sewer services.

### Section 902. Time of payment; procedure for disputing charges; discontinuance of service; fees for customer service.

In the event of the failure of any customer to make payment in full for the amount of charges assessed against him on or before the due date indicated on the bill, there shall be mailed to him within ten (10) days after such due date a notice of delinquency.

**A.** The notice shall inform the customer that, unless payment is received by the City by the date indicated on the notice which shall be not less than ten (10) days from the date of the notice, water service may be terminated without further notice.

**B.** The notice shall inform the customer that he may dispute the correctness of all or part of the amount shown on such notice and shall describe the following procedure for contesting such amount.

**1.** Before the date of termination shown on the notice, the customer may notify the Director or his designated representative ("Director") whose telephone number and

business hours shall be listed in the notice, that he disputes all or any part of the amount shown. The customer shall state as completely as possible the basis for the dispute.

**2.** If the Director determines that the customer has previously disputed the correctness of all or part of the subject amount, the customer shall be mailed a response stating that the dispute is invalid and the Director may proceed as if he had not been notified of a dispute.

**3.** If the Director determines that the dispute is valid, he shall determine whether it is in the best interest of both the City and the customer that the dispute be settled at the administrative level or by the Tulsa Utility Board.

**4.** If the Director determines that it is in the best interest of both the City and the customer that the dispute be determined at the administrative level, he shall, within three (3) working days after receiving notice of the dispute, arrange a meeting with the customer, which meeting shall be no more than ten (10) days from the date of the customer's notice of dispute. The Director shall give the customer a written confirmation showing the time, date and place of the meeting. At the meeting, the Director shall resolve the dispute in a fair and equitable manner based on the records of the City, the customer's information and all other relevant information reasonably available to him. The Director shall notify the customer in writing of his decision within five (5) days after the date of the meeting.

**5.** Within five (5) days of receipt of the Director's decision, the customer may request, in writing, a hearing before the Tulsa Utility Board. If the deposit required in this title is not sufficient to cover the amount in dispute, the Director shall notify the customer who shall have five (5) days from receipt of such notice to post additional deposit sufficient to cover the amount in dispute.

**6.** If the customer fails to request a hearing before the Utility Board within the time provided above or if the customer fails to post any additional deposit which may be required, the Director shall proceed as if no dispute had occurred. Should the customer request a hearing before the Utility Board or should the Director determine that it is in the best interest of both the City and the customer to have the dispute heard by the Board, the matter shall be set before the Board at its first regular meeting occurring more than ten (10) days after the determination by the Director or the request for hearing by the customer. At least ten (10) days prior to the hearing, the customer shall be notified in writing of the time, date and place that the Utility Board shall hear the matter. At the hearing the customer shall be entitled to present all evidence which is relevant and material to the dispute. The Board shall, within five (5) days from the date of its hearing, issue a written decision formally resolving the dispute, which decision shall be binding upon the Director and the customer. [If] a decision of the Utility Board is adverse to the customer as to any amount in dispute, the customer shall also be mailed a notice that unless payment of the amount determined by the Board to be due is made by a date not less than ten (10) days from the date of such notice, water service may be terminated without further notice.

**C.** The Director shall prescribe reasonable customer service fees as appropriate for service calls and other similar services provided in connection with utility service. A schedule of fees shall be recommended by the Director and approved by the Utility Board and the City Council.

*(Ord. No. 18722)*

**Section 903. Deposits for utility service.**

**A. Deposit required.** Any person, firm or corporation desiring to obtain from the City of Tulsa one (1) or more utility services for water, sanitary sewer, solid waste collection and/or disposal, or stormwater drainage management shall make application for such utility services. Each user shall be required to make a security deposit to guarantee payment for utility service to each premise served, unless such deposit is waived pursuant to Subsection B. of this Section 903, or is otherwise exempted by law. The amount of such security deposit shall be equal to the charges for two (2) months' utility service as estimated at the date of first service. All or part of the deposit may be applied to the payment of the account of the applicant at any time the account may thereafter become delinquent.

**B. Waiver of deposit.** Upon approval of a written application to the Director or his designee, the security deposit required herein may be waived in the opening of accounts with:

**1.** Public, private or parochial schools;

**2.** Bona fide, established and organized charitable, eleemosynary or welfare organizations;

**3.** The federal government, State of Oklahoma and governmental subdivisions thereof, specifically including the City of Tulsa, Oklahoma, a municipal corporation;

**4.** Industrial, large industrial and commercial customers as defined in Chapter 3, Section 301 of this title, whose monthly charge for services exceeds Two Hundred Dollars ($200.00) per month and who have submitted a payment bond in a form acceptable to the City Attorney and in an amount equal to twice the charges for two (2) months' utility services as estimated at the date of the first service;

**5.** Industrial, large industrial and commercial customers as hereinabove defined, who have on file with the City of Tulsa an irrevocable letter of credit in a form acceptable to the City Attorney and in an amount equal to twice the charges for two (2) months' utility services as estimated at the date of the first service;

**6.** Residential customers who, during the past two (2) years, have an established credit history and are in good standing with the City of Tulsa and who are opening an additional account, provided that the additional account has approximately the equivalent monthly charge as the account upon which the established credit history was built;

**7.** Residential customers who, during the past two (2) years, have an established credit history and are in good standing with the City of Tulsa and who are opening a new account due to divorce or the death of a spouse. In determining the good standing of the customer's account, consideration may be given to the payment record of the customer's former spouse;

**8.** Customers desiring to reinstate an account who, for two (2) or more years immediately preceding the termination of their prior account, had an established credit history and were, at the time of termination of their prior account, in good standing with the City of Tulsa; and

**9.** Customers for whom a security deposit is exempted or waived pursuant to state or federal law.

The waiver of deposit with any legal entity enumerated in the foregoing paragraphs 1. through 8., inclusive, is conditioned upon continuing prompt monthly payment of all charges for utility service and may be withdrawn at any time.

**C. Monthly payment required.** The security deposits shall be only a guarantee of the payment of the customer's utility service account and shall not relieve the consumer of the obligation of prompt monthly payment of utility service charges. If at any time it is determined that the security deposit is substantially less than the current amount of the total charges for two (2) months' utility service, the deposit of an additional sum may be required to make the security deposit equal to the current estimated charges for two (2) months' utility service.

**D. Refunding and reinstatement of deposits.** Security deposits shall be refunded and payment bonds and irrevocable letters of credit shall be released if they are no longer required for customers who have an established credit history for two (2) consecutive years and are currently in good standing with the City of Tulsa. Refunds for security deposits originally made with cash or cash equivalents shall be credited on monthly utility bills. No cash or cash equivalent deposit balance shall be refunded upon the closing of an account of any person, firm or corporation against whom there is any unsatisfied claim for previous utility services at that location or another or any unpaid charges of any kind due and owing to the City of Tulsa. If at any time after having received such a release or credit of the customer's security deposit, it is determined continued prompt payment of all charges for utility services is not being made, a security deposit may be required in an amount equal to the charge for the immediately preceding two (2) month's utility service charges. Reinstatement of such a security deposit shall be effected by billing such security deposit on a customer's monthly utility bills.

*(Ord. Nos. 17289, 17427; Ord. No. 25090, § 4, 7-26-2023)*

## Section 904. Additional fee for delinquent accounts.

**A. Late fee.** Any amount due on any utility bill issued by the City (including, but not limited to water, sanitary sewer, solid waste collection and/or disposal or storm water drainage management) not paid by the due date shall be considered delinquent. An additional charge of one and one-half percent (1½%) of the delinquent amount per month shall be assessed on all delinquent amounts for so long as the amounts remain delinquent.

**B. Waiver.** The Director or his designee may waive the late fee when assessed in error, when the delinquency is legally excusable or when the account debtor completes an installment payment agreement. Interest will be charged as stated herein upon failure to complete the installment payment agreement.

*(Ord. No. 21499)*

### Section 905. Contracts with persons having delinquent accounts.

The Mayor shall not enter into any contract with, render any service to or continue to render any service to any person against whom there is an unsatisfied claim for previous services or any unpaid charges of any kind; provided, however, that the Mayor may in unusual cases enter into an agreement with such person to render service upon the payment of such claim by installments.

*(Ord. No. 21499)*

### Section 906. Utility deposits upon termination of service.

Unless otherwise provided herein, money in the possession of the City which has been acquired as a utility deposit from a utility customer shall be refunded or credited to the customer upon termination of all utility services and payment of all charges due and connected with the service. If the deposit has not been claimed by or refunded to a customer within one (1) year following termination of the utility service to the customer, the City shall send written notice to the customer at his last-known address stating that the deposit will be paid over to the City unless it is claimed by the customer within ninety (90) days of the date the notice is mailed by the City. If the money is not claimed or refunded within the ninety (90) days, the amount of the deposit shall be charged against the customer's account. No customer shall have a right to any claim or refund on the deposit after written notice and expiration of the ninety-day period in accordance with 11 O.S.1991, § 35-107.

*(Ord. No. 21499)*

### Section 907. Change of rates upon annexation.

Upon annexation to the City of Tulsa of any place outside of the City limits supplied with treated water through meters, and not redistributed to individual customers, the rate and amount of security deposits applicable inside of the City shall become effective immediately after the meter reading date next preceding the date of annexation.

*(Ord. Nos. 10012, 21499)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

# CHAPTER 10. APPROVAL OF WATER LINE AND SEWER LINE EXTENSIONS OR IMPROVEMENTS

Section 1000. Definitions.
Section 1001. Water distribution line—Construction permit exemption.
Section 1002. Compliance with standards.
Section 1003. Municipal sewer/wastewater systems—State permit exemption.
Section 1004. Requirements for small sewage treatment systems.
Section 1005. Variances.
Section 1006. Permit transfer and cancellation.
Section 1007. Fee schedule.
Section 1008. Inspection required.
Section 1009. Rules and regulations.

## Section 1000. Definitions.

For the purpose of this chapter, the following terms, words, phrases and their derivations shall have the following meanings.

**A.** **City** shall mean the City of Tulsa, Oklahoma, a municipal corporation, acting through the Utility Board and the City's duly authorized officer or agents.

**B.** **DEQ** shall mean the Oklahoma State Department of Environmental Quality, its successors, designees and assigns.

**C.** **Director** shall mean the Director of Public Works of the City of Tulsa, or any person succeeding to the Director's duties and functions.

**D.** **Engineer** shall mean the professional engineer of the City of Tulsa who:

**1.** Is in responsible charge of the reviewing staff of the City;

**2.** Is responsible for reviewing applications for water line and sewer line extensions or improvements for the City;

**3.** Is duly licensed as a professional engineer in the State of Oklahoma; and

**4.** Has passed an examination on the contents of the Standards for Water Pollution Control Facilities and Standards for Public Water Supply Facilities.

**E.** **Licensed Engineer** shall mean a person licensed as a professional engineer in the State of Oklahoma.

**F.** **Water distribution lines** shall mean water mains not larger than twelve (12) inches in diameter and except systems constructed in whole or in part with funds from EPA and/or administered by DEQ.

**G.** **Municipal sewer/wastewater system** shall mean sanitary sewage collection systems constructed, operated or maintained by a municipality or trust for the benefit of such a municipality.

**H.** **Municipal water system** shall mean a public water supply distribution system constructed, operated and maintained by a municipality or trust for the benefit of such a municipality.

**I.** **Permit** shall mean the City's written approval of the application for water line or sewer line extensions or improvements which connect to the water or sewer system of the City.

**J.** **Person** shall mean any natural individual, corporation, company, firm, partnership, association or trust, including any state agency, governmental subdivision, instrumentality, and agency, county, city and town.

**K.** **Premise** shall mean any plot or tract of ground, regardless of size or plat, under individual ownership or individual use or occupancy.

**L.** **Sewage collection system** shall mean and include gravity sewage collection lines not larger than twelve (12) inches in diameter, except for systems constructed in whole or in part with funds from EPA and/or administered by DEQ.

**M.** **Small commercial sewage treatment system** shall mean a sewage treatment system which serves a public or commercial establishment which exhibits a flow of not greater than five thousand (5,000) gallons per day. This includes such establishments as small restaurants, retail stores and commercial office buildings, but does not include residential systems, alternative systems, lift stations, discharging systems or land treatment systems.

*(Ord. Nos. 16384, 20781)*

### Section 1001. Water distribution line—Construction permit exemption.

**A.** **Purpose.** The purpose of this section is to qualify for exemptions from the Department of Environmental Quality (DEQ) construction permit requirement for water systems, pursuant to Chapter 625 of the Oklahoma Administrative Code, entitled "Public Water Supply Construction Standards," adopted by the Board of Environmental Quality on May 26, 1994. Water distribution lines not larger than twelve (12) inches in diameter are the only mains eligible for the exemption from the requirements of issuance of state construction permits. All water distribution lines/systems constructed in whole or in part with funds from the United States EPA and/or with funds administered by the DEQ shall not be exempted from the requirement of obtaining a state construction permit.

**B.** **Systems and connection requirements.** The municipal water systems and any water distribution line or connection thereto shall be constructed in compliance with the applicable regulations, rules and requirements of the DEQ or the ordinances, regulations, rules and requirements of the City, whichever standard is more stringent.

**C.** **Approval required.** All water distribution lines to be connected to the municipal water system shall be approved by the Director prior to actual construction.

**D.** **Approval withheld.** Approval shall be withheld if the water treatment plant, pump station or distribution main to which the water distribution line is to attach has reached or, with the addition of the proposed water distribution line, would reach treatment or hydraulic capacities. Further, approval shall also be withheld if the water distribution line does not meet or exceed the standards of the DEQ and the City, or may be withheld for any other reason.

**E.** Review and approval of plans and specifications for connection to systems. Prior to construction, plans and specifications for water distribution line shall be reviewed, approved and signed by a professional engineer licensed by the State of Oklahoma and designated by the Director as being in responsible charge of such connections to the municipal water systems. All approved plans and specifications shall be signed by the designated professional engineer, in responsible charge, indicating approval to proceed

with construction in accordance with the approved plans and specifications. No water distribution line construction shall proceed until plans and specifications have been reviewed and approved in this manner.

**F. Listing of projects.** The Director or his designated representative shall supply DEQ with one (1) copy of all such approved plans and specifications together with a listing of all approved water distribution line projects monthly, on or before the fifteenth of each month following approval of the plans and specifications for each project. The listing shall include the name, location and date of approval of each such project.

**G. Inspection.** The Director or his designated representative shall inspect each approved project and shall prohibit commencement of any water distribution line construction or connection prior to approval of plans and specifications in accordance with this chapter.

**H. System operation.** The City shall operate its municipal water system in compliance with the applicable rules of DEQ.

**I. System capacity exception.** Should the City declare a moratorium on water distribution line construction or should any proposed water distribution line bring the municipal water system, a connected pump station, distribution main or water treatment plant to its design capacity, the construction or connection of the proposed water distribution line may still be allowed, to the extent approved by DEQ, under the following circumstances:

**1.** The City shall apply, in writing, to the DEQ for a variance allowing the specified construction to proceed within the area;

**2.** The application shall detail what the City will do to ensure that the construction or connection will not worsen any existing problems;

**3.** The application shall include timetables for correcting any stated problems, prior to the connection of any additional users, demands or flows as a result of the construction of which approval is sought;

**4.** The application, if approved, shall become a condition of any permit issued for such construction by the DEQ;

**5.** Approval of construction in an area under moratorium or at design capacity which has not received such a variance from the DEQ may result in revocation of the City's overall water permit exemption status, as provided by the rules and regulations of DEQ.

*(Ord. No. 20781)*

## Section 1002. Compliance with standards.

**A.** All municipal water systems, facilities and connections shall be constructed in compliance with the "Public Water Supply Construction Standards" established by the Oklahoma Department of Environmental Quality or City standards, whichever is more stringent.

**B.** No municipal water system or water distribution line shall be constructed until plans and specifications meeting the criteria in Subsection A, above, are reviewed, approved and signed by the responsible licensed professional engineer in charge of the project.

*(Ord. No. 20781)*

## Section 1003. Municipal sewer/wastewater systems—State permit exemption.

**A. Purpose.** The purpose of this section is to qualify for exemptions from the Department of Environmental Quality construction permit requirement for wastewater collection systems, pursuant to Chapter 655 of the Oklahoma Administrative Code, entitled "Water Pollution Control Construction Standards," adopted by the Board of Environmental Quality on November 24, 1993. Gravity sewage construction lines not larger than twelve (12) inches in diameter are the only systems eligible for the exemption from the requirements of issuance of state construction permits, provided all systems which are constructed in whole or in part with funds from the United States EPA and/or with funds administered by the DEQ shall not be exempt from the requirement of obtaining a state construction permit.

**B. System and connection requirement.** All municipal sewer/wastewater systems and any connection thereto shall be constructed in compliance with the applicable regulations, rules and requirements of the DEQ or the applicable regulations, rules and requirements of the City, whichever standard is more stringent.

**C. Approval required.** All sewer line extensions to sewage treatment plants, lift stations and interceptor lines shall be approved by the Director prior to actual construction.

**D. Approval withheld.** Approval shall be withheld if the sewage treatment plant, lift station or interceptor line to which the sewer line extension is to attach has reached or, with the addition of the proposed sewer line extension, would reach treatment or hydraulic capacities. Further, approval shall also be withheld if the sewer line extension does not meet or exceed the standards of the DEQ and the City, or may be withheld for any other reason.

**E. Review and approval of plans and specifications for sewage collection systems.** Prior to construction, plans and specifications for sewage collection systems shall be reviewed, approved and signed by a professional engineer licensed by the State of Oklahoma and designated by the Director as being the responsible professional engineer in charge of connections to the sewage collection systems for the municipality. All approved plans and specifications shall be signed by the designated professional engineer indicating approval to proceed with construction in accordance with the approved plans and specifications. No sewage collection system construction shall proceed until plans and specifications have been reviewed and approved in this manner.

**F. Listing of projects.** The Director or his designated representative shall supply DEQ with one (1) copy of all such approved plans and specifications together with a listing of all approved projects monthly, on or before the fifteenth of each month following approval of the plans and specifications for each project. The listing shall include the name, location and date of approval of each such project.

**G. Inspection.** The Director or his designated representative shall inspect each approved project and shall prohibit commencement of any sewage collection system construction or connection prior to approval of plans and specifications in accordance with this chapter.

**H. System operation.** The City shall operate its sewer/wastewater systems in compliance with the applicable rules of DEQ.

**I. System capacity exception.** Should any proposed City sewer line extension bring a connected lift station, interceptor line or sewage treatment plant to its design capacity, the construction or connection of the proposed sewer line extension may still be allowed, to the extent approved by DEQ, under the following circumstances:

**1.** The City shall apply in writing to the DEQ for a variance allowing the specified construction to proceed within the area;

**2.** The application shall detail what the City will do to ensure that the construction or connection will not worsen any problems or treatment capacity, flow or bypassing of sewage;

**3.** The application shall include timetables for correcting any stated problems, prior to the connection of any additional loadings or flows, as a result of the construction for which approval is sought;

**4.** The application, if approved, shall become a condition of any permit issued for such construction by the DEQ;

**5.** Approval of construction in an area at design capacity which has not received such a variance from the DEQ may result in revocation of the City's overall sewer line permit exemption status, as provided by the rules and regulations of DEQ.

*(Ord. No. 20781)*

### Section 1004. Requirements for small sewage treatment systems.

Small sewage treatment systems may be installed under the following circumstances:

**A.** Small sewage treatment systems shall be constructed in accordance with Title 17, Tulsa Revised Ordinances, Chapter 9, Septic Tanks; and

**B.** A permit shall be obtained from the Tulsa City-County Health Department; and

**C.** If a subsurface system is to be installed, a soil percolation test shall be required. The soil percolation test shall follow the procedure set forth by ODH Bulletin No. 600 and shall be performed by a registered professional sanitarian, registered professional engineer or registered land surveyor, and submitted to the Tulsa City-County Health Department; and

**D.** Prior to backfilling a subsurface system or placing a lagoon into service, a final inspection shall be performed and approval obtained from the Tulsa City-County Health Department, or persons certified by the Oklahoma State Department of Health.

*(Ord. No. 20781)*

### Section 1005. Variances.

Whenever the City has declared a moratorium on water or sewer line extensions, improvements or modifications in a portion of the City, construction may be allowed in that portion to the extent approved by the Commissioner of Health of the State of Oklahoma.

*(Ord. Nos. 16384, 20781)*

### Section 1006. Permit transfer and cancellation.

A permit shall not be assigned, transferred or sold to any other person and shall not be valid for construction at a premise or location different from the premise or location contained in the application. A permit shall be void if construction is not commenced within

one (1) year of the date of its issuance. If a permit becomes void by reason of failure to commence construction within the required period, a new application for a permit shall be filed with the City prior to construction, and all regulations and standards in effect at the time of the new application shall be in force and effect.

*(Ord. Nos. 16384, 20781)*

### Section 1007. Fee schedule.

The following fees shall be charged by the City for the review and approval of plans and specifications for a permit pursuant to this chapter:

| | |
|---|---|
| Line extensions or improvements | $5.00/100 feet |
| (rounded to the nearest 100 feet) | ($50.00 minimum) |

*(Ord. Nos. 16384, 20781)*

### Section 1008. Inspection required.

Before they are placed into service, all extensions or improvements of the water and sewer lines of the City shall be inspected, tested and approved by the inspection staff of the City to ensure that construction is in accordance with approved plans and specifications.

*(Ord. Nos. 16384, 20781)*

### Section 1009. Rules and regulations.

The Director shall develop such standards, rules and regulations which are deemed necessary to protect the public peace, health and safety and for the administration and enforcement of this chapter, which shall be approved by the Utility Board and Council of the City before they become effective.

*(Ord. Nos. 16384, 20781)*

## CHAPTER 11. PENALTIES

Section 1100. Penalties.

### Section 1100. Penalties.

**A.** Unless otherwise specifically provided in this title, any person violating any of the provisions of this title shall be guilty of an offense and, upon conviction thereof, shall be punished by imprisonment in the City jail for a period of not more than ninety (90) days and/or by a fine of not more than Five Hundred Dollars ($500.00), excluding costs; provided, however, that anyone found guilty of violating any of the provisions of Chapter 12 of this title shall be punished by imprisonment in the City jail for a period of not more than ninety (90) days and/or by a fine of not more than One Thousand Dollars ($1,000.00), excluding costs. Each day of such violation shall constitute a separate offense.

**B.** Any person who shall violate any of the provisions of this title with respect to obtaining water or sewer service through connection to any water or sewer line under the jurisdiction of the City of Tulsa for its operation, repair and maintenance, upon substantiation of the facts, shall be denied water or sewer service until such violation is abated.

*(Ord. No. 17420)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 12. SEWER USE*

Section 1200. General provisions.
Section 1201. General sewer use requirements.
Section 1202. Pretreatment of wastewater.
Section 1203. Wastewater discharge permit application.
Section 1204. Wastewater discharge permit issuance process.
Section 1205. Reporting requirements.
Section 1206. Compliance monitoring.
Section 1207. Confidential information.
Section 1208. Publication of users in significant noncompliance.
Section 1209. Administrative enforcement remedies.
Section 1210. Judicial enforcement remedies.
Section 1211. Supplemental enforcement action.
Section 1212. Affirmative defenses to discharge violations.
Section 1213. Permit fees.

### Section 1200. General provisions.

**A. Purpose and Policy.** This chapter sets forth uniform requirements for Users of the Publicly Owned Treatment Works for the City of Tulsa and enables the City of Tulsa to comply with all applicable state and federal laws, including the Clean Water Act, 33 U.S.C., Section 1251, *et seq.*; and the General Pretreatment Regulations, Title 40 *Code of Federal Regulations* (C.F.R.) Part 403. The objectives of this chapter are:

**1.** To prevent the introduction of pollutants into the Publicly Owned Treatment Works (POTW) that will interfere with its operation;

**2.** To prevent the introduction of pollutants into the POTW that will pass through the POTW, inadequately treated, into receiving waters, or otherwise be incompatible with the POTW;

**3.** To protect both POTW personnel who may be affected by wastewater and biosolids in the course of their employment and the general public;

**4.** To promote reuse and recycling of industrial wastewater and biosolids from the POTW;

**5.** To promote the use of pollution prevention practices; and

**6.** To enable the City of Tulsa, the Tulsa Metropolitan Utility Authority and the Regional Metropolitan Utility Authority to comply with its Oklahoma Pollutant Discharge Elimination System permit conditions, sludge use and disposal requirements, and any other federal or state laws to which the POTW is subject.

This chapter shall apply to all Users of the POTW. The chapter authorizes the issuance of wastewater discharge permits; provides for monitoring, compliance, and enforcement activities; establishes administrative review procedures; requires User reporting; provides for the setting of fees for the equitable distribution of costs resulting from the program established in this chapter and encourages the use of pollution prevention practices.

***Editor's note—**Ord. No. 22851, § 1, adopted March 28, 2013, amended Ch. 12, in its entirety, to read as herein set out. Prior to inclusion of said ordinance, Ch. 12 pertained to similar subject matter. See also the Code Comparative Table.

**B. Administration.** Except as otherwise provided in this chapter, the Water and Sewer Director of the City of Tulsa shall administer, implement, and enforce the provisions of this chapter. Any powers granted to or duties imposed upon the Director may be delegated by the Director to a duly authorized employee of the City of Tulsa.

**C. Abbreviations.** The following abbreviations, when used in this chapter, shall have the designated meanings:

| | |
|---|---|
| **BMP** | Best Management Practice |
| **BOD** | Biochemical Oxygen Demand |
| **CFR** | Code of Federal Regulations |
| **COD** | Chemical Oxygen Demand |
| **EPA** | U.S. Environmental Protection Agency |
| **gpd** | gallons per day |
| **mg/l** | milligrams per liter |
| **NPDES** | National Pollutant Discharge Elimination System |
| **ODEQ** | Oklahoma Department of Environmental Quality |
| **OPDES** | Oklahoma Pollutant Discharge Elimination System |
| **POTW** | Publicly Owned Treatment Works |
| **RCRA** | Resource Conservation and Recovery Act |
| **SIU** | Significant Industrial User |
| **TSS** | Total Suspended Solids |
| **U.S.C.** | United States Code |
| **WWTP** | Wastewater Treatment Plant |

**D. Definitions.** Unless a provision explicitly states otherwise, the following terms and phrases, as used in this chapter, shall have the meanings hereinafter designated.

**Act** or "**the Act.**" The Federal Water Pollution Control Act, also known as the Clean Water Act, as amended, 33 U.S.C., Sections 1251, *et seq*.

**Approval Authority.** The State of Oklahoma Department of Environmental Quality.

**Authorized Representative of the User.**

**1.** If the User is a corporation:

**a.** The president, secretary, treasurer, or a vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision-making functions for the corporation, or;

**b.** The manager of one or more manufacturing, production, or operating facilities, provided, the manager is authorized to make management decisions which govern the operation of the regulated facility including having the explicit or implicit duty of making major capital investment recommendations, and initiate and direct other comprehensive measures to assure long term environmental compliance with environmental laws and regulations; can ensure that the necessary systems are established or actions taken to gather complete and accurate information for control mechanism requirements; and where authority has been assigned or delegated to the manager in accordance with corporate procedures.

**2.** If the User is a partnership or sole proprietorship: a general partner or proprietor, respectively.

**3.** If the User is a federal, state, or local governmental facility: a director or highest official appointed or designated to oversee the operation and performance of the activities of the government facility, or their designee.

The individuals described in paragraphs 1. through 3., above, may designate a duly authorized representative if the authorization is in writing, the authorization specifies the individual or position responsible for the overall operation of the facility from which the discharge originates or having overall responsibility for environmental matters for the company, and the written authorization is submitted to the City of Tulsa.

**Available Cyanide.** Available cyanide consists of cyanide ion (CN), hydrogen cyanide in water ($HCN_{aq}$), and the cyano-complexes of zinc, copper, cadmium, mercury, nickel, and silver, as measured by EPA Method OIA-1677: Available Cyanide by Flow Injection, Ligand Exchange, and Amperometry.

**Best Management Practices** or **BMPs.** Schedules of activities, prohibitions of practices, maintenance procedures, and other management practices to implement the prohibitions listed in Section 1201 of this chapter. BMPs include treatment requirements, operating procedures, and practices to control plant site runoff, spillage or leaks, sludge or waste disposal, or drainage from raw materials storage.

**Biochemical Oxygen Demand** or **BOD.** The quantity of oxygen utilized in the biochemical oxidation of organic matter under standard laboratory procedures for five (5) days at 20° Centigrade usually expressed as a concentration (e.g., mg/l).

**Categorical Pretreatment Standard** or **Categorical Standard.** Any regulation containing pollutant discharge limits promulgated by the EPA in accordance with Sections 307(b) and (c) of the Act (33 U.S.C., Section 1317) which apply to a specific category of Users and which appear in 40 C.F.R. Chapter I, Subchapter N, Parts 405—471, and amendments.

**Categorical Industrial User.** An Industrial User subject to a Categorical Pretreatment Standard or Categorical Standard.

**Chemical Oxygen Demand** or **COD.** A measure of oxygen use equivalent to the portion of organic matter that is susceptible to oxidation by a strong chemical oxidizing agent utilizing procedures approved by 40 CFR Part 136.

**City** or **Control Authority.** The City of Tulsa, Oklahoma, a municipal corporation, acting through the Tulsa Metropolitan Utility Authority, the Regional Metropolitan Utility Authority, and duly authorized agents of the City of Tulsa.

**Director.** The Director of the City of Tulsa's Water and Sewer Department or the person succeeding to this person's duties and functions by whatever name known, or this person's duly authorized representative.

**Domestic Wastewater.** Wastewater from kitchens, laundry rooms, lavatories, bathrooms, toilets and similar facilities discharging into the sanitary sewers from dwellings (including apartment buildings and houses), office buildings, factories and institutions. The term does not include storm water, surface water, groundwater, boiler and cooling tower wastewater, wastewater from health care facilities, hauled wastes, or wastewater generated by commercial or industrial processes.

**Environmental Protection Agency** or **EPA.** The U.S. Environmental Protection Agency or, where appropriate, the Regional Water Management Division Director, or other duly authorized official of said agency.

**Existing Source.** Any source of discharge that is not a "New Source."

**Flow-Proportional Composite Sample.** A sample of wastewater composed of samples collected at equal intervals, throughout the operational day of a user with the volume of each sample being proportional to the flowrate of the discharge. A minimum of four (4) samples must be taken. The samples must be representative of the discharge of the facility.

**Grab Sample.** An individual sample which is taken from a waste stream on a one-time basis without regard to the flow in the waste stream and over a period of time not exceeding fifteen (15) minutes.

**Grease Interceptor, Grease Separator or Grease Trap.** Plumbing devices designed to intercept greases and solids before they enter the sanitary system.

**Hauled Wastewater.** Any wastes delivered by truck or railcar.

**Haikey Creek WWTP.** Wastewater treatment facility located at approximately: N ½ of NW ¼ of Section 20, Township 17 North, Range 14 East of Indian Meridian, Tulsa County, state of Oklahoma. The Haikey Creek WWTP is owned by the Regional Metropolitan Utility Authority.

**Indirect Discharge** or **Discharge.** The introduction of pollutants into the POTW from any non-domestic source.

**Instantaneous Maximum Allowable Discharge Limit.** The maximum concentration of a pollutant allowed to be discharged at any time, determined from the analysis of any discrete or composite sample collected, independent of the industrial flow rate and the duration of the sampling event.

**Interference.** A discharge, which alone or in conjunction with a discharge or discharges from other sources, inhibits or disrupts the POTW, its treatment processes or operations or its sludge processes, use or disposal; and therefore, is a cause of a violation of one of the City's NPDES or OPDES permits or of the prevention of sewage sludge use or disposal in compliance with any of the following statutory/regulatory provisions or permits issued thereunder, or any more stringent state or local regulations: Section 405 of the Act; the Solid Waste Disposal Act, including Title II commonly referred to as the Resource Conservation and Recovery Act (RCRA); any state regulations contained in any state sludge management plan prepared pursuant to Subtitle D of the Solid Waste Disposal Act; the Clean Air Act; the Toxic Substances Control Act; and the Marine Protection, Research, and Sanctuaries Act.

**Local Limits.** Specific discharge limits developed and enforced by the City upon industrial or commercial facilities to implement the general and specific discharge prohibitions listed in 40 CFR §403.5(a)(1) and (b).

**Lower Bird Creek WWTP.** Wastewater treatment facility located at approximately: SW ¼ of SW ¼ of Section 17, Township 20 North, Range 15 East of Indian Meridian, Rogers County, state of Oklahoma. The Lower Bird Creek WWTP is owned by the Tulsa Metropolitan Utility Authority.

**Medical Waste.** Isolation wastes, infectious agents, human blood and blood products, pathological wastes, sharps, body parts, contaminated bedding, surgical wastes, potentially contaminated laboratory wastes, and dialysis wastes.

**New Source.**

1. Any building, structure, facility, or installation from which there is (or may be) a discharge of pollutants, the construction of which commenced after the publication of proposed Pretreatment Standards under Section 307(c) of the Act which will be applicable to such source if such standards are thereafter promulgated in accordance with that section, provided that:
   a. The building, structure, facility, or installation is constructed at a site at which no other source is located;
   b. The building, structure, facility, or installation totally replaces the process or production equipment that causes the discharge of pollutants at an existing source; or
   c. The production or wastewater generating processes of the building, structure, facility, or installation are substantially independent of an existing source at the same site. In determining whether these are substantially independent, factors such as the extent to which the new facility is integrated with the existing plant, and the extent to which the new facility is engaged in the same general type of activity as the existing source, should be considered.
2. Construction on a site at which an existing source is located results in a modification rather than a new source if the construction does not create a new building, structure, facility, or installation meeting the criteria of subparagraphs 1.b or 1.c, of this definition, but otherwise alters, replaces, or adds to existing process or production equipment.
3. Construction of a New Source as defined under this definition has commenced if the owner or operator has:
   a. Begun, or caused to begin, as part of a continuous onsite construction program,
      (1) Any placement, assembly, or installation of facilities or equipment; or
      (2) Significant site preparation work including clearing, excavation, or removal of existing buildings, structures, or facilities, which is necessary for the placement, assembly, or installation of new source facilities or equipment; or
   b. Entered into a binding contractual obligation for the purchase of facilities or equipment that is intended to be used in its operation within a reasonable time. Options to purchase or contracts which can be terminated or modified without substantial loss, and contracts for feasibility, engineering, and design studies do not constitute a contractual obligation under this definition.

**Non-contact Cooling Water.** Water used for cooling, which does not come into direct contact with any raw material, intermediate product, waste product, or finished product.

**Northside WWTP.** A Wastewater treatment facility located at approximately: S ½ of SE ¼ of Section 6, Township 20 North, Range 14 East of Indian Meridian, Tulsa County, state of Oklahoma. The Northside WWTP is owned by the Tulsa Metropolitan Utility Authority.

**Pass Through.** A discharge which exits the POTW into waters of the United States in quantities or concentrations which, alone or in conjunction with a discharge or discharges from other sources, is a cause of a violation of any requirement of the POTW's, NPDES or OPDES permit, including an increase in the magnitude or duration of a violation.

**Person.** Any individual, partnership, co-partnership, firm, company, corporation, association, joint stock company, trust, estate, governmental entity, or any other legal entity; or their legal representatives, agents, or assigns. This definition includes all federal, state, and local governmental entities.

**pH.** A measure of the acidity or alkalinity of a solution, expressed in standard units.

**Pollutant.** Dredged spoil, solid waste, incinerator residue, filter backwash, sewage, garbage, sewage sludge, munitions, Medical Wastes, chemical wastes, biological materials, radioactive materials, heat, wrecked or discarded equipment, rock, sand, cellar dirt, municipal, agricultural and industrial wastes, and certain characteristics of wastewater (e.g., pH, temperature, TSS, turbidity, color, BOD, COD, toxicity, or odor).

**Pollution Prevention.** The use of materials, procedures or practices that reduce or eliminate the concentration of pollutants or waste at the source. The hierarchy for the management of wastes is: Source Reduction, Recycling, Treatment, and Disposal. Source Reduction is considered to be the most desirable and Disposal the least desirable waste management practice.

**Pretreatment.** The reduction of the amount of pollutants, the elimination of pollutants, or the alteration of the nature of pollutant properties in wastewater prior to, or in lieu of, introducing such pollutants into the POTW. This reduction or alteration can be obtained by physical, chemical, or biological processes; by process changes; or by other means, except by diluting the concentration of the pollutants unless allowed by an applicable Pretreatment Standard.

**Pretreatment Requirements.** Any substantive or procedural requirement related to Pretreatment imposed on a User, other than a Pretreatment Standard.

**Pretreatment Standards** or **Standards.** Pretreatment Standards shall mean prohibited discharge standards, Categorical Pretreatment Standards, and Local Limits.

**Prohibited Discharge Standards** or **Prohibited Discharges.** Absolute prohibitions against the discharge of certain substances; these prohibitions appear in Section 1201.A of this chapter.

**Publicly Owned Treatment Works** or **POTW.** A treatment works, as defined by Section 212 of the Act (33 U.S.C., Section 1292), which is owned or operated by the City. This definition includes any devices or systems used in the collection, storage, treatment, recycling, and reclamation of sewage or industrial wastes of a liquid nature and any conveyances which convey wastewater to a treatment plant.

**Septic Tank Waste.** Liquid or solid material removed from a septic tank, cesspool, portable toilet, Type III marine sanitation device, or similar treatment works that receives only domestic waste.

**Sewage.** Human excrement and gray water (household showers, dishwashing operations, etc.).

**Significant Industrial User.** Except as provided in paragraphs 3. and 4. of this definition, a Significant Industrial User is:

**1.** A User subject to Categorical Pretreatment Standards.

**2.** A User that:

**a.** Discharges an average of twenty-five thousand (25,000) gpd or more of process wastewater to the POTW (excluding domestic, non-contact cooling, and boiler blowdown wastewater);

**b.** Contributes a process wastestream which makes up five percent (5%) or more of the average dry weather hydraulic or organic capacity of the POTW treatment plant; or

**c.** Is designated as such by the City on the basis that it has a reasonable potential for adversely affecting the POTW's operation or for violating any Pretreatment Standard or requirement.

**3.** Upon a finding that a User meeting the criteria in paragraph 2. of this definition, has no reasonable potential for adversely affecting the POTW's operation or for violating any Pretreatment Standard or requirement, the City may at any time, on its own initiative or in response to a petition received from a User, and in accordance with procedures in 40 C.F.R. § 403.8(f)(6), determine that such User should not be considered a Significant Industrial User.

**4.** The Director may determine that an Industrial User subject to Categorical Pretreatment Standards is a Non-Significant Categorical Industrial User rather than a Significant Industrial User, on a finding that the Industrial User never discharges more than 100 gallons per day (gpd) of total Categorical wastewater (excluding domestic, non-contact cooling and boiler blowdown wastewater, unless specifically included in the Pretreatment Standard) and the following conditions are met:

**a.** The Industrial User, prior to City's finding, has consistently complied with all applicable Categorical Pretreatment Standards and requirements;

**b.** The Industrial User annually submits the certification statement required in paragraph 1205.N.2 of this chapter, together with any additional information necessary to support the certification statement; and

**c.** The Industrial User never discharges any untreated concentrated wastewater.

**Slug Load** or **Slug Discharge.** Any discharge at a flow rate or concentration, which could cause a violation of the prohibited discharge standards in Section 1201 of this chapter. A Slug Discharge is any discharge of a non-routine, episodic nature, including but not limited to an accidental spill or a non-customary batch discharge, which has a reasonable potential to cause Interference or Pass Through, or in any other way violate the POTW's regulations, Local Limits or permit conditions.

**Southside WWTP.** Wastewater treatment facility located at approximately: W ½ of NW ¼ of Section 36, Township 19 North, Range 12 East of Indian Meridian, Tulsa County, State of Oklahoma. The Southside WWTP is owned by the Tulsa Metropolitan Utility Authority.

**Storm Water.** Any flow occurring during or following any form of natural precipitation, and resulting from such precipitation, including snowmelt.

**Total Suspended Solids** or **Suspended Solids.** The total suspended matter that floats on the surface of, or is suspended in, water, wastewater, or other liquid, and which is removable by laboratory filtering.

**Time-Proportional Composite Sample.** A sample of wastewater composed of samples collected at equal intervals, throughout the operational day of a User. The volume of each sample so collected must be equal. A minimum of four (4) samples must be taken. The samples must be representative of the discharge of the facility.

**User** or **Industrial User.** A source of indirect discharge.

**Utility Authority.** For discharges to the Northside, Southside, and Lower Bird Creek wastewater treatment plants, utility authority shall mean Tulsa Metropolitan Utility Authority, or TMUA. For discharges to the Haikey Creek Wastewater Treatment Plant, utility authority shall mean Regional Metropolitan Utility Authority, or RMUA.

**UV Transmittance.** Fraction of ultraviolet light at a 254 nanometer (NM) wavelength that passes through a water sample.

**Wastewater.** Liquid and water-carried industrial wastes and sewage from residential dwellings, commercial buildings, industrial and manufacturing facilities, and institutions, whether treated or untreated, which are contributed to the POTW.

**Wastewater Treatment Plant** or **Treatment Plant** or **WWTP.** That portion of the POTW that is designed to provide treatment of municipal sewage and industrial waste.

**E. Computation of Time.** In computing any period of time prescribed or allowed by this chapter, the day of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period computed shall be included, unless it is a legal holiday as recognized by the City of Tulsa, or any other day when the office of the City Clerk does not remain open for public business until its regularly scheduled closing time, in which event the period shall run until the end of the next day which is not a legal holiday or a day when the office of the City Clerk does not remain open for public business until its regularly scheduled closing time. Unless the context of a period of time clearly indicates otherwise, a period of time prescribed in days shall be calendar days, including holidays and any other day when the office of the City Clerk is not open for public business until its regularly scheduled closing time.

*(Ord. Nos. 17419, 19991; Ord. No. 22851, § 1, 3-28-2013; Ord. No. 23214, § 1, 11-6-2014)*

## Section 1201. General sewer use requirements.

### A. Prohibited Discharge Standards.

1. **General Prohibitions.** No User shall introduce or cause to be introduced into the POTW any Pollutant or Wastewater that causes Pass Through or interference. These general prohibitions apply to all Users of the POTW whether or not they are subject to Categorical Pretreatment Standards or any other federal, state, or local Pretreatment Standards or requirements.
2. **Specific Prohibitions.** No User shall introduce or cause to be introduced into the POTW the following Pollutants, substances, or Wastewater:
   **a.** Pollutants which create a fire or explosive hazard in the POTW, including, but not limited to, wastestreams with a closed-cup flashpoint of less than 140F° (60°C) using the test methods specified in 40 C.F.R. §261.21;

**b.** Wastewater having a pH less than 5.0 or greater than 11.0, or otherwise causing corrosive structural damage to the POTW or equipment;

**c.** Solid or viscous substances in amounts which will cause obstruction of the flow in the POTW or interference;

**d.** Pollutants, including oxygen-demanding Pollutants (BOD, etc.), released in a discharge at a flow rate and/or Pollutant concentration which, either singly or by interaction with other Pollutants, will cause interference with the POTW;

**e.** Wastewater or vapor having heat in amounts which will inhibit biological activity in the Treatment Plant or cause Interference, but in no case Wastewater or vapor which causes the temperature at the introduction into the Treatment Plant to exceed 104°F (40°C);

**f.** Petroleum oil, non-biodegradable cutting oil, or products of mineral oil origin, in amounts that will cause Interference or Pass Through;

**g.** Pollutants which result in the presence of toxic gases, vapors, or fumes within the POTW in a quantity that may cause acute worker health and safety problems;

**h.** Trucked or hauled Pollutants, except at discharge points designated by the Director in accordance with Subsection 1201.F. of this chapter;

**i.** Noxious or malodorous liquids, gases, solids, or other wastewater which, either singly or by interaction with other wastes, are sufficient to create a public nuisance or a hazard to life, or to prevent entry into the sewers for maintenance or repair;

**j.** Wastewater which imparts color which cannot be removed by the treatment process, such as, but not limited to, dye wastes and vegetable tanning solutions, which consequently imparts color to the treatment plant's effluent, thereby violating one (1) of the City's OPDES permits;

**k.** Wastewater containing any radioactive wastes or isotopes except in compliance with applicable state or federal regulations;

**l.** Storm water, surface water, ground water, artesian well water, roof runoff, subsurface drainage, unless specifically authorized by the Director;

**m.** Sludge, screenings, or other residues from the Pretreatment of industrial wastes;

**n.** Medical wastes, except as specifically authorized by the Director in a wastewater discharge permit;

**o.** Wastewater causing, alone or in conjunction with other sources, the treatment plant's effluent to fail a toxicity test;

**p.** Detergents, surface-active agents, or other substances which may cause excessive foaming in the POTW; or

**q.** The use of hot water, enzymes, chemicals, or other agents or devices causing improperly treated Pollutants such as oil and grease to pass into the POTW, is prohibited.

**r.** Materials that inhibit UV transmittance as measured at the wastewater treatment plants and impact the ability of the wastewater treatment plants' treatment processes to achieve compliance with disinfection permit requirements.

Pollutants, substances, or Wastewater prohibited by this section shall not be processed or stored in such a manner that they could be discharged to the POTW.

**B. National Categorical Pretreatment Standards.** The Categorical Pretreatment Standards found in 40 C.F.R. Chapter I, Subchapter N, Parts 405—471, are hereby incorporated.

**1.** Where a Categorical Pretreatment Standard is expressed only in terms of either the mass or the concentration of a Pollutant in Wastewater, the Director may impose equivalent concentration or mass limits in accordance with 40 C.F.R. § 403.6(c).

**2.** When the limits in a Categorical Pretreatment Standard are expressed only in terms of mass of Pollutant per unit of production, the Director may convert the limits to equivalent limitations expressed either as mass of Pollutant discharged per day or effluent concentration for purposes of calculating effluent limitations applicable to individual Industrial Users.

**3.** When Wastewater subject to a Categorical Pretreatment Standard is mixed with wastewater not regulated by the same standard, the Director shall impose an alternate limit using the combined wastestream formula in 40 C.F.R. § 403.6(e).

**4.** A User may obtain a variance from a Categorical Pretreatment Standard if the Users can prove, pursuant to the procedural and substantive provisions in 40 C.F.R. § 403.13, that factors relating to its discharge are fundamentally different from the factors considered by EPA when developing the Categorical Pretreatment Standard.

**5.** The Director may convert the mass limits of the Categorical Pretreatment Standards of 40 CFR Parts 414, 419, and 455 to concentration limits for purposes of calculating limitations applicable to individual Industrial Users. The conversion is at the discretion of the Director.

**6.** Once included in its permit, the Industrial User must comply with the equivalent limitations developed in this section in lieu of the promulgated Categorical Standards from which the equivalent limitations were derived.

**7.** Many Categorical Pretreatment Standards specify one (1) limit for calculating maximum daily discharge limitations and a second limit for calculating maximum monthly average, or four-day average, limitations. Where such Standards are being applied, the same production or flow figure shall be used in calculating both the average and the maximum equivalent limitation.

**8.** Any Industrial User operating under a permit incorporating equivalent mass or concentration limits calculated from a production-based Standard shall notify the Director within two (2) business days after the User has a reasonable basis to know that the production level will significantly change within the next calendar month. Any User not notifying the Director of such anticipated change will be required to meet the mass or concentration limits in its permit that were based on the original estimate of the long term average production rate.

**C. Local Limits.** Except as provided for in Subsections 1201.G and 1201.N of this chapter, no person shall discharge Wastewater to the POTW containing in excess of the following instantaneous maximum allowable discharge limits as measured by procedures set out in 40 C.F.R. Part 136:

| POLLUTANT | WWTP WHERE WASTEWATER IS PROCESSED PRIOR TO DISCHARGE INTO THE ENVIRONMENT | | | |
|---|---|---|---|---|
| | Southside | Northside | Haikey Creek | Lower Bird Creek |
| Arsenic | 1.5 mg/l | 0.3 mg/l | 2.0 mg/l | 5.0 mg/l |
| Cadmium | 0.2 mg/l | 0.09 mg/l | 0.5 mg/l | 0.5 mg/l |
| Chromium | 5.0 mg/l | 5.0 mg/l | 2.8 mg/l | 5.0 mg/l |
| Copper | 1.7 mg/l | 1.7 mg/l | 4.0 mg/l | 0.9 mg/l |
| Cyanide | 3.2 mg/l | 3.2 mg/l | 0.8 mg/l | 0.5 mg/l |
| Lead | 1.2 mg/l | 1.2 mg/l | 1.5 mg/l | 1.7 mg/l |
| Mercury | 0.04 mg/l | 0.0002 mg/l | 0.43 mg/l | 0.05 mg/l |
| Molybdenum | 2.7 mg/l | 2.7 mg/l | 33.8 mg/l | 2.75 mg/l |
| Nickel | 2.7 mg/l | 2.7 mg/l | 5.0 mg/l | 3.25 mg/l |
| Silver | 1.6 mg/l | 1.6 mg/l | 0.5 mg/l | 2.1 mg/l |
| Zinc | 6.0 mg/l | 6.0 mg/l | 5.0 mg/l | 4.1 mg/l |
| Oil & Grease-polar | 100 mg/l | 100 mg/l | 100 mg/l | 100 mg/l |
| Oil & Grease-nonpolar | 100 mg/l | 100 mg/l | 100 mg/l | 100 mg/l |

Except as set forth by paragraph 1202.B.4.d of this chapter, the above limits apply at the point where the wastewater is discharged to the POTW. All concentrations for metallic substances are for "total" metal, unless indicated otherwise. Compliance with the cyanide limitation may be demonstrated by measuring for either total cyanide or available cyanide. Compliance with Oil & Grease - polar and Oil & Grease - nonpolar limitations may be demonstrated by measuring for Oil & Grease - Hexane Extractable Materials (HEM).

The Director may impose mass limitations in addition to or in place of the concentration-based limits above.

**D.** The Director may develop Best Management Practices (BMPs), by ordinance or in individual wastewater discharge permits or general permits, to implement Local Limits and the requirements of Subsection 1201.A.

**E. Dilution.** No User shall increase the use of process water, or in any way attempt to dilute a discharge, as a partial or complete substitute for adequate treatment to achieve compliance with a discharge limitation unless expressly authorized by an applicable Pretreatment Standard or requirement. No User shall discharge, without justification, large volumes of non-industrial process Wastewater. The Director may impose mass limitations on Users who commingle Wastewater with different Pollutant or chemical characteristics or in other cases when the imposition of mass limitations is appropriate.

**F. Hauled Wastewater.** Hauled Wastewater may be introduced into the POTW only at locations designated by the Director, and at such times as are established by the Director. The Director may require waste haulers to obtain Wastewater discharge permits. The Director may require the waste hauler to provide a representative sample and/or an analysis of any load prior to discharge. Waste haulers must provide a

waste-tracking form for every load. This form shall include, at a minimum, the name and address of the waste hauler, permit number, truck identification, names and addresses of sources of waste, date and time the waste hauler received the waste, and volume and characteristics of waste. Waste haulers must comply with all applicable ODEQ licensing requirements. The Director reserves the right to reject any load of hauled waste.

**G. Application of Best Management Practices.** Upon petition to and approval by the Director, Users may, in lieu of monitoring for one (1) or more Local Limits set forth in Subsection 1201.C, develop and implement a Best Management Practice policy. Once approved by the Director, a facility's BMP becomes a fully enforceable local limit. After approval of a BMP, the Director shall issue the facility a Certificate of BMP Approval. Facilities failing to abide by an approved BMP will be subject to: the Local Limits set forth in Subsection 1201.C; enforcement actions set out in Sections 1209, 1210, and 1211; or obtaining a permit as set forth in Sections 1203 and 1204 of this chapter.

1. **BMP Policy Components.** The minimum components of an approved BMP include the following:
   - **a.** A description of the facility's industrial processes;
   - **b.** A detailed description of the facility's Wastewater treatment operations;
   - **c.** A list and description of the chemicals used or stored at the facility;
   - **d.** Policies and procedures for employee training;
   - **e.** A detailed description of the facility's pollution prevention policies and procedures including a description of the methods used for minimizing, to the greatest practical extent, adverse environmental impact; and
   - **f.** Other information as required by the Director.
2. **Certificate of BMP Approval.** Upon approval of a BMP, the Director will issue the facility a Certificate of BMP Approval. Until the issuance of a Certificate of BMP Approval, facilities are subject to the Local Limits set out in Subsection 1201.C. A Certificate of BMP Approval shall be issued for a specified period of time, not to exceed five (5) years from the effective date of the certificate. A Certificate of BMP Approval may be issued for a period less than five (5) years, at the discretion of the Director.
3. **Transfer of BMP Approval.** A certificate of BMP approval may be transferred to a new owner or operator only after at least thirty-day advance notice is given to the Director. The notice to the Director must include a written certification by the new owner or operator which:
   - **a.** States that the new owner and/or operator has no immediate intent to change the facility's operations;
   - **b.** Identifies the specific date on which the transfer is to occur; and
   - **c.** Acknowledges full responsibility for complying with the existing certificate of BMP approval.
4. **Revocation of BMP Approval.** The Director may revoke a Certificate of BMP Approval for good cause, including but not limited to the following reasons:
   - **a.** A violation of any of the prohibited discharge standards set forth in Subsection 1201.A;

**b.** Failure to notify the Director of significant changes to the facility or the type of Wastewater discharged from the facility;

**c.** Misrepresentation or failure to fully disclose all relevant facts in the request for certificate of BMP approval;

**d.** Failure to update and revise a facility's BMP as needed, and submit such changes to the Director within thirty (30) days of such change(s);

**e.** Refusing to allow the Director timely access to the facility premises and records;

**f.** Failure to comply with an enforcement action;

**g.** Failure to complete a Wastewater survey;

**h.** A change in operation or process, which would require the facility to obtain a wastewater discharge permit;

**i.** Failure to provide advance notice of the transfer of business ownership; or

**j.** Failure to comply with the provisions and intent of an approved BMP.

**H. Approval Required.** The Director may require review and acceptance prior to discharge into the POTW of Wastewater with any of the following properties:

**1.** A BOD concentration greater than two hundred fifty (250) milligrams per liter;

**2.** A COD concentration greater than five hundred (500) milligrams per liter;

**3.** A TSS concentration greater than two hundred fifty (250) milligrams per liter; or

**4.** The potential to be a prohibited discharge.

**I. Wastewater with Excessive BOD or Suspended Solids.** Users discharging wastewater into the POTW which exhibit none of the characteristics prohibited by this chapter, other than BOD or TSS concentrations in excess of that found in typical domestic wastewater (less than two hundred fifty (250) mg/l for either BOD or TSS or five hundred (500) mg/l for COD), may be subject to the following requirement(s):

**1.** Pretreat the Wastewater to the BOD, COD and TSS concentrations found in typical domestic Wastewater; or

**2.** These wastes may be discharged into the POTW provided the following requirements are met:

**a.** The Wastewater will not cause damage to the POTW.

**b.** The Wastewater will not impair the Wastewater treatment process.

**c.** The User possesses an industrial wastewater discharge permit, if required by the Director.

**d.** The User is assessed a surcharge over and above the published sewer rates, if deemed appropriate by the Director.

**J. Jurisdictional and Multi-Jurisdictional Procedures.** Any Industrial User desiring to utilize the City of Tulsa sanitary sewer system, whether within or outside the corporate limits of the City, by use of or discharge into the system, shall agree to the provisions set forth in this chapter and shall agree to accept any and all penalty provisions and enforcement actions provided herein.

**K. City's Right of Revision.** The City reserves the right to establish by ordinance, wastewater discharge permit; or order, more stringent standards or requirements on discharges to the POTW.

**L. Deny or Condition.** The Director may deny or condition new or increased contributions of Pollutants, or changes in the nature of Pollutants, to the POTW by Industrial Users where such contributions may not meet applicable Pretreatment Standards or requirements or where such contributions may cause the POTW to violate an OPDES permit.

**M. Special Agreement.** The Director reserves the right to enter into special agreements with Users setting out special terms under which they may discharge to the POTW. In no case will a special agreement waive compliance with a Categorical Pretreatment Standard or federal Pretreatment requirement.

**N. Sapulpa.** Users whose wastewater enters the sanitary sewer system owned by the City of Sapulpa, Oklahoma must comply with all applicable discharge restrictions set forth in the City of Sapulpa's sewer use ordinances.

*(Ord. Nos. 17419, 19991, 21538; Ord. No. 22851, § 1, 3-28-2013; Ord. No. 23214, § 2, 11-6-2014)*

**Section 1202. Pretreatment of wastewater.**

**A. Pretreatment Facilities.** Users shall provide Wastewater treatment as necessary to comply with this chapter and shall achieve compliance with all Categorical Pretreatment Standards, Local Limits, and the prohibitions set out in Section 1201 of this chapter within the time limitations specified by EPA, the state, or the Director, whichever is more stringent. Any facilities necessary for compliance shall be provided, operated, and maintained at the User's expense. Detailed plans describing such facilities and operating procedures shall be submitted to the Director for review, and shall be acceptable to the Director before such facilities are constructed. The review of such plans and operating procedures shall in no way relieve the User from the responsibility of modifying such facilities as necessary to produce a discharge acceptable to the City under the provisions of this chapter.

**B. Additional Pretreatment Measures.**

**1.** Whenever deemed necessary, the Director may require Users to restrict their discharge during peak flow periods, designate that certain wastewater be discharged only into specific sewers, relocate and/or consolidate points of discharge, separate sewage wastestreams from industrial wastestreams, and alter such other conditions as may be necessary to protect the POTW and to determine the User's compliance with the requirements of this chapter.

**2.** The Director may require any person discharging into the POTW to install and maintain, on their property and at their expense, a suitable storage and flow-control facility to ensure equalization of flow. A wastewater discharge permit may be issued solely for flow equalization.

**3.** Grease, oil, and sand interceptors shall be provided when, in the opinion of the Director, they are necessary for the proper handling of Wastewater containing excessive amounts of grease, oil or solids. Installation of interceptor systems shall be of the type and capacity approved by the Director and shall comply with

guidelines set forth in the adopted City of Tulsa Plumbing Code. All interceptors shall be located to be easily accessible for cleaning and inspection. Such interceptors shall be inspected, cleaned, and repaired regularly, as needed, by the User at their expense.

**4. Grease Interceptor Maintenance Requirements.**

**a.** Grease interceptors shall be cleaned and serviced by entities in possession of valid Grease Handling and Hauling Permits pursuant to the requirements of Chapter 14 of this title. Any User allowing a non-permitted person or entity to clean and service their grease interceptor will be in violation of this chapter.

**b.** Grease interceptors shall be pumped and cleaned at a frequency sufficient to maintain compliance with the requirements of Section 1201 of this chapter. At a minimum a grease interceptor shall be cleaned and pumped whenever the combined thickness of the floating greases and settled solids is equal to or greater than twenty-five percent (25%) of the contents of the interceptor. If repairs are required, they shall be performed within seven (7) days.

**c.** When required by the Director, Grease interceptors shall be pumped and cleaned within forty-eight (48) hours. When in the opinion of the Director the environment is threatened, the Director may require a facility to immediately cease operations until the facility's grease interceptor is cleaned and pumped.

**d.** Grease interceptors shall have monitoring locations adequate for obtaining representative effluent samples. Unless otherwise stated in an Industrial Wastewater Discharge Permit, the Local Limits set forth in Subsection 1201.C shall apply at these monitoring locations.

**e.** Users shall document all cleaning and maintenance activities performed on their Grease interceptors. Copies of Grease Hauling and Handling manifests shall be maintained on site. These records shall be maintained for a minimum of three (3) years and be available for inspection and copying by the Director.

**5.** Users with the potential to discharge flammable substances may be required to install and maintain an approved combustible gas detection meter.

**C. Accidental Discharge/Slug Control Plan.** The Director may require any User to develop, submit for approval, and implement such a plan or take such other action that may be necessary to control Slug Discharges. Alternatively, the Director may develop such a plan for any User. An accidental discharge/Slug Discharge control plan shall address, at a minimum, the following:

**1.** Description of discharge practices, including non-routine batch discharges;

**2.** Description of stored chemicals;

**3.** Procedures for immediately notifying the City of any accidental or Slug Discharges, as required by Subsection 1205.F of this chapter; and

**4.** Procedures to prevent adverse impact from any accidental Slug Discharges. Such procedures include, but are not limited to, inspection and maintenance of storage areas, handling and transfer of materials, loading and unloading operations, control of plant site run-off, worker training, building of containment structures or equipment, measures for containing toxic organic Pollutants (including solvents, and/or measures and equipment for emergency response).

*(Ord. Nos. 17419, 19991; Ord. No. 22851, § 1, 3-28-2013)*

## Section 1203. Wastewater discharge permit application.

**A. Wastewater Analysis.** When requested by the Director, a User must submit information on the nature, volume, and characteristics of its Wastewater within a time frame specified by the Director. The Director is authorized to prepare a form for this purpose and may periodically require Users to update this information.

**B. Wastewater Discharge Permit Requirements.**

**1.** All Significant Industrial Users are required to possess a wastewater discharge permit.

**2.** The Director may require other Users to obtain wastewater discharge permits as necessary to carry out the purposes of this chapter.

**3.** The Director may also require owners or operators of nondischarging facilities to obtain Wastewater permits. These permits require owners or operators of these facilities to have management plans in place that minimizes the potential for accidental discharges.

**4.** Any violation of the terms and conditions of a wastewater discharge permit shall be deemed a violation of this chapter and subjects the wastewater discharge permittee to the sanctions set out in Sections 1209 through 1211 of this chapter. Obtaining a wastewater discharge permit does not relieve a permittee of its obligation to comply with all federal and state Pretreatment Standards or requirements or with any other requirements of federal, state, and local law.

**5.** An application for a wastewater discharge permit must have been properly filed, and a permit issued, prior to the date upon which any User begins or recommences any discharge.

**C. Wastewater Discharge Permit Application Contents.** All Users required to obtain a wastewater discharge permit must submit a permit application. The Director may require a User to submit, as part of an application, the following information:

**1.** All information required by paragraphs 1205A.1. through 8. of this chapter;

**2.** Description of activities, facilities, and plant processes on the premises, including a list of all raw materials and chemicals used or stored at the facility;

**3.** Number and type of employees, days and hours of operation, and proposed or actual hours of operation;

**4.** Each product produced by type, amount, process or processes, rate of production, and the average and maximum flow rates for each type of discharge;

**5.** Water use and disposal information for each industrial process including maximum and average daily flow rates;

**6.** Type and amount of raw materials processed (average and maximum per day);

**7.** Site plans, floor plans, mechanical and plumbing plans, and details to show all sewers, floor drains, and appurtenances by size, location, and elevation, and all points of discharge;

**8.** Plans, drawings and descriptions of Wastewater treatment processes;

**9.** Time and duration of discharges; and

**10.** Any other information as may be deemed necessary by the Director to evaluate the wastewater discharge permit application.

Incomplete or inaccurate applications will not be processed and will be returned to the User for revision.

**D. Application Signatories and Certification.**

**1.** All wastewater discharge permit applications and User reports must be signed by an authorized representative of the User, as defined by paragraph 1200.D, and contain the certification statement required by in paragraph 1205.N.1 of this chapter.

**2.** If a designation of an authorized representative is no longer accurate because a different individual or position has responsibility for the overall operation of the facility or overall responsibility for environmental matters for the company, a new written authorization satisfying the requirements of this section must be submitted to the Director prior to or together with any reports to be signed by an authorized representative.

**3.** A facility determined to be a Non-Significant Categorical Industrial User by the Director, pursuant to the definition of Significant Categorical Industrial User, paragraph 4, in Subsection 1200.D of this chapter, must annually submit the signed certification statement as provided in paragraph 1205.N.2 of this chapter.

**E. Wastewater Discharge Permit Decision.** The Director will evaluate the data furnished by the User and may require additional information. The Director may deny any application for a wastewater discharge permit.

*(Ord. Nos. 17419, 19991; Ord. No. 22851, § 1, 3-28-2013)*

**Section 1204. Wastewater discharge permit issuance process.**

**A. Wastewater Discharge Permit Duration.** A wastewater discharge permit shall be issued for a specified time period, not to exceed five (5) years from the effective date of the permit. A wastewater discharge permit may be issued for a period less than five (5) years, at the discretion of the Director. A wastewater discharge permit will remain in effect until the issuance of a new wastewater discharge permit, or a decision is made by the Director not to issue a permit.

**B. Wastewater Discharge Permit Contents.** A wastewater discharge permit shall include such conditions as are deemed reasonably necessary by the Director to prevent pass through or interference, protect the quality of the water body receiving the treatment plant's effluent, ensure worker health and safety, facilitate sludge management and disposal, and protect against damage to the POTW,

**1.** Wastewater discharge permits contain:

**a.** A statement that indicates wastewater discharge permit issuance date, expiration date and effective date;

**b.** A statement that the wastewater discharge permit is nontransferable without prior notification to the City in accordance with Subsection 1204.D of this chapter, and provisions for furnishing the new owner or operator with a copy of the existing wastewater discharge permit;

**c.** Wastewater discharge limits, including Best Management Practices, based on applicable Pretreatment Standards;

**d.** Self-monitoring, sampling, reporting, notification, and record-keeping requirements. These requirements shall include an identification of Pollutants (or Best Management Practice) to be monitored, sampling location, sampling frequency, and sample type based on federal, state, and local law; and

**e.** A statement of applicable civil and criminal penalties for violation of Pretreatment Standards and requirements, and any applicable compliance schedule. Such schedule may not extend the time for compliance beyond that required by applicable federal, state, or local law.

**f.** Requirement for the development and impletation of a spill control plan as required by Subsection 1202.C of this chapter.

**g.** Requirement for the user to notify the Director of any changes at the facility affecting its potential for a slug discharge.

**2.** Wastewater discharge permits may contain, but need not be limited to, the following conditions:

**a.** Limits on the average and/or maximum rate of discharge, time of discharge, and/or requirements for flow regulation and equalization;

**b.** Requirements for the installation of Pretreatment technology, pollution control, or construction of appropriate containment devices, designed to reduce, eliminate, or prevent the introduction of Pollutants into the POTW;

**c.** Development and implementation of waste minimization plans to reduce the amount of pollutants discharged to the POTW;

**d.** Requirements for installation and maintenance of inspection and sampling facilities and equipment including flow measurement devices;

**e.** A statement that compliance with the wastewater discharge permit does not relieve the permittee of responsibility for compliance with all applicable federal and state Pretreatment Standards, including those which become effective during the term of the wastewater discharge permit;

**f.** A requirement for the User to meter the facility's water service independently of any other use; and

**g.** Other conditions as deemed appropriate by the Director to ensure compliance with this chapter, and state and federal laws, rules, and regulations.

**C. Wastewater Discharge Permit Modifications.** The Director may modify a wastewater discharge permit for good cause, including but not limited to the following reasons:

**1.** To incorporate any new or revised federal, state, or local Pretreatment Standards or requirements;

**2.** To address significant alterations or additions to the User's operation, processes, or Wastewater volume or character since the time of wastewater discharge permit issuance;

**3.** To require either a temporary or permanent reduction or elimination of the authorized discharge, due to a change in the POTW;

**4.** Information indicating that the permitted discharge poses a threat to the POTW, City personnel, or the receiving waters;

**5.** Violation of any terms or conditions of the wastewater discharge permit;

**6.** Misrepresentations or failure to fully disclose all relevant facts in the wastewater discharge permit application or in any required reporting;

**7.** Revision of or a grant of variance from Categorical Pretreatment Standards pursuant to 40 C.F.R. § 403.13;

**8.** To correct typographical or other errors in the wastewater discharge permit; or

**9.** To reflect a transfer of the facility ownership or operation to a new owner or operator.

**D. Wastewater Discharge Permit Transfer.** Wastewater discharge permits shall be issued to a User for a designated facility or facilities. A wastewater discharge permit shall not be reassigned, transferred, or sold to a new owner or new User, nor may it be used on different premises or for new or changed operations, unless the Director specifically gives approval.

**E. Wastewater Discharge Permit Revocation.** The Director may revoke a wastewater discharge permit for good cause, including but not limited to the following reasons:

**1.** Failure to provide prior notification to the Director of changed conditions pursuant to Subsection 1205.E of this chapter;

**2.** Misrepresentation or failure to fully disclose all relevant facts in the wastewater discharge permit application;

**3.** Falsifying self-monitoring reports;

**4.** Tampering with monitoring equipment;

**5.** Refusing to allow the Director timely access to the facility premises and records;

**6.** Failure to meet effluent limitations;

**7.** Failure to pay fines;

**8.** Failure to pay sewer charges;

**9.** Failure to meet compliance schedules;

**10.** Failure to complete a Wastewater survey or the wastewater discharge permit application;

**11.** Failure to provide advance notice of the transfer of business ownership of a permitted facility; or

**12.** Violation of any Pretreatment Standard or requirement, or any terms of the wastewater discharge permit or this chapter.

Wastewater discharge permits shall be voidable upon cessation of operations or transfer of business ownership. All wastewater discharge permits issued to a particular User are void upon the issuance of a new wastewater discharge permit to that User.

**F. Wastewater Discharge Permit Renewal.** A User with an expiring wastewater discharge permit shall apply for a wastewater discharge permit renewal by submitting a complete permit application, in accordance with Subsection 1203.C of this chapter, prior to the expiration of the User's existing wastewater discharge permit.

**G. Wastewater Discharge Permit Appeal.** Persons desiring to dispute the conditions of a wastewater discharge permit issued hereunder must file a written request for the Director to reconsider the action taken within fifteen (15) days of permit receipt. Where a request has merit, the Director may convene a hearing on the matter. In the event the User's appeal is successful, the Director may withdraw or modify the permit. If the

Director fails to act within thirty (30) days of notice of an appeal, a request for reconsideration shall be deemed to be denied. The Director's decisions whether to withdraw or modify the disputed permit shall be considered final, unless a written notice for an appeal to the applicable Utility Authority is filed with the City Clerk's office within fifteen (15) days after service on the petitioner of the Director's decision. Within fifteen (15) days following the Utility Authority's action, any party desiring to dispute the Utility Authority's action may appeal to the City Council by filing a notice of appeal in the office of the City Clerk and providing notice to the other party (if applicable) and the Director. The appeal shall be heard by the City Council at its next available meeting after the filing of the notice of appeal. Permits issued by the Director shall remain in full effect throughout the appeal process.

*(Ord. Nos. 17419, 19991; Ord. No. 22851, § 1, 3-28-2013)*

**Section 1205. Reporting requirements.**

**A. Baseline Monitoring Report.** Within either one hundred eighty (180) days after the effective date of a Categorical Pretreatment Standard, or the final administrative decision on a category determination under 40 C.F.R. §403.6(a)(4), whichever is later, existing affected categorical Users currently discharging to or scheduled to discharge to the POTW shall submit to the Director a report which contains the information listed in paragraph 5.b, below. At least ninety (90) days prior to commencement of their discharge, New Sources, and sources that become Categorical Users subsequent to the promulgation of an applicable Categorical Standard, shall submit to the Director a report which contains the information listed in paragraph 5.b, below. A New Source shall report the method of Pretreatment it intends to use to meet applicable Categorical Standards. A new source also shall give estimates of its anticipated flow and quantity of Pollutants to be discharged. Users described above shall submit the information set forth below:

1. **Identifying Information.** The name and address of the facility, including the name of the operator and owner;
2. **Environmental Permits.** A list of any environmental control permits held by or for the facility;
3. **Description of Operations.** A brief description of the nature, average rate of production, and standard industrial classifications of the operation(s) carried out by such User. This description should include a schematic process diagram that indicates points of discharge to the POTW from the regulated processes;
4. **Flow Measurement.** Information showing the measured average daily and maximum daily flow, in gallons per day, to the POTW from regulated process streams and other streams, as necessary, to allow use of the combined wastestream formula set out in 40 C.F.R. § 403.6(e). The Director may allow for verifiable estimates of these flows where justified by cost or feasibility considerations;
5. **Measurement of Pollutants.**
   - **a.** The Categorical Pretreatment Standards applicable to each regulated process;
   - **b.** The results of sampling and analysis identifying the nature and concentration, and/or mass (where required by the standard or by the Director) of regulated pollutants in the discharge from each regulated process. Instantaneous, daily

maximum, and long-term average concentrations, or mass, where required, shall be reported. The sample shall be representative of daily operations and shall be analyzed in accordance with procedures set out in Subsection 1205.J of this chapter; and

**c.** Sampling must be performed in accordance with procedures set out in Subsection 1205.K of this chapter.

**6. Certification.** A statement, reviewed by the User's authorized representative and certified by a qualified professional, indicating whether Pretreatment Standards are being met on a consistent basis, and, if not, whether additional operation and maintenance (O&M) and/or additional Pretreatment is required to meet the Pretreatment Standards and requirements, where required;

**7. Compliance Schedule.** If additional pretreatment and/or O&M will be required to meet the Pretreatment Standards; the shortest schedule by which the User will provide such additional Pretreatment and/or O&M. The completion date in this schedule shall not be later than the compliance date established for the applicable Pretreatment Standard. A compliance schedule pursuant to this section must meet the requirements set out in Subsection 1205.B of this chapter; and

**8. Signature and Certification.** All baseline-monitoring reports must be signed and certified in accordance with Subsection 1205.N of this chapter.

**B. Compliance Schedule Progress Reports.** The following conditions shall apply to the compliance schedule required by paragraph 1205.A.7 of this chapter:

**1.** The schedule shall contain progress increments in the form of dates for the commencement and completion of major events leading to the construction and operation of additional Pretreatment required for the User to meet the applicable Pretreatment Standards (such events include, but are not limited to, hiring an engineer, completing preliminary and final plans, executing contracts for major components, commencing and completing construction, and beginning and conducting routine operation);

**2.** No time increment referred to above shall exceed nine (9) months; and

**3.** The User shall submit a progress report to the Director no later than fourteen (14) days following each date in the schedule and the final date of compliance including, as a minimum, whether or not it complied with the increment of progress; the reason for any delay; and, if appropriate, the steps being taken by the User to return to the established schedule. In no event shall more than nine (9) months elapse between such progress reports to the Director.

**C. Reports on Compliance with Categorical Pretreatment Standard Deadline —90 Day Reports.** Within ninety (90) days following the date for final compliance with applicable Categorical Pretreatment Standards, or in the case of a New Source following commencement of the introduction of Wastewater into the POTW, any User subject to such Pretreatment Standards and requirements shall submit to the Director a report containing the information described in paragraphs 1205.A.4 through 1205.A.6 of this chapter. For Users subject to equivalent mass or concentration limits established in accordance with the procedures in 40 C.F.R. § 403.6(c), this report shall contain a reasonable measure of the User's long-term production rate. For all other Users subject to Categorical Pretreatment Standards expressed in terms of allowable

Pollutant discharge per unit of production (or other measure of operation), this report shall include the User's actual production during the appropriate sampling period. All compliance reports must be signed and certified in accordance with Subsection 1203.D of this chapter. All sampling and analyses shall be performed in conformance with Subsections 1205.J and 1205.K.

**D. Periodic Compliance Reports.**

**1.** All Significant Industrial Users shall submit, at a frequency determined by the Director but in no case less than twice per year, a report indicating the nature and concentration of pollutants in the discharge which are limited by Pretreatment Standards and the measured or estimated average and maximum daily flows for the reporting period. In cases where the Pretreatment Standard requires compliance with a Best Management Practice (BMP) or pollution prevention alternative, the User must submit documentation required by the Director or the Pretreatment Standard necessary to determine the compliance status of the User. In addition, the User shall fulfill the self-monitoring requirements specified in the facility's wastewater discharge permit. All periodic compliance reports must be signed and certified in accordance with Subsection 1203.D of this chapter.

**2.** All Wastewater samples must be representative of the User's discharge. Wastewater monitoring and flow measurement facilities shall be properly operated, kept clean, and maintained in good working order at all times. The failure of a User to keep its monitoring facility in good working order shall not be grounds for the User to claim that sample results are unrepresentative of its discharge.

**3.** If a User subject to the reporting requirement in this section monitors any pollutant more frequently than required by the Director, using the procedures prescribed in Subsections 1205.J and 1205.K of this chapter, the results of this monitoring shall be included in the report.

**E. Report of Changed Conditions.** Each User must notify the Director of any planned significant changes to the User's operations or system which might alter the nature, quality, or volume of its Wastewater at least thirty (30) days before the change. For purposes of this requirement, significant changes include, but are not limited to, flow increases of twenty-five percent (25%) or greater, and the discharge of any previously unreported Pollutants. The Director may require the User to submit such information as may be deemed necessary to evaluate the changed condition, including the submission of a wastewater discharge permit application under Subsection 1203.C of this chapter. The Director may issue a wastewater discharge permit under Subsection 1203.E of this chapter or modify an existing wastewater discharge permit under Subsection 1204.C of this chapter in response to changed conditions or anticipated changed conditions.

**F. Report of Potential Problems.**

**1.** In the case of any discharge, including, but not limited to, accidental discharges, discharges of a non-routine, episodic nature, a non-customary batch discharge, a Slug Discharge or Slug Load, that may cause potential problems for the POTW, the User shall immediately telephone and notify the Director of the incident. This notification shall include the location of the discharge, type of waste, concentration and volume, if known, and corrective actions taken by the User.

**2.** The Director may require the User to submit a detailed, written report describing the cause(s) of the discharge and the measures to be taken by the User to prevent similar future occurrences. Such notification shall not relieve the User of any expense, loss, damage, or other liability, which may be incurred as a result of damage to the POTW, natural resources, or any other damage to person or property; nor shall such notification relieve the User of any fines, penalties, or other liability which may be imposed pursuant to this chapter.

**3.** A notice shall be permanently posted on the User's bulletin board or other prominent place advising employees who to call in the event of a discharge described in paragraph 1205.F.1 in this chapter. Employers shall ensure that all employees, who could cause such a discharge to occur, are advised of the emergency notification procedure.

**4.** Significant Industrial Users are required to notify the Director immediately of any changes at its facility affecting the potential for a Slug Discharge.

**G. Reports from Unpermitted Users.** All Users not required to obtain a wastewater discharge permit shall provide appropriate reports to the Director as the Director may require.

**H. Notice of Violation/Repeat Sampling and Reporting.** If sampling performed by a User indicates a violation, the User must notify the Director within twenty-four (24) hours of becoming aware of the violation. The User shall also repeat the sampling and analysis and submit the results of the repeat analysis to the Director within thirty (30) days after becoming aware of the violation. The User is not required to resample if the City monitors at the User's facility at least once a month, or if the City samples between the User's initial sampling and when the User receives the results of this sampling.

**I. Notification of the Discharge of Hazardous Waste.**

**1.** Any User who commences the discharge of hazardous waste shall notify the Director, in writing, of any discharge into the POTW of a substance which, if otherwise disposed of, would be a hazardous waste under 40 C.F.R. Part 261. Such notification must include the name of the hazardous waste as set forth in 40 C.F.R. Part 261, the EPA hazardous waste number, and the type of discharge (continuous, batch, or other). If the User discharges more than one hundred (100) kilograms of such waste per calendar month to the POTW, the notification also shall contain the following information to the extent such information is known and readily available to the User: an identification of the hazardous constituents contained in the wastes, an estimation of the mass and concentration of such constituents in the wastestream discharged during that calendar month, and an estimation of the mass of constituents in the wastestream expected to be discharged during the following twelve (12) months. All notifications must take place no later than one hundred and eighty (180) days after the discharge commences. Any notification under this paragraph need be submitted only once for each hazardous waste discharged. However, notifications of changed conditions must be submitted under Subsection 1205.E of this chapter. The notification requirement in this section does not apply to pollutants already reported by Users subject to Categorical Pretreatment Standards under the self-monitoring requirements of Subsections 1205.A, 1205.C, and 1205.D of this chapter.

**2.** Dischargers are exempt from the requirements of paragraph 1205.1.1 of this chapter, during a calendar month in which they discharge no more than fifteen (15) kilograms of hazardous wastes, unless the wastes are acute hazardous wastes as specified in 40 C.F.R. §§ 261.30(d) and 261.33(e). Discharge of more than fifteen (15) kilograms of non-acute hazardous wastes in a calendar month, or of any quantity of acute hazardous wastes as specified in 40 C.F.R. §§ 261.30(d) and 261.33(e), requires a one-time notification. Subsequent months during which the User discharges more than such quantities of any hazardous waste do not require additional notification.

**3.** In the case of any new regulations under Section 3001 of RCRA identifying additional characteristics of hazardous waste or listing any additional substance as a hazardous waste, the User must notify the Director, the EPA Regional Waste Management Waste Division Director, and state hazardous waste authorities of the discharge of such substance within ninety (90) days of the effective date of such regulations.

**4.** In the case of any notification made under this section, the User shall certify that it has a program in place to reduce the volume and toxicity of hazardous wastes generated to the degree it has determined to be economically practicable.

**5.** This provision does not create a right to discharge any substance not otherwise permitted to be discharged by this chapter, a permit issued thereunder, or any applicable federal or state law.

**J. Analytical Requirements.** All Pollutant sampling and analyses, the results of which are required to be submitted to the City, shall be performed in accordance with the techniques set forth in 40 C.F.R. Part 136, as amended, unless otherwise specified in an applicable Categorical Pretreatment Standard. If 40 C.F.R. Part 136 does not contain sampling or analytical techniques for the Pollutant in question, sampling and analyses shall be performed by using validated analytical methods or any other applicable sampling and analytical procedures, including procedures suggested by the Director or other parties approved by EPA. Each Pollutant analysis shall be performed by a laboratory certified by the Oklahoma Department of Environmental Quality or equivalent unless otherwise stated by the Director.

**K. Sample Collection.**

**1.** Except as indicated in paragraph 2., below, the User must collect Wastewater samples using flow proportional composite collection techniques, unless time proportional composite sampling or grab sampling is authorized by the Director. Where time proportional composite sampling or grab sampling is authorized by the Director, the samples must be representative of the discharge. Using protocols (including appropriate preservation) specified in 40 C.F.R. Part 136 and appropriate EPA guidance, multiple Grab Samples collected during a twenty-four (24) hour period may be composited prior to the analysis as follows: for cyanide, total phenols, and sulfides the samples may be composited in the laboratory or in the field; for volatile organics and oil and grease, the samples may be composited in the laboratory. Composite samples for other parameters unaffected by the compositing procedures, as documented in approved EPA methodologies, may be authorized by the Director, as appropriate. In addition, grab samples may be required to show compliance with instantaneous discharge limits.

**2.** Samples for oil and grease, temperature, pH, cyanide, phenols, sulfides, and volatile organic compounds must be obtained using grab collection techniques.

**3.** For sampling required in support of baseline monitoring and ninety (90) day compliance reports required in Subsections 1205.A and 1205.C of this chapter, a minimum of four (4) Grab Samples must be used for pH, cyanide, total phenols, oil and grease, sulfide and volatile organic compounds for facilities for which historical sampling data do not exist. For facilities for which historical sampling data are available, the Director may authorize a lower minimum. For the reports required by Subsection 1205.D of this chapter, the Industrial User is required to collect the number of Grab Samples necessary to assess and assure compliance with applicable Pretreatment Standards and requirements.

**L. Timing.** Reports required to be submitted by this chapter, wastewater discharge permits, or orders issued by the Director, will be deemed to have been submitted on the date postmarked. For reports which are not mailed, postage prepaid, into a mail facility serviced by the United States Postal Service, or reports whose postmark is unreadable, the date of receipt of the report shall govern.

**M. Record Keeping.** Users subject to the reporting requirements of this chapter shall retain, and make available for inspection and copying, all records of information obtained pursuant to any monitoring activities required by this chapter and any additional records of information obtained pursuant to monitoring activities undertaken by the User independent of such requirements, and documentation associated with Best Management Practices established under Section 1201.D and 1201.G. Records shall include the date, exact place, method, and time of sampling, and the name of the person(s) taking the samples; the dates analyses were performed; who performed the analyses; the analytical techniques or methods used; and the results of such analyses. All other records required to be kept pursuant to a wastewater discharge permit requirement shall be retained by the User and made available for copying and inspection by the Director. These records shall remain available for a period of at least three (3) years. This period shall be automatically extended for the duration of any litigation concerning the User or the City, or where the Director has specifically notified the User of a longer retention period.

**N. Certification Statements.**

**1. Certification of Permit Applications and User Reports.** The following certification statement is required to be signed by an Authorized Representative as defined in Subsection 1200.D of this chapter and presented by Users which submit: (a) permit applications in accordance with Subsection 1202.D of this chapter; (b) baseline monitoring reports under Subsection 1205.A of this chapter; (c) reports on compliance with the Categorical Pretreatment Standard deadlines under Subsection 1205.B of this chapter; and (d) periodic compliance reports required by Subsection 1205.D of this chapter:

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and

complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

**2. Annual Certification for Non-Significant Categorical Industrial Users.** A facility determined to be a Non-Significant Categorical Industrial User by the Director, pursuant to the definition of Significant Industrial User, in paragraph 4 of Subsection 1200.D of this chapter and paragraph 1203.D.3 of this chapter, must annually submit the following certification statement signed in accordance with the signatory requirements contained in the definition of Authorized Representative of the User, as defined in Subsection 1200.D of this chapter. This certification must accompany an alternative report required by the Director:

"Based on my inquiry of the person or persons directly responsible for managing compliance with the Categorical Pretreatment Standards under 40 CFR _____, I certify that, to the best of my knowledge and belief that during the period from _____, _____ to _____, _____ [months, days, year]:

**a.** The facility described as _____ [facility name] met the requirements of a Non-Significant Categorical Industrial User pursuant to paragraph 4, in the definition of Significant Industrial User, found in Title 11-C Tulsa Revised Ordinances, Subsection 1200.D;

**b.** The facility complied with all applicable Pretreatment Standards and requirements during this reporting period; and

**c.** The facility never discharged more than one hundred (100) gallons of total Categorical wastewater on any given day during this reporting period.

This compliance certification is based on the attached information:"

**O. Fraud and False Statements.** Reports and other documents required to be submitted or maintained under this chapter shall be subject to:

**1.** The provisions of 18 U.S.C. § 1001 relating to fraud and false statements;

**2.** The provisions of Section 309(c)(4) of the Act, as amended, governing false statements, representation or certification; and

**3.** The provisions of Section 309(c)(6) of the Act regarding responsible corporate officers.

*(Ord Nos. 17419, 19991; Ord. No. 22851, § 1, 3-28-2013)*

### Section 1206. Compliance monitoring.

**A. Right of Entry.** The Director shall have the right to enter the premises of any User or potential User to determine whether the User is complying with all requirements of this chapter and any wastewater discharge permit or order issued hereunder. Users shall allow the Director ready access to all parts of the premises for the purposes of inspection, sampling, records examination and copying, and the performance of any additional duties.

**1.** Where a User has security measures in force which require proper identification and clearance before entry into its premises, the User shall make necessary

arrangements with its security guards so that, upon presentation of suitable identification, the Director will be permitted to enter without delay for the purposes of performing specific responsibilities.

**2.** The Director shall have the right to set up on the User's property, or require installation of, such devices as are necessary to conduct sampling and/or metering of the User's operations.

**3.** The Director may require the User to install monitoring equipment as necessary. The facility's sampling and monitoring equipment shall be maintained at all times in a safe and proper operating condition by the User at its own expense.

**4.** Any temporary or permanent obstruction to safe and easy access to the facility to be inspected and/or sampled shall be promptly removed by the User at the written or verbal request of the Director and shall not be replaced. The costs of clearing such access shall be borne by the User.

**5.** Unreasonable delays in allowing the Director access to the User's premises shall be a violation of this chapter.

**B. Search Warrants.** If the Director has been refused access to a building, structure, or property, or any part thereof, and is able to demonstrate probable cause to believe that there may be a violation of this chapter, or that there is a need to inspect and/or sample as part of a routine inspection and sampling program of the City designed to verify compliance with this Chapter, or any permit or order issued hereunder, or to protect the overall public health, safety and welfare of the community, then the Director may seek issuance of a search warrant from the Municipal Court of the City of Tulsa.

*(Ord. Nos. 17419, 19991; Ord. No. 22851, § 1, 3-28-2013)*

### Section 1207. Confidential information.

The User may claim information submitted to the City pursuant to this chapter as confidential. Any such claim must be asserted at the time of submission by conspicuously marking the words "confidential business information" on each page containing such information. If no claim is made at the time of submission, the City may make the information available to the public without further notice. If a claim is asserted, the information will be treated in accordance with the procedures specified in 40 C.F.R. Part 2. Wastewater constituents and characteristics and other effluent data as defined by 40 C.F.R. §2.302 will not be recognized as confidential information and will be available to the public without restriction.

*(Ord. Nos. 17419, 19991; Ord. No. 22851, § 1, 3-28-2013)*

### Section 1208. Publication of users in significant noncompliance.

**A.** The Director shall publish annually, in the largest daily newspaper published in the City of Tulsa, a list of the Users, which, during the previous twelve (12) months, were in significant noncompliance with applicable Pretreatment Standards and requirements. The term significant noncompliance shall be applicable to all Significant Industrial Users (or any other Industrial User that violates paragraphs (3), (4), or (8), of this section) and shall mean:

**1.** Chronic violations of Wastewater discharge limits, defined here as those in which sixty-six percent (66%) or more of Wastewater measurements taken for the same

pollutant parameter during a six-month period exceed (by any magnitude) a numeric Pretreatment Standard or Requirement, including Local Limits as defined in Section 1201;

**2.** Technical Review Criteria (TRC) violations, defined here as those in which thirty-three percent (33%) or more of Wastewater measurements taken for each Pollutant parameter during a six-month period equals or exceeds the product of the numeric Pretreatment Standard or requirement including Instantaneous Limits, as defined by Section 1201, or the average limit multiplied by the applicable criteria (1.4 for BOD, TSS, fats, oils, and grease, and 1.2 for all other Pollutants except pH);

**3.** Any other violation of a Pretreatment Standard or Requirement as defined by Section 1201 (Daily Maximum, long term average, Instantaneous Limit, or narrative standard) that the Director determines has caused, alone or in combination with other discharges, Interference or Pass Through, or endangering the health of POTW personnel or the general public;

**4.** Any discharge of a Pollutant that has caused imminent endangerment to the public or to the environment, or has resulted in the Director's exercise of its emergency authority to halt or prevent such a discharge;

**5.** Failure to meet within ninety (90) days of the scheduled date a compliance schedule milestone contained in a wastewater discharge permit or enforcement order for starting construction, completing construction, or attaining final compliance;

**6.** Failure to provide within forty-five (45) days after the due date any required reports, including baseline monitoring reports, reports on compliance with Categorical Pretreatment Standard deadlines, periodic self-monitoring reports, and reports on compliance with compliance schedules;

**7.** Failure to accurately report noncompliance; or

**8.** Any other violation(s), which may include a violation of Best Management Practices, that the Director determines will adversely affect the operation or implementation of the local Pretreatment program.

*(Ord. Nos. 17419, 19991; Ord. No. 22851, § 1, 3-28-2013)*

**Section 1209. Administrative enforcement remedies.**

**A. Notice of Violation.** When the Director finds that a User has violated or continues to violate any provision of this chapter, a wastewater discharge permit, or order issued hereunder, or any other Pretreatment Standard or requirement, the Director may serve upon that User a written Notice of Violation. The Director may require the submission of a written explanation of the violation and a plan for the satisfactory correction and prevention thereof, within a time frame specified by the Director. Submission of this plan in no way relieves the User of liability for any violations occurring before or after receipt of the Notice of Violation. Nothing in this section may limit the authority of the Director to take any action, including emergency actions or any other enforcement action, without first issuing a Notice of Violation.

**B. Administrative Fines.**

**1.** When the Director finds that a User has violated or continues to violate any provision of this chapter, a wastewater discharge permit or order issued hereunder,

or any other Pretreatment Standard or requirement, the Director may fine such User in an amount not to exceed One Thousand Dollars ($1,000.00) per day. Such fines may be assessed on a per violation, per day basis. In the case of monthly or other long-term average discharge limits, fines may be assessed for each day during the period of violation.

**2.** Notice of an administrative fine shall be served personally on the User or by certified mail (return receipt requested). Payment of the fine is to be received, by the Director, within fifteen (15) days after such notice is served.

**3.** Failure to submit payment of an administrative fine within fifteen (15) days shall be considered a violation of this chapter.

**4. Penalties for Late Submittals.** Reports, payments and other information required by this chapter, permits or orders issued hereunder shall be submitted in a timely manner. Submittals received fifteen (15) days after required submittal dates, may result in the assessment of admistrative penalties of three hundred dollars ($300.00). An administrative penalty of one hundred dollars ($100.00) per day may be assessed for each additional day the required submittal is late. Actions taken by the Director to collect late submittal penalties shall not limit the Director's authority to initiate other enforcement actions that may include penalties for late submittal violations. Users who repeatedly submit late submittals may be assessed additional penalties consistent with the City of Tulsa's Enforcement Response Plan.

**5.** Issuance of an administrative fine shall not be a bar against or a prerequisite for taking any other action against the User.

**C. Administrative Orders.** When the Director finds that a User has violated or continues to violate any provision of this chapter, a wastewater discharge permit or order issued hereunder, or any other Pretreatment Standard or requirement, the Director may issue an administrative order to the User responsible for the discharge directing that the User come into compliance within a specified time. If the User does not come into compliance within the time provided, sewer service may be discontinued unless adequate treatment facilities, devices, or other related appurtenances are installed and properly operating. Administrative orders also may contain other requirements to address the noncompliance, including additional self-monitoring and management practices designed to minimize the amount of pollutants discharged to the sewer. An administrative order may not extend a federally established deadline for compliance with a Pretreatment Standard or requirement, nor does an administrative order relieve the User of liability for any violation, including any continuing violation. Issuance of an administrative order shall not be a bar against or a prerequisite for taking any other action against the User.

**D. Appeals.** Users may dispute any Notice of Violation or Administrative Fine or Administrative Order issued by the Director pursuant to Subsections 1209.A, 1209.B, or 1209.C. Persons desiring to dispute such actions must file a written request for the Director to reconsider the action taken within fifteen (15) days of being notified of the action. Where a request has merit, the Director may convene a hearing on the matter. In the event the User's appeal is successful, the Director may modify or withdraw the notice or fine. If the Director fails to act within thirty (30) days of notice of an appeal, a request for reconsideration shall be deemed to be denied. The Director's decisions

whether to withdraw or modify such enforcement action shall be considered final, unless a written notice for an appeal to the applicable Utility Authority is filed with the City Clerk's office within fifteen (15) days after service on the petitioner of the Director's decision. Within fifteen (15) days following the Utility Authority's action, any party adversely affected by the Utility Authority's action may appeal to the City Council by filing a notice of appeal in the office of the City Clerk and providing notice to the other party and the Director. The appeal shall be heard by the City Council at its next available meeting after the filing of the notice of appeal.

**E. Consent Orders.** The Director may enter into Consent Orders, assurances of compliance, or other similar documents establishing an agreement with any User responsible for noncompliance. Such documents will include specific action to be taken by the User to correct the noncompliance within a time period specified by the document. Such documents shall have the same force and effect as the orders issued pursuant to Subsections 1209.C and 1209.G of this chapter and shall be judicially enforceable.

**F. Show Cause Hearing.** The Director may order a User which has violated or continues to violate any provision of this chapter, a wastewater discharge permit or order issued hereunder, or any other Pretreatment Standard or requirement, to appear before the Director and show cause why the proposed enforcement action should not be taken. Notice shall be served on the User specifying the time and place for the meeting, the proposed enforcement action, the reasons for such action, and a request that the User show cause why the proposed enforcement action should not be taken. The notice of the meeting shall be served personally or by registered or certified mail (return receipt requested). Such notice may be served on any authorized representative of the User. A show cause hearing shall not be a bar against or prerequisite for taking any other action against the User.

**G. Cease and Desist Orders.** When the Director finds that a User has violated or continues to violate any provision of this chapter, a wastewater discharge permit or order issued hereunder, or any other Pretreatment Standard or requirement, or that the User's past violations are likely to recur, the Director may issue an order to the User directing it to cease and desist all such violations and directing the User to:

**1.** Immediately comply with all requirements; and

**2.** Take such appropriate remedial or preventive action as may be needed to properly address a continuing or threatened violation, including halting operations and/or terminating the discharge.

Issuance of a cease and desist order shall not be a bar against or a prerequisite for taking any other action against the User.

**H. Emergency Suspensions.** The Director may immediately suspend a User's discharge, after informal notice to the User, whenever such suspension is necessary to stop an actual or threatened discharge that reasonably appears to present or cause an imminent or substantial endangerment to the health or welfare of persons. The Director may also immediately suspend a User's discharge, after notice and opportunity to respond, that threatens to interfere with the operation of the POTW, or which presents or may present an endangerment to the environment.

**1.** Any User notified of a suspension of its discharge shall immediately stop or eliminate its contribution. In the event of a User's failure to immediately comply

voluntarily with the suspension order, the Director may take such steps as deemed necessary, including immediate severance of the sewer connection, to prevent or minimize damage to the POTW, the environment, or endangerment to any individuals. The Director may allow the User to recommence its discharge when the User has demonstrated to the satisfaction of the Director that the period of endangerment has passed, unless the termination proceedings in Subsection 1209.I of this chapter are initiated against the User.

**2.** A User that is responsible, in whole or in part, for any discharge presenting imminent endangerment shall submit to the Director, prior to the date of any show-cause or termination hearing under Subsections 1209.F or 1209.I of this chapter, a detailed written statement, describing the causes of the harmful contribution and the measures taken to prevent any future occurrence.

**3.** Nothing in this section shall be interpreted as requiring a hearing prior to any emergency suspension under this section.

**I. Termination of Discharge.** In addition to the provisions in Subsection 1204.E of this chapter, any User who violates the following conditions is subject to discharge termination:

**1.** Violation of wastewater discharge permit conditions;

**2.** Failure to accurately report the Wastewater constituents and characteristics of its discharge;

**3.** Failure to report significant changes in operations or Wastewater volume, constituents, and characteristics prior to discharge;

**4.** Refusal of reasonable access to the User's premises for the purpose of inspection, monitoring, or sampling; or

**5.** Violation of any Pretreatment Standard in Section 1201 of this chapter.

Such User will be notified of the proposed termination of its discharge and be offered an opportunity to show cause under Subsection 1209.F of this chapter why the proposed action should not be taken. Exercise of this option by the Director shall not be a bar to or a prerequisite for taking any other action against the User.

*(Ord. Nos. 17419, 19991; Ord. No. 22851, § 1, 3-28-2013)*

## Section 1210. Judicial enforcement remedies.

**A. Injunctive Relief.** When the Director finds that a User has violated or continues to violate any provision of this chapter, a wastewater discharge permit, or order issued hereunder, or any other Pretreatment Standard or requirement, the Director may petition the District Court for the issuance of a temporary or permanent injunction, as appropriate, which restrains or compels the specific performance of the wastewater discharge permit, order, or other requirement imposed by this chapter on activities of the User. The Director may also seek such other action as is appropriate for legal and/or equitable relief, including a requirement for the User to conduct environmental remediation. A petition for injunctive relief shall not be a bar against or a prerequisite for taking any other action against a User.

**B. Criminal Prosecution.**

**1.** A User who willfully or negligently violates any provision of this chapter, a wastewater discharge permit, or order issued hereunder, or any other Pretreat-

ment standard or requirement shall, upon conviction, be guilty of a misdemeanor, punishable by a fine and/or imprisonment in the manner set forth in Title 11-C, Subsection 1100.A of Tulsa's Revised Ordinances.

**2.** A User who willfully or negligently introduces any substance into the POTW which causes personal injury or property damage shall, upon conviction, be guilty of a misdemeanor and be subject to a penalty of up to the maximum set forth in Title 11-C, Subsection 1100.A of Tulsa's Revised Ordinances. This penalty shall be in addition to any other causes of action for personal injury or property damage available under state law.

**3.** A User who knowingly makes any false statements, representations, or certifications in any application, record, report, plan, or other documentation filed, or required to be maintained, pursuant to this chapter, wastewater discharge permit, or order issued hereunder, or who falsifies, tampers with, or knowingly renders inaccurate any monitoring device or method required under this chapter shall, upon conviction, be subject to fine and/or imprisonment in the manner set forth in Title 11-C, Subsection 1100.A of Tulsa's Revised Ordinances.

**C. Remedies Nonexclusive.** The remedies provided for in this chapter are not exclusive. The Director may take any, all, or any combination of these actions against a non-compliant User. Enforcement of Pretreatment provisions will be generally in accordance with the City's enforcement response plan. However, the Director may take other action against any User when the circumstances warrant. Further, the Director is empowered to take more than one (1) enforcement action against any noncompliant User.

*(Ord. Nos. 17419, 19991; Ord. No. 22851, § 1, 3-28-2013)*

**Section 1211. Supplemental enforcement action.**

**A. Reimbursement of Costs for Noncompliance.** The Director shall assess, to any User that the Director has determined to be in violation of any provision of this chapter, wastewater discharge permit or order issued hereunder, costs incurred by the City for such violation.

**B. Performance Bonds.** The Director may decline to issue or reissue a wastewater discharge permit to any User who has failed to comply with any provision of this chapter, a previous wastewater discharge permit, or order issued hereunder, or any other Pretreatment standard or requirement, unless such User first files a satisfactory bond, payable to the City of Tulsa, in a sum not to exceed a value determined by the Director to be necessary to achieve consistent compliance.

**C. Liability Insurance.** The Director may decline to issue or reissue a wastewater discharge permit to any User who has failed to comply with any provision of this chapter, a previous wastewater discharge permit, or order issued hereunder, or any other Pretreatment Standard or requirement, unless the User first submits proof that it has obtained financial assurances sufficient to restore or repair damage to the POTW caused by its discharge.

**D. Water Supply Termination.** Whenever a User has violated or continues to violate any provision of this chapter, a wastewater discharge permit, or order issued

hereunder, or any other Pretreatment Standard or requirement, water service to the User may be terminated. Service to User will be reinstated at the User's expense and only after it has demonstrated to the Director's satisfaction its ability to comply.

**E. Sewer Service Termination.** Whenever a User has violated or continues to violate any provision of this chapter, a wastewater discharge permit, or order issued hereunder, or any other Pretreatment Standard or requirement, sewer service to the User may be terminated. Service to User will be reinstated at the User's expense and only after it has demonstrated to the Director's satisfaction its ability to comply with such provisions.

**F. Contractor Listing.** Users that have not achieved compliance with applicable Pretreatment Standards and requirements may not be eligible to receive a contractual award for the sale of goods or services to the City. Existing contracts for the sale of goods or services with the City held by the User found to be in significant noncompliance with Pretreatment Standards or requirements may be terminated at the discretion of the Director.

**G. Decline Permit Issuance.** The Director may decline to issue or reissue an individual wastewater discharge permit to any User who has failed to pay any outstanding fees, fines or penalties incurred as a result of any provision of this ordinance, a previous individual wastewater discharge permit, or order issued hereunder.

*(Ord. No. 19991; Ord. No. 22851, § 1, 3-28-2013)*

**Section 1212. Affirmative defenses to discharge violations.**

**A. Upset.** For the purposes of this section, upset means an exceptional incident in which there is unintentional and temporary noncompliance with Pretreatment Standards because of factors beyond the reasonable control of the User. An upset does not include noncompliance to the extent caused by operational error, improperly designed treatment facilities, inadequate treatment facilities, lack of preventive maintenance, or careless or improper operation.

**1.** An upset shall constitute an affirmative defense to an action brought for noncompliance with Pretreatment Standards if the requirements of paragraph 1212.A.2 of this section are met.

**2.** A User who wishes to establish the affirmative defense of upset shall demonstrate through properly signed, contemporaneous operating logs or other relevant evidence that:

**a.** An upset occurred and the User can identify the cause(s) of the upset;

**b.** The facility was at the time being operated in a prudent and workmanlike manner and in compliance with applicable operation and maintenance procedures; and

**c.** The User has submitted the following information to the Director within twenty-four (24) hours of becoming aware of the upset (if this information is provided orally, a written submission must be provided within five (5) days):

(1) A description of the indirect discharge and cause of noncompliance;

(2) The period of noncompliance, including exact dates and times or, if not corrected, the anticipated time the noncompliance is expected to continue; and

(3) Steps being taken and/or planned to reduce, eliminate, and prevent recurrence of the noncompliance.

**3.** In any enforcement proceeding, the User seeking to establish the occurrence of an upset shall have the burden of proof.

**4.** Users will have the opportunity for a judicial determination on any claim of upset only in an enforcement action brought for noncompliance with Pretreatment Standards.

**5.** Users shall control production of all discharges to the extent necessary to maintain compliance with Pretreatment Standards upon reduction, loss, or failure of its treatment facility until the facility is restored or an alternative method of treatment is provided. This requirement applies in the situation where, among other things, the primary source of power of the treatment facility is reduced, lost, or fails.

**B. Bypass.** For the purposes of this section, bypass means the intentional diversion of wastestreams from any portion of a User's treatment facility. Severe property damage means substantial physical damage to property, damage to the treatment facilities, which causes them to become inoperable, or substantial and permanent loss of natural resources, which can reasonably be expected to occur in the absence of a bypass. Severe property damage does not mean economic loss caused by delays in production.

Users may allow any bypass to occur which does not cause Pretreatment Standards or requirements to be violated, but only if it also is for essential maintenance to assure efficient operation. These bypasses are not subject to the provisions of paragraphs (1) and (2) of this section.

**1. Notification of Bypass.**

**a.** If a User knows in advance of the need for a bypass, it shall submit prior notice to the Director, at least ten (10) days before the date of the bypass, if possible.

**b.** A User shall submit oral notice to the Director of an unanticipated bypass that exceeds applicable Pretreatment Standards, which notice shall be within twenty-four (24) hours from the time the User becomes aware of the bypass. A written submission shall also be provided within five (5) days of the time the User becomes aware of the bypass. The written submission shall contain a description of the bypass and its cause; the duration of the bypass, including exact dates and times, and, if the bypass has not been corrected, the anticipated time it is expected to continue; and steps taken or planned to reduce, eliminate, and prevent recurrence of the bypass. The Director may waive the written report on a case-by-case basis, if the oral report has been received within twenty-four (24) hours.

**2. Prohibition of Bypass.**

**a.** Bypass is prohibited, and the Director may take enforcement action against a User for a bypass, unless:

(1) Bypass was unavoidable in order to prevent loss of life, personal injury, or severe property damage;

(2) There were no feasible alternatives to the bypass, such as the use of auxiliary treatment facilities, retention of untreated wastes, or maintenance

during normal periods of equipment downtime. This condition is not satisfied if adequate back-up equipment should have been installed in the exercise of reasonable engineering judgment to prevent a bypass which occurred during normal periods of equipment downtime or preventive maintenance; and

(3) The User submitted notices as required under paragraph 1212.B.1. of this section.

**b.** The Director may approve an anticipated bypass, after considering its adverse effects, if the Director determines that it will meet the three (3) conditions listed in paragraph 1212.B.2.a of this section.

*(Ord. No. 19991; Ord. No. 22851, § 1, 3-28-2013)*

## Section 1213. Permit fees.

Except as superseded by fees established in Title 49 Tulsa Revised Ordinances, the Director shall assess fees for the issuance and renewal of Wastewater Discharge Permits not to exceed the amounts stated in the following schedules.

**A.** For users inside the corporate limits of the City of Tulsa:

| | | |
|---|---|---|
| **1.** | Initial permit | $500.00 |
| **2.** | Permit renewal | $250.00 |

**B.** For users outside the corporate limits of the City of Tulsa:

| | | |
|---|---|---|
| **1.** | Initial permit | $750.00 |
| **2.** | Permit renewal | $375.00 |

*(Ord. No. 19991; Ord. No. 22851, § 1, 3-28-2013)*

## CHAPTER 13. RESTRICTED USE OF WATER IN TIMES OF SHORTAGES

Section 1300. Definitions.
Section 1301. Mayor authorized to implement water conservation measures.
Section 1302. Property identified by street address numbers.
Section 1303. Deliverability filed in the Office of the City Clerk.
Section 1304. Conditions for imposing restrictions.
Section 1305. Stage 1—Voluntary restrictions.
Section 1306. Stage 2—Mandatory restriction of outside watering to every other day.
Section 1307. Stage 3—Mandatory restrictions of outside watering to every other day with a hand-held hose.
Section 1308. Stage 4—Mandatory curtailment of outside watering.
Section 1309. Permitted exceptions.
Section 1310. Civil emergency.
Section 1311. Penalty.

### Section 1300. Definitions.

The following terms, whenever used or referred to in this chapter shall be construed to have the meanings given herein, unless a different intent clearly appears from the context.

**A.** **Clerk** shall mean the Clerk of the City of Tulsa.

**B.** **Council** shall mean the Council of the City of Tulsa.

**C.** **City** shall mean the City of Tulsa, Oklahoma, a municipal corporation.

**D.** **Civil emergency** shall mean an armed conflict, civil disorder, natural disaster or any other act, event or occurrence which may affect the public health, safety and welfare during the period of the emergency.

**E.** **Deliverability** shall mean the ability of the City of Tulsa to deliver potable water to its water customers by means of its water system and shall be expressed in millions of gallons per day (mgd).

**F.** **Director of Public Works** shall mean the duly appointed Director of Public Works of the City of Tulsa or his authorized representative.

**G.** **Mayor** shall mean the Mayor of the City of Tulsa or his authorized representative.

**H.** **Outside watering** shall mean any use of City water outside a structure or building and shall include the washing or sprinkling of streets, driveways, parking lots or service station aprons.

**I.** **Utility Board** shall mean the Tulsa Utility Board.

**J.** **Water, watering or water usage** shall mean and refer to water furnished by the City of Tulsa.

**K.** **Water system** shall include the City of Tulsa's water supply and shall mean the entire means of capturing, storing, transporting, treating and distributing water owned by the City of Tulsa.

*(Ord. No. 17439)*

### Section 1301. Mayor authorized to implement water conservation measures.

The Mayor is hereby authorized to restrict or prohibit the use of water for certain purposes under the circumstances and in the manner as hereinafter set forth by filing an order in the

office of the City Clerk. Each such order shall be accompanied by a written report which shall set out the criteria utilized and the data relied upon in issuing the order. The Clerk shall immediately transmit the order to the Council and the Utility Board and shall make the same available for public inspection. Each such order shall be published in at least one (1) newspaper of general circulation within the City and shall be effective from and after publication. The Mayor may give such other notice of the order to the public as he determines necessary or desirable. Each such order shall have the force and effect of law until terminated by the Mayor or by affirmative vote of the Council.

*(Ord. No. 17439)*

**Section 1302. Property identified by street address numbers.**

For the purposes of implementing restrictions on outside watering, all property within the City shall be identified by street address numbers. Apartments, office building complexes or other property containing multiple street addresses shall be identified by the lowest street address number contained therein. Where there are no address numbers or where it is not feasible to use an address number, the Mayor shall assign an address number.

When outside watering is restricted to every other day, those customers whose street address ends with an odd number shall be permitted such water usage on odd numbered calendar days and those customers whose street address ends with an even number shall be permitted such water usage on even numbered calendar days.

*(Ord. No. 17439)*

**Section 1303. Deliverability filed in the Office of the City Clerk.**

The Director of Public Works shall file with the City Clerk the current deliverability of the City's water system expressed in millions of gallons per day (mgd). In the event of a change of the water system's deliverability, the Director shall file with the Clerk the then current deliverability.

*(Ord. No. 17439)*

**Section 1304. Conditions for imposing restrictions.**

Upon a determination by the Mayor of the existence of the conditions described herein, the Mayor shall take action necessary as hereinafter provided to protect the public health, safety and welfare.

*(Ord. No. 17439)*

**Section 1305. Stage 1—Voluntary restrictions.**

**A. Conditions.** The conditions for Stage 1 shall exist when water usage reaches ninety-four percent (94%) of deliverability each day for two (2) consecutive days.

**B. Voluntary conservation.** Upon the occurrence of the conditions for Stage 1, the Mayor may, through appropriate means, call upon the general population to conserve water voluntarily by limiting outside watering to the hours between midnight and noon every other day.

**C. Termination.** Stage 1 shall terminate when the Mayor shall file an order with the City Clerk, finding that the conditions for Stage 1 no longer exist.

*(Ord. No. 17439)*

**Section 1306. Stage 2—Mandatory restriction of outside watering to every other day.**

**A. Conditions.** The conditions for Stage 2 shall exist when water usage reaches ninety-seven percent (97%) of deliverability each day for two (2) consecutive days.

**B. Mandatory restrictions.** Upon the occurrence of the conditions for Stage 2, the Mayor may order the mandatory restriction of outside watering to the hours between midnight and noon every other day.

**C. Termination.** Stage 2 shall terminate when the Mayor shall file an order with the City Clerk and cause the same to be published in a newspaper of general circulation within the City, finding that the conditions for Stage 2 no longer exist; provided, however, that the Mayor may in such order call upon the general population to voluntarily conserve water as provided in Stage 1 herein.

*(Ord. No. 17439)*

**Section 1307. Stage 3—Mandatory restrictions of outside watering to every other day with a hand-held hose.**

**A. Conditions.** The conditions of Stage 3 shall exist when water usage reaches one hundred percent (100%) of deliverability each day for two (2) consecutive days.

**B. Mandatory restrictions.** Upon the occurrence of the conditions for Stage 3, the Mayor may order the mandatory restriction of outside watering to the hours between midnight and noon every other day by hand-held hose only.

**C. Termination.** Stage 3 shall terminate when the Mayor shall file an order with the City Clerk and cause the same to be published in a newspaper of general circulation with the City, finding that the conditions for Stage 3 no longer exist; providing, however, that the Mayor may in such order impose the restrictions of Stage 2 or may call upon the general population to voluntarily conserve water as provided in Stage 1 herein.

*(Ord. No. 17439)*

**Section 1308. Stage 4—Mandatory curtailment of outside watering.**

**A. Conditions.** The conditions of Stage 4 shall exist when water usage exceeds deliverability each day for two (2) consecutive days.

**B. Mandatory curtailment.** Upon the occurrence of the conditions for Stage 4, the Mayor may prohibit all outside watering.

**C. Termination.** Stage 4 shall terminate when the Mayor shall file an order with the City Clerk and cause the same to be published in a newspaper of general circulation within the City, finding that the conditions for Stage 4 no longer exist; provided, however, that the Mayor may in such order impose the restrictions of Stage 3 or Stage 2 or may call upon the general population to voluntarily conserve water as provided in Stage 1 herein.

*(Ord. No. 17439)*

**Section 1309. Permitted exceptions.**

**A.** In the mandatory restrictions of water usage in Stages 2, 3 and 4 as provided herein, the Mayor may allow the following:

**1.** Outdoor watering between the hours of midnight and noon by a bucket not exceeding a capacity of five (5) gallons, filled without the use of a hose;

**2.** The use of water for construction, commercial or processing purposes;

**3.** The use of water for golf greens;

**4.** The use of water by the person, firm or corporation installing or repairing sprinkler or irrigation systems for the purposes of testing such installation or repair; provided, however, that such test shall not exceed two (2) minutes in duration;

**5.** Any watering or sprinkling with water obtained from a well, provided that the premises have posted in a conspicuous location upon the premises a sign stating that well water is being so used; it shall be a violation of this ordinance for any person to post a sign which states or implies that well water is being used when water is obtained from the water system of the City;

**6.** The washing of automobiles, trucks, trailers, boats, airplanes or other types of mobile equipment upon the immediate premises of commercial car washes, commercial service stations and the washing of commercial motor vehicles used in the transportation of food, food products and perishables, and the washing of commercial garbage pickup motor vehicles;

**7.** The watering by commercial nurseries, commercial landscaping companies and commercial sod farmers with water obtained from their own immediate premises;

**8.** The watering or sprinkling of foundations of homes or apartments; and

**9.** The use of water to alleviate immediate fire, health or safety hazards.

**B.** In the mandatory restrictions of water usage in Stages 2, 3 and 4 as provided herein, the watering for the installation of shrubbery, trees, lawns, grass, plants or other vegetation by commercial nurseries, commercial landscaping companies and commercial sod farmers may be allowed during installation and for a period of ten (10) days following the completion of the installation as follows:

**1.** The commercial nursery, commercial landscaping company or commercial sod farmer responsible for the installation shall make an application for a permit to the Director of Public Works upon a form provided therefor.

**2.** The application shall state:

**a.** The name of the persons or company making the installation,

**b.** The name of the owner of the premises on which the installation shall occur,

**c.** The address of the premises on which the installation shall occur,

**d.** A description of the type, number or nature of the vegetation installed, and

**e.** The date on which the installation shall commence and the date on which the installation shall be completed, which dates shall be no more than five (5) calendar days apart.

**3.** The Director of Public Works shall charge and receive a fee of Thirty-Five Dollars ($35.00) to cover the cost of processing and issuing the permit.

If it shall be determined by the Director of Public Works that the facts stated in the application are correct, he shall cause to be issued a permit of a size and composition sufficient to allow the permit to be placed or posted in a conspicuous place on the premises. The permit shall show the date of issue, the date the installation is to

commence, the date the installation is to be completed, the date of expiration of the permit, the address for which the permit is issued and the nature, number and type of the new vegetation being installed.

*(Ord. No. 17439)*

**Section 1310. Civil emergency.**

In the event of a civil emergency as herein defined, the Mayor may order such restrictions or curtailment of the use of water as necessary to preserve and protect the public health, safety and welfare and shall cause his order to be published in a newspaper of general circulation within the City; provided, however, that in the event the Mayor shall order measures more restrictive than those contained in the provisions for Stage 4 herein, the Mayor shall immediately call a special meeting of the Council. The Mayor's emergency order shall be effective when issued and shall remain in effect until the Council has met and has taken appropriate action.

*(Ord. No. 17439)*

**Section 1311. Penalty.**

Any individual, person, firm, corporation, association or other individual using City water in violation of any portion of this ordinance or in violation of any order of the Mayor as authorized herein shall be deemed guilty of an offense, and upon conviction thereof, shall be punished by a fine of not less than One Hundred Dollars ($100.00) nor more than Five Hundred Dollars ($500.00), excluding costs, and/or by imprisonment in the City jail for a period of not more than thirty (30) days. The violation of each provision and each separate violation shall be deemed a separate offense and shall be punished accordingly.

*(Ord. No. 17439)*

## CHAPTER 14. GREASE HANDLING AND HAULING

Section 1400. General provisions.
Section 1401. Definitions.
Section 1402. Grease hauler permit application procedures.
Section 1403. Grease hauler permits.
Section 1404. Grease hauler and servicing requirements.
Section 1405. Reporting and record keeping requirements.
Section 1406. Compliance inspections and monitoring.
Section 1407. Permit termination.
Section 1408. Enforcement remedies.
Section 1409. Permit fees

### Section 1400. General provisions.

**A. Purpose and policy.** This chapter sets forth uniform requirements for grease haulers that provide services to establishments within the City of Tulsa's Publicly Owned Treatment Works (POTW) service area. The objectives of this chapter are:

**1.** To minimize the introduction of pollutants, especially fats, oil and grease (FOG), into the City of Tulsa's POTW that could potentially interfere with its operation.

**2.** To minimize the occurrence of Sanitary Sewer Overflows (SSOs) due to FOG buildup in the POTW's collection system.

**3.** To promote the proper maintenance of grease traps and the proper handling, disposal and tracking of related waste.

**4.** To promote the use of pollution prevention and related best management practices in the food handling and related waste hauling businesses.

This chapter shall apply to all grease trap servicing, grease trap waste hauling and related waste disposal entities operating or performing services within the POTW service area, except where those services are performed at facilities that possess a valid industrial wastewater discharge permit pursuant to Chapter 12 of this title. This chapter authorizes the issuance of grease hauler permits; provides for inspections, compliance and enforcement activities; establishes administrative review procedures; requires hauler reporting; provides for the setting of grease trap waste hauler permit fees; and encourages the use of pollution prevention practices.

**B. Administration.** Except as otherwise provided in this chapter, the Director of the Public Works and Development Department of the City of Tulsa shall administer, implement and enforce the provisions of this chapter. Any powers granted to or duties imposed upon the Director may be delegated by the Director to other personnel of the Public Works and Development Department.

*(Ord. Nos. 20910, 21392)*

### Section 1401. Definitions.

Unless a provision explicitly states otherwise, the following terms and phrases, as used in this chapter, shall have the meanings ascribed below:

**Authorized representative of the business** shall mean:

**A.** If the business is a corporation:

**1.** The president, secretary, treasurer or a vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision-making functions for the corporation.

**2.** The manager of one (1) or more manufacturing, production or operating facilities, provided the manager is authorized to make management decisions governing the operation of the regulated facility.

**B.** If the business is a partnership or sole proprietorship: a general partner or proprietor, respectively.

**C.** If the business is a limited liability company: any managing member.

**D.** If the business is a federal, state or local governmental facility: a director or highest official appointed or designated to oversee the operation and performance of the activities of the government facility, or their designee.

The individuals described in paragraphs A through D, above, may designate another authorized representative using protocols required by the Director.

**City or Approval Authority.** The City of Tulsa, Oklahoma, a municipal corporation or the Tulsa Metropolitan Utility Authority.

**Director** shall mean the Director of the City of Tulsa's Public Works and Development Department or the person succeeding to the Director's duties and functions, by whatever name known, or the Director's designated representative.

**Fats, oil and grease or FOG** shall mean any material either liquid or solid composed primarily of fat, oil and grease from animal or vegetable sources. For purposes of this chapter, the terms FOG and grease may be used interchangeably.

**Grease trap** shall mean any device designed to collect, contain or remove food wastes and fatty oil and grease from the wastewater prior to discharge into the POTW. These devices shall include but not be limited to grease interceptors, large containment boxes commonly outside of a facility and smaller containment boxes commonly inside a facility and under sinks.

**Grease trap waste hauler, or grease hauler, or hauler** shall mean any person or entity involved in the routine servicing, cleaning or removal of food waste, fatty oil, grease or FOG from a grease trap.

**Indirect discharge or discharge** shall mean the introduction of wastewater into the POTW.

**Person or entity** shall mean any individual, partnership, co-partnership, firm, limited liability company, corporation, association, joint stock company, trust, estate, governmental entity or any other legal entity; or their legal representatives, agents or assigns. This definition shall include all federal, state and local governmental entities.

**Publicly owned treatment works or POTW** shall mean any treatment works, as defined by Section 212 of the Clean Water Act (33 U.S.C., § 1292), which is owned or operated by the City. This definition shall include any devices or systems used in the collection, storage, treatment, recycling and reclamation of sewage or industrial wastes of a liquid nature and any conveyances of wastewater to a treatment plant.

**Sanitary sewer overflow or SSO** shall mean any unintentional discharge or bypass of raw sewage from a municipal sanitary sewer.

**Sewage** shall mean any human excrement or gray water, including but not limited to showers, dishwashing operations and similar wastewater.

**Storm sewer system** shall mean any conveyance or system of conveyances, including but not limited to roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, man-made channels or storm drains that are owned or operated by the City and are designed or used for collecting or conveying stormwater.

**Wastewater** shall mean any liquid and water-carried wastes and sewage from residential dwellings, commercial buildings and manufacturing facilities, and institutions, whether treated or untreated, which are discharged into the POTW.

*(Ord. Nos. 20910, 21392)*

**Section 1402. Grease hauler permit application procedures.**

**A. Application required.** All persons required to have a grease hauler permit shall apply for the permit before collecting or transporting FOG waste originating within the POTW service area for disposal at an approved disposal site.

**B. Permit application components and procedures.** The components and procedures for a grease hauler's permit shall include, but not be limited to, the following requirements before a permit shall be issued:

**1.** Submission of a completed permit application on a form provided by the Director.

**2.** Submission of a permit application fee and additional vehicle fees as provided in Section 1409 of this chapter.

**3.** A statement of the person's or company's name, address, telephone number and date of application; provided that the Director may require additional information regarding officers, general partners or other controlling participants in a business.

**4.** Identification of the individual providing the information, submission date and the individual's title and telephone number.

**5.** A description of activities and processes performed in the servicing and hauling of FOG, related equipment and any facilities related to these activities or processes.

**6.** Identification of all hauling vehicles owned or operated by the applicant, including the vehicle identification number (VIN), registration license plate number, make, model, model year and tank holding capacity.

**7.** A list of all approved treatment or disposal sites the hauler anticipates using. An amended list shall be provided to the Director or the Director's designated representative prior to a hauler using any additional approved treatment or disposal facilities.

**8.** A listing of all types of wastes that will be hauled.

**9.** The applicant shall demonstrate to the Director that the applicant and applicant's drivers have sufficient knowledge of the vehicles they operate, procedures required for client service, materials to be handled and other requirements to assure the proper servicing and handling of applicable wastes.

**10.** A certification statement signed by an authorized representative of the business that all of the information provided on the application is true and correct.

**11.** Any other information deemed necessary by the Director to satisfy the purposes and policies of this chapter.

**C. Denial of permit application.** The Director will evaluate the information furnished by the applicant and may require additional information deemed necessary to satisfy the purposes and policies of this chapter. The Director shall have the authority to deny any application for a grease hauler permit that is insufficient.

**D. Permit renewal application.** A grease hauler permit shall be valid for a period of one (1) year from the date issued. A grease hauler shall apply for a permit renewal, at least thirty (30) days prior to an existing permit's expiration. Permit renewal shall be in a form and manner prescribed by the Director and may contain all or any portion of the original permit application requirements.

*(Ord. Nos. 20910, 21392)*

**Section 1403. Grease hauler permits.**

**A. Grease hauler permit required.** It shall be unlawful and an offense for any person to collect or dispose of grease trap wastes within the POTW service area unless such person possesses a valid grease hauler's permit as provided for in this chapter. Possession of a grease hauler's permit shall not relieve the permit holder of any obligations to comply with all federal, state and local laws and regulations including but not limited to applicable pretreatment standards and stormwater regulations.

**B. Grease hauler permit contents.** In addition to other requirements provided by law, a grease hauler permit may include, but shall not be limited to the following:

**1.** The effective and expiration date of the permit.

**2.** Permit holder's name, address, contact names and other information that may facilitate contact with the permit holder.

**3.** Applicable legal authority.

**4.** A statement of non-transferability.

**5.** Permit renewal requirements.

**6.** Definitions.

**7.** A listing of authorized vehicles for grease hauling or servicing.

**8.** Specific prohibitions and procedures for grease hauling and servicing.

**9.** A statement of applicable civil and criminal penalties for permit violations.

**10.** Any requirements, limitations or conditions deemed necessary by the Director to satisfy the purposes and policies of this chapter.

**11.** A statement of the authority and criteria for the Director to modify, cancel, suspend or revoke a permit.

**12.** Reporting and record keeping requirements.

**13.** Discharge prohibitions.

**14.** The signature of Approval Authority.

**C. Grease hauler permit transfer.** A grease hauler permit shall not be reassigned, transferred, sold, traded or sublet by a permit holder.

**D. Grease hauler permit modification.** The Director may modify a grease hauler permit for good cause, including but not limited to the following:

**1.** Violation of any terms or conditions of the grease hauler permit.

**2.** Misrepresentations or failure to fully disclose all relevant facts in the permit application or in any required reporting.

**3.** To correct typographical or other errors in the permit.

**4.** To respond to requests of the permit holder for modifications.

**E. Grease hauler permit denial, cancellation, suspension or revocation.** The Director may deny, cancel, suspend or revoke a grease hauler permit for good cause, including but not limited to the following:

**1.** Violation of any requirement, term or condition of this chapter, a grease hauler permit or any order issued by the Director.

**2.** Obtaining a permit by misrepresentation or failure to fully disclose all relevant facts in either the permit application or any required report.

**3.** Falsification by the permit holder of any permit, report, manifest information or records required by the permit or this chapter.

**4.** Failure to supply information required pursuant to Section 1405 of this chapter.

**5.** Cessation of operations, transfer of business ownership or the issuance of a new permit.

**6.** Refusing to allow the Director reasonable access to the permit holder's operations and equipment.

**7.** Failure to complete a grease hauler permit renewal application or manifest, as required.

**8.** Violation of any terms of a grease hauler permit or this chapter.

**9.** Failure to provide information requested by the Director.

**F.** As used in this chapter, the cancellation, suspension or revocation of a permit shall have the meaning ascribed as follows:

**1.** Cancellation shall render a permit holder's permit null and void from the date of issuance and a permit may only then be issued upon the submission of a new application accompanied by all appropriate fees.

**2.** Suspension shall bar a permit holder from the privilege of engaging in the business of a grease hauler during the period of suspension. Following the expiration of a suspension period a permit holder may resume grease hauler privileges.

**3.** Revocation shall withdraw and nullify the permit holder's privilege to engage in the business of a grease hauler for the period of revocation. Following the expiration of a revocation period, a permit holder may resume grease hauler privileges only upon the submission of a new application, accompanied by all appropriate fees, and the subsequent issuance of a new permit.

*(Ord. Nos. 20910, 21392)*

### Section 1404. Grease hauler and servicing requirements.

Every grease hauler shall comply with the following hauling and servicing requirements:

**A.** All vehicle operators, equipment and vehicles operated by or utilized to transport or dispose of grease trap wastes shall comply with all current federal, state and local laws and licenses.

**B.** Before accepting a load of liquid waste, a grease hauler shall determine the nature of the liquid waste and whether the hauler's equipment is sufficient to properly handle its transportation without spillage, leaks or release of toxic, odorous or harmful gasses.

**C.** A grease hauler shall ultimately remove all contents from the grease trap upon the completion of servicing.

**D.** A grease hauler shall not empty liquid wastes into a generator's solid waste receptacles.

**E.** A grease hauler shall maintain tanks, pumps, valves, hoses, racks, cylinders, diaphragms, pipes, connections and other appurtenances on a vehicle in good repair and free from leaks.

**F.** A plug or cap shall be in place for each tank of a grease-hauling vehicle.

**G.** A grease hauler shall immediately remediate all spillages.

**H.** It shall be unlawful and an offense for any grease hauler to discharge any FOG, sewage or other grease trap waste into the POTW or the storm sewer system.

**I.** Grease haulers should inspect a grease trap for defects and notify the generator, if found.

**J.** All wastes collected by a grease hauler shall be disposed of at a facility permitted, licensed, certified or approved for receipt of such wastes.

*(Ord. Nos. 20910, 21392)*

### Section 1405. Reporting and record keeping requirements.

**A. General reporting requirements.**

**1.** A grease hauler shall immediately report to the Director any violation of this chapter, any grease hauler permit or any order issued by the Director.

**2.** A grease hauler shall report any changes in company contact names or phone numbers to the Director.

**3.** A grease hauler shall maintain a summary log of hauling services the contents and frequency of which shall determined by the Director.

**4.** All required reporting shall be accurate, complete and consistent with the corresponding manifests.

**B. Grease hauling and servicing manifests required.** Every grease hauler shall maintain a grease hauler's manifest, which shall be purchased from the City of Tulsa. A grease hauler shall turn in a properly completed manifest book prior to issuance of a new book. A manifest book shall be assigned to a specific vehicle and shall be used exclusively for that vehicle. A limited number of books will be distributed for each vehicle, as determined by the Director.

**1.** Manifest contents and requirements shall be determined by the Director, but at a minimum shall include an itemized listing of each distinct point of service, the date and time services were rendered and the location, date and time of disposal.

**2.** A grease hauler shall complete one (1) manifest trip ticket for each individual collection.

**3.** Manifests shall be distributed as follows:

**a.** The original page shall be given to the generator after cleaning of the grease trap(s) has been completed and the generator and the hauler have signed it.

**b.** The first copy shall be given to the disposal facility at the time of waste delivery and after the disposal facility's representative has signed it.

**c.** The second copy shall be retained by the grease hauler after disposal.

**d.** The third copy shall be returned to the generator by the grease hauler within fifteen (15) days after the waste was received at the disposal facility.

**e.** The fourth (last) copy shall be retained in the grease hauler's manifest book.

**4.** It shall be unlawful and an offense for grease hauler to collect any grease trap waste from a generator without the proper completion of a manifest.

**5.** The grease hauler shall note any obvious grease trap defects or problems on the manifest.

**C. Record keeping.** All records required pursuant to this chapter shall be retained by a grease hauler for five (5) years. All records shall be available for copying and inspection by the Director.

*(Ord. Nos. 20910, 21392)*

**Section 1406. Compliance inspections and monitoring.**

**A. Right of access.**

**1.** The Director shall have the right to reasonable access for inspecting the operations, equipment or service vehicles owned or operated by a permitted grease hauler.

**2.** The Director shall have the right to reasonable access for the taking of any samples of fluids related to a permitted grease hauler's business.

**3.** Unreasonable delays in allowing the Director access to the items above shall be a violation of this chapter.

**B. Inspections.** All permitted service vehicles shall be subject to reasonable periodic inspections.

*(Ord. Nos. 20910, 21392)*

**Section 1407. Permit termination.**

**A.** A permit holder shall immediately notify the Director in writing when the grease hauler's business is sold or ceases to operate.

**B.** In addition to written notification, the permit holder shall make available all original's of completed manifests.

**C.** Every grease hauler's permit shall be invalid upon the sale or cessation of operation of the grease hauler's business.

*(Ord. Nos. 20910, 21392)*

**Section 1408. Enforcement remedies.**

**A. Notice of violation.** When the Director finds that a grease hauler has violated or continues to violate any provision of this chapter, a grease hauler permit or order

issued hereunder, the Director may serve upon that hauler a written notice of violation. The Director may require the submission of a written explanation of the violation and a plan for its satisfactory correction and prevention, within a time frame specified by the Director. Submission of this plan shall in no way relieve the hauler of liability for any violations occurring before or after receipt of the notice of violation. Nothing in this section shall limit the authority of the Director to take any action, including emergency actions or any other enforcement action, without first issuing a notice of violation.

**B. Administrative fines.**

**1.** Whenever the Director shall find that a grease hauler has violated or continues to violate any provision of this chapter, a grease hauler's permit or order issued hereunder, the Director, in the Director's discretion, may impose upon such hauler a civil fine in an amount not to exceed Five Hundred Dollars ($500.00) per day. Such fines may be assessed on a per violation basis.

**2.** Notice of an administrative fine shall be served personally on the grease hauler or by certified mail, return receipt requested. Payment of the fine shall be to the City of Tulsa and shall be received by the Director within fifteen (15) days after notice is served.

**3.** Failure to submit payment of an administrative fine within fifteen (15) days shall be considered a violation of this chapter, unless the assessment of the fine has been properly appealed prior to the payment date.

**4.** Issuance of an administrative fine shall not be a bar against or a prerequisite for taking any other action against the hauler.

**C. Appeals.** A grease hauler may appeal any notice of violation, administrative fine, permit denial, cancellation, suspension or revocation, or Contractor De-Listing Order issued by the Director pursuant to Subsections 1403.E, 1408.A, 1408.B and 1408.G.

**1.** Persons desiring to appeal such actions shall file a written request stating the grounds for the Director to reconsider the action taken within fifteen (15) days of being notified of the action. Upon receipt of an appeal request, the Director shall convene a hearing on the matter. In the event the hauler's appeal is successful, the Director may modify or withdraw the notice or fine.

**2.** The Director's decisions to deny an appeal or to withdraw or modify an enforcement action shall be considered final, unless a written notice for an appeal to the Tulsa Metropolitan Utility Authority is filed with the City Clerk's office within fifteen (15) days after service on the appellant of the Director's decision or the denial of the appeal due to the Director's failure to act. A hearing on the appeal shall be conducted by the Authority no later than thirty (30) days from the date the notice of appeal was filed with the City Clerk. The Authority shall have jurisdiction to affirm, modify, reverse or remand the action of the Director.

**3.** Within fifteen (15) days following the Utility Authority's action, any party adversely affected by the Utility Authority's action may appeal to the City Council by filing a notice of appeal in the office of the City Clerk and mailing notice to other interested parties and the Director. Such notice shall specify the grounds for the appeal.

4. A hearing on the appeal shall be conducted by the Council no later than thirty (30) days from the date the notice of appeal was filed with the City Clerk. The City Council shall have jurisdiction to affirm, modify, reverse or remand the action of the Director.
5. The enforcement of any notice of violation, administrative fine, permit denial, cancellation, suspension or revocation, or Contractor De-Listing Order issued by the Director shall be automatically stayed during the pendency of an appeal until the Director's action becomes final or the City Council has rendered a final decision.

**D. Injunctive relief.** When the Director finds that a hauler has violated or continues to violate any provision of this chapter, a grease hauler permit or order issued hereunder, the Director may, as authorized by the Mayor, seek injunctive relief, which restrains or compels the specific performance of the grease hauler permit, order or other requirement imposed by this chapter. The Director may also seek such other action as is appropriate for legal or equitable relief.

**E. Criminal prosecution.**

1. It shall be unlawful and a misdemeanor offense for any person to violate any of the provisions of this chapter, a grease hauler permit or an order issued pursuant to this chapter. Any person, convicted of such a violation shall be guilty of a misdemeanor offense and shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments, or by imprisonment in the City jail for a period not exceeding ninety (90) days, or by both such fine and imprisonment. Each day, or portion thereof, during which a violation is committed, continued or permitted shall be deemed a separate offense.
2. It shall be unlawful and a misdemeanor offense regarding the pretreatment of wastewater for any grease hauler to willfully or negligently discharge any substance into the POTW. Any grease hauler, convicted of such a violation shall be guilty of a misdemeanor offense and shall be punished by a fine of not more than One Thousand Dollars ($1,000.00), excluding costs, fees and assessments, or by imprisonment in the City jail for a period not exceeding ninety (90) days, or by both such fine and imprisonment. Each day, or portion thereof, during which a violation is committed, continued or permitted shall be deemed a separate offense. This penalty shall be in addition to any other causes of action for personal injury or property damage available under law.
3. It shall be unlawful and a misdemeanor offense for any grease hauler to knowingly make any false statements, representations or certifications in any application, record, report, plan or other documentation filed, or required to be maintained, pursuant to this chapter, a grease hauler's permit, or an order issued hereunder, or for any grease hauler to falsify, tamper with or knowingly render inaccurate any monitoring device or method required under this chapter. Any grease hauler, convicted of such a violation shall be guilty of a misdemeanor offense and shall be punished by a fine of not more than Five Hundred Dollars ($500.00), excluding costs, fees and assessments, or by imprisonment in the City jail for a period not exceeding ninety (90) days, or by both such fine and imprisonment.

**F. Remedies nonexclusive.** The remedies provided for in this chapter are not exclusive. The Director may take any, all or any combination of these actions against a non-compliant hauler.

**G. Contractor de-listing.** Grease haulers that fail to comply with provisions of this chapter, or conditions of a grease hauler's permit may, pursuant to a De-Listing Order issued by the Director, be designated as ineligible to receive a contractual award for the sale of goods or services to the City. Existing contracts for the sale of goods or services with the City held by the hauler found to be in significant noncompliance with provisions of this chapter, or conditions of a grease hauler permit may be terminated at the discretion of the Mayor.

*(Ord. Nos. 20910, 21392)*

## Section 1409. Permit fees

The Director shall assess fees for the issuance and renewal of grease hauler permits in the amounts stated in the following schedule:

Initial Permit.....$100.00 (including one vehicle)

Permit Renewal .....$100.00 (including one vehicle)

Hauler Vehicle Approval.....$35.00 for each additional vehicle

*(Ord. Nos. 20910, 21392)*

## CHAPTER 15. NET-ZERO WATER PROJECTS

Section 1500. Title; overview and purpose.
Section 1501. Definitions.
Section 1502. Net-zero water projects.

### Section 1500. Title; overview and purpose.

**A. Title.** This chapter may be cited as the "Net-Zero Water Projects Ordinance."

**B. Overview and purpose.** The Net-Zero Water Projects Ordinance is hereby adopted to establish an alternative method of providing potable water other than by connection to the City of Tulsa or other municipal water supply, and for an alternative method of treating and disposing of wastewater other than by connection to the sanitary sewer system of the City of Tulsa or other municipal sanitary sewer system, for particular projects authorized and approved as herein provided.

*(Ord. No. 24169, § 1, 7-10-2019)*

### Section 1501. Definitions.

For the purposes of this chapter, the following words and terms have the meanings ascribed to them by this section; words and terms not defined in this section shall have the meanings given to them if defined elsewhere in the Revised Ordinances of the City of Tulsa, and if not defined elsewhere in the Revised Ordinances of the City of Tulsa, then words or terms not defined herein shall have the meanings given to them by the laws and administrative regulations of the State of Oklahoma, and by common and ordinary usage:

**A. Aerobic sewage treatment system:** A private on-site sewage treatment system approved by the Oklahoma Department of Environmental Quality that uses forced air to treat gray water and sewage and which utilizes surface application or drip irrigation to disperse treated gray water and sewage.

**B. Applicant:** A person, firm, corporation, or other legal entity, acting personally or as an agent, seeking approval of a Net-Zero Water Project.

**C. Building permit:** Formal written permission by the City of Tulsa to perform construction, alteration, repair or related activities within the municipal limits of the City of Tulsa or within its jurisdictional control, as required by Ordinance.

**D. City:** The City of Tulsa, Oklahoma, acting through its authorized officers, employees and agents and including the Tulsa Metropolitan Utility Authority.

**E. Composting toilet:** A type of toilet that treats human excreta by a biological process utilizing oxygen, heat and moisture called composting, leading to the decomposition of organic matter that turns human excreta into compost.

**F. DEQ:** The Oklahoma Department of Environmental Quality, or its successor.

**G. Development Services Department:** The department of the City of Tulsa having jurisdiction and control over the issuance of building permits, occupancy permits, and similar permits and approvals for the construction of buildings and improvements.

**H. Domestic sewage lagoon:** A total retention domestic sewage treatment pond, approved in accordance with Chapter 10 of Title 17 of TRO.

**I. Gray water:** Untreated household wastewater that has not come into contact with toilet waste and includes wastewater from bathtubs, showers, washbasins, lavatories, clothes washing machines and laundry tubs, kitchen sinks and dishwashing machines, but excludes wastewater containing human excreta.

**J. Health Department:** The Tulsa City-County Health Department, or its successor.

**K. Human excreta:** The bowel and kidney discharges of human beings.

**L. Net-zero water project:** A project that is designed to utilize water generated or collected on-site to be treated on-site to produce potable water for all water needs at the project location; and to treat and dispose of all wastewater (gray water and sewage) at the Project location without use of a public sanitary sewer system.

**M. On-site water collection and treatment system:** A private system of capturing, generating and storing water at the site of the net-zero water project, together with an engineered system of filtration and treatment to provide potable water, and excluding water that is piped or imported to the project site.

**N. On-site wastewater treatment and disposal system:** A private engineered system receiving, storing, treating and disposing of wastewater produced at the site of the net-zero water project, without connection to a public sanitary sewer.

**O. Ordinance:** A legislative act of the City Council of the City of Tulsa which has become effective in accordance with the Amended Charter of the City of Tulsa.

**P. Potable water:** Water that is treated by filtration and other processes, and is safe for human consumption in compliance with the Safe Drinking Water Act, 42 U.S.C. § 300(f), *et seq.*, and the regulations of DEQ.

**Q. Project:** An organized undertaking at a specific location to complete pre-determined objectives for the planning, design, construction, repair, improvement or expansion of buildings or facilities, as detailed in construction plans, specifications and other related documents.

**R. Property owner:** The record owner of the real property upon which a net-zero water project is planned, has commenced or is completed.

**S. Sanitary sewer:** An underground pipe system that conveys wastewater to a public wastewater treatment facility for treatment and discharge and/or disposal.

**T. Septic tank system:** All or any portion of any structure or system receiving wastewater by pipe from any residence, business or industrial plant, other than those connected directly to an approved sanitary sewer and other than a private sewage lagoon. The term "septic tank system" shall include aerobic sewage treatment systems approved by DEQ.

**U. Sewage:** Water-carried wastes normally discharged into a sanitary sewer system which contains human excreta, free of stormwater and industrial wastes.

**V. TRO:** The Revised Ordinances of the City of Tulsa.

**W. Wastewater:** Gray water and/or sewage.

*(Ord. No. 24169, § 1, 7-10-2019)*

**Section 1502. Net-zero water projects.**

**A. Application for approval of a net-zero water project.** An applicant seeking approval of a net-zero water project shall submit the following to the Development Services Department:

**1.** Properly completed application for a building permit together with all construction plans, specifications and other documents as required by the Development Services Department. If a valid building permit has already been issued, a copy of the building permit previously issued and still valid shall be submitted. The application for a building permit shall indicate that the project is proposed to be a net-zero water project.

**2.** All prerequisite permits and approvals which may be required to obtain a building permit, including, but not limited to, a zoning clearance permit, a water/sewer/drainage-storm-water permit, infrastructure development process approval, floodplain development approval, and Health Department approval.

**3.** Plans and specifications for the proposed on-site water collection and treatment system to provide potable water, prepared or approved by a registered professional engineer in the State of Oklahoma. The manufacturer's specifications and installation instructions for the water filtration and treatment system shall be provided as well.

**4.** Plans and specifications for the proposed on-site wastewater treatment and disposal system, prepared or approved by a registered professional engineer in the State of Oklahoma. If one or more composting toilets are to be installed, the applicant shall provide the specific model(s) to be installed together with the manufacturer's specifications and installation instructions. A septic tank system which is planned to be utilized as the wastewater treatment and disposal system must be in compliance with the requirements and regulations of the Health Department, DEQ, and City.

**5.** Approvals and/or permits for the design and installation of the water collection and treatment system and wastewater treatment and disposal system as may be required by the Health Department and DEQ.

**6.** Payment of all permit and application fees as required in Title 49 of TRO.

**B. Required approvals of the City of Tulsa.** Before approval of a net-zero water project by the Development Services Department and the issuance of a building permit, the Director of the Water and Sewer Department, the Engineering Services Department and the Director of the Development Services Department must approve the proposed design and installation of the on-site water collection and treatment system and the on-site wastewater treatment and disposal system, including any composting toilet(s).

**C. Approval of net-zero water project and issuance of a building permit.** Once the Applicant has fully complied with Subsections A. and B. of this Section 1503, and all required approvals have been obtained, the Development Services Department may approve the net-zero water project and issue a building permit.

**D. Miscellaneous requirements, restrictions and provisions.** The following requirements, restrictions and provisions are applicable to all net-zero water projects:

**1.** A net-zero water project is limited to a detached single-family residential dwelling unit or a residential duplex dwelling unit.

**2.** A net-zero water project shall be assigned a separate street address to distinguish the dwelling unit from any other structure.

**3.** A net-zero water project shall include the provision of a capped service line for a future connection to a municipal water supply and a sanitary sewer service for a future connection to a public sanitary sewer system, as approved by the Development Services Department.

**4.** Prior to issuance of a certificate of occupancy, the on-site water collection and treatment system shall be tested by a testing method approved by the Health Department, at the expense of the applicant/property owner to evidence that the water treated and produced on-site is potable water. Such test results shall be furnished to the Health Department for review and approval. If the test results indicate that the water produced by the on-site water collection and treatment system is not potable, then a certificate of occupancy shall not be issued until the test results show that the water is potable and such results are approved by the Health Department.

**5.** Annual testing of water produced by the on-site water collection and treatment system shall be required no more than twenty (20) days prior to July 1 of each year following the completion of the Net-Zero Water Project, at the sole expense of the property owner. The method of testing the water treated and produced must be approved by the Health Department, and the results of such testing shall be immediately provided to the Health Department. If the water tested is shown to be non-potable water, then the City or Health Department may order that the on-site water collection and treatment system cannot be used until the water produced is potable water, as evidenced by further testing by a date certain as set by the Health Department. If such water is not shown to be potable water by the date established by the Health Department, then the property owner shall be required to discontinue the use of the on-site water collection and treatment system, and shall connect to the water supply of the City of Tulsa, or other public water supply if City of Tulsa water is not available to serve the property, at the sole expense of the property owner, within thirty (30) days. If a property owner is required to connect to a public water supply, the provisions of subsection (D)(7) of this section shall apply with respect to the requirement of connection to the public sanitary sewer system of the City of Tulsa.

**6.** If after completion of a net-zero water project, the property owner begins utilizing a sanitary sewer system to discharge wastewater, the property owner shall be required to connect to the water supply of the City of Tulsa or other public water supply, if available, within sixty (60) days from the date of notification in writing by the City of Tulsa, at the expense of the property owner.

**7.** If after completion of a net-zero water project, the property owner begins utilizing a source for potable water other than the approved on-site water collection and treatment system, including, but not limited to, the water supply of the City of Tulsa or bulk water, the property owner shall be required to connect to the public sanitary sewer system of the City of Tulsa at the expense of the property owner, if such sanitary sewer service is available and required pursuant to TRO, within sixty (60) days from the date of notification by the City of Tulsa, in accordance with TRO and duly-adopted regulations of the City of Tulsa.

**8.** Except as authorized by this chapter, a net-zero water project shall comply with the various building and construction codes adopted by the City from time to time and codified in TRO, including, without limitation, the Building Code prescribed by Title 51, the Electrical Code prescribed by Title 52, the Property Maintenance Code prescribed by Title 55, the Plumbing Code prescribed by Title 56, the Mechanical Code prescribed by Title 59, and any applicable Building Codes of the State of Oklahoma which have been adopted by the City of Tulsa.

**9.** With respect to a net-zero water project, the property owner shall ensure that the on-site water collection and treatment system and the on-site wastewater treatment and disposal system are operating properly, safely, and in accordance with the requirements and provisions of this chapter at all times.

**10.** The City or Health Department may inspect the on-site water collection and treatment system and the on-site wastewater treatment and disposal system upon reasonable notice to the property owner to ensure that the systems are functioning properly. If the City or Health Department determines at any time that the on-site water collection and treatment system and/or the on-site wastewater treatment and disposal system are not functioning properly and are hazardous to the health, safety and welfare of the occupants of the premises, and such systems are not functioning properly within ten (10) days after notice deficiency by the City or Health Department is given, then the City may require that the property owner connect to the water supply of the City of Tulsa or other public water supply and the public sanitary sewer system of the City of Tulsa.

**11.** With respect to the sale, transfer, rental or lease of real property and any dwelling thereon which utilizes or will utilize a net-zero water project for on-site water collection and treatment and on-site wastewater treatment and disposal, the property owner shall disclose, in writing, the existence and usage of such systems to any purchaser, transferee, renter or lessee prior to entering into any contract for sale, conveyance agreement, rental agreement or lease. The property owner's written disclosure shall be conspicuous, in all capital letters and underlined, in the contract for sale, conveyance agreement, rental agreement or lease, and in the residential property condition disclosure statement.

**12.** Prior to the issuance of a certificate of occupancy, the property owner shall record, at the property owner's expense, a notice to the public of the use of a net-zero water project for on-site water collection and treatment and on-site wastewater treatment and disposal. Such notice shall state that the subject property is not connected to a public water supply or public sanitary sewer system and shall recite the legal description and street address of the real property where the net-zero water project was installed. Such notice shall be approved by the Legal Department of the City of Tulsa prior to recording in the office of the County Clerk of the county where the net-zero water project is located.

## CHAPTER 4. WIRELESS PHONE POLICY

Section 400. Purpose.
Section 401. Definitions.
Section 402. Statement of policy.
Section 403. General policy guidelines governing the appropriate use of municipal wireless phone equipment and services.
Section 404. Specific policy guidelines governing the appropriate use of municipal wireless phone equipment and services.

### Section 400. Purpose.

Advancements in wireless communications technology and lower costs resulting from increased use and competition in the marketplace have made wireless phones an effective way to improve communications and delivery of municipal services. To ensure continued effective use of these technologies, it is necessary to provide policies and policy guidelines regarding the responsibilities of members of the City of Tulsa government when making decisions on use of municipal wireless phone equipment and services. In many ways the operation and use of wireless phone equipment and services is different from the use and operation of traditional landline telephones in use by the City. As with landline phones and any other public resource, wireless phones demand those entrusted with their use to be accountable. Therefore, this chapter provides policies and policy guidelines governing the appropriate use of municipal wireless phone equipment and services provided with public funds.

*(Ord. No. 20776)*

### Section 401. Definitions.

**A. Mayor** shall mean the Mayor or his/her designee.

**B. Wireless phone equipment and services** are commercially available radio technology that enables paid subscribers, through use of either a car-mounted, transportable or hand-held portable phone, to make and receive local and long distance phone calls through what are commonly referred to as "wireless services," similar to equipment and service provided by cellular phones, personal communications services (PCS) phones, eight hundred (800) megahertz radios and pagers.

**C. Department** shall include all traditional City departments as well as public trusts which have as their beneficiary the City of Tulsa and/or agencies which utilize City employees under agreement with the City of Tulsa, including, but not limited to, the Tulsa Airport Authority and the Tulsa Airport Improvements Trust.

**D. Personal call** shall mean any phone call made by a user for purposes other than conducting official City business in direct support of their assigned duties and responsibilities. Phone calls made by users to notify home or family of a change in work schedule resulting from unexpected duties or assignments, or calls to report or respond to an emergency situation shall not be considered personal calls.

*(Ord. No. 20776)*

### Section 402. Statement of policy.

Use of wireless phone equipment and services provided with public funds must be in direct support of the assigned duties and responsibilities of the user and support policy guidelines

on the delivery of municipal services. At all times, use shall be consistent with specific requirements set forth in this statement of policy to ensure appropriate, efficient, ethical and legal use of wireless phones.

*(Ord. No. 20776)*

**Section 403. General policy guidelines governing the appropriate use of municipal wireless phone equipment and services.**

**A.** The Mayor, as the City's chief administrative and executive officer, shall be responsible for developing and maintaining the required procedures to determine qualifications for obtaining wireless phone equipment and services as well as reviewing usage on a random basis. Such procedures and guidelines shall conform to this ordinance.

**B.** Departmental requests for wireless phone equipment and services shall be made in accordance with procedures established by the Mayor. The Mayor will maintain a register of all City wireless phones, which includes account numbers, phone number, department and employee name to whom the phone is issued.

**C.** The Mayor shall ensure that the register is updated at least once per month. The department should return equipment no longer needed, in accordance with procedures established by the Mayor.

**D.** Any contract between the City of Tulsa and a wireless phone equipment or service vendor, beginning no later than July 1, 2004, shall include a provision requiring the contracted vendor to conduct a rate analysis at least twice per contract year which will determine whether or not users are using the most cost effective rate plan. The Mayor should review the results of these studies with the City department directors to determine if any plan changes should be made within their departments that will reduce costs to the City. As soon as practicable, the Mayor shall present the results of the rate analysis and departmental review to the Council for on-going budget analysis.

**E.** The Mayor is responsible for establishing criteria for assigning wireless phones within each department, for periodically evaluating use of these services and equipment, for ensuring equipment and services are properly contracted for under the established current City contract, and for selecting the most economical rate plan which best meets the requirements for the job.

**F.** All City employees are responsible for ensuring compliance with this chapter and communicating to employees the consequences of noncompliance. City employees who are assigned wireless phones and their respective departmental management are jointly responsible for understanding the terms of this chapter and monitoring the continued applicability of the assigned wireless phone equipment and services to the assigned duties and responsibilities of the City employee who has been assigned a wireless phone.

**G.** City employees who have been assigned a wireless phone are responsible for all calls logged (made and received) from the phone assigned to them, and for reviewing and approving cell phone bills to detect unusual calls. Any concerns must be reported immediately to the Mayor.

**H.** The Mayor, and the department director and supervisor of the City employee who has been assigned a wireless phone are jointly responsible for taking action to remove access to wireless phone equipment and services and instituting appropriate disciplinary action in cases of unacceptable or inappropriate use.

**I.** The Mayor, as the City's chief executive and administrative officer, shall be responsible for administering the wireless phones contract after a competitive bid process determines the best service and equipment provider.

**J.** The Mayor shall be responsible for providing a means by which to track payment to City for personal cell phone use.

*(Ord. No. 20776)*

## Section 404. Specific policy guidelines governing the appropriate use of municipal wireless phone equipment and services.

**A.** Use of municipal wireless phones must be supportive of organizational objectives and be consistent with the mission of the City of Tulsa. All wireless equipment purchased or leased by the City is made available to users by their respective departments for the purpose of conducting City business and is considered City property.

**B.** Use of City provided wireless phones for individual commercial profit or secondary employment not associated with the City of Tulsa is prohibited.

**C.** New wireless phones require department director approval in accordance with procedures established by the Mayor. Effective July 1, 2004, costs for wireless phone equipment and service are to be funded by the requesting department as part of the budget process and billed directly to that department.

**D.** Wireless phones should not be used when a less costly alternative is safe, convenient and readily available. In some cases convenient land line phones or paging systems may be a more effective alternative.

**E.** Wireless phone calls are charged on a per minute basis for both outgoing and incoming calls therefore, calls should be brief and to the point.

**F.** Conversations over wireless phones are not confidential, and can be monitored by outsiders; therefore, users must use appropriate discretion when discussing legal, financial and human resource topics on wireless phones.

**G.** The Mayor may impose additional requirements which extend beyond those set forth in this ordinance. This chapter shall not apply to any collective bargaining agreement which is in effect on July 1, 2004, and which covers public safety officers.

*(Ord. No. 20776)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 5. TRAVEL POLICY

Section 500. Purpose.
Section 501. Definitions.
Section 502. Statement of policy.
Section 503. Standards governing travel authorization.
Section 504. Reimbursement of travel expenses.
Section 505. Donation of travel expenses.
Section 506. Mayor's authority to promulgate rules.

### Section 500. Purpose.

To positively enhance efficiency and accountability in use of public funds relating to travel for official City business and professional development by establishing uniform standards for travel authorization and reimbursement of employee travel expenses.

*(Ord. No. 20892)*

### Section 501. Definitions.

**A. Appointing Authority.**

**1.** For the Mayor and all employees appointed, supervised or removed by the Mayor under Art. III, Section 1.4(F) of Tulsa Revised Charter, the term "appointing authority" means the Mayor of the City of Tulsa or designee;

**2.** For the City Auditor and all individuals appointed, supervised or removed by the City Auditor under Art. III, Section 1.4(F) of Tulsa Revised Charter, the term "appointing authority" means the City Auditor or designee; and

**3.** For City Councilors and all individuals appointed, supervised or removed by the City Council under Art. III, Section 1.4(F) of Tulsa Revised Charter, the term "appointing authority" means the City Council or designee.

**B. Local transportation** means taxicabs, rental cars, buses, shuttles and all vehicles hired based upon a rate per mile or increment of time.

**C. Personal vehicle** means any vehicle not owned by the City of Tulsa or an authority, board, commission or trust of the City of Tulsa.

**D. Travel expense donation** means any travel-related expense paid in whole or in part by any person, firm or corporation other than the City of Tulsa and shall include all contributions, proceeds or honoraria received in connection with travel for official City business or professional development. Discounts and/or waivers of travel-related expenses shall not be considered donations.

*(Ord. No. 20892)*

### Section 502. Statement of policy.

Subject to prior approval by the relevant appointing authority, City employees may travel to participate in official meetings, conferences, seminars, workshops, examinations and related activities necessary and proper to the conduct of City business or directly related to the employee's professional job development.

*(Ord. No. 20892)*

## Section 503. Standards governing travel authorization.

**A.** A request for travel authorization shall be submitted to the relevant appointing authority for approval in advance of the departure date and shall include the names of all City employees attending or seeking to attend the scheduled event.

**B.** Employee travel shall be approved only when necessary and proper and only when one (1) or more of the following criteria is met:

**1.** The travel is necessary to achieve operational and service objectives of the City.

**2.** The travel is required to support state or federal efforts deemed beneficial to the City.

**3.** The travel is mandated by applicable rules or regulations of the state or federal government.

**4.** The travel is for specific training to improve the employee's performance of municipal functions, or to acquire or maintain required certifications.

**5.** The travel is for specific training which will result in a significant cost savings or cost avoidance to the City. Anticipated cost savings or avoidance shall be described in the request for travel authorization.

**6.** The travel is required to attend a national or state board, committee meeting or conference as a municipal representative and the exchange of information or participation will result in an economic or functional benefit to the City. Anticipated economic or functional benefit shall be described in the request for travel authorization.

**C.** Absent special circumstances, travel by more than one (1) employee to the same meeting or location at the City's expense shall not be approved. Where travel authorization is requested for more than one (1) employee, special circumstances justifying the request shall be clearly set forth in the request for travel authorization. Factors to be considered when travel authorization is requested for more than one (1) employee include, but are not limited to: cost, size of the event, relative importance of the event and additional benefit to the City of attendance by more than one (1) employee.

*(Ord. No. 20892)*

## Section 504. Reimbursement of travel expenses.

**A.** Subject to limitations provided in Title 25, Chapter 3, Tulsa Revised Ordinances, City employees may be reimbursed for reasonable expenses incurred while engaged in authorized travel. Allowances for travel and associated expenses shall be those established by ordinance with the following limitations:

**1.** Only business telephone charges will be reimbursed.

**2.** Reimbursement will be made for the expense of laundry and/or dry cleaning only if the trip exceeds five (5) days.

**3.** Reimbursement for per diem allowance shall be limited to the published dates of the event plus the day prior to and the day following the published dates, unless authorized by the appointing authority.

4. Expense of local transportation while traveling out of the City of Tulsa shall be reimbursed. Claims for such expense shall require a receipt only if the amount, including tip, is Fifteen Dollars ($15.00) or more for each conveyance.
5. Local transportation expenses shall be limited to the published dates of the event plus one (1) day prior to and the day following the published event.
6. Airport parking of the traveler's private vehicle will be reimbursed.
7. Travel using a personal vehicle shall be reimbursed at a rate established by the Mayor, which shall not exceed reimbursable mileage expenses established by the United States Internal Revenue Service. Parking and toll fees may also be reimbursed. Travel expenses incurred while using a personal vehicle in lieu of commercial transportation, including additional lodging and per diem, shall not exceed the amount which would have reasonably been incurred if the employee(s) traveled round trip by commercial airline.
8. Employees making an out-of-town trip not requiring an overnight stay, shall be reimbursed only for actual reasonable expenditures for meals, tips, local transportation and other miscellaneous items of travel expense.

**B.** Unless otherwise specified herein, all claims for reimbursement of travel expenses shall be accompanied by receipts for expenditures. The relevant appointing authority must approve all reimbursement of travel expenses.

*(Ord. No. 20892)*

### Section 505. Donation of travel expenses.

All travel expense donations shall be approved by the City Council except those made by governmental entities or agencies, which shall be approved by the Mayor or his designee. Approved travel expense donations shall be documented and accounted for as provided by law.

*(Ord. Nos. 20892, 21029)*

### Section 506. Mayor's authority to promulgate rules.

Except as otherwise required herein, the Mayor of the City of Tulsa is hereby authorized to promulgate rules, regulations and orders necessary and proper to implement and administer the requirements of this chapter.

*(Ord. No. 20892)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 6. ETHICS CODE*

Section 600. Definitions.
Section 601. Prohibitions.
Section 602. Disclosure of financial or organizational interest.
Section 603. Complaints.
Section 604. Investigations.
Section 605. Violations.
Section 606. Supplemental policies and guidance.
Section 607. Ethics Advisory Committee.

### Section 600. Definitions.

For purposes of this chapter, the following words and phrases shall have the meanings given herein:

**Appointing Authority** means the office or entity with authority to appoint an individual to a position or office, regulate official conduct, and/or impose discipline or sanctions for violations of this chapter. For purposes of initiating investigations and receiving findings of fact under this chapter, the City Council shall act as the appointing authority for the City Auditor, individual City Councilors, and City Council staff; and the City Auditor shall act as the appointing authority for the Mayor and City Auditor staff.

**City Official** means every currently serving City of Tulsa elected official, officer, employee, or member of a City of Tulsa board, commission, or committee.

**Financial Interest** in an official action exists when the action may result directly or indirectly in a financial gain or loss accruing to the City Official and/or the Official's Immediate Family to a greater extent than could reasonably be expected to accrue to the general public.

**Immediate Family** means any family members within two degrees of affinity or consanguinity, including a City Official's spouse, parent, child, brother, sister, grandparent, grandchild, mother-in-law, father-in-law, son-in-law, daughter-in-law, stepparent, stepchild, brother-in-law, sister-in-law, grandparent of the Official's spouse, grandchild of the Official's spouse, spouse of the Official's grandparent, or spouse of the Official's grandchild. Brother- and sister-in-law means both the sibling of the Official's spouse and spouse of the Official's sibling.

**Investigating Authority** means the office or person authorized to investigate complaints of violations of this chapter and issue confidential findings of fact. For purposes of this chapter, the City Council shall act as the Investigating Authority for the City Auditor, and the City Auditor shall act as the Investigating Authority for the Mayor and individual City Councilors.

**Organizational Interest** in a company, business, organization, or other entity exists when the City Official is a director or a member of a board which establishes policy and/or makes budgetary decisions for the entity.

*(Ord. No. 25449, § 1, 11-6-2024)*

***Editor's note—**Ord. No. 25449, § 1, adopted November 6, 2024, amended chapter 6 in its entirety to read as herein set out. Former chapter 6, §§ 600—610, pertained to similar provisions, and derived from Ord. No. 21084.

**Section 601. Prohibitions.**

**A. Using or receiving City funds or resources for personal or private purposes.**

**1.** City Officials shall not receive, directly or indirectly, any financial or pecuniary interest, profit, or privilege arising from the use or loan of public funds or monies raised for City purposes, to a greater extent than could reasonably be expected to accrue to the general public, if the City Official also exercises control by appropriating, encumbering, or expending the funds.

**2.** City Officials shall not use or permit the use of City resources for personal or private purposes, except as provided by rules adopted by the appropriate Appointing Authority to address minor or incidental uses common to an ordinary workplace.

**B. Participating on Items of Financial or Organizational Interest.** Except as otherwise permitted under applicable law, City Officials shall not participate in any City business in which they have a related Financial or Organizational Interest. Such City Official shall not discuss the matter with any City Official who is participating in the action other than to state his or her disqualification. A donation to the City will not conflict with a Financial or Organizational Interest unless the donation requires more than nominal consideration from the City or is intended to influence City policy or operations for the benefit of the donor.

**C. Soliciting or Receiving Gifts and Favors.**

**1.** City Officials and their Immediate Family shall not, directly or indirectly, solicit or receive gifts, entertainment, or other favors, which may influence or be reasonably perceived as influencing a City Official in the performance of the Official's duties.

**2.** This subsection does not preclude a City Official from accepting a gift when the gift will not influence or be reasonably perceived as influencing a City Official in the performance of the Official's duties, such as when there are no pending or reasonably foreseeable matters of City business involving the party offering the gift, the City Official has no control or influence over the item of City business involving the party offering the gift, or the gift offered has a value less than $50, individually, or less than $250, collectively with other gifts from the same or related parties, in a calendar year.

**3.** Campaign contributions shall be permitted as provided by law.

**D. Using or Disclosing Confidential Information.** City Officials shall not disclose or offer to disclose information not an open record or otherwise available to the public and acquired by reason of the Official's position with the City, to any party not entitled to receive such information, nor shall a City Official use such information to benefit the Official's Financial or Organizational Interest.

*(Ord. No. 25449, § 1, 11-6-2024)*

**Section 602. Disclosure of financial or organizational interest.**

**A.** A City Official who is required to refrain from participation in City business pursuant to Section 602.B of this chapter shall disclose the disqualifying interest.

**B.** The disclosure required by this section shall be accomplished by filing a written statement describing the interest being disclosed with the Appointing Authority or the Appointing Authority's designee; the board, commission, or committee on which the

Official serves, if applicable; and the City Clerk. A City Official may file a single written disclosure describing the Financial or Organizational Interest and is not required to file a separate written disclosure for each individual circumstance in which the Official states a disqualification.

*(Ord. No. 25449, § 1, 11-6-2024)*

### Section 603. Complaints.

**A.** A complaint asserting a violation of this chapter against a City Official shall be filed in writing with the City Clerk. The City Clerk shall forward the verified complaint to the appropriate Appointing Authority.

**B.** Unless a complaint meets the requirement for an anonymous complaint in subsection C below, a complaint must be signed and show the home or business address of the person who submitted it. The complaint shall include a statement:

**1.** Declaring that, to the best of the complainant's or inquirer's knowledge, information, and belief; formed after reasonable reflection; the information in the complaint is true;

**2.** Containing reliable and credible facts, which are independently verifiable, to establish a prima facia case of the violation of this chapter; and

**3.** Declaring that the complaint is not submitted for any retaliatory, political, or other improper purpose.

**C.** The City Clerk may accept and refer anonymous complaints if, in addition to the statements required in subsection B, the complaint includes a statement describing a reasonable basis for requiring anonymity, such as a reasonable fear of reprisal from the City Official, who is in a position of authority relative to the complainant.

**D.** No complaint shall be accepted or considered which relates to actions alleged to have occurred more than two years prior to the date of filing.

*(Ord. No. 25449, § 1, 11-6-2024)*

### Section 604. Investigations.

**A.** Upon receipt of a complaint, the Appointing Authority shall refer the matter to the appropriate Investigating Authority for prompt, confidential investigation and a report of findings of fact to the Appointing Authority. The Investigating Authority will not make recommendations to the Appointing Authority regarding sanction, disciplinary action, or removal from office.

**B.** The Investigating Authority may recommend summary dismissal of a complaint if the alleged violation, if true, would not constitute a violation of this chapter; if the complaint does not contain reliable and credible facts, which are independently verifiable, to establish a prima facia case of a violation of this chapter; if the complaint is submitted for any retaliatory, political, or other improper purpose; or if the Ethics Advisory Committee has issued an advisory opinion determining that the conduct does not constitute a violation.

**C.** City Officials shall not participate in investigations of their own actions, except to provide information or testimony.

**D.** The appropriate office or agency, including but not limited to the Human Resources Department, Police Department, City Auditor's Office and/or the City Attorney's Office, may assist and participate in investigations involving City Officials.

**E.** City Officials shall respond promptly, fully, and truthfully to inquiries made in the course of official investigations of alleged or potential violations of this chapter.

**F.** All records generated or compiled in response to a complaint, including the initial complaint, shall be released to the public only as required by law or court order.

*(Ord. No. 25449, § 1, 11-6-2024)*

### Section 605. Violations.

Intentional violation of this chapter by a City Official shall be grounds for sanction, disciplinary action up to and including dismissal, or removal from office, as may be provided by applicable policies, rules, or law.

*(Ord. No. 25449, § 1, 11-6-2024)*

### Section 606. Supplemental policies and guidance.

Appointing Authorities shall create and maintain policies and supplemental guidance for City Officials consistent with the provisions of this chapter and Tulsa's Revised Charter.

*(Ord. No. 25449, § 1, 11-6-2024)*

### Section 607. Ethics Advisory Committee.

**A.** There shall be created an Ethics Advisory Committee which shall act as a recommending body to the City of Tulsa on ethical issues that may arise under this chapter.

**B.** The committee shall consist of seven (7) individuals, appointed by the Mayor and confirmed by the City Council. A committee member shall not be a City Official, nor shall a Committee member be Immediate Family of a City Official. Every committee member shall be a resident of the City of Tulsa. Initially, two (2) of the members shall be appointed for a term of office of one (1) year; two (2) members for a term of office of two (2) years; and three (3) for a term of office of three (3) years. Thereafter, terms of office shall be for three (3) years; provided, however, that all members shall hold office until their successors are appointed and qualified. All members shall serve without compensation. Members shall not hold public office nor be candidates for public office. A member who has served three (3) successive terms shall not be eligible for reappointment for a period of two (2) years.

**C.** Any elected official; Charter division or department head; or member of a City of Tulsa board, commission, or committee may request an opinion from the Ethics Advisory Committee on a hypothetical ethical issue arising under this chapter. The Ethics Advisory Committee is not an Investigating Authority and shall not issue findings or opinions on pending complaints.

**D.** The Ethics Advisory Committee may provide recommendations for ethics policies, procedures, or guidelines.

*(Ord. No. 25449, § 1, 11-6-2024)*

## CHAPTER 7. TULSA GOVERNMENT TELEVISION

Section 700. Objectives.
Section 701. TGOV policies.
Section 702. Programming priorities.
Section 703. Coordination and management.
Section 704. Programming restrictions.
Section 705. Copyright of programs.
Section 706. General broadcast approach and schedule.
Section 707. TGOV broadcast channel.
Section 708. Operational framework.

### Section 700. Objectives.

**A.** There is hereby created a Tulsa government access channel (herein referred to as Tulsa Government Television ("TGOV")) to provide citizens of Tulsa with valuable local government information and promote a more informed citizenry by providing a greater opportunity for individuals to view government meetings and information. TGOV may operate through government access channels as provided for by ordinance or otherwise. It may operate through the internet, and/or any other media which may further the dissemination of information to the citizens of Tulsa and create a more open government for Tulsa.

**B.** TGOV's specific objectives include:

**1.** Providing information about programs and services offered by City of Tulsa departments, Tulsa City Council, authorities, boards, commissions and government-supported agencies, including live broadcasts of a variety of such meetings.

**2.** Expanding citizen's awareness of government and its decision-making processes by exposing them to live and tape delayed government meetings and civic events.

**3.** Enhancing existing public information materials by using cable television and other video mediums as a public information tool.

**4.** Providing and distributing programming of interest to Tulsa residents that will inform, educate and enlighten, as well as encourage participation in government services, activities and decision-making.

**5.** Increasing the cost efficiency of service delivery by City departments and agencies.

*(Ord. No. 22305, § 1, 7-29-2010)*

### Section 701. TGOV policies.

TGOV shall be guided by the following policies:

**A. Non-Editorial:** The channel shall provide direct, non-editorial information concerning the operations, services and deliberations of government to the citizens of Tulsa.

**B. Non-Political:**

**1.** The channel is not intended as a mechanism for building support for a particular ballot issue, candidate for public office, a particular vote of the City Council or that of any authority, board or commission. This provision does not preclude the video-casting of non-partisan programs intended to inform the citizens of ballot issues.

2. Declared candidates for any elective office and persons advocating any cause, viewpoint, or proposed policy of a partisan nature will not be eligible to appear prior to an election unless they appear as part of a forum in which all candidates or sides of an issues are given equal time.
3. For purposes of this policy, a person is considered to be a candidate from the time of announcing publicly for any public office until the election has been held. This policy does not apply to persons who receive incidental air time as part of a public meeting being video-cast on the channel, nor to officials acting as part of their regular duties when such actions do not involve partisan policies.

**C. Neutrality:** In any programming concerning subjects that may be interpreted to be materially controversial, TGOV will maintain a position of neutrality, providing unbiased information.

**D. Non-Commercial:** TGOV will not video-cast paid advertising or any program that depicts a product, business and/or service that has the purpose of benefiting a profit-making enterprise.

**E. Non-Discriminatory:** TGOV shall not discriminate in the delivery of its services on the basis of race, color, creed, national origination, sex, sexual orientation or physical ability.

**F. Non-Sectarian Programming:** TGOV will not video-cast any programming that exposes or promotes any particular religious group or belief.

**G. Live Coverage:** TGOV will give priority to live coverage of meetings as resources permit.

**H. Acquired or Pre-Produced Programming:** To maximize resources, TGOV will seek out high quality pre-produced programming that addresses the needs and interests of the citizens of Tulsa and that meets established priorities. All pre-produced programming shall be recommended by the TGOV Programming Advisory Committee and subsequently approved by the TGOV Coordinating Committee.

*(Ord. No. 22305, § 1, 7-29-2010)*

### Section 702. Programming priorities.

**A.** In the event of an emergency, TGOV will be made available as needed; emergency information shall have priority over all other programming. TGOV will work with the Director of Emergency Services to coordinate the use and programming of the channel during emergencies.

**B.** Live and taped coverage of public meetings including those of the City Council, mayoral and councilor press conferences, and various City boards, authorities and commissions.

**C.** The dissemination of information generated by the programs, services and functions of City departments and other governmental agencies, including Homeland Security, citizen education, and related programming.

**D.** Meetings and programs sponsored by regional, state and federal agencies dealing with governmental topics pertaining to the City of Tulsa and of general interest to the citizens of Tulsa.

**E.** Coverage of programs, forums and conferences on issues directly affecting the citizens of Tulsa.

**F.** Reoccurring programs, information series and special reports or one-time special or non-regular informational programs.

**G.** Public Service announcements for City of Tulsa services and programs.

*(Ord. No. 22305, § 1, 7-29-2010)*

### Section 703. Coordination and management.

**A.** There is hereby established a TGOV Coordinating Committee which will be comprised of a designated representative from the Office of the Mayor, a designated representative of the Information Technology (IT) Department, the City Council Communications Director, and the City Council Administrator, who shall serve as Chairman of the TGOV Coordinating Committee.

**B.** The TGOV Coordinating Committee shall approve all policies and approve and coordinate all major operating decisions. The TGOV Coordinating Committee shall meet periodically or as the situation warrants; in the case of a vote taken by the Committee, all ties shall be broken by the Chairman of the TGOV Coordinating Committee who shall also make day-to-day, operating decisions as required. No expenditure shall be made in excess of appropriated funds dedicated to TGOV either directly or indirectly through various City departments.

**C.** A TGOV Programming Advisory Committee is hereby established with invited representation by all City of Tulsa departments and the Director of Emergency Services (or the Public Information Officer for the Emergency Operations Center) or their designee. The Programming Advisory Committee shall make recommendations to the TGOV Coordinating Committee. The City Council's Communications Director shall serve as Chairman of TGOV's Programming Advisory Committee.

*(Ord. No. 22305, § 1, 7-29-2010)*

### Section 704. Programming restrictions.

The following material shall not be broadcast by TGOV:

**A.** Any obscene or salacious material as determined, if necessary, by the Chairman of the TGOV Coordinating Committee;

**B.** Any partisan, political material; or

**C.** Any material which violates Federal, State or local law.

*(Ord. No. 22305, § 1, 7-29-2010)*

### Section 705. Copyright of programs.

Programs containing copyrighted materials will be used only if copyright clearance has been obtained. The ownership and copyright for any program produced by the City of Tulsa, Tulsa City Council, or any City of Tulsa department, authority, board or commission shall be held by the City of Tulsa.

*(Ord. No. 22305, § 1, 7-29-2010)*

### Section 706. General broadcast approach and schedule.

TGOV shall use and broadcast a variety of techniques to fulfill its established objectives, including:

**A.** Live, original programming;

**B.** Tape delayed, original programming;

**C.** Electronic bulletin boards;

**D.** Original, pre-produced programming;

**E.** Acquired, pre-produced programming;

**F.** Live, video streaming; and

**G.** On-Demand, taped delays.

TGOV shall broadcast twenty-four (24) hours a day, seven (7) days a week. Broadcasts shall be repeated daily or as appropriate (e.g., every four (4), six (6) or eight (8) hours), depending upon programming availability and perceived public interest.

*(Ord. No. 22305, § 1, 7-29-2010)*

### Section 707. TGOV broadcast channel.

TGOV shall broadcast on Cox Cable Channel 24 and other video outlets as made available by other cable or wireless providers of video services, and approved by the TGOV Coordinating Committee.

*(Ord. No. 22305, § 1, 7-29-2010)*

### Section 708. Operational framework.

The two (2) key operational entities in the on-going TGOV initiative are the Information Technology ("IT") Department which shall be primarily responsible for technical support, equipment and services and the Tulsa City Council Office which shall be primarily responsible for programming and scheduling support and services.

*(Ord. No. 22305, § 1, 7-29-2010)*

# CHAPTER 8. U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT GRANTS*

Section 800. Scope.
Section 801. Definitions.
Section 802. HUD Community Development Committee Membership.
Section 803. HUD Community Development Committee duties.
Section 804. Grant processes.
Section 805. Timeliness.
Section 806. Quarterly reports.
Section 807. Off cycle awards and allocations.
Section 808. Appeals.
Section 809. Waiver in a declared emergency.

## Section 800. Scope.

This chapter shall apply to the City of Tulsa's receipt and allocation of all block grant program funds received from the U.S. Department of Housing and Urban Development Department, including, but not limited to, the Community Development Block Grants (CDBG), Home Investment Partnerships Program (HOME), Emergency Shelter or Emergency Solutions Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) programs and any changes thereto, as well as any new programs added by the U.S. Department of Housing and Urban Development.

*(Ord. No. 22813, § 1, 1-31-2013; Ord. No. 23362, § 1, 9-10-2015)*

## Section 801. Definitions.

As used in this chapter, the following terms shall have the meaning set forth below:

**A.** **Annual action plan** shall mean a written plan that specifies the HUD funded activities and allocations for the City of Tulsa for a specific HUD grant period.

**B.** **Annual calendar** shall mean the calendar prepared annually by Grants Administration and posted on the City of Tulsa website (Community Programs - Grants) stating the specific HUD dates and deadlines for submission of HUD plans and reports.

**C.** **CDBG** means Community Development Block Grant, a HUD grant program.

**D.** **CDBG Physical Projects** shall mean those projects which are not classified as public service or economic development.

**E.** **Citizen participation plan** shall mean a written plan that invites public input and citizen participation in the needs for and use of HUD funds, and which is available on the City of Tulsa website (Community Program - Grants).

**F.** **Continuum of Care** or **CoC** shall mean the City of Tulsa Continuum of Care, which considers policies designed to address the critical problem of homelessness, including a coordinated community-based process of identifying needs and building a system to address those needs.

---

***Editor's note—**Ord. No. 22813, § 1, adopted January 31, 2013, amended Ch. 8, in its entirety, to read as herein set out. Prior to inclusion of said ordinance, Ch. 8 pertained to Housing and Urban Development Grants. See also the Code Comparative Table.

**G. Consolidated Annual Performance and Evaluation Report (CAPER)** shall mean the annual written report submitted to HUD by the City of Tulsa, which details the performance of funded activities, including expenditures and number and type of beneficiaries served.

**H. Consolidated plan** shall mean the document written by the City of Tulsa describing the housing needs of low- and moderate-income residents, outlining strategies to meet the needs and listing all resources available to implement the strategies. This document is required by HUD for the City to receive HUD Community Planning and Development funds and shall be in conformance with the City of Tulsa's Comprehensive Plan.

**I. Hearing Officer** shall mean the Mayor's designee, who shall hear appeals regarding HUD processes.

**J. HUD** shall mean the U. S. Department of Housing and Urban Development.

**K. HUD Community Development Committee (Development Committee)** shall mean the committee that solicits input regarding community needs and funding priorities, develops the Priority Needs Statement, and recommends funding allocations, including off cycle awards and allocations as set forth in Section 802 and 803 of this chapter.

**L. HUD Grant Funding** shall mean funding for CDBG, HOME, ESG, HOPWA and any revisions thereof, as well as any new programs implemented by the U.S. Department of Housing and Urban Development, established by federal law or regulation.

**M. Needs Assessment Public Hearing** shall mean a public hearing at which public input is heard regarding community needs, as set forth in Section 804 of this chapter.

**N. Off Cycle Awards and Allocations** shall mean those awards, allocations and re-allocations which occur during a HUD grant period and outside of the regular allocation process outlined in this chapter, for the Consolidated Plan, Annual Action Plan, or any amendments thereto.

**O. Priority Needs Statement** shall mean the statement encompassing input from the community, regarding the priority of essential services needed by the citizens of the City of Tulsa and which will guide the grant award and funding selection as set forth in Section 804 of this chapter.

**P. Submission date** shall mean the date established by the HUD for timely submission of the Consolidated Plan, Annual Action Plan, Consolidated Annual Performance and Evaluation Report (CAPER), and any other submissions required by federal law or regulation.

*(Ord. No. 22813, § 1, 1-31-2013; Ord. No. 23362, § 1, 9-10-2015)*

## Section 802. HUD Community Development Committee Membership.

The HUD Community Development Committee (Development Committee) is hereby established to perform the duties set forth in Section 803 below:

**A.** Membership of the Development Committee shall consist of:

**1.** All Tulsa City councilors, who shall serve ex-officio and not be counted for purposes of establishing a quorum;

**2.** One (1) representative of the Indian Nations Council of Governments (INCOG) designated by the Director of INCOG;

**3.** Five (5) residents of the City of Tulsa, designated by the City Council, three (3) of whom reside in a low- to moderate-income census Tract; however, no more than one (1) citizen so appointed shall reside in any one (1) City Council district;

**4.** One (1) representative from a financial institution, designated by the Mayor;

**5.** One (1) representative from the Continuum of Care, designated by the Mayor;

**6.** One (1) representative with grant allocation experience, designated by the Mayor; and

**7.** One (1) representative from the City of Tulsa Planning and Development Department, designated by the Planning Director.

The terms of the members described in A.2, 4, 5, 6, and 7 above, who were appointed in the year 2015, shall expire on June 30, 2016. The terms of the five (5) members who are residents of the City of Tulsa as described in A.3 above, who were appointed in the year 2015, shall expire on June 30, 2017. All members shall be appointed to a two (2)-year term commencing on July 1 of the year of their appointment.

No members shall be affiliated with any agency that is requesting or has received funding for a City administered HUD funded project.

*(Ord. No. 22813, § 1, 1-31-2013; Ord. No. 23362, § 1, 9-10-2015)*

### Section 803. HUD Community Development Committee duties.

**A.** The Development Committee shall:

**1.** Actively solicit public input regarding the long-term and short-term needs of the community, including homeless needs, and shall develop funding priorities for the Consolidated Plan and Annual Action Plan. The Committee shall also evaluate the performance of funded projects and programs. Meetings of the Development Committee shall comply with the Oklahoma Open Meetings Act, and shall be broadcast on TGOV, the City of Tulsa's government access network.

**2.** Conduct all required public hearings as set forth in Section 804(E).

**3.** Receive input from the CoC regarding homeless needs, priorities, goals, outcomes, and evaluation measures.

**4.** Consult with the CoC regarding allocation of funds, developing performance standards, and evaluating outcomes of ESG assisted projects;

**5.** Adopt objective standards for the evaluation and scoring for the HUD Grant Funding;

**B.** The Human Rights Department shall continue to perform its functions as assigned by Executive Order 2009-08, as long as such Executive Order remains in force and effect.

*(Ord. No. 22813, § 1, 1-31-2013; Ord. No. 23362, § 1, 9-10-2015)*

### Section 804. Grant processes.

**A. City of Tulsa Departments.** If the Development Committee identifies needs that are to be managed by City departments, these projects will not be subject to the proposal review. However, City departments should submit project information including budget

information, program description and project goals and measurable outcomes. HUD funds may not be used to replace local general government funds on City projects or services, unless, the City department can document that the services to be provided represent an increase in services beyond the services provided with government funds in the previous year. If a non-profit agency located in the City of Tulsa can provide or perform services which could be performed by a City department, the City's RFP process must be followed to allow non-profit agencies to be considered for the services needed.

**B. Applicant workshops.** Grants Administration staff shall conduct at least three (3) workshops for potential applicants seeking federal grant funds. One (1) workshop shall be conducted for those applicants who have not participated in prior HUD funding processes or have not received funding in the past two (2) years. All workshops will be free and open to the public. All potential applicants are required to attend at least one (1) workshop or their proposal will not be considered.

**C. Proposal deadline.**

**1.** All proposals shall be submitted no later than 5:00 p.m. on the date and location set forth in the applicable Request for Proposal (RFP). The proposal deadline will be no less than forty-five (45) days after the final applicant workshop.

**2.** An applicant will be allowed one opportunity within a five-year period to submit a proposal within one (1) business day after a proposal deadline. Such late applicants will also have an additional three (3) business days to submit missing documentation, as provided in Section 804(D)(5). An application accepted pursuant to this provision will be identified as late in Development Committee recommendations, and will receive a reduction of one percent (1%) from the applicant's overall average score.

**D. Proposal review.** Grants Administration shall:

**1.** Procure a professional facilitator to manage and maintain the integrity of the evaluation process.

**2.** Select a minimum of five (5) reviewers for each application expected to be received. Every application shall be reviewed by no more than one (1) employee from Grants Administration.

**3.** A list of the reviewers selected to review the RFP must be provided to the Development Committee for review prior to commencement of proposal reviews.

**4.** Provide training for the reviewers on the application and criteria to be used to score the proposals prior to commencement of the proposal reviews.

**5.** Pre-screen the applications for missing documentation. Applicants will have three (3) business days to submit the missing documentation. Applicants who do not submit the minimum required documentation as specified in the RFP will not be considered for funding.

**6.** Pre-screen proposed rehabilitation and new construction projects, excluding homeowner minor repairs, emergency repairs, and rehabilitation loans, for the following required information and documentation:

**a.** Demonstrated financial capacity of the applying agency;

**b.** Documentation of funding sources committed toward the total cost of the project, excluding HUD grant request;

**c.** Documentation of site control, proper zoning, and a map showing whether the proposed project is located in a flood plain;

**d.** Architectural/engineering design for the entire project;

**e.** Cost estimate provided by a licensed Professional Engineer (PE) licensed in the State of Oklahoma and authorized to sign and seal plans, drawings, and costs that will be submitted to a public authority for approval;

**f.** Timeline and certification that the project will commence within six (6) months from the date of the grant award and that all HUD grant funds will be spent within two (2) years; and

**g.** Proof that the project will meet a HUD national objective within two (2) years from completion.

Applicants who do not submit the required documentation will not be considered for funding.

**7.** Transmit final scores from the reviewers to the Development Committee. The Development Committee will be responsible for making the funding recommendation to the City Council.

**E. Public hearings.** The Development Committee shall hold public hearings in accordance with the City's Citizen Participation Plan and as required by HUD regulations. The public hearings will be scheduled to meet statutory deadlines for the submission of the Consolidated or Annual Action Plan and the Consolidated Annual Performance and Evaluation Report (CAPER). A minimum of three (3) public hearings will be held annually to receive public comments regarding:

**1.** The needs of the community;

**2.** The Consolidated or Annual Action Plan and funding allocations; and

**3.** The CAPER.

Additional public hearings shall be held as required, including but not limited to:

**1.** Section 108 loan applications; and

**2.** Substantial amendments to the Consolidated Plan.

**F. Policies for allocation of HUD Grant Funding.**

**1.** On or before February 1 or each calendar year, Grants Administration shall publish a calendar showing the dates of all activities related to the development of the Consolidated Plan, Annual Action Plan, CAPER, and other related documents and activities.

**2.** The annual calendar and the following documents shall be posted on the City of Tulsa website (Community Programs - Grants):

**a.** The current Citizen Participation Plan; and

**b.** The City of Tulsa Policies and Procedures Manual related to the administration of HUD Grant Funds.

**3.** Each year, subsequent to the final Needs Assessment Public Hearing, the Development Committee shall draft a Priority Needs Statement for the allocation

of HUD Grant Funds in accordance with HUD statutes and regulations and shall submit it to the Mayor for review and recommendation, who shall forward it to the City Council for approval.

**4.** Upon approval, the Priority Needs Statement shall be incorporated into the Request for Proposals.

**5.** Within fifteen (15) days of receipt of the final scores from the reviewers, the Development Committee shall make funding recommendations based upon the tabulated scores and in accordance with the priorities of the Consolidated Plan and the Annual Action Plan. The Development Committee must submit funding recommendations to the Mayor for review and recommendation.

**6.** In the event there is a tie vote of the Development Committee, the final scores of the reviewers shall be submitted to the Mayor for review and recommendation.

**7.** Within ten (10) business days of being placed on the Mayor's agenda, the Mayor (i) may review the recommendations and submit them to the City Council, or (ii) may recommend changes and submit them to the City Council. Recommended changes to funding recommendations submitted by the Mayor must meet at least one (1) of the annual priorities set by the Development Committee for the program year being approved and provide a written justification for the change.

**8.** After receipt of the recommendations from the Development Committee and the Mayor, the City Council (i) may approve the recommendations or (ii) change and approve the recommendations, and submit them to the Mayor for signature no later than the second Thursday in April. Changes to the recommended allocations of the Development Committee or the Mayor must meet at least one (1) of the annual priorities set by the Development Committee for the program year being approved and provide a written justification for the change.

**9.** This process shall meet the date and time requirements set forth in the Annual Calendar.

**G. Final resolution on consolidated plan and use of funds.** The City Council will take action in accordance with the Annual Calendar to approve the Consolidated and Annual Action Plans and projected use of funds. The Council shall forward the final resolution to the Mayor on the first business day following the Council action for approval and signature.

**H. Submission to HUD.** The Mayor shall be responsible for submitting completed federal grant applications and required annual reports to the appropriate federal offices in a timely manner.

*(Ord. No. 22813, § 1, 1-31-2013; Ord. No. 23362, § 1, 9-10-2015; Ord. No. 23595, § 1, 11-16-2016; Ord. No. 23598, § 1, 11-30-2016)*

### Section 805. Timeliness.

HUD funds are time sensitive and shall be contracted and expended within a reasonable period of time after approval of the Annual Action Plan by HUD. The following conditions shall apply:

**A.** CDBG Public Service and the "Shelter" category of Emergency Solutions Grant projects shall expend all funds within the HUD grant period set forth in the contract. No funds shall be carried forward.

**B.** CDBG Physical projects must provide documentation required by the City of Tulsa, setting forth detailed information that assures the commencement of the project within six (6) months of the approval of the Annual Action Plan pursuant to which the funds were allocated. Required documentation includes, but is not limited to, documentation of all committed financing, timeline, firm development budget, approved procurement and other policies and procedures related to the project. Projects that do not begin within this timeframe or which provide no or inadequate explanation and documentation, will not be awarded funds. A new application may be submitted for the project during the next funding period.

**C.** CDBG Physical and Economic Development projects shall expend all funds within the contract term. Unexpended funds shall not be carried forward, provided however, Grants Administration may extend the contract term by written amendment to the contract if project activities initiated before the end of the contract term can be completed within a reasonable period of time as determined by Grants Administration. Documentation acceptable to Grants Administration must be provided as verification that the activities were commenced prior to the end of the contract term and can be completed within a reasonable period of time acceptable to Grants Administration.

**D.** HOME projects shall be contracted and funds committed within one (1) year of the Annual Action Plan pursuant to which the project was submitted. Projects that cannot be contracted within this time frame must provide to Grants Administration the documentation required by the City of Tulsa setting forth detailed information that assures the commencement of the project within a time period acceptable to Grants Administration. If the required documentation is not provided or such documentation is inadequate, the project will not be awarded funds. A new application may be submitted for the project during the next funding cycle.

*(Ord. No. 22813, § 1, 1-31-2013; Ord. No. 23362, § 1, 9-10-2015)*

### Section 806. Quarterly reports.

Grants Administration shall submit written quarterly reports, within forty-five (45) days after the end of the quarter, to the Development Committee and City Council, summarizing the status of appropriations, fund disbursements, program income, other funds available for allocation, and subrecipient contracts, and describing any outstanding documentation requirements for all projects and programs allocated funding in the current program year.

*(Ord. No. 22813, § 1, 1-31-2013; Ord. No. 23362, § 1, 9-10-2015)*

### Section 807. Off cycle awards and allocations.

Recommendations for allocations and awards outside of the regular annual funding cycle shall be made as follows:

**A.** If available funding can be carried over to the next HUD Program Year, off-cycle awards will generally not be considered in amounts less than one percent (1%) of the current Program Year's HUD Grant Funding.

**B.** If the available funds comprise less than ten percent (10%) of the Program Year's HUD Grant Funding, the Community Development Committee may initiate off-cycle award(s) by making a recommendation to the Mayor, prioritizing currently funded agencies that have expended at least 90% of their project allocation or current program year

applicants whose applications were unfunded, where additional funding would address priority needs identified in the Consolidated Plan and Annual Action Plan. The Development Committee's recommendation will include a list of all departments and agencies requesting or considered for funding and written justification for the recommendation. Within ten (10) business days of the recommendation being placed on the Mayor's agenda, the Mayor will make a recommendation to the City Council, and within fifteen (15) business days of the Mayor's recommendation, the City Council will consider a resolution to allocate the identified funds.

**C.** If the available funds comprise ten percent (10%) or more of the Program Year's HUD Grant Funding, Grants Administration may initiate off-cycle award(s) by notifying the Development Committee and potential applicants of available funds, and proceeding in accordance with the proposals procedure established in Section 804 B through D.

**D.** If Grants Administration determines that the process set forth in Section 807B. or C. above for off-cycle awards cannot meet HUD's fund commitment deadline or will exceed HUD's timeliness standards and if these funds cannot be carried forward to the next grant year, rather than having the funds recaptured by HUD, the Development Committee may initiate an off-cycle award by making a recommendation to the Mayor to disperse the unused grant funds to one or more of the funded grant recipients in the grant category for which funding is available. The Development Committee's recommendation will include a list of all funded grant recipients within the grant category and written justification for the recommendation. Within ten (10) business days of the recommendation being placed on the Mayor's agenda, the Mayor will make a recommendation to the City Council, and within fifteen (15) business days of the Mayor's recommendation, the City Council will consider a resolution to allocate the identified funds.

*(Ord. No. 22813, § 1, 1-31-2013; Ord. No. 23362, § 1, 9-10-2015; Ord. No. 23595, § 1, 11-16-2016; Ord. No. 23598, § 2, 11-30-2016)*

**Section 808. Appeals.**

**A. Right to appeal.** An appeal to a Hearing Officer may be taken by any person or organization aggrieved, where it is alleged there is an error in any order, requirement, decision, determination, or action made by the city official or employee in the allocation, disbursement, accounting, or payment of funds to an applicant awarded funds as provided for in this chapter.

**B. Hearing Officer.** There is hereby appointed a Hearing Officer and alternate Hearing Officers who shall conduct the hearings and perform the duties set forth herein. The Municipal Court Administrator (Municipal Court Clerk) is hereby appointed and shall serve as the Hearing Officer. The Hearing Officer shall appoint and designate one (1) alternate to serve in his or her absence from one (1) of the division head positions in the Municipal Court. The City Council shall appoint and designate a second alternate Hearing Officer from the classified service to serve in the absence of the Hearing Officer and the first alternate.

**C. Right to appeal to Council.** An appeal to the Council may be taken by any person or organization aggrieved where it is alleged there is an error in any order, requirement, decision or determination made by the Hearing Officer.

**D. Notice of appeal.** An appeal from any order, requirement, decision or determination made by the Hearing Officer shall be taken within ten (10) days from the date of the issuance of the notice of the decision of the Hearing Officer by filing with the City Clerk a notice of appeal, specifying the name and mailing address of the Appellant and specifying the grounds thereof.

**E. Council action.** The Council shall hold a hearing and may reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination appealed from and may make such order, requirement, decision or determination as ought to be made.

*(Ord. No. 22813, § 1, 1-31-2013; Ord. No. 23362, § 1, 9-10-2015)*

## Section 809. Waiver in a declared emergency.

**A.** In the event the Mayor declares a civil emergency, the Council may waive this chapter in its entirety as it relates to HUD Grant Funding allocated to the City for purposes related to the civil emergency. Grants Administration shall continue to comply with all applicable federal rules and regulations applicable to HUD Grant Funding. The Council can withdraw such waiver, at any time, in which case, the provisions of Title 12, Chapter 8 shall reinstate.

*(Ord. No. 24334, § 1, 4-1-2020; Ord. No. 24356, § 1, 5-6-2020)*

# TITLE 13 FIRE DEPARTMENT

**Chapter 1. Fire Department Organization**
**Chapter 2. Protection From Fires**
**Chapter 3. Firefighter's Pension and Retirement System**
**Chapter 4. Hazardous Materials Incident Response**

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. FIRE DEPARTMENT ORGANIZATION

Section 100. Fire Department.
Section 101. Qualifications.
Section 102. Tenure of office and retention of rank.
Section 103. Removal.
Section 104. Chief of Fire Department.
Section 105. Deputy Chief.
Section 106. Rules and regulations.
Section 107. Members of Personnel Committee.
Section 108. Organization of Personnel Committee.
Section 109. Meetings of Personnel Committee.
Section 110. Substitute members.

### Section 100. Fire Department.

The Fire Department of the City of Tulsa ("Fire Department") shall be composed of those officers and members appointed according to the provisions of the Charter of the City of Tulsa.

The Fire Department shall be under the control and supervision of the Chief of the Fire Department ("Chief").

### Section 101. Qualifications.

Every officer and member of the Department, and every applicant for a position therein must:

**A.** Be able to read and write the English language;

**B.** Be in good health and a person of good moral character and temperate and industrious habits;

**C.** Be physically and mentally qualified to discharge all of the duties of a fire fighter in active service;

**D.** Meet the qualifications of the laws of the state of Oklahoma; and

**E.** Shall not be engaged in any business, either within or outside the City, which would interfere with their services in the Fire Department or tend to interfere with their efficiency as a member of the Fire Department; provided, however, that the term "business" as used here does not mean a membership in any fraternal or social order.

*(Ord. No. 14092; Ord. No. 24678, § 1, 9-22-2021; Ord. No. 24805, § 1, 4-20-2022)*

### Section 102. Tenure of office and retention of rank.

The sworn members of the Fire Department, including the Chief, shall hold their respective positions during good behavior and shall be removed, suspended, demoted or discharged only for good and sufficient cause according to the provisions of the Charter of the City of Tulsa.

### Section 103. Removal.

Every officer and member of the Fire Department shall be subject to removal for good and sufficient cause which shall include any violation of his duty, drunkenness, any conduct

unbecoming a fireman, disability of any kind, violation of the rules and regulations for the governance of the Tulsa Fire Department, or residing in an area in excess of twenty-five (25) miles from the Tulsa City Central Fire Station located at Fourth and Frankfort Streets, Tulsa, Tulsa County, Oklahoma; provided, however, that the Council may waive for good cause shown, the twenty-five (25) mile residency limitation.

## Section 104. Chief of Fire Department.

The Chief shall, at all times, have the superintending control of all members of the Department and of all fire apparatus and buildings belonging to the City; he shall have the police powers of a member of the Police Department. He shall take into consideration and report to the Mayor all matters relating to the Fire Department, and to the City property under his supervision. He shall annually make to the Mayor a full and complete report in writing of the condition of the Department, giving in such report a list of the fires in the City for the preceding year, the number of false alarms, the estimated amount of property destroyed and such other statistics in relation to losses, insurance and the causes of fires, as he may be able to procure, and such other information and suggestions in relation to the Fire Department as may be necessary.

It shall be the duty of the Chief to detail one (1) or more firemen in uniform to be on duty on the stage or any other part of any opera house, theater or other building within the City where a public gathering is held, when deemed necessary by him.

All disputes and controversies between officers or members on duty concerning any matter connected with the Department shall be summarily decided by the Chief or, in his absence, by the officer of the highest rank in command. The Chief shall attend all fires that may occur in the City, as far as practicable, and all orders given by him to any member or members of the Fire Department shall be promptly obeyed. It shall be his special duty to see that the provisions of all Revised Ordinances of the City of Tulsa relating to the Fire Department are regularly and strictly enforced.

He shall establish an office which shall be kept open at all hours of the day and night.

*(Ord. No. 111)*

## Section 105. Deputy Chief.

There is hereby created the position of Deputy Chief of the Fire Department of the City of Tulsa. The Deputy Chief shall rank next below the Chief and shall perform such duties and exercise such authority as shall be assigned to him by the Chief.

In case of illness, inability to serve or absence of the Chief, the Deputy Chief shall be in command and shall direct the activities of the Department. In such event, the Deputy Chief shall assume all the duties, functions and responsibilities, and shall have all of the authority of the Chief.

In case of the absence, inability to serve or illness of the Deputy Chief during the absence, inability to serve or illness of the Chief, the Chief Officer designated by the Chief shall be in command and shall direct the activities of the Department.

*(Ord. No. 8609)*

**Section 106. Rules and regulations.**

The Chief, in conjunction with the Mayor, shall make such rules and regulations governing and defining the duties and authority of the other officers and members of the Fire Department as may be necessary or deemed expedient. Such rules and regulations shall receive the approval of the Council before becoming effective and when so approved, shall be deemed the rules and regulations governing the conduct, authority and duties of the officers and members of the Fire Department of the City; provided, however, that no rule and regulation shall be promulgated or enforced which is in conflict with the Charter or Revised Ordinances of the City of Tulsa, or the laws of the state of Oklahoma.

**Section 107. Members of Personnel Committee.**

Elected members of the Personnel Committee, created by the Charter of the City of Tulsa, shall be elected only by those members of the Department who are of the particular class designated by the Charter. Members shall serve for a term of one (1) year after their election. Elections shall be by secret ballot and held on the second Monday in the month of February at each of the fire stations and the fire alarm office of the City. The ballots cast shall be counted by the designated members of the Personnel Committee, and the result declared by the Chief not later than nine o'clock (9:00 p.m.) on the day of election.

*(Ord. No. 4444)*

**Section 108. Organization of Personnel Committee.**

The Chief shall be Chairman of the Personnel Committee and shall, within ten (10) days after the election of its members, call a meeting of the Committee for the purpose of electing a Secretary from among its members, and for the adoption of such rules and regulations for the conduct of the Committee as may be necessary to discharge the duties for which the Personnel Committee was created. It shall be the duty of the members of the Committee to adopt, subject to the approval of the Mayor, such standards of tests, examinations and ratings as will in an impartial manner determine the merit, efficiency and fitness of all applicants for promotion in the Department.

*(Ord. No. 4444)*

**Section 109. Meetings of Personnel Committee.**

The Personnel Committee shall meet at least four (4) times in each calendar year, upon dates to be selected by a majority of the Committee, and at such other times as the Mayor may order. All meetings shall be held at the Central Fire Station in Tulsa.

The secretary shall keep a written record of all meetings of the Personnel Committee.

*(Ord. No. 13057)*

**Section 110. Substitute members.**

In the event an elected member of the Personnel Committee is an applicant for promotion, a substitute shall be selected from the class which he represents at least thirty (30) days before the examination. The substitute shall be elected by the members of his class and shall serve only for the time necessary for the originally elected member to take an examination.

*(Ord. No. 4444)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 2. PROTECTION FROM FIRES

Section 200. Protection of private property.
Section 201. False alarms.
Section 202. Fire hydrants protected.
Section 202.1. Decorated fire hydrants within Destination Districts.
Section 203. Duty of Police.
Section 204. Protection of fire alarm communication system.
Section 205. Penalty.
Section 206. Outside the City.
Section 207. Contract for protection.
Section 208. Outside fire calls authorized.
Section 209. Governmental capacity.

### Section 200. Protection of private property.

The Chief shall place some member of the Department in charge of all buildings, goods and wares damaged by any fire to which the Department has been called, and such member shall remain in charge until the Chief shall have placed the property in the custody of the owner or under guard by a policeman.

*(Ord. No. 139)*

### Section 201. False alarms.

It shall be unlawful for any person or persons to knowingly give or cause to be given any false alarm of fire by means of any alarm box connected with the fire alarm system of the City or by telephone, radio or otherwise.

### Section 202. Fire hydrants protected.

It shall be unlawful for any person to place any permanent or temporary obstruction within eight (8) feet of any fire hydrant, or place any obstruction in any outlet, or in any way to tamper with City fire hydrants.

### Section 202.1. Decorated fire hydrants within Destination Districts.

Fire hydrants within the City's official Destination Districts may be decorated or painted as permitted by this section.

**A.** Representatives of the Destination District, in consultation with City personnel and the City Councilor representing the district, may develop decorative colors and designs to paint on fire hydrants, for the purpose of identifying the Destination District, stimulating tourism and public interest in the district, and fostering community pride and engagement.

**B.** Representatives of the Destination District shall be responsible for the decorating of the fire hydrants according to an agreed-upon plan, and for maintenance of the decoration. Destination Districts shall provide the funding for the painting; no City funds shall be used.

**C.** No decorative color or design shall be painted on a fire hydrant until approval of same be obtained from the Fire Department, the Water and Sewer Department, the City of Tulsa Arts Commission, and the City Council. An operational permit shall be required per Section 105.6.49 of Title 14 TRO.

**D.** No message, slogan, or political or religious symbol shall be applied to a fire hydrant. No fire hydrant shall be painted to look like any human being, fictional character, animal or other creature. Nothing herein shall qualify a fire hydrant as a public forum.

**E.** This section shall apply only to fire hydrants within the official Destination Districts of the City of Tulsa, namely: East Tulsa Main Street, Historic Greenwood, Kendall-Whittier and Route 66, and not to fire hydrants throughout the rest of the City. This section may be amended to add new destination districts as they are created.

**F.** Pertinent ordinances, including Section 202, above, Title 11-C TRO Section 206, Title 27 TRO Sections 1302, 1800 and 1805, and Title 37 TRO Section 522, among others, shall continue in full force and effect, except for the provisions of this Section 202.1. Nothing herein shall be allowed to impair public safety or interfere with the operation and maintenance function of a fire hydrant.

**G.** The City of Tulsa may revoke this permission at any time, for good cause shown. Upon such revocation, the fire hydrant shall be restored to its previous condition and appearance.

*(Ord. No. 24875, § 1, 7-20-2022)*

### Section 203. Duty of Police.

It is hereby made a duty of all policemen in whose area a fire occurs, to watch the hose while strung out for fires and to see that no person shall drive over or across it.

*(Ord. No. 111)*

### Section 204. Protection of fire alarm communication system.

It shall be unlawful for any person, firm or corporation to attach any auditing or recording equipment or any kind of fire alarm warning device to the City fire alarm communications system without first having obtained permission from the Chief or his designee.

*(Ord. No. 11557)*

### Section 205. Penalty.

Every person violating any of the provisions of Sections 201, 202 and 204 of this chapter shall be guilty of an offense, and upon conviction thereof, shall be punished by imprisonment in the City jail for a period of not more than ninety (90) days and/or by a fine of not more than One Hundred Dollars ($100.00), excluding costs.

### Section 206. Outside the City.

The City of Tulsa is authorized and empowered to enter into contracts and agreements with individuals, firms, private corporations or associations for fire protection outside the corporate limits of the City, and to contract to provide fire protection separately or jointly with other organizations and municipal subdivisions of the state by furnishing, maintaining and operating fire equipment for outside aid or mutual aid and upon such terms and conditions as is in the best interest of the contracting parties.

*(Ord. No. 4387)*

### Section 207. Contract for protection.

Any contract entered into by the City with an individual owner, firm, private corporation or association for fire protection outside the corporate limits of the City, shall provide for payment to the City, as follows:

**A.** For the attendance of the company first to report to the fire, Five Hundred Dollars ($500.00) for the first hour or any portion thereof and, thereafter, at the rate of Four Hundred Dollars ($400.00) per hour; and

**B.** For the attendance of any additional company, at the rate of Four Hundred Dollars ($400.00) per hour.

The total amount shall be paid to the Director of Finance of the City of Tulsa.

*(Ord. No. 15036)*

### Section 208. Outside fire calls authorized.

The Fire Department is authorized and directed to make all outside calls within a distance of five (5) miles from the nearest fire station unless, in the opinion of the Fire Chief or the Operations Chief on duty, it is not expedient to do so because of another fire in the City or another physical circumstance. Nothing herein shall prohibit the Chief or his designee from dispatching fire or other emergency equipment outside the corporate limits of the City.

*(Ord. No. 9018)*

### Section 209. Governmental capacity.

The Fire Department, answering any fire alarm or performing any fire prevention services outside the corporate limits of the City, shall be considered an agent of the state of Oklahoma acting solely in a governmental capacity, and the City shall not be liable in damages for any act of commission, omission or negligence while answering or returning from any fire, or reported fire, or doing or performing any fire prevention work authorized by this chapter.

*(Ord. No. 4387)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 3. FIREFIGHTER'S PENSION AND RETIREMENT SYSTEM

Section 300. Local Firefighter's Pension and Retirement Board.
Section 301. Fire runs outside of City.
Section 302. Contributions by the City.
Section 303. Reports.
Section 304. Evidence.

### Section 300. Local Firefighter's Pension and Retirement Board.

There is created the Tulsa Local Firefighter's Pension and Retirement Board ("Board"). The members of the Board shall be the Mayor, as ex officio chairman, the City Clerk, as ex officio secretary, the City Treasurer, as ex officio treasurer, and three (3) members of the Fire Department who shall be elected in the manner prescribed by the laws of the state of Oklahoma. The Board shall have full power and authority to perform all duties required by the laws of the state of Oklahoma relative to the Firefighter's Pension and Retirement System.

The provisions of the Firefighter's Pension and Retirement System of the state of Oklahoma and all amendments thereto are adopted.

### Section 301. Fire runs outside of City.

All firemen of the City of Tulsa attending and serving at fires or doing fire prevention work outside the corporate limits of the City of Tulsa shall be considered as serving in their regular line of duty, and they shall receive no additional compensation but shall be entitled to all the benefits of the Firefighter's Pension and Retirement System in the same manner as if the fire fighting or fire prevention work was being done within the corporate limits of the City.

*(Ord. No. 4387)*

### Section 302. Contributions by the City.

To comply with the laws of the state of Oklahoma and to receive its share of the Motor Fuel Excise Tax, the City shall deposit monthly in the Oklahoma Firefighter's Pension and Retirement System an amount equal to ten percent (10%) of the total actual paid gross salaries of the members of the Fire Department. The City elects not to pay any part of the contribution required by state law to be made by the members of the Fire Department.

### Section 303. Reports.

It is hereby made the duty of the City Clerk to record with the Oklahoma Firefighter's Pension and Retirement Board on December 31 of each year on the Fire Department Report the name of the Fire Department, the number of pieces of fire apparatus, the number of fire stations and organized companies, the system of water supply in use in the department and the number of fire fighters having served that calendar year with their names, birthdates, dates of appointment and dates of expiration of term of service.

### Section 304. Evidence.

The records of the Clerk and the Fire Department shall be the best evidence as to the term of years applicants for a service pension have served as members of the Fire Department.

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 4. HAZARDOUS MATERIALS INCIDENT RESPONSE

Section 400. Definitions.
Section 401. Nuisance.
Section 402. Response.
Section 403. Responsibility.
Section 404. Exemptions.
Section 405. Annual fee in lieu of costs.
Section 406. Annual fee in lieu of costs for persons outside the City of Tulsa.
Section 407. Service limits.
Section 408. Appeal.

### Section 400. Definitions.

**A.** For purposes of this chapter, "hazardous substance" means any substance that, because of its quantity, concentration or physical or chemical characteristics, poses a significant present or potential hazard, according to federal, state and/or local standards and regulations, to human health and safety or to the environment if released from its intended container.

**B.** For purposes of this chapter, a hazardous materials incident is defined as any incident involving the release, abandonment, discharge or deposit of any hazardous material from its intended container which, unless otherwise provided herein, has the potential to harm persons, property or the environment.

**C.** Business entity or person means any corporation, sole proprietorship, partnership, limited partnership, person, firm or other similar entity engaged in any commercial, business or industrial transaction of any nature.

**D.** Hazardous materials response team means the hazardous materials response team of the City's Fire Department.

**E.** Responsible party means, jointly and severally, all persons involved in the possession, ownership or transportation of any hazardous material that is released, abandoned, discharged or deposited.

*(Ord. Nos. 20646, 20721, 21148)*

### Section 401. Nuisance.

Due to the harmful effects of hazardous substances, a hazardous materials incident is hereby declared to be a nuisance.

*(Ord. Nos. 20646, 21148)*

### Section 402. Response.

The Mayor, or his designee, is authorized to respond in such manner as he deems appropriate, but shall not be obligated by any provision of this chapter to respond, to any hazardous materials incident within or outside the City of Tulsa in order to mitigate the effects of any hazardous substance or waste unlawfully, accidentally or negligently released, abandoned, discharged or deposited.

*(Ord. Nos. 20646, 21148)*

## Section 403. Responsibility.

**A.** Any of the following described persons shall be liable to the City for the payment of costs incurred by the City as provided herein:

**1.** The person or persons whose accidental, negligent or willful act or omission proximately caused such release, abandonment, discharge or deposit; or

**2.** The person or persons who owned or had custody or control of the hazardous substance or waste at the time of such release, abandonment, discharge or deposit without regard to fault or proximate cause; or

**3.** The person or persons who owned or had custody or control of the container that held such hazardous waste or substance at the time or immediately prior to such release, abandonment, discharge or deposit without regard to fault or proximate cause.

**B.** The costs for responding to a hazardous materials incident by the City shall be computed as follows:

**1.** For response at a hazardous materials incident, when the response team expends resources to mitigate an incident, the rate shall be One Thousand Eight Hundred Dollars ($1,800.00) per hour or any portion thereof; and

**2.** The actual costs of equipment, supplies, materials consumed in the response to the hazardous materials incident and any contract labor utilized in the mitigation efforts.

*(Ord. Nos. 20646, 21148)*

## Section 404. Exemptions.

**A.** Notwithstanding any other provision of this chapter, any individual who constitutes a responsible party as defined in Section 400 shall not be required to pay charges authorized under Subsection 403.B for the release, abandonment, discharge or deposit of any hazardous material if any one (1) of the following conditions is met:

**1.** The individual otherwise responsible or liable for the hazardous materials incident is not involved in the possession, ownership, or transportation of the hazardous materials as the employee, agent or servant of any business entity or person; or

**2.** The individual involved in the lawful possession, ownership or transportation of the hazardous materials released, abandoned, discharged or deposited is involved solely for private, noncommercial purposes related to the individual's own residential property, real property or private personal property, and the individual receives or is to receive no compensation for any services involving the hazardous materials, provided the hazardous materials possessed, owned or being transported by the individual are in forms, quantities and containers ordinarily and lawfully available for sale as consumer products to members of the general public.

**3.** The hazardous material giving rise to the hazardous materials incident was used for the sole purpose of providing power to the vehicle involved in the incident.

**B.** The Mayor and his designee may by contract enter into mutual aid agreements for hazardous materials response services with various persons. No charge shall apply where a contract calls for reciprocal service or supplies without charge.

**C.** None of these exemptions apply if the hazardous materials incident is caused by an act which would constitute a felony, independent of any charge arising from the release, abandonment, discharge or deposit of the hazardous materials.

*(Ord. Nos. 20646, 20721, 21148)*

## Section 405. Annual fee in lieu of costs.

Any entity or person whose principle place of business is within the city limits of Tulsa, may pay an annual fee calculated as set forth hereafter. The fee shall be due on March 1 of each year.

If this fee is paid and is current before a response is made to any hazardous materials incident, the entity or person shall be exempt from any charges pursuant to Section 403.

This fee-in-lieu exemption shall not apply to a hazardous materials incident resulting from an intentional act.

**A.** For businesses according to the number of employees at each fixed facility, the fee per facility shall be:

| | |
|---|---|
| 1—5 employees | $100.00 |
| 6—10 employees | $250.00 |
| More than 10 employees | $500.00 |

**B.** For trucking firms, a fee, in addition to the appropriate fee for fixed facilities set out in Subsection A, above, shall be required according to the number of trucks operated as follows:

| | |
|---|---|
| 1—5 trucks | $100.00 |
| 6—10 trucks | $250.00 |
| More than 10 trucks | $500.00 |

**C.** For railroad companies, a fee, in addition to the appropriate contribution for fixed facilities set out in Subsection A, above, shall be required as follows:

| | |
|---|---|
| For each railroad company | $500.00 |

**D.** For pipeline companies, a fee, in addition to the appropriate fee for fixed facilities set out in Subsection A, above, shall be required as follows:

| | |
|---|---|
| For each pipeline company | $500.00 |

**E.** For barge companies, a fee, in addition to the appropriate fee for fixed facilities set out in Subsection A, above, shall be required according to the number of barges utilized as follows:

| | |
|---|---|
| 1—5 barges | $100.00 |
| 6—10 barges | $250.00 |
| More than 10 barges | $500.00 |

**F.** No single business entity or person shall be required to pay more than Five Thousand Dollars ($5,000.00) per year as a fee in lieu of costs.

**G.** For any other business, entity or person, an annual fee of Twenty-Five Dollars ($25.00).

*(Ord. Nos. 20646, 20712, 21148)*

## Section 406. Annual fee in lieu of costs for persons outside the City of Tulsa.

Any entity or person whose principle place of business is outside the city limits of Tulsa, may pay an annual fee calculated as set forth hereafter. The fee shall be due on March 1 of each year.

If this fee is paid and is current before a response is made to any hazardous materials incident, the entity or person shall be exempt from any charges pursuant to Section 403.

This fee-in-lieu exemption shall not apply to a hazardous materials incident resulting from an intentional act.

**A.** For businesses according to the number of employees at each fixed facility, the fee per facility shall be:

| | |
|---|---|
| 1—5 employees | $200.00 |
| 6—10 employees | $500.00 |
| More than 10 employees | $1,000.00 |

**B.** For trucking firms, a fee, in addition to the appropriate fee for fixed facilities set out in Subsection A, above, shall be required according to the number of trucks operated as follows:

| | |
|---|---|
| 1—5 trucks | $200.00 |
| 6—10 trucks | $500.00 |
| More than 10 trucks | $1,000.00 |

**C.** For railroad companies, a fee, in addition to the appropriate contribution for fixed facilities set out in Subsection A, above, shall be required as follows:

| | |
|---|---|
| For each railroad company | $1,000.00 |

**D.** For pipeline companies, a fee, in addition to the appropriate fee for fixed facilities set out in Subsection A, above, shall be required as follows:

| | |
|---|---|
| For each pipeline company | $1,000.00 |

**E.** For barge companies, a fee, in addition to the appropriate fee for fixed facilities set out in Subsection A, above, shall be required according to the number of barges utilized as follows:

| | |
|---|---|
| 1—5 barges | $100.00 |
| 6—10 barges | $500.00 |
| More than 10 barges | $1,000.00 |

**F.** No single business entity or person shall be required to pay more than Ten Thousand Dollars ($10,000.00) per year as a fee in lieu of costs.

**G.** For any other business, entity or person, an annual fee of Twenty-Five Dollars ($25.00).

*(Ord. Nos. 20646, 20712, 20735, 21148)*

## Section 407. Service limits.

The service provided by the hazardous materials response team is limited to the initial emergency response to a hazardous materials release, abandonment, discharge or deposit

incident and includes only those stabilization and protective measures deemed necessary and feasible by the incident commander to initially address the immediate threat to the public health and safety. Deployment of the team beyond the scope of the team's resources and capabilities for such an initial response is not contemplated under this title and the City reserves the right to terminate the services of the team at any time after arrival at the site. Protective and stabilization requirements continuing beyond the cessation of service, along with the cleaning up, removal or disposal of hazardous materials, and any testing, monitoring or long-term care of the site of the hazardous materials incident shall remain the duty of the responsible party. The provisions of this chapter shall not be construed to excuse or exempt any responsible party from any legal duties, liabilities or costs associated with the hazardous materials release, abandonment, discharge or deposit other than the costs for the services of the hazardous materials response team for the duration of the service call.

*(Ord. Nos. 20646, 21148)*

## Section 408. Appeal.

Anyone assessed the costs of mitigating a hazardous materials incident may appeal the assessment to the City Council by notifying the Council Secretary within thirty (30) days of the date of the notification of the assessment or invoice, whichever is first, said notification of assessment or invoice shall contain language advising the recipient of the time requirements and location at which an appeal must be filed.

*(Ord. Nos. 20646, 21148)*

# TITLE 14 FIRE PREVENTION CODE

## Chapter 1. ICC International Fire Code, 2018 Edition, Adopted

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 1. ICC INTERNATIONAL FIRE CODE, 2018 EDITION, ADOPTED

Section 100. Adoption of the ICC International Fire Code, 2018 Edition.
Section 101. Amendments to the ICC International Fire Code, 2018 Edition.

### Section 100. Adoption of the ICC International Fire Code, 2018 Edition.

A certain document, three (3) copies of which are on file in the office of the City Clerk of the City of Tulsa, Oklahoma, being marked and designated as the *ICC International Fire Code*, 2018 Edition, as published by the International Code Council, Inc., hereinafter the "Fire Code" or the "Fire Prevention Code" is hereby adopted for the purpose of safeguarding life and property from fire and explosion hazards by regulating the storage, handling and use of hazardous substances, materials and devices and conditions related to the occupancy of buildings and premises in the City of Tulsa, as herein provided. Each and all of the regulations, provisions, penalties, terms and conditions of the *ICC International Fire Code*, 2018 Edition, are hereby referred to, adopted and made a part hereof as if fully set out in this chapter with the amendments thereto, prescribed in Section 101 of this chapter.

*(Ord. No. 20044, 20824, 21805; Ord. No. 22759, § 1, 9-20-2012; Ord. No. 23013, § 1, 12-12-2013; Ord. No. 23435, § 1, 2-11-2016; Ord. No. 24871, § 1, 7-20-2022)*

### Section 101. Amendments to the *ICC International Fire Code*, 2018 Edition.

The following sections of the *ICC International Fire Code*, 2018 Edition are hereby added, deleted or amended to read as follows:

**101.1 Title-Amendatory.** These regulations shall be known and may be cited as the "Fire Prevention Code of the City of Tulsa," hereinafter referred to as the "Fire Code" the "Fire Prevention Code" or "this code."

**102.13 Buildings Owned by the City of Tulsa-Added.** Buildings and structures owned by the City of Tulsa which are located inside or outside the corporate limits of the City, shall comply with the requirements of this code.

**103.1 Enforcement Agency-Amendatory.** The term "department of fire prevention," as used within the *ICC International Fire Code* shall mean the Office of the Fire Marshal of the Fire Department of the City of Tulsa. The "fire code official" as used in this code shall be the Fire Marshal. It shall be the duty and responsibility of the Fire Marshal to implement, administer and enforce the provisions of this code.

**103.2 Appointment-Amendatory.** The Office of the Fire Marshal shall be appointed in the manner specified in Article X1 of the Charter of the City of Tulsa.

**103.2.1 Peace Officer-Added.** The fire code official and the official's designated assistants may be deemed peace officers with full power to execute legal process, administer oaths, subpoena witnesses, and make arrests within the City of Tulsa, to the same extent that police officers of the City of Tulsa are authorized to do so under the ordinances of the City and the laws of the state of Oklahoma.

**104.12 Fires and Explosions, Entering Premises-Added.** The fire code official shall have the authority, when necessary, in the performance of duties imposed by this code, to enter any building, or any connected premises, where any fire or explosion has recently occurred, to examine it. The fire code official may also enter other buildings

and premises adjoining or in close proximity, to investigate any such fire or explosion, provided that all entries shall be conducted consistent with the constitution and laws of the state of Oklahoma and the United States.

**104.13 Suspicious Fires or Explosions-Added.** The fire code official, in the course of any investigation of a fire or explosion, may cause to be taken the sworn testimony of any person cognizant of any relevant facts and have it reduced to writing. If the fire code official shall determine that there is probable cause to charge any person with the crime of arson, attempted arson, or of causing or attempting to cause any unlawful fire, or should the fire code official have probable cause to believe that any person has committed a criminal offense in connection with any fire, then it shall be the fire code official's duty to cause such person to be arrested and charged with any such offenses. The fire code official shall furnish to the prosecuting authority all evidence, facts, and circumstances, together with the identity of all material witnesses and any sworn testimony, which was discovered during the investigation.

**105.1.6 Annual Permit-Amendatory.** An annual permit is a yearly permit which represents a group of individual permits for each alteration to an already approved electrical, gas, mechanical or plumbing installation. The building official is authorized to issue an annual permit upon application therefor to any person, firm or corporation regularly employing one or more qualified tradespersons in the building, structure or on the premises owned or operated by the applicant for the permit.

**105.1.6.1 Annual permit records-Amendatory.** The person to whom an annual permit is issued shall keep a detailed record of alterations made under such annual permit. The building official shall have access to such detailed records of alterations at all times. At the completion of the entity's annual permit term, the applicant shall file such detailed records of alterations with the building official. Pursuant to the authority of 59 O.S. § 1000.25, the building official shall collect fees for each individual permit which is part of the annual permit once the detailed records are submitted and remit such fees to the OUBCC.

**105.2.5 Payment of Permit Fees-Added.** Upon acceptance of application for a permit, an application fee shall be paid. Upon approval, the applicant shall be notified the permit is ready and advised of what remaining fees are due. In order for the permit to be valid, all fees shall have been paid in full and the permit posted at the job site prior to beginning construction. Payments for permits are due upon notification to the applicant that the permit is approved and is ready for issuance. Any permit not paid for within thirty (30) days after notification may be deemed void by the code official and the application fee shall then be forfeited.

**105.2.6 Alarm Industry Act Adopted and Incorporated by Reference-Added.** The Alarm Industry Act, Title 59 O.S. § 1800.1 et seq. as amended is hereby adopted by reference and incorporated into this code as if set out at-length here, save and except any portions which may be added, deleted, or amended in this title.

**105.2.6.1 Fire Extinguisher Industry Act Adopted and Incorporated by Reference-Added.** The Fire Extinguisher Industry Act, Title 59 O.S. Supp. 2007, § 1820.1 et seq. as amended is hereby adopted by reference and incorporated into this code as if set out at-length here, save and except any portions which may be added, deleted, or amended in this title.

**105.2.6.2 Fire Sprinkler Permit-Added.** The code official shall not issue a permit for the installation, alteration, or repair of fire sprinkler systems, and related equipment, including standpipes, and hose connections to fire sprinkler systems, air line systems used in connection with fire sprinkler systems, and connected tanks and pumps, until the person, firm, corporation, or limited liability company installing the same shall have on file with the City of Tulsa a surety bond in the amount of Two Thousand Five Hundred Dollars and No Cents ($2,500.00). Such bond shall be on a form satisfactory to the City, guaranteeing payment of all obligations and guaranteeing the work to be installed in accordance with the provisions of this code. No person, firm, corporation, or limited liability company shall install automatic fire sprinkler systems unless licensed as provided in Title 59 O.S. § 1800.1 et seq., as amended, and related rules, and regulations.

**105.2.6.3 Licensing-Added.** All fire alarm and fire sprinkler systems governed by this code shall be installed, inspected and repaired by licensed firms and technicians in compliance with occupational licensing laws and regulations promulgated by the Oklahoma Department of Labor, and published in the Oklahoma Administrative Code (OAC), § 380:75. All fire extinguisher systems governed by this code shall be installed, inspected and repaired by licensed firms and technicians in compliance with occupational licensing laws and regulations promulgated by the Oklahoma State Fire Marshal Commission, and published in the Oklahoma Administrative Code(OAC), § 265:50.

**105.2.6.4 Fire Protection System Design Requirements-Added.** All fire suppression and fire alarm system designs submitted to the fire code official for approval, shall be designed and/or reviewed by individuals who have achieved National Institute for Certification in Engineering Technologies (NICET), Level III or IV certification or are a professional engineer. The system designer or reviewer shall include their name, NICET Level, certification number, or professional engineer seal and signature on all drawings submitted to the fire code official for review.

**105.6 Required Operational Permits-Amendatory.** The fire code official is authorized to issue operational permits for the operations set forth in Sections 105.6.1 through 105.6.56 of this code. For each operational permit issued pursuant to Sections 105.6.1 through 105.6.56 of this code, the permit fee(s) shall be as provided in Title 49, Tulsa Revised Ordinances, Chapter 14.

**105.6.16.1 Flammable and Combustible Liquids Storage Tank Removal or Closure-Added.** An operational permit shall be required for the removal or closure of any flammable or combustible liquid, above or below ground storage tank.

**105.6.32 Open Burning-Amendatory.** It shall be unlawful and a misdemeanor offense for any person to kindle or maintain an open fire or a fire on any public street, alley, road, or other public or private ground within the corporate limits of the City of Tulsa, without first having procured an operational permit from the fire code official. Instructions and stipulations prescribed in the permit shall be strictly adhered to.

**Exception:** Recreational fires and portable outdoor fireplaces in use on privately-owned property, which do not require an operational permit. Recreational fires and portable outdoor fireplaces on any public street, alley, road, park, or right-of-way or any other public land are considered to be open burning and a violation of this subsection and shall require an operational permit.

**105.6.37.1 Places of Assembly-Amendatory.** An operational permit shall be required to operate a building, which is otherwise permitted as a place of assembly, in a manner which it was not designed. This includes but is not limited to: operating as a temporary special assembly, a temporary special amusement including seasonal decorations exceeding the allowances in the *International Fire Code*, and/or temporarily exceeding the number of occupants for which the building was designed.

**105.6.49 Decorative Hydrant Permit.** An operational permit is required to alter the color, decorate, or otherwise modify the appearance or view of a fire hydrant. Decorative hydrant permits are limited to specifically approved hydrants within areas approved by the Tulsa City Council. Within a Destination District, all hydrants will be of the same decorative specification. Multiple hydrants in a Destination District may be approved under one permit.

**105.6.51 Energy Storage Systems-Added.** An operational permit is required for stationary and mobile energy storage systems regulated by Section 1206.

**105.6.52 Security Gates-Added.** An operational permit shall be required for all security gates installed across a fire apparatus access road and regulated by Section 503.6 of this code.

**105.6.53 Key Boxes Where Immediate Access Necessary-Added.** An operational permit shall be required for each key box required and regulated by Section 506 and Section 607 of this code.

**105.6.54 Fire Protection System Installation Licenses-Added.** For each firm or individual fire protection system license applied for pursuant to Section 105.2.6.3 of this code, the applicant shall pay all required fees provided in Title 49, Tulsa Revised Ordinances, Chapter 14.

**105.6.55 State or Federal License Inspection-Added.** Any inspection performed by the fire code official pursuant to state or federal licensing requirements shall be subject to the payment of all applicable fees provided in Title 49, Tulsa Revised Ordinances, Chapter 14.

**105.6.56 Training for Employees in Private Enterprises-Added.** All fire safety and fire protection training provided by the Tulsa Fire Department to employees working for a private business entity shall be subject to a fee assessed as provided in Title 49, Tulsa Revised Ordinances, Chapter 14.

**105.7 Required Construction Permits-Amendatory.** The fire code official is authorized to issue construction permits for work as set forth in Sections 105.7.1 through 105.7.25 of this code. For each construction permit issued pursuant to Sections 105.7.1 through 105.7.25 of this code, the permit fee(s) shall be as provided in Title 49, Tulsa Revised Ordinances, Chapter 14.

**105.7.1 Automatic Fire-extinguishing Systems-Amendatory.** A construction permit is required for installation of or modification to an automatic fire-extinguishing system. Maintenance performed in accordance with this code is not considered a modification and does not require a permit.

**Exception:** Maintenance requiring the replacement of over 20 heads will require a construction permit.

**105.7.2 Energy Storage Systems-Amendatory.** A construction permit is required to install energy storage system regulated by Section 1206.

**105.7.3 Capacitor Energy Storage Systems-Deleted.** This section has been stricken from the code per OUBCC rules Section 748:20-4-6(7).

**105.7.7 Fire Alarm and Detection Systems and Related Equipment-Amendatory.** A construction permit shall be required for the installation of or modification to fire alarm and detection systems and related equipment. Maintenance performed in accordance with this code shall not be considered a modification and shall not require a permit.

**Exception:** Maintenance requiring the replacement of over 20 fire alarm devices, or the replacement of the fire alarm panel shall require a construction permit.

**108.6 Overcrowding Unlawful and an Offense-Amendatory.**

1. It shall be unlawful and a misdemeanor offense for any owner, occupant, or the owner or occupant's managing agent or employee to allow the overcrowding or admittance of any person beyond the approved occupant capacity of a building or a portion thereof. The fire code official, upon finding any overcrowding conditions or obstructions in aisles, passageways or other means of egress, or upon finding any condition, which constitutes a life safety hazard, shall be authorized to cause the event or occupancy to cease and desist until such condition or obstruction is corrected.
2. Any person, firm, corporation, or limited liability company convicted of a violation of this code shall be guilty of a misdemeanor offense and shall be punished by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00), excluding costs, fees, and assessments, or by imprisonment for a period not exceeding six (6) months, or by both such fine and imprisonment. Each person present in the building or a portion thereof in excess of the posted or genuine calculated maximum occupant load shall be deemed a separate offense.

**109.1 Appeals to the Board of Appeals-Amendatory.** In order to hear and decide appeals of orders, decisions or determinations made by the fire code official relative to the application and interpretation of this code, there shall be a Board of Appeals as created and regulated in the Building Code of the City of Tulsa, Title 51, Chapter 1, Tulsa Revised Ordinances. The fire code official shall be an ex officio member of the Board but shall have no vote on any matter before it.

**109.3 Qualifications-Deleted.** Section 108.3 of the *ICC International Fire Code* is intentionally deleted from this code.

**109.4 Appeals to the Board of Appeals-Added.** The Board of Appeals as established by Title 51, Chapter 1, Tulsa Revised Ordinances, shall hear all appeals from decisions of the fire code official and shall interpret the provisions of this code whenever a dispute arises as to the meaning or intent of any provision. Appeals to the Board shall be governed by Title 51, Chapter 1, Tulsa Revised Ordinances, provided that for any appeal filed regarding the application or interpretation of this code, wherever the term "code official" is used, it shall mean the "fire code official" as used in this code.

**110.2.1 Transfer of Ownership-Added.** It shall be unlawful for the owner of any dwelling unit or structure who has received a compliance order or upon whom a notice of violation has been served to sell, transfer, mortgage, lease or otherwise dispose of such dwelling unit or structure to another until the provisions of the compliance order or notice of violation have been complied with, or until such owner or the owner's

authorized agent shall first furnish the grantee, transferee, mortgagee or lessee a true copy of any compliance order or notice of violation issued by the Code official and shall furnish to the Code official a signed and notarized statement from the grantee, transferee, mortgagee or lessee, acknowledging the receipt of such compliance order or notice of violation and fully accepting the responsibility without condition for making the corrections or repairs required by such compliance order or notice of violation.

**110.3.2.1 Failure to Comply with Notice of Violation-Added.** It shall be unlawful and a misdemeanor offense for any owner, operator, occupant, or other person responsible for the condition or violation to fail to comply with any notice of violation. Any person, firm, corporation, or limited liability company convicted of a violation of this Section 110.3.2.1 of this code shall be guilty of a misdemeanor offense and shall be punished by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00), excluding costs, fees and assessments, or by imprisonment fora period not exceeding six (6) months, or by both such fine and imprisonment. Each day, or portion thereof, during which the failure to comply with the notice of violation is allowed to continue shall be deemed a separate offense.

**110.3.2.2 Nuisance Fire Alarm-Added.** It shall be a misdemeanor offense for any owner, operator, occupant, or other person responsible for a fire alarm system to cause or allow a Nuisance Alarm to be activated on property owned, managed, or occupied by him/her, more than five (5) times in any thirty (30) day period, or more than thirty-six (36) times in any twelve (12) month period. Any person, owner, operator, or occupant convicted of a violation of this Section 110.3.2.2 of this code shall be guilty of a misdemeanor offense and shall be punished by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00), excluding costs, fees, and assessments, or by imprisonment fora period not exceeding six (6) months, or by both such fine and imprisonment. "Nuisance Alarm" is defined in Chapter 2 of the currently adopted version of the *International Fire Code*.

**110.4 Violation of Fire Code Penalty-Amendatory.** It shall be unlawful and a misdemeanor offense for any person, firm, corporation, or limited liability company to violate any of the provisions of this code, fail to comply with any of the requirements thereof, or to erect, install, repair, alter or do any work in violation of approved construction documents or the directive of the fire code official, or of a permit or certificate issued under provisions of this code. Any person, firm, corporation, or limited liability company convicted of a violation of this code shall be guilty of a misdemeanor offense and shall be punished by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00), excluding costs, fees, and assessments, or by imprisonment for a period not exceeding six (6) months, or by both such fine and imprisonment. Each day, or portion thereof, during which a violation is committed, continued, or permitted shall be deemed a separate offense.

**112.4 Failure to Comply-Amendatory.** It shall be unlawful and a misdemeanor offense for any person, firm, corporation, or limited liability company to continue any work after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition. Any person, firm, corporation, or limited liability company convicted of a violation of this section shall be guilty of a misdemeanor offense and shall be punished by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00), excluding costs, fees, and assessments, or

by imprisonment for a period not exceeding six (6) months, or by both such fine and imprisonment. Each day, or portion thereof, during which a violation is committed, continued, or permitted shall be deemed a separate offense.

**202 General Definitions**

**[BG] Accessory Storage Spaces-Added.** A room or space used for storage purposes that is accessory to another occupancy shall be classified as part of that occupancy.

**Authority Having Jurisdiction-Added.** Means an organization, office, or individual responsible for enforcing the requirements of the State Adopted Building Codes, including the prior authorization or approval of any equipment, materials, installations, or procedures used in all or in part of the construction of a new or alteration or renovation of an existing building or structure, including integral finishes, fixtures and building system therein.

**Battery System, Stationary Storage-Amendatory.** A rechargeable energy storage system consisting of electro-chemical storage batteries, battery chargers, controls and associated electrical equipment designed to provide electrical power to a building. The system is typically used to provide standby or emergency power, an uninterruptable power supply, load shedding, load sharing or similar capabilities.

**BATTERY TYPES.**

**(A) Flow battery.** A type of storage battery that includes chemical components dissolved in two different liquids. Ion exchange, which provides the flow of electrical current, occurs through the membrane while both liquids circulate in their respective spaces.

**(B) Lead-acid battery.** A storage battery that is comprised of lead electrodes immersed in sulphuric acid electrolyte.

**(C) Lithium metal polymer battery.** A storage battery that is similar to the lithium-ion battery except that it has a lithium metal anode in the place of the traditional carbon or graphite anode.

**(D) Lithium-ion battery.** A storage battery with lithium ions serving as the charge carriers of the battery. The electrolyte is a polymer mixture of carbonates with an inorganic salt and can be in a liquid or a gelled polymer form. Lithiated metal oxide is typically a cathode and forms of carbon or graphite typically form the anode.

**(E) Nickel-cadmium (Ni-Cd) battery.** An alkaline storage battery in which the positive active material is nickel oxide, the negative contains cadmium, and the electrolyte is potassium hydroxide.

**(F) Nickle metal hydride (Ni-MH) battery.** An alkaline storage battery in which the positive active material is nickel oxide, the negative electrodes is an intermetallic compound and the electrolyte is usually potassium hydroxide.

**(G) Stationary storage battery.** A group of electrochemical cells interconnected to supply a nominal voltage of DC power to a suitably connected electrical load, designed for service in a permanent location.

**Capacitor Energy Storage System-Amendatory.** A stationary, rechargeable energy storage system consisting of capacitors, chargers, controls and associated electrical

equipment designed to provide electrical power to a building or facility. The system is typically used to provide standby or emergency power, an uninterruptable power supply, load shedding, load sharing or similar capabilities.

**(A)** The definition of a "Preengineered stationary storage battery system" has been stricken from the code.

**(B)** The definition of a "Prepackaged stationary storage battery system" has been stricken from the code.

**Capacitor Array-Amendatory.** Has been stricken from the code.

**Dispensing Area-Amendatory.** The appropriate hazardous (classified) locations for the fuel being dispensed in accordance with the National Electrical Code®-NFPA® 70.

**Energy Storage Management System-Amendatory.** An electronic system that protects energy storage systems from operating outside their safe operating parameters and disconnects electrical power to the energy storage system or places it in a safe condition if potentially hazardous temperatures or other conditions are detected.

**Energy Storage System (ESS)-Added.** One or more devices, assembled together, capable of storing energy in order to supply electrical energy at a future time.

**Energy Storage System Cabinet-Added.** A cabinet containing components of the energy storage system that is included in the UL 9540 listing for the system. Personnel are not able to enter the enclosure, other than reaching in to access components for maintenance purposes.

**Energy Storage System Commissioning-Added.** A systematic process that provides documented confirmation that an energy storage system functions according to the intended design criteria and complies with applicable code requirements.

**Energy Storage System, Electrochemical-Added.** An energy storage system that stores energy and produces electricity using chemical reactions. It includes, among others, battery energy storage systems and capacitor energy storage systems.

**Energy Storage System, Mobile-Added.** An energy storage system capable of being moved and utilized for temporary energy storage applications, and not installed as fixed or stationary electrical equipment. The system can include integral wheels for transportation or be loaded on a trailer and unloaded for charging, storage, and deployment.

**Energy Storage System, Stationary-Added.** An energy system installed as fixed or stationary electrical equipment in a permanent location.

**Energy Storage System, Walk-in Unit-Added.** A prefabricated building that contains energy storage systems. It includes doors that provide walk-in access for personnel to maintain, test and service the equipment, and is typically used in outdoor and mobile energy storage system applications.

**Main Railroad Track-Added.** That part of the railway, exclusive of switch tracks, branches, yards, and terminals upon which trains are operated by timetable or train order or both.

**[BG] Residential Group R-3-Amendatory.** Residential Group R-3 occupancies where the occupants are primarily permanent in nature and not classified as Group R-1, R-2, R-4 or I, including:

Boarding houses (nontransient) with 16 or fewer occupants.

Boarding houses (transient) with 10 or fewer occupants.

Buildings that do not contain more than two dwelling units.

Care facilities that provide accommodations for five or fewer persons receiving care.

Congregate living facilities (nontransient) with 16 or fewer occupants.

Congregate living facilities (transient) with 10 or fewer occupants.

Lodging houses with four or fewer guest rooms and no more than 2 persons per room.

**(A)** [BG] Care facilities within a dwelling. Care facilities for five or fewer persons receiving care that are within a single-family dwelling are permitted to comply with the International Residential Code® provided an automatic sprinkler system is installed in accordance with Section 903.3.1.3 or Section P2904 of the International Residential Code®.

**(B)** [BG] Lodginghouses. Owner-occupied lodging houses with four or fewer guest rooms and no more than 2 persons per room, shall be permitted to be constructed in accordance with the International Residential Code®.

**[BG] Miscellaneous Group U-Amendatory.** Buildings and structures of an accessory character and miscellaneous structures not classified in any specific occupancy shall be constructed, equipped and maintained to conform to the requirements of this code commensurate with the fire and life hazard incidental to their occupancy. Group U shall include, but not be limited to, the following:

**(A)** Agricultural buildings.

**(B)** Aircraft hangar, accessory to a one- or two-family residence (see Section 412.4 of the International Building Code®).

**(C)** Barns.

**(D)** Carports.

**(E)** Communication equipment structures with a gross floor area of less than 1,500 square feet (139 square meters).

**(F)** Fences more than 6 feet (1829 mm) high.

**(G)** Grain silos, accessory to a residential occupancy.

**(H)** Livestock shelters.

**(I)** Private garages.

**(J)** Retaining walls.

**(K)** Sheds.

**(L)** Stables.

**(M)** Tanks.

**(N)** Towers.

**(O)** [BG] GREENHOUSES. Greenhouses not classified as another occupancy shall be classified as Use Group U.

**SELF-SERVICE STORAGE FACILITY-Added.** Real property designed and used for the purpose of renting or leasing individual storage spaces to customers for the purpose of storing and removing personal property on a self-service basis.

**301.1 Scope-Amendatory.** The provisions of this chapter shall govern the occupancy and maintenance of all structures and premises for precautions against fire and the spread of fire and general requirements of fire and life safety.

**305.6 Attempted Burning-Added.** It shall be unlawful to attempt to set fire to or attempt to cause the burning of combustible material in such a manner as to endanger the safety of persons or property. Any person, firm, corporation, or limited liability company convicted of a violation of this code shall be guilty of a misdemeanor offense and shall be punished by a fine of not more than One Thousand Two Hundred Dollars ($1,200.00), excluding costs, fees, and assessments, or by imprisonment for a period not exceeding six (6) months, or by both such fine and imprisonment.

**308.1.4 Outdoor Cooking and Open Flame Devices-Amendatory.** It shall be unlawful and a misdemeanor offense for any person to operate any charcoal, electric or gas grill, or any other electric or open flame device, on combustible balconies, or within 10 feet of combustible construction.

**Exceptions:**

1. One- and two-family dwellings.
2. Where buildings, balconies and decks are protected by an automatic sprinkler system.
3. LP-gas cooking devices having LP-gas container with a water capacity not greater than 2½ pounds [nominal 1 pound (0.454 kg) LP-gas capacity].

**308.1.6.3 Sky Lanterns-Amendatory.** A person shall not release or cause to be released a sky lantern in the state of Oklahoma per Title 68 O.S. § 1624.1.

Table 315.7.6(1) Refer to OUBCC Rules Title 748:20-4-8(5).

**SECTION 320 STORM SHELTERS-Added.** Refer to OUBCC Rules Title 748:20-4-8 (6, 7, 8, 9, 10, 11, 12, and 13).

**507.4 Water Supply Test-Amendatory.** The City of Tulsa Water and Sewer Department, Distribution Systems Section shall be notified prior to the water supply test. Water supply tests shall be witnessed by a representative of the City of Tulsa Water and Sewer Department; Distribution Systems Section or approved documentation of the test shall be provided to the fire code official prior to final approval of the water supply system.

**507.5.1.2 Fire Hydrant Installation-Added.** Fire hydrants shall be installed according to specifications required by City of Tulsa Water and Sewer Department.

**507.5.1.3-Fire Hydrant Color.** All fire hydrants on the public water distribution system shall be federal yellow in color. All other fire hydrants shall be red in color. **Exception:** Hydrants on the public water distribution system with an approved Decorative Hydrant Permit per Title 14 Section 105.6.49 and Title 13 Section 202.1.

**507.5.1.4 Decorating or Painting of Fire Hydrants Without a Permit.** It shall constitute a violation of this code for any person, firm, corporation, or limited liability company to alter the color, decorate, or otherwise modify the appearance or view of a fire hydrant without an approved Decorative Hydrant Permit in accordance with Section 105.6.49 and Title 13 Section 202.1.

**508.1.3 Size-Amendatory.** The fire command center shall be not less than 0.015 percent of the total building area of the facility served or 200 square feet (19 square meters) in area, whichever is greater, with a minimum dimension of 0.7 times the square root of the room area or 10 feet (3048 mm), whichever is greater.

**Exception:** When approved by the fire code official the fire command center can be reduced in size to not less than 96 square feet (9 $m^2$) in area with a minimum dimension of 8 feet (2438 mm).

**606.7.1 Fire-Fighter Service Keys-Added.** Fire-fighter service keys shall be kept in a lock box at an approved location in the elevator lobby, not more than 10 feet from any elevator and shall be available for immediate use by firefighting and rescue personnel. Keys shall be clearly marked as elevator keys and shall be identified for the specific elevator for which they work. Instructions for the operation of the elevator(s) shall be type-set on a plastic encased card and kept with the elevator keys.

**Exception:** Fire-fighter service keys shall be kept in a lock box at an approved location on the exterior and not more than 10 feet from the main entrance to a building provided that prominently marked keys or access codes to the building are also provided.

**606.9 Elevator Maintenance-Added.** In buildings equipped with passenger elevators, at least one elevator shall be maintained in operation at all times the building is occupied.

**Exception:** Buildings equipped with only one (1) elevator shall be permitted to have the elevator temporarily out of service for testing or servicing.

**[M] 607.2 Where Required-Modified.** Refer to OUBCC Rules Title 748:20-4-1 1(1).

**608.1 General-Modified.** Refer to OUBCC Rules Title 748:20-4-11(2).

**901.6.4 Backflow Prevention Assemblies-Added.** All backflow preventers installed in fire protection systems piping shall be tested in accordance with Section 13.6 of NFPA 25. The forward flow and backflow shall be tested annually. A certified backflow prevention assembly tester must perform the specific testing procedures required to verify the proper function of reduced pressure principle assemblies and double check valve assemblies. Certification is obtained by successfully passing both a comprehensive written and a hands-on performance examination provided by either the American Backflow Prevention Association (ABPA) or the American Society of Sanitary Engineering (ASSE). The certification must be kept current by completing the requirements of the certifying organizations.

**903.2.1.2 Group A-2-Amendatory.** An automatic sprinkler system shall be provided throughout stories containing Group A-2 occupancies and throughout all stories from the Group A-2 occupancy to and including the levels of exit discharge serving that occupancy where one of the following conditions exists:

**1.** The fire area exceeds 5,000 square feet (465.5 $m^2$).

**2.** The fire area has an occupant load of 100 or more.

**3.** The fire area is located on a floor other than the level of exit discharge serving such occupancies.

**4.** A fire area with nightclub occupancy regardless of occupant load, where the total overall occupant load density is denser than 10 square feet (.93 $m^2$) per occupant.

**5.** Existing nightclubs not undergoing a change in fire area in alteration work shall be provided with an automatic sprinkler system in accordance with Section 1103.5.4 of the *International Fire Code*, 2015 Edition, as adopted by the City of Tulsa.

**Table 903.2.11.6 Additional Required Fire Suppression Systems-Amendatory.** Refer to OUBCC Rules Title 748:20-4-14(2).

**903.4.2 Alarms-Amendatory.** Approved audible and visual devices shall be connected to every automatic sprinkler system. Such sprinkler water-flow alarm devices shall be activated by water-flow equivalent to the flow of a single sprinkler of the smallest orifice size installed in the system. Alarm devices shall be provided on the address side of the exterior of the building above the fire department connection (FDC) or in an approved location. Where a fire alarm system is installed, actuation of the automatic sprinkler system shall actuate the building fire alarm system.

**905.3 Required Installations-Amendatory.** Standpipe systems shall be installed where required by Sections 905.3.1 through 905.3.8 and in locations indicated in Sections 905.4 through 905.11. Standpipe systems are allowed to be combined with automatic sprinkler systems.

**Exceptions:**

**1.** Standpipe systems are not required in Group R-3 occupancies.

**2.** Hose nozzles and hose storage devices may be removed with the approval of the fire code official.

**907.2.10.8 Responsibility for Installation, Maintenance and Repair of Smoke Alarms-Added.** Single and multi-station smoke alarms shall be installed, maintained, and repaired by the designated responsible party as follows:

**1.** Property owners shall provide and install replacement batteries as shall be necessary to keep smoke alarms fully functional.

**2.** Property owners shall provide tenants with instructions regarding testing and maintenance of smoke alarms.

**3.** Tenants shall be responsible for testing smoke alarms within their living unit at least once a month.

**4.** A tenant shall notify the owner in writing of any deficiencies or repairs necessary to keep smoke alarms fully functional.

**5.** Property owners shall replace or repair inoperative smoke alarms within 24 hours of receipt of a written notification by a tenant.

**Exception:** Occupancy use Group R-2 shall conform to the following requirements:

**1.** Property owners shall provide and install replacement batteries as shall be necessary to keep smoke alarms fully functional.

**2.** Property owners shall perform necessary maintenance on all smoke alarm defects found during inspections or upon written notification by the tenant.

**3.** Property owners shall replace or repair an inoperative smoke alarm within 24 hours of receipt of written notification by a tenant.

**4.** Property owners shall provide tenants with instructions regarding testing and maintenance of smoke alarms.

**5.** Tenants shall be responsible for testing battery-powered smoke alarms within their living unit weekly and, if the smoke alarm is other than battery-powered smoke alarm, monthly.

**6.** Tenants shall notify the owner in writing of any deficiencies or repairs necessary to keep smoke alarms fully functional.

**7.** Owners shall provide a signed lease or rental agreement addendum specifying the responsibilities of the owner and the tenant regarding smoke alarm maintenance and testing. Upon request by the fire code official, an owner shall make this lease or rental addendum available for inspection.

**907.2.22 Energy storage systems-Amendatory.** Refer to OUBCC Rules Title 748:20-4-14(4).

**907.2.23 Capacitor energy storage systems.** This section has been stricken from the code. Refer to OUBCC Rules Title 748:20-4-14(5).

**Table 911.1 Explosion Control Requirements-Amendatory.** Refer to OUBCC Rules Title 748:20-4-14(6).

**912.1 Installation-Amendatory.** Fire department connections shall be installed in accordance with the NFPA standard applicable to the system design and shall comply with Sections 912.1.1 through 912.7.

**912.1.1 Fire Department Connection Inlet Size-Added.** The fire department connection shall be a 5" (130 mm) Quick-Connect Connection with a 30° angle elbow for risers larger than 3" (78 mm) in size. A single 2½" (65 mm) NH Standard Thread inlet is permitted for risers 3" and smaller. Fire department connections on NFPA 13R systems shall be a minimum of a single 2½" (65 mm) NH Standard Thread inlet.

**1003.4 Floor Surface-Modified.** Refer to OUBCC Rules Title 748:20-4-15(1).

**1008.2.3 Exit Discharge-Modified.** Refer to OUBCC Rules Title 748:20-4-15(2).

**1010.1.9.3 Locks and Latches-Amendatory.** Locks and latches shall be permitted to prevent the operation of doors where any of the following conditions exist:

**1.** Places of detention or restraint.

**2.** In buildings in occupancy Group A having an occupant load of 49 or less, Groups B, F, M and S, and in places of religious worship, the main door or doors are permitted to be equipped with key-operated locking devices from the egress side, provided:

**2.1** The locking device is readily distinguishable as locked.

**2.2** A readily visible durable sign is posted on the egress side, on or adjacent to the door, stating: THIS DOOR TO REMAIN UNLOCKED WHEN THIS SPACE IS OCCUPIED. The sign shall be in letters 1 inch (25 mm) high on a contrasting background.

**2.3** The use of the key-operated locking device shall be revocable by the fire code official for due cause.

**3.** Where egress doors are used in pairs, approved automatic flush bolts shall be permitted to be used, provided that the door leaf having the automatic flush bolts does not have a doorknob or surface-mounted hardware.

**4.** Doors from individual dwelling or sleeping units of Group R occupancies having an occupant load of 10 or less are permitted to be equipped with a night latch, dead bolt or security chain, provided such devices may be opened from the inside without the use of a key or tool.

**5.** Fire doors after the minimum elevated temperature has disabled the unlatching mechanism in accordance with listed fire door test procedures.

**6.** Doors serving roofs not intended to be occupied shall be permitted to be locked, preventing entry to the building from the roof.

**1010.1.9.8.1 Electrical Locking System-Added.** Buildings permitted prior to 1999 that are not in compliance with Section 1010.1.9.7 of this code shall be permitted to utilize an electrical locking system with the following conditions, provided, the building is equipped throughout with an automatic sprinkler system in accordance with Section 903 of this code, and an approved automatic smoke or heat detection system installed in accordance with Section 907 of this code:

**1.** The electrical locking system shall be interconnected with the automatic sprinkler system and automatic fire detection system such that it unlocks upon actuation of the automatic sprinkler system or automatic fire detection system.

**2.** The electrical locking system shall unlock upon loss of power controlling the lock or locking mechanism. The door locks shall not be connected to an emergency power system.

**3.** A constantly and internally lit button with ¾" (19.1 mm) minimum surface dimension shall be provided 48" above the floor and within 12" (305 mm) of the door on the latch side, together with an immediately adjacent sign reading "PRESS BUTTON IF EMERGENCY DOOR OPERATION IS NEEDED" of 2" (50 mm) high letters in contrasting color to the sign surface. Equivalent Braille signage shall be provided on the sign surface, mounted 48" (1219 mm) minimum from the floor to the bottom of Braille text. Activation of the button by pressing under a force not exceeding ½ pound (2.23 N) will immediately operate a voice communication system connected to a central control point that is constantly attended that is not required to be within the building, with the ability for the central control point to immediately contact another person to respond to the emergency.

**4.** Emergency lighting and exit light fixture shall be provided.

**5.** Electrical Locking System locks provided under this section shall be required to be tested annually by an Electronic Access Control Hardware company during the annual fire alarm inspection to assure they function as required in items 1 and 2 of this section.

**6.** An occupant within the building shall be provided with at least one direct access to an exit without being required to pass through a door equipped with such electrical locking system.

**7.** An occupant within the building shall not be required to pass through more than one door equipped with such electrical locking system before entering an exit.

**1010.1.9.12 Stairway Doors-Amendatory.** Interior stairway means of egress doors shall be openable from both sides without the use of a key or special knowledge or effort.

**Exceptions:**

**1.** Stairway discharge doors shall be openable from the egress side and shall only be locked from the opposite side.

**2.** This section shall not apply to doors arranged according to Section 403.5.3 of the *International Building Code*.

**3.** In stairways serving not more than four stories, doors are permitted to be locked from the side opposite the egress side, provided they are openable from the egress side and are capable of being unlocked simultaneously without unlatching upon a signal from the fire command center, if present, or a signal from emergency personnel from a single location inside the main entrance to the building.

**4.** Stairways exit doors shall be openable from the egress side and shall only be locked from the opposite side in Group B, F, M and S occupancies where only interior access to the tenant space is from a single exit stairway where permitted in Section 1006.3.2.

**5.** Stairways exit doors shall be openable from the egress side and shall only be locked from the opposite side in Group R-2 occupancies where only interior access to the dwelling unit is from a single exit stairway where permitted in Section 1006.3.2.

**6.** Doors on stair enclosures shall be permitted to be equipped with hardware that prevents re-entry into the interior of the building, provided that:

**6.1** There are at least 2 levels where it is possible to leave the stair enclosure, and

**6.2** There shall be not more than 4 floors intervening between floors where it is possible to leave the stair enclosure, and

**6.3** Re-entry is possible on the top or next to the top floor permitting access to another exit, and

**6.4** Doors permitting re-entry are identified as such on the stair side of the door.

**1010.1.9.13 Fail-safe Electronic Locks-Added.** Except for Group A, E and H occupancies, approved fail-safe electronic locks shall be permitted to be installed on doors serving any occupancy in buildings that are equipped throughout with an automatic sprinkler system in accordance with Section 903.3.1.1 and an approved automatic smoke or heat detection system installed in elevator lobbies and machine rooms as required for elevators with recall capabilities, provided that the fail-safe electronic locks comply with all the conditions in paragraphs 1 through 6 below, to access a required exit other than the first required exit.

**1.** The fail-safe electronic lock shall unlock upon actuation of the automatic fire sprinkler system, or automatic smoke or heat detection system.

**2.** The fail-safe electronic lock shall unlock upon loss of power to the electronic locking system.

**3.** The fail-safe electronic lock shall unlock upon loss of power to the building.

**4.** The fail-safe electronic lock shall not be supplied with emergency and/or back-up power.

**5.** The fail-safe electronic lock when unlocked shall not be reset until after the emergency no longer exists.

**6.** Fail-safe electronic locks provided under this section shall be required to be tested annually by an Electronic Access Control Hardware company during the annual fire alarm inspection to assure they function as required in items 1 thru 5 of this section.

**Exceptions:**

**1.** In addition to the above requirements, where fail-safe electronic locks in accordance with this section are used to secure elevator or stair lobbies that are not provided with direct access to an exit, the lobbies shall be provided with a 2-way communication system with a central station that can be located anywhere inside or outside of the building, provided it is manned 24 hours, 7 days a week. The communication system shall be tested monthly to ensure operational condition. The lobby shall also be provided with a location sign that indicates its location in the building. Direction to exits shall be provided with exit lights as required by this code.

**2.** In addition to the above requirements, where fail-safe electronic locks in accordance with this section are used to secure elevator or stair lobbies that are not provided with direct access to an exit in buildings that are not equipped with a sprinkler system in accordance with Section 903.3.1.1 of the *International Building Code*, the lobbies shall have a manual fire alarm pull station tied into the building fire alarm system, in addition to a 2-Way communication system with a central station that can be located anywhere inside or outside of the building. The central station shall also be manned 24 hours, 7 days a week, and shall be tested monthly to ensure operational condition. The lobby shall also be provided with a location sign that indicates its location in the building. Direction to exits shall be provided with exit lights as required by this code. An informational sign is not required for the manual fire alarm pull station.

**3.** In addition to the above requirements, where fail-safe electronic locks in accordance with this section are installed on stairway doors and its operation requires a primary release from the egress side to release the locking mechanism which is not integral to the latch, a secondary push-button release shall be required to be installed on the egress side, as a back-up unlocking operation, in the event of failure of the primary release mechanism.

**1010.1.10 Panic and fire exit hardware-Amendatory.** Refer to OUBCC Rules Title 748:20-4-15 (3, 4, and 5).

**1011.1 General-Amendatory.** Stairways serving occupied portions of a building, and exterior stairways traversed by human traffic, shall comply with the requirements of Sections 1011.2 through 1011.13, notwithstanding the general scoping provisions of Section 1001.1. Alternating tread devices shall comply with Section 1011.14. Ships ladders shall comply with Section 1011.15. Ladders shall comply with Section 1011.16. These requirements shall not be applicable to stairs or steps in swimming and wading pools; play structures; building systems equipment; and similar structures.

**Exception:** Within rooms or spaces used for assembly purposes, stepped aisles shall comply with Section 1029.

**1015.4 Opening Limitations-Modified.** Refer to OUBCC Rules Title 748:20-4-15(6).

**1015.6 Mechanical equipment, systems and devices-Modified.** Refer to OUBCC Rules Title 748:20-4-15(7).

**1015.6.1 Roof Edge-Added.** Refer to OUBCC Rules Title 748:20-4-15(8).

**1015.6.2 Skylights-Added.** Refer to OUBCC Rules Title 748:20-4-15(9).

**1015.6.3 Roof Hatch-Added.** Refer to OUBCC Rules Title 748:20-4-15(10).

**1015.7 Roof Access-Modified.** Refer to OUBCC Rules Title 748:20-4-15(11).

**1016.2.1 Multiple Tenants-Amendatory.** Where more than one tenant occupies any one floor of a building or structure, each tenant space, dwelling unit and sleeping unit shall be provided with access to the required exits without passing through adjacent tenant spaces, dwelling units, and sleeping units.

**Exceptions:**

1. The means of egress from a smaller tenant space shall not be prohibited from passing through a larger adjoining tenant space where such rooms or spaces occupy less than 10 percent of the area of the larger tenant space through which they pass, are the same or similar occupancy group, a discernible path of egress travel to an exit is provided, and the means of egress into the adjoining space is not subject to locking from the egress side. A required means of egress serving the larger tenant space shall not pass through the smaller tenant space or spaces.
2. Means of egress to the required second exit through another tenant space shall not be prohibited in buildings permitted prior to October 27, 1972.
3. Existing means of egress through another tenant space, approved on or after October 27, 1972 and prior to January 1, 2008, shall be permitted to remain. Newly created means of egress through another tenant space shall not be permitted in buildings permitted on or after October 27, 1972.

**1101.1 Scope-Amendatory.** The provisions of this chapter shall apply to existing buildings constructed prior to the adoption of this code.

**Exception:** Buildings or portions of a building that comply with the latest edition of the *International Existing Building Code*, 2018 Edition, or the edition that was adopted at the time a remodel occurred.

**1103.5.6 Existing College Dormitories-Added.** An approved automatic sprinkler system shall be provided in existing college dormitories that are not incompliance with the *ICC International Building Code*.

**1103.5.7 Existing College Fraternities and Sororities-Added.** An approved automatic sprinkler system shall be provided in existing college fraternities and sororities that are not in compliance with the *ICC International Building Code*.

**1103.5.8 Existing High-rise Buildings-Amended.** An approved automatic sprinkler system shall be provided by January 1, 2010 in all existing high-rise buildings that are not in compliance with the *ICC International Building Code*, 2006 Edition, as adopted by the City of Tulsa.

**Exceptions:**

1. All apartment and condominium high-rise buildings or structures having a Residential Group R-2 occupancy classification existing prior to January 1,

2006, with no more than ten percent (10%) of the useable floor area utilized for other occupancy classifications, shall be exempt in their entirety, until such time as more than ten percent (10%) of the useable floor area is utilized for other occupancy classifications. For purposes of this Exception, apartment and condominium high-rise buildings and structures shall include buildings and structures, or portions thereof which are accessory to such apartment and condominium high-rise buildings, including parking structures.

**2.** Existing high-rise buildings with a Business Group B occupancy classification shall be equipped with an automatic sprinkler system pursuant to Option 1 or 2 of this Exception. Sprinkler system and automatic fire alarm system installations shall not be required for vacant buildings and for vacant floors in occupied buildings that are secured and kept free of storage and combustibles. Such vacant floors shall not be included in calculating the percentage of area to be sprinkled. Implementation of Option 1 or Option 2 in accordance with this Exception shall constitute a sufficient equivalency to the vertical-openings requirements set forth in Section 1103.4 of this code. For the purpose of permitting remodel work, if there exists a written City of Tulsa Fire Sprinkler Agreement Form requested by the owner and approved by the building official and fire code official and signed by the Mayor, recorded in land records maintained by the Tulsa County Clerk, the building shall receive equivalent consideration as fully equipped with a sprinkler system during the interim period leading to the completion of conditions of the agreement.

Option 1: A building owner may choose to sprinkle ninety percent (90%) of the gross floor area as defined in Section 1002 of the *ICC International Building Code*, 2006 Edition, as adopted by the City of Tulsa, [in general terms this is consistent with Building Owners and Managers Association International (BOMA) definition of net rentable space, except it also include - stairways and parking garages] where the remaining non-sprinkled area of up to ten percent (10%) of the gross floor area is not concentrated in a single area of a size greater than five percent (5%) of the gross floor area. All common exit access and exits shall be protected with sprinklers or a fire/smoke separation, pursuant to the *ICC International Building Code*, 2006 Edition, as adopted by the City of Tulsa. An automatic fire alarm system shall be installed pursuant to National Fire Protection Association (NFPA) Standard Reference Number 72 (NFPA72) in the following locations: in all common corridors throughout the building, all designated unsprinkled spaces and pursuant to Section 907.2.13.1 of this code. The owner shall comply with the following sprinkler completion schedule:

a. A building undergoing a change of use or occupancy of more than ten percent (10%) of the gross floor area shall comply with Option 1 no later than January 1, 2010.

b. A building undergoing a change of use or occupancy of more than ten percent (10%) of the gross floor area after January 1, 2010, shall comply with Option 1 by the completion of the change of use or occupancy.

c. Once exempted space(s) are designated that, taken alone or in the aggregate, will comprise the ten percent (10%) which is exempt from any

sprinkling requirement, the Owner shall sign a City of Tulsa Fire Sprinkler Agreement Form requested by the owner and approved by the building official and fire code official and signed by the Mayor, recorded in land records maintained by the Tulsa County Clerk, evidencing that the owner has selected Option 1 and will provide a schedule for equipping of the building with an automatic fire alarm system to be completed within three (3) years, or the year 2020, whichever is sooner.

The building owner shall maintain a record keeping process to account for what areas are to be sprinkled and non-sprinkled pursuant to Option 1. Owner signed documentation of the totals of this accounting shall be submitted to the Permit Office with each application for a remodel permit or a certificate of occupancy. As long as the total non-sprinkled space remains at ten percent (10%) or less the owner may choose to substitute one space for another for providing a sprinkler system, provided it meets the other provisions of this section.

d. Unless exempted pursuant to the Owner's designation of exempted space(s), any floor alteration and adjoining non-rated common corridors permitted after the year 2006 shall be equipped with a sprinkler system as required by the *ICC International Building Code*, 2006 Edition, as adopted by the City of Tulsa. The remaining area of a partially sprinkled floor shall be sprinkled pursuant to paragraph (e) of this section or in accordance with a City of Tulsa Fire Sprinkler Agreement Form requested by the owner and approved by the building official and fire code official and signed by the Mayor, recorded in land records maintained by the Tulsa County Clerk.

e. All occupied floors shall, at a minimum, be equipped with an automatic sprinkler system to provide automatic sprinkler protection to one-third of the gross floor area and the entire egress lobby space at the required and designated levels of exit discharge by the year 2014; two-thirds by the year 2017; and nine-tenths by the year 2020.

Exception: A designated egress lobby space at the level of exit discharge in buildings permitted prior to October 27, 1972, may not have to be sprinkled or separated when the building official and fire code official approves an alternative life-safety system.

f. Any vacant floor which becomes either partially or fully occupied after the year 2020 shall be fully equipped with a sprinkler system, unless exempted pursuant to the owner's designation of exempted space(s).

Option 2: A building owner may choose to equip a building with a fully automatic sprinkler system throughout. In such an event, an owner shall comply with the following time schedule, except where the work area or change in use shall be equipped with a sprinkler system in accordance with the Code:

a. A building undergoing a change of use or occupancy of more than ten percent (10%) of the gross floor area shall be fully equipped with an automatic sprinkler system throughout the building no later than the year 2010.

b. A building undergoing a change of use or occupancy of more than ten percent (10%) of the gross floor area after the year 2010 shall be fully equipped with an automatic sprinkler system throughout the building by the completion of the change of use or occupancy.

c. Any floor alteration and adjoining non-rated common corridors permitted after the year 2006 shall be equipped with a sprinkler system as required by the *ICC International Building Code*, 2006 Edition, as adopted by the City of Tulsa. The remaining area of a partially sprinkled floor shall be sprinkled pursuant to paragraph (d) of this section or in accordance with a signed City of Tulsa Fire Sprinkler Agreement Form requested by the owner and approved by the building official and fire code official and signed by the Mayor, and recorded in land records maintained by the Tulsa County Clerk.

d. All occupied floors shall, at a minimum, be equipped with an automatic sprinkler system to provide automatic sprinkler protection to one-third of the building and the entire lobby space at the level of exit discharge by the year 2014; two-thirds of the building by the year 2017; and totally by the year 2020.

e. Any Vacant floor either partially or fully occupied after the year 2020 shall be fully equipped with an automatic sprinkler system.

**1103.5.8.1 Sprinkler Protection-Added.** Where an Owner chooses to sprinkle any building as a means to provide the protection required by Section 1103.4 of this code, the Owner shall comply with the following schedule for installation of an automatic sprinkler system:

**1.** On or before July 1, 2017 the Owner(s), or the Owner's authorized agent, shall provide the code official with written plans for compliance with this section and sign a "Fire Sprinkler Agreement Form" which, when approved by the building official and fire code official and signed by the Mayor shall be recorded in land records maintained by the Tulsa County Clerk.

**2.** All occupied floors shall be equipped with an automatic sprinkler system which shall, at a minimum, provide automatic sprinkler protection to one-third of the building and the entire lobby spaces at the level of exit discharge by the year 2014; two-thirds of the building by the year 2017; and totally by the year 2020.

**Exception:** Where a building is being equipped with an automatic sprinkler system in accordance with Section 1103.5.8 Option 1 of this code.

**3.** Any new or existing high-rise sprinkler agreement shall be extended until such time as these conditions are met: A change of use of any part of a floor is made or any remodel of a floor or floors that require a building permit. When any of the above conditions are met the owner will be required to install an approved automatic fire sprinkler system for the entire floor or floors affected by those conditions.

**1003.7.6 Group R-2- Modified.** Refer to OUBCC Rules Title 748:20-4-16(2).

**1104.1 General-Amendatory.** Means of egress in existing buildings shall comply with the minimum egress requirements when specified in Table 1103.1 as further enumerated in Sections 1104.2 through 1104.25, or the building code that applied at the time

of construction, if, in the opinions of the building official and the fire code official, they do not constitute a distinct hazard to life. Existing buildings that were not required to comply with a building code at the time of construction shall comply with the minimum egress requirements when specified in Table 1103.1 as further enumerated in Sections 1104.2 through 1104.25.

**1104.5 Illumination Emergency Power-Amendatory.** Where means of egress illumination is provided, the power supply for means of egress illumination shall normally be provided by the premises' electrical supply. In the event of power supply failure, illumination shall be automatically provided from an emergency system for the following occupancies where such occupancies require two or more means of egress:

**1.** Group A having 50 or more occupants.

**2.** Group B buildings three or more stories in height, buildings with 100 or more occupants above or below the level of exit discharge serving the occupants or buildings with 1,000 or more total occupants.

**3.** Group E in interior exit access and exit stairs and ramps, corridors, windowless areas with student occupancy, shops and laboratories.

**4.** Group F having more than 100 occupants.

**Exception:** Buildings used only during daylight hours which are provided with windows for natural light according to the *International Building Code*.

**5.** Group I.

**6.** Group M.

**Exception:** Buildings less than 3,000 square feet (279 $m^2$) in gross sales area on one (1) story only, excluding mezzanines.

**7.** Group R-1.

**Exception:** Where each sleeping unit has direct access to the outside of the building at grade.

**8.** Group R-2.

**Exception:** Where each dwelling unit or sleeping unit has direct access to the outside of the building at grade.

**9.** Group R-4.

**Exception:** Where each sleeping unit has direct access to the outside of the building at ground level.

**1104.18 Dead Ends-Amendatory.** Where more than one exit or exit access doorway is required, the exit access shall be arranged such that dead ends do not exceed the limits specified in Table 1104.18. Ingroup 1-2, in smoke compartments containing patient sleeping rooms and treatment rooms, dead-end corridors shall be in accordance with section 1105.6.5.

**Exceptions:**

**1.** A dead-end passageway or corridor shall not be limited in length where the length of the dead-end passageway or corridor is less than 2.5 times the least width of the dead-end passageway or corridor.

**2.** In existing buildings, existing dead-end corridors shall be permitted to comply with lengths established in Section 805.6 of the *International Existing Building Code*. Any newly constructed dead-end corridors within an existing building shall be limited to the lengths allowed by the *International Building Code*.

**1104.25 Egress path markings-Deleted.** Refer to OUBCC Rules Title 748:20-4-16(3).

**IFC 2018 Chapter 12 Energy Systems.** Refer to OUBCC Rules Title 748:20-4-17(1 thru 223).

**2301.7 Liquid Natural Gas(LNG) Motor Fuel-Dispensing Facilities-Added.** Refer to OUBCC Rules Title 748:20-4-28(1).

**2302 Definitions-Modified.** Refer to OUBCC Rules Title 748:20-4-28(2).

**2303.1 Location of Dispensing Devices-Modified.** Refer to OUBCC Rules Title 748:20-4-28(3).

**2303.2.2 Local Emergency Disconnect Switches-Added.** Refer to OUBCC Rules Title 748:20-4-28(4).

**2303.2.3 Emergency Disconnect Switch Lighting-Added.** Refer to OUBCC Rules Title 748:20-4-28(5).

**2304.3.7 Quantity Limits-Modified.** Refer to OUBCC Rules Title 748:20-4-28(6).

**2307.3 Attendants-Modified.** Refer to OUBCC Rules Title 748:20-4-28(7).

**2307.4.1 Low Emission Transfer-Added.** Refer to OUBCC Rules Title 748:20-4-28(8).

**2307.7 Public Fueling of Motor Vehicles-Modified.** Refer to OUBCC Rules Title 748:20-4-28(9).

**2308.3.2 Warning Signs-Added.** Refer to OUBCC Rules Title 748:20-4-28(10).

**2308.4 Private Fueling of Motor Vehicles-Modified.** Refer to OUBCC Rules Title 748:20-4-28(11).

**2308.7 Emergency Shutdown Control-Modified.** Refer to OUBCC Rules Title 748:20-4-28(12).

**2308.7.1 Remote Emergency Shutdown Device-Added.** Refer to OUBCC Rules Title 748:20-1-28(13).

**2308.7.2 Local Emergency Shutdown Device-Added.** Refer to OUBCC Rules Title 748:20-4-28(14).

**2311.4.3 Ventilation-Modified.** Refer to OUBCC Rules Title 748:20-4-28(15).

**2311.8.1 Preparation of Vehicle for Repair-Modified.** Refer to OUBCC Rules Title 748:20-4-28(16).

**2311.8.1.1 Liquefied Natural Gas (LNG)-Added.** Refer to OUBCC Rules Title 748:20-4-28(17).

**3903.2 Prohibited Occupancies-Modified.** Refer to OUBCC Rules Title 748:20-4-44(1).

**3903.3 Location-Modified.** Refer to OUBCC Rules Title 748:20-4-44(2).

**3903.4 Post-process Purification and Winterization-Modified.** Refer to OUBCC Rules Title 748:20-4-44(3).

**3903.4.2 Refrigerators, Freezers, and Other Cooling Equipment-Added.** Refer to OUBCC Rules Title 748:20-4-44(4).

**3903.4.3 Post-Processing-Added.** Refer to OUBCC Rules Title 748:20-4-44(5).

**3903.5 Use of Flammable and Combustible Liquids-Modified.** Refer to OUBCC Rules Title 748:20-4-44(6).

**3903.6 Liquified Petroleum Gas-Modified.** Refer to OUBCC Rules Title 748:20-4-44(7).

**3903.6.1 Release of Gas-Added.** Refer to OUBCC Rules Title 748:20-4-44(8).

**3903.6.2 Exhaust-Added.** Refer to OUBCC Rules Title 748:20-4-44(9).

**3903.6.3 Electrical-Added.** Refer to OUBCC Rules Title 748:20-4-44(10).

**3903.6.4 Automatic Fire-Extinguishing System-Added.** Refer to OUBCC Rules Title 748:20-1-44(11).

**3903.7 Carbon Dioxide Extraction-Added.** Refer to OUBCC Rules Title 748:20-4-44(12).

**3903.7.1 Storage and Handling-Added.** Refer to OUBCC Rules Title 748:20-1-44(13).

**3903.7.2 Gas Detection System-Added.** Refer to OUBCC Rules Title 748:20-4-44(14).

**3903.7.3 Carbon Dioxide Discharge-Added.** Refer to OUBCC Rules Title 748:20-4-44(15).

**3905.3 Emergency Power System-Added.** Refer to OUBCC Rules Title 748:20-4-44(16).

**5301.1 Scope-Modified.** Refer to OUBCC Rules Title 748:20-4-58(1—6).

**5302.1 Definitions-Modified.** Refer to OUBCC Rules Title 748:20-4-58(7).

**5306.2.2 One-hour Interior Room-Modified.** Refer to OUBCC Rules Title 748:20-4-58(8).

**5501.1 Scope-Modified.** Refer to OUBCC Rules Title 748:20-4-60.

**5601.1.3 Fireworks-Amendatory.** It shall be unlawful and a misdemeanor offense for any person to possess, manufacture, store, sell, handle or use any fireworks within the corporate limits of the City of Tulsa, without first having procured an operational permit from the fire code official, as required by Section 5601.2 of this code. The operational permit fee shall be as provided in Title 49, Tulsa Revised Ordinances, Chapter 14.

**5601.2.4 Financial Responsibility-Amendatory.** Before an operational permit is issued, as required by Section 5601.2 of this code, the applicant shall file with the City Clerk of the City of Tulsa a corporate surety bond in the principal sum of $3,000,000 or certificate of insurance evidencing a public liability insurance policy for the same amount, for the purpose of the payment of all damages to persons or property which arise from, or are caused by, the conduct of any act authorized by the permit upon which any judicial judgment results. The fire code official is authorized to specify a greater or lesser amount when, in the fire code official's opinion, conditions at the location of use indicate a greater or lesser amount is required. Government entities shall be exempt from this bond requirement.

**5705.5 Alcohol-based hand rubs classified as Class I or II liquids-Modified.** Refer to OUBCC Rules Title 748:20-4-62.

**6106.1 Attendants-Modified.** Refer to OUBCC Rules Title 748:20-4-66(1).

**6106.2 Overfilling-Modified.** Refer to OUBCC Rules Title 748:20-4-66(2).

**6201.1 Scope-Amendatory.** The storage and use of organic peroxides shall be in accordance with this chapter, Chapter 50 and National Fire Protection Association (NFPA) Standard Reference Number 432 listed in Chapter 80 of this code. Unclassified detonable organic peroxides that are capable of detonation in their normal shipping containers under conditions of fire exposure shall be stored in accordance with Chapter 56 of this code.

**Chapter 80 Referenced Standards-Modified.** Refer to OUBCC Rules Title 748:20-4-85(1—13).

**Appendix A-Deleted.** Appendix A of the *International Fire Code* entitled "Board of Appeals" is intentionally deleted from this code.

**Appendices B through I-Added.** The following appendices of the *International Fire Code* are specifically referred to, adopted and made a part of this code, as if fully set out in this chapter, with the amendments thereto:

| | |
|---|---|
| APPENDIX B | FIRE-FLOW REQUIREMENTS FOR BUILDINGS |
| APPENDIX C | FIRE HYDRANT LOCATIONS AND DISTRIBUTION |
| APPENDIX D | FIRE APPARATUS ACCESS ROADS |
| APPENDIX E | HAZARD CATEGORIES |
| APPENDIX F | HAZARD RANKING |
| APPENDIX G | CRYOGENIC FLUIDS-WEIGHT AND VOLUME EQUIVALENTS |
| APPENDIX H | HAZARD MATERIALS MANAGEMENT PLAN (HMMP) AND HAZARDOUS MATERIALS INVENTORY STATEMENT(HMIS) INSTRUCTIONS |
| APPENDIX I | FIRE PROTECTION SYSTEMS-NONCOMPLIANT CONDITIONS |

**Appendix D-Amendatory.** Appendix D of the *International Fire Code* entitled *Fire Apparatus Access Roads*, Section D 102 *Required Access* is amended in this code as follows:

**D102.1 Access and Loading-Amendatory.** Facilities, buildings, or portions of buildings hereafter constructed shall be accessible to fire department apparatus by way of an approved fire apparatus access road with an asphalt, concrete, or other approved driving surface capable of supporting the imposed load of fire apparatus weighing at least 88,000 pounds (39 916 kg).

## CHAPTER 1. FRANCHISE CANCELLATION PROCEDURE

Section 100. Terms defined.
Section 101. Notice and hearing.
Section 102. Resolution of non-compliance.
Section 103. Date for hearing.
Section 104. Service of notice.
Section 105. Continuance of hearing.
Section 106. Default.
Section 107. Quorum; power to act.
Section 108. Issuance of subpoenas.
Section 109. Failure or refusal to testify.
Section 110. Duties of the City Attorney.
Section 111. Transcript.
Section 112. Cancellation.
Section 113. Penalty.

### Section 100. Terms defined.

The words or term "franchise holder" when used in this title shall mean any person, firm, corporation or association holding a franchise in the City of Tulsa.

*(Ord. No. 4125)*

### Section 101. Notice and hearing.

When it shall appear to the Council that the holder of any franchise in the City of Tulsa has failed, neglected or refused to exercise a franchise in substantial accordance with the terms of the Charter of the City of Tulsa or the ordinance granting the franchise, it shall be the duty of the Council to give notice to the franchise holder and set a definite date for a hearing as provided herein.

*(Ord. No. 4125)*

### Section 102. Resolution of non-compliance.

The Council shall first by resolution set forth in general terms the manner and form in which the franchise holder has failed, neglected or refused to exercise the franchise in accordance with the terms of the Charter or the ordinance granting the franchise.

*(Ord. No. 4125)*

### Section 103. Date for hearing.

The Council shall, in its resolution, set a date for a hearing on the charges contained therein, at which time the franchise holder shall have the right to show cause why the franchise should not be annulled or canceled. The hearing shall be set on a date not less than ten (10) days nor more than twenty (20) days after the passage of the resolution, and may be held at a regular meeting of the Council or at a special meeting called in the manner provided by the Charter.

*(Ord. No. 4125)*

### Section 104. Service of notice.

A notice of the hearing, together with a certified copy of the resolution setting forth the manner and form in which it may appear to the Council that the franchise holder has failed,

neglected or refused to exercise the franchise in accordance with the terms of the Charter or the ordinance granting it, shall be served upon the franchise holder by the Chief of Police or other officer authorized by the Mayor. Service and return of service shall be in the manner provided by law for the service of summons in a civil action. A written return of service shall be filed in the Office of the City Clerk.

*(Ord. No. 4125)*

### Section 105. Continuance of hearing.

The hearing may be continued from time to time by the Council upon good cause shown; provided, however, that no continuance shall be made except by the Council at the meeting regularly set for the hearing. The hearing may be continued from one (1) meeting to another.

*(Ord. No. 4125)*

### Section 106. Default.

In the event the franchise holder shall fail, neglect or refuse to appear before the Council in response to the notice provided herein, the franchise holder shall be adjudged in default and the Council may proceed with the hearing on the annulment or cancellation of the franchise under consideration.

*(Ord. No. 4125)*

### Section 107. Quorum; power to act.

The City and the franchise holder shall have the right to compel the attendance of witnesses and the production of books, papers and records, as provided in the Charter of the City of Tulsa, and to introduce evidence pertaining to the questions involved. A majority of the members of the Council shall constitute a quorum with power to act on all matters coming before it at the hearing pertaining to the proceedings and to the cancellation and annulment of the franchise.

*(Ord. No. 4125)*

### Section 108. Issuance of subpoenas.

Subpoenas for witnesses and for the production of books, records and papers shall be issued by the City Clerk. All subpoenas and process in the matter shall be issued as provided by the Charter and Revised Ordinances of the City of Tulsa, and shall be served and returned by the Chief of Police or other officer authorized by the Mayor, as provided by law in civil actions. The Mayor, any member of the Council, the City Attorney, any special counsel acting for the City, the franchise holder and the attorney for the franchise holder shall have the right to request the issuance of subpoenas by the City Clerk for witnesses and for the production of books, papers and records; and subpoenas shall forthwith be issued and served in the manner provided herein for all witnesses named in such subpoenas.

*(Ord. No. 4125)*

### Section 109. Failure or refusal to testify.

Any person, firm or corporation who shall fail, neglect or refuse to appear before the Council in response to any subpoena duly served or shall fail, neglect or refuse to produce

any books, records or papers in response to a subpoena duly served, or who shall refuse to be sworn or affirmed as a witness or to testify before the Council at any hearing shall be guilty of an offense, and shall be punishable in the manner provided by law; provided, however, that no testimony received by the Council in any hearing provided for herein shall be used in a criminal prosecution against such witness.

*(Ord. No. 4125)*

### Section 110. Duties of the City Attorney.

It shall be the duty of the City Attorney to diligently prosecute before the Council all charges of non-compliance with the terms of any franchise or the ordinance granting the franchise before the Council, and the Council may, in its discretion, employ special counsel for the prosecution of the charges or to assist in the prosecution.

*(Ord. No. 4125)*

### Section 111. Transcript.

At the hearing, a complete transcript of all proceedings shall be made and a copy thereof filed in the Office of the City Clerk.

*(Ord. No. 4125)*

### Section 112. Cancellation.

At the conclusion of the hearing, if it be determined by the Council that such franchise has not been or is not being exercised in substantial accordance with the terms of the Charter or the ordinance granting the franchise, it shall be the duty of the Council to enter an order by resolution canceling and annulling the franchise and to repeal the ordinance granting the franchise.

*(Ord. No. 4125)*

### Section 113. Penalty.

Any person, firm or corporation violating any of the terms or provisions of this chapter shall be guilty of an offense and upon conviction thereof shall be fined any sum not exceeding One Hundred Dollars ($100.00), including costs.

*(Ord. No. 16530)*

**[THIS PAGE INTENTIONALLY LEFT BLANK]**

## CHAPTER 2. TAX ON NON-FRANCHISE HOLDERS

Section 200. Tax levied.
Section 201. Payment.
Section 202. Failure to pay.
Section 203. Lien of tax.

### Section 200. Tax levied.

After the 1st day of August, 1935, there is levied and assessed an annual tax in the amount of two percent (2%) of the gross receipts from sales of power, light, heat, gas and electricity in the City of Tulsa from residential and commercial sales, which tax shall be in lieu of any other franchise, license, occupation or excise tax; provided, however, that the provisions herein shall not apply to any person, firm, association or corporation operating under a valid franchise in the City.

*(Ord. No. 4108)*

### Section 201. Payment.

The annual tax levied herein shall be payable quarterly beginning November 1, 1935, and placed in the general revenue fund of the City of Tulsa. Every person, firm, association or corporation subject to these provisions shall with each quarterly payment furnish a complete and accurate verified statement of all gross receipts from residential and commercial sales within the City during the period for which the quarterly payment is made. The statement and payment shall be made to the Director of Finance not later than twenty (20) days after the quarter when it is due.

*(Ord. No. 4108)*

### Section 202. Failure to pay.

Any person, firm or corporation failing or refusing to pay such tax shall be regarded as a trespasser and may be ousted from the City of Tulsa; and in addition, an action may be maintained against such person, firm or corporation for the amount of the tax and all expenses of collecting same, including reasonable attorney's fees.

*(Ord. No. 4108)*

### Section 203. Lien of tax.

The tax imposed herein shall constitute a first and prior lien upon all of the assets located within the City of Tulsa of any person, firm or corporation engaged in the business of selling power, light, heat, gas or electricity therein.

*(Ord. No. 4108)*

## CHAPTER 3. 2011 OKLAHOMA NATURAL GAS COMPANY FRANCHISE*

Section 300. Definitions.
Section 301. Grant of Franchise.
Section 302. Franchise assignment, sale or lease.
Section 303. Use and repair of rights-of-way.
Section 304. Rights-of-way construction permits.
Section 305. Appeals.
Section 306. Regulation of service.
Section 307. Engineering standards.
Section 308. Duty to move or alter facilities.
Section 309. Indemnification of the City.
Section 310. Grantee's rules and regulations.
Section 311. Maintenance and inspection of records.
Section 312. Consideration for Franchise: Franchise and volumetric rate fees.
Section 313. Right to renegotiate Franchise (reopener).
Section 314. Election required.
Section 315. Severability.
Section 316. Acceptance and effective date.
Section 317. Repealer.

### Section 300. Definitions.

As used in this Ordinance, the following words and phrases shall have the following meanings:

"**Arterial rights-of-way**" shall mean the vehicle traffic lanes under the control and maintenance jurisdiction of the City of Tulsa, including the strips of land on each side thereof, on freeways, parkways, special traffic ways primary, secondary and urban arterial streets, all as defined and established by the adopted and currently effective Tulsa City-County Major Street and Highway Plan, as it may be amended from time to time. The terms shall also apply and have reference to the street system within Tulsa's Central Business District, as defined in the City of Tulsa's adopted Comprehensive Plan, and more particularly described as the street network bounded on the East by the east leg of the inner dispersal loop, the west by I-244, north by I-244, and on the south by the Broken Arrow Expressway.

---

*(NOTE 1: The sections in this chapter have been assigned new numbers for the purpose of codification. Otherwise, the contents of the sections of this chapter are identical to Sections 61 through 75 of Ordinance No. 16620.)

(NOTE 2: On February 14, 1989, the citizens of Tulsa approved an Amended Charter of the City of Tulsa to take effect at twelve o'clock noon [12:00 p.m.] on the 8th day of May, 1990. Pursuant to the provisions of the Amended Charter, all references in this chapter to the City Auditor shall mean City Clerk, and all references to the Board of Commissioners shall mean the legislative body of the City. The City's right to terminate any franchise and to purchase the physical property of the franchise holder is contained in Section 9, Article VIII of the Amended Charter.)

**Editor's note—**Ord. No. 22415, § 1, adopted May 19, 2011, amended Ch. 3, in its entirety, to read as herein set out in §§ 300—317. See also the Code Comparative Table and Disposition List for a detailed analysis of inclusion.

"**City**" shall mean the City of Tulsa, Oklahoma, a municipal corporation.

"**Construct", "construct", "constructed" or "construction**" shall mean "install, operate and maintain".

"**Consumer**" shall mean any person located within the corporate limits of the City of Tulsa and served by the Grantee through any use of any part of the Grantee's Facilities located in the Rights-of-Way.

"**Dekatherm**" or "**Dth**" shall mean a measurement of natural gas equal to one million (1,000,000) British Thermal Units ("Btu"), or one (1) MMBtu, on a dry basis. Btu shall be computed on a temperature base of 60° Fahrenheit and a pressure base of 14.73 PSIA.

"**Director**" shall mean the executive head or such executive's designee, who is the primary City official responsible for administration and enforcement of matters related to rights-of-way construction permits, the enforcement of engineering standards as outlined in this franchise, and any other administrative matters related to this franchise.

"**Director of Finance**" or "**Finance Director**" shall mean the executive head of the Finance Department of the City of Tulsa responsible for the direction, operation and administration of the Finance Department, or such Director's designee. Regardless of changes in organization of the City, the Director of Finance or Finance Director, as used in this franchise, shall be the primary City official responsible for administration, enforcement and collection activities provided for in this franchise.

"**Distribution system**" or "**distribution system**" shall mean a system of Facilities necessary for the transportation, distribution or sale of natural gas.

"**Elevation View**" shall mean the product of the equipment's maximum height and maximum width or length dimension utilizing the largest side of the equipment. (For example, an equipment cabinet with exterior dimensions of three (3) feet height, by two (2) feet width, by two (2) feet length (three (3) feet h × four (4) feet w × two (2) feet l) would have an elevation view of twelve (12) square feet; a generator with exterior dimensions of four (4) feet height, by four (4) feet width, by five (5) feet length (four (4) feet h × four (4) feet w × five (5) feet l) would have an elevation view of twenty (20) square feet; and, a traffic control box with exterior dimensions of seven (7) feet height, by two (2) feet width, by four (4) feet length (seven (7) feet h × two (2) feet w × four (4) feet l) would have an elevation view of twenty-eight (28) square feet.

"**Emergency**" or "**emergency**" shall mean a condition that poses a clear and immediate danger to life or health, of a significant loss of property, or requires immediate repair or replacement in order to restore service to the public or a customer.

"**Facility**" or "**Facilities**" shall mean all or any part of Grantee's collective system of tangible things, including but not limited to pipelines, conduits, meters, apparatus, structures and appurtenances that are partly or entirely located in the rights-of-way in the City of Tulsa, Oklahoma for the purpose of transporting, distributing and selling gas within the City and to the public generally for domestic, commercial and industrial use.

"**Franchise**" or "**franchise**" shall mean the rights and privileges granted by the City to Grantee under Sections 301 *et seq.* of this Ordinance.

"**Franchise fee**" or "**franchise fees**" shall mean the sum of the fees to be paid to the City by Grantee under Section 312 of this Ordinance as consideration for the use of the rights-of-way.

"**Grantee**" shall mean the Oklahoma Natural Gas Company, a division of ONEOK Inc., a corporation, its successors and assigns.

"**Grantee's agent**" or "**agent**" shall mean any contractor, subcontractor, person or entity, other than an employee of the Grantee, which is the under the direction, control or authorization of Oklahoma Natural Gas Company to affect, install, operate and maintain Facilities owned, managed or operated by Grantee in the rights-of-way.

"**Install, operate and maintain**" or "**installation, operation and maintenance**" shall mean to acquire, erect, construct, install, extend, repair, remove, relocate, replace, restore or otherwise operate and maintain.

"**Major project**" shall mean projects that exceed five hundred (500) feet in length, or require boring under any rights-of-way, or the cutting of any pavement in an arterial rights-of-way, or the blockage of any traveling lane in any rights-of-way, for any amount of time. The subdivision of a project into multiple projects individually not exceeding five hundred (500) feet in length shall not exclude them from cumulatively being included within this definition.

"**Natural gas**" or "**natural gas**" shall mean a gaseous substance predominantly composed of methane.

"**Obstruct**" or "**obstruct**" shall mean to place any tangible object or material in the rights-of-way in a manner that stops, hinders, disrupts, or otherwise interferes with free and open passage over a specific area or part of the rights-of-way. The term does not include the otherwise legal parking of a vehicle subject to all the current parking regulations of Title 37, Tulsa Revised Ordinances.

"**Person**" or "**person**" shall mean any individual human being or natural person, firm, company, corporation, partnership, association, trust, trustees, trustees in bankruptcy, or receivers, or any other organization or legal entity of any kind or nature, whether public, private or governmental.

"**Private easement**" shall mean the right to enter or use certain described real property, and install facilities in said real property, when said right belongs to Grantee exclusively, and is not held by the general public or City.

"**Rights-of-way**" or "**ROW**" shall mean the surface, the airspace above ground, and the area below the surface of any public street, highway, parkway, lane, path, alley, sidewalk, boulevard, drive, bridge, tunnel, stormwater drainage system, easement, or similar property in which the City now or hereafter holds a property interest and/or a maintenance responsibility which, consistent with the purposes for which it was granted or dedicated, may be used to install, operate and maintain facilities. Rights-of-way shall not include buildings, parks, or other property owned or leased by the City, its trusts, or authorities, but does include all rights-of-way as defined by this franchise.

Should the Grantee desire the City to investigate whether the City can make a representation or guarantee that its interest or other right to control the use of such property is sufficient to permit the Grantee's use for such purposes, then the Grantee shall

submit, in advance, sufficient funds to cover all costs associated with such an investigation by the City, including but not limited to, attorney fees, surveyor fees, title examination fees, and title insurance fees.

"**Rights-of-way construction permit**" or "**ROW construction permit**" shall mean an authorization to excavate in or obstruct rights-of-way at a specific place and time, to install, operate and maintain facilities within a specified portion of rights-of-way.

"**Settlement prices**" shall mean the settlement prices for natural gas futures contracts traded on the New York Mercantile Exchange (NYMEX), or any successor exchange or index, on the 15th day of each month as published daily in the Wall Street Journal (WSJ) on the following business day (or the next day in which a settlement price is published) for each month of the twelve-month period immediately following.

"**Transport customer**" shall mean any consumer who receives Transport gas pursuant to a Transportation Tariff Arrangement.

"**Transport gas**" shall mean all natural gas transported and/or distributed by Grantee or by any other person, but not sold by Grantee, through the use of any part of Grantee's distribution system located in the rights-of-way.

"**Transportation Tariff Arrangement**" shall mean any arrangement by tariff and/or contract pursuant to which Grantee uses its facilities or allows its distribution system to be used by any other person for delivery of transport gas to any transport customer.

"**Volumetric rate**" shall mean that sum measured in cents per Dth (or other successor standard of measurement as agreed by the City and Grantee) as determined by Grantee in accordance with the provisions of this definition. The Volumetric Rate Calculation Form incorporated herein as Exhibit "A" shall be used for the calculation of the Volumetric Rate; provided, the three percent (3%) multiplier labeled "three percent (3%) Bundled Franchise Fee Rate" set forth on Exhibit "A" shall increase as provided in Subsection 312.B of this franchise. The calculation shall be completed by Grantee and filed with the City Clerk of the City upon Grantee's acceptance of this franchise and annually by each July 31 following acceptance. The calculation filed upon Grantee's acceptance of this franchise shall be effective from the date of such filing through and including December 31 of the next succeeding calendar year. The calculation filed by Grantee on July 31 in years following the year of acceptance of this franchise shall be effective on January 1 of the next succeeding calendar year through and including December 31 of such calendar year. The calculation shall be subject to review by the City for mathematical correctness and the City shall notify Grantee in writing within forty-five (45) calendar days after submission if the City deems such calculation to be incorrect. The volumetric rate calculation shall be based on the average of the average settlement prices for the twelve-month period beginning in July of the immediately preceding year and ending in June immediately preceding the July 31 calculation. The average settlement prices for each month during said twelve-month period shall be calculated by adding the settlement prices for such month and the previous eleven (11) months as published and dividing by twelve (12). The average settlement prices for each of the twelve (12) months shall then be summed and divided by twelve (12) to determine the average of the average settlement prices and then multiplied by three percent (3%) to obtain the volumetric rate; provided the three percent (3%) multiplier used to obtain the volumetric rate shall increase as provided in Subsection 312.B of this

franchise; provided, in the event the then-current average of the average settlement prices as calculated above and entered on the Volumetric Rate Calculation Form, attached as Exhibit A (see line designated on Exhibit "A" as "settlement price average"), exceeds the Index price for ONEOK Gas Transportation, L.L.C., that is listed in the issue of Platt's "Inside FERC's Gas Market Report" published on the first business day of the respective month ("Platt's Index price"), then the Platt's Index price shall be used to calculate the volumetric rate for that delivery month in lieu of the average of the average settlement prices entered on the Volumetric Rate Calculation Form (Exhibit A) (i.e. for that respective delivery month, the volumetric rate shall be determined by taking the Platt's Index price and multiplying that price by three percent (3%) or the then applicable increased percentage determined in the same manner set out in Subsection 312.B of this franchise).

"**Volumetric rate fee**" or "**volumetric rate fees**" shall mean the franchise fee or franchise fees based on the volumetric rate to be paid to the City by Grantee as required by Section 312 of this franchise.

*(Ord. No. 22415, § 1, 5-19-2011)*

### Section 301. Grant of Franchise.

**A.** The City hereby grants to Grantee, Oklahoma Natural Gas Company, a division of ONEOK Inc., a corporation, for the term of fifteen (15) years from the passage of this Ordinance and the filing of a written acceptance by the Grantee, the right to enter upon the rights-of-way to install, operate and maintain a distribution system along, across, over and under the rights-of-way for the privilege of transporting, distributing and selling natural gas to consumers and the public generally within the corporate limits of the City of Tulsa.

**B.** No main natural gas line shall be laid in any park without special permission, designating the location of such line, from the City.

**C.** This Ordinance shall have the effect of and shall be a contract between City and Grantee and shall be the measure of the rights and liabilities of the City as well as Grantee.

**D.** The franchise granted by this Ordinance is not exclusive and nothing in this Ordinance shall be construed to divest the City of its control and regulation of the rights-of-way.

*(Ord. No. 22415, § 1, 5-19-2011)*

### Section 302. Franchise assignment, sale or lease.

Grantee shall not have the right to assign, sell, lease, or otherwise transfer in any manner whatsoever either the rights or privileges granted under this franchise, or the distribution system installed, operated and maintained under this Ordinance, except as hereinafter provided. Any assignment, sale, lease, or other transfer by the Grantee of the franchise granted herein or the distribution system installed, operated and maintained hereunder shall be deemed a breach of this franchise by the Grantee and shall be ineffective and void unless all of the following conditions are met:

**A.** The proposed assignment, sale, lease or transfer shall be in writing and filed with the City Clerk of the City; and

**B.** The prospective assignee, buyer, lessee or other transferee shall have agreed in writing as part of the proposed assignment, sale, lease or transfer to accept and become

responsible to the City for full performance of all conditions, covenants, obligations, and liabilities contained in this Ordinance and such agreement shall have been filed with the City Clerk of the City; and

**C.** In the event of a proposed partial assignment, sale, lease or transfer, the proposed partial assignment, sale, lease or transfer shall have been submitted to the City Clerk and approved by the governing body of the City of Tulsa; provided, approval of a proposed partial assignment, sale, lease or transfer shall not be unreasonably delayed or unreasonably withheld by City.

In the event all the conditions set forth above are met, then such assignment, sale, lease or transfer shall be effective to grant the assignee, purchaser, lessee or transferee the rights in this franchise or the system so assigned, sold, leased or transferred, subject, however, to the continuing compliance by such assignee, purchaser, lessee or transferee with all the provisions of this Ordinance.

This Subsection 302.C shall not apply to the use of any portion of Grantee's system for the transportation, distribution or sale of natural gas to any person outside the corporate limits of the City of Tulsa.

*(Ord. No. 22415, § 1, 5-19-2011)*

### Section 303. Use and repair of rights-of-way.

**A.** Grantee's distribution system and particularly Grantee's pipes and pipelines shall be erected, placed, laid, or otherwise installed, operated and maintained in such a manner as will least interfere with other public uses of the rights-of-way, including stormwater drainage systems.

**B.** Grantee shall apply for and receive a rights-of-way construction permit, as provided in Subsection 304.A, before Grantee shall obstruct, excavate, cut pavement, bore, bore under or otherwise disturb the surface of any rights-of-way, except in the case of emergency. After such excavation or disturbance the Grantee shall, with due diligence and dispatch place the rights-of-way in a condition in compliance with the City's standards and specifications.

**C.** Upon Grantee's failure to commence, work continuously, or complete any installation, operation and maintenance or restoration work required by this franchise with due diligence and dispatch, the City may cause such work to be done after written notice to Grantee, given so as to afford Grantee an opportunity to commence and complete such work within a reasonable time. The cost of such installation, operation and maintenance or restoration incurred by the City upon Grantee's failure shall then be charged and collected from the Grantee.

*(Ord. No. 22415, § 1, 5-19-2011)*

### Section 304. Rights-of-way construction permits.

**A. Rights-of-Way Construction Permits.** Grantee or grantee's agent shall not obstruct the rights-of-way or construct new facilities or do maintenance work on more than one hundred (100) linear feet of facilities or cut the pavement or put facilities under the pavement of any defined rights-of-way without first obtaining a rights-of-way construction permit.

**B. Permit Requirements.** To apply for a rights-of-way construction permit, Grantee or grantee's agent shall furnish in writing or electronically the following:

**1.** Grantee's name, as the owner or operator of the facility; and

**2.** A sketch or drawing of the project; and

**3.** Dates of the construction activity, the proposed start and stop times, and any proposal to temporarily reopen any roadway for any "peak hour" period; and

**4.** The names of any known agents working on the proposed project under the Grantee's responsibility and authority; and

**5.** Acknowledgement of a traffic control plan in compliance with the following traffic control and safety standards and specifications:

**a.** Whenever Grantee is occupying any portion of rights-of-way, Grantee or Grantee's agent shall erect a barrier around the perimeter of any excavation and provide any and all traffic-control devices, signs, and lights appropriate to the level of complexity of the activity in order to protect, warn, and guide the public (vehicular and pedestrian) through the work zone. The manner and use of these devices shall be described within a traffic-control plan in accordance with the Manual on Uniform Traffic Control Devices.

**b.** Grantee shall designate a safety officer. The safety officer shall be responsible for safety-related issues affecting both the public and the Grantee's field employees and contractors for all job sites within the rights-of-way.

**6.** A list of the Grantee's emergency providers, including name of company, local contact person, mailing and e-mail address, twenty-four-hour emergency phone number, and pager or fax number. This information shall be kept current by written notice to the Director.

**7.** For major projects, the following may be required:

**a.** Detailed construction plans. These plans shall show the location and area of the proposed project, the locations of all existing and proposed equipment and facilities, the height and/or depth of the proposed equipment and existing facilities, and the spatial relationship with any adjacent infrastructure, rights-of-way line, easement, utility, and/or other physical features; and

**b.** A copy of the construction plans in an electronic format acceptable to the Director; and

**c.** Grantee may meet with the Director for a pre-work conference.

**C. Permit Terms and Conditions.** Each rights-of-way construction permit shall describe the general location of the permitted project, the size of the obstructed area, the duration of the permit, which shall be based on the amount of time estimated for completion of the permitted activity, and any special conditions or other information deemed relevant by the Director. A rights-of-way construction permit for major projects shall be issued or denied within fifteen (15) calendar days of submission of a completed application. All other rights-of-way construction permits shall be issued or denied within two (2) business days of submission of a completed application. In the event of denial, the Director shall advise the applicant of all steps necessary to secure approval of the permit.

**D. Emergency Permits.**

**1.** An emergency rights-of-way construction permit is available for projects. Any emergency excavation required to maintain the safety and well being of the general public should be commenced without delay. Notification must be provided to the Director within two (2) hours of the commencement of the project. This notification shall consist of the following:

**a.** Anticipated date, duration, start and stop time, location (site address if possible), including nearest cross street; and

**b.** Size of the obstruction and work area less any normal traffic control in advance; and

**c.** The name of any agent performing work on behalf of the Grantee; and

**d.** Grantee's name; and

**e.** Local contact information; and

**f.** General description of the type of construction activity and/or facilities installed.

**2.** Grantee shall notify the Director upon the completion of the project. Grantee and any agents engaged in an activity within the rights-of-way, must notify the Director that an obstruction will occur.

**3.** Whenever the Grantee performs any work under an emergency rights-of-way construction permit, the Grantee shall apply for a standard rights-of-way construction permit as soon as possible, but in any event no later than two (2) business days following the date of notification.

**E. Permit Conditions.** As a condition of any rights-of-way construction permit, Grantee shall adhere to the following requirements:

**1.** All engineering requirements and construction standards imposed by this franchise; and

**2.** All current rights-of-way construction permits shall be maintained on each work site. All rights-of-way construction permits shall be presented upon request to any representative of the Director; and

**3.** Excavation projects are subject to the requirements imposed by this franchise.

**F. Failure to Comply.** In the event Grantee's agent fails to comply with requirements of this section, Grantee's agent shall be precluded from obtaining any rights-of-way construction permit or performing any further construction within the City's rights-of-way for up to twelve (12) months from the date of notification.

**G. Renewal.** In the event that a permitted project is not concluded prior to expiration of the rights-of-way construction permit under which it is being performed, the Grantee shall apply to the Director for an extension of the permit. In such case, the following information shall be submitted:

**1.** Statement from the Grantee indicating the reason for the delay in completion of the project; and

**2.** Date that the Grantee anticipates the project to be completed.

*(Ord. No. 22415, § 1, 5-19-2011)*

**Section 305. Appeals.**

Whenever the Grantee is aggrieved and it is alleged there is an error in any order, requirement, decision, or determination made by any person in the enforcement of any provision of this franchise, an appeal may be taken by the Grantee to the Director or the Director's designee. The Director or Director's designee shall provide Grantee with a hearing prior to issuing a written decision in the matter. The hearing shall take place no less than ten (10) business days after written notice of the date and time of the hearing has been provided to Grantee. The appeal must be presented upon written request to the Director, or the Director's designee. The Director, or the Director's designee, shall render a decision within ten (10) business days after affording Grantee a hearing as described herein-above. A decision from the Director, or the Director's designee, shall be made in writing, and shall be supported by written findings establishing the reasonableness of the decision. Appeal of any decisions made by the Director, or the Director's designee, shall be made to the governing body, and the governing body of City shall afford Grantee a hearing on the matter (upon ten (10) business days advance notice) before rendering a decision. Appeal of any decision made by the governing body shall be made to the District Court of Tulsa County, Oklahoma, and an appeal from any decision of the District Court shall be as in all other civil actions.

*(Ord. No. 22415, § 1, 5-19-2011)*

**Section 306. Regulation of service.**

**A.** The distribution system of the Grantee shall at all times be installed, operated and maintained in such condition as will enable the Grantee to furnish adequate and continuous service in accordance with (1) good and accepted practice; (2) as required by the regulatory orders, rules and regulations of the Corporation Commission of Oklahoma; and (3) all federal laws and regulations.

**B.** In the event that the Corporation Commission of Oklahoma or other state regulatory authority should be deprived of the authority to regulate Grantee, then the City shall have the authority to set rates, terms and conditions of service for transportation, distribution or sale of natural gas by Grantee within the corporate limits of the City of Tulsa.

*(Ord. No. 22415, § 1, 5-19-2011)*

**Section 307. Engineering standards.**

**A. Allocation of Space in the Rights-of-Way.** The Director shall have the power to establish limitations on the placement of new or additional facilities within specific congested segments of the rights-of-way if there is insufficient space to accommodate all of the requests of entities to occupy the rights-of-way. In making such decisions, the Director shall strive, to the extent possible, to accommodate all existing and potential users of the rights-of-way, but shall be guided primarily by considerations of the public interest, the public's needs for the particular utility service, the width and physical condition of the rights-of-way, the protection of existing utilities and improvements in the rights-of-way, and future City plans for public improvements and development projects which have been determined to be in the public's interest.

**B. Location Criteria.**

**1. Corridors.** The Director shall assign specific corridors within the rights-of-way, or any particular segment thereof as may be necessary, for each type of facility that is
