Editor's note—Per an email from the City Clerk, dated February 21, 2020, Section 5.19 has been updated to read as set out herein.

ARTICLE III. RED LIGHT INFRACTIONS*

Sec. 5.20. Purpose and Intent.

The purpose of this article is to specifically authorize the use of traffic infraction detectors, as permitted by general law, within the jurisdictional limits of the City of Orlando.
(Ord. No. 2013-31, § 1, 6-17-2013, Doc. #1306171202)

Sec. 5.21. Implementation of General Law.

The City exercises its option to use traffic infraction detectors within its jurisdiction in accordance with § 316.0083, Florida Statutes, to enforce §§ 316.074(1) or 316.075(1)(c)1., Florida Statutes. The City may utilize traffic infraction detectors as a supplemental means of monitoring and enforcing laws related to traffic control signals as permitted and provided for by state law.
(Ord. No. 2013-31, § 1, 6-17-2013, Doc. #1306171202)

Sec. 5.22. Rules and Regulations.

The Orlando Stops Program Operations Manager is authorized to adopt rules and procedures that will govern the implementation of § 316.0083, Florida Statutes.
(Ord. No. 2013-31, § 1, 6-17-2013, Doc. #1306171202)

Sec. 5.23. Designation of Enforcement Areas.

Having considered evidence at a public hearing supporting the installation and operation of traffic infraction detectors on certain roadways within the jurisdiction of the City, the following intersections constitute a heightened safety risk that warrants additional enforcement measures by installation or placement of traffic infraction detectors pursuant to F.S. § 316.0083 and HB 1363 (2024). Additional traffic infraction detectors may be approved via amendment to this subsection in accordance with applicable law.

1. Amelia Street & Bumby Avenue
2. Amelia Street & Hughey Avenue

*__Editor's note—__Ord. No. 2013-31, § 1, adopted June 17, 2013, repealed the former Art. III, §§ 5.20—5.27, and enacted a new Art. III as set out herein. The former Art. III pertained to similar subject matter and derived from an ordinance adopted Dec. 17, 2007, § 1, Doc. #0712171002; an ordinance adopted Nov. 2, 2009, § 2, Doc. #0911021105; and Ord. No. 2010-16, § 1, adopted June 21, 2010, Doc. #1006211102.

(Ord. No. 2025-37, § 1, 10-20-2025, Doc. #25102012b)

ARTICLE IV. SCHOOL SPEED ZONE INFRACTIONS

Sec. 5.24. School speed zone enforcement cameras.

(a) *Intent.* The intent of this section is to protect the health, safety, and welfare of the citizens of Orlando by authorizing the placement or installation and use of speed detection systems on roadways maintained as a school zone as authorized under F.S. § 316.008, pursuant to F.S. § 316.1895, within the jurisdiction of the City, to promote compliance with speed limits in school zones, and to adopt a quasi-judicial system to enforce violations. This section provides a supplemental means of enforcing unlawful speed violations in school zones and shall not prohibit a law enforcement officer from issuing a uniform traffic citation for a traffic violation in accordance with F.S. Ch. 316.

(b) *Definitions.* For the purposes of this section, the following terms shall have the meanings given below:

Hearing procedures means the procedures set forth under F.S. § 316.1896, governing noticing, scheduling, and conducting hearings before a local hearing officer.

Law enforcement officer means, as defined by F.S. § 943.10(1), any person who is elected, appointed, or employed full time by a municipality or the state or any political subdivision thereof; who is vested with authority to bear arms and make arrests; and whose primary responsibility is the prevention and detection of crime or the enforcement of the penal, criminal, traffic, or highway laws of the state.

Local hearing officer means the City Code Enforcement Board and/or a Code Enforcement Hearing Officer/Special Magistrate.

Motor vehicle means, as defined by F.S. § 316.003, a self-propelled vehicle not operated upon rails or guideway, but not including any bicycle, electric bicycle, motorized scooter, electric personal assistive mobility device, mobile carrier, personal delivery device, swamp buggy, or moped.

Notice of violation means the written notification sent to the registered owner of a vehicle after a school zone speed infraction by that vehicle has been captured by a Speed Detection System and thereafter reviewed and approved by a law enforcement officer or traffic infraction enforcement officer. A notice of violation must be in the form and include the contents prescribed by F.S. § 316.1896, as it may be amended.

School Zone means that portion of a street or highway established as a school zone pursuant to F.S. § 316.1895, as it may be amended.

School Zone Speed Enforcement Program means the regulations and procedures governing the use of Speed Detection Systems on roadways maintained as a School Zone within the jurisdiction of the City, as provided for by applicable law and established by this section.

School Zone Speed Infraction means a violation of F.S. §§ 316.183 or 316.1895, captured by a Speed Detection System on a roadway maintained as a School Zone during the hours provided for by appliable law and set forth in this section.

School Zone Speed Limit means the regularly posted or reduced posted speed limit within a school zone pursuant to F.S. § 316.1895.

Speed Detection System means a portable or fixed automated system used to detect a motor vehicle's speed using radar or LiDAR and to capture a photograph or video of the rear of a motor vehicle that exceeds the speed limit in force at the time of the violation. This term is synonymous with the term "Speed Detection System" defined in F.S. § 316.003(83), as it may be amended.

Traffic infraction Enforcement Officer means a person who meets the qualifications established by F.S. § 316.640, as it may be amended.

Uniform Traffic Citation means the citation issued to the registered owner of a vehicle for a school zone speed infraction, in the form and including the contents prescribed by F.S. §§ 316.1896 and 316.650, as amended.

(c) *Use of speed detection systems.* Pursuant to F.S. § 316.008(9), the City of Orlando elects to use speed detection systems on roadways properly maintained as a school zone to enforce speed limits within the City's jurisdiction. The City may utilize speed detection systems as a supplemental means of assisting law enforcement personnel in the enforcement of compliance with state law related to unlawful speed in school zones, in accordance with F.S. Ch. 316.

(d) *Program administration.*

(1) The Orlando Police Department in cooperation with any necessary City staff and any approved vendor and its employees and agents, shall be enabled and empowered by this section to assist with the City's school zone speed enforcement program. This section shall further enable the City to enter into agreements with one (1) or more vendors to place or install speed detection systems and carry out services consistent with the implementation and enforcement of the provisions of Chapter 2023-174, Laws of Florida, subject to any other applicable state or local legal requirements or this section.

(2) The City may utilize a Code Enforcement Hearing Officer/Special Magistrate, and/or its Code Enforcement Board as its local hearing officer, who shall have jurisdiction to conduct proceedings challenging the issuance of a notice of violation.

(3) The City shall, from time to time, designate a member of its existing staff to serve as clerk for the hearings before a local hearing officer.

(e) *Program implementation requirements.*

(1) *Vendor contract.* City Council shall approve any contract for placement or installation of a speed detection system in a school zone in accordance with F.S. § 316.0776.

(2) *Installation and operation of Speed Detection Systems.* Pursuant to F.S. §§ 316.008 and 316.0776, Speed Detection Systems may be installed and operated only in the School Zones designated by this section and/or subsequent amendments thereto.

(3) *Signage requirements.* The installation and operation of speed detection systems, including required signage, shall be in accordance with F.S. Ch. 316, all applicable regulations of the Florida Department of Transportation and the Florida Department of Highway Safety and Motor Vehicles, and the terms of any Memorandum of Understanding or other written agreement that may be entered into between Orlando Police Department and/or the City and its vendor(s).

(4) *Public awareness.* Pursuant to F.S. § 316.0776, before notices of violation for School Zone speed infractions may be issued, a public announcement and thirty-day public awareness campaign of the initial proposed use of Speed Detection Systems must be conducted. During the thirty-day public awareness campaign, only a warning may be issued to the registered owner for a school speed zone infraction and a fine shall not be imposed.

(f) *Designation of School Zones.* Having considered evidence at a public hearing supporting the installation and operation of speed detection systems on certain roadways maintained as school zones within the jurisdiction of the City, the school zones on the roadways surrounding the following schools constitute a heightened safety risk that warrants

additional enforcement measures by installation or placement of Speed Detection Systems pursuant to F.S. § 316.008. Additional Speed Detection Systems may be approved via amendment to this subsection in accordance with applicable law.

1. Audubon Park School, Public K8, 1500 Falcon Dr. 32803.
2. Blankner School, Public K8, 2500 S Mills Ave. 32806.
3. Boone, Public HS, 1000 E Kaley St. 32806.
4. College Park, Public MS, 1201 Maury Rd. 32804.
5. Dover Shores, Public ES, 1200 Gaston Foster Rd. 32812.
6. Eagle's Nest, Public ES, 5353 Metrowest Blvd., 32811.
7. Engelwood, Public ES, 5985 La Costa Dr., 32807.
8. Innovation, Public MS, 13950 Storey Park Blvd., 32832.
9. Lake Como School, Public K8, 2450 E Gore St., 32806.
10. Lake Silver, Public ES, 2401 N Rio Grande Ave., 32804.
11. Laureate Park, Public ES, 7800 Laureate Blvd., 32827.
12. Metrowest, Public ES, 1801 Lake Vilma Dr., 32835.
13. Millennia Gardens, Public ES, 3515 Gardens Ridge Way, 32811.
14. Odyssey, Public MS, 9290 Lee Vista Blvd., 32829.
15. Princeton, Public ES, 311 W. Princeton St., 32804.
16. Roberto Clemente, Public MS, 6000 Stonewall Jackson Rd., 32807.
17. Rock Lake, Public ES, 408 N. Tampa Ave., 32805.
18. Sun Blaze, Public ES, 9101 Randal Park Blvd., 32832.
19. Vista Lakes, Public ES, 6050 Lake Champlain Dr., 32829.
20. Vista Pointe, Public ES, 6900 Market Place Dr., 32822.
21. Westpointe, Public ES, 7525 Westpointe Blvd., 32835.

(g) *Enforcement procedures.*

(1) *General powers.* The Orlando Police Department and its Orlando Stops Traffic Safety Program shall be authorized to enforce the applicable speed limit on a roadway properly maintained as a school zone pursuant to Chapter 2023-174, Laws of Florida, for violations of F.S. §§ 316.183 and 316.1895, through the use of a Speed Detection System for the detection of speed and capturing of photographs or videos for violations in excess of ten (10) miles per hour over the speed limit in force at the time of the violation. The Orlando Police Department Chief of Police or designee is responsible for establishing the business rules of procedure between the vendor and the City necessary for implementing this section.

(2) *Review of speed detection system information.* Information captured by a speed detection system shall be reviewed by an authorized employee or agent of the City of Orlando.

(3) *School zone speed detection system violations.* The applicable speed limit on a roadway properly maintained as a school zone may be enforced through the capturing of a violation by a speed detection system as follows:

(i) For a violation of F.S. § 316.1895, in excess of ten (10) miles per hour over the school zone speed limit which occurs within thirty (30) minutes before through thirty (30) minutes after the start of a regularly scheduled breakfast program.

(ii) For a violation of F.S. § 316.1895, in excess of ten (10) miles per hour over the school zone speed limit which occurs within thirty (30) minutes before through thirty (30) minutes after the start of a regularly scheduled school session.

(iii) For a violation of F.S. § 316.183, in excess of ten (10) miles per hour over the posted speed limit during the entirety of a regularly scheduled school session.

(iv) For a violation of F.S. § 316.1895, in excess of ten (10) miles per hour over the school zone speed limit which occurs within thirty (30) minutes before through thirty (30) minutes after the end of a regularly scheduled school session.

(4) *Notice of violation.* A notice of violation must be sent to the registered owner of the motor vehicle involved in the violation as provided under F.S. § 316.1896.

(5) *Hearing procedures and appeals.* Hearings to contest notices of violations shall be held in accordance with the requirements of Chapter 2023-174, Laws of Florida, and F.S. §§ 316.0083(5) and 316.1896. An aggrieved party may appeal a final administrative order of the Local Hearing Officer in accordance with F.S. § 316.1896.

(6) *Defenses, penalties and costs.* The enforcement of school zone speed infractions including the issuance of notices of violation and uniform traffic citations, the processing of affidavits to assert an exception to liability, and the assessment of fines and costs must comply with F.S. § 316.1896. In accordance with F.S. § 316.1896(14)(e), the local hearing officer must assess the statutory authorized penalty if the petitioner is found in violation and may also require the petitioner to pay municipal costs not to exceed two hundred fifty dollars ($250.00) per violation. A registered owner who receives a notice of violation may, within thirty (30) days:

(i) Pay the fine of one hundred dollars ($100.00), as fixed by F.S. § 318.18(3)(d), as it may be amended;

(ii) Submit an affidavit establishing an exception to liability pursuant to F.S. § 316.1896(8), as it may be amended; or

(iii) Request a hearing.

(7) *Issuance of a uniform traffic citation.* A law enforcement officer or traffic infraction enforcement officer shall be authorized, pursuant to F.S. § 316.1896, to issue a uniform traffic citation for violations of F.S. § 316.1895 or 316.183 as authorized by

F.S. § 316.008(9). If the registered owner of a vehicle does not timely pay the fine reflected on the notice of violation, submit a sufficient affidavit, or request a hearing, a uniform traffic citation must be issued by a law enforcement officer or a traffic infraction enforcement officer to the registered owner and transmitted by the City to the Orange County Clerk of the Court for disposition by the county court.

(h) *Collection of evidence, public records, and retention requirements.* In accordance with F.S. § 316.1896, a speed detection system in a school zone may not be used for remote surveillance. The collection of evidence by a speed detection system to enforce school zone speed infractions, or user-controlled pan or tilt adjustments of speed detection components, do not constitute remote surveillance. Recorded video or photographs collected as part of a speed detection system in a school zone may only be used to document school zone speed infractions and for purposes of determining criminal or civil liability for incidents captured by the speed detection system incidental to the permissible use of the speed detection system. Any recorded video or photograph obtained via a speed detection system must be destroyed within ninety (90) days after the final disposition of the recorded event, pursuant to F.S. § 316.1896. Written notice that such records have been destroyed must be provided by December 31st of each year. All public records related to the administration of this section must be maintained in accordance with Florida law and all requests for such records must be addressed in accordance with F.S. Ch. 119, and any other applicable state law.

(i) *Annual reporting requirements.* The City, with the assistance of the Orlando Police Department and/or the vendor, will annually report on the City's school zone speed enforcement program to the public and to the Florida Department of Highway Safety and Motor Vehicles in accordance with F.S. § 316.0776 and §316.1896, as they may be amended. Pursuant to F.S. § 316.0776(3)(c), the compliance or sufficiency of compliance with this subsection may not be raised in a proceeding challenging a notice of violation for a school zone speed infraction.

(j) *Remittance of collected fines and costs.* All fines and costs collected pursuant to this section must be remitted in accordance with F.S. §§ 316.1896 and 318.18, and any other relevant state law.

(k) *Resolution of conflict of laws.* In all instances where Florida law, as evidenced by the Florida Administrative Code, Florida Statutes, applicable case law, or otherwise, mandates standards or requirements that are stricter than the provisions of this section, or where a matter is addressed by Florida law that is not addressed by this section, then said law shall govern. In situations where this section addresses a matter in a manner that is stricter than that of Florida law, the provisions of this section shall control.

(Ord. No. 2024-25, § 1, 12-9-2024, Doc. #2412091201; Ord. No. 2025-37, § 2, 10-20-2025, Doc. #25102012b)

Editor's note—Ord. No. 2025-37, § 2, adopted October 20, 2025, renumbered the former § 5.23 as § 5.24.

Checklist of Up-to-Date Pages

(This checklist will be updated with the printing of each Supplement)

From our experience in publishing Looseleaf Supplements on a page-for-page substitution basis, it has become evident that through usage and supplementation many pages can be inserted and removed in error.

The following listing is included in this Code as a ready guide for the user to determine whether the Code volume properly reflects the latest printing of each page.

In the first column all page numbers are listed in sequence. The second column reflects the latest printing of the pages as they should appear in an up-to-date volume. The letters "OC" indicate the pages have not been reprinted in the Supplement Service and appear as published for the original Code. When a page has been reprinted or printed in the Supplement Service, this column reflects the identification number or Supplement Number printed on the bottom of the page.

In addition to assisting existing holders of the Code, this list may be used in compiling an up-to-date copy from the original Code and subsequent Supplements.

FOOTNOTES:

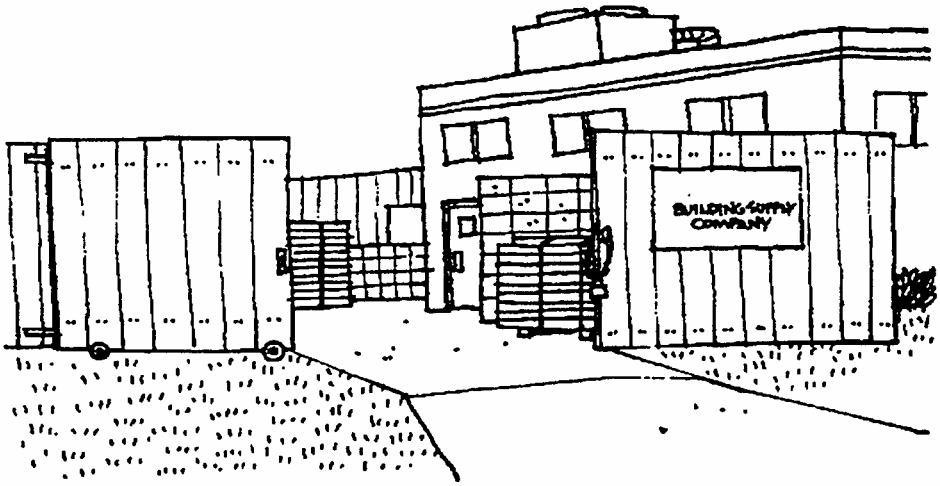

1. Outside the Traditional City only.
2. Some residential uses have different standards. See Chapter 58, Part 3, Specific Residential Uses.
3. The rear half of the yard setback may be used for vehicular use areas and signs.
4. All one-family lots under 4,000 sq. ft. and all two-family lots under 5,000 sq. ft. shall use zero-lot-line design. See Chapter 58, Part 3.
5. Use requires a Conditional Use Permit in the Traditional City and is permitted outside of the Traditional City.
6. When frontage in one block face is located partly in a commercial or R-3D district and partly in another residential or office district, the front yard and street side yard requirements of office or other residential district shall apply within the commercial or R-3D district for a distance of 50 ft. or to the nearest side street or other natural barrier (whichever is the shortest distance). The front half of this setback may not be used for signs and the entire setback may not be used for vehicular use areas except when the office or residential district street side yard allows a vehicular use area to be located closer to the property line.
7. As limited by the Airport Zoning height restrictions or FAA.
8. Development standards are established during the Conditional Use Permit review process.
9. This is a base standard which may be increased through the use of intensity bonuses.
10. Minimum principal building setback from any natural surface water body or retained wetland is 50 ft. from the normal high water elevation or boundary.
11. 15% wider for corner lots except for residential subdivisions recorded prior to February 4, 1959.
12. Wherever duplexes and tandems are allowed as permitted or conditional uses, they are subject to a series of requirements including design standards and appearance review. See Part 3C of this Chapter.
13. All accessory dwelling units must comply with Part 3A of this chapter. Where permitted includes any PD with a similar default zoning.
14. This conditional use may be approved only for residential development and residential use within a mixed residential-office development. No office may exceed 55 ft. in height.
15. See Chapter 61, Part 2B, where increased setbacks may be required from a street centerline.

16. Non-conforming residential lots are subject to the provisions of Section 58.1152 (a)—(e) concerning FAR, height, location of required parking, appearance review and modification of standards.
17. For buildings over 75 ft. in height, an additional foot of rear yard is required for each additional 4 ft. of building height.
18. In the Traditional City, up to 30% of the frontage of the principal building may extend up to 20% into the required front yard if approved by the appearance review official. Requires appearance review per Chapter 62.600 (projections and recesses).
19. Recreation (Use), Indoor - Light uses over 5,000 square feet in size may only be located in stand-alone buildings, as the only tenant in order to minimize impacts on neighboring uses.
20. Minimum and maximum setbacks from streets are contained in Chapter 62, Section 62.608, Designation of Streets in Mixed Use Corridor Districts and in Activity Centers and Sec. 62.609. - Building Standards.
21. Minimums do not apply to commercial uses outside the Traditional City or to Large Scale Retailers within the Traditional City.
22. All uses must be an accessory to a principal use except as specified in Section 58.720(a). A Conditional Use Permit may be required if the use is located within 300 feet of a residential zoning district. See Chapter 58, Parts 4C and 4D for development standards for Mobile Vending and Mobile Services.
23. All retail uses shall front on a major thoroughfare.
24. For special front yard setbacks applying to all Activity Centers in the Traditional City see Chapter 62.620.
25. These uses may be subject to distance separation requirements and may require a Determination from the Zoning Official prior to any building permit or business tax receipt being issued. Chapter 65, Part 4G.
26. Self-Supporting and Guyed Towers are Prohibited. Monopole Towers are permitted as a Conditional Use with Appearance Review required in the Traditional City.
27. The only residential type uses that may be allowed in IG and IP districts as a Public Benefit Use are emergency shelters with 11—20 clients and Treatment/Recovery Facilities per Chapter 58, Part 4S.
28. Assembly Public Benefit Uses are permitted, conditional, or prohibited uses based on the acreage of the building site and the number of seats in the largest assembly space. See Sec. 58.811.
29. Maximum square footage of land use per building site shall be as follows:

Use	*MXD-1*	*MXD-2*
100% office, 1 story		5,000 sq. ft.
100% office, 2 story		10,000 sq. ft.
Office	50% GFA (1st floor only in the Traditional City	50% GFA
Commercial		10% GFA, 1st floor only
*Outside Traditional City.		

30. See Section 58.754, which identifies standards for Automotive Services. Light retail is allowed as an accessory use for gas stations in the I-P and I-G zoning districts up to a maximum of two hundred fifty (250) square feet per fuel pump. The number of fuel pumps is equal to the maximum number of vehicles that can be fueled simultaneously.
31. See Section 58.774 for Conditional Use standards for personal storage facilities.
32. Body art shops shall be a permitted use in the Downtown Community Redevelopment Area (DCRA), provided that at all times, the number of body art shops in the DCRA shall not exceed eight (8), or one body art shop for every 600,000 square feet of developed commercial space in the DCRA, whichever is less. Developed commercial space in the DCRA shall be determined by consulting the City's Land Use Database.
33. Alcoholic beverage establishments located within 1,000 feet of an established school and/or established church and/or located within 300 ft. of a residential zoned district have special standards. See Chapter 58, Part 4B.
34. (a) Distance between Temporary Labor Services. No Temporary Labor Service shall be located within 500 feet of any other Temporary Labor Service. The distance shall be measured using the shortest, most direct bearing and distance from the primary entrance of one Temporary Labor Service, open to the public during normal business hours, to the primary entrance of the other Temporary Labor Service, open to the public during normal business hours.

    (b) Distance between Temporary Labor Services and Single-Family Residential Property. No Temporary Labor Service shall be located within 500 feet of any property designated R-1AA, R-1A, R-1, R-1N, R-2A, or R-2B, property within an Orange County single-family zoning district, or property designated for single-family uses in an approved PD. The distance shall be measured using the shortest, most direct bearing and distance from the primary entrance of the Temporary Labor Service, open to the public during normal business hours, to the nearest residential property line.

4J. OUTSIDE STORAGE USES AND STORAGE FACILITIES

Sec. 58.790. General Requirements.

In addition to any applicable Zoning District and Use Regulations of Figures 1—3, all Storage Facilities and Outside Storage Uses allowed under this Chapter, whether as principal uses or accessory uses, shall conform to the following standards.
(Ord. of 9-16-1991, Doc. #25094)

Sec. 58.791. Locations Where Enclosed Storage is Required.

Within all Activity Center districts, and within 300 ft. of any Activity Center District, Office District, Mixed Use Corridor District or Residential District, all storage, except for operable vehicles weighing less than 10,000 pounds, shall be in completely enclosed buildings.
(Ord. of 9-16-1991, Doc. #25094; Ord. of 7-26-1993, Doc. #26769; Ord. No. 2025-36, § 1, 10-20-2025, Doc. #25102012a)

Sec. 58.792. Locations Where Screening and Buffering of Outside Storage is Required.

All outside storage shall be effectively screened in accordance with the bufferyard requirements of Chapter 60, Part 2 and by a solid wall or wood fence at least six (6) feet in height, but in no case lower in height than the material being stored.

The wall or fence must be kept in good repair and sanitary conditions must be maintained within the storage area. Other City Code provisions, including but not limited to Lot

Cleaning Requirements and Junkyard Requirements, remain applicable as appropriate. The products or items stored must be compatible with allowable principal uses in the zoning district.

Openings in Fences and Walls. There shall be not more than one opening in the fence or wall facing any street for each 300 feet of length. The opening shall not exceed 20 feet in width and shall be provided with a solid gate or door which must be kept closed except for passage of vehicles.
(Ord. of 9-16-1991, Doc. #25094)

Sec. 58.793. Stored Vehicles Required to be Operable.

Where vehicles are stored, they shall be maintained in operable condition. Where not so maintained, the facility shall be deemed a junk yard and shall be subject to all applicable requirements of this Chapter for junk yards, as well as other applicable City Code provisions.
(Ord. of 9-16-1991, Doc. #25094)

Secs. 58.794—58.799. Reserved.

4K. DONATION BINS*

Sec. 58.800. General Requirements.

The requirements of this part apply to donation bins (or boxes) which function as accessory uses or structures, and to any semi-tractor trailers or other temporary structures when used for the purpose of collecting recyclable materials and/or resellable goods. Primary principal use recycling centers, donation facilities that are located within the same building as and are accessory to a primary principal re-sale use, and recycling centers in permanent structures shall meet all applicable development standards of the district in which they are located.

In addition to any applicable Zoning District and Use Regulations of Figures 1—2, all donation bins allowed as accessory uses or structures under this Part shall conform to the following requirements.
(Ord. No. 2015-33, § 1, 7-13-2015, Doc. #1507131207)

*__Editor's note—__Ord. No. 2015-33, § 1, adopted July 13, 2015, Doc. #1507131207, repealed the former Div. 4K, §§ 58.800—58.804, and enacted a new Div. 4K as set out herein. The former Div. 4K pertained to recycling collection center and derived from an ordinance adopted Sept. 16, 1991, Doc. #25094; and Ord. No. 2010-33, § 2, adopted Aug. 30, 2010, Doc. #1008301102.

Sec. 58.801. Zoning and Permitting Requirements.

No donation bin (or box) shall be established unless and until the applicant shall obtain zoning approval as provided in this section.

(a) Application and Submittal Requirements. In order to obtain zoning approval for one or more donation bin(s) on a development site, the applicant shall file with the Zoning Official or his designee, in writing, the following information:

1. A completed Zoning Official's Determination application in accordance with Chapter 65, Part 2H; and

2K. GROWTH MANAGEMENT PLAN AMENDMENT

Sec. 65.390. Purpose of the Growth Management Plan Amendment Requirements (GMP).

This Part is established to provide for standards and procedures for amendment of the City of Orlando Growth Management Plan and Official Future Land Use Maps through a legislative review by the Municipal Planning Board and City Council.
(Ord. of 9-16-1991, Doc. #25102; Ord. of 6-20-1994, Doc. #27635)

Sec. 65.391. Initiation of Growth Management Plan Amendments City Council.

The City Council may authorize a Growth Management Plan amendment application, and shall refer the matter to the Municipal Planning Board for review and action in accordance with this Part.

Municipal Planning Board. The Municipal Planning Board may authorize a Growth Management Plan Amendment Application and shall review and take action on the matter in accordance with this Part.

Property Owner. The property owner shall submit an application for amendment to the Official Future Land Use Map or related Growth Management Plan objectives and policies for review in accordance with this Part.
(Ord. of 9-16-1991, Doc. #25102; Ord. of 6-20-1994, Doc. #27635)

Sec. 65.392. Limitations on Timing of Amendments.

Amendments to Growth Management may be made twice per calendar year, in accordance with the requirements of Florida Statutes ch. 163. In addition, the following amendments may be permitted consistent with the Growth Management Plan regardless of the twice per year limit:

(a) Amendments directly related to a proposed Development of Regional Impact, including substantial deviations and Florida Quality Developments.

(b) Amendments directly related to proposed small scale development activities pursuant to Florida Statutes § 163.3187(1)(c).

(c) Amendments pursuant to an emergency as defined in Florida Statutes § 163.3187(1)(c), if approved by all members of the City Council.

(Ord. of 9-16-1991, Doc. #25102)

Sec. 65.393. Zoning Map Amendment Required.

Any amendment to the Official Future Land Use Map which requires a zoning map amendment shall require an application for zoning map amendment to be submitted in

accordance with Ch. 65, Part 2I of the Land Development Code, unless waived by the Planning Official. The zoning map amendment shall be submitted at the time of application for the Growth Management Plan amendment.
(Ord. of 9-16-1991, Doc. #25102; Ord. of 6-20-1994, Doc. #27635)

Sec. 65.394. Pre-Application Conference.

Except where this requirement is specifically waived by the Planning Official, where a Growth Management Plan amendment is sought by a property owner, the applicant shall meet with the staff of the Planning and Development Department prior to submitting the application, to discuss informally the requirements of this Part and the nature of the proposed amendment.

Submittal of the Application. The applicant shall submit to the Planning and Development Department a Growth Management Plan Amendment application which conforms to the submittal requirements of this Part, in multiple copies as determined by the Planning Official. No application shall be deemed accepted unless it is complete and the appropriate application fee submitted. Deadlines for application shall be established.
(Ord. of 9-16-1991, Doc. #25102; Ord. of 6-20-1994, Doc. #27635)

Sec. 65.395. The Review Process.

Technical Review Committee. Upon acceptance of the application, copies shall be forwarded to all members of the Technical Review Committee (TRC). The TRC shall meet to review the application, and the applicant or his representative should also be present at the meeting. Following this meeting, the TRC shall prepare recommendations for the consideration of the Municipal Planning Board.

Municipal Planning Board. The Municipal Planning Board, acting as the Local Planning Agency, shall hold a public hearing with due public notice to consider the application. Based on the application, the requirements of this Chapter, and the recommendations of the staff, the Board shall prepare recommendations for the consideration of the City Council.

City Council. The recommendations of the Municipal Planning Board shall be forwarded to the City Council for final review and approval or denial. The City staff shall initiate the preparation of the ordinance amending the Growth Management Plan. The City Clerk shall schedule the ordinance for legal hearings to be held by City Council and the hearings shall be held and advertised in accordance with the requirements of Florida Statutes § 163.3187.

Conformance with Procedural Requirements of Florida Statutes § 163.3187 and F.A.C. ch. 9J-11. Growth Management Plan amendments shall be processed in accordance with the procedural requirements of Florida Statutes § 163.3187 and F.A.C. ch. 9J-11.

Reapplication Time Limit. Unless specifically permitted otherwise by City Council, no application for any Growth Management Plan amendment shall be considered by the

Municipal Planning Board within one year from the time the property described in such application has been decisively acted upon by the City Council as a result of a previous application.

Recording Amendment to the Official Future Land Use Map Series. On the effective date of any Official Future Land Use Map Amendment the change shall be posted on the Official Future Land Use Map by the Planning Official and records accompanying the map shall identify the official action by which such amendment was made, the date of such action, and the area involved. Unless otherwise specified, all such amendments shall be deemed to include one-half of all streets, railroad tracks, or other similar natural or man-made features abutting the land use changes, wherever such features are located within the City Limits of Orlando and as determined by the Planning Official.
(Ord. of 9-16-1991, Doc. #25102; Ord. of 6-20-1994, Doc. #27635)

Sec. 65.396. Unauthorized Changes in the Official Future Land Use Map Prohibited.

No substantive changes of any nature affecting property shall be made in the Official Future Land Use Map or any matter shown thereon except in conformity with the procedures and requirements of this Chapter and/or other applicable law. It shall be unlawful for any person to make any unauthorized change in the maps. Any violation of this provision shall be punishable as provided in Chapter 1 of this City Code and as otherwise provided by law.
(Ord. of 9-16-1991, Doc. #25102; Ord. of 6-20-1994, Doc. #27635)

Sec. 65.397. Factors to be Considered in the Review of Growth Management Plan Amendment Application.

In their review of Growth Management Plan Amendment applications, the Municipal Planning Board and City Council shall consider the following factors:

State Comprehensive Plan (Florida Statutes ch. 187). Whether the request is consistent with the State Comprehensive Plan (Florida Statutes ch. 187).

East Central Florida Comprehensive Regional Policy Plan. Whether the request is consistent with the East Central Florida Comprehensive Regional Policy Plan.

F.A.C. ch. 9J-5. Whether the request is consistent with the provisions of F.A.C. ch. 9J-5.

Florida Statutes ch. 163, pt. II. Whether the request is consistent with the provisions of Florida Statutes ch. 163, pt. II.

Growth Management Plan. Whether the request is consistent with all the applicable policies of the City's adopted Growth Management Plan.

Changed Conditions. Whether and the extent to which land use and development conditions have changed since the adoption of the Growth Management Plan.

Land Use Compatibility. Whether and the extent to which the proposal would result in any incompatible land uses, considering the type and location of uses involved.

Adequate Public Facilities. Whether and the extent to which the proposal would result in demands on public facilities and services (both on-site and off-site) exceeding the capacity of such facilities and services, existing or programmed, including transportation, utilities, drainage, recreation, and similar facilities and services. A concurrency evaluation shall be conducted as part of any application for a Growth Management Plan amendment which would increase the intensity or density of development permitted, in accordance with Section 59.301 of the Land Development Code.

Other Matters. Any other matters which they may deem relevant and appropriate.
(Ord. of 9-16-1991, Doc. #25102)

Sec. 65.398. Restrictions or Prohibitions on Growth Management Plan Amendments in Certain Districts.

Activity Center Designations. Special Growth Management Plan amendment standards and submittal requirements of the GMP Future Land Use Policies 2.1.4 and 2.1.5 shall apply.

Mixed Use Corridor Designations. Special Growth Management Plan amendment standards and submittal requirements of the GMP Future Land Use Policies 2.2.3 and 2.2.4 shall apply.

Office High Intensity. Special Growth Management Plan amendment standards of the GMP Future Land Use Policy 2.3.2 shall apply.

Conservation Designation. Special Growth Management Plan amendment standards of the GMP Conservation Policy 1.7.5 shall apply.
(Ord. of 9-16-1991, Doc. #25102; Ord. of 6-20-1994, Doc. #27635)

SUBMITTALS—GROWTH MANAGEMENT PLAN AMENDMENT

Sec. 65.399. General Requirements.

Official Future Land Use Map Amendment. Along with the application for an Official Future Land Use Map Growth Management Plan amendment, the following shall be required in multiple copies as determined by the Planning Official:

A Recent Boundary Survey and Legal Description: As completed by a Florida Professional Surveyor and Mapper.

Site Plan: Depicting the proposed development (required for rezonings to Activity Center and Mixed Use Corridor designations).

Market Study: Required for Activity Center designations only. The Market Study shall be prepared in accordance with the guidelines prepared by the Planning and Development Department. The cost of the Market Study shall be borne by the applicant.

Vacant Land Analysis: Required for Activity Center and Mixed Use Corridor designations only.

Transportation Study: Required for Activity Center and Mixed Use Corridor designations only. The Transportation Study shall be prepared under the direction of the City of Orlando in accordance with the guidelines prepared by the Planning and Development Department. The cost of the Transportation Study shall be borne by the applicant.

Consistency with the Growth Management Plan: A statement showing how the proposed amendment is consistent with all applicable provisions of the Growth Management Plan.

Other Information: Other additional material and information as the Planning Official may reasonably require.

Growth Management Plan Objective or Policy Amendment. Along with the application for a Growth Management Plan objective or policy amendment, the applicant shall submit the following:

Other Information: Other additional material and information as the Planning Official may reasonably require.

(Ord. of 9-16-1991, Doc. #25102; Ord. of 6-20-1994, Doc. #27635; Ord. No. 2013-29, § 1, 6-3-2013, Doc. #1306031202)

2L. ADMINISTRATIVE OFFICIAL DETERMINATIONS

Sec. 65.399-1. Purpose of Determinations.

This Part is established to provide standards and procedures for the approval of Administrative Official Determinations where expressly authorized by the provisions of this Chapter. The determination process is intended to provide clarification of certain code requirements as they are applied to a specific building site or development site. Administrative Official Determinations consist of Planning Official Determinations, Zoning Official Determinations, and Appearance Review Official Determinations.

(Ord. No. 2022-57, § 1, 9-26-2022, Doc. #2209261205)

Sec. 65.399-2. When Determination Review Procedures Apply.

The Determination procedures of this Part apply to all instances where this Chapter requires review through an official Determination, including providing clarification on how a particular code section applies to a property.

Process: Only a property owner or their representative may apply for a determination. The application must conform to the requirements below. No application shall be deemed accepted unless it is complete. Each application shall include the following, as applicable:

1. A Recent Boundary Survey including the location and species of each tree with a diameter at breast height of 10" or greater within the building site.
2. A Preliminary Site Plan and Landscaping Plan.

3. A description of the proposed development including any relevant information related to the request, such as hours of operation.
4. Architectural Elevations.
5. Document signifying the owner's approval or consent; or an Owners Affidavit.
6. Other additional material and information as the relevant Official may reasonably require.

Estoppel Letters - The City is not obligated to issue a Determination for any existing land improvements for compliance with the Land Development Code (i.e., Estoppel Letters).

Standards of Review: Upon acceptance of the application, the Official shall review and render a decision approving, approving with conditions, or denying the request. The Official making the Determination shall take into consideration the following Standards of Review:

Purpose and Intent. The purpose and intent and all other requirements of the Land Development Code.

Growth Management Plan. Whether the proposal is consistent with all applicable policies of the City's adopted Growth Management Plan.

Compatibility. The compatibility of the proposal with surrounding land uses and the general character of the area including such factors as height, bulk, scale, intensity, traffic, noise, drainage, dust, lighting, and appearance. Compatibility may be achieved through use of transitions in building height, buffers, fencing and landscaping, and does not necessarily require a project to be the same as the surrounding uses.

Adequate Public Facilities. The application would not overburden or otherwise adversely impact public facilities.

Public Health, Safety and Welfare. The application would not negatively affect the public health, safety, and welfare.

Other Matters. Any other lawful matter deemed appropriate and relevant to the specific proposal.

Conditions - When a determination is approved, the relevant Official may prescribe appropriate conditions and safeguards in conformity with the intent and provisions of this Chapter, including the following:

(a) Limit the height, size, location of a building or other structure.

(b) Require modifications to the appearance of a building or structure, including location of windows and doors.

(c) Location and size of vehicular use areas including garages.

(d) Require a berm, screening, landscaping, or other similar means to buffer or protect nearby property and designate standards for installation or maintenance of same.

(e) Designate the size, height, location or materials for a fence or wall.

(f) Protect existing trees, vegetation, water resources, or other significant natural resources.

(g) Limit hours of operation.

(h) Specify other conditions to permit development in conformity with the intent and purpose of the Land Development Code and the adopted Growth Management Plan.

(Ord. No. 2022-57, § 1, 9-26-2022, Doc. #2209261205)

2M. REASONABLE ACCOMMODATION

Sec. 65.399-3. Procedural Requirements for Reasonable Accommodation Requests.

A. Purpose and Applicability. The purpose of this section is to establish procedures for the review and approval of requests for a reasonable accommodation for the establishment of certified recovery residences and in the application of the City's ordinances, rules, policies, and procedures for persons with disabilities as provided by the federal Fair Housing Amendments Act (42 U.S.C. 3601, et seq.) ("FHA") and Title II of the Americans with Disabilities Act (42 U.S.C. Section 12131, et seq.) ("ADA"). For the purpose of this section, a "disabled" person is an individual that qualifies as disabled and or handicapped under the FHA and/or ADA.

B. Requirements for Filing a Reasonable Accommodation Request:

1. Any person who is disabled (or qualifying entity) (collectively "Applicant") may request a reasonable accommodation with respect to the City's land use or zoning laws, rules, policies, practices, and/or procedures as provided by the FHA and ADA pursuant to the procedures set forth in this section. It is the obligation of the Applicant to establish that they, or those on whose behalf the request is made, are protected under the FHA and/or ADA by demonstrating that they, or those on whose behalf the request is made, are disabled/handicapped as defined by the FHA and/or ADA and that the proposed accommodation is both reasonable and necessary to afford the Applicant, or those on whose behalf the request is made, an equal opportunity to use and enjoy the residential dwelling.
2. A request by an Applicant for a reasonable accommodation under this section shall be made to the Planning Division. The reasonable accommodation request shall at a minimum provide the following information:
    a. The name and contact information of the individual with a disability or handicap (Applicant).
    b. The location where reasonable accommodation is requested, including address, if applicable. If the Applicant is not the owner of the property where the reasonable accommodation is being requested, then the contact information for the owner is also required to be provided.
    c. A description of the accommodation needed, identifying the ordinances, rules, or policies for which the Applicant needs reasonable accommodation.

d. A description of why the requested accommodation is necessary. A certification stating the following: I CERTIFY UNDER PENALTY OF PERJURY THAT THE INFORMATION PROVIDED IN THIS REQUEST IS TRUE AND CORRECT. I UNDERSTAND THAT IF I KNOWINGLY PROVIDE FALSE INFORMATION WITH THIS REQUEST, MY REQUEST SHALL BECOME NULL AND VOID.

e. The signature of the Applicant and date.

f. Verification of Disability Status executed by someone with personal knowledge of the Applicant's disability, such as a medical or social services professional. If the request is made by a qualifying entity on behalf of disabled individuals: it is the continuing obligation of the qualifying entity to submit Verification of Disability Status on behalf of each of the disabled individuals. (Separate form provided by Planning Division).

g. Any additional information or documentation the Requestor feels is necessary to support the request for reasonable accommodation.

3. Should the information provided by the Applicant to the City include medical information or records, including records indicating the medical condition, diagnosis or medical history of the disabled individual(s), such individual(s) may, at the time of submitting such medical information, request that the City, to the extent allowed by law, treat such medical information as confidential information of the disabled individual(s).

4. The Planning Division shall date-stamp the application upon receipt and shall notify the applicant in writing within 30 days if additional information is required. The applicant must provide the requested information within 30 days.

C. Review Process. Within 60 days of receiving the completed application, the Zoning Official shall review the request for reasonable accommodation and make a determination consistent with the FHA and/or ADA after considering the following:

1. Whether the Requestor has established that he/she is protected under the FHA and/or ADA by demonstrating that they are handicapped or disabled, as defined in the FHA and/or ADA. To do this, the disabled and/or handicapped individual must show:

   a. A physical or mental impairment which substantially limits one (1) or more major life activities (Verification of Disability Status);

   b. That they are regarded as having such impairment; and

   c. A record of having such impairment.

2. Whether the requested accommodation is reasonable and necessary to afford the Requestor an equal opportunity to use and enjoy the dwelling, building or structure, or provides accessibility in another manner.

3. Whether the requested accommodation would impose an undue financial or administrative burden on the City.

4. Whether the requested accommodation would require a fundamental alteration in the nature of the land use and zoning regulations of the City.

D. Spatial Considerations. If the clustering of similar uses would occur by the granting of an Applicant's reasonable accommodation request, it shall be the obligation of the Applicant to establish that such clustering would not create a fundamental alteration of a residential neighborhood and will best meet the needs of the Applicant.

E. Alternative Accommodation. If the Zoning Official finds that the requested accommodation will impose an undue financial or administrative burden on the City or will require a fundamental alteration in the nature of the City's land use or zoning regulations, the Zoning Official may consider whether an alternative reasonable accommodation exists which would effectively meet the disability-related need. An alternative reasonable accommodation may be the requested accommodation with conditions. In conducting the review, the Zoning Official (or representative) may make a site visit to the property where the reasonable accommodation is being requested, if applicable.

F. Determination. Once review of the request is complete, the Zoning Official shall make a determination to:

1. Grant the accommodation request.

2. Grant a portion of the request and deny a portion of the request, and/or impose conditions upon the grant of the request; or

3. Deny the request, in accordance with state and federal law. The determination shall be in writing. If the determination is for denial, the reasons for the denial are required to be stated. The final determination shall give notice of the right and method to appeal. If the final written determination is not issued within 60 days after receipt of the completed application, the request is deemed approved unless the parties agree in writing to a reasonable extension of time.

G. Appeals. Whenever the applicant disagrees with the decision of the Zoning Official or any of the conditions imposed as part of the terms under which the Reasonable Accommodation is approved, they may elect to appeal the application to the Board of Zoning Adjustment. The appeal shall be reviewed by the Board of Zoning Adjustment as outlined in Sec. 65.113 of the Land Development Code.

H. No fee. There shall be no fee imposed by the City in connection with a request for reasonable accommodation or any appeal. The City shall have no obligation to pay a requesting party's or an appealing party's attorney fees or costs in connection with the request, or an appeal.

I. Stay of Enforcement. While a request for reasonable accommodation, or its appeal, is pending, the City will not enforce any applicable Code of Ordinances and/or Land Development Code, rule, policy, or procedure against the Requestor.

J. General Provisions. The following general provisions are applicable:

1. A disabled or handicapped individual (Applicant) may apply for a reasonable accommodation on his/her own behalf or may be represented at all stages of the reasonable accommodation process by an attorney, legally appointed guardian, or other person designated by the disabled individual as a power of attorney.
2. In the event that a reasonable accommodation is granted, the Applicant shall comply with any and all applicable building and/or engineering permitting processes required by the Code of Ordinances and/or the Land Development Code of the City.
3. A reasonable accommodation is specific to the individual with a disability and/or handicap and does not run with the land.
4. A reasonable accommodation does not alter an individual's obligation to comply with other applicable federal, state, county, or City requirements, rules, regulations, or laws.

K. Revocation. The Planning Official shall have the authority to consider and act on a revocation or modification of a reasonable accommodation if the applicant or the property upon which the accommodation is granted is found in violation of any provision of the determination granting the reasonable accommodation by a court of law or by the Code Enforcement Board.

(Ord. No. 2025-23, § 1, 7-14-2025, Doc. #25071412a)

not include a horizontal structure to which signal lights or other traffic control devices are attached and does not include a pole or similar structure 15 feet in height or less unless an authority grants a waiver for such pole.

Utility, Public: See Public Benefit Use.

Utility Trailer Sales and Rental: See Vehicle Sales and Rental.

Variance: See Floodplain Variance or Zoning Variance.

Vehicle: Any device or conveyance for transporting persons or property over the public streets, including, but not limited to, any automobile, motorcycle, motor truck, trailer, van, semi-trailer, tractor-trailer combination, commercial vehicle or trailer, recreational vehicle or trailer, and boat or boat trailer.

Vehicle, Abandoned: Any vehicle which exists in an evident state of disuse or neglect.

Vehicle, Commercial: For the purposes of Chapters 58 through 66, vehicles of the following types and descriptions shall be considered commercial vehicles:

(a) Trucks and other vehicles with a gross vehicle weight exceeding ten thousand (10,000) pounds and/or exceeding eighty (80) inches in width; except that recreational vehicles as defined in this chapter shall not be considered commercial vehicles.

(b) A vehicle designed, equipped or intended for trade and/or displaying a sign, as defined in Chapters 64 and 66, of over four (4) square feet. (Effective December 1, 1995.)

Vehicle, Disabled: Any vehicle which is physically or mechanically incapable of being, or legally not permitted to be, operated on the public streets.

Vehicle, Recreational: A vehicular-type portable structure without permanent foundation, which can be towed, hauled or driven for recreational, camping, travel or temporary living accommodations and including, but not limited to, travel trailers, truck campers, camping trailers, self-propelled motor homes, and for the purpose of this Code, boats on trailers. (Effective December 1, 1995.)

Vehicle Sales and Rental: The use of any building, land area or other premises for the display, sale and/or rental of new or used vehicles, and including any warranty repair work or other repair service conducted as an accessory use.

Vertically Guided Instrument Runway. A runway having an existing, published, or planned instrument approach procedure utilizing air navigation facilities or an Instrument Landing System ("ILS") with lateral and vertical guidance or area type navigation equipment, for which a straight-in vertically guided instrument approach procedure has been approved or planned, and for which a vertically guided approach is planned or indicated on an FAA planning document or approved Airport Layout Plan

Vehicular Use Area: An area used for the display or parking of any and all types of vehicles and equipment, whether self-propelled or not, and all land upon which vehicles traverse the property as a function of the principal use.

Vertiport: An identifiable ground or elevated area, including any buildings or facilities thereon, that has been designated to be used for the takeoff and landing of tiltrotor aircraft and rotorcraft.

Veterinary Clinic: A service use primarily engaged in providing medical care for animals, operated by a licensed veterinarian, and not offering facilities for the overnight care of animals except in connection with medical treatment. Any use providing facilities for the overnight boarding of animals or providing outside pens shall be classified as a kennel.

Vibration, Ground-Transmitted: For purposes of Chapters 58 through 66, steady state vibrations are vibrations which are continuous or vibrations in discrete impulses more frequent than sixty (60) per minute. Discrete impulses which do not exceed sixty (60) per minute, shall be considered impact vibration. Particle velocity may be measured directly with suitable instrumentation or computed on the basis of displacement and frequency.

Viewshed Corridor: The total visual picture intended to be seen primarily from the right-of-way of a designated travel route.

Vine: A climbing or creeping plant which normally requires support.

Vocational School: See School.

Walkway: See Sidewalk.

Walkway (access): The portion of a dock that commences on the upland parcel and terminates at the terminal platform.

Wall-mounted Air Conditioner: A self-contained air conditioning unit located upon an exterior wall and generally intended for the heating and/or cooling of a single room.

Warehouse Showroom: A warehouse which includes the display of merchandise and may provide retailing incidental to and accessory to the principal warehouse use. Warehouse showroom does not include any retailing as a principal use.

Warehousing (or Storage Facility): Any premises where the principal use is the storage of goods and materials. This term includes personal storage facilities.

Waterbody: Any river, creek, pond, lake, stream, waterway, bay, spring, impoundment, inlet or canal, whether natural or manmade.

Water Dependent Activity: Any activity which can only be conducted on, in, over, under or adjacent to a waterbody.

Water Vessel: Boat, watercraft, barge or any other vessel designed or used as a means of transportation upon water.

Wetland: A topographically low-lying area which is inundated with water either permanently, frequently or seasonally, and characterized by wetland hardwood, cypress bayheads, domes or strands, wet prairie and/or freshwater marsh vegetation, and soils normally rated as very low potential or unsuitable for development.

Wetland, Altered: A wetland which has been determined to be significantly changed by urbanization, based on plant species, soil types and depth to water table.

Wetland, Protected: A wetland which has been determined to be fully capable of performing its natural ecological functions, based on plant species, soil types and depth to water table.

Wetland, Retained: A wetland or portion of a wetland which is retained in accordance with the requirements of Chapter 63.

Wetland, Transitional: (Reserved.)

Wheel Stops or *Curbs:* Permanently secured, durable devices no less than four inches in height, designed to restrict vehicular encroachment.

Whole Blood Facility: A facility, laboratory or place of business which has as its primary function the collection of whole blood from human blood donors for transfusion to human recipients. A Whole Blood Facility may also include a Plasmapheresis Facility as an accessory service use.

Wholesaling (or Wholesale Distribution): Any premises where the principal use is the sale of goods and materials in bulk quantities primarily for purposes of resale.

Wireless Communication Facility: Any equipment or facility used for the transmission or reception of wireless communications and located on public right-of-way. This term includes but is not limited to wireless support structures, antennas, cabling, regular and backup power supplies, and comparable equipment, regardless of technological configuration (including Distributed Antenna Systems ("DAS") and small cell networks). For purposes of this Ordinance, the term shall not include communication towers.

Work of Art: The application of skill and taste to a tangible object produced according to aesthetic principles including, but not limited to, paintings, sculpture, engravings, carvings, frescos, mobiles, murals, collages, mosaics, statues, bas-reliefs, tapestries, photographs and drawings.

Wrecking Yard: See Junk Yard.

Xeriscape: A set of horticultural principles which promote quality landscapes and the efficient use of water through the protection of existing vegetation, the use of appropriate plant material, the grouping of plants according to similar water requirements and other techniques. "Xeriscape" is a registered trademark of the National Xeriscape Council.

Yard: An open space at grade between a building or structure and the adjoining lot lines unoccupied and unobstructed by any portion of a building or structure from the ground upward, except as may be specifically permitted by Chapters 58 through 66. For the purpose of determining the depth of front, rear, and side yards, the minimum horizontal distance between the lot lines and the building or structure shall be used.

Yard, Front: A yard extending across the front of a lot, between the side lot lines, and being the minimum horizontal distance between the street right-of-way line and the front facade of the principal building. On corner lots the front yard shall be considered as parallel to the street upon which the lot has its least dimension.

Yard, Rear: A yard extending across the rear of a lot, between the side lot lines, and being the minimum horizontal distance between the rear of the principal building or any projections thereof other than the projections of uncovered steps, uncovered balconies or uncovered porches, to the rear lot line. On all corner lots the rear yard shall be at the opposite end of the lot from the front yard.

Yard, Side: An open unoccupied space on the same lot with a main building, situated between the side line of the building and the adjacent side line of the lot and extending from the rear line of the front yard to the front line of the rear yard.

Yard, Street Side: A yard extending across the side of a corner lot between the rear line of the front yard and the front line of the rear yard, and between the principal building and the street right-of-way line, and being the minimum horizontal distance between the principal building or any projections thereof other than the projections of uncovered steps, uncovered balconies or uncovered porches, to the right-of-way line.

Yard, Thoroughfare: (Reserved.)

Yard, Zero-Lot-Line: Any side or rear yard in a Zero-Lot-Line Development which is less than the applicable minimum yard requirements for conventional development in the applicable zoning district.

Zero-Lot-Line Development: Any residential development in which the required side or rear yards, or both, are reduced below the applicable minimum yard requirements for conventional development in the applicable zoning district, to permit more efficient and effective citing and orientation of homes and private open spaces on the lot.

Zone of Transition: Uses of real property which may be permitted by the City Council following review and recommendation by the Municipal Planning Board if, by their nature or level and scale of activity, they act as a transition or buffer between two (2) or more zoning districts.

Zoning Official: The Development Coordinator of the Bureau of Planning and Zoning of the City of Orlando, or his/her designee.

Zoning Variance: A grant of relief from the requirements of Chapter 65 which permits development in a manner otherwise prohibited where specific enforcement would result in unnecessary hardship.

ABANDONED VEHICLES
code enforcement violation and penalty . . 5.19(1),(2)
appeal . . . 5.04(4), 58.1205
enforcement . . . 58.1205
evidence . . . 58.1204
requirements, general . . . 58.1204
vehicles on public property . . . 58.1205
removal, impounding . . . 39.29

ABANDONMENT OF PUBLIC RIGHT-OF-WAY OR EASEMENT
application . . . 65.503, 65.506
review by Technical Review Committee 65.500
review by Municipal Planning Board . . 65.504
considerations . . . 65.505
pre-application conference . . . 65.502
purpose . . . 65.500

ADMINISTRATION
bicycle sharing . . . 10.04(m)
budget, annual . . . 2.65-2.70
checks . . . 2.10
charge for returned checks . . . 2.10
contract administration . . . 7.606
extraordinary expenses
reimbursement . . . 2.181-2.184
collection of fees . . . 2.182
bills, fines, penalties by City . . . 2.182(c)
by Chief Financial Officer . . . 2.182
hardship cases . . . 2.182(d)
procedure . . . 2.182(b)
reimbursement to bureaus and departments . . . 2.182(e)
definitions . . . 2.181
litigation . . . 2.183
municipal services not to be refused . . . 2.184
fiscal year . . . 2.08
official seals . . . 2.23
City Clerk custodian . . . 2.23(2)
records . . . 2.106-2.111, 2.26
City Clerk custodian . . . 2.26
travel expenses, reimbursement . . . 2.162-2.167

ADMINISTRATIVE OFFICERS/OFFICIALS
abandonment of office . . . 2.04
appointment . . . 2.05

Section

ADMINISTRATIVE OFFICERS/OFFICIALS (Cont'd.)
reports . . . 2.08
termination . . . 2.05(3)

ADMINISTRATIVE OFFICIAL DETERMINATIONS
purpose of determinations . . . 65.399-1
when determination review procedures apply . . . 65.399-2

ADULT ENTERTAINMENT
adult
bookstores . . . 37.03
dancing establishments . . . 37.05
entertainment facility permit required 37.07
motion picture theaters . . . 37.04
annual renewal fee . . . 37.12
application processing . . . 37.09
compliance with other law . . . 37.06
definitions . . . 37.02
granting or denying the permit . . . 37.10
judicial review and exhaustion of administrative remedies . . . 37.18
permit
application . . . 37.08
contents, term, and renewal . . . 37.11
revocation . . . 37.16
suspension . . . 37.15
purpose and findings . . . 37.01
records, reports, and consent of permittee 37.14
suspension and revocation not exclusive enforcement mechanisms . . . 37.17
touching genitals for compensation . . . 43.51
transfer of permit prohibited . . . 37.13
zoning uses . . . 58.700-58.704

ZONING USES
Figures (Chapter 58)
Figure 1: Table of Zoning District Regulations
Figure 2: Table of Allowable Uses
Figure 3: Land Use Intensity Table
accessory dwelling units 58.500-58.501
design standards for accessory dwelling units 58.501
requirements, purpose of 58.500
accessory service uses..... 58.910-58.915
automobile rental agencies 58.913
bank/savings institutions 58.913
drive-in facilities..... 58.913
eating and drinking establishments ... 58.913
outdoor display or storage 58.914
plasmapheresis facilities 58.913
variances prohibited..... 58.915
accessory uses and structures 58.900-58.971
general requirements..... 58.900-58.901
accessory structure location and zoning standards 58.901
building permit required 58.900
specific accessory uses and structures . 58.910-58.971
adult entertainment facilities 58.700-58.704
dispersal of facilities 58.702
method of measuring distance..... 58.702
variances 58.702
minimum crime prevention design standards..... 58.704
nonconforming facilities and uses 58.703
obscenity 58.701
airport zoning regulations..... 58.1210—58.1227
alcoholic beverage establishments 58.705-58.709
(See also: eating and drinking establishments)
approval for establishments that do not meet the distance separation requirements 58.709
distance from churches and schools ... 58.706
exceptions to distance requirements... 58.708
general requirements..... 58.705
subsequent establishment of church or school 58.707
animal boarding facilities
kennels, regulation of 58.895
pet boarding facilities, regulation of... 58.896
antennas, communication and wireless communication facilities 58.840-58.849.8
antique stores, outdoor display of merchandise 58.950
auto service stations..... 58.750-58.754
driveway width requirements 58.753
fuel pumps, location requirements 58.750
groundwater contamination..... 58.751
standards for automotive services..... 58.754
automobile rental agencies, accessory service use 58.913

Section

ZONING USES (Cont'd.)
bank/savings institutions, accessory service use 58.913
bed and breakfast facilities..... 58.916-58.919
car wash, automated individual 58.971
caretakers quarters..... 58.920-58.925
change of use..... 58.1184-58.1192
authority of department heads..... 58.1187
findings of fact..... 58.1185
intent 58.1186
no vested rights..... 58.1192
signs 58.1190
waivers and exceptions 58.1189
application for waivers and exceptions..... 58.1188
authority for staff to testify at judicial proceedings on the likelihood of waivers or exceptions 58.1191
commercial vehicle parking 58.926-58.927
communication towers and wireless communication facilities 58.840-58.849.8
abandonment 58.849, 58.849.8
antennas 58.845
co-location of antennas..... 58.846
requirements..... 58.846(a-c)
approval, effect of..... 58.848
business tax receipt requirement..... 58.849.1
design requirements 58.849.5
exemptions 58.842
general requirements..... 58.840
height limit..... 58.841(b)
exceptions..... 58.843
location requirements for wireless communication facilities..... 58.849.4
separation and site development standards..... 58.844
use restrictions 58.841
use restrictions and approval process.. 58.849.3
waivers..... 58.847, 58.849.6
wireless communication facilities 58.849.2
wireless facilities in existence on the date of adoption of this ordinance 58.849.7
conditional use permit
zoning variances prohibited in connection with 65.286
congregate living facilities 58.540-58.545
code enforcement..... 58.1206
dispersal of group care facilities (residential, intensive and transient)..... 58.545
evidence of group housing facility 58.544, 58.1206
general requirements..... 58.540
general requirements for all 58.541
permit required.....58.543, 58.1206

	Section
ZONING USES (Cont'd.)	
procedural requirements for the establishment of a group care facility (residential, intensive and transient)	58.544
procedural requirements for the establishment of a group housing facility (no care provided)	58.543
standards for the review of conditional use permit applications for all types	58.542
decks	
(See: patios and decks)	
density and intensity bonuses	58.1000-58.1133
bonuses in office and residential, mixed residential-office, mixed use, and activity center districts	
criteria for approval of a bonus	58.1103
design enhancements	58.1104
general requirements	58.1100
maximum available bonus	58.1101
special regulations for bonuses in the AC-3A district	58.1105
submittal requirements	58.1102
low and very-low income housing contribution	58.1133
purpose of bonuses	58.1001
reduction in required minimum intensity	58.1116-58.1118
relationship to the growth management plan	58.1000
docks	58.976-58.981
dog friendly dining	
general regulations; cooperation; enforcement	58.899
permit required; submittals	58.898
purpose and intent; program created; definitions	58.897
donation bins	58.800-58.802
general requirements	58.800
location and site development requirements	58.802
zoning and permitting requirements	58.801
drive-through facilities	58.740-58.746
accessory service uses	58.913
car washes	58.746
speaker boxes (orientation & noise requirements)	58.743
theaters	58.745
waiting areas for vehicles awaiting service	58.741
duplex and tandem dwelling development	58.514-58.518
appearance review	58.517
applicability and conflicts	58.514
development site standards and principal building setbacks for tandem single family development	58.516
development standards	58.515
duplex and tandem dwelling lot splits	58.518

	Section
ZONING USES (Cont'd.)	
dwelling units - commercial	58.820-58.821
eating and drinking establishments accessory service use	58.913
fences and walls	58.928-58.933
height	58.929
commercial and industrial districts	58.929
crime prevention fencing	58.929
office and residential districts	58.929
security fences	58.930
street corner visibility	58.928
temporary construction fences	58.933
fuel sales (See: auto service stations)	
garage and yard sales	58.934-58.936
heliports	
(See: vertiports)	
home occupations	58.937-58.939
performance and design requirements	58.938
procedural Requirements	58.939
hot tubs	
(see: swimming pools, hot tubs, hydrospas)	
hydrospas	
(see: swimming pools, hot tubs, hydrospas)	
junk yards	58.760-58.762
mechanical equipment	
alternative standards for certain mechanical and exterior accessory equipment	58.985
applicability	58.988
generally	58.982
mechanical and exterior accessory equipment used in	
nonresidential and multifamily residential development	58.983
residential development	58.984
mechanical equipment for pools, hot tubs, hydrospas or the like	58.986
modifications	58.987
medical marijuana dispensaries	58.873-58.876
definitions	58.876
general requirements	58.873
special location regulations	58.874
special operational regulations	58.875
mobile home	58.550-58.559
occupancy requirements	58.552
required improvements for development	58.555-58.559
responsibility for maintenance	58.553
specific design requirements	58.551
street design standards	61.200-61.271
subdivision design standards	65.400-65.454
mobile services	58.730-58.731
generally	58.730
permitted mobile service uses	58.731
mobile vending	58.720-58.723
general requirements for mobile vendors	58.720
mobile vending events	58.723
stationary mobile vending	58.722

Section

ZONING USES (Cont'd.)

temporary mobile vending 58.721
model dwellings 58.942-58.944
multi-family developments above 8 units. 58.570-58.573
development & building site standards 58.572
review standards..... 65.400-65.454
multi-family: multiplex (3—8 dwelling units in R-2B, R-3B, O-1, and O-2 zoning districts) 58.560-58.563
appearance review standards for multiplexes 58.563
development & building site standards 58.562
purpose 58.560
review standards..... 58.561, 65.400-65.454
nonconformities 58.1140-58.1183
building, structures, vehicular use areas 58.1160-58.1163
1-5 family dwellings in MXD-2 district 58.1163
dwelling built before 1959..... 58.1162
expansion 58.1160
work to nonconforming building, structure, or vehicular use area 58.1161
general requirements..... 58.1140-58.1142
landscaping..... 58.1180-58.1183
amortization with accessory parking 58.1183
bufferyards..... 58.1181
parking lot 58.1180
parking spaces, removal for compliance 58.1182
lots..... 58.1150-58.1155
development, residential 58.1153
modification of standards 58.1155
permitted uses 58.1152
reduction prohibited 58.1151
splits 58.1154
status..... 58.1150
uses..... 58.1170-58.1173
change to another nonconforming use 58.1171
continued use where previously residential 58.1172
discontinuation..... 58.1173
expansion 58.1170
outdoor display of merchandise..... 58.914, 58.945-58.950
accessory use, display or storage 58.914
antique stores, retail 58.950
permit required 58.950
use restrictions 58.946
outside storage uses and storage facilities 58.790-58.793
owner-occupied home sharing
general requirements..... 58.988
procedural requirement 58.989

Section

ZONING USES (Cont'd.)

pain management clinics..... 58.1193-58.1195
dispersal of clinics 58.1194
minimum site plan conditions..... 58.1195
purpose and intent 58.1193
patios and decks..... 58.970
personal storage facilities 58.770-58.774
plasmapheresis facilities, accessory service use 58.913
public benefit uses..... 58.810-58.816
additional provisions for public schools 58.813
assembly PBUs: development and design criteria 58.812
assembly public benefit uses: classification, where permitted 58.811
general requirements for public benefit uses..... 58.810
intensive public benefit uses..... 58.815
light public benefit uses 58.814
review criteria for conditional use permit applications for public benefit uses 58.816
railroads, zoning requirements, exemption..... 58.202
recreational vehicles
parking..... 58.926-58.927
parks..... 58.780-58.786
refuse and recycling disposal containers . 58.951-58.955
refuse and recycling container location requirements 58.953
refuse and recycling container screening requirements..... 58.955
roll-off compactor location requirements 58.954
service types..... 58.952
commercial hand pickup/garbage cart service..... 58.952
recycling service..... 58.952
restaurants
(See: eating and drinking establishments)
sales offices in subdivisions 58.832
application to Municipal Planning Board 58.832
inspection by Building Official 58.832
signs 58.832
time limit on permit..... 58.832
shooting ranges, indoor 58.860-58.864
solid waste collection 58.951-58.955
specific residential uses..... 58.500-58.604
swimming pools, hot tubs, spas, and screen enclosures..... 58.956-58.963
City sanitary requirements applicable. 58.960
exterior access to swimming pools..... 58.961
fencing 58.959
general requirements..... 58.956
lighting..... 58.957
location requirements 58.958
patio drainage 58.962
screen enclosures 58.963
